FOREWARD

There is a fable among racing sailors of a great white bird with aerodynamically perfect wings. During the pre-dawn ride to their Birth Day some individuals, who were inclined to be awake at unusual hours, peeking upward from the small snug hammock. Their glimpse of curving, snowy wings sliding across the early sky has been forgotten—almost. Years later some find another perfect moment. When everything aboard is set and really drawing, they again know flawless motion. A look aloft finds their racing canvas arcing incomparably across the blue summer sky. The wings are there again. Perhaps because our Lightnings have these fleeting moments we have a bond of friendship. We can always hope for one more peek.

The joy of Lightning sailing is spreading to other nations. Folks have trouble reading our printed publicity because they have another mother tongue. But in moments rare there is a message there. The words white canvas writes on blue sky all sailors everywhere may read.

The untiring efforts of all Lightning Class officers; Fleet, District and Association, have translated this to positive reality. To them is due top gratitude from us all. Let's keep sailing!

Karl Smither
President.

Officers of the Lightning Class Association

PRESIDENT—Karl Smither
170 Greenaway Rd., Eggertsville 21, N. Y. ...

Karl, has now been elevated to President, via: the Office of Treasurer and Vice-President, on the way. We are fortunate in having one of our most colorful top-notch skippers at the helm of L. C. A. for his steady hand on the tiller, will direct the operations of our ever growing organization to the best interests of all members. When not sailing, in addition to L. C. A. details, Karl is kept busy with his two Smither Pharmacies in Buffalo and Eggertsville.

☆

VICE-PRESIDENT—LeRoy Amy
10 Linden Ave., Larchmont, N. Y.

Roy, has advanced from Secretary to Vice-President. Last year's job was editing *Flashes;* his new job is editing the *Year Book.* He is well known to Lightning skippers as District Secretary of the Southern New York and New England District. His neck of the woods is Long Island Sound. He is a member of the Larchmont Fleet, where he and his two teen age daughters race No. 1856 "Racet" in Long Island Sound competition. He is also Commodore of the Long Island Sound Squadron, which will become the new Long Island Sound District when re-districting plans are completed. When not sailing Roy is occupied with his Real Estate business in New York.

☆

VICE-PRESIDENT—Dr. W. W. Jennings
1530 Lakeview Avenue, St. Petersburg, Florida

Dr. W. W. (Bill) Jennings, our amiable Vice-President from Florida, prior to his purchase of "Hussey" No. 1672, was sailing in large cruisers. Since 1946 Bill organized the first Fleet (St. Petersburg Fleet 109) in Florida and arranged for the First Mid-Winter Open Championship sanctioned by the L. C. A. held there in 1948. Bill has quite a Racing record, annexing the Orange Bowl Trophy in 1947 and the Florida State Championship in 1948. He was Fleet Captain in 1947 and 1948. Fleet Champion in 1947 and runner-up in 1948. Bill's wife Betty always crews with him and his son Johnnie, age 7 and daughter Judy, 5, enjoys cruising with Dad and Mom. When Bill is not sailing he has a Chiropractic practice to help provide for a new suit of sails or spinnaker.

VICE-PRESIDENT—Park S. Hedley
452 Franklin St., Buffalo 2, N. Y.

"Park has been an active Lightning sailor in Fleet 12 competition since 1944 skippering Red Witch No. 521. Prior to that he was a power boat skipper but soon learned that the real thrill of boating comes from 'heeling her over on a windward leg.' He was General Chairman of the 1948 L. C. A. International Regatta, also Captain of Fleet 12. He is in the Piping - Air Conditioning - Power Equipment business and is directing the printing of the 1949 L. C. A. Yearbook."

☆

VICE-PRESIDENT and CHIEF MEASURER—
Walter E. Swindeman, Jr., 2828-111th Street,

Walt, our new Vice-President and Chief Measurer, is one of our best equipped members for this exacting job from actual experience in Lightning construction. He has an uncanny skill in tuning and skippering a Lightning to make it go, as can be attested to by his top-spot performance in the 1946 and 1947 Nationals. Walt is ever ready to help a brother skipper improve conditions, and when not sailing or engrossed with Association duties, is occupied with the sale of electrical appliances and sporting goods, as owner of the Edgewater Appliance Company in Toledo.

☆

VICE-PRESIDENT—Carl J. Ackerman
4011 Sequoia Street, San Diago 9, California

Carl has owned and sailed boats of some kind, since he was a student in Eastern High School, Washington, D. C., and spent all his spare time while attending the University of Maryland sailing on Chesapeake Bay. In 1941 he was called into the Army as a reserve officer and sent to Hawaii. Having no boat there, he built Lightning No. 673 called "Tutu" and sailed her on Pearl Harbor until the Japanese came. He was transferred to the mainland in 1943 bringing "Tutu" to Washington. Later he was sent to India and stored his boat in Baltimore until his return, when he had her shipped to San Diego, where he is now employed by the Government as an Electronics Engineer for the Naval Electronic Laboratory at Point Loma. He is a member of the Coronado Yacht Club, Coronado, Cal.

TREASURER—W. A. Grimm
27 DuRocher Terrace, Poughkeepsie, N. Y.

Bill has been an active participant in all Hudson River competition for the past few years and as skipper of "Gypsy II" No. 3104 has taken a modest share of the honors. He was Captain of Chelsea Fleet (39) for two seasons, also Commodore of the Mid-Hudson River Squadron. He is industrial representative for the W. E. Pruden Co. in Poughkeepsie. In addition to signing checks and looking after the financial details of L. C. A. Bill is also pitching in as advertising manager for our 1949 Yearbook.

☆

SECRETARY—Wayne Brockett
Moulthrop Avenue, North Haven, Conn.

Wayne is well known to all Lightning sailors, as one of our top-notch skippers. With over ten years sailing and racing experience, Wayne came to the Lightning Class in 1945. In "Flame" No. 1379, he has participated in every International Championship Regatta since joining the Association placing well up among the leaders. He organized the Branford Yacht Club Fleet in Branford, Conn., and is Chairman of its Regatta Committee. He is also on the Executive Board of the Eastern Connecticut Yacht Racing Association. Wayne is in the printing business and will be close to his job, in editing *"Flashes"* for the coming year.

HONORARY COMMODORE—Edward W. McCain
1549 Market Ave., S., Canton 4, Ohio

Ed, our genial 1948 President, is one of our best known officers. As Secretary in 1946 and 1947 he did an outstanding job. In 1946 he edited *Flashes* and the *Year Book*, also handled all publicity unaided. He has always been willing to tackle any job for the L. C. A., and his enthusiasm for all matters pertaining to Lightning activities is well known. He is also a crack skipper, sailing No. 558 "Four Winds" as a member of Turkeyfoot Lake Fleet (33). His other occupation as President of the McCain Lumber Company, is handling of material which is essential to Lightning hulls.

☆

HONORARY VICE-COMMODORE—Arthur Burtscher
3525 Harley Rd., Toledo 6, Ohio

Art is well known to all Lightning builders and owners as Vice-President and Chief Measurer during 1947 and 1948, when over 2000 new Lightnings were built. He has also established a reputation as a builder of Lightnings for his own use. He has contributed much to maintaining our one-design requirements and deserves our sincere appreciation for his excellent handling of this technical job. He will now have more time to sail, when not busy at the Toledo Scale Company.

Honorary Officers for Life

C. L. NICHOLSON
Commodore

This man was the father of the Lightning Class Association and its first President. He organized the Association, gave it its first boost into the world of yachting. For his unselfish work and devotion to the Class, he was elected Honorary Commodore for life.

E. GORDON CRONK
Vice-Commodore

As the Association's first Secretary-Treasurer, Gordon deserves credit for much of the original publicity about the Lightning. In recognition for his work, members of the Association elected him as Honorary Vice-Commodore for life.

HON. L. STAUFFER OLIVER
Vice-Commodore

The first Chief Measurer of the Lightning Class Association assumed responsibility for establishing our high Lightning standards. Judge Oliver filled this position skillfully for the first two years of the Association's existence and then served as President for two years. A grateful membership elected him Honorary Vice-Commodore for life in 1943.

LIGHTNING CLASS ASSOCIATION

POLICY

To promote and develop Lightning Class racing under uniform rules, governed by this Association, and to rigidly maintain the one-design features of Lightning Class sloop, as designed by Sparkman and Stephens, Inc., which plans are known as 265.

To cooperate with all other yachting organizations and to demand in return observance of the rules of the Lightning Class.

To keep the Lightning Class within the financial reach of the man of moderate means without handicapping ability or encouraging neglect in conditioning yachts.

To rigidly maintain a strictly one-design Class, in order to positively insure that all Lightning Class races held under the auspices of this Association be to determine the skill of the skipper, and to eliminate all variation in construction of the yachts. Everything in the Constitution, By-Laws and all building restrictions is intended to insure competition between boats of identical design and the spirit of the Constitution, By-Laws and building restrictions is to this end.

JURISDICTION

The Association has jurisdiction over all Lightning activities. Its Class rule govern all sanctioned Lightning races regardless of by whom held. Its Constitution, By-Laws and Rules are binding upon all members and Fleets and all registered Lightning yachts must conform to its official plans and specifications.

ATTENTION OWNERS, BUILDERS AND SAILMAKERS

The Lightning name and emblem as applied to sailboats has been registered with the U. S. Patent office and the Lightning Class Association is granted exclusive use thereof. No boat may properly be sold or entered in any race as a Lightning or at any time display the Lightning emblem upon its sails or otherwise, unless the number tax or royalty on such boat has been paid to the Association by the builder or owner thereof. For the benefit of owners or prospective owners the Association proposes to take whatever steps necessary to protect both the Lightning name and emblem from any unauthorized use.

ROYALTIES AND REGISTRATION

The Association will refuse to issue a number or grant a measurement certificate to any yacht on which the royalty has not been paid or which was not built by a recorded owner of Official Lightning Class plans. *The fee for each and every boat built is $15.00* which includes the assignment of a registered number, blueprints and the book entitled "Building the Lightning".

Every Lightning built is recorded by the Association and a complete registry of owners is maintained. All changes in ownership or sale of new boats by builders and dealers must be recorded with the Secretary of the Association.

A $1.00 royalty must be paid by sail makers on each sail made, as evidenced by the above label securely sewn thereon. The colors in this label are red and black lettering on a white background. This label, as evidence of payment of royalty, is required beginning with 1948 sails. These labels may be purchased from South Haven for $1.00 each less 2% for cash with order.

PLANS

Plans are not transferable. They are sold subject to the terms and conditions of the notice thereon. Plans and specifications are subject to annual revision only as provided in the Constitution and By-Laws. It is the policy of the LCA to make no changes which would give more recent Lightnings any advantage over the first Lightnings built. The responsibility of keeping advised as to these annual revisions rests with the purchaser of plans and specifications. Never copy another Lightning.

CONSTITUTION - BY-LAWS - RULES SPECIFICATIONS

The Constitution, By-Laws, Specifications of the Lightning Class Association are contained in a special pamphlet available to all members—builders and yachting organizations.

MEMBERSHIP

Each and every Lightning owner should be an active member of the Association. Our modest dues are a very small amount to pay for the many benefits received from such a membership. You are not only helping to support your own Association that is doing everything possible to enhance and protect your investment in your Lightnings but you will receive numerous publications of interest and benefits (which alone are worth the investment). Only members are permitted to enter sanctioned Lightning Class races and receive the official Yearbook and special Lightning Class publications.

Every crew member or person sailing and interested in Lightnings but is not an owner should be an Associate member. The Yearbook (which is sent to Associate and crew members as well) alone is worth more than this membership costs, not to mention our other publications.

L. C. A. Headquarters

Olive "Sully" Cain

At South Haven, Michigan, the Executive details of our constantly growing organization are competently handled by our Acting Executive Secretary, Mrs. Olive Sullivan Cain, known as "Sully", who has recently taken over this responsibility from W. D. "Dale" Hickin, former Executive Secretary, who due to ill health was compelled to retire.

A complete file of Lightnings and LCA members is maintained in our office. All new registrations, changes in ownerships or address, inquiries and requests should be mailed to Mrs. Olive S. Cain, Bank of South Haven Bldg., South Haven, Mich. Dues may be sent there, also, although many Fleet Secretaries assist the Association by collecting and remitting dues for their Fleet members.

Officers

Your duly elected national officers serve you and your Association without pay and have no financial interest directly or indirectly in any firm or corporation building boats, manufacturing boat fittings and equipment, supplies, or making sails. Your Association solicits advertising only from firms we believe to be entirely reputable. We do not, however, assume any responsibility or in any way guarantee these products.

10th Annual International Lightning Championship Held September 7th, 8th, 9th, 10th & 11th At The Buffalo Canoe Club, Point Abino, Ontario, Canada

Won By

Dick Bertram In "Dodge Trophy"

Report by MacGregor Wilson

The most truly International of all International Championship Regattas, the 1948 event held in Canadian waters, Sept. 8th to 11th, at Point Abino, Ontario, was also the largest and offered the toughest competition.

Dick Bertram, former Comet Class Champ, and a recent Lightning convert, had changed boats but displayed strict consistency in turning in three third places for a winning score of 90 which proved just enough to edge out defending champ Walt Swindeman's 89. Harold Holland's entry from Sao Paulo, Brazil, who travelled farthest to compete, didn't quite make the championship list, but did well enough to place in the top quarter of the President's Trophy Series.

All the tricks came out of the sea bag when the upper bracket skippers, 32 of them, went over the first day's starting line. Added to the ever-haunting number 800 of Walt Swindeman were numbers 467 and 574, those of Bob Graf's "Rampage" and Adam Eby's "Ginger" respectively, who were sailing on home waters of Host Fleet 12, Buffalo Canoe Club. To say nothing of the impressive list of district champs including Dick Bertram and Magnus Pedersen. Enough it seems to send a quiver through any tiller hand. Yet if any skipper or crew member was a little shaky there was no sign of it as tacks were split unhesitatingly and spinnakers unfurled at the slighest provocation.

FIRST RACE

The first race appeared to be anybody's after a perfect start (Swindeman somewhere in the middle) in very light air. Eby had a slight lead on the first leg. On the second leg however, Bertram picked up a slant in the freshening breeze and went into the lead followed by Graf. At the halfway mark, Swindeman was in ninth place and calmly content about it. As usual, if everyone else was on a port tack, Walt was on the starboard. As the wind picked up steadily, luffing matches broke out all over the course including the front ranks where Graf and Bertram went after each other's wind while Eby tried to steer clear of both. When the widely scattered boats began to funnel down toward the finish line—ahoy Swindeman. The old

champ had outsailed the duelists and come home with about 25 yards to spare. His time was 1:06.55, only eight minutes ahead of the last place boat. Bob Graf who had scored a double victory in the two elimination heats placed second. Third place went to Bertram's "Dodge Trophy"—a significant spot as it turned out. Adam Eby in "Ginger" placed fourth, Walt Vogel fifth in "Rambler Too," and H. R. Krauss sixth in "Gin-Ric," Wiedeke in "Thor," Dore' in "Vixen," Garinger in "Gail" and Allaire in "Avenger" sailed over in that order to fill in the first ten places. The only DNF was J. A. Townsend's "Colleen" which had rated ninth in the elimination.

SECOND RACE

The morning of Sept. 10 dawned "unsettled" according to the weather man. This description would also fit the club house atmosphere as skippers and crews tensely discussed what they had learned about the winds and competition the day before.

With bark of the starting gun still echoing from the Point Abino sand dunes, Bertram took the lead that he never relinquished—well almost never. Graf and Eby, "in the know" about tricky Abino Bay breezes took an in-shore course to pick up the wind as it spilled through a gap between the dunes. To make a long story short we quote Eby after the race, "We would have been better off if we hadn't known the course or anything about its tricky winds." Swindeman on a middle of the road course caught the breeze in his well trained sails handled by Bob Swindeman and Dave Wright and passed everyone but Bertram as he neared the mark for the last leg. As he rounded this buoy for the windward beat, "Dodge Trophy" had a substantial one minute lead over the "Yankee Doodle" and 80 seconds over Magnus Pedersen's "Nimbus." Never have so few taken so many tacks as did Bertram and Swindeman on that last beat, Bertram chose to cover Swindemans every tack, but strangely, or is it?—each tack seemed to net Walt a few yards. When the last tack pushed the Doodle over first who should be right on his stern but Magnus, the Atlantic Coast champ. Pedersen, who had taken canny advantage of the leaders' two-way stretch. 'Twas thus that Bertram wound up again in third place, a position that was getting to be a habit, but definitely not a bad one.

Considering the mild 15 m.p.h. wind, the winning time of 1:57.02 was fast enough to supply plenty of excitement. The "inside track" of the Buffalo skippers had netted Eby and Graf sixth and eleventh places respectively. Eby had done nobly however, after chewing up his hiking stick during a calm that was custom built for "Ginger." He proceeded to pass more than 20 boats to assure admission to the clubhouse.

THIRD RACE

As the final contest loomed on Saturday morning, Swindeman's two firsts totaled 64 points, Bertram's two-thirds added up to sixty. Eby added 4 and 6 to come up with 56, while Charlie Dore's 54 put him one point up on Graf. The inner bay that morning sounded like a convention of maritime mathematicians. There were mutterings such as, "all we have to get is a 6th to get third place, if Dore' falls below 8th and Bertram drops to 5th."

With halyards tight in the 20-25 m.p.h. wind, the top bracket skippers took their time tuning up as they milled about the committee boat. Bob Graf tacked close by the Burgee IV just for a conversational question about the course. But he broke into a cold sweat when he found he had misread the course flags and was set to start a race by himself on the wrong leg.

In a good start, Canada's native "Rhoda" was well up front with "Gin Ric" and "Coxswain." Among the 30 craft, Swindeman was hemmed in toward the rear. Fred Wiekeke's "Thor" soon took the lead, only to be passed by "Gin-Ric" near the first mark where "Yankee Doodle" had passed seven boats to gain 16th place. The second leg would have been a spinnaker run most any other day, but only a handful of skippers had the courage to use their big sheets. The spinnaker paid off however, for one of the courageous, allowing Graf to take a good lead over Krauss at the end of the first circuit. Wiedeke and Eby also passed "Gin-Ric" which was followed by Bertram, John McIntosh, Dore', Garinger, Nickels, Allaire and Berry.

With Graf widening his lead, Swindeman appeared to be content with his 11 point advantage over "Rampage" and left his spinnaker folded. The two-time champ reckoned without "Dodge Trophy" as Dick Bertram took advantage of every tack to overhaul Krauss and Eby. On the last two legs though, Walt passed seven boats to wind up in eighth place, one short of what he needed to tie Bertram, Fred Wiedeke turned in a nice second and Bertram, in the pay-off groove again, built up his winning total to an impressive 90 points. Despite losing a jib halyard on the first leg, Adam Eby's "Ginger" came across the line fourth securing the same spot in total points, just one point behind Graf.

Thus the biggest and certainly one of the best Internationals was written into the log.

To the city of Miami
On the shores of Biscayne Bay
Where, it seems to be, we've never gone before.
We'll be going next September
With our packets in the tow,
And we'll try to take the trophy home once more.
Yes, we'll try to take the trophy
From the shores of Biscayne Bay,
Sailin' strong the way we have in years before.
So, we'll serenade our champion
While life and voice shall last,
Then we'll pass and be forgotten with the rest.

Chorus:

We're poor little ships who have lost their way,
Baa, baa, baa.
It happened to us on Abino Bay
Baa, baa, baa.
Yankee Doodle off in the lee
We all know it was bound to be
It was done by the Dodge Trophy,
Baa, baa, baa.

Presentation Dinner

All Officers of the L.C.A., skippers, crewmen and guests gathered for the wind-up Banquet on Saturday evening, which officially terminates the past year's season. The presentation of Trophies was made by Ed. McCain retiring President.

The large silver bowl representing the Lightning Class Championship, which as a perpetual Trophy remains in possession of the winner until lost in succeeding years competition was awarded to Dick Bertram, from Biscayne Bay Fleet No. 130 of Miami, Florida, who with his crew Don Bliss and Mrs. Bertram gave a fine exhibition of sailing skill and consistency.

Walt Swinderman, popular Champion for 1946 and 1947 was awarded the runner-up Trophy and two banners for his two firsts in the first two series races. Walt and Herb. Cox had whipped up a tune for the winner from Biscayne Bay, which was rendered in a sincere spirit of sportsmanship, with indications of future competition down Miami Way in 1949.

Bob Graf was awarded Third Place Trophy and two banners one for his win in the last race, in which he demonstrated his courage and skill in handling spinnaker in a 25 mile blow.

Ed. McCain was pleased to award the new President's Trophy to our new President Karl Smither, who with two firsts and a third in the President's series, outdistanced the remaining 55 competitors.

A special prize had been forwarded to Ed. McCain, from our recently formed Fleet in Finland, with the request that this prize be awarded to the skipper who traveled farthest to participate in the Internationals. Harold B. Holland had brought Lightning No. 3093 from Sao Paulo, Brazil to compete and was therefore awarded this special prize by Ed. McCain. Mr. Holland reciprocated by presenting the L.C.A. with a small model of a native bark from Brazil, which was immediately turned over to our retiring Chief Measurer for certificate possibilities. Mr. Holland's gesture was very much appreciated and he received much applause for his good will expression from our good will neighbor country.

The newly elected Officers were then introduced to the members present, whereupon Ed. McCain retired to his office of Honorary Commodore and Art. Burtscher retired to the quiet green pastures as Vice-Commodore.

Our new President Karl Smither then took over and upon motion for adjournment being seconded, permitted all Officers and members to join in the dancing and conviviality of mutual interests for the balance of the evening.

President's Trophy Series

While, under its new title of President's Trophy Series, it may still be a consolation race, it is consolation of a high order to rank with the field that headed for the starting mark on Wednesday afternoon. Among them were many names which have become by-words in Lightning circles the country over, and many more that would become such.

Karl Smither in "Thermis Twice", Winner of President's Trophy Series.

Bob Siemer, last year's winner in Saltshaker, would have to look to his laurels. The roster included not only such topnotch refugees from the Protest Committee as Karl Smither and Louise Cattus Miller, but names and boats to conjure with such as Alex Dougan's home made "Honey," H. G. Zimmer's "Zim-Baby," Don Rowe's "Taboma," and Stan Shaver's "Phyllis," both from Florida, and Ludlow Wray's "Nipper." It looked like a grinding session too for the timekeeper, watchers and clerks aboard the committee boat with 56 entries coming up to the line.

First Race

The ensuing start was the only bad one of the week as hair trigger tillers let at least eight boats go over before the gun. Most, however, returned for a fresh start. Louise Miller picked up an early lead keeping Smither in her wake for most of the course. Karl didn't seem content with this situation as the second lap neared completion and pulled up tight for a win that he made to look easy.

Second Race

Skippers disciplined themselves the second day and in spite of a jam at the line, engineered a perfect start. It began to look like a retake of the first race as Louise Miller took up her post at the front followed by Smither's "Thermis Twice" and Alfred Kuehl's "His Nibs." Resemblance became all the closer when in the closing yards the "Thermis" slipped by "My Gal" to draw first gun-fire from the committee boat. The brisk breeze prevailing during this race provided plenty of action at all stages, but on the homeward reach really piled it on. The battling "Dipsy Doodle" from Battle Creek dipped C. F. Avery and crew into the choppy water where they were picked up by the vigilant spectator boat "The Keed." That white object visible through 20 feet of water was the jib-man's pants. The "Dipsy Doodle" was back in the race Saturday none the worse for her dip.

Smither with two firsts was now in the same position as was Swindeman and looked just as impregnable with his 112 points. Second was Al Kuehl with 101 as Mrs. Miller fell victim to a port tack violation. Tied for third place with 100 points were Bob Siemer and Lud Wray.

Third Race

The Saturday afternoon skies looked threatening for the finale and the blue and yellow postponement flag went up shortly after lunch. In final obedience to the schedule, however, the wind abated and the Trophy seekers got under way; not quite without mishap. One South American entry, from Brazil swung around close to the port side of the committee boat looking for an opening which turned out to be already occupied by H. G. Zimmer. In a grim choice the good neighbor missed the committee boat by inches but couldn't avoid "Zim-Baby" fouling her lightly abeam the mast. That she wasn't hurt much, "Zim-Baby" soon gave ample evidence for from shortly after that point right to the finish line no one could get close enough to nudge her.

While he trailed Louise Miller again, Smither couldn't find that puff that had him ahead of "My Gal" in the two previous races, he bettered Swindeman's third day fate with a valuable third place. Fourth was John Tiegland of Medford, N. J. in the "Lark" and fifth was Don Rowe's "Taboma," just ahead of his Florida fleetmate Stan Shaver. Next came Ludlow Wray followed by Gorman of Toronto, His Nibs Alfred Kuehl and former Trophy holder Bob Siemer.

How to be Eliminated from our Championships!!!

By Karl Smither

Winner 1943 National Championship Runner-Up 1944-1945-1946-1947 Winner President's Trophy 1948

As the competition waxed hotter and hotter in the 1948 L.C.A. Eliminations, the Lake Erie breeze blew harder and harder. In the melee of 30 Lightnings jockeying for the start in the final Wednesday afternoon qualifier, "Thermis Twice" was determined to be on the line for that gun. The starboard tack run of the line was really hard on the wind. The crew and skipper were hot after a good start. This is no blame for the main and jib men because the helmsman was burning to be in there. Of course, if I had used some intelligence as did Dick Bertram, and relied on the ten point margin we had accumulated in the first race, all would have been well. But no, here we go crowding the line in the last fifteen seconds. Four photos which George Barnes snapped from the committee boat tell the story "better than a thousand words." Here they are:

Scene 1—588 (Thermis Twice) is hidden behind the sail of 378 as the fleet surges toward the weather end end of the starting line. The sands of time are almost run, but the seconds drag terribly. Tension is high.

Scene 3—Port tack 581 forces 3510 about. In irons, 581 and 3510 form a barrier. All pile up. Clunk! Clunk! Clunk! Boats are crashing. Sails are flapping. Crews are snappng. *Starboard Tack; Right of Way! What do you say!* No boats apparently realize that they are over the line at the gun. 581 and 588 (in behind 1484's jib) and several others were over the lne when the starting gun fired. Then two late starters came sailing across the line on the on the port tack. One, which was forced to alter course protested.

Scene 4—Very shortly after the start: All are squared away. 588 after going back and recrossing the line finished third in the race, but the protest committee (after almost a five hour hearing) sustained the protest. They were right. That's the way to get eliminated, folks. Curry says, "If you're not over the line once out of seven times, you are starting too slow." This must have been our seventh time.

← **SCENE TWO at left**

Scene 2—Trouble brewing! Mouths are dry. Both ends of the line are concealed by the white sails. We (588) had room to drop down to leeward. The skipper's frail judgment says that we are O. K. GUN-FIRE! All hands lace in mainsails. This is it!

"From Biscayne Bay To Abino Bay"

By Kate Bertram

Our trip from Miami to Buffalo for the Lightning Internationals began with a unique boat ride. We live in a houseboat on Biscayne Bay, and it had to be towed up the Miami River to a safe place before we left. With all our belongings aboard, including a pet duck and a dog, we were towed through innumerable draw bridges and deposited in a narrow, muddy branch of the river where even the most tempestuous wind could do no harm.

Loading "Dodge Trophy" for the long trek took hours. Each piece of equipment had to be carefully wrapped to prevent chafe, then carefully stowed. It was ten p. m. before we were ready to leave, but since we'd pretty well burned our bridges behind us, we started anyway and drove to Palm Beach before stopping at a hotel. The pet duck had been left with a friend, but the dog accompanied us and posed quite a problem, though he kept our little daughter amused a good part of the time.

The second day our poor old car began to resent the heavy trailer and hot weather and worked up a temperature if forced to go over thirty. Some solvent in the radiator, followed by a thorough flushing fixed that, and after a few hours delay we were on the road again, with our impatient little girl complaining that we drove and drove and got nowhere. It was a hot and dusty trip and the sailboat caused a lot of comment, particularly in the tobacco belt where each little village was crammed to capacity with tobacco buyers and sellers.

Eventually, after what seemed an interminable ride, we reached Mantoloking, New Jersey, where Dick's family have a Summer home on Barnegat Bay. "Dodge Trophy" was divested of her layers of dust and launched in the shallow water where Dick learned to sail about twenty-five years ago. Dick's experienced jib and spinnaker hand couldn't accompany us to Canada, and I was to be taught how to do his job. Though I've cruised a lot, and crewed in dinghies and Comets, I had never worked with a spinnaker, and was very dubious about my ability to learn on such short notice. Our main sheet man, Don Bliss, would join us in Buffalo the day before the races, and I wondered how he would like the prospect of facing the keenest possible competition with an inexperienced female in the crew.

Lightnings are numerous on Barnegat, and though Dick promised me a few days of sailing without competition, he entered "Dodge Trophy" in a race the first afternoon afloat. I had been briefed on the procedure of setting a spinnaker, and had read quite a bit on the subject, but still managed to scramble things pretty badly that first day. It looked hopeless to me, and I insisted that we must find an experienced hand to take along. However, Dick felt confident that all would go well the next time. An empty cardboard carton in which to stow the big sail under the deck helped a lot, and the next time wasn't so bad, but certainly left plenty of room for improvement. We had a lot of fun anyway, and learned that the competition was very keen. We raced against some thirty Lightnings at Sea Side Park, and won by a perilously small margin. I had two hands full of blisters and an increased respect for the size of the job ahead of me. Dick and I both wondered if "Dodge Trophy" would even quality for the Internationals.

Our time was running short, so once again everything was wrapped and stowed inside the boat and we were on the road to Ithaca, N. Y., where our daughter and the dog were deposited with Dick's parents. The unsung heroes of most regattas are those who stay behind to mind the sailors of the future.

We arrived at the Peace Bridge late one rainy night. After satisfying the authorities as to our good intentions we bounced along over a dark, narrow road in hopes that it would eventually lead us to the Buffalo Canoe Club. Having found it at last we unhitched the trailer and left the boat in good company, for there were Lightnings from all points North, South, East and West waiting to be launched. Our first interest was in a place to sleep, and we lost no time getting settled for the night. Dick's last comment before dozing off was, "I don't expect to make much of a showing, but we should have a heck of a good time." My dreams were punctuated by orders to set the spinnaker, and I spent the night going over the routine in my subconscious mind.

The next morning we found Don Bliss and got to work on the boat. Miles of detours had daubed her with mud and grime, and she had to be scrubbed inside and out. We sandpaperd the bottom till it was as smooth as we could make it, and put her into the first fresh water she'd ever known, except from a hose. After lunch we went out for a sail to tune up the rigging and look at the courses we might sail during the regatta. After ghosting about for hours locating the buoys that showed on our course sheet, we gave it up and returned to the club. Dick and Don were dismayed at the lack of wind and hoped for a spanking breeze, while I silently prayed for light air, doubting my ability

to handle jib sheets and the demon spinnaker in any kind of a blow.

Looking back on it now, I think the eliminations were more nerve racking than the finals. It became apparent early in the first heat that "Dodge Trophy" was going to need our best efforts and a lot of good luck if she were to qualify. During the second race I snagged a hole in our spinnaker and had to patch it with a piece of the skipper's shirttail. As Dick had said the night before, we hadn't made much of a showing, but we did manage to qualify. Don's strong right arm had made up for my deficiencies when trimming the jib, and his weight held her down so well in the puffs that I lost some of my dread of the fresh winds that he and Dick wanted so badly. Don seemed a lot more confident of success than Dick, who was thoroughly enjoying himself in spite of having spotted a number of competitors who could out-sail him. Perhaps I shouldn't say 'in spite of' but 'because of', for Dick has always enjoyed a tough battle no matter where he placed at the finish. I saw very little of what went on during the actual races. I had all I could do to take orders without looking around.

Having seen what the top-notchers could do in the eliminations, we were all anxious to see Walt Swindemann in action. We got a good eyeful during the first race when "Yankee Doodle" came up from behind and passed us on the second lap with unbelievable ease. I didn't see what was happening till I heard Dick's awed voice whisper "look at him go". We realized then that good starts were going to be imperative if we didn't want to be hopelessly out-distanced. After the race we tinkered with the rig some more and practiced moving our weight when tacking so as not to lose speed. Satisfied that we had done all we could, we returned to the club where all hands resailed the race verbally till bed time.

Dick did everything in his power to give the boat a break, and got good starts consistently throughout the series. Nevertheless, each time we were overtaken and passed in spite of our best efforts. I was too busy to see why others could out-foot us but Dick and Don learned a lot during each race, and afterwards we discussed our short comings and tried to compensate for them. It was a privilege to see Walt Swindemann's crew move as a unit when tacking, and in some of the close windward work we could see how it payed, as they went by us like a train of cars.

In the final race we had phenomenal luck, though we didn't know we'd won the championship until after our return to the club. It was one of the fastest and most exciting races any of us had ever sailed, and I was amazed to find I had set the spinnaker twice in that strong gusty wind without fouling anything or falling overboard. Don's ability to tend the big balloon after it was set was a joy to see, and his imperturbable confidence in both the skipper and the boat helped to keep me from failing. From start to finish he seemed absolutely certain that "Dodge Trohy" would win.

Dick felt then, and still feels, that it should have been Walt Swindemann's victory, and that good luck made it possible for us to bring the trophy to Florida. We had a wonderful time and hope to see Biscayne Bay as full of Lightnings next September as Abino Bay was during this year's regatta. We'll have some job trying to live up to the standard of hospitality set by the Buffalo Canoe Club, but we'll certainly try our level best.

Dick and I have participated in many regattas, sailing a variety of boats, and have enjoyed them all. In one respect, however, the Lightning regatta differed from the others. We were particularly impressed by the spirit of friendliness and fun that pervaded the entire meet; the attitude of sailing for pleasure as well as a spirit of keen competition; a chance for all sailors not just the finest skippers, to enjoy themselves. We hope this feeling of good fellowship will grow with the class and never diminish.

A STORY OF ENCOURAGEMENT

by ADAM EBY

Commodore of Buffalo Canoe Club

Who Finished Fourth in the 1948 Internationals

It was not so many years ago that the "Ginger" #574, finished last in every race. She was a boat that had been washed ashore in a storm, part of her deck ripped off, her mast broken and had been picked up from the beach and repaired as best as possible. She was considered a slow, heavy old tub with no chance of ever winning a race.

It is to other owners of boats like the "Ginger" that I would like to give a bit of encouragement. Any boat—any Lightning—can become a winner. It is true that luck does enter into sailing as in any other thing in life—but this luck will be good as often times as bad. But maybe we're the wrong boat to talk about *good* luck—when it is remembered that we thought we had the Internationals: all the contenders were neatly counted far behind us—when a brand new jib block parted and dropped the jib to the deck: or when in the first race—and out in front—my brother was carried overboard by a sudden puff and change of wind, as he was jibing the spinnaker around a mark! That was luck—but not good luck. However, we feel that one of these days we will get the good breaks and then the "Ginger" will really show what she can do in International competition.

Over a number of years we have discovered a number of things about the sailing and tuning of a Lightning that do not seem to have been clarified in any published works. We will try to point out a few of these things to those of you who are perhaps a bit discouraged: those whose boats are not up in the money! We feel confident that some of these suggestions will help you to put your boat in front.

To start with, you must believe that your boat *can* win:—and it can—if you take one or two steps at a time. It may take two or three or even four years—but, believe me, you *can* win with *your* boat.

The first thing to do is to get a good crew. You have read lots about good crews—usually stories of commendation on how a crew has won a race. But I have yet to see—in print—a listing of the necessary qualifications of a good crew. Here are my ideas of the qualities a good crew must have:

1. A competitive spirit. A definite and whole-hearted desire to win . . . never satisfied with less than first place . . . a crew that talks, eats and sleeps sailing.
2. A real thirst for sailing knowledge. Your crew must be experimentative. They must want to know what happens when you do this or that. Fortunately I have been blessed with a crew that will try anythinq—and I do mean *anything*—if we are not winning: Warren "Boyton" Hunt and my brother Samuel E. Eby. During a race they are working every second. Many times they have done what seemed to me to be the dumbest thing imaginable—but often it's worked and we've learned a heck of a lot from these experiments. My hat off to them both.
3. The crew must be workers. They cannot be the type who get out just an hour before the race to pump out the boat—put on the canvas—and then go out sailing. They have to be there early in the morning of a race, turn the boat over, scrub down the bottom, polish it up good, test every fitting and be sure that it is ready to go. Further—until you get the boat in racing trim—they must be out there evening after evening—practising, tuning and trying. All Winter long they must be ready to work on the boat . . . refinishing here, polishing there, smoothing this—and really putting her in first class shape.
4. The crew must be a couple of chaps that can get along with each other as well as with the Skipper. They must be the type who will defend each other in all kinds of arguments; who consider themselves as a unit. It must be the old story of The Three Musketeers—"One for all and all for one".

This does not mean that they should be "yes" men. This definitely should not be. But any discussions or arguments or disagreements on the boat should never be repeated or discussed once the boat has been put away at her mooring!

And here I would like to say that, in my opinion, the Skipper is the least important of the three men aboard when it comes to making the boat go. His job is one of tactics and competitive duels with other boats—but he should not have to worry about driving the boat. This is the crew's job—and a good crew will do it.

Once you own a boat and suit of sails and have a good crew you are ready to go to work on your boat to prepare it for winning races. It goes without saying that you must have a sound hull. During the Winter you should put hardwood backing blocks behind every fitting on the deck and bolt them through. Do not trust to screws anywhere if you can avoid it.

Do everything you can to make your hull lighter. Take off any unnecessary paraphernalia such as drawer slides, etc. Get your bottom as smooth as it can possibly be made. The same applies to your topsides—don't forget you are sailing on your topsides as much as on the bottom and they should be just as smooth.

However—you can't blame a poor bottom for not winning races. The "Ginger" won the last race at the 1947 LYRA'S with sheets of paint hanging from her bottom. Following the race skippers of other boats didn't believe it possible that a boat with that kind of a bottom could go through the water so fast. Further, she took second in our Club elimination races with the poorest bottom in the fleet.

Paint trouble and we've had plenty of it—come mostly from two things. First—the type of paint used—and secondly—painting in cold or damp weather.

We have had a lot of trouble with paint peeling from the bottom of our boat because we put on a zinc waterproofing and rot-proofing compound and then tried to put a copper based paint over it. It just will not work! When in the water an electrolitic action is set up which actually pushes the paint from the preservative. Be sure any preservative you use is made with a copper base. Don't try to paint in cold or damp weather! We now follow the advice of Karl Smither—and do our painting in the summertime. We haul out in August and let the boat dry out for a few days . . . put a coat of good hard racing bottom on her and put her back in the water. Sanding during the early Spring is all that is necessary to prepare it for a coat the following August.

If you do have bottom paint trouble you'll find the advice of Bob Woods of great value. Take everything off to the bare wood and brush on a solution of 50% shellac and 50% alcohol. Let this dry thoroughly—at least 24 hours—and put your paint on! She'll stick—but tight! There is considerable discussion around the Canoe Club as to whether a copper bottom or a hard racing bottom is better. It may be interesting for you to know that following our recent repaint job, Karl Smither (who had likewise just repainted his boat with a copper bottom)—and I attached identical spring scales between our boats and tow lines run to the committee boat. We found that the drag of the two boats in the water was almost identically the same, although it seemed to me my hard racing bottom caused less drag variation. However, we did discover that Karl's boat had a bit less drag when well heeled to one side. This is an indication that his topsides were somewhat smoother than "Ginger's"—and made it appear that his topsides were even a bit smoother than his copper bottom.

Now for the job of tuning her! The mast cannot have any kinks or "s" curves or bends in it to start with. Our first job is to be sure it is straight as we sight up the after side from the deck. You will find that the mast may be adjusted in four ways —1.) by the steps at the bottom of the mast (controls rake); 2.) the upper jumpers (controls hook); 3.) the stays (partially controls hook) and 4.) the shrouds (controls leeward bend).

1. We have found on most Lightnings that a slight after rake of the mast is advisable. We have discovered that to properly balance the Lightning (Skaneateles)—the mast should rest against the forward side of the cut out square in the deck without any blocks in front of it—and that the lower end (at the step) should be just slightly forward of the perpendicular so that you have a rake of perhaps some twelve to fifteen inches if a plumb-bob were dropped from the mast to the deck with the center board down and nobody aboard.

2. Your biggest tuning headache is going to be your upper jumpers. Both of these must be of the same tautness or you will have a sideward twist to the mast. The easiest way to adjust these is to look up the mast as you pull on one set of shrouds—say the two starboard shrouds—which gives the effect of sailing on the port tack. When you pull firmly on both starboard shrouds the top of the mast should lean gradually to starboard. There should not be any reverse hook at the peak. Once the mast starts to lean (a bit below the spreader), it should continue on up to the top without any reverse bend whatsoever. If you get a reverse bend it will be necessary to loosen the opposite, or—in this case—the port-jumper. This will have to be done on both sides of the boat, of course, and then when you are finished you will feel the tension of both jumpers and undoubtedly find that they are no where near alike. This only means that you start all over again—first tightening up the jumper that was too loose or loosening the one that was too tight. You will probably make this entire set of adjustments a dozen times before you feel that you have got the jumpers anywhere near where they should be. (And another word of warning—after you have sailed the boat two or three times you will find that will need further adjustment.)
   If you have the type of spreader that goes through the mast be sude that it does not move in a worn mast hole or in worn fittings at the side of the mast. If it does, your jumper stay will change every time you go from one tack to the other! On this type of mast the spreaders are fastened to a tang with a hole through it that is usually screwed to the mast where the spreader passes through. These screws in time pull loose—and, as you go from one tack to the other—the spreader fitting moves. So be sure that the spreader is rigid and firm and that the jumper stays cannot move at all at the spreader fitting.
   Word of warning—a quarter turn on your jumper stays can make a terrific difference in the hook at the top of the mast. You do not want to have too much hook in your mast. A little bit is OK—but if you loosen your jumpers too much you will find that you have a *tremendous* hook—and this is as bad as a forward hook or no hook at all—maybe worse.

3. Once you have your jumpers set up so that they seem alright —tighten your jib stay or forestay. This must be taut. The fellows around the Club feel ours and say "My gosh, you could play a tune on it". Well we have found that that is the way it should be—and in every case where we have encouraged a skipper to take up a bit on his forestay he has found that he goes much better to weather.
   The backstay should be of medium tautness. There seems to be a great fear among sailors of getting the backstay too tight . . . Probably because every sailing book on rigging talks about a loose backstay. However, the backstay must be reasonably taut. It can do no real harm if it is not too tight since your jumpers—properly adjusted—keep the backstay from putting too much of a hook in the mast.

4. Your side shrouds should be quite loose. The upper ones should be a trifle tighter than the lower ones as they are longer and will stretch more. I would suggest—to start with —that your shrouds be loose enough so that you can take hold of both port and starboard shrouds at the same time while standing on the foredeck and pull the upper and lower of each side together with your fingers so that they come within about two inches of meeting. You must do this with both the port and starboard shrouds at the same time, otherwise you will not be getting even tension on the two.

Now you are ready to go sailing. We suggest that you go out in about a ten-or twelve-mile breeze. Have your sails up taut. We mean by this to have the luff about as tight as you can make it by use of the down haul, so that the wrinkles are running parallel and close to the mast. The foot should be out fairly well—about as tight as you can get it out with your bare hands—so as to avoid any wrinkle or fold along the leech.

Now turn your tiller over to a crew and go forward. Your mast should, when on the wind—lean very gradually slightly to leeward. It should start to bend just below the spreaders—and keep up a gradual but ever increasing bend to leeward till you reach the peak. There should be no reverse curves or buckles or figure "s" in it. (You will find that by holding your shrouds—or having another member of your crew hold them for you while you look up the mast—you will be able to see what tightening them will do.)

You will have to adjust the mast on both tacks so that it has the same gradual lean to leeward. You will probably have to tack fifteen or twenty times before you get it so that it looks alright to you under the pressure of the wind.

Now check the luff of the sail while on the wind. If it appears to be baggy—has too much of a pocket—at the middle of the mast, it is an indication that your mast needs more of a hook. You can do this by taking up a trifle on the back stay or you may have to loosen your jumpers when you get back to the dock. If it is too flat, on the other hand, it needs less hook. By loosening the back stay you will probably be able to take most of the hook out of the mast. The mast should have a smooth curve all the way up. It should not go up half way and then suddenly hook off. In other words be sure that the strain from the peak is picked up by the jumper and carried down into the spreaders—and a portion through the spreaders and down to the deck. Any sudden or sharp curve in a mast is bad no matter whether it is unintentional or intentional.

Now go into the dock and lower the sail. You will probably find your shrouds darn loose. (But you're on your way!) Take up a half turn! Hoist your canvas and go out and try it again. You will probably be doing this the better part of the summer unless you are very lucky.

So much for the tuning—one of the most important parts of your winning set-up.

Now take your sails. If you've got poor sails, have them recut. Don't worry about who made the sails. A good outfit like Ratsey and Lapthorn will be able to improve a bad set of sails beyond belief. When you have your sails recut and in good shape take care of them and do not bunch them up. Treat them tenderly and fold them carefully—and if they get wet be sure to hang them where they may dry without any strain on them.

Of course if you've got a lot of money and can afford to buy a new set of canvas from a good maker you are just that much better off. Be sure, then, to break them in very carefully—as a lot of sails are ruined by poor breaking-in.

You will find that it takes a great deal of time—and heck of a lot of work and an awful lot of patience if you are going to make your boat go. But again may we repeat—it can be done.

Once you have taken care of all of the above you are ready to start brushing with the other boats. The way to do this is to obtain a safe leeward position on a recognized "hot" boat. Don't get close enough with the other boat to backwind it as you will only be kidding yourself. Try to watch the rest of your crew—which is very important—so that your boat is sitting fairly level on the water and so that you have no helm whatsoever. (Incidentally I might emphasize this point. A well balanced and properly tuned boat will have *absolutely no helm* except in a definite blow. If you have a bit of helm it can be adjusted in a properly tuned boat by shifting the weight of the crew a few inches—or by adjusting the sails or the center-board.)

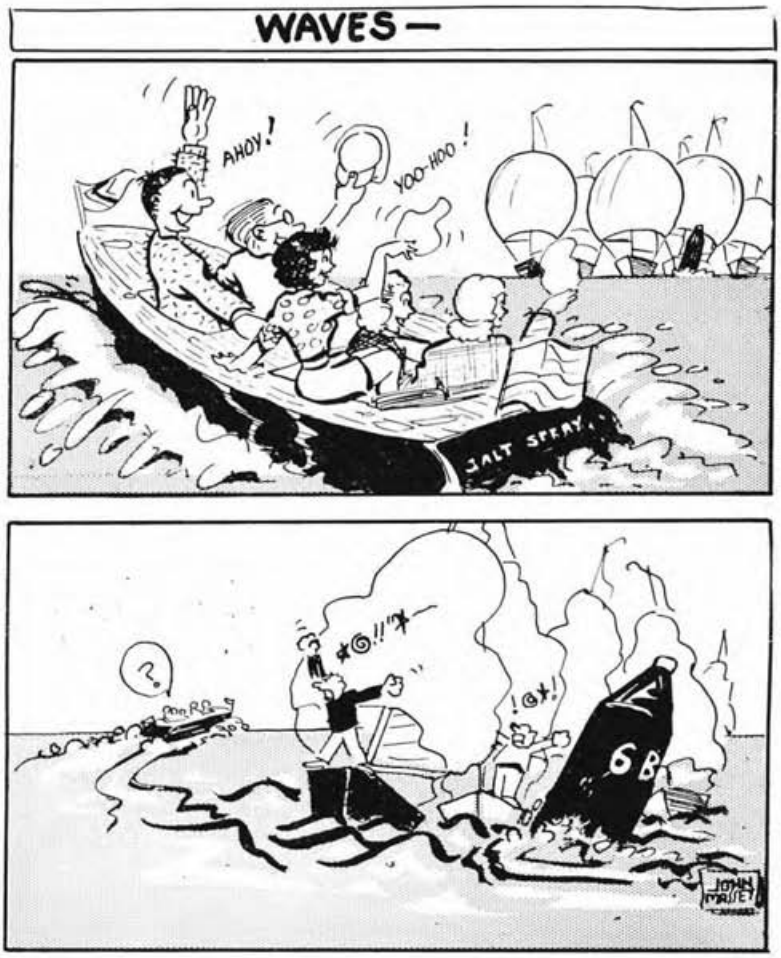
Get your sails set—but don't haul them in too tight or a Lightning just won't go. The boom should never be further inboard than about the position above the after deck block to which the main sheet runs.

Be sure that your jib breaks along the entire luff at the same time. Head into the wind slowly and see that you do not have a collapsing of the jib either aloft, or at the foot, separately. The entire luff should break at once.

If it's blowing twelve or fifteen miles—get your jib strapped in pretty well so as to form a hard surface to collect the wind and drive it back along the leeward side of the main. Now watch the boat you are brushing with and see whether or not they are pulling away from you very fast.

You will find that if you can maintain a fair position with a "hot" boat that your boat is probably tuned alright. From then on it is up to your crew and yourself. You must be a little bit quicker in coming about than the crew of other boats. You must use a little bit better judgment than the skipper of other boats. On occasion you must gamble a little bit more than the boat you are racing against. But you will find that if you have the boat tuned so that it will come even close to keeping pace with the "hot" boat of your fleet that you will be able to go out and beat that boat by working hard on tactics, rules and by practicing a great deal.

I do not know just how much value this little write-up will have for the average Lightning Sailor. However, it is my hope that it will give encouragement to some new skippers who—like myself for several years—always seemed to be the last boat in the fleet. You can get your boat into the winning column if you want to. It is entirely up to you! As Walter Swindeman has said so many, many times—and so truthfully—"Anyone *can* win in a Lightning".



The Miami Yacht Club Boathouse and Anchorage in Biscayne Bay

1949 LIGHTNING CLASS INTERNATIONAL CHAMPIONSHIPS

Biscayne Bay Fleet No. 130, home Fleet of the defending Champion Dick Bertram and the Miami Yacht Club, have the honor of sponsoring the 1949 International Championship Regatta. The Biscayne Bay Yacht Club and The Coconut Grove Sailing Club, adjacent Yacht Clubs in this area, are cooperating in staging this Regatta. Paul Palmer energetic Captain of Fleet 130, together with the Flag Officers of these Miami Yacht Clubs, will put on a show, which is expected to top any International event to date.

The International Championship, will comprise a series of three races, the first to be held Friday, September 2nd, the second and third races to be held on September 3rd and 4th. There will also be competition for the President's Trophy, held on these dates, which will comprise entries who have not qualified in their respective District Elimination Races, for International competition, but have rated high in Fleet competition, which will warrant entry in the President's Trophy series.

Ample accommodations will be available for all contestants, crews and their familes, in members' homes and the largest hotels. Plans are under way for real Southern hospitality, with unprecedented entertainment and activities for all competitors and guests.

This is an opportunity for Lightning members to spend a very enjoyable Labor Day week-end on sparkling Biscayne Bay.

(Accompanying chart shows approximate course to be sailed in Regatta).

1948 ATLANTIC COAST CHAMPIONSHIP WON BY MAGNUS PEDERSEN OF NYACK LIGHTNING FLEET NO. 75

(From report of Ed. Maurer—Photos by L. F. Stockmeyer)

In one of the greatest pieces of sailing seen hereabouts, or anywhere else, for that matter, Magnus (Pete) Pedersen, sailing "Nimbus," won his second Atlantic Coast Lightning Championship, in the three race series sailed August 7th and 8th, on the Hudson River, off Nyack, N. Y. Where "Pete" came from in the third race, no one will ever know, but come in he did, and crossed the finish line 38 seconds ahead of Jack Webb of Riverside, Fleet No. 7, who with the championship almost won, saw the Nyacker squeeze in ahead of him.

When Herman Watson fired the cannon ending the races as Pedersen and his crew Bill Lydecker and Palmer Epler, Jr., shot across the finish line, cheers went up from the large crowd of spectators lining the shore and boat whistles blasted a salute to the winner.

Finishing second to the Nyack skipper, who piled up 107 points, was Jack Webb, who sailed "Rogue," with 105. In third place was Charles Allaire in "Avenger" with 104, and fourth was Edwin C. McGovern in "Happy Days," of High Tor Fleet 41, from Stony Point, with 100 points. Charles H. Dore III, sailing "Vixen," who was a threat for first place throughout the entire series, finished fifth with 95 points. These were the trophy winners. Pennants were also awarded for first three places in each race and also to the high three point boats.

All the thrills came in the third race Sunday afternoon. The start was almost letter perfect, as the trim craft headed for the south buoy off Grand View. It wasn't many minutes before McGovern, Dore, Webb and Allaire shot out in front and Pedersen, blanketed

Finish of the first race, Aug. 7th No. 2970, Pedersen first, No. 1586, Forsman coming in second.

for a time, fell way back. At one time there were 13 boats in front of him. McGovern rounded the first mark, the first time, in the lead, followed by Dore, Allaire, Henry Sadler, Jr. in "Rain Beau," with Webb in 5th position. Dore passed McGovern on the spinnaker run to the second mark, the other positions remaining unchanged. At the half way mark, Dore was still in the lead, with Allaire second, McGovern third and Webb in fourth position. At the first mark, the second time around, positions remained unchanged, with Webb closing in fast, on the three leading boats. At this point it looked like these four, would have a winner among them. But Pedersen was creeping up boat by boat, until half way between the south and east buoys, he had moved up into eighth place. It was after rounding the east stake boat, that the Nyacker outsailed the leaders. Webb was now in the lead and was covering Allaire, followed by McGovern and Dore. All these decided to take long tacks in an effort to get better wind, some going to the south, the others to the north. The "Nimbus" took a short tack to the south and then came about and headed directly for the finish line. Across the river Pedersen came, with his craft tight up into the teeth of the wind, with Lydecker and Epler hanging over the gunwales to keep the boat from heeling over. Webb, Allaire and Dore, who had gone south, saw what the skipper was up to and quickly came about, to shoot for the finish line, but they waited just a trifle too long, and Pedersen came over 38 seconds in front of Webb, with McGovern, Allaire, Herb. Cox, who had passed Dore, and the latter following in that order. The time was 1:42:30.

1948 Atlantic Coast Champion
Pete Pedersen sailing "Nimbus"

Atlantic Coast Champ, Pete Pedersen, holding Frank H. Lee, Jr. Perpetual Trophy. Crew, Bill Lydecker and Palmer Epler, Jr. and Race Committee Chairman, Fay Bacon, Jr.

The fastest time was chalked up in Saturday's race, which Pedersen won in 1:35:11, just ten seconds in front of Paul Forsman, Jr., in "Foose." Dore was third in "Vixen," Allaire fourth, McGovern fifth and Webb sixth. Herb, Cox was eighth, behind Wayne Brockett in "Flame." Wayne disqualified himself, in the third race, when he collided with the stake boat on the Nyack side.

The second race sailed Sunday morning, was very poor with a light variable wind, coming from all points of the compass, and when the wind died out several times, the Race Committee was forced to shorten the course to once around. Even at that, it took 1:52:05 for the first boat to complete the shortened course. Webb was first across, with his two sisters, Jane and Judy, as crew. Allaire was second, Carver Dumke, sailing "Dutchess" from Chelsea, was third; Grimm in "Gypsy" fourth, and Pedersen fifth. McGovern placed sixth in this heat, and Herb. Cox, seventh.

The Committee Boat was Fred Provan's "Si-Go" and Fred was a wonderful host for the two days of the regatta. The Race Committee was made up of Fay Bacon and Herman Watson of Nyack, Paul Forsman, Sr. of Larchmont; LeRoy Amy of Larchmont, Secretary of the Lightning Class Association; Richard Carr of Larchmont, James Trenary of Riverside and A. C. Dumke, from Chelsea. LeRoy Amy presented a new Perpetual Trophy, donated by Frank H. Lee, Jr. to Pedersen, who will hold this beautiful cup for one year, unless he comes up with another victory next year. Pete received two other trophies and three pennants. As each of the top bracket skippers was presented with his trophy, it was filled with beer and the three members of the crew drank from the cups. When young Judy Webb was handed the cup, she said "no, no," but finally relented and had her first drink of the amber fluid.

There were many favorable comments on the way the Nyack Boat Club Committee functioned throughout the Regatta and there was nothing but praise for their capable performance.

FIRST ANNUAL WINTER OPEN CHAMPIONSHIP REGATTA OF THE LIGHTNING CLASS ASSOCIATION

Sponsored By St. Petersburg Yacht Club Fleet No. 109

Won By "Dick Bertram" of Biscayne Bay Lightning Fleet No. 130

Report by Dr. W. W. Jennings of Fleet No. 109

Twenty-three entries, representing eight fleets and two Unattached Lightnings met on the tropical waters of Tampa Bay in St. Petersburg, to compete in the First Annual Lightning Open Winter Championship, Jan. 17th and 18th.

Celebrities and Champions graced the occasion. Walt Swindeman, with his crew and a cheering section came from Toledo; Herb Cox with his wife "Squirrely" from Fairhaven, N. J. Magnus Pedersen flew in from Nyack, N. Y. and Ed Overton brought his boat from Mobile, Alabama. Russ Luchtenberg trailed the "Fireball" down from Buckeye Lake, Ohio and Dave Shay and his crew dug down through the snow to unearth No. 882 "Darema," hauling her all the way from Barnegat Bay to St. Pete. Robert Mann and Park Hedley drove here from Buckeye Lake, Ohio. Five boats were trailed over from Miami and one from West Palm Beach. Edwards Dixon brought a brand new Lightning No. 3568, from St. Simons Island, Ga. but encountered trouble along the road and arrived just too late to enter. It really seems as though a lot of sailors will gladly emerge from winter hibernation if given the opportunity!

FIRST RACE

Saturday afternoon at 2 P. M., twenty-two contenders crossed the line on the port tack on a windward start, with the regulation three mile triangular course, two laps to go. Swindeman, in a borrowed boat "Yan-

kee Doodle Jr." crossed the line in the middle of the fleet and had worked up several positions, but was carried into the first marker by the tide while rounding. Thus fouling out, he withdrew from the race. About this time a cold front closed in, and the wind became variable and rain began to fall. With light shifting air, it was anybody's race. Most of the boats anchored at one time for a few minutes of calm, with plenty of spinnaker drill on two legs and finally a steady breeze giving a good snappy finish as Dick Bertram from Miami, skippered his "Dodge Trophy" into 1st place, the "Fire Ball" with Russ Luchtenberg at the tiller, in 2nd place—and Ogden Helt's "Pelican" 3rd. Time 1:37:07.

SECOND RACE—SUNDAY A. M.

A steady NNW breeze of 12 to 15 knots gave the 22 boats a reaching start on the same course—reversed, leaving all marks to starboard. Louis Schowe crossed the line first with Swindeman again in the middle of the fleet. Before the "Yankee Doodle Jr." had gone halfway to the first mark, Swindeman was seen to quickly bring his boat about and return to the Committee boat. It was learned that Clayton Jones, crewing for Swindeman, had suffered a heart attack, and passed away. It was a dreadful shock to all of us who knew and so admired him. He had won a host of new friends in the short time he had been among us here in St. Petersburg.

With the skippers unaware that a tragedy had occurred, the race was finished with the fleet well together. "Dodge Trophy" taking another easy first, Ed Overton in "Volanta" No. 2186 coming in 2nd, and "Onward IV" No. 393, with Peter Hardeen skippering, finished 3rd. Time: 1:00:33.

THIRD RACE — SUNDAY 2 P. M.

With the wind holding NNW and increasing to 15 to 20 knots, the course and direction remained the same as in the second race. Again Louis Schowe skippering "Gator Bait" crossed the line first, but the unbeatable "Dodge Trophy" gained an early lead and was never threatened. During both the morning and afternoon races, the wind velocity and the fact that both free legs were reaches, kept the fleet from using their spinnakers. Steve Lynch from Miami, at the helm of "Windward" No. 2865, fought his way up from a bad start, to 2nd place with 3rd again being taken by Ogden Helt in the "Pelican." Russ Luchtenberg was a constant threat and brought his "Fireball" in 4th.

This race was won in the remarkable time of 55 minutes and 32 sec. accounted for by a strong, steady wind, two reaching legs with a beam breeze, and a flood tide lee-bowing the fleet to windward.

When the points were all posted, it was discovered that the Wally Bishop Trophy for the Open Winter Championship stays South of the Mason-Dixon Line for this year. The superb sailing of Dick Bertram from Miami's Fleet No. 130, gave him the well-deserved Championship. Ogden and Howard Helt with Harvey Parke in "Pelican" fought a consistently hard battle to gain 2nd place. Ed Overton, sailing "Volanta" with Bill Estoup and Dick Kraus as crew, took 3rd, with good consistent sailing.

All the visiting skippers vowed that they would return with their boats in '49, and bring a dozen or more from their respective fleets.

The St. Pete Lightning Fleet feels honored to have played host to such a fine bunch of sailors who presented, without exception, the highest type of fair sailing, skill, and good sportsmanship.

Dr. W. W. Jennings of St. Petersburg Fleet No. 109 Wins Florida State Championship In Second Annual Orange Bowl Regatta

Report by Luther Evans, Miami Herald Boating Editor

Out of comparative insignificance in Florida sailing circles, came a suddenly full-sized Lightning Fleet to steal the show in the highly successful Second Annual Orange Bowl Regatta on December 27th and 28th at Miami's Dinner Key.

Sixteen Lightnings, twice as many as had ever competed locally before, participated in that State Championship Division of the Regatta and produced a dazzling duel for supremacy.

The skippers and their trim craft were so evenly matched that three different boats won as many heats. And here's the payoff terrific—none of the heat winners emerged the 1947 Orange Bowl Lightning Champ.

No, sir. That honor went to Dr. W. W. Jennings of St. Petersburg, although he was unable to finish better than third in any of the tests.

For instance, Ed Perry of the Coconut Grove Sailing Club snared the first heat with his "Harpoon." In the second heat he had to be satisfied with a fifth and, in the last race, faded to 11th position.

That's the way it went. Ken Cronfelt, another Coconut Grove member, copped the second heat but had only Tenth and 14th places in the others. Stan Shaver, of the St. Petersburg Yacht Club—final heat victor—got ninth and 12th in his other tries.

So Dr. Jennings became the State Titleholder when total points were compiled on the strength of two thirds and a fifth.

Second place in the overall standings went to Jim Townley of the Miami Yacht Club and his "Dodge Trophy". He had two seconds and a ninth. Miami's Paul Palmer "Winsome" was third, thanks to a second and two sixth places.

To illustrate how rapidly the Lightning Class is growing in this state, it is only necessary to point out that there were just six entries in the Southeastern Championships six months earlier when Jay Graser sailed Steve Lynch, Jr's. "Chop Chop" to the title.

At least a half-dozen Lightnings made their maiden race voyages in the Orange Bowl Regatta.

With Steve Lynch as Chairman of the Orange Bowl Regatta Committee, the annual affair was run off in impressive style. Sailing demonstrations were staged for novice fans, an elaborate amplifying system kept spectators informed as to the progress of each race, and newsreels ground out thousands of feet of film.

After viewing the Regatta for two days, President Jack Thompson of the Orange Bowl assured Lynch his cooperation in getting more funds for the 1948 event.

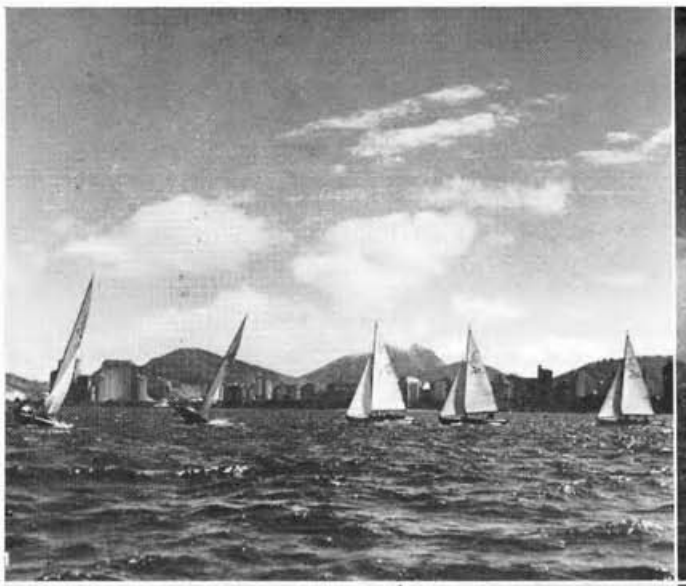
Lightning Class Association Districts

DISTRICT OF BRAZIL

District Secretary—J. C. Pimentel Duarte, Rua Buenos Aires, 100-7°, Rio de Janeirio.

Fleets—Flotilha de Lightnings Do Rio De Janeiro (84); Flotilha Carioca (144); Sao Paulo (147); Flotilha de Florianopolis (162).

District Report—Enthusiasm for sailing Lightnings in Brazil has increased tremendously since "Flotilha Do Rio De Janeiro" introduced the Lightning here in 1947. An additional Fleet has been added during the past year "Flotilha de Florianopolis #162" in Florianopolis, capital of the State of Rio Grande do Sul. Our District had its first entries in the 1948 Internationals with Jose L. P. Duarte sailing "Guanahara" from Fleet 84 and Harold B. Holland from Fleet 147 who finished 13th in a field of 56 contenders for the President's Trophy. Flotilha Carioca (144) have added three new boats to their number and will have a Championship series beginning in the spring of 1949.



CALIFORNIA DISTRICT

Submitted by John W. Potts

District Secretary—J. W. Potts, 294 S. Euclid Avenue, Pasadena 5, Calif.

Fleets—Santa Monica Bay Fleet (102); Newport-Balboa Lightning Fleet (107); San Diego Bay Fleet (114); Southwestern Yacht Club Fleet (161).

As could be expected our Class has shown great strides this past season. Many new boats are under construction: I believe it safe to say that there are as many under construction as are in the water or completed.

Considering the year 1947 was the first active racing for Lightnings on the West Coast it would have been hard to believe for those witnessing the 1948 season. Every invitational regatta in the San Diego and Los Angeles area was attended with participants trailing their boats. A few of the races just had the three required entries to establish the class for the race. The majority of races were well attended with as many as twenty participating.

We have had several "firsts" for Lightnings in this area. First there was the Lightning cruise to Catalina over open water, about twenty miles, starting at Los Angeles Harbor to Twin Harbors at Catalina and return. Secondly, our first team race that took place on December 12, 1948. The Cabrillo Lightning Fleet based at Los Angeles Harbor challenged the Newport-Balboa Lightning Fleet. The Challenge was accepted and defended. The Cabrillo Yacht Club team was Marold Eyestone, Tom Hunt and Andrew Barr. The Newport-Balboa team was Lionel Evans sailing a borrowed boat, Earl Young and John W. Potts. It was the best out of three races but only two were sailed as Newport-Balboa won both. The Al Adams trophy was being defended by the Balboa Fleet and retained by them. It may be of interest to give a brief summary of this trophy that is in the form of a miniature four masted schooner and is insured for $500.00. This trophy was deeded to team racing and may be challenged for by any class.

For our largest turnout this year, we go to the Thanksgiving Lightning Regatta at the Coronado Yacht Club in San Diego. There were twenty entered in this race. In conjunction our District Meeting was held and Mr. Marold Eyestone, 2405 Pacific Avenue, Manhattan Beach, California, was elected District Secretary for the coming year. Our Vice-President, Carl Ackerman attended along with our past Vice-President, Frank Watson.

Out here it is rather hard to class our seasons but if we did you may be assured that we are already racing this winter and looking forward to the spring and summer racing ahead.

CENTRAL ATLANTIC DISTRICT

District Secretary—George M. Nelson, 404 Tremont Ave., Westfield, N. J.

Fleets—Barnegat Bay (3); Delaware River Yacht Club (8); North Shrewsbury River (11); Paupack Sailing (16); Tri-State Yacht Club (18); Lake Mohawk Yacht Club (25); Little Egg Harbor (26); Lake Hopatcong (29); Metedeconk River (34); Washington (50); Red Bank-on-the-Shrewsbury (70); Indian River Yacht Club (72); South Shrewsbury River (80); Shore Acres Yacht Club (86); Baltimore's Middle River (87); Spray Beach Yacht Club (91); Tom's River (92); Awosting Yacht Squadron Lightning (95); Great Egg Harbor (99); Lavallette Lightning (104); Patapskut Lightning (128); Sparrows Point Yacht Club (157); Brant Beach Lightning (173); Raritan Bay Lightning (185).

District Report—The Lightnings in the Central Atlantic District are still growing. During the past year, we have received three requests for new charters and approval was granted by the Association. Further, the reports received from the Fleet Secretaries indicate that the already established Fleets are increasing in number. Indications are that the 1949 season will see a vast improvement in Lightning competition brought about by increasing interest of the older members and a desire by the new members to get out there and show the "old timers" how to sail.

One of the most impotant factors that we believe will promote the Lightning Class in this District is the Annual Lightning Class Regatta for New Jersey Fleets. If this event is given all the enthusiasm that it merits it should grow into an exciting and highly competitive regatta.

Fleet No. Eleven got around quite a bit—sending entries to the Atlantic Coast Championships and the Internationals. Charlie Allaire did very well in these events, placing third in the Coast Championships and eleventh in the Internationals in his "Avenger". "Bam", saled by Lloyd Lawrence, finished eleventh in the Coast Championships and John Bull in "Bull Frog" finished fifteenth in the President's Cup Series.

Practically the entire fleet was up at the Coast Championships and they want to go on record that those Nyackers are wonderful hosts.

SONG OF THE NORTH SHREWSBURY LIGHTNINGS

Words: Herb Cox

Tune: Ramblin' Wreck

1. We're a bunch of Lightning sailor boys
   From Red Bank by the sea,
   We sail upon the waters of the briny Shrewsbury,
   We never know what sails to use
   Or where the board should be,
   But we all have won a lot of fun
   In Eleven and Seventy.
2. Every time we sail to weather
   And the tide is mighty low
   The centerboard will hit the mud and moorings as we go.
   And when we're caught in Fischer's cove
   With hardly any air
   Then the only thing to do is offer Uncle Ned a prayer.
3. We have a race committee
   Chester Apy is the man,
   He cracks the whip above us
   Just to show us where we stand,
   He sets the course, he shoots the gun,
   He's such a little guy
   When he gets behind the megaphone
   He's nearly out of sight.
4. We've sailed in stormy weather, boys
   And when the air is light,
   In sunshine and in rain
   And once or twice we've sailed at night.
   So when we sail another course
   You can bet your life we'll be
   Fightin' hard to bring the bacon home,
   To Eleven and Seventy.

Fleet No. 80 also was represented in the Atlantic Coast Championships and Harry Saddler, Jr., sailing "Rain Beau" navigated into tenth place while Ed Waters sneaked his "So Long" across the line in 25th place.

All of the reporting Fleets mention much local activity and this, of course, keeps up the interest of the skippers and gives everyone concerned good experience. June Methot, Fleet Secretary of Fleet Seventy, reports an interesting experience by Johnny Bull in his "Bull Frog". While participating in a special Fleet Race in Sandy Hook Johnny succeeded in harpooning a baby shark with a whisker pole—has this ever been done before?

Lightning competition on Barnegat Bay was very keen with well over one hundred top skippers and crews representing Fleet No. 3 of Barnegat Bay, Fleet No. 34 Metedeconk, Fleet No. 86 Shore Acres, Fleet No. 92 Toms River, and Fleet No. 104 of Lavalette. All of these Fleets held weekly Fleet races competing for trophies and club prizes. The Barnegat Bay Yacht Racing Association had a very active season with ten Saturday races of which the first was held at Bayhead Yacht Club and the final event at the Sea Side Park Yacht Club. All five of the Fleets were well represented with over fifty Lightnings participating,

necessitating a division into two classes known as the Championship Series and the Individual Race Events. Fred Wiedeke of Fleet 92 sailing his "Thor" No. 709 was winner of the season trophy.

Barnegat Bay Lightning Fleet (3). The proverbial one-armed paperhanger had nothing on the skippers and crews of Fleet No. 3. In addition to their own series of six championship races on Sunday afternoons, each Saturday saw boats migrating in substantial numbers to the other clubs, for the Barnegat Bay Championship Series. Because of the large entry lists for these races, a new plan was tried by the B.B.Y.R.A., and found to be successful and popular. Two classes were announced; the first the Championship, and the second the Weekly race class for those who knew they would not be able to enter all the series races or who had a salty weekend guest looking for sport and maybe a silver dish—maybe! The Regatta Committee recognized the importance of the fellows who so obligingly provide all the points for the winning boats, but also staged an innovation in the form of a series of three races for the "Green Class" or those never having won a regatta. A consistent policy of Fleet 3, emphasized strongly again was encouragement of the junior sailors. John Cattus suggested and underwrote the purchase of a Club Lightning for the exclusive use and training of the juniors. The Junior Championship Series drew an average entry list of twelve each Wednesday and a new Junior Champ was crowned in Foster Tallman sailing "Blue Heaven", while close in his wake were: Gurney Sloan, Jr., in "Intrigue" and Johnny Orelup, Jr., in "Javelin II". The Cattus Memorial Trophy Classic, open to all Junior skippers on the Bay drew a wonderful response. An

average of fifteen to twenty boats, in real hot competition. Fleet 3 youngsters took the three top places as follows: 1st Dave Berry in "Intrigue", 2nd, Johnny Orelup, Jr., in "Javelin III" and 3rd, Bobby Post in "Nimbus". Fair sailing weather smiled on the six race series for the Fleet Championship. There were thrills and spinnaker work galore. Because of the tight competition the following leaders can be justly proud of their standings: Louise Cattus Miller in "My Gal" won the Champicnship, with David Crampton sailing "Red Head" runner-up, John Wardell in "Ranger II" finishing in third and John Orelup in "Javelin III" in fourth position.

Delaware River Yacht Club Fleet (8), report their 1948 season marked the beginning of greater activity for Lightnings in the upper Delaware. They joined the Delaware River Yacht Racing Association, and sailed in the regattas scheduled. The regatta days were disappointing due to lack of wind. When there is less than a moderate breeze, the course is one way only—with the tide, no matter which way you head. Their 1949 season will begin with an invitaton to all Lightnings in the vicinity, to sail in scheduled races and regattas.

Paupack Sailing Fleet (16), started their racing season on the 4th of July and held regular Sunday races which concluded with a race on Labor Day. H. T. Axford, the old maestro, sailing #391, was again successful in pinning everyones ears back. The last two weeks of the season saw the addition of two new boats to the Fleet, bringing the total to eight boats. Their plans are set for a banq up season in 1949 with the first race again scheduled for the 4th of July.

Metedeconk River Fleet (34), the home of Lightning Fleet No. 34 is the Metedeconk River. This harbor is one of the best protected and prettiest harbors on the Barnegat Bay front. While Metedeconk River Lightnings, made a splendid record this past season, in both near-by and distant inter-club events, one of the most important developments, certainly as far as the future is concerned, was that Fleet Champion, Walter H. Pricken, by consistently racing in the Barnegat Bay Yacht Racing Association, which comprises some seventy boats, took fourth place for the season. Another main event which made Fleet 34 proud to have Walter Pricken as a member, was the fact that he won the California Cup Regatta for the 1948 season which was held at Bay Head Yacht Club. An extremely interesting and competitive racing season was enjoyed at the Breton Woods Yacht Club during this season. The racing season was divided into three series. The first series was known as the June series and it was an invitation series for neighboring Yacht Clubs. The winner was Walter Pricken and the runner-up Dave Berry from Fleet (3). The Club Championship consisted of the July and August series. Each was a separate series and the sail-offs were held on Labor Day. The Championship was won by Walter H. Pricken in "Cardinal" since he placed first in both series. Followed by Edward M. Launay in "Count Two". Following the Labor Day race, which ended the August series, the sail-offs were held to determine the runner-up of the fleet, since the July series was won by Mike Kuhn in "No No" and the August series won by Edward M. Launay. Mike Kuhn had a bad break in the race before the sail-off, by breaking his mast. But being still enthusiastic he raced another boat in the sail-offs and placed fourth. Ed. Launay winning and therefore being runner-up for the season.

Indian River Yacht Club Fleet (72), enjoyed a successful season on the Indian River this past summer. A summer series was held for racing from the first week end in July until Labor Day for which a trophy was awarded to the winner. This trophy is to be held permanently by the winner providing he is the winner of three summer series—successively. Kenneth R. Pfister has been Fleet Champion for 1947 and 1948, so if he is successful in 1949 he will have permanent possesison of the Club Trophy. A series of three elimination races were won by Robert C. Purnell in "Bo-Bo" who represented the Fleet at the International Lightning Races held at Buffalo Canoe Club. Plans for a club house and construction are under way. A ladies auxiliary will keep the club on their toes during the winter months. The annual dinner was held in September. The trophy was awarded to Kenneth R. Pfister and movies of the 1947 International Races were shown.

Spray Beach Yacht Club Lightning Fleet (91), Fleet Championship was won by Lud Wray in "Nipper" with Dick O'Donnell and Peggy Berry as crew. Runner-up was Johnny Teigland sailing Eugene Kipp's "Lark". Johnny also won the Interclub Championship with Fleet 26. These two able skippers and their boats went to Buffalo and "Lud" came home the second place winner of the President's Trophy. Johnny Teigland placed 7th with a fourth in the final race. Their new Fleet Secretary, Freddie Schanche went to Washington, for the President's Cup Regatta and brought home the third place trophy. 1948 was a banner year for Fleet 91.

Pine Beach Yacht Clubs. Pine Beach Yacht Club will be hosts next season for the New Jersey State Lightning Championships. Fred Wiedeke was on top in this area by winning both the Fleet Championship and the Barnegat Bay Championship. Fred was a skipper to be reckoned with throughout the season with eight victories and a perpetual point lead in the fleet series. George Nelson, our Fleet Captain was runner-up after a close race with Flint Larrabee, the defending champion who made third. Flint and Fred represented the fleet at the Atlantics, but the same jinx followed them that tagged along after last year's entries, and they also ran. Fred went to the Internationals and redeemed himself by finishing fifth in the series.

Potapskut Lightning Fleet (128)—The biggest race of the year for the newly formed Potapskut Lightning Fleet was the Labor Day Regatta sponsored jointly by Potapskut Sailing Association and the Magothy River Association, comprised 42 boats reporting at the starting line, 8 of which were Lightnings. A pleasant Southerly prevailed at the start and continued throughout most of the race. Luther Gregory's "Susan" (No. 286) led across the starting line and held the lead with P.S.A.'s Vince Keenan ably assisting as crew. Second boat was "Boo Hoo" (No. 1205) owned by Milton J. Ester of Middle River, third to finish after a close race with B. Conway Taylor in "Consternation" was "Bunky Jr." sailed by Dave and Eileen Johnson.

All in all the Central Atlantic District has experienced an increasing improvement in competition and good-fellowship during the 1948 season. We all look forward to next year with much expectation and with a hope that the Winter will be a short one so we can get our boats in the water again and prepare for a gala season.

The Little Egg Harbor Yacht Club at Beach Haven, N. J., held its third annual Open Lightning Regatta the week-end of August 21st and 22nd. Forty-four boats, whose skippers hailed from East Coast waters from Delaware to Vermont, competed in the strong tidal currents of Little Egg Harbor Bay.

Charles Dore of the home club finished the series of three races with a commanding lead. Dore sailed his "Vixen" to two firsts and a third, gathering a total of 133½ points, while second-place-winner Rodney Edwards of the Bay Head Yacht Club in "Relampago" wound up with a first, third and ninth for a final score of 125¼. Fred Wiedeke of Toms River in "Thor" and Foster Tallman of Bay Head in "Blue Heaven II" followed with 122 and 120 points respectively.

Two races were sailed on Saturday, August 21st and the third on Sunday morning. The wind on both days was light to moderate, veering from northeast to east, and providing some tricky spinnaker runs in which boats alternately set and doused their lightsails.

Dore came from behind in the first race to snare third place by keeping out of an adverse current and carrying his spinnaker on the last downhill leg of the course as the leading boats tried to fetch better with their jibs. At the last moment, Edwards set his spinnaker and nosed out Bill Holt in the "Mist" and Dore at the mark, holding his position on a close windward haul to the finish line. Edwards crossed the line 23 seconds ahead of Holt, who led Dore by 19 seconds.

In the afternoon race the fleet split at the start. Dore started with the larger group at the starboard end of the line, while Edwards and Lud Wray in "Nipper" joined the group at the port marker. The latter group led at the first mark, but Dore overhauled them on the next windward leg and worked "Vixen" out to a comfortable lead that was never challenged. Wray finished 2 minutes 25 seconds behind Dore, trailed 41 seconds later by Edwards.

Dore got off to a beautiful start right under the lee of the Committee boat in the final race. He made a quick tack inshore where he caught a favorable slant and was a hundred yards ahead of the next boat at the first mark. During the remainder of the ten-and-a-half-mile race, he opened out his lead to finish almost hull down ahead of the majority of the fleet. E. F. Larabee of Toms River sailed "You Bet" to second place, 4 minutes 26 seconds behind Dore, followed by Tallman who was exactly 7 minutes behind the winner.

Charlie Dore's winning "Vixen".

The Saturday afternoon race was also designated as a team race for the competing clubs, with three leading boats from each selected before the start to represent their fleets. Bay Head took top honors, with Little Egg Harbor second and Spray Beach a single point behind in third place.

Prizes for the winning teams and for the skippers and crews of the top three boats in the series were awarded at the conclusion of the races.

Irondequoit Bay Lightning Fleet (46) was presented a new Trophy last season to be known as the Streb Memorial Trophy for the Sailing Championship of Irondequoit Bay, consisting of 3 races annually. This series was held over the Labor Day Holiday with Algonquin as the host club and Newport Yacht Club as the competitors, with Lightnings competing against Lightnings and Algonquins Comets against Newport Snipes. Algonquins Lightnings won that series and Newports Snipes the other. However, on total points the 1st winner of the Trophy was Newport Yacht Club. This proved a popular Regatta for the two clubs and all are looking forward with a great deal of enthusiasm to this Annual affair.

Skippers of Lewis Point Lightning Fleet 93—L. to R. Paul Ruby, Vern Roosevelt, Ken Freeman, Bob Brown, Don Lane, George Weinberg, Eugene Carpenter, Bob Thomas and Harold Young.

The Central New York District Fleets increased in both size and number. We welcome the Cazenovia Lightning Fleet No. 164, Cazenovia, N. Y., and the Kingston Yacht Club Fleet No. 171. Kingston, Ontario, two newly chartered members.

Enthusiasm is running high as evidenced by the activity during the summer of 1948.

One interesting observation is that a number of clubs have gone in for team racing as part of their club program. Team races were also held at interclub meets. It is something for other clubs to consider, as team racing can add much to the enjoyment of Fleet racing.

More interest is also being shown in intersectional meets, interclub races and invitation regattas. Report of several of these follow.

In a three day invitation meet over the July 4th week-end, the Tri Club Regatta was held at Sodus Bay. The three Lightning Clubs are Sodus, Fair Haven Bay, and Pultneyville Yacht Club. Lawrence Morley and Bill Croucher, both of the Sodus Club, tied for the honors, the trophy then being presented to the Sodus Bay Yacht Club.

During the same week-end the Newport Yacht Club sponsored the first Lake Ontario Championships. This is to be an Annual Affair. The club winning the Team Race Trophy will sponsor the affair the following year. Mr. Jay Donovan of the Newport Yacht Club donated a cup for the individual champion ad Mr. William A. Straub of the same club donated the trophy for the club winning the Team Race.

During the three day regatta, all the boats sailed in the morning for the Individual Championship and in the afternoon two boats from each club sailed for the Team Race Trophy. Lightnings were representing the Canandaigua Yacht Club, Algonquin Yacht Club, Rochester Yacht Club and the Newport Yacht Club. William Straub from the Newport Yacht Club won the trophy for the Individual Championship and the Algonquin Yacht Club won the trophy for the Team Race.

July 22nd-24th marked the L.Y.R.A. Regatta held at Clayton, New York on the St. Lawrence River. This regatta was large and colorful, including all types of sailboats representing the majority of the 31 Fleets, both Canadian and American, which comprise the L.Y.R.A. The Lightnings numbered 31, providing keen competition during the five races. Bob Graf, Buffalo Canoe Club, captured the series championship and the Skaneateles Trophy. Only two points behind him was Bob Siemer, Niagara Sailing Club. Bob Griggs, Fair Haven Yacht Club, and W. White, Royal Hamilton Yacht Club, tied for 3rd place.

Clayton to Kingston, Ontario where the Eastern Yachting Circuit Regatta was held. In the face of heavy seas and wind, three Lightnings were unable to finish the race. Lambert Baker of the Crescent Yacht Club, Chaumont, took 1st place. The four Lightnings series races in the E.Y.C. Regatta were sailed in an interesing variety of weather conditions ranging from almost a dead calm to a near gale. One race was even sailed in a fog. Denny Gamble, Crescent Yacht Club, doing some remarkable sailing, won first honors in all four races, bringing him first place trophy for the series. Second place was captured by St. Remy-Moulton, Kingston Yacht Club and third place was taken by Bob Adams, Crescent Yacht Club.

The next event to come was the Second Annual Lewis Point Yacht Club Invitation Lightning Regatta. 21 boats participated in two days of racing, August 14 and 15. Visiting boats were from Algonquin Yacht Club, Fair Haven Yacht Club, Onondaga Yacht Club, Delta Lake Yacht Club and Schuyler Yacht Club. Dr. Carpenter from the Lewis Point Club captured first place in the series. Second place went to Bob Thomas, also from Lewis Point, while Bob Griggs, Fair Haven, took third place. The three races were sailed in rather rough seas, a near dunking occurring when Eskil Ringdahl of the Lake Delta Yacht Club almost went over during the 1st race. He shipped water up to the seats but still managed to finish with 6 boats behind him. Now Esky swears that a Lightning just won't go over unless pulled by a spinnaker.

The same week-end as the Internationals an Invitation Regatta was held at Onondaga Yacht Club. Eskil Ringdahl captured first place and thus retired the trophy as this was the third consecutive year that it had been won by him. Only one point behind him was Bob Thomas, Lewis Point Yacht Club, to take second place.

In the 1948 Internationals at the Buffalo Canoe Club, our District had 13 boats entered. Three of these made the finals: the others raced in the Presidents Trophy series.

We look to the 1949 season with enthusiasm and happy anticipation for a banner year in the great sport of sailing.

KANSAS-OKLAHOMA DISTRICT

Submitted by W. E. Schwartz

District Secretary—W. E. Schwartz, 200 Kansas Avenue, Topeka, Kansas.

Fleets—Jayhawk (60); Lotawana Lightning Fleet (156).

The Kansas-Oklahoma District continues to grow, slowly 'tis true, but surely. Jayhawk Fleet (60) at Topeka added two boats during the 1948 season, bringing the total up to eight. Lotawana Fleet (156) at Lake Lotawana, Kansas City, Missouri, also increased their fleet two boats during the season and now have six boats. Both fleets report that additional boats have been bought or are in the planning stage.

LAKE ERIE DISTRICT

District Secretary—Richard K. Koegler, 249 North St., Buffalo 1, N. Y.

Fleets—Buffalo Canoe Club Fleet (12); Chautauqua Lake Yacht Fleet (19); Erie Yacht Club Fleet (24); Novice Yacht Club Fleet (28); Pymatuning Yacht Club Fleet (36); Silver Lake Yacht Club (47); Niagara Sailing Lightning Fleet (59); Leander Lightning Fleet (76); Sandy Beach Yacht Club Fleet (78); Cuba Lake Fleet (115); Royal Hamilton Yacht Club Fleet (118); Toronto Bay Fleet (146); Conneaut Lake Lightning Fleet (180).

In the Lake Erie District, the champion lived to race another day, AND WIN AGAIN. 1948 found "Rampage" and her pipe-smoking skipper, Bob Graf, very much in evidence. Coincidental were the activities of the District.

First at Hamilton, Ontario, as the guest of the Royal Hamilton Yacht Club, "Rampage" romped home winner of a two-day, three-

Skipper Harry Brown of Silver Lake Y. C. Fleet 47 with crew Dori Brown and Bud Hartung after a race in "Firebird".

Arnold Gorman of Toronto Bay Fleet 146, sailing "Arnella"

race regatta. "Rhoda" skippered by Johnny Robertson, the pride of Hamilton, and Canada's entry in the '48 Olympics, had to be content with second place. Bob (little Alfred) Seimer in "Salt Shaker" took home third place flag to the Niagara Sailing Club. Sailors from Sandy Beach Yacht Club, Buffalo Yacht Club, and Toronto Bay Lightning Fleet, added to the competition and sent the winners home happy, but not too confident.

Later in July, "Rampage" and "Salt Shaker" continued their rivalry at the Lake Yacht Racing Association Regatta held at Clayton, New York. While Clayton is well out of the Lake Erie District sailors attended in numbers to make one think one was at the District Championships.

Lightnings returning to dock of Royal Hamilton Yacht Club, Hamilton, Ontario, Canada, after a race in Annual Invitation Regatta.

The race committee tried something new on us at this clambake, scheduling five races in three days. Race #1 was sailed with strong westerly weather prevailing, and it was apparent that "Rampage" was again the boat to beat. Four races later, this early portend was affirmed with "Rampage" now a repeater as LYRA Lightning Champion and "Salt Shaker", runner-up, and Wally White in "Gallant", of Hamilton, Ontario, third. 1949 will find this Regatta held in Toronto, Ontario, again within the confine of the Lake Erie District.

Next on the summer agenda came the second annual Niagara River Championships. The Niagara Sailing Club played host in masterful fashion, providing the best in entertainment and competition. "Rampage" met different conditions here on the mighty Niagara with its strong currents and peculiar wind slants and could do no better than third. "Salt Shaker", with Bob Seimer at the stick, hit the first place jackpot, and the title of "Champ". Herm Holler in "Tillicom" took second place.

In August, the holocaust of Lightning enthusiasm moved into Abino Bay with the annual Lake Erie District Champs playing "scene setter" to the "big Casino", the International Lightning Regatta.

The Buffalo Yacht Club, as hosts, used their own excellent club facilities and borrowed the Buffalo Canoe Club race course and race committee.

One hundred twenty-six wild-eyed sailors launched, polished and tuned forty-two Lightnings to compete in the best District Regatta we have seen. Practically every fleet in the district was represented, and they all wanted the "Smither, Eby, Johnson Champ Trophy".

When the dust had cleared, and the annual meeting was under way, it was again "Rampage" district champ, then "Ginger", with Adam Eby, tied on points, but second by virtue of wins by Graf. "Thermis Twice", owned by Karl Smith, our National President, and Bob Crane, took third place, and remained a con-

Competition between Toronto Bay Fleet 146 members—Art Dickerson 3548 leading, closely trailed by Jim Mitchell 2310 and Jim Laverie in 3534.

stant threat as always.

Election of officers for the 1949 season was held at this District Regatta. Warren B. Hunt was elected to the office of what was then Secretary, and at the suggestion of past Secretary, Earl Johnson, the office of Treasurer was created, with Richard Koegler being elected for the '49 season.

On the heels of the District Regatta, and leaving the District sailors gasping for breath, or maybe just gasping, came the big show, the Lightning National Championship. Again "Rampage" did the honor, placing third to the New National Champ, "Dodge Trophy", and runner-up, by "Yankee Doodle". Karl Smither, sailing "Thermis Twice", upheld the Lake Erie tradition by winning the President's Trophy Series.

Plans are already under way for 1949, and all are determined to make '49 a dandy time.

LAKE MICHIGAN DISTRICT

District Secretary—W. A. DeHaan, 407 W. Fifth St., Flint 3, Michigan.

Fleets—Chicago Corinthian Yacht Club (5); Michigan City Yacht Club (20); Maple City (21); Indian Lake (23); Leatherlips Yacht Club (27); South Haven Yacht Club (30); Devils Lake Yacht Club (31); Turkeyfood Lake (33); Mentor Harbor Yacht Club (37); Toledo Lightning (42); Buckeye Lake (43); Edgewater Yacht Club (45); Crescent Sail Yacht Club (51); Lake Fenton Yacht Club (53); Pontiac Yacht Club (54); Burnham Park (56); Cincinnati (57); Grosse Ile Yacht Club (68); Rocky River (71); Decatur Lightning (74); Bayview Yacht (83); Columbia Yacht Club Lightning (97); Commodore Perry (103); Higgins Lake Lightning (110); St. Joe Harbor Lightning (113); Island Bay Lightning (117); Eagle Lake Lightning (123); Lower Lake Huron Lightning (124); Detroit Yacht Club (131); Port Clinton Sailing Club Lightning (136); Gull Lake Lightning (137); Mohican Lightning (150); Tawas Bay Yacht Club (152); Wawasee Yacht Club (154); Watkins Lake Lightning (155); Ivy Lightning (160); Omena-Traverse Yacht Club (174); Leland Yacht Club (184).

The number of Fleets within the Lake Michigan District continued to grow in the past year. Charters were issued to Fleets No. 152, Tawas Bay, Michigan, No. 154, Lake Wawasee, Indiana, No. 155, Watkins Lake, Michign, No. 160, Peoria, Illinois, No. 174, Omena, Michigan and No. 184 at Leland, Michigan.

Inter-Fleet activities expanded increasingly with more and more issuing invitations to neighboring Fleets. We are glad to see this trend and believe a greater response to these invitations will result from the acquisition of the necessary trailer equipment by many skippers.

Thirty boats were entered in the Eighth Annual District Regatta held this year at Lake Fenton, Michigan, on July 10 and 11, being sponsored by Fleet No. 53 and the Lake Fenton Club. All three races were sailed under rather difficult, light air conditions. The first was won by G. R. Garinger's "Gail", No. 120, followed by H. R. Krauss in "Gin Rick" No. 1273, and R. W. Trost in "Hunky Dory", No. 2440, all three of Toledo Yacht Club Fleet No. 42. The second race saw W. B. Barnes crossing the line first in his "Bounty" No. 2108, of the Cincinnati Sailing Club Fleet No. 57, followed by W. Roney in No. 2544 of the Crescent Sail Yacht Club Fleet No. 51 and by G. R. Garinger in "Gail". The third was won by H. R. Krauss, with J. Beal in "Clara Bee" No. 840, of the Devil's Lake Yacht Club Fleet No. 31, second and G. R. Garinger again in third place.

Both Garinger and Krauss accumulated 86¼ points but, as Garinger was ahead of Krauss in two of the three races, the first

place trophy was awarded to him. Krauss took home the second place trophy with third going to W. B. Barnes.

The District was well represented at the Internationals. Toledo Yacht Club's Fleet No. 42 sent the largest delegation of any from this area and, mostly through their efforts, four of the first ten places went to the Lake Michigan District. W. Swindeman, Jr., H. R. Krauss, and G. R. Garinger took second, ninth and tenth places respectively while H. Nickels of Lake Fenton Yacht Club's Fleet No. 53 contributed to the good showing by taking eighth place.

Maple City Fleet (21), in addition to fifteen regular Sunday afternoon races, held two special Club races. Early in the season the Fleet Secretary Gordon M. Vaughan enjoyed poor health in the form of an emergency appendectomy. His daughter, Margie, took over the job of skippering and won races. His recovery was slow—in respect to sailing—due to the fact that said daughter continued to do well. By the time he could feign invalidism no longer, he decided to leave good enough alone and go racing to supply ballast, and Margie won first place in the Lightning Class. Runner-up for the racing season was B. F. Ludwig, and Dr. Edward Young held third place. Both are veteran racers on Pine Lake. Two special Club races are held each year on Memorial Day and on the Fourth of July. The former race is a shakedown race and starts the racing season. The award is the Commodore's Trophy, which this year was won by B. F. Ludwig. The Fourth of July race was for the Harmon Memorial Trophy. This is a permanent trophy and was won this year by Hoyt Scott, who recently bought back his old boat, "Stuffy", No. 422, which has done more racing on Pine Lake than any other boat still located here. The season closed with the annual dinner on November 6th, where trophies were awarded. The only trophy not already mentioned is the Lightning Fleet Winner Trophy. This is a special trophy presented to the skipper who wins first place in the greatest number of races—including the special races. This is to encourage skippers to sail every race in the season if possible, not to quit after the qualifying fifty percent plus have been sailed. The September 6th race resulted in a tie between Margie Vaughan and E. Edward Young. The tie was raced off the same day and Margie was delighted to win a handsome nautical clock.

In accompanying picture, popular Ed McCain, 1948 president of the "Lightning Class Association" is rising to the surface after "the treatment". Ed won first place Lightning trophy at the annual Turkeyfood Lake Regatta held July 17th and 18th.. The season opened May 2nd and a club race was held each Sunday with the finale held on October 3rd.. May 30th was truly a Decoration Day. Turkeyfood Lake was decorated all day with Lightnings, six races were held with skippers sailing each others boats. H. G. Zimmer, with four firsts rounded the first buoy on the long course to becoming fleet champion. Skipper Adams, Duckwerth, Johnston, McCain, Valentine and Zimmer raced in the Ohio Inter-Club Yachting Association Regatta on June 19th and 20th at Chippewa Lake. Superb spirit and co-operation paid off for the fleet. By compiling the greatest number of points, they won the beautiful and much coveted "Gov. Herbert Trophy". (See accompanying picture). Captain Valentine accepted the trophy in behalf of the club and Skipper and Mrs. Johnston completed the celebration two weeks later with a bountiful turkey dinner. Fleet Champ, Harry G. Zimmer with his crew, Ralph Saylor and Ed. Duckworth gave a good account of themselves at the Internationals. Although "Zim Baby" qualified for the championship division, a lost protest put her in the "President's Cup" class where she placed fifth. However Ed. McCain had the enjoyment of presenting Harry Zimmer with a first place flag for the final race of the series.

Sandy Beach Y. C. Fleet 78 competing for Duscherer Trophy. Russ Ward leading after rounding last mark, followed by Jay Fish, Jim Remmes and H. Wells.

Rock River Lightning Fleet (71) had a very successful season sailing 29 scheduled races in home waters and were well represented in races held at Put-in-Bay, Vermillion, Lakeside, Edgewater, and Buckeye Lake. Five skippers and crews traveled to Mentor for dual meet which turned out a tie. The Fleet is looking forward to a return match next summer to decide the winner of the "Little Jug". Lou Malm and Don Kyle represented the Fleet at the Internationals. The S & S (Saturday and Sunday) boat works out to be the seven day boat works added four new boats to the Fleet before the end of the season. Al Berg tried to make up for lost time by sailing night and day with or without a crew. The 1949 season should be one of the best with at least ten boats jockeying for positions at the warning gun of each race.

Decatur Lightning Fleet (74), Decatur, Illinois added two Lightnings to its Fleet, making eleven for the 1948 season, and already has three more ready to put in to make the 1949 Fleet number at least fourteen.

Bayview Yacht Club Lightning Fleet (83) under the able leadership of Captain Bill Miller, heard a record-breaking batch of winning guns during 1948. Miller took a first in the hotly contested Detroit Boat Club Regatta, nipping 29 other boats to the line. Wes Wiedrick, the outstanding Lightning Skipper of the Detroit River easily walked off with the Detroit River Racing Association Trophy covering the entire racing season. He also was Fleet Champion and was just nosed out in Race Week, taking second billing. He placed fourth in the Put-In-Bay Regatta and represented the Fleet at the Internationals. He won the Lightning Squadron Race competing against the Detroit Yacht Club as well as Crescent Lightning Fleets. Best two out of three. First boats were in the water in the middle of April, and the last ones did not come out till November. During that long season, Fleet races were held on Sundays and inter-club regattas took the stage on Saturdays. Fleet No. 83 boats were in the thick of every race all season long.

St. Joseph Harbor Lightning Fleet (113) opened their 1948 season with a Handicap Series, Decoration Day. The regular June series was a well contested battle with eight boats in mast. Races giving first to George Croasdale with 22 points; second to Deke Daggitt with 15 points and Dr. C. V. Lawton with 11 points. The Fourth of July series was highlighted with a handicap race in which fleet champion, George Croasdale, in the "Patriot" brought home the honors. The regular July series of races was marked, or perhaps the word should be marred, by a showing of Seamanship, that should never be encouraged. Skipper Deke Daggitt of the "Bug Eye", who, while unfurling his spinnaker halyard, climbed the spar while on the windward beat. Shall we continue? His centerboard ended up as the Main sail with Daggitt and crew fully immersed. Croasdale clung to first place, with Reagan, pulling into second place, and Lawton, retaining third place. The August series brought in a new threat in Joe Stueland sailing the "Lark", pulling into third place, with first and second remaining unchanged. A meet with four select crews from South Haven topped the August card, with one race series at St. Joseph. The final score gave the South Haven crews 16 points and the St. Joseph fleet 15. The final race of the season was a grocery race, all boats starting from their mooring at the gun—racing out of the harbor over standard course and back to their moorings. The "Bug Eye" sailed by Skipper Daggitt and crewed by Jack Gardner, and little "Butch" Daggitt, won hands down, taking home the bacon. The St. Joseph Fleet had the youngest crew in the Nationals, represented by the Fleet Champion George Croasdale as Skipper, Buster Croasdale and Jane Preston as crew—their average age being fifteen years, eight months. While eliminated for the internationals, they are proud of their race that gave them forty-three in the Presidents Trophy series. Next year looks like more and better yachts—there is great planning—smoother bottoms—sharper center boards and new sails. Hope springs eternal.

Eagle Lake Yacht Club Fleet (123) held a race every Sunday afternoon at two-thirty from June twenty-second to the Sunday before Labor Day. The Fleet also took part in the Yacht Clubs annual Michiana Championships and the Labor Day Regatta. Thane Mains is Michiana Champion for 1948 Lightnings.

Lower Lake Huron Fleet (124) located at Port Huron, Michigan, sailing on Lake Huron and the St. Clair river, had a very successful season. After getting off to a late start around the latter part of June, they managed to complete their schedule and after all protests were filed and settled the final results were tabulated as "Puff" in champion's chair, "Barb-J" as runner-up barely nosing out "Valjoda" who took third spot. "Linroy" and "Altair" finished fourth and fifth respectively, however, these results do not necessarily mean these ships sailed these positions for the entire season. Surrounding Yacht Club's sponsored regattas during the season, and a majority of the Fleet managed to attend these and emerge with a good share of the trophies and prizes. The annual final race to Stag Island this year was won by Andy Thomas in his "Barb-J" with Monteith, Cameron and Houser in that order. Prizes were awarded. The Port Huron Yacht Club held it annual banquet in November at the Harrington Hotel, and after a fabulous steak dinner, the Trophies were awarded. The New Lightning Class Perpetual Trophy was awarded to Louis H. Foster, and engraved Kenningston mugs were given to second and third place winners.

Detroit Yacht Club Lightning Fleet (131) completed another successful season of Lightning sailing. They got off to an early start with some of the boats sailing in March. The racing schedule called for fleet races on alternate Sundays for fourteen

weeks. In a very close finish Bob Dodd in No. 1989 won with Ben Tungate and Tom Drenan in No. 3611 taking second. Both boats also ran in the Internationals at Buffalo. The Detroit Yacht Club Fleet again sponsored the Kendall Trophy Series the week after the Internationals. Herman Nickels from Lake Fenton beat out Wes Weidrick from Bayview in Photo finish. Incidentally, Herman has the Trophy in Lake Fenton. A new racing enthusiast was added to the fleet this season. Jim Smith graduated from Eight Meters to Lightnings and looms as a sericus threat next year. In annual elections Jim was made Fleet Captain with Harry Chandler as Race Chairman for the coming sailing season. Margaret Maddock was retained for the third time as Fleet Secretary.

Port Clinton Sailing Club Fleet (136) just finished its second season and has almost tripled its original size. The so-called "love for Lightning" serum is really taking hold and they are looking for more. As a rule the majority of the fleet raced every Wednesday night with Rupe Meizner's "Stormy" usually finishing in that beloved Number-one spot. Also a note of interest, Rupe Meizner has sold his "Stormy Weather" and has settled out in Colorado Springs, Colorado. This is a regretted loss of Fleet 136, although the boat has stayed within the Club, now under the command of Robert Acres. The Snow Flurries Regatta, which was to be held the beginning of October, was plagued with foul weather and was postponed. Next year they look for more favorable conditions for this October Regatta and hope all will be back and try it again.

Gull Lake Lightning Fleet (137) had a very fine racing season as well as a fine sailing season. They held three racing series which started on June 6 and ended on September 6. Each month represented a series with four races scheduled in June; five races in July; and five in August. These races were held on Sunday afterncons with a scrub and tune-up races on Saturday afternoon. C. G. Avery, acting Secretary and Jack Hill, Fleet Captain started the season off with a meeting of the Fleet at which time new officers were elected and the new rules and problems of the Fleet were discussed. C. F. Avery was elected Captain and Jack Hill was elected Secretary for the 1948 racing season. The June series was won by C. F. Avery in "Dipsy-Doodle", 482. E. C. Hill in "Jerjar" was second and John Fischer in 1988 was third. The July series was also won by Avery with Hill again second. Fischer nosed out Homer Elwell in 2945 for the third spot by three points. It was the same line up for August, with competition getting stronger as time progressed. C. F. Avery represented the Fleet at the Internationals at Buffalo. With him as crew were Jack Hill and Bud Thalen. After getting off to a poor start they took a 14th on the final day to finish up with a 38th in the President's Trophy race. Next year they are looking forward to a much improved racing season with more and stiffer competition.

Mohican Lightning Fleet (150) 1948 races got under way on Memorial day, with four Lightnings Nos. 2016, 2017, 2018 and 2725 entered, for a scheduled eighteen races for the season. The third Sunday's race saw the Fleet increased by one more boat, Lightning No. 2854 having been purchased by Walter Stevens, skippered by his son, Chandler. Henry Huston purchased Dwight Weir's interest in Lightning 2016 and is now the sole owner. Keen

competition was evidenced in all races. There was only one accidental disqualification in all eighteen races, and it was made voluntarily. As always, the season ended too soon for all concerned. The final results were: 1st, Glen Macy in "Squaw"; 2nd, August Grotegut in "Nixie"; 3rd, Mabel Huston in "Manitou"; 4th, Eugene Smart in "Firefly" and 5th, Chandler Stevens in "Toby". In addition to regular club races, the Fleet held their own regatta, with three races scheduled for a trophy donated by Mr. and Mrs. Henry Huston. These three races proved to be the most exciting. The first race was sailed under very favorable weather conditions, with a 12 to 15 mile wind. The second race started with an approximate 20 mph wind, which kept increasing until the last leg of the second lap, when a gale of about 60 mph hit and a cloud burst descended. One boat was beached, and how the others managed to stay right side up, is still a mystery. It really proves that Lightnings can take it. The last race was sailed in very light air and was almost a drifting match. Glen Macy sailing "Squaw" was the winner of this series, with August Grotegut in "Nixie" second and Mabel Huston in "Manitou" finishing in third position.

Tawas Bay Yacht Club Fleet (152) completed their first season under their charter and were very well pleased with the results. One of the Fleet's boats was sent to the Internationals and managed to turn up 15th in the President's Trophy Race, which was quite satisfactory for their first season. Also two boats entered the Labor Day races at the Detroit Yacht Club and took a fourth and seventh in a fleet of twenty-eight boats.

Wawase Yacht Club Lightning Fleet (154) during their first season held races on almost every week-end from July 4th through September 6th, with eleven races being finished, of which eight were won by Oren Ragsdale. While one boat was sold out of the Fleet this year, they expect two Charter members to get their boats in the water in 1949 to bring the sailing Fleet up to seven, and several members of the Club have indicated they are leaning towards owning Lightnings and joining the Fleet.

Our District is proud of its record in 1948 and hope to be able to continue the development of outstanding skippers through hot intra-fleet and inter-fleet competition.

LOUISIANA-ALABAMA DISTRICT

Submitted by F. J. Villars, Jr.

District Secretary—F. J. Villars, 607 Metairie Rd., Metairie, Louisiana.

Fleets—Lake Pontchartrain (62); Mobile Bay Lightning (135); Shreveport Lightning Fleet (175); Pass Christian Light-Fleet (179).

The Louisiana-Alabama District now has four fleets. Fleet No. 175 of Shreveport, the newest of the District, has four Lightnings racing regularly. Their enthusiasm is really contagious and one cannot help but know that sooner or later they'll make a big place for themselves.

Fleet No. 135 of Fairhope, Alabama has been in the limelight with Ed. Overton and his "Volanta" competing in the last two Internationals. He made a fine showing and we are proud he is in our District.

Fleet No. 179 of Pass Christian, Miss. has also had quite a bit of activity and will no doubt enter some of their skippers and Lightnings in the coming Sugar Bowl Regatta to be held on Lake Pontchartrain in New Orleans, La. on December 26, 1948. The above mentioned Regatta is the one Fleet No. 62 of New Orleans, La. is looking forward to. It is always a brilliant affair and one enjoyed by many skippers as well as spectators. Farther in the future, the Southern Yacht Club of which Fleet No. 62 is affiliated will celebrate its One Hundredth Anniversary. There will be hundreds of skippers in New Orleans to participate in the many races planned for their respective classes. We sincerely hope our class will be widely represented in these activities.

On the whole, we feel there has been nothing but wholehearted interest and love of the sport represented by our District during the past season and are awaiting the New Year and the sail racing it may hold with the greatest of pleasure.

NORTHERN NEW ENGLAND DISTRICT

District Secretary—Granville H. Dyer, 17 Highland Road, South Portland, Maine.

Fleets—Centerboard Yacht Club (14); Piscataqua River (22); Prouts Neck (94); Boston Harbor (100); Taylor Pond (101; Merrimac River (121); Spofford Lake (145); Annisquam Lightning (151); Wollaston Bay Lightning (165); Wequaquet Lake Lightning (181).

District Report—Two new fleets have been added to our expanding District since last year. They are the Wollaston Bay (165) of Boston, Mass., and Wequaquet Lake (181) based on Cape Cod, Mass. Spofford Lake Fleet (145) were very active during their first season. Harris, Pratt and Toms, with their crews, trailed their boats to the State of Maine Regatta held by the Centerboard Yacht Club at South Portland on July 31st and August 1st. Pratt lost a stay from the spreader during Saturday's race so anchored for 20 minutes and fixed it. Toms in 3422 was dismasted about 300 yards from the finish line. By working all night a new spar was rigged in time for Sunday morning's race. Pratt in "Bon Joy" finished third in the morning, Toms in eleventh spot. In the afternoon race Pratt took first honors while Toms finished sixth. Harris raced Sunday while still strapped up due to a bad back. A good portion of the Fleet accompanied Leonard Pratt and his "Bon Joy", Fleet representative to the Internationals at the Buffalo Canoe Club. Len qualified for the Championship

but due to a bit of bad luck in the last race finished down on the list. On September 25th and 26th, Fleet 145 was host to four crews from Hewlett Bay Fleet 58 which was Len Pratt's old Alma Mater. Using 145's own boats but each crew's own sails, three match races were sailed. Fleet 145 walked off with the honors, fifty-seven points to fifty-one. Alex Dougan of Fleet 58 was top skipper for the weekend. The Fleet Championship was a tight race between Harris and Pratt. Harris in 1312 finally took top honors by a close margin. Annisquam Lightning Fleet (151) completed its first racing season in 1948 with ten boats. Fred Lovejoy introduced the first Lightning to Annisquam in 1946, and while he had nobody to race against, his enthusiasm for his boat never waned. Brooks Stevens bought one in 1947, and while this was not very rapid progress, the two Lightnings raced on a sort of informal basis.

At the close of the 1947 season, interest in Lightnings took a sudden spurt, and during the next winter, four more joined the ranks, so that there were enough to form an official fleet. Under the able management of the Annisquam Yacht Club's experienced racing committee, the Lightnings enjoyed an excellent series of races from July fourth to Labor Day, took part in Marblehead Race Week, and won a victory over the Manchester Yacht Club's visiting fleet of Lightnings in an afternoon of team races for the junior skippers. Zephyr easily ran away with the 1948 honors, but by the end of the summer, she was being pushed pretty hard and next year should see even keener competition with a larger fleet. Enthusiasm at the Wequaquet Lake Yacht Club, base for Fleet 181 in Centerville, Cape Cod Mass., burst forth this season with four new Lightnings, making a total of six, which enabled the group to obtain a Fleet Charter. The racing season consisted of twelve races which were closely contested to the end, the Championship not being decided until the last race. Roger Bond finally came out on top by five points to win the Championship. Three of the Fleet's Lightnings accepted an invitation to sail at the Hyannis Yacht Club Regatta, which was won by Cynthia Hayes in "Caradon" of Waquaquet Fleet.

SPRING FEVER

PACIFIC-NORTHWEST DISTRICT

District Secretary—Grant MacKinnon, 1244 Chapman St., Victoria, B. C., Canada.

Fleets—Maple Bay Lightning (64); Royal Victoria Yacht Club (66); Kitsilano Yacht Club Lightning (90); Lake Washington (132); Bellingham Yacht Club Fleet (158); Tacoma Lightning Fleet (159).

The Pacific-Northwest District of the Lightning Class Association is perhaps the only International District in the Association. Early in 1946, the District was organized with Hunter Vogel acting as secretary. The original member fleets, numbers 64, 66 and 90, held their first District Championship from July 1st to July 4th, 1946, at Vancouver, B. C. Thus, although another District has claimed to be first, the Pacific-Northwest District was the district first formed on this coast and the first to hold a District Championship on the Pacific. In 1947, our District became International when Fleet 132 from Seattle joined with the three original Canadian fleets from Maple Bay, Victoria and Vancouver. To round out the District to its present size, fleets 158 and 159 from Bellingham and Tacoma respectively, became member fleets. We hope soon to welcome into our growing District a fleet from Eugene, Oregon.

During the 1948 sailing season, which lasts from April to October in the Pacific Northwest, our fleets were generally active, although in some places rather poor weather dampened some skipper's spirits and activities. However, most fleets can boast of a good season with much fine competition, not only in fleet racing, but also in our two annual District Regattas, the District Championship and the British Columbia Open Championship.

The Maple Bay Lightning Fleet 64 was the first chartered fleet in Canada and, I believe, the first on the Pacific coast. To this fleet and especially to Hunter Vogel goes much credit for the development of the Lightning Class in this area. Back about 1944, when Hunter had the only Lightning in the District, he entered his then unknown boat (for that was before people here became Lightning conscious) in a wartime International Regatta at Yellow Point on Vancouver Island, B. C.

He was promptly entered in X-Class with all the non-descript boats, but just as promptly breezed through to an easy first place. It was after this race that a pessimistic yachtsman was heard to remark that the Lightning was not a bad piece of sailing equipment, but that another one would not likely be built for ten years in the area. Now, just five years later, I wish that yachtsman could see the scores of Lightnings in the Pacific Northwest. During 1948 Maple Bay was the scene of much fine racing with Hi-Time sailed by the Vogel family finally winning the fleet championship. As usual, this fleet participated in its Saltspring Island race, a 45 mile classic which must be one of the longest annual Lightning races. Andy Snider, a skipper to watch in the future, won the event in his new boat, "Allegro".

Eric Dowell District Champ. of Royal Victoria Y. C. Fleet 66 sailing "Ariel" 1197.

Ed. Perry, Lake Washington Fleet 132 Champ. sailing "Harpoon" 1871. Owner built 1946. Miami Fleet 111 Champ. 1947. Trailed 5000 miles to Seattle, Washington.

Sailing on Cadboro Bay, Victoria, B. C., is the second fleet in the District, the Royal Victoria Yacht Club Fleet 66. This fleet is noted for its almost unbroken record of wins in District competition. Until the B. C. Open of 1948, Fleet 66 had been undefeated in inter-fleet competition. However, in that race Fleet 66. Of the nine registered Lightnings, eight were active and To console themselves, Fleet 66 Lightnings placed second, third and fourth in the Regatta. The season was a good one for Fleet 66. Of the nine registered Lightnings, eight were active and participated in many keen races. For its first racing season, Hyah, a new Lightning superb, did very well and should be at the top of the racing list before long. Although losing out on the B. C. Open Regatta, Fleet 66 retained the District Championship.

Fleet 90, sailing at the Kitsilano Yacht Club, Vancouver, B. C., is going through a period of re-adjustment at present, but it is hoped this fleet will be back in racing form by the coming season. Fleet Secretary, Alec Whitecross, is working to get the fleet sea-borne again and we will look forward to some more competition from this fleet.

The first American Fleet to join our District was Fleet 132, sailing on Lake Washington at Seattle, Washington. There are a great many Lightnings registered in and around Seattle, but the great distances from the various anchorages to the racing area make it difficult for many of the boats to compete very often. However, there is a very active group who race on Lake Washington, among them such speedy editions as Ed. Perry's "Harpoon". I believe the records show that in Florida a few years ago, the "Harpoon" beat the "Dodge Trophy" in a Regatta, so we can justly claim some really keen Lightnings in our District. During 1948, the weather put a damper on racing activities in the Seattle area, but nevertheless, a series of races was sailed off with Ed. Perry winning most of the time.

An up and coming fleet is #158, the Bellingham Yacht Club Fleet, which is probably the fastest growing fleet in the District. It took the Bellingham boys a few races to shake their sails into shape, but once they got going they had some very close competition. Basil Miaullis sailing "Howdy Doody" was highest point-getter for the racing season.

Joining the Association soon after Bellingham, our newest fleet is #159, the Tacoma Fleet. Unfortunately, Tacoma has no proper mooring facilities or sailing basin for small boats. The result was that the first two Lightnings launched were taken to

Basil P. Miaullis, Bellingham Y. C. Fleet 158 Champ., sailing "Howdy Doody", 3776

Lake Washington, 35 miles away, where they raced with the Lake Washington Fleet. "Flit II", sailed by Desmond Sessinghans and "Holgazan", sailed by J. S. and J. M. Abel, did very well against the Lake Washington skippers. In fact, "Holgazan" beat "Harpoon" on one occasion, the only race in which "Harpoon" was defeated on home waters during the season. It is hoped that suitable facilities will be found in Tacoma for the fleet to develop.

The major Regatta during 1948 was the District Championship Regatta held at Royal Victoria Yacht Club in conjunction with the Pacific International Yachting Association's Annual Regatta.

Clinton W. Gross, Runner-up, Bellingham Y. C. Fleet 158 sailing "Sky Baby" 3223

The final Regatta for inter-fleet competition was the British Columbia Open Championship sailed at Cowichan Bay, B. C., during the Annual Labor Day Regatta on September 1st. The race attracted a dozen Lightnings who fought it out throughout the entire 12 mile course. Boats changed positions many times in the tricky tides in Cowichen, but there was not much doubt as to who was going to win after the first round. "Hi-Time" with the Vogels aboard worked out a five minute lead at the weather mark, first round, and from then on was never headed. The next few positions were in doubt for most of the race, but "Iona" sailed by the MacKinnon brothers worked into second place at the leeward mark, second round. Dick Moore skippered his new "Hyak" into third place, closely followed by Eric Dowell in "Ariel". It is interesting to note that by winning this Regatta, Hunter Vogel broke the 3-year win streak of Fleet 66. Fleet 66 welcomes this keener competition that is now being exhibited by Lightning skippers in other fleets.

The 1948 season has been a good one for the Pacific-Northwest District, and we now look eagerly toward the 1949 racing season for more Lightning thrillers.

SOUTHEASTERN DISTRICT

District Secretary—George V. Crawford, 4452 S.W. 14th St., Coral Gables, Florida.

Fleets—St. Petersburg Lightning (109); Miami Lightning (111); Savannah Lightning (127); Biscayne Bay Lightning (130); Tampa Bay Lightning (168); Beaufort River Lightning (176).

District Report—The Southeastern District covered itself with glory during the past season. The results in Racing competition have done much to stimulate interest in Lightnings, which have now developed into the most active and popular Class in local waters. St .Petersburg Lightning Fleet (109) started activities for 1948 by holding the First Annual Mid-Winter Open Championship, with some of the country's leading Lightning skippers on hand from all parts of the United States. Dick Bertram, sailing the "Dodge Trophy" took top honors with three consecutive firsts from such skippers as Russ Luchtenberg, who trailed his boat all the way from Columbus, Ohio, Ed. Overton, from Mobile, Herb Cox, Walt Swindeman, Magnus Pedersen, Dave Shay and other leading skippers. Dick was awarded the beautiful silver Trophy donated for this annual event by Wally Bishop, nationally known cartoonist. (See photos and story in this report). Fleet 109 members took part in almost every Lightning Regatta held in Florida during 1948. Dr. W. W. Jennings started the Cup collecting tour by taking the State Championship Title at the Orange Bowl Regatta, in Miami. (See photos and story in this report). Stan Shaver won the Gasparilla Event in Tampa. Don Rowe the Gulfport Regatta. Dr. Jennings again at the annual Pass a Grille Race, July fourth. Homer Allen showed the boys the way home at the FSA Regatta in St. Petersburg. Stan Shaver and Don Rowe trailed their boat all the way to Buffalo for the International Series and for the first time out in such stiff competition made a fair showing. Stan dropped off at Washington, D. C. on the way home, for the President's Cup Regatta and won this event, adding a nice piece of silver to his collection. Biscayne Bay Fleet (130) is very proud of their showing during 1948. Dick Bertram in "Dodge-Trophy" had the honor of annexing the Title of 1st Champion of the Mid Winter Open held at St. Petersburg. He then went on to win the Second Annual Dis-

Second Annual Southeastern District Championship Won By Dick Bertram of Biscayne Bay Fleet No. 130

Report by George V. Crawford, District Secretary

The battle for the new "Ray Dodge" Perpetual Trophy, is over for another year. Dick Bertram, co-owner with Ray Dodge of "Dodge Trophy" No. 2891, brought this beautiful piece of hardware home to the donor.

The only skipper to defeat Bertram in the entire series was Paul Palmer in his "Winsome No. 3322". He won the first race by several boat lengths over Bertram.

There were originally twenty-two entries, but strong winds with small craft warnings flying, reduced this field to eighteen starters. There were three fleets represented and one unattached boat.

Some of the Highlights of the Series were as follows: Paul Palmer broke his mast when his rigging fouled the Jugdes Committee Boat, immediately after winning the first race. He exchanged masts with his wife, who was sailing the "Jolly Bee," who had broken the rudder of her boat just before finishing the race. With this disadvantage, Paul was able however to still skipper "Winsome" into a second place trophy. Tom Fisher sailing No. 1454 broke his rudder just after the start of the first race. Stan Shaver aboard the "Phyllis" broke his rudder and fouled a marker in the second lap of the second race. Oscar Nelson sailing "Buccaneer" No. 2990 also had the misfortune of breaking his rudder on the last leg of the last race, after practically clinching a third place trophy. Dick Mizner sailing "Scarlet," sitting in about fourth position, broke his mast, just before rounding the first marker in the first race. Despite the squally breezes, neat handling by the contestants kept every boat upright throughout the series.

Except for that master skipper, Dick Bertram, leading the field more than seven minutes in the second race and almost four minutes in the last race, the competition was very close. The defending Champion "Jay Glaser," sailing the "Magic Flute" took the third place trophy. The Orange Bowl and Florida State Champion Dr. W. W. Jennings was unable to get any better than a seventh place in any race and ended up with eleventh place for the series. The "Chop-Chop" now owned by Doc. Virgin and last year's winning boat, after getting a third place in the second race was unable to do better than eighth on final score. We aboard "Flicka" were well pleased with our showing. We finished sixth in the series and my seven year old son (weight 51 lbs.) is still an asset even in heavy winds.

Dick Bertram had the entire group of participants and their friends to his houseboat for a cocktail party Saturday afternoon. A buffet supper and Calcutta pool was the main event for Saturday night. The 1947 International Films were shown after the dinner and were received with considerable enthusiasm.

We are all hoping for a little better break from the weather man next year.

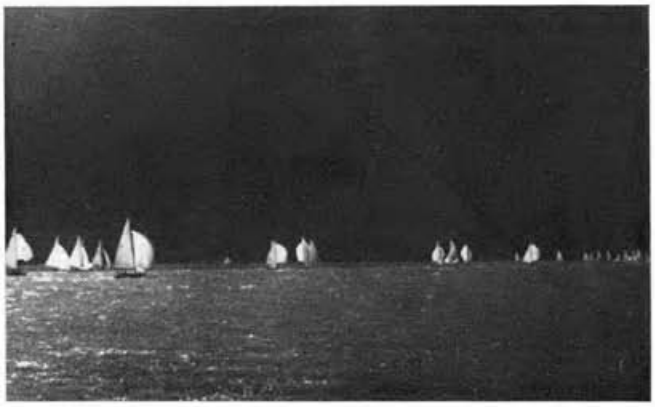
trict Championship Regatta (see photos and story in report) and capped the climax by annexing the Lightning Class International Chamionship Trophy at Buffalo in September.

Savannah's Annual Regatta held July 1st, 2nd and 3rd, attracted as smart an assemblage of sailboats as the South Atlantic Yacht Racing Association had ever seen. Twenty-seven Lightnings competed. The race series was held over the choppy waters of the Wilmington River, and was one that few participants, as well as spectators, will forget. The thrills were many as the sailors vied for every legal advantage. The course was well chosen, and several long legs gave opportunity to shake out spinnakers to good advantage.

The first days race was a never-to-be-forgotten spectacle, as the boats headed up river on the first leg to meet a severe squall. The sky to the north was black as ink as a towering thunderhead blotted out the sun, while the billowing white sails of the boats was backlighted across the Skidaway marshes. This unusual sight was captured in the photo reproduced in this report, which was snapped from the Committee boat. The squall that broke suddenly upon them lasted about 35 minutes, and reached 50 miles per hour in short gusts that topped a fairly heavy 40 mile wind. In what seemed like seconds, the scene changed from mere excitement into disaster as about two thirds of the boats capsized. Fortunately no one was seriously hurt and most of the sailors were able to right their boats and finish when the squall passed.



A. H. Berry in "Sea Pup" of Savannah Fleet (127) won the series, with Paul Palmer in "Winsome" of Biscayne Bay Fleet (130) runner-up and Charles Demere in "Horsefly" of Savannah Fleet (127) in third position.

The account would not be complete without mentioning the gay parties that enlivened each evening, especially the supper dance on Saturday night, at which time the trophies were presented.

Nineteen Forty-Nine looks like a bigger year for the District. We have many new boats on order and many new members signed up. This Lightning stuff really grows on you.

The District feels highly honored that one of their members was elected a Vice-President of the L.C.A. at the Buffalo meeting. Dr. Jennings is highly responsible for the rapid growth of Fleet (109) here, and never tires of promoting the Class.

SOUTHERN NEW YORK and NEW ENGLAND DISTRICT

District Secretary—LeRoy Amy, 10 Linden Avenue, Larchmont, New York.

Fleets—Cedarhurst Yacht Club (2); Housatonic Boat Club (6); Western Connecticut (7); Black Rock Yacht Club (17); Larchmont Lightning (32); Sheepshead Yacht Club (38); Chelsea Yacht Club (39); High-Tor (41); Columbia Lake (49); Little Neck Bay (55); Hewlett Bay (58); Branford Yacht Club (63); Nyack Boat Club (75); Candlewood (82); The Niantic Bay Lightning (85); Seawanhaka Lightning (88); Cold Spring Harbor (89); American Yacht Club (96); Northport Bay Lightning (98); Groton Long Point Lightning (105); Execution Rocks Lightning (106); Gardiners & Peconic Bays Lightning (116); Western Narragansett Bay (119); Mamaroneck Lightning (122); Cedar Point Lightning (26); Madison Beach Lightning (129); Manhasset Bay Lightning (133); Noroton Lightning (134); Hempstead Harbor (138); Thames Yacht Club (139); Mattituck Lightning (141); Moriches Lightning (142); Pequot Yacht Club (153); Eastchester Bay Lightning (163); Black Hawk Lightning (172); Great South Bay (178).

District Report—More Inter-Fleet competition and activities were evidenced during the past season, due to the proximity of many of the 36 Fleets in our District. The Atlantic Coast Championship, which is reported elsewhere, was the most important Racing Event held during 1948. Fleets in the Long Island Sound Squadron, comprising the area of Western Long Island Sound, held many Special Regattas:

R. Russell Hall of Riverside Fleet 7, sailing "Loon III" 2390

Little Neck Bay Fleet 55, held their 4th Annual Invitation Lightning Regatta, sponsored by the Douglaston Yacht Squadron, for the Douglaston Perpetual Trophy on July 10th. (See story included in this report).

Larchmont Lightning Fleet 32, with 36 members, based at the Larchmont Yacht Club, on Long Island Sound, had one of its most active seasons. Activities comprised an Eye Opener Series, from May 22nd to June 20th and a Qualifying Series to July 25th. Those in the top 20 places of this later event raced in the Championship Division (using a 9" red dot) as identifying insigna, attached to the mainsail, with the top place boats of adjacent Fleets, likewise identified, in all YRA of LIS Regattas from July 31st to September 19th. Those who did not make this division competed for separate prizes in a second Division. The Fleet's 3rd Annual Invitation Race was held on August 15th and other outside activities in addition to the Atlantic Coast Championship.

Fleet 122, won by Paul Forsman of Fleet 32, and participation in Execution Rocks Fleet 106 Invitation Race August 22nd, won by Chester Peet. Due to the starting of school, the Fleet juniors who qualified for participation in the Internationals were unable to compete at Buffalo last fall.

Candlewood Fleet 82, held eight championship races on each Sunday during July and August, with skippers counting their six best scores. This afforded a skipper the opportunity to compete for the Championship and still miss two races. Most of the races were twice around a five mile course. Six new members joined the Fleet last season. In the year 1945, the Hotel Green of Danbury, Conn., donated a permanent trophy, a sterling silver punch bowl, to the first skipper winning three annual championships. Mort. Shepard, Jr. in "Whitecap" captured the first three championships and the aforesaid prize was awarded to Mort. Each skipper who competed in sufficient races to make him eligible for competition in the Internationals received a sterling silver spoon. Wilson Powell in "Whiskers" and Mort Shepard, Jr., in "White-Cap" participated in the Internationals.

Niantic Bay Yacht Club Fleet 85, experienced a most successful season under the auspices of the Niantic Bay Yacht Club. In fact the Lightning Class was the most hotly contested class at the club. Bill Healy again turned in a magnificent job of consistent sailing to take the Fleet Championship, for the second year in a row. A total of thirteen races were sailed on various Saturdays and Sundays throughout the season and all boats participated in regattas outside the Bay. In the first of these regattas, the Eastern Conn., YRA Regatta, held at Sachem's Head, Conn., four boats placed in the top ten out of the thirty-five boats entered.

Richard and Paul Miller Champs. of Columbia Lake Fleet 49, sailing "Suspense".

Jim Smith, Champion of Little Neck Bay Fleet 55, sailing "Trio"

Bill Healy turned in one of his usual outstanding performances and only dropped out of first place on the third day when he ran into hard luck and went aground. In spite of this he took a second for the regatta. Not far behind him was a newcomer to the Fleet Martin O'Meara, who finished fourth; by this showing and his showing in the Fleet races he proved that he will be a strong contender next season. The following week, Bill Healy, competed in the Atlantic Coast Championship but due to new sails was forced to drop out of one race and therefore failed to finish in the top twenty boats. Their coming season promises to be the fullest one yet. Along with Fleet Races, Inter-Fleet Races with the Thames and Groton Long Point Fleets and competition in the Atlantic Coast Championship, the climax of the season will be the Eastern Connecticut YRA Association Regatta, which is to be held on Niantic Bay next season.

Cold Spring Harbor Lightning Fleet 89, divided their racing season for the first time into three series of five races. This proved to be an advantage over the two series system as it gave the late starters and mid-summer absentees an extra chance and enlivened the competition throughout the entire summer. Dick Cardoze, an experienced sailing instructor and Fleet Captain Amyas Ames, deserve much of the credit for increasing interest and improving the quality of sailing and tuning boats. Though Cold Spring Harbor didn't bring home the bacon on Long Island Sound, they placed third in the Midget Championship at Riverside, Conn., and lost first place in the Junior Championship of Long Island Sound, by a disqualification in the last of five races. To their active summer schedule were added team races with Northport, Riverside, Seawanhaka and Indian Harbor.

Northport Bay Fleet 98, increased their fleet by five boats to a total of 14. Series races were held commencing July 3rd and

winding up on September 6th. Several of the Fleet including Ted Novak, Bill Gentzlinger and Bob Oakes, traveled to the Douglaston Invitation Race and to Larchmont Race week. Later in the season these same boats with Tommy Hand and the Uihleins participated in Manhasset Bay Race week, and the Invitation Regatta of Seawanhaka Y. C. One of the season's highlights was the interfleet match race held with Cold Spring Harbor Fleet 89, just adjacent to Northport. Twenty-three boats participated and the race was won by Fred Weiss of Northport, with Bill Potts of Cold Spring Harbor second and Teddy Novak third.

Groten Long Point Fleet 105 divided their Racing season into a July and August Series. The winners in July were: 1st, John and Dave Massey in "Puffin", 2d, Bill Dahl in "Cervus", 3rd, George Slater in "Buccaneer". The winners in August were: 1st, John and Dave Massey, 2nd, George Slater, 3rd resulted in a tie between Bill Dahl and Allan Russell in "Skeeter". Besides these Series races, trophies were awarded for special races. On July 4th was the Commodore's Cup race, on Labor Day the Vice-Commodore's Cup race; also a special Long Distance Race of 16 miles and a Turnabout Race were held. The most important occasion of the season was the Fisher's Island Sound Championship Regatta, sponsored by Fleet 105 at Groton Long Point August 15th. Thirty-two boats participated representing Thames (139), Niantic Bay (85), Wach Hill, Watawamuck, Fisher's Island, and Shenacessat. Trophies for 1st, 2nd and 3rd places were given. Jean Bindless in "Joker" of Watawanuck took first prize, with Harold Phelps in "Winsome" of Watch Hill second and John and Dave Massey sailing "Puffin" of Croton Long Point finishing third.

Execution Rocks Fleet 106, based on L. I. Sound off New Rochelle, N. Y., held its initial Annual Invitation Race on August 22nd. Twenty-four Lightings competed, representing five neighboring Long Island Sound Fleets.

Hempstead Harbor Fleet 138 after a late start due to inclement weather, finally got rolling and enjoyed its most successful season. Many new boats made their appearance and the class grew to more than twice its 1947 size. This increase was due mostly to

the efforts of Jack Chayne (former Atlantic Class skipper) and boat builder Charles Schreiner of College Point, N. Y. A semi-cooperative construction plan was evolved which not only kept costs down by allowing the new owners to put the finishing touches on their own boats but also stimulated more than average interest among local yachtsmen. So much so that many more Lightning owners are expected next year. The season was divided into two principal series: a Saturday and a Sunday group: with a two race commodore series and a special Labor Day race for a total of thirty-two contests. Last year's champions the "Gayles" and newcomers the "Hurleys" staged a see-saw battle all season long, each winning just about every other race. They finished up by splitting the special races and winning a series apiece. The third place spot was also hotly contested for with Jack Chayne and Jay Kirby (last year's runner-up) taking the Saturday and Sunday races respectively and Howell Wagner taking third in the Commodore series. The Fleet wound up the

season's activities by sponsoring a dance at the Sea Cliff Yacht Club, preceded by a cocktail party at the home of Joe Tilton. There was a severe squall that evening resulting in a power failure, but the fleet came to the rescue with candles and lanterns.

Mattituck Lightning Fleet 141, won two trophies in the Eastern Long Island Yacht Racing Association Regatta at the Deven Yacht Club. Jim Connor finished first with Billy Uhl coming in second. In the E.L.I. Y.R.A. Regatta held at Mattituck Yacht Club, Billy Uhl came in second to win a trophy. In a special race H. Alvin Smith, came in first to win the trophy donated by the Mattituck Fire Department.

Pequot Yacht Club Lightning Fleet 153, participated in all important Lightning activities on Long Island Sound. Briggs Cunningham's "Frisky" No. 1588 was a threat to all contenders up and down Long Island Sound and was close to the top in all competitions. Championship Series races were held from June to Labor Day, with a special Fourth of July and Labor Day Series.

The Mid-Hudson River Squadron comprising High-Tor Fleet (41), Chelsea Fleet (39), Nyack Fleet (75) and a newly formed Fleet at Croton, had a busy season of Inter-Fleet competition and were in excellent shape for competition in the Atlantic Coast Championship, which was sponsored on the Hudson by Nyack Fleet (75). The Hudson River Championship was held July 31st and August 1st, also sponsored by Nyack Fleet. Twenty-one entries competed in this Championship 3 race series. Report of this event follows:

"In the first race Joe Hoffee in "Ro-Jo" of Nyack nosed out Pete Pedersen, also of Nyack for 1st place, with Dayton Myles of High-Ter Fleet in 3rd position, followed by Carver Dumke of Chelsea. In the second race Carver Dumke, nosed out Pedersen, with McGovern of High-Ter finishing 3rd and Dayton Myles in 4th position.

"In the final race, the tension was at its peak with Pedersen top man in points. The squadron was closely grouped around both laps, of the six mile course. Pedersen was being covered and Dumke and Hoffee, were giving each other a very bad time, with Myles and Paul Murphy, Jr., of Nyack in hot pursuit on the home reach, which through a wind shift had become a windward leg. Hoffee, Dumke and Murphy exchanged tacks, while 1947 Champ. Myles and Carl Bell of Nyack charged ahead.

"Carver Dumke hit the line first, Boll second, Myles edged in third and Murphy completed a spectacular finish to round out the series.

"Carver Dumke of Chelsea Fleet (39) was acclaimed 1948 Hudson River Champion, with Mangus Pedersen (Atlantic Coast Champion) second and Dayton Myles of High-Ter Fleet (41) finishing third."

4th ANNUAL DOUGLASTON INVITATION LIGHTNING REGATTA

Sponsored By Douglaston Yacht Squadron and Little Neck Bay Fleet No. 55; Won By Jim Amy of Western Long Island Sound Fleet No. 32

One of the Seasons Major Racing Activities of the Long Island Sound Lightning Squadron, the 4th Annual Invitation Regatta, sponsored by the Douglaston Yacht Squadron and Little Neck Bay Fleet No. 55, was held on Little Neck Bay, Saturday, July 10th, for the Douglaston Perpetual Trophy, which must be won three times by the same Yacht Club for permanent possession. This 1948 Trophy is a new one, as the former Trophy was retired in 1947, having been won by Jack Webb, of Riverside.

James Amy of Larchmont established the first leg on the Trophy for the Larchmont Yacht Club, on Saturday, July 10th, by winning in a field of 49 starters, which comprised entries from 8 L. I. Sound Yacht Clubs, members of 5 Lightning Fleets, namely Nos. 55, 106, 32, 133, and 98.

The Race Committee consisted of F. Dodd McHugh, the chairman; Richard Carr, L.C.A. Honorary Vice Commodore, David Morrison, John Hawkins, Cyril Taylor and Fred Paulsen, whose sloop "Entre Nous" was used as the committee boat.

The Race was started at 2:35 p. m. on a course of 10.4 miles; the first leg comprising a large triangle, from the mideasterly side of Little Neck Bay, south to mark A, northwest to Nun 2 off Fort Totten thence northerly to the mark off Stepping Stones Light, then southerly to the starting mark. The second leg was a smaller triangle from the starting mark back to Nun 2, to Stepping Stones and finish. The wind was a sharp westerly shifting to southwest, blowing above 10 knots.

Steve Carr in "Nola" was first across the line, closely followed by Bill Lynn in "Atom," Jim Amy in "Frolic II" and Jim Smith in "Trio;" at mark A, the leaders were Carr, Lynn, Amy and Smith; at Nun 2, Carr, Lynn, Smith and Amy; at Stepping Stones, after a broad reach, the order was Carr, Amy, Smith and Ed. Cotter, in "Bozo IV". At the end of the first leg, the positions were Carr, Smith, Amy and Cotter. Due to a misinterpretation of the course, Steve Carr, in again starting for mark A, lost his lead advantage, and Smith took the lead with Amy following, Carr going into third place, being paced by Cotter. From there on, to the finish, first place was hotly contested between Smith and Amy; with Amy taking the lead on the spinnaker run to Stepping Stones and holding first place position, closely covering Smith on the beat to the finish line.

Amy crossed the finish line on starboard tack, close to the bow of the Committee Boat, to win the coveted First Place honors, and completed the 10.4 miles in 2:13:03, with Smith crossing the line 11 seconds later; Carr taking third position, 1 minute, 22 seconds after Smith, and Cotter, fourth place, 1 minute, 54 seconds later. There were prizes for the first four places; the first place prize being a replica in miniature of the Trophy.

Start of Douglaston Invitation Regatta No. 253, Steve Carr in lead, followed by No. 1858 Bill Lynn and No. 3579 Jim Amy, all of Larchmont Fleet No. 32.

TEXAS DISTRICT

District Secretary—Ewing D. Clark, Box 817, Port Isabel, Texas

Fleets—Dallas Corinthian Lightning Fleet (35); Southmost Lightning Fleet (40).

District Report—Both fleets in this District have been active during the past season, but have plans for more extensive enlargement during 1949. Dallas Corinthian Fleet (35) have made some changes, but most of them too late to permit the scheduling and running of fleet races to determine which of the present skippers of the redoubtable Lightning sloop can beat the gang to the finish line the most often. Milton Price disposed of the venerable #206, but the new owners are experienced sailors. Earl Fetzer has acquired #535 from James W. Bowen. Newcomers to the fleet, and boys who are ready, able and willing to enter fleet competition come 1949, are Bob and Gene Shiels in #3640 and Willis McQueen in that sleek, homebuilt #3519. The Class is growing on White Rock Lake. Interest and enthusiasm are high, and plans have been made for return to organized class racing in 1949.

WISCONSIN-MINNESOTA DISTRICT

Submitted by William R. Winter

District Secretary—William R. Winter, 2645 Pasadena Blvd., Wauwatosa, Wisc.

Fleets—Nenah-Nodaway Fleet (67); Milwaukee Lightning Fleet (69); South Shore Yacht Club Fleet (79); Green Bay Lightning Fleet (112); Lake Davenport Lightning Fleet (167); Mendota Lightning Fleet (177).

The close of the year 1948 climaxed a most successful year for the District with all fleets reporting increased activity in both owners and members. Charters were granted for a fleet at Madison, Wisconsin and one at Des Moines, Iowa and a fleet is forming at Sheboygan, Wisconsin. Indications are that there will be over one hundred Lightnings in this District in 1949.

The Lake Michigan Yachting Association has officially chosen the Lightning as the class boat for Junior activities. A Junior Championship Series is sponsored each year by the L.N.Y.A. and these races will be held at the Milwaukee Yacht Club in 1949.

The Neenah-Nodaway Fleet #67 on Lake Winnebago sponsored the first District Regatta on July 24 and 25, 1948. It proved a tremendous success with all fleets in the District represented by twenty-two entries. The honors of the Regatta went to Jim Gagnon, Green Bay Fleet #112 and plans are in the making to hold the 1949 District Regatta at Green Bay, Wisconsin.

Milwaukee Fleet #69 wishes to extend an open invitation to all Lightning skippers for the 1949 P & T Trophy Series held in August. This series is followed by the Milwaukee Journal Regatta. The combination of the two races gives the skippers three consecutive days of racing. William R. Winter, Jr. ,Milwaukee Fleet #69 won the 1948 P & T Trophy Series and Jim Gagnon, Grenn Bay Fleet #112, winner of the District Regatta, placed first in the 1948 Milwaukee Journal Regatta.

We can wish for nothing better than to have the future years as successful as the past one.

HAWAII LIGHTNING FLEET (143) and HONOLULU LIGHTNING FLEET (170)

"Hawaii Fleet 143 *in action with Koolou Range in background"*

Cy Gillette, wife Al and son Frederic Mueller, champions of Fleet No. 143.

Cy Gillette's "Nubbin"

Hawaii Lightning Fleet (143) completed their second year of racing with a series of races held on altrenate Sundays during mid-winter, with a repeat for Cy. Gillette in "Nubbin" as the 1948 Fleet Champion.

Honolulu Lightning Fleet (170) received its charter late in 1948—too late for participation in the season's racing. However, "Memehune" with R. M. Southgate at the tiller, was a familiar offshore sight practically every week-end during the year. J. E. Ryno built and launched "Pookela" and is presently engaged in tuning, breaking-in and learning the ropes in general. W. Banks also built and launched "Floradora" and is involved in the tuning and breaking-in phase. Art H. Myhre took delivery of "Wikiwiki" (sans sails) and is awaiting delivery of same. R. B. Buisseret is applying the finishing touches to the "fruits of his labor" and expects to progress to the launching state soon. All members are looking forward to an active 1949 season.

Better RIGGING & FITTINGS
for YOUR LIGHTNING

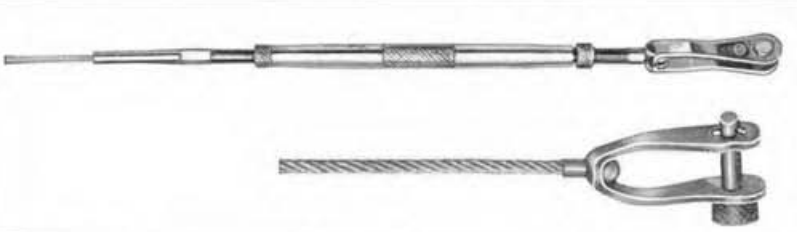

Fig. 526T STAINLESS STEEL SWIVEL JAW TURNBUCKLE—Embodies a flexible ball and strap joint which reduces rigging vibration. Knurled check nuts hold adjustment securely. Smooth turnbuckle is easy on sheets and sails. Reduces by two thirds the weight of conventional type turnbuckles.

Fig. 580S STAINLESS STEEL KEY HALYARD SHACKLE—A very lightweight swivel shackle for use on small sailboats. Pin locks firmly by quarter twist and cannot be lost. Supplied on 3/32 and 1/8 wire rope halyards only by means of a ball terminal.

Safest Crew Afloat!

When Top-Siders hit wet, slippery decks, they wipe each risky footstep dry, even in drenching weather. ANTI-SLIP soles with razor-fine slits do the trick—the only Original, Top-Sider protection—built in for the life of the shoe.

COMMODORE

New in blue! The Top-Sider Casual—gives you stiff shank support, cork insole, *wedge heel*, cushion insole comfort—all with yachting good looks. Faded blue denim, or white duck. Men's sizes 5 to 13; half sizes 5 to 12. Women's sizes and half sizes 3 to 9. **8.50**

CANVAS OXFORD

Real "Sailor's" choice—feel light and *flexible* as tho' barefooted, with full foot protection. White or Navy. Men's 5 to 14; half sizes 5 to 12. Women's sizes and half sizes 3 to 9. **7.50**

SPERRY TOP-SIDER ®

MOCCASIN

New in white! Feel that soft, water-resistant elk-tanned leather—it's hand sewn. White—in half sizes. Men's 6 to 12, wide only. Women's 4 to 9, narrow only. Brown—narrow or wide—in half sizes. Men's 6 to 12; Women's 4 to 9.

Brown **13.95** White **14.50**

PILOT

Soft, lightweight, flexible over-the-shoe boot. Just roll to stow. Men's full sizes 5 to 13.

Knee-length **9.75**
Hip-length **11.75**

FIRST SEVEN BOATS ACROSS THE FINISH LINE CARRY SAILS
by RATSEY & LAPTHORN!

1948 International Lightning Championship Races

It's MORE than coincidence when from an original fleet of over 5000 of the finest Lightnings on any waters, the first seven boats over the line in the International carry the sails of Ratsey & Lapthorn. The seamanship and skill of the skipper count heavily, but a boat is no better than her sails!

Fine sails are traditional with Ratsey & Lapthorn, for the knowledge and skill of 159 years of sailmaking are built into every suit of Ratsey sails. Now small boat owners can have the same exacting quality in sails as Ratsey produces for all of AMERICA'S CUP DEFENDERS! The FINEST costs no more—so make sure her next suit are Ratsey's!

NEW—Now printing, a new illustrated booklet "The Care and Handling of Sails." Packed with tips and information for novice and old hand, written by experts! Make sure of your copy—they'll go *fast*. Send twenty-five cents in stamps or coin.

Registry of Lightning Owners

(Corrected to February 15, 1949)

Every effort has been given to making this registration list accurate. Literally hundreds of letters have been written to trace missing owners. While most builders and dealers have been wholly cooperative in advising of sales, we regret to say that some do not respond to inquiries and others have kept no records of the names and addresses of purchasers. In spite of these difficulties we can say with assurance that this registration list is about 90% accurate. With the help and cooperation of members, we can make next years list even more accurate.

The Executive Secretary, Bank of South Haven Bldg., South Haven, Michigan, should be advised promptly of all changes in owner's names, addresses, sailing locations, fleet affiliations and boat names. Members are urged to obtain the names and addresses of new Lightning sailors in their neighborhoods and report them to the Executive Secretary. In this way, missing owners may be located.

Where a boat is listed as owned by a "builder" or "dealer", it means that the Association office has the name of the builder or dealer who sold the boat, but the name of the purchaser has not been ascertained. When a builder's or dealer's name is used, it means that the boat is actually owned and probably is in use by that individual or concern.

Where boat number is followed by an asterisk (*), it means that there is a measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.

G. S. HARVALE
presents with pride
THE OFFICIAL LIGHTNING TIE
woven exclusively for
members of the
Lightning Class Association

Every Lightning owner and crew member will want this handsome tie. Jacquard-woven of all pure-dye silk, the small flashes against a contrasting background create an unusually attractive design. Price $3.50.

Available in four color combinations: red flashes against navy background; red flashes against brown background; red flashes against gray and blue flashes against red.

Your attention is invited to the Harvale custom tie service available to Yacht Clubs and other groups. We have had the privilege of making special ties for several Yacht Clubs in their own colors or burgee design. Full particulars of this unique service will be submitted upon request.

G. S. HARVALE & CO.
475 FIFTH AVENUE
NEW YORK 17, N. Y.

Please send ☐ Lightning ties at $3.50 each.

THE LOST COLUMN

Here following are our missing owners. We want to find them, not only because we need their support, but also, because we believe they should know about the Association and receive the benefits of membership. We urge all members to keep their weather eye open and report any clues to the Secretary. Their reward will be the deep appreciation of their officers and the knowledge that they have helped to strengthen their Association.

Where a "dealer" or "builder" is listed it means that the boat has been sold but the new owner is unknown, because the dealer or builder has not reported the name of the purchaser. The great majority of builders and dealers are very helpful.

This list is proof of how urgent it is that tranfers and changes of address be sent in to the Secretary.
