### **DEDICATION**

Thirty years ago, the Buffalo Canoe Club hosted the sixth International Lightning Championship — the first for the Canoe Club. Since that time, at nearly regular intervals, the B.C.C. has hosted the Internationals, which became the North Americans, on a total of eight occasions — that's over twenty-five percent of the national events since 1944. There are two reasons that the Class keeps returning. First, we have such a great time while we are there that most of us can't wait to return; and second, the enthusiasm of the Canoe Club members for hosting the Class is such that they propel us back by the seat of the pants.

This past year saw another first for the Canoe Club: the World Championship. Everyone knew the event would be well run, and it turned out even better than anyone had even imagined. It is safe to say that no club has ever run a regatta with broader support of its membership. The members of the Club welcomed us everywhere we turned, and saw to our every need. Most important, the races were superbly managed. Special mention should be made of the generosity of the many sponsors who provided the funds that made the event possible. Other clubs may do as well in the future, but they will never surpass the 1973 World Championship.

Another, equally important way in which the Buffalo Canoe Club has served the Class over the years, is through its nurture of an environment in which many of the top sailors in the Class have developed. In addition to the North American and World Champions who have come from the Canoe Club, there have been innumerable other fine Lightning sailors who, while they never did win (or have not yet won) a major title, have contributed greatly to enhancing the breadth and depth of competition in the Class. With one of the largest Lightning fleets, in combination with their vigorous tradition of sailing competition, the Buffalo Canoe Club is in no small degree responsible for the fact that the Lightning Class has more top notch, first class sailors than any other class in the world.

In gratitude, this Year Book is dedicated to all members of the Buffalo Canoe Club, past and present, for their enthusiastic commitment to sailing, and for their particular friendship, loyalty, and service to the Lightning Class. May our long relationship continue to flourish.

### THE PRESIDENT'S MESSAGE

As the Lightning Class enters its 35th year, we find ourselves faced with many new challenges. Although our background has been one of strength and endurance, spurred on by many dedicated and talented people we find many obstacles influencing our progress. The future growth and stability of our class both this year and in years to come will depend heavily on each individual member. How well you dedicate yourself as a member of a fleet and district will have a great influence on how much the International organization can in turn grow. Our predecessors at all levels have worked extremely hard to mold a fine organization. If we are to carry on this fine tradition and standing, we must be willing to work hard and help promote the Lightning. The seventh world championship at the Buffalo Canoe Club this past August offered not only fine competition but generated a true feeling of comradeship and understanding to people of all nations. Let us enter the new sailing season by striving to strengthen and broaden our sphere of influence within the entire sailing community.

The 1974 yearbook comes to you after many hours of hard work by our Editorial Staff headed by Dave Ruiter, Editor, John Nixon, Helen Limbaugh, and her staff. Many thanks from all of us.

It is an honor and a challenge to serve you as class President.

Thank you for the opportunity and good sailing.

INTERNATIONAL LIGHTNING CLASS ASSOCIATION

### Officers of the International Lightning Class Association

PRESIDENT - Charles N. Howe

Charlie has been associated with the Lightning Class since 1958. He has served as Secretary and Comhas served as Secretary and Commodore of the Central Atlantic District, Chairman of the International Race Committee, and last year as Secretary-Treasurer of the Class.

In addition to his Lightning activities he is Vice Commodore and a member of the Beard of Director of the

ber of the Board of Directors of the Surf City Yacht Club. Charlie is Op-erations Manager for Greenpoint Terminal Warehouse, Newark and Jersey City. Wife Marcia Jo.

CHIEF MEASURER & VICE PRESIDENT-Robert K. Smither

Bob's Lightning career began in 1942 when he raced his father's Lightning "Thermis Twice" in the junior program at the Buffalo Canoe Club. He spent much of his youth racing in this hot bed of Lightning sailors on Abino Bay.

Bob graduated from the University of Buffalo in 1951 with a B.A. in Physics and Mathematics. He went on to graduate school at Yale University in New Haven, Conn. where he re-ceived his Ph.D in Physics in 1956. Bob is presently working as a nuclear physicist at the Argonne National Laboratory, located 20 miles southwest of Chicago. His work concerns basic research in the field of nuclear structure.

Bob has been a Vice-President and Assistant Measurer for the class. He races his light blue Lightning (#10930) called Fission at the Chicago Corinthian Yacht Club. Bob lives in Hinsdale, Illinois with his wife Louise their three children, Cathy, Jim and John, and a large dog (golden retriever) called Max.

TREASURER - Robert R. Adams

Bob has raced Lightnings since 1949, having competed in 19 of the last 22 North American Champion-

ship Regattas, and in two World Championships. With his wife Tay as crew, they have finished in the top 10 in the NA's for the last three

years.

Bob was graduated from Princeton University in 1957 and Wharton Graduate School in 1961, after a hitch in the Army. He is currently Executive Vice-President of Roselon Industries, Inc., a publicly held manufacturer of synthetic textured

In the past, he has served as C.A.D. Commodore, ILCA Vice-President and for the last two years, as Chairman of the International Race

Committee.

The Adams have three daughters: Jenny, Bonnie and Chris, and of course, "Envy" their green Lightning (#11908).

### THE 1973 WORLD CHAMPIONSHIP

by Pat Elfman and Nancy Ruiter

Start of the first race.

Bruce Byers, Courier Express

With a beautiful series, Bruce Goldsmith won the World Championship for the second time, having won it previously in 1969 in Argentina. The fleet this year was probably the strongest ever assembled for a World Championship. The series had a little bit of every kind of air except for a super heavy blow. In addition, we were blessed with Al Bernel and his superb committee, probably the best race chairman and committee that ever ran a Lightning regatta. Using two race committee boats, Burgee IV and Burgee V, equipped with exceptional navigational gear, the race committee provided the sailors with perfect courses, impeccable starting lines, and on-time races — wind permitting. Sailors representing eight countries, Argentina, Brazil, United States, Peru, Canada, Ecuador, Columbia and Finland, competed.

It looked as though it would be a windy series as everyone sailed out to the practice races on Saturday, August 11. As the fleet made its first trip around the course, boats began dropping out due to numerous breakdowns. Of 31 boats that reached the first weather mark, only ten finished in the first race. The other boats either had a breakdown or decided to keep their boats in one piece until it really counted. The race was won by Bill Shore, followed by Tom Allen. The second practice race, with only 5 boats starting, saw Dick Hallagan prove his tenacity by fighting the elements and finishing. There

was no second.

The first race on Sunday, August 12, was postponed an hour to allow the wind to come up, which it finally did out of the southwest. The race committee chose the Olympic course as planned, and after one general recall, the race was finally started at 11:55 a.m. As it turned out, the wind had not quite settled when the starting gun went off. Just before the start, there was a substantial shift toward the south, favoring the leeward end, and this resulted in Bill Cramer's now famous port-tack start which left the rest of the fleet groaning. However, Cramer's moment of glory was short lived as he continued across the fleet on port tack, expecting the wind to go back to the right. Surprisingly enough, the wind went further to the left, and those boats which had started at the pin end, and had been unable to tack to get over for the expected shift back to the right, found themselves sitting pretty as the wind kept going their way. Bob Seidelmann was one of those on the left side of the course, and at this point was moving better than anybody; he motored up the leg, and rounded the first mark with a very comfortable lead. Shore, Dave Ruiter, Jim Dressel and Goldsmith followed in that order in a bunch as John Teigland and Bill McKinley came around a little further behind. Downwind the first time, Seidelmann, Shore and Ruiter held their position, while Goldsmith picked up Dressel at the jibe.

Going back to weather, Seidelmann continued to open up his lead, Goldsmith picked up Ruiter and rounded the weather mark close on Shore's heels. Dressel rounded a close fifth. On the dead run, Ruiter went from fifth to just barely second followed by Dressel, Shore and Goldsmith in close succession. Teigland rounded sixth, as he had been all race followed by Allen who had come from ninth to seventh. The last time up, Goldsmith went from fifth to second playing very subtle shifts. Dressel held his third as Ruiter dropped back to fifth for most of the leg and finally finished fourth after a tacking duel with Shore near the finish. Teigland had dropped back to seventh by the end of this race, and Allen finished sixth. Seidelmann finished the race with a two minute lead over Goldsmith and went back to the club looking like the man to beat.

The second race again was postponed due to no air. When the wind finally did come up, it came again from the southwest at about 8 mph. With an equilateral course scheduled, the committee again chose the Olympic course to play it safe in case the newly arisen wind should shift during the race before it settled down. As it turned out, the wind was constant enough that moving the mark was

unnecessary.

Going up the first weather leg, it soon became evident that those boats which had gone out on port tack had really made out. The leader on the right side of the course as well as overall was Teigland, who was really flying in these conditions for the whole series. Following Teigland around the first mark was Goldsmith, then Francisco Medina, Jim Crane and Carlos Collet. First race winner, Bob Seidelmann, was in sixth followed by Jim Carson. Going downwind, positions stayed pretty much the same except that Crane and Collet picked up Medina at the jibe. Around the leeward mark, positions were just about the same as Seidelmann also passed Medina and moved into fifth. Going back to weather, Teigland continued to hang-on to first with Gold-smith close behind in second. Seidelmann passed Crane to move into third. Collet held-on to fifth as Bill Buckles came flying up from ninth to move into sixth. On the run, Buckles picked up Collet to move into fifth as everyone else held their position. Going to weather for the last time, the positions remained the same in the top six, with Teigland finishing first, Goldsmith second, Seidelmann third, Crane fourth, Buckles fifth, and Collet sixth. In seventh place was Allen, who had come from 17th at the first weather mark, moved into tenth at the last leeward mark, and had picked up three boats on the last leg.

The third race was held immediately following the finish of the second at about 4 p.m. This time the committee chose the equilateral course. Winds stayed southwest at about 8 mph, with slight, chop-

py seas.

The first weather leg bore some similarity to the first race of the series. Those boats which started at the pin end and worked out to the left right away were the ones that made out as the wind shifted to the south. Goldsmith was right there, and was really cranking, sailing noticeably higher and faster than anyone. As he chomped up to the weather mark with a nice lead, he was followed around it by Mc-

Kinley, Dressel, Ruiter, Teigland and Seidelmann, in that order. Going to leeward, Teigland moved into fourth and everyone else stayed the same. The next time to weather, as the wind began to die, Teigland moved into second by playing the shifts up the middle, which dropped McKinley to third and Dressel to fourth. Seidelmann and Allen both passed Ruiter to move into fifth and sixth respectively. There was a large gap before the main body of the fleet which was led by Buckles in eighth followed by Jay Hansen, Hallagan, Bob Adams and Gary Demarest. Believe it or not, except for transitory gains, of the first twelve boats around the weather mark the second time, not one gained or lost a place during the entire last lap. Thus, Goldsmith won with an immense lead of two minutes twenty seconds.

Going into the clubhouse at the end of three races with no throw-outs, Goldsmith held a four point lead over Seidelmann, who was only one point ahead of Teigland in third; Dressel was fourth, 10 points back. Allen was fifth, 4 points behind Dressel.

On Tuesday, the fourth race was begun in a zephyr, which died to a whisper as the leaders rounded the weather mark. Teigland was clearly ahead and increased his lead steadily as the fleet drifted to leeward. Regrettably for Teigland, since a number of leaders were badly tanked, the wind died altogether and the race was abandoned before he had even arrived at the leeward mark.

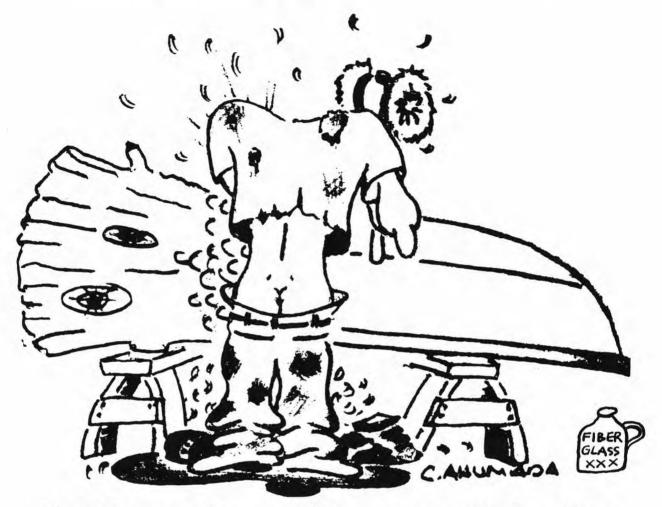

On Wednesday morning, the race committee tried again for race number four. This time it worked, as the wind was blowing about 10 mph at the start from the northeast. As the fleet went up the leg, the wind shifted substantially to the left (more northerly) which put Dressel first around the mark, Jack Elfman second, Buckles third, Adams fourth, Lou Pocharski fifth, Shore sixth, and Collet in seventh. Where's Seidelmann, Allen and Teigland? Teigland rounded 17th, Allen rounded 27th (egad!), and

Seidelmann (get this) rounded 37th!

The shift on the weather leg made for a very tight first reach, with winds picking-up and rather puffy. Most boats were unable to carry spinnaker for the whole leg, and either put it up right away and took it down before the jibe, or went high with the jib before hoisting. Dressel stayed in first followed by Elfman, as Adams picked up Buckles, and Shore picked up Pocharski. The next reach was very broad and was characterized by puffs coming up from behind bringing boats up on a plane while those ahead almost stood still. Nevertheless, Dressel was not to be overtaken. Elfman however, was caught by Adams; Buckles remained fourth and Shore fifth, with Carson sixth, having come from tenth at the first mark. Pocharski fell from sixth back to ninth. Going back to weather was a long port tack with short starboard work. It was one of those legs where you do not know whether you lose more by taking a hitch for clear air and overstanding, or by sailing in someone else's gas. Shore made out, coming from fifth to second, Adams fell back to fourth again, and Elfman remained in third. Buckles rounded the weather mark in fifth followed by Pocharski who was back up to sixth again.

The next reach was very tight again and a real

test of skill in close reaching with a chute. The first four boats held their position all the way around the last lap to the finish making Dressel the winner, Shore second, Elfman third, and Adams fourth. Pocharski and Crane picked up Buckles on the last weather leg and finished fifth and sixth respectively, leaving Buckles in seventh. Goldsmith finished eighth. At the finish, Teigland, who had been up as high as 12th at one point, finished 15th. Allen finished 12th, and Seidelmann finished 16th, having picked up 21 boats in the course of the race.

By the time of the fifth race on Wednesday afternoon, the wind had increased to about 15 mph, with gusts to 20. The seas were choppy and building, 2-3 feet. After a half-hour postponement and one recall, the race got underway at 3:10. The committee chose the Olympic course as scheduled. This also meant freer reaches which no one's crew was unhappy about. Half way up the first leg, it appeared that the left side of the course was again strongly favored; however, toward the end of the leg, the wind went back somewhat to the right and some of the boats in the middle who had not been looking so good, began to look much better. Seidelmann was the best from the middle and rounded the weather mark with a pretty good lead. Ruiter had been out to the left with Shore and Goldsmith, and just barely squeaked around second ahead of Robert Buckup, who had been in the middle. On the reach, Seidelmann and Ruiter picked up a good puff that came in ahead of the boats behind, and opened up a comfortable lead on the fleet. Crane came screaming up to the front of the pack from seventh at the weather mark. Cramer also passed Buckup on the first reach and jibed fourth behind Crane. After the jibe, positions stayed more or less the same to the leeward mark. At the weather mark, Seidelmann, Ruiter and Crane were followed by Shore (who had moved up from sixth), Buckup, Cramer and Allen. Goldsmith had moved up to eighth from tenth the first time around. Carson followed in ninth, having picked up Dressel (who rounded tenth) as well as two other boats.

On the dead run, the wind favored the starboard

tack slightly. The boats which put their chutes up on starboard tack and jibed to port at the end of the leg made out best. Dressel in this leg moved up from tenth to seventh. Shore stayed in fourth, Allen moved up to fifth, and Buckup fell back to tenth, having gone out on port first.

Up the last weather leg, Seidelmann, Ruiter, Crane, Shore and Allen held their positions, and finished in that order. Goldsmith knocked off two more boats, and finished sixth. One of these was Dressel, who was seventh. Carson came from ninth to eighth, picking up Cramer, who dropped from sixth back to ninth. Buckup finished tenth and Demarest 11th, having come from 28th at the first weather mark. This race hurt Teigland as he finished 14th for his second race in a row in the teens.

At this point, with a throw-out, Seidelmann is in first with Goldsmith one point behind and Dressel in third, five points out of first. Ruiter, Teigland and Allen are in a three-way tie for fourth with Crane one point behind them in seventh. Thus, it

Bob Seidelmann, Bill Clausen, and Karen Huntsman

looked as though the sixth race would make the difference, as anyone of the top three could conceivably win it, and the fourth place tie would have to be broken.

As it turned out, there was no sixth race. Thurs day morning dawned warm and sunny without a breath of air. After postponing until 12:35, the race committee finally decided to try starting it with very little air, using an Olympic course in case of a shift. The fleet got around the course once, and part-way back to weather when the time limit ran out. Had this race counted, it definitely would have shaken things up except Goldsmith would have won since he was far ahead in first when the race was called.

The final score was figured, with no throw-outs, putting Bruce Goldsmith in first by three points. Jim Dressel was runner-up and Bob Seidelmann third; Tom Allen was fourth, and John Teigland fifth. Without the throw-out, Jim Crane moved into sixth ahead of Dave Ruiter in seventh. Bill Shore was eighth, Bob Adams ninth and Bill Buckles tenth.

Congratulations to Bruce Goldsmith on a beautiful series. Whether the last race counted or not, he had the series locked up. Jim Dressel, again, almost did it in one of the Lightning Class' major championships; he is really due. Bob Seidelmann finished third with 10 points to spare counting a 16th, and is also to be commended. These three skippers sailed head and shoulders above anyone else at the regatta.

### A WEEK AT THE WORLD'S

by Nancy Dressel

When it comes to running a regatta, the people at the Buffalo Canoe Club have few equals, and never was this more evident than during the week of the VII World Lightning Championship. To host this event is an immense undertaking, and the Canoe Club put it all together with a style and grace that makes us all proud to have them a part of the Lightning family. Best of all, as a result of a substantial outlay of cash by the Club, and the additional sponsorship of the regatta by many individual Club members, the entire week was free (except for the normal entry fee) for all participants. And the Club saw to it that we were kept busy, all the time.

A World's Championship has a very special atmosphere, and it doesn't take long to get caught up in its excitement. Friday, as we arrived, it was wonderful to greet old friends and meet new ones, and most of the day was spent doing so. We did, of course, take a little time out to register, where we were greeted with smiling, welcoming faces, T-shirts for skipper and crew, and marvelous personalized kits complete with programs, dinner tickets, race instructions, and all the paraphernalia we would need to guide us through a wonderful week. We also spent a little time with Matt Bryant and his committee, getting everything measured-in, promptly and efficiently. In the evening we were guests at a get-acquainted cocktail party on the lawn at the club, which featured two bars (as did all those held at the club) and great hors d'oeuvres. In addition, we were royally entertained by a fine group of bagpipers in full Scottish attire. For dinner, we moved inside for a fish-fry.

Saturday, after practice races and general settling-in, the VII World Lightning Championship was officially opened. It began with a lovely cocktail party on the club lawn, after which we all gathered around the renowned brass cannon as the flags of each of the eight countries were raised by their representatives while accompanied by their national anthems. We were all welcomed by Commodore Bill Hughes, and then adjourned to the dining room for the Opening Banquet. A delicious roast beef dinner was served, and afterwards we danced and visited, each of us looking forward to the next day when actual competition would begin.

After the first race on Sunday, one thing was apparent. There was a lot of interest in the Series at the club, as well as all over the local area. The spectator fleet was so large on this first day that the area around the finish looked more like a scene from the America's Cup than the Lightning World's. A word should be mentioned here about the great job Jack Swanson did in coordinating specators with spectator boats on this day, as well as all the others when there were many fewer boats to go around. This was certainly one of the toughest and least heralded jobs of the week. After we got in from the race, the Lake Erie District hosted a cook-out at the summer home of Tom and Anne Allen. Almost 300 people gathered for drinks and hamburgers cooked to order by some of the best chefs to be

found anywhere. The weather was beautiful, and everyone enjoyed this informal function on the Allen's lovely front lawn, as we watched the sun set on Abino Bay.

On Monday we had the pleasure of reading thorough accounts of our performance in the race the day before, thanks to the work of Ed Roseberry and his publicity committee. Throughout the week the newspaper and local TV coverage was excellent. In the evening, after a long day on the race course, we were guests at small private cocktail parties at various Yacht Club members' homes. This unique idea had skippers and crews and their guests divided into small groups of four boats each, and entertained by those nice people who had opened up their homes to us. We then returned to the Yacht Club for barbequed chicken and corn on the cob. Again we had good entertainment and dancing after dinner.

Tuesday we were given a break, so that we could go to Niagara Falls, or just goof off. The Falls were enjoyed by many of our out-of-country guests, as well as some of the U.S. visitors. We felt very proud to have one of the Seven Wonders of the World within just twenty minutes of the Champion-

Another round of the small private cocktail parties was held again on Wednesday night by a new set of hosts, with the sailors redistributed into new groups of four. This night was beef-on-wick and dancing afterwards. I must add at this point, what a beautiful week it was weatherwise, too. Walking on the beach was done by all of us at some point.

And before we knew it, it was Thursday — it hardly seemed possible that we had been there a week. We crowned a new and worthy champion in Bruce Goldsmith—and have a week full of memories to last forever. The Winner's Banquet was an elegant occasion, and a very fitting climax to a super week. There were cocktails on the lawn, followed by a beautiful closing ceremony and flag lowering, and then a delicious filet mignon dinner with all the trimmings. After a rather interesting address by the New York Secretary of State, there were trophies for the first ten places, plus a very nice favor for each participant. Karl Smither did his usual excellent job as emcee, and big rounds of applause were given to all of the people at the Canoe Club who had worked so very hard to make the VII World Championship a most happy and memorable week for all of us who were lucky enough to be there.

In closing, let us remember that it was the late Tom Fallon who, more than anybody, wanted this regatta to come to the Canoe Club. The Club, in recognition of his dream, dedicated the regatta to him. Tomo knew that if the World Championship came to the Canoe Club it would be a great event in the life of both organizations. But I'll bet even he didn't expect that it would be as fine as it actually did turn out. And so, the Lightning Class and the competitors in the VII World Championship will always remember this event and be grateful to the Buffalo Canoe Club and its own Tomo. Thanks.

# THE 1973 NORTH AMERICAN CHAMPIONSHIP

by Ed Roseberry, Jr.

The Tawas Bay Yacht Club, located on beautiful Tawas Bay on Lake Huron, hosted the Lightning North American Championships August 18th through the 24th. For many of the old-time Lightning sailors it was like returning home, as Tawas had held the North Americans in 1960 and 1963. The Club has excellent dry sailing facilities, with three hoists and one launching ramp. Their members work like mad to give their visitors a wonderful time. Thank you, Tawas, for a great Regatta. Regatta Co-Chairmen were past ILCA President Charles Schreck, Gary Demarest, and newly elected Class Secretary Gary Cameron.

One moderate air qualifying race was sailed Sunday, August 18th, with Monday's races blown out due to an unusual north wind front which brought winds in at over 30 miles per hour. Three qualifying races were sailed Tuesday in 16 to 25 mph breezes from the north, with Tom Allen winning three races to emerge the low qualifier. Defending Champion Jim Crane did not have to enter the qualifying races so was well rested to join the top 32 boats in the North American Flight. 110 boats were at the

Regatta, with those finishing over 33rd divided up

in the President's Cup and Governor's Cup. The re-

port on the North American Championship Flight follows:

1st Race — Wednesday, August 22nd, 1:10 P.M. Winds were from the SE at 6-8 mph and dying. There was one general recall. The second start had a square line. Defending Champion Jim Crane and Don Delorme worked the right side of the course, while Chuck Maltbie and Alan Ruiter worked the left. There were light spots up the entire leg and playing the shifts was probably more important than boat speed. Tom Allen worked the middle left finding some subtle wind shifts to keep near the front of the fleet. Positions at the 1st weather mark were: Crane, Delorme, Maltbie, Ruiter, Allen and Bob Adams. The next two leeward reaches were close reaches with positions basically the same, except Ruiter moved up to third and Allen fourth.

The wind began shifting to the south, 20-50° for the second weather leg. Most of the lead boats worked the right side of the course, toward the wind shift. Positions at the weather mark were: Crane, Delorme, Allen, John Schneider, Maltbie, Ruiter, new World Champion Bruce Goldsmith, Carson, McIntosh and Adams. Due to the starboard wind shift, the leeward leg was a broad reach with Past President John McIntosh moving into fourth place with good spinnaker work. The sixth leg was a very tight reach. Starting up the final beat Crane and Delorme were still first and second, followed by Allen, McIntosh, Ruiter, Maltbie, and Schneider. The wind was now dying to 3-6 mph, shifting more right, with some very spotty patches. Crane and Delorme tacked to starboard immediately on the port side of the

course, with Crane covering Delorme. Ruiter and Maltbie took short port tacks, working farther to starboard, into the continuing starboard shift. Maltbie worked furthest right, tacked to starboard, and carried good air and a lift to a first place finish followed by Alan Ruiter. Tom Allen sailed up the middle of the course, at times looking bad, but found a small lift on port tack near the finish to work to the starboard side of the course and preserve his third. Crane and Delorme were still leading on the left until 300 yards from the finish. At that point they got outside of a shift further right and sailed into a hole. Fourth place went to John McIntosh followed by Jim Crane, Jim Carson, Bruce Goldsmith, John Schneider, Bob Adams, Bob Smither and Don Delorme.

2nd Race — Thursday, August 23rd, 10:30 A.M. Winds were SE 10-14 mph with a lumpy sea. Most of the hot shots including Crane and McIntosh worked the right side of the course expecting a clockwise shift and possible lifts off the shore. Crane was first again at the weather mark, followed by McIntosh, Bill Shore, Jim Dressel, Goldsmith, Ruiter, Ed Roseberry and Don Brush. Goldsmith had sailed the middle of the beat. Halfway up the beat, when Bruce was on starboard tack, he appeared to be behind many boats to his weather on starboard. Instead of going right sooner against a slight lift, Bruce hung in on starboard, in clear air avoiding the starboard tack lay line parade. He found a slight knock just short of the port lay line, took the lift in clear air, and popped into fifth place at the mark. The first reach was fairly broad. Bruce Goldsmith sailed below the rumb line and was ridden over by three boats.

Positions stayed the same on the second leeward leg. Crane covered McIntosh loosely on the second weather leg. The wind was oscillating unpredictably with some real soft spots that were hard to see. Crane, McIntosh and Shore led in that order at the fourth mark followed by Buckley, Dressel, Roseberry, Brush, Smither, Ruiter, McKinley, and Goldsmith. Positions of the leaders remained basically the same on the next two reaches. Crane covered everyone well on the last buck to finish first followed by McIntosh, Brush, Shore, Dressel, Buckley, Smither, Bill McKinley, Goldsmith, Roseberry and Ruiter.

Tom Allen had had a bad first beat finishing 18th. First race winner Chuck Maltbie finished 27th. At this point defending Champion Jim Crane and John McIntosh were tied for first with six low points, followed by Alan Ruiter with 13, Bruce Goldsmith with 16 and Tom Allen and Jim Dressel tied with 21. Ruiter was disqualified at the evening protest meeting for a port starboard infraction at the weather mark, and so dropped from contention.

Third Race - August 23, 2:00 p.m. Winds in-

creased to 15-18 mph from the SW. It was becoming obvious that this regatta could be won with consistent finishes, avoiding a tank race, since there were no throwouts. As in the morning race, the Committee set a perfect line. Lake Erie District Champion, Jay Hansen led at the weather mark, followed by Goldsmith, Schneider, Garry Demarest, Roseberry, Allen, Ruiter, Jack Mueller, John Collins, and Jim Dressel. Crane was in 14th place, but pre-race co-leader, John McIntosh was way back. John sailing excellently the first leg, committed a foul while on port tack approaching the weather mark. By the time he completed his 720 he wound up last at the weather mark and finished 30th in the race. Meanwhile, Hansen took off like a bird on the two reaches and thereafter maintained his lead for a first place finish. Tom Allen, who moved up from sixth to second on the first reach, was second at the fourth mark, followed by Michigan's favorite and regatta co-chairman, Garry Demarest, Mueller moved up to fourth, followed by Goldsmith, Dressel, Schneider, and Crane, who had moved up on the close 2nd reach. Positions remained basically the same on the next three legs with the top ten finishers as follows: Hansen, Allen, Demarest, Goldsmith, Mueller, Schneider, Crane, Shore, Dressel, and Newman.

The fleet sailed in with the low point scores as follows: Crane - 13, Goldsmith - 20, Allen - 23, Dressel - 30, Schneider - 33, Newman - 33, Mueller - 34, McIntosh - 36, Demarest - 36, Adams - 36.

Fourth Race — August 24, 10:30 a.m. Winds SE and variable, 4-6 mph. After one general recall, the second start was called back as the wind had shifted south and the boats at the starboard end were laying the weather mark. The next start counted, with Crane and Allen at the right end and Goldsmith in the middle. Both sides of the course appeared favored from time to time. Crane and Mueller came in from the middle to round first and second, followed by Roseberry, Delorme, Adams, Fisher, Goldsmith, McIntosh, Smither and Dressel. Allen was 17th. The wind had shifted farther right (south) at the end of the weather leg so the first leeward leg was a run, with holes. Some boats, including Roseberry luffed up to protect their air and faded from the scene. Adams stayed low, picked up a few puffs, and got an inside overlap at the jibe mark, followed by Crane, Mueller, Dressel and veteran McIntosh who tacked flawlessly downwind to move from eighth to fifth. Dressel simply stayed patiently low, at the rumb line. Some of the leaders jibed their spinnakers, but the third leg was now a one legged port tack beat. During the ensuing commotion, Dressel worked high and sailed smartly into a first at the third mark, followed by Crane, Adams, Mueller, Goldsmith and Delorme. The major starboard shift held so the fourth leg was both a tight spinnaker reach and the last leg, as the Race Committee shortened course to assure they could start the 5th race by the 2:30 p.m. deadline. Dressel held his lead fol-

# Before you purchase your Power Plant for 1974!

Think about the following facts:

- 1. Do you realize that there were only three suits of Seidelmann Sails in the "Worlds". That's only 8% of the sails.
- 2. Those Sails won three of the five races, which means a company with 8% representation won 60% of the races.
- 3. Also, two of the three suits finished in the top five. So out of the top five finishes our 8% representation won 40% of the prizes.
- 4. Last: Do you know that after five races, counting a throw-out, our sails were winning the Series. We believe we still manufacture the fastest, best constructed jib in the class and offer a new design main that from our test program, goes higher without loosing speed than any we tested against. Finally our Spinnakers will be a surprise next year. Frankly we believe we have it all together and being a small company can offer you more to help your performance.

lowed by Crane, Adams, Delorme, Goldsmith, Mueller, Maltbie, Smither, Andres Lisocki from Colombia, McIntosh and Newman. Schneider and Demarest finished 19th and 26th respectively to drop out of contention. Low point leaders were Crane - 15, Goldsmith - 25, Dressel - 31, Adams - 39, Mueller -40. Allen, who never recovered and finished 21st in the 4th race - 44, Newman - 44, and McIntosh - 46.

It looked as though defending Champion Jim Crane, the articulate graduate student from Con-

necticut, had the series locked-up.

Fifth race — 1:30 p.m. The wind was dying at 4 mph from the S-SE. Crane started near the Committee boat, to weather of Goldsmith, who was slightly down the line. Initially Jim looked to be in good shape. However, shortly after leaving the line still on starboard tack, Jim began to fall in behind Bruce. Jim then tacked to port to clear his air. After taking the short port tack, he came back on starboard to cover Bruce. Shortly thereafter, Jim was tacked on by a few boats. He worked right again to clear his air. The next time he came back on starboard tack he ended up in bad air once again. Jim took one or two more port tacks, still working to starboard to clear his air. Meanwhile, about half way up the beat, the wind backed to port. Bruce was towards the left side of the course, tacked to port in clear air, and rode the lift to arrive first at the

weather mark. He was followed by Mueller, Allen, Maltbie, Jim Neville, Hansen, McIntosh, Cramer, Lisocki, and McKinley. Dressel was 15th and Crane in serious trouble in 24th. The wind continued to drop, backing slightly more to the east. The first leeward leg was a tight reach, followed by a dead downwind, semi-drift second leeward leg. Crane was still back in the twenties in a pack of boats which went high on the 3rd leg, only to end up drifting to the leeward mark. No way for Jim to catch up with the 30 degree counter-clockwise shift holding. The fourth (final) leg was a long port tack beat, with only a short starboard tack required to lay the finish. Mueller sneaked by Goldsmith, who was being very conservative, making no mistakes. The race was finished at the 4th mark as follows: Mueller, Goldsmith, Maltbie, Allen, Hansen, McIntosh, Lisocki, Neville, Cramer and Dressel. Crane finished 21st.

Bruce Goldsmith, who had won the '73 World Championship at Buffalo the previous week, now was also the 1973 North American Champion. Congratulations to Bruce for a flawless series and his fine crew Peter Bone and Frank Flaherty. Jim Crane, defending champion, was runner-up. He sailed four great races; not bad for an amateur. Congratulations to his crew Al O'Donnell (Fat Albert) and George Bergantz. Jack Mueller finished 3rd over-

all, Jim Dressel fourth and Tom Allen 5th.

### PRESIDENT'S CUP 1973

by Georges Peter

In a tightly contested series in which five different boats either challenged or led, Steve Harper of Lake Winnipesaukee, New Hampshire, Fleet 246, captured the 1973 President's Cup at the North American Championship on Tawas Bay. At times Harper sailed brilliantly, particularly in light air where he demonstrated repeatedly an uncanny eye for lifts and puffs, but in the final analysis (as so often is the case in big fleets), his consistency proved the determining factor. Crewing for Harper were Al Posnack, a former Lightning skipper and also from Laconia, N.H., and Kurt King who was a sailing instructor this summer between his sophomore and junior years at Middlebury College. Steve, who is a forester at White Mountain National Forest, for several years held a similar job about thirty miles from Tawas, and was a classmate of Bruce Goldsmith of the University of Michigan. His return to Michigan was indeed a triumphant one.

After the qualifying races, Harper together with Marcy Lippincott and Bob Buckup had just missed the Blue Fleet by one point. Steve, who crewed in the winning boat in last year's President Cup and was skippering for the first time in the North Americans, wasted no time in establishing himself in the Green Fleet. In the first race, sailed in very different conditions from those of the preceding day, Harper played the seemingly unpredictable, light (6-8 mph), shifting southerly to perfection on the first leg. Some boats from either side of the course made out well, indicating the importance of getting in phase with the shifts. Harper led at the weather mark and the next two, followed by Malcolm, Ruhlman, and Blair. Upwind the second time. however, Harper sailed into a dead spot, allowing Bernie Malcolm from Dayton, Ohio to take the lead. On the next downwind leg, Ruhlman also picked up Harper. The sixth leg by this time had become a tight reach and many boats doused their chutes at the jibe mark. Harper kept his flying and initially fell way below the mark and seemingly lost another few boats. However, the wind backed long enough for him to get up and even gain slightly on those who did not fly their chutes for all or most of the leg. On the final beat with the breeze veering again 10-15° and dying, Malcolm kept out of trouble to win and Harper picked up Ruhlman, as did Blair. Behind these four were Sipel, "Bud" Jones, Buckup, Penfield, Low-Beer and Meira. The final leg resulted in numerous changes of position; those on the "inside of the wheel" of the shift did not necessarily make out best, as the breeze was full of holes. The decision by the Race Committee to postpone the second race until the next day was obviously a popular one.

Thursday finally provided the predicted Tawas breeze, a southerly with a good chop that began SE 10-14 mph and for the second race was 15-18 SW. In the first race, Georges Peter got clear air in the middle of the line, worked out well on starboard

tack before going across on the long port hitch to the favored side of the course, and was never crossed. Malcolm and Potter followed at the weather mark. Harper was in the top ten and gained steadily on the reaches, getting as high as fifth at one point before dropping back on the beats. Peter won handily, followed by Malcolm, Wardwell, Potter, Pugh and Jacobson. In the next five finishers in this President's Cup race were retiring ILCA President "Bud" Jones (8) and the popular ex-President Arnie Schwartz (7) of Ethel-Baby fame. At this point Malcolm led the regatta followed by Harper, Jones, Peter and Wardwell. Frederico Meira of Argentina also was in the battle, but a port-starboard infraction in that race led to his disqualification that evening and

eventually cost him a series second.

In the second race of the day, Marcy Lippincott started at the leeward end of the line and gradually worked into the lead on a long starboard tack out to sea. He led at the first and every subsequent mark to win easily. The battle in this race was for second. At the weather mark behind "Uncle Marcy" were Low-Beer, Ballatin, Ruhlman, Peter, Harper, and Meira, in that approximate order. On the reaches, no major changes occurred but Harper was obviously moving very well. On the second beat Meira cranked into high gear and caught a nice westerly slant to move into the top five by the fifth leg. The sixth leg had become a tight reach and some boats had trouble with their chutes. Those who did not, including Meira and Harper, made out "like bandits." Harper went from seventh to third and Meira moved into second on that leg. On the final beat, Ballatin picked up both to finish sceond behind Lippincott, followed by Meira, Low-Beer, Ruhlman, Konantz, Harper, Peter, Wasserberger, and "Papa John" Mueller. Konantz took advantage of a battle between Harper and Peter at the finish to nip both.

The Race Committee elected to try for two races the next day rather than go for three in one day. So as the boats headed toward the T.B.Y.C. Thursday afternoon, with two races to go, Harper (102) had moved into the lead, with Peter (97), Lippincott (93), Ruhlman (92), Ballantin (92), and Wardwell (90) still very much in contention. Bernie Malcolm's disastrous third race had dropped him into a tie for tenth.

Friday dawned bright and clear, but with a light northerly that promised further changes in the standings. The fourth race was started in a 4-6 mph northerly. Harper dug himself out of a hole at the favored (and crowded) weather end of the line to find a nice starboard lift and first place at the weather mark. The breeze continued to veer toward the east and turned the second leg into a run. The boats that went high, including Harper who got trapped by covering the nearest boats, lost significantly. Ruhlman sailed the middle to come from 18th to first at the second mark. The third leg by this time had become a beat and the fourth leg a tight

reach. With the light breeze and the Regatta time limit approaching, the R.C. shortened the course to four legs. Ruhlman won easily followed by Meira, Penfield, Buckup, Wasserberger, Jorch, Wardwell, Malcolm, Ballatin, and Harper.

Entering the final race, Harper (132) held a one point lead over Ruhlman (131). Ballatin (123), Wardwell (123), and Lippincott (120) still could win

if both leaders tanked.

The final race was started in a light southerly. Former North American Champion (1959) Herm Nickels went east immediately on a long starboard tack and was perfectly positioned for the 5-10° easterly slant that finally replaced the oscillating shifts. Nickels led at the first mark and all the way around the shortened course to win convincingly. He was followed by Buckup, Blair and Dave Fitch who came from 8th to 4th on the first reach.

The race for the cup was being contested further back. At the weather and first jibe mark, Ruhlman in approximately tenth place and near Ballatin and Lippincott, was in command as Harper was buried in 35th. The wind died, however, on the third leg except for a slight breeze inshore and scattered wisps elsewhere. Ruhlman with Lippincott, among others, went high after jibing and never recovered when the breeze died completely. Ballatin stayed in the middle and picked up a few places, but Harper by skillfully playing each puff to its maximum came down the middle to pick up 21 boats, including Ruhlman. On that same leg Tryg Jacobson who jibed back to starboard to get the breeze inshore before

President's Cup Start

heading for the mark passed 10-15 boats and finished the race fifth.

On the 4th and final leg, the breeze filled in from the east and no dramatic changes occurred on this tight reach — near beat. Steve Harper finished 11th to capture the 1973 President's Cup. John "Buck" Ballatin was series' runner-up, followed by Jon Ruhlman, William Konantz and Georges Peter.

Congratulations to Steve and his outstanding crew of Al Posnack (jib) and Kurt Kling (spinnaker).

Their overall low point score of 39 was much higher than most winning scores (25, 10, 34, 15, and 23 in the previous five President's Cup) and attests to the difficulties of sailing in the light and shifty breezes which characterized the series. Steve kept out of trouble most of the time, usually was in the top ten at the first weather mark, and the one time he did tank, he brilliantly recovered, whereas most of the other contenders had several races with middle-of-the-fleet finishes.

In conclusion, one can say that Tawas Bay provided its share of excitement, challenge, and good times (both on and off the water). Each North Americans is a unique and exhilarating experience which brings sailors back year after year, and Tawas was no exception. Buck Ballatin has been coming for years and Jon Ruhlman had qualified for the championship division in previous N.A.'s six times, but neither had taken home silverware before. Hopefully, gas rationing won't deny 1974 district qualifiers the opportunity to participate in this wonderful event in a great class.

Steve Harper and Hoot.

### **GOVERNOR'S CUP 1973**

by Robert H. Thomas

As we arrived at the weather mark in umpteenth place, my crew turned around and posed a penetrating question: "Where did all these hot shots come from? I thought we would win the Governor's Cup in a walk!" Indeed, we had sailed well in the first two qualifying races — possibly well enough for the Championship flight, and certainly well enough to be near the top of the qualifiers for the President's Cup. However, an unfortunate dismasting in the third qualifying race gave us a DNF and a DNS and a berth in the Governor's Cup. We were consoled by the belief that we were only unlucky, and with our new mast we would clearly show them we were the best.

It was not that way, however. Almost everyone in the Governor's Cup was a great sailor in his (or her) own right. You think these are the folks that don't know port from starboard? Think again! These were hot shots themselves, 'most every one. Cal Schmiege and his crew, the eventual winners, had sixty years of combined sailing experience, but they had had two capsizes in two qualifying races. Second place winner, Mark Bryant, had just come back from the Sears Cup competition, where he had been national runner up. He, also, had lost a mast in an early qualifying race. Charles Schreck, Regatta Chairman and former ILCA President, sailing on his home waters, was in this group also, usually out in front. Then there was Dr. John S. McIntosh in a brand new gray boat with 32 years of winning in Lightnings. No, sir! This group was no push-over at all.

This first race was sailed in a light 8 m.p.h. breeze from the southeast. Mark Bryant had a bad start, but stayed to the left side of the course and tacked on the wind shifts to arrive first at the weather mark. George Shapiro had a good start at the boat end, stayed on starboard tack to the left side of the course arriving at the weather mark in company with Hugh Hutchison. Bill Babel was fourth with Bob Jeffcott seventh and Cal Schmiege tenth. The race committee had set a good course and the spinnakers flew nicely with Bryant holding his lead. Shapiro went low, obtained an overlap at the jibe mark and moved into second place. On the second windward leg, Bryant increased his lead. Shapiro and Jeffcoat again went to the left side of the course and arrived at the windward mark in second and third place, respectively. Babel's rudder popped out and he lost a few boats. The next leg was a run, with positions and spaces held. Bryant was moving so well, however, that he overtook several boats in the green fleet. Schmiege sailed a good last weather leg to finish fourth behind Bryant, Shapiro and Jeffcott. Going into the last leg, Bud Huffman was in fourteenth place with no one close behind. When those immediately ahead of him went to the right side, he went way up the left side of the course. About 300 yards from the finish, a port tack lift brought him across the finish line with a remarkable come-back at eighth place.

The calm seas and light winds of this day, however, vanished. All that night the wind blew out of the south, and most of Lake Huron and Saginaw Bay were crashing and rolling into Tawas Bay the next morning. The wind moderated, however, and was 12 to 15 miles per hour from the south. Bill Babel jumped out to a nice lead in this race, starting at the port end of the line and heading to the left side of the course, followed by Tim Dickey and Steve Thomas. Bryant played the shifts and went up the middle, while Ray Nelson went over to the right side of the course and came in on a starboard tack, all of which proving that it didn't make any difference which side of the course you took if you had good boat speed which the rest of us didn't. Bryant started his come-back on the two reaches and caught two boats. Meanwhile, Bill Babel was having trouble with a spinnaker halyard and his brother Tom had to climb the mast to put it back through the block. By the second beat, Dickey was in first place, followed by Babel, Bryant, Nelson and Steve Thomas. Bryant moved well on the spinnaker reaches again with great spinnaker work by his crew, Katie Coleman. Dickey had trouble, however, and Babel moved into first. On the last leg it was a duel between Bryant and Babel. Approaching the finish, Bryant was on starboard with Babel on port. Babel said he thought he was ahead, but was only fifteen of the nineteen feet ahead, thereby necessitating a 720° turn, allowing Bryant to take first, Nelson second, Babel third, Dickey fourth and Thomas fifth. Cal Schmiege was in ninth place which was destined to be his worst of the series.

Without a lunch break, the next race started immediately in slightly stronger but similar wind and wave conditions. With two firsts, Bryant was in a commanding lead, with Bill Babel and Robert Jeffcott eight points behind. Tom Green played the first weather leg right and led at the first mark followed by R. W. Richards and Bud Huffman. Bryant was in the tank at 11th, Schmiege 12th and Babel 15th. Bud Huffman sailed great spinnaker legs and moved into first place. Bryant, way behind, passed seven boats on the reaches to get back into contention. The leaders faded and Bryant and Huffman dueled for first place, which Bryant took on the second windward leg, and held to the end. Schmiege moved up on this leg also and was fifth at the windward mark. Babel made his come-back on the second spinnaker reaches to be eighth at the last leeward mark. Approaching the finish, Babel took advantage of a 25° wind shift to pick up four boats and a fourth place finish. Bryant, Huffman and Schmiege had taken first, second and third and

Green nailed down a fifth.

And so dear reader, with three races sailed, and only two to go, Mark Bryant had three firsts, Babel was 11 points behind and Schmiege was 13 points behind. Can anyone stop Bryant?

For the final day of the North Americans, Tawas Bay was smooth and the winds were a light six miles per hour easterly shifting to the south. The winds had been shifty all morning and the other fleets had to be recalled and restarted. Babel was out in front of the fleet. No wonder! He was over early at the start. After finally realizing the mistake, he sailed back to the starting line under spinnaker and started six minutes late. Bill Beard, on the other hand, having been most unspectacular in three races, found the fourth to his liking. After starting about a third of the way down from the committee boat, he stayed on starboard tack with clear air. Beard took only two tacks and arrived at the first mark with a fifty-five second lead over Hal Dutton and Leonard Tiedemann. Schmiege was in fifth and Bryant sixth. The second leg was a dead run and Beard held his lead while Schmiege moved into second. Bryant was approaching the mark in fourth place when the boat ahead denied him buoy room and he struck the mark. Bryant put up his flag and rerounded the mark in the light air and a crowded fleet. Although he later won the protest, the event had cost him many valuable minutes and moved him back in the pack. The third leg had become a beat. Beard and Schmiege held their positions, while Tom Hudgens and Robert Crowder moved into contention, and Bryant tried to fight back. But there wasn't enough time for Bryant to make his comeback since the race was shortened to four legs, and the fourth leg became a spinnaker run. Positions held with Beard, Schmiege, Dutton, Hudgens and Crowder finishing in that order and Bryant taking

a devastating 17th.

Suddenly Calvin Schmiege had taken a two point lead over Bryant and was the man to beat, but he couldn't be beaten. The wind was very light by this time and Schmiege started at the pin as did Babel, Crowder and Hudgens. Hudgens took a dramatic port tack across the entire fleet. Schmiege stayed on starboard with Bryant a little to leeward. Crowder tacked and played the shifts to arrive first at the windward mark. Schmiege covered Bryant with Dean Cady between them. Bob Thomas was fifth. The spinnaker reach was tight and the wind was light, as Crowder and Schmiege dueled for the lead. Schmiege took it and then lost it but Cady hung on to third place. Bob Thomas moved into fourth. Again, the race was shortened due to the light winds. On the fourth and final leg, Bryant passed Thomas to finish behind Crowder, Schmiege and Cady and it was all over.

Calvin Schmiege won the Governor's Cup without ever having won a race, but by being Mr. Consistency. Cal credits his success to his crew, Don Evert and Bob Starck. Mark Bryant finished in second place, due in no small measure to his able crew, Katie Coleman and Jack Quigley. Hugh Hutchison sailed consistently for third place followed by Bud Huffman in fourth and Robert Crowder fifth, and lots of people nipping at his transom.

If anyone doubts the quality of sailing in the Governor's Cup, he should have sailed against that

### THE 1973 EUROPEAN CHAMPIONSHIP

by L. G. Hammar, with race detail by Arciprete Giovanni

The European Championship 1973 was held, as is known, at Anzio, Italy, about 40 kilometers to the south of Rome, on the Mediterranean, July 15-21, 1973. I trailed my Lightning Rio-Rita II, 9436, through Europe (via Sweden, Denmark, Germany, Switzerland and Italy) and over the Alps, about 4000 kilometers. It was a long hot and interesting journey. My crew was composed of my brother Harry Hammar and my "old" friend Simo Koski. The first contact with our local Italian hosts was made on the motorway just before Rome when an Italian Lightning sailor stopped our caravan and welcomed us to the games.

We had visited Anzio before, for the European Championships of 1969, in which we also had participated. Thus, we found our way well through the narrow streets to the Sailing Club of Rome (Circolo della Vela di Roma) and to its attractive harbor. There we met our Finnish friends, S. Lahdomaki and his crew for the other Finnish Lightning, Fanny II 10057, as well as many other Lightning skippers.

On Sunday, the seventh, we made our old fine "wooden box" ready to sail, were measured in, and attended the flag ceremonies and the skippers meeting. The flags of the following countries were hoisted: Italy, Greece, Germany, Switzerland and Finland. Altogether there were 22 participants. We especially admired the new beautiful Lightnings of the Swiss. Alexander Andreadis and his Krinis IV was one of those we felt could win the Championship. We could not think anything of our chances. We had sailed together only once that summer, though we have sailed together for several years. Also, the Champion of Italy was chosen based on this series. On Sunday evening, the competitors with their company were assembled at the Welcome Party in the club.

On Monday, the first race was sailed. The morning was hot, and without any wind. The weather stayed almost the same for the whole week. In the morning there was no wind at all but around the noon the wind would begin to rise to about 2 Beauforts. The schedule called for only one start every day at 12:30 p.m. The trip to the racing area took about 40 minutes. Of course, the first race was the most interesting because it gave the first indications of the final standings. Alexander Andreadis finished first by a substantial margin and Hammer succeeded in taking second. The well known Italian skipper Guido Tulli was third with his Kalimero VI. H. K. Rahn from Switzerland was fourth.

On Tuesday, with conditions similar to the previous day, the Swiss ultimately had cause to rejoice as H. K. Rahn overtook Andreadis on the last beat, and after a fierce tacking duel, won the race. Hammar was never out of contention in this race, and

still could have won it going into the last leg. He didn't, however, and at the end was even nosed out by Tulli.

The third race was started in winds of 24 to 27 mph. Andreadis was first to the weather mark, followed by Rahn, Tulli, and Domenici. The second time to weather, Domenici moved up to second as Rahn dropped to third. On this same leg, Hammar passed Tulli to move into fourth. The last time to weather, Domenici kept on coming to move into first at the finish, as Andreadis faded to fourth, leaving Rahn in second and Hammar in third.

Thursday's race was sailed in light shifty air. Andreadis and Tulli had a battle for first all the way up the first leg, with Andreadis just barely getting around the weather mark in first. Tulli had a disastrous second weather leg, losing both Rahn and S. Ravagnani, only to come right back, the last time to weather, almost nipping Andreadis, who led all the way. Meanwhile, Rahn fell back to seventh, leaving third to J. Hess, and fourth to P. Grandguillaume. This turned out to be Hammar's throw out, as he finished tenth.

In the evening, everyone attended a garden party arranged by Marie Mainini and Adriana Minetti-Domenici. We all had a wonderful time in the warm, dark, Italian night.

The fifth race really shook up the standings. At the first mark, it was Domenici, Hess, Grandguillaume, and Ravagnani. Andreadis buried in the middle of the fleet and could only get back to tenth by

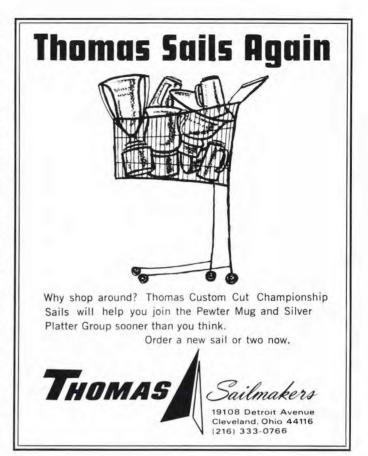

Co-Champion Hammar and Crew

the finish. Meanwhile, Hammar, who was also way back at the first mark, put on a tremendous charge and finally moved into first on the last weather leg, to win the race. Domenici held on to second, Hess third, and Grandguillaume fourth.

Needing a good final race to win the series, Hammar had the best. He was first at the weather mark and never passed. Meanwhile, Andreadis had to come from behind to take a third to Rahn, who was second. The result of this last race was truly extraordinary. Hammar and Andreadis had identical finishes for the regatta, with or without a throw-out (1, 1, 2, 3, 4, 10), and moreover, they had each beaten the other three times.

Therefore, Andreadis and Hammar were declared European Co-Champions, and there was no runner-up. In third was H. K. Rahn, fourth was Guido Tulli, followed by P. Grandguillaume. Guido Tulli was the top Italian, and was declared Italian Champion.

After the series it was time to pack Rio-Rita II once again on the trailer to wait for a journey back to home. The Italian District and the Circolo della Vela di Roma were hospitable. The series was very well arranged. The service of the Club was of high standard. We always had a program for the evening and the rest was taken care of by picturesque Anzio with its oyster market and fish restaurants. On Sunday evening we received our prizes and trophies in the Club. We made a sad farewell to our hosts and the other Lightning sailors using the motto: next year in Greece.

# THE CANADIAN OPEN LIGHTNING CHAMPIONSHIP AT CORK '73

by Frederico Meira

CORK was the last regatta of this summer's three big ones, and this year incorporated the Canadian Open Lightning Championship. After sailing in the other two (World's and North American's), we just could not miss it. So Friday, August 24 at night we left Tawas, following TIZ-TAZ and FIN-NESSE, doubledecked and hitched to Bill Shore's and Andrés Lisocki's brand new rented camper. After missing the camper at one turn, Mary Jane and I decided to continue the rest of the trip by ourselves. I guess the feeling of following others transoms made us look for another way to get to Kingston (and maybe beat them). As it usually happens, there was only one fast way to get there, and when we arrived they were already moored. Anyway, we stoped in Toronto and had a wonderful time at the Ontario Science Center.

The Lightnings, together with the Solings and Tempests were moored just outside Kingston, at the Grain Elevators, and sailing from there to the course assigned to us did not take too much time, a half hour at the most. We were lucky about this, considering that the 470's and Flying Dutchmen had to sail 9 miles to the starting line every morning and

9 miles back after finishing.

The practice race on Saturday was won by Eugene Walet, from New Orleans. On Sunday morning, the early activity of the Soling and Tempest sailors woke us up (we were camping close to the boats) and by the time we were done with breakfast they were all gone. I am sure that even with that early start some of them just got to the starting line on time. Their racing course was the farthest outside Kingston Bay.

For our first race the wind was light, from the southeast. The expected heavy air that "always blows at CORK" was not there, and it did not come for the other races either. Fireballs and OK dinghies sailed the same Olympic Course with us, and were already sailing all over the place when we got there. Around 70 Fireballs, 40 Lightnings and 20 OK dinghies made quite a crowd before the starts, and sometimes after.

The Fireballs started first, and you could see most of the lightning sailors watching them carefully at the starting line and half up the weather leg. The Fireballs' starting signal was our warning gun, insuring that, with the light air, the Lightnings soon would catch up with the Fireball Fleet.

Walet had a great start at the favoured leeward end and going to the right hand side of the course he was in the lead all the way. But was DSQ'd for fouling another boat at the start. Have the best start, but also take the risk. Bill Newman won the race, followed by Bill Shore, David Penfield, George Wootten, and Don Delorme. As for ourselves, that was our throw-out race (we hoped), after finishing

29. This could have been prevented by reading the weather forecast posted every morning on the bulletin board. As it read that morning, the wind was expected to go 30 degrees to the right, approximately at the same time we were going all the way to the left in the second beat. Needless to say, we did not miss a weather report thereafter, and they generally proved to be very accurate.

For the second race the wind was light again, SW direction, pin end favored at the start. Eugene Walet, who by that time had shown that he was one of the guys to look for, took the best start again and went to the right. Penfield, also with a good start and right hand beat, got to the weather mark in 2nd place, after Walet. Following them were Jay Hansen, George Wooten and Peter Sulman. We rounded 7th, followed by Bill Shore, who, obviously, did not have a super beat. Positions during the race did not change too much during the next legs, until the end of the run, when the wind started to pick up. Then all the Lightnings and Fireballs got together and had lots of fun up the last weather leg. Walet lost his lead to David Penfield who won, and to Dick Hallagan who finished 2nd, making his way up from a 10th place he had had when rounding the first mark. 4th was Jay Hansen, then Wootten, Meira, Shore and Sulman, who lost some ground when it started to blow.

With the forecasted wind light to medium and not very steady, coming from the N, we got ready for the third race. The weather forecast said also that eventually the wind was going to come from the West to NW. This time our start was some 15 minutes after the Fireballs, and again the leeward end was favored. Shore made the best start and got ahead of the fleet. As the wind was coming from the land, rounding the first mark which was close to shore, was not easy. Except for Bill Shore, who rounded first, I guess every other boat gained or lost a few places just before the weather mark. Behind Finnesse, was Walet, then Macy Nelson (who had a 9th and a 10th in the other two races), Andrés Lisocki, Don Delorme, Matt Bryant and Dick Hallagan. We were one of those boats gaining and losing, and at the mark, losing, we rounded around thirtieth, followed by Jay Hansen, who had no better luck.

At the beginning of the run the wind put all the Fireballs and Lightnings close to each other again, and at the leeward mark there wer all kinds of incidents, which ended in Lightnings protesting Fireballs and vice versa. Hallagan rounded that mark 2nd to Bill Shore, and lost 2 boats just before the finishing line. The winner was Bill, who sailed at his best in that shifty wind, following were Nelson, Walet, Hallagan, Michael Pearl, Carl Schmiege and Lisocki. We recovered some and finished 11.

Jay came up and finished 13. Something to look for in every race were the weeds, there were plenty of them, which made for a very good excuse if your speed was not too good during the race.

After the races there was a big tent at the Kingston Yacht Club where you could dance, drink and have a good time. We also had fun by going to where the FD's, 470's and Finn's were kept, to watch them arrive, just before sunset. One of them was Tom Allen who was sailing his FD with Bill Bergantz. Another place where we spent some time, not as relaxing, was where the protest hearings were held, at Queen's University. We were one of those Lightnings protesting Lightnings protesting Fireballs. Also Andrés had a hearing after the third race, a situation that involved him, Matt Bryant and Don Delorme. Each one protested the other, and we waited with Andrés until 11 o'clock that night when the Protest Committee came out with their decision, Delorme was DSQ. Wednesday at 11:00 was the start for the fourth race, this time the Fireballs were all gone, and hopefully there was no chance for us to catch them. The wind was around 5 miles an hour, SW. As it favored again the leeward end, there was a good size crowd trying to get the best start. Shore was part of that crowd, keeping one eye on Walet, knowing that he was also going for that best spot at the line and for the first place in the Regatta. Both had lousy starts, but Walet took the worst part. He fouled a boat along the line and retired afterwards. It was too bad to hear this after the race, which was won by Macy Nelson, followed by Don Delorme, Shore, George Wootten (leading at this point among the Canadians) and Dick Hallagan.

That night we had to wait again for our fellow camper Andrés who was having another round at the Protest hearings. There was a Soling sailor who together with Andrés were regular customers and knew the jury by their first names.

Coming into the fifth race, Bill was leading by 8.6 points over Macy Nelson who was ahead of Dick Hallagan by .3. All these figures could be promptly known after each race, thanks to Queen's computerized position sheets, available at the Kingston YC. They had figured out already each position, counting and not counting the worst race to the moment. A

very helpful service.

For the fifth race we had the best winds of the week, coming from the SW at 10 to 15 miles an hour. By this time mostly everybody knew more or less facts about the race course like looking for weeds and going all the way to the left to get some fresh wind first, or looking for weeds and staying to the right, which was a place to go that you could trust mostly all the time. The heavier wind made for some differences in speed, that gave Bill Shore the lead of the Regatta, after winning the race. In 2nd place came Bill Newman, 3rd was Jay Hansen, now challenging George Wootten for the first place among the Canadians. Following them were Eugene Walet, Macy Nelson and George Wootten. Dick Hallagan, among others had a DSQ, and Andrés Lisocki had a T.O. (Tip Over), that won me a bottle of wine after the Regatta was over, ending a personal South American dispute that we had. In the evening there was the "Sailors Banquet" for the Lightning, 470, Tornado, Finn and OK Classes.

The sixth and final race started with light air, which by the end of the fourth leg got even lighter. Shore was ahead rounding the leeward mark after the run, with Walet, Nelson, Penfield, Newman, Hansen, Meira and Sulman behind. As usual, mostly everyone went to the right or stayed towards that side of the course. In the middle of the beat a new wind started to come in from the left and positions between boats started to change all over. Peter Sulman and Jay Hansen, who went the most to the left and got the wind first, crossed the finishing line 1st and 2nd. Bill Shore crossed 3rd, David Penfield 4th, Macy Nelson 5th, Russel Scrim 6th. Again we were caught on the wrong side of the beat and as we sailed towards the end, Mary Jane, Jimmy Bergantz and myself watched sadly as 18 boats man-

aged to cross ahead of us.

The Trophy presentation was held in the afternoon at the MacDonald Park. Bill and Bonnie Shore together with Larry MacDonald won the gold medals and the other first prize trophies, as the winners of the Canadian Open. Second overall was Macy Nelson, who sailed very consistently. Third and best Canadian boat was Jay Hansen. 4th and 5th were Bill Newman and Dick Hallagan, respectively. Knowing that this was our last regatta among our very good North American friends for at least two years, Mary Jane and I were much sad as we said goodbye. As I write this article here in Barcelona and recall all the good moments, experiences and unforgettable friends I have made during the years sailing in the Lightning Class, I wonder about next summer. Anybody for starting a Lightning Fleet in Spain?

#### **CREW TRAINING**

by Jim Carson

Many skippers have become discouraged and have lost interest in racing because of their inability to get a good crew and/or to keep a crew more than one race or regatta. Of course, the ideal situation is to find an experienced and proven crew who needs little or no instruction and can, in fact, often instruct a less experienced skipper. However, since there never seem to be enough experienced crews to go around, we are left with a choice of not racing, or of developing our own crews from inexperienced personnel. From my own experience, I believe there is no such thing as a crew shortage if you are willing to enlist inexperienced personnel and train them. Having subscribed to and practiced this theory for some twenty-five years with moderate success, let's take a look at some ideas which seem to work.

Of many elements that go into crew training, perhaps the most important is to establish and develop those psychological factors which make for a happy and relaxed relationship between skipper and crew. Start with the premise that sailing is fun, keep a relaxed atmosphere, avoid outbursts of temper and be patient. If you're going to train a crew

with little or no experience, remember that you will have to be a teacher, that your pupil or pupils will have to be instructed. They may not know when, or even how, to perform even simple operations such as trimming the jib or moving about in the boat. It is the skipper's job to instruct, coach, and encourage. If you keep these important points in mind you will build confidence and enthusiasm and be well on your way toward developing a good crew.

As a teacher, communication becomes most important. A good teacher will not only explain what he wants done and, hopefully, how to do it, but why. For example, "sit to leeward" becomes "let's sit to leeward so we lean the boat a little and let gravity help keep the sails filled." The more a skipper can tell the crew about the race, the more involved the crew will become. Above all, try to anticipate what's going to happen next, what the crew will need to do next, what to expect. Go over the various operations to be performed before they occur as well as while they're going on. In this way, the crew can ask questions ahead of time if he or she doesn't under-

stand a certain operation. Encourage and consider suggestions. Maybe the crew will see a better way to do something. If possible, try it his way — but if it doesn't work, be sure to enforce your position as "captain." If you've built a good relationship, the skipper's commands should present no problems. Nevertheless, a good relationship dictates an open mind and a willingness to discuss and consider various alternate methods of operating the boat.

The actual performance of duties is perhaps the least important element of crew training. If you have chosen a crew who is reasonably intelligent and agile, established good rapport and communication, actual performance becomes a matter of practice. Repeating an operation either on the race course, on the way to the race, or in special practice sessions will perfect the various routines. Stress teamwork, assign duties, point out the skipper's duties, and participate where practical. A crew can get pretty discouraged if he feels he's the skipper's

slave and must operate the entire boat while the skipper simply wiggles the tiller. The Lightning, as many other boats, is only sailed successfully when three people operate together as a team. Be sure to review and correct mistakes as soon after they happen as possible. Analyze what went wrong, discuss why and what action needs to be taken to avoid repetition.

What about practice sessions? Sometimes, yes, but my own experience tells me that "on the job" training is far superior to synthetic situations and should be avoided except to improve particularly troublesome problems. Practice sessions are boring but can be made more interesting if you can persuade another crew to go out and scratch with you.

So, you want a good crew? Start with an enthusiastic novice, work on the psychological factors, communicate, teach, be patient and you too can develop a "professional" crew.

#### MISTAKES WIN REGATTAS ... FOR OTHERS

by Bruce Goldsmith

At the Worlds and North Americans a large percentage of the skippers were able to develop the speed necessary to win. Although we had a few sensational races on Snoopy during these two series, it certainly was our lack of a super tube job in any race that insured our victories. This article will discuss the mistakes made by various competitors including myself. I will use names in hopes that it will be more vivid in people's minds and can be correlated with the actual stories of the series. I sure hope everyone named will realize that they are being used as the example of the same mistake made by many others, but that more people will remember the same situations using names of the better skippers. Also keep in mind that tactical decisions that may have had merely a 50-50 chance of success can be labelled superb if they work and mistakes if they fail.

In the first race of the Worlds, Bill Cramer pulled off a spectacular port tack start, crossed the fleet, but was not among the leaders at the weather mark. His error was that he ended up being nearly the furthest right and didn't need to be. Even a 200 yard tack back to starboard would have put him directly in front of the middle of the fleet where he could have tolerated a shift in either direction. The wind continued to the left which it really wasn't supposed to do in Buffalo, but the lack of consolidating his super start and possibly losing a little of the lead to be safe, cost Bill a high finish in the

race.

In some ways this was more bad luck than anything, since the opposite situation occurs most often when the leeward end of the starting line is favored. Keep in mind that the leeward end is often favored due to a shift to the left just before the gun. If the wind is phasing, the wind can be expected to shift back to the right soon and wipe out any advantage the boats at the leeward end had right at the start, unless those boats can get over on port quickly. Picture the King of the leeward end starters, Ronnie Blair with a perfect start in one of those phasing 30 degree shift qualifying races at Tawas. His mistake was that he didn't tack to port on the knock available at the start even if it meant taking a transom or two to cross most of the fleet and favor the right side for the expected shift to the right. It did occur, and this was not one of Ron's better

Weather systems that are not normal for a particular sailing area cause the greatest problems for the top boatspeed sailors. As these systems pass, the wind tends to return to a direction that is thermally reinforced, and is known as prevailing for the area. Sunshine will make the thermal direction prevail, whereas clouds tend to back the wind to the direction of the weather system. If weather maps confuse you or seem to be wrong a great amount of the time in a given area, take a look at the wind direction about 8 a.m. Many times this will give an

indication of the weather system wind. By race time the wind will undoubtedly be affected by the thermal tendency.

At the start of the fourth race in the World's, the wind was East but it was hazy and looked like it was clearing rapidly. Clearing would have meant a possible shift to the right toward the thermal Southwest. However, it clouded up suddenly and the northeasterly wind that had been blowing in early morning returned. Seidelmann, Allen and Tiegland missed this one. I was about in the middle and not hurt nearly as bad as they were.

In the fifth race I made enough errors to lose the regatta. Leading the regatta I should not have tried for the pin start. I had way more to lose than Tom Allen did at that point, but our pride drove us to the battle due to a favored line. (Neither one of us got a good start). To get clear air, I then went almost to the left lay line. This paid off until very late in the beat and then we got what we deserved — a shift back to the right. The next error was in not ducking a starboard tacker when near the port lay line. Two tacks cost me as much as going behind would have though I could almost cross and would have had to give up a lot of distance to go behind. Also I wouldn't have been nearly as vulnerable to the right hand shift at the mark. The tack with the starboard boat to the lay line put me in a position where I couldn't gain if the wind stayed the same, and any windshift would hurt me. We collected our thoughts and did well the rest of the race, but if

we hadn't been going quite as well, or the wind was less shifty, we might not have been able to get back in the race by the end.

In general, the fleet goes too high on the reaches which allows the leaders to increase their lead. However, the North Americans at Tawas drove home the point of never trying to pass boats to leeward on a close reach. The blanket zone is just too great. Also if its blowing at all, you lose the flexibility of going up in the light spots and planing off to leeward in puffs and waves. You end up fighting to keep the boat up on course and flat. This happened to me, which negated some good weather legs we had. Tom Allen and Jim Dressel sensed this situation well in the third race at Tawas, and gained by staying high and planing over some of us who tried to stay on the rhumb line and ate a lot of bad air from those who kept riding to weather.

In light air, big distances and many positions are gained and lost within the last 100 yards to the first weather mark. Assuming you are part of the pack that always seems to arrive there together, you must keep boat speed during this stretch. I'd estimate that less than 20% of the boats are anywhere near their maximum speed for the wind conditions as they reach the weather mark. Mistake one is getting to the starboard lay line too early and being backwinded by each boat in front of you. I did this in race one of the North Americans. The port tack approach keeps your air clearer, but judgement and experience must be better, in terms of fouling at the mark. Port tack approach also keeps you from having to guess where your starboard lay line is and reduces your sailing distance. This is true even if you have to take a few transoms of starboard tackers right at the mark. Remember they are all giving each other bad air and going slow. If you try to tack close below a line of starboard tackers and don't make the mark you can lose the most. You spend alot of time blanketed, and usually pinch also (a deadly combination). In the light air first mark of the fourth race at Tawas this error was made by half the fleet.

The leader in any series attracts "glompers." Sometimes footing off below their cover is better than tacking to clear air. Jim Crane sailed a superb series in Tawas. However, footing off more toward the middle of the course and closer to me instead of tacking to get clear air about ½ of the way up the first weather leg of the last race might have saved him the series.

This final story goes back to the North Americans at Bay Head, New Jersey in 1965. It was in a qualifying race and I was in the blue flight which is first to start. Somehow, I was five minutes ahead of the next boat at both the first and second marks. The third leg turned into a drifting one-sided beat. I took the long tack first. However, I was really feeling uncomfortable as boats rounding behind me first started pointing higher than I could, and finally started flying spinnakers around me to weather. I was too stubborn to tack and try to sail directly back at the fleet to get the wind. Before the leg was over all the blue fleet, all the green fleet, and all but five of the yellow fleet had passed me. That's over 100 boats in one leg and qualifies me for sailing's gigantic mistakes club.

#### RIVER SAILING

by Alan E. Ruiter

If you're an avid Lightning sailor and you like to travel around to the various and some of the more popular regattas, you've probably been confronted with the inevitable current/tide problem and tricky winds of a river. River sailing can be quite trying to a sailor and most of the more competitive sailors are somewhat tense to start with.

I believe that the most important point I can make about river sailing is that you must carefully prepare yourself mentally even before "packing up the boat" to go to the river regatta. You must "psych" yourself up for the event by doing some honest thinking about the conditions and environment surrounding a sailing race on a river; a river with tide, current, fluky winds and bends in the shoreline.

Also, many rivers in the U.S. today are polluted with various chemical and biological materials including algae and tar. If you know this to be true concerning the river you are about to sail on, it is important that you take the precautionary measure of protecting your boat with a good coat of wax. This will make it much easier for you to remove tar, algae, and any other material that may attach itself to your hull. This type of regatta requires extreme patience on the part of the skipper. He must realize that no matter how good his crew, the possibility of the spinnaker dragging or touching the water even for the briefest second, may discolor or stain the nylon sail. This happened to me while sailing on the Delaware River and it is one of the frustrations you could encounter in river sailing.

Now that you are aware of "the frustration of pollution," you are now readying yourself for "the frustration of fluky air," better known as TFOFA.

TFOFA is known to all sailors on all bodies of water, but it is particularly and peculiarly common on rivers. It may take a sailor from first place to 40th on one cross-river reach or from second to 50th just trying to round one downwind mark. In any case, don't let TFOFA get you down. Things do seem to even out in the long run (no pun intended) because TFOFA not only strikes you, it also strikes all the other sailors out there. Seriously, I've heard people say they don't want to sail on a river because so much depends on luck. Well, everyone has the same chance of good or bad luck, so don't start making excuses before the race. If you do, you've lost the race before it starts.

I've heard many sailors talk of boycotting the regatta at Savannah on the Southern Circuit because of the "poor sailing conditions." It's true that you could lose your shirt and experience bad luck, but it could all even out if you give it half a chance. Remember, everyone is just as afraid of the river as you are. If you realize this, then you're ahead of the rest of the fleet before you even launch your boat. Also, don't be embarrassed or ashamed of yourself if you do wind up 50th. Have a few drinks and a few laughs about it; then go out and win the next

race. Remember, there's always TROFA which may bring you a TROFE. (TROFA — The Rewards of Fluky Air; TROFE — Trophy).

I think I've spent enough time on the "psych up" for the races. Now let me get down to the "game plan" or the "GP," also known as general procedure. There are some basic and simple rules of strategy we all must follow when tackling the river.

First, let's discuss current and tide. Be aware of the time of the change in direction of water flow on the river (in the case where the river has a tide). Most race committees make this information available. Also find an accurate and up-to-date chart showing the depth of the river. This is very important because when you're sailing with the current, you want to be in the deepest part of the river and when you're sailing against the current, you want to stay in the shallow areas without dragging your centerboard in the mud. In general, rivers are deep in the middle and shallow on the sides; therefore, if you're tacking against current, stay close to the shore; if you're tacking with the current, stay in the middle. The same is true for running and reaching; when before the wind against the current, stay close to shore; when before the wind and with the current, stay in the middle.

Another factor to remember is whether there are any bends in the river. The inside shore of a bend in a river will have less current than the outside shore on a bend. (This is the current theory.)

When sailing across the river from one mark to another, always consider the current and leave room for error in calculating how close to the wind you must head in order to make the mark. A dying breeze can prove to be fatal if you think you've been "right on course." Don't be afraid to put a little "in the bag" and overstand the mark; it's much less embarrassing than understanding (understand?).

Now that you're clear on where to go (straight to St. Pete, right?), let me continue by discussing and cussing the wind and TFOFA. Wind, in and around rivers, tends to blow differently than the wind on open water; this is due to the land. The wind that is generally blowing up or down a river (not across the river) will tend to bend near the shore. If the wind is coming off one shore a little more than the other, it is best to sail on the weather side rather than the lee. Don't get so close to shore that you run the risk of grounding on the bottom or run out of wind due to trees and buildings on shore, but stay close enough to get puffs and lifts. When the wind is coming off a shore slightly, the wind is bent when first passing over the water and it is also accelerated in the area near to the weather shore. The trick is to get close to shore, but not too close and find that shaft. Once you find it, make the most of it. Remember, there is a wind shadow in closer to shore, so don't ever kiss the beach. In finding this shaft of accelerated wind you must not forget the water currents. Sometimes it is best

to pray for the wind and play for the currents.

If you think you're confused, you should meet my typist. Before I conclude this article, I'd like to advise you as to some "don'ts."

If you choose one side of the river in an attempt to reach shallow water to begin sailing against the tide and you find that most of the fleet has chosen the opposite shore, don't panic. You may have chosen the right side. If you did, that's great; if you didn't, you can blame it on my advice. I've seen some boats that looked awful come out smellin' a lot better than the river.

Also, if you have been tacking to the weather mark with the river current and the weather mark is in the middle of the river and you are about to reverse your direction at this mark and set your spinnaker for the downwind leg, it is important that you don't immediately head your boat against the current. You must choose which shoreline to follow in fighting the current and get over to that shoreline. Yes, do set your spinnaker, but be sure to reach the shore quickly. If you take your time getting there the boats behind you at the weather mark will soon be ahead of you. I also believe, however, that it doesn't hurt to pull up your centerboard a bit more than usual while fighting the current. Finally, don't cut any marks close when rounding them in current. Hitting a mark on a river can be fatal.

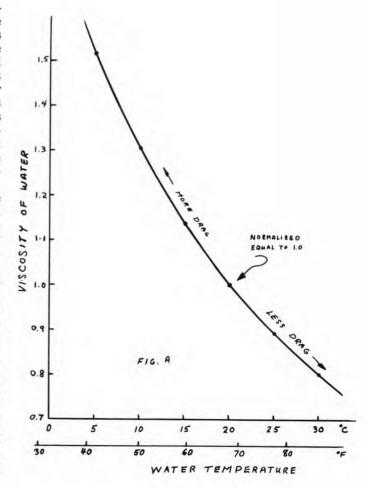

Well, if you can coordinate all this in your river sailing, I'm sure it will improve your performance. I'd be glad to discuss these theories with anyone at any regatta. Good luck and good sailing.

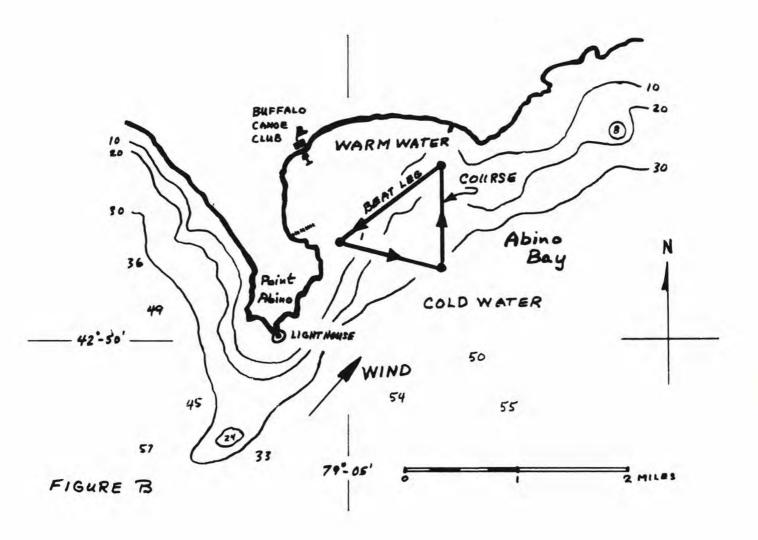

# THE DEPENDENCE OF BOAT SPEED ON WATER TEMPERATURE

Robert K. Smither, Chief Measurer

Everyone is familiar with the idea that the viscosity of a fluid changes when its temperature changes. The motor oil in your car is very viscous on a cold morning and the motor turns over quite slowly. Although the moving parts are well oiled the motor oil is quite thick and viscous and this results in a strong drag on the engine. As the motor warms up the oil becomes thinner and the viscous drag or friction between the moving parts becomes much less. Now water is also a fluid, and just because it is that very special fluid that sailors spend much of the summer on and in, it should not be expected to act any differently to changes in temperature than the oil in your car.

When the wind velocity is moderate to light the viscous drag of the water on the hull of a sailboat is often one half of the total drag on the boat, the rest of the drag being generated by the wave-making process and by the friction of the wind as it flows over the sail and rigging. Anything that affects the viscous drag on your boat will affect your boat speed. So far so good. The 64 dollar question is how big is the effect? Should we worry about it, or is it on the level of guessing a couple of small shifts correctly, and not worth bothering about? If you had caught me just before a race last spring and asked for a quick answer, I probably would have waved my hands a little and allowed as to how the effect would be too small to worry about. After all, the water temperature can't be more than a few degrees different in different parts of the race course, and water is sort of thin stuff so how can the effect be very big? If you had caught me after a good race with a drink in my hand, I would probably have admitted that I did not know, that it

might be important in some special cases. But enough of this speculation. What are the facts?

Figure A is a plot of the viscosity of water as a function of water temperature. Two temperature scales are given, one for degrees centigrade (°C) and one for degrees Fahrenheit (°F). The viscosity curve is normalized so that it is 1.0 and 20°C (68°F). Now a 5°C (9°F) drop in water temperature increases the viscosity by 14%. If half the drag on your boat is viscous drag, then the total drag on your boat has increased by one-half of 14% or 7%!! If your boat speed decreases by 7% the effect is not small, it is huge! A 7% speed differential over an 8 mile race course converts into a lead of 369.6 ft per mile, or 2967 ft. which is over half a mile, almost ten football fields! This kind of a lead would certainly qualify for a horizon job in anyone's book, so maybe we had better look at this question of viscosity a little closer.

Further inspection of Figure A shows that the slope of the curve increases at lower temperatures. A 5°C (9°F) change from 10°C to 5°C (50°F to 41°F) will change the viscosity by 16%. This suggests that anyone who sails on cold bodies of water like Lake Michigan should expect even larger changes in boat speed. If you are sailing in the tropics the viscous drag of the water will be much

less. The change from the cold water of Lake Michigan in the spring  $(5^{\circ}C)$  and the warm water of the tropics  $(25^{\circ}C)$  results in a 42% decrease in viscous drag. The same difference could be true when comparing a small inland lake, that warms up quickly, to Lake Michigan. If your boat feels slow when you come to Chicago, it may not be you or your boat, it may be the water temperature.

With all this in mind. I began last summer to try to answer the important question of just how much the water temperature might vary on a typical race course. I grew up racing Lightnings on Abino Bay, the home of the Buffalo Canoe Club and the site of the Lightning World Championship last summer. Abino Bay (see Figure B) is a relatively shallow bay located on the Canadian shore of Lake Erie. It is protected by a point that extends about two miles out into the Lake. The direction of the prevailing winds is such that the warm surface water is trapped in the bay and tends to pile up on the lee shore. This raises the water temperature next to the shore to almost bath temperatures. The other side of the bay is open to the lake, and as you move out into the lake proper the water temperature drops considerably. On a day in August with light winds, I would expect that the water temperature on the port side of the beat to the weather mark which

takes one out into the lake could average 5°C less than on the starboard side, which takes one in toward the lee shore. On any given day a 2 degree differential would not seem unreasonable. A 2°C differential would correspond to a 5% change in the viscous drag and if this were one-half of the total drag, it could result in a 2.5% speed differential. In a one-mile beat leg this would result in a lead of 187 ft. for the boat that went in toward the beach. For the Lightning (19 ft) that is about ten boat lengths. Now ten boat lengths is not a huge lead, but it is enough to get around the mark and get the chute up and get away before the thundering herd arrives. Ten boat lengths is often the separation between the first and fifth boat to round the first weather mark. The interesting thing in this case is that everyone who races in Abino Bay knows that the only way to go is into the beach. The odds are 8 to 1 in favor of this side of the course on any given day. There are good reasons for this; the wind is usually stronger near shore, being reinforced by the land thermal, and the wind usually lifts you up the shore and then lifts you again when you tack out for the mark, etc. What I never realized is that the warm inshore water was also making this side of the course faster.

Last spring I raced for the first time at Savannah, Georgia. This is the first stop in the Lightning Southern Circuit (early March), and is sailed on a Y-shaped race course. The "Y" is formed by the junction of two rivers that flow into the ocean. The course is in tidal waters and the currents are quite strong, particularly in the main channel. When the course is against the current everyone heads for the mud flats on the sides of the river. It gets quite crowded in this relatively narrow space between the channel and the reeds, and there is quite a bit of pushing and shoving (also a few words), but it is the only place to go. The water is quite shallow in these mud flats, often less than two feet (this means much raising of the centerboard and heeling the boat over to keep the rudder out of the mud, etc.), and if the sun is out, the water is much warmer here than in the main channel. I estimate that the temperature differential was at least 4°C (next year I will measure it). This would mean a 12% change in the viscous drag and a possible 6% speed differential. On a light day your speed through the water might be twice as fast as your speed over the bottom. In this situation a 6% water speed differential becomes a 12% forward speed difference. That corresponds to 634 ft per mile of race course (3 football fields, 33 boat lengths). In even a short 4 mile race the warm water effect can be quite substantial. Assuming that half the race is sailed on the mud flats, the warm water effect could be worth 1200 ft or 400 yds (366 meters). This may not be as important as the effect of getting out of the current, but it is quite a substantial distance none the less. Again, we find that the warm water part of the race course is also the right place to go for other reasons.

During the summer, I race my Lightning at the Chicago Corinthian Yacht Club. The club is located in a man-made harbor that forms a point projecting out into Lake Michigan. Our race course is an Olympic circle, with its center located about 11/2 miles offshore. One edge of the circle comes quite close to our man-made point while the opposite side of the course is quite far out in the lake. Last August, I began measuring water temperatures before and during our local races. I was curious to see how much of a change in water temperature there would be on a typical race day as one moved across the course. The water was usually quite warm at the harbor mouth, especially when a SE or E wind was blowing (these are common land thermals). These winds tend to push the warm surface water into a corner formed by the Chicago shoreline and our point (the harbor entrance is located in this corner). As one moves out of the corner toward the end of the point the water temperature usually drops rapidly, often as much as 1° or 2°C in the short distance of 1/2 mile. At this position, just off the point and on the edge of the race course, the temperature is usually considerably below the air temperature. As one moves further out into the lake the temperature rises and gradually approaches the air temperature (or visa versa). A typical set of readings in mid-August might be: 15°C at the west pin, 15.7°C halfway from the west pin to the center pin, 16.7°C at the center pin, and 17°C at the east pin. The above numbers are both typical and actual readings taken on a particular day. The air temperature was 17.5°C and the wind was moderate, E to

going at a reasonable speed brings up quite a bit of cold subsurface water. Again one finds that the cold water part of the race course is the one to be avoided. In this case because of the confused wave action, both natural and man-made. This wave effect suggests another point. If a large boat brings up large amounts of cold water, smaller boats, even sail boats, must also bring up some cold water. From this it naturally follows that sailing in the wake of a fleet of boats, or even one boat, is bad news, not only because of the backwind and the turbulence of the water in its wake, but also because the wake consists of colder water. The more I look into this matter, the more convinced I become that the best "idiot device" that I could install in my boat would be a direct-reading water themometer. All I would have to do is watch the water temperature, and when it started to drop I would start looking around because I would know that I was doing something wrong.

After the surprise of how the water temperature varied on the local race course, I have become more cautious in trying to predict variations in water temperatures from first principles. In tackling the problem of the variation of water temperature in Lake Michigan as a whole, I first went in search of some real data. Interestingly enough, there is some. For this we can thank the ecology-minded scientists in the mid-west. They have been studying the mixing of lake waters and the diffusion of industrial wastes

SE. The variation across the race course was 2°C. Most of the race course was between 16.5° and 17°C with a cold section on the shore side. To be honest I was quite surprised to find this kind of temperature variation. I expected that it would be warm near shore and colder as one moved out into the lake. It all seemed backward and had me going in circles. Each time I made a new set of measurements I fully expected these unusual circumstances to disappear and the expected pattern of warm water near shore and cold water out in the lake to appear. It never did, and the explanation for what turned out to be a normal pattern rather than the abnormal one came from one of the ecologists working at Argonne National Laboratory (located just outside Chicago). The cold spot at the inshore edge of the race course is caused partly by the mixing of the surface water with the subsurface water when the waves interact with the man-made point. The multiple reflections of the waves from the point interact with the incoming waves and generate a confused sea which is not only lousy stuff to sail in, but brings up the cold subsurface water as well. A second possible cause is the concentration of powerboat activity just off the end of the point. The point concentrates powerboat traffic going north and south along the shore and makes a kind of powerboat alley right where we found the cold water. Apparently the wake of a large powerboat

Planar Plastics introduces the new Planar Lightning with full foam flotation. Quality craftsmanship throughout characterises a boat with just enough wood to prevent that bathtub look. The hull is a proven competitor from the latest of the Helms designed molds. The Planar Lightning was seen for the first time at the Deep South last year. Look for us again this year if you plan to make the Circuit. We are building Lightnings for use in the Adams Finals this year and several of these boats can be purchased at a substantial discount.

in the Great Lakes for some time. Surface water temperatures are just one of the many types of data that they need for their studies. Figure C shows the variation of surface temperatures for Lake Michigan on August 9, 1955. The lines are isotherms, points of equal water temperature. The space between each line corresponds to a one degree temperature change (centigrade). The isotherms are labeled in degrees centigrade. The wind direction was NE. All of the warm surface water has either been blown or pushed (by currents or atmospheric pressure differentials) over to the west shore. Chicago and most of the west shore has balmy temperatures of 21°C (70°F) or higher all the way up to Mackinac, while the east shore is a frigid 10°C (50°) or less, with water temperatures close to the shore of as low as  $7^{\circ}$  (44°). If you were so unfortunate as to sail a course close to the eastern shore you would be sailing in water that was 10°C (18°F) colder than that encountered by your competitors on the west shore. These are rather unusual conditions but they persisted several days, long enough for a Chicago to Mackinac race. The huge temperature differential of 10°C between the east and west shore corresponds to a change of 31% in the viscosity of the water. If

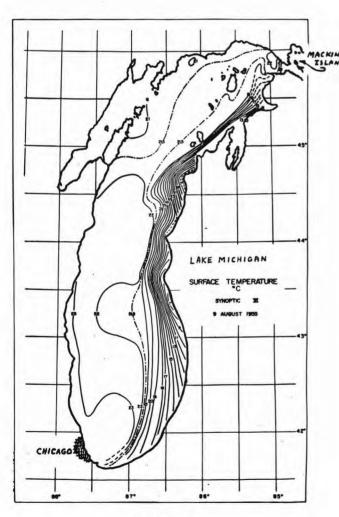

FIGURE C

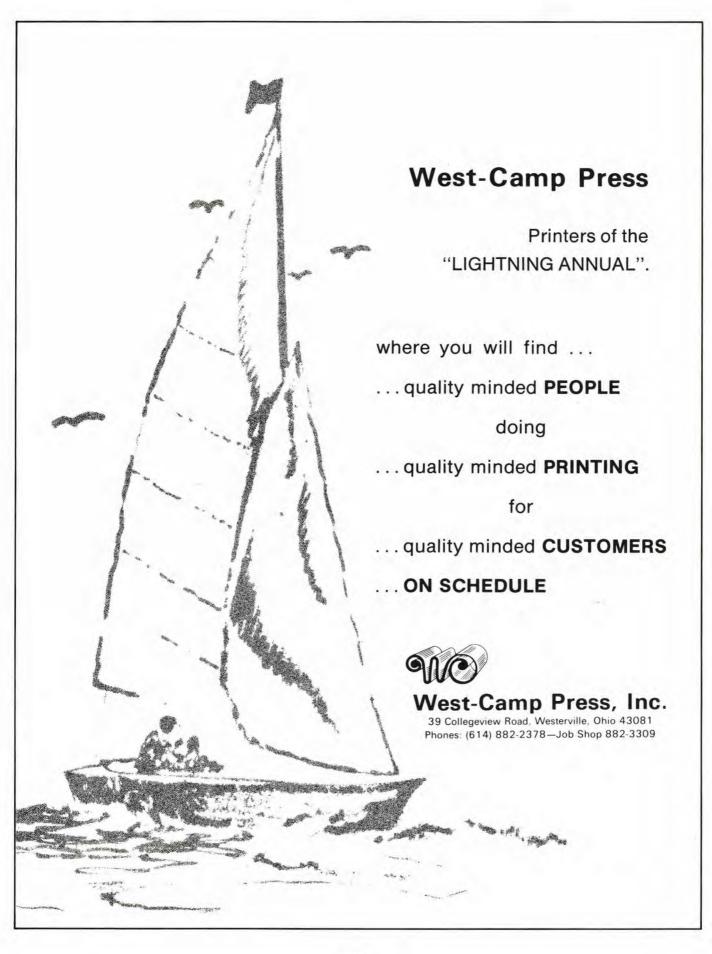

this were translated into 15% speed differential it would be an enormous handicap for the boys on the east shore. It's over 300 sailing miles from Chicago to Mackinac, and 15% of this is a whopping 45 miles. If your boat speed averaged 5 mph this would mean an additional 9 hours of elapsed time. Even if a more moderate course were sailed so that you were never too close to the east shore, and assuming that you elected to go west of the Manitou Islands you might still go 200 miles in water that was 5° colder than the west shore course. This could still cost you 14 miles or three hours of elapsed time. Considering that the corrected times between the first and eighth place in each division averaged less than 2 hours, this is quite a serious handicap.

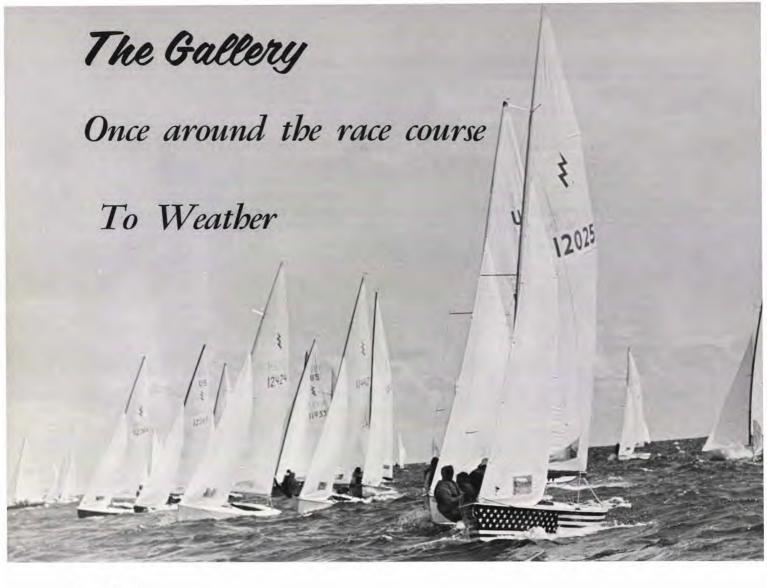

On August 9, 1955, there was also a strong adverse current of 0.4 to 0.6 mph running down the east shore. Bad news for the boys who were already slowed down by the cold water. There was some adverse current on the west shore as well, but it was much less, averaging 0.1 to 0.2 mph. In the middle of the lake the surface currents were favorable and averaged from 0.0 to 0.03 mph. If you had stayed in the warm water you would have had a current advantage of 0.3 to 0.6 mph or better which would have improved your boat speed by 5% to 10%. Once again we find that the warm water corresponds to the correct side of the course. Smither's "idiot device" would have worked well on this August 9th.

Although the August 9th picture is unusual, and the more normal surface temperature distributions would give average temperature differentials of only 2° to 4°C for different sides of the lake, going the warm water route could still save two to three hours of elapsed time.

Another thing to remember is that the temperature distribution has very little to do with wind velocity and direction in the immediate area. Lake Michigan is a big lake and once the surface water gets set in motion it takes a lot to reverse its motion. More often than not the warm surface water will slosh back and forth across the lake a couple of times (during a period of weeks) before the oscillation dies out. The very cold water on the east shore in figure B comes from the upwelling of deep lake water as it replaces the warm surface water which has gone west. A similar thing is expected to happen in smaller lakes. The equilibrium time needed to redistribute the surface water would be much shorter so the surface temperature conditions would be much better correlated with the local wind conditions and thus easier to predict.

The possibilities seem endless, but this article is getting rather long. So I would like to summarize by saying that I feel that the temperature of the water does have an appreciable effect on your boat speed. Also, temperature differentials between different parts of the race course are more the rule than the exception. Finally, the warm water seems to go along with many of the other clues that you normally use to decide which way to go on the race course so you often get the warm water increase in boat speed without realizing it. So remember, the next time you see your competition sailing faster than you, it may not be that his boat is hotter than yours, it could be his water that's hotter.

Since the anticlimax after the 1969 World Championship in the Rio de la Plata, there has been a continuous increase in Lightning activity. The amount of races has not changed much, since there is a tradition of holding at least one race per weekend nearly all year long, plus at least four championships per year. Both the number of participants and the level of competition have picked up considerably. Most boats are at minimum weight, which is a significant achievement, considering we only have five plastic boats in the country (importation is now prohibited). Sails and equipment in general are of top quality. If some of the owners of plastic boats tend to be unbeatable, we believe it is mainly because they happen to be the most experienced skippers.

The hull of the first plastic boat built in the country has recently been completed, and we expect it will be rigged and tested before the end of the year. It looks exceptionally good. We believe that we are close to solving what has been the main obstacle to the development of the class in the District. No new wooden boats have been built here since plastic construction was introduced in the United States.

plastic construction was introduced in the United States.

Twenty boats participated in the District Championship, and a wide range of weather conditions provided opportunities and enjoyment for all. Mario Isola, repeating past performances, won all six races. Osvaldo Bordino and Carlos Collet had a hard fight for second place, which was only decided in the last event in the latter's favor.

These three skippers represented the District at the World's Championship.

Aspect of the General Assembly of the Brazilian District, showing from left to right: Robert Buckup, outgoing District Commodore; Walmor Soares, Fleet 162 (Florianopolis) and Denis Clemence, Vice President, International Affairs, ILCA.

The Brazilian District had an active sailing season in 1973, the highlight being the trip of Brazilian sailors and families to North America for the World and North American Championships. Robert Buckup, Geraldo Low-Beer, Denis Clemence, Herbert Hasselmann, Joaquim de Bello and Carlos Basto Russell sailed in one or both.

The Niteroi and Guanabara Fleets 351 and 401, held team races, which were won by Niteroi.

The District Championship, Oct. 29-Nov. 4 at Brazilia was well attended, with 26 boats present. Edgard Hasselmann, Fleet 375, became champion. Nlario Buckup, Fleet 147, runner-up. Fleet 351 placed Herbert Hasselmann third; Denis Clemence, fourth; Dietmar Heyendrich, Fleet 147, fifth.

At the general assembly of the Brazilian District, William Hogarth was elected Commodore for 1974.

The Brazilian District lost valued friends during the year, Jorge Bruder in a plane crash in France, and Benevenuto Telles Neto, Gilvaldo de Aguiar Rego, and his son Carlos Mauricio M. Rego, the crew of Lightning 11706 "Tango" of Fleet 373, in an automobile accident on their return home from the District Championships.

#### CALIFORNIA DISTRICT

District Champion	Carl Eichenlaub, Jr.
District Runner-Up	Wendell Harter

Fleets: Santa Monica Bay (102); San Diego Bay (114); Mission Bay (194); San Francisco Bay (372).

Our sailing season began with the California Circuit in San Diego during Easter week. Thirteen boats arrived, representing all California Fleets, plus Bill Buckles from Cleveland, O. Five days of racing took place in three locations. First was three races at Coronado Yacht Club, then a 13 mile marathon race from Coronado to Mission Bay and finally three races at Mission Bay Yacht Club. Bill Buckles won most of the races, but a navigational error in the mara-

thon race proved to be his undoing. The circuit was won by Warren Gross, followed by Bill Buckles.

In July, the District Championships were held at King Harbor Yacht Club at Redondo Beach. The turnout was disappointing (only eight boats) and no one from San Francisco showed up. However, the competition was spirited. Carl Eichenlaub became the new District Champion, winning three of the five races. He was followed by Wendell Harter in runner-up position.

In August, the San Francisco Bay Fleet hosted the Pacific Coast Championships at Alameda. Eighteen boats arrived, representing most of the West Coast fleets. Stan Starkey proved that consistency is what it takes and became the new Pacific Coast Champion, with a 2-2-1-2 record. He was trailed by John Freenor in the runner-up position.

In September, a regatta was held at Lake Cachuma, near Santa Barbara. Myron Lyon of the Mission Bay Fleet swept this regatta with three firsts. In second place was Mark Patty of the Santa Monica Bay Fleet. Later that month, the Bowen Memorial Regatta was sailed at Mission Bay, and, again, Myron Lyon swept that regatta. Fred Knauer, also from the Mission Bay Fleet, came in second.

Finally, in October, the "Hurricane Gulch" Regatta was sailed at King Harbor Yacht Club in Redondo Beach. Very light winds prevailed, and this time Wendell Harter swept all three races, followed closely by Myron Lyon.

We all look forward to another fine racing season in 1974 under John Freenor our new Commodore. Our District Championships will be hosted by the San Francisco Bay Fleet.

The '73 season got started at Metedeconk River Y. C. in January with the annual Mid-Winter Seminar with the Metropolitan District. About 125 people hit the deck (with foul weather gear) to hear guest speaker Bob Seidelmann give a great talk on sail design and the finer techniques of fitting salls to the boat. An open discussion followed on class problems and boat costs, with Sam Streep leading the way. Both Districts then held their separate Mid-Winter meetings, followed by cocktails and dinner. Bill Newman and his committee did an excellent job in making sure that there was plenty to eat and drink for the whole crew. Our thanks to M. R. Y. C. for hosting the seminar and a fine party.

The C.A.D. had its usually good showing on the Southern Circuit with five boats making the trip. Jim Carson finished ninth at Savannah, eighth at St. Pete, and seventh at Miami, to finish eighth overall for the series.

The Long John Regatta at Monmouth B.C. in April was a real endurance test, with 61 boats on the line. Winds of 20 to 30 mph ground the fleet to 38 finishers by the end of the second race. Bob Seidelmann won it for the second year in a row, with Ralph Messersmith third and Jack Elfman fifth.

The Bay Head Tune-Up Regatta was another endurance test, with 22 boats priming their cannons for the Districts yet to come. Bob Adams came out on top, followed by Bill Gramer, second, Allan Ruiter, fourth; Dave Ruiter, fifth.

Our District Championship was hosted by Bay Head Y. C., with General Chairman Bob Adams going all out to make it a great regatta. Twenty-eight boats were measured in by Friday night, just in time for the annual meeting. The old Barnegat Bay Southwesterly got things going on Saturday with 20 mph and better. The one-minute rule was used for all starts and proved to be most successful.

All through the four-race series, Dave Ruiter was never

worse than third, at any mark and won it with 2-2-2-2. Jim Carson, with 4-1-1-4, was a close second, followed by Bill Newman 1-7-4-3, Bill Cramer 6-5-5-1 and Bob Adams 3-15-3-5. All four races were an excellent test for skipper, crew and boat. The top seven who qualified for the North Americans were ready for Tawas.

Surf City Y. C. hosted the New Jersey States and 31 boats showed up to do battle again. Bob Seidelmann came back to sharpen his claws for the up-coming World's and ran off with first place in light to medium airs. John Teigland finished second with Dave Ruiter, third; John Carson, fourth and Bill Cramer, fifth.

The C.A.D.'s had seven boats go to Buffalo for the World Championship. We are most proud of their showing — six out of the top 14 boats. Bob Seidelmann finished third and won two of the races. John Teigland finished fifth and won the second race. Dave Ruiter was seventh, Bob Adams, ninth, Jim Carson 11th, and Bill Cramer, 14th.

Next on the schedule was the North Americans at Tawas Bay. The C.A.D. sent seven boats, and five qualified for the Championship Flight. We didn't have anyone in the silver, but still a fine showing. Marcy Lippincott held up the District with a solid sixth place in the President's cup.

In fall sailing, Bill Clausen made a clean sweep over George Hoekstra to win the Riverton Regatta. Brant Beach hosted the New Jersey Coast Championship, which ended in a tie between Jim Carson and Jack Elfman. The tie was broken at the Frigid Digit Regatta, with Jack coming out on top.

The Quantico Frostbite Regatta wound up the season, with Bill Newman finishing second out of 46 boats and tied with Tom Allen. Jim Carson went on to Nashville the following week, and took home first prize.

There were quite a few new faces this year. We hope to see them more active on the '74 regatta circuit.

#### CENTRAL CANADIAN DISTRICT

Fleets: Zig Zag Yacht Club (277); Temple Reef Sailing Club (279); Royal Lake of the Woods Yacht Club (320).

The 1973 Central Canadian Lightning championships were held in two regattas which comprised about 17 participants from the Royal Lake of the Woods Yacht Club, Zig Zag Yacht Club and Temple Reef Yacht Club, Thunder Bay. The first series, held on July 21-22 at the Royal Lake of the Woods Yacht Club, established the qualifiers for the North American Lightning championships. Very light and shifty winds were experienced both days, causing great frustration among all participants. Wind shifts up to 75 degrees were common. Five races were sailed, four of which were to count. At the end of this series, Bill Konantz was the winner with 8½ points. Bob Richards was second with 11¾, Bill Benson, third with 13, Norman Clegg with 15 and J. D. Riley, Jr., fifth with 15¾. Konantz and Richards went to the North Americans at Tawas Bay, and Bill Konantz ended up a very respectable fourth in the President's Cup. Those attending this regatta were very grateful for the wonderful hospitality shown by the Tawas Bay Yacht Club and the Committee as a whole in making the week's stay a very enjoyable one.

The second part of the series, sailed in August at the Temple Reef Yacht Club at Thunder Bay, also resulted in very unsatisfactory wind conditions. After this series, Bill Konantz held his lead and ended up the overall champion of the district. Second overall was Bill Benson. Well up in the standings was Norman Clegg of Temple Reef.

The district was well represented in the Canadian championships, held in conjunction with Cork at Kingston, Ont., by Konantz, Benson, Clegg and Richards. Wind conditions at Kingston were also disappointing. Most races were sailed in very light winds, which is unusual in that area.

It is with some regret that we hear Lightnings will not be invited back to Cork in 1974. Many of the Americans attending Cork expressed the opinion that it was an interesting and pleasant regatta. But we in the Central Canadian district feel that a well run regatta, which sails at least two races per day versus one at Cork, is much more interesting and cheaper. Those from our district hope to attend the Canadian championships under club auspices and hope that many American sailors will join us.

Fleets: Skaneateles Country Club (1); Mayfield Y.C. (13); Pultneyville Y.C. (61); Newport Y.C. (77); Great Sodus Bay (108); Red Jacket (125); Willow Bank Y.C. (164); Henderson Harbor Y.C. (225); Keuka Y.C. (252); Brockport Y.C. (267); Galway Lake Y.C. (338); Thousand Islands Fleet (382); South Skaneateles Singing & Sailing Society (439).

Along the peaceful lakes of Central New York, 1973 brought the Lightning Regatta Circuit to new heights of participation in numbers, distribution of hardware and enjoyment of the sport of yacht racing. When 30 to 40 boats descend upon a host club, one knows good racing follows.

Dave Penfield, Kirk Reynolds, Fisk Hayden, Dick Hallagan, Ace Finn and Jeff Penfield were regatta winners this season. The "Triple Crown" went to Fisk Hayden, who is sailing once again in the Lightning class after detours in L-16s, Rhodes Bantams, job changes and babies.

Without the "pros" in this district, no one skipper dominated the circuit during the summer. Many sailors found the new mast quite a chore to figure out, and several of us practiced self-rescuing.

Once again, Dr. John McIntosh of Rochester, N.Y., actively campaigned in the Lightning class at his home fleet on Irondequoit Bay and in the District. His brand new boat was a beauty, and he finally got the right color — grey.

Seven boats went to Tawas. Hayden and Northrup sailed in the "NA" flight — the back end of it, unfortunately.

Five boats went to CORK. The conditions were excellent, and the one race a day left plenty of time for relaxing.

Maybe in 1974 the Lightning Class will come to Association Island (at the east end of Lake Ontario) for its North American Championships.

District	Champion	Andres Lisocki
District	Runner-Up	Vicente Hernandez

Fleets: Club Nautico Del Muna (73); Colombian Navy (275); Club Nautico de Tomine (432).

The 1973 sailing year was marked by two major events. The first one was in February — the South American Championships, held in Cartegena. There, the Brazilian sailors demonstrated their superb ability. The second was the holding of the District and National Championships in November. Andres Lisocki, of Club Muna, was the outright winner of both the District and Colombian National Championships. Colombia also participated in the World Championship in Buffalo.

Plans are being prepared for the '74 season. We start right away with the selection for the South American Championships.

Officers for 1974 are as follows: District Commodore — William B. Cunliffe, District Secretary — Luis Welti, District Measurer — Luis Welti.

The District will hold two major events in 1974. They will be a series of regattas held early in the year and the combined District and National Championships at the end of October. Each fleet will have its own internal regattas as well. Our 1974 promises to be an interesting year. Any Lightning sailors visiting Bogota should get in touch with us. My phone number is: 54-03-81.

#### DIXIE DISTRICT

District Commodore	Jeff Hastings
District Vice-Commodore	
District Secretary	Woody Woodbury
District Bookkeeper	
District Champion	Jeff Hastings
District Runner-Up	Bill Buckley
District Ir. Champion	Peter Buckley

Fleets: Washington (50); Indiana River (72); North East River (192); Susquehanna (253); Sassafras River (314); Rehoboth (325); Severn River (329); Marine Corps D & E Command (354); Smith Mountain Lake (377); Hampton Roads (426).

The Dixie District season opened and closed with strong winds, with generally light winds prevailing during the interim. Strong winds forced the postponement of the first day's racing at the Norfolk Azalea Regatta in late April. Jeff Hastings gave warning that this was to be his year, however, as he walked off with the single Sunday race in strong winds and captured the regatta silver.

The District Championship Regatta was sailed on Chesapeake Bay at Annapolis, Md., and was hosted by Fleet 329 and the Severn Sailing Association. Jeff Hastings showed his all-weather versatility by taking three firsts and a third in the light winds of this best four-out-of-five race championship. Jeff was closely pressed by Bill Buckley (2, 2, 1, 2) and Don Delorme (3, 2, 2, 1), Dixie's two other super sailors.

Don had been the Dixie champ for the past three years. Jeff Hastings thus became the first winner of the district's new Turner Hastings Memorial Trophy, named in honor of Jeff's dad. Jeff's sister, Nancy, also upheld the family traditions by placing fourth in the 37-boat field. This seemed to be the year for upsets, however, as the following week the two-time District Junior Champ, Nancy Hastings, was dethroned by Peter Buckley in a three-race series at Havre de Grace, Md. Eleven boats, with skippers and crew of 18 and under, competed in this increasingly popular event.

Fleet 329 and the Severn Sailing Association were the capable hosts for the Atlantic Coast Championships, as well as for five other Lightning class events this year. The ACC title was won by John Schneider of New York (1, 2, 4). Bob Seidelmann of New Jersey was second (8, 3, 1), and Dixie's own Bill Buckley of SSA was third (6, 4, 3). Bob Purnell of Indian River, Del., proved he is still the master in light, shifty air by sweeping both the Collier Cup Regatta and the President's Cup Regatta on the Potomac River in Washington on successive weekends. Forty-six boats, from as far away as Maine, closed out the season at the Quantico Frostbite Regatta. Clear weather and a

variety of wind conditions provided good sailing and the Potomac River offered the usual tricky current. Tom Allen (3, 3, 1), Bill Newman (4, 1, 2) and Don Delorme (1, 6, 4) found conditions to their liking, as they bested the remainder of the fleet to finish first, second and third.

mainder of the fleet to finish first, second and third.

The District was well represented at the North Americans at Tawas Bay by Don Delorme and Bill Buckley who finished well up in the championship flight and by Bob Crowder, Al Dutton, George Shapiro and Nancy Hastings in the Governor's Cup flight. Bob Crowder ended with a strong finish, to take fifth place in his flight. The Dixie District offered some 16 regattas this season at a variety of interesting locations. No one sailor dominated as the level of competition seems to be well balanced, and the varying conditions provide challenges for all types of skippers. We invite you to grease up your trailer and join us on our regatta circuit this year!

#### **ECUADORIAN DISTRICT**

District	Champion	Francisco	Sola	Medina
District	Runner-Up	We	rner	Moeller

Fleets: Guayaquil Yacht Club (272); Salinas Yacht Club (405); Armada del Ecuador (411); Club Lago San Pablo (447).

Early in the year we raced in Salinas where weather conditions are good and sailing conditions, superb. The top skipper was Felipe Eljuri. We had six skippers ready to go to Cartagena for the XIX South American championships, during the last part of February. But the chartered plane was unable to take the boats and crews at the last minute. The only crew at Cartagena was Dieter Dyck, who sailed on a borrowed boat.

Ecuadorian sailors Francisco Sola, Werner Moeller and Lorenzo Tous were fortunate to participate in the VIII Worlds at Buffalo. Their performance placed them among the top sailors in South America.

Fleet 272 from the Guayaquil Yacht Club was host to races on the Guayas River from August to October. The fleet enjoyed winds from light to heavy and the challenge of the currents. For that series Francisco Sola was Champion and Lorenzo Tous the runner-up.

The National Championship was sailed in Salinas Bay in November under sponsorship of the Salinas Yacht Club. Twenty four boats representing all our fleets, were on the line. Races were sailed with light to medium wind and flat seas. Alberto Maspons was the winner of the first three races and Francisco Sola of the next three. However the final results were in order, Francisco Sola, Werner Moeller, Lorenzo Tous, Miguel Perez, Alberto Maspons and Dieter Dvck. These six boats will represent the District at the XX South American Championship to be held in Callao, Peru in March.

We are happy with the good news of the 1975 Worlds for Ecuador, and we are already working hard to make this a good event. Salinas Yacht Club will show a magnificent marina and facilities.

Our District got 15 new boats this season, and it was to be seen also in our ranking series. Several boats from different parts of Finland traveled to these regattas. Three of these six regattas were held on the lakes and three others on the sea. Winner of this series was Lasse Hammar (Rio-Rita II) from Oulu Fleet followed by runner-up Antti Ruusk-

anen (12257) from lake Näsijärvi Fleet. Third was Ilkka Lilja (Musta-Maija) from Jyväskylä Fleet no. 328.

The District's 1973 championship was held August 1st and 5th at Kuopio, home waters of fleet 395. After the five very exciting starts we could name a new District Champion. Lasse Hammar and his crews Harry Hammar and Simo Koski from Fleet 307 took the title with 1-1-1-4. Anti Ruuskanen took the Runner-Up points and third was Matti Tiivola. Next followed: 4. Ilkka Lilja 5. Lauri Korpinen 6. Markku Ualoma 7. Aulis Näykki 8. Ilkka Kaitila 9. Seppo Lähdemäki 10. Unto Mäenpää 11. Kimmo Eloranta 12. Raimo Aromaa 13. Timo Patosuo 14. Hartii Nisonen 15. Heikki Ulen 16. Lady-skipper Marja Korhonen 17. Ahti Immonen 18. Sakari Suonio 19. Antero Westerlund.

Two boats from Finland travelled through Europa to Italy, where were held the European Championships. There were 21 boats, from different fleets around Europa, in Anzio. Our Lasse Hammar finished first with his crews Harry Hammar and Simo Koski and they divided the title of Champion with A. Anreadis from Greece. Seppo Lähdemäki with Hartti Nisonen and Hannu Aro were 10th.

Terho Aromaa visited at Buffalo Canoe Club in the World's and finished 31st by borrowed boat.

Finland District administration for 1973 was elected in a meeting held during the Championships in Kuopio. Our District Vice-Commodore is Antero Westerlund from Helsinki fleet. Fleet Secretary is Hartti Nisonen and the other members of our new administration are Ilkka Lilja (District Measurer) and Pirkko Korpinen.

We got many new boats for our District this season, but in regattas there were only few new boats. We believe, that in next year there will be very many boats and new skippers at the starting-line. Also we are planning to form a new fleet to our District.

We can see, that Lightning-sailing in Finland is going nowadays under the fair wind.

#### INDIANA DISTRICT

District	Commodore Dr. Ken Wood
District	Secretary Bob Graham
District	Measurer George Buckingham
District	Champion Bruce Baiden
District	Runner-Up Bill Beard

Fleets: Wawasee Yacht Club (154); Indianapolis Sailing Club (270); Mississinewa Reservoir (420); Tippecanoe Lake Yacht Club (425).

The 1973 Indiana District Championship Regatta was held on Lake Wawasee, sponsored by the Wawasee Yacht Club. The members were very hospitable and ran the Districts with efficiency.

Championship of the District was won by Bruce Baiden, Fort Wayne, Ind., who had just recently purchased a new boat. He won the series with a commanding lead. Bill Beard, Evansville, was second, and Paul Penn of Wawasee was third.

The annual Hoosier Regatta, held at the Indianapolis Sailing Club, is the first one in the series of three, which comprises the "Northern Circuit." This event is held the first week in May. Down through the years it has had a history of gusty winds, constantly changing direction. This makes the regatta, sailed over the multi-fingered Geist Reservoir, very interesting. It was a demanding series, won by Dick Pugh of Cincinnati, O., John Leath, Indianapolis Sailing Club, was second and Jack Mueller of Rocky River, O., was third.

The Lake Wawasee club held the annual Hoosier Regatta in June. Periods of changing winds and light airs necessitated the cancellation of two races. Bill Beard of Evansville, Ind., emerged the winner, with three firsts. Beard's sweep to victory certainly indicated his command over the light air. Second and third were skippers Dale Kettner and Bill Wis, both from Decatur, Illinois.

John Leath, Attica, Ind., who sails at the Indianapolis Sailing Club, won the annual Regatta, held by the Lake Tippecanoe Yacht Club during September.

The fourth annual WANFINLWRAPMUP Regatta was held on the Mississinawa Reservoir, Peru, Ind., during October. The weather was beautiful and the local club members had efficiently planned the Regatta. Skippers and crews of the 25 lightnings participating were from all over the midwest. All the winners were out-of-state skippers. Bernie Malcolm, Dayton, O., first; John Mueller, Rocky River, O., second; followed by Ronnie Blair, Chicago, third.

Fleets: Marivela (235); Garda (249); Roma (271); Anzio (278); Lega Navala Anzio (312); La Spezia (321); Flota Degli Estensi (355); Flotta del Faro (390); Marsala (449).

The 1973 activity of the Italian District was completely developed by friendly relations to the Swiss District. The final results of important regattas were as follows:

European Championship at Anzio, first ex aequo Finland 9436 Hasse Lammar of Fleet 307 and Greece 11459 Alexander Andreadis of Fleet 286; third Switzerland 12067 Hans K. Rahn of Fleet 219.

Italian Championship, first Italy 12374 Guido Tulli of Fleet 271; second Italy 11778 Maurizio Domenici of Fleet 278; third Italy 12375 Stefano Ravagnani of Fleet 271.

Di Lorenzo Trophy at Padenghe, organized by West Garda Yacht Club, first Switzerland 12067 Mayer of Fleet 219; second Italy 8763 De Amicis of Fleet 249; third Italy 10677 Raiteri of Fleet 235.

Lido degli Estensi Cup, first Switzerland 11858 Grandguillaume of Fleet 169; second Italy 8763 De Amicis of Fleet 249; third Italy 9035 Guiliani of Fleet 355.

The District is happy to welcome the "last born" Lightning Fleet, Marsala Fleet #449, and to greet all the Sicilian Lightning sailors.

Fleets: Buffalo Canoe Club (12); Shautauqua Lake Y.C. (19); Silver Lake Y.C. (47); Niagara Sailing Club (59); Sandy Beach Y.C. (78); Buffalo Y.C. (81); Cuba Lake (115); Royal Hamilton Y.C. The Lake Erie District started its sailing season, as usual, the first week of May in the EBY Series at the Buffalo Canoe Club. As previously reported in detail, we had invited Bob Smith from Yacht Racing Magazine to attend the Series and also speak at our District meeting, held on Saturday night of the Regatta. This was an effort to make our District meeting more meaningful and in hopes of getting some attendance from far-away fleets. The effort was moderately successful, but possibly we tried to crowd too much into the one weekend.

The next big series was the Niagara Frontier Invitational which has been reported in detail. This was a well attended regatta and had particular interest from out-of-towners because of the upcoming World's Championship. We have noticed a few yacht clubs in our District having increased interest in their Lightning fleets. However, others have fallen by the wayside. The Sandy Beach Yacht Club now has eight to 10 Lightnings racing actively. This is certainly a welcome sign. Most of the boats did it on the Niagara Frontier, and Chris Sprole certainly has been doing a good job.

Another yacht club in our District, which has come on strong, is at Dunkirk. They were hosts to the Lake Erie District this year and did an outstanding job. One of the problems we have had in our District for many years is many false starts which get to be very cumbersome, with 50 or 60

hoats on the starting line. It is very disconcerting for both the race committee and the contestants to have five or six re-starts every time.

Les Graf, the District Race Committee Chairman, decided to install the one minute rule, right from the beginning. This eliminated practically all of the re-starts, and it turned out to be a darned good regatta. The next big event in the District was, of course, the World's which everyone has heard about and has been an outstanding success. The Lake Erie District contributed substantially to a cocktail party on Sunday of the Worlds Regatta. It was well attended by those in the District, as well as the competitors in the Worlds. Carl Smither and Kurt Montgomery, ex-Lightning sailors, as we all know, handled the regatta and did a tremendous job. The Lake Erie District and the Buffalo Canoe Club were very proud of them.

This year we started a Fall Series Regatta — mainly Dunkirk, Sandy Beach and Silver Lake — three regattas which have been held in the three consecutive weekends in September for many years. This year they were combined for an overall trophy. The trophy was the Old Skineatlas Trophy that has been in the Lightning class for many years. The trophy has been refurbished. It was really a lot of fun seeing the three regattas held under completely different conditions. Dunkirk is typically open-lake sailing, with big waves and lots of wind. Sandy Beach is on the Niagara River with three to four miles current. This year really provided some exciting thrills, with lots of wind. The Silver Lake Regatta is on a small inland lake, with typically shifty conditions making it interesting for all. Stu Anderson, with his consistent sailing, won the regatta. Dick Ferrick was second, and we certainly had a good battle the whole way.

In the Fall Series we are attempting to encourage some of the tail-enders in our fleet to ask questions and take active participation in learning more about sailing. We had several instructional periods during the Fall Series when the wind was not right. When other conditions prevailed, we had instructional periods on various aspects of sailing. At the Silver Lake Regatta, at which we also had our fall meeting, we rigged a Lightning on a lawn and tipped it over, with Stu Anderson going over some of the fine points of sail-trim. We have felt that, if some of the fleet tailenders would ask more questions, we could make sailing more fun for them and certainly increase their interest in the Lightning class. This has had some good success, and we are going to encourage this in the spring.

All in all, we have had a darned good summer in the Lake Erie District, and we are making plans for next summer. We hope the weather will be as good as it has been.

#### METROPOLITAN DISTRICT

	Commodore	
District	Secretary	. Pete Stoebling
		Paul Huntsman
District	Champion	John Schneider
District	Runner-Up	Henry Fretz

Fleets: Paupack (16); Lake Mohawk (25); Chelsea (39); High Tor (41); Redbank (70); Nyack (75); Awosting (95); Raritan Bay (185); Richmond County (295); Harvey's Lake (350).

Another year has gone by and 15 more successful regattas have been held in the Metropolitan District.

The year was highlighted by the resumption of Lightning activity at Harvey's Lake Pa. Fleet 350. Harvey's Lake is just west of the Scranton - Wilkes Barre, Pa. area and we hope their fleet continues to grow.

The Metro Districts were held at Chelsea, N.Y. and were hosted by Fleet 39, sailing on the Hudson River. Unfortunately, the weatherman did not cooperate, and we had to sail in light winds and rain twice on Saturday and light winds and a steaming sun on Sunday. Combine this with a tide/current factor, and the mixes were all present. Sunday's race produced a protest which was appealed. As a result, John Schneider is our District Champion. John and Pete Stoebling were also both re-elected as District Commodore and District Secretary respectively.

Perhaps the biggest news is the success of our new Short Circuit series. This was a three-lake event which combined individual three-race regattas at Greenwood Lake, Lake Wallenpaupack and Lake Mohawk. The total of nine races were combined, with the best low point scores taking home the silver which went to the first five skippers. The Metro District contributed a large silver champagne cooler, properly mounted and engraved as a perpetual trophy.

First place this year went to Sandy Huntsman of Monmouth Boat Club's Fleet 70. Bob Graham of Lake Mohawk Fleet 25 pulled up to tie Tom Bierman, also of Lake Mohawk, in the last race and edged Tom out for second. C'est la guerre! Chet Howell of Greenwood Lake Fleet 59 and Pete Stoebling of Lake Mohawk were fourth and fifth, respectively.

Attendance at all three regattas set records. Trophies were also given each weekend of the three, in addition to the Short Circuit trophies. Publicity for the event was extensive, with not only mailings to current boat owners, but over 15 separate newspaper articles described the progress of the series. The Short Circuit will be repeated every fall.

The Hudson River Yacht Racing Association Lightning Championship was again won by Tom Destasio of Nyack's Fleet 75. This event is comprised of a series of races held throughout the season on the Hudson River. It pinpointed Tom as the man to beat on the river. Fleets 39, 41 and 75 are considering using three of these races in the spring to set up a series similar to the Short Circuit.

Gary Cameron won our District Championships, held this year at the Tawas Bay Yacht Club. Thirty-seven entrants gathered at Tawas Bay for three days of beautiful weather and great sailing. Of the five-race series, Gary Cameron won the second and last race. Garry Demarest won the first and fourth races. Defending champion Dr. Leo Wasserberger showed his style by winning the third race. The top 10 places went to 1) Gary Cameron, 2) Garry Demarest, 3) Charlie Schreck, Sr., 4) David Laidlow, 5) Dr. Leo Wasseberger, 6) Bill McKinley, 7) George Sipel, 8) Peter Paulin, 9) George Nickels, 10) Al Dickerson. Along with these fellows, the district was able to send the 11th and 12th place boats to the North American's — Herm and Dave Nickels.

The District's annual meeting was held at Tawas during the District Championships. Al Dickerson, South Haven, was elected Commodore, after serving one year as Secretary-Treasurer. Dave Furey, Lake Fenton, was elected Secretary-Treasurer. The Joe Strueland Memorial Traveling Trophy was again awarded to Garry Demarest for his fine sailing on the Michigan District regatta circuit.

Michigan's Junior Lightning Championships were held at Pontiac this year, with Susan Corbett showing the boys the way around the race course. Bill Bable was second, Bob Stack third, Cary Anderson, fourth, and Scott Barto, fifth. We in Michigan are proud of the progress our junior sailors have made this year.

All in all, it was a super sailing year for the Michigan District, highlighted by our hosting the North American Championships at the Tawas Bay Yacht Club (152). Sailors from all over the state pitched in to help with the registration and measurement of the competing Lightnings. Tawas Bay Yacht Club members and District Lightning sailors worked hard to make the 1973 North American Championships the memorable event it was.

After a great year, we in Michigan are looking forward to the Summer of '74 as a season of even greater competition and participation.

The 1973 sailing season is now past history, and in the Midwest District history has a habit of repeating itself. We are all very proud of our 1973 Midwest District Champion, Bruce Goldsmith, and congratulate him on winning the 1973 World and North American Championships. We are also pleased with the fine performance and 10th place finish of Chief Measurer, Bob Smither, in the North American Championship.

Our District championship was held July 13-15 at the Chicago Corinthian Yacht Club, under the watchful eye of Fleet No. 5's Chuck Hlinka. Five races were sailed, with the first race being protested and thrown out because of a the first race being protested and thrown out because of a starting sequence miscue. When the final results were in, our eight qualifiers for the North Americans were Bruce Goldsmith, Bob Spitz, Bob Smither, Rick Larson, Don Basler, Pete Chase, John Esser and Dean Cady. Spitz, Larson, Basler and Chase could not make the Tawas rendezvous so Dan McLaughlin, Ron Blair, Bernard Kornhaber and Tryg Jacobson went in their places. cobson went in their places.

The Lake Michigan Lightning championship series, consisting of the best three of five regattas, including Evans, P & T, Brotz, Tanger and Red Flannels, was won for the second year in a row by Don Basler. Rick Larson also placed second for the second consecutive year. A new face in the line-up was John Esser, who captured third. We regret that neither Don or Rick, who also did well in the Districts, was able to take their winning ways to the N.A.'s. But we're hoping that 1974 will not have any schedule conflicts for

Winners of the regattas in the Midwest District for 1973 were as follows: Evans Memorial Regatta (Green Bay — Fleet 112) Don Basler, first; Dick Mead, second; John Esser, third. Lighthouse Regatta (Fond du Lac — Fleet 442) — Tryg Jacobson, first; John Esser, second; John Brewster, third. Abe Jacobs Memorial Regatta (Burnham Park — Fleet 156). Fleets: Decatur Lightning Fleet (74); Kentucky Lake Sailing Club (242); Harbour Island Yacht Club (262); Carlyle Sailing Association (266); Memphis Lightning Fleet (274); Crab Orchard Fleet (330).

The year 1973 will go down in Mississippi Valley history as "The year of the floods." Many of the sailing facilities normally not too bothered with high water were caught in back up and control situations which caused sailing facilities to be flooded for months, due to the unpracedented amount of water topping levies down the whole of the Mississippi Valley. Carlyle Sailing Association, up the Kaskaskia from the Mississippi, went under water two days after Christmas and did not emerge until the 28th of July. Fortunately, Kentucky Lake fared somewhat better and was within normal limits in time for the District Championship, June 14-16.

The cooperative spirit, so in evidence in 1972, had continued and grown under the very capable leadership of Tom Hudgens of Nashville, the 1971-72 District Commodore. The chores and work involved in putting on a District Championship were delegated out to all fleets, and all performed well. After five hard-fought races, the standings strung out through 32 boats. Bill Buckles, late of Decatur, Ill., was racing his last District's in the Mississippi Valley District and capped off a winning career in the district by having won the 1972 Districts. The number two spot went to Bill Baxter of Memphis, followed by Dr. Cully Cobb of Memphis in third place and retiring Commodore Tom Hudgens of Nashville in fourth. Don Sherburne of Nashville was fifth. Barney Mead of Huntsville, Ala., was sixth.

Throughout what to many people seemed to be a tattered, soggy and windless season, our Lightning fleets did function with their own racing and their out-of-town regattas.

In spite of high water Memphis managed a May regatta. The weekend after the District's, Decatur had its traditional and annual Commodore Decatur Regatta. Harbour Island Fleet at Nashville had an early season regatta and wound up the season for most of us with the infamous, annual Blue Note Regatta, the first weekend in November. Carlyle and Decatur jointly had the Labor Day Impromptu with good sailing and two skippers from Kansas coming to join us (and taking away first and second places, respectively).

In mid-September, Fleet 266 at Lake Carlyle had the Whale of a Sail Regatta, which has now become probably the largest multi-class regatta in the Midwest. This year there were over 230 boats registered in 10, or so, different classes. That one wound up being a one race regatta when the wind turned very fitful and faint, then died completely.

Nobody can control the weather or floods (except the Corps of Engineers), so you grit your teeth and hope for a better year next year. What can be controlled is the spirit, competition and friendship, which has continued to grow in this district.

We were proud of the boats we sent to the North Americans. While none of them brought back any of those enormous trophies, all performed with sportsmanship, determination and skill. We are still proud of them.

As this is written, plans are well along for next year's District championship, to be held June 14-16 at Carlyle Sailing Association, Carlyle, Ill. Nominal host will be Fleet 266. We say "nominal" because next year, again, all fleets will participate fully in the running of the Districts; since no one wants to be left out.

(246); Massebesic Y.C. (273); Chequesset (280); Lake Champlain (301); Squam Lake (332); Cohasset (369); Pontoosuc (417).

The 1973 racing season started in March for two New Englanders, as Lou Pocharski and Bud Hamblet trailed their boats south to participate in the Southern Circuit.

In early April there was a good deal of Lightning activity in Northern New England as Maine's Centerboard Yacht Club, Fleet 14, was very active in promoting the Lightning at a boat show, which was held in Portland, Me. It was followed several weeks later by a series of Lightning clinics which produced an increase of some six boats to the Centerboard Yacht Club Fleet!

Dave White was the only New Englander to attend the Red Bank, Niantic and Cedar Point Regattas. June 23-24 Spofford Lake held its annual Spring Regatta,

June 23-24 Spofford Lake held its annual Spring Regatta, with Don Brush beating Kip Hamblet out for first place. This made the final standings of the regatta as follows: Don Brush, first; Kip Hamblet, second; Dave Fitch, third.

On the week-end of July 7-8, Centerboard Yacht Club held its annual State of Main Regatta, which was sailed under delightful conditions. Alan Ruitder trailed his boat from Montclair, N.J., to handily win the first two races. However, his third-race middle-of-the-fleet finish, forced him into third place, following Don Brush in first, Georges Peter in second.

The following weekend, July 14-15, Winnepesaukee Yacht Club held its annual Winnepesaukee Regatta in a great deal of wind. After several broken masts and many capsizes, Don Brush proved to be superior off wind and won the regatta handily. He was followed by Deems Buell, with Dave Fitch taking third place honors.

The weekend of July 20-22 was the date of the annual New England District Regatta, which was to be held at the Portland Yacht Club in Falmouth Foreside, Me. After two days of waiting for wind, a valiant attempt was made to sail three races on Sunday. The wind did improve, and two shortened courses of four legs were sailed in light air. However, the third race was abandoned, as time was running out. The championship was switched to Wellfleet on Cape Cod the following weekend, to be sailed as part of their scheduled Invitational Regatta. The Chequesset Fleet ran an excellent Regatta. The District is indebteded to them for their efforts in rallying around our predicament and coming up with a well organized Regatta, with less than one week's notice. Saturday's race was a long one and sailed in gusts which were blowing to approximately 25 miles an hour. After seven legs, Deems Buell emerged the winner, with John Collins, second; Steve Harper, third; Don Brush, fourth, and Georges Peter, fifth.

Sunday morning found us with clearing skies and steady air at approximately 15 miles an hour. This race was won by Stuart Nickerson, followed by Georges Peter in second, Don Brush in third, Steve Harper in fourth, and Len Pratt in fifth. Unfortunately for Stuart Nickerson, he had not attended the New England District's Regatta the previous weekend and was, therefore, not eligible for the New England Championship. His points did not count toward the District; however, they did count toward the Wellfleet Regatta. Going into the third race, virtually tied, were Georges Peter and Don Brush who had their own match race with first and second during almost the entire race. Georges Peter emerged the winner, with Don Brush, second; Stu Nickerson, third; John Collins, fourth; and Len Pratt, fifth. The top 10 finishers for the District were Georges Peter, Don Brush, John Collins, Deems Buell, Steve Harper, Len Pratt, Dave Fitch, Tim Dickey, Bud Hamblet and Pres Moore.

The New Hampshire-Vermont State Championships were held in early August on Bomoseen Lake in Bomoseen, N.H., in extremely light air, with Don Brush winning and Jim Leamy beating out Kip Hamblet for second place honors. Hamblet finished third.

The following people went to the North Americans, representing New England: Don Brush and John Collins, who both qualified for the North Americans. Steve Harper, Georges Peter and Dave Fitch all qualified for the President's Cup. Deems Buell and Tim Dickey qualified for the Governor's Cup. We are very proud that two of our New Englanders did so well in the President's Cup, with Steve Harper winning and Georges Peter finishing fifth.

The annual Massabesic Regatta, held in Manchester, N.H., was September 8-9, and, again this year, was sailed in ex-

tremely heavy air. After three hard-fought races, Kip Hamblet emerged the winner, followed by John Swartz,

second, and Buck Winn, third.

The New England District wrapped up its season with the State of Massachusetts Championships, sailed at Annisquam on September 22-23. A great time was had by all, as members of the Annisquam Yacht Club provided the visiting sailors with exceptional hospitality. Lou Pocharski won the first and second races. However, he finished far enough back in the fleet in the third race so that Dave Noyes emerged the winner, Lou Pocharski was second and Congress Poton, third

Georges Peter, third.

The New England District is encouraged with the growing interest in Lightning sailing in the State of Maine and hopes that this will spread throughout New England.

Our annual winter meeting was held in Nashua, N.H.,

November 18.

#### OHIO DISTRICT

District	Commodore	Dick Pugh
	Secretary	
	Measurer	
District	Champion	Jack Mueller
District	Runner-Up	Matt Fisher

Fleets: Indian Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Mentor Harbor (37); Toledo (42); Buckeye Lake (43); Rocky River (71); Mansfield (150); Northeast (207); Atwood Lake (212); Cowan Lake (303); Hoover Dam (353); Forest City (380); Sandusky Bay (386); St. Marys (400); Hueston (421).

The 1973 season started January 20 with our annual meeting held at the Cleveland Yachting Club, with Commodore Bill Rudge presiding. Our guest speaker, Bruce Goldsmith, provided afternoon entertainment with slides of the '72 Olympics. His after dinner talk on Lightning sail handling and racing tactics was given in the usual informal Gold-smith manner and appreciated by all.

The annual sportsmanship trophy was awarded to Greg and Matt Fisher - and deservedly so.

Again, the Ohio District helped to support the Southern Circuit, with twelve boats participating. Jim Dressel finished second and Jack Mueller fourth, over-all.

Ohio racing season started with the 13th annual Shakedown Regatta at Indian Lake on May 12. Jim Dressel repeated his 1972 performance with a first, followed by Matt Fisher, Bernie Malcolm, Jack Mueller and Greg Fisher.

The season's first trip on big water is always at the Great Lakes Championship at North Cape Yacht Club. Bill Buckles won this one; Leo Wasserberger second, Jack Mueller third, Gary Demarest fourth and Bill Shore fifth.

The above two regattas combine with the Indiana Open, May 4-5, to complete the Northern Spring Circuit. Twentytwo boats went all the way this year, with 118 boats competing in all. This circuit is growing and getting better every year. Trophies went to Jack Mueller, Bill Buckles,

Jim Dressel and Associates lead Ohio's Indian Lake Shakedown Regatta.

Dick Pugh, Bernie Malcolm and Merril Bales. St. Mary's Boat Club hosted its third annual regatta June 2-3. Showing their skill in high winds were Dick Pugh, first; Bill Rogge second, Bruce Gerkins, third; Bob Strempel, fourth, and Jim Dressel, fifth.

The Ohio District Championships were held at the Cleveland Yachting Club in July and were completely dominated by home club skipper Jack Mueller with 1-1-1-1-2. Sailing conditions were perfect, with some super planning legs in two of the races. Matt Fisher finished second, Jim Dressel, third; Chuck Maltbie, fourth, and Greg Fisher, fifth. Rounding out the top ten qualifying to compete in the North Americans were Bernie Malcolm, Bob Baumgardner, John Ruhlman, Bill Rudge and John Lay. The hardware brought back to Ohio went to Jack Mueller, third; Jim Dressel, fourth, in the N. A.'s and Jon Ruhlman, third in the President's Cup.

The fall regattas just had to be the best ever this year. The weatherman really cooperated, providing fair winds and sunny skies. Harvest Moon at Atwood Lake - 43 Lightnings and 170 boats in all. The first three finishers were Bernie Malcolm, Jon Ruhlman and Bob Baumgardner. Sandusky Invitational — Dick Pugh, D. Austin and John Lay. Port Clinton — John Mueller, W. Konautz and Bob Strempel.

The annual Snowball Regatta at Buckeye Lake again pro-

vided the best competition with many of the top skippers from other districts. Even if you sail badly in this one, the cocktail party and dance makes it worth the trip. Jack Mueller won with three firsts, followed by Matt Fisher, Mike

Haggerty and Jim Dressel.

Cowen Lake Sailing Club, October 27-28, had its first Lightning regatta ever. Bernie Malcolm won this event, followed by John Mueller, Barry Wilson, Alex Kaye and Dick Pugh. This regatta with five races, fair skies and a beautiful southern Ohio setting, was a perfect place to end a perfect

#### PACIFIC NORTHWEST DISTRICT

	Commodore Richard Rice
District	Secretary Frank Astbury
District	Measurer Eben Sutton
District	Champion Earl Lasher
District	Runner-Up Geoff Ince

Fleets: Maple Bay (64); Vancouver (90); Lake Washington (132); Chinook (229); Columbia (283); Kokanee (397); Juanita Bay (414); Shuswap (436); Comax Bay (437).

Lightning class sailing has had a busy year in the Pacific Northwest. The season was started by our annual mid-winter meeting in Seattle in February. A fairly early spring, following a mild winter, allowed boats to be out on the bays, lakes and rivers earlier than usual.

Many Lightning sailors participated in the Pacific International Yachting Association Circuit events. They travelled to Eugene and Portland, Oregon; to Seattle and Chelan, Washington, and to Vancouver, Kelowna, and Maple Bay, B.C. P.I.Y.A. Champion Lightning sailor this year is Paul Fischer, Portland.

The season this year was climaxed by the District Championships, hosted by the Seattle Fleet on July 7-8. Earl Lasher won the event, held in light winds on Lake Washington.

Our final event of the season was the District Team Races held on the Columbia River at Portland. The combination of light air and river current led to many good natured accusations of kedging, as some skippers had fore-deck crews heaving anchors mightily upstream and upwind. Portland Fleet, the greatest "kedgers" of the district (they have had a lot of practice, beat out Seattle, Vancouver, Eugene and Maple Bay Fleets.

P.N.W.D. has suffered this last year, due to the lack of a local supplier of new Lightnings. Since the only local supplier left the area for the East Coast, P.N.W.D. has had no alternative to high shipping costs for boats from the east. We really need an enterprising boat builder to take on Lightning manufacture in our area. Anyone interested?

Our outlook for '74 seems hopeful. Eugene Fleet is looking toward hosting the Lightning North Americans in either '74 or '75. This will require total District support. Keep an eye open for further developments on this.

Good luck and fair winds to all for '74 from the P.N.W.D.

#### PERU DISTRICT

District	Commodore Roger Vansprangh
District	Secretary Teient Luis Jauregui
District	Treasurer Gunter Ritter
District	Champion Cesar Zanatti
District	Runner-Up Carlos Arteaga

Fleets: Club Regattas Lima (261); Yacht Club Ancon (264); Yacht Club Peruano (265); Club Universitario de Regattas (Callao) (424); Peruvian Naval School (452).

The District was proud of its representation at the Worlds in Buffalo last August by Jose Barreda-Moller and Hans Stuhr. They reported favorably on the arrangements and told of meeting our Lightning friends.

Right now we are racing the selection between the Peruvian boats in order to classify six boats for the XX South American Championships, which will be raced March 1-9, 1974, in Callao. We have finished, up to now, four of the eight races to be sailed and the actual classification of the first nine boats is as follows:

1) Gunter Ritter, 2) Carlos Navarro, 3) Carlos Arteaga, 4) Gaston Larco, 5) Russell Brewington, 6) Jose Barreda M., 7) Felix Segura, 8) Hector Sabogal, 9) Cesar Zanatti.

Here in Peru everyone is working hard on the preparations for the South Americans. We have several new boats in the Fleet Universitario de Regatas. We have a new Fleet, just now chartered, at the Peruvian Naval School and are looking forward to another active sailing year in 1974.

#### ST. LAWRENCE VALLEY DISTRICT

	Commodore Russel Scrim
District	Secretary Jack Nordin
District	Measurer Ted Wilson
District	Champion John Goyder
District	Runner-Up Michel Brossard

Fleets: Royal St. Lawrence (215); Hudson (376).

The season was a quiet one, both on the part of the wind and the level of activity.

The District championship was sailed in very light winds for two out of the three races. John Goyder successfully defended the championship he won last year.

The Hudson fleet has suffered from the rival attractions of single handed sailing and was not able to contest the team race against Royal St. Lawrence. The trophy, therefore, remains with the latter club.

Main event of the season was C.O.R.K. We are fortunate to have a regatta of this importance regularly in the District, held in each of the non-Olympic years within easy reach at Kingston, Ont. Russ Scrim, Bill Dunnington and George Layton, all of RSTL, took their boats to Kingston. Russ Scrim finished 19th in the strong international fleet of 39 and was the seventh Canadian boat, which was a noteworthy performance.

Although the fleets in the district have suffered some losses, new boats are joining at both Royal St. Lawrence and Hudson. Next year has the promise of greater activity.

#### SOUTHEASTERN DISTRICT

District	Commodore	Paul Rodesiler
District	Vice-Commodore	Randy Brooks
District	Champion	John McIntosh
District	Runner-Up	Tom Waters

Fleets: Savannah (127); Clarks Hill (257); Lake Murray (341); Lake Lanier (348); Lake Hartwell (391); Pamlico (410); Triad (415); Greater Charleston (429); Palmetto (440).

The 1973 sailing season was enjoyed by the 54 participating skippers in the seven regattas held for "Lightning Only" in the Southeastern District. District Commodore Tom Waters did a fine job of putting together the regatta circuit. He was assisted by scorekeeper Randy Brooks and his computer.

Atlanta Cup trophy winners, left to right: Bert Berry, fourth; Gordon Kellogg, fifth (fourth in circuit); Tom Waters, second (first in circuit, hence, large trophy), Billy Waters, crew; John McIntosh, third and Bill Slager, first (second in circuit).

The first regatta of the circuit was co-hosted by Fleets 341 and 440 of Lake Murray at the Columbia (S.C.) Sailing Club. The Southeastern District Commodore placed first, while two salt water sailors from Savannah, Charles Kilpatrick and Randy Brooks, won second and third places, respectively. Who says the coastal sailors can't sail well on lakes! In actual fact, Lake Murray resembled coastal sailing, with good winds and a good chop, but with a steady rain. Bob Wilkins of the host club finished fourth, while Bill Canniff took fifth place honors.

The next circuit regatta was held at Clark's Hill Reservoir, which was hosted by the Augusta (Ga.) Sailing Club. The first race was started with the wind blowing 25 knots, gusting to well over 30 knots. Randy Brooks won the first race, with Tom Waters second and Bill Sloger third.

After sailing back to the club and viewing the building wind from shore, the race committee announced that a second race would be sailed. Upon reaching the starting line, the race committee hoisted the abandonment flag and all returned to the safety of the shore.

Two races were sailed back to back Sunday morning in light winds. Bill Sloger won the regatta, while Ted Kelker, Tom Waters, Randy Brooks, and Gordon Kellogg rounded out the top five places.

The District Championships were sponsored by the Greater Charleston Fleet, with 15 boats participating. The winds were strong and the competition close for the five race series. Randy Brooks won the first race, followed by John McIntosh and Tom Waters. After a break for lunch, Randy Brooks and John McIntosh repeated their first race finishes. The third race was won by Jud Barber, with John McIntosh again placing second. Sunday morning saw the same wind conditions for the final two races. Tom Waters won the fourth race, while John McIntosh won the fifth. Final standings were very close, with John McIntosh winning by one point and Tom Waters in second place. Jud Barber finished third, just three points behind the winner. Randy Brooks finished fourth and four points out of first place. Bill Sloger placed fifth, to round out the top five.

The fourth circuit regatta was held at the Savannah Yacht Club in winds that ranged from light to medium. As in the District Championship, John McIntosh and Tom Waters again battled for first place honors. The final results were: first, John McIntosh; second, Tom Waters; third, Randy Brooks; fourth, Charles Kilpatrick and fifth, Jim Daniell.

The circuit moved inland for the next regatta, which was hosted by the Triad Fleet on High Rock Lake. Bill Sloger won the first and second races. The third race was won by Corky Gray, a member of the host club. The top five places

were: Bill Sloger, Corky Gray, Penny Brooke, Bill Pleasants and Tom Bates.

Twenty-one boats sailed in the Lightning Invitational, held by the Lake Hartwell Fleet. The first race was started in very light winds. No one completed the first leg of the course in the allotted time, and the race committee immediately set a new course. The light wind held, and the fleet completed the race, with Bill Sloger placing first, Tom Waters, second, and Harvey McCormick, third. Tom Waters won the second race, while Gordon Kellogg won the third race, which was sailed on Sunday morning. The best five finishes were: Bill Sloger, Tom Waters, Gordon Kellogg, Randy Brooks and Dick Scott.

The seventh and last regatta was the Atlanta Cup held on Lake Lanier, with 27 boats participating, including Tom Hudgens from Nashville, Tenn., and Dr. Jim Gilbert of Washington, D.C. The pin end of the starting line, as well as the port side of the course, were favored in a dying 15-knot breeze. Bill Sloger of Lake Hartwell was first, followed by Bert Berry of Savannah. The second race again was the pin end of the starting line favored, with the wind continuing to decrease in velocity. Gordon Kellogg, of the host club, won the race, with Tom Waters, second. The final race Sunday morning was sailed in gusty 15-knot winds but was reduced to a drifter by the end of the race. John McIntosh was first, followed by Tom Waters. The final standings were: Bill Sloger, first; Tom Waters, second; John McIntosh, third; Bert Berry, fourth; Gordon Kellogg, fifth. Based on circuit results, trophies were awarded as follows: Tom Waters, first; Bill Sloger, second; Randy Brooks, third; Gordon Kellogg, fourth; Bill Canniff, fifth. Others who also qualified in the circuit were Harry Hintz, sixth; Gil Klemann, seventh; Reg Brooks, eighth; Marshall Sansbury, ninth.

We are now planning the 1974 Lightning Circuit and look forward to another good year of competitive sailing. Please join us in the Southeastern District for the Deep South next March at Savannah. We would also encourage Lightning sailors to join us in any of the circuit races and especially the Atlanta Cup (Oct. 5-6, 1974). Atlanta is only 6-8 hours away for many sailors in the Mississippi Valley and Dixie District.

#### SOUTHERN DISTRICT

District Commodore	Guy Richards
District Secretary	Rick Skinner
District Champion	
District Runner-Up	

Fleets: Southern Yacht Club (62); Mobile Bay Yacht Club (135); Shreveport Yacht Club (175); New Orleans Yacht Club (209); Lake Charles Yacht Club (399); Morgan City Yacht Club (443).

The 1973 sailing year was kicked off with a real bang with the Sugar Bowl Regatta at the Southern Yacht Club in New Orleans. In fact, a lot of things went "bang," including a mast and a few rudders. Good Lightning participation followed the Sugar Bowl with the Holiday in Dixie Regatta, Shreveport, La.; Contraband Regatta, Lake Charles, La.; One — Design Regatta, New Orleans; Lightning Invitational Regatta, New Orleans; Summer Regatta, Mobile, Ala.; Gulf Yachting Association's Lightning Championship Regatta, Pass Christian, Miss.; Southern Lightning District Regatta, New Orleans; Labor Day Lightning Invitational Regatta, New Orleans and Fall Sailing Festival, Fairhope, Ala.

Although there were quite a few skippers and crews who did a lot of traveling this summer, this year's "Gypsy Award of the Year" must again go to Louis (Debbe), Norma and "Pokey" Lallande out of Morgan City, La. Debbe has converted a retired school bus to a mobile home with all the comforts of home, in particular Norma's cooking. It serves as out-of-town home base for the entire Morgan City sailing contingent, including the Lallande's own two Lightnings. The District warmly thanks them for their participation in regattas from one end of the District to the other.

The District regatta was held in New Orleans at the Southern Yacht Club July 13-15. The prevalent weather this year has been unusually light, and the Districts were no exception. Although there were no drifters, concentration was important in keeping the boats going with the moderate

chop. Most successful in doing just that were in order of finish: Greg Zettler, Bob Wardwell, Gil Whitworth, Robert Jeffcoat and Francis Favaloro. Bob Wardwell, Robert Jeffcott and Buck Ballatin went to Tawas for the North Americans. In the President's Cup, Buck finished second and Bob, seventh. In the Governor's Cup, Robert finished eighth.

With the exception of the District Regatta, top sailing honors went almost exclusively to "Senile Buck" Ballatin of the New Orleans Yacht Club. He has had an incredibly successful year, winning every regatta entered except the Districts and North Americans. This year saw a dark horse in Bob Wardwell. The name is indeed so dark that most people still don't recognize it, because it gets mispelled so many different ways. He last appeared as Wob Wardell. At any rate, Bob bought a Lightning this February and ended up the season with the John Curran Trophy for the best combined score in the District's two most important events and with seventh place in the President's Cup. The two other most consistent sailors have been Greg Zettler and Gill Whitworth.

Several short weeks after election of Greg Zettler and Guy Richards to District Commodore and Secretary, respectively, Greg was transferred to Seattle. It was a sad day, because we surely hate to give up our best competitors. Guy assumed Commodore's responsibilities, and Rick Skinner became the new Secretary.

We made a tremendous advancement in District communications this year, with the help of Francis Favaloro of the Southern Yacht Club, New Orleans. He supplied a computer program to print out pre-addressed, self-sticking mailing labels. They have been a real boon to written correspondence.

The people of New Orleans deserve special credit for hosting so many regattas. It is the most desirable location insofar as being central to the District and we hope that they will continue to have us.

The 1974 Districts will be held at Lake Charles, and the G. Y. A. Regatta will be at Fairhope. Hopefully, this coming year will be a year of traveling to regattas, particularly for those who haven't been able to do so before now. It's not until then that they can really enjoy the class and members, not to mention the improvement that their sailing can experience.

#### SWITZERLAND DISTRICT

District	Commodo	ore		Jean (	C. Hess
District	Secretary	********	Paul	Grune	nfelder
District	Measurer	***************************************		Oskar	Weber

Fleets: du Lac de Neuchatel (169); Zurichsee (219); Sepachersee and Hallwilersee (250); Bielersee (268); Vierwaldstattersee (281); Greifensee (309); Lac de Morat (358); Bodensee and Untersee (404).

Our racing season was marked by three outstanding events.

First was the International Swiss Championship to be remembered by the complete lack of wind. About 35 boats waited for four days for the races and action. No champion could be appointed.

Second highlight of the season was the European Championship, with only 22 boats, but with a sensational hospitality, demonstrated by our Italian friends. Winds were up to Bf 4 and better, and racing conditions and organisation could not have been better. Seven Swiss boats and one German boat, being more or less one of ours, took part, thus representing nearly a third of all competitors. The first two positions went ex aequo to a Greek and a Finnish boat. Third position went to the first Swiss boat Hocora, skippered by Hans Rahn and crewed by Meier and Eigenmann. Between the fourth boat and the ninth there was a difference of 0.9 points only, so well balanced was the quality of the different crews.

The third highlight was a negative one. Because of technical difficulties in building the new fibre-glass boats, delivery was delayed for several months. This made us lose about a dozen or more new or prospective Lightning sailors and crews. We hope, however, to win them back.

As far as skippering the Swiss District is concerned, Dr. J. C. Hass will retire, having served as Commodore of Switzerland for the last six years. We will propose Mr. Hans

Fighting it out for the European Championships.

Rahn from Zürich to take his place. He will be elected by the annual assembly general agreement provided. We take advantage of this opportunity to thank our Vice-President for his constant support, and the ILCA with Mrs. Helen Limbaugh for the most appreciated cooperation. We have managed to fulfill many ambitious plans. Others still have to be completed by a new man with fresh drive and new ideas. The attraction of the next season will be the European Championship in Athens. We hope to be represented, with a baffling number of entries.

Winner of our national "Kami-Kaze-Cup" is the boat, "Waggu," skippered and crewed by the family Wyler, followed by Lüthi, Urech, Rahn, m. v. Gunten.

And here the Swiss results over all of the European Championship: 3) Hans K. Rahn, 5) Grandguillaume, 7) Hess, 8) Monnier, 9) Flühmann, 10) Lambelet.

#### **TEXAS DISTRICT**

District	Commodore	Duncan Porter
District	Secretary	Claudette Hatfield
District	Champion	Calvert Garrett
District	Runner-Up	Bob Thomas

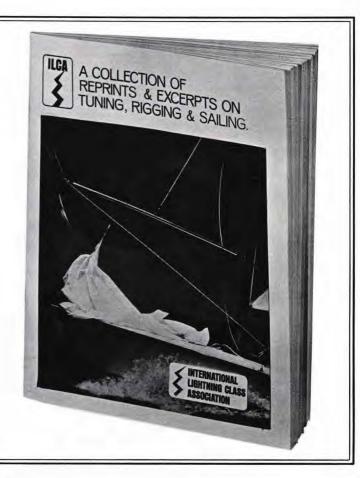

Fleets: Dallas Corinthian (35); Port Arthur (407); Rush Creek Yacht Club (435); Galveston Bay Sailing Club (448).

Our newest fleet, from the Houston area, has Mentz Billingsley as Fleet Captain. Dallas Lightning sailors traveled to Houston for the Mid-Winter Regatta to welcome this new fleet to the Texas District.

Calvert Garrett and Bob Thomas traveled to the North American Chamiponships at Tawas Bay, Mich.

The District Championship, in June, was held at Rush Creek Yacht Club, with fine wind and weather and the 17-year olds out in front all the way. However, the experience of the "over 30" group provides competition at all times. The wonderful world of sailing has no communication gap.

The Lightning Book is available from I.L.C.A., 808 High Street, Worthington, Ohio 43085. \$3.00.

It is pretty much an established fact that the fortunes of most sailboating organizations tend to ebb and flow with a frequency that is far too regular. And so it was with Fleet 1 in 1973. We did not enjoy one of our stronger seasons. If there were four or five boats on the starting line, it was one of the better turnouts. Hopefully another year will see our fortunes on the rebound.

Kirk Reynolds, dividing his time about equally between his Lightning and Finn, performed with outstanding success in both classes. If he wasn't winning a Finn Regatta, he was adding insurance points to his insurmountable lead as Lightning Fleet Champion. Back in his Lightning, Kirk won the Skaneateles Invitational Regatta. Other regatta successes included Air Finn's tie for top honors at South Skaneateles, with Jeff Penfield from Cazenovia.

Fleet 1 was delighted to learn of Association Island's, in nearby Lohs Ontario, acceptance as the national Olympic training site. We are now looking forward to the day when our District can extend an invitation to I.L.C.A. to host the North American Championships at this choice location.

Last summer we warmly welcomed two new additions to our racing fraternity — Bob McColgin and Carl Lanning. Charles Lincoln is threatening to appear next season in a late model boat, so look out for Charley! The most ancient of all Lightning Fleets is not dead yet.

Fleet activities started on June 16-17 with our annual Spring Regatta. This event was won by our own Bob Adams, with Bill Cramer of Metedeconk Yacht Club, second and R. Dickerson of Monmouth Boat Club, third.

Next major event was the hosting of the Central Atlantic District Championship Regatta July 14-15. This event was held on the Green Island Course on Barnegat Bay. Winner was Alan Ruiter of Normandy Beach Yacht Club, followed by Jim Carson and Bill Newman, both of the Metedeconk Yacht Club. For complete results on this event, see September Flashes.

Bob Adams represented BHYC Fleet 3 at Tawas Bay, North America Championships, and finished eighth in a 33-boat fleet. Bob then went on to the World's, held at the Buffalo Canoe Club, Ont. Here, Bob placed ninth in a 39-boat fleet.

This year John Orelup, Philip Shannon, Bob O'Brien and Bob Adams enjoyed competing in the Saturday BBYRA Series. The Sunday Senior Series saw more boats competing. A crew of our juniors, skippered by young Billie O'Brien, racing in this series, accounted for three firsts. This is a good sign for the future. For July, Bob O'Brien was the point winner, with Ned Benedict runner-up. The August Series found Philip Shannon the point winner and Billie O'Brien, runner-up. Point standings for the entire season showed Bob O'Brien fleet champion with Philip Shannon runner-up. The 1973 Round Robin was won by Ned Benedict, with

Corby Day, second and Jim Kellogg, third.

The 1973 Lightning Cup for outstanding contributions to Lightning sailing at BHYC was won by Philip Shannon.

With more of our skippers turning to glass boats, we look forward to heated competition for 1974.

The 1973 season found Fleet 5 host to two major regattas, in addition to our usual active fleet racing schedule. The Midwest District's in July and the Red Flannel in September were both moderately attended, with 36 and 31 entries, respectively.

A four-race Early Bird series started our season in mid-May. The season continued with a 10-race series on Saturdays and an 11-race series on Sundays. This Saturday-Sunday schedule was new this season in an attempt to allow those who had other fixed commitments, one day or the

other, to select a series to compete in.

Qualifying for a trophy this season became more of a possibility for those who could, for instance, only sail on Sundays. Such a schedule, however, appears to have one marked disadvantage - fewer boats congregate on the starting line, since the fleet tends to become divided between Saturday and Sunday sailors. We have hopes, though, of developing a schedule for next season that will allow most of our members to remain competitive and at the same time encourage the maximum number of boats to race together.

Our very own Bruce Goldsmith finished the season again ith an impressive list of victories — World Champion, with an impressive list of victories — World Champion, North American Champion, Midwest District Champion, Southern Circuit Champion, winner of the Red Flannel and Gim Holbelman regattas, etc., etc. Our congratulations to Bruce, Pam and crew for their continuing display of sports-

manship, neat tactics and sailing skill.

Bob Smither, I.L.C.A. Chief Measurer and V.P., has managed to devote great effort this year toward resolving some of the outstanding questions concerning plans and specific the second cifications. We all encourage Bob to continue his effort towards resolving such considerations as the oval section mast and the aluminum center board. Bob also competed vigorously in some of the top regattas and did quite well.

Bob Spitz, whom we have known for years as a top sailing talent and an all-around great guy, has allowed his talents and interest to be drawn to the next unquestionably higher level of excitement and sport — sailplanes. We expect that Bob might name his new plane "Thummer Thermal." Our best to Bob on leaving Fleet 5.

Fleet 5 looks forward to an active '74 sailing season and to a number of new fleet members.

Fleet 12 sailors had an active year. The Southern Circuit started things off with Allen and Shore doing a good job.
Regular races start on Albino Bay the first weekend in May. Some years we dodge a few icebergs. Fleet 12 members attended all the major regattas, usually making a good show-

along with lots of silver from many other regattas. We again held an auction in mid-summer. This is a great way to make money for a fleet. Members bring lots of old sailing gear and equipment. Some donate new equipment at cost. This year's auction included auctioning off a new Laser with the profit going to the fleet. We made more than enough money to buy a new Loud Hailer for B.C.C.

It was a pleasure for Fleet 12 members to help the B.C.C.

run the World Lightning Regatta. It was really great to see how every member of B.C.C. pitched in to make this Regatta a real success with fine housing for foreign crews and free

Thanks to all members of the race committee and scorekeepers for a wonderful summer of racing on Albino Bay.

Lightning racing started on Great Sacandaga Lake a bit earlier this year, with a warm-up regatta organized by Don Kerr. Several boats came from the western end of the district, and our neighbors at Galway Lake, Fleet 338, appeared with three boats. Cold, blustery, wet weather along with unusually high water greeted the contestants. After two races each day, our guests from the west shared silver with Mayfield, as Bob Hollmann and Jeff Penfield placed first and second. Dave Sawyer picked up a third.

Again Fleet 13 champion was Ed Kruszona. Bob Hollmann came in second with a new boat and having to become familiar with one of the new unjumpered masts midway in the season. Jim Nelson battled successfully with Ed Koenig for third. In the July series, Ed Kruszona, Bob Hollmann and Jim Nelson placed 1-2-3. In August, Ed Koenig replaced

Jim Nelson in the third position.

Things to remember this year are the extremes of temperature, both hot and cold and wind. Races were canceled and rescheduled by the lack of wind and by adverse strong winds. Six boats journeyed to Skaneatles in June for the Skaneatles Invitational where Bob Hollmann finished third. Later in the year, Doug Koenig skippered 10736 to a third place at the other end of the lake in the South Skaneatles Regatta. The Goenig family was our most active regatta participant this year. Colin Bowler was the most recent active addition to our fleet.

Although May and June on Casco Bay had enough fog and rain for several seasons, 1973 was a successful year at Centerboard Yacht Club. Membership was increased by four skippers — Jim Caruthers, Tom Curry, Archie Prince and Tom Valleau. There are now 11 Lightnings in the fleet.

July was regatta month on Casco Bay, with the State of Maine, July 7-8 at CYC and the aborted New England Districts July 20, 21, and 28 at the Portland Yacht Club. The State of Maine with 32 Lightnings was held under ideal conditions, with Don Brush picking up the first place trophy. Dave White of the local CYC was in 10th position, the best finish for Fleet 14.

The last weekend in July, CYC hosted the Casco Bay Inter-clubs under Jack Dexter's expert direction. Several classes of boats braved winds to 35 mph in the two days of racing. Bill Liller in first place, George Huettl in second, and George Hackett in third picked up trophies in the Lightning Class for the local fleet.

Although the members did not travel a great deal, Dave White did go to the Long John Regatta, Red Bank, N.J.; Westport Tune-up, Westport, Conn.; North Atlantic Regatta, Niantic, Conn.; Skaneateles, Central, N.Y.; Cedar Point Invitational, Westport, Conn.; and the State of Massachusetts, Annisquan. George Huettl also went to the State of Massachusetts, and Tom Valleau to the Massabesic Regatta, Manchester N.H. chester, N.H.

The summer series was only one race old when August approached, but the two races per week-end during the rest

of the season gave ample opportunity to test the local skippers' abilities. Dave White easily captured first place in the series with Jack Dexter, George Huettl and Bill Liller vying for the second and third positions. The final race of the summer settled the issue with George Huettl picking up the runner-up trophy and Jack Dexter in third place.

"Tragedy" struck only once during the season, as Jack Dexter saw his mast break during the State of Maine. George Hackett and crew did test their self-rescuing Lightning and found that it works.

Fleet 14 is hoping to add still more skippers for the 1974 season and welcomes anyone to "Come and Sail Me."

As in all years past we've lost some of our sailors and gained some. Bill Sitterly no longer races with the Club. And John Folwell has retired and will be especially missed. Hank Fretz, our former champion, has built himself a big boat and is determined to become an SORC Champion. On the whole, our new sailors have outnumbered the departed ones and the caliber of the middle of the fleet has improved.

For the summer of '73 Heinz Kornmann sailed away easily with the big honors. He is our new fleet champion, ably assisted by his wife Eleanor and son Chris. Besides earning the title of fleet champion, Heinz took two of three summer

The third of the three summer series was won by a great Lightning sailor, Herm Henschen. Herm sailed only part of the time, but when he did, the cock-a-doodle-doo of his boat Rooster could be heard at the head of the pack.

Second place for the season was hotly contested by Joe Mark and George Madel. It wound up as a tie (when the last race had to be cancelled because of lack of wind). But George took it on our point system, and so George Madel wound up as fleet runner-up with Joe Mark as third.

The season came to an official end for the home fleet when the Fall Regatta was held on September 15th and 16th. This regatta is now part of a "Short Circuit" fall series where races are held at three lakes in the Metropolitan District. (The other two are Greenwood Lake and Lake Mohawk, both in New Jersey). The winner of our Fall Regatta, having beaten 25 other boats, was Sandy Huntsman, of Monmouth Boat en 25 other boats, was Sandy Huntsman, of Monmouth Boat Club. Our own Suzy Porter was second (with Hank Fretz as the after-guard and crew). Third, fourth and fifth were Graham, Bierman and R. Sengstacken. A special salute goes to our heartiest and oldest participant, Chet Howell of Greenwood Lake, who can stick a mast in all by himself and claims to be born in 1911.

Stan Moldawsky was an excellent regatta chairman, having arranged for a Hawaiian Luau (stuffed pig and all) and a free apple for all the losers. George Madel, fleet captain, ordered up plenty of wind and three seven legged races. (Everyone was too tired, so there were no complaints about anything). The committee boat was capably handled by Ed Engborg, assisted by wife Evelyn and Eric Roos. During the season, special thanks to Eric for his committee boat work.

The 1973 season opened with the installation of a beautiful new dock which had been constructed in sections by all fleets of the yacht club during the winter months. The ancient barge is gone forever, despite Bob Bartlett's valiant efforts at keeping it afloat.

During the year, Fleet 19 gained one new sailor, Bob Bugbee, with Lightning number 710 and lost Jack McCarthy and boat number 5628. Although Jack's other commitments won't permit regular sailing, we hope he can "pinch hit" occasionally as a crew member.

The racing season was scheduled to start with the Me-morial Day long race to the upper lake and return, but it

was cancelled due to the weather.

The July Fourth series was won by Bob Creighton, with a first and two seconds. Charlie Ludwig made a valiant effort, with two firsts on July Fourth; but a DNS on July First put him in second place overall.

The Cornball Regatta on August 18-19 ran into competition from the North Americans and resulted in a smaller turnout than usual but a good time for those present. Man! What a party on Saturday evening! The undisputed winner was Dick Hallagan of Great Sodus Bay (Fleet 108) Sodus Point, N.Y. Bill Bergantz was second, sailing the boat of Karl Fahrner of Cuba Lake, N.Y. Ward Wilday also of Cuba Lake, took third.

The Labor Day long race was sailed in flukey winds, which gave everybody fits. At the finish line it was Bob Creighton first, followed by Jim McDonnell, second and Dick Hardy, third.

For the Hi-Point series, Bob Creighton was way ahead of his closest competitor. Some say he should have received a trophy for the best looking crew too (Caren Creighton and Candy Lydic). Concentration on sailing was difficult with those bikinis alongside.

As customary, two series of eight races each were sailed during the season. The average Sunday recorded seven starters. Five races were counted in each series to determine the winners. Bob Strempel and his family won the first series, and the Wilkins family won the second, with Mike at the helm this year.

Several of our veteran skippers sampled the sailing at various regattas. The results varied from silverware to swimming but showed up in additional skill back on the home lake. While the travelers were away Siferd won the "At Home" series.

Near the end of the season, Dick Collier and Commodore Byron Shafer joined the competition with new boats. At least one new boat is ordered for spring, so an exciting new energy-saving, nonpolluting racing season is in prospect.

Fleet 25 guys, "relaxing" on a Sunday afternoon.

Our Thanksgiving Day Regatta concluded a most successful and enjoyable sailing season last year at Lake Mohawk. The season consisted of two races each Sunday afternoon from May 6 to Oct. 24, and seven special trophy regattas on Saturdays and holidays.

Joining us in staggered starts were the Snipe and Sunfish fleets. Competition was very keen with several local sailors

moving to Lightnings and several very experienced Light-ning sailors moving to this area.

Spring, Summer and Fall Series winners were presented trophies at our Annual Awards Dinner and Dance as follows: Spring Series: Tom Bierman, first; Bob Graham, second; Pete Stoebling, third. Summer Series: Bob Graham, first; Pete Stoebling, second; Tom Bierman, third; Bob Tomasetti, fourth; Dave McDonald, fifth. Fall Series: Dave McDonald,

first; Jim Nolan, second; Dom Roselli, third.
In addition Lake Mohawk sailors, Pete Stoebling won the Metropolitan Districts. Bob Graham won the Fourth Annual Lake Mohawk Invitational Lightning Regatta. This latter regatta, along with those at Greenwood Lake, N.J., and Lake Wallenpaupack, Pa., is a qualifying regatta for the recently initiated Short Circuit held in September each year.

Fleet 27 had a hard time getting everyone together this season. Damp, humid weather early in the spring created refinishing problems for some. One member was in Europe for the summer; one was working seven days a week, etc. Despite these problems, eight boats of our 11-boat fleet participated in the summer series.

Ed Belkin won the spring series with three firsts and a

second out of four starts.

The summer series got under way on Memorial Day weekend. Fleet 27's newest sailor, Ron Sehulter, surprised everyone, including himself, with a victory in the first race. The second race was held in winds measured as high as 42 mph, with a plantage of the second race was held in winds measured as high as 42 mph, with the selection of the second race was held in winds measured as high as 42 mph, with the selection of the second race was held in winds measured as high as 42 mph, with the selection of the second race was held in winds measured as high as 42 mph, with the selection of the second race was held in winds measured as high as 42 mph, with the selection of the second race was held in winds measured as high as 42 mph, with the second race was held in winds measured as high as 42 mph, with the second race was held in winds measured as high as 42 mph, with the second race was held in winds measured as high as 42 mph, with the second race was held in winds measured as high as 42 mph, with the second race was held in winds measured as high as 42 mph, with the second race was held in winds measured as high as 42 mph, with the second race was held in winds measured as high as 42 mph, with the second race was high as 42 mph, with the second race was high as 42 mph, with the second race was high as 42 mph, with the second race was high as 42 mph, with the second race was high as 42 mph, with the second race was high as 42 mph, with the second race was high as 42 mph, with the second race was high as 42 mph, with the second race was high as 42 mph, with the second race was high as 42 mph, with the second race was high as 42 mph, with the second race was high as 42 mph, with the second race was high as 42 mph, which was high as 42 mph, which was also well as 42 mph. with only three skippers braving the elements. Paul Howald broke his boom. Ron capsized and Warren Baltimore survived for the victory. Warren also won the third race and the Memorial Day series.

Paul Howald won the July 4 series with two firsts in the three-race series. All three races were sailed in light air, but a squall hit just after the Lightning finish in the last race. Eighteen boats capsized and were swept toward the dam. The Lightnings were unscathed, as they were able to make it to the dock before the brunt of the storm hit.

Paul also won the Labor Day series with two firsts and a second. Tom Brugh won the second race. Tom had some problems early in the season, but he bought a new boat in August and sailed very well for the remainder of the year.

The summer series and fleet championship were not decided until the last race. Paul Howald and Ron Sehulster battled right down to the wire. Paul put it away with a victory in the last race of the series. Consistency paid off for Paul. He never finished worse than second throughout the long summer series.

The fall series was won by Ron Sehulster, with six firsts out of seven races.

George Seiple is once again to be congratulated for a fine job in heading up the Junior Sailing Program at LYC.

Bob Ariss deserves special mention for his attempt at "Le Mans" start. He ran down the dock at the five minute gun, jumped in the boat and broke the starboard seat. We wondered why his boat was heeled to port on either tack during the race!

Highlight of the season was the renewal of the LYC-HYC Interclub Regatta, sailed Sept. 22-23 at Leatherlips, and Sept. 29 at Hoover. The first two races were sailed in survival conditions. Ron Sehulster survived best, with two firsts. Five boats didn't fare so well, with one DNF in the first race and four in the second. Tom Varley (HYC) won the third race in light flukey air with a close decision over Don McCusker (HYC). The "Leatherlips air" turned out to be no advantage to the local sailors, as the Hoover contingent took the first five places in that race.

The two fleets moved to Hoover for the final two races. Dan Webster (HYC) won both in light to medium air to capture third place for the series. Ron Schulster (LYC) won the series and the coveted Mayor's Trophy. Warren Schiesser (HYC) was second. Dick Denning, defending champion, was master of ceremonies at the awards presentation.

Enthusiasm ran high throughout the series. Before the last boat crossed the finish line in the final race, plans were being made for next year's renewal.

Bill Welch transferred from the Central New York District and is actively campaigning #11078. Al Dickerson is currently Michigan District Commodore and represented the fleet in the North American Championships at Tawas.

The interest and enthusiasm these fellows have for the Lightning will help spark more activity this next year.

Three boats in one season above the 12000 mark means something. On Devil's Lake it is just one sign that the competition is getting tougher than hell. Another sign of our fleet's increasing prowess is that three of our members, Sipel, Paullin and Laidlaw, went to the Michigan Districts, qualified, and went to the North Americans. The fleet as a whole has improved, to give the leaders the competition they need and to inspire top level performance and achievement at the higher levels of racing.

Under the able leadership of fleet captain and wizard, Pete Paullin, a new scoring system was adopted. The system included such features as noncomputerized, low point scoring, division of the season into three main trophy series for a total of 10 serious trophies, and throw-outs. The new scoring was put to a severe test when seven weekends of light to less air caused postponements and cancellations. Nevertheless, the excitement generated by so many trophies will likely favor its adoption again, with only minor changes.

Paul Davis instructed the junior sailors in basics and gave them a great start. Jack Beal, who was also race committee for the Sunfish course of our annual regatta, was effective in instruction of advanced spiling to business.

effective in instruction of advanced sailing techniques.

George Sipel, Jr., was back in form this year, as he used his unique combination of speed, skill and consistency to win the fleet championship, Memorial Day Series, July 4th Series, Labor Day Series, the Doc Bryner Memorial Series, Second Summer Series, Commodores Cup and the Night Race. George also won the Forrest Houck trophy and third place in the 30th annual Devil's Lake Lightning Regatta.

Pete Paullin was runner-up for the Fleet Championship. Jack Tibbs won the biggest prize in the Peru, Ind., Lightning regatta. Doug Kapnick won the Captain's Cup; Merrill Bales, the Stay At Home Series; George Teller, Round-the-Lake Race; Merrill Bales, Thursday Nite Series. Norm Tolman, who came on strong this season, won the Surprise Series; Doug Kapnick, Most Improved Sailor; Hank Hodgson, Jr., Novice award; Doc Bryner, Sportsmanship award; Ann Paullin, First Mate; Jeff Hinkle, Best Crew; Parker Tagsold, the Board of Governors award.

As the season drew to a close we were deeply grieved by the sudden death of Doc Bryner. A sportsman of the highest calibre, Doc was a mainstay in the life and happiness of our fleet. He loved sailing and we loved him. We extend our deepest sympathies to Mrs. Bryner and all Doc's friends.

"So we're still in a hole — we'll bail out later."

Ralph kept his championship form and again won the

summer series, with Clem Shriver, second.

The fall series went to Clem Shriver, with Ralph Lowry, second.

Late in the season the fleet gained a boat and lost one. Roger Judy at long last launched his beautifully restored #591 after an absence of four years (or was it five?). We hope Rog and his boys soon will be back to active racing. Regrettably Dick Waller moved his boat to his new home at Atwood Lake, O. Dick and his sons, Ken and Dick, Jr., have been coming on like gangbusters, and we will miss their active support of the racing fleet. We wish Dick and his crew the best of sailing. The Atwood Lake Fleet 212 will soon be aware of the Tangerine Tornado.

During the off season the fleet social meetings were welcome occasions to keep in touch with fellow members and

plan the sailing season.

The Fall Series winner was Randy Ruhlman, giving notice to the remainder of the fleet that regardless of the Ruhlman at the helm, he cannot be taken lightly. Al Caldwell was second and Don Courtsal, third.

The July 4th Regatta was a success, with 24 Lightnings participating. The results: Bob Baumgardner, first, Rob Ruhlman, second, Bob Mains third, Dave Lewis and Lud Lekson were tied for fourth.

We hope to get the fleet active again in '74. Sherman Leonard is lost to the Fleet, having bought an Ensign, and Julie Spodek now owns a cruising boat. But the rest of the boats are still there, and we think we can get them on the line next year. It's just a matter of convincing them that winter storage ends in May!

The 1973 racing season on Lake Erie was characterized by unusually fine weather conditions with very few races blown out by heavy winds. At the other end of the wind scale there were very few drifters — all in all, a very pleasant Sunday morning series.

Fleet champion Richard Walters continued his domination of the standings, leaving Gordon Doble, Ted Luntz and Dave

Kramer to battle for the remaining positions. We were particularly pleased to welcome Dave Kramer and his new boat to Fleet 37. Although not raced regularly, Lightning 12226

showed itself well found, crewed, and skippered.

A gratifying number of visiting boats attended the annual Mentor Harbor Yachting Club Invitational Regatta, held in June. The guests' boats were all well sailed and took

just couldn't get enough participants for every race and we have no fleet champ this year.

Both Tom and Dick did a lot of traveling to stay tuned up, and they fared well as viistors. Tom won the Long Island District Round Robin and the Northport Invitational Regatta. Fleet 39 saw a lot of serious racing this season. In addition to 21 fleet series races, Chelsea hosted the Chelsea Open Regatta and the Metropolitan District Championships on con-

secutive weekends in mid-July.

Twenty Lightning sailors took advantage of the Open Regatta to practice for the Districts. All three races were sailed in good to heavy winds, which kept most of the sailors too busy to care about the rain which fell throughout the third race. Even the rain could not cool the red hot John Schneider, who won all three races and the first place silver for the Opens. Bob Hutchinson, Redbank's other speedster, took second place with 2-3-3. Nyack provided third and fourth places, with Tom DeStasio and Dave Brown respectively. Bob Sengstacken of Awosting took fifth place.

Good winds held for the first two races of the Lightning District Championships, and so did John Schneider, winning both races. The third race, which was a real drifter, was

both races. The third race, which was a real drifter, was thrown out, based on John Schneider's protest.

District winners and their clubs, based on the two races, were: John Schneider, Redbank, first; Henry Fretz, Paupack, second; Pete Stoebling, Lake Mohawk, third; Tom DeStasio, Nyack, fourth; Bob Hutchinson, Redbank, fifth. Fleet 39 ran four series races this year. The fleet was divided at the 75 per cent mark, based on a modified Cox-Sprague scoring system (Blue Fleet at 75 per cent or higher; White Fleet under 75 per cent). Both fleets raced together but boats held nositions in their respective fleets. gether but boats held positions in their respective fleets. The results of all this were that most racers won something

The results of all this were that most racers won something and everyone stayed competitive. Series winners were:

Summer Series: Blue Fleet — William Witkowski, first; Eric Fuegel, second; Lewis Larson, third. White Fleet — Samuel York, first; Edward Garber, second.

Fall Series: Blue Fleet — Walter Schwanee, first; Eric Fuegel, second; William Witkowski, third. White Fleet — Skin Heller first: Sal Cerniglia second.

Skip Heller, first; Sal Cerniglia, second.

Frostbite Series: Lewis Larson, first; Eric Fuegel, second; Gordon Smith, third. White Fleet — Sal Cerniglia, first; Samuel York, second.

Season Overall Positions: Lewis Larson, first; Eric Fuegel, second; Walter Schwanee, third; William Witkowski, fourth. Lew Larson just beat out Eric Fuegel for his third consecutive Fleet Championship. Eric, in addition to being second overall, topped everyone for stamina by partici-

pating in all 21 series races.

The long distance race was held in very heavy winds again this year. It is becoming traditional for the strongest wind of the season to blow for the long distance race at Chelsea. Fred Fuegel, making good on Dad's hiking (Eric Fuegel), won the event. Richard Hildreth, going all out in his attempt to win, was blown over by a strong gust as he got his second place gun just behind Fred. Rich Rudert, who was skippering Lew Larson's Lightning, finished third. Gordon Smith took fourth.

Skipper-crew races offered some relief from tension mid-way through the season at Chelsea, unless you happened to be a skippering crew or a crewing skipper. Ken Green, skippering Bill Witkowski's Lightning, won the event. Fred

Roberts and Fred Fuegel tied for second, skippering Lew Larson's and Eric Fuegel's boats respectively.

In addition to Chelsea races, Fleet 39 members participated in The Long John Regatta at Red Bank, the Nyack Boat Club Spring Regatta and the Minisceogo Yacht Club Sutherland Regatta.

In the non-racing department, Fleet 39 welcomes new skippers Frank Backus, Pete Bonk, Dave Petelinz, Gordon Smith and Sam York. Also welcomed is the club sponsored Explorer Post which has obtained a Lightning. The Post's intent is to have scouts skipper and crew their Lightning in all club sailing events.

Fleet 41, savoring once again the pleasures of getting together with only sailors in the district, not only sailed (or attempted to) a lively schedule of 26 point races, including two weekends at Chelsea, but also participated at Nyack, Greenwood Lake and Wallenpaupack. At home we hosted the Sutherland Regatta in June, and in September, the Hi-Tor Regatta, which was first cancelled and then reinstated by popular demand. The latter, topped off by a barbecue is always, while small, a most congenial affair.

Besides the usual sprinkling of capsizes, two skippers had their boats holed at Chelsea the week before the districts. Both got fast repairs and returned full of fighting spirit the next week for the big race. One, Wayne Wilson and family, made a nice come back to take seventh place. In July we celebrated our second intrafleet wedding. Best wishes to Marty Brophy and crew Sandra Phelps. Last but not least, the fleet is proud of Dick Tripp who had his sailing season interrupted by his secont property of the property acceptance to Kings Point Maritime Academy. Before he left in June, he won three straight races and took a third in the Sutherlands, causing a big sigh of relief from the defending champions Bitler and Lewis at Dick's good fortune in being appointed to the academy! But watch out, fellows, Younger brother Bruce is coming on fast!

Jim Dressel and Matt Fisher started the season by attending the Southern Circuit. Jim sailed all three regattas and did his usual super job with a great crew that sailed with him throughout the summer — his wife, Nancy and Gary Cameron. He finished second overall in the circuit. This was the beginning of a great year for Jim. Matt, with his crew of Steve Roshon and his dad, sailed at St. Petersburg and Miami. An eighth at Miami was certainly respectable.

Activity on the home front temporarily came to a stand-still. Greg Fisher was chosen to sail in the Youth Championship in Chicago, which resulted in his spending quite a bit of time in other 470 Regattas. Matt Fisher, finishing up his last year in the Junior Championships, sailed other regattas in preparation for the Championship. Jim was preparing himself for the World's championship in Buffalo and sailed

more than his usual number of regattas.

I am sure the other fleet members understood the situation. We all look forward to another great year at Buckeye Lake in 1974. We feel very fortunate to have Gwen Petersilge with her new boat sailing with us. This also includes ther two brothers, two sisters, mother and father. All of them are very enthusiastic about sailing, particularly the latter, who is an enthusiast both in and out of the water. Steve Roshon's brother, Dan, sailed the boat this summer while Steve was in college and did a great job. We all look for great things to come from the Roshon brothers.

Buckeye Lake Yacht Club is extremely proud of Jim and Nancy Dressel. Jim won at Indian Lake, Sandusky Spirit Regatta, Milwaukee, and finished high at St. Mary's, Buffalo and Toledo. But this was just a build-up for the World's at Buffalo Canoe Club, where he finished second after sailing a great series. He gave Bruce a go for the championship right down to the last race. Jim then backed this up with a fourth place at the North American Championship at Tawas. He finished the season with a second at Chicago and a third at the Snowball, where he finished first in the last race to cap the season. Our hats are off to Jim, Nancy and

Gary for a job well done for 1973.

Matt and his crew, Judy and Jeff Metzger, had a great year. He finished second at Indian Lake, fourth in the Great Lakes Championship, second at the Districts, fourth the the Spreyhell and seventh in the qualifying series at at the Snowball and seventh in the qualifying series at Tawas, where he ended up 12th in the North American Championships. He and his crew also won the Junior Inter-League Championship over 19 other teams at Put-in-Bay and finished second in the semi-finals at Devil's Lake for the Sears Cup. This team sailed in the Thistle Districts in preparation for the Sears Cup elimination at Sandusky. They finished second overall after leading the series in the first two races. Buckeye Lake is very proud of this junior team.

Greg Fisher finished seventh in the Youth Championship at Chicago in the 470's, with crew Holly Petersilge. In his Lightning, Greg finished fifth at Indian Lake, fourth in the Ohio District at Cleveland, and third in Milwaukee. He and Holly also finished second in the 470 Districts in Michigan to qualify for CORK. His crew for this year was Holly Petersilge and Gwen Petersilge.

Good luck and good sailing.

The first starting gun of the 1973 season was fired on Sunday, May 13, after an exciting Bloody Mary breakfast. Whether it was the weather or the Bloody Marys, we don't know, but only four or five of the twenty boats ended up on the starting line. At a later time it was decided it was

the weather, and the race was aborted.

The championship series started the following Sunday, May 20, and the nine-race series ended on September 9. Our club champion for 1973 is Dr. W. M. Humphrey Sr. (affectionately known as "Humpy" by the local gang). "Humpy's" seven best races in 9140 were 4-2-4-4-3-3-3. Jeff Jones, sailing 12240 (Silver Lake's Newest Boat), took the second place trophy. Bud VanArsdale, sailing 10808, received the third place hardware.

The Stay-at-Home Series of four races was won by Pete Jones in 12240, with finishes of 7-3-6-1. In second place was Bill VanArsdale in 9845. Third place silver went to Dr.

Humphrey.

Day weekend with 10 boats competing. Once again "Humpy" was the winner of this three-race series. Second place boat was 11587, skippered by Eddie Willse, who also won the Most Improved Skipper of the year trophy. Third place was picked off by Jay Emmens in 8004.

The Neal Memorial Series was sailed July 1st and 4th, with two races on July 4. Seventeen of the twenty-boat fleet competed in this gala event. Winner was young Eddie Willse in 11587. Second place silver went to Bill VanArsdale. In third place was our sailing dentist. Dr. Humphrey. In third place was our sailing dentist, Dr. Humphrey.

The Labor Day Weekend Benedict Memorial Series brought out 19 of our skippers and crews. Three races were sailed, out 19 of our skippers and crews. Three races were sailed, one on Sunday, Sept. 1, and two on Monday. Another young skipper, Mark Grinder, who replaced his Dad, Jack, in this series, won the series with finishes of 1-5-2 in 9739. Dr. Humphrey was second, and Billy Neal in 10025 was in third place. Billy was also the winner of the Mid Neal Brown Memorial Trophy for the best record of a Silver Lake Beat sailing in races gaves from home. Lake Boat sailing in races away from home.

The Annual Harvest Regatta was sailed on Saturday,

September 15-16. We had great weather, and 52 Lightnings competed, to make this weekend the highlight of our season. The traditional Saturday evening cocktail party was a roaring success, and many hangovers were noted on the starting line Sunday morning. For the third straight year, Dick Halligan of Sodus Bay Yacht Club was the winner, with finishes of 2-3-1 in his boat #12355.

Second place went to Tom Allen of the Buffalo Canoe Club; third place to Stuart Anderson of Niagara Sailing Club; fourth to Cal Schmiege of Buffalo Canoe Club and fifth place to Matt Bryant of the Buffalo Canoe Club. The Charles Van Arsdale Jr. Memorial Trophy, for the best showing of a Silver Lake Boat in the Harvest Regatta, was won by Billy Neal, who finished 14th.

The season finished on Saturday, Oct. 13, with a fantastic cocktail party at Commodore W. J. "Bud" Humphrey's lake front home. We then staggered our way to the Country Club for our annual awards dinner. There the

club members expressed their appreciation for the great season to the Club Officers for 1973. They are:

In many ways 1973 was a difficult year for those of us who live and work in Washington, D.C. But the weather was fair, and Fleet 50 enjoyed the sailing on the Potomac River.

Fleet 50 participates in four race series during the year. This year the spring series was won by Dr. Jim Gilbert, our twenty-year veteran of the Potomac. Dudley Gill provided son, Skipper, and daughter, Linda, with sufficient encouragement to enable them to win both of our two summer series. Mike Arnold discovered his new boat was fast enough to win in the fall. Some of our better sailors were not able to get out often enough. Jim Dillard was second in the spring series. Chuck Sieber was second in the early summer series. Dave Pyle was second in the fall, but none qualified in more than one series. Col. Al Davis had the Sea Scouts out every Sunday. Wes Baxter and Cary Dry were active in the summer and fall, and young Tom Keane showed marked improvement with his father's boat. John Morgenstern joined the Fleet late in the year and showed excellent form. He will be tough to beat in 1974.

Fleet trophies went to those who participated most exten-

Fleet trophies went to those who participated most extensively in racing. The Gill family capitalized upon an outstanding effort in the summer and respectable finishes in spring and fall to win the Fleet Championship. Last year's champion, Frank Gentile, was consistently up front throughout the year, which put him in second place. Mike Arnold turned a strong fall performance into third place for the year. (Division B winner was not certain as this was submitted to ILCA.) Hard luck award went to Dave Pyle, who snapped his mast on the last day of organized racing.

On the regatta schedule, Fleet 50 might have done better.

On the regatta schedule, Fleet 50 might have done better. Art Gatenby upheld the local honor by winning the PRSA Memorial Day Weekend Regatta. But the 18-mile downriver NYC Memorial Day Regatta, held the following Monday, was won by Woody Woodbury of Fleet 354. Bob Purnell of Fleet 72 won both the Walter Collier and President's Cup Regattas. Our friends from Annapolis defeated us in the annual Fleet 50-Fleet 329 Challenge.

We enter the next year — the 31st for our Fleet — with what we think of as an ambitious schedule of events. We again plan a series of winter seminars and an active social schedule. Give the Fleet officers a call if you happen

to be in the area.

The 1973 season started at Crescent with high water, submerged parking lot and grounds, impossible mooring conditions. Spring weekends were spent spreading fill and placing concrete. Before the middle of June, some raft-type moorings were launched, some boats moored on trailers.

We turned our thoughts to sailing and held our annual Invitation Regatta. Sixteen boats participated. Dave Nickels won, with finishes of 3, 2, 2, 1.

Our fleet racing was poorly attended. With eighteen official races, the largest turnout was 5 boats.

Our Lightning Fleet hosted Crescent's annual lobster & clam bake. A hundred persons were served with clams, lobster, chowder, Indian pudding, salad and garlic bread. Great party.

We welcome Bob and Sally Werenski to our fleet this year. We are looking forward to a larger fleet next year

with more racing participation.

trict and to the North Americans.

At Lake Fenton three new members were added, bringing our total racing on Sundays to 13. Sailing classes were also added this year, with Dave Nickels and Dave Furey instructing. The classes were well attended and the results were evident in the improved sailing during the season.

The summer's sailing started on Memorial Day weekend, with 11 boats sailing in a six-race series to determine who would represent L.F. in the District Team Regatta the following weekend. In some very close sailing, Dave Nickels, George Nickels, Don Allen, and Dave Furey were able to make the team. make the team.

As usual, the team championships, held annually at Lake Fenton, were not decided till the last race, when the Tawas team came on in a strong finish to win. Congratulations go to the Lake Fenton team for a fine second place finish.

During the regular season series, the sailing was very close, with close competition in every race and no one building a bad lead. The lake championship was not decided until the final weekend, with Dave Nickels becoming the champ. He was followed closely by brother, George, in second and dad, Herm, in third. The Margaret Nickels Memorial Trophy

on the regatta circuit, Lake Fenton had one of its best years in a long time, with Dave N. winning at Crescent and Devils Lake and George N. winning at Pontiac's White Cap. At the Michigan Districts this year, Lake Fenton sent seven boats with Dave, George and Herm Nickels qualifying to go on to the North Americans. The first two races of the 1973 season set the tone for the weather this year at Pontiac Yacht Club. The opening Bug-Out Regatta was abbreviated for lack of air. The first race of the regular series was cancelled when two boats were

The long awaited passage of Daylight Savings Time in Michigan had allowed the Race Committee to schedule an unusually large number of races in the Wednesday and Sunday series', and, in combination with four weekend club regattas, a Sears Cup Quarter-Final, the Michigan District Junior Lightning Championship and the traditional PYC White Cap Invitational, 1973 had promised to be one of the most active racing seasons in recent years.

Bill McKinley opened the year by winning the Bug-Out Regatta. Leo Wasserberger won the May-June Wednesday Series, and Bob Mathers followed suit for July-August. Jim McCoy took top honors for the May-June Sunday Series, and Lou Zednik clinched the July-August edition. Lou came right back to wrap up the fall Wednesday Series, and John Seaton sailed off with the number one spot for the Fall Sunday Series.

Both the Club Championship and Commodore Series were cliff-hangers, with results in doubt until all the front runners crossed the finish lines in the last races. Roger Asbury hung in to emerge as the new Club Champion for 1973, nosing out second place Bill McKinley by % point, with Don Fraser nailing down third.

Right behind, in the Commodore Fleet, three quarters of a point separated Dick Beaubien's first place, Lou Zednik's second, and Dick Adamson's third. A challenge regatta was reinstituted this year over the Labor Day weekend. John Seaton took top honors, followed by Clarence Holman III and John Getsinger.

Fleet Champion of Fleet 54, Cass Lake, Pontiac Yacht Club (who often races the boat all by himself).

As usual, PYC was ably represented on the traveling regatta circuit, with Leo Wasserberger, Bill McKinley and Don Fraser bringing home top trophies. Leo continued his annual collection of hardware at Lake Lansing with a second and followed up with another second over a tough field at the Great Lakes Championships at North Cape. Bill McKinley trailered to Buffalo to take third place at the Canoe Club's Invitational and came back later to compete in the Worlds. In between, Leo and Bill qualified for and sailed in the North Americans.

NAYRU Sears Cup competition was in Lightnings this year, and PYC hosted the Michigan Quarter-Finals. Race Chairmen Clarence Holman and John Corbett finally found enough air to run the series. PYC's young Bob Stack sailed hard to finish second overall against tough competition from all over the state.

Another significant event for the club was the second Annual Michigan District Junior Lightning Championship for sailors 19 and under. The weather gods smiled upon race chairman Jack Ostrander, and two sets of back-to-back races were run. Susan Corbett from PYC sailed an outstanding series to win.

The White Cap Regatta, PYC's annual invitational, brought air conditions to try men's souls. For the first time in living memory, committee boat heads George Bery and Clarence Holman had to spend half their time searching for enough air to start a race and the other half deciding where and how to best shorten the courses. George Nichols drifted faster than anyone else and won. Michigan District Champ Gary Cameron was second, and PYC's Don Fraser was third.

During 1973, the winners, in common with winners all over the country, sailed faster and smarter than the rest of the skippers (then talked about their luck). Everyone else blamed the elusive winds and snarled, "Wait till next year!"

Fleet 56 needed more boats at the starting line last year! It's not that interest has waned, but rather that a fortuitous set of circumstances caused a lower than usual turnout for much of the season. On the positive side, however, we gained two additional boats - Elan, and a new Drifter.

Kennebec has a new fearsome threesome — Sid Heath, John Loop, and Nick Smith (anchor man?). John Brewster and Dick Mead formed a new team, and thus Elan came into being. John Rosenthal got a new boat after his old one got her bottom tattoed during a rescue by a power boat.

The season started out with the Pest trophy race. Mike Steffenson from Lake Davenport won it. Mike said the reason he was sailing with us was that Ole Man River was still flexing his muscles, and Mike needed a safe place to sail.

The spring series went to Brewster-Mead, Heath-Loop-Smith, and Anderson-Teale. There must be something good to say about co-ownerships.

The summer series went to Brewster-Mead, Thompson,

When the score sheets were finally tallied, using the Long Island Sound percentage scoring system, Brewster-Mead were our fleet champions, and Appel and Heath-Loop-Smith were second and third overall for the season.

Interspersed between our fleet races there were several good regattas to which we always enjoy going.

Next year we hope to sail more races and have more boats coming out. Come on down to Burnham. Sail with us, old boat or new. You're welcome to join us.

Judy's tremendous improvement this season was mirrored in her victory in the Bowen Lightning Series, emblematic of the club championship. Bill McNutt took second in this one. Cal Schmiege was third.

Our annual Niagara River Lightning Championship found Jay Hanson carting off the big trophy, as reported in Flashes. Our own Cal Schmiege led the remainder of the 26-boat fleet after the final tally was completed. C. O. Jones took home a nice trophy for third.

Again this year, Cal Schmiege did a nice job representing our fleet in area and national regattas, winning at Erie.

The end of a racing season is sad cause it's all over again. Now during the winter months, dreams are being viewed; plans are being made; old races are being re-run; new fittings and riggings are being ordered, and it seems like the

new season will never get here.

To many of Fleet 60 the only sad event of the 1973 season was the retirement of Colby Hamilton, a good sailor, a great

guy, and a first class sportsman.

The pleasant events were many. These included new skip-pers to the fleet Jukka Saukkonen. Bill Anderson and Martin Klotzbach.

Also pleasant was the exciting racing season with so many husband, wife and/or family racing teams. Only one race during the season was cancelled by high winds. No races were shortened because of no winds. Bob Jones started out winning every Sunday when suddenly things changed about mid-season and the rest of the fleet started catching up. Bob hung on till the last race was over and finished in first place. Fritz Toussaint took over second place on the last day of

the season, and Ralph Person was a very close third.

Another pleasantry was Bob Jones, representing the lightning fleet, winning the commissioner's cup series. In this special six-race series Bob proved his superiority over the other fleat representating by soiling in time a Lightning C series. fleet representatives by sailing in turn a Lightning, C-scow, Snipe, Sweet 16, FJ and a Banshee to a series first place.

In the holiday series two races each on Memorial Day, Independence Day and Labor Day, best four finishes, Bob Jones and Fritz Toussaint finished in a tie with the most points.

Nancy Merillat, who normally crews for her dad, skippered his boat to a time handicapped first place finish over all other boats of the yacht club, skippered by the lovelys in the bikini regatta.

And for the most of us it's been a great 1973, and just

wait till next year.

High water in Lake Ontario produced a slow start for Fleet 61 this year and fleet activity never did match last

year's level of activity.

The summer series was taken by Dick Arnold, with Susan Peterson, second, and Dan Tomlinson, third.

The fall series was won by Dan Tomlinson, with Kathy Brown, second, and Win Brown, Sr., third. Fleet 61 boats showed up at many of the district regattas and enjoyed those memorable occasions.

With two new active fleet members expected next year, we

look forward to an active program for 1974.

The sailing season for Lightning Fleet 62 started and ended on the same note, with victories by Commodore Wynne in the opening and closing Regattas. According to the record, those were the only races he sailed during the year, giving him a 1000 percent batting average for the season. It has been noted that the Commodore's boat is up for sale. All the members of the fleet are hoping someone buys it with

a lower batting average.

In between the opening and closing Regattas, the Fleet enjoyed active competition at Southern Yacht Club with a full schedule of races. An early Fleet invitational series in April was won by Francis Favaloro, who makes many of his own sails. Later that same month Count Zettler of New Orleans Yacht Club won a second invitational hosted by the SYC Fleet. The Count continued his winning ways in Southern's Annual One Design Regatta, held in late May. Second in this series went to another well known visitor, Buck Ballatin.

The fleet championship sailed early in June this year was

taken by Tommy Allen for the second straight year. Tommy won his first fleet championship in 1957, and has won the series 10 times since then. Gil Whitworth was runner-up.

Certainly the high point of the year was to have Southern Yacht Club host the Southern District Championship in mid-July. Twenty two boats participated from fleets in Louisiana, Mississippi, Alabama and Western Florida. Keeping to

form, the series was handily taken by Count Zettler again, when he won three of five races. A newcomer to Lightnings, Robert Wardwell, sailed very well to take second in the series over our own Gil Whitworth, who took third. Robert Jeffcott, Fairhope, Ala., was fourth, with Francis Favaloro, fifth.

In August Gil Whitworth won the prestigious Capdeville Regatta with boat speed and on uncanny ability to go in all the right directions. Later that month Francis Favaloro picked up the ability of seeing the shifts, taking the Stratton Memorial Series. Still later in the month in the lightest of winds, Gil turned the tiller over to daughter-in-law, Barbara Whitworth. She took the Junior Regatta by a country mile. Members of the fleet as a whole were glad Barbara did not get the tiller too often.

Fleet 62 was happy to host its own Labor Day Series for the third time this year. Visiting boats came from points as distant as Dallas and Memphis. Unfortunately, the weather was not too good, and only one of the scheduled three races could be sailed. This one and the series were won by Buck Balatin. Our own Fleet Captain, Ross Allen, took second Erapais Favalore was third

The Ethan Allen Memorial Crew Championship was won this year, as it was last year, by the third sailing Whitworth son, Robert. Robert won both of the races by big margins. We're also rather glad that he spends most of his time

we're also rather glad that he spends most of his time crewing rather than skippering. Jimbo Reynolds took second. In late October we had our Final Regatta. Gil Whitworth was second, with Tommy Allen, third.

During the year, the Fleet picked up a new active member when Jeffrey Reisch started sailing his beautifully refinished wooden boat. He has not started winning yet, but with new sails we leek for competition. We expect to pick up the sail of the second time the sail of the second time. with new sails we look for competition. We expect to pick up a few other additions to the fleet in 1974, making the winning of series a tougher and tougher thing.

Most Lightning sailors have been to Southern Yacht Club at the recent Nationals or at one of the many invitational series we hold like the One-Design in May. Our nicest is the Sugar Bowl Regatta, sailed annually in cooperation with the NOYC and the New Orleans Mid-Winter Sports Association on the weekend between Christmas and New Year.

So, if gas rationing permits when those winter winds blow, come on down and sail with us in the Sugar Bowl

Regatta.

The 1973 season ended up with mixed emotions in our fleet. The turnout among fleet members was not very good for this year's racing season, but the fleet is showing strong signs of new interest from new people. The summer of '73 was the first with a fiberglass boat on the Bay. Next year, our local hotshot, George Blumel, will also be sailing in a new fiberglass boat which he's bringing back from Ontario this winter.

As for the boat George sailed this year, 8341, there wasn't much anyone could do to make it go any faster. George walked away with all the fleet honors. In fact, in our favorite race, the 45-miles around Saltspring Island trek, George beat everybody including all the keel boats, as he came in in just over 11 hours. By coming in just past 10 p.m. George also beat the closing of the bar by three hours. Peter Idema finished third among all boats, being just a few minutes behind the leaders. This was fantastic finish by Lightnings of Maple Bay, when you consider that no handicaps were involved.

In our class series sailed over two weekends in August, George Blumel was the victor, with Doug Ridenour finishing second. In our Labor Day weekend Regatta, it was again

the same combination, Blumel and Ridenour.

In competition in the district, our fleet's best individual success was by George Blumel when he finished third in the P.I.Y.A. Circuit event at Fleet 90's home grounds, Kitsilano Yacht Club in Vancouver. At the annual Team Racing Regatta, this year in Portland, hosted by Fleet 283, we managed to repeat last year's performance, a second place finish, as neither we or anyone else was able to beat the host club.

In conclusion, we can only say that though we are a small fleet and not a great influence through the district, we are a slowly growing fleet with strong spirit. Our main prob-lem in attracting new members is the lack of good boats around to get them interested in. The main problem presently facing both ourselves and the district in this area is that the nearest fiberglass Lightning builder is almost 3,000 miles away. Once this problem is licked, which hopefully will be soon, we should be able to conquer our lack of membership problems. None the less, next year still promises to be an exciting year.

The year 1973 saw a familiar face turn up as Fleet Champion. Fleet 69's Mr. Lightning, John Esser, captured his ninth fleet championship since our formation in 1945. John first held this honor in 1961. Byron Roe, 1973 fleet captain, was second and Dave Barrett, our 1974 fleet captain, third.

The Milwaukee Yacht Club's annual Memorial Day The Milwaukee Yacht Ciup's annual Memorial Day Handicap race (based on Portsmouth numbers) was postponed on Memorial Day because of fog, re-scheduled for

Six of us went to the Districts at Chicago Corinthian; and three of the 8 skippers representing the Midwest District at the N.A.'s were our own John Esser, Dean Cady, and Danny McLaughlin.

Our junior Lightning sailors left their mark in the Mil-waukee Yacht Club's junior sailing program, which is staffed by Lightning sailors Mark Reisner, head instructor, and Linda Casser and Martin McLaughlin, assistant instructors.

Karen Cady won the most improved junior sailor award; Danny McLaughlin skippered the Sears Cup Team. He placed fourth in the N.A.Y.R.U. Fleet #70, with a compliment of over 30 boats, started the season with our first race of the spring series on Apr. 22. Several weeks later the fleet hosted our annual "Long John" regatta. Over 60 boats and crews checked in for a cold, windy weekend. Two races were conducted on Saturday, and the races on Sunday were cancelled after a race committee could not hack the bad weather. All in all, however, it was a fine regatta. Winners were Bob Seidelman, Bill Shore, and Ralph Messersmith.

Shortly thereafter, our invitational spring series wound up with a "blast" at Sandy & Mary Huntsman's fraternity house, with top honors going to 1) Reid Dickerson of our fleet, 2) Jack Elfman of Surf City, and 3) John Schneider of

our club. Aside from the outstanding feats of sailing, this series will remember Jim Kelly's (#8502) cracked ribs, encountered when boarding a certain lightning at the dock. This series also should remind people of another skipper who also missed the boat at the dock and went for a pleasant swim

missed the boat at the dock and went for a pleasant summin the cold March water.

The Fleet's Memorial Day Regatta honors were gained by 1) Sandy Huntsman, 2) Bob Hutchinson, and 3) John Schneider, all of our fleet. Shortly thereafter, July 4 came around, and our Independence Day Show was taken up by Show was taken up by Show was taken up by Show Huntsman and 3) Rob Hutchinson. 1) Reid Dickerson, 2) Sandy Huntsman, and 3) Bob Hutchinson. In addition to putting on a great show on the water, the Lightning Fleet at the Monmouth Boat Club hosted an absolutely great "brunch" for all club members. Not only was this a great social success (as attributed to by the number of boats and people participating in a backwards race, a balloon gatherin race, etc.), but it certainly served to feed the always hungry Fleet #70 treasury. The ladies of Fleet #70 were to be congratulated.

Our summer series was divided into two sections for the fore and aft sections of the season. The earlier part of the series saw 1) Reid Dickerson, 2) Sandy Huntsman and 3) Dick Robrock take the honors. The second half of the series produced winners in 1) Sandy Huntsman, 2) Reid Dickerson

and 3) Virg Vaughan.

Intermixed with these series was Red Banks' nationally famous National Sweepstakes Regatta. This weekend regatta was fortunate to have a large number of boats competing. The silver was taken by Ralph Messersmith, J. Schwartz and Bob Hutchinson.

On the social side of the fleet's summer activities, Ted Engberg arranged for an evening sailing down our beloved river in the boats. Of course, sailing was not the prime interest in that good food, good fun, and many laughs flowed

as we rafted together and had a great time.

The summer season drew to a close with our Labor Day Regatta in which Bob Hutchinson, Sandy Huntsman and Dick Robrock showed the fleet how to win races. This, of course, was only a warm-up for our fall invitational series. This series produced winners in 1) Reid and Randy Dickerson, 2) Ira Ross, 3) Dick Beck and 4) Charlie Bodenstab. (Charliet's boat, "Blitz," finally seem to find out in this series that the mast should point toward the sky and not towards China).

A great sailing year concluded for Fleet #70, with Reid Dickerson being our Fleet Champion, Sandy Huntsman winning our club's Atwater trophy (winner of the holiday regattas) and, above all, a great time being had by all members

of the fleet. We are particularly proud of our members that travel on the various circuits.

Bob Hutchinson took firsts at the Bachman Regatta, at Sheepshead Bay and the Surf City Annual. Sandy Huntsman gained first place honors at the Greenwood Lake Whiskerpoke Regatta and the Lake Wallenpaupack Regatta, and accumulated enough wins to be awarded the Metropolitan District's "Short Circuit" honors. Another fleet member, John Schneider, is the king of the fleet. John won the Metropolitan "Districts," the Atlantic Coast Championships and the "Frigid Digit."

The Fleet was also adequately represented at the Raritan Yacht Club's Red Grant Regatta. Sailing in gusty winds in a fleet of over a hundred boats of various classes, our fleet managed 1) Sandy Huntsman, 2) Arnold Schwartz, 3) Randy Dickerson and 4) Jim Kelly (sailing Mo Shaw's boat, with Mike Hagler and the owner as a not too able crew).

Perhaps the greatest enjoyment and dedication to the Fernaps the greatest enjoyment and dedication to the Lightning Class is present in the members of Fleet #70. We are certainly proud of our Dickersons, Huchinsons, Huntsmans, Schneiders and Schwartzes for their achievements. We are equally proud of our sailors in the Robrocks, Becks, Kellys, Ministris, Cornells, Boos, Bodenstabs, Davises, Millers, Vaughans, Shaws, Corleys, Haglers, Corrs, and last, but not least, VonHolles.

Fleet Captain Carl E. "Pete" Carsten captured the 1973 Fleet Championship by sailing Lucky Starr III to victories in six of the seven qualifying championship race series. The Ha Yu Hoome series was won by Bill Rudge, to break Pete's near perfect record. Wally Sellars, 1972 Fleet Champion, took second place in the 1973 fleet honors, and Bill Rudge won the third place standing.

Jack Mueller won the Freeman Memorial Trophy series, non-qualifying event, annually sailed at the Cleveland Yacht

Club Regatta. Bill Buckles, of Lake Decatur, was second, and Bob Mains of Northeast Yacht Club took third.

Rocky River Fleet hosted the Ohio District championship July 5-8. Captain Pet Carsten headed up a well organized crew, to make the Ohio Districts a success. Jack Mueller won the Chamiponship with a clean sweep. Jack Mueller and Bill Rudge qualified from Fleet #71 for the North Americans, sailed at Tawas, Mich. Bill Rudge passed up the trip to Tawas, and John Mueller, Sr., alternate, went in his

place. Jack won third place in the National Championship flight. Father, John Mueller, took 23rd place in the President's Cup flight.

The Districts at Rocky River coincided with our strongest blow of the summer. The first day's races were rough going, with six or seven boats turning over in each of Friday's races, resulting in a few broken masts.

A social program headed up by Fred and Marsha Voght kept all of the 47 participants occupied, when not on the boats. Jack Mueller and Paul Auer headed up the sail and boat measurement team. Our Bill Rudge, Ohio District Commodore, kept his finger on the pulse of the regatta and presided at the District meeting and banquet held at CYC.

The fleet enjoyed an outstanding social season, with Nancy Jefferies calling the signals for a great membership turnout at fleet parties.

The annual Westwood Country Club February dinner party had a record attendance. Al Mastics entertained with his superb slides of 1972 Club activities. A spring fitout brunch party at the Paul and Rita Auers started the thoughts of the season to come. A succession of get-togethers then followed. Any holiday or sunny day was a good excuse for anlowed. Any holiday or sunny day was a good excuse for another great fun session. The Decoration Day pot luck picnic was followed in June with a "Meet the Crew Party," then a steak roast at the spar loft, another pot luck celebrating "Starr Carsten's birthday," the Ohio District social events, a picnic across the river at the Clifton Beach Club, a joint fish fry with the Star Fleet and, finally, a pot luck picnic on Labor Day weekend to close the 1973 Social.

The CYC Trophy Night dinner October 27, honoring all the sail-yacht class winners, had a great turnout of Lighting sailors to honor the Class winners and to help Pete Carsten carry away six permanent trophies for another win-

Keeper trophies were awarded to all first, second and third place winners. Wally Sellars took home six, Bill Rudge, four; Jack Mueller, three, Paul Auer, four; George Copeland, John Mueller, George Palmer, one each.

Bob Auer carried away the Chinese Fire Drill special series trophy for non-owners skippering with the skipper as crew.

Jack Mueller was tops in representing the fleet in national events. He won third place in the Lightning Class North Americans, sailed at Tawas Bay. He won fourth place in the Mallory Cup Races at Jacksonville. The Mallory Races start with a men's team from competing clubs, with the winners meeting in district eliminations and finally at Jacksonville for the National Men's Championship. Bill Buckles and John Mueller, Sr. sailed as crew. Several from the fleet travelled throughout the year to regattas in the south and to Ohio-Indiana races.

The fleet gained two new members in 1973 when George Palmer and family sailed Green Boat #10790 this summer and took third place in the Fall Series. John Stuart bought Laurie #11840 late in the season and commenced tuning up activities to be competitive in 1974.

Roger Wach in #11114 transferred to Dallas this summer, where he sailed. Ken Gilbert with #11876 did his sailing in Chicago since graduation.

Indian River Yacht Club, home club of Fleet 72, had no sailing activities this season for the first time in over 35 years. IRYC originated as a sailing club and was noted for its many finely conducted regattas. It hosted the second-held Dixie District Championship Regatta in 1950 and has hosted this Regatta more than any other Fleet in the Dixie District

— eight times. It was refused in 1972 due to construction
on the club house. The next club in line is Baltimore Yacht
Club which hosted the Dixies five times. Fleet 72 hosted the 1964 ILCA Atlantic Coast Championship which had a large attendance and was a big success.

Indian Rivers most memorable Dixie Championship was in 1954 which Tom Allen won with Atom 4811. He then won his first North American Championship at Crescent Sail Club to start on his long series of winning the big ones.

Fleet 72 is an old fleet that has been active in ILCA for at least 32 years with a very good record. But it appears that it may have met its doom, much to the dismay of the few remaining Lightning owners. They hope Fleet 72 can be kept alive.

Adam Brown, and gang, before capsizing.

Blessed with their complicated set of sailing conditions on the Hudson River, its currents, Atlantic tidal flow, less on the Hudson River, its currents, Atlantic tidal flow, less than orderly depths and shape of the Tappan Zee, wind conditions, influenced by the Hudson's Palisades and Washington Irving's lumpy Sleepy Hollow terrain, the tricky Nyackers again dominated the Hudson River Yacht Racing Association's Lightning fleets. Tom DeStassio took first place, Dave Brown, second, Gary Hurban, third, in the summer-long series of regattas at four boat clubs. Joe "The Fox" Hoffee felt content to let those for whom he has been mentor stand in his stead this summer for colf Rut his mentor stand in his stead this summer, for golf. But his wiliness weaves on in lessons gleaned from him in prior summers.

Bill Reeve and his lopsidedly female crews, who were dangerous to unwary competitors for their sharply aimed tennis balls and wet sponges thrown at other boats before races, proved to be tenacious competitors all summer long. Someone expects to have him thrown out of the Districts next summer for a spitball.

Gary Hurban continued to improve this year, to the point where his seven-year-old ace crewman Gary, Jr., could be whisked off and offered to the Hi Tor people for a handsome capital gain if the Hurbans aren't careful.

Tom DeStassio, with his usual good fortune, squeaked to overwhelming victory in the Spring and Championship Series.

But lady luck had it in for him in the fall. In the last race of the season, on a spinnaker reach with a bone in his teeth, Madame Blue's rudder unaccountably broke off at the water line, leaving an abbreviated steering mechanism that flapped in the breeze. It was a suspiciously clean fracture that smacked less of sabotage than of the providential. Tom dangled a sign from his boom this summer after every victory that read, "If God had intended plastic boats, he would have created fiberglass trees." There's your answer, old sock.

Dave Brown and his crewmen, Adam Brown and Joe Peroni, blew their minds winning the Nyack Memorial Day Regatta, in a thrilling last race victory, caused by a personal puff that took them from last to first on the final leg. Adam, given the chance-of-a-lifetime by his brother, i.e., to skipper his own race a week or two later, capsized. Joe had set the spinnaker sideways on a prior leg. Quit show-

ing off, guys.

Bob Graham and Bill Day were intermittent competitors, with potential that could be lethal at any time. Bill took the Fall Series while Bob was sidelined late in the season with some aches and pains that had him in the hospital for a while. We expect Bob to be duelling with us, with a passion, this Spring. Oil those joints, young fellow.

Speaking of young fellows, Howard Dexter is the grandson of us all. Bruce Goldsmith, he ain't, but there is no more cheerful and dependable a sailor in our fleet.

Al Neff and his crewwoman, Eve Hall, also deserve mention as the newest competitors. Eve proved herself to be super-new-crew of the year. She even bought herself a boat. I give you super-new-crew of 1974.

Championship Series: 1) Tom DeStassio, 2) Gary Hurban, 3) Bill Reeve. Spring Series: 1) Tom DeStassio, 2) David Brown, 3) Joe Hoffee. Fall Series: 1) Joe Hoffee, Bill Day. 2) Tom DeStassio, 3 Gary Hurban.

Officers for 1974: Fleet Captain Gary Hurban, re-elected, Dave Porour and Eve Hall elected as Treasurer and Secretary respectively.

Veteran Dr. John McIntosh — well, he just happens to be Fleet Champion.

Lightning Fleet #77 was greeted in the Spring by record high water on the bay. The high water caused some serious problems. As a result, the club worked hard on a major improvement project which took nearly all summer to complete. Under the careful watch of our Commodore, Howard Sabin, 380 feet of seawall was installed. Some of the work was done by professionals, but much of the back breaking work was carried out by all of our members.

This year, the fleet championship was won by Dr. John McIntosh in Blue Jacket VII, with Dick Doherty's, Irish V, runner-up. Tony Orlen, Zing, was third; Steve Sahs, Reunion, fourth and Ed Howe, Anemone, fifth. Spring series results saw Dick Doherty, first; John McIntosh, second and Steve Sahs, third. In the summer series, first place went to Dick Doherty, second place to Ed Howe, and Steve Sahs was third. Fall series honors went to Tony Orlen, John McIntosh, second, Dick Doherty third.

The "B" fleet championship was won by our Fleet Secretary, Howard Stickney, in Kopykat. Second place went to Steve Fisher, Winsome, followed by Dr. Jakob Schaechter, in TAMAR. Dr. Schaechter was the only skipper who sailed in all 40 races held at Newport this year.

Our fleet was well represented at many regattas, sending boats to Lake Shore Lightning Squadron at Henderson Harbor in June, seven boats to the Skaneateles Invitational for two days of beautiful sailing and swimming. Six skippers sailed Lake Ontorlo's rolling seas and mastered the strong winds at the Districts at Brockport Yacht Club. John McIntosh, Doherty and Orlen qualified to participate in the North Americans. John McIntosh, with son Jim, and Dave Stickney as crew, traveled to Tawas Bay, where they qualified in the Governor's Cup. Many of our fleet camped at Red Jacket Yacht Club during the Centrals this year. So many of our skippers attended the ever popular Champagne Regatta, that the regular races at home were cancelled. And to end the season, Tony Orlen, with his boat and Allan Perry in Windswept traveled 525 miles to Quantico, Va., to take their turn with the tide on the Potomac.

In the special trophy category, Allen Hamilton in Sparkle Plenty won the Tip-over trophy. Allan Perry won the Burns-Hanna. Al Platt in Belle won the Missal Series, and Steve Sahs won the most-improved.

This year we saw five new boats in our fleet belonging to Paul Jungjohann, Allan Perry, John McIntosh, Bill MacDonald and Ken Piper. We also welcomed the following new members to our Fleet in 1973: Theophil Artemowych, Jim Chamberlin, Harry Cooke, Ralph Elmer, Ford Fisher, Steve

Fisher, and Tom Kennel. Now that the trophies have been awarded and the boats stored for winter, we will sit back and try to wait patiently for a new sailing season. Our 1974 promises to be very active, interesting and competitive.

Our 1974 Fleet Captain will be Gene Wheeler and Howard

Stickney will be the Fleet Secretary.

Our fleet was well represented at all our local regattas throughout the season.

We welcomed three additional Lightnings into our fleet in 1973 and expect more in the coming year. First-year skip-per Jim Grenauer, showed terrific speed and was always a constant threat. Jelly Bean, Tom Tom, and Splash Gordon could be seen tacking back and forth at each other, while Sprole looked back with glee.

Our fleet sailed to Parkway Sailing Club for this year's Tri-Club Regatta, this year out sailing both Parkway and Niagara Sailing Clubs, to win back the "Old Oaken Bucket."

Dunkirk Yacht Club was the first leg of the new Lake Erie Fall Circuit. Six of our boats were at the starting line, with Sprole finishing seventh and Compson, ninth.

We rolled on to Silver Lake for the second leg where Sprole finished eighth overall. The rest of our sailors will only remember the great time at the roller rink across the

Year 1973 has seen another season of growth and activity for Fleet 85. On June 23-24 it was our pleasure to host the combined Northeast Regional and Governor's Cup Regatta, which was won by Macy Nelson with two firsts. It was also our pleasure to see one of our fleet members, Bob Polk, competing in the North American Championship this year.

For the second consecutive season Nelson Hoffman is our fleet champion. Thomas Moriarty is the runner-up by a very narrow margin. Mr. Hoffman finished fourth in the Long Island Sound Championship held at Madison and won the fleet's July 4th series. Bob Polk took the Labor Day series, sailing his new Lightning #12155.

Four years ago at Niantic, competitive Lightning activity was non-existent. It has been very pleasing to see our fleet grow from a handful of boats a few years ago to 14 this year, with the possibility of 16 or better next year. We hope we will continue to enjoy such growth in the years to come, and we certainly look forward to many seasons of competition in Fleet 85.

The Lightning fleet on Greenwood Lake enjoyed a season with good weather, varied sailing conditions and some new twists for our current season. Our regular sailing was active in both our "A" and "B" fleets, with some new faces giving the experienced sailors more trouble as the season progressed. The addition of two new "A" boats for next season should make for more competition and activity next summer.

Several members of our fleet met with members of fleets from Lake Wallenpaupack and Lake Mohawk to organize a new series of post season regattas by combining the results of three existing regattas into an additional series the "Short Circuit." The anticipation of the added competition resulted in different courses, emphasizing regatta conditions and spinnaker work.

Meanwhile, Roy Sengstacken attended the district championships and won the last race in very light conditions that Greenwood Lake sailors seem to do so well in. The regular season series were won by Jack Sengstacken, brother Roy Sengstacken, and Chet Howell in class "A" and Ron Wulff, Ole Oleson and Nick Santoro in "B" class.

Climax of the season was our Whiskerpole Regatta, the first of the Short Circuit, that was held, as usual, the weekend after Labor Day. With 31 boats from six fleets and weather unlike anything seen all season, the action was fast. A gas driven pump helped several non-self-rescuing boats. The winner was Sandy Huntsman with three second places. There was a lot of place swapping for the other positions. Sandy went on to win the Short Circuit. Chet Howell of our fleet placed fourth in the three regatta overall. One unexpected surprise was the newspaper coverage so freely given, even though one reporter covered a model boat race instead. There was also the pleasant but not unusual help received from other Awosting Yacht Squadron fleets.

The season ended for a lot of our fleet on the Hudson at Hi Tor where Roy Sengstacken took first and Bruce Hanover, second, in weather that was as beautiful as the rest of the month.

The coming season holds a lot in store, so if you are in our area, why not try our sailing, you could learn a lot about lake sailing.

Fleet 98 enjoyed a long and active sailing season in 1973. Thirteen of 22 participating boats qualified for fleet standing. The Mel Fisher-Bob Parker partnership, Richard Stock and George and Paul Dery were welcomed in the spring. The addition of John Weiser and Keith Griswold in the latter part of the season rounded out the current fleet roster.

The first event of the L. I. District Round Robin Series, hosted by the fleet on May 12 and won by Tom Green (Fleet 38), gave the contestants early season hiking, starting and buoy-rounding practice. The Memorial Day Series was won by King Lotz. Tony Curto and Bill Jorch showed us the merits of early practice, via the Southern Circuit and Long John Regatta, by finishing second and third.

The swift sailing Lotz family won the Independence Day Series by besting Bill Jorch and Ron Lange, who battled it out to the wire. Dave Gebhard won the third race, thus starting his climb to the top of the fleet. Highlight of the social calendar was a family picnic at the Curto residence, July 4.

Mid July marked the initiation of weekly races, run by the fleet rather than the local Tri-Club YRA. Much hard work by several stalwarts, principally the Jorch family and Paul Cavanaugh, resulted in a complete set of race committee equipment. The new arrangement met with tremendous acceptance.

Seven boats represented the fleet at the districts. Jim Fulfaro, Jorch, and Lotz took second, fourth and fifth places, respectively. The fleet delegation to the North Americans included Messrs. Jorch, Lotz, Gebhard, and Curto. Bill Jorch made the best showing, with a very respectable finish in the President's Cup Series. Back at home, Bill walked away with the lone race of the Labor Day "Series."

The fleet's annual Northport Bay Invitational Regatta was attended by 34 boats from throughout the tri-state area. Chairman King Lotz, Jr., ordered up winds of 15 to 20 knots Saturday and somewhat more moderate breezes on Sunday morning. Tom Green won the event. Frank Atkinson (Fleet 323), Bob David (Fleet 178), Ron Lange and Bob Polk (Fleet 85) also finished in the money. Ron Lange aced the fall series which saw Tom Spiegel and Frank Sacken take second and third respectively.

At the awards soiree in December, trophies were presented to Dave Gebhard, King Lotz, Bill Jorch, Ron Lange, and Jim Fulfaro. Handicap awards for improvement during the season went to the Fisher-Parker duo, Bill Kirkpatrick, and the Derys. Champ Gebhard executed the last of several capsizes during the season and was awarded the "Bottoms-Up" plaque.

Fleet 99 was inactive as far as any racing in our home waters. Loss of boats to the yacht club fleet and just lack of desire by members present caused the situation.

Two of our members faired well in outside racing. Bill Clausen, sailing "Reject" 10895, finished sixth in the Monmouth Boat Club spring series. Bill also finished second to Bill Newman at Pann Manor Fall Regatta.

Bob Seidelmann and Bill Clausen teamed up with Karen Huntsman from Monmouth Boat Club to win the Long John, The New Jersey State, finish second in the Atlantic Coast Championships and finish third in the Lightning World Championships.

We hope 1974 brings renewed interest in racing in Great Egg Bay and another successful year for the I.L.C.A.

Our 1973 provided another year of exciting racing and Our 1973 provided another year of exciting racing and good friendship. Wendell Harter again proved his superiority on the race course and won the fleet championship for the umpteenth year in a row. The old perpetual Fleet Championship Trophy was retired and presented to Wendell. Jack Giverink designed and built a new perpetual trophy to continue the tradition of competing for the Fleet Championship every year. We raced in eight home regattas, plus sent five boats to the California Circuit, three to the Pacific Coast Championships, and four to the Bowen Memorial Regatta. We also hosted the California District Championships in July.

Mark Patty bought a fast boat from Chicago, formerly owned by someone named Goldsmith. He began doing very well and even won some races. Then he was suddenly transferred to San Francisco. We will miss both Mark and his wife, Ann. But we expect to see them occasionally at District functions. Jack Giverink got a jolt at the Districts when informed that his boat weighed 758 lbs! Out came the \$300 worth of foam flotation which took hundreds of hours to install. Jack vows he will now be much lighter for the 1974 racing season.

Bob Newman got new sails and now is up pushing the leaders. For Mike Boswell, it was a year of replacement. He had to replace a rudder, tiller, and spinnaker because of theft. Then, he replaced another rudder on account of breakage. Finally, he replaced his mast, which was broken in a freak accident.

Along with Mark Patty, we lost Steve Stephens who bought a larger boat. However, we gained Dick Curtis, Fred Tarnay, Mike Lawson, and Ilkka Kaitila from Helsinki, Finland.

All in all, 1973 was a very good year.

Fred Slovak, in his 29th year racing Lightnings, won the fleet championship at the Lavallette Yacht Club. Fred maintained first position throughout the season in the Sunday Series. It was an interesting summer, with contenders for second thru fourth place positions having a weekly fight down to the finish line.

Dr. Ira Ross, fleet runner up, gave his new boat "Flying Cloud" a lot of exposure this season. Ira participated in the BBYRA Series, Central Atlantic Districts Championship, the N.J. States and a fall series with Fleet 34. Ira's persistence this year is obvious . . . his centerboard cable broke in a BBYRA Race, but he dragged the board across the bottom of Barnegat Bay to finish with the top half of the fleet!

Chris Larsen cranked up the "Green Fin" to winning speed for the Commodore's Trophy Race at the end of the sailing season, sailing away from everyone to collect the silver. Chris, who placed third in the series, demonstrated his skill by capsizing his boat at the dock!

George Zabrycki earned fourth place honors. With his two years sailing and racing experience, George has already become a great competitor.

Fred Slovak's Lightning-oriented family remained as active as ever. Aileen Meares, co-owner of the "Star Dust Again," consistently placed between third and fifth in the BBYRA series this season. For the Commodore's Trophy Race, Katie Meares, a competent crewmember for many years, took the tiller of the "Star Dust Again" for the first time. Hope to see you skippering next season, Katie.

The Lavallette Yacht Club hosted a BBYRA Race this season. The winning Lightning received the Marie Slovak Memorial Trophy.

Fred Slovak spent a busy year competing in the CAD, N.J. Fall series at Riverton and Quantico. Last winter Fred served on the race committee for the Southern Circuit.

There are some rumors that Mr. Lightning himself may retire from racing this season. Reason? Because there is no space left on his living room wall for pennants!

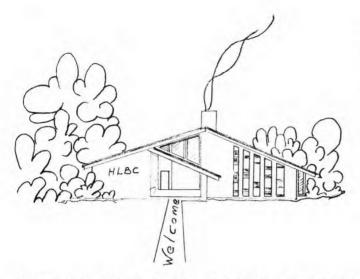

Next season promises to be even more exciting with at least two more boats competing. In closing, fleet 104 wishes to extend an invitation to all sailors in the area who may wish to join us for a race one Sunday morning during the summer.

Greetings from beautiful Higgins Lake. The 1973 Summer saw our club in full bloom. The club house was finished and in use. Three sailing fleets were racing in full schedule. Junior Seamanship and Junior Lifesaving Programs were in action and the social activities left little, if anything, undone.

At the presentation banquet it took Commodore Monty Gordon a good hour to name, thank and issue credits for the year's work done under his fine leadership. Then it was trophy time and, wow, the hardware!

Lightning skippers in the winners circle for the season are: first, Ormond Barstow; second, Mike Dow, third, Gary Cutler; fourth, Bill Dent. The Arnold Cup went to Mike Dow for the fifth time in 20 years. Doc Arnold presented it personally this year.

Other fleet Champions for Catamarans were: first, Walt Rye; second, Jack Funkey; third, Kurt Anderson; fourth, Bob Wilson. For the Fish Fleet — first, Eric Doutt; second, Cameron Carlin; third, Matt Sheetz and fourth, Gerald Doutt.

The Lightning Invitational Regatta was the highlight of the season, as usual, and the results were — first, Joe Disette; second, George Nickels; third, I. Donald Fraser; fourth, David Furey and fifth, David Nickels. Joe Disette took the Carlin Trophy for the series.

Our club colors flew in international competition, as one of the Carlin Family, Laurel and her husband, Ron Holland, won the Worlds Quarter-Ton at Weymouth, England, this summer. Laurel wanted the good luck that goes with flying a HLBC pennant and got it. The boat was of Ron's own design.

Another real accomplishment of the summer was the completion of a great new cook book. Everybody's favorite

recipes, including Carolyn's poached Higgins Lake Salmon with mustard sauce! Sending \$3.75, including postage, gets one from Mrs. Walter Rye, 7715 Rock Hill Lane, Cincinnati, O., 45243. Makes a neat gift. Fun because your friends did it.

Sept. 15 new club officers took office. They are: Commodore, Earl W. Sturk; Vice Commodore, Fred G. Krauss; Secretary, Monty Gordon; Treasurer, Lucille Grankowski. We wish them smooth sailing for the coming year, and the same to all of you.

Summer was fantastic on the azure waters of Cuba Lake, with clear skies, fair winds and only one rainy weekend all season. We once again hosted the Three Lakes regatta, serving 200 steak dinners, at the height of the meat shortage, and innumerable kegs of beer. Cuba Lake sailors won the team trophy and the regatta, with Ward Wilday placing first. We sailed our normal complement of races, and several of our members traveled to other regattas in the district, with Ward again placing in or near the top. We are looking forward to 1974 with more new boats and members, excellent weather, pleasant company, cold beer and Green Dragons.

Our season started for the keenest members at the Eby Series at the beginning of May. Bill Hunter and Robbie Robson took their boats and enjoyed some exhilarating sailing, though Bill had to retire. A broken bolt lost him his forestay. Larry MacDonald was in there too, crewing for Dick Halligan.

Sailing on Hamilton Bay opened officially June 2, with the Commodore's Sail-past, in splendid weather which luckily lasted most of the summer. There were only two cancellations for storms.

Bill Hunter, Mike Vollmer and Larry MacDonald spent an energetic summer at various regattas, including the Niagara Frontier (Mike, eighth); Parkway Yacht Club (Bill, fourth); CORK (Larry helping to crew Bill Shore to first place), as well as Lake Erie Districts (Larry crewing for Stu Anderson, third); World's (Larry crewing with Donnie Allen, in spite of borrowing Robbie's new boat, 16th); as well as Dunkirk, Sandy Beach and Silver Lake.

On the home bay, the Fleet Championship was won by Robbie Robson, with Bill Hunter, a close runner-up. Mike Vollmer won B Fleet championship, grimly pursued by Ron Wadeson. Mike has just bought a super new boat, and his drive and ability should take it far in '74.

Our Fleet acquired two enthusiastic new sailors this year, Max Ahlfors and Gunther Haase. Max had a number of unhappy experiences with his boat, but is determinedly looking forward to getting tuned up for next year. Gunther shook everyone by a really spectacular rise from bottom of B Fleet to third place in the A Fleet championship, winning the fleet trophy for Most Improved Skipper!

Of the "big" trophies presented in the R.H.Y.C. as a whole, we are proud to report that two were awarded to Lightnings. One was the Stan Hoskin Memorial Trophy for best all-around sportsman, going most deservedly to Ross Hirschleber, who gave up two years' racing to promote and guide both the junior and senior sailing programs to an all-time success.

The Commodore Wertz Trophy for Most Improved Intermediate was presented to Mike Vollmer.

Larry MacDonald was a close runner-up for the Ken Hodge Memorial Trophy — for member making greatest contribution on behalf of the Club in Olympic or outside sailing activities.

Our annual Turkey Regatta was well attended by out-oftown boats, and was much enjoyed, as usual. Winner this year was Ron Cochrane, Fleet 146, Toronto, always a welcome visitor.

A specially happy fleet dinner closed the sailing season, but a number of social events will keep members in close touch till launching time next year. 1974 Fleet officers are Ron Wadeson, Captain; Tom Vollmer, Vice Captain; Mike Vollmer, Sailing Representative; with Secretary Margaret Wadeson continuing in office.

Racing for Fleet 126 got off to an early start with its advertised Spring Fever Regatta May 19-20. The first day with almost constant 15 knot winds provided such beautiful sailing conditions that three races were completed. With water at only 50 F., all skippers were careful and there were no upsets. The second day had lighter, diminishing winds with only one race completed. Of the 12 hardy sailors competing, John Johnston (Fleet 129) was first, Bob Hutchinson (Fleet 70) second, and Dave White (Fleet 14) tied with our own John Cuccio for third.

Competition in the one-design races sponsored during the season by our Yacht Club was somewhat disappointing, there usually being only ten or less Lightnings at the starting line. The Vice-Commodore series, held on the Memorial Day weekend, was won by John Cuccio with Wally Lineburgh second and Dick Thackaberry third. In the Commodore series during the July 4th holidays Wally Lineburgh was first, Dick Thackaberry second and John Cuccio third. In the Labor Day races our former Fleet member Henry Brauer, now a Fireball enthusiast, borrowed Lineburgh's boat and was an easy winner, followed by Cindy Shauer and Dick Thackaberry.

For the overall season racing the Club rated six qualifying Lightnings in the following order: Cuccio, Thackaberry-Price, Shauer, Cameron, Lewis, and Weber.

In activities away from the Club several skippers raced in the Connecticut Governor's Cup, Cuccio placing fifth and Linebaugh sixth. For the Conn.-R.I. Districts held July 28-29 at Belle Haven Yacht Club Fleet 126 sent five entries. Lineburgh turned in a creditable fifth with Thackaberry sixth and Cuccio eighth. The 15th annual Cedar Point Invitational, Sept. 15-16, drew 31 boats from most of the New England states. The sailing weather was excellent, but the overall enjoyment was somewhat marred in the third race when 24 of the 31 contesting boats inadvertently passed on the wrong side of a mark, contrary to skippers' meeting instructions, and had to be disqualified. The clear winner, however, was Ty Hack of Pequot, followed by our John Cuccio, Charles Sweet of Wellfleet, and Dick Thackaberry. This race concluded our organized sailing for the 1973 season.

In looking forward to our next year our most urgent problem will be to encourage those fellow Lightning owners in our Club, who seem to prefer day sailing, to enter into the much more exciting and satisfying racing program offered by the Club and to ultimately be able to enjoy the further activities open to Fleet members.

Our fleet champion this year, John McIntosh, has again proven his prowess at the helm. This year the helm belonged to a bright red new hull which seemed to suit John to a tee. He added to his fleet championship by winning the Southeast District Championship, placing sixth in the Nationals, and first place both in the Savannah Yacht Club Invitational and Labor Day regattas. In addition to campaigning his lightning, John was Commodore of our yacht club this year. Under his leadership a new sailing program was started which should produce many new sailors for our club.

Second place for our fleet championship went to Charles Kilpatrick. This was an exceptionally close championship series, with Charles finally clinching second place by nosing out Randy Brooks in the final race of the series.

Our sailors participating in invitational regattas and placing in silver were: Columbia Sailing Club — Charles Kilpatrick, second; Randy Brooks, third. Augusta Sailing Club — Randy Brooks, fourth. Savannah Yacht Club — John McIntosh, first; Randy Brooks, third; Charles Kilpatrick, fourth. Western Carolina Sailing Club — Randy Brooks, fourth. Lake Lanier Sailing Club — John McIntosh, third; Bert Berry, fourth.

The annual Deep South Regatta has been reported elsewhere in this year book. Therefore, we will refrain from elaborating about that regatta, except to say we enjoyed having so many fine sailors participating, as usual. We look forward to seeing all again in '74.

Members of Fleet 132 joined Fleet 414 at the Juanita Bay Sailing Club to test the feasibility of combining racing and social programs. The experiment has been highly successful, and at a recent joint meeting, Fleet 414 welcomed our group permanently.

The consolidation will create an active 414 roster of some 19 Lightnings, sailing together at the north end of Lake Washington.

Plans call for the de-activation of Fleet 132, with current books, trophies and other materials to be turned over to Seattle's Corinthian Yacht Club for safekeeping. A request for official approval of the consolidation and de-activation of Fleet 132 will be made at the Pacific Northwest Lightning District mid-winter meeting scheduled for Feb. 1974.

For a summary of an enjoyable year of sailing activity, see the report submitted by Fleet 414.

This has been the best year in some time for Fleet 135. It had been de-activated some years ago for lack of members. But this year we added three new skippers, Bob Wardwell, John Kern, and Frank Galloney, to our meager fleet of two. We believe the Fleet is on its way back.

For a District where New Orleans has dominated for so long, we also took some drastic steps competition-wise, with Bob Wardwell's winning the trophy for the best combined score in the District's two most important regattas, his second place finish in the Districts, and his seventh place finish in the President's Cup — all this for a first year man, too. Robert Jeffcott took fourth place in the Districts, and he, too, went to the North Americans to take eighth in the Governor's Cup. Rick Skinner crewed for Bob at the North Americans. Bob turned around and crewed for Rick at the Bluenose in Nashville where they finished 4th.

Fleet 137 once again had a banner year. The old professor, Carl Engels, out-distanced everyone for the fleet championship. The regatta was held July 28-29, with Garry Demarest winning. Afterwards, we all enjoyed Tom Crookston's hospitality. The evening featured a good deal of discussion as to why each person there had not won the Regatta instead of Garry.

High point of the season was the entry of a brilliant new skipper, Dick Nagle, who after some intensive training, consistently was able to finish each race.

The year 1973 was another windy year in the Bay of Kaneohe, taking as its toll, several broken masts and capsizes too many to count. First place finishes were shared by many, and there were many fine days of sailing and comradeship. Of the 20 plus members of the Hawaii Fleet, a dozen boats saw frequent action. The racing season, which starts in early February and ends in late November at Kaneohe, included 49 Lightning races sailed in 10 season's point regattas and a half dozen others.

The '73 season saw one seasoned crew turned skipper in Arnie Kayl. He purchased John Sander's boat and several masts when John was transferred to Alaska. Six skippers — Fran Vaughan, Bob Edmondson, Dave Fergusson, Chuck Gustin, Smokey Hogan and Bill Heine — shared series first places. Lightning get-togethers again added to a significant part of the season with the Todds, Fergussons and Chuck Kehl all hosting parties. Dick Day, with crew Chuck Gustin, represented Hawaii in the World's. Chuck Kehl, assisted by Dave Morgan, sailed for Hawaii in the North Americans on the mainland.

Fran Vaughn and her yellow Horizon clearly dominated the season, and, as the end of the season approached, could claim a first or second place in every series in which she participated. When Fran was beaten, it was usually by the good doctor, Dave Fergusson, sailing with his ultra-light and finely-trained crew of John McCarthy and son, Neal. Dave often could be seen picking up a lift along the Keneohe shoreline while the remainder of the fleet was a mile behind tacking into each other's bad air near the starting line.

Photo Credit Poly Roseberry On the way to "A" mark, Kaneohe Bay, Hawaii.

Chuck Gustin, Fleet 143's hot and cold man, was never behind and was often a big winner, seldom far behind. Never to be outdone, Bob Edmondson, who was away most of the season, posted strong wins, reminding everyone that if you followed his stern religiously around the course, you would usually finish second.

In conclusion, it was another outstanding year in Hawaii. We look forward to another good year in 1974. We hope our mainland Lightning friends, when they visit Hawaii, will plan on sailing with us. Contact any of us through the Kaneohe Yacht Club.

The Spring series, which once again was mildly attended, found Kip Hamblet finishing first, Bud Hamblet, second and Buck Wynn, third. Buck's new 12200 looks great!!

The Spofford Yacht Club's Regatta — remember that weekend? Rain, flooding, half of Vermont washed away. Torrential week, you understand. Don Bush, who was one of our two guest competitors, passed over a bridge on his journey to Spofford moments before the bridge was washed out. Don's dad, our only other visiting competitor, had to come via another route, as he was following only one hour behind Don, Jr. No bridge. The regatta was won by Don Bush, Jr., with Kip Hamblet coming in second and Bud Hamblet, third.

At the Winnipesaukee Yacht Clunb Regatta, the Fitches, withstanding extremely high winds, finished third. Great crew you have, Dave.

The New England Districts — zero wind for three days. A little excitement though. How does a 12-member cocktail party held at a Maine State Park, under a piece of polyethylene in a downpour, sound? Just another of those "great ideas," Thanks, Dot and Dave.

At the Wellfleet Regatta, which became the New England Districts, Dave Fitch finished seventh. This qualified the Fitches and their new 'Three Cheers' for the North Americans. Great Job!!

cans. Great Job!!

At the North Americans, the Fitches qualified for the President's Cup. Hear the wind kind a blew!

The New Hampshire - Vermont Championships, held at Lake Bomoseen, had Kip Hamblet finishing third. The Stowell perpetual trophy went to first place Don Bush of Vermont.

At Massabesic Regatta, Kip Hamblet walked off with all the honors, finishing a fine first. The air was heavy, and his crew was light. Jeff Beverstock and Barbara Douglass did an outstanding job. How to bring home the trophy, guys! And what a trophy it was!!

The prospect of a full time sailing instructor to help Len's sailing program and to insure better weekend sailing activities finds the members of Fleet #145 eagerly awaiting for the 1974 Season.

"Now that's what I call hiking," wrote a member of Fleet 146 after noting #11814 (right foreground) and its crew member over the starboard side.

Fleet 146 had an active sailing season last summer, with some good competitive sailing. Finishes were often very close and many skippers took turns winning regattas. Lake Ontario provided us with a wide variety of winds, testing our skills in all conditions. In the final analysis Ron Cochrane proved to be the fleet champion with Ken Inglis a close second. The introduction of the 720 rule in fleet races, plus a good variety of race courses, kept us all on our toes. Fleet Captain Reg Cudmore and race organizer Rick Sutton are to be congratulated for an exciting season.

Highlight of the summer season was the CORK regatta held in late August. Of the 39 Lightnings entered, nine were from Fleet 146. Two of our sailors finished in the top 10. George Wootten put it all together to finish sixth. Pete Sulman sailed well, placing eighth. Ken Inglis and Ron Cochrane were breathing down each others' necks, as usual, and finished 16th and 18th respectively. Other Fleet 146 sailors competing were John Gorrie, Vern Booth in his sparkling new "Goblet," Lou Odette, George Styan and Stuart Sprague.

Hopefully this winter will provide us with lots of skiing to get us in shape for the 1974 sailing season. Perhaps we will all be able to equal the hiking technique demonstrated in the accompanying photograph.

We had an actve season of racing on Clearfork Reservoir, with five different sailing series. The Championship series on Sunday afternoons was won by Burt Preston, with Chuck Huston taking a very close second — determined by the last race out of a series of eighteen. Jay Bailett and Bob Konstam placed third and fourth respectively.

Our Sunday morning series consisted of three short races each week, sailed back to back — an ideal time for training a crew and brushing up on tactics. Burt Preston placed first, Don Widman was second and Al Barbone took third.

Our Wednesday evening races, traditionally a "drifter" series, was blessed with generally good winds this year. Burt Preston finished first, with Tom McDermott and Gus Sauter second and third.

The Henny-Penny series on Thursday evenings gave the female members of the fleet a chance to "drive the boat." Tracy Bletz, with crew brother, Bob Konstam, creamed the rest of the girls.

In our club championship, the top Lightning and Flying Scot sailors competed in a full weekend of sailing. The Lightnings did best overall, with Burt Preston taking first.

This year we initiated a Fall series, with the scoring done on a handicap basis. The weather proved to be the best of the season, with crisp breezes and clear skies throughout. Don Widman placed first in the series, with Al Barbone and Tom McDermott taking second and third.

One of the highlights of the year is our annual team race against Mohican Sailing club, our cross-town rival. The competition was sailed in Flying Scots at Clearfork and Interlakes at Mohican. Although we won at home, Mohican was the overall victor.

While the rest of the fleet was fighting it out at home, Chuck Huston, Bob Konstam, Jay Bailet, Bernie Dillon, Tom McDermott and Burt Preston made the rounds of the regattas. Mansfield was represented at Southern Circuit and virtually all the regattas in Ohio. Bob Konstam, on the maiden voyage of his new boat, took a spectacular second at Port Clinton, the best showing we had all season. Incidently, Bob was very "spectacularly" thrown into the murky waters of the harbor to conclude the weekend.

The Districts proved to be rather disastrous for Mansfield's three entries. In the first race, Bob Konstam capsized and had a rather lengthy swim in Lake Erie. In the second race, Burt Preston "wiped out" on a Spinnaker leg, while Chuck Hustom accidently "wiped out" Bob Konstam on port tack. Perhaps we'll have to brush up on our heavy air sailing for next year!

Although no one from Mansfield qualified for the National or Worlds, we were well represented in an official capacity by Tom and Thelda McDermott. As members of the race committee, they got an up front view of the action and reported it back to the fleet.

Our fleet became a bit larger this season, with Don Castle, Will Sacks, and Harley Linquist joining our ranks. In addition, Al Barbone, Don Widman and Bob Konstam became the owners of new boats, much to the envy of the rest of the fleet. "Doc" Barbone's luck seemed to be failing, since, for the second year in a row, his new boat has been severely damaged during a storm. Hopefully, his newest boat will have a happier fate.

During 1973, Fleet 152 (Tawas Bay Yacht Club) members had one of their busiest and most successful summers in years. We were proud to host for the third time the Lightning North American Championship in August. Earlier in July, the fleet held the Michigan District Championship as a test run for the North Americans. In addition to these activities, throughout the sailing season Fleet members were posting high finishes in their racing endeavors.

For the North Americans, 110 Lightnings came to Tawas Bay. In the words of a gracious southern skipper, it was a "do it yourself" regatta. Regatta Chairmen Charlie Schreck, Garry Demarest and Gary Cameron rounded up the fleet and yacht club members, friends of the club and the class, and numerous Michigan District members who all worked hard during the week's activities to make the championship a success. The Tawas Bay breezes were not typical, but Race Committee Chairman Ladd McKay and his crew turned in a solid job of providing good racing in a real variety of wind conditions.

None of the Fleet 152 skippers did exceptionally well in the racing (Demarest and Bill McKinley in the N.A.s, and Schreck in the Governor's Cup), but they have the valid excuse of having had their minds on other things. Their satisfaction for this year will have to come in the fact that they contributed heavily to our guests having a fine time at Tawas.

The District Championship in July saw our fleet members perform more up to par on the water. In lovely southerly winds, Cameron, Demarest and Schreck finished 1-2-3 in the field of 37 boats. It was Cameron winning his first District Championship with a record of 4-1-2-3-1, one point ahead of Demarest. McKinley, baggy sails and all, came in 6th.

The Michigan sailing season began in early May at Lansing. Tawas Bay dominated again, with Demarest getting his nearly perennial first, trailed by Cameron, second; McKinley, fourth and Schreck, fifth.

Team captain Schreck and teammates McKinley, Demarest and Cameron invaded Lake Fenton in early June with the purpose of regaining once more the Michigan District Team Championship. Successful they were, sailing to a perfect 7-0 record over strong competition.

Demarest and Cameron went on to Bay City and finished 1-2 again. At Traverse Bay McKinley, Cameron and Demarest were 1-2-4. Then at Gull Lake Demarest and McKinley were 1-2. Cameron finished off the Michigan activities with a very trendy second at Pontiac's White Cap regatta. Demarest later took third at the Red Flannel in Chicago.

McKinley and Demarest sailed in the 1973 Lightning World Championship at the Buffalo Canoe Club in August. McKinley finished 13th, one point up on Demarest in 15th. Cameron crewed for second place finisher Jim Dressel, Columbus, O. (He also crewed with Dressel at the North Americans — 4th and the Southern Circuit — 2nd.)

Now the hectic 1973 season is over at Tawas Bay. Looking back, the work load involved with executing those regattas was huge, and we are truly grateful to all the friends of Fleet 152 who contributed so willingly and effectively in order to insure the success of the events. As for 1974, we are all making plans to let others run the regattas while we just go, relax and try to win a few races.

Fleet 154 had its customary full summer of racing starting just before Memorial Day and wrapping up on Labor Day. Racing events included the Early Bird series, Hoosier Regatta, District Championships and the main season series.

In the Memorial Day Series it was last year's fleet champion, Paul Knauer, taking first, followed by John Nixon, last year's runner-up and George Wright, who often comes out of nowhere.

The Early Bird series was held down to six races because of the Hoosier Regatta and the Districts, but it was won by Paul Penn, Jr., who was setting the stage for a tremendous season. Nixon and Wright followed him. In the Hoosier, Bill Beard, newly moved to Evansville, Ind., swept it with three firsts. Second and third were two Decatur, Ill., skippers, Dale Kettner and Bill Wis.

The Districts were won by Bruce Baiden, followed by Beard and Penn.

Penn clobbered the July 4th series with three firsts, mak-

ing six firsts out of the eight fleet races he had sailed in. George Buckingham was second and Baiden was third.

Penn, who has won the fleet championship several times before but who had not won a major trophy in 1972, slammed into the main season, 16-race series with six more firsts, four seconds and a third, which gave him a commanding win.

The last two days and four races really mixed it up for the rest of the skippers in the top part of the fleet.

Nixon, who warmed up toward the end with four firsts and a second, looked like he was going to seriously challenge Penn. But he bombed two of the last four.

Meanwhile, George Freese, a former North American qualifier, had been sputtering back in the fleet's sixth position. Suddenly he came up with 3-4-1-2 and ousted Nixon out of second. Paul Knauer, who had looked like an easy third, was bumped to fourth. Nixon took the Cynthia Cup for scoring the most gross points throughout the entire summer.

A new trophy for those in the lower half of the fleet was taken by Dan Danielson, who came on strong near the season's end. He was followed by Bob Troutman and Gordon Medlock.

Bob, incidentally, lost part of a finger just after the final race in the cable of a run-away boat lift.

Over the past few years our fleet has been growing and indications are that the growth will continue in 1974.

Spring is normally a time for beginnings and fresh starts. Spring at Willow Bank was no exception. The club had just completed the reconstruction of the new breakwater; several boats sported new go-fasts or an occasional fresh coat of varnish and even Ken Warren had added new layers of black tape to his rails.

Fleet 164 also boasted two new skippers. John Poorman, former ace crew on one of this fleet's faster boats, finally managed to convince his father that a Lightning wasn't all bad just because it wouldn't go into reverse. John began sailing and provided us with keen competition. He put to rest several rumors concerning his abilities. Fred Twitchell, our other new member, refinished a long neglected Emmons
—5894 and joined the fleet as an active member. In addition, some of our not-so-new skippers got into gear, giving us some of the largest and most competitive Lightning fleets seen at Willow Bank in some time.

Fleet activity was at a level not seen here for some time. A new scoring system, which encouraged more participation in home races, did just that. Consequently, we had several races with large fleets on the line. Competition for our overall summer series was keen, with Merle Pindell, Ken Warren and Don Sanford finishing first, second and third respectively. In our special races for the Crewettes Tea Service and the Charter Members Bowl, Linda and Dr. Loff Ponfield some analysis the beauty and and Dr. Jeff Penfield came away with the honors respectively.

As perhaps the highlight of the season, Don Sanford, with an incredible vote of support, was promoted to the prestigious office of Fleet Captain. Fred Twitchell, now the proud owner of 11571, was elected to the office of Fleet Secretary. Fred will now become the author of these literary gems. As we look forward to next summer, the following rumors have come to my attention: Santa will be bringing John Poorman a new suit of sails, and Ken has gotten a good deal in case lots of black tape.

All of us here at Willow Bank join in wishing you a pleasant winter and a rewarding season next summer.

At left, Fleet Champion Raimo Aromaa.

This year our season started with a race called On the Rocks. This happened on May 26 at Lake Tuusulanjarvi, some 20 miles north of Helsinki. There, a brand new yachting club hosted four Lightnings in two starts. We were glad to see one boat from as far as from Pori fleet (306).

First ranking regatta was held at Lake Nasijarvi, in Tampere, where Unto Maenpaa with his boat, Vahine, cleared fourth in upsetting winds and course marks. Two new super light boats were seen, owned by Antti Ruuskanen from Tampere and Ilkka Lilja from Jyvaskyla.

Next ranking race was held on the waters of our fleet at the end of June. Antti Ruuskanen from Tampere, Illkka Lilja from Jyvaskyla and Seppo Lahdemaki from Pori were our guests and took three first places, as our best sailors from previous years were not present. Terho Aromaa is shifting now to Tornados, and Pentti Puupera is sailing other classes, too. Fourth was Matti Tiivola with Cocu II, former Terhós Masi Jr. and fifth Raimo Aromaa with his Kesaheila. This race was also first for the fleet championships.

Paijanne Sailing, a long distance race of about 70 sea miles, was held on July 21-22 from Vaaksy to Jyvaskyla, on the lake Paijanne. Participants were mostly of keel boats but five Lightnings were with as a trial. One was from our fleet, Lauri Korpinen with his new boat 12429, Pirla. The race started with a twelve-hour spinnaker leg in winds force 1 to 2. Then followed about 16 hours windward in zero wind conditions, and a thunderstorm at the end raising momentarily a wind of force 9. Our boat cleared third in its class.

Eight boats of our fleet and 14 in all spent a joyous weekend "with true folks of Finland" during Saimaan Regatta, held on the July 28-29 in Kuopio. After four races in mixing conditions, cleared Antti Ruuskanen first, with two firsts and two seconds. Of our fleet, cleared Raimo Aromaa third, Kari Porthen with his Lokka, fourth; Unto Maenpaa, sixth; Hartti Nisonen, seventh; Lauri Korpinen, eighth; Matti Tiivola, tenth; Marja Korhonen (a 17 year old female skipper to take seriously), eleventh; Antero Westerlund, twelfth, with his Merirokko (freely translated Sea Pox).

Next weekend in the same place was held District Championships, and we met, among 20 participants, the brand new European Champion Lasse Hammar from Oulu Fleet. In light to moderate winds, he gained District Championship. Best in our fleet was third Matti Tiivola, with his Cocu II, then Lauri Korpinen, fifth; Ilkka Kaitila, who was first in one race in really featherlight wind conditions and now perhaps on the waters of Los Angeles eighth, Unto Maenpaa,

10th; Raimo Aromaa, 12th; Kari Porthen, 13th; Hartti Nisonen, 14th; Marja Korhonen, 16th; Ahti Immonen, 17th; Antero Westerlund, 19th. He won the jumbo prize, a huge alarm clock, so the prize will be within our fleet for another year.

Second part of our fleet championships was held during Yacht Club HSS 80 years anniversary regatta on Aug. 25th and 28th. First day showed good winds to the point of capsize of two boats. Ilkka Kaitila went around in windward leg some 100 yards from finishing line, and Unto Maenpaa in jibe. He managed to continue the race, although he does not have any 100 per cent rightable boat. Second day was calmer, but cooler, showing the signs of autumn and causing the crews to chatter of chill before reaching the finishing line. Lasse Hammar was first; Antti Ruuskanen, second; Ilkka Kaitila, third and Raimo Aromaa, fourth, gaining thus fleet championships of this year.

One more major regatta was held before the end of season. That was Pori Open on Sept. 15-16, where Lasse Hammar took first place. Second was of our Fleet Unto Maenpaa; third Raimo Aromaa; Hartti Nisonen, fourth; Kari Porthen, sixth; Marja Korhonen, seventh (a good result); Pertti Pyy, eighth with his Amarillo, and Ontti Aromaa, 11th, with his Sunrise.

Next season will show at least three new lightweight fiberglass boats from the same boat yard, as the two seen in this year, and about 10 more fiberglass boats to the waters of Helsinki Fleet, unless Tuusulanjarvi is not founding its own fleet.

"Try letting out the halyard a little more and see if that helps."

Nine summer series races were held between June 17 and Aug. 26, with results as follows: (1) Bill Quaintance, (2) Don Morrison, (3) Gerry Miller.

In the fall series 12 races were held between Sept. 2 and Oct. 28. The results in that series were: (1 Don Morrison, (2) Walt Bratton, (3) Gerry Miller.

Special events included the Tri-Centennial Celebration Series June 23-24, the winners being: (1) Mike Steffenson, (2) Don Morrison, (3) Gerry Miller. This celebation was a part of the festivities honoring the canoe trip made originally by Marquette and Jolliet 300 years ago and repeated in 1973 by a group of young men.

The July 4th Series was also won by: (1) Stefenson, (2) Morrison, (3) Miller.

The Founder's Day Series, held July 28-29, celebrating the founding of Lake Davenport Sailing Club, was won by: (1 Don Morrison, (2) Bill Quaintence, (3) Gerry Miller.

The Polar Bear Regatta was held Sept. 26-28, mostly in light air, with the winners as follows: (1) John Brewster, (2) Mike Steffenson, (3) D. Lawson, (4) Don Morrison, (5) Bill Quanitance.

Presentation of trophies for the above events was scheduled for Nov. 24 at the annual awards banquet.

If a certain stagnation still strives against our expansion efforts, we must nevertheless be satisfied to have been able to send three boats to Anzio, Italy, for the European Championships. The fairly good results achieved give us hope for the next important competitions.

The rise of our subscriptions, which we find justified, has unfortunately deprived us of some members. However, we hope that they might come back.

Coming back to the regattas, let us mention that our members won this season the Lucerne District Regattas, the Faoug Cup, and, above all, The International Regatta at Estensi, Italy.

The Championships of Jurassic Lakes and Joran Week have been run on our lake, competitions to which but few new potential members took part.

We closed our season on Nov. 3 with the traditional Fondue Regatta which counted also as our fleet championship. Only two regattas could be concluded with an extremely weak breeze. WAGGU 11857, crewed by the Wyler family, is fleet champion. The runner up, Grandgousier 11858, belonging to Aline Grandguillaume, was skippered by Mr. Perrenoud Jr.

Year-round sailing on Cross Lake started off with Marcus Millican, Marshall Walker and Chapin Plummer finishing first, second and third in the Spring Series. During that series, the Holiday-in-Dixie Regatta attracted a total of 25 Lightning skippers. Although a goodly number of participants represented Fleet 175, the silver went to the out-of-towners: Bruce Baker, Jackson, Miss., first; Rick Tears, Dallas, Tex., second; Robert H. Thomas, Dallas, Tex., third; Jimmy White, Lake Charles, La., fourth; Billy Williams, New Orleans, La., fifth.

Marshall Walker toured down to the high waters for the Lake Charles Regatta just prior to the start of the Summer Series back on Cross Lake. The Summer Series finished; Chapin Plummer, first; Marshall Walker, second; Alton Parker, third. In trying to dislodge the consistent top winners and prepare for future races both in and out of town, a local practice regatta was held with Chapin Plummer obtaining the vote from his fellow skippers as most improved.

The high winds of July 4th found John Butcher, Marshall Walker and Chapin Plummer in the top three positions. John Butcher took the fleet championship, with Marcus Millican, runner-up in the Labor Day Championship, sailed in consistently good winds. The out-of-town circuit provided visits to other yacht clubs in the area. The Gulf Yachting Association Lightning Championship at Pass Christian, Miss., found Marshall Walker, Chapin Plummer, Larry Pledger and Bill Rackley "floating" around the race course in extremely light winds.

Larry Pledger, John Butcher and Marshall Walker competed in the New Orleans District Championship and were treated to a tour of the Hard Sail Loft. The Jackson, Miss., Regatta saw Marshall Walker take second place. Larry Pledger and Bob Griffin also competed. Marshall Walker and Larry Pledger visited the Rush Creek Yacht Club in Dallas, Tex., with its high winds. The 1973 season finished out with John Butcher, Chapin Plummer and Marshall Walker taking the first three places in the Fall Series.

Fleet 175 continues to be one of the most active sailing classes on Cross Lake, with stalwarts like Marshall Walker consistently finishing in the top three on Cross Lake and representing the fleet at out of town events and John Butcher taking his first fleet championship. Competition is keen though with newcomers like Bill Rackley and Bob Griffin.

"It Was a Very Good Year." Fleet 178, despite weather extremes — too much wind or none at all — came through the 1973 season with flying colors.

It was the year that our illustrious Fleet Captain, Robert T. David, despite beginning and ending the season in the drink, nicely managed to walk away with the Fall Series, the Sayville Invitational and a second out of 34 boats at the Northport Invitational.

It was the year of the new mast for Gene Dillman, and Larry Cullen after dismasting; for Tom Tyler, just in case; and a close call for Mike Gargiulo, but for his quick thinking wife, Gloria.

It was the year we welcomed to our fleet new members Larry and Pam Landgraff, Frank and Pat Marinaccio, Allen and Lorraine Pearlman, and Alan and Janet Hoffberg.

It was the year newcomer Marinaccio won the Transom Trophy but gave all fellow-racers fair warning with those last three races in that new boat — all firsts.

And, as always, it was a year of racy regatta results: Burr Hollister, literally "Outasite" at Babylon, won that Invitational Regatta, hands down. Our fleet champ, Mike Gargiulo, sailed away with the silver from Bayshore, Unqua, Race Week, not to mention the Spring Series. Point of Woods and Wet Pants Regattas were conquered by Tom Tyler alone. Paul Brous took the Narrasketuck Invitational. Special Note: Lightning came through for the second consecutive year with Ed Hayes winning Queen of the Bay competition — an all-class handicap — for which we are all justly proud.

As for our social settings, could we ever forget that Luscious Lightning Lobster Luau; the Sayville birthday party Joyce Tyler missed; our four favorite honorary members: Vero and Stacey Piancentini, and Pearce and Kay Baker, without whom no Lightning function would be complete; and the Almost-Annual Costume Party, given by Steve and Margaret Koller and attended this year by none other than The Cookie Monster and The Ancient Mariner with his Albatross.

All in all, "It Was a Very Good Year," this 1973, thoroughly enjoyed by each and every active racing member of Fleet 178.

The Big Three Silver Collectors of Fleet 178, Mike Gargiulo, Tom Tyler, Bob David and crew.

It was an active racing season at Fleet 180 with tough competition and exciting finishes. The Fleet continues to expand with the addition of Mark Prather, an avid sailor from Meadville, and the welcome return of the Charles Berry family from Texas. Both made a fine showing for the season, along with Ray Eisenbees, last year's rookie.

The summer series began on the July 4 weekend and remained surprisingly close until the end. Dr. Duane Good showed how constant Southern Circuit participation pays off, with a very close third place finish. Color coordinated J. Edwin Schaffer III, with his well seasoned crew, Daddy Bruce Martin and Don Brinks, sailed many fine races to finish a strong second. Gary Titzel finished first for the series.

Warner Henderson, always a strong competitor, exhibited some expert sailing to win the Labor Day series. Young Bob Lilly was second and Gary Titzel, third.

Plans are in the works to expand the racing program to four series next season — a tune-up series, starting June 1, a summer A series, a summer B series and the Labor Day series.

out-of-town regattas as possible, because the nucleus of our fleet attended all of these regattas.

Kickoff of our sailing season actually started in Fond du Lac at their first Annual Lighthouse Regatta, with Tryg Jacobson, first, Rick Larson, third, and Rob Senty, fourth. Tryg really had his new boat going that weekend.

Back in our own fleet, Rick Larson jumped off to an early lead in his bid to defend his Club Championship by winning the Gresholt Series, then putting together three bullets to sweep the July 4th Regatta. Jacobson was second and third respectively, with Eric Graf, an up and coming young sailor, sailing consistently to a third and second.

The Piper series was won by Jacobson, with Larson and Graf following in that order. Graf and Rob Senty finished in a tie for points, with Graf taking third on the basis of two more firsts than Senty.

It was Jacobson really coming on strong in the second half of the season, winning the appropriately named "Last Chance" Series and the Labor Day Regatta. Larson managed to hang in there for two seconds, with third places going to Graf.

Rick Larson's early season victories enabled him to retain the club championship by two points over Tryg Jacobson, with Eric Graf third over-all. This year we tried to stir up interest among more people by having trophies for those with wooden boats and/or less experience. This was not as successful as hoped for. However, we did have some heated competition among those participating. Leslie Kohler and her all-girl crew, racing their first full season, beat out another first year team of Mark and Tim Gottsacker by a single point to win the Beta Fleet Championship. We hope their enthusiasm carries over into next year.

Highlight of our season was again the Brotz Regatta. With beautiful weather and 25 boats, we had one of our finest regattas ever. Brotz Regatta Chairman, Terry Kohler and his crew, did a fabulous job of organizing and running a most successful weekend. Bill Buckles, coming all the way from Cleveland, O., liked the wind and conditions as he sailed to three firsts and an over-all first. Chicagoan Don Basler (alias, the Phantom) and his family took second, with local sailors Rick Larson, Rob Senty and Tryg Jacobson rounding out the top five trophy winners.

Marblehead Race Week Champion Bill Bray (Fleet 189) and his crew are shown in #11250.

It's hard to believe but sailing season '73 has come and gone. It wasn't one of our best, nor could it be called one of the worst. Our expectations of 15 boats on the starting line was dashed by numerous squalls that resulted in broken masts, rudders, lost spinnaker poles and even a broken skeg.

Fleet activities got under way in late April, with a cocktail party at the home of Fleet Captain Chuck Ritt. At this time, we welcomed two new fleet members, Jim Driesbach and Gerry Hosman.

Racing was under way early this year with the four race Eastern Yacht Club Spring Series, highlighted by "Sail '73',' promoted by the Marblehead Racing Association. This was held after the last race of the spring series and consisted of a parade of all Marblehead racing fleets around the harbor. Following was a well attended gala cocktail party at the Corinthian Yacht Club. With beautiful weather for this event, spirits ran high for a successful sailing season. But alas, the Memorial Day race, first of the MBA races, was sailed in moderate rain, heavy seas and strong east winds, resulting in a broken mast for Dr. Willard Johnson.

Squalls and broken equipment continued to plague the fleet and this, plus some people working on Saturdays, resulted in lower than normal racing participation. The MRA and Fleet Championship did continue, however. John Collins, always fast, showed up in his new boat #12385. Tom Stover bought a new Allen jib and was heard to say "this is my year." In spite of either being over the horizon or up the mast prior to the start of a race, he always managed to be with the leaders at the finish. J. B. Kittredge, who in the past sailed at Annisquam, decided to join our fleet and sail in Marblehead. These fellows, along with our now squall-shocked fleet captain, Chuck Ritt, who would now be under bare poles at the sight of the first black cloud, provided all the competition. The MRA and Fleet Championship ended

up as follows: Ritt, first; Collins, second; Stover, third and Kittredge, fourth.

The Milton Larsen Race Week Trophy was won by Bill Bray in #11250. He also won the Tuesday Twi-light and August Twi-light series. John Collins won the Thursday Twilight and Hugh Quigley the Sunday morning series.

Ritt, Bray, Collins, Pocharski, McInnes and Stover were all seen on the traveling circuit, with Dr. Pocharski finishing 12th in the World's and John Collins 26th in the North Americans Championship Flight.

The Fleet Annual Banquet and Trophy night was held Oct. 19 at the Corinthian Yacht Club. Tom Stover showed his movies of the 1973 Worlds, with commentary by Dr. Pocharski

Tom Stover was elected 1974 Fleet Captain: Hugh Quigley, Fleet Vice Captain and Bill Bray, Secretary.

Our thanks to Chuck Ritt for his able leadership in 1973.

Fleet 192 sponsored two successful regattas for area Lightning Skippers. The Spring Invitational, won by Bill Buckley of Severn Yacht Club, included 12 boats.

The third annual Dixie District Junior Championships in July, won by Pete Buckley of Severn Yacht Club, had the largest turnout to date, with eleven boats on the line. Local youngsters, Greg Eckman and Bill John, captured the next two places.

Fleet championship was won by Fred Johns with Lester Eckman repeating as runner-up in excellent race conditions.

Big winner of the season was Al Dutton. He captured the Pennsylvania Governor's Cup by sailing to a win in the final race light air. Earlier he had a big second place finish discounted by a "race committee protest" the first day. Local competition in the event was keen. Joe Eckman emerged the early leader in the two day series on the Susquehanna, with a first race win.

Robert Crowder gave a fine account of himself in the North American Governor's Cup, with a fifth place finish. Bob also led the local competition in the Spring Series.

Although local racing suffered somewhat from a lack of interest, plans for a new clubhouse should help us get on the right track for next season and keep the "hot" sailors home more.

Fleet 194 activities started Jan. 5 with the annual installation dinner at the home of Charlie and Betty Grinnell. Fleet Officers installed were: Charlie Grinnell, Fleet Captain; Al Coha, Secretary; Donna Brady, Treasurer; Fred

Knauer, Mainstay Reporter.

Sailing activities in Southern California never really cease, with the first race of the "Frostbite Series" starting Jan. 7. The first race was a "Windless Wonder," with Fred Knauer drifting across the finish line ahead of Myron Lyon. The two races Jan. 21 were ridiculous drifters — even drifting backwards part of the time in the strong, outgoing tide. Al Coha, who missed the first race, won both of these, with Mabel crewing for the first time since she broke her leg,

The winter series was sailed with better winds during February and March. A spectacular dismasting occurred during one of the races, when the mast on a wildly oscillating downwind spine, hit Fred Kongar's most as he was lating downwind snipe hit Fred Knauer's mast as he was sailing closehauled and bent it over to a 90 degree angle about two feet above the deck. Fortunately, no one was hurt. Commodore Paul Brady went on to win that race and the

series.

The Southern California Lightning Circuit began on Sunday, April 15, at Coronado Yacht Club. John Freenor was down from San Francisco. Bill Buckles came from Ohio in place of Papa John Mueller, who had been a fixture during the previous Circuits. However, the Los Angeles group showed up in force — Harter, Patty, Givernick, Boswell and Newman, and that really helped out.

Warren Gross represented CYC, and from MBYC there was Coha, Lyon, Brewer and Knauer. The weather was fine — with nice breezes for the Sunday race. Buckles, Freenor, Lyon and Knauer were the first to round the weather mark. On the spinnaker legs Freenor dropped a couple of places. On the second long beat Knauer went furthest to the West, found a great lifting streak of wind, which took him past Lyon and on to Buckles' transom. While Buckles put a close cover on Knauer to the finish line, Lyon and Gross had their own duel, which Gross won by a narrow margin. Freenor finished fifth.

Monday the wind was strong - 10-18 mph, and foul weather gear was very apparent. In the morning race, Gross went out in front and stayed there all around, with Buckles his closest pursuer. Lyon and Knauer dueled for third, with Lyon the winner. Al Coha took fifth.

In the afternoon race, Buckles and Gross again battled for the first place spot. At the first weather mark Cohā was third, Knauer fourth, Lyon fifth. At the jibing mark Lyon was third — but at this point the Lyons became lambs, and didn't fly the spinnaker on the next leg, marked by some exhilarating wild planning. Coha, Harter and Knauer all went by him. Buckles pulled away from Gross, Coha and Knauer battled closely for third, with Coha taking it on the last long one-tack "beat." Harter dropped back, and Freenor came up for fifth and Lyon was sixth.

Wednesday dawned bright and clear for the 17-mile marathon race from Coronado Y.C. in the San Diego Bay out into the ocean, and up the coast into Mission Bay to M.B.Y.C. The start was a port tack reach and most of the boats

popped spinnakers at the gun.

Knauer raised no chute and headed high toward the West and when, in less than a minute a 60-degree header hit the fleet, he had a big lead over all the boats which had to drop their chutes. He held his lead for about an hour, with Buckles and Gross gradually closing the gap. They took the lead by staying close into shore. Knauer tacked across the bay to get on the windward side of a large freighter. South of Point Loma, approaching the No. 3 buoy, which was the turning mark, Gross held low and had no trouble finding the mark. Buckles, Knauer and Lyon all held up high and missed the mark, and later had to come back under

spinnaker.

By this time most of the rest of the fleet had rounded the mark, so the places were really shuffled. Poor Buckles, who had gone a mile further to no. 1 Buoy, went from first to ninth-place. The ocean sailing was great. A strong breeze kept the boats moving well, in spite of heavy seas. When the Mission Bay jetties came into sight, chutes were popped and were carried into Mission Bay. The first five finishing were Gross, Coha, Freenor, Givernik and Knauer. At the end of this race, the overall standings were Gross, Buckles, Knauer, Lyon and Coha.

Thursday, two races were sailed in Mission Bay. The first one was sailed in winds of about 10 m.p.h. It was won by

Buckles, who was followed by Gross, Lyon, Knauer and Coha. The second race of this Easter Regatta was a three-lap lulu that took a good two hours. It started in winds of about 10 m.p.h., which gradually dropped to 4-5 m.p.h. Once again, Buckles was off with a good lead. Gross was second in spite of a near goof of going to (but not over) the finish line after only two laps. There was an epic battle between Lyon and Knauer for third. Five times Knauer went ahead, and four times, Lyon passed him again. However, the fifth time, the treatment took, and Knauer crossed the line a few lengths ahead. Freenor was fifth.

The final race of this regatta and of the Circuit was held in Mission Bay on Friday. Knauer was over at the start and head to go head. He was able to fight his way head, into the

had to go back. He was able to fight his way back into the fleet. Buckles led again, with Gross and Haines behind him. On the final beat of the race, Coha, Lyon, Givernik and Knauer had a great battle, with frequent tacking. Places changed until they finally crossed the finish line in that order. The top five in this Easter Regatta were Buckles, Gross, Lyon, Knauer and Coha.

Trophies were awarded to the first four finishers in each portion of the Circuit. Then trophies were awarded to the top five winners of the overall Circuit as follows: 1) Gross, 2) Buckles, 3) Knauer, 4) Lyon, 5) Coha. The beautiful overall trophies, made by Al Coha and Glen McPherren, were unique. The sea chart for the San Diego Bay area was reduced in size, then transferred to aluminum. This was framed, and an engraved plate was put on the frame showing the Circuit, year and finishing place. Social events during the Circuit included a BBQ dinner at CYC and a spaghetti dinner at M.B.Y.C.

The Memorial Day Series was sailed under a new plan. There were six races in two days, three races each day. Each day the first race was started in Mission Bay and finished in the ocean. The second race was around an ocean course but finished in the bay near the clubhouse. After six races, Coha, Knauer and Lyon were each tied.

The three-race Blue Water Regatta was sailed in the Ocean in June. In two of the races Knauer led all around the triangle but was nipped at the finish by Lyon. The results were 1) Lyon, 2) Knauer, 3) Brady.

In the "Sloop Regatta" Knauer won all three races, but his

margin over 2nd place Brady was a total of only eleven

seconds for the 3 races.

The California Districts were sailed at King Harbor Yacht Club in Redondo Beach. Eichenlaub and Knauer trailered to the Districts from Fleet 194.

The first race was practically a drifter. Wendell Harter was in his element and won handily, with Carl, second; Patty, third. The wind came up pretty well in the next two races. Carl won the second race, with Knauer second by a few feet over Giverinck, race no. 3 was also won by Carl, with Harter, second; Knauer, third, this time by a margin of only a couple of feet over Boswell. After the first day it was Eichenlaub, Harter, Knauer, with Giverinck and Patty only one point behind.

Sunday. Mark Patty took off from the starting line, holding his lead to the finish. Carl was second, with Harter, third. In the final race, Carl was back to his winning ways, with Harter again second and Mark Patty, third. Giverinck and Knauer had another ding-dong battle on the final boat, with Jack nipping Knauer right on the finish line. Tro-nhies were awarded to Eichenlaub, Harter, Patty, Giverinck, Knauer. There was a great steak BBQ Saturday night. A very pleasant weekend.

Labor Day weekend was one of those two-day, six-race outin deals. Six Lightnings had a lot of fun, except Don Miller, who broke his rudder. On the way out in the first race, Myron Lyon rounded the wrong flag and got a DNF. Knauer won the race. Myron took a throw-out of his sixth in this race and went on to win the series with four firsts and a second. Knauer, with two firsts and the rest, seconds, took second place. Brewer was third overall.

The Lyons enjoyed a fine weekend of sailing and camping at the Lake Cachuma Regatta, sponsored by the King Harbor Fleet. Why wouldn't they enjoy it, when they had three straight firsts to win the Regatta? Mark Patty led the first race, till Myron snookered him on the finish line. In the other two races, Myron had pretty good leads.

Our Invitational, the Bowen Memorial Regatta, was a very pleasant weekend, with 10 boats out, including four from Los Angeles. The first race was close, till the first time at the leeward mark. After that, Lyon pulled into a good lead. Patty was running second, Knauer giving him a battle. Then, on the final beat, Giverinck came up fast. Knauer, concentrating on covering him, failed to notice Harter coming up on the lay line until it was too late. So the first race ended with Lyon, Patty, Harter, Knauer, Giverinck.

In the second race Knauer's "Now" got off the line with a well timed start, rounded the weather mark first and held the lead to the finish. Lyon, wiped off by the committee boat at the start, came back to prevail over Patty. Harter was fourth, Giverinck, fifth.

In Sunday's race, Lyon and Knauer had a great duel in front of the rest of the fleet. Lyon rounded first, as Knauer was delayed by a minor collision with Harter, who had tacked too close (and was later DSQ'd). Knauer attacked Myron on the spinnaker leg, failed to take him to windward, but ducked under his stern for an inside overlap at the jibing mark. On the final beat to the finish line, Knauer covered Lyon tack for tack. As they approached the finish line, Knauer had a bad port tack. Lyon slipped through to leeward, and tacked to starboard, forcing Knauer to duck his stern. Lyon won by half a length or so. Patty was third. John Lyon, sailing McPherren's boat in his first Lightning regatta, was fourth; Giverinck fifth. Trophies (made by the combined efforts of McPherren, Coha, Lyon, Knauer and Luci Miller) were presented to 1) M. Lyon, 2) Knauer, 3) Patty, 4) Giverinck, 5) Harter. John Lyon also had 17 points, but Harter beat him two out of three.

A four-race fall series was sailed in September, October and November. Knauer took four straight firsts. John Lyon was second, Gotschalk, third. Four of our boats went to Los Angeles in late October to sail three real drifters, all won by Harter of KHYC. Knauer was second in the Autumn Regatta, M. Lyon, third and Dick Brewer, fourth. In the Hurricane Gulch Regatta, M. Lyon was second, Brewer, third, Knauer, fifth.

We were happy to welcome Charles Gotshalk, his wife, Joan, and their children Jill, Chris and Pat into Fleet 194. Charlie has sailed Sneakboxes on the East Coast and is now becoming involved with the intricacies of racing a Lightning.

We were saddened by the loss of two of our members this year, John McPherren who died of a brain tumor and C. Lloyd Hubbert who died of cancer. Their friendly presence will be greatly missed.

It was an active racing season for Fleet #196, with the normal assortment of thrills, excitement and frustration.

Beginning in May with our Club Commissioning Ceremony and ending in September with the awards dinner, interest and competition ran high.

Although our fleet did not show a substantial increase for 1973, the number of boats participating in our Saturday and Sunday series was quite good. In spite of the absence of a number of competitors at home, those that participated were rewarded with a challenging and successful season of sailing.

In addition to the many club activities for the Lightning fleet, including our very successful Surf City Regatta, which attracted a good many lightnings from different fleets, we were host to the New Jersey State Championships and a turnout of 32 boats. The event was quite successful, with good winds (most of the time) and a terrific cocktail party.

Our fleet was well represented throughout the year in national competition. One of the season's greatest moments was that of an invitation extended to our fleet to compete in the World Championships. The fleet was also well represented in the North Americans, Districts and many out of town regattas.

We welcome Chuck Swartley to the fleet. He is a great competitor, good sportsman and a welcome addition to the fleet.

For consistency, no one could match Frank Temme. As a result, he is our fleet champion once again, winning handily. Kathy Mullin settled for the number two spot.

In the Commodore Series, Frank's brother, Tommy, took top honors, while Kathy Mullin was runner-up. Kathy was awarded the trophy for the most improved skipper in the fleet, based on her improvement in the past year.

This year, under the leadership of Frank Temme, an intensive training program for club members, especially the Junior Class, was undertaken. Fundamentals of sailing, jib and spinnaker flying were stressed. We not only feel that we have "turned on" some fine young men to the fun of sailing, but we have developed a ready source of available crew members.

Fleet 196 is honored to have Charlie Howe as our newly elected President of I.L.C.A., and our congratulations go to him. Good Luck, Charlie.

Our many thanks to the race committee for a job well done. We all look forward to our next season — for the sunny days, the exciting finishes and sharing the fun of a Lightning Fleet.

Good sailing weather and fine competition again proved to be the hallmarks of the Chautauqua Lightning Fleet throughout our three series of summer regattas.

Our July Series, handily sewn up by Jim Neville, served as our fleet championship determining series. This series was followed by the Sample Memorial Series in August and the ever thrilling, annual Labor Day Drifting Regattas.

There are two features of our fleet which we feel are of note. The first of these is the average age of the regular skippers in the fleet, which at best estimate is probably around 21 years old. Second is the number of commuters that either fly or drive to Chautauqua almost every weekend for the races. Jack Bailey and Jim Neville come from Cleveland, Tom Ingram from Chicago, Dave Ingram from Hartford, and Bill Park from Boston, to name a few of our regulars.

Jack Bailey, definitely one of the most interesting members of the fleet to watch, experienced a star-studded summer, having fallen, (or did Mary push him?) off of his boat several times, breaking his boom, shattering his spinnaker pole. To top it off, he was forgotten by the fleet captain at the awards ceremony and didn't get any ribbons. At last report, Jack was heard to say that he was going to take up something with a little less margin for error — like cliff diving. Better luck next year.

A sincere "well done" also goes to the two wooden boats that race regularly on weekends — the Calhouns' and the Morgan crafts. Good times and perserverance are the names of their game.

One low note is the passing of a dear friend and supporter of the fleet, who many of us will miss deeply, Mrs. Helen Y. Ingram.

Overall, the 1973 summer sailing series on Chautauqua Lake shows what we hope will be an indication of a fine Chautauqua Centennial Regatta to come next July.

New Orleans Fleet #209 had a banner year by its boats sailing faster than all the other boats in the Southern District. Greg Zettler, sailing his Mrs. Henry VIII, started the season by winning the Sugar Bowl Regatta.

Buck Ballatin came back to win the Mardi Gras Regatta. Cal Herman, a new young skipper, won our open regatta and the season was off to a big win for Fleet 209.

Ballatin captured the GYA Championship, but Greg Zettler, better known as the Count, brought home the District trophy. Zettler was just getting into high gear when a transfer sent him to Seattle, Wash. Good luck, Greg, from #209.

Cal Herman, our 18-year-old skipper, just finished stealing the Charter Day Regatta and is waiting to get a shot at our closing day.

This year our club has taken in two new boats, five new members belonging to boat #9219 and Cal Herman, skipper of boat #11887.

The sailing season for Atwood Lightning Sailors was officially opened by the traditional party at the home of the Fleet Captain.

Cold winds and spring rains ushered in the Spring Series April 29. Joe Streb brought his brand new boat over the finish line first on that day. Final standings for the series were Nelson Caley, first; Karl Rollius, second; Joe Streb, third.

The Commodore's Series on Decoration Day was highlighted by the 25th annual Commodore's Ball. Lightning Skipper Jerry Schwab as Commodore lent special significance to the occasion. The concluding race was a real screamer, and in the series Tom McCain took first; Dean Caley took second; Keith Eshelman took third, and Mike Huber took a dunking.

The Summer Series opened with a drifter, our only race this season to be thrown out due to "overtime." We had moderate winds the rest of the summer, a real bonus here in the hills. Gene Muntean captured first with Dean Caley one-fourth point behind for second and Mike Huber, third.

Labor Day weekend failed to produce even a hint of a breeze, so the Championship Series was partially decided by order of finish in the Harvest Moon Regatta sail the following weekend. These were Tom McCain, fleet champion; Karl Rollius, second; Gene Muntean, third.

Winds picked up for the fall series and displayed their usual capriciousness. Several boats did involuntary 360's with spinnakers up at one point. However, any wind is better than none and our hardy skippers proved to be Tom McCain, first; Karl Rollius, second; and Gene Muntean, third.

The 23rd Annual Harvest Moon Regatta turned out to be our biggest and best with 42 Lightnings registered from 12 clubs. We did get three races run although winds were disappointingly light. Top finishers were Bernie Malcolm of Indian Lake, first; Jon Ruhlman and Bob Baumgardner of Pymatuning, second and third, respectively.

July 4th Crew Race winner was Hank Schaeffer in Karl Rollius' boat. Mark Muntean placed second in his dad's boat.

Two new boats graced our fleet this year, owned by Joe Streb and Bill Peterson. We added one new skipper, Keith Eshleman in his gold "Zinger." Keith crewed last year and already offers stiff competition. We welcomed transfer Dick Waller from Turkeyfoot Fleet 33.

The fleet this year seemed to be evenly matched with most skippers up front at one time or another. We are looking forward to a challenging 1974.

Three new boats entered the fleet this year in the capable hands of Ron Spafford, Bill Grant and the longtime Lightning sailor, George Layton. It seems like everyone has eyes on Russ Scrim, who swept the fleet with his new boat this year. We were sorry to lose Gerry Cloutier, last year's champion, who has been enraptured by sailing in the Bahamas, having sold his Lightning.

Most of our sailing was done in local waters, although three crews were at CORK where they managed a 19th (Russ Scrim), 28th (Bill Dunnington) and a 33rd (George Layton) against top international competition.

In the District Championship, John Goyder of Hudson took the top prize, but Russ Scrim and Michel Brossard picked up a second and third for our fleet. Winners of various events during the year included Russ Scrim (June Regatta. Bessborough Cup, Evening Series), Bill Dunnington (Good Start Regatta) and George Layton (Annual Regatta, Davaar Quaich).

New fleet members included Bob Taylor, Gilles Cousineau and Pat Keeping.

This year is the 23rd that Fleet 216 has sailed the challenging waters of Saginaw Bay. Except for some early problems caused by the generally high water in the Great Lakes, wind, weather and waves were exceptionally kind to us. Only three races out of a 37-race schedule were cancelled because of weather.

Although our 20-boat fleet is showing great competitive progress, no one could touch Joe Dissette as he piled up an impressive solid string of first place finishes to regain his customary position as Fleet Champion.

The hotly contested runner-up position was won by our most exciting skipper, Carl Hesse. Third spot went to Timm Patterson — Timm's first year in his own boat, and he was a contender all the way.

The Wednesday evening Owl series was a popular feature. Carl Hesse took first place honors; Timm Patterson was second and John Johnson marked his return to our Fleet by winning third.

We sailed three Club Regattas. Memorial Day trophies were taken Joe Dissette, Vince Boyle, and Dick DeAngelis. On July 4th, Joe Dissette again took first, with Carl Hesse coming in second. A three way tie for third place between Vince Boyle, Dick DeAngelis and Timm Patterson was broken in favor of Vince Boyle. Labor Day saw Joe Dissette make a clean sweep by taking home a first place from this regatta, too. Carl Hesse won another second and Timm Patterson, a third.

The Fleet 216 Invitational, hosted by the Bay City Yacht Club, was well attended by the top skippers of the Michigan District. The Fabulous Gar(r)ys from Tawas took the top trophies. Demarest had all first place finishes. Cameron stayed consistently in contention with all seconds. Leo Wasserberger from Pontiac picked off third. A fourth place tie was broken in favor of Dave Nickels from Lake Fenton,

leaving it to Joe Dissette to save some silver for the home club by taking fifth.

All in all, it was a sailing summer, well enjoyed and fondly remembered. Looking forward to next summer — a sincere invitation to all who love Lightnings, stop by and sail a while with us.

Henderson Harbor Yacht Club started its sailing season off with a bang by holding the Lake Shore Lightning Regatta, first regatta of the Central N. Y. District Triple Crown. Although the high water was a problem, as well as wind, the race committee managed to get off four races. First place went to David Penfield of the Willowbank Y. C. Second went to Dick Hallagan of Sodus Bay Y. C., and third went to John Northrup of HHYC.

The Appleblossom Race started the regular club racing season into full swing with Dave Parker taking first. Second

went to John Treadwell, and third went to Dr. Irwin Stone. The Sunday Series had a total of 18 races and the duo of John Treadwell and John Northrop repeated their previous year's victory. Second went to Irwin Stone, and third went to newcomer Cal Custer in 10367. We had an average of 5 boats per Sunday.

Two of our boats went to the districts, Parker and Northrop, with Northrop qualifying for the North Americans at Tawas. At Tawas he qualified for the championship flight, only to get the slows for that series.

HHYC also hosted the Eastern Yachting Circuit Regatta. HHYC also hosted the Eastern Yachting Circuit Regatta.
John Treadwell won the Long Distance Race. Second went to
Irwin Stone with Frank Beadle of the St. Lawrence Sailing
Club third. In the Course Racing Frank Beadle was first.
Second once again went to Irwin Stone and third went to
Warren Olson of T. I. Park.
Our annual Stoney Island Race was won by Bob Parker
in 10707. John Treadwell was second and Cal Custer, third.

Next season we expect a couple of new boats. Hopefully we will be more active at home as well as on the circuit. See you all next season.

Once again Fleet 226 has had a busy year of racing. Our new members are much impressed with sailing on beautiful Biscayne Bay. Our warm, sunny, predominantly trade wind type weather has made for fine racing conditions.

This year's fleet champion was Mike Pearl. He also represented our fleet in the North American Championship, which made us all very proud. Mike is now away at college and his younger brother, Marc, has taken over the helm of

Randy Lowe, age sixteen, was fleet runner-up.

We are most happy to welcome the University of Miami Sailing Hurricanes to fleet 226. They recently purchased Lightning #9388. Many of their members will be crewing for other Lightning skippers.

Fleet 226 is also very pleased to welcome fifteen year old Mara Freeland as a skipper. She has crewed for her father for the past few years, but recently decided to take the tiller. This young lady did so well in the Coconut Grove Sailing Club Annual Regatta, that she finished a strong third. She even had one big first in the five-race series. George may never skipper again, but from the smile on his face, you can see father is most proud.

The Coconut Grove Sailing Club Annual Fall Regatta was won by Tom Beeckman, with Randy Lowe placing second and Mara Freeland third.

As you may have gathered, Fleet 226 has become known around our four yacht clubs on Biscayne Bay as the fleet for the "young at heart," no matter what your age may be. Do come sail with us. It's fun and the competition is great.

The 1973 sailing season proved to be very successful in terms of weather, competition and congeniality. Our summer series consisted of 19 races, plus the annual Bomoseen-Dunmore Regatta, held by our close friends of the Dunmore fleet. We were host in August to the Vermont-New Hampshire Championship, which proved to be one of the highlights of the summer.

The weather was quite sunny throughout the season, but the winds seemed to be lighter and more variable than in past years. Nontheless, enthusiasm was high, and it was not uncommon for our fleet of 14 to hold weekend races with 16 and 17 boats. Part of this reflects the fleet's encouragement and success in attracting new owners and guests from other areas.

To date we have three wooden and 11 glass boats, of which four are of the 12,000 series. This indicates that within an area recently saturated with smaller less expensive sailboats, the Lightning is still the most popular competitive boat around. It would seem that the momentum of enthusiasm will carry its popularity for some time.

The scoring system used this year was a version of the high point system designed to encourage people to race as often as possible.

Indeed, the fleet champion, Jim Leamy, the runner-up, Charlie Stalhe, and the third-place skipper, Stan Zeccolo, sailed in all 19 races. Standings computed on a percentile system, like the Cox-Sprague, made differences between third and fourth places. The fourth place boat, skippered by John and Jim Russell, completed only 16 races and proved the disadvantages of not sailing more often.

Our social season was highlighted by a mid-winter get together, spring meeting and the series weekends of Memorial weekend, July Fourth and Labor Day weekend. The '73 season officially ended with a gala awards banquet. Fleet Captain Jim Russell presided during the nomination and election of the 1974 fleet captain, Richard Brannen.

One "gateway" to the Pacific at Newport, Ore., is calm. But try it with a 25 mph so'westerly and an incoming four-knot tide.

We barely got full pool in Fernridge Reservoir last spring, then watched it evaporate through the hot, dry summer. Low water cancelled the Harvest Regatta and sent us back to the barn early. Lack of winter rain and snowpack in the mountains compounds the power shortage too.

However, we had a good post-Steketee year with continued enthusiasm, fun, activity and four new members. Most of our wood boats are now equipped with flotation bags. They work! Beside the many usual events of the sailing season at EYC, and travel up and down the coast by some of us, we are particularly pleased with the development of Lightning racing at the annual Loyalty Days and Sea Fair in Newport in early May. Fleet 229 promoted this three years ago with four boats. This fourth year, on beautiful and challenging Yaquina Bay, we fielded 17 boats from Portland (Fleet 283) and Eugene.

This seacoast fishing town is pleased and impressed by the addition of sailboat activity and the pretty sight we contribute to their scenery. The YBYC put on a most superb feed and beer party that absolutely defied description. The last race under the bridge in heavy air against a four knot current provided the big thrill. Space was limited by pilings and abutments. It took nearly 20 minutes to get through by many lifting starboard tacks and hairy lateral port tacks— all flat-out hiking! After two race days, Jack Culver placed first, edging out Ric Rice and Jim Nelson of Portland. Gib Haller, Newport, entered his semi-rigged and decorated Lightning in the parade. We love Newport.

One of the fun things we do is race for the Richards Cup. The sails in the bag — around the course either way — sails

in the bag — back to the clubhouse event calls for much cunning, speedy bending on without skipping a slide (or ignore it if you do), casting off without knotting the bow line, getting underway with something up (maybe just the spinnaker), sailing the course while straightening out the mess, tying up without impaling the bow eye in the dock, stuffing the sails any old way and being first back to the

If you can overcome the giggles and avoid losing a pre-race, strategically placed halyard shackle up the mast, you can emerge the winner. Cool Jack won the cup. We recommend this for laughs - and it does call for plenty of skill.

Morrie Craig is our fleet champion. It was decided in the last race of an exciting 3-race series in good air, when he roared from behind on points to ace out Jan Gilhousen and Jack. Morrie also won the spring series, the Lowe Cup, and Jack. Morrie also won the spring series, the Lowe Cup, was 6th at the big Memorial Day Regatta and 11th in the Pacific Coast's. Morrie and Eben Sutton placed in the Districts top 10. Jack also won opening day, the summer series and a special award for race participation and hospitality—the Kelley Trophy for the second year. The New Skipper Trophy was hotly contested between Jerry Boyle and George McPride with Coarse the winner series in all the coarse. McBride, with George the winner on points in all-summer

Jerry has one more season of eligibility. Jerry did win the Dingaling Trophy for sailing a race wondering where the leak was. He had his transom flaps open! The Ladies Skipper Trophy was won by Sally Mangas with a perfect start, finish and all in between. Nan Culver was second; Joan Sutton, third; Vickie Olsen and Emily Samms, both first time ever at the tiller, were fourth and fifth and close to the front three. Dick Emigh won the fall series while training the new couple who bought his boat!

Next year we are starting an April-to-October match race challenge ladder which we think will be fun, stimulate knowledge of rules and tactics and improve our abilities for team racing. The skipper at the top of the ladder on Oct. 1 will win the Tradewinds Trophy.

Fleet 229, on behalf of the Eugene Yacht Club and the Pacific Northwest District, has put in a formal bid to host the 1975 North Americans. It would be a District involvement. If the class leadership has the inclination, we have the beautiful place, with space and people long on hospitality and spirit. The big question is who will have the gasoline to get here? Well — there's always the chute!

Our fleet avidly followed the daily tallies of the World's Championship at Buffalo and the North American Championship at Tawas Bay in August. We had two boats, skippers and crews from our little fleet competing!

We were elated that Don Brush Jr. and crew, Ann Powers, did so well in both the World's and the North American's and that Don Sherburne with Biffy and Kevin made such and that Don Sherburne with Birly and Revin made such a good first try at the North American's. Our fleet is proud to be called "home" for these champions, even though much of the sailing season they are absent from our races. They are busily bringing home trophies from other regattas.

Our fleet hosted the annual Lake Dunmore-Bomeseen Regatta this year. As always, it was a highlight of the season and lots of good fun. Bomoseen took home the laurels again, via Charlie Stahle. One of these years we'll beat them yet! We hope this annual competition will eventually evolve into a State of Vermont regatta, including the Mallett's Bay fleet on Lake Champlain. This year we had one representative from Malletts Bay, Dick Fastiggi, and we hope more will join us next year.

Bob Hunt and crew, Joan and Brian Sweeney, have to be awarded "most improved players." This team really made a great showing for their first year together and seems surely to become top contenders.

We were delighted to welcome Earl Wright and crew, Margy, to the fleet this season. Their family has long been interested in sailing on Lake Dunmore and we are pleased to have a Wright Lightning with us now.

Our spring series was a close contest, with Steve Harper, first and Deems Buell, second. This whole set of races held during the month of June proved to be good practice for the upcoming summer regattas, including the North Americans, in which Steve won the President's Cup. At the New England Districts, Deems Buell and Steve Harper finished fourth and fifth respectively. This qualified both boats for the trip to Tawas.

The fleet championship this year was won by Ralph Mosher, one of our longtime Lightning sailors. He sailed a fine series, edging out Parky Howe for the top spot. Third was a new sailor who is coming on strong, Ken Locke.

Kurt Kling showed everyone how to do it in our Labor Day regattas. He pushed his new boat, Apple, just enough to beat out Steve Harper and Ralph Mosher.

Special congratulations to Steve and his fine crew, Kurt Kling and Al Posnack, in winning the President's Cup.

The year 1973 was for our fleet a very successful and also a difficult year. In the spring, quite a few members bought new boats, the polyform Lightning made in Switzerland. Because of delivery difficulties, they were only able to start racing in the late summer.

Kurt Stalder Erich Spitt Karl Widmer-Graber

We had not many changes in our race activity since the last year. But we are on the right track with our fleet politic because the growth of new boats on both lakes is strong and that with a few young skippers.

Our main importance for the next season is to actuate the fleet.

A lot of work has still to be done to reach our desired object, and our end is to be a great, active and proud fleet, a model for the whole district.

Fleet #253 had a very successful year. We recovered nicely from last year's flood damage and were able to hold our normal spring, summer and fall series races.

Results of each series were:

Spring Champ and runner-ups — Starling Mikell, first; Gene Frey, second; Ed Schwoebli, third. Summer Champ and runner-ups — Gene Frey, first; Don Dallmeyer, second; Starling Mikell, third. Fall Champ and runner-ups — Gene Frey, first; Starling Mikell, second; Ed Schwoebli, third. Club Champion overall — Gene Frey.

Don Delorme won our Memorial Day Invitational Regatta. This was our first major event of the year and was well attended by several other clubs. Don Dallmeyer of SYC won both the July 4th Regatta and Labor Day Regatta. Good work. Don!

Other honors worthy of mention are the "close disaster" awards. Gene Frey and Fred Bush tied for number of upsets — one each. Max Reiss and Don Dallmeyer tied for number of broken masts — one each. Special honors go to Max Reiss, however, who was the first skipper in club memory to break his mast on shore.

SYC Lightning skippers make headlines in one way or another every year. Ed Schwoebli proved even "shingles" can't keep a good Lightning skipper from winning races. Don Dallmeyer, looking for something new to do this year,

Fleet 253 club champ, Gene Frey, with his "two secret weapons." Who can concentrate on sailing when watching crew like this?

proved that "lightning" storms can break "Lightning" masts.

Last year's Governor's Cup races were sailed in winds of excess of 35 MPH. This year we would have settled on less than half of that. Sailors don't always get their way, though, so we decided to let everyone try their light air tactics. Al Dutton was the successful skipper and carried the cup away from our eighth annual and well attended Pennsylvania Governor's Cup event.

Fleet #253 would like to salute our own Fred Bush in his efforts for the Lightning class. Fred served as Vice Commodore of the Dixie District this year. Many thanks Fred!

Another wonderful sailing year has passed in the beautiful heart of Dixie, and another is about to begin. We are very fortunate to have the sailing family of Len and Pete Nance back to bolster our fleet. Two new families have joined our ranks — Don and Dee Dee Howard and Clif and Myrtle Anderson. Both are active sailors with new boats, growing families, and competitive spirits. In addition to the above, we have a young bachelor, Bob Sweetgall, who is reconditioning the first fiberglass Lightning ever built. Man, is this fellow eager!

Jack Klemann, who has crewed for his dad many, many years, is joining the fleet as a skipper. We now have three Klemann skippers. All are seasoned competitors and make any Lightning race a good one. It is a pleasure to race against these excellent sportsmen who are the mainstay and backbone of our fleet. Nancy and her dad, Gil, made most of the circuit regattas this past year.

Nancy has been just out of the silver, but we are sure that she will start collecting it this year. Gil, with wife, Kitty, and son, Jack, finished third at Savannah and third at Lake Murry.

Ted Kelker with his 17-year-old son, Paul, and 16-year-old daughter, Dee Dee, did not sail the circuit but did sail in our home regatta, where they finished second. They finished second, second, and third in the three SAYRA regattas in which they participated.

which they participated.

Fleet 257 looks forward this year to a much better sailing record and lots more fellowship with all the new members.

## CLUB REGATTAS LIMA (261) Peru District Sailing on Bay of Chorillos at Lima, Peru

Fleet Secretary ...... Jose Barreda-Moller

See Fleet 424 for dual memberships.

During 1973 this fleet has been active sailing in company of fleets #264 and #265 in waters of Ancon, during the summer months of January, February and March and in Callao during the autumn months of April to June. From September to December our boats went back to Callao to participate in the preparatory and the elimination series to select the six boats that will participate in the 20th South American Championship that will be held in Callao on March 1-8, 1974.

Our fleet has decreased in number of active boats, due to some skippers and boat owners who seem to have lost interest in sailing. Old age may be one reason. Youngsters find it more and more difficult to buy a Lightning, considering rising costs for a competitive boat. We hope that after the next South American Championship here in Peru in March 1974 interest may pick up. It has happened before.

Skippers from our fleet had been winning the National Championship since 1962 without interruption, but this year we lost it to Callao fleet #264, skipper César Edo. Zanatti. Signs of decline and fall? We hope not.

Who will ever forget the year 1973? The country was plagued with Watergate and all its ramifications and Fleet 266 had its own Watergate problems — those controlled by the Corps of Army Engineers. The river at Alton in its worst year never had a continual flood condition from January to July 19. What a year! Even at that, Fleet 266 continued in its growth and at last count, there were 44 Lightnings parked in a row, waiting for the challenge of the winds, water and that human element called sailors.

Winter and the long, long spring was kept busy by monthly get-togethers at various members' homes. All phases of rigging, sailing or whatever, was hashed over from all areas. Evidently the old men listened, judging from the year's racing results.

Districts were held at Kentucky Lake and the closest thing 266 could bring home was the District Commodore to Lal Burridge and Vice-Commodore John Folwell. Congratulations to two dedicated Lightning leaders. Tom Boyd finished eighth out of 32 boats. The host fleet will be 266 next year at Carlyle.

The annual Impromptu, held Labor Day weekend with Decatur and any other Lightning owner who likes to sail and have a good time, was a great success again this year. "Strictly a fun regatta" brings more sailors out than one might imagine.

The Whale of a Sail was a buster in more ways than one. There were 236 boats registered, but the weather gods were forgotten in the invitations. The lake was a piece of glass. One race decided the whole regatta — Lal Burridge didn't seem to mind though, as he pulled down the first place trophy — not too bad considering he was the tail man last year.

Another year has slipped by and the old cry, "Wait till next year!", can be heard.

Results of Fleet 266 for '73 are:

Flood Series — John G'Sell, first; Bill Crowell and Tom Boyd, tied for second; John Folwell and Augie Paoli, tied for third; R. Brunnert, fourth.

Summer Series — Augie Paoli, first; Bob Nebelsick, second; John G'Sell, third; Ron Brunnert, fourth; Stu Bernstein, fifth.

Fall Series — Augie Paoli, first; Tom Boyd, second; Lal Burridge, third; John Folwell, fourth; Bob Nebelsick, fifth.

Championship Series — Tom Boyd, first; Bob Nebelsick, second; Augie Paoli, third; Lal Burridge, fourth; John Folwell, fifth.

What looked like a disaster under the threat of record high water last spring turned out to be one of our best seasons. Rocks for protection from the big waves, crushed stone for the parking lot, platforms on the docks and a couple of those little square edifices made the club useable if not beautiful. As it turned out, we had as much good sailing as ever. Though our fleet is small, we enjoyed excellent participation.

The highlight had to be hosting the District Championship regatta. The whole club pitched in to help with all the chores of measuring, launching, race committee, etc. It all helped make the event a success. It was great to see 34 Lightnings sailing at Brockports "corner" of Lake Ontario.

We also enjoyed a lot of traveling. The local regatta circuit was excellent. Two boats attended the North Americans. Then, Alan Pundt put the finishing touch on the season with a very respectable showing at Quantico.

The opening of the season was on the second weekend in April on lake Sempach. In cold weather but with good breeze, Jürgen Lehmann, started out with his Knorke and placed sixth.

Four Swiss teams accepted an invitation to spend a sailing weekend with the West Garda Yacht Club from April 28-May 11 on lake Garda in northern Italy. There were four Swiss boats entered in a field of 10. They finished within the first six places.

There was another regatta in Sempach with four Boats of our fleet (Knorke, Undine, Rasmus and Samia). Unfortunately the first race had to be cancelled because of lack of wind. In the late afternoon we started out again and got caught in a terrible storm. We had to quit the second time for the day. Sunday we spent on land.

In Portalban and Chevroux were four boats—Knorke, Undine, Rasmus and Samia.

We sent 3 boats to Murten for the Swiss Championships. Again there was no wind, but it turned out to be a big occasion for Rasmus. He became father of a baby girl. Beside that, our commodore got the Life Membership.

In Luzern there were Knorke, Rasmus and Samia present. Jürgen Lehmann with family and commodore with his new boat, for which he had to wait so long, went to Anzio. There Commodore placed seventh.

We sent only one spectator to the world championship. The races in Glarisegg were more on the base of friendship than sport.

We hope for more wind in 1974!

Lightning Fleet 270 witnessed another growth year, not only in new members, but in new boats and sails. Most normal conversations between members at the docks were at louder tones this year, so that one could be heard over the crinkle and crunch of new sails.

May 5-6 we hosted the annual Indiana Open Lightning Regatta, where we had 34 boats and wind that varied from 0 to 15 knots. This Regatta was won by Dick Pugh, with second going to our own John Leath.

The Indianapolis Water Company Regatta, held on June 2-3, was won by John Leath, with Ed Benson, second and Bo Zaiser, third. Our Memorial Day Regatta, July 1-4, found Ken Wood, first, and Virgene Scherrer, second. The Commodore's Cup Regatta, September 1-2, again saw Ken Wood in first, and this time Ron Scherrer, second.

The Fleet Championship Series in mid-October was won by John Leath and seconded by Bo Zaiser. Our finale, The Long John Regatta, held the last of October was wrapped up by Paul Vos with Bo Zaiser in second.

Other results for the year were: Spring Series A Fleet — Ken Wood, first; Ed Benson, second; Virgene Scherrer, third, Spring Series B Fleet—Bing Pratt, first. Fall Series A Fleet—Ken Wood, first; Ed Benson, second; Bo Ziser, third. Fall Series B Fleet—Bill Hall, first; Bing Pratt, second; Bill Saeger, third.

To round out the year several of our fleet members participated in Regattas at Wawasee, Tippecanoe, Mississinewa and the Blue Nose. After several successful parties; moonlight sails, and a second year repeat trip to sail in the waters off the Bahamian Islands by several fleet members, it can be said that Fleet 270 had a great season.

Bill Chandler's crew, William and Garner, see that 9831 is ready.

The sailing season began on April 1 in spite of high water at Arkabutla Reservoir. After a month of warm-ups Fleet 274 held its annual Hernando DeSoto Regatta in medium air. Cully Cobb from Nashville won the regatta, followed by B. Baker from Jackson, Mississippi; D. Sherbourne also from Nashville, and our own Jack Conners. Our Spring Series ended with a party on June 10. Lee Breazeale won the series of 26 races. He was followed by Wilson Fly, Bill Baxter and Bill Denman, Dick Gilliom and Crit Currie. The following weekend found much of the fleet at Ken Lake for the Mississippi Valley Districts where the team of Baxter-Denman ably represented us, placing second. Our Summer Series ended Aug. 26, after 27 races. Breazeale was again champion, followed by Baxter-Denman, Fly, Lloyd Lovitt, and Gilliom. At the time of writing our Fall Series is not completed. It is an exciting series as Baxter-Denman, Breazeale and Fly are all a toss-up to finish as Fleet Champion, while Currie, Gilliom and Lovitt are within striking distance.

At the local Calcutta Regatta, where Lightning skippers compete with skippers of the Snipe, Thistle and Cougar classes of the Delta Sailing Association, our skippers repre-

sented the fleet well by winning the Regatta. Each of the four flights was won by a Lightning skipper.

We are happy to welcome new skippers to the fleet this year. They are Charles McGill, Lewis Nolan, Broadus Sharpe, and Ken Spence. They are rapidly challenging the older skippers such as McNeill Ayres in his new boat, Kirk Johnson, and Roy Freeman.

Why not plan to join us early next spring at the Hernando DeSoto Regatta for fine sailing and join in the Memphis Cotton Carnival activities at the same time?

In 1973 racing at Wellfleet was wider open than it has been in some years, with four boats remaining in contention throughout the summer and several others pressing from time to time.

Interestingly enough, all four boats were sailed by two or more skippers. Pres Moore repeated his victory in the club championship season-long series, although Pres insisted that most of the credit should be given to his son, Matteo, who skippered the majority of the races. The Moores also won the Saturday series and the Fox Cup, were second in the Sunday, July and August series, and third in the Commodore's Race, the Frazier Trophy and the Cutting Cup.

Great surprise of the year was the Oliver boat, skippered at various times by Bill Oliver, sons John and David, and son-in-law Rick Cramer. Bill has done well in the past, but not consistently.

This year with a new s.s. centerboard, new aluminum spars, new sails and a new determination on the part of skipper and crew, the Oliver boat improved throughout the summer. By September it was sailing faster than any other boat at Wellfleet. The Olivers were second for the season, first in the Sunday and August series, and won the Frazier Trophy and the Cutting Cup. David Oliver also won the Junior Lightnings with Charley White, second. Clearly, the Olivers have the fever. Last heard from, they were on their way to the Frigid Digit in Annapolis.

Barbara Noyes and Stafford Frazier, again sharing the helm in Barbara's boat, began the season as if they would win everything in sight, dominating the first few weekends. But tune or sails may have gone bad, for they were less overwhelming by the end of the summer. They won the Coffee Cup and the July series, were second in the Commodore's Race, on Saturdays and third for the season.

Anne and Tim Dickey were the only Wellfleet skippers in 1973 to campaign their boat on the summer circuit, thereby damaging their record in local series. Still, they were around enough to win the Commodore's T Race, the Tea Cup, and take second in the Fox Cup, third in all the shorter series (July, August, Saturday, Sunday) and fourth for the season.

Bob Campbell returned from Europe in August to have at least one all-winning weekend. Bill Webb finished second in the Frazier Trophy, despite slamming into the starboardtack Moore boat. Alex Webb skippered the family boat to second in the Cutting Cup. Despite breakdowns, the Cuttings had several good races.

When the Northeast Districts at Portland were cancelled due to light air, the Wellfleet Regatta was again combined with the Districts. Three exciting heavy air races were held on excellent courses set by Carl Brown and Johnny Waterbury. Stuart Nickerson came back to sail Charley Sweet's boat, with Charley as crew, to a non-qualifying third behind Gerges Peter and Don Brush. The next local boat, the Dickeys', did qualify and attend the North American Championships.

Fleet 280 suffered a slight attrition in 1973 with the Pierce boat inactive, the Stern boat gone, Stuart Nickerson lost to 470's and Alex Webb to photo-journalism in New York. There are strong rumors that Stuart will be back in Lightnings, as will Alex, if he ever has the time. Meanwhile, parents of several juniors have expressed interest in boats for 1974. If they go through with their plans, with Bill Oliver as fleet captain and possibly the man to beat, and with Carl Brown back running races (hopefully), 1974 should be a lovely year.

A record low snow pack in the Cascade Mountains last winter resulted in a critically low spring run-off — so low, in fact, that Vancouver Lake never rose above the puddle stage. We were a yacht club without a place to go yachting! However, this did not deter the fleet from having another active year campaigning in the Pacific Northwest District.

The season began in early April with the annual Loyalty Days Festival in Newport on the Oregon coast. Festival organizers have made Lightning racing a central part of their program, which also includes the blessing of the fishing fleet. And that blessing came in handy.

Part of the race course included the bell buoy marking the entrance to the inlet and the beginning of the Pacific Ocean. Seventeen boats, including some from Chinook Fleet #229, enjoyed two days of unorthodox but spirited racing. Television and newspaper coverage helped put our beloved "blow boats" in the limelight.

The racing season began in earnest with Eugene Yacht Club's Memorial Day Regatta, with a total registration of over 200 boats. Thirty-one Lightnings from throughout the

district vied for the top slot. Phil Parshley, sailing an excellent series, captured first place. Fleet Captain John Tuerck could not equal his own record and kept "Over Easy" upright all weekend.

In lieu of sailing on our lake, the Columbia River was used to hold the club's summer and fall series. Both of these were won by the omnipresent John Benedetti. The two wins made John the Vancouver Lake Sailing Club Lightning Champion for 1973.

The Districts this year were hosted by the Seattle Fleet #132. The course was set off Sand Point Naval Air Station on Lake Washington, a part of the lake undiscovered by stinkpotters, and we had the whole place to ourselves. Defending champion John Benedetti was our highest placing boat, with a third. The rest of us had to be content with watching the leaders from our spectators' vantage point.

The Barber Trophy Series, named appropriately after the inventors of the Barber Hauler, is sailed annually among Oregon Lightnings. This year's event was held on Fern Ridge Reservoir in Eugene. Two Portland boats finished the weekend tied on points. But Jim Nelson beat Paul Fischer more times than Paul beat Jim, and the bowl went to the Nelsons. The winning skipper was enthusiastically tossed into the water, while his all-girl crew enthusiastically hid behind the trees.

Five boats from Portland made the long trek to San Francisco for the Pacific Coast Championship. The races were sailed in atypical Bay area weather, with only one race in heavy air. Class Vice-President John Benedetti led our fleet again, with a fifth overall.

The season ended, as is traditional, with the District Team Races, hosted this year by the Portland fleet. It turned out to be a great way to end the year, as our Fleet #283 won the Championship and the "Scuttlebutt" trophy for the first time since 1967. This was an all-fleet effort, and each member contributed to our success.

Our fleet championship is determined on the basis of the best record in local races over the entire season. The year's result was undecided into the last race of the year with John Benedetti, Smoke Fischer and Jim Nelson, all capable of winning. The final result gave the title to Jim, with John as runner-up and Smoke, third. A total of 26 races were used with six throw-outs. Only three points separated first and third, an example of our intra-fleet competition.

Other fleet activities this year included the Women's Sailing Class, held on a very shallow pond in El Toros. Many wives crew with their husbands, and this gave them the opportunity to get the feel of the helm and therefore better understand both ends of a racing sailboat. Next year's classes will begin again in Toros and then move into Lightnings, where the girls will stay dry and shout orders, while the men block the spray and bang their knees on the centerboard.

The winter rains have begun and, with luck next year, will find us with plenty of rain to go with our enthusiasm.

When there's time, make the most of it!

For the umpteenth year in a row, Vern Emerson clung to the Fleet 301 championship. But each year his margin of victory shrinks. This year it was by only a whisker that he managed to edge Bill Dunnington. Now it looks like even more trouble ahead for Vern and his Peppermint Patty crew, with newcomer John Hughes giving us all a few lessons in how to make a boat go to windward. John's only problem this year was that he'd had no previous experience with spinnaker flying, and one might say that he had a few problems. We've all seen "figure eights" before, but John somehow managed everything up to and including figure sixteens.

Our Series A (Spring) ended with Bill Dunnington comfortably in first place, and Vern Emerson second by a quarter of a point over third place Dick Fastiggi. Series B (Summer) saw Emerson make his usual comeback, placing first in four of the eight races to nail down the series and the Fleet Championship as well. Bill Dunnington was second in Series B and (here he comes!) John Hughes was third.

Chuck Newsham provided the year's excitement when an ordinary capsize turned into serious trouble with flooding flotation tanks. (We thought they weren't supposed to do that!) Bob Young was hero of the year, stopping to help Chuck while the rest of us sailed merrily on.

Race Week at the Malletts Bay Boat Club was a sailing spectacular with over 100 boats of all types participating and with wind to spare. Bill Dunnington was the Lightning winner, with Dick Fastiggi, second and Ed Ziemer, third. The Labor Day Weekend Chiott Regatta was a free-for-

The Labor Day Weekend Chiott Regatta was a free-forall three-race series, with 34 entries sailing under the Portsmouth Handicap System. Bill Dunnington took second overall and was the top Lightning in the series, followed by Dick Fastiggi and John Hughes.

The season's Fall Series was, again, a three-race event with mixed entries, sailing according to the Portsmouth system. Lightning sailors were gratified to note that Bill Dunnington was first. Vern Emerson, sailing a Sunfish, was second and Vern's crew, Ken Wolvington, sailing a Tanzer 22, was third. It just goes to prove that Lightning sailors are tops, no matter what kind of tiller they have in hand.

Fleet 301 will host the New England District Regatta next year and we look forward eagerly to renewing old acquaintances and sharing with our visitors the joys of sailing on beautiful Lake Champlain.

"Fall In" jibe by Bob Mains with the Fleet in hot pursuit.

The 1973 season began with another series of winter meetings and seminars. We've found these meetings beneficial in several ways. The fleet members stay in touch during the off season. New members, prospective Lightning buyers and others interested in sailing are able to meet the fleet members and learn the benefits of belonging to an organized fleet. And, of course, everyone benefits from the seminars.

The fleet on Cowan Lake keeps growing and becoming more competitive every year. This year we had three boats attend the District Championships in Cleveland and from this one boat, skippered by Dick Pugh, went on to the Nationals in Michigan. This was Dick's fourth year to be invited to the Nationals, showing that good sailors can come from inland lakes.

This October, Fleet 303 hosted its first Lightning Regatta and it turned out to be a great success. The "Fall In" regatta drew 22 boats and, with excellent winds, five races were sailed. Great food, together with a great time, topped this regatta and it looks as if next year it will be even better. The first 10 boats were skippered by Bernie Malcolm, John Mueller, Barry Wilson, Alex Kaye, Dick Pugh, Merrill Bales, Bob Maines, Bruce Gerkins, George Auer and Bill Young.

Now that the 1973 season is over, we're making plans for another series of winter meetings and an even better season in 1974.

Old, but still young - Rio Rita II (9436) leads the pack.

The past season has been most successful in the history of our fleet. Rio-Rita II (L. G. Hammar, with crew Harry Hammar and Simo Koski) won the European Championship in Rome, together with A. Andreadis from Greece. This is a result not reached by any other Finnish Lightning.

All boats of our fleet participated in the Electric Cup Sailing, and Rio-Rita II won, as usual.

In the beginning of July, Harry Hammar, with his boat Pohjantähti II, participated with great success in the regatta at Kemi.

In the Finnish Championship at Kuopio, our fleet was represented by Rio-Rita and Kikka. L. G. Hammar steered his boat Rio-Rita II well, winning almost every race, and the result was the Finnish Championship. Markku Paloma, with his Kikka, began in a promising way, but at the end he had bad luck. His final position was sixth.

Rio-Rita II participated in three Ranking Races in Tampere, Helsinki and Pori and won all of them.

On the whole, the last season was excellent. The members of our fleet have sailed with enthusiasm, and we hope that they will continue in the same way. Still, we have one problem — the small number of our boats.

Kemi Fleet's roster has received some positive changes during the winter and early summer. We have two new mahogany Lightnings — 12259, owner Heikka Immoen, and 12356, owners, Kyösti Kolehmainen and Erkki Karvonen. In addition, Jorma Kankkunen bought from Oulu Fleet "Pohjantähti II" (7186). It seems that our fleet has grown the second biggest in Finland District.

Our racing has been quite active during our short season. Due to long and cold Spring, our first race started only June 17. It was a long distance race, and winner's name was Aulis Näykki with his "Marina."

KePS Annual Regatta was in July 7-8. Harry Hammar and his famous "Pohjantähti II" (7186) from Oulu Fleet visited us and gave tight competition, as always. Winner in the regatta was Heikki Ulen (Wilma) and second in points, Harry Hammar. This was the "Pohjantähtis" last race under foreign burgee, as our member Jorma Kankkunen bought the boat. She will represent our fleet in future.

Fleet Championship was held at July 14-15. Aulis Näykki won the championship with maximum points, getting winner's gun in every start. Runner-up points were divided between Heikki Ulen and Petteri Häggström. Next positions were Onnetar (7185), Pohjantähti II (7186), Tanja (9340) and Jutti (12259).

Two Lightnings from our fleet travelled to Oulu Regatta. Due to the European Championships and some other events elsewhere, all Oulu Fleet Lightnings were away, so that our skippers could compete only against each other. Winner was young Aarne Tammela (Tanja.

Aulis Näykki (Marina) and Heikka Ulen (Wilma) travelled to the District Championships to Kuopio (Lake Kallavesi). Our team succeeded extremely well in the unofficial team Championship, winning the race and bringing the "Lightning-Haarikka" Team Trophy home. At the championship they did not succeed so well in the very shifty and weak winds. A. Näykki finished seventh, and H. Ulen 15th in the 20-boat event.

Aulis Näykki participated also in the Lake Saimaa Regatta and placed fifth in the 15-boat field.

"Wilma," fleet runner-up.

Next event in the home waters was "Selkässaari-Round" distance race, which was sailed in stormy conditions. Heikki Ulen won the race overwhelmingly, after his keenest rival, Aulis Näykki, broke "Marinas" mast in the wild winds.

Our season ended with the Autumn Regatta at September 2. "Wilma" had found speed in the after-summer and won again clearly.

The active promotion work our fleet has done in the past years has begun to grow fruits. We have new Lightnings and new owners for them, and the racing activity seems to be growing too.

It is a pity that the fleet activity in our neighbour — Oulu Fleet (307) has decreased, even if they have very good sailors there. We received with very great delight, news that Oulu Fleet's Lasse Hammar had won the Simo Koski, have raced keenly over 10 years in Lightnings. Good luck boys. Next step will be World's.

It was a busy year for Fleet #311. Our bid for the Lake Erie District Championships was accepted, and many meetings were held during the winter months in preparation for this three-day regatta.

Winter storms and high water left our yacht club high and dry, with virtually no access to the club except by row boat until the many pilings, walks, etc., had been repaired. Work crews were set up and worked throughout the spring, replacing all necessary equipment. Due to the extent of the work, the June-Tune-Up Series had to be forfeited. Thanks to the hard work and cooperation of all members, we had a very successful Lake Erie District Championship Regatta in July with 38 Lightnings at the starting line. Jay Hanson, Buffalo Canoe Club, took home the top silver. Club mates Bill Shore, Stu Anderson, Ed Roseberry and Tom Allen were second, third, fourth and fifth respectively.

In September we hosted our ninth Annual Fall Regatta, with 24 Lightnings participating. Our regatta was the first of the three of the Fall Circuit, followed by Silver Lake and Sandy Beach. This three regatta series, a first this year, should prove to be most competitive and create much interest. Dick Ferrick of the Buffalo Canoe Club was the winner, followed by Stu Anderson and Mark Bryant.

A. J. Van Poortvliet, former Lightning skipper, then keel boater, is now back to skippering a Lightning. He proved he has not lost his touch at the helm. He is Fleet Champion and was seventh over-all in the three regattas of the Fall Circuit. Jim Cash, another new member to the fleet this year, shows promise of becoming a good skipper. Fleet Captain Walt Williams and A. J. Van Poortvliet travelled to many regattas in the district this summer. They're looking forward to other fleet members joining them next year.

In between regattas we managed to hold our Fourth of July Series, Championship Series and Labor Day Series. We wound up the season with the annual fleet picnic in September and the awards banquet in October.

We are most appreciative for the wonderful support of our race committee, Les Graf and Fran Burns, who give so much of their time to our sailing program and to our keel boat members, who also enjoy racing, for making all our activities so successful.

We look forward to another good year of sailing.

Walbert Cup — Bruce Shannon; Buss Neff Cup — Jim Hopkins; Commodore's Cup — Jim Hopkins; Taylor Cup — Jim Hopkins; Matlack Trophy — Dick Winter; Stardust Trophy — Bob Horne; Butt Award — Jay Emmons.

Wow! Was it ever hot on the old Sassafras this summer! Not only was the weather hot, but so was one young man who fairly dominated the entire season. Jim Hopkins followed the example set by papa Tom last year. For the second year in a row, the bulk of the trophies left the annual banquet in the same station wagon. All in all, Jim won both Bay Races, the Buss Neff, Skipper's, Commodore's and Taylor Cups, and finished no lower than sixth in any race all summer lange. mer long.

Tom himself started out like a house afire, with a 2-3-2-2-3-1 Early Series. He was second in the Summer and third in the Fall Bay Races, but apparently lost confidence in the "old tub." At the end of the season he took delivery of No. 12453, and just in time too. The disastrous fire at Lippincott's literally burned the mold it was made from the day after it was stripped!

Conversely, after having gotten off to a rather slow start, Kirk Williams finished 7-1-1-2-2-1 in the Late Series. Some people are never satisfied with moderate success, however, so we can expect to see Kirk sailing a new boat next sum-

Jim Ganley had a fairly consistent year, also not finishing lower than sixth in any race. It looks like he might even sail the same boat two years in a row, just to show Tom and Kirk how it's done.

It's enough for Bruce Shannon to have the physiological handicap of driving 700 miles every weekend, but when you pile on the psychological handicap of a 16-year-old son who also excels as a skipper, maybe that's carrying things too far! Bruce started out the season by winning the Walbert Cup Jim placed second and third in the Late Series, but young Jim placed second and third in the two Junior Series, Jim then took Leigh Hopkins (1-1) and Kirk Williams (3-2) along as crew to the Dixie District Junior Championship Regatta at Havre de Grace. They fought their way to a tie for third place. Not bad for three young male chauvinists, who really went to beat Nancy Hastings, the winner in 1971 and 1972 (she finished fifth)

Commodore Dick Winter, once he got his old wood boat cranked up, finished second in the Late Series, and won the Matlack Trophy.

Bob Horne introduced a new perpetual trophy at the ban-quet, to be awarded each year to the boat finishing closest to the middle of the fleet. Then, to the surprise of every-one, named the first recipient as none other than Stardust, herself. Better luck next year, fellows.

The Butt Award, so named because it was made from the butt of Doc Walbert's mast a few years ago, was once again presented with customary tongue-in-cheek humor. This year it went to Jay Emmons and Tom Runiewicz, the stalwart members of the KPSC "Polish Navy," for having sailed at least one race more under water than on top. Keep trying, gang, there's only one way to go — up! P.S. What is a Thithle?

With the registration of the Lightning Class ship "Arcobaleno," built in wood by the Cintoi Ship Yards, our Fleet has acquired a new member. Similar boats will be built, we hope, in the near future.

Our activity for 1973 has been very much restricted by the fact that the waters of the Gulf of LaSpezia were the scene of numerous Regattas for Olympic Class boat selection.

We hope that in 1974 we will be able to hold interesting events in our waters with the participation of other Italian Clubs.

Lightning Fleet 325 of the Rehoboth Bay Sailing Association had another great year of racing in 1973. It was highlighted by our annual Governor's Cup Regatta held in the end of June. This year Dr. Don Delorme came back to Rehoboth to show us for the second time in as many years how to win. He was followed by Bill Buckley in second place and our own Jeff Hastings in third.

Our Lightning Fleet is divided up into two groups, the White Fleet for the Old Salts and the Green Fleet for the New Comers. We have both a spring and summer series with races on Sundays around 1:30.

This year the spring series started on the first weekend in May and ended in the end of June. The White Fleet was won in the spring by Jeff Hastings, with sister Nancy, in second. Fleet Captain George Marshall was third. In the Green Fleet, it was Randy Seeger, first, with John Hazzard, second and Dan Layton, third.

The summer series was noted this year for its lack of bad weather, which we might add, no one missed. It was the first in which no races were lost or even the sky threatening us with the possibility of sending us home early. Jeff Hastings continued his winning ways and won the summer series, with Bob Purnell giving him a fight right down to the end. Following Purnell, was Dave Racine in third. The Green Fleet was won by Don Layton, He was followed by Bob Nealon in second place and Andrea Derrickson, third. Jeff Hastings won the Turner Hastings trophy for being fleet champion. This is the third time in as many years that Jeff has been fleet champion. He is always a hard one to beat.

At the end of September, Rehoboth picked up the Fall Regatta that was for so many years in the past held at the Indian River Yacht Club. Two races were planned to make it a one-day regatta. This was done to help encourage outsiders to come. It was won by Fred Mertes, who was followed by Dave Hastings, second. Both are from RBSA. In third place was John Morgenstern from Quantico, Va.

We would like to extend a warm invitation to one and all to come and join us at Rehoboth for a weekend of relaxed racing, either for our Governor's Cup in June or for our Fall Regatta in September. Bill Babel did it again . . . another perfect season of all first places in Fleet 326 races. The all Babel crew included Dick, Jim, and Tom. Tom Lindsay ended the season as runner-up followed by George Brown, third; Pat Tobin, fourth, and Ron Schaefer, fifth.

The Grand Traverse Lightning Regatta in July attracted 21 boats. Several of the Michigan District's "hot shots" were present to make for a very competitive weekend. Overall winner was Bill McKinley with two firsts and a second. The remaining places went to Gary Cameron, second; Lea Wasserberger, third; Gary Demarest, fourth, and Bill Babel, fifth.

In addition to competing locally our fleet champion, Bill Babel, placed 11th in the 1973 Michigan District Lightning Championship and sixth in the Governor's Cup. Bill also took second place in the 1973 Michigan Junior District Championship for skippers 19 years of age and younger.

And to think No. 12470 (leading) wasn't even a gleam in a boat builder's eye in last year's Year Book number listings.

Fleet performance in both the number of racing activities and the number of boats participating, continued at a high level this year. In addition to seven sailing weekends, sponsored by the Severn Sailing Association, our fleet hosted the Dixie Districts, Maryland Governor's Cup, Atlantic Coast Championship and the Frigid Digit.

The Maryland Governor's Cup had 18 boats participating and was dominated by Fleet 329, with Don Delorme, Bill Buckley and George Shapiro, finishing in that order. Jeff Hastings of Rehoboth out sailed 39 other boats to win the Dixie Districts, with our own Buckley and Delorme finishing second and third. John Schneider of New York City took home the first place silver from the 29-boat field at the Frigid Digit, as well as the 40-boat Atlantic Coast Championship. Three of our home fleet sailors placed in the top ten of these two regattas, which drew many of the top sailors on the east coast.

On the national level, Delorme and Buckley placed 13th and 17th respectively in the North Americans. Don Delorme also won the Delaware Governors Cup and was the fleet representative at CORK. The District Junior Championship, which was hosted by the Upper Chesapeake Yacht Club, was won by Peter Buckley, with young Don Hope and David Buckley as his crew. Not bad for a first attempt at skippering.

George Shapiro and his sons, Bob and Paul showed considerable improvement during 1973, with seventh and eighth place finishes in the Districts and Atlantic Coast Championship respectively. John Richardson, after a mid-summer lay off did something with "Do Something" and finished ninth in both the SSA Frigid Digit and Quantico Frost Bite regattas. Charlie White led the way to the windward mark in several regattas and shows promise of becoming one of our more competitive skippers.

Newcomer Joe Friebele and his charming wife, Elaine, sailing with a new Lightning in the Frigid Digit, showed excellent boat speed and also look like sure bets for improved performance next year. Swimmer of the year award was shared by Wanda Delorme and David Buckley, who showed good form but poor boat speed. With Mike Jonsberg, Paul Grimberg and Ed Ortiz all moving faster in 1973, the coming year looks like another step forward for Fleet 329. Certainly one of the big factors in their continued improvement were the racing seminars, organized and conducted by Don Delorme during the winter months. These meetings, held jointly with Fleet 50, have been very successful and continue to improve each year both in course content and attendance.

Fleet members served both our parent Severn Sailing Association and the ILCA during 1973. George Shapiro was Vice Commodore of SSA, while Mike Jonsberg was acting Treasurer. Bill Buckley was Vice President and Assistant Measurer for ILCA and will be continuing in this post during 1974. Fleet officers for 1974 are Mike Jonsberg, Captain; Charles White, Assistant Captain; Joseph Friebele, Secretary and Dr. Edwin Ortiz, Treasurer.

Fleet #332 held races during July and August on beautiful Squam Lake. Interest was a bit low at the beginning, but August proved to be a bit better, with as many as eight boats participating in some races. Our 1974 is shaping up well, with one additional boat already signed up and a couple more pending.

Dave Closson took the fleet championship, as well as the 'Pop Closson' Memorial Trophy. Our fleet captain, Allan Whatley, captured second place.

We have had our share of problems keeping the fleet together this year, but in spite of periodic absenteeism we are still hanging in there. No small thanks go to our race committee who, once they were given a written copy of the procedure of how to start a race, have been getting us off to a prompt and fair start all season.

Our 1973 marks the second annual informal interclub race with Surf City YC (Fleet 196). We must have something going for us. It is the second year in a row that the middle of the race was wiped-out by a squall line. Since a little water never hurt good sailors, however, the race was finished in good time for the post race inter-club party.

Retiring Fleet 338 Captain Dick McGuire is at left. New Fleet Captain and Fleet Champion Jim Dickson is in center with his crew, Terry and Bill Topka.

The '73 season was short of spectacular, due to a few storms and a lot of complete drifters. Consequently, many races were called because of too much time or for safety reasons. However, it does take considerable skill to outguess the elements, and Jim Dickson and Bob Denham put enough of them together to come out number one and two respectively. Jim retired the trophy, winning three years in a row.

Our average boat turnout of seven is not bad for a 12-boat roster, but we're going to raise that average next year.

This seemed to be the year of the spinnaker for Galway. Because of the lake size and shifting winds, it has been debated as to whether they are advantageous or not. However, more chutes were out this year than ever before, and we'll probably see even more of them from now on.

We're looking forward to a good season in '74.

Another great summer of racing on Pentwater Lake. There were new boats, traded boats and many regulars back. A few capsizings were the most serious problems encountered, with no real damage.

A new boat with a newly formed crew of Robert and Linda Schoonbeck and Alan Graettinger walked off with season honors, winning the July, August and Season Series. While there were a few races where there were some real competitors for this team, there was no question as to the championship.

The new Scott boat with John, Betsy and Sue managed to capture second in the July Series and second for the Season Series.

Third for the July Series was taken by the Cowles boat—another family team, consisting of Mac, Chris and John. They also managed to take a tie for second in the August Series. The race committee tried all approaches possible to determine second vs. third in the August Series. But in all ways it was an exact tie.

The other boat tying for second in the August Series was Wes McMullen's. He had Andy Loree and Jim Hamlin as crew. In addition to the tie, after stiff competition from Don Lambrix and sons, Wes won the post-season Herb Behr series in the last race.

The remaining eight boats in the fleet provided good competition and are to be reckoned with in the future. Race Week was repeated again this year, enabling many non regulars the opportunity to try their hand and providing crews and skippers of the future.

Highlight of Fleet #341's spring season in '73 was cohosting an invitational at the Columbia Sailing Club, with Fleet #440, which is also located on spacious Lake Murray.

Most of the silver went out of town. Tom Waters, sailing from Charleston's James Island Yacht Club, put together two firsts and a fourth, to cop the top prize. Savannah's Charles Kilpatrick was a close second, and Randy Brooks, also sailing from the Savannah Yacht and Country Club, sailed into third place. Fourth place silver stayed in the fleet, going to Bob Wilkins, CSC sailing committee chairman. Bill Canniff from Camden, S.C., collected fifth place silver.

The weather cycles for summer and fall weekends were weird and the fleet suffered energy (wind) crises Sunday after Sunday. Serious thought was given to moving races into the middle of the week when the wind always blew, but the plan was shelved when everybody realized there were livings to be made Monday through Friday.

The last formal fleet activity for the season was November 4. You guessed it. No racing, for lack of wind!

#### LAKE GENEVA SAILING CLUB (345) Midwest District Sailing on Lake Geneva, Lake Geneva, Wisconsin

Fleet Captain	
Fleet Secretary	
Fleet Champion	Gene Matthews
Runner-Up	Bob Novack

This greedy trio is shown in the act of making off with most of Lake Geneva Sailing Club's silver. Matt, Gene and Ken Matthews won this year's fleet championship and darned near everything else in sight!

Boat No.	Boat Name	Skipper
483	Hesperus	Jonathan B. Hayes
2018	Loreli	Don Labus
6936	Puff	James Truelsen
8172	Vim	Henry Kelley

9996	Red Witch III	Mel Boyington
10222	Algae	Bob Novak
10307	Blue Maxx	Richard F. Vlasak
11536	Snow White	Gene Matthews

When Commodore Jon Hayes handed out the silver representing Lake Geneva Sailing Club's 1973 fleet championship, he asked if Gene Matthews had a few words for the assemblage. Gene did, and those few historic words were gracious and succinct . . . "Eat your heart out, Novak!"

And well he might! For perennial champ Bob Novak had ruled the top spot for five years, despite some determined and increasing heel nipping by Matthews and company. This year Gene put it all together, aided by a peaking crew of sons Matt and Ken. The crown was safely in the bag by early August.

Otherwise, the season was relatively peaceful on Lake Geneva, highlighted by an exceptionally smooth Oxie Memorial Regatta. Thirty-five Lightnings sailed five races in nearly ideal winds, with one general recall and but two protests. Bill Buckles posted an unbeatable 1, 1, 1, 1 and 1. The winner's circle also included, in order, Milwaukee's Dan McLaughlin, Rick Larson, of Sheboygan; Burnham Park's John Brewster and Mike Stephenson, of Davenport, Iowa.

Locally, the first Sunday series went to Matthews, followed by Novak and Mel Boyington. In the second Sunday circuit it was Matthews, Boyington and Novak.

Veteran "Buck" Boyington took the Saturday series, with young Matt Matthews, second, and younger Drew Vlasak, third. The Saturday competition, although quite limited in starters, is providing an opportunity for some youthful crew members to become skippers.

And, a new trophy was added this year by Jon and Jo Hayes to be awarded annually "to the junior member who has contributed most to the club in sailing and non-sailing activities." Vicki Matthews was the logical first recipient. The young lady was regular crew on Jim Truelsen's entry, is the club's newly elected secretary-treasurer and has been a willing worker on all shore-side affairs.

The Chase Hess Trophy event was won by Bob Novak, while Chase himself, sailing the Matthews' bomb, took home the second place pickle plate.

Youth and fem-lib are expected to give the fleet and club a needed lift in 1974. In addition to Ms Matthews as secretary, Joann O'Neill is the new Commodore and Fleet Captain. Jo is a charter member of the group, has crewed regularly on Boyington's boats and was chairman of this year's highly successful regatta. Her organizational abilities are proven and considerable. Chase Hess has consented to take over the Vice Commodore's post.

The Fleet currently faces a down period as a rseult of natural attrition through active racers moving away, together with a trend (probably because of advancing age) toward small cruising boats. A city mooring policy and lack of dry-sailing facilities makes difficult the recruitment of replacements.

Our fleet felt the loss this season of Brian Coleman, who moved to the Vancouver area. Brian had been fleet captain and fleet champion.

We had an active racing season, with as many as seven boats registered. No one person monopolized the winner's circle. Unfortunately, we had no guest skippers or boats, and our members attended no out-of-town regattas.

After a long, cold spring, our season began on the May 19, Victoria Day weekend with the 10th annual Commodore's Cup Regatta. Good winds, a bit gusty, provided good spinaker runs. Races were won by Gord Lewis, Dave Kopec, and Graham Laing (two). Graham emerged the overall winner.

On the weekend of June 9, Fanshawe Yacht Club hosted the June Bug invitational regatta. Bill Hall won both Saturday races in sunny weather with 20-25 mph winds. Sunday was hot, and winds were light. Dave Kopec won a close race with two boat lengths separating one and two, and two and three. The gold flag for first was presented to Bill Hall. Red flag for second went to Dave Kopec.

The first series races concluded at the end of July. Bill Hall wrapped up the Saturday series. Gord Lewis won the Sunday series handily with five firsts.

Our club championship regatta was held Labor Day weekend with a disappointing lack of good winds. All three days were real drifters and hot. The standings in the first race were Lewis, Kopec and Hall. Dave Kopec went on to win the next three races. Bill Hall picked up two seconds in the next three. The final standings had Dave Kopec as champion and Bill Hall as runner up.

The second series races, run through August and September, saw our newest racer, Larry Minshall, taking the Saturday series and Dave Kopec sailing away with the Sunday.

Our final regatta of the season, the Pumpkin, also an invitational, was held the first weekend of October. Dave Kopec won all five races. It was beautiful fall weather, but again, winds were very light.

We enjoyed a good season, but we must make an effort next year to attend some out-of-town events. We certainly invite all Lightnings in the area to join us next season for the June Bug and the Pumpkin regattas.

We were all saddened this spring by the death of Dick Proctor. Dick joined our fleet in 1971 after building his own Lightning. He was an active member of our fleet until his death. We all miss him.

This year the fleet scheduled 16 races for both the spring and fall series, and 12 races for the summer series. The competition has been fierce, with eight to 10 boats on the starting line.

Our spring series was won by Gordon Kellogg, with second place going to Ken Wallace, and third to Dick Scott. The summer results placed Gordon Kellogg, first, second to Chuck McMurray and third to Charlie Brooks. The fall series had the best participation for the year, with an average of nine boats per race. This series was also won by Gordon, but we were getting a little closer! Ken Wallace was second; Fred Crawford, third, and fourth to Dick Scott.

Fleet members have been very active in the club sponsored races this year also, with Lightnings in the silver for all club events. Beginning with the Governor's Cup commissioning, Ken Wallace came in fifth out of 33 boats. Joe

Spinnaker run, fifth annual Atlanta Cup.

Stites lost his mast in this race and missed the spring series. But now, with a new mast and new sails, he vows to lead the fleet in '74. Go get 'em Joe! Gordon Kellogg placed first in the small boat long distance race in May, the Firecracker Cup in July and the Commodore's Cup in September. Aluminum centerboards must really work! In July, Bill Bomar placed second for races sailed during race week. James "Snudder" Howard, Newt's son, placed second in the annual crew race. The Transom Trophy Race placed Chuck McMurray, third, and Bill Bomar, fourth.

We were very happy to welcome Don Mitchell to our fleet this year. Don had previously sailed with Fleet 184 on Lake Leelannau, Mich.

Craig Thayer completed his project of refinishing #736. Are you sure it isn't #12736 Craig? Looks great!

The fifth Atlanta Cup was sailed October 6-7, with 27 skippers competing and everyone enjoying a wonderful weekend of sailing. The Atlanta Cup is sailed each year on the first weekend in October. We invite all Lightning skippers to come enjoy our "southern hospitality"!

Our 1973 was a great year for our fleet, with more Lightnings than ever in both fleet and club races. We are looking forward to an even better year in 1974. Ya'll come!

## HARVEYS LAKE LIGHTNING FLEET (350) Metropolitan District Sailing on Harveys Lake at Harveys Lake, Pennsylvania

The fleet was reactivated in 1973, with the addition of two new members with new fiberglass boats—Paul Priebe and Bill Craig. Paul is a former skipper who had left the area several years ago. Bill was a former Mobjack skipper who gave his boat to his son so he could buy something more to his liking. There are three other Lightnings in the Harveys Lake Yacht Club, but so far they are not interested in racing or joining the Association.

The sailing season was made up of regular Sunday fleet races, a regatta with Lake Winola sailors, a Columbus Day Weekend Regatta and various handicap races with the other fleets at the Harveys Lake Yacht Club. Only the regular Sunday series was used to determine the fleet champion.

Bill Craig won the fleet championship, but not without enough wins by Casselberry and Priebe to keep the Championship in question till the end of the season. Paul Priebe won the regatta with the Winola Fleet. Bob Casselberry won the Columbus Day event. It seemed the winds we waited for all summer long came through on Columbus Day Weekend, so much so that the third race was cancelled.

Next year we expect to add a few more boats to our fleet to keep the interest growing.

Activities in our fleet have been increased during 1973, as compared to the year before. Apart from our normal fleet activities, we have started a team racing regattas, with Fleet 401—GUANABARA. It turned out to be a very successful event and was won by our fleet.

Herb Hasselmann and Denis Clemence, representing our District, were present at the South American Championship, held last February in Cartagena, Colombia. After a hotly contested series of six regattas, five with winds blowing around 25-35 m.p.h., Herb became the 1973 S.A. runner-up. Denis took third. Later in the year, these two same crews were present at the seventh Worlds held in Buffalo. Unfortunately, however, Herb was unable to sail in his Panamerican champion boat, and Clemence had just received his new boat, without being able to tune it. Consequently, coupled with the light winds prevailing during the Championship, they were only able to come in 24th and 34th respectively.

In November we had four boats at the Nationals, out of a total 26 boats. The races were held in Brasilia for the first time. Our best placings were Hasselmann in third, Clemence, fourth. Overall our fleet placed in first place and won the Efficiency Cup, which was being disputed for the first time.

With fleet 401 revival, activities within Guanabara Bay have increased, and we expect new boats added to our fleet during 1974.

Competition was the rule this year, rather than the exception. The year started off with four new members joining our fleet. Feb. 1 the Leatherlips fleet and our own fleet attended a lecture presented by marine biologist, boat builder and sailor, Ned Webster. The lecture and slide presentation involved the study of marine life and cruising in the Bahamian Islands on a 28-foot sloop. It was a very enjoyable and entertaining winter evening for all of us.

During March a half-dozen skippers in our fleet attended the rule and sailing tactics course given by George Fisher and Jim Dressel from Buckeye Lake Yacht Club. This course included the new N.A.Y.R.U. rule changes, effective with the 1973 sailing season. All of the skippers walked away with a much more comprehensive knowledge of racing business.

After the snow and ice melted and our boats were given their face liftings, it didn't take our skippers long to start asserting themselves. Many new sets of sails adorned the fleet, and five skippers acquired new or newer lightnings for the season. It is quite exciting to see such enthusiasm.

Our sailing season consisted of the spring, summer and fall series and included the holiday series of Memorial Day, July 4 and Labor Day regattas, the annual Hoover Yacht Club and Leatherlips Yacht Club Interclub Regatta.

The club series results, in order of finish, are as follows: Spring series: Dan Webster, Charlie Schmidt and Warren Schieser. This series found the top three competitors grouped within two and one-half points of one another. Summer series: Dan Webster, Tom Varley, by quarter of a point, and Warren Schieser. Fall series: Dan Webster, Tom Varley and Don McCusker. Memorial Day Regatta: Dan Webster, Charles Schimdt. July 4th Regatta: Charles Schmidt, Tom Varley. Labor Day Regatta: Dan Webster, Tom Varley.

The first weekend of the HYC-LYC Interclub Regatta found our fleet guests of the Leatherlips Yacht Club on the Scioto Reservoir. Two boats from each club went over on the first day. The series ended the following weekend at Hoover with a very tasty dinner of baked lasagne, made possible by Diana Schmidt and her well qualified committee of first mates. Following the dinner, Dick Denning of Leatherlips made the presentation of awards to the following, in order of finish: Ron Sehulster LYC, Warren Scheiser HYC, and Dan Webster HYC. The broken rudder award went to Tom Varley for an interesting capsize that cost him dearly.

The Snowball Regatta at Buckeye Lake Yacht Club was attended by Charlie Schmidt, Tom Varley and Dan Webster, while Don McCusker stayed at home to represent us in the club championship. This was the last racing competition for many of us.

Our 1974 looks like an even bigger and better season for Fleet 353. Five new lightning skippers are awaiting vacancies and several present skippers are planning on starting the 1974 season with new lightnings — and the competition goes on.

## MARINE CORPS D & E COMMAND (354) Dixie District Sailing on the Potomac River at Quantico, Virginia

Fleet Captain ........ Cdr. O. L. Woodbury, USN Fleet Secretary .......... MGSgt. Terry Traywick, USMC (Ret.)

Boat No.	Boat Name	Skipper

Enthusiasm was high for an active sailing season within the Quantico Fleet as summer approached. With John Kreppein, Harold Mauger, Woody Woodbury and John Morgenstern all having privately owned boats in the area, in addition to the Marine Corps boats, excellent local competition was available to all. To start the season off, MGSGT Terry Traywick, sailing the Marine Corps boat, Montezuma, joined the four private Lightnings in traveling to Norfolk, Va., for the Azalea Festival Regatta on April 28-29.

Harold's boat was damaged in a collision during this heavy air regatta, and he spent much of the rest of the season crewing for John Morgenstern. John subsequently moved his boat up to Washington, D.C., joining Fleet 50, where he continued to participate actively in Dixie District regattas. Lt. Col. Chuck McDonald sailing "Leatherneck Too" and Terry Traywick, in Montezuma, sailed in the Dixie Championship at Annapolis, Md. Terry also competed in most of the other Dixie Invitational Regattas, representing the U.S. Marines from Quantico in fine fashion.

Montezuma really got moving in the second race of the President's cup, at Washington, D.C., where with Terry at the helm, she breezed to a second place in the 23 boat fleet. Lt. Wally Jay and Terry sailed the two Marine boats in the 21st Annual Quantico Frostbite Regatta. This year's races were blessed with beautiful weather and a variety of winds, ranging from light on Saturday to heavy on Sunday.

Two races were sailed in Sunday's heavier air, and Tom Allen (3-3-1) seemed to like the stronger wind, as he finished the last race with a first place to capture the regatta. Bill Newman (4-1-2), Don Delorme (1-6-4), John Schneider, (7-4-6) and Dick Hallagan (13-2-3) took home the remaining pieces of silver, which included crew trophies for all five places.

Our capable race committee chairman again this year was Lt. Col. Paul R. Hines, USMCR, a veteran Lightning competitor himself. In addition to actively participating in the Dixie District racing circuit, much of Fleet 354's time was devoted to conducting sailing classes under the base Special Services recreation program for military sailing enthusiasts.

Fleet 357 got off to an early start this season, sailing from mid-April until early November. The season consisted of three separate series — spring, summer and fall. Major regattas were on Memorial Day, Independence Day and Labor Day, drawing hot competition from other fleets. Our annual Lightning Regatta Sept. 29-30 brought many boats from up and down the East Coast. Djoerd Hoekstra of Riverton Yacht Club took the honors, followed by George (Old) Betz of RDCC and Bob Crowder of Upper Chesapeake Yacht Club. John Teigland carried our banner to the World's and brought home the fifth place trophy.

Competition this year was very heavy, with many hotly contested races not being decided until the final leg. Our sailing seminars and weeknight practice sessions enabled our newer skippers and crews to make their presence known and at the same time sharpened the skills of the old timers.

We were fortunate this year to enlist six new fleet members — Mike Draughn, Harmon Dunothan, Hugh Hutchinson, Bucky Kloss, Chuck Smith and Craig Yates who added greatly to the spirit of competition. Our regular fleet parties throughout the off-season kept interest and spirits high. All hands survived our ski trips in good shape. The fleet was quite active in Dragon affairs, contributing labor and materials for the repainting of the meeting room.

We are all looking forward to a great social season again this winter and more fine sailing in the spring. Come be our guest next season and find out what river sailing is all about!

For a Fleet, supposedly well conducted, a reduction in sailing activity must unfortunately be registered. Departures from the club and new entrants also did not balance. In the Swiss Championships, for which we were partly responsible for organizational duties, a great number of participants had to be contacted by phone and invited to participate. It was a most unpleasant predictament to be in, for a captain. If there is no spontaneous interest in sporting events, such as this, something is missing. If competitors have to be called up and motivated to participate, this indicates that something new should be invented — but what?

Our schedule covered the whole season with six and one-half weekends, CS excluded. The overall participation was about 50% compared with that of two or three years ago. It is unfortunate that the fine performance we were then able to record cannot overshadow the decline. This leads

to the following question: Do the races appeal to everybody — or should we pay more attention to the normal class-sailor?

The different Fleet-events by numbers: seven events, three times no wind, total = 126 starts. Outside events: participation at nine events with 22 boats.

Fleet-Champion: Peter Bernasconi before Urs Wyler; same score.

"O.K., Skipper, but sometimes you can't do everything from the cockpit!"

Our 1973 was the year of the big change for the Kelowna fleet. Nine boats have changed hands or been added to the fleet this season. Credit for this upsurge in interest must be given to the Lightning sailors throughout our Pacific Northwest District. Their encouragement, enthusiasm and hospitality shown at various team races convinced the sailor looking for a boat that Lightnings were the fleets to be in.

The season began with the Kelowna Blossom Time Regatta, which is the first event of the PIYA circuit. For once,

no one was complaining about a lack of wind. The winner was Grant McKinnon of Kamloops. Fleet Captain Doug Black represented us at the District Championships in Seattle this year, while various members took in other events. A new event for us this year was hosted by our Kamloops colleagues, Grant McKinnon and Haakon Murray at Shuswap Lake. This has got to be the greatest place for releasing frustrations, particularly when you forget about I.Y.R.U. rules and use Shuswap rules.

Our fleet championships, held on Sept. 10, saw 10 boats on the line. Because of all the new faces, many new owners invited skippers from other areas to take over for the day, and they crewed. The result was very close racing, with Duncan Innes sailing Dick Bazett's boat to the eventual win.

The summer began in early June with a most enjoyable pot luck supper at the Keane's new home, overlooking our beautiful harbor. Trophies for 1972 were awarded, and we were all full of enthusiasm for the best season of racing yet. We got in two races of the Tune-Up Series and the Championship Series, sailed with the Yacht Club on Sunday afternoons in July and August, and saw seven of 10 races completed. Jeff Nothnagle in "Free Spirit" had an undefeated season (although he dropped out of one race on a rounding dispute) and was declared fleet champion. Kathy Kelley sailed to the runner-up position. Competition was good and we averaged five boats at each start.

Our captain has moved on to 210's, larger boat, but never a better class! We welcome any boat, new or old, to join us on our lovely waters for good competition and new friendships. We only wish the three-day weekends were all in the summer and that the wind gods would read the Flashes!

Our season opened early in April, with the cold water separating the men from the boys. The winds held up very well until June and then started to dwindle. Racing was halted during the summer doldrums in July and August and was resumed as breezes started to pick up in September.

Our annual Invitation Regatta on the first weekend in October attracted several out-of-town boats from High Rock, and a good time was had by all.

Regular series racing then continued into November, until the cold water again started separating the courageous from the timid.

Participation suffered somewhat this year, due to business pressures and other problems, but the addition of Charles Williams to our fleet late in the season should help expand our activities next year.

Fleet #387 had a very active sailing season, with lots of healthy competition among the top five qualifiers. This year it was necessary to finish in 16 club races to qualify for a trophy.

At last "Diligence" paid off for Bob Hill, as he placed first among the Lightnings, closely followed by Anton deKok and Ray Yerkie. Fred Hurlbutt and Dennis Dudley placed fourth and fifth, respectively.

Some of our fleet members attended Michigan area regattas, and three of our boats competed in the team racing held at Lake Fenton. Bob Hill was in the elimination trials for the Prince of Wales Cup. We were very pleased to have our fleet increase from nine to 13 during the sailing season, with the last one joining in September.

As has become tradition, Fleet #387 hosted the eighth Annual Tune-Up Regatta May 5-6, the first of the Michigan District regattas.

Twenty-one boats participated, with most of the top sailors in the Michigan area testing their boats and crews for the first competition of the year. Perfect weather prevailed for the two days — sunny, with moderate winds. This indeed is a rarity this early in the season in Michigan. Garry Demarest took first place trophy, with Gary Cameron and Leo Wasserberger placing second and third in a very narrow point spread.

Fleet 391 ended an active and busy year with the following skippers taking home the silver: Tom Bates, first; Bill Sloger, second; George Story, third.

On the weekend of Sept. 15, we hosted a very successful Southeastern District circuit race. Approximately 20 boats participated in a weekend of great sailing. The sailing is always good at WCSC.

Due to a lack of interest in racing by many of the Novice Lightning skippers Fleet 391 embarked on a program to generate interest through training. The training incorporated informal discussion, short races, no spinnakers and constructive criticism during the race. Proficient sailors were barred from the informal practice races. As a result of these efforts, we hope to be starting many more boats next year.

Fleet 393 had a weird season. It started with good weather in June, in which more than half of our season series races was held. July was regatta time and put a dent in our local racing. August was a month of no wind and regattas.

Our scoring system is based on high point of 10. The entire season was decided on the very last race of the season. Karl Miller took the fleet championship with an average of 9.14. Bill Williamson took runner-up honors with 9.12. How close can you get — a difference of .02 of a point?

The Saturday series was won by Bill Williamson with 9.25. Karl Miller was second with 9.0. Taking third, was Tom Arnold with 8.3.

The Wednesday series was won by Karl Miller with an average of 9.33. Bill Williamson with 9.0, and Ron Schaper

third with 8.75. Ron is new to Lightnings this year, and did a good job. We'll have to watch out for him next year.

The local Y.M.C.A. purchased a Lightning this year and created a lot of interest. Maybe this is the way for our fleet to go.

Our "Good Guy" trophy was given to John Raether, who was always willing to help us out any time we asked.

After fighting the battle of the masts the first part of the season, Fleet 399 got under way with the Spring Series. Ten races were sailed, most of them under ideal conditions. Jimmy White won the series, with Larry Frost coming in second. Jeff Hooper was third.

Holiday in Dixie in Shreveport was the first out of town regatta of the season. Jimmy White and Richard Hebert represented the Lake Charles Yacht Club, and Jimmy brought home a fourth place trophy.

LCYC hosted its annual Contraband Days Regatta in May. This year was the most successful, with over 100 boats participating. Of course, the Lightning fleet was one of the largest. Buck Ballatin won the regatta, with the next two places also going to New Orleans sailors. Richard Hebert was the only one from our fleet who won a place, coming in fourth.

We did not sail a summer series, so the fleet had plenty of opportunity to do some traveling. Biggest regattas were GYA at Pass Christian and the Districts in New Orleans. Each time Fleet 399 was well represented, however, we did not bring home any silver. Although we did not place in the races, we were very fortunate to have one of our fleet members elected to office in the Southern Districts. Guy Richards will serve as the District Commodore this year. It was also decided that the Southern Districts will be in Lake Charles in 1974.

We were a little more successful in Jackson, Miss., at their Hospitality Regatta. Jimmy White came in first. Larry Frost was third, with only one point separating first and third places. Gretchen King came in fourth. However, Jimmy was the only one who brought home a trophy.

At present we are sailing a fall series of 10 races. We still have one race to go but Larry Frost is in the lead, with Jimmy White in second. Third place is still up for grabs.

We interrupted our series to sail the fleet championship. The club tried something new this year. Normally, the fleet championship is cumulative over the year. This year we sailed six races over a two-day period. It seemed very successful, and we may do it again next year. The first day we had no wind; but the second day we had all we wanted. Larry Frost won the series with four firsts and a third. Gretchen King, our only lady skipper, was the runner up. Guy Richards was third and Norman Stewart was fourth.

June 2-3 Fleet 400 held its third annual Lightning Thundermug Regatta, with 19 Lightnings participating. After Sunday's series of capsizes and men overboard, Dick Pugh, Bill Rogge and Bruce Gerkins took the top honors. A full report appears in the July '73 issue of Flashes. This midsummer saw some horse tradin, when former Interlaker Roger Henkener acquired #11515 and Addis Katterheinrich, #12046. Addis' older #8441 is still in the fleet with Al Siegfried as its new owner-helmsman. The club's championship was again won by Bob Wilkins, with Phil Cornett, second and Bob Kruger, third. Bob Wilkins jumped over to Buckeye Lake, O.; and Tom Katterheinrich topped off his honeymoon with his new bride, Marna, at Cowen Lake, O., Regatta. See ya all this Spring.

Fleet 405 of the District of Ecuador has had during the present year one of its most emotional times, as much for the quantity of championships carried out as for the great activity that the fleet has had in International Champion-ships and hopes of preparing itself for the Championships that will take place in the Bay of Salinas in 1974 and 1975.

In 1974 Fleet 405 jointly with the Ecuadorian District and the Salinas Yacht Club, and with the help of the Braniff Company, will again organize the Braniff Trophy, to which some of the best captains of South America and the U.S. will be invited to come to Salinas to dispute the trophy in 1972, according to Tom Allen.

Two of the outstanding championships in the present season were the annual championship of the fleet in the Bay of Salinas. The champion for 1973 was Felipe Eljuri, with his crew of F. Dudke and Xavier Arosemena, runners. up were Werner Moeller, Jr., and Antonio Arosemena.

The marathon regatta to Punto Blanca constituted a real olympic marathon. It was run between the Bay of Salinas and the Beach Resort of Punta Blanca, approximately 40 miles that was completed by the winning crew in approximately seven and one-half hours.

The final result of this spectacular regatta was a first place for Miguel Pere Quintero, with his crew of Luis Orrantia and Arturo Iturralde. In second place was Felipe Eljuri. In third was Orlando Rodriguez. The regatta to Punto Blanca ended with a big party in which all of the participants depend at a and enjoyed the sound of a tropical participants danced, ate and enjoyed the sound of a tropical orchestra that was brought especially for this regatta from

At the same time all these sporting events are being developed, Fleet 405 with the Ecuadorian District and the Salinas Yacht Club are working actively in the preparation of the next World Championship that will take place in the Bay of Salinas in 1975.

Enthusiasm for sailing in general has risen sharply among the members of Fleet 411, to the extent that the purchasing of several boats is planned for the year 1974.

A small bay has been formed at the Naval Club of Guayaquil, where youngsters are being taught the rigging of sails so as to prepare them for races on a national scale. Every Saturday a large group of junior members get together in order to participate in programmed regattas designed to foster enthusiasm for sailing in general, and acquire the necessary practice needed to sail Lightnings.

The Board of Directors of the Naval Club wish to be of help in every way possible to this group of sailing members and we hope to have among us many new boats in the coming

Fleet 414 Champion, Rod Johnson, shows his winning form in "Lightning Rod."

The 1973 racing season on Juanita Bay began with a joint meeting of Fleets 132 and 414 in the fall of 1972, where it was decided to race together in 1973.

Lightnings in Juanita Bay are moored on floats with lever lifting mechanisms to keep the boats high and dry. The additional boats required two more floats which were built at three weekend work parties composed of members from both fleets. Bruce Cosacchi's endeavors at finding a place where the floats could be built and launched, special deals on the materials and organizational effort spirited the tremendous teamwork that led to the best year of racing on Juanita Bay and even better prospects for 1974.

Racing was extremely tough, with past Pacific Coast Champion Earl Lasher, Fleet 132 champion Rod Johnson, and Fleet 414 champions John Woodward and Frank Paine witnessing John Stam (132) win the season's first race on new ground with 14 boats racing.

Rod Johnson won the Fleet Championship, with Frank Paine, second. The Northwest Districts were held across the lake at Sand Point, with Earl Lasher coming out first of 29 boats and John Woodward second. This was John's first district regatta, and he was jokingly accused of sandbagging.

Reviewing the year's finishes, Fleet 414 cannot be accused of not extending a warm and satisfying welcome. John Stam won his first time to race on Juanita Bay. Ron Loewen won the second race he had ever been in. Later in July, Dick Ensminger of Texas joined us and won his first time racing on Juanita Bay. Still later Greg "Count" Zettler, of Louisiana, joined us and won his first time to race on Juanita Bay, which was almost too much for our Fleet Captain to take.

Our 1973 was unique, having two fleets racing for the same awards, and at the end of the season it was decided that the 132 sailors would join 414. The racing competition being so keen, the magnetism of a growing fleet and the attractive fact of having only one race in two years not completed for lack of wind have revived Lightning interest to where there will be at least 20 boats racing in 1974 after one more float party.

Fleet Captain for 1974 will be Bruce Cossachi. Fleet Secretary will be Ron Lowen.

The 1973 season was an active one for Triad Fleet #415. There were new faces and three beautiful new boats this year. Many of the members participated in regattas other than the regular High Rock Yacht Club series.

Sailing began in April, with Penny Booke and Corky Gray sailing in the Catawba Yacht Club Invitational Regatta in Charlotte. Corky won the regatta, with Penny bringing home third place honors.

May saw the beginning of the home club series, with Penny humiliating all comers, with three decisive firsts. Also in May, Bill Pleasants, Triad's Travelin' Man, represented the fleet in the District Championships in Charleston, S.C. Bill was overheard muttering something about South Carolina's early hurricane season.

In June, five skippers in three boats attended Fleet 365's invitational on Lake Wylie. Corky's Old Black Magic and crew slipped off with first place. Bill Pleasants and family won the second place silver.

August found the High Rock sailors hosting the Triad Lightning Regatta at the cabins of the most hospitable

Booke families.

Attending were sailors from all over the District, and after many years, the wind. Bill Sloger from Lake Hartwell won the regatta, with a brilliant first day. Old Black Magic and team finished second. Penny sailed to third

In September, High Rock Yacht Club held its annual Labor Day Regatta. Many of the Lightning sailors participated in the three-day regatta. Corky's Black Magic won, with Penny, second, and Bill, third. During the regatta, a powder puff race was held for all girl crews. Merri Beth Tice, regular crew on Black Magic, skippered her to a second place, beaten only by a windmill on corrected time. Bill's daughter, Sandy, and Debbie Peterson crewed for her.

October was the final month of the season. The fleet championship was won by Charlie Sink, Merri Beth and Corky, with help from Jim Weiborn. Penny Booke, with his dad and brother, Sam, as crew, sailed to the second place spot. Bill Pleasants, Harry Anderson and Bob Team traveled to Quantico for the big post season regatta. They sailed well and finished in the top half of the star-studded fleet.

The Sam Booke Award for high points in North Carolina Lightning competition was won by Merri Beth, Charlie and Corky, with help from Debbie Peterson.

Next year we are looking forward to an even better season

beginning with a big Triad Regatta in April.

The 1973 season saw the reactivation of Fleet 417. We sailed three series for a total 33 races, May 27-Sept. 30.

Due to very poor wind, the Summer series was thrown out. Patty Van Blarcom won the Spring series, with Al Van Blarcom second. This series was sailed in light winds. The Fall series saw much better winds. Patty and Al ended up with a tie. The Vincent Memorial was awarded to Al Van Blarcom as best all around skipper in the Lightning fleet.

We are looking forward to more participation for next year.

Fleet 420 suffered setbacks in its hoped for sailing/racing program in 1973 because of a changeover in boats and some maintenance problems.

But during the late summer all boats were re-conditioned and are now ready to sail with the first break in warm weather.

Local skippers are essentially non racers with the exception of John Nixon. But Nixon will teach racing next year and will be helped by the fact that a C-Scow racer is interested in switching to Lightnings and a Snipe racer has shown up in the community, apparently waiting for conver-

Our sailing season opened with brave sailors Murray, Blanchard, Hamm, Feybusch and Hutchison testing their gear in the 25 to 40-knot gusts at the Long John in Red Bank. The Penn Manor Spring Regatta was won by amiable Bill Newman, with young Phil Dennis and his crew of neophytes, nosing out Hutchison for second overall.

Alan Crew who sailed with us briefly this year, showed great consistency in placing third in three regattas, held by Red Dragon and Riverton.

The fleet championship took place in June. Six races were held, and each boat sailed five for points. A mandatory committee assignment was made for each boat. This introduced everyone to that lofty and essential duty. The results: Hutchison, by less than a boat over Murray, with Crew and Hamm in hot pursuit.

The C.A.D.'s at Bay Head recognized the largest fleet representation from Penn Manor: Murray, Dennis, Feybusch, Hamm, Hutchison. Next year, we shoot for quality! Our fall regatta was a great success for our fleet in all but the places. Bill Newman demonstrated that nice guys don't always finish last. Second was Bill Clausen, with Djoerd Hoekstra 3rd.

Djoerd, incidentally, won the embryonic Delaware Valley Championship, with a second at Riverton and a first at Red Dragon. This is based on best performance in all three fall events. We hope that this will become a peren-

nial favorite, as we gain a sponsor and more publicity.
With skippers like Murray, Blanchard, Dennis and Hutchison showing occasional flashes of brilliance, we look forward to the 1974 season with great anticipation.

Fleet 425, whose home is on Lake Tippecanoe in northern Indiana, enjoyed a year of fine winds that produced some good sailing. Howard Webb's sons-in-law, Ken Zinzer and John Bundy shared the skipper's role in boat #12205, capturing the fleet championship.

The Fleet sponsored the fourth annual Tippecanoe Lightning Regatta, and John Leath of Attica came away with top honors. Leath, who has established himself as one of the top skippers in the Indiana District, had an excellent crew in his two daughters, Jennifer and Joanna.

George Buckingham with his young daughter, Georgeann, as a crew member finished in second place. Sid Heath of Burnham Park, Ill., placed third.

Ken Wood, Indiana District Commodore, finished in fourth place, this being the first time in the four years of this regatta that he has not gone home with the top trophy. Ken Zinszer, Anderson, finished in fifth place.

Marvin Burkhardt, Peru, was presented the rear admiral trophy for finishing on the bottom rung of the standings for the races.

In addition to the lightning regatta the Tippecanoe Sailing Club also sponsored the Labor Day Regatta to which all classes were invited. In the Lightning division, Ken Zinszer piloted his boat into first place, followed by Herb Gawthrop in "old 21." Kay Ann Murray, with her father Jim as a crew member, placed third.

The Tippecanoe Sailing Club (Fleet #425) is looking forward to a successful season by planning another Lightning Regatta on September 7 and 8, 1974.

Hampton Roads enjoyed another season as a fleet burgeoning with potential, sailing in uncrowded waters and spacious facilities on the lower Chesapeake Bay. Spurred on more by a land-of-pleasant-living approach than the urge-to-maximize-performance, the 1973 Hampton Roads Lightning sailors might well be characterized as environmentalists and energy savers.

Taking advantage of a longer sailing season, the fleet hosted a Lightning regatta by participating in the Norfolk International Azalea Festival, April 23-29. This is an annual week-long, public celebration to salute the beauty of spring in Tidewater and to honor the presence of NATO in Norfolk. The two-day sailing regatta was the second sponsored by the Norfolk Naval Sailing Association as a part of this Festival. The entry of 25 Dixie District boats, up from 15 in 1972, gave Lightnings extra prominence.

With the most competitors among the 10 classes participating, the Lightning event winner also won the SACLANT Trophy. First winner honors of this too-big-to-bring-home trophy went to Jeff Hastings of Dover, Del. It is now conspicuously displayed at Headquarters, Supreme Allied Command, Atlantic. The trophy was presented by the Deputy Commander, Admiral E. G. N. Mansfield, British Royal Navy, in the presence of Queen Azalea XX, a young lovely from Canada. (Jeff, a smaller take-home trophy is in the

works.) Second and third place trophies in the Lightning event went to John Richardson of Upper Marlboro, Md., and to Dr. Don Delorme, Alexandria, Va. Fred Johns of Chadds Ford, Pa., won the long-haul trophy for towing his Lightning to Norfolk.

The fleet added three boats this year, with the advent of Tom Pantiledes, Bob Butler and Dan MacLean's purchase of a replacement boat. However, this was offset by the loss of Quinn Thomas and Woody Woodbury — Quinn to bigness, (a bigger boat) and Woody to greatness, a step forward in his on-going naval career in amphibious warfare. He is now at the military center of Lightning activity, the Marine Corps Base, Quantico, Va. Both of these men will be missed, particularly Woody, with his experience as a former vice president in Class matters, and as a driving force in fleet development. Woody indicates that Wes Baxter, out of Fleet 50, will be joining us next year. Welcome, Wes.

A wide variety of racing conditions are available within 60 miles of Norfolk. Ten CBYRA member clubs sponsor 15 invitational regattas from April to November. The enthusiasm expressed by those participating in the Azalea Regatta suggests that more Lightning racing events should be planned for 1974. CBYRA sanctioned Lightning starts can be arranged at most of these clubs, with a commitment by March 15 for six boats. For those interested, of particular need is a trailer with ramp launching capability and a desire to conviviate.

This year Fleet 429 had the privilege of hosting the Southeastern District Championship. The series was sailed in near perfect spring weather, turning out many skippers from several states. Since the races were held in the harbor, spectators enjoyed the regatta from Charleston's historic Battery. All of our members pitched in to help make this Championship a great success.

The Fleet's spring and fall series were informal and well attended. Our race committee set the courses with shortened legs and narrow starting lines to improve starting techniques and mark roundings. Competition was keen, with the entire fleet finishing within boat lengths of each other. Harry Hintz was our deserving champion again, followed closely by Harvey McCormick, as first runner-up.

Despite all of the activity in our home waters, members trailered their Lightnings to numerous out-of-town regattas and learned much by competing with other sailors in a variety of wind and water conditions. As always, we enjoyed our camping experiences, rain or shine, and the "happy hours" held by host clubs. We are looking forward to another year of traveling in hopes of finally mastering that lake sailing!

Many thanks to John Gastright for his leadership and enthusiasm as Fleet Captain for the past two years.

We anticipate the coming year will be one filled with new members, socializing and good sailing for our Fleet.

Fleet 430 had a very active season at its home base Ocean City Yacht Club. There were separate Saturday and Sunday series of races. A special Labor Day regatta and a special series of races for the usual Ocean City multi class regatta were held in Mid-August.

The fleet champion for the year both the Saturday and Sunday series was Dr. J. Gordon Buzby, assisted by his crew, Gordon Buzby, Jr. and George Gaynor. Second was John Parker. George Glenn was third. Awards were given to these winners and their crews for each series, plus the special regattas.

It was a busy summer with the weather on the average surprisingly good. Our fleet picked up one new boat. Carroll Streater, a former Lightning Skipper, has retired from the class but still does a lot of sailing with a "board" or a sloop.

Dr. George P. Glenn Jr., who is also the yacht club's fleet surgeon, along with his wife, "Peaches," and his young son Gidge, who is a remarkable skipper for his age, also had a good year. Peaches sail whether the weather be fair or foul. Jeanette Lindsay, Bill's daughter, has become quite a skipper and can hang in there with the good weather or bad.

"Crunch!" At the Long Island District Championship, hosted by Fleet 431, the skipper of Fleet 431's #8363 said he relied on the rule that, "a straight line is the shortest distance between two points."

The 1973 season was the most active and exciting Southampton Yacht Club has had in recent times. In addition to its regular schedule, the fleet sailed two new series with several new trophy races, as well as hosting the Long Island District Championship.

The fleet championship was not decided until the last race, when Wally Carucci nosed Dick Rudick out in a close finish. They were closely followed by Hugh Halsey, Jay Best and Ed Spooner. Every position changed several times during the season. This has become an extremely well matched fleet with every boat capable of winning on any day.

Another exciting part of this season was the weather. The usually predictable Southampton weather was anything but this year. We sailed in everything from a gale to a drifter and much to our dismay, often on the same day. In one race, the fog set in so thick that most boats felt lucky to find their way home.

The outlook for next year is even brighter, as we expect several new boats to join our fleet and make for even better competition.

Fleet 432 began the year with a series of regattas to determine the fleet champion. But this was cancelled, due to an automobile accident in which one of our members was involved. Fortunately he was not injured too seriously. This put a damper on the activities. Later, several members of the fleet participated in the South American Championships held in Cartegena, Colombia. We didn't show too well, but it was a grand training experience for all of us. Later this year we participated in the National Championships and the District Championships, held on Lake Tomine.

We are presently in a state of re-organization and hope to bring in some new Lightning sailors to our fleet.

During the three years since our fleet was formed, we have been fortunate enough to build it into the most active Lightning fleet in the State of Texas, as well as the largest and most active fleet at our club. Fleet members participated in 10 major Regattas this past year.

The Houston mid-winter regatta was won by Duncan Porter, with Bill Garrett placing second. Nine boats traveled to Shreveport to the Holiday in Dixie Regatta. We can't say too much about the fine hospitality offered by the Shreveport club and the host Lightning fleet. The Lake Dallas Regatta was won by Duncan Porter, with Sam Lett finishing second. The Fort Worth Boat Club Regatta was all but blown out. Several boats elected to stay on shore, rather than risk damage in the 40 mph winds. Sam Lett won the regatta, being the only boat to sail two races, at the cost of one suit of sails. The Texas Districts were sailed at Rush Creek Yacht Club. Calvert Garrett won; Bob Thomas finished second and Bill Garrett third.

Calvert and Bob traveled to the North Americans in August, where they both had a good time but didn't create much of an impression on the majority of their competition. Three boats traveled to New Orleans for a Labor Day regatta. There was a severe storm during the second race

in which no one involved will soon forget. Winds were clocked on the committee boat at 50 MPH. The storm was bad enough to sink a Star. But no Lightning capsized or was damaged. The regatta was shortened, and Buck Ballatin of New Orleans was declared winner. Two boats traveled to the Bluenose Regatta. Hal Ploch placed well in that.

A substantial portion of our fleet activties this year has been directed toward our annual Thanksgiving Invitational Regatta. The 1972 event was well attended. Ron Blair finished first. Bill Buckles, the previous winner, finished second. Bob Thomas finished third. The regatta was shortened because of severe weather. Buck Ballatin appeared to be sailing as fast as anyone, but suffered a broken gudgeon. He swears he'll be back with greater gudgeons. We hope everyone else will be back too, plus every other Lightning who wishes to attend.

We feel that the Texas Thanksgiving Regatta has the potential of becoming a major annual event on every Lightning sailor's calendar. Our lake has approximately 27 square miles of good clean fresh open water available to set a race course on. Our harbor can hold a hundred Lightnings. The Thanksgiving holiday provides enough time to allow participants a full day of travel time, both before and after the two-day regatta. The weather in Dallas at that time of year averages 60-65 degrees with good winds. It is the last major regatta on the calendar before racing stops for the winter. Our fleet has the desire and ability to run a fine, well organized regatta where participants may enjoy good sailing and good hospitality.

## SHUSWAP FLEET (436) Pacific Northwest District Sailing on Shuswap Lake, British Columbia

We finally had some Lightning racing on Shuswap Lake when three of the Kelowna crews trailed their boats the 100 miles from Okanagan Lake to race with us. It was a lot of fun and hopefully was the small beginning of an annual regatta on Shuswap Lake.

In other events, the MacKinnon crew in #10658 competed in District regattas at Kelowna (first place) and Vancouver (fourth place) and the Kelowna fleet Championships (second place).

Still, no new Lightnings for our fleet. But there was some new interest shown this year. Maybe another season will bring us a new boat or two.

Perry Yacht Club Lightning fleet is still in the rebuilding stage. But the prospects for growth are looking better each year. The Lightning can sell itself when new skippers are introduced to it, and Lake Perry is the finest racing lake in the district. So time is our only adversary, since we would like instant success.

The Memorial Day Regatta was won by a Denverite, using this regatta as a tune-up for the districts. Steve Thomas put two firsts and a second together to win over John Gall, Dick Patton and Neel Proctor in that order. Thomas missed a perfect score by sailing past the finish line in the last race, allowing Gall to slip in ahead. Patton decided to wash the inside of the boat out 100 yards from the finish.

Our biggy, the Firecracker Regatta, was a tremendous success. Bill Buckles flew in from Cleveland, to defend his previous year's victory. We gave him a boat, two new crew members and a lot of verbal trash. He tuned the boat, trained the crew, disregarded the trash and very methodically ate us alive before this was over.

Don Skouse, from Jacomo Sailing Club, slipped it to Patton and Buckles in the first race, when Patton had to decide who to camp on. He was wrong. Skouse got first; Patton second by a shroud over Buckles. But Buckles won the next two races without much difficulty. The real contests were between Skouse, Gall and Patton. In fact, they finished the regatta in that order, second, third, and fourth. Fritz Toussaint and Bob Jones were welcome skippers from Topeka, though a broken mast in the second race kept Jones out of any hardware possibilities. Don MacClymont was sailing his first regatta in #3457 and did a respectable job.

Labor Day Regatta was a lonesome weekend for Lightnings. Dick Patton had the only Lightning registered, since it was a traveling weekend for the others. He sailed handicap against Flying Scots, Sweet 16's, a 505, and two catamarans, and somehow managed two firsts and two thirds to win the large handicap division.

At the Central States District Regatta in Oklahoma this year, our fleet had two representatives. Patton and Gall went to knock heads with our friendly neighbors, ending up with Patton, fourth; Gall, fifth. This time it was Gall's turn to go swimming. Power jibes in the last race can be disastrous, right John?

At the Lake Shawnee All Class Regatta in Topeka, Dick Patton took second, John Gall third and Don MacClymont won eleventh, which wasn't last. Hang in there, Don.

At the Impromptu Regatta at Carlyle in Illinois, Brad Hamilton and brother Scott took first in their brand new boat. John Gall, sailing his semi-new boat, finished second. Incidently, the Hamiltons' other crew was Bill Buckles, who co-incidently had the Hamilton brothers crewing for him at our Firecracker Regatta, which Buckles won.

At the Last Mark Lightning Regatta this fall at Jacomo, Patton found out how difficult it is to beat Don Skouse on his own lake. He had a chance to do it, but blew it and ended up second again. Gall's boat, with a very proper name, finished third. The Hamilton brothers were hanging in there but will have to learn that races won't be delayed for them to have breakfast at some motel. Again Don MacClymont showed up well, this time beating several much higher numbered lightnings.

We had a good year. In fact, this is a fun group of sailors to sail with and we would enjoy seeing more participate with us. Join us next year and ask John Gall how well he did at the Nationals.

For the first time in its recent history, Fleet 439 has a new champion! The long reign of Russ Pringle was upset by Alan Brownlie in a series of close and hotly contested races.

The weather cooperated this year as it has not done for several seasons. The racing calendar was again divided into three subseasons, running from early June through Labor Day. This partitioning has led to keener competition for each series trophy and allows each competitor to be "born again" during the season.

The season championship is computed on a total point-finish basis. When the dust (or was it fog?) had cleared, Alan Brownlie had edged Russ Pringle by mere thousandth of a point! Russ had won the first series, Brownlie the second and third.

Our sailors did travel this year to some of the local regattas, but as our Commodore put it in answer to a query during a visit to another club, "Our beautiful lake is so hard to leave." How true.

A good spinnaker run at the sixth annual South Skaneateles Regatta in September 1973.

The fleet continues to grow and change. Notable arrivals this year were Dr. R. Paul Higgins, in partnership with Leighton A. Hope with #10333. Both of these men and their families/crews are old South Skaneateles Sailors (read "experienced" for "old") and have already livened competition.

The helm of the Grant boat passed to a new generation of Grants, and they performed outstandingly well this season. The future of the fleet seems assured.

Sue Jones, our "Comodoress," did her usual outstanding job on the committee boat, fielding countless questions ranging from the profound to the inane, while hoisting and lowering flags, watching the stopwatch, supervising the sound signals, policing the boat and serving lunch to the observers.

This year's regatta went even more smoothly than last year's. It capped the season in mid-September, and, despite some minor climatic problems, was a beautiful weekend. Fleet 439 invites all Lightning sailors to attend its 1974 Regatta. You will be given notice, if you are in the Central New York District. But watch your "Flashes" for an early warning.

The 1973 sailing season was a very active one for members of Fleet 440, sailing out of the Lake Murray Sailing Club on Lake Murray at Columbia, S.C. Fleet Captain Tim Barnum did a fine job of organizing fleet activities.

The first regatta of the season was a series of races held alternately at Columbia (S.C.) Sailing Club, Wateree Sailing Club, Camden, S.C., and the Lake Murray Sailing Club. Trophies were awarded on the basis of the best two of three regattas. Wilburn Brewer placed third, and Paul Rodesiler won fourth place.

Tim Barnum demonstrated that older Lightnings without floatation are not self-rescuing by dumping his boat in the Lake Murray Lightning Invitational, co-hosted by the two Lightning Fleets on Lake Murray. Not a bad experiment for a Ph.D. mechanical engineer from Columbia University. The regatta posed other problems for Fleet 440 members when Paul Rodesiler and Reg Brooks were involved in a port-starboard situation resulting in a collision. Needless to say Fleet 440 did not win any silver.

The spring series consisted of 12 races held on Sunday afternoons. Five boats qualified in the series which saw close competition in first and second places and in third and fourth places. Tim Barnum took first place by two points over Paul Rodesiler. Marshall Sansbury placed third, winning over Wilburn Brewer by three points.

Tim\_and Ginger Barnum were transferred to St. Peters-

Tim and Ginger Barnum were transferred to St. Petersburg, Fla., and were unable to participate in the fall series. We have missed the Barnums in club activities and their competitive heat in fleet races and regarders.

competitive boat in fleet races and regattas.

Members of Fleet 440 continued to be active in Lightning—only regattas and local open regattas. Three boats entered both the Western Carolina Lightning Invitational on Lake Hartwell, Anderson, S.C., and Atlanta Cup on Lake Lanier, (Atlanta, Ga.). Paul Rodesiler was elected Southeastern Lightning District Commodore for 1974, and Fleet 440 will host the 1974 District Championships.

Again, as in the past three years, Lightnings composed the largest fleet in the annual Lake Murray Sailing Club Open Regatta. Being good hosts, we gave the silver to outof-town boats. Our Fleet continued its rivalry with Fleet 341 on the other side of Lake Murray in a three afternoon race series. We were joined by Bill Canniff and Sam Cheek of Camden. Paul Rodesiler finished second. Wilburn Brewer placed third.

The fall series consisted of nine races, with Paul Rodesiler taking first place and his second fleet championship. Wilburn Brewer finished second, beating Marshall Sansbury by one point.

We all look forward to the 1974 season with the hope that our fleet will grow both in numbers and competition.

The second year of Fond du Lac Lightning competition proved to be captivating, entertaining, frustrating and wet. This great adventure all took place over the following series of memorable races.

The great event was the first Lighthouse Regatta. This was held on June 9-10 in a variety of weather conditions, attracting able competitors from the Midwest District. It all started under clear blue skies and warm sunshine with a great lack of what is known as wind. The first attempt at racing found the fleet bobbing about in the calm with a great opportunity for swimming or socialability in meeting new and old friends.

Chief judge, Ed Malone, Jr., finally terminated this social hour in favor of lunch for the fleet. After lunch, the calm gave way to pleasant winds. These pleasant winds increased and graduated into a full fledged gear buster on the following day. Tryg Jacobsen, our neighbor from Sheboygan, topped them all in capturing the Vixen Cup. A special award for Lightnings under number 1000 was not claimed and awaits its claimer in 1974. One of the notable features of

the regatta was the grand cuisine and liquid door prizes at the party.

Our regular season had a fantastic start in its holiday series on Memorial Day when our fleet captain in the lead boat sailed the wrong course, followed dutifully by the rest of the fleet resulting in DNF for all participants. We felt things had to improve, and sure enough on the fourth of July a howling Northwester capsized 50 per cent of the fleet, with victory going to able survivor, fleet secretary, John Scharf. This holiday series ended on Labor Day with spirited competition and great racing conditions.

The Sunday series consisted of nine scheduled races and proved the old adage that consistent sailing pays off. Vince Daube, "Mr. Lightning Spirit," showed the way to victory through many combinations of wind, weather and wave. The top two were pursued mercilessly by a pack of close runners, consisting of the "Hungry Four," Bud Thiel, Tom Grebe, Ralph Drumwright and Ted Ziebert.

The fleet championship series provided the greatest competition and highest percentage of participation. Consistency almost paid off again for Vince Daube, but crew tension, which led to near mutiny in the latter part of the series, allowed Dick Stokely to squeak through a victory. This entitled the winner to a one-year possession of the Edward A. Malone, Sr., Memorial Cup. This spectacular cup was donated to our fleet by Edward Malone, Jr., in memory of his father, who was devoted to keen competition in sailing.

On the Lightning social scene, a post regatta "appreciation party" was held by Dick and Ann Stokely to entertain the "Lighthouse" Regatta workers. This event generated much enthusiasm among non-Lightning people who had assisted us. The social scene was further enhanced by Ted and Eunice Ziebert who hosted a garden party. This event was in honor of Vince and Betty Daube to wish them a fond farewell. (Fleet 74, our loss is your gain!)

We hope to expand the fleet of wet but happy Lightning sailors during the 1974 season. Please stop by and join in the fun by sailing with us almost any weekend in summer '74.

The year 1973 was the second season for Fleet 444, which sails with the Lake Glendale Sailing Club. Our racing season consisted of 11 races and suffered somewhat from rain and lack of wind. Trophies were awarded for the July 4th race. The club's 10th Anniversary Race and for the first three season places.

During the summer, two new Lightning skippers joined us. We hope to have them racing with the fleet next year.

We are looking forward to a good racing season in 1974. We may have two series rather than one and an increase in the total number of races.

The club is located at Lake San Pablo, 60 miles north from Quito, at 8000 ft. altitude and surrounded by the Andes. After foundation in 1966, the own facilities at the lake were ready in May 1967. In the meantime, a fleet of 11 boats, now fleet #447, was built up, and five of them are almost new fiberglass boats.

The first years we spent learning sailing and rules of way, and friendship races were held on the weekends. In 1972, three of our boats participated in the Braniff Cup and the Ecuadorian Championship.

There was great enthusiasm to go to Cartagena for the South American Championship. One of our boats qualified, and we even had arranged for a charter flight Quito-Cartagena-Quito for four boats. But, unfortunately, our friends from Guayaquil and Salinas, who are much better sailors, could not make it for personal reasons. Our crew was the boat to represent Ecuador in Cartagena and finished 15th among 18.

During May of this year, we had our first fleet championship at the lake, with the participation of seven boats. The regatta was held on two weekends, counting five of six races. We tried to have Olympic courses, but the wind conditions during that time of the year frustrated our efforts during two races, having finally two Spinnaker starts. The wind speed varied from four to 25 mph, as it often does on mountain lakes.

The first and the second races were easily won by Dieter Dyck, followed by Ricardo Crespo. The third race was won by Ricardo Crespo, because everybody tangled around with the spinnaker after the start. Only Ricardo Crespo reached away, leaving the rest far back in hole, without wind.

The fourth race was sailing under perfect conditions, with the wind 10-25 MPH. Dieter Dyck withdrew after the start committing a foul, this time under heavy wind conditions. Jens Dabelstein managed to bring his old wooden boat first over the line, followed by Ricardo Crespo. Other two capsized, and Ernesto Martínez had rudder trouble.

November 2-4, four of our boats participated in the first regatta of this season in Salinas. Our fleet champion, Dieter Dyck, won all the three races, followed by Felipe Eljuri.

As a fledgling fleet of five "woodies," two of which were built the first year, did not plan too ambitious a program. Since our official club program is usually from July 1 to Labor Day, we ran eight Sunday races with a few impromptu contests. Robert Dmitrieff, #6037, was the undisputed champion mainly due to his superior sailing and also his chility.

contests. Robert Dmitrieff, #6037, was the undisputed champion, mainly due to his superior sailing and also his ability to foresee the whims of lake breezes. Harvey Mercier was runner-up. The secretary broke his knee-cap July 21, so his son James Carhart captained the boat. It was his first sailing ever. He did well under the circumstances.

Our prospects for 1974 include at least one and maybe two new boats. During the past season we had a number of almost windless days, but the final race was in a high wind and very exciting. Since all the boats are wood, they are reasonably competitive, and sailing skill really counts. Next year we hope to be better organized, and perhaps can inveigle some visitors from the coast fleets.

## Registry of Lightning Owners

(Corrected to January 18, 1974)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner's address is unknown.

Where boat number is followed by an asterisk, it means that there is an approved measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.

## STANDARD OF SPEED AND EXCELLENCE

The names of the winners are different each year and the winning brand of boat is probably different too, but year in and year out the fast Lightnings have continued to use Murphy & Nye sails.

In 1973 boats with M & N's swept all honors —

Worlds 1, 2 Southern Circuit 1, 2, 3, 4 North Americans 1, 2, 3, 4 South Americans 1 through 7 Europeans 1

Exact duplicates are available to you as a Murphy and Nye customer. We buy large lots of cloth, test each lot on our very accurate cloth testing machine to make sure it matches design specs, and cut each panel of every sail from exact patterns.

With each order you receive a wiring diagram to help set your sails like the Champs.

Even if your goal is less than winning a World Championship, Murphy & Nye Sails can help you achieve it!
