FOREWORD

For those of us who have been fortunate enough to sail with the Lightning Class through a greater part of her remarkable voyage each Year Book has been like a faithfully recorded page in her log. As we look back over those pages we are reminded of many happy days spent on the voyage, of many friends made among the passengers, of the competition we had in our races, of the interesting and delightful ports of call, of the good stewardship of its officers and crew that made our voyage enjoyable and last but not least a few stormy days that our sturdy ship weathered.

This 1948 Year Book is another page in her log faithfully recording the past year's events. You will find a new and complete passenger list, an accounting of last year's contests with the listing of all champions and many photos taken, both aboard and ashore. Many accounts are given of various ports made and mention made of calls for the coming year with their respective contests. You will also find a complete list of the ships' officers, past and present.

May the good ship Lightning Class with the cooperation of all once again carry us on another year of enjoyable sailing. Thank you one and all for your faithful support. It has been fine sailing.

A handwritten signature in dark ink, appearing to read "Ed. W. Jones". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

President

Officers of the Lightning Class Association

PRESIDENT—Edward W. McCain
1549 Market Ave. S., Canton 4, Ohio

We are fortunate in having Ed at the helm of our L. C. A. His ever cheerful and tactful handling of the complicated and increasingly numerous details of his job have contributed greatly to our progress. Whether he is dashing about the country to attend a Lightning meeting or answering a letter from some distant fleet on an obscure detail, he is ever on the job. With his duties as president of the McCain Lumber Company added, it is a wonder he can find time to sail No. 558 on the waters of Turkey-foot Lake. He does, however, and is a contender to be reckoned with at the finish line.

VICE-PRESIDENT—Karl Smither
170 Greenaway Rd., Eggertsville 21, N. Y.

Yours truly has been elevated from Treasurer to Vice-President - in - charge - of - Yearbook for 1948. A few changes and additions which you will note have been made to try to still further improve it. If you think of any others, let's have them, and don't spare the cat. This is our biggest yearbook yet. Good sailing to you, so that there will be much to write about for next year. Particularly between sailing seasons. In case you were wondering, two Smither Pharmacies, in Buffalo and Eggertsville, are the big job.

VICE-PRESIDENT and CHIEF MEASURER—
Arthur Burtcher, 3525 Harley Rd., Toledo 6, Ohio

Art brings to the job of Chief Measurer an intimate knowledge of Lightning construction from stern to stem and truck to tip of centerboard. He has just completed a new boat of his own, and a fine one it is. The micrometer engineering that is so evident in his hardware is his own. He is with the Toledo Scale Company, which probably accounts for some of his accuracy. His vigilant screening of all suspected rule beaters is the job that is doing the most to keep ours a truly one-design class. Every officer and every good member of our Association is back of him in this one hundred per cent.

VICE-PRESIDENT—Louise Cattus Wells
621 New Gulph Rd., Bryn Mawr, Pa.

L. C. A. welcomes it's first feminine officer, and a mighty fine sailor. Louise started early. At the age of eleven she was Barnegat Bay Champion in 20-ft. sneakboxes, and has attained that championship again in Lightnings. At the helm of black-hulled No. 513 she is a skipper to be reckoned with at the Internationals. With a life of sailing, what could be more natural than that her son, who crews for her, is on a trip around the world in the brigantine Yankee.

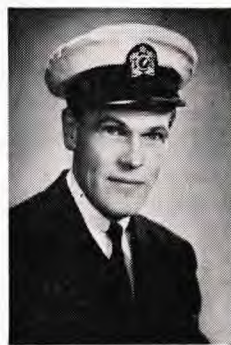

TREASURER—Henry Williams
311 Center St., South Haven, Michigan

Henry is located close to Lightning Headquarters in South Haven, where he can watch our L.C.A. funds with an eagle eye. He is in the retail jewelry business in Kalamazoo, Benton Harbor and South Haven, Michigan, but still finds time to be Vice Commodore of the S.H. Y.C. and Secretary of Fleet 30, in addition to doing a fine job as L. C. A. Treasurer. Henry crews with Len Ladenburger on the Joy, which has won four fleet championships and one district championship.

SECRETARY—LeRoy Amy
10 Linden Ave., Larchmont, N. Y.

Roy is a newly elected officer of the Association, but is well known to many Lightning owners as District Secretary of the Southern New York and New England District during 1945-7. As Fleet Secretary for two years and Captain of the fleet last year, he aided in developing Fleet 32 from 4 boats to 40 boats in three years. He is the owner with his two teen age daughters of "Racet" No. 1856. He is in the Real Estate business in New York and between sales of buildings, finds time to do an outstanding job of publishing Lightning Flashes, which you now receive monthly, thanks to his efforts.

VICE-PRESIDENT—Frank H Watson
927 Iliff St., Pacific Palisades, Cal.

As an active small boat racing man and in 1946-47 as California District Secretary, Frank has been very active in spreading word of the Lightning Class on the west coast. He built his own Lightning No. 1052; sails the waters of Santa Monica Bay, and the open Pacific, which he prefers in spite of a typhoon he went through on a trip to China. Frank is a specification writer for North American Aviation in Inglewood, Cal.

VICE-PRESIDENT—Walter G. Vogel
2934 111th St., Toledo, Ohio

Walt is another officer who has built his own Lightning. In fact, he says that he built his garage in 1942, so that he could build Rambler Too, and completed her in 1943. He is always among the leaders, and a skipper to keep an eye on. Walt is foreman in the Weld Shop of the National Supply Co. His freely given, skilled and valuable helping hand is one of his many attributes that make him so heartily welcomed where ever he goes.

HONORARY COMMODORE—John W. Orelup
1 Crossgates, Short Hills, N. J.

Jack needs no introduction to Lightning sailors. The outstanding job he has done for our association is known to all of us. As 1947 L.C.A. President, and chief measurer before, his wise counsel and unremitting effort has greatly aided the growth of our class. Prominent in Barnegat Bay racing, his home fleet No. 3 is our largest. This year he is sailing a new Lightning after winning so long in No. 882. He is with Patent Chemicals, Paterson, N. J.

HONORARY VICE-COMMODORE—Richard Carr
50 Church St., New York 7, N. Y.

Dick hails from Long Island Sound, where he crews aboard No. 253 for his skipper son Steve. With five Carr children, there are many possible combinations. Dick is New York manager for the Stephens-Adamson Mfg. Co. He is active on L.C.A. Committees, was vice-president in 1947. We particularly like to remember the superb job he did of the Yearbook that year.

Honorary Officers for Life

C. L. NICHOLSON
Commodore

This man was the father of the Lightning Class Association and its first President. He organized the Association gave it its first boost into the world of yachting. For his unselfish work and devotion to the Class, he was elected Honorary Commodore for life.

E. GORDON CRONK
Vice-Commodore

As the Association's first Secretary-Treasurer, Gordon deserves credit for much of the original publicity about the Lightning. In recognition for his work, members of the Association elected him as Honorary Vice-Commodore for life.

HON. L. STAUFFER OLIVER
Vice-Commodore

The first Chief Measurer of the Lightning Class Association assumed responsibility for establishing our high Lightning standards. Judge Oliver filled this position skillfully for the first two years of the Association's existence and then served as President for two years. A grateful membership elected him Honorary Vice-Commodore for life in 1943.

Lightning Class Association

POLICY

To promote and develop Lightning Class racing under uniform rules, governed by this Association, and to rigidly maintain the one-design features of Lightning Class sloop, as designed by Sparkman and Stephens, Inc., which plans are known as 265.

To cooperate with all other yachting organizations and to demand in return observance of the rules of the Lightning Class.

To keep the Lightning Class within the financial reach of the man of moderate means without handicapping ability or encouraging neglect in conditioning yachts.

To rigidly maintain a strictly one-design Class, in order to positively insure that all Lightning Class races held under the auspices of this Association be to determine the skill of the skipper, and to eliminate all variation in construction of the yachts. Everything in the Constitution, By-Laws and all building restrictions is intended to insure competition between boats of identical design and the spirit of the Constitution, By-Laws and building restrictions is to this end.

JURISDICTION

The Association has jurisdiction over all Lightning activities. Its Class rule govern all sanctioned Lightning races regardless of by whom held. Its Constitution, By-Laws and Rules are binding upon all members and Fleets and all registered Lightning yachts must conform to its official plans and specifications.

ATTENTION OWNERS, BUILDERS AND SAILMAKERS

The Lightning name and emblem as applied to sailboats has been registered with the U. S. Patent office and the Lightning Class Association is granted exclusive use thereof. No boat may properly be sold or entered in any race as a Lightning or at any time display the Lightning emblem upon its sails or otherwise, unless the number tax or royalty on such boat has been paid to the Association by the builder or owner thereof. For the benefit of owners or prospective owners the Association proposes to take whatever steps necessary to protect both the Lightning name and emblem from any unauthorized use.

ROYALTIES AND REGISTRATION

The Association will refuse to issue a number or grant a measurement certificate to any yacht on which the royalty has not been paid or which was not built by a recorded owner of Official Lightning Class plans. *The fee for each and every boat built is \$15.00* which includes the assignment of a registered number, blueprints and the book entitled "Building the Lightning".

Every Lightning built is recorded by the Association and a complete registry of owners is maintained. All

changes in ownership or sale of new boats by builders and dealers must be recorded with the Secretary of the Association.

A \$1.00 royalty must be paid by sail makers on each sail made, as evidenced by the above label securely sewn thereon. The colors in this label are red and black lettering on a white background. This label, as evidence of payment of royalty, is required beginning with 1948 sails. These labels may be purchased from South Haven for \$1.00 each less 2% for cash with order.

PLANS

Plans are not transferable. They are sold subject to the terms and conditions of the notice thereon. Plans and specifications are subject to annual revision only as provided in the Constitution and By-Laws. It is the policy of the LCA to make no changes which would give more recent Lightnings any advantage over the first Lightnings built. The responsibility of keeping advised as to these annual revisions rests with the purchaser of plans and specifications. Never copy another Lightning.

CONSTITUTION — BY-LAWS — RULES SPECIFICATIONS

The Constitution, By-Laws, Rules, Specifications of the Lightning Class Association are contained in a special pamphlet available to all members—builders and yachting organizations.

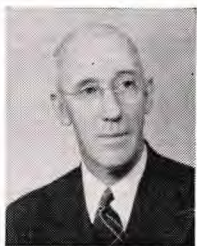

MEMBERSHIP

Each and every Lightning owner should be an active member of the Association. Our modest dues are a very small amount to pay for the many benefits received from such a membership. You are not only helping to support your own Association that is doing everything possible to enhance and protect your investment in your Lightnings but you will receive numerous publications of interest and benefits (which alone are worth the investment). Only members are permitted to enter sanctioned Lightning Class races and receive the official Year Book and special Lightning Class publications.

Every crew member or person sailing and interested in Lightnings but is not an owner should be an Associate member. The Year Book (which is sent to Associate and crew members as well) alone is worth more than this membership costs, not to mention our other publications.

If you have not already sent in your dues for 1948, clip the coupon from FLASHES and do so now.

Our L. C. A. Office

At South Haven, Michigan, is located the nerve center of our association. The man in charge is our Executive Secretary, W. D. Hickin, "Dale" as he is known to so many Lightning sailors throughout the world. As former crewman aboard "Joy" No. 753 and an interested Lightning sailor ever since, he knows our class. He is now commodore of the South Haven Yacht Club, host for the 1942 LCA Championships. His 43 years as a telephone company executive further excellently qualify him to preside at our "switchboard."

Dale is ably assisted by Mrs. Olive Sullivan Cain, better known as "Sully", who skips our typewriters and addressograph through storm and calm. She is a resident of South Haven with her three children, all in school.

Olive "Sully" Cain

These two, with an occasional part time typist added to our payroll, handle the terrific volume of LCA correspondence and mailings to all you thousands of members. A word of appreciation for the outstanding job they are doing is in order.

A complete file of all Lightnings and LCA members is maintained in our office. All new registrations, changes in ownership or address, inquiries and requests should be mailed to W. D. Hickin, Bank of South Haven Bldg., South Haven, Mich. Dues may be sent there, also, although many fleet secretaries assist the Association by collecting and remitting dues for their fleet members.

Officers

Your duly elected national officers serve you and your Association without pay and have no financial interest directly or indirectly in any firm or corporation building boats, manufacturing boat fittings and equipment, supplies, or making sails. Your Association solicits advertising only from firms we believe to be entirely reputable. We do not, however, assume any responsibility or in any way guarantee these products.

International Lightning Class Championship Races

Toledo, Ohio — September 10 to 13

Wednesday September tenth was devoted to the two elimination races used to determine the contenders for the International Cup:

On account of ties, 32 boats qualified, which with the 1946 Champion Walt Swindeman, accounted for a fleet of 33 boats at the starting line for the first of the three Championship races.

All boats were at the line at 10:00 A. M. although Schelter, No. 122, failed to cross on account of a broken mast.

The wind was SSW about 15 miles per hour and the skippers all tried a starboard tack across the line but some immediately tacked to get sea room.

At the first mark, Swindeman was in the lead with Robertson and Smither in second and third places, with these positions unchanged at the start of the second time around and with with Graf fourth and Overton fifth.

On the fourth leg Smither passed Robertson and at the end of the race the position of the first five boats was unchanged. The winning time was one hour, nine minutes and forty-five seconds.

The start of the second race on Friday was again at 10:00 A. M. with a WSW wind of less force than the previous day. Thirty-two boats started with Swindeman leading across the line, but in orking to a more favorable position dropped several places and was eighth at the first mark, Nickels being first, Wingard second and Allaire third. Some skippers used spinnakers on the second leg and most of them on the third leg and at the finish of the first round Nickels as first, Wingard second, Allaire third, Swindeman fourth, and Graf fifth. Swindeman gained one place in the fourth, and one in the last leg and at the finish Nickels was first in one hour, seven minutes and forty-five seconds, followed by Swindeman, Wingard, Allaire and Graf. At the end of this race Swindeman had collected 65 points, Smither and Graf were tied with 59 points, Nickels had 58 and Eby and Allaire each 52 points.

The third and final race on Saturday started on time with a SW wind, stronger than in the previos races and more sea. Thirty-one boats yere ready for the start and were, after crossing the

Walt Swindeman's Yankee Doodle, 1947 champion.

line, about equally divided on starboard and port tacks. The first leg took 21 minutes for the leaders and spinnakers were used on the second leg. At the end of the first round, Allaire was first with Graf, Robertson, Smither and Overton following. At this time Swindeman was in sixth place. The last time around found Smither gaining two places and Swindeman one, the winning time was one hour, fifteen minutes and fifty-five seconds with Allaire first, Smither second, Graf third, Robertson fourth and Swindeman fifth.

Each race found many spectators near the course as well as on shore, with an extra large turnout for the final race on Saturday.

The individual race results and final standings of the Skippers who qualified for the International Champion races follows:

CREWING ON THE "YANKEE DOODLE"

By Clayton B. Jones

(Editor's Note: Clayt Jones died suddenly of a heart attack while crewing with Walt Swindeman at the Lightning Winter Open Championships at St. Petersburg, Fla.)

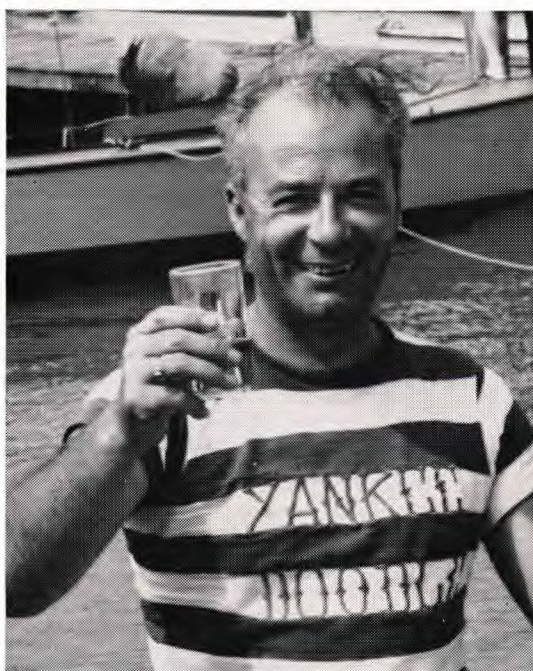

My job on the Yankee Doodle is to tend the main sheet and the cockpit work when flying the spinnaker; neither seem very important as long as you win.

In this year's Internationals at Toledo it seemed that the most essential item for me was to hunt up Magnus Pedersen, before a race and bum one of his small Bobby Burns cigars; then light it after we had crossed the finish line.

Some people will not believe that you can get tossed into the water, after winning the big casino and come up with the cigar still lit.

All kidding aside I never had a more delightful time, sailing as I did this year with Walt Swindeman. I think he is a great skipper.

However, it takes a crew of three to sail a lightning and they have to know their boat and really work as a team. After a skipper has two crew members that he can get along with, and you trim sheets until your fingers turn blue and your hands become calloused to the point that you'd swear they were covered with

barnacles, you begin to be a part of a winning crew.

Joe Hadley, the other member of our crew, is the most conservative, self contained, and calm fellow you would ever want to work with, he trims the Jib and does the deck work when flying the spinnaker. The spinnaker halyards are always where they should be, Joe sees to that.

When speaking of getting along with the skipper, every crew member should remember that if he does his job as it should be done he will not have time to watch the other boats and try to tell the skipper he should come about, etc., unless, for some reason the skipper fails to see an approaching yacht or some object that might cause damage to yours. If, as a crew member, you are paying attention to your job as you should, orders given by the skipper will be less confusing, and you will be more apt to carry them out instantly rather than to "flub the dub" and cause your yacht to lose way.

Be ready at all times to expect the unexpected to happen!

A Most Unusual Regatta

By Walt Swindeman, 1948 International
Lightning Champion

Somebody should thank somebody for the beautiful and ever constant breeze that prevailed at Toledo for more than a week during the 1947 Lightning Internationals, and made possible the sailing of ten races in four days. To say that one day of no air would have messed up the program would be putting it mildly. Knowing that the new regatta plan could very definitely be a colossal failure or a tremendous success with no in-between, the Association and the TYC regatta committee carried out the suggested plan of the Lightning Class Regatta Committee to the letter, and thanks to the gorgeous air the result was completely satisfactory.

Watching the elimination series on Wednesday was really interesting for my crew and myself. It is very seldom we have an opportunity to watch a race. I think most of the skippers that qualified witnessed every afternoon race and the afternoon skippers were on deck to see the Championship series in the morning. There was plenty of action for every one who brought a boat and yet everyone had plenty of time for tuning, etc.

Knowing that the competition this year would be keener than ever, we completely overhauled the Doodle two weeks prior to the regatta. All of the rigging and fittings were inspected, a complete new paint job on the hull including lots of rubbing to smooth the bottom, kept us busy for a few days. With the boat finally in top condition we spent the remaining evenings in crew practice and tuning.

Monday and Tuesday before the regatta most contestants were out on the Bay brushing with us, and we were not a bit surprised to be beaten by quite a few. Some who pinned our ears back were Louise Wells, Magnus Pedersen, Ed. Overton of Alabama, and Alex Dougan. We were not dissatisfied with the performance of the Doodle after taking these shellackings. We realized that we were up against top notch skippers and boats and to beat them would require lots of luck and good sailing.

With this in mind we managed an excellent start along side Louise Wells and Karl Smither when the gun cracked for the first Championship race on Thursday morning. Shortly after the start we split tacks with the two boats ahead of us, picked up a beautiful slant which put us in the lead, and managed to hang on to our slim margin all the way around.

Going into the second race with a one point lead over Smither-Crane we chose the leeward end of the line to avoid the jam and hit the line at the gun. A good start, but to leeward. There were plenty of good slants to help us on the first windward leg, and we picked up a few private little puffs on the reaches and spinnaker runs to enable us to shove the Doodle's nose into second place at the finish behind Herm Nickels, of Lake Fenton, whom we never have been able to beat in a light breeze.

Playing safe in the last race on Saturday morning, which started with a stiff southwesterly, we chose to hit the line a bit late on starboard tack to avoid the customary jam. We played it a bit too safe, and had to sail our hearts out to just nose Ed Overton out for a fifth. It was a great and thrilling series, and had Smither and Crane finished second the second race we couldn't have beaten them. Also, Bob Graf, Allaire, Robertson, or Nickels could very easily have been the winner had the chips fallen just a little differently.

My crew of Joe Hadley and Clayt Jones played an extremely important part in winning. Sailing as a team from early spring all through the season, they developed a smooth technique in coming about and trimming sheets to coincide with every wriggle of the rudder, making the skipper's job comparatively easy. It was definitely this alert and smart handling of canvas that enabled us to emerge the final victor this year.

Since I have received quite a few inquiries from skippers around the country wanting to know what kind of materials to use in building a new boat and questions about rigging, sails, etc., I thought perhaps it might be of interest to others to know what the Yankee Doodle is made of—Here it is:

Starting with the bottom, she is single planked of white cedar. Top sides are of California redwood. Keel, trunk, stem, transom and all frames are of Philippine mahogany. Decking is $\frac{3}{8}$ marine plywood. Above deck, the rigging is galvanized, and the spar is a beautiful Sitka spruce masterpiece by Pigeon Hollow Spar Co. Seats and floor boards are of white pine. I have three suits of Ratsey sails, and the ones used to win this year are five years old. She weighs 950 pounds watersoaked, with sails and all gear aboard. Besides being just a pile of lumber, rigging, sails, and fittings, she has a soul. She is an important part of the family, and is frequently used for afternoon cruising and for picnics and roasts. On many pleasant summer days we pile 8 to 10 people aboard for a cruise to nearby islands and explore new places. She is launched early in the spring and stays in the water until fall, when she is put in winter storage in the back yard. Does she leak? Yes . . . always has. Being single planked she will work in a good breeze and take on some water. This doesn't bother us however, because when we sponge out the bilge after a race or cruise it's always clean.

Owning a lightning has been a wonderful experience, because aside from racing we have made many fine friendships that never would have existed otherwise, with people from far distant places. Yankee Doodle is responsible for friendships from coast to coast. Yes, we are proud of her—not for what she has won, but for what she has done.

What Happens Aboard the Committee Boat

By Mrs. "Dot" Swindeman

Contrary to the opinion of most sailors, the race committee is not a boat load of ogres waiting to bite the heads off frustrated sailors. They are a group of very efficient and agreeable people, who sometimes fret and worry before a race just as the humblest contestants.

After having spent the 1947 season in "training" as clerk on the T.Y.C. race committee, I expected to be quite calm and experienced for the "big One". But, as always before the race, from the very first preparatory gun until after the start, my tummy was full of butterflies.

Our local race chairman, C. C. Crites, who was our boss, is a hard taskmaster, and always wants things accurate to the 'nth degree. We clerks must have our pads and pencils poised and ready from the time the boat leaves the dock, to take down any notations given. Meanwhile the judges, keeping an anxious eye on the weather and wind direction, decide where to set the course, anchor the boat, and ready the starting line, hoping there will be no need for a postponement. We must be checking boat numbers, and skippers against the entry lists for this race, which is no easy task while the boats are jockeying about before the start.

The judges, timekeeper, signal man, photographers, and clerks are distributed about the boat to have the most advantageous spot for the job each has to do. There is no time for idle chatter, but a deep silence prevails for 60 seconds before a signal is hoisted, broken only by the call of the timekeeper.

The starting gun at last! Everyone, with the exception of the clerks, has his eye glued to the starting line to catch any sign of trouble. The clerks must be ready to note any boat number called and the reason. You should see the confused mess of boats from this angle. You never know what is going to happen. It is almost impossible to see what each boat is doing.

As soon as every boat is well away from the line, with no mishaps, the line judge calls "all clear." Every one aboard relaxes with a mighty sigh of relief, and calls for liquid refreshment, which

our able skipper immediately provides. We get up and stretch. Then there is a scramble for binoculars to keep the boats in sight. Now there is time for discussion as to why so and so is going here and there on the course. They are rounding the first mark! Who is in first place now?

Soon they are coming up on the mark to start the second lap. Out with the pencils and pads again to take time on the first lap. No one relaxes during the second lap, we get ready for the finish. This is where the real work comes in. Tenseness grows, the time keeper gets ready, we clerks get set with our score sheets. We don't have time to raise our eyes from the paper, we must catch the number and time of every boat to cross the line, no easy task when they come in fast, as they did in the Internationals. The gun—the first boat is across! No time for comments on finishes. Besides, Walt gave me strict orders to remain absolutely impartial, as any race committee member must be. Not to cheer or become excited about any breaks he may happen to get, a very stiff order for any wife. Especially one like me, who is always very excitable anyway and wore a path up and down the shore at Skaneateles last year, cheering madly. However, I did manage to stay calm and nonchalant outwardly, but I must confess, praying madly for his success inwardly. Perhaps it did some good, especially in the last race, when my heart sank straight down to my toes when we saw him coming from behind the committee boat to be the last across the starting line.

After all boats are in, or accounted for, which sometimes keeps the committee boat out there long after the first boats are in and put away, we hoist anchor, and head for the club. All the way in we must check and recheck to make sure there are no mistakes in our records.

Now everyone can relax. Hope there are no protests. Was it a good race? We don't even know, there was no time to watch it. But it was lots of fun being even an humble member of such a grand race committee as we had here for the Internationals. The officers are a swell bunch of fellows, and did a swell job.

Wind . . . It's Wonderful

*By Robert W. Graf—Owner of No. 467
Third Place Winner In the 1947 Internationals*

It is now mid-winter. Skiing has taken over our leisure hours and thoughts of sailing are pushed into a remote corner of our minds. A southwest wind is now drifting powder onto our favorite slope and its effect will be well appreciated this week-end. Suddenly we realize that it is one bond we have with sailing and our thoughts are turned back to last summer.

This steady, strong southwest wind has been playing an important part in our lives for a long time. When the RAMPAGE joined the Buffalo Canoe Club Fleet, it helped her gain respect as a good heavy weather boat. Old RAMPAGE had always been manned by a fairly heavy, agile crew. This, of course, was given the credit for her liking for heavy going.

When the 1946 sailing season ended our faithful jib man of four years' standing resigned. We started the 1947 racing season with one hold-over, young Bobbie Maytham, plus high hopes of finding a good replacement for Bob Wiesendanger. Sixteen-year-old Johnny Lyons seemed to be our answer. Johnny weighed about 125 pounds, even after a good, wet beat. The RAMPAGE had lost valuable ballast and it looked as though heavy weather might no longer be her dish.

The last race of The Royal Hamilton Yacht Club Invitation Regatta was our first good taste of heavy weather with our new crew. With the help of our old, well patched, flat sails, we managed to win and finish second to THERMIS TWICE in the final standings. This regatta, while proving our new light crew could make the RAMPAGE go in good, fast company, also cost us a cracked spar.

Since we were in the midst of the all-important elimination series to determine the entries in the Internationals at Toledo, we did not want to replace the stick until it was all over. We therefore wired it up and sailed with our fingers crossed for the balance of the series. Once we had qualified, after a tough struggle, we put in a new spar and set about to tune up for our next battle, the Lake Erie District Championship. Although we won this Championship, we felt that it was partly because of a good, strong, southwest blow on the first day and lots of luck thereafter.

Our new mast was just not set properly and it would be necessary to cut off the after shrouds to get the right tuning. The RAMPAGE was then hauled out, the shrouds cut, and loaded for the trip to Toledo.

You can imagine our concern over the fact that we had worked so hard to qualify for the Internationals and here we were with a boat that was not tuned. We would have to wait until the elimination races to determine how good a tuning job we could do at Toledo.

The day before the elimination race was one of the most hectic days ever spent aboard the RAMPAGE. The morning was spent slacking, taking up, slacking again all shrouds and stays, and brushing with every Lightning that came along. Just about the time that my "growing boy appetite" crew were yelling for lunch, we spotted my old skiing buddy, Bob Seimer. Yes, it was the old accordion pusher himself in SALTY.

Bob agreed to act as a trial horse and promptly out-footed us and pointed higher going to weather. This really did it! No lunch was to be had and the balance of the day was spent on more tuning and brushing. At dusk I helped two of the hungriest looking kids you ever saw put the RAMPAGE to bed. She was still an unknown quantity to us. We felt that all that could save us

was a good blow.

The strong wind that blew the following morning not only cleared all the Toledo "hospitality" from my foggy brain, but it also seemed to shoot old RAMPAGE with life. She drove through that Maumee Bay chop under that old patched mainsail with new spirit.

During the two elimination races, in which we finished fifth and third, we felt that all our tuning the previous day had not been in vain. We could hold our own to weather, although we were not footing as fast off the wind as some of the others.

The first championship race found us off to a good start and outpointing many of our closest competition in the good hard buck that was the first leg of the race. Bobby Maytham and Johnny Lyons, with every bit of them overboard except a toe or a hand, were really keeping as well as some boats, but we did well enough on the beats and runs to finish in fourth place.

The third day started as did the two previous days. We had plenty of air with a forecast of more. Naturally we bent on our heavy weather canvas, as did everyone else. By the time of the preparation gun, our nice wind had dropped and we had developed an advanced case of "light air jitters". Sure enough, we really flubbed the start and found ourselves forced to tack under everyone's transom and sail into the middle of the bay to get clear air. This proved to be our wisest move of the series. We suddenly realized that most of the fleet was stalled near the mud banks while we picked up a good slant and pulled up to fourth at the first mark. We were able to hold off everyone but YANKEE DOODLE for the remainder of the race, and we were plenty happy to have finished in fifth place in light air.

By the time we realized we were tied with THERMIS TWICE for second place, Bob Seimer had brought SALTY in for her second win in the Consolation Series. This really touched off the wildest singing and squeeze-box pushing session of the regatta.

Much too late, the RAMPAGE jib and main men finally managed to drag their skipper away from some tall, slender Toledo destroyer. They insisted she must have been planted at the club in the role of saboteur to Buffalo skippers. Bobbie and Johnny sent me to bed mumbling.

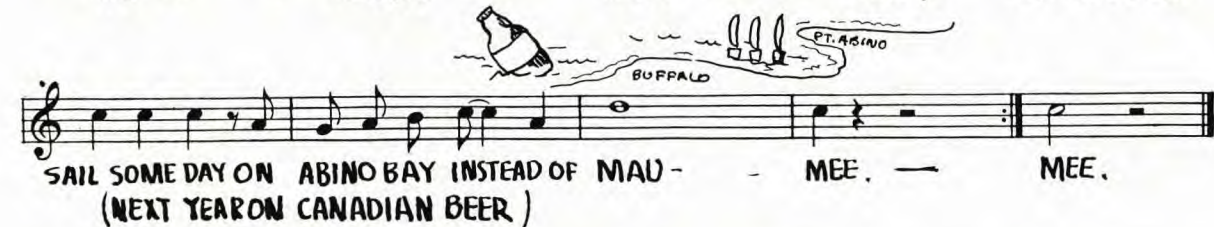

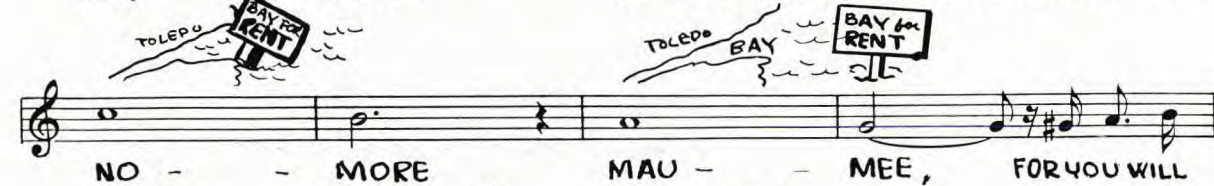

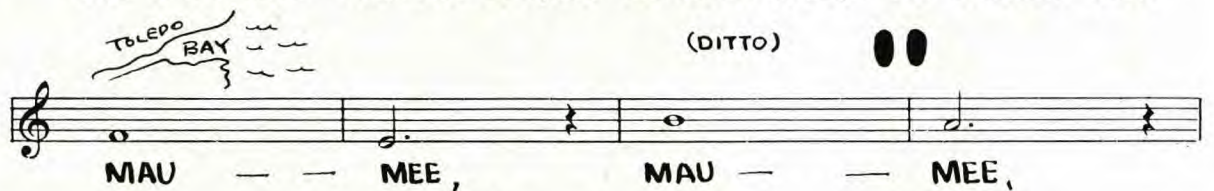

The willow tree outside our window was rocking violently when we awakened the following morning. All our hearts were light as we anticipated true RAMPAGE weather once more. It seemed no time that we were beating up to weather on the first beat of the race and the RAMPAGE was loving it.

While engrossed in a hot race with RHODA, we were suddenly aware that we were ahead of THERMIS TWICE and YANKEE DOODLE was no where to be seen. Could this be our big chance? The outcome is history. YANKEE DOODLE finished well enough to win and our long standing, friendly enemy, Karl Smither and Company slid through our lee on the last reach to nose us out for runner-up.

Last year Cal Yaudas, in his story, told how well the Toledo boys felt about finishing first, fifth, and seventh. Well, believe me, the Buffalo Canoe Club boys felt good about having Smither second, myself third, and Adam Eby tenth, along with our other close Buffalo friends, Seimer and Company copping three firsts in the consolation races. No wonder we made so much noise!

We pulled out of Toledo early Sunday morning fully realizing we had just experienced one of the best regattas anyone could sponsor. We only hope that we of Point Abino can supply as much fun, hospitality, and strong southwest winds.

Robert H. Siemer Winner of President's Trophy Race

The honor of winning the Consolation Series went to Robert Siemer Fleet No. 59, sailing "Salty", No. 1676, with three firsts. The second and third places were in doubt until after the final race and the total points gave George A. Wasserburger from Fleet No. 54, sailing "Aqua Leta", No. 838, second and Leonard Ladenburger from Fleet No. 30 in "Joy", No. 753, third place.

The first race on Thursday afternoon started at 2:45 with clear weather and SSW wind of 16 to 18 miles per hour.

There were 27 boats at the starting line and at the finish Siemer was first in one hour, 12 minutes and 55 seconds. Cronfelt representing Miami Lightning Fleet No. 111, Miami, Florida, using a Toledo boat, was second and Ladenburger from Fleet No. 30, South Haven, Michigan was third.

The race on Friday afternoon started at 2:30 but the wind was light from the SSW and as the race was slow the course was shortened.

In this race, Siemer was again first, Wasserburger in "Aqua Leta", No. 838, took second and Ladenburger came in third. The time was one hour, 12 minutes and 56 seconds.

The third race on Saturday afternoon was sailed in a near gale, the wind was from the southwest at 25 miles per hour, increasing to 35 miles or more at times,

and on this account the course was again shortened.

At the start, Finneran in "Sailbad the Sinner" No. 2247, had the misfortune of breaking his mast due to the strong winds.

Siemer crossed the finish line first in 35 minutes and 38 seconds with Barnes in "Bounty" No. 2108, second and Place in "Misplace II", No. 829, third.

Second Division Observations

By Robert Siemer—Niagara Sailing Club

We had encountered no trouble getting to Toledo except in persuading our firms that we should have the week off. We had sailed Salty on Tuesday and while we didn't learn anything useful out there on Maumee Bay, we knew that the boat had all its parts, so Wednesday morning we went out for the eliminations without a worry. Even though we had never done too well with our one suit of sails when it blew too hard we certainly could finish higher than fifteenth in spite of this breeze—we thought.

It is hard to remember anything about that race except we had trouble holding the boat up to it—especially after the hiking stick came off in my hands when the pin sheared. We were just another Lightning somewhere in the middle. On the run we counted boats—looked like about 15 ahead of us and when we got the results at lunch time it was just that. Well, we'd have to fix the hiking stick and do a bit better in the afternoon race. But we didn't. The pin sheared again. We were 16th again.

That evening we didn't bother to fold up our sails—we stuffed 'em into the sail bag. I remember running like the devil to catch the spectator boat next morning scattering the sails over the lawn as we went and thinking to Hell with them—they're too baggy anyway.

The skipper was a lad who knew where to be to watch a sailboat race. We saw more from that boat of how to sail a race and how not to than I've ever been able to see before. It seemed to me that Swindeman had his main trimmed down harder for the beat than anyone else and the way he got Yankee Doodle out to weather while moving just as fast as the rest must have been in my mind when we got the sails on Salty that afternoon. We really hauled them out.

As we ran down to the starting line I didn't like the breeze but I supposed all the heavy weather boys were in the Championship division now and that our competitors were probably not liking it either. We hoped to be up where it would be fun this time. As we sailed past the excursion boat we got a "What's the matter with Salty" from our friends—probably led by Bob Crane—and they must have all been out for the ride. Sure sounded like it. It was a thrill but disconcerting too. Suppose we flubbed this one?

Forty seconds to the start. We trimmed the main down hard and headed for the line. With about five yards to go and hitting it just right we met the early birds reaching down toward us. We held our course hoping to force a few over early. Surprised them

I guess, for we bumped a nice looking Saybrook but kept right on for the weather mark.

You know how it is—after a bit you take a second or two to look around to see how you stand? Not bad—not bad. We were out in front—"Well, let's see if we can make this baby go." So we did. I had some of the feeling I used to get in a football game. I'd have forced the Ranger to come about if I had met her on the port tack that afternoon. At the weather mark we had a good lead. On the run and the reach I guess we held it. We were elated on the second beat to find we didn't lose a bit—maybe gained some and then came the thrill of the week for us. The wind was well aft when we started the second run and though the book says "no-no" we set the spinnaker and boiled merrily along intent on winning this race by as big a margin as possible. We noticed spinnaker trouble when the next boats tried to set them, but we didn't catch on that the wind was shifting back there and would eventually reach us.

Finally Larry got uneasy. "Let's get the damn thing off" and we all agreed. He had just gone forward when the wind smacked us from the side and I was a second too late with the tiller. Over she went, spinnaker flying, main flying, everything gone with the wind. Larry and Herm were both out of the boat—Larry hanging on by the weather shrouds and Herm standing on the center board and I was left perched on the topsides with that all gone feeling. Slowly she came back up—though she shouldn't have—and somehow the boys scrambled back aboard. We quickly doused the spinnaker then and all of us just looked at one another. A little later we had won but we had been as close to a D N F as possible to get. That evening the beer tasted better—all seventeen brands!

Next day we had Cronfelt's and Ladenburger's numbers pasted in the boat for they had been second and third and we meant to try to keep them behind us. The wind was light and at last you could sit in the boat and think of something beside how to keep afloat. With the aid of a good slant near the weather mark we rounded first and were having a fine time 'til we ran out of the wind. As we sat Ladenburger and Wasserberger both came up making a fine group for a law firm. Wasserberger, Siemer & Ladenburger. Jawohl! None of us going anywhere much though Aqua Leta had worked ahead. I tried the jib instead of the spinnaker as the air was somewhat abeam. The boats well back were coming on nicely with full spinnakers so we worked up to windward while we had the jib set—then took it off and put the spin-

naker back on to be ready when the breeze arrived. Guess we played it right for we rounded the leeward mark in the lead and had only to hold our position on the following reach to get the gun again. These days we were folding our sails.

The cocktail party and an earnest attempt to drink the bar dry on Friday night left our stomachs on the delicate side. As it came time to go out for the last race and the wind got fresher and fresher so did the butterflies in my stomach. Never hated to take a boat out so much before.

No one said a word as we sailed down the bay. Each of us was worried but we didn't want to get the others worrying too. I'll never be able to understand why eighteen boats came out for that race.

Eventually we started. There was a crack and I glanced back to see some poor skipper with his mast and sail draped all over his boat. Well, *he* wouldn't have to slug a mile to windward in this stuff!

To me it seemed we were starting to work ahead a bit from the others near us when WHOOM! we were knocked flat. For the second time it was touch and go whether we'd capsize or not. We took in a bathtub full of water but the boat came back up. Now we were behind instead of in front. We took long hitches and worked like the devil to keep upright. Couldn't get near the pump as we had to have every ounce of the three of us as far out to windward as possible to keep afloat. I remember wondering if a mirror could be arranged on the centerboard case so that I could get a glimpse of anything to leeward. Every time Larry tried for a look under the jib we'd nearly get it again.

They say the race took 35 minutes. We must have used 30 beating up to that first mark because it didn't take long to get back! We rounded third with Barnes first and, I think, 511 just ahead of us. Bill Place must have been right behind. At any rate we drew up beside the second place boat and the flyer behind us came up on a couple of waves so that the three of us were neck and neck and planing—Or was it flying? Both our pumps were getting the works and though Herm and Larry worked like dogs, they didn't get the boat dry until we were almost to the mark. Meanwhile Salty, Misplace II and Ken-dor were half out of the water every time they got on top of a wave. We were on the inside for the next mark and to windward which is a fine place to be in ordinary weather but not when a jib would be suicide.

I was scared to death I'd be forced high of the mark before we got down there and I wouldn't be able to round without jibing. At the very last moment both the outside boats forged ahead and there we were without an overlap, dead before the wind, doing about 40! Guess I hollered something about a little room at the mark or we'd have three smashed boats, and the boys were kind to me. Anyhow we squeezed through on the inside and though we were only thinking of getting near the committee boat before something let go, I found we were overtaking Barnes. I think racing was pretty far back in everybody's mind by then for it was really blowing and the job of the moment was to keep afloat. I know we decided to get into the lee of the shore and anchor just as soon as we could, race or no race. In our hurry we caught and passed Barnes in the Bounty just before going over what turned out to be the finish line.

And so the Saltshaker, as she is now known, finished 16th for the fifth consecutive time. Consistent if nothing else!

By Ed Overton of Mobile Bay Lightning Fleet No. 135

(Editor's Note: Lightning No. 2186 was trailed over two thousand miles to compete in the Toledo Internationals, placing eighth.)

We had defeated all the Lightnings in the Louisiana-Alabama district with Volanta, but as we did not have a fleet charter, we were not sure that we would be allowed to enter the Internationals at Toledo. However, President Jack Orelup gave us permission to enter and Secretary Dale Hickin rushed our application for a Fleet Charter through in record time and we were all set.

My crew, Jack Bonnell and Bill Estoup, sanded and painted Volanta and we loaded her on a trailer built especially for her, on the afternoon of September 2nd. We left the Fairhope Yacht Club at 7 o'clock the next morning on what turned out to be the longest trip a Lightning has yet to be hauled to the Internationals.

We had fuel pump trouble after we had traveled about one hundred miles. However we were fortunate in being able to get a new one installed at Marion, Alabama.

The first night was spent in Nashville and just as we turned to enter a filling station, the trailer with Volanta went one way and we in the car went the other. The trailer hitch became disconnected, but as we were going very slowly, no damage was done.

We had no more trouble and made good time through Tennessee and Kentucky and well into Ohio, spending the second night within 90 miles of Toledo.

Friday at 8 A. M. we were again under way and arrived at the Toledo Yacht Club before noon.

The first person we met was Walt Swindeman, Jr., who gave us a hearty welcome and who was surprised that anyone should arrive so soon for the regatta.

Clayton Jones then directed and led us to our hotel.

After registering at the hotel, we were again back at the Yacht Club, where Jim Schultz and Bud Miller helped launch Volanta and step the mast. We rigged Volanta Saturday A. M. and were sailing on the Bay early that afternoon, brushing with anyone who would let us.

We were very anxious to brush as we had no opportunity to do any tuning in the South and had no idea whether we were getting the most out of Volanta or not.

We soon discovered it was "not" and then we started guessing again while changing stays.

Before the last race Dick Krauss made arrangements to have us towed in after the race, so we would be the first to haul out

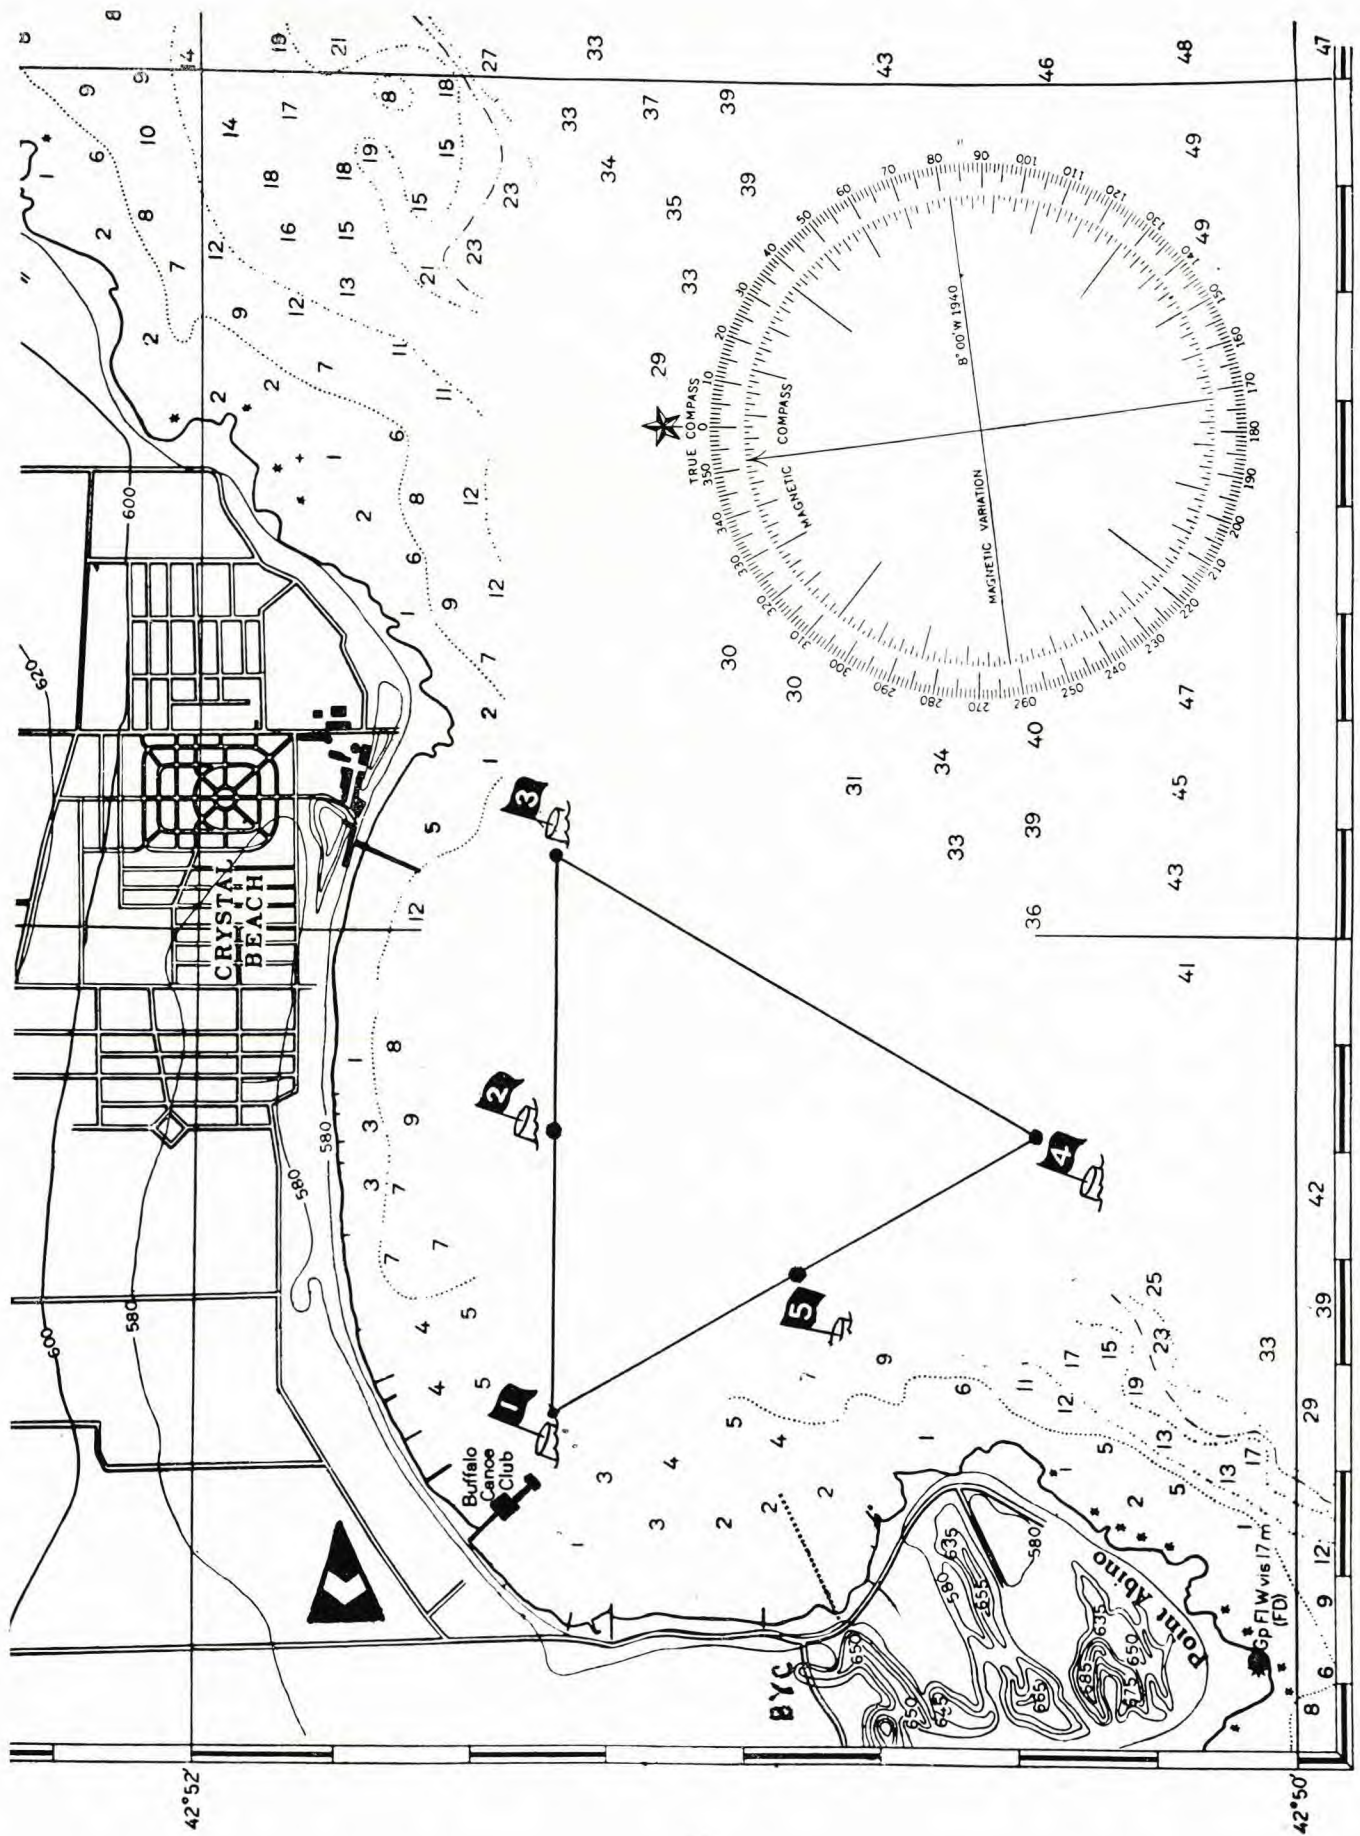

Author, crew and "Volanta" at Toledo.

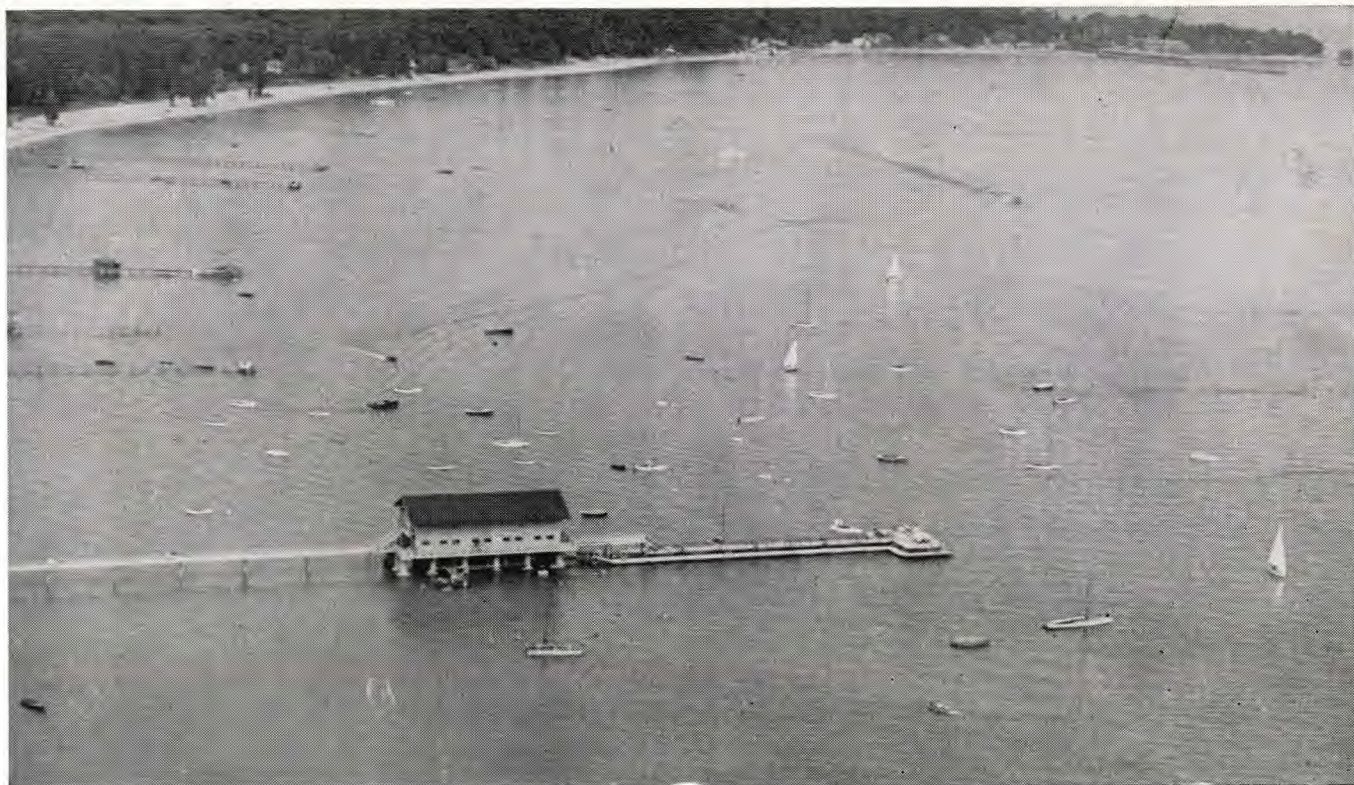

as we felt we should start home as soon as possible. This was the hardest part of the trip, as it took a good bit of will power to pull ourselves away from such a swell bunch and the hospitality of the Toledo Yacht Club.

However, after many good-byes and better luck for 1948, we got under way for Fairhope about three hours after the last race.

We made good time until late afternoon of the next day (Sunday) when, just as we slowed down to take a turn, a wheel came off the trailer and rolled about 100 yards off into a corn field. No harm was done, except a slightly bent axle on the trailer. After getting new pins for the wheel and retrieving it from the corn field, we were again under way.

We arrived at the Fairhope Yacht Club early the next afternoon, with a feeling that we had had a wonderful time, had made many friends and with a determination to go to the next Internationals, if there was any possible way of doing it.

1948 Lightning Class International Championships

Fleet 12 and the Buffalo Canoe Club have been honored by the award of the 1948 International Regatta. Flag officers and club members formed their committees in January and have been hard at work on arrangements for the championship event. The club is working to surpass the all-time high in entertainment and activities for crew and guests. Wednesday, September 8th, has been designated for the sailing of the elimination series followed by the scheduled championship races on Thursday, Friday and Saturday.

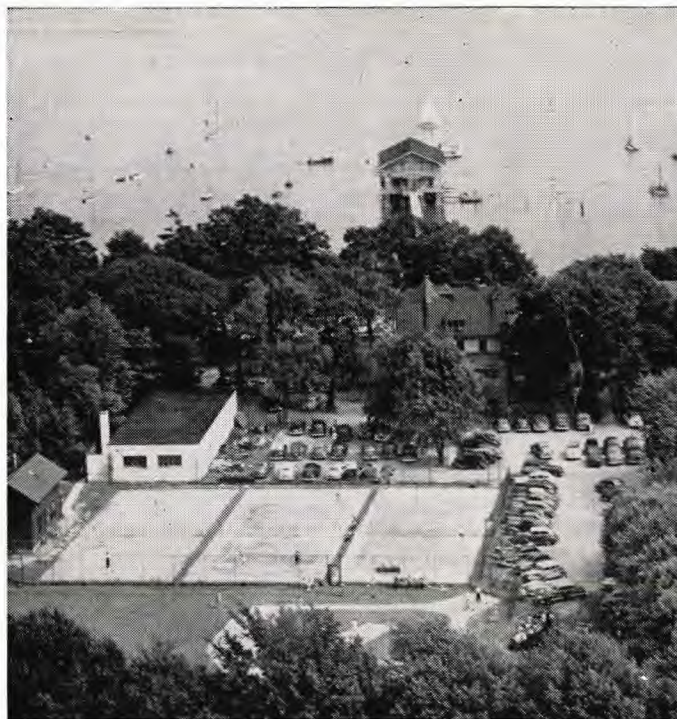

The chart on the facing page shows in detail the short and long triangles making up the BCC courses. The finish line is expected to be within a few hundred yards of the dock so that the spectators may see the finish from this vantage point. The prevailing depth of water allows boats to sail to and from any point on the dock. Tows will be provided if required when starting on the outer leg of course during lake breezes. At this time of year, reasonably steady winds may be expected from the prevailing quarter of South to South West, and while races are sailed in the open lake, Point Abino affords protection for the inner triangle which might be used in a fresh to strong wind.

The Buffalo Canoe Club is located on the Canadian shore of Lake Erie just east of Point Abino. Both the Point and the nearby vacation spot of Crystal Beach are shown prominently on Canadian and New York road maps. The club is a twenty minute drive from downtown Buffalo via the Peace Bridge. Comfortable hotel and tourist accommodations are available within five minute's drive from the club. In addition to sailing activities, BCC has an excellent sand beach and three courts for tennis addicts. For crew and guests desiring surcease from the rigor of the sea, Niagara Falls offers scenic wonders within a half-hour's drive. This is the gateway to Canada's vast vacationland via an express highway through Toronto.

BCC has a membership of 425 with 75 boats in the anchorage, including 34 Lightnings. The 1944 International Regatta was sailed here and Annual District Championships have been sponsored by the club for several years. During the 1947 District Regatta, 50 Lightnings started each race. An electric hoist and tractor-trailer for launching reduces this chore to a simple five or ten minute operation.

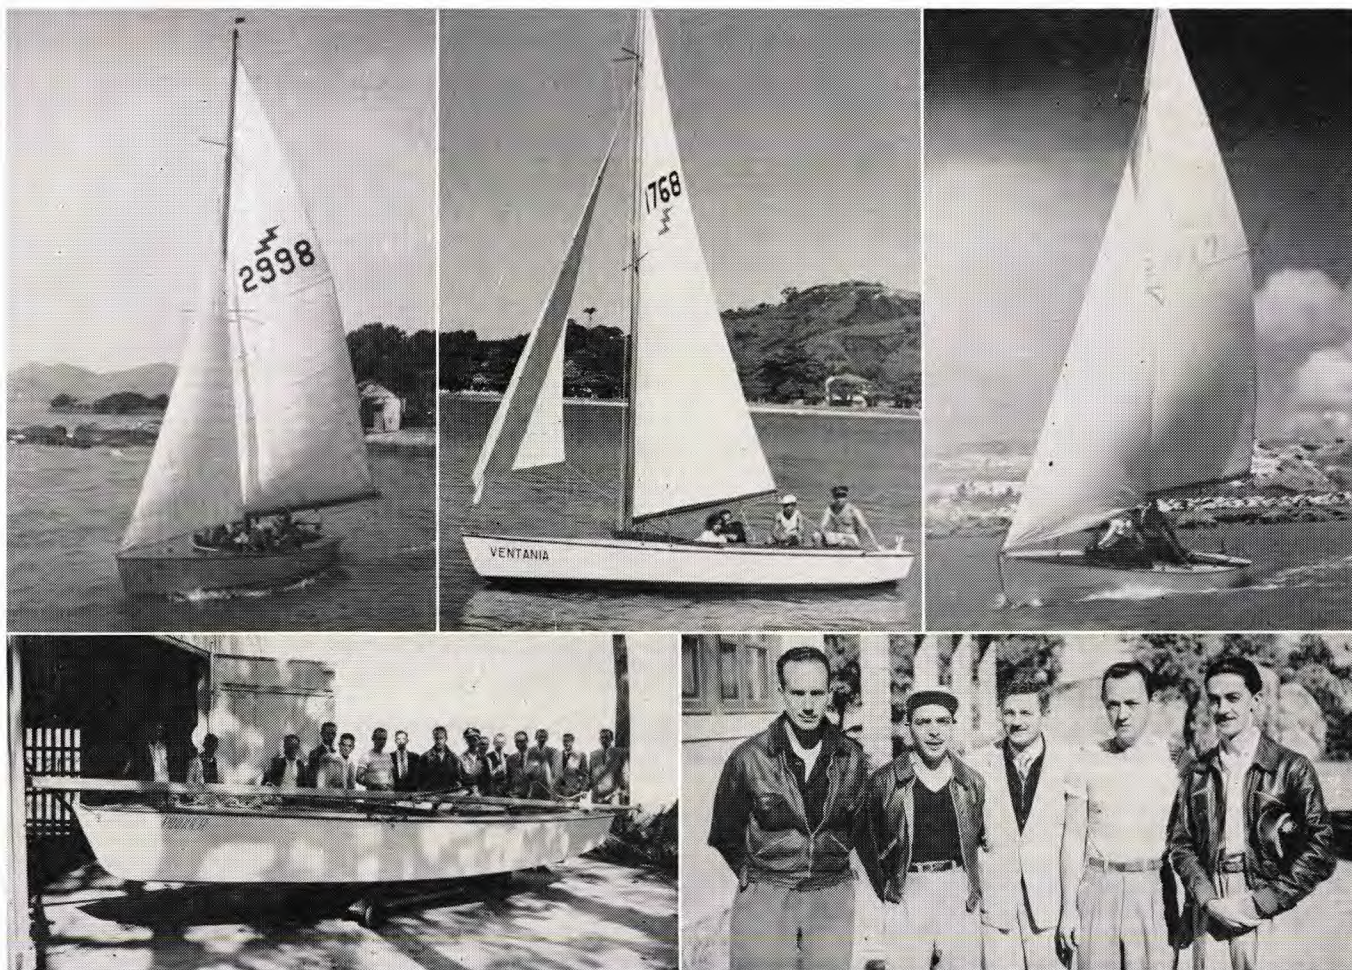

All the Lightning Fleet and BCC members are looking forward enthusiastically to the keen interclub competition and to the meeting of old and new friends. Good luck and fair breezes to all you fine sailors.

DISTRICT OF BRAZIL

District Secretary—J. C. Pimentel Duarte, Rua Buenos Aires, 100-7°, Rio de Janeiro.

Fleets—Flotilha de Lightnings Do Rio De Janeiro (84); Flotilha Carioca (144); Sao Paulo (147).

District Report—The introduction of the Lightning boat in Brazil started with "Flotilha de Lightnings do Rio De Janeiro". The boat proved so well that Brazilians coming to Rio de Janeiro, from other regions of the Country, were immediately interested in building them, after having seen Lightnings sailing on Guanabara Bay.

In Sao Paulo, capital of the State of Sao Paulo, Florianopolis, capital of the State of Rio Grande do Sul, Vitoria, capital of the

State of Espirito Santo, Fortaleza, capital of the State of Ceara, Salvador, capital of the State of Bahia, and in Ramos, suburb of Rio de Janeiro City, on the North side of Guanabara Bay, Lightnings have been built and several are ready and sailing.

Nazareno Simas, owner of "Silvia", No. 2998, reports that the yachtsmen of Florianopolis have found the perfect boat for their waters.

Races are planned for 1948 among several fleets.

A nice trophy, Aracaty Cup, has been bestowed for races between Flotilha de Lightnings do Rio de Janeiro and Flotilha de Lightnings de Sao Paulo; such a Regatta will be raced in 1948.

A Brazilian Championship for Lightning Class will be held also in the next year, and the District will probably be represented in the Internationals 1948.

CALIFORNIA DISTRICT

District Secretary—Frank Watson, 927 Iliff St., Pacific Palisades, California.

Fleets—Santa Monica Bay Fleet (102); Newport-Balboa Lightning Fleet (107); San Diego Bay Fleet (114).

District Report—Of the three fleets in Southern California, 102, 107, and 114, two held regular races throughout the summer and fall. These fleets were the Newport-Balboa Fleet No. 107 and the San Diego Bay Fleet No. 114. Fleet No. 102 which originally intended to sail on Santa Monica Bay, but due to lack of suitable facilities, confined their sailing to Los Angeles Harbor at San Pedro. The activities of these fleets can be found in their fleet reports.

Lightnings were first seen racing as a class during the Mid-Winter Regatta in February when five boats raced. There were other regattas in the spring in which there were Lightnings participating. The first big turnout of Lightnings was during The SCYA (Southern California Yachting Association) Regatta in August had ten Lightnings from all three fleets plus one of the isolated boats which sail at Santa Barbara where the SCYA was held. Following the SCYA Regatta, there were races at the Lido Isle Yacht Club, Balboa Yacht Club, and the Coronado Yacht Club. The Coronado Yacht Club sponsored an all Lightning Thanksgiving Regatta which drew twelve Lightnings, with representatives from all fleets racing. The year ended with the Christmas Regatta which was held at the Newport Harbor Yacht Club on the Saturday and Sunday between Christmas and New Years. There were eight boats from fleets 102 and 107 racing or rather drifting.

There were Lightnings shown at both the San Diego and Los Angeles Boat Show. Several Lightnings changed hands during the year, two of these went to Honolulu. There are quite a few now under construction in Southern California as well as in the San Francisco Bay area. There are prospects for another fleet at San Diego and Newport Harbor. No spinnakers were used during 1947 but this coming season nearly everyone will fly one on the down-hill leg of the races. Isolated Lightnings continued to sail at Inverness, Tomales Bay, which is near San Francisco, the lake behind Shasta Dam, the lower San Francisco Bay, at Ocano near Moro Bay, and at Santa Barbara.

The calendar of regattas for Southern California has not been issued but the regattas which are tentative are: the Mid-Winter in February, Easter Regatta at Newport Harbor, La Semana Nautica on the Fourth of July at Santa Barbara, The Cabrillo Beach Yacht Club small boat invitational the following week, the SCYA the first part of August, followed by the Lido Isle Yacht Club Regatta, the Coronado Yacht Club's Second Annual Thanksgiving Lightning Regatta, and the Christmas Regatta. These are of course the major regattas and each yacht club will have their own series.

Yours for more and better Lightning competition in Southern California.

CENTRAL ATLANTIC DISTRICT

District Secretary—George M. Nelson, 404 Tremont Ave., Westfield, N. J.

Fleets—Barnegat Bay (3); Delaware River Yacht Club (8); North Shrewsbury River (11); Paupack Sailing (16); Tri-State Yacht Club (18); Lake Mohawk Yacht Club (25); Little Egg Harbor (26); Lake Hopatcong (29); Metedeconk River (34); Washington (50); Red Bank-on-the-Shrewsbury (70); Indian River Yacht Club (72); South Shrewsbury River (80); Shore Acres Yacht Club (86); Baltimore's Middle River (87); Spray Beach Yacht Club (91); Tom's River (92); Awosting Yacht Squadron Lightning (95); Great Egg Harbor (99); Lavallette Lightning (104); Patapskut Lightning (128).

District Report—To the knowledge of the District Secretary there have been a few applications for new charters which were denied owing to the fact that the clubs were operating in an area in which there was already a Lightning Fleet and it was felt that the clubs should join with the established fleet to the best interests of good racing and the Association.

The Barnegat Bay Yacht Racing Association, comprised of Lightning Fleets No. 3 Barnegat Bay, No. 34 Metedeconk River, No. 86 Shore Acres Yacht Club, No. 92 Toms River Fleet and No. 104 Lavallette Lightning Fleet, has quite an active program during the year. They ran a series of ten point races and at the end of the season it was found that Fleet No. 3 came up with the winner in "Misbehave" No. 513 with a total of 1520 points. However, Fleet No. 92 came up with the best record, capturing second, third, fourth, fifth and seventh places. The runner-ups were "Thrasher" No. 1743 with 1321 points and "Thor" No. 709 with 1207 points. A total of thirty-six boats competed in these races.

Barnegat Bay Fleet No. 3 is still by far and away the largest fleet in the Central Atlantic District. Fleet No. 92 which was an offspring from Fleet No. 3 last year has fourteen boats representing two yacht clubs on Toms River. However, with three more clubs on the river from which to canvass members it is expected that the year of 1948 will see a good increase in this Fleet.

Skipper Herb Cox of Lightning Fleet No. 11 entered in both the Internationals and the North Atlantic with his "Coxswain" No. 2230. He finished fourteenth in the Internationals, behind his cohort from the same Fleet Charlie Allaire who finished fourth in "Avenger" No. 3101. However, in the North Atlantic, Herb ran first with Charlie tailing along in fifth place.

From the reports received it is indicated that many of the smaller fleets were not so well organized and did not have much of a racing schedule. However, enthusiasm is running high and the promise of a much better year in 1948 can be expected.

CENTRAL NEW YORK DISTRICT

Acting District Secretary—Ernest J. Hamilton, 295 Filon Ave., Point Pleasant, N. Y.

Fleets—Skaneateles Country Club Fleet (1); Lake Delta Fleet (4); Crescent Yacht Club Fleet (9); Onondaga Lake Fleet (13); Mayfield Yacht Club Fleet (13); Fair Haven Yacht Club (15); Canadagua Yacht Club (44); Irondequoit Bay Fleet (46); Rochester Yacht Club Fleet (52); Pultneyville Yacht Club Fleet (61); Valleyfield Lightning Fleet (65); Newport Yacht Club Fleet (77); Lewis Point Lightning Fleet (93); Great Sodus Bay Fleet (108); Laurentian International Fleet (120); Red Jacket Fleet (125); Conesus Lake Fleet (140); Genesee Yacht Club Fleet (148); Owasco Lake Yacht Club Fleet (149).

District Report—The pulse of the Central New York District increased its tempo to a very marked degree in 1947. Seven new fleets were chartered at the following locations: Lake Oneida (93), Sodus Bay (108), St. Lawrence River near Ogdensburg (120), Cayuga Lake (125), Conesus Lake (140), Lake Ontario at Rochester (148) and Owasco Lake (149).

The fleet at Ogdensburg is the first international fleet as it includes some boats from across the St. Lawrence River at Brockville, Ontario, Canada.

The prospects of additional fleets obtaining charters in the district are excellent. The most interesting of which will be a fleet at Lake Placid, New York, where Mr. Elverton Clark, the man who said "We are going to have a Lightning Fleet on Lake Placid if I have to build it myself", is now completing construction of the third boat for the prospective fleet.

The district entered ten boats in the internationals where they held their own with the best in the country with five of the ten sailing in the finals.

All regattas held in the district in which Lightnings were entered were well represented, but the emphasis seemed to center locally on each individual club's battle for top honors and the privilege of sailing in the internationals. Up to now there has been a lack of intersectional meeting. However, this tendency seems to be on the wane with the Newport Yacht Club Fleet No. 77 planning a three day Lightning meet for July 4th week-end, Sodus Bay Yacht Club Fleet No. 108 sponsoring a Tri-Club meet for Ontario Shore sailors also July 4th week-end and later the Central New York District Regatta.

KANSA-OKLAHOMA DISTRICT

District Secretary—W. E. Schwartz, 300 Kansas Avenue, Topeka, Kansas.

Fleet—Jayhawk (60).

District Report—Lightning owners in this district are gradually increasing and with better water for sailing being provided at Tulsa and other Oklahoma cities, we hope for many more boats of our class during 1948.

We had the first post-war races for Lightnings in this district at Grand River Lake, Oklahoma during September, 1947. Only three Lightnings showed up but the racing was good. We aim to build this regatta to an entry list of 15 boats.

Tulsa, Oklahoma will have a better lake in 1948. Their boats were dry docked during a good part of 1947 while their city reservoir was being enlarged and deepened.

Although Kansas City, Missouri, is not in our district we can report that Nat. Young and Bob White of the Missouri Yacht Club, Lake Lotawana, have started a Lightning Fleet. They report that five boats will comprise their fleet in 1948.

LAKE ERIE DISTRICT

District Secretary—Earl C. Johnson, East River Road, Grand Island, N. Y.

Fleets—Buffalo Canoe Club Fleet (12); Chautauqua Lake Yacht Fleet (19); Erie Yacht Club Fleet (24); Novice Yacht Club Fleet (28); Pymatuning Yacht Club Fleet (36); Silver Lake Yacht Club (47); Niagara Sailing Lightning Fleet (59); Leander Lightning Fleet (76); Sandy Beach Yacht Club Fleet (81); Cuba Lake Fleet (115); Royal Hamilton Yacht Club Fleet (118); Toronto Bay Fleet (146).

The Year of 1947 was characterized by two district meetings held at Buffalo, New York. The first organization meeting of April 11th was held at the Hotel Markeen. Nine fleets were represented by 59 members. Preparations for the District Regatta to be held at Buffalo Canoe Club were made at this meeting. The problem of suitable trophies was solved by generous individuals and organizations. The cups donated are to be known as: SMITHER-EBY-JOHNSON CHAMPIONSHIP TROPHY, SANDY BEACH YACHT CLUB perpetual second place trophy and BUFFALO YACHT CLUB perpetual third place trophy. Place flags were donated by Fleet No. 12, Buffalo Canoe Club. A permanent trophy was donated for the Champion by Niagara Sailing Club.

The second meeting known as the Annual Banquet was held on December 6th at the Buffalo Yacht Club, Fleet No. 81. It was decided that in the event Buffalo Canoe Club is chosen by the International Executive Committee to hold the International Regatta, the District Regatta will be sailed from the Point Abino Station of the Buffalo Yacht Club. Second choice was Sandy Beach Yacht Club.

Ed. W. McCain and Karl Smither, President and Vice-President respectively of the International Lightning Class Association were among prominent guests at the meeting.

The District welcomed the newly organized Toronto Bay Fleet No. 146 headed by Mr. A. Gorman.

Many local regattas were attended by Lake Erie District Skippers. Among them were: Royal Hamilton Yacht Club Annual Invitation Regatta, Hamilton, Ontario, Canada; Lake Yacht Racing Association Regatta, Queen City Yacht Club, Toronto, Ontario, Canada; Niagara River Lightning Class Championship Regatta, Niagara Sailing Club, Grand Island, New York; and the Lake Erie District Championship Regatta, Buffalo Canoe Club, Point Abino Bay, Ontario, Canada.

Fifty-two boats sailed in the District Regatta in which Bob Graf skipper of RAMPAGE No. 467 Fleet No. 12 BCC emerged victorious with Johnny Robertson in RHODA No. 2327 Fleet No. 118 BCC in third place. The usual excellent hospitality of the Buffalo Canoe Club was very much in evidence with all contestants attending the Cocktail Party, the Annual Harvest Dance and many other events. All races were staged with the usual BCC precision and acumen for excellent racing.

The outstanding performance of district skippers at the International Regatta is significant of the excellent abilities of local skippers.

Karl Smither-Bob Crane BCC sailing THERMIS TWICE with Dr. Reg. Pegrum as crew sailed to the runner-up position with Bob Graf, BCC skipper of RAMPAGE, Bob Maytham and Johnny Lyon as crew attaining third place only four points behind Swindeman the International Champion.

LAKE MICHIGAN DISTRICT

District Secretary—Jack C. Nixon, R. F. D. No. 3, South Haven, Michigan.

Fleets—Chicago Corinthian Yacht Club (5); Michigan City Yacht Club (20); Maple City (21); Indian Lake (23); Leatherlips Yacht Club (27); South Haven Yacht Club (30); Devils Lake Yacht Club (31); Turkeyfoot Lake (33); Mentor Harbor Yacht Club (37); Toledo Lightning (42); Buckeye Lake (43); Edgewater Yacht Club (45); Crescent Sail Yacht Club (51); Lake Fenton Yacht Club (53); Pontiac Yacht Club (54); Burnham Park (56); Cincinnati (57); Grosse Ile Yacht Club (68); Rocky River (71); Decatur Lightning (74); Bayview Yacht (83); Columbia Yacht Club Lightning (97); Commodore Perry (103); Higgins Lake Lightning (110); St. Joe Harbor Lightning (113); Island Bay Lightning (117); Eagle Lake Lightning (123); Lower Lake Huron Lightning (124); Detroit Yacht Club (131); Port Clinton Sailing Club Lightning (136); Gull Lake Lightning (137); Mohican Lightning (150).

Great interest has been shown in the Lightning in our District this last year with four new fleets being chartered and our sailors showing up well in all inter-fleet activities and at the Internationals at Toledo last fall. Among new fleets are the Detroit Yacht Club Fleet (131); Port Clinton Sailing Club Lightning Fleet (136); Gull Lake Lightning Fleet (137); and the Mohican Lightning Fleet (150); of whom are heartily welcomed into the District. Several inter-fleet and Club Regattas were held during the season with reports of good turn-outs and a lot of fine sailing. Plans for the District winter meeting, to be held the latter part of January, are now being formulated. This has always been an interesting meeting, well attended, at which many things of importance for the coming District Regatta settled upon. The highlight of the racing season was of course the Seventh Annual Lake Michigan District Lightning Regatta held at South Haven, Michigan, July 10-13th, sponsored by the South Haven Yacht Club with Fleet 30 as host. The course was twice around a three mile triangle located just off the South Haven light in the open waters of Lake Michigan. The following is a resume of the three races:

The first race on Thursday, July 10th, started at 10:30 A. M. as scheduled, with all marks to be left to port. The wind was north, about 6 miles per hour and the sky overcast. All boats were bunched at the first mark with 807, 753, 1565 and 170 getting around first. The wind became more easterly and at the start of the third leg, 753 had passed 807, the next two retaining their same position although there was only 4 minutes between the first and last of these boats. At the end of the first lap Nickels in 1565, "Two-Bits", was first; Werkmen in "Penoke", 807, second and Ladenburger in 753, "Joy", was third and the finish was in the same order. Winning time was 1 hour, 31 minutes, and 35 seconds.

The second race on Friday, the eleventh, was scheduled to start at 10:00 A. M. but as there was no wind it was postponed for 20 minutes. At the start, which was again all marks to port, there were catspaws from the north which seemed to favor the port end of the line but within minutes the wind picked up to about 7 miles per hour and was a little west of north. The weather was clear with considerable haze on the water. Poulson in "White Cloud", 1291, took a lead early in the race which he was able to hold until the finish. The wind had moved to the west enough to permit a spinnaker run to the starting flag on both laps. The winning time was one hour, 25 minutes and five seconds with Yaudas in "Zig-Zag", 163, coming in second and Nickels in "Two-Bits", 1565, third.

The third and final race started at 10:00 A. M. Saturday with light variable winds, mostly southwest. The course was again with all marks to port which made a long beat to wind on the second leg and permitted the use of spinnakers on the last leg. Nickels in "Two-Bits", 1565, took an early lead which was hardly threatened at any time. Pfefferle in "Zefr", 380, was in second place at the end of the first leg but was passed by Poulson in "White Cloud", No. 1291. The final standing of all entries will be found at the end of this story.

First place went to H. Nickels of the Lake Fenton Yacht Club Fleet in "Two Bits", No. 1565 with Harvey Foote and Margaret Nickels as crew and winning with a first, a third, and a first. Second place went to Francis Poulson of the Rocky River Fleet, in "White Cloud", No. 1291, with Don Bever and Robert Geisenheiner as crew after taking a fourth, a first and a second. Third place went to Frank Pfefferle of the Cincinnati Fleet with Marilyn and Robert Pfefferle as crew. They won this position with a sixth, a fifth, and a third.

At the Regatta Banquet held Saturday night, Ward Webster, Commodore, South Haven Yacht Club, presented Nickels, skipper of "Two-Bits", with the District Perpetual Trophy to grace the Lake Fenton Club house for the coming year. Commodore Webster also presented Skipper Nickels with the first place Trophy. Crewmen Harvey Foote and Margaret Nickels were presented with gold lighters. The second place Trophy went to Francis Poulson "White Cloud" with his crew, Don Bever and Robert Geisenheiner receiving Gold Tie Clips. Frank Pfefferle "Zefr" was presented with the third place Trophy and silver tie clips went to his crewmen Marilyn and Robert Pfefferle.

Each contestant in the Regatta received a case of South Haven peaches with the compliments of the South Haven Yacht Club.

Guests of honor at the District Regatta Banquet and also serving on the Race Committee were Walter Swindeman, International Champion and Arthur Burtcher, Vice-President and Chief Measurer, Lightning Class Association. Leonard Ladenburger, Honorary Commodore Lightning Class Association and Toastmaster of the evening thanked the skippers and crews for their cooperation in making this one more in a series of smooth running meets and a mighty applause was accorded Fleet 30 for their efforts in putting on another interesting and successful Regatta.

Davis Baer was Chairman of the Race Committee assisted by Walter Swindeman, Arthur Burtcher, Buss Brown, Jack Gardner, Wayne Grayburn and Jack Nixon at the home mark. Ernest Merritt, Morris Fritz and Harry Griffin at the north mark and Dale Hickin, Jack Moody and Bill Hover at the south mark.

—o—

We are very proud of the record. At the Internationals this last year, sailors of the Lake Michigan District brought home a first, fifth and ninth with eleven finishing in the Championship races, and a second, third and fifth with eleven finishing in the consolation races. We look forward to 1948 as a Banner Year.

LOUISIANA-ALABAMA DISTRICT

District Secretary—F. J. Villars, 607 Metairie Rd., Metairie, La.

Fleets—Lake Pontchartrain (62); Mobile Bay Lightning (135).

District Report—There is quite an extensive amount of activity in this district in the construction of Lightnings. We expect a very active season in 1948. There is now a second fleet in this district—located—Fairhope, Alabama.

The two outstanding Regattas for 1948 are, as usual, the Pan-American and Sugar Bowl. All Lightning owners are invited to participate, especially those of all the Americas.

NORTHERN NEW ENGLAND DISTRICT

District Secretary—Granville H. Dyer, 17 Highland Road, South Portland, Maine.

Fleets—Centerboard Yacht Club Fleet (14); Piscataqua River Fleet (22); Prouts Neck Fleet (94); Boston Harbor Fleet (100); Taylor Pond Fleet (101); Merrimac River Fleet (121); Spofford Lake Fleet (145); Annisquam Lightning Fleet (151).

A new fleet at Spofford Lake, New Hampshire, has been added to our growing list since the last year book was issued. In correspondence with Mr. Fred Harris, prime mover for this new fleet, I learn they are planning an active season for 1948, including formation of a Yacht Club to go with the fleet!

Another fleet added since the last year book is the Annisquam Lightning Fleet, No. 151. As they were just recently chartered, we have no news of their planned activities for 1948.

Our State of Maine Open Regatta was again a great success. Thirty one boats were registered with an average of 28 boats on the starting line for the series of three hotly contested races. One on Saturday P. M. and two on Sunday, A. M. and P. M.

Al Moore of Centerboard Club Fleet won the Championship Cup away from Capt. Faulkingham, who ran second; Jane Smith, our top girl sailor in these parts, won a third; Granny Dyer, fourth; for the top prizes. There were many fine prizes given for individual races.

We are planning the regatta for 1948 and trying to pick a date that will not conflict with Atlantic Coast Championships.

Out of state visitors were accommodated in various club members' homes. Several stayed on for several extra days to do some day cruising about our beautiful Casco Bay.

Another series of inter-fleet races were held by Centerboard Club Fleets, Prouts Neck Fleet, and with members who belong to Portland Yacht Club who are also members of Fleet No. 14. Junior and Senior skippers and crews were selected to represent each club and some very interesting contests were enjoyed. The clubs are planning to include this series in their schedule next season.

The new compromise courses used this year proved quite acceptable and apparently didn't work a hardship on any Fleet 14 members, as was at first feared.

We are still working for some more inter-fleet activity up here. Busy home schedules and the great distances to trail boats have a tendency to lessen this type of competition.

I do not hear much directly about our new Massachusetts Fleets but in a round about way I understand they have sailed a hot series, have some very good skippers and are planning to come down to Maine in '48 and take the State of Maine Regatta Cup home with them.

PACIFIC NORTHWEST DISTRICT

District Secretary—Grant MacKinnon, 1244 Chapman Street, Victoria, B. C., Canada.

Fleets—Maple Bay Lightning (64); Royal Victoria Yacht Club (66); Kitsilano Yacht Club Lightning (90); Lake Washington (132).

District Report—Our international district is a comparatively small but active Lightning organization. During the 1947 sailing season we held three district Regattas: the Lightnings event in the Pacific International Yachting Association's Annual Regatta, held July 1-4; the District Championship Regatta, held August 16-17; and the British Columbia Championships, held August 30. Fleet No. 66 of Victoria retained the Championships in all three events.

At the P. I. Y. A. we had our first International competition with the entry of several Seattle Lightnings. The Seattle fellows were new to Lightning racing, but next season their newly formed fleet will provide them with competition which should make them boats to watch at forthcoming Regattas. We welcome Fleet No. 132, sailing at Seattle, Washington, to the district and wish its members happy sailing in their Lightnings. At the Regatta, which was sailed on picturesque Lake Washington in Seattle, Eric Dowell of Fleet No. 66 took first place with two firsts and one second.

The most thrilling Regatta of the season was the District Championships, a series of three races, sailed at the Royal Victoria Yacht Club on Aug. 16-17. This was the first time the District Championship had been held as a separate Regatta for Lightnings alone. Its success was due to the keen enthusiasm and good sportsmanship of the contestants and the excellent hospitality extended by the Royal Victoria Yacht Club. Although there was a flat calm before the first race, the wind finally arrived, and favored the fleet of ten Lightnings with ideal weather for the second and third races. About half the course was sailed through tidal currents ranging in velocity from one to three knots.

The currents and their resulting back-eddies were a cause of enjoyment to some, but a source of anger and flowery phraseology to others. For the first race the wind was light and flukey. It flatted once or twice causing most of the Lightnings to anchor. "Iona", skippered by G. MacKinnon, won the race and "Hi-Time", H. Vogel; "Clipper", R. Kiley, and "Ariel", E. Dowell were the next three yachts to finish.

In the second race the wind was SW 15 mph, and fairly steady. "Iona" was again first to finish, but was disqualified on an overlap protest filed by Grant Butt of Fleet No. 64. Butt, sailing "Jolly Roger", the second boat to finish, was subsequently the winner.

For the third race, Sunday dawned clear and warm with a lovely 15 mph breeze freshening to about 20 mph near the end of the race. Before the third race, Butt was in the lead by a quarter point over Dowell, Vogel and Kiley who were all close behind. By favoring the south shore of the bay, Dowell worked into an early lead with Butt close behind. By the first mark MacKinnon had moved up to second place and Butt, having broken a jumper stay, had dropped back. Dowell in "Ariel" held his lead over MacKinnon in "Iona" until the final windward leg when "Iona" gradually passed "Ariel" to windward. "Iona" finished first followed by "Ariel" and "Hi Time". A second place was all Eric needed to win the District Championship. H. Vogel, in his new boat "Hi Time", sailed a fine series and took second place honors while R. Kiley sailing in Lightnings for the first year skipped his "Clipper" to a smart third place. At prize giving on the lawn in front of the Clubhouse, Commodore Bissett presented to Eric Dowell the scale model Lightning perpetual trophy. Later, the ladies auxiliary served afternoon tea. It is interesting to note that outside of fleet competition, Eric in "Ariel" has won every Lightning trophy in the district up to and including the 1947 district championship.

The final Regatta of the season was the B. C. Championship held at Cowichan Bay, B. C. on August 30th. The course was a long and interesting one, twice around a six and one half mile triangle, one leg of which had many tricky currents.

At the starting gun there was quite a jam at the middle of the line, but some quick come-about averted any fouls. This race was an extremely hard fought one between "Ariel" and "Iona" with first one and then the other in the lead. R. Kiley, in "Clipper", kept fairly close to the lead boats, helped considerably by his newly-acquired spinnaker which could be flown on nearly two thirds the course. The remainder of the fleet was scattered behind the leaders. G. MacKinnon in "Iona", No. 1202, finally won by a few seconds over "Ariel" which in turn beat "Clipper" by a short distance. At one time on the downwind leg "Clipper" nearly caught "Iona" and "Ariel", which have not as yet acquired spinnakers, but a flat spot which held up "Clipper" for several minutes ruined its chances for a probable victory. After the race, the Maple Bay Perpetual Lightning trophy was presented to the winner.

The Regatta ended the District racing for the 1947 season. Considerable cruising was done by many Lightnings in the Pacific Northwest again proving the versatility of the boats as a cruiser as well as a racer. We look to 1948 for another season of Lightning enthusiasm and keen competition and we wish everyone in the Lightning Association—Happy Sailing!!

SOUTHEASTERN DISTRICT

District Secretary—George V. Crawford, 4452 S. W. 14th St., Coral Gables, Florida.

Fleets—St. Petersburg Lightning (109); Miami Lightning (111); Savannah Lightning (127); Biscayne Bay Lightning (130).

District Report—Lightnings have come into their own here at last. We have three fleets in Florida and competition is very strong. Our winter and spring Regattas were won predominantly by Steve Lynch in the "Chop-Chop". Steve took the Miami Yacht Club mid-winter; the Flamingo and the Sunburn Regatta held by the Biscayne Bay Yacht Club. We held our first district championship and Lynch's boat took this also, with Doc Jennings second, Perry third. Then Ed Perry started showing up. In the meantime Lynch bought a new boat the "Windward".

Our first Regatta was for the formal opening of the new causeway to Biscayne Key (Rickenbacker Causeway). Perry took this with Lynch a close second. The next Regatta was the Coconut Grove sailing club midwinter. Perry from Fleet 111 took first; Cronfelt from same fleet took second and Lynch's new boat took third for Fleet 130. The Orange Bowl Regatta followed with Fleet 109 in competition again with us. Doc Jennings in his "Hussy" took first for Fleet 109; Fleet 130 took second and third with two new boats sailed by Jim Townley and Paul Palmer. We have about fifteen new boats in the Greater Miami area and the other sections of the district are improving at about the same rate. If I can ever sell you fellows throughout the north on the fine sailing we have in the winter time our Orange Bowl Regatta will be as big as race week at Larchmont. Next year if it keeps growing the way it has, we should have fifty boats participating in the Orange Bowl.

Notwithstanding Life magazine adverse sailing publicity in a recent issue, we do some hot sailing in the Lightning class here practically year around and if you don't believe it—COME ON DOWN!!!

SOUTHERN NEW YORK AND NEW ENGLAND DISTRICT

District Secretary—LeRoy Amy, 10 Linden Avenue, Larchmont, New York.

Fleets—Cedarhurst Yacht Club (2); Housatonic Boat Club (6); Western Connecticut (7); Black Rock Yacht Club (17); Western Long Island Sound (32); Sheepshead Yacht Club (38); Chelsea Yacht Club (39); High-Tor (41); Columbia Lake (49); Little Neck Bay (55); Hewlett Bay (58); Branford Yacht Club (63); Nyack Boat Club (75); Candlewood (82); The Niantic Bay Lightning (85); Seawanhaka Lightning (88); Cold Spring Harbor (89); American Yacht Club (96); Northport Bay Lightning (98); Groton Long Point Lightning (105); Execution Rocks Lightning (106); Gardiners & Peconic Bays Lightning (116); Western Narragansett Bay (119); Mamaroneck Lightning (122); Cedar Point Lightning (126); Madison Beach Lightning (129); Manhasset Bay Lightning (133); Noroton Lightning (134); Hempstead Harbor (138); Thames Yacht Club (139); Mattituck Lightning (141); Moriches Lightning (142).

District Report—More Lightnings and sailing enthusiasm were evident in this District last season than ever before. The Atlantic Coast Championship Regatta (which is reported elsewhere) as in the past was the most important Racing Regatta.

Long Island Sound inaugurated a Squadron Regatta last season, which was composed of 9 fleets, comprising the following: Western Conn. Fleet No. 7, Western L. I. Sound Fleet No. 32, Little Neck Bay Fleet No. 55, Seawanhaka Fleet No. 88, Cold Spring Harbor Fleet No. 89, American Yacht Club Fleet No. 96, Northport Bay Fleet No. 98, Execution Rocks Fleet No. 106 and Mamaroneck Fleet No. 122. A series of three races were sailed for the Championship of this Squadron. Fifty-four boats competed in the first race, which was sponsored by Little Neck Bay Fleet No. 55 at Douglaston, L. I. on July 12th. The winner of this race was Jack Webb in "Rogue" from Riverside Fleet No. 7. Runner-up was Al Eckhardt, Jr. in "Feather" from Larchmont Fleet No. 32, with Bob Lofgren in "Mischief" also from Riverside Fleet No. 7 in third position. Larchmont Fleet No. 32 were hosts to 60 Lightnings on August 9th for the second race of this series.

Prizes were donated for the first 5 finishes and an additional Middle-Fleet prize. The winner of this race was Jack Webb of Riverside, Frank McConnell in "Volunteer" of Larchmont was second, Bill Fountain in "Parody" of Riverside third, Jim Amy of Larchmont, fourth; Paul Rorsman in "Foosie" of Larchmont, fifth with Amyas Ames of Cold Spring Harbor, taking the Mid-Way prize, finishing in 30th position out of 60 contenders. The last race of this series sponsored by Seawanhaka Fleet No. 88, was held August 30th, with 55 boats competing. Michael Mooney in "Lagniappe" of Seawanhaka was the winner of this race, the runner-up was Jack Webb of Riverside, Steve Carr in "Nola" of Larchmont finished in third position. Jack Webb of Riverside won the Squadron Championship, with a total of 168 points. Bill Fountain of Riverside was runner-up with 156 points and Bob Lofgren, also of Riverside, finished in third position with 147 points. Ed Cotter in "Bozo IV" of Execution Rocks, in fourth and Burr Jenkins in "Lolo II" also of Execution Rocks, finished in fifth position.

The Mid-Hudson River Squadron, comprising High-Tor Fleet No. 41, Chelsea Fleet No. 39 and Nyack Fleet No. 75, held its Championship Regatta at Chelsea on July 12th and 13th. Twenty-two boats competed in a three race series. "Doc" Miles in "Leprecaun II", with his two daughters as crew, won this event and the Hudson River Squadron Championship. High-Tor Fleet No. 41 inaugurated a Memorial Day Race in honor of John Ducey, Jr., Daniel Griffen and Joseph Sharkey, all of whom had been active in sailing in these waters and lost their lives in World War II. "Doc" Miles was also the winner of this event. There were 12 Fleet Series races held by High-Tor Fleet No. 41. "Doc" Miles won the Fleet Championship with Fred Proven runner-up and Frank X. Sutherland in third position.

Nyack Fleet No. 75, in addition to being hosts to the Atlantic Coast Championship competitors on August 1st and 2nd, participated in a series of 9 races including the Mid-Hudson Squadron races at Chelsea. Magnus Pederson (1946 Atlantic Coast Champion) won 8 of the 9 races, and the Fleet Championship, with Paul Murphy runner-up. This is Paul's first season in racing Lightnings. Next season Nyack will act as hosts to the Mid-Hudson Squadron. Niantic Bay Lightning Fleet No. 85 held a Fleet Series each Saturday and Sunday from July 4th until Labor Day. Competition was very keen, the championship not being decided until

the last two races. James and Joseph William Healy in "Eagle III" won the Fleet Championship. The runner-up was Charles H. Walker in "Lemon Peel". Several of this Fleet's boats entered the ECYRA Regatta held at Pine Orchard August 1st and 2nd, the Healy boys taking a third place in this event, in which 23 boats competed.

Candlewood Fleet No. 82 grew to 16 boats during the 1947 season and is still going strong, with expectations of having 20 regular starters in the races during 1948. The results of 5 Championship races last summer, gave Mort Shepard, Jr., sailing "White Cap" No. 39, the Championship with 66 points and Jerry Hollander runner-up with 60 points. Dixon Griswald and Charles Steffens ended up in a tie for third position with 55 points each.

Columbia Lake Fleet No. 49 had a big year and did some fine sailing. A series of fleet competitions commenced on July 4th and continued each Sunday until Labor Day. Richard and Paul Miller took top honors in "Suspense" with the capable assistance of their "Mom" who sailed in most of the races with Dick and Paul. The Lucia's and their "Lar A Lu" had a good season and ended up in second place with Ed Higgins, assisted by his brothers, Jim and Dick, taking a close third.

Cold Spring Harbor Fleet No. 89 had its first full season of racing in 1947. Twenty-one boats in all made each of the scheduled fleet races plenty of sport. With the experience of handling and tuning their new boats, which arrived late in 1946, behind them Fleet No. 89 is looking for greater competition in 1948.

Little Neck Bay Fleet No. 55 had its activities divided three fold: competition in local Bay races, its Invitation Race, which was first in the L. I. Squadron Series, and visits to compete in other neighboring Fleet Regattas.

Little Neck Bay were excellent hosts to 54 competitors on July 12th in the third of their annual invitation races, this event was high-lighted by a Junior Race of 23 boats from Larchmont Fleet No. 32 who raced the ten miles from Larchmont to Douglaston on July 11th.

Riverside Fleet No. 7 was very active between fleet series races and competition all along Long Island Sound. Jack Webb, sailing "Rogue", brought home many a trophy in competition, among which were the YRA of LIS Championship, the LIS Squadron Championship, the Douglaston Invitation Race (which he won for the last three years). Jack had the enviable record of winning 7 out of 7 races during the Larchmont Yacht Club Race Week Series, finished second in the Atlantic Coast Championship, was unable to compete in the Internationals, due to the opening of college, but watch him in 1948.

One of the newer fleets formed last season, Execution Rocks Fleet, No. 106, sailing out of New Rochelle, on Long Island Sound, covered itself with honors, due to the crack skippers in its fleet. Fleet No. 106 placed second to Riverside in the L. I. S. Squadron Championship Series with Ed Cotter in "Bozo IV" finishing 4th and Burr Jenkins in "Lolo II" in 5th place, the first 3 place winners being Riverside entries. Most of this fleet's boats participated in the majority of YRA of LIS races and finished the season with Ed Cotter and Burr Jenkins again finishing 4th and 5th. In addition to sectional racing, Fleet No. 106 sponsored several races of its own, including a long distance race, won by Burr Jenkins with Roy Moore in "P. M." a close second. Also a guest skipper race, in which boats and crews were drawn by lot, won by Burr Jenkins in "Fire-Fly". The contest for Fleet Champ was very close, Ed Cotter nosing out Burr Jenkins by .019 percentage points.

Larchmont Fleet No. 32 was most active with its 38 boats. All but a few participated in two Saturday and Sunday Fleet Series of races from May 30th to September 21st. Other fleet activities included participation in a Long Distance race of 14 miles on June 29th for the "Peggy Pick" trophy, which was won by Paul Ryan, Jr. in "Bonnie-Anne" over 22 competitors. The Fleet sponsored their 2nd Annual Invitation Race on August 9th, which was the second in series for the L. I. S. Squadron Championship. 60 boats competed in this event, which is a record for the number of boats making a simultaneous start. Jim Amy in "Frolic" won the Fleet Championship with Albert J. Eckhardt, Jr. in "Feather" runner-up.

American Yacht Club Fleet No. 96, a new fleet, sailing out of Rye, N. Y., organized late in 1946, competed in most of the L. I. S. activities in 1947. Ted Richards, sailing "Lively Lady", won the Fleet Championship with Allen B. Stevens in Nick O' Time" runner-up and Sam Arms, sailing "Intryin", finishing in third place.

Gardiners and Peconic Bays Fleet No. 116 started in the 1947 season with only three boats, which expanded considerably before the end of the season. They expect at least ten new members by the start of next season. On July 19th 8 boats participated in the ELIYRA Regatta, held at Shelter Island Yacht Club. The hands down winner was Arthur Francisco, Jr., with Howard Meinke second and Mosire third. On August 16th, the Orient Yacht Club played host to the ELIYRA and fourteen Lightnings entered. "Mab Jr." sailed by Mills showed the way, particularly with spinnaker work; Francisco was second and Meinke third. A three race elimination series to determine the Fleet Championship was sailed on August 9th to 10th. After the necessary addition was completed the point scores showed Robert L. Mills, first; Arthur Francisco, Jr., second; Nurr and Lohrke tied for third place. At the end of the past season all were agreed that more racing, for the next season, would be definitely scheduled and a representative sent to the Internationals.

TEXAS DISTRICT

District Secretary—Ewing D. Clark, Box 817, Port Isabel, Texas.

Fleets—Dallas Corinthian Lightning Fleet (35); Southmost Lightning Fleet (40).

District Report—Both fleets in this District have been quite active during the past season and have planned many activities for next year, including a district meet.

During 1948 it is hoped to have all boats measured.

More detail of Lightning activities will be found in our fleet reports.

WISCONSIN-MINNESOTA DISTRICT

District Secretary—C. W. Valencourt, 2608 E. Newton Ave., Milwaukee, Wis.

Fleets—Neenah - Nodaway Fleet (67); Milwaukee Lightning Fleet (69) South Shore Yacht Club Fleet (79); Green Bay Lightning Fleet (112).

District Report—The year 1947 was marked by a considerable increase in the number of boats. There are now about 26 boats in Milwaukee harbor, compared to one boat four years ago. The two Milwaukee fleets, 69 and 79, have cooperated for the promotion of a better racing program.

Green Bay Fleet (112) has come forward with a very live fleet and some of the cagiest skippers in the Class. Neenah-Nodaway Fleet No. 67 has also been quite active. Pewaukee now

has a large number of Lightnings, but no fleet organization. For the year 1948 we expect increased activity at Madison, Greenbay, Neenah, and other Points. The two Milwaukee fleets are now making plans with the Green Bay and Neenah skippers for a Wisconsin-Minnesota district regatta to be held during the year 1948. All interested skippers are invited to cooperate. Inquiries should be addressed to Mr. William Winter, 2645 Pasadena Blvd., Wauwatosa 13, Wisconsin, the new district secretary.

The undersigned retiring district secretary leaves the post with considerable regret and with cherished memories of many pleasurable contacts with Lightning skippers everywhere.

A WORD OF APPRECIATION

Is due the Fleet and District Officers who have labored long and ably to supply the interesting articles and photos which you will find in this yearbook. Such unselfish effort comes from nowhere so naturally as from the heart of a true yachtsman.

FOR OUR CARTOONS

Orchids to Newt Canter of Fleet 50. Without him, our Yearbook would lack much it now boasts. Somebody ought to get an Honorary Commodoreship for those perfect bits of satire. We don't know whether to award it to Newt or his critter.

OUR COVER PHOTOS

Bring three countries together in Lightnings. "Rio" conjures up a South Seas stage setting for some very real and very active Lightnings—our good neighbors on Guanabara Bay, Brazil.

"Ontario", depicts part of the fleet on a spinnaker run in the Lightning division of the Royal Hamilton Yacht Club Invitation Regatta beneath the high bluffs of Burlington Bay on Lake Ontario, Canada.

"Toledo" contributes the third picture, from our 1947 International Championship Regatta on Lake Erie, U. S. A.; this is always the climax of the season.

Editor's Note—If you take any good shots this summer, won't you send a print to the Lightning Class Association at South Haven. With it's title, please!

Although Fleet No. 1 had 18 boats in evidence this past year, and probably several more which their owners didn't bother to put in the water, less than half that number sailed regularly in the Saturday series, and slightly more in the Sunday series.

Whatever the reason, there is every indication of a hotly contested season in 1948. The last few races in August and September showed a marked increase in boats competing, and all skippers are cocking a practiced eye for the first sign of something resembling spring, which, all evidence to the contrary, we have been advised will arrive as usual.

The Saturday series of ten races was divided into two series of five each. Jim Bentley nosed out Johnny Stewart by one point to win the first series, but Stewart kept out in front in the second series, including two elimination races, to become fleet champion.

The Sunday series of ten races was won by Dr. Robert D. Johnson who had the edge of one point on Johnny Stewart (that guy again).

It might well be added that the Lightnings were well represented in the Bottle Race, the most popular extra-curricular activity of the season and in speed and crafty maneuvering, plus capacity, nosed out all other classes for a win.

Fleet champion Johnny Stewart also won the Junior Championship series which makes him just about top sailor in this vicinity.

The juniors are showing the older salts how it should be done and their interest has been one of the most gratifying aspects of the past season.

Best incident of the year: Johnny Stewart changing mainsails in the middle of a race. Oh yes, he won!

Lightning No. 1, the grandpappy of 'em all, looks as good as new and rates a salute as a passing honor. She is skippered by Lewis S. Ayars, Jr.

John L. Koehne's Nereid.

Any Lightning sailor, far from home and his baby, will find a welcome mat in Skaneateles and the promise of a good sail.

Due to the many racing events participated in by Fleet members this year outside the club, only one series of races on Sundays were held, it being necessary to enter eight out of ten scheduled races to qualify. An average of fourteen boats started in each of these races. In addition to the Sunday Series, an additional series of ten Wednesday afternoon races was held for Juniors, in which seniors were eligible to race but scored separately. While this often produced headaches for the Race Committee, it enabled the Juniors to race amongst themselves, but still provided them with sharp competition.

During the summer new boats were added to the fleet, those of Mr. Koehne, Mr. Knowlton, Mr. Moran, Mr. Dwyer, Mr. Williams, Mr. Delafield, Mr. Ashmore, Miss Ryan and Mr. Murray. More additions are anticipated through this winter and the coming spring.

In addition to the regular Club races, a team race was held with Seawanhaka (Fleet 88) which was won by them in their waters; a home and home fleet match with Hewlett Bay (Fleet 58) both races of which were taken by Hewlett under the able leadership of Alex Dougan; the Club Juniors held a home and home team race with Juniors of Cold Spring Harbor (Fleet 89) with each Club losing in its home waters. Special Fourth of July and Labor Day races were also held. By the end of the season, it was agreed that there had been enough racing for all.

*No. 2445 now in ownership of John J. Maries.

The 1947 activities of Fleet No. 3 reached a new high this year, its 9th year of membership in the Association. At the end of the racing season the registry of Fleet 3 read "Grand Total 81 Boats"! The present outlook is for the addition of a number of new boats before the start of the 1948 season.

The greatest advancement in Fleet 3's activities was the emphasis placed on the Junior program. An extensive program of sailing instruction was carried out by two competent instructors. In addition to the daily instruction periods, Sailors Evenings were held every Thursday evening during July and August, with programs of prominent speakers and interesting movies.

The Junior Race Series of nine races was held on Wednesday afternoons. An average of fifteen entrants competed in each race. As the season progressed an improvement in the handling of the boats was very noticeable to the instructors and spectators alike.

Jimmy Wells again repeated his victory of last year and was crowned "Champion of the Juniors".

Junior Series:

1st.	James Wells	No. 513—"Misbehave"
2nd.	Gurney Sloane	No. 351—"Intrigue"
3rd.	Rod Edwards	No. 1734—"Nimbus"
4th.	Jerry Cutler	No. 223—"Opus One"
5th.	Johnny Orelup	No. 2400—"Javelin III"

The Cattus Memorial Trophy for Juniors, was won by Dave Berry, our youthful Fleet Captain, and second place was taken by H. Lyman Sindle of the Lavallette Fleet (104). This special three race series for Juniors was sailed over the Bay Head Course in July. All three races were sailed under very favorable wind conditions.

The six race series for the Fleet Championship was won by John W. Orelup sailing No. 2400 "Javelin III". The hotly contested number two spot was won by Dave Berry sailing No. 351, "Intrigue" who just managed to nose out Louise Wells in No. 513, "Misbehave" by a few points. The next five positions were so close that it is only fair that they be mentioned along with the winners.

Championship Series:

1	John W. Orelup	No. 2400—Javelin III
1	David L. Berry	No. 351—Intrigue
3	Louise Wells	No. 513—Misbehave
4	David Crampton	No. 223—Opus One
5	Edward Wardell	No. 1482—Ranger II
6	Mrs. J. C. Cattus	No. 94—Peppy
7	Elroy A. Hull	No. 1494—Temptress
8	F. Tallman	No. 1745—Blue Heaven II

Spinnaker teamwork by the crew of Temptress.

A special invitation series open to all the Fleets on Barnegat Bay was held on alternate Sundays. Fleet Captain Berry was the winner of the first and second races. The third race was won by Edward Wardell sailing "Ranger II". The final race of the season held on Labor Day went to Jack Orelup in "Javelin III".

Fleet 3's pride was enhanced further when Louise Wells won the nine race series for the championship of Barnegat Bay. In addition, Mrs. Wells was the recipient of the California Cup, the Eli La Vallette Cup and the prize most sought for by sailors on the Bay, the O. G. Dale Memorial Trophy for Sportsmanship.

The final standings of the first ten boats in the Barnegat Bay Yacht Racing Association are given below:

1	Louise Wells	No. 513	Misbehave—Fleet 3
2	Fred Scammell	No. 1743	Thrasher—Fleet 92
3	Fred Wiedeke	No. 709	Thor—Fleet 92
4	F. Larrabee	No. 1065	You Bet—Fleet 92
5	George Nelson	No. 290	Mystic—Fleet 92
6	J. Carl Behler	No. 2441	Thistle—Fleet 86
7	Dick Terhune	No. 1624	Andiamo—Fleet 92
8	Dave Berry	No. 351	Intrigue—Fleet 3
9	Jack Orelup	No. 2400	Javelin, III—Fleet 3
10	Walter Pricken	No. 2449	Cardinal—Fleet 34

As we look back upon our activities of the past year, we feel we have come a long way, and it is with this experience that we look forward to a bigger and better season in 1948.

The 1947 season was a highly successful one for Fleet No. 5, with large participation in 13 club-sponsored point scored races, other special events and an unusually fine run of weather. The fleet really came into its own and the most heartening factor of all was the progressively aroused interest displayed by other club members toward our fleet and toward the Lightning as a racing boat. Upon glancing at the present registry, it is difficult to believe that we were down to four or five boats during the war—and equally easy now to foresee twenty-four or five racing in 1948.

Corinthian was represented at the Toledo '47 Internationals by Bill Wingard, in "Dubious", where he finished somewhat dubiously in 17th place.

A special series of 3 races was sailed with another Corinthian Fleet, the "Arrows"—boats slightly smaller than Lightnings but with about the same sail area. The Lightnings won all three races easily, with Jack Pagels and Bill Wingard in "Dubious" taking the first two and Hal Rensch in "Hallory" taking the third.

Successful too was the first season of the newly organized Chicago Squadron, composed of the Three Chicago Fleets; Burn-

ham Park, Columbia and Corinthian. Five open events were selected as the basis for Squadron competition—the Burnham Park Centerboard Regatta, Columbia's George Orr Regatta, Daily News Regatta and Corinthian's Hobelman Regatta (2 races). In this series, sailed in 40 mile gales and zero drifting matches, Marty Nilsen, from Corinthian sailed his "Bee" to first place. Jack Pagels and Bill Wingard, also Corinthian, were second in "Dubious". John Burke, of Burnham Park, was third in Pest. Twenty-seven boats from the three fleets competed.

Interest in Corinthian's fleet has always been maintained by regular monthly meetings during the winter and to these we will now add two Squadron meetings. Also scheduled is a Squadron Party and Dance at Columbia Yacht Club on February 6, 1948, at which the movies of the '47 Internationals will be shown.

Might mention that our fleet, and Squadron too, raced in '47 under the New Rules of the NAYRU and found them excellent. We intend to use them again in '48. For the new year we look forward to an even larger Fleet and Squadron, more keen racing and larger representation at the District and International events.

HOUSATONIC BOAT CLUB FLEET (6)

Based on Housatonic River and Long Island Sound,
at Stratford, Conn.

Fleet Captain Joseph W. Venables
Fleet Secretary Major Ira R. Peterson
Fleet Champion Frederick C. Olsen in "Liteneze"
Runner-Up David M. Peterson in "Seabiscuit"

Boat No.	Boat Name	Skipper
137	Seabiscuit	Major Ira R. Peterson
141	Liteneze	Frederick C. Olsen
277	Edith B	Lucien E. Baldwin

2977	Zepher	Walter A. Henderson
2978	Holiday	Henry M. Healing
2979	Judy Too	Rudolph H. Smith
2980	Pa-Da-Lin	Edward R. Olsen

We held five scheduled races in 1947. Ten boats competed for the Governor Baldwin Trophy which was won the second consecutive year by Fred Olsen in "Liteneze" (141). Second place was awarded to David Peterson in "Seabiscuit" (137). There was considerable interest in racing this season and all signs point to full participation in the 1948 schedule.

Several of our boats entered invitation races at Black Rock and Milford and came home with a good share of the prizes. Plans have been completed for inter-club races in 1948 on July 10 and 12 at Black Rock and August 14 and 15 at Milford.

Officers for 1948 have not been elected yet.

Fleet No. 7 maintained its previous excellent record in local and interclub regattas. Although 1946 was an outstanding year, the season of 1947, without doubt, surpassed all past records.

The Junior Yacht Racing Association of Long Island Sound chose the Lightning as the boat to be raced in all sanctioned Junior events. An average of twelve Yacht Clubs on Long Island Sound were represented in the four Championship events for Juniors.

The well-known Rogue, Jack Webb.

The Senior Fleet participated in fifteen regattas of the Racing Association of Long Island Sound; ten local club races, six special Championship Regattas, and two elimination series for the Atlantic Coast Championship and the International Championship respectively.

An enviable record was established by the fleet champion, eighteen year old Jack Webb in "Rogue" No. 1587. Bill Fountain, runner up for the season kept the bow of "Parody" No. 1590 close to the "Rogue's" stern. Judy Webb and Sumner Cahoon sailing "Rogue" and "Phantom" carried the honors for the Juniors.

Fleet Champion

Jack Webb, with his sisters Judy and Jane as crew, became the Lightning Squadron Champion of L.I.S. having won two firsts and a second in three regattas, specifically designated for the selection of a champion for this district. Jack's outstanding performance was made during Larchmont Race Week, in which he won all six races with better than fifty entries in each race. This performance gave him the first leg on the Ann Kathleen Cullen Trophy awarded to the skipper having the highest percentage of all classes. Twenty-five different classes raced the entire week, averaging three hundred and eighty boats daily.

Manhasset Race Week was nearly a repetition of Larchmont with Jack taking three firsts and a fourth. He also was awarded the Black Jack Trophy for the best performance in any Class for the entire week.

At Douglaston Jack won the third leg on the Douglaston Cup and placed it in the permanent possession of Riverside Yacht Club. Niels Fossum having won in "Phantom" in 1945, and Jack in "Rogue" in 1946 and 1947.

To add to his record Jack won the season Championship of the Yacht Racing Association of L.I.S. with ten firsts out of fifteen starts; placed second in the Lightning Atlantic Coast Championship; won the Lightning Larchmont Invitation Regatta and annexed for the third consecutive year the Welsh Trophy of Riverside Yacht Club.

Fleet Runner-Up

Bill Fountain in "Parody" No. 1590, with his attractive wife Nancy and "Sid" Wilson as crew, was runner up in the Long Island Sound Squadron Championship. Bill also finished second for the season championship of the Yacht Racing Association of L. I. S.

At Larchmont Race Week Bill placed "Parody" second and at Manhasset Race Week he placed fifth.

At the Larchmont Invitation Regatta he achieved third place and in the local series at Riverside placed second for the season.

Bob Lofgren did a fine job all season in "Mischief" but on a few occasions ran into adverse conditions. Bob was a Riverside entry at the Atlantic Coast Championship and finished ninth having won the last race in a very creditable manner. His crew for this regatta were Sumner Cahoon and Bill Fountain.

Recognition of the man who never missed a race regardless of weather and who was "always up there fighting" goes to "Bert" Benjamin in "Mr. B." and his two young sons who crewed for him. Russ Hall, in "Loon III", T. Rothe in "Snaps" and Niels Fossum in "Terry" turned in a good season and kept pushing the leaders in every race.

Juniors

Riverside Juniors participated for the Gregory Taylor Trophy for girls under eighteen; The Midget Championship for Juniors fourteen years or under, the Junior Championship of L. I. S. and the Law Cup Regatta. The Midget Championship held at Riverside Yacht Club was won by Judy Webb in "Rogue" with Melissa Walker and Wally Benjamin as crew. In the Girl's Championship held at Pequot Yacht Club, Judy Webb in "Rogue" with Melissa Walker and Alice Lamm for her crew came in third. In the Law Cup Races, sponsored by the Indian Harbor Yacht Club, Sumner Cahoon skippered "Phantom" to second place. Bob Lofgren and Judy Webb were his crew. This same team in "Rogue" were runner-up in the L. I. S. Junior Championship Regatta held at Stamford Yacht Club in three days of strong sailing breezes. Judy Webb annexed the Riverside Yacht Club Junior Lightning Trophy for the season.

Fifteen active Lightnings in Fleet No. 9 make that class still the feature of the Crescent Yacht Club of Watertown and Chaumont, N. Y. Racing participation of this fleet in 1947 went considerably beyond the limits of 1946 and promises to further materially increase in the season of 1948. By that time it is also likely that the fleet will be augmented by additional craft.

Dr. Leonard M. Vincent, one of the most enthusiastic Lightning skippers in the Crescent Yacht Club, was unanimously elected club commodore at the annual meeting last September. He succeeded Schuyler Adams who had been the club's head for the customary two successive terms.

A few weeks after the election of new club officers the Lightning sailors of the club chose Willard S. Gamble, father of Skipper Denny Gamble, to hold the office of Fleet Captain during the 1948 season. Dr. William G. Houghton, father of Skipper Bill Houghton, was likewise unanimously elected Fleet Secretary and Treasurer.

For the club's 1947 racing season its Lightning fleet was divided into Division A consisting of those craft which use spinnakers and Division B consisting of the ones which do not. In 1948, however, there will be but one division and spinnakers will be used by all on the running legs.

Lower left: Spinnaker duel between Dean Bock in Wisp, No. 1318, and Denny Gamble in An-Be-Bi-Ba, No. 1317, at Chaumont, N. Y. Upper right: Like church spires they stand at the start of a heat. Flagship Vinci, No. 1807, of Commodore L. M. Vincent is tallest of all. Middle right: Goom-Ba with large spinnaker in foreground, Lambert Baker skipper. Chico, No. 2751, Bob Adams skipper, in front and shoreward; 2742, E. George skipper, shoreward and astern. Lower right: Dean Bock's Wisp in front, Gamble's An-Bi-Be-Ba, Bud Vrooman's No. 1669 and Jean Cooper's No. 1960 in port tack scramble around outer mark in Chaumont Bay.

The C. Y. C.'s Lightning fleet not only had a full season of club racing competition, but gave a good account of itself in the Eastern Yachting Circuit's annual regatta at Gananoque, Ont., and participated in the annual regatta of the Lake Yacht Racing Association of Lake Ontario at Toronto, Ont. Also it sent representatives

to the International Lightning Championship series at Maumee Bay, Toledo, Ohio, September 9-13.

In the forthcoming season of 1948 Fleet No. 9 will not only repeat that program, and on a more extensive scale, but will hold interclub competition with the Kingston Yacht Club at Kingston,

Ont., the Clayton Yacht Club at Clayton, N. Y., the newly organized Henderson Harbor Yacht Club at Henderson, N. Y., the Onondaga Yacht Club and the Syracuse Yacht and Country Club of Syracuse, as well as with other clubs.

Further evidence of the progressing interest in Fleet No. 9 is the fact that it proposes to hold monthly meetings during the winter and spring months and to show technicolor movies December 27 of the International Championship series at Toledo September 9-13.

Already Fleet Captain Gamble and his associates have planned a schedule of informal week-end races from Decoration Day to July 1 when the club championship season of Saturday and Sunday races will begin and continue through to Labor Day, which always formally closes the C.Y.C.'s active racing season.

Miss Barbara Beeman won the sail-off from Edward Goulding in Division A at the close of the 1947 club season and thereby captured the symbolic championship Thomas S. Adams cup. Likewise Robert Adams defeated Dr. L. M. Vincent in the Division B sail-off and was awarded a new cup, which is yet unnamed.

In mid-August elimination races were sailed to determine the club's representatives in the International Championship series at Toledo. The eliminations consisted of three heats over a three-mile triangle. Bill Houghton won the first, with Robert Adams second, Denny Gamble third and Lambert Baker fourth. Denny then proceeded to win first place, with Adams second and Baker third in both the second and third heats. Gamble and Adams were therefore chosen to go to Toledo, but got only into the consolation group, where Adams took ninth honors.

Gamble, Dick George, Goulding and Bock were among the 14 entries in the Lightning Division at the L.Y.R.A. Regatta representing active Canadian and American yacht clubs on Lake Ontario and the upper St. Lawrence river at Toronto the last week in July and placed respectively 10th, 11th, 12th and 13th on accumulated points of the three days' racing.

The Eastern Yachting Circuit composed of Canadian and American clubs of the eastern end of Lake Ontario held a three-day annual regatta at the week-end in mid-August. Robert F. Hart, Jr., in George R. Barnes' former International champion "Westerly" won the cruising race from Cape Vincent, N. Y. to Gananoque, Ont., on the first day, with Lambert Baker second and Bill Houghton third. During the two ensuing days of class racing at Gananoque Denny Gamble took the championship with Lambert Baker runner-up.

High water in the fore part of the sailing season prevented an early start of the weekly races but in spite of that handicap our Lightnings participated in approximately 40 races which were run in three series. Each series has its own trophy and flags. These are awarded at the annual dinner of the Onondaga Yacht Club as all of the Lightning owners are club members.

Three boats of the fleet attended the Central New York meet on Canandaigua Lake and had a fine time for three days in July. The fleet also sent four boats to the Lewis Point (Oneida Lake) annual regatta in August where a good performance was turned in with fair to light winds prevailing.

The Onondaga Yacht Club held its tenth annual invitation regatta early in September where the Lightnings made a fine showing among the other classes. Fourteen boats started in the first race of the two day meet and gave a good exhibition throughout the regatta.

The annual fleet meeting was held November 8, 1947 and the above officers were elected for 1948. The highlights of the past season were relived and great plans made for the coming year when we hope to have two new boats added to the fleet to make the competition keener.

The North Shrewsbury River Fleet had a very successful season during 1947. Most of the skippers launched early, and proceeded on a tune-up schedule. The local races featured inter-club contests with Fleet No. 70 weekly. Our skippers proved to have the edge in these events. In contests for the Championship of the two rivers (North & South Shrewsbury Rivers) the skippers of Fleet No. 11 brought the bacon home to the North Shrewsbury. The spirit of competition has been very keen and may be attested to by the record. Many Regattas were marked by outstanding performances turned in by Fleet No. 11 Lightnings. "Avenger", skippered by Charlie Allaire placed first in the Little Egg Harbor Regatta on Barnegat Bay, Fifth in the Atlantic Coast Championship Regatta at Nyack, fourth in the International Championship at Toledo taking first place in the third race. "Coxswain" placed first in the Atlantic Coast Championship Regatta and her skipper proved to be a real champ in declining acclaim at the annual meeting in Toledo. "Bull-Frog" turned in the best record to clinch the President's Cup at Washington, D. C.

An outstanding feature of our season was the presence of Walt Swindeman, Walt Vogel and Cal Yaudas sailing with us in brush races on the Shrewsbury. The Toledo spirit has caught on in these parts. Post-season brush races on the Hudson at Nyack featured competition between High-Tor, Nyack and North Shrewsbury Fleets. "Pete" Pedersen, Doc. Myles and Herb Cox were all on deck at this event.

Next year we plan to schedule more events in Raritan Bay where the seas are rougher and air generally stronger. We intend to continue our record for 1948 and increase interest in Lightning racing.

The 1947 season of Lightning Fleet 12 was the most active in its history. The season started off with the election of officers for 1947 at the Annual Meeting late in January. At this meeting Adam Eby was elected Fleet Captain; Reg Pegrum, Secretary; and they then appointed the following: Warren Hunt, Treasurer; Park Hedley, Membership Chairman; Ida Smither, Entertainment; Dick Hedley, Publicity.

In March and April a series of instruction meetings were held at the Buffalo Yacht Club, at which Karl Smither, Reg Pegrum and Felix Prochnow discussed in great detail general racing tactics—"Bottoms"—"Tuning for Racing"—"Rigging"—and "Various Types of Sails". Everyone attending these meetings stated they obtained more helpful information than they thought it possible to obtain from any series of meetings.

The racing began in May and ten separate series of races were held during the season beside the Lake Erie District Championships. In addition, there were four out-of-town races in which Fleet 12 boats participated—the Hamilton Regatta; LYRA Regatta at Toronto; the Internationals at Toledo; and the Lake Chautauqua Yacht Club team races at Jamestown. Fleet 12 also had a full schedule of races for Junior Skippers—one class for those under 16 and the other for those over sixteen years of age.

Competition was very keen. "Thermis Twice" captured most of the first place pennants, contested sharply by Bob Graf in "Rampage" and Adam Eby in "Ginger". Eby won our Stay-at-Home Series, Clambake and Free-For-All Races; Graf won the Lake Erie District Championship. These three boats represented the Buffalo Canoe Club at the Toledo International Champion-

Canoe Club Champion Karl Smither in *Thermis Twice*, Bob Crane and Reg Pegrum crewing.

ships. "Thermis Twice", with Karl Smither, Bob Crane and Reg Pegrum was runner-up for the fourth consecutive year. "Rampage" skippered by Bob Graf with his able junior crew of Bob Maytham and Johnny Lyons took third, while "Ginger", with Adam Eby, Warren Hunt and Sam Eby, placed tenth. Truly a remarkable record for one fleet!

In the Junior Division, Bob Maytham, sailing "Rampage", won the Championship and August Series, while Bob Smither, in "Thermis Twice", won the July Series. In the Juniors under sixteen, Anne Smither, in "Albatross", won the first two series, while Dick Teach, in "Slalom", took the Midget Championship.

Undoubtedly, the outstanding affair of the season was the Lake Erie District L.C.A. Championships. Fleet 12 entertained

the Niagara Sailing Club, Sandy Beach, Royal Hamilton, Buffalo, Irondequoit, and Erie Yacht Clubs at the Buffalo Canoe Club. There were three races over the Labor Day week-end, August 30-31, September 1. Four of Fleet 12 boats placed 1st, 3rd, 6th and 7th for the series. A dance was held in the Boat House on Saturday night along with sing-fests and parties the remainder of the week-end.

To top off the sailing season, several Fleet 12 members sailed in Frostbite dinghies in a series during October and November sponsored by the Buffalo Yacht Club. Ten races were held, including sailors from Buffalo Yacht Club, Buffalo Canoe Club, Niagara Sailing Club, and Sandy Beach Yacht Club.

The social meeting of the season was the Christmas party held by the Buffalo Canoe Club fleet members at the Buffalo Yacht Club on Dec. 20th. The picture will give some idea of the fun enjoyed.

In closing we would add, that the Commodore of the Buffalo Canoe Club has invited the Lightning Class to hold the International Regatta at our club for the 1948 season, and word has just been received that the LCA has accepted.

The annual meeting held January 31st at the Buffalo Athletic Club, resulted in the election of the following officers: Fleet Captain, Park S. Hedley; Secretary, Winton H. Church; Treasurer, Renard P. Adams. With this gang at the helm, and with the Internationals being sailed at the Canoe Club this season, it looks as though Fleet 12 is in for an even bigger year than 1947!

An extremely interesting and highly competitive racing season was enjoyed at the Centerboard Yacht Club during the summer of 1947. With a fleet increased by a net total of six new boats, a series of ten regular races was scheduled and sailed from June 28 to September 6 over the new race courses off Mackworth Island in Casco Bay. The above mentioned results scarcely give a suggestion of the tight competition for first place which developed toward the last of the series and which was decided by a broken rudder in one of the last races, thereby dropping high-scoring Capt. Faulkingham from first to third place.

Clayt Erskine also won the Philip J. O'Brien Trophy, awarded this year to the skipper scoring the greatest number of points in the last three races.

High point of the season was the State of Maine Lightning Regatta, which was sailed under excellent weather conditions on Aug. 2-3 by a total of twenty-eight boats which included visitors from Spofford Lake, N. H.; Newburyport, Mass.; Prout's Neck, Maine, and Mere Point, Maine. Al Moore, Capt. Faulkingham, and Jane Smith took top honors in that order, and Fred Harris, besides amassing a substantial number of points, won a special prize for making the longest trek—from Spofford Lake.

Many members of the Fleet took part in a series of Sunday races at Falmouth Foreside, sponsored by the Portland Yacht Club, in which Ben Thompson dominated the scoring. Other activities included two crew-exchange races, one at Prout's Neck, in which the Fleet 94 skippers won out, and the other at Falmouth Foreside where the Centerboard Yacht Club skippers came to the fore.

With the reports that more boats are a-building to add to the Fleet in '48 we look forward to a bigger season than ever, and hope that many more state and out-of state Lightning enthusiasts will join us for the superb sailing in Casco Bay at the State of Maine Lightning Regatta next year.

FAIR HAVEN YACHT RACING ASSOCIATION ()

Based on Lake Ontario at Fair Haven Bay, N. Y.

Fleet Captain Thomas E. Burke
Fleet Secretary Dr. J. M. Riley
Fleet Champion Robert C. Griggs in "Jo Bo"
Runner-Up Dr. J. M. Riley in "Poppy"

Boat No.	Boat Name	Skipper

555	Pikat	Edgar Denton
816	Jo-Bo	Robt. C. Griggs
892	Gi-Gi	Leyden E. Brown
946	Dudie	Thomas E. Burke

Bob Griggs in "Jo-Bo" captured first in both the July and August series, with Dr. Riley as runner-up.

In September, at the gracious invitation of the Lightning sailors of the Sodus Yacht Club, four of the Fair Haven fleet boats were trailed to Sodus for inter-fleet racing on Saturday and Sunday. Honors in the two races were about even. After the Sunday race a group dinner was enjoyed. In 1948 we plan to have a return match on Fair Haven Bay.

In August, Bob Griggs took first place in the Lightning division of the L.Y.R.A. at Toronto. After winning the local elimination races hands down, he went on to the International Championship at Maumee Bay. While not placing as high as in 1946 he did very well, finishing in the top half. After listening to Bob's story we certainly wish to congratulate the boys of Fleet 42 for their splendid planning and execution thereof in the 1947 Championship races.

PAUPACK SAILING FLEET (16)

In July, the Paupak Sailing Fleet started the difficult job of reorganization for the first time since the war. We finally had a nucleus of what we could begin to call a fleet. A meeting of owners was held, plans for Sunday races were made, dues were collected, prizes were purchased and Fleet 16 was finally on its way back. During the balance of the season, we held six races and plans are already under way for the 1948 season of racing.

As yet we have no budding International Champion among us, but don't be too surprised if two or three years hence, a Lightning skipper from Lake Wallenpaupak suddenly shows up at the Internationals.

Fleet Captain G. Baylis Tompkins
Fleet Secretary H. E. Geissinger
Fleet Champion Aubrey G. Cummings
Runner-Up G. Baylie Tompkins

Boat No.	Boat Name	Skipper

545	Tar Baby	G. Baylie Tompkins
546	Seven Seas	Aubrey G. Cummings
872	Beryl II	Rufus H. Gaul
983	Mariellin	George M. Karns
1781	J. C. Martin

Fleet champion and runner-up were decided by the number of hours sailed during the season. Docks were not available at the beginning of the season, and the fleet divided between the home waters and the Chesapeake Bay. Tompkins No. 545 and Cummings No. 546 were all over the Chesapeake Bay. Karns No. 983 was on the lower Chesapeake Bay. Geissinger No. 497 and Martin No. 1781 stayed at home. Gaul No. 872 was not overboard. Therefore, there was no organized racing. New docks have been installed at the Club and prospects for the coming season look bright. Plans are being made for several series of races.

We of Fleet No. 18 believe that we have the Lightning with the most number of miles under her bottom. This is Cummings' boat No. 546, launched in 1941 and in use each season since. Cummings spends his vacation each year, approximately 30 days, sailing the Chesapeake Bay and living aboard alone.

The story of the year goes to our runner-up Tompkins No. 546. I call it "The Floating Anchor". Here is what happened. Tompkins and Cummings were sailing together on the Chesapeake Bay when they noticed a storm building up very rapidly. They decided to run up the Sassafras River, and as the wind freshened both downed sail and threw over anchors, each paying out about 100 feet of line, then both dove under a tarp as the rain came down. Tompkins thought he was in a precarious position if the boat capsized and came out from under. He saw the land passing by, looked to see if his anchor line had parted, and lo and behold, he saw his anchor aquaplaning and Cummings about a quarter mile down river. Looking aft poor No. 545 saw he was about 75 feet from an anchored cruiser, and bearing down at about the same rate of speed the boat normally sails. The skipper of the cruiser was hollering his head off, and finally pulled his anchor and moved out of the course as Tompkins went by. The large anchor, which was stowed well up forward, was finally lowered and No. 545 came to a halt. The anchors used by both boats were the same (Danforth Rowboat Model) one dug in, the other floated. The damage was slight, a bump on Tompkins' head as he dove under the foredeck to get the larger anchor. No one saw the skipper of the cruiser again, he probably was boiling (mad). Tompkins knows now that he should use a heavy anchor if he hopes it to reach the bottom while he is being blown at any rate of speed.

Chautauqua Lake Yacht Club Fleet No. 19 enjoyed a very active and successful season. A regular series of Sunday and Wednesday races was sailed in addition to the long distance races held on Memorial Day, July 4th and Labor Day. The championship was hotly contested, and was only determined in the closing races.

The Fleet was represented at the Nationals by Dick Moran in "Te-Ta".

Fleet Secretary (Acting) Peter Urnes

Boat No.	Boat Name	Skipper

I'm afraid that I can give you no formal report on Fleet 20 for the 1947 season. As far as I know, there were no Lightnings raced at Michigan City this summer either in their own class or in the Michigan Yacht Club handicap races.

My own boat "Auk" No. 902, did not enter the water this summer since I was traveling in Europe, and sailing on Irving Johnson's new brigantine "Yankee".

The Moffett brothers' boat "Duchess" No. 426, was sold sometime last spring. I do not know to whom it was sold.

When I was home for a short time in September, I noticed two Lightnings in the harbor. No one seemed to know who owned them. Evidently they were used only for rather infrequent day-sails.

Thus you can see that there was a Fleet 20 in name only this past summer. Whether or not the situation will be better next year depends upon a revival of small boat interest among the members of the Michigan City Yacht Club. As I see it, the tendency during the past several years has been to move into the larger types of cruising and racing vessels.

The busy racing season of the Maple City Fleet started with a special race on Memorial Day. Sixteen regular races were held, Norman R. Johnson gained the fleet championship; D. L. and Tom Punskey were second. On June 21st and 22nd we held our first annual Tri-State Regatta, in which ten boats were started. B. F. Ludwig won all of the three races. South Haven, Michigan, defeated the Maple City Fleet, 20 to 6, when the annual contest was

held on June 29th. Every Fourth of July we race for a special trophy, the Harmon Memorial Trophy. This was won by Boyd and De Myer. Labor Day is also a special race for an individual trophy. B. F. Ludwig carried this one away. Probably the worst storm we have ever had during a race came up during the Labor Day race, and Ludwig was the only one to finish. September 21st was the date set for the annual competitions with Michigan City for the Blackwood Trophy—a permanent trophy. As might be expected around the equinox, we were in for another storm. Michigan City retained the trophy by winning the morning race. The afternoon race was called off.

Fleet No. 24 enjoyed a very successful racing season. The season opened the Sunday before Memorial Day with two races over a triangular course, being part of a three race schedule for the Club Officers Trophy. The third race of this series being held on Memorial Day. The Roth brothers finished well out in front.

The following week-end started our Club Championship Series, which included twelve races over triangular and windward-leeward courses. These races were hard fought and there were never less than 14 boats participating. The Walker boys, Jim and Bill were high for the series.

Frank Zurn took his "Melmar" and the Walker brothers their "Jim Bill" to the district meet at Buffalo, with Frank placing fourth.

In the Lightning Elimination series for the McAllister Cup the Walkers again showed their transom to the rest of the Fleet.

In August we were host to that fine group of Lightning sailors from Mentor Harbor Y. C. in the finals of a three year inter-club fleet race. Fleet No. 24 won this, the deciding race and now has permanent possession of the cup.

Freddie Brehob, Pat Curtis and John Downey journeyed to Mentor Harbor and were winners in the Elimination Series for the Sears Junior Cup races. They won the privilege of representing the Interlake Yachting Association and went to the coast. In the finals they didn't do too well, but nevertheless gave a good accounting of themselves, especially since this was their first experience on salt water. Fleet No. 24 is looking forward to being host in '48 for the District Eliminations.

Starting December 23rd Fleet No. 24 begins a series of winter meetings where the past season will be re-sailed, films shown, racing rules discussed and plans made for a bigger and better season this coming year.

During the past year there was considerable growth in interest in Lightning racing, but unfortunately deliveries of new boats were too slow to get in the season's racing and some people were discouraged because of the high prices. However, the five old boats had a very active time and in addition to regular weekly racing, two regattas were run off.

It should be interesting to note that the two regattas aobve referred to were "free for alls" sailed over a six mile course and included Snipes and Comets, one Snipe being North Atlantic Champion and he also placed high in the Nationals. No. 1942 won both of these regattas.

For the future, we have shipping acknowledgments indicating that two new boats will arrive this month and several more are promised before next season. None of them have been actually assigned and we will have to send you the information as it becomes available. With a larger fleet we certainly hope for much more active racing during the 1948 season.

**Now in Fleet 91.

At Little Egg Harbor Yacht Club, Beach Haven, N. J., the home of Lightning Fleet No. 26, there was spirited activity in racing throughout the entire season, possibly due to the addition of several new boats, for joining the already worthy competitors were Bill Holt, one of the best Comet Class skippers in the country—a conversion to Lightning from Comet; the Edson family, father and two sons, with a new boat, and the Felix and Smedley family taking over Henry Schimpf's 580.

The championship was won by good old Fleet Captain Fred Schanche in the Fram III, followed by Carlos Echeverria in the Ranger, an old boat, No. 36. In the championship races all boats gave an excellent account of themselves with the best of sportsmanship displayed at all times. In one of the championship races Bob Taylor, sailing the Night Wind, pulled the magician stunt winning a hotly contested race without use of spinnaker, after having been rammed by the prow of Schanche's boat, making a hole in topside big enough to put your arm in, necessitating Pop Taylor removing quickly his shirt to serve as a plug to prevent foundering. The entire race was sailed with this ungainly plug protruding inside and outside.

The inter-club races with Spray Beach Yacht Club, Fleet 91, held each Sunday alternately at Spray Beach and Little Egg, Charlie Dore in his mercurial "Vixen" walked away with the races and stood far ahead in total points. He was followed in points by Lud Wray in the "Sonflower", Jim Buck in the "Buckaroo", also from Spray Beach, and in fourth place was Fred Schanche sailing Fram III.

On August 16th and 17th Little Egg Harbor Yacht Club, Fleet 26 of the Lightning Class, played host to the visiting Lightning Class yachtsmen and conducted a series of three most interesting and closely contested races, many excellent skippers and crewmen participating from many different Lightning fleets. There were 41 Lightnings towed the mark for the first of the three races held Saturday morning, August 16th; nearly as many started in a light breeze—as was the morning wind—Saturday afternoon, but on account of a strong northeast wind and very bumpy water, and a desire by some to return home, there were fewer participants in Sunday's, the best race of all. The championship of this series was won by Charles Allaire, of Monmouth Boat Club in the "Avenger" after some mighty fine sailing. Charlie showed (and his crew) their excellent seamanship and strategy, nosing out for first place Fred Wiedeke, of Toms River Y. C., sailing the "Thor". Charlie Dore of the home club, Little Egg, in the "Vixen" was hot on the trail of the leaders, but could do no better than third place. Lud Wray, in the "Sonflower" from Spray Beach, came in fourth in the series; E. F. Larabee of Toms River Y. C., in "You Bet", fifth; F. Emlen, from Mantoloking, racing the "Penthestes", sixth.

In the down-bay team races we didn't fare so well, Toms River going home with the prize, followed by Bay Head.

It is believed that new blood injected into Fleet No. 26 will stimulate even greater interest. All are looking forward to a very active 1948 season.

There has been existing some dissension among skippers in the matter of hauling boats out between races. The Fleet voted against more than two haul-outs per season of not more than 24 hours' duration each. We feel this is a national rather than a local question, and definite action should be taken in either condemning or approving the policy of keeping boats out of the water except when they are racing.

Al Rowland, Jean Palmer and C. E. Kimball after the last race at the Internationals.

It is believed some new boats will be added to the list during 1948.

*Now reported as members of Fleet 43.

The '47 season got off to a slow start because of a wet spring which held up the paint and putty pushers. However, once it got rolling, some fine Lightning competition was seen on the old Scioto.

The first six places in Leatherlips mixed class races were won by Lightnings and results were close—the top three being only 6 points apart. Jim Townsend in "Colleen", No. 638, took first place with 130 points; C. E. Kimball in "Janean", No. 1231, was second with 124½; and Al Rowland and Ed. Ingram took third with 123¼.

The Fleet No. 27 Lightning Championship Series was won by C. E. Kimball in "Janean" with Jim Townsend in "Colleen" as runner-up.

Fleet No. 27 is branching out into the big time—finally. Frank Rose in "Star Dust" No. 1232, took second against some stiff competition at the OICYA Regatta at Buckeye Lake. Frank is too modest to say so but we hind-sighters think he would have been an easy winner had he had a spinnaker for the last race.

Kim Kimball loaded "Janean" on a borrowed trailer, stuffed his daughter, Jean Palmer, and Al Rowland as crew, a lot of gear, and high hopes into his trusty Buick and took off for the races—the Championships at Toledo, that is. The Maumee wind and sea proved a little rough for a "mill pond" sailor but he managed to qualify and garnered 27 points to place 28th. Kim and his crew are still talking about the wonderful time they had at the Internationals and will long remember the hospitality of Toledo Fleet No. 42.

Ed. Ingram has purchased No. 2823 to add to the Fleet in '48 and Al Rowland will take over No. 1230. At least four and possibly six other new boats are on order or are being built and Fleet No. 27 is really going places.

Members of Leatherlips YC are erecting a new Club House across the river on high ground—no more floods! We are forecasting a banner year for 27 in '48. Look for us at the Regattas, we'll be in there yelling for sea room.

Leatherlips Yacht Club held a Sweepstake on Labor Day and tickets were sold for the event. After the race started tickets were drawn for each boat. Ticket holders on first ten boats to finish won prizes ranging from \$25.00 up to \$150.00, first prize. Proceeds of the event went into the Leatherlip Yacht Club building fund, and the event was enjoyed by all.

It is rumored that Stew Relyea, formerly owner of No. 1031, is building a new boat. If so, we believe that he will be an addition to our fleet.

The 1947 racing season started with five boats sailing. A few weeks later another boat joined the fleet. Then, at one of our regular meetings, it was discovered that some of the boats were not properly registered. It was decided that the three registered boats, Shuler-279, Hahl-1066 and Ferguson-2066 should hold informal races to hold the fleet together until the other boats could come in. The process of remeasuring and registering proved to be a slow one and only one boat, No. 571, owned by Dale Feakins, reentered before the end of the season. It was decided not to award prizes and trophies this year because of the mix-up.

W. F. Shuler's Dottie of Fleet 29.

One of our skippers, Charles N. Nichols, owner of No. 294, had an operation and could not sail but we expect him back next year.

In the new boat category, Jim Wallace sold No. 715 and is getting a new boat. There are several new boats building on or near the Lake and we expect to add at least three new boats to the Fleet next year.

Present plans call for a meeting with Fleet No. 52 based at Lake Mohawk, N. J. in the Spring and a possible Spring series for our own boats. We also expect to have a three race series to determine a representative of the Internationals.

Enthusiasm is high and we expect the biggest and best sailing season yet, next year.

Club Championship racing has been divided into two series of five races each, with the top four boats in each series qualifying in a three race championship sail off. The First Series was won by Len Ladenburger, Ward Webster and Henry Williams in "Joy", second was Norris Johnson, George Hale and William Templeton in "Blitzen II", third was Jim Roberts, Rufus Roberts and Jack Nixon, Jr., in "Skip". The same boats and crews repeated by winning the second series.

Our three race September Championship Sail Off was won by Len Ladenburger, Ward Webster and Henry Williams in "Joy". Runner-up was Jim Roberts, Rufus Roberts and Jack Nixon, Jr., in "Skip".

Four South Haven skippers and crews from Fleet No. 30 with their families and guests drove to LaPorte, Indiana, on Sunday, June 22nd, for our Annual Inter-Fleet Race with the Pine Lake Fleet No. 21. South Haven used borrowed boats and won first, third, fifth and seventh in an eight boat race. We were royally entertained and presented with a trophy for our success in the race.

The Seventh Annual Lake Michigan District Regatta was sailed at South Haven Yacht Club on July 10th, 11th, and 12th with twenty-one entries. The races were sailed over our triangular course just off the harbor entrance. Buffet lunches and dinners were served at the club house daily with a banquet Saturday night at the Elk's Temple where the prizes were awarded followed by a dance at the club house. First place was won by Herman Nickels of Lake Fenton Yacht Club Fleet No. 53 in "Two Bits". Runner up was Francis Poulson of Cleveland Rocky River Fleet No. 71, in "White Cloud". Third place was won by Frank Pfefferle of Cincinnati River Fleet No. 57 in "Zeffr".

Two of our crews participated in the International Regatta at Toledo. Both boats qualified in the consolation division. Len Ladenburger, Ward Webster and Henry Williams placed third in "Joy" and the Danley's in "Breeze" placed seventeenth in the series. The Danley's must have picked up a lot of racing knowledge at the International Regatta as they came home and won both the Commodore's Cup and the Past Commodore's Beat Your Average Trophy which are our two post season racing series. The runner up of each series was Jim Roberts in "Skip".

We enjoyed a very successful racing and social year and are looking forward to a bigger and better Fleet in 1948.

The Devil's Lake Yacht Club sailing season of 1947 was one that will be long remembered. Our fourth annual Invitational Regatta was held on September 20th and 21st. Throughout the season the weather had been practically perfect, there being only one Sunday that races were not held, but Regatta week-end was very different. September 20th was the day of the first race and this was won by H. Krauss, Fleet No. 42, second place by Art Burtscher also of Fleet No. 42 and third place by Barney Crittenden (a local boy). The first race Sunday, although the wind was brisk, was uneventful. L. Ahrens, Fleet No. 54 first, H. Drauss was second with W. Girkins of Fleet No. 42 third. The third and final race got under way at 2:30 and 3:03 the tag end of the Florida Hurricane hit the lake aided by a cold front moving down from Canada (this is what the man said). Within 30 seconds 36 boats were over with eighty-nine skippers and crewmen in the lake. Due to the efficiency of the registering committee and those in charge of crash boats there were no casualties but it was 7:30 before everyone was accounted for and nearly midnight before all boats had been found and secured. We sincerely hope that all of our visitors will believe that this is not a common occurrence at Devil's Lake and will return for our Regatta next year.

Our regular season was divided into two series. Due to a late spring our first scheduled race was held June 15th with eight races in the first series. Jack Beal was the winner with Barney Crittenden as runner-up. In the second series there were thirteen races ending on Labor Day. Jack Beal and Dave Spitznaugle were tied for first place with Barney again as runner-up. This gave Jack Beal the Championship for the season with Barney Crittenden as runner-up. The John Oberst Trophy was won by Jack Beal with Dave Spitznaugle and Barney Crittenden tied for second place.

Our Fleet was represented at Pontiac, also at the International Race at Toledo by Jack Beal who sailed in the first division. His crew was J. Mayer and B. Crittenden.

The prospects for 1948 look very good with additional boats and better sailing facilities.

Fleet No. 32, during the 1947 season, numbered 38 boats. All but a few participated in the fleet's many and diversified racing activities.

These Fleet Activities included:

1. Four Fleet series, comprising a Saturday and a Sunday Series during June and July of 7 and 8 races respectively, and a Saturday and a Sunday Series during August and September of 8 races each.

2. Participation in the annual Larchmont Yacht Club's Race Week Regatta, when a total of 75 Lightnings, including those of visiting fleets were starters. Odd numbered and even numbered boats were given separate starts on the first four days, when the top half and lower half of each group were re-grouped to compete in a Championship and a Consolation Division during the last three days of racing, with prizes awarded to the first three place winners in each division.

3. A Long Distance Race of some 14 miles on June 29th was sailed by 23 boats, for the "Pick Trophy" which was won by Paul Ryan, Jr., in "Bonnie Anne", the runner-up being Charles Portman in "Dorinda".

4. On August 9th Fleet 32's Second Lightning Invitation Race was sailed on home waters, with 60 entries being started simultaneously. Prizes for this event were awarded for the top 5 places, with a special prize awarded to the boat finishing "Midway".

5. Participation in the Annual Douglaston Yacht Club Invitation Regatta on July 12th, with 53 Lightning starters.

6. Participation in the Annual Manhasset Bay Yacht Club's Race Week Regatta, September 3rd to 7th, with some 50 Lightning starters.

7. The Fleet competed on August 24th, 31st and September 1st, for the "Commodore Carr Trophy", donated by its original charter member, Richard Carr, Jr., which was won by James D. Amy in "Frolic".

8. Five qualifying races each were sailed for Fleet representation in the Atlantic Coast, and Internationals Championships, with the following taking the top three places for each event; James D. Amy in "Frolic", Paul Forsman, Jr., in "Foose", Stephen K. Carr in "Nola".

9. Participation in a minimum of 13 out of 39 scheduled Y.R.A. of Long Island Sound sponsored races for their annual Class Design ratings.

In determining the Fleet Champion and runner-up for the 1947 season, percentage ratios were used, on the basis of points won in all races raced being offset against all possible points that could have been won, with a required minimum of 16 races, 4 in each of the Saturday and Sunday series.

Prizes were awarded at the Fleet's annual dinner on September 24th for all series and other events, and new officers for the 1948 season were elected. Retiring Fleet Captain LeRoy Amy relinquishing his post to Charles H. Portman, who in turn relinquished his post of Secretary to William F. Cronin. Former Fleet Captains Richard Carr, Jr., and Paul Forsman, now Commodores, as well as Paul Ryan our hard working Race Committee Chairman, were given enthusiastic cheers by the assembled Fleet Members.

During the dinner, special recognition was given to the skill of several of the Fleet's Juniors, who in a special series of races in Lightnings with the best skippers of other fleets on L. I. S., won the much coveted Pequot Cup, emblematic of the District Junior Championship. Skipper Albert J. Eckhardt, Jr., ably assisted by crewmen Stephen K. Carr and Stanley Bell, did a masterful job, sailing under weather conditions which ranged from near calms to winds of 20 miles in velocity. As District Champions, these Juniors, with William Lynn, Jr., substituting for Stanley Bell who was taken sick, later competed in Lightnings, in a series of 8 races, using a different boat in each race for the Sears Bowl, emblematic of the U. S. Junior Championship, with the best Junior Champions from districts on the Atlantic Coast and two from the Great Lakes, tied in points with the First Place boat, but took Second Place honors.

Plans are under way (at this writing) for several Winter get-togethers, when the Motion Pictures of the 1947 Internationals will be shown, in addition to other activities, as well as plans for a banner 1948 Season of Racing Activities.

TURKEYFOOT LAKE FLEET (33)

Fleet 33 is based at South Shore Yacht Club on Turkeyfoot Lake, one of the chain of Portage Lakes south of Akron, Ohio. The Fleet claims the distinction of having as a charter member our National President of the Lightning Class Association, Ed. McCain, who capably skippers "Four Winds" No. 558 on his home waters.

Photo by Paul J. Leyders, Akron, O.

President McCain's Four Winds led by Grover Johnston's Brixton on Turkeyfoot Lake. This picture won first prize in a local contest last fall.

A fine sailing season was enjoyed in 1947. Races were run in two series with the first race May 25 and the last of fifteen Sunday races run on Sept. 28. The winner of the season series was Dr. H. B. Duckworth in his new 2395. Ed McCain was runner-up in "Four Winds".

Fleet 33 was represented at Toledo in the Internationals by Dr. H. B. Duckworth, who hopes to achieve a greater measure of success when he next has the opportunity to compete in that classic.

The Turkeyfoot Lightnings gave a good account of themselves in the season's races, all of which were run in handicap competition with other club boats which included "Thistles", National O. D's, Comets, Y Flyers, Pacific Flyers and others.

The annual Turkeyfoot Lake Regatta was co-sponsored by South Shore Yacht Club and Portage Lakes Yacht Club. The winner of the Lightning Class in this event was Ed. Adams in "Jillene" No. 557. Robert A. Wilson in "Gloria" No. 764 was second.

The entire fleet competed in a series of nine Saturday races for the Terminix Trophy. Competition was keen in this series of races with Harry Zimmer in "Zim Baby" No. 1956, walking away with the Trophy.

All boats of South Shore Yacht Club compete for the Commodore E. W. McCain Handicap Trophy. Results are computed on handicapped results in the season's races. This trophy was won for the 1947 season by Ed Adams in "Jillene".

A post season Handicap Regatta was held October 11. In this event each skipper was given his handicap at the starting line. Ed Adams in "Jillene" was the winner with Ed McCain in "Four Winds" placing second.

Three Lightnings from Fleet 33 competed in the O.I.C.Y.A. Regatta held at Buckeye Lake, Ohio, June 21-22. They were Harry Zimmer in "Zim Baby", Ed McCain in "Four Winds" and Grover C. Johnston in "Brixton".

Fleet 33 was augmented by two new boats in '47. Dr. Duckworth proudly launched his new No. 2395. His "Gloria" No. 764 was purchased by Robert A. Wilson. "Snifter" No. 2727 was launched by Eugene Valentine. At least three more Lightnings are assured for 48 and Fleet 33 impatiently awaits the opening of the new season.

*No. 1004 now under ownership of James Carson.

As the 1947 season came to a close, so ended one of its most interesting and successful racing series in which competition and enthusiasm were tops. The season was broken up into two series. Walt Pricken with his faithful crew Don Jomo and Don Pricken sailed the Cardinal to victory in both. Mike Kuhn brought the No-No into runner up position and made things plenty hot for the bloody Cardinal. Ed Launay in Count Too clinched the third spot very neatly and was also another big threat. Jack Crate was back with the fleet again this year and didn't mind letting everyone know it.

On Saturday most of the fleet competed in the Barnegat Bay Yacht Racing Association series which consisted of eight races held at different Yacht Clubs along Barnegat. Plenty of keen competition patrols those waters and let it not be said that the Barnegat boys don't know their stuff.

The 1948 season has all the elements of being the biggest year yet. With all the new boats coming into the fleet we expect to see a roster doubled that of last year. An invitation June series is being arranged and a schedule for the Juniors has been worked out.

Jim Bowen with a lot of luck (well, that's what everyone else said) managed to amass enough points to win the Fleet Championship for 1947. Congratulations, Jim! (We can say that now, after

Family day aboard the Kaprice.

the season has been two months closed). Yes, we all gathered around when Jim hauled his boat out to put her in winter wraps, and what we learned was plenty. Was there ever a Lightning skipper doing his own work that could put a prettier finish on a bottom?? Alibi.

Milton Price has been hinting around that he will have a new boat in competition next season. Could be. He has plans for No. 2211 according to the Year Book of 1947. Incidentally, Skipper Price has sailed his No. 206 for eight seasons and she looks as new as she did in that Summer of 1940. Plenty of that lovin' care . . . especially during the icy months and at "fitting-out" time each Spring.

Some snooping has uncovered the following Lightnings under construction here—getting ready for Fleet No. 35 competition:

2077 J. R. Armstrong
2293 Chas. M. Woodman
2627 G. C. Wilkins, Jr.

Don't look now, but the ole Lightnings beat those new Mercurys consistently in inter-class competition. The Lightning is still tops!

*No. 83 formerly owned by Milton W. Jennison

**No. 676 formerly owned by David F. Van Harlinger.

This season was the best Fleet 36 has had to date. Official racing was a little late getting started due to bad weather but we managed to have ten good races, including a couple of good luffing matches.

Our old stand-by, Harry Leckemby, copped the season's honors in spite of the accusations of the other skippers that he was seining fish with his spinnakers.

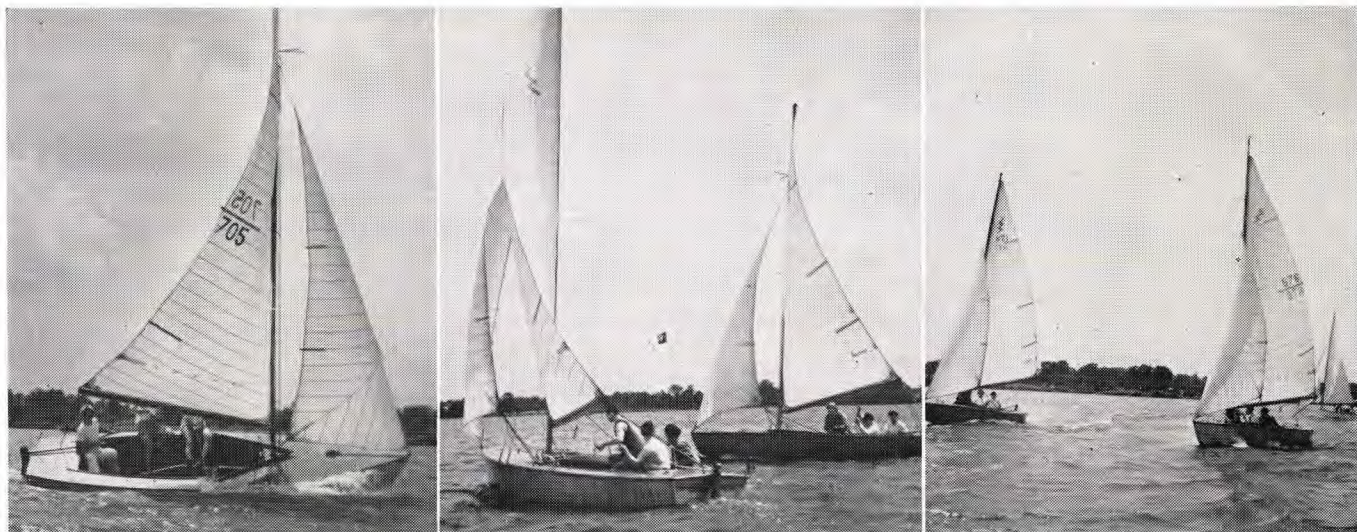

This year we started a "Lightning Day", in which there were as many races as boats and in each race the skipper sailed a different boat. This proved so successful that we are making it a yearly feature.

It is gratifying to see the Fleet increasing in size each year, as this makes for tighter competition and better fellowship. Our winter program consists of a meeting each month for the discussion of rules and activities or anything that will keep the old spirit up during the off season.

1948 has all the indications of being a banner year with a full season of racing activities planned, and a hope that we will have a representative in both the District meet and the Internationals.

The 1947 season at Mentor Harbor was a full season and a hectic one. The weather varied from breezy to stormy. One ill-advised start was made in winds that blew forty miles-per-hour, proving that Lightnings can take it.

When the smoke finally cleared away at the end of the season Hank Verbsky again emerged as Fleet Champion, but only after Bob Stava, who was runner-up, and the Ehlert and Davis combine had succeeded in giving him a good hard scrap.

Buscher, who broke through for a few firsts in the middle of the season was beaten back into the fourth position.

In the spring and summer series it was Hank Verbsky in first place. Ned Wallace tied with Ehlert and Davis for second.

Ned Wallace, who later sold 587 to Tom Hatch, had the same number of firsts, seconds, thirds and fourths as Ehlert and Davis; so runner-up was determined by coin toss. Ned Wallace took the Red Flag.

In the fall series Bob Stava nosed out Verbsky by a very close margin. Verbsky was runner-up and Ehlert and Davis in "Bubbles" took third. Only one point apiece separated the first three positions.

"Sparkle", "Bubbles" and "Mari-Jan" raced from Mentor Yacht Club to Forest City Yacht Club the week before the Lake Front Regatta at Cleveland. They made the twenty-two mile run in three hours and fifteen minutes and were overlapped at the finish with Stava leading.

Co-owners of Aurora, Marvin Rubel and Walter Schwab, skimming over Sheepshead Bay.

Upper: Immediately after start of 2nd race, July 13. All boats on port tack. Lower: Start of 3rd race the same afternoon.

At the Cleveland Regatta, Bob Stava took a second place for the series of two races. Buscher, who didn't get her going in the light weather of the first race, won the second race.

The annual Fish and Iron Race was a windy scrap for thirteen miles. The race was to the nearby town of Fairport and back. It developed into a leeward-windward race and the six and one half mile thrash to windward on the homeward leg will be remembered for quite a while by those who participated. Buscher nosed out Hank Verbsky on the beat home and managed to hold Hank till he crossed the finish line.

It happens every year:

Everybody shows up for the first race of the season full of enthusiasm, and a firm resolve that this will be "The Year".

Stan Gridley brings his "Mari-Jan" down to launch every spring looking more polished and brighter every year. We defy anyone to do a better job of finishing a boat than Stan does.

Each year there is always one race in which the whole fleet meanders about the lake in search of marks that everyone is sure have been either stolen, scuttled or buried six feet deep and which always turn up where they should be and not where anyone is looking.

Hats Off Department:

Our hats are off to our 48 Fleet Skipper, Nelson Bond of the "Dottie B". He is the man everyone looks for as crew in the "Skippers' Races". Besides being most efficient at the sheets, he can analyze a race and calmly advise his skipper in a way that is most helpful.

Speaking of good crews, our hats are also off to Hank Verbsky's able hands, Ernie Grueble and Johnny Ehrbar. That's a mighty fine crew although Hank has been heard to mutter something about crews getting all the credit.

Caroline Crawford also draws deep bows for her performance in the 1947 version of the Fish and Iron Race. It was a stiff day and one that required considerable skill and stamina to keep even the Lightnings on their feet. It was a fine feat of sailing for her to finish the race with the light weighted crew that she carried in that heavy weather.

Bengt Kjellgren rates a bravo for the way in which he keeps working at the sailing game. You're coming along Ben.

Also our finest salute to the women of our Fleet, and all they contribute including their encouragement and backing whether we finish first or last.

Mrs. Crawford, Mrs. Ehlert, Mrs. Davis, Mrs. Verbsky, Mrs. Stava, Mrs. Gridley, Mrs. Kjellgren, Mrs. Buscher and all the rest that showed up on the wild wet Sundays as well as the warm breezy days.

It was a fine year. 1948? It will be better than any of the others—our new skippers are learning their boats and competition is growing stronger with each race.

The 1947 season marked the revival of Fleet No. 38 in Sheepshead Bay.

The Miramar Yacht Club sponsored four races for Lightnings in its season's racing program. The admiration shown for the fine showing of these boats under all conditions was a swell testimonial to the seaworthiness and fine sailing qualities of the Lightning. I feel that the Lightning has been accepted as THE small racing boat around these waters in the future. From the enthusiastic comments around the Bay we expect to see the fleet grow during the next season.

Our plans for the coming season of racing call for six club sponsored races to which we hope to add a series of our own.

The Chelsea Yacht Club Fleet was scheduled to open its racing season on Memorial Day. However, bad weather "hexed" us until June 29th when the first race was held. Under Fleet Captain Grimm, the skippers and crews participated in the regular weekly races as well as in special events. Although Carver Dumke and Captain Grimm did not obtain their new Lightnings until mid-July; the new boats combined with their respective skipper's skill finished one-two in the Fleet standings.

On July 12-13 Fleet 39 played host to the Lightning Fleets from Nyack (75) and High-Tor (41) for the Annual Regatta of the Mid-Hudson River Squadron. Twenty-two Lightnings (seven from Nyack, eight from High-Tor, seven from Chelsea) participated in three races which were run off under ideal sailing weather except for a rather spotty wind during the final race. 'Twas a battle royal between "Doc" Myles of High-Tor and "Pete" Pedersen of Nyack with the two contestants going into the final race tied at 43 points apiece. The spotty wind of the final race favored the home fleet with Abreu winning handily and Myles managed to nose out Pedersen for second place and thereby winning the Silver Bowl for High-Tor.

On August 2nd and 3rd many members journeyed down to Nyack to witness the Atlantic Coast Championships at Nyack. Fleet 39 was represented by Carver Dumke and Henry Abreu.

On August 24th most of Fleet 39 participated in the Newburgh Yacht Club Regatta for the Championship of Newburgh Bay. Although only in its second year, this trophy race promises to become a major attraction for Lightning skippers in the Mid-Hudson River Squadron. Carver Dumke won the trophy.

In mid-September an early morning "twister" battered Fleet 39, over-turning two Lightnings and snapping their masts. No serious hull damage occurred.

Four new Lightnings were added to the Fleet this summer and we hope to show further increase next year.

The members of Fleet 39 are looking forward to the 1948 season and hope to bring back the "bowl" at the next Mid-Hudson Regatta.

SOUTHMOST FLEET (40)

Based on Port Isabel Bay, Port Isabel, Texas

Fleet Captain Ewing D. Clark
Fleet Secretary Waldo W. Greene
Fleet Champion Ewing D. Clark
Runner-Up Ruth Spaulding

Boat No.	Boat Name	Skipper
620		Waldo W. Greene
676	Corsair	Randolph Fleuriet
765	C. H. Jr.	C. H. Britton, Jr.
771	Betty Jean II	Richard Pitts
1486	Lady Leja	Ewing D. Clark
1868	Down Easter	Ruth Spaulding

This year there were two Lightning Class Events held under the auspices of the Port Isabel Yacht Club, parent organization of the Southmost Fleet No. 40.

The first was a series of three races for the Lightning Trophy presented by the P.I.Y.C., and raced for annually. This event was won by "Lady Leja", owned and sailed by Ewing D. Clark, with Mrs. R. W. Spaulding's "Downeaster", sailed by John Gronberg, second, and "Corsair", owned and sailed by Randolph Fleuriet, third.

During the Annual Regatta a special Lightning class series was held, this event being won again by "Lady Leja". Second place went to "Betty Jean II", owned by R. W. Pitts, and third again went to "Corsair".

The total number of boats racing in Lightning class races during the year was five. Adding up the total points won on the two series, "Lady Leja" emerges as winner, "Downeaster", "Corsair" and "Betty Jean II", tie in number of points for second and C. H. Jr., is third.

A closer fleet organization and greater Lightning activities are planned for the coming season.

HIGH-TOR FLEET (41)

Based on Hudson River, at Stony Point, N. Y.

Fleet Captain Fred Provan
Fleet Secretary Frank Eagan
Fleet Champion "Doc" Myles in "Leprecaun II"
Runner-Up Fred Provan in "Hope III"

Boat No.	Boat Name	Skipper
568	Hope III	Fred Provan
806	PDQ	Al Lynch
1220	Susy II	William Miller & Francis Eagan

1221	Karen Anne	Irving G. Kennedy
1222	Mary E.	Thomas F. Reilly
1464	Olde Salt	Robert T. Andrews, Jr.
1655		Charles Oldfield
1814	SDF	David Provan
1898	Happy Days	Ed McGovern
1899	Spare Time	Lawrence Ryan
1900	Leprecaun II	Dalton M. Myles
1901	Rock Happy	Gilbert Parker
2489	Mar-Jak	Elmer Jones
3156	Chinook	Dr. James Campbell

The 1947 season was very active and successful for our Fleet. One of the earliest official actions taken by the Fleet was to establish a memorial race and to provide for a suitable Trophy in honor of John Ducey, Jr., Daniel Griffin, and Joseph Shankey, all of whom had been active in sailing in our waters and had lost their lives in World War II. The Trophy purchased is very beautiful and stands about 39 inches high. It has four pillars atop each of which is an achievement figure. Setting above these is a gold sun upon which rests a sail boat.

The first race for the Memorial Trophy was held on May 30th from Stony Point Bay to Haverstraw and return, a distance of about eight miles. It was won by "Doc" Myles in "Leprecaun II", with his two daughters, Anita and Viola, as his crew.

Following the Memorial Day race, there were twelve races held in our own waters on June 1st, 14th and 15th, July 4th and 6th, September 14th, 20th and 21st. On several days two races were held. The Fleet Champion for the season was "Doc" Myles. He won first place in eleven of the twelve races and second place in the other. In the race in which "Doc" was second, namely the morning race on June 1st, Fred Provan took first place. Provan was the runner-up for the Fleet during the whole season and third place was taken by the Captain of the Fleet, Frank X. Sutherland.

On July 12 and 13 there were three races for the Mid-Hudson River Squadron at Chelsea. The Champion for the river as a result of those three races was "Doc" Myles in his "Leprecaun II" with his two daughters as his crew.

For the first, second and third places our Fleet provided very nice Trophies and they were presented to the winners at a Season's End banquet on October 18. At that dinner there were about eighty-five present, although many more persons would have come had the Fleet not limited the number. The Fleet was honored at the banquet by the presence of Herbert Cox, the winner in August of the Atlantic Coast race at Nyack, N. Y., and of Magnus Pedersen of the Nyack Fleet who was 1946 Atlantic Coast Champion.

During the year our boats were moored at Grassy Point inlet, owned by one of our members, Gus Miller. It is a splendid spot in which, to moor, free from almost any wind or sea disturbance.

Late in July some of our Fleet were entertained by the Awosting Fleet at Greenwood Lake, N. Y., which is about twenty-five miles west of the Hudson, back in the mountains, and participated in two of that week-end's races.

There is much friendly contact between our Fleet and the other three Fleets named in this report, namely those at Chelsea, Nyack and Greenwood Lake.

On January 26, 1947, Fleet No. 42 acted as host to member Fleets in the Lake Michigan District at their annual session. Fourteen fleet delegates, including our own, represented a total of 188 boats. District Secretary, Frank H. Pfefferle presided at the meeting. The representatives selected popular South Haven for the Lake Michigan District Regatta.

During the racing season, Fleet No. 42 held a series of four-teen intra-fleet races, and sent representatives to five local Regattas and six out-of-town Regattas. Fleet No. 42 participants captured first place in seven of these Regattas.

Highlight of the Fleet racing was our annual Fourth of July twenty-five mile long-distance race, which this year was sailed in a brisk sou' wester. The course selected was a windward-leeward one, with all boats sailing twice around Turtle Island, located about 6½ miles from the starting line. The first leg was a spinnaker run. Cal Yaudas started well to leeward of the fleet, gradually working up to a weather position, and as the fleet approached Turtle Island, Cal's "Zig-Zag" had established an approximate 500 yard lead. Then catastrophe struck. In rounding the Island, Cal managed to sail directly into the one completely deadspot that the Island windbreak created. With the entire fleet passing him on both sides, Cal chewed up two life preservers and a bilge pump before drifting into a sailable breeze.

On the first weather leg, the invincible Swindeman and his perpetual shadow Walt Vogel, duelled it out for first position. Jerry Garinger's "Gail", at this time had worked itself into third place, followed by Vi Miller's "Butch Too", and Dick Krauss' "Gin Ric."

The second spinnaker run found the Fleet well scattered and with the brisk, shifting wind, all skippers had a little time for relaxation. It was during this run that Krauss' "Gin Ric" wormed into third place. The final weather leg caused the skippers many anxious moments because of peculiar wind shifts, but nevertheless, the Fleet finished without major changes—Swindeman, first, Vogel, second; and Krauss, third.

Herb Cox and his good wife "Squirrley", Ambassadors of good will from Red Bank on the Shrewsbury Fleet 70, participated in this race, sailing their fine new Olsen built "Coxswain". They got a great kick out of the race and immediately after its conclusion, half of Fleet No. 42 accompanied them back to Red Bank, New Jersey as a farewell gesture to two very fine people.

As the "Big Casino" International Championships "rolled around", the ten committees which had been working since early Spring feverishly increased the tempo of their activities to insure that all plans and operating details would be completed. The Dock Committee, under the careful guidance of Harry Williams, completely rebuilt the launching hoist and arranged for a bright yellow jeep with a town hitch on the front end. Wasn't that a slick operation!

Complete details of the championship races are elaborated elsewhere in this manual, but needless to say, we are all happy that Walt repeated for the second time in Lightning Class history.

To make for keener competition, Fleet No. 42, this year divided its boats into two groups—Class A and Class B. Identical first, second and third place trophies were awarded to winners in each category as determined in the three race fleet championship sail-offs which were held September 27 and 28 under ideal sailing conditions. The ever dangerous dark horse, Gene Werkman, with Jim Schultz and Clayton Jones helping him, turned in a masterful sailing performance and became first possessor of the huge Commodore Thomas J. Pilliod perpetual trophy.

Walt Vogel, in "Rambler Too", was runner up. Third place went to Cal Yaudas, in "Zig-Zag", to complete the Class "A" winners group. Class "B" winners were Dick Daso in "Scamp", first; Jim Simonds in "Blitzen", second; and Bill Boice in "Wee Willie", third. Walt Swindeman did not participate in these sail-offs because he was busy at the time having his name engraved on the International Championship bowl. Every sailor and crewman in Fleet No. 42 takes this opportunity of doffing his cap to the skipper of the "Yankee Doodle", not only as a tribute to his unquestionable sailing ability, but also for the fine sportsmanship and leadership that he provides whether ashore or racing.

The complete success of our sailing season was largely attributable to the unswerving abilities of our Race Committee Chairman, Clarence Crites. His unusual capabilities have also been recognized by others, because this year, in addition to handling the International Championship Lightning Regatta, he was Race Committee Chairman at the Thistle Internationals held in Cleveland, and the Ohio Inland Regatta held at Buckeye Lake, Ohio.

evening, November 8, which was attended by ninety members and Fleet No. 42 held its annual trophy award dinner Saturday guests including Lightning Class Association President, Ed. McCain; and Vice-Presidents, Arthur Burtscher and Walt Vogel. Election of Fleet officers for 1948 was held at this meeting. Jerry Garinger was elected Fleet Captain and H. R. Krauss is the new Secretary-Treasurer.

Thus the curtain closed on the 1947 sailing season in a flurry of sailing songs and celebration. All of us look forward to an even more expansive year in 1948 with prospects now in the offing for as many as thirty-five Lightnings in the Toledo Fleet.

Fleet 43 of Buckeye Lake Yacht Club enjoyed a fine season. We started the season on May 4th with the Spring Series consisting of seven races. The last race taking place May 31st. This series was won by Russ Luchtenberg, No. 248 in "Fireball", second place was taken by Ed Finneran, No. 2247 in "Sailbad the Sinner", third place was won by Bob Mann, No. 1287 in "Wotta Man".

The regular season races started June 1st and consisted of nine races. First place was again easily won by Russ Luchtenberg, second place was taken by Dick Barnes, No. 1801 in "Dickie-Bob". The real dog fight was for third, fourth, fifth and sixth place and it was not decided until the final race. Bruce Crompton, No. 830 in "Pickle" cinched this position but a series of broken Forestay, Halyards, Masts and torn Sails, etc. figured in determining third position, inasmuch as at least one of these accidents happened to each of these four contestants battling for third place.

On June 21st and 22nd, Buckeye Lake Yacht Club was host to the Ohio Inter Club Regatta. This Regatta consists of nine different classes and approximately 100 total entries with the Lightning Class having the largest number of boats participating.

We had two beautiful days with 20 to 25 mile an hour wind both days. The Lightning Class was won by Mr. Frank Pfefferle of Cincinnati, Ohio, Fleet 57, in No. 380 "Zefr". Second place was also taken by a member of the same fleet, Dr. W. P. Barnes of Cincinnati, No. 2108 "The Bounty". Third was taken by Frank Rose, Columbus, Ohio, Leatherlips Yacht Club Fleet 27, No. 1232 "Stardust".

The Independence Day Long Distance Race for Lightnings for The Doctor Woodward Trophy was won by Russ Luchtenberg.

The Labor Day Series of three races was won by Russ Luchtenberg. Second place was taken by Bob Mann and third place by Cliff Dunn, No. 997 "Sea Jay".

The Governor's Trophy Race took place Labor Day afternoon and it was a free for all race, no handicaps, and all classes participated. Russ Luchtenberg, No. 248 "Fireball", again took the trophy as he has every year since the instigation of this trophy.

The Sunday after Labor Day is a tradition with the Buckeye Lake Yacht Club. This is the race in which the ingenuity of all the sailors is demonstrated. The race is a long distance race, no handicaps, opened to all classes and anything goes. The only rules which are observed are the normal right of way, etc., racing rules. As far as equipment is concerned anything may be used. For example: Some of the K Class Cat Boats were equipped with two mainsails of 270 sq. ft. each. Some of the K's were equipped with Jibs. But the most unique outfit was Cliff Dum's No. 997 "Sea Jay". Cliff equipped his Lightning with a Bowsprit from which he flew a Snipe mainsail as a forestaysail together with a Mizzen whose mast was inserted in the outboard motor well formed some sort of yawl cutter rig. We advise you never to wake up the "Morning After" and view such a rig.

The trophy for this race was The Commodore Beam Trophy. For quite a number of years it was always won by the larger K-boats. In 1943, the Ted Eaton Trophy was awarded for the winning sloop and has been won each year since by Lightnings. However, this year Ed Finneran, No. 2247 "Sailbad the Sinner", for the first time in history won both trophies with standard Main and Jib. Bob Mann, No. 1287, in "Watta Mann" took second place, Cliff Dum, took third place with his yawl cutter Lightning. The leading K was defeated by approximately 1½ miles and you can imagine the unmerciful riding the K sailors have taken since this race.

A Fall Series was held consisting of seven races. This series was very closely contested and the outcome at this writing is still in doubt due to an interpretation of a special local ruling which we had for the Fall series only. However, there are four skippers who have a chance for the first place. They are Ed Finneran, Russ Luchtenberg, Dick Barnes and George Fisher.

The Rear Commodore "free for all race" held on October 12th was won by Cliff Dum.

Fleet 43 was the originator and host of the Snowball Series. This series is an invitational affair and is a series of three races held on October 18th and 19th. In 1946 when the first Snowball Series was held skippers and crews were invited from Cleveland Yacht Club and Toledo Yacht Club for racing and just a general good time. The boats used were to be from Fleet 43 and were to be drawn by lot by all skippers but skippers use their own sails. No skipper from Fleet 43 could sail his own boat. This year the Snowball Series mushroomed into quite an affair. We had entries from Cleveland Yacht, Toledo Yacht, The District Champion Herman Nichols from Lake Fenton, Cincinnati, Springfield, Illinois, Leatherlips, Bayview and Edgewater Yacht Clubs. The first race Saturday afternoon was won by Bob Trost, No. 2440, from Fleet 42, sailing Bob Mann's "Watta Mann". The two races on Sunday were both won by Walt Vogel of Toledo, No. 949, sailing Ed Finneran's "Sailbad the Sinner". Walt Vogel of Toledo was the winner of the series with Bob Trost taking second and Dr. W. P. Barnes of Cincinnati, No. 2108, sailing C. E. Kimball's "Janean", taking third place. Next year we expect even more entries.

Fleet 43 sent two entries to both the Lake Michigan District Regatta at South Haven and the International Championship at Toledo. They were Russ Luchtenberg, No. 248 and Ed Finneran, No. 2247. This fall two good sailors, Harlen Clark and C. E. Kimball of Leatherlips, Fleet 27, decided to move over to Buckeye Lake and join Fleet 43. Kimball was Fleet 27's representative at the International Championship this year so that the competition of Fleet 43 should be much keener next season.

The last organized racing of the season was The Ice Cutter Series which took place October 26th, November 2nd and 9th, and was won by Russ Luchtenberg, No. 248. Second place, C. E. Kimball, No. 1231 and third place, Dick Barnes, No. 1801. The trophy was an Ice Saw donated by Chuck Williams, a charter member of B.L.Y.C., a veteran sailor on both water and ice.

George Fisher, No. 721, had been aboard a sailboat but one time in his life prior to the purchase of his Lightning in the middle of July. But George picked up the art of sailing fast and in the Fall Series gave the experienced skippers quite a bit of trouble. If George improves as much next year, as he did this year, he may be one of Fleet 43's representatives at the Internationals.

Fleet 43's experience at The International—Start of third race.

Finn: "Fisher get that Main in".

Fisher: "I got it in".

Finn: "Get that x*X***!!!! x!* Main in".

Finn: "Give me that sheet".

Cliff Dum: "I did not wanna race today anyway".

Next day—

Finneran speaking: "Ship me a new mast immediately, Mr. Pigeon".

The Canandaigua Yacht Club Fleet enjoyed its most active year during the 1947 season starting with a Tune-Up Series, Memorial Day and ending with a Frost-Bite Series that carried through October. Competition was keen for all of the six trophies and not a skipper could call a trophy won until the last race of each series was run.

First indications that no one boat was going to be outstanding came during the Tune-Up Series for the Scheer Trophy. Bill Place in "Misplace" and "Unc" Hoyt in "Dunk One" were barely nosed out by the "Inc." owned by Bob Reichart and Wayne Norton. It was the last race of the eight race series that decided the possession of the trophy in favor of "Inc." with "Misplace" and "Dunk One" second and third. George Hill in "Bunker" took a fourth in the series and was a constant threat all of the way.

"Dunk One" and "Misplace" came into their own during the Elimination Series for the honor of representing the fleet at the Internationals in Toledo by taking the 12 race series away from "Inc." and Harold Hutchens' "Joshua" by little more than a whisker pole. It was again "touch and go" all the way with Russ Scheer in "Cinderella" and George Hill in "Bunker" never giving the leaders a chance to breathe easily. The Place Trophy went to the winner "Dunk One".

Bob Reichart and Wayne Norton in the "Inc." made a comeback during the Dorschel Trophy races again winning from "Unc" Hoyt in "Dunk One" and Bill Place in "Misplace" to take that series. Then to even the score, Bill Place took possession of the Payne Trophy leading in that series all of the way, but not with too comfortable a margin over "Dunk One" and "Bunker".

The climax of the season came later with "Unc" Hoyt and Bill Place giving close battle for the Club Championship which is determined by all of the season's races. The Championship went to Hoyt only after the last race was run and the scores tallied. The Frost-Bite Series was anti-climactic but none the less intense with the "Inc." winning the clock presented by Dick Conde from Russ Scheer and his "Cinderella".

The season was highlighted by a pleasant interlude in July when the club had the honor of playing host to the Central New

Lightning-struck beauty aboard Dr. Chester Schultz's Ja-Bo II.

York Yacht Racing Association. Approximately 150 boats of all inland classes were entered, of which a sizeable number were Lightnings. It was good to see so much fine competition in the Lightning Class, and we all learned plenty about sailing from the visiting skippers.

It is with regret that the season's end comes so soon, but plans are already under way to build up an even bigger fleet for 1948, and with the constant exchange of racing information it is hoped that competition next year will be keener than ever.

EDGEWATER YACHT CLUB FLEET (45)

Based on Lake Erie at Cleveland, Ohio

Fleet Captain Dr. Rudolf O. Cooks
Fleet Secretary Pat Young
Fleet Champion Harold L. Hall
Runner-Up Dr. Chester Schultz

Boat No.	Boat Name	Skipper
291	Black Cloud	Pat Young
488	Mowgli	Hugh Anderson & James Carpenter
868	Ja-Bo II	Dr. Chester Schultz
889	Mella II	Dr. Rudolf O. Cooks
1291	White Cloud	Pat Young
1674	Restless	Harold L. Hall
2301	Sally	Robert N. Cummer

Enthusiasm among the Lightning sailors at Edgewater Yacht Club this season reached a new high. A highly competitive roaming spirit prevailed with the result that Lightnings representing our Club were entered in practically all the important regattas in this district. Following is a list of events in which our boats participated: Ohio Inter-Club, Buckeye Lake; Greater Cleveland Lake Front, Cleveland; Cleveland Yacht Club, Rocky River; Mentor Yacht Club, Mentor; Detroit River, Detroit; Inter-Lake Yachting Ass'n., Put-in Bay; Lakeside Yacht Club, Cleveland; International Lightning Championships, Toledo; Frost Bite Series, Port Clinton, O. and the Snow Ball Series at Buckeye Lake Yacht Club.

From the above, you can easily see that somebody is neglecting

his business for the enjoyable (?) business of racing. While the results were not what we might expect from Swindeman, Smither, Nickels, etc., etc., our sailors are learning, and the extremely fast company in which we sailed this year will, we are sure, make for better sailing and boat handling on our part. We're in there pitching and maybe one of these days we'll push one across in the big event.

Hal Hall, our new champion, clicked this year and was able to find that delicate tuning and balance so necessary to win. His successes this year were due in no small part by the excellent support he received from Eddie Goebelbecker, his genial hefty crewman. Dr. Chester Schultz ably assisted by his sons, Jack and Bob, was runner-up in our Championship with Dr. Rudolf Cooks placing third. "Doc." Schultz, as skipper of the Ja-Bo II, feels that his boat should have placed better and next season is relinquishing his duties as skipper and will have Bob take over. "Doc." feels that this might give better balance and result in improved performance. Hope it does, good luck.

At the end of the season Pat Young acquired the "White Cloud", No. 1291, from Francis Poulson of the C.Y.C. and hopes to carry on where Francis left off. The "White Cloud" placed second to Herm Nickels at South Haven for the District Championship and won the Inter-Lake Yachting Ass'n. Regatta at Put-In-Bay from a flock of tough sailors from Toledo. He also qualified in fourth place in Division "A" for the International Championship at Toledo, but unfortunately got fouled up and was disqualified and eventually withdrew. Young has gotten himself a good boat and we will see if he can make it go.

I would like to put in a plug right here for the stability and the sea-worthiness of the Lightning. In August, the Mentor Yacht Club holds a long distance race of about 30 miles, from the Cleveland Yacht Club at Rocky River to Mentor. This race is for sailboats and auxiliaries of more than 25 ft. in length and is known as the Falcon Race and is run as a prelude to the Mentor Yacht Club Regatta. Lightning No. 291, sailed by Pat Young, picked up the fleet as it was passing Edgewater Yacht Club and sailed it to Mentor, battling a stiff nor'easter all the way. The wind was so strong and the waves so rough that twenty of the fifty larger boats that started the race dropped out. After battling the seas for nearly eight hours we were able to pull into the shelter of a mighty welcome harbor a very tired but also a very proud and happy crew. Yes sir, I'll take a Lightning every time.

The Greater Cleveland Lake Front Regatta is again to be held at the Lake front in downtown Cleveland on June 29-30, and in the past two seasons has averaged 17 Lightnings per race. We cordially extend an invitation to all Lightning skippers to enter this classic. Stan Gridlye of Mentor won in 1946 and Hal Hall our Club Champion copped it this year.

Our Edgewater gang in Cleveland are to hold Lightning sailors' meetings every month during the winter and while hoisting a few, will recall many of the happy journeys we took, the swell bunch of sailors we met, the fine times we had and recall vividly all the races we might have won if——".

Farewell to 1947 and bring on 1948, we're rarin'.

IRONDEQUOIT BAY FLEET (46)

Irondequoit Bay Fleet 46 had a very busy schedule in 1947 and in spite of every skipper's desire to attend various regattas, we managed to race three series of five races each with all boats competing.

In the spring and summer series Doc McIntosh won the privilege of representing fleet 46 at the Internationals by taking first place in both series with Kerber and Hamilton, running second in the spring and summer series respectively.

At the conclusion of the summer races a recess was called to

Ernie Hamilton's *Quest* laying the blanket on Doc McIntosh's *Blue Jacket* on Irondequoit Bay.

enable the skippers to take in some of the nearby regattas. Fleet 46 was well and ably represented at the Central New York Yacht Racing Association event held at Canandaigua in which our Doc McIntosh made a clean sweep. Doc also trailed *Blue Jacket* to Toronto where he did well in the Lake Yacht Racing Association regatta. Three boats were taken to Buffalo Canoe Club for their big Invitation Regatta over Labor Day. The least said about our showing there—the better.

While the highest water level in recorded history made it necessary to moor our boats to the clubs front porch, the season just past was considered most successful.

SILVER LAKE YACHT CLUB FLEET (47)

A very successful season was brought to a close on Labor Day by the members of Fleet 47 with a breakfast at the Silver Lake Country Club, a race, and a presentation of trophies.

The Fleet Championship Series of races were held during July. Repeating her performance of last year, Lois Meyer skippered her "Mirlo" to victory in all the races. Harry Brown in "Firebird" beat off strong challenges by the rest of the fleet to place second. Fred Embury's dark-hulled "Decoy" placed third followed by Ed Neal in "Frisky" and Joe Eliaz in "Ripple".

Due to the fact that the Internationals conflicted with various operations, bar exams and labor pains, no one was able to represent the fleet. We have heard how wonderful it was and promise to be at Buffalo in 1948.

Our fleet should be increased by next Summer providing more and better competitions under the capable guidance of genial Joe Eliaz. Last season we amused ourselves at odd times with a relay race, a slalom race, where the scoring is so complicated a formula (involving time, plus least number of tacks, etc.) that there is no room for it here. And if you really want to crack a constant loser's alibi, have a "draw a boat" race; the results are amazing, and embarrassing.

We plan several winter and spring meetings where we will recall the taut sheets, gurgling wakes, and downright happiness of good days, and also the sheer despair that comes with calms.

But hope springs eternal in the sailor's breast, and after agreeing the Lightning is the finest boat afloat, and boasting of what we will do next season, we will wend our way home shouting "On to Buffalo". Alka Seltzer will be available at the door.

We might be a small fleet, but we had a big year and did some very fine sailing. We started the season as usual on July 4th and raced every Sunday thereafter up to and including Labor Day. Every race was hotly contested and sprinkled here and there with unusual, and for some, heartbreaking experiences, such as the time Ed Higgins, sailing "Restless", was coming down the final leg of the race due for a good second and hit a calm about three feet from the finish line. He sat there for what seemed like hours while the other boats came boiling across the line not more than five feet away from him on either side. We have peculiar winds on Columbia Lake and if you want to get anywhere you have just

got to be where they "is". The elements do, however, result in some very skillful and resourceful sailing by the Lightning skippers and go to make each race a thriller.

Richard and Paul Miller took top honors again this year in their "Suspense" and although their dad was no longer with them, I am sure he would be very proud of his two sons if he could have seen them in action this season. Although he was taken from them by an unfortunate accident in the winter of '46, Charlie Miller left with his boys a sailing ability and sportsmanlike conduct hard to equal. Their mother was right in there this year too, sailing the majority of the races with Dick and Paul and doing very well too. The Millers had a bang up year and certainly deserved their top position.

The Lucias and their "Lor-a-Lu" had a good season this year. They ended up in last place last summer, but after a little studying this past winter and some patient boat rigging at the beginning of the season, they took a second place for the season.

At the present time there are no new Lightnings on order at Columbia Lake, but the effects of these racing days are beginning to tell on the land-bound population and we hope to have some new members by the next time the starting gun sounds.

Isabel Patterson's Adela of Fleet 50 on a day sail.

The Fleet participated in two series of races sponsored by the Potomac River Sailing Association: the Spring Series, which consisted of twelve races, and the Fall Series, which consisted of ten races. These races were better attended than at any time in the past and competition ran high.

There is no formal series of races during the summer months as so many people take their boats to Chesapeake Bay, but several specialty races were arranged by the Sailing Association, including a handicap race from Alexandria, Virginia, to Gunston Cove, near Fort Belvoir, which was attended by most of the members of our fleet. The President's Cup Regatta, in September, was a source of added inspiration and excitement as in addition to the boats from our own fleet, there were several Lightnings from out-of-town.

On the second of November, after the Fall Series of races were over, all members sailed their boats to an appointed rendezvous where a combination picnic and meeting was held. It was decided to hold regular monthly meetings during the non-sailing months of winter in order to discuss various aspects and problems of racing, generally keep in touch with one another, and thus better sustain interest and enthusiasm until spring comes around again with her perennial promise of another, more wonderful season.

Five new Lightnings were added to our fleet during the 1947 season indicating a substantial increase in our membership and activities.

Our Fleet is affiliated with the Detroit River Yachting Association which held nine Regattas during the season, in which our fleet participated. Bay View Yacht Club Fleet and the newly organized Detroit Yacht Club Fleet also participated. The greatest turnout of Lightnings was 28 boats on August 23rd, 1947. Our fleet also had nine races separately to determine the Fleet Champion.

Yacht No. 2544, Skipper Walter Roney, journeyed to the Lake Michigan District meet at South Haven, Michigan and came in seventh.

Our entry in the Internationals at Toledo, Ohio, had the misfortune of breaking a spar at the start of the first race.

The Detroit River Yachting Association inaugurated a Race Week which was held during the week of August 23rd to 31st. Lightnings were included in five events during the week. Many Lightning Fleets in Michigan and Ohio sent boats to compete for the special trophies provided by the D.R.Y.A. The Race Week was a great success and an endeavor will be made to make it an annual affair of great interest to all racing yachtsmen.

Trophies were won by members of our Fleet as follows: D.R. Y.A. Championship, Cossaboom Trophy to Fred Schelter in No. 122 "Chum-let".

Combination D.R.Y.A. and Fleet Championship. Kerr Trophy to Gene C. Howard in No. 886 "Thunderbird".

Fleet Champion: Walter Roney in No. 2544.

The 1948 season will get under way with a general meeting and banquet to be held early in the New Year.

Our 1947 season got off to a bad start as did many Great Lakes' activities because of the very high water which retarded launching and conditioning of the boats. We ran three regular series—a Spring Sunday Series, a Saturday Series extending through the summer and the Championship Series in the late summer. We were unable to complete all the scheduled races on any of these and had to shorten each of the series somewhat. The results were as follows:

Spring Series:

1st—Albert Jones
 2nd—Dick Ade
 3rd—Alice Barrows

Saturday Series:

1st—Dick Ade
 2nd—Albert Jones
 3rd—Bob Huggins

Championship Series:

1st—Albert Jones
 2nd—Bob Huggins
 3rd—Dick Ade

The season otherwise was rather dull and uneventful. Our championship boat "Blitz II", and the "8 Ball" has also been sold plans for the 1948 season are very vague because we have lost our

out of the Fleet. To my present knowledge, there are no new members contemplated at the present time unless we can do something to revive interest. We are suffering serious competition from the 14 ft. Dinghy Fleet, and have lost two or three members to that club. If we have a sufficient number of boats, we shall stage the usual three series next year. We are hopeful that our club will be able to develop a new interest in the Lightning Fleet during the winter, so that we can go forward with an enlarged program.

*These boats were not active in the Fleet for 1947. Boat No. 2057 has not been built yet.

The Lake Fenton Fleet held sixteen scheduled races, an exchange race, and a Regatta Day Race, which with considerable outside sailing, rounded out a full season of sailing.

Starting with the first race on June 1st, when nine boats were in, the fleet soon built up to 17 for the keenest season of racing yet experienced by our Fleet. New sails on many of the boats provided the initiative required to get up in the running. One new boat was added to the Fleet when Alec Walesky purchased No. 2776 late in the season.

On Sunday, June 29th, two boats, "Black Sheep" and "Two Bits", were trailed to the Pontiac Yacht Club on Cass Lake to compete in the First Invitational Regatta. Herman Nickels skippering his "Two Bits" won the Regatta with a first and a second for the two races. At the invitation of the Pontiac Club, the "Black Sheep" was left until Wednesday to compete in their regular Wednesday night race. This one lap night race was sailed in a light wind and the large turnout showed the interest that the Cass Lake skippers have in their racing.

Following the race on July 6th, Mr. and Mrs. Fred Bostick invited the entire Yacht Club to their home for a picnic and get-together.

July 10th saw the "Two Bits" and "Apres Vous" anchored at the South Haven Yacht Club waiting for the start of the Lake Michigan District Regatta. "Two Bits" was skippered by Herman Nickels with Mrs. Nickels and Harvey Foote as crew, and "Apres Vous" was skippered by Dr. Fred Bostick, Mrs. Bostick and Stan Shaw as crew. Three days of light winds and new nylon sails provided the opportunity for Herman to sail the "Two Bits" to two firsts and a third and win the District Championship by one and 3/4 points over Francis Poulson from Cleveland, Ohio. The South Haven Yacht Club was not only a grand host, but provided every crew with a case of South Haven peaches to remember them by this winter.

An exchange race and picnic were held on August 3rd with all the crews exchanging boats. This provided a chance for each crew to see how the other boats handled and created a desire in some crews for a new boat or sails and in others an appreciation for their own. With a fair wind blowing, C. J. Lauer skipper-

ing, Wm. Furey's "Worry Wart" sailed out in front of the fleet to win the special first place prize. Following in second and third place, respectively, were Dr. Fred Bostick in "Two Bits" and Bob Lisk in "Fair Wind". The prizes of a flash light, anchor line and paddle were presented at the picnic following the race.

Only one boat was sent to the Nationals, this being Herman Nickels' "Two Bits" with Harvey Foote and Dr. Fred Bostick as crew. The Toledo boys lived up to their promise to let "Uncle Ned" out of the sewer and provided four days of grand sailing. After qualifying for the Championship Series, the "Two Bits" was skipped to a ninth, first, and eleventh for a fifth place in the Nationals.

The next Sunday, Sept. 14th, finished the racing season with a Regatta Race and dinner. The race was sailed in a good brisk wind and Fay Anderson accomplished a year's ambition by finishing first, ahead of Herman Nickels. Third place went to C. J. Lauer.

At a most enjoyable Regatta Dinner, season and Regatta Day prizes were awarded. The Fleet Championship went to Herman Nickels, with Auke and Wm. DeHaan runner-up and Fay Anderson in third place. Following the awarding of prizes, the movies of the 1946 Nationals were shown and another year of racing was over.

Herman Nickels' consistent sailing this year won the "Fleet Championship", fifth at the Nationals, the Lake Michigan District Championship, the Detroit River Race Week Trophy, and the Commodore Kendall Trophy, the Pontiac First Invitational Regatta, and fifth at the Second Annual Snowball Regatta at Devil's Lake.

Pontiac Yacht Club's activities during the 1947 season were numerous and varied. In the spring we had noted that there were over a hundred Lightnings concentrated in the Detroit area, some belonging to registered fleets and others sailing along on the numerous lakes in the vicinity. It was felt by our skippers that an opportunity should be provided for these sailors to meet one another, and consequently we, individually, invited all the Lightning skippers in the area to a Regatta at P.Y.C. on June 29. The response was gratifying, most of the neighboring clubs were represented and several of the fellows who were unable to bring their boats dropped in to watch the races. The sky was clear, the wind fair, and Herman Nickels of Lake Fenton Yacht Club made the most of the excellent weather and brought his "Two Bits" in first. Roland Redner and Charles Buck, both of P.Y.C. were second and third respectively.

Our sailing was not confined to our own Regattas. Three of our skippers, Al Oberson, Van Phipps and Steve Collier took their

boats to the District Regatta at South Haven and returned with tall tales of flukey Lake Michigan winds and the wonderful hospitality of the members of Fleet No. 30.

Another Regatta in which Fleet No. 54 was represented was the Race Week, sponsored by the Detroit River Yachting Association. None of the three who entered won the Commodore Kendall Trophy, but they made a commendable showing and P.Y.C. was proud of them.

The International Regatta at Toledo found us well represented. The stars of our three entries were Leo Wasserberger and his crew members, Mickey Goodwin and Bill Moreau, who turned in an excellent bit of sailing to win second place in the consolation series.

We look forward with pleasure each year to our annual get-together with the sailors of Fleet No. 51 at Crescent Sail Yacht Club, for they are very hospitable people and excellent competitors. In this year's team race which was held at C.S.Y.C. we were very lucky and managed to win the Phillips Trophy by a slim margin.

Racing was not confined to skippers. At our two big club picnics held each year on the Fourth of July and Labor Day, the crews take over the racing and it is the skippers' turn to handle the jib and spinnaker.

This year both races were won by Brooke Bennett who does his crewing aboard Laird Ahren's "Quicksilver".

Next year we are hoping to be able to again sponsor a Lightning Regatta in the latter part of June and to be as active in Lightning activities as we were this past season.

Our activities in 1947 were three fold, that is our local Bay races, the Invitation race and the visits our Fleet made to the surrounding waters.

The percentage system is used in determining positions, due to the fact that many skippers went to compete in Y.R.A. races. So a boat can stay out of four races and still qualify. His boat is charged with the total points possible, and credited with actual points won. Ten boats qualified of our 12 active members.

Final standings of the 3rd anual Invitation race were mailed to every one concerned, and the Riverside Club retains the cup with their third win. Jack Webb having paced the boats home.

Our fleet visited Yacht clubs around the sound as often as possible, which included Larchmont, Riverside, Manhasset and Oyster Bay.

Annual dinner and award of prizes, will be held in December and the election of officers for 1948 will be held.

Fleet 56 had its usual eventful sailing season in 1947 sailing nine weekend races out of ten scheduled for our regular series, and participation as a fleet in all five Chicago Regattas as part of the newly formed Lightning Squadron.

In our local series John Burke in Pest No. 533 got off to an unebeatable lead by winning the first five races. We used a new overall season average scoring system this year and Joe Rutterer in "Damfino" No. 161 nosed out Li Berc in Lianne No. 333 for second place by seven points, 1509 to 1502.

We sent our fleet champ to the Internationals but when he got back he was still content to be the fleet champ.

Our membership is increasing very slowly but with the new boat delivery situation easing and prices more or less stabilized we expect to show some numerical progress. With the addition of a new Saybrook (3163) and a new Glencraft (1597) we now have six different makes of Lightnings for sailing comparisons. As usual all special trophy races of our Club were sailed in Lightnings.

The 1947 season at the Cincinnati Sailing Club proved to be a very successful one. The enthusiasm of our Commodore John Hoge carried all through our Club.

In the racing program the results were as follows: Spring Series—Dr. Barnes, Al Kuder and Ed Beck in "Bounty". Handicap—Dr. Barnes, et al. Fall Series—Dr. Barnes again. Handicap—Marilyn Pfefferle in "Zefr". Season Series—Dr. Barnes (he can't miss). Handicap—Dr. Barnes, almost a clean sweep, congratulations, Bill.

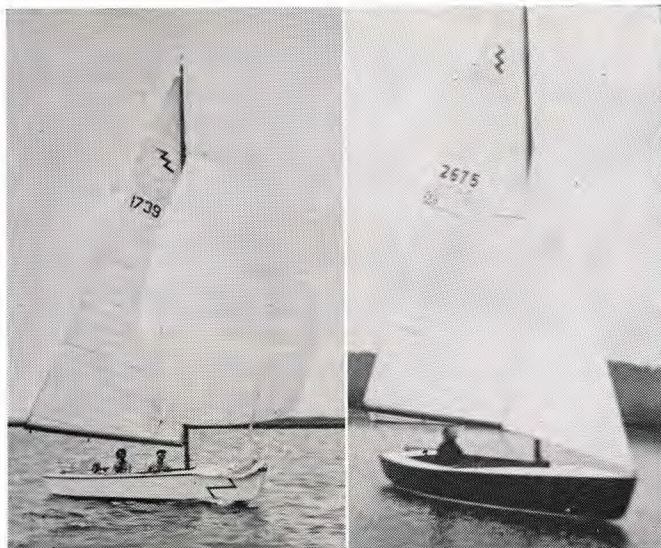

Commodore John Hoge and Dr. Barnes were our representatives at the International meet at Toledo. Frank Pfefferle was our entry in the District meet at South Haven in July. Dr. Barnes and Frank Pfefferle attended the Snow Bird Series at Buckeye Lake.

One of the feature events in our social program was a Sunday morning "Brunch" along in September. This was the day that the tail end of the Florida Hurricane slapped thru Cincinnati. Those gusts which spilled over the Kentucky hills along the river hit with sledge-hammer blows and those who tried to sail will long remember the day. The end of the season featured a spaghetti dinner with all the trimmings. When you pack some 50 people in our rather limited houseboat headquarters it really makes for a chummy party.

Charles Doepeke sold his boat in Michigan when on a vacation trip. Charles and Nel Richter (No. 514) are now with the Bay-view Y. C. at Detroit. We surely will miss them here on the river.

Our new members include Bill Jackson and Art Hussey. Art acquired No. 1238 from Bob Barnes at Buckeye Lake and "Demas" now becomes "Chinook". Bill named his boat "Panacea". It is No. 2752 from Skaneateles. With hardly time to get acquainted Bill trailed up to Sandusky and entered the ILYA Regatta at Put-In-Bay. That's the spirit, Bill.

Officers for 1948 at the Cincinnati Sailing Club will be Harold Sickmann, Commodore; Bill Benson, Vice-Commodore and Treasurer, and Roy Lovell, Secretary. Harold promises jobs for all those

who voted for him. By the way it was unanimous so bring on the jobs Hal, and let's go.

Again we say to sailors visiting Cincinnati, remember that Fleet 57 is at Henry's Harbor which is located 15 miles east of down-town Cincinnati on State Route No. 52. Three miles beyond our Coney Island the road runs very close to the river and there you will see them, a dozen Lightnings on a beautiful stretch of the Ohio River. Come up and get acquainted. Races are held on Sundays afternoons at 2:30 thru June, July, September and October.

This season Fleet 58 decided to divide its racing schedule into a Summer and Fall Series, a decision which was enthusiastically accepted by the members,—eighteen races having been sailed in all. Alec Dougan, with his son, Donald, and Hugo Spatenga as crew, became the Fleet Champion, sailing his new boat, "Honey"; the second Lightning he has built and which is literally a "Honey" of a boat. Len Pratt, together with his wife, Florence and Dorrance P. Cook, as crew, gave close competition sailing in "Bon Joy", and placed in the runner-up position. Thus the Permanent Fleet Trophy, an oil painting of a Lightning, the frame of which is suitably engraved with each year's winner, will again hang on Alec's wall.

As in the past several seasons, our Fleet participated in two Home and Home Inter-Fleet races with Cedarhurst Yacht Club, Fleet No. 2 an event we shall always look forward to. Alec Dougan, our Fleet Champion, was able to reverse last season's results by taking first place both times with the point honors being divided—

Cedarhurst Fleet winning in their waters, and Hewlett Bay Fleet in our waters.

Other activities included our participation at Larchmont Race Week, the Atlantics at Nyack, and the Internationals at Toledo, with either Len Pratt or Alec representing our Fleet.

Several of our newer Lightning Skippers, Art Nelson in his "Tumbleweed", Doc. Neyland in "Paranon", and Alex Murphy in "Nala" are coming up fast and should provide keen competition during the 1948 season.

Late Fall sailing has now been curtailed and for a very worthy cause, as the fleet members are contributing their labor along with the membership of the Hewlett Point Yacht Club, Inc., towards the erection of a Yacht Club building, the Club being the sponsor of Fleet No. 58. We sincerely hope to be able to include a picture of our new home next year.

2220	Thunder'n	John W. Cryer, Jr.
2346	Tillicum	Joseph and Irving Holler

Lightning enthusiasm is constantly growing at Niagara Sailing Club as evidenced by the remarkable turnout of skippers to attend both Club races, local invitation, district and International regattas.

The Club championship was again won by Earl C. Johnson sailing No. 456 with Olive Johnson and Glenn Wardell as crew. Second place went to Bob Siemer in No. 1676 and his crew Larry Kibler and Dutch Roy. Herm. Holler in No. 1603, a boat of his own making, won third place with Paul Holler and Dick Geser as crew.

The Club Handicap series was also won by the Lightnings. Jean Jerge in C Dust No. 1354 with twin brother Harry and their Dad as crew took first place trophy. Earl C. Johnson sailing the OLIVE M and Bob Siemer in SALTY captured second and third places respectively.

Twenty-two boats from five clubs turned out for the Annual Niagara River Championship Lightning Class Regatta. Niagara

Nancy Siemer, charming 3-year-old daughter of Ella Mae and Bob Siemer, Niagara Sailing Club, boards a club course marker to observe her Dad's racing performance.

Bob Aschenbach's Cu-Nim with Jean Aschenbach and sails in a light breeze on the Niagara River.

Sailing Club dominated the two days of racing capturing the first four places. Winners were Earl Johnson, first; Joe Holler, second; Herm Holler, third; and Dick Bowen, fourth.

Bob Aschenbach did not launch his Lightning CU-NIM until late in the season but did remarkably well in her in the two months she was sailed. The boys will keep a weather eye on him in the 1948 season.

Bob Siemer in SALTY No. 1676 captured the first place trophy in the Consolation races at the International Regatta with the remarkable feat of gaining first place in all three races. We wager that Bob will not be eliminated from the 1948 International competition.

And so Niagara Sailing Club looks forward to another season of keen competition.

JAYHAWK FLEET (60)

Lake Shawnee at Topeka, Kansas

Fleet Captain Lewis Rake
Fleet Secretary Chet Ebey
Fleet Champion Bill Schwartz
Runner-Up Lewis Rake

Boat No.	Boat Name	Owner's Name
436	Helen C.	W. E. Anderson
906	Lujac	Lucien Gray & Jack Merriam
1063	Lively Lady II	C. F. Ebey
1268	Ann S.	W. E. Schwartz
1270	Mr. Ham	J. P. Foster
1699	L. R. Rake

Jayhawk Fleet No. 60 continues to grow but surely. Lewis Rake completed No. 1270 by June and despite lack of time to break in his sails managed to take second in the fleet for the season.

Two Lightnings are under construction and should be on the lake by June. Bob Rice has bought the hull which Lyle Johnson started last year and had to give up because of a new job in Kansas City. Tom McGinnis is also planning to complete a Lightning this season.

Due to poor weather on a number of week-ends when Lightning races were scheduled the racing was limited. Lewis Rake was outlucked in the final race for the championship after being tied in the season's results with Bill Schwartz.

Bill Schwartz trailed his boat to Grand River Lake, Oklahoma, for the regatta in September and won all three Lightning races. However, the boys from Tulsa who competed against him, were in poor shape to race, having had their boats out of the water during most of the season.

PULTNEYVILLE YACHT CLUB FLEET (61)

Based on Lake Ontario at Pultneyville, N. Y.

Fleet Captain Harold Everdyke
Fleet Secretary Arthur J. Ameele
Fleet Champion L. E. Engleson in "Phantom"
Runner-Up William J. Towner in "Mis Hap"

Boat No.	Boat Name	Skipper
132	Phantom	L. E. Engleson
658	Julie II	Harold Everdyke
756	Julma	Coralee Manhave
875	Twildo	Charles Hartman
898	Johanna	Raymond A. Walvoord
1833	Mis Hap	William J. Towner
2153	Rival II	Chester Ashbery
2142	Franklin J. Howes
2284	Arthur J. Ameele & Raymond J. De Nagel
3274	Jack Peterham & Harry Sarantis

We had a very successful season in 1947. Two new Lightnings were added to the Fleet. "Rival II", built by "Chet" Ashbery and No. 2284, built by Arthur Ameele and Raymond De Nagel. Both were launched the second week in September and thanks to fine weather, were not taken out until the first of November.

Only one series of races was held this year consisting of eight races with one throw out. All races were completed. L. E. Engleson in "Phantom", was again the champion and William J. Towner in "Mis Hap", the runner-up.

The Lightnings also took over the Brown Hadicap Race, a series sponsored by the Pultneyville Yacht Club for boats of any class or design. William Towner in "Mis Hap" took first, Raymond Walvoord in "Johanna" second and L. E. Engleson in "Phantom" third.

Plans for the 1948 season have not been completed. We have received an invitation from Great Sodus Bay Fleet No. 108, to attend a Tri-Club tourney to be held there. Tho' the date has not been set we have included it in our schedule.

One new boat is being built this winter, No. 3274, by Jack Peterham and Harry Sarantis. If kibitzing will help they will have it finished in time to sail with us next summer.

LAKE PONTCHARTRAIN FLEET (62)

Based on Lake Pontchartrain at New Orelans, La.

Fleet Captain W. C. Keenan, Jr.
Fleet Secretary Charles Justice
Fleet Champion
Runner-Up

Boat No.	Boat Name	Skipper

1836	Scot	D. S. Wuescher
1837	Pep	W. T. Hardy
1838	M. J. Hartson
1839	Jim a Kit	J. K. Ware
2278	March II	T. J. Fontelieu, Jr.
2522	Lucky	Al J. Salzer

Enthusiasm continued to reign among the Lightning skippers of Lake Pontchartrain Fleet (62) during the 1947 season. They competed each Sunday for a "show place" at the finish line.

The highlight of the earlier season was the Pan American Regatta held on May 17 and 18, 1947. All efforts were made to have some skippers from South and Central America participate in this regatta, but the invitations were not accepted, due mostly, to lack of time. It was a beautiful race, however, and nine skilled

Upper: Sailing waters of Fleet 63. Lower: Left to right, A. Kuehl, Fleet Champ; W. Brockett, Runner-Up; G. Briggs, Third Place.

skippers entered their Lightnings. The order in which they finished were:

Volanta—	E. B. Overton—1
Scot—	(from Mobile, Ala.)
Mystery—	D. S. Wuescher—2
	W. C. Keenan, Jr.—3

The most recent regatta sailed here was that of the Sugar Bowl. This was held on Saturday, December 27 on Lake Pontchartrain. The lack of wind kept it from being a "howling success" until the latter part of the race when there came a breeze and E. B. Overton sailing his Volanta found it and rode from behind on it to beat W. C. Keenan, Jr., Mystery, by one minute and five seconds. T. J. Fontelieu, Jr., brought March II in third.

Lake Pontchartrain Fleet (62) was proud to have Brooke H. Duncan sail in the International at Toledo this year.

There are tentative plans for a regatta to be held during the Carnival season, the week of February 10th.

BRANFORD YACHT CLUB FLEET (63)

Based on Long Island Sound at Branford, Conn.

Fleet Captain	Wayne L. Brockett
Fleet Secretary	Wayne L. Brockett
Fleet Champion	Alfred E. Kuehl, Jr., in "His Nibs"
Runner-Up	Wayne L. Brockett in "Flame"

Boat No.	Boat Name	Skipper
257	Eager Beaver	Grant Briggs, Sr.
382	Winchester Bennett
384	Winchester Bennett
1379	Flame	Wayne L. Brockett
1383	Dreamer	Fred Farnsworth

2294	Tuines W. Van Wilgen
2377	Robert Morse & Alfred Dohna
2402	John Bradford
2550	His Nibs	Alfred E. Kuehl, Jr.
2593	Ups n' Downs	Milton Vogt & Kenneth Hubbard

A very unusual thing happened to our Fleet this year. We had wind for every race. Certainly a strange thing for Long Island Sound.

The competition was very keen with the first two boats having a ding dong battle for the entire twelve races. Al Kuehl did a beautiful job with his new Lightning "His Nibs", and took the Club Championship. She's a pale green job with chromium plated fittings and is really something to gaze upon. Al is sure proud of her. Wayne Brockett was runner-up in his bright red wind wagon "Flame". Grant Briggs was in the third spot with his pale blue "Eager Beaver". The fourth and fifth place boats were owned by Winchester Bennett and sailed by his daughter and grandchildren. We sure give them a lot of credit as they could not get the boats going enough to finish in the money but kept right at it in every race, never getting discouraged. This is the spirit that keeps together and makes the class a success. Here's hoping they finish in the money next season.

Al Kuehl and Wayne Brockett qualified to go to the Atlantic Coast Championships but Al had some trouble due to his measurement certificate getting lost and had to withdraw. He did, however, attend the Eastern Connecticut Yacht Racing Ass'n. Regatta and placed second in a fleet of 23 starters. Grant Briggs also attended and placed twelfth.

Wayne Brockett trailed "Flame" to Nyack for the Atlantic Coast Championship. He finished in second place for the first race and things looked good, but he forgot to pull up the anchor in the next two races and finished in eleventh place for the series. The Nyack Boat Club certainly did a wonderful job in running this affair. Everyone that attended was very pleased.

Then came the Internationals. Al and Wayne both qualified, but Al had to go back to college and could not make it to Toledo. In the meantime Wayne had suffered an injury that made it impossible for him to trail the boat and sail in the Championships. But he wouldn't miss it and left the boat at home and with his wife, Doris, went to Toledo. He has the highest praise for the way the affair was handled. The Toledo Fleet really outdid themselves in making the affair a success.

The 1948 season will be an active one for the Fleet. There are three large Regattas planned in which there will be inter-fleet races between Lightnings. We plan to send two boats to the Atlantic Coast Championships and to the Internationals at Buffalo.

The best of luck to you all.

MAPLE BAY LIGHTNING FLEET (64)

Based on Gulf of Georgia, at Maple Bay, Vancouver Island, B. C., Canada

Fleet Captain	V. R. (Buck) Kennett
Fleet Secretary	Hunter Vogel
Fleet Champion	"Buck" Kennett in "Vampire"
Runner-Up	Hunter & Wm. Vogel in "Hi-Time"

Boat No.	Boat Name	
260	Lodo	Nell Archie & George Leymour
626	Harlequin	Dick Vogel
1372	Amanda	S. D. Ashby
1448	Vampire	V. R. (Buck) Kennett
1697	Jolly Roger	Dan & Grant Butt
2615	Hi-Time	Hunter B. Vogel

"Buck" Kennett repeated to win the Fleet Championship in a five race series. "Buck" continued his winning streak of last year and finished another fine season with a good margin. Cecil Clarke and Ray Chaster were his crew.

Six Lightnings had a very enjoyable cruise to Victoria for our First Pacific Northwest Championship, August 16, 1947. This is a distance of forty miles, making an eighty mile round trip. The three race series was won by Eric Dowell in "Ariel" No. 1197. Hunter Vogel in "Hi-Time", No. 2615, was second, Bill and Isabel Vogel crewing.

Royal Victoria were very fine hosts and the courses and other arrangements were of very high calibre.

We left RVCY Monday, following the Regatta, about 2 P.M. in a very fresh westerly. Dick Vogel sailed his No. 626 "Harlequin" right through to Maple Bay, arriving home at 10:00 P.M. The other boats cruised to various islands and got home Wednesday evening.

Two of our boats sailed to Seattle to attend the PIYA July 1-4. Dick Vogel in "Harlequin" and Dennis Ashby in "Amanda". The boys reported a very fine trip and Dennis was second in the Lightnings' Series. Maple Bay is approximately one hundred and seventy miles from Seattle and the boys took five days to sail down.

Two Lightnings Nos. 626 and 2615 adventured over a ten day

cruise going as far north as Dodds Narrows down through False Narrows (not recommended) out Gabriola Pass to take a beautiful spinnaker run down the Gulf to Active Pass. Then in amongst the Islands and up to Ganges and from there home to Maple Bay.

The most extra-ordinary event was the *First* (we believe) over-night race for Lightnings. Around Salt Spring Island a distance of forty-five miles in a fresh nor'easter, five Lightnings left Maple Bay three reefed, on the gun at 1:30 Saturday September 13. Four went north against the wind, but with the tide, and one went South. "Hi-Time" did not reef as the sails are light and we didn't want to risk tearing them. "Vampire" led in spite of the reef closely followed by "Hi-Time", "Harlequin" and "Amanda". It was a very interesting race for the first nine miles till we got to the North end and Salt Spring. Here the wind died to nothing, which permitted us to eat. We all carried Gasoline stoves so had a hot meal before the sun went down. Immediately after we put on extra clothes and fastened the tarpaulin around the mast and across the cockpit to keep out the dew. Then one member went forward into a sleeping bag with a hot water bottle (very necessary in an open boat in September). It will stay warm about ten hours.

The tide was running south now and as there was very little wind we just floated along on it. The skipper rigged up long streamers of Toilet Tissue, which he could see in the dark and with their aid he worked out a small lead. This we managed to keep all night through change of tide. Morning found us off Fulford, with about eighteen miles to go, no wind and foul tide.

"Vampire" was about a mile to the East while "Harlequin" was inside Russell Island and slightly closer. Fortunately for us the breeze came in southwest and we got it first. "Vampire" picked it up next and then "Harlequin" and it was a parade home in that order.

It took almost exactly twenty-four hours and was a great success. It will be an annual event.

VALLEYFIELD LIGHTNING FLEET (65)

Based on St. Lawrence River at Valleyfield, Quebec

Fleet Captain J. A. E. McDonald
Fleet Secretary J. A. E. McDonald

Boat No.	Boat Name	Skipper
799	Isem II	J. A. E. McDonald
1020	Wilmont	D. M. Montgomery
3564	H. A. Crosbie

Owing to E. A. Walther moving his boat (Sparrow III) to the States, where to took up residence, we were unable to have any Fleet races during 1947, and consequently were unable to declare any Fleet Champion. However, prospects for 1948 are brighter with H. A. Crosbie now building Lightning No. 3564 and the prospects for a couple more boats during the summer. The only class racing we had during the past season was at the S.L.V.R.A. Regatta Labor Day week-end, where the Class Trophy was won by "Isem II".

ROYAL VICTORIA YACHT CLUB FLEET (66)

Based on Cadboro Bay at Victoria, B. C., Canada

Fleet Secretary Eric Dowell
Fleet Champion Grant MacKinnon in "Iona"
Runner-Up Ron Kiley in "Clipper"

Boat No.	Boat Name	Skipper
1197	Ariel	Eric Dowell
1202	Iona	Grant MacKinnon
1234	Ripples	Walt Thomson
1264	Hardtack II	Rod Fraser
2334	Clipper	Ron Kiley
2314	-----	Cliff Irvine

This year our active racing fleet was increased by two Lightnings: Ron Kiley in "Clipper", and Rod Fraser in "Hardtack II". This brought to five the number of active members sailing under the Royal Victoria Yacht Club burgee. We expect to see at least three more new Lightnings in our fleet next year. This number of boats is very good considering that the Lightnings were the largest racing class of sailboats at our club last year. There are quite a few prospective Lightning owners here, and we of Fleet 66 have really been trying hard to boost the Lightning Class.

Hunter Vogel at the tiller of Hi-Time, winner of overnight race around Saltspring Island. Photo by Duncan Macphail.

During the summer our fleet enjoyed a very successful racing season. As is the custom of our Yacht Club, we have three series of races. A series and B series, consisting of five races each were won again this year by Grant MacKinnon in "Iona". This race is a six mile course around Cadboro Bay. The Discovery Island series of three races was won by Ron Kiley in "Clipper". The Discovery Island race is approximately a ten-mile course around a small island where wind and tide are practically unpredictable.

Ron Kiley, one of our new members has a good boat with fine sails and is right in there fighting all the time when there is any racing. He is a very enthusiastic member of our fleet. Ron was the first skipper in our fleet to own a spinnaker. All of us were very much impressed with the advantages and possibilities of using a spinnaker. So next season we are looking forward to a fleet of Lightnings with spinnakers.

About a month before the sailing season ended in Victoria, Cliff Irvine launched his new Lightning which he had been working on for the previous year. It is without a doubt the most perfectly built and fitted Lightning in this district. However, Cliff wasn't able to get the boat into racing trim before the end of the season, but we're all sure that he will give us a good race next year.

Our fleet also took part in several of the major sailing events in the district. At the P.I.Y.A. regatta held in Seattle on July the first, three boats from Fleet 66 were represented:—"Clipper", "Hardtack II" and "Ariel". Stiff competition was encountered in the Maple Bay Fleet No. 64, but Eric Dowell in "Ariel" brought home the silverware. At the Cowichan Bay Regatta on Labour Day our Fleet made an excellent showing. Grant MacKinnon in "Iona" first, Eric Dowell in "Ariel" second and Ron Kiley in "Clipper" third are all members of Fleet No. 66. At the Pacific Northwest District Championship held in Cadboro Bay in August, our fleet again was fortunate enough to take top honors. Eric Dowell Fleet No. 66 was first, Hunter Vogel Fleet 64 second and Grant MacKinnon Fleet 66 was third.

Next year we are looking forward to an equally exciting and successful racing season. Perhaps (as we said last year) we will be able to send a Lightning skipper and crew to the Internationals.

The season got off to an early start this year and in general activities were maintained at a rather intense rate during the entire summer. A number of boats were in the water before Decoration Day. Boat owners putting their boats in the water Decoration Day week end were a bit bewildered by a 6" snowfall that day. Nearly all boats were in the water by June 15. A very successful racing season was enjoyed by all. Of 28 scheduled races two were postponed and cancelled due to weather. Races are scheduled for each Saturday and Sunday afternoon plus races in the mornings of July 4 and Labor Day. Other than minor incidents such as shearing rudder pintle pins by crossing shoals, no major mishaps can be related as was true of previous years. The weather and wind both were favorable and on only one week end did the wind and waves become what could be classed as of gale proportions. Even then we are never alarmed or in danger as the course is patrolled constantly by the club power boat and the Neenah police boat which is in two way radio contact with the Neenah Police.

Competition was extremely keen and leaders were pushed to their utmost to maintain their standings in both Saturday and Sunday series.

One of our outstanding events of this season occurred when Walter Roller skippered "Waunette" to first place in the Milwaukee Journal Trophy races on Lake Michigan at Milwaukee, Wisconsin. Aply crewing were John Snyder and Dick Neller.

Several picnic cruises were held during the season and reports are that all who attended expressed wishes for more.

Social gatherings for the winter months are contemplated and will be well attended if last year's winter months can be used as an indication.

Plans are now underway to set up a twilight race series at mid-week and also a district championship series between the Neenah, Green Bay and Milwaukee fleets for the 1948 season.

We are looking forward to a fine 1948 season and expect the addition of several members.

On July 13th The Theleman Series was raced. It was a team race between South Shore Yacht Club Lightning Fleet No. 79 and Milwaukee Yacht Club Lightning Fleet No. 69. South Shore won with 21 points, while Milwaukee Yacht Club had 11 points.

The Ziemann Junior Series came on August 16, 17 and consisted of morning and afternoon races with crews changing boats each race. Harold Schmidt won with 22 points, Bill Winter, Jr., second with 20 and Joan Becker third with 11.

On the Labor Day week-end the "P and T" Lightning series was held, two races on Sunday, September 4th and one on Labor Day, September 5th. Labor Day morning race was postponed till afternoon, due to high winds and dark storm clouds. An unusual event was the upset of a spectator sail boat in the path of the fleet, just after the start. Two boats left the race and went in because of high seas. This was an exciting finish to the racing season.

The trophy was won by Harold Walker's "Skylark" with 26 points and second place was a tie between Roland Becker's "Chewink" and Harold Schmidt's "Queequeg" with 25 points each.

The Milwaukee Yacht Club Lightning series was raced most Saturday afternoons through June, July and August. It was won by Harold Schmidt's "Queequeg" with 56 points, Norbert Schmitz' "Co-ed", with 44 and Harold Walker's "Skylark" 3rd, with 41.

Roland Becker took "Chewink" to the Lightning Internationals at Toledo in September and placed in the Championship Race.

With the war over and spinnakers available again and permitted by the racing rules, it was decided to use them in racing for the first time here.

In the fleet a number of crews were all family affairs. Mr. Becker's daughters crewed for him, and Mr. Walker's son and wife were on "Skylark". Mr. Tyrrell's wife and daughter Nancy were occasionally aboard.

Next years fleet will be augmented to take in over twenty boats, and the racing schedule, as now contemplated, will be much increased to include mid-week twilight races and Sunday team and change-about races.

The fostering of interest among the juniors, which has been sponsored for several years by Harry Ziemann and P. C. McNulty, who both are prominent skippers, has been continued with the favorable result that an even larger group of juniors participated in this years program, under the direction of a paid instructor.

A number of juniors were invited to crew on larger boats at various times during the year. They raced on "Stars" and cruise boats which afforded them an increased scope of experience and promoted acquaintance and friendship among club members.

The cooperation and interest of the Race Committee and Club Directors contributed greatly to everyone's enjoyment of sailing.

Fleet Champion, the Irwin's "Dawn".

The 1947 Season was a fine success for Fleet 70. The membership expanded to fourteen Lightnings and we are looking forward to receiving several new members for 1948. As in past years, in all Saturday races at Red Bank, Fleets 70 and 11 raced together for the individual club championship of the Monmouth Boat Club, and on Sundays both Fleets competed over the Fairhaven course for the individual championship of the Shrewsbury River Yacht Club. Fleet 70 is proud of its champion "Dawn", No. 978, skippered by Marie J. Irwin, wife of Commodore J. C. Irwin of the National Sweepstakes Regatta. Mrs. Irwin not only captured the Fleet 70 crown but became Club Champion of the Monmouth Boat Club, and, with her husband, took the Club Championship of the Shrewsbury River Yacht Club in Fleet 11 home waters, and to top this off, garnered enough points to annex the "Beachcomber" trophy as champs of the entire North Shrewsbury River.

Fleet 70 participated jointly with Fleet 11 to bring the winner's flag home to the Monmouth Boat Club in competition with the Shrewsbury Sailing Club of Long Branch in the Annual Cup of Two Rivers Regatta.

Special races this year included some fine sailing over courses laid out in Raritan Bay, just behind Sandy Hook, where the breezes are unrestricted and seas are ocean-like in size and formation. Lightnings of both Fleets 70 and 11 competed here, with "Dawn" of Fleet 70 and "Windward" of Fleet 11 getting top honors.

The fine spirit of sportsmanlike competition of both Fleet 70's skippers and those of Fleet 11, continued good weather conditions and excellent race committees, all combined to give the Lightnings of the North Shrewsbury River a most enjoyable and successful season, and all hands are eager for the coming of Spring and the bark of the starter's gun for the first race of the 1948 Season.

The Rocky River Fleet sailed in 21 scheduled races in home waters during the season. In addition, several of the skippers took their boats to try their luck in outside events, including the Lake Michigan Regatta, the Detroit Yacht Club Regatta, and the Interlake, at Put-In-Bay. Francis Poulson carried the Fleet Burgee to a second place at South Haven and made the Cleveland headlines by his performance in the Interlake. Poulson and Judd represented the fleet at the Internationals in Toledo. Several of the skippers, including Harry Nelson and Don Kyle, were on hand to patronize the Geo. F. Maley. All of us who attended the Internationals enjoyed it and came away singing "Old Black Joe", in addition to the praises of the Toledo Yacht Club.

Another enjoyable event of the season was the participation in the "Snow Ball" series at Buckeye Lake. The hospitality of the Buckeye Lake Yacht Club would be hard to beat. We are all looking forward to another invitation this coming season. Chas. Judd, winner of the previous year's series turned over his first place plaque to Walt Vogel of Toledo, but Charlie was sailing under the handicap of being a new father.

Don Kyle launched his new boat "Kylark" early this season. It is one of the best looking Lightnings we have ever seen—and is a going Jessie besides.

Fleet Champ Kenneth Pfister taking it easy after a run in Ken-Dor No. 511.

Rounding the mark are Kyle, No. 1601, Calvert, No. 1610 and Malin No. 1598.

A new trophy race was added to our schedule this year. The White-Haines Trophy, made available through the good offices of F. P. Brasseur.

We expect to have several new boats in the water this next season and the whole fleet is pointing high—toward Buffalo.

INDIAN RIVER YACHT CLUB FLEET (72)

The Indian River Yacht Club enjoyed a very successful season sailing on the Indian River this past summer. Although there were not the usual number of boats, competition was very keen. There was competitive racing every Sunday from July 6th to August 24th, 1947. This is known as the summer series and the winner of this annual series wins the trophy which is awarded each year at the annual banquet. This summer series is a free for all and any sailing sloop can enter that is a member of the Club. The championship was won by A. K. Pfister, owner of Lightning Boat No. 511 named "Ken-Dor". The "Ken-Dor" was skippered by Kenneth R. Pfister. A special series of three races was held to determine the lightning champion for Fleet No. 72. On the Saturday afternoon race, the same was won by Robert R. Purnell sailing in Lightning Class Sloop No. 527. The remaining two races were won by the "Ken-Dor" represented by Kenneth R. Pfister. The Ken-Dor represented our fleet at the National Lightning Races held in Toledo and from all reports made a good showing. At the annual banquet held in September, awards were presented and movies of past National Lightning Races were shown. It is hoped that more boats will be in the races this coming summer.

Our Fleet was organized late in 1945 at which time we started out with four Lightnings; we now have nine plus two under construction.

The 1947 season was very enjoyable, of course the high-light was the Atlantic Coast Championships for which our Fleet and the Nyack Boat Club acted as hosts. A full report of this event appeared in the fall issue of Flashes, and we will be content to add only that it seemed to us the Lightning fraternity who attended had a good time at Nyack.

Fleet 75 had a total of nine point races during the 1947 season, including the Mid-Hudson Squadron races at Chelsea. Magnus Pedersen again set a record of eight firsts in a row, with a third in the final on Labor Day. Paul Murphy, second in club standing, sailing his first Lightning season, took four seconds in nine starts, and we think is plotting to land a few firsts next season.

Members sailing new boats for the first time included DeGroat-Montieth, Van Slyke and Anderson, the latter building his own "Scraps", well named because a good bit of the material, we are told, was salvaged from a scrap lumber pile. New Lightnings were also purchased by Pedersen and Boll during the season.

The Mid-Hudson Squadron event at Chelsea July 12th and 13th brought out 22 Lightnings in a series of 3 races. The classic 15 mile Sutherland Cup Race was won by Doc Myles of High-Tor, with Pete Pedersen of Nyack placing second. Approximately 30 boats competed. In the Labor Day free-for-all race at Nyack, Doc Myles was first, and Crewman Pim Epler, one of the most enthusiastic in the younger group, placed second with No. 744.

Next season the Nyack Fleet will act as host to the Mid-Hudson Squadron in the usual week-end series of three races, and our Chelsea friends at Fleet 39 will have the pleasure of the 50 mile tow through the beautiful Hudson Highlands. Our program is still in the formative stage but doubtless will include also the Classic Sutherland Cup Race, run by Fleet 41 and the Labor Day Regatta at Nyack, run by Fleet 75.

The Sailors near Irondequoit Bay are convinced that the Lightning is the boat for this body of water. The season of 1947 was late in starting due to the rain. We had eight boats entered in the Spring series, and twelve boats entered in the Summer series. The club Championship consisted of seventeen races. This was a full schedule and was enough to keep the men and girls busy. Our humorous Commodore William Knittle thought we were not doing enough so he put us on the Rock Pile. We had to put fifteen loads of stone in place to keep the Club House from floating away.

Newport Yacht Club sent two boats to the Central New York Regatta held at the Canandaigua Yacht Club. Erwin Coy entered his Ship-A'Coy and William Straub entered the Cygnus. Straub was lucky and took a fourth, third, and second which gave him a second place in the final standing. The Canandaigua Club took care of us very well. I might add that this Central New York Regatta is no small affair. They have close to 150 boats entered which includes seven different classes. The Lightning Class entered thirty-five boats. The Lightnings were second to the Comets in number.

The total point scores for the Lightnings for the season 1947 ended with William Straub—first; Jack Curtis—second; Erwin Coy—third, and Walter Cross—fourth. Erwin Coy and Walter Cross teamed up and trailed their boat to the Internationals at Maumee Bay. Straub also sailed.

The 1947 season got off to a good start with the majority of our 13 Lightnings competing in the opening race on Memorial Day. As the summer progressed we survived the alternate gales and calms sustaining the loss of but one mast and a few tempers.

Most of our skippers raced at the Hamilton, Canandaigua and Buffalo Canoe Club Regattas and although we spent much of our time admiring our competitors transoms, everyone enjoyed themselves and we will all be back next year.

Gordon Shaw copped first place in the Lightning Series this year with Howard Compson and Robert Brunton coming in second and third respectively. The Lightnings won all the Club Trophies in sight.

Our last and longest race of the season was started twice in light airs that refused to push us faster than the current pulled. The third attempt was made in a young hurricane that rewarded the faithful with a fast, wet ten mile trip. As only Lightnings participated in this race it was a true test of skill and sailing ability with the boats coming in so close it was almost a photo finish.

Next season we are expecting two more boats. Les Moyer is building No. 3650 to be named Frisky II and Charlie Schmidt is still looking for one that will beat Les. Our plans for next season are not as yet complete but that doesn't stop us from wishing all our fellow sailors good luck and Happy Sailing.

2967	Trade Wind	Milt and Mona McCormick

With the 1947 season safely in port and the boats tucked in for the winter, their owners have settled down to the slow, quiet routine of preparation for the 1948 season.

Our 1947 season was a bit shorter than usual, as the weather was so set against us at times that our "Centerboards" were figuratively dragging. That did not affect the spirits of the members, however, and our racing season was an active one.

Every Sunday morning races were held at South Shore for the Milwaukee Yacht Club Fleet 69, and South Shore Fleet 79; on Saturday afternoons, it was turn about, and the Milwaukee Yacht Club held races for the South Shore and the Milwaukee fleets at their Club. The South Shore series championship for the season was won by Roland Becker, Fleet 69, who owns the "Chewink". The second place was won by our South Shore Lightning "Bad Penny", owned by Mr. and Mrs. L. R. Gardenier.

The race for the Brill Trophy was a tie, which could not be raced off because of that old enemy, "Stormy Weather". Al Mieskowski, owner of "Stormy", and L. R. Gardenier, owner of "Bad Penny" tied, while Milt McCormick, with his "Trade Wind", and Mary Jelinek with her "Stumble Bum" were close behind, in fact "too close for comfort". Each and every member of our "Fleet" constitute a fleet of "Excellent Skippers" all evenly matched.

The Milwaukee Journal Regatta is one of the big races which is held on Milwaukee Harbor, and it is open to any boat owner interested. The Lightning Fleet was well represented that day. The winner for the three races was a Neenah-Menasha Fleet 67 Lightning owner, namely Walter W. Roller, No. 1259. We felt that the victory was not altogether out of our home fleet territory, as Mr. Roller is an Uncle of Max Ruess, one of our better Skippers.

As far as our Social life is concerned in the South Shore Lightning Fleet that also is filled with fun and excitement, also: Mr. and Mrs. Gardenier showed movies of the 1946 International Regatta, for both fleets, after which cake and coffee were served, a good time was had by all "so they said".

Mr. and Mrs. Fred Kurth, owners of "Sis Too" entertained the two Fleets at a "Buffet Supper" at their home in Elm Grove, it was July and those special sideboard items disappeared fast.

The past season was well taken care of, and from the plans already underway, next season will have more than its share of fun and opportunities for all.

2448	Halcyon	James Hartshorne
3106	Sea Breeze	Arthur & John D. Gibb
3108	So Long	Edward G. Waters
3110	Rigoleur	Richard Friede

No. 2335 was formerly owned by Jerome B. Drew, Point Road, Little Silver, N. J.

A group of five enthusiastic Lightning skippers opened the second sailing season of Fleet No. 80 on the 4th of July. Scheduled races held each Saturday afternoon have commanded much attention from the local press. Before Labor Day our fleet had swelled to a total of eleven boats—now included are "Paddi, Marlou, So Long, Sea Breeze, Barbara and Halcyon".

Entered in our big regatta of July 21, were 21 Lightnings from four Fleets, including last year's fleet champion from Barnegat Bay, the top boats of Fleet 11 of Fair Haven, N. J., and Fleet 70 of Red Bank, N. J. However, our high vaunted neighbors found competition a little too stiff, as Harry Sadler's "Rain Beau" won the event over their champions, including the "Avenger" sailed by Charles Allaire who finished 4th at the Interna-

tionals and Herbert Cox's "Coxswain" high point skipper of the Atlantic Coast Championship Regatta.

The National Sweepstakes at Red Bank offered the largest event of the season with 30 Lightnings. Here again our colors won the day, as Philip MacKay in "Paddi" outsailed the crack skippers of the Red Bank Fleet.

The annual Two River Regatta held Sept. 20 and 21 pitting the Monmouth Boat Club (Fleet 70 and 11 combined) of Red Bank against the Shrewsbury Sailing Club (Fleet 80) proved very interesting and well contested. The Red Bankers emerged victorious, 61 points to 45. Following are the results:

Saturday's race at Long Branch, N. J.

- 1st —Rain Beau, Harry Sadler, Jr., S.S.C.
- 2nd—Coxswain, Herbert Cox, M.B.C.
- 3rd—Avenger, Charles Allaire, M.B.C.
- 4th—Bull Frog, George Bull, M.B.C.
- 5th—So Long, Edward Waters, S.S.C.
- 6th—Blue Streak, Dick Bennett, M.B.C.
- 7th—Dawn, Marie Irwin, M.B.C.
- 8th—Paddi, Philip MacKay, S.S.C.

Joseph Herrmann's "Hubba Hubba" and Robert Wilcox's "Marlou" of the Shrewsbury Sailing Club were forced to withdraw by broken rudders.

Sunday Race at Red Bank, N. J.

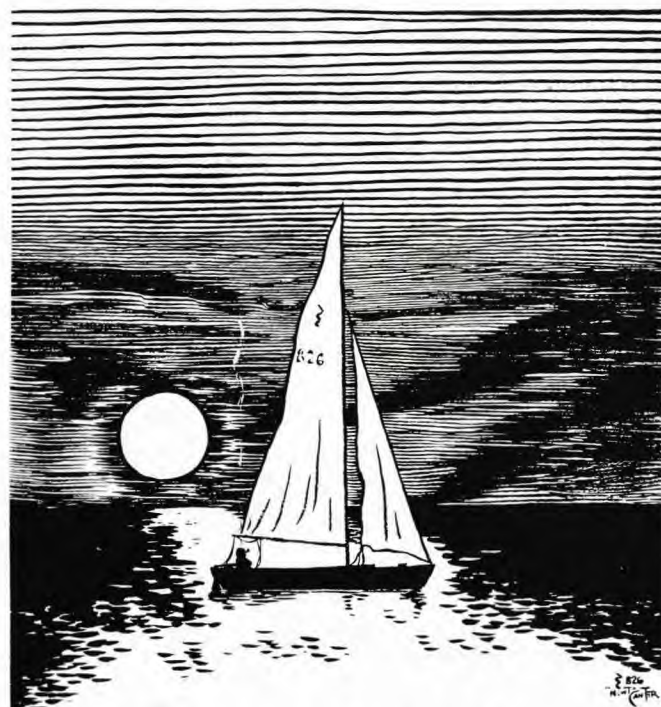

- 1st —Avenger, Charles Allaire, M.B.C.
- 2nd—Rain Beau, Harry Sadler, Jr., S.S.C.
- 3rd—Coxswain, Herbert Cox, M.B.C.
- 4th—So Long, Edward Waters, S.S.C.
- 5th—Bul Frog, George Bull, M.B.C.
- 6th—Hubba Hubba, Joseph Herrmann, S.S.C.
- 7th—Blue Streak, Dick Bennett, M.B.C.
- 8th—Marlou, Robert Wilcox, S.S.C.
- 9th—Paddi, Philip MacKay, S.S.C.

Marie Irwin's "Dawn" fouled a bouy and withdrew.

Next year we will welcome 3 new boats namely "Rigoleur" owned by Richard Friede, "Thunder" owned by Henry S. Germond, IV and of special interest Bruce Dodd's "Windward" the first Lightning to be built in the city of Long Branch, N. J.

We also hope to have entries in some of the larger Regattas and at the Internationals.

Credit and sincere thanks is due the City of Long Branch, N. J., for the encouragement offered the Shrewsbury Sailing Club through the donations of trophies to our annual Regatta.

This season, Buffalo was graced with perfect sailing weather and completed its full schedule of week-end races.

Two new boats have been added to the fleet roster. "Suds-Bucket", owned by Alan Cohoe and Clyde Lausted, did well in its first season by placing second in the fleet standing and No. 1487, a partially completed boat which Fred Obersheimer has purchased from its builder. This boat was listed in the "Lost" column for three or four years.

Fleet representatives attended the Niagara District Championship Regatta and the Lake Erie District Regatta with results which can be learned only by going to the records since no one in Fleet No. 81 will bring up the subject of his own accord.

The Fleet has quite a few new Active and Associate members who are not yet Lightning owners, but are keeping a weather eye on what happens in the Lightning Association. These watchdogs sign-on as crew at the slightest suggestion.

Candlewood Lightning Fleet No. 82 grew to 16 yachts during the 1947 season and is still going strong with expectation of having 20 regular starters in the races during 1948. The results of five championship races last summer gave Mort Shepard, Jr. the championship with 66 points and Jerry Hollander runner-up with 60 points. Dixon Griswold and Charlie Steffens ended up in a tie for third position with 55 points each. The championship races were held every other Sunday throughout the summer with Flag races on the alternate week-ends.

The racing season closed officially on Labor Day with a Fisherman's Race which has become an annual event that offers a lot of fun for the spectators as well as the sailors. After the race, refreshments were served on Bootlegger's Island and the season's trophies were awarded.

Fleet 83, captained by W. J. Wiedrick, was prominent during the entire season of races put on in Lake St. Clair by the Detroit River Yachting Association. A great deal of enthusiasm was shown by the entire fleet and there was a fine turnout in fair weather or foul.

Lightning No. 1982 represented the Fleet at the ILYA at Put-In-Bay. Skipper William Miller and Fred Stacy did a grand job of sailing the boat and placed fourth in the three-day series.

The 1947 season was opened with a bang. The first two Regattas were wild rides around a ten-mile course. With scudding seas whipped up by a thirty-five mile an hour wind, the Fleet took two firsts, a second, and a third in these events. Fleets Nos. 51 and 131 presented lively competition throughout the season.

The Club lost a grand fellow and a real sailor when Jim List, with Boat No. 338, moved to Texas. His loss was made up for in part, however, with the arrival of the Spencer D. Browns who bought Boat No. 1977. Other welcome additions included the Charles Richters, who moved up from Cincinnati with Boat No. 514. At the close of the season, Boat No. 3123, skippered by James J. Hogan, joined the Fleet.

Standings at the close of the season proved to be the same as in 1946 with Wes. Wiedrick, fleet champion, and Dr. Thomas Sage, who did so much to organize Fleet No. 83, in runner-up position.

On November 19th the Fleet got together for dinner and made plans for a bigger racing season for 1948 than ever before. Fleets Nos. 131, 51 and 83 are joining to form a squadron which, in addition to the DYRA schedule, will put on pre- and after-season races.

1947's racing season has been the first for Fleet 84. It has, however, been a short one, because the first series of ten boats, the building of which had started in March of last year, was completed only in the beginning of August of this year.

Those ten Lightnings were launched on August 10th and this was the occasion for an eventful ceremony which was presided over by Admiral Lemos Basto, President of the Brazilian Confederation of Sail & Motor; Mrs. Maria Izabel Lyra Tavares, wife of Mr. Joao Lyra Filho, President of the National Sports Board (a Division of the Ministry of Education), was the patroness. The act took place at the Club de Regatas Guanabara, Rio de Janeiro, on the shores of Guanabara Bay.

The races of the Championship Regata, 1947, of Fleet 84 were

Wes Wiedrick, captain of Fleet 83.

scheduled to be held on August 24th, September 7th and 21st, and November 2nd. Dr. Joao Pinho Filho and his crew, Victor Hector Demaison and Mauro Pinho Gomes, won the championship in his "Xamego", No. 1769, with the outstanding performance of three firsts. Herewith you will find a photo of "Xamego" rounding the leeward mark. However, I suppose you have already received some pictures of "1769". Runner-up is Fernando Jose Pimentel Duarte with his crew, Caio Scyla and Alexandre Fontenelle Pereira de Souza, who with his "Argos", No. 1772, won two second, one third and one fourth. Third is Georges Avelino, with his crew of Mrs. Heloisa Avelino and Pedro Avelino, who with his "Gibi", No. 1766, won the third place with on fourth, one third and one second.

The weather, during these races, was fair to good, although the sea was rather rough most of the time.

All Lightnings behaved splendidly and our members are enthusiastic about their new boats.

In addition to the class championship, our Lightnings have taken part in several other regattas for her class in competition promoted by other clubs and Racing Association, on the waters of Guanabara Bay, as well as by our Naval Academy. One of these races, scheduled to start at dusk and covering a circuit around several of the islands of the Guanabara Bay in a length of 20 miles was hard sailing under heavy rain and strong wind, during the greater part of the night.

In all these regattas our Lightnings made excellent performances and gave repeated proof to the soundness of their design.

In the month of December of this year we shall hold a meeting of the members of Fleet 84, in order to elect Secretary and Captain for 1948, and also to fix the dates and plans for the 1948 Championship.

You may rest assured that in the next year there will be considerable activity of our Lightning Fleet not only in the 84 Fleet, but also in inter-fleet races at Sao Paulo and Florianopolis.

Races of Fleet No. 85 were held on Saturday and Sunday afternoons from the Fourth of July until Labor Day. Competition was very keen, and the championship was decided in the last two races. Both the champion and runner-up boats were new this year.

Several of our fleet entered the E.C.Y.R.A. regatta held at Pine Orchard this year. The Healy boys took third place out of twenty-three entries, and another of our boats would have taken second if it had not been disqualified in the first race. This regatta was held at the same time as the Atlantic Coast Championship Regatta and, therefore, none of our boats went down to Nyack.

The Junior Sears Cup Eliminations for Eastern Connecticut were held at Niantic Bay this year and were sailed in our Lightnings. The Niantic Bay crew of Ken Rondeau, Richard Lena and Bill Macintosh won the eliminations from the seven yacht clubs competing. This crew went on to take fourth place in the finals held at Cold Spring Harbor on Long Island.

We are all eagerly looking forward to the 1948 season which promises to be the best yet. Above all there is the promise of a new club house for the Niantic Bay Yacht Club. The ground for this will probably be broken this coming spring. Then, too, we have the promise of the addition of a few more new boats to our fleet plus some inter-fleet races with the Thames and Groton Long Point fleets. Finally, we are setting our sights on the possibility of sending at least one boat to the Internationals and to the Atlantic Coast Championships.

 Fleet Champion J. Carl Behler in "Thistle"
 Runner-Up Betty Jane Tomlinson in "Old Nick"

Boat No.	Boat Name	Skipper

2442	Jay Dee	J. Davison
2446	Yare	E. Hall
2452	Babrie	H. Starn
2456	Clare Marie	B. Walthers

Fleet No. 68 had another banner year, which saw a fleet of seven boats increase to ten with more on the way. The newcomers to the Shore Acres fleet are Bob Walthers in "Clare Marie", Ed Hall in "Yare" and H. Starn in "Babrie". J. Carl Behler and Jim Davison both got new boats, the "Thistle" and "Jay Dee" respectively.

Competition was quite keen as four different boats experienced the thrill of winning. The "Thistle" finally won the Championship, but not until she received beatings from Bob Walther, Don Bradbury (skipped the Winsome) and Betty Jane Tomlinson, the young girl in the crowd, who did quite well for herself (and her Dad—210 lbs. of it) by copping second place honors while Walther finished in the third slot.

A lot of interest in the Class was shown by the fact that Walther raced in the junior championships at Great South Bay, and won third place in the Cattus Cup races held at Bay Head, N. J. Jake Behler and Dick Sampson participated in the Atlantic Coast Championship at Nyack, N. Y. Jimmy Davison, 16 year old skipper, together with Johnny, Billy and Warren Crandall made the long haul to Toledo where they won twenty-fifth place in the championship. This was their first experience in International competition and Fleet No. 86 is very proud of them.

Besides the ten races held at Shore Acres on Sundays, the

majority of the Fleet competed for honors in the Barnegat Bay Yacht Racing Association on Saturdays. The Downbay cruise at Little Egg Harbor was rewarded by a Third Place in the team race. The Shore Acres team was composed of the "Winsome", the "Jay Dee", and the "Claire Marie".

The results and standings of the ten race series for the Club Championship follows:

Order of Finish	Points	Skipper
1	1631	J. Carl Behler
2	1437	B. Tomlinson
3	1430	B. Walthers
4	1420	D. Bradbury

Sue Island sailors heading home.

but quick!!! Since the racing bug is on the loose are we better sailors? The Sue Island Lightning Fleet hasten to join in with a yea, verily.

We raced from May 30th to the middle of November on Saturdays and Sundays, as many as seven Lightnings participating. Also entered in the handicap races of the Baltimore Yacht Club giving a good account of ourselves.

Our quiet and modest champion for the season, Mr. Charles Cairnes, was a consistent winner with very few exceptions. May I mention here that "Chance" was constructed in the backyard by Charles and his very capable Dad, might add "and vice-versa". Have yet to learn why the name "Chance"—after one fleeting glance of that color it became unofficially THE YELLOW PERIL. Finally Gene Skarie received his Ratsey nylons to give Sea Saw "that new look" and at the same time giving "Chance" a real workout, all of which adds up to Gene being the runner-up skipper for the season. Our fleet is small but we have some promising skippers—next season will see some spinnakers—if we ever learn to use 'em.

The Maryland Marine Mfg. Co., who are now building Lightning kits and complete boats, have certainly boosted the Lightning locally—it looks like the size of our fleet may be doubled in '48 in addition to other fleets on the Chesapeake increasing in size and possibly new fleets formed, all of which will be more fun when inter-fleet racing begins.

As this is written Mr. Currie has sold his boat, No. 286, and does not believe the new owner intends to be in our fleet as he will be farther down the bay. However, Mr. Temple has purchased a Lightning from Maryland Marine Mfg. for spring delivery and Mr. and Mrs. Allison are building a Lightning which we hope will be ready for this summer's racing.

We displayed the movies of the Lightning Class Internationals during the winter months—and those of us who witnessed them thoroughly enjoyed this treat. Certainly those responsible for making the movies deserve much praise from the entire association, may they continue such splendid achievements.

This month will see us brushing up on the new racing rules and tactics. Certainly hope we can send a representative to the Internationals this year.

In the course of our season's races, the Seawanhaka Fleet raced off a total of fifteen regular races on Saturdays and Sundays. The Saturday races constituted the official season's championship, and the Sunday races were conducted more informally with relaxed Lightning Class restrictions especially concerning the total crew to be carried in any race.

This ruling seems to have met with unanimous approval, adding as it did to the interest and enjoyment of all owners. In addition to these regular races we engaged in many special events and additional races which further added to fleet interest. Among other things, we had a special early season team race with the Cedarhurst Fleet of Southern Long Island which we won by a score of 21 to 15. Our regular Yacht Club Regatta in June was one of the three regattas used in determining the Long Island Sound Lightning Champion. For this event we drew entries from all over the Sound. In July, we sent two entries, "Lagniappe" and "Dart" to the Atlantic Coast Championships at Nyack. In this event Herman Whiton sailing "Lagniappe" placed third. Finally, in August, Seawanhaka ran its regular fall regatta, and again we drew as many as thirty boats. Michael Mooney sailing "Lagniappe" won this event. We also had a special Decoration Day Series, July Fourth Series, and Labor Day Series.

Our regular races were highlighted by keen competition and good wholesail winds on almost every one of them. One of these occasions produced the sight of Billy Brokaw capsizing his "Soprano" on a spinnaker reach. This was our only upset during the regular races, and no harm was done. Our important Saturday Series was won by "Lagniappe" with "Bolta" second and "Lord Jeff" third. The competition for the Sunday Series produced the really close battles however, with "Chick" Smith in "Bolta" finally winning by .049 points. "Lagniappe" was second and "Dart" third.

All that can be said in conclusion is that it is hard to imagine how our fleet could have enjoyed a more successful season.

The summer of 1947 marks the first full season of racing Lightning Class boats at the Cold Spring Harbor Beach Club, where yacht racing has been a major activity for over twenty years. The new class attracted many of the pre-war owners of other boats as well as a number of "First-Timers". Twenty-one boats in all gave us a large enough fleet so that in each of the scheduled races there was plenty of sport.

With the indoctrination experiences of handling and tuning the new boats behind us, and with the prospective replacement of some of the poorer sails by next summer we expect that the competition will be even greater in 1948.

In September the Beach Club took great pleasure and pride in being host to some forty junior sailors, skippers, and crews, who came from all up and down the Atlantic Seaboard and as far west

SKANEATELES, The Biggest Builder of LIGHTNINGS, Makes Delivery Anywhere in the Nation

WITH the beautiful lines of Sparkman & Stephens, and the exquisite construction of Skaneateles Boats . . . you have a LIGHTNING that gives the greatest pleasure in handling—and the least cost and work in maintaining. Boatwise skippers prefer Skaneateles construction, which makes us the biggest commercial builder of Lightnings—and the first builder to deliver, as regular procedure, the complete craft anywhere in the United States.

Double-plank construction of hulls—originated by Skaneateles for boats of the Lightning class—gives tremendous increase in bottom strength, is virtually leak-proof since seams of one layer do not overlay the other. No more sprung planks, or yearly caulking; yet your hull weighs no more than a single plank boat. Use of Everdur non-rusting, high strength fastenings—nails, screws, and bolts—adds permanence in the hull and throughout the entire craft.

The selection of vertical grain cedar for bottom and topsides, and airplane spruce to combine

strength and lightweight in the hull and spars, mahogany for trim, is a sample of Skaneateles' care to build a boat for beauty, performance and practicability

Skaneateles Racing Sails are normally supplied—jib and mainsail, of good cut and material, nicely finished. Skaneateles Special Racing Sails, or sails from any specified sail-maker, are supplied on request. All sails come ready for use, with bag for stowing, and carry the Lightning emblem and the boat's registration number.

The Lightning owner is a happy sailor. He can refer newcomers now to Skaneateles, to have a true Lightning—of unmatched build—delivered to home port anywhere in the United States, or to most any foreign port.

A folder on Skaneateles Lightnings, giving complete details on construction is gladly mailed on request

as Lake Erie to compete in the finals of the Junior Championships for the Sears Cup. Lightnings were used for the first time in this competition. It took four days to run off the required races and despite the fact that some skippers had never sailed in centerboard boats and a few crew members had never handled spinnakers the races went off smoothly and were enjoyed by participants, hosts and visitors alike. It was a highly successful climax to a highly successful season.

Fleet Champion Lud Wray, Crew Peggy Clymer and Dick O'Donnell in Sonflower.

The 1947 season of the Spray Beach Yacht Club and Fleet 91 started off with a good bang-up race on Saturday, June 28th. This was the Seniors' registration at the club, and we received a full page spread on the Philadelphia Inquirer sports page. The race was won by Lud. Wray, former University of Pennsylvania Football Coach, who sailed in the Sonflower.

The Official Fleet races got under way on July 5th and lasted until August 30th, they were seven in number, six of which Lud Wray walked away with to win the Fleet Championship in the Sonflower. Jim Buck took the remaining race and was runner-up for the championship. These races were held every Saturday and on the Sundays we had Inter-fleet races with Fleet 26, alternating at each other's yacht club. Charlie Dore in the Vixen won this series.

On August 16th and 17th the Little Egg Harbor Yacht Club sponsored an open Lightning Regatta and also played host to the B.B.Y.R.A. on the "Down Bay Cruise". In this Regatta there was a Lightning team race in which Fleet 91 took third place, thanks to the hard work of the Sonflower, Buckaroo III, and the Bree-Z, who sailed for the Fleet. By the way, there were some 40 boats sailing.

The season ended on Labor Day, and movies of the races and the presentation of trophies were taken by the staff of WFIL-TV, which is one of Philadelphia's television stations. They were shown at a later date over the air. Thanks to the publicity committee of the Yacht Club some wonderful publicity, both on the radio and in the newspapers, afforded the Yacht Club and especially our Lightnings.

The Spray Beach Yacht Club awarded a total of eight trophies alone for Lightnings, and Commodore James E. Buck donated a beautiful Silver Bowl to Fleet 91 in memory of Harry E. Peiffer.

In our plans for next year we hope to hold a Regatta open to all Lightnings based on Little Egg Harbor, and Lower Barnegat Bays.

1947 was a banner year for Fleet 91, as we doubled our number of racing Lightnings and attended two Regattas, and our Fleet

Toms River Lightning Fleet No. 92 has a lot to be proud of concerning this past season. First of all, in competition with four large Lightning fleets sailing under the Barnegat Bay Yacht Racing Association, Fleet 92 had five boats in the final top ten. Second place for the season's racing under the BBYRA went to Fred Scammell in the "Thrasher", No. 1743, third place went to Fred Wiedeke in "Thor", No. 709, fourth place was won by Ned Larrabee in "You Bet", No. 1065, fifth place was taken by George Nelson in "Mystic", No. 290, and Dick Terhune in "Andiamo", No. 1624, took seventh. We're proud of these boats from Fleet 92 which rated so high in competition with approximately forty boats each race day.

The championship within the fleet was won by Ned Larrabee in the "You Bet" with Fred Wiedeke in "Thor" runner-up. Out of a series of seven races held on Sunday afternoons, in which anywhere from eight to ten boats raced, Ned won four races. The Nelson Trophy, given by George Nelson, is the prize for this series and by winning it this year Ned keeps it permanently. It's his third season win.

Two of our boats went to Nyack, New York, in August for the Atlantic Coast Championships. They were "Andiamo", sailed by Dick Terhune, and "Thor", sailed by Fred Wiedeke. Although they brought home no prizes a wonderful time was sufficient reward and inducement to try again next year.

Twice during the season team races were held with seven fleets participating. Both of these times Fleet 92 shone. Our team consisted of three boats: "Thor", Fred Wiedeke; "Andiamo", Dick Terhune, and "You Bet", Ned Larrabee. The first race was held in the Upper Barnegat Bay and later in the season we visited the lower bay and raced in Little Egg Harbor's home waters.

2072	Windswept	Robert W. Thomas

This 1947 racing season has been the most interesting and progressive one in Lewis Point's history. High water delayed our opening until July 4th but from then on we held official races every week-end with informal events continuing throughout October.

The top three positions in the summer series were closely contested to the bitter end, with "Grand Turk" finishing first ahead of "Windswept" by only eight points. "Rubyacht", on the other hand, conceded second place by an even narrower margin of three points. Doc. Carpenter thus gained possession of the M. W. Keller perpetual trophy, in addition to his flags. The H. H. Freeman perpetual trophy for the greatest number of first starts during the series again went to Vernon Roosevelt, who won it last year. Honors in the change about series went to Thomas, Freeman and Roosevelt in that order. (Inside stuff: The Roosevelt's, in a fit of despondency over the performance of their boat this summer, have christened it "YOT" which is derived from the slightly unflattering name "Ye Olde Tub".)

Light winds all summer consistently plagued our sailors except on July 27th, when a freak squall caught us running down wind on the second leg and put three of the five boats over. "Windswept" drifted into shallow water and snapped her mast off just above the deck, but versatile Skipper Bob Thomas rolled up his sleeves and rebuilt it in time to sail in the following weekly race.

Completion of our new boat hoist and track made it possible for us to entertain the Lightning sailors from Onondaga, Skaneateles and Delta Lake Clubs at our first Annual Invitation Regatta on August 23rd and 24th. Sixteen boats participated and Tom Thurlow in "Pikat", from Onondaga, was top scorer for the three scheduled races. "Doc" Carpenter placed second and Paul Ruby third in this series. A noteworthy feature of this Regatta was the fine work done by the local Amateur Radio Club in maintaining constant ship-to-shore short wave radio communication which was re-broadcast over a public address system. Two weeks later our entire fleet sailed in Onondaga's Tenth Annual Invitation Regatta at Liverpool, N. Y. As usual, the host club gave us all a wonderfully good time.

Four other boats from the north shore of Oneida Lake, and a new one launched in our harbor, sailed with us late in the season and will be registered Fleet members in 1948. Two new boats now on order for spring delivery will raise our fleet for next year from five to twelve. We heartily welcome these newcomers and look forward to a wonderful season.

Our season ended with the Annual Yacht Club dinner meeting, election of officers, and awarding of trophies in November. Bob Thomas is our new Fleet Captain, and Vernon Roosevelt will take over the double duties of Secretary and Treasurer. Movies of our Regatta and an illustrated lecture entitled "Air Currents and Movements" provided further interest and amusement, and thus we brought our 1947 season to a close.

Mr. Gerald Holbrook, Mr. William B. Wood and Mrs. James McK. Rose have placed orders this fall for spring delivery of three new Lightnings.

Racing competition was pretty keen at Prout's Neck this past season, perhaps due to a well filled schedule, but more likely due to the guiding hand of Commodore Ozzie Willauer and Race Committee Chairman Henry B. Cox, Jr.

Due to the fact that large percentage of our members could only be present on week-ends, it was decided to have a July Wednesday series, a July Saturday series, and August Wednesday and Saturday series, and a combined championship for the big Lapham Trophy.

This made up the foundation of our schedule upon which we elaborated into a series of ladies' races, seamanship races, a series of six Inter-Club races with Portland Yacht Club and Centerboard Yacht Club, State of Maine Lightning Regatta, and Maine Yacht Racing Association Junior Championships.

Our July and August Wednesday series were conducted in such a manner that we were able to train a goodly number of junior skippers. This was done by making a ruling that Wednesday skippers had to be a junior. They could have anyone they wanted for a crew but they had to be under 18 years of age.

Race results:

July Wednesday Series—Winner, Tommy Williams in "Torolow", 27 points; runner-up, Peter Willauer in "Chippete", 18 points.

July Saturday Series—Winner, Dick Winkle in No. 1195, 30 points runner-up, Tommy Williams, 29 points.

August Wednesday Series—Winner, Dan Simmonds in No. 166, 31 points; Betsy Cox in No. 2650, 31 points; runner-up, Henry Lapham in No. 1166, 29 points.

August Saturday Series—Winner, Tommy Williams in No. 1161, 34 points; runner-up, Johnnie Wintersteen in No. 1302, 33 points.

You can see from the closeness of points that the competition was pretty keen. The results of these series made Tommy Williams Fleet Champion, and Ray and Henry Lapham runners-up. The winner of the ladies' series was Betsy Cox in No. 2650 and runner-up Ginnie Lapham in No. 1166.

We won the majority of the six inter-club races against the two afore mentioned clubs and Tommy Williams and crew placed fifth in the State of Maine Lightning Regatta. Tom Williams, John Wintersteen and Pete Willauer made up our crew at the Maine Yacht Racing Association Junior Championships where they picked up sixth place.

Johnnie Wintersteen, our 1946 Fleet Champion, did not return from abroad until the first of August and he with his fast No. 1302 and Dan Simonds with another speedy, No. 166, who also showed up around the first, tended to spice the competition considerably.

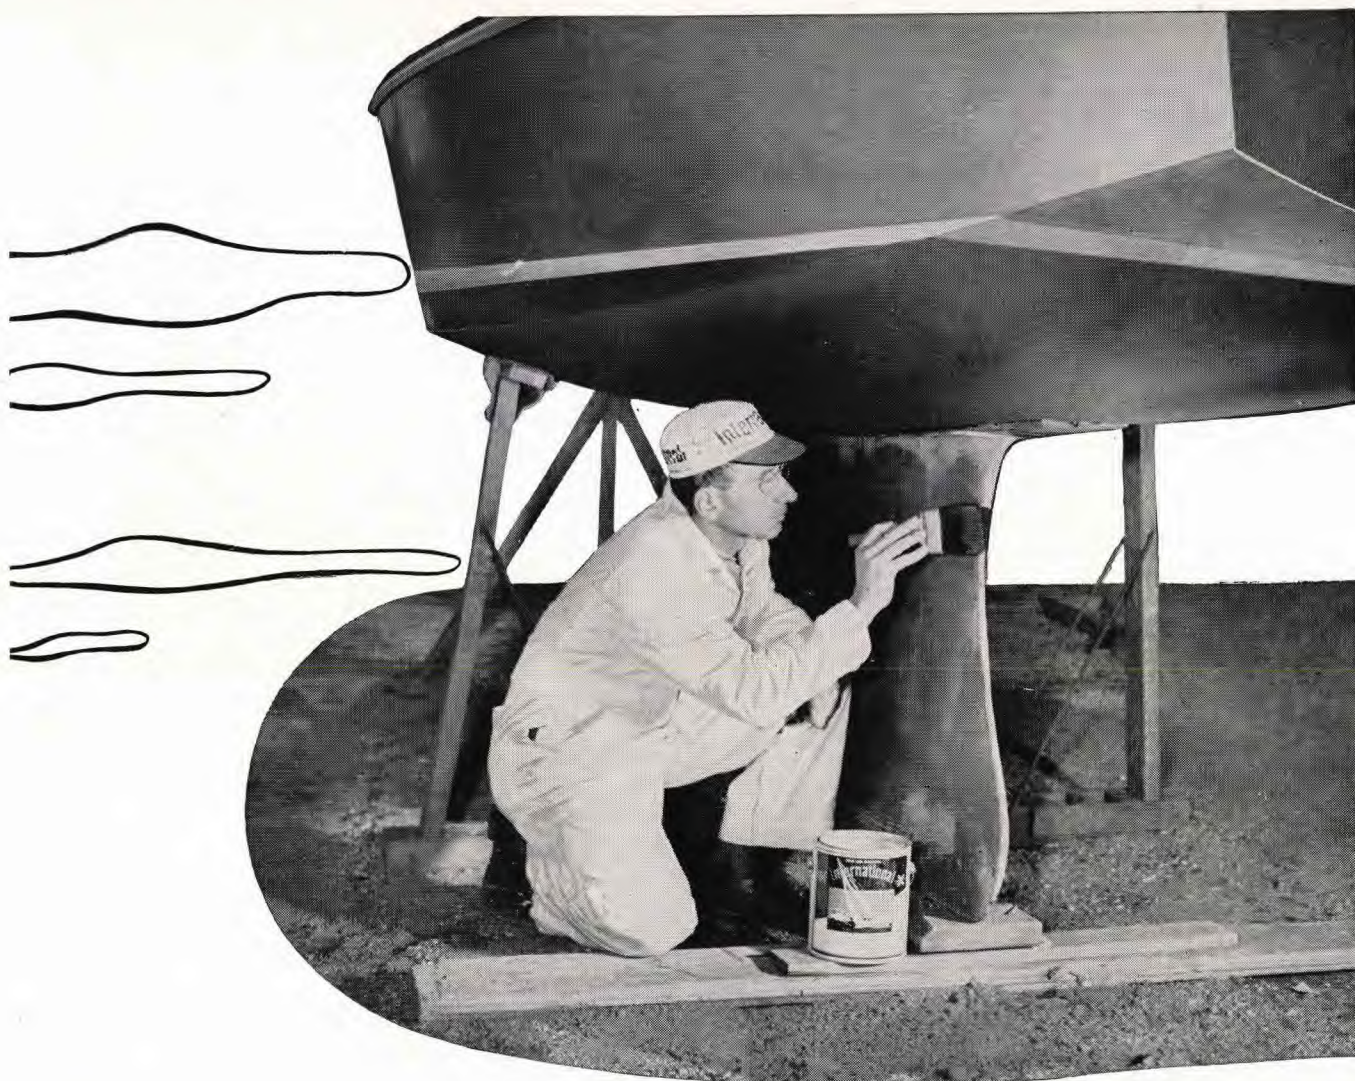

Occasionally we would get a pea soup fog on a junior race day. On one of these days we held a seamanship race which was a short race but a lot of fun. It really showed the difference between those who had been attending Bob Henderson's seamanship classes and those who had not. Tom Williams was the winner of this race with Pete Willauer a close second.

Another foggy day we ran a compass race. Tom Williams won this also. He must have studied one of the navigation books his dad co-authored. We ran two all day races over to Richmond's Island and back with a picnic and refreshing swim on the Island. Those that had spinnakers used them.

The race committee, upon reviewing the past season's accomplishments, decided spinnakers would be used as a regular piece of equipment during the 1948 season.

During the summer three big chowders were put on at which everyone on Prout's Neck enjoyed themselves—both the food and racing proved to be a pleasure. Twice, during these chowders, water safety shows were put on by Manager Bob Henderson and Assistant Howard Reichie, Jr.

With a growing class of Lightnings and with a group that has kept up their interest for the past five years, 1948 should be one of the busiest, and in racing this club should be watched.

FOULING HITS **BELOW** THE BELT!

Fouling is something that no longer need be tolerated. International Bottom Paints, offer positive protection against grass, shells, worms and slime. These effective, long lasting paints contain toxics of extreme purity. Bottom poisons and pigments are so finely ground that they are easily stirred and will not settle hard in the bottom of a can. They can,

therefore, be evenly distributed to give uniform protection. International Bottom Paints are available in a wide range of colors and types to meet every boat use and price limitation. SINGAPORE, INTERCLUB YACHT RACING BRONZE, and the several INTERNATIONAL COPPER PAINTS are known, used and respected wherever boats are built, serviced and sailed.

AWOSTING YACHT SQUADRON LIGHTNING FLEET (95)

Based on Greenwood Lake, Awosting, N. J.

Fleet Captain Edwin D. Wiley, Jr.
Fleet Secretary David F. Palma
Fleet Champion Ted Wiley in "Lovely Lady"
Runner-Up Jack Sengstacken in "762"

Boat No.	Boat Name	Skipper
90	Lovely Lady	Edwin D. Wiley, Jr.
99	Dorbet	Otto F. Ruprecht
700	Dema	A. C. & Chet Howell
762	Jack & Ruth Sengstacken
827	H. C. Sylvester, III
1328	Mary E	John Rusman

2096	Black Swan	August Viret

The racing season in Awosting this year ran from June 21st to September 1st. The season being divided into tune up series of two races, Secretary's Series, Rear Commodore Series, Vice-Commodore Series, Commodore Series and Championship Series of four races each and the final race of the year on Labor Day.

The season got off to a slow start with only five yachts competing in the tune up series, however, this series being our first of the year is a little early for some of our skippers and we don't expect a good showing. First place went to Dr. Sengstacken, No. 1330, and second place was taken by Gus Viret, No. 2096.

The Secretary's Series was sailed on June 28th, 29th and July 5th and 6th. Nine yachts qualified for the complete series. The boys started to get the feel of their mounts in about the third race and things began to get plenty tight from here on out. Evan Moore, No. 1329, won the series with two "firsts" and two "seconds". Ed Wiley, No. 90, ran 5th and 7th in the first two races, but managed to come up with two "firsts" at the end of the jaunt, grabbing off second place for the entire series. The wind being very mild in all four races made this a very keen series.

The boys sailed a special race on July 4th for the Capt. Howell Trophy. That is was a very close race is evidenced by the fact that the first three yachts finished one second apart. Dr. Sengstacken, No. 1330, finished first and Chet Howell, No. 700, came up with a very close second.

Our Rear Commodore Series was sailed on July 12th, 13th, 19th and 20th. Ed Wiley, No. 90, was just about convinced that his yacht could really move and had very little trouble taking first place with Dr. Sengstacken, No. 1330, as runner-up.

The Lightning Fleet of Awosting Yacht Squadron was highly honored in having five members of the Hi-Tor Fleet sail with us as visitors on July 19th and 20th. The visitors were Jones, No. 2489; Myles, No. 1900; Ryan, No. 1899; Southerland, No. 568, and Ganson, No. 27. Members of our Fleet acted as hosts for their two day stay. Because we were in the middle of our own Rear Commodore Series, we had to score the visitors separately. Their scoring positions were: Myles, Southerland, Jones, Ryan and Ganson. First and second place pennants were awarded to the guests. The members of Hi-Tor Fleet (Stony Point, New York) were honored at a steak dinner at Philip's Log Cabin.

On July 26th, 27th and August 2nd and 3rd, our Vice Commodore Series was sailed. This was indeed a very close race and right up to the last, it was anybody's guess who was going to win. The fact that we had a good variety of winds throughout the series made it all the more interesting. H. Sylvester, No. 827, hit the wire first with Gus Viret, No. 2096, as runner-up.

Our Commodore Series on August 9th, 10th, 16th, 17th was sailed under very trying conditions. The wind was very light in all four races and the boys ran over their time in the first run. The weather being what it was certainly called for, and brought out, the best in all our contestants. Ed Wiley, No. 90, earned a good first and Dr. Sengstacken, No. 1330, took second place.

Our Championship Series this year was sailed on August 23rd, 24th, 30th and 31st, and proved to be one of the most interesting series I have ever witnessed at Awosting. The nervous tension was evident from the start of the series. In our second race, half of our fleet were involved in a four on the starting line and this eliminated two of our best sailors from first place possibilities entirely. The elimination of these men gave the rest of the boys new enthusiasm and the series finished up in one of the finest bits of sailing in many a season with Wiley, No. 90, emerging the champ and well earned at that. Jack Sengstacken, No. 762, was runner-up and Johnny Rusman, No. 1328, scored third place.

Labor Day racing in Awosting is always exciting mainly, because our course is doubled in length making it about a four hour race and because at this time of year, the winds are very fresh and very tricky. Ed Wiley, No. 90, and Horace Sylvester, No. 827, were nip and tuck all the way with Ed nosing out Sylvester by four seconds. Third place went to Jack Sengstacken, No. 762.

At the annual meeting of Awosting Yacht Squadron (Lightning Fleet) on August 31, 1947, Edwin Wiley, Jr. was re-elected Fleet Chairman and David F. Palma was re-elected Fleet Secretary.

The members were very much enthused about having members of the Hi-Tor Fleet visit us and race against us on Greenwood Lake. The club plans to encourage other fleets to visit us next season.

The Fleet expects about four or five new Lightnings by next season, bringing us up to fifteen yachts and at this writing (December), two of these have already arrived.

1936	Edward L. Richards, Jr.
		Robert Stewart and June Beidler

This past season was really the first one for our fleet under charter. We didn't get our charter until after the sailing season in 1946, so we really couldn't call ourselves a fleet until this season. This year we didn't participate in as many races as we had planned, because many unexpected events seemed to intervene in our schedule. However, we took part in many races big and small and we nearly had a representative at the Internationals at Toledo. Some of our members, while we were racing, were experiencing the thrills of small boat cruising.

Probably the best authority on this cruising is our Fleet Captain (retiring) Sam Arms. Early last year he and one of his friends started down the Sound towards New London in his boat Intryin. They only had six days for this cruise so they decided to go east for three days and if their luck held up come back home in three days. They set out and sailed for three days and ended up at Plum Gut, which is a long jaunt for any Lightning. As per schedule they then headed for Rye and made it in the prescribed length of time of three days. The run they made is about 80 miles. When they returned, both were quite enthused about cruising in a Lightning and both a little more tide conscious.

The other cruising member of our fleet is Bob Stewart who sails No. 1936. Bob decided to go in for the competition with the larger boats and entered into a week-end cruise to Price's Bend. He was the smallest boat in the fleet, never-the-less he probably had the best time of any. We found out from the race committee that Bob didn't finish but his crew certainly celebrated in grand style.

Our Fleet Champion is sixteen-year-old Ted Richards, who has been sailing for quite a few years with the Junior American Yacht Club and this year came forth in his new boat Lively Lady to beat all the others in the fleet to a "pulp". The runner-up is Allan Stevens in his new boat Nick O'Time, which has now been sold. He started sailing in the Junior Yacht Club also three years ago and has been sailing a Lightning ever since.

We started off our season this year with a record of nine boats. This was one more than we had expected. Soon we all got together at our first fleet meeting and soon were ready for a real racing season. We couldn't possibly have asked for better winds. We had wonderful stiff breezes every weekend so that we soon broke our last year's record on the third race.

This year, however, we had a much better course than that of last year. We received permission from the Coast Guard to put our own buoy out to complete a swell course. Though we changed the shape of our course, we retained its perimeter of four and a half miles.

We had a really wonderful season despite the fact that a few of us suffered damage to our boats. We had our first race of the season at the Edgewater Yacht Club. They were kind enough to invite us over to an invitation race that was very successful for all involved. There were Snipes, Comets, Stars, Lightnings and some other types of smaller sailboats.

The Captain of our fleet luckily picked up a brand new Speedboat which we used for our Committee boat. It served the purpose very well, and we certainly owe our Captain a great deal of thanks.

Again this year we attended a race at Centerport for Lightnings and other boats. It was a very successful day for all involved. The Centerport Race Committee again staged another wonderful race.

Our fleet did not use spinnakers this year because all of us did not have them, but next year we definitely plan to use them.

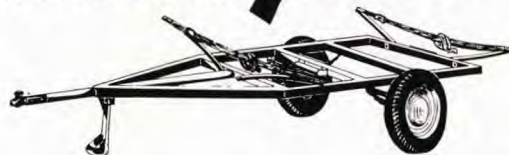

The fleet was invited to three races at the new Edgewater Yacht Club that I have mentioned before. Bill Gentzlinger in "Bee-Gee", the fleet runner-up, came out with two firsts.

GREAT EGG HARBOR FLEET (99)

Based on Great Egg Harbor, at Ocean City, N. J.

Fleet CaptainLester Asplundh
Fleet SecretaryBob Asplundh
Fleet ChampionBob Asplundh in "Blue Flash"
Runner-UpBoyd Asplundh in "Black Flash"

Boat No.	Boat Name	Skipper
134	Eta	William F. Carson
1722	Blue Flash	Bob Asplundh
1723	Black Flash	Boyd Asplundh
1834	CBK	Elizabeth Carl Bell
1923	Sirena	James Drass
2369	Lou-Jim	James R. Bates
2454	Nip n' Tuck	Consuelo & Scott Verrei

From the first glance it would seem that Fleet 99 is strictly a family affair, Lester Asplundh being Fleet Captain and his two sons, Bob and Boyd, being Fleet Champion and Runner-Up, while Bob also carries out the duties of Fleet Secretary. But if it does appear as such let it be known that it's probably temporary and will be changed as soon as possible by one or two of the other five skippers if they can. This being the first year of Fleet No. 99's existence, it is only natural that the two "Flashes" would be 'way out in front because of more experience at racing Lightnings.

1722 and 1723 were purchased for the sole purpose of family rivalry and many two-boat races were held during the summer of 1946. Then, in the 1947 season, with the addition of several new boats, plus the pioneer himself, Mr. William "Kit" Carson in "Eta", No. 134, a Fleet was organized. It was decided that seven races would be held, any five of which could be counted for the final standings. The two "Flashes" proved to be consistent first and second place winners, largely due to that extra year of racing and tuning up, and the "Nip 'n Tuck" pulled in third. Mr. Bates's "Lou-Jim", built, incidentally, by himself and a beautiful sight to behold, ended up the season in fourth, just nosing out Mr. Carson, who placed fifth. Mr. Carson's boat, numbered at 134, is still a threat to the new boats and certainly would have been up higher if it hadn't been for his lack of time to get out and "brush race" during the week. Jim Drass had a little tough

luck with his sails, and Betty Carl Bell—well—she's still our winning girl skipper!

All indications show that next year is going to be a really tight campaign for any boat that seems to think she wants the championship, and we're all looking forward to a greater number of races, a greater number of boats, a greater amount of fun, and a fewer amount of Asplundhs.

In our "turnabout race", the Fleet Champ took the last boat and the last took the first. The second took the next to last and son on. The two "Flashes" again came in first and second with the champ and the runner-up bringing 5 and 6 into 3 and 4 slots. So, is it the boat or the sailor? It's going to have to be the sailor next season.

TAYLOR POND FLEET (101)

Based on Taylor Pond at Auburn, Maine

Fleet Captain
Fleet Secretary J. Grover Eichorn
Fleet Champion J. Grover Eichorn in "Missie"
Runner-Up Carl M. Payne in "Regardless"

Boat No.	Boat Name	Skipper
1337	Petwiki	Winslow H. Russell
1611	Hijack	Laforest R. V. Jackson
2296	Regardless	Carl M. Payne
2297	Missie	J. Grover Eichorn
3306	Egaveva	Gardner L. Brown

Taylor Pond Fleet started sailing in July, unofficially. This was more or less a shake down series, particularly for the "Missie", it being its first season in the water. August opened up our regular racing schedule with a team race each Sunday morning. The afternoon given over to individual races over a triangular 3 mile course.

These were strongly contested for with Carl Payne in his "Regardless" walking off with the honors in August. Laforest Jackson in his "Hijack" second and the "Missie" third.

Unfortunately for the standing of the leaders, our Labor Day Series was counted in with the August Series which changed the picture. This series consisted of two races each day, making a total of four races.

Winslow Russell with his "Petwiki", a former member of the Toledo, Ohio Fleet, and now making his home in Auburn, Me., joined up with our fleet and added his boat to make the Labor Day Series a real contest. The results being the "Missie" first, "Petwiki" second, "Regardless" third and "Hijack" fourth. This gave the "Missie" a very slim margin of one point to nose out the "Regardless" for the Championship. First the "Missie" with 20 points, second "Regardless", 19 points; third "Hijack", 15 points and the "Petwiki" fourth.

After the races on Labor Day a lobster feed was enjoyed by the entire Yacht Club membership. The evening was given over to our meeting and awarding of trophies.

The weather being ideal it was decided to carry on a Frost Bite Series during the month of September. This called for one afternoon race for the next four Sundays. The winner of this series was Carl Payne in his "Regardless".

No. 3306 the "Egaveva", is a brand new boat, the brain child of Gardner L. Brown, our racing official, and a darn good one too. This boat is now under construction and will be worked on this winter, assisted by the skippers of the other Lightnings, to be ready in the spring, and added to our Fleet for next season's series of races.

For the season of 1948 we plan to have four distinct series of races for our own Fleet. We also plan to have inter-club races with the other Fleets of Maine. Plans are also in the works for trailers to be built this winter with the idea in mind that if we are successful in the regional races we can come on to the Nationals for a try at the best.

We haven't held the election of our fleet officers as yet. This will be done this winter.

This fleet appears to be headed for inactivity in 1948. Information from one of the member states that No. 1650 was moved to Ottawa River, No. 1651 was sold and 1658 is for sale and perhaps one or two more may leave. Sailing conditions are none too good at Perrysburg, due to high banks and low water.

LAVALLETTE LIGHTNING FLEET (104)

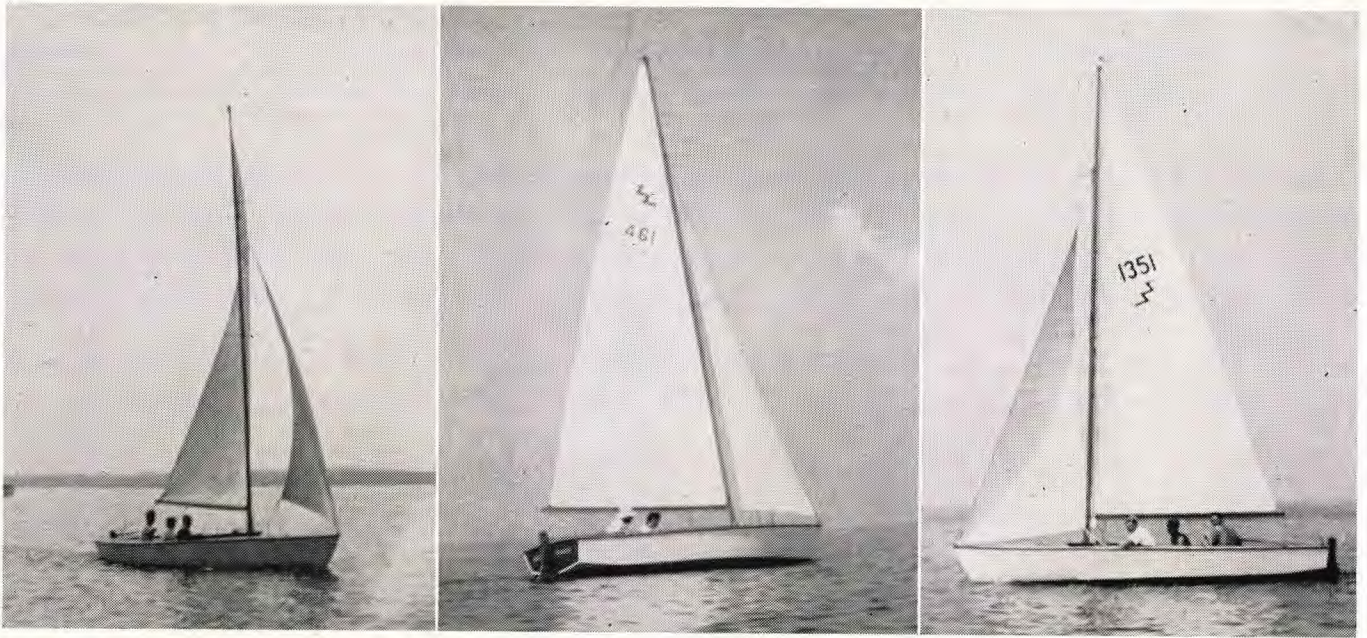

Based on Barnegat Bay, at Lavallette, N. J.

Fleet Captain J. Leslie White
Fleet Secretary Carle A. Forster
Fleet Champion H. Lyman Sindle in "Bayrader"
Runner-Up J. Leslie & Craig White in "Margamay"

Boat No.	Boat Name	Skipper
461	Margamay	J. Leslie & L. Craig White
567	Bala	Harold B. Thomas
657	One Shot	J. Clifford Heller
864	Bayrader	H. Lyman Sindle

2621	Blackjack	Chaunce Rogers
Additions to the Fleet for 1948		
3510	Harry R. Sindle
3243	Lynwood A. Tripp

The 1947 season saw a renewal of the 1946 competition, and results with Harry Sindle bringing his "Bayrader" in either first or second place too often for either the White's "Margamay" or Jack Forster's "Folly II" to overtake him. Aileen Slovak with "Stardust" showed the greatest improvement during the season having started sailing as a novice the previous year. Big things are expected from the three Engineers, the Niles in their "Three J's" who made their start in the Lightning Class at mid-season and were therefore ineligible for the club championship.

Among the features of the season were the Beach Haven Team Races with racing morning and afternoon and dancing at night, and several night races. However, it was the post-season series held during September and October with as many as three races a weekend that gave the participants the greatest amount of pleasure.

Fleet 105 ended its first season very successfully. We scheduled a total of twenty-two races including sixteen point races equally divided between July and August and six special cup races held throughout the two months and Labor Day.

In the July series Fleet 105 had only seven boats competing. The other boats, being on order, did not arrive in time. Bill Dahl in "Corvus" was first, Al Van Wagenen in "Sea Hawk" second and Al and Pat Kelsey in "Eager Beaver" third.

In the August series Fleet 105 enjoyed perfect sailing conditions. We had eleven boats competing for the August cup. Al and Pat Kelsey took the August honors, with Bill Dahl second and George Slater in "Buccaneer" third.

In the final season standing, Bill Dahl was first with the most points. Pat and Al Kelsey second and George Slater third. It should be noted that John and Dave Massey and their cousin, Steve Jones in the "Puffin", were disqualified in two races in July and were involved in a trailer mishap in their trip to Nyack for the Atlantic Coast Championship in early August. These unfortunate happenings prevented them from placing in either the July, August or season standings.

On the Fourth of July, the commodore of the Groton Long Point Yacht Club sponsored a race with seven Lightnings competing. A beautiful northwest wind brought John and Dave Massey, in the "Puffin", first.

One of the annual events of the Groton Long Point Yacht Club is the "Ram Island Picnic Race". All the Yacht Club boats, including the Lightnings, sail to Ram Island. The skippers and crews enjoy a picnic luncheon on the island, after which all the boats race back, in their respective classes, to Groton Long Point, five miles away. This year the wind was a strong southeaster and it was debatable where the Lightnings should use their spinnakers. It happened that the first Lightning to round the weather mark was "Eager Beaver", and she did not fly hers. But following "Eager Beaver" came the "Corvus" who immediately flew her spinnaker. Consequently, as the "Corvus" caught up to "Eager Beaver", the latter's crew tried to hoist her spinnaker with no avail. It twisted around the front stay and ripped when the crew tried to take it down. The "Corvus" went on to win the race closely followed by the "Buccaneer", who had flown her spinnaker also.

Fleet 105 participated in the Groton Long Point Yacht Club's "Long Distance Race". The course was posted a week before the race and could be sailed either clockwise or counterclockwise. In a very strong southeasterly wind the "Puffin", skippered by John and Dave Massey won the race rounding the course counterclockwise.

Nearing the end of the season, the Groton Long Point Yacht Club sponsored a "Turnabout Race". A race in which the skipper trade boats. Pat Kelsey skippering the "Corvus", crossed the finish line first with quite a lead.

The Vice-Commodore's Cup was presented to Allen Russell in "Skeeter" for sailing a remarkable race on Labor Day. Allen got off to a good start and kept his lead through the whole race. Allen brought his boat down at Bay Head, New Jersey. He worked

on it during July and you might say tuned it up during August to win the big Labor Day Race in September.

Fleet 105 delegated the "Puffin" and the "Corvus" to the Atlantic Coast Championship Regatta at Nyack, New York. Meeting up with quite a bit of competition, but enjoying a wonderful time, our boys placed 33rd and 34th in the final standing.

Fleet 105 delegated the "Skeeter" and the "Sea Hawk" to the Eastern Connecticut Yacht Racing Regatta at Pine Orchard, Connecticut. Our two boats showed up well with twenty-one Lightnings competing. Allan Russell in "Skeeter" ranked 4th in the series and Al Van Wagenen in "Sea Hawk" 7th. The "Skeeter" came in first in one race and the "Sea Hawk" came in 2nd in another.

Fleet 105 was host to a "Fisher's Island Sound and Thames Estuary Lightning Baby Regatta". We were very proud to have John and Dave Massey, in the "Puffin", win the foot high cup offered by the Rear Commodore of the Groton Long Point Yacht Club. There were twenty boats competing from five yacht clubs. Second came Bindloss in the "Joker" from the Watawanuck Yacht Club in Stonington, Conn. Third came Morse in the "Schuss" from the Thames Yacht Club in New London, Conn.

In our fleet we have quite a few girls interested in racing. We have Pat Kelsey, our fleet secretary, who with her brother brought "Eager Beaver" in the runner-up position for the season. New at racing is Jeanne Archambault and Janice Saunders who received their boats in late July and competed all through August.

During the coming sailing season Fleet 105 expects to see at least twenty boats in competition. Many new people are getting interested in Lightnings and it is anticipated that we shall have the largest Lightning Fleet in Eastern Connecticut.

EXECUTION ROCKS LIGHTNING FLEET (106)

Based on Western Long Island Sound, New Rochelle, N. Y.

Boat No.	Boat Name	Skipper
308	Swoose	A. A. Alexander

861	P. M. II	Roy Moore
1178	Scamp	Frank Connelly

2634	Hussy	D. W. McDonald
2966	Bozo IV	E. F. Cotter

The first season of Execution Rocks Fleet has been successfully concluded and was notable in that the majority of the fleet skippers showed keen interest in local racing events and the fleet was usually well represented.

Ten boats were present for Larchmont Race Week with "Lolo II" taking top honors for the fleet by placing fifth in a field of 75 Lightnings. Fleet 106 placed second to Riverside Fleet in the Championship Series of the Long Island Sound Lightning Squadron (8 fleets) with "Bozo IV" and "Lolo II" winding up 4th and 5th respectively, the first three place winners being Riverside entries.

Fleet boats took part in the majority of YRA LIS (Yacht Racing Association, Long Island Sound) races and were represented in the final standings for the season with "Bozo IV" and "Lolo II" again finishing 4th and 5th. The same two boats went via trailer to Nyack, N. Y. as fleet entrants in the Atlantic Coast Championships, finishing 16th and 21st. Skippers Cotter and Jenkins reported that, while racing conditions were quite tricky, due to the strong current and variable winds, they enjoyed the series and commented particularly upon the excellent hospitality extended to the visiting contestants by the Nyack Boat Club.

In addition to sectional racing, the fleet sponsored several races of its own under the direction of Alex Donegan, Race Committee Chairman and Skipper of "Fire Fly". These included a long distance race won by Burr Jenkins in "Lolo II", with Roy Moore in "P. M." a close second; a guest skipper race, in which boats and crews were drawn by lot, won by Jenkins in "Fire Fly"; and a crew skipper race in which only a member of the regular crew could be the skipper. In this race Mrs. J. B. Jenkins, in "Lolo II", nosed out Jack Cotter in "Bozo IV" for first place.

Other skippers of note are Doug Lockhart, 3rd place winner in the fleet's seasons standing in "Fan Sea", and George Hands, 2nd place winner, in the Fleet Spring Series in "Pippin".

The big feature of fleet racing was the close contest for fleet champ as the lead changed hands several times and was only decided in the final week of racing and by the small margin of .019%.

Don McDonald, who built his own boat during the spring and summer was unfortunately held up in construction and his boat, "Hussy", was not launched until the end of the season. He did get in a few days of sailing, however, and is ready for an early start next year.

In the fall B. T. Gialdini moved to Lake Michigan taking his Lightning "Hotcha" along. The Fleet is waiting for his report on Lightning sailing in that area.

During the winter, as was the case last year, fleet meetings have been scheduled to discuss the latest in sailing and racing with a night set aside for viewing the 1947 International Movies.

Fleet 107 had a most successful first season with as many as ten boats participating in some of the races. Several of the Lightnings also found time to enjoy the fine scenery at Catalina Island.

At our annual meeting this last fall Mr. Lionel Evans was elected Fleet Captain, Mr. Richard Daniels was elected Secretary.

Several boats have changed hands but our fleet gets larger and is the largest on the Southern California coast. We have a good many skippers that are old hands at the game and give some of us newer ones something to think about and strive for.

All in all our season just past was very gratifying and we are looking forward to the coming season.

Back in August, 1946, the possibilities of a Lightning Fleet were visualized by two Sodus Bay Y. C. sailors, and subsequently the ball was started rolling toward that objective. The membership was told of a meeting scheduled in October, with the pleasant anticipation of Lightning International Regatta movies shown and with George Barnes of Skaneateles Boats, Inc., the speaker. The meeting, modestly attended, resulted in three sailors placing orders for sloops that night. In the following two months, five additional orders were given to Skaneateles Boats, Inc., making a total of eight, for spring delivery 1947. These boats were received intermittently in the spring and early summer months, and in July, racing started vigorously.

A full schedule had been drawn up by the Race Committee, which included a June tune-up series; July 4th races; fourteen races for the Championship a Labor Day week-end series of three races, and eight races in a September series. Lightning deliveries were not sufficient to participate in the June series, but the lads went to town in the Championship racing. After the dust of battle had settled it could be seen through the haze that Skipper Bill Croucher of Newark was, readily enough, the champ. Larry Morley, Sodus Point sailor, was runner-up, and Wilson Parker of Lyons had accrued third place.

Previous Independence Day racing had resulted in John Swartz, Syracuse enthusiast, walking off with the gravy; Ken Collier, Clyde's mayor, absorbing the second spot, and Wilson Parker third. The post-season September races were good medicine for Ed Sohmer and his "feather weight canvas" ship "Tern", which predominated among the limited entries.

Contacts were established with neighbor clubs, resulting in four skippers and their crews, from the Fair Haven Yacht Racing Association, trailing their sloops to Great Sodus Bay for a pleasantly stimulating two day series in August. Among those present were Bob Griggs, now Lake Ontario Champ, and "Doc." Riley of Oswego, who took the measure of all the entrants in the second day's racing. Honors were split about evenly between the two clubs. It is anticipated that the local club will return the courtesy by sailing in Fair Haven waters some week-end in 1948.

The 1947 Lake Yacht Racing Association Regatta was scheduled at Sodus Bay Yacht Club in 1947, but was flooded out, with inundated docks and grounds.

Another event of importance to our fleet is the projected Tri-Club Lightning Regatta which will be inaugurated in 1948. The Pultneyville Fleet to our west, and the Fair Haven Fleet, our friends to the east, may be seen in action together on Great Sodus Bay for the first time. The dates are not yet set.

Our Club is re-established in the Central New York Yacht Racing Association, and should have representation at that Regatta in 1948.

Gerat Sodus Bay Lightning skippers held their first business meeting in August, and elected the officers shown above.

Names of potential Lightning owners for 1948 might include George Parsons, Sodus attorney; Tom Bloomer of Newark; Jim Donaldson of Rochester Harold Bush, Marion Banker, and several others. Your correspondent will not "rest easily" until Fleet No. 108 has swelled to at least twenty-five boats. Then that would be a good time to set a goal of fifty.

St. Petersburg Fleet No. 109 was chartered just a year ago, with only three members and has now grown to 15 active members, ten associate members, and 12 boats.

During this first year of growth and organization a total of twenty-six races, divided into 5 series were held. The Fleet participated in six Regattas, including the Southeastern District Regatta at Miami, in which Dr. W. W. Jennings' "Hussy" finished second. In addition to racing nearly every Sunday afternoon from January through December, many nights found the Fleet slipping through silvery water under that Florida Tropical moon.

Enthusiasm for the Lightning has become so contagious in this area that an epidemic is inevitable. We expect to continue to grow during 1948 as we did in '47, sponsored as we are, by one of the finest nautical organizations in the South, the St. Petersburg Yacht Club; located on a yachtsman's paradise, Tampa Bay; and blessed with a climate that permits sailing in mid-winter in a pair of shorts.

On December 6th at the Championship Banquet, Dr. W. W. Jennings was presented the Wilhelm Trophy and acclaimed the Fleet Champion, for sailing his "Hussy", with his wife Betty and Dick Misener as crew, to victory. Howard and Odgen Helt, our "father and son combination" sailed their "Pelican" to runner-up position.

We expect to invade Miami in force for the Orange Bowl Regatta, taking four or five boats down by trailer, December 27th. A full year of sailing has been planned for 1948, including three long distance events, but the headline attraction is to be the First Annual Lightning Mid-Winter Regatta, to which every Lightning owner everywhere is invited and is to give the snow-bound sailor an opportunity to bring his boat and his family to Florida to sail in the sun in January. The St. Petersburg Fleet has planned some keen racing competition and a grand round of entertainment. Description and particulars have been sent to each Fleet in the Association. This time we'll heartily welcome an "invasion" of "Yankees" to the South.

St. Petersburg Fleet No. 109 wishes to go on record as expressing its gratitude to the founders and officers of the Lightning Class Association for the formation and functioning of this Racing One Design Class and is indeed happy to have become a part of such an excellent organization.

Fleet No. 110 started its 1947 racing season with the opening of the racing season of the Higgins Lake Boat Club on July 4th. We raced each week-end, thereafter, with the HLBC Fleet of Lightnings, Hurricanes, Seagulls, 110's and E boat numbering some 26 boats. Each class had its own handicap. It proved a very satisfactory arrangement and provided a grand afternoon's entertainment for residents of Higgins Lake.

All but one of our fleet of nine boats, the "Steven R" No. 632 owned by Paul W. Rhame sailed during the summer. It was great fun and created such interest that many fine plans are being made for the 1948 season.

We have two new boats ready to be launched, one owned by Claire Ballard, the other by Wilbur Seelye, and several more we hope will be ready before our opening in the spring.

The Committee is planning to have Al Gray and Bud Kleyn of the Pontiac Fleet come up and give up some pointers. The enthusiasm for sailing Lightnings is gaining momentum on Higgins Lake!

We elected officers for the 1948 season at a meeting held just before the Championship Race August 30th. You'll no doubt hear many things about Fleet No. 110 in the near future.

Our Championship Race developed into one of those days of all days as far as wind is concerned. It was practically a gale and it goes without saying that bailing took up most of the crew's time.

Glenn Osgood in "Hard-A-Lea" No. 2120 nosed Stacey De Camp in "Pollywog" No. 2119 out to win the trophy.

We extend our hospitality to all who will come and sail our beautiful waters at Higgins Lake in '48.

We were hosts for the first District Championship, which was taken by Steve Lynch, Fleet 130 in the Chop Chop with Dr. Jennings Fleet No. 109 second (Hussy) and Ed Perry, Fleet 111 in third place.

Ed Perry won the fall series and Dr. Stewart was second in his "Jo Flo".

Ken Cronfelt, who was runner up in last winter's series, represented our fleet in the Internationals at Toledo, sailing a borrowed boat. He did very well in the consolation series placing sixth.

The City of Miami held a regatta on the formal opening of the new causeway to Biscayne Key. Fleet 111 took a first and a third with Perry in Harpoon and Dr. Stewart in Jo Flo. Steve Lynch from Fleet 130, sailing his new boat Windward took third.

We held our mid-winter regatta and with both Fleet 111 and 130 represented had an excellent showing. Fleet 111 took a first and a second with Ed Perry and Cronfelt. Lynch's boat, Windward, took a third for Fleet 130.

The University of Miami, has five boats to be used for sailing courses and will have crews sailing them in our spring series.

In the Orange Bowl Regatta, the best we could get was a fourth with Perry.

2533	Myzie	Geo. N. Reeke

Fleet No. 112 enjoyed a very successful racing season this year, with a fleet of eight Lightnings participating in three series of races. The first series, consisting of five races, was held between June 5th and July 3rd. The second series consisted of seven races from July 17th to August 28th. We had only four races in the fall series, held between September 21st and October 19th. Points were awarded on the basis of one point for finishing and one point for each boat defeated. The point totals for the first three boats for each series were as follows:

FIRST SERIES—LeClercq, 23 points; Reeke, 19 points; Bielefelt, 17 points.

SECOND SERIES—LeClercq, 40 point; Reeke and Bielefelt tied with 27 points.

THIRD SERIES—LeClercq, 21 points; Bielefelt, 19 points; Burrige, 17 points.

On the basis of total points for the season, LeClercq was the Fleet Champion with 84 points and Bielefelt was runner-up with 63 points.

We held all of our races on Thursday nights at 5:30 sharp and found that it worked very successfully. Holding our races on a week night left our week-ends open for family sailing and limited cruising.

Preceding the racing season we held meetings at the Yacht Club to discuss racing rules and tactics as we found that most of our skippers and crew members were quite unfamiliar with these subjects. We also held impromptu meetings after each race to discuss various tactics and matter of right-of-way which had occurred during that afternoon's race.

A dinner, held for all skippers and crew members, at which cups were awarded for first, second and third place for the third series of races, completed the season. The dinner was followed by a very interesting lecture by Alf Loomis and movies of the Fastnet Race and the International Six Meter Races held this summer.

Plans are already under way to schedule inter-fleet races with neighboring fleets for next season.

Our fleet this year hopes to be able to enter into more activities of the Association. This year we were getting our boats after much delay and then we were getting acquainted with them. Our harbor was also undergoing extensive changes, and it was most difficult to manage our own moorings without having extra affairs. However, now we are getting settled and hope to have other Fleets as guests during the season of 1948.

SAN DIEGO BAY FLEET (114)

Since we had no District Championship Race this year, I will give you a resume of our racing season. We have had a very active year considering how small our fleet has been.

1st: Carl J. Ackerman's Tutu No. 673 entered the Southern California Yachting Ass'n. 18th annual mid-winter Regatta in February at the Los Angeles Yacht and won 2nd place.

2nd: In the Summer Handicap Series at Coronado Yacht Club, Coronado, Calif., Ed. Turner in "Stormy" No. 1909 won first place and Carl J. Ackerman in "Tutu" No. 673 won third place.

3rd: The Coronado Yacht Club, Coronado, Calif., held their annual small boat Regatta June 29th-30th, and in the Lightning Class Ed. Turner, "Stormy" No. 1909 won first place trophy.

4th: At the Southern Calif., Yachting Ass'n Regatta held at Santa Barbara, Calif., in August. Richard Daschner in "Tantrum". No. 1452 won first place. All Lightnings in Fleet No. 114 were entered.

5th: At Lido Isle Yacht, Newport Beach, Calif., in their first annual small boat Regatta held August 16-17, Carl Ackerman in "Tutu" No. 673 won first place and Ed Turner, "Stormy" No. 1909 won second place. There were four Lightnings from Fleet No. 114 in this race and 12 Lightnings all told.

6th: At Mission Bay Yacht Club, San Diego, Calif., in a race

Ray Chenhall's Flash winning first place in the Labor Day Regatta at the Balboa Y. C.

of Lightnings only from Fleet 114, Carl J. Ackerman in "Tutu" won first place.

7th: At Balboa Yacht Club's Labor Day Regatta, Newport Beach, Calif., Raymond E. Chenhall in "Flash" No. 2633 won first place. Ray came in first in all three races in this series. There were eight boats in it and Ray's was the only one of Fleet No. 114.

8th: At Coronado Yacht Club in a Handicap Series called the Longstretch Series including 24 boats of all kinds, big and small, Wm. V. Pirie in "Adios" No. 1531 won second place.

A boat from Fleet 114 has won a place in every race they have entered.

Just now the big thing is our Lightning Thanksgiving Regatta which is being sponsored by Coronado Yacht Club. We are expecting at least 15 entries. Coronado Yacht has shown a real live interest in the Lightning Class and are putting on this Regatta with the idea of building up a Lightning Fleet at Coronado. Appreciation should be shown them.

The highlight of our racing season was going to Santa Barbara for the Regatta. (We have not as yet had our Thanksgiving Regatta.)

There were four Lightnings, the "Stormy", "Flash", "Adios" and "Tutu" trailering down the highway in a convoy. The distance was 225 miles and on a very busy highway. Seventeen of us in our Lightning group were able to find a place to stay in the same Motel. We had a real "Lightning" meeting. The Motel manager put out a sign to the effect that "Lightnings have struck more than twice in the same place".

Then at Lido Isle Regatta when there were absolutely no places to stay, five of us managed somehow to find a trailer that we could get. It was very tiny and slept only two but five of us slept in there. What one will not do to sail in a race!!

Carl J. Ackerman in "Tutu" went along with his wife and a crew in a cruise to Coronado Islands, 20 miles off shore, in July. There were 13 big boats from Coronado Yacht Club going on this week-end cruise and we decided to enter. It was great fun anchoring in Mexican territory with 40 feet of water under us and listening to an old sea lion from the cliff ashore roar at us all evening. (These islands are not to be confused with Coronado, Calif. Coronado, Calif., is on a peninsula protruding in San Diego Bay. This beautiful little city is reached by a five minute ride on a ferry or by driving many miles around the south end of San Diego Bay and up a narrow neck of land called the Silver Strand. This peninsula forms a beautiful little Bay called Glorietta Bay on which the Coronado Yacht Club is located.)

I am enclosing some pictures which are not as good as we wish we had. Perhaps we need an amateur photographer among our group.

We have many plans for next year and I am sure you will hear much of our Fleet. Our big ambition now is to sail to Santa Catalina Island, a distance of 22 miles from Los Angeles, and we will!!! That will be real ocean going. We will sleep aboard and sail back the next day.

Sleeping aboard a Lightning is no trick at all. We simply (on "Tutu") bridge over temporarily the space between the seats and the centerboard trunk with plywood and then put mattresses on this which we carry up in the bow and then with the cover over the boom and a lantern hanging on the mainmast we are as snug as two bugs in a rug. We often go on Crown Cove cruises with our Yacht Club on over night cruises in which the big boats go, and sleep aboard.

We have several people who are going to purchase Lightnings as fast as they become available.

Our activities have been very pleasant, but more on the social side than the official, we are all comparatively green at racing, and have been doing it each week in the hopes of learning some of the art.

I took my boat "Samue'z" No. 452 to the Lake Erie Regatta; went out in a heavy wind and upset, thereby increasing my experiences. It was still fun.

I promise Fleet No. 115 will have a better report at the end of this year with some pictures.

**Now transferred out of Fleet 116 at end of season.

This Fleet, starting with three boats in the spring of 1947, has grown to the list above at the end of the season. All were actively interested in Fleet activities. At the start of next seasons racing, we should have at least 10 new members according to reports on new boats on order.

Our activity in this, our first, season was centered on accomplishing two things. To gather all Lightning owners within the area together and sail as a unit in the three Regattas sponsored by the Eastern Long Island Yacht Racing Association, and to sail a three race elimination series to determine the Fleet Champion. Both of these things were accomplished.

On July 19th eight Lightnings participated in the ELIYRA Regatta held at the Shelter Island Yacht Club; gray skies and moderate southwest winds prevailed. The "hands down" winner was "Blue Streak" sailed by Arthur Francisco, Jr., with Howard Meinke second, and Mosier third. On August 16th the Orient Yacht Club played host to the ELIYRA and fourteen Lightnings

entered. Once again gray skies were prevalent, but the wind was easterly. "Mab Jr.", sailed by Mills, showed the way particularly with spinnaker work; Francisco was second, and Meinke third. Finally, on August 3th, we were treated to clear skies, but little wind. Twelve Lightnings participated in the ELIYRA Regatta at the Southold Yacht Club, which almost developed into a called race. Light southwest wind prevailed for the entire race, and all classes piled up near the end of the down wind leg, just about able to hold their own against the ebb tide. It was quite a sight to those not sailing, as about fifty boats of all descriptions stood on one line for about twenty minutes. When a gentle zephyr hit, all started to move at once and it was a scramble for the next mark. When the scramble was straightened out, "Miko" sailed by Burden was first, Meyer second, and Mills third.

On August 9th and 10th, we sailed a three race elimination series to determine the Fleet Champion. Fine weather was ordered and received for the two days. After the necessary addition was completed, the point scores showed Mills, first; Francisco, second; Burr and Lohrke, tied for third. Adding all points for the entire six races, with many DNS and DNF, the standings were Francisco, 48; Mills, 42; Lohrke, 32; Burr, 29; Burden, 24; Meinke, 22; Suter, 17; Mosier, 16; Brigham, 15; Meyer, 15; Connors, 13; McKnight, 12; Smith, 11; Gibson, 0.

As the season progressed, the racing became better. Starts were closer to the gun, and finishes were closer together. Spinnakers were handled better in every race, and in most cases positions were undetermined until almost the end of the race. For the coming season, in addition to sailing in the ELIYRA Regattas, and the Fleet Champion Series, we are interested in sailing every week for a season point score, rotating between the Clubs. At the end of the past season, all were agreed that more racing for next year should be definitely scheduled, and if possible a representative at the International Series.

Two years ago the first Lightning was placed on Lake Springfield at the Island Bay Yacht Club and since that time it has grown to a fleet of seven boats.

The Island Bay Yacht Club has held a Mid-States Regatta for the last eleven years. There were eleven Lightnings entered in the 1947 Regatta. We are confident that there will be even more Lightnings entered in the 1948 Mid-States Regatta to be held on Labor Day.

We contemplate holding a series of races with the Decatur Lightning Fleet during the 1948 season. This is in addition to the various series held within the No. 117 Fleet.

Rhoda, John Robertson's champion of Fleet 118. Runner-Up in Lake Erie Districts and 6th at the Internationals.

Fleet No. 118 had an extremely successful season this year. The regular Championship races started on Saturday, May 31st, and carried right through until Saturday September 27th, a total of fifteen races were counted with Johnny Robertson in "Rhoda" cleaning up on the rest of the fleet in fine style. The closest competition was between "Gallant" and "Gannet" for second place while Wallie White edging out Bob Morrison by 2½ points after a ding-dong battle all season. We were blessed with almost perfect weather all season which helped to make it the finest yet.

Following is the final standing:

1-2327	Rhoda	Johnny Robertson
2-1620	Gallant	Wallie White
3-1897	Gannet	Bob Morrison
4-1539	Paradigm	Jim Dailey
5-2956	Aleda	Stew Cooke
6-1541	Barb-E	Frank Smith
7-2957	Ariel	Perc Powell
8-1573	Hadji	Bill Dixon

Wednesday evening races were held from June 4th to September 3rd. After a season of hot racing in everything from gales to flat calms. Johnny Robertson in "Rhoda" again came out top-dog, with Wallie White in "Gallant" and Bob Morrison in "Gannet" finishing second and third. Wallie rolled his "Gallant" over in the second race of this series when he tried to show the rest of the fleet how to sail a Lightning in a gale with full sail up, and didn't succeed. The water was damp and cold.

The biggest event of the season was the Annual Invitation Regatta held on July 5th and 6th. Eighty-eight yachts of all sizes competed. The Lightning Class, as usual, was the largest present with twenty-three starters from the U. S. and Canada. Karl Smither in "Thermis Twice" was as good as ever, showing the rest of the boys how it should be done, and coming out with top points after three races. All were sailed in fresh westerly winds which livened things up at times. Karl had to work for it though.

PHONE CITY ISLAND 8-1454

The hard racing, parties, and dancing in the evenings tested the stamina of all the crews present. Everybody had a lot of fun and promised to return next year. We will be ready and waiting with more boats and more fun.

The Fleet towed to the Burlington Yacht Club Regatta on August 9th. Johnny Robertson romping away with first place and the prizes.

Five boats started to trail to the Lake Erie District Championship at the Buffalo Canoe Club and four arrived. Perc Powell's trailer broke down and the "Ariel" spent the week end at the side of the road. However, Johnny Robertson, Bob Morrison, Bill Dixon and Jim Dailey raced. Johnny Robertson finished a bang-up second to Bob Graf in a fleet of fifty starters.

Johnny took his "Rhoda" over the border to the Internationals at Toledo. This is Johnny's first season sailing a Lightning and we in Fleet No. 118 are proud of his record while there. "Rhoda" finished first and third in the elimination races to head the list in her section. In the finals "Rhoda" finished 3rd, 18th and 4th for a sixth place in the series. We, here, are convinced that if Johnny had had good luck, instead of bad, in that second race, the final results would have been a lot different. We would like to give due warning that the invasion from the North has started and that the Southerners had better look to their laurels in the future.

On the season's sailing "Rhoda" won the Joe Berry Memorial Trophy, the R.H.Y.C. Lightning Trophy and the Hugh Weir Memorial Trophy. "Gannet" took the John Carroll Shield for the "Round-the-Bay Series" and "Gallant" took the Bill MacDonald Memorial Trophy for the Interclub Series.

Present plans for 1948 include the usual Saturday afternoon and Wednesday evening series; the Annual Invitation Regatta; the District Championships; the L.Y.R.A. Regatta at Clayton, N. Y.; the Canadian National Exhibition Races at Toronto, Ontario, and the Internationals. We are also trying to revive the home and home series with the Buffalo Canoe Club. This series ran before the war, but was suspended when most of our sailors were away fighting instead of sailing.

Note:

As the sailing section of the Leander Boat Club was disbanded during the 1947 season the following boats have transferred from Fleet No. 76 to Fleet No. 118.

WESTERN NARRAGANSETT BAY FLEET (119)

Based on Narragansett Bay at Conimicut and Longmeadow, R. I.

Fleet Captain	Clarence T. Loven
Fleet Secretary	Robert B. Scott
Fleet Champion	Ralph G. Kenney in "Cutshausha"
Runner-Up	Robert B. Scott in "Pronto"

Boat No.	Boat Name	Skipper
1888	Whing Ding	Clarence & Eleanor Loven
2338	Cutshausha	Ralph G. Kenney
2347	Gaed	F. Sheldon Davis
3048	Pronto	Robert & Mae Scott

Fleet No. 119 enjoyed a very successful season during 1947. Nine races were held from early July to late September in deciding the fleet championship which was easily won by "Cutshausha" with an average of .926%. Second was "Pronto" with .700%.

Six of the nine races held were raced in conjunction with the organized regattas of the Narragansett Bay Yachting Association at different yacht clubs on Narragansett Bay, and therefore constituted the series for the determination of the winner of the N.B.Y.A. championship. "Cutshausha" again won with an impressive record of four firsts in four races entered for an average of 100%. "Pronto" again was second with .773%.

Other events during the season were the Tuesday and Thursday evening informal races and the long distance race, in which Lightnings again showed their speed. The evening races attracted from seven to sixteen boats and were useful for tuning and practice. The long distance race, held in late September by the newly-

organized Conimicut Yacht Club, was around a thirty mile course down the Bay and around Prudence Island. "Pronto" made a mistake and came in first.

Racing enthusiasts have been slow to adopt Lightning here on Narragansett Bay, but this past season should definitely establish the Class for once and for all. It has been pretty generally supposed that the rugged going, which is the usual lot of racing yachts on this water, demanded a different type of boat than the Lightning. There are some twenty-seven classes of boats regularly racing in the regattas and such boats as the Hunt designed 110's & 210's, Stars and Herreshoff's many classes, have made it difficult to put the Lightning over by comparison with its success in other localities. However, indications are that next season will see a marked increase in the number of Lightnings competing. Interest in these boats is much higher here than ever before due largely, we like to think, to the efforts of the members of Fleet No. 119.

It is interesting to note that our champion, Ralph Kenney, built his own boat of Mahogany which once lay in the shop of the celebrated Herreshoffs in Bristol, R. I., home of many champions and America's Cup defenders. This fact may possibly have something to do with performance of the boat—but the writer thinks otherwise having split tacks with Ralph on many occasions only to wind up in his wake!

"Shel" Davis and "Bill" Loven also built their own boats and each can be justly proud of a job very well done!

If the price of Lightnings should ever descend from the realm of the impossible, it would be a great benefit to the class here on the Bay, but in spite of the handicap these prices impose, the outlook here is exceptionally good. While most of our expected new members intend to build their own boats, there are, nevertheless, going to be quite a few of them. At this writing we know of one new boat purchased from a local yard, with more expected to follow. There are at least five sure new boats being built by amateurs with eight more in various stages from "Plans received" to "frame kits ordered". It looks now as though, to borrow a phrase from Bill Loven, there will be a lot of "grooves" cut in the Bay next year, by Lightnings.

There are those of us who hope in the near future to try out one of our Narragansett Bay boats against some "top flight" skippers and boats and possibly the 1948 Internationals or the Atlantic Coast Championships will furnish that opportunity, who knows!

Our last winter plans of building seven boats was stymied by not being able to get cedar for planking and only four hulls were completed. Only John Mahoney's Lightnings was completed for last summer sailing, but the other three hulls are being completed this winter and will be ready for spring launching. If cedar can be procured, the last three of the original seven will be built this winter.

We had mixed races with our Canadian sailing friends from Brockville, Ontario, each Saturday and Sunday afternoon, the Lightnings always being out front. We are all very satisfied with the performances of John Mahoney's Lightning, and next year we will be able to have Class racing for Lightnings only. We hope to be able to take part in Regattas in our area this coming summer.

The season's racing was very close and exciting with the second and third, fourth and fifth places being in doubt until the finish of the last race. The tie for second place was resolved by the expedient of tossing a coin; circumstances not permitting a sail-off. As a result "Sangus" took second place and "Fog Dog" had to be content with third prize.

Fleet 121 participated in several Regattas held by nearby Yacht Clubs and one boat "Quantum", No. 2342, traveled by road to Portland, Maine for the State of Maine Regattas sponsored by Fleet 14.

We are looking forward to a very active season in 1948. There is a possibility that we will have some interesting inter-club racing as an attempt is being made to organize a new fleet on nearby Cape Ann.

The Eagle Lake Yacht Club started Lightnings in their regular Sunday races this year for the first time and at the first of the season the skippers of the other classes razzed us and said that a Lightning was "no good" on an inland lake. As the season went along and we consistently beat the time of the Snipes and National one-designs, they began to change their tune. Interest is increasing here and we believe that we will have many more boats in our fleet next year. Curtis Gerber going into a Lightning caused the older skippers to think as he had been champion of the Michiana Championship and winner of the Diamond Lake Invitational Regatta for the past three years in Snipe competition.

The Yacht Club included Lightnings in the Michiana Regatta this year. There were 59 boats entered in four classes. Although we did not have any outside entries in the Lightnings, we hope that some of the skippers around will come in '48. Trophies are awarded the three first places. The Regatta is held the first weekend in August every year. There is no registration fee and the visitors are guests of the Club at a dinner on Saturday night.

Our schedule for 1948 will consist of races every Sunday afternoon at 2:15 P. M. starting the third Sunday in June and finishing the Sunday before Labor Day. There will be the Fourth of July

Regatta. The Michiana Championships Regatta the first week-end in August, one race one Saturday, and two on Sunday. The Labor Day Regatta to finish the season.

Fleet 123 and the Eagle Lake Yacht Club extends an invitation to all Lightning skippers to come to Eagle for the Michiana Regatta. Especially those who are based within two hundred miles of South Bend, Ind.

LOWER LAKE HURON FLEET (124)

2034	Barb J	Andrew Thomas, Jr.
2611	Altair	Gordon Houser
3187	Linroy	Eldon Cameron
3238	Valjoda	Jack Montieth

Fleet 124 was unable to determine its fleet champ this year, due to the late launching of three of its present fleet of five boats—"Barb J" and "Puff" competed in Class B handicap races until "Altair", "Linroy" and "Valjoda" were launched, and it was agreed upon by fleet members that all continue to race on this basis for the '47 season.

The first all-Lightning races were sailed in Sarnia Bay over Labor Day weekend, with "Puff" getting 3 for 3 and "Altair" and "Barb J" runners-up respectively. "Barb J" made a big come-back by copping the Port Huron Yacht Club's annual Fall race to Stag Island, in a rip-snorting South blow that forced 22 meters, stars and an 8 meter to lower sail and be towed in—some real seamanship displayed. "Altair" showed plenty of promise and should be red hot next season. The lads of LLH Fleet are looking forward to a real season in '48 with lots of competition from the Detroit River boats and others.

The Redjacket Fleet has one of the finest spots for sailing in the East and we have every hope we will be able to convert the ancient farmhouse we purchased to a reasonable facsimile of a

Yacht Club. We are located on the west side of Cayuga Lake with two miles of water between us and the eastern shore and miles of water both north and south.

Unfortunately the work which had to be done on the Club-house last year took a great deal of the time of all hands. Races were run weekly on Sunday, frequently with Lightnings, Comets and K's, run all in the same division. On at least two occasions, when the Comets and K's were started five minutes ahead of the Lightnings I was able to beat the first division in with a comfortable margin.

F. M. Knight scored first, Mark Hemstreet was second in the Lightning Division and E. R. Smith was third and fourth since he had two boats and was trying to see which one he liked better.

It will probably be slow work establishing more Lightnings at Red Jacket as about 95% of the Club members are non-sailors at the present and most of them are a little reluctant to invest in a Lightning until they know more about sailing. Moonlight sails and frequent joy-riding trips with loads up to ten passengers on the part of all Lightning Skippers has greatly increased interest but not as yet to where we can claim a convert.

Bear with us a while and I hope to see a much larger Fleet at Red Jacket. The best sailing waters deserve the best boats and I feel we will eventually have a splendid fleet.

Fleet 126, based at Cedar Point Yacht Club, Westport, Conn., had a rather tough beginning this past season due to the fact that although we had four boats signed up at the season's start, only two of us were able to get moorings at our present basin.

However, for the coming 1948 season everything looks extremely encouraging for a much larger Fleet.

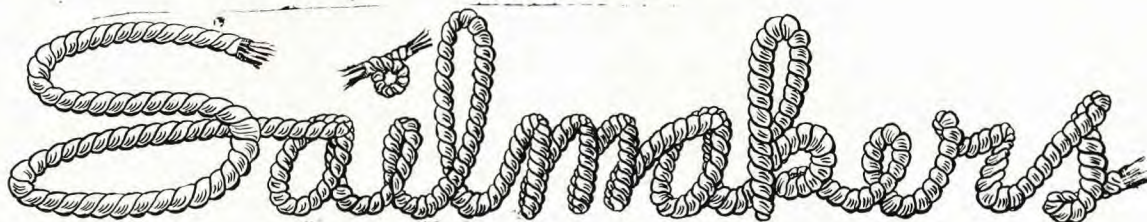

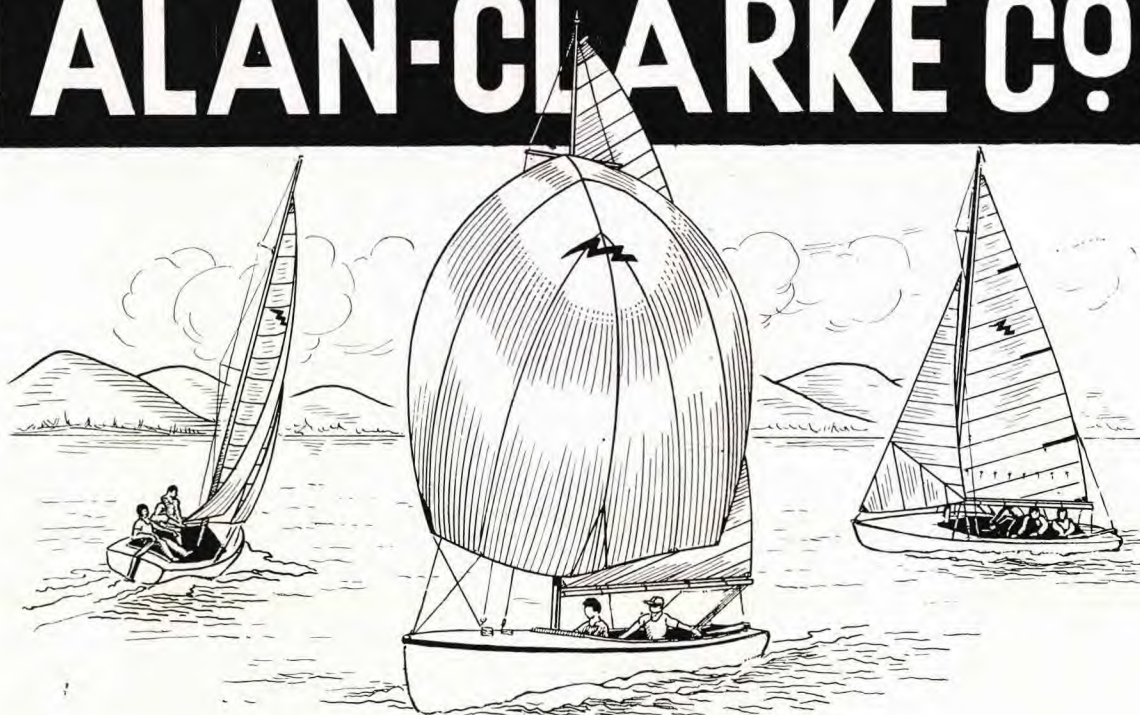

Digressing for a moment, I think an explanation is in order. The present basin as is can accommodate only 96 boats. With this town growing from a pre-war permanent population of 6,500 to a present permanent population of over 11,000 greater recreational facilities were naturally in order. Therefore during the past few years a group of people interested in expanding and improving both our bathing and boating facilities undertook a program whereby both these programs could become a reality.

In regards to enlarging our present Yacht Basin there were two groups with different ideas on what should be done. One group was for a Federal Aid Plan, whereby a harbor of refuge,

so-called, would be built in addition to our present basin to accommodate about 350 boats. This particular plan would have naturally allowed anyone in the U. S. to drop a hook, be non-revenue producing and allowing anyone access to the Federal Basin through town property which the town of course could not control under their present set up whereby only residents of Westport at present have access to our present beach and yacht basin which join each other.

The other group was in favor of enlarging our present basin at a cost of \$100,000 for which a bond issue was needed. This cost to be liquidated over a period of 20 years through revenues produced through increased mooring fees and additional moorings to take care of approximately 250 boats, plus beach revenues, etc.

At a recent town meeting the enlargement of the present basin was voted on and passed before the largest crowd ever assembled at a town meeting here in Westport. Believe me, there were plenty of arguments for and against, and things were certainly hot for awhile.

Therefore, for the coming season, I can almost safely say that Fleet 126 will surely grow in size, particularly due to two facts—the larger basin and the 11 boat handicap fleet in which the two Lightnings moored in the present basin had raced with.

The record hung up by the Lightnings consisted of winning the season cup on points, and the Vice Commodore Cup on Labor Day, by yours truly, and a race-off between the other Lightnings owned by Jerry La Raus and a Pennant for second place for the season, which was won by the "Pennant", placing the other Lightnings in third place.

Out of a Fleet of approximately 11 boats, of which two were Lightnings, I can almost safely say that there will be at least three boats being sold to former handicap boat owners, increasing a separate Lightning Fleet to five and very possibly more.

If anyone is interested in getting more data on what to do in regards to expanding their facilities for more boats under conditions such as we had here, write and I'll try to help.

Judging from the number of boats we have one would never believe our Fleet is brand new.

We are not yet a year old and have over twenty boats. The Fleet was granted a charter early in 1947. We had our first meeting July 22nd, 1947.

Our boats are doing very well, we hold a first, second and a third place in the South Atlantic Yacht Regatta held at Wilmington, N. C.

Our Fleet held races here (Savannah) every other week-end all summer, with the final race Labor Day. Charlie Demere, with his "Horsefly", No. 266, was out in front all the way, Jimmie Hardee, III, with his blue "Irene", No. 2298, second. Besides the regular series races we had several individually sponsored races; the Isle of Hope Regatta, which is to rotate until won twice in succession. Jimmie Hardee, III won in his "Irene", No. 2298. The Turner's Rock Regatta was another big local event—Bobby Demere won in "Horsefly", No. 266. The Regatta at Beaufort, S. C. was won by Barney Diamond in his boat No. 3052.

The Fleet had scratch races on the week-ends that did not offer any scheduled events.

We have tentative plans for a series of races for the 1948 season. Plans are being made for a class in Racing Rules. Jack Cope is to be the instructor.

The Fleet hopes to send two boats to the Internationals in 1948, and we are also going to sponsor a Lightning Regatta here at Savannah, to which we will extend invitations to all associate Fleets.

Our Fleet wants to thank the Association and all the Associate Fleets for the help they have rendered us in organizing our Fleet, which promises to be one of the largest in the Association next summer.

The Fleet had a little trouble trying to get organized because of lack of delivery of new boats. We do, however, hope to have at least the four boats shown above and start racing next spring. It is also highly probable that we will have at least one more boat by spring.

We will do our best to have a real report for next year's Year Book.

At Madison we have two races each week; one on Wednesday and one on Saturday; and special races on holidays such as July 4th and Labor Day. Inasmuch as all the boats cannot race in the Wednesday series, the Saturday series is the only one that counts towards the season's championship. During the season we had about twenty races altogether. In July, the Wednesday series was won by Boat No. 2689, owned by Bos Greer, and the Saturday series was won by Boat No. 117, Sandy Poindexter. The Wednesday series in August was also won by Sandy Poindexter and the Saturday series in August as won by Boat No. 360, owned by Philip Judd. Based on points accumulated during the Saturday season series, the season's championship was won by C. B. Fisher, Boat No. 2407. Runner-up was Philip Judd, Boat No. 360 and racing third was Sandy Poindexter, Boat No. 117.

We have hopes of adding three or four boats to our fleet next summer and we are constantly trying to interest people sailing

other types of boats to change over to "Lightning." During the last week of the summer season we showed the 1946 Lightning Championship films, as well as colored ones which we had taken at our own races. Approximately two hundred fifty people attended this showing. Also, most all the boats in the Madison Fleet participated in the Eastern Connecticut Yacht Racing Association Regatta held in Pine Orchard, Connecticut, in which approximately thirty Lightnings participated.

Lightning hit Biscayne Bay last June with a brand new charter. The fire still burns though dampened a little by the transfer to a northern climate of our main spring, Steve Lynch, who won last year's Southeastern District Championship in his old boat, "Chop Chop" and placed fourth at St. Petersburg in his new boat, "Windward".

He would probably rate the Fleet Championship but technically, we have not chosen one.

The Fleet won 2nd and 3rd in the Orange Bowl Regatta (State Championships) and made the best fleet showing of any fleet at St. Petersburg with a 1st, 4th, and 7th, our Dodge Trophy, under Dick Bertram winning with 3 sensational firsts.

Our fleet started with a meeting early last spring to promote a small one-design class of privately owned sailboats here at the Detroit Yacht Club. Everybody seemed enthusiastic. A fund was established for those who wished to finance their boats at low interest and incidentally this fund is still available to DYC members. A number of boats were ordered the first night and by the middle of the season we had ten Lightnings moored at the end of the lagoon.

We scheduled Sunday races and had from four to ten boats out for all these inter-club contests. We all got out for the Detroit River Yachting Association Regattas too and, although we were slow starting, we began to show up better toward the end of the season.

Jack Bodkin was the first to get into the select with a fourth in one of the DYRA Race Week Regattas. Ben Tungate and Bob Dodd were pushing too and Bob got a second in the DYC Sweepstakes. Margaret Maddock, one of our newest members, had a wonderful season and was hot after the leaders by the end of the summer.

Fleet 131 sponsored the Kendall Series for Lightnings in conjunction with the DRYA Race Week. It was a very successful Regatta with better than thirty boats taking part—many of them out of town boats.

We had a picnic at Peche Island and had a lot of good clean fun, Commodore Bodkin of the DYC chaperoned.

Bob Dodd was our Fleet Champion and raced at the Internationals where he was fighting hard to stay out of last place. But it was a wonderful Regatta and climaxed a very successful season.

We have just made plans to form some type of district organization, and look forward to a more active season next summer.

The Lake Washington Fleet did not get its charter until the season was fairly well past, but we did get in some good sailing.

Al Sweeney and Dean Johnson got their first taste of competitive sailing in the P.I.Y.A. Regatta, which was held in Seattle this year. Not content with merely racing, Dean tried a little swimming in the second race shortly after hoisting his spinnaker in a 30 knot wind. He lost his mast in the process, but both he

USE AN AEROMARINE SPEEDOMETER

You get more speed from your Lightning if you use an Aeromarine Sailing Model Speedometer. Acclaimed by yachtsmen, coast to coast, as the most accurate speed indicating device. Gives instant, continuous indications of changes in speed as caused by changes in sail trim, course steered, trim of hull and depth of centerboard immersion. Unaffected by angle of heel, it is so sensitive it shows velocity of tide with boat at anchor. Ruggedly built to withstand years of salt water service. Aeromarine Speedometers are easily installed without special tools, in less than an hour and without hauling the boat out of water. The pitot tube, underwater attachment, smaller than a lead pencil, will not affect the speed of the boat appreciably, is easily cleared of debris, inexpensive to replace, contains no moving parts to get out of order. If your dealer can't supply you, order direct, giving dealer's name. Immediate shipment.

and Al showed up very well against some mighty sharp Canadian sailors.

In September, after getting our charter, we held a three race series, Al Sweeney emerging as Fleet Champion, with Dean Johnson runner-up.

Many of our boats were not ready to race this year, but next year promises some keen competition and a good-sized membership. We plan to have a number of Lightning Fleet Races, as well as the regular weekly races sponsored by the different yacht clubs on the lake. And, of course, we intend to make our presence felt at the P.I.Y.A. Interest in the Lightning seems to be growing fast here in Seattle, and we have high hopes for a successful sailing season in 1948.

For the first season it was indeed remarkable and gratifying to see the enthusiasm for racing steadily growing in our fleet as the summer progressed. I say gratifying, because of the poor showing at race time in the earlier part of the season. Once fully organized it was agreed the fleet would race every Saturday and Sunday in the races sponsored by the Port Washington and Manhasset Bay Yacht Clubs. This series of races was unanimously won by the "Damp Tramp" skippered by Dick Dirkes, (the Pirate) and ably crewed by Laverne Williams and Ted Toombs. It was not until the latter part of this series did Dick find himself looking at the transom of a few other boats in our fleet. Competition became much keener as the fleet gathered experience in the art of tuning and handling their boats over the starting line. It was hard to convince most of us that by merely twisting a turnbuckle one half inch made any significant difference in the speed of our boats. However, once we did realize how important tuning the rigging was, many hours were spent every week-end getting our boats in what we thought perfect winning condition.

The combined Port Washington and Manhasset Bay Yacht Club races ended much too soon for most of our skippers and it was decided to run our own fleet series during the month of September. As previously mentioned, competition became much keener and it was here we found a new winner and champion in Peggy Betsch, skipper of the "Aries". Peg is one of our younger skippers and shows great promise of being a potential threat for the Manhasset Bay Championship now held by Dick Dirkes. Speaking about our women sailors, never let it be said that racing is for the younger set only. In our Fleet, we are proud to say that three of our most enthusiastic sailors are married women, capable of doing a fine job there, and still find time to be on deck every Saturday and Sunday when race time rolls around. The entire fleet is mighty proud of Mrs. Hollenbach, Mrs. Griffith and Mrs. Parker.

The fleet held its season closing dinner at the Port Washington Yacht Club on Nov. 21st and it was here that the awards of the season were presented to the winning skippers of this season. During the evening there was a showing of the 1946 National Championship races. With its presentation, many of our skippers have made the Nationals their next goal.

Next year, with all hands on deck, including spinnakers, we expect to sail out of the Bay in search of bigger game in the Long Island Sound Y.R.A. races and duel matches with neighboring fleets. Jose Bornn, owner of one of the first Lightning hulls sailed out of Larchmont Harbor and probably one of the most enthusiastic sailors to be found around the waterfront, thinks we've got the makings of a good fleet. Joe's encouragement and help during the season aided considerably in rounding out our new and somewhat cautious skippers.

Fleet No. 135 got started rather late in the year. We received our charter just two weeks before the Internationals, however, Ed Overton, Hack Bonnell and William Estoup had been doing quite a bit of Lightning sailing early in the year. We trailed Ed's "Volanta" to New Orleans in March, 1947, and took three first places out of three races in The Pan American Regatta. Ed Overton with the above crew and one alternate, Ed Polasek, who had to relieve Bill Estoup when he beat up his knees on the center board pin, took all first places during July race week on Mississippi

Sound. We raced at Biloxi, Gulfport and Pass Christian. The fleet then made plans to send Ed Overton to the Internationals at Toledo. This took a lot of planning and hard work, and we never could have made the trip without the help of a lot of swell people in Fairhope. Of course the high spot in the year to Fleet No. 135 was the trip to Toledo, meeting all those fine people and sailing on the waters of Maumee Bay against all those top notch skippers. We shall never forget the swell time we had.

We have sailed in three Regattas since we came home and are doing our best to sell Lightning to other skippers and it looks as if we shall be very successful. Doc Wilkerson's "Nita", No. 2492, which was launched about the time we returned from Toledo, looks like a very fast boat and with others building assures the Mobile Bay Fleet some fine racing for the coming year and remember sailing time is all the year 'round on the waters of Mobile Bay; so Fleet 135 extends an open invitation to all Lightning skippers to visit us any time.

Fleet 136 has just put its first season in the history books of the Port Clinton Yacht Club. It started out with only three boats, but after these three boat owners injected some of that "love for Lightning" serum into their fellow members we now have five boats and two more under construction and a promise of three more before next summer.

The first race of the season was a novelty race. The three boats were towed out into the lake with bare sticks and were cut off without warning. It was a lot of fun trying to get the canvas up in rough water. Jack Lay was the first one to get underway, followed close by Rupe Meizner and Bob Englebeck. The winner had to be in the club house with his sails in the sail bag on top of the bar. Rupe Meizner was the winner. This race was our first interest card.

Upper: Start of the Saturday afternoon race of the Fleet 136 "Snow Flurries" Series. Lower: Loading up after the last race of the series.

We've had fleet races about every Sunday with Rupe Meizner in "Stormy Weather" taking fleet champion and Jack Lay being runner-up. This drew a lot of interest for our club members.

On October the 4th and 5th we held a "Snow Flurries Regatta". The weatherman was really wonderful for those two days. We had a good Southwest breeze blowing and a very light sea. Some of the boys from Toledo, Cleveland, Detroit and all points in between, brought their Lightnings, Comets and Thistles down for some good competitive racing and they got it. But as usual the Toledo boys took top honors. With more boats in our fleet, which means better racing, we expect to do a little better and show a little more skill next year. So here's hoping we'll see more of you at the "Snow Flurries", held at Port Clinton, Ohio, next year.

Here's to better sailing and hoping to see you all at many more Regattas next season.

The 1947 season saw the organization of a Lightning fleet on Long Island's Hempstead Harbor.

During 1946 on Lightning sailed on the Harbor and its only racing was done in a handicap class or with a large fleet across the Sound at Larchmont. When the Hempstead Harbor skippers saw this newcomer as well as the many more Lightnings at the big Long Island Sound Regattas many became interested in the class. This interest was stimulated by several local builders and early in the '47 season new Lightnings began to appear on the Harbor. On July 4th, four boats answered the starting gun at The Sea Cliff Yacht Club's Commodore Series. When racing ended on September 1st, this number had doubled. The Fleet is based at the Sea Cliff Club and participated in the Club's Saturday and Sunday Series.

Ben Gaylo (who built his own boat) won the Fleet Championship by scoring highest in both the series. Runner-up is John and Jay Kirby's "Susan".

Fleet 138 is looking forward to doubling its number in 1948, and its plans include competition in L.C.A. championship events.

During the season of 1946 at the Thames Yacht Club there were only two Lightnings but which did a creditable job racing in a handicap class.

In the 1947 season the number was increased to five boats which created a separate class. Twenty-three official races were run, and in thirteen of these races all Lightnings participated; at no time were there less than three boats racing. The entire season was on a point basis and first place was won by John A. McGarry in "Jam IV", second place going to Peter Morse in "Schuss".

In addition to scheduled races boats of Fleet 139 competed in the Eastern Connecticut Racing Association Regatta at Pine Orchard, Conn., where Peter Morse took first place out of 28 boats from all parts of Long Island Sound. All boats of the fleet raced at the Groton Long Point Invitation Regatta with Peter Morse taking third place. An exciting race was run at the Thames Yacht Club known as the Long Distance Race in which Alfred A. Young 3rd, took second place.

Fleet 139 also enjoyed many picnic cruises to nearby points during which members of families of skippers and crews enjoyed the good sailing of Lightnings.

Meetings of the Fleet are planned throughout the winter, and it is expected that the enthusiasm of present owners will bring new owners into our midst for the 1948 season.

While there have been a few Lightnings on Conesus Lake for several years there was no attempt at organized racing until the past season. During 1946 informal races were held along with a mixed fleet of Comets, Larks and other craft.

At the beginning of the 1947 season there were enough Lightnings to warrant starting them as a class and records of the races were kept. Enough interest was developed to get an application for a charter under way and just at the end of the season Conesus Lightning Fleet No. 140 received its official Charter with the names of seven Charter members. We had photo copies of the Charter made for each member.

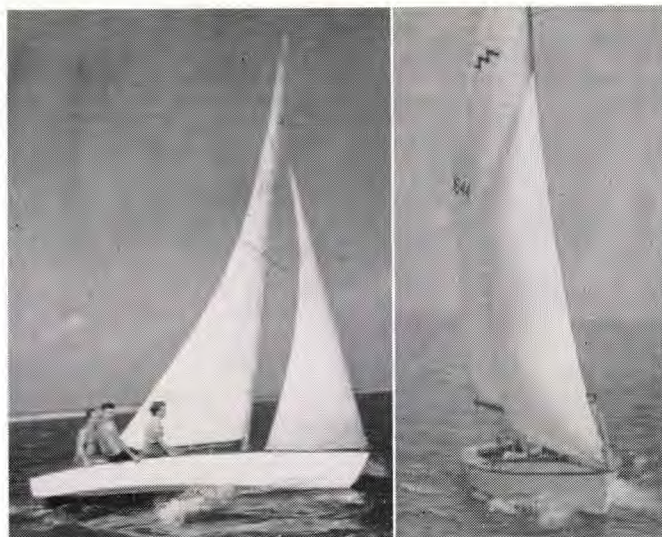

During the racing season fifteen races were held besides participating in several Regattas with the Conesus Lake Yacht Club which is largely composed of Comets. From comments heard it seems likely that the showing of the Lightnings will cause some switching from Comets to the former.

On a point basis the racing results are as follows:

Races			
Boat No.	Participated In	Points	Skipper
814	11	41	Strassenburgh
1953	13	40	Zoppoth
1313	15	38	Uhlen
196	11	20	Hendrickson
1931	7	11	Gundry
1512	4	8	Bruce
457	1	6	Elwell

Due to various reasons it was impossible for some members to participate in many races, but all hope for a better showing next year. Our intentions are to hold three races each week-end during July and August. It is difficult for some to get started any earlier in the season.

It may be of interest to tell a little about our sailing waters: Conesus Lake is located about 25 miles south of Rochester, N. Y.,

Left: H. Alvin Smith's Putschin III with crew of Dorothy Smith and Martin Suter. Right: Paul Suter's No. 1644 with crew of Virginia and Martin Suter.

and is one of the western Finger Lakes group. It is approximately 8 miles long in a north-south direction and slightly less than a mile wide in its wider parts. At the northern end the hills are low wind is very variable and causes much cussing during races. It is and good sailing conditions exist although, like all these lakes, the at this end that Fleet 140 sails. Toward the other end of the lake the hills rise much higher and the sailing is a lot tougher.

MATTITUCK LIGHTNING FLEET (141)

*566	Putchin III	H. Alvin Smith
1644	Paul Suter
On Order	George Thompson & Martin Suter

*Formerly owned by G. McKnight.

Being a new fleet there is no report for 1947. At our first meeting enthusiasm ran high, and still is, even throughout the winter months. We are also very happy to state that during the next yachting season we will no doubt more than double our membership and have a real report for the 1948 season. Although we are small in number now, with the spirit that prevails among us we shall go a long way.

MORICHES BAY LIGHTNING FLEET (142)

Based on Moriches Bay at Westhampton, L. I., N. Y.

Fleet Captain Harold L. Taylor
 Fleet Secretary Priscilla Atwater
 Fleet Champion Robert P. Rice in "Yankee II"
 Runner-Up Harold Taylor in "Daisy Belle" in the July series; Frank Driver, Jr. in "Hey Day" in the August Series.

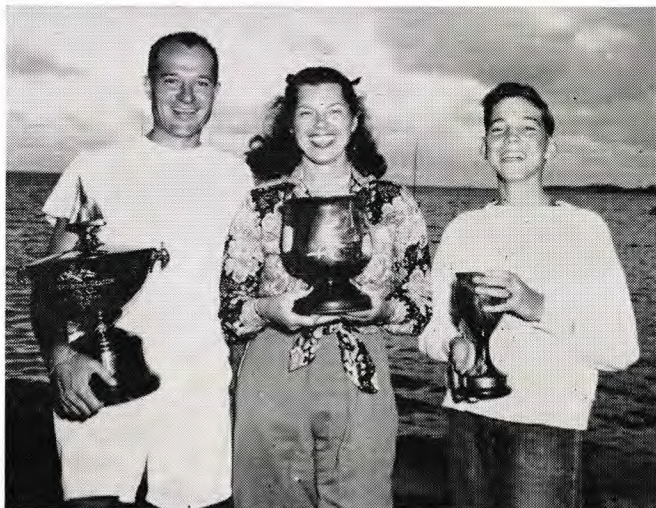

Boat No.	Boat Name	Skipper
660	E. D. Alyea
1800	Hey Day	Frank L. Driver, Jr.
2148	Yankee II	Robert P. Rice
2234	Peraps	B. Wheeler Dyer
2236	Super Duck	Priscilla Atwater
2964	Andrew De Lisser
3107	Daisey Belle	Edmund A. Prentis

Much enthusiasm has been shown in the Lightning Class this year, and we had seven Lightnings racing for the first time on Moriches Bay under the auspices of the Westhampton Yacht Squadron. Races were held on Saturdays throughout the summer and were divided into two series, one during July and one during August. Bob Rice, sailing "Yankee II" won both series, and Harold Taylor in E. A. Prentis's "Daisy Belle" and Frank Driver, III in "Hey Day" were the runners-up in the July and August Series respectively.

At a meeting of the Lightnings skippers on September 6th it was voted that we join the Lightning Class Association as a Fleet. Harold L. Taylor and Priscilla Atwater were elected Fleet Captain and Fleet Secretary, respectively, for the coming year.

During the Fall, some of the boats have changed hands, and new ones are on order, so the above list may not be too accurate next summer. Andrew De Lisser has sold No. 2232 and Vaughn Thomas of East Moriches is building No. 2964 for him. B. Wheller Dyer has a Saybrook Lightning on order, and has sold No. 2234. We have hopes of doubling our Fleet next summer as many people have expressed intentions of purchasing Lightnings.

Our racing plans for next year are much the same as for this past year, and in addition we hope to have an invitation race with the Lightnings of the Southampton Fleet.

Cy Gillette, wife Al and son Frederic Mueller, champions of Fleet No. 143.

HAWAII LIGHTNING FLEET (143)

**Based on Kaneohe Bay at Kaneohe Yacht Club,
Honolulu, Hawaii.**

Fleet Captain William Say
Fleet Secretary Cy. Gillette
Fleet Champion Cy. Gillette in "Nubbin"
Runner-Up D. M. Chapman in "Lanakila" and
William Say in "Mary Jane" Tied.

Boat No.	Boat Name	Skipper
1622	Mary Jane	William Say
1675	C. Huton Smith
2008	Lanakila	D. M. Chapman
2069	Victoria	Philip C. Fisk
2425	Kokokahi	Milton O. Holst
3154	Nubbin	Cyrenus L. Gillette
3173	Uila	Robert T. & Ida C. Edwards
3262	C. W. Humme
3263	J. C. Marques

The year 1947 saw the invasion of Hawaiian waters by the Lightning. At the beginning of the season, which started in April, Smith and Chapman sailed their two boats out upon the waters of beautiful Kaneohe Bay where the famous Trade Winds of the Hawaiian Islands give you a breeze of 6 to 18 knots with undying regularity.

Racing was done with the one-designed MP's of the Kaneohe Yacht Club and those of the Naval Air Station, Kaneohe Bay. Things were a little tough for our first two Lightnings and the faster of the Club MP's managed to come out on top. With the arrival of Cy Gillette's "Nubbin" No. 3154, in June, events took a change. In his first two starts Gillette took two firsts in hard fought races. This caused the old MP guard to sit up and take notice, and a class rivalry developed that produced many hard sailed races the rest of the season. Gillette went on to win two series and a single cup race and the Lightnings at Kaneohe Bay now have their place in the ever shining Hawaiian sun.

Milt Holst received his "Kokokahi" No. 2425 in the latter part of May but business and a protracted trip to the mainland kept him away from the starting line.

Bill Say launched his Mary Jane" No. 1622, which he built himself, around the first of July. Bill had her going by the end of the season and was showing his transom to the boys he had trailed in the earlier racing.

Bob and Hope Edwards rigged their "Uila", No. 3173, which means "Lightning" in Hawaiian, the last of June. Being newcomers to the sport they have spent their time getting to know the ins and outs so that they can mix with the fleet next season.

Phil Fisk imported No. 2069 from Newport Beach, California where she had won the Southern California Mid-Winter Regatta with three first with R. L. Boyd at the stick. Renamed the "Victoria" and launched in September she has given a good account of herself in the two races she sailed.

As this is being written C. W. Humme and J. C. Marques are outfitting Nos. 3262 and 3263, the last two Lightnings to join the Fleet.

1948 looks like a year when the Hawaii Lightning Fleet will really reach its stride.

The "FLOTILHA CARIOCA DE LIGHTNINGS" has its seat on the North side of Guanabara Bay, at Enseada de Ramos, Rio de Janeiro City. The Fleet 144 has been sponsored by CARIOCA IATE CLUBE.

There are two boats sailing now 2431 and 2432. The third 3215 belonging to Mr. Hans Fuhringer almost finished and will be launched next March.

New memberships of the Clube are being interested on the Lightning boats and it is expected that in a near future the boats of the Fleet will be doubled.

The Captain will be elected in March when No. 3215 will be sailing. 1948 will see the first Championship of the Fleet.

HOERNKE BOAT CO.**1236 W. Pierce St., Milwaukee 4, Wis.**

The 1947 season was the first year for this group and a lot of enthusiasm and keen competition was shown.

The season comprised nineteen races over a period from Decoration Day through the middle of October. During that period no one boat missed more than three races, the races being held each Sunday afternoon at 2:30 P. M. It was the first year of racing for two of the crews and they certainly made a fine showing for themselves. No. 2016 was skippered by Dr. Mabel Huston of Mansfield who didn't pull any punches and was never stopped by dirty weather. Three boats, Nos. 2016, 2017 and 2018, were purchased by Frank Bissman who was anxious to see the Lightnings started at our relatively new club on Charles Mill Dam, eight miles east of Mansfield. No. 2725 was purchased by Eugene Smart who with his crew, Jim Cook and Ted Appleman, made a fine showing.

Although our course is small and winds are varying, spinnakers are used and we have learned a few of the tricks in handling them.

First and second places were won by Glenn Macy, No. 2018 in the "Squaw", and August Grotegut, No. 2017 in "Nixie", respectively, and by no easy margin. It was nip and tuck all the way.

All present members of this class are pushing it and there are several more Lightning prospects in the offing which indicates a sizeable fleet for our club.

Macy took his "Squaw" to the Ohio Interlake Yachting Association Regatta at Buckeye Lake, Ohio, and in a fleet of nineteen boats ended in sixth position, of which we are proud. There is talk of taking some of our boats to the I.L.Y.A. Regatta at Put-in-Bay in 1948 for some deep water experience. We hope to see a lot of you there.

Fleet No. 152 has just filed its formal application for Official Charter, which action represents the first move toward the establishment of class yachts on Tawas Bay in the history of the Bay. We are located on the Easterly shore of Michigan, at the Northerly end of Saginaw Bay, which location is most desirable for sailing, it having been the summer home and sailing center for Saginaw Bay yacht races for the past half century or more, and almost entirely land locked.

Our six new boats were received from Skaneateles in December and after unloading them we were more than pleased that we had followed in the steps of some three thousand skippers in selecting the Lightning for our class.

A number of our owners have owned larger sail boats in the past, but all, without exception, are of the mind that the sailing seasons to come on Tawas Bay with Lightnings will far surpass our handicapping of the past.

Our program for the 1948 season calls for the first tune-up race on May 30th, and each Sunday afternoon thereafter, to and including June 27th, with races on Saturday afternoon if enough boats are interested. We will hold our annual Tawas Bay Regatta on July 3rd and 4th and will start our Lightning Elimination Series

on July 10th and will continue for six races in all, one on each Saturday and Sunday afternoon. From this series we will send our winning skipper to the Internationals.

We extend an invitation to all Lightnings to join us in any of our races, and if you can make it for the Regatta date, we assure you that you will have the time of your lives.

Registry of Lightning Owners

(Corrected to March 1, 1948)

Every effort has been given to making this registration list accurate. Literally hundreds of letters have been written to trace missing owners. While most builders and dealers have been wholly cooperative in advising of sales, we regret to say that some do not respond to inquiries and others have kept no records of the names and addresses of purchasers. In spite of these difficulties we can say with assurance that this registration list is about 90% accurate. With the help and cooperation of members, we can make next years list even more accurate.

The Executive Secretary, Bank of South Haven Bldg., South Haven, Michigan, should be advised promptly of all changes in owner's names, addresses, sailing locations, fleet affiliations and boat names. Members are urged to obtain the names and addresses of new Lightning sailors in their neighborhoods and report them to the Executive Secretary. In this way, missing owners may be located.

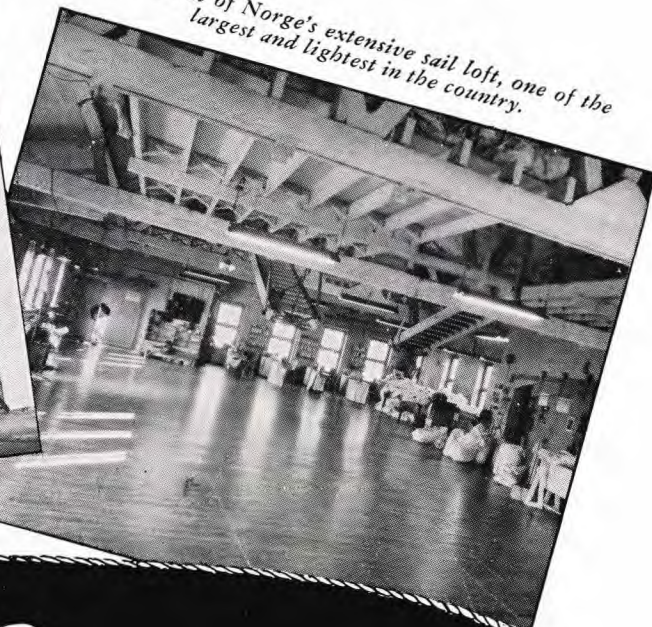

Where a boat is listed as owned by a "builder" or "dealer", it means that the Association office has the name of the builder or dealer who sold the boat, but the name of the purchaser has not been ascertained. When a builder's or dealer's name is used, it means that the boat is actually owned and probably is in use by that individual or concern.

Where boat number is followed by an asterisk (*), it means that there is a measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.

The Lost Column

Here following are our missing owners. We want to find them, not only because we need their support, but also because we believe they should know about the Association and receive the benefits of membership. We urge all members to keep their weather eye open and report any clues to the Secretary. Their reward will be the deep appreciation of their officers and the knowledge that they have helped to strengthen their Association.

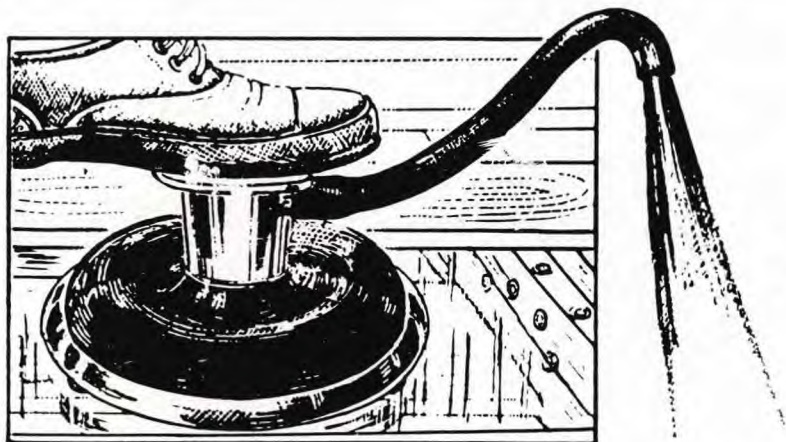

Where a "dealer" or "builder" is listed it means that the boat has been sold but the new owner is unknown, because the dealer or builder has not reported the name of the purchaser. The great majority of builders and dealers are very helpful.

This list is proof of how urgent it is that transfers and changes of address be sent in to the Secretary.

Lighting Owners and Association Members

(Corrected to March 1, 1948)

On account of the increasing number of members, their names are, this year, being listed alphabetically instead of by States and Cities.

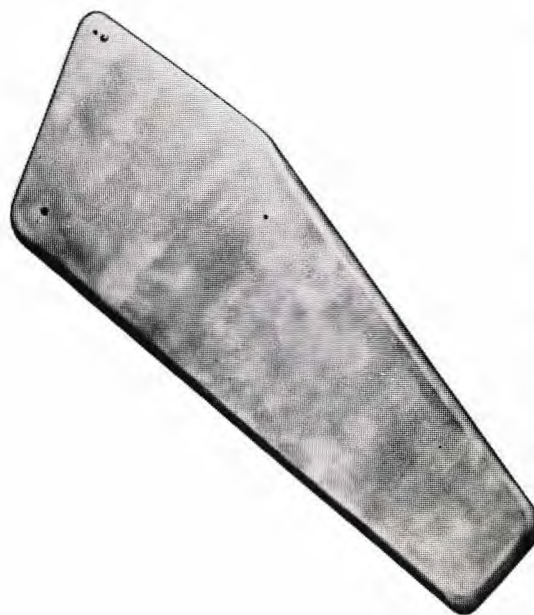

Life members will be indicated by the letter "L" and Associate members by the letter "A". Active members will not be specifically designated. Where a boat number is not shown, following the name of an Active member, it should be understood that a boat is on order but has not been delivered.

The Cadillac of the Lightnings

The Thrill Of Sailing Is In Your

Viking Built Lightning

Here is the boat built by Craftsmen for the most discriminating—framed of Sitka Spruce, with bottom frames laminated and Honduras Mahogany Keel, Center Board Well, Transom and Trim. She's beautifully Cedar-Planked. Glue jointed Top Sides never require caulking. Water-proof plywood canvas covered deck. Sitka Spruce Spar and Airplane Rigging. Complete with Nylon Sails. Beautifully designed brass fastenings and fittings make her trim.

L. C. A. DISTRICT SHIP CHANDLER'S DIRECTORY

This new feature appears in initial form in this 1948 Yearbook. Appreciating a need for listing of local sources of supply for Lightnings, gear and repairs, this listing is provided by your Association.

The cost is ten dollars per four line insertion, and is limited strictly to local dealers, as distinguished from manufacturers.

These listings may be purchased thru District Secretaries, who will transmit any orders received from Fleet officers or members. Check should be solicited with order. Each advertiser will receive a copy of the complete yearbook, with its directories. All hands are requested to see that their favorite local marine hardware store is represented by soliciting them personally. This effort helps suport your Yearbook as well as channel business directly to the advertisers. Listings for the 1949 Yearbok are being received NOW.
