## FOREWORD

Members of the L C A, this is your 1960 Year Book, the result of countless hours of devoted effort by the entire editorial staff, who certainly rate a rousing "WELL DONE."

Since the first Lightning sailed the waters of Lake Skaneateles just 20 years ago our Class has grown to the point where numbers assigned to new Lightnings are rapidly approaching the 8000 mark.

Why has the L C A shown this tremendous growth? Is our Lightning so much better than other boats? No. It's good, but not that good. Many other small boats are more advanced and of newer design than ours. Is it because we have more than 300 fleets in North and South America, Europe and Hawaii? No. Other classes have fleets throughout the world and some have Olympic status.

What then is the real strength of the Lightning Class? What is that special something that sets us apart, that makes us the successful class we are?

THE STRENGTH OF THE LIGHTNING CLASS IS ITS MEMBERSHIP, and that means each one of YOU. You have built the Class we have today by your loyalty, your interest and your enthusiasm, by combining busy hands and active minds at Fleet, District and National levels.

The past and the present have achieved a truly remarkable record for the L C A. But what of the future? If we are to maintain the Lightning as a growing and dynamic Class in the field of boating, we must encourage the younger generation, our sons and daughters and young friends, to become Lightning sailors and inspire them to continue the same interest and enthusiastic willingness to work as shown by our generation.

This is our challenge. Accept it and the future success of the L C A is assured, for in the final analysis our Class strength is PEOPLE — YOU the MEMBERS. We are confident that you will meet the challenge now and in the years to come.

# NOW — even faster sail designs for 1960

For the past year we have been looking into a number of original theories that appeared to have possibilities as a means of improving the cross sectional shapes of our sails. Through intensive research and experimentation, several of these theories have been substantiated, with the result that an entirely new series of sails for Lightnings has been created.

Tested in actual competition over a six week period, these new concepts in Lightning sails proved appreciably faster than our previous models; won three out of every four races in which they were tried.

Particular attention has been paid to the jib—the most difficult problem of all when it comes

to reproducing a design with exactness in the finished sail. A recent major break-through, however, provides a new method of calculating our cuts so that 100% accuracy is practically assured.

Entirely new, also, is a special Spherical Spinnaker for reaching. Somewhat flatter in shape, the new spinnaker supplements our standard combination Spherical Spinnaker and is intended for use on very close reaching legs when competition is really stiff.

We'd like to tell you more about why we think that Lightning of yours will do better with our 1960 sails. Just drop us a note and ask for details.

## "A SWELL IDEA"

We are trying in the Southern District to popularize the Lightning as a racing sail boat for families. Many of our boats are 100% family. Examples are the Griffiths of Shreveport (two girls and their father) who combine real ability with a lot of enthusiasm. The Reichs of Southern and Bay Waveland (two sons and their dad) all three of whom are skippers in their own right, and the Ballatins (Mr. & Mrs. and son) make a real team on a down wind run when the sail handling is tough. I could go on and on—the Bancks, the Berniuses, the Danes, the Jacobs, the Allens (pictured), the Mullallys, the Overtons, the Whitworths, and the Leefes. In fact you might almost say that the sailing family in the Southern District is becoming the rule rather than the exception.

Tommy, Lydia, and Ethan Allen, a sailing family in the Southern District.

Sailing Family, Fleet #251, Attica, Greece. Fleet Champion Spyros Bonas, skipper of the boat #6963, with his two brothers Stelios and Takis crewing, was disqualified in one race. In spite of the disqualification, Bonas was fourth among 21 participants.

In the season's championship series, the Cowan family, skipper Stuart "Jr.", "Paulie," and "Stu III" were an all-family crew whose consistent performance earned them top percentage points. 59 Champs for Fleet #291, Rocky Point, Old Greenwich, Conn.

All in all we had a wonderful year. We still voted to WET SAIL. Ours are all "Family" boats and although R.C.Y.C. has a good hoist etc. our boats are really used for much "DAY SAILING" besides racing. Fleet #295, Stanton Is., N.Y.

Lightnings are still being used for family cruising on Devil's Lake, Fleet #3.

Jim Wellington won the Labor Day weekend series with brothers Bob and John as Crew. Fleet #154, Wawassee Yacht Club, Syracuse, Indiana.

The Schmit family—father D. F., daughters Mary Ann, Margie and Betty, son John, and future son-in-law Phil McChesney, won a special award for sportsmanship, enthusiasm and improvement. Fleet #173, Branch Beach.

# USE OF THE SPINNAKER ON LIGHTNINGS

By Hank Cawthra, Past President '59

Any one person would be presumptuous to try to cover, in a single short article, all phases of spinnaker handling. However, I believe articles such as this have some value when used in conjunction with other similar articles, in that the reader may thus compare various opinions, and draw his own conclusions.

The development of flatter spinnakers has resulted in their being used more for reaching and thus being set more often and carried for a greater percentage of total racing time than formerly. In addition, the Lightning is basically able to use the spinnaker more than most other one-design racing boats, for the following reasons:

1. It has good initial stability.
2. Its wide beam allows the crew to apply more righting force when hiking.
3. Its spinnaker is larger proportionally and thus adds more relative speed.
4. It has a three-man crew.
5. It does not plane easily and thus doesn't draw the apparent wind ahead so much in strong breezes.

Thus, since the spinnaker has been and is now employed more often and more effectively in Lightnings, it is not surprising that the Lightning class has been responsible for the development of much of the modern spinnaker technique now used by most competitive classes. Many specific examples could be given; one is the practice of setting spinnakers un-stopped as Lightnings have been doing for many years,—first this method spread to other one-design classes, then to larger boats until it is now being done on 12 meters. Another example is the practice of hoisting and lowering the spinnaker with the pole in place and the guy running freely through the pole end. In the use of the flatter spinnakers the Lightning class is probably even further advanced relatively in its techniques and is now developing and using the methods which will in future years be adopted by other classes. Lightning sailors should therefore be careful to remember that they should not be influenced in their decisions as to when and how to use the spinnaker, by what other classes do. Especially, they should not be misled by the inability of other classes to carry spinnakers on certain reaches. I have made careful observations on this, particularly in large regattas where a dozen or more classes are reaching on the same or parallel courses. The ability of the Lightning to carry its spinnaker on close reaches in strong breezes is not due only to certain basic characteristics of the boat, but to the training and experience of the better Lightning crews, who have continually pioneered in this type of sailing.

A Lightning can carry its spinnaker very high on the wind, but how do you know how high?—And in how much wind? Specifically, how do you know in advance of rounding a mark whether or not the spinnaker can be carried on the next leg? Although there is no certain method, it helps to have some kind of a course chart, even if it is only penciled on the deck. If the bearing of the spinnaker leg and the true wind direction are known, the major unknown in determining the apparent wind angle is the speed of the boat on the spinnaker leg. In practice, you will find that the average true wind velocity has a considerable bearing on your decision regarding the use of the spinnaker because:

1. In light breezes the apparent wind is drawn ahead more than in moderate to strong breezes because the boat gains more speed percentage-wise when the spinnaker is set. This, of course, applies only up to the point where the boat starts to plane.
2. As the wind becomes stronger it becomes more and more difficult to operate the boat safely on a close spinnaker reach thus forcing the skipper to balance the potential speed increase against the possibility of capsizing.
3. Thus it is generally true that one should be overly eager to set the spinnaker in light air on close reaches, but somewhat more conservative in strong air.

Other factors that should be taken into consideration are the possibility of a forward wind shift on the spinnaker leg, or an adverse current setting you to leeward so that you are forced to point higher and higher with your spinnaker as you approach the mark. On the other hand, if you have good reason to believe the wind will shift aft, or if you have a favorable current, then it may pay to set the spinnaker even though it appears that you can't lay the mark when first starting the leg. A correct decision on setting the spinnaker at a critical point may mean a difference of several points, particularly to the leading boat which has no opportunity to observe preceding competitors.

130 Years of Service in the SPAR Business

Despite all the forgoing, each year the tendency seems to be to carry the spinnaker more and more if there is the slightest possibility of doing so.

I wish I could outline a fast, sure, and easy method of setting spinnakers but I don't know of any. I have tried setting them from both sides of the boat, from ahead and behind the stays, in and out of the cockpit, from turtles, boxes, paper bags, rolled bundles, and stops, and with all sorts of methods of attaching sail and sheets to pole. Although I don't have a complete answer to this problem, there are certain operations which I do believe are best performed in the following manner:—the guy should not be attached to the pole, but should run freely; the spinnaker should be set from the lee side (there are a few cases where it is better to set from windward, but should be ignored in the interests of uniformity); the spinnaker should be set "loose" and hauled, fed, or thrown up and out as rapidly as possible. I have never seen a uniformly successful, and fast, method of hoisting a spinnaker in stops or bundle.

Getting the head of the sail up is only the first step. It must draw to do any good, and the time that counts is not the time to get the halyard to the block but the time to get the sail full.

The critical phase of spinnaker setting that, in my opinion, has not been satisfactorily solved, is how to get the tack (pole end) of the sail out to the pole at the same time the head of the sail is fully hoisted, and to simultaneously have the sheet trimmed properly and the sail drawing. Some crews may be able to do this 10 or 20% of the time, usually under the most favorable conditions, but to do it 80 or 90% of the time, under all conditions, is another matter. Watching movies of Lightnings racing I am amazed at the time it takes to get the sail full after it is hoisted. On the average, this seems to take more time than to hoist the sail. Surely we can all reduce this time.

Beyond the above general rules, I believe each crew must adopt its own method. I think that the average crew can reduce their overall spinnaker setting time much more by concentrating on preparation before they reach the mark, rather than on those few frenzied seconds just after the mark is rounded.

The instant the halyard and guy are secured and one man is able to handle the sheet, the other crew man should drop the jib. It is important to practice getting the jib down as soon as possible, because even if the spinnaker will draw with the jib up, it is usually not efficient, and in most cases, it will not draw at all until the jib comes down. This latter phenomena is most interesting, because it is not at all difficult to fly a spinnaker with the jib set, yet observations of Lightnings racing has convinced me that at least 60%, and possibly 80% of the time, a newly hoisted spinnaker cannot be, or at least is not, filled until the jib is down. This condition is worse on reaches, because on a run the spinnaker (and pole) are immediately swung out abeam and away from the jib and thus the spinnaker fills relatively easy. The answer is undoubtedly that a spinnaker once full and lifted is so much higher and more outboard than the jib that it is affected only slightly, while an unfilled spinnaker is hanging in folds, low down and inboard where it is blanketed considerably by the jib.

Once the sail is set it must be flown to the best advantage. There are four variables; the trim of the sheet, the fore and aft position of the pole, the height of the outer end of the pole, and the position of the head of

the sail. I assume the inner end of the pole is fixed. There is very little advantage in moving this end of the pole up and down the mast (figure it out geometrically sometime). Before going any farther, it should be understood that any suggestions on using the spinnaker, like most everything on a sailboat, can only be general, and that each spinnaker has its own peculiarities, and must be handled just a little differently from any other. Considering the easiest variable, the sheet, first—it is merely slacked a little at a time until the luff breaks, then jerked in slightly. Variations in individual techniques seem to be that some crews keep the luff slightly breaking a larger percentage of the time on the assumption that it is more important to be sure that the sail is not "choked", while others jerk on the sheet the minute the luff begins to curl. Although I don't think these differences are important, I would prefer the sail kept well out even if the luff breaks frequently. A good spinnaker man soon learns how much of such intermittent breaking of the luff his own spinnaker will stand without a complete collapse.

The fore and aft position of the pole is given in most books as "at a right angle to the wind". I do not agree with this theory and think that on most boats the pole should be at an angle to the apparent wind greater than 90 degrees, and furthermore I believe that this angle should become a little larger as the apparent wind goes forward. If my theory is correct it means that the pole is out to the jibstay much of the time and I think you will find that most of the top spinnaker operators are in practice, carrying the pole ahead of the theoretical "best" position.

While all the four variables are to some extent dependent on each other, the height of the pole outer end and the position of the head of the sail are very closely related, because slacking the halyard and raising the pole both introduce more curve in the sail vertically and flatten it transversely, thus making it more efficient for reaching. However, there are several qualifications to this. First, the slacking of the halyard does not affect the overall set of the sail in exactly the same way as raising the pole because the former moves the entire upper portion of the sail away (to leeward) from the mast. Slacking the halyard probably began as a means of allowing the head of the spinnaker to clear the jumper stays, but then it was found that easing it out further didn't do a bit of harm. It appears that the halyard can be let out at least 18" when reaching and sometimes as much as three feet. However, with the wind well forward, I wonder if the upper portion of a spinnaker with the halyard well slacked could be blown somewhat aft, and thus be nearer the mainsail. I think that when the wind is further aft in running and broad reaching the head of the spinnaker should be closer to the mast than when close reaching, although I have no logical reason to support this belief. It is the setting of the outer end of the pole and the adjustment of the halyard that distinguishes a really good spinnaker operator from a mediocre one. After all, one doesn't have to be very smart, or very experienced, to jerk a little on the spinnaker sheet every time the luff starts to curl.

Obviously there is a limit to lifting the pole and slacking the halyard to flatten the sail transversely. In light air a spinnaker set in this manner will collapse more easily, so the common practice is to drop the pole as the wind lightens. With most modern flat spinnakers the pole can be slightly lower on broad reaches and runs if it is

felt that the sail should be more spherical. However, this is just another spot where you have to know your own spinnaker, because any gain from having the spinnaker more spherical may be more than offset by the loss in projected area as the pole is dropped and the sail becomes narrower and deeper. Also, don't forget that by raising the pole to extreme limits you may get to the point where you begin to lose projected area, because, although the sail is getting broader as you raise the pole, its average projected height is becoming less.

A few words on handling the spinnaker in stronger breezes; first you should remember that a few degrees of sailing angle with the wind makes a tremendous difference in whether you can carry the sail. The Lightning with its hard chines and wide beam picks up so much dynamic stability when it planes that, with the wind dead astern, there seems to be almost no limit to the amount of wind in which you can use the spinnaker. Actually this high-speed running straight down wind is neither as difficult nor as dangerous as it may appear. But when the wind is only a little off the quarter the handling of the spinnaker in very strong breezes becomes a tremendous physical exercise due to the necessity for extreme hiking, and also calls for continual and nerve-racking vigilance for the skipper and crew. Under these conditions a fraction of a second's delay in handling the spinnaker sheet and guy, a minor mistake in steering, or a slight deficiency in hiking torque on the hull, may result in a sapsize. Here, a crew's experience in working together shows up. The skipper must have confidence that his crew will do things with just the right timing and the crew must have confidence that the skipper will help them out by such things as bearing off when they are

having trouble, easing the mainsail when the boat is overpowered, trying to keep in clear air on reaches in close company,—and out of dangerous tactical situations such as allowing any boat (and particularly one without a spinnaker) to work into a lee position where he can luff.

If the spinnaker may have to be reset shortly, it is common practice to leave sheet, guy, and halyard hooked up, and sometimes to leave the pole up.

The procedure for lowering the spinnaker, in itself, is not a difficult operation, but to set the jib and drop the spinnaker on a close reach in strong air, with no room to run off the wind, and with a minimum loss of speed, is an operation to tax the abilities of the most capable crew. It is most important to have everything ready in advance—spinnaker halyard clear, jib sheets clear, guy clear, jib downhaul well slacked—to have an exact sequence of operation agreed on (or well known from past practice)—and then, once started, work fast and furiously. This is one of the few operations on a boat during which you don't have plenty of time.

Dropping the spinnaker is a more standardized procedure than the hoisting, and does not seem to give experienced crews much trouble. If possible, the skipper should run off the wind a little, particularly in strong breezes, so the spinnaker is partially blanketed. The guy is cast off and simultaneously the sheet is hauled in rapidly from the lee side, then the entire foot of the sail. At the same moment that the foot is completely gathered in, the halyard is slacked away, the man on the halyard lowering sail as fast, but no faster, than the other man can gather in. If you may have to reset the spinnaker, it usually pays to take a little more time and fold the spinnaker as neatly as possible. After the sail is safely down, the pole is taken off the mast and the guy released from end of pole.

Summing up, you should practice setting, flying, and dropping the spinnaker until you have confidence in your ability to perform these operations. Much of the reluctance to use the spinnaker comes from a fear of making mistakes, and with increased familiarity, you will find yourself using the spinnaker more often and more successfully.

# Lightning Class Association Instructions to Measurers

(REVISED NOVEMBER 1, 1959)

## GENERAL—

The following suggested instructions are presented as an approved method for the official measurement of the Lightning Class sloop. Official Measurers may develop alternate procedures which will provide the same measurements with an equal degree of accuracy. Doubtful procedures should be checked with the Measurement Committee before use.

Certified Measurers may measure any Lightning in which they do not have a financial interest. Do not measure a boat which you have built, own, or expect to sail.

The order in which the various parts are measured will vary according to the position of the boat before measurement and upon the desires of the Measurer. Section I may be completed with the boat right side up. Section II requires the boat be upside down. In Section III the boat must be assembled and Section IV is concerned with the filing of the certificate.

For the sake of uniformity it is suggested the Measurer record all measurements using the Naval Architecture convention of feet, inches, and eighths. I.E. 4'-7½" is written 4-7-4. Sixteenths are designated by a plus sign. I.E. 4'-7 9/16" is written 4-7-4+. The use of the minus sign is discouraged because of possible confusion with a dash.

## SECTION I

(Measurements which may be taken with the boat right side up.)

### RUDDER—

1. With caliper, measure thickness and record on certificate.

2. Measure maximum chamfer and record on certificate.

3. Hang rudder in gudgeons and check to see that leading bottom corner of rudder is in line with bottom edge of skeg. If it is not, note this fact on the certificate. Measure distance from rudder to skeg, rudder dimension *n*, record on certificate.

4. Lay rudder on flat surface and locate construction lines perpendicular to edge adjacent transom as shown on Plan and Certificate. These lines are marked off at six inch intervals beginning with one passing through the bottom leading corner of rudder (intersection point with bottom of skeg). Measure and record on the certificate rudder dimensions *j*, *k*, *l*, *m*, and *o*. *o* is the perpendicular distance from the lowest construction line to the lowest point of the rudder.

### CENTERBOARD—

1. Check and record type of material. Legal materials, iron and steel, will attract a magnet.

2. With calipers measure and record thickness of board, making allowance for paint or other coating.

3. Measure and record maximum chamfer.

4. With board flat on floor, use a straight edge to find the intersection of all edges. With a carpenter's square locate the intersection of a line perpendicular to the leading edge, *d*, which passes through the center of the ⅝" diameter pivot hole. Measure and record *a*, *b*, *c*, *d*, *e*, *f*, *b'*, *c'*. With a hand compass by trial and error find and record the radii which best describe *r*, *r1*, and *r2*.

## SPARS—

1. Measure distance from top of main halyard sheave groove to a point where the jib stay would intersect the forward side of the mast in its normal position and record as *C1* on the certificate.

2. Measure at station 3.5 (after edge of second bottom frame forward of centerboard pin) distance from inside of keel to top of mast step or other bearing surface for mast. This is measurement *D1*.

Measure distance from top of main halyard sheave groove to bottom bearing surface of spar to procure *D2*.

Add *D1* plus *D2* and record on certificate.

3. Measure the distance perpendicular to the sail track at the top of the main halyard sheave groove from after side of mast to centerline of backstay in its normal position. This dimension *F1* should be recorded on the certificate.

4. Measure distance from top of main halyard sheave groove to top of painted band on mast and record distance as *G* on certificate.

Check to be sure top of boom when attached to mast is prevented in some manner from coming below the top of the painted band. Note on the certificate if such a preventer is not provided.

5. With the boom in its normal position measure the distance along the boom from the after side of the mast to end of boom or to extreme end of outhaul in its aftermost position, whichever is greater. Record as *H* on certificate.

## MISCELLANEOUS—

1. Measure and record on the certificate least height of top of centerboard well above top of keel.

2. Measure and record on the certificate *I1*, *I2*, *N*, *O1*, and *P1*. *N*, *O1* and *P1* are measured as if coamings and rub rails were not in place. *O1* and *P1* should be measured perpendicular to the centerline of the boat.

## SECTION II

(Measurements to be taken with the boat upside down.)

Obtain a Worksheet and record on it the date and boat number.

### APPROXIMATE LEVELING OF BOAT—

AI—If floor is level. (If not, use AII)

1. Place hull upside down on three supports. Place two supports of equal height under corners of deck aft and a third support, a hydraulic jack (if available), under deck near stem. Fixed supports may be used if manpower is available for leveling boat. (Fig. 2)

2. Measure to see that each corner of chine or sheer at transom is same height above floor. Adjust hull if necessary.

3. Adjust hull so that deck at stem is exactly 0-6-5 lower than centerline of deck at transom.

AII—If floor is not level.

1. Same as AI-1.

2. Draw straight lines across transom from chine to chine and sheer to sheer. Hold level against one of these lines and adjust hull until line is level.

3. Adjust hull as in AI-3 as nearly as possible by approximation. Bear in mind that this is only approximate.

**APPROXIMATE LOCATION OF BASE LINE—**

B. 1. Locate and mark "A" on the keel with the aid of a small carpenter's square, with handle pointing forward and the vertical edge against the forward site of the centerboard pin. (Fig. 3)

2. Measure forward from "A" along the curve of the keel 4-10-7+ and mark on the keel the location of station 2. Measure aft along the curve of the keel 9-1-2 and mark the location on the keel of station 9. These are trial locations and will be adjusted if necessary later.

3. Before erecting the baseline, the amount the keel stands proud of the bottom at the centerline must be taken into consideration. (Fig. 1) Note that this amount varies from station to station dependent upon keel width and the relationship between chine height and breadth and centerline height. Figures for the amount the keel stands proud of the bottom at the centerline have been given on Line 2 of the Worksheet for this standard Lightning. However, Measurers may wish to check these figures for the boat they are measuring as they will vary slightly with exact thickness and width of keel and exact relationship between chine and centerline. The important thing to remember is that the measurement point is that point at which the outside of the bottom planking would intersect the centerline if there was no keel. The exact distance from baseline to keel plank for establishment of the baseline is obtained by subtracting Line 2 from Line 3 on the Worksheet for stations 2 and 9. This figure should be recorded on Line 1 of the Worksheet.

4. For maximum speed and accuracy in establishing and maintaining the baseline, it is suggested the baseline be supported from the hull itself. (Fig. 4) It may however be supported from separate posts securely attached to the floor at each end of the boat. For measuring heights choose a yardstick or steel rule so that, by turning it end for end, you can always measure directly from keel plank to baseline wire. (Fig. 5) For accuracy always hold the scale beyond the baseline and place the eye at baseline height so that wire will pass directly in front of measurement to be taken. If possible, use a 1/16" piano wire stretched as tight as practicable and free from kinks. Prevent sag by fixing one end and weighting the other end with a 15# weight. A hard twine or chalk line stretched tight may be used, but extreme caution must be exercised to prevent sag.

5. Jockey baseline so that perpendicular distance from baseline to top of keel at stations 2 and 9 agree with the figures placed on line 1 of the Worksheet for these stations. (Fig. 4)

### EXACT LEVELING OF BOAT, LOCATION OF BASELINE AND STATIONS, AND CENTERLINE HEIGHTS—

- C. 1. Check location of "A" on keel plank with a large carpenter's square, vertical edge against forward side of centerboard pin and horizontal arm parallel to baseline. (Fig. 6)
2. Relocate "A" on keel plank if necessary. If "A" is relocated repeat B-2 and B-5.
3. Repeat C1 and C2 until location of "A" on the keel plank remains unchanged.
4. Check level of baseline with spirit level and adjust boat with jack or manpower until baseline is level.
5. Locate and mark on the keel plank stations 1, 3, 4, 5, 6, 7, 8 by measuring along the curve of the keel plank from "A" the following distances:

"A" to station 1—forward	6-11-3
3— "	2-10-6+
4— "	0-10-7+
5— aft	1-1-2+
6— "	3-1-2+
7— "	5-1-2+
8— "	7-1-3

6. Measure the vertical distance from baseline to keel plank at all stations (except 2 and 9) and record on line 1 of the Worksheet.

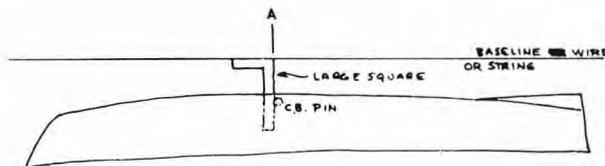

FIGURE 6.

### HULL LENGTHS—

- D. 1. Using a plumb bob, mark the following horizontal locations on the baseline,
  - a) stem at deck
  - b) intersection of W and X
  - c) Point "A"
  - d) intersection of transom and fairbody
  - e) intersection of transom and deck

Paper clips are useful in marking locations on the baseline. To fine the intersection of W and X, hold a plumb bob on a string against a vertical scale until the point stands exactly 18" below the fingers. Then hold the string against the baseline with the fingers just touching the baseline. Move the bob along the string horizontally until the point of the bob just touches the stem. (Fig. 7)

2. Measure forward along the baseline 8-4-7+ from "A" and mark station O on the baseline.

3. Measure and record on the Certificate W plus X, X, Y, and Y plus Z. Measure L.O.A. and check to be sure W plus X plus Y plus Z equals L.O.A. Record L.O.A. on the certificate.

### CHINE AND SHEER HEIGHTS

- E. 1. The use of a combined "Station Finder" and "Breadth Taker" as illustrated in Figs. 8 and 10 will simplify measurement of chine and sheer heights and breadths.
2. Place a "Station Finder" with its centerline progressively on the centerline of the keel plank at each station. At station 1 use a straight ruler by eye. At station 2 through 7 the arms of the "Station Finder" must be down hill. At station 9 the "Station Finder" should be on top of the skag with arms forward.
3. Place "pin" of "Station Finder" on centerline of keel plank.
4. With "Station Finder" located as above, use a plumb bob to mark each station on the chine and sheer, both sides of boat.
5. With the "Station Finder" in position for step E-4, measure and record on the Worksheet in lines 4 and 5 the perpendicular distance from "Station Finder" to chine on each side of the boat. Repeat for sheer entering figures in lines 8 and 9. (Fig. 11) At station 9 subtract the height of "Station Finder" above keel plank (height of skag at this point).
6. Using line drawn across transom (Fig. 13) from chine to chine measure directly vertical distance from this line to baseline and record under T in line 7 of Worksheet.
7. Repeat E-6 using line on transom from sheer to sheer and record on line 11 of the Worksheet.
8. Measure sheer height at 0 directly perpendicular to baseline at point marked in D-1.

### CHINE AND SHEER HALF BREADTHS—

- F. 1. Place the sliding shoe on the "Station Finder" so that it becomes a "Breadth Taker". Place the pointers simultaneously at both chines for each station progressively.\* Squeeze the shoe firmly to the

straight edge, then measure the distance between pointers and record on line 12 of the Worksheet. (Fig. 10a) Repeat at all stations. Measure breadth at T directly across transom.

2. Repeat at sheer recording in line 14 of the Worksheet. If rub rails are in place be sure to subtract both.

\*Note: If chine is rounded special precautions must be taken in E and F. To find the exact intersection of bottom and topsides we suggest the use of a "Corner Finder" as illustrated in Fig. 12.

### INTERPRETING THE WORKSHEET—

1. Centerline Height—Add line 1 plus line 2 and record on line 3. Line 3 is the centerline height and may be transferred to the certificate.
2. Chine Height—Add line 4 plus line 5 and divide the sum by two and enter on line 6 to get the average port and starboard chine height above the keel. Add line 6 plus line 1 and enter the sum in line 7. Line 7 is chine height and may be transferred to the certificate.
3. Sheer Height—Add line 8 plus line 9 and divide by two and enter in line 10 to get the average port and starboard sheer height above the keel. Add line 10 plus line 1 and enter the sum in line 11. Line 11 is sheer height and may be transferred to the certificate.
4. Chine Half Breadth—Divide line 12 by two and enter the result in line 13. Line 13 is chine half breadth and may be transferred to the certificate.
5. Sheer Half Breadth—Divide line 14 by two and enter the result in line 15. Line 15 is the sheer half breadth and may be transferred to the certificate.

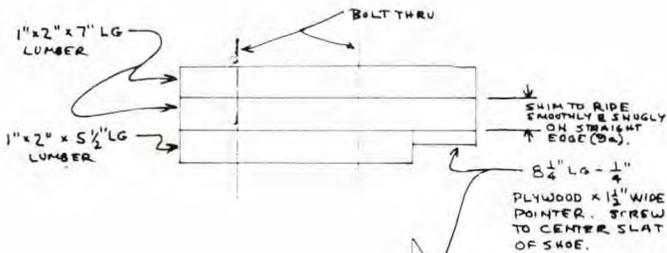

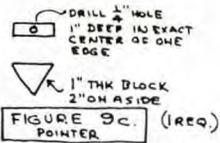

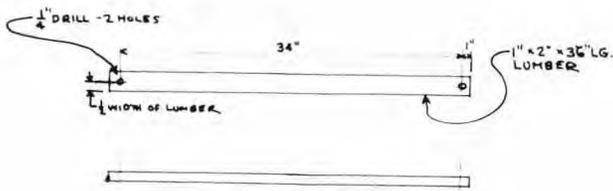

Note: It is recommended that the Official Measurer keep the Worksheet until the certificate has been approved so that he may recheck any figures questioned by the Measurement Committee.

### MISCELLANEOUS MEASUREMENTS—

1. Measure and record on the certificate keel widths as required.
2. Measure along bottom edge of skag from after end to intersection of skag with keel and record on certificate.

**FIGURE 12.**

Measure thickness of skag and record on certificate. Measure height of skag from its aftermost bottom edge along the after edge to the keel and add the amount the keel stands proud of the bottom at the centerline from Line 2 of the Worksheet and record on the certificate.

3. Check and record planking thickness wherever visible. Measurements are often possible at intersection of planking with transom, automatic bailers, etc.

4. Measure from the bottom of the keel to the bottom edge of the centerboard pin and record on the certificate.

5. Measure width of centerboard slot through keel and record on certificate.

6. Check the bottom arcs. It is suggested the Measurer use two templates made of plastic or 1/4" plywood about three feet long each as illustrated in Figure 14.

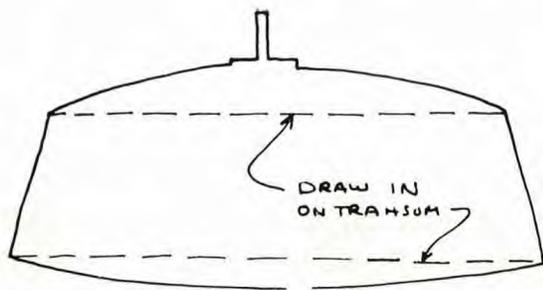

FIGURE 13.

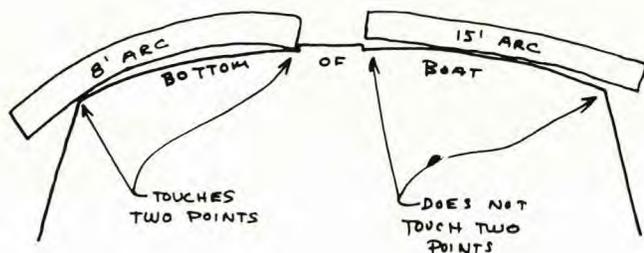

FIGURE 14.

The 8' arc should first be slid over the bottom holding it perpendicular to the centerline. This arc should touch the hull at the keel and at the chine simultaneously for the entire length of the boat. If it does not, the arc of the bottom is less than 8' and must be so noted on the certificate together with the locations which do not check out.

The 15' arc should likewise be slid over the bottom in the same manner. This arc should never touch the hull at keel and chine at the same time. If it does, the arc is greater than 15' and must be so recorded on the certificate together with those locations which do not meet the test.

If the hull meets both tests successfully the measurer should note in the appropriate space on the certificate, "Greater than 8'—Less than 15'".

### SECTION III

#### Measurements to be Made With Boat Assembled

1. Weigh the boat as described in the Specifications and record weight on the certificate. If the weight is under 700#, add weight as specified. When weight is added the Measurer should record the weight before additions, then the amount added with a description of the type of weight added and locations. I.E.: "690# plus 5 sash weights totaling 10# lashed to underside of deck forward of spar. Total weight 700#."

2. At the same time the boat is weighed the centerboard should be lowered as far as it will go. Measure the distance from bottom of keel to the lowest tip of the centerboard approximately perpendicular to the waterline. Record this dimension in the appropriate location on the certificate. The measurer should also check at this time to be sure the lowest forward part of the centerboard is at least 9" aft of the forward edge of the centerboard pin. In other words, check to see that the leading edge of the board when fully lowered leads aft. Be sure the boat is properly supported so that it cannot fall on the Measurer while taking this measurement.

### SECTION IV

#### Other Information—

1. Fill in the information requested on the face of the certificate.

2. Before signing the certificate, carefully check the construction against the Plans and Specifications particularly for the following items:

Number, position and size of bottom, side and deck frames.

Size of chines.

Thickness of deck.

Thickness and configuration of seats and floorboards.

Thickness of centerboard trunk.

Size of spar.

Position of chain plates.

Position, size and number of spreaders and stays.

Size of rub rails, spray rails and coamings.

Amount keel stands proud of the bottom planking at its intersection with the bottom planking. (Fig. 1)

3. Be sure to note deviations from the Plans and Specifications or any unusual features of the boat in the space provided.

4. It is suggested the Measurer check the certificate against the published tolerances. Any figures not within the dimensional limitations should be rechecked. The Measurer should explain fully any figures which do not fall within the limits. He should also explain the absence of any of the requested figures or information required on the certificate. This will help eliminate the need for correspondence back and forth between the Measurement Committee and the Measurer.

5. All certificates should be mailed in duplicate to the Lightning Class Association, 308 Center Street, South Haven, Michigan.

6. Certificates will be checked and approved as quickly as possible. Special consideration cannot be given any individual certificate. They will be checked in the order received.

# FIBERGLASS YOUR LIGHTNING

By George J. Huettl, Fleet 14, Portland, Maine

- No. 1. Taking the paint off "Cormorant."  
 No. 2. Tools for paint removal: (Scrapers, putty knife, file for sharpening same, brush, power sander.)  
 No. 3. Measuring, cutting and rolling the fiberglass in preparation for its application.  
 No. 4. Tools for applying resin and glass: (Gallon cans for mixing, paint tray and roller for applying resin, resin in gallon can, hardener in bottle with spoon on top, acetone solvent, dry rag.  
 No. 5. Author unrolling glass onto resined surface. Mate smoothing cloth out after me.  
 No. 6. "Cormorant's" bottom fiberglassed. (Final coat and sanding yet to be done.)

Fiberglass changed our Lightning (1746) from the fleet clunker to a fleet champion. Of course, new dacron sails and improved tuning did not hurt "Cormorant" any. We still give most of the credit to the fiberglass, however, and in addition, it gave us a watertight boat instead of a sieve, a boat with as smooth a surface when we take it from the water as when we put it in, a boat

that needs much less fitting out in the Spring than it used to, and a boat that is basically stronger, tougher, and lighter than it was. To put it mildly, we are sold on fiberglass and recommend it to any and all Lightning owners and especially owners of older boats.

We did all our own work, got advice wherever we could, and developed the following procedure which worked well for us.

## Step 1: GET OFF ALL THE PAINT.

Take it down to good clean wood and let the wood dry out thoroughly. All books say to use friction only—no preparations and no torch. (Since that time water soluble paint removers have come out—whether they are acceptable or not would have to be checked anew.) We used sander and scraper only. And after removing the paint we sanded as much wood off as time and conditions allowed. You will find it difficult to take off too much

with an oscillating sander. "Cormorant's" bottom, for example, is double planked, and we soon ran into rivets. A few rivets we had to file down, but in general we stopped short of them. The sides were easier, so we sanded these more heavily. All racing experts say to get the weight out of the ends, so we made it a point to sand the bow and stern sections more heavily than amidships. This should explain how we made our boat lighter by fiberglassing, first we took wood off, second we soak up less in the sailing season.

**Step 2: PREPARE THE BOTTOM FOR GLASSING.** This includes removing any oil base rivet or screw hole fillings and redoing them with a water base plastic wood. We mixed up a fiberglass putty of a thickened resin, but that was one of our mistakes since it makes so hard a surface that the sanding down of one plug takes wood away from around it faster than it takes down the plug leaving a pimple effect. We solved this by using a wood rasp to take them down instead of a sander—smoothness, by the way, is not desired. An even but rough surface takes the fiberglass best so use the coarsest sandpaper available. (Caution—we would warn against the use of any but an oscillating sander, it is slow but it will not gouge, and a circular or belt sander will—but use a good heavy duty one.) The fiberglass putty, although not recommended for screw holes, is ideal for large seams; it has strength, will bind to the glass coat, will hold to the edges of the seam, and does not have to be built up in layers. If the seam is wide enough fiberglass threads can be worked into it to keep the resin from becoming brittle. This can be filed or sanded down after it is hard.

**Step 3: CUT THE FIBERGLASS INTO THE PROPER SHAPE.** This is easy to say. It is not really hard to do, but take

your time to avoid fouling it up. Formulas are given in the manufacturer's circulars to tell you how much cloth to buy, but we decided we wanted no short cuts so we got out the rule, sketched our boat and took dozens of measurements, then we calculated our fiberglass needs, allowing for a lot of overlap and error.

Where you buy your fiberglass and resin is where you can get the best buy, of course. We talked to many roadside boat shops but got a much better deal from a big supplier in New York City. Our fiberglass was ten ounce cloth. (Be careful that you are sold ten ounce and not seven ounce cloth since you pay enough for it and seven is too light for the job.) A big supplier is likely to have fresh resin also, and this is important since the shelf life of the polyester resin is less than one year. If your resin is old you may have it burst into flame — this happened to a friend of ours. The cloth is good indefinitely.

We decided to cover "Cormorant's" bottom in three pieces. One to run down the keel and overlap it about two inches on each side from bow to stern, then a piece on either side to run from the keel about two inches past the chine from bow to stern. (The sides were to overlap the chines two inches from the other direction.) Then we were going to lay a second piece down the keel, again to overlap two inches. So we measured, cut, and rolled up our cloth on rolled up pieces of newspaper. You roll the pieces up so they can be unrolled on the tacky surface you are going to prepare with resin. If you don't roll it you will find it impossible to handle large pieces of cloth once the surface to be covered is sticky with resin.

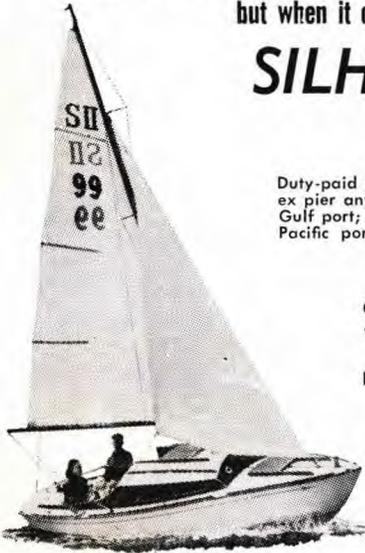

**Step 4: PREPARE THE RESIN.** We calculated how much resin we would need at a time—it is usually more than you would guess, because the dry cedar soaks it up fast, but since once mixed you must use it then and there, we premeasured about three mixtures but waited to mix the second and third until we used up the preceding batch. Mixing is simply adding hardener to the resin. Once the hardener is added you must use the resin or it will harden in the can. (The more hardener added the faster the resin will harden.)

If you are going to add color to the resin—and there is no reason why you should not and every reason why you should—add it to all batches of resin. This can be done beforehand since it does not effect any chemical change. We made the mistake of adding it only to the last resin we applied and did not get the opaque quality in the coat we would have if we had added it to all. Besides, Lightning rulse now state that fiberglass need not be painted, so although you will very likely paint the bottom with some anti-fouling paint, the topsides need not be painted at all. When we did "Cormorant" the rules said—paint over all.

**Step 5: APPLY THE FIBERGLASS.** Mix your first batch of resin and apuly it liberally to the surface to be covered—say the length of the bottom from keel to chine. We found the standard paint roller and paint tray the best tools for applying the resin. The roller is also good for rolling the cloth into the resin. Apply the resin thickly—very thickly. Where it soaks in, apply some more. Then unroll the fiberglass in the approximate position wanted. After being unrolled and placed on the sticky surface, the cloth can be tugged into place more exactly. (A matter of inches, however, not feet.) Smooth and roll all wrinkles and air bubbles out, and you had better have help because you have only

about one half hour after mixing to get resin applied, cloth placed and smoothed out. When satisfied with the lay of the cloth, apply another coat of resin over the cloth while everything is still wet. Then let everything set. While you are applying this last coat have your helper check to see that you have not changed the lay of the cloth and have not rolled wrinkles into it.

It will first get tacky, then like gelatin, then hard as glass. When it is like gelatin, edges of overlapped cloth can be trimmed and drippings can be scraped from other surfaces. This saves much sanding later. A razor blade is excellent for trimming if done at this time, later only a sander will do it.

The next day another coat of resin can be applied—no sanding needed between coats. Paint roller or brush—as you prefer—for this last coat. (Yes there is a solvent available for cleaning brushes and hands—acetone.) After this hardens, the fiberglass weave should be completely covered by a layer of resin. This will not be nearly smooth enough or even enough for you, however, so now you have a lot of unpleasant sanding to do. Unpleasant because the resin you will be sanding off is powdered glass and is itchy to the face, hands, and arms. However, this sanding will produce a glass-like surface—no pun intended. Finish off surfaces not to be painted with fine paper.

Fiberglass cloth can be overlapped because edges can be feathered, sanded to a knife edge, so no ridges result. We laid a strip down the keel. Sanded the edges. Overlapped the cloth from keel to chine about two inches over

these edges. Sanded these, then laid another strip down the keel, overlapping again. This gave us three layers over the keel seams and with no ridges. This also means that years later patches can be made and sanded down. Cracks developed along "Cormorant's" chines our first season. These we repaired easily by routing, puttying with fiberglass putty, laying another strip of cloth down the chines, and sanding again. We sanded bottom paint off the keel and laid another strip down that after the first season also. Three layers down the keel are not too many in my opinion. The keel takes a lot of abuse from a trailer and the mast works on it like a lever. Our mast used to open up the seams to almost half an inch and take pounds of caulking it seemed.

#### THE CENTERBOARD TRUNK.

How to fiberglass the inside of the trunk is the subject for an article in itself. The hard part is doing the portion you cannot take apart. The top boards we removed, although we had to cut rivets to do so. These boards we sanded, fiberglassed and replaced when ready—this time with screws. The part of the well still in the boat must be sanded down. How best to do this I don't know. We used a trio of wood rasps and lots of elbow grease. But we got down to fresh wood and evened the job out as well as possible. It was rough, but fiberglass will bind to a rough surface better than to a smooth.

In our estimation rollers are the best things to put resin and fiberglass on with, but what roller will fit into the trunk? We finally cut quarter inch wood dowels into six inch lengths, glued felt to them, bored holes in each

end and made handles of coat hangers bent so one end of the hanger fit into each hole, and did the job with these one side at a time. Resin rolled on, glass worked into slot, rolled down, more resin rolled on—then waited until this cured. Other side the next day. The ends the third day. Resin can be applied again over all and after this has cured can be smoothed off with rasp or file.

The top boards can be put on again, sealing the seam with a thickened resin putty. It is a good idea if the seam is very sloppy as age had made ours, to fit a strip of fiberglass into it also. Before the resin sets, screw the boards tightly into place and the trunk should set up as tight and solid as you would like. Finish off the seams with fiberglass putty on the outside after everything has hardened. Inside sloppyness on the seam you can get from the bottom later with a long knife if you catch it when the resin has just thickened or a file if it has hardened.

Do not be surprised if the whole job takes twice as long as you expected, however. We did ours outside in a New Jersey Spring and had to wait for good and warm weather. You cannot fiberglass in the cold. We did not get the centerboard trunk done until the second year and did not have much too much time to do it then. (Needless to say we did not do our fiberglassing outdoors by choice.)

One last thought on the subject. If you have a dinghy beginning to get chewed up a bit, fiberglass this first. The practice will give you a better understanding of how these materials work before you have a chance to run the big job. Besides it will add years to the life of your dinghy.

## MEMO FROM THE '59 INTERNATIONAL RACE COMMITTEE

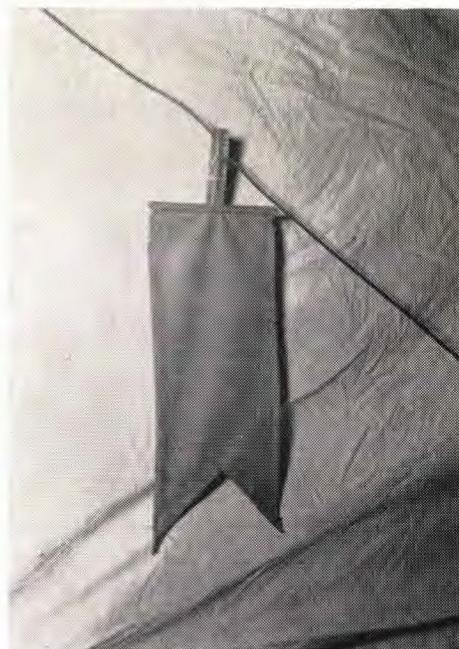

### Protest Flag

Several boats involved in protests in the 1959 Internationals and President's Cup races almost lost their rights to file formal protests with the race committee. Reason: their flags were not securely fastened to the rigging and had slipped down to the deck, making them hard to see.

Charlie Buck, a member of the Protest Committee for the 1959 Internationals, has devised a Protest Flag that will stay in the rigging regardless of the weather. All that is required is a 6x12 inch piece of red cloth, a spring loaded clothes pin, a 1/8 inch diameter dowel 5 inches long, and some thread.

To make the flag cut and hem the flag from the cloth. Insert the dowel in the hem of the leading edge of the flag. Sew the clothes pin to the center of the leading edge and the flag is completed.

The flag is flown by clipping it to the back stay. This can be done in seconds, and does not upset the operation of the boat. As the backstay location gives greatest visibility the skipper is certain that his flag will be seen, thus protecting his right to file a protest with the race committee.

## CHIEF MEASURER—James G. Carson

5344 Magnolia St., Philadelphia, Pa.

Jim has been sailing all his life starting in 1933 when he was six years old in a 17' Atlantic City Cat. He sailed dinghies in college and has owned three Lightnings, #1004, #5284 and his present boat #6884. He also owns and sails a Penguin in which he won the Penguin National Championship in 1957, and missed winning the 1959 event by one tenth of a point. He is a past Commodore of the Metedeconk River Y. C., has served the Central Atlantic District as Treasurer, Secretary, Vice-Commodore and Commodore. His sailing accomplishments are many having been Fleet Champion many times, District Champion in 1954 and 1959 in the Internationals in 1954, 1956, 1958 and 1959 and in the President's Cup three years taking a 3rd, a 2nd and a 4th. Jim is Design Engineer with E. I. duPont de Nemours Engineering Department.

## ASST. MEASURER & VICE-PRESIDENT—

Herman Henschen

1816 Hillenwood Rd., Baltimore 14, Md.

Herm began sailing in 1948 in his homebuilt "Kibitzer", #3140. He has served as fleet captain of Fleet 128, and secretary, vice-commodore and commodore of the Dixie District. In between these jobs, he has been chairman of two Dixie District Championship Regattas and Chairman of the Atlantic Coast Championship Regatta. He was fleet Champion of Fleet 128 for 5 years and Chesapeake Bay Champ for 3 years. He currently owns #7015, "Sugar 'n Spice".

Herm is a Chemical Engineer for the Bethlehem Steel Co. at Sparrows Point, Md.

## TREASURER—Martin O'Meara, Jr. 653 Connecticut Blvd., E. Hartford, Conn.

Marty has been a member of the L.C.A. since 1943, his first Lightning being BABY I, #2248. He now owns two—#6500 BABY II and #7170 BABY MAKE III. He has served as Captain of the Niantic Bay Fleet 85 from 1950 to the present, has served as Connecticut District Secretary and is currently that District's Commodore.

Marty is very well qualified to serve as L.C.A.'s Treasurer, having served in that capacity at Maxwell Studebaker, Federal National Corp. Finance Co., Budget Plan-Finance Co. and O'Meara Motors. He is a partner in Martin Motors and also serves as manager of Martin Motors Export Co.

## PRESIDENT—Burrows Morley

#1 Center Woods, Saginaw, Mich.

Buzz skippers #6400, the successor to #4686 and #2939. Has served as Secretary of the LCA in '54, Treasurer in '55, Advertising Manager of the Year Book in '56, Assistant Manager and Vice-President in '57 and Chief Measurer in '58. Past Commodore and Secretary of the Michigan District. Past Commodore of the Higgins Lake Boat Club and served as Captain of Fleet 110. Hobbies include skiing, knot tying, scotch guzzling and beating skins in the famed Michigan District Bare-footed Philharmonic.

Keeps wolf from the door at Morley Brothers, Hardware Distributors.

## SECRETARY—John M. McIntosh

2 Pinewood Ave., Parkersburg, Savannah, Ga.

John has been sailing since 1930, formerly sailing Scows before switching to Lightnings in 1950. He is a member and former Secretary and Captain of Savannah Fleet 127. He has also served as Commodore of the South Atlantic Y.R.A., Treasurer of L. C. A. in 1958-59 and is a member of the Executive Committee for 1959-1960.

With his Lightning #6612, SCALAWAG V, he won the 1958 S.E.D. Championship. His wife Barbara crews for him and with his six children, he isn't apt to run out of crewmen for quite a while. He is General Manager of a wholesale building materials firm.

## CHAPLAIN—Rev. John F. Steve

633 Main St., West Seneca 24, N.Y.

Sailing has been Rev. Steve's No. 1 hobby for the past 12 years but he never owned or raced a Lightning until the summer of 1956. A chance visit to the Niagara Sailing Club plus the philosophy of Karl Smither quoted in a news article: "The dollars spent on sailing make the most profit in pleasure, family unity and character building of any investment in the world" gave him the needed push to buy his Lightning sloop, "Steal Away". #5676.

Rev. Steve is pastor of Ebenezer United Church of Christ in West Seneca, N. Y., a suburb of Buffalo. His family consists of wife, Marjorie, and daughters Gail, Mary and Margie.

Rev. Steve belongs to the Niagara Sailing Club, Fleet #59, never won a race. His most exciting experience during the 1959 season was tipping over trying an intentional jibe in a 25 mile wind. Still loves to race Lightnings and enjoys the fellowship and friendship of Lightning sailors.

**HONORARY COMMODORE—H. J. Cawthra**  
 454 McKinley Road, Grosse Pointe Farms, Mich.

Hank started racing in 1927. He raced Scows, 17 sq. meter, 22 sq. meter, 210's and other classes before acquiring Lightning #4924, "Broom", in 1951. In 1955 he obtained his present boat #6066, "XL". He has competed in 7 Internationals, as well as many other major regattas. Past Commodore of Crescent Sail Yacht Club, he can be found when not sailing at the Chevrolet Motor Division of General Motors Corp.

**VICE-PRESIDENT—John W. Swanson**  
 761 W. Delavan Ave., Buffalo, N.Y.

Jack is a 38 year old, Irish bachelor who ten years ago gave up the frustrations of playing golf for the "relaxation" of a sailboat. He is now the most frustrated ex-golfing sailor in existence! Jack and John Palmer sail the THREE WINDS #749 which they acquired as a total insurance loss and rejuvenated with confident hopes of overthrowing Allen, Fallon and Smither. They claim they are still trying to catch this threesome and with such grim determination, they will. Jack is Commodore of the Lake Erie District for this year and when he isn't chasing Allen, Fallon and Smither, he earns a living running his own business as a manufacturer's agent covering Heating, ventilating and air conditioning equipment as well as component parts for original equipment manufacturers.

**VICE-PRESIDENT—Philip Joannides**  
 5 Herodou Atticou, Athens, Greece

Philip took his first boat trip across the Aegean Sea at the age of one month. He's been sailing ever since. Primarily a blue water sailor, he started racing in 1938 and raced his first Lightning in 1952 taking second place in the Greek National Championship. A flag officer of the Royal Yacht Club of Greece since 1952, he is responsible for all racing activities of the club. He is a member of the appeals committee of the Hellenic YRA (National Authority); organized practically single-handed Fleet #286, the Greek District and the 3rd European Championship Regatta held in Phaleron Bay in 1957. Phil has a wonderful family—a "seasick" wife, three daughters and a 17 year old son who is already winning cups. He is a graduate of Northwestern University Dental School.

**VICE-PRESIDENT IN CHARGE OF  
 FOREIGN AFFAIRS—Carleton J. Allan**  
 118 Ash Street, Port Clinton, Ohio

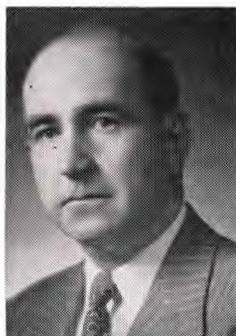

Carleton, more commonly known as "Pinky", has been sailing for over twenty-five years. He has been sailing the Lightning for the last seven years and before that sixes, yawls, cutters and assorted types in both shortcourse and long distance races. He is past president of L.C.A., past commodore of Port Clinton Y. C., past commodore of the Ohio-Indiana District, and is vice-commodore of Put-in-Bay Yacht Club. He is now sailing his third Lightning the "Bad News", before that "Mama's Mink" and "Faker". He owns and operates two Ford agencies, one in Port Clinton and the other in Huron Ohio. Pinky will continue to be in charge of L.C.A.'s Foreign Affairs.

**VICE-PRESIDENT IN CHARGE OF PUBLICITY—**

**Thomas D. Fallon**  
 325 Delaware, Buffalo, N. Y.

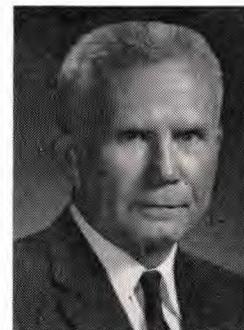

Tom has been sailing for about 25 years in many classes, from eights to snipes. He has owned boats in Corpus Christi, Tex., Wilmington, Del., Philadelphia, Detroit and Buffalo. He has been sailing Lightnings for the past 12 years, first in "Puff #523, and since 1952, in "Flare" #5100. He likes "Flare" very much and thinks it's a very fast boat if he sails it right. He is past Commodore of the Lake Erie District and Past Fleet Captain of Buffalo Canoe Club Fleet #12. He has sailed in six International Championship Regattas and six Mid-Winter Championships. He apparently sails better in winter, or maybe the competition is different. His spare time job is Director of Sales Training for National Gypsum Co., Buffalo, N. Y.—one of the largest and finest manufacturers of building materials in the world.

**VICE-PRESIDENT—Luther B. Griffith**  
 3255 Old Mooringsport Rd., Shreveport, La.

Luther was born in Mansfield, La. about 15 miles from the nearest lake but it was 1951 before he got around to sailing. However, he sails continuously now, both winter and summer, making a mighty effort to beat his girls, Gaye and Louie. Gaye was runner-up in '56 and '57 and Fleet Champion in '58. She also placed third in the Districts in '59 being beaten only by those "old pros" Gene Walet and Tom Allen. Louie, aged 14, promises to do just as well. Lu feels if he lives for another 30 years and practices every day, he just might be able to beat one of the girls once.

To fill in the time away from sailing, Luther works as a Certified Public Accountant and is a member of the American Institute of Certified Public Accountants.

**VICE-PRESIDENT—Raimo-R. Nordstrom**  
Loviisa, Finland

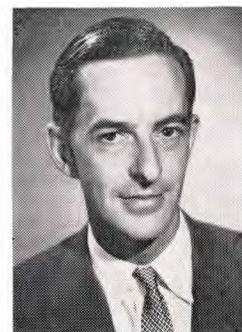

Raimo has been active in Lightnings since 1949. Together with two of his brothers, he owned the Lightning #4334, "Pinocchio"! His new Lightning #6838 "KATRINA" was built in 1958. He has been Commodore for the Finnish District since 1956 and during the off-sailing season he can be found in the shipowning branch of Messrs. Ab. R. Nordstrom & Co. Oy.

**VICE-PRESIDENT—J. R. G. Bleasby**  
33 Standish Ave., Toronto, Ont.

Bob's addiction to sailing began at the tender age of 3 when he fell into the local yacht pond in Scotland. However, it took the sailing bug 30 years to incubate when he started construction of his Lightning #5234. His understanding wife has pronounced him incurable as she once again spends her evenings listening to those "construction sounds".

Interruptions to this project are in the form of the Sailing Committee meetings of the Royal Canadian Yacht Club and visits to the British Trade Centre to occupy the office of the Ontario Manager.

**VICE-PRESIDENT—Charles Nicolet**  
La Cave, La Neuveville, Switzerland

Charles has been sailing LA RAFALE #5839 since 1955. With his friend Theo Moeckli he organized Fleet #268 and now serves as its Captain. He has been the Commodore of the Swiss District for the past three years. With Mr. Moeckli he organized the European Championship held at La Neuveville and has taken part in four of these regattas. Charles has been instrumental in clearing up the measurement troubles in Switzerland. He is a director of a steel and machinery business.

**VICE-PRESIDENT—George V. Fisher**  
3211 Fishinger Road, Columbus, Ohio

George has been sailing Lightnings since his discharge from the Navy in 1946. He owned #721 prior to #4865. three times Ohio-Indiana District Champion, George has served as Secretary and Commodore of the District and as Commodore of the Buckeye Lake Yacht Club, Buckeye Lake, Ohio. He is a general partner in the law firm of Robins, Metcalf & Fisher in Columbus.

He took a wife and a Lightning named "Genie", which he built himself, to represent Hawaii at the 1953 Internationals at the Buffalo Canoe Club, where he was joined by Cy Gillette and Phil Fisk for crew.

He is a past Commodore of the Kaneohe Yacht Club and sails with the Hawaii Lightning Fleet.

**VICE-PRESIDENT—Robert Brown**  
**1625 37th Ave., Seattle, Wash.**

Bob, a gay bachelor of 26 years, started sailing in 1952 in a Blanchard Senior Knockabout. He progressed to another one-design fleet in 1953, the 32' P.C. (Pacific Class). He had this boat for four years and then became co-owner of his first Lightning #3316. He was so enthused about Lightnings that he built #7030 in 1959, naming he CHEERIE BYE. Bob was runner-up in the District Championships in 1958 and winner in 1959. He is currently serving the Pacific-Northwest District as Commodore.

Bob owns and operates "Bob's Landing", a sizeable restaurant located on Lake Washington in the heart of Seattle's sailing fleet. In the winter, like most sailors in the Northwest, he turns to the Northwest's terrific skiing slopes.

**VICE-PRESIDENT—Jose Barreda Moller**

**Camana 615-602, Lima, Peru**

Jose is one of the most active skipers in the Lightning Class, which is by far the most active in Peru. He is the founder of the South American Confederation of Lightning Class Associations under whose auspices the South American Championship is held every year, with an average participation of seven countries. He is a lawyer, listed in the best known American and British Law lists. He is also a member of the Peruvian Congress.

**VICE-PRESIDENT—Hamilton Gates Ford**

**Indian Point Lane, Riverside, Conn.**

Ham first stepped into a sailboat eight years ago and has been spending all of his free time since sailing dinghies and Lightnings. For the last three years he has been co-owner and crew of ENCORE II #6648, which, skippered by his Carter, placed 3rd and 9th in the 1957 and 1958 Internationals and won the President's Cup in 1959.

He is a member of the New York and Riverside Yacht Clubs and has been Treasurer and a member of the Board of Governors at Riverside. Currently Ham is Captain of Fleet 7 and Commodore of the Western Long Island Sound District.

Between regattas he can be found at the New York City real estate office of Charles F. Noyes Company, Inc., of which he is a Director and Executive Vice-President.

**VICE-PRESIDENT—Alton Berg**

**3415 N. Hamlin, Chicago 18, Ill.**

Al wandered onto Charlie Judd's Lightning for a sail in the fall of 1946 and as a result, built his first ISTAR #2662. He started sailing and racing at Cleveland Yacht Club in 1949.

Since 1952, Al has been a member of the Chicago Corinthian Yacht Club's Fleet #5 currently sailing the third ISTAR, #7370. He has served as Fleet Captain and chairman of District Regattas in Cleveland (Ohio-Indiana District) and Chicago (Mid-West District).

When Al can't sail, he skis. And when he can't do either, he works in the Military Electronics Division at Motorola, Inc. where he is Systems Engineer on an airborne radar.

**VICE-PRESIDENT—Cesare Ratti**

**19 Angiporto Galleria, Naples, Italy**

Cesare has served as Captain of the Sorrento Fleet since its organization. Skipper of his own Lightning "SAR-ACO" #4965, he has participated in all Italian and European Championships always finishing well up in the first division. He has competed also in RORC Class regattas held in the Mediterranean Sea and has been a member of "Unione Crocieristi Italiani" since its origin. From 1948 to 1950, he served as President of the U.S.V.I. (Italian Sail Societies Union) Sport Committee. Along with all his sailing activities, Cesare finds time to practice law, for his living.

# MY FIRST INTERNATIONALS

## A Letter to Pres. Buzz from Erick Schmidt of Brazil

Dear Mr. Burrows Morley:

I first want to thank everyone for their kindness to us and especially to Mr. Warren Jones who loaned us his boat and supplied all the materials we needed. My thanks also to Mr. Otto Scherer and family for offering his home to us during our stay in Detroit for the L.C.A. Internationals.

My first lightning race was on March 14, 1959. My boat "Osprey V" wasn't even finished, so I borrowed an old spar from a neighboring club. There are no lightnings in our club. This race was held at Fleet 84 eliminations for the Pan-American games. Our positions were 2nd, 1st, 1st, 1st, out of a fleet of 15 boats. At the District of Brazil eliminations for the Pan-American games our positions were 3rd, 4th, 1st, 3rd, 1st. At the start of the fourth race, there were four boats who could win. Our 1st in the 5th race made us the series winner.

On the last day of the Brazil elimination, we met Mr. Bill Howe, who races with Wally Crump. He invited us to stay with him in the U.S.A. to train for at least 2 weeks before the L.C.A., but for various reasons, we could not accept his invitation. Mr. Howe warned us about the tough competition in the Internationals. I read last year's race results and felt he was correct.

We arrived at the airport on the 11th at 9:00 P.M. and were greeted by Mr. Otto Scherer.

Next day, the tune up race was sailed but we could not enter because we had to trail our boat from B.Y.C. to Crescent S.Y.C.

We were rigging our boat while everyone was returning from the tune-up race and someone told us to fill in our entry for the Internationals. While doing this, someone said "Those boys better enter the President's Cup". We did not like this crack and I told my crew that we came up here to gain experience with the top skippers of the Lightning in the U.S.A.

The 1st race was on the morning of the 19th and we decided to sail our boat close to Cawthra, last year's hero. When the race was cancelled at the second leg, Cawthra was (47th) in position, we were 48th. That served us right. No following any more.

We were quite happy with the way our boat compared with all the others. Since I did not really know my own boat because it was new, I felt at home in my borrowed boat.

In the afternoon we tried a leeward start as we usually do at home with 15 boats. We did not make the mark because so many boats were taking our wind. We had to jibe and make a port tack start. We sailed our own race and at the last mark we were in 3rd place. To tell you the truth, I have never seen so many boats behind me. It was the most beautiful sight I have ever seen in my sailing. It looked like a dream. We lost two positions on the last leg, but we were still satisfied with a fifth.

Next day, we had a poor start and we did not have time enough to catch as many boats as the day before. We were content with an 11th in the morning and an 8th in the afternoon.

I thought I was getting the idea of how to handle a

big fleet, since tactics are not the same in a small fleet. But our starts were not good. It is funny how the boats that start in the middle of the line just carry on knowing they are crashing the line, while others are recalled like we were.

In this race, we picked up quite a few boats. We were about 12th and jibing our spinnaker around a mark, giving room for a boat that took our wind, when about 10 boats shot past us. We finished about 25th. In the afternoon we had to restart again. We recovered our loss and ended in 8th position.

We felt very sorry for Tom Allen in the last leg; he just wasn't "lucky", but Herm Nickels, sailing a very brilliant series, deserved to win.

We appreciated very much the organization of the International L.C.A. and the race committee who worked so hard to set the best courses.

I hope I meet all these good skippers next year; the winners because of their skill, and the losers because of their spirit of competition and showing of good sportsmanship.

I was very happy to bring to Brazil the "Thermis Trophy" and 7th position out of the 53 entries in the L.C.A. Internationals. This is the best position any Brazilian boat ever did in International competition.

Maybe next year there will be 3 Brazilian boats instead of only one.

Best of luck to L.C.A.

Very truly yours,

Eric Schmidt

## LARCHMONT RACE WEEK

JULY 16-24

BE SURE AND VISIT  
OUR ADVERTISERS  
THIS SEASON. SAY  
"HELLO" AND  
THANKS FOR THEIR  
AD IN THE YEAR  
BOOK.

To most skippers and crews the most exciting moments in racing occur on the course. You remember those perfectly timed starts, that super-maneuver at the first mark, or how you really clobbered them with the spinnaker! But to us the excitement comes in the count-down.

Now, most of you don't know about the count-down, but when you sail with us you must go through it before you know whether you are in or not! By this I mean after the last race is over, you start counting the boats between you and your closest competitors. As they are finishing, one from this way, another from that, pretty soon you lose track and all the way back to the club you keep saying, "Are we in, or aren't we?"

Believe me, if you do this twice in one year, you will know how nerve-racking it can be. To have this happen twice in almost the identical fashion in the two top-most Lightning Regattas and come out on top, in the words of our good brother, Tom Fallon, is "Sensational, Fantastic, Spectacular! It's the Greatest!"

No skipper can give too much credit to the crew in this kind of racing, and believe me, I had the best. In the Internationals I had Bob Furey, 230 pounds (really only 160) and my son David, and at St. Pete, Gentleman Joe Stueland and Pete Bennet. It is the work of these boys that make these things possible. Always taking the skipper's orders cheerfully, never fouling the spinnaker, breaking the waves and never ducking to keep the skipper dry, and all the other things I can think up for them. I took my hat off to them three times last summer. (I lost one hat in Lake St. Clair, one in Lake Michigan, and another in Lake Erie.) However, after crewing in five grueling races at St. Pete, Joe Stueland was heard to remark, "Gee, it's worth it to spend \$2000.00 to buy a boat so you can sit in the back and steer and shout."

My impression? We are happy. How could you have a Better Year?

Herman Nickels.

L to R: Bob Furey, son David and Herm Nickels and their victory smiles. L.C.A. International Winners, C.Y.C., Detroit, Michigan.

## HERM NICKELS WINS INTERNATIONAL CHAMPIONSHIP

The axiom "If at first you don't succeed, try, try again" could never more aptly apply to anyone than to the genial Herman Nickels, who won the Lightning Class Championship on Lake St. Clair on August 21st, on his thirteenth try. No one has sailed in as many International Championship Regattas as Herman without winning. So his victory was a popular one and by winning Herman set an example of persistence which all sailors could well emulate not only in sailing but in all activities of life.

Some will say that Herman needed a break to win. Don't we all? Isn't it the smart guy who sees the break and capitalizes on it who wins?

Well, let's forget the philosophy and get down to the story. As many of you know, Crescent Sail Yacht Club, the home Club of defending champion, Hank Cawthra, is situated on the western shore of Lake St. Clair, along Detroit's Gold Coast near the estates of the Dodges, the Fords, and other motor magnates. The race course was laid out in an unobstructed area northeast of the Club. The hundred odd visiting Lightnings were all moored in Crescent's Basin due to the generosity of the Club's members in removing their own sail boats from the Basin. Crescent is exclusively a sailing club with 179 members and one club power boat, called Wrangle, to do the work.

The Fleet was slow to arrive, but by Tuesday midnight, August 18th, everyone was ready to go.

**FALSE START**—The weather for the first scheduled race was light, variable, and uncertain—being not quite able to make up its mind whether to blow or not blow out of the south, southeast, or east. The start was made in a light southeasterly wind which appeared to be dying with the leeward end of the line slightly favored. Fred Hibberd in Flash, #6777, made a brilliant port tack start and assumed an early lead. About the middle of the first leg, those boats out in the lake towards the east received a big lift and at the first mark it was Wes Wiedrick, #7050, Herman Nickels, #7207, Hibberd, McKinley, #5180, and others. Some of the rated boats were well back having held in shore on the port tack. Those to weather on the port tack laid the first mark easily.

Just as the leaders rounded the second mark—bang! bang! The Race Committee cancelled the race due to lack of a weather leg and unsatisfactory conditions. There was much rejoicing by all those who were sitting behind tenth position and surprising enough, there wasn't too much griping by those in the lead. Anyway, the Race was cancelled. Everybody went swimming to cool off, came in for lunch, and waited. Eventually the wind settled down out of the northeast and the Fleet went out in the afternoon with renewed confidence.

**FIRST RACE**—The wind was light but reasonably steady out of the northeast 6 to 8 mph. The leeward end of the line was favored with Herman Nickels getting the best start at the leeward end with Hank Cawthra, Dr. John Gentry, and others. Midway through the first weather leg, Thomas Allen, #4811, forged into the lead

from the middle part of the line and rounded the weather mark first, followed by Nickels, Bill Waingard, #7303, Al Berg, #7370, the Schmidt Brothers from Brazil, #7319, and others. The course, as in all the races to follow, was twice around a large triangle with an extra weather leg. All reaches were spinnaker reaches.

There wasn't much shuffling around of positions until the last weather leg when the wind out in the lake was definitely stronger than in shore and those that went out fared much better. At the finish, it was Tom Allen, Herm Nickels, Al Berg, Hank Cawthra, the Schmidt boys, McKinley, Wingard, Bill Uhl, #6981, Bob Spitz, #5932, and Jim Carson, #6884.

**SECOND RACE**—Wind better out of the south, maybe 7 to 9, but it looked as if it would freshen. Starting line pretty short with leeward end slightly favored. Thomas Allen, #4811, was over the line in the middle and had to restart a bad last. Cawthra clobbered the leeward mark and was out of the series. Shortly after the start, Tom Fallon in #5100, went into the lead followed by Gene Walet in #7120, Charlie Kehoe in #6909, McNamara from Boston in #7218, and others. The wind for this race was relatively steady and at the finish, the first ten were:—Walet, Kehoe, McNamara, Fallon, young Ken Ireland in #7017, Bob Adams in #6906, Tom Munnell in #5985, Uhl, Hibberd, and Tom Allen in tenth place with Herman Nickels fourteenth.

**THIRD RACE**—The wind was pretty good out of the south 12 to 15. Shortly after the start Tom Allen broke clear from the windward end and led at all marks to win the race easily. Fred Hibberd was second at the first mark, followed by Nickels, Fallon, Sykes in #6919, Cawthra Schudel in #6161, and others. Uhl tried to pinch around the first mark, failed, hit it, and dropped out. Kehoe was over the line this time and worked his way back to finish tenth. The first ten were:—Allen, Nickels, Hibberd, Sykes, Fallon, Schudel, Cawthra, Schmidt brothers, Munnell and Kehoe.

### SCORE AT THE END OF THREE RACES

(low score for simplicity)

Allen	12	Berg	39
Nickels	18	Munnell	42
Fallon	22	Monte-Sano	46
Kehoe	24	Wingard	49
Schmidt	30	Bob Adams	49
Schudel	35		

**FOURTH RACE**—Wind pretty good out of the south about 10 to 12, slightly shifty but pretty good. Line about even in all directions. Shortly after the start, Munnell, Sykes, and Schudel appeared to be leading from the windward end with Fallon and Cawthra doing well from the middle and those off the leeward end appearing to be out of contention. But McNamara and Marcy Lippincott, in #7298, took long starboard tacks off the leeward end, got a bad header, then a good lift and came tearing out of the Lake to the first mark well ahead with

a group closely bunched astern. On the second leg, Kehoe laid off to leeward with his spinnaker and sailed into a good third place followed by Sykes, Munnell, Fallon, Allen, Cawthra, Schudel, and others. Positions remained generally unchanged on the second spinnaker leg but on the second weather leg, Allen and Fallon went in shore and lost their shirts with those boats going out in the Lake on the starboard tack getting more wind. The fifth leg was a relatively close spinnaker reach in an increasing wind and some boats had trouble laying the fifth mark with their spinnakers. At the finish, it was Lippincott, Kehoe, Sykes, McNamara, Cawthra, Munnell, Uhl, Hibberd, Wingard, Allen—10th, Nickels—11th, and Fallon—12th. Score at the end of Four Races was: Allen, 22; Kehoe, 26; Nickels, 29; Fallon, 32; Munnell, 48; Berg, 52; Schmidt, 54; Schudel, 57; Wingard, 58; Sykes, 59.

**FIFTH AND FINAL RACE**—Wind southerly 12 to 14, pretty good. Black clouds starting to form in the north. Leeward end slightly favored. Big jam develops at leeward end with a whole mass of boats having to cross early and return to start over. Cawthra and Nickels were quickly free at the weather end and sailed around in first and second positions to finish in that order with relative ease. Allen was about tenth at the first mark, with Fallon about twentieth, and Kehoe, who had been boxed in at the start, about thirtieth. As the race settled down, Allen started to pick up boats as did Fallon and Kehoe, but Nickels was sailing around well up in second place.

The black clouds got blacker and lower and came closer, but the clouds were to the north and the wind was from the south. At the end of two complete rounds, Allen was eighth, and Nickels, second with Fallon, 16th, and Kehoe about 20th. So, had the race ended before the storm, Allen would have won, Nickels, 2nd, Kehoe, 3rd, Fallon, 4th and Munnell, 5th. But much was to transpire. Soon the clouds came closer and all of a sudden the wind stopped for those boats who were near the last leeward mark but the wind continued to blow out of the south for those who were well along the last weather leg. The first ten boats finished the race on the weather leg, but what about the others including Thomas Allen? They were becalmed.

Eventually a light wind from the south came up accompanied by thunder, lightning, and a torrential down-pour. In a matter of minutes, the rain water rose over the floor boards in all the boats from ten on down. Before

the rain, the sea was sloppy and with no wind, the Lightnings were tossed about at will like a child's celluloid duck in the bathtub.

As Herman Nickels crossed in second place, all the spectators counted, including Herman and his chubby crew, his son Dave, and Bob Furey one, two, three, four, five, six, seven, eight, all across. Herman has won. Where is Thomas? He is sitting back in the middle of the last weather leg with his blue and gold spinnaker drooped in ugly folds over the bow. The jig was up.

**FINAL SCORE—HIGH POINTS**

Nickels	239	Schudel	209
Allen	235	Schmidt	208
Kehoe	223	Sykes	205
Fallon	222	Cawthra	199
Munnell	217	Berg	197

There are many who may say that Herman was lucky to win. But this writer wonders.

Herman was in a strong second position when the first race was cancelled and many of the subsequent leaders were well back. In a fleet of 53 good boats, Herman accumulated three 2nds, an eleventh, and a fourteenth, which is a terrific record in a fleet of this caliber. Sure, maybe Herman needed a break to win. But certainly the breaks in this long five race series must have averaged out, and let's face the fact fairly and squarely, that Herm sailed a brilliant last race when the chips were down and was in complete contention at all times in all the other races.

Herm's victory was an extremely popular one. This writer knows of no one who has been more active in the Lightning Class Association in the past thirteen years, no one who has kept his nose cleaner in the intense competition that has always existed, and no one that has lost and won as gracefully as has Herman. In New Orleans, Herman became quite ill in the middle of the regatta and his friends were quite worried about him. All rejoiced at his quick and complete recovery, and everyone is happy about the success of a person who keeps trying and trying and finally conquers all obstacles to win.

All our hats are off to you, Herman, and your fine crew of Bob Furey and your son, David. Thanks for the champagne.

Thomas D. Fallon  
 Chairman of Publicity  
 Lightning Class Association.

# CARTER FORD WINS PRESIDENT'S CUP

By Al Bernel

Our new President, Buzz Morley, requested me to write the report on the President's Race as seen through the eyes of a skipper who is old in age but green in racing. Surely, Tom Fallon, my genial teacher told Buzz that I had more than I would do to try and keep out of the way of the other boats, let alone trying to be aware of what all these almost International skippers were doing. Between shouting at my crew (one is my son, so I can get away with it), this is what I observed while siggling a tiller.

**FIRST TRY AT FIRST RACE:** Wednesday morning, starting line set so you could beat down the line on starboard tack, everybody willing so we start on long port tack to first mark. Jack Swanson in #749 first at windward mark by good margin only to have two shots fired across his bow and told the race was only in fun. The only reward from this race was the beautiful sight of seeing ninety-seven dazzling spinnakers flying as the International and President's fleet sailed back to complain or rejoice, depending where you were when the fracas was cancelled.

**SECOND TRY AT FIRST RACE:** Wednesday afternoon, wind light, sun shining, reasonable starting line, butterflies in the bilge as we watch the big race get off ahead of us in a shouting, jockeying mob. Our turn comes after the International fleet reaches the first weather mark. It was a long wait and a long sail before the finish line is reached with Sam Stowell #6877 first, Bob Bleasby #5234 second, Alex Allardyce #6650 third, Carter Ford

#6654 fourth, Al Bernel #7244 fifth. A long day of sailing and only one race complete.

**SECOND RACE:** Thursday morning, wind light, sky clear and bright. We start not too long after the "Big Fleet" on a line that seems too short for our fleet; I wonder how the Big Fleet of 53 got away without any more "trouble" than observed. Positions change drastically on first two weather legs with Bernel rounding in first place second time around only to have the kite foul on jumper stay and Jay Limbaugh take over lead spot. Jay then made the mistake of covering 7244 rather than the rest of the fleet and the long port tack paid off with Carter Ford coming in first, Marty O'Meara second, Jay Limbaugh third, Alex Allardyce fourth, and David Ashton fifth. Me? I finished seventh but I can always tell my grandchildren I was leading for a while until it was necessary to send a brave sixteen year old, Steve Sprole, aloft to free the spinnaker.

**THIRD RACE:** Wednesday afternoon, wind still light, sun bright, starting line tight. Race similar to morning race but with a new face leading the fleet home. Andy Connell in Blue Goose first, that good young skipper Carter Ford second, Frank Morse in Susie Too third, Clarence Holman fourth, and Marty O'Meara fifth. New faces up front because there was cold beer waiting on the lawn if we could get there in time to keep the thirsty International fleet from consuming the suds.

**FOURTH RACE:** Friday morning, wind freshening

to moderate and a good race in prospect. Some of the heavier weather crews start to show strength but the perennial Carter Ford gets out in front and stays there for his second win out of four races which puts him in almost untouchable first place for the top prize. Joe Stueland in #7312 second, Bob Buhr in #6427 third, Jack Swanson in—did you say #749? fourth, Duncan McInnes in #7333 fifth. Fifth and final race coming up.

FIFTH RACE: Friday afternoon, wind fresh with storm pending. Starting line wild as ever with no one being reluctant to being up there with time to spare. After four legs and a shortened course, Carter Ford scores this third win and a convincing first place in the final standing. Jack Swanson with #749, the boat that someone asked him if he had left one of the numbers off of his sail, finished second and with his consistent sailing of 7,9,7,4,2, gave him a final standing of second place in the five races. Joe Stueland finished third, Clarence Holman fourth to gain enough points to finish third in over all standing, Marty O'Meara fifth. Howard Mullin in Tackless #6336 with finishes 9, 8, 10, 18, 6, collected enough points to finish fourth. Alex Allardyce, even with a disqualification in the fourth race, sailed four good races to finish in fifth place. Due to an error of the race committee, the fifth place award was not made to him at the Presentation Banquet but I feel sure he will pride it just as much as if he had been awarded it in the presence of all his good friends. After packing and pointing the convoy home, you have time to stop and appreciate all the effort it took on the part of the host club to provide the President's Fleet with the many facilities required to make this regatta the worthy success that it was to winners and losers alike.

# 5th ANNUAL SOUTH AMERICAN LIGHTNING CHAMPIONSHIP

## Bogota, Columbia, August 12 -16, 1959

The 5th Annual South American Lightning Class Championship Regatta was held at Club Nautico del Muna, Bogota, Colombia in August. The Club Nautico del Muna was founded 15 years ago with 5 Lightnings forming Fleet 73. Besides probably being the highest Yacht Club in the world, the Club has the oldest Lightning Fleet in South America. They now have a fleet of 34 boats and hold races all the year round in which 20 to 25 Lightnings usually compete.

The South American Championship turned out to be quite a success although there were a couple of knock-downs owing to the Muna's rather fierce mountain winds. Everybody had a good time and left Bogota to compete

in the Pan-American Games. Unfortunately the Bogota skippers were unable to go because Colombia, owing to economic difficulties, was unable to assist.

There was keen competition throughout the series and although the host club boats won five out of the six races, they were all hard fought and won by a margin of seconds.

The first race was held on the 12th of August at 2:30 p.m. The wind was 15 knots with brilliant sunshine. Humberto Plaza from Ecuador took the lead closely followed by Obregon from Colombia and Jost Kursell from Peru, in ONE-HOSS SHAY. (This Lightning won the first Pan-American Regatta in Argentina for the United States, five years ago and has since then travelled all over

South America and competed in all the South American and Pan-American Regattas that have been held.)

Positions alternated between these three boats during the first part of the race but Obregon had difficulties with his spinnaker and broke his spreader. The lead was then taken by Kursell followed by Plaza and Jacob from Colombia. This last boat slowly closed in on the leader and finished first. Positions were as follows: 1st, Maurice Jacob of Colombia; 2nd, Jost Kursell of Peru; 3rd, Enrique Plaza, Ecuador; 4th, Rafael Obregon of Colombia; 5th, Guillermo Ballesteros of Colombia; 6th, Alberto Mignone of Argentina; 7th, Hugo Diminich of Ecuador; 8th, Emiliano Rey of Venezuela and 9th, Humberto Plaza of Ecuador.

The second race was held on the 13th of August at 11:30 a.m. Conditions were similar to the first day, although the wind was not as steady. Obregon took the lead from the beginning closely followed by the rest of the Fleet whose positions alternated continually. On the last beat home, Jacob passed the lead boat and a luffing duel started which only stopped at the finish line with Jacob crossing first. The rest of the Fleet were close behind and there were only six seconds between the first and fifth boats. Positions: 1st, Maurice Jacob; 2nd, Rafael Obregon; 3rd, Humberto Plaza; 4th, Enrique Plaza; 5th, Jost Kursell.

In the afternoon of the same day at 3:00 p.m., the signal for the start of the third race was given in a dying wind. The first leg saw the fleet bunched up fighting for positions but downwind Maurice Jacob slowly increased his lead with nobody able to overtake him, although the wind picked up later in the afternoon. He was, however, disqualified by the Race Committee and the resultant order of finish was: 1st, Rafael Obregon; 2nd, Humberto Plaza; 3rd, Enrique Plaza; 4th, Emiliano Rey.

On Saturday the 15th at 11:30 a.m., the fourth race got under way in 15 to 20 knot winds which held up all morning. Jost Kursell of Peru took the lead, closely followed by Obregon. On the second beat, Kursell was passed by Obregon and finished second after fighting it out with Ballesteros. Order of finish was: 1st, Obregon; 2nd, Kursell; 3rd, Ballesteros; 4th, Jacob.

Fifth race—2:30 p.m.—same day. The fleet crossed the starting line in light varying wind led by Diminich from Ecuador, Ballesteros, Migone, Rey, Jacob, Plaza, Obregon, Plaza and Kursell in that order. Positions changed constantly during the first half of the race when Humberto Plaza took the lead followed by Ballesteros and Obregon. Plaza was in sight of the finish and was an almost sure first when Obregon saw a favorable slant of wind that the rest of the fleet had caught and split tacks. Both boats met again 10 yards before the finish line but Plaza had to come about before crossing and Obregon won by two seconds. Following were Migone from Argentina, Ballesteros of Colombia, Kursell, Jacob, Diminich, Enrique Plaza and Rey. All the fleet finished in a matter of 20 seconds.

The sixth race which was raced on Sunday, the 16th, saw strong squally winds that reached 30 knots in the peaks. The first half of the Regatta saw all the fleet fighting for positions with Humberto Plaza and Jacob in the lead. But when spinnakers were raised, they proved too much for most of the fleet and Humberto Plaza, who had wisely abstained from raising his, planed away to a safe lead on a beam reach. He increased this lead on the beat home despite Jacob's determined efforts to catch him. The latter came in second, followed by Enrique Plaza and Rafael Obregon.

# WINTER LIGHTNING CHAMPIONSHIP

St. Petersburg Yacht Club  
February 19, 20, 21, 22, 1960

By Tom Fallon

Tom Fallon of the Buffalo Canoe Club in his Flare, very capably assisted by Jerry Blake and Jack Swanson of the Niagara Sailing Club, took advantage of some very lucky breaks to win the Midwinter Championship by a close margin over Herm Nickels of Lake Fenton, Michigan, and Bob Lippincott of Riverton, New Jersey, and 63 other boats.

It was a good series, starting out on a fairly negative note for some because the sailors on Friday, February 19th, were greeted by a blustery northerly wind and 40° temperature. The morning race was cancelled but by noon the wind had gone down to about 18 to 20, and the hot sun shining from a cloudless sky brought the temperature up to about 55°. It was hoped that two races could be sailed Friday afternoon.

At the skippers' meeting the day before Race Chairman Ted Tolson had promised no races shorter than four legs with a standard course of twice around a fine large triangle in Tampa Bay plus an extra weather leg. The first race Friday afternoon was scheduled for four legs with the hope that another seven-legged race would follow immediately.

The weather end of the starting line was somewhat favored and shortly after the start Marcy Lippincott sailing Uglie, Bob Lippincott sailing Schmeagle (a combination of schmoo and eagle) broke into the clear together with John Sullivan of Saddle River, New Jersey, in Alleluia.

The wind was fairly strong and converging on the first mark. Marcy made an emergency tack to give way to his brother Bob on the starboard tack, trapped his crew to leeward and promptly capsized. Earl Ross of Chicago has also capsized on the starting line and thereby made the Associated Press. Starting the first leeward leg, Bob Lippincott cracked his boom with the vang and Sullivan, Described as the spitting image of the great John L. himself, went by. John was never headed and won the race handily. Bob Lippincott's crew of George Fisher of Columbus, Ohio, and Walter Flynn from Annapolis, Maryland, fished the main boom with a spinnaker sheet a la Sceptre. While this was going on Fallon in Flare overtook Lippincott.

The first ten in this race were Sullivan, Fallon, B. Lippincott, Ed Hennesy, Jim Carson, Wally Crump, Oscar Nelson, Gene Walet, Carl Eichenlaub, Clarence Holman.

Because of the blustery conditions and disabled boats, Ted Tolson cancelled the second race that afternoon.

Saturday morning at race time it was blowing about 25 miles an hour out of the northeast with heavy seas so Ted Tolson postponed the race one hour. The race

started out in about 15 miles of wind. The line seemed fair but shortly after the start those boats that went to the port tack got a good lift. At the first mark Bob Lippincott was first, closely followed by a group. The leaders seemed confused and held very high on the mark allowing those who rounded later to lay off directly to the mark with spinnakers. Lippincott lost his lead but subsequently regained it and held it easily to the finish. John McIntosh third, Herm Nickels fourth, Mack Goodwin in Ultra fifth, Bob Adams from Indianapolis and New Jersey sixth, Carl Eichenlaub seventh, Stu Anderson of Buffalo, New York eighth, Clarence Holman ninth, and Bob Nelson of Toledo in a fibreglass boat tenth.

Third Race. The wind was light, six to eight out of the north. At the first mark Fallon was leading Stu Anderson by one boat length with Bob Lippincott, Dr. Cully Cobb of Nashville, Tennessee, the Davis brothers from Lake Pymatuning, Ohio, Gene Walet and others close behind. It was a pleasant slow race. The first ten were: Fallon, Bob Lippincott, David brothers, Anderson, Nickels, Dr. Cully Cobb, McIntosh, Carson, Bob Adams, and Dave Shay.

At the conclusion of three races, Bob Lippincott seemed to be virtually unbeatable because in heavy, moderate and

light air he had finished third, first and second. He had eleven points on Fallon, 11¼ on Walet, and 19 on defending champion Herman Nickels, and many more on other contenders.

The first two back to back races were scheduled for Sunday morning, much warmer with a beautiful breeze of about 10 miles per hour out of the east. The fourth race was scheduled for seven legs but Ted Tolson announced that it might be shortened to four legs if it turned out to be a slow race—and that's exactly what happened. Shortly after the start the wind dropped but there were still plenty of slants and streaks if one could find them and stay in them. Herm Nickels picked up a shaft off the leeward end and made the first mark well ahead, followed by Jim Carson and Juby Wynne from New Orleans. These three rounded the first mark before the rest of the fleet struggled up to it against a moderate tidal current.

The second leg was very slow with the first three holding their position followed by Karl Smither, Phil Smith from Lake Pontiac fleet, Howard Mullin, Marge Alexander, Fallon, Bob Lippincott, Carl Eichenlaub.

The third leg was a very, very slow drifting beat for Nickels, Carson, and Wynne but a spinnaker leg for the

Scene from "Flashback Follies"—St. Petersburg Yacht Club Home of the "Winter Championship."

## The Difference in Lightnings is Lippincott!

**Skipper know-how**, sails, and one other element make all the difference between a winning boat and "one of the fleet."

That third vital ingredient is builder skill—the ability to put that extra "something" into a one-design that gives her the competitive edge.

A Lippincott Lightning has this extra quality. You can see it in her "Lippincott finish," feel it in her performance. It even shows up in her resale value—highest of any boat of comparable age and condition in the class.

Make this **your** year for a new Lightning by Lippincott—the shop that builds the recognized Cadillac of the Lightning Class. Write or phone Lippincott Boat Works, Canal Ave., Riverton, N.J., (TAlmadge 9-2024) for a folder on the Lightning or for data on Lightning parts, fittings and services:

rest of the fleet. There was a tremendous scramble on this leg with a new south wind slowly overcoming the now dead zephyrs out of the east. Poor Lippincott sat there glued to the bottom with at least ten boats sailing around him on both sides. By the time the fourth boat rounded the third mark, the wind was fairly steady out of the south making it another spinnaker leg to the finish line. Fallon finished fourth, picking up 13 points on Lippincott, and Nickels finished first, picking up 16 points on Lippincott. Going into the last race, therefore, Fallon had a two-point lead on Lippincott, five on Herm Nickels. The others were fairly far back in points at this time.

**Final Race.** The wind had now settled down to a good breeze out of the south with indications of freshening and swinging clockwise to the south-southwest. The weather end of the starting line was slightly favored and, after a couple of preliminary tacks, Fallon came out near the head of the fleet on top of both Nickels and Lippincott. Fallon rounded the first mark second behind Alex Carlin of Miami and Michigan, followed by Bud Olsen from Stratford, Connecticut, Joe Stueland from St. Joseph, Michigan, Bob Adams, Herman Nickels was very close with Lippincott farther back.

Nickels and Bob Adams moved up on the second leg

which was a good spinnaker reach. Fallon lost ground jibing and immediately dousing his spinnaker. At the third mark, Carlin was still ahead followed by Adams, Stueland, Nickels, Fallon, Dr. Murphy.

On the second weather leg Adams closed on Carlin with Nickels, Fallon, and Murphy rounding the mark within a boat length of one another, and Lippincott still running around tenth place.

Herm Nickels with his pretty 18 year old daughter, Madolyn, and Ed Grant, husky 130-pounder planned almost the entire fifth leg and moved way ahead of Murphy and Fallon. There were no significant changes on the sixth leg.

Starting the last weather leg to the finish Carlin and Adams battled it out for first place in the race with Adams finally working out a two-boat length lead in the last quarter mile. Nickels was an easy third followed by Dr. Murphy, Carl Eichenlaub who had been moving very well throughout the whole race, Fallon, Bud Olson, Clarence Holman, John McIntosh and Bob Lippincott.

Subsequent calculations finally established the first ten as follows: Fallon, Nickels, Bob Lippincott, John McIntosh, Carl Eichenlaub, Stu Anderson, Bob Adams, Clarence Holman, Howard Mullin from Saddle River, New Jersey, in a brand new boat, and Dr. Murphy.

*Dave Shay's "One Horse Shay" leading Mark Auer's "Lil' Angel". Jim Kirk's powerboat is in the background.*

## Shooting the Southern Breeze with "Prez-Buzz"

Couldn't make Savannah, darn it—conflicting business dates prevented. Reports were glowing of famed Southern Hospitality. Many visiting Yankee skippers baffled by heavy air, light air, current, and tide—but not Carl Eichenlaub, trailed his boat all the way from California—sailed the water like he owned it—won going away they say. Eichenlaub arrived at St. Pete tabbed as the man to beat.

One St. Pete spectator boat, believe it or not, was an honest to goodness Chinese Junk "Mon Lei" meaning "Ten Thousand Miles"—modernized with diesel power. Extra-ordinarily good spectator boat—you were high enough to see everything. Under power, practically no wake—could stay close to the race without interference to anyone. Surprise of the year was the St. Pete Yacht Club—has had a major face lifting and was truly magnificent. So much so it kind of took the Lightning gang's breath away—at first nobody was sure just how to act. However, after a few noggins of rum (hot buttered on Thursday and Friday with shivery temperatures) the Lightning skippers, crews, and guests began to loosen up—broke the place in and christened it to boot. As usual St. Pete hospitality was super—Costume Ball and Floor Show, super-super. It was an awesome sight to see sixty-seven Lightnings charging up to the starting line—it is unforgettable—man can you hear those ulcers pop thirty seconds before starting gun!

On to Miami—last stop of the Southern Circuit—twenty-eight Lightnings battled it out of Coral Reef Yacht Club—magnificent club on sparkling Biscayne Bay. Good courses, steady winds, warm sun made this a most pleasant series. Your Prez crewed with Jack Price of 40 foot Comanche fame—believe me, Jack can sail them, big or small—he has that touch. But that third race with eighteen to twenty air—"hike out, hike out" saith Jack—"oh my aching back" saith I. Gracious hospitality included a terrific cocktail party at Charlie Kehoe's. (Did Jan Penske ever find her bathing suit?) Another cocktail party with elegant hor d'oeuvres wound up the festivities Thursday afternoon. Trophies were passed out, boats

Carl Eichenlaub's New Boat "Bull". Carl won Deep South and was 5th at St. Pete. Carl traveled from coast to coast for these regattas.

trailerred, good-byes said, and the second Southern Circuit was history. A tip of the hat and a "well done" to hard working committees at Savannah, St. Pete, and Miami. Unseen and unsung they did hundreds of necessary jobs. Thanks to all—see you at Tawas in September.

POINTS BASED ON 66 ENTRIES.

# CALIFORNIA'S CARL EICHENLAUB WINS DEEP SOUTH REGATTA

By Jim Daniell

The 1960 Deep South Regatta was bigger and better than ever with 33 entries, including 10 local boats. Rearranging the schedule to Sunday and Monday, to accommodate the new Southern Circuit schedule, added a great deal to the social aspects of the Regatta, in that, many of the entries arrived on Friday with plans to sail two practice races on Saturday as well as one practice race on Sunday morning before the official Regatta began.

Registration got under way bright and early Saturday morning but high winds did not permit the practice races to be run.

Saturday night a 'Beatnik' Party was held in the Sailoff and we were unable to recognize some of the sailors, others didn't look much different to us. The party was way out, cool man, cool! All the cats enjoyed themselves.

Sunday morning at a Skipper's Meeting it was unanimously decided to postpone all three races of the Regatta to Monday. At noon we held our Annual Deep South oyster roast, which is now becoming routine to the many skippers who appear for the Deep South every year. Some of the most squeamish, the first year, are now ardent oyster eaters, and have a lot of fun at the expense of the 'first timers.' Herm Henschen must have been shorted last year because he brought his own oyster knife.

Sunday evening opened with a buffet dinner, followed by what proved to be the most popular entertainment we have ever had. A local Negro group, the Simmons Gospel Singers, entertained with old fashioned gospel-folk hymns in old fashioned harmony. This unique entertain-

ment really set the mood for the Deep South Regatta and was tremendously enjoyed by all.

Monday morning dawned clear and cold, and everyone had great expectations. The race was scheduled for a 10:00 a.m. start and the fleet cast off from the Yacht Club for the starting line which was to be in front of the General Oglethorpe Hotel. After drifting down the river for approximately an hour, the starting gun was fired at 10:50 a.m. What little wind there was immediately disappeared and the race that was to be dominated by anchormanship, was under way. A lot of skippers experienced the feeling that they were going backwards as other boats passed, and in this race, some of them really were. With the tide running strong, those lucky enough to secure a quick anchor passed many, many boats. The wind finally came up from behind and we had a spinnaker run, more like a spinnaker walk, to the first mark. With a strong tide, the Skidaway River took its usual toll and enhanced its reputation developed in past Deep Souths. With an almost uncanny knowledge of the water, wind and tides, Carl Eichenlaub went into the lead and won the race going away. Marcy Lippincott was second, Mark Auer third, and Tom Fallon fourth.

After a very short lunch, back to the boats for the final two one-lap races. The winds were fairly respectable, and the race started in front of the Yacht Club. Carl Eichenlaub again placed first, followed by Jim Carson, David Johnson and Howard Mullin.

The third race followed the same course with practically the same wind. Jim Carson had really caught on by now and won this race followed by John McIntosh, Carl Eichenlaub, and Howard Mullin again fourth.

of trophies with a special award for the skipper who made the longest trip to the Deep South Regatta—a long ditty bag. It looked like it was made for a spinnaker pole. This went to Carl Eichenlaub for his coast to coast trip. He then awarded all skippers attending the Deep South a more practical ditty bag. Roy Gordon, Commodore of the Savannah Yacht & Country Club, then awarded the trophies. Our good friend and perennial contestant, Tom Fallon, was third with finishes of 4, 6, and 10th. After a respectful 12th in the first race, Jim Carson really got hot placing second and first in the last two races to place second. Carl Eichenlaub with a

first, first and a third, took the top honors. He was awarded the Deep South Permanent trophy, as well as a new spinnaker by the Savannah Yacht & Country Club through the cooperation of Southern Sailmakes at nearby Fort Screven, Georgia.

In the final session of the Hard Luck Club, a lot of unusual things came to light. Tom Fallon who discovered clams in the Skidaway River last year, discovered a whirlpool there this year. The Davis brothers learned their lesson on the Skidaway mark last year. However, they did manage to hit the mark in front of the Oglethorpe Hotel. We all decided that the most dissatisfied sailor

at the Regatta this year was Dave Shay's beautiful dog, Ada, who had to stay on shore while he raced. She cried every time Dave's "One Horse Shay" came within sight of the club.

The Hard Luck Club's annual award went to Bob Lippincott and Jerry Murphy, who elected to follow "a local expert", Ross Allen to Skidaway's eastern shore in the first race. After rounding the first mark well up in the fleet, this trio ran into disaster when the expected breeze didn't come up. It's hard to be an expert on experts.

We are proud of our southern hospitality in Savannah, and this year, two of the sailors actually were escorted

from Atlanta to Savannah by Wally Aggett. He met Bill Hughes and Al Burnel at the Atlanta Airport and came on to Savannah with them. Stu Anderson also spent some time at the Atlanta Airport but missed Wally. He missed some planes due to the weather, but the weather slowed down the Regatta and Stu made it in time for the Oyster Roast. We certainly were glad to see him when he arrived.

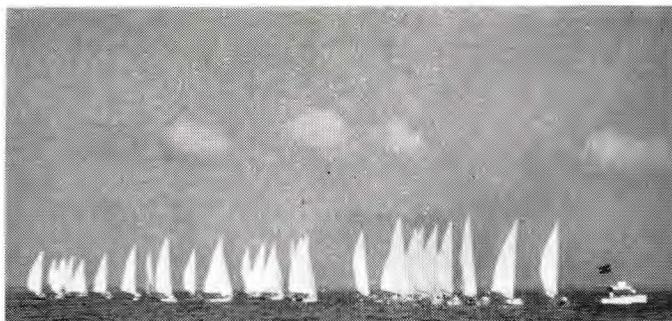

After the boats were pulled out of the water in almost record time, the caravan formed for the trek to St. Petersburg. We felt this was the best Deep South ever. There is one thing we would like our out of town guests to do for us—come again next year and bring your friends.

## CHARLIE KEHOE WINS MIAMI REGATTA OF THE SOUTHERN CIRCUIT

By Esher M. Bothfeld

From early reports received from Savannah and St. Pete, we were looking forward to greeting only eight to ten out-of-town boats at Coral Reef Yacht Club for the Miami Series of the Southern Circuit. Tuesday afternoon brought the glad news that there would be close to twenty-two answering the starting gun. Thanks to wonderful cooperation from Club members and interested Lightning people, we managed to round up extra crew, spectator boats and a real Miami Chamber of Commerce day for Wednesday the 24th.

The sun was shining, the wind—although very gentle—was out of the east south east and the Regatta was underway. It was decided to postpone the first race until 11:00 A.M., and at the sound of the gun, twenty-nine boats got off to a perfect start. Herman Nickels was first

across the line. It was twice around a triangular course with a final windward leg for a total of seven miles.

Charlie Kehoe was first around the weather mark followed closely by Tom Fallon, Karl Smither, Bud Nelson, Gerald Murphy, John McIntosh, Herman Nickels, Earl Ross and Bob Lippincott. Expert spinnaker work on FLARE helped Fallon to establish a lead which he did not relinquish for the entire race. On the 2nd windward leg, Fallon lengthened his lead with Bud Nelson coming up, Herman Nickels moved into third place followed by Smither and Kehoe. Fallon still held the lead but Kehoe had moved up to 2nd position with Smither several boat lengths behind followed by Nickels, Carlin, Jack Price, Stu Anderson, John McIntosh and Gerald Murphy. On the final windward leg Fallon lengthened his lead over Kehoe, Smither maintained third place followed by Stu Anderson and Herm Nickels.

As the second heat got underway at 8:30 P.M., the winds had picked up to 10 to 12 mph. Kehoe came about on a port tack to work his way through the fleet to what seemed the favorable position but Carlin approaching the mark from the North picked up and was first to round, followed by Fallon, Murphy, McIntosh, Price, Nelson and Kehoe. At the second mark, Murphy had moved up to second position, Kehoe was third, McIntosh

fourth and Price fifth. On the second windward leg, Carlin pulled ahead and maintained a lead for the rest of the course. However, he barely crossed the line two boat lengths ahead of Price who was followed by Murphy, Kehoe and Fallon. A perfect race day had come to an end. Tomorrow would be different. The Charles Kehoes had hoisted the cocktail flag at their home and the fleet enmass moved out from the Club to Kehoes. The swimming pool was enjoyed by a few—the Daiquiries by all.

Thursday morning small craft warnings were flying, therefore the race was postponed til 12:30. With another perfect start—19 of the 29 boat fleet crossed the line. Apparently this was Bob Lippincott's weather. Forging ahead to take the lead he was first around the weather mark but Jack Price was not far behind and over took him on the spinnaker run. Their positions changed a number of times with no other boat moving in close to them. It was a quick race, rounding the seven mile course in less than an hour, Lippincott crossed the line with less than two boat lengths between he and Jack Price followed closely by Smither, Murphy, Kehoe, Fallon, Nickels, McIntosh, Marcy Lippincott and Carlin.

While the committee compiled the results, boats were loaded on trailers and readied for the long trip home.

The trophies were presented during a cocktail party hosted by the Coral Reef Yacht Club. Miami Fleet Captain and Regatta Chairman—Richard "Dick" Bothfeld introduced Jack Price—Commodore of the Coral Reef Yacht Club and he presented a trophy on behalf of the club to each first place winner. He then presented trophies to the 1st, 2nd, and 3rd place winners of the Miami Series—Charles Kehoe, Tom Fallon and Jack Price. AND OF COURSE—Tom Fallon was presented the perpetual Bowl—donated by the Association for his high point score of 468½ points for the three series—82 points at Savannah—308¼ at St. Petes and 78¼ in Miami. Dick Bothfeld then called on Alex Carlin to explain the point system for awarding of the Alex Carlin Cup.

Spinnaker Run, Miami.

Alex has worked out a system whereby an entrant at St. Pete can place in the middle or lower half of the fleet there and yet by turning in a good performance here can win the cup. Of the boats coming from St. Pete the first five boats receive one to five points respectively and every other boat receives six points. For their standing in Miami, each boat receives a point for their order of finish. In other words—Tom Fallon had one point from St. Pete and 2 points from Miami for a total of three points or the lowest score and was the winner of the trophy. Charles Kehoe had 6 points from St. Pete, one point from Miami for seven points and was second place winner. The Cup goes to the Club of the first place winner with the name of the first and second winners engraved on the plaques on the base of the Cup. After twelve years the Cup is retired to the Club with the highest scoring average of the first and second point winners.

Miami Lightning Fleet #226 wants to thank you all for coming. Next year we hope to have at least 50 boats come over from St. Pete. We believe our Biscayne Bay offers the best sailing water in Florida and (usually) warmer weather than elsewhere in the State during February. Until next year—good sailing.

# REPORT OF SOUTHERN CIRCUIT CHAMPIONSHIP

By Tom Fallon

1960, the second year of the Lightning Class Southern Circuit Championship series of regattas saw a greatly increased turnout. Twenty-four boats sailed at both Savannah and St. Petersburg; Twenty-five boats sailed at St. Petersburg and Miami; Fourteen boats sailed in all three regattas.

Although the weather at Savannah and St. Petersburg was somewhat less than perfect, the several postponements permitted all the sailors and wives an opportunity to get to know one another better. The cancellations of Saturday and Sunday racing at Savannah helped to make the outstanding social events there even more enjoyable, and the three races on Monday sharpened up all the crews and skippers.

At St. Petersburg it was pretty cold Thursday, Friday, and Saturday, but Sunday was a beautiful day.

The weather at Miami was superb, 80° temperatures, good breezes, and all races were sailed over a perfect triangle in Biscayne Bay, twice around with an extra weather leg.

Scheduling the Savannah regatta on Sunday and the

Tom Fallon just returning to the cold north is greeted with 5 foot drifts of snow and severe weather. Left to Right: Trophies, boat, #5100 "Flare" Thunderbird, Jack Swanson, Marie Fallon, Tom Fallon and Gerry Blake. Gee it's cold here, fellows.

Miami regatta on Wednesday and Thursday substantially increased the participation. The Lightning Class is deeply grateful to its friends at Savannah and Miami for making the sacrifices required to put these regattas on during the week. This permitted the "vacationers" from the North to make the entire trip in a two-week period.

While the regattas were going on the winter's worst storms were taking place in the eastern half of the country. Some boats were prevented from participating at Savannah because of the deplorable driving conditions. Carl Eichenlaub just managed to make Savannah being delayed several days in Mississippi because his towing vehicle was not equipped with a heater or defroster and he couldn't keep the snow off the windshield.

Weather usually averages out. In 1959 the weather for the Southern Circuit was superb, 1960 much better than 1958 and let's hope that 1961 will be like 1959. 1960, however, was the best year this author ever had.

### CALIFORNIA DISTRICT REPORT

**District Commodore:** Wendell Harter.

**District Secretary:** Richard Benner

**Fleets:** Santa Monica Bay Fleet (102); Newport-Balboa Fleet (107); San Diego Bay Fleet (114); Southwestern Yacht Club Fleet (161); Mission Bay Fleet (194).

**District Report:** Again this year, there was no lack of racing activities for all fleets of the District. The first thing on the year's racing calendar was the Southern California Yachting Association Mid-Winter Regatta in February. Up through Thanksgiving there was an average of about three racing events per month all year. In order to fill in the gaps between races, there were some cruises to Catalina Island, day sailing, and the Mallory Series eliminations. Besides the District Championships and the Pacific Coast Championships, there were five well-attended LCA sanctioned Regattas. Lowell North, current world Star boating champion, emerged California Lightning District Champion, breaking the strangle holds of Carl Eichenlaub and Al Coha on this coveted crown. Another thing on the happy side of the ledger is the doubling in numbers of the Santa Monica Bay Fleet. This phenomenal growth was mainly the result of several years of selling by the old guard and the determined work of Big Daddy Ralph Braning and nearly-as-big Ted Staniec as Fleet Captain and Secretary, respectively. Unfortunately, none of our friends from the Northwest District made the long journey south to join us in the PCC's, but at least we did see two L.C.A. boat loads from Eugene, Oregon, skiing at Sun Valley in March, the Wilson Jewetts and the Hobie Wilsons.

Hopes are running high for next season with Carl Eichenlaub building several new boats, one of which has already proven itself by winning the Thanksgiving Lightning Regatta with three first places. He put to use some revolutionary results from model tank test at Cal Tech. Coupling these new boats to the keenly com-

petitive owners should elevate our brand of racing and spread the hardware around a bit more. Competition and camaraderie throughout the fleets are at an all time high for the California District.

The District Championships will be best remembered for the planing, spinnaker reach in the Sunday morning race which truly separated the men from the boys by large distances. The only major mar to the race results was caused by Carl Eichenlaub forgetting to lower the centerboard at the leeward mark and sliding into Lowell North.

Boats finished in the following order in Lightning Regattas this year:

California District Championships—North, Lewis, Wright, Benner, Coha

Pacific Coast Championships—Coha, Benner, Wright, Lewis, Staniec

Ken Reynard—North, Wright, Coha

John Bates—Wright, Tuttle, Harter, Cochrone, Staniec

Stanley Andrews—Benner, North, Harter, Coha, Wright

Thanksgiving Regatta—Eichenlaub, Algert, Harter, Pirie

Several newcomers have made remarkable showings in their first full year with us, and some of the more seasoned racers have suddenly emerged from the pack with the aid of new sails or newly slicked submerged surfaces.

The South Jersey Championships was a six race series held at Brigantine (3 races) and Ocean City (3 races). William P. Clausen in THE WILLIES won the series with six straight firsts. John Walton of Brigantine in STARLIGHT was second and David Thurson of Ocean City in FIJI was third.

Jim Carson represented the Central Atlantic District at the Internationals in Detroit. He finished a very respectable 12th in spite of being fouled in one race. Jim finished first in the Frigid Digit Regatta in Baltimore in late October.

1959 was the first year in a long time that the number of entries in the District Championships has increased over the previous year. We hope this is the sign of a general upswing in the district, both in quantity and quality. Look out for C.A.D. in 1960!

Saturday evening was for fun with over a hundred persons in attendance at a cocktail party and buffet dinner. Rosie and Wendell Ives screened their excellent movie in color which they had made of the '59 Winter Championship at St. Pete.

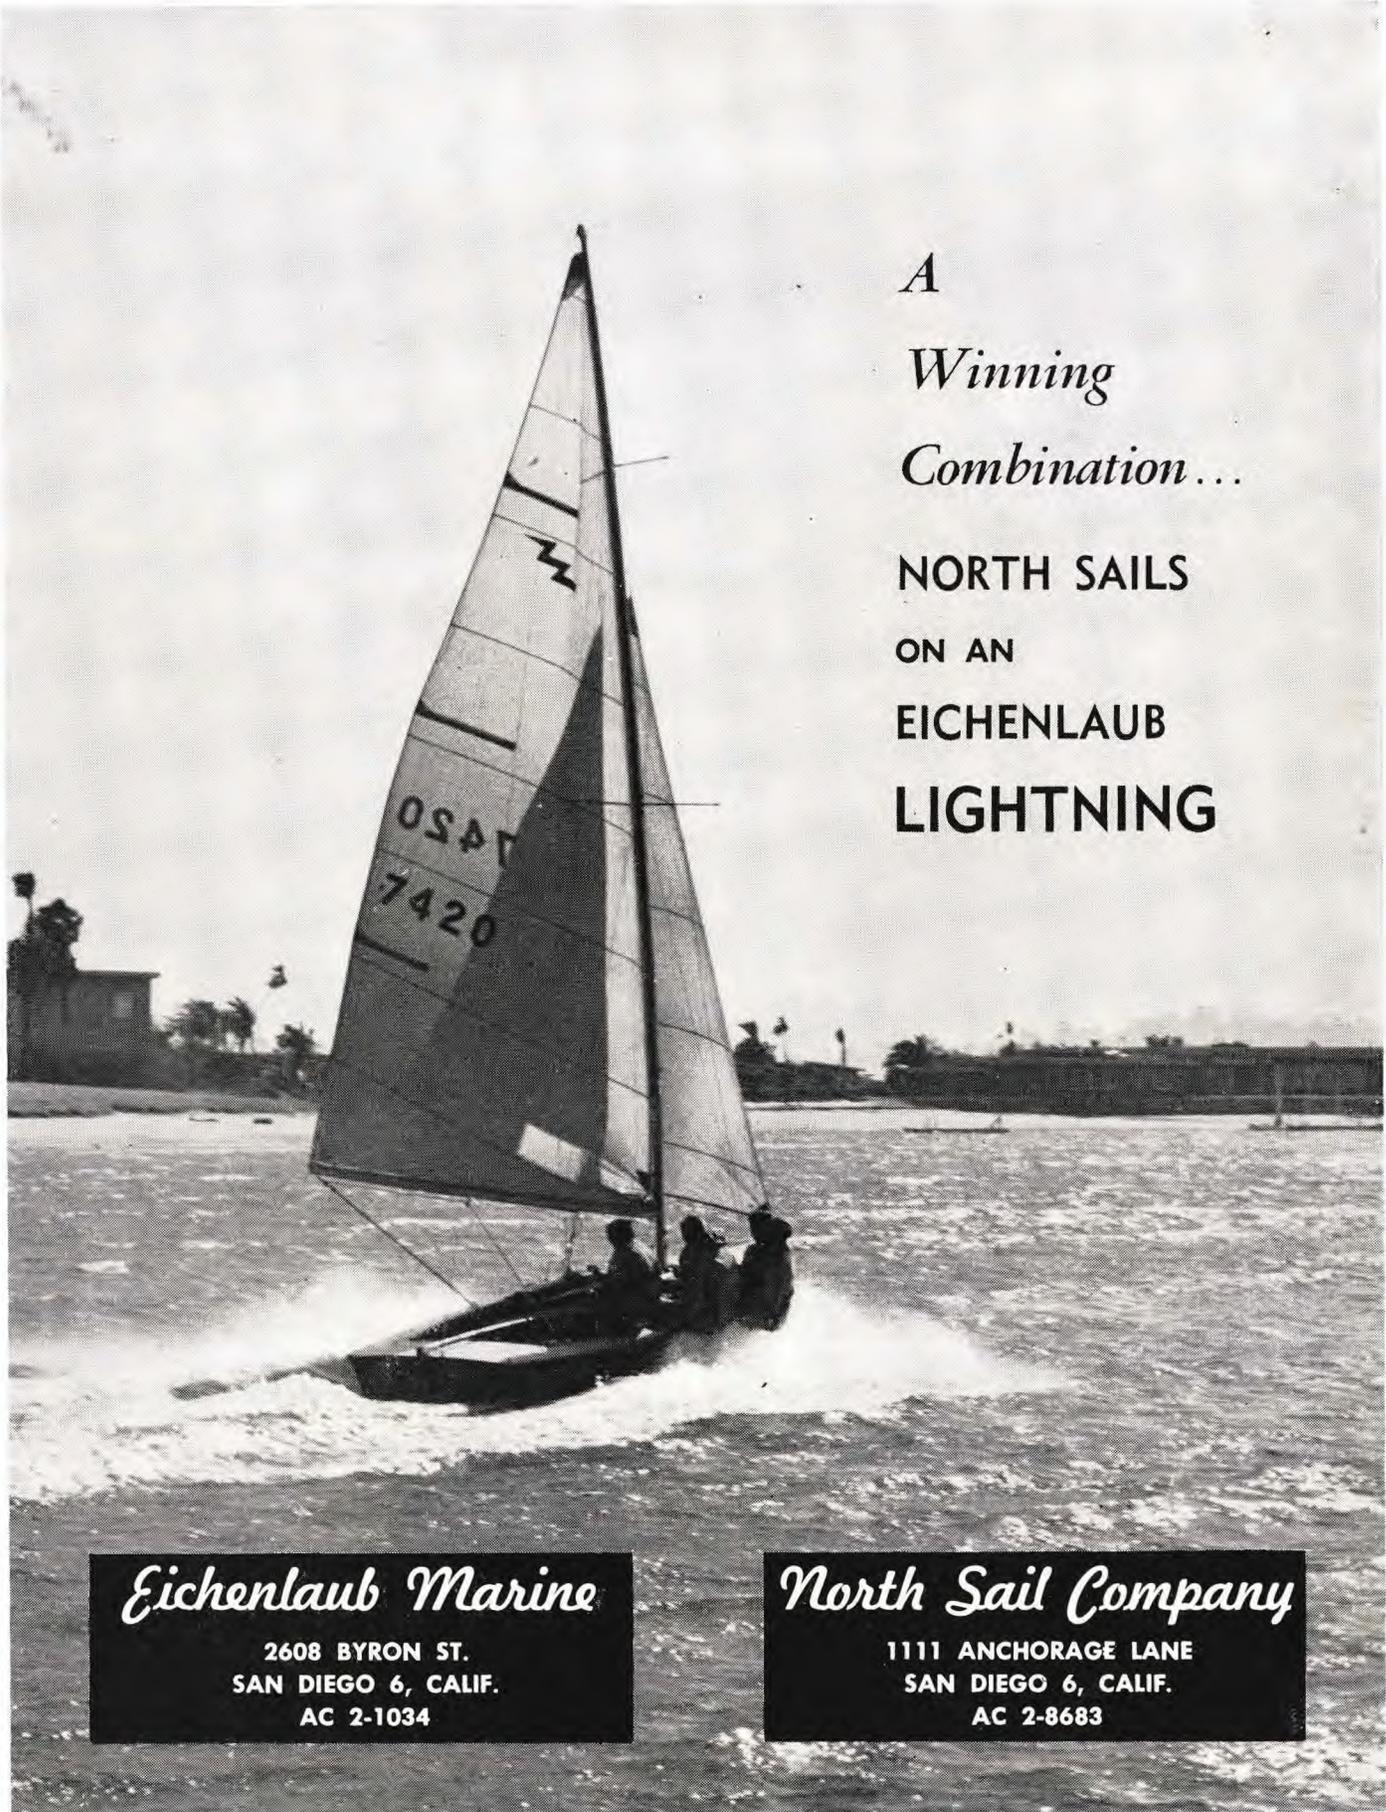

Going into the third and final race Sunday morning Houston was leading Schwartz by 44 points to 42 and Gingerich was in third place with 39. The wind was from the S. E. at 8-10 miles an hour. It later shifted Southerly, laid, then sprang up again from the S. E. with a push of 6-8 miles. The course was twice around, finish to wind. At the windward mark it was Flanagan, Groom, Brander, Seger and Schwartz. Gingerich turned the second mark in the lead followed by Schwartz, Flanagan, Brander and Lennart but at the third mark Schwartz rounded first with Gingerich second and they never relinquished these spots throughout the race. The dying wind with the resulting slicks took its toll in shaking up some of the other positions. The new breeze came to life during the sixth leg and turning the mark for the bear to the finish line it was Schwartz and Gingerich followed by Brander, Seger and Houston. At the finish it was Schwartz, Gingerich, Seger, Houston and Cotton.

The first ten places were as follows:

Place	Skipper	Boat No.	Fleet No.	Points
1	Schwartz	7001	60	64
2	Houston	5855	284	63
3	Gingerich	6602	284	60

Three boats from the District trailed to St. Pete for the 1959 Winter Championship, one of which participated both in Savannah and at St. Pete. Bill Schwartz, District Champion, represented us in the Internationals at Detroit in August.

It appears that a new fleet is in the making for our District

### CONNECTICUT DISTRICT REPORT

**District Commodore:** Martin J. O'Meara, Jr.  
**District Vice-Commodore:** John Barton  
**District Secretary:** Wayne Brockett.—Pro Tem  
**District Treasurer:** Wallace Lineburgh

**Fleets:** Housatonic (6); Black Rock (17); Columbia Lake (49); Branford (63); Candlewood Lake (82); Niantic Bay (85); Groton Long Point (105); Western Narragansett Bay (119); Madison Beach (129); Noroton (134); Pequot (153); Wada-

wanuck (183); Norwalk (230); Milford (238); Darien Boat Club (255); Sachem's Head (269).

**District Report:** Our season started in the biting cold and snow of February when some of our fortunate members trailed their boats to St. Pete. Wally Crump finished in fifth place in this Mid-Winter Championship which is a very good showing indeed with 63 boats in the regatta. Other members were Bud Olson, Bob Crane, Marty O'Meara, and Robert Shealor. They all came back strongly urging the rest of us to get down there next year and start living.

In March we had our Mid-Winter District Meeting and it was a very happy affair with a fine dinner and Bob Carnahan of the Traveler's Weather Service giving us a wonderful talk on Thunderstorms and Squalls.

Early in May the Milford Y.C. held an early or Frostbite Series. Wayne Brockett with his new Lippincott won this one followed by Bruvee Franz and Ken Ireland of Milford Y.C.

Next on June 27-28 came the Early Bird Series at Niantic Bay Y.C. The weather left much to be desired but the racing was fine with Bill Healy of Niantic Y.C. taking the first spot and Wayne Brockett of Branford Y.C. in second. George and Mike Flynn of Niantic Y.C. tied with Ken Ireland of Milford but as the Flynnns had beaten Ireland more times than Ireland had beaten them the trophy for third went to the Flynnns.

Also on June 27-28 the Black Rock Invitational Regatta was held at the Black Rock Y.C. Wallace Lineburgh of Pequot Y.C. was first followed by David Petersen of Housatonic Y.C.

The Pequot Invitational was held on July 11-12 and was a very fine series with really hot competition. Tom Munnell of Pequot won this one followed by Wayne Brockett in second place. Third was a tie between Lineburgh and Flynn with Lineburgh taking the hardware having been ahead of Flynn in more races. Fourth was David Petersen and fifth, District Commodore Marty O'Meara. The writer got his biggest thrill in the regatta when he had a long gabfest with Briggs Cunningham, the skipper of the winning Columbia in the races for the America's Cup. Briggs described the amount of work and tuning necessary to get a cup defender ready and if you think you have trouble getting your Lightning going you just haven't seen anything yet.

Next the Districts on July 25-26 at Noroton Y.C. and sailed in mostly light, fluky, and to the writer at least, frustrating air. We had a very fine turn out and lots of fun. When the smoke cleared away here is the order of finish:

- |                          |                     |
|--------------------------|---------------------|
| 1. Kevin Yaffee          | 6. Mike Shapiro     |
| 2. Tom Nunnell           | 7. Harold Scott     |
| 3. Bob Smith             | 8. Bob Crane        |
| 4. David Peterson        | 9. John Aberly      |
| 5. George and Mike Flynn | 10. William Bachman |

We had a wonderful lawn party at the home of Sam Dorrance, a member of Noroton Fleet. All the boys and men engaged in a game of football after the cocktail party. (No, the cocktails were not the reason if that is what you are thinking.) Also a roast beef dinner served buffet style and was it ever good! In all a really successful regatta.

On July 31 and August 1-2, the Branford Y.C. was host to the Eastern Connecticut Yacht Racing Association's annual regatta. The weather was perfect and so was the racing. In the Lightning division, Bill Healy of Niantic Y.C. was first with Ken Ireland of Milford in second spot. Third went to Mike Shapiro and fourth to our Dist. Comm. Marty O'Meara. This was a really fine regatta attended by very many clubs from all the Eastern end of Long Island Sound.

The Tri-Club Regatta at Milford was won by Wally Lineburgh of Pequot Y.C.

Next in order came the Governor's Cup. The day dawned gray and murky with low flying scud but strangely for such weather the air was light. But it was enough to move the fleet of top contenders around the course and finish the two race series. We had some really good boats at this one and it is our hope that this regatta will become one of the outstanding regattas in this District. Wayne Brockett of Branford Y.C. won this one followed by Kevin Yaffee the Conn. District and Long Island Sound Champ. Third was taken by Tom Munnell who had just previously won fifth place in the LCA International Championships. Competition was hot and the racing was good and so was the fine cookout after the last race. We all went home happy from this one. The date was August 30.

Some of our members attended the International Championships at Grosse Pointe Farms, Detroit. We were all proud of Tom Munnell who finished fifth. This was a terrific win as the competition at the Internationals is very very rough as anyone who has been there can affirm. Marty O'Meara was ninth in the President's Cup after fouling out in one race.

Last regatta of the year was held at Milford Y.C. where the first regatta of the season took place. This was the Last Chance regatta and the weather was beautiful. However, some of the boys, including the writer, could not seem to find the windward mark in the first race. At the finish, Ken Ireland walked away with the silver followed by Bud Olson, Dave Peterson, Wayne Brockett and Burvee Franz.

It was a good season and our members did well. Wally Lineburgh's daughter represented this area in the Women's Junior Championship. We have over 200 paid boats and the possibility of getting a group of Lightning owners at Essex to form a new Fleet. Marty O'Meara, our District Commodore has been elected Treasurer of the International Lightning Class Association. Wayne Brockett has been elected to serve for two years on the Lightning Class Association's Nomination Committee so we are represented in our parent Association. Almost all of the Constitutional Amendments sponsored by the Conn. Dist. were passed by the membership. So we have a good solid District with an interesting future to look forward to and lots of fine racing in store.

**District Report:** The 11th year of Lightning activity in Finland started with the Annual Meeting in Helsinki on October 31, 1958. The previous Commodore, Raimo R. Nordstrom was re-elected, Raimo Aromaa was elected new District Secretary and Treasurer, Erik Suni was elected Vice-Commodore and Stig Wikman 11 Secretary. Jorma Kettunen was elected as "publicity secretary", a new and needed official in the District. His job was to give news of the Lightnings to the papers, arrange Lightning departments in the boat shows, etc.

The Annual Meeting was followed by an informal session. Raimo Nordstrom reported on the L.C.A. Annual Meeting and

Finland District Champ., Raimo-R. Nordstrom of Loviisa Fleet 224 between races at the Gulf of Bothnia, Finland, before all the races were over, and he was not yet sure of winning.

Internationals at Beach Haven, N. J., where he participated in the races. We enjoyed some nice sailing films too.

During the season the Lightning Class has shown more activity in several areas. More than in previous years. Especially the Kokkola, Loviisa and Helsinki fleets have participated actively in all the open races in their areas, and besides Lightnings have started to conquer the thousands of lakes of Finland, where only a few sail boats have been seen before. They did not get enough new boats finished to form new fleets yet in this season, but they are coming. Also several older fleets have reported many new boats built during the season, and more to come.

The District Championship Races were organized for the first time in our District's history this year, in the Gulf of Bothnia, in the Western coast of Finland. Races were perfectly organized by Yacht Club, "Kokolan Purjehtijat" and Kokkola Fleet (297) on July 30 - August 2. Seventeen boats from four fleets entered the races. Loviisa Fleet showed where the good sailors grow this time. Their four boats finished the races first, second, third and tenth. Our District Commodore, Raimo Nordstrom sailing his new boat "Katrina" 6838, wife Lila and Ilmari Elo crewing, won the championship very clearly with four firsts and one eighth position. Vieikko Larmia with his "Pepita" 4130 took the runner-up place again (he took it last year too), and Pentti Helpio, with "Cinderella" 4308 came in third. Former champion, R. Aromaa was left sixth this time. The weather was fine during the races. Only during one heat the wind was very unsteady and it was really bad then.

16. Rauno Polso	Virva 5059	297	26
17. Tero Rautavaara	Calybo 7162	297	11

Several interfleet events within the District included the Helsinki Regatta, the biggest sailing event in Finland every summer. Over 100 boats of most racing classes participated, and not only Finnish, but also Swedish, Danish, German and even Russian boats. Nine Lightnings from the Helsinki and the Loviisa Fleets entered these big races and Raimo Aromaa with "Kesaheila" 5544 won three races and Veikko Larmia with "Pepita" 4130 and Pentti Helpio with "Cinderella" 4308 won one race each. "Kesaheila" also won the Kacklund-Rautavaara Trophy again.

Ten Lightnings from Loviisa, Helsinki, and Kotka Fleets participated in the three day Eastern Finland Regatta in Loviisa.

Two of our District's boats made a long trip in the autumn. "Katrina" Raimo Nordstrom and "Kesaheila" Raimo Aromaa went to the Lightning Class European Championships which were held in Anzio, Italy on September 13-18. 28 top class skippers, crews and boats from four countries, Italy, Greece, Switzerland and Finland, entered the championships and after the five hard races were over the points showed that Raimo Nordstrom, Lila Nordstrom and Ilmari Elo crewing, had finished sixth and Raimo Aromaa 20th.

We hope to get some new fleets to our District next season, especially in the lakes. Fleets reports show that several new boats are coming to make races "hotter" next summer.

## GREATER LONG ISLAND SOUND DISTRICT REPORT

District Commodore: William E. Thomas

District Secretary: Nancy Thomas

Fleets: Cedarhurst Y.C. (2); Sheepshead Bay (38); Hewlett Bay (58); Gardiners and Peconic Bay (116); Mattituck Y. C. (141); Moriches Bay (142); Great South Bay (178); Keystone Y.C. (208); Woodmere Bay Y. C. (300).

District Report: The Fleets in the western section of the District are stirring and interest in racing is running very high. In past years the eastern Fleets were the hub of activities. With the formation of a new Fleet (Woodmere Bay Y.C.) and a revival of interest in Lightnings in neighboring yacht clubs we can look forward to fine competition from this area.

The Dougan-Koehne Memorial Trophy, emblematic of the Greater Long Island District Championship was returned to the waters of the Peconic Bay by Bill Uhl of the Mattituck Y.C. Fleet. The trophy which has resided in this area ever since 1949 was in the temporary possession of the Great South Bay Fleet due to the efforts of Sam Borovich in the Championships held last year at Hewlett Bay.

Bill Uhl in his "Spark II" made a clean sweep of the three race series held July 25 and 26 at the Babylon Y.C. on the Great South Bay. Uhl came in first in each race in spite of hot competition from the other contenders in the 14 boat fleet.

The first race was held Saturday morning when a 10 knot west wind greeted the starters. Uhl led around the 8 mile triangular course and crossed the finish line in front of Mike Zwerling in "Pippa II" of the Sheepshead Bay Fleet. Sam Zorovich in "Mist I" of the Great South Bay Fleet was third and Al Gagliano sailing "Playmate" also of Sheepshead Bay finished fourth.

The weather conditions for the afternoon race were quite similar to the morning with the wind freshening to 15 knots. Uhl took the lead again at the second mark and stayed out in front all the way. Zwerling made a fine bid but was able to do no better than second. Earl Marvin and his "Flamingo" of the new Woodmere Bay Y.C. Fleet finished third and Zorovich came in fourth.

The crews had plenty of practice with their spinnakers during Sunday's race. A 10 knot wind blew from the south which required a windward-leeward course of 3 times around. It was Uhl out in front and first by a large margin. Gagliano and Zwerling battled it out for second place with Gagliano getting the nod. Zorovich was fourth across the line.

In the final standings Uhl took top honors followed by Zwerling, Zorovich, Gagliano and Marvin. Prizes were awarded immediately after Sunday's race. In addition to the Memorial Trophy, Bill Uhl was presented with a plaque containing the silhouette of a bronze Lightning made by members of the host Great South Bay Fleet. The other winning skippers received similar plaques and the crews of the first five boats were awarded individual prizes. The Championship was very well attended and everyone had a good time. The District thanked the Babylon Yacht Club for the fine hospitality shown the visiting sailors. A vote of thanks also went to Lou Orr and his Race Committee for running a perfect series. Saturday evening a dance was held at the Narrasketuck Y. C. in Amityville where the competitors had an opportunity to forget their troubles of the first 2 races. The one note of sorrow in the series occurred on the way to Babylon. Ray Harrington was towing his Lightning under a fixed bridge at which a water level gauge indicated plenty of clearance for his mast. When his boat stopped short he realized that the gauge was wrong but the momentum of the power boat continued to pull the Lightning under the bridge and the mast let go with a sickening crack. It was a terrible blow to Ray and to all the skippers at the Championship.

On the basis of alternating the location of the District Championship as followed in previous years the 1960 series will be held at the Old Cove Yacht Club in New Suffolk and Bill Uhl will preside as District Commodore for the 1960 season.

Bill went on to the Lightning Internationals at Detroit and in spite of a withdrawal from one race because of a fouled mark he finished 11 in a fleet of 53 boats.

Honorary District Commodore: H.R.H. The Crown Prince Constantine of Greece

Honorary Vice-Commodore: H. R. H. Princess Sophia of Greece

District Commodore: Andrew Sinopoulos

District Vice-Commodore: Eleftherios Constantopoulos

Secretary: Platon Louloudis

Treasurer: Anthony Tsoporis

Official Measurer: John Contocostas

Fleets: SALAMIS, Pireaus Sailing Club (251); THESSALONIKI, Salonika Sailing Club (256); PARTHENON, Royal Yacht Club, Greece (286); DOLPHIN, Royal Hellenic Naval Academy (287); ARGONAUTIS, Volos Sailing Club (289).

District Report: Lightning racing in our area was extremely lively during the past season, in spite of the fact that many good skippers and crews were busy racing the Olympic classes, in preparation for the Olympic games of next year. Nearly all Fleets organized regattas. Participation in these races was more than gratifying. The interest and enthusiasm of H.R.H. the Crown Prince Constantine of Greece, and his Sister, H.R.H. Princess Sophia, greatly assisted in promoting the Class, and contributed to the increased racing activity of last season. Their Royal Highnesses, in spite of a tight schedule always found time to participate in practically all races in Greece with their boat "Triaina". They also participated in the European championship at Anzio, Italy in September, 1959. The main events of 1959 were (a) The District Championship which took place in the beautiful Island of Corfu and (b) The European Lightning Championship in Italy. The Greek District Championship took place last August 13th to 18th and was attended by 20 boats from all Greek Fleets. The prevailing winds were light and shifty making it difficult for the Racing Committee to establish a proper starting line. It was often late in the afternoon before there was enough wind to start the race, but all five races were successfully completed within the time limit. Their Majesties the King and Queen of Greece and other Royal guests followed the races closely. Also the local pop-

ulation, The Greek Royal Navy greatly contributed to the success of the event, by providing a Committee boat, stake boats and transportation of the Lightnings and crews to and from Corfu. The results of the regatta were as follows:

Fleet 287 "Triaina", Skipper H.R.H. The Crown Prince Constantine of Greece	96 points
Fleet 286 "Effi", Skipper A. Sinopoulos	90 points
Fleet 251 "Albatros", Skipper Bonas Spiridon	76 points
Fleet 286 "Manouskos", Skipper Golemis Panos	76 points
Fleet 256, Skipper T. Yiannakos	72 points
Fleet 251 "Nefeli", Skipper T. Magoulas	66 points
Fleet 286 "Marilena", Skipper G. Stalounis	60 points
Fleet 286 "Hrisanthis", Skipper E. Constantopoulos	56 points
Fleet 287 "Ksifias", Skipper A. Hatzakis	55 points
Fleet 289, Skipper O. Hatzivassilis	48 points

The prizes were presented to the winners by Her Majesty the Queen of Greece during a reception held at the Hotel "Castello Bibeli" in Corfu. Four of our boats participated in the European Lightning Championship held in Italy during last September. Bonas put up a good fight as well as the Crown Prince Constantine, who was racing for the first time in an International event and is only in his second year of sailing.

The Greek boats were as follows:  
 "Albatros", Skipper S. Bonas, 4th  
 "Triaina", Skipper H.R.H. Crown Prince Constantine, 5th  
 "Effi", Skipper A. Sinopoulos, 10th  
 "Krinis", Skipper G. Andreadis, 12th

We hope that in next year's European Championship our skippers will improve their positions in Switzerland, in line with the gained experience in such events. Our visiting skippers and crews enjoyed the traditional Italian hospitality and the organizing Committee made every possible effort for the success of the event.

Two new boats are now being built here, and three more have been ordered in the U.S.A. and one in Italy. A new fleet is expected to be organized in Mytilini Island and possibly a second one on the Lake of Yannena.

The District sends its warmest greetings to all Lightning sailors.

Italian District Championship was held at Chigi's castle, before opening the European one. Eighteen boats entered the District Championship.

The European Championship began on September 15th. Two races were held each day on the 15th and 16th, and the last race was sailed on September 17th. Fandango 2nd took first place in all 5 races.

Prince Constantine, the Crown Prince of Greece, Duke of Sparta, having as crewmen the Princess Sophia and Lt. Estinglou, was one of the best contestants. In one race his boat "Triaina" finished 2nd and 5th in three races, finishing very near to the Greek team, Bonas, and to the Italian team, Vincenzina. She kept the 2nd final position, but was then overtaken by the Greek boat "Albatros" and the Italian boat "Vincenzina", which was runner-up in the Championship.

Their Majesties the King and Queen of Greece followed the races and attended the awarding of prizes held at Roma Sailing Club where President Prince Spada Potenziani was hospitable host.

### Final positions in the European Championship:

**District Report:** The 1959 District races were held at the Erie Yacht Club, on Presque Isle Bay, August 7th, 8th, and 9th. The weather was almost ideal and, except for 7 or 8 large freighters which were anchored in the bay, causing some peculiar wind shifts, the races went off without incident.

Tommy Allen walked off with the first place trophy for the 7th (or is it the 8th?) straight time. The fact that he is able to do this in a 38-boat fleet only attests to his marvelous skill as a sailor and one of the finest sportsmen well back in the fleet when the gun is fired, 4811 seems to sail through everyone's backwash, to be among the lead boats at the first mark.

Bill Walker, in 6450, finished second and was the only one, other than Tom Allen, to take a first place in any of the five races. In third place was Tom Fallon, 5100, closely followed by Karl Smithers, 7000, and Bob Bleasby, 5234.

Each year, Bob Bleasby seems to get one or two notches closer to the top; and, this year, he was able to break into the first five for the first time. I know that we will be seeing a lot more from Bob in the future.

Tawas Bay Y. C. had a new club house last year and now has added new mooring slips, trailer ramp and boat hoist. The bay is large enough for a clear course with protection on three sides from open Lake Huron and a good view for spectators from their accommodations lining the shore. Races were held on July 10, 11, 12, which brought almost ideal weather. Except for the rain squall which delayed the start of one race, the wind was moderate to heavy with no drifters and no capsizes. The fleet of 48 boats kept the lines crowded and the race committee busy although there was a minimum of protests. When the final gun had sounded, Ed and Bill McKinley of the home fleet with Bill Mallon as crew were named the new district champions with a record of one first, two seconds, a fourth and a fifth totaling 231 points. Just 4 points back was Jim Schudel of Bayview with a first, a third, a fourth, and two fifths for 227. Next came Alex Carlin of Higgins Lake with 220 points, then Wes Wiedrick of Bayview with 216 points for fourth place. To show what a tough district this is, Herm Nickels, who really had a year, winning the LCA Mid-Winters, many invitational regattas and later the Internationals, just qualified with 210 points for fifth place. Hank Cawthra, defending International Champion and four time district champion, withdrew from the third race after hitting a mark and wound up in eighth spot. Allerdyce and Holman took sixth and seventh and Goodwin and Grant rounded out the first ten.

The whole affair was staged in fine style with a Friday night beach party for teenagers and Saturday night dinner dance at the club featuring the Michigan District Barefoot Philharmonic. Good parties, excellent sailing, and wonderful people!

Our district had many fine invitational regattas this summer and are planning even more for next year. So get out your calendar, check our ad for places and dates and make your plans for great fun and top competition in 1960.

## MIDWEST DISTRICT REPORT

**District Commodore:** Harry Spitz

**District Secretary:** Marion Spitz

**Fleets:** Chicago Corinthian (5); Burnham Park (56); Milwaukee Y. C. (69); Decatur (74); Green Bay (112); St. Joe Harbor (113); Gary Boat Club (222); Kentucky Lake (242); Nashville (262); Valley S.A. (266); Clearwater Bay (277); Thunder Bay (279); Michigan City Fleet (20).

**District Report:** The Midwest District got off to an early start with the Annual Meeting at the Conrad Hilton Hotel in Chicago, on February 7th. District Commodore Cully Cobb was in charge, with Carlos Brewer as acting secretary for Ross Bryan.

Gary Boat Club's offer to host the 1959 Regatta, due to Bob Spitz victory the previous year, was accepted. However, the regatta was eventually held at Michigan City Yacht Club the weekend of July 25th, and 26th, due to the Gary Boat Club being sold in the early spring for industrial purposes.

The District Regatta was most successful with 10 fleets represented, and a total of 45 boats registered. The entire regatta was dry sailed. Due to a terrific job by the launching committee, with the aid of two electric hoists, the launching or hauling operation approximated one hour. Both the Saturday morning and afternoon races were sailed in extremely light airs.

Results of the morning race: Bill Wingard 1st, Jay Doty 2nd, Dave Ashton 3rd, Al Berg 4th, G. Sisson 5th. Afternoon results: Bob Spitz 1st, Jay Doty 2nd, Al Berg 3rd, Dave Ashton 4th, J. Hopkins 5th.

The District Meeting was held after dinner and Cully Cobb was succeeded as District Commodore by Harry Spitz.

Sunday morning and still very light air. Results of the Sunday morning race: Jay Doty 1st, Al Berg 2nd, Bill Wingard 3rd, Bob Spitz 4th, R. Tilleman 5th. All sailors went out on the lake for the fourth race, but with absolutely no wind the race was cancelled by the race committee. Final standings of the regatta were as follows: Jay Doty 1st, Al Berg 2nd, Bill Wingard 3rd, Bob Spitz 4th, and R. Tilleman 5th.

The Midwest District was well represented at the Internationals by Jay Doty, Al Berg, Bill Wingard and Bob Spitz. Dave Ashton, Jack Orr, K. Hughes, Deal DeVries, and Joe Stueland, representing the Midwest in the President's Cup.

The Red Flannel Regatta, the usual highlight of the fall season, was sailed in heavy airs. Three races were sailed on Sunday, after postponement on Saturday due to winds of gale velocity. Final standings were Harry Spitz 1st, Herman Nichols 2nd, Bob Adams 3rd, Clarence Holman 4th, and Joe Stueland 5th.

Other excellent regattas throughout the district were the Shake-down Regatta at St. Joe, Governor's Cup Regatta at Kentucky Lake, Burnham Park Y. C. Small Boat Regatta in Chicago, Sand Dunes Regatta at Michigan City, Clearwater Bay Regatta, Milwaukee Regatta, and Nashville Tennessee Regatta. Details of these races can be reviewed under the individual Fleet reports.

### NEW ENGLAND DISTRICT REPORT

District Commodore: Robert D. Stewart

District Secretary: Derwin H. Stevens

Fleets: Centerboard Yacht Club (14); Prout's Neck (94); Taylor Pond (101); Spofford Lake (145); Annisquam (151); Marblehead (189); Bomoseen (227); Lake Dunmore (243); Harraseeket (244); Winnepesaukee (246); Sandy Bay (248); Massabesic (273); Champlain (301).

**District Report:** Thirteen may be an unlucky number but it certainly did not seem that way to the New England District this year. The only unlucky part of the season was the weather which at times appeared to be trying to write the end of all racing in the area. But the enthusiasm of the skippers and crews of the thirteen fleets in the District finally won the battle and the season ended with many memories of regattas being well attended and hotly contested.

The various skippers got their first chance to try each other's skill at the State of Massachusetts Championship on July 11

and 12. Held this year at Marblehead, the regatta offered many skippers the opportunity to sharpen their good humor against the capriciousness of the New England weather. The race Saturday morning was postponed because of the weather and two races had to be sailed Saturday afternoon. But moderate to heavy winds propelled the boats around the course and Saturday night found all boats safely anchored with two races down and one to go. Sunday morning the wind decided to give the contestants a little variety and blew so gently that the course had to be shortened to once around. The prizes were awarded at a chowder party following the Sunday morning race at the Boston Yacht Club. Don McNamara of Marblehead took first prize while two more Marbleheaders, Lou Pocharski and Duncan MacInnes, stole the second and third places respectively.

The weekend of August 8 and 9 found the Annisquam Yacht Club providing almost every pleasure except its famous steady south-west wind as it played host for the big event of the year, the District Championships. While most of the boats from the other fleets arrived Friday afternoon, a few unfortunate lake sailors, accustomed to the constant water level, found that a saboteur had pulled the plug out of the bottom of Ipswich Bay and there was no place to launch the boats. These hardy travelers curled up in sleeping bags next to their boats to catch what sleep they could, for a helpful resident assured them that the water level would be ideal for launching at the pleasant hour of four in the morning.

But despite these troubles, 35 boats, representing 10 of the District's fleets, were ready to go at nine Saturday morning. But again the weather decided to be unkind and with not a breath of air there was no way for the boats to get out the Annisquam river against an incoming tide. In desperation the skippers developed novel methods of propulsion such as walking the boats along a sand bar in waist-deep water. One cruel skipper was seen sending a crew member over the side with a rope around his shoulders and forcing him to swim the boat toward the starting line. Finally help arrived in the form of motor boats and all the Lightnings were towed out into the Bay.

The wind, however, continued to be uncooperative and the race committee called an indefinite postponement. There was nothing to do but drift around and try to avoid a case of sun-stroke. Finally, at noon, with stomachs and tempers threatening, the race was called off for the morning and everyone headed in to a delayed lunch at the clubhouse. Those who elected to try to sail back soon found that at last the southwest breeze was working out from the shore, promising to hold steady for the afternoon.

The wind not only held steady but continued to increase throughout the afternoon. The first race, sailed in light winds from the south-west, was a four mile triangular course consisting of a boat and two reaches. Lou Pocharski's "Spook 3" gained a thirty-three second margin over Don McNamara in "Kinvara" while Richard Price, another Marbleheader, took third place in "Celest."

The second race followed close on the heels of the first and by this time there was enough wind for everyone. In fact, Phil Rand from Sandy Bay found there was a little too much as he gave himself and his crew a bath in Ipswich Bay. But he was the only casualty as the others completed the four-legged, five and one-half mile course. Don McNamara swapped places with Lou Pocharski by beating him with a margin of two minutes while Dick Price again came in third.

The final race Sunday morning was harassed by another change in the weather. The winds were light to moderate from the south and carried with them mist and low clouds that promised rain. And the promise was not broken. During both the down-wind legs of the eight mile race the wind slackened and the rain descended. Limp and dripping spinnakers blocked the forward view while the mist forced everyone to rely on their compasses. But the weather had its compensations for a few. The light airs on the leeward legs gave McNamara and Pocharski a chance to tack down-wind and move up from well back in the fleet to third and fifth places respectively. The race was won by Ben Smith of Annisquam with a margin of thirty-nine seconds over Len Pratt of Spofford. Len had led the fleet for most of the race but lost out near the end.

The final results of the regatta gave Don McNamara first place with Lou Pocharski second and Ben Smith third. As Ben was unable to make the trip to Michigan for the Internationals, the third representative of the District was Dick Price.

The Annual Meeting of the District was held Saturday evening, August 8, at the Annisquam Yacht Club. Robert D. Stewart of Massabesic Fleet 273 was elected District Commodore and Derwin Stevens of Annisquam Fleet 151 was elected District Secretary. Everyone agreed that despite the conditions the regatta had been

a great success and praised the Annisquam Yacht Club for the manner in which the races had been conducted.

Winnepesaukee Yacht Club Fleet 246, based on Saunders Bay, Gilford, N. H. held the State of New Hampshire Lightning Championships on August 15-16 with Lou Pocharski of Marblehead winning the hardware for his third year in a row. Dick Price of Marblehead got second, and Frank Morse also of Marblehead took third, giving the salt water boys another clean sweep as they had there two years previously. Winnepesaukee offered our contestants, numbering 28 in all, beautiful weather with moderate winds, cool, refreshing scenery and water conditions for between races activities, and our hosts outdid their previous year's hospitalities for which they're renowned, with this year's cocktail party followed by the Saturday night party which was a real blast though not late due to preparations and anticipation of the final race. All in all it was a wonderfully different weekend and the District is indeed fortunate in having as fine a group of people and an organization behind them which offers so much to furthering the enjoyment of the sport and especially our class.

The following weekend, August 22 and 23, the Centerboard Yacht Club hosted the State of Maine Lightning Regatta at South Portland. Twenty-four boats were on hand for the first race Saturday afternoon as Len Pratt in his "Bon Joy" held the lead throughout the three mile race. Tricky winds and tidal conditions during this and subsequent races caused several changes of positions during the series with the result that Brad Willauer of Prouts Neck Fleet 94 came out on top to win the series with Gardner Brown of Taylor Pond Fleet 101 taking second, and Len Pratt representing Spofford Lake, Fleet 145, copping honors for third despite his terrific showing earlier. As a fitting conclusion to the Regatta our genial hosts provided a sumptuous luncheon to the visitors followed by a social hour devoted to race "hashing" and the awards presentations. This was followed by fond farewells until next year's event on Casco Bay.

September 12 and 13th weekend arrived with our veteran Bomoseen Lightning Fleet 227 acting as hosts for the Annual State of Vermont Championships at Lake Bomoseen in Brandon, Vermont. Unfortunately for the purposes of this report, while we know that Bomoseen as hosts put their "Best Foot Forward" as they have always done, results of this annual event are un-

known, and thus unreportable. However, rumors have it that our Vermont "cousins" who are among our staunchest supporters, are making unusual plans for Class activities in Vermont for the coming and future years. We're looking forward to completion of these arrangements and to participating!

Concluding the District's annual activities was Lake Massabesic Yacht Club Lightning Fleet's annual Regatta on September 19 and 20th in Manchester, N. H. Fleet 273 members were host to 14 entries for a regatta where near ideal conditions prevailed for two of the three races. Massabesic's third race was hampered by light to non-existent winds which caused some upset standings in the series to say the least. The winner proved to be Richard Price of Marblehead with his 2, 4, 1 average in that order. Brad Willauer, a newcomer visitor to Massabesic, representing Prouts Neck Fleet 94, won second place, and Gardner Brown of Taylor Pond Fleet 101 won out over Spofford Lake's Fred Harris for third position. At the conclusion to Massabesic's Annual Regatta, Yacht Club and Fleet members tendered the visitors a delicious chowder luncheon as a finale to the weekend activities and a fitting conclusion to the District's racing activities for 1959.

The 1959 season came to a fitting close at the mid-winter meeting held on December 13, 1959 at Concord, New Hampshire. Here thirty-one skippers and guests representing six of the thirteen fleets, met for the traditional social hour, banquet and business meeting. At that time District Committees were appointed and a new schedule of events for the 1960 season set up. Governing Board representatives appointed to represent each area were Paul Urion for New Hampshire, Robert Siedel for Vermont, Albert Moore for Maine, and Ken Drewrey for Massachusetts.

Events scheduled and sanctioned for the 1960 season start with the State of Massachusetts Lightning Championships which will be held on July 9 and 10 with Eastern Point Yacht Club and Lightning Fleet 285 of Gloucester, Mass. acting as hosts. This event will be followed the next weekend, on July 16 and 17, by the State of New Hampshire Championships at Lake Spofford, N. H. Marblehead Race Week comes next starting July 23 to 31 inclusive and will again serve as a final tuneup for the New England District Championships which will be held August 5, 6, and 7 in Marblehead. Since the District Regatta will again

be a five race series in 1960, the many skippers who participate in Race Week activities will be able to take advantage of leaving their boats at Marblehead once again, and to return to them the following Thursday night.

After the Districts, Centerboard Yacht Club Fleet 14 in South Portland will once again host the ever popular State of Maine Lightning Championships on Casco Bay. The scene will then change the succeeding weekend to Lake Winnepesaukee for the 6th Annual Lake Winnepesaukee Lightning Championships Regatta on August 20 and 21. Following this Lake Bomoseen Fleet 227 in Vermont will hold the Annual Vermont Championships on August 27 and 28. As a wind up to the District Racing Activities, Massabesic Fleet 273 will hold their 14th Annual Regatta at the lake in Manchester, New Hampshire on September 17 and 18.

In retrospect, the 1959 season has been a very successful one indeed; The demand for and increased attendance at various scheduled State and Local Regattas plus renewed activity of the Prouts Neck, Lake Champlain, and Cape Ann Fleets Areas, as well as throughout the District, gives reason to believe that soon members of the District will be able to enjoy regattas in each of these regions. The wonderful enthusiasm shown by all the members of the District, and the interest expressed by non members clearly indicated that the 1960 season, and years to come, will be better than any we have known heretofore.

### OHIO-INDIANA DISTRICT REPORT

District Commodore: Charles H. Maltbie

District Secretary: Jay Limbaugh

Fleets: Indian Lake (23); Leatherlips (27); Turkey Foot (33); Pymatuning (36); Toledo (42); Buckeye Lake (43); Edgewater (45); Rocky River (71); Port Clinton (136); Mansfield (150); Wawasee (154); Northeast (207); Atwood (212); Berlin (263); Indianapolis (270); Cowan Lake (303); Jolly Roger (313).

District Report: The Ohio-Indiana District continued to be one of the largest and most active districts during the past sailing season. Eleven skippers from our district trailed their boats to St. Petersburg for the 1959 Mid-Winter Championships and from all the "See you in St. Pete's" heard at the final regattas of the fall there will be more there for 1960.

Fleet racing schedules were augmented by inter-fleet racing on Lake Erie during five weekends of June and July, using Port Clinton Yacht Club as headquarters. District Champion George Fisher and his home fleet from Buckeye Lake Yacht Club, along with the Port Clinton skippers competed against other skippers from the Ohio-Indiana and Michigan Districts in informal races.

The regatta schedule opened with the annual Great Lakes Invitational at Toledo, Ohio, where Walt Swindeman and Dick Krauss came out of "retirement" to sail again in the Lightning Class Swindeman taking first, George Fisher second, Bill and Ed McKinley (Michigan District) third, Jim Davis fourth and Krauss fifth. Details of the other regattas may be found in the fleet reports—Pymatuning Regatta, Pow-Wow at Leatherlips, Berlin Lake Regatta, Port Clinton, Harvest Moon at Atwood, Hoosierland held jointly by Indianapolis and Wawasee, and Snowball at Buckeye Lake. At the Snow Flurries Regatta held by Port Clinton Yacht Club the list of entries looked like the Internationals and President's Cup all over again—Jim Schudel winning first place, Hank Cawthra, second, George Fisher, third, Tom Fallon fourth, and Mark Auer fifth, out of a field of competitors also including Herm Nichols our International Champion and Jack Swanson who took second in the President's Cup this year.

The big event of the year—the 1959 Ohio-Indiana Districts ended with George Fisher, Buckeye Lake Yacht Club, holding his Championship title for the third consecutive year. Fisher, skipper of Lightning #4865, My Gal II, with Chris Mykrantz and Don Wilson as crew, went into the fifth and final race of the series tied with Bob Adams #6906, Vagabond Too, but put four boats between them during the last race. (Yes, this is Bob Adams, the 1958 Central Atlantic District Champion, now living in Indiana.)

The Districts, sailed on Lake Erie under the hospitality of the Port Clinton Yacht Club, started off with the first race sailed in light and fluky air. Mark Auer #6503, Lil' Angel, Rocky River, won the race; second Bud Nelson #7323, Toledo Yacht Club; third Johnny Mueller #6493, Ticked Pink, Rocky River; fourth Tom Hendrickson #7223, Indianapolis Sailing Club; fifth George Fisher.

The second race found twelve boats several minutes late to the starting line because of unanticipated difficulty in getting to

the race course because of the Portage River current. The air was a little steadier than during the morning race, but still light. Mueller and Fisher finished first and second. Dr. Chuel Maltbie #6033, **Hot Canary II**, Pymatuning Yacht Club was third with Jim Davis from the same club sailing his boat #6530, **Miss-Fit**, to fourth place. This despite the fact that he was one of those caught in the current! Ed Kennedy #5559, Rocky River was fifth. With two races away, Mueller had 60 points, Fisher 56, Davis 54, Eddie Ballenger, #7147, **Pride 'n Joy**, Buckeye Lake Yacht Club 53, Adams 51 and Auer's late start bringing him 14th and 49 points.

Saturday morning the air was not quite as light. Bob McClaren, #6555, Pymatuning Yacht Club, put **Schuss** out in front with a comfortable lead. Adams was second, Dr. Bill Barnes, #5575, **Ole Snort**, Cowan Lake Fleet third, Fisher fourth, and Bob Mann, #5999, Buckeye Lake Yacht Club fifth. Going into the afternoon race Fisher had 85 points, Adams 81, Davis 76 as did Mueller, and Kennedy 65.

For the afternoon race the air held on the medium side and the clear skies continued to make for comfortable sailing. McClaren and Adams exchanged their morning finishes and a Junior sailor from Buckeye Lake Yacht Club, Tommy Davis, #721, **Blue Marlin**, took third spot early in the race and expertly held it to the finish line. Jim Davis was fourth and Fisher fifth.

At the end of the fourth race George Fisher and Bob Adams were tied at 112 points, with Jim Davis eight boats behind at 104. Mueller and Kennedy now tied at 89 and McClaren close behind with 87. Sunday morning in the final race Doc Barnes moved up into the top ten by winning this one. Positions changed rapidly on each leg during the race. Bob Englebeck, #4668, **Meat Wagon**, Port Clinton Yacht Club, sailed a fine race to come in second. Bud Nelson third; Ted Stirgwolt, #4283, **Ode to Joy**, Cowan Lake Fleet fourth and Jim Davis fifth.

The final standings found George Fisher first with 137 points, Bob Adams second with 133, Jim Davis third at 131, all with a comfortable spread over the rest of the contenders—even though no one of them had put together an "easy" series of finishes. Fisher had a fifth, second, fourth, fifth, and seventh; Adams a seventh, sixth, second, first, and eleventh; Davis a sixth, fourth, tenth, fourth, and fifth. Bud Nelson was fourth with 108 points and Ed Kennedy fifth with 108 also. These five skippers represented the District in the Internationals. Eligible to compete in the President's Cup were the next five skippers, McClaren with 104 points, Mueller 102, Barnes 101, Allen 101, and Limbaugh 99.

At the annual District meeting Johnny Mueller skipper of #6493 **Tickled Pink**, from Rocky River Fleet at Cleveland Yacht Club, received the Ohio-Indiana District Sportsmanship Award. A plaque, donated by George Fisher and Jay Limbaugh and deeded to the District at this meeting, was inaugurated for the express purpose of promoting good sportsmanship in the District based on the principle that where there is good sportsmanship in the District there will always be good racing. Dr. Chuck Maltbie, Youngstown, Ohio was elected District Commodore and Jay Limbaugh, Columbus, Ohio was elected Secretary for the coming year. Plans were made to revise the District Constitution in accordance with the revised LCA Constitution.

The two newest fleets, Cowan and Jolly Roger, are becoming very active and are welcome additions to the district. Men from the Ohio-Indiana District continue active in LCA National affairs; Jay Limbaugh serving as Chairman of the Nominating Committee; George Fisher and Pinky Allan being re-elected Vice-Presidents of the LCA.

### PACIFIC NORTHWEST DISTRICT REPORT

District Commodore: Harry Brault

District Secretary: Jack Gainer

Fleets: Maple Bay (64); Royal Victoria (66); Vancouver (90); Lake Washington (132); Bellingham (158); Chinook (229); Columbia River (283).

District Report: Giant forward strides were made by the Pacific Northwest District in 1959. One of the most important areas of progress was seen in the construction of new boats, as well as the modernization of many of the older boats. This has done a great deal to improve the competition in the District and even greater advances are expected this coming year, as there are many new boats being built at this time. Paralleling this surge of construction was the increase in membership in the Association, with the P.N.W. District having 96 paid members as of August, 1959.

There are now the beginnings of two new fleets in the District and it is hoped that 1960 will see them officially started. Several Lightnings have gone to Spokane and Port Angeles and the new owners are reported to be eager for competition.

Another area of improvement within the District has been in boat measurement. Along with the policies of the International Association, this past season has seen the enforcement of the measurement rules, with a very gratifying result—the majority of boats in active competition have been measured and received their certificates. 1960 should see this program 100% complete. It has been pleasing to see some people who found their older boats too far out of dimension to correct, building new Lightnings—a terrific recommendation for the Class!

As usual, the two major competitive events, within the District, were the P.I.Y.A. Regatta, and the District Elimination Series. P.I.Y.A. was held on the July 4th weekend on Bellingham Bay, "where you can always depend on the wind." As usual, the wind blew for all five races, and ranged in velocity from 10 to 30 knots. Everyone had an exciting sail as the competition was very keen. Bob Brown in **CHEERIE BYE** won, Adrian Thompson in **PASTIME** placed second, and Roger Sahlin in **VIXEN** was third. The "Districts" were held a week later on Lake Washington at the Corinthian Yacht Club. A five race series was sailed in a variety of wind conditions, with Bob Brown winning the series, Adrian Thompson second, and Roger Sahlin third.

This year, the Pacific Northwest was represented in the Internationals in Detroit by Bob Brown and his crew, Gary Syverson and Tom Green, who made the 5000 mile round trip with **CHEERIE BYE**. Perhaps this will be the beginning of annual representation at the Internationals by a Pacific Northwest crew or crews. At the annual meeting of the Lightning Class Association, Bob Brown was elected a Vice-President, giving the P.N.W. its first such position. All of the signs point towards a better-than-ever Lightning year in 1960 for the Pacific Northwest District.

sailed on the Lake, in light shifting breezes.

Johnny McIntosh, from Savannah, Georgia, sailed his "Scallywag V" with the help of his charming wife Barbara, and Dave Johnson as crew, into the enviable position of first place. Charlie Kehoe from Miami, Florida, skippered "Sue" into second place with Sue, his wife, and Jack Price as his crew. Ross Allen came in third in "Wild Goose".

The cooperation and assistance of Commodore Russo and his associates at the Mt. Dora Yacht Club was most gratifying which enabled the group to have a smooth running regatta. Everything was provided for except steady breezes.

Saturday evening, the Savannah Fleet played host to a cocktail party followed by a dinner and dancing at the Yacht Club.

A District Meeting was held on Sunday followed by Trophy presentations.

### SOUTHERN DISTRICT REPORT

District Commodore: Buddy Beyer

District Secretary: Tommy Allen

Fleets: Lake Pontchartrain (62); Mobile Bay Lightning Class (135); Shreveport Lightning Fleet (175); Pass Christian Lightning Fleet (179); New Orleans Lightning Fleet (209); Bay Waveland Lightning Fleet (211); Gulfport Yacht Club (235); Biloxi Lightning Fleet (239).

**District Report:** Sailing and racing in the Southern District never stops. It goes on for the full twelve months a year. A skipper's real problem is to keep his boat constantly in good shape for there are no three to six month layoffs in which the whole boat can be done over.

Racing this year began with the sailing of the Sugar Bowl Regatta on December 27 and 28 in 1958 on the waters of Lake Pontchartrain in New Orleans. It is sponsored by the New Orleans Mid-Winter Sports Association and sailed on the courses of the local New Orleans and Southern Yacht Clubs. The handsome silver sugar bowls awarded the winners attract well over one hundred boats to the races and make it our biggest annual event.

This past year 22 boats participated in the three race series sailed under light weather conditions. Gene Walet in his new boat, Spirit V, won the series and showed the visitors and home folks alike the type of sailing that won him two North American Yachting Championships. Dan Kamperman of Texas was second with Francis Favalora of the New Orleans Yacht Club, third. The Limbaugh's from Ohio with Spirit II, Walet's old speedster, finished fourth. The complete order of finish for the Sugar Bowl is given below.

Skipper	Points	Skipper	Points
Gene Walet	64 1/4	Robert Yeargain	30
Dan Kamperman	60 1/4	Jack Dane	26
Francis Favalora	57	Gil Whitworth	24
Jim Limbaugh	53 1/4	Maurice Stockton	24
Tommy Allen	51	Erston Reisch	22
Neil Hutson	50	Horace Jacob	21
Buck Ballatin	49	Ralph Powless	19
Jim Mullally	44	Guy Leefe	18
Bob Banck	41	R. E. Blanchard	10
Armond Bernius	36	Ernestine Christ	10
Joe Young	35	Kelly Kane	8

Following the Sugar Bowl is the Mardi Gras Regatta, this year staged by the New Orleans Yacht Club. The three race series was won by Cal Hadden, in Jack Dane's Black Jack.

Following the Mardi Gras Regatta a number of our boats journey over to St. Petersburg for the Mid-Winter Championships, the rest of us paint our crafts.

Southern Yacht Club opened its racing season with a Regatta on April 26th and Gene Walet continued his winning ways to take the Lightning event with Tommy Allen and Erston Reisch following.

The Gulf Coast Yachting Association held its opening Regatta in Bay St. Louis at the Bay-Waveland Yacht Club on May 2nd and 3rd. There Mr. Ed Overton past district champion, GYA Champion for three years, and fleet champion since before anyone can remember proved he never loses his touch. The winds were right and Tommy Allen finished second again.

Just two weekends later the ever popular Holiday in Dixie Regatta was held on the often trying waters of the aptly named Cross Lake. What makes the regatta popular is the way the Shreveporters knock themselves out to take care of their guests and serve up wonderful food. What makes it unpopular is that Sam Townsend of Texas fame keeps right on winning year after year. He did it again this year with Walet second by a nose. Other Texas boats did well enough for me to cut out any detailed report of this regatta. This regatta, like the Sugar Bowl, is open

to skippers from all over the country.

The Southern Lightning Districts this year were sailed on June 12, 13, and 14th at the Southern Yacht Club. On the weekend preceding, an open series was held to prep for the districts. In this Tommy Allen the defending District Champion sailed his new boat Ticonderoga and easily won. After the first race of the districts it looked like he might repeat in that event also. He won the race with Walet finishing 5th. The lead in the series was held by Allen through the first four races. Walet won the second and third with Allen finishing second in each. The fourth was won by Walter Heiman, Walet was second and Allen third.

Going into the final race Allen still held a 1 3/4 point advantage over Walet, but Gene managed to put the necessary boats between himself and Allen to win the race and the series. The complete order of series finish is given below.

Skipper	Points	Skipper	Points
Gene Walet	99 3/4	Robert Sporl	42
Tommy Allen	98 3/4	Bob Kammer	39
Gay Griffith	86	Jim Mullally	39
Francis Favalora	81	Gil Witworth	37
Ed Overton	76	Armond Bernius	38
Buck Ballatin	76	Kelly Kane	28
Walter Heiman	65 1/4	Guy Leefe	27
Jack Dane	62	Horace Jacobs	22
Bob Banck	69	Norman Brown	21
Erston Reich	45	Buddy Beyer	15
Harold Sporl	77		

Trailing their boats most of those who sailed in the Districts went to Pass Christian for the GYA Lightning Class Championships. This regatta was held on the weekend following the Districts at the Pass. The weather was perfect, the sailing fine, and the trophies extravagant. The perpetual trophy was presented to the GYA for Lightning competition by Pensacola's Commodore Eugene Taylor. The trophy resembles a large foot tub and is called the Taylor Trophy. The anticipated competition developed into a three way series between Walet, Overton and Allen. Walet took the first race with Overton and Allen following. In the second with Walet covering Overton, Allen won and was followed by Overton and Walet to set up an effective three way tie. The clutch race developed into a duel between Mr. Ed and Gene with Gene finally winning the race and championship. Mr. Ed was second and Allen third. About twenty-five boats sailed in this series and trophies were presented to skippers and crew of the first six boats.

The biggest summer event on the Mississippi Gulf Coast for yachtsmen is of course the annual Race Week. All the fleets from New Orleans race to the coast and spend one or two weeks there racing. This year the races were held at Pass Christian so the Lightnings didn't even have to move. Racing was scored on the basis of the best five out of six races so no one really knew until the end where he stood. Young skippers like Ralph Pringle of Gulfport and Gay Griffith of Shreveport showed themselves to be top competition. Several with new boats like Bob Banck and Jack Dane were always up front. When all the smoke had cleared Tommy Allen wound up winner by a slight margin over Mr. Ed Overton.

The final and deciding race was sailed in a squall with winds up to 40 mph. Walet won the race, Griffith was second, Dane was third and Allen fourth. Mr. Ed was further back.

After the various fleets had held their fleet championships, a team race series was sailed between the New Orleans and Southern Yacht Clubs in Lightnings. Southern won in a closely contested

series. Erston Reisch, Jack Dane, and Tommy Allen sailed their boats for Southern against Gil Whitworth, Guy Leefe, and Horace Jacob of New Orleans.

In the late fall of each year the Fairhope Yacht Club holds their annual Overton Lightning Regatta on Mobile Bay. This year it was held on October 10th and 11th. Winds, rains, and protests combined with other strange circumstances to really shake up the boat standings. In the end Captain Manuel Antone sailing on his home waters won the series. Captain Antone at 78 is our oldest active skipper and with very little doubt is fast becoming our luckiest. Favalora, one of the Districts top skippers, won both the first and third races, but was protested out of the second race to place second in the series. Tommy Allen the defending skipper missed the first race, won the second and finished third in the third to take third. Mr. Overton for whom the series is named also missed the first race and finished fourth in the series.

Our final regatta of district interest is the Frost Bite sailed annually at Pass Christian, Mississippi in early December. Last year it was sailed on December 5th and 6th in a three race series. Results were not available when this report was prepared.

Racing Lightnings is a growing sport in the Southern District. The New Orleans Fleet is now our biggest with about 20 boats, Southern is second with 15 and Shreveport is third with a few less. Fairhope is small in numbers but high in quality. We also note with considerable pleasure the reactivation of the Mississippi Gulf Coast Fleets. Gulfport, Bay Waveland, and especially Pass Christian all had active fleets this year. The Pass Christian Fleet has gained about six boats this year and Commodore Beyer must take credit for most of this growth.

We look for 1960 to be a big year in our district. The big fleets are getting bigger and the small fleets are growing in number. As to our skill . . . well just come to our Sugar Bowl, Mardi Gras, Holiday in Dixie, Frost Bite or Overton Regattas. You're more than welcome.

### SWISS DISTRICT REPORT

**District Commodore:** Claude Lambelet

**District Secretary:** Claude de Bosset

**District Champion:** Santa Maria, skipper—J. P. Weber

**Runner-Up:** Pluto, skipper—P. Pfenninger

**Fleets:** des lacs de Neuchatel et Morat (169); du lac de Zurich (219); Lake Sempach (250); Lake Bienné (268); Lake of Lucerne (281); Lake Greifensee (309).

**District Report:** The General Assemblée of the LCA Swiss District met in Olten in December, 1958. After having discussed a few administrative points, it was possible to state and notice the slow but constant growing interest for the Lightning in Switzerland.

The Swiss and District Championship 1959 have been organized by the 169 Fleet in the bay of Auvèrner (Neuchatel). The regattas as well as the parties have been a success and we take this opportunity for congratulating the new District Champion boat: Santa Maria owned by G. Marchand and skippered by the former owner, J. P. Weber, both from La Neuveville. Pluto owned by E. Fullemann and skippered by P. Pfenninger realized excellent results and therefore acquired the runner-up title. The Commodore is particularly pleased to emphasize that "Quandmeme" owned and skippered by H. Luthy took the 5th place; it is interesting to notice that the representatives of the German speaking part of Switzerland begin to obtain good results and we are sure that the future will soon bring us the first German speaking District Champion.

Host: Fleet 283 — Columbia River — Portland, Ore.

Swiss District Championship race.

We had the great pleasure of meeting Mr. Ridgway from the States, owner of Lightning 6840. He and his family came to attend the whole District Championship. We sincerely hope that other foreign Lightning sailors will take the opportunity of their trip in Europe to visit us, as each Lightning sailor is welcome among his colleagues.

We had to be quite European-minded too as we sent 2 crews with their own Lightnings to Anzio (Italy) for the European Championship 1959. These Swiss Lightnings obtained only a middle-class classification but an enjoying fact is that it seems now from year to year the difference between the first-ones and the Swiss boats digressing.

The European Districts decided during this Championship—the title of which went to FANDANGO superbly skippered by F. Cavallo—that the organization of the European Championship 1960 will be assured by the Fleet 281 of the lake of Lucerne (Switzerland).

We therefore ask all the Swiss members of the LCA to be in Lucerne to give our foreign guests the best reception possible.

**Swiss District Championship Results:**

**WESTERN LONG ISLAND SOUND DISTRICT REPORT**

District Commodore: Hamilton Ford (1959)  
Peter Hannan (1960)

District Secretary: James J. Curtin

**Fleets:** Western Connecticut (7); Larchmont Fleet (32); Little Neck Bay Fleet (55); Seawanhaka Lightning Fleet (88); American Yacht Club (96); Northport Bay Lightning Fleet (98); Execution Rocks Lightning Fleet (106); Manhasset Bay Fleet (133); Hempstead Harbor Fleet (138); Eastchester Bay Fleet (163); Greenhaven Lightning Fleet (260); Rocky Point Fleet (291).

**District Report:** In 1959 Western Long Island Sound District attained the strongest membership in its history, 203 paid members, a feat which is certainly a credit to the hard working Fleet Captains and Secretaries.

Our District took positive action in its responsibility of enforcing the newly published tolerances. Each measurement certificate submitted as a prerequisite to entering the District Championships was carefully checked, and any deviations were brought to the committee and owner's attention. While this caused some unhappiness we can now look back and know that our District is doing its part in keeping the Lightning a strictly one design class. Mr. Walter Hannan has our sincere thanks for the fine job he did checking these measurements.

The first real District gathering occurred at Hempstead Harbor's Annual Invitational Regatta June 27th and 28th, and it is rumored that someone bribed the weatherman, after all a complete three race series must be some kind of a record! Dick Sykes won this series.

The Tenth Annual District Championship was held at Riverside Yacht Club August 1st and 2nd. Bill Brown was the winner, followed by Pete Hannan, Dick Sykes, Bizzie Monte-Sanor, and Fred Hibberd. Louisa Piano and Lucie Sheldon placed first and second respectively in our 2nd Annual Commodore's Cup Series for those not entering the districts.

The Long Island Sound Championships were also held at Riverside on August 8th and 9th. Kevin Jaffe and Wally Lineburgh of our neighboring district were 1st and 2nd, followed by Carter Ford, Bob Crane of Noroton, and Don McNair.

The Atlantic Coast Championships were held at Larchmont August 15th and 16th and for the second successive year Bizzie Monte-Sano was the winner, Fred Hibberd was second.

N. E. District officers who conducted and presided over recent District L.C.A. Annual meeting at Concord, N. H. Standing: Ban A. Smith, Annisquam Fleet 151; Al Moore, Centerboard Fleet 14; Frank Husson, Massabesic Fleet 273; Paul Urion, Winnepesaukee Fleet 246. Seated: Derwin H. Stevens, N.E. Dist. L.C.A. Sec.; Katherine Sullivan, Marblehead Fleet 189; Robert D. Stewart, Commodore N.E. Dist. L.C.A.

At the Internationals in Detroit we were represented by Dick Sykes, Bizzie Monte-Sano, Fred Hibberd, Tim Lapham, and Janet Lethen. Dick Sykes placed 8th and was the only one in "our gang" in the top ten, however, (threat!) next year we will have finishers in the top five!

The President's Cup Series entrants included Andy Connell, Art Buhr, and Carter Ford. Carter Ford won this series very convincingly. Speaking of the Fords, congratulations to Hamilton Ford, who was elected a Vice-President of the L.C.A.

The '59 season was a good year but the Western Long Island Sound District is starting to remove those winter covers and it will be out to make 1960 the best year yet!

Off to a good start in Skaneateles Invitational Regatta, Fleet #1.

The 1959 Season was memorable with success on home waters as well as those gained at neighboring Regattas.

The regular club races consisted of two Saturday Series and a Sunday Series with the Fleet Championship awarded to the overall Saturday winner. A Long Distance race was held over Labor Day weekend, and the Annual All Lakes Regatta was held July 25 with over 7 classes competing on a handicap basis.

Skaneateles was the host for the 4th Annual Lightning Invitational Regatta which was combined with the Central New York Lightning District Regatta on August 8-9. The results:

1. S. G. Reynolds Jr., Skaneateles Country Club

Fleet #3 had a memorable sailing season this year, racing from June 28th to Labor Day; then following with a special "Diehard" Series. Yacht Racing Association regattas at Bay Head, Mantoloking, Shore Acres, Normandy Beach, Lavalette, Metedeconk, Toms River, Ocean Gate, Seaside, Beachwood and Island Heights. The average participation in the Senior Series races on Sundays was 10 with five boats in the "Diehard" Series on the average.

The Fall Series, "Diehards", as it was so appropriately called, began on the 13th of September. There were five series races held and two open races. A Round-Robin was held on Columbus Day with four boats participating. Gusty winds and squalls made racing difficult, but fun was had by all. On October 18th, a Crazy Race was held. A steady 15-20 mph breeze made it difficult for the inexperienced skippers to race, but with one seasoned skipper in

each boat as crew nothing or no one was lost—or misplaced, as the case may be. The results of the "Diehard" Series are as follows:

Champion.....Earl Bach  
 Runner-Up.....Karel Polch

Fleet #3 is in all sincerity trying to start a Senior Lightning Series. We feel that there are enough Juniors who enjoy racing and want to race Lightnings. Boats will be made available by their owners to all Juniors. By campaigning, we hope to promote all Juniors into Lightning racing. Some of our present skippers have volunteered to instruct Juniors in sailing, until such time that they are ready for racing. A Junior Lightning Series has been planned for this summer. We hope that all Junior sailors will be attracted by our program.

We are all looking forward to an early start for racing in the spring. Fun was had by all this past season and with the start of the "Earlybird" Series on May 8th, 1960, we endeavor to get some practice in before the regular summer series.

We can only say that we hope our next sailing season will be as successful as the last!

Somehow, after a cold winter and a long damp spring, the fleet got off to a fine start on the Memorial Day weekend. At the end of a hard fought eleven race series, Bill Wingard was Fleet Champion with Jay Doty runner-up, and John Burke, third.

Bill really showed everyone in his first race with his new boat how he came in first. Keeping the pace in the new boat series were Jay Doty and Al Berg. The three of them pretty well managed to rotate the one-two-three amongst themselves when they raced. Three newcomers also added to the success of the year. Welcome aboard—Mort Blanc, Don Leeker, and Al Yochim.

The Fourth of July Burnham Park Small Boat Regatta had just enough wind and fluky shifts to keep the lead uncertain most of the time. Our Al Berg demonstrated his prowess by coming in with a first and a fifth after taking the dunking treatment at the starting line in the first race. Jay Doty sailed a fine regatta and came in first for the series followed by Wingard second.

The Midwest District Regatta at Michigan City July 25 and 26 turned out to be a drifter. Jay Doty did everything right and bingooed. Al Berg drifted in with the tide for second, and perennial Bill Wingard settled for third to make a clean sweep for our side. Earl Ross and Joe Gardiner helped keep the scales tipped in our favor and Mike Burke upheld the Burke family tradition.

The first weekend in August found the junior champions from all Lake Michigan gathering at Corinthian Yacht Club for the Sears' Cup Eliminations. John Burke did an excellent job as regatta chairman and in spite of some pretty heavy weather, managed to keep to a minimum the damage to the boats that the fleet had provided.

August 8 and 9 dawned hot and clear on our own club regatta, the Gim Hobelman. Bill Wingard and Al Berg managed to keep some of the trophies in the clubhouse by coming in first and third.

Julie Wingard claims Al Berg and his crew, Bill Wingard and Bob Acker, held a skippers' meeting every time they came about in the Lake Michigan Yachting Association Regatta August 16, but Al won anyway. Earl Ross finished second and Joe Gardiner fourth.

Our brave one, two three, stalwarts took off for Detroit and did battle with the nations' best at the Internationals. Al Berg picked up a third in one race and finish up with a very respectable 10th. Bill Wingard and his troubles didn't do quite so well. Jay Doty, missing part of his winning season crew (Bob Acker turned in a first of his own—a bouncing baby boy) had to settle for a little less.

The Daily News Regatta, Chicago's wide open, anything goes, regatta, where the start is in front of the grandstand regardless of the wind, went to Jay Doty, first, John Burke, second, and Earl Ross, third.

Chicago, this year, had the good fortune to be host to the Pan American games. Corinthians best graciously donated their boats for the Lightning series. Brazil took home the Gold Medal, Ecuador, the Silver Medal, and our USA Champ Herm Nichols, the Bronze Medal.

Our big whoopedoo for the season—the 12th Annual Red Flannel Regatta, got off to a whistling start with a little breeze of about 40 knots with some wind in the puffs. The first race turned out to be three laps around the course of the refreshment stand, the coffee pot, and the TV set. The party that night was a huge success in spite of the bloody buckets of horizontal rain and a breeze that fouled the trailered boats into the trees and capsized six boats at their moorings. Sunday finally dawned bright and clear, so three races were sailed off. Hank Spitz led the finishing parade, followed by Herm Nichols, Bob Adams, and finally a local boy—Al Berg.

Another season of Lightning activities has come and gone. It has been an active one for Fleet #6.

The Club opened May 30th, with a river "Shakedown" race in the afternoon, and from then on our very efficient Race Committee, headed by Fred Dazley, kept things going all summer.

Our Fleet Champion, Dave Peterson, and Runner-up, Jeffrey Nothnagle, with Edward "Bud" Olsen 3rd, really had to be on their toes all season. Dave won the Olse Marine Trophy as Fleet Champion.

Our Series of Long Island Sound races are held on alternate Saturday afternoons, for which the Gov. Baldwin Trophy is awarded the winner. This year Jeffrey Nothnagle came in 1st, Bud Olsen 2nd, and Dave Peterson 3rd. It was during one of these races that the Fleet rode out a severe lightning and wind storm. Although a storm appeared to be building up, it was felt that the race could be completed before it struck. However, this was not the case. Those who had rounded the mark off Milford Harbor, and had started back to the Housatonic, were able to complete the race after the wind abated. When it hit there was a mad scramble with sails and lines, and then the visibility became zero, and everyone apparently scattered in all directions. This storm proved the sea-worthiness of the Lightnings and the expert seamanship of the crews, and everyone was very relieved to find no serious damage had been done.

The Fleet #6 Trophy for alternate Sunday outside races was captured by Dave Peterson; Jeff Nothnagle 2nd, and Rudy Smith 3rd.

The Commodore's Plaque for the 2nd outside race of the season went to Dave Peterson, and the Commodore Crocker Trophy, for the winner of the River Race Series, went to Bud Olsen, with Jeff Nothnagle 2nd, and Dave Peterson 3rd.

Fleet #6 also has a "second division" of racing, for which the Alfred B. Beach Trophy is awarded. This went to Dick Banthin, with Art Williams coming in 2nd, and Ted Chanoux 3rd. Skippers must designate at the beginning of the season in which division they intend to race.

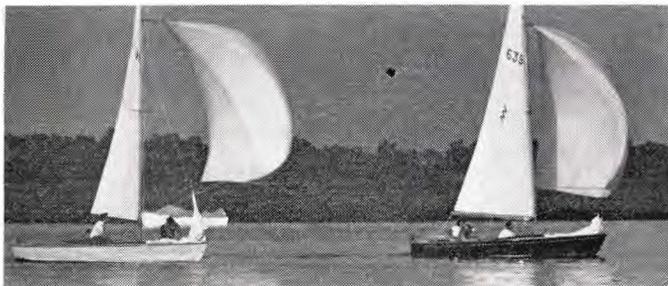

A Frostbite series of 8 races, is held in the river in Sept., and this trophy went to Dave Peterson. Rudy Smith 2nd and Bud Olsen 3rd.

The girls sail a race series on various Thursday evenings. Judy Smith won the Commodore Ira R. Peterson Trophy this year with Judy Nothnagle 2nd and Sara Banthin 3rd. In the Junior division, Dave Chanoux won the Junior Championship; Carol Lathrop the Shipshape Trophy and Judy Applegate the Seamanship Trophy.

The Donald S. Sammis achievement Trophies went to Ted Chanoux and Dr. William Geer.

Some of our skippers also entered various interclub races throughout the summer, including the Districts and the Internationals. Dave Peterson took his boat to the Internationals, and Bud Olsen crewed with him. They had a wonderful time as usual.

The season was closed with a Trophy Dinner, attended by a large group and enjoyed by all.

River race in the Evening, Fleet #6.

2849	Stargazer	Harold Addington
6730	Hurricane II	Robert J. Leichter

Lightnings on Onondaga Lake got underway early in July and sailed two hotly contested series. Bob Leichter won both series, sailing his "Hurricane II" for first time on Onondaga waters. Bruce Stillman was close on his heels in the number two spot. Dave White sailed off with the Labor Day trophy. Phil Klink and Bruce Stillman tied as runners up.

Phil Klink was sailing Tom DeVore's 2793 which had been listed under his name in these pages for many years. Lost from our fleet was No. 87, Lester Norcross' craft, which Les sold on retiring from sailing. We were sorry to see an old friend leave the lake. She had been on Onondaga Lake since 1943. Broken masts plagued the fleet, three having to be replaced. But no one had to join the dunkers' club.

Fleet 12—in 1959—had a good season despite a unique beginning. On Saturday, May 9th, four BCC boats—Allen, Fallon, Hughes, and Smither were joined by Stu Anderson—NSC, Bob Bleasby—RCYC, Al Bernel—SBYC, and Bill Van Arsdale—SLYC, to open the season for the Commodore Eby Trophy. The race Saturday was sailed in light air which was fortunate. The icebergs were plenty fearsome from close up. A simple white twelve inch mound would be floating innocently on a solid base of clear ice—18 to 36 inches deep and 5 to 10 feet in diameter. Tom Allen won the race and the Eby Series.

It was a tremendous season and the honors were fairly well divided. Tom Allen won the Club Championship, the Eby Series, and the Clambake. Anne Allen with Atom won the Thomas F. Myers Wednesday Evening Series—Karl Smither won the Clarence Coleman Series, Fallon the Commodore Roseberry Series, Bill Hughes the Fleet 12 Trophy and the Commodore Franclemont Series. Pete Paullin won the Fourth of July Race and the Maccubbin Series. Bob Montgomery, Don Ferguson, Paul and Neal Stievater, Bob Adams, and Russ Crawford shared other honors.

In the various Regattas. Tom Allen won the Lake Erie District Championships, the Sandy Beach Haul Out Regatta and finished an outstanding second in the Lightning Class Internationals. Karl Smither won the Southern Circuit Championship, finishing third at St. Pete, third at Miami, and fourth at Savannah. Karl was fourth in Lake Erie District Championships. Tom Fallon was fifth at Quantico, first in BCC Invitational, first in Niagara River Championship, third in the Districts, fourth in the Internationals, second in the Haul Out Regatta, and fourth in a Regatta at Port Clinton, Ohio in October.

The Juniors—although lacking in quantity, made up for it in quality. Cricket Hammond, Tom Ward, and Charley Manney, Jr., dominated the Junior Races with Ed Roseberry, who sailed on the Flare most of the time, showing occasional bursts of brilliance. Curt Montgomery crewed with Karl Smither in all senior races—and skippered his father's boat Suzy in some Junior Races.

One of the season's highlights was Fleet 12's overwhelming victory over Niagara Sailing Club in the Commodore Hussey Team Race. Our friendly rivals from the River brought six boats and star crews. The BCC Team won four straight races by lopsided scores. Anne Allen was the star of the series with very cap-

able assistance from Bob Adams, Russ Crewford, Bill Hughes, Allen, and Fallon. This was a real team effort—and all team mates were greatly pleased with themselves at their fine showing.

Fittingly, Bill Hughes, who worked so hard as BCC Fleet Captain won the Season Finale—a beer race for the entire Fleet with 19 entries.

One of the Fleet's problems in recent years has been the domination of all Club races by three skippers, namely Allen, Fallon, and Smither. Both Bill Hughes and Bobby Adams with their new Lippincott boats showed tremendous improvement. Hughes was a real threat in all weather, and in light air Bob Adams, with a young, light crew, was outstanding.

Fleet #12 ended its 1959 season on Saturday, December 19th, with its traditional Christmas Party at Lansing Lodge, the Winter Club House. The following officers were elected for the 1960 season:—

Fleet Captain.....Bob Adams  
 Fleet Secretary.....Paul Stievater

Ed Kruszona took the Fleet 13 championship and the Bennett trophy for the second consecutive season, although by a much closer margin than last year. Paul Abbey, sailing his newly fiberglassed 3692 with new sails, took 83 points to Ed's 85, a

remarkable improvement over Paul's last place position in 1958. Dex Bellamy was hot on the trail of both with 82 points for the twelve race series.

The race season is divided into July and an August series. Ed Kruszona took the July series and the Hyde Trophy, with Dex Bellamy runner-up. Paul Abbey won the Randall Trophy for the August series with Ed Horstkotte runner-up. None of the wins were by a wide margin, indicating that the fleet has become more evenly matched.

The final event for the season was a round robin with eight boats and crews participating. Paul Abbey took this series with Clyde Deavers and Ed Horstkotte in second and third places. The event, sailed in brisk winds that made crew transfers exciting, was considered a success and will be repeated next year.

This was the first season that the fleet has sailed with spinners. Early in the season, the 'chutes were a liability, with the mistakes costing more than was gained. As the season progressed, however, sharp work on the spinnaker was the decisive factor in a race. After one season, we have decided they are here to stay. The downhill legs have become as much or more fun than the beats.

The fleet is continuing to grow. Two of the boats have changed owners, and three new boats are in the fleet, with one more very likely before the season starts. The new skippers are Bill Merritt, who bought Bob Fehr's boat, Charlie Bruch, sailing Tom Aery's boat, Jim Nelson, Jack Mangan, and Ed Dexter, all with new boats. Last season we had several starts with twelve Lightnings, and if the growth continues, we should have twenty boat starts.

Our race committee boat was ably manned again this year by Mr. Ray Kruszona, father of the fleet champion. His excellent handling of the committee boat enabled us to have good starts throughout the season.

The host yacht club at Mayfield is installing a launching facility that is causing us to think of invitational regattas. Before long, fleets in central New York can expect an invitation to sail with us.

Fleet 13 is continuing the program of winter meetings. These sessions are devoted to fleet business, showings of movies and slides, and racing rules and tactics. At the meeting in November, Ed Horstkotte was elected Fleet Captain, and Jack Mangan, Fleet Secretary. Movies were shown of the Winnepesaukee regatta in which Paul Abbey participated.

The 1959 season was one of the most successful seasons for Fleet #14 in many years. We had two new boats join the fleet and two others joining us at other times from nearby Falmouth. A very fine season was enjoyed by all. A newcomer to the winners circle this year was #1746, Cormorant sailed by Geo. Huettl. George has become one of the finer competitors in the bay and should be watched out for in the future. Second went to Gran Dyer in #3203 and third to Al Moore in #7004 both old timers of Fleet #14. The O'Brien Trophy was won for the second straight year by Al Moore. Eight races were enjoyed with the first half marked by strong winds and the last half by light and fluky air.

Again this year the State of Maine Lightning Regatta was held with 24 boats competing. Although a conflict in dates with the Internationals and President's Cup Races held the entries down, perfect weather, fine racing and the hospitality of the club made it one of the finest regattas held. For the first time in many years the Regatta was won by a boat from the State of Maine. First went to Brad Willauer in Moth #7297 with a second and two firsts. Second was Gard Brown in Treasurer #7123. Third was Len Pratt, BonJoy #6888.

The Casco Bay Interclubs were held in July with most of the Fleet competing but none of the local boats finished in the money. Our annual picnic was held again this year with about 60 percent. Lobsters, etc., were enjoyed and ended up with softball.

After such a successful 1959 season we are all looking forward to 1960 which we know will be even better than this year and hope all who are able will come and enjoy the best sailing in the world on Casco Bay.

The 1959 series opened on the Fourth of July week-end with the bulldozers working in the background. It was the ground breaking event for the new clubhouse of the Lake Wallenpaupack Yacht Club in the Poconos.

Our President, William "Judge" Schumacher, and directors, conducted the event attended by old and new friends of the fleet and the club.

Fleet #16 has grown rapidly to twenty-one boats registered, with seventeen racing.

Twelve races were held, with first place awarded to Jim Schumacher and crew sailing Shu-Fly. Runner-up was Hank Fretz sailing his new boat, Jezebel IV. Third place went to Art La Roque sailing Leprechaun. Dave Ludlow, Sheldon Evans, John Giles, George Woodard and Gordon McClarren, Judy Fretz, Ed Winkle, Pete Axford, John Folwell, Bob Katz, Pat Gilligan, Bill Sitterley, Peter Porter, Hub Axford and Jim Russell finished in that order.

Art La Roque, renowned as a Comet skipper for many years, has now gained recognition as a Lightning skipper by winning the Ericsson Trophy.

Ex-champ Hank Fretz won the annual Soose Trophy. Peter Porter, a young skipper on his way up, won the Handicap Trophy. The achievement award for outstanding improvement,

interest and sportsmanship went to Dave Ludlow, our fleet captain for 1960-61.

Fleet #16 was represented at the Metropolitan District Races by Jim Schumacher, Hank Fretz and Peter Porter. Jim Schumacher scored high and thus gave himself and crew, Phil Schumacher and Harvey Mason, Jr., a rewarding experience at the Internationals.

The Women's Series with six boats competing marked great enthusiasm for the spectators as well as our skipperettes. Judy Fretz, Sue Patlen and Barbara Patlen each had a first place after two races, so the third race decided the series winner. Barbara Patlen voluntarily withdrew on a protest which gave Judy first place, Sue second and Dor Schumacher third. Grace Fowell, Alice Katz and Barbara Patlen followed.

The social activities were well attended and supported. A picnic supper, held by the Women's Auxiliary, and dinner dance at Cove Haven augmented a wonderful summer of sailing.

Fleet #16 is looking ahead with pleasure to being host for the Metropolitan District Championship Races on July 24th and 25th. Lake Wallenpaupack, the largest lake in Pennsylvania, affords ample space for a standard triangular course.

All Metropolitan District sailors are invited to join us and enjoy our new clubhouse in the Poconos and the sparkling clear waters of our mountain lake.

6553	Flair II	John C. Kendall

In a season marked by light and fluctuating winds John Barton sailed his Quick Trick to the 1959 Fleet 17 Lightning Championship and with this The Black Rock Yacht Club's Daniel C. Patterson Trophy. Gary Demarest in Ketchup II took second place while Tom Lyons in the Knok captured third place. Fleet 17 welcomed three new Lightning owners this year, Mess. Harrington, Hutchinson and Roper, to bring the fleet's total to thirteen. The most noteworthy occurrence of the 1959 season was the high percentage of participation in each race with the number sometimes swelling to eleven or twelve, a record to be envied by any fleet in our District.

The racing schedule started this year on Memorial Day with the Sunday races being divided into two series. There was also this year a special Saturday series of six races plus the Fourth of July and Labor Day series. The first Sunday series was won by John S. Barton with Tom Lyons second and Gary Demarest third. In a close second Gary Demarest captured first with Gary Roper taking a second on a tie with John Barton. In the special Fourth of July series Tom Lyons captured first place with John Barton and Gary Roper annexing second and third places respectively. The Labor Day series was won by Gary Demarest with Gary Roper second and Jay Howard third.

The Black Rock Yacht Club sponsored the Barnum Festival Regatta, held in late June, which provides a warm up series for interclub competition and which was won this year by Wallace Lineburgh of the Pequot Yacht Club. The twenty-ninth annual Black Rock Invitational Regatta was won also by Lineburgh with David Peterson of Housatonic Boat Club placing second. Black Rock and Fleet 17 also played host this year to the Long Island Sound Midget Championship held in the Blue Jay Class. Fleet 17 hopes to see next season a bumper crop of Blue Jay skippers at Black Rock graduate into Lightnings.

A new solution to the old problem of older boat participation in racing was introduced by Ralph Sperry and might prove fruit-

ful to other Lightning fleets. The basic idea is actually the most improved boat and skipper. Figured on the improvement over the average placement during the first three races of the season, this system offers a stimulus for competition. The award went to Gary Roper for the 1959 season.

With a few of Black Rock's die-hard Lightning sailors participating in Milford's Last Chance Regatta the 1959 season drew to a close with Fleet 17 returning to the sanding blocks and the dreams of an active coming year. Our hats are off again to the Race Committee who provided some excellent races and on the days of light wind and hot weather gave a good battle to Fleet 17 as to who could outlast whom.

Fleet 20 expanded greatly in 1959, including 12 boats absorbed from Gary Club Fleet 222. The latter fleet has become inactive, having lost their harbor to expansion of the steel industry along the south shore of Lake Michigan. We had a very active fleet this season, operating on almost a 100% dry-sailing basis. Our greatest problem was the perennial one, the Race Committee. We owe our successful season in large measure to the generous cooperation of over a dozen individuals who contributed their boats and/or their services to one or more races during the season.

Our season began with a scheduled Memorial Day week-end series, rather abbreviated by weather. This one was won by George Murphy, followed by Tony Remich and Elio Largura. Our regular Sunday series, consisting of best 7 out of 9 races, started June 7 and ended August 30 with Bob Spitz Fleet Champion, Jack Horton was runner-up on the combination of a beautiful new boat, lots of practice and persistence. George Murphy finished third.

In addition to the regular series, we held a 4th of July week-end series, won most appropriately by Spirit, #1776, sailed by Chuck Moffett and Ed Spychalski. John Primich and Tony Remich finished two and three in this one. Finally, there was a Labor Day week-end series won by Harry Spitz, with Murphy 2nd, Horton 3rd and Primich 4th.

Our Second Annual "Sand Dunes Regatta" was sailed the week-end of June 28-29. Joe Stueland, St. Joseph Fleet 113 won this one; George Murphy was 2nd and Jim Stock took the 3rd place hardware back to St. Joseph with him.

The high spot of our season was the Mid-West District Championship Regatta, held July 25-26. We had an excellent attendance but the weather man was not too cooperative, providing us mostly with drifters. Due to our limited mooring facilities it was necessary to dry-sail the fleet. With our two electric hoists, we were able to handle launching and haul-outs of the 45 competing boats in record time each day. The District Champion after the 3-race series was Jay Doty, Chicago Corinthian Fleet 5; with Al Berg, Fleet 5, second; Bill Wingard, Fleet 5, third; Bob Spitz, Fleet 20, fourth; and Bob Tilleman of Green Bay Fleet 112, fifth.

A half-dozen of our most enthusiastic sailors attended a number of other regattas. Harry Spitz was our most successful, starting the season with a first at the St. Joseph Shakedown Regatta and ending with another first at the Chicago Squadron Red Flannels Regatta, where Tony Remich and Jack Horton also accredited themselves well. Other events attended by some of our sailors were the Chicago Burnham Park Regatta, the Indianapolis Re-

gatta (where Murphy managed a 4th), the Toledo Memorial Weekend and Devils Lake. Bob Spitz attended the Internationals but "couldn't get started." Jack Orr made the President's Cup races, but claims a broken mast slowed him up!

All in all, it was a great season and we are looking forward impatiently to Spring, 1960!

On the Nose!

Our 1959 season started out slow but finished in a fast stride. We completed two extremely important projects this past season, one was the purchase of our island from the state, and the other is the installation of a new sea wall around approximately one half of the island.

As this season closed our racing program showed the top three places to be:

- 1st—Bob Wilkins
- 2nd—Ray Stotts
- 3rd—Murnie Owens

Those participating in regattas at neighboring clubs this year diminished to almost nil, however those of us that did participate thoroughly enjoyed the competition and hospitality.

Ray Stotts went to the Tri-Lake regatta at Cowen Lake and placed third.

Bob Wilkins, Ray Stotts, and Murnie Owens traveled north into Michigan to the Devil's Lake Regatta, but none were so lucky as to bring home any trophies.

The 1959 sailing season at Erie Yacht Club was one to remember, for EYC sponsored two major class regattas, including the Lightning District Championship, in addition to its regular heavy racing schedule.

During the regular season, Bill Walker won everything in sight, including: the Flag Officer's Trophy, the Spring Series, the Club Championship and the McAllister and Focht Trophies. So, our hats are off to William, a past Commodore of the Club and past Vice-President of the Lightning Class Association.

Jim Walker and his young crew tied with Schuyler for the evening series, but Jim had more wins, so that flag went to 6800.

On a slightly larger scale, the Erie Yacht Club held the Lake Erie District Championships for Lightnings, and Thistles. Each of these two regattas turned out to be a big success, with the whole Club cooperating 100% with each class. As usual, and for the 7th (or is it 8th) straight time, old Tom Allen took the trophy back home with him, as he won 4 out of 5 races. Bill Walker took the second race, so is champion as far as the EYC is concerned, as it is practically impossible to beat that fellow Thomas! (Not to mention his two cohorts, Karl Smithers and Tom Fallon.)

We are planning winter projects now, to gain more interest and fellowship in the local Lightning group, and we are looking forward to a fine season for 1960.

Our official point score races started on June 28th with seven Lightnings participating. This interest continued during our weekly point score races, with an average for the Summer Season of 70% of our Lightning Fleet participating. Our Lightning Division were happy to welcome two new skippers this season, Roland Anderson and Len Pikkard. We also regret that Doc Shoemaker was unable to participate in our races after July, due to his temporary (?) interest in a larger yacht. However, we expect he will again be competing with us next year.

With generally favorable weather conditions we were able to complete 14 official races with Gil Jernstrom skippering Lightning #5617 to the fleet championship in a very close race with Bob Crane in Lightning #5154.

Our Lightnings placed in two of the three open class regattas, Bob Crane taking third place in the Marine Base Trophy Regatta, and first place in the Mickellson Trophy, Gil Jernstrom coming in second in the latter regatta.

Five Lightning participated in our Fall Series, during which we were able to run six official races. Again Gil Jernstrom won the series, with Bob Crane in a close second.

Our LMYC inaugurated a Sailing School this season which not only stimulated interest in sailing, but also provided an ample supply of trained crew members. We propose next summer to again continue this project.

The LMYC Annual Award Dinner was well attended on October 10th. Plans for additional activities for the 1960 season are being made, and it is expected our Lightning Fleet will continue expanding. In addition to our regular point score races we are planning special "trick" races and also team races. A cordial invitation is extended to any LCA members to join in our races.

Arrangements may be made through our Fleet Captain, Karl Jernstrom at Parkway 9-6402, Lake Mohawk.

Fleet twenty-six has just completed a very poor season. Last winter we lost five members to the Delta Class cruising type keel boat. In the spring one of our best and most active skippers replaced his Lightning with an E Class Scow.

Carl Beck and Johnny Tieglund took their boats to the district championship regatta. The Metedeconk River Yacht Club held an excellent regatta.

Our own regatta held in August had a nineteen boat turn out. Five boats trailed up from the Chesapeake. The remainder being from local fleets. Franz Schneider, representing the Baltimore Yacht Club, won the series with a first and two seconds. Tom Koe, of Brant Beach, was second, only one-half of a point behind the Schneider's in their Woozle.

We have high hopes for a stronger and more active fleet next year. The Schneider's will be back after three years of racing on the Chesapeake Bay. Jack Maffenbier and Christopher McCutcheon have just completed their stint in the Army. Information on fiber glass boats is being circulated among the club membership and other steps are being taken to develop new blood. If the class can grow as fast as it certainly is in other districts and at other clubs, it can and will become strong here again.

Commodore Bucky and Marge Powless provided an auspicious start to the year in January with the Commodore's Reception. This was an especially fine party in anticipation of the sailing year and the commencement of plans and construction for the new club house. In August of 1958, the old club house had been destroyed by fire with only the locker rooms salvageable out of the charred remains. A beautiful contemporary and functional new building has been designed by club member Andy Macioce and Ronald Riddle and the building has been in a gradual state of construction until late summer.

The racing season began with Russ Bartholomew getting off to a good start by winning the Memorial Day series with Bucky Powless, second, and Al Rowland, third. The Sunday Class Series continued until Labor Day with ten boats qualifying in sufficient number of races and Al Rowland winning again the coveted rank of fleet champion followed by Russ Bartholomew. Don Cameron was third.

Bucky also won the All-Club handicap involving all other classes. In a new "Two of a Kind Series" started this fall, Bucky Powless and Russ Bartholomew distinguished the Lightning Fleet by winning this series.

The Third Annual "Pow Wow" regatta was held on August 1 and 2 with Dave France general chairman and the Highlander Fleet serving as co-hosts. It proved to be a memorable occasion with ten Highlanders and 24 Lightnings competing. It was the first real test of the new club house for regatta purposes. The LYC skippers in their best tradition for hospitality, donated all the hardware to the guests with George Fisher of Buckeye Lake Yacht Club first, Bud Nelson of Toledo Yacht Club, second. Third place went to Charles Huston of the Mansfield Yacht Club. As usual, the Squaws made this an exceptional regatta by providing so well for the inner man and the hungry sailor.

Of our regatta racers, Bucky Powless was third at the Ohio Interclub Yachting Association Regatta at Atwood Lake with Don Cameron fourth. Russ Bartholomew was second at the Port Clinton Regatta. Al Rowland was third at the Harvest Moon Regatta.

Al Rowland carried on the summer Instructional Program again this year with classes for beginners, two intermediate groups, juniors, skippers and the ladies.

At the annual election, Don Cameron was elected Commodore of the club and Ross Saxby treasurer.

Chuck Hood has served very capably this year as fleet captain with a fine organization for all our fleet events and especially enjoyable comradeship among all the families of the Lightning Fleet skippers.

Fleet 31 had a very active year with a great deal of interest and enthusiasm shown by all the members. Six new members will be sailing this coming year. Dick Klem with 1793, William Nuoffer with 313, Laverne Ehinger with 2140, Bob Laidlaw with 7355, R. C. Golding with 7305, and Arthur Freeborn in a boat obtained from Laidlaw who resurrected the hull a year ago and brought it into fair condition, but cannot find the number yet. We hope to have several more new fiber-glass Lightnings by the start of next season.

Races were held every Sunday, starting on Memorial Day going through to Labor Day, 14 boats participating in most races. Beal, Peters, Kennedy, and Crittenden attended the Tawas Bay, Higgins Lake, and Lake Fenton regattas. Jack Beal won the Memorial Day races winning the Jack Gould Trophy; again on the 4th of July, Beal won the new L. P. Beal trophy given by Jack's father. Along came the Labor Day with Beal again winning the Labor Day trophy. The fleet championship was won by Keith Whitehouse. "Doc" Bryner won the Novice cup donated by C. B. Crittenden in memory of his father. The sportsmanship cup was won by Barney Crittenden. Most improved skipper trophy went to Jim Reynolds. This last cup dates from 1887 and has been recently replated thanks to Bryner and Whitehouse. Our thanks go to

"Sparkles"—Pulling away.

Harry Williams for his fine job as race committee chairman.

Our Junior Sailing program continued under the direction of John Goldsmith. John had about 20 children aged 8 to 14 in his classes. He taught them sailing, knot-tying, boatcare, water safety, racing rules and good sportsmanship. By the end of the season the Juniors were taking out the Lightnings. The junior members presented a trophy in memory of Steve Wynn. This trophy was given for the Wakefield Skipper and was won by Dave Peters. Four of the juniors went to the Wakefield races at Put-in-Bay, Ohio and were chaperoned by Ronnie Bacsik and Mildred Peters.

Our 16th Annual Regatta (This One's For Fun), drew a fleet of 77 boats which included 34 Lightnings. Windward-Leeward races were sailed both days with a real breeze. Herm Nickels of Lake Fenton was first, Bill Girkins of our fleet was 9th and Dave Peters was 12th.

Fleet 31 had a successful dock party, so we now have more money for improvement of our long dock. The steel and wood sections make for much easier putting in and taking out.

Our own Jack Beal has done a fine job as District Commodore, along with showing the rest of us how we should sail.

Fleet 31 starts the 1960 season with a big party at Reynolds and Peters in March. Here's hoping for another fine season of sailing.

### TURKEYFOOT LAKE FLEET (33)

#### Ohio-Indiana District

2301	Kem-C	Ken Smith
3435	Windjammer	Tom Daugherty
3461	Patricia Ann	Lynn Nye

Fleet #33 racing got off to a slow start this season. July and August, however, proved heated racing months with Tom Daugherty, Lightning 3435, taking the fleet championship. Interclub races were exciting with J. W. McCleaster, Lightning 1956, bringing home the second prize in the annual Turkeyfoot regatta.

Three new skippers were welcomed to Fleet #33 this year. Bob Castle, Lightning 570, was first in the lake this year. He and his family trailed their boat for an extended vacation at Devil's Lake, Michigan, this season. Clem Shriver, Lightning 123, an experienced skipper who has much to teach other skippers, launched his boat in late July. Ken Smith joined the fleet with Lightning 2301. Next year Lynn Nye, Lightning 3461, will rejoin the fleet after a two year stint in the Army.

Proudest of all else, Fleet #33, is of its junior skippers, John McCleaster, 1956, and Carl Smith, Lightning 2301. These young skippers entered the pram fleet races sponsored by the South Shore Yacht Club to train and interest future skippers. John McCleaster took a second in the pram fleet regatta.

Two determined skippers, one a perennial runnerup, the other a deposed Champion, came through with solid performances each week last summer to take top honors in the Metedeconk River Fleet. The return of Dave Shay, world known former LCA Vice President, after an absence of four years, injected new life into what for five years had been a stagnant runaway for top spot. Going into 1959 Jim Carson's SPARKS and TRIDENT had completely dominated the Metedeconk River, winning 29 out of 30 races on the way to five straight championships and 8 in the past 9 years. This year Dave got off to a flying start and coasted home in front by a comfortable margin. Charlie Starkey, TRIDENT's 1959 skipper, deserves real credit for training a completely inexperienced crew and giving Dave a real battle in every race.

In the "over 800 lb. class" M. R. Y. C. Commodore Herm Schmitz regained the top spot from Art Nichols, who wrested the title from him a year ago. Six boats qualified for the Championship with four more sailing occasionally. While this is not a great number, late season enthusiasm among some of our new members is cause for encouragement.

Fleet 34 hosted the Central Atlantic District Regattas and successfully conducted twin series for the District Championship and Commodore's Cup. A total of 23 boats competed in dusty southerly airs with the Championship going to Jim Carson. Dusty going was also the order of the day for the 10th Tuneup Regatta in June and forced cancellation of two of the three races. Jim Carson also won this regatta along with the New Jersey State Championship, Barnegat Bay Championship (with a perfect score), and the Frigid Digit Regatta at Baltimore, all for the second straight year. Jim capped a successful season by placing a creditable twelfth at the Internationals and being elected Chief Measurer of the Class.

Fleet 34 looks forward to another season of continued good racing in 1960.

The 1959 racing season on White Rock Lake was one of the most successful and active in the history of Fleet #35. We had a meeting May 23, at the home of Willis McQueen, to discuss racing tactics and rules of the road. Members present also decided to engage in a summer racing series, consisting of 12 races, in which six finishes were required to qualify.

The weather was made to order during the entire season, with only one weekend race cancelled, due to a hurricane raging in

the Gulf. Except for one week late in August, our usual Texas 100 degree weather was noticeably absent.

Several of our boats sported new sails and spinnakers this year, and the competition was extremely keen. Marshall Fagin won the summer series, in a hotly contested racing season. Willis McQueen was second, racing his beautiful home-built Lightning. Third place went to the trio owned boat of Paul McElroy, Tom Watson and Don Marquis.

We wish to welcome some new members who brought good used boats into our fleet. They are Irwin Grossman, Fred C. Martens, John Hall, and the return of a once active member, Roger Pierce. This year we built 20 new davits and a section of additional pier to the club. It is disheartening that we cannot report 20 new Lightnings also, but we are forced to share some of these slips with a newly formed Rebel Fleet. We are in the process of converting some of these sailors to Lightnings, and we hope to have a few in our fold by next report.

We tried a Frost Bite Series this fall, and had it going full steam until early bad weather dampened our enthusiasm. Trophy presentations are scheduled for sometime in January, 1960.

The 1959 season was the best we have ever had. We believe we have the hottest fleet in the country. I wouldn't be surprised to see three, four or even five Pymatuning Lightnings qualify for the Internationals in 1960. A good many of our boats traveled to Regattas last summer. They feel the twenty-odd races we have at home, plus the usual competition isn't experience enough to qualify them for the Internationals or to make a good showing in the Internationals if they do qualify. The people at home who were not able to attend the regatta, still benefit from their experience.

"Dusty going."

There are no little tactics or tuning secrets in our fleet, and that is one of the reasons our fleet has improved so well.

Next summer we intend to "hash over the race" meetings after each race as well as sailing classes in the evening.

In 1958 we had Thursday evening practice sessions which consisted of about 8 or 10 short races 6 minutes apart with legs 200 or 300 yards long. Very successful. How about doing the same thing in 1960?

Jon Ruhlman has a new Lippincott and has it moving, finished 2nd in the Buckeye Lake "Snowball". Frank Hornby really has "Fade" flying. Tom Sankey with 2885 from Warren, Ohio and the Leonard Bakers with 5338 from Berlin Lake Fleet 263 have joined our fleet, welcome aboard. Our Annual Independence Day Regatta was very successful with forty Lightnings hitting the starting line.

The twenty sailors which included the best from the Ohio-Indiana District and one of the best from the Lake Erie District received their share of the trophies. Bill Walker who had previously won the big Watson-Krutsch Trophy in 1956 and 1958 again showed his fine sailing ability and won it again in 1959. Our own Chuck Maltbie, with superb sailing finished 2nd. Our District Champion, George Fisher, always a winner, finished 3rd. Good ole' Jim Davis in "Miss Fit" finished fourth. Four trophies were awarded by our Lightning sailing Commodore, Bob Bowen.

Commodore Bowen and wife Betty with the Harmons, Baumgardner, and Davis' attended the Berlin Lake Annual Regatta, and brought home all the hardware. Jim Davis finished 1st as he did in 1958. Bob Baumgardner with John Hornby as mate finished 2nd. Commodore Bowen had "Bebe" moving and was awarded 3rd place honors.

At the Districts at Port Clinton, Bob McClaren sailed to a first and a 2nd in two of the races, which entitled him to sail in the President's Cup, but was unable to attend. Jim Davis, sailing the "Miss Fit" with Jack Zitnik and Tom Davis as crew finished 3rd, to again qualify for the Internationals at Detroit.

At home we had a Saturday Series of 10 races, and a Sunday Series of (Fleet Championship Series) of 10 races.

Five trophies were awarded for the Saturday Series and 10 for the Fleet Championship Series.

Lightning Fleet #38 had a very good racing season. The winds were ideal all summer long. Not one race was cancelled due to bad weather conditions. Mike Swerling was again Fleet Champion with Al Gagliano runner-up.

Mike Zwerling won this year's P.F.C. Eric Lobel Memorial Regatta. Our season's invitational regatta was renamed in memory of a past Commodore of the Miramar Yacht Club, and will now be called the "Bert Bachman Regatta". This year's prize went to Wally Habernak sailing Al Gagliano's "Playmate". The second trophy went to Jack Schwartz.

Fleet #38 lost two boats to the cruising group, but regained two more. We want to welcome Ed Feldman and Doug Oberwager to our fleet.

The High Tor Fleet had a full year with thirteen point races including three regattas, a couple of round robins, such time-honored events as a Mutiny Race and a Past Commodore's Race, and several social affairs.

The opening event was the traditional Memorial Day Regatta. Two red boats, belonging to G. Garrecht of Nyack and Walt Tripp, finished first and second with E. Dean of Nyack close behind.

On Aug. 8th and 9th Minisceongo Yacht Club played host to 29 boats in the annual Mid-Hudson Lightning classic. Winner of the three race series was our own Walt Tripp. G. Garrecht, a strong contender in the first two races, was caught inshore with a dying wind and a strong current on the last leg of the third race. He still managed to take an overall third with T. DeStasio, last year's winner from Nyack, coming in second. Festivities following the first race included a buffet dinner and dance.

Labor Day weekend saw 23 Lightnings along with 52 other boats participate in the 12 mile race from Stony Point to Nyack for the Minisceongo and Mory Marathon Trophies. Light to fresh SE winds brought the winning boat home in a little over 2½ hours. T. Hoffee, G. Garrecht, and E. Dean from Nyack finished first, second, and third in the Lightning Class.

This year the High Tor Fleet instituted a round robin to choose an entry for the Mallory Cup quarter finals, an event that provided fun and thrills in all five races. Harold DeJager won, with Ted Ziemer close behind. Sam Strachan got off to a fine start with two firsts, but literally bogged down when he buried the centerboard in shoal waters in the fourth. The final disaster occurred when a strong puff demasted his boat in the last race. Ted Ziemer, sailing as alternate for Harold DeJager, went on to finish a scant ¼ points behind Mr. Darling in the quarter finals held at Nyack.

Equally intense rivalry was generated by the Sears Cup quarter finals in which Nels Kringle came in first for the second season running. Poor Nels was again unable to enter the semifinals, this time because of school exams.

Barbara Bitler was the surprise victor in the Mutiny Race, a tradition which involves the crews wresting the tiller from the skipper.

The season was topped off with a cocktail party in which the fleet paid tribute to some of the many deserving members of the Minisceongo Yacht Club who have contributed their time and effort to making sailing a success.

Fleet 42 started its 1959 season with the 12th annual Great Lakes Championship Regatta, May 30 and 31, 1959. This famous early season all Lightning Regatta drew twenty-one boats from Ohio, Indiana, Michigan and Canada. There was a drop in attendance this year which may have been due to holding it on the holiday weekend, but we are going to try it again in 1960 the same way. The series was raced in light air and finished with Walt Swindeman first, Bill McKinley second, and George Fisher third. Our Mr. Swindeman took a brand new fiberglass boat, helped rig it and launch it one hour before the first race, and then sailed it to a first, a second and fourth places to prove again that he is tops in Lightnings and will always be hard to beat.

The Michigan District Barefoot Philharmonic Orchestra provided their wonderful rhythmic combo for the Saturday evening dance after a very enjoyable cocktail party. We really had a swell regatta and hope to have a few more hot-shots participate next year.

Fleet 42 was active in the area AYC regattas which numbered seven with three races each except for the Harbor View Yacht

Club series which held one race and cancelled the other two because of high winds. Our fleet was represented at Put-in-Bay, Port Clinton, Indianapolis, Buckeye Lake, Devil's Lake, Sandusky, Detroit and Quantico. Bud Nelson did most of the traveling and brought back hardware from all regattas except the Internationals at Detroit.

Our fleet champion and runner-up was decided on the basis of standings for the 19 area races and the result was—Champion, Frank H. Keller; Runner-Up, James Keller.

We revived our old long distance race for the Bud Kraemer Trophy this year and awarded it to Frank Keller.

In an exchange of boats we lost Jim Keller and Dick Legowski who sold to Terry Gallagher and Bill Stone, and also lost one of our best sailors, Don O'Neill who sold to an out-of-towner. We are hoping to see Don in a new Lightning in 1960. Another new member, our newly elected Secretary Rick Wachter, built a fiberglass boat and participated in all the area regattas as well as Put-in-Bay and Port Clinton. Bob Clark, another new member, who sailed some 10 years ago against Swindeman, Krauss, Yaudas, Vogel, and other old timers, picked up a boat from Ron Balsley who brought his boat over from the Chicago area. Bob's going to make it over this winter and intends to display a beautiful transom to us next season.

Good sailing, hope to see you at our Great Lakes Invitational on Memorial Day weekend in 1960.

The Silver Lake Yacht Club's 1959 season proved to be a clean sweep for Bill Van Arsdale in his new boat, "Shot Straight", not brand new, but new to Bill and Silver Lake. A long time sailor on Silver Lake, Bill managed to be where the wind blew the strongest and as a result took 1959 Fleet Championship, Neal Memorial and Benedict Trophy Series.

A healthy sign this year has been the marked improvement of some of the newer members of the club. Carl Lyons in his first year has steadily improved his position each week. Ralph Traber and his crew is gaining added attention. In fact, the competition has become so keen that there are rumors that next season will see a number of new Lightnings, and even more new sails.

The usual number of mishaps occurred. Dr. Humphrey broke a mast, Wasson and Somerhalder received a deep gash in their hull for failing to come about in time. Joe Elias' bow was scratched by floating beer cans. Your writer, during one of the races was ordered up the mast to secure a lost spinnaker halliard, a feat for which I look back on with pride. Skipper Harry Brown, on shore after the race was accused of sending me to the crew's nest to locate the rest of the fleet over the horizon.

We finished the season in September with two invitational regattas. The Cuba Lake Invitational, the annual exchange race with the Cuba Lake Yacht Club, Bill Van of course winning, with Ward Wilday from Cuba second and Carl Farhner of Cuba, covered in each race, almost last. In the Harvest Regatta with a number of boats from other western New York clubs attending, Bud Jones of Niagara took top honors with Stu Anderson and Jack Swanson runners-up.

Our social chairman, Phyllis Somerhalder worked overtime this season, what with a fine (dry) tureen breakfast, and a bounteous buffet for the Cuba Invitational. The cocktail party after the buffet found a few in good voice as well as good humor, all to be entertained by folk songs accompanied by a "string ensemble."

We look for another banner year in 1960 with Bill Follendorf our new Commodore and C. L. (Bud) Van Arsdale, Vice Commodore.

The 1959 sailing season for the Columbia Lake sailors consisted of 10 seasonal races, 3 Labor Day Regatta races and 8 Junior races.

After a season long tussle between the Forbes' and the Savages, Chuck Forbes, last year's Junior champ, won the Fleet championship. Reluctant Crew places second. The Labor Day Regatta was claimed by Phil Hopper, a Comet skipper. He was sailing Pete Pederson's boat. Pete is last year's fleet champion.

In the Junior races, the Forbes' came through again with David winning.

We are anticipating another season of good tactful sailing full of expectation, thrills and surprises.

Sunday, May 3rd, saw the opening of the Washington season of the Potomac River Sailing Association with the beginning of the Spring Series. The series was rather poorly attended because many of the active racing skippers were trading boats or waiting for new ones to be delivered.

Jim Gilbert, sailing his Sparks won the series after a rather hot contest with Lou Borges sailing Flying Lady III.

Dr. Gilbert took second place in the Gunston Cove race, a 13 mile down river handicap for all classes. An unfavorable handicap system based on average times of boats sailing a closed course makes this race a tough one for a Lightning to place in, unless you have a rare break and get use of the spinnaker. In spite of this Doc came out second over-all on corrected time.

Much speculation was in the air this Spring because of the secrecy of Frank Williams and Lou Borges about new boats. Frank picked up a new boat from Bob Lippincott in Riverton, N. J., and Lou went all the way to Chicago to get a new Sportcraft.

The "stay at home" sailed three summer series at National Yacht Club while those with nomadic tendencies chased silver all over the Chesapeake, mostly unsuccessful.

The 1959 Potomac River Sailing Association's President's Cup Regatta on September 26th and 27th, had a record turnout with 186 boats with the Lightning Class topping the list of entries with 34 boats. Lou Borges, sailing #7350 started strong with a first place, but lost steam in the remaining races. Bob Tunnell, Indian River Yacht Club walked away with top honors followed by J. R. McWhorter, June Methot, and Barney Mead.

Jim Gilbert, Fleet Champion, sailing Sparks #5284.

The Fall series was marked by participation of several newcomers. One of them, Charlie Marshall copped second place honors and Bill Galvin sailing his first season was close behind for third. Frank Williams, after a season of tinkering with his new hull, finally cranked up and walked off with first.

The Annual Quantico Marine Corps Regatta, which started as a fleet competition between the Marine Service fleet and Fleet #50, turned out to be one of the largest Lightning Regattas of the year. Fleet #50 won the Shearer Bowl, but didn't fare so well when the rest of the silver was distributed.

After the season ended Jim Gilbert bought a new fiberglass hull for which he has high hopes. St. Petersburg Regatta will see its maiden race.

Truly a great crew. Many championships, many regatta trophies.  
A credit to our "Lightning Class".

7140 Sonsie III Don Fairchild  
7388 Gringo Robert Knop

To say that this was a busy season at Crescent would be the understatement of the year.

It all began on January 18 at Bayview Yacht Club where our fleet was well represented at the District Winter Meeting. It was decided that the Districts would be at Tawas this year, and of course by now we knew that Crescent would be the scene of the 1959 Internationals. The latter, of course, meant starting the planning for all phases of the Regatta right now. As the season progressed things began shaping-up beautifully under the able guidance of Commodore Frank Taylor, a non-Lightning owner, whose persistence and effort could not have been equalled by anyone.

The first sailing activity found us host to the Detroit River Lightning Squadron Regatta on May 23 and 24. We were stormed out on the 23rd so three races were held on the 24th with the following results: 1st Dr. John Lesesne C.S.Y.C.; 2nd Wes Wiedrick B.Y.C.; 3rd Hank Cawthra C.S.Y.C.; 4th Dick Dickman B.Y.C.; 5th Chuck Grant C.S.Y.C.

Two of our members entered the Mallory Cup Eliminations and the quarter finals found them one two out of the ten entries. This series consisted of 5 races sailed in Folk Boats (26' Keel Boats), 1st Hank Cawthra; 2nd Chuck Ellery.

Ten of our boats travelled to the Districts on July 10, 11 & 12 at Tawas. Hank Cawthra, Al Allardyce, Chuck Grant and Don Fairchild, nice going.

Then came the big one. The Internationals. This will be very well covered elsewhere but there is one thing. I guess everyone has been thanked many times by now for the job they did and they certainly deserve it. However, the other Chairman wish to join me as Measurement Chairman in thanking YOU. The cooperation of you sailors with the various Committees was wonderful and certainly made our jobs much easier. Thanks again.

The Labor Day week-end found Crescent host, and co-sponsor with the Detroit Yacht Club, of the Kendall Series Invitational open to all Lightnings. This Regatta was great, as always, and the first five out of 30 boats are as follows: 1st Hank Cawthra C.S.Y.C.; 2nd Jim Schudel B.Y.C.; 3rd Wes Wiedrick B.Y.C.; 4th John Lesesne C.S.Y.C.; 5th Alex Carlin H.L.B.C.

On November 22, Fleet 51 held its annual Pot Luck and Trophies Award Dinner. This, as usual, had its tremendous turn-out and thanks to Mrs. Healy, Mrs. Booker, Mrs. Allardyce, Mrs. Hornbeck and Mrs. Cawthra it was a really grand affair. This years movies of the "Internationals" by Al Kass were shown, and we're sure you'll agree when you see them that these are some of the finest Sailing pictures you've ever seen.

The trophies for our season's series were awarded as follows:—

Series A	Series B	Nite-Hawk
1. Hank Cawthra	Hank Cawthra	Hank Cawthra
2. John Lesesne	John Lesesne	Al Allardyce
3. Al Allardyce	Al Allardyce	John Lesesne
4. Al Kass	Chuck Grant	Al Kass
5. Chuck Grant	Don Fairchild	Chuck Grant

Nice job one and all. Hank also won the Kerr Trophy this year awarded to the Skipper doing the best job for the season on local waters.

Let's get everyone, everywhere, paid up in '60 and keep our Class strong.

Lake Fenton "White Cap" Regatta, 1959 fleet at anchor.

had only one class, with everyone sailing under the same rules. No handicaps, etc., and all of the newer skippers did a fine job. We tried something new this past season and it worked out very well. Instead of making everyone sail with a regulation crew, we allowed them to have more people in the boat if they so desired. This was to take care of those who had company drop in just before race call. By doing this we had more boats in every race.

Several of our skippers attended regattas all over the States, and they made a fine showing. Herm Nickels started off the year by winning the St. Petersburg Regattas, and he just kept right on winning all through the summer, ending up by winning the Internationals, and also the right to represent the U. S. in the Pan American Games. Our hats are off to a fine man and skipper, and to his wonderful crews.

Our season was laced with several Sunday picnics and Moonlite Sails. We finished up on Labor Day with our annual Banquet and Award's Program. Our season's winners were: First—Robert Furey, Second—David Nickels, Upside Down Trophy—Geo. Nickels, Sportsmen's Trophy—Sam Sorscher, Conover Trophy—Dave Friedman.

The annual Lake Fenton "Whitecap" Regatta was well attended by twenty-seven boats. It was a real crazy series this year. Some of the best skippers went from first to last and vice-versa. The wind never blew for the whole fleet at the same time. The Saturday Nite Banquet and dance were highlighted with the music of the "Michigan Barefooted Philharmonics". The winners of the series were First—Jerry Murphy, Second—Geo. Nickels, third—Wes Wiedrick.

TROPHIES! TROPHIES! TROPHIES! Our Annual Presentation of Awards Banquet looked like the "Emmy" show on television, complete with Jerry Lewis (Claude Bennett) as Fleet Captain, passing out the hardware.

I won't say that everyone received a shiny trophy—some received bits of rope, empty shells, tape measurer (for measuring illegal boats) and all sorts of fun awards.

A very select group received Ash Trays in the form of a Duck for proving a Lightning can be capsized. The lucky ones were Ken Willett, Ralph Behler, Burt Bouwkamp, Phil Smith, Dave Barton, Bob Plew and "you can do it in five miles per hour air too" John Seaton.

The real shiny stuff went to the following:

#### Club Championship Series

1. Clarence Holman
2. Andy Roualet, II
3. Phil Smith

#### Sunday Morning Series

1. John O'Dell
2. Clarence Holman
3. Phil Smith

#### Snowball Series

- 3. Ron Callahan

The award for the club member placing highest in the Michigan District went to Clarence Holman and his Crew (the unsunk hero we all owe so much), wife Betty, and Leo Wasserberger.

The Annual Club Invitation Regatta was a real success with our own sailors Phil Smith, Clarence Holman, and Mack Goodwin finishing in that order.

The 1959 season with our active sailing program, pot luck picnics and Junior Sailing program can be considered a tremendous success, but plans are to make next year even better. So if you're in our neighborhood stop in and see us. We are very friendly folks.

Our Annual Pontiac Yacht Club Invitational will be held June 25th and 26th. Try real hard to be with us for this one.

Fleet Champion Art Wong and crew out in front of championship race of Burnham Yacht Club. Fleet 56, Chicago.

There were two new boats in the Burnham Fleet this year, Art Wong with his new Arleen and Ralph Weninger with Lucky Too. Art Wong got Arleen in the water early enough for the Pest Trophy Race, the first race of the season. As in the past, this race predicted the season's final standings with Art Wong and Arleen first, Ronnie Blair in Bon Bon second and Dan Hubbell at the helm of Mickie II third.

The Burnham Park Small Boat Regatta was monopolized by the invaders from the North Side of Fleet No. 5, as Jay Doty and Bill Wingard in Miss Trudy and Jubilee respectively, allowed us only a third place by Ron Blair in his Bon Bon. The Red Flannel Regatta, sponsored jointly by Fleet Nos. 5 and 56, was completely cornered by outlanders this year. Harry Spitz, from Gary, Indiana, sailed his Cats Meow to a first place finish, followed by Herm Nickels of Lake Fenton, Michigan and Bob Adams of Indianapolis, Indiana.

Lake Michigan breezes freshened often enough to require several of us to clean the "Lake Bottom" from our masthead sheaves. Members of this year's "Save the Spinnaker!" club were Art Wong, George Tauber and Joe Ottenheimer, Martie Moore, Dave Haskin and Ray Brady. Who gets the prize for the swimmingest skipper in the fleet?

The prize for the most improved boat of the year goes to Mal De Mer with Bob Erickson and Al Chilenskaskas at the helm. They also provided the most exciting finish of the season as they won their first race by one foot while flying their spinnaker upside down.

All in all 1959 was a great season and we are all looking forward to maybe even a better one next year. Fleet No. 56 would like to invite you all to our new club for the 12th Annual Red Flannel Regatta, the last weekend of September. We feel it is the best attended regatta on the Great Laks with usually about 50 boats entered. Hope to see you there and may everyone have a fine sason in 1960.

The 1959 regatta season started off with a snap crackle and pop for our commodore, Stu Anderson. Stu broke two masts at the Invitational Regatta at the Buffalo Canoe Club. His bad luck started when his mast broke at the start of the first race. In the second race, Stu was leading the fleet and he was in the last down wind leg when he capsized and broke the second mast for the day. It was the first time Stu has ever capsized in his 15 years of sailing.

Once again the Niagara River Lightning Championship was won by the lake sailors. It took Tom Fallon of the Buffalo Canoe Club ten years to do it, but he took home the first place trophy. Former Niagara River Champion Tom Allen of the Buffalo Canoe Club and Joe Holler of the Niagara Sailing Club took second and third respectively.

One of the finest District regattas we ever attended was held at the Erie Yacht Club of Erie, Pennsylvania. Niagara Sailing Club had seven representatives this year as follows: Stu Anderson, Joe Holler, Jack Swanson, Dick Carrel, Jim Milliron, Bob Stark, and Bud Jones - Randy Dilliot. Jack Swanson took fifth place and qualified for the President's Cup race.

Jack Swanson carried the red and white burgee to Detroit where he competed in the President's Cup race. Even though Jack had one of the oldest boats in the race, it didn't prevent him, with

Joe Holler and Doug Nelson as crew, from winning the second place trophy. Congratulations, Jack.

Now for a run down on other regatta action: Jack Swanson and the Randy Dilliot-Bud Jones duo went to the Sodus Bay regatta where Jack took first place among a fleet of 39 boats.

Stu Anderson travelled to the Central New York regatta and took third place in the series.

The Niagara Sailing Club placed one-two-three in the Silver Lake Harvest Regatta. Bud Jones and Randy Dilliot finished first, Stu Anderson second, and Jack Swanson third.

Stu Anderson took a third place in the Sandy Beach Haul-Out Regatta.

This season proved to be the most rewarding thus far for Bob Stark and his sons, Bob and Joe. Book took first place in the Bowen Club Championship and the Wardell Lightning Trophy Series. Bob's proudest moments came when he and his sons received all that silver at the annual trophy banquet.

In rounding out the finishes for the Bowen Championship, Joe Holler was second and Jack Swanson third, and in the Wardell Trophy race, Randy Dilliot-Bud Jones second, and Joe Holler third.

The season was brought to a shocking finish with the team races at the Buffalo Canoe Club where their Captain, Tom Allen, once again led his team to victory over the Niagara Sailing Club.

We were extremely glad this year to welcome two more Lightnings to our fleet. Ed Morrill and Jack Worley located a boat at St. Louis, and Dr. Richard Greer and Gary Stearns found one at Pontiac, Michigan. Ralph Persson is busy this winter assembling 7461 from a kit. This will give us ten boats for sure and there is a real good chance Capt. "Red" Brooks will have a boat by the time the starting gun sounds in early May.

Our racing competition is going to be a lot stronger in 1960 and we are planning three holiday series plus our regular season series.

Jayhawker, Lake Shawnee, Topeka, Kansas, "Perfect Start."

Bill Schwartz with Ken and Rainey Jones along with Wendall and Rosie Ives and Chet Ebey started out the season with a trip to Fort Gibson, Oklahoma where they sailed in the Central States District Regatta. Bill Schwartz and crew then went on to the regatta at Lake Ouachita near Hot Springs, Arkansas, the Jayhawker then added many more miles with trips to regattas at the Savannah Yacht Club, St. Petersburg, Alton Lake at St. Louis and the International Race at the Crescent Yacht Sail Club at Detroit.

At our meeting to elect new officers for next year several skippers are planning and looking ahead to our District Regatta to be held in June at Lake Ouachita, which is the home base for our District Commodore, Gaines Houston. A new lake has opened up at Kansas City, which by turn pike is only an hour away and there will be a Lightning fleet based there. We hope to be able to have them bring their boats here for a Sunday of racing and we can load up and trailer over there with our boats to try out their lake breezes. Through the winter months we can armchair sail and long for the coming of Spring.

Fleet #62 has enjoyed a long and successful sailing season from April 26th through October 31st. The year 1959 found the fleet with an increased number of active skippers and the addition of four new boats to spur on the interest of an already active fleet. The proud owners of new boats are Bob Banck, Jack Dane, Tom Allen, and Gene Walet.

Gene Walet, twice North American Champion, returned to the fleet at the very end of the 1958 season, after having been in the Air Force. He captured quite a few honors by winning the Opening Regatta, the Southern District Championship, held at the Southern Yacht Club in New Orleans, and the Eager Beaver Championship. Late in the season, he sold his boat, Spirit V, to a newcomer to the fleet, Alfred W. Brown, Jr., who sailed her in the Final Regatta and won by a comfortable margin.

Tom Allen our Fleet Captain for the year also had a very successful season in his new boat, the Ticonderoga. He chalked up wins in the first Eager Beaver Series, a Trophy race, August 15th, the Stratton Series, another trophy race, and the Fleet Championship. Tom was second in the opening regatta, the District Championships, and the Eager Beaver championship.

The Skipperettes of the fleet had two races this season; the first was won by a newcomer, Jean Lawson, sailing the Ticonderoga. The second race sailed later in the season was won by Lydia Allen of the sailing Allen family.

Two Crew races were sailed this year. In the first Mike Gautreaux, crew on Jim Mullally's Finale, took the honors, and Robert Banck, Jr. captured the Crew Championship in the second race.

Other winners were Robert Kammer, Jr. in a trophy race May 16th, Ethan Allen in a trophy race August 16th, Jack Dane in a trophy race August 30th, and Ann Hughes in the Junior Regatta.

In addition to the winners mentioned above there were other outstanding skippers. C. Armond Bernius won the first of the three races in the first Eager Beaver Series. Harold Spurl, Jr. in

The sailing Allen family: Lydia, Ethan and Tom—in Ticonderoga.

his Royal Flush showed that he is a very good competitor by being Runner-up in the Fleet Championship for the second year in a row. Erston Reisch, Jr. earned a third place in the Fleet Championship to show that he is always in there. Bob Banck showed us some nice sailing this year, taking second place in the Final Regatta. Francis Manion, another new member of the fleet, is doing very nicely in his Shu Shu.

All of us are looking forward to a larger and more active fleet for the sailing season in 1960 with good competition and fun for all.

As an experiment this year's races were held on Sunday morning in order that the racing crews might have the rest of the day uninterrupted with their families. This plan met with mixed reactions and no decision has yet been made as to next year's program.

Three series were again held; one for the spinnaker division, one for the non-spinnaker division and a third "At Home" series in which all boats not attending regattas in other ports participated.

Wayne Brockett with his new Lippincott boat "Keewaydin" won the spinnaker division. Tied for second place were Al Kuehl, Jr. and Sam Jennings.

The non-spinnaker series was won by Doug and Perry Curtiss, who alternated on the helm with their parents as crew. Second place was taken by Bob Clinton.

The "At Home" series was won by Bill Altieri, a regular member of Al Kuehl's crew, who sailed the boat in this informal series. Again there was a tie for second place between Steve Jennings, sailing his father's boat, and Perry and Doug Curtiss.

Our chief claim to fame for this season lies in the winning of the Governor's Cup for the second time by Wayne Brockett. He also did well in the Early Bird and Piquot Invitation Series.

We look forward to an enlarged fleet next year. Two additional boats are certain at this time. There will also be an effort made to enlarge the spinnaker division. Several have already indicated their intention of transferring from the non-spinnaker division.

Interest in Lightnings in Maple Bay is on the upswing this year with six Lightnings taking part in the Series Races. Lightning No. 7258 is still in the building stage but will be ready for next summer.

George Maggs sailed "Ben Gunn" to win our championship in August. He also won the overnight race around Saltspring Island. The latter race in which the racing boats circumnavigate Saltspring Island, a distance of 45 miles, is a test of racing skill and endurance as unpredictable winds and currents play the dominating role. Total time for the winning boat this year was around 24 hours, but a record time of 16 hours was recorded the previous year. The island may be rounded either way and great consideration must be given to the Tide Tables before the race.

Lightnings also took part in the Maple Bay Yacht Club's Handicap races. The Rooome Cup and the 12 mile North Reefs Race were won by Dr. J. U. Coleman's Lightning "Hitime".

Maple Bay Lightning Fleet was looking forward to hosting members of other fleets at the Annual Labor Day Regatta but poor weather conditions kept all away.

We are looking forward to next year's racing as increasing numbers of Lightnings competing will bring about the addition of extra series races and new courses for the Lightnings.

Milwaukee Fleet #69, sailing out of Milwaukee Yacht Club, enjoyed one of the best racing seasons on record. Our annual P & T Regatta, with its picnic supper, was something that we will look back on with fond memories all winter. This was the outstanding social event of the season.

Dave Ashton, one of our Juniors, won the P & T series, and as noted above, Dave again was top man in our season series. Guy Scrivner and Dr. John Esser ran a close second and third.

Fleet #69 is expecting several new boats this season. Rev. Riesner and Jerry Rosenthan have boats on order, and Len Gardenier's has already arrived. We understand it is a beauty.

Winter meetings are planned, both social and study groups. We are planning rather extensive study groups on basic sailing theory and racing rules as well as racing tactics. This critique technique is expected to help all of our members in making Fleet #69 competition even tougher than it has been in the past.

We of the Milwaukee Fleet are planning an additional invitational meet this year. Our annual P & T Regatta is to be held very early in the season, and with this change in date, we are expecting several additional outside boats. The second regatta will be so timed that it will provide maximum opportunities to tune up for the latest major racing regattas around the country.

In retrospect, 1959's sailing season ended on a better note than it began. The big flood, which played such havoc with Cleveland Yacht Club, floated several of the Lightnings which had been left on the island, and Francis Feighan never again saw his lately acquired No. 1032. For the first time in years, however, all race series were completed, which tells the story of the fine weather we had during the summer. And only a couple of drifters, too!

John Mueller won the Fleet Championship in a round-robin test, with runner-up going to Paul Auer, and third place to Pete Carsten. Next year the fleet's hot skippers will compete for a beautiful new trophy presented by Ed Kennedy and Walter Coulter. The prize, which will always be on display in CYC's clubhouse, is a perfect model of a Lightning, done with painstaking detail, even down to halyard shackles and mast fittings.

Fleet 71 is proud to report that John Mueller was the recipient of the first Sportsmanship Award presented by the Ohio-Indiana District Association. The presentation was made at Port Clinton during the District Regatta. We think Johnny is a worthy choice for the award and a good skipper too, since he represented us in the President's Cup this year.

The travelling fleet, made up primarily of Mark Auer, Ed Kennedy, Mueller, and Packy Bleckrie, tossed their hats in the ring at various regattas around the district, and brought home their share of hardware. Ed was also our representative in the Internationals.

On the social scene, the annual steak roast was its usual howling success and the innovation of a fish-fry met with wide-spread approval. The gals, under the prodding of Dorothy Sellars and Helen McCulloch, did an outstanding job.

The Ohio-Indiana Districts will be held at C.Y.C. in 1960, and we invite you all to attend. We'll guarantee a fine time for all, and some real Lake Erie weather!

## DECATUR LIGHTNING FLEET (74)

#### Sailing on Lake Decatur, Decatur, Illinois

Fleet Captain.....	Welland Hause
Fleet Secretary.....	Parke Boyer
Fleet Champion.....	Hawley Albright

Boat No.	Boat Name	Skipper

Another fine year of day sailing, special club sails, and a Class race series sponsored by the home club, the Commodore Decatur Yacht Club. Race Director Roger Grohne ran the series very smoothly and we were even favored with better than usual August breezes. The series results were, Hawley Albright, Bob Buckles, Roger Grohne in the one, two, three spots.

The high point of the local season, both on the water and on the beach, was the Inter-City Regatta sponsored by the CDYC. There were visiting boats from Alton, Indianapolis, and Peoria, and, though we properly wine and dined the guests, we kept the first place trophy at home with Bill Buckles doing the honors.

Our roaming skipper was abroad again with considerable success in bringing home trophies. Bob Buckles won first at both the Governor's Cup Regatta on Kentucky Lake and the Mid-States Regatta on Lake Springfield. He also took second at Nashville and at Indianapolis, and third at Alton.

The fleet was well represented at the Mid-States Regatta sponsored by the Island Bay Yacht Club at Springfield. This Labor Day weekend event is always anticipated by the fleet and was again a real pleasure from all aspects.

We have temporarily lost one of our usually active skippers, but have gained a good crewman and better city government. Bob Grohne was elected Mayor of the City of Decatur, and as a result of the press of duties of this office, is temporarily without a boat. We are sure he will be skippering again one day.

The fleet is looking forward to the 1960 season. Welland Hause will christen his new boat, a fiberglass Lightning from Girkens-Nelson, the first on the lake. We are expecting it to stimulate interest and attract some new skippers and new boats.

Fleet 75 began its year not by racing but by rolling up its sleeves and going to work on the construction of a dry sailing dock. After several months of arduous work, the fleet was amply rewarded with new dry sailing facilities for approximately 30 boats.

The season began with the first YRA regatta at Minisceongo Yacht Club on Memorial Day. George Garrecht started the season off with a bang by getting a very respectable first place with Walter Tripp of Minisceongo second and Bob Shuris of Nyack third. The following day in a 9 mile beat down river to Shattemuc Yacht Club saw Bob Shuris edge out Ed Dean by 2 feet for first place. John Sullivan took third place honors.

The next event was the annual July 4th regatta staged at Nyack Boat Club. With no wind all day Saturday and again on Sunday morning, this turned into a one race affair which John Sullivan won hands down. Joe Hoffee came in second and Ed Dean took third position.

The next YRA event was held at Shattemuc Yacht Club on August 1 and 2. Ed Dean, sailing in his former home waters took top honors with two firsts and a second. Bob Shuris gave another good account for himself by copping second place and John Sullivan again took a third place.

On August 8 and 9, Fleet 75 participated in the annual Mid-Hudson Regatta for Lightnings staged at Minisceongo Yacht Club. In this event final results showed Walt Tripp of the host club in first place hotly pursued by Tom DeStasio and George Garrecht both of the Nyack fleet.

The Mory Merry Marathon, a race from Nyack to Minisceongo dried up for lack of wind on September 5. Consequently on the following day the prizes from this race were combined with the prizes offered for the race down from Minisceongo giving six place awards. In order they were Hoffee, Garrecht, Dean, Gleeson, Brandau and Shuris. On Labor Day Oliver Filippi, picked up a first in home waters with Hoffee and Dean second and third respectively.

Competition for the club championship, which began on June 7th was fierce this year. With a record 30 boats registered in the fleet and an average of 20 boats starting every race, the outcome of the championship hung in the balance until the very last race which was completed on August 30. Practically everyone took his turn during the season either winning a race or going into the tank. When the spray subsided Fleet 75 had a new champion—Ed Dean. George Garrecht was in runner-up position followed by Joe Hoffee. This is the first time in about 8 years that the Fleet 75 championship had been wrested from Joe Hoffee's hands.

In a fall series consisting of six races, competition was equally as keen. At the end of the last race, Ed Dean emerged as winner of this series also, followed by Joe Hoffee and Bob Shuris.

Five boats from Nyack participated in the Districts. Of the 20 boats competing in the districts, Nyack sent one boat to the Internationals and two boats to the Presidents Cup. All of the three failed to place.

Needless to say we are eagerly looking forward to an early racing start in 1960 and hope to get our first spring series under way this coming year.

**GOOD LUCK AND GOOD SAILING.**

The 1959 season opened with the Burns-Hanna handicap which was won by Dr. Bob Jamison. The fleet championship series followed this and was won by Dr. John McIntosh. The summer series and crew series followed. The summer series was won by Dr. John McIntosh. The crew series was won by Dennis O'Kane. The fall series was won by Dr. John McIntosh.

The race over Labor Day for the Missal trophy was won by Arnie Sahs.

The most improved boat of the year trophy was won by Dr. Spector.

The tip over honors this year were divided among Tom Morgan, Ernie Hamilton and Warren Duerr.

Other races this year included a skippers race and a Snownut series.

The total official races at the club outside of regattas numbered 38 which covered a very active season from May to October.

The 1959 Sailing season got under way with the Chester Bates and Georgia Bates Memorial 3 race series on Memorial Day weekend. The Chester Bates Handicap races were won by Howard Comson, followed by Allen Bernel and Jack Taggart. The

Georgia Bates scratch races ended up with Howard Compson in first place, Vic Peterson in second place and Allen Bernel third. The next series of three scratch races gave Allen Bernel the Art Little trophy with Vic Peterson and Howard Compson following in that order.

The Law Series of 2 scratch races saw Vic Peterson take home the hardware.

The Fourth of July week-end produced some light weather sailing and Howard Compson ended up with the Neuman Round Robin trophy for skippers and Lee Peterson and Jim Sprole won the Best of Crew trophy.

On July 11, we had our traditional Tri-Club Regatta between Niagara Sailing Club and LaSalle Yacht Club. We were surprised and taken aback when the youngest club of sailors from across the river at LaSalle took the old oaken bucket back with them.

The Commodore's trophy was won by Allen Bernel. Al was followed by Andy Daniels and George Rasmussen.

In the Labor Day week-end series Allen Bernel won the scratch Compson series, Jack Taggart won the handicap Duhscherer trophy and Jeff Bernel and Steve Sprole won the Crew trophy.

George Rasmussen also won the Grand Island Marine Trophy as most improved skipper of the club. The Saturday Series was won by Jack Sheehan.

The first appearance of any "Old Timers Race" appeared on our schedule. This is where you get all of the old time sailors, who sit on their "Stink boats" to race. George Bates, Alice Brunton, and Jesse Law were the toast of the club for their tremendous effort and win.

Our busy season closed with our Hawlout Regatta. We had a thirty-two boat turnout and the weather cooperated on Saturday so that we got 2 races in but the 35 mile wind blew out Sunday's race after four boats capsized. The final standings of the two races gave Tom Allen of BCC first place.

For the third consecutive year, the Fleet Championship changed hands. A series of three races was held to decide the Lionel Smith Trophy and, in some of the closest contests we've seen, Jack Sloan in "Linament", with his sons as crew, nosed out Bob Dallas in "Lo and Slo", with Clem Arrison in "Ripple" placing third.

The Ryan Cup, the oldest sailing trophy in our club, is awarded to the winner of a handicap race for center board sloops. This year, a Lightning, skippered by Bob Dallas, won over all classes in a drifting match on Lake Erie.

Al Coho, always a tough competitor had some tough luck at fitting out time and was unable to race. Seems that Al underestimated the power of a circular saw in removing caulking and wound up with some major carpentry work.

We at Buffalo Yacht Club are proud to be your hosts at the 1960 Lake Erie Districts to help us celebrate our 100th anniversary.

A cordial invitation is hereby extended to all Lake Erie District sailors to help make our anniversary celebration boast the largest District Regatta ever held.

#### Sailing on Lake St. Clair, Detroit, Michigan

Fleet Captain.....	Jim Kohls
Fleet Secretary.....	Maxine Kohls

Most of Fleet #83's racing was again done in the Detroit River Yachting Association regattas. These regular weekly competitions for Lightnings are hotly contested with the season point average determining the DRYA and our fleet champion, Wes Wiedrick, again won both championships for his consistent good sailing.

The majority of our boats sailed in the Michigan District Championships which were held for the second consecutive year at Tawas Bay Yacht Club and which again produced an International Champion. Two of Bayviews skippers were really successful in that—Jim Schudel finished second and wes Wiedrick finished fourth. Both qualified thereby for the Internationals where Jim took a seventh, but Wes, due to a disqualification in the fourth race, didn't fare so well.

Clipper Runnels, who crewed for Dick Dickman in the Districts, became so excited about Lightning racing after this series that he proceeded to purchase Lightning #6225 from George Davis. Clipper's doing real well skippering his own boat now.

The Moeller twins, Jack and Jim, bought Lightning #5832 this Spring. They named the boat "Crazy Man" and painted it with colors that really live up to the name.

It looks like Warren Jones new boat is a hot one. The Brazilians who sailed it in the Internationals finished fifth overall and they hadn't even had any previous experience in the boat. Warren makes the boat go too but he seems to have some troubles occasionally missing marks and such.

A farewell party was held at Jim and Betty Schudel's home for Rosemary and Dick Dickmans who left for California this Fall. Rosie and Dick were given a pewter pitcher as a token of the very pleasant memories which all of us have of this wonderful couple. Our best wishes go with them.

Dick, before leaving the Captancy of our fleet, had organized the third Annual Bayview Lightning Invitational. One race was held Saturday and two Sunday in a typical Fall blow. Hermy Nichols, Lightning Champion, capsized in Sunday mornings race thereby losing his lead to Jim Schudel who went on to win the series.

Newlyweds, Maxine and Jim Kohls were elected to fill the vacancies of Fleet Secretary and Captain respectively.

Here's hoping that the new year will bring a work boat to Bayview. This would then enable us to tow out of our congested river into Lake St. Clair for the tune up racing we so badly need for an even more successful sailing season.

Three brand new Lightnings smelling of fresh cedar made their

appearance in our fleet this year, but unfortunately there were no additional sailors, just new boats for old!

Marty O'Meara, the newly elected LCA treasurer again got an early start on the season by sailing his new boat to a creditable showing in the Mid-Winter Championships. The annual Early Bird Regatta was held on June 27th and 28th at Niantic Bay. In a topsy-turvy 3 race series Bill Healy with Wayne Brockett of Branford 2nd and Ken Ireland of Milford 3rd.

Bill Healy's "Charlie Brown" also won the annual Eastern Conn. Y. R. A. Regatta for the second straight year placing 1-2-2. Marty O'Meara won the last race in a thriller and placed 4th overall. Mike Shapiro placed 3rd overall by consistent sailing in the 28 boat fleet.

Mike and George Flynn and Mike Shapiro put on a good show of consistent sailing at the District Championships at Noroton and thus qualified for the Internationals at Detroit where local conditions and bad breaks proved insurmountable.

The monstrous Governor's Cup was again put up for challenge on August 30th at Niantic Bay. Wayne Brockett of Branford placed 1st and 3rd in the 2 race series and thus regained the trophy he had won in 1957. Kevin Jaffee of Noroton took 2nd place despite an altercation with the tide in the morning race. Tom Munnell of Southport took 3rd place overall.

The season's fleet #85 series was foreshortened due to the multitude of inter-fleet regattas, but when decommissioning day arrived, Bill Healy had again won the fleet championship, George and Mike Flynn's "Nutzy Fagan" was second despite their absence from many of the races.

Fleet 87 enjoyed another excellent season of racing and good fellowship. We held eighteen fleet races and participated in over fifteen regattas through a season which began in May and was not completed until November.

During the winter months emphases was placed on a junior sailing program. After observing the performance of Burgess Allison's new Optimus Pram, Herm Henschen, Earl Engler, Barney Mead, Marb Fox, Jack McKenney and several others combined their resources and energy to build a fleet of these small boats. In them we hope to teach future Lightning Class champions the fundamentals of racing. While this group was engrossed in their task the Prices, Bureses, and Schneiders were busy preparing the way for their additions to the Lightning group. Mary Price, Bill Bures and Mark Schneider all arrived during the third week in April, just in time for the spring series.

There were several changes in the fleet at Sue Island this year. Barney Mead had a beautiful new boat which he named O'Hooligan. Sargar'n Spice replaced Herman Henschens Harem Girl. The Asian touch was added by Ben Derrickson's Japanese built boat. Far from being the least noteworthy, Carol Bures again demonstrated his craftsmanship and ingenuity by reconditioning Lightning 6622. This boat which had been purchased as a complete wreck was one of the fastest and most beautiful in the district.

Nineteen-fifty-nine will definitely go down in the records as being one of our best. The Chesapeake Bay high point trophy was won again by Marbury Fox. Close behind in second and

fourth position were Barney Mead and Herman Henschen. Marbury Fox again won the district championships, while Herman Henschen also qualified for the Internationals with a third place. At home Marbury Fox, Barney Mead and Herman Henschen were first, second and third in the spring series, the fall series, and the championship series. Regardless of the consistent results, these men really had to work for their positions. Hardly a race went by without either Earl Engler, Caroll Bures, or Jack McKenney being very much a threat.

Several of our boats participated in regattas outside of the district. Dave Bruce raced in the East Greenwich Regatta in New England. Earl Engler, Jack McKenney, Dave Bruce, and Franz Schneider represented us in the regatta at Little Egg Harbor, N. J. Marbury Fox and Carroll Bures sailed with the Susquehanna Fleet. At Savannah our representative was Marb. Fox.

As for the future, it looks bright. The prospects for new members in the fleet look excellent. Sixty should see all of us back again with freshly polished enthusiasm and equipment. Why don't you come and visit with us for a while. You will find the sailing waters and facilities ideal, the people friendly, and the competition keen.

The 1959 season provided some fine racing in our rapidly growing fleet. The presence of the Royal Yacht, the Dragon, Bluebottle, in these waters served to compliment the Lightning Class and bring considerable publicity to this sport.

On the local scene, races for the fleet were hosted by the Kitsilano Yacht Club, the Royal Vancouver Yacht Club and the West Vancouver Yacht Club. This included a nine race series for the fleet Championships, and a summer long Thursday evening series. The W. V. Yacht Club provided an excellent buffet luncheon which was thoroughly enjoyed by everyone participating in their series. Sailing conditions in English Bay are generally ideal, however the exception was provided when fourteen boats started on a race around Passage Island in wind between 25-40 miles per hour. Only four boats finished this race which taxed equipment to the breaking point.

A "frostbite series" is being tried this winter for the first time. This is perhaps one of the few places in the world where in the winter you can sail in the forenoon and ski in the afternoon.

Another first this year was a weekend race to Bowen Island with crews sleeping on board at anchor in Snug Cove. The Saturday night party at Thomson's cabin high on the shore overlooking the cove was undoubtedly a deliberate attempt by Thomson to sabotage the race home Sunday. The cabin wasn't the only thing hungover in the cove the next morning.

Away from home, Adrian Thomson trailered "Pastime" to Eugene, Oregon, where he competed against 22 other boats in a three race series in good racing conditions. According to Adrian, the fine competition was only exceeded by the excellent time shown to him by the local fleet. Incidentally, Adrian won the series and the Oregon Lightning Championship.

The Pacific Northwest Championships were held in Seattle,

Lightning #3738, "Pastime", Adrian Thomson, Fleet Champion of Fleet #90.

Washington. Thomson's "Pastime" and Tom Sturgess' "Hawk" participated. This five race series was held in good weather and varying winds. Only one race was a drifter and was called well in time. When the smoke cleared, "Pastime" was 2nd and "Hawk" 7th out of fourteen starters. The hosts provided a fine Chinese banquet preceding the prize giving.

Several boats cruised the beautiful Gulf Islands during the year. Tom Lironi and family, James Weir and family and Hart Long and John Lachance managed to squeeze in some relaxing between a busy racing calendar to cruise these very scenic waters.

The Isabel Vogel Trophy was donated to Fleet 90 by Mr. Hunter Vogel in honor of his wife. This trophy, which is to be a perpetual award to the fleet champion was presented to this year's winner by Mrs. Isabel Vogel. The Vogel family are well known in yachting circles. Mr. Vogel built the first Lightning west of the Great Lakes, #626, and was responsible for the development of the Lightning Class in the Pacific Northwest. #626 is still very active on the racing scene.

## PROUTS NECK YACHT CLUB FLEET (94) New England District Sailing on Saco Bay, Prouts Neck, Maine

Fleet Captain.....A. Osborne Willauer  
Fleet Secretary.....Charles H. Willauer  
Fleet Champion.....W. Bradford Willauer  
Runner-Up.....Paget Gates & Dick Kester (tie)

Boat No.	Boat Name	Skipper
1166	Zebu	Prouts Neck Yacht Club
1302	Pequod II	Prouts Neck Yacht Club
3790	Daiquiri	G. A. Sawyer
5610	Naiad	Richard Kester
6038	Thetis	Marvin H. Gates
7297	Moth	A. Osborne Willauer

This summer's racing was dominated by a new boat in the fleet, A. O. Willauer's **The Moth** (7297). Brad Willauer won both the Saturday and the Wednesday Series and the Fleet Round Robin Regatta at the end of the summer. **The Moth** (7297) did equally well in other Lightning races in New England. She came in eighth at Annisquam, Mass. on August 8th and 9th, at the New England District Championships. Peter Willauer skippering again won the State of Maine Lightning Championship Regatta at Centerboard Yacht Club in Portland Harbor on August 22nd and 23rd. At Lake Massebesic in Manchester, N. H. on Sept. 17th and 18th, Charles Willauer took second place in the State of New Hampshire Lightning Regatta.

Due to a fairly light season we didn't separate our series in July and August. Paget Gates, **Thetis** (6038), took second place in both the Wednesday and the Saturday Series, and Ann Knowles, **Daiquiri** (3790) and Dick Kester, **Naiad** (5610) came in third in the Saturday and Wednesday Series respectively. Dick Kester took second in the Fleet Round Robin Regatta. At Centerboard Yacht Club in the Maine State Lightning Championship Regatta, Paget Gates, Dick Kester and Ann Knowles came in seventh, fourteenth and twenty-first respectively.

Acting as host club for the Maine Yacht Racing Union, we held the Finals for the Junior Championship in our Lightning Fleet on the 6th and 7th of August. As the photograph shows all hands turned out to prepare the boats for this event and make them all as even as possible. In spite of exasperatingly light airs and other difficult conditions the crews sailed a sportsmanlike, competitive series. Blue Hill won the series on the basis of the number of second place finishes after being tied with Harraseeket in the last race, and earned the right to go to Madison, Conn. for the Sears Cup Division "A" Semi-Finals.

By contrast our Fleet round Robin Regatta was sailed in heavy winds and fog. Given a shot in the arm by the permanent two weeks presence of Tommy Williams, who chartered a club boat for that period, and Peter Willauer, who spread his knowledge around by crewing for different young skippers, our annual fleet Round Robin was keen and competitive.

Labor Day weekend brought our season to a close. However, some owners kept their boats in later than usual this year to enjoy the delightful clear crisp fall sailing weather. Occasionally as late as the twelfth of October weekend a Lightning could be seen darting about in the bay. With prospects of possible new boat owners and more interest we look forward to a fine season next year.

All hands are willing hands at Fleet #94

Three items of outstanding interest developed over the past racing season . . . running from mid-June through Labor Day with races every Saturday afternoon and Sunday morning that caused quite a stir.

Dorc Sharp, as may have been noted above, owned two boats. One new in August and it was a boat that she "wouldn't need to bail", Fiberglass and all that. Pity of it all, it must have sprung a huge leak as we all noticed our Dorc looking soggy but unbowed as we went by. Or was it just the puffy air? We expect Dorc to have a new automatic bailer next year and perhaps a better regard for the shifty winds.

Chet Howell raced his 'old' boat so well the year before that Charlie Reinauer bought it. Charlie didn't win but did do rather well so Dick Squires used his old bean. He invited Chet to sail with him in the Championship Series. They won. The best figuring is that Charlie bought the wrong item. Perhaps Marion Howell will be kind to the rest of us and keep Chet on shore next year . . . but we all doubt it.

The biggest news item however, is that Bill Horton neither won or was runner-up for the fleet championship. Other than a case of broken gear or a foul, this is the first time since the early 1930's that Bill has not been in the top money . . . He is now Commodore of the Awosting Yacht Squadron. We wish him luck as our new Commodore and may his new approach of sharing the trophies continue. As a matter of fact, he could improve on the sharing part and still win enough!

All in all, with some movement of boats the usual strange air and a splendid assortment of after race beer parties, it was a season that we all enjoyed. See you on the water in June and as The Old Philosopher puts it . . . NEVER GIVE UP THE SHIP.

"There'll be some changes made . . ." and there were many changes in Fleet 96 this year. The addition of six new skippers, five of whom graduated from Blue Jays, gave our Fleet a new look, and some hot competition resulted.

Our redoubtable Fred Hibberd attended summer school in Honolulu, but with the help of the new Fleet Captain, Butch Hitchcock, "Flash" was at the top in most of the big races. Sis Hibberd went to summer school, too, and didn't race, a real loss in Lightning competition.

Derek Miller, a new seventeen-year-old Lightning skipper took first place in the Y.R.A. of L.I.S. with his new Lippincott "Lucky". Well-named.

In the Districts held at Riverside, Fred Hibberd, Tyler Keyes, Cat Kelly, and Janet Lethen represented our fleet. Fred and Janet went to the Internationals and Tyler qualified for the President's Cup, but couldn't make it this year. The only claim to fame at Detroit was that Janet's "Restless" had the only all-girl crew.

In the Atlantic Coast Championships, Fred was in a tie for first, finished second.

In Larchmont Race Week Lightnings were divided into odd and even numbered divisions. Sam Barton in "Heffalump", a new Gurber, took third in the odds; Butch Hitchcock and Bizzy Montesano a fourth in the evens; and Tyler Keyes a third in the evens.

Manhasset Bay Senior week found Fred Hibberd winning again with fast, flaming "Flash".

Janet Lethen skippered Restless to a close second in the Girls Championship of L.I.S. with the able help of Jean Hitchcock and young Leggie Mertz, her famous mother's daughter.

Sam Barton with brother Bob and Tyler Keyes (all able Lightning skippers) put on a good show at Sea Cliff and came home with a second in the L.I.S. Junior Championship.

There are plans to start the 1960 summer activities with a series of Friday evening races, best three out of five for Fleet Championship. We also plan a Sunday afternoon series for boats not entered in the Y.R.A. It should be both enjoyable and interesting.

The big Junior skipper crowd will probably be increased by two more hot competitors moving in from the Blue Jays. Jolly Everett and Skip Guilliard are looking at Lightnings with covetous eyes. 1960 looks like a promising season.

Our season started out with Memorial Day Regatta, and the wind conditions were prophetic for the season. First race on Saturday was becalmed in a dense fog and finally after several hours of wandering around, the race was called. The regatta was decided with the two remaining races on Sunday. It resulted in a tie for first, but the winning boat was decided on the basis that he won in the largest number of boats. Hence, Princess, first, Gold Crown, second, and Rebel, third.

Regular Sunday races followed with about 12 to 15 boats participating. Among them, the four new boats 3 Lippincotts, and 1 Seaman, that were added to the fleet this season. The contest seemed to develop between Princess, Holo Mama, Kittiwake, Lorelei and Caiman, with Rebel, a consistent threat.

Fourth of July regatta was held with consistent breezes for a change, and the top three turned out to be, Princess, Holo Mama, and Kittiwake.

About this time Fleet #98 sent four boats to the District Championships, Princess winning one race; we didn't qualify anyone for the Internationals, Bill Moss finished best, with a 10th out of 30 boats. Two of our members, Moss and Perry, had a chance to compete with some of the hottest sailors of Long Island Sound, among them Jaffe, Munnell, Ford, Crane.

Three of our members also participated in the new east of Rye series one Saturday and placed first, third and fifth in a miserable drifting match.

Labor Day Regatta found the standard lack of wind for this season, and the results after three frustrating "races" were Princess, Kittiwake, and Holo Mama.

The Lightning Invitational, a post-season regatta, was the only time in the past three seasons that Lightnings have raced on the end of an anchor. Counting only two races out of the three, the winner was Jim Meehan in Kittiwake, followed by Art Buhr in Fury, and Princess sailed by Ed Perry.

In the closely contested seasonal standings, Bill Moss in Holo Mama was first, Princess, second, and Lorelie sailed by B. Wallace for the Tri-Club trophy.

In a special Wednesday night series, Mullen-Tranter were first, Al Davison, second, and Jim Meehan, third.

This season Fleet #98 inaugurated a special series called the

under-5000 trophy. This was for the boats with the non-glued bottoms; and while they started with all other Lightnings and competed for all other trophies, they had a special set of trophies for themselves. In a hotly contested series, which was not determined until the final moments of the last race of the season, Lou Harring, won over John Kelley, followed by Al Davison for third.

With a shift of Bill Reidell's boat to Mr. John Porterfield in mid season, and the acquiring of Lorelie by Mr. Iurka, the fleet remains active and vital. It looks like an active season again next year.

6957	Fiji	David Thurston
7195	The Willies	William P. Clausen and William P. Clausen III
7341	Waterloo	Diana Graham

With the increase of newer and faster boats in the fleet, Fleet #99 was forced to divide the fleet into A and B class. "A" was over #5000 and "B" under #5000. We had seven boats competing for the fleet championship in "A" class and eleven in "B" class.

We held our annual meeting in June to plan for the racing season ahead. We decided to have our usual 18 race championship series with two weekends out for traveling to nearby regattas.

Throughout the 18 race season we had only one boat upset. Doctor Phister tried to carry his green and yellow spinnaker a little too high on the wind and went for a swim.

The Clausens kept the "A" group series in hand throughout the season, but the "B" class championship was not decided until the last race. Bob Hutchinson in Magic Carpet after leading the "B" fleet throughout most of the season was disqualified in the 17th race and Dr. Phister took advantage of this by winning the race and beating Bob in the 18th to clinch the "B" title by a fraction of a point.

The Clausen's sailing "The Willies" traveled to the Districts but found the competition pretty tough and finished sixth. In August Dave Thurston and the Clausens traveled to Brigantine. Dave had an unfortunate accident in the first race and damaged the bottom of "Fiji". The Clausens won the regatta over defending South Jersey champion Dave Shay in "One Hoss Shay" from Metedeconk.

The following weekend 13 of our boats competed at the Ocean City Yacht Club's annual regatta. Fleet 99 copped the first two positions with Clausen first and Thurston second followed by John Walton of Brigantine.

In 1959 Fleet 99 welcomed two new boats to the fleet, #7341 "Waterloo" owned by Diana Graham and sailed by Dr. Gordon Buzby. "Waterloo" entered the series in mid-July. It proved to be a fast boat and will be a real threat in 1960.

Brad Linthicum acquired #5694 "Good Grief" from Dr. Healy in Conn. Brad, after following the fleet in his old "Ruthless", found out what it was like to hear the first place gun for a change. He finished a strong second in the championship series.

Fleet 99 finished its official racing season the last Sunday in August with the annual banquet and awarding of trophies.

1959 was the biggest year yet for Fleet 99. We hope 1960 will be even better and bigger. With the addition of Dr. Buzby's new Lippincott "Buz-Along", the competition will be even tougher.

With only three boats in competition this year it is easy to keep this report concise as requested.

As soon as Don Horsman and Lou Levesque complete their boats we will start upward again in fleet numbers and activity. And, with still another good prospect for one more boat, we expect next year to be doing a lot better. Also, the Taylor Pond Yacht Club has a strong Junior sailing program going under the guidance of Mrs. Warren Andrews which should provide more skippers as time goes on.

In home club events, Treasure successfully battled it out with Red Witch for top honors. Dick Winkel's Pecan's improved performance at the end of the season raises a threat for next year.

Omena-Traverse Yacht Club #174 and Burt Lake Club #254 of Michigan District have reports this year. Glad to hear from you. The Editor.

Our first event of the 1959 racing season was the S.C.Y.A. Mid-winter Regatta at our own Cabrillo Beach Yacht Club, on Feb. 21st and 22nd, and the season wound up with the Thanksgiving Regatta, also at C.B.Y.C.

The Fleet went down to Balboa Y. C. for their Easter Regatta. Woody with "Pambee" came up with a 3rd to hold up fleet honors. Al Coha and Des Champs of Fleet 194 took 1st and 2nd.

The C.B.Y.C. Spring Series was taken by Wendell Harter, with Ted Staniec 2nd and Ralph Branning 3rd. We were given a lesson in spinnaker reaching by Wendell Harter and the "Paddlin' Madelyn" in our 18 mile San Pedro to Redondo Race. It was positively illegal the way he left us behind on the 6 mile reach leg to Redondo Harbor.

Seven boats went to San Diego for the District Championships in July. We had a great time down there, but, except for Dick Benner who placed 4th, we were wiped out by the San Diego boats.

The high point of our sailing season was the hosting of the Pacific Coast Championships, Labor Day Weekend. The regatta was held in the Los Angeles Outer Harbor, in generally light air, which is unusual for these waters. Al Coha, Fleet 194 was 1st in the five race event. Dick Benner, Fleet 102 was 2nd, and Dave Wright Fleet 114 was 3rd. Benner was threatened with disqualification during one of the races for sailing short-handed. Seems as though he suffered a spinnaker knock down and both of his crew fell into the drink. One man hauled himself back on board and took in the spinnaker. Then they retrieved the other man and went on to finish 3rd. Boy!!

We had a nice party for the regatta dinner. Dressed the clubhouse up with the usual luau decorations, fish nets, surfboards, starfish and flowers, and of course leis for the ladies. A good time was had by all.

Six boats made the trip to San Diego to take part in the Stanley Andrews Series. This time the worm turned; our Dick Benner and Wendell Harter took 1st and 2nd in the Series. Our Fleet came home with five boats in the first ten, out of 22 boats competing.

The next event was the C.B.Y.C. Fall Series. It was the 2nd race in this series that produced the strange sight of Ted Staniec's "Tern" draping her spinnaker all over the Fish Harbor Channel Buoy. Seems as though Benner and Staniec taking the same mark in opposite directions, side swiped and there it was, the Tern hanging from the buoy by her spinnaker and halyard. Benner came to the rescue by putting a crew man onto the buoy who cleared the sail before any damage occurred. The Fall Series were taken by Gerry Noll 1st, Harter 2nd, and Staniec 3rd.

The Thanksgiving Regatta at C.B.Y.C. wound up the season for Fleet 102. A three race event that ran out of wind in two of the races. The wind gave out so completely that half of the competitors paddled home after dark in the first race on Saturday and again just barely made home after the 3rd race Sunday. Benner took 1st, Noll 2nd, and Staniec 3rd.

Wendell Harber made the trip down to San Diego to represent Fleet 102 in the Thanksgiving Regatta at Coronado Y. C. He came up with a 3rd place, with Carl Eichenlaub Jr., Fleet 194, taking three firsts in his new boat.

The 1959 season was one of awakening interest in the Lightning Class here in the Los Angeles area. We are most happy to welcome Strumland and Millikan, Harvey, Pontious and Prindle, Watts, Carson, Young, and Fitzgerald as new Lightning skippers, and also welcome to our fleet William Caldwell and George Mayer, who brought their boats from the East. We're all looking forward to a full year of sailing in 1960.

Our fleet had some very interesting occurrences in the months before the racing season started. Felix Matusky and Joe Tichansky received their new Japanese built Lightning early in the spring. And then they had to replace fittings, and put in modern racing fittings, tuning and so forth. In June they had their launching, complete with champagne, naming the boat "Itchiban" (meaning first one). Then they gave a wonderful cocktail party for all the fleet members to celebrate.

Then we had John & Marion Bonn, club members, wishing to acquire a Lightning and chasing all over New Jersey to secure a good racing boat. After many interesting experiences they finally bought Harold Dickie's #5615, and were ready to go at the beginning of the season. The Bonn's are new sailors, very enthusiastic and eager, and will be tough competition next season.

Our friend Bob Fellman broke up the Adios partnership. Austin Osborn sailed the Adios with pickup crews and did not have the same spirit as he had with Bob.

Our Club racing season started on June 28, and ended on

Labor Day. We certainly had a variety of weather and wind, including one race in a fog so thick, that lead boats had to find the marks. Everyone finished.

In the Barnegat Bay Yacht Racing Association Regattas, we have a very good turn out in the "A" and "B" classes.

In August John & Marion Bonn and Fred Slovak took the Jezebel to the Little Egg Harbor Yacht Club Invitational Regatta. Had a wonderful time, and the Bonn's had a good taste of meeting other boats in stiffer competition. We sure expect to see the Bonn's out for more of these away from home events next year.

The Star Duster, Fred and Marie Slovak and Ward Thomas had an active racing season. Besides sailing the Sunday Club Championship series, they started in June with the Metedeconk River Yacht Club Tune-Up Regatta, of which only one race was sailed, as the second and third races were cancelled due to gale force winds. Also sailed in the New Jersey Lightning State Championship Regatta, at the Monmouth Boat Club, at Red Bank, N. J., finishing 7th. Finished 2nd in the Central Atlantic District Commodore's Cup Regatta, and placed 2nd in the Barnegat Bay Yacht Racing Association Championship series.

We had some informal short races in September on Sundays, and enjoyed some pleasure sailing on Saturdays.

We hope that we will be able to get some new members next year and also that some of our pleasure sailors will come out and race with us.

The 1959 racing season was one of the finest ever at Groton Long Point. The competition was keener than ever before, this year with Jim Egan and Bob Purrington fighting a close duel for the fleet championship. Bob Purrington won the Slater Trophy and Jim Egan the Washburn Trophy. Both of these beautiful revere bowls were donated in the 1958 season for Lightning competition. Close behind Bob for the Slater trophy was Jim Egan followed by the Hadlows, who were new this year. The Hadlows sailed their boat, "Bugaboo", into third place for July to upset many of the older fleet members. Another new boat to fleet competition was the "Southerly", captained by Skip Church.

At the beginning of the year Jerry Turner sold his old boat, "I Go Two" and purchased the "Barefoot". Bonnie Parizak purchased Jerry's boat and soon with the help of old hands, Mark Turner and Tom Sullivan, brought the I Go Two within striking distance of the top.

In the close fight for the championship, Jim Egan gained a 1¼ point lead to gain the coveted title of fleet champion.

This year, the fleet has been active in outside competition. Early in the season Jim Egan and Bob Purrington traveled to Niantic to compete in the Early Bird Regatta.

On the twenty-fifth of July our fleet sent two representatives to the Connecticut Districts at Noroton, Connecticut. Bob Purrington proved too inexperienced for their older competition.

In August crews from the fleet raced for the Sears Cup and the Midget Championship. Jim Egan headed the crew in the Sears Cup, and Bill Murphy headed the sailors in the Midgets. Both boys and their crews represented the fleet well and gained much valuable experience that should help them with these races next year.

John and Marion Bonn in Jezebel—5615.

Two members of our present fleet, Tom Leffingwell and Doug Peacock, suggested the Thunder Mug race. It was to be sailed on a favorable night in August when all the fleet could attend. One of the "dry" sailors in the fleet, Jim Egan, won the silver mug donated by Doug and Tom.

As the season closed several of the fleet traveled to Niantic for the annual Governors Cup Race. The Egan brothers, Jim, Jack and Dick, lead our fleet with a seventh. Behind them were Bob Purrington and Doug Peacock in eleventh and sixteenth positions respectively.

September brought the sad pulling of boats as the various crews headed back to school, college, and work. The unhappy days were brightened by the news and rumors that the Parizaks, the Grugans, and others were ordering new boats. It looks like a season of good sailing and stronger competition for 1960. Our thanks go to Dr. Grugan, a power boat man himself, for his ceaseless efforts as race chairman. Our hat is also tipped to Mr. Kennedy and company, who manned our antiquated committee boat through many a rolling sea.

Good luck to all in 1960!

## GREAT SODUS BAY LIGHTNING FLEET (108)

### Central New York District

#### Sailing at Sodus Bay, Sodus Point, N. Y.

Fleet Captain.....Richard W. Hallagan  
 Fleet Secretary.....James Caves  
 Fleet Champion.....Charles W. Hallagan  
 Runners-Up.....Brown - Bloomer

Boat No.	Boat Name	Skipper
2756	North Wind	Lawrence Morley
2792	Nancy Ann	Dr. Stephen R. Pope
3274	High Tail	Bill Croucher
5974	Polaris	Henry W. Fogarty
6693	Merry	Charles W. Hallagan
6698	Chaos	Dick Brown and Bob Bloomer
7087	Razzlefratz	Richard W. Hallagan

The winter months were busy ones: Harry Fogarty sold 2729 and bought 5974, Charlie Hallagan sold 2794 and bought 6693, Dick Hallagan sold 5390 and bought a new Emmons 7087, and Steve Pope brought 2792 to the bay. There was no rest for the 1958 champions, the Brown-Bloomer Yacht Racing Syndicate, for with new boats threatening, they installed a new spinnaker, suction bailers, thro lever adjustable jib downhaul, beer cooler, and other bric-brac.

A schedule of 3 series was set up: a Saturday Series of one lap races for Saturday afternoons, a Sunday Series for two lap races for Sunday morning, and a Labor Day Series. The four-some of Fogarty, Hallagan, Hallagan, and B & B traded firsts all summer. The final standings found B & B first in the Saturday Series, Charlie Hallagan taking the Sunday Series, and Dick Hallagan winning the Labor Day event. After B & B's clean sweep the previous season, the two Hallagans rested at ease.

This keen sense of competition sharpened the boats for the summer regattas in the Central New York area. Our boats took top honors in the following: third at Owasco, one-two in the Centrals, third at the Districts, third in the Sodus Bay Invitational, and two-three at the Onondaga Regatta. Thanks to Harry Fogarty's third in the Districts, the District Championships will come to Sodus in 1960.

6687	Sugarbeet	Art Buhl, Jr.
7010	Glengarry	Alex Carlin
7300	Triagan	Doc Arnold
7309	Serendippity	Mike Dow

Alex Carlin, top Higgins sailor, was relatively inactive on his home grounds during the summer-busy sailing at other regattas, and we suspect letting the rest of Fleet 110 battle it out for 1st place instead of 2nd as generally happens when he's around.

Our 9th Invitational Regatta, August 1 and 2, again saw the top Michigan skippers in attendance. When the firing stopped and the smoke cleared away Hermy Nickels, International Champ and St. Pete winner, was in first place, Ed and Bill McKinley of Tawas second, Jim Schudel of Bayview third, Johnny O'Dell of Pontiac fourth, and Doc "Bull Fiddle" Murphy of Fenton fifth. Mike Dow was top HLBC boat finishing eighth—a good job against rugged competition. Saturday night the Michigan District Barefooted Philharmonic played in their soft subdued and muted style for all who were brave enough to listen.

#### Season race results:

Mike Dow in a new fiberglass Lightning won the Cal Barry Trophy for the season's racing.

Pete Morley won the Lightning Championship Cup with Mike Dow second and Doc Arnold third.

Jim Vary won the Commodore's Cup for the Lightning cruising class with Steve Barstow second and Hi Clark third.

Mac McKinley won the property owners cup.

The Michigan Districts will be held at Higgins this summer on July 22, 23, and 24. With between 50 and 60 boats expected there is plenty of hard work on tap for all HLBC members.

All who knew him were shocked and saddened by the death of Dr. Edwin P. Vary from a heart attack on August 2. Doc Vary was ever an enthusiastic sailor, a hard worker, and an interested and loyal member of the Higgins Lake Boat Club. We shall all miss him greatly. We cherish many fine memories of Doc Vary and his activities at the lake he loved.

Our fleet enjoyed another fine year of racing and cruising. To start the season off, over forty members and guests trailed their boats to the Sturgeon Bay Yacht Club and from there sailed over to Sawyer Harbor and spent a very enjoyable week end at the Pines Resort. The Spring Series ended up in a tie between Fran Le Clercq and Jim Hopkins. Our Summer series was won by Bob Tilleman followed closely by Jim Hopkins in second place. Bob Tilleman squeezed out Jim Hopkins by one point to take the Fall series. Fran Le Clercq entered his boat in the Sturgeon Bay Regatta and took home a first place. Bob Tilleman and Jim Hopkins also trailed their boats to Michigan City for the Midwest Championships and Tilleman brought home fifth place in the competition.

During the summer, several members and their friends trailed their boats to Canadian waters and spent some very enjoyable weeks cruising through Canada. Our fleet also trailed their boats to Gills Rock and from there sailed to Washington Island for a week-end of fun.

### ST. JOSEPH HARBOR FLEET (113)

7313	Handy's Dandy II	Hank Handy

St. Joseph Fleet #113 started the 1959 racing season with four new Nichels-Holman Lightnings. However, new boats were not the key to success as the Jr. Foundation boat skippered by Ron Sisson won most of the races in June until finally on the 28th a new boat won a race. Needless to say the proud owners of these boats were shaken considerably by this early season lack of success. Our Shakedown Regatta held on June 21st and 22nd was won by Bob Spitz at Michigan City with Ron Sisson runner-up. Due to the small number visiting boats we feel that

a later date would be more attractive. In 1960 we will hold our invitational regatta on the 13th & 14th of August, and we hope to see all of you there. On the 12th of July the entire fleet trailed to Michigan City for the annual Sand Dune Regatta. Through the efforts of a crooked race committee, Joe Stueland came through for the big win with St. Joe boats taking the top six spots with the exception of 2nd.

Two weeks later we again made the sojourn to Michigan City for the Midwest Districts. We promise to do better next year (Nuff said).

Our season ended with a trip to the Red Flannels in Chicago. Trophy winners for the year were:

June Series—	Ron Sisson #6662
July Series—	Jim Stock #7210
August Series—	Joe Stueland #7312
George Fritz Memorial Trophy—	Dean DeVries #5967
Labor Day Series—	Joe Stueland #7312
Wednesday Evening Series—	Ron Sisson #6602

Our fleet sailors had the opportunity of competition in 52 races this season. With regular yacht club series, invitation races, and regattas, it made a full season for all that were interested.

Orient Yacht Club ran two series of Wednesday races. Fred Sharman won the July series with Mike Burden second. The August series concluded in a tie between Art Vandewater and Mike Burden. The summer series at this location was closely contested with Art Vandewater on top and Fred Sharman second.

Shelter Island Yacht Club ran a Saturday series with Pete Dinkel placing first and John Holmes second.

Southold Yacht Club Sunday series was won by Mike Burden with Leroy Raush taking second place. The annual Southold Labor Day Invitation series was won by Jim Dill of Fleet 141 with Mike Burden of Fleet 116 second.

The annual ELIYRA three day, four race, regatta was won by Bill Uhl of Fleet 141, Jim Dill second, and Mike Burden third. As in the past, standings in this series determined Fleet 116 Championship.

We had excellent sailing weather all season. For 1960 we look for increased interest in Lightnings in this area. We plan a Fleet championship series rather than the method used in the past.

Cuba Lake Yacht Club Fleet #115 sailed through a record year with a total number of thirty boats participating in races. Club spirit and enthusiasm was high, not only in racing but in social activities as well. Ten Lightnings participated regularly, sailing on a handicap with about ten snipes, six comets, six K-Boats, one thistle and two C Scows.

The system of handicaps worked out very well over the ten year period the club has been sailing. It is very seldom that the same boat wins twice in consecutive races. This illustration may point up the fairness of the handicap. On the Memorial Day Race there was a dead heat finish with Bob Dodds (snipe) and Karl Fahrner (Lightning) tied for first honors. Our records show that within forty seconds eleven boats finished, three Lightnings, four snipes, two comets, one K-boat and one C scow. Races were held on Saturdays and Sundays with different boats winning. This made everybody happy.

One problem worried the Lightning sailors. It was felt that some of the older boat skippers were a little discouraged. So we gave the boats which numbered under 5000, a two minute handicap. This may work out O.K. We hope this will encourage the older boats to meet competition.

Our fleet was guest at the Silver Lake Yacht Club. They have about the same number of boats as Cuba and their sailors too, are enthusiastic. A very good time was had by all at their Lightning Regatta.

Lightning Sailor's Standings:

FIRST	6983	See Adler	Karl Fahrner
SECOND	6296	Sweet Genevieve	Clark-Wilday
THIRD	5267	DuBloom	John O'Brien
FOURTH	6683	XOACACA	Tom Lattimer
FIFTH	5851	Night Cap	Dr. Lawrence Older

The club sponsored a Junior Sailing Program headed by Robert Dodds and "Tyke" Bly. A series of eight Saturday races were held for junior and senior Pram racers. Wednesday afternoon classes were held for instruction and the groups sailed for practice.

5978	Cimba II	Edmund Leeds

Fleet #119 has completed another successful if somewhat rainy season. This may account for the small number of Lightnings which qualified in the NBYA series. The three boats which qualified finished as follows:

1st	BLITZEN	Robert V. Anderson
2nd	SKIDOO	W. Edwin Stevens
3rd	CIMBA II	Edmund Leeds

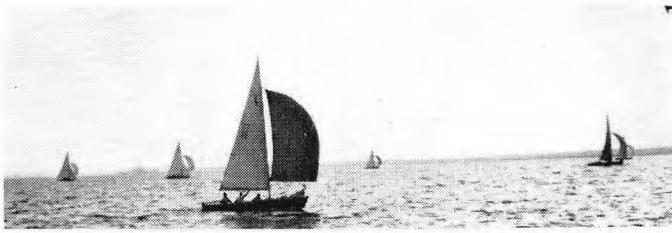

In the Wednesday evening series which are held at the East Greenwich Yacht Club, the participation was considerable more active, as eleven boats qualified with Don Bruce's SEA HAWK first, Bob Anderson second in BLITZEN, and Ed Steven's SKIDOO third.

Bob Anderson conducted a racing program for the small fry which was an outstanding success. Approximately forty kids registered for the classes which were held mornings and afternoons alternately, five days a week for all of July and August. Charles and Arthur Payne, "graduates" of the class are now crew members for Ed Stevens, and Susan Eldredge who also took the sailing course will be crewing for her dad on Lightning #3970 which Henry Eldredge has just bought from Ed Stevens. Ed is now building a new Lightning which he expects to have ready for next summer.

Lightning #69 has been sold to Christian Sovet of East Greenwich and #3488 has been sold to Kendall Osborn of Middletown, R. I. Both will still race with the fleet.

"Part of Fleet 116 at ease."

*Well Spread Out.*

Fleet Captain Douglas Wetherell was busier than a one-armed paper hanger this season, running Lightning activities, Jr. Sailing Program, and EGYC Racing Committee, so he won't forget this season in a hurry, especially the two day Rhody Regatta at EGYC, when the first day turned into a walloping thunder squall, which made for much scurrying around of crash boats seeing that the kids were brought safely to port.

Fleet No. 127 in 1959 started with the Third Annual Deep South Regatta and had one of its most successful years. Unlike 1958, when the "Polar Bear Cha Cha" cancelled all races, a fleet of over twenty boats started and completed the series. Perfect weather allowed for excellent sailing and also provided sufficient time to indoctrinate our Yankee cousins in the ways of the South. Dancing, oyster roasts, flowers for the gals, and other things finished a wonderful week-end. This year's Deep South was the first of the series for the new Southern Circuit Trophy.

Our delegation John McIntosh and Fred Wessels journeyed to St. Pete. Wessels, however, electrified the other skippers and spectators by having the hottest boat in the series when he tangled his mast in high tension wires. Johnny continued on to Miami and was among the top boats in the Circuit Series.

The fleet again made the trip to Mt. Dora, Florida and Johnny McIntosh defended his winning of the Dodge Trophy in 1958 by winning again and represented the district in the Internationals. Charlie Kehoe was second and Ross Allen third.

The club sailed during May in a spring tune-up series and then launched into the regular club summer series. Bill Lucas became a skipper when he purchased Fred Wessels' "Flying Dutchman." Fred Wessels bought a new boat and along with Wally Agget, Jimmy Artley, and Jimmy McIntosh provided some exciting finishes. The series was broken July 4th weekend at which time three races finished, John McIntosh first, Ross Allen second, and Chuck Wood third. The Summer Regatta closed with some of the younger skippers participating in the final races, Roy Gordon, Lee Thompson, and Teddy Turner. Jim Daniels finally got the "Jim Dandy" out of the boat yards and became part of the fleet.

We had the Labor Day races with John again winning the series. Then came the annual "Burnt Pot," and Jimmy Artley, after turning over and wetting his visitors, was again given the Pot. Next day we sailed the Isle of Hope race and after delicate spinnaker maneuvering, Ross Allen nosed into first place by a photo finish. He was awarded the Wymberly Trophy.

As you can see from the above, this has been a successful year and we are anticipating an even greater one in 1960. We have two new comers, Elmo Weeks has purchased McIntosh's "Scalawag" and Einar Trosdal is the new owner of a boat you will all remember, the "Red Witch." This should make for a very fast fleet providing we can keep Johnny McIntosh's new "Rabbit" in carrots.

As the 1959 sailing season drew to a close, Lake Washington Fleet #132 reviewed a busy year of campaigning and social events.

Early in May Lightnings were borrowed for Seattle Mallory Cup eliminations and the Area eliminations were sailed on Lake Washington in Lightnings borrowed from Fleet #132 the middle of June.

An average of twelve Lightnings turned out each Wednesday evening for the Corinthian Yacht Club-sponsored Spring, Summer and Fall Series of six races each. Weekend races on Lake Washington were also well-attended, and our fleet-sponsored a Women's Series for the second season. A Fleet #132 Invitational Series was initiated. Lack of wind in June forced cancellation of our Pre-District Series, and too much wind in September spoiled our Autumn Leaf Series for this year.

Five Lightnings representing Fleet #132 and Corinthian journeyed to Bellingham for the Pacific International Yachting Asso-

ciation Regatta June 30 to July 4, with Bob Brown bringing back the first place trophy.

July 10, 11, and 12 were the dates of the Pacific Northwest District Championship Regatta. The 1959 Regatta was sailed on Lake Washington with Fleet #132 as host. At the close of the five-race series, Bob Brown and crew were awarded the trophy for first place and at the Awards banquet they announced their intention to represent the Northwest in the Internationals.

At the August Annual Meeting of the Association Robert L. Brown, of Fleet #132, was elected a Vice-President of the LCA, after he had completed a year as Commodore of the Northwest District.

This was not a season solely devoted to sailing. The Fleet meets the second Thursday of each month, and a social hour preceded the business session. We had a buffet dinner in June that netted a profit to turn into District Regatta funds. This helped send a Northwest crew to the Internationals—which we hope to repeat in 1960. Our summer picnics on June 21 and September 14 were well-attended and most successful. We instituted the Annual Fleet Awards Banquet December 10, 1959. Season Champion was Harvard Palmer, #7041—Sukazur; second, Bob Brown, #7030—Cheerie Bye; and third, Joe and Paul Guthrie, #3830—Mandy. Five Lightnings joined Corinthian Yacht Club on its Salt Water Weekend Cruise August 18 and 19, and more Puget Sound cruising is planned for the summer of 1960.

Delivery of the first Fiberglass Lightning, #7400, to Dr. Wm. Jaquette of Fleet #132 was an event! Competition among the skippers was keen and two new boats were being readied for the 1960 racing season. Two new boats joined the fleet in 1959, and four left to sail in other waters.

All Lightning Sailors are invited to Seattle, the boating capitol of the world and to visit with Fleet #132.

The past season was probably one of the most active for the skippers of Manhasset Bay. Six brand new boats were added to our fleet, and the competition was very sharp from May to October.

Fleet Champion Mike Grinnell in Thunderbird #6927 is having rough going. Fleet #133.

In the Saturday Morning Series of 14 races, a total of 6 boats qualified, with first place going to Charles Grinnell and second place to Louis Piana.

Although the Spring Series had changing weather conditions, six boats qualified, first went to Mike Grinnell in "Thunderbird", second to Arthur Buhr in "Fury" and third to Louis Piana in "Linda".

The July series was the qualifying series for participation in the District Championship, the Atlantic Coast Championship, and the Long Island Sound Championship. Of the 12 qualifying boats first prize went to Dick Sykes in "Dixie", second to Tim Lapham in "Hoo-La", third to Andy Connell in "Blue Cloud", fourth to Mike Grinnell in "Thunderbird", and fifth to Arthur Buhr in "Fury".

In the August series, Mike Grinnell first, Louis Piana second and Jeanne Thomson third.

In the Fall Series Bob Sleght in "Toy Dot" was first followed by Charles and Mike Grinnell, and Louis Piana.

July and August formed our Championship Series. Our new Champion is Mike Grinnell in "Thunderbird". Second Dick Sykes, third Andy Connell, fourth Louis Piana, and fifth Art Buhr.

Larchmont Race Week was won by Jimmy Sykes in "Dixie" for the odd numbers.

The Annual Sea Cliff Invitation Regatta was dominated by our Manhasset Bay Skippers. First was Dick Sykes, second Bob Connell and fourth Arthur Buhr.

In the Western Long Island Championship Dick Sykes placed third and Tim Lapham sixth; both of them went on to the Internationals where Dick Sykes finished eighth overall.

The Commodore's Cup Race, was won by Louis Piana in "Linda".

In the Atlantic Coast Championship, Mike Grinnell placed fifth and Dick Sykes sixth.

In Manhasset Bay Race Week, the first three places in the Odd Division were Fred Hibberd Jimmy Sykes and Mike Grinnell. In the Even Division Bizzy Monte-Sano, Bob Connell and Carter Ford.

The Bayside Regatta was dominated by our skippers with Louis Piana winning all three races.

At the Annual Dinner, held over the Thanksgiving Weekend at the Manhasset Bay Yacht Club, Mike Grinnell, our Fleet Champion, was presented with a beautiful oversize silver cup instituted this year for the first time as a perpetual trophy emblematic of the Manhasset Bay Lightning Championship. We are very proud of all our lady skippers, who form a substantial and enthusiastic part of our membership; therefore it was with great joy that we awarded the first prize for the Best Lady Skipper to Claire Kron in "Bottoms UP". Tom Pryor won the second prize for Best Adult Skipper in "Pelican".

We are cordially inviting all Lightning skippers to come to Manhasset Bay if competition and sportsmanship of the highest caliber is what they like.

The Noroton Yacht Club Lightning Fleet had another good and very busy summer. Early in the spring, four brand new boats were added to the Fleet. Our perennial champion, Bill Cox, however, was among the missing, having decided to devote all of his time and energy to the development of the Tiger Cat catamaran class.

In the first series of twelve races, Bob Crane was first, Kevin Jaffe, second and Bob Smith, third. The second series, composed of thirteen races, found Kevin Jaffe leading the pack, with Bob Crane, second and W. A. Kipp, third. Our Fleet Championship for the season was won by Kevin Jaffe in "Envy", with Bob Crane in "Jimlin IV," second and Bob Smith in "November," third.

We also held a fall invitational series and boats from the Darien Boat Club Fleet No. 255, as well as one or two boats from Norwalk Yacht Club Fleet No. 230. The order of finish as far as our Fleet was concerned, was Abberley, Howe and Sinclair.

Racing conditions on Long Island Sound this summer were far from good, our major problem being a lack of wind; consequently, more than the usual number of races had to be cancelled because of time limit, and the Yacht Club launchers worked overtime corralling boats scattered all over Long Island Sound. These conditions were perhaps at their very worst during the North American Junior Sailing Championship finals, which were sailed in Lightnings belonging to the members of our Fleet, and held at the Noroton Yacht Club in honor of last year's winner, Kevin Jaffe. The final outcome of the series was in doubt right down to the last minutes of the last race when John Welch, of Hudson Yacht Club, Montreal, Canada, swept over the line to sew it up.

The Connecticut Districts also took place at Noroton. Kevin Jaffe won, placing second, first, second, first. Tom Munnell, of Pequot, was second. Kevin also won the Long Island Sound Lightning Championship, with Wally Lineburgh as runner-up and Carter Ford placing third. To round out what was probably his most successful summer to date, Kevin Jaffe also won the Long Island Sound Junior Championship held at Sea Cliff, Long Island, and sailed in Lightnings.

All in all, the 1959 season was a most enjoyable one and we extend a cordial invitation to any Lightning skippers who happen to be in the vicinity next summer, to come down to Noroton and race with us.

Fleet 135 was quite active this past summer and participated in the major regattas of the Southern District.

Ed Overton won the opening regatta in May at the Bay Wave-land Yacht Club.

The Fleet then entered the District Championship, the Gulf Yachting Association Championship for Lightnings, Race Week and the fall festival regattas. This latter was held at the Fairhope Yacht Club with Fleet #135 as host.

There are quite a few new boats in prospect for next year so things look very bright for the coming years.

7234	Whitey	Thomas Crookston

Ten skippers started the 1959 season by fitting out the Gull Lake Yacht Club's venerable old committee boat the "GLYC". The old girl was ready to go in one day; looking years younger too.

With the exception of two races sailed in a driving rain, the weather was kind to Fleet #137 all summer.

This was the year of the Firsts for our fleet. Tom Crookston's "Whitey" #7234 was shipped from overseas on the decks of the "Prinz William Geo. Frederick" first ship through the St. Lawrence seaway. Dan Chappell published a fleet newspaper "semi-Occasionally and once-in-a-while" during the summer and distributed it to the skippers. Dr. Jim Harrison was elected to the District Secretary-Treasurer post.

Dick Strube had old #1070 looking like she just left the builder's year. "Bud" Tholen moved up to #5602 and Les Coleman's #2343 turned up sporting a newly fiberglassed bottom.

Venetian night honors were swept by Lightnings for the second straight year. Top honors were taken by Tom Crookston's paddlewheeler and Dick Strube's Ghost Ship. Other social events included a family picnic on Dr. Harrison's lawn and sail to breakfast cookout which was followed by a makeup race.

Jimmy Coggan won the hard-fought racing campaign in the closest racing ever seen in the fleet. At mid-season Coggan had .937 with Bud Tholen holding .907. Coggan finished with .989 and Tholen took second with .925. Dr. Harrison was third, Sam Stearns fourth and Dan Chappell fifth. Sixth place Les Coleman

knocked down early in the season. Speak softly about mainsheet cam cleats in front of his crew.

Junior skipper series champion was Don Coggan, followed by Bob Davison and Bob Harrison.

The most improved skipper award was won by Les Coleman. Dick Strube won the new "Transom Trophy" awarded for perseverance.

The new fleet captain is Tom Crookston; secretary is Jerry Reynolds. Plans are underway for a Gull Lake Invitational Regatta on August 13th and 14th, 1960.

Lightning Fleet #138 is happy to report the results of a most successful Invitational Regatta in many a year, thanks to Chairman Ted Henning and the WIND? On Saturday morning of the last week-end in June thirty-two entrants had been registered, sailed a good race and lunched together 'mid the casual comforts of camp chairs on a covered deck. Following the afternoon race most guests joined us in a delicious cold supper catered by our inimitable "Frank". The roast beef was "out of this world"! Early Sunday afternoon, third race completed, the prizes which were designed and beautifully made of fine mahogany and boat parts by Mr. & Mrs. Walter S. Hannan were presented as follows:

1st—Dick Sykes

Fleet #133 in "Dixie"—#6819  
 (24x18 half-model Lightning Plaque)

2nd—Andy Connell

Fleet #133 in "Blue Cloud"—#7128  
 (18-in tray with chromium cleat handles)

3rd—Norman Olsen

Fleet #138 in "Karin"—#7296  
 (desk-lamp with shade hand-painted by Nina Randall.)

4th—Art Buhr

Fleet #133 in "Fury"—#6427  
 (12-in plaque with glass-covered racing chart)

5th—Spencer Kellogg III

Fleet #138 in "Cirrus"—#6929  
 (8-in. plaque with miniature porcelain Lightning)

Peter Hannan in "Bo-Peep" finished second in the W.L.I.S. District Championships. With him to the Districts went Walter Scott and Spen Kellogg III in their respective boats, "Spook" and "Cirrus". Norman Olsen made it a foursome at the Atlantic Coast Championships where they all had fun. Scott, Kellogg and Walt Grosselfinger, Jr. entered the Long Island Sound Championships.

"Spook" ready for cup eliminations.

Larchmont Race Week resulted in Walter Scott's second place in the odds division. In Manhasset Bay Junior Race Week Mike Ryan finished first in the "over 5000" in "Scamp"—#7156 and Charles Berberich Jr. finished first in the "under 5000" division in "Rosie-O"—#2466. At New York Yacht Club Joe Fiori took second place in the Junior Boys Championships with Peter Beam and Mike Ryan as crew. Jean Kolk represented Sea Cliff in the Girls Championships at Riverside with Joan Fiori and Jean Kellogg as crew. During the Labor Day Hempstead Harbor Club race she made an excellent start and finished third out of at least 16 boats down that last leg right past her own Fleet Champion!

Sycc Cup eliminations were raced in Lightnings at Sea Cliff with Maude Kirby "round robinning" to first place. The other two entrants were Marilyn Scott and Ellen Grosselfinger.

A large number of boats were present every race this year and funny incidents naturally occurred. Early in the season while jibbing the spinnaker during a gusty race, in the twinkling of an eye Peter Hannan flipped! To be real corny, Peter Piper couldn't have picked a quicker flip! No Sweat! New secretary next year! Remember the day Walter Scott turned the wrong mark and the rest of the fleet followed like sheep? Only upon reaching the finish line did they discover the error and retrace the course. Although the first boats were last and the last first, Scott got his boat moving so fast at the end of the merry-go-around, he took "first" and not last! And the time Norm Olsen went 'round the mark the wrong way with three goats following? Were they let down! And did he perspire!

Carol Bailey won the 3-race Crew Race series in Bo-Peep. Mary-Lou Kellogg, after two firsts lost the wind in the third race and missed the series first place by one point!

The PETER HANNAN PERPETUAL LIGHTNING TROPHY FOR THE SKIPPER WHOSE RACING IMPROVES THE MOST IN THE HEMPSTEAD HARBOR FLEET was won by Walter Scott in "Spook".

#### FINAL Standings:

Walter Scott—1st  
 Peter Hannan—2nd  
 George Kelley—3rd

#### Second Series:

Peter Hannan—1st  
 Mike Ryan—2nd  
 Walter Scott—3rd

#### First Series:

Walter Scott—1st  
 Spencer Kellogg II—2nd  
 George Kelley—3rd

#### Commodore Series:

Peter Hannan—1st  
 Norman Olsen—2nd  
 Walter Grosselfinger, Jr. —3rd

New Officers: Fleet Captain—Ted Henning; Secretary-Treasurer—Polly Kolkebeck; Ass't. Sec'y.-Treas.—Shirley Ryan. We entreat you in '60 to come to our Regatta June 25th and 26th!

Bob Henderson in "Decoy".

The 1959 racing season proved as active as ever for members of the Conesus Lightning Fleet. Chuck Doerflinger sailing "Lamb Chop" won our Championship series and Bob Henderson in "Decoy" took first place in our Sunday series.

Several members of our fleet took part in area regattas representing us in the District Eliminations, the Toronto Regatta and the Sodus Bay Regatta.

Again on Labor Day, all sailors on Conesus Lake combined techniques in an all class regatta. Spirit ran high in this race

and Chuck Doerflinger placed 1st in the Lightning Division.

Members of our fleet enjoyed a picnic meeting in September at which time we awarded trophies. We elected the following new officers: Bob Henderson as Fleet Captain, Betty Poyzer as Fleet Secretary and Roy Hendrickson as Fleet Treasurer.

We bid a sad farewell to two loyal Lightning sailors, Bill and Vi Scanlan who have forsaken this cold climate for the warm winds of Florida. We shall miss them and hope they'll come back to visit and sail with us next summer.

The Hawaiian Lightning Fleet gained three new boats and six new skippers entered the fleet in the past year along with Hawaiian Statehood, and the possibility of hosting the Lightning International Championships in 1963.

Many informal outdoors parties were held to help create interest in competitive racing along with good fleet spirit.

Tom Kiakona rejoined the fleet and repurchased "Boltov" (4529) from Allan Starr who graduated to the cruising fleet. Bobb Edmondson sold "Xtabay" (1622) to Richard Holmes and purchased "Nubbin" (3154) from Mitchell Todd who built a new kit boat (7056). Dr. Carl Johnsen purchased "Jini Maru" (6063) from Herb Jordan who left the fleet in body but not in spirit. Bud Bendix and Art Turowski purchased used boats while Roy Bennett ordered a new boat and Joe Ebeling start'd construction of his new kit boat. With these new boats and the ones to come, the Hawaiian Lightning Fleet should be one of the most competitive in the 50 states.

Sailing weather was good all year long with strong winds in the early part of the year and near drifting matches closing the season. Racing consisted of one and three race series, the Fish novelty race which consisted of the Lightnings, Thistles, and Mid Pacific Class all sailing in different directions on the four legs of the "sails up sails down" course. The wahine (ladies) race was sailed with four boats and was won by Priss Fish after a four way tie in the second race.

While not sailing, the fleet members worked on their boats which are stored out of the water on the club 4½ acres of ground, went water skiing, swam, played tennis, and volley ball in the Club pool and on the Club courts. In the past year Kaneohe Yacht Club found it necessary to close its membership and start construction of a new kitchen to serve the 450 members.

Fleet 143 invites all fleets to send representatives and visitors to the 1960 Hawaiian Invitational Regatta which will be sailed in Kaneohe Bay, best sailing waters in the 50th State.

5654	Sandy-Kay	Fred H. Harris
6888	Bon Joy	Leonard Pratt

The members of the Fleet decided at their Spring meeting that they would hold a 13 race summer series, and this series would be used to provide experience under actual racing conditions and thereby develop new skippers. Along this educational line, boat owners were encouraged to get into their crews as many new people as possible in an effort to create more interest in Lightnings and in sailing in general.

We actually had a 10 race series, and at least one new crew member is seriously considering the purchase of a Lightning for next season. The winning boats for this series were Len Pratt's "Bon Joy", Fred Harris' "Sandy-Kay", and George Holbrook's "Suzy Q".

Skippers that carried the Spofford flag on the Regatta circuit during the summer were as follows:

Leonard Pratt, BON JOY—New England District Lightning Championships, Annisquam, Massachusetts; New Hampshire Lightning Championship, Lake Winnepesaukee, New Hampshire; Vermont Championships, Lake Bomoseen, Vermont; Maine Championships, Casco Bay, South Portland, Maine.

Fred Harris, SANDY-KAY—Lake Massabesic, 15th Annual Massabesic Regatta.

Peter Van Iderstine, WITCH ONE—New Hampshire Lightning Championship, Lake Winnepesaukee, New Hampshire.

Five races were sailed August 1st and ending Labor Day for the Fleet Championship. Fleet Captain Leonard Pratt won the series, Fred Harris came in second, and Peter Van Iderstine, third. The Fleet's new alphabetical course flags were used for the first time in the series and were a great help to the skippers for the pre-race preparation and navigation.

Start of the final race, 1959 Championship Series.

An innovation this year was the holding of the Canadian Open Lightning Championship on the first August weekend rather than during one of the Canadian National Exhibition weeks. This resulted in more out-of-Toronto district skippers attending and included two American boats. We are hoping to attract more American visitors in 1960. Consistency of performance paid off for Alf Dutton who took the Championship with two seconds and a fourth to beat Gord Russell with two firsts and an eighth. Bobby Robinson of Sandy Beach Yacht Club was third.

Fleet members are constantly being urged to trail away. Alf Dutton went to Ottawa, as did Jack Swann and Gord Russell who also went to Buffalo. Herb Olson went to Erie for Lake Erie Districts and gained good experience.

The Hyland Trophy for good sportsmanship on the water was awarded to Les Arnoldi.

Other trophies and winners for the season include: Gorman Trophy—for team racing—

Royal Canadian Yacht Club, captained by Bob Bleasby. Lou Marsh Trophy—

- (1) Ed Hearn—National
- (2) Joe Dryer—Island Yacht Club
- (3) Les Arnoldi—National

Fleet Captain's Trophy—

- (1) Alf Dutton
- (2) Gord Russell

Trade Fair Trophy—(1) Ed Hearn

Tom Taylor Trophy—Bob Bleasby

Bob Bleasby, who is building a new boat, upheld his reputation abroad by placing in some competitions as follows—Fifth in Lake Erie Districts at Erie, Pennsylvania; Fourth in Niagara Frontier Regatta at Buffalo Canoe Club, and Eighth in President's Cup at Lake St. Clair, Michigan.

The newest boats in the Fleet are owned by Fred Woodall and Rod Ross. It is understood that two other boats are on order and will be delivered in the spring, by new members. We are looking forward to a good year in 1960.

Spinnakers vs. Jibs, L.Y.C. (149) Invitational.

In 1959 the Sao Paulo Lightning Fleet accomplished one of its best seasons since we started sailing a dozen years ago. Apart from our local activities, we had many Inter-State races and two major regattas, the Brazilian Championship series here in Sao Paulo and the pre-Pan American Games in Rio de Janeiro. Many new Lightnings were built and others are being completed for this next season.

We have two kinds of races here: the "Cup" series, held by the local Yacht Clubs, and the Championship series, by our local Sailing Union and the Fleet. All but one of the "Cup" series were easily won by Wolfgang "Putz" Richter with his new MINUANO II. His performances were astonishing, specially because in 1958 he was constantly beaten by other boats. This was really his lucky year. Jose Vieitas was the winner of the other "Cup Race", held while our 3 top skippers were in Rio. Other people frequently scaring Putz Richter were Benedito Levi, Cyril Milbourne, Harald von Sydow and Tommy Sumner.

The selecting races for the III Pan-American Games were raced in Rio early in April, and the winner was Fleet 84 Champion OSPREY V, with Eric Schmidt as skipper. He proved all his merits some months later in the LCA Internationals and by winning the Pan-American title in Chicago.

Our Fleet Championship series was raced during August and all 6 races were again won by Putz, who added another trophy to his ever-lengthening record. The runner-up was Cyril Milbourne, with Harald von Sydow in the 3rd place.

From September 5 to 7 we had the pleasure of welcoming Fleet #84 for our District Championship. The other fleets could not come and for the first time a Brazilian Title was decided in an open series, with 18 Lightnings sailing the 5 races. Once again Putz Richter led the MINUANO II to a tight victory over Alexandre Levi (Fleet 84) sailing MACHUSHLA, Oscar Mattoso Maia with PLAYBOY and Sydow with his ICARAI II.

We hope to send two crews to the next South American Championship in Chile, as the first step to promote one of the LCA's events in Brazil in the near future. It would be good for everybody, since the IV Pan-American Games will be here in 1963 and an International Championship in 1962 or so would give the foreign Lightning skippers an excellent opportunity to know our waters, our winds and, best of all, our skippers too.

Owasco Yacht Club Lightning Fleet began its season by sponsoring its first Invitational regatta on June 20-21. A total of twenty boats answered the starter's gun. Entries came from Canandaigua, Owasco, Ithaca, Rochester, Sodus Bay, Syracuse and Skaneateles. After a week-end of varying wind conditions the final standings were: "Skinner" Reynolds of Skaneateles Yacht Club, first place; Dr. John Gentry, also of Skaneateles, second place; and Brown and Bloomer of the Great Sodus Bay Yacht Club, third. Everyone felt that the regatta, under the chairmanship of Kraft Vorreuter, was a great success and we hope to repeat it next year.

Bill Merritt won our June Series, Dr. Bill Simmonds the July Series, and Bill Whiting the August series. Whiting also won the Memorial Day Cup and Dr. Simmonds won the July 4 and Labor Day Cup races. The tabulation of points at the end of the year showed that Dr. Simmonds was again champion with Bill Whiting second and Kraft Vorreuter third. In addition to our own sixteen races, several of our skippers took part in regattas at other clubs.

Our annual meeting was held in November and the following officers were elected for the 1960 season:

Fleet Captain—	J. Kraft Vorreuter
Fleet Secretary—	Dr. Donald Blair.

Fleet 150 again enjoyed an unusually good season of good racing weather, plenty of competitors and a surplus of warm

beer. We shot the first start gun on the 24th of May and concluded our racing program on the 27th of September, have run 24 races to determine our club Lightning Championship Series.

We also ran a Series of 31 Sunday AM races consisting of one lap goes over a shortened course and this silver was taken by Tommy McDermott followed by Chuck Huston with Chan Stevens in the show slot.

While the Lightning Fleet founded the Mansfield Sailing Club, we have welcomed a hardy bunch of newcomers with strong backs and weak minds who have become quite hep on the Flying Scot Class. This year our club was honored as the host of the first National Flying Scot Regatta . . . and our Lightning skippers and crews were very happy to help host this series.

Fleet 150 was again well represented at quite a few out-of-town spots with McDermotts visiting the mid-winter trials at St. Pete's and Miami. Mac and his family also took in the Districts at Port Clinton and placed 1st in the Steeplechase from Sandusky to Put-In-Bay, and took a third in the I.L.Y.A.

Chuck Huston was at the Districts and brought home a winner at the O.I.C.Y.A.; and third place at Leatherlips and the Cleveland Yacht Club. Chuck also placed first in the Mallory Cup eliminations at Leatherlips with his crew of Tim Stevens and Bruce Campbell.

Harry Warne, Howard Robinson, McDermott and Huston finished the season by trailing to Buckeye for the annual Snowball festival.

Our season was officially climaxed on the 21st of November with our annual Trophy Dinner or Fun Frolic which is the final duty of the Race Committee. Per usual everybody had lots of fun, loads to drink, plenty to say and something to eat.

We are all looking forward to a big competitive season next year and hope to have several new boats. Auggie Grotgut has a new import coming in by the first of January and will probably place several more in the fleet.

### ANNISQUAM LIGHTNING FLEET (151)

#### New England District

#### Sailing on Ipswich Bay at Annisquam, Mass.

Fleet Captain.....W. Wesley Peer  
 Fleet Secretary.....Melissa Lordan  
 Fleet Champion Benjamin & R. Russell Smith II  
 Runner-Up.....Derwin Stevens

Boat No.	Boat Name	Skipper
2344	Duet	Winsor Gale

3572	Petrel	Leonard Langer
3605	Firefly	Alden French

6655	Bat II	John Cunningham
6707	Nimbus	Brooks Stevens, Jr.
7127	Rogue III	Peter and Ben Hedblom

We at Annisquam had a good average season this year. The old reliable crews returned to find the same good old reliable weather, all of which added up to the same fleet champion; however, the season's start held definite omens of a very close and long battle for the championship, which had been won handily for the past three years by the Smith's Teaser VIII.

In the first race of the season the Teaser fouled out, and she capsized in the third, putting the Steven's Nimbus, and Jack Cunningham's Bat ahead of her by eleven and seven points respectively. Things remained fairly steady until the last weekend in July when, in one race, the Bat fouled out, giving the Teaser a lead over her, and the Nimbus broke her struts, remaining ahead of the Teaser by only a few points. After this race, there was a close battle between the three but the Teaser gained steadily to finish the champion for her fourth year, also her fourth year in existence.

Fleet #151 sent only two boats to Marblehead for the entire Race Week, the Teaser and the only newcomer to the fleet, Ben Smith's sister, Juliana Hedblom, and her two sons in their Rogue III. The Rogue won her first race that week, under the helmsmanship of Peter who caught the Teaser in the last fifty yards of the race. Although the Smith boat won only one race all week, she managed to retain her usual overall record. She won the Boston, Corinthian, and Plean Series and, also, for the fourth year in a row, the Lasen Trophy, given for the best performance

of the week in the Lightning Class.

The Annisquam fleet also dominated the three chowder races on Cape Ann. Jack Cunningham's Bat won the 'Squam Day Race, the Teaser won the Sancy Bay Day Race and the Bat, sailed by Daret Mechem copped first place on Eastern Point Yacht Club Chowder Race Day. The Cape Ann annual regatta was held at Annisquam this year. This regatta was dominated by the first three in the Annisquam fleet, (mainly because only two Lightnings from other fleets were entered). In the two races, the Teaser finished second and first; the Bat, first and third; the Nimbus, third and second. As you can easily see, this summer's battle was very good.

The highlight of our season was the New England District Championship Races, held at Annisquam. There was a good breeze in all of the three races, but in the last it was accompanied by fog and rain on all seven legs! The distribution of winners of these races was scarcely better than that of the Cape Ann Regatta!

	First Race	Second Race	Third Race
1	Pocharski	Macnamara	Smith
2	Macnamara	Pocharski	Pratt
3	Price	Price	Macnamara

"Don" Macnamara won the series, as "Lou" Pocharski finished second, and the Smith's beat fourth place Dick Price by one point, as often seems to happen between these two.

All things considered, the 1959 season was a fine one at Annisquam. Everyone enjoyed the closeness of the boats and the year long battle for the championship. We are lucky to be able to look forward to the same sort of vigorous summer in 1960 and hope to see you all at the various national and district regattas.

### TAWAS BAY YACHT CLUB (152)

#### Michigan District

#### Sailing on Tawas Bay, Tawas, Michigan

Fleet Captain.....Charles Schreck  
 Fleet Secretary.....Edward McKinley  
 Fleet Champion.....Ed & Bill McKinley  
 Runners-Up.....Herb Cox and Marv Mallon

Boat No.	Boat Name	Skipper
2903	Sham	Berkeley Smith
5180	Humbog III	Ed & Bill McKinley
5750	War Paint II	Charles Schreck
6222	Relampago	Dewey King
6283	Trio	Cox, Mallon, Pinkerton
6688	Merri Mac II	Ladd McKay
7272	B.	Dr. Gerald Murphy

Lightning Fleet 152 had another very active and successful racing season in 1959. The first major event was held July 4 and 5 and twenty Lightnings representing five fleets attended the annual July Regatta. This series was won by Ed and Bill McKinley of the home fleet with Jim Schudel of Detroit taking second place. Herm Nickels of Fenton, the present International Lightning Champion, was third.

On July 10, 11, and 12 the fleet was privileged to host the Michigan District Championship for the third time. The McKinley brothers with their regular crew Bill Mallon took first place in the fleet of 48 boats. This is the first time a boat from fleet 152 has achieved this honor. The next four places went respectively to Jim Schudel, Alex Carlin, Wes Wedrick and Herm Nickels.

The Tawas Bay Yacht Club continued to add to its facilities. It opened a new mooring slip, trailer ramp and boat hoist. The junior pram program was very active with instructions during the winter months and weekly racing all during the summer. These youngsters will be our future Lightning competitors. Much of the credit for this progress and for our successful regattas is due to the hard work of Ladd McKay and Charlie Schreck. They are doing a terrific job in promoting sailing on Tawas Bay.

While the McKinley's again captured the Fleet Championship, they were pushed all season by the "Trio" co-skipped by Herb Cox and Marv Mallon. Dewey King was one of the most improved sailors this year. The fleet was very fortunate in having Dr. Murphy back from Germany and actively racing with us. His new boat was really moving at the end of the season as he captured first place in both the Bay City and Lake Fenton Yacht Club regattas. Everything indicates that the competition will be even keener next year.

Cox-Mallon, Schreck, McKay, Murphy and McKinley all did some traveling representing the fleet at Toledo, Devils Lake, Lake Fenton, Higgins, Bay City and Detroit.

We are now looking forward to an even more successful season in 1960, and invite everyone to sail at Tawas in our annual July regatta.

## PEQUOT YACHT CLUB FLEET (153)

5985	MC 2	Thomas Munnell
6117	Sea Mouse	Bruce Payne
6348	Butterball II	B. M. Hines
7126	Yankee	Richard H. Taylor

Pequot Yacht Club Lightning Sailors competed both in their own fleet activities as well as outside events. It has always been felt that other yacht clubs need support to make their regattas a success and therefore, a good proportion of the fleet visited many outside regattas. Such clubs as Niantic Bay, Black Rock, Milford, and twelve junior events were participated in. Tommy Munnell was second in the District Championships and subsequently fourth in the International Championships. Wally Lineburgh was second in the Long Island Sound Championships with Tommy Munnell third and Wally Lineburgh fourth in the Atlantic Coast Championships. Wilson Lineburgh sailing "Zig Zaggar" won the Girls Championship of Long Island Sound.

As to the actual fleet racing, the following results are noted:

Saturday Series	Sunday Series	Season's Standings
Zig Zaggar .8993	Zig Zaggar .9690	Zig Zaggar .9377
Veella .8896	MC 2 .9166	Veella .8170
Butterball .7968	Yankee .7960	Nereid .7903
Nereid .7944	Nereid .7846	Yankee .7670
Yankee .7300	Veella .7128	

In the special series, Tommy Munnell won the Fourth of July Series and Wally Lineburgh, the Labor Day Series.

## WAWASEE YACHT CLUB (154)

5259	Jibojo II	Dr. J. S. Wellington
6133	Kathy II	Bruce Baiden
7033	.....	Carl Winnebald

Wawasee Yacht Club members enjoyed a banner season. Racing started in June with a spring series and then a summer series of ten races. Racing was spirited and the finish of many races were close. Only one race was cancelled because of no wind. Carl Winnebald with a new boat gave everybody trouble.

At the end of the summer series, Paul Pen, Jr. was awarded the Cynthia Cup for the best season record, as well as the Lightning Class trophy. Bruce Baiden finished 2nd; Wellingtons 3rd; Carl Winnebald, 4th; John Nixon, 5th; and Larry Lorentson, 6th.

Jim Wellington won the Labor Day weekend series with brothers Bob and John as crew. Larry Lorentson finished 2nd in this series.

The Scud and Kathy II participated in the Hoosier Regatta at the Indianapolis Yacht Club on June 27 and 28. Racing conditions were tricky with strong, gusty winds and sudden shifts. At an informal meeting of the Lightning skippers, it was agreed that the Hoosier Regatta would be maintained as an annual affair with Wawasee Yacht Club the host in 1960 on the weekend of June 25 and 26.

The annual Cocktail party and banquet was held on September 5. Trophies were awarded at the banquet and on Monday afternoon at the end of the Labor Day Races.

## SOUTHWESTERN YACHT CLUB (161)

The 1959 season has been the most interesting and most active in the fleet's history. We lost one boat to the Mission Bay Fleet when Bailey Brandt gave his boat to his daughter after obtaining a Dragon Class boat. Bill Kreysler sold his boat to Ed Schwartz. We welcomed Ted Cochran to the fleet from Washington, D. C. and he showed he knew he was welcome by promptly winning the Lichy Series the first weekend after his arrival. Just at the end of the year Jim Gourley joined us with his recently purchased Six Grand. We have not had the chance to race with Jim, but from the looks of things he will be plenty of competition.

The fleet had several more trophies donated to it this year so that the monthly club races were again organized into series for these trophies. Don Tuttle won the Fiore, Elliot Pohl and Hazel Dohman Series, being pushed hard by Dee Cary, who also won the round robin, the last event for the season.

The major event again this year was the second running of the annual John Bate Lightning Invitational, held on the 15th and 16th of August. The winds were better this year and Dave Wright of Coronado won for the second time. Dave turned in a magnificent performance in the last race when his starboard spreaders carried away on the final beat, and he rigged his spinnaker pole as a temporary spreader and preserved his lead all the way to the line.

The results were as follows:

Skipper	Boat No.	Points
Dave Wright	5505	2 1/4
Don Tuttle	6242	8

"Easy going."

W. Harter .....	1609	12
Al Cocha .....	6177	13
Ted Cochrane .....	6205	14
Ted Staniec .....	3586	14
Fred Knauer .....	1531	24
George Hendry .....	6483	26
DeWitt Cary .....	6597	27
C. MacKenzie .....	5536	27
J. Gunther .....	3614	31
T. Lewis .....	5618	35

We have big plans for next year, and hope that the fleet will keep on growing.

### EASTCHESTER BAY FLEET (163)

#### Western Long Island Sound District

4278	Gurami	Pat Mule
5578	Elly II	Elly and Jim Curtin
5736	Falcon II	Rudy and Bob Weisenbach
5752	Fascination	Walter Moser

Fleet 163 had a very nice season holding 17 fleet races, a Long Distance Race, and although not doing anything spectacular, did send a few boats to several other Long Island Sound events. We again raced under the committees of the Eastchester Bay Y.R.A., a fine organization which is growing every year.

Jim Curtin, who successfully defended his fleet championship, felt that his loyal and hardworking crew deserved most of the credit. Pat Mule, who was a very strong contender for fleet honors this year, definitely agrees with Jim. It seems Pat was short handed several times and "borrowed" five year old Butchie Curtin; only to find Butch dragging his feet over the side at every opportunity,

Pat Mule's "Guroine" 1959 Runner-up, Fleet #163.

to help his Dad catch up!

Rudy Weisenbach certainly showed that his "Falcon II" flies best over White water, especially that July 5th "northwester" when he plowed to a well earned win. We were all glad to see Walt Moser's perseverance begin to pay off, as his jump from 5th in '58 to 3rd in '59 certainly proves. Now that you have practically rebuilt the "Fascination", Walt, you can start on "go fast" gadgets.

The "gang" really had a wonderful time at our annual Awards Dinner and Dance which was held at the City Island Yacht Club on Dec. 5th under the auspices of the Eastchester Bay Y.R.A.; incidentally since Sam Cohen won our Basket of Cheer raffle again this year there is a strong rumor that he intends to convert the "Minitaca" into a rum-runner and head for the South Seas.

The fleet is happy to welcome Ted Svalgard and Steve Jensen as its first new members for 1960. Along these lines, anyone who is interested in racing with a fleet in the City Island area please contact our Fleet Secretary, phone TY. 2-3673. Friendly competition and good fellowship are our aims and the more the merrier!

Last summer has been a better year for our Lightning Fleet than the year before. We now have 25 boats in our fleet, of which 17 took part in races—"6 or 7 of them, only 2 or 3 times." Of these 25, two are new boats, "Hurricane" #6836 and "Diwa" #7163.

The Yacht Clubs in the Helsinki area held more than 20 open races last summer, and in every race there were some Lightnings. In most of the open races and in every race, "Kesaheila" #5544 has been one of the best and "Hessu II" and "Piraya" have placed well.

The Fleet Championship (the first in the history of the fleet) was organized by the Finnish Yacht Club. It was held in two classes—A and B. A class existed of active sailors and the B class of beginners. In the B class it was not allowed to use spinners and was not necessary to have a measurement certificate. We organized this B class race especially for the beginners and weekend sailors. The final results were:

A Class			
1. Urho Liimatta	Diwa 7163	1-2-1	20 pts.
2. Raimo Aromaa	Kesaheila 5544	2-1-2	19 "
3. Erik Suni	Piraya 4327	4-4-3	13 "
4. Jarmo Marttinen	Hessu II 4307	6-3-4	11 "

"Kesaheila" 5544 from Fleet 166 starting a trip to District Championships.

5. Bjorn-Ole Owren	Speed VI 4300	3-5-5	11 "
6. Esko Lindstrom	Susanna 4142	7-6-6	5 "
7. Paavo Manninen	Evy-Ann 4141	5-7-7	5 "
<b>B Class</b>			
1. Pentti Ervast	Amigo 5060	1-1-2	17 pts.
2. Eino Sandelin	Jessica 4310	2-DNF-1	12 "
3. Pertti Leinonen	Come-along 4128	5-2-3	11 "
4. Sten Knudsen	Caballero 5056	4-3-4	10 "
5. Poju Strand	Iron 4134	3-5-DNS	6 "
6. O. Lausa	Villervalla 4011	DNS-4-5	4 "

Nine of our Lightnings participated in the big Helsinki Regatta. "Kesaheila" #5544, Raimo Aromaa and his crew, Hannelle and Terho Aromaa, won the Regatta's Rautawaara-Kacklund trophy for the second time.

Four of our Lightnings took part in the District Championships in Kakkola with bad luck this time.

"Kesaheila" #5544, took part in the European Championships in Italy.

A propaganda sailing around Helsinki was held in the beginning of the summer. At this event all boats took passengers for a short trip in the Harbor, so whoever wanted to try a Lightning was able to do it. About seventy or eighty persons used the chance—old and young—and they were very interested in our Class, we hope to add more Lightning sailors in the future.

The main event of the 1959 season was, of course, the District Championship that was organized this year by our fleet in co-operation with the "Cercle de la Voile de Neuchatel".

Five regattas took place in the bay of Auvernier, where 16 Lightnings from various Swiss fleets fought together. We had every possible weather from the dead calm to the very strong and treacherous "joran"—local wind consisting of squalls coming from the mountains.

In the list of honors, the fleet 268 de la "bordee de Tribord" won the Luthy cup for the third consecutive time. Congratulations to our friends and neighbors for their excellent exhibition.

Both titles, Swiss Champion and District Champion, went to SANTA MARIA, owned by G. Marchand. The skipper was J. P. Weber who has shown a nice regularity i.e. constant superiority.

One of our crew (5898—Garoupa) went by car with their Lightning on a trailer across the Alps to Anzio (Italy) for the European Lightning Championships. Our three Lightning sailors had a very nice time on the Mediterranean where their Italian friends won again.

The usual regattas on our lake had a regular participation—maybe somewhat less than in the past—but the interest for the Lightning Class is still well alive. We are expecting some new boats in 1960 and hope to meet you all in Lucerne, for the 1960 European Lightning Championships.

Brant Beach skippers and crewmen believe that no other Lightnings courses are as much fun. One summer Saturday, with wind moaning and rain slashing, the Race Committee prepared to snuggle in dry houses, thankful that the bay was empty of boats. Except . . . except . . . were those the Lightnings, churning happily out of the harbor? Unfortunately, yes. "Those crazy Lightnings", the Chairman of the Race Committee groaned. "Well, let's go out and give them a gun. Do you suppose we could load it with buckshot?" It was a good race, as far as the Lightnings were concerned. It takes more than a little wind and rain to keep them home.

Islands and tricky currents help test the skipper's skill (and sometimes his vocabulary) on Fleet 173's waters at Brant Beach, New Jersey.

1959 will be remembered in Fleet 173 as the Year of The Coe. Of Thompson W. Coe, to be exact, and of his new boat, the Cohere. Mr. Coe had not done badly in former years, winning the Fleet title in 1957 and 1958, but in 1959 with a new boat he was almost unbeatable. He dropped but one race on his way to a third championship and permanent possession of the Lightning trophy. In spare moments he won the Governor's Cup at Riverton, N. J., missed first place by a sliver of a point in the Little Egg Harbor Yacht Club Annual Regatta, took second in the Brant Beach Spring Regatta, placed fourth in the Districts and first in the interclub series with Surf City.

The interclub series, new in 1959, involved four home-and-home races. Surf City, with its depth of talent, won the series. In former years, a low-level causeway between Brant Beach and Surf City limited interclub competition; in 1959, with a new high-level bridge, Lightnings could easily sail between the two clubs.

Coe's championship boat was crewed by demon spinnaker man, Pete Fullem, and at various times by Joe Fullem and Oliver Goldman. Dick Powell's BARRACUDA, with Steve Powell and George Harrington crewing, snared runner-up honors and won the Sunday series for the fourth straight year. The Serrill boat, PETREL, #580, proved once again that an old Lightning, well maintained and well sailed, can compete closely with much newer boats. Barbara Serrill retired in mid-season, turning the tiller over to her husband. Crewman Tom Pickard helped PETREL to a third place finish in the championship. Dan Redmond joined the Fleet this season and, with aid from crewmen Tim Slack and Fred Spaeth, gave more experienced skippers many worried moments. The Schmidt family—father D. F., daughters Mary Ann, Margie and Betty, son John, and future son-in-law Phil McChesney, won a special award for sportsmanship, enthusiasm and improvement. Their boat, SMITTY, won its first trophies by taking second in the Sunday series and third in the Labor Day race. Bob Roth added his Lightning to the Fleet but decided to pick up more experience before starting to compete.

At least two new boats are reported building this winter, in preparation for 1960. Brant Beach's piratical waters will be waiting for them gleefully.

We have been struggling with a few boats the last two years and crack-ups cutting down the boats in service, but now think our next season will get going for sure.

We will have better harbor facilities for the fleet next year at the Yacht Club and more racing with a complete program planned.

This year our Lightning Class Fleet has concentrated more on the quality of the good boats and good skippers rather than quantity.

Walt Heiman and crew tuning up for championship races, #175.

All during the year the races have been nip and tuck with most anyone in the fleet being able to win a race at one time or another. Walter Heiman did a real good job this year. He beat Miss Gaye Griffith out for the fleet championship and Robert Lawton and Norry Brown also pointed very high and it could have been anyone's race right up to the last of the season.

Walter Heiman and Norry Brown attended the Southern Districts held at Southern Yacht Club at New Orleans this year. Gaye Griffith ranked third in the districts.

The Labor Day Series was won by Walter Heiman.

On May 9th of this year the Shreveport Club held its annual Spring Regatta. Around twenty-two Lightnings from Louisiana, Texas and Arkansas participated. The three day series was held under ideal conditions. This race was won by Sam Townsend of the Dallas Corinthian Club. A full account of entertainment was enjoyed by the Yachtsmen and their families. One race was held on Saturday and two races on Sunday.

Fleet 175 was represented at the races held on the Mississippi Gulf Coast by Miss Gaye Griffith, Luther B. Griffith, and Miss Louie Griffith. They also represented the club at the Sugar Bowl Regatta in New Orleans and the annual Regatta at Houston.

Luther B. Griffith, Dr. William Dowler, and Miss Gaye Griffith represented the Shreveport Yacht Club in the Mallory Quarterlies at Houston, Texas.

In the Cock-of-the-Walk Series given by the Shreveport Yacht Club the Lightning fleet was represented by Walter Heiman, Miss Gaye Griffith, and Robert Lawton.

We also had a very sad year having lost one of our most beloved members of the Lightning Class Fleet 175, Mr. W. L. Somner who passed away during October. He was responsible for having secured the new location for our Yacht Club, having handled the financial matters in moving the club. He was also well known throughout the south as a first class Lightning skipper. He came into the club in 1949 and within ten months time he was competing in the district races. He was a man that really loved sailing. We will all miss him very much and look forward to meeting him sometime in the future in the Happy Sailing Place.

Gary Boat Club has suspended operations temporarily due to the steel industry taking their dock facilities.

The 1959 season saw the Great South Bay Lightning Fleet increase in number by five boats to set a fleet record. It was also one of the most active years to date with races starting early in June and continuing through to the end of October.

Fleet Champion, Sam Zorovich, in "Mist I."

The Fleet was honored and privileged to be the host for the Greater Long Island District Championship on July 25 and 26 at the Babylon Y.C. A fine turnout of 14 boats and wonderful sailing conditions produced an enjoyable series. Bill Uhl of the Mattituck Fleet in "Spark II" turned in a "sparkling" performance by taking all 3 races for the Championship. Mike Zwerling of the Sheepshead Bay Fleet sailing his "Pippa II" finished second while our own Sam Zorovich came in third with "Mist I".

For other events held on the Great South Bay this was another "Sam Zorovich Year". Sam sailed "Mist I" to top position in the Babylon Y. C. Fourth of July Series, The Bellport Labor Day Series, the Unqua Invitation, the Point of Woods Regatta and the Domino Invitation. During the exciting Great South Bay Race Week, Sam took top honors again with Dan Wynkoop in his "Gretchen" second.

Bob David sailing a borrowed "Black Orchid" tied with Dan Wynkoop for first position in the Bay Shore Series.

Bill Thomas and his "Black Orchid" collected the first prize in the Narrasketuck Invitation Series.

In the Narrasketuck Y.C. Spring Series and a novel Wednesday Evening Series Warren Pulver in "8-Ball" won top honors. Sam Zorovich was declared Fleet Champion and Dan Wynkoop Runner Up. Sam has sold his "Mist I" to Paul Maddox and will continue his competition in "Mist II".

New Fleet Officers were elected to take over the reins for the next season.

The fleet has sponsored Sailfish races among the younger sailing enthusiasts on the lake in the hope that potential Lightning skippers or crew members will emerge from this group. Our Conneaut Lake racing attracted three new Lightning skippers during this season. All crews were most enthusiastic during both series. The summer Sunday series ended with R. P. Hollister win-

ning and the Labor Day series with F. M. Miller winning. Two successful social events were a fish fry at Trezona's cottage and a picnic at the end of the Labor Day series at the cottage of Henry Heinemann. At this final picnic trophies for both series were awarded by Commodore Dick Rentz.

As usual, the Lightning Class Championship at Wadawanuck was a closely contested affair. Sandy Sellers picked up the loot, nosing out Sam Knox and Don Wesson in that order.

Sandy Sellers attended most of the big regattas away from the Club, such as the Districts, the Long Island Sound Championship, etc.

Our Juniors went to Marblehead for the second annual home and home series with Pleon Yacht Club and lost a heartbreaker by a half point in three races. Better luck next year!

Our sailing season, which started early in July this year to allow for more races, was made quite interesting by varied types of weather.

Our fleet is divided into two classes according to previous records and skipper preference to provide keener competition on all levels of ability. After a few decisive races late in August, Ed Neild took the first place A class trophy, and Bill Miller the second place trophy. Donna Riley Hearne won the B class trophy while Don Mitchell did a wonderful job in his first year at the tiller by taking second place in this class.

The Marathon, a 30-mile course sailed annually, was finished in record time this year by Ed Neild, who retired the cup with his third win in a row. Toby Tyler was second, Jack Mead third, and Joanne Gits fourth.

The annual Leland regatta was plagued this year with horrible

weather but several boats came and we sailed in spite of this dampener. We had quality if not quantity, and each race was as exciting as the one before. The Saturday night party was held at the Morris's house and was a great success with sailors and non-sailors alike. Silver cups were awarded to the first five skippers—1st, Herm Nickels; 2nd, Ed. Neild; 3rd, Charles Grant; 4th, Larry O'Dell; 5th, Bill Miller.

We are planning now for the 1960 regatta to be held during the second week in August.

Our newly initiated junior sailing program was well accepted. Hard work on the part of Ed Neild, Donna Riley Hearne, Joanne Gits had produced some promising young sailors.

The sailing year was climaxed by the combined Labor Day-Bill Miller regatta. Bill Miller won the Labor Day cup but since he was sponsoring the Miller regatta, the second place boat, skippered by Toby Tyler, took the honors there. Toby was followed by John Clark, Ray Hilsinger and Mike Fisher.

Awards were presented at the Yacht Club dinner, putting the finishing touches on the season. The Commodore's Cup for the most improved sailor went to Fred Ball for a job well done in his first year as skipper. Donna Riley Hearne won the "Linda Sutton Memorial Trophy" this year for her enthusiasm and sportsmanship in sailing.

This season was most successful. We are looking forward to an active program next year.

Hope to see you all at the Regatta in August, 1960!!

### SHEBOYGAN LIGHTNING FLEET (187)

#### Midwest District

#### Sailing on Lake Michigan, Sheboygan, Wisconsin

Fleet Captain.....Roger Bierman  
 Fleet Secretary.....Frank Jacobson  
 Fleet Champion.....Vic Radwick  
 Runner-Up.....Roger Bierman

Boat No.	Boat Name	Skipper
1975	Lu Lo	Eric Larson
2225	Islander	Leif Jacobson
2747	Wee Willie	Art Kroos
3621	Wrapid	Allan West, Dave Wilson and William Hayssen
3624	Griffin	Sea Scouts
6441	Marba	Jerry Kovacic
6776	Corixa	Vic Radwick
6915	Til-Lykke	Roger Bierman
6975	7-Up	Dr. Wm. Moir

The Sheboygan Lightning fleet at the Sheboygan Yacht Club had an active 1959 season, sailing a five-race Tune-Up series, an eight-race Piper series and weekly Wednesday night good fellowship contests.

Victor Radwick skippered Dr. Leslie Tasche's "Corixa" to five first places in the Piper series, counting the best seven of the eight races, won the series with 68 of a possible 70 points.

Roger Bierman sailed his "Til-Lykke" to second place with 60 points. Radwick and Bierman finished the 1958 series in the same order.

Others sailing in the Piper series were:

Place	Boat	Skipper
3rd	Islander	Leif Jacobson
4th	7-Up	Dr. Wm. Moir
5th	Vixen	Art Perry
6th	Wrapid	Allan West
7th	Lu Lo	Ricky Larson
8th	Half Moon	Tom Roess
9th	Marba	Jerry Kovacic

Bierman won the Tune-Up series with 44 of a possible 50 points and was followed by Wrapid with 37 points. Other boats in the order in which they finished the series were: 7-Up, Corixa, Islander, LuLo, Vixen and Marba.

Before the boats were stowed for the winter, a five-race Round-Robin was sailed by the junior members. Lynn Bierman won the series with 45 points and was trailed by Wayne Schelwat with 44. Other skippers and their points were: Kathy Kuhlman, 42; Nils Sleppekis, 35; and Dave Wilson, 34.

The fleet grew in numbers and doubled its racing schedule during the past season, sailing Tuesday and Thursday evenings instead of Wednesday evening only.

Next year a total of twenty-three boats are expected to compose the fleet. We expect that we will have at least twenty boats engaged in active competition instead of the ten to fourteen that sailed regularly in 1959.

Four brand new boats will be racing in 1960, three are under construction in Morris Boat Yards in Hamilton, Ontario while one is being built in a Nova Scotia yard.

We had another addition to the fleet in Ken Laidlaw's Zephyr from Winnipeg, Manitoba, which arrived here late in the fall of 1959.

Last season two new boats joined the fleet. John Killick's Madcap had a big season winning many races. Jack Noonan's Think expects to be a real threat in 1960 with his new sails and spars.

At the start of the summer the fleet split up into A and B division. The less experienced skippers and those with older slower boats and cotton sails made up the B division with the rest of the fleet in A Division. The fleet all started together but were scored separately by the race committee.

This arrangement gave keener interest in both divisions, and an arrangement is being worked out to enable B Division boats to move up as performance indicates.

Peter Whiting, a 13-year-old wizard helmsman, brought his Corinthian across the finish line far enough up in the fleet to cop the Fleet Championship in a five race sail-off against Don Freudenberg. Peter is the youngest member of the Yacht Club ever to be champion of a fleet.

B Division honors went to Charles Whiten in a two out of three sail-off against Digby MacLaren. Vicky II was bought in mid season by Charley, in his newer boat he went on to take top honors in the B Division. Overall winner of the fall series was Don Freudenberg.

Our big series of the year was the National Capital Lightning Championships held in July. This is an invitational series and three of the top boats from Toronto came down and sailed at Britannia. Don Freudenberg eased out Alf Dutton and Gord Russell of Toronto to take top honors and cop the Rhodes Cup.

Our tune-up series in May was won by Dave Quarterman with John Whiting a close second. Dave won the Blue-Belle trophy for his efforts in this event.

Gamecock repeated her winning ways by taking the Saturday series and winning the Ogilvy trophy.

On Wednesday evenings we held our ladies series for the Lorlei trophy. Girl skippers and crew are mandatory for the five race series. Sunny Cook was the big winner and took home the silverware.

Another first for the fleet last season was when Miss Bertie Lawton bought Don Skene's Skeno and remanned her Kestrel and started showing the boys how to sail. She is the first girl Lightning owner we have had in the fleet.

Dave Quarterman took the Mistral trophy in the sixteen mile race to Pinhey's point and return beating out Vic Pinard by a few lengths.

Mistral finally came home a winner in the thirty mile over-

night race to Constance Bay and return. Skipper Stu McNeill won the Book trophy for his efforts in this grueling race.

The fifteen mile race to Baskins beach was won by Peter Whiting. With this victory went the Corinthian trophy.

Dave Quarterman changed boats and sailed Madcap to victory in the 12 mile Queens Park race in September taking home the Queens Park trophy.

The fleet found that publicity really pays off when they put Jack Noonan's Think on display in the local Sportsmans Show in April. Large fans billowed out his new red and white spinnaker and made the Lightning the hit of the show. In fact this show saved Ron Conway and his family from becoming power boat addicts. When they saw the Lightning on display they made inquiries and within a month they had bought Gralyn and joined the Yacht Club.

Dave Quarterman managed to haul Gamecock down to Royal St. Lawrence Yacht Club for their annual regatta in June. Dave ended up in third position. In August the Evanes and Whittings trailed to Toronto and took part in the Canadian Open Lightning Championships on Lake Ontario.

The racing season ended in early October and near the end of the month the fleet gathered at the Evans home for a bang up Haul Out party. Forty-six skippers wives and crew showed up for this gala event. A Fitting Out party in the spring might also be attempted.

The fleet kept together during the past winter with monthly meetings held in different skippers homes with talks on sailing and many films being shown.

7333	Creeper	Duncan McInnes

After a very cold and icy winter and spring, the wrappings came off the Marblehead Lightning Fleet on May 30th disclosing several new boats ready for the season ahead. Matty Bernard and Francis and Robert McCarthy were proud of their new Olson boats, #7117 and #7133. Dr. Louis Pocharski and Duncan McInnes showed the local fleet the first Lippincotts in these waters

#7299 and #7333. Dick Price spent the winter building himself and J. Donald McNamara two Price Lightnings #7228 and #7218.

Our first open championship race was won by Don McNamara, and our first Twilight Series ended on June 25th being won by our 1959 Fleet Captain, Harold Hokanson. Don McNamara and Louis Pocharski finished up 2nd and 3rd respectively.

Marblehead Fleet played host for the State of Massachusetts Regatta on July 11 and 12. The first scheduled race on July 11 A.M. had to be postponed because of high winds and rough seas, but we were able to have two races in the afternoon and one on Sunday morning. Don McNamara made it a perfect 3 races in 1st place to take the Massachusetts State Regatta Cup. Louis Pocharski took 2nd place honors followed by Duncan McInnes.

Marblehead Race Week began on Saturday, July 25th and went through August 1st. For the first three days our fleet was divided in two divisions—an odd number division which had fourteen entries and an even number division having twenty-two entries. The odd number division trophy was won by Duncan McInnes with the even number cup being taken by Don McNamara. The last four days we were divided into a championship division and a consolation division. Ben Smith from Annisquam Fleet #151 took top honors in the championship division. In the consolation division John Abbott captured the trophy.

On Thursday of Race Week the entire fleet enjoyed a cook-out on Goldthwait Beach. Also many of the "Lighthouse Judges" were on hand to make a very festive group of over 90.

Our second Twilight Series ended on Thursday night, August 6th. Don McNamara took first honors for this series followed by Louis Pocharski and Ken Drewry.

Louis Pocharski, Dick Price, Frank Morse and Duncan McInnes left from Lake Winnepesaukee for the International and President Cup Races. In Michigan, Marblehead had six boats to represent the New England District. Louis Pocharski, Dick Price, and Don McNamara qualified to race in the International Championship races, while Duncan McInnes, Millard Tucker, and Frank Morse, Jr. went to race in the President's Cup. This was Frank Morse's first year to qualify and we are all quite proud because he finished tenth over all in the President's cup.

Meanwhile, in between all the regattas our own heavy schedule at home kept us all busy racing two evenings a week, Saturday afternoons and Sunday mornings.

On Thursday, September 3rd our third Twilight Series ended and finished our evening races for the season. This series was won by Louis Pocharski, second place being taken by the Tuckers and 3rd place going to Al Hill.

Our special Labor Day A.M. race for which there is a one race trophy awarded was won by the Caldwell Brothers. Labor Day evening we all went over to John Abbott's Island and had a delicious clambake, with lobsters, clams, and corn enjoyed by all.

Sunday morning, September 13th dawned bright, beautiful and breezy to wind up the Early Bird Sunday Series. Don McNamara took first place trophy for this series followed by Louis Pocharski and Ken Drewry.

As the racing season drew to a close, we found that Louis Pocharski and Don McNamara had been running all summer

Champs, left to right, Harry Sabeau, Lou Pocharski, Dick Atkins.

neck and neck going up for first place in the open fleet championship. On September 19th, the final race of the season was held and we found that Louis Pocharski was to be our fleet champion this year.

The Spray Cliff Inn was the setting for our annual banquet this year, following which election of officers for the coming year was held. After a lively discussion on racing schedules, etc., for the coming year, all the trophies were awarded to their proud recipients. In closing a lively Revere Bowl was presented to Miss Frances McCarthy, who for the past several years has been our faithful Fleet Secretary. We of Lightning Fleet #189 wish to offer our sincere thanks and gratitude to Frances for the wonderful job she has done for us all.

The 1959 sailing season was heralded by seven additions to the fleet. Bob Manning, Frank Nelson, Bill Stafford, Graham Hamilton, Bob Moffet, Roy Heath are the newcomers who helped keep the Fleet up to strength.

The fleet's winter program was the most outstanding we have had since we organized back in 1952. Clarence Shoch, "Winter Program Chairman" invited outstanding Lightning skippers to preside at evening "seminars" at which various aspects of racing were discussed. Jim Carson, a Veep for the Lightning Class Association consented to come all the way from Germantown, Pennsylvania to Bob McWhorter's home in Wilmington, Delaware to lead off the evening discussion group with the subject of Sailing to Windward. Subsequent meetings brought Bob Tunnell from Georgetown, Delaware to speak on Reaching, Herm Henschen, another Lightning Class Veep, from Baltimore, to talk on Winds and Tides. Marbury Fox and Barney Mead also jour-

neyed from Baltimore to expound on Tuning; and our own Lee (sea-lawyer) Brown, held court on Rules. Our sincere appreciation is extended to all these members for giving their time and effort in helping our Fleet #192 members become better sailors. Our special thanks go to Clarence Shoch for planning the program and inviting the "experts" to visit us.

Bob McWhorter did the home fleet proud with his new #3704, which he completely refurbished. He sailed "Simbi" to victory in the Annapolis Yacht Club Regatta and finished second in the President's Cup Regatta. In home waters, he was victor in a five race championship series with three firsts to garner 9 points and the next boat closest to his transom was Lee Brown with 16. Lou Holladay was third with 19 points. The Dixie Districts held at Indian River with Fleet #72 as host, brought seven boats from North East. Skipper McWhorter with wife Rita and Sandy Holladay copped the fifth place trophy.

After the last boat crossed the line in the fall series the Trophies lined up like this:

<b>Summer Series:</b> June 14 - July 19.	Counted all five races.
1	738 Lou Holladay
2	3705 Jim Holzman
3	6932 Jim Tunnell
<b>Fall Series:</b> August 30- October 18.	Best 6 out of 8 races.
1	3704 Bob McWhorter
2	4287 Dick Heald
3	4148 Graham Hamilton
<b>Championship Series:</b> September 5, 6, 7.	Five races.
1	3704 Bob McWhorter
2	6162 Lee Brown
3	738 Lou Holladay

Fleet activity began in January with a dinner and dance at which the new officers of the Fleet were installed. The new cap-

tain donated two new perpetual trophies to be awarded at the end of each year—one to the skipper earning the most points in intra-fleet competition; and the other for the most points won in inter-fleet regattas.

In 13 regattas with other fleets, Mission Bay Y. C. skippers took 11 firsts, 5 seconds, and 7 thirds, thus again establishing an enviable record.

Official races started on Feb. 1 with a 5 week winter series, the end of which found Al Coha in 1st place and Fred Knauer shading Carl Eichenlaub, Sr. by 3/4 point.

February was also noted for a humdinger of a St. Valentine's party and dance which our fleet hosted. Over 60 couples jammed the club house to the walls.

At Cabrillo Beach for the S.C.Y.A. Mid-Winter, Trev Lewis and Kelvin Savell brought back the 1st and 3rd prizes.

In our Spring Series the hardware was taken by Al Coha, Fred Knauer and Fred Boynton, Jr.

At the Easter Regatta at Balboa, Al Coha was first, and Bruce Deschamps second.

A couple of weeks later, in the annual ocean race of approximately 14 miles from Mission Bay Y. C. to Southwestern Y. C., Tom Nute, Fred Boynton, Jr., Bruce Deschamps and Bill Pirie all crossed the finish line before the first SYC boat could score.

A fine Fleet breakfast preceded this venture.

In the Memorial Day Series Al Coha was first and Bill Pirie third.

In the Bob Herrmann Series at Coronado Y. C. in June our skippers took the first six places, with Al Coha first, Lowell North second, Kelvin Savell third and Fred Knauer, fourth.

In the Summer Series, Kred Knauer was first, Al Coha, second, and Fred Boynton, Jr., third.

At District Championships in Coronado, Lowell North showed his championship caliber, and was first, Trev Lewis second, and Al Coha fifth. Carl represented this District in the Internationals.

In the Mid Summer Regatta at the end of August, Al Coha took a close one from Dave Wright of Coronado by 1/4 point, with Fred Knauer taking third. Guinther, one of our new skippers, missed this third by failing to register for the first race—even with a DNS he took 4th.

"Back at the ranch", Kelvin Savell and Pete Boynton took the Hardware in our Club Labor Day Series.

In October, our Fleet hosted the 12th annual Stanley Andrews Regatta. The largest group of Lightnings to race in California in several years was present as 22 boats hit the starting line. The local prize winners were Lowell North with second place, and Al Coha with fourth. A steak BBQ was a huge success with 100 dinners served, and a fine time had by all.

In the Ken Reynard Series, Lowell North won with three straight firsts.

At our club's Thanksgiving Series, Carl Eichenlaub's brand new #7420—named "BULL" took first. Glen McPherrin second, and Fred Knauer, skippering Deschamps' Hustler, took third.

In the Regatta at Coronado Y. C., Carl Eichenlaub Jr. swept the series with three firsts.

Al Coha captured both of the Fred J. Knauer trophies. The trophy for inter-fleet races and the trophy for club races.

The Fleet is looking forward to next year's racing and activities with enthusiasm. Mission Bay dredging is almost completed, and we now have a greatly enlarged area in which to sail.

Our fleet has successfully weathered the revolution brought about by many new fast Lightnings in the fleet. For a time during the past few years, it looked as if the new boats had completely taken over, and that the twelve older boats of our fleet would be used only as cruising craft, their obsolescence being proved on the course. Since many of the owners of these boats had just purchased them from people who had just invested in a new Lightning, they were enthusiastic but disillusioned by their crushing defeats. Last year a second division of our fleet was started, and the reception of the idea was so great that once again there is a place for everyone to compete on Chautauqua. Scoring, trophies, and even some rules are relative to the division in which one races. Some of our most exciting races are those among second division boats.

The first division championship was won by Jack McCredie. Since this was the third year in a row that he won the cup, he now has permanent possession of it. In winning the first place trophy, Jack piled up enough points to receive the Yacht Club's High Point Trophy. Curt Clark, and J. P. Jones were second and third for the season.

The second division championship was not decided until the last race. In a very exciting finish, Art Wade edged out Fred Tim for a first place and the season trophy. Fred was in second place only one point behind, and the Clouses and the Littles were only one point behind in third.

The one day All Lage Regatta was won by Dick Karslake with Jack McCredie and J. P. Jones second and third. Although Dick could only compete with us occasionally, he produced an impressive record with four firsts in seven starts. The second division saw Milt Weaver first, Art Wade second, and Campbell Brandon third.

The five race Labor Day series was a very close one this year with the first three positions all tied until the last race. Jack McCredie won the series by finishing first in the final race with Bob Clark and George Leopold second and third. The second division saw Bob Duke, sailing a borrowed boat, finish first, closely followed by the Neubauers who just purchased 2922 from Milt Weaver. We all hope to see such fine results from these new enthusiasts next year. Fred Tim placed third in this series.

The season was a good one. Many of our first division boats traveled to regattas both near and far. Much experience was gained in all of these trips resulting in even stiffer competition at home.

What a wonderful sport we have in Lightning Racing when a man seventy years young is not only able to compete with his juniors, but can lick the socks off them! George Groom turned the trick with two firsts and a second in the championship series at Lake Yahola this year. In October Commodore Phil Caudle

and Fleet Captain Hereld Coman gave a wonderful party commemorating the club's 10th anniversary and honoring its charter members, George Groom, Tommy Flanagan and Frank Ziegler.

Under the expert guidance of Hereld Coman, Fleet 205 divided its season into three series this year—spring, summer and fall—with the first three boats in each series qualifying for the championship series at the end of the season. In the spring series Bob Lennart, Rod Hall and George Groom finished 1, 2 and 3. The summer series found the Coman-Caudle team in first place with Rod Hall and George Groom again finishing second and third. In the fall series Bob Lennart was first, Rod Hall second and Harris Squire third.

We feel that the series system is far superior to the total point system for determining the fleet champion, because it enables a sailor to qualify for the run-off even though he may have had to miss a part of the season for one reason or another.

1959 has been T.S.C.'s most successful year. Our roster shows twenty-seven active members (approximately seventy-five people). Five new members were added this year; Stan and Jean Brander, who bought their boat from the New Orleans Fleet, Doyle and Priscilla Cotton, who have a new Lippincott, Art and Marilyn Murphy who built their Lightning which is one of the nicest boats in the fleet, Kent Johnson, who owns another type of boat and Harry Ells, who as yet doesn't own a boat.

There are now eighteen Lightnings in the fleet, we sailed 30 point-score races. We have five trophy series and our eleven Lightnings made up over half of the fleet at the Central States District Regatta held at Lake Fort Gibson.

In the Paul Reischer Memorial Trophy Flanagan was first, Ziegler second and Westgate third. In the Tulsa Bronze Works Trophy series Squire, Lennart and Cotton finished 1, 2, 3. Squire, Lennart and Coman-Caudle were first, second and third in the Standard Magnesium Trophy races. In the Handicap series Groom was first, Ziegler second and Brander third. Harris Squire took the Ziegler Trophy with Groom second and Coman-Caudle third.

Our activities were numerous this year and at each function

Left to right, (front row, seated on floor): Jean Brander, Wilma Johnson, Gloria Lennart. (Second row): Dixie Groom, Virginia Craig, Lyle Fogle, Georgene Fogle, Velma Romeis, Eleanor Westgate. (Third row): Priscilla Cotton, Dorothy Squire, Rodman Woods, Rodney Hall, Charles Westgate. (Back row): Harris Squire, Bob Lennart, George Groom, Doyle Cotton, Stan Brander, Phil Caudle, Bob Martin.

the members turned out in force. Such spirit and enthusiasm breeds the keen competition which was so evident in Fleet 205. We never knew from one race to the next who might win, and in each individual race, positions usually changed hands often.

During the winter months each skipper will carefully groom his craft in anticipation of greater things to come next year.

The 1959 Sailing Season found the members of Fleet 207 ready and anxious to pit their abilities and Lightnings in competition for our annual Wednesday and Sunday Series Trophies as well as the Fleet Championship. Unfortunately, bad weather resulted in cancellation of the first few races but as the season progressed it became evident that the battle for trophies would be nip and tuck.

Luck rode in our sails and we were able to complete the race schedule without a broken mast, torn sail, or damaged Lightning, which for Fleet 207, based on past seasons, is quite an accomplishment in itself.

Our season was punctuated by wiener roasts, July 11 and 12 regatta, Long Distance Race August 16 and by members participating in Regattas at Pymatuning, Edgewater, Lakeside and Forest City Yacht Clubs.

With consistent sailing, judgment and skill, our Sunday and Wednesday series were copped by Lud Lekson, skippering "La Biche" closely pursued by Cappy Capadona, and Phil Schloss respectively.

All of us were saddened with the passing of Francis Bruce, our first and oldest Chartered Lightning fleet member. We'll all miss Francis, but know he'll be watching our races in coming seasons.

Summing up the 1959 sailing season—a very enjoyable and successful summer was had for Lightning Fleet 207. The coming 1960 season will be even more challenging because the grip on the Sunday and Wednesday Series and the Fleet Championship could be relaxed.

Greeted in late April by a "blue norther" which all but swamped our fleet's opening regatta, we persevered through squalls, calms and the much discussed but rarely found steady breezes to complete our most successful racing season in the history of Fleet 209.

The experienced duo of "Buck" Ballatin and Francis Favoloro proved their rights as the "cream" of our fleet. Their willingness to participate in the races and their eagerness to offer words of advice to the inexperienced resulted in an overall increase in ability of the also ran. As the season progressed competition picked up considerably and everyone in the fleet became a "dark-horse".

Our fleet traveled to all of the regattas on the Mississippi Gulf-coast. Buck Ballatin and Francis Favoloro led the fleet to these

regattas. Also in attendance were Kelly Kane, Ronnie Ripple, Guy Leefe and Gil Whitworth.

The fleet's racing schedule was split in two sections; the first half of our season ended prior to July 4 and race week on the Gulfcoast. Trophy winners and their order of finishes were Buck Ballatin, Gil Whitworth, Ronnie Ripple, and Francis Favoloro. The second half winners were Gil Whitworth, Francis Favoloro, Kelly Kane and Ronnie Ripple.

A high spot in our racing season was the Phil Barb regatta, a three race series sponsored by Paul Montelepre. Paul is Vice-Commodore of NOYC and a member of our Lightning fleet. The series was sailed August 29 and 30 in perfect Lightning weather. Francis Favoloro won all three races to take first place. Gil Whitworth was second in all three races to take the runner-up

Members of Fleet #209. First row, l. to r.: Joe Young, Fleet Champion, 1958; Paul Montelepre, Scotty Seale, Ronnie Ripple. Second row, l. to r.: Francis Favoloro, Arthur Nyatt, Kelly Kane, Gil Whitworth, Arthur Pendarvis, Blanchard, Winter Trapolin, Horace Jacob. Missing: Dr. R. Walle, Dr. A. Macaluso, Buck Ballatin, Guy Leefe.

spot. After viewing the beautiful trophies presented to skippers and crews enthusiasm began to build for the series one year hence.

Finally in September our racing season closed with the crew and fleet championships. Johnny Ballatin won the crew championship followed by Ronnie Jacob and Steve Gregoire. Enough praise cannot be given the crews of all the Lightnings participating in our races. Without these eager and hard working crew members racing would be impossible. All fleet 209 skippers are very proud of the enthusiasm shown by the crew members. Next year we are planning to have two crew series so that both crew members may skipper the boat during the racing season.

After two weeks delay due to high winds the fleet championship was finally sailed Sept. 26 and 27. Francis Favoloro was first followed by Joe Young and Gil Whitworth in a second place tie. Two of the three scheduled races were sailed. The final race Sunday afternoon was cancelled due to squalls, breakdowns, seasickness and two race committee members being knocked from the committee boat into the water by Lightning (Not a registered one). Fortunately no one was seriously injured.

Next year will be an even bigger and better year for Fleet 209.

The Lightning sailors of the Atwood Yacht Club enjoyed a very successful sailing season, filled with many activities. A total of eighteen races were sailed, the season officially starting on May 10th and extending into mid-October.

On May 30th the traditional race to the Atwood Dam was held in honor of the 1959 Commodore. First place was won by Tom McCain with Karl Rollius and Paul Chenot in second and third places respectively.

On June 20-21st the Yacht Club was host to the Ohio-Inter-Club Yachting Association Regatta. Ninety-four boats attended, twenty-one of which were Lightnings. First place honors were taken by Chuck Huston from Mansfield, second place honors went to Karl Rollius from Atwood and third place to Ralph Powless from Leatherlips. We were very proud to have Paul Chenot, one of our Lightning sailors represent our club in this organization as Vice-Commodore.

A series of five races were sailed from August 30th, September 6-7th to determine the Fleet Champion. Championship honors were taken by Karl Rollius, Runner-up by John Rundt, and third place by Mrs. L. K. Firth.

On September 12-13th the Yacht Club held its ninth annual Harvest Moon Regatta. A total of seventy-two boats competed in six classes, twenty-two of which were Lightnings. John Mueller from Rocky River took first place for the second consecutive year while Mark Auer from Lakewood and Al Rowland of Worthington were in second and third places respectively.

On September 20th the annual Crew Race was held as the skippers turned the boats over to the crew members. Susie Rollius sailing Karl Rollius' boat took first place honors, Howard Whistler was second in Mrs. L. K. Firth's boat and Judy Whitson was third in Cliff Whitson's boat.

Standing in first place at the end of the fourteen races of the Summer Series was Tom McCain, while Karl Rollius was second and John Rundt was third.

On November 28th the annual Sailors Banquet was held. At this time the sailors received their hard earned trophies, which were certainly worth sailing for. After the trophy presentation, a short sailors meeting was held to elect the 1960 Fleet Captain and Fleet Secretary. This banquet brought to a close another very successful sailing season.

As predicted our Lightning Fleet is slowly coming to life again! Towards the end of the season a fair number of competitors were taking part in the Regattas, a most significant upward trend which promises a good season in 1960. The fleet gained an enthusiastic sailing family in the Greenmans, formerly of Fleet 106, who now reside in Canada. With his newly ordered spherical spinnaker, Al threatens to lead the Fleet in 1960, so the rest of us had better watch out.

Dunnington in "Godiva" was top skipper, winning the Class Championship, the Royal St. Lawrence, Gold Cup and Iskoodah Lightning trophies, followed closely by Ted Wilson in "Jane Ann", who came second in the Class Championship and won the June, Pointe Claire and Lord Reading Y. C. Regattas. In spite of these leaders, the rest of the fleet were very close, being barely nosed out at each sailing event.

Because many important sailing events, (including the Queen's visit to Canada,) were held in local waters, none of the Lightning skippers ventured far from home, but we look forward to trailing next year.

It is significant that the Sears Cup Champions hail from this area, they practiced and finally won out in Lightnings. The '59 result was a repeat of 1955, when the youngsters at that time also did it in Lightnings. It speaks well for the future of our Lightnings in this area.

May 30, 1959, and the Lightning sailors of Fleet #216 came out of winter hiding. There were 18 skippers out for the first Regatta sponsored by the Saginaw Bay Yacht Club. It ended with Joe Dissette in first place, Dr. Chicky second, and Jim Ault third.

We had 17 races scheduled in the Championship series and 10 in the Wednesday Night series.

There were many events that made this year a very exciting one. We had an all-girl crew skippered by Sally Harsch (our first but we hope not our last). Dr. Cooper earned the indecent exposure award by turning his boat over. Gordon Wing and Fred Neitzke did the same thing with Gordon's wife aboard during the Tawas Bay Y. C. Regatta.

Probably our most improved skipper this year was Bob Drew and he should be hard to beat next year as he bought #5574, from Phil Patterson.

We're getting to be a bunch of tourists. Taking part in the Higgins Lake and Fenton Lake Regattas, the Michigan District Lightning Championship at East Tawas and the President's Cup Series at the Crescent Sail Y. C. on Lake St. Clair, Chuck Requadt, Dr. Cooper, Gordon Wing, Fred Neitzke, Jim Ault, Joe Dissette and Phil Patterson made the trip to the Districts with Carl Raek and Al Meath, participating as crew members. Joe Dissette and Phil Patterson had placed well enough to earn them a chance to race in the President's Cup series.

The Labor Day Regatta, was the event which resulted in probably the most exciting finishes of the season. On Sept. 5th and after a good race, Dr. Murphy, a visitor from Fleet #152, was in first place, Phil Patterson in second, and Joe Dissette third. The second race was held on the 6th: Results: Murphy first; Dr. Cooper second; Patterson third. Monday, Labor Day, weather report said winds were 25 to 35 MPH with gale warnings. The race started with Murphy getting a bad start but able to work his way into the lead at the second mark. Patterson and Requadt were fighting for second. Where was Cooper? After a very bad start, things seemed to get worse for Jim; he was way back in the pack and out of this race for sure. Last mark heading for the finish: (1) Murphy (2) Patterson (3) Requadt or Dissette, both right on Phil's transom. At the finish, Murphy over; Patterson, Requadt and Dissette still fighting for second. But WAIT! It's Cooper, spinnaker up, planing and bearing down on the line; no time to cover, the finish is just ahead and over they go: Patterson second by a few feet, Cooper third by inches, Dissette fourth, Requadt fifth by a foot or so. One of the most thrilling finishes ever and it put Dr. Cooper in third place in the Regatta for a share in the hardware.

The Jr. Sailors had a good season under the guidance of Gordon Wing. After a summer of instruction and racing in their

Optimist prams, Ricky Ault won the Jr. Sailing Trophy with Jerry Wing second, Tim Patterson third, and Dissette (Little Joe) fourth. This group should develop into good future Lightning skippers and crewmen.

A very successful season was ended with dinner and dancing and the presentation of season trophies. Season results found Patterson first, Dissette second, Requadt third, Ault fourth, Chicky fifth, Drew sixth, Wing-Neitzke seventh, Cooper eighth, Johnston ninth and Hooker tenth.

We want to close with an open invitation to all Lightning skippers.

The 1959 sailing season opened with more than the usual amount of interest. Our new club house with additional yard storage and bulkheading was finished, thanks to a hard-working building committee and a conscientious contractor.

Point races were held weekly. Ex-Commodore Ken Walton in "Starlight" nosed out Commodore Bob Harley's "Twenty-twenty" in the last week of the series to win the cup. Bob as runner-up retired the Walter Sparks Memorial Trophy.

In our Annual Around the Island Race, Ken in "Starlight" again demonstrated his prowess as a skipper by leading the fleet home. Commodore Bob was runner-up.

The Ninth Annual South Jersey Championship Lightning Regatta was made up a series of six races; three being sailed at the Brigantine Yacht Club the first weekend and the final three races at the Ocean City Yacht Club the next weekend.

Bill Clausen, Captain of Fleet 99, skippered his new Lightning, "The Willies", first across the line in all six races. Second place in the series went to Rear Commodore John Walton of Brigantine Yacht Club piloting "Starlight".

It seemed strange not to see Ed Hance at the tiller of the "Thunderbird". The proud new owners who were welcomed into the fleet are Jon Grossman and Barton Lewis. Ed tells us he is expecting delivery of a new Lightning in early spring.

The Tenth Annual South Jersey Championship Regatta will revert to a one regatta series. It will be sailed on Brigantine Bay the weekend of August 13 and 14. A most cordial invitation is extended to all.

This fleet has suspended activities temporarily due to the loss of our harbor to the expansion of the steel industry along the south shore of Lake Michigan.

It is our hope one day to acquire new harbor facilities and become active again. Fortunately for us, our Lightning sailors were accepted for membership at the Michigan City Yacht Club. We are now members of Fleet 20, and enjoyed a very fine season of sailing. From here out, we are working for the further growth and success of the Michigan City Yacht Club and Fleet 20.

Most of Fleet 225's energies went into helping with the building of the new club house, but we also had a full and successful year of sailing.

We were proud to be host to the Lake Ontario Sears' Cup Eliminations, using our Lightnings, and doubly proud to have our crew—Jack Jones, Dick Ciliberti, and Dick Bickford—win. Which was more than our Seniors could do in the annual team racing against Kingston.

We were again host in August, to the Eastern Circuit. Kingston sailors won the long distance race but Fleet 225 took all the honors in the course racing.

Our annual dismasting was provided by our revered Fleet Captain when he tried to set spinnaker in a 35 knot breeze whipped up for the Frostbite.

The Lake Bomoseen Sailing Club got off to a flying start on June 7th for the first race of its twelve race summer series. A most auspicious beginning was made by Sam Stowell and his gallant teen-age crew (David LeFrancois and Tony Abatiell). Their Yankee Dandee won this race and then proceeded to sweep the Lake in fair weather or foul until the fleet championship was safely tucked under their Yellow Spinnaker. Our last year's champ, Ed Ellis, was runner-up and Dr. Bedeke Bellerose took third place.

The Fourth of July holidays were celebrated with the sound of committee boatman Johnny Russell's cannon signaling the start of a special three race series. When the smoke finally cleared away it was found that Sam Stowell was first, Ed Ellis second and Dave Stagg third.

A similar series was held over the Labor Day weekend and again these three skippers were in the lead with only a slight change in position. This time Dave Stagg placed second and Ed Ellis third.

We received an invitation from Fleet #243 to spend a day sailing on Lake Dunmore. Those of us who could accept were royally entertained. Two races were held interspersed by a magnificent and convivial lunch at Dr. Estabrook's cottage. Dr. Ralph Seeley managed to save our honor by winning one of the races in an interesting thunder storm.

Our grand finale was the annual State of Vermont Regatta held September 12th and 13th. We were happy to have six outside boats sail with us—and proud to engrave Sam Stowell's name on the cup. Second place was taken by young Miss Joy Pratt from Lake Spofford who exhibited wonderful sailing skill. Because of her example some of our tillers may be wrested next year from the grip of skipper fathers by mutineering sons and daughters who heretofore have been docile crews.

A cocktail party and dinner at Trakenseen Hotel officially ended a most enjoyable season. Trophies were awarded and the affairs of the Club voted into the hands of our new Captain and his wife Dr. and Mrs. Ralph Seeley.

Lightning Fleet #228 completed a most successful sailing season. Six boats were added to the fleet this year—making a total of sixteen boats. The first tune-up race was held on May 23rd and by the first of June, Tom Coe and Marcy Lippincott arrived with their new boats and the season was in full swing. Dale Allen, in "Jade" won the club championship series, with Bill Mullen, in "We Three" second, and John Parker in "Lolli-Pop" third. Marcy Lippincott in "Ugly" won the Wednesday Evening series with Dale Allen, second, and John Parker, third. Most of the Wednesday evening races were finished in the dark, but that was part of the challenge.

The summer series was sailed during July and August. Dale Allen finished first, Charles Highsmith in "Apple" second and Don Mount in "carake" third.

Fall series ended on October 17 with John Parker first, Don Mount, second, and Bill Mullen, third.

Our Governor's Cup Regatta was sailed in lighter air this year

than last. Toe Coe retired the Lopatin Trophy for another year. Marcy Lippincott was second and John Parker was third.

Six of our Lightning skippers sailed up the river attending Red Dragon's Labor Day Regatta. In a Class A drifting match Dale Allen took first, John Parker, second and Nelson Hoffman, third.

Our boats did a bit of traveling this year. Tom Coe and Marcy Lippincott sailed in the Central Atlantic District Championships, Tom Coe sailed July and August at the Brant Beach Yacht Club. Marcy Lippincott attended the Internationals in Detroit. Tom Coe and Dale Allen sailed in the Surf City Regatta and Tom also went to the Little Egg Harbor Regatta, and the President's Cup in Washington, D. C. Marcy Lippincott, Tom Coe and Dale Allen sailed in the Frostbite Regatta at the Quantico Marine Base with Marcy Lippincott taking third and Tom Coe sixth.

As we look back over the year we remember: Bill Mullen capsizing during a jibe at the up river mark in the first race of the season and dampening the spirits of wife and daughter; John Parker's crew falling overboard in his enthusiasm to climb to the high side as John came about. Bob Wood sailing #735 all by himself. Charles Highsmith fell overboard as he crossed the finish line.—thank goodness for an experienced crew! Dale Allen drifting backwards up the river and passing the mark on the wrong side during one of our summer drifters. Nelson Hoffman's crew jumping for the float as Nelson sailed past, missed the float and took a swim instead. Marcy Lippincott's famous spinnaker runs when the wind is forward of the beam.

We feel we had a very successful sailing season this year and we are looking forward to an even larger parade of spinnakers on the river next year.

Our sailing on Fern Ridge Lake continues to be most competitive with the last race of a nine race season determining the fleet runner-up by ¼ point. Our breezes were so fine that our fleet would hardly travel, even for the District Championships.

We would like to extend an invitation to all for our Memorial Day Regatta in 1960. The 1959 Regatta drew West Coast boats from Canada to California with 42 boats competing. Adrian Thomson of Vancouver, B. C. was first, our own Tye Campbell second and District Commodore, Bob Brown, third.

Our 1959 season opened on July 12 and ended on September 7. This year we tried having two races on the Sunday afternoons when the first race ended sooner than expected because of increasing winds during the course of that race. The idea worked out well, and we were able to get in eleven during our short season which is sailed only on Sundays. Our Race Committee again did a wonderful job under the official direction of Mr. Philips who always seems to get the job whether made official Race Committee Chairman or not. "Well done", Mr. Philips. The yacht club also supplied us with two beautiful prizes for which we are very grateful.

This season our average dropped to five boats per race, and this included two guest boats (3411 and 2980) who raced with us during some of the season. Although this average drop was discouraging, we still had a lot of fun and hope that those who did not make it this year will be with us next year. Mr. Oliver's boat was raced this year by Mr. Philip's son, "Tim", who was doing quite well until mid season when he stopped racing. Graham Goldsmith, Peter's brother, raced "Nuthatch" and did very well up to the districts, he held first place then, but by the end of the season he had fallen to fourth place. "Skip" Raymong was a hot contender for first place until he missed the last two races when he went racing with his father on "Chantyman". As a result "Skip" had to settle for a third. First and second places were again determined by the last race as has happened in two previous years. "Bob" Adams, who raced the Wick's boat, ended up by edging out "Art" Gregg by ¼ of a point.

During the past season something new was tried. On the week-ends of May 9-10, 16-17 and 23-24 an Early Bird regatta was run. Actually this was more in the nature of a series of tune-up races and was run on an informal basis. Wayne Brockett, in his brand new boat, ran off with top honors.

The past season presented good wind and weather. Competition became keen and keener as the season wore on. Ken Ireland in Amgergris, Bill Donovan in Thunder, Warren Hyde in White Cloud and Burvee Franz in Zig Zag III were constantly vying for top honors. Once Warren Hyde got White Cloud in the water it didn't take long for him to move right up into contention for top spot.

The newest and most enthusiastic member of the fleet is Harry Patrick in 517. This is a story of a labor of love and determination. Harry started with a wreck and was sailing within eight weeks.

The summer of 1959 on Lake Dunmore, Vt. brought once again to our sailors a full quota of exciting races, thrilling and exasperating moments, and many good times. Dick Hubbard of Middlebury, Vt. once more won the fleet championship in the series of Lightning races. Dick has twice before been a good winner in the six years since this fleet was chartered. Don Brush was runner-up, and Bob Holden came in third. Races were held every Saturday afternoon beginning the Fourth of July through the Labor day weekend, with 8 or 9 boats participating.

Great strides forward were taken this year by Fleet 243! Marked improvement was shown in the ability of crews to handle their spinnakers, and much fun was had in the extra practice sessions that all skippers ordered. As it was only the second summer that this sail has been used on Dunmore, rivalry among members in learning its use has been most spirited.

A special event this season took place Aug. 8 and 9 when Lake Bomoseen sailors joined us for a weekend of inter-lake racing. Between morning and afternoon races, a cookout, much enjoyed by all, was held at the camp of Dr. Estabrook. Top honors in the series were taken by Sam Stowell of Bomoseen.

Our Junior Sailing Club continues to improve in racing ability, tactics, etc. Bill Brown was Jr. Champion, with Rick Hubbard as runner-up.

Robbie Ezerman mastered his Jet this year to the point that he was able to win the Handicap Races, a series of races held on our Lake every Sunday afternoon for all classes of boats, and including our Lightnings.

Next year we will have four new members in our fleet. Dr. Bill Powers and his family. Welcome Aboard! And let's see what you can do with that Lightning!

Our club hardware winners in arrears in this race. Fleet #243.

Fleet #244 enjoyed a very active and successful summer season. 1959 was emphatically the year of the Burwell's **Next of Kin**, to the admiration and frustration of all the other fleet members, who had been hoping for a reversal of 1958. Jack and Brian Burwell earned the winner's gun in eight of the nine race series, with Weld Henshaw in **Sandpiper** sneaking through in the last race of the summer to prove that perseverance (sometimes) wins success—thus giving the Henshaws and **Sandpiper** a second place in the series. Miles Weaver in **Encore**, a newcomer to the fleet and to sailing Lightnings, was hot on the transoms of the leaders and drew a close third.

In the Casvo Bay Interclub Regatta held at So. Freeport, the Burwells won an overall victory and continued possession of the Gannett Trophy. **Next of Kin**, skippered by Dalene Powers finished third in Saturday's race at the State of Maine Lightning regatta annually held at Centerboard Yacht Club, So. Portland.

Jack Burwell won the Yarraseeket Yacht Club's annual Punch-bowl Race (a handicap affair open to yachts of all classes) and finished first in the Skipper's Race, an eight-race round-robin series where every skipper sails each of the eight Lightnings to one race. He was pushed hard in the Skipper's Race by the Perennial favorite, Harry Parker, and by the third place finisher Peggy Deraps, ertswhile junior skipper of **Thisisit**.

Not to be outdone by his brother, Brian Burwell won the Junior Regatta (a version of the Skipper's Race for junior yacht club members), won the So. Maine eliminations of the Sears Cup and was narrowly squeezed out of first place for the state Sears Finals, dropping to second only in the last race. In the Jr. Regatta Brian was followed by Susie Elliott and Sally Smith, a member of the Rascal's crew. Brian's Sears Cup crew was composed of other redoubtable Lightning sailors, namely Peggy Deraps and Mike Naab.

Jack Burwell and Harry Parker crewed for Pete DuPont, owner and skipper of the amphibicon **Carimata**, in the Mallory Cup eliminations. Caroline Rhoades, skipper of **Skip-it** and local sailing instructor, headed up an Adams Cup crew in which she was only aided and abetted by her mother, Mrs. O. C. Rhoades, and by Stephanie Powers.

We regret the passing of **Thisisit** #5937 from the ownership of its builder, Freeman Deraps; but we welcome to our ranks its new skipper, Stuart MacDonald. Fleet competition tension was greatly heightened by our newest member, Miles Weaver in **Encore** #5550, who always seemed to be up there in the thick of things when it counted.

Fleet #244 enjoyed a great deal of fun and excitement during the active 1959 season. Congratulations to the winners!

Our 1959 season was off to a flying start on July 4 with Bill Laughlin at the helm of Walt Estes' lovely new Lippincott, "Never Late II" receiving her maiden christening with a first place followed by our venerable Art Dwyer in "Spalpeen" in second place with Paul Urion's "Trident II" a close third.

On July 5 Clint Roper was less than two minutes ahead of Art Dwyer with Whit Ide's "Black Hawk" a close third.

On July 12 Paul Urion's "Trident II" bested Larry Guild's "Nimbau" in second place with Art Dwyer coming home a close third.

Paul Urion's "Trident II" did not start the race on July 19 on account of a broken spreader and again Art Dwyer was first, followed by Larry Guild in second place and Whit Ide in third.

The week of July 24, Paul Urion took his crew and "Trident II" to Marblehead for Marblehead Race Week where he placed in the first division after seven wonderful days with ideal racing conditions. Clint Roper was first with "Kazan" with Walter Estes "Never Late II" a close second followed by Larry Guild's "Nimbau".

On the weekend of August 1, we entertained fleets from all over New England in our combined Winnepesaukee—State of New Hampshire Regatta which was won by Lou Pocharski of Marblehead Fleet #189, followed in close order by Dick Price of Marblehead. Urion's "Trident II" was the first New Hampshire boat in and finished in eighth in a fleet of 29 boats.

The final fleet standings for the year for the best eight races found Paul Urion Fleet Champion for the second consecutive year with 57.8 points. Pete Wells' newly built "Repeat" was a very close second with 56.5 points and Art Dwyer, third, with 53 3/4 points. Urion and Estes took their boats to Massabesic for the annual Massabesic Regatta where Walter Estes won the sportsmanship award and Urion placed fifth.

Our Fleet welcomed Dick Beatty with his "B&B", #587, and also Don Sibson with his Merri-Daze, #3989, so that our fleet is growing in the right direction.

Pete Wells deserves a lot of credit for organizing the Winnepesaukee-New Hampshire Championship regatta and he was ably assisted by the officers of the Winnepesaukee Yacht Club and Paul Urion's wife, Toddy, for this wonderful weekend.

Urion and his crew with "Trident II" also attended the New England District Championships at Annisquam.

With the increased competition we hope that next summer will provide even more sailing at home and in the various regattas throughout New England in the hope that one of us might make the Internationals or President's Cup.

Pete Wells is also to be commended for his sportsmanship in providing an extra race for all of us, for, by so doing, he failed by a whisker in keeping the Shirley Mitchell Memorial Trophy in his family.

This season Fleet #248 welcomed two new members Phil Kaminsky and Lem Kohli, new owners of Venavici. They showed great spirit and were on the line for most of the races even though they had never sailed before. This year we also had one new Lightnings sailing on Sandy Bay. It was a Saybrook Lightning, Surf II, which proved to have plenty of zip.

Only two boats, Roellie and Venavici were ready for the

Founders Series in June. Roland Glenn took the honors in the opener.

With all the boats on the line the Fourth of July Series saw some real action. In the second race Tom Botsford showed us all that it is still easy to capsizes Lightnings. Later on in the season Phil Rand proved that fact at the Districts. The standings of the Fourth of July Series were "Surf II" first, "Roellie" second, and "Venavici" third.

The July Series saw Roland Glenn take first with Gordon Hull in "Lets Go" edging out the "Surf II" by one point for the second slot. During this month Phil Rand in his Surf II was the only boat from our Fleet to make the long sail to Marblehead for the State Champs and later for Race Week.

In August we met with all kinds of racing conditions, however, we sailed all but one race. That race was called because the fog was too thick, however, in later races we learned how to use our compasses, or guess because once the fog sets in it is a matter of where are we. In this month we had a picnic at Cape Hedge Beach which was enjoyed by all. In the August series the "Surf II" took top honors followed by the "Roellie" in second and the "Venavici" in third.

The Labor Day Series proved to be fun for all. We always will remember the short finish line and Arthur's birthday party. The standings for the Labor Day Series were Phil Rand in the "Surf II" in the number one spot, followed by Lem Kohli in the "Venavici" taking second place.

In closing #248 hopes everyone will have their Lightnings on the starting line and really enjoy life in 1960!

A newly built boat was added to the fleet at the beginning of the 1959 sailing season. Two more will be constructed during the winter (59-60) and so our fleet is slowly growing.

The fleet activity consisted of two race series on our lake. Eight Lightnings attended the summer regattas the 11th and 13th of July, a competition of five races in three days. The new Light-

ning skipper, Dr. C. Klemm with MISTRAL was the winner, followed by Mrs. Kathy Luthy with QUND-MEME and Dr. Meyer on MAROURIS (Fleet of Lucerne).

The fleet championship, sailed in September, was won by Paul and Marianne Zurlianne in CHRABY, followed by Mrs. Kathy Luth, QUAND-MEME and Hans Luth in PILAX.

The boat QUAND MEME participated in the International Sailing Week at Lucerne in June. With a lot of good luck the fleet secretary and his wife won this regatta for the third time in the Lightning Class. The same boat participated two weeks later in the Swiss District Championships on the Lake of Neuchatel.

Fleet #250 wishes pleasant sailing for the coming season to all skippers and crews of Lightnings.

During the 1959 racing season, Fleet No. 251 organized the inter-fleet cup "Salamis", participated in five racing events organized by this affiliated club, as well as to the Greek "Lightning" championship, to the European Championship held in Italy and to many other events organized by local Clubs and Fleet #286 and #287.

The Salamis cup consisted of five races held on May 16th, 20th, 30th and June 6th and 13th, 1959.

Fleet No. 251 "SALAMIS" won the event with 174 points. Second was Fleet No. 286 with 171 points and third was Fleet No. 286 with 94 points.

Fifteen boats participated in the event, five belonging to Fleet No. 251, seven to Fleet No. 286 and three to Fleet No. 287.

Another important event was the "SARON" Cup organized by the PIRAEUS SAILING CLUB, based on the handicap system of the Portsmouth Authority, and consisting of five races.

Forty-two boats, Lightnings, Stars, Flying Dutchmen, Sharpies and Finns took part in the event skippered by the best skippers of each class. During the first race, strong winds were prevailing and practically all Finns capsized or retired due to damage. Many other boats had a hard time to follow the race and many retired. The Lightning, however, not only finished the race in their majority but three of them tied in second place on points after a FD Class boat which own the event. It is believed here that the present Portsmouth number of the "Lightning" (93) is in favor of the boat and should be lowered.

In the Greek Lightning Championship, which were held at Corfu, the Fleet participated with boats No. 6963 "Albatros", 6258 "Daphne", 6734 "Nephele" and 5735 "Athena". The event was won by H.P.A. the Crown Prince Constantine of Greece, who honors with his participation in all Lightning races in Greece. Our Skippers were unlucky in this event. Fleet Champion Spyros Bonas skipper of the boat No. 6963, with his two brothers Stelios and Takis crewing, was disqualified in one race. In spite of the disqualification, Bonas was fourth among 21 participants.

The Fleet participated also in the European Championship held at Anzio, Italy, with boat No. 6963 "Albatros" skippered by Spyros Bonas, was fourth after three Italians and first among the Greek, Finnish and Swiss participants.

Our 1959 season started out with two new members added to the fleet, namely, Lewis White and Jim Hall. "Lew" is a former "Snipe" skipper and Jim Hall is an old hand at sailing on the east coast. We did however, lose one of our Lightning Skippers, Percy Orr. Percy had to leave the fleet due to his work. We all missed him at the starting line this season.

The fleet has suffered from racing apathy on the part of several skippers, but the old timers Ted Daddow, George Kalinich, Hank Young, Halas Jackim plus his substitute skipper, "Gef" Fulton kept the weekend races alive.

Hank Young finally found the right combination with a new mast and a family crew which was tutored by the KYC Junior Sailing Class. Hank nosed out Fleet Champion George Kalinich by two points and the 1958 runner up Ted Daddow by three points. Then to add frosting to his cake Young and his family took the Labor Day Series by taking three first places and one second. All in all 1959 was a Young Year.

Next year we are looking forward to more enthusiasm from all the boats and another close series, also with hopes of adding two more boats to the fleet.

George Kalinich (left) and Ted Daddow, of Fleet 252, slug it out.

Members of Lightning Fleet 253 consider 1959 the best year of the Fleet. Walter J. Gordon was the guiding spirit of this group. Great enthusiasm was shown by all members and this meant sending boats to three away meets which is a record for the Fleet.

Friendships have been made with members of other Fleets in the Dixie District. We were happy to have two boats come up to our waters from Chesapeake Bay even though we did not hold a regatta.

We hope to add members to the Fleet and improve our racing in the 1960 season.

The summer of 1959 was another good year for the Burt Lake Yacht Club, Lightning Fleet #254. We had our twice weekly races, starting July 8th and ending August 22nd. In addition to our races on Burt Lake, we had two of our skippers compete in the six Inter-Lake races, which include the Harbor Point Yacht Club, the Walloon Yacht Club and the Burt Lake Yacht Club.

Two new Lightnings were added to our Fleet, Sallie ImOberstag's fiber glass #7306 and Robin Dunlap with #7345. The Reverend Harris in Thrice Struck #6997, was the over all winner, and Bob de Vore #6663, was the runner-up. Our senior skipper in the Inter-Lake races, Bob de Vore, came in with a second, and Robin Dunlap, the junior skipper, had a first in this division.

The highlight of our race season was an extra race at the end of the season. It was called "Sail-a-day" and we held many different types of races. The start was a Le Mans type such as used in sport car competition, only via water. Then we have the turn-about and the shortened course. A wonderful time was had by all.

Our annual banquet was held August 23rd at the Columbus Beach Club house. Mr. Harold North, who is noted for his jokes, did an amusing job as toastmaster. All of the awards were presented at that time, and it was a gala occasion and a fitting climax to a successful sailing season.

This year the Lew Wallace Memorial Trophy went to Robin Dunlap. This trophy is given for good sportsmanship, and the best improvement throughout the summer.

Fleet 255 started the 1959 season just about the time our 1st boat was hauled out in 1958 with a series of seven highly successful off-season meetings including the annual dinner. The good attendance is attributed to the excellent talk given by a different skipper at almost every meeting; and the lads really deserve credit for thoroughly reviewing and organizing their subjects. The topics were "Starts", "Rounding Marks", "Racing Rules", "Tuning a Lightning", "Sails", as well as reviews of "Yachtings" "One of a King" race series with different classes of boats and Bill Cox's articles on Lightnings in "Sports Illustrated". Top fare for the winter season was "Sails" by a guest speaker, Wally Crump of Hard Sails, Inc. followed by the usual no-holds-barred discussion. Wally is well known in top Lightning competition and sails with Noroton Y. C. Fleet 134.

The 1959 racing season consisted of two groups of races. During June and July our fleet raced alone in a series run smoothly and happily as usual by Darien Bat Club Race Committee Chairman Larry Vose with Mrs. Vose along to make the job easier.

For the second series, we accepted the kind invitation of the neighboring Noroton Yacht Club Lightning Fleet 134 to join them in their August and September races. No one was surprised when our good neighbors turned out to be even better sailors. We enjoyed the joint races thoroughly despite the scarcity of Fleet 255 boats in the top half of the standings. Fine sportsmanship, expert competition and very, very light winds are our recollections of the joint series. The only protest that comes to mind was one Fleet 255 boat protesting another Fleet 255 craft—so rival fleets can be friendly!

In scoring the Fleet 255 championship we maintained separate standings based on our boats only in the joint fleet races. When these were combined with our earlier separate series standings, it was apparent that, in their perennial, hair-breadth duel, Walt Hanson with 7 firsts and 3 seconds had finally edged ahead of Lou Fitch who had 5 firsts and 7 seconds in 13 starts each. The Sea Explorers under the able leadership of Erroll Lent distinguished themselves by sailing "Carite" into third in the standings in their first season of racing. Ginny Straub and her feminine crews upheld the distaff side by placing fourth for the season in "Coquette".

For 1960 we are happy to welcome Peter Haaren and Hooper White as new members. With the Perpetual optimism of sailors, we look forward to more boats and faster footing next season.

Fleet activities for the 1958-59 season started on November 9, 1958 and ended on May 31, 1959. The season was very active and consisted of 61 races. In January 18, 1959, our annual race from Callao to Ancon was held, about 20 nautical miles running before the wind. We had light air and calm water in this race but enough to carry the spinnaker all the time. In first place was Carlos Navarro, Jr., and second, with only a few seconds interval, was Jose Barreda Moller.

One of the most interesting events of the 1959 season were our annual "Interclubs" races for the "Pancho Piazza Trophy" which were held in Ancon waters on March 7, 14 and 19, 1959. Four clubs participated: Yacht Club Peruano, Yacht Club Ancon, Club Regatas Lima and Yacht Club Paracas. The three race series were highly competitive. Yacht Club Peruano won and was represented by skippers, Carlos Navarro, Jr., Jost Kursell, Manuel Gutierrez and John Russell.

In May 1959 six races were held for the Peruvian Lightning Championship. The winner was Carlos Navarro, Jr., who retained the title for the fifth consecutive year. The runner-up was Jost Kursell. The other places were as follows: Stuart Monro, Pablo Rosello, John Russell, Jose Barreda Moller, Alberto Canepa, Luis Alvarez Maza, Franco Carbone, Manuel Gutierrez and Raul Dianderas.

In August 1959, in Bogota, Colombia, the fifth South American Championship was held. Our country was represented by Jost Kursell of our fleet, and his crew, Manuel Jose Ayulo and Juan Lanfranco.

Also in August 1959, the Pan American Championships were held in Chicago as a part of the Pan American Games. According to the invitation, our country nominated the following crew to

be represented: Carlos Navarro, Jr. as skipper along with his father, the writer of this report, and Enrique Conterno as crewmen. We went to Chicago despite the long trip and the expensive airplane fares. Unfortunately the organization was deficient in several vital points thus taking away the interest expected for this event. However, it was a new experience.

Next season should be very active and we are ready to do our best for it. On February, 1960, the Sixth South American Lightning Championships will be held in Chile and our country will be represented by three duly selected skippers and their crews.

The 1959 season saw many changes in our fleet. Jim Mitchell is our champion horse trader. Last fall Jim sold #212, purchased #4826, sold it and acquired #2064 which he sailed this season and captured second place. Augie Paoli sold #609 and purchased #2589. Augie had second place cinched until a puff caught him off balance on the spinnaker run in the last race forcing skipper and crew including yours truly to an unscheduled swim which dropped him into fourth place. We welcome John Norris, a former Snipe skipper who is now sailing #609. We also welcome Bill Palm #2591. We lost one boat this season, #5465.

Our fleet champion, Mitch Bohnenkamp turned in a superb season of racing. He was on top of the pack all season and he and his fine crew deserve a round of applause.

Jim Mitchell, runner-up, who is getting his Lightning legs, having come up strong in the last part of the season.

Bert Sawley, who captured third place has had more than his share of bad luck. In 1958 he broke three masts and it took him and Rolf Hartmann most of the season to get #2210 back in tune. However, Bert has been sailing for many years and will certainly be back in competition next season.

It has been a busy season with fleet members attending the following regattas. Kentucky Lake Governors Cup Regatta in May. The St. Louis Coast Guard Auxiliary Regatta in June. The Decatur Yacht Club Regatta in July. Midstates Regatta, Springfield, Ill. in September. Red Flannel Regatta, Chicago, Ill. in September

and the Missouri Governors Cup Regatta held on our home grounds in October. We are looking forward to these again next year. The opportunity to travel and race the Lightning in so many different areas is the greatest asset of the Class.

We are looking forward to another full season next year and hope to see our fleet grow and become more competitive in the years to come.

The 1959 season opened on June 20 and by Labor Day "Foxy" Walden, in spite of spirited and knowledgeable competition, proved his consistent ability to keep his "Shocking Pink" transom in full view of the fleet.

Prizes were awarded—July Series to (1) Shocking (2) Nitsua (3) Citation. August Series (1) Shocking (2) Whitecap (3) Nitsua. The Junior Series prizes went to (1) Nitsua (2) Bebop (3) Larry Connor's nameless wonder sailed by Walter Greene.

Jim English won our annual "Ragamuffin" race in Jim Bunting's beautiful new Whitecap, and quickly downed the loving cup in the handsome Mac Alleenan trophy. In this race boats, skippers and crews are drawn by lot.

Commodore Kneen introduced a new race this year involving the top five skippers and boats from each of the five racing classes. The idea being that one skipper in each class would sail against representatives from the other classes and try to prove which fleet has the best and most adaptable skippers! After a long and nerve wracking day in light air and head tides the Lightning Fleet won by 1/4 point.

Our Club was represented at the Annual ECYRA Regatta with middling results at best.

All in all a fine season—with hopes of a bigger class next year.

The 1959 sailing season on Geist was one of the most enthusiastic we have had so far. Not satisfied with our usual official 16 race season which began on Memorial Day and extended to the first weekend in September; the Lightnings decided to have an additional full racing season of eight races which carried us up to the Long John Regatta in November. Bob Adams was our champion closely followed by Bob Zaiser, Thomas Hendrickson, Jim McKinstry, George Small and Niven Stall. It is noteworthy here that the Lightning group hoisted sail into the theatrical field following the Long John Regatta and entertained the Club with an original "Neptune's Court" bit which was happily received.

As announced last year it is becoming tradition with the Lightnings at Geist to look forward to the Hoosier Land Regatta which this last year was held on June 27th and 28th here in Indianapolis. More than 30 boats crossed the line together in a symmetry of motion beautiful to behold. The visitors showed us some tricks we've been using profitably ever since. Next year Wawasee Yacht Club will hold the Regatta and we will be eager competition. Won't you consider this an invitation to join us?

Traveling seagoers attended regattas all over and even came home with some fine prizes. Bob Zaiser and Bob Adams attended the Kentucky Lake Regatta and Bob Adams won the overall race and with it for the first time that a Lightning has ever won it the Watkins Club Regatta. Bob Adams also was second in District Regatta at Port Clinton, and third in the Red Flannels Regatta in Chicago which was attended by himself, Bob Zaiser and Howard S. Young, Jr. Also it should be noted that Bob Adams sailed in the Internationals in Detroit.

Shortly after the first of the year three of our Lightnings skippers loaded up their boats, Bob Zaiser, Tim Hanson and Jim McKinstry and Tom Hendrickson, and headed down Florida way. They spent 8 days sailing from Fort Myers to Everglade City, camping along the way. What a beautiful trip this was and they have the pictures to prove it.

On December 10th, we presented our trophies, elected officers for the coming year and battened down the 1959 hatches in earnest, and by meetings and get togethers we have said ahoy to the 1960 season—we can hardly wait—how about you?

"Home of Fleet 273" Massabesic Yacht Club, Anchorage, Manchester, N. H.

Lightning Fleet #273 did not have as good a sailing year as 1958. Most of it was due to inclement weather on our weekly sailing dates, also there seemed to be much activity among the families causing a disbursement of the groups on the weekends when the dates were held. However, we did have a very successful Massabesic Lightning regatta held in September 1959—three races with good winds except for the third when the race had to be shortened. As usual the first prizes went to our visiting Lightning skippers, however; 273 never gives up the fight and there will be a Massabesic Lightning regatta in September 1960.

Our new New England Commodore, Robert Stewart, is an active member of Fleet #273 and has completely refinished his Lightning and was a great competitor this year although he started the season late.

Lack of juvenile interest this year caused us to postpone our junior sailing program temporarily and we hope to re-activate the group in 1960 using the 8 foot prams which we built locally. Jim Richmond, sailing No. 6774, took his boat out with an inch of ice on the lake and spent all day chopping out and chopping in and our District Commodore has some snapshots which might prove interesting to the District Meetings when they are held.

Fleet #273 is looking forward to more activity in 1960.

1959 was a busy and successful year for Fleet 274. We gained two new Nickels & Holman boats owned by Dick Lightman and Carson Pelagrin. But we were very sorry to see John Newcomb transferred to Boston in the middle of the sailing season.

Having joined the Delta Sailing Club of Memphis, we had a full season of organized racing, beginning in March and ending with November. We spent the summer months sailing on Arkabutla Lake which is 35 miles south of Memphis, in Mississippi. While in early spring and fall we sail on McKellar Lake. It is practically in downtown Memphis.

Each year in May we are happy to welcome Lightning skippers to the Cotton Carnival Regatta. Though the setting isn't pretty, the competition is hot and a good time is had by all, with Gene Walet as winner. We nejoyed two trips to Kentucky Lake and one to Old Hickory Lake in Nashville. And we hope to send good representation to St. Petersburg.

By next summer the Delta Sailing Club hopes to have our own improved facilities at Arkabutla Lake. With a private launching ramp, dock and maybe a small clubhouse, we hope to swell the ranks of #274 during the coming year.

Fleet 279 enjoyed a busy year starting in mid-winter with monthly meeting featuring sailing tactics and the usual sailors discussions.

Five new boats were added to the Fleet, making a total of 15 Lightnings.

*Lou Walsh, in Bonbo, Fleet Champion of Thunder Bay Yacht Club second consecutive year.*

A full and varied sailing season was enjoyed at Loon Amythest and Clearwater Bay. Our 1959 season's activities centered around a 9 race schedule. Built into the 6 scheduled point races held at Loon were extra trophy races. Winners were L. Walsh and R. McCranor.

For the second straight year, Lou Walsh in Bonbo, with his wife Audrey and Don Murrell as crew, captured top honors with a high score for total points of 146<sup>3</sup>/<sub>4</sub>. Runner-up with a score of 142<sup>1</sup>/<sub>2</sub> was Dr. Burnford.

Mid-way through the summer, 8 of the Fleet, trailered over highways under "destruction" to Clearwater Bay, on the Lake of the Woods for their annual Regatta. Though winds refused to co-operate, the hospitality of Fleet #277 could not be surpassed. Lakehead boats made a good showing with R. McCranor and Dr. Burnford taking home trophies.

G. Goodall, a new Lightning Skipper, outwitted the old pros to capture the time honored Crystal Beach Trophy, while Bill Tamblin took the Auld and McCranor and Dr. Burnford taking home trophies.

In conclusion Fleet #279 sends its best regards to all fellow Lightning sailors, and the best of luck for a pleasant 1960 season.

The summer of 1959 was the fourth season of Fleet #281 which shows an increase, with the addition of boat #6740 "Miaoulis" owned by Dr. O. Meyer. We now have six boats. The fleet took part in different races of the Yacht Club of Lucerne, such as Club Championship, Sailing Week of Lucerne and Race for the Crystal Cup. Unfortunately, only one boat participated in the District Championship which was held at Auvernier, Lake of Neuchatel. It was boat #6377 "Kon Tiki", W. Wenger, K. Flachsmann and R. Peter. Boat #6740 "Miaoulis", Dr. O.

6389 "Dardo", Richard Peter.

Meyer, took part in the Club Championship of the Yacht Club of Sempach where two members of our Fleet also sailed as crewmen.

As usual, our members were very active in sailing trips. We would especially like to mention the nice week-end we spent at the "Harggis", a lovely and lonely spot in the bay of Gersau, and we hope to have some more of such funny trips again. But, of course, a bottle rum and a set of playing cards should not fail the next time! Skipper W. Wenger sailed 1400 miles and R. Peter 420 this season.

The year 1960 will bring a great event to our fleet and to the Yacht Club of Lucerne: The European Championships. It is the first time that this competition will be held at Lucerne. We all are expecting a big "marching up" of our friends in Finland, Greece, and Italy and hope that it will be a great success.

Lucerne is waiting for you!!!

Although the past season was somewhat marred by poor sailing weather, rain squalls or no wind, enthusiasm was good. We are looking forward to a better season, with even more boats, next year; especially since the Pacific Northwest events will be held in our area.

Drs. Manning and Merrit Barber were too busy professionally to make the regular series races, but we wish to express our appreciation for their efforts at our racing rules and tactics meetings last spring and for winning the Team Trophy from #229 Eugene. The Barber team also organized and initiated the "Barber

Series" which was a very successful event, especially the attractive Trophies hand-made by the Barber family.

Bill Parker not only sailed single handed 40 miles down river and back in squally nasty weather but trailed to the Puget Sound with a two week cruise with stout-hearted "Pat" his crew.

Our weekend fleet cruises have gotten started this past season with reasonable participation and show good promise for after season fun next year.

We hope to see all of West Coast "Lightnings" in "60".

6605	Betty Lu	Sigun Rasmussen & Dr. T. M. Durham, Jr.
6766	Overdraft	N. C. Withrow, Jr. & F. Gene Withrow

Flag Officers of L. O. Y. C. are Fred Dierks, Commodore, Cecil Gingerich, Vice-Commodore and Martin Eisele, Rear-Commodore, all sailors and Lightning skippers.

The Yacht Club held its first Invitational Lightning Regatta on June 13-14 consisting of three races in fair winds and fair weather. Souvenir trophies were presented to skipper and crew of each competing yacht and permanent trophies were awarded to the three top skippers. Top honors went to Bill Schwartz and his crew of Ken and Rainey Jones from Jayhawk Fleet #60. Cecil Gingerich took second place and Fred Dierks was third.

Beginning on May 24 and ending on July 19 a series of six weekly races was sailed with skippers alternating for the most part each week. The first series went to EQUANIL. SEA SHELL and VAMP finished in a true tie for second as runner-up, each with 20 points. SEA SHELL had three first places and VAMP's two firsts but each beat the other three times. In this series Dick Wootton, sailing his maiden race as skipper brought LITTLE DEARIE in to a first place.

The second series of seven races sailed on consecutive weekends, got under way on August 2 and was completed September 13. SEA SHELL won the series by running up a total of 30 points out of a possible 34. EQUANIL was runner-up with 25 points. This series saw Bob Gierow post a first place for SEA SHELL.

The Lady Skipper's crown went to Joan Wootton sailing LITTLE DEARIE. Carol Gingerich, defending champion, was runner-up in EQUANIL while Ann McDaniel skippered VAMP to third place.

Memorial Day, Fourth of July and Labor Day were set aside for special races, the winner of each of these events in 1959 to place in competition a perpetual trophy to be awarded each successive year to the winning skipper. Gaines Houston in LITTLE DEARIE took the Memorial Day race; Bud Gingerich sailing EQUANIL was the runner-up. Fred Dierks in SEA SHELL won the Fourth of July event and Jack Gingerich, brought EQUANIL in second for the runner-up position. In the Labor Day race Jack Kopf took over the tiller to show the fleet the way around the course in light, fluky air. Gaines Houston in LITTLE DEARIE was runner-up.

The Fleet Championship Series of three races was sailed September 19-20. Except for the first race over a shortened course in light, variable air on Saturday morning, 8-12 mile winds prevailed for the other two races sailed twice around a large triangle plus an additional windward leg. Going into the third and final race of the championship Dierks had a one point lead over both Landis and Gingerich with a two point lead over Houston. At the second weather mark Dierks was disqualified and at the finish

it was Houston over Gingerich by ten seconds resulting in a tie on points but with the championship going to Houston by virtue of finishing ahead of Gingerich in two of the three races.

Both LITTLE DEARIE and EQUANIL made the trip to St. Pete for the Winter Championship Regatta in February. They also sailed in the District Regatta on Lake Fort Gibson, Oklahoma in June where they placed second and third respectively. LITTLE DEARIE was the Fleet's representative at the Shreveport Y. C. Spring Regatta in May.

As anticipated, our program over the past two years has resulted in the development of crew members into competent Lightning skippers, all with good potential. We therefore expect our Fleet to grow in numbers as well as in proficiency. 1960 bids well to be a great year and the District Regatta to be held on Lake Ouachita next June should be a big factor in stimulating widespread interest in sailing, particularly in the Lightning Class.

About this time of year all good Lightning sailors curl up around the fireplace with their families, pleasantly and peacefully thinking of past and future seasons. No such peace for this wicked writer. After a hectic season of organizing races, sailing lessons, of committee work, of actual racing, of traveling abroad, etc., another season is starting before the other one has actually ended. This is the penalty for living in Greece and enjoying the cloudless sky of Attica. All year round racing and no frost-bite.

With our Crown Prince deeply infected by the sailing bug, what can we lesser mortals do but follow closely. Which is a very good thing for the sport.

His Highness, who has been winning races steadily, carried off the National Lightning Championship. This was held at the lovely island of Corfou, wherein lies the summer Royal Residence.

The fleet's championship was captured by George Andreadis. In this regatta we change boats around so that the champion does not owe his victory to a superior boat.

Andreas Sinopoulos of this fleet was elected District Commodore. Readers of previous reports will remember Andy's progress since he started his life in the LCA as General Nuisance. How he ever got rival fleet 251 to vote for him will remain as one of the major mysteries of history. Watch out LCA sailors, Andy will soon be president of the Class!

Results of races will be found in the Greek District report.

The Royal Hellenic Naval Academy (DOLPHIN FLEET), following the custom of the year, has organized a regatta between the Clubs in the Athens district. The Cup was given the name

"October 28th" on the occasion of the anniversary of the Greek Resistance against the Axis forces during the last World War.

The three races took place in Phaleron Bay on the 4th, 11th, and 18th of November under fair weather conditions. The first three winners among thirteen boats were in succession, the "ALBATROS" owned and skippered by Mr. Bonas (Sailing Club), the "EPHI" owned and skippered by Mr. Sinopoulos (R.Y.C.), and the "TRIAINA" owned and skippered by H.R.H. The Crownprince Constantine.

The prizes will be presented by H.R.H. The Crownprince in an official ceremony which usually takes place in the Royal Academy.

DOLPHIN Fleet also took part in the following races:

- A. **Organized by the R.Y.C.**  
 "AVGI" cup (1 race) on the 19th of April (The boat XIPHIAS came second).  
 "ELPIS" cup (5 races) 4th, 5th, 7th, 8th, and 9th of May.  
 "PRINCESS MARY" cup (3 races) 7th, 14th, and 21st of October.
- B. **Organized by the Sailing Club of Pireaus (IOP)**  
 "SARON" cup (3 races) April 26th, 10th and 17th of May. First winner the "TRIAINA" skippered by H.R.H. The Crownprince.  
 "SALAMIS" cup (5 races) 9th, 16th, 23rd, 30th of May and 6th of July. First winner H.R.H. The Crownprince skippering the boat "TRIAINA".  
 "ASTRAPI" cup (5 races) June 14th, 17th, 21st, 24th, and 28th. First winner H.R.H. The Crownprince skippering the "TRIAINA".  
 "OCHI" cup (5 races) October 28th, and Nov. 1st, 15th and 22nd. First winner H.R.H. The Crownprince skippering the "TRIAINA".
- C. **Races organized by the Olympic Club of Pireaus.**  
 "MANOUSKO" cup (3 races) on the 13th, 19th and 20th of September. First winner H.R.H. The Crownprince skippering the boat "TRIAINA".
- D. **Panhellenic race between all Clubs organized by the L. C. A. in Greece.**  
 5 races which took place between the 12th and 17th of August. First winner H.R.H. The Crownprince skippering the "TRIAINA".
- E. **Inter-European Regatta in ANZIO, Italy.**  
 The races took place between the 13th and 18th of September. The boat TRIAINA skippered by H.R.H. The Crownprince took the 5th place.
- F. **Team race between Athens (district) Clubs and U.S.S. Saratoga.**  
 There was only one race in which the boat "TRIAINA" skippered by H.R.H. The Crownprince came first.
- G. **"MORNING MADNESS" cup (1 race) between the beginners of all the Clubs.** First winner H.R.H. Princess SOPHIA skippering the boat "TRIAINA".

All of the above mentioned races took place in Phaleron Bay. The participation of more boats of the R. N. Academy between June and October was reduced since at that time most of the Cadets were at sea on a training trip abroad.

During the last two years we have noticed a reduction in our boats performances mostly due to normal wearing out. Eventually we are hoping to acquire some new boats. We hope, in the near future.

The weather conditions in Phaleron Bay, were exceptionally good during the year. As a matter of fact, very few postponements occurred and nobody got really wet.

Despite the coincidence of two "juniors" making the best showing in series competition from May through mid-September, our fleet is among the few on Long Island Sound whose skippers are largely in their "roaring forties". Thus although our participation in District and other outside events, dominated by juniors, was negligible, our weekly and sometimes bi-weekly fleet races were generally well attended, with no fewer than eight to twelve boats on an average to be counted, the competition was keen, close and comradely. In the season's series standing, the Cowan family, skipper Stuart "Jr.", "Paulie", and "Stu III" were an all-family crew whose consistent performance earned them top percentage points. In September, the first five skippers in series standing engaged in a round-robin of five races, which showed Grant Thompson the winner. "Salty" Symmers and George Brown, Jr., whose JIMLIN III was the boat with the most wins, tied for second and tossed for the consolation cup. In a post-reason "singlehanded race" between skippers, without benefit of crews or spinnakers, Grant Thompson was the winner in "Geisha", with Symmers second in "Cavalier" and Jim Fitter third in "Cabaret II". Mason Skiff, credited with carrying more dead-weight tonnage than any other skipper, was handicapped throughout this season of exasperatingly light breezes, but nevertheless a shifty Southeaster saw him home first in the Fourth of July Regatta.

In the Labor Day Regatta, George Brown, Jr. was the winner, Grant Thompson second, and Bill Burbank third. In all, the season was marked by an increased fleet membership and participation, a great deal of poor sailing weather, but much enthusiasm and never a race where the result was a foregone conclusion.

The Annual Fleet Championship was held on the 17th, 18th and the 31st of October and the 1st of November. Seven boats were included making the struggle very exciting and outstanding. The winner was the "BAGUAL" with skipper CARLOS MARCELO PUSTERLA, and crew Wenceslao Tejerina and Hector Martinez. Runner-Up was the "ALFIL" with MARIO LUIS SCARABINO, and crew, Fidel Castillo and Norman Riley. The final classification was the following:

"Rosario" Lightning Fleet—Sailing on Parana' River.

	Total Points	Final Standing
BAGUAL, C. M. Pusterla	24	1
ALFIL, M. L. Scarabino	22	2
LAMPO, E. Hallberg	21	3
HUAYNA, O. Miguel	18	4
BAMBI, J. Capdevila	12	5
TUYANGO, L. Rudoy	6	6
TOANA, C. Lavarello	3	7

We want to point out the preference we have in Rosario for the Lightning. Our river has a strong current and carries much water, with soft winds, and generally in the same direction as that of the stream.

The great number of these boats that can be seen on its waters clearly speak of the enthusiasm that exists among the Rosarinos for this kind of boat.

Huayna—The winner of Inauguration Trophy.

The Central States District Regatta was again held on our Fort Gibson Lake near Wagoner, Oklahoma on June 5-6-7, 1959, headquartering at Western Hills Lodge. W. E. Schwartz of Jayhawk Fleet #60 won the regatta which was sailed in light and variable airs. Gaines Houston and Cecil Gingerich of Lake Ouachita Yacht Club Fleet #284 came in second and third respectively.

1959 marked the firm establishment of our Fleet #293 with the purchase of a dock by three of its members. This venture was rather short lived, however, as in October rising flood waters coupled with a wind storm completely wrecked our facilities. As the season closed negotiations were underway to lease dock facilities for an enlarged fleet.

The Western Hills Annual Lightning trophy was won this year by Bill Schwartz of the Topeka Sailing Club. The race again this year was run concurrently with the Central States District regatta.

We welcome Lee and Mary Alice Bentley from Skaneateles Country Club Fleet #1, Skaneateles, New York. Their Lightning #180 will be racing with us this coming summer and we all look forward to showing them the delights of prairie sailing.

No change was made in the Fleet Officers this year. As the fleet is still "young and growing", it was decided better to wait until next year to elect new officers, as well as engage in inter-fleet competition.

"Fleet #294 Saugatuck at anchor"

Saugatuck boasts four additions to the racing fleet this season, but as we lost one former Lightning, the fleet now numbers 12. One more boat joined the Club roster near the end of the season, and is expected to race next year.

The major series of the season, the competition for the Atwood Trophy, was won by last year's Runner-up, Kathy Kindred, sailing in Passem. The entire summer was one of close competition, frequent upsets, and of a three way tie that lasted throughout most of the season. It was a series that any one race could change drastically. In the final standings, very few points separated the winning boats. The Runner-up was Skip Martens, in Phfft.

The Commodore's Cup Race, the other major race at Saugatuck, was a typical "dark horse" victory. Kit Dennison came up from a very disappointing season to win the Cup from the Fleet champions. Skip Martens was again Runner-up in a series of three races sailed in light, tricky winds.

### RICHMOND COUNTY YACHT CLUB (295)

#### Metropolitan District

#### Sailing on New York Lower Bay and Raritan Bay out of Great Kills, Staten Island, New York

Fleet Captain.....Ed Olson  
 Fleet Secretary.....Grace Hammond  
 Fleet Champion.....Bob Patterson, Jack Hearn with Ballerina  
 Runner-Up.....Mark Milnes with Kool Kat

Boat No.	Boat Name	Skipper
576	Dunker	Ed Olson
897	Cotton Maid	Fred Dickson
2230	Ballerina	John Hearn
3602	Sweet Lelani	Frank Hammond
5762	Kool Kat	Mark Milnes

The 1959 season proved to be our best yet. We had generally good weather with only one postponement of our scheduled races because of "too much wind!"

Mark Milnes and his crew (Kathy Milnes, age 10 and Mark, Jr. age 12) were a great addition to our fleet this year. The "Kool Kat" and its well drilled crew proved to be terrific and threatened to walk away with all the trophies. The competition between the Ballerina, skippered by Bob Patterson, and Mark was especially keen and at the final race they were even-Stephen. Mark had a good lead but ran into trouble after the first buoy when the spinnaker line fouled at the top of his mast and the trophy was taken by Bob and the Ballerina. This gave the Milnes family second place for the season and F. Hammond in Sweet Lelani with his all girl crew copped third place.

Ed Olson former fleet champion for two years had bad luck this year. So did Fred Dickson with Cotton Maid. Both suffered serious mishaps which kept them out of enough races to put them out of the running for any cups but they raced whenever possible.

Fleet 295 was honored to be host to the Metropolitan Districts for 1959. The weather proved perfect although the air was very light for the first and last races. The second race was more our kind of air at R.C.Y.C. Our club boats didn't stand a chance against our visitors but they were in there trying. In the second race when the wind really started blowing the Kool Kat and Sweet Lelani started moving up but it was a little too late. Sweet Lelani did come in first in the Districts as far as our fleet boats were concerned but none of us were up there with the winners of the Districts. It was really a pleasure having the Districts at our Club and our visitors all said they had a terrific time, both with our excellent sailing conditions and the various social activities which were held.

Our fleet also participated in the Raritan Bay Association races. We traveled to the various clubs on the bay—under sail—for the four weekend series. Mark Milnes won this series hands down and will be presented with his trophy on February 23rd at the annual Dinner Dance. Frank Hammond took second place and the Ballerina was third.

All in all we had a wonderful year. We still voted to WET SAIL. Ours are all "Family" boats and although R.C.Y.C. has a good hoist etc., our boats are really used for day sailing besides racing.

We are looking forward to 1960. Fred Dickson is the new Fleet Captain and we already have three new boats added to our fleet for next year.

The opportunity to travel and race LIGHTNINGS in so many different areas is the greatest asset of the Class. Fleet #260.

Odd Winds Fleet more than doubled in size in the 1959 season. At the time of this writing there are six prospective purchasers of additional boats, so we believe we will have the largest fleet in our division in 1960.

Our official season began late in June; however, some of the boats sailed in pre-season invitational regattas.

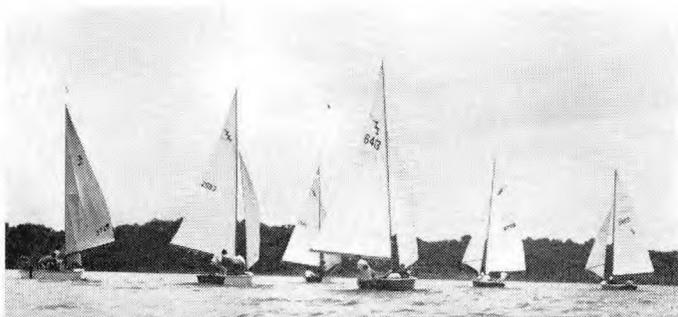

The following: Dart, Cambrom, Hall-Taylor, were at Lake Fort Gibson for the regional regatta. Although the members of the fleet attending did not place as well as they would have desired, a drifting good time was had by all.

During our regular season, scheduled races were held for 19 consecutive Sundays on Wyandotte Lake in Wyandotte County, Kansas. The race series were split in two. The first eight being considered the warm-up series and not the official series. Vardeman won these handily. In the last series of eleven, Vardeman again was in front by a substantial margin with Hall-Taylor being second, Norquist third, Cambrom fourth and Dalman fifth with only five points separating second from fifth.

A revolving trophy was presented to the winner at a gala banquet late in November and so the season closed.

It is intended that the fleet will move to Lake Jacomo, Jackson County, Missouri, for the 1960 season.

Planning for the season will be done in a series of monthly meetings starting in January.

7160	Delfin	Leo Wewar
7161	Flamingo	Leif Moller
7162	Calypso	Marti Katajamaki

Our fleet has added four new boats and because of that, the season has been very busy. For that reason the Finland District asked our fleet to arrange the District Championships.

The boats of our fleet placed well in the hard races. Leif Moller's new "Flamingo" #7161, won one heat and in the points "Hula" #7159, E. Anttila skippering, finished fourth, "Flamingo" fifth and "Pluto" ninth.

"Tiwa," Joel Pulkkinen, won the Pietarsaari Yacht Club Annual Regatta, with "Pluto" second, "Albatross" third, and "Flamingo" fourth.

We are getting some new boats for next summer and several of our skippers are waiting for the next District Championships already and when the enthusiasm continues, everything is well in our fleet.

### KOTKA FLEET (298) Finland District

Last Spring our fleet added one new boat, No. 6837, which was built during the winter, and it has increased activity in the fleet.

Our season's races began with the first race of the Thursday Series Cup on the 4th of June. The next Thursday races were held on the 11th of June and the 13th of August with three boats participating. On June 7th we held our Spring Race and June 13th was our Sea Race which is 30 sea miles, open sea course. One of our fleet's boats, No. 6837 Suit-Sait, participated in the Eastern Finland's Regatta in Loviisa June 26th-28th. On August 16th our fleet visited in Hamina where the Hamina Yacht Club (HPS) held an open race. Our Autumn Race, which was the last race of the summer, was held on August 30th.

In autumn Matti Koskunen sold his boat, No. 4132 "Kajava", so that Kotka Fleet has only three boats again.

### LOVIISA FLEET (299) Finland District

Fleet Captain.....Veikko Larmia  
Fleet Secretary.....Ilmari Elo  
Fleet Champion.....Raimo R. Nordstrom  
Runner-Up.....Veikko Larmia

Boat No.	Boat Name	Skipper

6831	Riita	K. Blomster
6832	Sea-Hawk	B. Nyberg
6833	Sill-da Capo	V. R. Nordstrom
6838	Katrina	R. R. Nordstrom

The activity of the Fleet has been good in spite of the fact that one boat has been sold, and most of the boats are old ones and therefore racing only in home waters. The top boats have showed a very good trim and represented the Fleet better than ever. This is proved by the fact that the three first boats in the Finnish Championship races were from Loviisa. The winner was Raimo R. Nordstrom with maximum of points, runner-up was Veikko Larmia (for the second time) and third, Pennnti Helpio. Raimo took part also in the European Championships in Italy with his own boat and crew, and finished sixth.

Raimo R. Nordstrom also won the Fleet Championship with two very clear victories. One race could not be sailed as the wind

died out, and the time did not allow a new start.

The representatives of the Fleet also took part in the Regatta of Helsinki and won several first places. In the home waters the Fleet had five sailings about so called "Tuesday Cup", and also participated in the Regatta of Eastern Finland.

1959, our second year as Lightning Fleet #300, was a very active racing season at Woodmere Bay Yacht Club. The keen competitive spirit was especially evidenced by the intense interest in the racing rules and the attendant protests following each race. Why, we even protested the race committee's timing of one race and had the race set aside.

The season was divided into 4 initial intra-club races and 6 final inter-club races, the latter being held mostly with our neighboring Fleet #58 based at the Hewlett Point Yacht Club. Earl Marvin again easily dominated the fleet this season with a total of 92.7 points. Second spot was fought for by Max Beyer 81.6 points, Herb Walker 80.2 points and Ed Durbin 72.7 points. Ed Durbin had the bad luck to tangle masts with Sam Sternberg while on opposite tacks and thus scutle his chances for runner-up.

Earl Marvin's Flamingo and Joe Saul's Hi Life went to the Districts at Babylon. Flamingo got a fifth for the series against keen competition with Herb Walker and Len Meiselas again pooling their interests to crew on the Flamingo.

1960 is expected to be an extremely active one with a full program of racing including some nightmarish novelties that the race committee is brewing. Tell you more next year.

6459	Duchess	R. G. Sidle

This was Fleet 301's second season and racing interest increased tremendously, over last year. Skippers have trained crews, we are better tacticians than we were, competition is keen and enthusiasm runs high. We still have much to learn and work to do to increase our fleet. This fall we lost one of our finest members, Wendell Floyd, an enthusiastic sailor and past officer of the Mallets Bay Boat Club died. His death is a great loss to our fleet, our club and to the many civic groups to which he gave his time.

Several boats, which were started last winter, are being completed this winter. We hope to interest new members from the owners of these boats as well as from a group of "boatless" sailors who appear to be interested.

This year the Shelburne Shipyard Trophy was won by F. Hewitt in a three race series. Second place was won by R. G. Sidle. The Annual Mallets Bay Boat Club Race Week series was won by R. G. Sidle with F. Hewitt runner-up. Our ten race summer series was won by R. G. Sidle with Francis Hewitt runner-up.

We are happy to welcome a November transfer to our fleet from Fleet 273. Lansing Mallett who was fleet secretary for 273

brings with him his years of experience as a skipper as well as his experience in fleet organization. We intend to put him to work.

The second season of our existence as Fleet #303 was a very success one.

To begin with, the Cowan Lake Sailing Ass'n scheduled an additional series of races, so that we had a Spring, Summer and Fall Series. With our Lightning Fleet increased to 19 boats on the lake, we were one of the top fleets.

The usual Memorial Day, Fourth of July and Labor Day races were held, too.

In addition, the Tri-Lake Regatta was held on Cowan Lake

this year. There was a sizeable Lightning Fleet, with some of the visiting boats from as far as Cleveland. Nevertheless, our home Fleet boys came out on top —Ted Stirgwolt being the winner, and Charlie Beedle second in the Lightning Class.

Another special racing series was the annual Cowan Lake Powder Puff Regatta, and our own Betty Beedle won the race in the Lightnings.

Participation by our members was good in regattas away from home waters, too. Frank Pfefferle sailed in the Hoosierland Regatta at Indianapolis in July. Pfefferle, Barnes and Stirgwolt took their boats to the Districts this year, and Doc Barnes qualified for the President's Series. The same three boats participated in the Snowball Regatta on Buckeye Lake in the fall.

With Fleet enthusiasm continuing to grow, next year promises to be better than ever.

1959 was a very active and memorable season with the best possible weather conditions for sailing—a real sailor's wonder summer.

The main event was the "Oulu" Regatta 1959" on July 24th, 25th and 26th. All of our boats participated in this event which was won by Kikka, Markku Paloma, 24th and 25th. Pohjantahti, Harry Hammar was the winner on the 26th and he won the "Unica-Record" Cup.

Kikka participated in the official Finnish Championship race in Kakkola on 3.7-2.8 and took the 7th place in this his first race. Kikka proved to be a fine boat with Captain and crew of the best sort. This will surely encourage future efforts.

An honor miniature model of "Swan of Finland" was awarded to Markku and Yrjo Paloma by the Oulu Yacht Club.

In the Evening races on the 12th and 13th of August, the "Electric Cup II" was won by Kikka.

In addition Ramona, Osmo Inkala participated in the Oulu Seagoers races. Kikka and Pohjantahti participated in long distance, junior, boatswains and Autumn races at Oulu Yachting Club.

Captain of the Fleet, Nils Hammar and the skipper of Pohjantahti, Harry Hammar visited Anzion, the place of European Championship Races in Italy, last summer and admired its beautiful harbor and locations.

Our Fleet is looking forward to an enlarged fleet and increasing interest for sailing next year.

In the summer of 1959, our fleet added two new boats and participated in several races. Arvo Heikkila, with "Kousa" #5542, won the race of Teras Co., field-glass. He has won it twice now, so if he wins it again next year, it will be his own.

Aaro Heikkila and his boat "Meritahti" #7173, won the Raahen Regatta and the Annual Race. The Sailors Cup went to Aaro Heikkila's son, Jorma, who sailed with his father's boat. Aaro Heikkila also won the Lightning Cup. Aaro Heikkila with "Kousa" #5542, won the Raahen Porvari Place. The Activity Cup, for which the points from all the races during the summer are counted, went to Aaro Heikkila.

Owing to this year's early and beautiful spring, the sailing season began in the beginning of June for our fleet. Our first races were held on June 16th but there were only two Lightnings ready to compete. The winner was "Lokki" #4326 with "Marjaana" #4325, second.

When all the boats had new coats of paint and were ready to sail, the fleet began to hold skipper's races, where boats were drawn by lot. There were five races held in the evenings. The winner was Pentti Lehto with Lars Hansen, runner-up.

Next our fleet held their "crew races". These were also held in the evenings. There were two starts, with Esko Hukka, as the winner.

Kemi Fleet (310) in "starting fever", behind is the clubhouse of Kemi Sailing Club."

All the boats of the Kemi Yacht Club participated in the "Selkasaari-round-race" on July 16th in a quite hard SW wind. The first three boats to the finish line were Lightnings. First, "Irene" #4328, second "Rose-Marie II" #5062, third "Looki" #4326. Then followed the bigger racing boats of the Yacht Club—"the sharks". "Looki" broke her rudder in the race, but her skipper, Heikki Ulen brought her to third place in the finish line with an oar.

Our last races of summer were held on September 6th. The winner was "Irene" with "Leena" #4012 second and "Rose-Marie II" third.

Dunkirk Yacht Club's Lightning Fleet started the season with a bang, the bang from a Winchester 10 gauge cannon. At the Lake Erie District meeting at the Buffalo Canoe Club in April, our fleet was presented with this cannon, as a continuing memento of the old fleet 258. Dick Carrel of the infamous "Black Maria" made the presentation speech.

Now the big job was to set up race committees and schedules; make turning buoys, starting flags, and much discussion on how to set up a triangular course of a goodly length, with a reach, run and beat. In all this the sailors had the full cooperation of the Yacht Club, under Commodore Bernie Richelt.

We managed to hold our first race on July 12, with the starting buoys off the lighthouse on Point Gratiot. In total, nice races were held, with three out of four boats in every race.

Point standings were as follows:

	July Series	August Series	September Series
1823	5.25	2.00	7.25
1910	6.50	6.25	11.50
2801	1.00	4.25	2.00
3574	5.00	1.00	2.25

If anyone thinks conducting a sailboat race is a picnic, our committee is willing to say that it isn't. There was the race where only one boat could find the windward buoy. Those on the committee boat were wondering what those boats were doing out there, especially because the committee could see the buoy all the time!

Most of the courses were twice around a 3 plus mile triangle, which the Lightnings were able to negotiate in about two hours.

Then there was the day the race didn't start until 4 p.m. because the original committee boat developed motor trouble, and returned without setting a buoy. By the time we had located another power boat, and set up the race, it was that late.

Our most faithful committee and boat "Zolet II", owned by Lester Graf, and aided by Jux Weinberg were a great help in getting the racing off the ground. Dave Ballotin's "Miss Sugah" was always ready to help too; and on occasion we needed Lester

Gloff's "Echo" as committee boat. Our fleet's thanks go to all. We hope for an even more successful season in 1960.

**JOLLY ROGER SAILING CLUB (313)**  
Ohio-Indiana District

Sailing on Ottawa River, Toledo, Ohio

Fleet Captain..... John H. Beddoes  
Fleet Secretary..... C. Patrick McCafferty  
Fleet Champion..... William (Bill) A. Beckham

Boat No.	Boat Name	Skipper
1651	Gayle	Glen W. Green
1658	Marcia B.	John H. Beddoes
1661	.....	Lawrence A. Haigh
1742	Sea Pat	C. Patrick McCafferty
1815	Ballerina	Virge Secrest
3765	Pot of Gold	William A. Beckham

Fleet 313 located at the Jolly Roger Sailing Club, 5961 Edgewater Drive on the Ottawa River in Toledo, Ohio, Ohio started the 1959 season with the regular Thursday evening regatta on June 11, 1959. The Thursday evening regatta consists of a series of 16 races sailed on consecutive Thursdays, weather permitting. Race standings are figured on the best 13 of the 16 races. The winner was Bill Beckham, with Virge Secrest running him a close second and breathing hard on his back was Glen Green. There was also a special annual race series sailed over the Labor Day weekend which consisted of a 9½ mile race out and around Turtle Island in Maumee Bay and two triangular races on Sunday in the Ottawa River. The winner was again Bill Beckham closely followed by Pat McCafferty in all three races. Third and fourth places in the series went to John Beddoes and Larry Haigh.

Fleet standings for the season figuring the Thursday series, the Associated Yacht Clubs of Toledo races on Sat. and Sundays and for the Cattail series (Labor Day weekend) were as follows: 1st Bill Beckham, 2nd Virge Secrest, 3rd Glen Green, 4th Pat McCafferty, 5th John Beddoes and 6th Larry Haigh.

The Lightning Fleet will be well represented in the activities of the Jolly Roger Sailing Club in 1960 as they elected to serve as their officers for 1960, Glen W. Green, Commodore and C. Patrick McCafferty, Vice-Commodore.

This was our first year associated with the LCA as a fleet and we have greatly enjoyed our association and are looking forward to 1960 for increased membership and greater activities. Officers of the fleet were re-elected to serve in 1960.

The very best of good luck and good sailing from the members of fleet 313.

**SASSAFRAS RIVER FLEET (314)**  
Dixie District

Based on Sassafras River, Md.

Fleet Captain..... R. Duke Miller  
Fleet Secretary..... J. Ellis Voss  
Fleet Champion..... "Doc" Walbert

Boat No.	Boat Name	Skipper
89	.....	Kromer Pearson
545	.....	Raymond Duke Miller
2453	.....	J. Ellis Voss
2737	.....	W. L. "Doc" Walbert
6160	.....	Bing Bortel

The season started early in June on the Sassafras and continued until late in September. What we lacked in numbers, we made up for in enthusiasm. The season was divided into two parts with 20 races of varying length from 1½ to 9 miles. Each part had 20 races.

While all members of the fleet competed, the records of "Doc" Walbert and Duke Miller ran "nip and tuck" through the whole period. Duke won the award for the first half, but "Doc's" record for the whole season put him in first place by a fair

margin.

We are planning an increase in membership for next year and hope to have at least as much pleasure out of our races as we did last year.

**BURLINGTON LIGHTNING FLEET (315)**  
Lake Erie District

Sailing on Burlington Bay, Burlington, Ont., Canada

Fleet Captain..... Alec Hache  
Fleet Secretary..... Tom Robertson  
Fleet Champion..... Doug Budd  
Runner-Up..... Alec Hache

Boat No.	Boat Name	Skipper
85	Fire Fly	K. Hill
471	Akila	D. Budd
3482	Bobcat II	A. Hache
3548	Tempest	T. Robertson
6851	Baleno	W. Lightfoot

A very successful sailing season has passed with no loss of boats and a net gain of two, plus the fact that this year we have become a fleet.

This past year has seen D. Budd, ex-keel boatman, become owner of Lightning #471 and fleet champion with 1st place in our 2 Sunday series and 2nd in the Wednesday night series. No doubt these Sunday wins are due to his pious upbringing. Al Hache as runner-up with 2nd's in the Sunday series and a 1st in the Wednesday night series will no doubt seek spiritual guidance next season and try for a Sunday win. K. Hill with #85 has shown that he can make it move and with a steady crew will be close contention next season.

This has been a year of heavy winds. At the club regatta it was no exception, with only 4 finishers of a fleet of 10 with 2 visitors capsizing. Most owners are now talking about installing bailers for next season.

Interest in the Lightning Class around our club has been mounting and with new prospective owners in the future, watch us expand.

**LA SPEZIA FLEET (321)**  
Italian District

Fleet Captain..... Renato Biavasco Capt.

Fleet 321 applied for the fleet charter to the Association and began activities during the last months of 1959.

Many races were held with 6 boats from the fleet and some boats of Marivela Fleet entered.

Golfo La Spezia Fleet is affiliated with Circolo Velico La Spezia whose sailing activity has been well known on the Italian racing ground for 25 years.

Final Standings in the last race of the season were:

- 1st—Baleno—Paglianti
- 2nd—Sakr el Bahr—Del Santo
- 3rd—Zenish—Cintoi
- 4th—Miltuway—Simmovigo
- 5th—Azimuth—J. A. Peer
- 6th—Nadir—Viavasco

La Spezia Fleet 321, Italian District.

It has been a pleasure to read your reports. I wish more of you would report. Sincerely, Your editor 'Doc' Arnold.

# Lightning Owners and Association Members

(Corrected to January 1, 1960)

Lightning members are indicated by the letter "L" and Associate members by the letter "A". Active members are not specifically designated. Where a boat number is not shown, following the name of an Active member, it should be understood that a boat is on order but has not been delivered. Fleet affiliation is indicated by number in parenthesis following name. Where there is no Fleet Affiliation the name will be followed by (U).

# Registry of Lightning Owners

(Corrected to January 1, 1959)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated.

Where boat number is followed by an asterisk (\*), it means that there is an approved measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.

## THE EDITOR'S PAGE

To our ADVERTISERS:

We feel that in a large degree this book is yours; we truly appreciate your interest in our Class, and the financial support you have given us in years past, and especially this year. We would like to feel that our pride in The Lightning Class Association and its success is shared by you, our advertisers, because you have helped to make it so.

We trust that many Lightning Class Association members will be your good customers and make 1960 a very successful year.

L.C.A. Membership

Dear Fellow Members:

This is your L.C.A. 1960 Year Book. The thought and preparation that goes into putting it together is considerable and painstaking. Anyone wishing a real understanding of The Lightning Class need only to ask to be Editor and I'm sure he would get the job.

We tried this year to shorten the fleet reports and use more articles and pictures of general interest.

I wish to express my appreciation to all the District and Fleet secretaries for their cooperation in getting their material to me on time.

Without the understanding help of Margaret Teske, her secretary June Satkey, your year book could not be possible. Lou Madden and his staff deserve recognition for all their patience and professional help.

My thanks to "Chuck" Buck, last year's editor, for all his unselfish help and words of wisdom, and to my secretary, Mrs. Harold Morrow for many hours at the typewriter.

One suggestion to the Southern Circuit; if Savannah and Miami could be held before the St. Pete's date, not later than the 3rd week in February, it would be easier to meet our April 1st "Dead Line."

Now I can return to my family (and Wyatt Earp) and "re-live" your many interesting experiences I have set forth in the L.C.A. Year Book.

Sincerely,

"Doc" Arnold, Editor

*Herm Nickels, 1959 International Champion of the Lightning Class*

## THERE IS A REASON!

As the choice of the best sailors in the world, Murphy & Nye Sails have a habit of showing up on the winning boats.

Why? Because a winning sailor knows his sails . . . how to set them, how to trim them and where to buy them.

Let the sailmaker of the winners be your sailmaker.
