## **Dedication**

This book is dedicated to our foreign fleets, who, in spite of distance and language handicap, have gone forth more or less alone and built their boats, their fleets and their districts that they might enjoy with us the joys of sailing our fine Lightning Class sailboat. We would like to thank in particular those certain few who have worked so hard in promoting the class. It has been through their efforts that it is now possible to hold such events as a Pan American Championship and a European National Championship Regatta. Thanks to those hard working people, we are now truly International in scope.

The Editor

#### **FOREWORD**

This is our 17th year and as with any 17 year old, we feel that the world is a wonderful place. We have had and still are having growing pains, but, when you consider that in this short space of time we have grown into one of the largest one-design classes in the world today, this is not surprising. Wherever boats and boating are known and loved, the Lightning has gained a firm foothold.

None of this has happened accidentally but has come about through the efforts of a few dedicated men who have fought for and promoted this great class. It remains only for those of us who follow to continue in the footsteps of those men and our class will continue to grow and prosper.

# Officers of Lightning Class Association

CHIEF MEASURER Carleton J. Allan 118 Ash Street, Port Clinton, Ohio

Carleton, more commonly known as "Pinky", has been sailing for about twenty-five years. He has been sailing the Lightning for the last six years and before that sixes, yawls, cutters and assorted types in both shortcourse and long distance races. He was past captain of Fleet #136, past commodore of Port Clinton Y. C., and at the present he is commodore of the Ohio-Indiana District. He is now sailing his third Lightning the "Bad News", before that "Mama's Mink" and "Faker". He owns and operates two Ford agencies, one in Port Clinton and the other in Huron, Ohio.

ASST. MEASURER AND VICE-PRES. H. J. Cawthra 18635 Ashbury Park, Detroit 35, Mich.

Hank started racing in 1927. He raced Scows, 17 sq. meter, 22 sq. meter, 210's and other classes before acquiring Lightning #4924, "Broom", in 1951. In 1955 he obtained his present boat #6066, "XL". He has competed in five Internationals, as well as many other major regattas. Past Commodore of Crescent Sail Yacht Club, he can be found during the off-sailing season at the Chevrolet Motor Division of General Motors Corp.

HONORARY COMMODORE Ross G. Allen Isle of Hope, Savannah, Georgia

Ross has been active in Lightnings since 1947. He helped organize Fleet No. 127 and was its first Captain. In 1952 he was Commodore of the Southeastern District and has served successfully as Vice President, Assistant Chief Measurer and President of the LCA. His "Wild Goose," No. 4671 is a familiar sight in the waters of the Southeastern District. He served with distinction in the Navy during World War II and is a Commander in the Naval Reserve.

# PRESIDENT—Robert C. Mann, 2656 Westmont Blvd., Columbus, Ohio

Bob has been known as an "Old Salt" around Buckeye Lake for a good many vears. He has owned Lightnings No. 1287, 4283 and finally No. 5999. He served as Fleet Secretary and Captain of the Buckeye Lake Fleet, Commodore of the B.L.Y.C. and edited the 1953 Year Book. Between running to regattas over the entire Ohio-Indiana District, the St. Pete Winter Championship etc., Bob can be found at the desk of the President of Mann Grinding and Machine Works.

# SECRETARY—T. J. Ross, Jr. Forest Hill Road, Darien, Conn.

Tom has been racing small boats for many years. Starting with Cape Cod Knockabouts on Long Island's Great South Bay as a Junior, he then spent seven years racing on the 35 foot Bay Interclubs. Moving to Connecticut in 1950, he became very active in Lightning activities. He has been Fleet Captain of Noroton's Fleet 134, and Secretary of the Connecticut District.

Tom sold his first Lightning 5358
"Four Belles" and currently is co-owner of "Rabbit"—4872. He is Rear Commodore of the Noroton Yacht Club. On days he isn't sailing, Tom is a Vice President of Lennen & Newell advertising agency in New York helping to sell air transportation for American Airlines.

#### TREASURER—Allen Oberson 1205 N. Main St., Royal Oak, Michigan

Al has owned three Gizmos, namely No. 1978, No. 4947, and now No. 5777; and has trailed these boats to practically every well-known Regatta in the United States, but so far, has not been at the Presentation of Hardware. He plays the guitar and banjo in the famed Michigan District Barefoot Philharmonic. He is past Commodore of the Pontiac Yacht Club, and also served as Advertising Manager for the 1955 L.C.A. Yearbook. His avocation is President of the Oberson Insulation Company, Inc. in Royal Oak, Michigan.

#### CHAPLAIN—Rev. Ensworth Reisner, 1010 W. Wisconsin Ave., Milwaukee 3, Wisconsin

Ensworth Reisner was appointed official Chaplain of the LCA at the Internationals in New Orleans in 1955. Mr. Reisner who has just completed ten years of successful ministry at the First Methodist Church in Milwaukee has spent a great deal of time in community activities, newspaper work, interractal programs, as well as pastoral and psychiatric counselling. His family consists of his wife Charlotte, son Thayer and daughters, Melinda, Harriet and Mary. His hobbies include painting, antique collecting and refinishing and sailing "Holy Smoke II" #6050.

#### VICE-PRESIDENT—Mario Cavallo Via Posillipo 54, Naples, Italy

Mario started sailing in 1916 with a Boy Scout Troop trained by the Rowing Club Italia. After serving in World War I, he actively participated in all sports, participating in his first Lightning regatta in 1948. He built his first Lightning in 1949 and his second in 1952, training his son to skipper and serving as crew for him. They won many races together and climaxed their partnership by winning the First European International Lightning Championship Regatta held in Naples in 1954. Mario has served as Secretary of the Sorrento Fleet #223 and was an organizer of the Italian District. Appointed to serve the District as Secre-

tary in 1953, he has continued in this capacity up to the present time. In private life, he works for Flli Cavallo Co.

#### VICE-PRESIDENT—Herman C. Henschen 1816 Hillenwood Road, Baltimore 14, Md.

Herm began sailing in 1948 in his homebuilt "Kibitzer", No. 3140. He has served as fleet captain of Fleet 128, and secretary, vice-commodore and commodore of the Dixie District. In between these jobs, he has been chairman of two Dixie District Championship Regattas and Chairman of the Atlantic Coast Championship Regatta. He was fleet champion of Fleet 128 for 5 years and Chesapeake Bay Champ for 3 years. He presently owns No. 6401 which he has named "Harem Girl" after his four daughters. Herm is a Chemical Engineer for the Bethlehem Steel Company at Sparrows Point, Maryland.

# VICE PRESIDENT—Abe Jacobs, 7750 Phillips Ave., Chicago, Illinois

Abe has been in the Lightning Class since 1940. He is an original member of the group that organized Fleet No. 56 and is still very active in Fleet affairs. He is Past Commodore of Burnham Park Yacht Club. Abe has been very active in the Chicago Power Squadron, having served as President for two years. Along with his Lightnings activities he runs an Insurance Agency.

#### VICE-PRESIDENT—W. E. Jocelyn 109 Rebecca St., Hamilton, Ontario

Ted started sailing after many years spent in other sports in Canada. He participated in 7 fast ball World Championship Tournaments in U.S.A., also played professional ball, along with football, hockey, etc. He trailed his Lightning all the way from the far North to the St. Pete Regatta in 1955. Ted is the owner of the W. E. JOCE-LYN Roofing and Sheet Metal Co.

#### VICE-PRESIDENT—Samuel D. Knox 339 Ridgewood Ave., Glen Ridge, N. J.

Sam first met up with a sailboat at the age of 17, when he tipped over four times in one day trying to get the hang of the thing. He's been doing it fairly consistently ever since. With wife Katy and daughter Sue, he races his Hot Canary II with Fleet #183 in Stonington, Conn. in the summer, and brushes with the hot sailors in North Jersey Spring and Fall, hoping that some of their tricks will rub off on him. He is Secretary of Fleet 183, Vice - Commodore of Wadawanuck Yacht Club, and a past District Commodore. He spent the war years on a destroyer and is a Vice-President of Bamberger's in Newark, N. J.

# VICE-PRESIDENT—John M. McIntosh Isle of Hope, Savannah, Ga.

John has been sailing since 1930, formerly sailing Scows before switching to Lightnings in 1950. He is a member and former Secretary and Captain of Savannah Fleet 127. He has also served as Rear-Commodore of the Savannah Yacht & Country Club and is present Chairman of SYCC Youth Activities. A former Vice-Commodore of Area #4 Association of NAYRU, he is presently Vice-Commodore of the South Atlantic Yacht Racing Association.

With his Lightning #5098, "Scalawag IV" he is the present Southeastern District Champion. His wife Barbara crews for him and with his six children, he isn't apt to run out of crewmen for

vell supplied by serving as

quite a while. He keeps his family well supplied by serving as General Manager of a wholesale building materials firm.

#### VICE-PRESIDENT—William Pirie 2609 Arnott St., San Diego 10, Calif.

Bill was born in Ontario, Canada but migrated to California and landed in San Diego where he has been since 1941. He has a beautiful wife, Mary K., and with his five children, he has no crew problems for some years to come. He has sailed in Lightning #1531, ADIOS, since 1947 and was a charter member of Fleets 114 and 194. Bill was Commodore of the Mission Bay Yacht Club in San Diego in 1950 and served as Commodore of the California Lightning District in 1954. When not on the water, he spends his time as an accountant for a construction corporation.

#### VICE-PRESIDENT—Arthur D. Wynne 6019 Hurst St., New Orleans, La.

"Juby" is a member of the Southern Yacht Club's Pontchartrain Fleet #62 having served as its fleet captain in the past as well as earning the Fleet Championship. He is the present Commodore of the Southern District. He has sailed in International Regattas as well as participating in the major regattas in the Southern District. Juby has a lovely wife, seven children, (will travel) and manages to earn a living between regattas in his own Office Furniture and Equipment business.

# Officers of Lightning Class Association

#### VICE PRESIDENT—Oscar Weber, Schoorengasse 4, Kilchberg (ZH) Switzerland

Oscar is another sailor who has been sailing for a number of years. In 1945 he built Lightning No. 3811 "Schufti." (The number was asked for later because there was no opportunity to have correspondence with the L.C.A. There was no active fleet in Switzerland and there was no knowledge of the activity of the Association. Oscar organized the Lightning Fleet "Zurichsee" and was a promoter of the reorganization of Fleet No. 169 "Flotte des trois lacs" and the fleet "Sempachersee." As a result of this growing-up of the class, the "Swiss District" was founded. His greatest job was to obtain the recognition of the Lightning Class as a racing class by the Swiss National Authority of sailing. Oscar is an actuary in a Swiss Life Insurance Co.

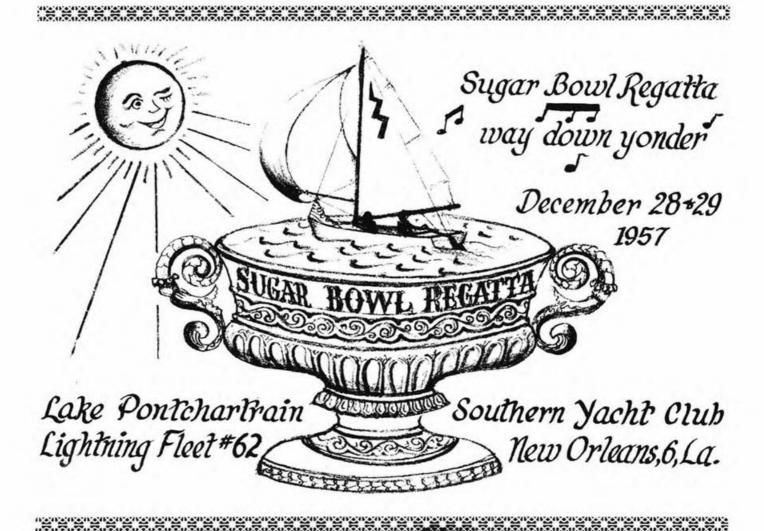

#### VICE-PRESIDENT—Jose Barreda Moller Camana 615-502, Lima, Peru

Jose is rather new to the sailing activities but he has always been an enthusiast for nautical sports. He rowed for 20 years for the Club de Regatas Lima winning his first National Championship in 1935 and his last on in 1951, when he retired. Then he took up sailing and chose the Lightning class which is, by far, the most popular in Peru.

He is the Permanent Secretary of the South American Confederation of LCA, which he founded in March 1956. He has represented Peru at the 2nd and 3rd South American Lightning Class Championships in Callao and Montevideo. Mr. Barreda Moller is a lawyer,

#### LIGHTNING CLASS ASSOCIATION

#### POLICY

To promote and develop Lightning Class racing under uniform rules, governed by this Association, and to rigidly maintain the one-design features of Lightning Class sloop, as designed by Sparkman and Stephens, Inc., which plans are known as 265.

To cooperate with all other yachting organizations and to demand in return observance of the rules of the Lightning Class.

To keep the Lightning Class within the financial reach of the man of moderate means without handicapping ability or encouraging neglect in conditioning yachts.

To rigidly maintain a strictly one-design Class, in order to positively insure that all Lightning Class races held under the auspices of this Association be to determine the skill of the skipper, and to eliminate all variation in construction of the yachts. Everything in the Constitution, By-Laws and all building restrictions is intended to insure competition between boats of identical design and the spirit of the Constitution, By-Laws and building restrictions is to this end.

#### **JURISDICTION**

The Association has jurisdiction over all Lightning activities. Its Class rule governs all sanctioned Lightning races regardless of by whom held. Its Constitution, By-Laws and Rules are binding upon all members and Fleets and all registered Lightning yachts must conform to its official plans and specifications.

# ATTENTION OWNERS, BUILDERS AND SAILMAKERS

The Lightning name and emblem as applied to sailboats has been registered with the U. S. Patent office and the Lightning Class Association is granted exclusive use thereof. No boat may properly be sold or entered in any race as a Lightning or at any time display the Lightning emblem upon its sails or otherwise, unless the number tax or royalty on such boat has been paid to the Association by the builder or owner thereof. For the benefit of owners or prospective owners the Association proposes to take whatever steps necessary to protect both the Lightning name and emblem from any unauthorized use.

#### ROYALTIES AND REGISTRATION

The Association will refuse to issue a number or grant a measurement certificate to any yacht on which the royalty has not been paid or which was not built by a recorded owner of Official Lightning Class plans. The fee for each and every boat built is \$15.00 which includes the assignment of a registered number, blueprints and the book entitled "Building the Lightning."

Every Lightning built is recorded by the Association and a complete registry of owners is maintained. All changes in ownership or sale of new boats by builders and dealers must be recorded with the Secretary of the Association.

A \$1.00 royalty must be paid by sail makers on each sail made, as evidenced by the above label securely sewn thereon. The colors in this label are red and black lettering on a white background. This label, as evidence of payment of royalty is required beginning with 1948 sails. These labels may be purchased from South Haven for \$1.00 each less 2% for cash with order.

#### PLANS

Plans are not transferable. They are sold subject to the terms and conditions of the notice thereon. Plans and specifications are subject to annual revision only as provided in the Constitution and By-Laws. It is the policy of the LCA to make no changes which would give more recent Lightnings any advantage over the first Lightnings built. The responsibility of keeping advised as to these annual revisions rests with the purchaser of plans and specifications. Never copy another Lightning.

#### CONSTITUTION - BY-LAWS - RULES SPECIFICATIONS

The Constitution, By-Laws, Specifications of the Lightning Class Association are contained in a special pamphlet available to all members—builders and yachting organizations.

#### **MEMBERSHIP**

Each and every Lightning owner should be an active member of the Association. Our modest dues are a very small amount to pay for the many benefits received from such a membership. You are not only helping to support your own Association that is doing everything possible to enhance and protect your investment in your Lightnings but you will receive numerous publications of interest and benefits (which alone are worth the investment). Only members are permitted to enter sanctioned Lightning Class races and receive the official Yearbook and special Lightning Class publications.

Every crew member or person sailing and interested in Lightnings but is not an owner should be an Associate member. The Yearbook (which is sent to Associate and crew members as well) alone is worth more than this membership costs, not to mention our other publications.

#### DISTRICT OF BRAZIL

District Secretary: Cyril W. Milbourne Deputy Dis. Secretary: Fernando Pimentel Duarte

Fleets: Flotilha de Lightnings do Rio de Janeiro (84); Flotilha Carioca de Lightnings (144); Flotilha de Lightnings de Sao Paulo (147); Flotilha de Lightnings de Florianopolis (162); Flotilha de Lightnings de Victoria (201); Flotilha de Lightnings Banderainte (234); Flotilha de Lightnings de Pernambuco (245); Flotilha de Lightnings do Parana (259).

District Report: There are today eight chartered fleets in the District but reports and information received unfortunately indicate that some of the fleets are not as active as they should be This, of course, cannot be said of the fleets based in Rio de Janeiro and Sao Paulo, the two biggest yachting centers in Brazil. Here activity has been as keen as ever and enthusiasm is still growing.

The major regatta of the District was held this year in October when the first District Championship was sailed in Rio de Janeiro harbour. Invitations were extended to all district fleets but entries were only received by crews representing the Rio and Sao Paulo fleets. Ronaldo Costa Souza in "Pinduca" (Fleet 84) was the well deserved winner and thus becomes the first District Champion. Runner-up was Rubens Gomes de Sa in "Peregrino" (also of Fleet 84).

Another top regatta was that sailed, also in Rio, between teams representing the Rio and Sao Paulo fleets. This is an annual event for the "Eterna-matic" trophy and is sailed alternatively in Rio and in Sao Paulo. Four boats per team sail and in 1956 the Rio side was an easy winner.

No entry was sent in 1956 to the Pan and South American Championships sailed in Peru. However, we are happy to report that two entries from the District of Brazil are sure participants in the next meeting which is scheduled to be sailed in Montivideo, Uruguay, towards the end of February, 1957.

#### CALIFORNIA DISTRICT REPORT

District Commodore: Marold Eyestone District Secretary: Ty Vaughn

Fleets: Santa Monica Bay Fleet (102); Newport-Balboa Fleet (107); San Diego Bay Fleet (114); Southwestern Yacht Club Fleet (161); Mission Bay Fleet (194).

District Report: The California District has had a very busy 1956 with a great deal of activity reported by all Fleets. Following is a summary of the interfleet events.

The first interfleet event of the year was the Midwinter Regatta in February at Cabrillo Beach Yacht Club. Bill Pirie took first place with "Fury'; Marold Eyestone in "Vespa" was second.

Next came the California District Championship held the end of June at Cabrillo Beach Yacht Club. Carl Eichenlaub Jr. in "Billie" took first place to become the District Champion for the second year in succession. Marold Eyestone placed second with all the other hot skippers right on his transon.

Something new this year was the Pacific Coast Championship Regatta at Eugene, Oregon July 23-24. Several boats from California trailered up there to compete with the Pacific Northwest District. The Barber twins, Manning & Merritt, of Fleet 229, Eugene, took first place and Dave Wright, Fleet 114, San Diego, second. Marold Eyestone of Fleet 102 Santa Monica Bay was third. It might be of interest to note here that the Northern District invited our California skippers who were on hand to sail in their Pacific Northwest District Championship Regatta which was held immediately prior to the Pacific Coast Championships. The result was, Dave Wright took first place, the Barber twins second and Marold Eyestone third.

This Pacific Coast Championship Regatta is to be an annual event. Next year it will be sailed in Southern California and judging from all the enthusiasm shown, this event is going to develop into something maybe even greater than the Internationals which have always been held in the East.

In August the S.C.Y.A. Regatta was held at Balboa Yacht Club.

Al Coha in "Delta" took first place, Elmer Poirer in "Anita" was second.

September 15-16 the Ken Reynard Series at Coronado. Bill Pirie again kept Coronado from regaining possession of that coveted painting by coming in first with Marold Eyestone right behind for second place,

The next event was the Bob Herrmann Series, Sept. 29-30 at Coronado Yacht Club. Carl Eichenlaub Sr. first place, Dave

Wright second.

October 13-14 the ninth annual Stanley Andrews Regatta at Mission Bay. First place, Carl Eichenlaub Jr., second place Ty Vaughn in "Fury". During this Regatta a District meeting was held and Carl gave a report on his trip to the 1956 Internationals. Perhaps it would be better not to say anything here about the various new devices and gimmicks seen on some of the boats back there, such as under the deck winches, lofted hulls etc. because someone might get the idea we are unhappy about the way our representative's boat was singled out by the Chief Measurer because of some minor detail about his rigging; the same boat and rigging having been approved the previous year at New Orleans.

We CAN say however, that it might be a good idea to have the rules clarified to the extent that EVERYONE in the Lightning Class, not just a few, would know just what IS and what IS NOT

going to be allowed.

Bringing the year's activities to a close was the Thanksgiving Regatta at Coronado, November 24-25. Ken Moore in "Zoom" took first place with room to spare; Dave Wright again in second

At our annual meting June 30th we unanimously elected Dave Wright District Commodore and Gerald Noll District Secretary.

#### CENTRAL ATLANTIC DISTRICT

District Commodore: Bob Adams

District Vice Commodore: Bill Fortenbaugh

District Secretary: Jack Hesketh District Treasurer: Bob Morris

Fleets: Barnegat Bay (3); Delaware River Yacht Club (8); Tri-State Yacht Club (18); Little Egg Harbor (26); Metedeconk River (34); Shore Acres Yacht Club (86); Spray Beach Yacht Club (9); Toms River (92); Great Egg Harbor Bay (99); Lavallette (104); Brant Beach (173); Surf City (196); Cooper River (197); Mantoloking (210); Cape May Harbor (213); Brigantine Yacht Club (217); Riverton Yacht Club (228).

District Report: In 1956 the Central Atlantic district again enjoyed a very successful season, although the C.A.D. performance at the Internationals left something to be desired.

The names that dominated the district Flashes headlines were not unfamiliar to the class as whole, nor have the needs and trends facing the district changed. The district intensified its appeal to all Lightning owners for further support and active interest through increased publications and up to date records. The problem created by the influx of new lighter boats has partially been offset by more district wide acceptance of a "heavy" and "light" class-two separate classes with separate races. It is hoped that in the coming year more unaffiliated boats will join in on district affairs and become associated with fleets in their areas.

In 1957 it will be the goal of the officers to stimulate more district wide consciousness, increase district membership, and support a program which will keep the Lightning as much a one-design class as possible. It is the intention of the district to exert continued pressure on the national officers to clarify their policies and rules and operate in such a manner as to discourage all rule infractions, particularly in boat construction. Serious attention must be given to the latter or a stampede to one builder will occur which would result in increased expense for the sailor, further rule infractions, variance from one design and bad publicity for the class as a whole. The importance of tighter restrictions overhull design was nowhere better demonstrated than at Buffalo in the 1956 Internationals.

Racing Results:

Vagabond, Bitzpoof, Whirlwind and Shady Lady carried off all the honors this season. In the third week of June, Metedeconk River Yacht Club played host to its annual tune-up regatta, a regatta which over the years has served as a preliminary to the state championship on the following weekend. The results were as follows:

1st—Bob Adams—Vagabond 2nd—Jim Carson—Sparks 3rd-Bill Fortenbaugh-Bitzpoof

On the following weekend Bob Adams repeated, winning the Hubert Johnson trophy emblematic of the New Jersey State Championship, serving notice that the Vagabond and its crew, Cliff Auchmoody and Don Ort, would be a threat during the course of the summer. Former International champion, Johnny Teigland was second and Dick O'Donnel in his Shady Lady third. Little Egg Harbor Yacht Club was host to this controversial regatta.

On the same weekend, Tom Coe of Riverton was 1st in the Governor's Cup regatta.

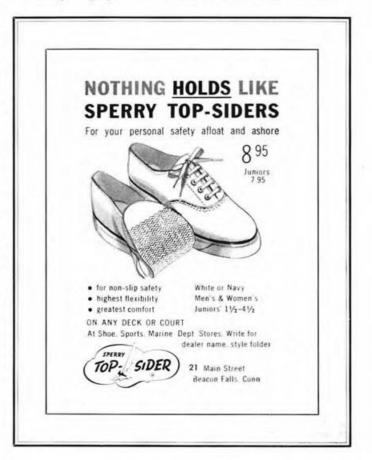

Several weeks passed before district skippers from North and South Jersey again convened for the C.A.D. eliminations for the Internationals. Subsequent to the Annual District meeting over which Commodore Charles G. Rule presided, the eliminations were under way. Bay Head Yacht Club was host; a fleet of 20 boats competed, and the waters were those adjacent to Green Island. The regatta was well run, but unfortunately seaweed and light variable winds (uncommon to this area) intensified the pressure already on the skippers. The results were similar to the previous regattas, although the margin of victory was greater.

Vagabond prevailed with a 1, 2, 1, 3, 4, series and thus brought victory to the host club. In second place, five points back was Shady Lady (2, 4, 3, 4, 3) ably sailed by Dick O'Donnel of Little Egg Harbor, Fleet 26. Third place was won by Jim Carson 8 points back, and fourth by Charlie Dore (8, 3, DSQ, 1, 1) 18 points back. Trop Chere sailed by Bob Woodman was 5th alpoints back. Trop Chere sailed by Bob Woolman was 5th, although tied with Dore in points. Individual race winners in the series were Bob Adams two, Dore two, Johnny Teigland one.

On the following weekend August 4th and 5th with Bay Head again as host, the Atlantic Coast Championship was sailed. time Shady Lady was victorious with 67 points, with Dore in his new Queen Bee only one point back. Third place was taken by Vagabond, eleven points behind the victor. Fourth went to Teigland and fifth to Joe Hoffee of Nyack. Prior to the regatta an Atlantic Coast Committee was appointed consisting of the following members:

June Methot, Red Bank, N. J. Sam Know, Noraton, Conn. San Stouell, Lake Bamaseen, Vt. John Teiland, Little E Harbor, N. J. Capt. A. E. Montrief, Quantico, Va. Bob Adams, Bay Head, N. J. Wm. Cox, Sr., Noroton, Conn.

The express purpose of this committee is to increase interest in

the Atlantic Coast Championship. Entries are now unlimited except for the host fleet which is limited to five entries.

Other regattas of district interest and their results are as follows:

Red Grant Regatta

1st—Bill Fortenbaugh—Bay Head 2nd—Dave Shay—Raritan 3rd—Bob Woolman—Bay Head

South Jersey Lightning Championship 1st—Marge Adams—Bay Head 2nd—Dave Shay—Raritan 3rd—Joe Neiner—Raritan

In the latter event, Marge regained the Brigantine Bowl, emblematic of South Jersey Lightning supremacy, after a summer in Europe.

In the Internationals at Buffalo, C.A.D. skippers didn't fare well. Tricky winds, break down and foul outs took their toll. Dore fouled out of one race and Adams broke his main hallard in another. Marge Adams, however, sailing in the President's Cup won two races and finished only two points behind the winner. Dick Karslake of N. Y. with a 1, 10, 24, 4, 1, series.

Also of note is Bob Adams victory in the semi-final eliminations of the Mallory Cup. His victory thus gave the Barnegat Bay Y.R.A. the Central Atlantic Cup, and the L.C.A. a representative at the finals in Seattle.

Congratulations to Bill Cox for his victory at the Internationals and to all the other L.C.A. sailors who distinguished themselves this past season.

#### CENTRAL NEW YORK DISTRICT REPORT

District Commodore: Glenn A. Poyzer District Secretary: Frank L. Unbehaun

Fleets: Skateateles Country Club (1); Crescent Y.C. (9); Onondaga Lake Fleet (10); Mayfield Y.C. (13); Canandaigua Y.C. (44); Newport Y.C. (77); Lewis Point Fleet (93); Great Sodus Bay Fleet (108); Red Jacket Fleet (125); Conesus Fleet (140); Genessee Y.C. (148); Owasco Y.C. (149); Cazenovia Fleet (164); Henderson Harbor Fleet (225); Keuka Lake (252); Brockport Y.C. (267).

District Report: The 1956 Spring meeting of the District was held at Newport Yacht Club on Irondequoit Bay. We had some excellent movies of the 1955 District Championship Regatta that had been edited and a sound track added by Warren Duerr. These pictures were taken by a professional photographer from the Eastman Kodak Company using the best equipment that Kodak could supply with excellent results. It was the general opinion that these pictures would create more interest in LIGHTNING sailing. Warren Duerr and Dick Crittenden offered to donate their time to show these pictures for any interested yacht club or other organization.

The first Regatta of the district was the LAKE SHORE LIGHT-NING SQUADRON REGATTA held at NEWPORT YACHT CLUB on Irondequoit Bay in July. This was won "hands down" by a newcomer in this regatta—Skinner Reynolds in his "Wild Goose" from Skaneateles. This is the first time that Skaneateles has participated in this regatta and was represented by two boats.

It was of interest this year that in the Central New York Yacht Racing Association Regatta held at Canandigua Yacht Club that the number of Lightnings competing seems to be increasing from year to year. This year there were 39 Lightnings and this division was won by "Stu" Anderson in "Glockenspiel" representing the Niagara Sailing Club. Pete Grange sailing "The Rampage" also represented this club, ran into some tough luck in one race when his boat swamped. However, they bailed it with their hats and everything else available and went on to finish the race.

The 1956 District Championship was held at Great Sodus Bay Yacht Club in August and this was again won by Skinner Reynolds of Skaneateles in his "Wild Goose". He succeeded in beating out Dr. McIntosh for first place by a narrow margin. There were 22 boats in this regatta representing most of the Central New York District fleets. The District was entitled to send three boats to the Internationals at Buffalo Canoe Club, however, the third place boat—Charlie Doerflinger's "Lamp Chop" could not go to the Internationals consequently the fourth place boat—Charles Haliagan's "Wind Spear" represented the District in his place.

The Lewis Point Annual Invitation Regatta was held at Oneida Lake the week-end following the District's. There were nice moderate winds throughout the regatta and although not represented by a quantity of boats—the quality was very good. This regatta was won by Dr. John McIntosh in "Blue Jacket II", second

place was taken by Skinner Reynolds in "Wild Goose" and third place by Dr. Carpenter in "Helen Hywater".

This year marked the first Annual Invitational Regatta of Skaneateles Country Club Fleet #1. This was held on the 18th and 19th of August and was won by Pete Grange of the Niagara Sailing Club sailing "Rampage", second place was taken by Skinner Reynolds of Skaneateles in "Wild Goose", third place went to Dr. Eugene Carpenter of Lewis Point sailing "Helen Hywater".

The Annual Sodus Bay Invitational Regatta was held August 25th and 26th. This was the first year the Dragons competed in this regatta. We had a very good Lightning turnout and there were also Snipes, Comets and Thistles represented. First Place in the Lightning Division again went to Pete Grange of the Niagara Sailing Club sailing "Rampage", second place was Dr. John McIntosh's "Blue Jacket II" of Newport Yacht Club and third place was Skinner Reynolds' "Wild Goose" of Skaneateles.

We hope that there will be even more boats represented in the various Central New York District regattas in the coming year and that we will have more entries in both next year's Internationals and also in the President's Trophy Regatta,

#### CONNECTICUT DISTRICT REPORT

District Commodore: Robert B. Crane District Secretary: Robert J. Thorpe

Fleets: Housatonic (6), Black Rock (17), Columbia Lake (49), Branford (63), Candlewood Lake (82), Niantic Bay (85), Groton Long Point (105), Western Narragansett Bay (119), Madison Beach (129), Noroton (134), Pequot (153), Wadawanuck (183), Norwalk (230), Milford (238), Darien Boat Club (255), Sachem's Head (269).

District Report: 1956 saw the culmination of the dreams of Connecticut Lightning enthusiasts become a reality. The paid up membership of the District surpassed two hundred for the first time, and Bill Cox of Noroton brought back the International Championship to the sunny shores of Long Island Sound, for the first International Lightning championship ever won by a Connecticut District sailor.

The season started off early with a mid-winter meeting in Stratford with over a hundred Lightning sailors in attendance. Magnificent color slides of this year's St. Pete regatta were shown, and Bob Bavier, Secretary of the NAYRU and one of Noroton's top skippers conducted a very interesting refresher course on some of the fine points of the racing rules. Dates were set for the coming season's major Lightning regattas, and a District Newsletter was authorized-christened on the spot by the ever imaginative Tom Ross as "Connecticut Sheet Lightning".

Niantic Bay was the scene of this year's District Championship. This reporter can do no better than quote the article published in "Connecticut Sheet Lightning" describing the series.

The first race was started in a light northwest breeze. Thirty-three boats hit the line and started the beat to windward. Due to

Close finish in the Governor's Cup

the flukiness of the breeze, there was much shifting of positions on the way to the first mark. Bob Smith, who had lone-wolfed it way in on the beach rounded first, followed by Bud Olsen, Sam Know, Bill Cox, and Bob Crane. The run downwind to the second mark really scrambled the fleet, as the last gasps of the dying Northwester petered out. As they rounded the mark it was Smith, Crane, Johnny Richmond, Cox and Olsen. Finally the breeze from the Southwest came in, at first gently, and then a little better, and the boats finished with everyone hiking in a gorgeous 10 to 12-knot breeze. At the finish it was Cox, Smith, Richmond, Jaffee and Knox.

After lunch the second race got underway in a 13- to 15-knot Sou'wester. Bill Cox and Bob Smith, those speed demons from Noroton, led all the way, taking a long board across the bay under the Black Rock Point shore, overstanding the mark, and still beating the rest of the fleet to the weather mark by a country mile. Following them around the weather mark were Al Kuehl, George Flynn, Crane, and Billy Healy. On the long downwind run Bob Crane moved into third spot, followed by Kuehl and Flynn. The beat to the finish turned into a close reach in which the order remained the same except that Flynn overtook Kuehl for the 4th spot.

Sunday morning the start was postponed waiting for the breeze to come in. When it did it was a nice Southeaster that continued to strengthen as the morning wore on, so that at the finish it was eight to ten knots. It was twice around a triangle, starting off Black Point. The Eastern Connecticut boats sensing the advantages of the strong ebb tide and the possibility of more wind off shore, stood out and really took off. At the first mark it was Brockett, Healy, Knox, and Flynn.

The second leg was a short broad reach which did little to change positions. On the third leg back to the committee boat Knox west into the tank for about a dozen boats, and the reporting ceases. Suffice it to say that the inevitable Bill Cox just kept coming along, and from nowhere at the first two marks, wound up passing Brockett and Healy to win. Healy was second, Brockett third, Ben Case fourth, and Richmond fifth.

The standings for the 3-race series were as follows:

1st 2nd 3rd Total Race Race Pts. Three weeks later the second major event of the season was held at Noroton. This was the "Long Island Sound Lightning Championship". This regatta, conceived four years ago by the Noroton Yacht Club, is an invitation regatta for all Lightning Fleets based on Long Island Sound in the Connecticut District and the Western Long Island Sound District. Each fleet may send its top skipper, and fleets having over twenty paid up members may send two. Here again your editor quotes from "Connecticut Sheet Lightning".

Long Island Sound Lightning Championship. The 4th Annual Sound Championship was held this year at Noroton over the weekend of August 18 and 19. Sixteen boats from 13 fleets participated: seven Connecticut fleets, and six Western Long Island fleets. The morning race was sailed in a light southwest breeze and considerable haze. Set for twice around a triangle, the course had to be shortened to once around plus the second windward leg, tow lengths astern of John Barton of Black Rock in "Quick Trick". He caught Barton on the reach and lengthened the advantage on the spinnaker run. At the finish it was Cox, Barton, John Richmond of Black Rock, Dick Sykes of Manhasset, and Fred Hibberd of American Y.C.

A nice Southwester of twelve knots held for the afternoon race and the fleet covered a 7-mile triangle. Cox was never headed, and Bob Smith of Noroton, moving very fast through most of the fleet, snagged second place. On the downwind leg Smith moved from 8th to 3rd, passing everyone, except Cox and Hibberd. On the final leg, a close reach, he passed Hibberd, who held on to his 3rd spot. Neither Barton or Richmond, who had done so will in the morning, did will in the heavier going, winding up 9th and 10th in the afternoon race. At the end of two races the standings of the first five boats were Cox, Hibberd, Smith, Healy of Niantic Bay and Barton.

Sunday morning saw a fine sailing breeze of about 15 knots, with winds up to 20 or 25 in the puffs. Bizzy Monte-Sano of Larchmont led almost all the way, with Cox and Smith breathing down his neck. On the final leg Smith passed both boats to win, and Cox beat Monte-Sano out for the 2nd spot. Healy came in

fourth and Dick Sykes of Manhasset was fifth. The final point standing at the conclusion of the 3-race series was as follows:

The Governor's Cup Regatta, held at Wadawanuck this year, was won by Wayne Brockett by one point over Michael Flynn. John Pettit, in one of the oldest boats in the fleet, made a shambles of the Eastern Connecticut Yacht Racing Associaion annual regatta at New London.

The Internationals are covered fully in the Yearbook, so suffice it to say that never before has the Connecticut sent as large a contingent to the big Casino, Besides Cox, Bob Crane and Bob Smith, both of Noroton, and Bill Healy of Niantic all made the trip, and four other die-hards, George Flynn, Sam Knox, Ed Olsen, and Fred Daizley went for the President's Cup. The prophetic statement made by Tom Ross a year ago in the last paragraph of the District report has come true and we are all looking forward to welcoming The Lightning Class to next year's Internationals.

#### DIXIE DISTRICT

District Commodore: Barney E. Mead

District Vice Commodore: Capt. A. E. Montrief

District Secretary: Charles O. Everly

Fleets: Washington Fleet (50); Indian River Fleet (72); Sue

Island Fleet (87); Patapskut Fleet (128); North East River Fleet (192); Susquehanna Fleet (253).

District Report: We of the Dixie District are proud of our progress over the past several years. On the Chesapeake and Potomac, Lightnings used to be a rarity. Now they have increased to such numbers that we frequently are the largest or one of the largest participating fleets.

The season's plans were started at the winter meeting which was held in Washington, D. C. with Fleet 50 as hosts. The attendance was good even though the day was a messy one with rain, sleet and snow impeding the transportation of many who came from upper parts of Maryland and Delaware. Those attending unanimously elected to hold the championship races at Baltimore Yacht Club. Those outsiders who attended last year's Atlantic Coast championships at Baltimore can appreciate the wisdom of this decision.

In most places the season got off to a relatively slow start, Winter seemed very reluctant to let go, delaying the usual painting and reconditioning by several weeks. The result of this was that some of the local early spring activities were not very well attended. Before summer came, though, it was apparent that there was going to be a big year for the Dixie District.

By the time of the District's championship regatta, the paid up membership had passed the one hundred mark. This meant that three boats could go to the Internationals at Buffalo. With this as an extra shot in the arm, the already hotly contested regatta was hotter than ever.

The members of Baltimore's Star Fleet ran the race committee and did one of the best jobs I have seen. (This may be disputed by some because they were protested, but I'll back up this statement.) The breezes were gentle but ample for the first three races. In each race the fleet seemed to split into two groups for the beat and happily neither group seemed favored, because there was never a very wide gap at the first mark. No matter where you would see him on the course (and he could get pretty far back sometimes) Barney Mead always managed to be at the front or not far back when there was a finish line to be crossed.

The final race proved the downfall of several hopefuls and the breath of life for some others. After delaying the start for two hours waiting for wind, the committee gave the gun when a light easterly showed some promise. For the boats who played everything just right, the breeze was nice. For those who guessed wrong or who later didn't notice the hazy sky in the west, the sudden shift of the wind to the west turned the race into a series of heartbreaking beats.

Carrol Burress, Marb Fox, Barney Mead, and Bob Gintling each won a race. Barney and Marb got first and second, and Herm Henschen copped third with some very consistent and in one instance very fancy sailing. Carrol Burress took home the novice trophy. (Novice Trophy, indeed!)

The now famous Quantico Regatta proved to be everything it was expected to be in spite of rains, floods, wind and calm. For the first time since its inception in 1953 the first place trophy was taken by an outsider. John McIntosh came up from way down in Atlanta, Georgia, and conquered the roily, flooded Potomac like no one else could.

To conclude, this has been an extremely good year and next year's potential is even greater with so many new boats.

was called to order by district Commodore Enzo Di Lorenzo at 6:30 p.m. The roll was called with 5 fleets being present.

The treasure report was read by Mr. Antonio Tafuri, and was approved. Then Mr. Di Lorenzo expressed his appreciation to the governing board of the Tevere Remo Club, for the splendid organization of the Italian Championship, and to his fellows district and fleet officers, for their cooperation during the past year. Mr. Di Lorenzo delivered a short address covering the district activity during the last year. The order of business presented was discussed and approved.

The nominating Committee presented the same slate of District officers as past year for the election—Enzo Di Lorenzo, Commodore, Mario Cavallo, Secretary. It was moved that the nomination be closed and a unanimous vote cast for the slate as presented. The meeting adjourned at 8 p.m.

The most outstanding event in the season has been the European Championship, which brought for the first time the Italian Lightning sailors in a race out of their country, in Switzerland. The Championship was very well organized, and the Italian sailors keep the bist of their souvenir for this regatta.

Six Italian boats entered the Championship. Some of them, were trailed on a long trip over the mountains of Switzerland and Italy.

The Italian boats had few chances in the first two races. In the second race Finland with Koskimies was first classified. In the third race the Italians with a good breeze won the first place and began to have better positions. At the end of the championship they get the first five places and a seventh place.

Winner was Temporale 4122, of Club C. Napoli, with Ralf Camardella, Sergio Capolino, Salvatore Bonetti.

Runner up was Fandango, with Franco Cavallo, Maurizio Piscicelli, Mario Cavallo of Club R. V. Italia of Naples.

Five countries entered the championship: Switzerland, Greece, Finland, United States and Italy. The championship was open to all European countries.

Another big event was the Italian championship, held at Anzio, as reported in September Lightning Flashes.

During May, the Italian District has organized an international regatta in Naples. Three races for the Gustavo D'Andrea Cup, won from Temporale, With Camardella, and three races Coppa Lauro which was won from Fandango with Franco Cavallo.

#### LAKE ERIE DISTRICT REPORT

District Commodore: Robert C. Coleman District Secretary: Richard J. Carrel

Fleets: Buffalo Canoe Club (12); Chautauqua Yacht Club—inactive (19); Erie Yacht Club (24); Novice Yacht Club—inactive (28); Silver Lake Yacht Club (47); Niagara Sailing Club (59); Sandy Beach Yacht Club (78); Buffalo Yacht Club (81); Cuba Lake Fleet (115); Royal Hamilton Yacht Club (118); Toronto Bay Lightning Fleet (146); Conneaut Lake Lightning Fleet (180); Tower Yacht Club Lightning Fleet (Chautauqua) (198); La Salle Yacht Club (221); Buffalo Sailing Club (258).

District Report: Defending Champion Tom Allen of the Buffalo Canoe Club sailed his jet blue-hulled "Atom" to his fourth consecutive Lake Erie District Lightning Championship Title at the Hamilton Yacht Club, on Hamilton Bay, Hamilton, Ont., Canada, Aug., 10, 11 and 12.

We feel Tom is really to be congratulated as one of the top skippers our district or any district has produced. Many of you know Tom as the recent 2 time International Champion. This year he placed third in the International Championships at the Buffalo Canoe Club, while our other four entries placed 4th, 7th, 11th, 13th. Ir. a district this "hot" it takes an excxellent sailor to be a consistent winner. Our hats also go off to the crew, Ann, his recent bride and Ken Warren III.

We will say that Tom had considerably more difficulty winning this year. "Pete" Grainge in the famous Rampage led the five race series until the last race, when Pete finished only one point behind Allen to take second place. Pete is a relatively new skipper sailing under the Buffalo Canoe Club Burgee and we will hear a lot more of his name. Third place went to Karl Smither in Thermis 5 M's, one of the most consistent winners in the lightning class; also sailing out of the B.C.C. Fourth place went to that great "Tomo" ("Red") Fallon, another B.C.C. sailor. Fifth place was captured by "Stu" Anderson in Glockenspiel, sailing under the colors of Niagara Sailing Club. "Stu" received a great hand. He has been trying for many years and really found the formula to make the Internationals.

The wind combination for the Regatta was as fine as anyone could ask for. Friday morning saw fair weather, the wind velocity around 12 mph. Grainge went into the lead followed by John Robertson of Hamilton and then Allen. The afternoon race provided more excitement with the wind velocity increasing to about 20 mph. Grainge again came out on top followed by Allen. Saturday saw the same weather and wind combination. "Pete" Grainge took his third first, again followed by Allen. In a brisk breeze Allen worked out in front in the fourth race and was followed to the finish by Tom Fallon; Grainge taking a fourth. The weather to this point sounds ideal but there is usually one hitch and ours was trying to guess where the wind shifts would bounce, as they reflected from the hills on one side of the bay and the tall buildings on the other side. Sunday dawned calm, cool and collected for the last race; but not for the skippers. The starting gun was postponed about 45 minutes for the lack of wind. The

race committee finally lowered the red flag in about a 2-3 mph Zepher and from there on it was get out in front, sit-and watch the rear sail up and through you. Allen experienced one of his most nerve wracking races as he took an early lead and then sat several times watching Grainge crawl up to his transom with the wind catching Allen at the last minute, allowing him to keep his safe leeward position. Fallon and Anderson also came from behind in the final minutes to earn their qualifying positions. A newcomer, Dick Karslake, managed to sneak into second place on the last leg to give Allen his one point win over Grainge, who finished third in the race.

Our hats off to Hamilton and General Chairman, Tim Nelson, for a fine regatta.

At the Lake Erie District Meeting, held Friday evening, Aug. 10th, Bob Coleman of the Buffalo Canoe Club Fleet 12 was elected District Commodore and Dick Carrel, Buffalo Sailing Club, Fleet 258, was elected District Secretary for the coming year.

We will not say any more about the International Lightning Championship, as you can read about them in the publication; however, we would like to say we are proud to have again had them held in our District.

Our annual winter meeting of the Lake Erie District will be held in Buffalo, N. Y. the third week in March, 1957 at which time the movies of the Lightning Championships will be shown.

#### METROPOLITAN DISTRICT REPORT

District Commodore: Robert S. Shuris District Secretary: George Garrecht

Fleets: Paupack Sailing Fleet (16); Lake Mohawk Yacht Club (25); Lake Hapatacong Fleet (29); Chelsa Yacht Club (39); High Tor Fleet (41); Red Bank on the Shrewsbury River Fleet (80); Awosting Yacht Squadron Fleet (95); Black Hawk Lightning Fleet (172); Raritan Bay Lightning Fleet (224).

District Report: The 1956 Metropolitan District Championship was held at Monmouth Boat Club, Red Bank, New Jersey on July 28th and 29th, 1956. The three race regatta was sailed on the Navasink River. Due to a Coast Guard Auxiliary Rendezvous opposite the club, the Saturday race and the Sunday morning race were sailed two miles down river.

The first race was sailed on a course which was comprised of seven marks twice around. The highlight of this race was the fact that six of the fourteen legs were spinnaker runs, requiring four settings of the spinnaker and numerous jibes. Needless-to-say, even the most experienced crews were given a real workout. At the final gun it was Dickerson of Monmuth who was safely home

by a half mile, followed by Shay of Raritan Bay and Hoffee of Nyack.

A five piece band accompanied a dance which was held at the Boat Club Saturday evening. An indication of the time being had by those attending was the passing of the hat to retain the band an additional hour, and the dancing of "Charleston" Charlie Allair.

The district meeting was held and Robert Shuris of Nyack was elected Commodore and George Garrecht, also of Nyack was elected Secretary. Nyack Boat Club on-the-Hudson River, Nyack, New York accepted the District Regatta for 1957.

The second race, Sunday morning, was sailed in variable, fluky, puffy air. At one point in the race two boats approaching the same mark about 100 feet apart on parallel courses were close hauled on opposite tacks. Oliver Fillippi of Nyack was first, Dickerson was second and June Methot was third over the finish line.

The last race was sailed in air that was still slightly variable. Charlie Allair from Monmouth came in first followed by Shay of Raritan and Dickerson of Monmouth.

Silver plates were awarded to Ried Dickerson—first, Oliver Fillippi—second, and Charlie Allair—third. The crews of the first three boats were awarded a silver dish and spoon.

The district winners went to Buffal in September to compete in the Internationals. Charles Allair of Monmouth placed 18, Oliver Fillippi of Nyack placed 37, and Ried Dickerson of Monmouth placed 39. June Methot of Red Bank entered the President's Cup and placed 11 out of 50 entrants.

Many other fine regattas were held in the Metropolitan District during the past season. The National Sweepstakes Sailing Regatta at Red Bank, the Mid-Hudson Regatta at Shattamuc, and the Atlantic Coast Championships at Bay Head, New Jersey. In addition to these regattas five members of the district sailed in the Regatta at Quantico, Virginia in October. They were June Methot of Monmouth, Roy Knapp of Raritan Bay, Joe Neiner of Raritan, and Howard Mullins of Nyack who placed third in the series. Dave Shay of Raritan entered and placed first in the State of Vermont Regatta.

#### MICHIGAN DISTRICT REPORT

District Commodore: Warren F. Jones District Secretary: Floyd Arnold

Fleets: South Haven Yacht Club (30); Devil's Lake Yacht Club (31); Crescent Sail Yacht Club (51); Lake Fenton Yacht Club (53); Pontiac Yacht Club (54); Crosse Ile Yacht Club (68); Bayview Yacht Club (83); Higgans Lake (110); St. Joseph Harbor (113); Fleets 123, 124 & 131 inactive; Gull Lake (137); Tawas Bay Club (152); Watkins Lake Yacht Club (155); Omena-Traverse Yacht Club (174); Leland Yacht Club (184); Northport Point (202); Macatawa Bay Yacht Club (204); Saginaw Bay (216); Ford Yacht Club (233); Burt Lake (254.

District Report: The season started with the winter meeting at Lake Fenton Yacht Club at which time Bayview Yacht Club and Fleet 83 were chosen as host for the Michigan District.

The District Regatta but for a brief rain storm before the second race, was a huge success. The series was held on Lake St. Clair over the weekend, July 20 to 22.

Mack Goodwin of Pontiac Y.C. captured the top prize with 186 points in the five race series. Hank Cawthra of Crescent Sail Y.C. and former National Lightning Champion, placed second with 183 points and was followed by Herm Nickels of Fenton Y.C. 178 and Wes Wiedrick of Bayview Y.C., 176.

Consistent sailing was Goodwin's prescription for his victory. He didn't win a single race but managed to stay in the top ten of the 39 boat fleet throughout the series. Goodwin had 3 seconds to his credit.

Cawthra and Wiedrick both captured two of the races but when they missed the three they dropped far down in the fleet to lose valuable points that couldn't be regained. Cawthra has won the Michigan State Lightning title three times before and Wiedrick took it once.

Working with his crew of wife Marilyn and Ron Callahan like a precision machine Goodwin managed to stay out of trouble and protect his hard earned lead. He was sailing Doc Murphy's old boat in which the Good Doctor had done so well over the past few years. At the end of the series Murphy was ready to trade his new boat "Even Steven" but Mack would have no part of it.

Two races were sailed on each Friday and Saturday, July 20 and 21, and under almost identical conditions-southwest wind

8 to 10 miles per hour. The final race was a whistler out of the southwest which provided the only casualty. Jim Schudel cap-sized his "Itch"—believe it or not—to weather. The first race was won by Wiedrick, who was followed over the line by Good-win and Bob Flack of Pontiac. The second race went to Joe Stueland with Herm Nickels taking second and Wiedrick third. At this point Wiedrick appeared to be on his way to the crown. But in the third race he finished far back in the fleet as Hank Caw-thra won, followed by Goodwin and Nickels. Wiedrick made a come back in the fourth race to win it over Goodwin and Cawthra, who placed in that order. Cawthra bounced into second place in the final standings when he won the final race with Stueland taking second and Nickels third. The Races were held under the sponsor-ship of Bayview Y.C. whose Vice-Commodore Lynn Stedmann, Jr., ran the races in near perfect fashion from his Yawl "Lurer" and with the able assistance of Bayview's Commodore Bob Ben-kert, who handled the patrol boats. With 39 of the little 19 sloops charging around the three-mile triangle one would believe someone would get in someone else's way-but there were only five protests lodged, which is about par for the course. Bayview and Commodores Benkert and Stedmann were given a standing ovation for the way they handled the series. Final Point Standings are for the way they handled the series. Final Point Standings are as follows: Goodwin 186, Cawthra 183, Nickels 178, Wiedrick 176, Carlin 160, McKinley 152, DeVries 148, Holman 147, Goebel 140, Stueland 140, B. Jones 140, O'Dell 132, O'Hara 111, Schudel 108, Grant 105, Northmore 103, Gray 99, Millies 98, Oberson 89, Flack 84, Fairchild 84, Bennett 83, Schreck 81, W. Jones 79, Wilhelm 78, Friedman 75, Eccleston 74 Roualet 72, Pinkerton 71, Roney 65, Fourniew 61, Buck 54 Crittenden 53, and McKay 30 and McKay 39.

The District has many other fine regattas each year, which provide along with good racing, the opportunity for the District's fine band to perform at the parties which are held. Such as Kendell series in Detroit which was won by Hank Cawthra. Higgans Lake taken by Herm Nickels, Gull Lake which was the first one they have held and very fine it was indeed, the only problem was a fellow who sails out Chicago way, came and won the regatta Al Berg and his Istar II. Devils Lake Regatta was won by Wes Wiedrick, with the season's final, the Lake Fenton Snow Ball being taken by Herm Nickels.

So here is to the '57 season and more racing and bigger and better parties.

#### MIDWEST DISTRICT REPORT

District Commodore: Bob Grohne District Secretary: B. O. Buckles

Fleets: Chicago Corinthian (5); Burnham Park (56); Neenah-Nodaway (67); Milwaukee Yacht Club (69); Decatur (74); South Shore Milwaukee (79); Green Bay (112); Island Bay (117); Ivy (160); Highland Park (186); Sheboygan (187); Jackson Park (199); Gary Boat Club (222); Harbor Point (231); Kentucky Lake (242); Nashville (262); Crab Orchard (266); Clearwater Bay (277); Thunder Bay (279).

District Report: The 1956 Midwest District season started with a midwinter meeting on February 4th at the Conrad-Hilton hotel in Chicago. Abe Jacobs, Commodore was in charge, Julie Wingard, secretary pro tem. The bid of the Corinthian Yacht Club for the District Regatta was accepted and the date of July 21st and 22nd agreed upon. Films of the Pan-American races were shown after which the meeting adjourned to the Chicago Boat Show. The lack of a Lightning in this show was conspicuous by its absence.

The District Regatta was ably handled by the Corinthian Yacht Club. Sails were measured and for the first time in several years boats were weighed and several turned up light. A mad scramble for weights ensued causing a one day flurry in the price of scrap metal. The District meeting held the night before the races, resulted in several items of business being transacted including a revision of the By-Laws removing the Limitation on number of boats which may be entered in the District Regatta by the home fleet. Dues payable to the District were increased to 50 cents per boat. Abe Jacobs was succeeded as District Commodore by Bob Grohne (5228 Decatur). Bob Buckles (6446 Decatur) took over from Julie Wingard as District Secretary. Both Bob's are members of Fleet 74 and Commodore Decatur Yacht Club. The District Regatta proved that the youngsters have what it takes to win. Jay Doty sailing "Miss Trudy" 5047 romped home with the Big trophy in a Regatta which had only ¼ point difference between

the first three boats. The average age of Doty and his crew was 15 years which shows that some of our old accepted theories can be jolted at times.

The Midwest District was well represented at the Internationals by three boats which made the trip to Buffalo. A really fine time was reported by all.

The Red Flannels at Corinthian Yacht Club off Montrose blew up too much wind for the home boys and wound up with Michigan sailors taking home the first three places. Things will be different next year.

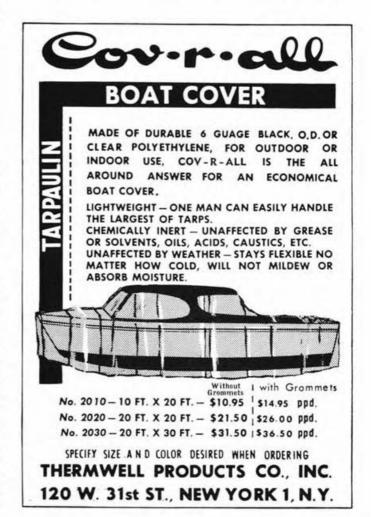

#### NEW ENGLAND DISTRICT REPORT

District Commodore: Gardner L. Brown District Secretary: Lewis J. Griffin

Fleets: Centerboard Yacht Club (14); Prout's Neck (94); Taylor Pond (101); Spofford Lake (145); Annisquam Lightning (151); Wequaquet Lake (181); Marblehead (189); Portland Yacht Club (190); Bomoseen Yacht Club (227); Lake Dunmore (243); Harraseeket Lightning (244); Winnipesaukee (246); Massabesic (273); Chequesset (280); Eastern Point (285).

District Report: Lightning activity in the New England District in 1956 again gained over previous years. Two new fleets were formed: Chequesset Lightning Fleet sailing at Wellfleet, Mass. and the other, Fleet 285 based at Eastern Point Yacht Club, Gloucester, Mass. There is the hope for two more fleets, one at Manchester, Mass. and the other at Orr's Bailey Islands, Casco Bay, Maine. Both these areas now have a number of active, interested Lightning skippers.

Particularly encouraging during the year was the increase in the number of good boats, which, combined with the increased experience of more skippers, is steadily ungrading the competition in the New England District events. Marblehead Fleet 189 and

Annisquam Fleet 151, in particular, are growing with leaps and

bounds both as to quality and quantity.

The District year started with the Mid-Winter Meeting, January 11, 1956, at Lynnfield, Mass. In spite of the torrential rains there was a good turnout, and with Dick Price presiding, the invitation of Spofford lake, the home fleet of defending New England Champion Leonard Pratt, to hold the 1956 New England Championship was accepted. The meeting was featured by a great deal of discussion on the problem of how to rotate the location of the New England District Championship so that both the fresh water and salt water skippers will feel that they are being treated fairly. The annual meeting has come and gone and there is still no satisfactory solution to this problem.

Inasmuch as the various fleet reports will cover in detail the season's regattas, the events and results are merely summarized here.

As always the New England District Chamber of the determines those qualifying for the International Lightning Class determines those qualifying for the his event of the year. With Association Championship, was the big event of the year. 115 paid up registrations in the District, we were eligible to qualify three boats for the Internationals. Spofford Lake Lightning Fleet 145 was host to 23 skippers representing 7 New England District fleets. The light air that prevailed was more to the liking of the fresh water boys and girls, with the first seven places going to the land-locked skippers. Fred Harris and Len Pratt, both of the home fleet, tied for first on points, 58, but the championship went to Fred and his Sandy Kay on the strength of having beaten Len's Bon Joy twice. Only one-half point behind these two was Ed Ellis of Lake Bomoseen Fleet 227. and tied at fourth with 53 points were Susan Holbrook of Spofford and Gardner Brown of Taylor Pond Fleet 101. Brown had beaten Susan twice so fourth place went to him.

As customary, the Annual Meeting was held at the end of the first day's racing. At this meeting, which was conducted by District Commodore Dick Price, the principal item of business was the election of officers. After a great deal of arm-twisting and brow-beating the nominating committee presented a slate that resulted in the election Gardner L. Brown, Taylor Pond Fleet 101, as District Commodore for 1956-57, and his capable jib-man, Lewis J. Griffin as Secretary-Treasurer.

Unfortunately, Fred Harris, the reigning New England Cham-pion, was unable to go to Buffalo. The District honor rode in the boats of Len Pratt of Fleet 145 and Ed Ellis of Fleet 227. Both skippers reported sailing conditions a little different from what is usually encountered in this area. Nevertheless, they had a good time and learned a lot.

The 1957 season will start with the Mid-Winter Meeting early in January at Concord, New Hampshire. With the events already planned, at this date, and the Internationals expected to be in Connecticut, 1957 should be quite a year in the New England District.

Fleets: Indian Lake (23); Leatherlips (27); Turkey Foot (33); Pymatuning (36); Mentor Harbor (37); Toledo (42); Buckeye Lake (43); Edgewater (45); Cincinnati (57); Rocky River (71); Port Clinton (136); Mohican (150); Wawasee (154); Northeast (207); Atwood Lake (212); Kiser Lake (241); Berlin Reservoir (263); Indianapolis Sailing Assn. (270).

District Report: The 1956 sailing season started out with several members of the Ohio-Indiana District fishing their boats out of moth-balls and trekking to the mid-winter regatta at St. Peters-burg. Swindeman, Krauss and Booth from Toledo, Allen from Port Clinton and Mann from Buckeye Lake, make the trip without

mishap. W. Sindeman, Mr. Lightning himself took the first spot. To anyone attending this particular regatta, it is obvious that St. Pete, sets a standard of excellence by which all other regattas must be judged.

Memorial Day Week saw the Annual Great Lakes Regatta at Toledo, with 31 boats from Ohio, Michigan, Indiana, the East Coast and Canada. When the final gun sounded, it was Swindeman, Wedrick and Nichols. Dave Shay came out from the East Coast and Ted Jocelyn from Hamilton. An enjoyable time was had by all.

In June we had the pleasure of the Annual Hoosier Regatta at Lake Wawasee. This is run nicely and is becoming quite an affair. At the finish it was Kennedy of Cleveland, R. Blair of Chicago and Fran LeClerq of Green Bay, Wisc.

July Fourth week-end, Pymatuning held their Annual Invitational. The weather was excellent, there was a good turnout and a great round of good-fellowship existed. Walker of Erie, Paskillfully captured first, followed by Kennedy of Cleveland and Fisher of Buckeye Lake. This is one of the many regattas held in our district really worth looking forward to.

The last part of July, the Ohio-Indiana District Championship was held at Port Clinton. There were 26 boats competing. Swindeman emerged first, followed by Kennedy, Fisher, Mann and Buchanon. In this hotly contested race, there were the usual fouls and protests, with the final issue settled only after the last race.

Two regattas followed closely in our district. The ILYA at Put-in-Bay on Aug. 15-16, and the Annual Port Clinton Regatta Aug. 18-19. In the former it was Kennedy of Cleveland, Allen of Port Clinton and Auer of Cleveland. The latter regatta was called at the end of two races because of inclement weather. The winners were, Allen of Port Clinton, Englebeck, his fellow townsman and Rowland of Worthington, Ohio. At the Internationals held at Point Abino in September, boats were trailed down by Swindeman, Kennedy, Fisher and Mann, to the big casino. Our representatives left much to be desired, with only Swindeman finishing in the first ten. But as they say in France, "C'est La Guerre".

Three fall regatas have been held so many times that they are taken for granted as standard fare. First, Harvest Moon Regatta at Atwood Lake, taken by H. Spitz of Pymatuning, followed by J. Rundt and E. McCain of Atwood. Second, the Snow Flurries at Port Clinton which had to be settled on the basis of two races because of the "white water". J. Schudel was the winner, followed by Wedrick of Detroit and Nichols of Lake Fenton. The third and last regatta was the Snowball, held at Buckeye Lake. This was well attended in spite of variable winds, and won by our former Commodore, Pinky Allen, followed by R. Blair of Chicago and B. Nelson of Toledo.

1956 has been a good season. Winds and weather have been good and bad, now favoring one and now another with a nice balance over the year. We are looking forward to 1957 as another round of fine regattas and good companionship.

#### PACIFIC NORTHWEST DISTRICT

District Commodore: Dr. John E. Tysell District Secretary: Wilson H. Jewett Jr.

Fleets: Maple Bay (64); Royal Victoria (66); Lake Washington (132); Bellingham (158); Chinook (229); Columbia River (288).

District Report: The Northwest Lightning fleet has continued to grow during the past year, with the addition of the Columbia River fleet 288 (Portland) sponsored by Rose City Yacht Club under able assistance of Dean Davis and H. G. Brault. With all of the activity in the Vancouver aria and with the help of Tom Job and Des Sessinghaus, there should soon be a new fleet in that area. Tacoma has begun to show interest in an organized fleet of Eugene, Oregon, the largest fleet in the district continues to add more boats each year.

As a result of last year's decision at Bellingham, the Northwest regatta was held on Fern Ridge Lake, Eugene, with Chinook fleet

as host. This regatta offered a new experience to many of our visiting sailors who are accustomed to coast waters and bays, rather than inland lakes. In order that visitors might be conveniently located near their boats, rental trailers were moved into the picnic area near the club. Twenty-eight boats from clubs in the area were represented in the regatta week-end. The Barber twins came in first, while a three way tie for second place was settled on elapsed time as each boat had beaten the other twice. On this basis Dr. Campbell placed second, Jim Gowdy third and Wilson Jewett fourth.

The year also saw the birth of the Pacific Coast Regatta, the brain child of Marold Eyestone and Bill Piere of Southern California with the help of Des Sessinghaus of Seattle. It serves to bring the fleets of the Pacific coast from points as far south as San Diego to Canadian waters in competition at least once a year and to provide the type of competition so long organized on the Atlantic Coast.

This year the first such regatta was held immediately after the northwest regatta on Fern Ridge Lake. Our pacific coast visitors were allowed to "warm up" in the northwest regatta preparatory to the pacific coast competition.

We had a splendid turn out from the Southland, Our Southern California visitors driving one thousand three hundred miles each way to attend. Four boats came from Cabrillo Beach, one from San Diego, one from San Francisco, one from Victoria B. C. three from Seattle, and one from Portland. These boats added to the Chinook fleet gave a fine showing for the first of such meets. The Barber twins took first place, followed by three California skippers, second Dave Wright, third Marold Eyestone, fourth Harter.

Chinook Fleet has provided a permanent trophy, a large silver punch bowl to be awarded each year. The California District will be host to the next Pacific Coast regatta which we hope will be well supported by all of the Lightning fleets on the coast and become one of the largest Lightning regattas in the country.

#### SOUTHEASTERN DISTRICT REPORT

District Commodore: David T. Johnson District Secretary: James M. Artley

Fleets: St. Petersburg (109); Savannah (127); Tampa L. F. (168) Biscayne Bay L.F. (226); Clark's Hill (257).

District Report: A meeting of the Southeastern District was held at the Savannah Yacht and Country Club July 15, 1956. At this meeting David Johnson was elected District Commodore and James Artley, District Secretary. Several problems in the District were discussed, the most important of which was the finding of a permanent and central location for the District Eliminations. Miami was selected as the site of next year's District races unless before that time some other site can be found which will be suitable to all fleets. We welcomed to our District the first year of active participation by the Augusta Sailing Club. They have a new club house and excellent sailing facilities on Clark's Hill Reservoir.

Our District was also honored by having the President of the Lightning Class Association come from our District. President Ross Allen is a member of Fleet 127 at Savannah, Ga.

The Southeastern District started their sailing for the season with the annual Mid-Winter Lightning Regatta which was described in last year's Year Book. It will be impossible to say too much about the thrilling races and the wonderful hospitality shown by Fleet 109 of St. Petersburg.

The Southeastern District Championship Race was held at the Savannah Yacht and Country Club on July 14th and 15th with representatives from Fleet 127, Savannah, 109, St. Petersburg, and 226, Miami. The entire series was sailed in light and shifty air with strong tides. The first race saw John McIntosh in Scalawag IV fighting it out all the way with Ted Turner, with McIntosh pulling ahead on the last leg and winning the race. David Johnson was third. The second race was John McIntosh fighting it out with David Johnson in the Possum with McIntosh finally ending up in first place followed by Johnson, Turner, and Ross Allen. The third race, sailed in a little heavier air, was won by John McIntosh followed by Ted Turner, Roy Gordon, and Ross Allen. The highlight of this race was the excellent spinnaker work by McIntosh and the somewhat daring spinnaker work by Turner.

The fourth race was never a contest. Roy Gordon, sailing the Vixen, took the lead at the start and proceeded to sail away from the rest of the fleet. Howard Foht and John McIntosh had a thrilling fight for second place—McIntosh taking this spot. In the fifth and final race, Howard Foht, sailing the Zephyr, threw off all bad luck which had plagued him during the earlier races and sailed home first closely followed by Gordon, McIntosh, and Turner. This series saw McIntosh the winner, Turner second, Gordon third, Johnson fourth, Foht fifth and Allen sixth.

We are all looking forward to the coming season when the first big event will again be the St. Petersburg Mid-Winter Lightning Championship.

#### SWISS DISTRICT REPORT

District Commodore: Charles Nicolet District Secretary: Theo Moeckli

Fleets: Fleet of Lake Neuchatel and Morat (169), Fleet of Lake of Zurich (219), Fleet of Lake Sempach (250), Fleet of Lake of Bienne (268) and Fleet of Lake Lucerne (281).

At the end of November 1955, Fleet 268 was willing to organize the European and Swiss LCA Championships at La Neuveville. For this reason, the Swiss District authorities went over to the Fleet officers of Fleet 268.

Though 1956 was a rainy season, it gave nevertheless good satisfactions to our District. Thus we have pleasure in informing you of the creation of a new Fleet, on Lake Of Lucerne (281), with Theo Christ, captain and Kurt Kaeslin, secretary. During 1956 the new-born fleet could contact other district fleets. It is worth quoting that our Lightnings travel more and more from one lake to the other, some even go down to the Mediterranean!

At Whitsuntide, the Italian District invited the Swiss fleets to compete with them at Naples. Two Swiss skippers, P. Gonset and C. Lambelet went with their crew; they thus had a first contact with sea racing and were delighted.

But the great event of the year was of course the European and Swiss District championship at La Neuvevelle. For the first time

in LCA history, all European Districts were represented: Italy, Greece, Finland and Switzerland, with 30 boats. We all welcomed a USA crew, Mr. Alexander of Chinook Lightning Fleet, Eugene City, Oregon. It was also the first time that we were honored by an American visit in lightning races. Let us hope that this will change into a tradition and set forward year by year!

The first two races saw a Swiss victory, that of J-P. Weber, "Santa-Maria" and of J-P. Luthy with "As de Carreau", with light winds. But from the third race till the fifth, the wind got stronger and stronger and the Italian boats showed superior. Final victory crowned "Temporale", skipper Mr. Camardella, runner-up "Fandango", skipper F. Cavallo, both from Naples. The races were broadcast and commented, both in French and English for the numerous public which followed the races with great interest. The races were timed by Longines Watch Ltd, who also gratified splendid watches to the crew of the first three boats. At the banquet which joined 230 persons we welcomed the presence of the ambassadors of Italy, Greece, Finland and a representative of USA, and two LCA vice-chairmen, Mr. Cavallo and Mr. Weber. Toasts were numerous, everybody thanked everybody, Mr. Alexander for USA, Mr. Sinopoulos for Greece, Mr. Koskimies for Finland, Mr. Ratti for Italy and our Commodore, Ch. Nicolet for Switzerland.

As already known, the Swiss district championship took place at the same time as the European one. "Tonnerre de Brest", skipper Theo Moeckli (crew M. Pelet and E. Matthey) was crowned Swiss champ for 1956, runner-up "As de Carreau". 21 Swiss boats from Lakes of Neuchatel, Morat, Sempach, Zurich and Bienne were fighting for this title. Hereafter the results.

Tonnerre de Brest, winner also of the challenge "Pro-Jura";
 As de Carreau, runner-up. 3. Milan 4. Sinoe 5. Garoupa 6. Santa-Maria 7. Zephir 8. LaRafale 9. Quand-meme 10. Bosco III

At the end of season 1956 the representatives of the Swiss District met to discuss next season, which we hope will be active and more sunny.

#### WESTERN LONG ISLAND SOUND DISTRICT REPORT

District Commodore: Wait Jackson District Secretary: Ray Rodemich

Fleets: Western Connecticut (7); Larchmont Fleet (32); Little Neck Bay Fleet (55); Seawanhaka Lightning Fleet (88); Cold Spring Harbor Fleet (89); American Yacht Club Fleet (96); Northport Bay Lightning Fleet (98); Execution Rocks Lightning Fleet (106); Manhasset Bay Fleet (133); Hempstead Harbor Fleet (138); Eastchester Bay Fleet (163); Oyster Bay Lightning Fleet (200); Greenhaven Lightning Fleet (260).

District Report: The Western Long Island Sound Lightning District has just completed the 1956 season, a season highlighted by some of Long Island Sound's most fickle weather and most unusually conducted races.

The District Championships were held on August 11 and 12 with Larchmont Yacht Club acting as host. Dick Sykes of Manhasset Bay sailed his "Dixie" to a complete sweep of the series, winning all races. Andy Connell of Port Washington had two seconds and a fourth with "Blue Cloud" to take second place, followed by fifteen year old Terry Clark of Greenwich Cove with "Sea Lark".

The Senior Series, open to all adult ski pers and sailed in conjunction with the District Championships, was won this year by Howard and Jack Bradfutes' "Tribee", followed closely by C. Townsend Corning's "Wiggleflop" and Dr. Seymour Hordell's "Gold Crown".

On August 18 and 19 the Long Island Sound Championship was held off Noroton Yacht Club with Bill Cox of the host club repeating his 1955 victory. This was the fifth of this series which is conducted jointly with the Connecticut District. Bizzy Monte-Sano of Larchmont, sailing his "Gray Ghost", finished fourth in the series and was the first Western Long Island Sound boat in the standings.

Winner of the Yacht Racing Association of Long Island Sound Championship was Fred Hibberd of American Yacht Club in "Flash", followed by Monte-Sano and Fred's sister, Sis Hibberd, in "Splash".

## **BILL COX WINS**

Story of the 1956 International by Wayne Brockett

This story will differ from the others I have written on the International due to the fact that I was not an actual eye-witness to the races themselves. I was crew on a boat in the President's Trophy race. As a consequence I am greatly indebted to Gwen Lininger, wife of Ed Lininger who took the movies of the International, for her notes which she uses to write titles, etc. for the movies. You will of course realize that it is very hard to write a story in this manner and get it accurate so I ask you to bear with me if I make any errors. Were it not for Gwen taking the notes there just would not be any story and again I thank her.

Doris, my wife, and I started for Buffalo in a drizzling rain. However we were in high spirits thinking of the pleasant days ahead. Up through Connecticut to the Taconic Parkway in New York State. Taconic Parkway is beautiful and even in the falling rain it was a very nice ride. At Hudson, N. Y. we turned left and crossed Rip Van Winkle Bridge to the New York Thruway which is some highway believe me. Speed limit sixty and road very good. We reeled off hour after hour stopping only to eat lunch and feed a friendly dog that came up to the car. Arrived at the Peace Bridge in sunshine and went through Customs quickly. On to Ridgeway and Top-O the Ridge Motel where we stayed for the rest of the week. Very nice Motel too. Going through Ridgeway we saw Lars Olsen, who builds those beautiful Lightnings, emerging from his favorite tea room which he always visits when at Buffalo Canoe Club. We had dinner at the same tea room and then visited the club. To the Motel and then home for some shut-eye.

Back to the club next morning and it was a beautiful sight. The club is large and is set among large shade trees with a wonderful beach immediately in front. Clear water and very fine swimming. A very long dock runs out to a large boat house beyond which is another long dock running way out into the lake. It's a very, very fine place to hold a regatta. Walt Swindeman was already there and Al Oberson. Shortly afterward we met Bev and Charley Dore. Charley had a new Lippincott named Queen Bee. Next we met Mr. Adams and his daughter, that swell girl and wonderful skipper who you know as Margie. Later met his son Bob, and here is a happy family if ever I saw one, and a little later Mrs. Adams came along and we had a nice long talk.

As the day wore on we met more of our old friends and it was like old times again. It's worth going to the Intl. just to meet these old friends.

Next morning more of the boats had arrived and by golly there was that red hot skipper Gene Walet with his very nice Daddy. Gene's Dad sailed with him in the Intl. and this is a tough pair to beat believe me. Lars Olsen came back from wherever he had been and we held old home week. That evening Bud Olsen, who I

"The Winner"

was to crew for, arrived and we launched and rigged his boat. Then we went to a steak dinner given by Mr. Adams and what a dinner it was, Steaks about two inches thick and you could cut them with your fork. Mr. Adams sure is a swell host. See why we go to these boat races.

Next morning there was a tune up race and the air died and we came back to the club. I had previously sailed in a race with Karl Smither and had the same thing happen so was beginning to worry about the weather for the Intl. Remember a few years ago at Buffalo? Well don't worry it isn't going to happen in this story. In the afternoon we sailed in another tune up race and did very well. Upon arrival at the club we met our very good friends the Bill Cox's and Bob Smith. Both Bill and Bob come from Darien, Conn. We expected big things from them and weren't disappointed. Libby, Bill's wife and I went up to get sails measured and Bill got the boat ready. That night was the annual meeting with the usual hassle.

Doris and I helped Margaret Teske fix a light in the place she was staying and then off to get some sleep for the next day was THE DAY.

The big day dawned cloudy and it was blowing. Out the door and off to the restaurant for breakfast. Nice eggs and Canadian bacon. We were just finishing when Bill and Libby Cox arrived. Bill seemed very calm and collected but his brother Gardner, who crews for him was eager to get going and rode back to the club with us. I feel the same way on race day. At the club we found other early arrivals on the dock getting the boats ready. One boat had the beer flag flying off the deck and no doubt they were serving. A little early though, don't you think? Finally everyone arrived and Bud and I shoved

off for the President's Trophy Race and from here on the story will be told from Gwen's notes. I didn't see it but it was a thrilling race alright.

The sky was still overcast with the wind SW at 18 miles. A cold stiff blow with the water very choppy. The low hanging clouds were magnificent. At 10:00 A.M. the warning gun sounded and everyone got ready to go. The course was 5-3-2 twice around and finish at number one flag. At 10:10 the starting gun went off and first boat over was Charlie Allaire in 6070, INVICTUS.

Gene Walet took an early lead and stayed that way to the weather mark. Then the spinnaker run and what a gorgeous sight with the vari-colored kites flying in the stiff breeze. Gwen told me that she would be watching Tommy Allen, the present International Champion who had only just this past summer married his crew member Anne Smither, the daughter of our very esteemed friend Karl Smither. Tommy really wished to make this number three but in the Lightning Class it's a hard thing to win this big Casino once let alone three times. Gwen also was watching the happy Irishman, Tom Fallon whose boat sails with "no Hands" "easy as pie", according to Tom. She also was watching the newcomer to Lightning circles, a former big boat sailor, Bill Cox from Darien, Conn.

The second time around Walet was still in the lead with Tom Allen working up to second place. After half a mile of this Bill Cox passed Allen and when they rounded the 5th mark it was Walet in the lead with Cox second. On the last beat to the finish Cox passed Walet to grab first place. A very exciting finish. First Cox in ZIG ZAGGER, second Walet in Spirit 111 and third Hank Cawthra in 6066. Fourth was Tom Allen.

Everyone then retired to BCC for lunch and Loganberry punch. After a nice rest they went out to have another go at it. Wind had shifted to the West still at 18 miles and the barometer was rising. Course was 1-2-3 twice around.

This start looked like a parade. They were away to the weather mark and first to arrive was Pete Grainge in #467 RAMPAGE. Second was Walt Swindeman in YANKEE DOODLE followed by Tom Fallon in FLARE. Fourth was Charlie Dore in QUEEN BEE and fifth Gene Walet.

Cox was 17th at this mark. Fallon picked up the two leaders on the spinnaker run and led at the second mark with Swindeman in second spot. The air is getting lighter. At the fifth mark Fallon has worked out a good lead. Bang goes the finish gun and it's 3 minutes and 5 seconds before Walt Swindeman shows for the second spot. Third is RAMPAGE with Pete Grainge, 4th is Walet and fifth Cox. How Cox got out of the tank I will never know but it must have taken some doing. After this second race Cox and Walet were tied with 86 points each. Second was Pete Grainge with 83, third Tom Fallon with 82, fourth was Walt Swindeman with 79 and fifth Tommy Allen with 78 so you see they were certainly close at this time.

Next morning we were up early and had eggs and Canadian bacon again. At the club the skippers and crews were engaged in very quiet serious conversation I could sense a growing tenseness in the atmosphere. We walked out the cat-walk to the outer boat house and took big sniffs of the cool, crisp air. It was a good day to be alive. Looking down from the catwalk to the shallow, clear water, the whole bottom looked like a whole tray of cocanut bars with the sunbeams dancing like butterflies

here and there. Out at the moorings the boats lay quietly. As one gazed at the skippers and crews getting aboard he could not help but think about what fine people these were that sailed and raced Lightnings. Sometimes squabbling in the heat of a race and maybe just after, then as soon as the boat is tied up everyone is the best of friends and spends the evening singing and partying with the same one whom he had beat on the head during the race. Then the next morning back to the boat determined and serious. Well to get back to the story, we watched the crews pack spinnakers and the boxes contained the names of the labels of many fine whiskies and beers. On the way to the race the clouds were fantastically beautiful. The course was 1-2-6,-1, once around and finish at 1. Wind 15 miles from the Northwest.

A hair-raising start and they are off. Tom Allen is first at the windward mark. In second spot yacht 6494 and third Yankee Doodle, closely followed by Karl Smither in THERMIS 3 Ms. The course is a long thin triangle running out into the lake a good two miles. It is landlocked and smoother at its base and blowing and rolling at its apex. Spinnakers pop at the mark and Tom Allen's is lipstick red. Tom gradually pulls ahead and Cox finds himself blanketed. Walet at this time is in tenth place. The sky is deep azure and the clouds are breaking up and scattering. It is climbing toward high noon. Fallon is about fifth and the boats out near the mark are making heavy weather of it. As they again start to weather, Point Abino Lighthouse shining white in the sun looks like a child's toy. The crews are soaked. Cox is two boat lengths behind Allen and suddenly he is ahead. He keeps Allen covered and finishes first with Allen right on his tail. The wind is now dying fast and it is getting hot. Much yelling from spectator boats. It now stacks up with Cox leading followed by Allen with Karl Smither in third spot. Fourth is Tom Fallon and Fifth Gene Walet. We all have lunch and loganberry punch.

The 4th race starts at 2:30 P.M. The lake is just covered with boats as one looks toward the American shore with the city of Buffalo in the distance. There are seven shades of blue hulls, many shades of green and some red and yellow. One is pink and another lavender. Truly a sight one will long remember. Toward Buffalo the sky is black with choppy little waves on the lake. The whole thing is one great shimmer. The course is 5-2-3-1 twice around and end at #1. One boat is fouled at the start. The air lightens shortly after gunfire. Allen gets a shaft and gets out ahead with GREASED LIGHT-NING close behind. At the weather mark it's Allen, Swindeman and Freddy Hibberd in #5003. A few luffing matches develop. In the light air it seems the only way to pass boats. At mark #3 Allen is still ahead with Swindeman second. Boats pile up at this buoy and there is much thumping and yelling. At mark #5 Allen is still leading with Swindeman second but Herm Nickels, the boat builder, is now in 3rd spot. Allen holds his lead to the finish followed by Swindeman, Nickels, Cox and Smither.

A big party takes place this evening. Dancing to Murphy's Barefeet Philharmonic. The preacher who is an honest to goodness Episcopalian Minister proves himself really "hep" on the dance floor. Bob Graf relates some stories that are horribly funny and of course sings Dry Bones which is a little short on pure music but much in the acting department.

The point standings now are . . . . Bill Cox 131 points,

Gene Walet 127 points, Fallon 124 points, Allen 122 points and with 114 points.

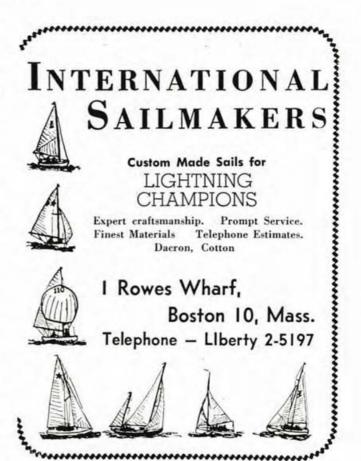

Big skulls the next morning and back to the races. Course 2-5-3-1 twice around, buoys to port and end at #1. Perfect Lightning weather. Everyone tense and a little weary. Allen and Cox running each other up and down the starting line and bang goes the gun and they are away. Cox is first at the weather mark followed by Hank Cawthra and then Mack Goodwin. Walet is 6th and Allen 15th. A reach and a beautiful spinnaker run and Cox still leads followed by Cawthra. Walet gets his spinnaker in the water and Allen has picked up a few boats. At the 4th mark it's Cox, Cawthra, Walet, Charlie Dore', and Allen has now moved to 7th. All the spectator boats spurt for the finish line keeping well out of the way. They anchor as close as possible to BURGEE the Committee boat and the roar is deafening as they wait for the finish of the series. Cox the new International Champion is first over and the horns blast and blast. Cawthra is in second, Walet third, Wes Wiedrick fourth, and Charlie Dore fifth. A few moments later the water's edge is a beehive and the big lorry is yanking out boats at a great rate. Some eager skippers run their own trailers into the water and haul that way. Lots of excitement and are we proud that our Connecticut skipper has won the big Casino. We are as happy as he is and proud of him.

That evening everyone turned out in spit and polish for the big event, namely the trophy banquet. The girls in their gay cottons sure did look beautiful. After three days of blowing and getting soaked the fellows turned out in white shirts for the first time in a week. An elegant repast was served in true B.C.C. fashion, after the very impressive flag lowering ceremony in front of the club. The dinner consisted of filet mignon, baked potatoes, broccoli, salad and dessert. At our table we reserved a place for the crew of Zig Zagger which won the International, namely Bill Cox, his wife, brother Gardner and Bill's son. Bill was held up due to the fact that someone had backed into his trailer and broken it and Bill had to have it repaired. However he arrived in due course. At the speakers table was Commodore Warren Hunt of the BCC and Mrs. Hunt. Also incoming LCA President Bob Mann and his wife Audrey. Also the Fleet Capt. of BCC Lawrence Whistler, General Regatta Chairman, A. Lawrence Holcombe, LCA President, Ross Allen, and other

All the thank you remarks were said and certainly the Committee should have been thanked, and then some, as they put on a terrific regatta. It was beautifully handled and smoothly run. Then came the big moment, the awarding of the trophies. As is customary in Lightning Class International banquets the Presidents Cup trophies are given out first and in reverse order, that is the fifth place trophy is given out first, then the fourth place trophy and so on. Fifth place in the President's cup was awarded to Alex Carlin from Detroit. Fourth place to Bill Walker of Erie, Pa. Third to John Palmer, Snyder, N. Y. Second to that swell skipperette, Marge Adams, Bay Head, N. J. and first to Dick Karslake of Chautauqua. N. Y. They all did a very fine job of sailing and certainly deserved the trophies.

Next President Allen presented the trophies for the International.

Fifth place to Herm (Lightning builder) Nicols, Fourth to Karl (the new Mr. Lightning) Smither. Third to Tommy (twice International Champion) Allen. Second

to Gene (twice North American Sailing Champion) Walet and first to Bill Cox of Darien, Conn. now the new International Champion. What with place flags, etc. Bill really took home some load of loot.

To go back a moment to the President's trophy presentation. When John Palmer of THREE WINDS got his third place trophy he and his crew sang a song that almost had everyone rolling in the aisles. And when Marge Adams of WHIRLWIND got her second place trophy she gave her boy friend who is also her crew, a great big kiss. He seemed to enjoy it very much.

And now came what to me at least was the only sad note in a very happy evening. Walt Swindeman was presented with a very fine cartoon picture of him and Lars Olsen. It was very funny and I couldn't help laughing until the reason for the presentation was given. Walt was leaving the Class to sail a Dragon from now on. To me who has for many years been steeped in the traditions and customs of the Lightning Class it was a hurt to see Walt go. I have for many years admired his flawless sailing and helmsmanship, have slept at his house and eaten at his breakfast table, and been friends of his and his very nice wife Dot, for many years. I felt somehow as if a part of the Class was gone with Walt and indeed it had for we shall all miss him very much. Karl Smither is now the new "Mr. Lightning" and it couldn't happen to a nicer guy or one who deserves it more.

After trophy presentation there was music, dancing, elbow bending and goodbyes between friends. Doris and I walked out to our car with Mr. and Mrs. Adams who are the parents of Marge. We drove away with many happy memories of a wonderful regatta. God willing we shall see you all in Connecticut in 1957.

Buoy B-Calla Harbour, Plaza Brothers from Ecuador, "#52", making turn before Spinnaker run.

## 1956 PAN-AMERICAN & SOUTH AMERICAN

## Lightning Class Championships

From March 25 to March 31, a triangular course laid outside of the protected harbour of Callao was the scene of the latest Pan-American and South American Lightning Class championships. The windward buoy was anchored near the Naval School of La Punta, while the leeward buoy was set 11/2 miles north. Buoy number 3 was due west of number 2 about half a mile. The course was in the middle of the unprotected anchorage where the Peruvian Navy maintain their destroyers and landing ships, and where commercial boats also anchor. Sea conditions are always perfect there, with a gentle swell at the most, and steady southerlies in the afternoon ranging up to about 12 knots. Morning winds usually began from the north to veer south at midday. This made the morning races quite unpredictable due to the midrace change of wind, and caused many heart-breaks to some of the midrace leaders. Races were held morning and afternoon for the South American and Pan American championships, a day began with a Pan American race, and the next day a South American race was the starter.

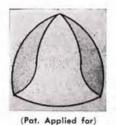

Organization was perfect, most details being handled by Jose Barreda Moeller, the Secretary of the Peruvian Lightning Association. Boats were furnished to all competitors by the Peruvian Yacht Club, except to the three Ecuadorian crews, who brought their own boats thanks to the nearness of the countries and the courtesy of Grace Line. Sails were furnished by each competitor. Club facilities in Callao were also topnotch, the landing float, the anchorage, first class-and the Peruvian paid hands cheered all winning nations and crews especially when a little beer was passed around in each after-race celebration. Most of the boats were built in Peru, except two or three, and the Ecuadorian boats which are Dutch built. All sails, however, were American, practically all dacron. Undoubtedly the Uruguayan Goldie was the undisputed star of the championships. Racing a Peruvian built hull, he won all races except three. Two were won by the Plaza brothers from Ecuador, and one by Carlos Navarro, from Peru. Garcia from Uruguay was also a steady finisher ending up high in the final standings. Five races had each championship.

The results in the Pan-American Championships were:
1. J. C. Goldie (Ur.); 2. H. Garcie (Ur.), and C. Navarro (Peru); 3. E. Plaza (Ecuador); 4. J. B. Baader (Arg.);
5. P. Rosello (Peru); 6. B. Barreda (Peru); 7. R. Obregon (Col.); 8. A. Piazza (Peru); 9. J. Kursell (Peru); 10.
A. Isola (Peru); 11. E. Estrada (Ecuador); and N. Pecharich (Ecuador); 12. M. Gutierrez (Peru); 13. M. Jacob (Colombia) and J. Barreda Moeller (Peru); 14. J. Russell (EE.UU); 15. Curutchet (Argentina); 16. T. Alcaro (Peru); 17. G. Aldana (Colombia) and 18. B. Takefman (CA.) and B. Elsner (Bolivia).

From all reports this was one of the best International sailing championships held in South America, and set a standard for all future competitions. Boats were delivered in perfect condition, lodging was furnished by the Peruvian Club in some of the best hotels in town, and lunch was given in the club, although at times there was a tremendous scramble to grab something before starting time came up in the afternoon, especially when winds were light and it took half an hour to come back to the

# ROLLER WIDER SPINNAKERS

Experimental Lightning (We chose a lower center of effort)

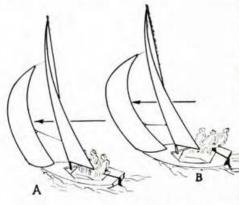

"E SCOW"

RANGER CLASS

#### ARE SHAPED TO SUIT THEIR BOATS

A BIG BELLY IS BEST FOR A LIGHTNING BUT ON AN "E" SCOW OR DEEP-KEEL BOAT BROAD SHOULDERS ARE BEST.

The scow can only reach with a chute when the wind is too light to plane her. Within limits, the position of the center of effort of a spinnaker can be places high or low at the option of the designer. It has been proven repeatedly that Lightning A can sail through the lee of B in a breeze and when the wind pipes up, goes into a plane while B struggles to stay up-

THE PRINCIPLE OF THE ROLLER is wider flight.

The arcs represent the cross sections of two spinnakers of the same girth. It is evident that the flatter sail intercepts more wind and can reach closer. What is not evident is that a conventional chute can not open as wide as a ROLLER. Only by carefully tailoring the spinnaker from many specially shaped pieces is it possible to make its luff stand out as a stun'sl without a yard arm. This feature is original by Walter W. Roller and is patentable.

ROLLERS ARE DESIGNED TO PROMOTE FREE FLOW of the wind. The pocketless vertical profile lets the air out at the foot freely. When reaching the smooth flat cross section

flows a good bit of the wind off the leech. This flow adds suction to leeward to the impulse of the wind and gives the spinnaker (and the main on a reach) a lot more power. Spinnakers can stall like an aeroplane or a main that is trimmed too close. Ridges in the sail help to break the suction sooner. Therefore it pays to tailor them into smooth curves even at added cost.

When ROLLERS were first introduced in 1955, they were built to the exact dimensions of the specifications without using the maximum tolerances. We believe this to be the spirit of the specifications. There are, however, many spinnakers that go to the outer limits and many of the skippers feel that they are at an unfair advantage even though ROLLERS can usually beat the bigger boys in the brushes. We, therefore, reluctantly came out with a

In our Lightning Class last season, Com. Ben A. Smith, II of
Annisquam, Mass. used a ROLLER in all but six races, and
took 17 firsts, 3 seconds, 2
thirds, 1 fourth, 1 fifth, 2 sixths
and had one breakdown. He
won Marblehead Race Week.
Two Firsts and a Fourth failed
to give him the Mass. District
Championship. He was fleet
champion and won six special
trophies.

In the 1955 Michigan Districts, Alex Carlin had to restart so was last in that race. Using his ROLLER he passed 14 boats on the free legs of the first round, and won the race on the second round.

Last year in the Raven Championships only Bob Smith had a Roller. In one downwind leg he tacked from 21st place to 1st.

In the Dragon Class at Santa Monica, Ralph and Sally DeLuca won 23 of 35 races, and Sally says "Now have the spin. really flying. All firsts from Sept. to Dec. by at least 5 minutes on most races. Pretty Good Sail!"

race course outside the breakwater. It was too bad that under those conditions, the American fleets were unrepresented, and Russell, a local resident, had to defend alone the American colors. All three Colombian crews carried ladies on board, giving a feminine touch to the regatta, and preventing any outbreak of bad manners in the buoys especially. This being the first time the Bolivian sailors had sailed at sea level, they were lost in the heat of these latitudes. Missing the howling and freezing winds of their 14,000 feet high Lake Titicaca, they showed great spirit in spite of all their handicaps. We bow to them, and salute these courageous stratospheric Lightning

sailors but hope never may they hold the Lightning Internationals in their frigid waters.

This championship was another step in forging better ties between South American Lightning sailors. The class promises to become the standard International type at least in South America, and International meets will fast become common as a result. Proof of this is that in October of 1956 a ten boat regatta of Peruvian, Colombian and Ecuadorian crews were held in Guayaquil with wonderful success. Ecuador won the first three places. 1. Plaza; 2. Estrada; 3. Navarro of Peru and Plaza of Ecuador tied.

### LOG OF THE "ZIG ZAGGER"

#### TUESDAY, SEPTEMBER 4th:

We trail all day via the New York Thruway. Supper at the Buffalo Canoe Club. Check in, get weighed and launched, step mast, drop mooring. Sails are measured.

#### WEDNESDAY, SEPTEMBER 5th:

In morning tune-up race in very light air, we tack in what later proves to be the "wrong" direction—are at least a mile bhind the leaders when race is called off. In afternoon tune-up race we take the "right" tacks, finish 3rd to Stu Anderson and Carl Eichenlaub.

#### THURSDAY, SEPTEMBER 6th:

FIRST RACE: At warning signal, skipper begins to show nervousness. Crew calms him with, "Relax! We'll call the shots. You keep her moving." At start, we find ourselves with clear wind several boat lengths up the line from Walet; but he rides the shifty northwest puffs best of all, leads the fleet at every mark.

Three-quarters up the final beat to the finish, we're in 4th or 5th place, well offshore of nearby boats. "Time to play safe for 5th," says crew. "Okay. Ready about," says skipper. But at that moment our main sheet parts at the cam cleat, and we have to stay on the same tack for repairs. Minutes later when we're finally able to come about, we pick up a huge lift off the Abino shore that puts us right up with the leaders. As we converge with Walet about 50 yards from the line, he yells, "Starboard tack!" We bear off under his stern, fetch the finish without tacking, and thank him for handing us 1st place. If he had tacked instead of crossing us, we would have been 2nd . . . If our old main sheet had been stronger, we would have been 5th . . . . Cawthra is 3rd, Allen 4th.

AT LUNCHTIME: Hear that Bob Crane, one of our three representatives from Fleet #134, had his spinnaker halyard jam aloft, causing him to sail past the leeward mark into last place. Finished 34th. Real tough luck.

SECOND RACE: We get out of phase with the wind shifts, turn the first mark 17th. Do little better on the next five legs, begin the final beat 15th. Split tacks from most of the fleet by heading toward Crystal Beach. Are blessed with a sizable inshore lift that moves us up to finish 5th, directly behind Walet. Fallon won this race by more than three minutes over Swindeman, with Grainge 3rd.

The rest of our Fleet #134? Bob Crane's spinnaker halyard didn't jam again, but Bob Smith's did! Dropped him to 35th. Nobody knows for sure what's causing these jam-ups. Is there a jinx on all three of our fleet? Will we be next? We check and re-check our gear.

#### FRIDAY, SEPTEMBER 7th:

AT BREAKFAST: With three races to go, we decide against match-race tactics, even though tied with Walet. Grainge, Fallon, Swindeman and Allen are all too close, within 3, 4, 7 and 8 points, respectively.

THIRD RACE: Allen leads at every mark. We vary between 3rd and 4th, finally get 2nd at the end of a long leeward leg when the two boats directly ahead of us have a mild luffing match.

On long beat to finish, we stay out of phase with Allen so he can't cover. Finally we get a strong puff combined with a lift, jump into the lead, cover Allen the rest of the way to the finish. Smither is 3rd, Fallon 4th, Walet 5th.

AT LUNCHTIME: With 4 points over Walet, 7 over Fallon, and 9 over Allen, we decide to start in the vicinity of Walet, but still not indulge in match-race tactics.

FOURTH RACE: Wind is still shifty out of the northwest, but lighter, more full of holes. Port end of line seems favored. Walet goes for it, on starboard tack. We follow, only one boat between. All three look early, try slowing down. Still look early. Walet has to bear off at the Committee Boat and jibe for a re-start on port tack under the entire fleet. Gun goes. Boat to leeward of us luffs around the Committee's anchor line. We pinch by, take his wind, get "safe-leeward position" on the rest of the fleet.

Then it happens. We sail into a flat spot while boats at the starboard end of the line get puffs with a general shift to the right. Most of the fleet lifts inside of us. We're deep in the cellar, and it's a cold, cold feeling.

No choice now but to continue on one long starboard tack toward Point Abino. Near the lay line we get a header, come about onto port tack. Still look bad—but what's this? Boats in the middle of the bay look flat. They ARE flat! Crew keeps saying, "Watch your pennants! Keep her moving!" We carry air along the Abino shore and glide up to about 14th at first mark. Boats ahead on the second leg lose all headway. We hold high, drift past some, then detour toward shore by tacking at right angles to the course, in almost no air.

Breeze finally comes in again off the beach. Allen, already well ahead, gets it first, pulls out into a tremendous lead. We benefit too, move up to about 7th. On final beat we pick up a favorable slant into 4th place. As we cross,

Tom Allen extends his greetings from a power boat, having already put "Atom" away for the night after winning by more than 9 minutes over Swindeman. Fallon is 15th, Walet 16th. A lucky race for us . . . .

#### SATURDAY, SEPTEMBER 8th:

AT BREAKFAST: Scoreboard shows a lead of 6 points over Allen, 16 over Walet. Decision is unanimous to match-race Allen, especially since he outsailed everybody yesterday with his 2nd and 1st.

FIFTH RACE: Ten minutes to go: we begin shadowing Allen, tack for tack, jibe for jibe. Five minutes to go: we almost lose him in close quarters with the rest of the fleet. Four to go: we're on his tail going away from the line. Three to go: we're leading him back to the line. If he's nervous, he doesn't show it. Can he see how nervous we are? Two to go: we're leading him down the line, in position to force him to overlap us to windward. We kill headway. One to go: he outmaneuvers us by a sudden burst of speed through our lee. Positions are reversed! Now he's just ahead of us, lying in wait to force an overlap on us. He lets both sails flap; so do we. He loses headway; we back our mainsail. Ten seconds to go: Allen takes his eyes off us to look down at his watch; at same moment we trim both sails simultaneously, leap ahead while he's still flapping, take his wind. Gun! Allen gets smothered by other boats too, can't get clear air, comes about, heads off on port tack under most of the fleet.

Cawthra is nearby. We both tack and instantly fall heir to a 20-degree port shift that lifts the two of us across the bows of the entire starboard-tack fleet. Both come about to starboard of the fleet, then get a starboard-tack lift that moves the two of us into a sudden quarter-mile lead.

Part way up the second windward leg we catch the offshore edge of a strong inshore lift that jumps us well ahead of Cawthra, as our slant never reaches him at all.

After rounding the last mark and sheeting down for the final beat to the finish, crew says, "Just play safe, and don't let anything break!" Seconds later a puff hits us broadside, there is a loud "boinng!", the whole boat twangs, and the jib starts coming down. First thought: "There goes the series!" Then, out loud, "Let off the jib sheet! Hoist the jib on the spinnaker halyard!" Voice from forward, "Don't need to! The jib halyard didn't break—the ball just came out of the catch. Probably wasn't seated properly!"

Jib gets fully re-hoisted and we succeed in playing safe the rest of the way up the last leg. Prolonged din from the large spectator fleet as we cross the line. Cawthra still 2nd, way ahead of Walet in 3rd. Allen looks to be about 5th—a remarkable recovery after virtually re-starting—will be series runner-up over Walet with plenty to spare. But wait! Allen is hardly moving, has fallen into a flat spot, gets passed on both tacks, finally finishes 15th . . . . Walet is series runner-up, Allen third.

What happened there to Allen happened to everybody at various times, and in greater or lesser degree. Throughout all five races the wind was "offshore"—full of puffs, shifts, and light spots. Cawthra got a 24th, Crane a 42nd, Fallon a 28th, Grainge a 26th, Swindeman a 33rd, to mention only a few of the unlucky. So, in a series like that, we on "Zig Zagger" know how really lucky we were!

#### **EUROPEAN INTERNATIONAL CHAMPIONHIPS**

held by Fleet 268 at La Neuveville, Switzerland

August 8-12, 1956

From the very beginning of August, La Neuveville's yachting harbour showed intense activity. Lightnings from everywhere are joining; so are the crews: Italians, Greeks, Finnish, American and Swiss.

It's raining all day along, but this morning, the 8th of August, east wind begins to blow. If it keeps blowing on through the night, fine weather is at hand and will last

for several days.

In the afternoon, the crews, foreign and national, are welcomed by the Muncipal Authorities; friendly words are exchanged, the wine flows abundantly, skippers and crews smile, yachting friendships are established. Without it, sport would mean nothing. And what about the races? We shall think about it tomorrow. For the moment, everybody enjoys this first great success; the first meeting of all European LCA districts and the presence of our American friends, Dick and Mel from Fleet 229.

#### THURSDAY, AUGUST 9TH

1st Race. The weather is sunny and the first race is fixed at 9 a.m. Many spectators flow to the harbour to attend the crews' activity before the start. The inhabitants of LaNeuveville are not given everyday the opportunity of admiring 31 Lightnings in their harbour! Meanwhile, the jury is getting busy and the Blue Peter is hoisted. The 31 Lightnings are approaching majestically the starting line. The winds are very light, which in the general opinion, will be favorable to the Swiss boats, the sails of which are very curved. In fact four Swiss Lightnings (Santa-Maria, Quand-meme, Marie-Galante, Pluto) take the lead. A fifth Swiss boat, Tonga-Tabou, is unluckily disqualified in favor of the first Italian Boat, Posillipo, from Naples. Then follow closely Sidian (Finland), Fandango (Italy), Milan and Maeki (Switzerland). Sixteen minutes separate the first from the last arrived; the battle has been severe!

2nd Race. The start of the second race is given in the afternoon, the winds are still light. Twice the start had to be cancelled, as too many boats made an early start. Finally at 3:20 p.m., the whole fleet crosses the line looking for the wind zones. Temporale (Italy) and Santa-Maria (Switzerland) are in front. On the free run, the boats closen again to each other and some 25 boats are flocking around the last mark, whilst the winds are blowing stronger. Four Lightnings are ahead; they are: Santa-Maria (Switzerland), Sidian (Finland), As de Carreau (Switzerland), Temporale (Italy) followed by Tonnere de Brest and LaRafale (Switzerland). The finish is very exciting, Santa-Maria is the first to cross the line, but unluckily she has to be disqualified for not having observed a right of way rule during the race. The day's results are: 1. Sidian of Finland; 2. As de Carreau of Switzerland; 3. Temporale of Italy; 4. Tonnere de Brest of Switzerland; 5. Saraco of Italy; 6. Garoupa of Switzerland and so on.

#### FRIDAY, AUGUST 10TH

3rd Race. The winds changed to west, slightly at first then increasing in intensity. Soon after the start, As de Carreau, followed by Milan and Tonnerre de Brest (all Swiss boats) take the lead with Saraca (Italy) pursuing. On the free run, the mentioned boats enlarge their lead. At the next mark, the winds are still increasing and one can notice that the Italians, perfectly mastering strong winds, are catching up! Yet, two Swiss boats, As de Carreau and Milan, are the first to cross the finish line, followed by the Italians Temporale, Turbine and Fandango.

In the afternoon, the winds were so desperately slight, that the jury decided to cancel the given start, an hour

SATURDAY, AUGUST 11TH

4th Race. The weather is no longer fine. A west wind blows strong. From the beginning, it was obvious that the Italians were to master the battle-field. And so it

happened.

later!

Some 1200 spectators had gathered and flocked by the harbour and the starting place. A loud-speaker was commenting on the race and the colored spinnakers were generally admired. The boats are splashing and foaming along to the great joy of the public who applaud frantically at each arrival. The whole town is talking of nothing but the races, commenting on them in their own manner! The first five boats are Italian ones: Posillipo, Temporale, Saraco, Fandango, Turbine followed by four Swiss boats: Sinoe, Tonnerre de Brest, IaRafale and Schufti and then

a Greek boat, Gipsy.

5th Race. In the afternoon, wind gushes whistle in the shrouds, reefs are set, crews dress water-proof, life belts are at hand! At the start, LaRafale (Switzerland) breaks her mast; a collision disqualifies Tonnerre de Brest (Switzerland); a further collision entangles two masts and both boats capsize! It was exciting! Some boats did not start and only 20 out of the 31 finished safely! Yet the Italians take advantage of that and enlarge their lead; whereas the Greek boat under spinnaker was to capsize by the island of St. Peter! A strong rain set in but the public still waited to see the finish. Six Italian boats are the first to cross the line and well deserved is their triumph: Fandango, Posillipo, Temporale, Turbine, Saraco and Icaboba. Then come Garoupa (Switzerland) and Sidian (Finland).

TEMPORALE (Italy) becomes the European Champion of 1956. She had worked and sailed splendidly in all races and her skipper, R. Camardella, can be proud. Brilliant runner-up was FANDANGO skippered by F.

Cavallo.

1956 European Champion: Ralph Camardella with his crew, Sergio Capolino and Salvatore Bonett.

Yacht Club at LaNeuveville with flags of participating countries flying in the sunrise.

In the Swiss District Championship, TONNERE DE BREST, skippered by Theo Moeckli, our Swiss District Secretary, became Swiss District and Fleet 268 champ for 1956. Runner-up in both contests, AS DE CARREAU,

skippered by J. P. Luthy.

Saturday evening, some 250 persons took part at the official banquet offered by Fleet 268 at the Hotel J-J Rousseau. Diplomatic representatives of all countries participating in the races also attended. In cordial terms, the representatives of the LCA European fleets expressed their joy in participating in our Championships. Then, Antonio Tafuri, leader of the Italian crews' syndicate, pleaded the cause of the poor crewmen, always victims—"when the race was victorious the skipper earns all the triumph; when it was a defeat, the crewmen are always accused"!

The bar of "Joyeux Tribordais" contined all night through the merry feast and ended these Championships.

# SWINDEMAN WINS MID-WINTER LIGHTNING CHAMPIONSHIP

By Spencer Brown

Walt Swindeman, perennial champion, took advantage of St. Pete's fickle breezes to capture first place in the 10th Annual Mid-Winter Regatta, held February 22, 23 and 24th.

Using a borrowed boat and a bang-up crew—Howard Boston and Dick Krauss, Swindeman paced the fleet with a steady 4-8-2-3-14, taking advantage of every break to capture not only the coveted trophy, but also to retire the Muggs and Skeeter Trophy which had withstood the assaults of skippers for the past ten years.

The Toledo Express, which Walt raced to victory, is owned by Toledo Lightning sailor Bud Nelson, who was unable to come to St. Pete due to a sudden race of his

own with the stork.

The weather was fitful and ranged from sunny warmth to winter cold. Skippers started with full canvas and finished with rail down breezes. The air hauled all over the compass and often boats, completely out of the running, roared down to the mark from nowhere to make a spine-tingling bid for the lead.

The first race on Friday morning got off to a cold (52°) start with a moderate 7-12 mile wind that caused skippers and spectators alike to bundle up like Eskimos. The first time around found Smithers leading the pack with Swindeman and McIntosh in close contention. At the final gun it was Smithers, Crane, Fallon, Swindeman

and Stueland in that order.

Friday afternoon turned out to be warm and sunny, and the second race was held in moderate breezes with clear skies. The second spinnaker leg caused the crews to look lively as the wind hauled sharply and spinnakers were dropped all down the line. Anderson, Wiedrick and Nelson led after the first lap, but it was Nelson, Wiedrick and Oberson at the finish.

The third race on Saturday had all the skippers keyed up to a high pitch — more familiar with the weather and rarin' to go. In cold and sunny skies Fallon, June Methot and Shay rounded the first leg in the lead. Fallon was able to hold his position, but Swindeman and Crane charged up from the pack to take over second and third

positions.

In the fourth race, Saturday afternoon, Wes Wiedrick held a commanding lead all the way, and came home the winner in an 8-10 mile wind. The top skippers literally held their positions all the way as Olsen and Swindeman chased Wes throughout the race for the second and

third spots.

Saturday night was marked by a gala cocktail party to end them all. The "Off the Record" affair found our denizens of the deep dressed in the weirdest collections of song-title costumes ever seen this side of Tin Pan Alley. Joe Stueland's gang from St. Joe, Michigan, dressed as The Seven Dwarfs (minus two), Sneezeyied, Sleepied, and Dopied their way to title honors in this popular event! The rest of the happy gathering tried their best to feel terrible the next morning!

Sunday's fifth and last race caused enough excitement to give the Lightning Hot Stove League many a yak-yak during the cold spring months. Jon Ruhlman's Ruler

The winner and still champion, Walt Swindeman.

broke his spar and Martin O'Meara's Baby capsized on the spinnaker leg. Other boats charged all over the course in the whitecapped seas, as all made their final bids for victory.

But in the showdown it was Wynne the winner after leading all the way, closely followed by Carlin and Smith-

ers, at the final gun.

So ended the 10th Annual Winter Championships with a brisk breeze singing through the rigging and a tired and happy Lightning gang pulling out their boats for the long haul home.

This race saw a red-hot group of ardent skippers trailer in from all parts of the United States. The racing was keen, the sportsmanship superb and the fun plentiful, as 55 boats waged their hard-fought battles around the

course.

# URUGUAY RETAINS CONTINENTAL TITLES

Jointly sponsored by the Uruguayan Yacht Club and the Uruguayan Lightning Class Association, the 3rd South American and 3rd Pan American Championship regattas were held in Montevideo, during the week of February 17th to 24th.

In spite of the notorious absence of a U. S. team, these regattas turned out to be the greatest International sailing event ever seen in South American waters, both in number of countries represented and quality of the crews taking part.

This year it was Felix Sienra Castellanos and his crew of Victor Trinchin and Walter Perez who, sailing a borrowed Club boat, upheld the Uruguayan colors by taking first place in both events. Second and third place in

the S. A. event went to Julio C. Goldie of Uruguay (winner of last year's Championships held in Peru) and Carlos Navarro, Jr. of Peru respectively; and to Carlos Navarro, Jr. and J. B. Baader of Argentina in the Pan American.

Altogether seven countries were represented by a total of fifteen crews, divided as follows: Argentina, three; Brazil, three; Colombia, one; Chile, one; Ecuador, one; Peru, three; Uruguay, three. Except for the three Argentines and Navarro of Peru, all crews sailed locally-built boats kindly lent by their Uruguayan owners.

The racing schedule was hampered by a persistent bad weather during the beginning of the week, which delayed the start of the first races to Tuesday the 19th. In the

following days, most races had to be held in the morning with strong winds and choppy seas. These conditions favored the local River Plate crews who established a net superiority in the opening races. Alberto Migone and Jorge Valera of Argentina, Felix Sienra and Julio Goldie of Uruguay took turns at leading the fleet, and soon it was clear to everybody that these crews would divide the honors among them. However Lady Luck and Sienra's superb sailing soon took a heavy toll of the Argentine hopes.

In the 3rd race of the S. A. event, the leading Valera was disqualified by one of his own teammates on a port and starboard right of way (some teamwork!!) and in the 4th race, Mignone, then leading, left a Government buoy on the wrong side and was thus also disqualified out of a first place, leaving the two Uruguayans to fight it out between them in the 5th and last race.

Something similar happened in the Pan American series. Sienra opened out with two first places closely followed by Valera with two seconds. Migone fouled out of the 1st race when he touched the windward mark. However, Valera won the 3rd race with Sienra finishing sixth, thus leaving the Argentine with a 3 point lead. The 4th race turned out to be a fight for survival since the wind picked up to a healthy 30 knots accompanied by breaking seas. Dr. Goldie's mast went a few minutes after the start and Valera's, three-hundred feet before the finish while safely covering Sienra. During this race, Navarro's boat (One Hoss Shay) was seen to jump out of the water in such a way that only part of his centerboard re-mained in it. When he "landed", his boat sprung a leak which very nearly prevented him from finishing. Sienra finished in second place and was therefore virtual winner with a seven point lead over Navarro of Peru. Seventeen year old Navarro won the last race and with it the runner-up title.

Skill and sportsmanship were at their highest throughout the races, which were

always hotly contested, with most of the fleet finishing within minutes of the leader.

Most of the crews were put up at the Yacht Club and this contributed greatly to the social success of the series. Special "extra curricular" activities included; an opening banquet offered by the Commodore of the Yacht Club and attended by local authorities and Diplomatic representatives; a dinner offered by the President of the Race Committee; a couple of sightseeing trips around Montevideo and to Punta del Este (our principal summer resort); and a closing cocktail party and prize-giving ceremony followed by a dance which turned out to be an early demonstration of the South American Carnival (Mardi Gras).

During the week, the delegates of the represented Associations met at the 2nd South American Lightning Class Congress. The most important resolutions taken were the following:

- That the 4th South American Championship take place in Guayaquil, Ecuador in October 1958.
- That the Pan-American Championship be substituted by an Open International Series to be held simultaneously with the S. A. Championship, leaving the basis of this event to be established in each case by the organizing country according to their facilities.

This last resolution was taken in view of the difficulties of obtaining U. S. and Canadian entries for two years in a row causing an unnecessary repetition of the South American Championship.

## HARD SAILS

By Wally Ross

Probably everyone will agree that a significant part of the pleasure of sailing lies in talking about sailing. In that talk, however, agreement stops. There will probably never be a time when any two racing sailors will agree completely. Theories flow like wine, but confirmation of any one of them is rare. The proof of the pudding, of course, is success in racing, but so many factors contribute to the success of a champion that it is impossible accurately to analyze their relative importance. For example, no one can say with certainty the extent to which sails are responsible for a specific victory, but no one can deny that they are a vital factor.

The inability to assess precisely the relative effect and importance of boat, sails, weather, trim, tuning, etc., is one of the happy frustrations on which the sailor thrives. Take away the sailor's post mortems at the bar and you will have swelled the ranks of the golfers.

The uncertainty is infinitely compounded by the fact that each of the more general factors, boat, sails, weather, etc., is in itself a subject of substantial scope. Sails alone present an almost inexhaustible supply of material for speculation and debate. The location and amount of draft, the kind of material, the method of cutting and roping and a hundred other details affect the final product. To the racing skipper, whose principal aim is winning, many of these factors are of interest as topics of debate, but to the sailmaker, whose job is to produce winning sails for a variety of skippers on a variety of boats, all of them are vital. The sailmaker must attempt to find working answers to all of the many problems presented, and his ability to do so is the measure of his success.

The fact that some of the problems do not lend themselves to precise mathematical solution does not justify reliance solely upon trial and error. Synthetic materials are highly stable, a property which makes it possible to determine in advance the shape they will assume with any given cut. True, the advance determination may not be absolutely perfect. in terms of inches of draft or belly at a given point in the sail, but it will be very close and also highly accurate in terms of the relative draft to be found at one part of the sail as compared with another or in one sail as compared with another. Thus, if careful records are kept, realistic and useful tests of performance can be made, and the causes of success or failure more clearly understood.

Of course, measuring and producing a sail of given shape is only part of the task. Of much greater importance is determining the optimum shape. Most racing skippers are generally aware of the forces which drive a boat to weather. Briefly, the wind flowing along the sail produces a pressure differential between the leeward and weather sides. This differential results not only from an increase in pressure on the weather side, but also, and in the view of many, more significantly from a decrease in pressure on the leeward side. The decreased pressure on the leeward side is greatly affected by the action of the jib, which

if properly cut and trimmed can add substantially to the total force produced.

The force produced by the pressure differential on a close hauled boat acts largely to leeward, causing heeling, and slightly forward, causing motion. In addition, the air passing along the sail is impeded by friction, producing a force acting astern, usually called drag. These forces will be discussed in more detail, but it is obvious that the optimum shape is one which produces the greatest forward force with the smallest heeling force and drag.

Although some important modifications in the shape of a sail are made by adjusting the tack seam and leech seams, the shape is principally controlled by the amount of curvature, known as roach, which is cut on the luff and foot. If a sail were cut without foot and luff roaches it would be stretched tightly between the mast and boom over its entire surface and assume the shape of a barn door. The roach is the source of the extra cloth which allows the sail to belly to leeward. That roach can be carefully measured and controlled and, of course, controlling the roach controls the shape and set of a sail. For that reason, careful measurement and painstaking workmanship are of vital importance at the cutting stage of sail construction.

Every step, however, is important. Naturally the selection of the material is the first step. Egyptian cotton was introduced about 1850 and for nearly a century following, sailmakers and sailors had grown used to the variations and ramifications of cotton. Suddenly, within a few short years, three new synthetic sailcloths were introduced. First Nylon, then Orlon, and Dacron.

The advent of one synthetic sailcloth forced changes in both sailmaking and handling, but three compounded the confusion. Nylon, because of its stretch, is still used primarily for spinnakers and other light sails. However, Dacron, the most stable of the synthetics, has now gained the widest acceptance for all other sails.

Paradoxically, Dacron has made sailmaking both easier and harder. With sails cut from cotton, small errors did not show up, as the cloth was mobile, and the shrinkage and stretch tended to nullify imperfections. However, the biggest handicap with cotton was the fact that it required a "breaking in" process which was not at all consistent, and made it impossible either to duplicate a sail, or have it set exactly as designed.

Dacron corrected this problem with its stability but, in turn, created new problems, of which the foremost is the fact that this stability made precision methods of design and cutting mandatory. Small errors in cutting do show up and remain in the sail, making Dacron very sensitive to small changes in design. On the credit side, Dacron's stability makes "breaking in" unnecessary. A Dacron sail can be tested or raced immediately upon completion.

Dacron, therefore, has a combination of assets making it an ideal sailcloth. First, its stability permits draft calculations to much finer tolerances, which justifies more time spent in detailed designs. Secondly, the shape of the Dacron sail will remain constant for a long period of time. This is a very important point, as it is the shape of the sail that is the #1 factor with which we are concerned. Once the correct shape is attained, the finer tolerances and more detailed designs also allow the highest detail of duplication.

The third big asset is the smooth surface. This cuts down surface friction, which is definitely a drag or negative force. Surface friction is important in all airs, but it increases in importance as the wind increases. Anything that can be done to a sail to cut down its negative forces, or drag, will naturally make a sail faster.

Once the material is selected, the next step is the actual cutting of the sail. As mentioned before, the shape of the sail is attained through the luff and foot roaches of the main, and the luff roach of a jib. Therefore, the resultant shape would depend on the shape and depth of these luff roaches.

Surface friction is a property of the sailcloth itself, but the other forces of a sail (forward drive, heeling action, and some of the drag) result from the shape. The objective, therefore, is to produce luff and foot roaches that will produce a shape in the sail with the maximum percentage of forward drive, and the minimum percentage of heeling action and drag.

The shape of the sails, therefore, is concerned with the resultant forces, and apparent wind. As an example, if a mainsail had 60% forward drive, 20% heeling action, and 20% drag, it would have to be faster than a sail with, say, 40% forward drive, 30% heeling action, and 30% drag. Since the resultant forces are obtained from a pressure differential from windward to leeward of the sail, which is in turn created by the maximum differences in velocities between a windward to leeward flow, the effect of the jib is a major consideration. The maximum optimum effect is also a function of the shape and trim of both mainsail and jib.

The actual plotting of a sail for these forces starts with the apparent wind angle. As the boat speed increases, the apparent wind goes further and further forward. Therefore, the apparent wind depends on the pointing angle of the boat in relation to the true wind, the boat speed, and the wind velocity. The apparent wind angle is less than the true wind angle but the velocity of the apparent wind is greater.

The shape and resultant forces of the jib are purely dependent on the apparent wind angle, whereas the shape and resultant forces of the main depends on the apparent wind angle, plus the increased flow from the jib. Therefore, for a given apparent wind angle the shape of the sail can then be drawn so that the fullness of the sail forward will not be so great that it will luff. The remainder of the cross sections can be drawn with the maximum curvature, consistent with keeping the resultant forces acting in a forward direction. Higher cross sections of the sail have a freer flow than the compound curves that are attained near the boom, particularly near the tack. Because the sail is attached to the boom, it is impossible to have all the forces positive near the foot, particularly near the leech. This is the main reason why a sail cannot be made with 100% forward drive force. The "twist" of the mainsail also affects the percentage of forward drive and will be discussed later.

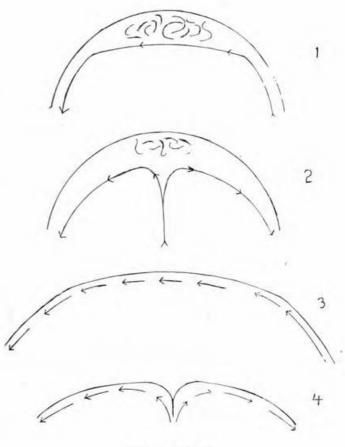

Diagram No. 1

After the draft roaches are plotted, the sail is then laid out on the floor and cut. From this point on, until the sail is finished, workmanship plays an extremely important part in making the sail come out as designed. While on the floor, the sail has to be marked so that it can be sewed together with all seams perfectly parallel, and the overlap of cloths exact. The placement of the headboard, seam adjustments on the leech, and the roping are all critical, and directly affect the final product. The design is made to very fine tolerances; poor workmanship can ruin it.

The roping is an extremely critical point. The rope is not put on evenly, but is hand sewed on with increased tension near the tack, and with decreased tension near the head and clew. This is accomplished by marking the bolt rope to the sail. If the bolt rope were put on evenly, the draft would be higher and further aft in the sail than designed, so that the bolt rope serves the purpose of holding the draft where it is intended to be. Very small differences, even 1 or 2 millimeters, in the marking of the bolt rope to the sail can change the placement of draft. This is the reason why the mechanics, or benchmen, who do the roping are very highly skilled and require years of experience to do this job correctly.

The shapes and functions of spinnakers are in a state of rapid change. Many of the early experimentations were done on single luff spinnakers. The parachute spinnaker of today is a relatively newer type of sail in comparison to the standard mainsails and headsails.

Gradually, information has been attained through the explanation and proof of theories, experimentation, and constant testing of new ideas. In analyzing the older

SCIENTIFIC Dacron sails by HARD are made by (a) plotting ideal cross sections for maximum percentage of forward drive combined with minimum percentages of heeling action and drag; (b) then translating those cross sections into the construction of your sail. While these methods do take longer, you get a more faithful reproduction of ideal cross sections—hence a "faster" sail.

Bob Crane's "Jimlin" - Winner of the Deep South Regatta in Savannah with three straight 1sts; and 3rd in the Mid-winters.

After the three races in Savannah, the two tune up races and the five races of the Mid-winters in St. Pete, Bob Crane reported the results of the new spinnaker as follows:

- 1. Outside of "freak conditions", at least 2 to 3 boats were passed on each leeward leg, whereas no boat passed him.
- 2. Spinnaker had an extremely high reaching angle—and could be carried above beam wind when most other spinnakers were not used.
- 3. Complete combination effect. Spinnaker pulled away from other boats on dead leeward legs in both heavy and very light conditions, in addition to the faster speed on reaches.
- 4. Ease of handling-spinnaker stayed full with minimum of handling and had a high resistance to collapsing.

studies, together with the new information developed this winter, there are three conclusions that can be stated with reasonable assurance.

First, the flow of air in a spinnaker goes from luff to leech in any reaching angle, and from the center of the spinnaker to both leeches on a dead run, whereas relatively little wind escapes off the foot.

Secondly, a very full cut spinnaker is not the most ideal shape even for leeward work, as there is a turbulence (a section that might be called almost "dead air") at the deepest point. This air is not rapidly replaced, thus decreasing any forces acting on the surface of the spinnaker in that area.

Third, as a result of this "pocket", air moving across the spinnaker from luff to leech has a tendency to take a "short cut" and bypass the deepest point located generally in the upper third of the spinnaker.

In some of the testing done on the flow of air through holes cut in spinnakers, the result has been that very little air flowed through the holes until they were made quite large.

This effect is caused by this short cut of flow and the resultant "pocket", together with the direction of the flow across the spinnaker.

As in the case of the mainsail and jib, the most effective spinnaker would have the cross sections similar in shape from head to foot. The foot, however, is flatter than the upper section of most spinnakers so the desired effect would be to flatten the upper part of the spinnaker to a similar shape but held to a point where the valuable lift component is not destroyed. This would decrease the turbulence and cause a greater flow of air across the spinnaker, increasing the resultant forces acting on the surface.

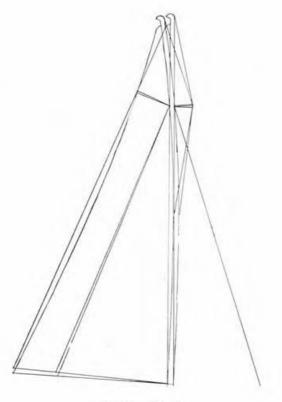

Diagram No. 2

Also, under proper construction, another valuable asset can be created. On a leeward leg, when the wind is extremely light, the flow of air "splitting" out at the center, combined with the weight of the cloth, allows a "center collapsing" action—a condition that will take place when the wind is not strong enough to fill out any full sized spinnaker. This center-collapsing action shrinks the size of the spinnakers in the center only, leaving the leeches exposed and drawing. This action gives the spinnaker working area even in extremely light air and then will fill out readily if the wind increases, with no change in trim. These assets in leeward work, plus the flatter cut which is valuable for maximum performance in reaching, give the spinnaker a full combination effect for both reaching and running in both light and heavy airs.

Because there are disturbances in air flow near the mast and rigging of a boat, and a blanketing effect to leeward of the main, it is advantageous to get as much of the spinnaker as far out to windward of the boat as possible. The spinnaker will thus work in a stronger, steadier air, and will function better. The flattened center will take area from the deep center and create a greater exposure, particularly in the "shoulders", causing the luff to stand further to windward in better air.

In all winds, except heavy airs, the maximum girth dimensions naturally are required for maximum area. However, the middle high girth dimension is more critical than the lower girth dimension. A spinnaker starts at a fixed point at the end of the spinnaker pole and continues its outward curve to windward, and then back to the head. A longer foot will not allow the spinnaker to set any further to windward, but along the free curve of the luff the maximum limitation in the girth dimensions will have considerable effect in getting the working area further into the better air to windward. Naturally, the maximum foot dimension is also desired for greater area, but we just wanted to point out that, of the two, the middle and upper girth dimensions are critical.

In the details of construction of a spinnaker, with the described effects, it has also become evident that perhaps the maximum control in the shape can be attained through totally horizontal construction. Thus the shape is controlled in the same direction as the flow of air across the spinnaker from luff to leech,

\* \* \* \* \*

So far we have discussed sail shapes without the introduction of outside variables. The variables of mast shape or trim can alter the shape and draft of the main and jib to a very large degree, and it is therefore important that they be discussed in detail.

First of all, let's consider the effect of the mast (Tuning is extremely important, and in some cases underestimated in its importance. However, tuning is mainly a function of the balance of the boat and helm, and is another separate study aside from our main subject.) We will, therefore, concern ourselves mainly with the profile of the mast.

The construction of a Lightning boom is quite rigid so that in most cases it will not bend.

We said earlier that the shape and draft of a sail is controlled by the luff and foot roaches—curvature cut in excess of the straight line luff and foot. We also pointed out that small variances in the draft and shape of these roaches creates variances in the draft and shape of the sail.

The same variances and decrease of controls is created by curvature of the mast. If the mast were bent to the same shape as the luff roach, the sail would, in effect, be the same as not cutting any luff roach in a sail for straight spars. However, I think we can safely say that the mast curvature never duplicates the exact curvature of the luff roach, thus creating an unbalance of tensions in the sail, usually resulting in some hard lines.

Lightnings were not designed for a controlled bend in the spar such as you would find, by comparison, in a Star. The fully controlled mast bend can be changed by movable step and deck partner, adjustable backstays, plus full control of the jibstay and headstay. A popular opinion is that a big bow, or bend, in the mast will flatten the sail. This is not entirely correct. The jibstay at the mast is a fixed point and the mast can take two relatively separate bends, one from the jibstay to the deck, or step, and the other from the jibstay up. The low bend from the jibstay down decreases the draft, whereas the high bend from the jibstay up effects mainly the leech of the sail, and quite often will produce a hard line in front of the battens, particularly the lower batten. The action of a bending mast is shown in diagram 2.

As the top of the mast falls aft, the measured leech dimension of 24'6" between the head and the clew remains constant, but the aft bending will move this whole leech dimension downward so that the clew and the entire boom drops down to a lower position. As the leech area and boom drops down, the span of sail from the fixed point of the mast at the jibstay cannot move down to the lower position of the boom without producing increased tension on the inner span. In other words, the dimension of the leech remains at 24'6" between the head and the clew, whereas the line between the jibstay and the boom parallel to the leech, will cover a span anywhere from 1/2" to 2" longer than the span with a straight mast. This change causes a hard spot or a line of unbalanced tension. Below the jibstay, with a smooth even bend, the different spans from the mast to boom parallel to the leech, are fairly proportionate to one another, so that there would be no severe unbalance but rather a gradual flattening as the mast bend increases.

We do not advocate mast bends in a Lightning because the duplication control decreases so greatly. If a sail were cut for a bent mast, the exact dimensions of the mast curve would have to be taken so that the cut of the sail would allow for the bend. The Dacron sail, being so sensitive, will set up differently with every variance in mast bend and in all probability no two mast bends would be identical. A straight stiff spar creates the maximum control so that if the sails are built identically, they can be set up on the boat more nearly identically, thus making reproduction a great deal easier. The features of the bending spar should be used only in self-defense, such as correcting a hard leech or flattening a sail that is too full, but at the first chance have the sail corrected, rather than sailing with a bending spar.

There can be some advantages in a flexible spar, particularly in widening the range of a sail. However, the reason it is not practical on a Lightning is that the advantages are only greater in a boat designed for a controlled bend, such as a Star, where bends up to 12" can be created, and the sail has been cut to accommodate these bends. However, upon examination, it is harder to make good sails for the boats with bending spars than

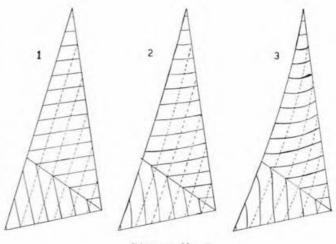

Diagram No. 3

for boats with a straight spar, simply because of the increase in variables. In many classes that have controlled bends, full adjustments are allowed during a race. However, it does require a full understanding of sails to make any proper changes.

The jib is complicated by the fact that it is suspended on a sagging luff wire. Diagram #3 shows three different jibs.

The first drawing shows a straight luff wire, the second a slight sag in the luff wire, and the third a severe sag in the luff wire. As the luff wire sags aft, the sections of sail from the foot to the leech parallel with the luff wire also sag back, increasing the draft of the jib. There is a counter-force from the head to the clew and from the tack to the clew, in which any curve of the leech and foot under tension, tends to assume a straight line. Therefore, as excess draft is created from the sagging luff wire, instead of working back on the luff and foot also, it is held by the tension of the trim.

In the third drawing, with the maximum sag, the distance from luff to mid leech, and luff to mid foot, is shorter than with the luff wire tight, and the excess cloth just goes into excess draft working aft in the jib, generally just ahead of the battens, forming a hard leech. The obvious cure would be to have the jib luff tighter and tighter as the wind increases from very light air to prevent this condition.

Two points are important. First, to keep the luff as tight as possible. The halyard should be stainless steel wire and the end locked at the mast when raised. The tack should have a wire downhaul leading aft to a crank turnbuckle so that the downhaul can be tightened as the wind increases.

Secondly, many jibs made for medium or heavy air do not have maximum roach dimensions on the leech. The maximum roach will stand properly in light airs when the trim tensions are not great along the foot and leech. In the medium and heavier airs the excess roach creates an increased round that can be forced toward a straight line on the foot and leech under heavy trim tensions, thus creating an even harder leech than without the roach.

The next important item effecting the efficiency of sails

is the trim of the main, and bolt rope tensions. First of all, there has been controversy about how hard to pull the bolt ropes on a Dacron sail. This could be a hangover from the cotton sails which were not supposed to be pulled out hard when new. However, since the Dacron sail does not need any breaking in, it can be set up and raced the first time it is used. The synthetic bolt ropes have some resiliency, more so than the Italian hemp used on cotton sails, and therefore do require a greater force to pull them out. The sail will be flattest with the bolt rope pulled out tight and added draft can be created by slackening the bolt ropes.

As a usual procedure in very light airs, if a sail requires extra draft, the outhaul can be eased about 1" and the downhaul raised 1" to 2". In light to medium air range, the draft can be flattened by tightening the bolt ropes as the wind increases. In all medium and heavy airs, the bolt rope should be pulled out as tight as possible to maximum dimensions. In spite of the extra strain required to pull most synthetic bolt ropes, there is very little chance any harm will be done by pulling hard in case the sail does not come out easily.

The tension of the bolt ropes also comes into play in the proper shape and trim of sails. Trim is a very complex subject and perhaps cannot be covered adequately in a short article. However, we will cover the most important points that have to be taken into consideration. The shape or draft of the sail is closely dependent on trim, so both points can be discussed together because of the close inter-relationship.

First of all, the following would be some of the important considerations in determining the shape and proper trim.

- 1. In very light air (0 to 2 knots) a slightly tight leech is sometimes advantageous. In this range, the wind is more "flexible" and not steady so that the usual rules of sail shape do change for the very light conditions. The proper shaped maximum draft is the most important consideration in this range.
- As the wind increases over the very light air range, the leech should be in a flat plane with the least possible amount of negative force; i.e. curving back to weather.
- 3. The maximum resultant forces are created from the maximum pressure differential, in turn created by the greatest difference in velocity of flow between the windward and leeward sides of the sail. The most efficient sail would have maximum draft and yet have an angle of attack within the apparent wind angle.
- 4. The resultant forces within the apparent wind angle should have the maximum possible forward drive, and the least amount of heeling action and drag.
- 5. The efficiency of a sail increases if the shape or cross sections are similar from the foot to the head.

Each one of these points is generally restricted by another one of the points, which is why it can be complicated.

We also have to recognize two other factors that are important.

First: Most mainsails usually have what is referred to as a "twist" or "fall off" in the upper part of the sail. This causes the lower portion of the sail to have different cross sections than the upper part of the sail.

Second: The jib Venturi action can cause deviations from figures calculated from the drawn apparent wind

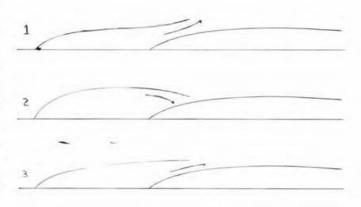

Diagram No. 4

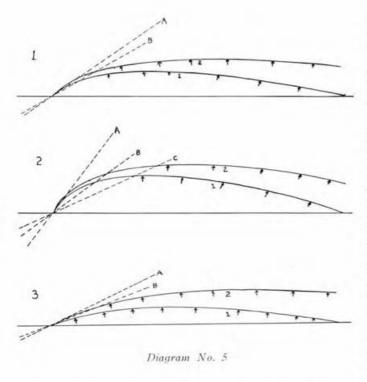

angle, the effect, naturally, being on the leeward side of the mainsail. The change would be relatively small with the correct Venturi effect or even a decreased Venturi effect as caused by a slack leech on a jib. However, a tight leeched jib would have a very detrimental effect in changing the flow of air directly into the mainsail, closing the slot and causing the mainsail to luff Too soft a leech is poor because it reduces the Venturi effect. A jib also has a higher angle of attack because of the absence of mast interference, and the luff of the jib is the only part of both sails that is working in the absolutely free apparent wind.

The first drawing shows a slack jib leech that has very little squeezing effect therefore producing very little increased acceleration on the leeward side of the main.

The second drawing shows a full, hard leeched jib causing the flow into the main which causes the main to luff and also decreases the flow of air in the "slot".

Drawing three shows the proper shaped flat leech resulting in the maximum squeezing effect causing increased acceleration of the air on the leeward side of the main without luffing the main.

The "twist" or "fall off" of the upper part of the mainsail can be the first step to lead into the full discussion of trim and shape of a main. In many cases the twist of the mainsail has been treated in the vein that nothing can be done about it. However, this is not true. Many top sailors have found the secret of trimming the mainsail toward the quarter and down hard as the wind increases. If the sail is trimmed to the center of the boat in heavy air, the sheet has to be eased slightly to avoid heeling action and drag forces caused by the leech curving in toward the center line, the decreased tension between the head and clew and results in the twist of the sail. Therefore, the first object would be to decrease the negative forces in the lower part of the sail and still eliminate as much of the twist as possible, particularly as the wind increases, so that all the cross sections will set as similar as possible by having the entire leech set in a "flat plane". It is important here to mention more can be done to eliminate the twist in medium and heavier airs when a strong tension on the sheet trim is required. A sail should not be trimmed hard in very light airs, but in those conditions the twist is not as great and not as much a deterrent factor. This is one example of why we mentioned that very light air conditions have to be treated differently.

Trying to describe trim with varying cross sections would naturally be very involved, which is the purpose of discussing it in terms of similar cross sections or the average cross section at the point of maximum draft. These are the cross sections that are shown in diagram #5.

We mentioned before that as the boat speed increases through the water, the apparent wind angle becomes more and more acute. Since changes in the wind and waves continually alter the boat speed, the apparent wind is continually changing, so that no boat will probably ever sail an entire windward leg with the same apparent wind angle. For this reason we have shown several different apparent wind angles in the diagrams to show what happens if sail shape, trim and apparent wind angles vary.

In the first diagram, the inner cross section (#1) shows this sail trimmed to apparent wind angle "A". The forward part would not luff as it is within the apparent wind angle, but being trimmed to the center of the boat (or to center line as shown in the diagram) the sail from about one-third of the way aft to the leech would have all negative forces. By trimming the sail off the quarter, a large percentage of the negative forces of heeling act on, and drag, are changed into forward drive. This is because the surface of the sail that was formerly aft of the perpendicular has been changed to a force forward of the perpendicular. The first cross section from apparent wind "A" would have approximately 30% forward drive 20% heeling action, and 50% drag. Whereas, the 2nd cross section would have almost 50% forward drive, about 15% heeling action, and 20% drag. This leaves a balance of 15% which is beyond the apparent wind angle and therefore will luff slightly. However, the sail is still more efficient as the resultant forces have a great percentage of forward drive, and the negative forces are at a much more favorable angle, only being curved very slightly toward the center line. (The drag forces would be proportionately increased as the angle of the leech curved toward the center line.) This is one possible explanation of why many sailors have found some sails to be at their fastest point when they barely start to luff near the mast.

Again, however, this is where shape is important. In this trim position, if the forward part of the sail were flattened slightly into a working area, it would further increase the percentage of forward drive.

Apparent wind angle "B" has the same effects, but it would also cut down the amount of forward drive in both cross sections, making the sail even less efficient.

The second diagram shows a shape that might conceivably be used in extremely light airs from drifting conditions to slightly above. In these conditions it is usually not possible to attain the highest pointing angle and the boat speed is at a minimum, thus opening the apparent wind angle very wide, sometimes as wide as apparent wind angle "A". If the breeze freshens slightly, the boat speed increases, the boat points higher, and the boat will be working nearer apparent wind angle "B". As it approaches maximum hull speed and maximum pointing angle, the sail will then be working in apparent wind angle "C".

It is necessary to have maximum draft to get a boat from a stopped position into motion, but as the boat increases its speed through the water, draft has to be decreased. Therefore, a very full sail of this shape has two bad features. First, its efficient range is limited to just the drifting conditions and very slightly above. Secondly, as the wind increases, the resultant forces of the sail cannot be improved radically by trimming the sail toward the quarter. In the apparent wind angles of "B" and , with increased boat speed, no matter where the sail is trimmed, a large percentage forward will luff, and a large percentage of the remaining sail will have resultant regative forces with only a small portion of the sail having a forward drive force. In heavier airs, this is the sail shape that could cause the boat, using a common expression, to "lay over and wallow".

The 3rd diagram would show shape and trim angles for heavy air. Cross section 2, trimmed toward the quarter, would have a majority of forward drive forces and its forward shape would remain within the apparent wind angle "A". As the boat speed increased to maximum, only a slight amount of the sail would luff forward, with the remainder of the sail still maintaining its greater percentage of forward drive forces. Cross section 1, trimmed to the center line of the boat, has a greater percentage of negative forces. It is also too far within the apparent wind angle.

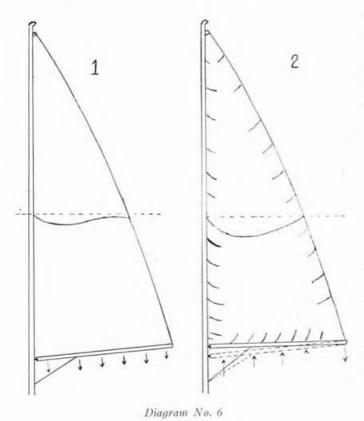

There are two points about these cross sections that should be answered. First, when the sail should be trimmed near the center, and when the sail should be trimmed off the quarter. Second, how to trim off the quarter to attain similar cross sections with the flat plane leech.

First of all, in other classes boats with travelers, the traveler setting generally starts with the center of the boat in light air, to the furthest outboard athwartships position in heavy air. There is no exact setting that can be listed due to many variables. However, the diagrams show how the forces on the sails change through the various trim positions and, as mentioned before, the draft or shape can also be changed by slackening or tightening the bolt ropes.

Since a Lightning does not permit a traveler, the only possible mobility in the mainsheet trim can be attained through the Crosby mainsheet rig which starts at the boom, leads to a check block on one quarter, across the deck to another block on the other quarter, then back up to the boom and forward. When the sheet is pulled in hard, with this Crosby sheet trim, the boom can be pushed manually toward the quarter where it will stay. This is opposed to permanent center trims in which the boom will go toward the quarter only by slackening the sheet, thus decreasing over all control of shape.

The jib trim also changes slightly as the shape of the main varies and the trim of the main varies. An average starting point would be an 11° angle from the tack of the jib to the average of the fixed end and block of the sheet. In other words, a majority of small one design boats will trim at an approximate 11° angle. Experimentation is required varying from this 11° angle to maintain the greatest Venturi effect. The fore and aft placement should start at a line drawn from the luff of the jib about 3" above the mitre, bisecting the clew. This line is easier to attain with a single jib sheet than with the double sheet of the Lightning so that an average has to be taken between the two leads.

In addition to the spinnaker the trim of the mainsail on a leeward leg is also very important. On the wind the trim of the main sheet creates a tension from the head to clew, which holds the leech and roach of the sail in a firm position. In reaching and running, the main sheet is let off and therefore decreases its head to clew tension, allowing the leech to become slightly slack and form a slight "S" shape, as shown in diagram #6.

The boom vang will maintain the leech slightly and help cure the situation. However, additional steps can be taken to further increase the efficiency of the mainsail for reaching and running. First of all, slackening the bolt rope of both luff and foot will add draft to the main, which will, in turn, partially relieve the "S" shape cross section. Generally it is difficult to change the clew position during a race without a special rig, but if it can be done, it is helpful.

Changing the luff tack position is considerably easier and very effective. If the boom is raised and locked anywhere from 3" to 6" above its normal position at the tack, it relaxes the luff tension and adds more draft in the forward part of the sail. Then, if the boom vang is tightened, the tack will not come down as it is in a locked position and all the pressure from the vang is transmitted in a downward action at the end of the boom, or at the clew. This hardens the leech of the mainsail allowing the remainder of the sail to have added draft and a resultant shape much faster for leeward work. These points should be taken in a gradual process from a close reach to a dead leeward leg. In other words, through these methods, the draft of the main would be increased by letting up the downhaul further and further as the boat approaches its downwind angle. If the bolt ropes were slackened too much on a close reach, the sail would be too full and the resultant forces in the aft part of the sail would be predominately negative.

On a broad reach, the mainsail is out far enough so that no angle of the surface of the sail would be in a negative force.

There is one other point that has an important bearing on the shape of the sail. This is the placement of the tack pin and the clew pin. If the bolt rope of the luff goes straight to the tack pin without breaking aft, and then straight out the boom to the clew pin, the resultant draft in the sail will take its full curvature and effect from the luff roach. If the tack pin is moved aft along the boom, the luff rope moves aft with the pin and the distance from the 1st slide above the tack to the cut luff roach decreases, as the change of angle of the bolt rope is approaching the cut draft in the luff. It is also quite evident that the tack angle has been increased, both factors decreasing the draft near the tack and decreasing the over all draft of the sail. If the tack pin is moved back severely, all the strain will be placed on the first slide above the tack pin so that the draft will originate at the slide, and the remainder of the draft from the slide up will be decreased. It also puts great added tension on this first slide causing hard lines from that point. If the tack pin is higher than the projected straight line of the foot bolt rope, the strain is created at the first slide on the foot behind the tack, and the same principle applies at the clew, causing an unbalance of tensions in the leech area.

The two measures of correction are either to measure the position of your tack pin when ordering sails, or change the position of the tack pin (or clew outhaul) after you receive the sail, so that the bolt rope remains in a straight line to the pins. If these "cut backs" are put in by the sailmaker, then the tack or clew pin should be left as measured.

The maximum distance between the tack and clew pins is very important and for most sails the tack pin should be about 1" aft of the face of the mast and 3/4" up from the top of the boom. The outhaul pin should be approximately 11/4" above the top of the boom. On the standard

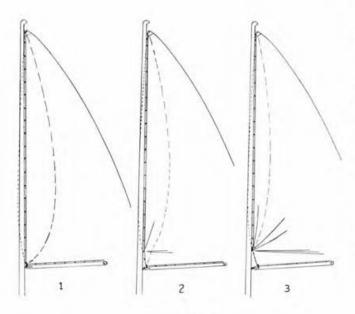

Diagram No. 7

outhaul fitting the pin is approximately \%" in from the aft end of the fitting. Therefore, if the end of the outhaul fitting goes to the very end of the boom the distance from the tack pin to the clew pin would be approximately 9'10-\%". If the distance between pins is less, the tension on the bolt rope and tabling along the foot could be decreased so that the bolt rope would are between slides. The slack tension could cause vertical lines in the foot at each slide. The above measurements are taken for the

average sails but the important factors being here is that the sail will set smoothest when the tabling along the bolt rope is pulled smooth and taut.

The adjustable halyard lock and the downhaul allow more mobility on pin to pin measurements along the luff. For maximum luff tension the sail should be raised as high as possible without hitting the backstay and then pulled down on the downhaul to the black band.

In conclusion, we would like to stress that the information in this article is intended to serve as a starting point for your own experimentation. Two identical sails will only set up the same when both are put on the same boat, in the same wind, and sailed by the same skipper. From boat to boat there will be changes in the shape of the mast, the tension of the jibstay, the trim of the sheets, the touch at the helm, and over-all tuning. These require different adjustments from boat to boat before the fullest efficiency of the sail can be attained.

We recall a recent article by Carleton Mitchell in which he wrote the following:

"Sailing is an endless challenge. Never can all the lessons be learned. The man who has crossed oceans makes discoveries whenever he drops the mooring for an afternoon sail. Each boat has her own ways, the combination of wind and tides is never quite the same, there are new messages in the sky and on the surface of the sea. A lifetime is all too short; you learn a little, and a little more, until finally by some standards you know a lot, and then you keep on learning until you discover the greatest lesson of all—how little you really know in relation to what there is to be learned."

# CAN THE PAINT ON YOUR BOTTOM HELP YOU WIN MORE RACES THIS YEAR?

We think so! We base our belief on numerous letters we have on file from skippers of "Lightning" Class and other racing boats telling us about the excellent results they have had with "Vinelast" Anti-Fouling Racing Finish. Tests at sea have shown that a sleek, smooth "Vinelast" bottom substantially reduces both surface tension and skin friction. This added measure of "slip" can really help in a pinch! As one skipper put it, "By rubbing down the final coat of Vinelast the next day after application, I get a piano top smoothness which results in that last extra fraction of a knot in speed."

NEW! Woolsey Anti-Fouling Hard Racing Finish is the answer to racing skippers who prefer a bright, colorful, highly lustrous bottom. Available in Red, Blue, Green and White. Ask your Woolsey Dealer.

In spite of the rainiest summer most of us can remember, the year at Skaneateles will be remembered for a lot of fine sailing and some outstanding accomplishments by some of the fleet both at home and away.

The regular series of races consisted of two Saturday series and two Sunday series with the Championship going to the overall Saturday winner. The Juniors sailed two series with races on Tuesdays and Thursdays. Long distance races were sailed on the 4th of July and Labor Day and the annual All Lake Regatta was held on August 11th with over fifty boats of several classes competing.

One of the highlights of the season was the first Skaneateles Annual Lightning Invitational Regatta which attracted more than thirty boats. The winner was Pete Grainge in his Rampage from the Buffalo Canoe Club.

Skinner Reynolds and Jim Bentley took part in the Lake Shore Lightning Squadron Regatta at Newport Yacht Club. Skinner took first place and the boys brought the Fleet Trophy back to Skaneateles.

Skinner Reynolds then went on to greater honors as he won the Central New York District Championship and thus entered the International where he ran up an impressive number of points against the country's best on Lake Erie.

All of us in Fleet No. 1 look forward to another fine season for 1957 with plenty of good sailing and the fellowship that always accompanies it.

Lightning sailing at Bay Head became very active at the middle of the summer season as the Bay Head Yacht Club was host to both the Central Atlantic District Championship and Atlantic Coast Lightning Championship regattas. After sending its own Lightnings around to the many fine local regattas every summer, Bay Head was glad to be host to such a fine group of contestants.

In the annual Sunday series of seven races for the Yacht Club championship, the fleet was again divided into the "wet" boats and the "dry" boats, or "B" and "A" Division as they are designated. In the "B" Division, Louise Miller won the series quite convincingly in her "My Gal"; in runner-up position ws Mrs. Cuttus and "Bubby" in "Misbehave"; and taking third place was Bill Dunbar's "Dun-it-Again." The Sunday series for the "A" division or dry-sailed boats provided good racing for the contestants, but unfortunately the attraction of many local regattas eliminated some of the skippers in the series due to inadequate attendance. Emerging on top at season's end was Bob Adams in "Vagabond" followed by Jack Orelup in "Javelin," and Ed Brooke in his "Limelight."

The Saturday afternoon races at member clubs around Barnegat Bay sponsored by the Barnegat Bay Yacht Racing Association were participated in by the dry boats. However, again too many cuts eliminated several of the Bay Head contenders. Bob Adams in his "Vagabond" fought it out with Jim Carson of Metedeconk for

the season's championship, with "Vagabond" finally emerging the victor.

After these remarks about sporadic attendance by the "A" boats at their own club and in familiar waters, let us see how they made out in their foragings. The record is very impressive with victories by Bay Head boats being registered in four out of five local regattas entered.

The circuit started with the Spring Tune-Up Regatta held by our neighbors on the Metedeconck River. Bob Adams showed the skippers that he had not lost his touch since the preceding Nationals as he sailed his "Vagabond" to first place in the three-race series; Bill Fortenbaugh in "Bitzpoof" finished third, and Bob Woolman ended up in seventh in "Trop Chere." Next came the New Jersey State Lightning Championship series at Little Egg Harbor where Bob Adams again emerged victor after three races in "Vagabond." "Bitspoof" and "Trop Chere" wound up in ninth and tenth places respectively. Then Fortenbaugh and Woolman journeyed up to Raritan Bay to enter the Red Grant regatta. After a very gruelling three-race series in which one race was sailed through a forty-five knot squall, and another in a howling westerly, Bill Fortenbaugh emerged victor in "Bitzpoof," while Woolman in "Trop Chere" dropped a third place tie to fourth having ripped a jib to shreds in the first race.

Finally, it was Bay Head's turn to be host for the "big one"—the District Championship Race, in the Central Atlantic District. This series of five races is always bitterly contested for, the right to be one of the four to go to the Nationals is sought by many excellent skippers. Once again, "Vagabond" showed her transom to the rest of the fleet as Bob Adams continued his perfect record, back in fifth place after dropping a fourth place tie to Charlie Dore was Bob Woolman in "Trop Chere." with Fortenbaugh in "Bitzpoof" and Orelup in "Javelin" finishing ninth and twelfth. The following week many of the same boats returned to sail the same waters in better winds than the distressingly shifty northwesterlies of the Districts as Bav Head was host to the Atlantic Coast Championship Regatta. This time Adams bowed to defeat by the Little Egg sailors, O'Donnel and Dore, and finished third. "Trop Chere" finished in eighth with other entrants Fortenbaugh and Orelup not faring so well.

Leaving Bay Head again, the boats went to the South Jersey Championships at Brigantine, where our top skipper of the previous season returned from her sojourn in Europe to hand the season's veterans a setback, as Marge Adams in her "Whirlwind" captured first place in the South Jersey Championships.

Finally at the end of the season it was time for the International Championships. Bob and Marge Adams went out to Buffalo as the Bay Head representatives—Bob in the Internationals and Marge in the Presidents Cup race. Bob and the other District representatives apparently found the going much rougher than in the past. Bob finished in the runner-up spot of the Presidents Cup behind Dick Karslake.

And so, one can see that the Lightning competition at Bay Head remains very sharp. We congratulate the skippers who represented the club so ably in away regattas and hope to see some newcomers in the ranks next year. We hope all those who came to the Atlantic Coast and District Championships enjoyed racing out of Bay Head.

Our fleet continued to grow in size during 1956 and now totals twenty-three Lightnings.

Fleet 5 hosted three major regattas, the Midwest Districts in July, one Gim Hobelman regatta in August, and the Red Flannel regatta on the last weekend of September. This last event, which we co-sponsor with Burnham Park Yacht Club, is now the second largest open regatta for Lightnings, with fifty entries.

In addition to our fleet championship series of fourteen races, we also held a special three race series on the Labor Day weekend, won by Bill Anderson.

The Midwest District regatta was won by a team of our junior sailors composed of Jay Doty, skipper, Dennis Burke and Mike Burke, aged 14 to 17. These boys later sailed at Milwaukee and in Montreal in the North American Junior sailing championship (Sears Cup) and we are very proud of them.

It has been a busy summer at the Housatonic Boat Club. The Official opening took place Wed. May 30th with a river Lightning Shakedown race, and a covered-dish supper.

Our Fleet Champion this year was Edward "Bud" Olsen. Vernon Randall took 2nd, and Rudy Smith placed 3rd. They received the Olsen Marine Trophies for their excellent racing.

There was a series of 4 races held in Long Island Sound. For this series a "Gov. Ray Baldwin Trophy" is awarded. Rudy Smith came in with the 1st; Bud Olsen-2nd, and Vern Randall -3rd.

We also held another series of 6 races in the river, in which the racing takes place in front of the club house. These races are particularly enjoyed by the "Rocking Chair Fleet". The winners of this series receive the "Crocker Trophy". Again Bud Olsen took the 1st place, Vernon Randall 2nd, and Rudy Smith the 3rd.

"The Commodore's Plaque", awarded for the winner of the 2nd outside race of the season, was captured by Dave Peterson sailing Bud Olsen's boat, The Pa-da-lin.

We also held 8 Frostbite Races in the River in Sept. This series was won by Dave Peterson, sailing Bob Nicols boat. Rudy

Junior Yacht Racing Club Officers, The Secretary of The Housatonic Boat Club and Their Sailing Instructor Reading left to right: Linda Olsen, Secretary; Merle Arbogast, Treasurer: Jeff Noghnagle, Commodore; Jim Thorpe, Vice Com-modore; Robert Nicol, Secretary of Housatonic B.C.; Dave Bullard, Sailing Instructor

Smith came in 2nd, and Dick Dayes and John Macdonald took

the 3rd place, with their jointly owned boat Iolanthe II.

Again the Ladies turned out Thursday evenings and sailed a series of Powderpuff races in the river. Placing 1st, was Cynthia Newcombe, and 2nd Anna Mae Nothnagle. Cynthia received a beautiful trophy donated by Ira Peterson for the Powderpuffers.

The "Donald S. Sammis Advancement Trophy", was captured

by Merle Arbogast, for the ladies; and Jeff Nothnagle, for the gents.

Our Fleet also competed in various races held at neighboring clubs: The Pequot Lightning Regatta, in Southport; Black Rock Regatta; E.C.Y.R.A. Regatta at New London; The Conn. Districts at Niantic; The Housatonic Boat Club, Milford, Windjammer Regatta in Milford; and The Last Chance Regatta in Milford. Two boats from our fleet took part in the Presidential's at the Buffalo Canoe Club. Fred Dazley in his Lightning "Knok" and Bud Olson in "Pa-da-lin". Bud made the following report to me:

Fred hauled his boat after the 2nd race, and crewed with my daughter and myself in the Pa-da-lin. We don't know how-come, but Fred was credited with a 15th in this race, in which he didn't even sail. There were quite a few mix-ups throughout the series. The Pa-da-lin was disqualified in the 1st race, with too early a start. In the 2nd race we fouled the spinnaker on a jumper strut, and in the 3rd race we ran onto the rocks and loosened the rudder fitting. Score to date-zero. We finished the last two races O.K. and didn't place the tail-end in the series, by any means, even having dropped the first three races, which helped our morale a great deal. Everyone was very nice to us at the Canoe Club, the food was wonderful, and our stay was very enjoyable all around.

Bud also took his Pa-da-lin to St. Pete, Fla. Fred Dazley again crewed with Bud and Pat. They hauled before the finish of the series, but again everyone had a wonderful time and their hosts were most gracious.

Our main project this summer, for which we are a little proud, was the formation of a Junior Yacht Racing Club. This program was started by Fred Dazley, and our very able sailing instructor this season has been Dave Bullard. There are 17 Juniors enrolled for the sailing lessons. After concentrated study and sailing practice, they held a series of 12 races. They also participated in the E.C.Y.R.A. midget championship races in Essex, in which they sailed Blue Jays.

Jeff Nothnagle They have elected a Commoore Vice-Commodore Jim Thorpe Secretary Linda Olsen Treasurer Merle Arbogast

The Junior members are allowed to use the Lightnings belonging to various generous members of our regular fleet. These Juniors are going to give us all a run for our money next year.

The Season closed with our Trophy Dinner, held Nov. 8th, in which a fine dinner was enjoyed by all, and the various above mentioned awards were gvien out to the proud winners.

The members of Fleet 7 had an active racing season from Memorial Day to mid September. The many sailing events scheduled on Long Island Sound during the summer gave the members an opportunity to participate in many regional regattas in addition to the local weekend races. Very often it was difficult to decide in which regatta to sail.

We had good representation in outside regattas but somehow early in the season Fleet 7 was "jinxed" by the number 3. Barbara and Ann Trenary brought Turmoil in for a third in the

Barbara and Ted Sheldon in "Colleen", Fleet #7

Indian Harbor Regatta. Skip Webb placed third with Rogue in the Riverside Regatta and Lucie Sheldon sailed Coquette to a third place in the Sea Cliff Regatta.

Lucie Sheldon broke the spell and won the coveted Pequot Cup representing the Girls Championship of Long Island Sound. Three Cheers for Lucie. Lynn Osgood did a commendable job in the Sykes Cup, representing the Women's Championship of Long Island Sound. Lynn and Fiesta had a very active summer sailing program, participating in the Atlantic Coast Championship, Seacliff Regatta and also the Districts.

Terry Clark and Carter Ford placed second in their respective divisions in the Manhasset Junior Regatta. Terry Clark and Carter Ford also sailed in the District Championship at Noroton.

Ted Sheldon, our last year's Fleet 7 Champion went to Sweden this summer. He was the guest of the Royal Swedish Yacht Club and he returned with glowing reports of fine sailing in Sweden.

Barbara Sheldon sailed Coquette to the Number 1 Spot in Fleet 7 and earns the 1956 Champion Title. Terry Clark in Sea Lark finished in second place, Carter & Gates Ford in Encore third, Skip Webb in Rogue fourth, Lynn Osgood in Fiesta fifth, Barbara & Ann Trenary in Turmoil sixth, Don & Greg Gillies in Skylark seventh, George Marshall in Hi-Lo eighth.

For the lightning sailors of the B.C.C., the year 1956 was filled with numerous events and happy times. It consisted of twelve series, seven single races, various away regattas and a few spirited parties. Our season started in a somewhat chilly May and ended with some exciting team racing in Oct.

Karl Smither started off the year by winning the Coleman Series, followed by Tom Fallon capturing the Eby Series. Then Flare and Pete Paullin's Huff'n Puff shared the A and B honors respectively in the Franclemont-Roseberry Series. Pete also took

top honors in the Meyers Wed. Evening Series and the Maccubbin Stay-at-home Series—great to see a new name up there in the winners circle.

The two Toms, Allen and Fallon, fought very hard for the Championship all the way up to the finish line of the last race. Tom Fallon in the Flare with John Lyons and Bill Geneske aboard, came out on top to take the Robert Lapp Memorial Trophy for the third straight year. At the party after on the Burgee IV, all three went for a swim. Tom Allen, however, took the Fleet 12 Trophy and also the Viking Series.

Single events helped others to come into the "hardware" department. Tom Fallon won the opening day, Labor Day A Series and the Clambake. Bob Coleman in Bobcat won both of the Picnic Races and the Long Distance Race. Tom Allen was first to cross the finish line in the Fourth of July Free-For-All. Ken Seubert was first in the Labor Day B Series, followed by Russ Crawford and Dave Fogg. Pete Paullin and Don Ferguson were first and second in the single-handed Iffenpoff races.

The Junior sailors had a very good season. They had five boats in their Championship Series. Pete Paullin took top honors followed by Tom Ward and Chuck Manney. Tom Ward was first in the Friday night Series and also captured the Junior Scorekeepers Trophy, followed by Pete Lowe and Ed Roseberry.

In foreign waters Canoe Club boats had a great year. Tom Fallon and Karl Smither did very well in the St. Petersburg Mid-Winter Regatta. At the Buffalo Motorboat Club, Fleet 12 boats took home all the "loot", as Allen, Fallon, Smither and Grainge were the top four boats. Tom Allen took possession of the Skaneateles Trophy at Toronto by winning the combined L.Y.R.A. and L.S.S.A. Regattas. Tom Allen and Tom Fallon took high honors at the Niagara River Championship. The Lake Erie Districts could well have been held just for the fleet 12 lightnings as Tom Allen edged out Pete Grainge in the fifth race to win for the fourth year in a row. Karl Smither and Tom Fallon finished third and fourth respectively to qualify four boats from our club for the Internationals, Sailing on our own waters Tom Allen and Karl Smither finished third and fourth in the Internationals, while Ralph Franclemont piloted Akela to a 7th place in the Presidents Trophy.

Canoc Club Champion, Tom Fallon in "Flare".

Pete Grainge, the vagabond sailor, represented the Canoe Club in the Skaneateles 1st annual Invitational Regatta and the Grat Sodus Bay Regatta, taking six first places in two consecutive weekends. Then Pete took Rampage up north to the State of Vermont for the Annual Lightning Championships, placing eighth.

We closed the season with a team match against the Niagara Sailing Club. It was tight racing among the eight boats with lots of covering, luffing, and shouting! This was the first teamracing in our club since 1951 and the boys of B.C.C. managed to continue their winning streak.

At the Fleet 12 Christmas party the following were elected: William Hughes—Fleet Captain Thomas Fallon—Fleet Secretary Kenneth Seubert—Treasurer

We know they will help to make the Buffalo Canoe Club's 75th anniversary a true success.

The '56 season was unfortunately short, cold and wet but it proved to be very active and vigorously competitive. The racing was split into an A and B series which were run on alternate Sundays. Except for one flat calm which forced a postponement and one or two drifters early in the season, the rest of the races were sailed in spanking breezes which required some of the more prudent skippers to reef. However, no knockdowns or capsizes were encountered as was the case during the '55 season when two-thirds of the fleet capsized in a sudden line squall.

The competition was hot and close. Going into the next to last races of the two series, Dick Stone, Dex Bellamy and Len Pepkowitz were all tied up in the A series and only a point apart in the B series with Dick Stone in the lead. Unfortunately in a close contest Dex Bellamy cut in close to the Rock Pile and hit

bottom with his centerboard. In spite of valiant efforts by him and his crew he finished well back in the fleet and lost precious points.

In the next race, Len Pepkowitz lost his rudder during the start in a very strong breeze when the rudder track pulled loose from the transom. They hurriedly beached the boat, drove in some oversized screws and got back in the race some 4-5 minutes after the starting gun. They made time on some lucky wind shifts and were leading on the leeward leg. Bob Fehr who was second, then passed them as if they were standing still—which they were figuratively—as the track worked loose again. It finally came off completely as Len jibed around the leeward buoy and had to be ignominiously towed back.

The last race was a close hard fought battle employing all the tricks of the trade in a whistling 15-20 knot breeze which was won by Dick Stone who lost his rudder after crossing the finish line. Dick was awarded the Bennett Perpetual Trophy for his outstanding sailing abilities but solemn vows were made by the others to take it away from him next year.

One of the highlights of the season was the unexpected donation of a prize for that day's racing of a fine plastic wind pennant by the manufacturer, Mr. Sumner, who was visiting the lake. The trophy was won handily by Dex Bellamy.

Three new skippers joined the fleet this year; Ben Wellborn with 5155, Tom Aery with 220 and Ed Horstkote in 1381. These three promising skippers will bear close watching next year.

The Centerboard Yacht Club held its Lightning Class races for the 18th year in 1956. Although teh fleet was the smallest it has been in years the competition was as keen as ever. For the first time since 1945 Osmond Faulkingham who has won about every race since then was unable to compete and watched most of the races from the committee boat. At the end of the six race series the winner was Duncan McInnis in #3218 Muffin by one point over Al Moore in #1951 Jacomo II followed by Ginger II sailed by Ron Dyer.

The State of Maine Lightning Regatta was held as usual and turned out to be one of the biggest regattas in the New England District. The unusual happened when thirty entries were received, all boats showed up and all started and finished in all races. The Regatta was won by Sam Stowell of Fleet #227 in Yankee Dandy #5477, Second was Fred Harris of Fleet #145 in Sandy Kay, #5654, third was won by Gard Brown, fleet #101 in Encore #5550.

It is hoped that in 1957 more boats will return and that the Fleet will increase to its former size.

Every sailing season for Fleet 16 has been one of growth and improvement. New boats, new faces, and new sailing companions. Many social activities were enjoyed by all, highlighted by a Dinner-Dance at the lake shore Poco Paupack Hotel. A site for our Yacht Club has been purchased and plans are developing for a permanent base for all sailing activities.

A new Fleet Champion, Hank Fretz in Jezebel II, climaxed a season of hard and close racing. Second place was taken by Schuffly skippered by the Schumachers—Phil and Bill. Poco-Loco finished third, sailed by Jim Schumacher after a touch and go competition with PDQ sailed by Peter Axford—fourth place. Barbara Patlin, John Folwell, Bill Miller, Ralph McClaren-George Woodard, Sheldon Evans, Ed Winkle, Hub Axford, Bill Geljack, Jan Giles, and Camp Pocono finished the series in the above order.

July Series went as follows:

Hank Fretz
Peter Axford
Bill Schumacher
Schufly

August Series was concluded in the following order:

Phil Schumacher Schufly
Hank Fretz Jezebel II
Jim Schumacher Poco-Loco

The B. E. Ericsson Trophy was won this year by the Fleet Champion Hank Fretz, making the entire season very rewarding for Hank. The annual presentation of the Bill Soose Trophy

The Woman's Series showed lively interest, greater participation and keener competition than in previous years. These events are thoroughly enjoyed by both the participants and the anxious SPECTATORS (for a change) on the beach. First place went to Barbara Schumacher in Poco-Loco, second place to Barbara Patlin skippering Firefly and third to Nell Folwell in Mist.

The Achievement Award was presented to Barbara Patlin for Improvement and Good Sportsmanship.

Wonderful Summer! Wonderful Racing! Wonderful Race Committee! This just about expresses the feelings of the members of Fleet #17 at Black Rock Yacht Club.

The summer gave us racing every Sunday afternoon without a mishap.

Our racing schedule consisted of two series; the first series of six races started June 10; the second series consisted of seven races starting July 29. The schedule was set up to enable skippers to enter the Districts and the Long Island Sound Championships and still be eligible to compete for the Daniel C. Patterson Memorial Trophy at Black Rock Yacht Club while those at home not eligible to go away had the fun of racing each Sunday in their own series.

The Y.R.A. of L.I.S. scoring system was used giving first place to John S. Barton in Quick Trick, Anna Faulkner in CaVa second place, and E. T. Merritt in Ketchup third place.

The annual race to the Pequot Yacht Club to attend their regatta was started on a Thursday Evening by Commodore Fred Kauer in a light wind that gently faded and tows were given by the Race Committee Boat and Charley Rainey in his Patrol Boat. The long string of Lightnings were slowly towed down the Sound with skippers and crews munching their sandwiches, drinking soda pop and singing and calling to each other. Tows were cast off when a fresh Westerly arrived and the race continued right into Pequot Harbor. The Regatta was sailed in excellent weather and John S. Barton in Quick Trick placed third.

A Wednesday night series was started for the tired business men but most proved to be too busy to participate. The Juniors, however, enjoyed it and the series was won by Anna Faulkner in CaVa.

The Ladies Lightning Race Series for Tuesday afternoons was started under the direction of Mrs. Wm. A. Haist, Jr. and skippers and crews enjoyed every race.

Twelve Lightnings from Fleet 17 participated in the Barnum Festival Lightning Race and came home with a second for F. C. Dazley in Knok and a third for John S. Barton in Quick Trick

The silver was again brought home to Black Rock from the Milford Regatta by Miss Kathy Merritt who took third place in the Ketchup.

The Black Rock Junior Fleet was busy with a full program of sailing instruction and a series of inter-club junior regattas.

We were most fortunate to have Mr. D. Verner Smythe as Chairman of the Race Committee. He was ably assisted by Mr. Sherman A. Chantland, Mr. John H. Mills, Mr. Richard Bristol and Mr. Charles Rainey. Their interest and enthusiasm sparked the fleet to its best racing season.

was already in the water and some of the members had their first sail of the season in a snow flurry.

Dick Collier, Andy Weierich, Charles Lutes, George Laug, and Tom Wilkins attended the Racing Clinic at Cleveland, Ohio and they learned some important points in rigging their Lightnings which were passed on to the other members of the Fleet and seemed to help in the racing during the season.

The first trophy race of the season was the Commodore Chalmers Brown Memorial Day Trophy which was won by Lightning #2982 in a close race, because finishing second was #6338 only four seconds behind.

The Fleet's races were divided into two series, a spring series of seven races which the best five were counted and a fall series of four races which the three best were counted.

Some members of the Fleet traveled between the Series to dif-ferent lakes to participate in races. Charles Lutes went to the Put-in-Bay Regatta and Buckeye Lake for the Snow Ball Regatta. John Kintz went to Devils Lake for a weekend of Sailing. Richard Kretchmer and Tom Wilkins went to the Tri-Lake Regatta at Cowan Lake and came home with a 2nd and 3rd place in the Lightning Class.

The 1956 sailing season for the Erie Yacht Club Lightning Fleet was dominated by Rear Commodore Bill Walker in his new boat the "Butch." Bill verey capably copped first place in five out of six series of races including the Fleet Championship. Jim Taylor's "Yankee Wastrel" followed monotonously behind in second place except for the Evening Series. Early rising Jerry Metcalf won the hotly contested consolation Championship Series. Pete Reyburn and his good looking crew, in "Indecision" did excep-tionally well for their first season of Lightning sailing. The Tom and Steve Schuyler combination at times showed streaks of genius.

Several new projects taken on by Fleet 24 included a successful marine parts rummage sale and a used Lightning clearing house for local owners and buyers.

Fleet 24 regrets to report the death of skipper Robert S. Warren who was drowned in a speed boat accident.

One of the most interesting events of the summer was the Long Beach Island Team Race sponsored by Fleet 26 and the Little Egg Harbor Yacht Club on August 18. Above is Past International Champ Teigland in Seductress II in the lead, closely pursued by Dore in Queen Bee and Schneider in Woozle. (We won, This was the second year for such an event, and of course!) bides well to become a regular one.

In addition, Fleet 26 was host this year to the C A D's and the Jersey State Championships. Our "old masters" gave creditable performances: Teigland 2nd and O'Donnell 3rd in the Jersey States; and O'Donnell 2nd and Dore 4th in the Districts. At the Atlantic Coast Championships at Bay Head, we collared 3 of the top places: O'Donnell 1st (67 points), Dore 2nd (66 points). Teigland 4th (54 points). But when it came to the Internationals, our two qualifiiers, O'Donnell and Dore, sure dropped the ball

Left to Right: 1, 3, and 2 for the season.

(or the anchor!) Guess we "Little Eggers" are just too accustomed to our wonderful sailing waters and breezes.

We were pleased to welcome to our fleet this year Ed Lampman, sailing Gamboler (6295) with Mrs. Lampman and daughter as crew; and Hal Dicke with Jezebel II (5615) skippered by Bob Bachman. Dore's new Queen Bee keeps our average age of boats under 3 years, even though our skippers' years of experience (if not chronological age!) runs high. Charlie Dore in Queen Bee was Fleet Champion (for the 4th year running!) with Johnny Teigland and Sonny Schneider only 4½ and 5 points behind; Langworthy 4th by one point, and O'Donnell 5th by another ½. Competition comes keen in Fleet 26!

For most of us, next season can't come too soon. With the best waters of the Jersey Coast, good course patterns by our race

committee, invariably good sailing breezes, Fleet member Sherm Allen as Vice-Commodore of the Little Egg Yacht Club, with literally hundreds of sailing enthusiasts in the Club membership, and best of all a wonderful bunch of Lightning skippers and crews, we can't help but look forward to another season, again a little better even than the last.

The 1956 season got off to an early start with a mid-winter party in February at the Whitehouse home in Morenci. All the skippers and their crews will long remember Keith, Lorene and their committee for an excellent plotted course that evening.

Our sailing season got underway Decoration day with Barney Crittenden taking a first for the series and Ken Kennedy runnerup. There was a good turnout each Sunday all season.

The 4th of July series was won by Bill Girkins with Carl Benz runner-up. We had better watch Carl this 1957 season as he has been sneaking up in each race and series. He's also known as the most relaxed skipper in the fleet.

Devil's Lake Yacht Club Dock.

Labor Day races were won by Keith Whitehouse and runner-

up was Barney Crittenden.

Doc Bryner, who was co-owner of 2183, Idiot's Delight, has purchased 6360 from Ken Kennedy and is rebuilding it this winter.

This fleet will long remember a Sunday race during which Barney Crittenden and Jack Beal, sanded the bottoms of their boats in the shallow water, rather than give way to the other.

A real controversial issue arose, when Ken Kennedy fell out of his boat this summer and swimming behind was still shouting orders to his crew. (The crew contends that a skipper is no longer a skipper when he's in the drink.)

Our Doc. Bryner is the only known skipper that can fly his

spinnaker, upside down and without a pole.

Again this past year, Devil's Lake was host to many sailors of the eight classes invited to our annual Invitational Regatta (This one's for Fun.) September 15th and 16th, with 85 boats present, thirty of them Lightnings. Wes. Weidrick of Detroit, won this regatta, with Mac Goodwin placing second, in the Lightning class.

The club had a very active social season from the first event of the year May 16th, to the Commodore's Dinner, closing the

season in September.

Our 1956 season set a new high in competition both within the Fleet and in the YRA Series which is open to other boats in our District.

Larchmont Race Week provided the usual large number of entries, with even worse weather than usual. Our entries started out fast but faded a bit to let other Fleets take the top places.

The District Championship was a most successful series, but no one was about to catch Dick Sykes of Manhasset who won all three races without any real pressure from any one. Bizzie Monte-Sano finished fourth, Don McNair seventh, Art Deacon eighth, Bill Brown eleventh out of 24 entries.

Bizzie Monte-Sano took his Gray Ghost to Noroton for the Long Island Sound Championship and did a fine job—scaring,

but not taking Bill Cox and assorted experts.

Bizzie then trailed his boat to the Internationals at the Buffalo Canoe Club and sailed well to place 19th out of 45. Don McNair took Mooncusser to the Presidents Cup but proceeded to lose his mast and placed 37th out of 50 entries.

The Larchmont Yacht Club Race Committee was kind enough to give us starts for our Post Season Informal Series up through October 14th. Some of the best days of the season were those late in September and October.

There will be at least 4 new boats in the Fleet next year: Gunnard Faulk with a new Olsen, and Bill Brown, Don McNair and Art Deacon with Old Greenwich products.

The regular season's racing consisted of a series of fourteen races beginning in May and running through September. Winner of the Fleet Championship was Dr. H. B. Duckworth who also had a repeat win in the special series of 3 races for the coveted Apex Trophy as well as the Turkeyfoot Lake Regatta Trophy.

Runner-up for the regular season was Bob Schmidt. Bob, along with George Burkholder, participated in the Annual Harvest Moon Regatta at Atwood Lake where they turned in a very capable performance but wound up just out of the money.

Lynn Nye, the newest member of the Fleet, with his Patricia Ann, is proving good competition and is looking forward to next season with great expectations.

Jim Carson's "Sparks" leads 59 boats around the mark in the First Race at St. Petersburg, 1956.

Once again on the Metedeconk Jim Carson's "Sparks" took the championship. Jim Wagner sailing the "Vision" was second

and Herm Schmitz "Day's End" took the "Heavy Boat" title, but here the similarity to last year's standings ends.

Although the Sparks sailed by crewman George Francis won every race, the second place was hotly contested. It was a nipand-tuck battle between Jim Daley's "Jim Dandy" and the Vision. Even up to the last championship race the Vision was ahead by only a few hundredths of a point, so that race was the decisive one.

Sparks generally flew out to first place shortly after the starting gun and only several times was she headed for any length of time during a race, but this season's racing was much more keen, and the battle for second place was not the only one. This increase in overall competition stems largely from better crews, more experience on the skippers' parts, and two new boats in the fleet.

Just the reverse in first and second places occurred in our Seventh Annual Spring Tune-up Regatta with relation to last year's standings. This year it was Bob Adams of Bay Head getting the prize and Jim Carson running up instead of winning.

Our fleet was surprised, dismayed, and gladdened (all at the same time) to see the venerable Sparks leave us this Fall for a new sailing ground down around the nation's capital. Beaton of Mantoloking will build the Sparks' successor which will have quite a reputation to live up to. This summer the Sparks also took second place in the Barnegat Bay Yacht Racing Association Lightning Championship and third in the District Championships, but fared not nearly as well at the Internationals, although she placed over the other representatives from our district.

In closing, I shall mention (hem-hem) that Vision placed third "down the bay". What with a possible addition to our racing fleet next summer and at least one more new boat, there are big doings ahead on the Metedeconk's north shore.

The fourteenth year of Dallas Corinthian Lightning Fleet No. 35, chartered in 1942, found it suffering from the drought and the City Water Department's need for extra drinking water. Nevertheless, there was enough water for sailing a championship series in June and July and those who sailed enjoyed a pleasant, if short, season. White Rock Lake shrank away from our piers

Annual July 4 Regatta

July 6-7, 1957

after July and in December was lower than anytime in the last 25 years.

The low-level condition of White Rock Lake last winter prompted a majority of the active members of the two clubs on White Rock Lake (Corinthian Club and Dallas Sailing Club) to seek a better place to sail. After a survey of other lakes in the area, these active Sailors organized a new club on Lake Dallas and moved away from drought-stricken White Rock Lake and Fleet 35.

In the hope that normal rainfall conditions will return to fill White Rock Lake and that new sources of supply will eliminate the city's need for White Rock water, Fleet 35 has been retained to attract and develop new sailors here in Dallas who do not care to journey 45 miles north for a few hours of sailing.

While there is hope for rain, there is hope that Fleet 35 will overcome the loss of so many fine members and regain the championship proportions it has enjoyed for many years in this area.

A number of our Pymatuning sailors entered the Ohio-Indiana District meet and all had a great time enjoying Port Clinton's hospitality. Harry Spitz managed a third place in the third race, despite a shaved bolster which had his boat out of tune.

Our boys really cleaned up at Atwood's Harvest Moon Regatta, with Harry Spitz taking two firsts and Chuck Maltbie winning one, to make a clean sweep for Pymatuning.

Pymatuning Yacht Club's annual Fourth of July Regatta attracted 14 visiting skippers and their crews for the two day series of three races in which 39 boats participated.

Bill Walker of Erie and Ed Kennedy of Cleveland, on their first visit to Pymatuning, took first and second, respectively, in some of the best sailing weather we have had in this regatta.

Two words give the key to the 1956 racing season—Wells and weather. Of the latter we will speak briefly. It consisted of low temperatures and high winds, up to 80 mph at times. The fleet came through unscathed, but with a reduced racing schedule.

On the winning side Bill Wells, after a year's absence, returned to win the Fleet Championship: the Stava Trophy, the Fish and Iron race and his daughter, Mary, won the crew race. If I've forgotten a race Bill, I apologize. Bill's fine sailing was not without competition as the first three boats finished but points apart.

Away from the sailing front the fleet enjoyed a very active summer with beach parties, cook-outs and an overnight camping trip

ing trip.

We are eagerly looking forward to 1957 with the hope of having clear sailing and good comradeship.

Fleet #38 experienced one of the finest seasons of its history in 1956. It was complete with the pleasure of unusually fine racing weather, excellent racing and the usual cry of "wait till next year."

The Miramar Yacht Club sponsored eight races of which only six were to be counted in the scoring. The Fleet Championship was so hotly contested during the entire season, that the results were not known until the last race and then only a quarter of a point separated second and third places. The final results were:

| 1st. Dan Steinberg- Fleetwing | 851/4 | pts. |
|-------------------------------|-------|------|
| 2nd. Al Gagliano-Cherub       | 831/4 | pts. |
| 3rd. Mike Zwerling-Pippa      | 83    | pts. |

### REPORT ON EASTERN LONG ISLAND DISTRICT CHAMPIONSHIP:

On the weekend of July 28, 1956 the Miramar Yacht Club of

Fleet #38 Champion, Dan Steinberg and crew, relaxing after finishing race,

Sheepshead Bay was the host Club for the Eastern Long Island District Lightning Championships. Two races were held Saturday and one on Sunday. The weather was good with moderate to fresh winds for the whole series. Boats representing fleets in Mattitick, Lindenhurst, Hewlett Point and Sheepshead Bay were participants. Bob Connor sailing "Black Jack" took first in the first two races and a second in the last race for the Championship Trophy with a low point score of 4. "Fleetwing" sailed by Don Steinberg placed second with a series total score of 6, placing 3rd, 2nd and 1st. Mike Zwerling was in third position in "Pippa" coming in 2nd, 3rd, and 4th. Following is the complete series score:

High Tor Fleet started its season with the annual Griffin, Ducey, Shankey Memorial Day Race. First place honors went to Tom DeStasio of Black Hawk (172), followed by Ed Dean of Shattemuc (224), and Walt Tripp of High Tor.

This was one of our more successful racing seasons of recent years. We were well represented at the Tarrytown Regatta in June, the Nyack Fourth of July Regatta, and the Mid-Hudson Regatta at Shattemuc. Unfortunately we were not able to bring home any honors from these events.

The intervening weekends were filled with races at home. We were fortunate in having fewer than the average number of "deiferer"

In September we held our annual Labor Day race from Minisceongo down the Hudson River to Nyack. Most of the course was a beat against a moderate southeast wind. Ominous dark clouds loomed out of the west. Instead of a storm, however, the wind became very flukey, causing many changes of position. From far behind came Cy Eppler of Nyack and Walt Tripp to finish 1-2.

Unfavorable weather curtailed our fall racing. The season ended with Walt Tripp out in front as fleet champion with his "Sneaky Pete". Runner-up was "Chubby" Jorgensen sailing "Skinney".

We are looking forward to 1957 in anticipation of another busy racing season.

The Toledo Lightning Fleet opened its 1956 season with a record entry of 31 boats participating in "The Great Lakes Lightning Championship". There were boats registered from Canada and as far as New York City.

The race was won by Walt Swindeman with Wes Wedrich taking second, Herm Nichols third, Joe Stueland fourth and Jim Schudel fifth. Heavy winds caused casualties to several boats with Bob McClaran and Jim Milliew, capsizing. A party, with a theme of Latin America, was held at the club Saturday night. Although the skippers were a bit worn out, they and their crews were soon enjoying the hot music of the Michigan District Barefoot Philharmonic, who so kindly came down to play and make merry. As

Great Lakes Regatta '56-Pampas Senoritas.

an added attraction, Swindeman, Krauss, Maludy, Penske and F. Keller presented a Latin American Chorus.

Toledo was an active fleet this year with its members traveling far and wide to attend all the regattas it could squeeze into one season.

Krauss and Swindeman divided their time between their Lightnings and their new Dragon. We take off our hats to two great skippers who will not be sailing lightnings in the '57 season. However, don't be surprised to see them on hand at some of the regattas meeting old friends.

Doc Booth represented us at Lake Pymatuning, Ottawa River, Toledo was won by Dick Legowski who will be hard to beat next season. Krauss took a second, Swindeman a third with J. Keller, F. Keller and J. Smith also running. Bud Nelson, an old timer with the fleet, won our Frost Bites Regatta. Bud purchased Bob McClaran's boat later in the season and placed very well in competition.

Nelson, Swindeman and Legowski finished in that order in Bayview, Toledo Regatta. Devils Lake drew Legowski, O'Neill, Nelson, Booth and J. Keller, but that just wasn't their day. Too bad Krauss didn't have time to try again for a little glory for Toledo.

Legowski and Nelson visited Buckeye Lake to enjoy their hospitality, while the latter claimed a third place.

J. Keller, F. Keller and J. Smith traveled to Monroe Boat Club and walked off with all the hardware.

Legowski, Nelson, F. Keller and Doc Booth tried hard to place at Port Clinton Snow Flurries. Wouldn't like to race in weather as heavy as that very often. But let us say that those were very good skippers both ahead and astern.

O'Neill represented us at Detroit's Bayview Lagunatic Regatta. We feel he did very well against Wes Wedrick and the other Michigan hot shots.

Swindeman, Krauss, Legowski, Booth and O'Neill took in the Ohio-Indiana Districts at Port Clinton with Old Mr. Lightning taking a first for the eighth time. Sad to say, Walt just couldn't find his way over at Buffalo in the Internationals. Maybe his heart just wasn't in it, cause he sold his Yankee Dookle on the spot and bowed out of Lightning competition. We're sure he'll stay in contact with the Association's activities and we hope he passes on his great gift to some Toledo Skipper. Dick Krauss sold his KaKe Jo to F. Keller and hopes to groom this new member for International competition.

We thank all our friends for helping us make this a very lively season and hope to see them over our transoms in the '57 season. Our Fleet competition dropped to a new low but next season will have a very heavy Sunday schedule with new blood competing for Fleet honors.

Our President and 1956 Champ, Robert C. Mann in "Tempest", #5999.

Fleet 43 opened its season for 1956 with a meeting in early March. The skippers and crew decided the new racing schedule, voting to open the Spring Series the week-end after Easter. Bad weather being a mean factor, the first race didn't get started until the 15th of April. Almost all the boats were in for this tune-up series and everyone excited about sailing after a winter layoff. Tim Fisher took the series, taking advantage of rusty tiller arms of the rest of the fleet. Bob Mann came in second and Jim Dressel followed him.

Memorial Day Week-end saw Bob Mann and George Fisher on their way for the first regatta of the season. Neither did too well and the whole fleet, using them as an indicator, were worried about how we might stand up during the season. The worrying seemed to influence the rest of the season as we did fairly well

Our summer series started with a bang, Bob Mann taking the opening races, proving he was to be the boy to beat for the rest

af the season.

The O.I.C.Y.A. Regatta interrupted the summer series temporarily in June, it was held at M.Y.C. near Mansfield. Four of our Lightnings participated in the many class Regatta, Ed Ballenger, Jim Dressel, Bob Mann, and Tim Fisher. Tim, who two days previously had put on new rigging, broke his mast in a squall the first race. He forgot to bolt his spreader stay tang. Heed this warning fellow skippers. Bob and Eddie also had a run of bad

luck. Jimmy survived and won the regatta.

When we got back to our summer series, George Fisher had become a Papa for the second time. Oh, yes, it was another boy.

He's preparing a future crew. Bob Mann continued his form with George every now and then giving him fits, which was the case throughout the season as they both fought for the Fleet Championship. Bob ended up taking the Summer Series with George close behind him and Tim Fisher (no relation to George)

The 4th of July we had our annual classic, the Long Distance Race. The skippers make sure the crew have all the extra gear in order (cold beer packed in ice), and then are on their way. Jim

Dressel was on his way . . . to a victory.

The O-1 Districts came up suddenly it seemed, even though we were all grooming for it. We sent a nice representation in boats and spectators to add to the gala occasion Port Clinton put on. George, Bob, Jim and Tim again entered. After wonderful parties, well planned races, and boats put back on trailers, we found George and Bob had qualified, third and fourth respectively, and Jim close to the money for a sixth. Tim had a bad series though he did have a first in the fourth race.

After the Districts, the Buckeye Lake Yacht Club sent up a junior team to sail in the Wakefield Eliminations and series. Once getting through these two sets of races, they became ILYA champs and earned an expense paid trip to race for the Sears Cup, North American Championships, in Canada. They didn't do too well at the championships, but we were proud of them. Jim Dressel, skipper and Jeff Dum (whose father took his own time to escort the boys. Thanks Cliff!), Eddie Ballenger, and Tom Davis, Crewmen. We were especially proud because they are all Lightning Sailors.

Next came the Nationals. Bob and George had all our blessings Though they didn't win, they both admit having a swell time and terrific sailing at the Buffalo Canoe Club. We are very proud that Bob Mann was elected President of the Lightning Class Association. Jay Limbaugh went up to the B.C.C. also and purchased Gene Wallett's "Spirit II." Though a newcomer, Jay has been

doing a sensational job of sailing.

The Labor Day series that was scheduled during the Nationals was postponed. We held it during the Snowball Regatta in October.

Another annual long distance race came for the Eaton Trophy. Jim Dressel showed that endurance is his ticket for winning by taking this one-cup race. The fall series started and George Fisher started his streak. This series, with the Summer and Labor Day series constitutes the fleet championship, and George was out to get it. He won the Fall series with Bob Mann close behind and Jim Dressel in third spot. George and Bob were neck and neck now

Bob took a ween-end off to go to Chicago for their annual regatta. He was shown some good sailing and he and Audry, his wife, had a wonderful time, even though they brought back no

hardware.

Port Clinton held their annual Fall regatta for Lightnings in October. Bob Mann, George Fisher, Eddie Ballenger, and Jay Limbaugh took their boats and crews up for this classic. Though the boys didn't show for hardware, Jay Limbaugh, our newcomer, finished eighth in his first regatta of his first sailing season. We feel this is pretty good, cracking the top ten in that competition. We exxpect even greater things in the future sailing of Jay. All

had a terrific time as is par for P.Y.C.

Our annual Snowball Regatta came the week-end after Port Clinton. We found one of the largest fleets we've ever had-32 Lightnings in all races. Inspired by the large number of people, the B.L.Y.C. ladies auxiliary did a marvelous job with the cocktail party. We had a packed house for the dance, and hope everyone

was well entertained and well fed ashore.

The races were sailed with varying winds, giving both skill and luck a chance. Pinky Allen paved the way, winning the regatta for the second year in a row. He seems to have a habit forming. Hope next year we can stop him. Bud Nelson sailing Bob McClaren's "Tequila," showed he was going to keep it up in the hardware winning circle. Bud placed second, close behind Pinky. Ronnie Blair had his new pink Olson flying. The first time he ever entered our regatta; he just had to take something home, so it was the third place trophy. Congratulations Gentlemen! Hope you and the other many people who came, will make it back next year. We'll try to make it better in every way.

Fleet 43 doubled their Labor Day series up with the Snowball races. This was the only chance for us to get three races in one week-end, so we took advantage of the situation. After the standings were clear, Bob Mann emerged first, Jim Dressel second, and

Tim Fisher third.

Our racing finished after the last Fall series, the week-end following the Snowball, Bob Mann won this race, knowing he had to beat George Fisher to win the Fleet Championship. This was quite a comeback for Bob, who the year before had only won one trophy. For George it was his second consecutive runner-up championship.

During the season, we had two Octopus Trophy races. Last year's race was raced early this season, not being able to fit it into the 1955 season. Bob won it, and George won it back from him later in the season. This is an interesting race with the skipper tending the jib, main, centerboard, and tiller as he is the only one in the boat.

In November we had Trophy Day, climaxing a wonderful season. Trophies were given out and recognition addressed to many, including Bob Mann. We are proud of Bob and also realize the responsibility he has undertaken.

Fleet Champion.....

Jim Dressel won the Past Commodore's Trophy for the second straight year. This is given to the junior who accumulates the most points, shows sportsmanship, seamonship, courtesy, etc.

After a successful season and hopes for a better one next year,

we, of Fleet 43 wish you all, Good Luck and Good Sailing.

After a slight falling off in sailing enthusiasm, the past season has seen an enthusiasm springing up again amongst all classes. Plans are now being made for a banner season in 1957 with new boats being added to the fleet and many of the boys planning on new canvas to make this past season's winners sharpen up their

sailing tactics.

Regular races were held from June to Sept, with about 6 boats sailing regularly, and of course the "old pro Unc Hoyt" coming out on top as fleet champion. The outstanding event of the season was the regatta which was held during July. This was an outstanding success with 145 boats representing seven classes participating in the three day regatta. Fine sailing breezes prevailed on all three days giving many tense moments with a few unfortunate collisions.

A fleet of 39 Lightnings hit the starting line. Unfortunately the host club was not in the charmed circle but everyone participat-

ing had an excellent three days of racing.

Fleet #45 again enjoyed a fine sailing season and keen competition marked the scheduled 12 race club championship series. The races ranged from drifters to real windy "wing-dings". This year Bob Busbey sailing his white hulled Moby Dick was able to find the correct combination and came home the winner for the series. Bob Griggs in Merri-Mar placed second and Jim Buchanan in Buccaneer was third.

In the Edgewater Y. C. Regatta, which hosted a large fleet of Lightnings, John Ruhlman of the Northeast Y. C. was the winner

with Busbey and Griggs of the home club tied for second. Buchanan had good success in the away regattas winning the Lakeside Y. C. and Mentor Y. C. races. He also placed a strong fifth in the tough Ohio-Indiana District Championships.

The season was not without a few humorous incidents, the most interesting of which is as follows: It occured during the Hamer's Trophy Race, sailed on a stormy, windy day. In this race all classes of boats race against each other with handicaps determined according to their past performances and each with a different starting time. As the race developed Buchanan, Busbey, and Griggs had a nip and tuck three-way battle for first place which was not resolved until a scant fifty yards from the finish line when Busbey gambled on flying a spinnaker and won, plan-ning across the line just ahead of Griggs. Then came the big surprise. Here came the rest of the fleet in from the other direction!! And so we had two fleets of boats in the same race, each sailing the same course, but going different directions. The strange thing about it is that somehow neither fleet realized that the other was going the other way. They passed on the outer leg but with the high winds and stormy conditions didn't even notice each other. Since there had been a confusing element in the changing of the starting line the race was declared not official. And so with blistered hands and weary heads the sailors had to be content to chalk it up to good experience. Ah, for the love of sailing!!

As usual, good sport and wholesome fun was enjoyed by all of fleet #45 and we look forward with anticipation to the coming

season. Here's wishing to all . . . . .

Our serious sailing began with the Ed Weal Memorial Trophy Series, sailed over the 4th of July. Dr. Humphrey in the "Budget Buster" won the series with Bud Van Arsdale sailing "Jane" a close second.

The Fleet Championship series sailed during the month of July was a very close contest with Blli Van Arsdale sailing "Jane" finishing first and Harry Brown in "Firebird" runner-up.

The Club Cup our August Series was won by Joe Eliasz in "Ripple", with Harry Brown and "Firebird" again runner-up.

The Labor Day Series for the Benidict Memorial Trophy was won by Dr. Humphrey in the "Budget Buster", and for a third time this season Harry Brown in "Firebird" finished second. Harry apparently liked the Runner-up position this season.

We had the pleasure of again accepting the hospitality of Cuba Lake Fleet #115 for a week end of wonderful sailing and social companionship. The Cuba Club out did themselves in seeing that we were well entertained. The Saturday Clam Bake together with good sailing left us all with memories of a week end not soon to be forgotten.

Fleet #115 is to be highly commended on their work of improving the lake front and recreation area of their club.

After one warm up race, the 1956 racing season, on Columbia Lake, got underway on July 4th and continued through Labor Day. With ten to twelve boats competing each Sunday, in our relatively confined waters, the competition was keen and cutthroat. The season championship ended in a tie between Dick Molt and George Pederson and was settled in a one race sail off with Pederson nosing out Molt for the fleet championship. Placing third for the season was Randy Forbes.

Our annual Labor Day regatta, consisting of three races was won by Ozzie Scheller with Fran Savage runner up.

Interest was so keen among the younger crew members that a special race was scheduled over the Labor Day week-end for youngsters 16 and under. Nine boats were entered in this "kids race" with eight year old Ricky Molt the youngest skipper. The kids sailed a fine race and earned themselves the right to use "dad's prized possession" in regular competition next season. First place went to a visiting boat No. 2689 from the Niantic fleet, skippered by thirteen year old Billy Doolittle. Runner up was Perry Pederson 11, and third was Mike Clementino 15.

With the close of the regular season, enthusiasm was still so strong that it was decided to run a series of Frostbite Races through October 14th. Seven Lightnings were entered in the first few races in early September, and then the number dropped off each week until in the final race only two boats showed up. The "Fur Liner" for Frostbite champ went to Commodore Pederson. All in all it was considered a very successful experiment and with enough interest will probably be tried again next year.

Fleet No. 49 welcomed a new member, Dr. R. Chenney, sailing No. 690. This is the first year since 1941 that Dick and Paul Miller have missed a sailing season. We all miss their good sportsmanship and keen competitive spirit and hope to see the "Old Champs" back in action soon again.

Fleet 50 continued to be quite active. In many respects, it gained strength: the races were not dominated by any small number of skippers; victories in individual races and in series were more widely distributed; the number of boats participating was decidedly increased and the competitive spirit was in evidence.

The first event of the year was Columbia Yacht Club's annual Washington's Birthday Frostbite Regatta. A few hardy sailors participated in the strong winds and cold weather. At this time several of the fleet were in St. Petersburg enjoying the Mid-winter. Jim Gilbert took his Vagabond down for the fun and was joined by Al Hudson, Lou Borges and Bill Cairns. Capt. Montrief from nearby Quantico was also present and made an excellent showing.

nearby Quantico was also present and made an excellent showing. In the Spring Series of the Potomac River Sailing Association, beginning in April and ending early in June, our popular neighbor from Quantico, Monty Montrief, was the winner in Leatherneck. Dave Corcoran living up to predictions of early stardom, was second. Marshall Hornblower's Whisper was third. We all agree "something must have slipped".

The annual Gunston Cove Memorial Day Regatta, usually involving a race down to Fort Belvoir on one day and a race back the next, was forced to shorten to a one-day 15 mile race to Fort Washington and return. Lou Borges, the neophyte, was the leading Lightning but failed to win any prize against the competition from Chesapeake 20's Thistles, etc.

In June, July and August, the National Yacht Club held 3 series with two races practically every Sunday. The winners were Al Hudson in the 1st series and Lou Borges in the 2nd and 3rd series. Harold Hernly, Connie Carswell, Jim Gilbert and Tim Corcoran copped runners up honors.

Corcoran copped runner-up honors.

In the President's Cup Regatta on September 22-23, a record 27
Lightnings, half of them distinguished visitors to our waters, participated in three races in ideal weather. Barney Mead was the winner with Hoologan, #6015. David Price in Tempest and June Methot in Chantey were runner-ups. The best a Fleet 50 boat could do was a 13th.

The Potomac River Sailing Association's Fall Series (September-November) was won by Al Hudson in Country Girl, followed by Lou Borges in Flying Lady II. Leatherneck from Quantico was third

The final event of the year was the Marine Corps' Regatta at Quantico on November 3-4. Again Fleet 50 failed to distinguish itself against the visitors from Chesapeake Bay, New Jersey, New York, Georgia, etc. While John McIntosh from Savannah in Scalawag was the winner in a class of 31 boats, Fleet 50's top boat was Al Hudson in Country Girl with a measly 13th. But Fleet 50 retained the Shearer Bowl when its representatives outscored the Marine Corps entries. Frank Bunch in 6375 was 2nd and Howard Mullins (a brother-in-law of Lou Borges) was 3rd in Tackless II, 6336.

On the basis of the record in all series, Lou Borges was the Fleet Champion for 1956 with the highest percentage, and he was

also the High-Point Winner.

Col. Pratt was the winner of the prize for having the worst luck. You wouldn't believe what happened to his new boat if we told you. We only hope that next year he will come into his own and get as much pleasure out of his Lightning as the rest of us are enjoying ours. Here's looking up to a bang of a season.

Lightning fleet 51 started its long active racing schedule with the addition of three new boats. Don Fairchild's Olsen No. 6460, Merl Amo's self-built No. 6505 and Chuck Grant's Nickols No.

Jim Northmore and Don Fairchild trailed their boats to the St. Petersburg Yacht Club, and sailed in its Mid-winter Champion-

ships, both received a good tanning.

Fleet 51 had nearly fifty scheduled races on its home waters

and attended many out of town events.

The Sunday A Series with its ten races saw Dick Crandall and Jim Northmore squeeze out Hank Cawthra for first place. Hank placing second, with last year's fleet champion Ralph O'Hara in there for the third spot.

Sunday B series was a different story, with Ralph O'Hara first,

Jim Millies Jr. second and Don Fairchild third.

The Nite-hawk series sailed on Wednesday night saw our old stand-by Hank Cawthra out in first place, followed by Ralph O'Hara for second, Jim Northmore and Dick Crandall taking third.

The other events that took place at our front door, were the Kendall series an invitational regatta, sponsored by the Detroit Yacht Club and sailed at the Crescent Sail Yacht Club. This regatta brings out some of the top skippers from Michigan and Ohio. After all the sailing and parting were through fleet 51's Hank Cawthra was presented the Kendall Memorial Trophy by

Mrs. Kendall. Herm Nickols of Lake Fenton was second.

The Michigan districts were sailed on Lake St. Clair, sponsored by our friendly rivals, Bay View Yacht Club. Hank Cawthra took

a second in this tough competition.

Early in September, Cawthra polished his boat and headed for the big one at Buffalo Canoe Club ending up sixth which is not too bad when you consider the fast company he had to sail against.

After all the sailing was through fleet 51 held its annual potluck dinner, Trophies for all of the winners were awarded at the end of a swell dinner which was headed by the fleet Champion's wives Winne Crandall and "Duck" Northmore.

The Crescent fleet was lucky to have three new members to join our ranks. Richard Westerman with his Mom's Mink No. 5130, Dr. John Lessene with No. 4008, and Alex Allardyce with his new 6550. Alex was quite a boy in the Star fleet for a number of years and will be a fine addition to our fleet. We are looking forward to another good racing season in 1957.

After all is said and done, if you want to have fun Get a

Lightning.

Lake Fenton started the season off with a swamping. Dave

Nickels sailing with Herman Nickels on the main and Bob Furey on the jib, managed to swamp on the second leg of the first race. There were many charges and counter-charges as to the cause of swamping. Skipper claimed the main sheet man didn't ease the sheet. The main sheet man, Herman, said the skipper didn't luff into the puff. The rest of us just laughed our fool heads off. To the credit of these damp sailors, they didn't capsize. The boat took such a knock down that she started to fill, When they got her back down level, the boat was full of water over the centerboard trunk. They took down the main and sailed to shore under the jib.

We added four new boats to our fleet in 1956 and in 1957 will have three more.

Doc "Halyard" Murphy tried to swallow the anchor, but after pacing up and down the beach all summer, bought Walt Swindeman's "Yankee Doodle". He has renamed the boat "Bonny Bee".

As usual, Lake Fenton was represented at many regattas—from St. Pete in February to Bayview Yacht Club's "Loonetic" on October 28th. We attended 14 regattas and placed in 11 of these, Herman Nickels placing no worse than 4th in 10 regattas out of 13.

The Lake Fenton Yacht Club's "White Cap" Regatta was attended by 32 boats and it sure was a thriller. At the end of two races, four boats were within one point of each other. These were Murphy, Weidrick, Goodwin and Nickels. The boys were still bunched at the beginning of the last leg but Nickels finally won out followed by Goodwin and Weidrick.

Clarence Holman was Fleet Champion and Ed Fournier was runner-up. Dr. H. I. Miller purchased Holman's "Too Bad" for his son Robert. Robert has been Junior Champion for several years. He will be a rough competitor.

Glen Anderson will be back after several years absence. He has built a new boat. Clarence Evans and Jim Mall have their boat built and are just waiting for the ice to go out. Clarence Holman and Herm Nickels are both building new boats for St. Pete.

The biggest boon to our Lightning Fleet is the Junior sailing program. The kids sail "Sailfish" and the competition is very keen. They have 32 boats and are a beautiful sight to see. They all aspire to be Lightning Sailors.

First we will mention 1957, when the prospect of playing host to the Michigan District Championship Regatta will be the highlight of the season. The coming season will need this happy event to keep pace with the trend toward new highs established in 1956.

The first of these "Highs", set quite early in the season, was the great number of launchings (and retrievings). The second "High", was the many boats "moored" at the top of the hill behind the Club House between races. The third "High", which was the cause of the first two, was "WATER". Water over the docks, water over the beach, water over the front lawn, water over the parking lot. Boy did we have water!!

But out of the chaos of early spring was born a determination to make 1956 a record season for P. Y. C. Mack Goodwin's capture of the Michigan District Championship was the real high spot, as it has never before been accomplished by a P. Y. C. Skipper. Ten P. Y. C. boats were trailed to Bayview Yacht Club for this event. A record number to be sure.

At Higgins Lake, Andy Roualet (2nd) and Larry O'Dell (3rd), added more laurels; while eleven P. Y. C. boats were trailed the long distance to Higgins for this one. Another record? Our highly

mobilized fleet attended about seven other Regattas during the season.

Meanwhile back at the Club—the folks were far from idle. About thirty-five regular races were sailed plus many more on Saturday afternoons, etc., Three Club wide Pot Luck Dinners were held in addition to the regular Wednesday night-after race socials. Many improvements were made to the Club facilities to accommodate our expanding membership, which also reached an all time high. We have so many members with Lightnings now, the dock committee has had to resort to a seniority system for allotting space. We now have members with boats, who cannot use them, for lack of moorings. With so many eager skippers about the Club, it seems assured, we will average twenty-five or more boats per race

in the coming season.

The annual business meeting in November was eagerly awaited by all because of the many trophies to be presented by Fleet Captain Les Huntword. Recipients ranged from Johnny O'Dell, thirteen years old, up to some grey (and pretty stout) old hands. Twenty-four awards were made in all, to fifteen different Skippers. As anyone who was there knows, Mack and Marilyn Goodwin took home the Lion share.

Well that about wound up our great 1956 Season. Only one small matter remained and that was the nominations to the "Loyal Order of Ducks". Three Skippers had the pleasant experience necessary to qualify. Namely Ralph Johnson, Andre Roualet, and Fred Sage. This however was not a record for P. Y. C.

In 1956, Fleet 55 had its best year ever. Forty-one races officially scored plus eleven which didn't count in the tallies. The following table shows how we have expanded and thrived during the last five seasons:

| Year | No. of Races | Winners Points | Average No. Starters |
|------|--------------|----------------|----------------------|
| 1952 | 15           | 22             | 2.5                  |
| 1953 | 32           | 37             | 3.5                  |
| 1954 | 37           | 98             | 4.1                  |
| 1955 | 38           | 154            | 6.3                  |
| 1956 | 41           | 244            | 7.1                  |

Our racing season was divided into three series. In the Spring Series, Fred Molgedei's "Puff" took first place, Dan Wilson's "Chickadee" second and Joe Leggiadro's (last year's champ) "Anna" third. For the piece de resistance, the Summer Series, "Chickadee" was first, "Zephyr" sailed by Keville and Stallworth Larson second and "Puff" was third. In the Fall Series it was "Puff", "Chickadee", and "Anna" to duplicate the Spring Series standings. For the season as a whole "Chickadee" edged out "Puff" for top honors with the defending champ of 1955 Joe Leggiadro sailing "Anna" in third position.

Our skippers performed very creditably in nearby inter-club racing. At Manhasset Bay Race Week Dan Wilson's "Chickadee" took second place and "Puff" sailed by Fred Molgedei was third in a fleet of 25 Odd Numbered Starters. Chickadee nearly ran off with a first but was edged out in the last ½4 mile of the fifth and final race by some daring spinnaker work by "Foxie" of the Manhasset Bay Fleet. In the Bayside Yacht Club's Annual Regatta, Skip Duryea (formerly a Fleet 55 skipper) in "Lark" took first, "Chickadee" second, and "Foxie" skippered by Bill Fox third. On July 28 we joined the City Island Fleet and raced in East-chester. Sailing thru a black Squall and the year's heaviest downpour the top finishers were "Lark", "Puff", and "Chickadee".

1956 Little Neck Bay Fleet Champion "Chickadee" with George Wilson at the helm. No. 5361 coming about in background is iast year's season champ, Joe Leggiadro in "Anna".

The fleet sponsored a number of activities designed to build up participation, membership and interest. We scheduled special Novice Races for those skippers new to racing and not too sure of rules and tactics. After the season ended, we had a boat swapping round robin. It is interesting to note that the boats that were winners all season long were winners even with other skippers at the helm. Every two weeks during the racing season and at irregular intervals during the winter a bulletin was issued to skippers and crews giving scores, racing programs and announcements. And after each week-end of racing, stories were sent in to nearby newspapers. Thanks to Joan Sullivan's skillful reporting our write-ups appeared regularly in two to four North Shore and Queens papers.

During the mid season our Sunday races were conducted alternately by the Race Committees of Bayside Yacht Club under

Art Sanial and the Douglaston Yacht Squadron directed by Chester Brown. All other racing was handled by members of the fleet itself.

Two new Lippincott boats raced in our group in 1956-Fred Molgedei's "Puff" #6329 and Katy Butler's "Blue Chip" #6364. "Puff's" fine performance is described above. "Blue Chip" after a late start did quite well and will be a contender for the upper brackets next year. Several new boats will be with us in 1957one which Harry Bell has secured for daughter Barbara to sail, the one which Matty Silverman will sail when he returns to active racing, and "Coquette", recently purchased by the Mereweathers. 1957 looks like a good year for Fleet 55.

The Burnham Park Yacht Club Fleet opened its season on Memorial Day with its annual "Pest Trophy" Race. Ronnie Blair in his new "Bon Bon" won the trophy and continued from there to capture the Fleet Championship.

In spite of adverse weather which caused three dismastings and numerous capsizings, a total of 14 point-score races were sailed toward the Club Championship, and every Wednesday evening during July and August, we sailed "after-dinner" races. These didn't count toward the championship but did contribute to many pleasant evenings.

For added variety, the fleet sailed in five open regattas with the Chicago Corinthian Fleet under the banner of the Chicago Lightning Squadron. The winner of this series was Bill Wingard

of the Corinthians.

The climax of our season is always the Red Flannel Regatta, sponsored by the Chicago Lightning Squadron and held this year at the Corinthian Yacht Club.

Year at the Corinthian Yacht Club.

There were over fifty entries at the eighth renewal of this classic, with boats from Michigan, Ohio, Indiana, Wisconsin and Illinois. For the second time in this regatta, an out-of-towner, Wes Wiedrick, of the Bayview Yacht Club in Detroit, walked off with the first place prize. We of the Chicago Squadron really enjoy this event and go all out to make it a success.

We take this opportunity to invite all Lightning Skippers to attend the 1957 Red Flannel at the Burnham Park Yacht Club.

The 1956 sailing season was the poorest on record. The river was high and the current quite fast until the first part of August. That of course meant no sailing because, unless the wind is strong there is no chance bucking the current of the Ohio.

The first race was only held in September and by sailing two

or three races on the few good days we were able to have a

Barnes as usual was the fleet champ, and Truman Young, one of our old timers, got his boat going and was

runner-up.

"Doc" Barnes who has taken fourth place for the past three or four years in the Lightning District Regatta wasn't feeling particularly well and didn't have enough ambition to take his boat to the 1956 District. Now that some of the Toledo boys have given up sailing Lightnings we expect "Doc" to be right on top of the heap in the 1957 District. At any rate we are giving the rest of the boys fair warning.

Frank Pfefferle was away most of the summer and didn't get a chance to put his boat in the river. He did, however, go to the Great Lakes Regatta at Toledo and the Snow Flurries Regatta at Buckeye Lake. At both regattas he was among the also rans, but had a lot of fun trying to keep up with the younger skippers.

The year we bagan the Regatta circuit in June by being guest at the Buffalo Motorboat Club at their first Invitational Lightning Regatta. Fog, fishing boats, the Crystal Beach steamer, barges, sanflies and fog horns all added to the fun of the promised obstacle course. When the fog lifted, we found Joe Holler had finished in 3rd position, Stu Anderson 5th and The Plamer-

Swanson team 6th.

The year N.S.C. was host for the 11th annual Niagara River Lightning Championship. The Buffalo Canoe Club sailors seemed to have the secret to the tricky Niagara current—they took the first four trophies. Then N.S.C. appeared in the final standings—Stu Anderson's Glockenspeil 5th, Soubrette sailed by Dick Bowen 6th and Joe Holler's Tillicum 8th.

This was the year Stu Anderson sailing for the red and white burgee placed 2nd in the Central New York Regatta at the Cananburgee placed 2nd in the Central New York Regatta at the Canandaigua Yacht Club. Jack Swanson, Bob Strack, Will Shaw with the help of Thistle skippers Al Rush, Harry Jerge, Dick Lange and Jean Jerge all helped to add points so N.S.C. was declared the team winner.

The year the Royal Hamilton Yacht Club staged the Lake Erie District Regatta. Hamilton Bay offering the usual tricky

winds helped add to the excitement and not till the final gun of the last race did we know that Stu Anderson had sailed Glockenspeil into 5th place and so qualifying him to enter the

Internationals.

The year that regatta minded skippers found still another to calms, rains or real north westerns. The final race to determine the Club Champion was sailed at the Buffalo Canoe Club in October. Joe Holler, our new Champ! Followed by Stu Anderson and Jack Swanson. Joe was also the winner of the Wardell Lightning Trophy and in 2nd and 3rd places, Bob Starck and John Palmer, respectively.

This year, yes, this year, Stu Anderson sailed in the Interna-tionals held at the Buffalo Canoe Club. Stu feeling real happy after taking a first in one of the tune-up races, did our club proud by finishing in 12th place.

The year the Swanson-Palmer-Blake trio quietly brought home the 3rd place honors of the President's Trophy. They became Internationally famous not only for their unusual sailing ability,

but for their song writing talent.

The year that regatta minded skippers found still another to attend. Sandy Beach Club, downriver of N.S.C., staged a haulout series the last of September. The final race was strictly a contest for the survival of the fittest with gust 30-40 mph. 'Ole Tillicum was skillfully skippered by Joe Holler and was one of only ten boats to finish the race. Thus winning the 2nd place

This was the year the Buffalo Canoe Club gave the Niagara skippers, Holler, Swanson, Anderson and Starck a lesson in team racing tactics. After sailing on the Abino waters in Indian Summer weather, one by one the boats were bedded to their trailers for the winter and the summer silently faded away.

Another nearly rainless summer in Kansas leaves our lake level down ten feet below normal, but the wind was up to par, only one race postponed for lack of it, and one mast broken in high wind. Several Club picnics followed by moonlight sails attracted increasing participation.

The shifty breezes of Lake Pontchartrain were active all last year. One gust even blew young Gene Walet clear to Australia where he represented the United States in the Olympics, Sailing

his Dragon, Spirit II.

We planed into the executive class when A. D. Wynne was elected Commodore of the Southern District. "Juby" Wynne then proceeded to set quite a precedent for future commodores. During "race-week" on the Gulf Coast he won every series. (Biloxi, Gulfport and Bay St. Louis.) Fleet Captain Koerner was runner-up at Gulfport with Walet, second in Bay St. Louis. Incidentally ... "Juby" did the same thing last year. As long as Commodore Wynne had such a favorable tack, he rode it further to win the invitational regatta at Shreveport for the second successive time; as well as running away with the G.Y.A. championship at

Fleet Captain Koerner grasped a few pick-ups of his own by winning the Overton Regatta at Fairhope with Tommy Allen as runner-up. In our spring "joint-series" with New Orleans Yacht Club, Captain Koerner romped in first with Gene Honore (of N.O.Y.C.) second.

In the summer joint series with N.O.Y.C., Harold Sporl, Ir. copped the cup closely followed by our intrepid Fleet Captain. Young Sporl also won the championship at Camp St. John in Delafield, Wisconsin. The breeze shifted over to give Dr. Marion Wolfe the victory in the Stratton series by Sporl was right there as runner-up.

The season's closest battle took place at Pass Christian in the Southern District Championship between Walet and Wynne, with Gene emerging as victor by the slightest hair with "Juby" sitting right under his transom. Fleet Secretary Hicks upheld his reputation as official fleet "plumber" by flipping his "Desire" in the first race of this same series. (By some miracle I still didn't get the last place trophy.)

And so we end the season with two promising clouds on the horizon . . . Jim Mullally as the new Fleet Captain and Bob Banck as Secretary.

Wayne Brockett, "Rise 'n Shine", and the Governor's Cup.

This year fleet 63 raced in two divisions, a spinnaker division, and a non-spinnaker division. The non-spinnaker division not only stimulated more interest in racing, but also provided some very keen competition. We had four or five boats racing regularly, a definite improvement in the number of active boats over the last few years. Unfortunately our home sailing season is always somewhat limited by the late springs and hurricanes in the fall, together with the number of outside regattas toward the end of the summer. But we all had great fun in our home races, with Al Kuehl giving Wayne Brockett some close competition for Fleet Champion among the spinnakers, and Mary Lou Venter beating out Jimmy Kearns for third place. Among the non-spinnakers, Bob Clinton ended up on top, followed by Bill Cogger and Harris Anstey respectively.

Branford was well represented away from home this year. We sent two boats to the Connecticut Districts at Noroton, and Wayne Brockett finished eighth, with tremendous competition, with a thirteenth, a twelfth, and a third place in the final race, Wayne also was Branford's representative at the Governor's Cup

Regatta held at the Wadawanuck Yacht Club in Stonington, which he gloriously won in a good breeze, getting the gun in the morning race and battling from behind in the afternoon to overcome first a bad start and then an excursion to the wrong mark after once gaining the lead, to finish second behind Mike Flynn. We were all very impressed with the trophy he brought back, which took both his crew to load into the car.

Al Kuehl represented Branford at the Long Island Sound Championship Regatta at Noroton, but with hard luck and a broken mast in a strong wind, he was unable to finish the regatta,
—wait 'til next year! The same weekend Wayne Brockett and Jimmy Kearns were racing at the annual Tri-Club regatta in Milford. Wayne finished second, beaten only by Bud Olsen in his "flying machine". However Wayne returned to avenge this defeat by winning the Last Chance Regatta in Milford the first week in October. This turned out to be a highly contested regatta decided solely by the second race after the first one had to be cancelled due to a misplaced mark.

Next year fleet 63 hopes for an even greater increase in the active boats, especially among the spinnaker division. We also hope for a longer home season with an earlier start weather

providing.

When Doc Schultz sold Islander at the close of the season in 55, and then when Bernie Smith and Gib Bailey also sold, everyone predicted that Fleet 67 was done for. I guess we did take it pretty hard, and so when the last season began only Pete was raring to go. John and Walt's boats were not ready. Jack and Bob had their boats in for day sailing, but they were not interested in racing. Weeks passed and Pete had no other Lightning to race against, so he also almost lost heart. Finally, however we got going. Not only that, but we got Jack and Bob who both had daughters who wanted to race, to join us. And so a season that began poorly ended by all of us having some fun and with the realization that the bottom need not to have dropped out of our sailing sport. To top it off, Andy Pertain bought a boat toward the end of the season and now we are six. We have to coach the newcomers a bit, but we do have a happy nucleus, and we look forward to 1957 with new hope.

twelve races, which were held jointly with Ford Yacht Club. Carl Arkelian who joined the fleet last year took the most points for the 1956 fleet championship.

Several regattas were held at Gross Ile during the season including the Lake Erie Championship, a three race series, and the annual River Yachting Association series. The Lake Erie Championship was won by Wes Wiedrich of Bayview Yacht Club. Jim Schude! of Bayview took a second and George Peterson of Grosse Ile was third. The Grosse Ile Regatta was also won by Wes Wiedrich with George Peterson taking second, and Dick Drew of Ford Yacht Club was third.

Grosse Ile is looking forward to many visits by skippers from other clubs in 1957. A new hoist for small boats was built by George Peterson last spring which greatly facilitates the launching

and hauling out Lightnings.

Milwaukee Fleet #69 sailing out of Milwaukee Yacht Club again had a top-notch racing season. Besides the regular Saturday afternoon race, a new series was inaugurated—each Wednesday night at supper time a short course race inside the harbor was held. We're mighty proud to report that our junior sailor, Dave Ashton, in his famous "Baby Doll" No. 4999 won this Wednesday night series. The competition was stiff and Dave did a fine job.

Our annual Little Mackinak, which is about 14 miles in length, was won by Art Hoernke in "Debra" No. 5953. There were two other major series—the P & T and the Milwaukee Bay Regattas. Len Gardenier of our neighbor Fleet #79 won both of these.

While we did not schedule as many season races as is normal (we stopped our season series at the end of August), we had quite a few pick-up races on the spur of the moment. The fall weather was exceptional and in the writer's opinion, as much good sailing was had in these pick-up races as during the regular season. For the first time in many years, our race schedule was sailed with minimum amount of interference from the weather. It was only necessary to postpone one race for a matter of a day.

Fleet #69 membership is at a high level and while there are no new boats on the immediate horizon, we expect to have even more people racing next year than we had during the past. All told, the season could be called very successful—interest being high and everybody seems to be anxious to get the boats back in the water next spring.

Fleet 70 started its season with its Annual Spring Series and ended it with the Frostbite Regatta at Quantico, Va.

The Spring Series attracted about 16 boats in all and was won by June Methot in Chantey of the host fleet. Dave Shay in One Hoss Shay from Raritan was second, Bob Smith in November from Noroton, Conn. was third. Fourth was Ray Lippincott in Puffin II from our fleet and Sam Knox from Stonington, Conn. sailing Hot Canary was fifth. Nine races were scored out of a scheduled fourteen. Fleet 70 extends an invitation to all Lightning sailors to come and sail with us next spring. Details and dates will be sent out in March.

After the successful Spring Series the Fleet started its regular season series on Memorial Day and ended it on Labor Day. June Methot won by 16 points over Steve Perkins. Dave Mannishewitz Invictus was third. Positions were the same for the Mon-

mouth Boat Club Series.

Metropolitan Championship after start of 2nd race, Red Bank, N. J.

In the Red Grant Regatta Reid Dickerson sailing Bam was second. We swept the National Sweepstakes Sailing Regatta sponsored by the Monmouth Boat Club. June Methot was first in Chantey, Charles Allaire second in Invictus and Reid Dickerson third in Bam.

Fleet 70 hosted the Metropolitan District Championships this year and Reid Dickerson was first. Oliver Filippi from Nyack was second and Charley Allaire third.

Charley and Reid went to the Internationals where they would have finished better but for some hard luck. June sailed in the President's Cup, won one race and finished eleventh.

Three members of Fleet 70, Steve Perkins, Bob Dickerson, and Hugh Bulkley advanced to the finals in the National Junior Sailing Championships where they finally finished sixth. Charley Allaire, Bob Wood, and Brub Hance were eliminated in the second round of the Men's Championships. The women's crew, consisting of Barb Bull, Evelyn Allaire, and Betty Howie were also eliminated in the second round.

At the end of the regular season prizes were awarded at the Second Annual Haulout Dinner. In addition to those mentioned Steve Perkins was first in the Atwater Trophy Series; Carol Hance won the Russel Novice Trophy for Ladies; Sam Riker won the Miltenberger Novice Trophy; and Nancy Riker the Crew Race.

During the fall Ray Lippincott took a third at the Raritan Fall Series, June Methot was third in the President's Cup at Washington D. C. and Ray was fourth and June fifth at the Frostbite Regatta at Quantico, Va.

We hope for a better year than ever in 1957 and also hope to see a lot of you at our Spring Series.

Each year as Fleet 71 grows larger and attracts new lightning enthusiasts to its fold, the activity and fervor of its members also increase. In addition to a season with a full complement of races on the schedule, social events and regattas were well attended and popular with our sailors.

Three new boats were added to the Fleet this year. Pete Carsten with "Lucky Star" surprised everyone with his sailing. John Mueller received delivery on a new pink Olsen "Tickled Pink". Mark Auer christened a new boat at the Bay.

Again this year a high point of the season was our annual "Long distance race" to Lorain, twenty miles along the south shore of Lake Erie, west of Cleveland. The race was a seven hour drifter won by Charlie Judd. Charlie also won the regatta race the next day. Mark Auer was runner-up in both races.

Ed. Kennedy was our most traveled Skipper again this year. His victories at Wawasee and the Bay, seconds at Pymatuning and in the districts left us proud of him. We were represented by two boats at Toledo, two at the districts, three at the Bay, two at

Attwood, and three at Buckeye Lake.

We enjoyed two Fleet Picnics during the sailing season; which included skippers, crews, families and friends. They were potluck and we can say that the "gals" of Fleet 71 can certainly cook. Any fears the picnic committee had concerning duplication of dishes were groundless as we had a wonderful variety and always a keg of that popular foamy beverage.

Fleet 72 had one of its most active and spirited seasons in 1956. As usual we had good winds during the entire season. In twelve of our twenty-four races the winds blew at 15 mph or better.

We raced three scheduled series and had numerous impromptu races. The Saturday series which ran from June 16th through August 11th was won by James M. Tunnell, Jr. and his brother, Robert W. Tunnell placed second. Our Spring and Summer Series were both held on Sunday. The Spring Series ran from May 30th through July 1st with Robert W. Tunnell placing 1st and Norman H. Thomas coming in 2nd. The Summer Series ran between July 4th and Labor Day with Robert W. Tunnell coming in 1st and Norman H. Thomas placing 2nd.

Three of our boats attended the St. Michael's Regatta where Norman H. Thomas scored to the extent of a third. One of our boats also attended the Dixie District Championship.

The prospects are most encouraging for 1957. Bob Purnell, three times Dixie District Champion, has promised to return to competition with the well known No. 527—Bo-Bo. Two new

Norman Thomas and Melvin Farber in the Wee Mite crossing the finish line.

lightnings have already been ordered by fleet members with their old boats remaining in the Fleet, and a possible third addition is being contemplated by another member.

At the close of the season we had our annual Indian Summer Regatta with visiting boats from Baltimore Yacht Club and Northeast. As in the Dixie, the B.Y.C. boys won the silver, with Barney Mead finishing 1st, Marbury Fox, 2nd and Carroll Burgess, 3rd.

Again, Fleet 74 must report fewer boats than the year previous. However, this is not to be taken as an indication of any lack of enthusiasm, or activities, since the Fleet of diminished size has become "solid" and practically all boats are participating actively in all scheduled events.

Again this year, Fleet 74 was represented in the Internationals at Buffalo by Bob Buckles in Lightning #6446. We were represented at the Red Flannels in Chicago by Hawley Albright in Lightning #214 and at the District meet in Chicago three boats from Fleet 74 participated. At the Labor Day Degatta on Lake Springfield, we were represented by six boats. Out of twenty-two boats in the race, Bob Buckles placed second in Lightning #6446. After having been thoroughly beaten by the Island Bay Lightning Fleet 117 in the annual Inter-City series over many years, it was sweet revenge when this year Bob Buckles in Lightning #6446, Hawley Albright in Lightning #214 and Bob Grohne in Lightning #5228 finished first, second and third respectively in the series.

After taking Lightning #3623 to the Internationals at New Orleans last year, the Sommers decided it was time for a complete rebuilding job if their boat was to be recognized as a Lightning when in company with some of her new and modern sisters. This work is now nearing completion and involves new splined bottom, new deck frames, new deck, new boom, and laminated mast with modern lightweight fittings throughout. Charles Norman has also done a complete and really gorgeous job of rebuilding Lightning #687.

All of which adds up to the fact that whereas Bob Buckles and Hawley Albright seem to hold a monopoly on the positions of Fleet Champion and Runner-Up respectively, each year their margin of success has decreased. Who knows what the 1957 season will bring forth as new champion.

Sailing started early at Sandy Beach this year when on January 17, our skippers dragged their dinghies over the ice and raced in the chill Niagara River at the request of a local television station. This cooled off their enthusiasm until in April when Karl Smithers, Tom Fallon and international champ Tom Allen gave talks on starts, sailing to windward and rules. These meetings were held at Sandy Beach Yacht Club and were well attended by sailors from all clubs on the Niagara Frontier.

Our racing season got off to a fine start on Memorial Day when the Chester Bates Memorial Handicap Series and the Georgia Bates Scratch Series were held. The handicap portion was won by Wally Lawson followed by Steve Astman and Howard Compson. The scratch event went to Bobby Astman and Howard Howard Compson and Floyd Law finishing second and third.

The Art Little Tune-up Series was held early in June. Bobby Robinson won this followed by Wally Lawson and Howie Compson. On July 4, the Newman Round Robin Series proved to be the busiest day of the year with eight one and one-half mile races being completed. In this event the skipper must sail every boat entered with his crew remaining on their own boat. This series was won by Bobby Robinson with Herb Astman and Howie Compson in second and third place respectively. The best boat and crew award was won by Dick and Charlie Robinson in "Debby J-11".

The Law Trophy was won by Bobby Robinson with Vic Peterson and Wally Lawson finishing second and third.

This year's Lightning Championship was a very close contest with the Championship being decided on the last leg of a ninerace series. Bobby Robinson won the championship with Howie Compson, Vic Peterson and Wally Lawson finishing second, third, and fourth.

The Commodores Series based on handicap performance in twelve races was won by Vic Peterson followed by Howie Compson and Bobby Robinson.

A new skipper stepped into the spotlight when fourteen year old Dick Robinson traded places with brother Bob on Labor Day and went out to win all three races thus winning both the Compson and the Duchscherer Trophies. In second place for the Compson Series was Vic Peterson followed by Howie Compson. Second and third places in the Duchscherer Series went to Roz Lippard and Wayne Baumler.

Vic Peterson won and successfully defended the Baumler Challenge Trophy. The holding of this trophy keeps the winner constantly in a stand-by position and he must defend it day or night when challenged and must sail by conditions and rules as set down by the challenger.

The Grand Island Marine Trophy given to the skipper who shows the most improvement was won by Wally Lawson.

This year saw many of our juniors graduating to Lightnings and giving a good account of themselves.

Our sailors attended regattas far and near including the Buffalo Motor Boat Regatta, the Central New York Races at

Canandaigua, the Niagara River Championships, the Districts at Hamilton, the Internationals on Abino Bay and last but not least our first annual Haulout Regatta held at Sandy Beach Yacht Club.

The Haulout Regatta was held on September 29 and 30, a three race series. The first two races on Saturday were held with perfect breezes and lots of sunshine. On Sunday a complete reverse came about when winds up to fifty-five miles an hour hit the fleet early in the morning. With the wind abating to about twenty-five miles per hour, the race was started at 12:30 P.M. Twenty-eight boats went to the starting line and at the fifteen minute gun the wind came up and increased during the entire race. Only eight boats finished with winds howling at forty-three miles per hour. There were nine trophies given for the first nine places with perpetual trophies also for first place being won by Pete Grainge, second place Joe Holler and third place Bob Stark.

Sandy Beach extends a cordial invitation to all Lightning sailors to attend the 1957 haulout regatta to be held on Saturday and Sunday, September 28 and 29.

South Shore Yacht Club Lightning Fleet #79 boats took part in all Milwaukee Yacht Club regattas, such as the Commodore Series, Little Mackinac, P&Y Regatta, Milwaukee Bay Regatta, Junior Lightning Series, and, also the Midwest Regatta at Montrose Harbor in Chicago. SSYC races were held each Sunday morning at 10:00 A.M. starting June 10 and ending with the last race on Sept. 9.

The Team Race between the Milwaukee Lightnings and Chicago Lightnings held at Corinthian Yacht Club in Chicago each year ended up with a baseball game between the fleets because whether did not permit racing. A good time was had by all, plus a few backaches and sore muscles suffered by some of our elder skippers and crew members. Game ended when ball was hit into the lake.

Lightning #2502, San Sea was sold at the end of the sailing season to Ed Sinden and John Wehrheim of Chicago, who will sail the San Sea on Lake Geneva next summer. Gull Target #1705, now owned by Bill Schwartzburg was purchased from Bill Samp, captain of Fleet #79. We welcome Bill to our Fleet.

Our fleet was very busy this past year, as we were fortunate enough to put on the Michigan District Lightning Championships. Many fleet meetings were held in preparation for this event and except for a brief rainstorm before the second race, the series was a huge success. Mack Goodwin of Pontiac Yacht Club sailed off to victory, with Hank Cawthra second, Herm Nickels third, Wes Wiedrick fourth and Alec Carlin fifth. The first four boats qualified for the Internationals held at Buffalo Canoe Club.

Inasmuch as this area is very active in sailing and so much is scheduled for the short season we have, our fleet champion and runner-up standings are taken from the over-all results of the weekly DRYA regattas. Once again Wes is fleet champion and Jim Schudel is runner-up.

This year our fleet tried out something new. Instead of an initiation fee for each new boat owner, we set annual dues of \$1.00 each. This also entitles any crews to join the fleet who care to do so. By doing this we found more active interest among crews and also a little revenue for the fleet.

Another idea we tried out was a fall regatta for fun—and this one was strictly for fun. We called it the "Lagoonatic Regatta". Saturday's race started with all skippers inside the clubhouse while the crews had the boats close by with sails partially on. At the sound of the gun the skippers rushed out to their boat, finished hoisting canvas, paddled to the starting line and sailed a crazy course. At the discretion of the race committee, marks were moved, slowpoles were towed, leaders were handicapped and the losers could be winners. Saturday night a Halloween party was enjoyed by all and Sunday saw some semi-serious racing. Herman Nickels and Warren Jones tied for first and Walt Swindeman and Burt Jones tied for fourth—at the toss of coin it was Nickels first, W. Jones second, Schudel third, and Swindeman fourth. As this was just a "spur-of-themoment" regatta, we hope to make it an annual event.

Jim and Betty Schudel launched their new "Itch" at St. Pete

Jim and Betty Schudel launched their new "Itch" at St. Pete in February, where they had a bang-up time. Could it be the orange juice down there that influenced the orange color for their boat? Jim and Wes tied for first at Port Clinton Snow Flurries and at the toss of a coin Jim won the regatta. He also took first in Riverama, placed second at Ford Yacht Club regatta and third in the squadrom races.

Fred Wilhelm launched his new boat—Hiyaku—which in Japanese means hurry up. At the Toledo Great Lakes regatta he won the last race and also had some races in the President's Cup at Buffalo. As this is Fred's first year at skippering, I think he did very well for himself. Previous to this year he crewed for Warren Jones.

George Davis also launched his new boat—Baby Doll—late in the season and he chirstened it by capsizing one Sunday afternoon during a squall on Lake Erie. His boat also capsized on dry land one Tuesday afternoon during a freak storm and put it out of commission for a while. He sailed at the Lake Fenton regatta though (I really think Clarence Holman wanted one more boat in there and finished the repairs just in time to launch it Friday night). George is hoping next year will be better. Ole Lady Luck just wasn't cooperating this year.

Burt Jones did some fine sailing. He tied for 9th place in the Districts (which is good in the Michigan District—around 40 or more boats competing every year), took third in one of the local regattas, and let his crew sail the boat at the Ford Yacht Club regatta where they ended up third. Burt took second place in the Riverama and also sailed in the President's Cup in Buffalo.

Dick Dickman sold Ballerina I this spring and next spring will launch Ballerina II (a brand new Nickels and Holman Lightning). We will be looking forward to big things from you with that sleek new craft. Dick spent the summer crewing for various ones and Dick we want to extend our congratulations to you and Rosemary upon your marriage this summer.

Warren Jones-wot-'happened this year? Says Warren— I lost my regular crew and had to train two new ones. Try it some time. Both of his crew bought boats this year. Seriously, Warren was in there and we knew it too.

Pete Goebel bought George Peterson's lightning about the middle of the summer. Pete did real well too—tied for 9th in the Districts and had a cauple of good races in the President's Cup. Pete also crewed for Warren before he became a Lightning owner.

Wes had a very good season with first places at Devils Lake, squadron races, Ford Yacht Club regatta and Chicago (50 boat fleet). Took a second place in the Toledo Great Lakes, Kendall Series, Port Clinton, 3rd at Lake Fenton, 4th in the Districts and ended up 9th in the Internationals.

Burt, Fred, Jim and Wes trailed their boats up to Higgins Lake

for their annual Invitational. None of them placed, but we sure had a wonderful time and what a party. We may be a small fleet, but I think we are the most active one in this area. Somewhere, at some time, someone is representing Fleet 83.

where, at some time, someone is representing Fleet 83.

Gerry Stein sold his boat, but only because Uncle Sam beckoned him. I think we will have to spark up the rest of the fleet so we can include them in our fleet report. Each year we are increasing our membership in the LCA and we all hope it will continue to grow, and we are looking forward to a bigger and better 1957.

During 1956 Lightning racing in Vancouver was revived after a lapse of several years. Tom Sturgess brought Hawk from Victoria, Pastime came from Bellingham, and Geoff Ince trailered his boat some 3000 miles from Ontario. The arrival of these three boats perhaps broke down the insulation of inactivity and the Lightning storm had started. The intensity of the storm increased and by the end of the season its strength had doubled to six boats.

No single club in the Vancouver area had enough boats to form a fleet, so it was decided to pool resources and revive the old Kitsilano Fleet as the Vancouver Fleet open to members of the three yacht clubs. Nice races were scheduled with each club responsible for three. Pastime showed her transom to the Fleet for most of the season, and on two occasions when light winds and strong tides prevailed she managed to make the windward mark at the right time, and finished about an hour ahead of the second boat. However by the end of the season competition was keener and her monopoly on first place was broken.

In July Adrian Thomson sailed Pastime some 80 miles to the P. I. Y. A. Regatta in Victoria, Vancouver Is. and placed third. On the way over she competed in the 28 mile long distance race from Sudney to Victoria and was the smaller heat area.

P. I. Y. A. Regatta in Victoria, Vancouver Is. and placed third. On the way over she competed in the 28 mile long distance race from Sydney to Victoria, and was the smallest boat among the 150 which started across the 3-mile wide starting line. During the race the wind was clocked at 43 m.p.h. but Pastime finished without even reefing while many cruisers had to drop out.

In September Tom Sturgess represented the Fleet at the annual Cowichan Bay Regatta on Labor Day. Unfortunately bad luck with broken gear robbed him of a piece of hardware.

Another highlight of the season was in mid September when Hawk, Pastime and Thunderbird were trailered to Bellingham to race in Fleet 158's last series. Competition was so keen that after two races Pastime and Thunderbird had each collected a 1st and 3rd, and Vixen from Bellingham two 2nds. Unfortunately the final race had to be cancelled due to lack of wind, but we all resolved to return next year and also to get the Bellingham boys to come up to Vancouver.

Adrian Thomson's "Pastime" gets her spinnaker set for a long run from the Bell Bouy.

During the winter monthly meetings of the Fleet have been planned to brush up on rules, racing tactics and other techniques to improve our performance for next year.

Fleet ninty-one started its season early this year. For the first time in quite a long time we had representation in the Monmouth Boat Clubs Spring Series and the Metedeconk Tune Up Regatta. It was Franz Schneider and his crew who braved snow, wind, and rain to shake down his new boat, Woozle.

Fourth of July saw the election of fleet officers. Christopher Mc-Cutcheon kept the helm as Captain and Franz Schneider retained his post as Secretary.

Our five race season Championship series brought many new faces into the ranks of the racers. But it was again the grand old lady of the fleet, the Fran III with Christopher McCutcheon at the helm, that emerged champion. Close behind in the runner-up slot were the Maffenbeiers in their Largo, George Failmezger in Alegro completed a well matched first division. Actually it is in poor taste to speak of divisions as this year the competition was so well matched that every race was anybody's race.

Little Egg Harbors team races saw the Spray Beach representatives, Bob Bachmann in a borrowed boat and Franz Schneider in Woozle, turned in a very respectable second place.

Labor Day again saw McCutcheon on tap. Paul Craig was close

During one of the final snowstorms of the spring, we of Fleet 93 had our first meeting of the '56 season at Hahn's lovely summer home on the Black River. Here we formulated sailing plans for the approaching summer and our regatta.

Our 10th Annual Regatta was held August 11 and 12. We were disappointed not to have more visiting boats, but we had two perfect sailing days and some "hot" competition. Doc Carpenter, Doc McIntosh, and Skinner Reynolds held the honor places in the first race respectively, and the same three placed in the second race, in this order: Reynolds, McIntosh, and Carpenter. The third race, Sunday morning, was won by Howard Young with McIntosh and Reynolds second and third. When tallied up the results were: WIN—Doctor John McIntosh of Newport Yacht Club; PLACE—A. S. Reynolds of Skaneateles; and SHOW—Dr. Eugene W. Carpenter of Lewis Point; fourth, Jamison of Sodus; fifth, Young of Lewis Point; sixth, Hayden of Sodus; and seventh, Darling of Newport. The COWS TAIL (last) was captured by Paul Ruby of Lewis Point. (The crew had bad luck and lots of excuses!) Along with the awarding of trophies, "Chief UGH" was once again returned to Newport. Our thanks to Don Lane, a fugitive Lightning skipper, who did an excellent job as the race committee.

The remainder of the season was spent in simply enjoying fine sailing with the Oneida Lake westerlies and "beats to Buoy III". Our club still misses Joe Carpenter's sailing and social abilities, as he is busy plotting courses for vapor trails. We also missed George Wineburgh the past season as he sold his boat in anticipation of a new Lippencott. He promises to have his boat ready the coming season showing us peasants nothing but his wake! That's the spirit of '57!

The Awosting Lightning Fleet welcomed five new skippers for the 1956 season: Hank Holterhoff, Ben Fortman, Jack Wolf, Dick Squire, and Charlie Reinauer. Virtually every race saw at least fifteen boats participating. In spite of quite a rash of sevret weapons, such as cow bells, fog horns, and police whistles, which certain skippers used occasionally to unnerve the opposition, good sportsmanship and exciting competition prevailed generally. Enthusiasm was high and widespread, and we expect there will be several more new boats joining in the fun next year.

Races of the Awosting Yacht Squadron are held every Saturday afternoon and Sunday morning from the latter part of June until after Labor Day. These comprise two tuneups, five regular series of four races each, an 18 mile race on Labor Day, and a post season race; plus two specialty races in which novice skippers and crews usually get a chance to give orders to the regular skippers. Attractive pennants are given for the first three places in each race, and handsome perpetual trophies and plaques for the winner of each series except the Championship Series and the Labor Day race, for which first and second place cups are awarded.

The only thing wrong with our program was that there were not enough weekends to satisfy everyone last summer. A committee will be appointed to look into the possibility of creating several additional weekends for next July and August.

John Rusman was the leader in the Tuneup Series. In the first regular series, however, Jack Sengstacken nosed John out for the first place plaque.

The Rear Commodore Series was won by Bill Horton, with Jack Sengstacken slipping to second place. The next weekend, Jack lost his star crew, Evan Moore, in a softball accident, and never quite regained the winning form he displayed in the previous races.

In the Vice Commodore Series, Roy Sengstacken got down to serious business and beat out Bill Horton for the trophy. The picture was reversed in the Commodore Series, with Roy running second to Bill Horton. Year in and year out Bill has been our best racer although he has never yet won the Championship Series.

The season had a pleasant diversion after the Commodore's Series with the Annual Beer Party-meeting at the chairman's house—this year Kenn Britting. At this meeting we discussed many weighty matters such as who would be the next chairman and therefore host at next year's party. Dr. Moscarella was elected with only one dissenting vote—his own. It was also decided that the new fleet Champion would throw a beer party after the race in which he won the Championship. No skipper dared to object to this, lest he be considered conceited.

A fresh northwesterly awaited the fleet in the first two races of the Championship, with Roy Sengstacken and Bill Horton splitting firsts and seconds on Saturday and Sunday. The next weekend's wind, however, was another story. Roy won Saturday's race handily when Bill Horton and Kenn Britting, his closest competitors in the series standing, crossed the starting line ahead of the gun and had to start over behind the rest of the fleet, in very light air. On Sunday, Roy got left at the starting line in a dead calm, 200

feet behind most of the fleet. After rounding the first mark in last place, he managed finally to squeeze out a fourth place finish, and thereby clinch the Championship Series. The subsequent party got off to a somewhat faster start.

On Labor Day, Bill Horton sailed a beautiful race over the lengthy 18 mile course to beat out Roy Sengstacken and Kenn Britting.

In the Post-season Race, Kenn Britting nosed out one of our new sailors, Charlie Reinauer, in a very close finish. Some authorities say that Charlie would have won except that his crew, Bill Horton, fell overboard when the jib sheets broke.—Bill was too strong, or too heavy, for them.

Sound sailor is likely to remember '56 for its big blows, we took our chances with the rest, and are well satisfied with the results.

There are many things of which to be proud. Of them all, the most outstanding was Fred Hibberd's capture, for the fifth consecutive season, of the Yacht Racing Association of Long Island Sound's Lightning Championship. Though the Sound abounds with noted, talented skippers, this was the first time this feat has been accomplished in any class. Sis Hibberd was third in "Splash" in the Yacht Racing Association of Long Island Sound's season series.

Of the individual regattas constituting the Y.R.A. races, Sis Hibberd in "Splash" was first in the American Yacht Club Memorial Day 3-day series, and the Beach Point Yacht Club 3-day series.

Dave Gundy in "Pippin" took first place honors among 19 odd numbered Lightnings in the Manhasset Bay Junior Races.

Even though the turn-outs were larger and the competition noticeably keener, this season, the Hibberd's red hulled "Flash" and "Splash" knifed across finish lines with a winning consistency that brought joy to Lightning Fleet 96.

Fred in "Flash" was 1st in the New York Yacht Club Junior regatta among 48 Lightnings; in the Larchmont Yacht Club Junior Regatta among 68; and the Orienta Yacht Club Junior Regatta among 36. He was 2nd in Larchmont Race week among 75 Lightnings and in Eastern Junior race week among 48.

In addition to her firsts in the A.Y.C. and B.P.Y.C. regattas, Sis in "Splash" was 3rd among 28 even numbered Lightnings in the Manhasset Bay Fall Race Series. She also took 1st place honors in our Fleet Championship series with some mighty nifty sailing, as those who led for brief intervals but trailed in the end, will attest.

This year's Fleet Championship Series, held the Labor Day weekend, provided good sailing and lots of fun for those who participated. A word of praise and thanks is in order for the

American Yacht Club and its Race Committee for running the event. It was an awful lot of effort for a comparatively small turn-out, but boy was it appreciated! The series developed several interesting and amusing episodes. Cat Kelly in "Wahini" and her valiant crew of Rosie Kelly and Bea Beach turned out to be not only very astute and Successful "wind sniffers" but also showed that perhaps, contrary to the popular concept, it pays to be intelligent. In the final race they turned defeat into victory by the simple expedient of rounding the correct leeward mark while everyone else had rounded or was headed for the wrong one. Dave Gundy (relieved on Saturday by his dad, Dr. John Gundy, so he could attend high school football practice) sailed good races but disqualified himself in the last race when he went back around the above mentioned wrong mark incorrectly. Chuck Rice with his new supersonic suit of synthetics placed third in "Lucinda".

At the award meeting, after all the competitive prizes were awarded, Mrs. Hibberd produced the brand new Flash Trophy, donated by the Hibberds, to be awarded annually to the member doing most for the Fleet. This beautiful silver bowl was presented this year to Bernard Havens.

As Fleet Secretary and nominal author of this report, he should in all modesty (and honestly) refrain from citing any apparent reasons for the choice. However, since he has been signally unsuccessful in finishing much higher than last in any of the races, perhaps the loyalty and perseverance of his crew (wife Norma and 7 year son, Tommy) had something to do with it.

Fleet 96, in closing the book on its '56 season, is preparing for a bigger and better one in '57. We are driving for more members and already have two new ones signed up and several prospects over the barrel. There's one brand new boat ready to be launched next year and another under way.

With a fair wind blowing and spinnakers set, we are hopefully heading for the '57 season. Can't wait, in fact.

Although the season started out slowly for Lightning fleet #98 with only one boat ready for the Memorial Day series, but by the time the 4th of July series rolled around we had twelve boats competing. This series was won by Russ Brooks in "Scat" with Lew Haring's "Celeste" close behind. The Wenderoths in "Mirth Jr." were third. We had a regular showing of eight to twelve boats all during the summer, right up until the end of the season. In the ladies' day race, Arlene Kane was first in "Scat" followed by Mrs. Wallace Reidell in "Lucky Puff" and Sandra Wenderoth in "Mirth Jr."

In the Labor Day series the Wenderoths brought home the bacon followed by Russ Brooks and Wally Reidell. Since this series closed up the season, the totals were figured up and in the ten club scoring Lew Haring was first overall, with Russ Brooks second, and Tony Wenderoth third. In the official Lightning class scoring Russ Brooks came in first followed by Lew Haring and the Wenderoths.

Everyone agreed it was a good season and that the class improved over the year before.

Fisher White, in Flopover, and David Thurston in D. D. T., had almost identical records. Many complications arose at the last race. A threatening thunderstorm caused the course to be shortened midway in the race; Dave Thurston suffered a torn sail and had to drop out. When the excitement was over the standings were found to be: Wood, first, Clausen, second, White, third, Thurston, Fourth.

Because of the system of "bys" allowed it was necessary to average points. These are the final results of the championship series.

A second series was run in the month of August concurrently with the championship series to accommodate boats that entered late. Trips to Europe, weddings, cruises and procrastination delayed several members. The August series shuffled the winners just a bit. The results were—White first, Wood second, Clausen third. Black Flash entered only two races but won one of these. Thus, although the August series was run to give the late comers a fair opportunity to win—the July experience proved valuable. Those who had been in since the opening kept the lead.

Fleet 99 is a wet fleet and keeps to the rule that no boat may be taken out between races except for necessary repairs.

The climax of the 1956 season was the banquet following the last race. The pleasure of this annual dinner was enhanced by the presence of our fleet captain, Lester Asplundh, who had spent the summer in Europe. The parents of the boat owners sponsored this banquet and generously provided the sterling silver plates for trophies.

In spite of a cold summer Fleet #101 enjoyed a fine season.

As usual, the fleet held fine series of racing, a Wednesday night tune up series—a July series—August series—a Fourth of July Regatta and another over the Labor Day weekend.

Number 6191 was launched during the summer by Richard Winkel to replace his old boat #1195 and what a beautiful boat it is. The entire boat including frames was built and assembled during the winter of 1955 and 1956 by Mr. Winkel and his assistants.

Number 4389 has been sold and moved to New Hempshire. Dr. Andrews in #5108 was Fleet Champion for both the 1955

and 1956 seasons.

Gardner Brown, Richard Winkel and Dr. Andrews, competed in several of the races in the New England area and gave a good account of themselves, Mr. Brown having won the state of Maine Championship Race at the Center Board Club, in South Portland Maine.

Next season should be a good one for our fleet, with the new boats properly tuned and with the new sails broken in.

This year saw the beginning of what should be a highlight of West Coast yachting, the Pacific Coast Lightning Championships. Marold Eyestone, Wendell Harter, and Merle Beaupre trailed the 1500 miles to Eugene, Oregon, in July and got a third, fourth, and eighth for their efforts. The Barber twins were credited with first place and Dave Wright of Coronado pulled into second spot. Cordiality and hospitality of the hosts, Chihook Yacht Club on Fern Ridge Reservoir, were unbounded and a challenge to Californians to duplicate when we host this event next year. It will probably be held in the early spring to break the monotony for our friends in their Northwest rainy season.

An idea of the extent of our fleet activities can be gained from the fact that we attended a total of about twenty regattas, championships, series, and feature races. The new boats have been added to our active fleet this year, and at least two more are expected before next summer. Three of our number have their boats up for sale to clear the way for buying new boats. As you might imagine, this activity is indicative of the fierce competition in our fleet. All five of the most active boats had a turn at winning races and trophies this year, but the fleet champ and runner-up are the same for the third straight year. These two came in first and second in the Spring Point Fermin race for boats under 20 feet. There were over seventy entries of any and all classes starting at the same time and traveling the same 8.6 mile course.

On the Labor Day weekend Paddlin' Madelyn, Glori-B, and Follomi crossed the channel to the Isthmus at Santa Catalina Island. While at the island, Wendell took three first places and the cup for a round robin sponsored by Northrop Aircraft Company. The eleven-boat race back to the mainland found the

Lightnings planing a good portion of the twenty miles under reaching spinnakers. Paddlin' Madelyn shower her transom to all again.

Another unusual thing we did this year was to launch five boats through the subdued surf behind the Santa Monica breakwater and sail a Lightning series-Marold Eyestone again. Air rollers and our portable hoist kept the trailers dry.

The Redondo breakwater and facilities should be ready for

conducting races in 1957 so perhaps we will include that in our

itinerary next year.

The Lavallette Yacht Club Lightning fleet had a very successful racing season during 1956. The club racing season of ten races ended on Labor Day with our friends "The Syndicate" Messrs. Burke, Hutson, and Lewis in Flying Cloud getting the club championship award, with Fred and Marie Slovak in Star Dust getting the runner-up position.

"The Syndicate" also managed to win the Sieder Trophy, and placed second for the season racing of the so-called heavier Lightning Class division in the Barnegat Bay Yacht Racing Ass'n. Saturday regattas. As predicted last year, these boys are certainly getting hot and will bear watching in some of the outside events

next year

Our old friend Les White in White Flash was trying very hard to race each week, but unfortunately could not attend enough races to count in the money. We certainly hope that he will have more time to sail in all of the races next season.

Chuck Stewart in Bayrader, did the most beautiful job of refinishing his boat, but did not get it ready until August. Had too many cuts to qualify in the championship. He has promised to

be ready next season, and with a good crew will give us some interesting competition.

Cliff Heller, our genial Fleet Captain, had to forego racing this season on Doctor's Orders, but he's right in there trying to pep every one up and we all hope he will be racing with us in 1957.

Bob Fellman in Adios, has joined our fleet. He was formerly a Thistle skipper. He is planning on getting his boat really rigged for racing, and he will make good competition. Did very well in the last part of the season, although poorly equipped and did not use a spinnaker.

We have only six boats in our fleet that come out regularly for each race. We are trying hard to get every member of the fleet to get out there every Sunday morning.

We have been very satisfied with the so-called heavier Lightning Class division, the Barnegat Bay Yacht Racing Ass'n. Saturday Regattas. That this was a popular move, was proven in quite a few of the regattas. There were more entries in this class than in the so-called Hot Boats. Although this division had no trophies to award at the end of the season, it still was very hotly contested. All the boats from the different clubs on the bay certainly hope that this class will be continued next season with someone donating some silver to make it more interesting and bring out more of the old boats.

Thirty seconds to go, and the flag is down. Count off the seconds. They're off! Yes, another racing season for the Lightnings had started at Groton Long Point with the Tune-up race. This year we were minus two of our boats from last year. The Papete and the Flame. However we had two boats to take their place. The Puffin, sailed by Bob Murphy, who had raced

Sailing To Win! Mark Turner in the Igo-Two, followed by Robert Purrington in the Firefly.

with the fleet in previous years, and it was back to join us this year. And a new young sailor and his crew in the Firefly joined us. Right away the boys showed the fleet that they would give us competition. For the winners of the Tune-Up race are as follows: First, Mark Turner in the Igo-Two; second, Jon Shattuck in the Miss Adventure; and third, Robert Purrington in the Firefly.

Throughout the season there were many changes in skippers and crew. In July the Penquine was raced by Jim Lathrop. In the Long Distance race he brought the boat in for a second. The Igo-Two was first; the Ando, sailed by Doug Peacock, was third. In August the Penquine was raced by Gerard Morrissey. In July the Morrisseys sailed the Miss Adventure on Wednesdays for Jon Shattuck. Jon sailed good races on Saturdays to get a third for the Saturday Series. Mark kept his Igo-Two ahead to capture a second. The Barefoot; sailed by our friends from Mason's Island, Arthur Van Winkle, his daughter, Joan and his son, Dan, took the first place for the Saturday Series.

The VanWinkles kept their boat right at the top. They took first for the July Series, August Series, and the Season. Mark Turner was right behind them for seconds in the three above. Doug Peacock, in the Ando, took third for July, and just made it for the Season. Our new young skipper, Robert Purrington, and his crew, Jim Egan and Dick Butler, proved his worth by taking third for August.

The Commodore Cup race was won by the Barefoot. Second was the Igo-Two, and third the Miss Adventure. The Vice Commodore Cup was reversed by Jon Shattuck when he took the first place. The Ando was second, and Fred Clark brought his Ju-D in for a third.

Each year the fleet likes to have a little fun by racing each other's boats. This calls for the Turn About race. Jon Shattuck drew the XYZ for the second year and again brought the boat across the finish line for the first. Doug Peacock drew the winning boat, the Barefoot, and sailed in for a second. Fred Clark drew the Murex-4 and he and his crew came in to take third place.

That about does it as far as the winners of all the races. I think all the skippers and crew felt that it was a good year. The weather was on our side for a change. We were pleased

to welcome our new boats and new skippers and crew members. I don't think enough credit can be given to the Firefly skipper and crew. Dave Harvey in his Hawk was in there pitching. They were unable to race each time, but perhaps next year it will be more often. The Murphy family in the Puffin played a touch-and-go game, not quite getting enough points to place, but it was close. The Murex-4 was sailed by Mike Roberts, a new skipper, and he gave it a good try. The Morrisseys commuted from their home town every Wednesday and Saturday in August to race their new boat, the Penquin. Tom Leffingwell, crewing for the Ando in July, got his XYZ in the running for August. Sue Colgrove was our only female skipper this year, that she pushed hard to show all the guys up. We hope that she can bring the Merriweather in for more points during the next season.

The summer of 1957 Groton Long Point is starting a Blue Jay fleet for the younger group. In a few years we hope they will graduate to the Lightnings to make it a bigger and better fleet.

Jack Taylor, our athletic director for the Point, deserves a great deal of credit for being out on the committee boat in all kinds of weather to start us out on the races. Our thanks also go to Bud Lathrop, our race chairman in July, and to Al Peacock, the race chairman in August. These three men were behind us all the way, and we couldn't get along without them.

Doug Peacock will take over as the Fleet Captain in 1957. We are still uncertain whether Jon Shattuck will be sailing his Miss Adventure next summer.

We are looking forward to a bigger fleet next year with more winners, races, and regattas. Let's hope Mr. Weatherman is good to all the sailors, not only at Groton Long Point, but everywhere.

In spite of some of the worst weather on Long Island Sound in recorded history, Fleet 106 had a good season. Race Committee Chairman, Harry Fenlon, was able to run off a good schedule starting on June 23, and continuing with races about once a week through Labor Day.

To accommodate a number of newcomers, races during July were held without spinnakers. Meanwhile, a record of Fleet Members' standings in Y. R. A. races was kept to determine eligibility for the District Championships.

One of the outstanding sailors of the Fleet, Arthur Ismay, gave a distinguished performance, in his Playmate, in YRA competition and western Long Island Sound regattas, but was unable to enter the minimum of six Fleet races required for the Fleet awards.

On July Fourth, the Annual Ladies' Race was becalmed and the ladies experience the indignity of having to be towed home to avoid drifting out the Sound on the tide. A second Ladies' Race was held in August and Reny Hill succeeded Mrs. Earle Chase as champion. (Mrs. Hill feels it should be pointed out that this was because the Chases had sold their boat.)

Fleet 106, which regrets the departure of several good skippers and good Lightnings this season, looks forward to increasing its membership again in the Spring.

Sailing on Sodus Bay the finest body of water in upper N. Y. State for sailing was wonderful as usual what there was of it. Most of the skippers got in late and as a result only 3 or 4 boats participated in the early series. Our newest fleet member Dr. Robert Jamison formerly of Fleet 77 was probably our most enthusiastic competitor—competing in all series and entering every regatta in sight. Despite having trouble with his boat and changing spars in mid-season he steadily improved so that we will have to watch him closely next season. His boat name SLO-POKE is a mis-nomer if I ever saw one. is a mis-nomer if I ever saw one.

The "Districts" were sailed here at Sodus this year and was a

ding-dong affair all the way with the lead changing every race. The steady sailors, Sinclair Reynolds of Skaneateles with his excellent crew of wife and 13 year old daughter finally nosed out Dr. John McIntosh of Newport Y.C. for first with Charlie Doerflinger of Conesus in third. Charles Hallagan of Sodus was fourth and eventually represented Sodus at the Internationals as

Doerflinger was unable to attend.

The most hopeful sign for sailing here was the late season interest taken by other class sailors in the Lightning. Bobby Bloomer an experienced sailor raced old #124 with George DuBois and an experienced sailor raced old #124 with George DuBois and really made her go. A collision with a Star at the Central N. Y.'s ended his participation for the season unfortunately. Late in the year Dick Brown our young Race Committee chairman and former 14' dingy ace bought Stuart Lucas "Vanette" and has it in top shape for the coming season. Uncle Sam had his say at the very end of the season and into the Navy went one of our finest

prospects for real sailing honors, Fiske Hayden our fleet champion who will be lost to us for 4 years.

Sailing at Sodus too will greatly benefit from the newly formed Sodus Bay Junior Sailing Assn. This year over 60 children participated and next year over 100 between the ages of 12 and 17

are expected to enroll.

The most noteworthy event of our sailing calendar was the John Foster Dulles Trophy regatta held at Sodus this year. Although the event is for Dragons, several of the Lightning sailors found berths with visiting sailors from Canada and enjoyed a beautiful series sailed out on Lake Ontario with winds averaging 25-30 MPH. We were most honored to have as our guest the Honorable John Foster Dulles the U. S. Secretary of State, who arrived with visiting assistants and Washington newster. in 3 Amphibians, was an enthusiastic spectator at all three races

and presented the trophies to the winners. At an impromptu talk at dinner Saturday night it was most inspiring to hear Mr. Dulles liken the qualities of a successful racing skipper—the person initiative, the ability to make quick decisions within an overall carefully planned stategy together with the ability to lead and inspire his crew to the qualities necessary to succeed in future life

We are looking forward with great anticipation to the coming season when we expect to have a considerably enlarged racing fleet lead by the old pros Larry Morley and Charlie Hallagan. Good luck to all and come visit us at our Invitational

Regatta late in August.

Lightning Fleet 109, although comparatively small this year, enjoyed a successful season of fine racing.

At the beginning of the year members were busy putting their boats in top-notch condition for the Ninth Annual Midwinter Lightning Championship Regatta which is held in February of each year

Our Fleet was represented in the Districts held in Savannah, Georgia this year with Steve Lang trailing Doc Jennings lightning, Flying Dutchman, to the Regatta and had as his crew his son Steve, Jr. and Frank Bonsey.

The Fleet took part in regattas held in Gulfport, Florida, Sarasota, Tampa and St. Petersburg, also two Club regattas along with their own Fleet Series. There was keen competition in all races as the boats are all nearly equal. Members placed in all

Morgan Powell sailing "Red Witch" won the Fleet Champion-ship Series by one and a quarter points. The series consisted of rive races and proved exciting until the finish of the last race.

The Fleet suffered great losses this year, having lost three "hot" boats and skippers. G. W. Rifley and wife Rugh moved to Mobile, Alabama with their three sons. The Rifleys owned the "Vixen" which was sold to Savannah. With John Jennings going away to school this year and Doc Jennings busy with his new Junior Holiday, the famous "Flying Dutchman" was sold. Also sold was the "Fascinatin' Itch" owned by Barbara and Ted

Our Fleet is looking forward to the Tenth Annual Midwinter Lightning Championship Regatta to be held February 22nd, 23rd and 24th and it is expected to be the biggest and best ever.

"Sailing in the Rain" was our theme song for the year and we were finally convinced that even Father Neptune felt a little moist at times. Anyway, we all learned the fine points of rain gear and rainy wind. It was amazing how many hardy sailors and the much appreciated race committee, headed by Max Schultz, showed up week after week.

The Higgins Lake Boat Club, which sponsors "110", sported more construction, improved racing buoys, and best of all, a resident manager, Mr. Jewel Mills. A grand opening party the night of July 7th was sparked by the Michigan District Lightning Association's famous Barefoot Philharmonic Orchestra who we were fortunate enough to have as guests. With major construction already under way in November, 1956, we have hopes of a banner year in 1957. Commodore C. W. (Wes) McKinley and his administration deserve a great deal of credit. We hope Mr. and Mrs. Mills and Sammie will be back with us in 1957.

The first race got the season under way July 8th between showers. This was won handily by our top sailor, Alex Carlin, who set the pattern for the season although Lucy Schultz, Mike Dow, Don Brasie and Wes McKinley's E Boat, gave him good competition. When the season ended, Alex had the Higgins

Lake Property Owners Association Trophy with Mike Dow second and Wes McKinley third. Alex also won the Cal Barry Lightning Trophy with Lucy Schultz, runner-up, and the Lightning Cup with Mike Dow in second spot.

Our Sixth Annual Invitational Regatta was held August 4th and 5th beginning with the unusual and enjoyable "launching party" at the Cal Barry Boat Yard the night before, meeting, dancing and singing with old friends and making new ones. The next day added fog as an interesting feature to the morning race. Herm Nickels of Fenton was first; Andy Roualet and Larry Odell of Pontiac followed in that order out of forty boats. In the afternoon a brisk wind cleared the fog and the rain held off until the race was just ending. In this race the home talent starred with Alex Carlin first, Lucy Schultz second, and Rev. Reisner of Gull Lake and Herm Nickels, third and fourth, respectively. The final race Sunday morning, after the lively festivities at the dinner dance the night before, was one of the best saiiling days of the season. A good sailing breeze prevailed and both regular and broad spinnakers really had a workout. Wes Wiedrick of Bay View Yacht Club took and held an early lead. Larry Odell, Herm Nickels, Andy Roualet and Alex Carlin followed in that order, giving Herm Nickels the Regatta, Andy Roualet runner-up, Larry Odell third, Rev. Reisner fourth, and Alex Carlin fifth. Everyone had such a good time we feel assured of a good go in 1957.

The Labor Day week-end races, closing the season, were great fun in spite of rain throughout nearly all of one race and fairly high wind in another. In all, we started fifteen boats Saturday, running two races that day and one on Sunday. The three newly built boats of the season belonging to Buzz Morley, Floyd Arnold and Tom Brennan, finally were tuned enough for good competition. In fact, Tom Brennan's boat was so well tuned that in one race he sailed "under the waves" instead of over them on a spinnaker run. However, he came back the next day to take fourth in the final race. The sweepstakes were Alex Carlin's which reminds us that in 1956 Alex was first in the following Regattas: Florida State Championshiip at Miami, Miami Midwinter Championship and Spring Series at Miami. After taking fourth in the St. Petersburg Winter Champion's first race, a broken spar scratched him from a chance at the balance of those races. He took fifth place in the Kendall Cup Races at Crescent Yacht Club at Detroit, Michigan District, and the President's Cup at Buffalo, New York. Wherever there's a sail, Alex is there, either winning or coming close in the "Glen Garry."

We are very proud to have Doc Arnold as Secretary of the Michigan District. We feel that he has deserved this honor by hard work and will do a tip-top job.

It was encouraging to see the young folks' lively interest in the Sailfish races—Loomis and Arnold having to run off a tie with Loomis winning the final. We are looking for more younger Lightning Sailors for our fleet and we found some pretty sharp ones among this crowd.

July 3rd was the first race of season in summer series and this was due to the fact that most all members of fleet 112 are also members of Green Bay Sailing Club. Their youth program of Prams sailors kept the group busy until then with the building of fifteen units plus racks and other items necessary to get this project underway. Sailing lessons for them were also given by same personnel in the spring with a turnout of 65 youngsters from 10 to 14 years. Events of these were held in conjunction with our races on Thursday evenings & Saturday afternoons. Tuesday at 5:45 pm was for adults only in the regular events.

Some of the usually tough skippers were hard pressed this year as some of our younger blood gave a good account of themselves as they placed well up in the standings. Courses were of a triangular variety from two to six miles depending on the wind in the evenings. Boats were quite evenly matched this year and points well distributed.

Dick Evans who seems to be in the running each year again took the fleet championship by placing first in the summer and fall series of class events. His point total for summer series was 112 and 116 for the fall. The Gagnon-Bielefeldt boat skippered by both Jim Gagnon and Geo. Bielefeldt came up with second place in both events with 110 and 111 points respectfully. Third place was shared by Bob Tilleman & Ken Mathys as Bob had 104 for summer and Ken 106 for fall. Showing the closeness of this series the last place boat accumulated 96 points for the six races with others in proportion to the leaders.

Handicap series of same seasons was much more scattered with Evans in first with 112 pts. in summer races. Gagnon-Bielefeldt took second a bit back at 104 pts. and Arnie Biebel and Jim Millar Lightning and Thistle skippers tied for 3rd on 100 even. Fall events had Ken Mathys who turned in a tremendous year as his boat is oldest and heaviest of fleet by tying Evans on points who had to settle for second and Ken 1st with 106 each. Gagnon-Bielefeldt combination followed them with 105 for third.

Others participating during the season were Carl Witteborg, Fran LeClercq, Mark Ewing, Paul Wilken in Lightnings and Bob Martin & Bill Stebbins Seagull skippers. Wilken being the only newcomer this year.

Bob Martin surprised the fleet in the annual Walter Masse

Memorial Trophy race a handicap event which closes the season for local sailors by taking this with time to spare over Biebel second place boat and Evans a close third by a matter of seconds.

Travelers Fran LeClercq and Bob Tilleman had too much work interference this year and did not take in as many regattas. Fran took an overall third in the Hoosier regatta held on Wawasee Lake, Syracuse, Indiana in June on 9-4-1—finishes. His Midwest District Regatta was less successful having a 7-14 and capsizing in the last race holding a big lead. Tilleman placed fifth on 2-5-5 in Midwest and did himself well in August at the Sturgeon Bay, Wis. regatta taking first ahead of Fran LeClercq with Cleida Johnson placing third from the local fleet.

January should have this group meeting again to plan for 1957, with a banquet for this year's winners sometime between now and April. Also now that the Pram fleet is off to a flying start the regulars should get in more sailing next season.

This has been a bang-up racing season for fleet No. 113. And we do mean this very literally speaking. We have had quite a series of accidents, starting with Frank Lahr, who had the misfortune of being on the right tack but he was rammed amid-ship causing considerable damage to his Shell back. Joe Stueland managed to drop his boat several feet to the ground while attempting to use our fine new hoist. According to Joe, a hook broke on his new boat,—there were no witnesses. Joe, being an active sailor, accepted an invitation to crew for Hank Handy, and did a fine job, except for the time he fell overboard with the main sheet and during the course of events another boat got its sails washed. Then we went for two weeks and never had an accident. Then John Manning was becalmed one evening and was forced to anchor his boat all night along the lake shore. During the evening a storm came up, parting his anchor line and the boat came in-between two steel breakwaters. The salvage crew again went in

Aside from the accidents that we had, we enjoyed many weekends of fine racing and the fleet has acquired two new Lightnings, purchased by the Jr. Foundation.

Our fleet is very proud of the second place showing of Joe Stueland at the St. Petersburg Mid-Winter Championship races. Our Fleet gave a very fine party for Joe and his crew on their

Our plans for the coming year include our tune-up races, racing every Sunday and attending the many fine regattas in our district.

The fleet championship was determined by a series of several races winding up in April. Dave Wright was the winner in the , copping his own perpetual trophy. Henry Algert

The race calendar includes also the Small Boat Regatta, the Ken Reynard Perpetual Regatta (in August), the Bob Hermann Perpetual Regatta (in September), and the Elmer Muhl Perpetual Thanksgiving Regatta.

The results of the Reynard Series were:

- 1. Fury, Bill Pirie (MBYC)
- 2. Vespa, Marold Eyestone (CBYC)
- 3. Zoom, Ken Moore (MBYC)

The results of the Hermann Series were:

- 1. Billie, Carl Eichenlaub (MBYC)
- 2. Wright One, Dave Wright (CYC)
- 3. Stormy, Henry Algert (CYC)

The Thanksgiving Regatta was won by Ken Moore with two first and a third. The first race started with a brisk breeze, but by the time the boats had rounded the last windward mark the wind had died and the finish was a drifting match on into the night. All in all, it was an interesting series, however, with second place Wright pressing all the way, but not quite able to break his jinx. We believe Dave has more seconds than anybody else on

In 1957 Earl Biggin will serve as fleet captain and Henry Algert will be secretary.

Cuba Lake Fleet 115 started off with a rush in competing for the Dr. Mountain trophy, June 6th, 17th, and 24th. The Mountain spring series was won by the Sweet Genevieve Lightning skippered by Ward Wilday. The Memorial Day race for the Fahner trophy was won by Marcia Marcus.

The Miller Trophy, given to the sailor making the most points sailing under handicap with all boats, was won by Sweet Genevieve Lightning, Ward Wilday Skippering, with Paul Clark and Mary Wilday as crew.

Other trophy winners were as follows:

Dick Edwards—Dietter trophy and Vincent-Wilday trophy Jim Herzog—Eberle trophy Bob Dodds—Clark trophy

John Bradley-Chase Cup

Competition was keen this year with 18 to 25 boats answering

the starting gun each Sunday. Although the summer was not the warmest, the wind held and gave us one of the best racing years in the history of the club.

One of the highlights of the season was having as our guests, Silver-Lake Yacht Club fleet "47". A fine time was had by all and we are looking forward to our meeting with them next year.

With an eye to our future sailors the Pram fleet has now grown to twelve boats. Computed on a point system exactly like their elder fellow sailors, enthusiasm continues to grow. Mrs. Karl Fahner, Chairman of the youth activities, Bob Perrigo, Bob Dodds, and Richard Edwards all worked hard and patiently with the young sailors. Top winners were:

the young sailors. Top winners were: First—Jimmy Dodds Second—Dick Bradley Third—Brian Perrigo

At our closing meeting Bob Dodds was elected Commodore for the coming year and Dr. Older was appointed chairman of the racing committee. Dr. Dietter head of finance committee, reported that enough funds were available to begin construction on the picnic pavilion—at this writing it has become a reality. The steady progress in our young organization could only have been accomplished with the hard work and enthusiastic support of all the members. As all other Yacht Clubs all over we are eagerly awaiting next season.

The fleet was represented out of town by Ted Jocelyn at The

Tim Nelson's "Just-Us" flying down the Niagara river.

Great Lakes Championships, and by Tim Nelson at the Niagara River Sailing Championships and in the President's Trophy Races. Our fine Junior Crew of Bob Jocelyn, Jack Hazen, and Pete Hampson, finished 4th in the Sear's Championships. They were leading at one point, but ran into a rash of broken halyards. A tip of our hats to them.

Our Fleet was host to the Lake Erie Districts, with a fleet of about thirty boats. We were fortunate in having fine weather.

Results Were: 1st Tom Allen
2nd Pete Grange
3rd Carl Smither
4th Tom Fallon
5th Stu. Anderson

Tim Nelson was 4th until the last race when he had bad luck and finished out of the running.

The Season finished on Oct. 6th with our final Round The Bay Race and Sailors Dinner.

Winners of our Club Annual Regatta were: 1st John Roberson 2nd Frank Hewett 3rd Tim Nelson

# why TITANIUM 'takes to the sea'...

Titanium saves weight—especially vital aloft. It's completely corrosion resistant, and its good looks require no care.

LIGHT WEIGHT — Titanium is strong as steel but only half the weight. It can mean substantially lighter mast fittings like tangs, bolts, screws—provide better sailing stability, greater speed.

CORROSION RESISTANCE – Sea air and water have absolutely no effect upon titanium. And it's practically immune to most other forms of corrosion including the products of combustion. Titanium promises much longer service life for fuel tanks, sea water condensers, mufflers and exhaust pipes of wet or high temperature systems, etc.

Light, strong, corrosion-resistant titanium can add speed, seaworthiness and service life to your sailing or motor craft.

A Word About Availability — Marine parts of this unique metal are just becoming available. But boat or ship builders, or marine hardware firms can take advantage of titanium now. At REM-CRU it is available in all standard mill products—bars, wire, sheet, strip, and tubing. And there's always a REM-CRU engineer available to help with your application.

This year at Red Jacket the racing had a late start because of inclement weather, therefore, we were only able to have two series instead of our usual three. However, we made up for our late start with good sailing and close competition.

Dut to transfers our fleet has decreased again; however, the remaining are enthusiastic with the hope of enlarging the fleet next year.

The competition was very close this year with W. H. Lamb winning the Summer Series Cup. However after traveling to two Regattas, in which three boats represented our fleet, we came home to a hard fought Fall series, which was won by W. B. Smith.

We have plans for a full racing season in 1957 including the Central New York Regatta, the last two week ends in July.

Red Jacket will welcome all sailors and friends for a weekend of good sailing.

During the last week in February, two of our members, President Ross Allen and John McIntosh made the long haul to St. Petersburg to participate in the Mid-Winter Championship. John McIntosh made an excellent showing finishing fourth and although our President finished 27th, he made an excellent showing at the party after the races. We were all delighted when in June, Ted Turner's new Lippincott arrived. We were also pleased when Roy Gordon, Jr. bought the Vixen and Fred Wessels bought the Flying Dutchman. We were honored this year to be the host club to the Southeastern District Eliminations which was won by John McIntosh, followed closely by Ted Turner. The entire season saw John McIntosh in first place in the regular season races. To prove his ability, John McIntosh also won the Savannah Yacht and Country Club's Labor Day Regatta sailing the Wild Goose while his own Scalawag IV was being towed to Buffalo for the Internationals. John Baker started slowly but as the season came on, finished a close second behind John McIntosh. Perhaps the highlight of the season was a trip in late September to an Invitation Race with the newly formed Augusta Sailing Club, sailing on Clark's Hill Reservoir. Sailing in light and shifty air, this regatta was won by Ross Allen. All of our members thoroughly enjoyed their stay in Augusta and were impressed with the new club house and facilities of the Augusta Club.

The trouble about writing a review of the past season is that the anticipation of the next is much more keen than anything in the past. But the 1956 season did provide some notable accomplishments—we did not haul out for a single hurricane, and we did have a Lightning champion in waters other than our own.

#### Our Talley For The Year:

July series—John Pettit, Bakewell, Williams
August series—Henry Bakewell, Pettit, Williams
Season—John Pettit, Bakewell, Williams
Fourth of July Skipper's Race—Sandy Poindexter, Williams
G. B. Fisher Cup, Labor Day—John Williams, Barlow
The Districts—also rans: Pettit, Williams, Wiesiger, Barlow
ECYRA Regatta—1: John Pettit; 4; Wiesiger; 9: Williams; 14:
Bakewell, Smith; 18: Barlow

Governor's Cup—5: Bakewell; also-rans: Pettit, Williams
Yes, our season centered about the winnings of John Pettit who
handicapped himself by falling out of a loft and smashing his heel

a few weeks before the start of the season, and yet in spite of the cumbersome hike across the board at every tack and real dis-comfort when it blew, John knew where to head RAJA II, won our championship, and won first place in the ECYRA Regatta

at New London.

John beat Mike Flynn by ¼ of a point in the final tally, after repairing a jammed centerboard and fouled rudder during the second race when he got out of the tide by going inside (?) the rocks. It's funny how those rocks grew on you as one got nearer to them, and in fact Bill Healy found one especially to his liking and left his mark on it permanently. But other than the rocks, and the cozy starts, and the nonexistent breezes, it was a swell regatta and we at Madison were proud of John.

The juniors in the fleet were even more active than before, and on more than one Saturday it took a discerning eye to spot an "oldster." In the junior July series it was Joe Wiesiger followed by Jay Pettit and Tom Holahan; in August the final junior Season series going to Joe Wiesiger. In junior team racing with Sachem Head, Madison proved a better knowledge of the Lightning in a home and home series with the only real mishap of the season happening on the trip to Sachem Head. You know, you just can't sail with the rudder out of water.

This year Madison is proud to host the annual Regatta of the ECYRA on the weekend of July 26-28. We are planning the best regatta ever, and particularly for the Lightnings in this associa-tion. Fleet 129 is offering an attendance trophy for the fleet best represented. We hope to turn out over fifty Lightnings for this

Lastly, let me say for the whole fleet that we are going to miss John Pettit who moved to Florida. He was a constant leader for us and a wonderful friend. Best of luck, John!

Lake Washington Fleet 132, led by Fleet Captain Tom Jobs, continued the rebuilding program begun successfully in 1955 under the leadership of Des Sessinghaus. Seattle's Opening Day, May 5, saw seven Lightnings answer the starting signal our best record in several years. This interest continued through the season, reaching a peak in the Corinthian Yacht Club Summer Wednesday Evening Series when 12 boats competed.

Or fleet participates in an active sailing program sponsored by the Race Committees of the Corinthian Yacht Club and the Seattle Yacht Club, with 30 races on our schedule this year. The results

Chuck Thompson's "Mandy" at the Leeward Mark, Fleet #132.

Two new skippers joined the Fleet late in the Season and turned in remarkable performances in close competition. Frank Rice skippered his way to a win in our new Autumn Leaf series, the first complete series he raced. Gene Carlson up from the Corinthian Yacht Club Junior Program, maintained stiff competition in the short season he raced.

During June, the Corinthian Yacht Club used our fleet's boats for the elimination series for the Sears Cup Competition and two of our boats were trailered to Bellingham for the District Sears Cup Eliminations. Skipper Alan Holt winner of all of these Eliminations, subsequently survived the National Competition and brought home to Seattle the Sears Cup.

A new permanent trophy, for the Lightning Fleet 132 Overall Season Championship was established this year. It is to be awarded to the skipper posting the best record in our entire local race schedule. Winner of this beautiful trophy for the inaugural year was Peter Jobs in Blue J.

Our local racing program has a lull in July which is made to order for our Northwest District Regatta held this year in Eugene, Oregon, in conjunction with the West Coast Lightning Championships. Three of our boats, Des Sessinghaus in Holgazan, Tom Jobs in Blue J, and Chuck Thompson in Mandy trailered to Eugene, Oregon, for these events.

The future is appearing brighter and brighter for Fleet 132 Two new boats are under construction by Howard Page and Bill Hallin. In addition, several older skippers are acquiring new sails and we are looking forward to a fine Season of competition for

The 1956 Season was again a good sailing and racing year. Races were held every Saturday, Sunday and Holidays beginning May 30th and ending October 7th. Races were scheduled in four series, Spring, July, August and Fall. The championship was decided on the basis of points on the races sailed during July and August. 18 races were sailed and 10 starts were required to qualify. The Spring series was won by Dick Sykes, the July series Art Buhr, Jr. in the championship series.

Andy Connell won again with his new "Blue Cloud" with .971 percentage points followed by Dick Sykes with .956 and Art Buhr, Jr. with .902,

The top of the fleet again was dominated with new boats sailed by real good junior sailors.

Two night races were sailed in addition to the above and we are planning many more for next year due to their popularity.

In most starts the fleet consisted of approximately 20 boats. All races were run by the Manhasset Bay Yacht Club Race Committee and starts were made every five minutes for eight classes from the new resolute class to the Blue Jays. Approximately 100 boats were at the starting area for each race. We are very grateful to this committee and the Manhasset Bay Yacht Club for the excellent manner the starts and recording of finishes were accomplished from the Manhasset Bay Yacht Club's famous committee boats "Worry Wart".

Our annual dinner dance awards party was held on November 24th at the Port Washington Yacht Club which was well attended. Prizes were awarded following a wonderful dinner, after which dancing continued until one o'clock with music by the Club's regular outstanding orchestra. It was the climax of a swell season enjoyed by all.

With many new boats coming into the fleet and with the improvement expected of many of the skippers and crews, we anticipate a bigger and better competitive year next year.

We thank all fleets and clubs which provided hospitality to our skippers and crews in away from home races and for the beautiful trophies our fleet skippers brought home.

Special thanks are extended to the Long Island Yacht Racing Association for the prizes awarded to the first three in our championship group.

We wish to all fleets a Happy New Year and good sailing and extend an invitation to visit our fleet which sails in the most ideal water in the world; Manhasset Bay and Long Island Sound.

We in Fleet 134 had one of our best seasons this year. It wasn't just the win place and show that made it successful but the fact that almost everyone had a chance to do it. The Juniors and Midgets had a good year too crewing for their parents on weekends and winning their own races during the week. You might say that the year was a family success.

The June series winners were Bill Cox, Bob Crane, and Bob Smith, first, second, and third in that order. The encouraging part of this series was the way the first placers were distributed through the Fleet showing increasingly keen competition and depth.

The July series showed a different lineup with Bob Smith coming out on top followed by Sue and Sandy Widmann, and Bill Cox.

Our Season Championship was won by Bob Smith in his "November" with Bill Cox second and those intrepid girls Sue and Sandy Widmann taking third. This wound up our season in fine style, but hardly accounts for the extra special races both at home and away. Almost everyone had a trailer this year and seemed determined to travel.

We were very proud of our first traveling representative Bill Cox, Jr. who took on a very large two divisions of lightnings at Larchmont race week and won with his all Junior crew. And to show that he intended to keep up the good work, he aslo won the Long Island Sound Junior Championship, sailed this year in Lightnings with boats rotating in the finals. His crew were John Franklin and Sally Smith (yes, Bob Smith's daughter). This was only the beginning for the youngsters. They got second in the Regional Eliminations for the National Junior Championship at Madison Ct. and first again in the Eastern Junior Race Week of the Junior YRA of Long Island Sound.

The girls acquitted themselves well too with a fine representative Kristine Jaffe taking fourth in the girls Juniors. She also won the Widmann trophy for women at Noroton.

Her brother Kevin Jaffe tied for first in the Long Island Sound Midgets—these were sailed in Blue Jays but I mentioned it because he is a lightning skipper.

While the Juniors were making hay their parents were not doing too badly. The Stamford-Noroton Joint Regatta was won by Sid Rogers in a boat he borrowed for the occasion.

In the Long Island Sound Lightning Championship that really determines the champion of champions in Long Island Sound, Noroton was pleased to see two Noroton skippers on top. Bill Cox won with Bob Smith taking second.

The districts followed this and Noroton was again well represented in the first three places. Bob Crane finally got his new Jimlyn moving and copped a second place behind Bill Cox. Bob Smith trailed by one point for third place.

The Noroton Fall Invitation Regatta ended our formal racing season. Tom Ross won and Bill Howe was second.

Congratulations are in order for Bill Cox on the outstanding record he had in winning the World Lightning Championship. He joined another of our club members as World Champion of his class for 1956.

1957's a new year. We hope that many of you will come and race with us at Noroton. (Bring your family.)

The Hi-lite of the season for the Mobile Bay Fleet this year was again the Overton Regatta. This Regatta was won by Louis Koerner with Tom Allen 2nd, Ed Overton 3rd, and Wheatley Cleveland 4th. Koerner and Allen are both from the Southern Yacht Club of New Orleans.

A feature of this Regatta was the inclusion of Stars, Penquins, Thistles, Fish Class, and a mixed class "Free for All". This brought out forty-nine boats and one of the largest turnouts ever had on Mobile Bay. The Regatta was held the first week-end in October and was a most pleasant affair.

Carleton "Pinky" Allan, Port Clinton Sailing Club #136's traveling representative, started the season off early by trailing his "Bad News" to the St. Petersburg Mid-winter Lightning Championship Regatta. After sailing in the Great Lakes Championship in Toledo, he took second in the I.L.Y.A. Regatta at Put-in-Bay. Later on in the season he represented Fleet #136 in the President's Trophy Race at Buffalo Canoe Club, returning home having been elected Chief Measurer of the Lightning Class Association.

A combination of early spring bad weather and slow out-fitting, cancelled our spring Sunday "tune-up" series, but we started our summer Wednesday night series in June. Allan took top honors in all races with Larry Imber nosing out Charles Dewitt's boat skippered by Charles Herl, for runner-up spot.

Port Clinton Fleet #136 was proud to be hosts this year both to the Ohio-Indiana District Lightning Championship, and the Comet Nationals. Walt Swindeman came through with a first in

the districts—followed by Ed Kennedy, George Fisher, and Bob Mann.

Our annual Port Clinton Regatta was literally blown away in the second race, with a line squall ripping through the fleets of Lightnings, Comets, Thistles, and Interlakes. Miraculously, relatively minor damage was done to the boats with most of them lowering canvas and riding it out. Pinky Allan took first place in the three race Lightning series, with Bob Englebeck second in "Meat Wagon", and Mark Auer third.

Our ever popular Snow Flurries drew a good turnout of Lightnings this year, although the weather was not ideal for sailing, as were most weekends this summer. Jim Schudell sailed his new "Itch" into first place, followed by Wes Wiedrick and Herman Nickels.

Top honors in the Buckeye Lake Snowball Regatta again went to Pinky for the second consecutive year. Bob Englebeck was the only other entry from Port Clinton to travel to Buckeye this summer, but we were well represented by our fleet members seeking this ever so popular last martini party of the sailing season.

Fleet #136 was sorry to lose three boats this season—those of Larry Hattwick, Charlie DeWitt, and Ray Lambert. Ed Reifschneider sold his boat to Curt Wells, who proved his potential competition in several late races this season. Another was sold by Lee Bracken to Dr. Leon Moore, who, with his enthusiastic family as crew, also promises to stiffen the fleet competition.

We hope to get off to a better and earlier start come Spring of 1957 with a greater participation in fleet events. Lightning Fleet #136 extends an invitation to all Lightning skippers to share in the enjoyment of sailing on beautiful Lake Erie with all our friends, old and new. Let's make 1957 a banner season, and get out and promote the sport of sailing!

The highlight of the 1956 season for The Gull Lake Lightning Fleet was the staging of our first Invitational Regatta held Saturday and Sunday, August 11th and 12th. We were happy to welcome sixteen visiting boats, representing five different clubs in Michigan and Illinois, to the three race event. After a beautiful and practically cloudless season up to that point, our first race on Saturday morning was sailed in a real drencher. Jupiter Pluvius hit the line right with the starting gun, and was very ably supported by Pandora as crew. In fact, in one particular gust, she threw the whole box at us as we were beating toward the windward mark. By afternoon though, things had quieted down a bit and the second race was sailed under much quieter circumstances. By late afternoon, everything was sunshine and flowers and all hands fell to and had a wonderful time resailing the day's events between mouths full of fried chicken and roastin' ears at a buffet supper at Marg and Jim Harrisons' beautiful new home on the shore of

Sid R. Skellenger in "Sum Fun", Fleet No. 137

Gull Lake. A shipwreck party at Gull Lake Country Club Provided further opportunity for all to become better acquainted.

The third race, on Sunday morning, sported sunshine and light airs ranging down to zero m.p.h. One hundred eighty degree wind shifts were added attractions. Top honors for the Regatta went to Al Berg of Chicago Corinthian, and Clarence Hollman of the Lake Fenton Fleet placed second. Our own Bill Skellenger scored for the local Fleet by taking third.

Although we believe that everyone had a good time, proof of this as far as Gull Lake sailors are concerned was established when we voted to have another Invitational in 1957.

As usual, the Lightning Fleet competed in the Gull Lake Yacht Club handicap races on Memorial Day, Fourth-of-July, and Labor Day. In these, we sail against the Star, 110, Debutante, and Snipe Fleets as well as various and sundry craft ranging from R's down to Renquins.

All considered, the 1956 season was good to #137, and we wrapped it up at the Labor Day banquet with the presentation of trophies.

The Junior Skipper Series has continued to operate successfully and was won this year by sixteen year old Dick Elwell. Inaugurated several years ago as a means for training youngsters in the fine art of good sailing, the Junior program can at least take partial credit for the success of one of its alumni in the Senior Series this year, runner-up fifteen year old Jimmy Coggan.

Once again, Fleet member Kermit Krum, a professional photographer, has very generously donated framed pictures of their boats to the top skippers as keeper trophies

Leo Shields and Les Coleman were elected Sec'y-Treas. and Captain respectively, for 1957.

Biggest news of 138's season was the winning of the Syce Cup, emblematic of the Women's Championship of Long Island Sound, by our own Maude Kirby. Maude went on to the Women's National Championships at Cohasset, Mass., with fellow Fleet members, Betty Kolk and Pru Hurley as crew, and came in second. The Syce Cup Regatta is always sailed in Lightnings, incidentally.

In our annual Sea Cliff Invitational Lightning Regatta held on June 30, and July 1, 27 boats from seven fleets whipped along in a brisk southerly.

ong in a brisk southerly.

The results were as follows:
First—Andy Connell, Manhasset Bay Fleet, in "Blue Cloud"
Second—Frank Kolk, Hempstead Harbor, in "Southerly"
Third—Lucy Sheldon, Western Connecticut, in "Coquette"
Fourth—Dick Sykes, Manhasset Bay, in "Dixie"
Fifth—Arthur Buhr, Manhasset Bay, in Whiz"

"Bo Peep" and crew in a brisk Northeasterly.

An unusual set of ceramic prizes made by Bob and Jinx Gehlmeyer was awarded to these boats. And a fine time was had by all at Ed Kroepke's place Saturday evening.

The winners in our own racing season shaped up as follows:
First Series Second Series Commodore's Series
Pete Hannan Pete Hannan Ed Kroepke
Frank Kolk Frank Kolk Bob Gehlmeyer
Maude & Jay Kirby Bob Paul George Kelley

In our crew race, wherein a crew member skippers his boat, pretty Marilyn Scott sailed off with the honors. For this feat she received a handsome silver bowl, donated by the Kirbys. And in our annual team race with Manhasset Bay we did real well; all four of the Sea Cliff boats were trailing when the sympathetic race committee called off the race for lack of wind. As the immortal Lefty Gomez put it, "I'd rather be lucky than good".

Not all of the fleet's activities were confined to the water. Early in the spring, we had a talk by Wally Ross on the theory of sails. And a little later Bob Benson gave a talk on the racing rules. In May the women of the fleet held a card party which was not only a lot of fun, but netted us enough money to finance the regatta. As usual, the racing season was preceded by a sail measurement program this year under the able direction of Tony Fiori. After the season ended, the new fleet officers were elected. These were, Ed Kropke, Fleet Captain; Margaret Grosselfinger, Secretary-Treasurer. Some interesting movies and slides were shown at that time, taken by Walter Grosselfinger and Charlie Hurley.

But, although we take our racing seriously, we never let it interfere with pleasure. For every naughty word unloosed by some irate skipper there are a dozen laughs from his hapless crew or merry competitors. The sun and the sea and the sky and the wind are our friends and good companions; who could long be morose in such a goodly company? And when Ed Kroepke climbs the mast to untangle the spinnaker halliard and falls into the drink; when Chet Markowski falls off his boat rounding the mark and finds himself on a rival craft; when a shameless crew member on "Calebe" throws in the anchor only to find he had neglected to tie it . . there are lots of laughs with the scars.

And again this year, all the members of Fleet #138 salute their fellow sailormen, everywhere. May fair winds guide you.

Fleet Champion Chuck Doerflinger in "Lamb Chop".

Conesus Lightning Fleet enjoyed a successful season of racing and Chuck Doerflinger sailing his "Lamb Chop" became our Fleet Champion. Bob Henderson in "Decoy" placed second and Nelson Bruce in "Susan B" took third place honors.

Our Sunday Series was won by Chuck Doerflinger with Bob Henderson finishing in second place. Bob Henderson also sailed to first position in the Saturday Series.

We were all very proud of Chuck Doerflager finishing in 3rd position in the Central New York District Eliminations held at Sodus

With all boats in dry-dock, we are now making plans for the time when we shall again be sailing on the waters on Conesus in '57.

With a beautiful new site, facilities and clubhouse the Kaneohe Yacht Club had a full and busy season. The season opened with a mid-winter regatta during January and February. Fleet 143 sailed three races for the Buisseret trophy which was won by Cy Gillette.

The opening day Free For All on April 8th with Lightnings, Thistles and MPs competing was won by Cy Gillette in "Nubbin" which earned him the Cowan Shield.

The three race series on April 15th, 22nd and 29th for the Rathbone Deaton was won by Bobby Edmondson.

The Wahine (girls) race for the Myrhe Trophy was won by Kitty Chatterton ably assisted by her brother Bill "Puka" Hole

The Lightning Class championship was sailed on May 13th, 20th, 27th, 30th and June 3rd with Ian Harrington winning in Bill Fisk's "Victoria". (Cy Gillete was away on the mainland).

The race for the Commodore Cy Gillette Trophy with competi-

tion in three races on June 9th, 10th, and 11th was won by the Waikiki Yacht Club in this team race against the Kaneohe Yacht Club using "Lightnings".

Cy Gillette (Ho Hum) won the Charlie's Arcade Trophy, Priscilla Fish Trophy, Don Lee Trophy and Seabury Bowl Trophy during the months of July and August with a total of seven races being sailed.

The Al Gillete Trophy was won by Wese Barrere (with a green

crew).

Bill Fish won the Commodore Mitchell Trophy, September 3rd. The Free For All Race for the Kerr Trophy on September 16th with Lightnings, Thistles and MPs competing was unfortunately won by a Thistle.

The Crew's Race sailed September 23rd was won by Ed Harris even though he had a very inexperienced crew (Gillette and

Barrere).

Bobby Edmondson won the May Plaque and Cy Gillette won the

Say Trophy in October.

The Hawaiian Invitational Regatta held between October 27th and November 3rd was disappointing in that there weren't Lightnings from the mainland competing. In 1958 it is hoped that there will be several Lightnings from the mainland to enjoy sailing in this Regatta on beautiful Kaneohe Bay. Cy Gillette won this Regatta.

The Closing Day race on November 18th in which again all classes competed was again won by a Thistle although until recently many of these free for alls have been won by Lightnings. The 1957 Lightning Races should see numerous Skippers sharing trophies since Cy Gillette has graduated into the Star boat class having recently obtained a new Star boat from the mainland.

Herb Jordon of the Lightning Fleet has been elected Commodore of the Kaneohe Yacht Club for 1957. Incidentally Herb had his new Lightning built in Japan and then shipped to him in Hawaii. The boat is a beautiful job and might pave the way for additional new boats from this source.

Outside of racing, the Lightning Fleet enjoyed several spirited

parties at the Yacht Club as well as a very enjoyable picnic to Coconut Island.

Kaneohe Yacht Club's facilities are continually being expanded with the main building having been extended to provide a cover for the dance floor. With new boats, new skippers and new enthusiasm Fleet 143 is looking forward to a very active and pleasant 1957 season.

Our season began with a summer series on June 9th and continued until July 22nd, consisting of 8 races. Fred Harris finished first, Len Pratt 2nd, and George Holbrook 3rd. It was an interesting series with pleasant breezes.

The Championship series consisted of 8 races beginning July 28th and finishing Sept. 1. Fred Harris made it a clean sweep by also winning the Fleet championship. Pratt finished second and Holbrook third.

The Fleet was extremely busy competing in New England District activities. The first of these was held a Lake Winnepesauke on July 14-15th. The New Hampshire Open and Lake Winnepesauke Championship was attended by Fred Harris and Leonard Pratt. Henry Ashley, a heavy weather sailor from Marblehead, found the winds very much to his liking in compiling enough points to win the championship. Leonard Pratt was second in Bon Joy, and Fred Harris finished 7th.

Our Fleet was host to the New England District Championship on Spofford Lake on August 4-5th. It was a very successful weekend with good weather, but little breeze. Fred Harris won the championship when he won the third race of the two day series, and tied Len Pratt in points,—Fred had defeated Len twice and so gained the edge. Ed Ellis of Bomoseen Yacht Club finished in third place only ½ point behind Harris and Pratt. Susan Holbrook, skippering for the first time in District competition finished 5th. Walter Roehrig and Walker Hosmer also made a good showing. Charles L. Toms of Brattleboro, former skipper in Lightning Fleet #145 acted as Regatta Chairman and did a fine job. A total of 23 boats competed from Cape Cod; Marblehead; South Portland, Maine; Lake Bomoseen, Vt; Taylor Pond, Maine, and Annisquam, Mass.

The following weekend Fred Harris trailed the Sandy-Kay to Portland, Maine for the State of Maine Championship—August 11 and 12th. Fred finished in second place, only ½ point behind Sam Stowell in Yankee Dandy. The Sandy-Kay placed second, third and fourth in the three race series.

Len Pratt trailed the Bon Joy to Buffalo for its third competition in International Championship series—and probably its last! It was a wonderful experience—good sailing and good weather—good comradeship—and we can say "we were there."

On September 9th, Lake Spofford skippers and crews took their sail bags and journeyed to Lake Winnepesauke Yacht Club where they sailed an inter-Fleet meet with the local Fleet. The Lake Spofford Lightning Fleet scored a 22-20 victory over its host, and Fred Harris took individual honors. Fred won the first race and had a 100 yard lead in the second when the wind died and Taylor, a host member, drifted home in first place by 20 feet. George Holbrook took second in the first race.

Holbrook took second in the first race.

The State of Vermont Regatta at Lake Bomoseen, was held September 15th and 16th. Edward Ellis of the Lake Bomoseen Fleet won the first race in very light airs on a windward-leeward course—Fred Harris, our consistent representative at locat regattas, finished third. The regatta was plagued by poor weather and a winner was declared after two races.

An inter-Fleet race was held with Fleet #58 of Hewlett, L. I., on Lake Spofford Sept. 23-24th. Two races were sailed under ideal

conditions on Saturday but Sunday's race was rained out. The winner of the perpetual trophy was Fleet #58—the first time Spofford had been beaten in their own waters since the inauguration of the series in 1948. Jim Brown of Hewlett was the individual winner, with Len Pratt 2nd and Fred Harris and Ray Harrington of Hewlett tied for third.

Our last activity of the season was the annual open race at Massabesic Yacht Club, in Concord, N. H. The largest turnout of Lightnings for this regatta was on hand and three races were sailed in one day—one in the morning and two in the afternoon—beginning with a zephyr breeze in the a.m. and freshening to quite a blow by the end of the day. Leonard Pratt won the meet with three first, followed by our newly-elected District Commodore Gardiner Brown of Taylor Pond, Maine.

And so concludes the narration of the many activities of a little Fleet in a big season, and many pleasant and happy memories that will last forever. At the writing of this report we are anticipating the addition of several boats to our Fleet—Mr. James Gillespie of Hinsdale, N. H. has just purchased a Lightning from Boothbay Harbor, and we hope Bob Anderson will see fit to leave his boat for a larger part of the season at Lake Spofford. We missed Bob Munson this year—a charter member of Fleet #145 and trust he will find smooth sailing and as many good friends in his new fleet as he has left behind.

Boat Name

Rost No

Once again comes the time to write the story of the 1956 season and not for the first time must we describe every part of our activities as the best and most successful so far enjoyed by our Fleet. Our numbers are increasing steadily, more boats participated in all events and the standard of racing born of the mounting competition was likewise much improved. However, some superlatives must be retained for next year's report as already we know of new boats that will be joining us and plans are already being conceived for a bigger and better season in 1957.

The weather, one of the chief ingredients of any successful season, was in the main very co-operative and whilst by no means the hottest summer on record it did produce almost continuously good sailing conditions. There has, of course, to be just one exception and thiis occurred during the Canadian Open Championship series in August when and in spite of a steady breeze, thick fog reducing visibility to only two or three boatlengths closed in during one of the races. With invisible marks and equally invisible lake freighter holding a protest meeting along one leg of the course accompanied by much heckling with

Fred H. Harris in "Sandy-Kay", Fleet #145

their hooters, the race committee rightly thought fit to record results of this particular race as they stood before the fog closed in.

On the whole series and for the first time in the history of this Championship a local boat came out on top—Alf Dutton in "Tempest" taking first place.

Alf Dutton also repeated his successes of previous years in winning the nice-race Fleet Championship series and the Lou Marsh Sunday series. It is perhaps a measure of the increasing competition, however, to note that six of the nine Championship races were won by different boats and that the Lou Marsh series hung in the balance until the fifth and final race. The runner-up in both these series was Ted Plummer in his new "Cygnet" followed closely by Ed Hearn in "Seabiscuit" in both cases.

The annual Round-the-Island "Fleet Captain's Trophy" race was won by Bob Bleasby in "Cosmos" and the Hyland Trophy for sportsmanship was awarded to our Fleet Champion's two stalwart crew members, George Foster and Morris Pepper.

Finally the annual race between three-boat teams from each of the separate Yacht Clubs which comprise our Fleet, was won by the Royal Canadian Yacht Club who thus for the first time now hold the Gorman Trophy which is awarded for this event.

Our fleet during the 1956 season showed a great increase in number of boats and interest. This fact also indicates that our fleet is made up primarily of new skippers and crews not only to Lightning but also to sailing itself.

Dr. Robert J. Thomas William J. DeWitt, Jr.

A few statistics will probably vividly indicate our fleet growth. During the 1955 season we had three boats sailing races. By the end of the 1956 season we had six. At the tie of this writing we have added another boat to our fleet with the strong possibility of at least three more by the 1957 season.

Including our special trophy races we sailed sixteen races with a total of 74 boats starting.

We started the season July 1st and during the first three weeks sailed fairly long triangular courses. At the end of July we changed to two short races to give our skippers and crews more practice on starts, rounding buoys, etc. This change in the racing courses proved itself a big help in training and also made racing more interesting. We are sure the "arm chair" fleet also approved of the move, judging by the post race skippering that occurred.

The July series was won by Bill DeWitt, a new skipper, with Bob Thomas and Ed Tharp tied for runner-up.

The August series was won by Bob Thomas with Ed Tharp as runner-up.

As Thomas did not sail in September, he lost his point advantage. On the other hand Ed Tharp hit his stride and ran away with the fall months' series, and the Club Lightning

It is interesting to note that there was only a thirteen point difference between the total points for all skippers at the end of the season.

Kraft Vorreuter went to the Central New York Regatta at Canandaigua. The whole fleet went to the Skaneateles Invitational meet and placed fairly well in the middle of the running. Bob Thomas took a second in the second race.

We have added one new trophy for the Lightning Class which was donated by Frank Whiting, a new Lightning Family, for the annual 4th of July race. This race was won by Bob Thomas who also took all the honors and the Mosher Trophy on Labor

We are looking forward to next year's season with enthusiasm.

Our 1956 season was the best in our history, with a schedule of 24 Sunday races for the Fleet Championship and a 12 race Saturday Series. Both series saw the win and place positions go to our newer sailing families, while Grotegut, representing the Old Guard, managed to pick up a convincing third in both schedules.

McDermott copped the Sunday events with Ed Stevens following, while in the Saturday Races, Stevens moved into first with Mc-

Dermott right on his stern.

The eight revolving trophies were divided among five skippers with McDermott taking home the Walter Stevens, Smart, and Ed Stevens silver. Tim Stevens was the winner of the Grotegut Trophy, and Auggie Grotegut took both the Huston and Upham perpetuals. Last year's champ, Mabel Huston, and Runner-Up Glenn Macy, were allotted one apiece, winning the Macy and Siegenthaler awards.

Our genial secretary, took enough time out from leading us around the local course, to make seven regattas including the President's Series and the Chicago Red Flannels. Everywhere Tom went he was treated with so mich hospitality that we stay-at-homers

think he's a mite spoiled.

As usual, our season was concluded with the Annual Trophy Dinner followed by the awarding of the silver.

The arrival of four new Etchells lightnings made an especially exciting season at 'Squam this year. In spite of becoming disabled on two races, R. Russell Smith's beautiful new "Treaser VIII" truimphed over Wes Pear in an extremely close race for the championship. Both lightnings were built by Skip Etchells of Old Greenwich, Connecticut. The Teaser came within half an hour of missing a well-deserved championship. After placing second in the Massachusetts Bay Lightning Championship at Marblehead, she was towed home just in time for the club race at 2:30, had she missed this race, the Teaser would not have sailed in enough

races to qualify for the club championship! It was quite a day for Russ Smiths Crew!

Here is another exciting memory of 'Squam's 1956 racing season: Ten minutes before the starting gun, Melissa Lordan capsized her Sabrina! She was towed to the convenient Wingdersheek Beach and with the miraculous aid of many Sunday beachgoers, the Sabrina was afloat and off only a minute after the gun. (and on that July day Sabrina won her first race.)

The Labor Day weekend always brings especially tense races and this year was no exception, on Saturday the fog rolled in so densely that in the middle of the river neither bank was visible, and with the fog every breath of wind disappeared. This was perhaps the most delicate race of the season and we 'Squamers had the tide to battle in addition to the rest. After the starting gun, no one saw anyone else. Nobody knew who was ahead and you can imagine the thoughts of the two skippers who were within one third of a point of each other for the championship. Well, the Teaser crossed the line first, over half an hour ahead of the next boat, who thought he was a hopeless last. That was a day of surprises.

Fleet #151 had a fine season at home, and next year promises to be even better, with the arrival of at least two more Etchells boats.

1956. After a hard fought summer series John Merrifield in Scamper emerged as Fleet Champion and Donald Robbins in

Vella as runner-up.

Our 5th Annual Lightning Invitation Regatta with about 40 boats participating was won by Donald Robbins of the home fleet. George Carter was third in the Black Rock Yacht Club Regatta and Gwendolyn (Peachie) Yates was third in the Long Island Sound Girls Championship sailed in Lightnings. John Merrifield won the Consolation Series in the L. I. Sound Boys Championship as well as second in the Larchmont Race Week Lightning Series.

We hope to increase our number of boats next year and to

continue our present enthusiasm.

The Third Hoosier Lightning Regatta was sponsored by the yacht club on June 23 and 24. Eight visiting boats from Wisconsin, Illinois, Michigan, Indiana, and Ohio entered, along with six boats from the host fleet. Ed Kennedy, Cleveland, took first place. A banquet on Saturday night, June 23, brought out

traditional Lightning sailor comradery.

The summer racing season of 12 races began Sunday morning, July 1, and ended Labor Day. Bruce Baiden, veteran sailor and winner of the 1951 and 1952 top awards, took first place. Ably crewing for him were his father-in-law, Joe Plasket, and Dick Boerger. Jim Wellington took second place and Paul Penn, Jr., third. Tied for fourth and fifth places were Berkley Duck.

Jr., and Paul Hess. Jack Shanklin took sixth place.

The Cynthia Cup, perpetual trophy donated by Eli Lilly, Sr., Indianapolis, in 1891, for the best season record regardless of class boat, went to Bruce Baiden and Joe Plasket.

First place in the three-race Labor Day series went to Paul Penn, Jr. Trophy awards were made at the annual banquet

September 1, and on Monday afternoon, September 3. Launching and docking facilities of the yacht club will be greatly improved next year by the club's purchase of additional lake frontage.

## SOUTHWESTERN YACHT CLUB (161) Sailing on San Diego Bay, San Diego, California

| Fleet | Captain   | D. Bailey Brandt |

|          | Deathwind   | John B. Tanner   |

The year 1956 saw many great developments and among them we include the organization of Lightning Fleet 161.

The organizational meeting took place November 4, 1956, attended by four skippers of new boats built by Mr. Lightning of San Diego and one prospective skipper who has to build a house first, so he can have space to build a boat.

At this writing, Don Tuttle's Dorgini has been launched. John Tanner's Deathwind is now within 50 feet of the hoist, patiently awaiting its master's next move, while Bill Kreysler's Sea Horse is expected daily. Bailey Brandt's Ramona will hit the skids in two weeks, he says.

The first club race was scheduled for the first Sunday in De-cember. This established Don Tuttle as our first Fleet Champion in the year 1956, Pro Tempore. In January he will find himself pitted against such local threats as Tanner's Deathwind and a dark horse, Martin DuBow's Trade Winds, who joined the club just a few days ago.

A very fine electric hoist has been provided by the club for the express purpose of encouraging the sailboat skippers to organize a sailboat class. It has its effect and we are thankful for the fine

boat handling facilities available.

Three trophies were accepted with thanks. They are the Mr. and Mrs. Vincent Fiore Trophy, Southwestern Yacht Club Loser's Trophy (who cares? It's pretty!) and the John Bate Trophy.

Our appreciation for assistance in the formation of our Fleet

is extended to:

National Lightning Class Association.

Southwestern Yacht Club; Commodore Gibson and Directors for their sincere interest and help,

Vice President William V. Piere of the National Association, who showed us how to get started. Elliot Pohl, past SWYC Commodore, who started it all.

D. Bailey Brandt whose untiring promotion activity resulted in enthusiasm for additional class boat sailing and final adoption of Lightning Class.

Carl Eichenlaub, who built our boats and patiently guided us

over the rough spots.

Island. The fleet, long on the inactive list, has been reformed under the old charter.

Lightning owners were scattered all over City Island in various clubs and boatyards and needed only Skip Duryea's letter suggesting a meeting to organize a fleet. Result—Fleet #163!

The first races showed we had many "lubbers" and a few very fine sailors. Spinnakers and "green" crews seemed to be the greatest problem to most skippers. By mid-season however, the finishes of the races were much closer as skippers and crews began to "click". Notably one race in which seven boats finished with thirty seconds separating the winner and the seventh place boat.

The fleet also had an invitational race in which the Little Neck Bay fleet participated. They in turn invited us to the Bay-side Invitational Regatta, which Skip Duryea of the "Lark" won three races out of three. The fleet was extremely proud of this as there were twenty strong, keen competitors. Although Jim Curtin of the "Elly II" gave close competition, Ricky Riconda with the "Doric" finished second in the season's standings.

The fleet Social Dinner and Dance, which was a great success, was held December 1st at the Harlem Yacht Club under the auspices of the Eastchester Bay Yacht Racing Association, an organization which provided the committee boats, course marks and scoring committee for our fleet races.

Fleet #163 is looking forward to 1957 because we are assured that the competition and fun enjoyed by all the active members this season will attract other Lightnings in the Eastchester Bay area next season.

The overall series was won by Don Diefendorf, Second place by Dr. Don Sanford. We also had an award for third place, won by Don Hart.

Following the racing July 22, we were all invited to Don Hart's home overlooking the Lake, for a picnic supper. The "Dutch Treat" arrangement proved to be terrific! A slight drizzle caused us all to huddle closer together under the wide eaves of Don's boat house. Really quite a chummy affair! This picnic was such a success that we had an equally fine time at Don Diefendorf's home on September 9.

We had awards for our Saturday series, won by: 1st Place-Don Diefendorf 2nd Place-Don Hart 3rd Place-John J. Hill

The Sunday Series awards were won by: 1st Place—Dr. Don Sanford 2nd Place-Don Diefendorf 3rd Place-Don Hart

The Junior Lightning Fleet went to Ithaca and won the event. Such a good time was had by all that Ithaca sailors came to Cazenovia for a return regatta. The wind was terriffic! It was a real credit to the fine seamanship exhibited by the Junior sailors that no one capsized. Cazenovia won this event also. However, when our Junior sailors tried their seamanship at Skaneateles, they came in a very close second place. We have a fine Junior Fleet and are very proud of them.

1956 was the liveliest season in history for the Brant Beach Lightning Fleet. More boats raced than ever before, 11 of them. Awards were divided among more skippers. The racing schedule was the biggest ever, with a new Interclub Tune-up Regatta added in June and a new Sunday series during the summer. Barnegat Bay's tricky winds joined in to make things lively. There were drifters, crisp breezes and gales, plus one line squall that capsized or damaged five boats in a 20-second blast.

Tom Coe brought his "Jade" down from Riverton Yacht Club for the summer, and Dick Clynes came to us from the Spray Beach Fleet. Mr. and Mrs. Vincent Marriott, and the D. F. Schmits and their daughter Margie, added their boats to the fleet. Former Club champ Bill James gave notice, by winning the Tune-up Regatta over Tom Coe, that he didn't plan to take the wake of other boats during the season. In the Saturday series for the Club championship he was never headed throughout the summer, although Tom Coe pressed him closely and only lost by a percentage of .916 to Bill's .930. Thus, after two seasons out of first place, Bill James won a third leg on the Championship trophy and retired it to his mantel for good. Third place in the series went to the Kelly boat, which had won the title in 1954 and 1955 through the smooth teamwork of the three Kelly brothers. This year the U. S. Navy provided a little nautical competition by signing up skipper Jack Kelly. Tink Kelley handled the tiller in the 1956 series.

In the Sunday series, which the 1956 Club champ and the runner-up did not enter, Charlotte "Bitsy" Baldt, Bill Kelly and Dick Powell took turns beating each other. Dick finally scraped through the Sunday title with a boat length edge in a final race which decided all three places, Bill Kelly taking second and Bitsy Baldt third.

Bill James slashed across the line first in a blustery Fourth of July trophy race, while Tink Kelly out-tacked Dick Powell for second place.

The Labor Day trophy race, sailed in 25-to-30 miles winds, was the most sensational of the year. The three newest and lightest boats in the fleet—Kelly, Powell and Baldt—took off on a final two-mile reach and planed—all the way home in sheets of spray, ending in the order given.

Winding up the season, Bitsy Baldt topped the other Brant Beach entries in Surf City's invitational regatta, taking the thirdplace trophy.

At one time or another, other boats in the fleet gave the leaders all the fight they wanted. Joe Serrill, who can get more out of an older boat than many skippers can out of a newer one, beat every boat in the fleet from time to time. Pete Pierce was always dangerous, especially on spinnaker runs. John Hay's Black-hulled 'Bandit' did not sail enough races to qualify but was always hard to beat. Dick Clynes did well over courses that were new to him. Our new young couple, the Marriotts, gained experience and are likely to provide plenty of trouble next year. The Schmit family, just learning the tricks of the Lightning trade, is getting ready to start racing in 1957.

On January 7th, 1956 a party was held at The Shreveport Yacht Club, and an election of Officers was held and plans were made for the racing program for the ensuing season.

During the season around 4-3 Race Series were held. The first Series beginning around April 1st.

On April 29th the Shreveport Yacht Club held its Annual Spring Regatta on Cross Lake. Around 24 Lightnings from Miss., Louisiana and Texas participated. A 3-Race Series was held under ideal weather conditions, which is nothing unusual for Shreveport at this time. Ideal conditions having pervailed for the last six Regattas. A. D. Wynne from Southern Yacht Club New Orleans, La., took top honors with Sam Townsend of Dallas, Texas, placing second. A full week-end of racing and entertainment was enjoyed by visiting Yachtmen and their families, beginning with a Friday night cocktail party, and a buffet supper. Two reaes were run on Saturday, after which a cocktail party and

1956 was a good season for Fleet 181, excellent winds prevailed for all of the races and a great deal of fun was had by all.

The fleet Championship races were held on Sundays starting on Fourth of July and ending on Labor Day weekend. John Peirce skippering Apres Moi wound up Fleet Champion with Ted Parent in Falcon II second, and William Loring in Tipalot close behind

Two of our members, Bob Anderson and John Peirce made a most enjoyable trip to Spofford Lake for the District Races in August. Hollis and William Loring took their boat to Marblehead again this fall to sail in their Fall Series.

We are all looking forward to the 1957 sailing season when we should better competition than in previous years from the younger members of our club.

There were fewer boats racing in Stonington this year than in a good many summers. Jobs, trips to Europe, and a fair amount of plain good old procrastination all took their toll. However, among those that did hit the starting line every week the competition was extremely keen. Sam Knox won the Senior Championship with Bruce Biddle close behind, followed by Clay Freeman and Sandy Sellers. In the Junior Championship Howie Knox edged out Sandy Sellers in the closest of finishes, with Sandy winning on a point basis but with Howie nosing him out in the all important percentages.

The fleet had a busy year with outside regattas. More boats left home for these events than ever before, indicating the great interest of the fleet members in Class and District activities. Seven boats entered the Eastern Connecticut Yacht Racing Association's regatta at New London, with Sandy Sellers turning in the best job of the Stonington boats. The following week three boats towed to Niantic for the Districts. A week later Sam Knox trailed his Hot Canary II to Noroton for the Long Island Sound Championship. The Governor's Trophy undoubtedly the biggest prize for small boats in existence, was raced for in a two race series at Stonington. Twenty-seven boats from Wadawanuck, Groton Long Point, Madison Beach, Niantic, and Branford participated. Wayne Brockett of Branford, with a first and a second, nosed out George and Mike Flynn of Niantic Bay by one point, with Sandy Sellers of the home fleet coming in third.

The annual three cornered race between Watch Hill, Fisher's Island, and Wadawanuck for the Mary Louise Parsons trophy was raced for in Lightnings off Stonington.

Wadawanuck ran away with this one, Sam Knox taking first, Sandy Sellers second, and Bruce Biddle fourth. This gave Wadawanuck more points than their two opponents combined.

The season wound up over Labor Day week-end with the "Parent and Child" race. This is an annual affair with more tradition than any other event on the calendar, as far as Stonington sailors are concerned. The trophy for this race was donated in 1926 by Robert LeGrand Johnstone, and has been raced

for every year since, with time out only for hurricanes and wars. Each crew is made up of only two persons, a parent and his or her son or daughter. The course is twice around. On the first round the child is the helmsman, with mom or poppa tending the iib. main sheet, etc. On the second round positions are reversed. To further complicate the event, it is open to all classes on a handicap basis. This year Susie Knox, with her father, Sam, won in a very close finish over Sandy Sellers and his father, Commodore Bob Sellers.

The week after Labor Day Sam took his yellow peril to Buffalo for the President's Cup, while Sandy Sellers trailed Whisper to Noroton for their annual Invitation. Sandy came home with a very respectable third, and another good year for Wadawanuck.

| Where o  | lid the summer s                        | go?                      |

We are now marking the end of another great sailing season for fleet #184 in the "Land of Delight".

Our sailing began in July with the usual practice races. The official races started the last week of July and everyone was anxiously waiting and eagerly watching for the "go" flag.

Jim Pendergast in his new Lightning took first place for the season receiving a silver Revere bowl. The "Tangle Toes" owned by the Workums finished with a hard earned second and the "Two A.M." owned by Allen and Abigail Mead got a well deserved third.

We have a "B" class division in our fleet, mainly for the new and young sailors. This year the first place "B" trophy went to George Report who sailed a lot of terrific races in his head new

George Bennett who sailed a lot of terrific races in his brand new Lightning. Second place went to Ronnie Riley and third place to Mike Fisher.

We had two regattas on our lake this season. One was the Bill Miller regatta, so called because Bill Miller organized the regatta, sailed in the races and at the end of the summer awarded prizes to the first three boats. Ed Neild did a good job of skippering and took first prize in this regatta. He received a sailing book. A knife was given to George Bennett who got second place and Mike Fisher, winding up with third place, also received a knife. Everyone certainly had lots of fun and we all thank Bill Miller for "His" regatta.

Our final regatta was called "Labor Day Series" and is now to become an annual affair held the last week of each season. There were two classes, "A" and "B", and it was up to the race committee to designate the class for all participating boats. The regatta was under the supervision of Lee Workum, Frank Bracken, and Avery Lynn Kimerly. The three planned the courses and were in charge of protests, although there were no protests filed.

A "fun day" was enjoyed by all this summer as it has been for the two previous years. It is a day when all the sailors get together and sail for fun and forget about beating the fellow next to him. The first race, a "team race", proved to be quite wild, for team-mates tried desperately to make waves, get a tow, or do almost anything to hinder an opposing team. There was also a "reverse" rule race, "round robin", and "Change boat". At noon a delicious picnic lunch for all sailors was given on the Yacht Club reason by the Laby March Comb. Club terrace by the John Mead family.

August 21st was a beautiful day for the thirty mile marathon. Beginning at 8:15 A.M. each boat must travel completely around the lake three times. Lots of sailors were eager to hear the gun, but as the day wore on a number of boats found that skipping buoys, paddling, or getting a tow was more fun. There were several boats that actually completed the course quite legally. After a hard fought race Frank Mead, Jack Mead and John Hollett won first place and were awarded an enormous perpetual trophy. A National One Design skippered by Fred Shoaff got second place.

Boats of Fleet #184.

Frank Bracken, Tom Bracken, and Skipper Bracken received third place followed by Ed Neild, Bob Blalock, and Ward Highstone in fourth position and Allen Mead, Abigail Mead, and Susie Highstone in fifth place.

For the last two years a trophy has been presented to a skipper or crew showing the most improvement through the sailing season. Each sailor casts a vote for his selection of the recipient and the result is announced at the annual Yacht Club dinner. The sailors chose John and Tom Shoaff, brothers who take turns crewing and skippering their own boat. Mike Fisher was honored with second place and Frank Bracken was recognized as third.

Our Commodore, Joseph Broderick, did a splendid job this summer. He took a great interest in the active sailing schedule and we wish to express our "thanks" to him. We are all happy Mr. Broderick has been elected Commodore for the coming year.

This summer has been a very successful sailing year for the twenty-seven boars in Fleet #184. We will be looking forward with great anticipation and enthusiasm to the 1957 sailing season.

Our local season started with Memorial Day when Dave showed he'd be tough to beat. The eliminations started the next week end and Irv. jumped into an early lead which held to about half way thru the series. Then old Foxey Shay got out his long whip and with a little crew cooperation won the series.

Once Dave had the system down he did fine, winning our Fall Series and the Vermont Championship at Lake Bomoseen.

Our Red Grant Regatta had two races in 30-40 mile winds including a rip snorting squall. Joe Neiner, the Chairman, will be more careful next time he requisitions the breeze. The winner was that old hand at gentle breezes from Red Bank—Reid Dickerson.

Eric Larson left, Ed. Freimuth and Ottar Rohrstaff with the Bob Piper Memorial Trophy.

The Sheboygan Lightning fleet started the 1956 racing season with a "tune-up" series of five races. The series was won by Vic Radwick sailing Dr. Leslie Tasche's Corixa. On Sunday, July 1, during the fourth race of this series the fleet was hit by a squall with gusts up to 50 miles per hour. The three leading boats capsized. Stan West with his express cruiser and two Coast Guard boats were out to the disabled Lightnings within minutes. The three skippers and crews outside of getting wet, no doubt, gained wind and weather knowledge from the experience. The rest of the skippers managed to keep their boats upright and rode out the squall. The Islander lost her mast while being towed in and was the only boat that was damaged at all.

The second series of eight races sailed Sunday mornings for the Piper Trophy and the club championship was won by Eric Larson sailing his Lightning Lulo with Ed Freimuth and Ottar Rohrstaff crew. Going into the last two races Larson with Lulo and John Werner with Islander were tie for first place with 28 points each. Larson doing some excellent sailing gathered enough points to win the trophy.

The 1957 season looks like the most promising we have had for sometime. Dr. Kovacic sold his three-time club champion Marba to Dave Wilson and Allan West of the club, and has purchased a new Lightning from the Sportship Co. of Milwaukee. The Phil Roess family has purchased Lightning No. 3350 from Bob Jansky of Manitowoc and have renamed her Phipeto. She will be sailed by their son, Tom, a sharp "up and coming" young sailor. These two additional boats plus new sails and new spinnakers for other boats of the fleet will really make competition much keener next season.

One of the highlights of the season was on August 26 when the Juniors raced five of the Lightnings in a Round Robin series. All of the races were closely contested. Tom Bierman and his crew consisting of Jerry Bremner and Dennis Casper were the winners.

On October 24 the Lightning fleet entertained the Juniors who participated in the Tune-up and Piper Trophy series as crews and in the Junior Round Robin series at a dinner at the club. The Junior champion and crew were awarded Lightning Pins and the rest of the Juniors Lightning emblems. The Tune-up and Piper series trophies were awarded to skippers Radwick and Larson. Movies and slides were shown of the summer racing and sailing activities. It was a wonderful off-season get-together that was enjoyed by everyone attending.

Here at Sheboygan the Sheboygan Yacht Club has recently completed its 500 foot "L" shaped pier in front of the club. We are proud of it and invite all Lightning sailors to stop in and look it over. We would also like to have them visit our club at anytime. We are open all year 'round.

"Skeno" and "Malish" in a close finish during the Fleet championships of Fleet #188.

Our season started early in 1956 with a fleet meeting at the home of Leo McKenna on February 23rd. At this meeting we resailed all the races on 1955 and laid plans for the coming sailing season. Jack Evans was appointed Fleet Captain for 1956 and his wife Marion as secretary. It was unanimously agreed that the father of our fleet, Dr. Vic Pinard be appointed Honorary Fleet Captain.

Our next fleet meeting was held on April 8th at the home of Don and June Skene. Most of the evening was spent in the Skene garage admiring the nearly completed hull of Skeno. Don had been working faithfully all winter and hoped to have her launched sometime during the month of June.

At this meeting we met Ron Chorlton who hoped to obtain a Lightning in Montreal and sail with us this year. It was seen that we had obtained several new trophies for the Lightning Class and these would be used for the many Up-River races that took place at the Britannia Yacht Club during the season. The fleet captain reviewed the proposed racing schedule with the members and obtained their approval. It was seen that five races would be sailed on Saturdays throughout the summer for the Ogilvy Trophy. These races would be twice around our three mile triangular course. On Wednesday evenings during June and part of July we would sail a series to be known as series A, during the rest of July and most of August we would sail series B. The first two boats in each series would meet for the fleet championship to be sailed off in a three race series at the end of August. Our annual Fall Series for the Evans & Kert Trophy was set for Sept. 22nd. & 23rd.

In the early spring Leo McKenna and Ron Chorlton took a jaunt to Montreal and there Ron obtained Malish #4347 and trailed her back to the B.Y.C. A little later we heard of another boat for sale in the Montreal area so Alain Pinard and Ned Rhodes took a day off from work and made the 125 mile trip but when they arrived they found that the boat had been sold that morning. Needless to say Ned was very disappointed as he had hoped to have a Lightning for the start of the season.

Fitting out time in Ottawa last spring saw very few warm dry days and as a result only three or four boats were ready to sail by June first. Six series A races and two Ogilvy Saturday races were sailed in June with Mistral, Malish, Corinthian and Blue-Belle taking part in all races.

On Saturday, June 23rd our first up-river race was held. This race covers a distance of some twenty miles starting and finishing at the B.Y.C. This race is known as the Pinhey's race and was won this year by Ward McKimm sailing Blue-Belle. Ward using two inexperienced girls as crew finished some twelve minutes ahead of Ron Chorlton in Malish and won the Mistral trophy presented this year by Vic Pinard. Siboney and Mistral finished in that order.

Towards the end of June the big day arrived, this was the launching of "Skeno" Lightning #3329, the pride and Joy of the Skene family. Don had bought the wood and sails from Hugh Stowell who had started construction some time ago, hence the low number. A formal launching party was held at the Yacht Club with a small quantity of Champagne being poured over Skeno's bow, the balance being consumed by those present. June had baked a special cake for the occasion and it was served on the launching ramp. When Skeno was launched it was noticed that she did not fill with water and sink immediately as some of the dinghy sailors had hinted she would. Possibly this was due to the beautiful Fiberglass covering that Don had applied to the hull.

The first week-end of July saw the annual St. Lawrence Valley Yacht Racing Assn. Regatta being held at the Hudson Yacht Club near Montreal. Last year we had sent one Lightning to this event. This year we had two representatives in the persons of Leo McKenna and Jack Evans. This was a four race series being held over the long Dominion Day week end. We encountered every type of weather imaginable. Everything from a drifter to a quick trip around the eight mile course in thirty mile winds. Eight Lightnings took part and in view of the stiff competition from the Montreal Area the best we could muster was a fourth for Blue-Belle in the final standing. Those participating in this event enjoyed themselves and hoped to bring at least two more Lightnings to the series next year when it will be held at the Point Claire Yacht Club.

During the month of July we sailed the last race of Series A and three races in Series B. Series A was won by Leo McKenna sailing Corinthian II with  $20\frac{1}{2}$  points followed by Jack Evans in Blue-Belle with  $17\frac{1}{2}$  points.

By the time July came along we had most of the boats in the water and nine of the boats were participating in the races. Two races of the Saturday Ogilvy series were run off in July, the most interesting being a wet misty affair held on July 21st. On the final leg Corinthian was leading being closely challenged by Ward McKimm sailing Blue-Belle. The crew of Blue-Belle seeing a chance of winning the race set their spinnaker and started to overtake Corinthian but as luck would have it a dirty gust caught Blue-Belle napping and the spinnaker pulled her over into the cold waves.

Toward the end of July we heard that boat #3678 on the Rideau Lake was for sale. Ned Rhodes who had missed getting a boat earlier in the season jumped at the chance and bought the boat sight unseen. Jack Evans volunteered to get the boat with his trailer so on a wet miserable day they made the trip to the Rideau Lakes along with Ned and Dave Rhodes. After taking about two or three hours to load the boat on the trailer in a steady drizzle they started back to Ottawa. Needless to say the only flat tire we experienced last year happened on this trip. By the end of July Ned was sailing with us on Britannia Bay.

August was a rather quiet month from the Lightning standpoint at the B.Y.C. This year our club was the site of the annual Canadian Dinghy Championships for 14 foot international dinghies. This event was held during the week of August 6th and no scheduled Lightning races were held. However we did get six boats out on Wednesday evening and attempted some team racing but the wind went down and we finished in the dark and we still have not been able to find out which team won the race.

Also during August the eliminations for the Olympic Finn class was held at our club with sailors from Vancouver, Toronto, Montreal and Ottawa taking part. After waiting around some two weeks for suitable winds Bruce Kirby of Montreal, formerly of the B.Y.C. won the trials and represented Canada in the Olympics in Australia last Fall.

On August 15th our annual ladies Lightning race was held. This is always a hotly contested event and this year proved no exception. Bev Kirby sailing Corinthian crossed the line first followed by Marion Evans in Blue-Belle. The third position is still in doubt, the records say that Mary Chorlton sailing Malish was third but we are told that June Skene in Skeno nosed her out. We will have to decide this during our 1957 ladies series.

Our second up-river race took place on August 18th & 19th. This is the annual race to Constance Bay and return. On Saturday we sail 18 miles up-river to Constance Bay, camp on shore or aboard overnight and race back on Sunday. Four Lightnings took part in the race in 1956. The race up river on Saturday started in a flat calm which did not improve too much all day. Marion & Jack Evans in Blue-Belle finished at dusk in 8 hours and thirty-five minutes. Don Skene in Skeno finished second in 8 hours and 50 minutes. John Siboney got lost in the dark and finished during a rain shower some two hours later. Ken Kerr sailing Corinthian II did not have sufficient crew and although he finished third was disqualified.

The return race on Sunday was sailed under exactly opposite conditions to the up-river portion on Saturday. We started at noon with a real dusty tailwind and ran on our spinnakers the 18 miles back to the club. This time the finish was very close with Blue-Belle getting the gun after 3 hour 41 minutes run. Skeno finished in second position only 45 seconds behind Blue-Belle with Siboney 30 seconds behind Skeno. An anxious moment took place at the finish when the crew of Corinthian failed to get their spinnaker down in time and the dusty going carried them on the rocks by the club pier. The crew had to go overboard to save the boat. Luckily no damage was done.

The last two races of Series B were sailed in August with Ron Chorlton in Malish finishing with 30½ points followed by Blue-Belle with 29½, Corinthian with 27¼ and Skeno with 20 points. Following this our sailoffs for the fleet championship took place, with the above four boats competing. After many false starts a series of three races was finally run off with Leo McKenna in Corinthian winning the Fleet Championship with 11½ points followed by Jack Evans in Blue-Belle with 8¼.

On the Labor Day week-end our third up-river race took place. This was the 15 mile race up-river to Baskins Landing and picnic grounds. Four Lightnings took part in what turned out to be a real battle. Jack Evans in Blue-Belle led for the first five miles when suddenly the wind died and his spinnaker fell like a deflated gas bag into the river. Vic Pinard sailing Mistral III headed toward the Quebec shore of the river and picked up an off shore breeze and in no time was a couple of miles ahead of the becalmed Blue-Belle and highly irate and fuming crew. By the time the wind again came up Mistral was out of reach and easily walked off with the Corinthian trophy, presented to the fleet this year by Leo McKenna. The race for third place was the most interesting with Don Book in the Mug edging out Dave Quarterman in Gamecock by half a boat length.

On the weekend of the Baskins race Don and June Skene trailed Skeno to the annual Hudson Yacht Club Regatta and brought back tales of the wonderful time that they had at Hudson, Don says that nearly 70 boats took part in the annual long distance

The final race of the Saturday series was held on Sept. 8th with seven boats taking part. At the start of the race a sudden

gust hit the fleet and caught Dave Quarterman in Gamecock unprepared. One of his crew men fell overboard and when he was rying to round up to pick up the swimmer the boat went over and they all went swimming.

After the final points were tallied in the Saturday Series Leo McKenna sailing Corinthian came out on top with 24½ points followed by Blue-Belle with 17½, Malish with 12, Mistral with 10 and Skeno with 9½ points. For his victory Leon won the Ogilvy Shield for the second time.

Our last up-river race of the season was the Queens Park and return race held on a weekend in September for the Queens Park Trophy. Nine Lightnings started in this 11 mile race and all finished. The wind was very light and shifty. Skeno and Blue-Belle battled for the lead all the way up river and changed positions about five times. Blue-Belle rounded the mark first and set her spinnaker for the run back home but the wind died and Skeno getting a puff bore down but could not get through Blue-Belle and finished less than two minutes behind. Third position was taken by Don Book sailing The Mug.

Our final racing of the year was our big Fall Series held on Sept. 22nd & 23rd. This is a five race series and over the past years has proven to be the most hotly contested of all our races. This year our whole fleet of ten boats hit the starting line for the first race. It was the first time that the B.Y.C. had seen so many Lightnings racing together. This series was ideal racing weather, probably the best that we have seen to date. Before the start of the first race the breeze went down and we all tied up to the pier to wait for some wind. In a short time a nice breeze came up out of the southwest and held for the remainder of the series.

At the start of the first race Blue-Belle tacked in front of Malish and was rammed. Blue-Belle lost her tiller in this scramble but managed to repair it in time to finish in fourth position. The race was won by Corinthian who was later disqualified in a heated protest meeting giving first place to Malish, and second place to The Mug.

Gamecock was disqualified at the start of the second race for being across the line before the gun. The Mug who had done so well in the first race suffered a parted shroud and was forced to retire. Winner of this race was again Malish with Mistral in second spot and Blue-Belle third. At the end of this race the skipper of Blue-Belle noticed that his starboard vee spreader had broken and he was not able to enter the next two races.

Malish made it three in a row by winning the third race with Mistral second and Corinthian third. Don Book skipper of The Mug had repaired his parted shroud and started the race but the jury rig did not prove satisfactory and he was forced to retire before the finish and was not able to get out again for the remainder of the series.

The fourth race saw the positions mixed up a little more with Corinthian taking first place with Skeno second and Malish third with Mistral bringing up fourth position.

The fifth and final race was sailed on Sunday with Corinthian again coming home first with Mistral close behind and Blue-Belle who was back in the race finishing in third spot with Malish in fourth and Skeno fifth.

When the final points were tallied Leo McKenna headed the poll with Ron Chorlton in second spot, but after the all important protest meeting the positions were reversed with Ron Chorlton winning the Evans & Kert Trophy with Malish totalling 453/4 points. Second was Mistral III sailed by Alain Pinard, third Corinthian with Leo McKenna at the helm and fourth spot was occupied by Don Skene sailing Skeno followed by Ward McKimm in Blue-Belle and Ian Bruce in The Pickle.

After the Fall series we started hauling boats out of the water and getting them ready for the long winter months ahead.

In October we heard about a Lightning at Kingston for sale and Jack Evans drove down and looked over the boat. We decided that it was a good buy so we promptly bought the boat #3976. When we got back to Ottawa Vic Pinard liked the boat and bought her. At present writing Vic now owns two Lightnings but expects to sell Mistral III when spring rolls around. Vic points out that this is not first time he has found himself the owner of two Lightnings. In 1952 he bought #1520 to prevent her from leaving the fleet and later sold her to Leo McKenna. Since we started building the fleet in 1951 we have added many boats but thanks to Victor Pinard we have never lost one. If it looks as if a boat will be sold out of the fleet faithful Vic will promptly buy her and save the day.

At last report we hear that Don Skene and Ron Chorlton have ordered new Ratsey Dacrons. This will bring out four boats next year equipped with Dacrons. This year Jack Evans sported a new set of Howard Boston Dacrons on Blue-Belle and last year Leo McKenna did the same for Corinthian.

This winter we hear that Don Skene is sporting a new welding set and is busy assembling Lightning trailers for the boys. Next year we expect to have at least three or four boats at the Internationals and Presidents Cup series.

Ron Chorlton will be showing us a brand new transon next summer. At present he has Malish in a garage without a transom and is hoping to be able to install a new one by the time the ice goes out of Lake Deschene in the spring.

Leo McKenna being very interested in girls (one of the few bachelors in the fleet) is sponsoring a ladies series to be sailed in Lightnings at the club in 1957. To top it off he says that he expects to have an all girl crew sail with him in the regular events.

A new series to be held in 1957 will be a three race tune up series to be held at the end of May. Jack Evans has put up a trophy for this series.

At present we are busily engaged in planning a hoist that will be installed in our Yacht Club harbor and be capable of launching boats up to 1500 pounds from a trailer.

The big word for 1957 will be an invitational Lightning regatta at the B.Y.C. this series to be known as the "Capital City Lightning Championships" and will be run in conjunction with a club regatta planned for the B.Y.C. in 1957. We hope to be able to build this up into a top notch regatta and attract entries from other fleets in the vacinity.

We will have a possible three more Lightnings at the club in '57 and from the looks of the plans on the board at the present time 1957 will be by far the best year yet for good old Fleet 188.

Long hours of sanding and painting came to an end for most of the Marblehead Fleet on May 30th, when our busy racing schedule started. Those who were not able to launch in time for the first race worked hard and fast so as not to miss any more of our all too short New England Sailing Season. As our fleet continues to grow, new winners continue to appear on

our finish line, but only as the tried and true skippers permit them to taste the sweet fruits of victory.

After a year's absence, Henry Ashley in his "Six-Bits" again captured the State of Massachusetts Championship title from Fred Pothier, who relinquished it, only to capture the Marblehead season championship title, with Henry Ashley finishing second and Dick Price third.

The Eastern Yacht Club series was taken by Fred Pothier in his "Fancy Free". Henry Ashley once again won the Corinthian Yacht Club championship with Fred Pothier following closely on his heels for second place. Aside from the three aforementioned, there are other sailors in the Marblehead Fleet. Our Labor Day trophy was won by Paul Deschenes in his "Me Pa". A stay-at-home series, which is held on week-ends when many of our boats trail to other parts of New England for regattas, was won by Phil Lord in his "White Cap". Second and third places were captured by two other new winners, Harold Hokanson and John Sullivan, in "Spook" and "Rambler" respectively. Harold Hokanson again scored in the first twilight series, in which he took third place. First and second positions went to Fred Pothier and Forrest Standley.

Louis Pocharski, who after winning the Marblehead Town Class Championship in 1955, sold his Townie and joined the Lightning Fleet, took second place in the second evening series. First and third positions are again held by Fred Pothier and Forrest Standley.

Marblehead Race Week, the big event of the summer in this harbor provided some of the best racing in years to over 300 boats of all classes which participated in the 3 series event. Fair weather and winds brought out a record of 32 Lightnings, the largest class to start on a single starting line. Two new winners sailed forth during this event. Art Ries from Fleet 189 won the 3 race Eastern Yacht Club Series while Ben Smith from Gloucester in his new "Teaser" won the Boston Yacht Club, Corinthian Yacht Club and the Larson Trophy for chalking up the greatest over-all average for the week.

Our Junior sailing group has become quite active in the past two years. The Juniors compete with the senior skippers in all of the regular races but have their scores kept separately for their own trophy. This year newcomers to the fleet showed a tremendous amount of enthusiasm in racing and in their first season of Lightning saiiling, John and Paula Carien won the Junior Season Trophy in their "Neirac", followed closely by Carole and Billy Gleason in the "Fouette" and Frank Morse in his "Suzy".

In addition to our beach parties, cookouts and picnics an innovation in the form of a clambake, was enjoyed by members and their friends, the week-end of the State of Massachusetts regatta. Clams, lobsters, corn and sweet potatoes, cooked under seaweed, followed by large portions of watermelon and coffee were the order of the evening.

Climaxing the summer social season is the annual banquet at which time the awards for the racing season are made, including the elephant's tail, an enormous item, which every skipper in the fleet sails real hard to avoid winning. The lucky winners this year were the co-owners of the "Mach-One", Bill Marscher and Webb Blood, who are considering buying a new boat next season in order to improve their record and rid themselves of the tail.

A buffet supper at the Boston Yacht Club brought the fleet together for a fall gathering at which time they enjoyed the movies of the Internationals and President's Cup Races at New Orleans and made plans for their winter meetings, which always bring sailors closer and closer to spring and launching time again.

October 28 saw the last race of one of the busiest seasons in history of Fleet 192. We held 24 fleet races on the 22 weekends beginning May 27. The scoreboard showed 12 boats racing in our First Series, 19 in our Second Series and 12 in our Championship Regatta. We owe most of the credit to our busy Race Committee, Howard Games, Stan Munger and Frank Bunch.

Our season opened officially on January 23 with a business meeting and was followed up with our regular spring Skull Sessions on February 13 and 27. The first of these seminars was a discussion of "How to Get Her Goin'" moderated by Captain Holladay and the second was a round-table review of "Rules and Tactics". Possibly as a result of these meetings, designed to spread the know-how, we saw some new names in the list of 1956 trophy winners.

The annual contest to see who gets overboard first appeared to have gone to McWhorter who launched 3444 on April 21 (in 40 degree water). Holladay pulled ahead on April 28 when he

launched 738 as 3444 hauled out with a broken mast and miscellaneous abrasions following capsizing at the mooring in an April 23 blow. May 5 saw 738 haul out for the same reason and by May 6, when 3444 went back in, half the fleet was launching.

Besides the new faces in new boats we've come to expect each year as Fleet 192 grows, we saw some old faces in new boats. Wilkinson showed up at the first fleet meeting with talk of selling 741 and giving up sailing which fooled few of those who know him. After several conflicting reports he showed up out in front in the first race with 3704 and pretty well stayed there all season. Frank Bunch, who waited out the 1955 season for a Dutch-built replacement for his Hazzl-demolished 4599, showed up high in the standings with 6357. Lee Brown, who used to be out front with 4588 before he embarked on a Government-sponsored vacation in Colorado, showed up for the Dixie District regatta with 6126 still under construction but sailing nonetheless.

Home fleet activity this year seems to have cut into our participation in outside regattas. Holladay, Wilkinson, Finn, Brown and McWhorter trailed to Baltimore for the Dixie District Championships. The Baltimore boys took the wind out of our sails in a variety of ways. Holladay led our fleet with a 4th, Wilkinson placed 6th and rest of us placed. Lee Brown had slightly better luck at Indian River but brought home no silver. Frank Bunch trailed to Quantico to retrieve some of our glory by placing 2nd

of 31 in the Frostbite Regatta.

Having had no hurricanes this year, we wound up the season with a Fleet Party December 1. Holladay's Rathskellar, the scene of some rough-and-tumble rules discussions earlier in the season, brought out the Elvis in many a pelvis as the record library divulged tango, calypso, rock and roll and that newest dance sensation, the "Mast-top-Mambo". Somehow we managed to hold a business meeting, a trophy presentation and a discussion of plan for 1957. Judging from the number who have asked Santa Claus for new sails, gear and boats, the coming season promises to be even bigger.

Trophy winners were as follows:
First Series, May 27-July 1; 6 races

1 738 Holladay
2 3704 Wilkinson
3 5331 Finn
Second Series, July 29-October 28; 13 races
1 738 Holladay
2 5331 Finn
3 3704 Wilkinson

Championship Regatta, July 8, 14, 15; 5 races

1 3704 Wilkinson
2 3444 McWhorter
3 738 Holladay
Novice 3443 Armstrong

Sailing, and the accompanying fun, began for Mission Bay Lightning Fleet skippers and their crews with the first race of the Winter Series on February 5th. A turnout of 13 boats, in 2 divisions, saw Carl Eichenlaub, Jr. sail "Billie" into first place for the six race series in the "A" Division, followed by Ty Vaughn in "Fury". In the "B" Division Archie Walker, sailing "Relampo", took first place, followed by Ken Glazebrook in "Delilah". March 25 marked the opening of the first race of the Spring

March 25 marked the opening of the life Series. Again a turnout of 13 boats saw Carl Eichenlaub, Jr. sail his "Billie" into first place, followed by Ken Moore in "Zoom" for the six race series. All of the races in the Winter and Spring Series were marked by good weather and winds varying from

light to moderately strong. Opening Day Ceremonies were held on May 27th, following a frenzied and feverish work party day held one week earlier. After these ceremonies the annual Asher Pier Mmorial Race was held. This handicap event was won by Carl Eichenlaub, Jr., sailing "Billie". The fast sailing Lightnings have threatened to revise the handicap times in effect at Mission Bay Yacht Club for a number of years.

June 3rd marked the start of the six race Summer Series. A total of 15 boats participated in this Series and the results showed Ty Vaughn, sailing "Fury", finishing in first place, followed by Ken Moore in "Zoom".

With the bang of a cannon (or was it a firecracker?) on July 4th, the Firecracker Series began with 15 Lightnings crossing the starting line. Three hard-sailed races later the winner was determined to be Carl Eichenlaub, Jr., sailing "Billie", followed by Ken Moore sailing "Zoom".

Mission Bay Lightning Fleet was well represented at the California District Championships. Trailering to Cabrillo Beach Yacht Club, the scene of the 1956 District Championships, were Carl Eichenlaub, Jr., Bill Piriie, Dr. Ralph King and Al Coha, who finished, respectively, 1st, 4th, 6th and 7th. As a result of Carl's winning the Districts, he later trailered his boat on the long trip back to Buffalo to compete in the L.C.Y.A. Internationals in September, covering 6000 miles for the round trip. In the Internationals Carl placed 16th, which we consider an excellent showing in view of the handicap and unfair hardship under which he sailed. After the tune-up races on the day before the first race of the championships, the 1956 Chief Measurer told Carl he couldn't race unless he completely changed his turn-buckles, although his boat had been unconditionally approved by the 1955 Chief Measurer when Carl sailed at the Internationals in New Orleans in 1955. Nothing on the boat had been changed between the 1955 and the 1956 Internationals. Now, how can an unchanged boat be approved one year and be declared illegal the next year?

The California District protested this action in an open letter to the President, informinig him that we will not be interested in sending a representative to any future International Championships until we are satisfied that there will be no further discriminations. At this writing we are awaiting a reply.

In conjunction with the Fiesta Del Pacifico, promoted by the City of San Diego, the Mission Bay Yacht Club was asked and agreed to host a small boat sailing regatta. The race course for the Lightnings was set up in the ocean and the start of the three race series saw 11 boats cross the starting line. Light winds and a moderate swell prevailed for the three races. When the results were tallied at the end of the third race Carl Eichenlaub, Jr., sailing "Billie", took first place, followed by Al Coha in "Delta". Bill Nute took third place (this without using a spinnaker) and Den Moore took fourth.

The L.C.Y.A. Regatta had one entry from Mission Bay Light-ning Fleet. Three successive firsts assured Al Coha, sailing "Delta", a first place in the Regatta.

The Harbor Days Race on August 18, a nautical wind-up of the Fiesta Del Pacifico celebration in San Diego, saw positions change rapidly during the course of the race. In the process of docking, a Navy carrier and accompanying tugs became entangled with the Lightnings during the race. After much excite-ment and maneuvering to avoid collisions, all craft continued on their respective courses. First place was captured by Ken Moore,

sailing "Zoom". A large turnout of 14 Lightnings for the Labor Day Series at Mission Bay Yacht Club saw Bill Pirie sailing "Fury" finish in first place, followed by Ken Moore, sailing "Zoom".

The sail-off in September was won by Al Coha, sailing "Delta".

Dr. Ralph King in "Balderdash" was second.

The six race Fall Series started in September and concluded in November, First place was captured by Ken Moore sailing "Zoom" and second place went to Al Coha sailing "Delta"

The Ken Reynard Lightning Series held at Coronado Yacht Club saw Mission Bay represented by four skippers and boats Bill Pirie, who took first place, Ken Moore, Fred Boynton and Tom Kraai.

The Herman Trophy Series, also held at Coronado Yacht Club saw Mission Bay represented by four skippers and boats, senting Mission Bay Lightning Fleet. Fog and very light variable winds kept skippers and crews alert and busy for the three races. This event was won by Carl Eichenlaub, Sr.

The biggest event of the year for the Mission Bay Fleet was the Stanley Andrews Lightning Regatta. Four fleets comprising a total of 18 boats were represented in the three races sailed on Mission Bay. Headed by Jo Diamond, our Fleet Captain's very able first mate, the girls in the fleet planned and served an excellent spaghetti dinner on Saturday evening to "Lightning" members and their families.

The finish of the third race on Sunday showed Car Eichen-laub, Jr. in "Billie" taking first place followed by Ty Vaughn sailing "Fury" in second place.

The 1956 racing calender round up at the annual Thanksgiving Regatta was held at Coronado Yacht Club. Sailing or trailering over from Mission Bay were Al Austin, Al Coha, Norval Dia-mond, Carl Eichenlaub, Sr., Ken Glazebrook, C. A. McKenzie, Ken Moore, Bill Nute, Bill Pirie, and Ty Vaughn. Light winds and calms were responsible for the first race on Saturday lasting until sundown. The skippers, crews, and families enjoyed refreshments (it was pretty cold while being towed in after the sun went down) followed by dinner at the clubhouse. The end of the third race was Ken Moore taking first place and Ty Vaughn taking third place.

The biggest improvement of the year was shown by C. A. McKenzie sailing his home-built "Firefly". Mac's perseverance . Mac's perseverance and practice are paying off; he really had them worried at the Thanksgiving Regatta. Ev Ames and Hugh Smith are two more skippers who will bear watching next year.

1956 saw the number of boats in Fleet 194 increase from 24 to 29 with 33 members in the fleet. This growth is a result of the popularity of the Lightning Class and the excellent weather that San Diego furnished so that year round enjoyment can be had from sailing.

Plans for the year 1957 include two races from Mission Bay Yacht Club to Southwestern Yacht Club against Fleet 161, the California District Championships in San Diego, and a full racing program similar to that in 1956 in which 57 races were sailed in total of 16 series.

Fleet 196-Just out for the ride.

The summer of 1956 was full of flukey winds, close races and many surprises for the members of the Surf City Lightning Fleet. The season started off with the usual Saturday and Sunday series races, and the pace seemed to be set by Otto Hansen, our champion of the past two seasons. Then Otto was forced to retire from racing for the season because of ulcer trouble. At this point, Frank Gray, in White Cap, and John Elfman, in his new boat, Scotch Irish, began the fight for first place, with plenty of competition from Jay Karback, Valkyrie, John Mathieson, Elna, and Ken Swanstrom, Sea Hawk. This nip and tuck struggle went on in both the Saturday and Sunday series, until finally the season ended up with Frank Gray first in the Saturday Series and John Elfman second. Otto Hansen presented the Julius Christian Hansen Memorial Trophy to Frank with a grin, a handshake, and a cheery "I'll get you next year".

In the Sunday Series, the results were reversed with John Elfman getting first place, and Frank Gray taking second. The honors were many for Mr. Elfman this year, and Fred Lorenz was proud to present him with our newest trophy, the Lightning Fleet Achievement Trophy, for his outstanding improvement over last year's sailing record.

We were all glad to see Al Stoneback, who put in an appearance during his leave from the service to show the "old salts" how to sail. One of the events of the season was the Lightning Fleet Dance, sponsored by the Lightning skippers. It was the most

successful dance of the summer, and we all had a wonderful time preparing for it. The weather was very brisk and windy for our Annual Regatta, but the great number of boats that showed up for it, and the small number of casualties made it one of the best we've ever had. We hope all of our visitors enjoyed it as much as we did, and will come back again next summer.

Our annual fleet meeting was held at the stern of the "White Cap" this year. Ed Lavery was elected Fleet Captain, and during the course of our informal meeting, we all agreed that the coming season should be one of the best yet.

Every Saturday and Sunday from early July until the first of September, the members of Fleet 198 battled for positions on beautiful Lake Chautauqua. The 1956 racing season was perhaps the most successful in our eleven year history.

Our fleet champion and the High Point Trophy winner of the yacht club was Dick Karslake. Dick's boat, 6207, was constructed by J. P. Jones. Mr. Jones has, in the last two years built two lightnings at his home in Bradford, Pa.; both boats have been Fleet Champions. Dick's sailing ability and his wonderful boat presented an unbeatable combination.

J. P. Jones, sailing his beautiful home constructed boat, "Tina" captured second place. Jack McCredie in 2923 and Paul Arnold in 6298 placed third and fourth respectively.

The winds varied from extremely light to almost hurricane force in the course of the season. When the Chautauqua Lake Yacht Club visited our end of the Lake for the annual regatta, a storm blew up and a few skippers got dunked. The results of this hectic race were as follows: Dick Karslake first, Paul Magnus second, and Jack McCredie third.

After one of the regular races, some of the skippers joined in a round robin race. Jack McCredie sailing 6298 captured first while J. P. Jones in 6467 and Paul Arnold in 5579 finished second and third. Dick Karslake won the three race Labor Day Series. Robert Clark and Jack McCredie placed second and third. Mr. Walter C. Shaw presented engraved cigarette lighters to the winning skipper and his crew.

Fleet 198's pride, Dick Karslake, trailed to three regattas during the season. He placed second in the Central New York Yacht Racing Regatta, and after breaking his rudder in the Lake Erie Districts, he finished eleventh. We were all thrilled to hear the great news that the winner of the President's Cup Series sailed at the Buffalo Canoe Club was Dick Karslake.

Jack McCredie and the Sample girls have both purchased new Nickels and Holman Lightnings. With new boats and more experience, the members of the Chautaqua Lightning Fleet are awaiting the coming season. Warning to Lightning Boat owners: Watch out for Fleet 198!

During the 1956 season we operated a Lightning Class of seven boats and initiated a Puddle Duck Class of fourteen boats, the latter for the younger sailors so as to develop a greater Lightning Class as we progress.

Regarding awards for racing the following winners are noted: Puddle Duck Class: Lightning Class:

First-Skip Wentworth Second-Bo Wrisley

First for July Series-Pete Kroehler First for August Series-Kathy Wentworth

We expect to have continued interest in sailing at Northport Point next season with an addition of several Lightnings as well as the possibility of a few more Puddle Ducks.

Our fleet has been so limited that we did not make an effort last year to have a local regatta. However, we do hope to reactivate such an event a year or so hence.

Lightning activities at Fleet 205 stepped up its pace in 1956. Seventeen Lightning Championship races were held. By the end of the year practically all boats were sporting new canvas (Orlon), and the difference between boats became so slight that the races were close and exciting.

Two strictly Lightning trophy series were held. The Reicher Memorial Trophy was won by Impromptu; the Standard Magnesium Trophy was also captured by Impromptu.

Three other events were held. The first was the Tune-Up handicap for all boats with the handicap being based on the percentage improvement between races. Two Snipes, skippered by Dave Galey and Gene Hunt, beat out the Lightnings in this

The Labor Day handicap was based on fleet standings as of that date, and was won by Harris Squire, with Flanagan and Lennart in the runner-up spots. The series was sailed in strong winds, and the races were close.

The Zeigler Trophy was a three-race series. At the beginning of the last race Flanagan, Lennart, and Groom were all tied in standings. The final race position and the series standings were Flanagan, Lennart, and Groom. The last event of the season was a novelty event with strictly

Action during Labor Day handicap galey with Jib Problem and Lennart about to break rudder pintle.

liquid trophies awarded. The top half of the skippers in the season's standings traded boats with the bottom half skippers. The results in this event were Groom, Lennart, and Coman-Caudle

The highlight of the racing year was the Kansas-Oklahoma Championships, held the first week in August. The winds were just right; the competition and weather were hot; the lead changed hands at least once in every race. The skippers and crews enjoyed a chicken barbecue on Saturday evening. The final racing standings were: Flanagan, 1st; W. E. Schwartz, Topeka, 2nd; and Lennart, 3rd. Permanent trophies were awarded to the first three places.

Annual reports of a Lightning fleet most naturally include a lot about races. After all, this is one of the reasons why skippers join a fleet. Also we organized quite a few inter-fleet competitions throughout 1956 and we are proud to say, that two of the most important nautical events have been held under our supervision.

First: the "Argentine Chamionship", which was won by Mr. Migone with his famous "Repunte" of fleet 203.

Second: the "Selection Races" in order to establish which skipper and crews will represent the Argentine fleets in the now already famous:

"Third South—And Panamerican Lightning Championship" to be held at Montevideo (Uruguay) during February 1957.

Again the Club Nautico Olivos supervised these competitions and everything was so well organized by this Club, that from the very beginning a success was guaranteed.

But let us talk also in this report about our "Class B" skippers. They certainly did a great job registering their boats in practically all races organized for them. Their skill and rapidly improving quality could often be observed and specially on those occasions, when on the first leg of a race they kept their boats only a few yards behind the leaders of the "Class A". If after turning the first mark they started to drop behind, this was mainly because our regulations do not permit the use of spinnakers in this class. Some very remarkable sailing was made by the following boats:

"Tijuca" (206)—"Vicky" (206)—"Garufa" (203) and some others. Already a few successful "Class B" skippers decided to register their boats for the future in the "Class A".

A new idea is to give a real first class trophy to that boat (not necessary always the same skipper) which runs the largest possible number of races, whatever its final position is in each race. Our intention thereby is, to favour not only those who win, but also those who, despite their continuous losses, show the courage to register again and again for a race. Don't you think that such a losing skipper has as much right to obtain a trophy as one who easily places within the first arriving boats?

All members of our fleet did a great job during this past year and we are proud to say, that our effort helped to kindle the too low burning fire started a few years back by a Lightning.

The fleet sail season for 1956 consisted of a Wednesday series, a Sunday series and the Fleet Championship series. The later of which was based on five official races in the Sunday series.

The winner of the Wednesday series and the combined series was Jon Ruhlman in RULER #6013. The winner of the Sunday series was Lud Lekson in LA BICHE #6014.

The fleet Championship was again won by the Hoegler-Lekson-Lekson team in LA BICHE #6014.

Two new members to the fleet's "Bottoms Up" club were Al Thomson, skipper of GAEL #2885 and Don Berger skipper of Lightning #4212. Welcome to fleet 207 and the LCA.

Regattas participated in by members of fleet 207 during the

"La Biche," 1956 Fleet Champions. L. Lekson, M. Lekson and A. Hoegler.

1956 sail season were as follows: Edgewater, Pymatuning, Lakeside, Buckeye Lake, Port Clinton and St. Petersburg.

After the active part taken in both local and distant regattas by the fleet a review of thirteen official races which composed our combined Wednesday and Sunday series revealed that we still had an unprecedented average of 82% of the available Lightnings participating. This is an enviable record and certainly speaks well of the type of Lightning sailors we have in our group.

Two new members to the fleet's "Bottoms Up" club were Al Thomson and Don Berger both of whom were welcomed by Ken Rehor President Pro tem.

The annual eelction of officers took place at Francis Bruce's home. Jon Ruhlman was elected Fleet Captain and Al Hoegler was re-elected Fleet Secretary-Treasurer. At this meeting the basis for Fleet "By-laws" were drawn up and at a later date were published. Thus a uniform policy of operation has been established for local races and fleet activity in general. Smooth sailing in 1957

Now that the 1956 season is over and boats stored, the sailors of Fleet 212 enjoyed receiving their hard earned trophies at our Club's Annual Barnacle Banquet, which was held November 10, and was well attended. New Fleet officers for 1957 were also elected that same evening.

Our 1956 sailing season started May 20th and we greated two new skippers. Having never sailed or raced before, the Chenot Family learned the technic of handling their boat "Nereid" fast, and joined in several races.

The Curn Family joined our Club in June with a Comet and got the Lightning fever badly. By the end of July they had bought their first Lightning, "Paychee", #5743. Both skippers and their families are looking forward to the coming season, with their Lightnings better tuned and worked over. We all wish them a very successful sailing season.

May 30th, our Commodores Race was held, and it was a long geat down to Atwood Dam and a spinnaker run back to the finish line. First place was won by Tom McCain followed in 2nd place by Karl Rollius.

Our regular Sunday Races, 14 in all, were awarded with pennants going to the boats winning 1st, 2nd and 3rd place. The most pennants were totaled by Karl Rollius 1st; John Rundt, 2nd; and Lou Snyder in 3rd position.

The Club's Championship Races were held over two week-ends with the first two races beginning August 26th and Karl Rollius emerging as winner. Third, fourth, and fifth races took place September 2-3 with John Rundt winning the Champion Trophy, Karl Rollius in second place and Ed McCain winning 3rd place.

September 15-16, our Annual Harvest Moon Regatta was held with a 67 boat attendance, of which were 31 lightnings. In the Lightning Class, Harry Spitz in #5931, from Pymatuning Yacht Club, took the first place trophy home, followed in second by our skippers, John Rundt in #844 "Black Blitz", and Thomas McCain, 3rd, in #5700, Four Winds IV. Everybody enjoyed the "Social Hour" and dinner in the club house. The dance also was well attended and a good time was had by all. We hope to greet all our visiting friends again to our seventh Harvest Moon Regatta, and would welcome any newcomers as well.

The Crew Race, in which one member of the crew acts as a skipper and lets the regular skipper get some experience in sail handling, was held September 23rd and was won by Susan Rollius in "North Star", No. 4444.

The Round Robin Race was our last race of the season and was won by our very able sailor Albert Davis. The second place trophy went to skipper Lou Snyder and Ed McCain received the third place trophy.

Lou Snyder had his name added to the Dunkin Trophy, one very windy Sunday.

All races were run smoothly under the able direction of our Club Fleet Captain, Bill Engle and Lightning Fleet Captain, Lou Snyder.

We are all looking forward to the next sailing season— Happy Sailing for 1957!

The Brigantine Yacht Club Lightning Fleet enjoyed an active summer of weekly point races in which Ed Hance in his Thunderbird, No. 5074, proved again that he is the club's best skipper with the fastest boat by winning the club's championship cup for the second straight year. Ed was beaten only twice during the year in our club's competition, both times by the runner-up, Kenneth B. Walton in John Walton' old Starlight No. 1726.

Start of First Race at B.Y.C. (Brigantine Y.C. Fleet #217) South Jersey Lightning Championship Regatta August 25, 1956. #5409 Marge Adams, the Regatta winner. #5074 Ed Hance. Club Champion.

We hope to have at least two new Lightnings next year. One of the prominent physicians of our community, Dr. R. D. Harley, has already ordered a new Lightning from Beaton in Mantoloking. There are also two or three other possibilities.

In addition to the weekly Lightning races, our club's social functions were all well attended. The bigi event of the year was the Sixth Annual South Jersey Lightning Championship Regatta held in our Brigantine Bay waters on August 25th and 26th, 1956. We had fewer guest skippers than we would have preferred, but we could have hardly had any better competition or higher quality in the skippers. Marge Adams won the championship bowl for the second straight year, closely followed by Dave Shay, Joe Neiner and Roy Knapp. The complete summary is below. The 1957 South Jersey Lightning Championship Regatta will be held on August 17th and 18th, 1957, and all Lightning skippers in New Jersey are invited to make plans now to join us that weekend.

After a couple of years of slack activity the fleet is at present at its best. Interest arose when Dr. Julio Cesar Goldie and Horacio Garcia Pastori obtained the first two places in the Pan-American and South American Championships in Lima, Peru. The 1956-57 racing schedule lists 39 starts for the Lightnings, not counting those to take place during the 3rd Pan and South American Series in February 1957. The fleet will be represented by skippers and their crews that are at present being selected in a 15 boat series of 10 races. Practically all boats racing are kept out of the water and are in excellent racing trim. The Associacion Uruguaya de Lightning was formed last year with the object of re-organizing the class. Much has been done and a lot more will be done in the near future.

With cool weather and rain all summer we had a difficult sailing season. However, the Club's handicap series was finished with Coquette the winner of the Wallace Master Skipper Trophy. W. Hjalmar (Shanks) Carlson and George (Peewee) Hageman alternated as skipper with Don and Jane Argy, Marge Hageman and Zell Ann Perry taking turns as crews.

and Zell Ann Perry taking turns as crews.

Due to the inclement weather only two of the six races for the scratch race Leon H. Sager Lightning Trophy were sailed. As

Oh! To be the champion of Fleet #222.

four races are required to qualify for this trophy it was not awarded.

This year was marked by the increased participation of the junior sailing group in racing. This is particularly encouraging for the future of the Fleet and we anticipate that more juniors will participate next season.

The Fleet again participated in the Niagara River Lightning Regatta at the neighboring Niagara Sailing Club. Unfortunately Coquette met ill fortune resulting in a capsize and a broken spar. However, no other damage was incurred so it was racing again the following week.

Fleet 221 is earnestly hoping for better sailing weather next year.

This was an interesting season for our fleet. Contrary to our experience of the previous 2 or 3 seasons, we had plenty of wind, resulting in some interesting races and hot debates. However, after an auspicious beginning on June 24, we were never able to get in another race, even including the 4th of July, until July 15 due to weather conditions which prevented our getting out of the harbor. Then we had more of the same until August Fifth. From then on though, we had some fine sailing weather, so a season which started very doubtfully wound up as one of our best.

We managed to get in 9 races and competition was keen. Jack Orr, yielding to temptation, and pressure from the Lightning Fleet, sold his old reliable sloop and acquired an excellent Lightning. He missed the first race, sailed to a 5th place in the second race, and then proceeded to give Frank, Primich, Remich and McKinsey a hard time the rest of the season. Wally Frank managed to retain the Cup however, followed closely by Orr. Joe McKinsey, having returned from Round-the-World cruises and such, reconditioned old 161, did some serious (for Joe, that is) sailing, and wound up with a solid third position.

In the final race on Sept. 9, while Wally Frank, Jack Orr and John Primich were deeply involved in tactics and stuff, your secretary and Joe proceeded to finish the race 1-2, thus giving this neophite his first and most pleasant experience of winning. Wally was the butt of much questionable humor and in fact finally wound up dunked in the murky waters of Burns Ditch by certain rebellious opponents.

This situation called for an impromptu dinner, which was held on Saturday, Sept. 15 at the Spa. Enthusiasm was so great, it was decided to have an unofficial post-season race the next day. This was a gusty one and your secretary, who was feeling pretty puffed up at winning the last race, was promptly deflated by capsizing!

Ted and Lil Berglund, our trustworthy Race Committee of so many years standing, retired this season, so Dick Melvin was voted Race Committee Chairman and was ably assisted by Chuck Funkey. We are most appreciative of these folks' efforts, and particularly for Ted and Lil. Chuck has agreed to carry on next year, slide rule and all!

So another fine sailing season has ended and we are looking forward to '57 with great enthusiasm. We are expecting at least one addition to our fleet in the person of Harry Spitz, previously a member of Fleet 36. He will be most welcome and we expect him to be a serious challenger for championship next season.

The lake Bomoseen Sailing Fleet started and ended its 1956 season in a downpour. The Memorial Day Race became a one-laptune-up because of no wind and much rain, and the annual State of Vermont Regatta in September was a wet, two-race series. All other races were held in fine weather with good breezes.

The Fourth of July series was won by Sam Stowell. The prize for this was given by our Race Chairman, John Russell. Second place went to Fleet Captain Dave Stagg, and third to Ed Ellis. The Labor Day series was sailed partially by several young skippers who did extremely well. First went to Dave Stowell, second to Ed Ellis, and third to Andrea Bellerose.

The Fleet Championship was determined by the long summer series, held each Sunday, with the Cox-Sprague scoring system used, and ably deciphered by Hal Carmichael. Hal presented the annual Chamber of Commerce Fleet Championship Trophy to Dave Stagg at the annual dinner. A very close second was Ed Ellis, Sam Stowell was third.

The State of Vermont Regatta was won by Dave Shay of Metedeconk River and Raritan Bay Fleets. Second and third places were won by Dave Stagg and Ed Ellis of local fleet. We were very pleased to have among the entries, Dr. Eugene Carpenter of Oneida, Fred Harris of Spofford Lake, Pete Grainge of

Buffalo, as well as Dick Hubbard and Jeff Fisher of nearby Lake Dunmore. We hope they will all come again.

In July, Dr. Bellerose, Sam Stowell and Dave Stagg dragged their boats to Lake Winnepesaukee for The State of New Hampshire regatta, where they placed 11th, 3rd and 6th respectively. The hospitality at Winnepesaukee is wonderful and all had a most enjoyable time.

Sam Stowell again won The State of Maine Regatta at South Portland. He was the only representative from Bomoseen. This is the second year Sam has won this regatta.

Most of the Fleet took off for the New England District Regatta at lake Spofford, N. H. the end of July, those attending were Fletcher, Hart, Stowell, Bellerose, Keyes, Diaz, Ellis and Hinsman. Ed Ellis finished in 2nd place, only ½ point behind the two boats who tied for first.

Dave Stagg and Dick Hubbard of the Dunmore Fleet went together to the first Invitational Regatta at Skaneateles Lake in August. This was a fine event, with all types of winds, and excellent competition, chiefly from Pete Grainge who took three first, (and who had a sad time at the State of Vermont), Stagg of the local fleet was sixth.

After the local season was over, Don and Evelyn Westebbe purchased #5335 from John Diaz. So great is their enthusiasm that they left in another downpour for the annual regatta at Lake Massabesic, N. H. with Dave Stagg as skipper. They finished in third place.

The fleet was much-travelled this summer, and next year gives promise of even more interest. We will have at least two new boats, which are already a-building. These will belong to Guy Seager and Robinson Keys. Their former boats are now owned by Dr. Ralph Seeley and Terry Fletcher, both of whom have already shown plenty of competition. We are sorry to lose Hoby Smith and John Diaz from our fleet, and hope they may return soon.

At the annual meeting in September, Edward Ellis and his wife, Bonnie, were elected as new Fleet Captain, and Secretary-Treasurer. They will be very capable in promoting a fine season for 1957.

The Chinook fleet had a full racing season from launching day until the Corps of Engineers pulled the plug on our reservoir, highlighted by the hosting of the Oregon, Pacific Northwest District, and first annual West Coast Lightning Championships.

All three events were won by the Barber twins with Dr. Lou Campbell second in the Oregon and Northwest District Championships. Dave Wright of San Diego, Calif. was second in the West Coast event.

The District and West Coast Championships were held consecutively on July 21, 22, 23, and 24 and received a great deal of local attention in the newspaper and in a 15 minute television program. West Coast skippers trailed their boats from as far as Victoria, B. C. and San Diego, Calif. to participate.

The Northwest District was represented at the Internationals for the first time in many years by Manning Barber with Merritt Barber and Jim Gowdy crewing. The boys competed well and gained a lot of knowledge which will be of value to the fleet.

Sailing interest is being renewed this winter by monthly fleet meetings. Before each meeting one member is assigned to lead the discussion of a specific problem in sailing such as rules, tactics, tuning, etc.

The coming season will see at least three new Lightnings competing, giving us a total of 24 active boats. The fleet is considering a mid-week race series in addition to the Sunday season races, also a large number of our skippers are planning to race in the second annual West Coast Championships in San Diego and the Northwest District Championships in Bellingham, Washington.

The 1956 racing season consisted of twelve scheduled races, the seventh annual Frostbite Regatta, and a New Invitational Regatta, The Lake Eric Championship. The scheduled races were run in conjunction with The Grosse Ile Yacht Club Fleet #68.

Two boats left the club since the 1955 season. John Hurley sold 3611 and Dick Ruffe sold 4539 as he was leaving for a new job in San Diego, California, no new boats came into the fleet.

The racing season was marked with rain and violent weather. One race was cancelled because of rain and high wind and two races were finished during squalls. In the first storm, which was also their first race, George and June Davis capsized their new boat "Baby Doll". However they had plenty of company as seven boats of other classes were also ducked. Two weeks later a similar storm came up during the last leg of a six mile race. Dick Westerman turned over within hailing distance of the committee boat and Bob Houston turned over while making for the Lee on an island. However except for the loss of some gear and injured dignity no harm was done.

The fleet was represented at the Michigan District races, The Tawas Bay Regatta, The Detroit Riverama Regatta and the Grosse Ile Yacht Club Regatta.

Although this season was rather disappointing being controlled by the weather more than the wishes of the sailors, we are looking forward to more boats and finer weather for next year.

The 1956 season opened Saturday, June 2nd with enthusiasm and keen rivalry. The winter months had produced some mighty fine-hard-rubbed paint and varnish jobs along with new boats, new sails, and new equipment of all kinds.

Our club scheduled eight Saturday races and nine Sunday races to be sailed during June, July, and August. Every race was sailed with unusually good weather prevailing and ideal water conditions. We are exceptionally fortunate to have the choice of sixty-two courses to select from and raced some of the best ones this season.

The Saturday series was sailed with spinnakers in seven out of

The last leg of the 1956 Frostbite Regatta.

the eight races and was won by Walt Gerstenberger in Angel III with excellent crewing from his wife, "Ginny", and the little "bergers". In second place was Elmer Lloyd's "Dolly", and in third place Burvee Franz in Zig Zag II. Only four points separated the three skippers in eight races. Rivalry?

The Sunday series always seemed to get the skippers and crews doing their best. There were nine races and each was sailed with spinnakers flying. When this series terminated on August 26, the winner by 34 of a point was Burvee Franz, in Zig Zag II with real help from daughter, Betsy as crew. Second place was closely held by Walt Gerstenberger in Angel III and in third a real "Viking", Norman Borgersen, with a great competitive crew in his wife, Lulu and son, Roger.

The Ladies Races this year were a series of three and were held on Saturday mornings. Five lady skippers with their "Powder puff" crews sailed their boats in good airs and water. "Bobby" Evarts again demonstrated her fine skippering abilities and took a first and two seconds which was enough for the "Championship". She was followed by Eunice Pierce (a 210 sailor) and in third place "Bea" Evarts (formerly a lightning sailor and now a 210).

"Dolly" and "Angel" III sailed away from home waters in the Black Rock Yacht Club Regatta held at Bridgeport, Connecticut. We were all very proud when Angel III skippered by Walt Gerstenberger took first place and carried the winners' trophy home to Milford. Walt later went on to the Connecticut districts as club champion but on his return said "Well! You just can't win them all."

The entire fleet enjoyed some wonderful good times together after races and the several outdoor cookouts on our beach were enjoyed by the families. Many a sailing story was told and retold at these pleasant after-the-race relaxing hours. More of these next year.

Our last event in September has always been the Windjammers Sailing Club, "Last Chance Regatta". While two races were sailed, only the Sunday race counted due to a protest over "markers". If Bill Bechtel's face is "red" it wasn't sunburn. It may have come from the reflection of marker "A" or was it "S" or was it?? In spite of the confusion on Saturday, the Sunday race produced a real champion skipper as the winner, Wayne Brockett from Branford, Connecticut in his "Rise n' Shine". Bud Olsen from Housatonic Boat Club was overheard to say, "He had never sailed a longer race, even in a fog". Well! that's what makes sailing and race committee members go berserk.

It's always nice to spend the winter thinking of next year, so, look out skippers as we will have a "hot" boat to race against; new owner Charlie Echeverria #6263.

It is no secret the sailmakers are also busy with new orders. It has been rumored and confirmed that the skipper of #4626 has purchased the sails of a "Champion".

What a season lies ahead for 1957 at Milford, Connecticut!!

All of Fleet 242 took part in the Governor's Cup Regatta held at Kentucky Lake State Park in May 1956. Some sixty sailboats of various classes took part in the regatta. A wonderful week-end was enjoyed by all in attendance. Most of the crews stayed over Saturday night in the Kenlake Hotel. The cocktail party held at 6 o'clock Saturday evening gave everyone an opportunity to meet and talk over the events of that day's races.

In July, Dr. M. M. Mahr and Thomas S. Brizendine sailed thirty miles south on Kentucky Lake to enter the Paris Landing, Tennessee Regatta sponsored by the Nashville newspaper, "The

Tennessean"

In August 1956, the Kentucky Lake Sailing Club again played host with a large regetta—welcoming over fifty entries of various

classes

Our Fleet Captain, R. M. Watkins continues to be the chief source of inspiration and guidance in sailing on Kentucky Lake. He is always glad to welcome and introduce newcomers to the sport of sailing. Because of his patience and understanding, many folks are won over to sailing each summer. His accomplishments received national recognition when he was prominently mentioned this year in a Collier Magazine article on Kentucky Lake.

At a meeting held in October, 1956 it was decided to schedule a series of Lightning class races for the summer of 1957. There will be a race each Sunday afternoon for a total of ten races. The skipper with high points will be declared Fleet Champion and will be presented with an appropriate trophy. It was also voted to have an early season meeting at the Club House in April 1957. There will be a cocktail party followed by dinner at the Kenlake Hotel

dining room.

During the summer of 1956 Lake Dunmore Lightning Fleet 243 still participated in the Lake Dunmore Handicap Races sponsored by the Lake Dunmore Sailing Club in which we now

have approximately 150 members

Every Sunday afternoon during July and August two races were held weather and wind permitting and an average of 15 boats competed in an attempt to accumulate enough points to win the cup. We had 6 Lightnings in the Fleet this past summer and next summer will sport two more and possibly a third if Bob Holden, or Commodore, will make up his mind to sell his "Cat" and join the growing Lightning enthusiasts.

As an aftermath of these Saturday races the younger sailors spurred the Lightning owners to attempt a Lightning race on Sundays following the handicap races. However due to the time element we were only able to race once. Lightning skippers and crew did meet, however, and organized for the purpose of working something out for 1957. Art Gibb was elected Captain and Betty Estabrook Secretary. We hope to be able to arrange weekly Lightning races next summer.

Dick Hubbard ran up a total of 40 points to win the handicap races and Lowrie Gibb, in 3106, gave him plenty of trouble

ending with 39 points to win the runner-up cup.

Harraseeket Lightning Fleet #244 enjoyed a very active and successful summer season. This year was a Douglass-Ega Beva grand slam from the word go. Penny Douglass, one of our Junior sailors skillfully skippered the Ega Beva with her parents as crew to the Fleet Championship. Hank Parker one of our 12 yr.-old juniors, showed he is definitely following in his father's sailing footsteps by sailing the Henshaw's Sandpiper to a second place in the series. The Rhoades family in Skip-It was hot on his transom drawing a close third.

In the Casco Bay Interclub Regatta, held at Orr's—Bailey's Island Sportsmen Club, Harraseeket Lightning Fleet was well represented. The Douglasses and Ega Beva sailed an excellent series, winning second place for the two day event close behind the former owner of their Lightning, Gardner Brown of Taylor Pond in his Encore. Harraseeket turned out in full fleet for the State of Maine Lightning Regatta at Centerboard Y.C., So. Portland. The ever present Douglass threat finished high in the top ten.

We are particularly proud of our Junior Lightning Sailors this year. A Sear's Cup crew skippered by Jack Burwell with Caroline Rhoades and Penny Douglass as crew and Stephanie Powers, alternate, fought their way through the So. Maine Eliminations and placed fifth in the Maine State Finals, sailed in Boothbay One—designs, at Boothbay Harbor, where they also won the Seamanship Prize. Penny and Caroline again teamed to crew for Linda Rhoades in the Adams Cup Eliminations. The girls did admirably, finishing second in the State Finals. Penny completed her grand slam season by winning both the Jr. Regatta

and the Skipper's Race, a round robin series for junior and senior yacht club members.

Our Mallory Cup crew again all Lightning sailors, made up of Harry Parker, skipper, "Grubby" Douglass and Gardner Brown won the Maine State Finals and sailed well in the New England eliminations. Great sailing!

In addition to our regular series races, Fleet #244 held its annual Moonlight Race. Again it lived up to its notorious repetition for lack of breeze and low temperatures, and was won by Hank Parker.

Our newest member, Freeman Deraps, says that his self-built Thisisit, #5937, will be ready for launching by June. Welcome to the fleet!

Fleet #244 had a great deal of fun and excitement during the active season. Congratulations to the winners, and to the rest of us, let's really get after that forward rake next year,

Having concluded a tremendously successful 1956 Sailing Season of regular racing, cruises, interfleet competition, miscellaneous activities, and the most thrilling and successful Regatta yet, we, of WYC Fleet #246, are now getting our schedule for 1957 under way.

Our Program for the season now at hand commences Memorial Day with Commissioning activity, a series of tune-up races and Club Dance Party at night. The summer racing series gets started June 30th and runs each Sunday through August 4th. Our fall series begins Sunday, August 11th, and will continue until September 1st, its conclusion. Interspersed in the summer and fall W.Y.C. series are mixed Skipper-Crew races on July 4th, followed on Saturday and Sunday, July 13th and 14th, with our Third Annual Winnipesaukee Lightning Championship Regatta which we anticipate will be as spectacular and successful as it was in 1956.

The following Saturday, July 20th, lists a 20-mile Night Distance Race to Wolfeboro, followed by some inter-fleet competition the next day, Sunday, July 21st, with our Neighboring Fleet 273. Come July 27th and 28th, many of us expect to trail to Portland Yacht Club to compete in the N. E. District Championship Regatta which is to be held that weekend.

On Saturday, August 18th, another "Distance Moonlight Cruise" to Melvin Village is planned and then for Labor Day, among the activities planned for, is a "First Mates Race" when the gals will vie for top skipper honors. Come Sunday, September 15th, we hope to renew competition again with our other neighboring Fleet 145 in another Interfleet Series, and finally we will conclude our 1957 activities on Sunday, September 29th, in Manchester with some of us competing in the Eleventh Annual Massabesic Regatta.

Reviewing the 1956 Season when the competition was the keenest yet, Bill Loughlin, who was last year's Fleet Champion, swapped places with Art Dwyer who regained the Fleet Championship Crown. Dwyer's win this year also netted him an additional honor, the Shirley Mitchell Trophy, which Mr. Mitchell donated and awarded for the first time. Dwyer, by virtue of the 76½ points he accumulated, also copped both the summer and fall series, with Loughlin as runner-up with 52½ points, Larry Guild in 3rd

Salty Champ, 1956 State of N. H. Lightning Regatta, Lake Winnipesaukee, N. H.

spot with 51, Ken Taylor, 4th, with 461/4, and Clint Roper in

5th position with 4114 for the season. Fleet #246 Second Annual Lightning Regatta, held the week-end of July 14th and 15th, proved to be the most spectacular and well attended Regatta that Winnipesaukee has ever witnessed with 29 boats competing in ideal and somewhat rugged weather conditions. The Regatta proved to be not only a racing contest but a challenge and test of men, boats, and equipment. This was borne out by the score sheat, attesting to those who showed up as not finishing. It was a Regatta of the usual tough breaks, human errors, plus an unusual number of breakdowns. For example; in the second race Fleet 246 Skipper Larry Guild's rudder broke, Lou Pocharski of Marblehead Fleet 189 pulled his forestay, yours truly of Fleet 246 had his main halyard let go two minutes before the start, Bill Loughlin also of Fleet 246 lost his mast when it snapped during the race. In the first race, Dr. Versaci, who trailed his boat all the way form Schenectady, New York, to participate, snapped his rudder on rounding the first mark, and Ben Hudson of Massabesic Fleet 273 blew out his main jib. Another Massabesic Skipper, Reg Babin, snapped a turnbuckle so couldn't finish either, and John Pothier out Marblehead finished and won the first race with a snapped forestay. Despite these things which were typical of Regattas such as this, and through the individual skills of the skippers and crews in many cases, and the sacrifices and assistance of W. Y. C. members—like Bill Loughlin, who missed the Regatta Dance and worked all night to build a new rudder for one member, and through the sacrifice of another visiting club member who loaned his rudder to Dr. Versaci, all 29 boats were able to "hit the line" for all of the races, with no one being left out. It was these sacrifices and many others by the membership and others, which made this Regatta the success that it was. It was through the willingness and generosity of the power boat owners in the Club and others who sacrificed their time and pleasure to tow visitors from and to the launching points, in addition to their setting the marks and making their crafts available to spectators, the press and photographers, that also made the Regatta the success that it was. The ultimate winner of our 1956 Regatta proved to be Henry Ashley of Fleet 189 who got a 2nd, 3rd, and a 4th to net top points totaling 79; Ashley edged out 2nd place winner, Len Pratt of Fleet 145 who had 771/4 points, and 3rd place winner, Sam Stowell of Fleet 227 who had 76, by the narrow margin of 21/4 points. 4th spot went to Gardner Brown of Fleet 101 with 751/4 points, 5th to Art Ries of Fleet 189 with 68 points. 6th to Daye Stagg of Fleet 227 with 67 points, and 7th to 1955 Winnipesaukee Champ Fred Harris of Fleet 145 who had a 64 point total.

The social side of the Regatta provided a well attended cocktail party and dance for all participants, plus a luncheon at the Regatta conclusion. All in all, the Second Annual Winnipesaukee Regatta was a "Lightning Success"!

As to the other activities held during the 1956 season by Fleet 246; One event was a mixed skipper and crew series of races started in 1954 and continued by popular demand this year. This series proved highly successful with The Best Crew Award being won by one of our newest Lightning Skippers, Pete Wells, and

The Best Skipper, Bill Loughlin. Our other notable event of the season was a 20 mile Cruise to Wolfeboro on August 18th. Five boats participated and we were joined en route by the W. Y. C. Power Squadron. Although this event was not a race, Co-Captain Bill Loughlin thought it was, and while the rest of us were lazily cruising along, Bill and his crew huffed and puffed, struggled and strained, and received their reward by being the first to land at Wolfeboro! The cruise proved relaxing and fun, and was followed by a group supper at Wolfeboro, with the return sail by rwilight.

Our final activity of the 1956 season occured Saturday, September 11th, when three crews from Spofford Fleet 145 invaded W. Y. C.'s campus for a return engagement of last year's Interfleet match at Spofford which Fleet 246 won in the 1955 encounter. In the two races run, the Spofford teams consisting of Harris, Holbrook, and Roehrig as skippers, and their crews, competed against W. Y. C. skippers Loughlin, Roper, and Taylor, and their crews. The first race proved more or less of a drifter, while the second was somewhat faster. The ultimate victor was Fred Harris 1st, with George Holbrook 2nd, and Loughlin 3rd. In the second race Ken Taylor took 1st honors, with Fred Harris a close 2nd. As a result, Spofford was this year's victor 22-20. Following the completion all enjoyed a Buffet Lunch together and the Victors were presented their awards, which concluded our 1956 Season at W. Y. C.

In conclusion, the 1956 Season has been our most successful, ever. Unfortunately and regrettably our membership has been reduced by four boats with the resignation of Dr. Phil Poole, Chet Larson, Dr. Deneault, and Dr. Flagg, all of whom have been a wonderful part of our Fleet. We shall miss their competition and enthusiasm. In this we are especially indebted to Capt. Larson and all his direction for the past three years. In their places, however, Fleet 246 welcomes four new members, namely: The Dudley Hare Family, with their "Do it," #1143, Pete Wells with his "Repeat," #1947, Doug Allen, and his Mistress #3279, and Whit Ide with his newly self-built and beautiful (we hear) Black Hawk #6266. Consequently we are anticipating the hottest competition ever with our largest fleet to date and our newest members' presence.

Hans Luthy and crew in "Quand-Meme", Fleet #250.

After two very active seasons in the year 1954 and 1955 the fleet activity was smaller during the past season.

A four Sunday series was run during the summer for determination of the Fleet Champion. With three first and a last place Quand-meme won the Championship followed by Chraby and Sidian II.

The most important and joyous events on our little lake during the summer have been the "Sempachersee-Regatten", a competition of five races in three days. Our fleet had been very happy that two boats of the new founded fleet of the Lake of Lucerne could be trailed on our lake. So we raced with Walter Wenger, Kurt Kaslin and their crews—very strong competition,—a lot of fun and nice evenings. Winner of the "Red Fock Trophy" was Quand-meme, followed by Chraby, Kon-Tiki (Lucerne), Tardo, Sidian, Pilax.

In June Quand-meme and his crew were guests of the Fleet of Lucerne during the "Luzerner Segelwoche" and raced five nice holidays on this lake between mountains in the middle of Switzerland. In August the same boat was sent to the European LCA Championship at La Neueville on the lake of Bienne, and got there a good 16th position of 31 starting boats.

We would like to have all our friends visit us again for the next "Regatten vom Sempachersee" and would welcome any newcomers as well. Happy sailing for 1957.

Doland |

The 1956 season gave us the best racing in several years. Races were hard-fought with top boats being pressed in most races. Owners bought new sails and other equipment and worked to get boats in good racing shape.

Broske and Yerger took their boats to Middle River, Maryland to race against the Sue Island Lightning Fleet where "Barney Mead & Company" gave us a good licking but made it real pleasant!

The Fall portion of our racing was characterized by heavy winds causing some of the most exciting racing held here in recent years. Broken masts, rudders and torn sails were the price of the sport.

Prospects for the 1957 season should be good, with many boats getting new sails and other equipment. Ours is a friendly group and we help each other with gadgets and with ideas. We welcome new sailing members and prospective members at the Susquehanna Yacht Club on Lake Clark at Wrightsville, Pennsylvania.

Burt has two racing series each summer with 6 races in each, July and August. The 1st race in July was the 11th and first in August was the 1st, alternating starting buoys every Wednesday and Saturday between Sagers and Columbus Beach.

The 1st meeting was July fifth and the 1st race was the 11th. Burt invited Crooked Lake over for a Regatta held August 11th and 12th, with races, pennants, parties, fun and 16 boats.

The closing banquet was held August 20th and this ended a fine season of good sportsmanship and an exhibition of fine sailing.

This year the Lew Wallace Memorial Trophy went to Jay Wright. This is given for good sportsmenship and the best improvement throughout the summer.

Fleet No. 255 is gradually doffing its swaddling clothes and going in for more adult attire. From very humble beginnings it has grown both in number of boats and in competitive spirit, a total of nine boats being at the starting line almost every Saturday of the 1956 season, and the skipper and crew members of eight of these dedicating Sundays and week-day evenings to plotting and planning how to beat the "Redhead"—come Saturday.

Two boats which were quite active in the 1955 races failed to take part in any of the 1956 events. The "Avenger" had not fully recovered from its brush with Hurricane Connie, and its skipper, Jim Snowden, was forced to be content with an occasional bit of crewing on one of the other boats in the fleet. Jim Safford, former fleet champion, very unselfishly devoted his time to acting as Race Committee and to planning, arranging and rearranging the race schedules, and, as a result, his "Pepper" gathered barnacles instead of pewter jugs. Both these boats are returning to active status in the fleet, however, and, with a newcomer to the fleet, "Joa-Ken", owned by Henry Kreider, will bring the fleet roster to twelve boats.

There was a great deal of interest in racing against the more

experienced skippers on long-established fleets, and several of the DBC boats entered the Norwalk, Conn. and the Noroton, Conn. Fleet invitation races. These races provided a welcome opportunity to watch the experts of the host fleets display their skill in the unusually heavy weather which prevailed at all of these races. No trophies were brought back to the club, but everyone agreed that it was a worth-while experience that would bear repeating.

The "Redhead", skippered by Gard Lane, with wife Kaddie and son David handling the sheets most expertly, led the fleet in a majority of races as well as in the final standings of the 1956 series. Following closely in the wake of the "Redhead" was Luin Fitch's "Zophyr", ably crewed by his mate, Jessie, and their son, Luin, Jr., with daughter, Sugar, sometimes taking over in mother's place. Not far behind the "Zephyr" in the final standings was Gardner Lane's last year's discard, the former "Galatea", another victim of Hurricane Connie. With a lot of hard work, a plentiful supply of new hardware, and a large part of the stock of the local lumberyard, Bill Brown a recent addition to the club, converted the battered shell of No. 2136 into a boat that, toward the end of the season, gave the "Redhead" some very unpleasant moments. Bill, incidentally, is the only skipper in the fleet who does not blame his lost races on his crew. He isn't married.

New synthetic sails have been ordered by for a large percentage of the boats on the fleet, and every skipper has planned to spend a large part of the cold winter nights devising some foolproof method of becoming the 1957 Fleet Champion.

The Clark Hill Lightning Fleet is composed of the Lightnings in the Augusta Sailing Club, and its membership is actually the majority of the members of the club. This is purely statistical, since fortunately we have not needed a voting majority.

During the summer intra-club races were put on every fortnight and the sailing standard of the Club was raised considerably, since all but one or two of our members are sailing novices.

all but one or two of our members are sailing novices.

On September 15-16 Fleet 127, from the Savannah Yacht and Country Club, and with a few boats of other classes, came up to participate in the first Minis Cup Regatta, so called because the Minis Company of Savannah, investment brokers, put up a very handsome engraved Silver Cup on a perpetual challenge basis.

Fleet 127 was well repaid for the trip, since its members took the first three places handily, as follows: First, Ross Allen, Honorary Commodore and former National President of LCA, in Wild Goose, No. 4671; second, Johnny McIntosh in Calaway IV, No. 5098; third, J. H. Baker in Geechee Gal, No. 3998. We would be very happy to have any sailboat owner who is

We would be very happy to have any sailboat owner who is trailering through to put in at our dock and sail on Clark Hill Reservoir, and our clubhouse facilities will also be at his disposal.

The 1956 sailing season was again a memorable year for Fleet #258 thanks to the efforts of all its members. The Fleet increased in both size and sailing experience and by next season we hope to have an even larger and more experienced group. Although the sailing season got a late start due to cold

weather, the opening ceremonies saw the launching on O. White's and J. Norwalk's and A. Dannel's new boats which had been under construction the previous winter. By mid-June all boats were tuned-up and the racing began in earnest.

The outstanding event of the year was Fleet #258 First Annual Invitational Regatta, held June 23-24, which saw 23 boats entered by several Lake Erie District Fleets. Although the race on June 24th was held during a heavy fog, neither the sailing nor the merriment were damped and everyone enjoyed the Regatta. Tom Allen of Fleet #12 won first place but we hope to improve our own standing at next year's regatta. We want to thank all the skippers and Fleets who participated and we hope to see you all again next year.

Bill Agnew and Don Heine won most of Fleet #258 sailing trophies, failing only to win their own, the Wm. C. Agnew Trophy. Our hats are off to a very fine season of sailing by our Fleet Champions; we plan to offer more competition in the future.

Although we failed to get into the winners' column, the Fleet had a good turn-out for the Lake Erie District races at Hamilton, Ont. and the President's Trophy races at the International Championship Races at Abino Bay, Ont. We had a terrific time.

The sailing season ended with the always popular and wellattended Awards Dinner during which the awards and trophies were presented to not only the Lightning skippers but also to the "Power Boaters" and "Fishermen" who willingly gave their assistance whenever needed during the season.

Next season we are planning to add three sailing prams to the Fleet to be used by our beginning Junior Sailing Fleet. Classes have already begun and with a turn-out of fifteen youngsters, everyone is looking forward to the 1957 sailing season with great expectations.

The final results of this year's sailing activities are as follows: June Tuneup Series

In another year of nip and tuck, see-sawing competition, Al Winslow emerged as Club Champion beating last year's winners, Rodemich-Durham by a split hair in points. Dark horse, Doctor Hordell, was in there winning so many races toward the end that, given a few more weeks, he might have been a serious contender for the championship-instead of landing in Third Place.

For having won three championships, Al Winslow was awarded the Commodore Elfenbein Trophy.

Rodemich-Durham captured the special Fourth of July Series,

thus balancing out the distribution of prizes.

For having shown greatest progress, Dr. Hordell was presented with the Commodore Swarcz Memorial Trophy in winning the Labor Day Series and Third Place for the season.

This year, with six of the boats fitted out with identical Ulmer Dacron Sails, much of the disadvantage of sailing with a variety of sails of different materials and makes was eliminated. Undoubtedly, the newer sails were much more effective-but, the ultimate problem of having identical hulls still remains before this can be ideal "one-design" racing.

Starting without a Committee Boat still causes confusion. The winner of the previous race is given the handicap of calling time and starting with the pack. This will be solved in 1957 by the gracious offer of power boat owners to assist every Saturday and Sunday morning during the season which starts on Decoration. Day.

Al Winslow and Rodemich-Durham represented us in the Districts conducted by the Larchmont Yacht Club and four other members entered the Senior Series of the same event.

Toward the end of the season, Stan Durham and Ray Rodemich purchased Lightning #5144, built by Lars Olsen, which they expect to race next year.

The long awaited impoundment of Old Hickory Lake will be completed with a final six foot rise on January 1, 1957. While the last six feet will provide much needed room for center boards we have already been impressed by the cool, clear water and above all the proximity to Nashville.

By Spring, our Fleet will have jumped from five to at least nine with the welcome addition of Charles and Dave Fogg from Buffalo Canoe Club, the purchase of Tom Brizendine's #4125 by Wilbur Sensing, Jr. and the ordering of new boats by Ross Bryan and Carlos Brewer, M.D.

Members of our Fleet participated in all of the Kentucky Lake Regattas last year and one crew trailed to Chicago for the Midwest District. A full slate of local races and at least two invitational regattas will be planned for this year.

The 1956 season for Fleet #263 was successful but somewhat marred with much more than the average amount of rain and stormy weather. We enlarged our sailing program with two series, consisting of twelve Sunday races and ten Wednesday evening races. Earl Zuber and his brother Dick finished again as Fleet Champion and Runner-Up respectively. Bob Mathews also repeated last year's performance to become the winner of the Wednesday evening series. Trophies were awarded these skippers and, all of the crew members were presented with bronze medals as a memento of the 1956 season.

Frank A. Dieringer

A five bay slip dock was constructed for some of the Lightnings, which relieved congestion of mooring in the anchorage cove for Berlin Yacht Club.

Our new lightning skipper John Derby acquired a new suit of Dacrons for his #591 "Dodo", toward the end of the season and improved his sailing to give warning to real competition next

Frank Dieringer had the unhappy experience of fracturing a foot at the very beginning of the season while running from shore to the clubhouse to escape the rain and thereby ruining most of his fun for the season.

We regretted the absence of Tom Higgins for business and moving kept him out of competition most of the season. Our Fleet's first invitational regatta will be held in June here at

Berlin Lake and arrangements for it are now being made, Fleet #263 really was on the road this year and we met our friends at many regattas including the O.I.Y.C.A. at Mohican Sailing Club, Pymatuning 4th of July regatta, Harvest Moon at Atwood, Snowball at Buckeye, Snow Flurries at Port Clinton and

Red Flannel at Chicago. We wish to extend our most sincere appreciation of all this hospitality though thanks can never do justice to the marvelous week-ends and fine sailing enjoyed as your guests.

The traveling Zuber brothers also were spectators at the Internationals two days and visited Buffalo though unable to take the week off for sailing. Then they alternated with Dick sailing in the Red Flannel Regatta of Chicago Corinthian and Earl sailing the following weekend in the Snow Flurries at Port Clinton. Both regattas lived up to their names for wild and windy seas and the boys had to like it rough.

Our Fleet Champion Earl Zuber completed a very successful 1956 season as Commodore of Berlin Yacht Club.

Our official fleet activities for 1956 season started on November 1, 1955 and ended on July 30, 1956 making a total of sixty-four races. As last year, Carlos Navarro Jr. was the first on the winner list for the regattas and Jose' Barreda Moller was the second.

On March, 1956 we held in our waters the Second Pan Ameri-

can and South American Championships. Were representing: Argentina, Bolivia, Canada, Colombia, Ecuador, Peru, United States and Uruguay. The Championships began with one Tune-Up race which was sailed on March 24, being the first five of twenty entries as follows: First Carlos Navarro Jr. from Peru, second Julio C. Goldie from Uruguay, third Pablo Rosello from Peru, fourth Nicolas Pecharich from Ecuador, and fifth Enrique Plaza from Ecuador. After the five races for each championship one race from Callao to Chorrillos, about 15 miles, closed the International season, the first five places were: Carlos Navarro Jr. from Peru, Rafael Obregon from Colombia, Gustavo Barreda Moller from Peru, Humberto Plaza from Ecuador, and Jose' Barreda Moller from Peru. Five races were sailed in the Pan American Championship being the top five, among twenty-two entries: Julio C. Goldie from Uruguay 101 points, Horacio Garcia Pastori from Uruguay and Carlos Navarro Jr. from Peru tied with 92 points each one, Enrique Plaza from Ecuador 89 points, Juan B. Baader from Argentina 86 points. Also five races were sailed in the South American Championship being the top five, among twenty entries: Julio C. Goldie from Uruguay 92 points, Horacio Garcia Pastori from Uruguay 84 points, Carlos Navarro Jr. from Peru 80 points, Enrique Plaza from Ecuador 76 points Pablo Rosello from Peru 69 points. In the Pan American five races, Goldie picked up three firsts, Navarro picked up one first and Plaza picked up one also. In the South American five races, Goldie picked up two firsts, Garcia Pastori, Navarro and Plaza picked up one first each. Getting both Championships titles Julio C. Goldie from Uruguay showed once again to be an expert and excellent skipper and, of course, very hard to defeat for the time to come. Horacio Garcia Pastori the other Uruguay representative also showed to be a very able skipper.

On May, 1956 five races were sailed for the Peruvian Lightning Championship being the winner Carlos Navarro Jr. in his boat No. 5402 who retained the title for the second consecutive year, second was Gustavo Barreda Moller. The other places were respectively as follows: Jose' Barreda Moller, Pedro de Paz, Bram Takefman, Pablo Rosello, John Russell, Hector Morales, Federico Garcia, Jeffrey Balshow, Juan Navarro Grau, Franco Carbone, Alberto Canepa and Manuel Gutierrez.

We are very glad to know that our calendar for 1957 season will consist of about fifty races. Our fleet will be represented

at the Third Pan American and South American Championships to be held at Montevideo, Uruguay, next February and will be a big Pleasure for us to meet there our South and North American skippers and crews friends. In other words, it looks like a very nice sailing year is coming.

Fleet #266 is now 2 years old and if the first two years are any indication, the future is indeed a bright one.

The season started with a Spring Regatta held Memorial Day. This was a three race series and was very hotly contested. The winner, after the smoke had cleared, was Rolf Hartmann & Bert Sawley with Carl Stoehr coming in a close second.

The season consisted of ten races which were sailed, two races, every other weekend. Races are run at 10:30 A.M. and 1:30 P.M. Sunday. This season marked the first attempts at flying spinnakers, and there were many mistakes, made along with a few dunkings. One skipper found he had a color-blind crew as they consistently hoisted the red, white and green Roller Spinnaker with red to starboard, shame, shame.

board, shame, shame.

Rolf Hartmann and Bert Sawley came in first and George Eschenhager came up thru the pack to take second place in a display of fine seamanship. This guy Eschenhagen is getting hot and will give us all fits next year.

We tried something new this year which may be of interest to other fleets. We ran a special series of three races, which were skippered by crews only. In other words, the skipper was honor bound to "keep his cottonpickin mouth shut" and let the crew sail the boat. Needless to say, this was a controversial series. Who ever heard of a skipper keeping his mouth shut? Anyway, it was something different and we all had a good time. It was a small tribute to these hearty souls, our crews.

Fleet #266 entered six boats in the Labor Day Regatta at

A Crazy Mixed Up Start, Fleet #266.

Island Bay Yacht Club, Springfield, Ill. Our thanks to the Springfield boys for a job well done and an enjoyable holiday. We were all keyed up for this series and anticipating a good showing. However, as is often the case, we fell flat on our, you know what, and failed to place a boat above eighth position. with the fleet in the center of the pack. Just wait till next year. Seems I've heard that before.

We ended the racing with a three race Fall Regatta late in September. The second race of this series was so closely contested that Lee II crossed the finish line one foot ahead of Menace. Phew, yours truly really sweated that one out. The series was won by the Cecils with Rolf Hartmann and Bert Sawley placing second. Seems Hartmann and Sawley have been mentioned before.

The season was concluded with a Fall Banquet late in October. Trophies were presented, the incoming officers were introduced and a gay time was had by all. If water was as plentiful as the firewater was, all lakes would be brim full. Naturally we are all members of that famous organization, "AA".

We hope that every fleet has enjoyed this past season as much as Fleet #266 has. It is certainly a great sport and the Light-ning is best of all. We would be most happy to welcome any skippers who might be in our area. If you are landlocked, or just passing through, we will be glad to find you a berth. If you can bring your boat we place ourselves at your service. We have a beautiful lake with lots of wind and an abundance of enthusiasm. We will be looking forward to your visit.

Although we didn't add any hardware to our trophy case this season, Glenn Poyzer who was Commodore of the Central New York Lightning District, did represent our fleet at the district elim-inations held at Sodus. Excellent instruction was available there from Skinner Reynolds of Skaneateles, Dr. McIntosh of Newport, Charlie Halligan of Sodus, and many others.

Far sighted administration in BYC has finally made a dream become a reality so that by next Spring there will be a pier out into the lake on the west side of Sandy Creek which should provide excellent protection and anchorage for a large fleet in the years to come.

Carm Hendrickson has been elected Commodore of BYC for 1957. To properly launch the '57 season we hope to hold the Lake Shore squadron Regatta early in July-our first effort in this

For those who decide to try Lake Ontario sailing, we extend an open invitation to use our harbor and facilities at any time during the coming season.

During winter following lightnings left our Fleet: Marina, Jovial Tiburon & Canard Dore, but were luckily replaced by Risea, Kuk & Santa-Maria. In December 1955, P. Moeckli also sold his lightning in order to buy a Belouga (family boat with cabin). Thus Charles Nicolet took over his charge as fleet captain, the other members being confirmed in their functions. All the devoted members of Border of Tribord joined and helped to organize our great event: The European Championship at La Neuveville. Since January 1956, you could see all the busy guys of the fleet, wearing documents, plans, drawings, proposals instead of the usual sailing bags!

Meteorologically speaking the season 1956 was very bad: too much rain all the summer through. This fact explains why many lightnings were only launched in June!

20th May: Interclub race organized by the YCB at Engelberg. The awful rainy weather of the day before the race prevented a numerous participation. Only 2 lightnings represented our fleet: Santa-Maria, winner and Yseult.

10th June: YCB race at Bienne, nice winds and fine weather. Tonnerre de Brest Wins.

1st July: YCB race at Le Neuveville, Victory of Santa-Maria in both races.

8-11th August: Swiss District championship at La Neuveville, combined with the European and Fleet championship! Swiss District champ: Tonnerre de Brest! Fleet Champ also Tonnerre de Brest!

2nd. As de Carriau, 3rd Santa-Maria, 4th Zephir, 5th La Rafale 6th Marie-Galante, 7th Tonga-Tabou, 8th La Danae, 9th Yseult, 10th Risea, and 11th Kuk.

12th Aug.: YCB race at Neuveville. Nice westerly wind, fine weather, 13 lightnings participated, even Italians! Kuk is the first to cross the arrival line, all the others flocking together.

2nd Sept.: Long distance race (25 miles) by rainy and sometimes stormish weather. Winner Santa Maria, nearly ex-aequo: Yseult and Kuk.

23rd Sept.: Last YCB race at Engelberg, very slight winds. Winner: Tonnerre de Brest, confirming his fleet champ title.

Several of our boats went to other races on Lake of Neuchatel and Morat. At Morat, Santa-Maria got a wonderful 1st place, whereas La Rafale and As de Carreau made brilliant performance at the Sailing Week, at Auvernier, where "As de Carreau" won.

The bad weather and the organization of the European Championship prevented many lightning owners to take part in more

Let us hope that 1957 will be more favorable, for we want to go to the Mediterranean, for the next European Championship!

Fleet 269 completed its second season as enthusiastically and successfully as its first. Although we lost one boat to another fleet we acquired one also so that we have not lost any ground. Furthermore, there were very few races during the season when all ten boats were not out. This kind of spirit is already resulting in the class becoming more popular at our club and increasing in size.

A regular summer series of ten races was held with special races on July 4 and Labor Day. Unfortunately, our fleet has still not been represented in any Sectional Lightning competition. Next year, we hope, will see us participating.

In the "Ladies' Race" young Bonnie Loeser left behind a lot of older and more seasoned fair skippers to become the new Lady champion of Sachem's Head.

The outstanding feature race of the season, the "Ragamuffin' Race, was won by Gunny Wilcox, which makes him the real undisputed "Champ" of the fleet, any listing above to the contrary notwithstanding. In this race all skippers draw for boats and crews and cannot sail their own bat or with any member of their regular crew. True skipper's talents are therefore paramount. The beautiful perpetual trophy for this race which must be bottomedup after the race by the winner was generously given by Demi McAleenan wife of our former Commodore and one of the founders of our fleet.

The season was fittingly closed with a team race against a neighboring Yacht Club where "Rhoades 18s" are sailed. You Lightning sailors will be glad to hear that we really smothered the competition. This was the more surprising because the wind was fresh and the heavier boats were expected to do better. In the future we expect to do more team racing with neighboring clubs which we hope will promote the Lightning cause as well as be a lot of fun.

Roma Fleet #271 was organized in January, 1956 with Light-ning boat owners, members of the Club Tevere Remo at Rome.

In less than a year, Roma Fleet has redoubled the number of boats and this means quite a nice increase with great spirit among her members. From the initial three boats, she now has six and the last two, built by Cantieri Puleo, Palermo, are super light boats in accordance with the approved weight.

The first great event for the fleet was the organization of the Italian Championship which was a big success and was held at Anzio June 19th to 24th, 1956. The best Italian boats were there. The fleet Championship was won by Salvatore Molinari with TRINACRIA #5691, crewmen Paolo Savini and Emilio Cristo-

ICABOBA #6435, skippered by Adolfo Tiraboschi, entered the European Championship held in Switzerland and they placed 11th out of 34 boats.

A cruising regatta, organized from Roma Fleet, Anzio, Torre

Astura, Anzio was also won by ICABOBA.

During 1956, Roma fleet won most important trophies too:
"Sciolari Trophy" with boat TRINACRIA skippered by Riccardo Lais; "Easter Cup" which was won by BOREA #4289 skippered by Cesare de Rossi. The fleet got many good places in other races.

For next year she hopes to enter the Italian District Championship and will organize the Fleet Championship and a cruising

During the fleet meeting, Cesare de Rossi was elected Fleet Captain and Riccardo Lais, Fleet Secretary.

1927 may be given as the year that saw the first sail races on the Guayas river, in what were then called yachts with each owner giving full vent to his ingenuity in the creation of rigs and hulls that Rube Goldberg would have found difficult to match but time brought experience and experience brought the refinement of these yachts, though there were seldom two of the same design and similarly equipped since the economical possibilities of each owner had a good deal to do with the selection of equipment and canvas, with the richer fellow having a better chance to win the races. This state of affairs created quite a problem for the handicap and racing committees when trying to establish a just handicap, and led to the consideration of a one class design by the Guayaquil Yacht Club.

Several designs were studied and it was concluded that the Lightning class design was the one that incorporated most of the features desired.

An order for 20 complete units was placed with F. A. Baay of Holland and the first units were received during the latter part of 1954.

Once they were tried out they proved to be an ideal yacht of racing and pleasure sailing on the Grayas River, approximately 60 miles from the Pacific.

Fleet No. 272 was formed with these yachts and interest in the activities of the fleet may lead to similar yachts being built locally.

The season of races during the present year was quite an active one and the fleet was favored with winds ranging from light breezes to strong and gusty blows.

The local championship was sustained over a series of twelve races held on the Guayas River over a triangular course laid in front of Guayaquil.

Emilio Estrada, who is the Fleet Captain, took the lead during the first races assisted greatly by the first set of Larsen dacron sails but when the rest of the fleet was similarly equipped his lead was disputed by 17 year old Humberto Plaza who won several of the races but not enough to overtake Emilio Estrada's lead in points, that secured the championship for him. Humberto Plaza and Enrique Plaza took second and third place.

As a result of and invitation made by the Guayaquil Yacht Club we had as guests during the second week of October two Lightning crews from Peru; Carlos Navarro of Fleet No. 265 and Gustavo Barreda M., of Fleet No. 261; and two crews from

Colombia; L. C. Rodriquez and L. A. Londono of Fleet No. 73, who competed against representatives of the Guayaquil Yacht Club Fleet No. 272 in a series of five races, two of which were held on the Salado River, which is a salt water estuary, and the remaining three races on the Grayas River course.

These international races created a great stir among the inhabitants of Guayaquil as it was the first time that an event of this kind has been held. During the course of the races the entire riverfront was lined with thousands of cheering spectators whose highly voiced encouragement for the local fleet was rewarded with these results:

Emilio Estrada and Enrique Plaza for Ecuador 1st and 2nd, Carlos Navarro (Peru) and Humberto Plaza (Ecuador) tied in third place.

The fact that the contest was enjoyed so much by both visiting and home crews may result in similar events being held the forthcoming year.

With the 1957 Season at hand and getting under way as you read this, Fleet 273 is about to open its second season of sailing. Skipper and Crew Races, Distance Cruises and its 11th Annual Regatta along with several weiner roasts and other events.

Plans promoted by our membership at Massabesic Yacht Club meeting at the home of Commodore Lansing Mallett in November, call for three series of races; Series beginning Sunday August 4th, after a three week break to enable our entire membership to participate at the Annual Winnipesaukee Regatta, Marblehead Race Week, and other events which will accrue during this period. The Summer series will run through to September 22nd followed on the 29th by the Annual Massabesic Lake Regatta. The Fall Series is scheduled to begin October 6th and continue through Sunday the 27th when the season ends with the Club's Commodore Race.

Interspersed in the racing series are a Skipper and Crew race on June 30th and October 6th, a Night Cruise and weiner roast on Wednesday, June 26th and again on August 14th. On Sunday, July 7th and again on August 25th, our "First Mates" compete for top honors, and their menfolk revert to the back-seat driving position as their crews.

Reviewing 1956 Season—which was rather late in beginning and slow in starting, due to only a three boat Fleet by midsummer,—the series actually began August 28th and continued through October 7th. During this period a total of six races were run with four Lightnings participating. The final standing was "Nightcap" 1st, "Nancy Lou" 2nd, #3952 3rd, and tho last, certainly not the least, "Merri-Bob" placed 4th.

On October 7th and 10th Annual Massabesic Regatta was attended by 28 boats with the largest Class being represented by eight Lightnings from Maine, New Hampshire and Vermont. The Regatta featured a three-race series with the first race held Sunday morning and starting as a drifter in the first leg of the triangular course. On the second leg a brisk northwest breeze developed and conditions became puffy with gusts reaching 20 MPH, which got skippers and crews on their alert. Len Pratt of Spofford Lake won the first and subsequent two afternoon races of the Regatta that were run in even heavier wind conditions which churned Massabesic waters to full fury with white caps, flying spray, and drenched skippers and crews.

The only casualty of this tempest, in the Lightnings, proved to be one of our veteran Massabesic skippers, Reg Babin, who with his crew in #1139 managed to greet the fishes after a brief tussle with an unruly spinnaker!

Pratt in his "Bon Joy" beat out his closest rival, Gardner Brown of Lewiston, Maine, by the narrow margin of 4¾ points, and this marked the fourth year that he has taken this annual event. Final standing in the Regatta, which proved a big success

Tenth Annual MASSABESIC Regatta, Manchester, N. H., Sunday, October 7, 1956.

despite threatening weather, occasional rain, and reduction of the entrants by five boats, was as follows: (1) Pratt 183/4, (2) Brown 14, (3) Stagg 13, (4) Anderson 9, (5) Stewart 5, (6) Babin 3, (7) tie Mallet and Hudson .

At the conclusion of the Annual Regatta on October 7th, the 1956 MYC Racing Schedule ended, and although some boats were put up for the winter, a few remained to sail to the latest possible date which ended up being December 3rd. Since then time has flown, and Fleet 273 now has grown to six boats so at this reading we, like you, are now getting our 1957 schedule under way and we are looking forward to having you other Fleet Members visit us this coming season as well as our plans to visit you at your Regattas.

of 1956. We have not yet had a formal Regatta but are anticipating one in 1957, at Sardis Lake, our "Home Port" about miles south of Memphis.

The Fleet started with three boats and we now have five, with one definitely under construction and the very good prospect of two more before spring sailing begins. Interest in sailing in the Memphis area is very strong and we hope to get a good many graduates from the Penquin and Snipe classes.

Our Fleet participated in the Ken Lake Regatta, as well as the one at Paris Lake sponsored by the Nashville Tennessean. While our results were not sensational our novice sailors came in ahead of some from other fleets who had considerably more ex-

perience.

We are a young Fleet, both in our charter and in our sailing experience, but feel that we are progressing. Our fleet Champion was decided by a series of informal races held last summer and

Two of our members, Lloyd Lovitt and Karl Limberg, Jr., hope to participate in the St. Petersburg Regatta. Lloyd will be practicing for a month before the Regatta in Nassau, where he is having his boat shipped during his vacation. Crit Currie will be with Lloyd and will serve as crew, both during practice and the Regatta. Your secretary will remain in Memphis trying to get in a position to be able to sail some during the summer and fall.

The nucleus of Fleet 277 hit the waves six strong in the Spring of 1954. During the following two summers as new boats were built and others joined our group from Lake Winnipeg, the eet doubled its size and we requested fleet recognition. Being such a long distance from organized Lightning Association races we have slight chance of participating in these but our own races provided plenty of excitement.

This year the open regatta as always was the highlight of the summer season with 25 boats of various sizes and shape participating. Through careful handicapping and the co-operation of the weather man, the first five boats were all Lightnings.

The rest of the summer's racing was exclusively for the Lightning Fleet each Sunday the 11 a.m. Commodore Cup Series race got promptly off at 1 p.m., a deplorable timing situation which we have been correcting for three years. The winner and runner-up in this classic appear above. Each Saturday throughout the year each skipper in turn was responsible for organization that day's race. This responsibility included setting a course of his own choice, at a time convenient to Commodore Moss and providing a suitable prize and sufficient refreshment to dull the disappointment of the eleven non-prize winners. The Saturday races proved extremely popular.

High winds added again this year in making the family picnic and cruising race one to be remembered. In this race we used motors upwind to a suitable picnic spot. After a swim and lunch, the starting gun was fired. The beached boats were only then allowed to be rigged and floated, with a long ten mile twisting spinnaker run home through the island and narrows following. Many fast rigging jobs proved to be the slowest in the end. A heavy gusty wind added excitement and Les and Eleanor Gibson's perseverance in completing the race on their jib deserve special mention.

With more new boats coming to our lake next year we look forward to the season with fresh anticipation.

The first 1956 Regatta organized by the Regional Committee (U.S.V.I.) took place on January 6th over a three mile triangular course on the beautiful gulf of Anzio. This was the first time that winter regatta for Lightnings was carried out in Anzio. Seven boats participated in this event for the Epiphany Cup. weather conditions at this regatta were exceedingly difficult and the boats and crews really worked hard. The winner was "EOS" #5692 skippered by Mario Mainini and crewed by Adriana Dominici and Carlo Rubbiani.

A spring regatta organized by our fleet took place on April 2nd on the magnificent bay of Anzio-Torre Astura. The Eastern Cup was won at this event by a skipper from the Roma Fleet, Cesare de Rossi in "BOREA" No. 4289.

Between May 14th and May 28th, the Anzio fleet organized regional regattas for young crewmen with the participation of

Our Fleet also participated at the 8th Italian Championship of the District sending two boats—"URAGANO" skippered by Benedetti and "STRALE" skippered by Tulli. Considering that our fleet is only one year old, we were very satisfied with the final places of our two entries. "STRALE" placed 8th and "URAGANO" 9th.

Lightning "Uragano" 4401. Capt. Cesare Benedetti, Arrigo Domenici, Dr. Mario Mainini.

On July 13, 14 and 15, our fleet participated in a regatta held under the auspices of Circolo della Vela Branch at Anzio Bay with six Lightnings participating from our fleet, Roma Fleet and Marivela Fleet. The silver cup "Alberto Sciolari" was won by "TRINACRIA" No. 5691 skippered by Lais of the Roma Fleet; second, "DARDO" No. 3590 skippered by Mainini of the Marivela Fleet and third "EOS" No. 5692 skippered by Sciolari of the Anzio Fleet.

Several week-end regattas were held between our fleet and the Roma and Marivela fleets purely for training younger members. In this way we hope to build up our fleet.

Note: Despite our increased technical training, there was a noticeable lack of sailing by our members during the past year not due to any lessening of the enjoyment of sailing and racing but due to our realization that in order to favorably participate in competition, we must have the super light boats of modern con-struction and American sails. It is expected that either next year or in 1958, our fleet will own super light boats, with the help of the Sailing Club of Rome (Circolo della Vela).

Although our fleet has been racing actively for a number of years, it was only this summer of 1956 that a fleet charter was taken up. We have yet to partake of district racing, but this is in the cards.

As usual the 1956 season began with a series of five races held on Wednesday nights and Sundays during June. These races are held off the club property at Chippewa Park, on Lake

Superior.

The first two races, 2 laps each around a triangular three mile course saw Lou and Audrey Walsh get "Bonbo" off to a handy start toward the coveted Paterson trophy, which goes to the highpoint winner of the best of six races and is emblematic of the club championship. In the first race on the evening of Wednesday,

June 12, in light airs, Walsh worked out a ten minute lead over Bob McCranor, second. The second race on Sunday, June 17 saw more action in 20 m.p.h. S.E. winds, with Walsh nosing out Baker with a 10 second edge.

June 20, the third race, again over the three mile circuit marked the first appearance of "Vixen", Dr. Burnford's new coral-hulled beauty. This time Bob and Betty McCranor came through with a 40 second win over Bill Tamblyn, a new contender this year, and Bob's ex-crew.

The fourth race, Sunday, June 24, was a seamanship race, dreamed up by a diabolical sailing committee requiring a start from anchor, hoisting sail, retrieving a crew overboard (using a symbolic and appropriate piece of wood) etc., etc.! The strong contenders here, as might have been expected, were Graham Baker's "Bormit" and Van Bailey's "Zamboanga", two veterans that show their best mettle when the going is toughest.

On Wednesday, June 28, another evening race at Chippewa Park began with a running start, all boats setting spinnakers as they crossed the line, in a fresh breeze. The first leg saw a mix-up at the first mark with three boats converging and dousing their spinnakers as they rounded, resulting in "Nimbus" protesting "Caprice Too". On the second time round in warning winds, McCranor and Burnford leading, were caught in a windshift allowing "Caprice Too" on a split tack, to round the last mark in the lead. Burnford and McCranor had a minor collision as they rounded. Burnford subsequently ghosted past Walker, only to be repassed just before the line in a close finish. Walker and Burnford were, however, disqualified leaving McCranor first and Van Bailey hard on his heels, in a second position.

The season's classic was the long distance race across Thunder Bay on July 1st with nine starting in fresh off-shore winds on a brilliant day. This race is 22 miles long, from Chippewa Park to Amethyst Harbour, and a Royal Canadian Navy tug came along as escort. Elapsed time was 3:17:30, with Lou and Audrey Walsh and Ken Stewart as crew once more coming through first and McCranor slipping past Baker and Walker who were engaged in a luffing match to take second place.

The next day at Amethyst, the weatherman co-operating perfectly, the fleet was out again over a six mile standard triangular course, Lambert Island to Cariboo Island, to the mainland at Judge's Point, and back to Lambert. After much jibbing of spinnakers and windshifts that saw the fleet split into two groups, Walker and Walsh battled it out with Walker's "Caprice Too" winning by 13 seconds.

The Sunday following, July 8, started badly with fog, a strong northeaster and light rain. After some postponement the race for the coveted Crystal Beach trophy got under way from South Bay, Amethyst, with plenty of weather outside to stir things up. After a hard beat, "Caprice Too" emerged on top hotly pursued by Van Bailey's "Zamboanga" which made it a near thing by being the only boat to fly a spinnaker and closing the lead to about two lengths at the finish.

The fleet then went their various ways, some to cruise Lake Superior and some the inland lakes for the midsummer vacation period.

On August 12th they met again at Loon Lake, home of Bonbo, Caprice Too, Vixen and Chinook, for the annual Loon Lake invitation race. Bob and Laura Prettie came through to win in their beautiful "Chinook", with David Burnford second. Walsh and Walker were disqualified after some hotly disputed port tacking in light and shifting winds. All adjourned to the Pretties' for the annual "Sailing Convention" much enjoyed by all.

Winding things up with a novelty day at Loon Lake, a trade boat race provided a lot of fun with "Nimbus" sailed by Lloyd Walker taking it by a nose over Van Bailey in "Spray". Most spectacular comeback of the season was provided by Mabel Crooks crewing in "Nimbus" who disappeared overboard wthen her skipper Bill Tamblyn gave a sudden helping hand with the mainshaft. Mabel reappeared, dripping and still on the end of the mainshaft, feet first!

In the afternoon the girls took over for a "Powder Puff" race, Laura Prettie in Chinook bringing off top honours in a close race with Betsy Hughson sailing "Caprice Too" taking second. In this race, in the words of Bunny Burnford, the male skippers are allowed only three remarks: "We are aground". "Help! Have fallen overboard", and (pointedly) "We have capsized!"

It was a grand season and when the final count was tallied Lou Walsh was the new champion winning the Paterson trophy for high points, and Bob McCranor taking second place.

1957 promises to be hotly contested with various modifications and new fibre glassing projects well under way at time of writing, and the hot stove league polishing up on the rules.

Lou and Audrey Walsh in "Bonbo" 1956 Champion Fleet #279.

This past summer we had only 3 Lightnings in our fleet so we joined in competition with Wellfleet's other class boat, the Alden "O's".

Over the Labor Day weekend we sailed a series of three races for the Lightnings only. After the first two races the boats were all even and the third race was the deciding one of the season. Over a 5-mile course the boats were less than a boat length apart, until the final leg home when Mrs. Gale Noyes in Nike took the lead and crossed the line first to win the Championship for the season.

At the beginning of the last season two newly built Lightnings

Certification-Fleet #281.

came on our Lake. The total number of Lightnings in our Yacht Club has raised to five now and the interest to found a Fleet became really serious. On the 4th of May, 1956 all owners of Lightnings in our Club met with the Captain and he read the Certification that Fleet Charter No. 281 had been granted by L.C.A. to the Lightning Fleet Vierwaldstattersee.

Three weeks later all boats started in the first regatta on the Lake of Lucerne. The training of the skippers was still quite different and the positions changed very often. But nevertheless great interest was found between the sailors.

The high spot of the last season was our "Sailing Week of Lucerne". It is the first time that the Lightnings formed a separate class. Nice sailing weather and good racing spirit marked these exciting run days. Our members haven't had enough regatta routine to keep the challenge trophy in Lucerne. Hans Luthy and his charming wife of the Yacht Club Sempach came through as champions. However at different times during the races they were hard pressed by four boats. The enthusiasm for races increased more and more and the participation of two Lightnings at the "Red Rock Trophy" on the Lake of Sampach was no secret. The best boats of both clubs gave some hard contest, but at least Hans Luthy was the winner again. Besides racing there was an amusing time at the lovely Yacht Club Sempach.

To the European Championship at Neuveveille we were not trained hardly enough. But we hope to sail out next year's thrilling matches with the other fleets of our district. For the first season we are satisfied with the activity of our fleet.

This was our first season at our newly established club, The Dallas Corinthian. The new club and fleet were formed as a result of too little water at White Rock Lake. Unfortunately,

because of several drouth situations we are having water difficuties at Lake Dallas also.

The series was a close one and consisted of seven races run rather informally as we are not yet completely organized. Next year we are wishing for rains to fill up the Lake and are looking forward to an active season from early spring to late fall.

In order to accommodate present and future Lightning Skippers belonging to any of the Yacht Clubs in the Portland, Oregon area our Fleet was organized this year as a non-affiliate with any local club. We started our fleet with six boats, and though one was lost three new members are expected within the next year.

Our Fleet was organized too late in the 1956 sailing season to carry out a racing schedule. Plans are now underway for 1957 activities, and it promises to be an interesting summer on the Columbia.
