

STATEMENT OF INTENT: ILCA Membership Dues Increase

We are all witnessing rising costs. The ILCA is not insulated from this. Therefore, the Executive Committee is proposing a modest dues increase. This is critical to maintain a balanced budget while keeping our level of service consistent and the ability to expand popular programs. Of note, dues have remained unchanged since 2015.

NOTE: Items that are ~~strike through~~ are deletions. Items that are underlined are additions. Differences from the current bylaws are **highlighted in yellow**.
