

Double Handed Sailing Course will consist of Windward/Leeward races as well as short distance races that may include finishing inside the main break wall, that course can be scheduled accordingly with the inshore water sports.

Lightning and Laser courses will be set inside a 2NM racing circle. Lasers will sail a race course described in the ILCA dinghy masters class rules, lightnings will sail windward/leeward race courses, all within a 2NM racing area.

Each racing area may be as far offshore as 5nm or as close as 1nm from shore.
