## Dedication

This Book is dedicated to the thousands of Lightning Skippers and Crews who at every starting gun are out there ready and eager for another race, but never seem to get the "Old Hooker" fired-up enough to get the finish gun.

We are proud of these sailors, for without them there would be no Fleet, District or International Champions, no regattas or parties, and none of the fine Friendships we have all made through our racing.

They are the ones who have made the Lightning Class one of the largest and certainly the best of the one design classes. We must not forget that the Lightning sailboat is a day sailer, or even a cruiser, as well as an excellent racing boat.

To such as these a hearty, WELL DONE.

The Editor.

## FOREWORD

It is indeed an honor being president of so fine an organization as the Lightning Class Association but with it comes many responsibilities as well.

Organizations such as this do not happen by accident, they are created by men who have given much time and thought to the cause. We are indeed fortunate in that during the inception period we had the services and mature judgment of very capable men to set up the rules and regulations which govern our activities today. We owe them much and we can repay them in part by continuing to support the high ideals and purposes which they so ably fostered. By doing so we will continue to grow and prosper and will eventually be able to pass the organization along to our future Lightning owners and Officers in the same strong position it has always enjoyed.

*H. Richard Krauss,*

President

## Officers of Lightning Class Association

### VICE-PRESIDENT & CHIEF MEASURER

—C. B. Crittenden

R.F.D. #1, Manitou Beach, Mich.

"Barney" has been sailing his Arrow III since 1940 and is one of the Lightning's most enthusiastic supporters and boosters. He organized Devil's Lake Fleet #31, served as Fleet Secretary and Captain and is a past Commodore of the Devil's Lake Yacht Club. Barney is also a past Commodore of the Michigan-Ohio District as well as their first district champion. He served the Association as Secretary last year and edited the Year Book as well. When sailing doesn't interfere, Barney acts as Maintenance Products representative of the S. C. Johnson & Sons, Inc.

### VICE-PRESIDENT—Ross G. Allen

Wymberley, Isle of Hope, Savannah, Ga.

Ross has been active in Lightning affairs since 1947 when he helped organize Savannah Fleet #127 and was first Fleet Captain. He has owned two Lightnings and now sails the "Wild Goose", #4671. He also holds the post of Commodore of the Southeastern District. Ross served in the Navy during the war and is a Commander in the Naval Reserve. He is the Secretary-Treasurer of the Southern States Iron Roofing Co.

### VICE-PRESIDENT—John W. Campbell

4170—33rd St., San Diego 4, Calif.

"Jack" started his sailing on the Chesapeake Bay, Maryland, where his father was part owner of a Yacht Yard. He sailed in several different classes of boats but in those days it was all for fun. He served in the Navy for four years landing in California after the war. Here, Jack built the "G.WIZ" with his brother putting into it all the love and care he had learned from his father. He has been fleet champion three times, Southern California District Champion in 1951 and is the only skipper to trail his boat from California to participate in the Internationals.

### President

H. R. (Dick) Krauss

3720 Woodmont,

Toledo, Ohio

Dick brings to the office of President the same enthusiasm and great ability he displayed in carrying out his duties as Chief Measurer last year. He is hard-working, sincere and conscientious in all his efforts. Dick is a member of the Toledo Lightning Fleet #42 and has served as their Secretary and Captain. He was 1950 International Champion and acted as Chairman of the 1951 International Regatta Committee. Between Lightning activities, Dick operates his own insurance agency.

### VICE-PRESIDENT—Edward R. Olson

143 Margherita Lawn, Stratford, Conn.

"Bud" has been a Lightning sailor for a good many years. He is a member of the Housatonic Boat Club Fleet #6, serves as a Measurer, and was Commodore for the Connecticut District in 1952. Bud built his own Lightning and says he usually comes in 3rd, 4th, or 5th. in it. He is serving as Publicity Chairman this year and is doing a very excellent job. Bud owns a Ship Chandlery and Appliance business.

### VICE-PRESIDENT—John Robertson

1001 Pigott Bldg., 36 James St., S., Hamilton, Ont.

Johnny started his sailing career in 1937 and joined the Lightning Class in 1947. Since this time he has been in all International and District races except in 1948 and 1952 when he represented Canada in the Olympics. In 1951 he was runner-up in the Internationals. Johnny has also served as Secretary-Treasurer of the Lake Erie District. His father has also taken a very active part in the Class especially in trying to get the Lightning established in an Olympic class. When not sailing, John is an Insurance agent.

### SECRETARY—Len Ladenburger

37 Cass Street, South Haven, Mich.

Len is a very familiar person to members of the Lightning Class Association. No reminder is needed for the untiring efforts of this strong supporter of the Lightning. He served as Vice-President in 1944, Secretary-Treasurer in 1945 and President in 1946. He has also been Michigan District Secretary, was Lake Michigan Champion in 1944, organized the South Haven Yacht Club and Lightning Fleet and is still an able and clever skipper. Although Len is very busy running his own Crown Frame Co., he has given generously of his time to help the South Haven office function smoothly and efficiently this year.

**TREASURER—Charles H. Dore III**  
100 Gill Road, Haddonfield, N. J.

Charlie is serving his second term as Treasurer of the Association. He is one of the outstanding Lightning Sailors from the Central Atlantic District having been a former champion as well as Commodore of his District. He was in charge of the advertising for the 1952 Year Book and between Lightning activities, is a representative of Pittsburgh Plate Glass Co.

**ASSISTANT CHIEF MEASURER—Clifford J. Prados**  
946 Ockley Drive, Shreveport, La.

Cliff has been building and racing his own boats for 32 years on the Mississippi Gulf Coast and Lake Pontchartrain in Louisiana. He recently finished building his third Lightning "Glider" #5202. He is a member of the Shreveport Lightning Fleet but has been Captain of the Lake Pontchartrain Fleet at New Orleans and Secretary of the Bay-Waveland Fleet at Bay St. Louis, Miss. Cliff is Commodore of the Southern District this year and served the LCA as Vice-President last year. To keep the five little Prados in shoes, Cliff acts as District Sales Manager for the Southern Bell Tel & Tel Co.

**HONORARY COMMODORE—Wayne Brockett**  
Lanphier Road, Branford, Conn.

Wayne was appointed Honorary Commodore after having served as Secretary for three years and our President last year. He is well known to all Lightning sailors and has had over ten years sailing experience. Wayne came to the Lightning Class in 1945 and has participated in every International Championship Regatta since. He organized the Branford Yacht Club Fleet, served on the Executive Board of the Eastern Connecticut Yacht Racing Association and is a former editor of "Flash-es". Wayne is in the printing business.

**EXECUTIVE SECRETARY—Mrs. Margaret Teske**  
308 Center St., South Haven, Michigan

## LIGHTNING CLASS ASSOCIATION

### POLICY

To promote and develop Lightning Class racing under uniform rules, governed by this Association, and to rigidly maintain the one-design features of Lightning Class sloop, as designed by Sparkman and Stephens, Inc., which plans are known as 265.

To cooperate with all other yachting organizations and to demand in return observance of the rules of the Lightning Class.

To keep the Lightning Class within the financial reach of the man of moderate means without handicapping ability or encouraging neglect in conditioning yachts.

To rigidly maintain a strictly one-design Class, in order to positively insure that all Lightning Class races held under the auspices of this Association be to determine the skill of the skipper, and to eliminate all variation in construction of the yachts. Everything in the Constitution, By-Laws and all building restrictions is intended to insure competition between boats of identical design and the spirit of the Constitution, By-Laws and building restrictions is to this end.

### JURISDICTION

The Association has jurisdiction over all Lightning activities. Its Class rule govern all sanctioned Lightning races regardless of by whom held. Its Constitution, By-Laws and Rules are binding upon all members and Fleets and all registered Lightning yachts must conform to its official plans and specifications.

### ATTENTION OWNERS, BUILDERS AND SAILMAKERS

The Lightning name and emblem as applied to sailboats has been registered with the U. S. Patent office and the Lightning Class Association is granted exclusive use thereof. No boat may properly be sold or entered in any race as a Lightning or at any time display the Lightning emblem upon its sails or otherwise, unless the number tax or royalty on such boat has been paid to the Association by the builder or owner thereof. For the benefit of owners or prospective owners the Association proposes

to take whatever steps necessary to protect both the Lightning name and emblem from any unauthorized use.

## ROYALTIES AND REGISTRATION

The Association will refuse to issue a number or grant a measurement certificate to any yacht on which the royalty has not been paid or which was not built by a recorded owner of Official Lightning Class plans. **The fee for each and every boat built is \$15.00** which includes the assignment of a registered number, blueprints and the book entitled "Building the Lightning."

Every Lightning built is recorded by the Association and a complete registry of owners is maintained. All changes in ownership or sale of new boats by builders and dealers must be recorded with the Secretary of the Association.

A \$1.00 royalty must be paid by sail makers on each sail made, as evidenced by the above label securely sewn thereon. The colors in this label are red and black lettering on a white background. This label, as evidence of payment of royalty is required beginning with 1948 sails. These labels may be purchased from South Haven for \$1.00 each less 2% for cash with order.

## PLANS

Plans are not transferable. They are sold subject to the terms and conditions of the notice thereon. Plans and specifications are subject to annual revision only as provided in the Constitution and By-Laws. It is the policy of the LCA to make no changes which would give more recent Lightnings any advantage over the first Lightnings built. The responsibility of keeping advised as to these annual revisions rests with the purchaser of plans and specifications. Never copy another Lightning.

## CONSTITUTION - BY-LAWS - RULES SPECIFICATIONS

The Constitution, By-Laws, Specifications of the Lightning Class Association are contained in a special pamphlet available to all members—builders and yachting organizations.

## MEMBERSHIP

Each and every Lightning owner should be an active member of the Association. Our modest dues are a very small amount to pay for the many benefits received from such a membership. You are not only helping to support your own Association that is doing everything possible to enhance and protect your investment in your Lightnings but you will receive numerous publications of interest and benefits (which alone are worth the investment). Only members are permitted to enter sanctioned Lightning Class races and receive the official Yearbook and special Lightning Class publications.

Every crew member or person sailing and interested in Lightnings but is not an owner should be an Associate member. The Yearbook (which is sent to Associate and crew members as well) alone is worth more than this membership costs, not to mention our other publications.

### CALIFORNIA DISTRICT REPORT

**District Commodore:** Bob Niemyer

**District Secretary:** Dave Wright

**Fleets:** Santa Monica Bay Fleet (102); Newport-Balboa Fleet (107); San Diego Bay Fleet (114); Mission Bay Fleet (194).

**District Report:** At some time during the year the Lightning owners of the California District are faced with the problem of what regatta to miss so that the never ending job of maintenance can be done. We have no "fall lay up", "Winter Bar Sailing", or "Spring Outfitting" in our district. Our sailing season starts with the S.C.Y.A. Mid-Winter Regatta in January and goes on through the Easter Regatta at Balboa, the Newport Harbor Spring Gold Cup Series, Coronado Yacht Club Small Boat Regatta, S.C.Y.A. Summer Regatta, the District Championships, the Stanley Andrews Series at Mission Bay, the Newport Harbor Fall Gold Cup Series in October, and the Thanksgiving Regatta at Coronado Yacht Club.

This year the Districts were held at Coronado Yacht Club with "G-Wiz" sometimes known as Jack Campbell, the defending champion. The first race in San Diego Bay saw Ray Chenhall's "Zoom" establishing an early lead and hold it for the entire race. In the meantime Bob Niemyer and Jack Campbell were having a "Dog eat Dog" battle for the runner-up spot. Bob and "Chiquita" wound up in the second spot with Jack closing in hard at the finish. The second race got off a rip roaring start with a tow from the yacht club to the starting line. After postponing the start for thirty minutes it was decided to go anyway in a one tripper, so the fleet drifted across with the smoke from the gun and each skipper played his own slant to the windward mark. "G-Wiz" displayed her light air ability by rounding the mark first and immediately hanging up the laundry in an attempt to catch a whisper of breeze before Harrison Amos and Bob Niemyer could get behind her. After rounding the leeward mark behind Jack, Bob and Harrison were so intent upon catching each other that Marold Eyestone in "Relampo" squeezed into third place behind Bob and Jack. Ray Chenhall had to be content with a fifth place in the second race but it was consistent enough as proven by the final results.

Going into the final race, Bob Niemyer and Jack Campbell were tied in points with Ray Chenhall close on their transoms only two

points down. Bob and Jack were boxed in at the start and Jack got in trouble getting out. He fouled another boat and chose to retire from the race. Ray Chenhall was caught by anti barging rule and had to jibe around and follow the fleet across the line. This didn't seem to slow him up as he proceeded to sail through the fleet until he was in a nice position on top of Bob. Realizing that he still needed another boat between them Ray lured Bob over with the rest of the fleet which let Harrison Amos and Dick Driskell jump into the hole between them. Carl Ackermann won the third race while Ray was finishing fourth and Bob seventh. The final Standings:

**District Champion:** Ray Chenhall "Zoom"

**District Runner-Up:** Bob Niemyer "Chiquita"

Another top regatta was the Mission Bay Fleet's Stanley Andrews Trophy Race. The wind had hauled around to the North which gave a perfect windward-leeward course for the bay. The first race was won by Ed Cotter in "Atlanta" from the Newport-Balboa Fleet, second place was taken by Ray Chenhall and Norvel Diamond of the home club brought up third. The next race found Ed and Ray changing positions with Ed Anderson of Mission Bay third. The final race gave Ray another first followed by Ed Cotter and Bill Pirie. It is interesting to note that after five of these series, no skipper has had a repeat performance.

Coronado's Thanksgiving Regatta was held for the sixth straight year in South San Diego Bay with the usual light airs. The first race sent the fleet toward the Silver Strand and while the rest of the boats played the shifts along the shore, Dave Wright and Ray Chenhall found some steady breeze out in the middle. Dave rounded the windward mark with a comfortable lead followed by Ed Cotter, Ray Chenhall, Bob Niemyer, and Dick Driskell. On the slide back to the committee boat, positions were won and lost as most of the fleet tacked down wind in an effort to keep the laundry filled. Dave Wright in "Sauci Sue" managed to hold the fleet off long enough to take first almost being pushed across the line by Ray Chenhall and Bob Niemyer.

The second race was started in drifting air with a strong tide pushing the fleet away from the windward mark. Once again the fleet went over to play the shifts off-shore and to get away from the tide. "G-Wiz" with Jack Campbell at the helm finally found the slot and slowly pulled away from the fleet. Marold Eyestone had his new cottons on and couldn't take being left behind so he

took off after Jack. These positions held the second time around and Ray Chenhall finished with a comfortable third.

The final race brought with it a little fresher breeze and also the hottest battle for a position that the skippers had seen in many a day. Jack Campbell with his "G-Wiz" and Marold Eyestone in "Relampo" took off again to leave the fleet to battle it out for the third spot. As these two boats fought to windward, crossed on the reach and flew the spinnaker it seemed that every bit of strategy used had been anticipated by the other. The results found "Relampo" first, "G-Wiz" second and once again Ray Chenhall in "Zoom" in his third spot. Ray's consistency once again bore him the "hardware" with Jack Campbell and Marold Eyestone close behind.

#### CENTRAL ATLANTIC DISTRICT REPORT

District Commodore: Eugene H. Kipp

District Secretary: David C. Langworthy

Fleets: Barnegat Bay (3); Delaware River Yacht Club (8); Tri-State Yacht Club (18); Little Egg Harbor (26); Metedeconk River (34); Shore Acres Yacht Club (86); Spray Beach Yacht Club (91); Toms River (92); Great Egg Harbor Bay (99); Lavalette (104); Brant Beach (173); Surf City Yacht Club (196); Cooper River (197); Mantoloking (210); Cape May Harbor (213); Brigantine Yacht Club (217); Riverton Yacht Club (228).

District Report: As this is written the New Jersey waters from Bay Head to Cape May and westward on the Delaware and Cooper Rivers are resting under cold winter skies after the longest, busiest summer of Lightning sailing in the history of the Central Atlantic District. This year seven major sanctioned regattas were conducted on or adjacent to Barnegat Bay where the majority of the C. A. D. fleets sail. These were the Metedeconk River Third Annual Spring Tune-up, the New Jersey State Championship, the Atlantic Coast Championship, the C.A.D. Championship, the South Jersey

Championship, the President's Cup and the International Lightning Championship Regatta. No other District, however mighty and proud, can point to a record like this. It was wonderful!

It all began on the pleasant days of June 15th and 16th at the Third Annual Metedeconk Tune-up Regatta. This was a prophetic three race series in which Dutch Sindle of Lavalette Fleet 104, sailing the venerable "Bayrader" (864), took first with Charlie Dore of Spray Beach Fleet 913 in the "Kipper" (3704) and Jim Carson of the host Fleet 36, in "Flying Mist" (1004) taking second and third spots. On the next week-end the crowd gathered at Lavalette Yacht Club for the Fourth Annual New Jersey State Championship which was held at Red Bank last year when Ed Waters took the honors. This year the three race series was won by Jack Orelup of Barnegat Bay Fleet 3 in his handsome "Javelin" (4900) with a second and two thirds. Sindle took second place and Bob Adams of Metedeconk River Fleet 34 won third place in "Bandit" (4961). The first race was sailed on Saturday, June 22nd; the weather was cold and rainy with rather poor visibility. Sindle got the gun in the opener followed by Charlie Allaire of Red Bank and Orelup. In the second race on Sunday morning, Leighton Waters of the South Shrewsbury River Fleet 80, Metropolitan District, sailed his "So Long" (3108) across the finish in first place. He was followed by Bob Adams and Orelup was again in the third spot. Ed Waters, the previous year's champion from Red Bank of the Metropolitan District, sailed his "Revenger" (4918) across the finish line first in the final race. Orelup finished second in this race to win the series from Sindle who was breathing down his neck in the series standings.

The activity then decentralized for a few weeks while fleet elimination races were held to determine the participants of the District Championship series. This regatta was conducted on July 26th and 27th by the hostest Yacht Club and Fleet of all, Spray Beach and Fleet 91, where, of course, later were held the President's Cup and International Championship Regattas. An excellent story of the C.A.D. series can be found in the August-September 1952 issue of "Flashes"; so here we will only note that the spectacular Harry Sindle took off his Army uniform long enough to win firsts in all three races. This remarkable operation was accomplished on the "Bayrader" in which Harry's father, Dutch, won the earlier series at Metedeconk. Charlie Dore was second, closely followed by Jack Orelup. It's probably too late now, but in the December 1952 issue of "Yachting" the Sindles' boat was listed for sale.

HOST TO THE FIRST INLAND NATIONAL

JUNIOR SEARS TROPHY SERIES

TO BE SAILED IN LIGHTNINGS

It's a good buy at the price because it's the only Lightning I've seen that will sail directly into the wind.

On the following weekend, August 2nd and 3rd, everyone drove down Long Beach Island a short way to the Little Egg Harbor Yacht Club and Fleet 26 who were hosts for the Annual Atlantic Coast Championship. Magnus Pedersen had won this event the year before at the Nyack Boat Club in the Metropolitan District. This year Charlie Allaire of Red Bank found the light air to his taste and nosed our club mate Ed Waters to take first. Charlie Dore, only one point behind Waters, was third. Again, refer to the August-September issue of "Flashes" for the full report on this series.

The skippers of the three southern fleets in the District participated in the South Jersey Championship series held on August 16th and 17th at Brigantine Yacht Club and Fleet 217. Participating in the series were seventeen yachts from Fleets 99, 213, and 217. John Kenney in "Black Spot" (5072) and Bob Morris in "Jolly Roger" (5075) both of Cape May Harbor Fleet 217 took top honors in that order. This was scheduled to be a three-race series but strong winds on Saturday so decimated the fleet that this race was cancelled and the standings after two races on Sunday were used to determine the outcome.

There followed now a fortnight of relative quiet before the climax of September 3rd to 6th with the President's Cup and International Championship Regattas at Spray Beach Yacht Club. This great affair is thoroughly reported elsewhere in the 1953 Year Book and in the October-November 1952 issue of "Flashes". Our thanks and great admiration to this fine fleet and club for a superlative regatta during which fine weather and good sport were in abundance. Our congratulations to Bob Graf, our new Class Champion to Gene Walet, Herm Nickels, Doc Murphy, Walt Swindeman and to Tom Allen, winner of the President's cup, Ed Waters, Jim Carson and all the skippers and crews who helped make this a memorable time for all.

Racing events in other areas attracted C.A.D. Skippers during the course of this busy year. Very early (February 22, 23, and 24, 1952, to be exact) Jack Orelup, Charlie Dore, Harry Sindle and Dave Shay attended the wonderful Lightning Mid-Winter Championship Regatta at St. Petersburg, Florida. Dore ended up with a third in the series; this was rather remarkable, really, because Charlie was also honeymooning at the time and, in addition, did not have his regular crew. These same skippers plan to return to St. Pete this year and will be joined by Johnny Tieglund, former International Champion, the Kenney's of Cape May, Bob Flack of Spray Beach, and, he hopes, the writer if he can find somebody to crew.

Charlie Dore and Dave Shay also went to Toledo where Dore took second place in the Toledo Yacht Club Fleet 42 Frostbite Regatta. Jack Orelup of Bay Head sailing the Barnegat Bay Yacht Racing Association Series achieved the unique record of winning six of these Saturday races in succession to win the BBYRA Lightning Championship for 1952. Orelup also won the Jack Wright Perpetual Trophy for Lightnings at Island Heights Yacht Club. John Walton of Brigantine Yacht Club Fleet 217 won the President's (the White House type) Cup in Washington, D. C. in September. Jack was sailing his new boat "Dead Eye" (5074).

The Annual Meeting of the Central Atlantic District was held at Spray Beach Yacht Club on July 25, 1952. Charles H. Dore III, District Commodore, presided, assisted by John W. Orelup, Honorary Commodore and Eugene H. Kipp, Secretary. The following were elected officers for the 1952-53 year: John W. Orelup and Charles H. Dore, III, Honorary Commodores Eugene H. Kipp, Commodore; David P. Shay and H. Lyman Sindle, Honorary Vice-Commodores; J. Leslie White, Vice-Commodore; Lawrence A. Kenney, Treasurer; and David C. Langworthy, Secretary. A thorough discussion was held to determine the merits of the proposed revised amendments to the L.C.A. By-Laws and Specifications. Mr. John Orelup was requested and authorized to present the views of the District at the Annual L.C.A. meeting in September if the necessity arose. Mr. H. Lyman Sindle, Treasurer, gave a very favorable Treasurer's Report and recommended that the District dues be reduced from \$1.00 for each boat to \$.25. This suggestion was adopted. There was a vote of thanks for the outgoing officers and, there being no further business, the meeting was adjourned.

We are happy to welcome into the District the Riverton Yacht Club Lightning Fleet No. 228 whose charter was approved at the Annual L.C.A. meeting in September. This brings the total C.A.D. fleet membership to seventeen and the total boats to nearly 200.

## CENTRAL NEW YORK DISTRICT REPORT

District Commodore: Jay Donovan

District Secretary: Nelson F. Bruce

Fleets: Skaneateles Country Club (1); Crescent Yacht Club (9); Onondaga Lake Fleet (10); Fair Haven Bay Fleet (15); Canandaigua Yacht Club Fleet (44); Newport Yacht Club Fleet (77); Lewis Point Fleet (93); Great Sodus Bay Fleet (108); Red Jacket Fleet (125); Conesus Fleet (140); Genesee Yacht Club Fleet (148); Owasco Yacht Club Fleet (149); Cazanovia Fleet (164); Henderson Harbor Fleet (225).

**District Report:** The Central New York District held its annual meeting at the Hotel Gardenier, Newark, New York, on March 16, 1952 with ten fleets answering roll call. Commodore Dr. Eugene Carpenter called the meeting to order at 3:00 p.m.

The first report was the Restrictions Committee headed by Cliff O'Kane. This report was on the subject of weight of boats being built and there was considerable discussion. A resolution was offered by Ernie Hamilton that a page be put in the 1952 Year Book giving the consensus of opinion of this district on the question of light boats. This was carried and on page 15 of the Year Book, this resolution was printed.

Secretary, Jay Donovan, spoke in favor of a more open District Regatta and after some discussion, a motion was made, seconded and carried that 50% of paid-up boats per fleet would be eligible for the District Regatta.

The district gave approval to the Canadian Fleets to form their own district as they felt that due to distance, international boundaries, etc., that they could not attend our regattas or meetings.

All fleets were urged to get in their National dues and also their skippers and crews dues.

It was voted that the District Regatta be held at the Canandaigua Yacht Club on August 2nd and 3rd. Unanimously elevated as District Officers for 1952 were: Commodore, Jay Donovan, 2894 St. Paul Blvd., Rochester, New York. Newport Yacht Club. Secretary, Nelson F. Bruce, 216 Pebble Beach Road, Lakeville, New York, Conesus Lightning Fleet.

The new commodore appointed as the Board of Governors, Dr. Eugene Carpenter 93, Bill Place 44, and Lawrence Morely 108.

After the meeting, colored slides and movies were shown of our 1951 District Regatta.

The next meeting was held August 2nd, at the Canandaigua Yacht Club during the District Eliminations and was well attended.

*A start at the District Eliminations.*

Then fleets answered roll call with 35 boats being represented. The opening of the Regatta to 50% of paid up boats worked out very well and it was decided that it should be tried for another year. The full report of the eliminations are printed in "Flashes", but it must be repeated that it was an excellent Regatta with every committee doing a wonderful job.

The final scores of the eliminations showed Dr. John McIntosh, of Newport, as champion with Bud Minor, Canandaigua, second, Charles Hallagan Sodus Bay, third, and Bill Place, Canandaigua, fourth. All but Bud Minor went to the Internationals. The final scores of every boat were sent in to "Flashes" but was not printed.

Inter-Club Regattas flourished this year and they seem to grow. The Lake Shores Lightning Squadron Regatta was held at Great Sodus Bay Yacht Club on July 4, 5, and 6th. The Host Club put in a lot of hard work and money to get docking and parking ready as the high water was still with them.

The Sodus Fleet had a fine program and the wind and weather were just what they ordered. There were 27 boats from 5 fleets and competition was keen. Three boats from the Genesee Yacht Club sailed the 35 miles from Rochester to Sodus Bay and then trailered back after the Regatta. Thirty-five miles is quite a ways to sail in Lake Ontario against the wind. The three boats were skippered by Freddie Roos, Clarence "Barney" Wilson and Jack Southard. Roos had as crew, Sol Bereza, and Sol's son, John, aged ten. Barney Wilson had his son Charles, aged 15 and Warren Stephens, and Jack had Mrs. Southard and their two children.

Another inter-club regatta was held in Lake Ontario between Genesee Yacht Club and Newport Yacht Club. This was supposed to be a two-day regatta for the Democrat and Chronicle Trophy but on Saturday Lake Ontario really kicked up and it was too dangerous to go out into the lake. Two races were held on Sunday, and the trophy was retained by Newport's Pete Darling.

Lewis Point Lightning Fleet, on Lake Oneida, has the largest invitation regatta each year and there is always good sailing and food and of course good fellowship. Lake Oneida seems each year, to have one race where it is man and boat against the elements and it is rough going.

The Central New York Yacht Racing Association Regatta was held at Keuka Lake this year. This regatta is an open one for all classes. Due to the great number of regattas this year in the district, the Lightnings did not turn out as well as usual.

To finish the season, Conesus Lightning Fleet #140, took seven boats to Silver Lake Lightning Fleet (47) on Silver Lake. This fleet is in the Lake Erie District and also entered seven boats and two team races were held on Sunday with Conesus coming out the winner.

Competition in this district is keen and we are sure that we have a grand group of members who are good sailors and real sportsmen.

## DIXIE DISTRICT REPORT

District Commodore: Robert E. L. Johnson

District Vice Commodore: Milton Ester

District Secretary: Herman C. Henschen

Fleets: Washington Fleet (50); Indian River Yacht Club Fleet (72); Sue Island Lightning Fleet (87); Potapskut Lightning Fleet (128); Sparrows Point Yacht Club Fleet (157); North East River Fleet (192).

**District Report:** The 1952 season can be considered a success for the Dixie District although some of the goals for the year were not met. The membership for the district was increased, and the publicity and promotion of the Lightning Class was extensive and effective.

Two new centers of Lightning activity developed during the year. The membership of Fleet 192—The North East River Fleet—at the head of Chesapeake Bay was increased to 12 active members, and the Washington Fleet 50 was also enlarged, due to the great activity at the National Yacht Club. Commodore Walter Collier and Vice Commodore Francis Shearer of this Club are active Lightning skippers and have been instrumental in advancing the interests of the Lightning Class. In the Fall Series of races sponsored by the Potomac River Sailing Association, Lightnings outnumbered all but one other class.

The Dixie District championship held on July 19th and 20th at the Indian River Yacht Club, Oak Orchard, Delaware, had 12 entries and was won by Bo-Bo II, sailed by Robert Purnell of the Home Club, after a closely contested series.

The President's Cup Regatta, sailed each September on the Potomac River at Washington is probably the most important large sailing event held in Dixie District waters. Some 35 Light-

nings from East Coast districts were entered. The first prize this year was won by Arthur Carnduff of the Washington Fleet in "Halcyon".

Special thanks must be given to the Dixie District Publicity Committee. This committee worked hard and efficiently to promote the L.C.A., its activities, and especially the Dixie District Championships. The coverage for the latter was most effective.

The officers and members of the Indian River Yacht Club deserve special thanks and commendation for their generosity and efficient handling of the Championships. The Regatta Committee appointed for this event planned carefully and thoroughly, and ran the entire series without a hitch.

The Dixie District officers also wish to take this opportunity to thank the officers of the various fleets for their cooperation and help throughout this season. This assistance made the 1952 season a most pleasant one, and one that we hope has advanced the interests of Lightnings and the L.C.A.

## CONNECTICUT DISTRICT REPORT

**District Commodore:** Edward Olsen

**District Secretary:** John S. Barton

**Fleets:** Housatonic (6); Black Rock (17); Columbia Lake (49); Branford (63); Candlewood Lake (82); Niantic Bay (85); Groton Long Point (105); Western Narragansett (119); Cedar Point (126); Madison Beach (129); Noroton (134); Thames River (139); Pequot (153); Wadawanuck (183); Watch Hill (195); Norwalk (230).

**District Report:** Lightning activities in the Connecticut District continued on the increase during 1952. At the beginning of the season an active Norwalk fleet was added to the District. Several successful interfleet events were held. At the Black Rock—Fayerweather Regatta, with about twenty-five Lightnings participating, Harry Olsen in "Liteneze", Vern Randall in "Rascal", and John Barton in "Blue Heaven" tied for first honors.

Kim O'Gorman in "Shmoo" took first and Sue Widman in "Spitfire" placed second at both the Pequot and Noroton Invitation Regattas, with about thirty-five and twenty-five participants respectively.

At the Milford-Housatonic Regatta, Wayne Brockett in "Torch" captured first place.

"Down East", the E.C.Y.R.A. Regatta at New London attracted a fleet of twenty-six Lightnings and found Bill Healy in

"Bottoms Up" the winner, with Sam Knox in "Hot Canary" as runner-up.

The District Championships this year were held at the Noroton Yacht Club, who proved to be very gracious hosts and afforded the contestants and commodore Bud Olsen's Race Committee every facility for a successful series.

The first race was sailed in light air and found Sherm Chantland in "Malolich" profiting by a long shot and coming in first. Moderate breezes prevailed for the second and third races, with a squall producing some excitement on the final leg of the last race. Bill Healy in "Bottoms Up" took both races and with them the championship. Sue Widman in "Spitfire", with two seconds and a fourth, placed second in the series and Sherm Chantland in "Malolich" placed third.

With Sue Widman unable to go, Bill Healy and Sherm Chantland represented the District at the Internationals at Spray Beach. Bill turned in one of the best performances of the District in the Internationals and would have been among the leaders in the final standings had he not given a competitor the benefit of the doubt and withdrawn from the first race.

Sam Knox in "Hot Canary", who placed fourth in the Districts, was subject to a severe disappointment when he was led to believe that the District would be entitled to three representatives at the Internationals, the same as in previous years, and did not learn until the last minute that our paid memberships had decreased until it allowed only two representatives. Sam participated in the President's Cup instead and had his Hot Canary really whistling among the leaders in that fleet of forty-five hot competitors. The District was very well represented at the President's Cup Regatta, with at least five entries, probably more than any other district except the host district.

It is hoped that the fleets in the District will jack up their members next year to get in their dues so that the District can again have three representatives in the Internationals.

The district officers elected for the coming year are Commodore Paul V. Lena of Niantic Bay, Fleet 85, and Secretary Morton W. Shepard, Jr., of Candlewood Lake, Fleet 82.

**District Report:** Bill Uhl in "Spark", 3524, was acclaimed the winner of the 4th Annual Greater Long Island District regatta held in Hewlett Bay, East Rockaway on July 26 and 27. This was the second consecutive year that Bill has won the District.

Uhl, Connors, 4251, and McKnight, 4883, traveled from the Eastern tip of Long Island and definitely gave the "locals" a sailing lesson. Uhl took two firsts and an eighth and Connors came in second twice and also ran ninth. McKnight ran third twice and ninth once. The only race in which the "locals" fared well was the third which Bob Grimmig, 1728, won, Dallidouze, 1739, came in third, Harrington, 3225, and Browne, 365, took fourth and fifth respectively whereby the Fleet 58 entries won four of the first five positions.

Saturday, July 26, dawned clear, with a southwest wind blowing steadily. After a very hotly contested race, Uhl was the winner, Brown, 365, second and McKnight, third. The second race on Saturday afternoon was once more clear; however, the wind from the southwest had picked up so that the race was a quick one. When the dust cleared, it was found that Uhl had once again come home in front, followed by Connors and McKnight.

Saturday night the Annual District Meeting was held after a dinner at the Hewlett Point Yacht Club. At the Annual Meeting Wilbur July was elected Commodore for 1953 and Art Nelson, Vice Commodore. The short meeting was followed by an evening of dancing and merriment.

Sunday morning was overcast, but with a steady westerly wind blowing. However, during the course of the race all types of sailing were encountered as the boats first were hit with a mid-summer rain squall that cut visibility to zero; then a calm, and once again a steady westerly.

The 18 entries finished in the following order:

Skipper	Boat No.	1st Race	2nd Race	3rd Race
Uhl	3524	1	1	8
Grimmig	1728	4	6	1
Connors	4251	9	2	2

## LAKE ERIE DISTRICT REPORT

**District Commodore:** Robert Aschenbach

**District Secretary:** Robert Brunton

**Fleets:** Buffalo Canoe Club (12); Chautauqua Lake Yacht Club (19); Erie Yacht Club (24); Novice Yacht Club Fleet, inactive (28); Silver Lake Yacht Club (47); Niagara Sailing Club (59); Sandy Beach Yacht Club (78); Buffalo Yacht Club (81); Cuba Lake Fleet (115); Royal Hamilton Yacht Club (118); Toronto Bay Lightning Fleet (146); Conneaut Lake Lightning Fleet (180); Tower Yacht Club Lightning Fleet (198).

**District Report:** The Lake Erie Lightning District started the 1952 sailing season under the able direction of Commodore Tom Fallon, with a record number of boats registered in clubs which make up the district. June and July were spent racing in home waters, tuning in preparation for the first regatta of the season. Leading skippers and crews began to point for the District Regatta which was held at the Buffalo Canoe Club August 1-3.

Forty-three of the top boats in the district, from all active clubs, competed in the five race schedule, sailing in near perfect weather. Contrary to many experiences, in Abino Bay for district sailors, the winds were light and variable throughout the meet.

At the end of the first day's racing, the point total was very close, with Carl Smither in first place with 84 points, Tom Fallon second with 83 points, Graf and Allen tied for third with 79 points, and Coleman close up with 75 points. On Saturday, winds were again light and tricky around the outside course. By virtue of two well earned firsts, Graf tied Fallon with 165 points each, followed closely by Carl Smither with 164 points. Allen and Coleman made up those of the fleet who were close enough to do some damage in the last race. On Sunday, after the final race

had been postponed for lack of wind, the starting guns finally roared, and the fleet started with very little breeze. Tom Allen led the fleet over the finish line after a long hard race, followed by Joe Holler and McGinnis. However, Graf managed to salvage fifth place and carried off the District Championship. Smither was sixth, and Fallon with ninth, placed second and third in the regatta and earned the right to represent Lake Erie District in the International Regatta.

Our collective caps are off again to the Buffalo Canoe Club Lightning Group for a fine job well done.

Immediately after the last race of the District Meeting, leading skippers and crews pointed for the Lake Yacht Racing Association meeting held August 8-10 at the Royal Canadian Yacht Club in Toronto, Ontario, in conjunction with that club's Centennial Celebration. Here again, Graf showed his superiority in carrying off the first place flag, followed by Tom Fallon and Bob Siemer.

The last regatta which the boats from the district attended was held at the Niagara Sailing Club, a regatta which is becoming a well known and competitive meeting for the Niagara River championship. Sailing again in light winds, Graf, who took home the hardware for first place, (It was getting to be a habit) sailed three fine races in unfamiliar waters beset by Niagara River Current. Coleman and Sharpe of the Buffalo Canoe Club took second and third place. Thus, for the first time since its origin, the Niagara River championship was dominated by sailors from the Buffalo Canoe Club.

For most of us, this was the close of District Competition for 1952, but we can't help but pause to mention how Bob Graf after tries in years past, went on to win the Lightning Internationals at Spray Beach. For his outstanding superiority in the field of yacht racing, Graf was awarded the "Sportsman of the Year" trophy at the annual Buffalo Athletic Club Sports Dinner.

In 1953, the District Regatta will be held at the Sandy Beach Yacht Club on upper Niagara River. This meeting will be a joint effort, with the Niagara Sailing Club and Sandy Beach Yacht Club collaborating. We hope the district skippers will turn out, as usual for a regatta, which, from the plans thus far, should be a fine one. Until then, fair winds and good sailing in 1953!

## METROPOLITAN DISTRICT REPORT

District Commodore: Henry J. Abreu

District Secretary: Idda Jova

**Fleets:** Paupack Sailing Fleet (16); Lake Mohawk Yacht Club (25); Lake Hopatcong Fleet (29); Chelsea Yacht Club Fleet (39); High Tor Fleet (41); Red Bank on the Shrewsbury Fleet (70); Nyack Fleet (75); South Shrewsbury River 80; Awosting Yacht Squadron Fleet (95); Black Hawk Lightning Fleet (172); Raritan Bay Lightning Fleet (185).

**District Report:** The District Championship Regatta was held at Red Bank, N. J., home of Fleet 70, on July 26 and 27th, nineteen entries from five fleets competing for the beautiful Cox Memorial Bowl.

Charlie Allaire, sailing "Valhalla", the boat in which Pete Pedersen won the District Championship in 1951, won the series with two third places and a first. Joe Hoffee of Nyack was runner-up, trailing Allaire by only one point, coming in fifth, first, and second. Pim Epler, who had led up to the third race was a first and fourth, ran into hard luck in the third race, placing ninth and

getting a third for the series. Barbara Bull was tied in points with Epler and placed fourth.

Light variable breezes prevailed during all three races. Competition was so keen among the leading boats that the outcome was in doubt to the end of the last race. At the end of the second race Barbara Bull in fifth place with 31 points was trailing the leader, (Pim Epler, with 35 points) by four points. Allaire and Hoffee were tied for second place with 34 points, and June Methot, in fourth place, had 32 points. Excitement ran high!

It was voted to hold the District Championships in 1953 at Lake Wallenpaupack, Papack, Pa. This series will be held on July 18th and 19th and we hope to encourage the less active fleets in the District to participate.

The District was well represented and very successful in the Atlantic Coast Championships held at Beach Haven, N. J. Charlie Allaire, our District Champion, won the series, and Ed. Waters, also of Fleet 70, was runner-up. Joe Hoffee of Nyack placed second in the third race.

Three boats from the District competed in the Internationals at Spray Beach, N. J.: Charlie Allaire, Fleet 70, and Joe Hoffee and Jim Epler, both of Fleet 75. Allaire and Hoffee ended up eighth and ninth in the five race series. Allaire was unfortunate in his choice of tacks in the first two races and came in 25th in each, but in the last three races he was third, fourth, and second. Hoffee's best was a third place in the second race. Epler was sixteenth in the series, putting all representatives of the Metropolitan District in the top half of the Internationals.

**Mid-Hudson Championship:** The Mid-Hudson Regatta was held at Nyack on July 12th and 13th with a total of 26 boats representing five clubs along the Hudson River. After a week-end of drifting under a boiling sun or breezeless waters the series was won for the second time by Magnus Pedersen of the Nyack Boat Club in his new "Valhalla III".

The first race on Saturday afternoon found all 26 entries drifting once around the triangular course with not a trace of breeze under a scorching sun, with the strong tides playing havoc with many of the contestants. Pedersen managed to struggle across the finish line first, just eight minutes under the maximum allotted time of three and a half hours. Hoffee was second and Epler third. The second race was to have started at ten o'clock Sunday morning but a perfectly flat sea delayed things until quite a nice breeze came in and 24 boats fairly flew over toward Tarrytown and back in half an hour, with Epler first, Pedersen second, and young Filippi third. In the Sunday afternoon race, Hoffee managed to slide in well ahead of the pack but it was nip and tuck as to whether Pedersen could wiggle over the line ahead of Epler with absolutely no wind to help. Pete just made by a half a boat length and thereby copped the title. This of course won for him and his crew a dunking in the Hudson.

The final results were Pedersen first, Epler second, and Hoffee third.

**Red Grant Regatta:** The Red Grant Regatta, sponsored by the Raritan Bay Yacht Club at Perth Amboy, N. J. was won by Charlie Allaire in "Valhalla", with Neil Clifton second, Ed Waters third, and June Methot fourth. It was a drifting match all the way through.

**National Sweepstakes Sailing Regatta:** The National Sweepstakes is an annual fixture at Red Bank, held at Monmouth Boat Club and sponsored by the National Sweepstakes Association,

## MICHIGAN DISTRICT REPORT

District Commodore: Walter A. Roney

District Secretary: Burrows Morley

**Fleets:** South Haven Yacht Club (30); Devil's Lake Yacht Club (31); Crescent Sail Yacht Club (51); Lake Fenton Yacht Club (53); Pontiac Yacht Club (54); Grosse Ile Yacht Club (68); Bayview Yacht Club (83); Higgins Lake (110); St. Joseph Harbor (113); Eagle Lake (123); Lower Lake Huron (124); Detroit Yacht Club (131); Gull Lake (137); Towas Bay Yacht Club (152); Watkins Lake Yacht Club (155); Omena-Traverse Yacht Club (174); Leland Yacht Club (194); Northpoint (202); Macatawa Bay Yacht Club (204); Saginaw Bay (216).

**District Report:** Thirty-five Lightnings sailed in the Michigan District Championships at Pontiac Yacht Club on Cass Lake July 19th and 20th. PYC is easily accessible from the highway, has lots of parking space, fine launching and docking facilities. Friday night arrivals were greeted with cocktails and beer at the tent pitched near the clubhouse. Al Gray did a swell job measuring sails. Co-chairman H. Van Phipps and Harold Cousins, Commodore Frank Bonner, and hard-working committees made this a smoothly run regatta.

Saturday night was dance night at nearby Veterans of Foreign Wars. Weatherman did **not** co-operate; instead dished out rain, squalls, and more rain. Heavy shower Sunday noon made it impossible to serve lunch at the Tent. Fast-stepping committees soon had us all well fed at nearby Rotunda Inn.

While five races scheduled, only four sailed—rain followed by dead calm wiped out last one. District Champ for second consecutive year was Hank Cawthra with 140 points; in second slot, "Doc" Murphy with 129. Just a whisker behind was Wes Wiedrick with 128; Herm Nickels grabbed 4th spot with 125 points. Hospitable, hardworking, friendly PYC turned in a "Well Done" job under difficult conditions.

### Race recaps follow:

**1st Race:** N-W wind 6-10 mph.

Schneider and Murphy took early lead. First mark: Murphy-

Henry J. Cawthra, Michigan District Champion in "Broom" #4924

Schneider-Cawthra. Second leg was a run and position held. Third leg was a beam reach and positions held. Second windward leg: Cawthra passed both Schneider and Murphy and took first. Positions held to finish.

**2nd Race:** N-W wind 8-12 mph.

Again Schneider and Murphy were up front with an early lead. First race winner, Cawthra, was over line early and had to cross again putting him way back in the fleet, however, he sailed to windward excellently and was in first place at the first mark. Murphy was second. Positions held to finish.

**3rd Race:** N-W wind 5-8 mph.

A three boat race between Nichols, Wiedrick and Cawthra. Murphy also pressed all the way. Fought boat for boat all during race. Cawthra out-reached others just before finish line.

**4th Race:** N-E wind 0-5 mph.

Murphy was off to a good start with Wiedrick 2nd and Cawthra 3rd. After 2/3 rds. of windward leg completed, Cawthra passed Murphy and Wiedrick—all three were then passed by Patterson. At first mark it was: Patterson, Murphy, Cawthra and Wiedrick. Wind died and the 2nd leg became a spinnaker-run drifter. Nichols and Fury crept along the north shore and pulled abreast of the leaders. At the second mark it was: Patterson, Murphy, Fury, Nichols followed by Cawthra, Wiedrick and then the bulk of the fleet. The race was shortened to once around. The last leg saw Murphy gamble on the south shoreline and lost. Nichols, Fury, and Cawthra approached finish line together, with Cawthra the winner by feet.

**5th Race:** Cancelled because of lack of wind.

**District Report:** The first Winter Meeting of the Midwest District was held February 9, 1952, at the Chicago Yacht Club. The meeting was well attended by representatives from six fleets and honored with the presence of Lightning Class Association Officers: Secretary, C. B. Crittenden and Executive Secretary, O. S. Cain. The District Championship Regatta was awarded to the Chicago Corinthian Yacht Club, Fleet 5.

This proved to be a happy choice. Fleet 5 provided two days (August 9 and 10) of perfect sailing weather with winds of 15 and 30 mph.; a race committee that made no mistakes; an entertainment committee that arranged a fine banquet and a hilarious square dance on Saturday night. Maybe the good weather just happened, but the welcome, generous help, and good fellowship that prevailed was not just an accident. The spirit that makes sailing a great sport was there from start to finish.

After three years of being jinxed in the District Regatta, Bill Wingard finally came thru without an accident and decisively won the Championship with a 2nd and two 1st places against a field of 22 entries representing 8 fleets.

Final standings were:

- 1st Place—Bill Wingard, Chicago Corinthian, Fleet 5
- 2nd Place—Harold Walker, Milwaukee Fleet 69
- 3rd Place—Earl Ross, Chicago Corinthian Fleet 5
- 4th Place—Leo Maurer, Chicago Corinthian Fleet 5
- 5th Place—Dick Schultz, Neenah-Nodaway Fleet 67

Dick Schultz and his crewing family represented the Midwest District at the International Championship Regatta. They placed 19th out of the fleet of 36 which is good considering the fact that they were experimenting with some new heavy Orlon sails.

At the District Annual Meeting on August 7th, retiring Commodore Harold Walker was given a sincere ovation and vote of thanks for so ably skippering the District affairs for the last two years. The meeting produced much lively discussion of Orlon sails, a decision to have a winter meeting in Chicago early in 1953, and the election of Ted Haller, Springfield Fleet 117 as District Commodore. The high point of the evening was the presentation to the District of a beautiful sterling silver bowl as a perpetual trophy for the District Regatta. The presentation was made by Jerry Rosenthal in behalf of Milwaukee Fleet 69.

In addition to the District Regatta, the racing season sparkled with many other fine annual regattas thruout the District including:

- Milwaukee Journal Regatta—Milwaukee, Wisconsin
- Chicago Daily News Regatta—Chicago, Illinois
- Ivy Invitational Regatta—Peoria, Illinois
- Middle States Regatta—Springfield, Illinois
- Harbor Point Regatta—Alton, Illinois
- Red Flannel Regatta—Chicago, Illinois

Also there were matches between the Milwaukee and Chicago Fleets, between the Fleets of the Chicago Squadron, and between Decatur and Springfield. These all added to the great store of happy memories, and friendships made or renewed during 1952.

At a fall meeting, the Chicago Fleets elected able Abe Jacobs of Fleet 56 their squadron commander, succeeding Bill Anderson of Fleet 5 who was a spark plug of the many lightning events.

At the start of 1953, we are very pleased to welcome a new Fleet: St. Louis Lightning Fleet No. 231, affiliated with the Harbor Point Yacht Club, located across the Mississippi River from Alton, Illinois. Even while in the formative stage, this Fleet made the trek enmasse to the Middle States Regatta at Springfield and the Red Flannel Regatta at Chicago. At the latest report, their Fleet has already grown from three to five Lightnings, and further growth is certain with such enthusiasm.

With both the Midwest District and Lightning Class Association Winter Meetings being held in Chicago on February 7, 1953, to start the season, this should be a great year for the Lightning sailors in the Midwest District. We are looking forward to having every Fleet represented in the 1953 District Championship Regatta.

## OHIO-INDIANA DISTRICT REPORT

**District Commodore:** George V. Fisher

**District Secretary:** Robert McClaren

**Fleets:** Maple City Fleet (21); Indian Lake Fleet (23); Leather Lips Fleet (27); Turkey Foot Fleet (33); Pymatuning Fleet (36); Mentor Harbor Fleet (37); Toledo Fleet (42); Buckeye Lake Fleet (43); Edgewater Fleet (45); Cincinnati Fleet (57); Rocky River Fleet (71); Commodore Perry Fleet (103); Port Clinton Fleet (136); Mohican Fleet (150); Lake Wawasee Fleet (154); Northeast Fleet (207); Atwood Lake Fleet (212).

**District Report:** The Ohio-Indiana District's Activities were actually begun in February in Cleveland, Ohio, where the annual meeting was held. District Commodore Pat Young presided over the sixty members present, and together they worked out problems and gave suggestions for the coming season. At this meeting a rule was passed which allows only one spinnaker to be carried on a boat in our district regatta.

Toledo opened up the season in June with their annual Great Lakes Championship Regatta. This Regatta is one of the best of the season—a sort of "checking" grounds, since skippers from all over the country bring their boats and check them against real competition to see if they are "going". Dick Krauss got the gun, with Charlie Dore of Spray Beach, N. J. second and Walt Swindeman third. Toledo can easily boast one of the hardest working and most cooperative fleets in the country. Such gentlemen as Cal Yaudas, Walt Swindeman, Dick Krauss, and Gerry Garringer will give a helping hand or suggestion any time.

The next regatta on tap was the Ohio-Inter-Club Regatta held

at the ever-popular Atwood Yacht Club, near New Philadelphia, Ohio. George Fisher finished first, with genial Ed. McCain right on his heels, and Johnny Rundt a close third.

Pymatuning Yacht Club, located on beautiful Pymatuning Lake, again held their annual 4th of July Regatta. This regatta is one of the highlights of the season as not only is the hospitality grand, but the sailing is wonderful. Many hot boats were present, but the old master himself, Walt Swindeman, came through, with George Fisher second and Dick Krauss third.

Then the big one finally came, the Ohio-Indiana District Elimination Regatta, which was held on Lake Erie at Port Clinton, Ohio. Port Clinton Yacht Club gave a perfect display of coordination. The weather, facilities, the courses, the genuine friendliness, and the competition were all marvelous. Everyone had a great time. Five races were sailed, in every possible type of air, but the majority were on the light side. This was one of the hottest contested regattas in the Ohio-Indiana District history. Although Walt Swindeman showed he was not going to be denied after winning the first two races and Dick Krauss cinched his second place after winning the fourth race, the third and fourth places in the series were not decided until the last boat crossed the line in the fifth race. Six boats were in easy shooting distance of either third or fourth place. An example of the closeness is shown by the fact that the two boats which held the third and fourth places going into the fifth race finally wound up eighth and seventh places, respectively, in the series! The first four boats finished in this order: Walt Swindeman of Toledo, first, Dick Krauss of Toledo, second, Gerry Garringer of Toledo, third, and Dr. Barnes of Cincinnati, fourth. Walt Swindeman again displayed his well-known ability in every type of wind and sea. But in addition to conquering the natural elements, Walt has won the last three district regattas in three different boats. This should certainly put a stop to the old saying "It's the boat!"

Dr. Barnes did not attend the International Regatta at Spray Beach, New Jersey, but capable Cal (the voice) Yaudas as alternate sailed in his place. Walt Swindeman stayed in the money by finishing fifth. L. L. Smith, Tommy McCain and George Fisher trailed their boats to the President's Cup series. At the annual meeting, Dick Krauss was elected President of the Lightning Class Association. Dick is not only well known as a great and popular sailor, but also for his being a tireless worker as interpreter of the rules and regulations of the class in handling the duties of Chief Measurer for the past two years. Our hats are off to Dick in doing everything possible to keep our class the wonderful class that it is.

Atwood Yacht Club held its annual "Harvest Moon Regatta", where good times reign supreme. Karl Rollias of Atwood came out on top, followed by Bob and Squirrely McClaren, with Johnny Rundt third.

Port Clinton followed through with their annual "Snow Flurries" Regatta, which turned out to be a very windy three race regatta. Wes Wiedrick was the winner, with Walt Swindeman second and Dick Krauss third.

Buckeye Lake Yacht Club's annual "Snowball Regatta" finished

out the season on October 11th and 12th with a thirty-three boat fleet, and perfect weather. Dr. Barnes finished first with three firsts, the tale-telling man from the Lake Erie District, Bob Seamer, in "Salt Shaker" second, and George Fisher of Buckeye Lake third.

And so ended one of the most successful seasons in our district's history, leaving everyone with anticipation for another great season for 1953.

## SOUTHEASTERN DISTRICT REPORT

District Commodore: Ross G. Allen

District Secretary: James F. McIntosh

Fleets: Tampa Bay (168); Savannah Fleet (127); Biscayne Bay Fleet (226); St. Petersburg Fleet (109); Miami Fleet (111); Beaufort River Fleet (176).

**District Report:** The Southeastern District racing season got under way almost simultaneously in the new year with the Miami Sunshine Regatta in January. Howard Foht of Miami gave an indication of things to come by winning the first regatta of the winter season. Second place went to Ernest McBryde, of Tampa, who sailed his "Whim" to second place, also foreshadowing a consistently successful season.

In February the scene shifted to the St. Petersburg Yacht Club for the annual Mid-Winter Open Championship which has become one of the really big events of the Lightning Class racing. Howard Foht of Miami followed up with a first place in a fleet of 50 boats from all over the eastern states.

The District Championships were held in Miami at the end of May. Howard Foht continued to show the way to the District sailors with first place, but got a terrific run for his money from Charlie Kehoe, last year's winner, only one point separating them at the end of the five race series. Bob Crane, also of Miami, took third. The annual District Meeting was held, and Ross Allen and Jim McIntosh of Savannah were elected Commodore and Secretary of the District and Tampa was named as the site of the District Championships for 1953.

During the summer months the fleets carried on active series racing to determine fleet champions and attended various regattas held in the District and neighboring districts. John Baker of Savannah retained the South Atlantic Championship trophy in a regatta at Charleston, S. C. in August. Pidge Powell of St. Petersburg won the Gulf Yachting Association Championship held in Pensacola, Fla., August 16-17.

Howard Foht and Bob Crane of Miami were the District's rep-

representatives to the Internationals. Howard won one race by a wide margin and both entries turned in a creditable performance in the fleet of champions. Ernest McBryde of Tampa made the trip to represent the District in the President's Cup Regatta and took an excellent sixth place in that rugged competition.

After the Internationals the Southeastern District began a short holiday until after the first of the New Year when another long, active, season will begin to bloom in the Florida Sunshine.

## PACIFIC NORTHWEST DISTRICT REPORT

**District Commodore:** Jack Abel  
**District Secretary:** Charlie Watts

**Fleets:** Maple Bay (64); Royal Victoria Yacht Club (90); Lake Washington (132); Bellingham Yacht Club (158); Tacoma (159).

**District Report:** In last year's report for the district, we said that we were unique, at least to our knowledge, in that we could sail from any one fleet to any other. We must now give up that distinction because our latest member is located in Eugene, Oregon, which is far from Puget Sound and salt water. The only way to get to and from Eugene is over the road.

This yacht club is located on Fern Ridge Reservoir in the beautiful Willamette Valley, and we hope we will see lots of them in interfleet competition.

Our main event in past years was the Pacific International Yachting Association meeting, which this year will take place in Vancouver, B. C. We have in the past selected the winner of the PIYA as the district champion. In addition, the Lake Washington Fleet has run a series known as the State of Washington Championships. We intend now to give up the latter to be known as the Northwest District Championship Regatta. This in addition to the PIYA should give us two main away from home junkets, participation in which should satisfy the most ardent in our group. The first of the new series will be sailed at Bellingham sometime in the latter part of August. This active and enthusiastic yacht club have proved to be wonderful hosts in the past, and we feel sure that a large turnout, especially from Victoria and Seattle, may be expected. Bellingham has been very close to winning the

district championship on several occasions, and sailing on their home water they are going to be hard to beat.

We look forward to an extremely active racing season and extend cordial invitations to any Lightnings to come and visit us.

## TEXAS DISTRICT REPORT

**District Commodore:** A. B. Patterson.

**Fleets:** Dallas Corinthian Fleet (35); Southmost Fleet (40); Corpus Christi Fleet (218).

**District Report:** The South-most fleet at Port Isabel has not reported any increase in its seven-boat fleet. The Corpus Christi Bay Fleet has added one boat for a total of eight Lightnings for Fleet 218. The greatest progress, however, has been in the Dallas-Fort Worth area. The Dallas Sailing Club has ordered three boats to add to its fleet of six club owned Lightnings. Several members of the Dallas Corinthian Club have also ordered new boats. Three new Lightnings have been launched in Lake Worth, and it is reported that several are being built for Eagle Mountain Lake which is also near Fort Worth. The Lake Worth group has indicated that they intend to ask for a fleet charter.

The Southwestern Regatta held at Dallas on Labor Day weekend had the largest number of Lightnings ever assembled in a regatta in Texas. Twenty boats sailed in the Lightning event which was won by Ralieggh Usry of the Dallas Sailing Club. Five boats participated from Shreveport, two boats from Fort Worth and the balance of the fleet composed of Dallas boats.

## WESTERN LONG ISLAND SOUND DISTRICT REPORT

**District Commodore:** Edgar P. Dunleavy

**District Secretary:** Richard S. Dirkes

**Fleets:**

**District Report:** In the season, now coming to a close, the District Officers have been extremely interested in the number of new comers to Lightning Fleets. Fleet Secretaries have been continually reporting on new skippers, all of which points to a considerable turnover in ownership of boats. This is to be expected in such a considerable and popular class, and it is certain that these new owners will bring increased enthusiasm for racing to Lightning circles. We welcome them. It is also well to note that this season has found several of the affiliated Yacht Clubs purchasing Lightnings for their junior yacht racing activities. A full report for all Fleets is not at hand, but our estimate is that there are about 200 Lightnings in affiliated Fleets of the District, representing a considerable investment.

There are at present 10 active Fleets in the District, all of whom, we are happy to report, have conducted and sailed active summer programs.

The District Championships, which the Commodore has mentioned in his reports, brought together a fine group of skippers at Port Washington.

While all our Fleet Secretaries have been most helpful with reports, I cannot help emphasizing the need of even closer cooperation with the District Officers next season. I want to take this opportunity to thank all our hardworking Fleet officers for their good work.

Finally, we are most appreciative of assistance received from the National Association, as we from time to time were in need of, here in the District.

## NEW ENGLAND DISTRICT REPORT

**District Commodore:** Charles L. Foss

**District Secretary:** Edward A. Gleason, Jr.

**Fleets:** Centerboard Yacht Club (14); Pistaqua River (22); Prout's Neck (94); Boston Harbor (100); Taylor Pond (101); Merrimack River (121); Spofford Lake (145); Annisquam Lightning (151); Wollaston Bay (165); Wequacket Lake (181); Marblehead Harbor (189); Portland Yacht Club (190); Bomoseen Yacht Club (227).

**District Report:** Racing in our district this year found its usual keen competition and interest within the fleets, but there was a small drop in the number of people traveling to sail in our three major regattas. Still, interest and enthusiasm ran high among those who did sail out of their fleets during the season. We expect a greater turnout of trailored boats during the 1953 season. This year the District Championship Regatta had 17 series from 5 fleets, the State of Maine Regatta had 22 entries from 6 fleets, and Marblehead Race Week found 20 entries in the Lightning Class from 4 different fleets. The Boston Bay Interclub circuit, in which both fleets 100 and 165 compete each week, was dominated by Ray Smith's "Gadger" until he sold her in the latter part of the season to Paul Bromley of fleet 189, Marblehead. The results and highlights of other interfleet competition follow:

New England District Championship Regatta held July 26-27 at the Spofford Yacht Club, N. H. Fleet 145 as hosts.

Things really got going at Spofford Lake on Friday afternoon as boats began to pull in from out of town. Before supper, registration was held at the Spofford Fire House, and boat inspection was held at the lake. After supper everyone gathered again in the Fire House for a skippers meeting and a session of sail measuring, which was carried on under the supervision of Len Pratt. Then all retired to their various quarters, which had been arranged through the efforts of Regatta Chairman, John Prout, and his committee.

Saturday proved a beautiful day with a light but steady breeze. The two scheduled races were easily run off, one in the morning and one in the afternoon, with the top places dominated according to form by Bud Holt in "Donana", Len Pratt in "Bon Joy", and Charlie Toms in "Chalana"—all of the home fleet #145. That evening, after a wonderfully served banquet, the annual district meeting was held and officers were elected for the next year. Commodore is Charlie Foss of #4801, "White Cap" and Marblehead Fleet #189. Secretary-Treasurer is Ed Gleason of the same fleet and #401 "Fouette."

The start of the last race had to be postponed until nearly noon on Sunday because of a complete lack of wind, but, after a drifting first leg, a good fresh breeze sprung up to send Bud Holt across the line third and to give him the 1952 New England Championship.

State of Maine Light Regatta held August 2-3 at Centerboard Yacht Club in Portland. Fleet #14 as hosts.

On the weekend after the District Regatta our new champ Bud Holt, and our No. 3 man Charlie Toms, traveled to South Portland, Me. where Bud proved his right to the title of District Champion by winning the State of Maine Championship by one point over his fleet mate, Charlie Toms. However, the two fleet 145 skippers did not take the honors with out a lot of close competition from Cap Faulkingham of the home Fleet #14. Seventeen year old Peter Willauer of Prout's Neck Fleet #94, who finished a strong fifth place in this regatta, went on later in the season to sail in the finals of the Sears Cup competition for the National Junior Championship. The trophy for the first State of Maine boat to finish this regatta went to O. C. Faulkingham and "Sharon" for a fine third place performance. "Cap" pushed the District Champ all the way.

ONE HUNDRED YEARS OF KNOW HOW

Marblehead Race Week held August 2-10 at Marblehead, Mass.  
Fleet #189.

The same boat dominated all of race week for the second straight year, as Bob Jame's in "Stardust" of the Annisquam Lightning Fleet #151 won 5 of the 7 races, 2 of the 4 Lightning Class trophies, and the Leonard Munn Fowle Memorial Trophy for "The week's outstanding performance" among the 450 boats competing in this year's regatta. Bob's winning of the Fowle Trophy is a particular boost for the fast growing Lightning Class in this area. Though the winners of several of the 30-odd competing classes boasted equally fine or better records, the Lightning Class was chosen as the one in which such a record was considered particularly outstanding. "Stardust" amassed total of 102 1/4 points for the week. Three boats waged a close battle for a second spot, with Ed. Gleason and Ken Murphy in "Fourette" (77 1/4 pts.) finally edging out Jemmy Gale's "Duet" (76) by 1 1/4 points and Jack Standley's "Jacilo" (73) by 4 1/4 points. The only boats besides "Stardust" to get a winner's gun were "Fourette" and New England's travelingest boat, Sam Stowell's "Betsy" of fleet 227. "Betsy" was the only boat to sail in all three major regattas this year, and would place high in this meet too, had she not missed the first race while traveling from Maine to Marblehead. In the special race for juniors 19 Yr. old Sandra Bell moved down from the United States One Design Class to skipper Ron Mulcahy's "Rambler" to victory over District Commodore, Charlie Foss 2 boys, Charlie, Jr., 16, and Don, 15, in their father's "White Cap".

Our thanks and congratulations go to the race committees of the Eastern, Corinthian, Boston, and Pleon Yacht Clubs for giving us a fine week of racing under sometimes trying conditions.

We have launched a drive to try to get some of the unaffiliated boats in our district to join a nearby fleet or at least to join our New England District Association. We feel that even for those who do not care to race, there is a great deal which can be gotten from the many friendly acquaintances which are made through activity with a fleet or with the Association in general. If any of you New England Lightning owners have not yet been contacted by us and would like information pertaining to fleet, district, or national affiliation please feel free to drop us a line at anytime. 1952 was a good season; but 1953 & 1954 should be even better.

## ITALIAN DISTRICT REPORT

**Fleet Officers:** Enzo Di Lorenzo and Mario Cavallo

**Fleets:** Napoli Fleet (191); Sorrento C. R. V. Italia (223).

**District Report:** Race activity was not so big as in the year 1951. Many races have been held with the help of the Italian Navy and of the Italian sailing Union, which maintains rigid races rules, governing all classes sailing on Italian waters.

Many Fleets are not yet organized, but propaganda races have been held to encourage such development. Soon we hope to have Servicemen Fleets of the Italian Navy, and some other civil fleets in Liguria, Anzio, Castellamare.

Races have been held in many places in Italy. Nearly all victories were taken by "Turbine", a beautiful Lightning of the Italian Navy skippered by Leftenant Mario Merola, who has won the Italian Championship for three years.

The Lightnings owned by Canottieri Napoli, "Temporale", and Canottieri Posillipo, "Posillipo", proved victorious in the Naples Fleet.

Estasi of Luigi Scognamiglio, Skipper Gianni Schiaffino and Rita Scognamiglio was runner-up in the Italian Championship. Rita Scognamiglio took a good place too in the races at Spezia.

We hope to soon have a regular District for a better organization in Italy of the Class, and to promote contacts with European Fleets.

## BRAZIL DISTRICT REPORT

**District Secretary:** Cyril W. Milbourne

**Fleets:** Flotilha de Lightnings do Rio de Janeiro (84); Flotilha Carioca de Lightnings (144); Flotilha de Lightnings de Sao Paulo (147); Flotilha de Lightnings de Florianopolis (162); Flotilha de Lightnings de Vitoria (201).

**District Report:** The District of Brazil now comprises five registered fleets and expects to have this number increased in 1953 by at least two new fleets presently in formation; one at Recife (in northwest Brazil) and another at Sao Paulo. Both are applying shortly for their charters.

Fleets No's. 84 and 147 were particularly active throughout the 1952 season and it is known that the other fleets raced regularly. At Rio de Janeiro, Sergio Vayssiere, sailing in "Buscape" (4512), won the championship and Fernando Pimentel Duarte, in "Argus" (1772), was a close runner-up. In Sao Paulo, after an interesting season, Renzo Scalini, sailing "Ciao-ne" (3090), qualified as fleet No. 147 champion with Benedito Levi in "Guga" (4244) as a close second.

The big event of the season was the interfleet team event sailed in September at Sao Paulo between the locals and a visiting team

from Rio. Each fleet entered four boats and after a series of three close and exciting races Sao Paulo defeated Rio by a small margin of points. This is the first inter-fleet team event sailed in Brazil and it has been arranged that in future this event will be sailed yearly alternatively in Rio and Sao Paulo. This will undoubtedly do much to foster Lightning interest in both centers.

It is hoped very shortly to institute a District Championship which in point of fact will represent a national championship. This drawback up to now has been the terrific distances separating the bases of the various fleets comprising the District of Brazil.

### HAWAII DISTRICT REPORT

**District Commodore:** Cy Gillette

**District Secretary:** William Hole

**Fleets:** Hawaii Lightning Fleet (143); Honolulu Lightning Fleet (170).

**District Report:** RACING SEASON FROM APRIL TO NOVEMBER!! SAILING SEASON ANY TIME!! HAWAII'S CLIMATE AND WATERS WERE MADE FOR LIGHTNINGS.

Team racing with seven Lightnings on each team provided an exciting three race series when the Waikiki fleet challenged the

Kaneohe fleet for the Gillette Challenge Trophy. For the details of this event please see the write-up in Fleet 143 Report.

The yachting highlights of the year occurred in October—one week before "Aloha Week" in Hawaii—when the First Hawaiian Invitational Regatta was held at Waikiki and since the Lightnings, with 12 entries, had the largest fleet, they played an important part in the regatta.

Pat Young trailered his "Dark Cloud" (4880) all the way from the Edgewater Yacht Club, Cleveland, Ohio to San Francisco. It was then placed on a ship for the trip to Hawaii. Carl Ackerman brought his "Glori-B" from San Diego, and Bob Morrison brought his new Lightning "Spanker" from Cabrillo Beach, California. One entry, the "Army Air Force" came up to Waikiki from Johnston Island. Lightnings from the island of Oahu made up the rest of the entries.

Cy Gillette, Fleet 143 champion, sailing "Nubbin", proved again his sailing ability by winning two races and placing second in the other three races, thereby winning the series by a comfortable margin of points. Carl Ackerman from Coronado was second in the series and Wally Hawkins third. Pat Young, who took two first places, one second and a fourth place, was forced to drop out of the third race when his rudder pin snapped. He still managed to place fourth in the series.

The following is the list of entries and their final standing in the series:

We look forward to seeing a longer visitors list for the 1954 Hawaiian Invitational Regatta.

### CANADIAN DISTRICT REPORT

**District Commodore:** J. A. E. MacDonald

**District Secretary:** C. B. Neapole

**Fleets:** Valleyfield, P. Q. Fleet (65); Laurentian International (120); Kingston, Ont. (171); Lake Deschenes Fleet (188); Royal St. Lawrence Yacht Club (215).

**District Report:** For some time past representations had been made to the Association in regard to the formation of a Canadian District because from a geographical standpoint it was not always easy for crews in this area to go to either Central New York or the New England District Championships. About July 15th we received a very welcome telephone call from Mrs. Cain telling us to go ahead and if possible, run off a District Championship before the deadline of August 12th. Thus a Canadian District became a reality and the area covered is roughly the same as that encompassed by the St. Lawrence Valley Yacht Racing Association to which 20-odd clubs belong . . . on the St. Lawrence River from Kingston to Quebec inclusive and on to the Ottawa River from Deep River to Montreal, plus tributary waters. The Association suggested also that Lake Placid (193), because of its proximity, might also find it easier if they were in the Canadian setup and of course they are entirely welcome as are also Laurentian International (129), and for that matter, any others located in the United States near the St. Lawrence area. As a matter of fact, at the next District Meeting it will be suggested that the new name be St. Lawrence Valley District because in this way the International character of the Lightning organization will be preserved.

There was a considerable scramble to proceed with the district formation and championship but both were accomplished. J. A. "Emmons" McDonald of Valleyfield who had been the first to introduce Lightnings to competition in these parts, was elected the first Commodore and on August 2nd and 3rd the District Championships were held by the Royal St. Lawrence Yacht Club at Dorval. Eddie Botterell with "Mildred II" (3024) emerged as the champion with Jim Haffey breathing down his neck finishing second to him in each race. Crewing with Eddie were Lynn Waters and Sicotte Hamilton, both well known Lake St. Louis skippers in their own right and together they formed the best team that

Lynn Watters, Sicotte Hamilton, Eddie Botterell (Skipper)—

nationals at Spray Beach.

Fleet 215 could produce. They went on to the Internationals at Spray Beach and to achieve 15th place for a first entry in that kind of competition was no mean feat. While this was the highlight of their summer, nevertheless they had numerous other good wins, i.e., Lightning Class at the Henderson Harbour Regatta of the Eastern Yachting Circuit, second in the North American Zone finals and a number of Lake St. Louis events, notably the Mirage Cup, as well as others. They have a new boat on order for next year and so have others, notably Jim Haffey, and we feel that the Canadian District competition is now reaching the grade in Lightnings that some of us hoped for a few years ago when the other classes seemed to the better skippers.

The 1953 District Championships will again be held at Dorval, near Montreal, under the auspices of Fleet 215 and we hope that there will be other events as well which will attract Lightning skippers from outside the District. The friendly rivalry between United States and Canadian fleets which is on such a high level in the Lake Erie District and the Pacific Northwest will reach the same level here, we are sure before too long.

### SOUTHERN DISTRICT REPORT

District commodore: Clifford J. Prados

District Secretary: W. L. Somner

Fleets: Lake Pontchartrain Fleet (62); Mobile Bay Fleet (135); Shreveport Fleet (175); Pass Christian Fleet (179); New Orleans Fleet (209); Bay Waveland Fleet (211).

District Report: The 1952 racing season got off to a bang with the Sugar Bowl Regatta at the Southern Yacht Club in New Orleans. This event was won by Chuck Hardey of Shreveport Fleet #175 sailing "Solo". Second honors went to Eugene Walet III from New Orleans in "Spirit I" and W. C. Keenans "Mystery" from the same fleet was third.

Old "Beave" Ed Overton from Fairhope, Ala. and Eugene Walet III of Lake Pontchartrain Fleet #62 represented our district in the Winter Championship Series at St. Pete. Uncle Ed won the third race and Gene was second in the last one, but poor showings in some of the other races hurt their final standing for the series.

A three race Lightning series was sailed on Mobile Bay in conjunction with the annual Gulf Yachting Association Meeting at the Mobile Yacht Club on May 3 and 4. W. L. "Smokey"

Somner sailing "Smokey" and representing Shreveport Fleet #175 won a hard fought series by winning the first two races and finishing third in the last one. Eugene Walet III sailed "Spirit I" to two second places and a first for second honors. Fine breezes prevailed on the Bay for the entire series in which seven boats from five fleets participated.

The following weekend, May 10 and 11, found some of the same boats vieing for honors at Shreveport, La. some four hundred miles from the scene of competition the weekend before. Tricky little Cross Lake provided the visiting skippers with a hard nor-easter ranging in force from twenty-five to forty knots per hour and this held for the entire series. Although some twenty-four Lightnings were on hand for the series, only seventeen were at the starting line for the first race. Some of the light air boys found the going a bit rugged and decided to sit it out. Eugene Walet III, the teenager from New Orleans with a fine crew composed by his Father and Pudgy McClure, won the series going away by taking all three races. S. Townsend from Dallas, Texas had three second places in "Scoot" for runner-up position. Third honors were taken by Cletus Zaenglein of Shreveport Fleet #175 sailing "Joheda". The Shreveport Yacht Club gave visiting skippers, their crews, and families a cocktail party following the first race on Saturday. This was topped off by a chicken barbecue supper on the lawn of the Clubhouse. Following the Regatta, beautiful trophies of silverware were awarded the winners and their crews.

On June 7 and 8 Eugene Walet III sailed "Spirit II" in her first major series and won the Gulf Yachting Association Regatta at New Orleans with three firsts. By now everyone agreed that the boy was hitting his stride and would be hard to hold for the rest of the season.

The same weekend two skippers from Shreveport Fleet #175, "Smokey" Somner and Cliff Ray, journeyed to Ft. Worth, Texas to take part in an open Lightning series. Somner took third place in this Regatta.

July 3 found the Lightning boys at Biloxi, Miss. sailing the first of twelve races on the Coast which had been scheduled for the following nine days. Walet and "Spirit II" took three races, followed by Cliff Prados sailing his former charge "Dixie Doodle" which is now owned by the Schmidt Brothers from Biloxi.

At Gulfport on July 5 and 6 Walet won a close series from "Smokey" sailed by "Smokey" Somner from Shreveport. After the second race Gene and "Smokey" were all tied up but the boy did it again and they finished one two in the series.

The series of Biloxi and Gulfport served as a warm up for the Southern District Championship Races to be held July 8, 9, and 10 at Bay St. Louis, Miss. Monday afternoon and evening was spent measuring sails, checking rigging, etc., with a cold beer thrown in now and then to provide the stamina to carry on. Tuesday afternoon found twenty boats answering the starting gun with Ralph Christman's "Gigalo" taking the lead. At the end of the first round it was Walet in "Spirit II", Prados in "Dixie Doodle" and Charlie Gamble in "Chance". The three leading boats held their positions during the second round and finished in that order. Rob Roy was fourth in "Aeolus". Walet won the second race which was sailed in light variable winds. John McDonald from Bay St. Louis was second in "Diamond Lil" and Cliff Prados third followed by Archie Stapleton's "Ploy" in fourth place. The third Race sailed in flukey breezes was won by Charlie Gambel in "Chance" and his win nailed down second place in the series for him. Rob Roy in "Aeolus" was second, Horace Thompson in "Disturbance" third, Walet fourth and Prados fifth. Total point standings for the series was Walet 57½, Gambel 54½, Prados 53, and Roy 51. After the points had been added up, Commodore Bobby Camors of the Bay-Waveland Yacht Club awarded winners and crews beautiful trophies and this was followed by a big crab and shrimp boil given by the host club. For the third successive year, Race Committee Chairman, Henry Chapman, conducted the Regatta in a masterful manner. We Lightning skippers think that he's just about the best in the business.

Friday, July 11, found the boys racing at the Pass Christian Yacht Club with Walet in "Spirit II" winning by a wide margin in flukey going, "Smokey" Somner from Shreveport was runner-up in this race.

We wound up a glorious two weeks of racing back at the Bay-Waveland Yacht Club on July 12 and sailed our race in a spanking breeze. Cliff Prados lead at the first marker, but Waler rounding right astern found a pick up just at the right moment and got on top. From here on it was a good race between "Spirit II" and "Dixie Doodle", but Walet covered closely and went on to win with Prados finishing close astern.

On August 16 and 17 the first Gulf Yachting Association Lightning Championship was sailed at Pensacola, Fla. Seven-

teen skippers from both the Southern and Southeastern Districts competed in this series for the championship of the G.Y.A. Morgan Powell, for St. Pete sailing "Red Witch" won the first race when Eugene Walet III's "Spirit II" was disqualified by the race committee. Second in this race was Ed Overton from Fairhope in "Mauvillian" followed by Charlie Gamble from New Orleans in "Chance". The Sunday morning race was sailed in a light breeze with Walet the winner followed by Powell and Wheatley Cleveland sailing "Black Magic". Walet and Powell finished in the same order in the afternoon race with Ed Overton third. Final standings for the series were Morgan Powell, St. Pete, 49 points; Wheatley Cleveland, Fairhope, 42; Eugene Walet III, New Orleans, and Harry Schmidt from Biloxi tied for third with 34. Ed Overton from Fairhope was fourth with 31. Powell was awarded a beautiful sterling silver punch bowl donated as a perpetual trophy by Commodore Eugene Taylor of the Pensacola Yacht Club. This event will be held annually.

So Eugene Walet III, our teenage champion after enjoying a good racing season, and Ralph Christman represented the Southern District at Spray Beach, N. J. in the Internationals. We are proud that Gene finished second in this event behind that great sailor, Bob Graf from Buffalo.

Arriving back in New Orleans, Gene won the sailing championship of the Southern Yacht Club sailing one race in each of the five one-design classes against the best skippers which each class could produce.

Over the Labor Day weekend, five skippers from the Shreveport Yacht Club trailed their boat over to Dallas to engage the Texans in a three race series. Dr. Eddie Knighton took third place in this event.

The last big regatta of the season, the Overton Regatta, was sailed on October 18 and 19 and Walet again took top honors by winning all three races. Ed Overton was second and Jack Bonnell was third.

Note: As this goes to press, word has just been received from New Orleans that our much traveled champion Gene Walet III was given a sailing lesson when he was whipped by his Father, "Big Gene", in a Lightning Race on Lake Pontchartrain.

## FINLAND DISTRICT REPORT

By Ahti Tarkkanen

It's more than one year since you have heard anything from us here in Finland and what we have been doing with our Lightnings. Passive we have not been in sailing but maybe in some practical things like correspondence, which has been very limited. I have quite much to tell you so I think it's best to start from our new executive committee.

Last autumn our executive committee got following composition:

Commodore .....	Engineer Carl-Olaf Granfelt
Vice-Commodore .....	Ekon. Martti Rinne
Secretary .....	Cand. med. Ahti Tarkkanen
Engin. ....	Kurt Hollming

**Members:** ekon. Kai Nuortila, Mr. Timo Nyreen and Mr. Immu Nordstrom. Our commodore is very active light boat man and he has measured most of our Lightnings.

Last summer we had the Olympic Games here in Finland, which was a great experience of course for everyone. Most our members were active at the arrangements but in spite of it we raced quite much. We had last summer nearly 30 races here in Helsinki and usually in the Lightning Class were average ten boats racing.

The Fifth Lightning Championship Regatta of Finland took place on 30-31 August here in Helsinki. It was wonderful sailing weather during the both days and we had 18 boats racing. At the first race 13 boats were disqualified when they sailed wrong course. A young and very skillful sailor Christer Granfelt (he's our commodore's brother) won the regatta sailing "Spectacel" 4014, owned by Mari Ellila. Timo Nyreen sailing his "Plancha" 4133 was the second and Eino Ritvas was the third on "Joker" 4048, which is owned by me. We took photographs from the championship but they failed and therefore I have nothing to send you unfortunately. The second race was filmed and some sights of it were seen in the news reels in cinemas here.

We have shown the films we got many years ago on several occasions here in Helsinki and in the country also and they have carried on very good propaganda for the Lightning.

This winter has been unusually mild. We had certainly quite much snow but now it has begun to melt with speed and so we hope that the season will begin earlier than before.

Mr. and Mrs. Charles Dore; President and Mrs. Richard Krauss;  
Mr. and Mrs. Walter Swindeman

Spray Beach Yacht Club, (home of Johnny Tieglan, winner of the 1951 International Championship Regatta) played host to the 1952 Regatta and the President's Cup Series. Charles Dore, 3rd, treasurer of the Lightning Class Association served as chairman of both series. The entire Lightning Class Association extend a "heartly, well done" to Spray Beach Yacht Club and to Charlie Dore and his various committees.

The first race got under way Thursday morning in a N.E. breeze of eight mph. This race developed into a two-boat race with Herm Nickels of Lake Fenton, Mich-

igan in the lead the first time around closely followed by Hank Cawthra of Detroit. On the second weather leg, Hank moved into the lead which he steadily increased and won going away. Nickels placed second with Bob Graf of the Buffalo Canoe Club, Buffalo, N.Y., Howard Font of Erie, Pa. and Harry Sindle of Little Falls, N.J. following.

The second race in the afternoon found the wind

direction the same but it had eased off to six mph. Sindle found this to his liking as he moved out in front on the first leg and stayed there the entire race. Cawthra gave him a good run and finished second. He was followed by Joe Hoffee of Nyack, N.Y. Gene Wallet, 3rd. of New Orleans, La. and Charley Dore of Spray Beach.

Friday morning found the wind in the North at 12 mph. This was right up Howard Foht's alley and he drove his Zephyr in first. Wes Wiedrick of Detroit, Charlie Allaire of Red Bank, N.J., Graf and Wallet trailed. Saturday morning the wind was still in the north at 15-18 miles. It was this race that dashed the hopes of Cawthra as he fouled a boat at a mark while up among the leaders and withdrew. Dr. Gerald Murphy, also of Lake Fenton, Michigan showed the boys how it should be done as he went into the lead at the start and held it the entire race. Wallet, Wiedrick, Allaire and John Tiegl-land, the defending champ followed.

The standings before the last race found Gene Wallet, the 17 year old Southern boy in first place with 125 points; Graf, second with 118; Sindle, third with 114, Wiedrick fourth with 109 and Foht fifth with 99. This was really the upset race of the series as only two of the first five survived and they changed positions. The wind had softened to about eight miles out of the N.E. with a strong ebb current running S.E. This race developed into a ding dong battle between Allaire and Graf. At

*Scene of the 1952 L.C.A. International Regatta*

the finish line it was Graf who received the gun and with it the coveted title of International Lightning Champion. Allaire, Murphy, Nickels and Tiegl-land trailed Graf in this race.

It couldn't have happened to a better guy!!!!!! This was the opinion of all the skippers and crews when the first place trophy was awarded to Bob Graf. Bob has been "knocking at the door" several times, but there always was that little something that denied him the highest honor in the Lightning Class Association. In 1949 it was a tie with Dick Bertram of Miami. Last year at Toledo it was a torn main sail that ruined his chances. But this year he was not to be denied and he did it the hard way by coming from seven points behind going into the last race to win and become the 1952 Champion. He was ably abetted by an excellent crew of Warren Hunt and John Lyons.

In second place was young Mr. Wallet, a newcomer in top-flite Lightning company. He did an excellent job and will be very much in evidence in the future. Going into the last race, Gene had a seven point lead but he ran into some bad breaks and finished 18th.

Herm Nickels, finished third with Dr. Murphy a fellow club member in fourth place. Walt Swindeman of Toledo, "Old Man Lightning," former two-time Champ got a fifth place due to a bad start in one of the races.

## RAMPAGE TELLS HER STORY

This being a racing boat has its compensations in the summer months. Driving hard to windward. The steady pull of a well tended spinnaker. Planning on a long reach with a fresh wind and choppy sea. The boom of the finish gun. Mooring parties after races. Continuous polishing and general fondling by crew. Admiring glances. This all stops abruptly with the final haul-out, and the problems and suspense of a long winter begin.

In the fall of 1951 I was put up for the winter with more than my share of worries. The Internationals at Toledo caused most of my problems. First, I weighed in at 787 pounds, 87 pounds over the minimum for our

class and light boats seemed to be performing best. Second, an inspection of standing rigging showed mine to be old, and much too heavy. And last, I blew out the mainsail we had come to call our "gold plater" which was considered my real motor. I had an uneasy few weeks while my skipper mulled over the pros and cons of jilting me for a new lightweight job.

Suddenly in October, my cover was thrown off and my mahogany seats and floor boards were ripped out to make way for lighter material; my old rigging was stripped from the spar and the varnish completely removed from inside of my hull. I knew now that I would

*Rampage, No. 467*

be sailed by the same skipper once again, but what about crew!

Bob Maytham had been expertly handling my jib and flying my spinnaker since 1946, but Uncle Sam had first call on his service this summer. This added to my woes. Even if I did have new light rigging and was reduced in weight, and even if skipper's wife, Jane, did give up her Easter outfit for a new mainsail, I still needed a good jib man. This last problem was solved in May when Warren Hunt sold Meer Maid and signed on to replace Maytham. I now had a good jib man who needed only to learn our peculiarities, Johnny Lyons who had handled my main for five years, a very determined skipper who wanted one more good year, and Jane who would be number one substitute crew, sail fixer-upper, and best rooter. My mind was now clear for a good, enjoyable summer, and it proved to be.

This fall my troubles seemed few. I needed no major changes and no new canvas, but my skier found a new and different problem for me. Bob Mann asked him to write an article about this year's International Championships and because he was too busy getting ready for the skiing season, he turned the job of writing the log over to me. — — —

#### **SUNDAY, AUGUST 31st—Enroute to Spray Beach, N.J.**

Peculiar day for a lightning, tacking through mountains of Pennsylvania, running at 70 MPH on Turnpike and reaching through Philadelphia. Protested for barging in parkways. (Landlubber officer classed me as a truck.) Skipper won protest. Proved I was for Pleasure.

(He lied.) Put to bed under pine trees off New Jersey Highway.

#### **MONDAY, SEPTEMBER 1st—Morning—Still en route.**

Awaken under violently swaying pine trees and down-pour with water over floor boards. The tail end of the hurricane, no doubt. Much like trip to Florida in 1949. Johnny Lyons and skipper pump me out, and we're off for Spray Beach.

Get first glance of Little Egg Harbor Bay from causeway joining Spray Beach and the mainland. It's all churned up and muddy.

#### **MONDAY, SEPTEMBER 1st—Afternoon**

Roll into the Yacht Club which is small but surrounded by flapping circus tents put up for the occasion. Great welcome from defending champion Tieglend and other greats. Left to ride out big blow on trailer near Yankee Doodle III and Tieglend's Seductress. Hope some of their glory rubs off on me. Crew takes off to find lodgings and explore Island.

#### **TUESDAY, SEPTEMBER 2nd—Morning.**

Crews' exploration of Island must have been good. They were late in arriving this morning. Skipper's head hurt, but he says it was worth it. They scrounged charts of the Bay from a local fisherman tide tables from a local character, and made their own charts of local bars and sea food joints. I hit the salt water finally, but it's blowing too hard to enjoy sailing today.

#### **TUESDAY, SEPTEMBER 2nd—Afternoon.**

Fallon's Flare tries the course. I stay at the dock and wait. Flare comes in salt encrusted and telling tales of going aground every few feet, hitting strong tidal currents and four-foot waves. Local fishermen had warned the crew of this. This will be a tough regatta with tricky tidal current and shoal water completely surrounding the triangular course.

#### **WEDNESDAY, SEPTEMBER 3rd—Tuneup Day.**

Good sailing day. We try the course, find all the marks and keep from going aground by following charts carefully. Have brush race with Yankee Doodle, Zephyr, and Therms Thrice. This proves nothing.

#### **WEDNESDAY, SEPTEMBER 3rd—Night.**

There is the annual Lightning Class meeting ashore tonight. I hope they continue to control our class so that we old boats can still hold our own with the new ones. I am the oldest boat entered this year and proud of it. Not too much noise after the meeting. I guess all crews are getting set for tomorrow.

#### **THURSDAY, SEPTEMBER 4th—Morning.**

This is the big day. Skipper's wife, Jane, gives me fond pat on transom and I'm off for that big first race, under blue skies and gentle North wind. Tension aboard is mounting. Skipper grumbling because he forgot his habit-forming lime lifesavers. Blames it on Jane. Johnny opens small bottle and pours Abino Bay water over me and in Bay. Hopes it will dilute this blasted salt water. Hunt nervously checking all fittings, halyards, sheets, and stop watch.

Race starts with us in fair shape. We're sixth at first mark and good downwind sail handling moves us up to fourth for first time around. Detroit's Hank Cawthra

in Broom well ahead. Can't be caught. We pick off Dore on second windward leg and hold third until the finish.

#### THURSDAY, SEPTEMBER 4th—Lunch Time

While crew pack away a good lunch, I learn that Hank Cawthra, this morning's winner won the Michigan District with four firsts. He'll be tough to catch.

#### THURSDAY, SEPTEMBER 4th—Afternoon.

Wind freshens, but still under 10 knots. Not so many jitters aboard now. Skipper even chewing lime lifesavers. Good leeward start suddenly becomes disastrous, when wind shift puts us in blanket of fleet. Skipper "takes his medicine" early, goes under almost every transom to get to windward. This looks like our bad race. We're 14th at first mark, the best we can do is pull up to 8th to finish. Harry Sindle in Bay Raider, Central Atlantic District Champ, won this with Cawthra second. Towed back to dock where I get swabbed with fresh water while Jane runs beer for all hands. Swabbing stops suddenly when news comes that cocktails are served. We mere boats are a sorry lot. Party getting noisier while I worry about my third place standing after two races.

They're at the singing stage now. Warren Hunt introduces his new song, "My Blue Rampage." Mildred II, berthed next to me, hears familiar voices as her crew breaks into those French Canadian songs. Yankee Doodle III and Zig Zag dance at their moorings to tunes from the Toledo Gang. The fun part of the Regatta is really under way.

#### FRIDAY, SEPTEMBER 5th—Morning.

North wind again, but more of it. We sail the long channel out to the course with full cut sails, but change to heavy weather canvas just before start. Strong tidal current sweeps most of the boats over the line before the gun. Race committee recalls entire fleet twice before we get real start. Naturally, our worst start was the one for keeps. Once again we tack under many transoms to gain a weather berth. The fresh wind on our flat sails does the trick and at the first mark we're third, remaining there for the first round. Wind drops somewhat but leaves nasty chop for second time around. We drop to fourth at finish. Foht in Zephyr, the Southeastern District Champ from Miami, won handily. We still stand in third place after three races, but are closer to top than yesterday.

#### FRIDAY, SEPTEMBER 5th—Afternoon.

I'm given the afternoon off—no race scheduled. This afternoon will be devoted to a Clambake and beach party for the crews. Much tension relieved with a dunking in the pounding Atlantic surf. Nothing like sand, sun, clams and beer to cement relations.

#### FRIDAY, SEPTEMBER 5th—Moonlight.

More relations cemented.

#### SATURDAY, SEPTEMBER 6th—Morning.

Same blue sky, same northeast wind, but being a weekend, more spectators, more well-wishers, and more fishermen cluttering the race course. After two more nerve-wrecking recalls, we're away. Not good but ahead of the two boats that stand between us and pay dirt. Dr. Murphy in Triple B wins, but we are content to stay ahead of Cawthra and Sindle. Good spinnaker work on last leg moves us up to finish eleventh with Cawthra fourteenth and

## foam rubber CUSTOM SEAT CUSHIONS for Lightnings

### BUCKLE IN - STAY PUT

**DESIGNED SPECIFICALLY FOR LIGHTNINGS**—Conform exactly to Lightning seats, one cushion for each curved fore and aft seat and one for each thwartship seat.

**CANNOT INTERFERE WITH SAILING**—No loose corners or snags that might foul a line. Adds less than  $\frac{1}{2}$ " to a person's height above deck and weighs less than 10 lbs.

**EASY TO INSTALL**—Hold-down straps pass through the cushion and buckle to themselves under the seat. To prevent shifting, strap has a fitting that snaps to a snap-headed wood screw on under side of seat.

**NON-SKID SURFACE**—The plastic surface of the cushions is designed to help keep you on the seat, even when wet.

**WON'T MAR FINISH OF SEATS**—Except for the snaps and buckles, which are under the seats, there are no grommets or other hard parts that might mar varnish.

**MADE OF FINEST MATERIALS**—Surface is tough plastic. Inside is a  $\frac{1}{2}$ " new foam rubber pad, which is the finest cushion material there is. It will positively retain its softness, is not harmed by water and dries out quickly.

**LOVE THE WATER**—Top of cushion is waterproof. Bottom is very porous woven plastic material which permits ventilation of the interior of the cushion. In case of a dunking, will dry out quickly if laid bottom-side up in the sun. Only for comfort, cushion is not a life preserver.

**MANY OTHER USES**—Guaranteed to soften the hardest bleacher seat and are nice for picnics, etc.

Colors: maroon, green or grey. Price: Forty-four dollars and fifty cents, postpaid. Add one dollar if in Pacific time zone. Check or M.O. with order. If not what you want, returnable in ten days for refund of purchase price plus your return postage.

Drop a card for material samples and more details.

Sindle well back. Cawthra disqualified. Are we really going into the last race ahead? NO! Spirit, from New Orleans sailed by Eugene Wallet, had come from nowhere, finished second this morning and now leads us by six points. What a shock! Even if we can repeat our feat of '48, '49 and '50 and win the last race, Spirit need only be seventh to make us only a "bridesmaid" again.

#### **SATURDAY, SEPTEMBER 6th—Afternoon—Last Race.**

Many well wishes from long standing competitors and friends, and we're away for the pay-off race. This has to be it! The skipper surprises me and the crew with the best start he has made in this Regatta. We reach the first windward mark with only Valhalla (Charlie Allaire) ahead. Much looking around for Spirit. Can't spot her for sure on this leg. Finally spot Spirit's orange and white spinaker on third leg. She's at least behind 7th place now. Can we pick up Valhalla, Atlantic Coast Champ, for one more point? We do just this on the next windward leg against a strong tidal current. At last, nothing but open water ahead. And it's beginning to look cleaner all the time. Much quiet elation aboard as we definitely spot Spirit in about 17th place and staying there. Our billowing spinaker pulls us down the last leg through a narrow channel formed by a large spectator fleet. Gun booms for our finish. Spirit still 17th. Horns, sirens, whistles from spectator boats. Back slaps, handshakes and lumpy throats for us. We had finally done it. The International Championship was ours.

Coast Guard boat tows us back to the Club. Skipper

goes on wire recorder for the air waves. Jane comes running with drinks and smooches for all hands and a pat for me. Hurried calls home with the news. Johnny self-dubbed "bronze giant" during the Districts, is now just a quiet, weary, happy boy. Warren our optimist, admits he bet on our winning even before the Districts. Entire crew dunked in bay.

#### **SATURDAY, SEPTEMBER 6th—Night. Pay-off.**

Skipper is presented with case of Champagne to fill Championship bowls. Big perpetual bowl filled and passed to much relaxed crowd. Small permanent bowl filled for the private consumption of happy main man and jib man.

Don Bliss from Miami returns canvas beer bucket stencilled "Rampage" left behind in '49. Skipper promptly presents this to Runner-up Eugene Wallet to take back to southern waters. Wallet fills this with northern beer and this makes the rounds. Much more singing, dancing and relation cementing. The Regatta is over.

#### **SUNDAY, SEPTEMBER 7th—Get-away Day.**

Skipper and Johnny show up not too early and not too sharp. I'm hauled out. Last goodbyes to host and old friends and I'm bound for that clean drinking water of Abino Bay.

Back to the Buffalo Canoe Club that has spawned three International Champions, five Runners-Up and four Third placers. It is little wonder that I am proud of the gold letters "B.C.C." on my transom.

## **MY FIRST INTERNATIONAL REGATTA**

By Gene Walet III

With "Spirit II", built by Lippencott, we rolled into Spray Beach the Sunday evening before the beginning of the Lightning Class International Championship Regatta. It was a dreary evening with a 35 mile wind blowing across the strip, which lies off the New Jersey coast; this was the tail end of a Caribbean storm which had followed us approximately 1400 miles from New Orleans. It had been a good trip and we were happy to have arrived at the scene of the big regatta ship-shape.

The next day winds were too high to go overboard

with Spirit II, but on Tuesday morning we took our first sail over the course where the Internationals were held.

I was naturally thrilled to have made the grade where I would sail with the "greats" of the Lightning class. As the hour for the start of the regatta approached, my thrills increased, meeting and seeing the top skippers and the fine craft which they had. After the first race, we improved; there were good breezes, and Spirit II and my crew, composed of Pudgy McClure, my good friend, and my dad, were working smoothly; our thrills increased when we found we could keep within striking distance of the good

Gene Walet III

skippers and good boats. We learned that each race was hard fought by every contestant with a high spirit of sportsmanship prevailing at all times.

As each race was completed, our thrills increased; the competition was keen; the leaders were being shuffled and at the end of the fourth race, Spirit II was in the lead on points. In that fourth race there were three starts and we were lucky—we had a good start each time and finished second to Dr. Murphy, that great and consistent sailor.

For us, the climax was yet to come; we planned to sail the fifth race to win the series; we thought we could stick with Bob Graf, but in the maneuverings before the start, he eluded us and we got off to our worst start in the whole series. I believe we were about the 33rd boat immediately after the start. When I say that my greatest thrill was yet to come, was because with Spirit II running smoothly and my crew working hard, we picked up 16 or 17 boats to land us in the runner-up position in the Internationals. You know I was happy.

The regatta, as you all know, was won by a great sailor and sportsman and wonderful fellow, Bob Graf, and my greatest thrill, next to actually being runner-up, was when

Bob presented me at the banquet with his long-lost canvas beer bucket, which had just been returned to him. The rest of the night, a good time was had by all—I kept the bucket filled with beer and Bob kept the beautiful winner's trophy filled with "bubbling wine".

The scene at Spray Beach was glamorous; the Yacht Club, though small, had been put in ship-shape and large colorful white and green striped tents took care of the over-flow; the food was delicious and the hospitality of all of the Spray Beach crowd could not be surpassed. Our friend, Charlie Dore had done a grand job as Chairman of the Committee in charge of the regatta; the race committee and other officials handled the regatta in wonderful style.

It has all been a thrill which my crew and myself will never forget; we hope to make the Internationals again this year; and we hope that some day in the not too distant future we will see the Internationals sailed on the waters of Lake Pontchartrain at the Southern Yacht Club in New Orleans.

P.S. We are practicing with the beer bucket and hope we can compete with the donor next time we meet.

## PRESIDENT'S CUP SERIES

Tom Allen, of the Buffalo Canoe Club in his Atom #4811 was the 1952 winner of the President's Cup Series at Spray Beach, N. J. This gave the Buffalo Canoe Club a clean sweep of the entire series. Tom won the series with two firsts, two seconds and a sixth to lead his closest rival Ed. Waters of Red Bank, by 25 points.

The course for the President's Cup was about a mile s.w. of the International course and was less affected by the tide or current that lay in the deepest waters of the Bay. The entire series was favored with ideal sailing weather. Strong winds and perfect visibility provided some

thrilling experiences for both skippers and spectators.

As in the Internationals the positions were well shuffled except for the number one spot. Ed. Waters, Jim Carson, Bob Morris and Joe Holler ending in that order from 2nd to 5th position were separated by only six points at the finish; however, they all had at least two races beyond 10th position with the exception of Bob Morris who faltered only once and that was to 24th spot. John Kenney, sailing Black Spot No. 5072, had two fine races with a first and a second but ran into difficulty in two other races dropping to 31st and 23rd and finished with a DNS.

# INTERNATIONAL IMPRESSIONS

By Barney Crittenden

Upon approaching the eastern shore of New Jersey after driving the 752 miles from Michigan, we were surprised by the scrub pine and oak that covered the sandy soil much as it does the northern part of Michigan and it seemed as tho we were almost at home again. Driving south down Long beach Island through the resort towns along the way, the salt air whetted our anticipation of the races and the four full days ahead of us!!

The Lightning Internationals of 1952 were held under the "Big Top". The Spray Beach Yacht Club put up two large tents to cover their out door dance floor and part of their grounds to provide space under cover for all the meetings and festivities. The large green and white striped tents helped to enhance the festive air of the occasion. Hospitality was busting out all over, with sailors milling around meeting old friends and making new ones. A catering company served all the lunches and dinners during the regatta while a hot dog stand served the between meal snacks. The bar was open from early til late. It was a treat for some of us to enjoy fresh sea food and some were astounded to admit that they consumed 6 dozen clams at one sitting! Our many thanks to Commodore Fred and Irene Schanche who introduced us to soft shelled crab! It was rugged going, what with the Brockett-Dore cocktail party, a beer party on the beach after the clam bake, and dancing in the evening.

With over 80 boats entered in the two races and many entries from near and far, it is remarkable to note that no one had to stay over a mile from the Yacht Club. The housing committee, headed by Mrs. Lillias P. Griscom, is certainly to be complimented for the efficient handling of several hundred visitors.

The Internationals were run on a three mile triangular course in the sea-channel, off West creek and Long Point on Little Egg Harbor. The President's Cup race was held on a triangle to the south. Their windward mark was about a mile to leeward of the International starting line—AND NOW, that we are out to the starting line, let me tell you about THE TIDE! "The dirt's out—the tide's in"!, and one hour late usually. Some of us hadn't known that tidal currents were so swift (4 miles per hour) and IF the tide was coming in against the wind, north to north east, it sets up quite a chop. This little trick that "Uncle Ed" threw at us, caused no end of difficulties for each skipper as he tried to estimate his start. And, just to show how hard the Race Committee worked, they had to start a couple of races 3 times. The tide was pushing the boats over the line!! The Race Committee, headed by George Gieseke and Richard O'Donnell, and aided by Rolf A. Flack, Tom Newman, Eugene Kipp and others, certainly were to be commended on their patience, and efficient handling of the various situations that arose.

As weather and wind prognosticators, Dore and Tieglund should have been given the "deep six". They had promised a southeast wind at 20 miles per hour at 2:00 P.M. every day! Of course they didn't know that a hurricane of mean proportions was to hover several hundred miles off the Jersey Coast throughout the Regatta. Had that thing ever turned around and paid Long Beach Island a visit! Oh brother!!!! While we are on this subject of wind, it is a middle western practice that all the brethren assemble around an open man-hole, or a storm drain will

do, and pray to Uncle Ed for wind the next day. Dot Swindeman, as a matter of conversation, asked sailor's wife, who happened to be passing by, if she know the whereabouts of a man-hole, and was answered with the startling remark, "Man-hole! Why, I can't even find a man!" This, I must say, was at a time when most of the various participants and spectators were out on the course!

After Sindle went out on the flats with BAYRADER to win the 2nd race, "Doc" Murphy, with his wife threatening to leave him without even carfare, took the same course between two clam diggers and won the 4th race! By the time he got back to the club, Commodore Fred Schanche, with the assistance of Mayor Shiffler of Spray Beach, presented him with a New Jersey Clam-digger's license! From now on, he shall be known as "Digger" Murphy!

There is a story they tell at Spray Beach about Commodore Fred, who sails #3705, "The Silver Blonde". It seems that Fred is a regular 'Captain Bligh' in a race, and in the instance we mention, he was practically working on his crew of Bob Flack and Austin Platt, Jr., with cat-o-nine tails. They were in second place on a spinnaker run, with the wind at about 12 knots, when the crew decided to mutiny, very effectively, too. They jumped overboard, leaving Fred to finish the race as best he knew how! (No one told me how he doused that kite!)

Krauss was the first boat in after the 5th race due to a technical disqualification. One of his crew had an accident and the like of which he had not experienced since he was a wee sailor of three years. (Maybe it was the clams), OR it could have been the fact that there is a difference in Cadillacs, and Krauss **might** have taken a nap in the wrong one!

John Orelup, Past President, certainly attended the Internationals in the most ideal fashion I can think of, as he and his party towed "Javelin" from Bay Head, New Jersey with his cruiser, and stayed aboard during the week of the Internationals.

MEMORIES—Those morning dips in the Ocean . . . SPRAY BEACH . . . Ed McCain being the best night watch the Beach had ever had . . . Rotzell's Martini fountain at the cocktail party . . . with a shift to iced tea for the luncheons . . . wondering how Swindeman got out of that traffic ticket . . . seeing Herme Nickels, Cal Youdas and "Pim" Epler come back to earth when their entries to the Internationals were approved . . . wondering who picked up the bottles after the Beach party . . . introducing Fred and Irene to a Bean Creek Valley phlegm cutter . . . how did Murphy's photographer, Gallagher, get out of that closet? . . . our visit to SHIP BOTTOM . . . the presentation of trophies . . . Karl Smithers invitation to "sail on drinking water and Canadian ale" . . . Eugene Wallett congratulating Bob Graf . . . THE HOSPITALITY OF THE JERSEY SHORE! !

When you stop to think that any one of the top 14, given the chance for a change in tactics in one or two races, a better start or a little luck, could have won the championship, you will understand the thrill I got drinking champagne with the Grafts, Warren Hunt and John Lyons! And remember, Bob has been trying a long time!

Thanks Spray Beach Yacht Club for a wonderful Regatta. See you all next year!

## ST. PETERSBURG SIXTH ANNUAL WINTER REGATTA

Booming to an all time high in national interest, the annual Mid-Winter Lightning Regatta again took place in Tampa Bay on February 20th, 21st and 22nd. The St. Petersburg Yacht Club and Lightning Fleet #109 with Commodore Stan Shaver again played host for this big event. There were seventy entries, many trailing their boats from the frozen north for their winter vacation or honeymoon.

An event of this size requires hours of planning and good committees to carry through. George Pierson as general chairman deserves all the thanks of the Lightning Association. Wallace Rifley, race chairman and his committee did a splendid job. They were successful in angling the starting line to accommodate the large number of participants with the least amount of trouble. The registration committee headed by Martha Frush took over their duties in a most capable manner. Dick and Mary Jane Mizner had charge of the entertainment, of which we will speak later.

The ladies of the St. Pete Yacht Club hold their

weekly Pram races on Wednesday afternoons. Some of the top-visiting Lightning skippers were challenged by the ladies for their Wed, Feb. 18th race. This proved to be quite entertaining for the spectators. Dr. Gerald Murphy who won the Lightning Regatta didn't do so well in this race. After a dunking at the dock he made more sternway than headway. Walt Swindeman, Dick Krauss and Bob Mann had a great deal of trouble rounding the first mark due to hooking the out-haul clew on the pipe. Harry Sindle in SP2 was the winner with M. Moebs, a lady skipper, coming in for second place.

Dr. Gerald Murphy of Mt. Morris, Michigan through his consistent sailing and a win in the last race, emerged victor with a total of 310 points, followed closely by Gene Walet of New Orleans with 309, Walt Swindeman of Toledo, Ohio with 307 and Howard Foht, last year's winner, Harry Sindle, Herman Nickels, Ernest Mac Bride, Joe Stueland, Ed Overton and Magnus Pederson in that order.

The first four races were held in medium to heavy

*Take your pick*

breezes, whereas in the last race the breeze was moderate to light with positions changing many times. No one skipper monopolized the winning spot; however, Howard Foht was able to garner a first in the second and fourth races, with John Tieglund, Harry Sindler and Dr. Murphy winning the other individual races. John Tieglund was subsequently disqualified in one race, which robbed him of a chance to place in the upper bracket.

Charles Allaire, sailing a new craft, less than two weeks old, did a magnificent job of sailing. He was able to amass a total of 311 points, enough to take first place had his new boat weighed the required 700 pounds. Unfortunately for Charlie, he was also disqualified when the weight discrepancy was discovered after the last race, at which time the first six boats were weighed by the official Lightning scales.

On Friday evening all skippers and crews assembled at the Club for a Skipper's meeting and a "Sound-off." The big event of the social season was the "Barbary Coast Ball." With just a slight imagination, one could place himself on carnival night in the midst of Can-Can girls, prospectors, Chinese coolies and characters in general, as walked the streets in California coast towns at the turn of the century. This conglomeration of humanity mingled

and thronged in the southwest corner of the St. Petersburg Yacht Club ballroom during the cocktail hour preceding the Costume Ball.

Commodore Stan Shaver presided at the presentations which followed the sumptuous buffet dinner on Sunday evening. Commodore Stan extended a gracious welcome to all and an invitation for a repeat visit in '54. Everyone who was there hoped that they might be among the fortunate ones to enjoy a perfect Winter Vacation on Tampa Bay.

# HAWAII HERE I COME

By Pat and Lillian Young

10,000 miles to sail five races. Yes sir, on September 15th after carefully strapping down Lightning No. 4880 "Dark Cloud" to my trailer we left our home port of Cleveland Ohio and charted our course due west for San Francisco some 2650 miles away. Arrived there five days later covering this distance at an average better than 500 miles a day, which is slightly faster than the speed of my Lightning. At San Francisco we shipped the "Dark Cloud" to Honolulu another 2100 miles on the Hawaiian Packer of the Matson Navigation Co. while Mrs. Young and I sailed on the S. S. LURLINE.

The welcome we received in Honolulu was fantastically beautiful and friendly. As we approached Diamond Head, official Greeter Boats came out to meet us as did many other power craft and sail boats of all sizes. As we approached the dock there seemed to be a Roman Holiday, with Hawaiian bands playing and Hula Girls dancing and literally thousands of people gathered there to welcome the arrival of the LURLINE and her passengers. We were officially greeted by the great Duke Kohanomoku and many of our dear future friends from the Waikiki and Kaneohe Yacht Clubs, each placing a fragrant fresh flower lei around our neck and greeting us with an embrace and a kiss and a fond ALOHA. Tears of gladness welled in our eyes and we were overcome with the sincere friendly welcome of the Islanders. Our fondest dreams had come true—we had arrived in Hawaii. After talking over a radio hook-up, posing for pictures and television we were whisked away to our hotel at Waikiki Beach, where after a short rest we proceeded to the Waikiki Yacht Club to rig our boat and prepare for the Regatta. Thru the splendid organization and cooperation of Commodore Dole and Chairman "Pete" Goss my boat was awaiting me at the Yacht Club, having been picked up at the Matson Dock and transported to the Yacht Club for me. Many willing hands from the local Lightning Fleet made the task of rigging and launching the "Dark Cloud" an easy one for us, and soon we were sailing over the deep blue waters of the mighty Pacific. As crew I had Wm. Rodgers, Commodore of the Wollaston Yacht Club of Duxbury, Mass. whom I met on board the S. S. Lurline and Ronney Wise of Australia whom Bob Southgate of the Waikiki Lightning Fleet arranged to have sail with me. I was extremely fortunate to have Ronney Wise crew for me and I do not hesitate to say that he is the best sailor I ever had as crew. He was a regular crew of the "Cherokee" a 63 ft. ocean racer out of Los Angeles, who at the time was in Honolulu getting her ready for the Trans Pacific Race from Los Angeles to Honolulu. His accent was refreshing, his skill a great help and his personality and charm very pleasing. He was extremely interesting in that he spoke of New Zealand, Samoa, Tahiti and other distant places as we speak of say New York, Indiana and Ohio.

We sailed in brisk Trade Winds—for the benefit of inland sailors let me say that they really blow. During the third race on Wednesday we broke our rudder and had to be towed in. Out of 50 boats sailing 10 were damaged and failed to finish. The wind as posted on the bulletin board was shown as 28 KNOTS and I personally think it was a gross understatement. I know back home,

we would have postponed the race until the wind let up a bit but the committee ordered the race sailed and we sailed (and how). The course was mighty rugged and long—13 miles compared to the usual 6 miles that we are accustomed to sailing in our Lightning Championships. The Lightnings were the only centerboard class participating—the other keel boats were Mercury, Star, 110, 210, PC and S Class—we all sailed the same course. If you ever rode a bucking broncho then you can appreciate our sailing a Lightning over the rolling Pacific in fresh Trade Winds. We did not carry an anchor—the depth of the water over our course was 2,200 ft. and we felt our anchor line of 50 ft. quite inadequate and superfluous. After we were disabled, we made a sea anchor of our sailbag and were mighty happy to have the Coast Guard come to our rescue. Our average time for completing the race of 13 miles was just over two hours. We had three windward-leeward races and two triangular races. When you cover two tough beats into a stiff 28 Knot breeze you can appreciate the way we made tracks with the wind and on the reaches. Some fun! Our record in the five race series was 4th, 2nd, 0 (broken Rudder) 1st, 1st for a Third in the series. Cy Gillette of Kaneohe Yacht Club, Honolulu, a splendid sailor and a grand guy won with two first and three seconds, and Carl Ackerman of Coronado Yacht Club, San Diego, Cal. placed second with a first, second and three fifths.

The Sailing Committee, Commodore Dole, Chairman Pete Goss, Champion Cy Gillette and all the local sailors were grand hosts treating us to fine dinner and beach parties, various entertainments and spectacles. The Regatta was opened Sunday morning with a procession headed by the King and Queen of Hawaii, the High Priest, Torch Bearers, etc. At the moorings the High Priest chanted a prayer and then blessed with salt water all the yachts and boats that were to participate in the Regatta. A Lightning Fleet Party was held on Monday evening and each evening thereafter the different racing

classes held a party at the Waikiki Yacht Club. We were invited to dinner at the beautiful home of Com. and Mrs. Dole on Pacific Heights, we had a beach picnic with body surfing on the rollers of the Pacific on the other side of

Oahu as guests of charming Mrs. Gillette and Cy. We enjoyed a fish fry and dance at the Kaneohe Yacht Club and wound up our round of official entertainment with an elaborate feast known as the Hawaiian Lua—we ate Poi and pig, chicken and all the dressings.

We visited the famous Pali, the Throne Room in the Palace, Waikiki Beach, Diamond Head, Pearl Harbor and other places of interest and after a grand farewell party in the famous Banyan Court of the Moana Hotel our visit had to come to an end and next morning we sailed for San Francisco and home. We hated to leave as farewells and leis were again placed on our shoulders and amid showers of confetti and paper stringers the S. S. Lurline sailed majestically out of the harbor. And as is customary, we cast our leis overboard, meaning and hoping that we again would visit this isle of wonder and friendship. ALOHA!

## LIGHTNING SAILORS AT THE OLYMPICS

By John Robertson

We, the crew of the Rhoda 2327 decided to try for the Olympics. Canada was divided into four zones, British Columbia, Ontario, Quebec and the Maritimes. We chose the Dragon class which carries a crew of three and flies a spinnaker.

The Ontario trials took place in June at the Boulevard Club, Toronto, Ontario. The club had five Crusaders, which made it possible for us all to sail boats similar to Dragons. The course was three miles. Three races were held on Saturday with heavy winds, and two races Sunday with light winds. We ended these five races with a one-half point lead.

The following week-end another series of five races were held. The sun was extremely hot and the winds light, making difficult racing conditions. However, we increased our lead seven and three quarters points and were declared the winners of the Dragon class trials in the Ontario zone. The final races were held at the Royal St. Lawrence Yacht Club, on Lake St. Louis near Montreal. The races were sailed in Dragons, bringing the winners from the three zones together.

This series was comprised of eight races, of which five were sailed on Saturday, one only on Sunday, due to lack of wind, and the remaining two on Monday. We finished this series with a lead of three points and were declared Canada's Olympic crew for the Dragon Class. We Lightning sailors had won, after sailing 18 races against crews of Stars, 14 Foot Dinghies, Blue Noses, Tumlarens and 8 Metres.

Ahead of us lay the Olympics! The Canadian Olympic Yachting team met for the first time at an unforgettable send-off dinner at the Royal St. Lawrence Yacht Club in Montreal. Then the thrilling trip to Ireland was accomplished in a magnificent British Overseas Strata Cruiser, where we took on fuel before proceeding to London. Although some of the athletes suffered from the bumpy air ride, we, being good Lightning sailors, weathered the 30 hour air trip without ill effects. From London we travelled to Helsinki, Finland, in smaller planes.

The sailors were located at three different yacht clubs, each having a boat yard. We were given a Finnish college lad to act as interpreter, and what a wonderful friend and a great help our Onni turned out to be. We were billeted in flats in town, in contrast to the athletes who all lived together in the Olympic village. Most of the sailors were in Helsinki at least a week before the racing, tuning up, and speculation ran high. Our Dragon arrived on a Swedish boat, so off we went to get her. She looked

pretty good to us, and immediately upon seeing her, our hopes soared. We had her towed to the club and pulled out so that we could set to work polishing her already perfect finish.

At last the opening day arrived—the one for which Helsinki had been preparing with great pride and industry. It is not every day that one plays host to 72 nations. The great stadium was packed with 70,000 people, in spite of the rain, and into it marched the contestants from all over the world, each nation preceded by its proudly waving flag. It would be difficult to explain the intense feeling of patriotism and pride which filled our breasts when our national anthem was played by the huge orchestra as we marched in. Behind us came more and yet more nations, each colorful and picturesque in smart uniforms.

After speeches of welcome from the Finnish government, the Olympic flame was to be lit. Suddenly, Finland's renowned runner, Nurmi appeared dressed all in white, the flaming torch held high above his head. Running speedily around the stadium until he reached the huge 15th Olympic torch, he ignited it, and it burned throughout the Olympic games.

The Yacht racing, which was what we were interested in, was held off Helsinki in the Gulf of Finland which is part of the Baltic. The racing began the second day of the Olympics, and we set sail from our club around 10:00 a.m. and left for the course which was about an hour's run out, eating our lunch on the way.

The course was a circle of 8 buoys with the start in the center, which always gave us a buck for the first leg. If the wind was in the north, they would send us to the buoys as follows; 1,3,5,1,3,5, and finish. This, in total, represented 13 miles. The Six Metres, 5.5 metres, Dragons and Stars started in that order ten minutes apart. This order of starting was all right as long as the wind was heavy, but when it got light the Stars sailed right through the Dragons.

The Norwegian sailed the "Pam" made it his second consecutive win in the Dragon class. He sailed a wonderful series of seven races and was by far the best. We were sailing a Danish boat which was bought by a Syndicate of men in Montreal for the Canadian team, and while it was a very good boat, we were unable to make it go in light airs. In the race that it blew the hardest, we managed to come in fourth, which was our best showing. We always did well off the wind, this being due to the high standard that has been established in flying spinnakers in the Lightning class. We were continually wet through with the cold waters around Helsinki, the weather was rainy and our hopes too, were dampened. However, we managed to come out in front of all the English speaking nations, finishing tenth in a field of seventeen boats in our class.

The closing ceremony for the Yachtsmen took place at one of the Yacht Clubs and it was both dignified and heart stirring. As the winning crews marched forward, their national anthems were played their flags waved proudly over their heads and the coveted gold medals were pinned on their breasts.

The day of departure marked the low ebb in our tide of emotions. No flags flying, everyone intent on homegoing, and our carefully packed Dragon on board a huge freighter en route to Denmark where she was to be sold. In closing let me say that the Dragons are Scandinavian boats and therefore were most suitable for the waters we

were sailing in. The men of the Scandinavian countries understood their handling, perhaps better than we did, but I felt that we, as Lightning sailors, held our own very well.

## SHREVEPORT LIGHTNINGS INVADE FLORIDA GULF COAST

Sailing to Europe couldn't have occasioned more conversation and planning than our projected trip from Shreveport to Ft. Walton on the Florida Gulf Coast five hundred miles away. We three families, six adults and eight children (the youngest six years old) were strictly amateurs, never having taken our boats on trailers, or sailed in salt water. All of the old hands at the Yacht Club were more than helpful, both actively, and with advice. We left Shreveport at noon, in a burst of publicity. The newspaper had a photographer to record our leaving, and since our three Lightnings had blocked traffic, the neighborhood was alerted and voluble. Our good and experienced friend, Rob Roy, offered to accompany us about fifty miles in order to see that we were properly hooked up. He incidentally had more than passing interest as one of us had borrowed his trailer. We stopped for inspection, assurance, and cokes three times in this fifty miles with Rob in the meantime in his car like a mother hen, weaving in and out of the caravan. At Coushatta, our pilot left us, and we don't know who was more concerned, we or Rob. We were on our own!

Needless to say, three brightly painted Lightnings, one red, one blue, and one pink, created quite a stir in some of the smaller inland towns.

Our first difficulty came between Natchez and Brookhaven, Mississippi. We ran smack into a cloudburst. What torrents! Having stowed much of our luggage in the boat, in order to balance the road, we wondered about the damage. However, thanks to the Lightning deck and the canvas cover which we had thrown over the suitcases, everything stayed dry. To the amusement of our fellow tourists, we bailed at Brookhaven, Mississippi, where we spent the first night.

Launching the boats at our destination, in Choctawhatchee Bay, was our next problem. We found a suitable anchorage with a good road down to the beach. Unfortunately, the water was shallow for a considerable distance, and it took a lot of pushing and tugging to coax the trailer into deep water, about one hundred feet off shore. One of the trailers bogged, but we improvised an underwater track for it by using some old planks conven-

iently stacked under the beach. Our young boys held the planks under water.

Having procured charts of the bay, we were all anxious to test the sailing conditions. So the next day three boats and fourteen people started on a cruise. We sighted another sailboat, a twenty-six foot sloop, and hailed her. Those aboard invited us to a mixed class race at Dixie Point the next Sunday, informing us that there was one local Lightning entered. Our chart read that the clearance under the Destin bridge was enough that we could pass through and sail into the Gulf. Fearlessly we started. That's when we learned about tide and its effect. We didn't go far into the Gulf before agreeing to turn back. Later, we were told that at times, if the wind is not just right, a sail boat can go under the bridge, but due to the tide, can't get back. Also, we learned that this is the only outlet to the Gulf for a hundred miles, and the water fairly churns under the bridge.

We had had advice on the holding properties of anchors, anywhere from four and one-half pound Dan-forths to thirty-five pound ones. One of us is the cautious type, and carried a thirty-five pound anchor. The other two relied on small ones. Imagine our surprise the morning after a north blow, to discover two of the boats beached. Needless to say, it was the thirty-five pound anchor that held. Fortunately (as there were hazardous piers and stumps about) the boats were not damaged. We visited a junk yard, bought two motor blocks, and constructed moorings marked by motor scooter inner tubes and rode nicely through several more blows.

One day we decided to take a picnic sail up the bay, under the draw bridge at Ft. Walton, and into the Intracoastal Canal. The idea was dandy, but we disregarded the charts, got out of the dredged channel, and ran aground. One of the group broke the pintels on his rudder. Fortunately, he was the cautious one who had brought along his outboard motor. So we encountered very little delay in getting started again. We three boats arrived at the draw bridge, and not yet having learned about a horn, started yelling to the draw bridge man to "open up." To our consternation, as we were approaching

Three Shreveport Yacht Club Lightning sailors, Joe Seger, Pat Beaird, and "Clete" Zaenglein, with their wives and children took a joint family vacation during August, 1952, trailed their three Lightnings, for the first time, 1,000 miles round trip to Ft. Walton, Florida. They sailed in Choctawhatchee Bay and the Gulf of

Mexico for about two weeks before tackling the 50-mile sail to Pensacola, Florida where they competed in the Annual Gulf Yachting Association Lightning Championship Regatta held on August 16 and 17. It was a wonderful experience and they are planning a similar vacation trip next summer.

it with a spanking breeze, the man in charge was on the bank attending to his sideline of selling bait. He arrived in time, however, and we got a thrill sailing through, holding up traffic in Ft. Walton for blocks. The channel, for which by now we had great respect, was too narrow to do much maneuvering in a south west breeze. We beached our boats, picnicked, and started home, only to have the breeze die. What with the flatness and the tide, we deemed it best to tie onto the cautious one, and ignominiously go home under power.

Running aground proved our biggest hazard. We learned to keep our centerboard down in shallow water, thus protecting our rudder. If we touched, we would raise it slightly, and scurry back to deeper water.

One day our three teen-agers, in one boat, challenged their fathers, in another, to a race; starting in the bay, to go under the bridge at Destin, and out into the Gulf. The finish line was to be our cottages at Silver Beach, a matter of about five miles one way. Cutting the channel short, the teen-agers ran aground, which they vow was what lost them the race. Indulging in a little grand-standing, both boats came in over the surf in front of the cottages, and beached to get a coke. The bottoms of the boats got an extra wet sanding job. It was an exciting moment at Silver Beach, and we sailors were the objects of much interest from the non-sailing sunbathers. Everyone wanted in the act of getting the boats back over the surf and into deep water.

Several times, we sailed the ten miles to Ft. Walton and docked at an excellent hotel on the sound for lunch. We found our shorts and tee shirts acceptable attire. These visits seemed to please the management as our landings and takeoffs enlivened the day for the interested guests.

We had entered the three sailboats at a regatta in Pensacola, forty-five miles west on the Intracoastal canal. Acting on the advice of Rob Roy, who in Shreveport assured us of a constant southeast wind all the way to Pensacola, we decided to sail there, taking two days to do so. Unfortunately, on these two days the wind was from the west, and as the channel is narrow and doglegged, we had to do a lot of tacking. The trip was fine until after lunch, when the wind picked up. From then on it was real work, beating constantly. In one of the narrowest places, we met a tow boat pushing three huge barges. It presented a delicate situation in a narrow channel, but we all came through without a mishap. Then one of the children went forward to free a painter, and promptly fell overboard on a big wave, but the following boat picked him up.

We had predetermined to dock at Navarre, half way to Pensacola, for the night. There the cautious one had previously located a long pier. The skipper of the first boat to the dock made a well-planned, but due to the stiff wind, hasty landing in what he had been told was eight feet of water. Because of the tide, it turned out to be two feet deep. We had forgotten to keep the center-board down, so off flew two gudgeons. This part of the Gulf Coast is ill-prepared to service a sailboat. No gudgeons were found to fit, but in display of ingenuity, two oar locks were dismantled and used. These, with venetian blind cording as padding, served very well as gudgeons for the cruise next day and three races at Pensacola, although the padding had worn thin by this time.

The three women in the crowd drove the empty trailers to Pensacola and parked them at the Yacht Club.

The races, coupled with the gracious hospitality of the Pensacola Yacht Club, were a fitting climax to a grand cruising and racing vacation.

### QUOTING FROM HIS LETTER OF NOVEMBER 3RD

"This paint has given us wonderful results on the bottom of our Lightning "SPIRIT II"; it has resisted the attack of the salt water in which the boat remains for long periods and lends itself to giving the finest racing finish.

We attribute much of the success in racing which we have had during the past year to the very slick bottom of "SPIRIT II". Modestly, we set forth the more important regattas during 1952 which were won by "SPIRIT II":

Gulf Yachting Association in New Orleans  
New Orleans Yacht Club Invitation Regatta  
Midsummer Biloxi Regatta  
Midsummer Gulfport Regatta  
Midsummer Bay—Waveland Regatta  
Midsummer Pass—Christian Regatta  
Southern Lightning District Championship  
Lightning Fleet No. 62 Championship  
Second place—International Lightning Championship  
(Spray Beach, New Jersey)

We look forward to the continued use of "COPEROYD" as the finest bottom paint.

# A TRIP ABOARD LIGHTNING "STARDUST III 1033" FROM NEW ORLEANS TO GULFPORT, MISSISSIPPI

By Eugene H. Walet III

It was the afternoon of June 29, 1951 and everyone was preparing to make the long distance race to Gulfport. A Lightning was too small to be entered in this race, so Danny Killeen, Ralph Morse and I decided to sail the "Stardust" over to Gulfport for the Famous Race Week.

The sky was clear and a 12-15 knot breeze was blowing from the southwest. We left a half hour before the fleet, with spinnaker set and moving like a train of cars. The sea was not heavy yet because this was an off shore breeze on Lake Pontchartrain.

When 2:30 P.M. arrived it saw us about three and one-half miles ahead of the fleet. The gun fired and we saw the spinnakers being set and we wondered how long before the fleet would catch us.

We have gotten off shore now and the sea is picking up pretty good but we are PLANEING like a house afire at present. 4:13 P.M. finds us proceeding through the Southern Railroad Bridge and the Watson & Williams Car Bridge which is highway 11 out of New Orleans. After this we sailed over the Middle Grounds which is the entrance to the Rigolets Pass.

5:04 P.M. entering the Rigolets Pass and passing the Rigolets Car Bridge which is highway 90 out of New Orleans. The tide is terrific in there and at times it runs from 5-8 knots. If it is against you, you will have a very hard time sailing through the Pass. This is a winding Pass, 8 miles long and as wide as a half mile in some places. The tide was with us when we went through here and we were going like a train of cars. The spinnaker was still set and drawing well.

6:10 P.M. went through L&N Railroad Bridge. At this point a Raven passed us and we are now 2nd boat in the 28 boats. The L&N Railroad Bridge is at the East

end of the Pass where it meets Lake Borgne and the Intercoastal Waterway. Lake Borgne is very shallow, 8-10 feet deep, and it kicks up in a breeze.

Upon entering the Lake the breeze increased to 18-20 knots. The sea was very heavy and the old boat really took off and planed almost the rest of the way to Gulfport.

Pearl River Light was next and we planed by it so fast that we hardly had time to see it.

8:47 P.M. saw us at Lower Point Clear. Breeze increased to 30 in puffs and spinnaker had to be taken off and jib was put on. Lake Borgne meets the Mississippi Sound here. It was dark and the moon had not come up yet. Still clear. The run was dead free and the boat had a tendency to broach.

10:01 P.M. moon was out and sky still clear. Breeze let up a bit and we are resetting the spinnaker again. Two Cutters passed us to windward as we flew past Merrill Coquille Light. This puts us in 4th place with the half hour head start. As we leave Pass Marianne Light to starboard, a third Cutter passed us with her masthead spinnaker set and drawing. The sea was really heavy and the wind blew 20 from the southwest. A fourth Cutter goes by like a wild herd of cattle.

11:23 P.M. arrived in Gulfport Harbor after planing almost all the way from New Orleans.

We were 6th boat at Gulfport out of the whole fleet, although we did start a half hour before the fleet. We still beat 4 Cutters, 6 Luders (L16), 12 Gulf One Designs, one Raven and several Knockabouts. The total distance of this race is 60 miles.

This is a record trip for a Lightning and proves that a Lightning can stay with the large as well as the smaller ones.

*May the 1953 season be the best in the history of  
the fastest growing one design class in the World.*

# THE GREEN EYED MONSTER

By Audrey E. Mann

This is the story of a gal, a man and a sailboat. Now I am fully aware that there is nothing unusual about a gal, a man and a sailboat but this gal was different. She was jealous of a boat.

This man and his gal dreamed; he about winning the Lightning Internationals—she about some trivial matter like a mink coat or maybe a trip to Hawaii. When the gal would mention the coat the guy would say, "You can't sail in a number like that." However with great tenderness and with a loving gleam in his eyes the guy would spend day after day smoothing the bottom and putting a beautiful and lustrous coat on his "TarBaby." Still not content with the state of the wardrobe of the Baby he came forth with new sails. The old ones had become a little damp on one or two occasions and certainly were not fit for a fine lady like TarBaby. Of course the gal's coat had been through the war of '75 and her transom was practically exposed.

Came the happy day when the Mann called and said, "Wait until you see what I bought you." The little woman was hysterical with joy. Ah, at last—the coat! She waited breathlessly for the day to end. The guy came home; the package certainly was not large enough for the mink; in fact it wasn't large enough for a half mink. Said the Mann:

"I had to shop most of the day but I know these will do the trick. They will make crewing so much easier for you." Foiled again. TarBaby had some new fittings.

The Baby usually performed well for her master from the first breath of spring until the ice formed on our lake. With gentle hands she was carefully laid away for her winter's rest. Thoughts then turned to a winter vacation. The gal with a faraway look in her eyes dreaming of lazy days on the beach thought, "At last my chance has come. TarBaby can just sit and freeze while I have my Mann all to myself for three glorious weeks." It did seem a little queer when the guy started work on the Baby during the cold wintry days of December and January. In fact the darn thing got her second new coat for the year while the gal went slinking down the street in the old number. TarBaby's coat was not silky and glossy enough for her spring appearance. Coming from the garage, which normally was used for car storage but was now being used for a winter home for the Baby the guy announced that the Baby would be ready to leave right on schedule. Funny but he didn't seem to see the daggers which the green monster cast his way.

Came the time when the gal decided, "Things have gone far enough. A choice must be made. I will not crew, simply will not have anything to do with the darn thing. Next Sunday I will wear my fetching little cotton number, sip a long, cool drink and spend a very relaxing day." Came the race. It was just a little hard to see everything clearly from the porch. The porch fleet seemed to be able to see just a little clearer than I even though I tested 20-20. Muttering, groaning, ruining a perfectly good manicure, mussing my lovely cotton I sat on the sea wall. Rather, at times, I sat. Other times found me in the air.

"Why, oh why doesn't he come about? Why don't they pull in that jib? Come on TarBaby if you win this one I promise to love you and never let the green-eyed monster take over again."

The Baby comes from a very large and active fleet. The problem of crews is terrific. However, coming in from a race with hair looking like a mop, usually dripping wet from hanging ballast over the side, terribly worked up because we didn't do better, though once or twice we got the gun as the members of Fleet #43 would testify, so weary I could die, I tell myself: "This is the last time. One just can't keep doing this sort of thing the rest of one's life. After all I am a grandmother and should start acting like one. From now on it will be just a pleasant relaxing Sunday afternoon cruise with family or friends. Well, maybe just once more if my Mann can't get a full crew for good old 4283. It would be rather stupid to wear a mink coat for foul weather gear wouldn't it? Anyway it might make the Baby jealous.

Please Father, give me the strength and courage to crew on TarBaby for her Mann when they need me, give me the opportunity to enjoy the many Regattas and the enduring friendships made during the years. Give my Mann the strength, hope and the courage to keep fighting so that some day TarBaby might be crowned "The Champion." For fair skies and changing winds we thank Thee. Amen.

# HOW TO MEASURE A LIGHTNING

By J. E. Ryno, Honolulu, T. H.

For quite some time now I have been fooling around with a device that would simplify the job of measuring Lightnings. I think that I have finally hit upon a very bright idea and I am going to pass the idea along to you with the hopes that you will get behind the idea there and

over these that you will readily recognize the merit that exists in the device.

I would not only like you fellows to adopt the device, but I would also like you to actually promote its use by all official measurers. In other words let this device supplant

1

get the device adopted for the purpose of filling out the official measurement certificates.

I am enclosing a set of eight pictures that shows the rig much better than I could explain it to you. (Unfortunately, I am not a draftsman so I can not give you detailed drawings) I am also enclosing a paper that explains each picture in some detail. I hope that after you pore

the present method of measuring with wires, gallows, weights, plumb bobs etc. If you are interested to this extent, and would authorize me to spend a little money to hire a draftsman, I am sure that I could give you a complete set of working drawings that could be used by anyone to build the device. It took me about 8 hours to build mine, after I finally decided what was needed.

I have used this device to check measurements on boats that had been measured in the conventional manner and I have found without doubt that the device not only gives a more accurate measurement but that the job can be done by two men in not over three hours time for measuring complete boat, mast, boom, centerboard and rudder. This is less than one-eighth of the time required by the method now approved.

The device is much more accurate than the present approved method because you have no wires that can sag off, no plumb bobs that can be blown about by the wind, etc. The boat doesn't even have to be levelled, either fore and aft or athwart ships. All that you need to do is to remove mast and centerboard—re-insert C/B pin and turn boat over and you are ready to measure. No time is required to build and set up a series of gallows. Also the device is easily portable.

I have not patented the device and I do not intend to. I give it to the Lightning Class Association for what it is worth. I only hope that it will be adopted so that the life of all official measurers will be made that much easier.

While I happen to be Commodore of the Kaneohe Yacht Club, these pictures were taken on the leeward side

2

3

of the Island at The Waikiki Yacht Club. As you know, this is the Club that is sponsoring the Hawaii Invitational Regatta this year. Maybe the pictures will, as well, help to convince you that you shouldn't miss that event this year.

#### LIGHTNING MEASURING DEVICE

##### Picture #1

Shows complete rig before putting on boat.

A—Is a straight edge  $1\frac{1}{8}" \times 5" \times 20'$  and is used to re-establish the Base Line on the Boat. It is scribed (with shallow saw-cuts) at stations 1, 2, 3, 5, 7, 8, 9, and at forward edge of centerboard pin ( $13\frac{1}{16}"$  forward from station 5).

B—Is a piece  $1\frac{1}{8}" \times 5" \times 7\frac{1}{2}"$ , slotted so that it will

fit on the straight-edge crosswise with the after edge at station 3. It has an up and down adjustment of  $\frac{1}{2}"$  to allow adjustment for the difference in thickness of keels of different boats.

C—Is the same as B, except it is  $1\frac{1}{8}" \times 5" \times 6\frac{1}{4}"$  and the forward edge fits at station 8. In addition the bottom of the piece is slotted so that it will sit straddle of the skeg.

D—Is a clamping device—put on with  $\frac{1}{4}"$  bolts—that secures the straight-edge to the keel forward.

E—Is a clamping device that secures the straight-edge to the skeg aft.

F—Is a piece  $5/16" \times 1\frac{1}{8}" \times 39\frac{1}{2}"$  which is mortised into the bottom of and at a 90 degree angle to the straight-edge. When the straight edge is placed on the boat, the

4

5

after edge of F is placed against the forward edge of the C/B pin.

(Note—In setting the rig on the boat, it is merely necessary to adjust B & C to compensate for the amount that the Keel stands proud of the planking, hold straight-edge over boat so that F will slip into centerboard trunk forward of pin, set it down on boat and slide aft until edge of F and C/B pin touch and then tighten clamps D & E so that rig is held securely and can't move)

G—Is an "A" frame, made up of a piece  $1\frac{1}{8}$ " x 2" x 8' with a T Brace piece  $1\frac{1}{8}$ " x 2" x 24" that sets on top of straight edge. Note in picture #3 that a scab is placed on both sides of this T brace and that the whole frame fits and slides along the straight-edge in such a manner that the forward edge of the "A" frame is at a 90 degree angle to the straight-edge at all times. This "A" frame can be slid along and positioned at the various stations that are

permanently marked off (with a shallow saw-cut) on the straight-edge.

H—These are two pieces  $5/16$ " x  $1\frac{1}{8}$ " x 42" with a block affixed at right angles to the lower end. From the top of the block, these pieces are scribed (with shallow saw-cuts) at one inch intervals and each mark is designated 0-1, 0-2, 0-3, etc. (meaning feet and inches). These pieces slide up and down in a slide that also moves in and out on the forward member of the "A" frame.

I—These two pieces are  $5/16$ " x  $1\frac{1}{8}$ " x 21" and are also scribed at one inch intervals from the bottom up.

6

7

8

#### Picture #2

Placing the straight-edge on the boat with F just forward of the center board pin.

#### Picture #3

Placing "A" Frame (Part G in picture #1) on straight-edge at station 5 (see saw-cut). By marking station 5 at deck line on both sides, Cockpit width at this point can be taken.

#### Picture #4

Shows complete rig set up on boat with "A" frame at station 3 and facing forward. (Note—in operation, "A" frame faces forward to take measurements at stations 1, 2, 3 and 5 but it is placed facing aft when taking measurements at stations 7, 8, 9 and the transom.) After straight-edge is fastened securely on boat, then square down (with carpenter framing square and a small straight edge) from top of straight-edge to extreme forward point of bow and at extreme after edge of deck at transom and place a small pencil mark on straight-edge at these two points. Also by placing square against transom, scribe a line on the straight-edge that is a prolongation of the angle of the transom. With these three points marked and with the permanent mark that designated the forward edge of C/B pin, measurements "K", "L", "M" and "LOA" can be taken very easily.

"I" and "J" measurements also can be taken very easily by going under the boat and by measuring from the after side of F forward to Mast position and from Forward of Mast to intersection of Jib stay with deck.

#### Picture #5

Same as picture #4, except "A" frame is at station 7 and is facing aft.

#### Picture #6

This is a Head-on shot showing pieces H & I at a 90 degree angle to bottom of "A" frame and in position (note clamps used to secure H & I in place in the picture #5), for taking chine and sheer heights and half-breadths. When positioning these pieces, it is necessary to adjust "A" frame at the extreme ends, either up or down—still resting on straight-edge—so that it is the same distance from bottom of "A" frame to chine and sheer of boat on both sides.

#### Picture #7

Point of pencil indicates measuring point for height of sheer, Note block is flush with deck. By noting designation on scribe line just below bottom edge of "A" frame and by placing rule under bottom edge of "A" frame and measuring the eighths of an inch between it and the first scribe line, the height measurement can be had. The chine height can be taken in the same manner, except the lower end of I is set so that the inside edge is located at a point where the bottom and side planking would intersect if chine was not rounded off.

The half breadth at the chine is taken by measuring completely across the boat—from inside edge of piece I on Port side to inside edge of piece I on Starboard side and then dividing this distance by two.

The half breadth at the sheer is taken in the same manner. (Note that Bang Rails have been removed in picture. If Bang Rails are on the boat at time of measuring it is merely necessary to allow for these by deducting the amount on both sides of the boat that the rail stands proud—before dividing by two. This measurement can be taken by going underneath the boat and measuring from inside edge of piece H to outside edge of deck at sheer.

#### Picture #8

Shows a close-up of pieces H & I in the slides on the "A" frame. (Note scribed lines at one inch intervals and pencil designations on pieces H & I.)

## AWARD OF FOWLE CUP TO JAMES BOOST FOR LIGHTNING CLASS

By John Collins

The fast growing Lightning fleets of Boston Bay, Marblehead and Cape Ann could stick their collective chest out a bit further today after top salt, Bob James of Rockport, was awarded the 16th Leonard Munn Fowle Memorial Trophy for the outstanding racing and sportsmanship performance of Marblehead Race Week.

While competition in a 15-boat fleet might seem too keen when one skipper can win five of seven races, the fact is only one of James' wins was a runaway—the others being captured by seconds.

The Lightning enthusiasts also can be proud that James was selected over a number of other outstanding performers including Winthrop's Joe Duplin, who won six of eight star races including the Pleon junior regatta; Cohasset's Don McNamara, who recaptured his 1950 110

Class New England championship; and Ted Hood of Marblehead, the International skipper, who took over McNamara's Bantry to win the week's series.

Sole dissenting voice in applauding James' selection by the Eastern Yacht Club race committee was offered by Rockport Star ace, Paul Woodbury, who pointed out, "Now we'll never be able to get him into the Star Class up here."

Adding to the luster of his sailing prowess is James' interest and activity in organizing the junior program for Rockport's Sandy Bay Yacht Club.

Sandy Bay had virtually no organized junior setup when James took over two years ago, but today, the club shows a class of 60 juniors who received their nautical training from James and two other instructors.

# OFFICIAL RACING RULES

## OF THE NORTH AMERICAN YACHT RACING UNION

37 West 44th Street

New York 36, N. Y.

### SUMMARY OF PRINCIPAL CHANGES IN 1953 RACING RULES

#### DEFINITIONS

**STARTING AND FINISHING**—A new provision has been added to cover the inability of a race committee to set the starting or finish lines as indicated in the instructions.

**LEEWARD AND WINDWARD**—The terms Leeward Yacht and Windward Yacht, which formerly applied only to yachts on the same tack, are now confined to yachts on the same tack that Overlap.

**OVERLAP**—See comment on Rule 10, below.

**LUFFING AND BEARING AWAY**—This is the only new definition.

**MARK**—This has been substantially revised in connection with the elimination of the string formula from Rule 13. Also, ordinary parts of a Mark below water are now part of a Mark.

#### RIGHT OF WAY RULES

**RULE 3—Passing Marks and Obstructions**—The operation of this rule has been extended to include yachts on opposite tacks that are about to pass on the required side of a Mark terminating a down wind leg of the course.

**RULE 4—Hailing for Room to Tack**—This rule has been extended to give a yacht to Leeward the right to hail for room to tack when a yacht to Windward is fetching an Obstruction other than a Mark or a right of way yacht on the opposite tack.

**RULE 6—Tacking and Jibing**—The former hailing provision has been transposed to new Propriety (d).

**RULE 7—Luffing Before Starting**—The Luffing rights of the Leeward Yacht have been restricted to whenever she has a substantial Overlap.

**RULE 10—Luffing After Starting**—As stated in the second paragraph of this rule, formerly part of the Overlap Definition, the widening out abeam Overlap limit for luffing purposes has been reduced from three to two lengths.

#### SAILING RULES OTHER THAN RIGHT OF WAY

**RULE 12—Keeping Clear of Course**—A new paragraph defining a contestant has been added.

**RULE 13—Rounding the Course**—The string formula has been abolished. This rule should be read in conjunction with the Starting, Finishing and Mark Definitions.

**GENERAL NOTE**—Numerous rules [particularly Rules 28, 34, 35, 36, 37, 52, 53(c), 54 and 55, and Propriety (d)] have been clarified and simplified without changing their substance. The only alteration in the order and numbering of the rules is the reversal of 1949 Rules 5 and 6, and 8 and 9.

## PART I

### DEFINITIONS

Terms defined below are capitalized in the text of the rules.

**STARTING AND FINISHING**—A yacht Starts when, after her start signal, her mainmast (or such other point as may be designated in the instructions) first crosses the starting line in the direction of the first Mark; and Finishes when it crosses the finish line from the direction of the last Mark. If the committee boat, either from necessity or error, is anchored on the side of a starting or finish Mark opposite to that indicated in the instructions, a yacht can start or finish properly only if she complies with the preceding sentence.

**LEEWARD AND WINDWARD**—to Leeward, on the side on which a yacht is, or, if luffing head to wind was, carrying her main boom; to Windward, on the other side. These terms, when applied to yachts, apply only to yachts on the same tack. A yacht to Leeward or to Windward may be either Clear Ahead, Overlapping or Clear Astern, but the terms Windward Yacht or Leeward Yacht apply only to yachts that Overlap.

**ON A TACK**—A yacht is On a Tack except when she is Tacking or Jibing. A yacht is on the tack (starboard or port) corresponding to her Windward side.

**CLEAR ASTERN, CLEAR AHEAD**—A yacht is Clear Astern of another when her hull, spars and sails are aft of an imaginary line projected a beam from the aftermost point of the other's hull and spars. The other yacht is Clear Ahead.

**OVERLAP**—When neither yacht is Clear Astern, the yachts Overlap. Two yachts also Overlap when an intervening yacht Overlaps both of them.

**OVERTAKING**—A yacht is Overtaking another when she is overhauling her from Clear Astern regardless of their respective courses. Overtaking terminates when an Overlap is established.

**TACKING**—A yacht is Tacking from the moment she is beyond head to wind until she bears away: if beating to windward, to a full and by course; if not beating to windward, to the course on which her mainsail fills.

**JIBING**—A yacht is Jibing from the moment when, with the wind aft, her main boom crosses her center line until her mainsail fills on the other side.

**LUFFING AND BEARING AWAY**—Luffing, altering course towards the wind. Bearing Away, altering course away from the wind. But a yacht is not Luffing or Bearing Away "in such manner as to balk or mislead" (Rule 5) if, when beating to windward, she alters her course to conform to a change in the strength or direction of the wind.

**NORMAL COURSE**—A Normal Course is any course a yacht might sail after the start signal and in the absence of the other yacht, to finish as quickly as possible. The course sailed before beginning to luff another yacht or to bear away is presumably a Normal Course.

**MARK**—The Marks for each yacht are the objects that the instructions require her to pass between or on a specified side. A Mark has a required side for a yacht only when she Starts, or when it begins, bounds or ends the leg of the course on which she is racing, and it ceases to have a required side for a yacht once she has properly passed or rounded the next Mark and left it astern; or in the case of a finish Mark, once she has Finished. Every ordinary part of a Mark (including a flag, flag pole, boom or hoisted boat) is part of it but not ground tackle or an accompanying government marker buoy.

**OBSTRUCTION**—Obstructions are craft under way (including another yacht racing having right of way), craft at anchor, craft aground, wrecks, the shore, piers, structures, fish weirs, fish traps, and shoals over which the yacht in question may not be safely piloted. A buoy is not of itself an Obstruction, but it is part of one when the yacht in question can not safely pass between it and the shoal or object that it bounds.

## PART II

### RIGHT OF WAY RULES

The rules of Part II apply between yachts intending to race from the time they begin to sail about in the vicinity of the start until they have left the vicinity of the course either between races or after their racing is over for the day. At other times (and at all times between other yachts) the Government Right of Way Rules (summarized in Appendix II) apply. For the purpose of disqualification, the rules of Part II apply from the yacht's preparatory signal until she has finished and cleared the finish line.

#### Rules That May Apply at Any Time

1. **ON OPPOSITE TACKS, FUNDAMENTAL RULE**—A port tack yacht shall keep clear of a starboard tack yacht.

2. **ON SAME TACK, FUNDAMENTAL RULE**—A Windward Yacht shall keep clear of a Leeward Yacht. An Overtaking Yacht shall keep clear and, when establishing an Overlap to Leeward, shall allow the Windward Yacht ample room and opportunity to fulfill her newly acquired obligation to keep clear.

3. **ON SAME OR OPPOSITE TACKS, PASSING MARKS AND OBSTRUCTIONS**—When yachts on the same tack that are not subject to the Anti-Barging Rule are about to pass on the same side of a Mark or Obstruction, or when yachts on opposite tacks are about to pass on the required side of a Mark terminating a down wind leg of the course, an outside yacht shall give each yacht Overlapping her on the inside room to pass or round it. But a yacht shall keep clear in anticipation of and during the passing or rounding maneuver if she is Clear Astern when the foremost point of the other yacht is abreast of it, or if she established an inside Overlap on the other yacht too late to enable the other yacht to give the required room.

A yacht Clear Ahead is under no obligation to give room before an Overlap is established. In case of doubt, it will be presumed that an inside Overlap was improperly established.

When this rule applies, it overrides all rules except Rule 9 but a yacht Clear Ahead cannot claim the right to tack under this rule: if she is completing the rounding of a leeward Mark and the next leg is a beat; or if the yachts are beating to windward, and are about to tack for or around a Mark or Obstruction,

and the yacht Clear Astern is to Windward. In either case the yacht Clear Ahead in Tacking is subject to Rule 6.

**4. ON SAME TACK, HAILING FOR ROOM TO TACK AT OBSTRUCTIONS**—When two yachts are standing close-hauled on the same tack towards an Obstruction, and one is to Leeward of and either Clear Ahead of or Overlapping the other, the helmsman of the one to Leeward, if he cannot fetch the Obstruction and if he cannot tack without colliding with the yacht to Windward, may hail for room to tack when safe piloting requires him to take action to clear it. After such hail, the yacht to Windward shall at once allow the yacht to Leeward room to tack, and the yacht to Leeward shall tack as soon as she has room to do so. If, however, the Obstruction is a Mark or a right of way yacht on the opposite tack, the yacht to Leeward may not hail for room to tack if the yacht to Windward can fetch the Obstruction.

If a hail to tack is improper for any reason, the yacht to Windward may hold her course. If she decides to do so, she shall promptly so advise the yacht to Leeward. When there is doubt, a hail to tack shall be deemed proper.

**5. ON SAME OF OPPOSITE TACKS, ALTERING COURSE**—A right of way yacht shall never alter course when the other yacht is unable to respond owing to her position, or in such manner as to balk or mislead her when she is in the act of keeping clear.

**6. TACKING AND JIBING**—A yacht while Tacking or Jibing shall keep clear of a yacht On a Tack. When a yacht tacks or jibes into a position that will subsequently give her right of way, she must do so far enough away from a yacht On a Tack to enable the latter to hold her course until the tack or jibe is completed and thereafter to keep clear. When there is doubt it shall be presumed that a yacht tacked or jibed too close to another yacht.

If two yachts are Tacking or Jibing at the same time, the one on the other's port side shall keep clear.

#### Rules That Apply Only at the Start

**7. ON SAME TACK, ALTERING COURSE**—Before Starting, a yacht Clear Ahead or a Leeward Yacht, when altering her course affects another yacht, may alter course but only slowly, and a Leeward Yacht may Luff only wherever the helmsman of the Windward Yacht (sighting abeam from his normal station) is aft of the mainmast of the Leeward Yacht. The last paragraph of Rule 10 also applies.

**8. ON SAME TACK, ANTI-BARGING RULE**—When approaching the starting line to Start, a Leeward Yacht is under no obligation to give any Windward Yacht room to pass to leeward of a starting Mark surrounded by navigable water; but a Leeward Yacht shall not after her start signal deprive a Windward Yacht of room at such Mark either by heading above the first Mark or by Luffing above close-hauled.

**9. ON SAME OR OPPOSITE TACKS, ON WRONG SIDE OF STARTING LINE AT START SIGNAL**—A yacht on the wrong side of the starting line or of its extensions when her start signal is made, shall, until she has Started, keep clear of all yachts that were on the right side of such line when their start signal was made. When this rule applies, it overrides all other rules.

#### Altering Course After Starting

**10. ON SAME TACK, LUFFING**—After Starting, a yacht may Luff a yacht Clear Astern or a Windward Yacht as she pleases and head to wind if she pleases, until the helmsman of the Windward Yacht (when sighting abeam from his normal station and sailing no higher than the Leeward Yacht) comes abreast of the mainmast of the Leeward Yacht. Thereafter, or if he (when sighting abeam from his normal station) was forward of the mainmast of the Leeward Yacht when the Overlap began, the Leeward Yacht may not sail above her Normal Course while that Overlap continues to exist.

For the purpose of this rule: An Overlap does not begin or continue to exist unless the yachts are clearly within two overall lengths of the longer yacht; and an Overlap that exists between two yachts when they Start, or when one or both of them completes a tack or jibe shall be regarded as beginning at that time.

When there is doubt, the Leeward Yacht may assume that she has the right to Luff unless the helmsman of the Windward Yacht has hailed "Mast Abeam," or words to that effect. The Leeward Yacht must be governed by such hail, and, if she deems it improper, her only remedy is to protest. The Windward Yacht shall not cause a luff to be curtailed because of her proximity to the Leeward Yacht unless an Obstruction, a third yacht or other object restricts her ability to respond. A yacht shall not luff unless she has the right to luff all yachts that would be affected by her luff, in which case they shall all respond, even if an intervening yacht would not otherwise have the right to luff.

**11. ON SAME TACK, BEARING AWAY**—When sailing on

## WITH AIROLLERS IT'S EASY TO HAUL OUT A LIGHTNING

Here's a new idea for Lightning skippers which will make sailing easier, safer and more fun—Airollers. They're heavy canvas cylinders 9½" dia. by 48" long, neoprene rubber lined and inflated by mouth only. They're used to roll boats up on shore, and are rated for sailboats and outboards up to 1200 lbs. Airollers roll without "sinking in" or "stalling" over sand, pebbles, rocks, mud, ramps and paved surfaces with amazing ease. Low pressure and frictionless they will not damage the finest racing finish.

A Lightning has been hauled out, careened with two Airollers midships under the chine, while the crew cleans the bottom for the next race.

The boat's weight is being carried by one Airoller while the second one is placed under the bow. Two Airollers are required for a Lightning—with three the job is somewhat easier.

Lightning skippers have found Airollers wonderful for bottom cleaning, end-of-season storage, rolling up the beach to the trailer, temporary mooring float, fenders, and life preservers. When deflated a pair of Airollers fold up to about shoebox size and weigh four pounds. An illustrated folder giving a complete description of Airollers and their use will be sent free upon request.

**\$15.00 each      \$30.00 a pair**  
(We also make the Airoller, Jr. for boats up to 400 lbs. priced at \$9.00 each)

With four new boats and increased racing activity, Fleet No. 35 is a real going concern, having thirteen boats in the Championship Series and sixteen boats on the lake.

The season opened early in May when two boats and three skippers went to Shreveport, La., for the annual regatta of the Shreveport Yacht Club. Sam Townsend in "Scoot" took second place with Bob Shiels as first mate. Earl Fetzer placed fifth in a borrowed boat as his boat, "Revel", was in "sick bay" following an unfortunate encounter with a large motor boat. "Revel" was moored at the time. This regatta was notable for the gale that blew both days and the usual hospitality of the members of the Shreveport Yacht Club.

The other Fleet No. 35 boat in the regatta was "Geneva", built and sailed by Al Spaulding of Dallas. Al had never built a boat or even sailed on one when he chose a Lightning to build. The boat is an excellent job, built without the aid of a kit. We were very pleased to welcome Al into our fleet.

Three new Martin boats also joined the Fleet this year:

5152 was delivered to Ed Reagar and Trueheart Brown; 4894 joined the Dallas Sailing Club fleet; and 5150 was ready just in time for the Ft. Worth regatta. Mr. Martin will build five more boats for the Dallas Sailing Club which should give us a total of approximately twenty boats in the Fleet No. 35 Championship races next year.

The well-managed Ft. Worth Boat Club Regatta was held June 7 and 8 on Eagle Mountain Lake. Five boats raced from Fleet No. 35, including Willis McQueen in "Dream Queen" and Trueheart Brown in "Non Sequitor". Conrad Lau and Neil Hutson, with Milton Price as crew won the first race in brand new 5150 and took second in the series. Sam Townsend in "Scoot" won the series. Al Spaulding in "Geneva" was third. Earl Fetzer skippered one of the club-owned "Falcon" class boats and finished second in this series, competing against crews from other clubs in this part of the country.

The remainder of the Fleet activity took place on White Rock Lake in Dallas. The Championship Series ran through the summer with time out for the Fourth of July Series and the Southwestern Regatta. The three-race Fourth of July Series was won by "Scoot" with Al Spaulding's "Geneva" second and Harold Boss in 4653 third.

The Southwestern Regatta is sponsored by the three sailing clubs on White Rock Lake. This year, visitors from Shreveport and Ft. Worth gave us a Lightning fleet of nineteen boats. The wind was strong, particularly on Labor Day, resulting in several mishaps. Raleigh Usry sailing 4891 with A. B. Patterson as crew won the series. Well ahead before the last race, Earl Fetzer was forced to withdraw with a broken spreader after being fouled, but still finished second. J. E. Knighton from Shreveport was third. The Lightning team race was won by the Dallas Sailing Club with the Corinthian Sailing Club of Dallas second.

The Fleet No. 35 Championship Series was held on Sunday afternoons. A total of fifteen races were sailed, of which ten were required to qualify. Sam Townsend in "Scoot" was first; Earl Fetzer sailing "Revel" second; and 5150 sailed by Conrad Lau and Neil Hutson, third. Harold Boss and Marshall Fagin were fourth and fifth respectively.

We want to take this opportunity to welcome any Lightning sailors in this area to join our Saturday and Sunday races at any time during the season. Successful as this season has been, we are sure next year will be even better.

a free leg of the course, a yacht shall not sail below her Normal Course when she is clearly within three of her overall lengths of a Leeward Yacht or of a yacht Clear Astern that is steering a course to pass to Leeward.

## PART III

### SAILING RULES OTHER THAN RIGHT OF WAY

#### The Race

Except as otherwise stated in Rules 12 and 24, the rules of Part III apply to a yacht from her preparatory signal until she has finished and cleared the finish line.

12. KEEPING CLEAR OF COURSE, BECOMING A CONTENDANT—Unless scheduled to start first, yachts shall keep clear of the starting area and of the first leg of the course until after their preparatory signal. After Finishing, a yacht shall keep clear of the finish line and the last leg of the course.

A yacht that sails about in the vicinity of the start after her preparatory signal shall be considered a contestant and as having participated in the race whether or not she actually Starts.

13. ROUNDING THE COURSE—A yacht shall Start and Finish as prescribed in the Starting and Finishing Definition. She shall pass or round each Mark on the required side in proper sequence. If, after Starting, she initially passes a Mark on the wrong side, she must return and repass on the same side of it before passing on the required side of it.

14. TOUCHING A MARK—A yacht shall not touch a Mark unless wrongfully forced to do so by another yacht, in which case she must protest. The Race Committee shall waive the penalty for touching a Mark if a becalmed yacht touches a Mark through no fault of her own.

15. TAKING OWN TIME AT FINISH—In the absence of the Race Committee, a yacht shall take her own time when she finishes, and report the time taken to the Race Committee as soon as possible. If there is no longer an established finish line, the finish line shall be a line extending from the required side of the finish Mark, at right angles to the last leg of the course, and 100 yards long or as much longer as may be necessary to insure adequate depth of water in crossing it.

#### Crew

16. NUMBER IN CREW—Except as otherwise provided in class rules, the total crew of a yacht including the skipper shall not exceed: 2, for yachts with less than 100 square feet of sail area; 3, for yachts with 100 or more, and less than 200, square

feet of sail area; and, for yachts with 200 or more square feet of sail area, 1 for every 250 square feet of sail area and fraction thereof plus 3.

17. COUNTING WOMEN AS CREW—Except as otherwise provided in class rules, on yachts of more than 32 feet waterline length, women not taking any active part in handling the yacht do not count as crew. On smaller yachts, women count as crew.

18. PAID HAND STEERING—A paid hand shall not steer a yacht of less than 32 feet waterline length.

#### Sails

19. PERMISSIBLE SAILS—A sloop may carry mainsail, main topsail, spinnaker or square sails, and any sails in the fore-triangle. A yawl or ketch may carry the same sails as a sloop plus mizzen, mizzen topsail and mizzen staysail. A schooner may carry the same sails as a sloop (or mizzen and mizzen topsail instead of mainsail and main topsail in the case of a three-masted schooner); plus any sails between the masts, except a topsail that extends above a topmast or beyond a gaff. No sail the foot of which is rigged to its own boom or club shall overlap a mast.

20. CHANGING SAILS—Light or storm sails may be set over, under or in place of working sails and a replacing sail may be fully set and trimmed before the sail it replaces is taken in, except that but one mainsail or spinnaker shall be carried set and broken out.

21. SHEETING SAILS TO SPARS—Sails may not be sheeted to outriggers, and may be sheeted to only the following spars: Any sail may be sheeted to a boom regularly used for a working sail and permanently attached to the mast to which the head of the sail is set; a headsail may be sheeted to a spinnaker pole provided the spinnaker is not set.

22. SPINNAKER, SPINNAKER POLE—A spinnaker must be closely attached to the outboard end of a spinnaker pole. A spinnaker pole may be carried only on the windward side of the foremost mast not over  $2 + 18\%$  of  $P^2$  (defined in measurement rules) feet above the deck. This rule does not apply when shifting a spinnaker pole or a sail attached thereto.

#### Ballast and Equipment

23. GENERAL RESTRICTIONS—Floors must be left down and bulkheads and doors left standing; ladders, stairways and water tanks must be left in place; all cabin, galley and forecabin fixtures and fittings and at least one suitable bower anchor must be kept on board; all movable ballast must be properly stowed under the floors or lockers; and no deadweight may be shifted.

24. **SHIPPING OR UNSHIPPING WATER OR BALLAST**—No ballast, movable or fixed, or water, except for ordinary ship's use, shall be shipped, unshipped or shifted from 9 p. m. of the day before the race until the race is completed.

#### **Safety Requirements**

25. **BOARDING AND LEAVING, MAN OVERBOARD**—No person shall board or leave a yacht except in case of illness or accident. If a person goes overboard, accidentally or intentionally, he shall be recovered on board before the race is continued.

26. **RENDERING ASSISTANCE**—A yacht shall render every possible assistance to any vessel or person in peril. If the Race Committee decides that a yacht not responsible for the situation has been materially prejudiced by rendering assistance, it may order the race resailed or make such other adjustment as it may deem proper.

27. **LIFE BUOYS**—A yacht of 32 feet or more waterline length shall carry on deck at least two serviceable life buoys, to one of which, when racing in open water, a serviceable water light shall be attached both night and day. Smaller yachts shall carry on deck or within reach of the helmsman, and ready for use, at least one serviceable life buoy.

#### **Miscellaneous Restrictions**

28. **RACING NUMBER**—Unless otherwise authorized by the Race Committee: a yacht shall have her class symbol, letter or number, with her racing number directly below it, on each side of her mainsail at different heights and about two-thirds of the height of the sail above the boom; the letters and figures shall be of dark color and of clear cut block type; the letters, figures and symbol shall not be less than 15 inches in height for yachts not over 32 feet waterline length, and not less than 18 inches in height for yachts over 32 feet waterline length; racing numbers shall be so allotted as to avoid duplication.

29. **FLAGS**—A yacht may display a private signal on the leech of the mainsail, and a night hawk. Other flags shall not be displayed except for signaling.

30. **PROPULSION, ANCHORING**—A yacht shall not employ any means of propulsion other than the natural action of the wind on the sails. A yacht may anchor but shall not slip.

31. **MANUAL POWER, RUNNING AGROUND, FOULING, MAKING FAST**—A yacht shall use only manual power, except in weighing anchor, or in getting clear after running aground or fouling any object. She shall not be towed clear or use her propeller, and, except in getting clear, she shall not make fast to any object.

### **PART IV**

#### **SIGNALS**

##### **Standard Signals**

32. The following signals (whether displayed by letter or code, flag or shape) shall mean:

**S**—**SHORT COURSE SIGNAL**, means when displayed: (a) at the start, "Sail the short course prescribed in the instructions"; (b) near or at the finish, "Finish race with this round at the prescribed finish line"; (c) elsewhere, "Finish between the nearby Mark and the committee boat."

**R**—**REVERSE COURSE SIGNAL**, means when displayed: (a) alone, "Sail the course prescribed in the instructions in the reverse direction"; (b) below a course signal, "Sail this course in the reverse direction."

**P**—**POSTPONEMENT SIGNAL**, means: "All races not started are postponed until later in the day; the warning signal will be made 30 seconds after this signal is lowered."

**C**—**CANCELLATION SIGNAL**, means: "All races, including those in progress, are cancelled until later in the day"; and when displayed over a numeral pennant or number, it also means, "The warning signal will be made a number of minutes after this signal is lowered equal to 10 times the number displayed under C."

**O**—**OFF FOR THE DAY SIGNAL**, means: "All races, including those in progress, are off for the day."

**M**—**MARK SIGNAL**, means: "Turn the object displaying this signal instead of the Mark which it replaces."

**F**—**FINISH SIGNAL**, means: "The committee boat is on station at the finish line."

White Shape—**WARNING SIGNAL**.

Blue Shape—**PREPARATORY SIGNAL**.

Red shape—**START SIGNAL FOR FIRST CLASS TO START**.

##### **Other Signals**

33. The instructions shall designate other course and start signals and any special signals, and explain their meaning.

##### **Calling Attention to Signals**

34. Whenever the Race Committee makes a signal, it shall, except when making the initial course signal or displaying F, call attention to its action as follows:

**TWO GUNS OR WHISTLES** when displaying P, C or O;  
**ONE GUN OR WHISTLE** when making any other signal.  
Hoisting or displaying a signal, or lowering C or a signal to indicate a change of course, is "making a signal". Lowering any other signal is not "making a signal". Failure or mistiming of a gun or whistle shall be disregarded.

### **PART V**

#### **MANAGEMENT OF RACES**

##### **General Authority of Race Committee**

35. Under the direction of the organization sponsoring a race, the Race Committee shall be responsible for making arrangements for and managing the race, and all yachts entered or racing are subject to its direction and control while in the vicinity of the course. The Race Committee or other authority may provide special rules for team racing and series competitions, for which no special provision has been made in these rules. The Race Committee may reject any entry at any time without stating the cause and may refuse to recognize a class rule that conflicts with an instruction or a racing rule. The Race Committee shall be governed by these rules, by the instructions, and by recognized class rules, and shall decide all questions in strict accordance therewith. When no rule applies, the Race Committee, in the case of a clear-cut and flagrant violation of the principles of fair sailing other than one mentioned in the Proprieties, may disqualify the offender after a hearing.

##### **The Instructions**

36. **PREPARATION**—These rules shall be supplemented by written instructions prepared by the Race Committee. The instructions shall be available to each yacht entitled to race, and shall not alter Parts I and II of these rules, except to list any additional obstructions deemed locally necessary.

37. **CONTENTS**—The instructions shall cover the following matters: the starting signals and their scheduled times; starting line; finish line; the order in which the turning Marks of each course are to be passed and the side on which each Mark is to be passed, with a description of each Mark. The instructions shall also cover such of the following matters as may be appropriate: the date and place of the races; the classes to race; eligibility and entry requirements; disposition to be made of a yacht appearing at the start alone in her class; the signals used to designate courses other than the only prescribed or regular courses; any government buoys or other objects required to be passed on a specified side; whether buoys will bound the starting area (if so they do not rank as Marks); special methods of recall; time allowance; special time limit; the night signals the committee boat will display; if the race is to be sailed in cruising trim, a statement to that effect; prizes; whether declarations are required by prize winning yachts that all rules and flotation requirements have been observed; whether races cancelled or postponed for the day will be resailed, and, if so, when; the scoring system; special time limit for protests; and any special provisions and signals.

38. **CHANGES**—The Race Committee may change the instructions upon notice, in writing if practicable, given to each yacht affected at least 10 minutes before making the start signal for her class.

##### **The Course**

39. **SIGNALLING THE COURSE**—Before or with the warning signal, the Race Committee shall, if it is necessary to designate the course, make the appropriate course signal.

40. **CHANGING THE COURSE**—The course for classes yet to start may be changed: (a) by displaying postponement signal P and indicating the new course before or with the warning signal to be displayed 30 seconds after the lowering of P; or (b) by displaying or removing a course signal, or substituting a different one, 3 minutes before the start of any class. The Race Committee should use method "(a)" when a change of course involves a change in the position of the committee boat or other starting Mark, or requires a shifting of sails that cannot reasonably be completed within 3 minutes.

##### **Postponing, Cancelling, Shortening or Resailing a Race**

41. The Race Committee may postpone, cancel or shorten a race at any time before it starts because of unfavorable weather, or other reasons; and may cancel or shorten a race while it is in progress because of foul weather endangering the yachts, or light airs making a finish within the time limit unlikely, or because a Mark is missing or has shifted.

When a race is resailed after cancellation: (a) rule infringements in the original race shall be disregarded; (b) yachts may race which did not start in or withdraw from the original race; and (c) new entries may be accepted subject to the entry requirements which applied to the original race.

### The Start

42. **STARTING SIGNALS**—The starting signals (the warning, preparatory and start signals) shall be hoisted at 5-minute intervals. Each starting signal shall be lowered 30 seconds before the hoisting of the next. In starting yachts by classes, the start signal for each class shall be the preparatory signal for the next. The hoisting of a start signal, even if improperly timed, controls the start. The improper timing of a starting signal should not alter the scheduled times of subsequent starting signals.

43. **STARTING AREA**—The starting area may be bounded by buoys.

44. **TIMING THE START**—The Start of a yacht shall be timed at her start signal.

45. **RECALL**—The Race Committee shall endeavor to notify a yacht that has started prematurely by sounding one short blast on a whistle for each yacht recalled, and by displaying or calling out her number or name. Failure to notify a yacht of her premature start shall not relieve her from the necessity of making a proper Start.

46. **INELIGIBLE YACHT**—The Race Committee shall attempt to prevent an ineligible yacht from Starting or continuing in a race.

### The Starting and Finish Lines

47. The starting and finish lines shall be either: (a) a line between a white flag on the committee boat or station and a Mark; or (b) a line indicated by two stationary range poles, with a Mark, at or near its outer end, inside of which the yachts must pass. For either type of starting or finish line, the instructions may also provide a Mark at or near the committee end of the line, in which case yachts must pass between it and the outer Mark.

### Mark Missing

48. When a starting, turning or finish Mark is missing or has shifted, the Race Committee shall, if possible, replace it in its proper position or substitute a new Mark on which it shall display code flag M, the Mark Signal. If yachts have been prejudiced by failure to reestablish the Mark, the Race Committee may cancel the race forthwith or subsequently.

### The Finish

49. **FINISHING WITHIN TIME LIMIT**—One yacht Finishing within the prescribed time limit constitutes a race for her class. Unless the instructions specify otherwise, the time limit shall be sunset.

50. **DEAD HEAT**—In case of a dead heat involving a prize, the Race Committee shall determine whether the race shall be re-sailed by the yachts having made the dead heat or decided by the spin of a coin.

## PART VI

### INFRINGEMENTS BY A YACHT OF A RACING OR CLASS RULE OR OF AN INSTRUCTION;

#### APPEALS

##### Disqualification Without Protest

51. If a yacht fails to cross the starting line in accordance with these rules and the instructions, the Race Committee shall disqualify her without protest or hearing. Yachts so penalized shall be informed of the action taken either by letter or by notation on the racing results. Except as provided in this rule, a yacht shall not be penalized without protest.

##### Making and Filing a Protest

52. All protests must be in writing, duly signed, name the rule or rules alleged to have been infringed, and contain a statement of the facts. A protest against a yacht may be made by another yacht, and, unless the instructions otherwise provide, must be delivered or mailed to the Race Committee immediately on reaching port or as soon thereafter as possible and, in any event, before 6 P. M. of the day following the finish of the race. A protest against a yacht may also be made by the Race Committee: (a) if it saw the incident that led to the protest in which case the protest must be delivered or mailed to the protested yacht as specified above; or (b) if it finds at a protest hearing that a yacht not involved in the original protest may have infringed the rules, in which case the protest must be delivered or mailed to the protested yacht within one day after such hearing.

##### Entertainment of a Protest, Protest Flag

53. A protest shall not be entertained:

- (a) unless the protest was made and filed as provided in the preceding rule; unless the protest concerns an infringement of an applicable rule of Parts II, III or VII, or of Rule 35 (last sentence), or of an applicable instruction or class rule; and unless the protesting yacht displayed a protest flag (which may be any flag other than an ensign unless the instructions otherwise provide), in the main rig-

ging promptly after the infringement occurred or was first noticed and kept it flying until she finished, or, if the infringement occurred or was first noticed at or near the finish, until the display of the protest flag is acknowledged by the Race Committee; provided, however, that no flag need be displayed if the owner or his representative had no knowledge of the facts justifying the protest until after the race was over; or

- (b) if a yacht disqualified under Rule 51 protests an incident that occurred after her start signal.

If the Race Committee decides that a protest does not conform to the requirements of this rule, it shall inform the protesting yacht that its protest will not be heard and of the reason for such decision. Except as provided in clause (b) of this rule, disqualification of a yacht for a previous incident does not invalidate a protest by her covering a subsequent incident.

### Hearing

54. If the Race Committee decides that a protest presumably meets all the requirements of the preceding rule, it shall call a prompt hearing. The protest or a copy of it shall be furnished to all yachts involved, and each shall be notified, in writing if practicable, of the time and place set for the hearing. A reasonable time shall be allowed for the preparation of defense. At the hearing, the Race Committee shall take the evidence presented by the parties to the protest and such other evidence as it may consider necessary. The parties to the protest, or a representative of each, shall have the right to be present, but all others, except one witness at a time while testifying, may be excluded. If a yacht, other than one named in the original protest, is involved, such yacht shall be entitled to all the privileges of yachts originally named.

### Decision, Penalty

55. The Race Committee shall make its decision promptly after the hearing. Each decision shall be communicated in writing to all parties involved, and shall state fully the facts and grounds on which it is based and specify the rule or rules, if any, infringed. The findings of the Race Committee as to the facts involved shall be final. If the Race Committee or other reviewing authority is of the opinion, from the facts found by the Race Committee, that any yacht involved in a protest has infringed an applicable rule, said body shall penalize her, irrespective of whether the incident and/or rule which led to such penalty was mentioned in the protest; e.g., it might even be in order to penalize the protesting yacht and absolve the protested yacht from blame. The penalty shall be disqualification unless the rules applicable for that competition prescribe some other penalty; provided, however, that a yacht not represented at the hearing may be penalized only if the Race Committee gave her reasonable notice of such hearing.

The owner of a yacht which infringes any rule shall pay all damages caused thereby.

### Appeals

56. **LIMITATIONS ON RIGHT TO APPEAL**—Appeals involving solely the interpretation of the Racing Rules may be taken to the Appeals Committee of the Union for final determination:

- a. if the Club is a member of the Union but is not a member of a local association or district belonging to the Union, by an owner or his representative from a decision of the Race Committee with its written consent;
- b. if the Club is a member of a local association or district belonging to the Union, by an owner or his representative or by the Race Committee from a decision of the local association or district with its written consent.

Such consent shall be given only when reasonable doubt exists as to the soundness of an interpretation of the Racing Rules.

57. **PREPARATION OF APPEAL PAPERS**—All appeals shall be in writing and shall set forth the grounds of the appeal and be signed by the appellant. They shall be filed with the Secretary of the Union by the body consenting to the appeal within thirty days after the rendering of the decision appealed from, together with—

- (a) the written consent to the appeal signed by the body consenting thereto;
- (b) a copy of the instructions;
- (c) a copy of the protest;
- (d) the names of the yachts represented at the hearing, and of any yacht duly notified of the hearing, but not represented;
- (e) a copy of the decision of the Race Committee containing a full statement of the facts found by it;
- (f) an official diagram prepared by the Race Committee in accordance with the facts found by it and signed by it and showing, (i) the course to the next Mark or, if close by, the Mark itself and its passing side, (ii) the direction and velocity of the wind, (iii) the set of the current, if any, and (iv) the position or positions and tracks of the yachts involved;

An appeal may not be submitted to the Appeals Committee if the appeal papers fail to conform to all of the above requirements. The attention of the body consenting to the appeal shall be directed to any such failure, and a reasonable time shall be allowed for correction.

58. **DECISION OF APPEALS COMMITTEE**—Decisions of the Appeals Committee shall be in writing and the grounds of each decision shall be specified therein. Each decision shall be filed with the Secretary of the Union, who shall send copies thereof to all parties to the infringement and appeal.

## PART VII

### RULES OF SPECIAL APPLICATION

Rules 63 to 68 (inclusive) apply from a yacht's preparatory signal until she has finished and cleared the finish line.

#### Protests Against the Race Committee

59. A yacht, if it has been prejudiced thereby, may direct the attention of the Race Committee to an alleged infringement by the Race Committee of a racing rule or of an instruction by filing a written notice with it immediately after returning to port. If the Race Committee decides that such infringement occurred and that the result of the race was altered thereby, it shall cancel the race, or order it resailed, or make such other adjustment as it may deem proper. The decision of the Race Committee in such cases is final unless applicable rules of a local association or district provide otherwise.

#### Infringement of Measurement, Scantling or Flotation Rules

60. A yacht may protest another yacht for violating a measurement, scantling or flotation rule during a race completed by both yachts. The protest must be in writing and must be filed with or mailed to the Race Committee not later than 6 p. m. of the day following the race. The Race Committee shall send a copy of the protest to the protested yacht and, if there appear to be reasonable grounds for the protest, shall refer the question to the authority qualified to decide such question. The Race Committee, in making its decision, shall be governed by the determination of such authority. Copies of such decision, from which there is no appeal, shall be sent to all yachts involved. The expenses, if any, shall be borne by the yacht against whom the protest is decided.

#### Special Rules for International and Universal Rule Classes

61. **CLASSIFICATION**—Yachts built to the International and Universal Rules shall be divided into classes as follows:

##### INTERNATIONAL RULE CLASSES

- 14½ Metre Class
- 12 Metre Class
- 10 Metre Class
- 8 Metre Class
- 6 Metre Class

##### UNIVERSAL RULE CLASSES

###### Schooners and Ketches

- 1st Class—All over 100 feet, rating.
- 100 Foot Class-A Not over 100 feet and over 88 feet, rating.
- 88 Foot Class-B Not over 88 feet and over 76 feet, rating.
- 76 Foot Class-C Not over 76 feet and over 65 feet, rating.
- 65 Foot Class-D Not over 65 feet and over 56 feet, rating.
- 56 Foot Class-E Not over 56 feet and over 46 feet, rating.
- 46 Foot Class-F Not over 46 feet and over 38 feet, rating.
- 38 Foot Class-G Not over 38 feet and over 31 feet, rating.
- 31 Foot Class-X Not over 31 feet and over 25 feet, rating.
- 25 Foot Class-Y Not over 25 feet and over 20 feet, rating.
- 20 Foot Class-Z Not over 20 feet, rating.

###### Sloops and Yawls

- 1st Class—All over 88 feet, rating.
- 88 Foot Class-I Not over 88 feet and over 76 feet, rating.
- 76 Foot Class-J Not over 76 feet and over 65 feet, rating.
- 65 Foot Class-K Not over 65 feet and over 56 feet, rating.
- 56 Foot Class-L Not over 56 feet and over 46 feet, rating.
- 46 Foot Class-M Not over 46 feet and over 38 feet, rating.
- 38 Foot Class-N Not over 38 feet and over 31 feet, rating.
- 31 Foot Class-P Not over 31 feet and over 25 feet, rating.
- 25 Foot Class-Q Not over 25 feet and over 20 feet, rating.
- 20 Foot Class-R Not over 20 feet and over 17 feet, rating.
- 17 Foot Class-S Not over 17 feet and over 15 feet, rating.
- 15 Foot Class-T Not over 15 feet, rating.

62. **TIME ALLOWANCE**—Time allowance shall be given only when yachts of different classes are racing against each other. It shall be calculated from the Time Allowance Table of the

Union and be based on the length of the course actually sailed as determined by the Race Committee.

63. **SMALL BOATS CARRIED**—Every yacht of the following Universal Rule classes shall carry on deck or on davits a reasonably seaworthy, non-collapsible boat, with oars and oarlocks lashed in, of not less than the following length:

- Classes 1, A and B of schooners and ketches, and Classes 1 and I of sloops and yawls—a 14-foot boat;
- Classes C and D of schooners and ketches, and Classes J and K of sloops and yawls—a 12-foot boat;
- Class E of schooners and ketches, and Class L of sloops and yawls—a 10-foot boat.

64. **PAID HANDS**—The number of paid hands in the crew shall be limited in the classes named below as follows: 14½ Metre, 5; 12 Metre, 4; 10 Metre, 8 Metre, P and Q, 3; 6 Metre and R, 2; S and T, 1.

#### Cruising Trim

When the instructions provide that a race shall be sailed in cruising trim, the following additional restrictions shall apply:

65. **CREW**—Only such paid hands, pilot excepted, shall be carried as live in the crew's quarters of the yacht.

66. **SAILS**—Topsails extending above the topmast or beyond the gaff are barred, but a pole masted yacht may carry her regular sprit topsail.

67. **EQUIPMENT**—Davits, accommodation ladder and galley funnel, if part of the regular equipment, shall be kept on board. Other deck fittings and fixtures shall be kept in place. An equipment of anchors and cables suitable to the size of the yacht shall be kept on board, and of these at least one bower anchor shall be carried on deck.

68. **SMALL BOATS CARRIED**—Classes F, G and X of schooners and ketches, and M, N and P of sloops and yawls, shall carry or tow an 8-foot boat. Smaller yachts of the Universal Rule classes and yachts of other classes shall carry or tow such boat, if any, as the instructions or their class rules may require.

## APPENDIX I

### THE PROPRIETIES OF YACHT RACING

The moral obligation to avoid unsportsmanlike conduct, observe the Proprieties and obey the Racing Rules, is accentuated in yacht racing because there is no penalty for failure to observe a Propriety, and because the Racing Rules are designed to promote and govern sporting competition between fair-minded contestants.

(a) **DUTY TO AVOID COLLISIONS**—Irrespective of the application of any rule or of rights thereunder, when a serious collision is imminent, all yachts involved shall do their utmost to avoid it.

(b) **INTERFERING WITH OTHER YACHTS**—While no distinction is made in the Right of Way Rules between the status of yachts racing for the same or different prizes, custom and courtesy dictate that in the latter instance, a yacht, when she can do so without prejudice to her own interests, should avoid interfering with another (e. g., a yacht should avoid interfering with another yacht scheduled to start before her, unless the other yacht is so late for her start that the yachts are starting together). Custom and courtesy also dictate that, irrespective of the provisions of the Right of Way Rules, a yacht with steerage way should keep clear of a yacht which is unable to maneuver due to lack of wind, and that a yacht that is not racing should keep clear of one that is racing.

(c) **WITHDRAWING FROM A RACE, REPORTING RULE VIOLATIONS**—A yacht withdrawing from a race should promptly display her ensign, or so maneuver as to make it clear to her competitors that she has withdrawn. The interests of the sport will be best served by voluntary withdrawal as soon as it becomes clear to a yacht that she has violated a rule, the penalty for which is disqualification. When the penalty is other than disqualification, or when in doubt as to whether she has violated a rule, the offending yacht should report the incident to the Race Committee on Reaching port.

(d) **DUTY TO HAIL**—The Leeward of two close-hauled port tack yachts should hail before Tacking if, on completion of her tack or shortly thereafter, the other yacht will have to alter course to keep clear. A Leeward yacht should hail before luffing when it may be difficult for a Windward Yacht to respond to a luff before Starting, or when there are two or more Windward Yachts. An inside yacht that is entitled to room at a Mark or Obstruction should hail when the sufficiency of room is in doubt. When a yacht is hailed by the Race Committee for starting prematurely, yachts nearer the Committee that hear the hail clearly should pass it along. Rule 4 makes a hail for room to tack compulsory. Other warning hails should be made as special circumstances may dictate.

2989	.....	Samuel Spalding
4975	.....	Allen H. Poole

The racing season starts on or about the 4th of July at Skaneateles and finishes on Labor Day. The program consists of two Saturday Series one July, one August, and one full length Sunday Series. The Juniors race Tuesday and Thursday afternoons.

We had too much wind for the Juniors on occasion and not enough for the Seniors. Nevertheless, we had good close matches and averaged 7 to 9 boats in the Senior races.

This year "Skinner" Reynolds and his able crew in No. 2784 took top honors in the Saturday Series by winning all three trophies—his first collection.

"Al" Poole in No. 4975 won the Sunday Series Cup. This was his first year on the Lake.

"Bobbie" Johnson racing in No. 356 is our Junior Champion. When he gets to the Senior races he'll be a tough skipper to beat.

Points were based on both a high and low system this past year.

Our usual Labor Day long distance race 12 miles down the Lake, with a stop for lunch before returning, was called off. There was too much wind for everyone this year.

Skaneateles Lightning No. 1 still racing in Fleet No. 1 is in beautiful condition. Commodore Ayars took her to the Districts and did quite well for his first off-the-Lake race. "Shazam" is a boat to keep your eye on in any race.

3506	Wild Thyme	Jesse H. Ehrenclou
3963	Blue Bolt	James Maitland
3964	Profanity	S. Davis Robins

During the 1952 racing season, we had two race series. The first series high scores in order were Thomas, Robins and Bentley.

The second series were Maitland, Bergh, and Robins. For the season, E. Trudeau Thomas in "Puff" ran away with first prize and our Commodore Dave Robins in "Profanity" was a close second.

Early in August, several of our boats were entered in the great South Bay Yacht Racing Association Race Week. Three of our skippers alternated as skipper in "Puff" and ran away with the Race Week Prize.

The Annual Seawanhaka-Cedarhurst team races were a great success and, after it was all over, we were surprised to find that the score was a tie!

A new annual team race series was inaugurated with the Royal St. Lawrence Yacht Club. The first series consisting of three races, was held at Cedarhurst and the outcome was in doubt right up to the end of the last race. Cedarhurst won by only one-quarter point!

For the coming season we are planning to hold team races with Seawanhaka at Cedarhurst and Oyster Bay, and with the Royal St. Lawrence Y. C. at Montreal.

Lightning activities at the Bay Head Yacht Club for 1952 fell into the usual active pattern. The largest individual triumph went to Jack Orelup: He won the Club championship, the Barnegat Bay Championship, qualified second at the Central Atlantic Championships at Spray Beach and did a workmanlike job at the Nationals. From June to September, Jack went up and down the Bay in eleven races of the Barnegat Bay Yacht Racing Association was way ahead in the season's cumulative standing. He was always accompanied by six or seven local skippers with varying successes but much interest and enthusiasm. John Wardell and Bob Woolman also sailed in the Central Atlantic and Wardell competed well in the later President's Cup.

Fleet 3 staged ten Sunday afternoon races, the final winner again being Jack Orelup, with John Wardell second and Ritner E. Walling, III third.

In the Wednesday Junior Series, after twelve races, the results were: William W. Fortenbaugh first, Robert Woolman second and Ritner K. Walling, III third.

In the special three race Cattus Memorial Series for Barnegat Bay juniors under twenty-one, Marge Adams was first, William W. Fortenbaugh second and Robert Woolman third.

Again this year, the Barnegat Bay Yacht Racing Association conducted a series of three races to send a junior representative to the Sears Cup races conducted by the National Yacht Racing Association. This year the Sears races were boated in Lightning at all stages. All three Bay races were held at Seaside Park in driving rain with heavy northeast winds. The winner was William W. Fortenbaugh, with Marge Adams second and Bob Adams third. William W. Fortenbaugh went on to place second in the semi-finals at Stonington, Conn., competing against skippers representing yacht clubs from Long Island to the Chesapeake. In the finals at Riverside, Conn., in very light air, sailing eight races against elimination winning skippers from all over the country, Fortenbaugh could only finish seventh.

Chicago Corinthian Fleet No. 5 at Montrose Harbor enjoyed a most successful 1952 season, both from the standpoint of excellent racing weather and a high degree of enthusiasm on the part of the members. New members were added to the fleet and some of the old members bought new boats—a combination which whets the competition in any club.

A total of 12 point-score races were sailed toward the club championship and every Wednesday evening during July and August we sailed the "after dinner" races—which don't count toward points but do excite interest in experimenting with sails, tuning, etc.

In five open events the Corinthian Fleet met the Burnham Park Fleet under the aegis of the Chicago Lightning Squadron and as a result Bill Wingard of Corinthian won the Chicago championship with Earl Ross also of Corinthian in second spot.

This year Fleet No. 5 was host to the Midwest District Championships, which was attended by 22 skippers from points as far north as Green Bay, Wisconsin, and as far south as Springfield, Illinois. This series was sailed in typical Chicago weather, breezy and beautiful, and the out-of-town guests enjoyed it. The event was won by Bill Wingard with Harold Walker of Milwaukee second and Earl Ross of Corinthian third.

One of the high spots of our season is always the Red Flannel Regatta, sponsored by the Chicago Lightning Squadron and held this year at Corinthian Yacht Club. Attended this year by 35 skippers, it included such notables as Hermie Nickels from Lake Fenton, Joe Stueland of St. Joe, Ted Haller of Springfield, and Harold Walker of Milwaukee. Bill Wingard enjoyed a season's clean sweep in winning this one also, with Earl Ross and Al Berg second and third and Nickels of Lake Fenton fourth. We at Corinthian really enjoy this event and go all out to make it a success. We take this opportunity to cordially invite all Lightning skippers to attend the Red Flannel in 1953.

The rebuilding of the Housatonic Boat Club, Headquarters of Fleet 6, which was necessitated by the Hurricane in the Fall of 1950, was completed early in the Spring of 1952. This permitted the 1952 season to open with a shakedown race on Memorial Day.

The Housatonic Boat Club Fleet is composed almost entirely of sailboats the Lightning Class is the only large group of the same design. A total of 21 races were held within the Lightning Fleet this season. Wednesday evening races are sailed on the Housatonic River for the Commodore Crocker Trophy; a series of six Saturday afternoon races are sailed on Long Island Sound for the Baldwin Trophy; and there were eight September races on the River for a Frostbite Trophy. In addition, the Edward Olsen Trophy is awarded each year for the combined standings in the Wednesday evening and Saturday afternoon races. Four prizes were awarded in each series with the final standings:

In the Commodore Crocker Trophy series, Vernon Randall, first; Rudy Smith, second; John MacDonald, third; Harry Olsen, fourth. In the Baldwin Trophy series, Harry Olsen, first; Vernon Randall, second; Peter Greenwood, third; Robert Thorpe, fourth.

In the Olsen Trophy series, Vernon Randall, first; Harry Olsen, second; Rudy Smith, third; Peter Greenwood, fourth. In the Frostbite series, Vernon Randall, first; Harry Olsen, second; Edward Olsen, third; Felix Bergwell, fourth.

Fleet 6 participated in four regattas sponsored by local Yacht Clubs. Our sailors continued to maintain the excellent record that they had compiled during previous seasons.

The majority of the members of the Fleet cruised across Long Island Sound on the 4th of July and again on Labor Day. The Lightnings were accompanied by the remainder of the Club fleet on both occasions, and approximately one hundred Club members "enjoyed" camping out for two nights on each cruise.

After several weekends tune up races in May our racing season got under way early in June and proved to be most active and the participants most enthusiastic. The summer season was divided into two series; one was won by Teddy Sheldon in "Coquette" with Barbara Sheldon being the runner-up in "Colleen". R. Russell Hall took third place in "Loon III". The August Series was won by R. Russell Hall in "Loon III" with Barbara Sheldon in "Colleen" as runner-up and Ella Roper placing third in "Polara". The overall winner for the season was R. Russell Hall in "Loon III", who also became the Y. R. A. Champion, sailing under Rule "S" for the second consecutive year. The runner-up, also for the second consecutive year, was Barbara Sheldon in "Colleen."

We also ran a Dinghy owner's Lightning Regatta to promote interest in Lightnings. The Lightnings, owned by Club members, were skippered by Dinghy sailors. Three races were held. The first race was won by Malcolm Dickinson; the runner-up being Richard Arnold. The second race was won by Richard Arnold, the runner-up being Miss Maury Ballantyne. The third race was won by Donald Marschner, the runner-up being Miss Maury Ballantyne. The winner of the regatta was Richard Arnold. There were 12 entries in this regatta which proved itself a most successful event in that several Dinghy owners have purchased or contemplate purchasing Lightnings.

In addition to the above events other special regattas were run. The Riverside Yacht Club held the Syce Cup Regatta which is the Women's Championship of Long Island Sound and sailed in Lightning sloops. The winner of this event was Miss Patricia Hinman. The Girl's Junior Championship was held at the Riverside Yacht Club and the winner was one of the members of Fleet No. 7, Miss Connie Neher. Also the Sears Cup, which is the Junior National Championship of the United States, was held at the Riverside Yacht Club under the sponsorship of the Rocky Point Sailing Club and for the second consecutive year a Long Island Sound crew won this event. This year Martin A. (Skip) Purcell, with his twin girl crew, Connie and Carrie Neher, all three being members of Fleet No. 7, won by the highest point score in the history of the Sears Cup. This event was also, of course, sailed in Lightnings sloops. Members of our Fleet participated in Larchmont Race Week. Manhasset Bay Jr. Race Week was won by Jim Blattmann in "Jab". Also Fleet Members participated in Y. R. A. Regattas on Long Island Sound.

As a note of interest several former members of Jr. Y.R.A. and Fleet No. 7 have done extremely well and have won several events in college regattas.

It is also interesting to note that the Jr. Y.R.A. of Long Island Sound at its recent annual meeting voted to hold all Jr. Y.R.A. Regattas for the next three years in Lightning Class Sloops.

Next year we expect three to four additional Lightnings in our fleet and look forward to a most active season.

1952 Junior National Champion Sears' Cup skipper, Martin A. (Skip) Purcell, with his twin girl crew, Connie and Carrie Neher, all members of Fleet #7.

The members of this fleet report that there has been no racing activity for several years. Day sailing and short cruises, however, are continued enthusiastically. Several of the members point out that the swift current of the Delaware River and lack of wind at their location make for very poor racing conditions. Some races have been passed in the frustrating occupation of trying to beat a buoy moored in the middle of the river. This situation seems to be rather localized since racing activities including Lightnings and other classes are found along the Delaware at several points. We hope that these good skippers find a solution to their problem and a renewal of activity at Fleet 8.

Fleet No. 9 of the Crescent Yacht Club had a comparatively inactive season this year, much to the disappointment of many of us. This was due mainly to the loss of many of our skippers and crews to the armed services.

Three Lightnings from our club entered the Eastern Yachting Circuit at Henderson Harbor. These were Denny Gamble, Bob Adams, and Wyatt Uhlein. The cruising race initiating this regatta was from Crescent Yacht Club to Henderson Yacht Club and was won by J. Wyatt Uhlein, Jr. Wyatt took second place at the regatta.

At an invitational regatta at Sodus Bay on the weekend of July 4th. Bob Adams won a plaque for accumulating the most points for his yacht club.

Races were held weekly at the Crescent Yacht Club, Saturdays and Sundays. The final standings were:

John Wyatt Uhlein, Jr.	.....	First
Lorraine Adams	.....	Second
Judy & Sari Jordan	.....	Third

Those who participated in the club races had a great deal of fun and we're hoping that '53 season will bring more participants to increase the enthusiasm of former years.

Before launching into this year's report of our Lightning Fleet activities, it seemed that I should refer to last year's report and compare the Fleet's size and activities in 1951 with that of 1952.

We are pleased that our Fleet has grown by two boats in the past year. Phil Klink, an erstwhile Snipe Skipper, has now become a Lightning enthusiast with Lew Holton and Earl Herrig as co-owners of another Lightning which now brings our total to six.

Our own Onondaga Yacht Club Invitational Regatta which took place on September 6th and 7th and was most successful. It was a perfect weekend with sunny skies and spanking good breezes. Only one unfortunate incident occurred during the Regatta and that was in the turnabout race in which Jigger Roth was skippering Doc Carpenter's "Helen Hywater" when it capsized in a puff. No damage was done, however, to Doc's Cadillac but there was embarrassment and damage to Jigger's feelings in overturning so much mahogany in the limpid waters of Onondaga Lake. It seems appropriate to mention another very singular incident that happened to Bill Norcross, one of our Skippers and to his crew at the Lewis Point Regatta. During one race a very severe storm blew up and no one in the race seemed willing to yield to the threatening clouds and everyone decided to sail it out. Much damage resulted, however. Bill beached his boat at the height of the storm and he and his crew sought refuge in a life guard station. The life guard boys invited him to sit down to a game of bridge while waiting for the storm to pass. After a few hands had been played, the skies cleared, Bill and his crew shoved out to sea, raised the sails, entered the race and finished, not as a winner exactly but he finished. It was claimed by Bill that no other Lightning Skipper and his crew had ever played a few hands of bridge during the middle of a race which was interrupted by a storm.

Although our Fleet conducted no official races this summer among our own fleet members, races were held. All in all, it seemed to us to be a successful season.

The history writing of the 1952 season is perhaps the only remaining task to be attended to before we face the new year. It is earnestly hoped that the sailing members of the Buffalo

Canoe Club and Fleet 12 will WANT to face the new year. The past one has smiled so kindly on our fleet that there are doubtless those of us who would just as soon use the old year over again. Never, we believe, have the calms, the usual disappointments, bad breaks, troubles and our own failings been so absent as in the 1952 sailing season. In the memory of those Canoe Club sailors who participated even slightly this past summer, it will be long thought of as OUR banner year.

In the spring of 1952, Fleet 12, together with the Buffalo Yacht Club, Sandy Beach Yacht Club and the Niagara Sailing Club fleets held a series of four lectures covering topics of a technical sailing nature. These topics "Timing", "Starts", "Re-finish", and "Rules" were most admirably handled by Adam Eby, Bill McGennis, Hockey Holler and Karl Smither. Each lecture was well received and no doubt helped foster even greater interest in the races ahead.

Sailing began and Bob Coleman, in his "Bob-Cat", won the opening Mayflower series handily. Bob's other series victory of the year came during the Post Season Series. Both the Commodore Eby Series and the Lightning Handicap Race was won by Past Commodore Karl Smither. The Lightning Handicap Race was new to Abino Bay this year. Under the slide rule calculations of Clarence Coleman, each boat was given a handicap based upon season performance. All boats were started at once and finishing order determined by the time the finish line was crossed plus or minus the corrected time entitled each boat.

Bob Graf, aided by John Lyons and new jib man, Warren Hunt, started his remarkable string of season victories by winning the Commodore Roseberry Series. The July 4th Free-For-All, and the Long Distance Race also went to Bob. Sailor Graf again took Club Championship honors but it might be mentioned that he was followed very closely again by both Tom Allen and Bob Coleman who tied for second place just three points behind Graf. Past Commodore Adam Eby won the Commodore Franclemont Series and also sailed "Ginger" into 1st spot in the Stay-At-Home Series. The Phil Savage Trophy this year went to Past Commodore Ralph Franclemont. Lake Erie District Commodore Tom Fallon took the honors in both the Clambake Race and the Viking Series. In the Crew's Reward Series Ann and Bob Smither had the least trouble with their skipper and came home first. Sailing "Black Jack, II" Bob Adams won the Thomas F. Meyers Memorial Trophy. In the Junior events Bob Adams again did the right thing and won the Junior Open. Billy Genske took the Scorekeepers Trophy and Tom Allen snared the Junior Championship. The Phil Savage Trophy for the Most Improved Junior went to Bruce Pegrum.

It is probably seldom more than once in the history of any Fleet that the Secretary can report a clean sweep in all phases of the "Special Events" department. And so that once has arrived! Of the six non-Canoe Club regattas attended by members of Fleet 12 this past summer all six were won by a B. C. C. boat! The first three places in the Niagara River Championships went, in order to Bob Graf, Bob Coleman, Jack Sharpe. At the L.Y.R.A. the B.C.C. garnered the top four positions. Bob Graf first, Karl Smither second, Tom Fallon, third, and part ime Canoe Clubber Bob Siemer fourth. In the Lake Erie Districts Bob Graf was again first, Karl Smither second, Tom Fallon third and Tom Allen fourth. Tom Allen then proceeded to win the Canadian Open Championship at Toronto and club-mate Bill McGennis was fourth. At Spray Beach Tom Allen continued his winning ways by snaring the President's Trophy Regatta while at the other end of the beach Bob Graf, in a tremendously competitive field of entries won the Lightning International Championship. Tom Fallon was 13th and Karl Smither 21st.

As a fitting climax to an unprecedented year Bob Graf was awarded the "Athlete of the Year" award under the sponsorship of the Buffalo Athletic Club.

It is certainly true that Fleet 12 was immeasurably helped to its winning ways by a great champion. It is also certain that a great champion was helped immeasurably by a truly great competitive Fleet.

The history is written, let's face the new year. Good luck, good sailing.

Fleet 14, Centerboard Yacht Club, completed one of its most successful years in 1952, both from a standpoint of racing and increased interest. At one time or another we had 14 different boats starting in our club races and the prospects are good that our fleet will be larger next year.

In our series of club races “Cap” Faulkingham in “Sharon” was our winner for the year, with Al Moore and the Kurtz brothers tied for second place. Bob Scull came in third, one point behind the second place tie. In the next bracket there was a difference of one point between Gran Dyer in 4th place, Clayt Erskine in 5th place and Vern White in 6th position. Next year we expect that the competition will be even closer, with another year’s experience for some of the newer skippers and the plans in the air for winter improvements.

In our State of Maine Lightning Regatta, held the week following the New England District Lightning Regatta, we had some real hot competition with four of the first five boats from the New England’s participating. “Cup” Faulkingham won the

first and third races but dropped to 11th place in the second race which was a real drifting match against the tide on a shortened course with no wind. Grant Holt, the New England District Champion, was the winner with 60 points, Charlie Toms was second with 59 points and “Cap” Faulkingham with 57½ points finished third and won the State of Maine Trophy for Maine boats.

We are proud of our Fleet record in the Interclub Regattas. These consist of our different races sailed at Centerboard, Portland, Hasaseeket and Mere Point Yacht Clubs, with five different classes of boats competing for the Gannett Trophy which is given to the club scoring the most total points in the five classes. Centerboard Yacht Club took possession of the Gannett Trophy with a total score of 50 points, of which 43 were credited to our Lightning Fleet.

Our season concluded with a club picnic at Little Chebeague Island, and we are now looking forward to another successful year in 1953.

Under the watchful eye and ever present cannon of Judge Bill Schumacher Sr., Fleet 16's season started off with a Bang. Fleet 16's 1952 season consisted of a July series and an August series, the total points of which determined the winner of the Fleet Championship and the Bissell Memorial Trophy. The six race July series was taken by Joel Judovich sailing No. 4669 with six first places totaling 67½ points, followed by Jim Schumacher sailing No. 4548 with 54 points and third place was annexed by Hub (the Old Maestro) Axford with 46 points.

To the winner of the third race in this July series, went the "Billy Soose" Trophy. This event, which was won by Joel Judovich, was sponsored by Bill Soose, retired middleweight boxing champion of the world.

The last week-end of July was devoted to special races on the lake while Jim Schumacher and Joel Judovich trailed their boats to the Metropolitan District Championships at Red Bank, New York. At the Lake, Ken McKay sailing "Caboose" was victorious on Saturday afternoon. Hub Axford sailing No. 391 stole the show on Sunday afternoon. Meanwhile, our District entrants had what one might refer to as a "profitable weekend" in that neither placed above sixth place in any one race and both returned home with a "deeper insight into the intricacies and finer points of successful yacht racing". The following week-end broadened this newly gained knowledge when both boats went to the Atlantic Coast Championships and not only failed to "bring home the bacon" but didn't even bring home the

"rind". Judovich's boat was demasted at the event in a freak accident.

August resulted in a hotly contested series with Joel Judovich eking out a winning margin of 7-¾ points in the eight race series. "Caboose" skippered by Phil Schumacher was second, and "Wreck-a-Mac" sailed by Jim Schumacher was third.

Final standings for the year showed Joel out in front with 129 points, Jim Schumacher second with 105¼ points, Phil Schumacher third with 104¼ points, Hub Axford fourth with 93 points and Ed Winkle fifth with 76 points. Joel was awarded the Bissell Memorial Trophy for this achievement.

Three new boats enjoyed their first full season with us as Fleet 16 continued to grow. J. D. Folwell sailing "Mist" joined us late in 1951 as did Ed Winkle sailing his spanking new "Seaman", No. 4969. The fast moving trio of Bill Patlen, John Shuman and John Hendrickson sailing "Firefly" joined us at the outset of the season. Their sailing fortunes showed continued improvement and their competitive spirit was welcomed by all of the membership.

A special "crew race" was held in August. Dave Nade won this one in No. 4669 and received the deluxe "Chamber Memorial Trophy". This is the annual "Pot-Luck" race with a beautiful trophy being donated by Dr. Bernie Judovich.

At the Metropolitan District Meeting held at Red Bank in July, Lake Wallenpaupack, —the Lake which no one can pronounce, spell or locate, was selected as the site for the 1953 District Championships, which is to be held July 18th and 19th, 1953. Fleet No. 16 welcomes this invitation and is looking forward to the visit of our sister fleets within the District. Many of these "Salt Water" sailors are anxious to compete on our Lake for the first time. Lake Wallenpaupack is the Lightning Class center of the Pennsylvania Pocono Mountains, offering clear deep clean waters with shifty airs, ranging from very light to extremely heavy.

Increasing interest in sailing competitively on the Lake means a larger and better Fleet No. 16 in the near future. Our fleet is growing and our immediate goal is more Lightnings, more racing, and plenty of good sportsmanship.

Part of Fleet #17 rounding mark.

This year Fleet 17 again conducted an eleven race Sunday series for the Fleet Championship and the Daniel C. Patterson Memorial Trophy. Sherman and Dick Chantland in "Malolich" recaptured the Championship from John Barton's "Blue Heaven" in an exciting finish. With the two boats tied in points going into the last race, the Malolich opened up an early lead, but "Blue Heaven" quickly closed the gap. After a dog fight between them all the way home, the Chantlands sneaked over the line a few seconds in front to win their third Fleet Championship.

Fleet 17 made its best showing to date in the District Championships, with the Chantland's "Malolich" placing third and earning the right to represent the District at the Internationals. Sherm and Dick went to Spray Beach with John Barton as crew although they won no laurels, they report it was good experience and good fun.

The Fleet was well represented in inter-club events but took no prizes, except for the triple tie for first won by John Barton's "Blue Heaven" in the Black Rock-Fayerweather in inter-club Regatta. Next year we are looking forward to improving our record in inter-club events and giving the Malolich and Blue Heaven more competition in our Fleet series.

Our season closed in late September with a memorable "mixed doubles" race in which each skipper's wife crewed for another skipper, all being decked out in fancy costume. Features of the race included a one gun start, 360° turns around all marks and the award of first prize to "Luke" Lucas and Ruth Barton—for finishing last.

The Erie Yacht Club Lightning Fleet opened its season the week end before Memorial Day with its annual Flag Officers Trophy. Cal Gunnison in "Menace" had his boat well tuned and was able to capture the series with good sailing and polished tactics. By the middle of June the Club Championship was in full swing with all the late comers competing.

Fleet No. 24, as perhaps other fleets, felt the effects of the Korean situation and lost several of its skippers and crews to the armed forces. We attempted to remedy this by scheduling Saturday afternoon races to arouse the interest and encourage the younger skippers and crews. During this series we exchanged skippers and crews as well as boats to enable each sailor to gain new ideas on sailing and tactics.

This program justified our efforts with Fred Baker, one of our younger skippers, out sailing the rest of the fleet in both light and heavy air to win the Club Championship. In following with the program of past years, a Consolation race was held for those who did not qualify in the club Championship Series. Lorie Wright in "Pink Lady" came out with top honors.

Fred Baker in "Gay Lady", Fleet #24 Champ from Erie, Pa. reaching for the high side.

In attempting to create more social spirit and enthusiasm within the fleet, we initiated the first annual Mid-summer Picnic Pickle Race in which we all sailed to the point of Presque Isle Peninsula for pickles, beer and a swim. Following an original song fest put on by each boat's skipper and crew, we started the six mile no-holds-barred race to the Yacht Club. After paddling, swimming and towing Jim Taylor and his crew were the first to be sucking beer on the front porch, so they received a perpetual trophy of a voluptuous nude woman donated through the unbounded generosity of Portack Q. Linebarger for their efforts.

Howard Foht maintained his sailing superiority over the fleet by winning the Wednesday Evening Series, the McAllister Trophy and the Night Race as well as accumulating the most points for the entire season.

After a successful sailing season in '52, we are looking forward to next year and also to the return of Bill Walker, a great skipper and sportsman, who will once again be at the helm of "Caroline I" after two years in the service.

Commodore Budlong, the officers and racing committee of the Lake Mohawk Yacht Club conducted a most successful racing season.

Former Snipe and Lightning Champion, Eric Hauschild, again won first fleet honors with his boat "Luff Me". Bob Crane sailing a new Skaneateles Lightning won second and Dr. Charles MacDonough placed third.

Dr. MacDonough won first place in the Mikkelsen Trophy Regatta—Eric was second and Al Theurer third. This race was sailed in a very strong breeze which capsized several boats at various points on the lake.

The Club and Commodore presented a "Commodore's Cup" this year. The racing rules for this cup and the Mikkelsen trophy are similar. Any boat on the lake is eligible to compete with definite time handicaps. This race makes a most interesting diversion from the regular weekly fleet races and all classes look forward to competing against each other. Eric Hauschild was

Lud Wray, the old salt, made "Nipper Kat", a two time winner in as many seasons by nipping Bill Webb, the fresh water sailor, in an eventful series of races.

Bill Webb, who last year earned the affectionate label "Captain Bligh" of the Bounty, came through with one first and tied up third place for the season with his new craft, "Riptide". Those of us who followed Bill around the bay most of the year congratulate him on being the most improved sailor on the bay, and yet we can't help feeling that Katie's smooth spinnaker work would make us look awfully good, too.

Dave Langworth, who rates the Little Egg "E" for effort this year, was plagued with gruesome luck, nothing new to Dave, and found his "Strike One" in fourth slot at year's end. Dave set a fine example for the fleet by sailing every race held anywhere near Little Egg and some not so near. His new boat was the subject of many experiments with gadgets and rigs that kept him working long into the night.

The "Alibi" and the "Petrel", fought their own little battle, with Sherm, Janie, and Mac upholding the honor of the Green Mountain Boys. Petrel, in losing, gave Sam and Way their little thrill by overtaking the entire fleet in one memorable race as much as to say "O.K. Felix, I've done my job now you do yours." They folded.

We were hosts for the Central Atlantic District Championship races. Dave and Norma organized, directed, and did a

tremendous amount of work to make it the success it was. Never were so many boats measured so fast and so well. There was a very able weigher, about whom some slanderous rumors were passed, all false, of course. Something about jumping into the bay after his anchor (which, if the truth be known, some inebriated relative tossed overboard as a hilarious gag.)

Aside from a few nasty blows, which separated the men from the boys (and their boats), we had nice sailing weather, and of course, the best water and most consistent winds on the Atlantic Coast.

Our midwinter party was held at Captain Dave and Norma Langworthy's new house, which was decorated in a nautical theme. All skippers, crews, and some ex and prospective Lightning owners were invited. The deeper throated members enjoyed relating the highlights of the summer's racing season (as they recalled them), and the rest of the group contented themselves with heckling.

We are looking forward to have our new Captain Bill and Katie Webb perpetuate the tradition this winter. Look for us to expand our fleet next year. Anyone having boats for sale send information to the Fleet Secretary.

Our 1952 racing season was conducted as usual, according to the LYC Racing Committee schedules, while at the same time conforming to class and association rules. Throughout the season, on an intermittent schedule we held three long series, two of which were Class and one Handicap. Also three special Holiday Series all on a Class basis. The long series were scored under the Cox & Sprague system.

Our main Sunday Series for the Fleet Championship consisted of ten scheduled races with seven necessary to qualify, and was won by Al Rowland in "Williwaw". Second place was taken by Frank Rose in "Star Dust", Second to Henry Hull in "Harriette-Salsudi".

Our Saturday afternoon series of ten scheduled races, drew spotty attendance, with the three top positions going—First to Frank Rose in "Star Dust" Second to Henry; Hull in "Harriette Ann" and Third to Russ Barthelmeuw in "Punky-Doo".

Memorial Day, Three Day Special Series was our first to be completed and in this the standings were—First, Frank Rose in "Star Dust"; second Al Rowland in "Williwaw"; third, Jim Montgomery in "Mij-II".

In the Fourth of July, Three Day Special Series, awards went—First to Frank Rose in "Star Dust"; second to Al Rowland in "Williwaw"; third to Dick Lund in "Salsudi".

In our Three Day Special Series over Labor Day week-end, the awards went—First, to Al Rowland in "Williwaw"; second, to Henry Hull in "Harriette-Ann"; third, to Frank Rose in "Star Dust".

Each year we participate in a series known as the LYC All Club Handicap. This year six races were scheduled extending throughout the season, with four races required to qualify. The series is open to Class boats as well as to individual Non-class boats on a handicap basis. The Handicap being the same for each boat in a Class. Competition was between Thistles, Lightnings, Comets and a half dozen other types, for a total of thirty entrants. Although First & Second went to Thistles sailed by

H. D. Spangenberg and H. R. Nelson, Third Place was taken by Al Rowland in his Lightning.

It may be recalled that this is the home fleet of the Eight Boat Building Project of 1945-46, for Lightnings Nos. 1226 to 1232 inclusive. The summer witnessed the sale of 1226 by Pop Linn, one of the original builders to Jim Montgomery, who has started to make an excellent showing. This leaves three boats, (1227, 1320, 1232) in our fleet in the hands of original builders, Bigham, Rowland, and Rose.

The 1952 season was one we will remember for many years as one of many serious problems created by the unusual high water of Lake Michigan. It dampened racing enthusiasm considerably though a series of regular races were run in spite of very unpleasant conditions. The "Joy" again took first place with the "Chip" a very close second. Because of the high water problem the "Old Timers Regatta" had to be cancelled and other plans postponed for another time. We hope for less water in 1953 and greater activity.

We had an exciting racing season at the Devil's Lake Yacht Club this year. It was a close hard race for the season's cup

with Barney Crittenden in Arrow II just nosing out Dave Spitznaugle in Yawn. In the holiday races, Dave Spitznaugle proved unbeatable by taking home all three holiday cups.

Most of the traveling this year was done by Barney Crittenden and George Maludy as the stork kept the rest of the fleet at home. They represented us at the Higgins Lake Regatta, the Michigan District Regatta, and several others.

Of course, the stork didn't entirely limit our activities at home. We had some mighty fine breezes and made the most of them, including the nights we went cruising in our yacht club's "put-put" powered gondola (rather crowded to say the least).

This year, the early birds on the lake were Bob Zimmermann and Ben Trumbull. Bill Gerkens and his family joined us this summer and the competition became more keen. Johnny Kunkle, one of our younger crew members, started skippering this year and is doing a fine job. Watch out for him. Since Jack Beal was tied up most of the summer, Ann Blanchard and Bob Morse put No. 840 through its paces, while Doc Blanchard skippered the Lucynann.

We were host to fifty-eight boats, representing eighteen yacht clubs, on September 20 and 21, for our "Ninth Annual Invitational Regatta". There were four classes of which thirty-two boats were Lightnings. This one was really for fun under the able chairmanship of our association secretary, Barney Crittenden and a great time was had by all. Perfect sailing weather prevailed blowing Doc Murphy and Herm Nickels, both of Lake Fenton, to a one-two victory with Dick Krauss, from Toledo, a close third. On Saturday night, the traditional dinner dance was held and one of our pretty young sailors, Arlene Kunkle, of Alvordton, Ohio, was crowned queen of the regatta. The entertainment was, as usual, better than par, including a band made up entirely of Lightning skippers and crews.

We are looking forward to another successful season in 1953, and we extend an open invitation to all Lightning sailors to come sail with us any time.

The Larchmont Fleet had a good season with a new, enlarged group of younger skippers competing in an active racing schedule. This was in large part due to the purchase by the Larchmont Yacht Club of four Lightnings for use in the Junior Sailing Class. There are about eighty boys and girls enrolled in this class, and these four Lightnings are one of several classes used for teaching boat handling and racing.

A group of the Juniors took five Lightnings to the Great South Bay Regatta, and brought back some of the trophies—besides having a grand time of racing.

Lightnings are the boats used for all of the Junior Yacht Racing Association of Long Island Sound Championship Regattas. These regattas are for Midgits (under 15) Juniors (under 18) and Girls (under 18).

The competition for the Syce Cup was also held in Lightnings.

The fleet inaugurated a second division this season which was set up to attract particularly new skippers and those others who wished to brush up on their racing form. A three race series was held with Jim Wagner taking first place and Landemare and Woodward tying for second place.

Worked in later in the season with the Championship races was a three race series. Prizes were set up by a club member. In the series Marge Adams placed first, Jim Carson second, and Dave Shay third.

The ten race Championship series had ten regular contestants each averaging nine of the ten scheduled races. Jim Carson took five firsts to make first place, Marge Adams was consistent with seconds, thirds and fourth to give her second place, and Bob Adams placing anywhere from first to eighth placing third.

The third annual spring Tune Up Regatta was held during June. Fine weather prevailed during the three race series. Dutch Sindle came thru with top honors with Charlie Dore and Jim Carson following in the number two and the three position. Hoping that this issue gets to press by March the club extends an invitation to all CAD members to the next Spring Tune Up Regatta next June.

Fleet 34 has welcomed the addition of new members this season and looks forward to plenty of action next year.

The Mentor Harbor Lightning Fleet officially started their Racing Schedule for the 1952 season with 4 tune-up races during the month of May. These tune-up races were inaugurated several years ago so that all boats in the Fleet could be tuned as near as possible to perfection.

The Mentor Harbor Lightning Fleet Racing Schedule consists of 8 races in the Summer series and 7 in the Fall series. In the Summer series, the Fleet raced all 8 races with perfect sailing weather, although several races in this series consisted of drifting matches. The Fall series, however, was a complete reversal, as far as the weather was concerned. We managed to sail only 4 races of the 7. In two races, we had perfect sailing weather, the 3rd race was a drifting match, and the 4th race was sailed in weather of nearly gale proportions. The remaining three races were cancelled because of exceptionally high wind.

The winners of the Summer series were as follows:  
 First: Stan Gridley in "Blue Goose"

Second: Bob Stava in "Touche"  
 Third: Ehlert-Davis in "Bob"  
 The Fall series was won by Stan Gridley in "Blue Goose";  
 second Bill Wells in "Mary-Bet". The third place went to Bob  
 Stava in "Touche".

Three series of three races each were organized by Lightning Fleet No. 38 for the 1952 season, held in cooperation with the Race Program of the Miramar Yacht Club. The program began in the beginning of June and was completed the end of September. The point score system of one point for finishing and one point for each boat you beat was used in determining fleet champ and runner-up. Al Salkind in his "Alchemy" acquired the greatest number of points to become Champ with Sam Levene in "Dasse" a close second. A representative portion of the Fleet sailed to Perth Amboy to race in a local invitation series but storms and then lack of wind cancelled the event. Plans are under-way to make 1953 a bigger and better racing year. More races are being planned, and several more Lightnings are expected to join our growing fleet.

The Tappan Zee, which is the broad expanse of the Hudson River not far north of New York City, offers a wide variety of racing courses of which we took advantage. The starts were generally arranged right outside the Minisceongo Y. C. harbor, in full view of the club terrace, and in some of the races the boats could be followed from start to finish.

The 1952 season opened with our annual Memorial Day race, an invitation affair to which four other neighboring Lightning fleets were invited. Eighteen boats competed in a close contest, which was won by "Pim" Eppler of Nyack.

Regular Fleet races were scheduled on alternate Sundays, with additional races sailed as guests of our neighboring Lightning Fleets at Nyack and Ossining.

As highlight of the Minisceongo Y. C. barbecue picnic, the Lightning Fleet offered its boats to the club's present and past commodores, who thereupon entered into a race (with owners as crew) that made use of every known maneuver and invented a few new ones.

Also to stimulate interest in sailing, the Fleet invited the local chapter of Girl Mariners to a cruise, and successfully developed some new racing enthusiasts.

The final invitation race of the season, sponsored by the Fleet was the annual Long Distance Minisceongo Club Race, run from Grassy Point to Nyack on the Sunday before Labor Day, in which twenty-one boats participated.

Despite the unusually fine yacht harbor and wonderful docking facilities enjoyed by our Fleet, our skippers turned out to be a rugged bunch, and have shown increased interest from year to year, so as to warrant a more extended racing program for next year. All of our Fleet races were hotly contested, with three boats almost tied for the Fleet Championship. Holterhoff in Heidi-Ho took first honors in points scored, followed closely by Larry Ryan sailing "Sparetime," and Charlie Strachen in "Happy Days". Finishing fourth, after winning the first two races for the Series, was "Old 'n Rare," ably sailed by Charles Widman and Gene Vidal.

Members of the Fleet are already looking forward to a bigger and better season next year, now that all the boats have been hauled and stored for the winter.

The racing season was opened with the Great Lakes Lightning Championship Regatta, which was held over Memorial-Day weekend. A large number of Lightning skippers turned out for the two tune-up races prior to the three-race series, which was won by Dick Krauss, followed by Walt Swindeman. The skippers and crews who were less fortunate at least took home memories of "Uncle Ed's Resurrection!"

Two weekends later, the Toledo Yacht Club held their annual Frostbites Regatta. Doc Murphy (Lake Fenton Yacht Club), with two Toledo crewmen, showed the Toledo Fleet how to really steer fast, taking three first-places (which we are all trying to forget!).

Two Toledo boats and seven extra crewmen were at the St. Petersburg, Florida Regatta in which there were 54 entries. Walt Swindeman tied in points for first place, but received second place. Dick Krauss turned up fourth.

Walt Swindeman won the Lake Pymaturning event, with Dick Krauss coming in second, Cal Yaudas fourth, and Jerry Garinger fifth.

Fleet 42 had a winner in Dick Krauss' "Jinks" at the Royal Hamilton Yacht Club event on Lake Ontario.

Four Toledo boats participated in the Ohio-Indiana District Regatta. Walt Swindeman sailed to first place, Dick Krauss captured second, Jerry Garinger third, and Cal Yaudas was fifth, among the 44 entries.

Walt Swindeman placed second in the Snow Flurries Regatta at Port Clinton, with Dick Krauss following up with third.

Dick Krauss slipped to a second in the Higgins Lake Regatta.

Walt Swindeman had the honor of participating in the "One-Of-A-Kind" race and did a good job on behalf of the entire Lightning Fleet.

Something new and different was started this year, the race schedule was established with thought to invitational regattas being held by other clubs, dates were checked and our regular season races were eliminated on these dates, then a special "Stay At Home" series was established for those of our fleet who were unable to participate in other club regattas, and at the same time not jeopardize the standings of the skippers who wanted and could attend these other functions.

Much interest was afforded by this series as the hot competition was out of town, thus giving an opportunity to some of the other skippers to win trophies. First place was taken by Jerry Cooper, skippering for his first season—second place went to Jimmy Dressel—third place to C. E. Kimball.

To provide a new twist to Lightning Class racing, a novelty race called "The Octopus Race" was established. Lightnings were manned by the Skipper only—crews were left ashore to cheer and jeer. The only restriction was no spinnaker, and as would be expected the race was started in a fair 20 mile breeze, sails were set with bottoms far to windward. The crews on shore were amused to see their skippers trying to steer the boat on course and set the whisker pole, knowing that what ever happened they couldn't be blamed for this one. This race was thought up by Hal Heberding who donated the trophy, this event promises to be one of the high lights of the future. The race was won by one wet and tired George Fisher, who spent the balance of the day bailing out his boat.

We acknowledge in our club, the fact that many new skippers sail their hearts out against seasoned skippers, with this thought in mind a new trophy was presented to the fleet by Commodore Nation, this is called the "Improvement Trophy," and each year it will be presented to the skipper showing the greatest improvement in his racing record as compared to the previous year. This year the "Improvement Trophy" was awarded to Earl Fisher.

The Spring series was sailed in the usual gusty, heavy air, and in order to get the season off to a good and early start, a beautiful new Spring Series trophy was donated by our race committee chairman, Bob Slattery, first place was won by George Fisher, second place Robert Mann and third place to Ed Finneran.

The summer series was hot weather and hot competition, crews received the usual tongue lashings, but when all was said and done first place went to Robert Mann, second to George Fisher, third to Ed Finneran and fourth to Jimmy Dressel.

George V. Fisher, wife Marty and brother Ray, Jr. going in for the gun at Buckeye Lake, Ohio.

After summer comes Fall and the last series in our racing schedule also the last chance of the year for another of our skippers to get into the money spots, however again we have first place taken by Robert Mann and this time second place was taken by Jimmy Dressel.

Lightnings from Buckeye Lake were towed to the following regattas: Pymatuning, Ohio-Indiana Districts at Port Clinton, Interlake at Put-In-Bay, OICYA at Attwood at which George Fisher won the "Carl Barnes" trophy, the Harvest Moon regatta again at Atwood, and the Internationals at Spray Beach.

Our sailing season closes with our Invitational "Snowball Regatta" this year we were very happy so many of our friends paid us a visit. The first race was on Saturday morning and at the starting line were 30 Lightnings, representing 12 fleets, 18 of these boats were visitors. This race was in very light air on a triangular course, it was necessary for the race committee to shorten course. The second race was in the afternoon on windward-leeward course, the wind had picked up making for nice sailing. After this race a cocktail party was held followed by dinner and dancing till??? Sunday morning everyone was ready for the third race and so was the wind, this race was sailed in weather everyone dreams of, however we did have a couple of casualties, Tom McCain at Atwood hit a mark, and Bob Baldwin of BLYC broke his spar.

Doc Barnes of Cincinnati took this regatta with flying colors, taking first place in all three races, Robert Siemer of the Niagara Sailing Club held second place for all three races, third place was held by George Fisher for the first two races but in the third he didn't do so well and it looked like Bob Englebeck might have him beat, however the final count showed George Fisher of BLYC to have third.

Our fleet Championship is figured on a point system, this year the fleet Championship was awarded to George Fisher.

We were also very proud of George Fisher being elected to the office of District Commodore of the Ohio-Indiana District.

The sailors of fleet No. 43 look forward to the Snowball Regatta: we greatly enjoy being host to our many friends and take this time to extend to each of you an invitation to attend the "Snowball at BLYC in '53".

Fleet 45 sailed twelve races during the 1952 season with the result that Hal Hall became champ with Doc Schultz, runner-up, and Jim Buchanan, third. Bill Redhead had his boat "hopped up" and was a constant threat.

Pat Young brought home the greatest number of trophies of any Edgewater Skipper. He had a clean sweep at Put-In-Bay, was first at Edgewater and Mentor Regattas, and split two Firsts with Doc Schultz at South Shore Regatta.

Hall won at Lakeside with Young and Schultz second and third, respectively.

Later in the season Pat took his "Dark Cloud" to Hawaii and copped a third in the Hawaiian Invitational Regatta.

The Sail Race Committee did a fine job of conducting the races, as usual, and prizes and flags were awarded the winners after each home race.

All in all, it was a pleasant and successful season that just didn't last long enough.

Interest in the 1952 sailing season was high long before the boats were in the water. Early spring found several members of the fleet working on their Lightnings. Mr. F. C. Savage, whom we welcomed as a new member to our club, acquired his No. 2877 in the fall after the 1951 season and spent the long winter months doing a complete refinishing job on the hull. This early interest correctly forecasted keen racing for the season ahead.

Our regular series of races began officially on the Fourth of July, and eleven races were scheduled through Labor Day. There was hardly a Sunday when the full roster of boats did not sail. When the totals were finally in, Dick, Paul, and Alice Miller were the fleet champions. Placing second in "Poky" was Verne Williams

who consistently offered sharp competition for the winners. Dick, Jane and Ricky Molt in "Pirate" finished third. The season's racing ended with the annual banquet of the Columbia Lake Association in September, at which time the 1952 trophies were awarded.

Our special thanks goes to the Association for their generous contribution toward our prizes and to the local "Comet" fleet without whose help and cooperation we could not have run our races.

3774	Ca Va	Col. F. B. Shearer

The 1952 season saw several changes in Fleet 50, the outstanding one being the desertion to the Thistle Class by Norm Schaller, well known as the "schnitzelling" expert. His "Schnitzel" was literally sold down the river, and departed from our waters. Rumor has it that Norm is not too happy there with the Thistles, and we hope to see him return to the fold.

Walter Collier sold his "Robin" to Drs. Gilbert and Hudson, who are now sailing her under the name of "Vagabond". Walter has been sailing Stidham's "Ruthless", while looking for a boat to buy. Bob Johnson's "Allegro" went to Willard and Lillian Rothery; "Muller" became the property of Col. Blunt, and Major Dean bought "Tohopekaliga", changing her name to "Kachina". Some new boats came into the area, including Thornton Parker's No. 91, Dave Kuntz's "Little Four Bits", and "Lively Lady", belonging to an aggregation usually referred to as "The Girls",—Lt. Cornelia Carswell and ex-Lt. Lucia Lhamon of the Waves, and Joseph Soraghan. At present there are 28 Lightnings in our waters, of which 23 are active members of Fleet 50.

The fleet has had a very active season, starting off with the trip of Col. Shearer to St. Petersburg, Florida, to participate in that outstanding event of the St. Petersburg Yacht Club, the Mid-Winter Lightning Championships. He must have been only about 30% efficient in that gathering of experts, since he finished 35th of the 50 boats racing; but he reports that the hospitality of the St. Pete YC and the sportsmanship of all present was unexcelled.

The first local event was the annual Gunston Cove handicap race of the Potomac River Sailing Association, a 12 mile race for all classes. This race is from Alexandria down the Potomac to Gunston Cove, and this year had an entry list of 52 boats, 9 being Lightnings. Jim Hunt in "High Life" upheld the honor of the Lightning Class by taking the trophy for first boat to finish, and was ably backed up by Dave Kuntz in "Little Four Bits", who won the event on corrected time. The race was sailed in a 25-30 mile wind; Col. Shearer's Ca Va (sah vah, that is) broke her rudder when a quartering sea and a sudden wind

shift forced her onto a closer reach, with everything flying but the cook's shirt. Only frantic struggles on the part of the crew managed to keep her right side up while taking in spinnakers and such; she finished that one on a tow line. "Lively Lady" was not quite so lucky, and capsized while setting the spinnaker, resulting in a broken stick. All in all, the Lightnings held the spotlight in that race.

The PRSA spring series of 12 races was won by CA VA, with Leo Bielecki's "Damfino" second, and "Ruthless", sailed by the Girl Mariners, third. Only seven boats raced in this series. The first summer series of the National Yacht Club, of 10 races, was also won by CA VA, with "High Life" second and "Lively Lady" third. (The Girls were really coming right along.)

Carnduff and Shearer represented Fleet 50 in the Dixie District Championship, sailed July 19-20 at Indian River, Delaware, home of Fleet 72. Fifth and Sixth respectively was the best they could manage; but they speak very highly of the hospitality of the Indian River Yacht Club.

The second National Yacht Club summer series, also of 10 races, saw a turnout of 12 boats. This series ended with CA VA again first, "High Life" second, and "Damfino" third. Perhaps at this point it should be explained that the "High Life" referred to in these races is Jim Hunt's. We have two boats named "High Life" referred to in these races, but the other does not race. We have suggested to Jim that he rename his "Low Life", but he seems to take a dim view of that.

The President's Cup Regatta, held Sept. 13-14, saw a fleet of 160 boats of ten classes, including 20 Lightnings, competing off Hains Point. Everything was on hand but wind; the first race on Saturday was a drifter to end all drifters. By the end of the series Arthur Carnduff, sailing "Halcyon, had produced royally for the local fleet and carried off the first place trophy. In second place was Bob Purnell of Indian River Fleet No. 72, in "Bo Bo II"; third was taken by John Walton, sailing "Deadeye" a visitor from Brigantine, New Jersey, Fleet 217; and Herman Henschen's "Kibitzer", Patapskut Fleet 128, was fourth. The local lads did not do so well in this one, except for Carnduff, and Jim Hunt, who brought his "High Life" in fifth.

Following the President's Cup the 12-race Fall Series of the Potomac River Sailing Association got under way. This series saw the highest turnout of Lightnings for any of the 1952 local

events, a total of 14 boats participating, although the average per race was about ten. At the finish of the series the ubiquitous CA VA of Col. Shearer was again in first spot, followed by Jim Hunt's "High Life", with the syndicate owned "Lively Lady" in third place. (This gets monotonous). "Damfino" finished fourth, and Leo says "Damfino why she couldn't go a little faster." High point trophy for the season went to CA VA, and "Lively Lady" won the B-class trophy.

Fleet 50 has had a most enjoyable season, and is looking forward to a better and bigger one in 1953, with everyone plotting dire things against CA VA. It is hoped that by next year all boats in the area will be members of the fleet, and that more will participate in the races.

A cordial invitation is extended to all Lightning owners to visit our waters; we have a crane and ramp available, and mooring in sheltered waters. Come and try out our sand bars and vagaries of Washington weather.

Plans for our most successful season were postponed by late winter storm in March. High water, strong winds, and heavy seas resulted in \$25,000. worth of damage to the two harbors of Crescent Sail Yacht Club. Only one of the harbors was ready for use by the last week in July. Some of Fleets 54 and 42 respectively. The hospitality of these fleets during our times of hardship is sincerely appreciated. Another indication of a great organization! Tuning gained in this early season competition resulted in a head start for Roney and Cawthra and, consequently, they became very difficult to beat when our belated racing season started. Henry Cawthra, in "Broom", went on to clean sweep the districts at Cass Lake with four consecutive first places, while district secretary (now district commodore) Walt Roney took the fleet championship in 4971. Jim Northmore and Dick Crandall, sailing No. 807, surprised everyone by their sudden surge into prominence when they captured the runner-up championship. It was their heavy-air sailing that made the difference. In the popular Wednesday night "Nite-Hawk" series in memory because of the keen competition and fine weather, Crandall and Northmore won the trophy—with district champion Cawthra the runner-up. The series was hotly contested, with the winners not determined until the last race. It was one of the best "Nite-Hawk" series in memory because of the keen competition and fine

weather. In the championship series, Roney's light air sailing was responsible for his easy victory. Others to mention are "Elig" Poxson for his rapid improvement in 3613, Ralph O'Hara's rapid rise to contention in his "My Harem", Art Rautenberg's constant threat in spite of crew problems, and look out for Jack Leverenz when he gets a mast to stay in one piece!

Next year the competition will be even keener with the addition of several experienced skippers to the fleet—Chuck Ellery, Jack Siekmann and Don Fairchild. Vic Schneider is buying a new Nichols—a sister ship to Art Rautenberg's new one of this year. Tom Rochford and Carl Queck are boat hunting and both expect to be ready for 1953 competition, which will be our biggest year with a total of 30 boats in the fleet. Sailmaker Meryl Amo, Star boat champ for years, is currently building a new Lightning and will be a new addition to our fleet.

Fleet captain Jim Millies conducted the fall fleet meeting in October. Dick Crandall became the new fleet captain and Ralph O'Hara was elected fleet secretary-treasurer. Off-season activities were planned in addition to next year's sailing activities—which will include three racing series, cruises, moonlights, and a "Power Puff" regatta for women only.

A very successful fleet potluck supper was held at the club in November. Fifty-two skippers, crews, and wives enjoyed an excellent ham dinner with all the trimmings. Crescent's Commodore Cawthra presented trophies to Fleet Champion Roney and Nite-Hawk champions Crandall and Northmore. The evening was completed with color movies of the Internationals, post mortems of the past season, and plans for next year.

Congratulations to Ralph and Helen O'Hara for the way in which they arouse interest in sailing among the younger generation. It's a great sight to see a Lightning loaded with all the neighborhood kids. He'll have no crew problems for a few years!

The record of Henry (wait until next year) Cawthra speaks for itself and we are really proud of him! His outstanding performances at the districts and internationals make him our favorite to bring the 1954 Internationals to Lake St. Clair.

Lake St. Clair's only invitational Lightning Regatta—the Kendall Series, sponsored by the Detroit Yacht Club's Fleet No. 131, was held off Crescent S.Y.C. on September 27, under the direction of Betty Rypsom. Henry Cawthra won the beautiful Harry Kendall Memorial Trophy by winning two of the three races. Defending the trophy was Vic Schneider who was in constant contention with Dick Krauss and Wes Wiedrick. Everyone is sincerely invited to attend the 1953 series—which will be a real big affair with lots of competition. Announcements will be sent out to all fleets in this part of the country—try to attend, it's lots of fun

as Crescent Skippers found out this year when they began traveling to the various invitational regattas. Next season our trailers will get a real workout. One of the greatest advantages of the LCA is the opportunity offered to travel around, meet fellow skippers, sail new waters, and discover a new feeling of fellowship.

At this writing some of the die-hard sailors have not yet hauled their boats out for the season, and the snow will be flying before the last of the boats are out.

We had another very successful season this year with our constant champion, Herman Nickels, being beaten in three races, but remaining top man in the fleet. Clarence Holman was runner-up, and Robert Furey third. The competition is getting keener every year and next year our fleet may have a new champion. Besides our weekly races, each month when the moon was full, we had a moonlight race which was strictly for fun with an unrestricted number for crew. The more the merrier. Hot coffee, & doughnuts with a roaring bonfire made for a song, feast, and refueling of races afterwards.

Again this year many of our members trailed their boats to many of the regattas in the Mid-west. Two of our skippers made a fine showing at the Internationals with Herman Nickels taking a 3rd place and Dr. Jerry Murphy finishing 4th. We were also represented in the Presidents Cup races by Clarence Holman.

We held the 2nd Annual White Cap Regatta Sept. 13 and 14, with 27 boats entered. There was a good variety of winds for the three races. One race being sailed Sat. afternoon, in light shifty air, which was won by Wes Wiedrick of Bayview Yacht Club, followed by Hank Cawthra of Crescent Sail Yacht Club and Clarence Holman of Lake Fenton 3rd. Saturday night after the banquet, music for dancing was supplied by a strictly Lightning band consisting of Dr. Jerry Murphy and crew members, Sid Mitchell and Charlie Grant, and Buzz Morley of the Higgins Lake Fleet. Sunday morning the wind had picked up a little with occasional gusts, with Pat Patterson Saginaw Bay Yacht Club 1st, Dr. Murphy Lake Fenton 2nd, and Herm Nickels also of Lake Fenton 3rd.

By the time of the 3rd race the wind was a steady blow with everyone riding the high side. Wes Wiedrick was again the first one across the finish line, which gave him 1st place for the regatta. Herm Nickels was 2nd and Pat Patterson 3rd for the regatta. Trophies were presented to everyone who participated. The welcome mat is out to everyone and hoping to see you next year at the White Cap Regatta where fun and good sailing are enjoyed by all.

Herman O. Nickels, in #4533, 1952 Fleet champion of Lake Fenton Yacht Club and also third place winner in the International Championship Regatta at Spray Beach.

With hopes of a new club house and some new Lightning sailors next year, we leave the racing season behind and start our plans for a bigger season next year.

In 1952 Pontiac Yacht Club has enjoyed one of the most successful sailing seasons in the history of the club. We had an average in our Sunday races of approximately twenty-five boats, and an average of twelve to fifteen boats in the Wednesday evening races.

Our sailing season started in May with two tune-up races, with our first official Sunday morning races starting the Sunday preceding Memorial Day. Again this year we used the familiar "Popeye Banner" which was awarded to the winner of the Sunday

morning races, who then was allowed to fly the banner at the top of his mast the following week. However, this year Al Gray seemed to have the "Popeye Banner" flying at his mast just about every week. At the end of our Sunday series, Al Gray took the first place cup, the second place plaque was awarded to Roland Redner, the third place plaque going to Charlie Callahan.

The Wednesday night series, which is known as the Nite-own series, not only afforded our own skippers ample racing during the summer; but gave some of the visiting skippers in the Michigan District a chance to come down and race with us. It was our privilege to entertain "Doc" Murphy, "Hank" Cawthra, "Hermie" Nichols, and other famous name sailors. When all the points were totaled for the Nite-own series, we again found Al Gray winning the cup, with Charlie Buck taking second-place honors, and our famous skipper Alex Clark winning the third place plaque.

We again scheduled our championship series early so that all of our official racing would be completed by Labor Day. In the Championship Series, which is determined by the ten highest boats in standing, we found that Al Gray won the Championship race, and the well-known Larry O'Dell, in his new boat nosed out approximately ten of our best skippers, winning the second place plaque, and Alex Clark taking third honors. Ten minutes following the Championship Race we started our famous Commodore Series, which is made up of boats that did not qualify within the first ten boats in points, and in this series we found Andy Roualet winning the Commodore Cup, with Sam Dibble taking second place, and Fred Prince in boat No. 611 coming in third. This was very gratifying to the rest of the sailors, inasmuch as Fred is a comparably new sailor.

Probably the most unforgettable event in our sailing season this year was our Labor Day Race, when all of the skippers were trying to raise enough points to get recognition in the last race, we had the misfortune of a squall hitting all the boats in the Championship series and a number of boats in the Commodore series which resulted in fifteen boats going over simultaneously. This caused a great commotion for approximately an hour and a half until people who lived around the lake could get out their power boats and pick up the drenched skippers and crew members. For this reason alone, you will find at the various regattas attended by Pontiac skippers when the winds are blowing over eight miles an hour, life preservers are being worn.

During the month of August, we again had the Annual Exchange Regatta with our neighbors, Orchard Lake Country Club. It is the Fourth year in succession we have won on an overall point basis.

For the first time in the history of Pontiac Yacht Club, it was our very good fortune to host the Michigan District Championship, July 19 and 20. Thirty-five Lightning sailors sailed in this regatta, which was headed by Co-Chairman H. Van Phipps and Harold Couzens, Commodore Frank Bonner and his various

Committees certainly should be complimented on the way this regatta was run.

We again had three of our famous group potluck dinners, being held on Memorial Day, July 4 and Labor Day. On the evening of July 4, Van Phipps and Ray Ransom supplied fire works and aerial displays for the enjoyment of the adults and children.

During the month of September and October, we again held our Snow Ball Series every Sunday morning, with Larry O'Dell taking first honors, Les Huntwork taking second place, and Jerry Callahan coming in third.

At the end of the season a number of our well-known skippers had acquired light boats, including the famous Two-Bits which convinces everyone at PYC that the next season is going to be the best of all.

Fleet 56 had a very active sailing season during last summer's fine sailing weather. We started with the "Pest Trophy" tune up race on Decoration Day. Our racing season was divided into two series of six races each in addition to the five squadron regattas with Fleet 5 of Chicago Corinthian Y. C. and finished with our Red Flannel Regatta on October 4th and 5th. In between these, the boys managed to squeeze in the Mid-West District Championships, trail three boats to Springfield for the Middle States Championships over Labor Day, and travel to Milwaukee for a team race with Fleets 69 and 79.

In our first home series "Chuck" Berc in Lianne tied with Abe Jacobs of Trio II for first place and won it on a coin toss. Bill Fuchs in "Dubious" was third. In the second series Berc won first place, with Bill Fuchs in "Dubious" second, and Abe Jacobs in "Trio" third. The overall seasons points trophy went to Berc with Fuchs in second place and Abe Jacobs third.

An innovation in this years racing was a handicap race. The handicap was determined by averaging every boats time for the first six races sailed and handicapping the faster boats by the difference between the averages. Scratch boat was Lianne which gave the slowest boat 18 minutes and its closest competitors four minutes. Each boat started on its own time—the slowest boats first. Lianne sailed by "Chuck" Berc with his mother and dad as crew sailed through the fleet to win by four minutes over the next boat. This race was very interesting and proved exactly—nothing.

The Cincinnati Sailing Club continues to be represented by Hoge, Pfefferle and Barnes at the Lightning regattas in the Mid-west. However, there are a couple of skippers in Fleet 57, names, Fred Walter and Bob Barrows, who like to play "Beat the Champ" and could give a creditable performance if we could drag them away from the shores of the beautiful Ohio. Our new skipper Oliver Bardes promises trouble for the fleet and Commodore Bill Jackson will have his new boat going hot so next year should offer good competition on the Ohio.

Dr. W. P. Barnes continues to be our fleet champion winning the Spring Series and Season trophy. Bill also made a creditable fourth place in the Ohio-Indiana district race at Port Clinton. At the annual "Snowball" by Fleet 43 at Buckeye Lake, Ohio, Doc had the thrill of a clean sweep in a three race series which included light, medium and moderate heavy winds.

Runner up honors for 1952 season belong to Frank Pfefferle with Barrows and Walter providing the close competition.

There was greater interest in home fleet competition in 1952. Unusually good sailing weather brought an average of eight boats for races on weekends and holidays. Bill Hamsley, chairman of the racing committee of the Hewlett Point Yacht Club, base of Fleet 58, mapped intricate racing courses among the islands of Hewlett Bay that added interest and excitement.

Robert Grimmig, who lost the fleet championship to Jim Browne in 1951 after holding it for three years, regained it in 1952.

The Greater Long Island District Regatta was held July 26th and 27th sponsored by Fleet 58 and Fleet 2 of Cedarhurst, (L.I.) Yacht Club. The first race was held on Hewlett Bay on the morning of July 26th. Eighteen boats were entered. The result: First: Billy Uhl of Mattituck Fleet 141 in "Spark" No. 3524; Second, James A. Browne of Fleet 58 in "White Label" No. 365; Third, George McKnight of Fleet 141 in "Imp" No. 4883.

The second race in the afternoon of July 26th took place in Reynolds Channel. The result: First, Billy Uhl of Fleet 141 in "Spark" No. 3524; Second, James Connor of Fleet 141 in "Black Jack" No. 4251; Third, George McKnight of Fleet 141 in "Imp" No. 4883.

The third race was held in Hewlett Bay on the morning of July 27th. The result: First, Robert Grimmig of Fleet 56 in "Sea Spray II" No. 1728; Second, James Connor of Fleet 141 in "Black Jack" No. 4251; third, Henry Dailedoze of Fleet 58 in "Foxy" No. 3414.

The Dougan-Koehne Perpetual Trophy was awarded for the second year in succession to Billy Uhl as 1952 Greater Long Island District Champion. Robert Grimmig won the second place award. Third place went to James Connor.

Ray Harrington of Fleet 58 was the District Commodore and head of the Regatta Committee. Mr. Lewis Dalafield of the Cedarhurst Yacht Club was chairman of the Race Committee which obtained the assistance of Coast Guard and police boats in keeping the courses free of fishing boats. The members of the committee were: Joseph Grimmig, James Finch, and Dr. Marsden Hamlin, all of the Hewlett Point Yacht Club.

The visitors were entertained by Fleet 58 at a dinner dance held at the Hewlett Point Yacht Club, Saturday evening, July 26th. After the dinner, Wilbur July of Fleet 141, formerly vice-commodore, was elected commodore. Arthur Nelson of Fleet 58, former secretary, was elected vice-commodore. Nancy Mills was elected secretary.

On September 21st and 22nd, five of our skippers and crews took their sails to Spofford Lake, New Hampshire where they were the guests of Fleet 145. This annual event is looked forward to by many of our skippers as one of the highlights of the racing season because of the friendly competition and enjoyable social functions which are enjoyed by all. Fleet 145 won the trophy for the third consecutive but we are looking with optimism toward recapturing the trophy next year when the races will be held in our home waters.

The Niagara Sailing Club had a wonderful season starting with a race around Grand Island in the Niagara River on Decoration Day. We always get kidded about racing in the current and not much wind. We had races scheduled every week-end from May until October and only one race was cancelled and that was because of rain. Besides a busy season at home, we had contestants in 7 away from home regattas.

Stu Anderson trailed "Glockenspiel" to Toledo and finished 7th in the Great Lakes Championships.

We had four entries at Royal Hamilton Yacht Club Regatta. Bob Siemer brought home the 3rd place trophy, after winning one race in which he beat a couple of "hot sailors", Dick Krauss and Doc Murphy.

Seven boats went to the District Regatta where Joe Holler got off to a slow start but ended up fine with a 1st and 2nd in the last 2 races and coming home with 5th place trophy. All our other entries were in the top half of the fleet.

Bob Siemer attended L.Y.R.A. Regatta at Toronto and finished fourth with lots of keen competition from the best boats in the District.

Niagara River Championships, annually sailed at our club, attracted 30 entries. This Regatta usually turns out fine for our boats, because in the past, one of our boats has always won, and often the club has places 1st, 2nd, and 3rd. This year things were different, we planned to show these "hot skippers" from the Buffalo Canoe Club how to sail in the River. The results turned out a little differently with Bob Graf winning this Regatta just before leaving for Spray Beach to become International Lightning Champion. Second went to Bob Coleman and third to Jack Sharpe all from B.C.C. Our best entrant was Watt Webb who finished 4th.

We always look forward to the presentation of trophy at this Regatta and we present the nicest flags we have seen anywhere. They are hand made by Earl and Olive Johnson and are really beautiful.

In 1953 we hope to have this regatta the weekend before the Lake Erie Districts which are also to be sailed on the Niagara River. There is a division of opinion here whether we are doing this to give the Lake sailors a chance to get used to the 3 mile current or for us to take a lesson from them so we can do better.

We invite and hope to see entries from all the Yacht Clubs in our District. They can attend the Niagara River Regatta with its "Free Lunch" and then leave their boats and have them there the following weekend for the District Regatta.

N. S. C. had four entries in the Championship of Canada held in Toronto, Canada, in conjunction with their World Famous Canadian National Exhibition and they gave us a very nice time. B. Seimer was 2nd, W. Webb 4th, S. Anderson 6th, and J. Holler 7th.

Two boats went to Spray Beach for the Presidents Trophy Regatta. Joe Holler brought home 5th place trophy and S. Anderson was 10th in the fleet of 48 boats. Bob Seimer and Bud Kroening finished off the season at the Snowball Regatta where Seimer again finished 2nd.

One of our new members, Fred Steiner and his wife, Laura, did exceptionally well with the first season of Lightning sailing. He finished 3rd in our Championship series, Watt Webb with his wife Page 2nd, and Joe Holler having a terrific year with a nearly perfect score of 4 firsts in 5 races to take 1st place.

Joe Holler won the Wardel Lightning Series with B. Seimer 2nd, and Fred Steiner and S. Anderson tied for 3rd.

Bob Aschenbach was chosen District Commodore and we know he will do a wonderful job.

We are sorry to lose two fine sailors and tough competitors, Page and Watt Webb. Watt has gone back to M. I. T. in Boston and we hope they will be back next summer.

Our past Commodore, Jack Cryer, purchased their boat, Jigtime, and had it really moving at the end of the season.

George May purchased Lightning No. 42 and plans to busy winter in getting it in top shape.

Dick Bowen bought Herm Hollers "Judy Ann" and was a tough Competitor in all races.

We invite any Lightning sailor who gets in the vicinity of Buffalo and Niagara Falls to drop in on a summer weekend. Our Club house is on the East River Road of Grand Island, half way between the N. & S. Bridges.

Come to the Lake Erie Districts. Niagara Sailing Club and Sandy Beach are trying to make it the "Best Ever in 1953".

As the number of Lightnings on our lake is small, to encourage skippers to race as often as possible this year we experimented by using the Snipe class scoring system which offers bonus points for each time raced. This proved satisfactory and stepped two skippers up one place each due to excess bonus points over opponents.

To accommodate skippers of a few boats of each class on the lake in numbers too small for class races, they were started with the Lightnings and all boats scored on an average time difference adjusted after each race for a handicap series in which Mel Hoffman's Snipe won first and Dr. Ashley's Lightning scored second place.

Lightning Fleet #62 at the Southern Yacht Club, on the beautiful waters of Lake Pontchartrain, which form the northern boundary of the historic and interesting city of New Orleans, Louisiana, had a most active and successful racing season.

Lake Pontchartrain offers deep waters and good breezes; the races can be viewed from the upper deck of the Southern Yacht Club, which affords an excellent vantage point.

The opening regatta was held on April 6th and was won by "Spirit I", sailed by Eugene H. Walet, III.

Each Saturday and Sunday saw a number of Lightnings competing in the regular scheduled races and in those special regattas held in New Orleans and on the Mississippi Gulf Coast.

Consistent winners during the racing season were "Spirit I and Spirit II", sailed by Eugene H. Walet, III; "Mystery" sailed by W. C. Keenan, Jr. and "Gigolo", sailed by Ralph Christman.

Special regattas held in this section during the racing season were as follows:

1. Annual Gulf Yacht Association regatta, which was won by Eugene H. Walet, III, sailing his new "Spirit II", No. 5082 for the first time in competition. This is the only Lightning in this section of the country built by the Lippincott Boat Works and it has built up an enviable record.
2. On July 4th, the whole Southern Yacht Club Fleet sailed a long-distance race to the Mississippi Gulf Coast and regattas were held at Biloxi, Gulfport, Pass Christian and Bay St. Louis, Mississippi. "Spirit II" won all of these regattas.
3. The Southern District Lightning Championship was held at Bay St. Louis, Miss., which club affords wonderful

hospitality, good race committee and fine sailing waters. The District Championship was won by "Spirit II", sailed by Eugene H. Walet, III; runner-up was "Chance", sailed by Charles L. Gamble; third, was "Dixie Doodle", sailed by Cliff Prados of Shreveport Yacht Club.

4. The Fleet Championship was sailed on Lake Pontchartrain and consisted of 5 races. "Spirit II" won all 5 races and the championship. "Gigolo" was runner-up and "Mystery" was third.
5. The Labor Day Series was won by Frigate, sailed by Warren Stratton, and "Lucky", sailed by Ethon Allen, was second.
6. The final regatta of the regular racing season was won by "Spirit II", and "Mystery", sailed by W. C. Keenan, Jr., was second.

Fleet #62 is attempting to increase the interest in Lightning Class sailing in southern waters and hopes in the coming season to add many more boats to its fleet.

During the coming season of 1953, we expect to have several interesting regattas and hope that we can induce many Lightnings from other sections of the country to come to New Orleans and enjoy the fine sailing on Lake Pontchartrain.

Because of a wet Spring many boats were late to get in the water. The owners with the early boats found the weekends inclement which made tuning up and pre-race season practicing difficult. With the coming of Summer, however, the weather becomes fair with good winds.

Fleet 63 had an enthusiastic racing season. The races were all very close. The contest for third, fourth, and fifth place being as hard fought as that of first and second. Al Kuehl and Wayne Brockett led the fleet, Al winning by one point. Bud Sarles won third place and Bernard Karl and Wilson Powell won fourth and fifth.

We sent two boats to the District races at Noroton, these skippers and crews were unable to bring anything back to Branford except the memory of an enjoyable race and a hospitable host.

Three more of our Lightnings sailed to Milford to compete in the Milford Yacht Club Invitational Regatta. Wayne Brockett won in the Lightning Class. Don McCluskey withdrew after blowing out his jib and Bud Sarles withdrew with a loose center board well. Many skippers were glad to be back in the friendly club house after that wet and windy series.

We are looking forward to another good season with full fleet strength next year.

like a cigar, 300 miles long and 60 miles wide at its widest point. At the South end is the city of Victoria, and the Royal Victoria Yacht Club; headquarters for fleet #66.

The fleet consists of roughly 28 boats of which half participate in racing. The other members enjoy their boats as day sailors, a quality which the Lightning is famous.

Racing is divided into four groups as follows: Wednesday evening series, Saturday afternoon series, Sunday series, and Sunday long-distance series.

The winners in each series were:

**Wednesday evening**

1st .....	Spencer Davies in "Rania"
2nd .....	Roy Murdock in "Pukeko"

**Saturday afternoon**

1st .....	Eric Dowell in "Ariel"

2224	Windy	Herbert L. Wendshuh
2225	Islander	Dr. H. C., Don, Dick Schultz
2226	Challenger	E. O. Woerner

Fleet No. 67 scheduled the usual vigorous racing program for the 1952 season, consisting of a tune-up Series, a Commodore Series and a Championship Series.

The "Islander" with the Schultz combination of Dick (skipper) Don and Dr. H. C. again were a tough boat to beat in fact the only local boat to beat them was "Loreen" sailed by John Snyder.

"Islander" took the three series and compiled a record of 15 firsts and four seconds for the season. "Hi Jinx II" was pushing the leaders all of the way and "Chance" was really starting to move at the end of the season. We are looking forward to next year having "Waunette" again sailing with the fleet.

The fleet was represented at the District Regatta at Chicago by "The Islander" which made a good showing by placing fifth using a good suit of black dyed cotton sails four years old when her racing suit of Orlon material was ruled illegal.

The last stop for the "Islander" was Spray Beach, N. J. Sailing in the International Championships, the "Islander" finished in 19th place. Her two best races were a 10th and a 6th place. By placing 19th, she showed a ten boat increase over her 1950 showing. The 1950 showing was at the Buffalo Canoe Club in Canada.

Dr. H. C., Don and Skipper Dick Schultz, a winning combination at Lake Winnebago, Wisconsin.

This summer the Lightning Fleet 68 at Grosse Ile Yacht Club enjoyed a very successful season. Every race was held on schedule with fair weather prevailing. All our boats participated in some of the races and most of them were out for every race.

Frank Wolcott took a lead in the points standing early in the season. All through the season he increased his lead with his fine sailing skill and exceptionally good spinnaker work.

Next year we are expecting to have an even better season with all our old skippers planning to be back and we hope to have a few new ones join us.

Despite hell and high water, Milwaukee Lightning Fleet No. 69, based at the Milwaukee Yacht Club anchorage, completed a successful season. The "hell" was the usual capsizing of several boats at their moorings during storms in the inadequately protected harbor and the failure of any wind to blow in two of the nine scheduled races. As for the high water, Lake Michigan reached record levels in 1952, inundating the outer dock which Lightnings covet, and causing further anxiety because of waves breaking over the seawall of Milwaukee harbor.

The racing season was divided into two series: June and August, with Harold Walker's "Quest" an easy victor in both. Walker also won the fleet championship on a basis of points scored for the entire season. In addition, he finished second in the Midwest District Championships at Chicago, won the Commodore's Series over the July 4th weekend and was first in the 12 mile "Little Mackinac" race. Milwaukee's team, comprised of skippers from Fleets 69 and 79, broke even with Chicago skippers on a home and home series, losing the first match in Milwaukee but coming back to take the return race in Chicago. Visiting skippers won the Milwaukee Journal Regatta trophies: Doc Murphy from Lake Fenton, Mich., finishing first; Joe Stue-land, St. Joseph, Mich., second, and Jim Gagnon, Green Bay, third.

Dave Telander, besides finishing second in the season's totals, trailed his Tashtego up to the North Channel during the summer and cruised for two weeks with his sister, Pinky. Dave rigged his boat with a canvas cover to serve as a cabin top, installed a small stove for cooking, and slept on the floorboards. Next season, however, he plans to have his floorboards adjustable so that they can be lifted up to fit flush with the seats, providing more bunk space.

The Milwaukee Fleet donated a sterling silver bowl to the Midwest District to be used for a perpetual trophy. Simple in design, it is but on a smaller scale, to the International trophies.

The high point of the 1952 season for Fleet 70 came when Charlie Allaire sailed Valhalla to victory in the Atlantic Coast Championships held at Beach Haven, New Jersey. Ed Waters, skippering "Revenger", copped second place in the series, and June Methot took seventh in "Bon Gre". This gave the local contingent the best record of any fleet competing in the Regatta.

Other notable achievements of the Red Bank skippers included Allaire's first in the Metropolitan District Championships, his first in the Red Grant Regatta, and his eighth in the Lightnings Internationals. Waters, vieing with Allaire for top honors all season took fourth place in the New Jersey State Championships, third in the President's Cup Regatta, and second in the National Sweepstakes. Bill Wikoff, Allaire's jib-tender, manned the tiller of "Valhalla" in Charlie's absence to cop first place in the National Sweepstakes.

The sailing season started on Memorial Day and ended five months later with the Raritan Bay October series.

After a month of intra-fleet competition, eight Fleet 70 Lightnings towed to Lavalette, New Jersey, to race in the New Jersey State Championships. For the first time since the inauguration of this Regatta a Red Bank boat failed to win. Waters skippered "Revenger" into fourth place, while Miss Methot copped seventh. Allaire entered the final race only one point out of the lead, but "Valhalla" broke down on the second weather leg. On the basis of only two races sailed in the three race series, she managed to finish ninth.

The 11th Annual Shrewsbury Sailing Club Invitation Regatta, held on the South Shrewsbury River, was won by Leighton Waters, piloting "So Long". John Dill, sailing his best race of the season copped second in "Patience", with Miss Methot, third.

The Red Grant Regatta, sponsored by the Raritan Bay Yacht Club at Perth Amboy, New Jersey, proved to be a drifting match for the second year in succession. The scarcity of air curtailed the series to only two races. Allaire, with a first and a third won the series. Ed Waters finished in third place and Miss Methot fourth for the Regatta.

The Metropolitan District Championships were held at Red Bank. Eight boats qualified to compete for the local fleet. Allaire, in "Valhalla", won first place in the series, thereby gaining a berth in the Internationals. Barbara Sayre Bull brought "Barefoot" home in fourth place, while Waters copped fifth.

Then came the Atlantics. Fleet 70 put on its best showing with a first, second and a seventh for the three craft participating.

During August, the Monmouth Boat Club, the base of Fleet 70's operations, conducts the National Sweepstakes Sailing Regatta. It consists of a three race series sailed on the Shrewsbury River. Thistles, Comets, and Penguins as well as Lightnings compete for a wide variety of prizes. Of the 79 boats attending, 21 Lightnings answered the starting gun. Bill Wikoff, sailing "Valhalla" in the absence of Allaire, took an early lead in the first race, and held his position during the long spinnaker run down the river. Mrs. Bull picked up a favorable slant off the north shore to pass Wikoff and win the race by over a minute. The second race again saw Wikoff well up with the leaders. He and Roger Brown, sailing "Gust", moved up fast on the spinnaker run. The lead changed hands frequently as the boats beat to weather, but Wikoff well up with the leaders, pulled away on the home reach to defeat Brown handily. In the final race, Waters moved into the lead on the first leg and was never headed. Wikoff started slowly, but, as first, the spinnaker run saw "Valhalla" move into contention. Waters ran into trouble on the final weather leg, but salvaged enough of his lead to win. John Dill took advantage of Water's experience and played the opposite shore to cross the line in second place with Wikoff nabbing third. Wikoff won the series by four points over Waters. Bob David, consistently sailing "Bam", copped third.

Labor Day weekend marked the end of the intra-club point racing for the season. First place in the Monmouth Boat Club Series as well as the Fleet 70 competition was won by Ed Waters, with Allaire taking runner-up spot in both events.

The Atwater Trophy, sailed for on Memorial Day, July Fourth and Labor Day was won by Allaire.

The Annual Novice Race for the Miltenberger Trophy was won by George Kelly, piloting "Serena."

Along in September, a number of local boats towed by water to Keyport, New Jersey to compete in the Annual Fall Regatta.

A great sailor; Charlie Allaire, Atlantic Coast Champion in "Valhalla."

The three race series was won by June Methot. Second place went to Neil Clifton sailing Manana, while Jerry Hatch copped third in "Twntat".

Miss Methot also won the Raritan Bay October Series, consisting of four races, one sailed each Sunday of the month.

The sailing season was a great success, and there is every reason to believe that next year, climaxed by the Atlantic Coast Championships sailed in home waters, will be just as rewarding.

The time has come to haul Nov. 2, 1952. Whit Slaght, Jr. in "Golden Glo." Fleet #71.

The season got off to a flying start with Ed Kennedy and crew in "Vindicator" trailing to Toledo to sail in the Great Lakes Championships. Ed is a very capable skipper finishing the season as Fleet Champ for the 2nd straight year here at CYC.

We had a very busy racing season sailing 8 series consisting of 3 races each. 5 series were for perpetual trophies, two of them being added this year. The S & S Trophy (Saturday and Sunday Boat Works) was placed in competition by an organization of six skippers, who built their own Lightnings together. The F. P. Troyan Trophy was put up by Fred Troyan through appreciation to some of the Lightning skippers that interested Fred in building and sailing his own Lightning.

Al Berg, Fleet Captain in '51, skipper of "Istar" with C. Don Kyle, also a Lightning skipper trailed to St. Petersburg, Florida for the Mid Winter Regatta. Commodore Don Gearheart of CYC flew down to complete the crew. Due to high winds, a rough sea, a capsizing, and a broken spar, the crew had a trying time, but they still managed to sail three races. They admitted it was worth the trip for the good time they were shown by the sailors of St. Pete.

Bay Week (ILYA) proved to be popular with our fleet this year as 7 Lightnings took to the highways to participate in this famed annual event. This representation of Lightnings from CYC was the largest from any one Club in the Association. Art Beedle, Fred Troyan, Charlie Judd, Ed Kennedy, Whit Slaght, Lorry Malm, and John Mueller were on hand to compete with the many boats entered. Kennedy made the best showing from our fleet sailing his "Vindicator" in second place. Gabfests, parties, roasts, and swimming was the order of the day after racing the mornings.

From the Bay, Art Beedle and John Mueller sailed over to race in Port Clinton's Annual Regatta. Besides being slightly on the wet side during the series, they related much fun was had by all.

Charlie Judd and Ed Kennedy during the same weekend tacked down to Vermilion for the Annual South Shore Regatta. They too found wind conditions hazardous but when the spray quieted down Charlie sailing his "Rebel" came up with the cup.

In August Ed Kennedy and Charlie Judd were again off to the Districts. In October Art Beedle and Ed Kennedy sailing respectively, the "Slap Happy" and "Vindicator" put on their long flannels and trailed to Port Clinton for the Snow Flurries Regatta.

As the racing season drew to a close three of our skippers trailed to Atwood Harvest Moon Regatta, namely, Dr. Richards in "Charmer", Ed Kennedy in "Vindicator", and Art Beedle in

"Slap Happy". Our Vice Commodore, "Two Sheet" Larry James, who owns and skippers a large auxiliary ketch went along and filled in as third crew for Art Beedle. As usual, Atwood skippers proved again to be the perfect hosts.

We actually started the season with 17 boats. However, we gained some throughout the summer, ending the season with 20 boats. Present indications are for an increase of a few more boats for the '53 sailing season.

Some of the changes in our fleet consist of Dr. Richard's purchase of Jack Dobson's "Charmer", Bill Kuhn's purchase of Gordon Hale's "Zig Zag", Bob Greenleaf's purchase of Von Cook's "Genie" (now named "Ever Luffing Baby"), R. E. Busher's purchase of Larry Spooner's "Mustang", John Mueller, skipper of "Hooome", joined our fleet after moving here from Leather Lips Fleet in Columbus. Wm. Caddick purchased a Lightning in Toledo and joined our fleet sailing "Fore Eye" and Paul Auer built his own boat naming it "Fede". He got in the water rather late, but managed to sail the last few races.

Lay-up season this year as in past years was marked with congenial assistance from all skippers. Fred Troyan with his two story barn and spacious orchard is providing a winter haven hard to beat for those Lightning skippers who do not have adequate quarters of their own.

Needless to say, the spring will find sanders and paint brushes as again our fleet plans to go all out for another year of good sailing.

The Decatur Lightning Fleet 74 began its 1952 season last October, 1951 by the annual meeting and election of officers in J. M. Sommer's home. Nort Rosan was elected Fleet Captain and Roger Grohne was elected as the Fleet Secretary.

The summer's races ended in August and Bob Buckles again came in victorious for the series to cinch the Fleet Championship. He was closely followed pointwise by Norman Sommer in "Luffer Buoy". Bob had quite a bit more competition this year, and next year it looks as if it will even be better with the marked improvement in John Dymond, a relatively new Lightning skipper, Robert Grohne, who just bought a new Hoernke—Rob. has been crewing for John Dymond, and Roger Grohne, who just got married at the beginning of the summer and who is now ready to settle down and win some races.

The Island Bay Fleet 117 of Springfield, Illinois and our fleet have been competing for several years now and this year's series was won by Springfield championed by Ted Haller in "Hi Ho". Decatur, however, finished 2nd and 3rd. Second place went to Norman Sommer and third place to Rog. Grohne.

Four Decatur Lightnings trailed over to the Mid-States Championship Regatta held by Island Bay Yacht Club of Springfield, Illinois. Over thirty Lightnings came in from the mid-western states and Decatur's Fleet 74 sailors made a pretty good showing by placing 10th, 14th, 15th and 17th; Buckles, Sommer, Rog. Grohne, and John Dymond finished in that order.

Fleet 74 was also represented at a new regatta at Alton, Ill. Norman Sommer finished with a tie for third in a fleet of ten Lightnings. His was the only Decatur boat sailing but a good Decatur crowd was there to cheer him on.

The traveling Sommers took their boat up to Chicago on Oct. the 4th for the Red Flannel Regatta where they finished 12th in a thirty-some boat fleet.

It has been a busy year but next year promises to be even busier what with some new boats and new faces and a lot of sincere interest coming into the Fleet.

The Nyack Lightning Fleet had a very successful season this year with its annual home series and its skippers also entering a many "away" regattas.

The first race of the season is the traditional Grassy Point Memorial Day Race held at the home of the High Tor Fleet (41). This race was won by Pam Epler in his "Spray". A week later the season officially opened at Nyack with the first of the season's point races.

The Mid-Hudson Regatta was held on the weekend of July 12-13 at the Nyack Boat Club. This regatta attracted boats from the High Tor Fleet 41, the Chelsea Fleet 39, the Black Hawk Fleet 172, and the Shattemuc Fleet 224. Nyack made a clean sweep of the 25 boat regatta with Pete Pedersen taking first in the three race series, Pam Epler taking second and Joe Hoffee taking third.

Two weeks later six boats from Nyack made the trip to Red Bank, N. J. for the Metropolitan District Championship. Red Bank put on her usual fine regatta and also gave the usual stiff competition found there. Charlie Allaire of Red Bank won the series and Nyack's Joe Hoffee and Pim Epler took second and third. These were therefore the three boats to represent the Metropolitan District at the Internationals.

The following week Pete, Joe and Pim went to Little Egg Harbor, N. H. for the Atlantic Coast Championships. They might just as well have stayed home though as none of the three were able to do at all well in the series. Last year's Champion Pete Pedersen's chances were ruined when he broke his rudder fittings in the first race.

The next race other than the regular point series, was the Pedersen Title International. The race starts with each crew on the dock with their sails and a paddle. When the gun is fired they all run for dinghies, paddle to their boats, rig the boats, sail once around the course, unrig the boats, sail once around the course, and the first crew to return to the dock with their sails wins. The start was set down wind so most boats just raised the spinners and headed for the first mark rigging main and jib on

the way. Cy Epler in Spray with his crew was the first to return to the dock thus winning Pete's Annual novelty race.

The following Sunday Nyack's Lightnings went to the Shattemuc Fleet, 224, at Ossining for their annual regatta. However, the wind was blowing from 35-40 mph. so only 12 Lightnings raced. Then the race was called after once around because one boat had tipped over and another had lost its mast. Pim Epler had a nice lead over Carl Swanberg the second boat when the race was called at one lap.

The traditional ending of the season is the big Labor Day Weekend. Two twelve mile races one each on Saturday and Sunday and two races on Labor Day mark the end of Nyack's Summer sailing. The Mory Merry Marathon from Nyack to Grassy Point was won by Pim Epler with Eddie Clay second. The following day the Minisceonga Trophy Race back to Nyack saw Pete Pedersen the First Lightning to cross the line and Nyack's youngest skipper Oliver Filippi second. The two races scheduled for Labor Day had to be called off however, because of fifty mph. and more winds resulting from the first Atlantic hurricane of the year.

The day after Labor Day Joe Hoffee and Pim Epler left for the Internationals held at Spray Beach. However, they both missed Pete Pedersen Nyack's usual entry in the Internationals. Although his new boat hadn't been going at the districts, both Joe and Pim knew from the way Pete was going in the later races that Pete was again International material. Joe sailed a fine series at Spray Beach taking a third in one race and ending up in 9th position in the final standing. Pim was back a few boats in the 16th position when the five races were over. Both had a wonderful time down there and are determined to go again the first chance they get.

The Annual Boat Club Dinner was held on October 18th and it was here that the fleet trophies were awarded. Pim Epler sailing Spray gathered 83 points to win the Fleet Championship. The second place trophy was awarded to Pete Pedersen in Valhalla III with 80 points and third place went to Joe Hoffee with 78 points. These three boats had remained close in points throughout the season and it wasn't until after the last race was sailed that the winner was known. Fourth place was held by Dean Miltimore and Winston Perry received the fifth place award.

This ended a very successful racing season for the Nyack Boat Club and Fleet 75. Now all we can do is sail dinghies over the winter and plan for an even better season next year.

We started the 1952 season off with a bang by welcoming five boats from Irondequoit Bay Fleet #46 (the entire active fleet) whose club was flooded out by high water. This brought the already large fleet of 15 boats up to 20, and practically every race was a regular regatta with 15 to 18 boats on the starting line.

It was an active season for the fleet both on home waters and

at area regattas. At home a total of 25 races were sailed; 15 official for club champ prior to the district eliminations, and Doc McIntosh in his "Blue Jacket II" came through in No. 1 spotlight again this year; seven in the Frostbite series running into October of which Ed Geier merged the winner; and three for the Straub Trophy which is a handicap series and was won by Ed Bishop hands down. The fleet also retained the Democrat and Chronicle Trophy in team racing with the Genesee Yacht Club Fleet on Lake Ontario and participated in the Streb Trophy race on Labor Day. The Streb Trophy is not new, but the regatta itself was sure different. Dubbed the "Brown Jug" or "Little Rochester Race" it was sailed twice around a seven legged course covering the whole bay, and all clubs and boats on the bay were invited. There were some 35 craft including Thistles, Lightnings, Commets, Snipes, and K's, and the Lightnings showed up very well—that is, after the Thistles who took the first six places. It was good fun and is planned for another year.

The fleet was very active at the area regattas. First, there was the Lake Shore Lightning Squadron at Sodus Bay, and nine of our boats attended but weren't able to bring home the silver. The racing was a little on the rough side with Arnie Sahs and Dave and Mauring Huggins coming home with broken spars. Second, came the District Eliminations at Canandaigua, and the same number of boats joined the regatta to emerge with our own fleet champ "Doc" as District Champion. Doc made the jaunt to Spray Beach to represent C. N. Y. D. And the third area regatta, and Onieda Lake sure presented its usual assortment of extreme weather. Saturday was beautiful with moderate winds, but on Sunday after a start in an overcast drifter, we ended up in a rain squall so heavy the shore was blotted out and winds averaged 30-40 miles per hour. Ernie Hamilton and crew carried away top honors for the third year. Not only are the Newporters good skippers, but they are also proficient with mask and wig having thus won the skit contest at the banquet.

It was a wonderful season with excellent weather, not a race

was lost because of rain or high wind. And next year will be bigger and better, but skippers better watch Bill Straub, who took the improvement trophy in his Cygnus this year, and he wasn't far out of that runner up position. He also made quite a vacation out of his trip to Spray Beach and the Presidents Trophy series.

The fleet is proud of its right to be host club for 1953's District Eliminations and anxious to reciprocate for the fine times they had at regattas in 1952.

Our racing season, which proved to be the busiest in our history, began Memorial Day. We raced two races for the Chester Bates and Georgia Bates Trophies. Floyd Law the winner of the Chester Bates Memorial Trophy, a repeat win for him. Bob Brunton, sailing "Little Joe III", a new Morehouse Lightning, captured the Georgia Bates Trophy.

Over July 4th weekend we sailed a Round Robin series for the Neuman Trophy. It was our first attempt at a series of this kind, but proved to be a huge success. The ending found Jim Milliron to be on top.

July 12th, we attended the Triangular Meet between Niagara Sailing Club, LaSalle Yacht Club and our own club, ending with Niagara taking the honors. In August, over half of our fleet sailed at the Lake Erie District Regatta and the Niagara River Championship at Niagara Sailing Club. Unfortunately for us and several other fleets, these regattas were also attended by our 1952 International Champ, Bob Graf and crew. All we can say from Sandy Beach is, "Bob has a most beautiful transon!"

The Law Trophy Series (Saturday races only) found a new-comer winning the trophy—Charlie Robinson and son, Bob, who will sail at the drop of a hat. Over Labor Day weekend we raced three races for the Duchscherer and Compson Trophies. Jim Milliron captured the Duchscherer Trophy and Harold Wells the Compson Trophy.

Our racing season ended the end of September, with the finish of Commodore and Lightning series. These trophies were decided by a 15 race schedule throughout the season. Both trophies were won by our new Fleet Champion, Jay T. Fish. Congratulations to Jay from the fleet for a job well done.

Finally, Attention all Lake Erie District Lightning members—Sandy Beach Yacht Club on the Niagara River has been chosen as the location for the 1953 District Regatta, in conjunction with Niagara Sailing Club Fleet #59. Skippers—make your plans now to attend this regatta—we guarantee you a good time.

Sailing under the auspices of the Shrewsbury Sailing Club Lightning Fleet 80 started the 1952 season on June 14, 1952. One series of eight races was sailed on Saturday and another series on Sundays. Both series were won by Morris P. Sherwood (3804). Runner-up in the Saturday series was Harry Sadler, Jr. (1747) and in the Sunday series, Chris Ravndal (1884).

A Junior series of seven races was sailed during the summer. This series was won by Scott E. James (3804), runner-up was Peter Germond (1884).

On July 19, 1952, the Shrewsbury Sailing Club sponsored its Annual Regatta on the home waters of Lightning Fleet 80. 52 boats of 5 different classes participated in this regatta which was won for the Lightning Class by Leighton Waters (3108) of Fleet 80.

The local season closed on September 1 with the completion of a series of two races which were sailed for the Dr. E. G. Waters "Perpetual Lightning Trophy". This trophy was won, for the second time, by the son of the donor of the trophy, Leighton Waters.

Due to circumstances beyond the control of either Fleet 70 or 80, it was not practicable to hold the "Annual Two River Regatta" this year. It is hoped that next year this inter-fleet event, which we all enjoy so much, can be held.

The Shrewsbury Sailing Club cordially invites any member of the Lightning Association, who is in the vicinity, to visit our club house, the home of Fleet 80.

749	Three Winds	John Swanson & John Palmer
824	Wee Nip	John Chisholm
1683	Jabberwock	Richard Koegler & Loreto Lombardi
2151	Suds Bucket	Alan F. Coho
2179	La Muette	Frank Diehm
2636	Lednura	Thomas Goldsmith, Jr.

A total of 22 races were run in two series.

In the first (summer) series, the winner was "Three Winds" and the runner-up was "Jabberwock". In the second, and even more hotly contested (championship) series, the winner was "Three Winds" and the runner-up was "Suds Bucket". Some of the boats in the fleet contested in the Lake Erie District Meet and the Niagara River Championships. Results were not spectacular in the races away from home, but we think we are improving.

The 1952 season saw Lightning Fleet 81 begin to make some real headway at the Buffalo Yacht Club. In the past, the moderate sailboat fleet at BYC comprised a fair number of dinghies, a good number of cruising sailboats, and a few boats in almost every centerboard class in between. In this company the Lightning Fleet was a very active and vocal but small minority which doggedly hung on and raced many races, but with only a small number of boats in each race.

However, perseverance and the qualities and popularity of the Lightning seem to be winning out, and this year saw the Lightning Fleet as the only really active centerboard fleet at the club. Four boats, the "Three Winds", "Wee Nip", "Suds Bucket", and "Jabberwock" fought out each series with great enthusiasm, and with many very close finishes. In the final series, "Witch" joined in the fun and gave promise of being a close contender in future races. With the purchase and thorough overhauling of #2179 by Frank Diehm, it is hoped that 1953 will be an expanded and more active fleet.

Many of the races were remarkably close with the winner catching a puff at the last minute to nose out a boat in the last few hundred feet. It is the secretary's sad duty to report that in one race the bow of the "Jabberwock" was judged to cross the line ahead of the bow of the "Three Winds", but the latter's mast crossed first and she was judged the winner. On the 4th of July weekend, the pair of races of the BYC Point Abino Station and return ended in a 3 way tie among the "Three Winds", "Wee Nip", and "Jabberwock". But, with a case of beer at stake, the "Jabberwock" naturally won the run off race.

Candlewood Lightning Fleet #82 held eight championship races during the summer, as well as several flag races. The July

series was won by Bob Carter with Mort Shepard, runner-up. The August series was won by Ted Carter with Charles Seidler Jr. runner-up. A September series was held this year, won by Charles Seidler, Jr.

Junior Skipper races were also held during the season. The final series won by Bob and Carl Lindquist, Sally Greeley runner-up. Sailing lessons for junior skippers given by Gayle Griswold and Charles Seidler, Jr. during the summer were responsible for much improved sailing by the juniors this year. Bob Lindquist was elected the new Junior Commodore.

A very successful dinner dance was held in August at the Ridgewood Country Club. The entertainment committee chairman, Marie Seidler, certainly arranged a grand party for all of us.

Our usual picnic was held on Labor Day at which time prizes were awarded to the winners.

Fleet 83 welcomes three new skippers this year: Fred Kagel, Charles Ellery, and Bill Calder.

This year our fleet races were held in conjunction with the Sunday Morning Stick Pusher Series, which consisted of eight scheduled races. Wes Wiedrick, in his new Wee Dee II, came out as Champ, with Warren Jones close on his transom.

Warren had the misfortune of being port tacked on the highway by a lady driver, while trailing his boat to the Districts, and this eliminated him from sailing for almost half of the season. However, Warren got back in condition in time to participate in the President's Cup at Spray Beach.

Wes took his share of honors again this year—3rd in the Districts, 3rd at Put-In-Bay for the I.L.Y.A. Regatta, 1st at Lake Fenton's White Cap, 1st at Port Clinton's Snow Flurries, 7th in the Internationals and 1st again for the Detroit River Lightning Races. Good sailing, Wes.

Congratulations are also extended to Fred Kagel, only in another respect. Fred surprised all of us this summer by getting married while on his vacation.

This time next year we hope to report that Uncle Sam's nephews, Bill Miller and Mike Tapert are back sailing with us. We sure have missed them.

The season ended with a Fleet dinner and meeting and high hopes for a bigger and better 1953 racing season.

Every Lightning Skipper would delight in such a background as Guanabara Bay, at Rio De Janeiro, Brazil presents for all races.

It was a full year for our fleet. Besides our annual championship, we held many other regattas, such as the Pimentel Duarte Cup to be held yearly. It is a tribute to Jose Candido Pimentel Duarte, founder of our fleet.

Another grand premium is the Lightning Trophy which course consists of 15 miles from inside Guanabara Bay to Copacabana and back, outside our harbor.

As to our championship, it was slightly modified in its regulations. We reduced it from 10 to 5 regattas, of which only 4 accumulate points. In case of the same number of points being reached by more than one competitor, the 5th regatta is taken into consideration.

For the first time we had one regatta between our Fleet 84 and Sao Paulo's Fleet 147. Sao Paulo's Fleet won the Eterna-Matic Cup. Such regatta was held on Represa de Guarapiranga in Sao Paulo State, where Fleet No. 147 has its headquarters.

In 1953 the Eterna-Matic Cup will be disputed in the Guanabara Bay, Rio de Janeiro.

Speculations on the Healy's new glued-up Championship saybrook, "Bottoms Up", ceased when this boat won the District Championship with two firsts and a third at Noroton on July 25th and 26th. The very next week "Bottoms Up" won both races from a 26 boat fleet at the Eastern Conn. Y.R.A. Regatta on August 1st and 3rd at new London. "Bottoms Up" also won one of the three races in which she competed during Larchmont Race Week. However, the "Bottoms Up" was cooled off by some hot skippers

at the Internationals at Spray Beach where she placed a fair 20th out of 36 despite a DNF in the first race.

Paul Pena's "Salt Shaker" took a third place prize in the Eastern Conn. Y.R.A. Regatta and a runner-up position to the Healy's "Bottoms Up" in the season's fleet races which were very close. Paul also competed in the District Championships at Noroton where he placed a respectable 6th. Fleet 85 was honored by Paul's election as District Commodore following the District races.

Bill Mackintosh, sailing Martin O'Meara's "Baby", and Capt. O'Kane, sailing "Snafu", provided excellent competition throughout the season.

Niantic Bay will be the site of the Conn. District Championships next season. So, come on you Conn. Lightning skippers, get your eligible boats down here. We want to select a skipper who will come out on top at Buffalo next year!

The 1952 racing series was divided into three parts—a Spring Series, a Fall Series, and a Championship Series. The Spring and Fall Series were composed of eight races each, while the Championship Series represented a combination of these two. Most races were well attended all year, but enthusiasm seemed to build up as the summer faded, and our last contests were better attended than the earlier ones.

Barney Mead in winning this year's Championship had to sail much better than he did last year when he took the big trophy with little difficulty. It was a real dog fight right down to the wire. George Allison in second place and Milt Ester in third, with a little different luck here and there, might easily have blown the results sky high. Several others were not too far out of the money, and, in fact, all boats had to be considered as opponents and not just points in the bag. The gap between the first place boat and the last place boat was greatly shortened in most places, and in many cases several fairly new men, though not winning, made grand showings.

Skippers are making plans for next summer even as they are converting their yachts for the long winter. If talk can be taken as an indication of events, to come, fish in the Middle River had better look out!

The accomplishments in 1951 of our ace skippers John Tiegländ and Charlie Dore resulted in a whirlwind season in 1952 of races and regattas which reached its climax in the 1952 International and Presidents Cup Regattas.

Our two home series, the Saturday fleet series and the Sunday Interclub races with Fleet 26 assume a role of minor importance by comparison, yet the competition is just as keen, and more future champs are being proved here. With the loss of one of our top sailors to the service, Dick O'Donnell, it was felt that the competition would not be up to that of 1951. However, the gap was easily filled by our Commodore Fred Schanche in his new beautiful "Silver Blonde", which pushed and often led the field all season.

The Saturday series was comfortably taken by John Tiegländ, followed by Charlie Dore and Fred Schanche. The Sunday Interclub series was equally hard fought, and Charlie Dore came out on top with John Tiegländ second and Lud Wray of Little Egg third. Upsets of the leaders by Frank Schneider, Jim Stevenson, Dick Doan and Chris McCutcheon, the core of the second division, were celebrated in grand style because of their infrequency. Even more enthusiasm was felt by the third division members, Dick Clynes, Barry and Bruce Brown, and Jiggs Thorpe when they upset the second division just as frequently.

Our regatta series began with the Central Atlantic District Regatta during the end of July, and Harry Sindler of Lavallette made a clean sweep of all three races. Charlie Dore placed second in the series while Frank Schneider got an individual third. This regatta had the best weather of them all, with steady heavy air. John Tiegländ having already qualified for the Internationals, took the opportunity to watch the rear of the fleet by crewing "Fram III". His enjoyment of the series was somewhat reduced by long periods of hiking out, which had him bent double, and his untrained stomach doing calisthenics by the end of the series.

The Atlantic Coast Championship Regatta was held by our neighbor, Fleet 26, since Charlie Dore earned us the privilege of

holding it on local waters by placing second in 1951. In this regatta, Charlie placed third and John Teigland fourth for the series. Charlie won the first race. During the second race the sky suddenly became black and the increasing wind whipped the waves into boiling season portending a vicious squall. Since the course was seven miles off the Club, even the fastest craft took half an hour to reach port. The race committee quickly shortened the course just ahead of the lead boats which were streaking for the finish. Within seven seconds of each other Lud Wray, Dutch Sindle, John Teigland and Charlie Allaire flew over the finish line only to enter another race with the elements to reach port before the storm broke. Giant daggers of lightning followed by deafening claps of thunder and roaring seas made the race committee's cannon sound like a toy pistol by comparison. Only the first few reached home before Heaven wrought its fury on the Atlantic Coast Championship. Casualties were few, however, and bailing was the order of the day after all had imbibed precaution against the cold.

In anticipation of the Internationals, the previous week was declared a work week, and through the tireless efforts of every club member, the house and grounds again took on a pre-season appearance. Large quantities of beer were used to lure the younger set into the roof painting gang. Their enthusiasm ran a wild orgy as this crowd of plumbers constantly painted themselves onto precarious corners of the roof, painted the roof with beer and drank the paint. The fun was worth it, and luckily the roof looked right well.

The apparent ease of administration of this colossal undertaking, the Internationals, from the arrival of the grand marquee to the parting of the last guest only re-affirmed the ability and unqualified success of the Chairman, Charlie Dore, and his committees. The generous assistance of the Little Egg Harbor Yacht Club was especially helpful and appreciated.

The marquee magnificently withstood preliminary tests by fringe winds of a tropical hurricane, so its service was accepted for the International Hurricane.

Famous early arrivals included Doc Murphy, Gene Wallet, and Walt Swindeman. By the last two days preceding the races, large fleets were roaming the bay, testing the waters, and warily brushing one another from time to time in an effort to capture the elusive perfect tune.

The results of the regattas are a matter of record. The boats of the home fleet were, on the whole, quite polite. Buffalo, however, sailed and sang their way through the heart of the hardware, and the hearts of the rest of the Lightning Association. The situation will be reversed next year!

As spring approaches, we once more eagerly await the start of another racing season, with all the excitement and thrills that only sailing can provide.

Looking back over the past season, we find Flint Larrabee in "You Bet" the new Fleet Champion of the Sunday races held at the Island Heights and Ocean Gate Yacht Clubs. This gives him his first leg on the Fleet 92 Trophy. Nice going, Flint!

The Barnegat Bay Races held on Saturdays found our Fleet well represented with entries. Flint Larrabee won the Championship race at the Lavalette Yacht Club.

In the Barnegat Bay Individual Races, Jimmy Montague in Playtime won both the Bay Head and Mantoloking Races. Erskine, Baker, our new pappy, won the Tom's River Race, in his Electron

and Horace Jackson, Jr., in his new late arrival "Unforgettable", won the Ocean Gate Race.

Our Fleet meeting was held in June at the home of our Fleet Captain at which plans and business matters were discussed. Hope to hold next year's races without an entry fee in hopes to get some new boats without experience to join us. Please contact our officers if you are interested in joining us.

In September, we held a round robin switch boats affair at the Island Heights Club with our neighbors from Lavalette participating. Nine boats took part and we had so much fun we hope to make this an annual affair.

We got off to an early start this year with our Annual Memorial Day series which consisted of two races. The first was won by Joe Carpenter and the second by Paul Ruby. The winner of the trophy was decided by the flip of a coin. Drs. Carpenter and Young took in the L.S.L.S. regatta at Sodus Bay and Carpenter placed second. Doc Carpenter also placed second in the Centray New York Regatta.

Our Annual Invitation Regatta got off to a nice start with 32 boats on the starting line. Two races were run on Saturday. On Sunday the race was postponed for some time and then started with a very light southeast wind that soon went flat and left the boats drifting around in all directions as puffs of wind came from varying directions. Soon a storm was soon to be approaching from the west and in a very few minutes there were four-foot rollers with plenty of wind. Some boats finished the race but others took down their sails and rode it out at anchor. Everyone was soaked by the downpour which accompanied the wind. The storm abated as fast as it came up and several boats were content to be towed in. The series was won by Ernie Hamilton who has been a consistent winner at this regatta in past years. This Lewis Point Regatta has become one that is looked forward to each year by nearby Fleets and we wish at this time to extend an invitation to anyone who cares to participate in 1953. It is usually held early in August. The dates will be announced in the future.

Our Annual Labor Day series was sailed on Shore with Doc Young garnering the Trophy (A gallon jug that has to be presented filled the following year with appropriate refreshment) by reason of being dealt the best poker hand. Don Lane and Doc Young were tied for the Freeman Trophy which is presented to the boat having the most firsts over the line on starts.

A couple of changes about races were run off during the season and we are looking forward to having more of these races next year as we feel it stimulates the interest of the skippers who do not seem to be able to get to the top in their own boats.

Our Championship series consisted of 16 races run, of which 13 were counted. Doc. Carpenter finished in top spot with Doc. Young breathing hotly down his transom right up to the final race. Don Lane was in third spot. All in all we had a very successful and enjoyable racing season and we are looking forward to an increase in our fleet next year.

The 1952 season proved to be a good one for Fleet 95. We had several new skippers showing promise and the older members of the fleet will have to be alert next season.

Our season at Greenwood Lake is made up of five series, the Tune-Up, Secretary, Vice-Commodore, Rear-Commodore, Commodore, and Championship. We end the sailing season on Labor Day with an 18 mile race to Chapel Island. The Tune-Up Series began in early July with John Rusman winning at the tiller of "Mary E" and Jack Sengstacken coming in second on "Waterboy". This winning combination also won the next two series. Jack Sengstacken moved up to first place in the Rear-Commodore series with Chet Howell taking second place. From then on it was give and take with Chet Howell placing 1st in the Commodore series and Bill Horton not far behind. John Rusman in "Mary E" again sailed away with our fifth and all important Championship Series. This is comprised of four races over our regular course, approximately eight miles in length. This begins to sound like an old story when I add that Chet Howell in "Dema" again this year was runner-up. Next to the Championship Race the Labor Day Race is the most important. For those not familiar with our lake (those familiar grin and bear it) a brief description—it is a long, narrow lake ringed by low mountains producing tricky winds. We all look forward to the climactic race but this year the day dawned unfavorably—practically a cloudburst we might say. Six diehards started when the committee designated the regular course for the race instead of the long Chapel one. Chet Howell won, with Evan Moore in the 762 coming in second. These fellows deserve credit not only for winning but for just

braving that rain. Any other boats out that day I think should get a trophy, too.

Capt. A. C. Howell will be with us again next year in the mahogany-colored 668 formerly owned by Dr. Moscarella. This winter he is planning to get it in shipshape to give us some more strong competition.

Two of the skippers, Bill Freeman and Ted Wiley, were hampered this year by lack of crews. Their regular crews, Bill's wife, Pat and Ted's wife, Nancy, presented them in the middle of the season with junior crews, a girl for Bill and Pat and Ted, Jr. for Nancy and Ted. Hope they start training them young—we're in desperate need of crews.

Four outstanding newcomers to the Fleet who showed plenty of promise were Bill Somerbell, Ken Britting, Dr. Moscarella, and Jay Dunn.

At our annual Lightning meeting held at Dr. Royal Sengstacken's house, we decided that the new policy pertaining to crews was that it would remain as a one-man crew, the skippers being permitted to take along as many passengers as they wished.

Fleet #96 enjoyed a prosperous year in 1952, registering seventeen boats over the course of the summer, with high honors gained by various members in Long Island Sound Lightning circles. The great majority of our racing as usual was done in the Yacht Racing Association of Long Island Sound. For the first time ever in Fleet #96 a boat won the YRA Class Championship—and won it by a wide margin, too. It was fourteen-year-old Fred Hibberd in the New family Seaman "Flash" #5003 who led the way. Hoyt Peckham, in his third year with Spray, was in the running all season, copping fourth place honors for the summer and taking a third in the spring series and a first in the odd-numbered division of The Manhasset Bay Y. C.'s annual race week.

The Hibberd craft also topped a fleet of seventeen in the first annual Lightning Long Distance Race of the Western Long Island Sound District, held by our Fleet on June 27. On a day that mixed squalls and calms Hibberd won by over 30 minutes. Peckham was third, behind Muguenot's Virginia Chase in "Vee-Bob".

Most of the Fleet participated in the Larchmont Yacht Club's annual Race week. "Captain Bob" Stiegletz won the consolation division in "Mayflower".

The fleet was represented at the districts by three boats; Hoyt Peckham's "Spray" and Jim McCulloh's "Lagniappe" had brief moments of glory intermixed with disaster. Both, however, finished in the top ten. We didn't have a boat at the Atlantic Coast Championships this year, but did send one to the Internationals at Spray Beach. Jim McCulloh trailed "Lagniappe" to the event, where he finished 24th out of the 36 boat field. At any rate it was good to be represented.

We sailed a three race series for the Fleet Championship on Labor Day weekend. And it was an eventful one. The first a calm; the second a good breeze, and the third almost too gusty. Fred Hibberd paced the first Race, McCulloh the second and Doc Gundy in "Pippin" third. It was the third race that told the tale as Hibberd's "Flash" dumped on the spinnaker run and Mc-

Fleet 95 racing at Greenwood Lake, Awosting, N. J.

Culloh's "Lagiappe" lost a shroud and cracked her mast on a reach. But it was Peckham, who sailed a fine, consistent series in "Spray" who took the title. The Gundys were a close second. We are host club for next year's districts and are looking forward to another fine season in 1953.

The 1952 racing season held many exciting and nerve-racking moments for fleet #99. Although John Walton, sailing "Starlight", had the championship well in hand throughout most of the series, only the final race decided the 2nd and 3rd and 4th place boats. Gloria Swope in "Snafu", James Drass in "Temptress", and Kurt Asplundh in "Black Flash" had equal totals at the start of the last race, and at the end of that race, which was somewhat complicated by a drifting turning buoy, Asplundh finished 2nd behind Walton, Gloria Swope 3rd, and Drass 4th.

When trophies were presented at the fleet banquet Drass received in addition a small bailing bucket, as did Roz White, skipper of the appropriately-named "Flopover", in recognition of their zeal in flying spinnakers for just a little longer, which resulted in their turning over their craft in the same weekend, affording the Hoffman-Clausen-Johnstone rescue squad good opportunity to demonstrate its skill.

John Walton's "Starlight" represented the fleet at the District Regatta, and nearly the entire fleet participated in the South Jersey Championships at Brigantine and the Ocean City Yacht Club annual regatta. An increasing number of young skippers brought new competition and promised a good turnout of boats for next season.

Fleet 100's inter club, and inter fleet competition opens each May 30th under the auspices of the Massachusetts Bay Yacht Club Association. The various clubs which constitute this association have scheduled dates throughout the sailing season on which they are host to the numerous sailing classes in this area.

Lightning Fleet 100 has enjoyed a very active part in this inter-club racing program with Gordon Strumm's "Vixen" capturing top honors during the past summer.

Our racing pleasure is further enhanced by the Saturday, and Wednesday evening series conducted by our own South Boston Yacht Club of which all owners of boats registered in Fleet 100 are members.

Taking first prize in the Wednesday evening series was Dick McCarthy in "Come-Along."

Bill Donald in the "Joker" accumulated enough points to take the Saturday prize.

Our racing schedule remained about the same as it was last year.

We have four official series—a four Race series in July and another in August.

We have a Fourth of July Regatta and a Labor Day Regatta, each composed of 3 races.

We have two other unofficial series of 4 races each, one in June, called a two bit or tune-up series, and one in September, called our Frostbite Series.

Our Fleet is growing, and although some changes have been made we have added two boats, and with a fleet of nine there is plenty of interest.

Joseph Marsden has purchased #2296 from Carl M. Payne. Both in our Fleet. Joe is an old Snipe Sailor.

John E. Libby has purchased #2 from Robert Anderson of Fleet #181.

Ian Ainsworth has purchased #109 from Reginald Hilborn of Falmouth Foreside, Maine. Both are old Snipe Sailors.

Spaulding Shaw has purchased #2650 from Henry B. Cox, Fleet #94.

On July 27th, our Fleet entertained a group from the Center Board Yacht Club, Fleet #14. Four of their crews raced four of ours, using our boats. They sure gave us a hard time.

Gardner L. Brown, who is Commodore of the New England District placed fifth in the New England District Championship Regatta at Spofford Lake, New Hampshire, on July 26-27. He was sailing "Egabeva" #3306.

Mr. Brown in #3306 and Richard Winkel in #1195 also made a good showing in several other interclub Regattas.

Dancing parties were held each Sat. night at the Taylor Pond Yacht Club House and our Official Season ended with the usual fine Clam Bake.

The Racing Season this year lost a great deal of its color by having its top-flight skippers (Dutch and Harry Sindle and Craig White) absent from the Yacht Club competitions. Craig White was busy coordinating the necessary arrangements that necessarily accompany the acquisition of a new farm, and Harry Sindle has been in the Army. Dutch Sindle feeling that he wanted to make available both his boat and his time so that Harry could sail to the best of his advantage during the few three-day passes that he was able to wrangle from his Army Superiors. This left myself the Fleet Championship but each race was hotly contested by Clayton in the "Allegro" as my runner-up.

However, these races were not without incident nor were the cruises that have become a permanent part of our sailing these past years. While away from his home yacht club on June 15 and 16 at the Metedeconk River Yacht Club, Dutch Sindle in a three-race regatta took first place. On June 22nd and 23rd in the New Jersey State Championship, held at the Lavallette Yacht Club, Harry Sindle took second place. In August at the Spray Beach Yacht Club where the Central Atlantic District Championships were held Harry took first place in all three races. And on September 5th, 6th and 7th at the International Championship Harry finished 6th for five races and took first place in the second race.

It might be said that most of our boats are being dry sailed, that is left out of water between races. But the boys with the single planked jobs are having more than their share of trouble in keeping their hulls tight under these conditions. We still feel that we must dry sail our boats in order to compete successfully with other boats that are dry sailed and we may add that with the proper facilities for launching and hauling such as we have in our group that dry sailing is an easier overall solution to the proper maintenance of the hull than mooring. If a boat is dry sailed its bottom may be finished with any hard racing bottom paint without regard to its anti-fouling properties. While a boat that is left at mooring must be protected by anti-fouling copper or bronzes which are not as fast as hard racing bottom paint. Also we proved that the absorption of water in a boat that is moored increases its overall weight as much as 50 lbs. in a 24-hour period. There seems little doubt that in order to compete successfully with other dry sailed boats that all boats must be hauled out between races until a rule making it illegal to do so is ratified and thoroughly enforced.

The Groton Long Point Lightning Fleet had another very thrilling and enjoyable racing season in 1952. Mark Turner in his swift "Igo-Two" skillfully maneuvered his craft to win the first six season races. Although never again equally this feat during the rest of the season, he went to become Fleet Champion. Mark, along with his highly efficient crew of Dudley Anderson and John Dick also captured many more honors by taking first place for July, second for August, first in July Saturday series and second in August Saturday series. In the special races Mark won, the Tune-Up and the Commodore's Cup while placing third in the Vice Commodore's Cup.

Bill Jones in his well-trimmed "Falcon" who only sailed during July, took second place for that month. With his able family crew he placed third in the Commodore's Cup race.

The "Jolly Roger" was unveiled in August and George and Ralph Slater, last season's fleet champions, again displayed their aggressiveness by winning the August series and also winning the Vice Commodore's race along with a third in the Long Distance Race.

Andy Sullivan's "Flame" captured third place in the August Series and took second in the Long Distance Race.

Hal Higgins ably assisted by Clark Swanson, Every Whitney and Bill Oat was Runner-Up for the season in his "Viking". Hal captured third place in the July Series and second place in the August series. The "Viking" placed second in the July Saturday Series and first in the August Saturday Series. In the Special Races the "Viking" also showed her spirit by placing second in the Tune-Up Race, second in the Commodore's Cup, second in the Vice Commodore's Cup, and winner of the gruelling Long Distance race.

The race schedule of the Y. R. A. of Long Island Sound is such a full one every year that in the past, it's been a tight squeeze to get in enough of the fleet races we also enjoy. This

Coming in on the home stretch. Bob Chase, Fleet champion in "Vee-Bob."

year we licked that problem pretty well by holding some of our fleet races in the morning on days when there were Y.R.A. races in the afternoon. It meant racing practically all day those days but no one seemed to mind. The way, we managed to run off 9 fleet races instead of the 5 the year before.

Early in the season, Vee-Bob started showing its transom to the rest of the fleet and stayed in the up front position all the way. Like a "Swiss Family Robinson", Vee-Bob has an all-family crew with Virginia and Bob Chase as Skippers and "maw" and "paw" alternating as crew. By the end of the season, Vee-Bob had piled up 930 percentage points to win the Fleet Championship. Bob Caldwell in "Feather" was runner-up with 858 points. "Lark" owned by John L. Seymour, District Vice Commodore, placed third.

A Fleet 106 season is never complete without a Ladies Race nor is it ever complete without "Bobbie" (Missus) Caldwell doing something spectacular in "Feather." Last year she won it with a spectacular victory. This year she elected to get hung up on a rock shortly after crossing the starting line. While the situation was chewing out her heart, the rock did a good job of chewing out the rudder. Meanwhile, many minutes went by. The rest of the fleet rounded the first mark and was just starting toward the second, when Bobbie got clear and became bent on making up lost time. She did, Too. At the finish line she only missed winning over Vee-Bob by half a boat length!

This season the date picked for our Annual Long Distance Race coincided with the long distance race for masted vessels held yearly by Huguenot Yacht Club. Since all the racing participants in our fleet are members of Huguenot, the club invited us to combine our race with theirs, dividing the contestants into Class "A" (the larger boats participating on a handicap basis among themselves) and Class "B", the Lightnings of Fleet 106. Huguenot very generously offered a club prize to the winner of Class B as well as the regular cup for Class A. Bob Chase, skippering Vee-Bob, came in first and had the unusual thrill of receiving two trophies, our own and Huguenot's for a single race.

As in previous years, Fleet 106 was actively engaged in the District Championships, this year again held in Manhasset Bay, with Port Washington Yacht Club the host. Vee-Bob began the series with a whirlwind start, taking first place in the first day's race. The second and third day saw it finish further down the line but ending with the trophy for fifth place in the series.

In the Y. R. A. of Long Island Sound two Fleet 106 boats were among the total of six in all which had performance records good enough to qualify for the season. Vee-Bob and Lark, each participating in 15 Y. R. A. races, finished second and sixth respectively in the season's final standings.

The season of 1952 witnessed fine activity for Fleet #108 at Great Sodus Bay, in spite of the handicap of high water levels.

**CHAMPIONSHIP SERIES:** 12 races. Nine boats competing. Winner was John Swartz in "Mistral." 2nd was Charles Hallagan, and 3rd Bobby Marsh sailing Chet Ashberry's boat.

**ELIMINATION SERIES:** 8 races. 10 boats racing. Winner was again John Swartz. Chas. Hallagan was 2nd and Lawrence Morley 3rd.

**WHEEL CHAIR TROPHY RACE:** This was a novelty affair sponsored by Leeland Lee. The fleet was divided into three teams, designated as red, white and blue. The identifying ribbons were flown on the back stays. The white team won this race with Fisk Hayden sailing the Hornet, the individual winner.

**SEPTEMBER SERIES:** Consistent as usual, John Swartz won. Warren Duerr was 2nd and Fisk Hayden 3rd.

### Inter-Club Regattas

**L.S.L.S.:** This regatta was held over the weekend of July 4th at Sodus Bay. Approximately 30 Lightnings were in attendance. Charles Hallagan of our fleet was 1st. Ernie Hamilton,

Start of race during Squadron Regatta at Great Sodus Bay, 1952.

hailing from Newport, was tied for 2nd with Dr. Carpenter of Lewis Point. Bill Straub of Newport was 3rd.

**CNY DISTRICT:** Held at Canandaigua Lake. The event, sailed in light and flukey airs, was won by Dr. McIntosh of Newport. Bud Minor of the Canandaigua host fleet was 2nd. Our skipper from Sodus Bay, Charles Hallagan was 3rd. All of these good sailors were eligible to attend the Internationals at Spray Beach, N. J.

**LEWIS POINT INVITATION:** Two boats from our fleet attended, and finished 2nd and 3rd. They were skippered by John Swartz and Charles Hallagan respectively. The winner was Ernie Hamilton of Newport.

**ONONDAGA INVITATION:** Won by our own Lawrence Morley. 2nd was taken by Bob Eberling of the Skaneateles Fleet #1. Dr. Carpenter of Lewis Point was 3rd.

Final comment. Competition of fleet #108 was about the keenest possible. We recorded two dead heats. Other finishes were so close that inches separated the boats. That appears to be especially good racing within a one-design class.

At our annual meeting held in September, Charles Hallagan was elected Fleet Captain and Warren Duerr Secretary.

Lightning Fleet 109 members participated in many regattas held in Florida waters during 1952.

Walt Swindeman came down early for the Mid-Winter and borrowed Pidge Powell's "Red Witch" for the annual Gasparilla Regatta in Tampa and showed the boys the way around the course.

The Gulfport, Florida Fourth of July event was taken by Morgan Powell in the "Red Witch", followed by Harold Balcom of Tampa.

of all Lightning trophies anywhere. The trophy was donated by Eugene Taylor, President of the Gulf Yachting Ass'n. This event is open to all members clubs of the GYA. The event this year attracted a field of 17 entries hailing from New Orleans, Fairhope, Pensacola, Shreveport and St. Petersburg. Morgan Powell trailed his "Red Witch" up along with one of our leading Junior skippers, Ann Smith and her "Tahiti".

After the points were added up at the conclusion of the three race series, Morgan Powell was leading with a first and two seconds, with second place going to Fairhope, Ala., and third place to Gene Walet of New Orleans, who was runner-up in this year's International Series in New Jersey. Gene should have won, but due to a disqualification in the first race had to race like mad to get in the money. A grand time was enjoyed by all and this event will be held in St. Petersburg in 1953.

The annual Sarasota Labor Day Regatta was won by Morgan Powell in the "Red Witch" over some of the hot Miami boys. Dooley Glanders came in for the number two spot and Dr. Piper, also of Miami was third.

5254	Fubar	Dr. Edwin Vary

The '52 season was packed with excitement and sailing. Many new boats appeared in the fleet this year. Dr. Ed Vary received his new Lightning number 5254, and he named it Fubar. (Fouled up beyond all recognition) As Fate would have it, the boat lived up to its name. A bolt of Lightning hit one morning during a squall, splitting the stem and punching holes in many places.

Races were held every weekend from July 4th through September 1st. Mother Nature dished up all kinds of weather from hot drifters to cold gales. One Saturday, the race was started in a mild breeze and an almost cloudless sky. A line squall came up before the end of the race and rain was falling at the far end of the lake. Several boats had crossed the line and were almost home but the few that hadn't finished, were caught. Josephine Symons had moored her boat when a gust of wind upset it without a stitch of sail on the mast. Another boat almost sailed under the dock. Two boats doused their spinnakers as they hit the line and headed for open water. One dropped his sails and anchored without mishap, but the other got his halyards knotted and found himself and his crew hiding over side with everything askew.

The Higgins Lake Boat Club was again host this year for the Second Annual Invitational Regatta, August 9th and 10th. Competition was extremely keen with fourteen home Lightnings sailing against twenty-three out-of-towners representing ten different Fleets or Clubs. Saturday broke with a dirty gray overcast and a thick mist. The first race became a wet one when one of the heaviest rains of the summer cascaded on the sailors. Everybody was grateful for warm, dry clothes and hot food. The second race was started under still threatening sky with a moderate breeze. Along towards the end, the clouds broke and a warm sun came out.

Five mile spinnaker run at Higgins Lake during the Second Invitational Regatta. August 10, 1952.

But Nature was still full of tricks; the wind died and boats at long last crept over the finish line.

Turkey dinner was served that night with some of the sailors providing music for dancing afterwards. Sunday turned out to be bright and clear with a strong wind blowing. The third race had a five mile spinnaker run. The local boys picked up lots of good ideas on that leg.

Dr. Gerald Murphy in "Triple B" from the Lake Fenton Yacht Club came out on top for the three races. Dick Krauss of Toledo in "Jinks" was second, followed by Phil Patterson from Saginaw, sailing "Zig Zag II" in third position.

The Labor Day Regatta was fun with the racing close and fast. Alex Carlin in 1847 sailed to a perfect record, being first on all three races. Alden Dow in 4983 was next with two seconds and a fourth. Don Brasie followed close behind in "Flame IV" with a second, third, and a fifth. Buzz Morley and Doc Arnold were fourth and fifth respectively.

Another trophy was added to the present awards this season. This is the Cal Barry Memorial Trophy which is an annual award based on the number of races won per season. Ten boats must start in order to have the race count. Alex Carlin won this trophy, Buzz Morley was runner-up.

A traveling contingent of Fleet 110 participated in the White Cap Regatta at Lake Fenton and the Regatta at Devil's Lake.

With more new boats coming next year, Fleet 110 hopes that the season of '53 will be even more jam packed with fun, excitement, and sailing.

It is hoped and anticipated that a Third Annual August Invitational Regatta at the Higgins Lake Boat Club is in the cards for '53.

With the boats all tucked away for the season and all skippers and crews turning their interests to other sports, I will try to give a description of our past year's sailing.

April 17, 1952 had the Green Bay Lightning Fleet 112 holding a dinner meeting at the Green Bay Yacht Club clubhouse. Plans for the year were the main business of the evening with Captain Arnie Biebel introducing all skippers and their friends present, a total of about 75 persons attending. A very fine lunch prepared by Club Steward, Ed Vandenack and his wife LaVerne was enjoyed by all. Numerous jokes and 1951 International Movies entertained the group for the night.

High water caused the local group to abandon its club for the sailing season. All fleet races were held on Fox River between Green Bay and DePere, Wisconsin. Three series Spring, Summer, and Fall constituted the racing season with Arnie Biebel having

a very hot year winning the majority of local races to capture fleet honors. Jim Gagnon with his "Bloodshot" was also very much in the running getting his share of firsts. Bob Tilleman another up and coming sailor who built his own boat the "Still Waters" really came to the front by winning fall series on points. Handicap and class events were had all season with other winners being Allan Houston in his "Slow Pole" taking Spring handicaps.

Other new boats added to the fleet 112 were Tom Gialdini formerly of Milwaukee, Wisconsin and Carl Manns, Jr., who picked up his boat "Schatzie" late in the season is expected to be a contender come next year.

One of the final events of sailing in Green Bay is the Walter Masse Memorial Trophy handicap race which is open to all sailboats. This was won by Don Wells on handicap in a Seagull with Jim Gagnon in his Lightning being the first boat to cross the finish line.

Our barn storming sailors were not to active this year. The only entry of our fleet was Jim Gagnon's "Bloodshot" in the Midwest District Championships. A couple weekends at Milwaukee by Fran LeClerc and Jim Gagnon were the only other out of town trophies brought home, this being two seconds again by Jim Gagnon's "Bloodshot" in the Milwaukee P&T series and Journal Regattas.

It is hoped that some of the newcomers along with the old standbys will see fleet 112 represented in other regattas in 1953. Season's activities were closed out with a party following the completion of aforementioned Masse Trophy Event. See you next year. Smooth sailing!

## ST. JOSEPH HARBOR LIGHTNING FLEET (113)

Based on Lake Michigan, St. Joseph, Mich.

Fleet Captain ..... Dr. C. V. Lawton  
Fleet Secretary ..... Joseph Stueland  
Fleet Champion ..... George Croasdale in "Patriot"  
Runner-Up ..... C. V. Lawton in "Bob Ann"

Boat No.	Boat Name	Skipper

Our fleet gained three new boat owners. Frank Lahr purchased Joe Stueland's "Eega Beeva", and Ed. Hoffman purchased Daggit's "Bug Eye". Fred Bechtel, formerly of Long Island, moved into our fleet with his Lightning.

The St. Joseph River Yacht Club sponsored a Regatta for Lightnings this season and was honored with the presence of Gerald Murphy and his "Triple" B. Murphy's brilliant racing record was shattered in St. Joe. Murphy took a 4th in a twelve boat fleet.

Geo. Croasdale in his "Patriot" won everything in our fleet races. Towards the end of the season several of our boats started to give Croasdale a hard time. This coming season may show a change.

John and Dean DeVries took in several out-of-town Regattas. The most notable of which was the Red Flannel Regatta early in October in which they capsized and broke their spar. They were in the chilly waters of Lake Michigan fully an hour before being rescued. Ironically, the incident occurred when Joe Stueland's "Eega Beeva II", a club mate, had starboard tack on DeVries and forced him about in the windy race.

Out of our 15 boat fleet we had only an average of 6 boats out each weekend for our races. We hope to improve this next summer.

Fleet 114, which sails the year around on the waters of San Diego Bay, started off its season right after New Year's and continued throughout the year finishing its scheduled events with the Annual Thanksgiving Regatta at Coronado Yacht Club. In addition to the regular Fleet schedule to determine the Fleet Championship in which each skipper's best 12 of the 15 Fleet Races are used. Fleet 114 conducted a Memorial Day Race for the Fleming Trophy won by Bob Niemyer, the District Championship was won by Ray Chenhall, the Ken Reynold Series won by Harrison Amos, the Bob Herrman Series won by Jack Campbell, and the Thanksgiving Regatta won by Ray Chenhall. In all of these series, competition was very keen. Oftentimes the leaders were separated by only a point or two. In addition to these strictly Lightning events, many of the Lightnings figured prominently in the handicap races sailed at Coronado Yacht Club and also found time to visit other fleets in the district and participate in races in their home waters. Carl Ackerman took time out from his duties as commodore of Coronado Yacht Club to ship his boat "Glori B" to Honolulu to race a series in Hawaii when he and Teddy flew out for their vacation. Carl did very well in the land of coconut palms and the hula—took a second place and brought home a beautiful trophy.

On the social side, 114 played host to the other Fleets of the California District for the District meeting. At that meeting Bob Niemyer was elected District Commodore and Dave Wright was chosen for District Secretary for 1953.

We also found time to sail down to Crown Cove at the south end of San Diego Bay for picnics and wiener roasts on summer evenings.

Fleet 114 is looking forward to a bigger and better season in 1953, under the leadership of Earl Biggin and Bob Beck.

Our regular racing season started Decoration Day and ended with the Labor Day race. As in former years, races were held

each Sunday afternoon throughout the summer, points being totaled after the final Labor Day race.

Due to the small size of our lake, we run a handicap race with all types of sailboats in the same race, but starting under a standardized handicap plan. Winning pennants were awarded each class after each race, and season winners were presented trophies at a Labor Day banquet. In many of the races, we had as many as 25 starters.

Snack outings were held every other Sunday following the races at various cottages, inasmuch as we do not as yet have a clubhouse. These were very enjoyable affairs, giving the skippers and crews an opportunity to discuss sailing rules and tactics which was a great help to all.

Dr. Dietter again skippered "S'amusez" to the Fleet Championship, although he had much stiffer competition this year than previously. The C. P. Clark boat, "Frolic" was runner-up.

Interest in racing was very high this year and we look forward to an even more successful season this coming year.

This Fleet again had a very active season with interesting races scheduled at the various Yacht Clubs within the area. Orient, Shelter Island, Southold, and Menantic Yacht Clubs all held their individual Club races thru-out the season to decide the local winners. The Chinese YC conducted their usual Wednesday afternoon invitation series open to all Lightnings in the Fleet. Keen competition existed in all these affairs with tuning after each race the rule of the day, all pointing to the several outstanding events of the sailing season.

Thirty entries in the Lightning Class made a new record for the Eastern Long Island Yachting Association Regatta. These entries were divided between Fleet 116 and Fleet 141. Needless to say with the Association prizes on the board, entries from two closely allied Fleets, and the Fleet Championship of 116 at stake, the chips were really down. When the smoke had cleared at the end of the four race series, we had to admit defeat as first place went to Fleet 141, but the day was partially saved with Fred Koeppen's "Riptide" in second place, and Wally Burden's "Mike" in third place on series scoring. This decided the Fleet Championship with a flip flop as compared to last year between "Riptide" and "Mike".

The Southold Yacht Club again instituted their annual

*A quiet sail on Peconic Bay, L. I.*

Labor Day invitation event, but a cold, gray, windy day held the entries to a minimum. Some brave souls did venture forth and out of the scud at the finish Fleet 141 again took honors with Koeppen's "Riptide" in second place.

We look forward eagerly to next season when by a gladly accepted invitation, Fleet 116 will be host to the Greater Long Island District Championship Series.

The 1952 season was a little slow starting as several boats changed hands, and several boats had extensive repairs. However, as the season progressed the competition became keen and several fine series were sailed before the season was brought to a close. Our own Mid-States Regatta held on the Labor Day Weekend was the climax of the season.

The rivalry was keen this year and Ted Haller, Bob Eyster, Jr. and Dick Peterson each won at least one series. Ted Haller, however, had the best standing for the year and was named as Fleet Champion.

The annual match between Springfield Fleet No. 117 and Decatur Lightning Fleet No. 74 was held with two races on Lake Decatur and a final race at Lake Springfield. They really fought for this one but Ted Haller sailed away with the trophy.

Ted also carried away the prize at the Regatta held by the Harbor Point Yacht Club at Alton, Illinois. John Gard took his boat to Peoria for the Ivy Club Regatta the 4th of July, and John and Ted Haller both sailed their boats in the Midwest District Meet at Chicago. Fleet No. 117 is getting to be quite a well traveled fleet.

One of the highlights of the year was when Ted Haller was named the new Midwest District Commodore. We know Ted will do a fine job.

John Gard played host at several fine meetings during the summer which did much to increase our knowledge of racing rules and tactics. The other fleets at our club were invited and also participated in these rules meetings.

Island Bay Yacht Club again held its annual Middle States Regatta on Labor Day weekend and this year we drew Lightnings from far and wide. No less than 30 Lightnings hit the starting line this year and it was a bang-up Regatta. Fleet 117 played host to the visiting crews with a party, and the club as usual had a dance and many activities to make for a fun packed weekend for all who attended. Bill Wingard in "Jubilee" from Chicago Corinthian Yacht Club again carried away first place honors.

All Lightnings are welcome and in fact urged to attend our Regatta next year. Remember, it's Labor Day weekend.

This year saw one of the longest series of competitive club races at the Royal Hamilton Yacht Club. The season started on May 17 and finished on October 4.

Though the number of competitors was smaller this year this was partly owing to the fact that several of our skippers travelled to other competitions.

John Roberson, our "Olympic Sailor", again went to the Olympics to represent Canada. His report is in another article. Skipper Ted Jocelyn competed in several American Regattas.

One of the most interesting regattas was held between Kingston Yacht of Kingston, Ont., and ourselves. The Hamilton sailors went to Kingston on July 12 and 13, and after a tight series of five races were able to come out on top by one point. On top of the fine racing, the Kingston sailors entertained us royally. Hamilton was host to the Kingston sailors on September 13 and 14. Again the Hamilton sailors came out on top after the races were over.

Skipper Perc Powell and crew of Wally White and Timmy Nelson competed in the Buffalo Lightning District regatta. Skipper Perc Powell, with Hugh Drake and Jack Hill as crew also competed at the Canadian National Exhibition at Toronto, Ontario.

A very interesting race held during the summer was the Powell Trophy race which has created a great deal of fun each year. This year, at the start of the race all the boats were moored to the dock without being rigged. A member of the crew had to race to the center of the grounds where he had to find his own bag of sails which had been mixed under a pile of tables and chairs. Before leaving the dock a boat had to be fully rigged. On the third leg of the race the boats had to sail on a jib only, and after crossing the finishing line it was necessary for one of the crew to walk around and make a complete circuit of the deck outside the shrouds and stays, with a batel held between the teeth. Some fell in doing this and were thus disqualified. It made a lot of fun because though a boat may have crossed the line first a slip here meant it lost the race.

The Annual Banquet and presentation of prizes were held on Wednesday, November 26.

The results of the season's races were as follows:

The 1952 season turned out to be the longest and most interesting in local Lightning history.

Fleet #127 had a summer series consisting of 12 races, starting in May and extending through October. These races were all sailed on the Wilmington River from the Savannah Yacht Club. John Baker, sailing "Geechee Gal" repeated his championship performance by taking the summer series with the amazing record of 10 firsts in 11 races. As fleet champion, he was again awarded the Diamond Trophy. John McIntosh, in "Scalawag IV" repeated as fleet runner-up with consistent records of 2nd or 3rd place finishes in every race. Ross Allen, in "Wild Goose" completed the top three.

In the Savannah Yacht Club's Annual Regatta, "Geechee Gal", took top honors, and 3rd place was won by Jim McIntosh in "Hurricane" (No. 68); 2nd place went to Ann Poulnot of Charleston, So. Carolina, sailing "Can Can".

The new Wymberly Trophy was also won by "Geechee Gal". Johnny had retired the old one in 1951. This made his 3rd straight win over the Isle of Hope course.

In addition to the local racing, Fleet #127 went to several

out-of-town events. Starting in February with the St. Petersburg Mid-Winter's where John McIntosh, "Scalawag IV" finished 21st to top a local aggregation of three boats. "Scalawag IV" also attended the Sunburn Regatta in Miami early in March.

John Baker, Ross Allen, and John McIntosh made the long haul to Miami for the District Races in May. "Geechee Gal" took a 6th place to top the local representatives.

The 1952 South Atlantic Championships were held in Charleston, South Carolina, and Fleet #127 sent three boats to cap the three top spots. "Geechee Gal", 1st, "Scalawag IV" 2nd, and "Wild Goose" 3rd. The Demere Trophy went to John Baker again for his fine performance of three 1sts in three races.

The last road trip was to Beaufort, South Carolina, for their annual three-day meet. Ross Allen "Wild Goose" repeated by taking top honors and By Baldrige's "Debet" took third.

At the District meeting two local skippers, Ross Allen and Jim McIntosh, were elected District Commodore and Secretary respectively. Later at the Annual LCA Meeting, Ross was elected Vice-President of the Association.

Jim McIntosh was awarded the Diamond Sportsmanship Trophy at the close of the season. Jim, sailing "Hurricane", #68, turned in several fine performances throughout the season and pushed the leaders every time we had heavy winds.

1952 proved to be a fine season for Fleet #127 with keen competition and plenty of interest all season long. Already many of our skippers are refinishing their boats preparing to start the 1953 season at St. Petersburg.

Herm Henschen sailing "Kibitzer" won the Chesapeake Bay High Point Trophy for the second year straight and W. H. Klarner sailing "Sally-K" was third in the point totals earned for this coveted cup.

"Sally-K" and "Kibitzer" also did well in the Dixie District Championship Regatta, "Sally-K" getting second place and "Kibitzer" coming in third. Before the Internationals we write to ask if the Dixie District could send two boats to the big event and the Lightning Class Association informed us that we had only enough boats in the District to send one. Now we have found from the Association Paid-Up list that the District was entitled to send two boats.

Dan Lynch sailing "Blitz" improved steadily during the season. He definitely will be a force with which to reckon next year.

Al Miller and his "Zeta" again proved too much for Fleet 132, winning both the Spring Series and Summer Series races, as well as the Fleet Championship. George Martin was runner-up in all series, and Pete McTavish and Howard Zeck were always in the running. Ed Holland was late in getting started and the Gahan boys had crew troubles, but both will probably be out strong next year. Our genial District Commodore, Jack Abel, was unable to get into the races this year on account of Jack Junior, who evidently did all the work, joining up with Uncle Sam.

There are a number of other Lightnings in our territory that have not always taken part in the races or joined the local fleet and we hope to have a larger representation next year.

We have just concluded another successful racing season, and are proud to report that our fleet has shown a fine improvement both in size as well as racing competition. We held races every Saturday and Sunday from late May until early October with 7 to 19 boats competing in each race.

We had a tune-up series consisting of ten races in which our fleet Captain John Bollinger came out on top with his "Blue Cloud". Bill and Pete Miller were second in "Bijope" with Bob Swiggett finishing third in "Vixen".

Our championship series was won by John Bollinger for the second year in a row. Ed Dunlavey after being in Europe most of the summer returned in time to sail his home built "Marie Ann" into the runner-up spot, followed by the Miller boys.

In the fall series, the Dunlavey family switched around in "Marie Ann". Young Erik Dunlavey took over the helm from his dad, and showed the rest of us his transom in almost every race. He finished first with a percentage of 973 followed by George Quisenberry in his green "Chlorophyll". Andy and Bob Connell brought "Blue Cloud" in to the "show" slot after having purchased her from John Bollinger.

The big event of the year for us was the district championships which were held in our waters by virtue of John Bollinger's victory in '51. Once again our fleet showed up very well with John sailing "Blue Cloud" to the Championship. Bill Miller was runner-up with "Bijope" and George Quisenberry placed fourth with "Chlorophyll".

We are looking forward to a great season in '53 and hope to have bigger and better things to report.

Our Fleet Captaincy is purely honorary and goes to the Fleet Champion each year. The President and Secretary do all the work.

Noroton Yacht Club's Fleet 134 reached new heights in the 1952 season. With sixteen active boats racing on Saturdays,

Sundays and holidays, the fleet attained new honors all over Long Island Sound.

Sue Widmann, Noroton's perennial champ, led the pack for the third straight year. However, the championship was not clinched until the final gun of the season. Kim O'Gorman and Ade Kipp followed Miss Widmann to the wire, in that order. The July series was won by Miss Widmann with Kim O'Gorman and Ade Kipp second and third respectively. The August series was won by Walter Crump, just ahead of Kim O'Gorman and Sue Widmann.

Due to Kim O'Gorman's 1951 victory in the Conn.-Rhode Island District Championships, Noroton played host late in July to the top sailors of the 1952 season. Three races were held, with the Healey family of Niantic Bay emerging victorious one point ahead of Sue Widmann in "Spitfire".

The inaugural Autumn Invitational Series, attended by thirty Lightnings from the sound, was a fine contest, although wind failure held it to two races. The O'Gorman's won with Sue Widmann runner-up. It is hoped that this event will soon become a major drawing card on the sound. Kim had previously won the Pequot Invitational Regatta as well as the Stamford-Rocky Point two-day Regatta. With this additional victory, "Schmoo" came close to sweeping up all the prizes from nearby series.

The Noroton Yacht Club's flag officers races highlighted the local weekend contests. With a fine breeze blowing, Bob Crane led the way for the Rear-Commodore's Cup. In light airs, Sue Widmann's Fourth of July performance brought her the Vice Commodore's Cup. The Commodore's Cup was won by a very wet Walter Crump in "Trim".

The Noroton Jr. Y. C. with the famous "Cinderella II" continued its winning ways, competing with other junior crews in the sound area. Due to the fine seamanship of the juniors, they had little trouble winning Larchmont Race Week for the second time in many years.

Bob Crane, of Miami fame, returned to Noroton and is continuing his racing on the sound. Bob represented the Florida District at this year's L. C. A. Championships.

With the racing over for 1952, fleet 134 wishes to thank its Officers and Committees for their fine job providing excellent racing and the best in planning. Well done, Mr. O'Gorman, and Mr. and Mrs. Kipp!

The best news that Fleet 135 received this year is the addition of the "Sugarfoots" to its anchorage at the Fairhope Yacht Club. This boat is owned by Lester A. Coons and is being completely overhauled and put in first class racing shape. The "Sugarfoots" won the Southeastern District Championship in 1951 and the skippers of Fleet 135 feel that with this fast boat as a "Trial Horse" the whole fleet will be faster.

Edw. Overton with his new Mauvillian is still fleet champion but Jack Bonnell in his Black Magic is pressing him very closely. Hoyt Greenbury is not far behind with his Amber.

The fleet is looking forward to another fine year in 1953 and has the prospects of counting some new boats among its members.

Port Clinton Yacht Club Lightning Fleet 136 has just completed an active 1952 season, which began with the attendance of over 40% of our membership at the District Meeting in Cleveland in February.

More than any other year, our members had the traveling bug, with Pinky Allan in "Mama's Mink" and Bob Englebeck in "Meat Wagon" beginning the racing season at the St. Petersburg Midwinter Championship Regatta in Florida.

Pinky, Bob, Jack Lay, Barb Petersen, and Bob Acker and Rip Perry trailed a total of over 8,100 miles during the season and attended over ten out of town regattas. Most of this activity is due to a desire in Fleet 136 to promote more and better racing. Along the same lines the Fleet is back of a Junior Sailing Program to teach the younger set the art of small boat handling and racing. The program, sparked by Barbara Petersen, co-owner of "Froken", includes instruction in swimming, life saving, and other activities connected with sailing.

Fleet 136 now has a new electric hoist, and nevermore will you visitors have to dunk your trailers in the lagoon to launch your boats. Docking facilities have been improved and haulouts are very easy and speedy with the new system.

We were very happy to be hosts to the Ohio-Indiana District Championship, and we wish to thank everyone for attending and making it the success we believe it should be. We extend a cordial invitation to all L. C. A. members to come back and sail with us again.

Our Fleet Championship was won by Bob Englebeck in "Meat Wagon"; runner-up was Jack Lay in "Lay Too". Fleet 136 Championships are sailed every Wednesday evening, and the best ten races out of twelve are used for a final scoring. Races were well run with a Race Committee boat on the course of every race. Tom Finefrock, who acted as judge and furnished the Race Committee boat, deserves a vote of thanks for his service.

Again may we invite you to sail in our waters and use our

docking facilities and hoist. Park your boat in our trailer area between regattas in this locality and save trailed home between races. We have a paid caretaker at all times. We'll be looking for you at the P.C.Y.C. Regatta and Snow Flurries next August and October. Until then—so long.

Franklin Kolk sailing at Hempstead Harbor, champion of Fleet #138.

Although handicapped by an unusual lack of wind Fleet 138 of Hempstead Harbor, none the less, had as interesting and active a season as ever.

Our '52 Season was divided into two series of 13 races each, a Commodore's series, and a special race sponsored by the Hempstead Harbor Yacht Club. The season championship was determined by the 1st and 2nd series results.

We jumped off to an early start with our usual May 30th gun, and battled down the wire for championship honors until August 30th. Most of the fleet was plagued with erratic and inconsistent results with the exception of Frank Kolk who brought his "Southerly" home away out front for the Season's win. Bob and Edna Paul sailing their "To-n-fro" finished second with Charles Hurley in "Bolero" taking third.

Kolk made his bid with a 1st in the First Series and a 2nd in the Second Series. Maude and Jay Kirby, who did not qualify for a seasonal standing, brought their "Susan" home in 2nd for the First Series and garnered a 1st in the Second Series with their new boat "Chase Me."

Warren Ostrom sailing his "Blue Teal" wound up the Four-Day Commodore's Series with Dirby taking a First in the special Hempstead Harbor Day Regatta.

Under the suggestion and direction of Bob Howard the Fleet conducted two crew races. The crews sailed their own races, gave them not only the opportunity to turn the tables on the skippers but also to show us all exactly what they could do. Bob Rennie sailing Kolk's "Southerly" won the 1st and Frank Farkas in Kirby's "Chase Me" took the 2nd in two very competitive races.

On July 4th we met Manhasset Bay for our annual Team Race, with Manhasset Bay again showing the upper hand. Bob Paul, Henry Dumper and Frank Kolk made up Fleet #138 contingent that represented us at the District Championships. Kolk finished high enough in the supernumeraries to enable him to make the trip to the Internationals.

We're happy to report the addition of several new members to the Fleet. We hope next year to have swelled our membership to at least 18 boats. The newcomers have not only shown a tremendous amount of enthusiasm but have shown a definite amount of progress as well as their sailing ability. It all promises to make the '53 season more competitive than ever before.

We concluded activities with our regular cruise—a picnic to a local spot on Long Island Sound—enabling the gang to talk up the postmortems with hot dogs and beer.

With excellent winds prevailing for the most part and with enthusiasm running high among members, a most enjoyable season of racing was had by the members of Conesus Fleet #140.

Racing results were very close this season, with members constantly jockeying for top honors during the season. Actually

nothing was really decided until after the last race which, all in all, made excitement run high during all the races. Three series of races were held, individual Saturday and Sunday Series and the Season Series. When the last flag was down and all boats accounted for, we came up with the season's championship won by Glenn Poyzer. Pacing second in the season's championship won by Chuck Doerflinger with third place honors going to Bernie Zoppoth. In the Saturday Series, Jos. Hockenos took first place with Bob Henderson in second place. Glenn Poyzer came out in front for first place in the Sunday Series with Chuck Doerflinger taking a close second place.

Five boats were representatives of our fleet at the Central New York District Lightning Eliminations held at Canandaigua Lake and five boats also participated in the Lewis Point Regatta.

Late in August, a hot-dog roast was held with Chuck Doerflinger as host. At this time, we elected Glenn Poyzer as Fleet Captain, Roy Hendrickson as Treasurer and Marion Le Page as Secretary.

In post season sailing, a very delightful treat was had. We journeyed to Silver Lake in early September for a fun day regatta. Competition was high and with fair winds blowing, we really had ourselves a time. One high point of the day was an excellent meal served to us between races. In every instance our hosts, the Silver Lake Lightning Fleet #47, certainly made this day one that we shall long remember. Their friendliness, sportsmanship and competitive spirit all combined to make this a real day of sailing, and a perfect highlight to wind up the year 1952.

Mattituck Lightning Fleet #141 members again enjoyed a fine racing season. We had several types of wind conditions, which gave all the skippers an equal chance for the many trophies.

The pre-season tune-up race was won by Sue Smith in "Princess", with Wilbur July in "Mannana" taking second place. The annual July 4th American Legion Trophy race was won by Paul Suter in "Mint Julep". The trophy was presented by Raymond Cleaves, Post No. 861, again this year.

The Eastern Long Island Yachting Association Regatta, at Shelter Island Yacht Club, brought an even larger fleet of Lightnings than in previous years. James Connor, sailing his "Black Jack", came home with a well deserved first place. This year for the first time, the E.L.I.Y.A. held junior championship eliminations. These eliminations races were held before the regatta. The two representative boats and crews from Fleet 141 captured both first and second place, with Robert Connor in 4251 taking first place and Sue Smith in 5005, second.

The District Eliminations this year were held at the Hewlett Point Yacht Club. Although the racing conditions were very different than on Peconic Bay, our representatives again did well. William Uhl in "Spark" took first place and James Connor, in "Black Jack", third.

The Mattituck Fire Department annual trophy for Lightnings was won for the second consecutive year by Paul Suter. Although handicapped by the loss of his crew, William Uhl was able to beat out Jim Connor for the Fleet Championship. This was the third time Bill has taken the fleet honors.

Exceptionally strong winds prevented the usual large turn out for the Southold Invitational Regatta on Labor Day; but even so, Bill Uhl raced and again came out on top bringing home the first place trophy.

This year everyone enjoyed the excellent racing conditions, and hope to be as fortunate next season.

Moriches Bay Lightning Fleet 142 began the 1952 season inauspiciously. We found that several of our boats would not be active. However, the four remaining boats determined to have the best season possible. In addition to our Saturday series of races, a Regatta with the Southampton Lightning Fleet was held at Westhampton. Mr. Edmund A. Prentis, Jr. very kindly donated a large silver tray suitably inscribed to be known as the Hampton Trophy. This trophy will be raced for annually between the Southampton Fleet Lightnings and the Westhampton Fleet Lightnings until one fleet has won it three times. It will then become the property of that fleet, and the following season will be presented to the fleet champion.

The first race of the Regatta was held on a Saturday in lieu of our usual race. The Southampton fleet won handily.

The second race, on Sunday, was barely underway when a severe squall hit the fleet and only two boats were able to finish. Several masts were lost and there were a number of capsizes. Fortunately no one was hurt. Westhampton won this exciting race.

The third race was won by the Southampton fleet and they will retain the Hampton Trophy until the next season's regatta. A cocktail party was held after the races in honor of the visiting fleet. After the squall, the party was really appreciated by all hands.

We are trying to put on a campaign to get more Lightnings in our fleet for next season. We hope to see some of our old fleet members back next year.

Hawaii Lightning Fleet opened their 1952 season of 34 races on April 4th and continued through to November 16th for the most active season thus far. Sandwiched in during the month of October was the first Hawaii Invitational Regatta Week which drew four boats from Hawaii Lightning Fleet and is reported on fully under the Hawaiian Island District.

Trophies raced for were divided between Bill "Puka" Hole, Cy Gillette and Wally Hawkins. Weas Barrere sailing Gillette's "Nubbin" took the Crews Race and one other trophy to complete the winners of the men's events. Cy Gillette won the Class Championship with a grand slam of five straight firsts in a hard fought series.

The Annual Wahine Series saw Alberta Gillette repeat in "Nubbin" for the second year. She was hard pressed by Jean Hole the entire distance and had to overhaul Priscilla Fisk to come out on top. It is rumored (and rightly so) that if the shark had appeared over Priscilla's stern instead of bow, she would have never been headed.

Cy Gillette in "Nubbin", Fleet Champion of Hawaii Lightning Fleet.

This season saw the rebirth of inter-fleet competition with Waikiki Yacht Club challenging for the Commodore Cy Gillette Challenge Trophy. Twice before Kaneohe Lightnings had successfully defended the plaque. This time the Waikiki Lightnings were determined to take it home across the Pali. With this in mind they doped out a system of two boat task forces, saw-off starts and strategy changes on signal from the Waikiki flagship. Kaneohe Lightnings on the other hand decided to sail on their own to see just what the opposing team had.

The start of the first race of the three race series saw the Waikiki planning pay off with having things all their way. As the race progressed the task force operations of two boats to one left four Kaneohe Lightnings free which proceeded to take off. The race ended with Kaneohe Lightnings on the top half, except for first place, which produced a winning combination.

The second race brought forth a change in Waikiki strategy that eliminated their costly two for one planning. Breaking loose their fastest boat at the start, which was never headed and sailing their boats on their own the Waikiki team produced the same results which came to Kaneohe in the first race. The series was all tied up and so were the skippers on each team.

Kaneohe reviewing the previous two races knew that its weakness at the start had to be corrected. Skull practice was held and specific assignments for starting were made.

Tension mounted as the start of the third and deciding race drew near with the hoisting of the white flag.

But seconds after the red starting flag had gone up, the series was decided. Kaneohe Lightnings got the jump at the start, widened their advantage in the first lap, beat down a homestretch challenge and sailed off with the plaque.

The post-regatta party at the Kaneohe clubhouse was a merry one. Reported one Waikiki skipper later: "They may have beaten us, but we took their clubhouse apart." Along with the presentation of the trophy, which now starts its sixth year in Kaneohe's possession, went a fresh challenge from Waikiki for another try in '53.

Kaneohe's Lightning skippers were team captain Cy Gillette, Jess Ryno, Phil Fisk, Bill Ballenger—Bill Froome, Wally Hawkins, Bill Hole—Buddy Baptiste, and Jay Vincent. Challenging Waikiki Lightning skippers were team captain Frank Rothwell, Art Myhre, Bob Southgate, Harry Uhler, Bob Miller, Jerry Sheeley and Jim Rukin.

The Spofford Lightning Fleet had a very busy season in 1952, and the water of Lake Spofford witnessed many hard fought battles between our boats.

After the usual spring overhaul our boats were in the water by the middle of May and soon we started the tune-up races which lasted until June eighth.

By that time two of our skippers (Len Pratt and Charlie Toms) overtook measuring the sails of all the boats in our fleet. It was interesting to note that while most of the sails were of legal size there were others which had stretched over maximum and one spinnaker was thirteen inches too short.

The summer races started on June fourteenth and lasted until July twentieth. First in that summer series was Len Pratt, with Bud Holt second, and Charlie Toms third.

There was a special race on the Fourth of July when the crews skippered the boats and the skippers had to take orders. Everyone of us like it and we had a lot of fun. The crewmen took full advantage of the situation and showed good skippering. In this race Florence Pratt came in first and Bob Beverstock second.

We all had read Ted Wells book about sailing, and one day we discussed the possibilities of sailing to windward with the main sheet cleated as it is recommended in the book. One of our best skippers tried two weeks later and we found him and his crew sitting in the water. He said it worked all right until there was a puff. Carlton Buckman took great pride in making him an honorary life member in our dunkers division.

On July twenty-sixth and seventh we had the New England District Lightning Championship Regatta on our waters. This time there were fewer entries than two years before but we had good sailing weather. The winner was Bud Holt in the "Donana", second Len Pratt, and third Charlie Toms.

Our championship series started August ninth. Five races had to be sailed to determine the winner. Len Pratt was our 1952 champion with Bud Holt and Charlie Toms close behind.

In September skippers, crews, and families, twenty-seven strong, from Hewlitt Bay Fleet, #58, came to visit us and we had three inter-fleet races. In points we had a slight edge over them but they did all the entertaining and everybody had a good time.

Also in September Charlie Toms and Carlton Buckman trailed their boats to Manchester, N. H. and sailed with the Massabecic Yacht Club in handicap race. The results for the second year found Charlie first, and Carlton second. The Lightnings made a good impression in Manchester and we hope they will be able to have a Lightning Fleet of their own in the near future.

The Spofford Yacht Club purchased a nice shore lot on the lake which will enable us to have picnics and other activities to bring our skippers, crews, and families together on land as sea.

### FLEET CHAMPIONSHIP

The champion of the Toronto Bay Fleet for 1952 was Jim Mitchell, former Fleet Captain, sailing "Sinbad". He placed far ahead of the runners-up, Harold Weir in "Velox II" and Bob Allen in 2433. Based on the best 15 out of 19 events held under the Fleet's jurisdiction, Jim had 12 firsts and 3 seconds.

### LOU MARSH MEMORIAL TROPHY

This five race series was sailed off at the National Yacht Club and Jim Mitchell scored another series win to take the mug and its replica. Runner-up was the same as for the Fleet Championship.

### L.S.S.A. REGATTA

The Lake Skiff Sailing Association's Annual Regatta for centre-board craft was held at the Queen City Yacht Club in Toronto and Jim Mitchell's "Sinbad" outsailed all comers to take early honours. Before this regatta, Jim had taken the silverware at the International Trade Fair.

### GORMAN TROPHY

In a hard fought series of team races featuring three boats each from the National Yacht Club and the Queen City Yacht Club, the Q.C.Y.C. won handily.

### FLEET CAPTAIN'S CUP

Ted Plummer in "Chinook" won the annual race around Toronto Island.

The annual banquet of the Fleet held in November was attended by at least twice as many sailors and guests as had ever before turned out for the event. Prize giving was the order of the night. Former Fleet Captain Arn Gorman welcomed the recent members of the fleet and it would appear by the run-down of new boats under construction that Fleet 146 is in for its greatest year and certainly the starting line will be much more crowded than heretofore.

### CANADIAN LIGHTNING CHAMPIONSHIP REGATTA

On August 28 and 29, 1952, the Toronto Bay Lightning Fleet was host to some 20 visitors who came to participate in the First Canadian Lightning Championship Regatta. Boats were being launched as late as 11:00 p.m. on Wednesday, the 27th and Sail Measurer Harold Weir called it a day about midnight.

For the morning race on the Thursday the skippers were faced with a whisper of a breeze that faded in and out all morning. The afternoon race around the three mile triangle was run under similar conditions. Thursday evening contestants attended a cocktail party at the National Yacht Club. Later in the evening some of the entrants used the complimentary pass the Canadian National Exhibition presented to all attending sailors. For many of them this was their first look at the world's largest annual exhibition.

Friday morning the third and final race started under a low haze with very little wind, but before the finishing gun went, all hands were hiking. Entrants were invited to a buffet lunch in the CNE grounds at which the Daily Star Trophy and replica were presented to Tom Allen of the Buffalo Canoe Club. Silver Trays were presented to the first three American boats and the first three Canadian boats.

Assurances received by the Fleet indicate that everyone had a good time and in 1953 expect that a great many more boats will be attending.

The Genesee Fleet began active racing on May 30th and finished the season's activities on September 13th. This included a spring, summer and fall series.

Competition was extremely keen this year as the last race in each series decided the winner.

"Barney" Wilson caught up with and tied Southard in points for the spring series and took first place by the majority of wins. "Sal" Berezy in "Pixy" finished third place.

The summer series was also taken by Wilson in "Stardust" even though "Ernie" Butler held the lead most of the way. Southard in his "Thunder" finished third.

Bob Paige had to have a win over Southard in the final race to take first in the fall series with Butler finishing third place.

Club activities included a long distance race from Rochester to Sodus Point, a distance of 35 miles. The race being won by Fred Roos with Wilson second and Southard third.

The following weekend, the three boats that sailed to Sodus Bay and Bexeya's "Pixy", which was trailored down, entered the L. S. L. S. Regatta over the 4th of July weekend.

The District eliminations at Canandaigua Lake showed a great improvement in our club's sailing ability in general.

Genesee Yacht Club was host to the Newport Fleet for the Annual Gannet Trophy team race which was won for the third time by the Newporters and should have been retired but everybody had such a good time that it was decided to continue the activity as an annual affair.

Lightning Fleet 150 completed a very successful sailing season with the annual banquet closing the season officially. We sail Sunday afternoons and usually holidays and the season begins Memorial Day and ends the last of Sept. Twenty races constitute the season and a skipper must sail in 60% of these races to be eligible for the fleet championship. It was won this year by Dave Upham sailing "Sturdy Beggar". Eight boats comprised the fleet but in the middle of the season the Hustons added their new Nichols-Holman making nine. They were too late to compete for the fleet championship so took to roving, three neighboring regattas, lots of fun and experience but no trophies.

A new plan was inaugurated this year making more trophies and more competition—each group of three Sundays comprised a series and a trophy was given for each series. The following trophies were awarded.

Bill Leicy ..... Macy Trophy  
Dave Upham ..... Smart Trophy  
Bill Leicy ..... Siegenthaler Trophy  
Gene Smart ..... Stevens Trophy  
Mabel, & Henry Huston ..... Huston Trophy  
Glenn Macy ..... Upham Trophy

1952 saw some very keen racing at Annisquam. With good weather and good breezes, and as many as eight boats racing at one time, Jack Cunningham in "Bat" won the championship, with Dinny Stevens in "Zephyr" a close runner-up.

This year five of our boats were used in the Curtis Cup races. These races, emblematic of the Massachusetts Junior Championship, were sailed in Ipswich Bay. The junior skippers wanted

some experience in Lightnings, as they were the boats to be used in the Sears Bowl final.

Numerous friendly brushes were had with the neighboring Sandy Bay Yacht Club Lightnings during the summer, and it is hoped that regular inter-club races can be arranged for next summer.

## TAWAS BAY YACHT CLUB FLEET (152)

Michigan District

Based on Tawas Bay, Tawas, Michigan

Fleet Captain ..... Guy R. Moulthrop, Jr.  
Fleet Secretary ..... L. G. McKay, Jr.  
Fleet Champion ..... William F. McKinley  
Runner-Up ..... Guy R. Moulthrop, Jr.

Boat No.	Boat Name	Skipper

2901	Hum Bug	William F. McKinley
2903	Sham	Guy R. Moulthrop, Jr.
4598	Lets Go II	William F. Nelson
4697	Lone Wolf	Charles S. Moulthrop, Jr.

The annual fourth of July Regatta started the sailing season on beautiful Tawas Bay with the visiting clubs taking most of the honors. In the Lightning Class, Ed. Blaise and Al Daeschlein from the Saginaw Bay Yacht Club, Fleet 216, in their new "Ham Bone" and Phil Patterson in his new "Mom's Mink", took first and third respectively. Bill McKinley held up the Tawas fleet honors with a second.

The regular racing series continuing through July and August was hard fought with three boats taking turns at first, second and third places. In the end, Bill McKinley in the "Hum Bug" finished on top with Tim Moulthrop's "Sham" and Ladd McKay's "Merri-Mac" right on his heels.

During the sailing season many of the Tawas boats enjoyed the hospitality of several Michigan Clubs. We sailed in the District at Cass Lake; the Higgins Lake Summer Open Invitational; the Bay City "Jolly Roger", and the Lake Fenton "White Cap" Regatta. A grand time was had by all and we thank the other clubs for their fine regattas.

We wish to extend to all of you, an invitation to sail in our annual fourth of July Regatta. We take a back seat to no one when it comes to a perfect triangular course. We have two such triangles, each one mile to a leg, extending into our protected Tawas Bay on the East side of Michigan. Here with physical hazards as rocks, weeds, sand bars, forgotten you are free to concentrate completely on winning the race. Seamanship knowledge of the rules, and having a well tuned boat are what count in bringing your boat across the finish line first. Won't you let us share our advantages with you?—Will see you in Tawas on July third in 1953.

4526	Bing	Donald B. Treadwell

The year of 1952 found our fleet enthusiastic but reduced in number during part of the season because of McKinley and education priorities.

Our fleet sailed in regular races on Saturdays and Sundays during the season with a special three day Series over the Memorial Day, 4th of July, and Labor Day Week Ends for special

trophies. Our championship series was won by Lincoln Eveleth in "Fidget" with George P. Biggs in "Windward" runner-up.

On August 2nd and 3rd Pequot ran off the second Annual Lightning Invitation Regatta in which a total of thirty-five boats from Black Rock, Housatonic, Norwalk, Noroton and Pequot Yacht Club competed. In the series, reduced to two races because of a flat calm Saturday afternoon first place was won by Kim O'Gorman in "Shmoo", second was Sue Widmann in "Spitfire" both of Noroton, and third place was taken by George P. Biggs of Pequot in "Windward". A good time was enjoyed by all.

Richard H. Taylor in "Yankee" and George P. Biggs in "Windward" represented Pequot at the Lightning District Championships held at Noroton on July 26 and 27, and finished in the middle of the pack.

We look forward to a very active year in 1953 with five or six new boats being added to our fleet, which will increase the friendly spirit of competition to a new high standard.

Lightning Fleet #154, sailing at Lake Wawasee, Syracuse, Indiana, Wawasee Yacht Club, enjoyed a very successful season, with several boats changing hands, two new boats added to the fleet, and about half the skippers flying spinnakers in competition for the first time.

The results of the annual 12-race series, starting with three races the Fourth of July week-end and ending with three races over Labor Day week-end, is listed below. Bruce Baiden again is Fleet Champion, but he is getting plenty of competition and will be pushed to maintain his position in 1953—so say several skippers.

Bruce Baiden also won the Cynthia Cup, presented by Eli Lilly, to the outstanding skipper in the Club for all classes. Several new members joined the club this season with an assortment of boats, several of which have indicated it would not be long until they joined the ranks of Lightning skippers.

The Great Lakes Snipe Regatta was held at the Wawasee Yacht Club August 22, 23, & 24, with the Lightning Fleet Skippers acting as Hosts, Race Committee and otherwise assisting in every way possible to make their brother sailors enjoy a full three days of racing.

Our Fleet still prefers the Snipe method of awarding points, at least for a season series. It gives everyone a better break and provides better competition, we believe, especially as the 10 points bonus for each race stated is quite an incentive when the going gets close. A leading skipper can't afford to lay out and maintain his position. We would like to see the Lightning Point System opened for debate in the near future.

Despite the fact that our fleet was very small, all of our boats very actively participated in the Sunday morning races sponsored by the Ivy Club of Peoria. In these races our fleet captain, John Mueller, proved beyond doubt to be the champion of the fleet.

The outstanding event of our sailing season was the Invitational Regatta of the Peoria Ivy Club held on the week-end of the 4th of July. In the special 4th of July Race, the prize for the Lightning Class went to our fleet captain, John A. Mueller, in Dipsy Doodle. The three prizes of the Regatta series went to the following boats and skippers:

First—2064—Dipsy Doodle.....John A. Mueller, Ivy Lightning Fleet (160)  
 Second—4374—Roamer.....Phil Peterson, Island Bay Lightning Fleet (117)  
 Third—1176—Corncob.....Dr. Hans G. Maister, Ivy Lightning Fleet (160)

Two boats, Dipsy Doodle and Corncob, entered the Middle States Championship Regatta of the Island Bay Yacht Club, Springfield, Illinois, and Corncob sailed in the Harbor Point Yacht Club 1952 Regatta held on the Mississippi River at Alton, Illinois.

We of the Cazenovia Lightning Fleet feel that it was a very successful racing season due to the fact that we had a greater spirit and more boats entering the races. Nothing is definite at this writing but there are several families interested in Lightnings. We feel sure that our fleet will be larger next year.

The Fleet Championship was won by Doc Sanford followed by Mary Joyce Glassey in "Maria Elena II" as runner-up. R. Philip Hart "the foremost scientific sailor in our fleet and the most accurate weather prophet" brought his boat in third position.

For the past two years, we have been sailing two separate series, one on Saturdays and the other on Sundays. This seems to draw more enthusiasm because some skippers find it impossible to race on both days of the weekend and so they have a choice of races to compete in. The Saturday Series was won by Glassey and Doc Sanford won the Sunday Series.

Our fleet was represented in the regatta circuit by the "Dore Gasa" and "Maria Elena II". They had a marvelous time at the Lewis Point Invitational and hope to join the fun again next year.

One of the highlights in our social entertainment was a picnic held at the Glassey home for Lightning skippers and crews.

Everybody was happy to see Barney Shoninger, one of our most enthusiastic sailors, win the Charter Member's Cup with help from his son. Trophies were awarded at the annual Yacht Club Banquet which closed a very successful season.

**Based on Mississippi River, Davenport, Iowa**

Our fleet activities have dropped off to a considerable extent. We have done no racing at all this season, however, we have had several outings with the Lake Davenport Sailing Club. These were mostly over night trips up the river on week ends. There is one new Lightning owner in this area that we have not as yet contacted. This boat is sailing out of the Moline Sea Scout Base. We hope to contact this new boat owner during the winter and to try to have a full racing schedule for next summer.

It is our belief that the backbone of sailing is racing and if we can get a good racing program started we shall be able to grow in the future.

## TAMPA BAY LIGHTNING FLEET (168)

### Southeastern District

#### Based on Upper Tampa Bay, Fla.

Fleet Captain ..... E. P. MacBryde  
Fleet Secretary ..... Harold S. Balcom  
Fleet Champion ..... Gene Hansen & Harold  
Balcom in "Zombie"  
Runner-Up ..... E. P. MacBryde in "Whim"

Boat No.	Boat Name	Skipper
2839	Playmate	Charles Harra
3231	Frolic	Ben Hatcher
3876	Zombie	Harold Balcom & Gene Hansen
4124	Challenge	Dr. O. Ellingson
4419	Whim	Ernest MacBryde

Tampa Bay Lightning Fleet completed an interesting season year round sailing, racing and picnicking.

Ernest MacBryde journeyed to the Miami Sunshine Regatta in January and took second place to start the year's activities. The only boat to beat him was our district champ, Howard Foht, who is also the Lightning Midwinter winner and last year's President's trophy holder.

Our entire fleet was present for the Midwinters in St. Petersburg but found the competition a little rougher than usual.

The fleet championship summer series ended in a tie for first between Ernest MacBryde's "Whim" and Gene Hansen and Harold Balcom's "Zombie," the latter sloop winning by the toss of a coin. Newcomer Ben Hatcher surprised many by taking third spot in "Frolic."

Two of our fleet members, Charles Morgan and Harold Balcom, temporarily deserted Lightnings to crew in the North American Sailing Championships.

Teaming with Skipper Edwina Nelson, they won the Florida sailing title in Gulf Coast Fish Class boats at Sarasota. Next came the semi-finals in New Orleans, sailed in L. 16's where they won the southern title and a place in the finals at Mystic, Conn.

The finals sailed in Quincy Adams 17's found them winning one race but a broken tiller and a disqualification in other races dropped them to sixth place in the series, which goes to prove that Lightning sailors can compete with the best in the country.

Skipper MacBryde's "Whim" finished sixth in the President's trophy series at Spray Beach. Crewing with him were Ed. Balcom and Clay Houston. Our two entries in the Districts in Miami were Collision victims.

This coming season is expected to see increased activity inasmuch as the Districts Championships will be held locally.

The Fleet Championship was sailed off as a round robin of the top five skippers from the season's races, each skipper sailing every boat. The St. Lawrence Valley Yacht Racing Association held the semi-finals and finals of the Inter Club Series which are raced in Lightnings at our club. We were again successful in retaining the Founders trophy which we won last year.

## BLACK HAWK LIGHTNING FLEET (172)

### Metropolitan District

#### Sailing on Hudson River, Ossining, New York

Fleet Captain ..... Thomas De Stasio  
Fleet Secretary ..... William Dunn  
Fleet Champion ..... Thomas De Stasio in "Flair"  
Runner-Up ..... Walter Tripp

Boat No.	Boat Name	Skipper
819	Flair	Thomas V. DeStasio
1006	Gisela	Walter Wimazal
1464	Old Salt	Ed Brockhausen
2155	First Effort	William R. Dunn
2734	Sneaky Pete	Walter Tripp
3117	Aquashuss	J. Brooks Maue

The Black Hawk Lightning Fleet, sailing from the Ossining Boat and Canoe Club started early this year in a Memorial Day race at Grassy Point, and ended with an interfleet team race at Nyack on Oct. 19th. Since Tom De Stasio's "Flair" was the only boat in the water at the time, it was the single entry in the May 31st race, and finished second, Pim Epler from Nyack first.

In all, the fleet participated in 22 races this season, sailing seven away from the home club. The fleet championship series started on June 8th, 10 races to decide the winner and it was soon evident that competition was going to be keen. In the subsequent races, the winner often crossed the line by the margin of a few seconds, and in one particular race, "Sneaky Pete" nosed out "Flair" but two seconds! How close can you be? "Flair" emerged the series winner, taking 8 firsts and two seconds. "Sneaky Pete" was runner-up, taking 2 firsts and 8 seconds. "Gisela" finished third, and for a newcomer to the fleet, Walt Wimazal got his boat moving so well that by mid-season he was the "boat to beat". His "Gisela" was the famous "Ro-Jo" that Jo Hoffee did so well with at Nyack. Ed Brockhausen sold his boat after the third race this year, and expects to be back into the fleet with a brand new one.

On July 4th, we sent two boats to the invitation race at our neighbor, Shattemuc Yacht Club. De Stasio's "Flair" won, crossing the line 22 seconds ahead of Dr. Hershey's "Satan", and Wimazal's "Gisela" finished 4th. At the second Shattemuc invitation race on

Fleet Champion, Tom De Stasio in "Flair" (819) Third place winner—Walt Wimasal in Gisela (1096).

August 17th, 13 Lightnings were greeted with a 30 mile an hour wind. John King of Nyack snapped his stick just off the club, and Dr. Hershey dumped his new "Satan" when he jibed around the second mark. "Flair" came in third behind two Nyack boats.

We brought two boats over to Nyack Oct. 19th for a challenge team race, and in another 30 mile an hour blow won the heat, with Pete Pedersen of Nyack finishing, and the two Ossining boats, "Gisela" and "Flair" coming in second and third. Swenberg of Nyack finished 4th and Dean Miltmore, also of Nyack, dropped out with a broken tiller. Since snow flurries were in evidence, the Fleet reluctantly decided to call it a season.

### BRANT BEACH LIGHTNING FLEET (173)

#### Central Atlantic District

#### Based on Brant Beach, N. J.

During 1952, the Lightning Fleet 173 was reactivated at the Brant Beach Yacht Club with a fleet which finally totaled nine boats. The fleet captain for 1952 was Dr. Eugene Kelly, and fleet secretary, Arnold C. Pierce.

During the season we successfully conducted two series of group races, and two special holiday races. One series was conducted in the month of July and another in the month of August. Special trophy races were sailed on July 4 and Labor Day.

In addition to these activities, we had representatives from our fleet who sailed in the Atlantic District Series, the President's Cup races, and in various other inter-club regattas.

Totaling our entire summer series of racing, the first four boats for our fleet, point wise, were:

#1. #3705	"Kwitcherbelliaken"	William H. James
#2. # 97	"Bottoms Up"	John P. Kelly
#3. #1731	"Forty Winks"	Raymond A. Dietz
#4. #4137	"Hang Over"	Arnold C. Pierce

5121	Smokey	W. L. Somner
5202		Clifford Prados

Our Fleet was well represented at the Fort Worth Boat Club, having four boats to trail over to cow town.

Six boats trailed over to Dallas, Texas at the Annual Regatta held on Labor Day. Third place was taken by Dr. Knighton, his son, Eddie Knighton and Dick Nowery sailing the "Cherie".

Twenty-four boats from five fleets: Bay St. Louis, New Orleans, La., Dallas, Fort Worth and Tulsa turned out for the club's fourth annual spring Regatta in May. Gene Wallet III sailed his Spirit in first in all three races in a wind ranging from 30 to 35 miles per hour. Gene was so far out in front during all races that the trailing boats would have required field glasses to read the number on his sails. Sam Townsend sailing from the Dallas Club barely edged out on C. M. Zanglein of Shreveport to win second place, Zanglein coming in third sailing Joheda.

Since our most favorable sailing conditions prevail in the fall up to the middle of December, we are holding a race each week with four trophies awarded to the winners and several series of races, including a frost bite series.

The Lightning Class at the Shreveport Yacht Club has added three boats during this year; W. L. Somner launched his "Smokey" during the spring having won first place at the Mobile Regatta, third place at the Fort Worth Regatta, and second place at Gulfport Regatta. Big things are expected of him during the ensuing year. Cliff Prados and Rob Roy will launch their new boats in the near future.

The Club Championship was won by Chuck Hardey's "Tinka" with Ray Hardey and Gregg Hussey as crew. Second place went to "Solo" sailed the First Series by Chuck Hardey, Ray Hardey, and Gregg Hussey, second series sailed by Luther B. Griffith with Gay, his eleven year old daughter and Louie, his nine year old daughter aboard. Cliff Ray, his wife Myrt and Cliff, Jr., sailed "Doodles" into third place and fourth went to Walter Heiman, his wife Mary Heiman and Warren Brown sailing "Marye II."

Fleet 175 is looking forward to a great season in 1953 and we welcome Smith Parrott and Jack N. Watts as new members of the fleet.

2528	Miss Deal	Lawrence E. Dewey
2558	Jasper V	R. H. Feirn
2917	Rubarb	J. H. Cottrell, Jr.

A total of eight regular races were completed during the 1952 sailing season of the Mendota Lightning Fleet, with Bob Feirn sailing his Jasper V, #2558 to the Fleet Championship, with a total of 26½ points. Walter Wellman, sailing Flash, #785 was runner-up with 22½ points. Three races were not finished in time due to the lack of necessary motive power, wind. Several handicap races conducted by the Mendota Yacht Club were participated in during the season by our Lightnings, the most important one being the annual Labor Day handicap race of 20 miles around Lake Mendota, with a total of 40 boats of all sizes and classes, starting together.

A series of post season races were run off with the various skippers changing boats. The winning skipper of the regular season series exchanged boats with the skipper of the lowest points. The second high skipper exchanged boats with the second lowest skipper, and so on. This exchange of boats was fun, as it gave the skippers and crews a chance to race a different boat. Walter Wellman came out of these exchange races on top.

Bob Feirn, sailing his Jasper V, participated in the Midwest District and the Milwaukee Journal Regattas.

We of Fleet 177 are looking forward to the 1953 season with bright hopes for a larger fleet and hotter races.

### GREAT SOUTH BAY FLEET (178)

4695	Adios	M. Whiting Thayer

The past season was the most lively and interesting one to date. It found the Fleet ranging from one end of the bay to the other, making up in activity what it lacked in numbers. The Fleet followed the sailing schedule of the Narrasketuck Y. C. and entered most GSBYRA Invitation Regattas. A Fleet Champion and Runner-Up was not named as it had not been decided which races would count toward the championship.

The 6 race Narrasketuck Y. C. Series was won by Frank Creed and Ed Geary in "Rainbow" with Bill Thomas' "Black Orchid" second and Fred David in "Brat" third.

The Babylon, Bayshore, Narrasketuck Interclub Series consisting of 5 races, found Bill Thomas in "Black Orchid" on top followed by Frank Creed and Ed Geary in "Rainbow" and Whiting Thayer in "Adios".

Whiting Thayer in "Adios" made an outstanding showing in the invitation regattas, winning the Narrasketuck Y. C. Invitation, the Bayshore Y. C. Invitation, the Babylon Y. C. Fourth of July Weekend Series and the Bellport Y. C. Labor Day Weekend Series. Fred Davis in "Brat" took the Unqua Corinthian Y. C. Invitation. Incidentally, during the Bellport Series, the ability of the Lightning to "take it" was again demonstrated. The larger class boats ran into serious trouble as a brisk Northeaster producing strong winds which at times reached 45 M.P.H. prevailed throughout the 3 races.

The Fleet entered 3 boats, "Adios", "Rainbow" and "Black Orchid" in the District Eliminations held at Hewlett Point, but the best we could do in a fleet of 18 boats was sixth, eighth and twelfth respectively. However, a good time was had by all and we want to thank the Hewlett Point Y. C. for the wonderful hospitality extended to us during our stay.

At the close of the season, 4 members of the Fleet embarked on the sea of matrimony (no doubt the result of this very active season). Whiting Thayer married his loyal and able crew member, Joyce Davis and John Berdolt wed Margaret Sutherland. Both John and Margaret gave their all crewing on "Black Orchid". Our very best wishes to both couples.

5070	Pinky	L. R. Trezona & R. P. Hollister

The 1952 season on Conneaut Lake saw the largest fleet in our history sailing on the lake. Increased interest in the Lightning and inter-fleet competition was responsible for the addition of four new boats to our fleet, three of them having been purchased in the midwest during the winter, and the fourth one having been assembled from a kit by the Teare brothers. The latter boat, for some unknown reason, bears the number 77 on its sail.

Two series of races were conducted during the season, the first being the season championship series and the second the Labor Day series. Both of these were won by Bob Hollister sailing the new "Pinky" with L. R. Trezona and John Howell as crew. Paul Knapp, in his new "Kid-Nap" copped second place honors in the two series with Frank Ware in the cockpit. Third position went to J. H. McClimans.

Our former season champion, Duke Herter, finally succumbed to the call of the west and departed for California, where he is now affiliated with the Newport Balboa fleet.

In August "Kid-Nap" finally responded to the laborious hours of tuning by her skipper and walked away with top position in the keen races held with Pymatuning Fleet 36. Second and third place honors in this regatta went to Harry Leckemby and Herb Smith, respectively, representing the visiting Pymatuning sailors.

Bob Hollister and Paul Knapp represented the fleet at the Pymatuning 4th of July invitation regatta, both finishing in the middle of the fleet. "Kid-Nap" also journeyed to Buffalo for the Lake Erie District races while "Pinky" made the trek to Toronto for the Canadian regatta. We were not represented at the Internationals and President's Cup races.

We look forward to a further expanded fleet next year with more keen competition and an enlarged racing program, as well as greater participation in other regattas. And so, with the leaves falling, back to the sandpaper and paint brushes, and the ever-present problem of "how to get her goin' faster."

Champion of Fleet #180, R. P. Hollister, in 5070 and runner-up Paul Knapp in 5048.

Bob Anderson again came through as the winner of a close and long series to win the championship. The results were not decided until the last race held on Labor Day. Ted Parent finished a close second. Roger Bond took the third position. A newcomer to the lake sailing this year was Hollis D. Loring.

The Fleet was represented at the New England District Championships by Bob Anderson and it is hoped to have a better representation in 1953.

The 1952 season at the Wadawanuck Yacht Club was one of the most successful in the history of the Club. Lightning Fleet 183 continued its steady growth, reaching a total of fifteen boats. Every Saturday's senior race saw from ten to thirteen boats hitting the line in what turned out to be one of the closest series we have ever had. The club champion was not determined until the last race was over, when Sam Knox, sailing his "Hot Canary" with his wife, Katy, and nephew, Kit Bingham, as crew, nosed out Gordie Frierson in "Debonair" with Preston Brown and Worth Burgess, as crew, by a fraction of a percentage point. Bobette Johnstone in "Prodigal III" came in third. It was nip and tuck all season, the lead in the Senior Championship changing back and forth four times. In the July Series Frierson was first, followed by Knox and the August Series was won by Bobette Johnstone with Knox second again.

In the Junior Championship Series eight Crews competed in Lightnings. Gordie Frierson brought in "Debonair" first, followed by Katie McCagg in "Malihini." As a part of the Junior program a team race in Lightnings was held between Wadawanuck, Watch Hill and Indian Harbor. This was won by Wadawanuck.

Many of these younger skippers also compete in the regular

Sam Knox's "Hot Canary", Fleet 183 Champ.

Senior Championship Series and make things pretty tough for the old salts. In 1951 the Senior Series was won by Stone Johnstone, eighteen, and in 1952, besides Gordie Frierson, seventeen, who was the runner up, four other Juniors from fourteen to sixteen skipped Lightnings. In one race near the end of the summer, when the competition between Sam Knox's "Hot Canary" and Gordie Frierson's "Debonair" was very hot and heavy Sandy Sellers, twelve, in "Sabu," with Howie Knox and Russ Miller, both eleven years old, as crew, covered Sam's "Hot Canary" tack for tack all the way to the windward mark, cutting up his wind sufficiently so that he finished up a bad fourth, while Gordie went on to win handsomely.

The "Hot Canary" was trailed to Noroton and placed fourth in the District Championship. This was the farthest away from home that a Wadawanuck Lightning had ever competed. The following week eight boats were towed to New London for the Eastern Connecticut Yacht Racing Association Regatta. In a fleet of 26 boats the "Hot Canary" came in second behind Bill Healey's "Bottoms Up" from Niantic Bay, which had also won the District Championship the previous week. Two weeks later five Lightnings started to sail to Niantic to try to bring back the Governor's Trophy to Wadawanuck but a thirty-knot tail wind, together with a liberal dose of rain and fog, was too much for our sailors who were mighty glad to be able to put in at New London with their boats still afloat.

Racing in Lightnings, Gordie Frierson, with Preston Brown, Dick Woolworth and R. B. Jones as alternate, won the first round eliminations for the Sears Cup, emblematic of the National Junior Sailing Championship, but were put out of the running in the semi-finals held at Stonington.

Katy Knox, with Bobette Johnstone, Katy and Betty McCagg as crew, won the Adams Cup eliminations at Groton Long Point, captured the Colt Trophy from Narragansett Yacht Racing Association by default in the semi-finals and went on to tie for fourth with another Lightning skipper from Fleet #3 in the finals at Seal Harbor, sailing the latter race in Luders.

On Labor Day Sam Knox, with Gordie Frierson and Kit Bingham, trailed the "Hot Canary" to Spray Beach for the President's Cup races. All he gained from this was a lot of experience, but he is already looking forward to St. Petersburg and Buffalo in spite of his hard time with all those bouys on the Spray Beach course.

The 1952 sailing season of Fleet 184, with an entire summer's racing packed into the month of August, experienced a fourth season that was highly successful.

Preceded by an unofficial series of tune-up races during the latter half of July, the fleet began what was probably its most highly competitive year on August 2nd.

The first place Revere Silver Bowl, a small replica of the Lightning Classic's International Championship Trophy was won by Dave and Lee Workum in "Tangle Toes". Less than one point behind them were Allen and Gail Mead in number 4842, crashing Leland's select group of old-masters, the Stimsons, Pendergasts, and Workums.

To encourage keener competition in the fast growing group of new boat owners, a novice cup was donated, expressly for those who wound up out of the top four positions of last year's stand-

ings. This was copped by Dick and Jean Evans, with Ellen Mitchell finishing second in the B fleet.

A number of special events highlighted the season. This included a two-day series of exchange races with Snipe sailors from Glen Lake, scheduled and impromptu moonlight races. Also sailing around the tip of the Leelanau Peninsula.

At regattas both at home and away, Leland skippers did well. Frank Bracken trailored to Eagle Lake, took first place among the Lightnings in a regatta there. At the Northport Invitational regatta, it was the Workums and Brackens respectively, in the top two positions.

In addition to these, a number of handicap races were held with several National Ones, and a few Snipes and scows.

The fourth annual version of the renowned Leelanau forty-mile marathon was staged in traditional marathon weather. Heavy rain and a distinct lack of wind. In ten hours of sailing, only two boats finished. Allen Mead, a light-air man from way back, crossing ahead of Lee Workum.

Three new boats joined the fleet this year, and it is hoped that an equal number will be added next year.

'52 was an active summer at Perth Amboy. The club championship was won by Rich Barbieri in "Blue Bird", but Rich and Roy Knapp will have to take strenuous measures to stand off the invasion every time the Monmouth folks come up from Red Bank. The "Red Grant" open regatta was sailed in very light airs and the Red Bank people seemed to monopolize it.

The Fall series found June Methot and Neil Clifton slightly but consistently out-classing our local hot shots. Roy Knapp will start out next year with his new "Invader" from Lars Olsen. Perhaps this will produce a different story when Fleet 70 invades next summer.

Fleet Captain ..... Dr. Victor Pinard  
 Fleet Secretary ..... John E. Evans  
 Fleet Champion ..... John E. Evans  
 Runners-Up ..... Alain Pinard &  
    Dr. A. C. Stinson

Boat No.	Boat Name	Skipper
1026	.....	G. S. Kedey
1451	Mistral III	Dr. Victor Pinard, & Alain and Jacqueline Pinard
1520	.....	Leo D. McKenna
4551	Margal	Dr. A. C. Stinson
5066	Blue Belle	Mr. J. E. Evans

The 1952 season saw Fleet 188 engage in the most active season of racing to date. Three more boats were added to the fleet with the prospect of two or three more boats to come next season.

At the start of the sailing year Dr. Pinard and Col. Dave Ely owned the only two Lightnings at Britannia and things didn't look too bright for the future of Fleet 188. To make matters worse Dave Ely learned that for the future he was to be transferred and put his boat up for sale. So that Dave's boat would not leave our fleet, Victor Pinard bought #1451 from Col. Ely, and for a short time he was the owner of two Lightnings. Upon looking over the two boats Victor decided to keep the newly acquired boat and put his own boat up for sale. Within a few weeks we had added a new member to our fleet in the person of Leo McKenna, who bought Victor Pinard's boat #1520, the former Mistral II.

Around the first part of May Jack Evans got delivery of his new boat #5066, built by Morris Boat Works of Hamilton, Ont., and launched her in the new yacht basin at the Britannia Yacht Club. About a month later Dr. Alan Stinson brought his newly finished boat to the club and Fleet 188 was well on the way with a total of four active Lightnings.

On May 29th we held our first meeting to elect officers and plan a racing schedule. Victor Pinard who had held the position of secretary since the fleet charter was taken out, decided that he would like to turn the job over to someone else. Jack Evans was elected to the position and Victor Pinard was elected Captain of our Fleet.

As Jack Evans was going to take his boat away to his cottage for the months of July and August, this would leave only three active Lightnings to sail at the club for the summer months. It was decided that we would race with the cruising class boats at the Yacht Club every Tuesday Evening during the summer months. This class at Britannia includes everything from 17 foot Thistles to 40 foot schooners and ketches.

These boats race for the Hickson trophy and are scored on a handicap basis. Dr. Pinard's "Mistral III" finished in second place about 2 points behind the winner; about twelve races were held during the summer.

In all the cruising class races the Lightnings finished within the first three or four boats each race. This did much to arouse interest in the Lightning Class.

During the summer John Anderson of Hamilton, Ont., stopped in for a two week visit and as usual brought his Lightning "Teal" along with him. For the two weeks that John was with us, he and Mrs. Anderson showed just how fast a Lightning would go. After we raced with him a few times we began to realize just how important tuning a boat can be. Of course we realize that experience counts a great deal and hope that after a couple more years some of our skippers will be able to stay out in front.

Our Fleet held meetings every month through the summer and at the September meeting we decided to hold our championships on Britannia Bay on Saturday and Sunday, September 28th and 29th. Just prior to our Sept. meeting we had acquired another boat. Gerry Kedey had bought boat #1026 from Mr. E. D. Hayman and he expected to have it ready for our championships. By this time Jack Evans had brought "Blue-Belle" back from his cottage and it appeared that we would have five boats for our series.

We had decided to hold five races in all, two or three on Saturday and remainder on Sunday. As it happened we were forced to hold the series on Sunday when we found the mouth of the harbor blocked on Saturday morning and were unable to get our boats out into the bay.

The 29th of September was a beautiful day with a fifteen mile an hour southwest breeze. The first race was held at 10 a.m. and saw Dr. Stinson in #4551 finish first about three boat lengths ahead of Jack Evans in #5066. Leo McKenna in #1520, Alain Pinard in #1451 and Gerry Kedey in #1026 followed in that order.

"Blue-Belle" #5066 owned by Jack Evans, Fleet Champion of Fleet #188.

The second race was held at 11:30 a.m. and saw Jack Evans finish first with Alain Pinard, Al Stinson and Leo McKenna finishing in that order. Gerry Kedey struck a submerged log and was forced out for the remainder of the day.

The third race, held at 2:00 p.m. saw the boats finish in the same position as in the second race. This race was probably the most exciting race of the day. As the boats rounded the last mark and prepared for the spinnaker run, the wind increased in velocity. In the excitement of breaking out the spinnaker, Gay White, one of the crew members aboard Alain Pinard's boat was carried over the side. Pinard was forced to circle around and pick up his crew member and this delay could have cost him the race as he was leading at the time. On the same run the spinnaker hailand on Jack Evans boat parted and his crew had to move fast to haul the sail out of the lake.

The fourth race was held at 3:30 p.m. and provided a photo finish between Leo McKenna and Jack Evans. McKenna took the race by one half a second. Alain Pinard and Dr. Stinson finished in that order.

We had hoped to get in five races but by the time we had finished the fourth race it was getting late and the skippers and crews were getting hungry, so we decided to call it quits and total up our points and declare a winner. In the final tabulation of points for the series, Jack Evans was declared the winner and fleet champion with 15 points, Al Stinson and Alain Pinard were tied for runner-up spot with 10 points each, followed by Leo McKenna with 9 points and Gerry Kedey with 1 point.

As crew for the championship series Jack Evans used Marion Moerer and Ross Andrew. With Al Stinson was Alex Burritt and Bill Byce. Alain Pinard had Murray McLean and Gay White while Leo McKenna used Dave Ely and Bill Fair.

This championship series wound up the Lightning competition on Lake Deschenes for 1952, but several of the boats were left in the water and sailed for another month. The new harbor and yacht basin at the Britannia Yacht Club offers wonderful protection from wind and storm to any boat moored within it. It is for this reason that we think Britannia Bay would make an ideal spot for future district and international competition. Between 75 and 100 Lightnings could easily be moored safely in our new harbor. It is hoped that within a few years to hold open Lightning Invitational regattas at the B. Y. C. Our fleet is growing and we

hope that next year we will have two or three newcomers and be able to hold bigger and better races.

Fleet meetings will be held monthly throughout the winter and it is hoped that by next spring we will have a very interesting schedule mapped out. We feel that next year will be even more prosperous for Fleet 188 than was the past season. We are all looking forward to the 1953 sailing season.

With a total of fifty-nine races, Fleet #189 had a very busy season. Racing took place every Tuesday and Thursday evenings, Saturday afternoon, Sunday morning and Sunday afternoon.

The season was highlighted by two terrific squalls. One during a night race was ridden out by all but one of the fleet. In the second one on a Sunday morning we were not so fortunate. With winds of over seventy-five MPH every boat in the race capsized. At the same time every centerboard boat racing out of Marblehead that morning also turned over.

In the neighboring harbor in Salem, five people were drowned but there were no fatalities at Marblehead, although an estimated sixty-six boats were overturned by wind and waves.

The fleet championship of the year was won by Forrest Standley in "Jacilo" with Ronald Mulcahy's "Rambler" as runner-up. Charles Foss "Whitecap" and Joseph Farrell's "Salmar" managed to capture one trophy each.

There are now twenty-two lightnings in Marblehead, with sixteen listed in Fleet #189.

The average number of boats in each race was twelve. This continues the increase we have had each year.

Four of our boats journeyed to Spofford Lake for the New England District Championship and, although they didn't win, were very impressed with the good times they had.

With one boat being built and several others in the planning stage, we expect 1953 to be our biggest year yet.

## NAPOLI LIGHTNING FLEET (191)

Based on Bay of Naples, Naples, Italy

Fleet Secretary ..... Augusto Masciocchi

The first National Championship for Lightnings was effected at Naples during the 1948 season with boats belonging to the Fleet of: Naples-Castellammare and Navy.

The winner was the boat "Saetta"—Skipper, U. Di Marzo (Naples)—Second was "Borea"—Skipper A. Consentino (Naples)—Third was "Posillipo"—Skipper, E. Masciocchi—(Naples) with five other boats following up.

*The start of the "C.R.V. Italia Cup" conquered by Augusto Masciocchi.*

During the 1949 season, at Naples, the winner again the boat "Saetta" Skipper Di Marzo of Naples. "Borea," skippered by Consentino came in second followed by "Posillipo" skippered by Masciocchi.

During the 1950 season the winner at Naples was the boat "Turbine" (Navy) Skipper L. T. Merola of Naples pursued by "Borea" (Consentino), "Saetta" (Di Marzo), and "Posillipo" (Masciocchi).

During the 1951 season at Anzio, the winner was again the boat "Turbine," Skipper L. T. Merola, Second was "Estasi," Skipper M. Della Casa (Genoa); the third and fourth winners were "Temporale," skippered by M. Castellino of Naples and "Posillipo" skippered by Masciocchi.

During the 1952 season at Santa Margherita Ligure (Genoa) the winner was, for the third time, the boat "Turbine" (Merola), second was "Estasi" (Della Casa), the third and fourth winners were the boats "Fandango" (Cavallo) and "Saraco" (C. Ratti) both of the Naples Fleet.

4857	D. G.	Oliver Suddard

Our season got off to a good start, when Herman Henschen, the Dixie District Secretary, brought up the films of the 1951 Internationals.

Perhaps it was the film that inspired us, maybe it was the beer, and it could be that sixteen perfect weekends helped, but 1952 saw Fleet 192 well on its way to becoming "The Biggest Little Fleet on the Chesapeake" that we aim to make it.

Last year, though we numbered a fleet of six boats on paper, we had to struggle to muster the three necessary for a race on six Sundays in the summer. This year has been another story. We have sailed two series of eight races each and the interest and competitive spirit has increased to the point where the second series saw from eight to ten boats in every race! This out of a total strength of eleven boats.

Both of these series were hotly contested. The first, or Summer Series, went to Henry Maconachy with Howard Games, last year's champion, runner-up.

The second, the Fall Series, was won by Louis Holladay, who was one of the charter members of our fleet. Lou has been in Buffalo sailing at the Canoe Club, these last few years, and we are all glad to see him back on the Bay. Like the mountain gal who went to the city, he sure learned a lot while he was away! He won the Fall Series with a score of .982 which will give you an idea of what we mean. Henry Maconachy with .900 was runner-up.

The high aggregate score of the two series was totalled up to determine the Fleet Champion, and when all the smoke and decimal points had cleared away it came out with Henry Maconachy taking home the silverware, and Howard Games, runner-up.

2633	Flash	F. R. Downham
3838	Black Magic	E. L. Anderson
4827	Nahra	F. F. Riglesberger

The year, 1952, was a very successful and enjoyable one for fleet 194. With a total of nine boats in the fleet, we have eight racing regularly, almost double the number of two years ago. Two more boats are expected to join the fleet shortly.

There were four series of races, all held under ideal sailing conditions, with sunny skies, and light to moderate winds. The Spring Series was won by Ken Glazebrook, sailing "Gray Mystery," No. 2476, with Bill Pirie, "Adios," No. 1531, second. The Summer Series was won by Floyd Downham in "Flash," No. 2633, second Ed Anderson, in "Black Magic," No. 3838. Floyd also won the Labor Day Series, with Wm. Pirie second. Norval Diamond in "Viva," No. 1457, took the Fall Series, with Ed Anderson, in "Black Magic," second.

Our Fifth Invitational Regatta, held October 11 and 12, saw first place honors go to Ray Chenal, of San Diego Bay fleet #114, sailing "Zoom," No. 4938, second place taken by Ed Cotter, of Newport-Balboa fleet #107, in "Atalanta," No. 4566. Bill Pirie of Mission Bay finished third.

### WATCH HILL LIGHTNING FLEET (195)

Boat No.	Boat Name	Skipper

1878	Valkyrie	Kenneth A. Swanstrom
2056	Daisey May	Thomas M. Sweeney and A. B. Serwazi
2741	Tri-boy	Henry S. Clime
3521	Madjac	John E. Rattinger
4278	Corsai	R. E. Kinney
5046	.....	John M. Mathieson
5092	Creeper	Chauncy & Alan Stoneback

The 1952 season saw another increase in our fleet with the addition of Chauncy & Alan Stoneback of Bristol, Pa. in "Creeper" and John M. Mathieson of Westmont, N. J. in #5046, both brand new boats. Ron Kinney of Drexel Hill started the season with a new boat "Corsair" #4278. Our last year's champion, Otto Hansen, saw little action this season as he was busy finishing a house he built during the winter.

It promised to be an interesting season. This was borne out of the fact that at the beginning of our three-race Labor Day series the entire fleet was within sixth-tenths of a point for second place. The "Sonflower" with Holland and Murray skippering was way out in front for first place and ended the season in that position, with Ken Swanstrom in "Valkyrie" in second place and Alan and Clancey Stoneback finishing third place.

Our '52 race season consisted of 12 races—nine races had to be sailed to qualify, with the season divided into two halves of six races each. Prizes were awarded for first, second and third places in the first and second halves as well as the full season.

Separate first, second and third places prizes were awarded for the Fourth of July as well as the Labor Day three-race series.

All races were smoothly run under the able direction of Mrs. Einor (Middle) Messersmith with the fine cooperation of her splendid committee.

We were fortunate in having the Internationals as well as the President's Cup series sailed at our neighboring Spray Beach Yacht Club water. This afforded our entire membership to observe the enthusiasm of good fellowship shown at an International gathering of our Lightning Association. Our fleet had two boats entered in the President's Cup series. But unfortunately "Valkyrie" could not make it. That left our fleet represented by "Corsair."

On September 13, we had as our guests visiting Lightning skippers to the Fourth Annual Surf City Invitation Regatta. Thirty-two Lightnings participated. This was one regatta where everyone won a prize. The Surf City Yacht Club gave each visiting skipper to the Fourth Annual Surf City Invitation Regatta. On. The skippers placing first, second, and third received their mugs suitably inscribed.

1953—lots of rumors—more new members—more new boats—more new sails? We will have to wait until spring to answer these questions.

### COOPER RIVER LIGHTNING FLEET (197)

Central Atlantic District

Sailing on Cooper River, Collingswood, N. J.

Fleet Captain.....Joe Flood  
Fleet Secretary .....C. Scott Gilchrist  
Fleet Champion.....Joe Flood  
Runner-Up .....Joe LeDonne

Boat No.	Boat Name	Skipper

2605	King's Ransom	D. L. Pierce
4287	Elie-Joe	Joe Flood
5143	Flosandra	Joe LeDonne

With the running of the last race of the frost-bite series on October 19, 1952, the racing activities of fleet 197 came to an end, and what an end! When at noon there was an 18 mile wind blowing and it grew steadily stronger by the minute. When

Joe Flood, Fleet Champ of Cooper River Lightning Fleet #197.

the gun went off at 2:30 estimates ran as high as 30 miles per hour. Mitchie and Gilchrist ran neck and neck around the course with Mitchie the winner by a scant six inches. The Don Pierce "paperweights" had all they could do to keep 'er down in the puffs which were severe to say the least. LeDonne lost a batten, snapped his tiller extension and finally completely conked out with a broken tiller. Luckily he was close to shore and with a little effort managed to beach his boat. However, we all agreed it was nice to have some wind for a change.

It hardly seemed possible that we had been racing since Memorial Day. It seemed only yesterday that the boys were scrubbing, painting and polishing. Although only four boats completed most of the season the enthusiasm and competitive spirit shown could well have been that of a national regatta. For the Second straight year, Fleet Captain Joe Flood came off with two honors, winning the summer series with ten firsts and one second. Joe was also club champion. A great feat considering that our club houses the National Duster Champ as well as some of the best Comet and Moth Skippers in South Jersey. To stay in contention he had to keep winning.

Although the fleet was a small one, next year should be a scramble as a few skippers and crew had trouble with the light tricky air that predominated here during July and August. This and a few more boats should provide for another banner season.

### CHAUTAUQUA LIGHTNING FLEET (198)

2922	Kro Flite	Mr. Weaver
2923	Black Magic	John Byerly & Cliff Skinner
2924	.....	Bob Birmingham
3686	High C's	Herbert Huffman

Although the wind and weather conditions on Chautauqua Lake last summer tended towards either extreme, there were always Lightnings to be found in competition. Throughout the better part of our short racing season, which opened on the Fourth of July weekend and closed on Labor Day, there were nearly always nine or ten boats to be found in the races held each weekend.

The undisputed champions for the entire season were Cliff Skinner and John Byerly in "Black Magic." Their consistently excellent windward sailing and spinnaker teamwork netted them results. The next four places were tightly contested, but runner-up honors finally went to Sally Evans in "Jesse James." Mr. Arnold and his son, Dave, who were newcomers to the fleet this season, were a very close third, while Jim Braham in "Telos" and Miriam Sample in "Mimmie" were fourth and fifth respectively.

There were two interclub regattas held on the lake during the summer. The first was a one-day affair sponsored by the Chautauqua Lake Yacht Club at Lakewood, N. Y. The race started in a near-calm but by the time the second lap was finished, two fierce squalls had come and gone, and, out of the original nine starters, only four had finished. The victor was Bob Walkerman of the host fleet with second going to Skinner and Byerly in "Black Magic," and third to John Magnus in "Wind Wisp."

The second of these was staged at our end of the lake one week later when both clubs were the guests of Mr. Paul Sample. This day, however, the wind lacked any part of the velocity seen the weekend before, but again Bob Walkerman sailed home the winner. Byerly and Skinner were second and Jim Braham was third. After the race came an excellent buffet supper at which time the seasons awards were presented by Don Skinner, the Yacht Club Commodore.

For the racing season as a whole it can be said that it was one of progress. Some few of the fleet boats trailed to the District Regatta at Buffalo and to the Canadian National Championships at Toronto. Although their showings were not exactly top-notch, their spirit of participation and their desire to learn were keen. Many of the boats acquired spinnakers and became fairly proficient with them by the time Labor Day and the end of the season rolled around "In Toto" it was a summer for learning and experimenting. As a result, the racing in 1953 should show great improvement—provided the service does not beckon many of the younger enthusiasts.

*Macatawa Bay Lightning Fleet.*

The Macatawa Bay Yacht Club Fleet closed with a bang, what was probably the most successful year in its history. Numerically, the fleet remained about the same; with a few new owners, balanced by the loss of a few—and several boats changing hands.

When the cards were down, Caryl Curtis again retained her Saturday and Sunday, 1st places (an old habit of hers), but the second places were scattered about, and Caryl found far keener competition, than in previous years. Every race was a toss-up, and the results were not settled until the very last races.

Ideal sailing weather prevailed all summer, while Labor Day made up for everything. The worst storm in years arrived shortly before the starting gun was to go off and resulted in many boats not being able to race, and the few who could, were taken to the cleaners by a newcomer Bill Johnson, who came up from Saugatuck to see what he could do—and he did plenty!

Everyone agreed it had been the best sailing in the history of our fleet—and we hope to exceed it next year.

Growing from infancy in 1952 to a healthy youth in 1952, Tulsa Sailing Club has enjoyed "smooth sailing" during the past season. On Lake Yahola, winds are as variable and shifty as the unpredictable Oklahoma weather. Races were sailed every Sunday until late October. And despite an abnormally dry and warm summer, Yahola's basin was maintained at maximum level, thanks to seventy miles of flow line connecting it with beautiful Spavinaw Lake in the Ozark's foot hills.

In these latitudes, geographically connotative of landlubbers and prairie schooners, love of the sport of sailing is increasing. With sixteen members and ten Lightnings (two just acquired for spring launching) Fleet 205 looks forward to converting more landlubbers and launching more Lightnings in 1953. Plans for the future have created great interest, but more about that later.

We miss Al Fanning and his wife "Hank" who, together, built the sweetest Lightning in our fleet. Missed also is their enthusiasm and hard work which set to accomplish the tough projects. Al's duties called him to Rochester, New York. George Groom bought Al's boat and sold his championship Lightning "Tally Ho" to Harris Squire and Jack Barth, two new members.

The summer trophy race was a handicap affair. Tom Flanagan, Fleet leader at that time too, gave him one to five

minutes handicap. Flanagan won the trophy in three close and thrilling races.

The Roger Wheeler trophy, pictured in the 1952 year book, was raced for in late September. George Groom, who spent half the summer tuning his new boat, made his efforts pay off in winning this one in three fast races.

A race for the Ziegler trophy is scheduled the week end following Thanksgiving. Sorry we don't have time to report the winner of this one.

Weather permitting, we will still be bending and trimming sail until January. Then we plan to stow away the canvas, roll up our sleeves, and start our two big projects for next season, namely; the beginning of a new club house and increasing our dock space to accomodate more Lightnings. Also on the agendum for next year, but still in the planning stage, are plans to interest other Kansas-Oklahoma District fleets in a championship race on Grand Lake.

Members of Tulsa Sailing Club cordially extend to all Lightning skippers a standing invitation to sail with them in this vicinity. Come out and join us just for fun. The pleasure will be ours.

The Northeast Yacht Club, Lightning Fleet No. 207, has had a full and complete season of racing, with more official races than were ever held in past seasons. Interest in competitive racing ran high throughout the season, attested to by the fact that the fleet of five Lightnings was represented at all times by the minimum number required for an official race. The example set by our Lightning Fleet was noticed by the other fleets and they too made an effort to hit the line each Sunday morning—regardless of the night before.

Many ideas were put into use this season—ideas which had been swapped during the winter season at our periodic meetings. Some of these ideas paid off as can be verified by the new Fleet Champion, Lud Lekson, LA BICHE #681, as well as by the past Fleet Champion, Myron Wright, ODD SOCKS #2259.

The Lekson-Hoegler team, LA BICHE #681, earned the enviable record of ten firsts and one fourth for the season as well as a second at the annual Cleveland Yacht Club Regatta Lightning Series.

Praise for the "rough weather" skipper and crew of the season goes to Dr. Eugene Linsey and Dr. Paul Melnick of the TAG-A-LONG #560.

Predictions for the coming season. Skipper Phil Schloss of Black Cloud #291 or Skipper Francis Bruce of the Calicape #462, fleet champion or runner-up. Both had a late start for the past season but finished strong and threatening. Also a welcome to the Harrisons. They have made their yachting abilities well known in this area while racing in both the National One Design Class at the Northeast Yacht Club and the new Highlander Class at the Mentor Yacht Club.

The season closed shortly after Labor Day and fortunately so for the Fleet, since all Lightning Yachts hauled out the first week in October before a severe Northeaster caused damage to many boats still in mooring.

Lightning Fleet No. 207 takes this opportunity to thank the Yacht Clubs in the vicinity for their invitations to their annual regattas.

This fleet started 1952 with only one boat and added a second during the summer months and a third near the end of the year. Due to such a small fleet it was impossible to have regular weekly Lightning races. During the year this fleet played host to the visiting fleets in the district for two invitational regattas, both of which had approximately ten entries. The boats of the fleet also attended many of the invitational regattas of the other fleets in the district.

A new twist was used this season to give every skipper a "Shot" at the trophies. The fleet was divided into A and B divisions with a trophy to each division each week. All boats started together and there was one finish gun, but there were

two winners. King Socola in "Ploy" moved to A division at mid-season after winning three B races.

This season was full and enjoyable. To climax a wonderful week of racing along the Gulf Coast, the Bay-Waveland Club was host to eighteen Lightnings for the Louisiana-Alabama District Championships. Gene Wallet of Southern Yacht Club won the district championship handily, but Charlie Gambel finished the last race of the series with practically a full stake lead over Rob Roy of Shreveport who was second. John McDonald was pushing Gene hard at the finish of the second race.

In addition to the regular weekly races, our fleet sponsored a skipperette race which was won by Ethyl Thompson in the "Disturbance" and a crew race won by Tommy Schaeffer also in the "Disturbance." The fleet championship was won by Horace Thompson in the "Disturbance" and John McDonald was runner-up in the "Diamond Lil." In the three years this fleet has been in existence a different boat has won the championship each year. We are looking forward to the same type of competition next year.

Atwood Lake Yacht Club Lightning Fleet #212 enjoyed its busiest season, with fine sailing and two regattas at Atwood Lake.

Our racing season was opened on May 25th with eight boats on the starting line, and ended October 5th with an 83% average attendance at all 18 races. John Rundt, A. T. Davis, and Ed McCain were the season's winners.

On June 21-22, Atwood was host to the Ohio Interclub Yachting Association for their Sixth Annual Regatta. Among the 82 boats competing were 25 Lightnings. George Fisher of Buckeye, first, Ed McCain, second, John Rundt third, and others from the Fleet finishing well in front. This made it possible for Atwood to win the Governor Herbert Trophy, which is awarded to the club with the highest total points for all boats participating in the Regatta.

The Commodore Trophy Race was held on Labor Day with Aron Schontz first, John Rundt second, and Jim Harrington third.

The Second Annual Harvest Moon Regatta, open only to Lightnings, Thistles, and Highlanders, was held on September 26-27-28, with fine sailing weather prevailing. Again, 25 Lightnings met on the starting line and after three races, the results were as follows: Karl Rollius first, Bob McClaran second, and John Rundt third.

The last of the racing events was the Round Robin Race with rough weather through all three races. The results, Karl Rollius first, Mrs. L. K. Firth second, and Henry Partridge, a newcomer to our fleet, third.

Our travelers visited many regattas away from Atwood, such as Put in Bay, Pymatuning, Toronto, Buckeye, Spray Beach, Toledo, Port Clinton, and others.

All races and regattas were expertly conducted by our able Tom Newman, many thanks to him. Our dinner with presentation of trophies ended a very successful racing season.

The 1952 season was off to an early start with the "Jolly Roger" participating in the spring tune-up regatta on the Metedeconk River. Even 11th place in the first race might be considered good in view of a snapped outhaul causing the mainsail to come completely off the track. A good start plus snappy spinnaker work made the "Jolly Roger" victor in the second race, much to the delight of skipper Bob Morris and his crew—Joe DeMaris and Ed Wagner. During the third race the Cape May representative didn't do as well and reluctantly accepted a 14th place, thereby finishing "out of the money" in the regatta totals.

The following week saw the "Jolly Roger" racing in the New Jersey State Championships at Lavallette in an unsuccessful attempt for the title of State Champ.

Starting on Memorial Day the Cape May Harbor Fleet had its weekend tune-up races. The boats at this stage were pretty evenly matched with the lead being constantly in dispute. The

"Poco" led in broken masts, snapping her stick in the first lap of the first tune-up race. (She led in this category by an additional point when she snapped a second mast in the middle of August, putting her out of commission for the remainder of the season.) The "Posh" was the first of the fleet to capsize.

August 1, 2, and 3 found the "Jolly Roger" and the "Black Spot" at the Spray Beach Yacht Club for the Lightning Atlantic Coast District Championship Regatta. At the end of a three-race series Cape May distinguished itself by being the only club to take two trophies home. The "Black Spot" captured a fourth place while the "Jolly Roger" took a fifth place. Although the "Jolly" never did better than a fifth position in any one race, consistent sailing made the fifth place possible in the final analysis. The "Black Spot's" landing of a third place in the second race made his final position possible.

The rest of the fleet sailed on the waters of Sunset Lake as a "special division" of the Wildwood Regatta. Jim Hokansen skillfully maneuvered the "Invincible" to three firsts to capture the number one spot for the regatta.

At the South Jersey Lightning Championships sponsored by the Brigantine Yacht Club the entire fleet of entrants made a name for itself by sailing the wrong course. The subsequent disqualification of every yacht was a help to the 1951 champ "Jolly Roger," who had shone brilliantly in allowing herself to be pulled over by her spinnaker. The "Black Spot" proved herself to be the 1952 champ (thus keeping the title in the Harbor Sailing Club) by taking "Firsts" in each of the two races on Sunday, August 17. The humbled "Jolly Roger" placed second each time. Cape May was justly proud of its skippers that weekend because third and fourth places were also "copped" by our fleet—by the "Invincible" and "Tackless" respectively. What more could a club ask than the four top positions!

Meanwhile the regularly scheduled Saturday race on home waters proved Jim Davis in the "Flirt" the leader of the remainder of the fleet. Chuck Henry in the "Three Sheets" was a close contender but finished in second place. The Sunday race resulted in the "Blue Angel's" taking first position with Wally Stuard at the helm followed by Jack Dale skipping the "Posh."

In the Ocean City Regatta the fight between 5072 and 5075 was renewed on alien waters. 5075 bowed by  $\frac{1}{4}$  point to take second place as John Kenney sailed the "Black Spot" to victory in the regatta. The "Invincible" relinquished its #3 spot taken at Brigantine to finish fourth for the series.

Jim Davis in the "Flirt" renewed his challenge of the previous week in home waters by coming from behind and finishing in first place despite Jay Whitcraft's valiant effort to maintain first place. The "Flirt" nosed the "Posh" out by a mere fraction of a second. Steve Stevens in the "Banshee" fought hard to keep his leading position of the second race of the weekend by Wally Stuard repeated his victory of the previous Sunday.

The Labor Day Regatta on home waters was thrilling to sailors and spectators alike. The "Jolly Roger" and "Black Spot" were tied for the season as the cannon signalled the start of the first race. Thus, the regatta position would be the deciding factor in the season's totals. The "Black Spot" won the first race and the "Jolly Roger" the second to again bring the rivals to a tie. With excitement riding high on each puff of wind John Kenney triumphed in the third race to be crowned Fleet Champion for 1952.

A distinguishing feature of the 1952 season, the shifting of crews, added to the difficulty in predicting the outcome of the various races. Extra excitement was provided by the "Blue Angel's" habit of getting late starts and passing most of the boats in the fleet. Wayne Astley, our non-racing member of this season, demonstrated the value of the "Nimbus" as a family boat as he took his wife and two young children on outings.

At the annual party the outstanding skippers and crews were presented with their awards. The verbal resailing of races was in part counterbalanced by speculation on the outcome of the Lake Skipper's Race scheduled for Labor Day morning. The high interest undoubtedly generated high winds—the race was cancelled because of a hurricane.

Two skippers were able to participate in the post-season President's Cup Regatta. Bob Morris skippered the "Jolly Roger" to a well-earned fourth by winning the fifth race and being among the first six boats in all but one of the races. John Kenney was able to achieve an 18th position despite one D.N.S. in the series. This place was possible because of his winning the second race and being runner-up in the third.

Cape May can be rightfully proud of its Lightning Fleet and its achievements in 1952. Here's to a sailing spree in '53. BON VOYAGE!!!!

*Black Spot is skippered by Larry Kenney, former St. Joseph's College basketball player and member of the Harbor Sailing Club located at Cape May, N. J.*

Fleet 215 finished the season with 24 boats and probably the biggest single feature which will contribute to its future growth was the establishment of the Canadian District with the first District Championship being held by Fleet 215. It was won by Eddie Botterell with Lynn Watters and Silcotte Hamilton sailing "Mildred II." All three of them have been winning trophies on Lake St. Louis for years in various classes, International 14's in Eddie's case, and altogether they are just about as good a crew as can be found in the Royal St. Lawrence Yacht Club. It is fortunate for the others that they did not bear down

too heavily on fleet events but they had a very full summer as it was. Apart from going to the Internationals where they placed 15th, they won numerous club and Lake St. Louis events, notably the Mirage Cup and the Lightning Class at the Henderson Harbour Regatta of the Eastern Yachting Circuit.

In junior sailing, Bob Neapole and his crew of John Pratt and Henry Laffleur won their way through to the championship of the St. LUYRA and went on from there to Portland for one of the semi-finals in the Sears Cup competition. Bob also won the Zohra Trophy, emblematic of the Lightning Championship of the club and this qualified him also as Fleet Champion.

Bill Green donated the very handsome Erica Trophy for the club's Pot Luck Series which was raced for throughout the summer by all small classes and was eventually won in a sail-off by Norm MacTaggart in "Baen Sidhe." Mrs. Sandy MacDonald repeated her excellent win in the Wren Trophy for lady skipper against much larger and stiffer competition than she has had before and other winners of the club events were Barney Thorneley and Des Smith. The latter also won the Baie D\*Urfe Lightning Trophy and Don Hannd the ST. LUYRA Annual Regatta.

The season of 1952 was one of much change for Fleet #216. Some boats were sold, some left our waters and new boats came in.

Phil Patterson repeated as champion, this time with "Mom's Mink," a new boat. Phil's old boat, the much feared "Zig Zag" was bought and moved to Detroit by Chuck Ellery, a former Fleet #216 member.

Runner-up was "Ham Bone" owned by Ed Blaise and Al Daeschlein. "Ham Bone" also is a new boat and will be a serious contender if she lives up to the promise that she shows at times.

Dr. Woodburne left our fleet but will be sailing our waters in a larger boat.

Bill Guild is staying ashore for a couple of years in order to build a home. His "Merry Lynn" was sold to Ben Wojiechowski.

Due to the illness of his wife, Charles Curtis was unable to get his boat into the water.

Fleet #216 was represented in five outside regattas this year with the "Ham Bone" of Blaise and Daeschlein taking first at the Tawas Bay 4th of July Regatta and Phil Patterson taking third in the Summer Open Invitational Regatta at Higgins Lake and the annual White Cap Regatta at Lake Fenton.

The racing activity of major club importance was the intra-fleet series on the Fourth of July and the South Jersey Open Lightning Championship, an annual event.

The July race was won by K. B. Walton in the "Moonlight." Jack Thomas was second in "Bounty" and "Si" White brought "Bottoms Up" in third. The "Moonlight" eventually went on to compile the highest seasonal point total in fleet races and hence became 1952 champion.

The South Jersey Lightning Championship attracted a field of 17 entrants which were approximately evenly divided among the three South Jersey Fleets, (213, 99, 217).

The first of the three race series was sailed Saturday afternoon, August 17th. The fleet hit the line beating into a stiff 25 knot breeze. On the first spinnaker run two boats from Cape May (213) gambled with the breeze and raised their spinnakers. Unexpected gusts whistled across the course, leaving only two shining enamelled bottoms showing above the white caps where previously had sped the two above mentioned craft. While committee boats were busy with rescue work, the "Black Flash," an Ocean City entrant, not having received adequate instructions, proceeded to lead the entire fleet around the wrong buoy, with the exception of the "tortoise" of the fleet. Not fooled by Pied Piper tricks, the lone contestant lumbered around the correct buoy, but he too met disqualification when he missed the next mark. It was voted by contestants that instead of resailing the initial race, due to the high winds, the series would consist of a two race series on Sunday.

In the two following races the contingent from Cape May, led by Messers. Kenny and Morris did a fine job in showing the rest of the fleet how to sail with consistency—finishing first and second, respectively in both races.

Trophies were awarded after the final race at the Brigantine Yacht Club and the perpetual bowl spends the winter in Cape May for the second annual South Jersey Lightning Championship.

Sailing activity in Corpus Bay begins every year with the Buccaneer Regatta which is held in conjunction with the Buccaneer Days Celebration. In the Lightning Class "Andale" skippered by A. B. Patterson was first followed by Dr. W. M. Allen in "Sybrite". The main event of the year, however, is the Fall Regatta which is the climax of local summer racing. This year seven Lightnings

Fleet #218 Champion. A. B. Petterson in "Andale."

participated, which is the largest number of this class we have ever had in one race in Corpus Christi. Five boats were from the local fleet. A. E. Pecore trailed a boat from Houston and O. L. Pitts brought his beautiful new varnished mahogany Lightning from Fort Worth.

The first race was won by Pecore who nosed out Pitts by less than a boat length. Patterson followed 100 feet behind. "Andale" got the start in the second race but took a bad tack and was passed by Pecore, Pitts and Dr. Allen at the windward mark. Pecore took the lead but did not have a spinnaker and was passed by Pitts during the second leg. This race was won by the Fort Worth boat with Pecore several boat lengths behind, again followed by Patterson 100 feet in the rear. "Sybrite" was fourth in this event.

The third race was started down wind in very light wind. Pecore, still without a spinnaker, took the lead but was caught by Pitts near the end of the first leg. The first two boats rounded close together, caught freshening winds and sailed away from the remainder of the fleet. Pitts again triumphed, followed by A. E. Pecore in second place, Patterson in third and W. M. Allen in fourth position.

Richard T. Short bought number 2051 in Houston and has added it to our local fleet. His craft is appropriately named "Short-ning."

Several of our Lightnings have been racing against two new "Learcat" catamarans in handicap races. The "Cats" move nicely off the wind, but the Lightnings get so far ahead on the windward leg that we have won all the races up to the present time.

### LIGHTNING FLEET ZURICHSEE (219)

#### Sailing on Lake Zurich, Zurich, Switzerland

Fleet Captain	H. Keller
Fleet Secretary	O. Weber

Boat No.	Boat Name	Skipper
3811	Schufti	O. Weber
4285	Rolf	H. Keller
4542	Kauz	E. Ganz
5087	Tamara	W. Brandli
5183	Canard	H. Buchi

The Lightning is spreading on the Lake of Zurich, which is a lovely little lake with a length of 22 miles and a breadth of two miles. There are many more Lightnings on it, but their owners do not want to join the fleet because of the high dues to the Association. One must not forget that the currency of our money is low and the standard of living is far deeper as in the USA. This reason will limit the growth of our fleet, that means, that we will always have many Lightnings not affiliated with the Association. Including the boats not affiliated, there are now twelve Lightnings on our lake.

The Lightnings participated in nearly all races organized by the local yacht clubs. There were mostly five boats at the start, but in several races the number of boats increased to eight. With the exception of the Star Class and a little Centerboard Class, the Lightning was, in many races, one of the greatest classes.

When we compare the results of the races, we see that boat No. 5087 "Tamara", (which is a brand new boat this year, built by the owner in his backyard) was the best, with a prize in nearly all races. The other boats were close together so it is hard to say which was the better. The struggle was much greater than the year before, and for the next year there will be close races among the top boats. The owners are polishing the bottoms of their boats for the coming events.

Due to the loss of two boats in our Fleet, one through transfer of residence and one through sale, we were unable to have any racing activity. We hope to add two boats next season and to once more establish a racing program.

### **GARY BOAT CLUB LIGHTNING FLEET (222)** Sailing on Lake Michigan, Burns Ditch, Indiana

Fleet Captain ..... Don Hamilton  
Fleet Secretary ..... J. S. McKinsey  
Fleet Champion ..... J. S. McKinsey in "Ruthie II"  
Runner-Up ..... Don Hamilton in "Slo-Poke"

Boat No.	Boat Name	Skipper

3138	.....	Joe Finnerty
3895	Kochab	Robert Platt
	Follow Me	Gilbert (Dobby) Caty

The final heat of a series of ten races determined the winner of this year's coveted Carr-Primich Lightning Trophy. On the final leg of this last race Don Hamilton's "Slow Poke" passed the "Ruthie II". Because of a 2 point margin acquired in the first nine races, the "Ruthie II" captured the cup by a one point advantage which would have been wiped out had Mr. Carr's entry crossed the finish line just seven seconds sooner.

As was anticipated last year the activity of Fleet #222 is on the upturn. More and more, the spectators crowd for the Sunday morning races is mounting and we have three or more prospects for Lightnings for the 1953 season.

The "Ruthie II" skippered by Joe McKinsey participated in the Fourth Annual Red Flannel Regatta at Chicago Corinthian Yacht Club at Montrose Harbor. Dr. Reimich of "Thumper II" and Jack Beck crewed in this post season series.

Aaron Seitz's "Ah-If" has been purchased by Chuck Funkey of Ogden Dunes, Indiana. Aaron Seitz promises to have another Lightning by the time the '53 season opens.

The Lightning trophy will be presented along with other class trophies at the Installation Dinner to be held at the Gary Hotel in January.

### **SORRENTO C.R.V. ITALIA LIGHTNING FLEET (223)** Based on Banchina Santa Lucia, Naples, Italy

Fleet Captain ..... Enzo Di Lorenzo  
Fleet Secretary ..... Mario Cavallo  
Fleet Champion .....  
Runner-Up .....

Boat No.	Boat Name	Skipper
4401	Uragano	Enzo Di Lorenzo
4522	Squirrel	Giancarlo Gugenheim
4965	Saraco	Cesare Ratti
4966	Fandango	Mario Cavallo
5184	Lampo	Ugo Di Marzo

The fleet is growing up, two additional boats joined the fleet this year, Lampo and Fandango.

Some difficulties have limited race activity for 1952, although boats of the fleet were present at races held in Naples—Sorrento—Castellammare di Stabia—Anzio—Santa Margherita Ligure and S. Remo, where Saraco, with Cesare Ratti and Fandango with Franco Caballo, finished second and fifth respectively.

In Naples, Saraco, with Cesare Ratti, took another victory in the regatta held from C.R.V. Italia.

Fandango finished second in the regatta held from Yacht Club Nautico, and took "Temporale Cup" finishing first with Franco Cavallo.

At Anzio, Saraco, with Cesare Ratti, was runner-up in Sereno Cup, with a first, a second, and a third in the 3 races.

*Sorrento Fleet #223 in Santa Margherita Ligure.*

The biggest event of the season was the Italian Championship at Santa Margherita Ligure, where Fandango with Franco Cavallo, finished third, with 2 thirds and a second in the 3 races.

This regatta was held as propaganda for Lightning development too, and was very well organized, with the help of the Italian Navy, and of the Italian Sailing Union, from one of the members of the Tigullio Yacht Club, Luigi Scognamiglio, Lightning owner, and father of Miss Rita, who was runner-up in the Championship with her boat 4118 Estasi.

The Championship was won from Turbine, of Naples Service Fleet, with Leftenant Mario Merola.

The meeting in Santa Margherita finished with a regatta for young ladies and young men S. Fruttuoso Cup which was won from Fandango, Skipper Marissa Scognamiglio, Franco Cavallo, Marizio Piscicilli.

Uragano finished fifth in Mergellina races in Naples, with Pitu Granata, back from England for a few holidays.

Lampo was just blessed yesterday, and changed the old name Canado, with Lampo. During the season her good skipper Ugo Di Marzo, was present in all races, but only for the honor of the flag, because he could have no chance; the boat was defective of new sails.

Squirrel has sailed on Long Distances, between Sorrento, Capri, Positano, Amalfi, with Gugenheim.

Enzo Di Lorenzo, as member of the technic commission of the Italian Sailing Union, was one of the biggest supporters of Lightning races and has been a member of the race committee. At Santa Margherita, he had the job of President for the Italian Championship.

5149	Satan	Thomas S. Hershey
5153	Marbilyn	Walter A. Stanley

This was our first year as an organized, chartered Lightning Fleet and by most standards quite a successful one.

A ten-race series was run during the summer and early fall for determination of Fleet Champion and Runner-Up. These titles were taken by Dr. Thomas S. Hershey and Tony D'Eloia, respec-

Winners of Fleet #224. Elmer C. Rowley, fleet secretary, Tarry D. Elaia, runner-up; Dr. Thomas Hersey, Fleet champion; Sarah Barber, winning crew member; William E. Bell, third place winner.

tively—just the opposite of the standings of the previous year.

A ten-race series was also run with neighboring Black Hawk Lightning Fleet (172) on a no-championship basis. Even though points were not kept during the running of this interfleet series, Thomas V. Destasio obviously came in far out in front.

As usual, the Shattemuc Yacht Club Invitational Regatta was one of the climactic events of the season. Held on August 17, the occasion was over-blessed with wind which provided thrills for all participants and spectators alike. Pim Epler in "Spray" of the Nyack Fleet topped all other boats in the regatta, which saw one boat lose its mast and another capsize.

The season closed fittingly with the annual Regatta Dinner of the Shattemuc Yacht Club on November 20, at which time the prizes were awarded the winners of the various sailing classes. This year a permanent trophy was presented to the Club by Dr. and Mrs. Thomas S. Hershey in recognition of the cooperation of the Club with the Fleet and also in providing additional incentive toward more extensive sailing. Smaller individual trophies were also given to the Fleet Champion and Runner-up.

The Shattemuc Fleet is proud of its designation as host fleet in 1953 to the Mid-Hudson Squadron Regatta. Assurance is hereby made to all that no effort will be spared in preparing for this event and making it successful, both from the standpoint of entertainment and sailing.

At the opening of its first season after receiving its charter, Fleet 225 was delighted to find it had practically doubled in size over the winter. The Sunday Series for the George Trophy got under way over the weekend of July 4th, but the Saturday Series was delayed by weddings, preparations for the Eastern Yachting Circuit and shortage of crews. Seems like we had persuaded too many valuable crews into boats of their own. The situation was saved when the Snipe sailors gave up their Saturday Series to join forces with us for a Skipper's Series in Lightnings. May Robinson eventually won the George Trophy; and the Skipper's Series, to our embarrassment, was won by one of our kind Snipe sailors, Leonard Montague.

Our principal interfleet racing came during the EYC, for which our club was host, when delegations from Fleets 9 and 171, also Ed Botterel from Royal St. Lawrence arrived. Pretty well cleaned us up.

Frank Bickford did the most traveling, taking his "Northlight" to Canandaigua for the Commodore's Cup Races during the District Championships, and then to Toronto for the LYRA. May Robinson also went to Toronto and enjoyed watching "that gang from Buffalo" romp around in the distance. After Bob Graf had duly collected the Skaneateles Trophy, the Juniors took over the eliminations for the Sears Cup. Our Club was ably represented by Leonard Montague in "Scat Back".

We are looking forward to even sharper competition next year, hoping to add to our fleet and make a real place for ourselves in the Central New York District.

Miami's Fleet had a very successful racing season with three out of town regattas, the South Eastern Districts and four local regattas.

St. Petersburg Annual Mid Winters was represented by ten boats with our Howard Foht coming home with first place honors. Though racing is the primary reason for making the trip to St. Pete we all agree the social aspect makes the trip well worth while. St. Pete's committee is well known for their hospitality and we are all looking forward to going back next winter.

Sarasota Sailing Squadron held their fall regatta over Labor Day. Dooley Glander in "Caroline V" placed second.

Marathon Yacht Club held its second annual regatta with seven boats participating. Howard Foht in "Zepher" held a clean sweep with Dooley Glander and Al Coffee placing second and third. A dance was held on Saturday night and a "Key's" style fish fry between races on Sunday.

The Southeastern Districts were held in Miami over Memorial Day with three Savannah boats participating. Howard Foht was first with Charles Kohoe in "Sue" and Bob Crane in "Jimlin" in second and third place. An open house was held at the Coconut Grove Sailing Club on Friday night, a box luncheon between races on Sat. and a square dance held Sat. night at the Biscayne Bay Yacht Club. Sunday, after completion of the races a luncheon was held at Jackie Holler's Dinner Key Terrace, which practically looks over the racing course where prizes were awarded.

We have four local regattas—The Sunshine State Championships was won by Howard Foht, with Herbert Virgin and Charles Kohoe close behind. The Sunburn put on by the Biscayne Bay Yacht Club was taken by Magnus Pederson of Nyack, N. J. stealing the honors from the local fleet. The Miami Yacht Club Regatta was won by Jack Price, a star sailor who put our sailors to shame. The Coconut Grove Sailing Club's South Florida Championships was taken by Howard Foht.

We have monthly dinner parties which seem to be enjoyed by a great many. Recently we showed colored movies of the 1951 Internationals which were very good and should add pleasure to any other fleet which may like to do the same. As this is being written we assume all the Northern boats do the same and have put away for the winter while our fleet is busy getting their's in shape for a busy winter of delightful sailing. Come down and join us.

#### **BOMOSEEN YACHT CLUB LIGHTNING FLEET (227)**

**New England District**

**Sailing on Lake Bomoseen, Vermont**

Fleet Captain ..... Samuel Stowell  
Fleet Secretary ..... Evelyn Staggs  
Fleet Champion ..... Samuel Stowell in "Betsy"  
Runner-Up ..... Christopher Webber

Boat No.	Boat Name	Skipper
506	Flirt	Dr. A. H. Bellerose
582	Alibi	Sherman Allen
2820	Lazy II	Arlington Pond, Jr.
3426	.....	Christopher Webber
4874	Betsy	Samuel Stowell
2821	.....	Edward Ellis

The new Bomoseen Yacht Club had a most successful first year, both in its regular week-end races at home and participating in regattas away. Sam Stowell, our Fleet Captain, entered his boat in the New England District Championship held at Spofford Lake in New Hampshire, where he placed fourth. He also took the "Betsy" to the State of Maine Regatta, and to the Race Week at Marblehead. He took first place in one of the latter races, indicating that there is competition to be found at Bomoseen. One other new member Sherm Allen, sailed his boat in the President's Cup race at Spray Beach.

In September, the first State of Vermont Lightning Regatta was held at Bomoseen, and was very well attended, boats being trailored from Marblehead, Nyack, and Lake Dunmore in Vermont. The two-day regatta was won by Magnus Pederson of Nyack, followed by Sam Stowell of the local fleet, and Charlie Foss of Marblehead, third. Mr. and Mrs. Arlington Pond were hosts to the entire fleet after the regatta and Mrs. Stowell presented the award for the Championship.

Our Fleet Captain, Sam Stowell, has put a great deal of time and effort into the formation of this new club, and the interest and enthusiasm which have developed are proof of his success. One member, Sherm Allen, has transferred from Fleet 26, Little

Egg Harbor Fleet. The "Donana", #4211, from Fleet 145, which won the New England Championship this year, has been purchased by Robert Keyes of Rutland and will be sailing on Bomoseen next summer. Ed Ellis of Castleton has also joined us. Other new owners will be David Stagg in 4874, formerly the "Betsy" and Sam Stowell's new boat which is now in the building process. With the addition of Joe L'heureaux, who has, moved to Vermont, sailing formerly with Fleet 189 at Marblehead, and two other potential Lightning owners, Bomoseen hopes to have a fleet of at least ten Lightnings next summer.

The first week-end in December, Sam and Tula Stowell and Evelyn and Dave Stagg attended the New England District Meeting held in Lynnfield, Massachusetts, to invite the New England District Championship to come to Bomoseen next summer. This is to be held the 25 and 26 of July, and we are looking for a large attendance. Bomoseen is a large, deep lake, usually with very good winds.

Plans have been discussed recently for a Club house and mooring space, and while all of this is still an idea, we feel that with our growing fleet of Lightnings, Bomoseen is really set for a terrific season of sailing.

Fleet #228 Champ in "Jade" on Delaware River.

After getting off to a very slow start due to repairs to the Riverton Yacht Club wharf, we had a fine series for the Governor's Cup in light to moderate airs. Jade, skippered by Tom Coe taking top honors with two firsts and a second to lead Joel Judovich with two seconds and a first.

The fall series of five races started September 13th and continued to October 18th. "Jade" was on top with five firsts. Second in the series went to Bill Glover sailing his first year as a Lightning skipper. Plans are in the making for a spring series on May 1st.

## CHINOOK LIGHTNING FLEET (229)

### Pacific Northwest District

#### Eugene, Oregon

Fleet Captain ..... J. Hobart Wilson

Fleet Secretary .....

Fleet Champion .....

Runner-Up .....

Boat No.	Boat Name	Skipper
49	.....	J. Hobart Wilson
4815	Jet	Dr. John E. Tysell
5019	Tombar II	Dr. Donald B. Slocum
5041	Jay Whiz II	Dr. L. T. Campbell
5121	T-Ketl	Robert Brooks
5165	Jani-K	Charles Edwards

The 1952 season at Fern Ridge Lake topped all previous seasons in both number of races and boats participating. There were seven season point races for the Lightning class, plus the LADYS SKIPPER RACE, and the LIGHTNING TRADEWINS TROPHY RACE.

The results were as follows:

#### SEASON TROPHY

First Place—Dr. John Tysell in Jet 4815

Second Place—Dr. Lou Campbell in Jay Whiz II 5041

This was a hard fought series and very close. The competition is becoming very keen. There were eleven Lightnings participating in some of these races.

#### LADYS SKIPPER TROPHY RACE

First Place—Mrs. Jay Cambell in Jay Whiz II 5041

Second Place—Mrs. John Tysell in Jet 4815

The rules for this race call for the wife of the owner to skipper this race and it is against the rules for any husband to crew for his wife. This was one of the high spots in the season, creating a great deal of interest.

#### LIGHTNING TRADEWINS TROPHY RACE

First Place—Sally-Ho #49—Skippered by Dr. Lou Campbell

Owned by J. Hobart Wilson

Second Place—Jani-K #5165—Skippered by Dr. John Tysell

Owned by Charles Edwards

The rules for this race is exchanged of boats in sequence with how they place in the Season Trophy race, as First Place takes the boat placing last, etc. This really shows up the good skippers and proves that the boats are just about on an even par. This race was fun as I came in Third in Jay Whiz II and missed second place by only seconds. There were eight Lightnings in this race.

The Eugene Yacht Club Regatta was held May 30 to June 1 with 43 boats racing. There were a number of crafts in from the Portland, Oregon Yacht Club, the Coos Bay Yacht Club and the Eureka, Calif. Yacht Club. Everyone enjoys sailing on Fern Ridge Lake as it is open with good winds.

The plans for the 1953 Season are well under way and there will be several more new Lightnings in the club for next season which will make it even more interesting. We have several Skippers that have been racing in the P I Y A with other boats that are now racing Lightnings. We are developing fast and can assure good competition to all Skippers.

Harry Walker at the tiller of "Sea Lamb," Fleet Champion of Fleet #230.

This was our first year as an organized fleet and it was outstanding in three ways. First, we had enthusiasm of the type that brought an average of better than 80% of the Fleet to the starting line for each race. Secondly, we had a Race Committee, headed by Franklin Smith, which put in a great deal of time, and effort, and thirdly, we had a season which saw three boats swapping places for the lead during the entire season, and finally ending up with Harry Walker sailing "Sea Lamb" to the Championship over Howard Payne in "Schuss." Steve Harper's "Red Head" was always in contention, and ended up the season in third place.

Norwalk Lightning skippers participated in the Pequot Yacht Club Annual Lightning Regatta, and in the Noroton Fall Regatta. Dave Gregg, Jack First and Howard Payne took their boats to Larchmont Race Week, and we sent "Schuss" and "Red Head" to the District Championships at Noroton. There our inexperience in the "big time" showed up, but, like the Giants, our cry is "wait 'til next year."

Our season weatherwise featured light airs during the first half and real blows during the latter part of the season. Ed Raymond, the distinguished sailmaker, sailing with his son Skip and daughter Bobbie, in "Triton", found the breeze puffy one afternoon and the entire Raymond Clan were suddenly swimming. This spill tied them for water honors with the Fleet Secretary and his crew who had gone over in the pre-season tune-up race.

We sailed nine races at home during the season, and were blown out of three others. Sea Lamb, Schuss, and Red Head finished consistently near or at the top, while Howard Foster, Jr., Jack Firth, Jim Farrell, Skip Raymond, and Dave Gregg saw their boats show fine individual races at times. Bruce Sweet, our Fleet Captain had only a fair season, though his charming wife, Marian, skippered the "Whim". Marian claims it was because all her work was put on the topsides during the Spring, and none on the Bottom!

Harry "Captain Bligh" Walker, with his crew of "Fletcher C." Penberthy and R. "Popeye" Hollaman, had an uphill fight during the season and only overcame Howard Payne and his streak of blue lightning "Schuss", during the last month, and then by only one point. Payne, who took second in the 1952 Interscholastic Championships, has great plans for next year, AS HAVE WE ALL!

As a matter of fact, we have big plans for our Fleet which includes more races, a bigger fleet, and representation in District and other sanctioned events. We look forward with anticipation to the 1953 season.

# Registry of Lightning Owners

(Corrected to February 1, 1951)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated.

The Executive Secretary, Bank of South Haven Bldg., South Haven, Michigan should be advised promptly of all changes in owners' names, addresses, sailing locations, fleet affiliations and boat names. Members are urged to obtain the names and addresses of new Lightning sailors in their neighborhoods and report them to the Executive Secretary. In this way, missing owners may be located.

Where a boat is listed as owned by a "builder" or "dealer," it means that the Association office has the name of the builder or dealer who sold the boat, but the name of the purchaser has not been ascertained. When a builder's or dealer's name is used, it means that the boat is actually owned and probably is in use by that individual or concern.

We have tried hard to make this listing as accurate as possible but errors do seem to occur. If you find we have listed your boat, name or Fleet incorrectly please let us know so we may correct our records.

Where boat number is followed by an asterisk (\*), it means that there is an approved measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.

## THE LOST COLUMN

Here following are our missing owners. We want to find them, not only because we need their support, but also, because we believe they should know about the Association and receive the benefits of membership. We urge all members to keep their weather eye open and report any clues to the Secretary. Their reward will be the deep appreciation of their officers and the knowledge that they have helped to strengthen their Association.

Where a "dealer" or "builder" is listed it means that the boat has been sold but the new owner is unknown, because the dealer or builder has not reported the name of the purchaser. The great majority of builders and dealers are very helpful.

## WE FINALLY MADE IT

*Ye editor and staff burning the midnight beer*

To each of our Advertisers, who have so graciously cooperated in making this year-book a success we can only say—"Thank You"—

We wish to assure you that your Ad will create many new customers among our association.

To the Fleets, Clubs and Districts who have also cooperated—you know how much this is appreciated.

To each and every one, we say,

Thank you,

"The Staff"
