The Loon Lake Regatta took place on July 16/17, 2022 about 45km east of Thunder Bay, Ontario. This Temple Reef Sailing Club (Fleet 279) event counts as the first half of the Central Canadian District Championships, the second half being held on Lake Superior on September 3/4, 2022.

Loon Lake has been hosting annual sailing events for over 60 years and spectators look forward to watching the close, competitive racing the Lightning fleet has to offer. Seven boats came out to enjoy the very challenging and often frustrating light and shifty wind conditions that the lake is famous for.

Congratulations to Richard Walsh, Daniel Hansen and Monica Walsh on taking the win on their "home turf", and Alex Cox, Mitch Sandberg and Travis Halls in second, and Brian Cox, Terry Cano & Tina Walsh breaking the tie to take third place. (Results attached)
