Canadian Open
By: Joy MacDonald

On June 27-28, 2015, the Buffalo Canoe Club hosted the Canadian Open Regatta. This regatta was a great chance for teams to check out the BCC and gear up for the Lightning Worlds (July 19-25, 2015). 39 boats registered for the event and the competition was fierce! Competing in the regatta were several World Champions, North American Champions, Youth Champions and four of the Lightning teams heading to the Pan American Games.

On Thursday and Friday as the teams began to arrive, the BCC was alive and it was great to catch up with old friends and meet new sailors. We awoke Saturday morning to a rainy, windy day. The race committee got in 2 races before concluding for the day. The results were tight, and Matt Fisher (with crew Tobi and Dan Moriarty), had a great first day of sailing. The next day, the fleet sailed 3 races in shifty conditions that saw the wind shift from the east to the north throughout the day. The Worlds PRO, Jeff Borland, and his team did a great job getting the races off in trying conditions!

I was very fortunate to sail this regatta with my dad, Larry MacDonald, and my sister, Julianne MacDonald. We set a goal at the beginning of the regatta to try and have all our finishes in the top ten. We made our goal a reality and worked hard throughout the weekend to stay consistent. Moving from 8th place on the first day to end up winning the regatta was a great feeling! Additionally, being Canadians it is great to win the national championship and to continue to promote the growth of Lightning sailing in Canada.

I have been sailing with my dad since the North Cape North Americans in 2002 and I have loved the many experiences I have had, friends I have made and the places I have traveled. I am so grateful to my dad for introducing my siblings and I to this sport at such a young age and for continuing to introduce youth sailors to the Lightning class. This year at the BCC, the Junior Lightning program currently has eight teams preparing for the Junior NA's with coaching from my dad. I think it is a testament to the strength of the class that there are so many youth sailors who are eager to join in the fun that the Lightning class offers.

As we gear up for the Worlds, we are very excited to host Lightning sailors from all over the world and to showcase what our club has to offer. Thank you to everyone for coming out to the Canadian Open and for making it such a spectacular event!
