FOREWORD

The Lightning Class Association is pleased to present another yearbook to its members. This truly outstanding publication is possible only because of long hours of hard work by the Editor and those who assist him. We all should be very grateful to these people.

There has been great activity and progress in the Lightning Class so far this year with promise of more to come. A new set of revised specifications, which were begun several years ago, were published, the 20-year old plans were brought up-to-date to incorporate all revisions, and the job of establishing and publishing all tolerances (begun last year with hull offset tolerances) was completed. The Measurement Committee is now working on a new measurement certificate and procedure, and the Constitution is being revised.

The Lightning Class has been chosen as one of those to participate in the 1959 Pan-American Games at Chicago August 27—Sept. 7. This is a distinct honor and we hope it will open the door to our eventual acceptance as an Olympic Class.

We are looking forward to the 1959 sailing season as the most successful and enjoyable to date.

Lightning Specifications

(REVISED JANUARY 1, 1959)

ARTICLE I—GENERAL NOTES

1. These Specifications describe the construction of the Lightning Class Sloop and must be adhered to. The Association will refuse to issue a number or grant a measurement Certificate to any yacht which does not conform to the official Lightning Class Plans and Specifications or on which the royalty has not been paid or which was not built by a recorded owner of Official Lightning Class Plans.

2. PLANS are not transferable. They are sold subject to the terms and conditions of the notice thereon. Plans and Specifications are subject to revision as provided by the Constitution and By-Laws. The responsibility of keeping advised as to these revisions rests with the purchaser of the Plans. Never copy another Lightning.

3. ROYALTIES — A royalty, or number tax of \$25 must be paid by the builder to the Association for each Lightning built in the United States and Canada. The tax in other countries shall be \$15. A royalty must also be paid by the sailmaker for each sail made, amounting to \$2.50 on each sail. All Lightning sails delivered after January 1, 1948 must have a cloth label permanently attached on each mainsail, jib, and spinnaker as evidence of payment of royalty. This label shall read "LCA SAIL ROYALTY PAID" and may be purchased from the Association by sailmakers for \$2.50 each.

4. YACHT'S NUMBER—Must be permanently burned or cut into the centerboard case in 2" figures for future identification before a Certificate can be issued.

5. OTHER REQUIREMENTS—In addition to payment of royalty or number tax as specified, a yacht must be built to dimensions shown, as allowances are not sufficient to permit any intentional deviation. Any departure in dimensions or construction from that shown on the Plans or in the Specifications will be at the builder's risk. A yacht's rigging, spars, and sails must conform strictly throughout with respect to design, dimensions, construction, and materials to be considered a "Lightning" and to be eligible for the Lightning Class. The Association's Measurement Certificate is the only recognized proof of eligibility.

6. MEASUREMENT and WEIGHTS in the Plans and Specifications are in feet, inches, and pounds in accordance with standards of the U. S. Bureau of Weights

and Measures.

7. TOLERANCES, where published, describe the limits within which a boat may be considered a Lightning, but said tolerances shall not be used in construction.

8. OPTIONS—All materials to be as specified and dimensions as indicated except where otherwise stated. Nothing is optional in these specifications unless so noted in the article and then only within the limits described.

9. RULINGS—Specifications are to be used in conjunction with the Official Lightning Class Plans. Where any point of difference exists, the Specifications as written shall be final, and not the pictured description as shown on the Plans. Specifications, however complete, cannot anticipate every possible situation that may arise. If a point is not covered herein, or governed by the dictates of common sense, a ruling must be obtained from the Measurement Committee. In interpreting any point not

covered or wording of obscure meaning, the Measurement Committee shall consider the intended meaning rather than any technical misconstruction that might be derived from the wording, and shall bear in mind at all times the basic principles of the Specifications, which are to maintain the Lightning as a standard one-design class.

10. PROTECTION OF NAME AND EMBLEM—No boat may be properly sold, or entered in any race as a "Lightning," or at any time display the Lightning emblem upon its sail or otherwise, unless the number tax or royalty on such boat has been paid to the Association by the builder or owner thereof and the boat meets the requirements of the Plans and Specifications. For the benefit of all parties, the Association proposes to take what-ever steps are necessary to protect both the Lightning name and emblem from any unauthorized use.

ARTICLE II—GENERAL

1. MATERIALS OF CONSTRUCTION — The boat and all its parts, except as otherwise specified, shall be constructed of a wood or woods generally used in yacht construction. Waterproof plywood may be used but its thickness must be that specified for lumber unless definitely stated otherwise.

2. WEIGHT—Weight of hull and rig shall not be less than 700 pounds. Boat shall be weighed with spars, standing rigging, halyards, main, jib and spinnaker sheets, boom vang gear, rudder, tiller, hiking stick, centerboard, one spinnaker pole, hiking straps, attached compasses, built-in non-removable drawers and lockers of reasonable size and construction, automatic bailers, and built-in pumps. Weight does not include sails, paddles, anchor, boom crotch, removable drawers, loose pumps and other bailing equipment, spinnaker containers, life preservers, tools, anchor lines and other miscellaneous lines.

Boats shall be weighed in the presence of an Official Measurer or by a committee authorized by District or

National Officers.

If weight is below the minimum, the difference shall be made up by the addition of any material attached to the underside of the deck. Such added material shall be carried lengthwise over the keel and may be distributed fore and aft. It shall touch the deck and shall not extend below the deck beams more than two inches. It shall be securely fastened and may not be removed. The boat's weight should be recorded on the Measurement Certificate. Boats that generally haul out between races shall be weighed without soakage.

ARTICLE III—HULL DIMENSIONS

- 1. Length overall, 19'-0"
- 2. Beam at deck, 6'-61/4"
- 3. Beam at chine, 5'-63/8"
- 4. Waterline length approximately, 15'-3"

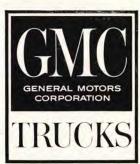

- 5. Draft, approximately, 4'-111/2'

- 6. For further dimensions see Official Lightning Class Plans.
- 7. MEASUREMENTS—All heights shall be measured from the base line plane which shall be established 10% from the bottom at station No. 2 and 10-13/16 from the bottom at station No. 9 and equidistant from the chine at both sides of the boat. The 10% and 10-13/16

OPERATION "HIGH GEAR" at CHICK

The biggest engineering, design and quality-control program the industry has ever known brings you the greatest moneymaking, money-saving advances in trucks today!

From 1/2-ton to 45-ton . . . General Motors leads the way

measurements shall be taken from the bottom of the hull at the centerline, disregarding the keel.

Half-breadths shall be measured from the centerline

plane.

All deck measurements are taken exclusive of moldings. Fore and aft dimensions shall be measured from a plane at right angles to the base line and tangent to the forward edge of the centerboard pin.

8. BOTTOM ARCS shall have a radius of 10'-5".

9. CHINES AND KEEL may be rounded to a radius not greater than $\frac{1}{2}$ ".

10. THE ENTIRE HULL or any part may be covered by the application of resin and synthetic cloth.

ARTICLE IV—HULL FASTENINGS

1. HULL FASTENINGS can be of iron, bronze, steel, brass, copper, nickel, or any alloy made basically of combinations thereof, but not any metal or combination of metals weighing less than 0.25 pounds per cubic inch. Other materials not permitted.

ARTICLE V—STEM, KEEL, TRANSOM, PLANKING AND SKEG

1. STEM-Sided 3" and moulded as shown on Plans.

- 2. KEEL—Moulded $1\frac{1}{8}$ " as shown on Plans. On double planked boats, if the inner planking crosses the keel, its thickness shall be considered as part of the $1\frac{1}{8}$ " moulding. Keel sided not less than 6" at its greatest point nor less than 4" where it intersects the chine timbers nor less than $4\frac{1}{2}$ " at the transom. The keel is to stand not less than $\frac{3}{8}$ " nor more than $\frac{1}{2}$ " proud (outside of) the bottom planking, between and including its points of intersection with the transom and Sta. 1.
- 3. TRANSOM—Not less than 3/4" thick as shown on
- 4. BOTTOM PLANKING—May be double or single planked construction or seam battens may be used; not less than 11/16" total thickness.

5. SIDE PLANKING-Not less than 1/8" thick. May be

ship lapped or seam battens may be used.

6. SKEG—To be as per Plans, well bolted to keel. Not less than \(^3\)/4" nor more than 1" thick. The depth at the after end measured from the bottom of the boat (not the keel) shall not be more than \(^7\)/2" nor less than \(^7\)/8". Length along bottom of skeg, measured to keel, shall be at least \(^37\)/2" and not more than \(^38\)/2". The bottom of the skeg shall be a straight line. May be streamlined on its after edge but chamfer may not extend more than \(^27\) forward of after edge. The bottom edge may be rounded to a radius not greater than \(^1/2\)".

ARTICLE VI—FRAMES AND CHINE TIMBERS

1. FRAMES—Side frames sided 7/8" and moulded 27/8", bottom frames sided 7/8" and moulded 11/2" as shown on Plans. Options—Additional frames may be added, but specified frames must be centered as shown. May be larger but not less than dimensions given. Gussets are not permitted.

2. CHINE TIMBERS—7/8" by 11/2". Top edge may be bevelled to drain water but section modulus of timber

must not be reduced.

ARTICLE VII—CENTERBOARD, C. B. PIN AND TRUNK

1. CENTERBOARD — To be not less than 9/32" nor greater than 11/32" thick. Must not vary more than ½" in any dimension from the Plans except in an area bounded by a triangle formed by the top and forward edges and their intersection and having legs 22" and 8"

long respectively. For use in local races only the center-board may be shortened by removal of a portion of the after end thereof when such shortening has been approved by the local Fleet or District. To be of steel or iron. Other materials, including stainless steel, not permitted. May be galvanized, cadmium plated, or painted. May not be of bare polished metal. May be streamlined, but chamfer is not to extend in more than 1" from any edge. When in its fully lowered position, the lowest point of the centerboard must be not greater than 54" nor less than 53" below the bottom of the keel, measured perpendicular to the waterline.

2. CENTERBOARD PIN—Must be 1/8" in diameter and must be located in the trunk as shown on the Plans.

3. CENTERBOARD TRUNK—May not be enclosed at top. May be cut off along its upper edge to permit boards with their forward upper corner cut off to be lowered to the designated position without the hoisting tackle entering the trunk. Top of trunk must not be less than 15" above the inner surface of keel at any point. Boats with double planked bottoms may use a trunk with sides 7/8" thick throughout. The use of a gasket in or at the bottom of the centerboard well is not permitted.

ARTICLE VIII—DECK AND DECK BEAMS

1. DECK—Of solid wood 7/16" thick or waterproof plywood 5/16" thick, covered with 8 oz. canvas or equivalent weight synthetic cloth. Covering boards are not permitted.

2. DECK BEAMS—Moulded 11/4" and sided 7/8" as shown. Option—Beams may be larger but not smaller

han shown.

3. RUB RAILS—Shall be installed along the sheer. Shall not be less than 11/4" half round.

ARTICLE IX—COCKPIT, SEATS, FLOORBOARDS, ETC.

1. COCKPIT must be of size and shape shown. It shall start at frame No. 4 and run to frame No. $8\frac{1}{2}$. The deck surrounding the cockpit shall not be less than $9\frac{3}{4}$ " nor more than $11\frac{1}{4}$ " wide at any point, not including the cockpit coaming and rub rails. Coamings shall be not less than $\frac{1}{2}$ " in height above the deck and sprayboards shall be not less than $2\frac{1}{2}$ " high at the center.

2. SEATS must be of the general outline and position shown in the drawings, and must be at least \(\frac{5}{8}'' \) thick. Total width of solid seats, or boards of slatted seats, shall not be less than 9". Seats may vary plus or minus 2" in height from position shown on Plans. No portion of

seats may be removable.

3. FLOORBOARDS must, generally, cover the bottom of the boat within the cockpit space between and in front of seats, except for normal space between boards. Floorboards must be at least 5/8" thick not including additions of cork or other non-slip material. The total weight of floorboards, including reinforcements and cross members, and generally including all material located in the bottom of the boat which is not a structural part of the boat, or an essential fitting, shall not exceed 40 pounds.

4. LOCKERS, SHELVES, AND DRAWERS may be installed if of normal construction and location. To be included in the weight of the boat such items must be

non-removable.

ARTICLE X-DECK OPENINGS

1. HATCHES—One small hatch on the after deck for attaching outboard motor may be installed. No other deck openings shall be permitted outside the confines of the cockpit and spray rails.

ARTICLE XI-MAST STEP

1. MAST STEP—As per Plans. Centerboard trunk log assembly may be extended to form the mast step provided it covers the same number of frames as the separate mast step.

ARTICLE XII—SPARS

1. MAST is to be hollow and rectangular in section as per Plans. Filler pieces may be used at points of attachment of fittings and at other points requiring reinforcement. Mast must be of Spruce or Douglas Fir with walls not less than $\frac{1}{2}$ " in thickness at any point. The allowable maximum and minimum spar dimensions are given in the following table:

Maximum	2-1/8"	2-½"	TRANSVERSE 2-1/8" 2"	$1 - \frac{15}{16}''$	$1 \cdot \frac{9}{16}''$
Maximum Minimum	BUTT 3-\frac{3}{16}" 3-\frac{1}{16}"	DECK 3-\frac{3}{16}" 3-\frac{1}{16}"	LOWER SPREADER LENGTHWISE 3-\frac{3}{16}" 3-\frac{1}{16}"	JUMPER STRUT 2-\frac{13''}{16''} 2-\frac{11}{16''}	TOP OF MAIN HAL- YARD SHEAVE 1-7/8"

Length of mast from top of main halyard sheave groove to top of step shall be 27'-47/8". A distinguishing color band ½" wide shall be painted around the mast, the top edge of which shall be 24'-0" below the top of the main halyard sheave groove. The gooseneck slide must be constructed in such a manner that the top of the boom, when in its lowest position and perpendicular to the mast, shall not be below the top of the mast band. Mast must not be grooved to take bolt rope of sail. Sails must be attached to mast with ½" track and slides. Halyards may not run inside the mast. Weight of sails must be carried on the halyards when sails are set.

The bolster at the mast head must be the same general outline as shown in the detail drawing. The distance measured perpendicular to the sail track and at the height of the top of the main halyard sheave groove, from back side of mast to centerline of backstay shall not exceed

2-1/16".

Distance from front side of centerboard pin to after side of mast shall be 18-7/16" at the step with a tolerance of plus or minus 3". Design distance from stem to forward side of mast at deck equals 6'9". Rotating mast or permanently bent mast prohibited. With boat in sailing trim, aft side of mast must be an approximate straight line, but adjustments of mast, using standard turnbuckles only, to correct for fit of regulation sails, is permitted.

No change in the position of the mast at any point nor any adjustment of standing rigging will be allowed

during any race.

2. BOOM—Must be solid T section as per Plans, made of Spruce or Douglas Fir. Foot of sail must fasten in a straight line in both plan and profile. No arched or curved tracks are allowed and no transverse movement is permissible in the foot of the sail. The sail must be attached to the boom with track and slides the same as on mast. With the outhaul in its aftermost position, the distance from the extreme after end of the outhaul, or extreme end of the boom, whichever extends further, to back of mast shall not exceed 10'-0". A sliding, swivel gooseneck for attaching the main boom to the mast may be used.

3. SPINNAKER POLE—When in any normal position on the mast the distance from the extreme outer end of the spinnaker pole to the centerline of the mast shall not be greater than 6'-11". Maximum diameter may not exceed 2½", minimum diameter 1½". Made of Spruce or Douglas Fir. It shall be permissible to allow the spinnaker guy to run freely through the fitting on the end of the pole. Allowing the spinnaker to fly temporarily away from the pole, either by intention or accident when setting, jibing, or lowering the spinnaker shall not be grounds for disqualification. However, at all other times, the spinnaker must be trimmed in accordance with rules of the N.A.Y.R.U.

4. WHISKER POLE—There is no restriction as to the use or length of a whisker pole, except that it can be used only for the jib and that only one whisker pole may be carried during a race and it must be seated home against the mast. (Cannot be held at one end by a crew member.) Where used as a spinnaker pole as well it must conform

to the Specifications in the above paragraph.

ARTICLE XIII—RIGGING AND RIGGING FITTINGS

- 1. RIGGING—As shown on Plans as to position and number and length of stays. To be of stranded wire rope of diameter and strength not less than that shown on the Plans
- 2. FITTINGS—Spreaders and struts to be as shown as to position, length, diameter and wall thickness. Two piece, rigid spreaders, to be attached at each side of mast in place of the single piece spreader going through the mast, may be used. Use of hinged spreaders not permitted. Spar fittings and spreaders may be of iron, steel, bronze, brass, nickel, or any alloy made basically of combinations thereof, but not of any metal or combination of metals weighing less than 0.25 pounds per cubic inch. Other materials not permitted. They may be galvanized or plated.

3. ATTACHMENT—The method of attaching stays to spars is optional but tangs and fittings must be adequate in strength to fulfill the purpose of those shown in the

Smooth Sailing Always to the Lightning Class Association

Plans. Any change in the set of standing rigging except as occasioned by accident during a race shall be prohibited. Changes in running rigging, not expressly barred in the Plans and Specifications, may be made at the owner's option.

ARTICLE XIV—HULL FITTINGS

1. The actual pattern of fittings is optional. However, they should equal or serve the purpose of those indicated on the Plans.

2. CHAIN PLATES—The upper shrouds must be attached to the chain plates at a point perpendicular to the centerline and oposite the center of the mast. The lower shrouds must be attached to the chain plates at a point 12" to 14" aft of the point of attachment of the upper shrouds. The point of attachment of the head stay may not be forward of the stem nor more than 2" aft of it. The point of attachment of the back stay may not be aft of the transom nor more than 2" forward of it. Use of a bridle on the backstay is prohibited.

3. MAIN SHEET—The aftermost mainsheet blocks or bridle, where attached to the hull, must be upon the after deck. A track or traveller is not permitted. This applies regardless of how main sheet fittings are attached to

track or traveller.

4. JIB SHEET—Single or double jib leads are permitted and location of fittings for same is optional.

5. HIKING GEAR—Must be fastened to the hull only and no part of any hiking arrangement except hiking stick (attached to tiller) shall extend or be carried outside the sheer line of the boat or above the deck level. Hiking from halyards or any part of the rig is not permitted.

6. MATERIALS—Except for belaying pins and cleats, which may be of wood or plastic, fittings shall be of iron, steel, bronze, brass, nickel, or any alloy made basically of combinations thereof, but not of any metal or combination of metals weighing less than 0.25 pounds per cubic inch. The use of approved reinforced plastic blocks and cleats is permitted. The spinnaker may be attached to the halyard and sheets by means of aluminum "Brummel" hooks. The use of aluminum for other essential fittings is expressly barred.

ARTICLE XV-PAINTING

1. To be given at least three coats inside and out. May be painted or varnished. Paint or varnish may be omitted where resin and synthetic cloth are used. Underside of deck and seats, need not be painted.

ARTICLE XVI-RUDDER AND TILLER

1. RUDDER—Must be not less than 11/16" nor more than 13/16" thick. Above the water-line the rudder may be larger than specified. To be made of wood; chamfer not to exceed 2" from any edge. The gap between the skeg and rudder must be at least 3/8" except at points occupied by attaching fittings. Such fittings, however, must not fill more than 1" of vertical space in the gap between skeg and rudder.

Options—A rudder arranged to tilt upward when striking an under water obstruction may be used in local races only. When in its downward position, it must have an outline meeting the requirements for standard rudders and it must be carried in the extreme downward position when racing. Only the rudder shown on the Plans may be used in nationally sanctioned races.

2. TILLER—As shown. Builders and owners may, at their option, install tillers longer than the 48" shown on the Plans, and may add hiking sticks.

ARTICLE XVII—SAILS

- 1. GENERAL—No sails other than standard mainsail, jib, and spinnaker allowed. Loose footed mainsails, jib booms or part length clubs, double luff mainsails, and perforated sails (other than reef points or accidental tears) are barred. It is permissible to have a plastic window of plexiglass or similar transparent material not to exceed 4 square feet in mainsails as an aid to avoiding collisions.
- 2. WEIGHT AND TYPE OF CLOTH—Mainsail, jib, and spinnaker shall be of cotton or synthetic woven fabric. Mainsails and jibs shall be made of sailcloth not lighter than 3.7 ounce material, based on a linear yard 28½" in width. The weight of material in the spinnaker shall not be less than 2 ounces, based on a linear yard 38" wide. (This is equivalent to 1.5 oz. per linear yard 28½" in width.)
- 3. RACING NUMBERS AND CLASS EMBLEM—Size and design shown on drawings must be attached on each side of mainsail. Racing number or other emblem on spinnaker shall be optional. Painted or printed numbers are not allowed. Club or Fleet insignia may be affixed at the peak of the mainsail.
- 4. REEFS—Sails may be reefed at the foot only. Roach reefs are barred. The revised official sail plan shows two reefs in the mainsail and none on the jib. The jib, when used, must be used without reefing. The upper reef in the mainsail is optional but the first or lowered reef in that sail is mandatory in all sails ordered after January 17, 1941. The lower reef shall be 2'-5" up from the foot, measured along the luff and 2'-8" up from the foot measured along the leech. The upper reef, if installed, shall be 2'-5½" up from the lower reef, measured along the luff, and 2'7" up from the lower reef, measured along the leech.
- 5. BATTENS Three mainsail battens, upper and lower to be not over 24" nor less than 23" long, and middle batten not over 30" nor less than 29" long, shall divide the leech into approximately four equal parts. Battens in the jib are optional, but if used shall be not more than two, not more than 12" nor less than 11" in length, dividing the leech into approximately three equal parts.
- 6. MEASUREMENT OF SAILS—Sails are measured with the cloth pulled out to its normal size as set on the spars. Except at the main headboard the points of measurement at the corners of the sails shall be taken at the intersection of the extended lines of the extreme edges of the sail, including bolt ropes or tapes, but not including hoisting pendants, external cringles, etc. Sails shall be dry when measured, and when a sail has been measured and found to be outside the Specifications, it shall not be remeasured for the same regatta until proof of actual reworking has been submitted.
- 7. MAINSAILS—The luff, measured from the top of headboard to tack, shall not be greater than 23'-5" nor

less than 22'-7". The foot, measured from tack to clew, shall not be greater than 10'-0" nor less than 9'-2". The leech, measured from top of headboard to clew, shall not be greater than 24'-6" nor less than 23'-8" when measured under a five pound tension. The mainsail headboard may be of wood or any metal. It must not be more than 4" across, measured perpendicular to the luff of the sail. The top of the headboard must not be more than 3/4" higher than the top of the uppermost hoisting hole.

Roach and draft shall be measured with the sail on the floor, secured at all three corners. At a point on the luff, six feet up from the tack, a luff to leech measurement shall be taken along a line at right angles to the luff. This measurement shall not be more than 8'-3" nor less than 7'-5". A similar measurement taken six feet down the luff from the top of the forward hoisting eye of the headboard shall be not more than $3'-7\frac{1}{2}$ " nor less than $2'-9\frac{1}{2}$ ". When measuring mainsail girths it is permissible to put any desired tension on luff and/or foot as long as the maximum luff and leech dimensions are not exceeded.

8. JIB—The luff shall not exceed 17'-10" nor be less than 17'-2". The leech shall not exceed 15'-7" nor be less than 14'-11". The foot shall not exceed 7'-7" nor be less than 6'11". These measurements should be taken with the sail under a five pound tension.

Roach and draft shall be measured across the job between points 11'-0" down leech and luff from head of jib and shall not exceed 5'-2" nor be less than 4'-6".

9. SPINNAKER—The sides shall not exceed 20'-6" nor be less than 19'-6". The foot may not exceed 14'-6" nor be less than 13'-6". These measurements should be taken with the sail under a five pound tension.

Girths shall be measured with the spinnaker folded in half putting the luff and leech and the two clews together, and then spread evenly and flat upon the floor. Two girth measurements "A" and "B" shall be taken across the sail.

Measurement "A" shall be taken between a point 5'-0" down luff and leech from the top of sail and a point 6'-0" in a straight line down the opposite side of the sail as ment shall not be more than 5'-10" nor less than 5'-4". folded, not measuring around the contour. This measure-

Measurement "B" shall likewise be taken between points 10'-0" down the luff and leech and 11'-0" down the opposite side of the sail as folded, not measuring around the contour. This measurement shall not be more than 8'-5" nor less than 7'-11".

When measuring girths, it is important that the cloth between the head of the sail and points of measurement, and immediately below, be spread out smoothly on the floor. Sail should be pulled parallel to girth measurement only enough to smooth out vertical wrinkles, but not enough to produce transverse wrinkles. When a girth measurement is taken there should be no tension on the lower corners, nor at the girth points not being measured.

Editor's note:

Who said Lightnings aren't fast? Fleet 99 reports a spectacular down-wind spinnaker finish by 6001 in which, with a sudden burst of speed at the line, she sailed out from under her skipper and crew, forcing them to splash across the line under their own power.

His sailing accomplishments are many having been Fleet Champion many times, District Champion in 1954, sailed in the Interna-tionals in 1954, 1956 and 1958, and in the President's Cup three years taking a 3rd, a 2nd and a 4th.

When not occupied with sailing activities, Jim is Design Engineer with E. I. duPont de Nemours Engineering Department.

TREASURER-John M. McIntosh 2 Pinewood Ave., Parkersburg, Savannah, Ga.

John has been sailing since 1930, formerly sailing Scows before switching to Lightnings in 1950. He is a member and former Secretary and Captain of Savannah Fleet 127. He has also served as Rear-Commodore of the Savannah Yacht & Country Club, and former Vice-Commodore of Area #4 Association of NAYRU.

With his Lightning #6612, SCALA-WAG V, he won the 1958 S.E.D. Championship. His wife Barbara crews for him and with his six children, he isn't apt to run out of crewmen for quite a while. He is General Manager of a wholesale building materials firm.

PRESIDENT—H. J. Cawthra

454 McKinley Road, Grosse Pointe Farms, Mich.

Hank started racing in 1927. He raced Scows, 17 sq. meter, 22 sq. meter, 210's and other classes before acquiring Lightning #4924, "Broom", in 1951. In 1955 he obtained his present boat #6066, "XL". He has competed in six Internationals, as well as many other major regattas. Past Commodore of Crescent Sail Yacht Club, he can be found during the off-sailing season at the Chevrolet Motor Division of General Motors Corp.

SECRETARY—Thomas D. Fallon 325 Delaware, Buffalo, N. Y.

Tom has been sailing for about 25 years in many classes, from eights to snipes. He has owned boats in Corpus Christi, Tex., Wilmington, Del., Phila-delphia, Detroit and Buffalo. He has been sailing Lightnings for the past 10 years, first in "Puff #523, and since 1952, in "Flare" #5100. He likes "Flare" very much and thinks it's a very fast boat if he sails it right. He is past Commodore of the Lake Erie District and Past Fleet Captain of Buffalo Canoe Club Fleet #12. He has sailed in five International Championship Regattas and four Mid-Winter Championships. He apparently sails better in winter, or maybe the compe-

tition is different. His spare time job is Director of Sales Training for National Gypsum Co., Buffalo, N. Y.—one of the largest and finest manufacturers of building materials in the world.

CHAPLAIN-Rev. John F. Steve 633 Main St., West Seneca 24, N.Y.

Sailing has been Rev. Steve's No. 1 hobby for the past 12 years but he never owned or raced a Lightning until the summer of 1956. A chance visit to the Niagara Sailing Club plus the philosophy of Karl Smither quoted in a news article: "The dollars spent on sailing make the most profit in pleas-ure, family unity and character build-ing of any investment in the world"

gave him the needed push to buy his Lightning sloop, "Steal Away", #5767. Rev. Steve is pastor of Ebenezer United Church of Christ in West Sen-eca, N. Y., a suburb of Buffalo. His family consists of wife, Marjorie, and daughters Gail, Mary and Margie.

When crying for the much needed third crew, Margie, though only five years old, comforts her dad by putting her arms around his neck and saying, "Daddy, I'll be your crew".

Rev. Steve belongs to the Niagara Sailing Club, Fleet #59,

and although he has never won a race, he has come in last many times and still loves to race Lightnings!

P. S. Sailing provides excellent sermonic material!!!

HONORARY COMMODORE & VICE-PRESIDENT — Carleton J. Allan

118 Ash Street, Port Clinton, Ohio

Carleton, more commonly known as "Pinky", has been sailing for over twenty-five years. He has been sailing the Lightning for the last seven years and before that sixes, yawls, cutters and assorted types in both shortcourse and long distance races. He is past captain of Fleet #136, past commodore of Port Clinton Y. C., past commodore of the Chio-Indiana District, and is rearcommodore of Put-in-Bay Yacht Club. He is now sailing his third Lightning the 'Bad News', before that 'Mama's Mink' and 'Faker'. He owns and

operates two Ford agencies, one in Port Clinton and the other in Huron, Ohio. Pinky will be in charge of LCA's foreign affairs for 1958-1959.

VICE-PRESIDENT—George V. Fisher 3211 Fishinger Road, Columbus, Ohio

George has been sailing Lightnings since his discharge from the Navy in 1946. He owned #721 prior to #4865. Two times Ohio-Indiana District Champion, George has served as Secretary and Commodore of the District and as Commodore of the Buckeye Lake Yacht Club, Buckeye Lake, Ohio. He is a general partner in the law firm of Robins, Metcalf & Fisher in Columbus.

VICE-PRESIDENT—Alton Berg 432 W. Surf, Chicago 14, Ill.

Al wandered onto Charlie Judd's Lightning for a sail in the fall of 1946 and as a result, built his first ISTAR #2662. He started sailing and racing at Cleveland Yacht Club in 1949.

Since 1952, Al has been a member of the Chicago Corinthian Yacht Club's Fleet #5, sailing ISTAR #5650 for the past five years. He is currently building a new ISTAR for 1959. He has served as Fleet Captain and chairman of District Regattas in Cleveland (Ohio-Indiana District) and Chicago (Mid-West District). When Al can't sail, he skis. And

when he can't do either, he works in the Military Electronics Division at

Motorola, Inc. where he is Systems Engineer on an airborne radar.

VICE-PRESIDENT-Carl Eichenlaub, Jr. 4427 Santa Cruz St., San Diego 7, Calif.

Carl is a member of Mission Bay Yacht Club where he has been sailing since 1945 in Skimmers, International 14's, Sabots, Stars and Lightnings. At present he owns Lightning #6028 with his father and has covered many miles, chasing regattas. On Christmas Day, 1958, Carl and Dimi had a baby girl, Betty Sue, for whom Carl is already planning a boat. You see, he owns Eichenlaub Yacht & Marine Service where he builds custom boats.

VICE-PRESIDENT-William Hole 44-470 Aumoana Way, Kaneohe, Hawaii

Bill "Puka" was born in Honolulu and has sailed in Kaneohe Bay since 1932, with the exception of three years at Georgia Tech acquiring a B.S. degree in mechanical engineering, and three years in U.S.N.R. as electronic maintenance officer.

He took a wife and a Lightning named "Genie", which he built himself, to represent Hawaii at the 1953 Inter-nationals at the Buffalo Canoe Club, where he was joined by Cy Gillette and Phil Fisk for crew.

He is a past Commodore of the Kaneohe Yacht Club and sails with the Hawaii Lightning Fleet.

Pineapples, because they are so perishable, take up most of his time during the summer.

VICE-PRESIDENT—Tim Nelson 123 Roxborough, Kitchener, Ont.

Tim is still sailing his original Lightning JUSTUS #3654. 1958 proved to be a good year for JUSTUS, placing first in the President's Trophy. He is 31 years old and is a successful securities salesman with Gairdner & Co., Ltd.

VICE-PRESIDENT—Philip Joannides

5 Herodou Atticou, Athens, Greece

Philip took his first boat trip across the Aegean Sea at the age of one month. He's been sailing ever since. Primarily a blue water sailor, he started racing in 1938 and raced his first Lightning in 1952 taking second place in the Greek National Championship. A flag officer of the Royal Yacht Club of Greece since 1952, he is responsible for all racing activities of the club. He is a member of the appeals committee of the Hellenic YRA (National Authority); was active in the organization of Fleet #286, the Greek District and the 3rd European Championship Regatta held in Phaleron Bay in 1957. Phil held in Phaleron Bay in 1957. Phil held in Phaleron Bay in 1957. Phil

held in Phaleron Bay in 1957. Phil has a wonderful family — a "seasick" wife, three daughters and a 15 year old son who is another keen sailor. He is a graduate of Northwestern University and practices dentistry in his spare time.

VICE-PRESIDENT—Jose Barreda Moller Camana 615-602, Lima, Peru

Jose has been sailing for several years in the Lightning Class, which is the most popular in Peru. He is the Secretary of the South American Conf. of LCA. Has represented Peru at the South American LCA Championships. He is a lawyer, listed in the best known American and British Law Lists. Was elected to the Peruvian Congress in 1956.

VICE-PRESIDENT—Oscar Nelson Box 505, Riverside Sta., Miami 35, Fla.

Oscar was born in Denmark and spent his childhood looking out across the sea, dreaming and wondering what was beyond the horizon. At the age of 14, he went to sea, sailing the Baltic and North Seas on Trading Schooners. He finally came to America and worked as a jack-of-all-trades when anyone would let him. Finally he settled in Miami on the shores of beautiful Biscayne Bay and now owns and operates a Tropical Plant Nursery — between races!

He started sailing in 1947, spending the first two years with Snipes and then switching over to Lightnings in 1949. He has owned four Lightnings and at present is sailing #6010. He

1949. He has owned four Lightnings and at present is sailing #6919. He has been Florida State Champion once, runner-up in the Southeastern Championship five times and participated in three Internationals.

VICE-PRESIDENT—Charles Nicolet La Cave, La Neuveville, Switzerland

Charles has been sailing LA RAFALE #5839 since 1955. With his friend Theo Moeckli he organized Fleet #268 and now serves as its Captain. He has been the Commodore of the Swiss District for the past three years. With Mr. Moeckli he organized the European Championship held at La Neuveville and has taken part in four of these regattas. Charles has been instrumental in clearing up the measurement troubles in Switzerland. He is a director of a steel and machinery business.

VICE-PRESIDENT—Raimo-R. Nordstrom Loviisa, Finland

Raimo has been active in Lightnings since 1949. Together with two of his brothers, he owned the Lightning #4334, "Pinocchio". In 1958 he had a new one constructed, KATRINA #6838. He has been Commodore for the Finnish District since 1956 and during the off-sailing season he can be found in the shipowning branch of Messrs. Ab. R. Nordstrom & Co. Oy.

VICE-PRESIDENT—Cesare Ratti 19 Angiporto Galleria, Naples, Italy

Cesare has served as Captain of the Sorrento Fleet since its organization. Skipper of his own Lightning "SAR-ACO" #4965, he has participated in all Italian and European Championships always finishing well up in the first division. He has competed also in RORC Class regattas held in the Mediterranean Sea and has been a member of "Unione Crocieristi Italiani" since its origin. From 1948 to 1950, he served as President of the U.S.V.I. (Italian Sail Societies Union) Sport Committee. Along with all his sailing activities, Cesare finds time to practice law, for his living.

VICE-PRESIDENT—Samuel J. C. Townsend 4417 McFarlin Blvd., Dallas, Texas

Sam started racing in 1927 on Long Island Sound. He has owned and raced an I. H. Pirate, a Star, two Atlantics, a Thistle, a Penguin and two Lightnings; winning the Atlantic Class National Championship in 1947 and the Eastern Conn. Y.R.A. Senior Championship in 1948. He started racing Lightnings in 1951 at Dallas with 44898 and now races #5896, winning the Texas Districts for four years. He was Captain of Fleet 35 in 1952 and 1953, and helped found the Dallas Corinthian Y. C. and Fleet 282 in 1956. He is an aeronautical engineer with Chance Vought Aircraft in the position of Chief of Propulsion.

VICE-PRESIDENT—John W. Swanson 761 W. Delayan Ave., Buffalo, N.Y.

Jack is a 38 year old, Irish bachelor who ten years ago gave up the frustrations of playing golf for the "relaxation" of a sailboat. He is now the most frustrated ex-golfing sailor in existence! Jack and John Palmer sail the THREE WINDS #749 which they acquired as a total insurance loss and rejuvenated with confident hopes of overthrowing Allen, Fallon and Smither. They claim they are still trying to catch this threesome and with such grim determination, they will. Jack is Commodore of the Lake Erie District for this year and when he isn't chasing Allen, Fallon and Smither, he earns a living running his own

business as a manufacturer's agent covering Heating, ventilating and air conditioning equipment as well as component parts for original equipment manufacturers.

VICE-PRESIDENT—William E. Walker 4030 Plaza Dr., Erie, Pa.

Bill has been an active Lightning sailor since 1940 when he sailed Jim-Bil #589 with his brother Jim. He has since owned three other boats and is now sailing #6450, while brother Jim races #6800. He has been the 1958 Commodore of the Erie Yacht Club and has been active in the promotion of junior sailing there. He has always maintained a keen interest in the Lake Erie Lightning District. He is the owner of the Erie Burial Case Co. in Erie, Pa. and "minors" in Real Estate. He hopes to help make the Lightning Class membership set a record high to help meet the current extra-ordinary needs of LCA.

Gentlemen:

I am very glad to tell you that my son Carlos Navarro, Jr. won the Lightning Class South American Championship which was held at Guayaquil, Ecuador, on last October 7 to 11. In the five races we used your Dacron Suit of Sails No. 6974 you made for us last June.

Yours very truly

Larlos navaro

Dear Sir:

Thanks for your letter dated last October 29th. We happily grant permission for you to feature our success in the South American Championship, and we think that both the sails and spinnaker of yours did the job for us in all five races.

You have done a good job on these lightning sails as well as on our Dragon Dacrons, we are very happy with their performance.

Sincerely yours

Carlos Navarro

THE 1958 INTERNATIONAL CHAMPIONSHIPS

By Tom Fallon

History was made at Little Egg Harbor, New Jersey, the week after Labor Day. On Wednesday, September 3, our hard working Chief Measurer, Hank Cawthra, was unanimously elected President of the LCA. By Saturday, September 6, Hank—by a magnificent demonstration of sailing skill—had convincingly won the International Championship (by 12 points). This author knows of no such occurrence in the history of one-design yacht racing. (It certainly was an eventful week for Hank, climaxed by the celebration at the banquet Saturday night. And to make the evening perfect, Hank announced that Saturday, September 6, was the anniversary of his charming wife's birth. So, everyone sang "Happy Birthday, Dear Martha"—and Martha blushed happily.)

Okay! What happened? Here is at least part of the

story:

Little Egg Harbor is a fine body of water—about four miles in circumference, at the lower part of Barnegat Bay on the New Jersey coast. The Yacht Club has a long and dignified history. Most of the members are summer residents with permanent homes in the Philadelphia area. The entire Regatta, under the chairmanship of Past Commodore Bob Morris, was excellently planned and executed. Chairman of the Race Committee was John E. A. Trub, a splendid gentleman who has very capably served the members of Little Egg Harbor and the BBYRA for 25 years. Mr. Trub's Race Committee was the most impressive this author has ever seen.

FIRST RACE

Thursday morning, September 4, 10:00 A.M.—no wind—11:00 A.M.—no wind. 11:15 A.M.—slight breeze out of the south-southeast almost the prevailing direction. 11:55 A.M.—start in about 8 miles of wind. Leeward end favored by about 40 degrees. The so-called rated boats—Bill Cox, Cawthra, Tom Allen, and many others tried vainly to cross the line on the starboard tack: hopeless. At 15 seconds a flock of boats headed for the leeward end on the port tack.

At the gun, Bill Uhl, No. 6981, and Tom Munnell, No. 5985, broke out in front, and pulled steadily away throughout the entire race to finish first and second with ease. Those two had tremendous leads on the rest of the Fleet. It was a one-legged beat on the port tack.

Anyway, Bill Cox, Jr., No. 5841, John McIntosh, No. 6612, Stu Anderson, No. 1903, and others, were in the clear at the port end soon after the start. At the first mark it was Uhl, Munnell, Cox, Jr., McIntosh, Anderson, and others. Cawthra, defending Champion Bill Cox, Sr., Tom Allen in No. 4811 and others were far back. The second leg was a close reach and the third leg a spinnaker run. The second weather leg was again a one-legged beat on the port tack. At the second weather mark it was Uhl, Munnell, Cawthra, McIntosh, Cox, Jr., Gene Walet in No. 4950, McKinley, from Michigan, in No. 5180, Knight Alexander in No. 7044, Anderson, Carter Ford in No. 6654, and Peter Hannon in No. 5366. The last leg was a close reach with the positions unchanged to the finish. Bill Cox, Sr., was 19th, Tom Allen 13th, and other highly-rated boats pretty far back.

SECOND RACE

Thursday, 4:00 P.M. start—wind southeast 18-20. Short, choppy seas—tidal current against the wind.

Course good—leeward end of starting line greatly favored. At 15 seconds, four or five charged up to leeward end on the port tack. At the gun one starboard tacker recklessly flopped to the port tack directly in front of other starboard tackers, forcing them to tack to avoid destructive and dangerous collisions.

At the first mark it was Howard Foht in No. 1916 with a good lead followed by Bizzie Monte-Sano in No. 5988, John Merrifield in No. 6333, Bill Cox, Sr., in No. 5984, Cawthra, Allen in No. 4811, and others. Foht set his spinnaker immediately and took off. Midway through the leg the keel of the aged Zephyr split and Howard, practically sinking, finally had to quit. The water was coming in much faster than they could pump it out. This writer believes that Foht would have won this race were it not for this unfortunate breakdown.

At the conclusion of the first round, it was Monte-Sano, Merrifield, Cawthra, Cox, Sr., Allen and Carter Ford. By the end of the second weather leg, Monte-Sano had opened up a good lead with Merrifield second, Cawthra third, Allen, fourth, and Carter Ford, fifth. Defending Champion, Bill Cox, Sr., capsized while jibing the spinnaker at the end of the second spinnaker leg. The affable Joe Stueland capsized to windward with spinnaker on the first run.

Positions didn't change much on the second two leeward legs. By the start of the last weather leg to the finish, the wind had piped up to 25 or so. Some of the boats were having trouble, but Cawthra told me he sailed this entire leg with main and jib cleated, except when tacking. Monte-Sano came up to the finish with a good lead and was a clear winner for his first victory in an International Championship Race. But, it was going to be close between Merrifield, Cawthra, and Allen. Cawthra flopped on Allen and drove him back-and then took off after Merrifield. He nipped Merrifield at the finish by about a half boat length with Merrifield about three boat lengths ahead of Allen. The next six were Ford, Munnell, Louis Borges-No. 6868 of Arlington, Virginia; Alexander, Wally Crump in No. 6346, and Marcy Lippincott in No. 7018.

THIRD RACE

Start 10:00 A.M.—Friday, September 5—wind southerly 8-10. Starting line was perfect. The writer saw only the start of this race since he was sailing the Fiberglas Boat XFB-1 in the President's Trophy.

At the start, however, he saw Dr. John Gentry, No. 6600, from Fleet No. 1, Skaneatles, New York, make a perfect leeward start and move rapidly away from the leeward group. This side of the course was favored and at the first mark it was Uhl, Carl Eichenlaub, Gentry,

Cox, Sr., Foht, Cawthra, Bob Spitz No. 5932 from Gary, Indiana, and Merrifield. The next two leeward legs were mostly uneventful. At the second weather mark it was Uhl, Cox, Sr., Eichenlaub, Merrifield, Foht, Allen, who had passed many boats. Spitz, Cawthra, Dr. Gentry, and Bob Crane, No. 7019. The Committee shortened the course, finishing the race at the end of the next spinnaker reach. Positions were unchanged except that Crane passed Dr. Gentry.

FOURTH RACE

3:00 P.M. start—wind southerly 12-14. Starting line perfect. If any part was favored, it was the weather end

because those boats who went quickly to the port tack from the weather end faired better than those who sailed off the leeward end on the starboard tack.

Young Tom Munnell, No. 5985, was ahead for almost the entire race after the first mark and won the race convincingly. Bizzie Monte-Sano in No. 5988 was second most of the way, with Howard Foht in close pursuit in No. 1916.

Cawthra was fourth, Carter Ford fifth, Wally Crump in No. 6346, sixth, Bill Cox, Sr., seventh, Ben Smith in No. 6348, eighth, Bill Cox, Jr., ninth, and Alexander in No. 7044, tenth. Bill Uhl in No. 6981 was twelfth, John Merrifield in No. 6333, thirteenth, and Tom Allen in No. 4811, was sixteenth.

FIFTH RACE

Wind about 8-10 out of the south, showing signs of freshening. Start postponed about 15 minutes to set up perfect starting line, which was done.

Shortly after the start—which was the prettiest start of the entire Regatta, the match races started to develop. Tom Allen was ahead of Monte-Sano and Merrifield from the leeward end and covered them but not closely. He was winning the race off the leeward end. Cawthra was ahead of Uhl and Munnell from the middle of the line

and it quickly appeared that Uhl and Munnell were match racing for second place. This development placed Cawthra in an extremely choice position because Munnell was covering Uhl, making it a simple matter for Cawthra to cover both.

Half way through the first long weather leg it was evident that the boats who had peeled off the windward end, and went quickly to the port tack, were ahead. At the first weather mark Bill Cox, Sr., had a good lead with Carter Ford second, Bob Crane, third, and Lucie Sheldon, fourth.

Cawthra, Uhl, and Munnell were in the next group with Monte-Sano, McIntosh, No. 6556, Allen, Smither, George Fisher, and others in a group just astern. The second leg was a very close spinnaker reach and the entire first half of the Fleet, except for Bizzie Monte-Sano, immediately set spinnakers. Very quickly the wind shifted to the southeast and spinnakers became imprac-

tical. The shift was quite sudden accompanied by an increase in velocity. Monte-Sano made a killing by not having his spinnaker up, passing all the boats in his group.

It appeared at this time that the wind had permanently settled down in the prevailing direction of southeast, which would almost eliminate the weather leg.

The third leg was dead downwind and Crane passed Ford. By the time the boats reached the end of the first round, however, the wind had shifted back slightly west of south. Bill Cox had a good lead with Bob Crane second, Carter Ford, third, and Lucie Sheldon, fourth. This group started the second weather leg on the port tack going off to the west, followed by Allen and Monte-Sano. Merrifield and No. 6556 tacked to the starboard tack at the beginning of the second weather leg. When the wind shifted back east of south, these two were on the right side of the shift as were Cawthra, Uhl and Munnell. Cox, covered Crane up the starboard side of the course with Cawthra, Merrifield No. 6556, Munnell and Uhl generally on the port side of the course.

At the end of the second weather leg it was Cox first, Cawthra second, Crane third, and Merrifield—who had worked his way up from about 30th—fourth. No. 6556 was fifth, Munnell sixth, and Uhl seventh. Positions were generally unchanged on the next two leeward legs.

Starting the last weather leg Cox covered Crane on the starboard or west side of the course with Cawthra covering Uhl and Munnell on the port or east side of the course. Merrifield and No. 6556 were free to go wherever they wanted. With two-thirds of the weather leg gone, Cox, Crane and No. 6556 converged with Cox still ahead, but No. 6556 had passed Crane so Cox covered No. 6556 vigorously to the finish line. Flip-flop! Flip-flop! In the meantime, Merrifield and Cawthra converged about 500 yards from the finish line with Cawthra laying the mark. Merrifield tacked for the finish line with Cawthra laying the mark, but Cawthra went back to the starboard tack to cover Uhl and Munnell. All three of these boats thus overstood the finish line.

At the finish line Merrifield slipped in ahead of Cox; thus winning the race, with No. 6556 third, Cawthra fourth, Carter Ford fifth, Uhl sixth, Crane seventh, Ben Smith eighth, Munnell ninth, Allen tenth, and Lucie Sheldon, eleventh.

So, President Hank Cawthra, with a superb and sensational exhibition of consistent sailing, won the International Championship for the second time. He was in contention at all times in all races, except the first race, when he started in the tank and worked his way up to finish third. How he accomplished this, this author will never fully understand.

All in all, the people at Little Egg Harbor Yacht Club were tremendous. The wind was terrific. The weather superb, and everyone completely and thoroughly enjoyed their week at Little Egg Harbor.

The sincere thanks of the Lightning Class Association go to our fine friends from Little Egg Harbor Yacht Club. Their hospitality, complete cooperation, and good humor was positively outstanding.

And our congratulations to Henry J. Cawthra, and his fine young crew, Otto Scherer and Arnie Neumeyer.

Hank Cawthra, 1958 International Champion of the Lightning Class

They're Doing Something You Should Know About!

In 1958, a handful of Lightning skippers used Murphy & Nye Sails.

There were not more than a few in any one championship, yet look what they did—

FIRST—International and European Championships. FIRST in the District Championships of New England, Michigan, the Midwest and the Pacific Northwest. Also, winner of important

Larchmont Race Week.

Already in 1959, they have won the *Mid-Winter* Championship!

Now, before the season is over, is the time to order yours.

THIS AND THAT FROM THE PRESIDENT'S CUP

By Tim Nelson

This is the opportunity I have been waiting for, for some time—the chance to go down in print saying that the Lightning Class is the best sailing class to combine both sociability and keen racing!

Fifty years ago this Class would not have developed so rapidly—at least to the proportions which we see today. Modern transportation and more important, modern highways, have made this possible. Now it is possible for crews and their families to travel to regattas all over the continent, especially wonderful on long weekends.

Take the case of the JUSTUS. She covered 4,000 land miles in 1957. Except for St. Petersburg, all of this was done on weekends. The 1958 season was about the same. Because of the ease of travelling I not only took my boat but also my wife, who was expectant! (We now are the proud parents of a son).

Speaking of young ones, I must also make a point concerning the junior sailors. The officers of the Little Egg Harbor Yacht Club did a wonderful job which might not have been possible without the help of their junior sailors—and some of which were very junior. It seems

that all you have to do to get help from these kids is to give them a little responsibility—they will work harder than the adults.

We raced on Little Egg Harbor Bay, which lies between the mainland of New Jersey and Long Beach Island, about thirty miles north of Atlantic City. Since Long Beach Island is nothing more than an enlarged sand bar, you can realize that the water in the bay is not too deep. One of the more amusing things to me was watching (and also participating in) the parade of boats through a "Z" shaped channel, in single file. This channel was the only means of getting from the Yacht Club to the course. Many times, of course, we were towed by power boats to save time—and energy. At high tide it was possible for the gamblers to lift their centreboards and cut the corners. We only went aground twelve times while sailing from the Club to the course.

We in the President's Trophy Series also had the opportunity to sail against the first fiberglass Lightning. Since the boat had been rushed to completion and was probably not tuned up properly, she neither won nor came in last in any races.

Sitting here reminiscing, I realize that this, for us, was an eventful regatta. After watching the International boats start, we planned our start accordingly, for our first race. The results were much better than we had

anticipated. Suddenly we became more optimistic about our chances.

From there on in, there was no relaxing, except at the bar in the evening. Actually, this is a sort of conditioning process which you sailors, of course, realize is a necessity. Sailing hours are far tougher than working hours. We left the Yacht Club in our boat each day at about 9:15 in the morning, coming back for lunch at 1:30, then out to the course again around 2:15; back again at 6:30. By the time we put the boat away and had supper, there were only a few hours left for the stronger ones to look for an evening's entertainment. Naturally, I was in bed every night around ten.

The second race—"quel res!" (Canadian translation: "How about that, aye?"). The JUSTUS won this one. We had a pretty good breeze (the race committee said it blew about 22 MPH and steady). At least two boats capsized and another lost a mast. In this race we had trouble on the weather legs. We did well on the spinnaker legs, which were nothing short of hair-raising, dead before the wind and continually in danger of catching the weather chine and capsizing. After the regatta, our rival Dick O'Donnell told me what was happening on the weather leg. We were not going far enough over on the starboard tack to get clear of the main current when we tacked for the mark on port. Thus we had to sail \(\frac{1}{2} \) MPH faster if we were going to keep up to the boats which had gone a hundred yards further before tacking.

This race I chalk up to the efforts of the crew—my brother Doug, and Dick Townsend. When it comes to wind and spinnakers they are hard to beat. Like all crews, they grumble and say the skipper gives them a hard time. But they come back for more!

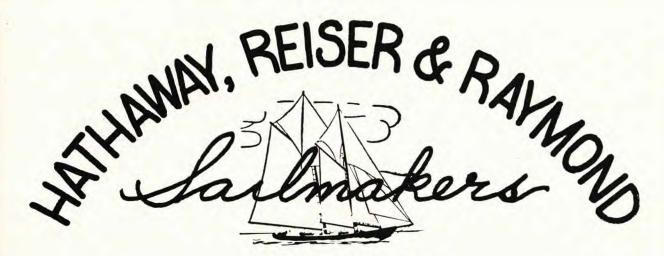

Going into the last race we were tied for first place with Dick O'Donnell. We covered him shortly after the start and managed to keep a boat or two between us. Dick finally fell into the tank the second time around. It was probably just in time because I felt like jumping out of the boat myself. So there we were: in half an hour or so we would know if we had made it. I kept telling myself "just sail around the course as fast as you can". Anyone who has been on top knows how ridiculous that sounds, in the middle of the race.

I would like to mention two other competitors in the President's Trophy. Fred Hibberd, who would probably have won the series if he hadn't capsized. Fred showed good sportsmanship for he probably realizes there are many good races ahead of him.

Bob Bleasby, too. He is a fellow Canadian whom I met for the first time while racing in 1957. Since then Bob has improved considerably and is beginning to give me a hard time. He sure did well in New Jersey.

Think I had better go out and sand down the hull once more.

THE EUROPEAN INTERNATIONAL CHAMPIONSHIPS

Loviisa July 28-August 2, 1958

The third official European Championships of the Lightning Class were organized by Ostra Nylands Segelforening in Loviisa, Finland on July 28—August 2, 1958.

28 boats had registered, but four of them, including three Italians, could not arrive.

ONS was well prepared to take care of this important event. This small but most active club had always performed excellently as the host of several Finnish Championships and other bigger regattas so the LCA District of Finland officials felt fairly safe about the organization. No serious complaints were heard during the race. Also the weather, which had been rather unsteady for weeks, turned fine, and the races were performed in excellent summer weather.

Monday was the day for inspection of boats and sails. All boats were finally accepted though in some cases only after shortening of boom, or spinnaker boom or adding extra weight to the hull, etc.

The first race was sailed on Wednesday morning. The wind was steady and the conditions ideal. At the first mark Possilipo, Fandango, and Cinderella turned first followed by Daphne and Caramba. Pepita, Katrina and Kesaheila, which also in the later races competed for the title of the best Finnish boat, were also in the front half of the fleet. The third leg was a reach; part of the boats still used spinnaker. Katrina passed three boats and approached the Mediterranean ones. In the middle of the fleet Sill-da-capo was flying and passed five competitors. During the windward leg of the second round Pepita sailed fine and finished fourth, whereas Katrina fell to

the ninth place. The top boats kept their positions and Posillipo took her first victory.

The second race was sailed in the afternoon. Daphne took the best start and held its position throughout the first round. But during the second windward leg Posillipo took the lead and turned to the run about 10 secs. before Fandango and Daphne. Daphne was fast on this leg and passed both Fandango and Posillipo finishing 20 secs. before the latter. Kesaheila was fourth about 2 mins. after the winner. Pepita and Chryssanthis came next.

The second day of the regatta was just as fine as the first one. Daphne was again good at start, but the two Italians, Posillipo and Fandango, overtook it before the first mark. Caramba and the Swiss La Petite Folie turned

soon after Daphne, then came Kesaheila and Chryssanthis. At the start of the second turn the positions of the seven leading boats were unchanged. Katrina had sailed well climbing from the twelfth to the eighth place and continued its fine course during the second round also. It finished fifth. At finish line Chryssanthis forced Kesaheila outside the mark and the latter lost two positions. Chryssanthis was disqualified.

At the start of the fourth race the line was crowded. Fandango, Katrina and Hessu II were called back. Caramba and Cinderella had the best positions soon after the start but Posillipo overtook them still on the beat. Pinocchio and Jessic also sailed well to the windward. Fandango was quick to recover and soon it was already well placed within the fleet. Posillipo had a safe lead of about a minute after the windward leg but its skipper failed to recognize the turning mark and only after Fandango had turned did Posillipo grasp the situation. At this moment, however, Caramba, Kesaheila and Pepita had already passed the unfortunate Posillipo, which was chased by Chryssanthis, Cinderella, Daphne and Katrina. On the reach and on the following run Posillipo overtook two boats. Equally well did Katrina which was soon fourth. Posillipo still passed Caramba but Fandango was too far ahead. Daphne passed Katrina and Cinderella fell to the ninth place having been passed by Kesaheila and Pepita.

The second day thus finished with equal points (109) for Posillipo and Fandango. Of the Finnish top boats Kesaheila, Pepita and Katrina were also very close to each other: 93-92-91. The decision was thus left to the last race.

On Friday the Race Committee chose the longest of the available courses. At the start the wind was beam and while most boats found themselves crowded near the windward mark, Pepita resorted to a seemingly hazardous maneuver and hoisted the spinnaker at the lee mark. It suceeded and she was soon the leading boat. The other boats climbed first to windward and then hoisted their spinnakers. Fandango and Katrina lead at the first mark. The second leg, which was intended to be windward did not make a very good beat, because the wind had turned slightly. Pepita passed Katrina on this leg to hold the second place for awhile, but on the run Posillipo took its accustomed position as the second. This place it was destined to hold for the rest of the race. During the second round Daphne passed Pepita not too far from the finish line as Pepita was busy watching Kesaheila. The finish of the last race was very even: Daphne (as the third after Fandango and Posillipo) finished nine seconds before Pepita which beat Kesaheila only by six seconds. Seven seconds after Kesaheila came Katrina.

The Mediterranean boats showed once again their admirable sailing abilities. The best Finnish boats were not, however, very far in points from the top boats. The hero of 1958 was the 25-year old Franco Cavallo from Naples sailing his Fandango with Father Mario and Ennio Magri crewing. Cavallo was the winner of the unofficial European Championships in 1955 and the runner-up in the two years following. Gaetano Pesce (Posillipo), also of Naples took the honorable runner-up position this year. Spyros Bonas of Greece sailing with Daphne was an undisputed third.

SOUTH AMERICAN CHAMPIONSHIP Guayaquil, Ecuador, October 6-11, 1958

During the III Lightning Class Congress, held in 1957 in Montevideo, Uruguay, our country was designated to hold the IV South American Lightning Class Championship.

Consequently our Fleet No. 272 entered a period of great activity to prepare all the facilities, with the invaluable assistance of our parent organization The Guayaquil Yacht Club, and select the three crews and boats that would represent it.

The selection was made on the basis of the performance rendered by the participants in a series of ten races that were held during the months of July, August and September, in a salt water estuary in the vicinity of the projected New Port for Guayaquil, which was chosen as the ideal place for the event as it offered reliable wind conditions, a hardly noticeable current and freedom from obstacles and hazards.

At the end of the ten races, which also constituted the local championship, the following skippers headed in points scored: 1st—Enrique Plaza L. (Boat No. 5863), 2nd—Emilio Estrada Y. (Boat No. 5860), and 3rd—Oscar Bjarner (Boat No. 5859), who were therefore elected to participate in the forthcoming international event, and entered into an intense period of further training and preparation. The rest of the fleet members inspected and prepared 14 identical boats, built by H. G.

Baay of Holland, that were placed at the disposal of the Organizing Committee for the use of the visitors that did not bring their own.

The championship was officially inaugurated on October 5th, when the ceremony of raising the flags of the participating countries took place on the terrace of the Guayaquil Yacht Club, who was host for the event.

The countries and crews that honored our invitation were:

Argentina, with 2 crews: Alberto Miggone, Hector Campi and Martin Pratts.

Ricardo Baader, his brother Juan, and Mario Cubria.

Bolivia, with 1 crew: Bernardo Elsner, his brother Hans, and Ricardo Roberts.

Chile, with 1 crew: Pablo Gallyas, Mauricio Fernandez and Isidoro Melero.

Colombia, with 3 crews: Rafael Obregon and his wife Leonor, and Eddy Akjay.

> Maurice Jacobs and his wife Francine, and Raymond Jacobs.

> Guillermo Ballesteros, Jorge Londonn and Roberto Ospina.

Peru, with 3 crews: Carlos Navarro G. with his father Carlos, and Enrique Conterno.

Dr. Jose Barreda Moller, Carlos Arteaga and Manuel Delgado.

Uruguay, with 1 crew: Dr. Julio Goldie, his brother Hector and Ricardo Lopez.

The three Ecuadorian crews were: Enriquee Plaza L., Humberto Plaza L., and Aparicio Plaza.

Emilio Estrada Y., his son Emilio, and Francisco Sola.

Oscar Bjarner, Carlos Pino and Theodore Henriques.

The championship itself consisted of five races that were held in the afternoon hours of October 7th to 11th. Open races that had been scheduled for the morning hours of most of these days were later cancelled because of insufficient wind.

Consequently the championship got started on Tuesday, October 7th, with the start gun being delayed long enough to give the Chilean crew time to put on a new set of sails that were rushed from the airport to the site of the regatta, and rig out a boat to replace one seriously damaged during the preparatory race.

A wind velocity of 10 knots was enjoyed throughout the entire race, set in a triangular course with a distance of six miles. Navarro of Peru secured the leadership from the start and held it to the end. Plaza of Ecuador, who rounded the first marker in 8th place sailed a good race and placed 2nd. Miggone of Argentine placed 3rd.

The second race was held on Wednesday, October 8th, under wind conditions similar to those enjoyed in the first race.

During this race the home crew of Oscar Bjarner sailed one of its best races, leading the pack up to the 3rd marker where he was overtaken by Navarro of Peru and Plaza of Ecuador at the 5th marker. Navarro of Peru placed 1st, Plaza and Bjarner of the home crews placed 2nd and 3rd.

At the termination of the race Obregon of Colombia presented a protest against Navarro of Peru, but it was not accepted by the Race Committee because the protest flag had not been raised.

The third race was held on Wednesday, October 9th, which is the Independence Day of Guayaquil, and therefore attracted a large number of spectator craft filled with cheering crowds.

Before the race all the participants were greeted by the President of the Country, Dr. Camilo Ponce Enriquez, and several Cabinet Ministers, who remained to follow the entire race.

Winds ranging from 10 to 15 knots and the movement of the many craft present contributed to choppy seas, with some of the boats shipping water.

Navarro of Peru and Miggone of Argentina had a veritable duel, sailing an exciting race up to the end when Miggone placed 1st, Navarro 2nd and Dr. Goldie of Uruguay, 3rd.

This was a poor day for the home crews as they only captured 5th, 7th and 10th places.

The fourth race was held on Friday, October 10th, under light wind conditions that obliged the Race Committee to shorten the course. Miggone of Argentina secured the leadership from the start and was followed in by Navarro of Peru with only a few seconds interval. Baader of Argentina placed 3rd.

The President of the Republic, Mr. Camilo Ponce Henriquez, meeting the crew of the boats, which are being presented to him by E. Estrada, President of the Ecuadorian Lightning Association.

The fifth and last race was held on October 11th, under

a display of courteous and careful sailing on the part of each and all contestants.

The Argentinian crews of Miggone and Baader had another good day capturing 1st and 2nd places, followed by Navarro of Peru who come in 3rd. The home crew of Plaza sailed a nice race and overtook two boats in order to place 4th.

The final results of the IV South American Lightning Class Championship were: 1st—Navarro of Peru with 66 points, 2nd—Miggone of Argentine with 61 points, and 3rd—Baader, also of Argentina with 57 points.

The social part of the championship was covered by a cocktail given by the Guayaquil Yacht Club during the flag raising ceremony, a splendid buffet and dance given by Emilio Estrada, President of the Ecuadorian Lightning Association and a closing dance given by the Guayaquil Yacht Club during which awards were presented to all the participants.

The South American Lightning Class Congress convened on October 7th, and elected Mr. Juan Alfredo Wright, Commodore of the Guayaquil Yacht Club as its President in recognition of his work and efforts towards holding the best championship in South America to date, which it proved to be by a general consensus of opinion.

Dr. Jose Barreda Moller was re-elected in his capacity of Permanent Secretary.

The Congress also designated Colombia holder of the V Lightning Class Championship scheduled for 1959.

WINTER LIGHTNING CHAMPIONSHIP

St. Petersburg Yacht Club February 20, 21, 22, 1959

By Idy Smither

St. Petersburg Yacht Club, always gracious and friendly, outdid themselves this year both as to the quality of their racing and the fun they provided for their guests. Refugees from the frozen North arrived early. By Monday night twenty boats were in the water. Brush racing had been going on for a week.

The first race Friday morning with NE wind at 15, with sixty-three boats on the line, was slam-bang all the way around. Lippincott took the lead and never lost it. Fallon pulled out of the pack to second place, followed by Crane, Carlin, Wiedrick, Holman, Smither, McIntosh, Foht, and Wingard.

The second race was a humdinger. The wind NNE about 8-10 lightened and then switched to NNW and rapidly increased to 25 m.p.h. with gusts up to 35. There was a wild spinnaker ride, rigging broke, boats filled with water, and Crane, Oscar Nelson, Maltbie, Borges and Bryan dumped. At the end it was Foht, Nickels, Lippincott, Smither, Carlin, Holman, and Townsend. After the finish, Lippincott was told he had been over the line at the start and was disqualified.

Saturday was cool but sunny with a fresh NE wind 20 m.p.h. lightening to 10-12. At the start of the last weather leg when in second place, Fallon's rudder broke. They made a gallant effort to stay in the race by lashing the paddle to the backstay and were able to finish in 35th place. Wiedrick won this race with Lippincott second then Smither, Foht, Crump, O'Meara, McIntosh, Nickels and Borges.

There was a good 15 mile NE wind in the afternoon.

Foht, who pulled into the lead at the end of the second leg, gave credit to the superb spinnaker work of his crew, won the race. He was followed by Lippincott, Smither, Oscar Nelson, Carlin and Nickels.

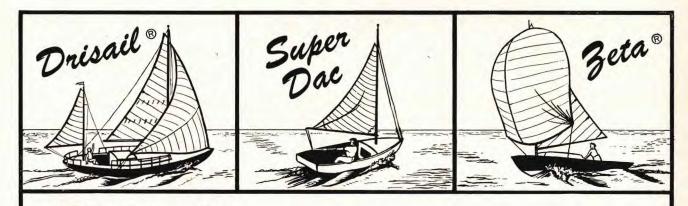

Going into the fifth race, Howard Foht was leading Karl Smither by one and one-half points, followed by Herman Nickels, John McIntosh and Wes Wiedrick. Skippers and crew were tense, interest was running high. There was a NE wind about 15 with a lot of sea. At the start Foht and Smither were boxed in and rounded the first mark 29th and 17th respectively. Lippincott made his usual good start and led all the way around followed by Fallon, Nickels, Oscar Nelson, Sullivan and Crump. Foht pulled up to 11th and Smither was 12th. So when final scores were in, the 1959 Champion was Herman Nickels with crew Joe Stueland and Pete Bennett by the slender margin of one-half point. Second, Howard Foht with crew Dr. John McKenna and Dick Schultz. Third, Karl Smither and crew Tom Allen and Bill Hughes. Fourth, Wes Wiedrick. Fifth, Wally Crump.

As usual, the St. Petersburg Yacht Club members put on a terrific floor show of four acts with over fifty people in costume at their Carnival Ball Saturday night. Johnnie Wilhelm in the clown act brought down the house. The cocktail party and banquet Sunday night filled the ballroom. Wally Bishop was on hand to present the trophies to the winners.

CALIFORNIA DISTRICT REPORT

District Commodore: Al Coha District Secretary: Earl Biggin

Fleets: Santa Monica Bay Fleet (102); Newport-Balboa Fleet (107); San Diego Bay Fleet (114); Southwestern Yacht Club Fleet (161); Mission Bay Fleet (194).

District Report: The district continues to be most active as a racing group. Fleet 194 continues to lead in size and number of trophy winners.

Fleet 102 is developing top skippers in Dick Benner, Wendell Harter and Thurman Wood.

The racing season runs through ten months starting with the mid-winter regatta held at Cabrillo Beach Yacht Club, February 22, 23, and 24. This regatta was won by Trevor Lewis of Fleet 194 in "Touche" followed by Kelvin Savell of Fleet 194 in "Six Grand".

Coronado Yacht Club hosted its annual small boat regatta, June 21 and 22. Fleet 194 again took honors with Carl Eichenlaub in "Billie" first and Al Coha in "Delta" third. Dick Benner of Fleet 102 spoiled a clean sweep by taking second in "Followmi".

The district championships held at Cabrillo Beach Yacht Club were next on the calendar. This event was won by Al Coha in "Delta" and Kelvin Savell was second in "Six Grand".

The Pacific Coast Championships were held at Vancouver, British Columbia. Trevor Lewis and Kenny Moore made the 2000 mile trip to represent the California district with Trevor Lewis giving the local boys a scare by taking the first race. He had to be content with a close third for the series.

Lightnings were well represented at Santa Barbara in the midsummer regatta held July 4, 5, and 6.

Dick Benner of Fleet 102 won this one in "Followmi" and he was followed by Wendel Harter of the same fleet in "Paddlin' Madelyn".

The Ken Reynard series was next, September 14 and 15 at Coronado Yacht Club. Al Coha swept this series in "Delta". Dave Wright of local fleet 114 took second in "Wrightone" and Kelvin Savell Fleet 194 came in third.

The following week end Fleet 194 was back at it again in the Bob Herriman series—same place, same faces—only this time they made it a clean sweep with Al Coha taking it followed by Savell and Fred Knauer.

In the Annual Race Cruise from Southwestern Yacht Club to Mission Bay Yacht Club, Al Coha kept his winning streak going with another win.

"Al's string was broken the next week end in the Stanley Andrews Series. He had to be content with a third. Trevor Lewis in "Touche" took the honors for Fleet 194 while Ernie Green, newly of Fleet 114 broke-in his new boat "Koybita" by taking second.

The racing calendar wound up with the Thanksgiving Regatta held at Coronado Yacht Club. Trevor Lewis won this one. Wendell Harter of Fleet 102 was second in "Paddlin' Madelyn" and Al Coha in "Delta", third.

We are looking forward to even hotter competition next year with newer, better boats and new skippers like ex-international star champ, Lowell North.

Officers for the following year elected at the district meeting are Wendell Harter, Commodore, and Dick Benner, Secretary. Both of Fleet 102.

CENTRAL ATLANTIC DISTRICT REPORT

District Commodore: James G. Carson

District Secretary: Carl A. Beck

District Vice Commodore: J. Edward Lampman District Treasurer: James J. Daley District Measurer: William P. Clausen, Jr.

Active Fleets: Barnegat Bay (3); Little Egg Harbor (26); Mete-deconk River (34); Great Egg Harbor Bay (99); Lavallette (104); Brant Beach (173); Surf City (196); Cooper River (197); Brigantine (217); Riverton (228).

Inactive Fleets: Delaware River (8); Tri State Y. C. (18); Shore Acres (86); Spray Beach Y. C. (91); Toms River (92);

Mantoloking (210); Cape May Harbor (213).

District Report: 1958 was for the Central Atlantic District a year to look back upon with mixed emotions. It was a year of ups and downs, glory and defeat, frustrating failures and bright hopes for the future. 1958 marked a sharp and disappointing decline in the showing of C.A.D. sailors in the big regattas. True, we had one boat "up there" in each of the big ones, but not the usual three or four to which we have become accustomed. Much of this decline can be attributed to the temporary loss of three skippers who over the past five years have kept this District the number one District in sailing ability. John Tiegland, after bringing the Internationals to Little Egg with a fine second place performance in the 1957 event, sailed one regatta, then put SEDUCTRESS in moth balls in favor of a heavy business schedule which kept him busy most of the summer. Bob Adams received a sudden call from Uncle Sam in mid summer and his sister, Marge Alexander, sat out the season in anticipation of the birth of a son in the fall. The entire picture can best be summed up by citing the fact that for the first time since 1952 a C.A.D. boat failed to win the Atlantic Coast Championship. In fact, only one boat made the trip to Long Island.

On the bright side, newcomer Marcy Lippincott continued to learn the tricks of Lightnings and sailed amongst the best at St. Petersburg in February, bringing home a fifth place. Dick O'Donnell battled down to the last race in the President's Cup before settling for a highly respectable fourth. Knight Alexander, a first year skipper, climaxed steady improvement by astounding the old pros of the District with a wonderful sixth in the Internationals. Most encouraging for the future is the increased participation in Interfleet regattas by members of fleets who for a number of years have stayed strictly in home waters. It has long been our feeling that a fleet can grow stagnant within itself if all its sailors stick to the same home competition all the time. If a few boats travel to regattas they will at first take their lumps, but gradually they will improve and in turn, return to their own fleet and improve the quality of competition there. This feeling led to the reassessment last winter of District activities to determine why several of our large fleets were going great guns at home but were very unenthusiastic about competing away from home. (See 1957 report.) The conclusions reached led to increased coordination in the scheduling of regattas, increased publicity to all District members, and the establishment of a companion series held at the same time as the District Championship strictly for skippers not interested, by reason of inexperience, slowness of boat, or lack of time in competing against the "hot shots". Despite the weather, these plans helped draw a total of 22 boats to the two regattas and we hope helped reverse the downward trend which had seen participation in the District regatta fall off steadily from 22 in 1954, 20 in 1955, 15 in 1956, to a low of 13 in 1957. It is also encouraging to note that 8 fleets were represented as against 4 the previous year.

The District Championship itself started out as a hotly contested series through the first three races but was cooled off considerably by a very dark, windy thunderstorm which plowed through the fleet midway through the fourth race. Before this chaos seven boats were within 10 points of each other and could be considered as having a shot at the qualifying berths.

When the darkness cleared Knight Alexander lay upside down in the water and Dick O'Donnell was drifting aimlessly without a spar thus materially hurting their standing. Bob Adams held first place throughout the series to join John Teigland as the second double winner of the District event. The final results

The black squall also took its toll of Commodore's Cup boats as five failed to finish their second race and only two showed up at the starting line for the finale. In this match race for the consolation championship Dick Powell bested Dave Thurston. The series results were:

5837 Dick Powell Brant Beach 25 Dave Thurston 6957 Great Egg Harbor 23 5092 Otto Hansen Surf City 15 Tom Coe 4206 Brant Beach 14 Dick Grey Hal Dicke 5522 Surf City Little Egg Harbor 5615 5616 Charlotte Baldt Brant Beach 1876 Ed Lavery Surf City 2674 Bill Dunbar Barnegat Bay

A productive District meeting saw the re-election of all District Officers and a discussion of ways to stimulate more activity. Again the question of returning to a three race District Championship received much discussion and at this writing a questionaire is out to all District members so that they may voice their opinions. In addition they have been asked to indicate whether or not they feel the Commodore's Cup series should be continued. When the results are in the Executive Committee elected by the Board of Governors will meet to lay plans for 1959. It is certain that whatever else transpires increased coordination of regattas and publicity to all members will be continued. Revision of the District Constitution is also on the agenda, pending receipt of L.C.A.'s revised Constitution. The Executive Committee for 1959 consists of:

James G. Carson......District Commodore Carl A. Beck...... District Secretary William Clausen, Jr..... Fred Slovak Fleet 104

While the Central Atlantic District is going through a transition period of revitalization, hopes for the future are bright.

New prospects are gaining interest and improving in sailing ability, we expect the return of several of the "old faithfuls" and we hope next year to put four skippers in the top ranks once again. There are many superb sailors in the Lightning Class. The difference between being on the top and on the bottom is very small. We appreciate the excellent job done last September by Hank Cawthra and look forward to sending forth our forces in challenge next September. our forces in challenge next September.

CENTRAL NEW YORK DISTRICT REPORT

District Commodore: Charles W. Hallagan District Secretary: James A. Bentley, Jr.

Fleets: Skaneateles Country Club (1); Onondaga Lake Fleet (10); Mayfield Y. C. (13); Canandaigua Y. C. (44); Newport, Y. C. (77); Lewis Point Fleet (93); Great Sodus Bay Fleet (108); Red Jacket Fleet (125); Conesus Fleet (140); Genessee Y. C. (148); Owasco Y. C. (149); Cazenovia Fleet (164); Henderson Harbor Fleet (225); Keuka Lake (252); Brockport Y. C. (267)

District Report: The Central New York District registration increased substantially this year, and the District Championship at Newport hit a new high of 40 boats. Besides the District Championships, we had five other big regattas in our area as follows: CNYYRA at Ithaca, Skaneateles, Sodus Bay, and Onondaga Invitationals, as well as the Lake Shore Lightning Regatta at Brockport. This was the final LSLS Regatta. We'll miss the early season regatta which has belond us to start the regatta early season regatta which has helped us to start the regatta circuit each year witth good competition and fun for all.

The Districts: Skinner Reynolds, wife Mary Etta, and daughter, Cindy, really showed the boys how, under variable conditions at the Districts. The first 15 in the final standings were as follows:

1. Reynolds 2. McIntosh 5. Carpenter

3. Bloomer

6. Johnson 7. Gentry 8. Jamison 10. C. Hallagan 11. Wunderlich 12. Unbehaun 14. Fogarty 15. Andrews

9. B. Smith 13. Finn

For the second year in a row, Reynolds qualified, but was unable to attend the Internationals. Those who did participate in the big one were: Dr. John Gentry, Bob Bloomer, and Herbie Johnson, finishing in that order.

We were also well represented in the President's Cup Regatta by Barney Smith, Jack Hammel and Bob Jamison. At the close of the Skaneateles Invitational Regatta, "Christine

UGH" was passed on to Joe Carpenter, and we trust that she is now sitting on the mantle in Hartford, Connecticut.

It was great fun this year, but next year will be better than

CENTRAL STATES DISTRICT REPORT

District Commodore: Gaines Houston District Secretary: Cecil Ginrich

Fleets: Jayhawk (60); Tulsa Sailing Club (205); Ouichita Fleet (284); Fort Gibson Sailing Club (293); Odd Winds (296).

District Report: Fleets in Kansas, Oklahoma, Missouri and Arkansas form the Central States District, and the big event of the District, of course, is the District Championships, held this past year on Lake Gibson, fifty miles southeast of Tulsa. June 28th and 29th, 1958, was the date and every fleet in the district was represented.

Seventeen Lightnings crossed the starting lines, and the first ten boats in the series were as follows:

		Politis
1.	#2967, T. H. Flanagan	44
2.	#1704, R. P. Lennart	44
3.	#4342, Joe Seger	40
4.	#1270, Elliot Norquist	38
5.	# 120, Eugene Hunt	35
6.		34
7.	#6900, Harris Squire	27
8.	#7001, Bill Schwartz	27
9.	#3427, Herold Coman	24
10.	#2661, Rice and Boon	20

Please note the tie score for first place, the races were that close. After some discussion the Trophy was awarded to Flanagan because he was victor over Lennart in two of the three races.

Parties were held Friday and Saturday nights, and though "Old Banghead" did not seem to help with the decisions to be made by the participants during the races, they were enjoyable.

The 1959 District Championship series is scheduled for June 6th and 7th, again at Lake Gibson, and the 1960 Championships on the home waters of Ouichita Fleet #284.

District Report: The Lightnings continue to offer the finest racing competition on Chesapeake Bay. Unbiased observers (the Lightning sailors) continually remark on how much finer the starts of the Lightning fleet as a whole are, and how much closer the fleet is bunched at the finish. The fewest Lightnings to show at any of the regattas where Lightnings were racing were seven, the maximum number thirty-seven, and the normal number above fifteen. Truly ideal racing competition!

fifteen. Truly ideal racing competition!

The annual meeting of the Dixie District was held at the Baltimore Yacht Club, home of Fleet #87, in March. Since Carroll Burress, last year's District Champ, was from Baltimore, tradition had it that Baltimore Yacht Club's bid to hold the District Championship Regatta should be accepted. So Baltimore threw the regatta, and gave an example as to just how a regatta should be run. From the launching of the first boat to the dunking of the winning skipper, the regatta went off without a hitch.

They also supplied the sailors with a variety of weather conditions. The Saturday races were held under high wind conditions, with a thunder-storm climaxing the second race. The Sunday races were ideal for the drifters—the fastest moving thing in the area was the tide.

In all these conditions Marbury Fox showed how it was done. The red "Tally-ho" always seemed to be out in front, and it was no illusion. With a 1-2-1-1 record for the four races, he ran away with it.

This year marked the first year in quite a while that the Baltimore fleet's stranglehold on the silverware for this series was weakened slightly. Two of the top five in the District were not from the Sue Island Fleet this year.

The trophy winners for this regatta were:

CLO	pily williers for this regarde were.		
1	Marbury Fox, Jr.	Fleet	#87
2	Barney Mead	Fleet	
3	Lou Borges	Fleet	#50
4	Robert Tunnell	Fleet	#72
5	Herman Henschen	Fleet	#87
No	vice James B. Gilbert	Fleet	#50

The contest for the Chesapeake Bay Yacht Racing Association high point trophy for Lightnings was practically the same story. Marbury Fox showed the way with a string of firsts and seconds that couldn't be matched. But each individual regatta was a contest in itself, with the outcome always in doubt. For good racing, the Chesapeake just cannot be beat!

The windup showed the CBYRA standings like this:

1 Marbury Fox, Jr. 2 Barney Mead

3 Herman Henschen

Many new boats are on order, boats are being swapped all over the place, fleet skull sessions on tactics and tuning are being held, and even a new fleet is thinking of organizing, so—it looks like the 1959 season will be the best yet. From the first race in April at the Annapolis Spring Series, to the windup at Quantico Marine Base in November, you're all invited to make the Chesapeake at least one stopover next year!

FINLAND DISTRICT REPORT

District Commodore: Raimo R. Nordstrom District Secretary: Jukka Koskimies

Fleets: Helsinki Lightning Fleet (166); Kokkola (297); Kotka (298); Lovisa (299); Pori (306); Oulu (307); Raahe (308); Kemi (310).

District Report: The 10th year of Lightning activity in Finland started on October 31st, 1957, when the annual meeting of the District was held in Helsinki. Commodore R. R. Nordstrom, Secretaries Jukka Koskimies and H. Thelen, Vice-Commodore, S. Hartikainen and Treasurer R. Aromaa were all reelected. After the annual meeting there was an informal session, where Commodore Nordstrom reported of the 1957 European Championships in Phaleron Bay, Greece, where he participated, and Mr. V. Ahola showed a film.

During the season the Lightning Class has been very active in the Helsinki area, as well as in several other localities, especially in Lovisa. During the year we have got four new fleets in our District (306, 307, 308, 310). The Finland District with Yacht Club ONS and Lovisa Fleet were hosts to the biggest sailing event in Finland during the summer, the European Lightning Championships, which were held in Lovisa from July 28th - August 2nd.

The District Championship Races were organized by Yacht Club Merenkavijat and Helsinki Fleet from August 29th-September 2nd. Because of an uncomfortable time (three workdays)

only 10 boats entered the races, three from Lovisa. Raimo Aromaa, sailing his "Kesaheila" with Terho and Hannele Aromaa crewing won the Championship very clearly with four first and one second place. For the second place there was a tight fight between Veikko Larmia (Pepita) and Jukka Koskimies (Tuttemuj). In the end they got the same points, but Veikko Larmia got second place with his one first.

The weather was very fine during the races-warm, sunny and

just the right size of winds.

Several interfleet events within the District included the Helsinki Regatta. "Kesaheila" won two races and "Pepita", "Cinderella" and "Hey Day" one race each. R. Aromaa with "Kesaheila" won the Rautavaara-Kacklund Trophy. Almost all the Lovisa Fleet participated in the East Finland Regatta where "Katrina" (R. R. Nordstrom) won the points prize. Kokkola Fleet participated in Gulf of Bothnia Regatta in Vaasa.

Our District Commodore, Raimo R. Nordstrom participated in the LCA International Championships and Annual Meeting in Beach Haven, N. J., where he was able to give some opinions of the European Lightning sailors to the LCA.

Reports from the fleets show greater activity almost everywhere, and that we are going to get several new boats for next season.

District Report: The Greek District of the LCA was formed in 1957 on the occasion of the European LCA Championship, which was held in Phaleron Bay during the summer of that year, and was attended by the President of the LCA Mr. R. Mann who came to Greece for that purpose.

The Lightning sloops were introduced to Greece back in 1950 by the Piraeus Sailing Club. Many one-design boats were considered and finally the Lightning was selected, as more fitting

to prevailing sea and wind conditions in Greece, her comparatively low cost—at that time—and her easy construction.

Seven boats were originally built and sold to club members at cost price. Following this first venture which proved successful, and the encouraging acceptance and demand for the boats by members of the Club and other yachtsmen, the Piraeus Sailing Club built in 1951 another six boats in an effort to increase their number, so that races could be held with a larger number of competitors. Some of these boats were kept by the Club, and some were sold to its members.

A little later the first Greek LCA Fleet was organized in the

Club by some of its members.

Since then the Class progressed steadily due to continuous efforts from the part of the sponsors, in spite of the restricted financial means of the average Greek small boat yachtsman, and the inadequate yacht building facilities and related experience in Greece.

As a result after only six years, the number of Lightnings in 1957 was increased to over sixty all over Greece. Furthermore, the 1957 European Championship was organized by Fleets #251 and #286 and the regatta was successfully held in Phaleron Bay where the racing, waters of the above fleets, are located.

In 1958 the Greek District, accepted the proposal of the Salamis Fleet (#251) to organize the National Championship in his waters assisted by its affiliated "Piraeus Sailing Club".

The regatta took place last June at the racing waters of the above Fleet, with a large number of participating Lightnings, from all the Fleets.

The series was won by Spyros Bonas skipper of "Daphni" #6258 who had on board his two brothers Stelios and Takis

The same boat and crew, as well as a second boat were sent to Finland to represent the Greek District at the European Championship held in Lovisa during last September.

"Daphni" was again placed third after two Italian boats but was ahead of the Swiss and Finnish boats, as well as of the remaining Italian American and Greek boats.

The Greek District wants to extend through this report its hearty congratulations to the Finnish District, and personally to Mr. Nordstrom for the excellent organization of the Championship and thank him for the warm hospitality extended to the Greek crews in Lovisa, as well as, for the free and safe transportation of the two Greek boats to and from Finland.

Beyond the above activities, the Greek District assisted in the organization of many local events, held during the last racing

It is hoped that the individual reports of the Greek Fleets will cover the above events.

District Report: District fleets have all organized races in their own waters and the Italian sailors enjoyed traditional hospitality at Anzio-Sorrento-Naples.

Home fleet for the District Championship was Naples Fleet (191) affiliated with Circolo Canottieri Napoli and Circolo Nautico Posillipo of Naples, whose Governing Board and members

were fine hosts. The championship was opened with a cocktail party at the Club Canottierei Napoli, followed by the annual meeting of the District. It was called to order by the District Commodore, Enzo Di Lorenzo, and the 6 fleets of the District were represented. Mr. Di Lorenzo reported fleet activity during the last season and the addition of 5 new boats. The treasurer's report was read by Antonio Tafuri and was approved. The Commodore asked for nomination of new officers but the membership voted unanimously to re-elect Enzo Di Lorenzo as Commodore and

Mario Cavallo as Secretary. The District Championship was sailed with 9 boats, one boat

forfeiting.

The districts this year were sailed in winds that varied from 0-10 mph on Friday and Saturday to very heavy wind in excess of 20 miles an hour for the fifth and final race on Sunday. Our hats are off to the Royal Canadian Yacht Club and Larry Reid and his fine committee of members 146 that worked

so hard to make the 1958 district regatta one of the best yet. This year we are happy to say that all the active fleets in the district have paid their dues and that we have 168 paid boats, this is the largest number of boats that have ever paid their LCA dues. The success of this membership campaign is mainly due to the efforts of Past Commodore Dick Carrel.

At our district meeting held on August 16 it was decided to hold the 1959 district regatta at the Erie Yacht Club. New officers for the coming year were elected. District Commodore Jack Swanson and District Secretary Bob Robinson both are members of Fleet 59.

District Report: As usual the 1958 sailing season opened with a Spring Series hosted by Fleet 70, Red Bank on the Shrewsbury, with a goodly number of hardy souls participating. This series is something to look forward to after coming home from St. Pete (if one is lucky enough to get to St. Pete) and really makes the winter seem much shorter.

The Districts were sailed this year at Perth Amboy, with the Raritan Yacht Club as host. This is the home of Fleet 185. The regatta was sailed on July 19th and 20th on Raritan Bay, with plenty of water, and as it turned out a little too much air. There were six Fleets represented namely: Paupack, Lake Mohawk, High Tor, Red Bank, Nyack, and Raritan, with a total of twenty boats.

"Quick! Where's The Next Mark?"

As was stated above there was just a little bit too much air by race time, and unfortunately at the second leeward mark, where it was necessary to jibe, boats went over one, two, three in the first race. These conditions brought about the postponement of the Saturday afternoon race until Sunday. Sunday did not prove to be much better and after considerable delay and two skippers' meetings, the two races were finally run back to back

At this point, I think that this drawing by Tom deStasio, skipper of #5959, High Tor Fleet, explains the situation better than two thousand well chosen words.

On Saturday, the host club had a very nice cocktail party, followed by a dinner and dance.

The final scores were:-

InternationalsPresidents5380June Methot5980J. Giles6784Reid Dickerson6059David Gebhard5241Roy Knapp5096George Garrecht

The District summer meeting was held on Saturday, July 19th between dinner and dancing. It was decided at this meeting to have a winter meeting in November, at which time the prizes for the District Championship should be presented.

A few of our District boats went to Metedeconk River to participate in the Jersey Coast Championships, which event was won by James Carson of Metedeconk River Lightning Fleet #34, followed by Roy Knapp, of Red Bank on the Shrewsbury Fleet #70. As Jim was last year's winner, Roy will take the Jersey's to his home fleet in 1959.

I'm sorry to report we have lost a fleet in our district this year, namely Fleet #224 Shattemuc Yacht Club, which reduces our fleets to nine. Wish there was some way we could persuade these people they are missing a lot of fun by not taking an active interest in sailing all their beautiful Lightnings!

The winter meeting of the District was held on November 13th at the Howard Johnson Restaurant in Woodbridge, N. J., and we had a very interesting and enjoyable meeting. It was our pleasure to have as guests Mr. and Mrs. Carlton Allan, who were on their way to Quantico, Virginia to the Frostbite Regatta, and stopped off to see us. (This stop was a bit off course, but

During the meeting we had an election of new officers for next year, and also decided the site of the next Districts. Frank Hammond was elected Commodore and Fred Dickson was elected Secretary. These two people are from Fleet #295 Richmond County Yacht Club, who will be the hosts to the 1959 Districts.

To wind up the summer season, the day after our winter meeting, Friday, November 14th, we started the trek to the Marine Corps School at Quantico, Va., for the Frostbite Regatta. As always, a wonderful time was had by one and all.

Another year of active sailing in the Metropolitan District is closed. As I write this report the temperature is 28 degrees, having climbed up from 18 degrees, wind northwest at 25 mph, and I'm told the Shrewsbury River and Raritan Bay have ice along the shorelines. Not conducive to active sailing, but perfect for an open fireplace, good company, a cup of cheer, and memories.

MICHIGAN DISTRICT REPORT

District Commodore: Jack Beal District Secretary: Alton Gray

Fleets: South Haven Y. C. (30); Devil's Lake Y. C. (31); Crescent Sail Y. C. (51); Lake Fenton Y. C. (53) Pontiac Yacht Club (54); Grosse Ile Y. C. (68); Bayview Y. C. (83); Higgins Lake Y. C. (216); Ford Y. C. (233); Burt Lake (254); and Saugatuck Y. C. (294).

District Report: The 1958 Michigan District Season started out the same as last year with a very excellent meeting held again at our Commodore Dr. F. R. Arnold's home. A more congenial

and hospitable host will never be found.

The District Regatta was held at the Tawas Bay Yacht Club on Tawas Bay of Lake Huron. The events were scheduled for July 24 to 27, which turned out to be ideal sailing weather. The Race Committee, Rear Commodore Ralph Meyers, Art Richardson, Gordon Everett, Dan Carter of the host club and Commodore Gordon Everett, Dan Carter or the nost club did a commendable Harry McFarlane of Crescent Sail Yacht Club did a commendable that the research of the races. Threatening job of selecting the time for starting the races. Threatening weather was imminent before a few of the races. However, the whole regatta was a success in spite of the strong winds, as no boat capsized during a race. But every regatta has an entertaining crew and Burt Jones of Bay View had just that, when after rounding the finish mark in the fourth race his crew relaxed so much they allowed the boat to capsize. Which brings to mind another incident during one of the heavy air races. These Lightnings come about so fast that one skipper found himself steering the boat from the water (overboard) which is quite a feat for a boat builder.

The first five places of each race are as follows:

Cawthra, McKinley, H. Nickels, Goodwin, and Carlin Cawthra, Goodwin, McKinley, Pinkerton, & Allardice Cawthra, McKinley, Goodwin, Goldsmith, and H. 1st Race 2nd Race 3rd Race Nickels

Cawthra, Schudel, H. Nickels, McKinley, and Carlin 5th Race Goodwin, Plew, H. Nickels, Cawthra, and Jones

A total of fifty boats sailed in this regatta, which is the largest

fleet to date for the Michigan District.

The results of the races certainly point out that Cawthra is an excellent heavy air sailor. Just a few words here will fill in the background of Hank Cawthra as a Lightning Sailor in our Association races. He was Michigan District Champion in 1951, 1952, 1957, and 1958. International Champ in 1953 and is present International Champion for 1958. We are looking forward to Hank being the first three time winner of the Internationals.

The writer was so far back and very busy keeping the boat moving and upright for the first four races, that a more complete description cannot be given. However, no restarts were necessary, which denotes an excellent job of setting the starting

line by the Race Committee.

The fleets and number of entries from each participating in the districts were as follows: Devil's Lake Y. C.—2, Crescent Sail Y. C.—10, Lake Fenton Y. C.—3, Pontiac Y. C.—14, Bayview Y. C.—6, Higgins Lake Y. C.—3, Gull Lake Y. C.—1, Tawas Bay Y. C.—5, Saginaw Bay Y. C.—3, and three unaffiliated boats.

The Tawas Bay Yacht Club has just completed their club house and sailing on their water in a large bay is excellent for maneuvering and setting of any type of a course. The districts were sailed with three legs to weather on a triangular course, which certainly worked out as ideal. The accommodations in Tawas are ideal with a view of the bay for spectators and relatives. Meals were served at the club during the regatta and were enjoyed by all.

An interesting observation of this regatta was the young sailors (about 25) crewing for their fathers, friends and also in their own boats. These future Lightning Sailors are going to be good competition. Another observation was the number of musicians in the group. There should be an opportunity here for the organizing of the Junior Barefoot Philharmonics and give the Seniors more time to brag about their sailing. Again we thank the Barefoot Philharmonics for a lively session at the Saturday

night party.

As in the past the Michigan District Sailors have many invitationals to participate in, such as Spring Tune up Races at Toledo, The Kendall Series at Detroit, Tawas Bay Yacht Club July Regatta, Higgins Lake Invitational in August after the Districts, Lake Leland in the upper part of the lower peninsular of Michigan, Devil's Lake, Lake Fenton, Pontiac Yacht Club, Buckeye Lake at Columbus, Ohio and the final Bayview Sailorama Series.

COME TO OUR ANNUAL MIDWINTER LUNCHEON MEETING THE FIRST SATURDAY OF THE CHICAGO BOAT SHOW

More details from

District Secretary, Ross Bryan Life and Casualty Tower Nashville 3, Tennessee

who was elected secretary. Our mid-winter meeting will be held in Chicago to coincide with the Boat show.

District Regatta: The St. Joseph River Y. C., by virtue of Bill Campbell's convincing victory of the previous season, were hosts on July 12th and 13th when 31 boats contended for the championship. The St. Joseph Club performed admirably with Bill Campbell ably expediting the launching and retrieving and Joe Stueland keeping a steadying hand on all activities including a delightful steak fry. The first race was run over a modified Gold Cup course in a medium to light wind. The steady northerly current dumped several skippers against the first weather mark despite warnings from the local seers. The extra weather leg shuffled up the boats considerably. On going into the last leg, Ron Sisson of the St. Joseph Y. C. held a commanding lead but finally finished sixth and Bill Wingard, who looked as though he would be lucky to finish at all, won the race, with Bob Spitz finishing 2nd, Al Berg finishing 3rd, Ron Blair 4th and Dean DeVries fifth.

The second race was sailed in a five knot wind and a strong current that made starting rather difficult. At the finish, several boats were carried beyond the buoy and had to beat back against the current in almost no air, losing places and tempers at an alarming rate. Al Berg finished first, followed by Bob Spitz, Joe Stueland, Bill Campbell and J. Doty. At the end of the second race, Spitz and Al Berg were tied for first, Stueland and Wingard tied for second and 16 points behind, and two points

behind them were Ron Sisson and Ron Blair.

In the third race the wind was light to medium and shifting both in velocity and direction. Bob Spitz finished first, followed by Joe Stueland, Dave Ashton, Campbell and Wingard.

The first five places were as follows: Bob Spitz, Joe Stueland, Bill Wingard, Al Berg and defending champion Bill Campbell.

At the completion of the last race the boats were promptly and efficiently hauled out under the supervision of Bill Campbell, the trophies were presented and, according to Joe Stueland, everyone promptly left town without paying their parking tickets. Not, however, before loading our cars and boats down with the many varieties of fine fruits grown in the area.

The District was represented at the Internationals by Bob Spitz, Joe Stueland, Al Berg and Ross Bryan. Joe Stueland had the misfortune to capsize on a spinnaker run in very heavy weather, and Al Berg fouled out in two races. With such unfortunate incidents our hopes of a high placing in the Interna-tionals disappeared. We will be back next year, however, for

another try.

The season closer again was the Chicago Squadron's Red Flannel Regatta. Varying weather conditions and a big fleet provided fine competition. Wes Wiedrick, visiting from Detroit,

was the winner.

Our far flung district is most proud of its nucleus, the Chicago Squadron. For years these fleets have labored by word and example to establish and further our class in the central U. S. Their most recent first was the authorized sponsorship of an exhibit, a Lightning, under sail, at the Boat Show last February. The success of the project has guaranteed another exhibit this year and has paved the way for fleets in other areas.

District Commodore: Benjamin A. Smith District Secretary: Robert D. Stewart

Fleets: Centerboard Y. C. (14); Prout's Neck (94); Taylor Pond (101); Spofford Lake (145); Annisquam (151); Marblehead (189); Bomoseen (227); Lake Dunmore (243); Harraseeket (244); Winnipesaukee (246); Massabesic (273); Sandy Bay (248); Champlain (301).

District Report: What was probably the busiest season in the history of the New England District started on June 28th with the State of New Hampshire Championships. The series was sponsored by Fleet 145 at Spofford Lake, New Hampshire, and a good entrants list including boats from Massabesic at Man-chester, N. H., and one from Narraganset Bay in Rhode Island, and from Maine fleets, provided excellent competition which Gardner Brown of Fleet 101 ultimately overcame to take this State Championship series. As a very fitting conclusion to this regatta, the members of Spofford Yacht Club staged a magni-

ficent cookout on their lovely new Anchorage property.

The 4th Annual Winnipesaukee Lightning Championship Regatta, July 12 and 13, brought out another record number of our boats. Lou Pocharski in his SHOT STRAIGHT repeated his 1957 performance by again winning the regatta. This was accomplished only after fighting off the strong challenges of Spofford's Fred Harris and Marblehead's Art Ries who finished

second and third behind him. As a part of the competition festivities our genial Winnipesaukee hosts put forth their usual warm hospitality with a delicious chicken barbecue as well as the annual cocktail party and the big evening dance in honor of the Lightning skippers. These arrangements, coupled with the wonderful swimming and sailing weather, provided the ultimate in the for this 4th annual event.

fun for this 4th annual event.

The scene of New England Lightning activity then changed from the land locked waters of New Hampshire to the ocean waters of the Atlantic for the 79th "edition" of Marblehead Race Week. Opening day of Race Week, July 19, brought winds of near gale force from the northwest, necessitating postponement for the Lightnings and smaller classes. Typical race week weather prevailed for the remainder of the week and with the Lightnings divided into two divisions they were spread out all over the course and the number (48) seemed even greater than it really was.

The series winners were as follows: Eastern Yacht Club Odd Division, TEASER VIII Ben A. Smith; Even Division, MOU-ETTE, Georges Peter; Boston Yacht Club 1st Division, MOU-ETTE, Georges Peter; second division, RAMBLER, Al Hill; Corinthian Yacht Club 1st Division, TEASER VIII, Ben A. Smith; second Division, YANKEE DANDEE II, Sam Stowell; Pleon Yacht Club, MOUETTE, Georges Peter.

For the third straight year the Milton Larson Trophy was won by TEASER VIII.

Many of the boats remained in Marblehead and were joined by others on the following Friday, August 1st, for the start of the big series—the District Championship. The five race series was under the sponsorship of Marblehead Fleet 189, with Boston Yacht Club of Marblehead the host club. On hand to answer the starting gun were 33 boats from 8 fleets. The first race was sailed over a 5½ mile Gold Cup course with TEASER VIII finishing just ahead of Lou Pocharski's SHOT STRAIGHT, with Sam Stowell in YANKEE DANDEE II taking third. The second race sailed in a fading southeast breeze brought the same order to finish for the first two boats with Dick Price, the defending champion, sailing his new CELESTE to a third. The point standing at the close of the first two races showed TEASER VIII 66, SHOT STRAIGHT 64, and SABRINA, Melissa Lordan, with a pair of fourths 60.

The second day's racing brought a light southwest wind for the third race in which SABRINA had a comfortable lead at the first weather mark. The first eight boats led by SABRINA held off below the second mark. TEASER VIII, rounding ninth, was first to note the mistake of the leading boats and by sailing high for the mark was able to gain first place ahead of Art Ries in SKOOT. Georges Peter in MOUETTE was third.

The fourth race was sailed in a fresh southwest breeze, best of the series, and order of finish was TEASER VIII, SKOOT, and

CELESTE.

The fifth and final race was won by NIP 'N' TUCK, Tucker and Dyer, and gave us the final standing of TEASER VIII, Ben Smith, SHOT STRAIGHT Lou Pocharski, and CELESTE, Dick Price, to go to the Internationals at Beach Haven, N. J.

The Annual Meeting was held on Friday, August 1st, at which time Ben A. Smith of Annisquam Fleet 151 was elected District Commodore succeeding Commodore Henry Ashley. Bob Stewart of Massabesic Fleet 273 was re-elected District Secretary. All contestants were high in their praise for the hospitality of Fleet 189 and the Boston Yacht Club and the excellent manner in which the 1958 District Championships were conducted.

The following week provided a shift north to the State of Maine Championships which were once again ably sponsored by the Centerboard Yacht Club at South Portland. This annual event on Casco Bay which has always provided some of our best weather conditions and most thrilling racing competition, saw Marblehead's Dick Price in his new CELESTE the victor of the twenty-nine boats which participated in this popular regatta.

Twenty-two boats took part in the State of Massachusetts Lightning Regatta held by the Annisquam Yacht Club, home waters of Fleet 151. This was an extremely close series with the outcome in doubt to the very end, with the first six boats only four points apart. By consistant sailing, a loyal son of the South, Ted Turner of Savanah, Ga., in his GREASED LIGHTNING from Fleet 127, was the winner. Ted who was serving in the U. S. Coast Guard stationed at New London, Conn., had three thirds to beat out TEASER VIII and Jack Cunningham's BAT.

September rolled around all too quickly and with it came the State of Vermont Championships at Lake Bomoseen, which provided a field of seventeen boats participating. A visiting boat owned by Dr. Eugene Carpenter came all the way down from

Oneida, New York, to win the series after being hard pressed by one of Lake Dunmore's fleet members and Junior skippers, Ricky Hubbard, who ultimately tied for second in the Regatta with Sam Stowell of Bomoseen.

Appropriately enough the District's final regatta was the 12th Annual Massabesic Regatta held on the last weekend of September. Appropriate because Fleet 273 at Lake Massabesic, Manchester, N. H., is always the last fleet to put up for the winter with some of the boats still in the water at Thanksgiving time. It was an exciting series which went right down to the wire with two Marblehead boats battling last year's winner Len Pratt for the title. By winning the third and last race, this year's District Commodore Henry Ashley in THIRSTY took the series with LANCER, Bill Caldwell, besting BON JOY, Len Pratt, for second.

The district's final activity of the 1958 season took place in Concord, New Hampshire, on Sunday, December 14th, at the New Hampshire Highway Hotel. Here, as a fitting conclusion of another very active year, 34 Skippers, wives, crewmen and guests, representing seven of the district's twelve active Lightning fleets, met for their tenth annual mid-winter reunion. As a part of the program—which included an hour of socializing, a sumptuous banquet, and a showing of slides of some of the past season's regatta activity—a new schedule of regattas and social events for 1959 was set up. The first of these events planned will be the Massachusetts Championships; which will be hosted by Marblehead Fleet 189 the weekend of July 11-12, at Marblehead. Many skippers decided that after taking in this popular event they will stay on to participate in the Annual Race Week festivities which will commence on July 26 to August 2. Using the Race Week activity to advantage for tuneups, the schedule calls for the scene of activity to shift from Marblehead to the tricky waters of the Atlantic at Annisquam the following weekend of August 8th and 9th when the 1959 District Championship Eliminations will take place as a three race series, under the sponsorship of Fleet 151 and the Annisquam Yacht Club.

The District Event will be succeded on the weekend of August 15th and 16th, with a shift inland to Lake Winnipesaukee where Fleet 246 will host the 1959 version of the Lake Hampshire State Championship. The following weekend, August 8-9, Centerboard Yacht Club's Fleet 14 plans to host the State of Maine Championships once again on Casco Bay. After a three week respite, the

annual State of Vermont regatta is tentatively planned and scheduled to be held Sept. 12th and 13th once again at Lake Bomoseen, and this will be followed a weekend later on September 19th and 20th by the season wrap-up when the Massabesic Yacht Club Fleet 273 host their thirteenth annual Massabesic Regatta at Manchester, N. H. Thus, with the completion of the schedule of events for the coming season, the 10th annual New England District LCA Reunion reached a fitting conclusion.

With the approach of 1959's activities close at hand, we are looking forward to another year of growth in the Lightning Class and in racing activities, through the enthusiasm, the continued interest and efforts of our individual Fleets and their wonderful members who will, we know, join our great National Association to continue to promote us and our activities.

#### OHIO-INDIANA DISTRICT REPORT

District Commodore: Thomas J. McDermott District Secretary: Charles H. Maltbie

Fleets: Indian Lake (23); Leatherlips (27); Turkey Foot (33); Pymatuning (36); Mentor Harbor (37); Toledo (42); Buckeye Lake 43); Edgewater (45); Cincinnati (57); Rocky River (71); Port Clinton (136); Mansfield (150); Wawasee (154); Northeast (207); Atwood (212); Berlin (263); Indianapolis (270); Cowan Lake (303).

District Report: Fleets in the District continued to grow as over 200 boats were registered for 1958. Thus, it marked the second successive year that five of our best braved the starting line at the Internationals. This year two freshmen, Jim Davis in Miss Fit and Jay Limbaugh with Spirit II, joined the select group, in addition to veterans George Fisher, Bud Nelson and Ed Kennedy. The final tally of the Ohio-Indiana boats was not outstanding, but it did show a decided improvement over last year's endeavors. This relative improvement, accelerated by the pressure of many capable and determined neophyte skippers in the district, will insure a more notable performance in the coming Internationals.

August 1, 2, and 3, Fleet 36 at Pymatuning Yacht Club was host to the District Championship Regatta, marking the first time it was held on an inland lake. The weather was fair but the winds were very flukey and mostly light. Fisher, in My Gal II, led the fleet of 34 boats with two firsts, a second, a sixth, and

a seventh. His 158 points were more than enough for a second consecutive District Championship. Davis, of the host fleet was second with 148 points, Limbaugh of Buckeye Lake took third with 139 points. Kennedy of Cleveland, with 134 points, was fourth, and Nelson of Toledo was fifth with 132. John Mueller of Cleveland, in Tickled Pink, set a fast pace, after hitting a mark in the first race, to end up one point behind Nelson in sixth place.

Tom Davis, captain of Fleet 36, was general chairman of the Regatta, and Fred Lange did his usual good job in heading the

race committee,
The annual District Meeting was held Thursday night prior to the Regatta and the new district officers were elected. At this time the membership voted to present a plaque to Mrs. Booth commemorating the service of her late husband, Dr. Don Booth, who passed away this spring while serving the district as Com-

In addition to the District Championships, there were 12 regattas held this year, starting with the Great Lakes Championships at Toledo, May 24 and 25. Jim Schudel of Detroit finished first, with Don O'Neill of the host club second, and Chuck

Maltbie from Pymatuning third.

The following week the Port Clinton Frost Bites had two of the three races washed out by rain and storm threats, but first place was awarded to Bud Nelson on the basis of the first race results.

Bill Walker of Erie, Pa. took first place among 38 starters at Pymatuning's annual Fourth of July Regatta. He was followed by Jim Davis of the host club, with George Fisher in third and Mark Auer of Rocky River fourth.

The Inter-Lake Regatta at Put-in-Bay found Pinky Allen from Port Clinton first, Lee Moore of Forest City Yacht Club, second,

and Lawrence Bell from SCYC in third spot.

Berlin Lake Yacht Club held its first Lightning Regatta this year. They made up in hospitality what they lacked in wind, and the ghosting Miss Fit, with Jim Davis at the tiller, took it all with three firsts. Earl Zuber of the host club was second, and Commodore Tom McDermott of Mansfield was third.

Atwood's Harvest Moon Regatta provided the usual light winds and lively parties. John Mueller held on to take first place. John Rundt of Atwood was second, and Bucky Powless of Leatherlips,

At Buckeye Lake's Snowball Regatta on October 11 and 12 Jim Dressell took the first place silver for the second time in as many years. Chuck Maltbie was second, with Chuck Lutes of Indian Lake third. Dressell also turned in a fine performance at the Ohio Inter-Club Regatta at Indian Lake racing to three firsts in the 21 boat fleet. Chuck Houston of Canton was second, and Al Rowland of Columbus placed third.

Other events included the Cleveland Yacht Club Regatta July 26 and 27, the Hoosierland Regatta September 13 and 14, the Tri-lake Regatta at Indian Lake September 20 and 21, and the Pow-Wow Invitationals at Leatherlips July 12 and 13. The results of these have not been reported, but will undoubtedly be covered in fleet reports.

The winter meeting at Buckeye this year was well attended with 12 fleets represented. An invitation from Port Clinton was accepted for the 1959 District Regatta. The date was moved up to July 9-12 with the hope of having better breezes and also to allow adequate time for preparation of entries in the Pan-American Lightning events in Chicago.

A recommendation was approved by those present that the officers inquire as to the possibility of encouraging the development and experimentation of Fiberglass boats by allowing participation in the 1959 regattas, including the District Regatta.

After some discussion about publicity of Lightning activities in newspapers and magazines, a committee was appointed by the Commodore to co-ordinate coverage of the events within the District and to encourage the publicity chairman of the fleets to submit regatta results. This committee consists of William Loch, chairman, Ed Kennedy, and Larry Hattwick.

#### PACIFIC NORTHWEST DISTRICT REPORT

District Commodore: Bob Brown District Secretary: Floyd Miller

Fleets: Maple Bay (64); Royal Victoria (66); Vancouver (90); Lake Washington (132); Bellingham (158); Chinook (229); Columbia River (283).

District Report: The Pacific Northwest District had a good year in its program of building up an active district. New boats appeared in many fleets and newcomers to Lightnings got into the growing and scattered clan. The relatively few fleets, so widely scattered, cuts to a minimum away-from-home regattas for many owners, who usually compete against boats from other fleets only in the District Championships. The formation of new fleets would be one way of increasing inter-fleet activity. Another big difficulty, created by distance, is representation at the Internationals and President's Cup. Some form of financial assistance from the Association or rotation of the location of this big regatta, with the West getting its turn, would greatly increase Lightning enthusiasm.

The District also took a look at its own organization and financial set-up. It decided that greater strength and solidarity could be gained by:-

Adopting a constitution.

2. Establishing and maintaining a good financial policy. 3. Becoming an associate member of the Pacific International

Yachting Association.
Thus, the newly elected District Commodore, Bob Brown and District Secretary, Floyd Miller of Fleet #132 in Seattle, will have a heavy program before them this coming year.

The highlights of the season were the Pacific Coast Champion-The highlights of the season were the Pacific Coast Championship and District Championship regattas, which were held from July 2-6 in Vancouver, B. C. The Pacific Coast Championship was sailed under the auspices of the Pacific International Yachting Association, July 2-4. Wonderful weather prevailed and winds were usually good, though the first race was an exception as it was delayed because of no wind. The Barbers of Eugene and Portland again showed supremacy of the Coast for the third straight year. straight year.

Following this regatta, the District Championships were held on July 5th and 6th. The fleet moved from the small course used in the P.I.Y.A., to the big boat course, in which tides and tugs with long tows were added obstacles. The wind freshened and held up very well for the three race series. No capsizes or break-downs occurred, but one skipper was seen falling over board. The Barbers made a clean sweep of the series and became District Champion for the third year. Bob Brown from Seattle came second, and these two boats qualified for the Internationals; however neither one was able to make the long trip to the East

#### PERUVIAN DISTRICT REPORT

District Commodore: Jose Alvarez Calderon District Secretary: Carlos Gandolfo G.

Fleets: Yacht Club Peruano (265); Yacht Club de Ancon (264); Club Regatas Lima (261).

District Report: There has been a long silence from the Peruvian District as far as reports are concerned, but here is some news.

Peru was the first South American country to introduce the Lightning in its waters. We were perhaps second (to the U.S.) in the world to establish the Lightning as a racing and day cruising one design in our yachting circles. It was in 1940 that Mr. Jose Alvarez Calderon purchased the plans and built, with a group of yachtsmen, the first six Lightnings in our waters. By the end of that year we had 15 boats already. We consider Mr. Alvarez Calderon the "father" of the class in South America. The first boats were half Peruvian, half foreign, since the frames, sails and certain equipment were not manufactured here, but since then the great majority of our boats have been locally built and with the exception of sails and a few fittings everything has been made here. Some of our early boats were heavy, far too plain and some even measured poorly. But that was many years ago. Since then better and better boats have been built and the ones turned out in recent years are very good both in finish and shape. They look so good that they can be confused with wellbuilt American Lightnings. At present we have somewhere around 100 Lightnings in our waters (more than in any other South American country), all built here except for three units built in the States by Seaman and one built in Denmark. Of all these boats, some 30 are good racing, the rest mostly old boats, being good for day sailing. Not all the racing boats are permanently active, but we have had local races with as much as 25 boats, the average being 10 units per race. Though we have a few Dragons, Stars and Snipes in our yacht clubs, the Lightnings are by far the largest, most active, best organized class in Peru and competition is keen too. We have three fleets, of which the first two named above, belong to the largest yacht clubs; in our waters and in the west coast of South America. There are also a few Lightnings in the windy Paracas Bay, in Ilo and a new fleet (6 boats already) is being formed in the port of Salaverry, where a new yacht club has been organized. Most of the boats in these last places are still unaffiliated to the LCA but they will

certainly be in the near future. As for the races, we have some 60 each year (90% of them triangle or windward-leeward competitions), mostly in summer but some in spring and autumn as well. There is practically no yachting activity in winter. It must be remembered that we are not a tropical country in spite of our geographical position. The renowned Humboldt Current cools off all the heat. Each year we have a National Championship of the class as well as a few interclub races, the rest being individual competitions (including a 21 mile run downwind race from Callao to Ancon, perhaps one of the longest races of the class anywhere, and a 13 mile upwind, open sea race from Callao to Chorrillos and the 13 mile run back to Callao usually a week later). Our National champion for the last four years has been Carlos Navarro, Jr., who is a very able young helmsman and who this year (1958) conquered the South American title of the class. Previously, Aldo Isola was National champion for three consecutive years. We also have a few other very good skippers, among them is Dr. Jose Barreda, a lawyer and congressman who has done a lot for the class in South America and who is one of the Vice-Presidents of the LCA. So far, there have been four South American Lightning Championships, the first in Buenos Aires in '55 in which we southerners took a real beating from our friends from the U. S. which came down to participate in the Pan American Lightning Races, which were run on the same dates of the South American Championships but on different hours. We are now sure that American's won't win that easy in the future. The second South American Championship was held in Callao. It was organized by the Association Peruana de la Clase Lightning and it was a real success. We had 22 boats present; more than in any of the three other championships. The third was held in Montevideo in 1957, with a wind so strong and the sea so high that there was real danger at so strong and the sea so fight that there was real danger at times. Needless to say there were many DNF. Broken masts and opened bottoms did occur due to the strain. The wind actually hit 50 Kilometers per hour in one race. The fourth championship took place this year (1958) in Guayaquil and it was exceptionally well organized. As we said, Navarro from

Peru, won the title.

The future looks good for the class in our country, but we

are not free from troubles. Sails and equipment are gettitng to be expensive. In other countries such as Argentina the class is going through even worse troubles but we hope that better times will come. At present there is no spectacular growth of the class in Peru, but there is a steady and slow, solid, progress mainly in quality and slightly in numbers as well. We have good boats, sails, crews and keen racing. One thing we miss in Peru and in South America in general, is competition with boats and crews from the U. S. We are sure that the class has progressed greatly in our continent since 1955 when we took a sound beating from the northerners. Today, Inter-American competition would be great. Unfortunately we have not raced against Americans since 1955 and no one up north seems to be interested in coming down. We definitely cannot go up north; dollars are far too expensive!

#### SOUTHEASTERN DISTRICT REPORT

District Commodore: J. Wallace Aggett District Secretary: Armand D. Wells

Fleets: St. Petersburg, Florida (109); Savannah, Georgia (127); Tampa, Florida (168); Miami, Florida (226); Augusta, Georgia (257).

District Report: The Southeastern District Championship was sailed at Mount Dora, Florida, on Lake Dora in April, 1958. There were twelve boats competing from the District with the largest contingent from Miami, Florida, and Savannah, Georgia. All five races were held in medium air, and it was a great test of seamanship due to the shifting winds.

Johnny McIntosh of Savannah in "Scallywag V" was the winner, Oscar Nelson of Miami was second, and Howard Foht

of Miami was in third place.

The facilities of the Lakeside Inn at Mount Dora, situated overlooking the lake, were particularly adapted to a good time due to the close proximity of the Yacht Club. The cooperation of the folks at the Mount Dora Yacht Club was marvelous, and any and everything asked for was immediately available to

the visiting sailors.

Due to the great distance involved in the Southeastern District, it is rather difficult to hold Regattas which would include all of the boats in the Southeastern District, as many of them go north for the summer months.

Regattas were held in Charleston, South Carolina, Beaufort, South Carolina, Augusta, Georgia, and Columbia, South Carolina, including Savannah, Georgia, and many in Florida.

For the twelve boats that competed, there could be only three winners for sailing. But, I assure you that, although they won the sailing, the balance of the skippers and crews "won the party" put on for us by the Mount Dora Club the last night out.

#### SWISS DISTRICT REPORT

1958 Swiss District Regatta

District Commodore: Charles Nicolet District Secretary: Theo Moeckli

Fleets: Lake Neuchatel and Morat (169); Lake of Zurich (219); Lake Sempach (250); Lake of Bienne (268); Lake of Lucerne (281); and Lake Greifensee (309).

District Report:

District Champion: ANAHITA (6396 of fleet 169) Runner-Up: SANTA-MARIA (6174 of fleet 268)

The District's Meeting was held on July 6th during the District Championships at Sempach (Eggerswil). All fleets were represented.

Our Annual General Meeting will be held on December 13th, 1958. We are very happy to report that a new fleet has joined us at the end of the season. This fleet is 309 (Greifensee)

with 4 boats.

The District Championships were wonderfully well organized by our fleet 250 and our friend Hans Luthy had ordered just enough wind to be able to complete our races according to rules. It was good sport and the 5 races held with only one protest. Results:

ANAHITA (6396), fleet 169 J. P. Mathez

2.

SANTA-MARIA (6174), fleet 268 J. P. Weber TONNERRE DE BREST (5840), fleet 268 Theo Moeckli

GAROUPA (5898), fleet 169 Claude Lambelet LA RAFALE (5839), fleet 268 Chas. Nicolet

Fleet 268 won for the second time the Fleet's competition Lightning" Cup with SANTA-MARIA, TONNERRE DE "Lightning" BREST and LA RAFALE.

Unfortunately only one crew went to the European Championships in Finland and came in 14th with a borrowed boat.

The next season will bring a few new boats and very interesting Regattas at our Swiss Championships and also in Italy at the European Championships.

#### TEXAS DISTRICT REPORT

District Commodore: Louis Nelms District Secretary: Harry C. Nissen

Fleets: Dallas Corinthian (35); Lake Dallas Corinthian Yacht Club (282).

District Report: Once again the weather man smiled on the Texas District, adding the gift of good winds to that of a bountiful water supply, resulting in brimming lakes and a full racing

Leading the regatta parade was the annual Shreveport Yacht Club meet of April 26-27. Seventeen boats turned up for the Lightning races, including five from Dallas Corinthian and one from Fort Worth. A cold rain was no match for the warm hospitality of the SYC hosts. The final standings saw Sam J. Townsend in the first slot, which would not be news in this area were it not for the fact that the second boat was skippered by one Eugene H. Walet III. LCA Vice President Townsend sails from the Dallas Corinthian Yacht Club, Walet from New Orleans. F. J. Favalora, also of New Orleans, captured third, with A. B. Patterson and Harry C. Nissen of Dallas Corinthian fourth and fifth. This was a grand regatta, as usual, but Shreveport may stage it a bit later next time in an effort to draw better weather.

The Fort Worth Boat Club on sparkling Eagle Mountain Lake hosted its annual show on June 6-7-8, attracting some ten Lightnings from Fort Worth, Dallas, and Topeka. Neil Hutson, flying the Dallas Corinthian colors, won first honors, while District Commodore Nelms of Fort Worth was a strong second. Sam Townsend settled for third this time, and Fort Worth's Glenn Lattimore was fourth. The last named, by the way, a distaff skipper, was the 1956 Adams Cup and National Women's All Classes champ. Showing off their versatility, a couple of long-time Lightning skippers placed first and third in the Falcon race—Hugh Jamieson, Jr. (DCYC) and Milton Price (Corinthian Sailing Club and DCYC). A. D. Wynne, Jr. of the Southern Yacht Club was second.

The District Championship Regatta was held July 19-20 at White Rock Lake in Dallas, home port of most of the participating skippers prior to the Big Drought. The Corinthian Sailing Club, hosts for the event, provided excellent sailing weather, and no regatta ever enjoyed a finer spirit of good fellowship and good sportsmanship. The championship was carried off by Al K. Spalding of Dallas Corinthian Yacht Club, a consistent high-placer in recent years. A. B. Patterson (DCYC) and Louis Nelms of Fort Worth tied for second, with Patterson getting the nod for having led the District Commodore in two out of three races. Lightning Veep Townsend elected to sit this one out, but Sam, Jr. placed sixth despite an unlucky foul, hot on the heels of A. P. Nazro and Neil Hutson. Corinthians Boss, Fagin and

Raphael finished 7, 8 and 9. It was a most enjoyable meet.
Following the awarding of prizes the annual meeting of the district was held. Harry C. Nissen (DCYC) was elected District Commodore and Harold F. Boss (CSC) District Secretary.

Many area skippers are talking about new boats and a lively season is shaping up for 1959.

#### WESTERN LONG ISLAND SOUND DISTRICT REPORT

District Commodore: Jack Bradfute (1958) Hamilton Ford (1959)

Bernard W. Havens District Secretary:

Fleets: Western Connecticut (7); Larchmont Fleet (32); Little Neck Bay Fleet (55); Seawanhaka Lightning Fleet (88); Cold Spring Harbor Fleet (89); American Yacht Club (96); Northport Bay Lightning Fleet (98); Execution Rocks Lightning Fleet (106); Manhasset Bay Fleet (133); Hempstead Harbor Fleet (138); Eastchester Bay Fleet (163); Greenhaven Lightning Fleet (168); Parker Reine (168); Greenhaven Lightning Fleet (168); Reine Fleet (168); Greenhaven Lightning Fleet (168); G (260); Rocky Point Fleet (291).

District Report: With the Western Long Island Sound District, quality is as important as quantity. In other words, we are not satisfied with merely being one of the largest districts in the LCA, but we strive to be one of the best. We like to think that historians will regard our 1958 record as proof of the fact that we have succeeded in our quality aspirations.

Our Lightnings were seen on all fronts, both in the Sound and elsewhere. Of our four entrants in the 1958 International Championships, three were within the first thirteen. Bizzie Monte-Sano finished 7th after taking a first in the second race and a second in the fourth. Carter Ford finished 9th despite a DSQ in the third, and Pete Hannan finished 13th with some mighty consistent sailing.

In the President's Cup, Freddie Hibberd finished fifth with two firsts, a second, and a third, and an unfortunate DNF in the second race which blew over many others as well. Quoting the September Flashes, "Young Freddie Hibberd, Junior, would have won the President's Trophy had he not capsized in the second race while leading.

Our District Championships were held in heavy weather and run by Fleet #32 of Larchmont Yacht Club. Lucie Sheldon, 17 years old, from Greenwich High School copped first place from all the other skippers. After the District Championships, Christie Ryan, who crewed for Lucie, was quoted in the "New York World Telegram and Sun," as saying of her, "She never poops out; she just never gives up hope for a second."

We were honored to have the Atlantic Coast Championships in our District this year and it was a clean sweep for W.L.I.S. Bizzie Monte-Sano took first and Lucie Sheldon second.

In the Long Island Sound Junior Championships, Carter Ford, who has been a consistent winner, finished third. In the Long Islanad Sound Girl's Championships, Muff Crow of Fleet 96 took first place and Sue Hall of Fleet 7, won the Consolation

District participants cleaned up in all the Y.R.A. competition; Carter Ford won going away in the Eastern Connecticut Y.R.A. Championships.

Freddie Hibberd did a completely unprecedented thing in winning the Y. R. A. of L. I. S. for the 6th time in seven consecutive years.

Sis Hibberd made it a family sweep by taking 2nd place in e season's standing in this important series. Wait 'til David the season's standing in this important series.

Hibberd, age 7, grows up!
The Western Long Island Sound District is eagerly looking forward to 1959 with many new boats, new skippers, plus the usual consistent winners.

Within our District, the L. I. S. Championship and the Atlantic Coast Championship will again be sailed, plus, of course, our own District Championships. We expect to be trailing a full complement of boats to Detroit for the Internationals and to Chicago for the Pan-American Games and give fair warning to everyone that we will be out to win.

We were sorry to learn of the demise of Fleet 57, for, back when our 839 was young we used to enjoy racing against the Pfefferle clan and listening to their tales of Ohio River sailing. Hope you like your new pond, Frank.

The 1958 season was a memorable one with success ranging from home waters to those gained at Lightning Regattas.

The regular club races consisted of two Saturday Series and two Sunday Series, the Fleet Championship being awarded to the overall Saturday winner. Long distance races were sailed on the 4th of July and Labor Day, and the Annual All Lake Regatta was held August 24th with over 7 classes competing on a handicap basis.

Regattas entered by members of Fleet No. 1 were:

June 28-29-The Lake Shore Lightning Squadron Regatta was held at Brockport Yacht Club. Entered by Reynolds and Gentry with Gentry winning permanent possession of

July 25-26-27—Central New York Yacht Racing Association
Regatta at Ithaca Yacht Club. John Gentry placed 5th and John Gentry, Skinner Reynolds, Ace Finn, Rick Petura and Al Poole combined to bring the Mylacraine Lightning Fleet Trophy to Skaneateles for the second year in succession.

August 2-3—Central New York Lightning District Regatta at Newport Yacht Club. Entered by Reynolds, Gentry, Hammel and Finn with Skinner Reynolds winning.

August 23-24—Sodus Bay Yacht Club Invitation Regatta. Entered by Gentry, Finn and Reynolds.

September 6-7-Onondaga Yacht Club Invitational Regatta. Entered by Finn and Reynolds.

Skaneateles was the host for the 3rd Annual Lightning Invitational Regatta on July 19-20. In spite of very heavy weather (wind puffs to 50 MPH) and high waves which permitted only 14 of 36 boats to finish the first race on Saturday and resulted in postponement of the afternoon race, the Regatta was a success. The final two races were held on Sunday with only brisk winds and calmer water. The results:

The Wild Goose in full flight, Fleet 1

- S. G. Reynolds, Jr., Skaneateles Country Club. Brown-Bloomer, Sodus Bay Yacht Club. J. Wunderlich, Newport Yacht Club. A. H. Poole, Skaneateles Country Club. C. Hallagan, Sodus Bay Yacht Club.

Although Skinner Reynolds qualified for the Internationals, business commitments prevented him from participating this year. By placing well in the District Regatta, John Gentry qualified for the International and Jack Hammel qualified for the President's Cup Regatta.

The Bay Head Fleet was hard at it in 1958, racing from June 28th to Labor Day every Saturday and Sunday. Saturdays racing inter-club in the traditional Barnegat Bay Yacht Racing Association races, Mantoloking, Shores Acres, Normandy Beach, Metedeconk, Lavalette, Toms River, Ocean Gate, Beachwood, Island Heights and Seaside. Sundays at the home course besides the special regattas in neighboring territories.

The self-classified division of the fleet into two groups A & B has continued to be successful. The A's declaring at the beginning of the season that they are "newer or faster" and the B's say they are older or slower." Both classes are started together but scored separately. This division has encouraged the skippers who just like to race and allows the "specialists" their separate scores as a result. This year more of the B boats turned out to race. The fleet would like to see more of its members turn out for the interclub Barnegat Bay races to represent Bay Head both A & B Divisions. A committee has been appointed to see what can be done to encourage more entries and also to welcome more skippers in the club races.

Bay Head was host to the five race Central Atlantic Coast District Championship races won by Bob Adams of Fleet 3. Jack Orelup in the Javelin was runner-up in the A Class in the inter-club Barnegat Bay races. Bay Head held the semifinals of the National Senior Championship for Area 3.

1958 was a year of good sailing, fair to tough winds, no drifters and violent squalls that hit two or three in a row from unusual quarters south-southwest.

A memorable one at the Mantoloking race, full gale strength which flipped Lightnings with no sails on, and one of the District races, when visibility went to zero and the wind changed so that few knew where the finish line was or which end was up. As a result, some of our Fleet 3 Lightnings now carry compasses.

Some of our best skippers were unable to complete the different series and qualify, because of inability to attend. Bob Adams was tapped by Uncle Sam near the end of the season and is now at Fort Benjamin Harrison. He expects to sail with the Ohio Indiana district making it harder to qualify there. Bob Woolman had a new job in Rochester and left us for the Rochester fleet. Fortenbaugh left the Lightnings for G boats and won. Marge Adams (now Mrs. Knight Alexander) did not skipper this season. Knight Alexander took Marge's place this year and probably sailed the fastest boat in the fleet. A series of mishaps and hard luck robbed him of top score in the fleet and down bay races, but he turned in a creditable 6th in the Internationals, 5th in the Districts and the Jack Wright cup at Island Heights.

Pat Sasseen was away giving sailing lessons at some camp in New England and only sailed late in the season and promises to be mentioned in the upper echelon next year.

Some changes were made; Bob Adams has a new boat Vagabond Too #6906; his old boat went to Bill Emmonds #5458. Knight and Marge Alexander, new Whirlwind #7044, the old Whirlwind being sold outside the fleet. Fortenbaugh's Bitzpoof went to Gilbert Beck.

Fleet #3 especially welcomes the new boats; Sputz sailed by Karel and Elizabeth Polch, Earl Bach sailing the Midnight #3587; Bill Emmonds sailing the Vagabond. Bitzpoof sailed by Gilbert Beck and the others which are omitted by name only because this reporter in November has poor records.

Next year, more of the hot shots and lesser shots will be with us again. Great plans are being made, new boats are being rumored and assuredly all of us are looking forward to the racing and the good friendship of all sailors.

Our season started off with a tune-up race on May 30th, and, surprisingly, only half the fleet was ready after having all winter to get ready. May 31st was our first fleet race followed by 13 additional races throughout the season. The competition was really challenging this year as we added three new boats to our fleet—Schuss 6970 (Clifford Stettler), Impudent 7002 (Lee Van Degens), and Rayo 7003 (Earl Ross). However, the final IBM fleet statistics showed our Fleet Champion to be none other than Bill Wingard and his Jubilee crew; with Johnny Burke second with his Midetite crew; Joe (Scepter) Gardiner third with his Hun Bun crew; and Earl Ross fourth with his Rayo crew.

One of the highlights of the 1958 season was our Junior activity. Before going any further, we want to pay tribute to John Burke for his expert guidance and constant devotion to the Juniors. The Junior LMYA Sears Eliminations were held at Chicago Yacht Club (Belmont Harbor) on July 28th, 29th and 30th. There were nine clubs participating with one crew representing each club; Fleet No. 5 being represented by Jim Burke (skipper), who during the season crews with his father, Bill Burke, and brother, Dennis on Jayden, with Charlene Harvey, Karen Kaper, and Mike Burke (son of our Junior coach John Burke) as crew. Nine of our best Lightnings were donated for these races. After seven races in weather that ran the gamut from calm to gale, the winners were our own crew from Chicago Corinthian Y. C., with St. Joseph, Michigan placing second. These two crews then represented the district in the finals at Peewaukee, Wisconsin against the Inland Lake Winners. We were proud that our Juniors finished in fourth place inasmuch as they were sailing Class E scows with which they were not familiar.

they were sailing Class E scows with which they were not familiar.

The traveling emissaries of the fleet this year did well. At Indianapolis June 28th and 29th, Al Berg sailed his first three

Montrose Harbor, early morn. Chicago Corinthian Yacht Club anchorage. -Chicago Daily News, E. C. DeLuga

races of the season and won the Regatta after fighting it out with Earl Ross, who finished second. This was a new kind of sailing for Lake Michigan sailors who are not accustomed to island hopping.

The Island Bay Yacht Club at Springfield, Illinois has long been the Labor Day Mecca for Chicago Lightning sailors, but this year only two stalwarts made the trip-Johnny Burke and Wayne Brandon. Crewing for Johnny was his Midetite crew, Mike and Dennis. Julia and Bill Wingard crewed with Wayne. They are still raving about the magnificent Springfield hospitality.

This fall Al Berg also trailed his Istar to the Internationals and

to Detroit. Results: A wonderful time.

Congratulations to Al Berg, who is now a vice-president of the Lightning Class Association. We all feel that his knowledge and enthusiasm for racing can only enhance the future of LCA.

The Midwest District regatta was held across the lake this

The Midwest District regatta was held across the lake this year at St. Joe, Michigan, and Old Man Boreas dealt us a weekend of frustrating calm and fluky zephrs. After the drifting matches were over, Bill Wingard finished in third place and Al Berg in fourth (a blow to our ego).

This year we inaugurated the Wingard Regatta in honor of our fleet champion, Bill Wingard. The race was scheduled for July 19th to a point offshore opposite Wingard's residence where a finish line was established (lucky guy—lives on Lake Michigan with a view of the lake from every window), but due to weather with a view of the lake from every window), but due to weather conditions not conducive to beaching, the race was, instead, sailed around the regular Club triangle. The winners were: Al Berg, Earl Ross, and Joe Gardiner. A good sportsmanship trophy

went to Clare Wegert as his Caprice was the only boat to sail to Wingard's doorstep.

August is Regatta month. At the Burnham Park Small Boat Regatta August 4th week-end, Al Berg had 3 straight firsts. Bill Wingard came in second, and Johnny Burke was fourth. This was "accident-prone" week-end for Earl Ross, but he managed to sail two of the races and would have been very much in contention had he been able to sail all three.

The Gib Hobelman Regatta was held August 9-10. We were favored with light winds on Saturday but by Sunday the weather became quite dusty. Final results: Bill Wingard first; Ronnie Blair of Burnham Park Yacht Club second and Jay Doty third.

Our George Orr Regatta on August 16th developed into a search for the markers which had drifted off course. Final results of the treasure hunt: Ronnie Blair of BPYC first; Doc Baker of BPYC second and Earl Ross of our fleet third. We had a fresh northeaster for the LMYA Small Boat Regatta

held at Chicago Yacht Club off Belmont Harbor on August 17th. This was a 6 mile course once around, and we are proud to say that this was an all Chicago Corinthian Yacht Club finish with Bill Wingard first; Jay Doty second; and Al Berg third.

And, of course, the annual Chicago Daily News Regatta, which was held on August 24th, is always a big event in sailing. This race, as always, brought out a large number of all classes of boats and due to a puffy Northwester provided a thrilling race for both spectators and participants. Bill Wingard and Jay Doty

of our club were second and third respectively.

Our Red Flannel Regatta brings our sailing season to a close. This event is sponsored by the Chicago Squadron and sailed in alternate years at Corinthian Yacht Club and Burnham Park Yacht Club. It is the largest for any one design in the area and probably one of the largest in the nation. This year it was held at Burnham Park Yacht Club with 51 boats entered, representing the entire midwest area, and as could be expected, everything was spectacular—the weather, the scarred topsides, the protests, and the results. Bill Wingard was third; and Earl Ross, fifth.

Those of you who visited the Boat Show in February can attest to how our Chicago Lightning sailors manned the booth and en-thusiastically "sold" the class to all prospects. WGN-TV gave the "Lightning" the opening spot on the program originating from the Boat Show and also ran film clips from Phil Melby's

Red Flannel movies.

In closing may we of the Chicago Corinthian Yacht Club Lightning Squadron remind you that the Red Flannel Regatta for 1959 will be held at Chicago Corinthian Yacht Club on September 26-27. Put a Red Flannel mark on your calendar.

Lightning Fleet #6 sailed off to an enthusiastic start of the 1958 season, with a river "Shakedown Race" Friday, May 30th. Each season a series of races is held in the river, on various Wednesday evenings, which club members may enjoy from their "rocking chairs." Another series is held on Long Island Sound, opposite the mouth of the Housatonic River, on alternate Saturday and Sunday afternoons.

Some of our Lightnings traveled to neighboring clubs through-

out the season, to participate in interclub racing.

Fleet #6 sent three boats to the Districts, which were held at the Pequot Yacht Club. Bud Olsen's "Pa-da-lin" trailed to St. Petersburg again in February, and captured a 13th in that winter Lightning championship race series. Nice going, Bud. In the Presidential series of the Internationals, held at Little Egg Har-bor Yacht Club in New Jersey last fall, the "Pa-da-lin" came home with a 3rd.

The Junior's held a busy and successful season also. They participated in the E.C.Y.R.A. Midget and Junior Meets held at five different clubs. Essex, Sachems Head, Milford, Housatonic

nd Duck Island. Also Judy Nothnagle, and her crew, Richie Snyder and Carol Davenport, participated in the Junior finals sponsored by clubs of Eastern Conn.

The Club's Board of Governor's Trophy, for Junior Championship was won by David Olsen. Judy Nothnagle came in 2nd, and Dave Healing 3rd. The Donald S. Sammis "Achievement Trophies" were awarded to Buddy Willis and Nancy Crosley. Many of the Juniors took sailing instruction again this year. Fleet #6 expects to have many fine sailors in the years to come from these boys and girls.

Fleet #6 has a nice collection of trophies to award deserving skippers, donated by various club members for the Senior Racers.

The Governor Baldwin Trophy, awarded for alternate Saturday afternoon outside races, was won by Rudy Smith and his "Judy Too II", while the Lightning Fleet #6 Trophy, for alternate Sunday afternoon racing, was taken home by Bud Olsen and "Pa-da-lin.

The Commodore's Plaque, awarded for the 2nd outside race was captured by Dave Peterson in Sea-Biscuit. He also sailed away with the "Commodore Crocker Cup", which is awarded to the winner of the river race series. Also he received the "Olsen Marine Trophy" for the skipper with the highest total points scored for all the outside races, plus all the river races combined, which makes Dave our Fleet Champion. Dave was away from racing for awhile with Uncle Sam a few years back, but now he is really turning out some championship racing.

The Frostbite Series of river races, sailed in the fall, was won by David Olsen. The girls sailed the "Powderpuff" series on various Thursday evenings, at which Judy Nothnagle in "Jefudy", won the Commodore Peterson Trophy for 1st, while Pat Olsen came in second, and Pat Greenwood took a third. The girls always manage to have plenty of wind on their sailing evenings, much to the disgust of the boys, who usually draw light breezes on their evenings.

At the final meeting of the season, which is held after the last Frostbite Race, the election of new officers for the coming season is held; Fleet Capt., C. Richard Banthin; Sec'y., Mrs. Dorothy Barry; Treas., William Nothnagle. A vote of thanks was given to our retiring Capt., Dave Peterson.

The success of the racing season was due to the efficient race committee headed by Fred Dazley, and very ably assisted by Al Beach, Clark Newcombs, Howard Smith, and Ira Peterson as various division captains, and their committees.

The season closed with the annual trophy dinner, where everyone enjoyed a fine meal, again relived the summer racing, and the winners received their trophies.

The racing season got off to a relatively late start this year, the first official race being held on July 20th. While there were seven Lightnings in the fleet, two did not actively race, while Bruce Stillman ran into a rash of mast trouble (three broken masts in five weeks). At the end of the series Dave White came in the winner. The Labor Day race series was won by Gordon Stillman but Dave White emerged as the new fleet champion.

We are sorry to have lost Gil Nichols this year but we did pick up three boats, Harold Addington, our Commodore, Dave White, a junior member, formerly of Skaneateles Fleet #1 and a real late comer, Gordon Bentley, now the proud owner #507 bought in late November. Also we welcome back Phil Klink who purchased Puff III #2793 from Tom and Jack DeVore. Bob Leichter is now the new owner of #6730 having sold his #2963 very late in the season.

Our annual regatta was held on September 6 and 7, and was well attended by twenty-one Lightnings from Central New York. After two days of good racing, we found R. S. Woolman of Gladwyne, Penna., the winner.

Fleet 12 started its season the weekend of May 10th and 11th and scheduled Lightning Races every weekend and holiday, until October 4th. In addition, the Thomas F. Myers Memorial Series was sailed on Wednesday evenings in June and July.

At the start of the season, Fleet 12 sadly missed two of its most competitive Lightnings, #467, Rampage, which had been sold by Pete Grange to Rochester, and #3482, Bobcat II, Bob Coleman, which was sold to Hamilton, Ontario. Pete decided to sit out the season, but we hope that he will buy another Lightning soon. Bob Coleman, now with three young children, imported a Senior Knarr from Norway. These boats were replaced, however, with three new Lippincotts Bob Adams, #6926, Karl Smither, #7000, and Bill Hughes, #7046. Each sold his old boat in the Club, so the Fleet made a net gain for the season.

-Buffalo Courier-Express

The terrible trio of Fleet 12; Allen, Fallon and Smither.

One of the Fleet's problems in 1958 was the complete domination of the races by three skippers, namely Allen, Fallon, and Smither. These three boats always finished 1, 2, or 3, in all races in which they participated. As a result in our Class A races, there was a keen battle for first place between Allen, Fallon, and Smither, and a terrific battle for fourth place between the rest of the Fleet. However, Ken Seubert in #85 and Bill Hughes in #7046 were very close many times and judging from Bill's tremendously improved performance toward the end of the year, it looks as if Bill will be terrific competition next year.

This year for the first time, Fleet 12 held an Invitational Regatta on the weekend of June 21st and 22nd. Thirty boats from Buffalo, Toronto, Hamilton, and Rochester participated. Next year, Fleet 12 hopes to expand the scope of this Regatta by encouraging participation of boats from farther away.

by encouraging participation of boats from farther away.

Tom Allen in Atom, #4811, World's Champion in 1954 and 1955, came back into his own in 1958 and won most of the Fleet and District races. He won the Club Championship for the first time and also won every Regatta in which he participated except the Niagara River Championship and the International Championships.

The season ended with the team race with the Niagara Sailing Club on October 4th. It was blowing like stink that weekend and only one race was sailed. BCC won the race so retained the Hussey Trophy.

The Juniors had a very active season with Tom Ward dominating the Junior activity in Thermis 7. Tom won the preliminary trials for the Sears Trophy in Toronto but was eliminated in the Semi-Finals in Montreal. Tom showed terrific development as a racing skipper in 1958. It looks like he is going to be hard to beat in the next several years and the Junior Championship of the BCC, which historically has been a most hotly contested series.

Steps were taken to improve the overall quality of racing in Fleet 12. We held several meetings in the summer to encourage the less experienced skippers and crews, and definite results were evident by the end of the season.

Mr. Lightning, himself, Karl Smither, donated a very fine series of prizes for which the more experienced skippers were not eligible. This encouraged more participation in racing by the "occasional racers" and next year Fleet 12 expects a much larger fleet of racers.

The average in all Senior races was about eight boats, but in the Wednesday night series, the average was about twelve boats and in the Annual Clam Bake Race to Port Colborne more than twenty-five boats competed, which is the greatest number of Fleet 12 Lightnings ever to participate in a single race.

The '58 season was the best in years for Fleet 13. The series of twelve races extended into September to make up two races called for time earlier in the summer. Though it was a bit cool, even the jib men thawed out at a cocktail party and awards dinner on September 14th at the Mayfield Yacht Club.

The awards presentation was a little monotonous for some of the skippers as Ed Kruszona collected ribbons for nine firsts, two seconds, and one fourth, a ribbon for the July series, one for the August series, and the Perpetual Bennett Trophy for the season. This is the second year that Ed has sailed his Lightning #6515, "Restless". Last year he was runner-up to John Swanker. Runner-up this year was Dex Bellamy, former fleet champion, followed by Ed Horstkotte and Bob Fehr.

In spite of the statistics, the year was one of the most competitive in the history of Fleet 13. The races were marked by excellent starts, largely through the efforts of Ray Kruszona, father of the fleet champion, who handled the committee boat. The starting lines were well laid out and the flag signals made with split second timing. The elder Kruszona was presented a scroll and an anchor in appreciation of his excellent work throughout the year.

Eight to ten boats was the average turnout for the races out of the thirteen boats in the fleet. A few boats of other classes sailed in the races on a no-handicap basis. Fortunately, the races were all won by Lightnings.

Skippers and crews of Fleet 13 attended meetings throughout the winter for business sessions, showings of slides and movies, and skull sessions in racing rules and tactics. These meetings kept the fever high so that the season got off to a flying start.

The '59 season will see two new skippers in the fleet. John Low

Ed Kruszona, shows the form that led to his victory as Fleet 13 champion.

sailing #890 and Clyde Deavers with #7074. These boats will bring the fleet total up to fifteen. There are extensive plans by other skippers for upsetting Champion Kruszona's remarkable record. The coming year promises to be a good one.

The 1958 season for Fleet #14 was one of the least active in its twenty years of sailing. Fewer boats were around on race days, and it seemed as if each week when a race was sailed that some of the skippers had to be away and could not race. This cut the season to only four races.

The State of Maine Lightning Regatta was held as usual and twenty-nine boats showed up to answer the starting gun. The

overall winner of the Regatta was Dick Price of Fleet #189. Gardner Brown of Fleet #101 gained permanent possession of the State of Maine Trophy by being the first Maine boat and having won it two times before. Warren Andrews of Fleet #101 was second for Maine boats and Al Moore of the host Fleet was

Two new skippers, Bill Willworth and Ralph Strachn have joined the Fleet and with the purchase of new boats by Al Moore and Dunc McInnis perhaps 1959 will see the revival of the large Fleet which we have had.

The 1958 season was one of the best that Paupack Lightning Fleet #16 of the Lake Wallenpaupack Yacht Club has ever enjoyed in its history. Our Fleet of racing boats has grown to an astounding number, twenty-one boats by the end of the season. The Club enjoyed its usual, successful racing season, which scheduled races starting on the July 4th weekend through Labor Day. The skippers and crews have supported a terrific racing series. All social events of the Club were very successful.

Bill Schumacher won the Fleet Championship for 1958 by receiving the William Bissell Trophy for season championship. Frank Fretz, our champion for the preceding three racing seasons, finished a very close second. Another Schumacher, Philthat is, a top-notch contender had a mishap by capsizing, but fighting, finished in third place.

The Women's Series inaugurated in 1954, has grown to be exciting to all spectators, as well as fun-loving for our male skip-pers. The newest Lightning Skipperess was Sue Patlen who did a splendid job, by finishing in 1st place. Placing second, and an attractive little skipper, was Gracie Folwell. Judy Fretz a seasoned skipper finished in 3rd place. We all are grateful to Dot Schumacher who also sails with us, for the sole purpose of helping, us girls, to build up our points.

The Club had in addition to its regular series, several awards.

Here are the lucky and well deserving winners.
Robbins Handicap Award .... #6730—Judy Fretz
Achievement Award .... #6119—George Miller Ericsson Trophy #5931—Phil Schumacher Billy Soose Trophy #5931-Phil Schumacher

Our race committee did its usual competent job. We all "tip our hats" to the members: Cliff Abramson,—Chairman, Harvey Mason, Sr., Ken McKay, Bill Schumacher, Sr., and to our faithful bouy boys-Tommy and Bruce.

Truly successful was the Clam Bake held in July and organized by Pete Oxford. The Club also had a wonderful time at the Buffet Supper sponsored by the Women's Auxiliary, for members and friends. To finish off the season a Social Supper and Dance was in full swing at Hotel Poco-Paupack, on the lake. Cheers were heard from every member when the land mortgage was burned. With all of the eating no one appeared to gain any unsightly pounds.

Work is progressing rapidly on the New, Lake Wallenpaupack, Club House. With our blue-prints completed, land purchased, and attracive refreshments booth, we're ready to see that first

board nailed.

We have saluted our Champions and now everyone would like to thank every skipper, and his boat who seldom win but who are always at the starting line, race after race, and without whom there would be no fleet and competition for our winners.

Caryl Demarest, occasionally relieved by brother Gary, annexed the 1958 Fleet #17 Lightning Championship and the Black Rock Yacht Club Daniel C. Patterson Trophy. The Demarests won nine of fifteen races and added four seconds, as Ketchup repeated its victory of 1957. John Barton in Quick Trick, finishing second in both series and for the season, increased his long collection of runner-up awards. Thomas Lyons' Knok placed third in the second series and overall while Lyde Howard's Howdee annexed third in the first series.

The racing schedule started in June and consisted of two eight-race series. There was also a six race Wednesday night series also won by the Demarests. Fleet #17 has dropped numerically during the past two years, mostly due to sale outside the fleet of older and slower boats, and we are promoting prospective Lightning purchasers to increase our numbers in 1959. Excluding one boat not in the water, all of the fleet were active in racing, participating in from ten to fifteen races each.

Black Rock boats participated in the Barnum Festival, Tri-Club and Milford Last Chance Regattas with Dick Chantland sailing Little Savage to Victory in the latter. The annual Black Rock Invitational Regatta drew entries of twenty-three from six fleets and was won by Tom Munnell of Pequot with Merrifield and Robbins of Pequot following in that order. Four boats entered the District Championships at Noroton with Barton

qualifying and racing in the President's Cup Regatta.

A large number of Juniors joined the sailing classes which were highlighted by a regatta won by Lee Demarest in Ketchup with Joyce Barton in Quick Trick second and Kathy Vincent

third with Nina.

The fleet is extremely proud of our hard-working and efficient race committee, chaired by Commodore D. Verner Smythe. In addition to the regular season, they inaugurated a post-season swap race which proved an opportunity to the less successful skippers and a challenge to the winners. Winner was Lyde Howard with Little Savage. It is interesting to observe that the "middle" boats and skippers finished 1-2-3, and tail-end skippers with the championship boats 4-5 and the "hot" skippers with the undistinguished boats 6-7.

Fleet 20 made good progress towards an active racing program

during the 1958 season.

Two new boats were added to our group fleet. Jerry bought #2746 and Howard Lickerman and Norm Wenig brought #4516 over from La Porte. David Fall did his best to get his "Sive" operational but was plagued by a series of unfortunate accidents.

The season got underway in June with a couple of tune up races. Then on the 28th we again played host to a group of stalwart adventurers from Fleet 222 (Gary Boat Club) who sailed a shoreline race 12 miles over from Burns Ditch. The next days triangular race was eventually called off due to a number of dif-

ficulties caused by high winds.

The height of our season was the first "Sand Dune Regatta" held July 19-20. A total of 16 boats from Gary, St. Joseph, and Michigan City participated. Weather was perfect for racing and the competition keen. After the third race was over we found we had taken some sailing lessons from Midwest Champion, Bob Spitz, and some talented youngsters from St. Joseph.

Local races were held on weekends and usually found "Spirit" with Chuck Moffett and Red Spychalski on board battling with Chuck Mershons "Patriot" for the lead. Jerry Orlowski also

showed himself a strong contender.

Prospects look good for the addition of 2 or more boats in 1959 and plans are being made already for the best season yet.

The 1958 season was one of great enthusiasm as Indian Lake Yacht Club was host to two regattas. First the Ohio Interclub Yachting Association regatta was held in June with 81 boats participating of which the Lightning Class drew the greatest number of entries (21). The first two races were sailed in winds and weather considered a sailors dream, while the final race was started in almost a dead calm. After more than an hour of bouncing, tacking, and considerable words with the race committee and weatherman, a fresh breeze picked up and the race committee regained face again. The winner in the Lightning Class was Jim Dressel in Blue Marlin II.

The second regatta in September was the annual Tri-Lake (Cowen, Kiser, and Indian) regatta. Our own fleet champion Charles Lutes took first place honors in the Lightning Class. The first race was sailed in extremely heavy winds, with considerable damage to some of the boats. Because of this, the second race was called off, and to be held Sunday morning. However, the wind on Sunday was the same and so the races were completed in one of the windiest regattas to date.

Fleet #23 was represented at a number of regattas, both close and away. Our fleet champion, Charles Lutes, made his yearly jaunt to St. Pete for the midwinter championships. We were represented at the districts on Lake Pymatuning, the annual regatta at Devil's Lake, Michigan, the Red Flannels in Chicago, and the annual Snow Ball at Buckeye Lake.

This spring season opened with a new skipper at the helm of 2825, Bob Guyton. About the middle of the season Jim Pettibone purchased No. 5761 from Andy Wierich, and towards the end of the season Jim Emmons launched his new boat No. 6142, —2 years in the building, and a beautiful job. We hope to see 3 hot contenders from these boats in the 1959 season. Also, at this writing Ray Stotts has a new boat under construction to be completed for the 1959 season.

As our 1959 season has no scheduled regattas, we will probably do more traveling in quest of some keen competition and hardware from our neighboring fleets.

over for his father this year, improved sufficiently during the season to take second place.

The fine showing made by our Lightnings in the open class regattas should help to intensify our Lightning activities next season. Doc Shoemaker won the Mikelsen Trophy, with Gil Jernstrom taking third place. The Commodore Cup Regatta, raced on Labor Day, provided an exciting three boat fight. About 20 yachts participated, with Doc Shoemaker leading during most of the 12 mile course. Bruce Monroe, our 1958 New Jersey State Snipe Champion, and Gil Jernstrom were pressing hard for second and third places respectively. Split second maneuvering on the last lap resulted in a photo-finish tie for first place between Gil Jernstrom and the snipe sailed by Bruce Monroe, with Doc Shoemaker just inches behind for third place. A sail-off on a shortened course was won by the snipe, giving Gil second place.

Among the newcomers to our races, an excellent showing was made by Roy Chiovarou, sailing Lightning 6079 to fourth place in the fleet. Bob Edmunds, training his daughter in the art of skippering, finished the season in third place.

The season closed with the annual LMYC award dinner at

which time trophies and awards were presented to the skippers and crews of the winning yachts. A particular problem facing many of the skippers in our fleet is the availability of crew members. An effort was made this season to train permanent crew members. Skippers, recognizing the importance of the crew in helping win a race, proposed this season that trophy awards be made to the crew of winning yachts. This was highly successful, and it is hoped that it has created a precedent for future seasons.

We are planning for a very active 1959 season, with our usual point score races held every Sunday morning, as well as several special events. We would be very happy to invite any LCA members to sail with us in our races, either in their own boats or crewing with us in our boats. Arrangements may be made by contacting any member of our fleet at Lake Mohawk.

This was truly a great season at Little Egg Harbor. First we were blessed with more than our usual share of fair winds and few of the "southwesterly screamers" which often pipe up in the afternoon on Little Egg Harbor Bay.

Charlie Dore was our club champion, followed in the season series by O'Donnell, Langworthy and Lampman. In the season's Inter-club series it was Dore, Lampman and O'Donnell. In the 3 race Winward Trophy series Dick O'Donnell won, followed by John Teigland and Lampman. Unfortunately Teigland, our '57 club champion and runner-up in the '57 Internationals, was forced to withdraw from racing activities for most of the season. We look for him to return in '59.

In the Independence Day 3 race series, Dore finished in front with Dick O'Donnell second and the Bill Webbs in third. It was great to see the Webbs finish in the money.

The Districts were at Bay Head and Charlie Dore had to come from behind to finish third and qualify for the Internationals. Dick O'Donnell sailed beautifully until a broken mast in the 4th race squall ruined his series. But Dick sailed well in the President's Cup, leading after 4 races and finishing in the money despite an unfortunate fifth race. Maybe Lady Luck will do better by you in '59, Dick.

In the Little Egg Invitational, Lippincott (Riverton Y.C.) and Alexander (Bay Head) led Dore in a 3 race series. Finally in the Labor Day event, Dick O'Donnell won with Dore second and Schneider third.

The 1958 sailing season opened with the addition of several newer boats to the fleet compliment; notable of these were #7022 by Bucky Powless, #5824 by Russ Bartholomew, and #6276 by a new fleet member, Richard Schmidt. Dave France and Bob Mann joined our fleet-both coming from Buckeye Lake Fleet. Bob, who is the recent past president of the Lightning Class Association, is maintaining a dual membership—here and at BLYC. Other new members included Ross Saxby and Ernie Hirshfield. Welcome aboard sailors!

Following traditional fleet plans, special series races were held on the various holidays throughout the summer. The first of these was the Memorial Day Series. Last year's fleet champion, Al Rowland proved that the winter months had not dulled his sailing prowness by winning this series. Bucky Powless, with his new boat—Teachers Pet—as the runner-up. Don Cameron, our fleet captain, gave notice to all that this was not going to be 'just another sailing season' by warming up to the third place.

The second holiday series was held during the fourth of July weekend. Don Cameron, whose sons (one is a junior) man the helm and whose wife handles the jib, outplaced Frank Rose who was the runner-up for this series. Russ Bartholomew, who in spite of capsizing (his second on that day!) during the first race came back in the second and third races to claim third place for the series. Needless to say, this surprised all of the 'also rans'.

The annual invitational All-Ohio Lightning POW-POW regatta was held on July the 12-13th. As last year, our sailing

Approaching the starting line at the POW-WOW Regatta.

guests departed with all of the hardware! However, as the point spread of the top sailors reveal, the races were all highly competitive—especially in the winning circle. George Fisher of Buckeye Lake was first with 64 1/4 points; Jim Dressel, also of BLYC, was second with 63 1/4 points. John Mueller, of Rocky River earned third place by accumulating 63 points. How much closer can you get! Not to far—but not very close either—at the 8th, 9th, and 10th places were LYC members Cameron, Rowland, and

Powless. Oops—Bob Mann did a little better with a 6th place.
Shortly after the POW-WOW regatta, the fleet lost its housing facilities when the Leatherlips Yacht Club was burned down during a July afternoon thunderstorm. Nevertheless, the racing and sailing activities continued throughout the rest of the year. Plans for a new and modernized club house are in progress and the main structure is expected to be completed and in operation by early spring of the 1959 season.

The Labor Day Series was won by Don Cameron. Bucky Powless was the runner-up and tied for the third place were veterans Al Rowland and Russ Bartholomew.

When the Fall Series was finished, the Cameron crew proved their salt again by copping first place. Chuck Hood moved into the second place slot. Dave France, who has been a consistent series participant, claimed the third place.

In the All Club Handicap Series, Lightning skippers Powless and France earned 5th and 6th places respectively. The Thistle Class occupied the top places in this series.

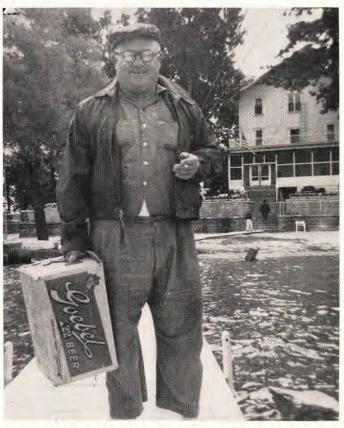

Bucky Powless will succeed Joe Ritter as commodore of the Leatherlips Yacht Club for the 1959 season.

Fleet 31 had a very active year with a great deal of interest and enthusiasm shown by all the members. There were two new skippers added this year: Chuck Thompson, of Jackson, with number 6228, and Jim Reynolds of Adrian, with 5858. The fleet now numbers 14 boats and will have 15 when 862 gets out of dry-dock. We had 11 to 14 boats in the races every Sunday, except for July 27, when Beal, Peters and Kennedy went to the Districts at Tawas Bay.

The fleet's first project in the spring was putting out DLYC's 600 feet of dock, including a new safe-swimming area for the youngsters. After several weekends spent slaving away in the ice-cold water (we started in April), everyone was glad to go ashore and build a committee-raft. The raft is a welded steel, eight by 12 foot, floating porch, complete with railing, canopy, chairs, flag-lockers, and sometimes motors. It has provided a comfortable and roomy base of operations for the race committee, although it shows a tendency to drag its anchor in heavy seas. When the raft was done, ambition was still rife among the sailors, so we scraped the bottom of the till and ordered a new, all-steel electric boat hoist. The hoist was installed with plenty of sweating and cussing in time for most of the fleet to launch their boats by Memorial Day. The early birds had to use the old one.

The racing season started on Memorial Day, with Crittenden and Whitehouse tied for the Jack Gould Memorial Day trophy. They agreed to race off the tie on the following Sunday, and Whitehouse was the winner. The John Oberst Fourth of July trophy was won by Kennedy; and Bruce Goldsmith, sailing the Benz boat, took the Labor Day cup. The regular summer series championship was won by Girkins, with Bryner a close second and winner of the Novice cup. Fleet 31's most improved skipper's trophy went to Bob Green and Clyde Brasher, co-skippers of 2183. This cup dates from 1887, and was presented to the fleet by Mrs. James Helme, of Adrian. Race-committee chairman Buck Wynn was awarded the cup for sportsmanship and contribution to fleet efforts. Our cherished thunder-mug went to Chuck Thompson, who joined us too late in the season to pile up many points.

The project of which Fleet 31 is proudest is the establishment of a Junior Sailing program. We chose fiber-glass Vixen-class boats as the best-suited for the youngsters to sail and maintain, and obtained the services of Bruce Goldsmith as sailing instructor. The Vixen fleet numbers five boats, and we hope to have more in the future. Bruce had about 20 children, aged 8 to 14, in his classes, and taught them sailing, knot-tying, boat care, water safety, racing rules, and good sportsmanship. The Vixen fleet raced twice a week and Jim Sayre of Hudson, Mich., was fleet champion. Four members of our Junior Program went to the Wakefield Junior Sailing Championship regatta at Put-In-Bay, Ohio, chaperoned and cheered on by Dr. and Mrs. Keith Whitehouse. The Whitehouses took 5901 along, and spent the week sailing the rest of us around on Lake Erie.

Our 15th Annual Regatta (This One's for Fun), drew a fleet of 83 boats, the greatest ever. We had 41 Lightnings, 25 Rebels, 12 Interlakes and 5 Vixens. The weather was perfect, and a small miracle was performed on Devils Lake: a regatta with no protests and no boats damaged. Bud Nelson of Toledo Y. C. took first place in the Lightning Class, with Herm Nickels of Lake Fenton second, and Don O'Neill of Toledo third. Whitehouse topped our fleet with ninth place, but he won't tell anyone how he did it!

On Sept. 20 and 21, Fleet 31 was host to the Rebel Class National Championship regatta, with 51 boats from all the USA in attendance. The defending national champion, Bruce Goldsmith, is a member of our fleet, and we are proud to say that he won the championship again this year, to become the first two-time winner in the Rebel class. It was a pleasure to work with the officers and members of the Rebel class. We learned a great deal, and had a lot of fun at the same time.

Seems as though we've done enough bragging about our accomplishments in 1958, but there are a couple more things that

Close hauled for Cherry Point, Devils Lake.

we are proud of. Our Jack Beal, unruffled skipper of 840, was elected Commodore of the Michigan District for 1959, a great honor for our fleet. If he "commodores" as well as he sails, the Michigan District will have a big year!

On the day before Labor Day, Devils Lake Yacht Club was the scene of an important first in Lightning Class history. In a screaming gale that kept the boats of Fleet 31 tied to their moorings, the XFG-1, fiber-glass Lightning, was launched. The sleek blue and white beauty which was built by Bill Girkins and Bud Nelson, of Toledo, Ohio, went out the next day in a lesser gale and took a first, a second, and a seventh, in the Labor Day Series. The boys took the new boat to the Internationals in New Jersey and sailed it in the President's cup races, where it aroused a great deal of interest.

We all worked hard this year; we all sailed hard; we had a good time; and we have enough to talk about to last us all winter. 'Nuff said!

This season started off with high winds for sailors of Fleet #32. It turned out to be a good thing, too, because the YRA moved the starting line up the sound ("off Alaska!") and it was soon discovered that a motorboat was almost as essential as the sailboat itself, if anyone wished to race.

was soon discovered that a motorboat was almost as essential as the sailboat itself, if anyone wished to race.

The races for the Elimination series for the District Championship were held at Larchmont Yacht Club this year. Lucy Sheldon of the Riverside Yacht Club was the winner. The ladies of the Fleet organized a fine dinner for the guests during the District races, under the social direction of Dottie Haigney. Our congratulations also, to the Fleet ladies for their super job in arranging the box luncheons for all the entries in the District races. In spite of choppy seas, luncheons were handed out without mishap by Mary Bradfute and Kay Jackson. Many compliments were received for the work the ladies did. We were told that these luncheons were superior to any that had been given in previous years.

Vincent J. Monte-Sano, Jr., won the Atlantic coast Championship, which will bring the races to the Larchmont Yacht Club next season.

On October 25th our season ended with a haul-out party. The men of the Fleet worked together in hauling boats out of the water, dismasting and moving them to their winter quarters. The job progressed without a slip, due to the wonderful leadership of our captain Willard Brown.

With many inexperienced skippers in our midst in 1958, Metedeconk's top skippers turned their boats over to crews for the Championship series. While this move made for a more interesting series, the out come was much as it has been for the past several years. Jim Carson's boat again ran away with honors for the fifth consecutive year with George Francis and Charlie

Fleet 34's finest: Starkey, Carson and Francis.

Starkey sharing the skipper duties. Extra credit "above and beyond the call of duty" goes to these two for crewing on other boats on the weeks they were not skippering. The idea was to give each inexperienced skipper the benefit of a crewman with experience for one race. This "trade-off" really paid dividends

in morale and a marked increase in interest.

The Championship was again split into two divisions with an 800 # dividing line for purposes of scoring although both continue to race together. Following the Francis-Starkey combination in the light division was Nels Claypoole sailing Jim Daley's JIM DANDY, and then Carol Hommer in ZIG-ZAG. The heavy division was a real battle not decided until the final gun with the standings after eight races finding Art Nichols ahead of the Smith-Dick-Moore syndicate and newcomer Bill Mahler (who learned to sail by reading a book last winter) bringing up the tailgate. Herm Schmitz, Steve Kenyon, Dave Shay and Dr. John Pierce sailed several races and made their presence felt but failed to sail in sufficient races to qualify for the Champion-

On hostile water our Fleets continue to be represented at almost every major Lightning event. Jim Carson bore the brunt of the traveling last year with assists from Jim Daley, Carol Hommer and Dave Shay. Regattas covered included the following:

Mid-winter Championship (Carson) Central Atlantic District Championship (Carson 2nd, Shay 12th)

Atlantic Coast Championship (Carson 5th)
International Championship (Carson 16th)
South Jersey Championship (Shay 1st)
State of Vermont Championship (Shay 2nd) President's Cup, Washington (Daley, Hommer) Frigid Digit, Baltimore (Carson 1st)

Frostbite, Quantico (Carson, 4th, Daley) In addition Fleet #34 and the Metedeconk River Yacht Club hosted the New Jersey State Championship in conjunction with its annual Spring Tuneup Regatta. Jim Carson made a shambles of the visitors winning two races and losing the other by ten seconds. Roy Knapp of Red Bank was second beating such District stalwarts as Adams, Tiegland, and Dore. Jim continued on to again win the Barnegat Bay Championship for the second straight year. Off the water Jim Carson holds down two LCA jobs as Assistant Measurer of the Class and Commodore of the Central Atlantic

District. Jim Daley is District Treasurer. While our sailors in 1958 weren't knocking down any fences, enthusiasm seems to be growing in Fleet 34 and we look forward to 1959 hoping that some of our stalwarts will return to full time racing and that our newcomers and less experienced sailors will

continue to improve.

The 1958 Season on White Rock Lake was the second year since the drought that we have had enough boats and water to enjoy competitive racing. Early this Spring before any racing got under way, a meeting was held to discuss racing rules among the old-hand and new-comers in order that everyone would be well posted for the summer activities.

In June the Annual Championship Series started, boat handling and seamanship were noticeably better than last year, which is a credit to the fast learning new members as well as the helpful and experienced members of long standing.

Spinnakers were not used last year in the Championship series because new skippers had difficulty in training their crews to use them. However, this year they were used extensively in the light summer air.

This year the series consisted of eleven races. Harold Boss was in first place again this year with five firsts and one second, Marshall Fagin was second with four firsts and two seconds, and third place with two firsts and two seconds went to Milton Price.

On July 19 and 20, Fleet 35 was host to other Texas fleets and the site of the Texas District Elimination Races. Members and visitors enjoyed fair weather, a good turn out of contestants and

Of all news at the pier this year we were happiest to be able to welcome three new members and their boats aboard. They are J. B. Sowell, #1486; S. R. Newman, #5219; and John Waskom, #3909. Other prospective members are awaiting construction of new facilities before final approval of membership.

To all of those new men interested in sailing Lightnings we say welcome, and wait the opportunity to sail with you and want to share whatever skill we both may have. While our club is building, city ordinances have been passed that allows only 101/2 hp motorboats on the lake. As a result the Williams Boat House south of our pier was abandoned and later torn down.

The Frost-Bite Series is under way at the present time and will continue as long as enough skippers will come out. This brave group has real enthusiastic sailing spirit to face the cold wind and water, but doubtless will secure for the winter before long.

During the 1958 season our fleet continued to grow as a number of new members acquired Lightnings. Hi Johnson, Dave Carson, John Hutcheson and the Zitnik brothers, Jack and Ed, brought good used Lightnings into the fleet and Ken Beilstein was learning to sail the new boat which he built with the aid of co-owner Karl

Fleet 36 Champion Charles Maltbie in "Hot Canary"

Dawes. Frank Hornby, fleet champion at Conneaut Lake, joined our club and proved to be tough competition for our Lightning sailors.

As in the past, the races for the fleet championship were divided into four series of races. Two series were sailed on Saturday after-

noons and two on Sunday mornings at 10:00 A.M.

Competition in the District's largest fleet was extraordinarily keen as our skippers battled for the top ten positions in order to represent Pymatuning in our District Championship Regatta. After being fourth during the past two seasons, Chuck Maltbie, in Hot Canary, defeated Jim Davis and Paul Knapp to become our new fleet champion.

138 points 5. Bob McClaran .......6555 132 points Our annual Independence Day Regatta attracted nineteen visiting skippers who competed with twenty Pymatuning Lightning skippers for the Watson-Krutsch Trophy. Jim Davis, in Miss-Fit, came very close to being the second Pymatuning skipper ever to win this regatta as he tied Bill Walker of Erie with 110 points. Walker, however, had beaten Davis two out of three races and the huge trophy again went to Walker who had previously won it in 1956. George Fisher of Buckeye was third; Mark Auer of

3. Paul Knapp ......5048

Cleveland, fourth; J. Walker of Erie, fifth.

Pymatuning acted as host for the Ohio-Indiana District Regatta
on August 1, 2 and 3. This was the first time this event had ever
been held away from Lake Erie. Breezes were light and variable on Friday; a real drifter on Saturday when no attempt was made to race, and fresh breezes for the fourth and fifth races on Sunday. George Fisher in 4865 repeated his fine performance of last year and again won first place with 158 points.

Our own "Little Jim" Davis, with brother Tom and "Big Jim" Lewis as crew, sailed #6530 to second place with 148 points and became the first Pymatuning boat ever to qualify for International Championship.

"Have boat - will travel", became the slogan of some Pymatuning skippers who started at St. Pete and continued to most

of the major regattas in the area, winding up the season with the Snowball Regatta at Buckeye Lake. Here, Chuck Maltbie with superior seamanship in the heavy weather of the first and second races, and moving consistently well in the light airs of the third race, tied for first place on points but was awarded second prize under a local scoring system.

The season ended with our annual meeting and election of officers on October 18 when Gene Harmon was elected Fleet Captain and Tom Davis Secretary for the coming calendar year.

As usual good sailing and keen competition prevailed throughout the 1958 season. Bill Wells did it again this year, taking the Summer, Fall and Season championships with a grand total of 157½ points. Bob Gridley ran a close second, finishing the season with 155¾ points. Third place was held down by Hank

Verbsky Jr., with 149½ points. Third place was field down by Lamber Verbsky Jr., with 149½ points.

As for special races. The Fish and Iron was won by (guess who) Bill Wells, with Jim Walton second and Jack Kline third. The Stava Trophy was also taken by Mr. Wells. "Touche", featuring the combined efforts of the Stava syndicate, was second and Bob Gridley third.

Our regatta was called because of rough weather which, by the way, stayed with us through most of the Fall series!

We are sorry to hear that both Bill Wells and Bob Gridley have decided to leave the fleet. However, they assure us that they will return as soon as possible.

New interest was started in the fleet with the addition of three new members, Bill Phillips, Jerry Isear and Ed Wahl. The enthusiastic interest which they displayed this past season has given us new life. I know that everyone is looking forward to next

Fleet #38 Champion, Mike Zwerling and crewmen Arthur Beecher and Evelyne Zwerling take Pippa II downwind.

If wind meant good racing, then Fleet #38 had exceptional racing in 1958. The winds were very strong for almost every race all season long. Fortunately, no one got into any real trouble, though there were some near misses. When the last small gale had blown itself out, Mike Zwerling emerged as fleet champion, with Al Gagliano a very close runner-up.

Al and Mike represented Fleet #38 at the Greater Long Island Districts, and had a wonderful time. They have nothing but praise for the boys at the Hewlett Bay Y.C. who welcomed them and made them feel at home.

Al continued to hit the trail with great success, taking a first for even-numbered Lightnings at Manhasset Race Week. He also placed first in the Fall Series at the Raritan Bay Y. C. in New

Jersey.

There are great plans a foot to have a big invitation series at the Miramar Y. C. in Sheepshead Bay. There will be races for

Thistles, Snipes, Highlanders, and of course, Lightnings. Dates will be announced in the Spring.

All are invited.

One of our fleets objectives this year was to inaugurate a sailing program for youngsters. Despite the usual difficulties we got under way and interest amongst the juniors was most encouraging. We intend to continue this activity and enlarge the scope this coming year.

Gil Parker surprised everyone again this year by completing another Lightning, started in February in time for the early summer races.

Hi-Tor was proud to have one of our young sailors, Nelson Kringel, win the Hudson River Yacht Racing Association Junior Championships sailed at Nyack in Lightnings.

Our racing season opened with the annual Memorial Day Race with competitors from neighboring fleets on the river attending. Howard Mullin of Nyack finished in first place followed by Walt Tripp of Hi-Tor with Ed Dean of Nyack in third place.

Weekly races at home were keenly contested and the final score showed Tom De Stasio as fleet champion nosing out Walt Tripp by a narrow margin with Gil Parker in third place.

The annual Sutherland Labor Day Race from Stony Point to Nyack brought out many Lightnings from this area and perfect weather made this one of the seasons better races. Tom De Stasio of Hi-Tor led the way followed by Bob Shuris and Joe Hoffee of Nyack with Harold De Jaeger of Hi-Tor finishing fourth.

The season ended with a race on October 4th and an evening barbecue.

Are lack of crews troubling your fleet? Lake Mohawk Yacht Club is solving this problem by awarding trophies to the crews of the winning boats.

The Lightning Class lost one of its finest skippers this year. Doc Booth passed away while skippering his new boat #6797, The Havoc, on Maumee Bay, April 30, 1958.

Doc was well known among the members of the Lightning Class. He was Commodore of the Ohio-Indiana District this year, and Secretary the previous year. He bought his new Lightning in January, 1958, and sailed it at St. Pete, in February, Although many people in the Lightning Class only knew "Doc" as a sailor, he was very well known in Toledo and the surrounding areas as an excellent physician and surgeon.

Fleet 42 started the '58 season with the 10th Annual Great Lakes Championship Regatta May 23-24, 1958. This famous all Lightning Regatta drew 32 boats from a large area extending from the midwest to the Feet Cast Find and a read a season.

Fleet 42 started the '58 season with the 10th Annual Great Lakes Championship Regatta May 23-24, 1958. This famous all Lightning Regatta drew 32 boats from a large area extending from the midwest to the East Coast. Final standings in the 3 race series, were; 1. Jim Schudel, Bayview Y. C.; Detroit, 2. Don O'Neill, T.Y.C.; 3. Chuck Maltbie, Pymatuning, Y.C. The weather was good, and a good time was had by all with the Michigan District Barefoot Philharmonic Orchestra providing excellent music for a fine Saturday evening, following a lively cocktail party and dinner.

a lively cocktail party and dinner.

Fleet 42 also had 15 fleet races, for the season, and participated in 7 regattas at nearby lakes. The fleet race standings were:

Bud Nelson
 TIE—Don O'Neill and Dick Legowski

4. Frank Keller
5. George Booth
6. Jim Keller

The Ohio-Indiana District held at Pymatuning, was represented from Fleet 42, by Bud Nelson, Don O'Neill, Dick Legowski, and Jim Keller. Bud Nelson finished 5th, qualifying

for the Internationals, and Don O'Neill finished 13th, qualifying as an alternate for the President's Cup.

For the traveling regattas, a good percentage of the fleet attended 7 regattas at various nearby lakes. Results:

Devils Lake—Bud Nelson 1st, Don O'Neill 3rd, 41 boats competing.

Port Clinton-Dick Legowski 3rd, 16 boats competing.

Bayview, Detroit-Bud Nelson 3rd, 23 boats competing.

In addition, various members attended the 2nd Port Clinton (Snowball), Buckeye Lake, and Lake Fenton Regattas.

Tim Fisher of Buckeye Lake bought Bud Nelson's Toledo Express, #5010. Bill Stone, T.Y.C., bought Dick Legowski's Sinstress #6010.

Bud Nelson and Bill Girkens have worked hard producing 2 fiber glass boats, and have done quite well in competition with them. The boat is very neat and glossy in appearance and appears to be very seaworthy. Fleet 42 wishes lots of luck to the boys in their new venture.

Good Sailing, hope to see you at our Great Lakes Invitational, Memorial Day Weekend, in 1959.

April 19th brought skippers and crew of Fleet 43 to Buckeye Lake en masse—even though some were still brushing on the last coat of varnish as they trailed their boats into the hoist area. The Spring Series, raced that week-end and the next, was won by Jay Limbaugh; George Fisher and Marty Headlee were second and third respectively.

The Summer Series was won by George Fisher, with Jay Limbaugh second and Jim Dressel third. The Fleet members participated in many out of town regattas during the season—actually our home schedule is planned around the regattas we all hoped to attend—starting with the Great Lakes Championship at Toledo in May. Bob Mann, George Fisher and Jay Limbaugh took their boats; George finishing fourth in this "Which way did the mark go?" series.

The following week-end Jay Limbaugh and crew took his boat to Kentucky Lake where he competed in their Governor's Cup Races, placing third behind Gene Walet and Bob Buckles in extremely interesting and exciting races. At Buckeye a new Series was inaugurated on this, Memorial Day weekend—another handicap series with all classes competing. George Fisher took first in the five race series, sailed during extra heavy winds which caused numerous casualties.

The OIYCA at Indian Lake was won by Jimmy Dressel. Bob Mann 5th, Jay Limaugh 6th and Tommy David 10th. From there Jay Limbaugh trailed his boat to Indianapolis to participate in the first Hoosierland Regatta which was a fine Regatta.

The next week-end-Fourth of July—most of our Fleet took off for the Pymatuning Regatta. George Fisher was third, with Bob Mann, Jimmy Dressel, Marty Headlee and Jay Limbaugh lagging behind. Tim Fisher, who had remained at Buckeye, won the Woodward Trophy in a Long Distance Race that weekend. This was immediately followed by the Pow-Wow Regatta at Leatherlips where George Fisher took first and Jimmy Dressel second.

We all then returned to our own Club where we completed racing the Saturday Series in which George Fisher was first, Jimmy Dressel second and Jay Limbaugh third. We also continued sailing off the Wednesday Evening Series, won by Marty Headlee, with Jimmy Dressel second and Tim Fisher third.

August 2nd most of us returned to Pymatuning for the Ohio-Indiana Districts. I'm sure that mention will be made in the O-I District Report of the lack of air on Saturday and the light air on Sunday which picked up slowly as the remaining races were sailed off. George Fisher won for the second consecutive year and Jay Limbaugh placed third to qualify for the Internationals. Three others from our Fleet qualifying to sail in the President's Cup—Jimmy Dressel, Tim Fisher, and Bob Mann.

Back to Buckeye to resume series racing including the Labor Day Series. George Fisher first, Tim Fisher second and Bob Mann Third. We had a dark horse in a red boat during several of our Labor Day Series races (We "Disqualified" him in compiling our finishes for the Series). Gene Walet and crew stopped at the Limbaugh's enroute to the Internationals and all of us took off for Buckeye Lake where we were guests at the Fisher's summer home. Gene's boat was put in the water and there ensued so many races in a four day period that we lost track of how many we sailed. Our fleet enjoyed competing against Gene and his crew—and our Club members enjoyed their visit on our Island.

The day's trip to Little Egg Harbor, with five of us trailing boats in caravan was certainly not dull—some time ask Jay or Gene why they drove no faster than the legal limit (50 miles for us "trucks") during the latter part of the trip on the Penn. TP. George Fisher placed pretty well in the Internationals—Jay Limbaugh didn't and neither Bob Mann nor Tim Fisher have any luck in the Presidents.

At Buckeye Lake the following week-end George Fisher won the Long Distance Race, all classes, and the Eaton Trophy.

In the Octopus Race George Fisher was first followed by Jay Limbaugh, Bob Mann and Warren Weiant. Warren, a former member of our Fleet is back again with his boat completely refinished, looking like new, and all ready to join the Fleet in active status in 1959.

In the Fall Series George Fisher was first, Bob Mann second and Tim Fisher third. Another Long Distance Race, the Governor's Cup, found Tim Fisher taking first in Lightnings, thus winning the Fisher-Mann Trophy.

Our annual Snowball Regatta is appropriately named—each year it gets bigger and better. We certainly appreciate the efforts made by all our friends to be on hand to join in the competition and the fun during our regatta. Thirty-four Lightnings raced, with our own Jimmy Dressel winning, Dr. Chuck Maltbie second, Charles Lutes third and Bob Buckles fourth.

Buckeye Lake Yacht Club held its first Club Championship this fall. The Champion and Runner-Up from each of our four fleets, Ravens, Highlanders, Thistles and LIGHTNINGS, sailed elimination races in Thistles, which resulted in George Fisher meeting and beating Jay Limbaugh in the finals. Fleet 43 is very proud to have had their Champion and Runner-Up competing in the finals.

Other honors have been bestowed upon our Fleet members this year—George Fisher was Commodore of BLYC, Jay Limbaugh a Governor of BLYC and recipient of the Heber Award. Marty Headlee, Tommy Davis and Susie Ballenger from our Fleet did a fine job in the Wakefield Series, with Marty receiving the coveted "Sportsman" trophy. George Fisher was elected a Vice-President of the LCA. Jay Limbaugh, Editor of the 1958 LCA Year Book, asks me to take this opportunity to thank all those who wrote such kind letters of appreciation for the job he did on the Year Book.

Our Fleet annual dinner meeting will be held within a few weeks and the interest shown by all our fleet members indicates that next sailing season is going to be another keen one. Tim Fisher bought Toledo Express the latter part of this season and has it going good. Eddie Ballenger has just purchased a new Lippincott and is bringing it and his bride back to BLYC next season. The Limbaughs may take off for the Sugar Bowl Regatta at Christmas time and it's sure several of us are heading for St. Pete this February—see you there.

The Columbia Lake Sailing season's activities consisted of nine Sunday races, seven (Children's races) on Saturday afternoon,

and a three-race Labor Day week-end Regatta.

After a few races, it became apparent that the position pattern of the past few years would not hold for this season. New sails, crews and boats were causing unusually rapid changes in standings after each race. In many cases, the race to acquire new equipment came as exciting and apprehensive as the race itself. There were times that the crew improved a boat's standing when the skipper was beached.

when the skipper was beached.

In the children's races, the Pederson and Forbes boys maintained the same position as their Dad's Perry Pederson finished

first, and Chucky Forbes second.

Boat No. Boat Name Skipper

The Regattas races (season's winners excluded) were unusually sharp and hotly contested as indicated by several penalties. Fran

Savage finished first, and Oswald Scheller second.

This season was considered one of the most exciting and sporting ever held at the lake, and all are looking forward to changing this year's standing in the 1959 series. It is planned to give the real family skippers and opportunity to air their sheets. This may be more than interesting, probably hazardously exciting.

Fleet #51 is located on a peninsula completely surrounded with ideal sailing water at the harbor entrance. Those who attended the International held here in 1954 can vouch for it. We are looking forward to welcoming everyone at the 1959 Internationals. Past-Commodore, Harry MacFarland, who organized special committees in preparation for the Internationals last time, has again accepted Crescents' General Chairmanship at the request of the Crescent Board of Directors.

Fleet 51 trophy winners: Ellery, Crandall, Millies, Cawthra, Fairhild, missing—J. Millies

Fleet #51 is proud to have one of its members, Hank Cawthra, as President of the Lightning Class Association. His determination and ability for getting things done have won him the Fleet #51 Championship, Michigan District Championship, International Championship, and Presidency of the Lightning Class Association all in one year.

Our 1958 season had 29 races in three series with an average of 12 starters per race. Series "A" from May 25 to June 20 on Sunday afternoon was won by Hank Cawthra with Dick Crandall second, and Jim Millies, Jr., third. The popular Wednesday night "Nite-Hawk" series from May 21 to August 13 was won by Nan Millies, with Hank Cawthra second, and Chuck Ellery third. The "B" series from August 2 to October 5 on Sunday mornings was won by Don Fairchild with Dick Crandall second, and Chuck Ellery third.

Highest total points scored for the season:

Don Fairchild 1811

Dick Crandall 1659

Dick Crandall 1659 Highest Cox-Sprague System percentage for the season:

Hank Cawthra 88.4 Dick Crandall 84.0

Saturday Regattas on Lake St. Clair are sponsored by a different yacht club each week with 10 races this year in the Detroit River Yacht Association being attended by Fleet 51 members in competition with a total of 45 registered lightnings. The Lightning class is the largest group starting in these Regattas.

The Detroit Yacht Club, Lightning Fleet #131, sponsored their annual four-race Kendall series for Lightnings on August 22 and 23 which was raced from the Crescent Sail Harbor. Mrs. Kendall presented the perpetual Commodore Harry Kendall Memorial Trophy to the winner Hank Cawthra. Wes Wiedrick, Bayview Yacht Club, was second; Mack Goodwin, Pontiac Yacht Club, third; Alex Allardyce, Crescent, fourth; and, Leo Wasserberger, Pontiac Yacht Club, was fifth.

The Detroit River Lightning Squadron four-race series between Crescent, Bayview, Ford, and Grosse Ile was sailed this season from Crescent Sail Yacht Club on July 4, 5, and 6. The winners were as follows:

1st Hank Cawthra Crescent
2nd Wes Wiedrick Bayview
3rd Chuck Ellery Crescent
4th Chuck Grant Crescent
5th Dick Dickman Bayview

Crescent Sail Yacht Club members attended invitational Regattas during the Season. At St. Petersburg during February,

Hank Cawthra finished third. The Toledo Yacht Club Great Lakes Championship Regatta was attended by Hank Cawthra, Dick Crandall, Chuck Ellery, Don Fairchild, and Jim Millies.

The Michigan District at East Tawas was attended by Hank Cawthra, who finished first, Alex Allardyce, who finished 5th, Dick Crandall, Chuck Ellery, Don Fairchild, Chuck Grant, George Grenzke, Bob Knop, and Jim Millies. At Pontiac Yacht Club's Invitational Regatta, Pontiac furnished all the boats. Visitors selected boats for racing by drawing boat numbers from a hat, which makes a very interesting and unusual race. Chuck Ellery, Hank Cawthra, and Walt Roney represented Crescent at this series.

Fleet #51 finished the season with a seven-boat Round Robin of 6 races in which the skippers raced each boat, but not his own boat. The crews were exchanged and rotated to different skippers. Results were as follows:

First Chuck Ellery
Second Hank Cawthra
Third Art Rautenberg

The season's trophies were awarded at our traditional Pot Luck Dinner under the excellent direction of Co-Chairman Richard and Martha Graham, with Robert and Lorrena Hornbeck. The festivities were held on the Sunday before Thanksgiving and included viewing the 1958 Lightning International movies. The season's activities were written in verse by Mrs. Richard Westerman, and sung after dinner to the tune of "My Bonnie Lies Over the Ocean" with Mrs. Alex Allardyce tickling the ivories. Some of the verses are as follows:

"The Kendall was sailed under fair skies, The crews worked as hard as could be: On shore were some wives chewing nails off; Those races were something to see."

"Our Millies and Cawthra and Fairchild Were winners, and second to none; We followed them clear down the lake shore, At least we can say we had fun."

"And now it's the night of our potluck,
The winners their trophies may show;
Next year all the wives will be cheering
To make it a "two-in-a-row."
CHORUS: Bring back, bring back, oh,
Bring back my racing to me.

Everyone enjoyed the singing. We suggest you try writing a verse or two about your own season's activity. It's fun!

Our 1958 season was a very pleasant one. Robert Miller was the winner of our up-side-down club trophy, with two tips in one day.

Each race was well represented, even though there were always some boats away at other regattas.

The Lake Fenton Yacht Club's "White Cap Regatta" was attended by twenty-two boats. We sailed in everything this time. Drifter, drizzly rains, high winds and one good steady breeze. Joe

Stueland was the winner, with Herman Nickels second and Andy Roulet was third.

David Nickels was Fleet Champion this year with Robert Furey runner-up. In our Cruising Class, Don Allen took first with Dr. Sam Sarcher second.

Our summer season was interlaced with several "Moonlite Sails" and social picnics.

Our Fleet Captain, Dr. Leo Wasserberger, and his race committee cooked up a very active racing season for us in 1958. The highlight of the spring season was our informal Invitational Regatta. Skippers from neighboring fleets were invited to bring their sails, use our boats, and compete for the Cousins cup. After two good races Jim Shudel of Bayview Y. C. had won the trophy for the year. There was a tie for second between Wes Weidrick of Bayview and Herm Nickels of Lake Fenton. Wes won the coin toss, so Herm had to content himself with third.

Our regular Club sailing activities began shortly before Memorial Day. We had regularly scheduled races every Sunday morning and Wednesday evening, with informal races each Saturday afternoon. When all was over and the scores tabulated we found that Mack Goodwin, Phil Smith, and Claude Bennett had finished

order.

The climax of the season was our Championship and Commodore's Cup races. Andy Roualet won our Club Championship, but he was pushed by Larry O'Dell and Paul Goode, who finished second and third. The Commodore's Cup was claimed by Clarence Holman, with Gene Bego second, and Jack Grigsby third. Les Huntwork, Fred Prince and Jack Grigsby placed in that order in the post-season Snowball series.

Fifteen of our boats went up to East Tawas for the Michigan

District Regatta, B'rer Goodwin sailed Windfall into second place. Our other entries did creditably, and with Al Gray being elected District Secretary for 1959, we felt we came home with more than our share of blue chips.

If you were to talk to any member of P.Y.C. about the past season he would tell you that what he is most proud of is our Junior Program. Only in its second year, it has caught on like wildfire and has shown surprisingly fine results. Our juniors again entered the Junior Race Week Wakefield Series at Put-In Bay, and for the second consecutive year not only came in fourth but also won the Good Sportsmanship award!

That summarizes our 1958 season and it goes without saying that we are looking forward to 1959, especially since we will have at least five, and possibly six new Lightnings added to our

fleet.

This year we lost eight boats from our Fleet and gained six, dropping us from a total Fleet Roster of 22 in 1957 1958. However, this represents an actual loss of only 6 members against a gain of 6. This paradox resulted when two of our members sold their boats and became joint owners in the purchase of the boat of one of our skippers who moved to another state. The two boats sold still remain in our Bay we expect to entice them back to our ranks before long.

Additionally, we can count no less than 12 Lightnings on Little Neck Bay that have not yet entered the fold. They shall be inoculated eventually with the racing germ. There is such an epidemic in this area that the boat of our charming Secretary is frankly

labelled THE VIRUS.

Furthermore, being the closest fleet to the greatest center of population in the Western Hemisphere and indeed the greatest center of yachting in the World, we see no reason why we should not give L.C.A. the largest, and we hope the greatest, racing fleet in history.

Four boats, REBEL - CHICKADEE -ANNA ended the season with scores respectively of 90-93-93-94; all these boats should be threats to the leaders next season.

We have one member who moved from 14 last year to 7 this season with a very famous and able new boat GUESS AGAIN ex SPLASH. Look out for Ed; he'll be in there pitching next

One of our juniors with FIREFLY, the oldest boat in the fleet, moved up from 15th place last year to seventh for 1958. This young man, Howard Cone, participated in the post-season Round Robin and was scored as second skipper. If papa provides that shiny new vehicle as expected, Howard should be a factor to reckon with in 1959.

We have a considerable number of promising juniors who will definitely be in business when they settle down and learn to perform consistantly. Some of them seem to be trying to run before they have learned to walk; need to have hobbles put on, we guess.

The crowning event of our 1958 season was the Trophy Award Dinner held at the Bayside Yacht Club on November 28. An excellent repast and pleasant social evening were enjoyed by all. A

grand total of sixteen awards were made.

In addition to the six Trophy Winners of SEASON and SERIES fame, mentioned above, Medal Awards were made for greatest racing improvement of the season, SENIOR to Ed Mc-Mullin of Douglaston and JUNIOR to Howard Cone of the same community; for excellence in journalism and the fine press relations enjoyed by our fleet, to Secretary Joan Sullivan; for greatest service to the fleet when not running around Europe and sailing Lightnings in Switzerland, to Harry Bell of Bayside.

Cogratulatory medal awards for OPTIMISM, in competing more than one third of the seasons races, were made of Bob Fullan of Forest Hills sailing Ci Ci; to Art Mereweather of Bayside sailing COQUETTE; to Matty Silverman of Bayside sailing ALLEGRA and to Jack Wasilchak of Manhattan sailing MISS

BEHAVIN.

A consolation and encouragement medal is awarded to any member who has the courage and fortitude to complete one round-trip of our race course in competition. We had only one such member and we hope to encourage him to join in the fun next season, to Leonard Tropin of Bayside sailing VITTESSE II.

An appreciation medal was awarded to one member who, although not racing at all, gave her loyal financial support to her fleet-Kate Butler of Douglaston sailing BLUE CHIP. With such a fine Lippincott we believe she has the assets to develop keen competition for anyone and hope to entice her to our starting line again next season.

This most lively, friendly and cooperative of racing fleets extends a hearty invitation to all admirers of the windjammer to join our activities summer and winter. Don't be backward about coming forward folks; we teach beginners to enjoy the finest sport

in the world.

To get back to concrete facts, although we suffered the loss of a sterling Fleet Captain (Bob Wilson moved to another state) who revised and rebuilt Fleet 55 from a dead low of two boats to its present proportions in the last six years, still we believe the record shows a successful season.

Only six of our boats were temporarily inactive, leaving us a fairly active fleet of 14 boats. We scheduled 34 races, completing 22 scoring races for the championship; 4 were not completed because of too much or too little wind. We do not score races for the Fleet Championship when our leading boats are at LCA functions or at Regattas in search of foreign loot. This is to give our top contenders a fair chance at their own hardware; seven races were in this category this season,

We have had 13 boats on the starting line at one time, had an average number of starters per race of 8.1 and trophy winners total score of 336. Only one year since the revival has equalled this; last year we had an average number of 10.4 starters and

total winners points 365.

With the loss of two high scorers of last season, we regret that we cannot boast of foreign conquest, although some of our members did participate in neighboring Regattas.

Our racing season was divided into three Series as follows: Series First Score Second Score Third Score 19 Zephyr Shake-down Netha Chickadee 13 12 No-Alibi Rebel 59 Zephyr 56 The Most 54 Last Chance Zephyr 57 Netha 49 49 Anna 1958 Season Zephyr 125 Netha 117 Anna 94

Although NETHA and ANNA were tied at 49 each in the LAST CHANCE Series, the former was given the nod for beating ANNA six times to five wins for the latter.

Racing in the Bay was no walk-over for any boat this season. The Champ and Runner-Up were in a tie four times and ZEPHYR did not gain the edge until well into the LAST CHANCE Series.

ANNA started late, missing the first five races, and was consequently handicapped by NETHA'S 19 points head start; both yachts suffered one voluntary disqualification. Except for the late start and Joe's first flip in racing (the spinnaker tried to take him down to Davy Jones Locker), there would have been the tightest kind of three boat scramble for the Fleet Championship.

REBEL, a brand new Lippincott, suffered an injury at beginning of season forcing her to miss four races. Then she started like an erratic thunderbolt. In the remaining 18 races, she started only 12 times; the other 6 races she was either resting on her laurels or racing in neighboring regattas—seeking new worlds to conquer and finding them tough. In 12 races, about half the schedule, she piled up 90 points, only 4 behind the season 3rd. place winner. When this cat settles down to business, look out for her next season, boys and girls.

1958 marked another very successful season for the Burnham Park Lightning fleet. The season was started on Memorial Day with our annual "Pest Trophy" race. This race was a sneak preview of the season as Dan Hubbell in "Mickie" beat Ronnie Blair in "Bon-Bon" by inches. Hubbell really had his boat going in the early part of the season and built up a large enough lead to withstand the late challenges of Ronnie Blair and Art Wong. In one of our most exciting seasons, the fleet championship was not decided until the last day with Hubbell nosing out Blair who ended up second.

In our series of 16 races, there were many exciting ones, but the one that will stand out for a long time was our annual long distance race on the Fourth of July. This is sailed out on the lake around a thirteen mile triangle, which included a 3½ mile spinnaker run a 5½ mile beat and a 4 mile reach. This race was started in a 16-18 mph wind which increased to 30 before the race was over. Ten boats started and only four finished. Art Wong managed to keep his boat upright and came in first. Dan Hubbell, showing excellent seamanship came in second with a broken rudder, followed by Jack Friedman and Bob Erickson. In this race Bob Logelin and Ron Blair capsized and Abe Jacobs broke a brand new mast.

Outside of our regular series races, our fleet participated in 9 races with Fleet #5 to determine the Chicago Lightning Squadron Championship. In a very close series, Bill Wingard of Chicago Corinthian Yacht Club repeated as champion and Ron Blair was second.

We concluded the season with the tenth annual Red Flannel Regatta which was held at our brand new yacht club. Fifty-one boats from all over the midwest started. Wes Wiedrick of Bayview Yacht Club in Detroit repeated his 1956 triumph with Herm Nickels of Lake Fenton second, and Bill Wingard third.

1958 was a very successful season but we look forward to an even better 1959 when the club will install dry sailing facilities. The Red Flannel Regatta in 1959 will be held at the Chicago Corinthian Yacht Club and we will look forward to seeing you there.

## CINCINNATI FLEET (57) Ohio-Indiana District Based on Ohio River, Ohio

Lightning sailors have forsaken the Ohio. High water and motor boats have made sailing next to impossible. This year there were only two boats on the river. Next season there may be

only one and possibly none.

The racing skippers have moved to Fleet #303 based on Lake Cowan. It is 40 miles north east of Cincinnati and about 30 miles from Dayton and Middletown. Lake Cowan has become the center of sailing in southwestern Ohio. There are over 125 sail boats of all classes. Next season there will be about fifteen Lightnings on the lake.

The 1958 season was one of the most active in the history of Fleet #58. A full schedule of 20 club races, several interclub races, the Long Island District Regatta, and numerous unofficial events provided plenty of sailing activity for this relatively small club of 80 families.

The opening of the 1958 sailing season was delayed a few weeks by inclement weather, but once under way, races were held every weekend and holiday, plus a few midweek evenings when tide and moon were favorable. Competition was exceptionally good this year. Several races were won by less than a boat-length; there was always intense battling for advantage at the starts and the marks, and the protest committee had its share of cases to settle.

First position see-sawed back and forth throughout the season, and the Club Championship was in the balance until Skip Radin nosed out Ray Harrington in the last race of the season. Skip, one of the junior members of the Fleet, was Snipe champion of the local fleet in 1957.

The principal event of the year for the Lightning Fleet was the Greater Long Island District Championship Regatta in which Fleet #58 was host to representatives of Fleets 38, 141, and 300.

Sam Zorovitch of the Narrasketuck Yacht Club of Amityville raced his MIST, #4899, third, first, and third for a total of 47 points to beat out Bill Uhl of Mattituck, who finished second, fifth, and first for 46 points.

Bill Uhl later went on to win 2nd place in the 1958 International Championship at Little Egg Harbor, New Jersey, Sep-

tember 3rd to 6th.

Other important events of the year included two interclub handicap races, one, the traditional Queen of the Bay Race in September, in which Skip Radin led Fleet #58 with a third place, and the newly inaugurated East Rockaway Board of Trade Trophy Race, in which Skip again led the fleet, this time to a second place.

In addition to these scheduled events, the Lightning skippers enjoyed many unofficial events which contributed greatly to their

skill and wisdom as sailors. Many of the elders in the fleet successfully navigated both charted and uncharted inlets through the marshes on moonlight cruises to some of the popular watering spots on Reynolds Channel without a single reported instance of anyone being stranded by the outgoing tide on some lonely bar (sand, that is.)

Several of the junior skippers took overnight cruises to neighboring bays on Long Island's South Shore, several of which cruises involved compass and chart work when ocean fogs obscurred the course.

The upcoming 1959 season promises continued keen interest among the Lightning skippers. Almost half the fleet are getting new suits of sails and it looks as though we shall have another good year of sailing at Hewlett Bay.

This year we began the Regatta Circuit in June by being guests at the Buffalo Canoe Club at their Invitational Lightning Regatta, where Joe Holler took top honors for the Niagara Sailing Club with a third place.

The week-end of July 19 and 20, Niagara Sailing Club was host to the Niagara River Championship Regatta. Tim Nelson of the Royal Hamilton Yacht Club in his "Justus" topped the efforts of 25 district crews to win the 13 version of the annual sailing series. Following close behind were Tom Allen, Tom Fallon, and Karl Smither all of the Buffalo Canoe Club. Jack Swanson the Niagara Sailing Club took 5th place, Looks like the river isn't too bad for those lake sailors after all!

This year, Bob Stark, Jim Milliron, Bob Rowland, Jack Swanson Stu Anderson, and Bud Jones—Randy Dilliot made the trip to the Central New York Championship held at Ithaca, New York. Jim won a hot drifting race and fared the best of any of us with a sixth place.

The Lake Erie District Regatta was held at the Royal Canadian Yacht Club. Five boats were sailing for the red and white burgee this year and their skippers are as follows: Joe Holler, Jack Swanson, Dick Carrel, Bud Jones—Randy Dilliot, and Stuart Anderson. Stu Anderson sailed Glockenspeil into 4th place and this qualified him to enter the Internationals.

Our club champion this year is Stu Anderson, followed by Joe Holler and Jack Swanson. Stu was also winner of the Wardell Lightning Trophy and in 2nd and 3rd places, Joseph Holler, and Bob Stark respectively. The club championship handicap series was won by Bud Jones-Randy Dilliot in Bewitched, a Lightning followed by another Lightning Tillicum, Joe Holler.

In September, Stu Anderson went to Little Egg Harbor for the Internationals and, although he didn't place, we were all rooting for him. Good Luck next year, Stu. Three Winds with Jack Swanson at the helm tried his best to bring the President's trophy back, but our good Canadian friend, Tim Nelson, beat him to it.

Also in September, Bud Rowland went to Onondaga Lake and took 10th place in a regatta there.

Sandy Beach Club held its haulout regatta the last of September and the standings were as follows: Jack Swanson 6th, Bud Jones-Randy Dilliot 7th, Bob Robinson 8th, and Stu Anderson 9th.

The sailing season ended with one rough sail at the Buffalo Canoe Club. We didn't get a chance to bring the cup home for the team races this year because the races were cancelled due to rough weather.

The lake was brim full, the winds brisk and the races close. That most aptly describes our season at LAKE SHAWNEE. Opportune rains in the early spring added an acre or two of navigable waters, much to the delight of the ever-exploring skippers; but a few of us, over enthusiastic, failing to listen to the warnings of our crew found ourselves aground amid the stares of bewildered picnickers, and added our names to the roster of the "Royal Order of Golden Turtle Turners and Goofer Group."

This has been one of the longest seasons we have ever experienced at LAKE SHAWNEE. In the blustery winds of early winter hearty souls were still enjoying sailing, which ended abruptly on Thanksgiving Day with a five-inch snow.

Proof of Wendell Ives' fine craftmanship is his Lightning ROSIANN. It was a strictly "do-it-yourself" project for Wendell and his wife, and ROSIANN was launched late in the season with much celebration.

The Fleet did more traveling this year than usual. Bill Schwartz, skipper of the JAYHAWKER No. 7001, put many miles on his car attending various regattas held in Dallas, Fort Worth, and at Kentucky Lake; as well as at Fort Gibson in Oklahoma where the Farrells, and the Rice-Boon combination also competed in the CENTRAL STATES DISTRICT CHAMPIONSHIPS.

Bill brought honors to the Club by tying for first place at Kentucky Lake; but the group attending Fort Gibson did not fare so well. During the blustery third race all three Topeka boats met with misfortune—Bill was certain of first place until he swamped his boat during a heavy blow; the RicaBoo, sailed by Bob Rice and Byron Boon, ripped his jib, and the Folly, skippered by Frank Farrell, was definitely out of the contest when her tiller broke.

The members of the Lightning Fleet want to express their appreciation to Roger Sommers for his fine job as Race Committee.

Interest has grown considerably in the Fleet this season, and we are certain of increased enthusiasm next season—but its going to be a LONG WINTER!

Lake Pontchartrain, the home waters of Fleet 62 and the Southern Yacht Club, gave her usual performance in 1958 making every race a new experience. Often she would playfully foil the most experienced calculations; occasionally she would challenge with a roaring squall or infuriate with a glassy sea—always testing skipper, crew and equipment. Thus was the fleet received in over fifty races.

Honors in the swimming club (twice) go to Maurice Stockton who nevertheless won a share of trophies on other occasions in his new "Moe Fun". Jeffrey Reisch won his first trophy in the Junior Regatta in one of the closest races of the season. Lydia Allen, Isabel Banck and Marilyn Bernius each won skipperette trophies in separate races. Bob Banck won trophies in the Eager Beaver Championship and SYC Capdevielle Regatta with the help of a few squalls and would have claimed special knowledge in this phase of the art except that he too flipped late in the season. Crew trophies were won by Mickey Michel in Lucky II and Armond Bernius in Miss Cookie II; we predict Miss Cookie, under the helmsmanship of Buddy Janview will be hard to beat in next years crew races. Tommy Allen proved to be the winningest skipper, receiving trophies in the Mardi Gras, Eager Beaver Series and Stratton Series among others and also won the District Championships in Shreveport. Tommy represented Fleet 62 at the Internationals as did Gene Walet, who returned to the fleet late in the season after completing his Air Force service. Gene skippered to a narrow win over Harold Sporl in the Fleet Championship, earning the traditional right to represent the Fleet in the local Mallory eliminations next Spring. Thus were awards rather generally distributed throughout the year.

Many fleet members (who wanted more racing) participated in outside regattas—at the Midwinter Championship in St. Petersburg (won by Walet), the GYA Championship at St. Andrews Bay, Florida, the Shreveport Spring Regatta, the Overton Regatta, Fairhope, Alabama, the Pass Christian Spring Regatta and Race Week at Gulfport, Biloxi and Bay Waveland, Mississippi. The natural opportunities of year around yachting along the Gulf Coast is exploited by Lightning skippers. The windup this year will be the Sugar Bowl Regatta, December 27 and 28 in which about thirty Lightnings will compete among some hundred other yachts of different classes on two courses in New Orleans.

Next year, Fleet 62 will have at least an equal amount of activity, perhaps with a little stiffer competition since John Dane, Ed Sporl and Gene Walet will have new Lightnings—a challenge which the older boats are being refined and tuned to meet.

Fleet #63 tried three series of races this year; a spinnaker division, a non-spinnaker division, and an "At-Home Series" in which all boats not attending regattas in far off ports raced. Doug and Perry Curtiss, Jr., taking turns at the helm, with Perry, Sr., as permanent crew swept both the non-spinnaker division and the "At-Home Series". Bob Clinton edged out Harris Anstey by the flip of a coin for second place in the non-spinnaker division. On the "At-Home Series", Mary Lou Venter took second, followed by young Stephen Jennings for third.

On the spinnaker division, Al Kuehl walked away with first, followed by Barry Jennings and George Kennedy.

Fleet #63 was represented by Al Kuehl in the Early Bird Regatta at Niantic Bay Yacht Club, by Barry Jennings and Al Kuehl in the District Championships at the Pequot Yacht Club, and at the ECYRA in Milford.

Although Wayne Brockett did not have a boat this year, he helped considerably by crewing, and occasionally skippering. It has always been good for our class to have Wayne with his willingness to help out, his enthusiasm, his spirit, and his experience. We are going to be watching out for him this year in his new flying machine.

The Branford Fleet again wishes to express sincere thanks for the wonderful hospitality of the Milford, Niantic, and Pequot Fleets

While our fleet has suffered from racing apathy on the part of several skippers, our old timers Dick Moore and Eric Dowell carried on under difficulties throughout the season with very little competition. However, all our members are holding tightly to their precious Lightnings until sufficient stimulant can spark keen racing activity once again.

A newcomer, Neville Gibson and his charming wife, while keen, have not had sufficient time and opportunity to get the most out of CUMANA, but it is hoped that they will come back with renewed interest next year.

Dick Moore in HYAK all spruced up with a new suit of dacrons led the local fleet in most races and partook in the Pacific North West and Pacific Coast district races in Vancouver this year. Considering the lack of practice, Dick and his crew did very well, placing fourth in the Pacific Coast and fifth in the District championship.

Eric Dowell in ARIEL placed third in the Labor Day Regatta at Maple Bay which was as usual an outstanding event.

We look forward to 1959 in the hopes that interest in racing can be revived.

If anyone wants a good reason for moving to California here is the best: the Mission Bay Fleet (194) reports—"We sailed all year".

The 1958 racing season ended with Guy Scrivner well in the lead, followed by 3 boats all within 5 points of each other. The exciting competition for second place started early in the season, and continued all summer, ending with Jolly Lindemann taking second in the fleet, Dave Ashton third, and Dr. John Esser fourth.

The annual P & T Regatta was held Labor Day weekend this year, tying in with the Fleet 79 Brill Series. A wonderful weekend of sailing and socializing was had by all. We hope that next year even more Midwest District skippers will join us.

Fleet 69 continues to grow, with a total of 23 member boats this year. The Jablonka family with Nauti Gal, the Luthe family and Scarlet, the Caffery family and Oat Bay, the Harrison family with Top Flite III, Dan Mitchem, E. S. Grodin, and co-owners Morgan Hamm and Dr. Burzynski bring the total new additions to seven.

Seventeen boats turned out for the start of the 5th Spring Invitation Series of Monmouth Boat Club, prognosticating a highly successful season for Fleet #70. This tightly contested race series went to June Methot in "Chantey", runner-up honors went to Howard Mullin, lately of Fleet #75, Nyack, but now representing Fleet #96, Surf City Yacht Club, third place was taken by Ed Dean in "Coquette" of Fleet #75, Nyack. Entries in this series represented seven fleets from New Jersey, New York, Pennsylvania and Connecticut.

From Decoration Day through Labor Day Fleet #70 members competed for the regular season trophies of the Monmouth Boat Club, with top honors in this series going to Roy Knapp in "Invader", followed by Miss June Methot in "Chantey", and Dave Gebhard in "Aeolus" in that order.

Dave Gebhard also captured the Atwater Trophy for a threerace series, conducted on Decoration Day, July 4th and Labor Day, in addition to winning the Miltenberger Novice Trophy for novices. Dave was certainly the season's outstanding novice, and as he is leaving this district, we regret he will not be sailing with us next year.

Starting early in June the fleet conducted a special series of elimination races to select our representatives for the District Championship Regatta. The four qualifiers wound up 1st, 2nd and 3rd, and 5th in the Districts with Miss Methot, Reid Dickerson sailing "Dragon", and Knapp qualifying for the International Championships and Gebhard for the President's Cup.

Other races run for Fleet #70 included the Russell Novice Trophy for Ladies won by Miss Marcia Miller in "Wind Song", and a special regatta celebrating the Golden Jubilee of Red Bank won by Reid Dickerson.

An excellent indication of the future prospects of Fleet #70 was the great enthusiasm shown by several of the newer and less experienced members of the fleet, who organized and conducted a hotly contested post-season series running through October. Honors in this series went to Verge Vaughn in "Bam", followed by Harold Beck, who still hasn't named his "self-built" boat, and B. Vestal in "Eeyore".

Despite this heavy schedule of local events, Fleet #70 skippers found time to compete in the New Jersey State Championship Regatta at Metedeconk in which Knapp placed second; the Red Grant Regatta at Raritan Yacht Club, where Miss Methot was 3rd; the aforementioned District Championship; the Miles River Yacht Club Regatta at St. Michaels, Md., where Miss Methot won the Lightning Division; the M.B.C.'s own National Sweepstake Regatta, in which Miss Methot managed to narrow one point margin over Knapp, Dickerson and Bob Morris of Cape May Yacht Club, who wound up in an unbreakable three-way tie for second, each having beaten one of the others in two out of three races. This tie was determined by a toss of coin, which wound up Morris, Knapp, Dickerson in that order.

After the Internationals, Fleet #70 had entries in the President's Cup at Washington, D. C., the Frigid Digit Regatta at Baltimore Yacht Club and the Frostbite Regatta, sponsored by the U. S. Marine Corps at Quantico, Va.

Indicative of the competitive spirit shown by Fleet #70 a total of eighteen members of the group answered the starting gun for the somewhat staggering total of sixty-seven races during the 1958 campaign. We anticipate a considerable increase in the total number of competing boats next year.

1958 will long be remembered by local sailors as the year of rain, rain, rain and storms. It was the worst season within the memories of the oldest members of CYC.

Our normal schedule of ten series was set up by the race committee. However, when haul-out time arrived, we still had six races to make up. Only five series were completed. Mark Auer was the leader when it came to winning hardware. Harry Wirls with 2 Firsts, 2 Seconds and 2 Thirds and John Mueller with 2 Firsts, 2 Seconds, and 1 Third were the leaders in total trophies and flags. Nine boats in all won one or more awards.

The proposed long distance race to Northeast Yacht Club, unfortunately, did not materialize because of unforseen complications at our end. We were sorry that all of the work done by neighboring Fleet No. 207 went for naught. Maybe next year, fellows?

Ed Kennedy represented us at the Internationals and Mark Auer participated in the President's Cup Series. We were represented by one or more boats at the Great Lakes Championship, Pymatuning, Halloween, Harvest Moon, Hoosier, Snow Flurries and Snow Ball Regattas. John Mueller brought home a beautiful first place trophy from the Harvest Moon Regatta at Atwood Lake. Ed Kennedy was fourth in the Districts at Pymatuning and Mark Auer won the same position at the Pymatuning Regatta.

Our social season tended to take some of the sting out of the poor racing season. We started activities in 1958 with a well attended party at Mark Auer's. Our Shake-Down Steak Roast on June 8th was such a success that a repeat performance was demanded. It, too, was a howling success, thanks to Judy Smith, Helen McCulloch and the rest of the gals.

With showing of movies of the 1957 Internationals on May 10th everyone was raring to go for the first race on May 24th. Four race series and 24 races later the fleet champion was again Bob Tunnell and again Bob Purnell was runner-up. Jim Tunnell was even a greater threat to their standing than last year while Joe Corbi moved into fourth place and had us all worrying.

Travelingest members of the fleet were Bob Tunnell, Jim Tunnell, Bob Purnell, and Charley Heath. However, fully half the fleet went to St. Michael's where Bob Purnell won second place. In the silver at other regattas was Bob Tunnell with third in the President's Cup and third in the Frigid Digit. In the District Bob Tunnell made fourth, Purnell sixth.

Seventeen boats from Baltimore, Washington, and North East battled in our Invitational, August 30 and 31 and gave a warmup for Marbury Fox and Barney Mead on their way to the Internationals. As a matter of fact the order of finish was almost exactly the same as at the Dixie; namely, Marbury Fox, Barney Mead, Lou Borges, Bob Tunnell, and Bob Purnell. These top sailors are sure consistant.

The same cannot be said for our home fleet "second division" where Hassan, Jankus, Mertes, and Thomas all battled to the bitter end to stay out of last place, while John Jankus on No. 5 also battled rigging and hardware problems but vowed to have them licked for next year.

A post-season event was a ten-mile sail to Indian Beach on Rehoboth Bay on a Saturday and return on Sunday. Although there is some doubt as to who won on Saturday there was none on Sunday when Tom Mertes had the thrill of winning his first race, ever. The advantages of getting in early were high lighted by the squall that caught the last two boats. Fortunately they got their sails down in time and were towed in. But not before getting as wet as an actual capsizing.

Trophies for the season were presented at a Commodores' Banquet by Henry A. Wise. Mr. Wise, a blue water sailor, gave an interesting account of Bermuda racing as well as his experience when his boat sank on a reef in sight of Bermuda a few seasons ago.

We will miss Jim Tunnell and his wife Mildred who have moved to Wilmington and transferred to the North East Fleet (192). We hear they are giving fierce competition there and that the other skippers are rapidly learning about planning.

Also we wish to compliment Bob Tunnell on the fine job he has done as Captain of the Dixie District and especially the issues of The Tiller which have been appearing so regularly.

Fleet 74 has, again this year, taken an active part in any and all sailing competition within reach. In addition to the local Class series sponsored by the Commodore Decatur Yacht Club and supervised by the very able race Director Ilmar Palm-Leis and his hard working committee, we were represented at the following events: In April Bob Buckles trailed Aeolus III to the Sugar Bowl Regatta at New Orleans, there enjoying the peerless hospitality of SYC and Lightning Fleet 62 although they wouldn't go so far as parting with the first place trophy. Us damn yankees had to settle for a second. In May we again had Buckles heading South and bringing back the second place trophy from the Governor's Cup Regatta on Kentucky Lake. In July we played host to Lightnings from Indianapolis, Alton

Wallet and Buckles, Fleet 74, fight it out in the Governor's Cup race, Kentucky Lake.

and Peoria at the Inter-City Regatta sponsored by CDYC. The visitors were afforded light to no breezes and a look at the trophies, the first place in the Lightning Class going to Buckles. Three Lightnings went to Indianapolis to try out those tricky reservoir winds and other than Buckles third the rest of us gained mostly experience. Grohne 5228 port tacked Albright 214 in this event and discovered that Rule 1, NAYRU does not allow such a procedure. We did not get to the District this year primarily because the lateness of the time at which the District date was set caused a conflict in activity to which the fleet was committed. Most of the fleet participated in the Mid-States Regatta at IBYC, Lake Springfield (Buckles second) which was again a high-point in our sailing season. Albright 214 sailed in the Red Flannels and enjoyed Burnham Parks late September Festivities. Buckles making an end-of-season last try, took 6446 to Buckeye Lake. He drove all night, sailed the series and then drove all night again in order to get home on the job. This, gentlemen, deserves a special medal for effort above and beyond that ordinarily considered necessary to demonstrate a really competitive spirit. Also worthy of mention is the achievement of Dixie Pauls, wife of CDYC Commodore HENRY in her winning of the ladies Lightning race series. This accomplishment should be given special attention due to Dixie having been recruited from the ranks of Snipe crews and while skippering the Lightning having to put up with the guff of a part skipper crew.

We're looking forward to the coming season with eager anticipation, bottoms are being renewed and crews huddled in order that the competition may be keener and more enjoyable to all concerned.

Our season got under way early in June, with a record twentysix boats in the fleet. Some had participated in a Spring series at another club and returned to set the pace for the rest throughout the summer.

The annual Nyack Independence Day Regatta, always a big affair, saw the coveted trophies go to Oliver Filippi, Joe Hoffee, and Karl Gleeson in this order.

Seven boats qualified for the district eliminations held at the Raritan Y. C. towards the end of July. The skippers entered in this, from Nyack, were Bill Brandau, Ed Dean, George Garrecht, Karl Gleeson, Joe Hoffee, Dick Murphy, and Bob Shuris. Out of this, Nyack failed to come up with a representative in the Internationals, but did succeed in seeing our fleet captain enter the President's Cup series.

The following weekend, an open date with us, saw several in our fleet race in the Shattemuc Y. C. regatta. Here George Garrecht walked off with second place, closely followed by Ed Dean in the third slot.

This year we were host club for the Mid-Hudson Lightning Championship races. Tom DeStasio, sailing out of the High-Tor fleet, failed to find any competition in this; winning all three races. George Garrecht took second place, with Joe Hoffee placing third.

When the final tabulations were in for the fleet championship, we found Joe Hoffee still retained the crown, but we had a new runner-up in Ed Dean. Our congratulations to both!

Over the Labor Day weekend, Bob Shuris won his first regatta with Hoffee, and DeStasio taking the next two prizes. During the weeks immediately following, the Fall series was in full swing. George Garrecht won this one, with Maus Darling a converted Penguin skipper taking second, and Bill Brandau third.

In the weeks to come, we will be making plans for an even bigger and better racing season next year. About the time this is published, we will all be very anxious to launch our boats again for another round of good competition.

An extremely favorable season was experienced by the Lightning Fleet for this year. With as many as thirty-three boats all moored at the completed Lightning dock project, a regular regatta was held practically every Sunday. The fleet has shown phenomenal growth in this past year which necessitated the addition of two thirty foot extensions to the original docks with the necessary catwalks to provide slips.

As early as March, the Junior Sailing Program was evolved in collaboration with the Irondequoit Recreation Center. This proved to be a particularly well accepted program with careful planning and many young people taught the art of good sportsmanship, as well as sailing.

Under our Rear Commodore Warren Duerr, Sailing Seminars were held monthly throughout the winter season and because of the careful planning, attracted sailors from many neighboring clubs and as far away as Niagara.

Early in June, that well known boat, "Rampage" joined the fleet and while it could not be raced extensively this year, everyone is looking to real competition from it for the new year.

A new form of race was held called the "Skipper's Race" with skippers only aboard. Reasonably heavy winds prevailed for this race which called for a great deal of activity by said skippers.

As usual, all local Regatta's were well attended by Newporters and many trophies won.

Bob Woolman moved to Rochester from his Jersey haunts and joined up with our fleet. This caused quite some consternation to the top members of the fleet and he gave them competition.

At the Skaneateles Regatta, young Jerry Wunderlich skippering the "Black Knight" brought home the third place trophy for Newport.

At Sodus, Bob Woolman brought home the first place trophy for Newport.

While the entire fleet deserves a great deal of credit for the work done at the Club and on the docks as well as in the sailing activities, everyone feels that next year will bring an even greater effort.

Thanks to Warren Duerr, the District Eliminations were held at Newport this year and were sailed in extremely variable winds. Of the three races scheduled only one had favorable wind, the other two gave us drifters which saw boats running toward each other with spinnakers flying as well as drifters which just squeezed in before the time limit.

The 1958 sailing program at Sandy Beach was eminently successful. Fine racing weather, the addition of five Lightnings to the fleet, and WGR-TV news coverage of several races all added to our enjoyment of the season.

The racing schedule got underway on Memorial Day with eleven boats in the water and competing for the Georgia Bates and Chester Bates Memorial Trophies. The Chester Bates Memorial, a handicap event was won by Howard Compson in Hi Ball III, and the Georgia Bates scratch race series was won by Vic Peterson in Lee Bouy.

The next event, the Art Little Tune-up Series of scratch races were held on June 8th and 15th, with Dick Robinson emerging victorious.

The Law Trophy, another scratch series of two races was won by Dick Robinson sailing the Debby J with Bob and Charley Robinson.

Competition for the Newman Round Robin Trophy was again held on the Fourth of July Weekend with Howard Compson emerging as the club's best skipper. Jim Sprole and Lee Peterson garnered enough points sailing Lee Bouy to win crew and boat honors during the Round Robins and also salted away the Sock Crew Trophy the following month.

On July 12th the Sandy Beach Yacht Club successfully defended the "old oaken bucket" emblematic of victory in the Tri Club Regatta held this year at the Niagara Sailing Club.

The last of the regularly scheduled trophy events, sailed over the Labor Day weekend, found Vic Peterson winning the Compson and Duchscherer Trophies.

For the first time a series of Saturday races were staged with Al Bernel winning a handsome trophy donated by the Niagara Power Squadron. Herb Astmann won the Grand Island Marine Trophy as the club's most improved skipper, and once again, Vic Peterson retained the Baumler Challenge Trophy.

Dick Robinson successfully defended the club Lightning Championship with Vic Peterson in second place and third place going to Andy Dannels.

The Commodore's Trophy emblematic of the club handicap championship was won by Andy Dannels in "Why Knot", followed by Roz Lippard and Dick Robinson.

Once again the sailing season was climaxed by the Haulout Regatta held on September 28-29. The race program consisted of three races, sailed in light winds and a fine time was had by all. Twenty-nine Lightnings and five Thistles formed the largest race fleet seen in the district this year. In addition to the permanent trophies awarded the top ten Lightnings, three perpetual trophies were awarded. The Sandy Beach Yacht Club first place trophy went to Tom Fallon representing the Buffalo Canoe Club in "Flare". The A. N. Little Trophy for second place went to Tim Nelson of the Royal Hamilton Yacht Club in "Justus", and Bill Hughes of the Buffalo Canoe Club won the Holcombe Marine third place laurel in "Restless II".

It was a busy year and a pleasant one, and we're all looking forward to 1959.

In a resurgence of interest, Fleet 81 had a relatively active season. Most of the racing was done at the BYC Point Abino Station in Canada and (wonder of wonders) all the boats in the fleet participated in a number of the races.

Bob Dallas showed us his transom in most of the races with John Sloan often second and Al Coho breathing down their necks on most occasions. In the championship series, Bob Dallas won and was awarded the BYC Lionel V.O. Smith Trophy, with John Sloan runner-up and Al Coho third.

The wet and windy August annual regatta was won by Al Coho with Bob Dallas second. On overall points this made Al Coho second highest scorer in the Fleet.

Bob Dallas was most active—racing with the Canoe Club Fleet in pre season races and participating in the Lake Erie Districts at Toronto and in Sandy Beach's Haulout Series. It is rumored another Lightning owner will soon joint the fleet. Here's hoping that he is as enthusiastic as Bob Dallas and brings in several more. Fleet 81 might amount to something yet.

The Candlewood fleet had an enjoyable racing season with a fair amount of good racing weather.

The season started off with a Spring series which was won by Dick Van Houten with Fred Weighart runner-up.

Our Championship series was started on the fourth of July consisting of four races in July and four in August. Dick Van Houten was the winner of the July series, runner-up was Dixon Griswald. The August series was won by Bob and Ted Carter with Dick Van Houten runner-up. The season Championship was won by Dick Van Houten but it was fortunate for him that the Carter boys did not qualify for the season, due to the fact that they were unable to sail the required number of races in July. In the August series they won three of the four races.

Our season ended with the annual picnic on Boot Legger Island. The winner of the Caresal Race that day was Robert Lindquist.

Bayview's Lightning Fleet may be small in numbers but it shows how much can be done by a group of really active racing sailors.

Wes Wiedrick again trailed his boat down to his old home state of Florida in February for the St. Petersburg winter Lightning Championship. From the tales that he and Charlotte tell of the fun they had there it looks like more of our fleet will join them going down for this year's regatta.

The Spring sailing season opened with Dickman, Shudel and the Davis-Wiedrick partnership at Toledo for the Great Lakes Lightning Championship. The first race started with most of the fleet heading for the wrong mark but Jim Shudel was wide awake in this and the following two races to take the championship.

Weekly throughout the summer the Detroit River Yachting Association holds regattas on Lake St. Clair. These regattas are for all classes from Interlakes to cruising A boat each sailing against its own type. Lightnings were out in force for each regatta with from 15 to 30 boats competing. Bayview Fleet was always in there slugging and took its share of the hardware

ing our fleet champion.

Wes and George Davis sailed in partnership the first part of the season while Wes awaited arrival of his new boat. Delivery of Little Luffer a week before the Michigan District Champion didn't give enough tune up time to do much there but results will later show that Wes cannot make her move.

The Michigan District Championship was a very interesting series this year but we doubt that it took as intense watching as given by Burt Jones and his crew, Jack Marshner and George Peterson. After finishing the second race they were all so intrigued by the other boats coming over the line that a vicious puff knocked them down before a line could be uncleated. Burt never did recover the spinnaker that went overboard.

The Higgins Lake Invitational was as popular as ever with us. Jim Schudel, George Davis and Jim Kohls took boats up for

Two launchings took place in the Jones family this year.

Warren promised to have Hard Tom (Thomas Hardware backwards) sailing by the Fourth of July and didn't make it until September. Sue cooperated and added a new crewman, Don Mark, soon after, thereby meeting the schedule anyway. Congratulations to both.

Dick Dickman and Wes Wiedrick went to Devil's Lake in September and joined the multitude of boats dragging centerboards of the sandbars. Wes took a fourth and Dick was seventh

Everyone seems to have at least one regatta where they shine ear after year. Wes took a fifth and two firsts in the Chicago Red Flannel to come in as overall winner for the third consecu-

The Bayview Invitational was again held on the week end before Halloween. The races are getting a little more formal then in previous years but the Saturday night party at the club was just as informal as ever. There was more elbow bending and foot stamping, really shook the rafters. Herm Nickels, Bill and Ed McKinley and Bud Nelson walked away with top honors. A perpetual trophy was given for first and permanent cups to fifth.

Jim Schudel and Wes Wiedrick were honored by Bayview's Winners Dinner for their accomplishments this season. The dinner celebrates the winnings of skippers of all class sailing under the Bayview burgee; well done fellows!

We are holding a series of pot luck dinner meetings this winter. The first, hosted by the Dickman's brought out the entire membership including crews and was a huge success. It gives a chance to discuss class miles and politics and view each other's sailing pictures without the pleasure of Summer's', more urgent business. The plans laid at these winter meetings should make next year's season even more successful than last year's.

The 1958 racing season proved as active as ever for the Niantic Bay Lightning sailors. The multitide of regattas and the fierce competition generated in this district provides more than ample stimulus for those sailors interested in a "hot" racing schedule.

Marty O'Meara touched off the year's competition by trailing "Baby" to St. Pete for the Midwinter Championships. He reports the weather was not as advertised but that the hospitality more than compensated for that misfortune.

Our Lightnings raced every week-end from the beginning of June until Sept. when O'Meara, Healy & Flynn wound up the season by competing in the President's Trophy Regatta at Little Egg Harbor, N. J.

The initial regatta of the season was the annual Early Bird Regatta sponsored by Niantic Bay Fleet #85. Four races were held on June 28th & 29th. Boats from Milford, Branford and Niantic Bay competed. After a fine series sailed in ideal weather, Bill Healy took the 1st place Revere bowl with Ken Ireland of Milford 2nd and the Flynns of Niantic 3rd.

A list of spice (Georgia style) was added to the fleet competi-tion by the welcome addition of Ted Turner to our fleet. Ted, stationed with the Coast Guard in New London, sailed regularly with our fleet. As a result the sound of a shrill rebel yell echoing across the waves of Niantic Bay became not unfamiliar to the sacred shores of staid old Connecticut.

Indeed Ted gave us Yankees quite a scare when he came close to abducting the Conn. Governor's Trophy from a fleet of 15 competitors on August 24th. Two races were held at the Niantic Bay Y. C. and Lightnings from Stonington, Groton Long Point & Madison challenged. It blew 20 mph from the northeast and in the morning race Bill Healy led the fleet around all the marks of a twice around triangular course, but he was overtaken at the finish line by Ted Turner who planed by for spectacular win. In the afternoon race sailed over the same course, Bill Healy again led the fleet around all the marks (but this time included the last one) and thus won the Governor's Cup for the 5th time. Ted Turner was delayed at the start but nevertheless ended up 2nd in the series. Marty O'Meara finished 3rd overall on the merits of a 2nd place in the afternoon race.

Three of our boats competed in the district championships held at the Pequot Y. C. None could manage to place in the 1st five but all placed in the 1st ten and thus qualified for the President's Trophy series.

The annual Eastern Conn. YRA Regatta was held at Milford on August 1st, 2nd & 3rd. Twenty-five Lightnings representing 7 or 8 fleets participated. All 3 races were won by Bill Healy in "Good Grief". Marty O'Meara also of Niantic Bay finished third with consistent sailing.

During this week-end Ted Turner chose to race for the state of Mass. championships and when he returned to Niantic Bay, he had the 1st place trophy in his possession. Nice work!

The fleet championship was closely contested as usual. Bill Healy with fine work by his crew of Ben Murphy and Art Landry, again took season's honors. The Flynn brothers were runner-up and Marty O'Meara copped third prize.

Niantic Bay Fleet #85 again plans to sponsor the annual Early Bird Regatta to touch off the 1959 season on June 27th & 28th. Two races will be held each day. An electric hoist is available and a large fleet is expected to take advantage of Niantic Bay's famous sailing breezes.

The start of our season saw three new Lippincotts in the fleet and after several weeks of Junior sailing instruction, due to the wonderful spring weather we really got down to business with our first fleet race on May 25. Marbury Fox, Jr. in his new Tally Ho started off winning the first race and continued his winning ways throughout the rest of the season. By the middle of June, we had more than half completed our Spring Series and on June 20-21 the Glen Mar Regatta was held at Baltimore Yacht Club with Fox placing first.

The following week-end the Baltimore Yacht Club regatta was held and boats from our neighboring fleets helped make this event a real success. The winds were lighter than usual for this series but again Marb Fox walked off with the 1st place silverware edging out Herm Henschen in the last race. Herman was 2nd with Lou Borges of Fleet #50, 3rd.

On the first week-end in July we journeyed to Annapolis for the Annapolis Yacht Club Summer Regatta. The Lightnings were well represented at this annual small boat series, and, in addition to the races, everyone enjoyed the parties and had a wonderful time.

The following week-end, July 12-13, our fleet was fortunate to be able to hold the Dixie District Championships. Two races were held on Saturday, the 2nd race being shortened when a severe squall came up quickly and caught the entire fleet before they could make it back to the club. No one went over, but several boats were blown halfway across the bay before the storm finally passed. The following day turned out to be a drifter but again Fox took 1st place with three 1sts and a 2nd. Barney Mead in his new Finnigan was runner-up and was followed by Lou Borges of Fleet #50, Robert Tunnell of Fleet #72 and Herman Henschen in Harem Girl, 5th. Fox and Mead qualified for the Internationals as a result of their performance and Herman Henschen and Carroll Buress in Carrobee later sailed in the Presidents Cup at Beach Haven, New Jersey.

This regatta certainly proved the tremendous interest in Lightnings in this area. The races were hotly contested and as the season went on the interest seemed to increase. The competition among all the members of the fleet was terrific and as the season went on there was noticeable improvement in the positions of our fleet members, especially among larger regattas.

During August, most of our fleet traveled to regattas at Patapscot, Miles River, Corsica River and Indian River where the races were all hotly contested. Many other boats from the District trailed to these regattas and the Lightnings were well represented among the small boat fleets.

In September, we started our fall series and sandwiched in between our fleet races, we were able to attend some more regattas. The Presidents Cup Regatta in Washington, D.C., drew 33 Lightnings with 7 members of Fleet 87 trailing their boats over. There was plenty of wind for this one with several capsizing but here Mead, after taking an early lead lost out to Fox in the final two races.

The Baltimore Yacht Club Frigid Digit regatta was held the last weekend in October and our season didn't close until November 15th, when the wonderful Quantico, Virginia Regatta was held. Four boats from our fleet made this trip, and while the best we had from our fleet was 5th place, it was the best we had ever done in large fleets, there being over 40 boats racing.

During all the weekends when we weren't going to regattas we were busy with our fleet races. We have two series, a Spring series and a Fall Series and Barney Mead and Marb Fox tied for 1st place in the Spring series. Barney and Marb seemed to alternate winning these races but neither could open up a real lead over the other. Herm Henschen was 3rd in our Spring series. Dave Price started off winning the first two races of the Fall series but Marb Fox got going and won 1st place by a wide margin. 2nd, 3rd, 4th and 5th places were close with Mead, Price, Henschen and McKenney finishing in that order.

The prospects for next season look even better, but it's going to be hard to improve on the enjoyment and fun we had this past year. Several new members, Dave Bruce, Franz Schneider and Frank Mullins, are sailing regularly and continuing to improve along with Earl Engler and Jack McKenney. Carroll Buress will be back next year with a new boat which he is now working on and it won't be surprising if there aren't one or two other new boats in the fleet.

We wish all fleets good sailing for next year and extend an invitation to visit our fleet and sail on the Chesapeake Bay, the great bay which is part of Maryland—America in Miniature.

1958 was an exceptionally good season for the fleet. Sailing on wonderful English Bay, we had good weather and wind. The fleet is made up of boats from three clubs in the area, West Vancouver, Kitsilano and Royal Vancouver Yacht Clubs. On June 7th and 8th the Fleet participated in the 3 race Invitational Regatta, hosted by Royal Vancouver Yacht Club at Jericho. Kitsilano Yacht Club hosted our racers for a series June 21st and 22nd. The fleet assembled again Sept. 6th and 7th at Jericho Beach under auspices of Royal Vancouver Yacht Club.

The last series of the year was sailed Sept. 20th and 21st at West Vancouver Yacht Club. This series has always been the feature of the year as the West Vancouver members offer the tops in good fellowship.

The first week of July was filled with Lightning racing. July 2nd, 3rd and 4th a 5-race series was sailed for the Pacific Coast Championship during the Pacific International Yacht Association annual regatta. 21 Lightnings raced, the largest one design class to take part. We were delighted to have boats from California, Oregon, Washington and Vancouver Island. The series was won by Manning and Merritt Barber and Sally Blade in Golden Crown. Bob Brown of Seattle was second and Trev Lewis of San Diego third.

July 5th and 6th the Pacific Northwest District Championships were sailed. Finishing first again were the Barbers, followed by Bob Brown of Seattle and Geof Ince of our own fleet. Eighteen boats competed. We were most pleased to host this event and hope our visitors enjoyed it as much as we did. Please come again.

The fleet stayed in home waters all season with a few exceptions. Jack Kingscote sailed Pastime to Maple Bay on Vancouver Island and returned with the B. C. Championship cup. On the return trip to Vancouver, Jack sailed the Lightning with full cruising gear the 24 miles to win over all the other boats, which included 65 footers, 8 metres, 6 metres, B Class and assorted others. This Lightning has a racing handicap number of 20.1. Nice going for the smallest boat! Don McMillan trailed his boat to Crescent Lake on the Olympic Peninsula for two weeks and J. Fairley sailed in the Howe Sound area for his summer vacation.

The fleet has increased from 7 boats in 1956 to 15 in 1958. Two new boats competed, skippered by Rolf Beck and Jim Weir. These are expected to provide hot competition next season for this year's leaders. Several other boats are being constructed. Ted Enns has boat 6948 almost completed and Don Kirton has hull 7090 being built by Peter Rook. Peter plans to build a couple more Lightnings to sell. Hart Long and John La Chance are busy building hull 7068. Hart is trying to fit boat building in with his skiing.

Lots of close weather work by Fleet 94.

The most active members of Fleet 94 took part in many events out side of Prouts Neck. The summer's series were broken up more by travel than by the worst efforts of the weather. Gates Ripley Thetis (6038), Richard Kester Naiad (5610), Brad Willauer Hekate (3932), Ann Knowles Daiquiri (3790) were the most active members of the fleet. Chip Willauer raced frequently one of the two Club boats Pequod II (1302) and Zebu (1166). Charlie Bieler raced Zebu during August.

Fleet 94 sent crews to both the Adams and Sears Bowl eliminations, and four boats to the State of Maine Lightning Regatta at Centerboard Yacht Club, South Portland, Maine. The Adams crew, Ann Knowles, Peggy Day and Tibbie Smithers, took second place in a match race at Blue Hill, Maine with the crew from Kollegewidgwok Y. C. The Sears Bowl crew, Gate Ripley, Dick Kester, and Brad Willauer raced first at the Harraseeket Yacht Basin, South Freeport, Maine, in Lightnings and then went on to the next elimination at the Portland Yacht Club. There, unfortunately, a mistaken mark cost them the series. Gates Ripley Thetis (6038), Dick Kester Naiad (5610), Chip Willauer Hekate (3932), and Ann Knowles Daiquiri (3790) took tenth, fifteenth, twentieth, and twenty-third places respectively in the State of Maine Lightning Regatta.

Alhough these events took the crews away from Prouts Neck on several of the regular race days, Gates Ripley took first in both the Wednesday and Saturday Series. Brad Willauer took second in the Saturday and Dick Kester in the Wednesday Series. Gates Ripley also won the Lapham Trophy, awarded to the skipper with the highest point series. In the second annual Prouts Neck Regatta, Brad Willauer won and Dick Kester was second. Peggy Day was a close third. In this regatta the crews trade boats, sailing a different one each race.

Mrs. Sawyer in Daiquiri (3790) won the Ladies Day race with an amazing lead on second place Mrs. Gilmore sailing Thetis (6038). The weather this summer ranged from fog, flat calms, flukey variable light airs to reef breezes and thunder squalls. The season ended just before Labor Day because all the boats were hauled out in anticipation of "Daisy's" arrival. The Hurricane did not come, but its threat caused the premature end of a busy and varied season.

As reported in last year's Year Book the winner of the Secretary Series was to take the responsibilities of being Secretary for the coming season, consequently I was railroaded into the job.

Inasmuch as there wasn't any place to list our Fleet Chairman, I wish to take this opportunity to mention Mrs. Dorothy Sharp who will assume the duties of Chairman for 1959. Our Yacht Squadron will also have races for Snipes and Stars, and it is the job of the Fleet Chairman, along with the rest of the Executive committee to coordinate all the details that go into making a smooth running schedule. Incidently Mrs. Sharp has taken over sole responsibility of skippering #762 since her husband left us for the Star Fleet.

Our Season starts about the middle of June, and races are scheduled for every Saturday afternoon and Sunday morning from then until Labor Day. There has to be either a dead calm or a hurricane before a race is cancelled, which doesn't happen too often.

The Lightning Fleet is honored this year in having one of it's members Jack Sengstacken elected Commodore of the Awosting Yacht Squadron for 1959.

The winners of the 1958 Series of Races are as follows: cretary Series Won by Chet Howell Secretary Series Rear Commodore Series Won by Chet Howell Vice Commodore Series Won by Jack Sengstacken Won by Commodore Series Bill Horton Won by Championship Series Bill Horton Labor Day Race Won by Bill Horton

It was a very good season with an average of twelve boats out for every race and though the above results don't show it, there was plenty of keen competition, and when points for a series were added, sometimes a fraction of a point decided the winner. There have been rumors of a couple of new Lightnings for '59, and trust they will materialize with the desired results. Everyone is already anticipating a bigger and more exciting season for 1959.

Our Fleet has sometimes been called Scotch Caps after the chain of partially submerged rocks extending into the Sound from the end of Milton Point. This may be a misnomer, how-

ever, since we are in Rye and since some of us drink coke, and caps are not of interest. But CUPS we got! Yes, cups aplenty, and a goodly increment was gleaned this past season.

To tabulate all the races and hardware won by the 96'ers would take more space than Margaret will allow, but here and there in this report we will cover the high spots.

From a meteorological standpoint, Summer 1958 was something! By and large it blew and blew and blew, but there were those days when all the air seemed to be concentrated in the service station compressors. We were dismasted, capsized, and blown out. But two YRA races were called off for lack of wind. In one severe squall (which Freddie Hibberd sailed through to win) three Lightnings were blown over at their moorings in the harbor. Some of us were almost moved to tears at the sight of Ed Kloth's brand new Seaman on her side with cockpit cover snugly in place.

The big win (or wins) had to be Freddie Hibberd in "Flash" doing it again in the keenly competitive YRA of L.I.S. In the season series (12 races to qualify) Freddie was first in all races but one (he was 4th in that one) and copped the top series prize for the 6th time in seven years. Historically, that is the best anybody has ever done in the YRA and that includes all the big names you've read about. Who was second? Sis Hibberd in "Splash". It's a good thing David is only 7.

In the improvement category, Art Langsdorf won hands down. Last year you may remember he capsized in a gale. This year he only lost one crewman overboard. Seriously though, Art went from a dogged lower fleet finisher to a potential challenger. Ask Chuck Rice!

For the second straight year a Fleet member won the Long Island Sound Girls Championship. Muff Crow did this year what Sis Hibberd did last year when she was the first winner ever from West of Connecticut. Its good for the rest of us that Muff didn't race more often, for she is an outstanding skipper. Wendy Everett and Janet Lathen crewed for Muff. Janet moves up to Lightnings from Blue Jays in 1959 and you'll be hearing about this girl; she has had a wonderful record in Blue Jays. Her newly acquired boat, 6637, has done pretty well too.

Our fleet Championships were held the Saturday before Labor Day. Last year's champ, Cat Kelly, showed up loaded for bear. She had just installed a new mast after its predecessor snapped in howling winds the week before. Cat is a ferocious starter and when we didn't find ourselves in her lee right after the start, we knew something had happened. Her jumper stay proved it was well named—it jumped off the spreader and she missed that race and the second of three as well. But there was still some rugged competitors left. After the three races were over and the scores totalled, it developed that Chuck Rice in "Lucinda" had won and Don Ross in "Lark" was second. I can't remember who was third, or perhaps I just want to forget.

Chuck who is Fleet Treasurer, sailed brilliantly and won going away. Don, who was "B" champ last year, established his consistency as a winner. Art Langsdorf, and Bobby Hunt had the winners worried at several stages and will be watched anxiously next year.

In our Districts, Freddie, Sis and Cat represented Fleet 96. Four boats qualified for the Internationals and Freddie was in a three-way tie for third place, on points. However, on a "who beat whom" basis, he ended up 5th and went to the President's Cup. In that event he had two firsts, a second, and a third. Unfortunately he also had a DNF when he went over in the 2nd race as did Bill Cox and so many others. As reported in September "Flashes", he "would have won had he not capsized in the 2nd race, while leading".

Next year is already here as far as we are concerned. All our superb skippers will be back plus Janet Lathen, as mentioned. It is understood that Cat Kelly has purchased Alf Winslow's Lippincott and you can be sure, as they say, she will be up there.

So from Fleet 96, Rye, to Lightnings everywhere—Keep your flashes flying' in fifty ni-un.

The 1958 racing season got off to a good start with 7 boats turning out for the Tri-Club Memorial Day Series. First prize went to Baird Wallace in "Lorelei", second to Bill Moss in "Holoholo", and third to Dr. Kelley in "Encore". Following this, the active racing membership built up until we had 13 or 14 boats in each race. Ed Perry sailing "Princess", came out on top of the heap again this year with Bill Reidell in "Lucky Break" second and Jim Meehan in "Kittiwake" third.

The Fourth of July Series found Ed Perry in first place, Jim Meehan in second and Baird Wallace in third. First of the girls on Ladies' Day was Sue Sherwood in "Gold Crown", second was "Princess", and third "Kittiwake". First prize in the Labor Day Series was copped by Bill Reidell and second by Mel Reid in "Gold Crown". Third place went to Ed Perry.

Charlie Grinnell, of Port Washington, sailed his beautiful new "Thunderbird" to three straight firsts in our September Invitational to take home the Wally Ross Trophy.

To provide even more sailing opportunity, two Wednesday night series were held. First place in the Spring Series went to Jim Meehan and second to Baird Wallace. The hardware for the Fall Wednesday night series went to Al Davison in "Marcy" and Jim Meehan.

All in all, this season disappointed no one except perhaps those of us who had purchased new light air sails, for the wind was good all summer and the drifters were few and far between!

This was the biggest and best season yet for Fleet 99. Our activity began with a meeting in June at which we planned our 1958 schedule and appointed racing and protest committees. The racing committee was Mr. George Lejeune and Dr. Herbert Linthicum. To them we bow in thanks for spending their summer Saturdays and Sundays chugging over the bay in "Mamie" -losing stop watches, shooting cannon, yelling at water skiers and then taking our abuse. We have two great guys for our racing committee. The chairman of our protest committee was Mr. Millard Wood. He was assisted by Mr. Thurston, Mr. McCoy, Mr. Lejeune and Dr. Linthicum. This is the first year we have had a protest committee. This is also the first year that we have not registered one protest!

Our races began on July 5th. Dave Thurston won the first four races in his new "Fiji". The next two weekends Bill Clausen dominated. On August 9th, Great Egg Harbor Bay was treated to a spectacular performance by the Fox brothers. In a downwind finish "Zoritta" crossed the finish line with spinnaker flying. To the delight of hundreds of spectators, both Fox boys fell out of the boat. The third crew member was able to hang on while the owners pursued "Zorrita" with the Australian crawl.

On the 23rd and 24th of August, Fleet 99 participated in the Ocean City Yacht Club Regatta. David Thurston finished first, Bob Wood, second and Bill Clausen, third.

Our championship series consisted of 19 races. This series was won by David Thurston. Bill Clausen was second and Bob Wood third.

Bob Hutchinson, in "Magic Carpet", won our handicap series. Bill Fox took the prize for second place, in "Zorritta". Walter

McCoy, in "Zepher" was third.

On the 31st of August we held our annual banquet. Fleet Captain William P. Clausen presided and our Honorary Commodore Lester Asplundh addressed us in his inimitable manner. Over the dinner table we recalled the summer's fun. The lucky winners proudly carried off the silverware and everyone added to his collection of Fleet 99 ashtrays.

Linthicum, Bates, Galli, Thurston, Clausen and Wood in a good downhill run. Fleet 99.

If fleets have ups and downs, 1958 was a down for Fleet 101. For various reasons the racing schedule was shorter than usual and individual participation was off. But, interest is reviving and it is expected that 1959 will be another good year.

Our newly elected Fleet Captain, Dr. Warren Andrews, did quite a job as usual, with his "Red Witch". He was the winner of the Summer Series, the Labor Day regatta and the Fleet Championship.

The only series in which Andrews didn't place was the Fourth of July regatta. This annual event was won by Gardner Brown in "Encore". Second place was taken by "Pecan" with Dick Winkel at the tiller. Winkel was also runner-up in the other

series including the Fleet Championship.

Brown with "Encore" was on the road most of the summer. The first away event was the State of New Hampshire Champion-ship at Spofford Lake where he emerged the winner. Then came Winnipesaukee where "Encore" was just another boat. The following weekend racing on salt water at Orrs Island, "Encore" had two firsts in the two race series. The next regatta, the big one for New England, was the District Championship at Marble-head. The skipper and crew of "Encore" reported a wonderful time in spite of a poor 11th place.

Fleet 101 had three boats at the State of Maine Championship, "Pecan", "Red Witch" and "Encore". Dick Price came up from Marblehead to win the overall championship. Brown's "Encore" was second and, as the first Maine boat, received the State of Main trophy. Dr. Andrews' win in the third race of this series was particularly outstanding as he did it without setting a spin-

Next season should see some good competition. In addition to Brown's new boat to replace "Encore" which went to South Freeport before the end of the season, Dr. Donald Horsman, who became interested in Lightnings as a job man on "Red Witch" has started a new boat.

So, Fleet 101 will be in contention next year and try to do its share in upholding the Class' reputation for good racing and

good fun.

The high-light of Fleet 102's 1958 season was the California District Championships held at the host fleet's home port of Los Angeles Harbor. First place, a family affair, was garnered by Al Coha of Mission Bay Yacht Club with his wife Mabel and seven year old son Joe as crew members. Their matchless performance included two firsts and a second to sweep the series. All three races were tests of light air cunning which turned out to be the liking of the Mission Bay Fleet. A large wind shadow formed behind a tanker moored in the race area added to the woes of several boats. As is usually the case in light airs, the crews kept hopping to keep their spinnakers from collapsing on the down-wind legs. Plaudits should be given to Thurman Wood, host Fleet 102 Captain and Harold Eyestone, (formerly with Fleet 102) Chairman of the race committee, for the smooth manner in which the race was conducted.

The annual district meeting and election of officers was held between races next to the pool at the Terminal Island Officer's Club. Wendell Harter was elected California District Commodore and Dick Benner Secretary-Treasurer. The evening was filled out with a delectable buffet dinner and dancing.

The fall fleet meeting was combined with a house-warming for Gerry Noll. A pot-luck, bar-be-que dinner next to his new swimming pool was the feature attraction of the evening. Swimming, story swapping, and minimum of business completed the

remainder of the evening.

Fleet Captain "Woody" Wood treated his family to a "Lightning" style inland vacation on Lake Shasta this year. chose a secluded cove three miles from the nearest civilization for a base camp. From this pivot point they explored the lake by sail and water-skied with friends when the wind failed. I understand that his experiment to try to "Plane" the Pambee under power was not met with the same success of his fine vaca-

All participants enjoyed the hospitality and competition afforded by the annual SCYA regatta hosted by the Santa Barbara Yacht Club over the July 4th weekend. The organization involved in producing their whopping big steak fry between races was a sight to behold.

Notice is hereby given that Fleet 102 has been chosen to host the 1959 Pacific Coast Championships. We'll expect to see all you Westerner's at Los Angeles Harbor for this one.

We had the misfortune to lose some of the members of our fleet this season. Our friends "The Syndicate" Messrs. Hutson, Lewis and Burke, resigned to join the Raritan Yacht Club. Dick Conover had to give up sailing this season and Johnny Walker sold his Lightning and is now sailing a Bulls Eye.

Otherwise we had a good and active season. We had six boats actively sailing in the ten week Club series and the Star Dust, Adios and Fifo partaking in all of the Saturday "B" Lightning Class series of the Barnegat Bay Yacht Racing Association re-

The Fifo did a wonderful job at the B.B.Y.R.A. at Normandy Beach Yacht Club Regatta in sailing the wrong course. They really thought they had a big lead for awhile.

Chuck Stewart is still unable to sail the whole series. But his Bayrader always came in the money in the three or four races

that he was able to sail.

We all had a very enjoyable summer. In every race both on Saturday's and Sunday's, we had plenty of wind and often too much. Our competition was very keen. In the Club Race Series, the first three boats were all in first position at one time in the last three races, and it took the last race to decide the championship, which was won by Fred Slovak in Star Dust with 2nd position going to Fellman and Osborn in the Adios.

At our annual fleet meeting in August, Austin Osborn was elected Fleet Captain and Fred Slovak for Secretary. We plan to have some get-togethers during the winter season. Also have some prospects of getting some additional new boats in the fleet for

next year.

In September some of the members took Picnic sails down bay and had some very nice weather and good times. Then at the end of September, we had a Change-Boat race series. We had six boats and ran short races on a windward and leeward course. Everyone was anxious to try the other fellows boats and the results were quite interesting. Some of the skippers who had not done so well during the season, did very well in the winning boats, finishing in positions that they never equalled in their own boats. So, next season, they will be tuning their boats and hoping to do better.

In the B.B.Y.R.A. "B" Lightning's the championship award was won by Bob Fellman and Austin Osborn in the Adios, and Fred Slovak in Star Dust was in the runner-up position.

Chuck Stewart in Bayrader won the Sieder Trophy and Fred Slovak won the Commodores Trophy.

We were off on our start of the 1958 racing season of sailing here at Groton Long Point, with the Tune-Up Race. George Slater, in his "Jolly Roger," came in first. Tom Leffingwell, in the "XYZ", came in for second place, followed by Jerry Turner, in the "Igo Two", for third.

Fourth of July brought the Vice Commodore Cup Race. It was a beautiful sunny day with a light breeze. The first one over the finish line was George Slater, in the "Jolly Roger". "XYZ" skippered by Tom Leffingwell took second place. He was followed by Bob Purington, in the "Firefly".

There were some changes made in our fleet from last year. We had ten Lightnings racing this season. We welcomed a new boat into the fleet, "Crewsader", and its new skipper, Jim Egan. Jerry Turner this year took over the "Igo Two" from his brother, Mark. Jack Goodrich sailed the "Sea Queen" for the Morrisseys. All three were new skippers, and did very well. Congratulations!

Races were held on July and August, as in other years. Special Races were held on Sundays and Holidays. Trophies were awarded to the ones who accumulated the most points for: July and August Saturday Series, each month and special races.

Bob Purrington, in the "Firefly", was the winner of the July series and the Slater Trophy, which has to be won three times before it can be kept. George Slater, in the "Jolly Roger", was second. Jim Egan and Jerry Turner tied for third place with Jim winning the race-off.

August 10th, we had our annual Long Distance Race. The course may be sailed either way around according to the skipper's choice, considering the wind and tide. "Crewsader" skippered by Jim Egan was the winner. Bob Purrington, coming in from the other direction was second, with George Slater third.

We were host to the Tri-Club Team Race of Lightnings with Wadawanuck and Niantic Bay Yacht Lightning fleets. Groton Long Point won the trophy, contributed by Sam Knox of Wadawanuck. Good going—Purrington, Egan, and Peacock. Wadawanuck placed second, with Niantic Bay third.

We took part in the Fisher's Island Sound Yacht Racing Union Team Race. This was comprised of six clubs: Watch Hill, Mason's Island, Wasawanuck, Weekapaug, Ram Island, and letting John take the tiller for a final spinnaker run in different sailboats of each respective club, as in Lightnings, Blue Jays, Jets and Falcons. All of the members of our fleet took part in the team race sometime during the summer.

Several of the fleet sailed to Niantic Bay for the Governor's Cup races on the 24th of August. They made a good showing for the fleet and it is hoped that they will bring the Cup home in the near future.

For August, Bob Purrington, in the "Firefly", came in with the most points. He was closely followed by Jim Egan, who was second for the month and Sally and Tom Leffingwell, who came in for a third in the hard fought racing during the month.

For the August Saturday Series, Jim Egan beat out the Fleet Champion, Bob Purrington, for first place. He was followed by Bob Purrington and George Slater, who were second and third.

Our Lightning fleet champion is Bob Purrington, in his "Firefly", followed by Jim Egan in his "Crewsader". Jerry Turner in the "Igo Two" took third place.

Jim Egan, who entered the racing a little late in July, did a splendid job of racing. He and his crew, Jack and Dick Egan, handled their boat well to bring it up for top contention with the fleet leaders during the season.

Early in the season the racing appeared to be a runaway with the old hands leading the fleet. As racing moved into August Jim Egan and Jerry Turner began to upset the leaders and soon pulled themselves right to the top with Jim Egan taking a second for the year and Jerry Turner close behind. Suzanne Colegrove with her sister, Sarah, and Sally Turner brought the "Merriweather" up to the top of the fleet during August also. These skippers deserve a lot of credit for their fine sail handling.

Congratulations winners! Our thanks to our Race Chairman, Dr. Albert Peacock, and all those who made our season a success. For next year Bob Purrington is our fleet captain, and Joann Morrissey is the new fleet secretary. Good luck to all, next year.

The fleet enjoyed good sailing and good competition in fleet races in the 1958 season. Nonchalante had a perfect attendance and finished all but one race when her main blew out. She held third place in fleet standing.

We may not have many boats in our fleet but they certainly get used a lot. Four participated in Larchmont Race Week; Bright Angel, with various skippers, participated in the Junior Championships and the Girl's Championships of Long Island Sound; and Feather, skippered by Jim Hill, participated in the Districts and the Atlantic Coast championships. Lewis Hill in Feather took a third place at Manhasset Junior Race Week and Emory Hill was able to finish in second place at the New York Yacht Club's Riverside Regatta before capsizing in the famous squall that ducked 150 juniors in Long Island Sound. Most of these worthies were usually to be seen in the regular summer series of the Yacht Racing Association of Long Island Sound.

This season we welcomed a good sport and good sailor, George MacLaggan, into the fleet with his boat, Benbow. We regret the departure of the Wilsons, Hays and Seymours. It is a particular blow to the fleet that the Greenmans have just been transferred to Montreal, for in losing them we have lost a big family of good sailors, a good boat, and our full staff of officers.

During the Winter months a well rounded schedule of racing was proposed which included a Memorial Day Series, June Tune-up Series, Independence Day Series, Championship Series, Labor Day Series and September Snow-flake Series. It is expected that the Old Timers' Race and the two Crew Races will be revived for the 1959 sailing season. Those are very worthy races in which the Old Timers' racing flame is rekindled, and the crewmen are given opportunity to take the stick and put the skippers on the spot with those unruly spinnakers.

Put the skippers on the spot with those unruly spinnakers.

At the post Labor Day annual Y. C. meeting, flags were presented by Fleet Captain Larry Morley to these hard working sailors:

Championship—1st place—Dick Brown and Bob Bloomer—77.77%
2nd place—Commodore Harry Fogarty—

2nd place—Commodore Harry Fogarty—68.75%

3rd place—Perennial sailor—Willie Croucher—46.15%

Captain Dick Hallagan, at the start of one of Fleet 108's races.

The brothers Charlie and Dick Hallagan did well, (separate boats), but Dick was hindered by capsizing and other DNF's.

The June Tune-up Series was dominated by Dick Hallagan with wife Anne crewing. Harry Fogarty placed second and the team of B & B (Brown and Bloomer) actually won the two races in which they entered, but did not qualify with enough races for the series. Dick Hallagan—hard bitten racing enthusiast that he is—also took the Independence Day Series. Following in his wake were Brown and Bloomer, then Harry

Blown out as usual by rain and wind squalls, the third race of the Labor Day Series was never sailed. Results of that Holiday racing, based upon two races only, were: B & B, first; Charlie Hallagan, second; Harry Fogarty, third. The sailors received flags for their efforts. The rest of us, you might say, finished

in the ruck.

Sitting down calmly, and reviewing the sailing events of the season, it can be said that it was a good season, but it should have been an even better one. Some of us were not as active in the racing lineup as we should have been. Some of us skippers were plagued with break-downs, collisions and dry rot in center-board beds. If that wasn't enough, you could always find an accommodating skipper who would readily flip over his ship while racing—which furnished extra added thrills—and work for the Committee boat rescue team, or for the private cruiser of Floyd Philo, whose son, Tom, crewed for B & B. Skippers Charlie and Dick Hallagan take note, please!

Dick Hallagan has sold his Lightning and ordered a new one—with new Hard sails, too. It is understood that several others will sell, and buy new or better boats. This is a good trend, especially if they sell their present sloops to people who will sail them on Great Sodus Bay. More power, lads! And

try to buy one that is non-capsizable or something!
The annual Invitational Regatta—rivaling the largest in upstate New York, with 113 boats sailing—was held the week-end before Labor Day. Lightning sailors, knowing the good sailing offered on Sodus Bay, are trailing their sloops good distances to participate in this regatta. A special invitation is extended to all Lightning skippers who would like to "get in the swim" in August, 1959.

The past couple of years the Fleet was very small but 1958 has brought an increase of five boats and many new members. With the interest and enthusiasm of the new members, the future of

Fleet 109 looks very good.

The beginning of the year found everyone busy making last minute preparations for the Eleventh Annual Winter Lightning Championship Regatta which was held February 21, 22, and 23, 1958. Eugene Walet III with Jay and Helen Limbaugh as crew won the first leg on the new Muggs and Skeeter Trophy. The theme for the annual costume ball was "Around the World in 180 Minutes"

The Annual Pete's Summer Lightning Series consisting of five races was won by Dan Agnew sailing #318 owned by Harry M. Hale. Second place went to Morgan Powell and third place to Capt. Edward N. Dingley, Jr. a new member of the Fleet.

The Fleet was represented at the Southeastern District held at Mount Dora, Florida as well as the Sunshine City Boat Club's Veterans Day Regatta and Davis Island Yacht Club's Thanks-

giving Regatta.

The 1958 Fleet Championship Series was won by Morgan Powell with wife Joey Powell and Gladys Garretson as crew. Mr. Powell finished first in four out of the five races to receive top honors. Second place went to Jane Wray with Paul Andersen and Kit Jewell as crew. Third place was won by Dan Agnew with Harry Hale and Estelle Parsons as crew. Trophies for the Fleet Championship Series and the Pete's Summer Series were presented at the Fleet's annual banquet held December 6th.

The Fleet is busy making preparations for the Twelfth Annual Winter Lightning Championship Regatta to be held February 20,

21 and 22, 1959.

1958 was a good year for the Higgins Lake Boat Club and Fleet 110. The Clubhouse is now complete except for finishing off the caretaker's apartment upstairs. Commodore Claire Ballard and his cohorts had lots of activity humming from the opening Fourth of July week-end through the finale on Labor Day; card parties, bingo parties, teenage dances, hamburger frys and corn roasts to mention but a few.

Mac Schultz again ran the weekly races and when Mac says. a 2 p.m. start he doesn't mean 2:01. It's surprising how you will get there on time if you know the boys will be off and running on the dot. Keep up the good work Mac!

Fleet 110 is building in interest and in the number of boats competing. All Fleets seem to go through a cycle and it's good to be on the upswing again. Weekly races generally had good air and good competition. Alec Carlin, our best skipper, was recuperating from an operation and did not get in his usual amount of sailing. This made it a wide open race for every one else. We look forward to Alec's return to "full duty" in '59 and also to Mike Dow's return from finishing up his hitch

in the service.

The Eighth Annual Higgins Invitational Lightning Regatta took place on August 2nd and 3rd. Friday night was launching and welcoming night at the Higgins Lake Boat Yard (formerly Barry's). The new owners along with Mrs. Barry, Clark, Ronnie, and various and sundry HLBC and Fleet 110 members were on hand to greet friends, old and new as they rolled in. Hot coffee, doughnuts, and a "wee drop of cheer" greeted the arrivals. The Michigan District Barefooted Philharmonic, with Doc Murphy back from Ulm-Donau and playing the bass fiddle with a German Accent, blew their brains out—which didn't take long.
Saturday A.M. August 2—no wind—we wait. Finally after

lunch, a few ripples. So away we go. Jim Schudel was the best drifter with Lloyd Ecclestone 2nd, Clarence Holman, 3rd, Herm Nickels 4th and Al Gray, "the old Fox", 5th. A short pause and off we go—gotta get 2 races in Saturday if it's at all possible Batter in for the second of the sible. Better air for the second race over a short course. Lloyd Ecclestone gets the winner's gun with Herm Nickels right on his heels. Jim Schudel in 3rd, Alec Carlin our HLBC King in 4th and Rev. Reisner in "Holy Smoke" 5th.

Standings at the end of the 2nd race were: First Ecclestone, Second Schudel, Third Nickels, Fourth Holman and Fifth Carlin.

Saturday night a banquet and dancing to the Barefoots 'till the small hours of Sunday morning. A wonderful time but oh

my aching head!

Sunday morning a dilly—a real fresh air, a spanking breeze and white caps. Only one thing to do, set up the big course (to both bays) with a 5 mile spinnaker run and two beats totaling another 5 miles.

1st and overall winner Herm Nickels, 2nd and 5th overall Wes Wiedrick, 3rd and 3rd overall Ed and Bill McKinlay, 4th and 4th overall HLBC's Alec Carlin, 5th and 2nd overall Jim

5 boats DNF due to various mishaps. 40 boats raced including representatives from Lake Fenton, Pontiac, Bayview, Burt Lake, Leland, Saginaw Bay, Tawas, Devils Lake, Gary, Milwaukee, St. Pete and Higgins.

Winners awards passed out, boats hauled out and packed, then fond farewells 'till next year. At this particular moment we all swear we'll never hold another regatta. But right now (December) we're working on plans for 1959.

HLBC season's winners are as follows:

Cal Barry Trophy for season's week-end races excluding Labor Day 1st Buzz Morley 2nd Doc Arnold 3rd Don Brazzie.

Lightning Cup for Labor Day Series

1st Tie between Doc Arnold and Pete Morley

3rd Don Brazzie.

Commodores Trophy was won by Tom Luck.

This is a 3 race series. Doc won the first race in light air with Pete second and Don Brazzie third. The second race brought brisk winds, Pete Morley finished 1st, Doc Arnold 2nd and Don Brazzie 3rd. The wind piped up too much air for Lightnings and stayed that way for several days, forcing the cancellation of the 3rd and final race.

The Higgins Lake Property Owners Association Cup for all boats was won by C. W. "Mac" McKinley. Mac has been gunning for this one for a long time. He earned it and we're all mighty glad to see him win. Congratulations Mac. So endeth the season of 1958.

This season we inaugurated the week-end trailer trip. Dragging trailers loaded down with our Lightnings stuffed with camping and cooking equipment and many other essentials and non-essentials, we formed a wierd caravan. Our boats may have looked more like chinese junks than sleek racing machines but proved to be quite comfortable for cruising.

One week-end in July we trailered to Idlewild near Sturgeon Bay, Wisconsin, distance about forty-five miles. This was such a success that we scheduled another trip in August to Washington Island, about 5 miles off the tip of Door County, total distance

The two sites were chosen for their fine sailing waters, launching and camping facilities and both proved to be excellent choices

as testified by those making the trip.

We broke even with the weatherman, enjoying perfect sailing the first trip to Idlewild, however, our trip to Washington Island was marred by strong winds and thunderstorms. On this last trip the only sailing we enjoyed was crossing the passages to and from the Island. The remainder of the week-end was divided up into swimming, sunning, sleeping, eating, partying and checking local talent and color. No one became bored.

Credit must be given to George and Spig Burridge, who fostered the idea and our Commodore Bob Shade and Marianne Shade for making the idea a success by their planning and at-

tention to the details involved.

Most of us feel that a couple more trips should be added to

next summer's schedule.

Our weekly races were fiercely contested. Five out of the eight Lightnings racing regularly were so evenly matched that the lead changed many times in every race with the winner generally not determined until the last one hundred yards of the final leg. Fran Le Clerq, sailing his beautiful San Sea II, Mark Ewing and Jim Hopkins, alternating as skipper of Ewing's boat Tiz, Bob Shade in Marbo, Jim Gagnon and Geo. Bielefeldt in Push Me and Dick Evans in Snafu, all took firsts during the season.

When all the points were tallied for fleet champion, it was Gagnon-Bielefeldt first by a slight margin over Ewing and Hop-kins, who were runner-ups. Fran Le Clerq and Bob Shade tied for third. Carl Witteborg was fourth and Dick Evans fifth.

Bob Tilleman, last years fleet champ sold his boat in the Spring and had to be content with crewing this season. How-ever, he is building Lightnings this winter for Jim Hopkins and himself and he and Jim will be in the thick of competition next vear.

To keep these new speedsters from having it too easy next summer, some of us are overhauling our boats and planning on purchasing new sails.

Our gypsy sailors attended only one of the out of town races this year. Trailering to Sturgeon Bay for their Lightning Regatta. Fran Le Clerq took first place and Mark Ewing took third, with the addition of two new boats, we plan on attending more out of town regattas next year.

A handicap race open to all boats under 20 feet overall was sailed every Tuesday evening throughout the season. It was divided into two series. Our Lightnings capped this with Mark Ewing and Jim Hopkins skippering Tiz to first place in both series, Gagnon-Bielefeldt sailed Push Me to runner up in both.

Our club again sponsored a junior sailing program open to all youths ages ten through fourteen. We have 15 optimist type prams available for racing supervised by our Lightning sailors. This program is just now through its third year and has been a success. A number of the pram graduates are regular crew for our Lightnings.

Our annual Walter Massey Trophy race climaxed the season. All boats turned out to enjoy the last good sailing. Fran Le Clerq again demonstrated his ability to keep San Sea II moving in strong winds. He and his crew, Jim Ford and Bob Tilleman took advantage of every puff to keep their boat planing and won this race by the widest margin of the year. Push Me took second and Pat Sue sailed by Ken Mathys took third.

We will hold our winners banquet sometime this winter. It will be a pleasure to talk shop again and warn the lucky winners taking home all the hardware that things will be different next year.

Our annual Shakedown attracted the usual out of town boats. H. S. Spitz sailing the Thunder won 1st with the Foundation boat as runner-up.

The George Fritze Memorial Race saw the Foundation boats

taking 1st and 2nd.

We were hosts to the Midwest Districts this year. After edging out a win at the Shakedown, Spitz evidentally saw the hand writing on the wall as he faked a broken leg and sent his son in his place. Unable to hold the secret of his dad's success any longer the Spitz boy revealed his true hidden talent and walked away unchallenged for 1st place honors. Stueland was second

and Al Berg third.

The last race of the season brought only one boat as a turnout, an old timer of the fleet, #336 the Red Head, skippered by Elmer Walsh, and with Frank Lahr as crew. As the story goes, they couldn't find the A buoy. Twelve hours and 60 miles later they were in Chicago. A Spinnaker run all the way! Elmer said he was afraid the Red Head wasn't up to the trip back and ended up selling her in Chicago. (Competition isn't as tough on that side of the lake and those older boats do pretty well over there).

You'll note by the roster we are short four boats from last year. Actually, although four boats were sold out of the fleet, we expect six new boats to take their place-same ole skippers, just a new

batch of boats.

This year Cuba Fleet (115) started earlier and sailed later than ever before. The competition was sharp and the fellowship the best this young club has ever experienced.

A Saturday series was started for the C. P. Clark Trophy, doubling the number of scheduled races.

A series was scheduled after Labor Day, Red Flannel Series,

and this provided competition into October.

We were hosts to Silver Lake Fleet (47) this year. The winds didn't cooperate but it was enjoyable to renew old acquaintances. with the Cuba-Silver Lake exchange series.

We now have 25 to 30 boats answering the starting gun with the Lightning fleet growing each year. This next year will see three new boats in active competition. The "Old Pro", Karl Fohner with his new Etchell will be tough, along with Kingman Page in 5290-a beautiful boat built by Kingman.

Order of finish for Lightning Trophy:

Clark-Wilday Tom Older Albert Collins 4. Wm. Jones

5. Dr. Dietter Tom Lattimer Tie—Jack Obrien and Karl Fahrner 6.

The popularity of our Jr. Sailing Program continued to grow under the excellent supervision of Karl Fahrner, R. Perrigo and R. Fehrenback. The two Bob's had the Jr. sailors out every Wednesday for instruction and the results could be seen at once. Winners in 2nd group: 1st group: Sally Edwards Tim Randell 1. Billy Dodds Kathy Randell Brian Perrigo 3 Margaret Worden

The interest and spirit continues to grow at Fleet 115. All are looking forward to 1959. Good luck and good sailing!

It is hoped that the 1958 season marked the end of a long dry spell for Lightning activities in this area. For many reasons boats that should be attached to this Fleet have not been in competition for several years, consequently the active list is rather small.

Despite the lack of general interest, those that were waterborne had opportunity for ample racing as the individual yacht clubs opened their club series to all comers. This provided racing for the ten week season on a four or five times weekly basis. If we can again enthuse the other Lightnings in the area, competition should become real keen.

The annual Eastern Long Island Yachting Association four race series regatta in early August provided the Fleet run offs with John Holmes taking top honors, Bill Uhl of Fleet 141 runner-up, and Mike Burden of Fleet 116 in third spot.

The season wind up was the annual Southold Yacht Club Labor Day invitation race with seven entries. Fleet 141 sailors took all the silverware home, leaving our entries to look for another year.

We look forward to greatly renewed interest in 1959 with many of the younger sailors taking over.

Part of Fleet 116 at starting line.

The racing season of 1958 saw racing on Wednesday evening and Saturday afternoons, with an interclub series between the Royal Hamilton Yacht Club and the Burlington Yacht Club. The latter series proved to be popular and it is to be hoped that it will become an annual affair.

Congratulations to Tim Nelson who not only won our local regatta but also brought honor to our club by capping a very successful season of trailing to many regattas with his crew com-prising of his brother Doug, and Dick Townsend by winning the coveted Presidents Trophy.

Fleet #119 again finished up a very successful season of racing even though our weekends were not sunny and with threats of hurricanes.

There was much hot competition among our better skippers and Bob Anderson again came through as the best in both our NBYA series and Wednesday evening races. Bob has come a long way these last few years.

Winners in the NBYA series were Bob Anderson, W. Edwin Stevens and our Fleet Captain, Robert MacNaught, Jr.

Winners of our Wednesday evening series were Bob Anderson, Donald Bruce and W. Edwin Stevens.

Donald Bruce, who has really come up to the top the last two years, lost out in the NBYA series only because he lacked one extra race.

W. Edwin Stevens, Dean of our skippers, continues to go on and on doing the same splendid job of racing. It is men like Ed, who has done so much for our Fleet and for the Lightning Class in general. Ed is always ready to help the newcomers.

To our Fleet Captain, Robert MacNaught, Jr., we offer our congratulations. Bob has pushed hard in every race these last few years and had asked when he became Fleet Captain to win a big one. Bob did it in two ways. A first place at Barrington and finished with no other boats in sight, and second Bob was voted the most improved skipper in the Fleet.

As to your secretary, he still continues to follow the Fleet in year after year.

Here's a great change of pace: Once or twice a year Fleet 112 trails their boats en-mass to good camping and sailing grounds for a week end of cruising.

The Lightning Class Fleet of Cedar Point completed its most successful and exciting season the last two weeks in September with a series of "swap races". Bob Shealor who had consistently out-raced the fleet all season, proved conclusively that the skipper and crew weigh more importantly than sails and hull. There were five entries in this turn-about series and Bob managed three wins, a second, and a third.

Gordon W. Malm

Our racing activities began with the Commodore's Cup series over the three day Memorial Day weekend. Gordon Malm, his wife and son pulled a surprise by sneaking through Shealor's wind on the down-wind leg for a convincing win. The tables were reversed in the Labor Day series when Bob Shealor finished some minutes ahead of Ellis Meyers in AD NIL and Gordon Malm's SARCELLE.

The most encouraging thing about our sailing season was the appearance at the line each Saturday and Sunday of a minimum of four boats and a maximum of seven. Two new sailing enthusiasts, Gay Land and the writer, Wally Lawder, turned up each week at the line complete witth "family crew" and although their early season endeavors found them far back in the race, their performances at the end of the season indicated that next year there will be a lot of activity around the marks.

The total physical disability of the fleet consisted of one broken mast, a loss of one suit of sails and three capsized boats.

Construction on three new Lightnings to be added to the fleet next summer is well underway and several new Lightnings will be participating next season which all points to a real competitive and exciting racing calendar next summer.

When 1958 rolled in, Fleet 127 was well along with its plans for the second annual Deep South Regatta to be held in February. A fine fleet of over twenty boats was assembled, but on the way to the starting line for the first race, a misplaced Artic "Williwaw" blew and quickly changed a fine regatta into a "Polar Bears Cha-Cha.". Five crews went swimming, and the other frantic participants scurried for shelter. The low temperature, strong wind and rough water made any further sailing impossible, and the balance of the week-end turned into a social event with dancing, imbibing, oyster roast and other distracting activities to take the sailor's mind off sailing. We are hopeful that 1959 will provide the good sailing conditions we had in 1957.

Our delegation to St. Pete the following week misbehaved as usual and several turned in real good scores in the races. Johnny McIntosh led the local crowd with a series second place and

Teddy Turner was seventh.

Fleet 127, under the auspices of the Savannah Yacht & Country Club, sponsored the Southeastern Districts at Mt. Dora, Florida, the week after Easter. This event was very enjoyable with its Swiss lake atmosphere. Johnny McIntosh brought home the Dodge Trophy and earned the right to represent the District in the Internationals.

In May our Summer Series got under way. The coast guard and European cruises pretty well eliminated three of the younger contingent, Teddy Turner, Fred Wessels and Roy Gordon, but each was in a few races. The early part of the series was dominated by Johnny McIntosh, but he shifted to an older boat and Lee Thompson got hot in mid-season. During the Labor Day three race series Ross Allen got the Wild Goose cranked up. Dave Johnson, Jimmy Artley, Wally Aggett and Jimmy Mc-Intosh were always in there pushing. The Summer Series ended up with Lee Thompson on top by a narrow margin and Ross Allen as runner-up. To the winner went the Diamond Trophy.

The South Atlantic Yacht Racing Association regatta was held on the Fourth of July week-end with the Savannah club as host. There was a good turnout of Lightnings with boats from Charleston, Augusta and the local fleet. First place went to Johnny Mc-Intosh with Lee Thompson and Ross Allen winning the other two places. The winner of this series becomes the proud owner for one year of the Demere Trophy, put up in memory of one of Savannah's most revered sailors.

The Burnt Pot Steeplechase was run off in a very festive spirit with Jimmy Artley garnering the Pot and plaudits of the group. It has been said that a "belly" dancer could not have made this

event any more uproarous.

Then came the Skidaway Regatta held in the lair of the Isle of Hope River Rats. Johnny McIntosh walked off with the top honors, thereby winning the Wymberley Trophy and Dave Johnson was second.

Our annual trek to Clark Hill Lake and the fine hospitality of the Augusta Sailing Club took place Halloween week-end, and again the Savannah group were able to prevail and win the Minis Trophy in light, medium and heavy weather conditions. The performance of the Lightnings was a source of much consternation to the owners of the various planing hulls on the lake. On an individual basis, Johnny McIntosh was first and Ross Allen was second.

The Fall Series of the SYCC was sailed again this year, and while the participation was light because of various conflicts, good sailing conditions existed and competition was keen. Johnny McIntosh finished up first and Dave Johnson was second.

Dave Johnson and Johnny McIntosh made the long trip to Quantico, Va. for the Marine's annual "hoe down" in November. Johnny started slow but finished in a blaze of glory by winning

the last two races, which gave him a third in the series.

All in all it was a fine year for the fleet! Chuck Wood turned in his crew's suit and bought Wally Aggett's boat in October. Wally is bringing a new boat into the Fleet in February, and we hope that the college group will stay home this coming Summer to swell our ranks. What the Fleet lacks in quantity is more than made up for in the enthusiastic support of the hard core of sailors who answer the roll year after year.

For the sake of the record, this Fleet does not get a discount in dues even though Johnny McIntosh is the Treasurer

of LCA!

Lake Washington Lightning Fleet #132 sailed through a record year as regards total number of boats in the fleet and number of boats participating in races. Fleet spirit and enthusiasm have been high, not only in racing, but in social activities as well.

Seattle Yacht Club's Open Day Race saw an unprecedented number of Lightnings participating and subsequently, because of the participating and subsequently because of the participating and subsequently because of the participating and subsequently because of the participating and participating and

their good showing, the Lightning Fleet became assured of their own separate start in multi-class races rather than starting with the Utility Class.

We were well represented in the Corinthian Yacht Club's spring, summer and fall Wednesday night series. The spring series was won by RAYOVARDE with MANDY and KELLY I (Merrick) placing second and third. The summer series saw LOLIGO take first place with IT'LL DO taking second place and BLUE J in third place. MANDY came in first in the fall series with B/L.

second and KILLY I (Baker) placing third.

Lightnings also entered the Seattle Yacht Club Opening Day Race, Mark Mayer and Seafair races and Corinthian Yacht Club's North Point, Bell Trophy and Salt Water Weekend races. Dave Merrick, Tom Jobs and Bob Brown took their boats to Vancouver, British Columbia, for the PIYA and district eliminations. Bob Brown took second place in both. During this time, Bob Brown was also elected District Commodore.

Our new Fleet Captain, Floyd Miller, recently elected District Secretary, holds the distinction of winning the only salt water trophy in the fleet this season placing in the Gibson trophy race. He will most certainly have the enthusiastic support of our rapidly growing fleet in making next year an even more successful one.

For the 1958 season Fleet #133 scheduled 69 races, and although a few were cancelled due to wind conditions (either too much or too little), a great time has been enjoyed by all. Since race attendance averaged better than 18 boats, with a maximum reached several times of 25 boats, activity was a barometer of our enthusiasm. We had very few fouls and protests, showing that all our skippers strive hard to abide by the rules and have a high sense of sportsmanship. On the other hand, in view of the fact that almost half of our Lightnings have numbers above 6000, the competition is plain "murder".

The season started to get its full momentum as soon as many of our young skippers came back from school, and Memorial Day was the first scheduled racing day. This year the early season was full of wind and one particular Sunday in June saw three boats capsize, one snap its mast and one break its tiller on a spinnaker reach (congratulations to Bob Sleght for keeping himself and his crew from the drink). The Spring Series, in which 10 yachts qualified out of 18 participants, was captured by Art and Carl Buhr with Andy Connell second and Dennis Pinkernell third. July was our big series, qualifying boats for both the District and the Atlantic Coast Championships. Out of 27 boats participating, 13 qualified with Dick Sykes first, Andy Connell second, Art Buhr third, Bob Sleght fourth and Dennis Pinkernell fifth. We all regret the unhappy event which prohibited Dennis from participating in the District Championship and we sincerely hope that the necessary measures be taken to avoid such occurrences. The next in line was Ed. Gonzales.

Although August in Manhasset Bay is a month devoid of breezes, this year we had excellent weather and only one race was cancelled by the gentlemen of the "Worry Wort" to whom goes our Fleets sincerest appreciation for the splendid job performed in direction all afternoon races. This Series—with 14 qualifiers out of 24 participants—had new boats edge their way to the top of the list and although Andy Connell and Art Buhr were first and second respectively, we were all glad to see Tim Lapham third, Jeanne Thompson fourth and Louis Piana fifth.

Eight races were scheduled for the September Series but only four were held due to inclement weather. Also, attendance was off sharply as many of our young skippers were back to school. Mike Grinnell was first, Bob Sleght second and Louis Piana third.

The Fleet Champion was determined by the combined July and August series. Andy Connell emerged above all skippers with Art Buhr, Dick Sykes, Tim Lapham and Dennis Pinkernell following in that order. Congratulations, Andy! We know it has not been easy since we were all trying to beat you!

One of the major Regattas of Long Island Sound is the Man-hasset Bay Race Week after Labor Day. Although Race Week coincides with the International and President's Cup Races attended by the top skippers of the Fleets on Long Island Sound, never-the-less we had a participation of 36 Lightnings divided in odd and even numbers divisions. Wind was generally light and the third race was voided because we ran out of time by one minute! During the first four races we experienced reaching and spinnaker starts since the breeze was mostly from the South and the Race Committee rightly elected to avoid the Plandome mark at the South end of the Bay to eliminate undue advantage to the yachts of the host Fleets whose skippers well know the idio-syncrasies of wind and tides. On the other hand the fifth and final race will be remembered a long time by all participants and spectators alike. After both Lightning Fleets rounded the last leeward mark and were beating to the finish between Gangway Rocks and Plum Point, a savage rain squall hit from the Northwest for about 45 minutes with sustained winds of 60 to 65 miles per hour. Only a very few Lightnings were able to stay upright, but even so most had been blown ashore north of Plum Point. Several boats were upset by wind, waves and rain even with jib and main sails down. Those skippers who had a scoring record to preserve went ashore, bailed out, reset their sails and hastened to the finish: the majority just looked for the nearest tow line back to their moorings, and the Bay was frolicking with power boats out to lend a hand. After gear, sails, skippers and crews were dry again, the results were tabulated and showed that in the Odd Division the winner was Tim Lapham with Fred Morgan of Sea Cliff Yacht Club second and Mike Grinnell third; in the Even Division the winner was Al Gagliano of Mirama Yacht Club with Nin Kalfaian of Sea Cliff Yacht Club second and Ed Gonzales third.

During the past season we had something new in Manhasset Bay. Namely a series of 15 races held on Saturday mornings and organized by Louis Piana. The response has been gratifying with a total of 16 Lightnings participating. These races held only in the Bay, have been excellent proving grounds for new skippers or afforded other members of the family a chance to demonstrate their sailing skill. For instance, John Sleght was able to recoup the tiller from his able son Bob who did all the skippering in the regular afternoon races, and young Katy Knowles had a chance to show Mama Knowles that she is a good and promising skipper. The Saturday Morning Series was won by Mike Grinnell in keen competition with Dot Bragonier second and Louis Piana third.

The Manhasset Bay Lightning skippers are a peripatetic lot, who by land or by water take their boats to many activities outside the home fleet. At the Sea Cliff Yacht Club Regattas (only one out of three races were held due to non-existent breezes) Andy Connell placed second and Art Buhr third. At the Larchmont Race week Andy, last year winner, placed third.

mont Race week Andy, last year winner, placed third.

At the Western Long Island Sound District Championship held in Larchmont Andy Connell was leading the fleet after the first two races, but bad luck forced him to withdraw in the third race thus finishing in eighth place tied with Art Buhr. At the Long Island Sound Championship in Riverdale, Andy, the defending champion, finished sixth. At the regatta for the Commodore's Cup held concurrently with the District races, Louis Piana placed second over all and Chris Drake fourth. The Bayside Yacht Club Regatta saw our Mike Grinnell capture first place and Gene Northacker second place. Mike also won hands down, the Northport Yacht Club Lightning Regatta and our Ed Gonzales was undisputed champion at South Hampton.

The Atlantic Coast Lightning Championship of 1958 was held in Manhasset Bay and sponsored by the Port Washington Yacht Club under the able direction of Race Chairman Luther Beck. Unfortunately winds were too light throughout the three races, always from the same direction; therefore the courses were very similar. However, a very good time was enjoyed by all crews heightened by the affable hospitality of the Port Washington Yacht Club members. In the first race Bizzy Montesano of Larchmont finished first, followed by Dr. Hordell of Greenhaven and by Willard Brown of Larchmont. Bizzy won again in the second race with Lucie Sheldon of Riverside second and Brown third. The last race was mostly a duel between Fred Hibberd of American and Andy Connell of Manhasset Bay, won by Hibbard. Lucie Sheldon displayed an amazing skill on the second spinnaker leg of over-hauling the fleet from sixteen to third place. The final results were, Montesano first, Sheldon second, Brown third, Hibberd fourth and Jim Carson of Metedeconk River fifth.

Unpropitious weather allowed only two out of four Thursday night races, won by Bill Nielsen and Martha Knowles. Their trophies were lanterns, as tokens of their ability to discover the rounding marks in absolute darkness.

This year was a particularly good one for our Junior Sailors, who took part in regattas all around the Sound. Dennis Pinkernell placed third in the New York Yacht Club Regattas off Riverside, and also took a creditable second on Larchmont Junior Day. In addition he placed third (odd numbers) up at the Eastern Junior Race Week. Mike Grinnell in his new boat, Thunderbird, took home top prizes in the Sea Cliff Junior Event with an eye-popping last leg coming in third to win by almost a minute. Jeanne Thompson placed second in the Eastern Junior Race Week (odd numbers) beaten only by Tom Munnell. Jimmy Sykes, another of our young sailors, just missed out on winning Eastern Junior Race Week (even numbers) as he was nosed out by Carter Ford. Too bad the last race was called off because Jimmy was way out in front! Tim Lapham in his Hoo-La placed second in Manhasset Bay Junior Race Week in which there was some real tough sailing. In all three races it blew from 15-25 mph. A creditable job was turned out by Carl Buhr, who while representing the Port Washington Yacht Club at the Junior Championship at Long Island Sound, placed fifth. Next year our Junior Sailors, should really shine with sailors like Jimmy Sykes, Carl Buhr, Bob Sleght, and Mike Grinnell, who all will still be eligible for J.Y.R.A. competition. Maybe next year one of our boys can bring home the Pequot Cuo, emblematic of the Junior Championship-I sure hope so!

Sailing has become increasingly popular with the ladies of Fleet #133 these past few years. We are developing some very fine skippers and hope to continue to interest this new group of sailors. The Port Washington Yacht Club has had an active group of ladies taking lessons in Lightnings and Blue Jays for about three years and Manhasset Bay Yacht Club has been teaching their fair sex to sail through a series of races held in Blue Jays on Saturday mornings with their husbands acting as race committee. On several occasions the ladies of the two clubs have met for a series of informal races and picnics. The first such

occasion, Blue Jays were used and since some of our ladies had never sailed in this class of boat and in combination with a very gusty wind, it turned out to be a very eventful day. After many delays for repairs of broken gear due to the high winds, they were about to start when one of the skippers (who shall remain unknown) had an accidental jibe and found to her dismay that she was swimming while her boat and crew sailed merrily away. In spite of never having skippered before, the abandoned crew very shortly had the situation well in hand and the submerged skipper was rescued and restored to her boat. The races were finally completed and the results were as follows: First race-Pecky Gould, 1st place-Dot Bragonier, second place-Claire Kron, third place. Second Race-Claire Kron, first place-Fran Sleght, second place-Dot Bragonier, third place. Winner overall, Claire Kron. Everyone enjoyed this occasion so much that it was decided to have another go at it, but this time in Lightnings, with 5 boats competing. The outcome was as follows: First Race—Pat Hinman, first place—Martha Knowles, second place— Judy Kneely, third place. Second Race:—Claire Kron, first place.—Dot Bragonier, second place—Fran Sleght, third place. It is to be hoped that it won't be too long before Fleet #133 will have a large representation of competent lady skippers. stimulate interest we are planning to present our best lady skipper with a trophy, starting next year. Happy sailing Ladies!

The 1958 season finished not on a note of relapse, but with the determination of many skippers to get new boats or new gear so that from all indications it would appear that the 1959 season is already off to a flying start, with more fun by all Fleet members, skippers and crews. We invite all skippers who like a lot of racing and good sportsmanship to come to Manhasset Bay, join our Fleet and try the best waters in the world.

Noroton Yacht Club's Lightning Fleet made an outstanding racing record in the Connecticut District during 1958. Almost all of the 32 registered boats appeared in the local elimination races, flag races, and outside events. This participation resulted in at least a placing position in every series entered.

The first race of the season was held on May 30, 1958. It is interesting to note that the standing in this first race—Bill Cox, first, Bob Crane, second, and Bob Smith, third—was exactly the standing at the end of the season.

In the July series, Bill Cox was first, Bob Crane, second, and Wally Crump—Bill Howe, third. In the second series, Bob Crane was first, Bob Smith, second and Bill Cox, third. Our championship for the season was won by Bill Cox in "Zig Zagger," with Bob Crane in "Jimlin IV," second, and Bob Smith in "November," third.

In the Connecticut Districts, Noroton was well represented, with Bob Smith finishing second, Bob Crane, third, Wally Crump—Bill Howe, fourth, and Bill Cox, Jr., sixth. Both Tom Munnell, of Pequot, and Bob Smith were tied at 100 points. Munnell was declared the winner on a boat for boat basis.

The Long Island Sound Championship was an extremely close contest with Tom Munnel, Bill Cox, Jr., Monte-Sano, and Fred Hibbard in contention at all times during the championship races. In the final point score Munnell had 711/4 points and Bill Cox, Jr., 71 points.

During the summer, Kevin Jaffe', one of the Noroton junior sailors, son of Pete Jaffe', made a most outstanding record. Kevin and his crew—Carolyn McCurdy and Pete Wilson—first won the Long Island Sound Junior Championship. These races were sailed in Lightnings. After qualifying for the Long Island Sound Championship, all of the junior skippers changed boats on a round robin basis. Kevin and his crew then went to the District B eliminations at Madison, Connecticut. The Lightnings used in the eliminations were again exchanged on a round robin basis. Kevin won six out of the seven races held.

The North American Junior Sailing Championship was held at the Royal Vancouver Yacht Club, British Columbia during the last week of August. Flatties were used during the championship series. Again Kevin and his crew outsailed all the other boats and won the North American Junior Sailing Championship and the Sears Cup.

It is particularly gratifying to all of the so-called senior sailors of the Noroton Yacht Club to have so many outstanding junior sailors. Among these junior sailors who are making such an outstanding record not only at the Noroton Yacht Club but in outside events are Kevin Jaffe', Kristin Jaffe', Carolyn McCurdy, Peter Wilson, Harold Scott, Robert Wells, and Jimmy Crane.

The year 1958 was a most successful racing season and all of us in Fleet 134 are looking forward to the new year with eager anticipation for an even better one. We hope that many of you will come to Noroton to race with us.

Fleet #135 had it's usual good summer and participated in all Gulf Coast regattas. Ed Overton sailing his Mauvillian again came out on top and is the Gulf Coast Champion. He won the Pass Christian, Gulfport, Bay St. Louis, the Gulf Yachting Association at Panama City and the Mobile Yacht Club regattas and finished second in the Fairhope regatta and fourth in the Biloxi regatta.

Interest in sailing seems to be increasing after a couple of years decline in this section and we are looking forward to an active season next year.

The '58 season was slow in getting started, gained some momentum with several Sunday morning races, and slowed down again due to the fleet's activity at other regattas.

Carleton "Pinky" Allan, the 1958 President of the Lightning Class Association, was kept busy with the duties that he was required to perform. We saw very little of him until he returned from Finland where he represented the United States in International racing.

The members of the Port Clinton Sailing Club were again proud to be hosts at their two annual regattas. Although there was keen competition at both. Jim Schudel, of B.Y.C., Detroit skippering his "Itch", claimed the first place trophy at both events. We are looking forward to seeing the same skippers and crews and we're hoping for quite a few new additions to our ever-growing list of competitors.

Next year we will be the hosts of the Ohio-Indiana District Championship. We are taking on all comers.

The 1958 sailing season at Gull Lake was a busy one in spite of the fact that no Lightning regatta was held this year. Weekend weather seemed to be somewhat better than average with good winds on most Sundays during race periods.

Fleet social activities included a Sunday morning breakfast cookout held at Ross township park across the lake from the yacht club. Two potluck dinners and an evening at Gull Harbor Inn were held.

Our fleet also out-ranked all other Gull Lake fleets in the Venetian Night activity when new member Tom Crookston was awarded first place for his entry, "Shanty Boat". This activity was considered a great success and will be held again next year by the yacht club.

The racing season ended with Jim Coggan, #4911, finishing first with a perfect score of 1000 points. Following him in second place, Skellinger; Stearns, third; Harrison, fourth; and Tholen, fifth.

Finish results might have been entirely different if Sam Stearns hadn't tried a new maneuver with the Pink Lady's spinnaker and tipped over in the last lap of his most decisive race. Sam hasn't smiled since.

Junior Series first place was won by Dick Elwell sailing 4911; second place, John Borman sailing 5981; third place to Bob Baker sailing 2036.

Great day for a sail on Gull Lake.

Regular races were held on the first four Sundays of each month with the fifth Sunday (where applicable) as a make-up race. An average of nine boats participated in racing events and one Sunday we had as many as eleven Lightnings in the starting line.

Congratulations to new member Dan Chappell who was elected skipper for 1959.

Clayton Cole was re-elected secretary-treasurer for the next season.

Chronologically our 1958 Fleet activities started on Memorial Day with a minimum of fanfare. Two days later, June 1st, we celebrated "Flip Day". In 30-mile gales, which progressed to fifty later in the day, seven stalwart skippers rigged their boats. One "flipped" before the start, one "flipped" near the finish and the third "Marymarel" made the front page of the

New York Dairy Mirror. Her valiant young skipper, Ellen desailed her in the Sound, righted her thrice, then after drifting 4½ miles eastward reluctantly boarded the Police Patrol Boat which after unsuccessful attempts to tow abandoned dear "Mary". Spotted the next day by a N. Y. Coast Guard helicopter on the Connecticut shore opposite Eaton's Neck, #2122 was towed southward by the Eaton's Neck Coast Guard and picked up with trailer that night by Ellen's dad . . . spinnaker perfect and intact hooked to the main halyard under the deck!!

June 28th began and ended once again our Annual Invita-

tional Regatta with the following winners:

1st—#6848—Sunkist—Lucie Sheldon
2nd—#6330—Blueclous—Andy Connell
3rd—#6654—Encore II—Carter Ford
4th—#6329—Puff—Fred Morgan
5th—#6427—Fury—Art Buhr

As in the two previous years our Roster of guests met extreme weather. Lack of wind prevailed in the afternoon and most of the second day until "time to go home"—so alas we wished them Godspeed, after the awards, with a fond hope to seeing

them next year in a full series.

In July four juniors, after competitive eliminations on the home front, sailed across Long Island Sound for the Girls' Championships of Long Island Sound. Ellen Grosselfinger at the helm of "Cirrus" with Jean Kellogg, Joan Fiori, and Carol Bailey as crew and alternate respectively finished fourth to qualify for the Championship Division . . . their laurels resting there. The second four juniors entering the Boys' Championships were Pete Beam, skipper, Joe Fiori and Mike Ryan, crew, and Randy Mach alternate sailing "Cirrus".

"Puff" a newcomer to Sea Cliff but well-known in the W.L.I.S. District, with Fred Morgan, owner, at the helm got a first in Larchmont Race Week. Fred in "Puff" and Pete Hannan in "Bo-Peep" represented the Fleet at the Atlantic Coast Championships in Port Washington the first week in August. Joined by Spencer Kellogg III in "Cirrus" they entered the Long Island Sound Championships at Noroton Yacht Club.

In the Districts, Pete finished second, qualifying for the Internationals to be held in Little Egg Harbor, N. J. where Spen contented himself with the President's Cup Series. Among the hundreds of grateful sailors who were privileged to witness and participate in this special event Peter Hannan and crew,

536g

Bo-Peep snugged down and barrelin' . . . . Fleet 138.

Bob Morgan and Walt Gorsselfinger, Jr. were far from trailing, finishing thirteenth.

In Manhasset Bay Race Week Vic Morgan sailing "Puff" got a second in one division and Marilyn Scott sailing "Nina" got a second in the other division. Watch out for Marilyn next season—she and Walter have a sleek new "Spook" L.C.A. #7125!

Walt Grosselfinger, Jr. received the Fleet Annual Crew Race Trophy sailing Decibel in a three-race Sunday morning Series. Ever hear of "stacked" news? When a Grosselfinger writes about Grosselfingers who seldom finish first but win trophies, that's it!! The most beautiful trophy of them all, a ten-inch Sterling Silver Bowl, the new PETER HANNAN PERPETUAL LIGHT-NING TROPHY FOR THE SKIPPER WHOSE RACING IMPROVES THE MOST IN THE HEMPSTEAD HARBOR FLEET, which Pete generously inaugurated this year, was awarded to Walter Grosselfinger, racing Decibel.

He'd better pray is all we can say—for that next last week-end in June—when North, South, East and West are still divest . . . of order! See YOU there!?!

Members of Conesus Lightning Fleet enjoyed a very good year of racing with a noted amount of interest shown in two new boats, namely, those of Carl Pearson and Bob Sweeney.

Our fleet captain, Chuck Doerflinger in "Lamb Chop" won our fleet championship again, and our Sunday Series. Bill Scanlan in "Nalnacs III" won our Saturday Series.

We were well represented in the Central New York District Eliminations and the Sodus Regatta by both Chuck Doerflinger and Bill Scanlan.

A high point of our season was an all class Regatta in which many boats participated and which was held on Labor Day. We all thoroughly enjoyed this high-spirited race which was won by Fred Young in a Comet, Fred Weider in a Thistle second, and third place honors going to Chuck Doerflinger in his Lightning.

We are looking ahead with anticipation to a good season in '59 with the addition already of a new boat by a retired skipper, Bill Meyers and all members are very glad to have him back. A meeting early in January is planned to formulate plans and to elect new officers.

A. Hyde Myhre-Spring Two new boats were added to the fleet. Greg Gillette and Charles Pietsch jointly purchased a new Lippincott and Ray McKee became the owner of a new Lightning built in Japan.

Fleet Captain Al Hyde set a new record by capsizing four times in one racing season.

The closing day race was a free-for-all with Thistle's and M. P.'s participating. This series consisted of three short races and in each race Lightnings were in first, second and third place.

The entire membership was grieved over the death of Phil Fisk. Phil was well loved by the entire Hawaiian sailing fraternity. He was a top yachtsman, past Lightning Fleet Champ-ion, past Club Commodore and a well known architect. Phil was stricken with a heart attack while racing his Lightning, Victoria. He had just port tacked the entire fleet in the start and was well on his way to winning the race when he died.

Phil will long be remembered for his excellent sportsmanship and good humor. Our sincere sympathies to his wife Prissy and to members of his family.

Fleet 143 is hoping to host a national series in the next year or two. We are sure you will enjoy it as Kaneohe Bay offers the worlds best sailing waters.

We launched our season with the first race of the summer series on June 7th. With 12 races scheduled, one was cancelled due to high winds, so 11 were sailed ending the summer series July 27th. Fleet Captain, Leonard Pratt, won the summer series with Fred Harris finishing 2nd and George Holbrook 3rd. It was a very interesting series with everything from knockdowns to drifting matches.

June 28-29 our Fleet were the hosts for the State of New Hampshire Lightning Championship Regatta held at the Spofford Lake Yacht Club. The breezes were above average and the 3 race series was won by Gardner Brown of Lewiston, Maine. Leonard Pratt ran a close 2nd, Fred Harris 3rd, and Lansing Mallett of Massabesic 4th. Walter Roehrig was Regatta Chairman and did a fine job keeping everything running smoothly.

July 12-13, four skippers of our Fleet trailed their boats to Lake Winnipesauke Invitation Race. They were Fred Harris with "Sandy-Kay"; Len Pratt with "Bon Joy"; George Holbrook with "Susy-Q", and Jim Gillespie with "Sallie-Pet". In spite of rather fickle winds we had exciting races with 24 boats competing. Pratt won the second race but finished fourth in the series because of a poor 3rd race in fluky air. Louis Pocharski of Marblehead won the three-race series with Fred Harris in 2nd place. Skippers Harris and Pratt trailed the "Sandy-Kay" and the "Bon Joy" to the New England District Regatta at Marblehead, where they both reported having a good time, but both had the misfortune of hitting marks.

Two weeks later the "Bon Joy" also competed in the State of Mass. Regatta at Annisquam and again spoke very highly of the hospitality of the Fleet. The racing was interesting, and a superb job was done by the extremely conscientious race committee.

The Fleet Championship series started with the race on August 9th and ended with the final race August 31st. It was an exciting series with higher than usual winds. Six races were sailed and Fleet Captain, Len Pratt won the championship with 5 firsts in the 5 races he sailed. Fred Harris was 2nd and George Holbrook 3rd; and Jim Gillespie 4th.

Fleet Captain Len Pratt in Bon Joy; Fleet 145-C. H. Foster.

One of the highlights of the season was the Junior Lightning Race held Labor Day. The Juniors were well prepared by sailing dinghy training with bi-weekly classes instructed by Fred Harris and Len Pratt. Junior Interest and ability grew steadily and culminated in the Jr. Lightning Races with Tommy Holbrook 2nd in both races for the best overall standing; Gran Van Iderstine one first; Joy Pratt 1 first; Bonnie Pratt 1 3rd; Robert Pratt 1 3rd.

The haul-out Regatta, a regular end-of-the-season activity held every year at Lake Massabesic, N. H. was attended by Len Pratt. Two races were sailed in the pouring rain and we found Henry Ashly in first place at the end of the three race series, with Len 3rd

We were sorry Fred Hamblett was not able to sail "Gail" this year, and that we lost Walker Hosmer to our Fleet, but we are looking forward to 1959 season with closer competition for each of us because of marked improvement in our skippers.

Another year gone and another milestone in the fleet's history, the big event of 1958 was the holding of the Lake Erie Districts at Toronto with the Royal Canadian Yacht Club as host club. More than thirty boats registered for the series which offered everything in the way of weather—from the long drifter of the first day to the spanking breeze of the final day. Up at front of course was the inevitable Tommy Allen.

Outstanding for the local Fleet was the achievement of Bob Bleasby who managed to hold seventh place and qualify for the President's Trophy Race at Little Egg Harbour—and this against some of the hottest Lightnings in the class. With Buffalo Canoe Club sailing in the District it's no use depending on a smile from Lady Luck and Bob showed that he could sail with the best of them.

In open activities he also took the Canadian Open Lightning Championship.

That 'Old Man of the Sea' Ed Hearn sailed steadily up front to take the Fleet Championship with Gord Russell in second place and Lawrence in third.

Other trophies and winners this season were:
Gorman Trophy for team racing: National Yacht Club captained by Ed Hearn; Lou Marsh Trophy: Ed Hearn with Norm Boyd second and Les Arnoldi third; Fleet Captain's Trophy went to Bob Bleasby as did the Trade Fair Trophy. Bob also collected the Tom Taylor Trophy in the LSSA Regatta. The Hyland Trophy for sportsmanship went to Lawrence Reid.

The Fleet continues to expand. Several new boats are expected to be on the course this coming season—and it's going to be hot going out there at the front—for among the new boats will be those of former Fleet Champions Alf Dutton and Jack Swann. But who knows there aren't some new champs working through the Fleet? Both Bob Graham and Herb Olsen showed their transoms to the Fleet at times during the past season.

The past season was the tenth since the Fleet was chartered in 1948, and was the most successful to date. A number of boats are currently being built and we should finish the new season

with over forty boats.

Twenty-one boats sailed in the 1958 Fleet Championship which was won for the second consecutive year by Paul Buckup in "Nautilus". A new boat, the "Minuano" owned by Wolfgang Richter, was the runner-up.

Richter, was the runner-up.

Our Fleet travelled to Rio de Janeiro in October to compete in the District Championship. Paul Buckup, Wolfgang Richter and Tommy Sumner were the representatives of our fleet. Paul Buckup sailing his "Nautilus" beat all comers. The runner-up was Matoso Maia of Rio de Janeiro.

In 1959 we will act as hosts to the other Brazilian fleets when the District of Brazil Championships are sailed here in Sao Paulo

on Lake Guarapiranga.

Fleet 149 of Owasco Yacht Club enjoyed its most active racing season in 1958. We sailed a total of twenty-three races with all of our eleven boat fleet competing in at least sixty per cent of the races. The winds varied considerably during the season giving us a good variety of heavy, medium and light weather racing.

The racing results show that no one skipper dominated. Bill Whiting copped the June series and proved his sailing potential since it is only his second year of racing. Bill Simmonds won the July and August series both of which were very closely contested. In the August series there were only three points separating the three lead boats. How close can you be! Kraft Vorreuter with his spanking new "Tipsy Martini" led the way in the Fourth of July and Labor Day trophy races.

Our fleet was represented in several regattas this year including the Skaneateles Invitational, the C.N.Y.Y.R.A. regatta at Ithaca Yacht Club, the Sodus Bay Invitational and the Onondaga Lake Invitational. None of our boats came home with honors but we can always look forward to a better showing next year. Each of these clubs deserve a well earned vote of thanks from the Owasco Yacht Club for their outstanding hospitality.

We had one more boat added to our fleet this year; Dr. Donald Blair, Don did himself proud finishing a very respectful eight in the final standings for the year. At present we have one additional boat for the 1959 season owned by Craig and Blair Lewis, and hope to have more when the 1959 season rolls around.

Our annual Lightning meeting was held in November and the following officers were elected for the 1959 season:

Our '58 season finished up like a horse race, with a couple of real photo finishes. The Championship was not decided until after the 24th and last race, and was won then by McDermott over Huston by only one boat. Third and fourth positions also waited until the last run with Tim Stevens getting the nod with a two-boat lead for the season over Glenn Macy.

We increased our Sunday morning Short-Short Series to twelve Sundays, and were able to run off 26 of our one-lappers. This series was dominated by the younger people with young Tom McDermott taking a 1st, Chuck Huston a 2nd, and Chan Stevens the 3rd trophy.

In the Championship Series, Fleet 150 had an average entry of 9.4 boats for each of the 24 races. In the Morning Series, with 26 starts the field averaged 7 boats.

Of our eight revolving trophies, McDermott picked up half of them; Macy took half of the remainder; and Huston and Tim Stevens Split the residue.

Several of our skippers did some trailing during the season with our own Ohio-Indiana District Commodore, "John Foster" McDermott, setting a new record. He represented Fleet 150 everywhere . . . well, just about . . . Cape Canaveral has been a bit reluctant about putting a Lightning up. Anyway, Mac did get around to nine regattas, including the President's Cup. Chuck Huston and Warne also did some traveling.

Our Trophy Dinner and the crossing of palms with silver was held on the 15th of November, at the Plantation Room of the Loff Restaurant, one of our local Duncan Hines recommendations. Duncan was unable to join us, but we had a most pleasant evening with awarding of trophies, showing of some good sailing pictures, and some impromptu skits by several of the Fleet members.

We had good steady competition at Annisquam this year, although the districts and championships took the fleet leaders away several times during the summer. Jack Cunningham, this year's runner-up, stayed remarkably close to Ben, but toward the end of August, Ben widened his lead enough to capture the championship for the third time in three years. One weekend was especially typical of the TEASER crew's method of operations. The weekend included three races because of a make-up on Sun-day morning. Well, Jack won two out of the three, but due to tough luck in the third, and the phenomenal consistency with which Ben and his crew always sail, the TEASER still managed to increase her lead over Jack's two-time Victorian BAT!

There was a slight scare just before Labor Day as every Light-ning except the TEDESCO was hauled out in case of a hurricane. Mr. Pear may have been a little tense at midnight, after the yacht clubs annual meeting as he helped Jack and Georges haul out and dismast their boats, but his decision to leave his sleek craft afloat proved to be the correct one. This fortunate occurrence, was a perfect termination for our extremely fine, yet

very active racing season.

Marblehead Race Week was unusually busy because the New England District Championships came the next week. There were eight separate series during the week, the Smiths taking three of the four in which they raced, and Georges Peter winning two of his four series. The MOUNETTE and TEASER VIII competed against each other in three series, and in the fourth, when separated, each won her division. Annisquam did quite well at Marblehead this year, even our newcomer, 15 year old Sandy Vance. This youngster, who has raced a Lightning once, and anything else for what accounts to less than one season, won his first race in tough competition at Marblehead.

Three Annisquam boats went to the District Championships. Ben Smith won a fantastic four out of five races (being only third in the fifth race), and by winning our districts, he has brought the districts to Annisquam in 1959.

The other two entries from Annisquam, Georges Peter and Melissa Lordan, finished fourth and fifth respectively, both qualifying for the Presidents' Cup series. It is of particular notice that out of the entire New England District the six qualifiers were

three from Marblehead and three from Annisquam.

The Massachusetts Bay Championships were held at Annisquam again this year. The winner was Ted Turner from Savannah, Georgia. Ted represented the Coast Guard and extremely well too! Ben Smith was a very close competitor for Ted, coming

in only one point behind him.

At the International Lightning Championships, Ben finished a commendable eighth out of fifty-three. In the President's Cup Georges Peter and Melissa Lordan remained very close to each other, as they did in the districts, finishing eighteenth and fif-teenth, respectively out of forty-five. This is surprising in view of the fact that the MOUNETTE out weighs the 703 pound SAB-RINA by seventeen pounds.

All three crews stayed together in Beach Haven and are raring to go to Detroit in 1959. In spite of the fact that Georges plans to go to Europe, he is working his Harvard education hard in order to find some way to qualify for the '59 Internationals. We are all sure that he will succeed, even if he has to fly home for the weekend of the districts. We hope to see all of you New Englanders at Annisquam in '59!

The 1958 season for fleet competition opened June 8-with those perennial champions the McKinley brothers, winning this opener and most of the fleet series races during the season. The syndicated Trio, ably skippered by Herb Cox and crewed by Marv Mallon, Charles Pinkerton and alternate crew Dick Moss pushed Humbug hard all season-sneaking in for a first place now and then just to keep Ed & Bill on their toes.

Tawas Bay Yacht Club had probably their busiest and most active boating season to date-sponsoring three major regattas on

three consecutive week-ends.

Beginning with the National-One-Design Great Lakes Championships; followed by our annual July Regatta which this year consisted of four classes—Ravens, Lightnings, 110's and National One Design. Winners of the Lightning Class was Mack

Goodwin in 4545.

The next week-end July 24, 25, 26, and 27, 50 boats arrived for the Michigan District Lightning Championships, which were won by Hank Cawthra of Crescent Yacht Sail Club of Detroit. The next four places went respectively to Mack Goodwin, Ed & Bill McKinley, Herm Nickels and Alec Alerdyce. Substantial credit is due the LCA Committee for the fine job they have done with their supplementary instructions for race committees. These instructions were followed as closely as possible for all of our regattas this season, and even with a fleet of 50 boats there were no general recalls and very few protests involving barging at the starting line.

The McKinley brothers were on tap at all the other Michigan Regattas, winning the Leelanau Regatta and placing at Higgins Lake, and Devil's Lake. Humbug II was also at Little Egg Harbor for the Internationals, placing 12th with positions of 7, 22, 26,

The writer had the good fortune to be a member of the crew of Humbug II for the Internationals, and would like to point out that no one should ever pass up an opportunity to participate in this event.

Our Lightning sailors have been instrumental in starting a pram fleet which although late getting started this season, should turn out some skippers and crews for the future.

Don't forget our July Regatta in 1959.

John Merrifield, the most successful "Junior" in the Lightning Class in 1957 by reason of winning the Sears Cup, emblematic of the Nation Junior Sailing Championship, won the Pequot Fleet Championship this year for the fourth straight year. However, his competition was so keen from Tom Munnell sailing in his first year in Lightnings, that there was little to choose between them. Munnell, the ex-Blue Jay Champion of previous years was leading in the fleet standings up until the last few races when Merrifield became unbeatable. Munnell won the Saturday Series and Merrifield, Sunday Series but in the over all standings for the 26 races, Merrifield squeezed enough YRA percentage points to win the season's trophy.

Both of these youngsters simply cleaned up wherever they went on Long Island Sound and when the smoke had cleared at Little Egg Harbor at the Internationals, Tom Munnell was third and John Merrifield fourth. Munnell's sensational first season also included winning the Connecticut-Rhode Island District Championships and the Long Island Sound Championships.

This was a year when most of the adults sailed one series and a son or daughter sailed the other. This is highly recommended to any club racing twice weekly for it stimulates racing competition for all ages. This was also a year when many boats did not race regularly and it is hoped next year will produce better results.

The Pequot Yacht Club was host of the Connecticut-Rhode Island District Championship which was well attended by approximately 40 boats. Of the five eligible to attend the Internationals, our fleet qualified two.

Fleet 154 will remember the '58 season as the year it fought the wind. The capsizing of 6133 while tuning up before the season opener was a warning of things to come. Boy-that lake is cold in June!!

The Lorentsons, new Lightning sailors, won the "Dunkers Cup" via Mrs. Lorentson's falling overboard during a race in high wind later in the season.

John Nixon sold his boat to Paul Knauer and purchased a new one. At season's end, Carl Winnebald sold his boat to George Wright of Ft. Wayne. George will be sailing with us in '59. Carl did this after dismasting it in late fall with a load of sea scouts aboard. Good seamanship by Carl prevented any injuries. Bob Emmons sold his old 640 at season's end. Bob has not disclosed his plans, but we all hope he will join us in '59 with a new boat.

Kathy II 6133, successfully defended its fleet championship this year as well as adding the coveted Synthia Cup. This is a beautiful trophy and holds a place in honor in the writers home. Bruce Baiden, Joe Plasket and Richard Boerger sailed her. Second place was awarded to 5259 sailed by Jim Wellington.

The hotly contested Labor Day Series went to 2559 sailed by Paul Penn, Jr. who had just returned from naval duty aboard a

The 1958 Season saw an intensified interest on the part of Fleet 161 in active racing, with all of the members of the fleet participating in some of the many regattas in the area as well as the monthly club races that were held regularly throughout the year.

The club races were grouped into two series of six races each, one for the Jim Fiore Perpetual Trophy and the second for the Elliot Pohl Silver Tray, presented for the first time this year. Don Tuttle successfully defended the Fiore Trophy from the previous year, and won the Elliot Pohl Trophy with a slim

margin of two points over Bailey Brandt.

The major event of the year was the first annual Southwestern Lightning Invitational Regatta, held on September 20 and 21. Invitations were sent to the 50 Lightning skippers in the Southern Company of 14 hours led to an California area, and a good turn out of 14 boats led to an exciting series, the more exciting because of the light winds that

prevailed.

Although the showings of the Fleet 161 boats in this regatta were not exactly spectacular, at least a moral victory was won when none of the Mission Bay experts finished in the first three places, and everyone was glad to see Dave Wright of Coronado

get first place. The weekend of September 28th was the annual race around Point Loma to Mission Bay, which also had a good turnout of 12 boats. This is primarily a battle between Mission Bay and Southwestern Yacht Clubs, and a winner's trophy and loser's bowl are presented to the Club whose boats perform accordingly. Al Coha turned in a fine race to win the trophy for Mission Bay, with Don Tuttle of SWYC second. Bailey Brandt captured the loser's trophy for the third time, making him practically perpetual owner.

John Tanner presented his boat "Death Wind" to the club in order to further the cause of Lightning Racing. The boat is being administered by the fleet, and has been loaned to DeWitt Cary for the 1959 season.

We had a good season and lots of fun, and ended it up with the resolve to do bigger and better things next year.

Bob and Claire Weisenbach. Runner-Up Fleet 163.

It would appear that Fleet 163's war cry "More boats in '58" paid off. We were happy to welcome Walter Moser, Pate Mule', and Jack Bellew as new members as well as Sam Cohen's return to active racing with a newer and faster boat which really made things interesting. Our season got under way about mid-June, the fleet again racing under the Committee Flag of the Eastchester Bay Y.R.A.

Fleet Champ Jim Curtin had a doubly sweet victory as he and his light-weather crew (wife, five and six year old youngsters) really had their hands full with the 15 m.p.h. and better breezes which prevailed throughout most of the racing schedule. Pate Mule's "Gurami" proved to be a regular "express train" downwind which resulted in some hot luffing duels and close finishes between him and Rudy Weisenbach. Walt Moser, who has returned to sailing after a long absence, made his presence felt on those windward legs. Sam Cohen started the season late but really got going in one race of the Bayside Invitational regatta when he got a third against plenty of stiff competition. We hope to see more of Jack Bellew next year. Our awards dinner and dance was held November 22nd at the City Island Yacht Club under the auspices of the Eastchester Bay Y.R.A. and a great time was had by all.

Anyone who is interested in racing in a fleet in the City Island area please contact our Fleet Captain Jim Curtin. Phone TY 2-3673.

We welcome Jim Glean as our first new member for 1959 and look forward to an even better season of keener competition and more boats.

1958 was a year of increase for Fleet 164. The number of Lightnings grew from 17 to 23, and the average number of boats for each race was 12, almost doubling this figure for recent years. 17 class races and 2 cup races were completed. Lightning sailors were also prominent in the club free-for-alls.

Don Diefendorf clearly earned the fleet championship with a first place in the Sunday series, and first in the overall standings, Saturday and Sunday series combined. Dr. Harlan Cleveland, newest fleet member, took first in the Saturday series in 6804, sparking this accomplishment with two capsizes in the official races. Phil Hart II took over from veteran Don Hart, bringing the family boat second place in the Sunday series, the Saturday series and in the overall standings for the season. This remarkable performance, at 15, is a good measure of the quality of competition in the junior fleet where Phil also put in a full season's activity.

Looking for a freshet of breeze near the starting buoy."

More new boats are expected for the 1959 season, and it is rumored that some of the old regulars are to appear with larger numbers on their sails. Undoubtedly, this will increase the interest at the finish line, and present high scoring boats are expecting to be hard pressed.

Anticipation of a good year to come in 1959 is evidenced by plans for a pre-season meeting, to be called by the fleet captain in the early spring.

The Helsinki Fleet has not been as active in this season as in earlier years. The reason for this is probably that some of our best skippers sold their boats and the new owners were afraid to come to the races. Only 11 of the fleets' 22 boats took part in the races held in Helsinki area, and many of them raced only 2 or 3 times.

The Yacht Clubs in the Helsinki area held some 20 open races last summer and in every race there were some Lightnings, usually 5-7. Eight Lightnings participated in the big Helsinki Regatta. "Kesaheila" (R. Aromaa) won the Regatta's Rautavaara-Kacklund Trophy.

The Fleet has not held Fleet Championship races. Therefore the fleet champion and runner-up are unofficial. Positions have been counted from the points in the open races. The Helsinki Fleet and the Yacht Club Merenkavijat were hosts for the District Championships. Our fleet member Raimo Aromaa (crew, Terho and Hannele Aromaa) with his boat "Kesaheila", won the Championship. Runner-up was V. Larmia from the Lovisa Fleet and third, J. Koskimies, from our fleet. Nine boats from the Helsinki fleet went to the European

Championships in Lovisa.

We hope to have more boats enter the races next season.

Fleet 169 is the first fleet ever founded in Switzerland and also the one which has the greatest number of members. It is however, considerably disadvantaged in its activity, due to the great distances dividing the different Lightning sailors from each other.

This year after three years of interruption, the Fleet Championship has been organized by the Cercle de la Voile d'Estavayer. This championship drew eight organized units from the lakes of Neuchatel and Morat and one foreign unit. The latter superbly won the three regattas for which we unfortunately had very weak

"Damalo", sailing out of Neuchatel Harbor, Fleet 169.

The great 1958 event has been, as it is yearly, the Swiss District Championship on the lake of Sempach. While Fleet 258 perfectly organized these regattas, our Fleet 169 had great satisfaction as our "Anahita" owned by J. P. Mathez, skippered by himself and Mrs. Mathez together with Mr. D. Henriod as crew, won the two titles in competition: District Champion and Swiss Champion. At the same time our fleet could win the second place of Luthy's challenge (which is given to the best fleet represented by at least three boats) only with 16 points less than our friends of Fleet 268.

We are eagerly awaiting the 1959 season as our fleet is due to organize the Swiss District Championship, in Neuchatel, for which we already bid everybody the warmest welcome. Happy Sailing in the meantime!

In the summer of 1958 the Brant Beach Lightning Fleet had the kind of sailing weather you expect to find in travel folders rather than in real life. Nearly every weekend seemed to be made to order: Blue skies, crisp breezes, flashing spray and full spin-nakers. After the first race of the Spring Regatta there was not a single drifter, and only one race had to be called because of

Boat

high winds.
With the return of Dick and Patricia Clynes and their "Osprey" after a one-year absence, eight Lightnings competed. In the Championship series Tom Coe in "Jade," with his veteran crew of Ray Coward and Peter Fullem, was as hard to handle as if he had sneaked a motor aboard, taking the title for the second year in a row. Dick Powell was runner-up in "Barracuda," also with a veteran crew of Steve Powell and George Harrington. Bitsy Baldt nailed down third place with the help of Dick Hearing and Tom Pickard. In the three-race Sunday series Powell took first, with Coe second and Barbara Serrill in "Petrel" (crewed by Joe Serrill and Joe Fullem) coming in third.

Bitsy Baldt and her "Sea Bit II" picked up third place in

the Spring Regatta, in which visiting boats from Surf City won first and second. The Fourth of July Trophy Race was a Coe-Powell-Baldt parade, and the Labor Day Trophy Race found Coe, Powell, and Tommy Kelly taking the three awards. Just to prove that nobody had a monopoly on races, Barbara Serrill skippered her boat to victory in the Shakedown Series, with Powell second and Bitsy Baldt third. Thus four different Lightnings got the gun at one time or another during the season,

which guaranteed close competition.

Champion Tom Coe (right) and runner-up Dick Powell of Fleet 173, slug it out under spinnakers.

Surprise of the season was the steady improvement of the Kelly boat skippered by young Tommy Kelly, whose three older brothers in previous years sailed their blue-hulled boat to win after win in local waters. As skipper, Tommy was aided by Tom Contino and Paul Clark. Also improving steadily was the Schmit boat, which five members of that family took turns sailing. D. F. Schmit skippered most races, aided by his daughters Margie, Mary Ann and Betty and by his young son, John.

Brant Beach boats did well in two regattas in other waters. Tom Coe took first and Powell took third in Surf City's Fall Regatta, just about evening the score with the Surf City boats that won first and second in Brant Beach's Spring Regatta. Three Brant Beach boats entered the Commodore's Cup Series, held at Bay Head in connection with the District Championships, and Powell's pale yellow "Barracuda" took advantage of a convenient thunderstorm (which knocked out more than half

of the fleet) to win the series.

If getting the gun at the finish were the only reason for Lightning racing, there wouldn't be much fun in it. Here are events that will live in this scribe's memory when the 1958 season in ancient history: The Coe boat getting off its startling first-leg sprints . . . the gallant Schmit girls wrestling with their leaping spinnaker on a close reach, with the wind snapping over the water in 25-mile gusts . . . the Powell boat, sunk deeply in third place, finding a private wind and going straight to the next mark, while the leading boats were forced to tack and saw first place slip away from them . . "Petrel," an older boat beautifully skippered by Barbara Serrill, playing the slants and tide to win the Shakedown races . . . skipper Tommy Kelly falling overboard on a gusty day and coming back into his boat handover hand on the mainsheet—Bitsy Baldt ghosting past becalmed over-hand on the mainsheet—Bitsy Baldt ghosting past becalmed rivals in the Spring Regatta, leaving them wondering where in Neptune's name she was finding that breath of wind . . . Dick Clynes borrowing the youngest Schmit, John, as a crew member, and letting John take the tiller for a final spinnaker run in which he beat his family's boat, thus setting the stage for interesting mealtime discussions in the Schmit house . . . jib man Steve Powell, who likes his breezes big, happily screaming for "More wind!" at the height of the thunderstorm in the Commodore's Cup Series at Bay Head . . ." Barracuda throwing a spinnaker on the last leg of a race to try to catch Tom Coe (in spite of the fact that the light wind was dying and well forward of the beam), and catching a puff that worried Coe into hoist-ing his kite, and then the puff fading and Bitsy Baldt sliding by under main and jib to grab first . . . three small Moth skippers taking out the Club Lightning, and beating two of the regular Lightnings-this being a very good omen for the growth of the fleet in future years.

Our fleet had a very active and very successful racing season. We held two major events at our club and a number of minor

The first big event of the racing season was the Shreveport Yacht Club Spring Regatta held on April 26-27. A tune-up race was held on Friday aftrenoon, the 25th, and one race was held on Saturday afternoon. The last race was held Sunday mornning. The Regatta was won by Sam Townsend of the Dallas Corinthian Yacht Club of Dallas, Texas. Three races were originally scheduled, but due to threatening weather conditions one race was canceled. Over the weekend, 7 inches of rain was measured so it was really a damp regatta, but everyone enjoyed it and we hope all the Lightning skippers will return next spring.

The next event was the Southern District Championship held on June 6, 7, & 8th. Altogether around 20 boats participated, coming from Fairhope, Gulfport, Southern, New Orleans, and Shreveport fleets. Five races were held and there was a different weather condition for each race. The weather ranged from a heavy squall on Friday when one boat capsized and another broke a rudder, to very light and shifty breeze on Sunday morning. Individual race winners were Gene Walet III, Miss Gay Griffith, Frances Favoloro, and Buck Ballatin. Gene Walet, and Gay Griffith both leading skippers were disqualified from a race

Gay and Louie Griffith, Fleet 175 Champions Age 14 and 16, rig the Boom-Boom for a practice sail.

so both lost many badly needed points. The winner of the districts was Tom Allen of the Southern Yacht Club in New Orleans. Walter Heiman of the Shreveport Yacht Club was second. Our club and fleet enjoyed playing host to the district champ-ionship and hope that it will return soon.

Gay and Louie Griffith represented the fleet at the annual race week on the Gulf Coast. Gay with crew of her father and Rutledge Delgado finished second in the Gulfport and Biloxi

Regattas.

Walet and Heiman represented Fleet 175 in the Internationals, unfortunately both had difficulties in getting their boats to move. Jack and Linda Somner represented the fleet in the Labor Day Regatta at Dallas, Texas.

Throughout the racing season, a number of three race series were held and the most outstanding ones were the Holiday in Dixie Series, won by Gene Walet, and the Labor Day Series won by Gay Griffith, with Bob Lawton 2nd.

Gay and Louie Griffith and Pete Prados represented the Club in the Sear's quarter finals on Galveston Bay in July. The series was sailed in Flatties and the crew agreed that sailing Flatties is not like sailing Lightnings. Gay, Louie, and Pete are all young teenagers.

The Fleet was represented in the Cock-of-the-Walk, the club round robin series, by Gay Griffith, Walter Heiman, and Linda

Somner.

The closing event of the year was the Fleet Championship series for the Fleet Championship perpetual trophy. This was won by Gay and Louie Griffith with Walter Heiman second, and Bob Lawton third. The members of our fleet are all looking forward to a successful racing season in the coming year!

The 1958 season saw Sam Zorovich return the Dougan-Koehne Perpetual Trophy, symbol of Greater Long Island District Championship, to the Great South Bay after an interval of 9

The first District Championship Series was held in 1949 in the Great South Bay and won by Mrs. R. P. Rice of Moriches Bay. From 1950 until this year the trophy was in the almost permanent possession of Bill Uhl and the Connor family who took turns

winning it for the Mattituck Lightning Fleet.

Sam Zorovich sailing his "Mist I" with a superb crew of Whiting Thayer, a former Fleet Champion, and Ronnie Ronback won the well run District Championships held by the Hewlett Bay Y. C. Sam nosed out Bill Uhl by one point in the 18 boat fleet. Sam did not race in the Lightning Class Internationals at New Jersey but Bill taking his place finished second in this highly competitive event.

Sam really outdid himself this year by also winning the Babylon fourth of July Series, the Narrasketuck Y. C. Invitationl Regatta and in his new boat "Mist II" he took top honors in the Bellport Labor Day Series and the Unqua Corinthian Y. C. Invitational Regatta.

In our hotly contested Fleet Championship Series Sam won out again with a new-comer to the Fleet Van Wynkoop in "Gretchen" second and Bill Thomas' "Black Orchid" third. Dan is the one to be watched next year when his crew will be more experienced.

The Narrasketuck Club Series found Bob Turner on top with his "Ebb Tide" and Bob David second in "Scarlett".

The 1958 Great South Bay Race Week produced wonderful racing weather and a good turnout of boats. A visitor from the North Shore of the Island Ed Gonzalez took Lightning Class honors in this 6 race series. Sam Zorovich placed second and Dan Wynkoop was third.

In 1959 the Great South Bay will be host for the District Championships and tentative plans call for the event to be held in Babylon the weekend before the Great South Bay Race Week in the hope that competing boats will remain after the Districts to race in the exciting Race Week Series.

The records of our 1958 Season show 6 boats racing with fair regularity. Frank Hornby last year's champion moving to Fleet #36, Pymatuning Lake, Penna. All 6 boats participated in a most successful 4 Race Series closing with 2 Labor Day races and finishing our season. Bandaged hands and fingers testified to the heavy air encountered during each of these races. However, only one boat capsized.

The results of the season were very close. R. P. Hollister, Fleet Champion in "Pinky", John H. Bailey, Jr., and Betty Jo Heineman Myers tied in points for second with Bailey nosing ahead based on the number of firsts.

We are all looking forward to a busy season next year.

The Lightnings had some added competition this year from a new class of boats at the Club. However, there were four or five out every week, and it seems like the same old diehards were out there sailing them. Pete Freeman nosed out Sam Knox for the Club Senior Championship, and the Junior Championship was sailed in a different class this year. It was gratifying to the Lightning owners to have the Juniors request a return

to Lightnings next year. This we will plan to do. A Lightning again won the Annual Parent and Child race, a handicap affair with sixteen boats from three classes participating, when Sam

Knox and son Howie came in first.

Outside activity continued brisk. We had representatives at the Districts, the Governor's Cup Regatta, and the Long Island Sound Championship. In addition, another annual affair was started with a three cornered team race with Groton Long Point and Niantic Bay. Groton Long Point won this one in a very close duel with Wadawanuck.

Still another series was a home and home set-to for Juniors with the Pleon Yacht Club of Marblehead. This was set up as a team race with three or more crews from each club, and Wadawanuck was host for the first year. After a shaky start the boys from Massachusetts steadied down and made their superior experience tell, winning the series handily.

This about winds up 1958. We're looking forward to expanded

activity next year.

Fleet 184 in action.

As the end of the 1958 racing season drew nigh, the cup competition was keen and spirits high. The season averages saw Ed Neild in "Pelican" way out in front for Fleet Champion. In second place was Frank Mead and David Workum finished a very close third. In our "B' class, established for new and young sailors, top honors went to Mike Fisher, sailing "Full 'O Fish".

The Handicap Series, sailed by skippers of Lightnings and National One Designs, was won by a Lightning skipper for

the second straight year. The victor was again Ed Neild, sailing

"Pelican".

Our Thirty-Mile Marathon Race, a yearly event in which all sailboats can participate, was a big success. The race begins about 8:30 in the morning and ends when the last boat has passed the nine buoys three times. This year, the wind and weather were ideal and the race course completed before sun-down. Oh—who won? Why, Ed Neild in good old "Pelican"!!! A clean sweep for Ed and we all congratulate him on his spectacular 1958 record. Frank Mead in "Grayling" was real competition in this race and finished a close second.

A new trophy presented this year was the "Linda Sutton Memorial Trophy". This cup will be presented annually to the girl

sailor in Leland who best represents the spirit of good sportsmanship, fine character and sailing enthusiasm which was personified by Linda Sutton, skipper of "Windy Lindy". This year the award went to Avery Kimerly, skipper of "Confusion".

A relatively new, but firmly established series on our sailing agenda, is the Bill Miller-Labor Day Series Regatta. This regatta is held, as its name implies, at the summer's end and is the climax of our racing season. Frequently, we are joined by boats from neighboring yacht clubs. This year (where have we heard these names before??) Ed Neild copped the first place trophy, with Frank Mead nudging him across the finish line for second place.

One of the highlights of the 1958 season was the Leland Lightning Regatta held on August 9 and 10. Twenty-five boats from various yacht clubs participated in a series of four exciting races. There seemed to be races for all types of boats and sails-light, moderate and heavy. The trophies were sterling Revere Bowls in graduated sizes for the first five places. A big dinner and party were held on Saturday night for all participants. The winners of the Regatta were:

Bill McKinley-Tawas Bay Yacht Club

Herm Nickels-Fenton Yacht Club

Bill Miller—Leland Yacht Club Ed Neild—Leland Yacht Club 3

John Clark-Leland Yacht Club

We are planning an even bigger Lightning Regatta in 1959 and hope to see sailors from all over the country in Leland. If anyone desires advance information, he can contact Joan Work-um, Leland, Michigan. The wind and waters are perfect, com-

petition fine and good times unlimited.

One of the finest things about our sailors is their anticipation of bigger and better things to come. Even before the sails are down after the last race, "next year" is uppermost in our minds. Because a finer year-to come can only be realized through improved sailing, more sailors and the maintenance of high interest levels, the Leland Yacht Club is sponsoring an organized course of instruction to be called the "Junior Sailing Program". We hope to see lots and lots of junior sailors out on Lake Leelanau next summer—nothing could give the "senior" sailors more pleas-

SEE YOU ALL AT OUR LIGHTNING REGATTA IN AUGUST, 1959!!!

The Fleet, as it has been for the past seven years, was pretty well dissipated for 1958. Joe Neiner sold out late in 1957 but expects to be back for 1959. Joe Kocsik has decided power boating is for him and Roy Knapp moved to Red Bank to try his luck against Fleet 70.

Bill Diamond and Ed Mackevich, with an occasional assist from Mike Cohen, worked at racing and by the end of the season could make a creditable showing. Dr. Shoemaker raced through June and then returned to Mohawk for the summer season.

The Red Grant Regatta had two races Saturday, in strong air were topped off by a really vicious squall as the Lightning Class was finishing. Everyone survived among the Lightnings and most were relieved to find quieter sailing Sunday. March Lippincott won the Regatta, Irv Lewis was second and June Methot was third.

In Mid-September most of the Fleet went to Keyport for its annual Regatta. Gene Zick sailing "Windward" won again. He seems to be the perennial champ at Keyport.

The Annual Fall Series was characterized by strong breezes and nasty weather. Planing got to be a standard habit but after a while one wishes for a comfortable sail. The winner when it was over was Al Gagliano of Sheepshead..

Just to keep the recollection clear, the Mets were at Raritan

this year and all present will remember for a long time the thirty to forty mile breezes on Saturday. After many postponements, twenty of the twenty-two started, ten finished. There were five capsizes and considerable broken gear. We brag about breezes on Raritan Bay but it seems we ordered too much for this.

Spring sailing this year could easily have been termed an endurance test. Strong winds and rough seas put to test new this year could easily have been termed an equipment and soft sailors, who were not used to hauling lines against the strong pull of wind and who needed much practice

hiking on the long upwind legs.

Some of our Marblehead sailors will fly a spinnaker in any kind of breeze. One of those sailors is our former New England Commodore and New England Champion, who in the first race of the season popped his spinnaker and "Thirsty" right along with it, dumping the crew into the cool Atlantic. Another daring spinnaker man is Harold Hokanson who spent the summer trying to prove that a Lightning can be sailed with its mast under water. To Hokey went the title of "The Guy Most Likely to Capsize", which helped to prove to some of our new sailors that it happens to the best sailors as well as the beginners.

Although Lou Pocharski, once again won Fleet honors, there were a few new comers to the winners circle. Ken Drewry in his Janie" kicked up his heels on several occasions to come out overall winner for the season in the Corinthian series and second in the Fleet Championship. Harold Hokanson in spite of the practice runs he took in capsizing finished his "Nugget" far enough up in the fleet to win the Eastern Yacht Club series. Our Holiday series went to one of our consistent winners Henry Ashley, who on special occasions has been known to carry his own private wind supply which he apparently did on Labor Day morning, when he managed to catch an extremely light breeze and kept moving, opening up a wider and wider lead on the rest of the twenty boat fleet, which drifted for over an hour. Fred Pothier, another victor of past seasons won the first evening series. Fred proved his capable seamanship on one occasion when he broke his rudder, to find much to his chagrin that he had lost two boats in the race. With grim determination and a bit of clever manipulation, he picked up two of them again and finished the race in second place. The Sunday morning series, which provided either an extremely heavy breeze or none at all proved to be a close series between Art Ries and Lou Pocharski with Lou placing first.

Our Junior fleet, although not large in numbers is a most enthusiastic group. On one occasion when a black cloud rolled in carrying a squall and everyone decided to call off racing and head home, the Chadwick sisters sailed on valiantly with a jammed halyard until neither they nor the boat could take it any longer and gave up in a sensational capsize. Frank Morse, who sailed some terrific races won the Junior Championship, followed by Paula and John Carien in second place, and the Chadwick sisters third.

Thanks to John Abbott, we were able to enjoy a few cook-outs on his island where the children (and there are many) of the fleet members have the run of the island.

Ann and Matty Bernard graciously entertained the New England District fleet with a cocktail party and buffet at their home on Marblehead Neck. A warm night and a silvery moon provided the perfect atmosphere for a a most delightful party.

Our final party of the season was our annual banquet, where the entire fleet—skippers, families and crews gathered together for an evening of merriment at which time the awards for the racing season were presented together with an appropriate joke trophy for each skipper.

Special credit should be given to the Tucker family who came out in all kinds of weather to participate in their first year of sailing in Marblehead. So rabid did they become that they even trailed to New Jersey for the President's Cup. Such enthusiasm is bound to develop top rate sailors.

As new boats and new faces continue to appear in our fleet, Lightnings become more and more popular in Marblehead.

Close and spirited sailing on Chesapeake Bay! That was Fleet 192's story for the 1958 season. Close? In the fall series, with ten races, the second, third, fourth, fifth, and sixth places were

separated by only one point apiece.

There was one thing that wasn't close, however, and that was the way the Holladay family consistently finished first and second the whole season long to wind up first in every series. With the oldest boat in the fleet, they showed their tramsom time and time again to the newer, lighter boats.

Three series were again sailed by the fleet this year—the first series counted the best seven out of nine races sailed; the championship series had five races sailed on two consecutive weekends in August; and the final series counted eight out of ten

races

Mary Wilkinson got off to a fast start in the summer series by winning the first two races, but then Lou Holladay must have gotten his boat tuned. He moved up front and stayed there for the rest of the series, finishing seven points ahead of Wilkinson for the series. Bob McWhorter finished a close third, only four points behind.

The championship series started off with Holladay winning, and Jim Holzman and Lee Brown hot on his tail. The second race it was Brown in front, Holzman again second, and Holladay overlapping Holzman at the finish for third. This made it a three way tie, and there was much excitement and speculation going

into the second weekend.

On the following Saturday, Holladay got a first and a fourth, and Holzman got a fourth and a third, which put him only two points behind Holladay going into the last race. Brown had folded with two fifths. But Holladay pulled a second to Holzman's fourth in the last race, which gave him a comfortable (?) four point lead at the end.

Perhaps the most spectacular comeback of the series was provided by Dick Heald, who came back from a disqualification in the second race to take the novice trophy in the series.

The fall series saw Sandy Holladay take over from his father and continue the winning ways. He finished six points ahead of Jim Tunnell, who had just arrived (with all his racing savy) from the Indian River Fleet. Tunnell, Heald, Andersen, McWhorter, and Wilkinson were separated by only one point each, which again shows that the races are close and the final standings aren't settled until the spray from the last race has quieted down.

The North East River Fleet is beginning to make its appearance on the regatta circuit, but they still aren't taking much home with them. Lee Brown and Mary Wilkinson finished third and fourth in the Lightnings in the Annapolis Spring Series. Eight boats went down to the Dixie Districts at Baltimore (the largest representation of any fleet in the District), but the best finish in the fleet was Brown's—and he only got eighth. Next year will be better!

There were some losses in the fleet during the year, the principal one being Stu Armstrong, who did such a fine job as committee chairman in previous years. But there were new arrivals to take their places and also some boat switching this year. Mary Wilkinson got Jim Tunnell's "old" boat, and Don Andersen showed up to buy Wilkinson's boat. Murray Schwartz and Ed Meyer rounded out the newcomers, and all of them were giving the oldtimers a hard time at the end of the season.

Even though the actual sailing has ended, none of the enthusiasm is waning. Already two meetings have been held on tactics, with experts from up and down the eastern seaboard giving the clue on how to win. There will be many more before the boats go in the water next spring, and the fleet will certainly be hopped up for next year.

The silverware this year was handed out like this: Summer Series: June 8 - August 10; best 7 out of 9 races.

A busy season punctuated by fine sailing and lots of it was our 1958 fortune. While we lost two old friends, four new friends joined the fleet and once again we report growth. In fact, at our first meeting we split the secretary's job in two to create a new job of treasurer. Ed Anderson accepted this initial responsibility. We sailed all year but December and January were free of organized races though many impromptu brushes filled those months for the "diehards".

February inaugurated our first organized racing. Trevor Lewis won the first two races of the winter series. Our fleet sent four boats to the mid-winters at Cabrillo Beach where they took the first four places. Trevor Lewis won followed closely by Kelvin Savell, Dave Andre, and Ken Moore. We were proud of this start. March brought us some extremely low tides during the last two series races. Several skippers threatened to install retractable wheels on their boats, but Trevor Lewis and Tom Nute with his dad, Bill, working like mad raising and lowering the board managed to take the silver.

Our first social event with a capital "S" was our April dinner at the Admiral Kidd Club. Good fun for all and much acclaim for Dick Heady who arranged it. The Spring series started this month. Bill Pirie won with Ed Anderson and Kelvin Savell close behind. May found the Lightning Fleet sponsoring the club

party, a barn dance. All the fun and frivolity went off with a bang which brings us to the Memorial Day series. This time we sailed in the ocean. Trevor Lewis came over from Phoenix and put us all in our place by taking four firsts and a DNS. His boat was leaking so much from Phoenix dry weather he could not make the first race! Fred Boynton took second and Al Coha third.

Other than Memorial Day weekend and work parties, June was quiet at our club, however the fleet sailed around Point Loma to Southwestern Yacht Club. Al Coha, George Boynton, and Bill Nute placed one, two and three. The Fleet cruised to Coronado Yacht Club the following day for the small boat regatta. Mission Bay made a clean sweep of the first three places. The fourth of July Firecracker series ended with Al Coha in first and Fred Boynton second.

The summer series found the fleet divided into an ocean fleet and a bay fleet. The bay fleet sailed without spinnakers inside Mission Bay and the ocean fleet under the regular rules outside. The bay fleet finished with Bruce Des Champs in number one position in his new Savell boat followed by Ken Moore and Ken Glazebrook. The ocean fleet hardware went to Kelvin Savell, Al Coha, and Ed Anderson.

The fleet continued divided for the Labor Day Series. This time Al Coha led the ocean fleet with Bill Pirie right behind and George Boynton third. The bay fleet honors went to Bruce Des Champs followed by Ken Glazebrook.

At the District Championship held by Cabrillo Beach Yacht Club in Los Angeles harbor Al Coha took number one followed by Kelvin Savell and Ed Anderson. Another clean sweep for Mission Bay.

September was the biggest month of all. At the Ken Reynard series in Coronado Al Coha took first, and Kelvin Savell third. Dave Wright of Coronado took a well earned second. The Bob Herrman Series was a clean sweep for Mission Bay. Al Coha, Kelvin Savell, and Fred Knauer took the hardware. The new John Bates Series at Southwestern resulted in a blank for Mission Bay. Dave Wright, of Coronado, Wendall Harter, and Dick Benner of Cabrillo really put our gang in their places. We claim shifty winds and all the other standard excuses, but had a wonderful time. The September finale was the sail around Point Loma from Southwestern to Mission Bay. Al Coha took first and Fred Knauer fourth. Bailey Brandt for the third year in succession received the last place trophy. We claim it was deliberate and we know of at least one tow he refused after the wind had dropped and all the other boats were in.

October started off with the Stanley Andrews series uniting our fleets again. Honors went to Trevor Lewis, Earnie Greene of Southwest, and Kelvin Savell.

Carl Eichenlaub trailed back to New Jersey for the Internationals. The fresh winds were too much for him, but better luck next time.

Our fall series, just ended, found Al Coha leading the pack

again and Bill Pirie holding second place honors.

The dredging of the outer harbor is completed. We have twenty feet of water at low tide. Dredging of the inner harbor is planned to start soon. We look forward to 1959 with great relish and we extend a cordial invitation to any visiting skippers and crews to sail with us at one of the very few places where twelve months of the year, day in and day out, we have a choice of fine, sunny ocean or harbor sailing.

Fleet 196 will remember 1958 as "the season we grew up". For, while the entire fleet participated whole-heartedly in our regular Saturday and Sunday Series, we also made an effort to have the club amply represented at all regattas within reasonable traveling distance. Even consistantly squally weather couldn't dampen the spirits of our skippers, who put in appearances at Bayhead, Brigantine, and Brant Beach, to mention a few of the stormy ports. Included among the travelers were Otto Hansen, who copped first place in the Brant Beach Spring Regatta in his newly finished "Whistling Wings", Jack Elfman, Scotch-Irish, Ed. Lavery, Gepec, Frank Gray, White Cap, Howard Mullin, Tackless, Tom Sweeney, Sinnerella, the Sullivans, Shady Lady, and Al and Chauncey Stoneback, Impulse. In spite of bad weather and a few mishaps, all agreed it was great sport and plan to hit the road again in '59.

Al and Chauncey Stoneback made a fine showing in their new "Impulse" this season. Ed Lavery is looking forward to a good sailing year in '59 with his new Lightning, purchased at the end of the '58 season.

In our Saturday Series this year, Otto Hansen stepped back into the limelight to accept the Julius Christian Hansen Memorial Trophy for first place. Otto and his crew, Howard Sintac and Newton Wattis, provided some thrilling races, barely edging Howard Mullin and his fine crew out of first place and into second for the Series. Frank Gray in White Cap gave them all a run for their money and finished the Saturday Series in third place.

In the Sunday Series it was Howard Mullin, Tackless, in first place, Frank Gray, White Cap, second place, and Al and Chauncey Stoneback, third place. Congratulations to them 'all! Congratulations also go to the Sullivans of the Shady Lady who were awarded the Annual Achievement Trophy for the greatest improvement over last year's sailing record. Keep up the good work.

Miscellaneous in the season's events: Ed Lavery broke a mast at one of the regattas, Doris Lorenz capsized Sea Nymph—without Fred aboard—on a calm, clear, cold September day, Fran Temme did a beautiful fiber glass job on Tempest.

Another beautiful weekend marked our Annual Regatta. We had plenty of food, water, wind, sailors, boats, trophies—and fun! Here's an open invitation for 1959.

The championship for Fleet 198 was decided by the last race of the season. The winds did not cooperate for the big event, and the race was sailed in "no wind." First Curt Clark sailing 6461 would pull ahead of defending champion Jack McCredie in 6660,

6660 works upwind, Fleet 198.

and then Jack would drift past the challenger. Three hours after the race had begun 6660 picked up a lucky puff and crept over the finish line a scant fifteen feet in front of 6461. The over all season standings saw Jack McCredie in first, Curt and Bob Clark

in second, and the Samples in third.

Bob Clark won the annual Lakewood Regatta, and George Reading skippering the Sample's boat won a special one day regatta in July. Our Fleet, like many others, has been troubled with disinterest on the part of owners of older boats. Various solutions were attempted this summer, and as a result many special one day races were held. On occasion the older boats would be given a handicap of five minutes, and other times they would race with the newer boats. Round robin races were also held in which boats were exchanged for the day. As a result of the new interest shown to the older boats, the owners have responded with regained enthusiasm. Next year more and different varieties of specialties will be held. The winner of the season trophy for the second division Lightnings was Campbell Brandon sailing in 2758.

The Labor Day series was won by Jack McCredie. J. P. Jones placed second in the annual event. The Clark's held a great party to start off the four race series and donated trophies to the first

and second boats.

Bob Birmingham took to the regatta trail and turned in many outstanding performances. The two most noteworthy are his winning of the Central New York Yacht Racing Association Regatta, and after qualifying at the districts, placing tenth in the President's Cup series.

Next year we are looking forward to more enthusiasm from all of the boats, and another close series. The return of President's Cup winner Dick Karslake will add even more competition

to a prospering Fleet.

Our season was successful but rather short because of absence of owners of boats.

Our Club had a regatta with the Leland Yacht Club the second weekend in August, with Leland taking first place and our fleet champion, Mr. Kroehler, taking second.

Fleet 205 is continuing to grow both in numbers and stature. Several boats changed hands during the year; two new ones were purchased; and one new one is on order for delivery next spring. Twenty-five championship races were held with the 19 best individual performances counting toward the championship. Lennart repeated as Fleet Champion, with Harris Squire close on his heels. Four conventional trophy series and two handicaps were held during the year. The Tune-Up handicap series was captured by Lennart with Flanagan second. Standings in this series are based on performance improvement between each of 4 one-lap races.

The Reicher Memorial Trophy was claimed by Flanagan with the two new boats, Groom's and Squire's getting second and third.

The Tulsa Bronze Series was taken by Squire, with Lennart second, and Hunt third.

After the Tulsa Bronze Series, six of the Tulsa boats trailed to Western Hills Lodge at Lake Ft. Gibson for the Central States Lightning District Championships. The Fleet did quite well. Flanagan and Lennart tied in points, with Flanagan taking the trophy. Half of the first 10 places were taken by Tulsa boats.

The Standard Magnesium Series was sailed in light and variable winds the first week-end in August. Restless, with Harris and Dorothy Squire smelling out the winds, was unbeatable in this series.

The Handicap Trophy was sailed for during the Labor Day week-end. The boats were handicapped on the basis of performance to date during the season. Harold Tidwell, sailing 3419, saved his handicaps beautifully and took the trophy. Second and third places were taken by Rod and Edna Hall sailing in #439, and Tommy Flanagan.

The second week in November closed out the sailing series with the Ziegler Trophy on the block. Competition was very keen with Lennart taking first; Flanagan second; and Westgate third. The last race in this series was the best of the season. Boats changed positions on almost all legs and all contestants were practically within hailing distance at the finish.

Competition will undoubtedly be very keen next year. Rod Hall, who purchased "C" Wolf from Coman-Caudle and renamed it Rodna, had it going very well at the end of the year. Charlie Westgate, who joined the Fleet this year, was breathing down the winners neck in practically all the late season races. These performances, combined with the Coman-Caudle new boat next year, plus continued improvement by other skippers, should make the 1959 season extremely interesting.

We sail on the Tulsa City water reservoir, which is not too big. However, the size is compensated by the fact it is in open ground. The winds are frequently strong, and always shifty. Next year the multi-colored spinnakers on all the boats will present a beautiful sight and we expect some will probably get wet. We are all looking forward to seeing Tommy Flanagan's gold spinnaker with a six-foot green shamrock. It should blend very well with his green boat, green car, and other Ireland appurtenances.

Fleet 207's proudest possession—the new hoist.

Purely from the standpoint of racing and social activity, the 1958 season was an outstanding success for Fleet 207. Competitive interest was keen, more new boats were added to the fleet, and series standings were juggled considerably from previous years. The social program included numerous post-race beer sessions, several dances, a wiener roast, and ended with a gay season-end trophy awards party. For individual fleet members, however, the past season was marked with an unusual number of personal disappointments and in one instance near tragedy. Whatever else it might have been, there is no denying that the 1958 season at Northeast was exciting!

Starting the season early for the third consecutive year, Jon Ruhlman and winter crew Harry Williams and Max Lekson again trailed RULER over the long haul from Cleveland to St. Petersburg for the Mid-winter Lightning Championship series on Tampa Bay. Although placing well out of smelling distance of the hardware, RULER at least added another credit to her turbulent history by completely shattering her spinnaker pole on one of the famous St. Pete spinnaker reaches.

The start of the racing season in June saw a lineup of eleven Lightnings at Northeast. Rev. Frank Hutchings and Dr. Dick Wallen were new entries and Al Thomson commissioned his recently acquired GAEL II. The Lekson-Hoegler combine started off in traditional fashion by pushing LA BICHE to the winning spot in the first three Sunday races, but their glory was short-lived. Soon after, they were beset with bad luck from which they never recovered sufficiently to regain the Fleet Championship which they had held through two previous seasons.

After a few weeks of spinnaker spasms, Ruhlman and his newly reorganized crew of Billie Keeler and "Cappy" Capadona got RULER rolling and then the fur began to fly! In the meantime, Phil Schloss's BLACK CLOUD was running away from the fleet with disturbing frequency under the well-trained helmsmanship of Lou Ruscitto, and the Wednesday series was anybody's match.

The annual NEYC Stars and Stripes Regatta saw attention again focused on the Lightning class with RULER and LA

BICHE battling it out as usual, but with Eugene Wood and his crackerjack junior team from Edgewater Yacht Club making life difficult for all concerned. The final race was great for the spectators but hard on participants with erratic winds and close play at the marks testing the mettle of skippers and crews. Coming from behind three times in as many legs, RULER finally got the gun to take the race and series only to be subsequently protested out on a port-starboard incident, leaving Lekson, Wood, and Phil Schloss to pick up the silver in that order.

The traditional NEYC Long Distance race in August was sailed over a sixteen mile course in 25 mile per hour winds and rising seas which started the eliminations before the boats left the docks. Crossing the starting line fifteen minutes behind the other fleets, the Lightnings were mingling with Universals and Star boats be-fore the eight mile weather mark was reached. On the run home, Ruhlman had left all other competition more than a mile behind and was planing well with spinnaker drawing hard when RULER suddenly rounded up into a wave trough and rolled over ignominiously into the heaving sea. Crew was put aboard a Coast Guard patrol boat which was quick to arrive on the scene, but it was not until long after the rest of the fleet was safely back at the club and long after the rest of the fleet were bedded down, that Jon and RULER, having spent three hours in Lake Erie fighting a losing battle against the elements and the U. S. Coast Guard, were towed into Northeast harbor, spars shattered, decking torn loose, spinnaker ripped to shreds, and framing and seats ripped out. As this mess of splinters and tangled rigging was hauled ashore, there were few who thought that RULER would be back in contention before next season, if ever.

Six days later, however, having worked twelve hours a day splicing the spar, repairing hull damage, and re-rigging, Jon had RULER back in the water, and the following Wednesday came from behind to win the race and clinch the Fleet Championship. The rest of the season saw RULER consistently out in front, eventually winning the Championship with the greatest point margin in recent years.

A total of twenty races were completed in the Wednesday and Sunday Series. Ruhlman was the Wednesday series winner with Phil Schloss and the Lekson-Hoegler team placing second and third respectively. Laurels in the Sunday series went to the Lekson-Hoegler syndicate, with Ruhlman a close second and Schloss third. Ken Rehor had a firm hold on fourth spot in both the Sunday and Wednesday series.

In addition to the St. Pete classic, traveling Northeast skippers attended the July Fourth Regatta and the Ohio-Indiana District Championships at Pymatuning Yacht Club, the Forest City Yacht Club Regatta, and the Lakeside Yacht Club Regatta, failing to show well at the former, but winning both of the latter.

The Trophy Awards Dance was held in November and was well-attended by skippers, crews, and guests of all fleets represented at Northeast Yacht Club. Due to the large crowd and cold weather anticipated, the floating ballroom of Lakeside Yacht Club was "borrowed" for the occasion. Jon and Barb Ruhlman were traveling in Europe at the time but the Schloss perpetual Championship Trophy was accepted by crew members Capadona and Billie Keeler. The Runner-up award was presented to LA BICHE skipper Lud Lekson. The perpetual Long Distance Race Trophy was also awarded to the Lekson-Hoegler combine.

It may truthfully be said that the 1958 racing season at NEYC was characterized by Lightning events which were fiercely fought and fairly won. It is this type of competitive interest which we hope will eventually spawn some national winners from Fleet 207. For the present, however, we are content to look forward

The Atwood Yacht Club racing season started May 25th with

a full schedule of races thru October 12th.

The Commodore Race was held on Memorial Day in perfect wind and weather. The traditional race to the Atwood Dam was the course, with John Rundt leading the fleet home and Tom Mc-Cain and Karl Rollius following in second and third respectively.

On August 10th the annual crew race was held as the skippers turned over the boats to the crew members. Betty Davis was first over the finish line. Susan Rollius took runnerup honors and

Ralph Gerrard was third.

A series of five races were held August 24th, 31st and September 2nd, to determine the fleet champion. First place honors were taken by John Rundt, second by Tom McCain, and third by Bob Vredeveld.

The Yacht Club held it's 8th annual Harvest Moon Regatta on September 13-14th. The regatta attracted 78 boats, 28 of which were Lightnings. First place was won by John Mueller of Cleveland Yacht Club. John Rundt of Atwood took second, and Ralph Powless of Leatherlips Yacht Club took third.

Ed McCain, our fleet captain this year made the races very interesting and exciting by devising a different course almost every week. This really gave the sailors a chance to prove their skill in

plotting their course.

During the course of the summer, obstacle races were held. These races were a lot of fun and were held as team races. Competition was between the red team and blue team. The losing team had to treat the winning team to lunch. One of these obstacle races ended in tragedy as a squall of about 50 m.p.h. hit the fleet. Mrs. Len First, Paul Chenot, and Commodore H. J. Deal turned over, while the rest of the fleet was blown ashore.

On November 8th the annual Sailors Banquet was held. At this time the sailors received their hard earned trophies, which were certainly worth sailing for. After the trophy presentation, a short sailors meeting was held to elect the 1959 fleet captain and secretary. This banquet brought to a close another very successful sailing season.

Our Lightning Fleet is still experiencing a very frustrating existence. In numbers we are the largest fleet of our Club but the response of owners in turning out for the racing or weekend Regattas was disappointing. However, we had more enthusiasts than the previous season, so 1959 should see a further upcline.

Our top sailor, Bill Dunnington in "Godiva" whose performance, was consistently good, was winner of most all the Lightning awards, including the Club's all Classes Trophy, on handicap. This was a real achievement because he was up against top sailors from the other competitive classes. A team of Lightning Juniors distinguished themselves to become Sears Cup finalists.

Four boats from Ottawa (Brittania) visited our area for the S.L.V. Regatta, and offered some stiff competition, but Bill Dunnington in "Godiva", was able to overcome the Challenge. Ted Wilson took the "Jane Ann" to Brittania, only to receive the same treatment from the local enthusiasts.

We hope to have some pre-season meetings to plan the com-Skippers.

ing season, which should prove an active one for all Lightning

The Saginaw Bay Lightning Fleet #216 opened the season over Memorial Day week-end with three tune-up races. We had ten boats out with three visiting boats: "Buzz Morley from Higgins Lake, Ed and Bill McKinley, and Herb Cox and Marv Mallon from Tawas Bay." Charlie Anderson earned the "Indecent Exposure" award in the first race when he turned over while

jibing his spinnaker. Marv Mallon was in first place after three hard-fought races, with Joe Dissette second, and the McKinleys third.

In our next race, George "Whistler" Villermain, who claims he's never heard of dacron sails, came in first.

After Dr. Jim Cooper showed his transom to the fleet in the next race, we went into the 4th of July Regatta, sponsored by the Bay City Yacht Club. The first race was won and lost over the bar when it was postponed because of 40-mile per hour winds. There were two races on July the 5th, the first won by Joe Dissette, and the second by Chuck Requadt. The final race on July 6th was won by Jim Ault. The Regatta trophies were awarded to Chuck Requadt with 42½ points, Joe Dissette with 41¼, and Jim Ault with 38¼.

A few of the boys spent the next week or so getting their boats ready for the Tawas Bay Invitational Regatta and the Michigan District races.

This year was the first time in several years that the Saginaw Bay Fleet has had any boats representing them in the Michigan Districts. Dr. Jim Cooper, Joe Dissette, Dr. C. Chicky and Jim Ault raced this year and, although no one was outstanding in the races, we all had a wonderful time and expect to be back next year.

Heavy weather stole the show in the annual Bay City Yacht Club Regatta. Vic Carpenter, sailing the "Ultra", took home the big hardware, with Dr. Chicky placing second, and Joe Dissette third. In the second race, Chuck Requadt broke his tiller, and mast trouble forced Dr. Cooper to drop out. Dembouski and Raeck brought 2900 in half full of water, and Reinbold was almost swamped when he crossed the finish line.

The annual Labor Day Regatta, sponsored by the Saginaw Bay Yacht Club, started out with Dr. Chicky winning the first of a three-race series. Chuck Requadt won the second race and Dr. Cooper took the third. Overall, Jim Ault finished first with 39 points, Chuck Requadt second with 38½, and Joe Dissette third with 38.

The rest of the season's races were to decide the season's winners. The results were:

1st-Joe Dissette

2nd-Jim Ault

3rd-Chuck Requadt

4th-Dr. C. Chicky

5th-the Syndicate (Ladwig, Harmer, Wortman)

All in all it was a very eventful season with a lot of friendly (?) competition. Our hat's off to the Syndicate (Ladwig, Harmer, Wortman) who never missed a race all season. Our future looks very bright due to two outstanding facts: the many new and different boats coming into the Saginaw Bay Fleet, and the many skippers who are having their sons crew for them. More power to our younger generation of Lightning sailors. Our bright and optimistic outlook for the 1959 season is spiced by the addition of these new skippers:

The Brigantine Yacht Club Lightning Fleet again had a summer series of weekly point races which was won again by Commodore Edwin Hance in his Thunderbird with his wife and ex-Commodore John Lucey as crew. He also finished 2nd in our Annual South Jersey Lightning Championship Regatta against strong visiting competition.

Our Eighth Annual South Jersey Lightning Championship Regatta was won this year by Dave Shay flying the colors of the Metedeconk River Yacht Club. Dave had tried several times before, often finishing close and this time he won the Championship with 35½ points for the three races to 32 points for Ed Hance. Francis Gray of the Surf City Yacht Club tied Ed Hance for points, but was third in the scoring. In fourth place was Howard Mullin, piloting the Tackless under the colors of the Surf City Yacht Club, and Robert Morris, Jr., of Cape May finished 5th after winning the first race and having an unfortunate accident which hurt him in the second race. The race was sailed this year in rough waters with stiff northeast winds which resulted in four boats being disqualified and several accidents which reduced the entries as the several races proceeded.

We welcome a new Lightning owner this year in Ed Budd, an executive of a local utility company. However, the large increase in the cost of Lightnings in recent years has slowed down the growth of our Fleet. We wish that something could be done to prevent further increases in cost. The expensive new boats of recent years are pricing many out of the Lightning market.

The Ninth Annual 1959 South Jersey Lightning Championship Regatta will be sailed over our beautiful deep waters in Brigantine Bay right in front of our Clubhouse the weekend of August 22 and 23. All skippers are invited to attend. This winter we are enlarging our Clubhouse with substantial funds subscribed by the members and we shall have better facilities than ever to make you welcome in 1959.

After three bad summers, we had a fine sailing season this year. Two boats of our fleet participated at the Swiss District Championship on the lake of Sempach.

We regret that three boats have left our fleet. One boat has been sold, and Mr. Fullemann (Lightning Pluto) who is sailing on the "Greifensee" near Zurich, is forming another fleet there. Nevertheless, we hope to see Mr. Fullemann again on our lake next year. There was also a new member joined our fleet, Mr. Max Kopp with Lightning "Ariel".

Bob Spitz, Fleet 222 Champion, at the tiller with crew Bill Hockelman and Barry Spitz.

Fleet 222 completed a most successful year, continuing to grow in numbers, enthusiasm, and even some of us in sailing ability.

The season started with a well-attended January meeting when our 1958 officers were elected and plans were made for the season. Everyone enjoyed the film of the 1957 Internationals and resolved to be really ready for the season.

A major fleet improvement was the purchase of an electric hoist for the crane. This plus the contribution of a concrete ramp by Elio Largura and the installation of underground wiring by Bill Hoch made it possible to dry sail, which about a halfdozen of the newer boats promptly began to do.

John Primich has been improving the design of his permanent course marker buoys each year and this season evolved a really successful design. Now if we can just get the miscellaneous power craft to treat them more kindly, we will be in good shape.

Our fleet took responsibility for planning the Gary Boat Club Sailor's Dance this year. The decorations by Jean Gerrometta, Ruth Largura, and Mable Joseph were the sensation of the season and contributed greatly to the success of the party.

Despite the low level of Lake Michigan and lack of rain, creating some harbor problems, we had a fine season. The official series consisted of eight races. Harry Spitz injured a leg early in the season and spent most of the summer with it in a cast. Son Bob took over and won the Carr-Primich Cup as Fleet Champion, sailing with his brother Barry, and Bill Hockelman, as crew. Wally Frank was runner-up and Tony Remich third. George Murphy (a solid last in '57) with sons Jim and John for crew, was a real sensation sailing his new "Shamrock" to a fourth for the season. He was followed by Primich, Orr and McKinsey. We were greatly in debt to Paul Cullen, our excellent Chairman of the Race Committee, who supervised from the decks of his new River Queen, ably assisted by Harriet Primich and Harry Spitz. As can be noted from the roster, we have acquired some new boats such as Orr's Orrkid, Murphy's Shamrock, Largura's . and Hettema's . . . . This was the boat displayed at the 1958 Chicago Boat Show. Art is a convert from Rebels and is coming along. Of course, he had a few problems, but don't we all! Don McMillan did a really beautifully hull job on Fury, including glued bottom joints and a very fine enameled racing finish. He's developing young sons Sandy and Richie as crew. Give them a little more experience and Fury will be up in there. Maybe '59 is the year!

Speaking of such problems, Harry Spitz must have recognized from his perch on the committee boat how some of us lubbers were suffering. Anyhow, he conducted a series of 4 lectures on four successive Thursdays covering the major points of racing sailing. It was most instructive, including the sometimes lively discussions and certainly contributed to the general keenness of the competition down the line.

This was unquestionably our most active season away from home. The annual long distance race to Michigan City developed into a drifter plus a real brisk Spinnaker finish and was won again by Joe McKinsey with his superior seamanship and his usual share of good fortune. What we mean is—he was lucky! Regattas attended by one or more or our boats were the Mid Winter at St. Petersburg, the Great Lakes Invitational at Toledo, the St. Joseph Shakedown (won by Spitz), Port Clinton, Higgins Lake, Devils Lake, Michigan City's first Duneland Regatta and the Red Flannels. Also, several attended the Midwest District Championships at St. Joseph; Bob Spitz, no doubt profiting from his previous experiences with these waters, won. He sailed at the Internationals and, we gather, had a very busy time. We expect he'll be back again one of these days and he will be mighty good competition.

We wound up the season with the annual gathering at the Spa, where all had a good dinner and a great time, listening to Jack Orr explaining why he didn't win a couple of those regattas! Harry Spitz was elected the Fleet Captain for 1959 and will be installed at our January 10th meeting. Gloria McMillan will carry on as Secretary, amidst much fussing and fuming! As can be imagined, we are looking forward to another enjoyable and exciting summer in 1959.

The Sorrento Fleet entered about all season's events with boats Saraco and Fandango. While the second was out of the country for several weeks (see district report) the boat of the Italian Vice President, Cesare Ratti, entered local events skippered by his son Valerio, and a young crew, which certainly shall have the best success in the future.

The seasons end saw a big edition of the Christmas Cup, with 8 boats entering the event. Final standings were:

1st., Fandango #4966—Franco Cavallo 2nd., Vincenzina #6728—Catello Russo 3rd., Turbine #5745—Mario Merola 4th., Tevere #6582—Riccardo Lais 5th., Temporale #4122—Sergio Capolino 6th., Caramba #6699—Mario Mainini 7th., Saraco #4965—Valerio Ratti 8th., Posillipo #6390—Gaetano Pesce

This is what we wish and what we need, the success of young people.

Fleet #225 has had another successful—and interesting—season. The winds this year were quite uniform—either it blew a gale or not at all. Vince Ciliberti took the Sunday Series Plaque and the Averill Apple Blossom Cup. The Saturday Series was revised this year too include ladies and juniors. It was won by Joan Treadwell, who is both.

Another innovation was sailing classes for wives. The full effect of this will doubtless be felt next year—two skippers in one boat, especially if husband and wife, make for interesting racing. The star pupil was Mrs. John Richardson. She won the Northrop "Titanic" Trophy for seamanship and in a few short weeks became a real threat to all the more seasoned skippers.

Some of our skippers tried a bit of regatta-hopping, acquiring no hardware but many new ideas and a host of new friends. We hope soon to solve our housing problem—and get our water back!—so we can invite our friends to sail with us.

As usual most of our sailors went to the Eastern Circuit Regatta and placed in about every division. The Lightnings did particularly well—Tommy Tomlinson won in Scamper and May Robinson placed third.

To cap the season, we finally beat Kingston in our annual team race. Now all we have to do is to get Commodore Northrop to stop being so very conscientious in working for the Yacht Club and get out there and sail Blitzen.

1958 has been a busy year and a year of new events for our fleet. January 4th the opening day of the Annual Sunshine Regatta found a record fleet of 18 boats at the starting line. Two winter visitors who we welcome back each year were on hand, and Alex Carlin took the State Championship. Bill Uhl from Long Island was well up in the first to finish group.

February found our topnotch skippers making preparations for Mid-winters—Charles Kehoe, Howard Foht and Oscar Nelson from the Fleet together with Alex Carlin and Bill Uhl made the trip. As the northern group had indicated they would enjoy more racing while down south than the five race meet at St. Pete, it was decided to start a Grapefruit Circuit—the opening event would be in Savannah the week-end prior to St. Pete and the closing event would be in Miami on Biscayne Bay the week-end after St. Pete. The skipper who accumulated the highest number of points in this three race series was to take home a perpetual trophy to be known as the Alex Carlin Trophy. Freezing weather in Savannah accompanied by heavy winds cancelled that portion of the series. The Mid-winters are reported elsewhere. We played host to Wes Wiedrick, Karl Smithers, Stewart Anderson, Joe Stuland and Johnny MacIntosh. Alex Carlin won the local contest with Howard Foht second and Stu Anderson third, with Howard taking the overall trophy for the most points from St. Pete and our series.

March 1st, the day after the Miami Race, all the boats trailed up to the Miami Yacht Club to participate in their annual Mid-Winter Regatta.

April brought smoother waters to our Bay and the Coconut Grove Sailing Club series got underway—This is a six race series sailed every other Sunday on a 5 mile triangular course. As usual Howard lead the way followed by Oscar Nelson and for a change Dick Bothfeld coming in third.

April also was the month for the Districts held this year in Mount Dora a more central location. Howard, Oscar, Charlie Kehoe and Dick Bothfeld trailed up Johnny Mac, Dave Johnson and Allen Ross came down from Savannah and it was a wonderful meet. The wind blew around the compass at the most unpredictable times. Spinnakers were full and drawing one minute and the next they were wrapped around the mast. Johnny Mac won out with Oscar second and Howard third.

Due to the increased interest in racing and the difficulties encountered in getting race committees to serve, this year the three clubs—Coral Reef Yacht Club, Biscayne Bay Yacht Club and Coconut Grove Sailing Club—organized and formed a Tri-Club series. The first of this series was run off during the four Sundays

in August. Vacations cut deeply into the number of Lightnings on the line, but in the second series sailed on the four Saturdays in November, twelve of the fleet managed to get out. Guy Willett, a new fleet member, and a very new sailor-having only launched his boat in April and sailed since then tied for first place with Sam Zorovich.

As a grand Finale-GUSTY and HONEY owned by Gus Perry and Dick Bothfeld respectively sailed across the Orange Bowl during the half time show of the Annual North-South football game for the Benefit of the Shrine Hospitals. In a scene depicting the wonderful advantages of the South, with sails smartly trimmed the two boats slowly circled the west end of the field amid ohsand ahs from the thousands of spectators.

| Second Place   | Dr. Bellerose  |
| Third Place    | Christie Stagg |

The season opened with the Memorial Day Series which was won by Dr. Bellerose, second place by Robinson Keyes and third to Christopher A. Webber.

The next series on the Fourth of July week-end was won by Christie Stagg followed by Edward Ellis and Don Westebbe.

Labor Day week-end Dr. Bellerose was first, Edward Ellis was

second and Dave Stagg third.

The season closed with the annual State of Vermont Regatta. We had seventeen boats for this event. One boat came from Lake Champlain, one from Oneida, New York and several from

Lake Dunmore. Dr. Eugene Carpenter of Oneida, New York won this event. Ricky Hubbard and Sam Stowell tied for second place.

Several members of our fleet took part in regattas.

Champion of Fleet 228, John Parker at the helm of Lolli-Pop.

Due to pier reconstruction at the Yacht Club, the Lightning Fleet began the racing season in mid-June. Sailing in both windy and calm air, John Parker in "Lolli-Pop" emerged in first place in the Club Championship Series. Dale Allen in "BT" took second place. Bill Bauer skippered Tom Rice's boat "Rene-Tom" with Tom as crew and took third place.

The Governor's Cup Regatta this year was the extreme opposite of last year. All three races were sailed in puffy, fluky air. Every boat in the fleet was in first place at one time or other during the races. Marcy Lippincott sailing "Kon-Tiki" took first place and got the Lopatin Trophy. Tom Coe in "Jade" took second and Bill Washington sailing the Club Lightning "Our Gane" with a sailing class crow took third place. Gang" with a sailing class crew took third place.

The Summer Series was sailed on Saturday afternoons. Bucking the tide and dodging the freighters and dredges, John Parker, again took first place with Dale Allen taking second in the series.

Saturday before Labor Day, John Parker, Dale Allen, Bill Mullen, and the Club Lightning raced nine miles up the Delaware to the Red Dragon Canoe Club to participate in their Labor Day Regatta. Ogg Mattis, skippering "Our Gang" took first place. Bill Mullen in "We Three" came in second and John Parker, third.

"Our Gang", in spite of its low number, has certainly proven itself this year. Of course, we also say 'hat's off' to her very able skippers—she couldn't have done it without them.

In September Don Mount purchased Carake, thus adding another boat to our fleet.

After the Governor's Cup Regatta, Marcy Lippincott traveled from place to place attending regattas and represented our district at the Internationals at Little Egg Harbor.

Joe Serrill from Brant Beach and Dick O'Donnell from Little Egg Harbor joined us in our Fall Series. Due to a few extremely rainy and windy Saturdays, we were unable to finish the series. We did, however, have several very exciting races.

Tom Coe has sold "Jade" and we all expect to see a bright new one in its place next spring.

The sailing on Fern Ridge Lake was very enjoyable this year, do to the extreme warm weather this summer.

The racing is getting very competitive in the Eugene Club. There was just one point between first and second place and three boats tied for third place.

Eugene was well represented at Vancouver B.C. in the Westcoast championship races. In this event, Fleet 229 took first, fifth and tied for sixth place.

In the North West championship Fleet 229 took first, fourth, seventh and tied for eighth place.

The weather was beautiful and everyone enjoyed themselves

very much.

We opened our season on June 29th and ended it on September 8th. Our Race Committee again did a wonderful job. Mr. Goodwin supplied us with a committee boat and a patrol boat every Sunday. Mr. Philips gave us courses which involved much fun and skill.

We again had a hard time getting boats out for the first few races, but soon we were averaging six boats each race. We welcomed two new sailors to our fleet. Both new skippers, Pippi Wick and Pete Goldsmith, accounted for themselves admirably and are threats to the older sailors. Again the fleet championship was fought for down to the wire. Howard Payne and Sue Smith sailing Art Gregg's boat managed to beat Barbara Raymond by one point. Art was in Europe for the summer.

Skip represented the fleet in the Long Island Sound Championship while his sister, Barbara, went to the Connecticut Districts.

In the annual Norwalk Yacht Club—Darien Boat Club Race, we did not do quite as well as last year. Darien took first place and the rest of the places were evenly divided.

On September 1st the annual Sweet Swap Stakes was held. This

On September 1st the annual Sweet Swap Stakes was held. This non-spinnaker race where we all switch boats was won this year by Howard Payne in Skip Raymond's "Triton".

The Milford Fleet started the season with great expectation of keen competition and a possible upset in the Club championship.

Ken Ireland and Stan Burdick were awaiting the arrival of new boats. Burvee Franz had changed boats the previous fall. Bill Conavon had had a years experience with his new boat. Walt Gerstenberger bought new sails. Elmer Lloyd had installed a new centerboard trunk. Minx Bechtel had a new jib and spinnaker. George Raperre and Andy Zylicz had new sails. Don Young put a new bottom in his boat. Norm Borgersen had his

main recut, and the fleet had grown by several boats.

The season was not many weeks old before we could see Ken Ireland, Jr. & Sr. were going to be hard to beat. The enthusiasm of the Irelands was terrific, hardly a day all season passed without the Irelands being out for a sail or a race if anyone was around to brush with. Ken and his family competed in the Lake Winnipesaukee Annual Invitational Regatta, the Early Bird Regatta at Niantic, Conn., the District Eliminations in Southport, Conn., and the Long Island Sound Championship Series at Noroton, Conn. Ken, Jr. skippered his dad's boat in the President Series at Little Egg Harbor and finished in second place.

Bill Donovon found the right combination for his boat and

ended the season in third place in the Club Series.

Charlie Echeverria was convinced that he was jinxed on Saturdays and ended up in fourth place but in the Sunday series he couldn't do anything wrong and wound up first. Charlie ended up with second in the Club Series.

Walt Gerstenberger our club champ for the two previous years,

was third in the Saturday series.

Burvee Franz our champ this year was runner-up last season. Burvee our tide and current expert, showed that it pays to be in the right place at the right time.

The 1959 season will see the addition of at least one new boat to our fleet. Warren Hyde has purchased a new hull and will spend the winter months getting ready for the new season.

We look forward to a new season with more boats at the starting line, which should make for keener competition, and enough wind to satisfy every sailor.

All of Fleet 242 took part in the Governor's Cup Regatta on May 30, 1958. We were honored to have Gene Walet III, New Orleans, Louisiana sail Lightning Number 6563 in this regatta. Gene showed us all how a boat can and should be sailed. He had no difficulty in winning against a fleet of 15 other Lightnings. Gene has promised to return to sail in our Governor's Cup Regatta this May 30, 1959.

At our fall regatta in September we had a three-way tie for first place in the 13 boat Lightning Fleet. Dr. Cully Cobb of Nashville, Tennessee, Ross Bryan of Nashville and Bill Schwartz of Topeka, Kansas, each won a first, second and third place. This made a tie for first and duplicate trophies were awarded.

We are very happy to welcome a new addition to our fleet—Grace and Carlos Brewer from Clarksville, Tennessee, sailing No. 6690.

Lightning Fleet #243 at Lake Dunmore, Vermont, really came into its own this year for the '58 season. Great interest was shown! Skippers literally spent hours tuning their boats, measuring this and that, wet-sanding bottoms, helping each other, etc. In general, they tried their best to improve everything:—their boats; their crews; their racing tactics; their use of our lake's peculiar wind currents; their knowledge of sailing, racing, and National Light-

ning Rules; and, last but not least themselves. All things considered, we had a most successful season, and next year promises to be even better!

A series of races Saturday and Sunday afternoons were held each week-end from July 4th 'till Labor Day, weather permitting. Out of a fleet of 10 Lightnings, 8 competed consistently and sometimes were 9 or 10 boats in the starting lineup. The use of spinnakers was voted legal on Dunmore this year, and this added an extra bit of fun and frustration to skippers and crews alike.

Bob Holden in his new Lightning "Quo Vadis" was the winner of our summer race series. Bob finally decided to part with his Catamaran last June, and see what he could do with a Lightning. He succeeded in piling up 135 points for the season as Fleet Champion, and amazed all of us by his ability to plane with spinnaker flying. Runner-up was Dr. J. Seeley Estabrook in "Cum Ci, Cum Ca" with 100 points. Third place went to Dick Hubbard in "Pollywog" with 98 points, and fourth to Guy Seager in "Sharon Lee II" with 76 points.

Our Junior sailors held a series of handicap races with all class boats Saturday mornings throughout the summer. Ricky Hubbard in "Pollywog" was champion of this series, and John Dick and his Comet, runner-up.

In September, four of our boats with skippers and crews from Lake Dunmore competed in the Vermont State Regatta at Bomoseen. In spite of very little wind for sailing, we all had a wonderful weekend mingling with our Lightning friends of the Bomoseen Fleet, and such skippers as Dave Shay of New Jersey and Dr. Carpenter of New York. Dr. Carpenter and his crew won the title and trophy away from Dr. Bellerose of Bomoseen this year. One of our boats, the Pollywog, skippered by Ricky Hubbard with Billy Brown and "Stewie" Saeger as crew came in second. This was "extra special" for us all as these boys are all Junior sailors, and it's the first time a boat from Fleet 243 has placed near the top in our State Regatta.

We're all looking forward to an exciting season of racing next summer, and I'm sure the rest of our fleet joins me in hoping that we'll become masters of the spinnaker.

The 1958 sailing season witnessed great activity and growth by Fleet #244 as we sailed a tense nine race fleet series. We welcomed both Hugh Saunders in Gardner Brown's not-so-old ENCORE and the Burwells in their new NEXT OF KIN to our waters.

Competitive spirit began to run high from the moment Jack and Brian Burwell ceremoniously unveiled their self-built wonder, #6697, at a christening ceremony in June. Other fleet members apprehensively scurried back to their own crarft for an extrasmooth bottom paint job, new sails, or brummel hooks for the spinnaker sheets in an effort to meet this challenge. After some of the best races sailed in our part of the bay, Jack & Brian presented the best six race total by  $2\frac{1}{2}$  points and we had a new fleet champion, trailed by Dalene Powers in NIPPER and the Henshaw's SANDPIPER.

The fleet also did well in its "extracurricular" racing—both with the rest of Harraseeket Yacht Club and elsewhere around Casco Bay. HYC's second annual Jewel Island Punch Bowl Race, a ten mile handicap affair open to all classes with a staggered start from anchor with sails lowered, was captured by Dalene Powers in NIPPER, closely followed by Jack Burwell in NEXT OF KIN. In the two-day Casco Bay Interclub Regatta, held by Orrs and Bailey Island Sportsman's Club in Harpswell Sound, the everthreatening NEXT OF KIN took second place over all. Fleet Captain, John Henshaw finished fifth overall. Harry Parker returned to Lightning sailing at the helm of the EGA BEVA to take a second in Saturday's race, and perennial victor Gardner Brown finished first over all. Brian Burwell, one of our hot young

juniors, left NEXT OF KIN for the weekend and guided a borrowed turnabout to a second place over all despite capsizing on Saturday to help bring the Garnett Trophy for the highest point total of a competing club to Harraseeket Yacht Club.

The Mallory Cup crew of Harry Parker, Henry Douglass, and Gardner Brown won the State of Maine Men's Championship Hutchinson Trophy. The Sears Cup crew was also an all-Lightning sailor team of Caroline Rhoades, Hank Parker, and Brian Burwell. The Junior Regatta and Skipper's Race, annual round-robin events that wind up the sailing, were also won by fleet members. The Junior Regatta proved Brian Burwell winner, followed by Caroline Rhoades and Hank Parker. The Skipper's Race gave the winner's gun to Dalene Powers, with a close second to Jack Burwell and third to Harry Parker.

As ice forms on the bay and sailors read RACING TO WIN by the fireplace, we think of the "if's and buts" of 1958 and itch to be the first around the windward mark come summer.

Due to variable but excellent weather and increased competition, our fleet enjoyed its most successful racing season in its history. Not only were we overboard earlier than before, but informal racing at every opportunity was the order of the day prior to the formal opening series. Whit Ide and his wonderful crew in Whit's beautiful "Black Hawk" really pressed Paul Urion, a first year Lightning Skipper, and his crew in Paul's lovely new "Trident II" which won the New England Championship in 1957 as Dick Price's "Celeste", in the preliminary tuning up races. Larry Guild's "Nimbau" opened up where she had left off in the 1957 season by pacing the Fleet to a first in the opening

Larry Guild's "Nimbau" opened up where she had left off in the 1957 season by pacing the Fleet to a first in the opening series race of June 29th, followed by Urion's "Trident II" in second place, and Art Dwyer's "Spalpeen" in third. On our annual Fourth of July Race, Guild's Nimbau was again first with Whit Ide's "Black Hawk" a close second, and Pete Wells' "Repeat" third.

Our Fourth Lake Winnepesaukee Lightning Championship Regatta was held the week end of July 12, and July 13 with more than 25 entries from all over New England, for the three races. Lou Pocharski skippered "Shot Straight" to a thrilling first place, which was not finally decided until the last "puff" of the third spinnaker leg of the third and final race. This was Lou's second consecutive W.Y.C. championship, and Marblehead Harbor Fleet #189 is to be commended for this fine victory. Fred Harris, "Mr. Lightning of New England" was second with his "Sandy Kay" and this grand young man of sailing is real credit to our Class. Art Ries' "Skoot" was third and he too demonstrated the highest ideals of sailing sportsmanship in all races. Whit Ide was chairman for this wonderful week end and his cocktail party on Saturday was a real success. The Saturday Dance left little time for sleep, and the chicken barbecue after the last race on Sunday was the perfect climax to a real week end. Art Dwyer was first for the Winnepesaukee Yacht Club in this Regatta and Whit Ide was second with Ken Taylor third.

Following this Regatta, the Lightning skippers of Fleet 246 decided that the time had come for more practice if we were to do something about our poor Regatta showings of the past. Accordingly, we sailed two Sunday races for the rest of the season which was of great help to all of us evidenced by the fact that Urion's "Trident II" placed fourth in the wonderful annual Massabesic Regatta, and Ken Taylor a close fifth.

From July 20 until our final race on August 31, the fleet was really active racing. On July 20, Urion was first with Larry Guild a close second and Pete Wells third. The first twin race of July 27th saw Urion first and second with Pete Wells second in the first race and Larry Guild first in the second race.

On August 3rd, Clint Ropen beat Urion by a whisker in the first race, and Doug Allen beat Urion again by a whisker in the second race. On August 10, Urion took two firsts with Doug Allen taking two seconds while Whit Ide and Larry Guild each had a third. On August 17th, Urion again had two first places with Larry Guild and Doug Allen each splitting a second and a third. Clint Roper had a first on August 24th as did Doug Allen while Urion split a first with Clint Roper.

In the final race on August 31st, Urion's "Trident II" took first to win the Championship for the first time in his first year of Lightning competition. Larry Guild was a very close second and Art Dwyer was third for the season just ahead of Pete Wells who was fourth.

Our only casualties during the season was a dismasting by Pete Wells and Art Dwyer during our first informal race with the Juniors in a very puffy breeze, on August 9th. We hope that next season we will have more of these races in order to bring our juniors along faster, and, by so doing, continue to promote interest in this great class.

Larry Guild went to the New England District on August 3rd, and next year we hope to have a larger representation for this Regatta as well as the others.

May the winter months be quick so we can see you again soon in the spring.

Fleet #248 was reactivated this season. Interest was revived by three new members, Roland Glenn from Darien, Conn., Edgar Baker from Waban, Mass., and Phil Rand from Needham, Mass. Two of the new comers were elected to offices at the fleet meeting in late August.

The regular seasons series started off slowly. Many times the new members had difficulty in finding the marks. The shifty winds didn't help any either. They baffled all including the race committee. There is still some question as to who was right about the controversial windward leeward courses. But the decision of

the race committee was final for sure.

In the Fourth of July Series Roland Glenn swept first place with three firsts. Jean Worthington was second and third went to Gordon Hull. In the July Series Roland Glenn took an easy first as no one seemed to be able to provide any competition for him. Again Jean Worthington came in second and Gordon Hull finished third. In the August Series Roland Glenn in his boat, "Roellie", was again invincible. Tom Botsford placed consistently but only took second place. Third place was captured by Phil Rand in his boat, "Surf". With all the boats in top racing condition the Labor Day Weekend Series was the hottest battle of the season. In the first race Phil Rand edged out Roland Glenn for first. In the second race the good spinnaker handling paid off by able crew Ben Hersey. He made the difference as the "Surf" pulled ahead of the "Roellie" for another win. The final race saw a shift of wind that turned a beautiful windward leeward course into two reaches. Tom Botsford had the advantage when the wind shifted and he went on to win followed by Phil Rand. The final standings for the series were Phil Rand in first position. Next was Roland Glenn just squeezing out Tom Botsford by only two points for second place.

In outside competition our fleet didn't fare too well. Our best was only a third by our fleet captain at the Eastern Point Regatta. With all the new interest injected in this fleet by the new members next year we expect to do better and be more active.

In conclusion Fleet #248 wishes all skippers and crews of Lightnings everywhere pleasant sailing for the coming season.

In the beginning for the 1958 season the fleet registered the transfer of the Lightning KON TIKI to the new skipper Dr. O. Huser and in autumn SIDIAN was transferred to Rudolf Geiser.

Fleet 250 has not had intense activity during the last year. Besides the fleet championship the most important event was the National Lightning Championship of Switzerland, which our fleet had the honor to organize this summer. On Saturday, July the 5th, 16 crews from the 5 fleets of the Swiss District started to the

Swiss District Championship 1958. Distribution of prizes.

races. As in the last years, this time the sailor of the Fleet des Troit Lacs (169) and de al Borde de Tribord (268) sailed in a superior manner and competed very hard for the first places and for the challenge given to the three best boats of the same fleet. It was won again by the Fleet of the Borde de Tribord (268).

The Champion of this District competition was J. P. Matheez on ANAHITA (169) followed by J. P. Weber on SANTA MARIA (268), Th. Moeckli on TONNERE DU BREST (268), Cl. Lambelet on GAROUPA, Ch. Nicolet on LA RAFALE (268), L. de Pourtales on DAMALO (169), H. A. Luthy on QUAND-MEME (250), E. Fullemann on PLUTO (219).

The Fleet is looking forward to another fine year in 1959 and has the prospects of counting one or two new boats among its regular active members.

Although we had a successful season, it began rather slowly because of bad weather. Our weekend sailors were frustrated by rain and thunder storms, and we were to get in only a few races during July. However, during August the weather improved and so did the wind. Labor Day brought on 25 mile-per-hour winds, which left a number of boat owners with extra work this winter repairing broken masts and fittings.

George Kalinich continued his mastery of the fleet and easily retained his championship. Ted Daddow was runner-up. Others would have pressed them harder if they had been able to get to all the races. Percy Orr's bid for honors was stymied by a three week trip to Australia. Jim Rader and Paul Darling had such a hard time getting to the lake that they are talking about joining forces next year. Gerald Early had so much crew trouble that he was often forced on the E-scows.

Hank Young sneaked home rather than get thrown into the Lake after he won his first race. He didn't get a chance to win again because he and Will Lewis both had to sit out the last races of the season due to a broken mast and damaged rigging.

Hal Jackim missed much of the season so that he could finish studying for his doctorate. Now he can concentrate on his major research project—how to get that boat going!

The season ended with a family picnic, picture taking, annual meeting and lots of plans for next year.

The 1958 racing season saw new and used boats brought into our Fleet and boats sold to members within the group.

William G. Ridgeway, M.D.

Large increase in dry sailing occurred because the Susquehanna Y. C. installed an electric hoist and was much appreciated by all.

We also have a plaque on the Club wall showing the winners

and runners up for each year since our inception: 1953.

What with good sailing weather all season and the increased skill of our sailors everyone agreed it was the hardest fought

series of races we ever had.

We hope to interest members in taking their boats to other

meets held in our District in 1959, as nothing was done in 1958. At the moment of writing we expect 3 new Lightnings to join the Fleet with no losses of boats for 1959.

The 1958 season opened on June 7 with an intra club race and continued through September 7 with the final race of the season against the Norwalk Yacht Club Fleet 230 in our Annual Buoy Perpetual Trophy Race. The final race was a fine occasion for our fleet as Henry Kreider in Jao-Ken won the race and gave us possession of the trophy for this year. This final race was typical of the increased activity of our club during 1958. Only seconds separated the boats at the finish which was a considerable improvement over the previous year. Our entire 1958 season was highlighted by many hard fought races.

The consistent good sailing of Luin Fitch in his Zepher gave him a well deserved fleet championship for 1958. Fleet Captain Luin Fitch was consistently a winner against determined competition. Week in and week out he sailed and exposed his top position to challenge by the rest of the fleet. Our runner-up was Walter Hanson in his first year with the fleet. Walter migrated east from the Minneapolis, Minn. area and taught some fancy fresh water sailing tricks. He had his work cut out for him as he was challenged by everyone in the fleet in their futile effort to beat Luin Fitch. Warren Smith in Buttercup finished third followed by Mayer in Pallette and Kreider in Joa-Ken. Although the above were the only ones to qualify for the season; Armstrong, Snowden and Madsen frequently headed the qualifiers in races in which they appeared.

Jim Snowden in Avenger returned to competition late in the year after completing repairs on his boat. He will be giving us all a rough time in 1959. Our race committee chairman Larry Vose was with us again this year ably assisted by Mrs. Vose. They have both made it possible for us to enjoy an excellent program of well run races. In their infrequent absence various members of the Darien Boat Club filled in for them to give us

excellent assistance all season.

One of the most interesting events of the 1958 season was our January meeting at which Bill Cox 1957 International Champion talked to us on racing tactics, boat care, tuning, sailing dynamics and equipment. His ability to convey his superior sailing skills to our group was outstanding. His talk began at 8:45 and continued through mid-night (Host Kreider turned off the lights). Much of his talk was put into practice in our racing season. In late June and in August we were invited to race with Bill Cox's fleet the Noroton Lightning Fleet 134, and we were treated to the practical application of his theories. After this experience we knew that much work was ahead before we approached his high level of performance. Luin Fitch turned in a good performance by finishing with the leaders in the four races we raced with them

by finishing with the leaders in the four races we raced with them. Our 1959 season promises the best results yet. We will have at least 20 boats with over one-half of them expected out for every race. We welcome on board the Staubs, the Fenichells, the Dorseys in Fleet Captain Armstrong HMS Pinafore (Jack has a new boat for the coming season). Other newcomers who are most welcome are the Bowenkamps, Wilsons and Bill Brown who returns to us from fresh water sailing the past two years. Our picnic program was hampered by bad weather in 1958 but will be back in high gear in 1959 provided the weather gives us a chance. The Sea Scouts join our fleet in two excellent boats in 1959 the result of a generous gift from Dr. McCurdy. Our annual dinner which was held this year for a good turnout will require a "hall" next year to hold the many new members we will have with us.

Due to increased participation in Y.R.A. racing, intra-fleet events were limited to one championship series run over the weekend of June 28th and 29th. This series was won by Dr. Seymour Hordell in "Gold Crown" with Al and Teddy Winslow as runner-up in "Hassle". These boats represented the fleet in the Western Long Island Sound Districts August 8th and 9th. About our showing in those (with halyards running up masts and a

completely missed finish line as part of the general confusion) the less said the better!

In spite of a very windy week with racing cancelled one day and in doubt on another, we had good fleet representation in Larchmont Race Week. The Winslows' "Hassle" taking second

place in division two Lightnings.

The season ended up with our annual party featuring a roast beef dinner and dancing at the Mamaroneck Beach Cabana and Yacht Club on December 6th. The Commodore Rodemich trophy was awarded to Seymour Hordell for the Fleet Championship and the Commodore Schwartz Memorial trophy to Lewis Kleid for having done the most to promote fleet and racing activities over the years.

The second year of sailing on our newly formed lake ended with our fleet still growing, new boats being registered by Wesley Dyer, Jim Brown, Richard Jones and John Cobb. Carlos Brewer and Greer George will sail at Kentucky Lake this year. Arnold Anderson and Bob Llovet bought Jack DeWitt's SEA GAL. Two members of our fleet, Dr. Cully Cobb and Ross H. Bryan started the season early by attending the Winter Championships at St. Petersburg where they placed 32nd and 44th respectively, in a fleet of 59 boats. It was a worthwhile experience and much was learned about maneuvering in heavy traffic.

In addition to our spring and fall series of five races each, we had good representation at the Cotton Carnival Regatta, in Memphis, the Governor's Cup Regatta on Kentucky Lake and the Hoosier Land Regatta at Indianapolis. Our own fleet co-sponsored the Tennessean Regatta on Old Hickory Lake. This series is a little better each year and should appeal to more of our friends who are still ice bound in early May. At the Governor's Cup Regatta we gained some excellent experience in sailing against visiting skippers, Gene Walet, J. Limbaugh and Bob Buckles, in

a three race series, where the wind accommodated us with blows up to 24 knots,

At the District Championships our fleet was represented by Dr. Cobb and Ross Bryan, where Dr. Cobb had the unfortunate experience to foul a buoy in the first race, with Bryan finishing ninth out of 31 boats. The latter qualified to sail in the Internationals at Little Egg Harbor, where he came in 50th after

fouling out in the fourth race.

Our fleet is gradually improving in both skill and numbers. Members were first in the Cotton Carnival and Tennessean Regattas and tied in the Kentucky Lake Commodore's Cup. will do our best to offer respectable competition to anyone who may choose to attend our Tennessean Regatta which will be held on May 16th and 17th and to those of you whom we have been fortunate enough to sail with during the past season, we extend a hearty welcome and a friendly challenge to join us.

B.Y.C. Fleet #263 are now getting our 1959 schedule under way. 1958 marked our first B.Y.C. July Regatta with the winners trophy going to the Davis brothers Jim & Tom of Pymatuning, Earl Zuber second, and Tom McDermott of Mansfield third. Let's make it larger and just as much fun in '59.

competition was the keenest yet, with a close struggle for run-ner-up honors. We gained two new members when Dick Zuber sold 1804 to John Powers and John Stone of Poland, Ohio. A hearty welcome to these newcomers and their families.

Dick's new boat #7040 was put in the water July 3rd. Fred Farragher was elected new Commodore for 1959 with Francis Henry as Vice-Commodore. Bob Mathews served well as 1959 Fleet Captain and Dick Zuber as Commodore of B.Y.C. Our winds and weather were all that could be desired and we look back on a pleasant sailing season, and look forward to an-

Our official fleet activities for the 1957-1958 season started on November 1, 1957 and ended on May 25, 1958. The season was very active with good sailing weather and consisted of 65 races. Opening the season on November 1, 2, and 3 were five International Races with crews from four countries represented: Colombia, Chile, Ecuador and Peru. A total of 17 boats were entered in the regatta. The winner was Carlos Navarro, Jr. of our fleet who won all five of the races; second was Enrique Plaza from the Guayaquil Yacht Club Fleet 272, who again showed his ability as a skipper; and third was John Russell, also of our fleet.

as a skipper; and third was John Russell, also of our fleet.

The annual three "Interclub" races for the "Pancho Piazza Trophy" were held in Ancon waters on March 22, 23 and 29, 1958. Four clubs participated: Yacht Club Peruano, Yacht Club Ancon, Club Regattas Lima and Yacht Club Paracas. We had good winds for these races; from 15 to 18 miles. Yacht Club Peruano was the winner for the team skippers were Carlos Navarro, Jr., Pablo Rosello, Jost Kursell and Manuel Gutierrez.

In May 1958 five races were held for the Peruvian Lightning Championship. The winner was Carlos Navarro, Jr. who retained the title for the fourth consecutive year. The runner-up was Aldo Isola. The other places were as follows: Pablo Rosello, Jose

Barreda Moller, Frederico Garcia, Manuel Gutierrez, Franco Carbone, Luis Silva, Alberto Canepa, Fernando Sevilla, Luis Alvarez Maza and Raul Dianderas.

The Fourth South American Championship was held in Guayaquil, Ecuador on October 7 to 11, 1958. The Ecuadorian Lightning Class Association and the Guayaquil Yacht Club members organized the competition. Our country was well represented by Carlos Navarro, Jr. who did a fine job, Jost Kursell, and Jose Barreda M.

This Championship Regatta will remain an unforgetable experience. The cordial hospitality and the sportsmanship in our Ecuadorian friends and the very efficient manner in which the championship was organized and conducted are but two of the many reasons that the regatta was so successful.

Estero Salado, 15 miles from the city of Guayaquil, was the site chosen for the competition. This proved to be an excellent choice as the winds were generally between 8 and 15 miles. Seven countries participated: Argentina, Bolivia, Colombia, Chile, Ecuador, Peru and Uruguay.

Carlos Navarro, Jr. of our fleet won the South American Championship with 66 points. His crew made up of his father, Carlos Navarro I and Enrique Conterno. In second place was Alberto Migone of Argentina with 61 points, five points behind the champion. Migone's crew was composed of Horacio Campi and Martin Prat. The final standings of the championship are at the end of this report.

On Sunday, October 12th, we made a trip to Playas, a very pleasant city located about 60 miles from Guayaquil. We enjoyed a very fine lunch at the Humboldt Hotel in honor of all the delegates, skippers and crews. The same evening at the main building of the Guayaquil Yacht Club, a dinner party and prize-awarding ceremony closed the event. All the participants received prizes.

We will never forget the wonderful days spent in Guayaquil and we sincerely congratulate our Ecuadorian friends for the success of the Fourth Annual South American Championship.

Fleet 266 has indeed enjoyed an active and progressive year. Additional boats have been added and competition has increased throughout the season. There have also been numerous improvements to our facilities which add greatly to the enjoyment of the sport and social activities.

We sailed a season series of twelve races. After the smoke had cleared following the last race, Mitchell Boknenkamp #1191, was on top with Augie Paoli #2589, a close second. Congratulations to Mitchell and his crew on a job well done, this being his second

season of racing.

The fleet was represented at several area regattas this season. The Governors Cup Regatta at Kentucky Lake in June, the Decatur, Ill. Yacht Club Regatta in July, the Midstates Regatta at Springfield, Ill., over Labor Day, and the Sea Scout Regatta at Alton, Ill. in October. We are looking forward to these events

again next season and hope to attend additional regattas.

This has been "broken mast" season for the Fleet 266. Bert Sawley, #2210, suffered three broken sticks, also Ken Korte #430 and Gene Cecil #5465 each added a broken stick to the score. If anyone needs advice on how to break a mast, we have an expert,

namely Bert Sawley.

We are gratified at the progress of the fleet this past season and we are looking forward to further expansion next season, realize this progress is due partly to the Lightning Class Association and its officers who are doing such a tremendous job of maintaining a one design class and to them we offer our thanks for a job well done.

Brockport held its first successful Lightning Regatta in 1958 after having a scheduled regatta last year cancelled by the only hurricane of the season. The last weekend of June, 1958 however, furnished excellent weather for eighteen Lightnings to complete the three races of the Lakeshore Squadrons Regatta under the best conditions Lake Ontario could offer. Dr. John Gentry with his wife and young son found conditions to their liking and took advantage of the opportunity to return the Donovan trophy to Skaneateles. It was a pleasure to entertain competitors like Drs. Carpenter and Young from Lewis Point, the Reynolds and Gentry family teams from Skaneateles, Bob Birmingham from Chatauqua, Harry Fogarty from Sodus, and the large Newport group which adds lots of life to any regatta, and to introduce most of them to Lake Ontario sailing. Jay Donovan was on hand to present the trophy bearing his name to the winner and a good time was had by all.

1958 was another very active season which saw our fleet continue to grow and several new members welcomed to the class.

Competition included the regular July and August series races, Junior summer series and special races July 4th and Labor Day. The annual Ladies Race held on August 10th was won by Bevy Schutz with her sister Susie second sailing RESTLESS and Tassie Walden third.

Our "Ragamuffin" race, in which all boats and crews are drawn by lot, always provides great excitement, and this year was no exception with the wind offshore at 30 knots and a heavy chop. All took off at the gun on a broad reach and hit the first mark at Leete's Rock in a tight bunch. There was some kind of rumble here at close quarters and SHOCKING lost a man overboard. DOLPHSIN withdrew and RESTLESS dropped the race in favor of rescue work. The remainder of the fleet bore off for the next mark at East Reef. New SWEETHEADS rudder gave way and CLYTIE withdraw while BLUE MOON snapped a stay and tore her main. This left four in the race soon reduced to three as NITSUA lost her rudder. BEBOP . . . RHUBARB and FRESHIE finished first, second and third with Rutherford, Walden and Austin at the respective helms. After drying out we all enjoyed the genial hospitality and splendid refreshments provided by the Mac Alleenans, donors of the handsome trophy for the race, this year presented to the undisputed champion Tom Rutherford.

Our Fleet was well represented by FRESHIE, SHOCKING, FANCE FREE, NITSUA AND RESTLESS at the ECYRA Regatta at Milford to which the boats were towed from Sachem's Head.

Prizes were awarded for the July series to (1) SHOCKING (2) CLYTIE and (3) DOLPHSIN and for the August series to (1) SHOCKING (2) NITSUA and (3) FANCY FREE; for the July 4th race to (1) SHOCKING (2) BEBOP and (3) CLYTIE and for the Labor Day race to (1) NITSUA (2) CLYTIE and (3) BEBOP.

There is growing interest and encouraging activity in Junior racing, this year won by Billy Austin with Tom Jannke second and Jimmy English taking third.

The Sears Cup Elimination races were held in Lightnings at Sachem's Head this year with 13 crews competing in 8 boats. The boats proved to be quite evenly matched and the competition very keen. Pine Orchard won over Sachem's Head by only ¼ of a point.

Once again our sailing season which starts in April and ends the second week-end of November with our Long John Regatta has come and gone.

The Long John is a free-for-all race for all boats in the club. There were sixty-five participating this year.

The season seemed much to short but as we look back maybe we were just very busy.

Two Lightnings, manned by Dr. Carl Sputh and Tim Hanson jumped the gun on the season and in March trailed their boats to Miami, Florida. There they joined five other boats from our club. Escorted by two power boats they sailed on to Key West, camping along the way. A very interesting five day trip was reported.

Our club held three Regattas for members and the Lightnings had three different winners. 4th of July—Bob Zaiser, Labor Day—George Small, Long John—Jim McKinstray and Tom Hendrickson.

We also ran a sixteen race series so we feel we've had a lot of racing this year.

Conditions of course varied from drifters to winds of over fifty miles per hour.

We were very proud that in this sudden squall though seventeen boats flipped only one Lightning got in trouble.

The high light of our year was our first Hoosier Land Regatta, June 28th and 29th.

Fortunately our fleet captain and several others had had previous experience at handling such affairs so arrangements ran smoothly.

Twenty-eight boats competed. We were host to seventeen out of town crews representing eight clubs.

The visiting skippers took home the hardware but we really enjoyed the thought that our first regatta was a success.

An idea has been put forth by Wawasee Yacht Club, Fleet 154 that since we are such close neighbors and there are so many regattas to attend we should alternate being host for the Hoosier Land. We feel by consolidating we would make this yearly regatta a well attended affair.

Hold the week-end before the 4th of July open for the Hoosier Land.

Sailors from Indianapolis attended regattas at Buckeye, Port Clinton, Pymatuning, Detroit, Put-In-Bay, and Chicago.

In the middle of November we held our yearly dinner to wrap up the season. With the aid of Univac and a sharp pencil, trophies for the season's standings were awarded to these red blooded sailors who completed the racing schedule. Bob Zaiser, George Small, Jim McKinstray-Tom Hendrickson, Paul Voss-Dr. Walter Tinsley, Howard Young, Quentin Covert, Ed McLaren-George Sadler, Ed Lyons, Ken Wood.

This winter several of our skippers are busy building ice-boats so they can keep up on tactics but come the first spring day our Lightning dock will hum again.

6774 Breezin-Thru James W. Richmond Our 1958 season started with two new members, Harry Donahue and Frank Husson. The first race was held on May 30, and there were races almost every Sunday thereafter.

On June 28 and 29 three members trailed their boats to the N. H. Championship races at Lake Spofford, sponsored by Fleet 145. The week end of July 12 and 13 found five of our boats at Lake Winnipesaukee for the Annual Regatta. Robert Stewart attended the New England championship races at Marblehead, Mass., August 1, 2 and 3. However, no one managed to bring home any hardware.

The Summer Series races ended with Jim Richmond in first place and in second place, Bob Stewart. Frank Husson really

made Bob work for that second place.

The main event of the year was the 12th Annual Massabesic Regatta. Fourteen Lightnings took part this year where only twelve entered in 1957. Len Pratt, last year's champion, tried hard to repeat his victory but was topped by two Marbleheaders, William Caldwell and the first place winner Henry Ashley. The first race began with overcast skies but turned to rain during the first race and continued all day. All but one of the hardy sailors competed in the second race despite the rain. The final race was held Sunday under sunny skies. The first five places were won by five visiting boats; maybe next year Fleet 273 will make a better showing.

Our club completed its first, and very successful, year of a junior sailing program under the leadership of Walter Page. We are training the youngsters in 8 foot sailing prams. This should

result in more Lightning skippers in a few years.

Thanksgiving day found four Lightnings still sailing on the Lake despite the cold weather. In fact, the last three boats were taken out in below-freezing weather as ice was beginning to form at the edge of the lake.

1959 will find Donald Anderson with a brand new boat and

will give this year's champions a run for their money.

Racing for the Commodore's Cup got away to a belated start on July 20th, weather causing the cancellation of the first two scheduled races. Nine races were crowded into the rest of the season. The boys had to take off their hats to the only gal skipper in our club, Julie Harris, who walked away with the Com-modore's Cup, however, not until she had been dunked in the cool waters of the Lake of the Woods. For the second year Bill Moss was runner-up with Ken Laidlaw third and Ed Cooper fourth.

The Vice-Commodore's Cup was won by Dr. Bill Guest with Fred David in his new boat as runner-up. Dave Gilbert was third and Clair Leatherdale fourth.

A feature of our racing season is a trip to Kenora (thirty miles by water) to compete in the "Around Coney Island" race of the Royal Lake of the Woods Yacht Club for the Kenora Cup. This year various types of power craft towed twelve Lightnings to Kenora. We had to relinquish the cup this year but were happy that Julie Harris placed second.

A second feature of the season was the visit of eight Light-nings from Fleet (279) Thunder Bay Yacht Club who trailered over 300 miles to compete in our annual Regatta for the Bonnycastle Trophy. We enjoyed having them and hope they will all be back next year to defend the Bonnycastle Trophy which they took back with them this year.

Two Races-one Saturday, August 9 with 44 entries and one Sunday August 10 (Lightning only) with 28 entries, in warm ideal weather were the thrilling main features of the weekend.

Our prize skipper, Lou Walsh in Bonbo #5493, with his wife Audrey and Roger Bailey as crew, won the Bonnycastle Trophy very handsomely to everyone's delight (in our fleet at least). Commodore Art Leper of the Clearwater Bay Yacht Club had his races wonderfully organized so they started and finished (most important) on time, for one and all to enjoy the most wonderful hospitality imaginable extended to everyone at cocktail parties and smorgasbords at some of the Clearwater Bay members beautiful and spacious summer homes overlooking that deep warm pineclad lake that is enough to make a sailor out of anybody.

# 40% INCREASE

This trip to Clearwater Bay and the glowing reports brought back by participating skippers seemed to crystallize several would-be Lightning purchasers. Thus I am most happy to report that four more new Lightnings are now abuilding, all scheduled for early spring delivery in 1959.

Thus in 1958 we were 10 strong (7 active racing) and now 1959 we are 14 strong, a 40% increase in 1 year-not bad-

Certainly encouraging to us who started in 1946 by building 6 in our back yards in 35 below zero weather!

The past summer was one of the brightest during the last few years. Two more Lightnings were launched during the past season. Boat #6737 is already a member of our fleet and we do hope that the other one will join us soon. Also a "do it yourself" con-struction has just been started. We are always busy in making propaganda for the Lightning Class and do hope to reach the number 7 next springtime.

Four meetings have been held this year. For various reasons, (military service, absence of boats and so on), we weren't able to sail many regattas, but we shall arrange for the coming season, some special Lightning-Weekends and will set more value on racing. On the other hand some very nice surprises have been carried out. Mr. W. Wenger has established a distance record in covering 1100 knots. We cordially congratulate him on this result and drink to his health. One of our boats took part in the National Championships at Sempach, but unfortunately the very good crew, (helmsman: F. Engelberger, crewman: Sotty Engelberger and Walter Wenger), had shocking bad luck and the "Sagitta" was blown out of her course.

A very great event in July was the visit of Mr. Gordon Potter from the U.S.A. He made a short stay in our town during his trip zig-zagging through Europe. It gave him great pleasure to take part in a club regatta. In spite of our insufficient knowledge of the English language, it was very pleasant for us all to sail once with a guest from the other side of the ocean and to exchange ideas and adventures. We all are looking forward to the next visit of a foreign "old sea-dog". You are welcome!

Sailors from our club journeyed to the Shreveport Yacht Club for Spring Invitation Regatta which was won by Sam Townsend with Pat Patterson fourth.

Fair weather promoted an early start to the racing season and the Club series got underway Sunday, May 18th. Fleet champion for the 1938 Series was Sam Townsend first with Art Nazro second and Pat Patterson third (dry boats), Jack Perkins first (wet boats).

Club members participated in the annual Fort Worth Regatta on Eagle Mountain Lake June 6-8 with Neil Hutson placing first, Sam Townsend third. The Mallory Cup Eliminations were won by Sam Townsend who went on to sail in the quarter-final series at the Houston Yacht Club.

The Lightning Class Texas District Elimination was sailed on White Rock Lake Dallas this year and the Club made a good showing by placing First—Al Spalding, Second—Pat Patterson, Fourth—Art Nazro.

The Labor Day Invitation Regatta proved to be the high point of the season with visiting Lightning and other classes from Dallas, Fort Worth, Shreveport, Louisiana and Lake Ouachita, Hot Springs, Arkansas. A series of races were sailed over the weekend consisting of three Lightning Races and I Handicap Race. Keen competition developed and among the winners was Sam Townsend, Jr.—Governors Trophy. We hope to make this an annual affair and look forward to an increased fleet of visitors next year.

A Fall series of races continued into November and the season closed with a dinner December 5th. This proved to be a fine year of sailing and continued growth of interest in our Fleet. Two boats were added to our fleet at the end of the season with a new boat being built for Art Nazro to join us in 1959.

Good crewing aboard the K-Marie of Fleet 238.

Fleet 283 enjoyed a spirited 1958 season with the competition sparked by guests from fleet 229, Manning and Merritt Barber, who, with their very able crew Sally Slate, not only led our fleet all season, but trailered north to Vancouver, B. C. with the "Golden Crown" and won the Pacific Coast, Pacific Northwest and P.I.Y.A. events.

Our local series consisted of eleven races in conjunction with Rose City Yacht Club, throughout which Harry Brault kept the Barbers close in view, and thereby kept our fleet championship for another year. Unfortunately, a few boats didn't complete enough races for final consideration because of late launching for other reasons beyond our control, but they will be in the running next year along with several new boats now under construction.

Our Rose City Yacht Club Regatta was plagued with poor wind but proved very pleasant socially. The Portland Yacht Club Regatta was hotly contested in fine winds and everyone had a grand time, even if Tug's with barges and submerged sandbars did offer a challenge.

Last but far from least was the Ladies Lightning event, which was won by Carolyne Gainer who "pulled a sneaky" by recruiting Harry for a crew.

The Ouachita Fleet, in its second year and its second racing season, scheduled a 14 race series beginning June 22 and ending September 21 to determine the Best Boat Championship. Only ten races were permitted to count. The purpose of this was to allow more skippers to compete and thus broaden the experience of all co-owners and crew members in the Fleet. Cecil Gingerich served as chairman of the Race Committee.

"Sea Shell" was alternately skippered by Fred Dierks and Jack Galgraith to the Championship. Between them, they amassed a total of 47 points. Fred accounted for five first places; Jack for four. "Vamp" was Runner-Up with 32 points with the skipper's duties alternating between Granger McDaniel, Martin Eisele and Reed Landis. While they took no first places in the series, their consistant sailing earned them second place. Cece and Bud Gingerich took turn about in skippering "Equanil" to third place with 27 points.

place with 27 points.

The special Fourth of July race went to Jack Galbraith with his crew of Bob Gierow and Jack Kopf. Reed Landis, sailing with Miss Pat Walker and Granger McDaniel, was Runner-Up. There was a fair 18 knot breeze and it got pretty thick at the windward mark resulting in Cecil Gingerich and Gaines Houston bowing out on fouls.

Three boats made the trip to the Dallas Corinthian Yacht Club Invitational Regatta held on Lake Garza-Little Elm near Denton, Texas, on August 30-31 and September 1. Fred Dierks in "Sea Shell" with Wife Louise and Bob Gierow, his regular crew aboard, turned in the best performance for an overall sixth serving notice he would be the skipper to beat for the Fleet Championship. Cece Gingerich in his "Equanil" with regular crew Carol and Bud Gingerich posted an overall seventh only one point behind Fred. "Little Dearie" with crew Jack Gingerich and Connie Dierks finished eighth, one point behind "Equanil".

Dierks continued the pace he had set by copping the Fleet Championship in a three race series held September 27-28. The first two races were sailed in booming 16-20 knot breezes; the final race on Sunday afternoon in a 4-6 knot variable wind. Fred finished with two first places and a third for 16 points. Gaines Houston was Runner-Up with 13 points after a second, fifth and first place. Cecil Gingerich placed third and Charles Withrow gained fourth place by some excellent sailing in the tough second race, crossing the finish line in second place.

on October 5, Carol Gingerich sailing "Equanil" wrested the Lady Skipper's crown from Louise Dierks in "Sea Shell". Louise was the Runner-Up; Joan Wootton sailing "Betty Lu" was third.

Dick Wootton up the mast to recover a slatting spinnaker halyard pulled aloft when the spinnaker took off to leeward. The water wasn't cold at all for mid-September.

Brady Mountain Lodge had made available a new and better protected harbor for private boats—power and sail—along with the installation of an adequate concrete launching ramp and trailer parking facilities. We plan an Invitational Regatta next summer and shall bid for the privilege of holding the District Regatta on Ouachita the year following.

All told, it was a successful year. Strength in depth, as well as experience, has been developed throughout the Fleet and next year should find the finish gun booming for some of the newer skippers.

Fleet 286 this year is poorer by two Lightnings but this is all to good as the two boats went to new Clubs and will probably end up by organizing two new Lightning Fleets. On the other hand the number of young Lightning sailors has increased. Europe is feverishly preparing for the 1960 Olympics by building up the Olympic Classes, but it is the policy of the Royal Yacht Club of Greece to train its beginners in Lightnings.

A great number of races were run as usual this last season and there were two major events. The Greek District Championship run early in the season and National Week in late September. The winner of the District Championship and crew were to be sent to Finland for the European Championship at the expense of the Hellenic Yacht Racing Association. This was won by Bonas of Fleet 251. Finland is quite a way off from Greece and none of the veteran Lightning sailors could make it. Our fleet and the RYCG wishing to participate in any case in this most important LCA event in Europe, sent over a team of juniors. These youngsters did very well for themselves capturing ninth place in a field of twenty-four boats in spite of getting themselves disqualified in the third race. Their trip to Finland would have been impossible without the very valuable assistance of LCA Vice-President Raimo Nordstrom of Finland. This fleet is very grateful to Raimo who diverted a 17,000 ton tanker from its course to pick up the two Greek Lightnings and crew from Phaleron Bay. Thanks to Raimo and his District the participants

at the European Championship Regatta had an unforgetably good time and this writer is indeed very sorry to have missed it.

Andy Sinopoulos moved up from General Nuisance to Fleet Champion this season! During National Week the Committee allowed only one Lightning from each Club. A very wise decision in view of the fierce competition between the Clubs. Andy running for the RYCG was in great form and would have easily won had he not engaged himself in a furious duel with runner-up, Eskitzoglou of the Pireaus Sailing Club. They managed to foul each other and both got disqualified in one race thus handing the cup to the third best but also a member of our fleet.

On Nov. 22nd, 23rd, 29th, and 30th, we had the Annual Fleet Championship. We divided the fleet into two classes, including in Class "B" those boats without spinnakers. The winner of Class "A" was Oscar Miguel, with boat No. 4426, and crew Wilvio Vaccarezza and Hector Filgueiras. Francisco Rinesi was the runvaccatezza and frector filgueiras. Francisco Rinesi was the runner-up with No. 4373 and crew Horacio Premoli and Alberto Hallberg. Class "B" was won by Carlos Lavarello with Toana. His pretty crew, Gabriella Lavarello and Elda Torressetti. The final results follow:

Fort Gibson's 3458-"Out For A Sunday Sail".

Our fleet participated in the Tulsa Sailing Club's Invitational Regatta held on our own Fort Gibson Lake on September 14-15, 1957. A heavy windstorm came up during this regatta that damaged many boats. Our fleet was well represented in the final outcome with a third place by our Joe Seger.

The Central States District Regatta was held June 28-29, 1958 at our Fort Gibson Lake also, headquartering at Western Hill Lodge with four boats from our fleet attending. Joe Seger repeated his earlier performance and attained third place in this

The Central States District Regatta for 1959 is to be held on Fort Gibson Lake at Western Hills Lodge. Date has been set for June 6-7. We look forward to seeing all our friends again this coming year.

The Western Hills Annual Lightning Trophy was won this year by Tom Flanagan of the Tulsa Sailing Club Fleet. The race this year was run concurrently with the 1958 Central States District Regatta.

In addition to all the regattas a number of informal fleet races were held during the summer. Joe Seger came in first in each of these races. In one race a boat named "Derriere" forgot its background and came in second!

All-in-all we feel much was accomplished in getting Fleet No. 293 established in 1958 and we all look forward to the coming year with much anticipation.

No change in the officers of this fleet was made this year. As both the club and the fleet have been enjoying a rather phenomenal growth and will, certainly within another year, achieve major status among fresh water fleets, it was felt that development as an interclub competitive fleet and proper participation in LCA affairs should, along with the election of new officers, await another year.

During 1958 three new boats have been added to the club roster and will doubtless shortly join the Association; with two more boats on order, the 1959 fleet will number 15.

Only two points separated the Fleet Champion and the Runner-Up at final standing after two months of intensely close competition. John Osgood in Sinbad and Kathy Kindred in Passem repeated their 1957 performance. The other major series, the Commodore Cup, sailed on the last day of the season was can-celled because of gale force winds by the Regatta Chairman after the first race which was won by Skip Martens.

As predicted when we received our Charter in January, 1958, Fleet #295 has had an active racing season this summer. weather didn't cooperate on weekends and many of our scheduled races had to be postponed and made up at a later date. This interferred with the family sailing and outings we had planned but all races were made up and as most of our boats are all "Family" skippered and crewed a great deal of fun was had by all.

Ed Olson proved without a doubt that he is a "real champion". He won every race he participated in all summer—Club series, Labor Day Regatta and Raritan Bay Association races—to cop both the beautiful Club Trophy and the Labor Day Trophy. There was keen competition between Frank Hammond with "Sweet Lelani" and Frank Hughes with "Arab" who both managed to be in front of Olson on one or two occasions during the season but never for long! Fred Dickson started to really move up in the latter part of the season but too late to make those extra

few points he needed.

The Richmond County Yacht Club's Annual Labor Day Sailing Regatta, a three day affair, was a huge success. Regatta and Race Chairman, Ed Fracker, did a superb job of organization. The courses were excellent although the weather was completely un-predictable running from complete calm to 20 mile winds over the three days. Five classes participated in these races. The first day the air was dead calm to light and the course long. Ed Olson made the finish line with only seconds to spare on the deadline and saved the day for the rest of us. A cocktail party, buffet supper and dance was held that night on the club deck and enjoyed by all. The second day the Lightnings, after starting five minutes later, jammed up with the Thistles at the first mark (and have movies to prove it). This was the day of really fluky weather with everything from complete calm to 15 mile winds,

A beach party was held in the evening with plenty of corn, hot dogs, hamburgers, cokes and beer being consumed and a good time had by all. The third day brought real wind with puffs up to 30 knots. Places changed at almost every mark on this one and it was the most thrilling race of the entire season for the entire Lightning fleet. Hammond was coming up fast on Olson at the last mark before the committee boat finish when a stay broke. His crew insisted he keep going and with the mast swaying and his two gal crew hanging on to that stay for dear life he managed to finish second with Frank Hughes coming up fast for third

Two of our boats didn't go in the water this year, Hearn's "Ballerina" and Henry's "Jeanne-O", leaving our fleet only four boats active but although we didn't have quantity, we had plenty of quality and plenty of fun. Next season we are losing Frank Hughes and "Arab" which is a terrific blow to us for Frank, Mary and their sons are keen competitors and wonderful people but they are taking their boat with them and will be a huge addition to whichever fleet they join up with in their new home location. Hearns are looking forward to next year when they

will again be able to compete.

Fleet #295 and the entire Richmond County Yacht Club are preparing and anxiously looking forward to being hosts to the "Districts" in 1959. We have our own Club Hoist, deep water all around and by next season will have a greatly enlarged Club House. Commodore William A. Smith is doing a wonderful job with improving our facilities and keeping our Club active all year round. This cooperation plus what we have been told are the best racing waters around makes us feel that we can proudly invite you all to visit us any time.

We don't have much to report as our fleet is new and still in the organization stage. We were greatly handicapped this season since we were not allowed to have official races at Lake Wyandotte, where most of us are located. We plan to get this straightened out with the park commissioners before next season. We hope by spring to be able to make some limited use of the new Lake Jacomo, a much larger lake which has been filling up with water.

Four Lightnings in our fleet participated in an invitational regatta at Lake Tapawingo, in this area, in September. Lightning owner Jim Dart, who sails there, was one of the hosts. Other Lightning owners, in this regatta were the Norquists, Prestons and Gurleys. Various other sailboat classes were in the same races. In the first race, the Gurley boat was in third place, with a couple of C boats in first and second place, and with the Norquist boat in fourth place by a matter of inches! In the second race, the Norquists came in first, beating both the C boats, and the Gurleys were third, managing to beat one of the C boats. A wonderful time was had by all.

The Norquists, Kienes and Darts went to Oklahoma for the regatta in June at Fort Gibson, which has no doubt been reported

by the Tulsa Fleet.

Based on their performance at Fort Gibson, Tapawingo, and various informal skirmishes at Wyandotte, I believe I can speak for the entire fleet in saying the Norquist boat, the CHOU COUNE, should be considered fleet champion for this year.

We now have nine Lightning owners in the immediate area, and several others are keenly interested in acquiring Lightnings

and joining the fleet.

The number of boats in the Lovisa Fleet increased by 4 new boats this season, so the fleet now has 12 Lightnings. No. 4147 was badly damaged in a storm, but the owners are going to repair it.

Lightnings of the Lovisa Fleet have been very active in races during the summer. In Lovisa there was a Propaganda race in the Spring, Fleet Championships, seven Tuesday-races and the Svartholm-Round race. Almost the whole fleet participated in the Eastern Finland regatta in Hamina. Three boats went to the Dis-

trict Championships in Helsinki and two went to the Helsinki Regatta. Every boat in the fleet, except one took part in the biggest sailing event last summer, the Lightning Class European Championships, in Finland. Lovisa Fleet, with the Finland District and the Yacht Club ONS were hosts for the races. Veikko Larmia, with his boat "Pepita", was 5th, and the best Finnish boat in the championships.

The best boats during the season have been the "Pepita" (V. Larmia), and the "Katrina" (R. R. Nordstrom). "Pepita" went fine in two most important races during the summer, was the best Finnish boat in the European Championships and the runner-up in the District Championships. "Katrina" won points prize in Eastern Finland Regatta, with two first places and one second, and the Tuesday Series Trophy with all points, and the Svartholm Round race.

1958 was our first year as a Lightning Fleet, and for several of us our first year in serious competitive racing. We were aided to a great extent by a race committee, made up of power boat men, who devoted themselves to serving the best interests of yacht racing. In addition, we have been fortunate to have had as a neighbor the Hewlett Point Yacht Club, Fleet 58, which was also the host this year of our Greater Long Island District race. We entered three of our Lightnings in this race, which was held in Hewlett Bay. Prior to this, only one crewman had ever had experience with spinnaker sailing. In the first of the three races, Earl Marvin, sailing the Flamingo crewed by Herb Walker and Len Meiselas, finished first by about ten minutes, but in the second race overstood a buoy, finishing a disastrous 14th. After the final race of the series, the Flamingo was in 4th place. Joe Saul in Jandy made a creditbale showing finishing 8th, while the last of our entries, Max Meyer in Sandwitch, finished 13th with one disqualification.

Our fleet champion was Earl Marvin in Flamingo, with Max Meyer as runner-up. In a sailoff in which the leading three boats were rotated among the three leading skippers, the finish was Max Meyer, Ed Durbin and Earl Marvin.

We are sure that the competitive interest in sailing has only been whetted by the fine season we all had this past summer, and that next summer, still further interest and enthusiasm will be evident.

This was the first season for Champlain Fleet No. 301 and although small in number we had a lot of interest with several people planning to get boats. There are three under construc-

tion here now.

We had a ten race series with an average of four or five boat starting. Also eight boats competed for the Shelburne Ship Yard Trophy in the 3 race series, August 2 and 3 in Burlington. "Duchess", 6459, with the Sidle family aboard, won these, while Bill Hogelett in "Spitfire", 6021, won the Mallets Bay Boat Club race week Lightning series with seven boats starting. Bill Wiese and crew, our series runner-up, got a dunking in this race and also a lesson in handling swamped boats. Some over-eager helping hands pulled too hard on the main halyard of the beached boat in an effort to empty the craft. Result—one broken spar.

We are looking forward to an enlarged fleet and better sail-

ing next season.

Through the initiative of Jim Lewis, our charter for Cowan Lake Lightning Fleet #303 was obtained in mid 1958.

The prior year saw a struggling group of five Lightnings trying to establish an identity among a hundred craft of other classes in our local Cowan Lake Sailing Association. Many times we were relegated to combined starts and other classes on a handicap basis.

However, thanks to CLSA's good management and perspiration, and a beautiful new clubhouse, sailing and racing conditions at Cowan have become most attractive. In 1958 the Lightning Fleet grew to a total of 17 boats and can now swing its weight as a major class on the lake.

Doc Barnes and Frank Pfefferle showed us a fast pace and they didn't settle the championship until the last race of the fall series. But as new boats and sails appeared during the season we learned that these two district regatta veterans could be beaten and will be in for some hot competition next year.

The 1959 schedule will include a Spring and a Fall Series of five races each, plus individual trophy races Memorial Day, Fourth of July and Labor Day. Plans are under way for some special Lightning Class events of the swap-boat and team race variety.

This is the first time we have sent a report for the Year Book. The first three Lightnings in Oulu were built in 1953. The number was the same until 1957, when "Pluto" was sold to Kokkola, but to our pleasure we have got a newly built mahogany Lightning "Kikka" in addition. This is a very fine boat, a real masterpiece, and is owned by a good sailor.

In the Spring Vice-President, Raimo R. Nordstrom, and District Secretary, Jukka Koskimies, visited Oulu, giving lectures on

Lightnings and showing films.

"Oulu Regatta" was held on August 1-3. The race was won by "Kikka" on the 1st and 2nd day, but "Pohjantahti" took the 3rd

The "Electric-Cup" race was held on August 14-15 and won by "Ramona". "Ramona", winning two races in succession, got the cup for his own.

Our Lightnings have participated very enthusiastically in all races arranged by Oulun Purjehdusseura (Oulu Yachting Club) and Oulun Merenkavijat (Oulu Seagors Club).

In 1957 there was an experiment, a trailer for transportation of Lightnings. Transportation of "Pohjantahti" to participate in

"Pohjantahti" of Oulu Fleet 307.

Gulf of Bothnia Regatta, and this distance of 500 Kilometers to and fro, proved very successful and will be used in the future transports.

Fleet 310.

The past season has been very active in Kemi Fleet. We have had a winter meeting, where we saw some Lightning films. During the past summer, we had many hard races.

The weather was not very good during the sailing season. It

was usually stormy or too calm.

Our young Lightning sailors made several picnic trips to nearby islands.

One of our boats, "Leena" (4012) was badly damaged when she capsized during a thunderstorm.

# DUNKIRK HARBOR FLEET (311) Based on Southeast shore of Lake Erie, New York

| В | oat No. | Boat Name    | Skipper      |

|   | 3574    | Onaire       | John Baran   |

Since Fleet #311 was organized this fall, we really did not have any racing activities this summer. We spent the time in friendly camaraderie, and practicing spinnaker settings, and avoiding the water skiers! We also found some "new" rocks and shoal spots, as the level of Lake Erie was quite low this year. No doubt each Lake Erie sailor will say the same thing.

In the fall, each sailboat owner felt he could get in one more sail before the winter with the snow and ice set in. On Friday, October 10, the wind was blowing a full gale, the spray was flying over the breakwaters, and the city sea wall; when in the mid-dle of the afternoon the harbor waters began to surge. This means that the large waves from Lake Erie, entering the harbor, hitting the sea wall, form other waves rolling back to make a double opposing wave action. You can imagine what happens to boats in that water. The wind was from the West and boats were blown across the main part of the harbor onto the cement city dock. First among the sailboats was John Baran's Onaire. He had his under control, when John Foster's Mme Zajj broke loose and began bearing down onto the cement dock. Baran and Al Schilz were able to bring the boat around the dock into the lea of the pile of commercial sand at the end of the dock. (A dubious honor). Then John King (who had previously taken his non-class boat out) helped John Foster bring his boat to the shoreline, and the rest of the day and evening was spent getting the two boats out of the water and into garages. Don Greve was able to get his boat out calmly several weeks later. Neither boat was damaged beyond a new paint job and new rubrails.

The Dunkirk Yacht Club, at their fall meeting voted to sponsor the Lightning fleet, and provide the race committee with other help next summer.

Dunkirk is the only natural harbor between Buffalo, N. Y. and Erie, Penna., a distance of 100 miles. The Dunkirk light house is west of the harbor, which is well marked by cans and nuns leading to the large commercial city dock. The Dunkirk Yacht Club dock facilities are west of the city dock. If entering the harbor by boat it is best to proceed to the city dock and ask about depth before anchoring.

If spending a week or weekend in Chautauqua County, there is a hydraulic lift in the same vicinity owned by a boat livery. We hope other Lightning sailors will avail themselves of the facilities of our harbor where there is both wind and room. Happy Sailing!

The beautiful sailing waters of Hawaii!
