# In Appreciation . . .

This year we planned an early mailing date and through the splendid cooperation of everyone we have been able to achieve our goal. We hope that you will enjoy your 1957 Lightning Class Year Book. Your support of our advertisers is a definite factor in their continued patronage of our pages. We appreciate their support and the very fine cooperation they gave us in response to our request for early copy.—The Staff

### Registry of Lightning Owners

(Corrected to January 1, 1955)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated.

The Executive Secretary, 308 Center Street, South Haven, Michigan should be advised promptly of all changes in owners' names, addresses, sailing locations, fleet affiliations and boat names. Members are urged to obtain the names and addresses of new Lightning sailors in their neighborhoods and report them to the Executive Secretary. In this way, missing owners may be located.

Where a boat is listed as owned by a "builder" or "dealer," it means that the Association office has the name of the builder or dealer who sold the boat, but the name of the purchaser has not been ascertained. When a builder's or dealer's name is used, it means that the boat is actually owned and probably is in use by that individual or concern.

We have tried hard to make this listing as accurate as possible but errors do seem to occur. If you find we have listed your boat, name or Fleet incorrectly please let us know so we may correct our records.

Where boat number is followed by an asterisk (\*), it means that there is an approved measurement certificate on file for this boat.

All boats not so marked do not have measurement certificates on file.

### THE LOST COLUMN

Here following are our missing owners. We want to find them, not only because we need their support, but also, because we believe they should know about the Association and receive the benefits of membership. We urge all members to keep their weather eye open and report any clues to the Secretary. Their reward will be the deep appreciation of their officers and the knowledge that they have helped to strengthen their Association.

Where a "dealer" or "builder" is listed it means that the boat has been sold but the new owner is unknown, because the dealer or builder has not reported the name of the purchaser. The great majority of builders and dealers are very helpful.
