

# Women's, Juniors' Masters' North American Championship

## Milwaukee Yacht Club – Fleet 69

### Milwaukee, Wisconsin

### August 1–5, 2005

Friday - wow- what a beautiful day! cooler, sunnier, lighter winds. Masters racing one race, Women two, and Juniors three.

Thursday - they're out in good wind. Scheduled: 2 races for Women and Masters, they're shooting for 4 for the Juniors to make up the lost race yesterday. Reports posted as soon as they all get in. It's a little cooler, probably even more so on the water, not as much sun - fairly overcast, but the wind is over 10, at least 15 here on shore, but a bit lighter offshore.

Wednesday afternoon: two races for all three fleets. Lighter air first race, heavier air second race. Storms in the area sent everyone in.

Wednesday: Wind is wonderful this morning south 14-16. Not as hot 92, not as much sun, slightly overcast. We will post results as soon as we can this afternoon! Schedule: 3 Junior Races, 2 Women's Races, 2 Master Races

Women's North American Championship														
Final results after six races - 1 throwout
