PRESIDENT'S COLUMN

Carter Utzig

Thank you for the wonderful job that Milwaukee and Sheboygan did putting on the WJM and NAS. Congratulations to Matt and team as well to Jason and his team for incredible sailing.

Finland is a great place. Thank you to all the people who made that a highlight of my summer trip. Anyone traveling out of their country should look into sailing with their Lightning family in the countries they are traveling too.

A couple of things that need mentioning:

1. Lots of changes to be voted on at the Worlds: Please read the web site! The biggest change is FOR NON-SANCTIONED REGATTAS. Regatta organizers and fleets will have the ability to vary from the Lightning Class Governing Documents within limits so that they can tailor the sailing experience to the needs of the venue.

2. Class office: We will be posting a Request for Information on the web site for the class office. We will allow people to propose on running the class office using alternative methods and splitting out services. The intent is not to reduce cost but to look at our options to determine if we can get more value for our dollar. We do have a good class office; we just want to see what our options are.

3. Boat building and international growth: It became apparent to me that one of the keys to growing the class outside the US is to have builders in different countries around the globe that can build a good, reasonably priced boat. In addition, it must be done so that taxes do not become an inhibitor. Brasil has started building. Finland lost its builder and needs new molds. We will dedicate some resources to look at ways of moving this along. Should the class fund the creation of molds and sponsor builders in different countries?

Hope everyone is having a great summer.

Carter

ILCA ADDRESSING SERVICE

ILCA Headquarters offers an addressing service to Fleets, Districts & Yacht Clubs. We can supply mailing labels at 10¢ per label for a specific fleet, state, district, or other criteria. An additional charge is made for the postage required to mail the labels to you. Allow enough time for printing the labels and mailing them to you. This service is also available to builders and sailmakers at 15¢ per label. Better yet, you may order this same addressing service as an electronic file, which can be emailed to you, for one time use, at an even cheaper rate - call for details.

OFFICIAL NOTICES

2009 World Championship

The Class is now accepting bids to host the 2009 World Championship on the North American continent. The deadline for your Club to declare they want to host the Worlds is December 31, 2005. If interested please contact Bill Mauk, VP Worlds Liaison at whm-penultimate@aol.com, or the Lightning Class office.

Pan American Games

As a consequence of a Pan American Sailing Federation request, the XLIII Pan American Sport Organization General Assembly has decided that the Lightning class will participate in the Pan American Games Rio 2007

The system for country qualification to the Games is:

- 2 countries via Southern Circuit (03/06 USA)
- 1 country via Pre-Pan Am Games (07/06 Brazil)
- 2 countries via North American Championship 2006
- 2 countries via South American Championship 2006

See the official notice on the Games website.
<http://www.pasaf.org/PASAFRIO07/panam-río2007qual.htm>

The system of determining the US team will be announced at a later date. ●

TIME FOR YEARBOOK REPORTS!

Our goal for this year is to have the yearbook IN the mail before the end of March. To achieve this goal, we need everyone's help. Please submit your fleet rosters and reports NOW. Even if you need to update it for subsequent racing, the earlier you can provide us with a draft, the better off we all will be. Please submit articles in word, and rosters in Excel if at all possible.

FINAL DEADLINES

Please submit your yearbook rosters and reports immediately: **FINAL CUTOFF DEADLINE is January 15th.** Please submit articles in word, and rosters in Excel if at all possible. [Submit to office@lightningclass.org](mailto:submittooffice@lightningclass.org)

Note: Here in the office, we often get requests for information on the history of a particular boat, fleet, district, or regatta. It is extremely frustrating to go back to a Yearbook and find that NO REPORT WAS WRITTEN! The Yearbooks are our history - don't be left out! ●

KATRINA HITS

Hurricane Katrina has hit our Southern District hard. We are still waiting to hear from all of our members in Louisiana, Mississippi, Alabama, but from the web, we do know that. Pass Christian Yacht Club, Pass Christian MS, home of newly re-activated Fleet 179, has been completely destroyed. You may have seen the flooding and burning of Southern Yacht Club, New Orleans LA, home of Fleet 62 and host of the 1996 North Americans. Other yacht clubs in the area which host Lightnings and/or Lightning regattas (among others) were also significantly damaged: New Orleans YC (New Orleans, LA), Ponchartrain YC (Mandeville, LA); Buccaneer YC (Mobile, AL); Fairhope YC (Fairhope, AL). Any regattas scheduled in Southern District are subject to cancellation, rescheduling, or relocation. ●

ILCA OFFICIAL POCKET PATCH

Red Lightning Flash on white circle embossed on navy background. I.L.C.A. and laurel leaves embroidered in gold. Size approximately 4"x 4 1/4".

Cost \$10.50

Send check with order to:

ILCA

P.O. Box 10747

Murfreesboro TN 37129-0015 USA

The official ILCA pocket patch is designed to provide adequate space for the wearing of insignia designating a member's official status in the Association.

Insignia as follows:

Incumbent President - 5 Stars

Past President - 4 Stars

Vice President - 3 Stars

District Commodore - 2 Stars

Fleet Captain - 1 Star

Secretary (ILCA, District and Fleet) - Quill

Measurer (Chief, Assistant, Certified) - Square

Treasurer (ILCA, District and Fleet) - Acorn

ILCA, Fleet, District and International Officers, past & present, are entitled to wear stars designating the highest rank they have held. Past and present Secretaries, Measurers & Treasurers may wear their insignia along with any stars they are entitled to wear. Stars, quills, squares and acorns are available at \$2.00 each. When ordering, specify which insignia and how many you need.

IN MEMORIAM Howard Franklin Lippincott 1919-2005

BOAT BUILDER AND YACHTSMAN
Riverton, NJ

Owner and founder of Lippincott Boat Works, his corporation made one-design racing sailboats and cruising sailboats from the mid 1940's to 1985 for sailing enthusiasts all over the world, including presidents, princes and world-class sailors. He was the first boat builder to successfully change from fabrication of wooden built Star boats to fiberglass. Howard also enjoyed the sport and was an avid and world renowned sailor, traveling the globe to different regattas. The last Lippincott Lightnings to come out of the boat works are nearing 35 years old and are still competitive in the circuit. The Lippincott 30 and 36 that were designed by son, Skip (Howard, Jr.) went into production around 1978 and were known for their comfort in although not designed with racing in mind, were also competitive.

His sailing accomplishments include four time winner of the Comet Class

Internationals; 1949, 1950, 1954, 1955, Star Class North American Championship winner in 1956, winner of Bacardi Cup Championship in 1963, and a top competitor in the Star Worlds for a number of years. Howard is an Honorary Life Member of the Riverton Yacht Club and the International Comet Class Association and a former member of the Tred Avon Yacht Club in Oxford, MD.

Howard was on the Board of Directors of the Out Island Inn, Georgetown, Exuma, Bahamas during the 1960's and early 1970's. He maintained his small craft pilot's rating and enjoyed flying with his wife, Doris, and the children on trips to the Inn for business and pleasure.

Beloved husband of the late Doris Melcer Lippincott, Howard is survived by his sister, Barbara Lippincott Martin and brother, Raymond Lippincott, his six children, Stephen Melcer Lippincott of St. Petersburg, FL, Ann Lippincott Dunlap of Ft. Myers, FL, Howard

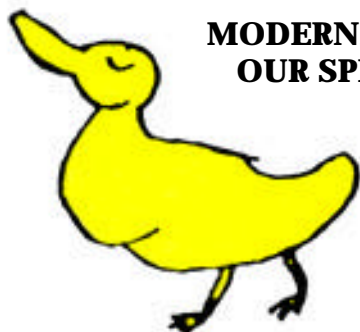

Franklin Lippincott, Jr. of Riverton, Elizabeth Ballou Lippincott-Mortgu of Riverton, Carol Lippincott Traetto of Fayetteville, GA and Thomas Miller Lippincott of Chestertown, MD, his 16 grandchildren and 10 great grandchildren, and many nieces and nephews

Service will be on Thursday, Sept. 1, 6:00 p.m. at the Calvary Presbyterian Church, 4th and Lippincott Aves., Riverton, NJ. The family will be receiving friends and family at the church between 5:00 pm and 6:00 pm. Interment will be in the Church's Memorial Garden after the service.

In lieu of flowers, donations may be made to the Riverton Steamboat Landing Foundation for the preservation and ongoing renovation of the pier and clubhouse, (P.O. Box 75, Riverton, NJ 08077).

2006 SOUTHERN CIRCUIT

I am writing with a request for information about the Southern Circuit. After a brief and very informal survey at Sheboygan, I've got some great ideas about the Southern Circuit. But there is always room for more ideas and feedback, so I have a couple of general questions. I would love to hear from everyone.

If you are a non-racer, what does Southern Circuit mean to you?

If you used to do the Southern Circuit and don't anymore, how come?

If you don't do the Circuit, what keeps you away?

If you attend, what do you love about the Southern Circuit, and what might be improved?

Thanks for your attention, and I will keep you posted about the cool new doings at the Southern Circuit as they get finalized.

Best Wishes,

Amy Smith Linton, VP Southern Circuit aslinton@aol.com

P.S. A quick reminder: 2006 will make it FIFTY YEARS at Savannah.

[Deep South Savannah March 11-12](#)

[Miami Midwinter March 14-15](#)

[St. Petersburg Winter Championship March 17-19](#)

2005 ACCs

Wrightsville Beach, NC
July 29-30, 2005

Lenny Krawcheck dominated the 2005 ACCs with a 2-1-2-2-3 series that earned him a 23 point victory over the nearest competitor.

Mother nature did not cooperate very well and it made for an unusual race weekend in Wrightsville. On Saturday, rain and variable winds delayed racing until mid-afternoon when the AP finally came down and the fleet headed out to race. The race committee set a short windward-leeward once around course. The RC got in two short races and sent the fleet back in as evening was approaching. Krawcheck appeared to have the early lead with a 1-2 finish on the day. Back on land, the results were posted and it became evident to all that OCS calls would play a major roll as a number of the top finishers in each race, including Lenny, found they were OCS once or twice.

On Sunday around 8:30 am, the fleet began launching under sunny skies and hopes were high for a good day of racing. But on the way to the race course, a dark cloud came up send-

ing many skippers into a 180 turn for the docks. However, the RC was on the course and called everyone out seeing no immediate danger from the cloud. Race one of the day was started. As the fleet rounded the windward mark, a huge shift moved in switching the leeward leg to a beat. Spinnakers dropped, jibs were hoisted, and the race committee shortened the race to a finish at the leeward-turned-windward pin. Gary Hurban from NY won the race, but Lenny posted a duece.

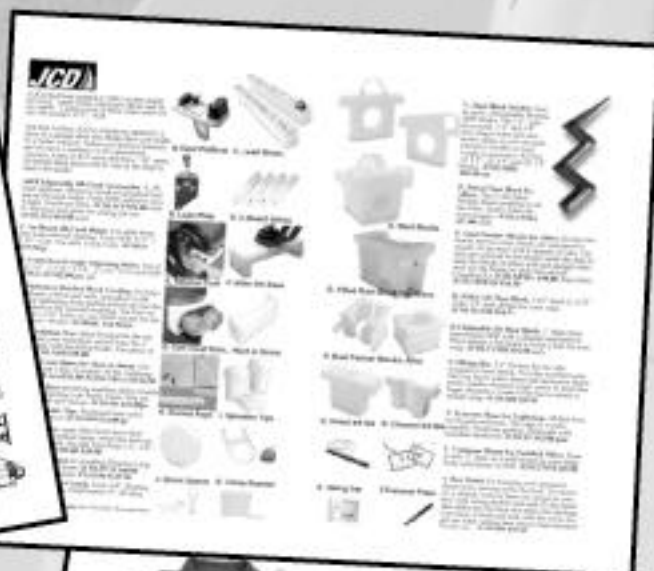

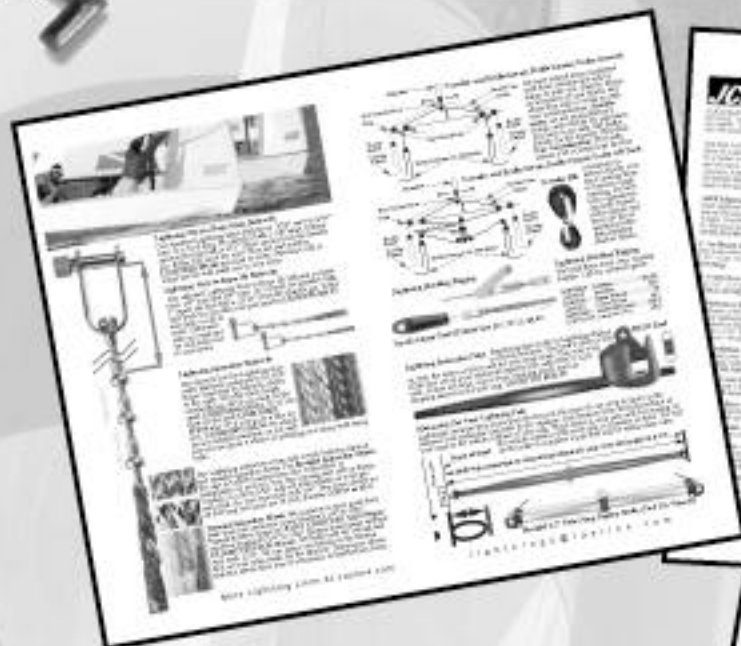

As racers contemplated the next start and the RC worked on adjusting the course, a moderate rain shower moved over the course. About half of the fleet dropped sails and set anchors to ride out the rain. The other half cut back to mainsail only and attempted to keep some minimum movement going. Thankfully, there was no lightning or high wind associated with the rain, so when it stopped after 20 minutes, the fleet hoisted sails and the RC moved on to race 2 and 3. SELD's Jim Harris won race 2 and Pierce Barden won race 3.

Back at the docks, a number of protests were filed including redress

for the day one OCS calls by Bob Harkrider and Lenny Krawcheck. Bob explained his redress in an e-mail "I think the judges realized that there was a problem when the pin boat observers admitted that they could not see the other end of the line. Lenny and I were both able to demonstrate that we had the time, room and opportunity to duck below the line for a fair start. In my case I was approximately 3 boat lengths from the pin boat at the starting signal. I think the pin was favored about 5 degrees. I had boat speed since I had been accelerating down the line with 10 seconds to go. There were no boats in front or to leeward of me. From this position I still had to luff up to clear the anchor rode on the pin boat. Tom sitting on the seat could see the pin boat observer through the forestay at the gun. I think that is why the committee reinstated me." Bob and Lenny won their hearings and their day one OCS calls were reversed. With actual on course scores now on the books, Krawcheck won the regatta with a score of 10. Bob Harkrider was third and Pierce Barden finished fifth. Congratulations to all skippers.

6 Pages of Lightning Stuff!

January 2005, Key West Race Week, Walt visiting with a great long term customer, past class president... "Hey Walt, 1 800 542 5463... I still remember the #... however, I'm not ordering as much 'cause I have a local supplier I'm working with... but, I still love Layline... I'll call you when he does not have what I need..." Arrrgghh, that is competition and hats off to the guy who is kicking my butt... However, we are fighters at Layline and this is our answer, 6 pages in the catalog promoting the Lightning class to 100,000 sailors and trying to pull Lightning Sailors business.

Please Keep Layline In Mind When Shopping, We Value and Appreciate Your Business.

Walt

ENCOURAGING PARTICIPATION AND PROMOTING EXCELLENCE IN SAILING

Expand your Knowledge. Enjoy the Competition. Experience the Community.

Types of Memberships

- * Youth
- * Adult
- * Family

Youth, Adult and Family memberships are the backbone of the United States Sailing Association. More than 40,000 adult and youth sailors are currently taking advantage of the many sailing opportunities across the nation.

Golden Anchor A program designed to provide sailing organizations and their members with even more membership benefits: Organization members receive all the benefits of US SAILING membership at reduced rates, while organizations receive credits for each US SAILING member enrolled.

President's Club Founded in 1989, this is a group of individuals, each of whom has made an extraordinary commitment to the long-term goals of US SAILING.

Club or Association Regional Sailing Associations, Yacht Clubs, Sailing Clubs, Sailing Organizations (Community Sailing, Fleets, Class Associations, High School and/or Collegiate programs, etc.) receive a wide range of benefits including insurance programs.

Programs & Services

Search for a US SAILING member You can find a member by name or member number.

Change of Address Members can request changes of address on-line and can add email addresses. We will be delivering more services via email, so be sure your email address is up to date.

Insurance US SAILING has five insurance programs that provide coverage and benefits to member organizations: The Burgee Program, Regatta Liability Insurance, Borrowed Boat Insurance, Sailing School Insurance and Directors and Officers Liability Insurance. There are currently two insurance programs offered for individual members: One-Design Insurance and the Finance Package.

Benefits Benefits vary according to the type and level of membership, but most include a choice The Racing Rules of Sailing or Safety Recommendations for Cruising Sailboats. Other benefits include insurance programs, discounts on Avon or Zodiac LifeRafts, the Bitter End Yacht, West Marine, publications, accessories, safety gear, and on entry fees at regattas covered by US SAILING Regatta Liability Insurance.

Membership in US SAILING provides the opportunity to show support for the National Governing Body of sailing and its goal of preserving and promoting the sport. Membership dollars go to support the many programs and services offered by US SAILING. These include assisting in the development of community sailing programs that strive to make sailing more accessible; training sailors of all ages to become sailing instructors; supporting one-design fleets nationwide; training and certifying judges, race officers and umpires; offering affordable insurance programs for sailing organizations; deriving and implementing The Racing Rules of Sailing, and much more. For more information, please contact the Membership Department.

REQUEST FOR ARTICLES & PHOTOS!

The Editor

Remember to send an article to *Flashes* after your regatta. It's a great way to communicate with the rest of the Class; it's free advertising for next year's event. All of our articles are written by sailors and volunteers. So, after the sail, sit down and write something to share with the rest of us!

Photos, too, are greedily accepted. You can send a picture or a CD, email a jpg, tif, bmp = I'll work with whatever you send! But - to run the photos in *Flashes*, I'd REALLY like to have an article to go with them...

THANK YOU!

Remember that *Flashes* is not written by anyone in the office - we simply edit whatever YOU send in.

Allen 14210 white/white. North Sails. Asking \$6000. Jerry Dodge (h) 315/589-2550 (w) 585/202-9147 jdodge25@aol.com (NY)
