# DEDICATION

When one takes on the responsibility of Assistant Year Book Editor, there comes with it a two year commitment, the last year of which you become Editor. Frankly, if I were a true "Editor" in the newspaper or magazine manner, the job would be almost full time for two or three months.

Luckily, this is not necessary, as we have a staff in Worthington who are dedicated to the I.L.C.A. They spend countless hours of their own time (both at home and in the office) doing all of the layout and organizational work. Your editor merely seeks articles and chooses a few pictures along with some proofreading. Without Helen and her terrific staff, your year book would be a second class magazine.

Part of the reason that the Year Book is first class is due to Jake Jacobson. He and he alone has taken the responsibility for the processing of the color section. This is no mean task, and is expensive both in terms of time and money. Jake has personally borne a large part of this financial burden. For this, Jake the class says a hearty "Thank You". When we meet you on the race course we all owe you a port tack or two (but no bouy room).

Mary Huntsman has also spent a lot of time and money in picture taking. You can see that many of her pictures in this book (and in fact many in the previous books) have been hers. Thank you too Mary, but if we all give you and Sandy a port tack at Red Bank we'd never get across the river to the weather mark.

The Year Book, as well as much of the other class work is done on a volunteer basis. Even our paid staff put in many "volunteer hours." We all contribute one way or another, either through fleet reports (edited by a much over worked Assistant Editor, Dave Sprague – who even lent me his girl Cathy for my "bow man" at the N.A.'s) or through full blown articles. To all of you – Thank You, but no port tacks (I'm in the back of the fleet as it is).

A handwritten signature in black ink, reading "David W. White". The signature is fluid and cursive, with a large initial "D" and a long, sweeping underline.

David W. White, Editor

# THE PRESIDENT'S MESSAGE

As we enter our 39th year (1976-1977 ILCA Year), let us be proud of our Class and the continued growth and popularity of the Lightning at a time when there has been a proliferation of new Classes.

The strong Class Organization, and most importantly the people who make up the Class make the difference. A new Lightning owner is not buying just a boat. He or she is buying a life style, a sharing of ideas and interest at the local or grass roots level. The organization provides the frame work and stimulation that helps hold that interest. Together, we have built up a family of Lightning owners who love the Class and stay with it as I have since 1949.

The ILCA is on the threshold of new growth largely stimulated by the new oval mast, strong interest among the Junior/Youth contingent in North America and the stimulation of activity in Europe and South America.

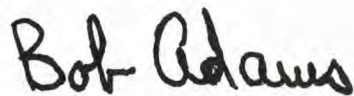

Look at the record. The Junior North Americans instituted three years ago has been highly successful. The Juniors in the heavy seas of Lake Michigan performed admirably in the 1976 Junior North American and North American Championships. There were more Juniors in the Blue Fleet of the NA's this year than in the last ten years.

The Worlds in Salinas (1975) has provided new momentum for the South American Lightning Federation. We are looking forward to the World Championship in Spiez, Switzerland in July of 1977. This event and the presence of the new Euro-Lightning will provide growth for our European Districts and the possibility of establishing the Lightning through the efforts of the Swiss in Germany.

The Year Book provides a vehicle to salute our good friend Fleet 109 and the St. Petersburg Yacht Club on the 30th Anniversary of the Annual Mid-Winter Lightning Championship. They have been superb hosts all of these years and we thank them for having us.

It is an honor and privilege to serve the Class as President. My thanks to all of the Officers, to Helen Limbaugh and her staff in Worthington and to all of the Year Book Staff, with special thanks to Dave White, Editor, and to Jake Jacobson.

Sincerely,

A handwritten signature in black ink that reads "Bob Adams". The signature is written in a cursive, slightly slanted style.

Robert R. Adams  
ILCA President

# Officers of the International Lightning Class Association

## PRESIDENT — Robert R. Adams

Bob has raced Lightnings since 1949, having competed in 22 of the last 25 NA's and in 3 World Championships (Naples, Buffalo and Salinas).

His first of six Lightnings was #2457, purchased off the floor of the New York Boat Show and jointly owned by and co-skipped with his sister, Marge Adams Alexander. He met his wife Tay (the former Thayer Reisner of Milwaukee and Gull Lake Y.C.) at the 1954 Internationals, and she has been his steady crew since 1958. The Adams have three young sailing daughters - Jenny, Bonnie and Chris.

Bob has served the class in the capacity of CAD Commodore, V.P. Publicity, Chairman IRC, Treasurer, Assistant and Chief Measurer. He was a member of the Executive Committee for two years prior to becoming President.

A graduate of Princeton University in 1957 and Wharton Graduate School in 1961, he is Vice-Chairman of Roselon Industries, Inc., a publicly held textile manufacturer.

The Adams are members of Fleet 3, sailing at Barnegat Bay, New Jersey, the Bay Head Yacht Club, site of the First International Lightning Championship.

## SECRETARY — John S. Schneider

Since the time John first started sailing the Lightning at Buckeye Lake in Ohio, he has moved more than any other Lightning owner of record. Taking his boat along each time, he has belonged to the Ohio, Dixie, and Metropolitan Districts, serving as Commodore of the latter for two years.

John's first Lightning was 5559, he now races 13003, with five other boats between. His wife, Nancy, does not sail but tolerates new boat and sail purchases and the countless hours John spends with his boat. She renews Lightning acquaintances during the trips to World Championships and will be along on the trip to Switzerland.

He devotes any spare time to his investment firm in New Jersey.

## CHIEF MEASURER & VICE PRESIDENT — David O. Peters

Dave has sailed Lightnings since #1214 appeared in his family's drive when he was two years old.

In 1969 Dave purchased his first new boat, #11055, and graduated from the University of Michigan's College of Architecture. He has had two more boats since then, and is currently sailing #12754.

On July 17, 1971, Dave abruptly pulled out of the fourth Michigan District Championship race to dash to the altar to be on time for his wedding. With his new bride, Carol, ("Shrub") he left for the Lightning Worlds in Helsinki, three days later. Since then, Dave and Carol have not missed a Worlds. Dave was honored to be part of the 1973 World Championship team, crewing with Bruce and Pam Goldsmith.

In August, Dave won the President's Cup in Sheboygan, Wisconsin, and in September, Shrub gave birth to a third generation Lightning skipper, Jonathon.

Dave has served as Michigan District Commodore, Secretary/Treasurer, and District Measurer. He has also served as an I.L.C.A. Assistant Measurer and Vice President.

Dave is currently a partner in the architectural firm, Fry/Peters Associates, and president of F/P Development Co., Inc., a construction management firm. Both are in Ann Arbor, Michigan.

The Peters are members of Fleet 374, located at Douglas Lake, near Pelston, Michigan.

## TREASURER — Donald P. Delorme

Don, a gynecologist in Virginia, has been sailing Lightnings since 1963. In that time he has had five Lightnings including 12863 his present boat. Don and Wanda's children are Becky 13, a budding ballerina, who sails occasionally and Donald 10, who likes it light and calm.

Don also sails a Soling but likes the Lightning Class and people best.

# XXII SOUTH AMERICAN LIGHTNING CHAMPIONSHIP

By Javier Pascuchi

For the fourth time the ILCA South American Championship was held at Olivos, Buenos Aires, on 16/23 October 1976. The Championship was organized by the Argentine Lightning Association and the Yacht Club Olivos. Other clubs, particularly the Club Nautico Olivos and the Club Universitario Buenos Aires, cooperated in the organization. Alberto Migone was kind enough to accept the post of Chairman, and thanks to his experience, the work done by the Race Committee was flawless.

As is customary, each country was allowed to send up to six crews. Only Argentina and Chile raced with six boats. Five crews came from Brazil, and one each from Uruguay, Peru and Ecuador. Most of the Chileans and Brazilians trailered their own boats. The delegations from Peru and Ecuador missed shipping their boats on time, due to a change in schedule of the shipping company, and for that reason only one crew came from each country, and sailed on borrowed boats. The crew from Uruguay also borrowed a boat, since their fleets do not possess fiberglass lightnings.

The boats that were lent were made of fiberglass in Argentina, and with the new oval spars, proved to be competitive. It must be pointed out that we were able to obtain a special import permit for fifteen fully-rigged oval spars, because of our responsibility as hosts to the South American Championship. We were then able to lend eight, and assign six to the Argentine delegation. All boats raced with oval spars. We are most grateful for the help given to us by Bob Smither on this matter, and Jack Mueller's successful effort to deliver the masts from Cleveland to Buenos Aires on very short notice, since otherwise we would not have been able

to lend competitive boats, nor equip our own boats adequately for such an important event.

The Olympic course was selected for all races, and it was set in front of Olivos, at the exact location where the '69 World's was held. The Olympic course was favored by most participants, and furthermore Alberto Migone argued that the usual shifts in the local winds turned either the second or the third leg into a very tight reach, so that it was not a good idea to use an equilateral course.

On Saturday 16th, registration and measuring got under way, but nobody could practice much since there was practically no wind, until a "Pampero" blasted through at about five in the afternoon. On Sunday, the first tune-up race was started at 10:00 AM in a strong offshore wind from the South, of about 30 knots. Most of the fleet had abandoned by the time Claudio Abramowitz led the way at the windward mark, and the race was shortened to three legs. The second tune-up race was cancelled because the wind increased well above the class limit.

The first Championship race started on Monday at 2:00 PM, in a gusty breeze from the South, which oscillated between 5 and 20 knots. The Brazilians Robert Buckup, Claudio Abramowitz and Walmor Gomez Soares tacked towards the shore - the usual tactic in such conditions - while all the locals, with the exception of Carlos Collet, went the other way for reasons unknown. The three Brazilians finished in that order, followed by Manuel Gonzalez (Jr.) from Chile and Mario Isola, who made a good comeback. The gusty wind caused two capsizes and some sudden planes, but as was shown by Collet, who fell back to eleventh place, one had to stick to the starboard (shore) side on all the beats.

*Winning crew Hans Flesch, Karl Dieter Wolf and Robert Buckup.*

On Tuesday there was practically no wind at 2:00 PM, but at 3:00 PM a light breeze from the Southwest settled down the race was started. Joaquim Bello from Brazil, Carlos Collet, Alberto Gonzalez from Chile and Javier Pascuchi from Argentina rounded the windward mark in that order. It seemed for a moment as if the general standings were in for quite a change, but in a few minutes a dark cloud in the Southwest leaped on us, and suddenly Juan Santos from Ecuador, German Maldonado from Chile and Javier Pascuchi were swimming, a penalty for not lowering their spinnakers fast enough. The rest of the fleet was planing towards Uruguay (40 miles across the river) in a 40 knot gust with plenty of rain and dark skies. Fortunately, (and unusually), half an hour later the cloud was gone, the wind stopped, the sun came out, and we all had to be towed back to the port. Fortunately, there was no damage in any boat.

Wednesday turned out to be a more typical day. A ten to fifteen knot onshore Easterly produced a difficult chop in the lulls, but was more relaxing to sail in. Pascuchi and Gomes Soares led at the windward mark by having tacked at every header all through the beat.

The fleet spread out in the reaches, but was bunched together again in the second beat, as the wind diminished. Gomes Soares, Manuel Gonzalez, Rufino Melero from Chile and Pascuchi started the downwind leg in that order, but during the last leg while the wind increased slightly, Pascuchi recovered the front position, as Gomes Soares covered the Chileans, coming in second. Robert Buckup finished fifth, and Mario Isola thirteenth, with little chances of winning the championship at that time.

Two races were held on Thursday. Mario Isola won the first in an eighteen knot Northerly, and was followed by Robert Buckup, Gomes Soares, Abramowitz, and Collet. M. Gonzalez finished tenth, and Pascuchi eleventh. In the afternoon race the wind increased to 25 knots, and produced a short chop which could easily be handled in the heavy conditions. Buckup was the leader this time, followed by Gomes Soares, Abramowitz and Isola. Pascuchi had another bad race, as he rounded the windward mark second and fell back to seventh, and Isola missed a sure second place because of an ill-timed jibe in the downwind leg. Manuel Gonzalez finished tenth.

With two races to go, Buckup had a comfortable margin. Isola, Gomes Soares, and Abramowitz were fighting for second place, and Pascuchi and Manuel Gonzalez had fallen behind and were candidates for fifth.

On Friday the wind still blew from the North, but with less force, with gusts of about eighteen knots. Buckup and Pascuchi were one-two at the windward mark, followed by Rodrigo Zuazola from Chile and Isola. Isola climbed to second in the third leg and stayed there, while Jose Blanco from Argentina and Alberto Gonzalez managed to place third and fourth by moving fast in a slightly less windy last beat, and were followed by Pascuchi and Zuazola at the finish. Abramowitz was eighth and Manuel Gonzalez ninth.

On Saturday morning the abandoned second race was resailed, in a gusty breeze from the Southeast, which soon built up fairly large waves. Buckup was already the Champion

*Walmor and Valero Gomes Soares ready to launch "Fpolis"*

and Isola had to place a boat between his own and Gomez Soares to place second in the Championship. The fourth place could be won by Pascuchi if he placed better than third and Abramowitz had a bad race. Things looked good for Pascuchi at the jibe mark as he was first, followed closely by Manuel Gonzalez, and Abramowitz had just abandoned because of a broken gudgeon. Gomes Soares and Isola were placed sixth and seventh. However, Pascuchi and Gonzalez luffed too much in the second reach and were passed by Collet. Gonzalez managed to get an inner position at the leeward mark, and he led Collet all the way to the finish. But Collet did not finish second by himself. Isola caught up at the finish line for a tie, coming in ahead of Gomes Soares, and sailed back to port convinced that he had lost the second place in the regatta, by a split second. However, Migone got busy re-reading the ILCA rules, and came up with good news for the local fans (and bad for Walmor): instead of splitting one point between them, both Collet and Isola were to be assigned two points, and consequently Isola was runner-up. Pascuchi managed to fall back to sixth in the second beat, and to stay in that position to the finish, where he trailed Buckup, so that Abramowitz ended up with a creditable fourth in the regatta (he raced a borrowed boat), despite his bad luck in the last race, and Manuel Gonzalez was fifth.

In summary we had a very enjoyable series with fair though difficult conditions. Robert Buckup won with a superb performance. Mario Isola managed to show his skill after a weak start, and Walmor Gomes Soares provided the big surprise, proving himself to be a very gifted tactician.

After the South American Championship, which took place in Argentina, I learn that the winner is to write an article on it. I'm happy therefore to report on the event with my observations.

Since this was my first sailing experience in Argentine waters I was very anxious to learn how it would come out. To our surprise we did find people of a long sailing tradition and well prepared to organize such an important Championship. I would like to emphasize the outstanding support given by the "Race Committee", the perfect course setting and excellent secretarial services provided. Adequate housing for the foreign delegations was also provided. In registering the overwhelming attentions received we have to take into consideration that Argentine's economy is currently faced with difficulties which did only allow for a small official help.

As I was fortunate enough in winning the Championship, I'd like to describe what in my opinion were the contributing factors.

Since I usually don't feel comfortable in using somebody else's boat, I had decided to take my own to Argentine. Easy to say but not easy to do! I had to drive both ways, about 5.000 km. in total. It is worthwhile to mention that our roads are not quite equal to European or U.S.A. highways. A good advice to whom wishes to embark on such a trip: carefully prepare your boat-trailer and check thoroughly the hitch and other details to ensure a smooth ride and a safe arrival.

Another factor contributing to our success was the crew teamwork. Hans Flesch has been sailing with me since we first started on the Flying Dutchman 16 years ago. Dieter Wolf has been two years with us and adjusted well to the boat. There is little need for instructions on board; all tasks are automatically performed. Also important were the three week vacation which allowed enough time to attend the Championship and

the up/return travel. In doing so and in my wife's company I was rested and unconcerned when we arrived in Buenos Aires and back in Sao Paulo.

As far as the course was concerned I can only praise it, however some attention had to be taken with the tide flow in the Rio de la Plata since there it becomes influenced by the winds, natural river stream and the ocean tide. During 24 hours there can be no tide effect at all and in the next 12 hours it ebbs and flows as much as 1.50 meters.

Winds were excellent except for the SW blowing from the city with up to 30 degree shiftings. We had been warned by our Argentine friends against the "pampero", unusual strong winds originated at the Andes which strike without giving prior notice. It was difficult to believe, but when the second race was cancelled for this reason we did quickly realize what "pampero" means. Blowing at forces from 8 - 25 miles we had NE winds the following races and South wind on the last race. The U.S.A. fiberglass made boats showed an absolute superiority here.

All boats were equipped with oval masts since 18 of them were delivered in B.A. just a few days prior to the South Americans. Thus the equipment made available was the best.

Concerning the competitors I'd like to mention my friend Mario Isola. Knowing Mario for almost six years since the South Americans in Rio de Janeiro, I did see in him my most direct competitor and possible winner. Last year Mario obtained the bronze medal at the Pan American games in Mexico while I got only the 5th place. I believe he was concerned with any extra-regatta problem at the beginning, but he recovered remarkably in the end to take a 2nd. The two great absences were registered for Mario Buckup of Brasil and Andres Lisocki of Colombia. Chile attended with 6 boats, Argentine with 6, Brasil 5 and Equador and Peru with 1 boat each. A pleasant surprise was Uruguay also participating with 1 boat. We sincerely hope that this represents the beginning of the Lightning Class activity in this neighboring country.

# IMPRESSIONS FROM THE CANADIAN OPEN '76

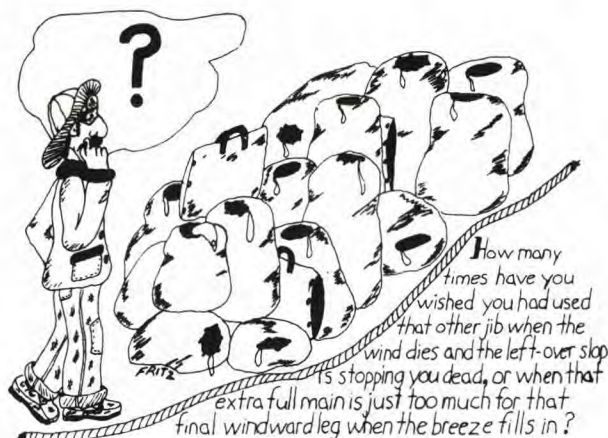

by Max Ahlfors

The 1976 Canadian Open was held in Hamilton, Ontario, July 30th, 31st, and August 1st. Hosted by the Lightning Fleet of the Royal Hamilton Yacht Club, the regatta was sailed on the Hamilton Bay, a body of water condemned to die, but staging a remarkable comeback through efforts by various groups of individuals, industry, and government who have achieved some measure of success since none of the fine glass boats melted upon contact with the bay water.

The Canadian Lightning fleets were well represented by D. Black from Kelowna, B.C., Norm Clegg and Bill Benson from Winnipeg, Man., Russ Scrim from Montreal, Quebec, Dave Kopec from London, Ontario, a very strong contingent from Toronto headed by Ken Inglis, Pete Sulman and Ron Cochrane, the local fleet led by Larry MacDonald, Jr., and many other Canadian Lightning sailors. Then, there were our friends from U.S.A., Stu Anderson, Tom Allen, and the Bryants from Buffalo, N.Y., the indomitable pair R. Hallagan and Fisk Hayden from Sodus Bay, N.Y., Don Delorme from Virginia, to mention few of the dedicated Americans who time and time again lend their skill and prestige to our national event, thus giving substance to the rumor that the Lightning Class is alive and is the class to sail in.

Those of us who sail on Lake Erie are too familiar with what can happen when you get caught with the wrong sails up. So after two years of thorough testing on the world's most fickle lake, we are able to offer you a suit of sails that will put you in the lead and keep you there, no matter how often the conditions change.

Let us take the worry out of having to outguess the wind; sail with **THOMAS** and be ready for anything.

The competitors were met upon arrival by our one man welcome committee, Larry MacDonald, Sr., who directed them to the parking and measuring area with some friendly, inimitable MacDonald humor, where William "Bill" Hunter and Tom Robertson measured boats, rigging, and sails in an efficient and least inconvenient manner.

The tone of the regatta was set at the skipper's meeting where the race committee chairman Harold Boyce requested that he not be applauded for he intended to run a tight regatta in which early starters and recalls would not be tolerated; needless to say that from there on the skipper's meeting was unusually quiet; and after the meeting, skippers were seen heading for their boats with an air of incredulity and apprehension about them, asking themselves – did he really mean that? In any event, Harold and his committee did an excellent job in somewhat difficult conditions caused by unusual weather patterns for the locale.

The races were dominated throughout the three days by northerly, shifty winds of generally moderate velocity, which resulted in relatively high scores and no run-away winner; even local skippers, praying for the more familiar westerlies, were stymied by the thirty degree wind shifts – and then there were some major shifts. One race was won by a lake freighter, a veritable wall of steel a mile long, which sailed hooting through the fleet, impervious and ignorant of the blasphemy and vindictiveness emanating from the fleet caught on the wrong side. Another race, the third, was abandoned when the fleet, warned by the race committee, scurried for shelter from the starting line as a vicious thunder squall rolled across the bay; your correspondent found shelter in a huge concrete mixer in the pleasant company of Dr. Jeff Penfield (Fleet 164, N.Y. District).

Although Canadian sailors exhibited flashes of brilliant sailing in every race — there was much jubilation amongst our sailors when Pete Sulman took the lead in the first race — they could not contain the onslaught of their American adversaries who, we hope, were compelled to put out their best to win; even the eventual winner, Richard “Dick” Hallagan, had to finish well in the last race to become the overall winner. But we will try again in 1977 at the Lake of the Woods, Ontario, even if we must paint our boats grey and confiscate all road maps so that Dick Hallagan, who seems to be making a career of winning our national event, cannot find Kenora.

Perhaps the most rewarding aspect of the '76 Canadian Open was the fact that some young skippers did very well. The class has been occasionally critized for being somewhat long in the tooth; a class sailed and dominated by old persons, and failing to attract young people. Witness, Larry MacDonald, seventeen years of age, second place finisher in the 1976 Sears Cup, 1976 Canadian champion and qualifier, together with Ron Cochrane, for the 1977 Lightning World Championship to be held in Switzerland, as the Canadian representatives. And let us not overlook the young Bryants who have already established themselves as sailors of some excellence and

consistency thereby giving the old timers some moments of genuine concern on the race courses. Let us not forget the many young crew who are making an invaluable contribution to the class and their “old” skippers.

In conclusion, the members of the host fleet extend their congratulations to the winners and all participants; we hope that everyone had a good time in the Steel City, and perhaps, we will meet again someday in the future to test skin friction against each other.

## 24th European Championship

by H. K. Rahn & U. Wyler

*Editor's Note: Reprinted from Flashes.*

Fierce competitive spirit in view of next year's Worlds in Switzerland, but also relaxed fun are the catchwords of this European event successfully brought to conclusion during the Swiss summer holiday season.

The series also served as organizational tuning up for the Swiss Lightning Class officials trusted with the Worlds 1977 at Spiez on Lake Thun in Switzerland.

The setting was beautiful. Lake Neuchatel, 30 miles long and the largest completely within the country, presented itself to the eyes of the participants under a hot blue sky, the final period of the longest drought of Europe in history. The northern slopes of the Jura mountain ridge were rather yellow, the upper parts woods and the lower parts towards the lake sometimes spotted with vineyards. This year's wine should be one of the best in history, we frequently heard from the local people.

With 38 boats coming from 4 nations the participation was considered quite good. Unfortunately, Greece was absent, the same as last year, something we regretted very much as they always have been delegating crack competitive teams to the Europeans frequently winning the title. But it was a great pleasure to welcome 8 teams from Finland and 6 from Italy, coming from as far as Sicily. Sicily and Finland are 3,500 miles apart. And then, we welcomed our special guest, ILCA-President Robert K. Smither who was flying US-colors at the Championship.

Thorough measurement of various boats parts only pointed to minor differences, easily to be corrected. The sail measuring put quite a few people working on their reaching spinnakers, as they were too narrow at the upper measurement point.

### **Racing**

On Sunday, July 11, the training race was started in pleasant wind conditions blowing regularly from northeast. The best crews did not uncover their cards during that race and it could not lead to any conclusion.

After the race the Championship was formally opened at the clubhouse of the Grandson port, which is opened to the public with its restaurant facilities, Swiss democracy not permitting for many years private property or buildings at the lake shores. After this ceremony the new Europe Lightning was formally presented and baptized "Santa Fiamma". A proud builder of the plug with its crew was standing nervously at the side of the beautiful result of his efforts, which was made from December 1975 through July 9, 1976, barely seven months to produce plug, negative and a prototype. The huge pressure left clear marks on Rudi Fluhmann, who arrived tired and without any training the night before with his new boat and sails at the Championship.

### **1st Racing Day**

Strong thunderstorm rains delayed the starts until the middle of the afternoon, when a fine western wind blowing between 10 and 14 knots came up. Quite some crews had difficulties at the leeward marks. First at the weather mark arrived the Swiss crew Lanz just ahead of Wyler, followed by Bernasconi and a new Lightning fan Dupasquier. The course of the race, during which the wind lost some of its force, the middle field of racing teams experienced some considerable changes in position due to changing winds. Last year's Champion Ruuskanen who started badly was able to gain position after position and ended third after Lanz and Wyler, followed by Bernasconi and Dupasquier in fourth and fifth place.

### **2nd Racing Day**

Again thunderstorms in the morning. Departure from the port at 10 a.m. and start after some westwind came up, which immediately was annulled after a major change of wind direction. Second start at 12:15 p.m., also a flop and called up before finishing the first triangle. Because of threatening thunderstorms the day was closed for racing.

In the evening we gathered at a very happy and pleasant cocktail party offered by our former vice president Claude Lambelet and his wife Dina in the beautiful setting of Boudry Castle. At the following late evening dinner gathering a dozen crews, the Stocker brothers presented the "You never know" song of their boat. Great fun and lots of applause for the most entertaining crew of the Swiss Lightning Class.

### **3rd Racing Day**

A light northeasterly wind made the crews jump into action at 10 a.m. and the second race was started. However again, not much luck because of wind changes and the race was called off. We appreciated very much the straight forward and consequent stand of the racing committee, looking for fair

races and not for a forced completion of the races.

But at 1 p.m. a fresh northeasterly wind put us back into action. This time the best start was obtained by Rahn, followed by the Finish boat Paloma who were both leading the race at the first weather mark in front of Wyler and Schar. On the second beat Rahn lost a few places on a bad tack. The surprising winner on this leg was Dupasquier, who moved up to the first place, followed by Ruuskanen, Wyler third, and Rahn fourth. The three leading boats kept fighting for their position but Dupasquier clearly led the field until the end.

The winds keeping good, a new race was started at 5 p.m., but during the race winds kept getting lighter and lighter and 100 yards before reaching the finishing line, died down completely. In front was Rahn, ahead of Wyler, Dupasquier, Luthi and Ruuskanen.

### **4th Racing Day**

Finally, a fine northeasterly thermic wind was blowing already early in the morning at 4 knots per hour. The best start was made by Monnier on the leeward side of the starting line and he was dominating the first weather beat until the mark. Tacking on the right side was quite important as the winds along the shore were blowing at least 1 - 2 knots stronger than in the middle of the lake and, therefore, even good boats arrived in medium position at the first weather mark. Top crews were Monnier, Paloma, Lambelet and the Finish crew Pyy who in the first and second race fought an unsuccessful battle. This race was won by the Finish crew Paloma ahead of Lambelet and Monnier.

The next race was immediately called and our crew Stocker started with a risky but successful starboard-tack. Most boats having the wind conditions of the day before in mind tacked over and tried as quickly to reach as possible the vicinity of the shore. First at the weather mark was Pyy in front of Wyler followed by Dupasquier, Smither and Rahn. Finally, Smither found the tuning for his boat and started to be seen at the top of the fleet. The first and second boat were racing for the rest of the course a race for themselves and continuously increased the distance between themselves and the rest of the fleet. Pyy crossed the finishing line first, followed by Wyler, Smither, Dupasquier and Rahn. Ruuskanen had to give up because of a collision.

After this long hot day all teams jumped into their cars and a fifty car strong procession wound its way up into the Jura mountains where, in the midst of wood with beautiful view to the lake and the lowlands of Switzerland, a happy fondue-party got on the way. Swiss wine did the rest for a good party.

### **5th Racing Day**

After four races sailed it was not yet possible to go beyond speculations regarding the winner. Wyler was leading with 14 points in front of Dupasquier with 21, Paloma 28, Rahn and Hess with each 31 points.

Towards noon westwinds with 6-8 knots an hour were inviting for the fifth race. Shortly after the start Wyler had to give up having been moved into a tactically impossible situation. At the first weather mark Rahn passed, followed by Smither. Both boats sailed much too high a reach and

following boats, headed directly for the second mark passed by. This tactical error cost them lots of good positions and the race was won by Pyy, followed by Dupasquier, Lambelet, Smither and Hess.

The wind conditions permitted the last race to be sailed the same afternoon. The race was going to be decisive for the first places, since various options were still open to contestants. Dupasquier, a Lightning newcomer but formerly successful sailor in another class was leading, Wyler with 2 points considering the throw-out. Right at the start, Ruuskanen unfortunately had a collision and left the scene. This incidence cost him a top position. Lanz and Dupasquier got a very good start and were leading at the weather mark in this sequence, followed by Lambelet and Wyler.

It should be noted that three races were sailed on olympic course and, for the first time in Switzerland equilateral Lightning courses were sailed, the feeling improving in our country that there can also be fun on this kind of race course.

At the second mark Wyler touched it with his spinnaker pole and had to round again the mark, losing 10 places. During the second beat the duel started between Dupasquier and Wyler who was able to improve his position again after the

incident. On the first reach of the second round the unbelievable thing happened. In a match for positions Dupasquier's boat was touched and he left the scene just in reach of the first overall classification. This incident left a lot of bad blood and quite a few wounds had to be patched up in particular since all these races were held at fairly high temperatures. After this change of the situation the way was open for Wyler to smoothly sail his course with a safe championship in the bag. Pyy, third in the classification was way behind and did not threaten Wyler at all. On the last weather beat, with declining winds, Wyler was able to catch up on a few boats and finish the race second. First was Lanz, third Bernasconi, followed by Lahdemaki and the Italian Merola.

Tired from all the racing and rather dried out, the crews reassembled and left for visiting a beautiful wine cellar in the area, owned by the Dupasquier family. The cool cellars were indeed a place to stay as long as possible.

All in all the races were a memorable event, new friendships and old ones renewed. Next year we will all meet at Numana near Ancona on the Adriatic and enjoy sailing European Championships on the seaside.

# **SUPER SHORE SHOWS THE WAY AT SHEBOYGAN TO HIS 2ND NORTH AMERICAN CHAMPIONSHIP TITLE**

by Ed Roseberry, Jr.

The Bicentennial North American Championship gave the 99 eager contestants everything possible in terms of wind, weather, and current on Lake Michigan's West shore at Sheboygan, Wisconsin.

The Sheboygan Yacht Club Committee, headed by General Chairman Ken Hanson, gave us a superbly organized Regatta. The measuring was efficient, meals well planned, and hospitality wonderful. The committee's Headquarter Van even broadcast weather information throughout the Regatta. Many thanks to all the fine people at Sheboygan for a great week of sailing.

## **Qualifying Series**

The first qualifying race was a real Lake Michigan Northerly with winds up to 25 mph and giant seas rolling down from Mackinaw. Approximately 25 boats were disabled, including 2 boats which turtled and drifted onto shore so badly damaged they had to be withdrawn from the Regatta. The next day there was a 3 - 4 mph North to South current left over. It was obvious current would be an important factor in the Regatta. The other 3 qualifying races were in moderate air, with enough chop to keep you guessing whether to set a flatter, pointing sail shape or a fuller driving shape.

Jim Dressel, assisted by wife Nancy and Greg Fisher was low qualifier with 4 points, followed by Bill Shore's 5 points with wife Bonnie and Bill Hartnett. Jay Lutz, who had just finished Runner-Up at the Junior North Americans, was third qualifier with 5 points, with crew Tom Schon and Dave LaPier.

Current World Champion Mario Buckup, from San Palo, Brazil, was a welcome addition to the Regatta, assisted by Ralph Christian and Joaquim Feneberg. Another South American, Javier Pascuchi, made the Championship Flight. Both used borrowed boats.

Defending Champion Bruce Goldsmith, who had won the last 3 North American Championships did not, as usual, have to enter the qualifiers. The Great Goldsmith, and his crew Pam and Paul Adam were favorites - but strong challenges were expected from Mario Buckup, Bill Shore, and Jim Dressel.

## **1st Race, Tuesday, August 17th, A.M.**

The high had clocked the wind to the East at 3 - 5 knots, with flat seas and the left end slightly favored. A group who started in the middle of the line including Shore, Jackie Mueller, Goldsmith and Allen played the center of the course for the first third of the beat. This group then worked to the right which began to get better as the wind shifted and filled in from the Southeast. Jim Neville, on the last port tack lift of

the morning, crossed a pack of boats on the starboard lay line for first at the weather mark. Mueller, Shore, Goldsmith, Roseberry and Allen crossed on the same shift and rounded in that order. Positions remained unchanged on the broad reach except for Fisk Hayden moving up to 6th. Due to the 45° Southeast windshift the 2nd reach was very tight followed by a short port tack and then starboard tack parade to the finish, as the Race Committee had shortened course. Jim Neville, with sister Candy and Doug Bargar were the winners, followed by Mueller, Shore, Goldsmith, Roseberry, Hayden and Allen. Heavies Mario Buckup and Jim Dressel, finishing 22nd and 23rd respectively, were casualties of the shortened course.

## **2nd Race, Tuesday, P.M.**

The wind had settled in the South at 10 - 12 knots and seas were choppy. Many skippers planned to work to the right side of the course since it was best in the morning race. Jack Elfman started at the pin end and carried a long starboard out the left of the course, tacked onto a port tack lift in heavier air, and had a huge lead at the weather mark. Jim Carson worked to the right center for 2nd at the weather mark followed by Gordon Ettie, Jim Neville and Stu Nickerson. Shore was 9th with Mueller, Goldsmith and Allen in the 20's. Positions didn't change much throughout the rest of the race except for Shore working up to 6th. Elfman and his crew George Gaynor and Joan Frazee continued their horizon job, followed by Carson, Ettie, Hayden and Nickerson. Shore now looked unbeatable with 9 points, followed by Hayden with 10 and Neville with 11. Buckup, Dressel, Goldsmith and Allen were in trouble with 30, 32, 32, and 33 points.

A pattern was developing in the 2nd race's moderate air. Everyone's upwind boat speed was fairly equal. It was imperative to pick the correct side and play the subtle shifts perfectly on the first beat - or you were doomed to the "tank". Who can remember when Champions Goldsmith and Allen finished 28th and 26th in the same race, with good winds? Or, are the amateurs getting better?

## **3rd Race, Wednesday, A.M.**

Winds were 10 - 12 knots from the South with lumpy seas. Bill Shore worked his way up the left center of the course, tacked on some small shifts, and consolidated on the fleet beautifully. He was first at the weather mark, opened up on the tight reaches, and cruised to his first bullet. Jay Lutz was 2nd, Elfman 3rd, Hayden 4th and Jim Dressel 5th at the weather mark. Dressel moved up on the reaches and played the shifts on the left on the 2nd beat to work up to 3rd place. Lutz glued on Dressel on the last weather leg for his 2nd with Elfman holding his 4th and Hayden 5th. One thing became apparent to the author on the tight first reaches, as the wind

Lots of action after the start in the N.A.'s.

picked up and the current swept you towards the gybe mark - the Dymac Spinnakers are much better on a tight reach! The author was Dynac-less.

The top 4 now were: Shore - 10 pts.; Hayden - 15; Bob Hutchinson - 34; Jim Dressel - 35.

Now the big question - Who is "Fisk" Hayden? Can he hold up? Well - "Fisk" is a quiet family man of 35 years who is Director of Food Services at a Syracuse, New York hospital. Fisk has been sailing Lightnings since his teenage days, and has been Dick Hallagan's main challenger for supremacy in the Central New York District. Fisk has sailed in many North Americans, but never like this. Maybe it's his crew - Bill Dodge and Linda Penfield. Linda is the daughter of Dr. Jeff and Kathy Penfield, the other "heavies" in Central New York.

#### 4th Race, Wednesday, P.M.

Winds had increased to 22 knots with 5 foot seas. Halfway up the first beat Stu Nickerson, Bill Shore and Ed Roseberry were well ahead and rounded in that order, followed by Bob Hutchinson and Bruce Goldsmith. Hayden was 30th. The first 5 positions remained unchanged on the freed-up planning reaches. Shore worked into 1st at the 2nd weather mark, followed by Nickerson, Roseberry, Fisher and Goldsmith.

35 Boats 36 DNF/DNS 37 DSQ

Hayden passed 6 boats on the reaches and 6 on the beat to move up to 18th. Shore opened up a good lead on the 2nd broad reach followed by Roseberry, Nickerson, Goldsmith and Fisher. Shore moved out for his 2nd first place finish, ahead of Nickerson, Fisher, Roseberry and Hutchinson. Fisher and Hutchinson made good gains on the left side of the last beat, where the wind was heavier than the right shore side. Hayden continued his remarkable comeback, passing a few boats on the reaches and a few upwind for a 13th place finish.

After 4 races the points were: Shore - 11; Hayden - 28; Hutchinson - 39; Nickerson - 41; Lutz - 46; Dressel - 46.

#### 5th Race, Thursday, A.M.

Southerly winds at 10 - 15 knots, lumpy seas, and a strong south to north current after the heavy south wind Wednesday. Bruce Goldsmith and Jack Mueller finished first and second. Shore was sixth and Hayden tenth. Unfortunately, the finish mark started to drift away as the leaders finished and the Race Committee abandoned the race. The winds had increased throughout the race, with a tight first reach, and the weary warriors went back to leeward for the 2nd race of the day. The 2nd race made it particularly tough for Hayden, who had a light crew, and would have to hold off the "heavies" for another race. Elfman, Mueller, and John McIntosh started this one at the unfavored committee boat end and tacked to port

immediately. They continued almost to the layline on port tack, toward the shore where the current was less than the left sea side. They rounded in that order followed by Lutz and Goldsmith, who also took long port tacks immediately. Hayden and Shore, who were bucking the swifter current in the center, were 16th and 18th at the weather mark. The angle was off on the first reach making it super tight. Some skippers went high first and popped their chutes, some went low with chutes and reached up with jibs, and others slugged it out all the way with spinnakers up. Mueller got by Elfman on the 3rd leg, a broad reach and earned his bullet, assisted by wife Nancy and Tom Rocks. Since no one dared to go out in the Lake, the other 2 beats were somewhat of a port tack parade to the layline, making it easy for the leaders to cover. Elfman, Lutz, Goldsmith and Dressel rounded out the top 5. Shore was not to be denied with a great comeback for a 7th place in this race. He gained the most boats by going super fast on the reaches, as always. Hayden finished 17th.

The dedicated Bill Shore, sailing with unbelievable consistency in the tough fleet, won the N.A. crown with 18 points, the greatest margin in years. Fisk Hayden was runner-up with 45 points. Stu Nickerson, with sister Amy and Sean Campbell was 3rd, Jay Lutz 4th and Jim Dressel 5th. It was great to see 3 new faces in the top five. Will it happen again at the Worlds in Switzerland this July, or at the North American's in Buffalo?

# PRESIDENTS' CUP

By Georges Peter

Dave Peters, current ILCA Chief Measurer, with crew Dave Sprague and Jane Allen won the 1976 Presidents' Cup by two points over Fred ("Bud") Hamblet of Keene, New Hampshire. Dave, who is a successful architect, and a rabid Michigan alumnus from Ann Arbor and Fleet #374 is no stranger to the winner's circle in major Lightning events. Crewing for Bruce Goldsmith, Dave has helped Snoopy win the 1973 World Championship and the 1976 Southern Circuit title.

This keenly-contested Presidents' Cup was not decided until Peters crossed the line in the final race ahead of Hamblet by several boat lengths. In the fifth race the veteran Hamblet, who was consistently among the leaders at the first weather mark in each race, led Peters until late on the second leg when good spinnaker work enabled Peters & Co. to drive over him. Hamblet and his crew of son Flip and daughter-in-law Jeanna fell back to seventh, but this trio refused to quit and charged back in the final upwind buck in a comeback bid that barely fell short of a dramatic win.

The first race, the only one sailed in moderate-to-light air, was won by Tom McDermott and his crew of Barry Wilson and Trip Buckles (a Mueller factory team). After one recall (that a red New England boat probably caused by being over the line at the Committee boat with five to ten seconds to go and blocking their view), the early leaders were those that went far right and gained the expected southerly slant to the prevailing morning easterly of Lake Michigan. Jon Schwartz lost an early lead when the 20 degree shift caused him to overstand the weather mark. McDermott rounded first, followed by Eric Larson, Hamblet, Dr. Chuck Maltbie, and Al Mast. The breeze continued to haul to the right, turning the first reach into a run. Maltbie, Dr. John Esser, and Andres Lisocki moved up on this leg while Hamblet fell back. On the third leg, which had become a very tight reach, most boats doused their chutes early and wisely stayed high. No major position changes among the leaders occurred. With this wind shift, the windward mark on the fourth leg could be barely fetched in one tack, and the Race Committee fired the guns to shorten the race to four legs.

After lunch the breeze characteristically had filled in from the southeast at 10-15 mph, with a moderate chop. Mike Huffman took the favored leeward end at the start, immediately tacked and crossed the fleet on a long port tack to the right corner. Georges Peter followed suit but stayed just inside of him. Halfway up the first leg, however, the left side appeared favored and produced the leaders at the first mark, Steve Thomas, Hamblet, and Glen Carlin. Peter, Mast, and Dave White followed. On the two reaches Schwartz, with excellent crew work from "The Brain" and Carlos Lecaro, moved from ninth to third. On the second beat Carlin found the gold in the right corner that Huffman hoped for earlier and moved into a commanding lead that he and his crew of Cameron Carlin and Dave Sinko never relinquished. Schwartz picked up Thomas on the same leg and held second the rest of the way. For the rest of the pack, upwind gains came much harder and required judicious tacking on the 10-15 degree

headers. In a very close finish Hamblet (3) edged John Schneider (4), Thomas (5), and Peter (6).

Thursday's breeze filled in early with a 12-15 mph southeasterly and a moderate chop for the morning race. Hamblet led at every mark after gaining an early lead by holding the lifted port tack the longest. At the first mark he was followed by Huffman, Peters, Carlin, Nick Smith, McDermott, Schwartz, Peter, and Dave White from Portland, Maine, who showed flashes of brilliance throughout the series. Peter picked up a boat each leg and two on the final one (and nearly a third at the finish line) to finish third behind Hamblet and Carlin.

For the fourth race, the breeze had picked up to 20 mph with considerable sea, gently reminiscent of the rough first qualifying race five days earlier. Andres Lisocki with his crew of wife Beatriz and Craig Farquharson took the lead early from the again favored left side of the course and led at every mark. The other leaders at the windward mark included Bryant, McDermott, Russell, Peters, Leigh Hopkins, ILCA President Bob Smither, and Penfield. Peters and the latter two moved up on the second weather leg to challenge Lisocki and Bryant. Smither had trouble rounding the second jibe mark and dropped out of contention. Peters closed on the final leg and almost hit Bryant when in bearing off on port tack to go below him, he lost his hiking strap and tiller and inadvertently tacked. Dame Fortune kept teasing Dave all week, but never let him get into irreverable trouble! The Columbian Lisocki, who represented his country in the 1975 Worlds and in the recent Olympics (470's) won the race, followed by Bryant (2), Peters (3), and Penfield (4). John Schneider (5) worked from tenth at the first mark to catch McDermott (6) and Russell (7) on the final beat. McKinley (8) did likewise after rounding the first mark 15th, Maltbie (10) caught five on the final beat, but the comeback award went to Huffman, who was 25th at the first mark and finished ninth. Schwartz finished 11th. Hamblet dropped from 11th to 16th on the final beat when the gruelling sea and breeze took its toll on his blood sugar metabolism. Peter (19) and Carlin (21) never recovered from their poor positions of 26th and 22nd respectively at the first mark. A protest between Lisocki and Bryant on a port-starboard incident was disallowed, and after four races

1. Bryant - 30
- 2.-3. Lisocki - 33  
Peters - 33

The final day produced conditions similar to those of the third race, but this time the right corner proved highly favored, which McDermott and his crew diagnosed perfectly. They started at the RC boat, immediately took a long port tack and established an insurmountable lead by the first mark. Smither, Esser, Maltbie, Russell, Huffman, Lisocki, Hamblet, Smith, and Peter followed. On the final beat, with the other contenders tanked and Andres Lisocki seemingly the series winner, the RC fired three guns to cancel all flights. Twelve boats headed ashore to pack up, and the rest, wondering what had happened, sailed back to the restart. The race had been

called after the finish line had drifted significantly during the finish of the Championship division.

In the resail the entire fleet went right after short starboard hitches to get clear air. Hamblet was followed by Peters, Larson, Peter, Hopkins, McKinley, Schneider, Schwartz, and Lisocki at the first mark. Hopkins initially held high to take advantage of the increasing breeze and by the end of the two reaching legs was first, followed now by Peters, Peter, Hamblet, and Schneider. Peter took the lead at the next weather mark from Dave Peters, who tacked too close at this mark and had to do a rapid 720 to remain ahead of Hamblet. Schneider and his crew of Karen Huntsman and Henry O'Hern overtook Peter on the tight reach by getting high early (akin to what Hopkins had done the first time around), lost Peter on the next reach but repassed him upwind when Peter's jib halyard got jammed. Peter, after getting his jib fully up, went left to clear his air. Schneider let him go in order to cover the rest of the fleet, and when they crossed again Peter had regained the lead by several boat lengths. However, this one was not over yet as Schneider drove way below Peter to take the favored end of the finish line (which may have drifted again) and nip Peter in a photo finish. Further back, Peters held off Hamblet in another close finish to win the series by two points over Hamblet and Bryant. The latter who was eighth in the final race lost the tie breaker, and he and his crew

of Jack Quigley and Carol Penfield had to settle for third overall. Schneider, a scant four points out of the first, finished fourth; and Jon Schwartz with a fifth in the finale took the fifth place silverware, one point ahead of Peter and Penfield. Lisocki dropped out of the running when he broke his second rudder of the week midway through the resailed race.

This year's winner, Dave Peters, adds his name to the roll of former winners that includes Karl Smither, Tom Allen, Hank Cawthra, Carl Eichenlaub, and Jack Mueller. Beginning the week without this regular crew, who had suffered a serious ankle injury, Dave was fortunate to find the experienced Dave Sprague, a skipper with both North American and World's experience to team with Jane Allen. She becomes the first of the third Smither/Allen generation to win silverware at the North Americans. Fred Hamblet, who also was runner-up in the 1971 Presidents' Cup in New Orleans and served the ILCA as a Vice-President and an Assistant Measurer from 1972-1974, sailed an excellent series, especially upwind. The other prize winners, Matt Bryant, John Schneider, and Jon Schwartz, and at least seven other skippers and crews were in strong contention throughout the series but could not match Dave Peters' overall performance. Congratulations to Dave and his crew as well as to Shrub Peters. She and Dave became the proud parents of a 6 lb. 2 oz. boy one month later. Nineteen seventy-six proved to be quite a year for the Peters.

# GOVERNORS' CUP — S. Y. C.

by Ralph Messersmith

*Editor's Note: Reprinted from Flashes*

We arrived at S.Y.C. on Wednesday, and the lake looked like Paradise after nearly 1,000 miles of corn, silos, and farms. We completed the measuring and weighing in record time, and were ready to practice. Little did we know how much practice we would get. High winds and heavy seas reduced the two practice races to four legs (thankfully). But, the same conditions in the qualifying series reduced some boats to bits and pieces.

We missed the green fleet by 3 points, so we were ready to do battle with our yellow banner. My crew thought it necessary to tear it to ribbons in order to cut down the wind resistance.

## Tuesday, AM, 1st Race

The light south easterly wind favored the weather end. We started close to the committee boat and tacked to port as soon as we cleared the starting line. After five minutes, the fleet was evenly split and we continued almost to the starboard tack lay line. We flopped to starboard and looked to be in the top five when the air started its move to the south. With a 20° shift, boats from the middle climbed up to the pin, with John Cuccio first followed closely by John Morse, Chris Hamblet, David Parker and Richard Guinan. The second and third legs found the lead boats holding their positions.

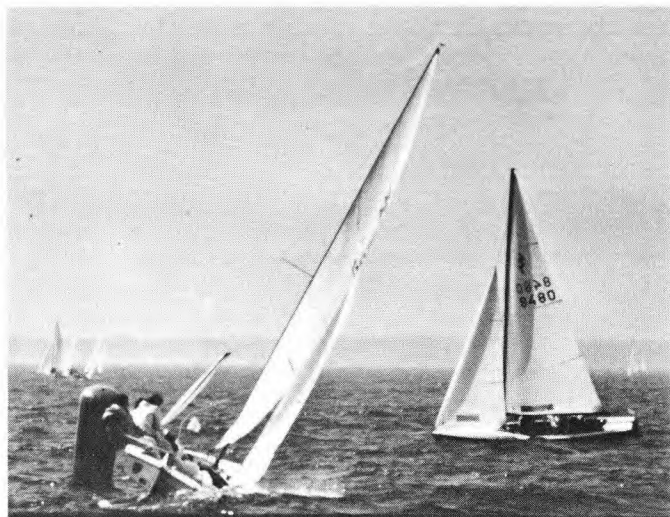

The race had now become a follow-the-leader. With no weather leg, the R.C. called it after the 4th leg. John Cuccio held on to win, followed by Dave Parker (who picked off two boats), Morse, Hamblet, and Guinan.

## Tuesday, PM, 2nd Race

After a hearty lunch of Brat and Beer, we headed out for the second race. The light air continued a pattern similar to the first race. The leeward end was slightly favored and we got away about 4:15 PM. (not yet time for cocktails, but close). George Buckingham found the right combination and won the race, going away followed by Hamblet, Greg Florian, Hank Hodgson, and Joe Friebele. The sun was well past the Yardarm when we got to the dock at 7:30. Let's hope this trend doesn't continue the rest of the week. We noticed that the U.S.C.G., next to the club, would fly the small craft warning at various times. These warnings didn't exactly bring the high winds, but with 525 lbs. on board, we were always looking for the red flag and hoping for a blow. Tuesday night has Hamblet in front by 6 points over Greg Florian, followed by Joe Friebele, David Parker, and Bill Wynn.

## Wednesday, AM, 3rd Race

Wednesday morning was bright with a good southerly breeze stirring up the chop. The R.C. was right on time for this one. Both the blue and green fleets went to the right toward the shore, so with an even starting line, the yellow fleet followed suit. We held the long port tack and felt sure we'd

round in the top three. But, Rich Stevens with Bill Cox's old *Zig-Zagger*, rounded in front followed by Friebele, Bob Klug, Bill Wynn, and Ralph Messersmith. We managed to stay high and caught some super surfers, and rounded the jibe mark in front. From then on, it was hike and hope that the boat stayed together. I missed the hiking strap on the next screamer, and went over the side. Luckily, Jim Schwartz yanked me back in the boat and Randy Dickerson grabbed the tiller and got us up on the next wave. We won it with Joe Friebele, catching John Cuccio on the last leg to get 2nd, Cuccio 3rd, Jack Burwell 4th after picking up 6 boats, and Hamblet 5th. Hamblet had 11 pts., Friebele 15 pts., Florian 19 pts., Wynn 20 pts., and Cuccio 21 pts.

## Wednesday, PM, 4th Race

The southerly wind was here to stay and it was building from 180°. The seas were going to give us all a workout. It's only natural for the yellow fleet to get a twenty-minute lunch hour, so with an extra brat, we were off. The leeward was slightly favored and the fleet quickly split after the start. The right side paid off for Jack Burwell who was first followed by John G'Sell, Chris Wurster, Ralph Messersmith, and John Cuccio. (Chris Hamblet was 6th). The tight spinnaker reach was made for our beef, and we moved up to 2nd with Hamblet, Cuccio, and Wurster close behind. Jack Burwell sailed a perfect race and won it with Cuccio 2nd, Messersmith 3rd, G'Sell 4th and Hamblet 5th. Chris survived a protest on the finish line and had a solid 7 point lead with 16 points. John Cuccio (23 points) was charging fast, and it was a toss up for the other three sports. (Friebele 32 points, Messersmith 33 points, and Florian 34 points).

## Thursday, AM, 5th Race

The southerly held a steady 180° and the line was even. George Buckingham and Marshall Walker went all the way right and did a horizon job on the fleet. But, 500 yards from

the finish, they were crushed to find that the race had been abandoned due to the finish marker drifting. So, back to starting line for another start. The 29 boat fleet was reduced to 16 boats. The leeward end was slightly favored and we managed to port tack the fleet. The long port tack to the lay line was the way to go. Hamblet rounded first with Blair, Messersmith, Florian, and Cuccio close behind. (Chris had it locked up at this point). The wind had shifted slightly to the east, which made the spinnaker reach a real knock down type. We passed Blair and Hamblet before our pole broke. Chris spun out coming into the jibe mark and hit it. Joe Friebele stayed clear and all but tucked the race away on the next leg. At the take down mark, Cuccio was 3rd, and Hamblet had dropped all the way back to 14th. All John had to do was keep 7 boats between them, and he was in. Joe Friebele won it going away followed by Blair, Cuccio, Florian, and Graf. John Cuccio with crew Giselle Wagner and David Crawford won it by 2 points, and with the exception of the 2nd race, they sailed a terrific series. Hamblet was 2nd (28 points), Friebele 3rd (33 points), Florian 4th (38 points), and Messersmith 5th (39 points).

We wound up the week with the awards banquet at the Grand Executive Inn. After dinner, John Cuccio and his crew graciously accepted the winner's trophy and then proceeded to show us his secret weapon. Out of his rudder bag came a go-fast rudder with a built-in propeller!

Our thanks to the S.Y.C. and all its members for giving us a week to remember.

# THE OTHER SIDE OF THE NORTH AMERICANS (FROM WAY DOWN)

By Jack Burwell

We are sure that if you have read this far, you have read the title of this article and are well aware that you will not learn anything about how to make a Lightning go faster. The idea behind this article is to be able to relay more about what happens at major regattas, such as the North Americans — to some of those people who are not fortunate enough to have come home with the “silverware”. While we did not come home with silverware, we feel very fortunate to have been participants in the North American Championships, and to enjoy the festivities which take place at this regatta.

Had it not been for Stuart Anderson, the well-known wooden boat Lightning sailor from Buffalo, New York, who spoke to the New England District at its Winter Meeting some 8 or 9 years ago, I would not be writing this article. I attended the New England District Winter Meeting to hear from Stuart Anderson how to make my boat go faster. At that time I was content to be the State of Maine Champion and had never ventured out of the state to compete and, therefore, had not attracted anyone to come into the state to compete. It was plain to see that if you wanted to win in your own waters — don't attract any outsiders. For about the first three minutes of Stu's talk I was a little dismayed to learn that he was not going to discuss sail shape, tactics, or how to get the most out

of your crew to win races. The thing he emphasized was to get involved with this great bunch of people who sail Lightnings. He went on to say that among all of the people he had met, Lightning sailors were the most enjoyable and after listening to this great guy talk about what he enjoyed so much, it was apparent to my wife, Marilyn, and myself that we should start trailing our boat to other regattas. After meeting many of the very nice people in the Lightning Class, it did not take us long to get into the swing of things (although we have yet to win or even place in a major regatta, our children think it's great when we show up at home)! So, due to Stu Anderson, we did get involved and we did almost everything he suggested except win. Therefore, if you are a serious competitive sailor, you may as well go along to the next article. In the event you enjoy participating in Lightning sailing events as much as we do, you might be interested in reading the following which is a brief summary of our experiences at the 1976 North American Championships.

To begin with — to qualify in our District (New England) you had to finish in the top seven at our District Regatta. Since we were lacking only three boats to send eight to the North Americans, I, as District Commodore, suggested at the

meeting preceding the Skipper's Meeting for the District Regatta that the District pay for the three more boats as "the life you save may be your own". As luck would have it, the District Commodore finished 8th in this Regatta and slipped into the North American Championships on a gratis basis from his District.

After qualifying (if you could call it that), Kip Hamblet from Keene, New Hampshire called me to see if I would have any interest in sharing a Winnebago with him for the trip to Sheboygan. After about three minutes of consideration, it was decided that we would love to make the trip to the mid-west with Kip Hamblet and his crew. This not only sounded like a fun trip, but it also seemed to be a very inexpensive way to attend the North Americans.

After leaving Maine, we met Kip Hamblet and his crew, Ed Wall in Keene, New Hampshire. (Robin Greenlead, his other crew member was meeting us in Sheboygan.) We were joined there by my crew of Jerry Baker and Chris Wight. My wife, Marilyn, joined us for this delightful week and a half of fun. Kip arranged with a friend of his to get a "cut rate" on a modern Winnebago and I supplied the double decking trailer which carried our *Gusto* and Kip's No. 8480-F.O.B. (full of beer). We left New Hampshire right on schedule (about six hours late) and stopped in Northern Massachusetts to replace our broken refrigerator with one which Ed Wall's parents had in their basement. We then proceeded to Buffalo and went north into Canada. While everyone else in our Winnebago thought this trip took a great deal of time, the author thought the trip passed rather smoothly as he was only required to drive for three hours. I do remember being awakened as we were going through customs just northwest of Buffalo as the lady in the customs booth was trying to negotiate joining us with driver, Jerry Baker, (Ed Wall and Kip Hamblet). The thing that really woke me up was my wife and Chris' voices saying "no, you can't join us — we've got a full van". At any rate, we got through customs successfully and we were on our way westward. Sleeping in the top bunk at the rear of the Winnebago, the next thing I heard was a rat-tat-tat at which time I thought we were being shot at. Upon questioning other people in the van, I found that no one else was in the van and then after looking out the window it was apparent that we were at a standstill. After getting my head together, I realized that the rat-tat-tat noise was a power wrench taking the lugs out of one of our rear wheels. I then located my crew (at this point I was skipper of the van because of my seniority in years) and it was pointed out to me that we had not only blown a tire about 100 miles east but had recently blown one of the double tires on the rear right of the van. After much haggling with languages which none of us understood very well (Marilyn is a certified French teacher), it became apparent that we must venture westward with five inflated tires on a six wheel vehicle.

Kip told me not to be concerned as he was certain that we

could get back into the United States and get new tires. While I knew we had a great "deal" on this Winnebago, I was not certain that the rental price included replacement of one or more new tires. To make a long story short — after stopping in northern Michigan and working our way southwest, we finally found a store which, much to the dismay of all of the striking tire workers, stocked tires which we needed — this store was located in Ann Arbor, Michigan. At this point it became apparent that we not only needed one tire but needed four tires for the back of the van. We soon discovered that this garage would not accept a personal check unless we had a reference in Ann Arbor. Knowing that the IRS might look unfavorably towards a life insurance agent buying four 16 inch tires in Ann Arbor on his company's credit card, I pointed out that I did have an uncle who lived in Ann Arbor. They asked me his name and I told him and their reply was "you should be so lucky, he's the largest real estate tycoon in the area". Needless to say they thought that I was kidding them even though I was not and we ended up putting the tires on the company credit card. We proceeded down around Detroit and headed north just about at dusk. Just outside of Milwaukee we had a trailer tire blow and you can imagine how four people from the hinterlands of New England felt while changing a trailer tire on a busy Wisconsin Freeway.

At any rate we arrived safely at the Sheboygan Yacht Club very late in the evening and were greeted by the gracious members of the Sheboygan Fleet. They suggested where we could park the van and we did so and promptly fell asleep. Upon waking in the morning we found that we were parked next to Fred Hamblet's executive crew's liner which he had spent three days driving to Sheboygan while listening to stereo music which made the sound of his air conditioner more tolerable. Hamblet's rig seemed to have everything — carpets, curtains, hot and cold running water, shower and bathroom facilities — what a deal!

After successfully completing four qualifying races, we found that we were near the top of the yellow division. That did not dampen our spirits as Chris Graf and his charming wife were extremely gracious hosts at the Governing Board Reception and Marilyn and I have never attended a Lightning affair in foreign parts where we were made to feel more at home. Our sincere thanks to the Grafts for their gracious hospitality!

As I indicated earlier, I am not going to discuss what makes the boat go faster (needless to say, I don't know) and, therefore, am not going to discuss much of the racing. I will mention a couple of races in which we did well, however.

The day following the Governing Board Reception we ran out of water in the Winnebago and Jerry Baker, Kip Hamblet and myself thought we would just run down to the local gas station and fill the Winnebago with water. I sincerely thought this would score some points with Marilyn who was doing the washing, ironing (what little was being done) and all of the cooking, as well as taking care of both Kip's boat and mine as

head of the pit crew. Meaning very well, Jerry, Kip and I took off to the local gas station and as we turned into the gas station it became obvious to all of us that we should have secured at least one half gallon of wine, vodka, bourbon and gin that were on top of the refrigerator. Upon returning to the campsite, both Marilyn and Chris Wight were delighted to know that we had filled up with water so that they would not have to go to the Yacht Club the next morning to brush their teeth. When they entered the Winnebago, they were somewhat less than impressed by the aroma which greeted them. At this point Marilyn borrowed Year Book Editor, Dave White's car and drove into Sheboygan and bought four pounds of kitty litter. The kitty litter was spread throughout the Winnebago and while I do not speak as an authority on kitty litter, it is unbelievable as to what it picks up. I am sure that within the next five years, no one will ever be able to detect what was spilled in the Winnebago that day. I had no idea that I was sleeping in a kitty-yard until I woke up the next morning and found myself scratching my ear with my foot. At any rate, life went on and we sailed our first championship race in the Yellow Division, ending up with a 17. The second championship race was not any better, in fact, it was one worse as we trudged in a disappointing 18th.

After talking with my office that evening, I found that it was not only Burwell's boat that was in trouble — it must be Burwell — the office was doing very well without him. That evening we had our traditional New England District cocktail party.

Our party which was established to be a precedent for other New England District Commodores to follow, was held at the tailgate of the Winnebago. While our good friends the Peters did not make it, (they were supposed to be notified by a green boat from Keene, New Hampshire), new and old friends like Gordon and Linda Ettie and the great gentleman from the South, John McIntosh, Esq. did attend. A special visitor at this party was a favorite of all of the mobile home owners, Samuel the Rat. My friend and crew member and super navigator, as well as fellow alumnus of the Maine Maritime Academy with Bill Shore, thought he caught the rat under a carton, but for some reason, his coordination seemed to be off a little bit and the rat ran off with Jerry's hors d'oeuvres and drink, leaving Jerry merely a plastic cup in his hand. Someone told me later that he knew the difference, however, you could not prove it by me.

As night fell, Yearbook Editor, Dave White, and John McIntosh, agreed that they would join us for dinner. The crew from Fred Hamblet's deluxe executive mobile home joined us in our bare plywood interior Winnebago for a gourmet meal of chop suey and a great deal of noise. It seems it is very difficult to put 18 people into one stripped down mobile home and have everything go along smoothly. However, when you have a peacemaker like John McIntosh and a mechanic like Fred Hamblet, there are very few things that come up which cannot be handled in a routine manner. During this entire evening there was a ship just opposite the channel from us which was having a cargo of coal removed which took place most of the night. As the noise broke up from this unloading and the sun

rose, it became apparent that we must get up. Marilyn shook Chris out of the bunk which instantly turned into the dining room table (on the Lightning we call it a centerboard trunk and on our motor boat my 7-year-old son, Charlie, calls is a chopping block for the fish he has just landed.) At any rate, there was a great hassle to get breakfast, showers, shaves, etc. before the 3rd and 4th races in the all-important Governors Cup. I do not mean to imply that the North American **Championships** which we were attending were not of extreme importance. At this point our good friends Bill and Bonnie Shore were leading the North Americans and one of the nicest guys we have ever had the privilege of meeting in the Class, Fisk Hayden, was looking as though he was a strong second in the Blue Division. A fellow New Englander, Stu Nickerson, was rebounding after a poor 26 in the first race. Our next door neighbor, Fred Hamblet, appeared to be leading the President's Cup series and our Winnebago roommate, (who rented the rig and slept on the roof) was leading the Governors Cup. Despite the headache, this day looked like a good day for sailing and as far as I am concerned, Lake Michigan was never better. We finally ended up 4th and 1st in the next two Governors Cup races and it was a great deal of fun to finally sail in the Green Fleet. As we were finishing the 4th race, Chief Measurer, Dave Peters and Dave White, as well as Fred Hamblet, were yelling over at us "those guys must sail better with a hangover". This night, before the final race, was a relatively quiet one as it meant a great deal to Kip Hamblet who at the time was leading the Governors Cup.

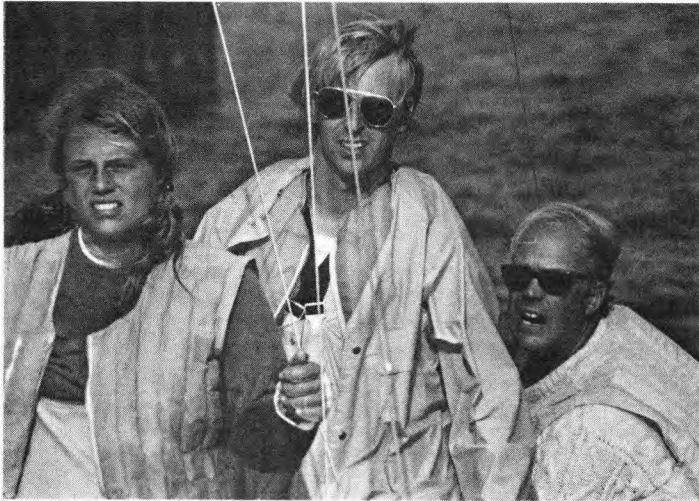

As luck would have it, our District neighbor from the Connecticut-Rhode Island District, John Cuccio, edged out Kip Hamblet for the Governors Cup and Dave Peters from Ann Arbor, Michigan (same town my famous uncle is from) edged out Fred Hamblet for the President's Cup. At any rate, fellow Connecticut-Rhode Island sailor, Bill Shore, won the North Americans with Fisk Hayden second and Stu Nickerson, third. We feel honored to be a part of a group of such wonderful people who make up such a great Class and produce outstanding champions.

Our sincere congratulations to North American Champion, Bill Shore — First Runner-Up, Fisk Hayden, and third place winner Stu Nickerson. Also, our congratulations to Dave Peters, winner of the Presidents Cup and Fred Hamblet who was second followed by Matthew Bryant who was third. Further congratulations go to John Cuccio for winning the Governors Cup, Kip Hamblet for finishing second and Joe Friebele, third.

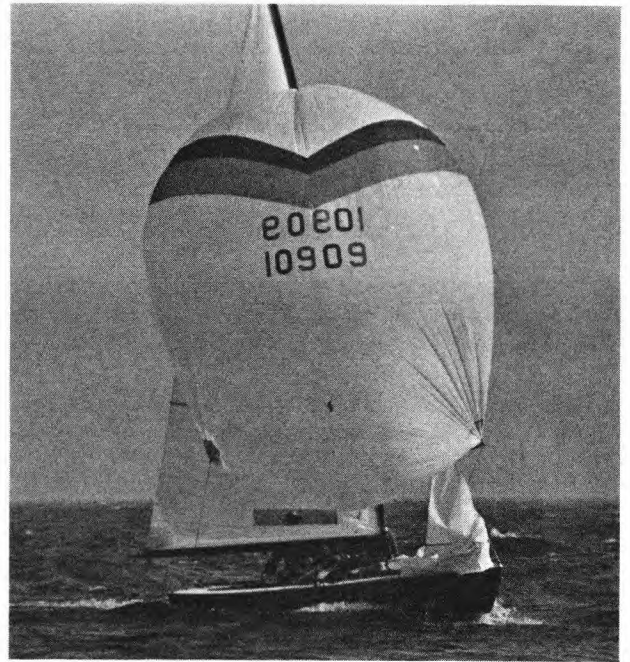

Perhaps of more importance than winning the North American Championship — it is worth mentioning that we heartily congratulate families who sail together such as those of Tom Allen (many times North American Champion) who sailed with his daughter, Brenda and son Tom, Jr. Family sailing could be our most important asset and I, for one, hope that it continues.

In closing, on behalf of the Class, I would like to thank Race Committee Chairman, Terry Kohler, of the Sheboygan Yacht Club and their entire crew for the marvelous week of fun which they provided for the Lightning sailors.

# MARK BRYANT "LOOKS BAD GOES FAST" JUNIOR NORTH AMERICANS '76

By Mark Bryant

Some 15 hours of driving and all the indecision on who would crew was over as we arrived at the MYC. My crew was Joe Downing a 7 year veteran and Peggy Walsh a fairly young sailor with lots of desire.

We received our new sails about 2 hours before the race. They fit as expected so we started to sail to the starting line. It looked like a really tough field. We thought the two toughest would be last years runner-up Jay Lutz and Greg Florian who was the leader of last years championship until the last race. Jay would be tough in the heavy stuff and Greg in the lighter air. Our best chances were in the moderate to heavy air.

## 1st Race 15-20 SE 5'seas

We started near the middle of the line along with Florian and Lutz. Greg went left side Jay and we went the middle left side. At the weather mark Lutz and we were close. Florian was 3rd. As we got our bag going Peggy fell overboard and we gathered her in. Lutz led this one all the way, Florian caught us when our mainsail fell down about a hundred yards from the finish line. We managed a 3rd with Burrige and LaPier coming very close to us. 1st race finishes, Lutz, Florian, Bryant, Burrige, LaPier.

## 2nd Race 18-25 gust 28 SW seas choppy

This race started off exceptionally close, so close we didn't have time to find the proper leeward mark. The whole fleet followed us except for one boat. The race was cancelled and restarted.

The actual race was to show how tough our fleet was. The fleet divided half taking a center left course lead by Graff and the other half to right corner lead by Lutz. Graff lead at the weather mark by a boat length over LaPier. The weather leg had two winds. The shore breeze blowing straight and the sea breeze very shifty with a roll instead of the steep chop inshore. Lutz lead at the rounding mark. We were moving well on the weather leg and caught Lutz and went on to get our first victory of the series. Lutz 2nd, LaPier, Florian and Gelenitis. Series scores Bryant 4, Lutz 3, Florian 6, LaPier 8, Burrige 10 pts.

## 3rd Race 15-20 SW choppy

This race was our lucky race. Again off the line it was "Looks Bad goes Fast", Lutz and Phil Dennis. Half way up we were leading followed very closely by Lutz. We lead the first triangle, with the inshore tack to be favored on the next leg. We headed for the lay line and as we approached it we tack. As

we tacked we tipped over. As we started to sail again Lutz had taken the lead but we weren't far behind. As we got our boat dried out we started to catch Lutz. We finally caught him at the jibe mark. Once we were back in front we could continue to cover for the tie in the series. Jay and I had now figured out that it would be a fight between the two of us. At the finish it was Bryant, Lutz, Dennis, Forhecz, Series score - Bryant 5, Lutz 5, Florian 12, LaPier 13, Burrige 14. (*Editor's Note: Mark's boat is not self-rescuing!!*)

## 4th Race 12-17 SW choppy

At the start we discussed our position in the series. We were tied with Lutz and 7 points ahead of our next competitor. We figured that Jay would be the boat to beat in the next two races.

After one weather leg Lutz was 1st, we were 2nd and Forhecz was 3rd; we knew we had to beat Jay. The second weather leg was a tough one. Lutz wasn't going to let us get to the starboard side of him. Finally Jay made the mistake. After we tacked to port he tacked directly to weather of us. As the wind phased to the right we worked out on him and took the lead. We went on for our 3rd victory of the series and a one point lead in the series. Series Score - Bryant 6, Lutz 7, Florian 16, Burrige 24 and LaPier 25 points.

## 5th Race SW 8-20 Smooth water

Just before the start the wind died almost to nothing. But you could see wind to the right. As we started at the weather end so we could tack to the right for the wind. Lutz stayed on the starboard tack. I received strong advice from my crew for splitting tacks with Jay. As the wind filled in Forhecz and I tacked to starboard and appeared in good shape. Lutz was still in the center of the course with less air. We were first at the weather mark with Forhecz 2nd, Morely 3rd, Lutz 4th. We got the lead shortly after rounding the leeward mark with Forhecz 2nd, Lutz 3rd and Morely 4th. Positions stayed about the same to the finish with us winning the race and the '76 championship. Lutz caught Forhecz and Burrige 4th, Hamilton 5th. Final points: Bryant 7, Lutz 9, Florian 23, Burrige 28, LaPier 33.

I think my crew of Joe and Peggy are of world class crews and I'm sure I couldn't have won this regatta without them. Jay Lutz's crew of Tom and Don Schon are a super crew as they showed in the North Americans by placing 4th and qualifying for the worlds in Switzerland.

I'd like to thank the Milwaukee Yacht Club for a fine regatta on and off the water.

The terrific Lightning posters designed as one of the gifts for participants in the International Lightning Class Association North American Championships and also for use by the Class are now available to all sailors.

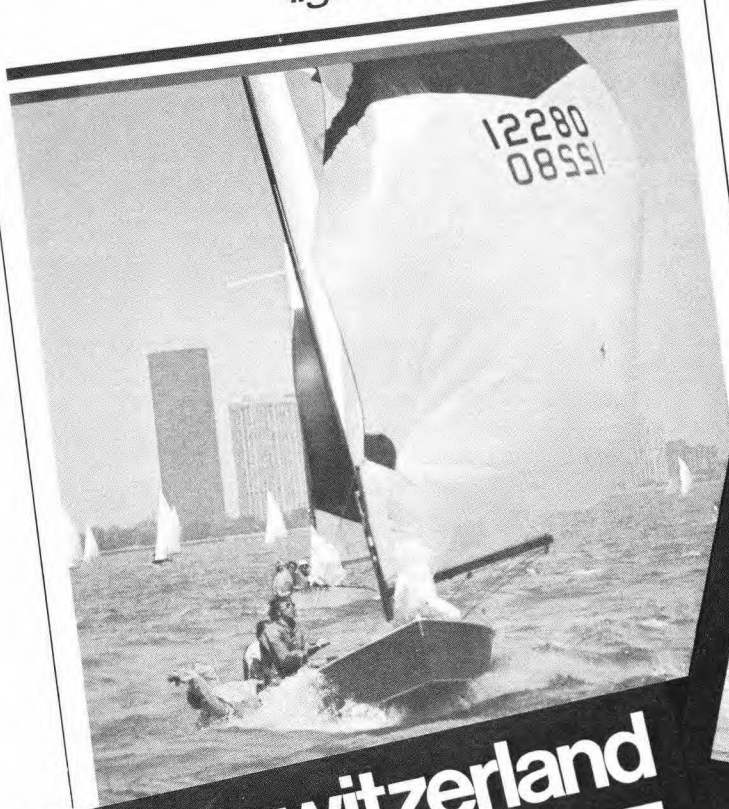

Described as "real eye catchers superbly portraying our favorite sloop" by one who wrote for a set, the posters are full of color and action. Taken from color slides of shots during actual races they are eye catching. Each is 20 by 28.

The set of four costs \$5.00.

# ONTARIO JUVENILE CHAMPIONSHIP

The Third Annual Ontario Juvenile, 3 Man Championships, went off again this year without a hitch, but with much less wind than had been previously encountered.

The Host Club N.Y.C., and the Toronto Bay Lightning Fleet combined to provide the people and equipment necessary to stage the regatta. Many thanks to all those who helped make this another successful regatta.

This year the Ontario Womens Championship was sailed on the same course, and Ken Inglis and his race committee did double duty to handle both Fleets.

The women raced the new light weight two man Tasar, while the Juveniles raced the much larger 3 man Lightning.

Although the air was light, 5-8 M.P.H., the first race got away on schedule 10:30 a.m. with a scheduled six race day. Each race was back to back and lunches were provided on the water, which were wolfed down between races 3 and 4.

It looked like Larry MacDonald, last years winner, would set the pace and be the man to beat, as he rounded the weather first in the first race and then went on to win.

Paul Sulman was second pressing MacDonald hard on the off wind legs. Kevin Smith was third, with Paul Davis close behind in fourth.

In the second race, Sulman was first at the weather mark and held the lead until the final down wind leg to the finish, when MacDonald was able to jibe inside, took advantage of his position, and eased over the line for the win. Maki came on strong for the third. Kevin Smith hung in for the fourth and Davis dropped to fifth.

Although all the boats were close at the weather mark, the crews on MacDonald's, Sulman's, Smith's and Maki's boats, seemed to work their spinnaker drill more effectively off wind.

The wind had shifted a little for the third race and the course was re-set. MacDonald again led the parade for the first, and it looked like he might walk away with the regatta. Sulman got into trouble at the leeward mark and had to do a 720, dropping him to 4th at the finish. Davis and Maki moved into 2nd and 3rd, with Kevin Smith 5th and the Merriums moving up to 6th.

The boys took time out for lunch and the race committee re-set the course as the wind swung back to the S.E.

The waves were starting to build but the wind had not strengthened, making the going slow and painful.

The fourth race gave MacDonald another first, again

Sulman was 2nd, but Saunders had moved up to 3rd with Davis and Maki 4th and 5th, Smith dropping to 6th.

The fifth race was a bit of a jam up on the starting line and MacDonald laid down on Saunders in an attempt to get up some speed, but was protested. He sailed into clear air and started his 720.

The rest of the fleet took advantage and Sulman sailed into first with Maki a strong 2nd and Davis 3rd. MacDonald was able to scramble back for a 4th. Willings sailed well, but was only able to salvage a 6th.

The final and sixth race was slow, as the wind had dropped to about 5-6 M.P.H. and the waves made it difficult for the boys to keep their boats footing.

Maki sailed well to round the weather mark first. He continued unchallenged in first to take the gun.

Sulman rounded 4th but moved up quickly on the off wind legs to finish 2nd. Smith hung in for third, with Saunders and Davis 5th and 6th. MacDonald who rounded the weather mark last was able to pick up boats on the last buck to finish 4th.

We all sailed home and enjoyed Pat Nolan's cooking in the park. The girls from the Ontario Womens Championships joined us for the barbecue as we downed 300 hamburgers.

Four more races were scheduled for Sunday, but the fog rolled in and we were unable to set a course. The races were finally cancelled at 2:30 p.m.

With one throwout the standings stood— 1st - 8 pts. - Larry MacDonald, Crew: Steve McMenemy, Stew Broe, R.H.Y.C.; 2nd - 9 pts - Paul Sulman, Crew: Chris Cochrane, Brad Gullins, N.Y.C.; 3rd - 14 pts - Arne Maki, Crew: Andy Cummings, Ron Jenkins, N.Y.C.; 4th - 18 pts - Paul Davis, Peter Young, Roddy MacIvor, B.C.; 5th - 20 pts - Kevin Smith, Kevin Brown, N.Y.C.; 6th - 26 pts - Bob Saunders, R. Spacknan, C. Ryell (Mirror Class), Conestoga S.C.; 7th - 34 pts - Ben Willings, Charles Clarke, Brad Parks, N.Y.C.; and 8th - 36 pts - Peter Merrium, Gord Merrium, Stev. David, N.Y.C.

Larry MacDonald and crew took home the beautiful trophies presented by radio station C.F.R.B. The Royal Bank presented medals to the first three places.

R.C.Y.C. donated a lovely perpetual trophy to the Toronto Bay Lightning Fleet. It had previously been presented to the R.C.Y.C. Junior Lightning Champion. It will be rededicated and sailed for annually at the Ontario Juvenile Championships.

We are looking forward to an even bigger and better regatta next year.

# THE JUNIOR SAILOR - HOW CAN HE FIND THE LIGHTNING?

By Greg Fisher

Three years ago the Lightning Class held its first Junior North American Championship in Cleveland where approximately 35 boats participated, providing some of the toughest competition ever massed in one junior regatta. At least four other classes were represented: the 470, the Snipe, the Flying Scot and the Thistle. At this time a seminar was given by five of the top sailors in the Lightning Class, followed by a party where all of the competitors could meet each other. I'm sure I'm speaking for all involved with that regatta when I say it will never be forgotten. Since that first Junior N.A. there have been two more in Columbia, S.C. and Milwaukee, Wisconsin. Although I was not present at these two regattas, since I've joined the "over the hill" bunch, I understand these two Junior N.A.'s had nearly as many boats and were just as competitive and fun. Stemming from the enthusiasm generated by the Junior North Americans, most districts initiated junior championships. Recently awards have been created with the junior sailors in mind; in the Ohio district there are trophies for both the top first time district sailor and the top junior sailor. In the most recent World's, North American's and Southern Circuit, a junior has placed in the top 5. However, when one looks down the ranks of these World's, N.A.'s and Southern Circuit he can see there are not as many juniors as he might have expected. It seems most of the sailors in the junior N.A.'s are either crewing or have had to return the boats they had borrowed. What can be done to increase the number of active junior sailors in the Lightning Class? We need the junior sailor; he is the lifeblood of the class.

I see the problem as twofold. First the junior must deal with the high cost of the Lightning. But there is not too much that can be done; that is one of the criteria of buying a 19 ft. sailboat today. The builders are selling their boats at the lowest price they can afford. With prices rising, the racing sailboat business is susceptible to inflation the soonest and the hardest. Perhaps we should make more of an effort to have used boats available to the junior sailor through a more extensive "boats for sale" section in the *Flashes* and possibly a separate publication devoted solely to used boats. Some builders have some factory seconds for sale; they show a cosmetic defect but still are competitive. It's interesting that a 9 year old boat won the N.A.'s this year. With a new rig and new sails a used boat can be equally as fast as a brand new boat.

The second part to our problem is the sailor's lack of exposure to the Lightning. If the junior sailor isn't exposed to the boat he will not know what he is missing. In the past several years we have suffered two losses that would harm any

class. The Lightning's use in the Sear's Cup has dwindled and it was dropped from the Long Island Sound junior program. Obviously, with the loss of these channels many junior sailors won't experience the Lightning. But that doesn't mean we can't extend our scope to look for new contacts. Let's widen the participation of the already big Junior North Americans to accept juniors from other classes. If possible, not only just accept them but give them an invitation and a boat. This situation worked out well at the Cleveland Junior N.A.'s; the Muellers loaned the sailors from other classes as many boats as they had available. All of these people left the regatta with the feeling that, if they had the chance, they'd love to sail the Lightning again. Perhaps another alternative would be to hold a junior "race of champions" similar to the race of champions held each year for seniors. In this regatta the top juniors or junior from most of the major classes would be invited and lent boats. The Lightning Junior N.A. winner would of course be participating. This junior race of champions would probably gain a great deal of publicity, which would not only be healthy for the Lightning class but for junior sailing as a whole.

Taking a look at college sailors, we have a group of people nearly ready to face "reality" and eagerly looking for a class of boat to settle down into. Here too, the class could sponsor a regatta. Maybe just a small one, including only the top teams from each of the Eight districts. College racing is hungry for more 3-man sloop regattas, and I feel would set up active eliminations for participation in the regatta. This type of enthusiasm would encompass the whole of college racing as the teams fought it out at the elims. This year the Midwest district's North American sloop championship eliminations were hosted on Buckeye Lake in Ohio and all eight teams represented were thoroughly impressed with the Lightning.

Seminars are always a crowd gatherer and with the caliber of sailors in the Lightning class and their reputations, surely people would come to hear them speak. A semi-national scale seminar could be introduced with the promotion of junior sailing in mind. A Holiday Inn or similar large hotel complex could be the meeting place. Slides, movies, parties and a banquet could create a common denominator for the whole group. It would be good for the juniors, sailmakers, boatbuilders, seniors and more importantly, the Lightning class.

Some, perhaps all, of these ideas might be a little farfetched or tough to organize. But, if just one or part of one could be introduced it might succeed in drawing some more juniors, or even senior sailors onto our course. Our Lightning class is obviously great; let's see it grow even more.

# DAYSAILING A LIGHTNING

We used to race. Two seasons in fledgling fleet 444. Nice, low key, husband-wife crew, round the buoys, no spinnaker. We took it seriously, NAYRU and all that, but it was child's play compared to the racing that gets reported in *Flashes*. However, I did learn to make a Lightning go.

Then we moved to Stamford, Connecticut, and since almost all racing is out of the clubs and on Sundays to boot (*Editor's note: Rev. Purnell is Pastor of the Turn of River Presbyterian Church*) we entered the world of the day sailor, sailing 9108 out of Cove Island on the Stamford-Darien line. Our first trip on the "ocean" was a jittery flit around our harbor mouth. Since then we've sailed over to Long Island, up to Norwalk, down to Greenwich. There are about half a dozen Lightning day sailors out of the Cove.

The length of a "cruise" in a Lightning is determined by coordinating such seemingly unrelated statistics as wind and bladder capacity. I have to admit defeat in overcoming the latter obstacle, given the least amount of seas, heel, the limits of the law and even marginal modesty. Fortunately, as most reading this know, while sailing, most body moisture is lost through the skin anyway.

We have four seasons of day sailing a Lightning on Long Island Sound so I feel at least marginally qualified to report that there is good news and bad news. First the good.

The Lightning is beautiful. The particular combination of lines and surfaces that make a Lightning border on the exotic, in my opinion. I would rather see or be seen in any Lightning than some forty foot ugly tub. The Lightning is fast and responsive so in light or medium air we out reach and out point a lot of the bloppy stuff on the water. There's lots to do on a Lightning while day sailing. One can just sit and sip, keep the boat moving or one can fuss and fiddle and make her go. Of course there's always the big "S" when you find yourself upwind of home port and with a comfortable wind, sea and willing crew.

A Lightning is safe, stable and stiff. Our six year old son has

spent more time asleep during our sails than awake. Our eight year old son can take the helm in the right condition. There's room for even six adults for a picnic afloat. Sometimes we beach and picnic. We've "gone off" with the fleet (at a safe distance) for the Block Island Race and "raced" along. We've trailered to inland lakes and camped and sailed. We've done a lot in 9108.

Now the bad news. We have a 3½ h.p. Seagull, both because our harbor master requires it for passing through our narrow channel and because I wouldn't go out on Long Island Sound without a kicker, period. The Lightning does not carry a motor very gracefully. The very construction of the boat acts a giant sounding board and megaphone, making even a little motor deafening for those aboard.

The second item of bad news is the fact that the cockpit sole is below the water line. All attempts by me to cover the cockpit at the mooring and keep the boat dry have failed. Almost every sail starts with a turn at the third bilge pump. (*Editors Note: The self-rescuing boats have solved this problem.*)

Finally, the hard-chined design which makes a Lightning so stiff also comes with a flat bottom which makes the hull slap happy in the least bit of sea. The price of surfing off a four foot crest is paid in the trough with a teeth rattling crash.

We've had calm sails and wild sails. Once a friend and I went out on a day we had no business going out. We went out to see if we could scare ourselves. We did. We were out only about forty minutes. We were wet, cold, exhausted and exhilarated all at once. What a sail! What a feeling! I'll be better able to handle an unplanned rough time.

"Satiety" is our first boat and we think we've "done it all" with her. She does everything she was designed to do and some things she was never intended to do.

All we know about sailing, we've learned on our Lightning. All our sailing joy has been on a Lightning.

# DAY SAILING A LIGHTNING

My family and I moved to Rhode Island, Bill Shore country, two years ago. Although I had never owned a Lightning, I was familiar with them from having sailed in the Chesapeake Bay area years ago. I was told there was no fleet close by but realized what a great day sailer the Lightning makes and bought #10368.

I have nothing novel to report regarding its use, but we do have a lot of enjoyment wandering around Greenwich and Narragansett Bays. There are four or five other Lightnings in my immediate area and I have considered attempting to contact their owners to possibly solidify our group and maybe get a fleet started.

The Lightning is a great boat and I don't understand why any of the manufacturers of it do not attempt to market it through dealers.

Thanks for recognizing the day sailors!

Buford Cline

"Two years ago, a latent interest in sailing prodded me to look for a day sailer that could carry a family safely, give some reasonably exciting sailing, all at a cost somewhat less than the National Debt. After 6 months of looking, pricing and anquish, I came upon a grand old lady of the Lightning Class, #5025, in some degree of disrepair. So, my two sons and I bought and refurbished her, and have sailed these last two seasons on the Magothy estuary and the adjacent area of the Chesapeake. The joys of day sailing are notably different from racing, I believe, in that in the former, there is no schedule, no pressure. If you want to flash over the swells, hiking out over the water in a dash down river — that's good. If you want to drift lazily along and drop a toe in the water, that's O.K. too. Day sailing is a matter of moods and enjoyment of the whim, attuned to those of us whose jobs offer more than enough pressure and competition."

The one thing I would hope from the I.L.C.A. in the future is promotion of day sailing, and to this end, a daysailing column could be set up in *Flashes*. Such a column could record sailing - picnic - camping events as they occur, and give hints regarding upkeep. My guess is that most of the day sailers might be found in owners of older boats, specially wood ones. Thus, some articles on winter maintainence and upkeep would be especially useful.

## THE LIGHTNING: VERY VERSATILE

The Lightning Class Sloop is first and foremost a racing sailboat. The International Lightning Class Association is the fine member sponsoring organization of this class, devoted to the promotion, competition and regulation of the boat and to its continued refinement as a classic racer and day sailor for its size.

One thus feels a certain timidity in offering some thoughts about this boat to the ILCA itself from such limited experience. For the 40-year-old writer, always fond of boats, has owned and skippered one for only two summers. She is a fine, beautifully preserved older Lightning, #4264.

Moreover, the writer after two short Maine summers afloat, one day per weekend at that, still has a lot to learn about smart sailing, has yet to try racing, and is not yet in an ILCA fleet. In other words he's barely scratched the surface of what Lightning ownership is all about!

And yet my wife and I with better sailing skills still ahead of us, after two years of refurbishing and refitting with a bit more to go, after perhaps a dozen and a half weekends on salt water learning the basics of sail by trial and error (which certainly has its interested moments) have developed a tremendous amount of affection and respect for our Lightning.

Racing, when we feel a little more confident and experienced, should become one more reason for delight in our boat.

But we have already discovered a number of reasons to delight in our Lightning. And while they have nothing directly to do with racing, perhaps they too are important to the

popularity and future of the Lightning Class. For they seem to us part and parcel of the boat's design beauty and versatility, a classic small boat design that can do several things very well off the race course as well as on.

To mention just three areas of Lightning versatility we have experienced first hand and which have impressed us a great deal: as a truly fine first boat in which to learn sailing; as a superb day sailer with room for friends; and as a nicely laid out boat for easy handling, movement, stowage and protection. To these could be added others such as maintainence, transport, back yard storage, economy etc. But to briefly discuss the first three:

As a first boat: As a sailboat for learning the basics of sail almost from scratch, the Lightning from our experience has been very special, and by no means is ours a temporary first boat. Indeed, she will be teaching us finer points of sailing for years after we have mastered the basics.

As a "teaching" sailboat, the Lightning we've found is both a forgiving and demanding craft. With her beam, hard chine, deep steel centerboard and quick rudder, she is a stable, confidence-building boat in light airs for the beginner. A light breeze will put her through all the basic maneuvers. Then, taken out in moderate winds, that tall, high aspect rig really starts to go to work and you find you have a boat under you that can move, even in clumsy hands. You find too that she is still forgiving but telling you to pay attention. We have found the Lightning a good teacher because of the boat's responsive-

ness. You make mistakes, but you learn from them. The boat's motion, sails and "feel" are constant communicators and darned clear ones for the most part. And while we still have a lot to learn about heavy air, our boat brought us safely home, beating most of the way, through a squall the skipper wandered into one afternoon.

Perhaps one reason the Lightning has so long been such a popular racer and day sailor is that the boat, by virtue of a very sophisticated design and rig, has so much to teach about sailing. I can't imagine anyone "outgrowing" a Lightning quickly from a skills standpoint. She is all sailboat and a very serious one. We have run into many "big boat" skippers who once sailed a Lightning and still admire the boat as a fine one.

As a day sailor with room: This can be touched on briefly because it's so obvious. Thanks to the Lightning's size overall, especially her long and beamy cockpit (and comfortable side decks for hiking) the boat is very happy with up to four adults aboard though her racing crew is three. As a couple, we particularly enjoy taking other couples, our friends, out for day sails. Sailing is just too much fun not to be shared and a Lightning makes that sharing a cinch.

As a nicely laid out boat: Some basic design features of the Lightning which have very much impressed us and make the boat seem bigger than she is include first and foremost the great big cockpit. Few sailboats have one as large or larger regardless of type. There's so much room that not even the centerboard trunk is in the way from our experience. In addition to having a roomy cockpit easy to move in, the Lightning also has walk around decks to move on, unusual for a 19-foot boat. Those same decks also give the boat a great deal of covered stowage space fore and aft out of the weather. And they also make buttoning up for the week with a simple boom tent a snap.

To sum up, we think our Lightning, any Lightning, is an awful lot of boat for her size and cost, old or new, wood or glass. The boat is an American classic in her own time and I hope she always will be.

## HOW WE DID IT

By Dick Fastiggi, Fleet 301

In the past 3 years, Fleet 301 on Lake Champlain in Burlington, Vermont, has grown from 9 boats to the current 1976 fleet membership of 25 boats. It didn't happen by chance. We made a conscious effort to build the fleet.

Looking back on what happened, there are two things we did which were most instrumental to our growth - 1) we built up the camaraderie of the current fleet to retain the members we had, and 2) we found new people to join the fleet. One follows the other naturally because everyone likes to join a group that's well organized, competitive, and fun to be with.

Here are the things we did of which other fleets can take advantage: 1) We made sure we had monthly meetings year-round to keep the dialogue going. During the non-sailing months we had a Christmas Party, a Skiing Party, and Pot Luck Suppers. One evening Bill and Bonnie Shore came to Burlington and spoke to the fleet. We invited other one-design sailors, also. Before the season started, we've had sessions on "How-to-tune-a-Lightning" at a member's house followed by a picnic supper with all the families. 2) We hosted district Regattas which introduced the district to our fleet, our facilities, and our super sailing waters as well as making the Lightning class visible. 3) A few of our members went to other district Regattas to improve their skills and to make our fleet known to others. Be careful on this one. Too many sailors on the road might destroy your local fleet racing program. 4) The Boat Club to which most of us belong had a good one-design schedule. 5) We developed a mailing list of new people who might be interested in sailing a Lightning. This list was

composed of other one-design sailors (particularly from classes that seemed to be waning), parents of kids in the Junior Sailing Program and skippers of cruising boats that had children who crewed. We even contacted cruising boat owners who we felt might like to get back to the basics and hard work of one-design sailing. 6) We appointed one person to coordinate the mailings and contacting of new people. We invited these people to our parties and to crew for us. 7) Our boat club started a Thursday night series which proved to be extremely popular. It is low-key and sailed under the Portsmouth Handicap System. During these races we would swap crews and introduce new people to the Lightning. 8) As people became interested, we located boats for them to buy. 9) We've upgraded our equipment to keep the boats competitive. (Check with the builders and sail makers for fleet discounts.) 10) We tried a boat show one year but I didn't think it helped in our case. Apparently others have found them successful.

Last, but by far not least, you are miles ahead if you have one or two spark-plugs who are enthusiastic, who will spend time on the telephone, and will just keep things moving. Their enthusiasm is infectious. You'll see them "talking-up" the Lightning at parties, at the office water cooler, and wherever two or more people stop to talk sailing. There is simply no substitute for personal persuasion.

In summary, what we did was to promote the Lightning so vigorously in our area, the answer was "Lightning" when the question was asked "What's the most active one-design fleet around?"

# THE LIGHTNING IS ALIVE AND WELL IN THE MIDWEST

**Roger's Report:** In general, what has been working for us (and by the way we need more pushing to keep the results coming in) is:

1. Supporting and working closely with local organizations that teach sailing, such as the American Red Cross and High Schools that offer summer programs in sailing. Wherever possible, Lightning hulls are used in training new sailors. The hulls are spring-mounted and sails and all running rigging are installed giving a very real "feel" to the practice craft. Then, once the budding "salts" are comfortable with the terms and handling techniques, they are invited to crew by skippers in the fleet.
2. Introduce the young people in your neighborhood to sailing. The thing to do here is to:
  - a. catch them **before** they get a driver's license. They then depend on you for rides to the lake and back. You've got a captive audience then to plan strategy for the day, slip them little morale boosters and it gives them a chance to see how much fun it can be to get into the sport, both physically and mentally. It gives all a chance to do a good job and get the benefits of the sport.
  - b. As a light draws a moth, so a pretty girl draws big strong teenage boys. Sign the girl on as crew and she'll soon be followed by young men who make excellent crew. A few seasons down the road these young people then become boat owners too.
  - c. These new skippers and crew usually start with older less expensive boats and equipment. They need a lot of encouragement and help to keep things working. They also need advice on tuning, sail handling, maintenance, etc. Support them in all ways.
3. Promote out-of-town regattas, summer social functions, off-season sporting events just to have a party with the members of the fleet. Any excuse for a party keeps the spirits (pardon the pun) up. Other sailors or just plain folk hear what fun the group is having and somehow they decide they had better hurry up and buy a Lightning to get in on the fun. When a new member joins the fleet it's up to everyone to encourage him to get into racing as it is the best way by far to learn boat handling, seamanship, and new words of all kinds. But if the sailor prefers cruising and daysailing, that's not all bad either. He'll bring people out who may want to get into the more active life of the racing bunch via crewing. Hopefully he'll later buy his own boat.
4. Encourage people in the fleet to get involved in the mechanics of the class on the measurement level, regatta planning, etc. Also, get a core group to get involved in District and I.L.C.A. plans and groups. You get a direct feed both ways on what's happening in our class and become familiar with the leaders of the class. This keeps continuity of ideas and the lines of communication open and flowing.

By Roger Grohne and Vince Daube

**Vince's Report:** To Roger's comments I would add this.

Get the media behind you. Get to know, on a first name basis, if possible, the sports directors of the area newspapers, radio and TV. They sometimes need to be convinced that sailing news belongs on the sports page instead of the society page. If they don't believe you, invite them out **only** on windy days. They soon become believers. Once they're on your side begin by showing them the rudiments of racing as well as the excitement and charm of racing. There is no sport that suffers more than lack of coverage, due, I'm sure to lack of understanding, inaccessibility to the area of competition and lack of appeal to large segments of the population. In any sailing center there are many people who could, I feel, be attracted to sailing if they were shown what it's all about and that there are fleets in the area that are active and friendly. That's where the media come in. Sports directors could be enticed to do a feature on your fleet's weekend races or the area's major regattas. Suggest a theme to them — a handle to hang their story on (human interest, big-name entrants, wide area appeal).

Racing is loaded with good visual possibilities and human interest themes. But, you've got to take care of the reporter. If you're in charge of the regatta make sure the press (including TV) is provided with a separate stake boat manned by a driver knowledgeable in racing a sail boat. Make sure the reporter is in the right place at the right time. This will insure excellent visuals around which to build a story. By the way, the **separate** stake boat is necessary because the working media have very tight deadlines to be met and they may have to leave the race before the finish to cover another story or process the film. In this event the regatta publicity chairman then needs to fill them in on the results of the race for inclusion in the story. However, don't hesitate to include them in your lunch and social plans. They may decline, but the regatta beer bust might also fit into the story as human interest. If they can stick around long enough for a shot of the winners and crews that's a plus for the story.

The sport of sailing is, of course, one in which the team of the skipper and his crew act together in their own special world. There's often a lot of drama on board. This is one of the charms of the sport that can't be realized by an outsider unless the reporter can be exposed to it. If necessary, invite reporter on board after the race to give him a glimpse of your special world. At this point the sport is no longer a reportage of abstract pretty white shapes on the water going here and there without seeming reason, but rather one in which very intense people do their thing—hopefully in concert.

In short, keep the press, TV and radio informed and they will inform those who may be your next competitors, your next fleet builders.

# ONE FLEET'S SUCCESS

When five of the first six boats in a competitive District hail from the same Fleet, we must be doing something right. Fleet #34, sailing from the Metedeconk River Yacht Club, is average in many ways. Our dry storage area, hoists, and docks can only be classed as adequate and our waters are often labeled less than adequate by visiting sailors who feel cramped by a north-south leg which is limited to less than three quarters of a mile. Our success is built on a number of important things, none alone spectacular. We are fortunate to have an excellent Race Committee made up of three experienced sailors who share and rotate prime responsibility plus a half dozen dedicated women who have been thoroughly trained in the mechanics of race committee procedures. Successful racing starts with a good committee which can provide good courses, fair conditions, and permit the sailors to concentrate on tactics and sailing as opposed to worrying about where the marks are and what unusual condition the committee may impose.

We feel practice makes perfect. Hence we schedule ten race series in the spring and fall, two per Sunday over four to five mile "quicky" courses sandwiched around our normal ten race summer Championship Series. Spring and fall races are open to visiting sailors, as well as other classes, enhancing the quality and quantity of competition. This program has helped attract

a core of first rate, regatta oriented Lightning sailors from other less competitive Fleets who not only provide a goal for our less proficient sailors, but encourage other sailors to join them at regattas. Excellence breeds further excellence as the less experienced sailors strive to beat the winners. Then too, some of our better sailors have unselfishly allowed their crews to race their boats, a great way to give somebody the "I gotta get a boat" bug. Bill Cramer, Bill Newman, and Jay Lutz are some of the better known products of this practice.

Finally, we cannot discount a program developed two years ago whereby a limited number of selected 14-18 year old juniors, having completed all the Club's regular junior programs, attend a three hour evening training session once a week during the summer. These sessions, conducted by our top sailors, consist of a half hour classroom session covering a selected topic followed by two hours of racing and on-the-spot instruction and a half hour critique. Not only do we foster new skippers but, through practice, we generate a very proficient crew pool, a must for any successful fleet.

Our Fleet does little on its own by way of social or promotional activities, but we cannot discount those activities scheduled by the Yacht Club with which we help as well as participate.

# ANOTHER FLEET'S SUCCESS

The Portland Oregon Lightning Fleet is a successful one because it's a very active fleet both socially and on the race course. There is always something going on - January - the Portland Boat Show. February - Mid-Winter Meeting of all the Pacific Northwest fleets for a weekend. March - Time to bring Winter lies to fruition (get that Bucket ready for another season). April - a race every Sunday. May - Club Race every Sunday and Tuesday (as soon as Daylight Savings Time starts) plus two out-of-town regattas. June - Club Regatta, Lightning Districts, one out-of-town regatta, plus the continuation of the Tuesday series. July - Our lake dries up, but we do have three out-of-town Regattas, plus the Pacific Coast's. August - traditionally is a month of no wind, however, we have a Lightning family weekend at a nearby mountain Lake. September - three out-of-town Regattas. October - Fall series with two races each Sunday for three weeks on the River with the current, tugs, barges, log rafts, power boats and more current...capped by the Team Races. November - get ready for December. December - our Christmas Party, new Fleet Officers, new Fleet Champion, plus the outstanding announcement of the possessor of the Broken Rudder which is awarded annually for such outstanding feats in a Lightning as: Capsizing while at Anchor; Capsizing while Tied to Dock on a Windless Day; Hurrying so Fast to Retrieve Boat at the Foot of the Ramp you Forget the Trailer; Jumping Overboard to Retrieve Sunglasses during a Race with Novice Crew; and assorted other brilliant maneuvers. This is all capped off by a breakfast as Fleet 283 should not be let out on the public roads after Midnight.

Much of the success of our Fleet can be attributed to one individual, John DeBenedetti, Vice-President I.L.C.A. John is known to some as "Father Lightning" or "Dirty John" and some as "That crazy guy in front of us in the pink boat". No one else can live Lightnings like John and remain human.

As mentioned earlier, we always participate in the Portland Boat Show. We can't say we have ever sold a boat in the Boat Show, but then we aren't selling boats, we are promoting a Class. For those of you who haven't babysat a boat at a Boat Show, you would be amazed at the number of people who, although they aren't going to buy a boat, recognize the Lightning and say, "Hey, this looks like a Lightning". They then look at the sail emblem and remark "I've heard of these; they are supposed to be good boats". For those that show more interest than this, which is always quite a few, we have a sign-up sheet and **FOLLOW-UP** with a demonstration day where everyone is treated to a ride and beer. At this time, crewing possibilities are discussed. This is one area whereby being a three-man boat, the Lightning has an advantage. We discovered early that we appeal to a rather narrow audience of outsiders. The athletes want their Trapezes and the people over thirty that haven't sailed before want a Tupperware twenty-five with head, bunks, and motor. However, there are a lot of people left after this. We have also discovered that selling the boat on its daysailer points is useless. One - because it doesn't compare well as a daysailer; and two - the boat will disappear from the Fleet. Of the approximately 45 boats in the Portland area, 30 can be considered active. On Tuesday nights this Spring, we averaged 18 boats on the line

and on Sundays, 23. The Boat Show, as I said, doesn't sell boats, however, it picks up crew and Associate Members for our Fleet who, in many instances, go on to buy a boat later.

Our Fleet meets the first Friday of every month except during July, August and December. We skip July and August because it's a lull in frantic sailing activity and December because we have our traditional Christmas bash. Meeting or not, there is always our monthly newsletter, "The Windbag". This is mailed to all Fleet members, Associates and Crew. This way everybody is kept abreast of what happened, is happening and will happen. This we feel is important to our marginally active members — some of us show up all the time, some of us most of the time — but we still have to keep track of and keep informed those who show up once in a while.

In August we traditionally go to Yale Lake, a nearby mountain lake, for the weekend. We, as a Fleet, eat, drink, swim, sail, play ball, drink, tell stories, drink, sail, drink, and have a generally fine weekend with the kids and friends. Some even bring their boats.

Our January Mid-Winter Weekend Meeting and Skiing Trip is conducted on a District Level and we have a prime sailor speaking (in the past, Bruce Goldsmith and Bill Shore).

Starting this year we have added another family get-together at a coastal lake in September. It's a repeat of August, but the beach is different from the Mountains.

Basically, our promotion of the Lightning boils down to enthusiastic, outgoing, friendly assistance to anyone we encounter who acts interested in Centerboard Boats.

## SANDY BEACH YACHT CLUB BEST FLEET REPORT

A few years ago Fleet 78 was down to a handful of boats. These were enthusiastic and skillful skippers but sometimes they were hard pressed to have three boats at the start for a race.

Now, the roster stands at 16 boats and our fleet is the most active in the Lake Erie District.

Much of our present success rests with the core of sailors supporting our program when it was small. Skippers like Tom Lafferty, Bob Schmidt and Jim Walsh were our backbone at that time and continue to be avid supporters.

However, much of our growth centers on a few salient points which other fleets might be able to adopt. First and foremost, ours is a "do it yourself" club. We have a weekly work night, winter and summer. In addition to the obvious contributions to the physical welfare of the club and waterfront, it affords our members the opportunity for talk and fellowship.

Secondly, a few years ago, our membership adopted an intermediate category. This was available only to men under thirty at reduced dues. The effect of this was almost instantaneous. New, younger, members, as well as sons of members, joined and many of these quickly turned into Lightning skippers.

At this time a good dry sailing area was established and the hoisting equipment improved. This combination is extremely important to a growing Lightning fleet. Boats must be conveniently launched, retrieved and stored.

Throughout this growth period, our fleet had a dedicated and proficient race committee. A former Lightning sailor, Jack Taggart, and his race committee was there every Sunday and running a very precise race. His effort was complimented by club power boaters who provided the committee boat on a rotating basis.

All these are certainly contributing factors: however, the most important is an intangible enthusiasm which exists among our skippers and their crews. Fleet 78 is always well represented at all District Regattas and whether on the water or in the touch football games, they are in the thick of the action.

The size of Lightning fleets within a club are cyclic. They change with the years and have their ups and downs. But, over and above the sheer numbers of boats in the fleet, the people involved are the most vital to a fleet's success. Enthusiasm is infectious. No formula can create it, but with a concerted effort the excitement of racing a Lightning can be imparted to others and fleets will prosper.

# FLEET 50 PLANNING NOTES

## Seminars

4 at monthly intervals; rotate members' homes starting in January.

Meet at 8 P.M. from 1½ to 2 hours.

Activity Chairman maintains beer, coke and chips with advance from fleet. Stock is maintained by contributions at a little more than the unit cost of a beer or a coke.

Speakers are drawn from our fleet, that of Fleet 329.

Subjects - The boat, the windward leg, reaching, running, spinnaker work, wind and weather, boat construction, sailmaking, crew duties, yacht etiquette, etc.

We combine with a sister fleet (329) in one or more seminars and try to co-sponsor one seminar with a nationally ranked sailor (who is on his way to the Southern Circuit). 1974 was Bill Shore, 1975 was Tommy Allen (snowed out), 1976?

## Warm Weather Activities

We try for one major fleet activity per month. These, with the exception of the Walter Cup Regatta Party, are usually quite informal and are family and/or crew oriented.

Events well attended have been (we don't do all these in one season):

### Spring Regatta Picnic

\$2/head (\$1/kid), hamburgers, hot dogs, cokes and beer by fleet. Salads, desserts, other good things by the ladies.

### Down River Picnic

Sail to marina and picnic ground for lunch and back. We have two, one 4 miles from launch point and another at about 8 miles.

### Mystery Sail

Treasure hunt on the water using Clorox bottles anchored by coffee cans with eye bolts poured in concrete.

### Boat and Sail Measuring Party

Measure sails, boat arcs, masts, weigh boats, masts, etc., and then have picnic.

### Ladies Day Picnic

Ladies (wives, daughters, crew) skipper boats in short races, and then have picnic.

### Slalom Racing

Two or more side by side courses with Clorox bottles, etc., for flags to mark gates. This one's on the planning boards.

### Walter Collier Party

We hold an annual picnic in September. Fleet provides main course and beverages.

## Winter Sailing (Frostbiting)

### Alternate Saturdays (wetsuits mandatory)

Severn Sailing sponsored by Fleet 329; two or three crew, race is cancelled if a boat capsizes, safety reasons naturally. If they can't break the ice out to the course they cancel the race.

### Occasional Sailing

On the Potomac with one Frostbite Race in February or March sponsored by P.R.S.A. - Usually a spontaneous event with starts for several fleets; Lightnings, Lasers, and one or two other fleets.

## Sailing Events

### P.R.S.A. Spring Series (Potomac River Sailing Assoc.)

Weekly - alternate Saturdays and Sundays.

Starting late March or early April.

Ending week before Memorial Day.

We take 2 byes - one for the Azalea Regatta - one for an S.S.A. Regatta. P.R.S.A. Race Committee duty rotates fleet by fleet, we take our turn. Series stops prior to Memorial Day.

### P.R.S.A. Spring Regatta

Memorial Day weekend unless hydroplane racing schedule interferes.

P.R.S.A. Fall Series - weekly - alternating Saturdays and Sundays - terminates about 1st weekend in November

### Special Events

**Norfolk Azalea Regatta** - Naval Base in Norfolk.

Last weekend in April or first in May. We have been attending this one in strength 9 - 11 boats and 30 to 45 people. We try to reserve all rooms in the same motel and make a fleet and family weekend out of it.

**Maryland Governor's Cup** - Severn Sailing Assoc. - September

Home and Home - Fleet 329/Fleet 50 challenge.

Uses Walter Colier Cup as the Fleet 50 end of challenge and Severn Sailing Assoc. as Fleet 329 end of challenge.

**Quantico** - Quantico Marine Base - October.

This event, last major Lightning Regatta of the year, usually draws everybody who can get there and a large Fleet Spectator Group. The competition and hospitality is super.

### Special Sailing Events

Other regattas regularly attended by boats from our fleet: Myles River, S. S. A. (Severn Sailing Assoc. - Fleet 329's home port) for a number of regattas, Smith Mountain, Havre de Grace, and of course, Rehobeth.

### Annual Banquet

Our Annual Banquet normally closes out the end of our year and usually is held in one of the few places overlooking the river which have a function room which can accomodate 50 people. The program this year and last included three or four Carrouseles in an automatic slide projector which portrayed fleet events. This year it included pictures of the "Tall Ships" and our fleet events.

Usually we have a speaker from the boating world. We have had Jack Lynch from Haarstick Sails & Larry Kaltman, Sailing Editor from the Washington Post in recent years.

The slide show which is run unattended all evening, except during the meal and speech, is most popular.

### Fleet Promotion

1. Membership Chairman (volunteer)

- a. maintains card file of all boats in area.
- b. maintains ownership file.
- c. writes welcome letter to all owners who are new to their boats or new to the area.
- d. phones all of the above (if possible) and invites them to participate in fleet functions.

2. Participation in P.R.S.A.'s (Potomac River Sailing Assoc.)

Open House at the local Marina - wherein all fourteen fleets provide one of their boats and people to answer questions about it for the general public. Boats are placed on trailers. In light winds the sails are raised. We are not allowed to publicly advertise this event because we are on U.S. Public Park Service land with minimal parking. It does however get good attendance.

3. We maintain a bulletin board with Newsletter on it in the Washington Sailing Marine where we sail.

4. Our Newsletter of which there are four to eight in number per year is one of our strongest Public Relations tools. A high quality Newsletter is so much a standard with us that it is taken for granted. We have been blessed with an unusually fine string of editors. We pick somebody that's a worker and relatively new to the fleet. He shortly learns "everything and everybody". He quite often goes on to become a skipper within a few years.

5. Telephone Call List

Each officer takes a sheet of the fleet roster and calls everybody in the fleet several days before each event.

The previous year's junior champion gets to set up the same kind of a committee for the junior sailing. The word thus gets out quickly and efficiently.

### Junior Sailing

Starting the Saturday in June that school lets out and held on alternate weeks and around other major events, we sponsor junior sailing. We start about 10 a.m. when the power on the crane comes on and race on an extremely informal basis. This year for the first time we had a one day regatta at the end of the season just before Labor Day. This one day regatta works well as it allows juniors with jobs and vacation schedules to plan for one day.

Our junior program has to be flexible. Five years ago we had a number of 12 to 15 year old people and sailed with a senior advisor in each boat to teach the kids how to sail. Today we still have some of the same people and quite a group of 16 to 20 year olds in addition who need no senior advisor.

We typically draw three to seven boats and race short courses. On the rare occasions when only two show we are apt to practice starts. For the first two races, crews usually sail their own boats. After that everything is free form including whatever seniors are around.

Junior sailing program is open to any Lightning Sailor in the area. More especially regular crews of seniors and neighborhood kids sponsored by seniors. No Club, fleet or international association is necessary. These Saturday events are great training ground for crews. One rule - Seniors don't sail with their own juniors.

# UPWIND ORGANIZATION

## --Getting Help From Your Crew

By Bob Hutchinson

In 1968 I bought a brand new Lightning and joined Monmouth Boat Club on the fluky air Navesink River at Red Bank, N.J. The first weekend I concentrated on steering and took pot luck on the shifts. The result was that even the kids in Bluejays took less time getting to the weather mark than I. Although their Bluejays went slower than my Lightning, the kids were sailing a much shorter course. Over the next month I abandoned my concentration on steering in favor of looking around and trying to play the shifts. The result was that the speed of my new Lightning slowed to that of a Bluejay. Also, my shift picking did not improve, because I did not know what to look for. Relative to me, the other Lightning skippers seemed to be able to both steer and look around for shifts at the same time and do both well.

My racing record was much better in 1976 than it was in 1968, even though I still can not steer fast and look around at the same time. The solution has been an organization by which the crew does all the looking around. This organization includes a scheme by which the crew reduces the data obtained and a list of terms used to communicate the reduced data to the skipper. The reason for the data reduction is to keep things simple for the skipper. The mental effort of data reduction is off-loaded from the skipper's brain onto the crew's. The list of terms is designed to maximize information per syllable with the goal of minimizing the number of syllables needed to convey the reduced data to the skipper.

The things I use the crew to tell me and the reduced form and terms used for each come next.

**COMPASS:** Before the race we estimate the mean sailing direction on which ever tack is most convenient, and I tell the crew what angle to assume the boat tacks through (usually 80 degrees is assumed). The above mean is the reference for that tack. The crew computes the reference for the other tack using the eighty degree assumption. During the race the crew reports "zero" if our heading is equal to the reference for that tack. If the heading is greater or less than the reference, the report is "plus x" or "minus x", respectively, where x is the number of degrees by which the heading and the reference differ. For example, if the heading is 30 degrees and the reference for that tack is 15 degrees, the crew reports "plus 15". If the heading had been 5 degrees, the report would have been "minus 10". NOTE: A heading clockwise (to the right) of the reference is by definition more positive. A heading counterclockwise (to the left) of the reference is more negative. Things get messy when the heading and reference are on opposite sides of 0/360 of the compass. For example if the reference was 355 and the heading was 10, the report would be "plus 15".

The beauty of this system for the skipper is that (assuming my 80 degree tack assumption was correct) if the wind holds

steady the crew's report after tacking should be the same as it was on the old tack. If it is not, then the wind has changed.

The mental arithmetic requirement on the crew is considerable especially when you remember that he is tacking the jib, hiking out, and going through waves at the same time. Bob Heick, my regular jib man for many years, is excellent in this regard. In fact, he will even pick the initial reference and apply a default assumption of 80 degree tacks, if I forget my part; and I get my reports anyway.

**WEATHER MARK:** Weather mark location is described by the angle between the direction to the mark and the center line of the boat. If the mark is dead ahead, this angle is zero. To aid in estimating and reporting this angle, colored sighting lines (strips of tape) are installed on the side deck. These lines are colored red, black, green, and yellow. They are at angles of 45, 75, 85, and 90 degrees to the centerline. The crew reports the color of the nearest line and an estimate of the angle to that nearest line in degrees. For example if the weather mark was 70 degrees to the centerline, the report would be "5 ahead of the black."

Sometimes the crew will know the weather mark angle only approximately. In this instance, he reports his knowledge in terms of a best guess and a measure of uncertainty—ie. "10 behind the red plus or minus 20 degrees". Many crews untrained in my scheme would report, "I don't know", when actually they had the approximate knowledge above. Such a report does not provide the skipper with any of the knowledge available.

**SAILING ANGLE OF BOATS ON OUR TACK:** Boats sailing parallel to us are reported as "same". Boats lifted relative to us are described as "lifted" or "up"; boats headed relative to us are described as "headed" or "down". The estimated amount of up or down is expressed in degrees—NEVER in words like: "a little", "a lot", "slightly", etc.

**SAILING ANGLE OF BOATS ON OPPOSITE TACK:** Boats sailing perpendicular to us are described as "90" (90 degrees). Boats sailing at less than 90 degrees or greater than 90 degrees to us are reported as "less than 90" or "more than 90", respectively. A boat on the opposite tack is NEVER described as "up" or "down", "lifted" or "headed". These terms are reserved for boats on the same tack as us. This convention eliminates the need to add the words "port tack" or "starboard tack" to reports describing the sailing angles of other boats. If we are on port tack, I am told about starboard tack boats which we are in danger of fouling.

**JIB TRIM:** The trim of the jib is always described to me by

the location of the top batten with respect to either the spreader end or a band of tape 5" from the spreader end. If the crew is hiking to weather, he estimates the batten position. Thus I only need contend with one format of jib trim report.

**MAINSAIL TRIM:** The crew works the backstay which has a 10:1 ratio and leads to a WACO 360 on the centerboard trunk just aft of the thwart seat. The control line has marks in three places. The least tight mark is one black band, the next is two black bands, and the tightest is three black bands. These backstay settings correspond to my understanding of what Bruce Goldsmith means when he speaks of 1st, 2nd, and 3rd gear mainsail shape.

The middle crew and I communicate backstay settings in terms of these three marks using words like: "one", "two", "one and a half", "three", etc. The number of backstay changes per weather leg ranges from zero to thirty.

The use of reference marks on the control line obviously precludes the use of a double ended arrangement with a backstay control lead to both sides of the cockpit. This is the reason we do not use the popular double ended arrangement. On my previous boat we had a double ended arrangement and put reference marks at the stern of the boat where the backstay enters the aft deck. There are two reasons why the marks should be on the control line instead. One, they are easier to see in a hurry. Two, if the crew sets the mark one inch off with my rig the backstay length is only off by a tenth of an inch versus a full inch for marks at the stern.

Sometimes I even ask the middlecrew to tell me how far the aft end of the boom is to leeward of the centerline. I usually ask this in rough big wave water, like Lake Michigan off Sheyogan at the '76 NAs. Living on a flat river, I do not get enough rough water miles of practice per season. My only hope is to never take my eyes off the waves and concentrate on steering. Thus I do not want to look aft at the end of the boom even for an instant.

I trim the mainsheet myself and use yarns about 40% aft in the upper half of the sail plus seat of the pants feel to determine mainsheet settings.

#### **DO CREWS LIKE TO THINK?**

Some people have told me that crews do not like to think and that the organization described above will make it hard for me to get and keep a good crew. My thoughts on this are that nearly everyone agrees that a good crew must be at least mechanically good and concentrate on sail trim etc. for the entire race. Well, concentration takes mental effort. I have found that people who have good concentration and like to concentrate also like to think and are good at it. (If you have a crew of daydreamers, forget this article!) Furthermore, the crew soon learns everything that the skipper knows about racing a Lightning since the crew gathers all of the information used to make decisions and adjustments. Intelligent crews recognize this, consider it an advantage, and are thereby attracted.

#### **CONCLUSION & ACKNOWLEDGEMENT**

I have found that my organization is most successful on larger bodies of water with steadier wind—the type places where major regattas are hopefully held. This organization has worked least well on my own fluky wind river.

From the above description of the organization of my boat, it must be clear that I owe a lot more to my crew than most skippers do when we do well. This year Bob Heick and Eric Olving accomplished all the above described duties and more well enough to drag their mediocre skipper, who had never made the Blue Fleet before, up to 8th place in the NAs thereby qualifying for the 77 Worlds in Switzerland. A grateful skipper says Thank You! I believe the editor is well aware of this and that is why I was asked to write on the subject. I hope some of you find this useful.

District Runner-Up . . . . . Walmor Gomes Soares

Fleets: Sao Paulo (147); Florianopolis (162); Niteroi (351); Pernambuco (373); Brasilia (375); Guanabara (401); Guarapiranga (462).

The highlight of the 1976 season was the XIX Brazilian Championship. This Championship corresponds to the Brazil District Championship since the whole country is grouped into one district. Twenty-two boats attended representing the fleets from the states of Santa Catarina, Sao Paulo, Rio de Janeiro and Pernambuco, with the host fleet of Recife. For the Lightning sailors from the South the races in Recife are always a delight. To sail in a tropical climate, under mild but steady winds and not too rough a sea, is extremely enjoyable. The races are run in a large sea area located between beautiful beaches literally covered with palm trees and a well defined line of coral reefs. The hospitality of northeastern Brazilians is a well known fact, but at the Championship they were just superb. The major problems we had to face were the distances we had to cover to reach the city of Recife (from Rio 2,500 km, Sao Paulo 2,700 km and Florianopolis 3,400 km). However all this did pay off by the excellent organization of the Championship, the nice weather and the spectacular closing with a Carnival ball at the host club, Cabanga Yacht Club.

After 6 races considering the five best results were: Champion Robert Buckup, Sao Paulo; followed by Walmor Soares, Florianopolis; Claudio Abramowitz, Sao Paulo, third, Claudio Kunze, Sao Paulo, fourth, and Denis Clemence, Rio, fifth. The next Championship will be run February 1977 in Florianopolis, the capital of Santa Catarina State almost at the south end of Brazil. At international events special mention is to be given to Mario Buckup, current World Champion, who recently was tenth in the North American Championships at Sheboygan. Mario once again was very complimentary about the attentions and friendly hospitality he always receives from our North American friends.

Concerning the South American area, we must comment on the performance of Brazil in the XXII South American Championship which was sailed in October 1976 in Buenos Aires, Argentina. Our Argentine friends, under the leadership of Alberto Migone, did a tremendous job in organizing a perfect championship. Our district brought home the following results: Robert Buckup, first; Walmor Soares, third; Claudio Abramowitz, fourth.

Considering the development and growth of our district it should be noted that we are presently being handicapped by severe import restrictions imposed by the Brazilian government affecting boats, sails and related items. Therefore, we will have to keep and conserve our current sailing equipment until things change again. To alleviate this difficult situation we have the local production of oval masts. First units, approved by ILCA will be delivered soon.

## CALIFORNIA DISTRICT

District Commodore . . . . . Charles Gotschalk  
District Secretary . . . . . Mark Patty  
District Champion . . . . . Warren Gross  
District Runner-Up . . . . . Wendell Harter

Fleets: Santa Monica Bay (102); Mission Bay (194); San Francisco Bay (372).

District activities followed an active schedule starting with the California Circuit Regatta during Easter week and finishing with the Hurricane Gulch Regatta in October. In addition, individual fleet races are held on a year-round basis at all three clubs.

Nineteen Lightnings assembled at King Harbor Yacht Club in Los Angeles on Sunday, April 11, for the opening of the Tenth Annual California Circuit Regatta. Seven boats came from Island Yacht Club in San Francisco, seven from Mission Bay, and five boats represented the Santa Monica Bay Fleet. Two races of approximately seven miles each were sailed in the ocean in relatively light airs. Local talent, Wendell Harter, won the first one, followed by Warren Gross of

Mission Bay, Jack McCarthy of San Francisco; Bob Newman, Santa Monica; and Mark Patty of San Francisco. The leaders switched places in the second race, which was won by Warren Gross, after whom came Harter, McCarthy; Stan Starkey, of San Francisco; and Charlie Gotschalk, of San Diego. That night the fleet at King Harbor Yacht Club put on a great steak dinner!

The final race of this series sailed on Monday, was won by Jack McCarthy, with Gross, Starkey, Myron Lyon, of San Diego, and Wendell Harter following him in. The trophy winners for the King Harbor part of the California circuit were: Warren Gross, first, Jack McCarthy, second; Wendell Harter, third; Stan Starkey, fourth; and Bill Hole, of San Francisco, fifth.

Tuesday was a layover day in which the boats were trailered to Coronado Yacht Club in San Diego for the next segment of the circuit. Wednesday, two races were sailed in San Diego Bay. The first in light airs, the second, in increasing winds. Myron Lyon won the first race with Gross; McCarthy, Harter; and Wayne Fitch, of San Francisco, trying unsuccessfully to catch him. In the next race, Warren Gross nipped Harter and Knauer of San Diego right on the finish line. Stan Starkey and Mark Patty were only a split second behind. All enjoyed a chili dinner that night at Coronado Yacht Club.

Thursday was the day for the marathon race of 15 miles from Coronado Yacht Club in San Diego Bay, around Point Loma, through the ocean to Mission Bay Yacht Club in Mission Bay. High winds and small craft warnings forced the race committee to cancel this race and substitute another in San Diego Bay. However, by the time the boats got to the starting line in the southern part of the Bay, winds were blowing in excess of 25 knots and high seas were putting plenty of water into the boats. As a result, the race was cancelled, leaving trophy winners of the abbreviated Coronado series: Warren Gross, first; Wendell Harter, second; Myron Lyon, third; Jack McCarthy, fourth; Stan Starkey, fifth.

Boats were then trailered to Mission Bay Yacht Club for the third regatta of the circuit. Another great steak dinner was held at Mission Bay Yacht Club that night with about 65 people in attendance.

On Friday, Southern California had strong windstorms with extremely gusty winds topping 25 knots at Mission Bay and up to 80 knots in San Diego County. So once again, the races were cancelled.

The top five of the somewhat abbreviated overall California circuit were: Warren Gross, first; Wendell Harter, second; Jack McCarthy, third; Stan Starkey, fourth; Bill Hole, fifth. Mark Patty, Myron Lyon, Fred Knauer, Wayne Fitch, and Charlie Gotschalk rounded out the top ten finishers.

A district meeting immediately following the circuit voted to make the circuit winner the District Champion this year because of difficulties experienced in scheduling a place and time for separate District Championships. Warren Gross, in addition to winning the overall circuit, is also the California District Champion for 1976. The California district was well represented at the Pacific Coast Championships in Klamath Falls, Oregon in July. There were a total of 42 Lightnings on the line from as far away as San Diego, California, and Vancouver, British Columbia. Six California skippers, finished on the top 3rd of the fleet, with Wendell Harter, sixth; Warren Gross, seventh; Myron Lyon, eighth; Wayne Fitch, ninth; Jack McCarthy, tenth; Stan Starkey, 11th, and Charlie Gotschalk, 14th. The Starkeys' won The Wendell Harter Trophy for the top finishing all family boat.

Six boats from San Diego joined seven boats from King Harbor and five from San Francisco for the Billy Boswell Memorial Regatta at Lake Cachuma, just north of Santa Barbara, on September 11 and 12. All boats traveled through many hours of rain and heavy traffic to get there. Saturday started overcast and blustery with small craft warnings flying but the wind gradually eased off. Myron Lyon won the first race, followed by Mark Patty, Bill Hole, Warren Gross, and Quintin Foster, of King Harbor. The second race was taken by Stan Starkey followed by Warren Gross, Charlie Gotschalk, Bill Arnold, and Linda McCarthy, from San Francisco. That night there was a "cook your own dinner party" at the campgrounds followed by a district meeting at which Charlie Gotschalk was elected District Commodore and Mark Patty, Secretary.

Sunday was sunny with brisk winds of 12 to 18 knots. Gross won the third race over Lyon, followed by McCarthy, Starkey, and Fitch. The fourth and final race was the most interesting. The first five boats rounded mark #3 in the wrong direction. Warren Gross was the first to round correctly, but Lyon, Gotschalk, and Starkey, being so far ahead, did not notice this and proceeded on only to be rewarded

with DNF's. This cost Myron Lyon first place in the regatta and cost Gotschalk a trophy, too. Warren Gross won the race, followed by Mark Patty, Bill Hole, Fred Knauer, and Hugh Kimball, of San Diego. Trophy winners for the Billy Boswell Memorial Regatta were: Warren Gross, first; Bill Hole, second; Jack McCarthy, third; Myron Lyon, fourth; Stan Starkey, fifth. It was as usual a great weekend at the lake.

On September 25 and 26, nine boats sailed in the Bowen Memorial Regatta hosted by Fleet 194 at Mission Bay Yacht Club, San Diego. Three boats from King Harbor Yacht Club joined six local boats. Saturday morning was so calm the boats had to be towed out into the ocean. The first race was sailed in extremely light airs, including holes and shifts. Warren Gross, Myron Lyon and Chris Gotschalk, son of Charlie Gotschalk, finished first, second and third, respectively. Mark Patty, who recently moved to Los Angeles from San Francisco, and currently of King Harbor Yacht Club, was fourth followed by Hank Fastenau, of Mission Bay Yacht Club. The second race had breezes of two to four miles per hour; again, hardly noticeable. The top three boats from the first race again jumped into the lead, and had a tremendous fight with places changing all the way to the finish mark, where Chris Gotschalk just nipped Myron Lyon and Warren Gross. Fred Knauer passed Hugh Kimball right at the finish line by about three seconds, giving them fourth and fifth places, respectively. At the end of Saturday's racing, Chris Gotschalk and Warren Gross were tied with three and three-quarter points and Myron Lyon only one-quarter point behind. There was a fine steak dinner at Mission Bay Yacht Club that night. (Ed. Note — they certainly eat a lot of steak out west.)

Sunday was a more normal day in the ocean with winds of 5 to 12 knots, starting light and increasing throughout the race. This time Myron Lyon jumped out into an early lead and held it throughout to win the regatta. Warren Gross and Chris Gotschalk followed to clinch second and third places, respectively. Mark Patty took fourth, followed by Fred Knauer who passed Quintin Foster on the last tack of the final beat and also nipped Kimball at the finish line to earn the fifth place trophy. By a rare coincidence, the order of finish of all nine racers in the last race was also the order of their final standings. Unique trophies consisting of a Lightning flash made of red glass, leaded on the borders and joints, and set in a wood pedestal containing a plaque commemorating Bowen Memorial Regatta, were presented Sunday afternoon.

Two weeks later, San Diego and King Harbor fleets again joined together in the Hurricane Gulch Regatta at Redondo Beach. The first race was a long one of over 12 miles in mostly drifting conditions. It was won by Mark Patty, with John Lyon, son of Myron Lyon, and Charlie Gotschalk following. The first race on Sunday was delayed by fog and was also sailed in light winds. Warren Gross won both Sunday races, followed in each by John Lyon. Bob Newman, of King Harbor Yacht Club, was third in the second race and Mark Patty third in the third race. Trophy winners were: John Lyon, first; Mark Patty, second; Warren Gross, third; Charlie Gotschalk, fourth; Quintin Foster, fifth. John Lyon and Charlie Gotschalk also brought home trophies from the first race on Saturday which had an additional designation as the KHYC Cecil R. King Handicap Race.

For 1977, we're looking forward to even greater participation by all fleets at district events. Consideration is being given to an additional regatta at Lake Cachuma because of its relative proximity to both the San Diego and San Francisco fleets in order to promote more state-wide participation. In closing, there are probably few Lightning districts in the world that can boast year-round ocean, bay and lake sailing within relatively easy driving distance. All three fleets again extend an open invitation to all Lightning skippers visiting or relocating to California.

Congratulations are in order to Bob Adams as the 1976-77 I.L.C.A. President. He has been an outstanding member of the Central Atlantic District for many years and we are sure he will also be outstanding in this new undertaking.

We began to THINK SAILING at our annual winter meeting and seminar which was held in conjunction with the Metropolitan District at the Monmouth Boat Club. Guest lecturer was Bruce Goldsmith with interesting facts on sail shapes, mast position, and a lot of "how to" for those of us who are usually not in the top ten.

This early THINK SAILING put a spark in four of our members, Bill Newman, Bob Adams, Jim Carson, and Jack Elfman, to attend the Southern Circuit. Jack and Jim finished in the top eight overall with impressive regatta finishes for Jack with a fourth at St. Petersburg and for Jim with a fourth at Miami.

For the "I don't like to travel too far sailors" our season began with excellent participation at the Long John Regatta at Monmouth Boat Club. Jack Elfman outsailed the other "heavies" to capture top honors. The Spring Series at Metedeconk River was taken by Mike Schon and Jay Lutz, as co-skippers, and the Early Bird Series hosted by Brant Beach went to Glenn and Carl Reitingier.

Bay Head hosted two excellent regattas, the Spring Tune Up and the New Jersey States. Jim Carson, with the Long John as his tune-up, sailed well on "his favorite river" and finished first. In the States, the Green Island Course was to the liking of both Jon Schwartz of Monmouth and Jack Elfman of Surf City who were tied at the conclusion of two races in a twenty-four boat fleet. The third race saw Jack beat out Jon and capture the first place silver with Jon second and Jim Carson third. The Governor's Cup, held at Riverton, was won by Djoerd Hoekstra followed by Gary Swangler and Hugh Hutchinson.

The highlight of this season was our FIRST JUNIOR CAD CHAMPIONSHIP hosted by the Surf City Fleet. Seven different fleets were represented in the five race championship. Congratulations to all sailors and especially to Jay Lutz with Don Schon and Dick "the mop" Thomas who put it all together to win. Metedeconk River dominated the series taking three out of the top four. Second place was won by John Skinner of Surf City, third going to Paul Gelenitis, and fourth to Mark Beaton. This event marks the beginning of a tradition which will only spark new life into the Lightning Class.

The stellar event of each season is the District Championship. The Brant Beach Fleet hosted this series with Alan Ruiter coming from the rear of the fleet in the final race to win just nosing out Jim Carson by one point. The top ten finishers were: A. Ruiter, J. Carson, R. Adams, W. Newman, D. Ruiter, M. Forhecz, R. Messersmith, J. Elfman, D. Hoekstra, and W. Schon. Several sailors deserve mention—Mark Forhecz for qualifying for the NA's, Butch Schon for his top ten finish, George Betz who seems to enjoy the water at the jibe mark, Barbara and Kris Ann, the all girl super crew for Bill Newman, and "Fubar" for his excellent feat of climbing the mast to insert the mast head fly with glass in hand. It was an excellent regatta enjoyed by all and a thank you to Brant Beach Y.C. and to Ed Serrill and Bob Feiler of the host club for a job well done.

The Junior North American Championship is the now event for the "Junior Heavies". Five juniors from our District travelled to Milwaukee to compete against 19 others for this outstanding title. The wind and the waves conquered many, but not our juniors. Jay Lutz sailed well and finished in second, two points out of first with crewmen Tom and Don Schon. Dave LaPier with Linda Schon and Mark Beaton finished fifth, Teddy Forhecz with Janice Maritz and Jim Gelenitis were eighth, Phil Dennis with Debbie Freeth and Mark Schneider were eleventh, and Paul Gelenitis with Dick Thomas and George Francis finished 15th. Our Juniors made an excellent showing and congratulations to all.

There was no stopping Jay Lutz at the NA's held at Sheboygan. Teamed with Dave LaPier and Tom Schon, they did it all by finishing in fourth place. The "handsomes" began a little slowly but finished strongly to place just four points out of second. Jack Elfman, with Joan Frazee and George Gaynor, also had a tremendous series to finish sixth — if they could only have thrown out their disastrous first race.

Atlantic Coast Championship at Severn saw our Jim Carson win decisively with Jay Lutz placing third. In the BBYRA series. Jim Carson did it again by taking the first place silver (first place 18 out of 19 years). The teaming of Dave LaPier, Mimi Dimon, and George Francis proved to pay off with Dave bringing home the second place trophy.

Bringing our sailing season to a conclusion are the many Fall Regattas. Metedeconk River's was won by the Ugly Fuzzy with three different skippers — Jay Lutz, George Francis, and Mike Schon. Second place in this series went to Werner Schon. Brant Beach's Indian Summer Regatta was blown out with 50 knot winds. The Gamma Trophy again this year was won by Bill Clausen with all first place finishes at Penn Manor, Red Dragon, and Riverton. The scores

from each of these regattas determine the winner. Second place in the three weekend series was won by Franz Schneider and third by Bucky Kloss. The 28th Annual Surf City Regatta drew many entries. Arnold Schwartz and Bob Hutchinson, both of Monmouth Boat Club, were tied going into the final race. On the last leg Arnold won. Bob did finish second followed by the Reitingers brothers, Jack Elfman, and Gordon Buzby, Jr. of Ocean City fleet.

This wraps up our annual report, but we must not forget our "also rans". Without them we would not have enjoyed our many events. It is no fun being first, second, or third, unless there is a fourth, fifth, or thirtieth. Remember, it matters not if you win or lose, it's being there that counts. Again our thanks to our skippers, their crews, and the many people at the various clubs who made our races a success. So until next season — SMOOTH SAILING.

Cheee! Every year it's the same old thing. I wish somebody would come up with a new plot. You probably thought the Triple Crown was for horses. Well, we have one in the CNYD too, and we have two H's who fight over it every year. The way they go after it, nobody else can get close enough to see what it looks like. At least horses outgrow that sort of thing after a year or two. But not these two guys. Oh no!

This year it started out innocent enough — so it seemed. One of them was second and the other fourth after the first round at Newport. That was just a cover-up though. They had shipped in a bunch of dudes from someplace out west — L.E.D. I think it's called, whatever that means. Anyway, the L.E.D. guys were presented with first and third. One of them said his name was T. Allen in boat number 9! Did you ever hear such a ridiculous story? Well, they tried to keep the smoke screen going at the second leg which was Pultneyville. One of the H's dropped all the way back to fourth. Just another snow job, though. Anyone who looked close could see he was really only one measly point out of second, while the other H was first. Well, they had jockeyed around enough so there was only a point and a quarter separating the two. Meanwhile third place was about 20 laps back.

I can't figure out why, but we humored those two by showing up at Henderson — and boy did we get soaked! By then all pretenses had fallen by the wayside while the two H's went at it. Saturday they took turns with first and second places — real generous I must say — while the rest of us were busy just trying to find a dry pair of pants. So it was all down to the last day. It was a weird finish, I must say. Three legs from the end all the guys in front stopped dead so the guys in back could catch up and mix things up a little. It was almost fun for a change. When all the dust settled — excuse me — when the rain stopped long enough so you could see the R.C., R.H. found himself with a third which gave him the old T.C., while F.H. was tagging along 4 places later. Oh well, at least that's over for another year. You see, it pays to be Commodore! (Being Secretary doesn't help, though, believe me).

There were a couple of highlights of the season, weren't there?

We had regattas at Brockport, Skaneateles, Onondaga, and the Districts were at Willow Bank. Somebody named Hallagan won all those in addition to the aforementioned fiasco at Henderson. Maybe it would be more interesting to talk about second place. Let's see, Hayden was second at the Districts, Skaneateles, Henderson, and Onondaga, but slipped up at Pultneyville with a first. Jeff Penfield was right in there several times with a second at Keuka and thirds at Henderson and Onondaga. Bob Wardwell, another tough customer, had thirds at Brockport and Pultneyville. There were a couple of bright spots in all this, though. Merle Pindell had his new boat all rarin' to go at Pultneyville and came home with a big second place. Another bright spot was Ace Finn's third at the Districts, with a suit of sails from none other than Kirk Reynolds. And how about Dave Parker's third at Skaneateles?

## 1977 CENTRAL NEW YORK DISTRICT REGATTA SCHEDULE

May 21-22	: Newport Invitational	Irondequoit Bay
June 11-12	x LSLS	Lake Delta
June 18-19	: Niagara Frontier Regatta	Buffalo CC
June 25-26	x Pultneyville Invitational	Pultneyville

July 30-31	CNYRA Regatta	Rochester Y.C.
Aug 6-7	x Champagne Regatta	Kueka Lake
Sept. 10-11	Onondaga Invitational	Liverpool
Sept. 17-18	South Skaneateles Regatta	Cortland
	x - CNY Triple Crown	
	: - Lake Erie - CNY Series	

Then there were the interlopers from Lake Erie District. Mark Bryant joined us for three weekends and went away with a big win in the 60 boat fleet at Keuka's Champagne regatta. That's the second year in a row for Mark and the bubbly stuff. He also had a second at Brockport and a fifth at Newport — fifth place that is. Tom Allen had thirds at Newport and Keuka, while Larry MacDonald, Jr. took top honors at Newport. There were more visitors, and it was great to have them all. They even invited us to join them in Buffalo for the NFIR, but the less said about that the better.

Still looking for the highlights? The guys and gals at Willow Bank really went all out to accommodate everyone and make the District regatta a fun weekend. In fact, you might say that the real highlight of the season was the hard work and planning that all the sponsoring clubs (even Henderson) put in to make the circuit a success. What would the season be like without all those hard workers. The Junior Districts preceded the main event at Willow Bank, and was won by Jim Pindell for the second year in a row. We had seven representatives at the N.A.C. and were thrilled to see (or hear and read about) the speed and skill Fisk Hayden displayed at Sheboygan.

There was one last regatta on the southern part of Skaneateles Lake in September. But what events transpired there is a deep dark secret.

### CENTRAL STATES DISTRICT

District Commodore	Don MacClymont
District Secretary	John Gall
District Measurer	Fritz Toussaint
District Champion	Donald R. MacClymont
District Runner-Up	John Gall

Fleets: Jayhawk (60); Odd Winds (296); Keystone (402); Perry (438).

The Central States District started its season with a bang when it held its District Regatta at Lake Perry, Kansas. It was a wild and woolly affair in winds ranging from 18-30 MPH. Don MacClymont in his heavy air boat *Seadeuce II* sailed a consistent series while the others had mechanical failures or decided to wash out the inside of their boats.

The Lake Perry fleet then held their Lightning Invitational with about ten boats attending. From that point on interest in interlake racing of Lightnings deteriorated to nothing. The Jayhawk Fleet 60 cancelled their invitational and the Jacomo Fleet had problems with getting permission to have out of state Lightnings overnight in the dry sail lot.

Unless the fleets in the Central States District promote local, as well as interlake Lightning racing, this area is going to consist of five or six skippers who have to travel many miles to enjoy racing their Lightnings.

### CHILE DISTRICT

District Commodore	Dr. Hernan Barahona
District Secretary	Edmundo Perez
District Treasurer	Hugo Cuneo
District Champion	Rodrigo Zuazola
District Runner-Up	Jaime Fernandez

Fleets: Yacht Club Chile (317); Algarrobo (318); Capricornio (319); Higuierillas (342); Pichidanguí (346).

The fleets of the Chilean district sailed hard this season. The races took place in Antofagasta, Algarrobo, Recreo and Pucon. This year the Chile-Peru regatta was held in Pucon, at the Villarrica lake. The first four positions went to Chile. Manuel Gonzalez won the Championship, Jaime Fernandez, runner-up. The Chilean Championship took place in Algarrobo, last April. Rodrigo Zuazola of Fleet 317 was the winner. Jaime Fernandez of fleet 318 was runner-up. In this event 26 crews took part.

Chile sent 6 crews to the South American Championship of the Lightning Class held at Olivos, Argentina. Five of them were qualified in the first ten positions. The best qualified was Manuel Gonzalez, who won a race and in the General Qualification was 5th. The Chilean team was also formed by Pablo Gallyas, Rodrigo Zuazola, German Maldonado and Alberto Gonzalez. Its crew had a bright performance considering that the average age was under 20.

Right before this Championship another Trophy Chile-Peru was disputed, this time in Recreo — Vina del Mar with following results: Pablo Gallyas, first; Rodrigo Zuazola, second; German Maldonado, third; Gunter Ritter, fourth; Gerardo Polette, fifth; Jose Barreda Moller, sixth; Guillermo Schinkel, seventh.

Jim Dressel spent a few days here in Santiago and Vina del Mar. He lectured on preparation of boats, tactic races, etc. His lectures were well appreciated by the members of the Class.

All fleets are very active, the District has 30 fiberglass boats and is now organizing the South American Championship of the Lightning Class. This task was given to the Chilean Association of Lightning at the congress held in Argentina.

### CONNECTICUT-RHODE ISLAND DISTRICT

District Commodore	Dr. Richard Thackaberry
District Vice Commodore	Dave Peterson
District Secretary	Jack Lewis
District Treasurer	Nelson Hoffman
District Measurer	Bud Olsen
District Champion	Bill Shore
District Runner-Up	Phil Griffin

Fleets: Housatonic Boat Club (6); Black Rock Yacht Club (17); Niantic Bay Yacht Club (85); Cedar Point Yacht Club (126); Madison Beach Club (129).

The 1976 Racing Season was marked by generally good breezes, much closer competition, and increased attendance at Regattas.

The season got off to a good start with the Early Bird Regatta at Cedar Point Y.C. This regatta was sailed in good fresh winds and fine weather. Jack Elfman showed the way to a very competitive fleet, followed by young Mark Bryant and Bill Shore.

Our next Regatta was the District Championships held in July in conjunction with the fogged out Connecticut Governors Cup Regatta. Housatonic Boat Club was the host of this Regatta marked by stiff breezes and even stiffer competition. Bill Shore won this regatta, closely pursued by Cedar Point sailors, Phil Griffin, John Cuccio, Christ Wurster, Jack Lewis and Dick Thackaberry in that order. Phil Griffin was awarded the Governors Cup as the top Connecticut boat.

Next came the Long Island Sound Championships held at the Madison Beach Club, Aug. 21, 22. This was a light air series and saw Dick Thackaberry nose out Dave Peterson of Niantic Bay Y.C. for first place. They were closely followed by Tom Green from Long Island.

The final Regatta of our season is one which will be long remembered for its shifty winds and shifting positions. Sailors that still had their sanity after Saturday's shifts lost it in Sunday's races which saw 75° wind shifts in two successive races. Mercifully, the Race Committee restarted one of these. The Series was won by Bill Shore, closely followed by Jim Carson, Don Brush, Dave Fitch, and Phil Griffin.

The District is able to report growth both in competitiveness and size of established fleets. There also was a resurgence of several older fleets which brings the promise of an even better season in 1977.

Finally our District is very proud to have been so ably represented at the 1976 North Americans by Bill Shore who has also been an important factor in the competitive growth of our District.

### DIXIE DISTRICT

District Commodore	George Shapiro
District Vice-Commodore	Fred Mertes
District Secretary	Art Gatenby
District Treasurer	Kitty Racine
District Champion	Dr. Don Delorme
District Runner-Up	Bill Buckley
Junior Champion	Rick Bisgyer
Junior Runner-Up	Scott Crowder

Fleets: Washington (50); Indiana River (72); North East River (192); Susquehanna (253); Sassafras River (314); Rehoboth (325); Severn River (329); Marine Corps D & E Command (354); Smith Mountain Lake (377); Hampton Roads (426).

The season started with wind and rain at the Azalea Festival Regatta in Norfolk, Virginia and ended in similar weather at the Frostbite Regatta at Quantico in October. After getting wet at the Azalea, in prior years due to boat instability, the rain made Joe Friebele feel at home and he sailed away with the first place silver. Joe was followed closely by Vice-Commodore Fred Mertes.

The Dixie is the home of the oldest Jr. District Championship. Rick Bisgyer won this years windy event followed by Scott Crowder. Jill Harper and an all girl crew took third place trophies despite a slowing capsize.

This year our Severn fleet hosted the Atlantic Coast Championship. Thirty seven boats showed up, including several of the heavies who were tuning up for the N.A.'s. Visitors Jim Carson and Jimmy Crane took first and second place. Our own Bill Buckley brought in fourth place sailing with sons Dave and Paul. Bill lent son Peter to Jimmy Crane. See what happens when you lend good talent to a competitor.

The Districts were held at Rehoboth Bay—one of the best and most delightful sailing waters on the east coast. The three day-five race championship was sailed in ideal conditions, frontal thunderstorms and wild gusty winds. The last place finisher on the last day even capsized 100 feet from the dock to signal the conclusion of this years districts. Don Delorme and Bill Buckley exchanged first and second place from last year. Joe Frieble, Steve Harper and Jimmy Crane finished in the top five. We had full coverage in the N.A.'s, President's and Governor's Cup.

Come and sail with us at Dixie in 1977.

## ECUADOR DISTRICT

District Commodore	Dieter Dyck
District Secretary	Francisco Sola
District Measurers	Felipe Eljuri and Dieter Dyck
District Champion	Francisco Sola
District Runner-Up	Juan Santos, Jr.
Junior Champion	Juan Santos, Jr.
Junior Runner-Up	Esteban Crespo

Fleets: Guayaquil Y.C. (272); Salinas Y.C. (405); Armada del Ecuador (411); Club Lago San Pablo (447).

After having held the South American Championship and the World Championship 1975 in Salinas our sailors seemed to have rested after so much activities, in spite that many new boats were bought before and after these Championships.

Early this year it was agreed between the fleets to hold the National Championship 1976 for the first time at San Pablo Lake, up in the mountains. This event took place from May 22 - 24. Six races were sailed in conditions varying from drifters to 25 MPH winds. First five places were the following: Francisco Sola, Juan Santos, Alfonso Jurado, Dieter Dyck, Werner Moeller. District officers were elected after the championship.

A few days later, early June, fleet 447 of Lake San Pablo, was able to invite Champions from North and South America for a regatta sponsored by LARK-Cigarettes and ECUATORIANA DE AVIACION. Shrub Peters kindly reported in the August 1976 *Flashes*. Mario Buckup was the winner, following by Bill Shore, Bruce Goldsmith, Dieter Dyck, Francisco Sola, and Carlos Arteaga from Peru.

Again, fleets sailed together at the "Salinas World Championship, first Commemorations", sponsored by the Salinas Yacht Club. As usual typical Salinas weather provided tricky medium winds, with compass reading being the only way to win. Francisco Sola was first with 1-1-3-2-3-1, followed by Dieter Dyck with 2-2-1-1-2-4 other finishers were Alberto Maspons, Juan Santos, and newcomer Arturo Iturralde who was showing good speed during all the races.

## FINLAND DISTRICT

District Commodore	Antti Aromaa
District Secretary	Lauri Heikkila
District Measurer	Terho Aromaa
District Champion	Lasse Hammar
District Runner-Up	Antti Ruuskanen

Fleets: Helsinki (166); Pori (306); Oulu (307); Raahe (308); Kemi (310); Jyvaslyla (328); Nasijarvi (394); Pyhaselka (428); Tuusulanjarvi (456).

1975 was a very active year for the Finland District. Sixteen new boats were built during the winter. Also we imported 20 new oval masts from the USA for our boats. In January and in April we had two different events about Lightning-sailing. About one hundred people participated in these training days.

Eight Finnish boats travelled to Switzerland for the 1976 European Championships July 10-18. Over forty Finnish people were present in Grandson. Pertti Pyy, Ritva Pyy and Lauri Heikkila from Tuusulanjarvi Fleet 456 finished third; Markku Paloma from Oulu Fleet 307 was sixth; Hartti Nisonen from Tuusulanjarvi was ninth. Other Finnish results were Antti Ruuskanen, 13th; Antti Aromaa, 15th; Seppo Lahdemäki, 19th; Ahti Immonen, 26th; and Timo Patosuo, 30th.

On The Rocks regatta opened our sailing season in May. Seven counting regattas are sailed during four months. This year the competition was very hard because the four top boats will be elected to the Finnish team for the 1977 Worlds in Switzerland. Antti Ruuskanen from Fleet 166 took first place; runner-up was Lasse Hammar, Leif Haglund, third; and Seppo Lahdemäki, fourth.

Nasijarven Purjehdusseura in Tampere hosted the Finnish District Championships June 3-6, 1976. After four days we could see that Lasse Hammar, Simo Koski, and Harry Hammar finished first. The boat was old *Rio Rita II* from Oulu Fleet. Antti Ruuskanen, Kari Kähkönen and Ilpo Hanninen from Helsinki took runner-up; Antti Aromaa, Timo Halonen and Oki Wikman from Tuusulanjarvi were third; Kari Maenpää, fourth; Vesa Tapola, fifth; Leif Haglund, sixth; Pertti Pyy, seventh; Lauri Korpinen, eighth; Seppo Lahdemäki, ninth; Markku Paloma, tenth; Ahti Immonen, 11th; Heikki Ulen, 12th; Jorma Lehtonen, 13th; Timo Patosuo, 14th; Hartti Nisonen, 15th; Jouko Lehtonen, 16th; Antti Tapola 17th; Raimo Aromaa, 18th; Esa Nordling, 19th; Osmo Tanskanen, 20th; Pertti Kuuminainen, 21st; Lauri Hamäläinen, 22nd; Antero Westerlund, 23rd; Hemmo Louhivuori, 24th; Pertti Jalonen, 25th, and Reino Moller, 26th.

The 1976 season ended on September 18-19th. During the next winter we are going to publish our own Lightning-Flashes (Litiviesti in Finnish) three times as we did last year.

We hope that next year many Finnish boats will participate at the Europeans in Italy and at the Worlds in Switzerland.

## INDIANA DISTRICT

District Commodore	George Buckingham
District Secretary	June Schubert
District Measurer	John Leath
District Champion	Tom McDermott III
District Runner-Up	John Leath
Junior Champion	Charlie Medlock

Fleets: Wawasee Yacht Club (154); Indianapolis Sailing Club (270); Mississinewa Reservoir (420); Tippecanoe Lake Yacht Club (425); Muncie Sailing Club (460); Lake Monroe Sailing Association Lightning Fleet (464).

When the lake you sail on starts to freeze you finally admit that the sailing season is over and it's time to write your report for the 1977 Lightning Year Book.

Our season started on May 1 and 2 with the Indiana Open Regatta sailed on Geist Reservoir and hosted by the Indianapolis Sailing Club. Forty-one boats representing Indiana, Illinois, Ohio and Michigan converged on the starting line on Saturday morning, ready to "run for the roses!" Sailing conditions were ideal and after the third race it was Jack Mueller, Hank Hodgson, Augie Pooli, Dick Pugh and Merle Bales holding down the first five places. The two scheduled races on Sunday had to be cancelled due to high winds so Saturday's winners carried the silver away without further challenge from the rest of the fleet.

The Hoosier Regatta was hosted by the Wawasee Yacht Club and sailed on Lake Wawasee the weekend of June 5 and 6. On Saturday the wind fluctuated between light and very light for the 27 boats on the starting line, but we did manage to get three races in before the cocktail hour started. On Sunday the wind held at light to medium

Commodore Dieter Dyck and sons at the finish.

# INDIANA DISTRICT

## 1977 Regatta Schedule

Indiana Open Regatta*	April 30 - May 1
Indianapolis Sailing Club Geist Reservoir, Indianapolis, Indiana	
Hoosier Regatta	June 18-19
Wawasee Yacht Club Lake Wawasee, Syracuse, Indiana	
Indiana District Championship**	June 25-26
Muncie Sailing Club Muncie, Indiana	
Tippecanoe YC Regatta	September 10-11
Lake Tippecanoe North Webster, Indiana	
Fleet 420 "Wanfinlapimup"	October 1-2
Mississinewa Lake, Peru, Indiana	
Lake Monroe Sailing Association	To be announced
Bloomington, Indiana	

\* First Regatta in the Northern Spring Circuit

\*\* Annual Indiana District Meeting will be held

for the two scheduled races, and when the WYC commodore passed out the trophies it was George Buckingham, first; Merle Bales, second; Ronnie Blair, third; John Leath, fourth; and Bruce Baiden, fifth.

The Indiana District Regatta was held at Michigan City on June 12 and 13. The three races on Saturday were sailed in light to medium air, but the wind on Sunday was so high that common sense and good judgment prevailed and the two scheduled races were cancelled. On the basis of the finishes in Saturday's races, Tom McDermott III was declared District Champion, with John Leath second, Bill Beard and Brad Wagner tied for third; and George Buckingham, fifth.

The Tippecanoe Regatta was held on September 10 and 11. Five races were sailed in 5 to 10 mph winds. The battle for first place was intense and not decided until the fifth race between George Buckingham of Wawasee Yacht Club, who won three races and finished second in two, and Brad Wagner of Muncie Sailing Club who won two races and finished second in the other three races. John Bundy of Tippecanoe Lake was third; Georganne Buckingham of Wawasee Yacht Club, fourth; and Herb Gawthrop of Tippecanoe Lake, fifth. Fifteen-year-old Georganne skippered her first regatta with an all junior crew of Steve Stucky, fifteen years old, and thirteen year old Rob Swihart. Experienced veteran, Ray Gans of WYC received extensive recognition by capsizing twice on Saturday. (In 5-10 mph winds!!)

Our final scheduled regatta was the "Wanfinlapimup" sailed on Mississinewa Reservoir near Peru on October 2 and 3. Thirty-three boats had arrived and were rigged for racing by 10 o'clock Saturday morning. Due to very light air the first and only race was more "ghost" than "race", but the day wasn't a total loss. Everyone had plenty of time to clean up and get to the Nixon's for their annual fun cocktail party. This year, in addition to the usual well stocked bar and elaborate hors d'oeuvres, they even trusted us enough to leave the furniture in the house. The wind on Sunday wasn't exactly gale force but it was good enough to provide two fast races so the winners could be established and rewarded. It was Jack Mueller, first; Hank Hodgson, second; "Pappa John" Mueller, third; George Buckingham, fourth; and Jim Disch, fifth.

We in Indiana think it was a good year for Lightning sailors. We saw increased participation in our regattas in particular, and a tremendous growth in the interest in sailing in general. Once the old sailing bug bites, a Lightning is sure to follow. Right? Right!

Happy Ice Boating!

## ITALIAN DISTRICT

District Commodore	Capt. V. Mario Lo Sardo
District Secretary	G. Ferdinando (Nando) De Amicis
District Champion	Luigi Merola
District Runner-Up	Nando De Amicis

Fleets: Marivela (235); Garda (249); Roma (271); Anzio (278); Lega Navala Anzio (312); La Spezia (321); Flota Degli Estensi (355); Formia (389); Flotta del Faro (390); Marsala (449); Trasi-meno (453); Flotta Del Conero (466).

The 1976 was a year of consolidation for the District. The most active fleets were the Marsala fleet with 2 boats at the Italians and 3 boats at the European Championship; the Marivela fleet with 2 and 1 boats; the Garda fleet with 2 and 2; the Jung Trasimeno Fleet with 4 boats at the Italian Championship.

The District Championship was held at Numana on the Adriatic Sea with 17 boats. The winner (out of competition) was Claude Lambelet of fleet 169 Lake of Neuchatel Switzerland. The result of Italian Championship was: 11935 *Leccia*, L. Merola, M. Lo Sardo, F. Lo Sardo fleet 235, first; 8763 *Sindbad* N. De Amicis, G. A. Soardi, A. De Amicis fleet 249, second; 12059 *Lian* G. Pellegrino, P. Zerilli, I. Martinez fleet 449, third; 12537 *Luktor*, R. Crucitti, G. Maggio, G. Maggio, G. Pecorella fleet 449, fourth; 9450 *Tretepe* S. Tremante, L. Tezza, G. B. Perin fleet 249, fifth; 12494 *Horizon 30*, P. L. Nobili, Armeni, Viviani fleet 355, sixth; 7568 *Hidalgo* G. C. Chielli, F. Nicchiarelli, Mearini fleet 453, seventh; 11168 *Svasso*, Salvetti, N. Saulini, G. Rameschi fleet 453, eighth; 10781 *Schiribilla* F. DeRegis, M. Bellini, M. Rufini fleet 453, ninth; 11244 *Winny* P. Rosi, F. Somaglia, O. Ciurnelli fleet 453, tenth.

*Italian Championship — Gianni Pellegrino third.*

The other more important regattas were hosted by fleets: 321, Trofeo Augusto Sassi; 355, Trofeo Enzo Di Lorenzo; 449 Sicilian Championship; 453, Meeting's Regatta; see the fleet's reports, please.

Six Italian boats took part in the European Championship at Gransom on Lake of Neuchatel - Switzerland. The results were not encouraging but our boats all had old wood masts! We are hopeful that we will have several oval masts for the Europeans and World Championship in 1977.

The 1977 European Championship will be organized in Italy at Numana, June 26 - July 3.

Welcome to the Europeans and Overseas Lightning Sailors.

 District Champion . . . . . Tom Allen  
 District Runner-Up . . . . . Ed Roseberry  
 District Jr. Champion . . . . . Mark Bryant  
 District Jr. Runner-Up . . . . . Sage Cutler

Fleets: Buffalo Canoe Club (12); Chautauqua Lake Y.C. (19); Silver Lake Y.C. (47); Niagara Sailing Club (59); Sandy Beach Y.C. (78); Buffalo, Y.C. (81); Cuba Lake (115); Royal Hamilton Y.C. (118); Toronto Bay (146); Conneaut Bay (180); Chautauqua (198); Dunkirk Harbor (311); London (347); Parkway Sailing Club (406); Lake Arthur L.F. (441); Lake Glendale Y.C. (444).

The 1976 season got underway with the Spring District Meeting at Sandy Beach Yacht Club. An afternoon seminar was followed by cocktails, dinner and an after-dinner talk by ILCA President Bob Smither on "What's New in the Lightning Class."

For the first time, the Newport Yacht Club Invitational Regatta, held in May, was one half of an interdistrict series between the Central New York District and the Lake Erie District with the Niagara Frontier Invitational Regatta completing the series. The winner at Newport was Larry MacDonald Jr., with Dick Hallagan second and Tom Allen, third.

At the Niagara Frontier Invitational Regatta June 12th and 13th, fifty Lightnings tested the water of Abino Bay. Overall winner was Matt Fisher with Bill Shore second and Ed Roseberry third.

Winners of the interdistrict competition were Larry MacDonald Jr. first, Mark Bryant second and Ed Roseberry third.

Every weekend found us at another regatta, totaling some 75 races during the season for those who chose to travel. It is impossible to recap each regatta, but competition was keen and the Lake Erie District certainly had a successful season.

The District Regattas were held at the Chautauqua Lake Yacht Club July 22 to 25. Winner of the John Y. Sloan Junior Championship was our capable Mark Bryant. Sage Cutler was runner-up and Phil Barth was third. In the District Regatta, plagued by high winds and rain, Tom Allen came through the winner. Others who qualified, in order, were Ed Roseberry — BCC, Larry MacDonald, Jr. — RHYC, Jim Neville — CLYC, Mark Bryant — SBYC, Stu Anderson — BCC, Bill Neal — SLYC, Mike Huffman — BCC, Dick Ferrick — BCC and Cal Schmiede — NSC.

The Canadian Open Regatta was held in Hamilton at the Royal Hamilton Yacht Club. Problems included the weather, fifty-odd competitive Lightnings and ocean-going freighters cutting across the race course at precisely the wrong time. Overcoming all obstacles was the winner, Dick Hallagan, with Tom Allen second and Mike Huffman and Mark Bryant tied for third.

In the Junior North Americans at Milwaukee, we were proud and happy to see Mark Bryant win the Championship.

The Lake Erie District placed six boats in the North American Championship fleet at Sheboygan and three in the President's Cup. None of our boats won, but it was a great adventure.

The third annual Old Salts Regatta, for the young at heart (over 50), was held at BCC in August. The old salts ranged in age from 50 to 84! Winner was "forever young" Matt Bryant with former ILCA President Jack Swanson second and Ward Wilday third.

The Northern Fall Circuit includes regattas at Dunkirk on Lake Erie, Silver Lake, and Sandy Beach Yacht Club on the Upper Niagara River. Placing at Dunkirk were Stu Anderson, Tom Allen and Larry MacDonald, Jr. in that order. At Silver Lake, the highest lake east of the Rockies, Larry MacDonald, Jr. was first. Fisk Hayden second and Dick Hallagan third. Mark Bryant was first at Sandy Beach, Dick Hallagan second and Fisk Hayden third. The Northern Fall Circuit winner was Stu Anderson, Tom Allen was second and Larry MacDonald was third.

Congratulations to Larry MacDonald, Jr. who was runner-up in the Sears Cup Finals in Miami. We can expect him to be tough competition on the race course next year.

Overall, the Lake Erie District had a busy and satisfactory schedule. Our Commodore, John Y. Sloan III, is to be commended for his hard work, dedication, and leadership in the interests of the Lake Erie District.

## LONG ISLAND DISTRICT

District Commodore . . . . . Richard D. Kopka  
 District Secretary . . . . . Frank Marianaccio  
 District Champion . . . . . Bill Jorch

Fleets: Sheepshead Bay (38); Northport Bay (98); Manhasset Bay (133); Great South Bay (178); Woodmere Bay (300); Southampton (431).

The Long Island District had a fantastic season this year with the District Championships being held at the beautiful Centerport Yacht Club. Eighteen boats showed up for the three race series. The event was won by the out going District Commodore Bill Jorch with second going to Wally Carucci of Southampton and third to Tom Green of Narrasketuck. It was a shame that these fine sailors were unable to go to the North Americans due to prior commitments.

Many of the local fleets have shown a decrease in membership throughout the year but this was not so with the people of fleet 178, Great South Bay. This fleet has not only held its own but has gained many new Lightning owners with juniors more than willing to crew for the old folks. Perhaps the reason for the success of this fleet is the excellent weather on the South Shore of Long Island, the water may be a little "Thin" but the wind blows like STINK out of the Southwest every day around 2 PM making for some wild spinny rides.

## METROPOLITAN DISTRICT

District Commodore . . . . . John Rowley  
 District Secretary . . . . . Tom Bierman  
 District Measurer . . . . . Dennis Farley  
 District Champion . . . . . John Schneider  
 District Runner-Up . . . . . Bob Hutchinson

**Fleets:** Paupack (16); Lake Mohawk (25); Chelsea (39); High Tor (41); Redbank (70); Nyack (75); Awosting (95); Harvey's Lake (350).

Bruce Goldsmith came east this year to give us tips on sail setting and tactics at the combined Metropolitan-Central Atlantic District's Mid-Winter Meeting. This event was held at the Monmouth Boat Club at Red Bank, N.J. Bruce made it all seem easy as he discussed and answered many questions like how to set jib leads, mainsail leech tension, vang tension, etc. It was a pleasure to have Bruce with us once again. Mary Huntsman organized and put on a spectacular dinner of roast beef with all the trimmings after the individual district meeting.

The first major regatta held in the spring is the Long John, sponsored by the Monmouth Boat Club at Red Bank. It usually draws many heavies. This year was no exception. Skippers from as far away as Ohio, N.Y., Maryland, and Connecticut attended. Jack Elfman of the Central Atlantic District won.

The Mid-Hudson River Circuit this year was won by the Bitler-Lewis partnership from Hi-Tor. They won the Magnus Pederson Regatta held at Nyack in early June, and the following weekend added another first place finish at the Hi-Tor Regatta. At Chelsea they were second to Gary Hurban of Nyack, but with two first places and a second in the three regattas they won handily. Paul Krick of Hi-Tor was second and Gary Hurban ended up third.

Our District Championship was held this year at the Nyack Boat Club located on the Hudson River almost underneath the huge Tappan Zee Bridge. John Schneider is our champ this year finishing with two seconds. Bob Hutchinson, our 1975 champ was second with a fifth and a first. The third race had to be cancelled after we drifted around till noon in a scorching sun with no wind.

We qualified six boats for the North American Championship, and six attended ... namely, John Schneider, Bob Hutchinson, Jon Schwartz, Dennis Farley, Sandy Huntsman, and Tom Bierman. The North Americans were held in this writer's original home town. We had to go!

The first qualifying race was a disaster for almost everyone. (*Ed. Note - especially for the editors.*) Fifteen boats tipped over, most turtled, and at least two were completely abandoned. We were one of the not-so-lucky to tip over, turtle, break a mast, tear sails, twist knees, etc. ...we got a good "fresh" water bath! However, after all that we bought a new mast from the Huntsmans, patched the sails with the help of Bill Shore, bound up the knees, gathered courage and went out and qualified for the first flight.

Bob Hutchinson and crew also qualified for the first flight and went on to place eighth overall. Look out for him next year. John Schneider, after a tipover in the first qualifying race and several other mishaps, qualified for the President's Cup and in the end placed fourth overall winning the last race. Jon Schwartz followed John around the course and ended fifth.

During the North Americans at the annual meeting, our John Schneider was elected Secretary of the ILCA and Sandy Huntsman was elected a Vice President. We are proud of these two men for their active backing of the ILCA and their constructive participation in class affairs to help make it the fine International Class it is today. We wholly support them in their efforts.

Last, but not least, in the Metropolitan District is the "Short Circuit." This is a series of nine races at three separate locations, sailed on fresh water lakes in the mountains of eastern Pennsylvania and northwestern New Jersey. The regattas take place in the Fall, the first 3 weekends after Labor Day. It has been a tremendous success, drawing over 30 boats at each location.

Bob Graham of Lake Mohawk was the overall winner this year, with Tom Bierman, also of Mohawk, a close second; Sandy Huntsman of Monmouth, third; Roy Sengstacken of Greenwood Lake, fourth; and Dave MacDonald of Lake Mohawk, was fifth. Bob Graham was also the winner at Greenwood Lake and Lake Mohawk, Tom Bierman won at Wallenpaupack. All in all, the Metropolitan District had a successful bicentennial "76" and as we write this article we are looking forward to the mid-winter meeting to once again see our Lightning sailing friends and to hear tales of how Roy Sengstacken is going to take us all with his new boat next year. I'll drink to that, Roy!

District Commodore . . . . . Merrill Bales  
 District Secretary . . . . . Paul Militzer  
 District Measurer . . . . . Robert Knop  
 District Champion . . . . . Garry Demarest  
 District Runner-Up . . . . . Bill Babel  
 Junior Champion . . . . . Bill Crow  
 Junior Runner-Up . . . . . Bill Draheim

**Fleets:** South Haven (30); Devils Lake (31); Crescent Sail Club (51); Lake Fenton (53); Pontiac Y.C. (54); Higgins Lake (110) Gull Lake (137); Tawas Bay Y.C. (152); Saginaw Bay (216); Grand Traverse Y.C. (326); Pentwater (340); Douglas Lake (374); Les Cheneaux (378); Lansing Sail Club (387); Neahtawanta Y.C. (403); Clark Lake (416); Union Lake Y.C. (458).

We welcomed a new fleet this year, Union Lake, and they intend to be active. They even sailed in our District Team Championships.

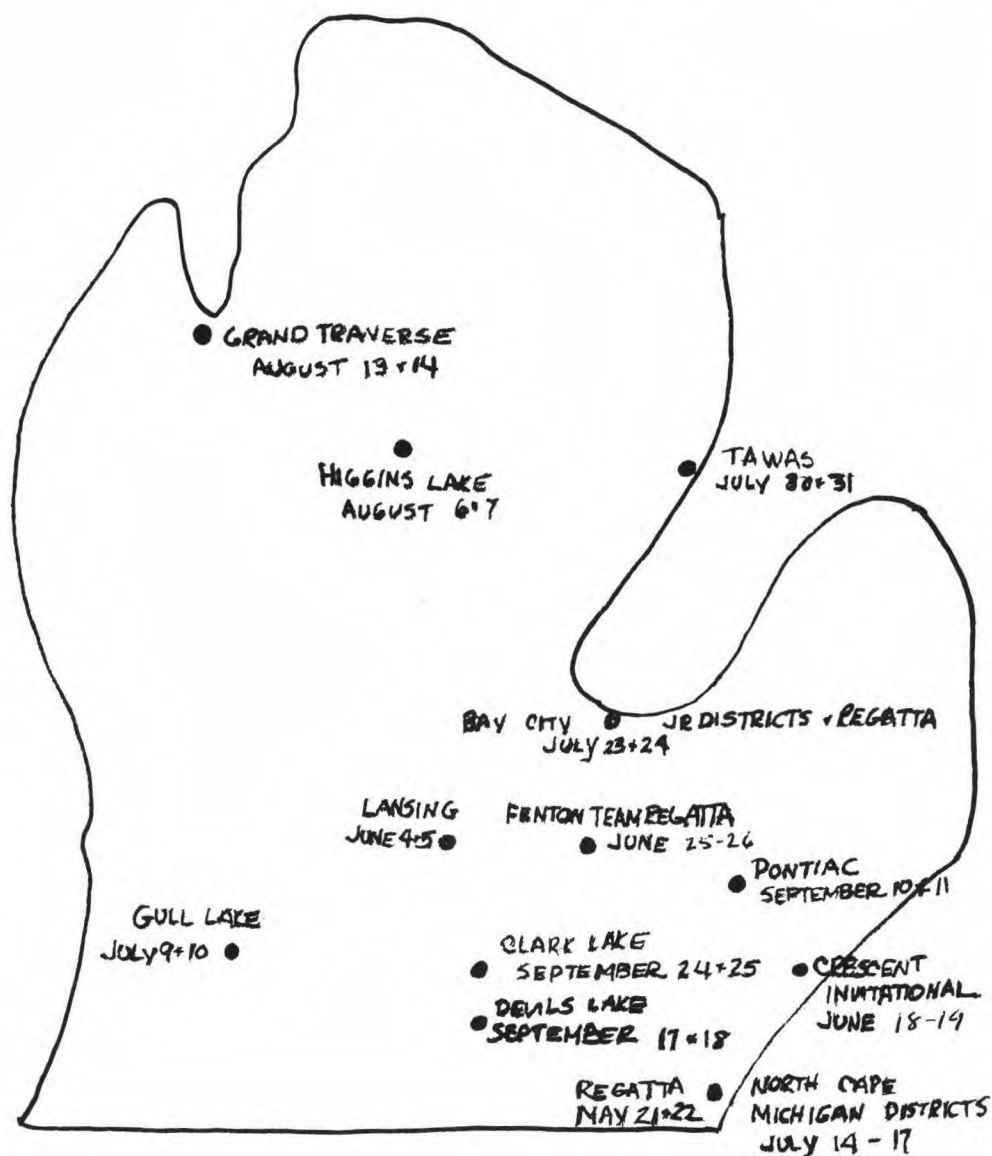

Our district held 13 regattas, starting with Lake Lansing on May 1st and 2nd, and ending with Clark Lake on September 25 and 26. The Joe Strueland trophy for the best regatta record went to Garry Demarest for the 4th (or is it 5th?) year in succession. Demarest also won the District Championships, which were sailed this year on beautiful Grand Traverse Bay. Bill Babel sailed very well to take a close second. The winds were strong for every race, giving us the heaviest air districts in memory. Our Jr. Championships continued to be successful, held this year at Higgins Lake. Bill Crow won, followed by Bill Draheim. The District Team Championship was won by Tawas Bay Y.C., with their team of Demarest, Cameron, McKinley and Peters.

We were saddened by the death of Bob Furey, of Tawas Bay Y.C. Bob was the father of Dave Furey, ex-Michigan District Commodore. Bob crewed for Herm Hickels when Herm won the North Americans in 1959. He was also an official Lightning measurer for many years.

We again displayed a Lightning at the Great Lake Boat Show, which is held annually in October, for sailboats only.

### MIDWEST DISTRICT

District Commodore	Dean S. Cady
District Secretary	Lois A. Cady
District Measurer	Nicholas K. Smith
District Champion	Bruce Goldsmith
District Runner-Up	John H. Esser
Junior Champion	Steve Corkell
Junior Runner-Up	John Podmajersky

Fleets: Chicago Corinthian (5); Burnham Park (56); Milwaukee Yacht Club (69); South Shore Milwaukee (79); Green Bay (112); St. Joseph (113); Lake Davenport (167); Sheboygan (187); Lake Geneva (345); Manitowoc (393); Winnebago (442).

The most exciting happening in the District during 1976 took place at Sheboygan in August. Yes, the N.A.'s were in town and provided all contestants with seven days of top notch racing in you name it type weather. (Ed. Note - AMEN) All of us in the Midwest District are rightfully pleased and proud of the fine production put on by the Sheboygan Yacht Club and Fleet 187, which by the way has been named the winner of the Steketee Trophy, awarded by I.L.C.A. annually to "The North American Fleet who has been outstanding in furthering the purpose of I.L.C.A. in promoting and developing racing in Lightnings." Fleet 187 has also been named the outstanding fleet in the Midwest District for 1976.

The District's only regret for the N.A.'s was the failure of our perennial District champion, Bruce Goldsmith, to repeat as the North American champion. However, we can not think of a nicer person to take his place than Bill Shore, who duplicated his 1971 feat when the N.A.'s were also sailed on Lake Michigan out of the Milwaukee Yacht Club.

Qualifiers from the District who sailed in Sheboygan were Bruce Goldsmith, John Esser, Rick Larson, Ron Blair, Eric Graf, Tryg Jacobson, Bob Novak, Nic Smith and District Commodore, Dean Cady. Both Dick Hinze and John Burke by finishing fifth and eighth respectively in the District Championships qualified, but stepped aside so Nic and Dean went in their places. Bruce and Tryg sailed in the Championship flight; Dr. John, Rick, Nic and Bob Smither were in the Presidents; with Eric, Dean, Ron and Bob in the Governors. Nobody won any silver, but it is reliably reported that they all had

one fine time.

The District regatta schedule was busy as usual with some of the results as follows: The P & T was won by Bob Smither of Hinsdale, Illinois. Second place went to Eric Graf and third to Tryg Jacobson. Both are from Sheboygan.

The Midwest Junior Districts went to Steve Corkell with John Podmajersky second and Peter Kornhaber third. Lake Geneva's Oxie Regatta had a turn out of thirty-eight boats with Greg Florian of Decatur, Illinois winning the five race series with the next four places going to Dick Hinze, Jeff Baker, Tryg Jacobson and Rick Larson.

Sheboygan's annual Brotz Regatta served as a tuneup for the North Americans, including weather, with Tryg Jacobson showing the winning form which would lead to his qualification for the Championship flight in the N.A.'s. Dr. John Esser placed second with Greg Florian, Rick Larson and Eric Graf rounding out the first five places. Chicago Corinthian hosted the Red Flannel Regatta with Bruce Goldsmith capturing first, followed by Dr. Esser, who came up with a second for the third time in a major Midwest District Regatta this season. Dick Hinze came in third with John Gall, Kansas City and Don Basler, Chicago, rounding out the first five places in the twenty-five boat fleet.

The Junior North American's were hosted by the Milwaukee Yacht Club and Fleet 69, who did a bang up job by providing top racing as well as entertainment for the 75 plus in attendance. Mark Bryant of Cheektowaga, New York, took top honors followed by Jay Lutz, Brick Town, New Jersey, and Greg Flotian, Decatur, Illinois.

The Midwest Junior District Championship was held at Chicago Corinthian Yacht Club in Chicago just prior to the District which they also hosted. First three places were Steve Corkell, John Podmajersky and Peter Kornhaber.

We had a photo finish in the Lake Michigan Championship series this year with Tryg Jacobson taking first, followed by John Esser and Rick Larson. The rankings are determined by averaging the finishes in the best three out of five selected regattas. The regattas for 1976 were the P & T, Oxie, Brotz, Polar Bear and the Districts.

This concludes our report and we wish you all the best of sailing in 1977.

## NEW ENGLAND DISTRICT

District Commodore . . . . Donald C. Brush, Jr.  
District Secretary . . . . Georges Peter, M.D.  
District Champion . . . . Donald C. Brush  
District Runner-Up . . . . Fred H. Hamblet

Fleets: Centerboard Y.C. (14); Newburyport (121); Spofford Lake (145); Annisquam Y.C. (151); Marblehead Harbor (189); Bomoseen Lake S.C. (227); Lake Dunmore (243); Harraskeket Y.C. (244); Winnepesaukee Y.C. (246); Massebesic Y.C. (273); Chequesset (280); Lake Champlain (301); Squam Lake (332); Cohasset (369); Pontoosuc (417); Androscoggin Lightning Fleet (450); Granite Lake (457).

An active schedule of 13 regattas marked the bicentennial summer in New England. Although several mid-summer weekends were marred by heavy rain and storms, participation on the regatta circuit remained excellent with 15-25 boats at most events.

The Southern Circuit provided the opportunity for two skippers to escape the blustery New England winter. District Commodore Jack Burwell with his wife Marilyn and Jerry Baker sailed (and partied) in Savannah and St. Pete. Stu Nickerson went the route and after a slow start, finished up with a strong second at Miami. Kip Hamblet, who raced Stu's boat to a second in the Bliss race in Miami, and Amy Nickerson crewed.

Fred Hamblet opened the local season with an impressive win at the Lake Bomoseen Regatta under clear skies and a fresh NW breeze, followed by Nickerson, Don Brush, Len Pratt, and Peter Hubbard. One week later in Boothbay, Maine, the Southport Yacht Club's regatta was fogbound. Racing, nevertheless, was held in an adjacent cove and Stu Nickerson won first place. Burwell and Brush followed. In spite of inclement weather, the Southport YC and the Lovejoys made the regatta successful both on and off the water. Three weeks later, the very popular State of Maine Championship at Centerboard YC (in Portland) attracted a strong field from both within and outside of New England. Bill Shore won, followed by Georges Peter, Jack Burwell, Phil Griffin of Westport, Conn., and Nickerson.

The District Championship was hosted by Fleet 301 and the Mallet's Bay Boat Club on Lake Champlain. Don Brush not only served as Regatta Chairperson but, with his veteran crew of Ann Brush and Kurt Kling, captured his first District title after several near misses in previous years. Other top finishers were Fred Hamblet, John Collins, Len Pratt, and Georges Peter. Stu Nickerson was sixth in spite of winning three races. The otherwise successful championship was marred by a near tragedy when a boat was trailed into a high tension wire. No one was injured and property damage was repairable, but this incident serves as a reminder of a potential hazard at many yacht clubs today.

The rejuvenated Newburyport, Massachusetts fleet sponsored the State of Massachusetts Championship. Bill Shore won both races in his former homewaters. Other prize winners in this storm-plagued regatta were Nickerson, Peter and Kip Hamblet (tied for third), and Burwell. Concomitantly, Marblehead and Race Week attracted 17 boats. John Collins was first; Joel Humphrey and Tom Stover were second and third respectively. One week later at Squam Lake, N.H., in another rain-filled weekend, Don Brush successfully defended his Vermont-New Hampshire title, followed by Burwell, Fred Hamblet, and Jim Russell.

Eight New England crews journeyed to the N.A.'s. Stu Nickerson, with his sister Amy and Sean Campbell turned in an outstanding performance to finish third overall. New England also had silverware winners in the other divisions, with Fred Hamblet runner-up in the President's Cup and son Kip runner-up in the Governor's Cup. Other N.E. representatives were Don Brush (again in the Blue fleet), Georges Peter, Dave White, Buck Wynn, and Jack Burwell.

The regatta circuit resumed in Wellfleet where Stu Nickerson expectedly found his homewaters friendly. He was followed by Wynn, Tim Oliver, Jon Swartz, and Charlie Sweet. The Northeast Regatta, hosted by the Annisquam YC, was won by Len Pratt. Second was Lou Pocharski in a brief but successful return to Lightnings, followed by Shore, Collins, and John Cuccio of Westport, Conn. Further north on the same weekend, George Huettl won the Lightning division of the Lake Massabesic Regatta. Other trophies went to Ron L'Heurex, second; and Jim Richmond, third.

The season concluded at Spofford Lake, N.H. with another excellent regatta. The top five were Dave Peterson (Old Saybrook, Conn.), Phil Griffin, Brush, Pratt and Doylestown's Jack Elfman.

The District looks forward to another active season in 1977. We hope that further fleet growth will match the active regatta participation.

## OHIO DISTRICT

District Commodore	Bob Stempel
District Secretary	Ron Sehulster
District Measurer	Bucky Powless
District Champion	Matt Fisher
District Runner-Up	Jack Mueller
Junior Champion	Randy Ruhlman
Junior Runner-Up	Jeff Borland

Fleets: Indian Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Toledo (42); Buckeye Lake (43); Rocky River (71); Mansfield (150); Northeast (207); Atwood Lake (212); Cowan Lake (303); Hoover Dam (353); Sandusky Bay (386); St. Marys (400).

Our 1976 season got underway in February with the annual winter meeting held in Columbus. Instead of a single speaker, we had a panel comprised of Jim Dressel, Jack Mueller, Bill Buckles, Matt Fisher and Greg Fisher. Naturally, from a group such as this, we all picked up a bunch of helpful hints to improve our sailing on all points. After dinner we saw a slide presentation of the 1975 Worlds in Ecuador.

Continuing our emphasis on education, Leatherlips Y. C. hosted the Ohio District Seminar on April 10 and 11. With 50 registrants representing almost every active fleet in the District, it had to be considered a great success. The list of instructors sounded like a "Who's Who" of Lightning sailors. Led and coordinated by George Fisher, the list included such outstanding skippers and crew as Jim Dressel, Jack Mueller, Bill Buckles, Bernie Malcolm, Dick Pugh, Bucky Powless, Barry Wilson, Nancy Mueller and Greg Fisher. The sessions were on water, on land and in the classroom. I'm sure every fleet noticed a lot of improvement in those sailors that attended the seminar.

The District's racing season got underway on May 8 and 9 with Indian Lake's Spring Shake Down Regatta. Jim Dressel was the winner, with Jack Mueller, second; Hank Hodgson (from the Michigan District), third; John Mueller, fourth; and Steve Thomas, (also from Michigan) fifth. The following week the Great Lakes Championship was held at North Cape Y.C., and once again Jim Dressel was the winner. Gary Demarest, second; Bernie Malcolm, third; Gary Cameron, fourth; and Steve Thomas fifth. (Both Garys are also from the Michigan District.)

On June 5 and 6, St. Marys Boat Club sponsored the sixth annual Thundermug Regatta. Dick Pugh was the repeat winner of the coveted (?) Auld Thundermug. Hank Hodgson was second, Bob Stempel, third; Bob Mains, fourth; and Charlie Lutes, fifth. The Leatherlips Y.C. was the host of the second annual Windshift Regatta. Once again, Dick Pugh was the repeat winner. Trophies were also presented to Tom Varley, Jim Young, Bob Mains, Mike Denning and their crews.

On July 3 and 4 the circuit sailors found themselves at Pymatuning Y.C. for the Independence Day Regatta. In all 27 Lightnings sailed, and the local sailors showed the way, with Bob Baumgardner, first; Chuck Maltbie, second; and E. L. Caldwell third.

The next stop was Sandusky Sailing Club for our Districts. A sudden squall with winds up to 80 mph struck the fleet near the end of the first race, and took with it the life of Charlie Lutes, one of the best liked sailors in our District. The crippled fleet voted to abandon the regatta and hold it at a later date. The District Officers and members wish to express our sincere thanks to the Sandusky Sailing Club for all the effort they put into the aborted regatta.

The Districts were rescheduled for July 31 and August 1, and sailed in conjunction with the C.Y.C. Regatta. The first three races of the Districts were sailed for the Freeman Memorial trophy of the C.Y.C. Regatta, and Matt Fisher was the winner; Bill Buckles was second; and Jack Mueller, third. The top three finishers in the five race series for the District Championship were the same, except that Bill and Jack traded places. Rounding out the top ten were Chuck Maltbie, Jim Dressel, Bernie Malcolm, Randy Ruhlman, George Fisher, Rob Ruhlman and Dick Pugh.

The Harvest Moon Regatta was sailed at Atwood Lake Y.C. in early September, and Burt Preston was the winner, with Nelson Caley second and Tom Varley third. The next stop on the circuit was at Buckeye Lake for the Snowball Regatta. If it had only been a few degrees colder, we would have had a real Snowball, with all the cold rain that fell on Saturday, but it was still a great time. Matt Fisher was the winner; Tom Allen was second; George Fisher, third; Jack Mueller, fourth and John Mueller, fifth.

Once again the season closed with the Fall-In Regatta at Cowan Lake. Tom Varley was the winner of this five race series; with Dick Pugh, second; Hank Hodgson, third; Steve Thomas, fourth and Bruce Girkins, fifth.

Also at Cowan Lake, Dick Pugh became the first winner of the Ohio Governor's Cup, presented to the Ohio sailor with the best

overall record in the eleven races of the Thundermug at St. Marys the Windshift at Leatherlips, and Cowan's Fall-In. Dick was an easy winner this year, with Bob Mains, second and Ron Sehulster, third in the scoring.

## PACIFIC NORTHWEST DISTRICT

District Commodore	Brian Coleman
District Secretary	Kenneth White
District Measurer	Van Conklin
District Champion	Greg Zettler
District Runner-up	Rod Johnson

Fleets: Maple Bay (64); Vancouver (90); Chinook (229); Columbia (283); Okanagan (368); Juanita Bay (414); Comax Bay (437); Klamath (455).

Our 1976 season officially got under way with the mid-winter meeting in Seattle. It was well attended and featured an exciting all day session with Bill Shore who talked about "speed sailing".

The season opener took place at Kelowna, (*Ed Note — great place to sail and party*) B.C. with Brian Coleman and Neil McGibbon taking first and second places.

On the following weekend the air bristled with the sound of new sails as 36 boats hit the line in Eugene, Oregon for the annual Memorial Day Regatta. The first four places were still up for grabs as the fleet began the fifth race of the series. Greg Zettler finally squeaked by Jim Nelson by one half point for first place with Rod Johnson third. Wayne Fitch of the San Francisco fleet was fourth and Kurt Seifert fifth.

The Columbia Fleet of Portland serves as a model of organization and hospitality in our district. In June they sponsored a regatta which was to serve as a tune up event for the District Championships the following weekend. Once again Zettler and Johnson of the Juanita Bay Fleet in Seattle demonstrated their ability as they pulled out front with a first and second. Brian Coleman was third. Jim Nelson fourth and Ken White fifth.

The District Championship Series began with fresh breezes and 31 eager skippers. After a general recall the race was on. Defending champion, Rod Johnson, narrowly defeated Greg Zettler on the final beat of the first race with Kurt Seifert maintaining a lead over Johnson for a first in the second race. The Portland fleet dominated the top places in the final race of the day as Jim Nelson and Van Conklin crossed the finish line ahead of Johnson and Zettler.

After a fantastic party at the Nelsons on Saturday evening we arrived early at the club on Sunday with hopes of narrowing Johnsons lead. After a futile attempt to start a race with no wind on Sunday afternoon the race was canceled. With paddles in hand the fleet raced back to the docks. Johnson retained his title with Zettler, Seifert, Nelson and Coleman rounding out the first five places.

The Midsummer Regatta found the growing Klamath Fleet hosting it's second PIYA event. After boasting about our dependable steady winds we had to eat our words as the three race series ended with near drifters. Ken White and Bill Sisemore of Klamath Falls took the first two places with John Sanford and Tom Hawkins of Portland capturing third and fourth.

On the following weekend the Kitsilano Yacht Club at Vancouver hosted another PIYA event with Zettler, Coleman and Johnson taking the top prizes.

Klamath Falls proved to be an ideal location for attracting 42 boats for the Pacific Coast Championships on July 24-25. We believe this to be a record number of boats for this event.

Tension built for defending champion Ken White as entries poured in from San Diego to Vancouver, B.C. The dynamic duo from Seattle (Johnson and Zettler) began the series with their usual good form and continued to dominate the series. Greg Zettler became the new champion and runner up was Rod. White was third, Coleman fourth and Nelson fifth. The next five places went to the California District.

The San Francisco fleet will host the Pacific Coasts' next summer and of course we are looking forward to the great (sometimes too great) winds of San Francisco Bay. We also hope to have some boats from our district in attendance at the 10th annual California Circuit Regatta next March.

The final PIYA regatta of the season was held at Lake Chelan with light winds and a great party. Rod Johnson placed first with John Benedetti and Neil McGibbon placing second and third. Fleet 283 hosted the final event of the season with team racing on the Columbia River in Portland. This exciting series drew teams from Portland, Seattle; Maple Bay, Vancouver, B.C.; Eugene and Klamath Falls. Seattle won the Series with Portland taking second.

Congratulations to District Champion Greg Zettler and runner-up Rod Johnson. Jim Nelson, Brian Coleman and John Benedetti also deserve honorable mention.

### PERU DISTRICT

District Commodore . . . Carlos Navarro, M.D.  
 District Past Commodore . . . Hector Sabogal, M.D.  
 District Vice Commodore . . . Cesar Zanatti  
 District Secretary . . . Guillermo Schinkel  
 District Treasurer . . . Roger Vansprangh  
 District Champion . . . Hector Sabogal, M.D.  
 District Runner-Up . . . Gunter Ritter

Fleets: Club de Regatas Lima (261); Yacht Club Ancon (264); Yacht Club Beruano (265); Universitariode Regatas (424); Peruvian Naval School (452).

All of our fleets were normally active nationally as well as internationally during the year of 1975. The National Champion just completed was won by Hector Sabogal, our Past Commodore, with Enrique Conterno and his daughter Gisella Sabogal, acting as crew. The Runner Up was Gunter Ritter, with Paul Devescovy and Enrique Garrido as crew members. As far as international competition, we only had one boat competing in the South American Championship in Buenos Aires (Argentina), that of former ILCA Vice President Dr. Jose Barreda-Moeller, who unfortunately did not do very well. Also three crews from our district competed in Chile for the Peru-Chile cup, but again did not win, although they had great fun and enjoyed the remarkable Chilean hospitality. We hope to have better luck this coming year in the World's Championship to be held in Switzerland and the South American in Chile.

### SOUTHEASTERN DISTRICT

District Commodore . . . Bill Pleasants  
 District Champion . . . John McIntosh  
 District Runner-Up . . . Tom Waters

Fleets: Savannah (127); Clark's Hill (257); Lake Murray (341); Lake Lanier (348); Catawba (365); Lake Hartwell (391); Triad (415); Greater Charleston (429); Palmetto (440); Wateree (459); St. John's River (461); Waccamaw (463).

Foreground: L. to R.: John Griffin, Elvira Navarro and Gunter Ritter. Background: Rosita Mulanovich. All members of Peru District, getting boats ready to race.

The SE District has their own circuit racing with participation in a specified number of regattas necessary to qualify for a circuit standing. Participation in regattas was very good.

The first regatta of circuit was hosted by the Wateree Sailing Club in Camden, S.C. The fleet of 25 boats was greeted with light winds on Saturday but Sunday the third race was held in 25 mph winds. The first three overall finishers were: T. Waters, J. Gastright and S. Cheek.

The second regatta was at the Augusta Sailing Club on Clark Hill Lake with 40 boats registering. This was the best attended regatta of the '76 season. The winds were good for the entire weekend with the race Sunday morning starting in the rain. Top five finishers were: McIntosh, Waters, Ettie, Berry and Hintz.

The racing fleet then moved to the Lake Murray Sailing Club close to Columbia, S.C. The races on Saturday were sailed in 15 mph winds and rain. Sundays race was sunny with light variable winds. The top five finishers of the 32 boat fleet were: McIntosh, Waters, Ettie, Cheek and Grey.

The Western Carolina Sailing Club on beautiful Lake Hartwell hosted the '76 District Championship Regatta in late May. Although the winds were very light for both days the race committee was able to start and finish five races. The top five finishers of the 30 boat fleet were: McIntosh, Waters, Russell, Pfefferkorn and Sloger.

The fifth regatta of the circuit was at the High Rock Yacht Club in North Carolina. Twenty boats made the trip and had a most enjoyable weekend with medium winds and a lot of rain Saturday evening. Top three finishers were Sloger, Waters and Grey.

Savannah Yacht Club was the next regatta in July. Twenty boats registered. Winds were very light on Saturday and non existent on Sunday. This regatta was scored on the two Saturday races. Top three finishers were: Berry, Oetgen and Waters.

The Charleston Yacht Club held their regatta in August as a warm up for the N.A.'s bound sailors. Winds on Saturday were 20 knots with 10-15 knot winds on Sunday. Thirty-four boats were in attendance. The top five finishers were: Waters, Grey, Berry, Ettie and Sloger.

Five boats from our district traveled to Sheboygan for the N.A. Championships. McIntosh and Ettie were in the Championship flight, Russell was in the Presidents flight and Pfefferkorn and Hintz were in the Governors Cup flight.

The racing fleet moved back to the Western Carolina Sailing Club for the eighth regatta. Winds were very light. The first race was completed, but the second race on Saturday ran out of time. One race was completed on Sunday before the wind died completely. Top five finishers were: Waters, Howard, Efird, Klemann and Sloger.

In addition to the Lake Lanier regatta trophies there were also 17 trophies awarded to circuit overall qualifiers. This year 72 boats sailed in at least one circuit regatta.

Twenty five boats sailed in the necessary 5 of 9 regattas to qualify for a circuit standing.

The top ten finishers for the 1976 South East District Regatta Circuit were:

	Percentage points
1. Tom Waters	0.079
2. John McIntosh	0.084
3. Gordon Ettie	0.168
4. Corky Grey	0.198
5. Bill/Will Sloger	0.200

8. Sam Cheek	0.286
9. Newt/Sputter Howard	0.292
10. Gary Oetgen	0.349

We are all looking forward to the 1977 sailing season under the guidance of Bill Pleasants. The District Championship Regatta has been moved into June on a 3-day weekend and will be held at the High Rock Yacht Club.

## SOUTHERN DISTRICT

District Commodore . . . . . John K. Butcher  
 District Secretary . . . . . Larry D. Pledger  
 District Champion . . . . . Gil Whitworth  
 District Runner-Up . . . . . Rick Skinner

Fleets: Southern Yacht Club (62); Mobile Bay Lightning Fleet (135); Shreveport Yacht Club (175); New Orleans Yacht Club (209); Lake Charles Yacht Club (399); Morgan City Yacht Club (443).

The Southern District enjoys year-around sailing. Many regattas held throughout the District provide enthusiastic competition at all points. We start the year with Mardi Gras in New Orleans, then Holiday In Dixie in Shreveport, Contraband Days in Lake Charles, numerous regattas in New Orleans hosted by both Southern and New Orleans Yacht Clubs, and the Fall Regatta in Fairhope, Alabama. Members of the District participated in the Thanksgiving

District Champion Gil Whitworth with crew, son Robert and daughter-in-law Barbara.

Regatta in Dallas and the Hospitality Regatta held in Jackson, Mississippi.

The 1976 District Championships were hosted by the Shreveport Yacht Club. Good weather and ideal winds allowed five races to be completed in record time. Gil Whitworth of Southern Yacht Club emerged the winner followed by Rick Skinner, Tommy Allen and Marshall Walker. The GYA Regatta was held at the Pass Christian Yacht Club and was won by Buck Ballin of New Orleans.

One of the highlights of the year was a tri-district meet of 28 Lightnings representing the Texas, Mississippi Valley and the Southern Districts. This occurred during the Holiday-In-Dixie Regatta in Shreveport. Tom Allen provided a perpetual Tri-District trophy which was won by Jim Craig of Dallas, Texas.

We extend our thanks to Larry Frost and his wife, Fran, for an outstanding job as Commodore for the past year. The Southern District is looking forward to continued good sailing during the coming year and invite anyone passing through to visit the member fleets.

## SWITZERLAND DISTRICT

District Commodore . . . . . Hans K. Rahn  
 District Secretary . . . . . Edith Hess  
 District Measurer . . . . . Urs Wyler  
 District Champion . . . . . Urs Wyler  
 District Runner-Up . . . Dupasquier Jean-Claude

Fleets: Lac de Neuchatel (169); Zurichsee (219); Hallwilersee-Sempachersee (250); Bielersee (268); Vierwaldstattersee (281); Greifensee (309); Murtensee (358); Bodensee (404); Thunersee (454).

With the traditional "Fondue Regatta" (fondue is a famous and very typical cheese dish which is always served after the last races usually taking place at the end of October) another very active sailing season came to an end. Besides, all the various district regattas, Switzerland also organized this year's European Championship, the highlight of the season, in which Finland, Italy and the then I.L.C.A. President, Robert Smither, participated. All in all a total of 38 boats. Unfortunately, the Greeks were among the missing which was regretted.

To the great joy of the organizers, the Wyler crew (Switzerland) qualified as Champion. The Europeans clearly were the best competition in 1976 as far as the wind and weather conditions were concerned. However, this major event was not the only well frequented one. It was noticed that racing activity, although still limited to a small group, seemed to enthruse more sailors than in prior years.

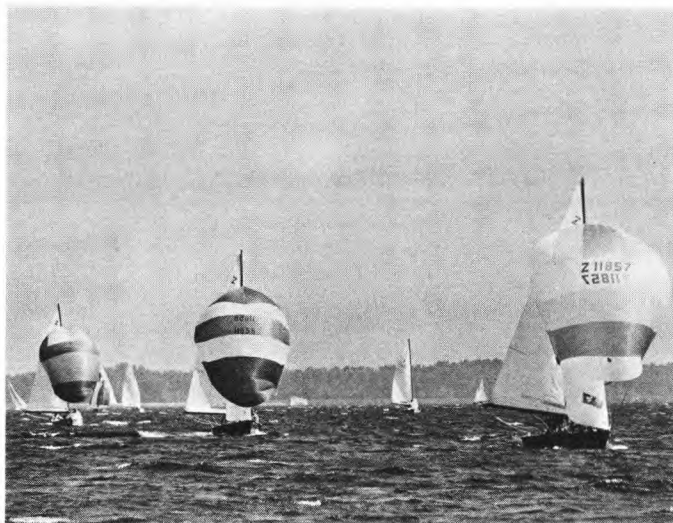

Better publicity may partly have accounted for this, but the main reason will certainly have to be found in the solution of one of the most vital problems we were faced with for a number of years - the supply of a good quality boat at a reasonable price. "Europe-Lightning rf", the prototype of which sailed for the first time in the Europeans, is our solution to this problem. We are confident that all the initiative and the innumerable hours of compulsory labour put in by various members of our district and particularly Rüedi Fluhmann will be well awarded. Since the day "Europe-Lightning rf" left the yard of the famous Swiss boat-builder Siegfried Meier, it has successfully performed in a number of races and is particularly admired for its perfect finish.

Switzerland may be one of the points of interest to the Swiss District, the future of the Class in Europe another. Our next target is Germany. First contacts have been established during 1976 with the German Sailing Association and they have shown their willingness to assist us in setting up a first fleet in southern Germany. Prospects seem good. Also - for the first time - the results of the Europeans as well as a brief report was published in the leading German magazine "The Yacht" and the City of Kiel (Germany) has requested us to submit these results to them for integration in their documentation on racing results, statistics that were initiated during the Olympics of 1972.

Another matter, however, has kept the District busy during the 1976 and will continue to do so for most of 1977 - the IX World Championship, the organization of which has been entrusted to our district. Of the Organization Committee also is the Yacht-Club Spiez, and this major event will take place on one of Switzerland's most beautiful lakes, the Lake of Thoun. The Swiss District feels very honoured to have an opportunity to greet within the border of its country many of its friends from all over the world, to prepare fair and sportive races and to show its guests one of the more attractive holiday resorts we have to offer.

Welcome to Switzerland!

### TEXAS DISTRICT

District Commodore . . . . . Bill Garrett  
 District Secretary . . . . . Ann Wach  
 District Measurer . . . . . Dr. S. R. Newman  
 District Champion . . . . . Duncan Porter  
 District Runner-Up . . . . . Bill Garrett

**Fleets:** Dallas Corinthian (35); Rush Creek Yacht Club (435); Galveston Bay Sailing Club (448).

The Texas District year of 1976 was successful. We were well represented in all of the local and regional regattas except the Hernando deSota Regatta in Memphis, Tennessee which was on the same weekend of the Holiday in Dixie Regatta in Shreveport, Louisiana. Jim Craig won the Shreveport Regatta along with the Tri-District Award (Texas, Mississippi Valley, Southern) which was donated by Tommy Allen from the Southern Yacht Club in New Orleans. Three boats went to the Bluenose Regatta in Nashville which was really a lot of fun. Rick Tears paced the Dallas group with a respectable eight out of forty-seven boats.

Stephen Craig went to the Junior North American Championship in Milwaukee and placed sixth. Stephen went on to Sheboygan and for his first try he qualified for the President's Cup while Duncan Porter and Richard Guinan floundered in the Plummets Division.

The Rush Creek Yacht Club Lightning Fleet was the mainstay for the Texas District this year. The White Rock Fleet 35 was inactive as was the Houston Fleet. Big news is that some top flight sailors are considering starting a fleet in Fort Worth. Next year we hope this report will include such an addition. The Rush Creek Fleet added new members, Milo Johnson, Gordon Dysart, Tom Debose, Byron Bynum, Harris Morgan, Vernon Goldberg and Lance Drews, who came over from the White Rock Fleet. The White Rock Fleet also lost Jim Baker which hurt them. We hope Fleet 35 will rebound next year. With stalwarts like John Waskom, Ted Treadway and Al Sather we know they will revamp and come out stronger than ever. Bob Knerr from Illinois is now in Houston, and he and Mentz Billingsley are trying to regroup the Houston Fleet. Fleet 435 lost Dave Pittman to the Memphis Fleet and our loss is certainly their gain as Dave has been super active in the Delta Sailing Association.

The Texas Thanksgiving Regatta ended the racing season in Texas. This years version was almost a carbon copy of last years event. Friday the temperature was 81 degrees and the winds 25-35 mph. We sailed two races and the fast moving cold front blew out Saturday. Again we had the champions here and Bill Shore proved he was the Champion of Champions.

The District Championship was an excellent regatta with good strong winds for planing conditions. Ex-Lightning skipper Tom Cody ran the races which were perfect. Duncan Porter won by squeaking out Bill Garrett in the final race.

We think 1977 will be even better and we look forward to the regattas, friends and the good times.

Fleet 3 had a very fine active year, highlighted by the emergence of the sons and daughters of Lightning skippers. Our premier honour was the election of Bob Adams to the presidency of the I.L.C.A. Clearly, our most active sailor, Bob was involved in the Southern Circuit and also sailed in the Spring Regatta at Red Bank, as well as the Bay Head Invitational. He participated in the BBYRA and was third in the Central Atlantic District Championships. His outstanding leadership contributed enormously to the Bay Head Yacht Club's hosting of the New Jersey Lightning State Championships in which Bob finished fourth. He went on to the North Americans, finishing a respectable 22nd, and was 19th in the Worlds at Ecuador. Recently, he sailed at Quantico. Bob also was in charge of the Bay Head Yacht Club Junior Sailing Program which trains and develops the sailing skills of our 150 boys and girls.

An outstanding performance was displayed by Bob's daughter, Jenny, who sailed all summer in the Bay Head Yacht Club's Junior Lightning Series, finishing first in July and second for the August Series. She also competed in the Sears Cup Eliminations, finishing first for Fleet 3, first in the BBYRA and first in the Regional Eliminations. She was defeated in the Area Eliminations by the ultimate Sears Cup winner.

Another daughter of one of our active skippers, Nancy Simpson, competed in the Adams Cup Women's National Championship and went all the way to the finals in Rochester. Her father, Jim, qualified in the BBYRA and was second in the July Senior Series and third in the August Senior Series, giving him sufficient points to be runner-up for the Fleet 3 Championship.

Bobby O'Brien, son of our Fleet Secretary, sailing "Puff", was third in the July Junior Lightning Series and first in the August Series; in the Senior contests, he finished first in July and first in August, giving him the Fleet 3 Championship honor. He also competed in the Sears Eliminations, coming in second behind Jenny Adams, and then he crewed for her in her quest for the Cup.

Maggie Corbett, the daughter of a Fleet 3 Lightning skipper, competed in the July and August Junior Series and gave a good account of herself.

The season's close was made even more unhappy by the untimely death of our Secretary and Treasurer, Edwin F. Sommer, Jr. Although Ed had stopped sailing a few years ago, he was an avid Lightning enthusiast and followed every race in his spectator boat, "The Idle Hour". The sight of that graceful craft following the fleet will be long remembered and sorely missed.

The flag is up and the cannon is firing again...for the return of the Lightnings! Forty years ago there was a fleet of 21, now only #86 remains at L. D. Y. C. That proud Skaneateles is holder of three New York State Championships and an International 3rd in 1941. For several reasons, in the ensuing years, Lightnings were replaced by a variety of classes, but they are back again and look at us now!

1976 brought enthusiasm, re-instatement of the charter, competition, and the confidence that 1977 will bring better skippers, races, and most important...more boats.

We are off and sailing, but never forgetting that some of our Comet skippers are great crew members! Their zeal and ardour will be evident next year in Lightnings...their own!

Mentioning crews, Walt McCann had the special honor of having the lightest crew in the club, his sons, ages 11, 9, and 8. The boys will undoubtedly be the skippers of tomorrow! Crews experienced various hazards of sailing, i.e., being rolled off of the foredeck, fending off intruding booms, losing jib sheets, and spinnakers trying to "hang-glide" a Lightning. Reversing that, Skip and Chris Van Slyke qualified for the "submarine award." Skippers increased their vocabularies and perfected their alibies.

We had the benefit of a visit from Central New York District Commodore, Dick Hallagan, who expressed pleasure at the revival of the fleet. We had the usual July rain for Dick's visit, but this did not deter him from leading us around our own lake!

Harry Winberg consistently showed us his transom throughout the summer. Regattas consist of five races each, and Memorial weekend brought in Harry Winberg, Barb Brodock and Jack Martin for the honors. The Fourth of July saw Harry Winberg, Bob Carrier and Jack Martin in the winners' circle. Labor Day gave Harry another first, Skip Van Slyke the second spot, Barb and Jack splitting the third. Dr. Ron Ilvedson is now the owner of Colonel Winberg's boat; let's hope to see good things for Ron in '77. Both Colonel Winberg and Angelo Norelli will be bringing in new boats in the spring.

August brought a new adventure with an experienced, competent ocean sailor. As a stranger to ocean sailing...red nuns, daymarkers, tides, currents, etc., this presented new and interesting skills to be learned. The enthusiasm evoked by this experience prompted Jack Martin, Art Peel and Barb Brodock to try the N.E.'s at Annisquam. With three skippers aboard (and the owner a female!) it took a "skipper's meeting" to make any decisions! This was one of many reasons why the 'lakers' had the longest sail in Annisquam history! Many thanks to a great race committee and the cordiality of the New England sailors.

With the Lightnings in storage, the first skiing in October, we anticipate winter with remembrances of a great summer past, and a finer summer to come.

The 1976 season brought beautiful weather to sailors on Lake Michigan out of Chicago Corinthian Yacht Club. Fleet 5 hosted the Midwest District, Junior Midwest District and Red Flannel regattas and still had time to sail 38 of 47 scheduled races and participate in the Hobelman regatta. With all this activity, fleet captain Tom Tambling and family took a Saturday off to sail his Lightning down State Street in the Chicago Water Front Festival parade.

Our season consisted of six series with trophies being presented at our clubs annual dinner dance. The Early Bird series was won by Dick Hinze. The first race was canceled when the race committee couldn't see the pin end of the starting line through the heavy fog. Some boats raced anyway and only two found the weather mark. During May and June we sailed the Corinthian series won by Bob Smither; John Burke took second and Dick McClure finished third. The Fleet Championship was won by Bob Smither, followed closely by Dick McClure, second; and Dick Hinze, third. The Ding Dong series, sailed on district regatta weekends, was won by Dick Hinze; John Nye took second; with Fred House finishing third. The Commander Series, sailed during August and September, was closely contested with Dick Hinze edging Dick McClure in the final race for first place; third place was won by Tom Tambling. Dick McClure took the Moonbeam evening series with Dick Hinze taking second and Dave Hovey third.

With all of the local sailing and traveling to regattas, camping and parties it's no wonder we all look forward to a successful 1977 season.

Tom Allen (Ed note, who's he?) at work before the race.

Fleet 12 went Olympic this year! '76 saw the Olympic Circle replace our traditional triangular course at the B.C.C. As expected the skippers liked the new course since it offered more variety both in direction and length. It also provided the opportunity of sailing either Olympic or the traditional triangular course.

We had many new additions in Fleet 12 this year. Norm Wrobel bought a Lightning and was a regular on the race course. Jeff Batt, who became a club member in mid season, brought Lightning 7815 back to the B.C.C. and the race course. Matt Bryant, Jr. rejoined Fleet 12 this year and had a tremendous year. Dale Gruber, a newer club member, purchased a late model Lightning. He will need a little experience and help before hitting the race course. Tom Allen IV was seen on the course often this year both in his own boat and crewing.

Watch out for the juniors! The B.C.C. is fortunate and proud to have a large number of 1st class, younger skippers and crew. They have excelled in club races, regattas, Sears Cups and North American Junior Lightning Championships. Keep an eye peeled to windward and in front and you will probably see people like: Tom Allen IV, Mark Bryant, Chris Jones, Larry McDonald, Jr., Brenda Allen, Ian Jones, Mike Williams, Doug Heussler, John Donovan, Jr. and many more.

Fast Women and "Old Salts" in Fleet 12. Our traditional Mother Carey series (woman skippers) was raced in Lightnings. The series of three races was run over a weekend and brought out a field of nine competitors. Katie Coleman with the help of her sister finished first followed by Sue Ferrick. The "Old Salts Regatta" (skipper and crew must be over 50) had entries from all over New York State and Canada. Fleet 12's own Matt Bryant, Sr. nosed out such well known competitors as Karl Smither, Bill Hughes and others.

The Fleet 12 Lightning champion is Ed Roseberry, Jr., who along with his crew John Donovan and Doug Heussler had a great year on the race course. The Districts were held at Lake Chautauqua. The B.C.C. had 8 boats qualify for the N.A.'s in Sheboygan, Wisc. They were: Tom Allen, 1st at the Districts, Ed Roseberry, Jr., Larry McDonald, Jr., Mark Bryant, Stu Anderson, Dick Ferrick, Mike Huffman and Watt Bryant, Jr.

New officers of Fleet 12 were elected at a Fleet 12 party hosted by Doug Oak and his wife. The results are above. The 1977 season at the B.C.C. is going to be a super sailing season! The new Fleet Captain and officers will be working hard to organize many events and parties. Plus we are all looking forward to the North American Lightning Championships at the B.C.C. next year. Hope we see you there!

As usual, the 1976 season began on Memorial Day weekend. During the season, five races were canceled for such reasons as an inoperative committee boat, unsuitable weather, and regatta competition. Four of the five races were made up during the last month of the season when two races per day became a pleasant habit.

Rob Klug became fleet champion with Ed Koenig taking the runner-up position; Bill Schultz placed third overall. In the July series, the first three positions were Rob Klug, Ed Koenig and Don Kerr. In the August series, Klug and Koenig retained their positions while Bill Schultz was third. Ed Koenig, the Ryan's and Rob Klug represented Fleet 13 on the regatta circuit. Klug gained a berth in the North Americans and had a memorable experience in Sheboygan.

In 1977, we would like to see more of the fleet's inactive boats and skippers participating in the fun of competitive sailing on Great Sacandaga Lake.

### CENTERBOARD YACHT CLUB (14) New England District Sailing on Casco Bay at South Portland, Maine

Fleet Captain . . . . . Granville H. Dyer

From a fleet with 11 boats in 1974 and very competitive club racing to 7 boats and no racing series in 1976 has been accomplished by Fleet #14. This was not by design, but interest simply waned without any cause really discernible. Granny Dyer and George Huettl often arrived on Saturday all "charged-up" for the chase, but no other skippers would appear and Granny's and George's competitive spirit would, as you can imagine, dissipate.

George Huettl was the only fleet member to put any miles on his boat and he suggested "playing this down." Maybe this request is motivated by the fact that his success in competition with the District's better skippers was elusive. George did, however, get a first at Massabesic.

Centerboard can take pride in a most successful State of Maine Regatta on July 10 and 11. Although conditions were not quite ideal, Saturday's winds were light and gave the race committee a problem with a time limitation on one race, the Regatta did add to CYC's reputation for New England hospitality at its best. Enjoyment of the weekend was certainly enhanced for Bill Shore, first; Georges Peter, second; Jack Burwell, third; Phil Griffin, fourth; and Stu Nickerson, fifth; in the field of 26 Lightnings. For charitable reasons there will be no mention of the name of the Fleet #14 member with the highest place finish. The place - would you believe - 20th?

I wonder what 1977 will hold for #14!

### PAUPACK FLEET (16) Metropolitan District Sailing on Lake Wallenpaupack in the Pocono Mountains at Tafton, Pennsylvania

Fleet Captain . . . . . Susie Porter  
Fleet Secretary . . . . . Roger Lengel  
Fleet Champion . . . . . John Rowley  
Runner-Up . . . . . Peter Boettcher

Boat No.	Boat Name	Skipper

11960	.....	Hank Fretz
12159	Ichabod	Roger Lengel
12416	.....	Peter Boettcher
12867	Sister Kate	Stan Moldawsky

John Rowley did it again! He and his daughters, Mindy and Cindy, swept the slate clean, winning the fleet championship for two years in a row, as well as each of the season's three main series. The first of these, the highly coveted Miller Silver Bowl, our grand 'ol mug, was closely contested by Hank Fretz. Hank and John were tied, but John wound up as the winner.

The other series were closely contested by Peter Boettcher, Stan Moldawsky and Herm Henschen. Second place went to Herm Henschen; third, to Peter Boettcher - who came from out of the pack to earn "the most improved sailor award"; Stan in his new Eichenlaub took fourth to beat out Joe Mark. Some say Stan could have done better if he would make two changes: 1. Find a spinnaker pole that wouldn't break (would you believe three times?) 2. Hand over the tiller to his son, Dougie, who does very well when Stan isn't skippering. George Madel was sixth.

Jim Downing and Lee Ryder are some of the new talent coming up. They're really involved and getting the hang of it. If the

*Fiddler's Green gets a spring tune-up*

front-runners make too many mistakes, these guys can run you over. And our Susie Porter will be joined by another woman skipper next year, Gail Chestnut.

One of the outstanding events of our season is our Fall Regatta, part of the three way Short Circuit Series shared with Greenwood Lake and Lake Mohawk in New Jersey. The results of the racing at Lake Wallenpaupack are as follows: Tom Bierman, Mohawk, first; Herm Henschen, Wallenpaupack, second; Bob Graham, Mohawk, third; Roy Sengstachen, Greenwood, fourth; and Dave MacDonald, Mohawk, fifth.

Out of every regatta there comes some human interest story. This year it was Herm Henschen. Herm's main halyard went up the mast and it was discovered only after the ten minute gun sounded. Herm, earned a short delay from the race committee, took the mast down, all while moored, got everything fixed, and took off on time and earned a second place in the regatta. Herm is lucky to have one of those nice old wooden masts with external halyards, instead of one of those noisy new fangled black ones with internal everything made out of K-R-Y-P-T-O-N-I-T-E.

Our fleet night is held on Labor Day weekend and the awards are then distributed. A good time is had by all, because it is a gathering of sailors and their families (plenty of kids). There is home-made food and original poems, writings and parodies are read. This year the ever-maligned race committee struck back and earned the spotlight when Margaret and Eric Roos surprised the gathering by offering a citation and award to the "sailor who complained the most." The chagrined recipient: George Madel!

It was a great season of sailing and comradeship. Two firsts: Susie Porter, our first woman fleet captain turned out to be our best; and we got the docks, the hoist and other equipment cleaned up and put away without the help of our chief engineer, Heinz Kornmann, who couldn't make the work party. Heinz taught us well.

### BLACK ROCK YACHT CLUB FLEET (17) Connecticut-Rhode Island District Sailing on Long Island Sound Bridgeport, Connecticut

Fleet Captain . . . . . Harry Turton  
Fleet Secretary . . . . . Ralph Sperry  
Fleet Champion . . . . . James Nelson  
Runner-Up . . . . . Ralph Sperry

Boat No.	Boat Name	Skipper

9122	Thor	Ralph Sperry, Sr.
9945	Footloose	Michael N. Curran
11874	Fiddler's Green	James Nelson
11890	Zephyrus	Robert Meyer

Jim Nelson walked away with the 1976 Lightning Series, winning every race in a twelve race series. In a close battle for second place, Ralph Sperry edged out Mike Curran who in turn nosed out Harry Turton, by beating him in the final race.

Sperry won the separate Fourth of July Series, followed by Turton, second and Curran, third.

Participation, other than by the above four, was disappointing. Robert Meyer, the 1975 champion, did not race and his boat was only entered in the Fourth of July Series. Bob Gould and Bob Goodenow did not even get their boats launched this year but promise to be active next season. Harold Savard joined us in some of the late season events. Ted Westerman lost his boat in the hurricane.

The fleet had a brunch for about 30 members, wives and prospective Lightning owners in early November. Gordon Burrows and Dave Orange announced that they have bought a late model Lightning and Jeff McCormick has plans to upgrade his boat to a more competitive model. Several others who crewed extensively in 1976 are prospective boat owners.

### CHAUTAUQUA LAKE YACHT CLUB (19) Lake Erie District Sailing on Lake Chautauqua, Lakewood, New York

Fleet Captain . . . . . Richard Harding  
Fleet Secretary . . . . . James J. McDonnell  
Fleet Champion . . . . . Richard Harding

Boat No.	Boat Name	Skipper
9332	Blew Mac's	J. J. McDonnell

9636	Sic Transit Gloria	Elizabeth K. Lasser
11435	Dutch Treat	A. J. Van Poortvliet
12700	.....	Will Wendell

Our season officially opened at the Memorial Day Classic. It was a hard fought series with A. J. Van Poortvliet nosing out Will Wendell by one point, with Dick Harding one point behind Will. Dick Harding and Bob Creighton teamed up to leave no doubt about the winner of the Fourth of July Series. They chalked up three firsts and a second to win the series.

The Cornball was sailed the weekend before the Lake Erie Districts and 37 boats from eight clubs turned out. The wind gods smiled on us again and we had more than our share. Jim Neville from Chautauqua YC was the winner; Cal Schmiede, Niagara Sailing Club second, and Mark Bryant, Sandy Beach YC third.

The Lake Erie District Championships the following week brought forth 49 boats. Former World Champ Tom Allen was the winner followed by Ed Roseberry of Buffalo Canoe Club and Larry MacDonald, Jr. of Royal Hamilton Y.C. The combination of the two regattas back-to-back was a huge success. A very large contribution, no doubt, was two of the best weekends, weatherwise, of the whole summer.

The final big event of the season was the Labor Day Long Race sailed from Lakewood to Long Point and return a distance of approximately 26 miles. It was a nip and tuck battle all the way between Jim McDonnell and Dick Harding, but at the finish line Jim McDonnell edged out Dick Harding by a few feet while Will Wendell was third.

This year the CLYC Club Championship was sailed in Lightnings. Although an E Scow sailor won the Championship, the prize for the best crew went to Jim McDonnell and his son, Jimmy.

Dick Harding was selected as the one person who contributed most to the sport of sailing during the 1976 season. Congratulations Dick.

We lost two of our most eager sailors in Walt Williams and Bob Creighton. We all appreciate the tremendous effort Bob put into the two regattas and we regret that he had to leave the day after the Districts. Good Luck and smooth sailing to you both.

Fleet 23 sailed two series of club races in 1976. The first series of ten races was unusually close. The two leaders Kaye and Strempel were tied in points and Alex Kaye was declared winner by comparison of throwout scores! Mark Wilkins was a close third.

The second series of eight races was won by Mike Wilkins with David Strempel, second. Mark Wilkins was close behind. The veteran sailors have found that our younger skippers set a very fast pace.

Our fine sailing season was tragically marred by the loss of our old friend and consultant, Charles Lutes, in a storm at the Ohio District Championships. Charlie had been invaluable to our yacht club and our fleet for many years. Charlie kept the Lightnings sailing; but, the main thing, his personality made our sailing more fun. Each of us in Fleet 23 will miss him.

1976 provided an exciting and eventful season at this enchanting picturesque lake immersed in the tranquil Mohawk Valley huddled between the quiescent Kittatinny Mountains. Only trouble is when the wind comes over these darn mountains the sailing is rotten.

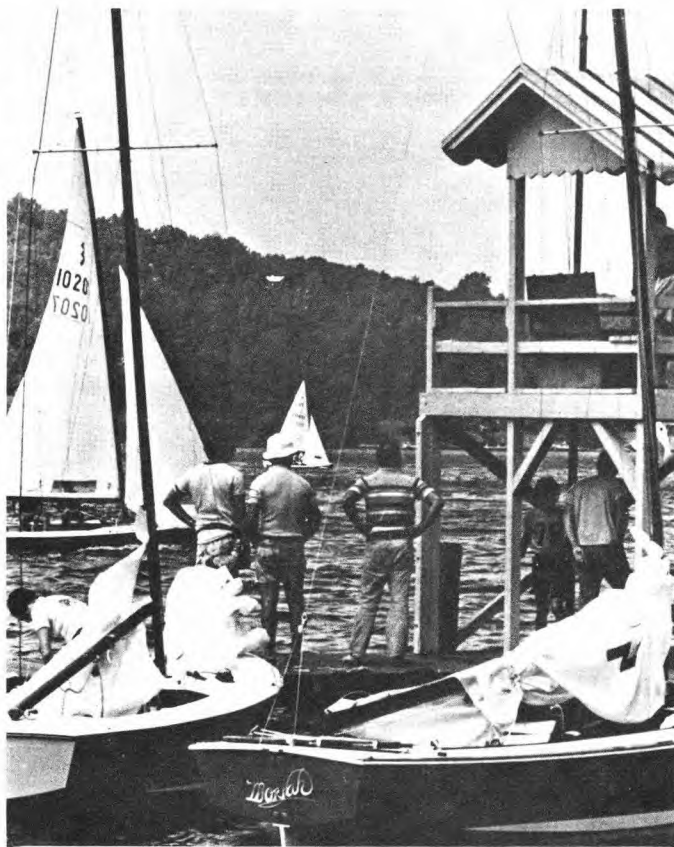

This year however, we were blessed with the favored west to southwest winds, at least on Sundays, which enabled us to sail a total of 40 fleet races, 4 handicap regattas, a single-handed regatta and the Lake Mohawk Invitational Regatta.

Bob Graham and his crew of wife Pat and Todd Gillespie are once again our Fleet Champions. They won the Spring and Summer Series while Bob Tomassetti won the Fall Series. Dave MacDonald and Tom Bierman were a close second and third respectively in the Spring Series with Ron Beard, fourth and Bill Wagner, fifth. In the Summer Series it was Tom Bierman, second and Ron Beard third. Dave MacDonald, fourth with Jim Wavle fifth. The Fall Series saw Bob Watters and Jim Wavle finishing second and third behind Bob Tomassetti.

Dave MacDonald won two of the four local regattas along with Tom Bierman and John Eggers. Dave also won our first annual Single-handed Regatta which was planned and run by Don Ploetner. This year John Eggers, Bob Graham and Tom Bierman placed fifth, sixth and eighth in the Districts. At the North Americans Tom qualified to race in the Championship Fleet.

Every Fall Fleet 25 participates in a three lake "Short Circuit" event which is held on three successive weekends in September with three races each at Greenwood Lake, N.J., Lake Wallenpaupak, Pa. and Lake Mohawk, N.J. This year in the "Short Circuit" series the first five in order of finishing were Bob Graham, Tom Bierman, Sandy Huntsman of Monmouth, Roy Sengstacken of Greenwood Lake and Dave MacDonald.

It was mentioned earlier that 1976 provided an exciting and eventful season. A few of these events follow: Tom Bierman purchased a new boat and picked up a new crew in Suzie Maxwell. Previous to this nobody can remember when he had last capsized. However, witnesses report three of these such occurrences this season. Because of this and the fact that through no fault of his own this brand new boat has already been damaged twice, the boat's new name will be "Ruptured Duck" and Susie will be crewing for Bill Wagner next year. Pat Graham fell out of their boat because she claims a hiking strap broke. Bob picked her up, but it was very quiet on that particular day.

Waiting for wind.

During the course of the season Jim Wavle and Dominic Roselli both picked up the weather mark with their main sheets. But it will be a long time before we forget Jim racing after Dom yelling for him to let the mark go so he could round it. Bob Watters washed his boat in Lake Mohawk this year — twice. After a tack on Jim Wavle's Lightning crew John Kindschi went over to the high side and continued going. At least three times this year both during and before races we looked over at Wavle's boat to see his other crewmember Jim "The Chimp" Nolan up the mast holding onto or standing upon the spreaders to retrieve the spinnaker halyard or reconnect the jib stay. This monkey act attributed to one of the two Wavle capsizes when "The Chimp" wouldn't let go because the water was cold. Bill Wagner and Ron Beard also capsized. And they say its never windy on Lake Mohawk.

Next year should be as enjoyable if not as exciting as this year. We would like to welcome Mike and Rita Venus and hope that Larry Kenny and "Willie" sail more frequently next year.

1976 proved to be one of the most successful years yet for Fleet 27. Our fleet over the last two years has grown from 12 boats to 26 in 1976, and enjoys an extremely active social and racing schedule. Because so many of our sailors are either first or second year sailors we place a great deal of emphasis on training and improving skills. Our whole fleet is rapidly improving because of the help of our more experienced sailors, particularly Ron and Dixie Sehulster, Paul Howald and Bucky Powless, who are constantly working with the less experienced members by helping to tune or maintain their boats or by crewing for them to help improve their performance in races. This is demonstrated by the fact that during our club racing season nine different skippers won trophies for 1st, 2nd or 3rd in series.

The season this year really began shortly after "docks out" and we enjoyed a number of potlucks and other get-togethers throughout the winter, in addition to a series of seminars by Ron Sehulster emphasizing rules and tactics. In March we again sponsored the Ohio District Seminar which drew fifty sailors from throughout the District and featured a faculty of George Fisher as moderator, with Jim Dressel, Bill Buckles, Jack Mueller, Nancy Mueller, Bernie Malcolm, Barrie Wilson, Greg Fisher, Dick Pugh, and our own Bucky Powless as instructors. With eight Lightnings in the water and the chance to pick the brains of this group, the weekend was indeed a tremendous opportunity to learn and improve.

Our Spring Series was won by our veteran Ron Sehulster with Eric Hilsman and Bob McBride, two new sailors finishing second and third, respectively. The Memorial Day Series also closed with Ron Sehulster winning and Eric Hilsman in second; followed by Mike Denning in third. The Summer Series was again won by Ron Sehulster, but Bill Hilsman gained second followed by George Hodge, third. The July 4th Series was also won by Ron Sehulster with Mike Denning second and Bill Hilsman third. The Fall Series went to Eric Hilsman with Carl Clipp, another of our newer sailors coming second. Our Labor Day Series were the final races to

determine the Fleet Championship with three skippers, Ron Sehulster, Eric Hilsman and Bill Hilsman having a chance. When the weekend was over Eric Hilsman had won the series, with Bill Hilsman, second and Ron Sehulster, third. The fleet championship was not decided until the last race of this series and when the dust cleared Eric Hilsman had edged Ron Sehulster by a fraction of a point, and Bill Hilsman finished a close third.

Our Fleet sponsors the Windshift Regatta in June each year, which is the second leg for the new Ohio Governor's Trophy. It was won going away by Dick Pugh, followed by Tom Varley, Jim Young, Bob Mains and Leatherlips sailor Mike Denning. We also jointly sponsor the HYC-LYC Regatta which was won by Tom Varley, followed by Ron Sehulster, second and Jim Anderson third. Tom Johnstone won the best new skipper award, and Paul Howald enjoyed the dubious distinction of winning the "broken rudder" award.

Fleet 27 is very proud of its junior sailing participation this year. In the Jr. Sailing Day race, Brad Powless, 12 years old, took second place, .03 of a second behind first place, and nine year old Debbie Sehulster finished fourth overall in a race open to any youngster under 17 years old.

Our fleet also participates in all phases of club and district activities, with Ron Sehulster serving as Secretary-Treasurer of the Ohio District. He is also Secretary-elect of the club. Paul Howald is club Commodore-elect, and Carl Clipp is club Social Director. Dixie Sehulster is in charge of the Junior Sailing Program. Charlou Howald is Vice-President of the "Squaws", and Lois Hilsman is Recording Secretary.

As the 1976 season ends we are beginning to plan for 1977 with great anticipation. And that reminds us that it's just about time for the gals to arrange another potluck, so the guys can rehash some of those mark-roundings and spinnaker reaches that decided all of those races.

The 1976 sailing season at D.L.Y.C. under the able direction of Fleet Captain, Hank Hodgson, Jr., kept the fleet active in competition all summer long. Hank decided to permit two divisions to be formed within the fleet, with the "A" fleet composed of active experienced skippers, and the "B" fleet composed of less experienced skippers who would vie for the "B" fleet championship. The fleet championship series was based on a number of multiple race series held on the Holiday weekends and other designated Sundays, which allowed those skippers who wished to sail on other lake regattas to do so without jeopardizing their chances for the fleet championship.

Hank Hodgson, Jr. started and ended the summer with victories in the Memorial and Labor Day series and with other victories besides, rather handily won the fleet championship.

The First Summer series was won by George Sipel, and Doug Kapnick was the victor in the Second Summer series. Merrill Bales celebrated the Bicentennial by taking the 4th of July series. The

annual Commodore-Captains series was a lively event with Hank Hodgson, Jr. winning the Commodore's flight, and Doug Kapnick the Captain's flight. Bill Nuoffer was the victor in the Stay at Home series. Charlie Smith won the "B" fleet championship by perseverance in sailing the most number of races. Karen Hodgson skippered her husband's boat to victory in the Thursday evening series.

Our two annual "fun" races were opportunities for fleet parties. Phil Reynolds won the night race, and Jack Tibbs was first to the bar in the "Around the Lake" race.

The following people were recipients of annual trophies: Ted Delzeith, Most Improved Skipper; Bess Nuoffer, Best Crew; Charlie Smith, Sportsmanship Award; Hank Hodgson, Jr., Novice Award; Bill Draheim, Junior Award; Dick Draheim, Board of Governors Award.

Our annual regatta, held the 2nd weekend after Labor Day was won by Bill McKinley of Pontiac Boat Club, with Dave Peters of Douglas Lake second, and our former regatta champion, Merrill Bales, third.

The Central Atlantic District's most active Fleet again enjoyed a rewarding season with an active racing program from May through October and excellent representation on the regatta trail. The season looked fairly routine as Jim Carson won the Bay Head Spring Invitational, the Atlantic Coast Championship and crept away from the field towards another unprecedented Barnegat Bay YRA Championship. Alan Ruiter gained the District Championship as he led a powerful contingent of Metedeconk boats to a sweep of five of the first six positions on the tricky waters of the Spray Beach Yacht Club race course. But the "star of the show" turned out to be eighteen year old Jay Lutz who completely outshone his better known seniors by not only winning the Junior Districts and placing second in the Junior North Americans, but placing fourth in the North Americans and third in the Bluenose at Nashville ahead of such luminaries as Bill Shore and Tom Allen. We are proud of Jay and proud to know that this is part of the future of the Lightning Class.

On the Metedeconk it was an Ugly Fuzzy year. Jim Carson's conglomerate of co-skippers were not to be denied. Jay Lutz, Michael Schon, and George Francis, Jr. whose father crewed with Jim almost twenty years ago on #1004 had little difficulty returning the Metedeconk River Yacht Club's beautiful perpetual platter to the Carson mantle after an absence of two years. Dave Ruiter, our champion for the past two years was the victim of this fired up effort though he sailed well enough to win most series. Close behind were co-skippers Mimi Dimon and Dave Lapier whose superb tactics generated some interesting close races. Alan Ruiter unselfishly turned over the helm of his boat to newcomer Rick Tell for most of the races and their combined efforts were good enough for fourth. Werner Schon, our enthusiastic Fleet Captain held boat and crew under control long enough to nail down fifth. Dick Thomas was sixth, Jim Daley, seventh and Don Upmal, eighth. Dick Jeske surprised us all with a beautiful new boat but could find neither the winning combination nor enough time to qualify. Bill Newman, another non-qualifier, made the competition torrid in most of our races as did Mark Forhez in his infrequent starts.

With five skippers at Sheboygan (four in the North Americans) and three Juniors at Milwaukee, Fleet 34 can be proud of its present stature and look forward to a bright future.

The 1976 sailing season started off with great expectations by quite a few skippers, since this was the year that would test the six new boats that had been delivered since last Fall. There was much comparing of equipment and rigging, and many appreciative glances at the gleaming new beauties. But for various reasons, the new equipment didn't make that great a showing over the long haul. Many of the new boats weren't raced as regularly or consistently as they could have been. Only two of the new-boat skippers, Joe Redding and Jack Borland, earned a piece of the hardware. All the glitter and polish of new equipment didn't faze our very able junior member, Randy Ruhlman: he ran off with all the marbles.

The wind gods smiled on us all season long with very fine air. Even our July Fourth regatta had enough wind to get the races run as scheduled.

Successful skippers for the various series included: Eager Beaver Series: Jack Borland, first; Don Courtsal, second; and Dick Maras, third. Spring Series: Rob Ruhlman, first, followed by his brother, Randy Ruhlman, second; and Al Caldwell, third. During the summer sailing months, we have two series running concurrently: Saturday Series and Sunday Series. This year, Randy Ruhlman took first in both the Saturday and the Sunday Series. Rob Ruhlman was second in the Saturday Series and third in the Sunday Series. Don Courtsal took second in the Sunday Series, and Joe Redding, third in the Saturday Series. We have a Stay-at-Home Series, for those who do not compete in the Ohio District racing, or do not qualify for the North Americans. The winners of this six-race series were: Wayne King, one of our very able juniors, who took first; Don Courtsal, second; and Joe Redding, third. The Fall Series ended with Randy Ruhlman taking first again, followed by Don Courtsal and Al Caldwell.

Our fleet champion is determined by the results of the Saturday plus the Sunday Series. This year's top five skippers were: Randy Ruhlman, Rob Ruhlman, Don Courtsal, Bob Baumgardner, and Al Caldwell.

Members of our fleet who participated in the North Americans this year were: Chuck Maltbie, Rob Ruhlman, and Randy Ruhlman.

Special fleet activities included our annual Corn Roast (to which all the Club members are invited) and our main fun sail: The Moonlight Race (with added special race instructions: crew of four-consenting adults only — and a wild La Mans start). This year Jack and Ann Borland provided the moonshine (in quart jars), and Chip Miller skippered the winning boat, which got back first with three different balloons.

Our fleet is honored this year by having one of our members serving as Club Commodore: Don Courtsal was elected at the Fall meeting.

Our final fleet activity to close the season was a lovely Awards Dinner and associated social activities on November 13, hosted by our Fleet Captain and his First Mate, Chip and Kathy Miller. The week-end party wound up at Sunday Brunch, served by Pete and Woofie Shafer.

We've felt for a long time that we have a superb junior sailing program — they do know how to bring home the trophies against other juniors. But when they start copping the seniors' trophies too . . . we may have to scrap the program, or ship a few kids off to Siberia for the summer. All kidding aside: well done, Juniors — keep up the good work!

Fleet 39 sailed a very busy season this year losing only one point race to the lack of wind. The Spring Series started on May 2 and the Fall Series concluded October 24. Bill Gordon, on his way to the season championship, took first place in ten of eighteen races, in all four series and in the long distance race. In the skipper/crew race where skipper and crew change places and each get their just deserts, Tammie Korber took first place in Bill Gordon's boat.

*Fleet Champion, Bill Gordon and his crew, Tammie Korber and Brian Sloat, debate the relative merits of steering and clearing the centerboard.*

Scoring for fleet races uses a modified Cox-Sprague system to divide into two fleets (divided at 75 percent). Both fleets sail together and low point is used to award trophies.

Series winners were for A Series: A Fleet - Bill Gordon, first; Sam York, second; B Fleet - Frank Newman, first. B Series: A Fleet - Bill Gordon, first; Eric Fuegel, second; B Fleet - Sue Cerniglia, first. C Series: A Fleet - Bill Gordon, first; Steve Schwark, second; B Fleet - Joe Sullivan, first. D Series: A Fleet - Bill Gordon, first; Steve Schwark and Eric Fuegel, tied for second. Overall, Steve Schwark finished second and Eric Fuegel third.

In the Chelsea Open Regatta, 14 Lightnings raced three races but one race had to be thrown out due to confusion, mainly on the race committee's part, over a local rule which restricts sailing through the Chelsea mooring area. Silver went as follows: Gary Hurban, Nyack Boat Club, first; George Bitler, Mark Lewis, High Tor, second; Roy Sengstacken, Awosting Yacht Squadron, third; Steve Schwark, Chelsea, fourth; and Paul Krick, High Tor fifth.

Explorer Post 381 contributed heavily to the success of racing at Chelsea not only by racing their own Lightning but by providing competent crew to several other boats.

1976 Fleet Captain, Sal Cerniglia, after sailing half the season as crew for his daughter Sue, has moved on to the Ensign Fleet. Sal's boat will continue to be raced by her new owner. Fleet Secretary, Steve Schwark, replaces Sal as Fleet Captain for 1977. Bill Gordon has been elected Secretary/Treasurer.

1977 promises to be an even better year at Chelsea with three Lightning owners expected to join the Yacht Club by Spring and five boats planning to travel the Hudson River circuit.

The 1976 season opened with a dismasting and ended with the same. Early in the year the Bitler-Lewis team was dismasted at Red Bank in the Long Johns regatta. Bill Meyer lost his mast during the final race of the season here at home.

Unfortunately the weather throughout the season was disappointing. This was especially true during the summer months when the wind was light and the current strong.

Even though fleet participation was low our top skippers showed their skills at local regattas; with Bitler-Lewis winning the Magnus Pederson regatta at Nyack and Paul Krick also winning there in the Labor Day Invitational; and with the fleet championship not being decided until the final race. In the end Bitler-Lewis won the Hudson River Circuit and Krick was runner-up, the situation was reversed in the Fleet Championship with Paul Krick, first and Bitler-Lewis runner up. It was an outstanding year for both Bitler-Lewis and Krick.

We are looking forward to more boats, better competition and hopefully better racing weather next year.

Left to right — Lightning #9739, Crew — Joe Heinzmann, Lora Grinder, Skipper — Mark Grinder — Club Champion and crew.

Completing the 34th season of sailing for the Silver Lake Yacht Club Fleet 47, the year was reviewed at the Annual Awards' dinner, held this year at the Roycroft Inn, East Aurora, New York. A cold, rainy summer with switching winds challenged the race committee and alternately excited and frustrated the sailors of this 25 boat fleet.

Fleet Racing — The Race Committee laid their courses according to the Modified Gold Cup Format. Marking the start of the organized Club Races was the Tune-Up series of three short races. The Varsity Alumnie "claim" they allowed Jack Grinder to win all three races and the Brass Bucket trophy, as a wedding gift to the new groom and his bride, giving little credit to Jack's competent crew, Lora (Schorenstein) Grinder and son Mark.

The Williams' Stay at Home trophy was won by Todd Jones with brothers Kevin and Peter as crew. Sister, Gail was shanghied when Kevin broke his foot.

The Bill Humphrey Trophy was captured by Peter Bone with Peter Humphrey and Mark Humphrey as his very able crew. This talented skipper also took the Jane Van Arsdale Memorial Trophy and the Ed Neal Memorial Trophy. Vice-Commodore, Cal DeGolyer with sons Scott and Todd was Mid-fleet trophy winner for both the Van Arsdale and Neal series. This attests to Cal's skippering acumen and his crew's eagerness, as the crew were first year sailors.

Commodore Bill Neal with crew Kim Reagan and John Humphrey won the Benedict Memorial Trophy, as well as the Mid Neal-Brown Trophy for best performance for away regattas and the C. L. Van Arsdale, Jr. Trophy for the best Silver Lake boat in the Harvest Regatta. J. A. Emens with son Paul took the Mid Fleet trophy for the Benedict series.

The 14 races for Club Championship was awarded to Mark Grinder and his crew, bride Lora (Schorenstein) Grinder and able, loyal Joe Heinzmann. Bob Williams with crew Dan Levin and Jerry Stout took 2nd place and Cal De Golyer with Scot and Todd took third place. Bud Humphrey, always sailing on the edge, with sons Jay and Tommy took the Mid-Fleet Championship.

The Most Improved Skipper, based on point average of two years, is J. A. Emens and the Jacob Hafsted Memorial award for the Club's Outstanding Crew was given to John Humphrey. Bill Van Arsdale returned for part of the season to sail with daughter Sally and son-in-law Doug Bliss. Guest skipper and family, Mr. and Mrs. Gary Vance and Leonard, joined the fleet for one series. Gary is a noted skipper out of the Sierra Yacht Club. Seldom does a skipper have an opportunity to perform a reciprocal service as Bud Van Arsdale did, when he threw a line to Doc Williams, and towed his fuelless Chris Craft home on a run aided by 15 mph winds. Symbolically he thanked all power boat owners for their rescues and assistance.

In spite of less than the best weather, it was a good year for the club. There were sufficient capsizes to keep us humble, a couple of man overboards to test our agility, enough equipment broken at crucial moments to sharpen our ingenuity, and of all the flotsom and jetsam that the Sea Serpent consumed, she returned all but one carelessly thrown mushroom anchor and line. Special pennants were given the race committee members in recognition of their interest and efforts: Mrs. Ruth Fowlston, Platt Flowston, Fred Shade, on the committee barge. Dr. and Mrs. Berguson on the starting line; Mr. and Mrs. Max Tillotson, lead boat. Ken Thompson and Jack Grinder, alumni skippers, joined the Race Committee in an effort to set up race courses that would outwit Silver Lake's switching winds and placate the Sea Serpent.

Harvest Regatta — Silver Lake's 19th Annual Regatta welcomed 54 Lightnings. Two races were sailed Saturday. The first under scudding clouds with brisk winds. The second race started amidst a downpour, the skippers and crews wet from the rain as well as the chop and spray from 15 mph winds with 20 mph gusts. Sunday's race was complimented with warm sun and 10 to 15 mph breezes to lift the spirits of sailors and committees. Long reaching courses were the order of the week-end. Overall winners: L. McDonald, Jr., first; F. Hayden, second; R. Hallagan, third. Dr. and Mrs. Williams graciously lent their cottage grounds for our cocktail party. This was followed by a buffet dinner and dance to round out the evening. If you have never attended a Harvest Regatta, put it on your list; if you have, see you this year at our 20th!

We are looking for an excellent year next year with following executive; Commodore, Bill Neale, Vice Commodore, Cal Degolyer; Sect., Jeanne Neale; Treasurer, C. L. Van Arsdale; Fleet Captain, Peter Bone; Jr. Fleet Captain, Mark Humphrey; Social Co-Chairwomen, Sally Bliss and Fran Williams; Publicity, Liz Grinder; Directory, Mark Grinder and Earl Fowlston (3 yrs.); Mark Humphrey and Mark Dodd (2 yrs.); Doug Bliss and J. A. Emens (1 yr.).

Our bicentennial year in the nation's capitol turned out to be another banner year for Fleet 50. The '76 Fleet 50 annual banquet will have been held at the Capitol Yacht Club, the same event, also held at Capitol Yacht Club, was Larry Kaltman sailing editor of the Washington Post. He shed some light on why sailing news and other local sports news get so little coverage in newspapers. Did you know we get the space vacated by skiing?

Bill McCarthy's social schedule was certainly a success. We started off with four sailing seminars: Tuning The Boat For Racing and Sail Trim by Bill Buckley, 1975 District Champion; Rules of Racing, Special Rules, and Protests by Frank Gentile; Racing Tactics and Strategy by Mike Arnold; Flying Spinnakers by Doctor James Gilbert.

Blessed with a beautiful May evening, we took a boat to the local recreation ground and rigged it under a flood light. Dr. Gilbert made up crews among the present, and drilled them crew by crew rotating crew assignments as the evening wore on. When all had become familiar, the seminar adjourned to the Hulburts rec room. Dr. Gilbert then took Randy's chalk board off the wall, placed it on the rug in the middle of the floor, and then we had the best chalk talk on spinnaker tactics and strategy you could ever hope for. Our seminars are open to all Lightning sailors, Sea Scouts, and High School Sailing Club members. Several picnics at the marina and the annual Collier Cup cookout at Frank Gentile's house were well attended and enjoyed by all.

National Yacht Club's family on the Fourth drew everybody still in town. Ron Buchanan got the watermelon, "Doc" Hulburt the orange and Skipper Al Davis the lemon. You should be able to interpret the race results. We remained for Washington's Bicentennial Fireworks display. Some Show!

The PRSA Spring Series was well attended by Fleet 50 members. Hard on the beginning of the season was Norfolk's Azalea Regatta at the U.S. Naval Base. Nine boats and more than thirty people from Fleet 50 and its families made the trip. Mr. and Mrs. Woody Woodbury hosted Lightning sailors from all over the Eastern Seaboard on Saturday evening. We remember the occasion with warmth and appreciation. NYC's Memorial Day Down River Race, an 18 miler, a drifter for the third year in a row, was won by Mike Arnold.

Starting this year, we are using the PRSA Spring Series and the NYC Collier Cup to determine the fleet championship. Frank Gallagher in his first year of boat ownership is our new fleet champion and he earned it. The summer and fall series here on the river were a little thin as our steady racing sailors were participating in regattas on the road.

Ron Buchanan won the Spring Regatta, Frank Gallagher the Collier Cup, and Bill Buchanan the President's Cup. The Fleet 50/Fleet 329 Challenge took place at Severn Sailing in Annapolis in September. The cup travels down the road to Annapolis for a short sojourn. Dieter Grotheer won the Lyon's Trophy for the best Collier Cup/President's Cup combined performance. This is the first time in this writer's knowledge that a local sailor has ever won it.

A word about our younger sailors. Anne Jacob repeats as our Junior Champion and again, she and Rosy Gentile, were mainstays in getting juniors on the river. Eight junior skippers and their crews participated in the Fleet 50 Junior Championship Regatta. Among the "new" comers were Maureen Gallagher, Rick Wachnik, Barb Wachnik, and the Cordtz's.

Jennifer Hulburt repeats as the Fort Hunt High School Sailing Club skipper. A number of this club's members have been active with us this year. Dave Leoffler, Tom Watson, Jennifer and Linda Hulburt have crewed for people and Dan O'Rourke and Lisa Tanksley served race committee duty with us.

Mrs. Pat Gallagher passed away in the early summer after a long illness. To Pat, son Frank and daughter Maureen we extend our condolences.

The 1976 sailing season at Crescent Sail Yacht Club was busy and fun filled for Fleet 51. There were more boats participating in local racing this year, plus a lot of traveling around the state and midwest circuit by various members. Fleet Champion Bob Knop kept his *Bird* going, repeating his first place performance again in 1976. Fred Eng, Fleet Captain, was the runner-up for the 1976 club season. Some of the newer fleet members did well with Bob Werenski second in the Wednesday night races and Arlyn Kinkel and Ron Summers finishing second and third in the Sunday series.

CSYC hosted the annual Lightning Invitational Regatta in June with 22 boats at the starting line for two races each Saturday and Sunday. Local weathermen provided gusty, shifty 16 knot breezes and the race committee (handled ably by CSYC Thistle sailors) came up with a mixed bag of traditional '7 leggers' and Olympic courses. Gary Cameron bested the invitational fleet with three firsts and a third. Local champion Bob Knop finished second followed closely by Dave Peters in third. Trophies went to the top three skippers and

their crews. The lead changed many times on the Olympic courses and it was agreed that the Olympic schemes provided some interesting experiences.

The skippers and crews were treated to free beer and a light supper on the CSYC lawn after the Saturday races. A delightful repast of bratwurst, potato salad and nibbles (for a small fee) was put on through the enthusiastic efforts of Lilo Kinkel and other fleet wives. This event provided the opportunity for host and visiting sailors to 'resail' the races and recount a few jibe mark capsize.

Many of the Crescent sailors traveled to such places as Fenton for team races, invitationals at Gull, Higgins, Lansing, Pontiac, and Tawas in Michigan and Peru, Indiana. Some early birds started the sailing season by racing at Savannah and St. Pete on the Southern Circuit. CSYC was represented at the 1976 Michigan Districts by Dick Drew, Bob Knop, and Bob Werenski. Knop placed fifth overall in the Districts and he went on to sail in the Presidents' series at the Nationals in Sheboygan.

The summer wasn't all racing as Arlyn Kinkel and family 'cruised' their Lightning in the Old Mission Bay area of Traverse Bay. The intrepid crew of Vince Boyle's boat made a valiant attempt to sail from Lake St. Clair to Lake Huron but were thwarted by poor winds and the St. Clair River current. The fleet did get one picnic in after a Wednesday night race thanks to the help of Mrs. Bob Knop and inspite of impending rain. The fleet also sponsored its annual fall lobster dinner for CSYC members serving one hundred fourteen 1¼ lb. lobsters and all the 'fixins'. It looks like the last man out of the local waters this year was Marlow Lee who was observed 'singlehanding' his Lightning the second weekend in November.

Fleet 51 has some different activities such as slalom races and 'cruises to dinner' in the cards for the future. New fleet members, Bob Lees and Mike Koman, plus at least three new boats are expected to make for even livelier competition in the '77 season.

During the 1976 season the battle for fleet champion was a see-saw battle between Herman Nickels and Paul Militzer. The fleet championship was not decided until our final day of racing. The final tally marked the return of Herman Nickels as Lake Fenton Fleet Champion. A seasoned Lightning veteran who has earned Lightning awards too numerous to count, Herm still maintains the enthusiasm of a beginning sailor. His light air skill is unmatched by anyone in the fleet. When asked why he is still seriously competing every weekend, Herman states "If you had as good looking a crew (both girls) as I have, you would keep sailing also!"

David Furey received the Traveling Trophy for having the best record in away regattas. He was our only fleet member to qualify for the North Americans. Dave also was elected Commodore of our club for the 1977 season. Dave Nickels was elected Fleet Captain and Al Bauer is our new Fleet Secretary.

Al Bauer earned the Margaret Nickels Award for being the most improved sailor in the fleet.

Our Michigan District Team Races were very successful and enjoyed by all who participated. Tawas Bay won the team race championship, Devils Lake, second and Lake Fenton, third.

The association's largest Lightning Fleet continued to prosper this year under the able leadership of Commodore Dick Adamson. Club membership nears 150 with several dozen new associates this year. Active Lightning registration numbers 47 boats.

Fleet Captain Gordon Gotberg organized a fully packed sailing schedule covering 80 races on picturesque Cass Lake offering ample opportunity to sharpen sailing skills this year. Sailing got off to a roaring start with the Bug-Out May 2. The five-race series was shortened to one when a squawl line moved thru scattering the fleet to the wind. Four of the seven boats and crews got an unscheduled cold baptism.

The six separate series this past season consisted of Sunday afternoon and Wednesday evening racing in the Spring, Summer and Fall. Listed below are the top finishers in each series: Spring, Sunday - N. Corbett, first; J. McCoy, second; R. Mathers. Wednesday, R. Mathers, first; R. Mullen, second; J. McCoy, third. Summer, Sunday - Jo Corbett, first; R. Mathers, second; L. Bowler, third; Wednesday, V. Brooks, first; T. Juruschek, second; W. Smith, Third. Fall, Sunday - L. Bowler, first; J. Corbett, second; L. Kastura, third; Wednesday, L. Kustura, first; L. Bowler, second; L. Zednik, third.

One of the outstanding regattas of the Summer is the Club Championship held the 4th of July weekend. Dr. James McCoy won a narrow decision over Mel Bleitz with Lou Zednik close behind. The overall Spring-Summer Championship went to Bob Mathers. With all of the hardware Bob has won in the past, this is the first time for the overall trophy.

The annual Pontiac Yacht Club White Cap Regatta turned out to be a super happening. With winds hovering between 15-25 knots for the four races, plenty of excitement was had by all and underwater sailing by some. Gary Cameron took all honors with a sweep of three of the four races. He had to settle for two points in the last race, as Club boat Bill McKinley covered Gary to the finish. Bill took second over-all with Bob Knopp third. Lauren Bowler and Clarence Holman finished sixth and seventh.

The membership as usual did a fine job of keeping the club's facilities in top condition. Under the able direction of John Sommers and his committee, "Old Blue" got a well deserved "do" including engine, electrical and floor boards. Les Kastura and his committee did a great job of rebuilding the dock which spent a good share of last year with just its nose above water. For these two super efforts, the Ray Ransom Award (for outstanding contributions to the club) was given to both John and Les at this year's season-end awards banquet. Other outstanding awards were: the Michigan High Point Trophy to Bill McKinley, the Sportsmanship Award to John Scott, and the Clarence Holman Trophy (for most improved skipper) to Les Kastura.

With the election of a new slate of flag officers, headed by Commodore Lou Zednik, the Pontiac Yacht Club eagerly awaits the passing of the hard water sailing season so that soft water sailing can pick up again with the same tempo with which it ended.

Fleet racing at the Niagara Sailing Club was somewhat abbreviated this year, as most of the fleet opted to sail away from home at various local regattas. Cal Schmieg won the Bowen Trophy, emblematic of the fleet championship with Judy Walker garnering the runner-up spot. Cal also captured the Wardell Series with Judy again second. The Blake Memorial Series went to Judy Walker this year, with Don Evert second.

Our annual Niagara River Lightning Championship attracted 31 boats. Old "river rat" Stu Anderson edged Tom Allen for the title this year. Rounding out the top five were Ed Roseberry, Pete Bone and Cal Schmieg.

Cal, incidentally, was the only fleet qualifier for Sheboygan where he placed a disappointing twenty-sixth in the blue fleet. His 585 lb. crew weight boat just didn't seem to accelerate with the others. Guess we'll have to go on a diet.

We welcomed Dale Taulbee and his "new-reconditioned" boat to the club this year. Dale campaigned extensively this season and showed real improvement. Here's hoping Dale's the first of many new Lightning owners at the NSC.

The racing year on Lake Ponchatrain always starts with the Sugar Bowl Regatta. This year won by Matt Fisher during his Southern invasion. Our own Gil Whitworth took second with Duncan Porter of Dallas third. Conditions are usually at their worst when the Mardi Gras Regatta takes place in late February. This year, however, it was sailed under beautiful sunny skies with Gil Whitworth getting the big silver. Gil stayed in winning form to take the NOYC opening Regatta in April while Ross Allen garnered the SYC event.

Most of our boats journeyed to Shreveport for the Tri District Championship held in conjunction with their Holiday in Dixie Regatta. This first championship was taken by Jim Craig of Dallas with Buck Ballatin, of NOYC, second and Tommy Allen, third.

The next big event was Southern Yacht Club's Annual One Design Regatta in late May. This event was the only Regatta I have ever seen end in an unbreakable tie between Bob Thomas of Dallas and Buck Ballatin of NOYC. Duplicate trophies were awarded after long discussion. There is not space here to cover all the details, but the problem started when one boat was caught in a shrimpers trawl dropping five places and then given his points. The question not resolved in the rule book was whether he would also get his position for tie breaking purposes.

Our own Gil Whitworth won the Southern District Championship sailed this year in Shreveport, Louisiana. Rick Skinner of Fairhope, Alabama took second with Tommy Allen, of SYC, third, Marshal Walker of the host club took fourth and was the only boat from the Districts to journey to the Nationals this year. Buck Ballatin took 5th.

In mid-summer Tommy Allen took the prestigious Capdeville Regatta and stayed in winning form to win the Fleet Championship also. Rick Skinner of Fairhope took the Labor Day Series. Other winners of the regular series sailed each weekend included Buck Ballatin, Tommy Allen, Gil Whitworth & Dr. Arthur Pageant.

1976 was a good year for the fleet and saw us add two new boats to the roster: Billy Appel and Larry Frost. They are both young and fast and we look for them to put pressure on the old guard.

MYC Lightning Fleet 69 once again sponsored the Club's Commissioning Ceremony on Saturday, May 29. For the first time in recent memory, rain forced the ceremony inside the clubhouse, but a relay by fleet members insured that the club cannon fired at the exact moment required for the official opening of the season. The ceremonial rain seemed to propitiate the weather gods; the rest of the summer was unusually fair. The fleet, with the Marine National Exchange Bank, also sponsored the annual Marine Handicap regatta on May 30 for both keel and centerboard boats. This year the Lightning fleet captured all three top places in their division. Dean Cady was first, John Esser, second, and Bob Mahnke third.

On July 19 and 20, our fleet once again sponsored the P & T Regatta with Vice-Fleet Captain Sandy Cutler efficiently in charge. Bob Smither took first place with Eric Graf and Tryg Jacobson second and third. Fleet 69 sailors did better on the Fourth of July in the MYC Little Mackinac race (also under our sponsorship) when Dave Barret found a private breeze that wafted him into first place of the centerboard boats. John Esser followed in second. In the Brill Series sailed on August 7-8, John moved up to first place, followed by Dean Cady, second, and Guy Schrivner, third.

Our fleet and MYC hosted the Junior North American Championship August 9 - 12. John Esser, MYC chairman of the regatta, and Don Casser, race committee chairman, worked hard to achieve a smoothly run regatta in very rough weather. First place winner was Mark Bryant, Jay Lutz, second; Greg Florian, third; Matt Burridge, fourth and David La Pier, fifth. John Morley of MYC, skipping his first Lightning regatta and with Phil Schemel and Pete Schmidt as crew, took sixth place. John and Phil crewed this season for John Esser.

The next week, while Esser and Cady were in Sheboygan braving the blasts at the NAs, the MYC Commodore's Regatta was held. Saturday the wind flowed down the lake from Sheboygan, raising water spouts and wind and caused the cancellation of Saturday's race for centerboarders. With only two races on Sunday, Dave Barrett and Al Rieselbach were tied for first and Byron Roe was second.

Brisk winds blew again for the Labor Day Regatta. Dean Cady, intrepidly flying his chute proved, alas, that oval masts are not indestructible. John Esser was first, Sandy Cutler, second, Byron Roe, third.

First place winner of the season series was John Esser, Dean Cady was the second place winner, and Byron Roe, third. John has capped his sailing successes this year by becoming Commodore of MYC.

As our country celebrated its Bicentennial, the Monmouth Boat Club inched even closer to its first one hundred years of existence. As the tall ships of the world cluttered near-by waters, the Monmouth Boat Club took part in the festivities by hosting a party for the officers and cadets of the Polish Merchant Marine Training Ship, "DAR POMORZA".

It truly was a festive occasion. With all the National and International flavor, the occasion was seized by one Fleet 70 member to expand his reputation beyond our borders as one of the finest chug-a-luggers of all time. And so was the setting for Mr. Les Hathaway to challenge the Polish Navy, and in a sense all of Poland, to a chug-a-lug contest. Les's reputation among Lightning sailors is well known and to say the least, established. The results, well it was a tie. However, Les gave up much of his brew to the front of his shirt and the Polish sailor spilled very little of the pitcher he downed in the time it took Les to consume his mug.

Our fleet continued to grow as the number of boats neared forty, with the addition of such names as Brewster, Pezzutti, Roden, Schroeder and others. Let it be known that Charlie Roden wasted no time in establishing himself. Harold Beck, who has proved himself over the years as a competitive sailor, spent the year on the committee boat putting his experience to good use by setting some good courses. Dick Robrock, Fleet Captain, and Ann also put their experience to good use and promise a new fleet member in the near future. Again, the down river picnic was a lot of fun with the Millers, Becks, Corrs, Engbergs, Kelleys and many others in attendance. The afternoon of crew races provided an eventful day with Susy Von Holle failing to keep the shiney side up and that Mo Shaw Protest which will undoubtedly be decided by Saint Peter himself.

Regatta winners for the year were Bob Hutchinson, Denis Farley, and Dave Von Holle from MBC with Jack Elfman winning another great Long John Regatta. Denis Farley took first in the Spring Series, a nose ahead of Bill Clausen and that series ended as usual at Mary's Mansion. Bob Hutchinson, who won the Presidents' Cup at last years NA's was ordered to do a touch better this year. He did by taking eighth in the Blue Fleet this year and is planning to be in Switzerland at the Worlds. Way to go and good luck Hutch.

A vigorous program of fleet promotion — both social and sail — got underway in 1976 with much enthusiasm. Fewer races for the Fleet Championship, the Edie VI Steeplechase and the Whatgoion Series highlighted the changes in the sail program. More cocktail parties, fleet breakfasts and brunches, a kiddies party and family potlucks rounded out a full social schedule.

The 1977 season started with our year-end meeting and elections. A new twist was added by outgoing Fleet Captain Wally Sellars when he treated all skippers to dinner and cocktails at the club. Plans for increased social activity and expanded participation in sail events are well underway for '77. The new office of novice coordinator has been ably filled by Dick Scofield in an effort to encourage increased participation on the part of new members and youngsters.

On the local racing scene Jack Mueller ran away with the Fleet Championship scoring six firsts and two seconds. Papa John was second with Jim Disch third. Wally Sellars, Bill Kirby, Paul Auer, John Horton, George Palmer and Bill Buckles were series winners. Fleet 71 showed its usual strong participation in the Spring and Fall Circuits. Jack and John Mueller did the job in the Spring Circuit and along with Jim Disch showed the way at Peru in the Fall.

After a disastrous first attempt at the Ohio Districts at Sandusky, where Charles Lutes lost his life, the series was sailed at CYC in conjunction with our club regatta. The weather cooperated on four of the five with the third race being a real gear-buster. A giant cocktail party was held at John and Janis Mueller's. Bill Buckles and Jack Mueller qualified for the North American's but the youth element from Columbus and Pymatuning took home most of the hardware.

Fleet 71 is bidding to hold the '77 Districts and is planning another year of full activity.

Fleet 74 champion(s) Lloyd Irish and daughter, Robin.

The steady growth pattern of Fleet 74 continued in the 1976 season. New skippers joining our fleet were Al Kirkman, John Klingenberg and Richard Meek. The number of participants in our local racing program and social calendar again substantially increased. In addition, boats from Fleet 74 actively participated in the regatta circuit.

Our season began with the Spring Series which was held from the end of April to Memorial Day. The final standings were: Carl Sternaman, first; Roger Grohne, second; and Phil Lackman, third. Lloyd Irish repeated as our fleet champion winning the Sunday Summer series after an extremely close fight with Roger Grohne, and Jim Lackman finished in third place. Robin Irish added to her family's trophy collection winning the Saturday Series with Sternaman, second; and Grohne third. Robin also won the separate ladies series which was sailed on a handicap basis with Thistles, Snipes and Lightnings. Maybe we should have a match race between Robin and Lloyd next year to see who is really our fleet champion.

The local racing program wound up with the Fall series from Labor Day to the end of October. Roger Grohne (sailing nephew Greg Florian's boat) took first with Bob Buckles (Bill's big brother), second; and fast-improving Vince Daube, third. Apparently, Roger decided newer boats may be faster after all as he has finally sold #9678, which had for years been regularly beating most of the five digit sail numbers.

Our Inter-City Regatta, under the capable direction of Parke Boyer and Roger Miller, was held in June with Augie Paoli winning the first place trophy and Lloyd Irish, Bob Buckles, Greg Florian and Roger Miller taking the remaining trophies in that order. The Decatur Navy also sailed in regattas throughout the year and throughout the Midwest. Some of them were at Indianapolis (3 boats); Wawasee, Indiana; Districts at Carlyle (10 boats); Lake Geneva, Wisconsin, (8); Juniors at Milwaukee; North Americans at Sheboygan; Impromptu at Carlyle (8); Red Flannel at Chicago and the Blue Nose at Nashville (4).

The high point of the regatta season was Greg Florian's becoming our first District Champion since Bill Buckles moved to Cleveland. Greg also won the Oxie at Lake Geneva and took a second at the Brotz in Sheboygan. He placed third in the Juniors at Milwaukee and was fourth in the Governor's Cup at the North Americans. Our only other hardware was collected by Lloyd Irish who finished second in the Impromptu. The low point of the season was Bob Ohlsen's being boatless for over 24 hours after capsizing and abandoning ship in the first qualifying race at the North Americans.

Additional honors were brought to our Fleet by Lloyd Irish's election as commodore of our Decatur Yacht Club and Roger Miller as vice-commodore of the Mississippi Valley District. We were sorry to lose Bob and Debbie Knerr who moved to Houston in mid-season and will miss Denny and Reggie Heisler who are moving to St. Louis this winter.

The keen competition at home and away resulted in many new oval masts and sails being purchased at the end of the season in readiness for 1977. The continued progress of our Fleet next years seems assured.

Fleet 75's racing season from May 1 to November 1 was wet and wild. There was an abundance of air except for the third race of the Metropolitan Districts. (Of course, 10 minutes after the cancellation, the wind filled in. There was some gratification for this injustice later in the season, when the entire Regatta weekend of the Metropolitan Districts Race Committee Chairman's Fleet was entirely wiped out by wind and rain).

During the course of the season 18 of our 23 skippers had their boats on the Line. Competition was really keen. Our new Fleet Champion Gary Hurban, with crew wife, Joan and son, Gary took off in the Fall to make the Short Circuit. Ed Deeb, runner-up, proved himself a worthy recipient of last year's Improved Skipper Trophy by taking a consistent second place throughout the Spring, Summer, and Fall Series. Eddie's comment: "I never yell at my crew, although there are times when I give loud instructions." Tom DeStasio was plagued with equipment problems, but still managed to retain his First Place in the Spring and Fall Series. Bill Day, absent from the line for the past few years because of business commitments, came flying in for a third place trophy in the Spring Series. By Fall, Bill had a new boat and spent most of the series tuning the boat (or the crew?), and took a fifth. Joe Fleming II squeezed Rod Johnson out of third place in the Fall by ¼ point.

Fleet 75 was very active hosting the Magnus Pederson Regatta in June (see August Flashes), the Metropolitan Districts in July (see September Flashes), and the Labor Day Regatta for the Nyack Boat Club in September. The Jerome A. Mullen Most Improved Skipper Trophy was awarded to Howie Rinehart. (He was officially baptized in the Hudson after crossing the Finish Line, when a wind shift caught him relaxing and capsized the boat.) The Joe Hoffee Outstanding Crew Award went to Thad Cook, the third member of the Tom DeStasio's "Madame Blue". (Quite fitting to have his name with Ed Bonnacci, the first recipient of the trophy. They have been with Tom for over six years and are two GREAT Crew.)

A new perpetual trophy and keeper was donated by Eve Hall, to be awarded to the most outstanding Junior Lightning Skipper of Fleet 75. The first winner was Su Graham who has been out there on the Line consistently, finishing 4th overall in the Spring, and 7th in the Summer Series with two 3/4 scores on her record. New officers for 1977 are — Fleet Captain, Ed Deeb; Fleet Secretary, Howie Rinehart; Fleet Treasurer, Rod Johnson.

The 1976 sailing season on Irondequoit Bay was filled with good sailing, hot competition, and great parties as always.

This year the Newport Invitational Regatta was part of a special Central New York — Lake Erie Districts joint competition. As a result participation was up for the third year with 39 boats competing. Winds were a bit strong. Three boats were demasted, five capsizes, and assorted other broken fittings. Never the less, the food was good, and liquid refreshments were abundant. Larry McDonald, Jr. from Canada managed to keep it all together and take home the big prize.

The Newport boats did some traveling this year with a good representation at many good regattas. Tony Orlen was happy to come home with a third at Quantic. Poor weather limited the home fleet to 50 Championship races with an average participation of ten boats per race. Dick Doherty was way ahead for the crown with fifteen firsts for the season. Al Pundt started his season out by washing his boat — the hard way! He won the tipover trophy the second weekend of racing, May 9.

For the second year in a row the single handed series was held. Eight skippers participated as the crews cheered from shore. The first two races were sailed in shifty Bay wind. Spinnakers went up several times on each leg, resulting in very exhausted skippers. Successive races were blessed with the famous Irondequoit Bay North wind. The series was very close resulting a tie for first between Tony Orlen and Dick Doherty. Other participating skippers included Bill Wright, Tom Jungjohann, Bob Jamison, Andy Smith, Gene Wheeler, and a new sailor for the year, Steve Peskor. Other trophies awarded at the Cups & Flags Banquet include the Burns-Hanna, Howard Stickney; Missal, Tom Jungjohann; Most Improved, Gene Wheeler; Black Night, Gene Wheeler; IQBDWA, George Sereno. New boats for the year were sailed by Tony Orlen, Gene Wheeler, and Steve Sahs. Rumor has it that Ed Howe has a new boat ordered for next year which will replace the last of the really hot wood boats. And of course, the club champ wants to keep on top next year. This will be his first new boat in quite a while. If it isn't green someone will have some explaining to do!

Dick "Cowboy" Doherty rides sidesaddle again.

One week after the season Jim McIntosh finally finished his home-made mahogany Lightning. The first coat of varnish was still tacky when he left for Tennessee — only to get lost and arrive 15 minutes late at the start. He'll be back next year, so look out! New members this year included; Steve Peskor, Dick Vickers, George Sereno, Peter Rannells, Nick Hambas, and a boat owner to be — Dave Garrett. The 1977 season has a lot of promise for great sailing, keen competition and another great year. The new officers will be Bill Wright — Fleet Captain and George Sereno — Secretary/Treasurer.

This year our fleet maintained its status as the most enthusiastic and growing fleet in the Lake Erie District. The addition of Mark Bryant to our fleet gave everyone a yardstick to measure against. The result was not only superior regatta attendance at away events, but also vastly improved results by our skippers.

The season began with the Compson Series, a five race affair with Rick Hensel, first; Tom Lafferty, second and Dave Duchscherer, third.

July 4th featured the Bridge to Bridge race with 12 competitors, won by Dave Duchscherer, followed by Dick Robinson and Fritz Dusel.

The 1976 Lightning Championship consisted of the best five races out of seven sailed. The result was keen competition throughout the season.

Mark Bryant, back from the North Americans, captured the Law Series ahead of Dave Duchscherer and Rick Hensel.

Finally, on Labor Day, the Hank Duchscherer Trophy was won by Rick Hensel with Gordy Compson taking place and Carl Hosticka show honors.

For the second year in a row, S.B.Y.C. won the "Ole-Oken Bucket", capturing the Tri-Club Regatta. This again established Fleet 78 as the team racing champions on the Niagara River.

The highlight of our season was the Haul-Out Regatta hosted by S.B.Y.C. in October. A magnificent day greeted sailors for the two races on Saturday, however, "Mother Nature" turned sour on Sunday and dictated a two race regatta.

Sandy Beach Lightning Skippers were enthusiastic supporters and participants at many regattas throughout the area. These included events at Lake Chautauqua, Niagara Sailing Club, Silver Lake, Dunkirk, the Southern Circuit, etc. Of the 26 boats at the Dunkirk regatta 8 were from Fleet 78.

Join the fun and experience the Fleet 78 hospitality at the 1977 Haul-Out. We cannot guarantee the weather, but we can assure you of a good time and fine sailing.

### BUFFALO YACHT CLUB FLEET (81)

Lake Erie District

Sailing on Lake Erie at Point Abino,  
Ontario, Canada

Fleet Captain . . . . . Kevin M. Doherty  
Fleet Secretary . . . . . Kevin M. Doherty  
Flee Champion . . . . . Richard M. Holcombe

Boat No.	Boat Name	Skipper

Last year, Fleet 81 slipped down to five boats; and we said things couldn't get much worse.

This year, things got worse.

We dropped another boat somewhere along the line and, coupled with absolutely awful weather and conflicting vacations, that meant we had a pretty horrendous sailing season.

That's a shame not only because the members we have are all good, enthusiastic sailors, and Lake Erie is a wonderful spot, usually, for our favorite sport, but also because the Buffalo Yacht Club's dry-sail facilities in Point Abino, Canada, may just be the best on the eastern half of the Lake. And they're getting better every year.

At water's edge, an electric hoist makes launching a breeze. A cement runway, leading to the hoist, has been widened this year and beyond that, hard-packed gravel provides an excellent area for parking trailers and storing boats. It's all easily accessible by car so most of us drive up, drop off our gear and crew, and by the time we return from parking the car our trusty crews have the boats rigged and ready to go. The life of a skipper isn't all drudgery, y'know!

Dick Holcombe was declared our fleet champion, since he came in first in two of the races that were completed, and perhaps more importantly, he showed up at the starting line practically every Sunday, regardless of weather. No. 1 son, Rick, was the man at the helm for his wins, Dick was quick to point out, and he appears to be the man to beat next year.

And if anyone's going to do that, it'll probably be John Steve, who finally traded in ol' No. 9000, *Shimmy*, for a spanking new glass model. He'll take delivery sometime in January, then head south for a little tune-up and be back in Buffalo for the first race. We'll be waiting!

Dick won't give up his championship any too easily, however, since he was the first in the fleet this year to get one of those new-fangled oval masts. He had to, of course, since *Lucky II* broke hers in half on a particularly obnoxious Sunday.

John Steve, by the way, was honored by his congregation this fall at a three-day affair celebrating his silver anniversary as minister of their church.

In other club matters, Dick Holcombe was renamed club treasurer, and Don Gorey, a stalwart fleet member if there ever was one, was elected club commodore by the board of directors. Maybe now that we have our man at the top, our fortunes will change! Happy sailing!

The 1976 season for Fleet 85 was, in concert with the Bicentennial year, one of a coming of age. Thanks to the unflagging pre-season efforts by our fleet captain and wiley entrepreneur, Tom Moriarty, five of our competitive and well sailed boats arrived at the starting line with new "speedy spars", and hence, the fleet pro, Dave Peterson, who, the year previously was the sole possessor of a black stick, was no longer a shoe-in for first. With this newly established equity, tuning became beautifully obsessive, and by the middle of the season when the Districts and Long Island Sound Championships came around, it became evident that our hot boats could fly up hill with the best of them. As our District qualifying regatta includes the Master. Mr. W. Shore, and though, natch, he won, it was most gratifying to have sparred in such a tight fleet, whereas in seasons prior, Mr. Shore was basking in down right embarrassing horizon jobs.

As for the fleet particulars, that scrappy syndicate of Tom Moriarty and Rick Bernstingle won the Season Series and took second in the Independence Day Series with what must be fairly termed impressive consistency, considering the potpourri of fickle weather that Long Island Sound coughed up this summer. Dave Peterson, with a first and a second in the two short holiday series, followed by a second in the Long Island Sound Championships and a victory in the fall at the Spofford Lake Regatta, in which Davy sent river sailors down the river, certainly warrants his being recognized as the fleet numero uno. Indeed, it is in great part due to his long experience, "fast hand", and willingness to advise, that Fleet 85 has improved so in the last few years.

As for John Vann and Sons Inc., well, they just kept getting better and better all season long, to the point where they were considered the boat to beat, coping seconds and thirds in all three club series. And "All Ways in the thick of it" Nelson Hoffman, who,

*Niantic Champion moves on the Sound.*

I am sure, contemplates hyper-modern chess openings during the off-season, came through with a bevy of strong and surprising wins, taking the Labor Day Series.

Though at times, overall fleet participation was sporadic, due to vital commitments, the enthusiasm of our new members will definitely insure the further growth and competitive ardor of Fleet 85. And finally, what perhaps epitomized the season best, was that hearty three cheers that went wafting across the Sound, when D. Peterson, J. Vann, and T. Moriarty respectively, charged across the finish line, one-two-three, within 17 seconds of each other in the first race of the Long Island Sound Championships.

The current season dawned, as in previous years, with an enjoyable district mid-winter's meeting in Seattle, where Bill Shore broadened our knowledge.

Regatta racing started early this year, with the fleet hosting the Rothmans Olympic Training Regatta at the beginning of May. Neil McGibbon from Kelowna fought off a last-second attack from Brian Coleman and Cliff Harris at the last mark in the final race to take this event. Brian had to wait three weeks before travelling to the Kelowna PIYA Regatta to renew the challenge, where he and McGibbon finished inseparably tied in first place.

Our fleet hosted a successful Kitsilano Invitational Regatta which attracted 13 boats to Vancouver at the beginning of July. Greg Zettler from Seattle won this event, with Brian Coleman holding off Seattle's other hotshot, Rod Johnson, for second place. Gerry Caunter's conveniently-located house was the scene for general relaxation following a fine salmon barbeque at the club.

In the club weekend and evening series, members were at best sporadically active, and at the time of writing this article, we cannot

find anyone who can remember the events clearly! The fleet championship was won by Cliff Harris, who sailed consistently throughout the two weekend series.

On the District Circuit, Brian Coleman again represented the fleet at all but two events, and by the season end had motored 5,000 miles in this endeavour. Not all in vain however, for a fifth place in the District Championship, and a fourth place out of 42 boats in the Pacific Coast Championship at Klamath Falls helped to make the driving worthwhile. Gerry Caunter joined the circuit for the fall events and showed the district hotshots that MARTINI will be a threat in 1977. Sailing on Lake Chelan in 90° weather at the end of September, it was not difficult to forget that we had just gone through the worst summer on record!

Finally, our fleet travelled to Portland to compete in the District Team Racing Championship. We didn't win, but nobody had more fun than we did—even Drew Caunter, who personally tested the current of the swift-flowing Columbia River on which we raced. The enthusiasm generated was so great that we got seven members out for team racing on our own on Remembrance Day, November 11th, which was followed by our AGM and election of officers for 1977.

As usual, the racing accounts for only part of the fun members get from sailing their boats. Living as we do beside some of the most beautiful sheltered cruising waters in the world, most of us take time to relax, perhaps for a day, or just a few hours, sailing to innumerable sheltered coves for lunch, a swim and sunbathing. We organized a one-day cruise to Whytecliffe Park, where, believe it or not, we found warm sunshine on a sheltered beach.

During the summer, the fleet acquired a second-hand mast and boom for temporary use by members, and we are pleased that this allowed Dick Pearce to be active. In the fall, our fleet was increased with the purchase of a boat by John Morrison's ex-crew, Derek Neale. Welcome, Derek! Now, with winter approaching, we are starting to renovate our boats for another active season in 1977.

The 1976 racing season brought winds of increased variety and velocity to Greenwood Lake, providing the fuel for excellent competition throughout the summer.

Several changes in our scoring procedure were instituted during 1976 and our race schedule was revised to include four regular season six race series, each series scored on the basis of the best four finishes of the six scheduled races; the Fleet Championship now being decided by comparing each skipper's best 12 finishes for the season. Lastly, the practice of maintaining separate scoring for a "B Fleet" was discontinued by majority vote of the membership.

Chet Howell started the season strong and finished stronger with victories in both the first and last series of the summer. Chet put together three firsts to win the last series and clinch the Fleet Championship under the new scoring system. The two remaining series were won by Ole Olsen and the Holterhoff boat respectively who were able to fight off challenges from Emil Krahulik and Jeff Thomases.

In addition to being a constant contender throughout the

summer, Emil demonstrated his ability to deal with adversity on the water when his tiller snapped a hundred yards from the finish line and he still managed to finish first by leaning over his transom and steering his rudder by hand.

The regular season ended with our annual Labor Day Race, a one race event over a course in excess of 12 miles covering the entire length of Greenwood Lake. The winds (there were definitely more than one) for this event were north-west-south-easterly, gusty and strong. Ron Wulff with a courageous display of spinnaker handling technique led the fleet across the finish line with Roy Sengstacken second in what had to be the most thrilling race of the season.

In September Fleet #95 once again hosted the annual Whisker-pole Regatta, the first of three weekend series that go to make up the Short Circuit. By race time on Saturday, more than thirty boats representing six fleets from the Metropolitan District had arrived to participate. The visitors were met with winds of up to twenty-five miles per hour for both races on Saturday and, after a marvelous dinner Saturday evening engineered by Martha Hanover, more of the same wind on Sunday. Our people had a tough time holding their own against some of the best sailors in the District, but managed to capture two of the top four places with Roy Sengstacken third, and Chet Howell, fourth behind winner Bob Graham of Lake Mohawk and Sandy Huntsman of Monmouth Boat Club who took second place for the three race set.

In all, 1976 was a successful year for Fleet #95. While our boats are put away and our black and blue marks and callouses are almost gone, we look forward to next season in the hopes that it will be even better.

As a group, Fleet 99's activity during 1976 was virtually non-existent, but some individuals did sail. Art Hartford has retired from racing but enjoys his *Sunbeam* and spent many happy afternoons cruising Great Egg Bay.

Old 1723 *Black Flash* was used 3 days a week as a member of "Hobby Haven's Fleet" of sailing school boats. *Black Flash* has spent most of her 30 summers in Ocean City as a part of that fleet with hundreds of sailors having started their love of Lightnings in her.

The lure of the sea and tall ships and ocean racing has kept Bob Seidelmann away from Lightning racing. We all hope Bob decides to rig that boat in his yard and show us "how its done" again!!

Yours truly sailed *Reject* at Monmouth Boat Club in their Spring series and the Long John. I crewed with Bob Adams through the summer and returned to the Delaware River for the Gamma Trophy Series.

I would like to thank all the members of the Central Atlantic District who helped me during my tenure as District Commodore.

I again hope Fleet 99 will return someday as an active racing fleet!

The Santa Monica Bay Fleet is blessed by being able to sail in an area which has some of the best weather in the world. Consequently, our racing season starts in the first week in February and continues until the last week in November. The year, 1976, turned out to be one of the best, weather wise, and competition wise, in a long time.

The first regatta of the year, The Spring Regatta at King Harbor, turned out to be a forewarning of things to come. Wendell Harter took up where he had left off last year by winning all three races and was well on his way to retaining his fleet championship. However, second place was not so easily determined, and by the time the three races had ended, Mike Boswell, Quintin Foster, and Bob Newman were tied for second place. With some minor exceptions, and a few surprises, this situation would continue on throughout the year.

In early April our fleet entered the California Circuit, a regatta co-hosted by the Santa Monica Bay Fleet and the Mission Bay Fleet. The turnout was tremendous, nineteen boats from Los Angeles, San Diego, and San Francisco, showed that the California Lightning fleets still provide the finest in racing when they get together. At the end of the King Harbor portion of the regatta, Wendell Harter and Warren Gross were tied for the lead. Then after the racing shifted to San Diego, Gross went on to win it, with Jack McCarthy finishing second overall, and Harter third. Bob Newman, Quintin Foster and Greg Pierson (sailing Mike Boswell's boat) sailed well, but not well enough as the competition was sharp.

The next two regattas, the Spring One-Design and the Summer One-Design, were held at King Harbor. Again, Wendell proved his superiority by winning 7 of the 8 races. Quintin Foster started to move faster during these series and ended up second in the Spring One-Design, and third in the Summer One-Design, with Bob Newman taking a second in the last series. Dick Vianden had some good races, as did Peter Aperlo who placed second in two races, and Marv Luther showed signs of finding his groove in the racing scene.

On July 24 and 25 five of the Los Angeles sailors made a long trip (over 750 miles one way) to Klamath Falls, Oregon, to take part in the Pacific Coast Championships. The weather was formidable, thunder showers and lightning (appropriate), but not as formidable as seeing 42 Lightnings on the starting line for the first time in your life! The racing on Saturday was great. There is nothing as awe inspiring as seeing 42 Lightning heading down wind with their spinnakers full (unless you're behind 41 of them). By Sunday, the thunder and lightning had ceased, and so had the wind. Over-all the week-end was thoroughly enjoyable. Wendell Harter thought the drifting conditions were just fine, the San Francisco Fleet thought the rain was just fine, and the Portland, and Vancouver Fleets thought everything was just fine and took home most of the trophies.

Our racing shifted back to King Harbor for the Dinghy Day Regatta. This time a new name, in the form of an old friend, was added to the trophy winners. Mark Patty, who had been transferred back to Los Angeles from San Francisco, won all three races. Mark continued to sail well throughout the rest of the year, taking a second in the Hurricane Gulch Regatta, and a second in the Fall Series. Another new member of the Fleet who did well in his initial races was Don Rondeau. Don has a beautiful natural finished wood hull, and he apparently knows how to race.

The Fleet now comprises nine very good sailors. Each one is capable of winning. Although the competition continues to improve, Wendell still manages to win when it counts. Next season should provide some very keen competition. Mark, Quintin, Mike, and Bob have all tasted victory and will be tough. Peter, Dick, Don, and Marv, are showing improvement with each race. With the addition of the new masts and sails in the fleet we are looking forward to 1977 with anticipation.

John Schneeberger and Al Magno battling for position during the "Commodores Race".

1976 will go down in history as "The Year Of The Upset." The battle for Fleet Champion raged all summer, and for those of you who eagerly read the exploits of Fleet 104 each year, probably guessed that Doc Ross and Fred Slovak. . . wrong! Bob Williams with a new boat and second year skipper, John Schneeberger waged a furious fight while the rest of the Fleet enjoyed the beautiful weather and sights along the Bay. Bob showed consistent speed in all conditions and eventually locked up his first Fleet Championship. John held on for the Runner-Up Slot and should lay to rest the myth that it takes "years" to become a competent Skipper. Unfortunately for Fleet 104 and the Lavallette Y.C., John and his wife, Carol, are moving to Maryland. We will miss them both and hope that somehow this will not be a permanent separation.

Fleet Captain, George Zabrycki, who has not been scaring too many people the last couple of years sold his boat to ex-Sneakboxer, Walter Krueger. George got himself a new beauty when he picked up King Lotz's boat from the Northport Fleet. However, the odds-makers at Lavallette are betting that old "Puck" with Walter at the tiller will be showing her transom to a lot of people next year. Fred Slovak finally turned coach and his grandson, Tommy, was the beneficiary of all that accumulated knowledge. Fred, Aileen, and Tommy alternated at skipper this past season, and Tommy showed that he also knows how to make a Lightning get from Point A to Point B quicker than a lot of other people.

Doc Ross was the only Skipper from 104 to qualify in the BBYRA series. Ira picked up a couple of flags during the campaign, but rumor has it that the good doctor was taking unfair advantage by having world famous Lightning crew, George "LaFoot" Schreyer aboard. "LaFoot" claims that he has refused the job of starting helmsman in the America's Cup in order to crew with Doc Ross.

Chris Larsen was last seen smiling, and as usual, managed to beat every boat at least once. This was done on various Sundays with the spinnaker upside down, the jumpers bent, the upper and lower stays reversed, etc. We all know that one-year Chris is going to horizon job everyone. . . but would that be fun?

The "Polish Mariner" Award this year went to Al Magno. Al, who did a fantastic crew job for Bob Williams all season, changed seats with Bob and skippered the boat in the final Commodores Trophy Race. As usual, Al and Bob ran off and hid, but with one lap to go, Al turned and headed for the finish line with victory presumably assured. The rest of the Fleet continued the proper course, and George Zabrycki finally got to win a race. Al did, however, learn quickly the Skipper's proper response. He was last heard in the bar blaming the whole mess on his "bloody crew!" The regatta circuit was attended by Doc Ross and John Schneeberger at the Long John in the Spring, and George Zabrycki at the Surf City regatta this past Fall. Fleet 104 is looking forward to next season and extends a hearty invitation to any Lightning Skipper looking for a place to sail.

It was another great summer at beautiful Higgins Lake. Jim Henning and crew gave us all some sailing lessons by winning the Fleet Championship. Bill Dent took second place.

This years regatta hosted 64 boats of all classes, 20 of which were Lightnings. Hank Hodgson Jr., from Devils Lake, won first place and Gary Cameron, from E. Tawas, took second.

The club also hosted the Lightning Junior regatta with seven boats, sailing five races. Again this year, Mike and Rhea Dow hosted a two week sailing clinic which was well attended by all age groups.

Come sail with us in 1977, where the waters are many shades of turquoise, and are surrounded by sandy beaches. Combine this with deep water, fresh breezes, and good competition for the best in the Lightning experience.

Our second year at the new sailing facilities of the University of Wisconsin-Green Bay started slowly. The loss of our fine committee boat in a sudden storm in late 1975, plus a very cold spring prevented us from getting our markers in for the Spring racing series. However, with the cooperation of a very helpful University staff and their crash boat, we had our markers in place by late spring and managed a full schedule of summer and fall races.

The Walter Masse Race, our final for the season, attracted an encouraging number of boats. It turned out to be a flukey afternoon with one boat getting a beautiful start and everyone else sitting on the line. However, the fickle finger of fate caught up and 90 degree wind shifts with spinnakers flying made it anyone's race. When it was all over, a new member of our club, Bill Dean sailing 4714 won the handicap, with Lyle Bracker being the first Lightning over the line.

Although we did not have as many boats in our club as we had in the 1975 season, we had a more active racing group. We have found two new young boat owners who have become enthusiastic Lightning sailors. The University put a fresh coat of paint on the Club House this fall and if we can solve our committee boat problem by Spring, we will be back in business again and stronger than ever.

Cuba Lake Lightning sailors experienced another poor year from an activity standpoint, able to muster only 2 to 4 boats on the line for the club Weekend Race Series. Ward Wilday and Don Cutler competed regularly and head to head consistently. Ward did well off the lake, placing in good position in the various Lake Erie District Regattas. The annual 3 Lake Regatta was held in Sept. this year with Cuba Lake sailors taking the team trophy, with the able assistance of Mary McIntyre who survived a capsiz and continued on to finish. While sailing was limited this year, next year should be better. Our goal is to get everybody involved. We have the boats we need the interest.

1976 was a very active year for Fleet 118. The season got off to a great start in Mid-May with an excellent on-the-water sailing seminar, given by our Larry MacDonald Sr. In addition to getting the fleet on the water for an early start to our season, a number of skippers from Toronto and Buffalo areas also came to sharpen their skills.

Our Hamilton Harbour Invitational was run this year on June 19th and 20th as a purely Lightning regatta which created the opportunity to try out some ideas for the 1976 Canadian Open Lightning Regatta scheduled at R.H.Y.C. for the July/August weekend. We were able to try-out some of the equipment, test our draft Sailing Instructions, and practice our mark laying techniques in the harbour waters to be used in the Open. This proved to be a very worthwhile exercise. Details of the Canadian Open are given in Max Ahlfors report, elsewhere in the yearbook.

The fleets annual Turkey Regatta was held on October second with further variations on our weather pattern for the year, namely, patches of dense fog during the first races.

In between main events, competition within the fleet was keen and sustained. The R.H.Y.C. Club schedule contained a total of 27 evening races at which the Lightning turnout was occasionally one hundred percent and on average approached close to eighty percent for the season. For the great majority of races this meant more Lightnings on the line than boats from other dinghy fleets two and three times our size.

Larry MacDonald, Junior, took the fleet Championship, first class all the way, with Bill Hunter second and his son Doug breathing down his neck. In addition young Larry, at 17 years of age, was second in the Sears Cup, top Lightning sailor in Ontario and top Canadian at the Open. The fleet offers Larry well earned congratulations, and wishes him good sailing and good shifts in the Lightning Worlds in 1977.

We had our annual Lightning dinner at RHYC on November 26th and each year is always declared the best, but somehow the following year it gets better. The prize for the most imaginative fun presentation went unanimously to the Humber Holens (Toronto skippers) who treated everyone to a demonstration of their appreciation of the great regatta weather to be enjoyed in Hamilton. With the aid of a large bucket, ice, copious quantities of water, dry-ice, much puffing and running to and fro, plus a watering can, their efforts at storm, fog and rain making had everyone rocking in their seats. The dinner and the season ended with the showing (repeated by popular request) of a super slide tape show of the year's events, put together and created by Blake Norton and Lloyd Asch. An excellent, artistic and exciting, 12 minute presentation which will be shown again at the Toronto Boat Show in January, 1977.

Fleet 121's season got under way early this year with the 1st annual Spring meeting in early April. Lots of good food, drink, and a slide show of the 1975 Worlds made for a great time for all.

The sailing season got off to a great start in late May with John Bouchard winning 3 of the first 5 races and setting himself up as the man to beat in '76. In the end, it was very close between the top 3 boats, but Bouchard held on to the lead he built early in the season to snatch his first championship trophy. Close behind was Tim Hays, second; and Al DeBernardi, third.

In the twilight series second year Lightning sailor Al Lavender edged out season champion Bouchard by a scant 1 point to take home the gold. Al DeBernardi finished third using the boys from work as crew each week and not performing too badly.

The highlight of the season came on the July 31st weekend, when Fleet 121 hosted the 1976 State of Massachusetts Championship Regatta. Twenty-six boats turned out in threatening weather to take part in one fantastic regatta. The winner was Bill Shore, you've heard of him. Bill came home to the place where he started sailing a few years ago and to the delight of all, took home first place honors. We'd all like to think it was a good tune-up for his North American Championship Victory just a couple of weeks later.

The season ended on a good note with our 2nd annual fall dinner meeting. The talk was not of 1976, but of the 1977 season ahead of us. We have two new boats joining our rapidly expanding fleet, bringing the total to 17. We will again be hosting a district regatta, and much more. The future is certainly bright for Fleet #121.

Another season has come and gone at Cedar Point. Looking back we can remember new boats, oval masts, regattas, good times, a nucleus of fast boats, and enjoying a very competitive season. Mike Willets really emerged as someone to expect in the top group; his new boat helped him alot this year. Chris Wurster also was impressive, especially at the Districts finishing fourth. The thing Mike and Chris gained this year was the ability to put into focus conditions and coordinate strategies before the start and during the race. Mike said so often, "I know what I did wrong. It is so frustrating knowing after my mistake." But Mike, you did things right often enough to win a couple. It was no longer just sailing around three marks hoping for things to work out, but causing things to happen. This difference was competitive racing.

The fleet traveled to sail in other club invitationals more this year than any other. A real enthusiasm for the regatta, the Lightning, and it's sailors has emerged in the past two or three years. John Cuccio and Chris Wurster went to the North Americans in Sheboygan this year, with "Uncle Cooch" winning the Governor's Cup. He has been an uncle to us all, holding the fleet together when the Fireball became the Junior boat, replacing the Lightning on the sound. John's enthusiasm brought new people to get the fleet back on its' feet, allowing it to grow into Fleet 126, 1976. At the Connecticut-Rhode Island Districts, Cedar Point won five out of the top six

places, with Bill Shore being the spoiler in first place. Dick and Cathy Thackaberry won The Long Island Sound Championship this year. Phil Griffin was fourth in the State of Maine Regatta, again runner-up to Shore at the Districts, fifth at the Cedar Point Invitational, and finished second sailing John Cuccio's boat at Spofford Lake, New Hampshire. Still Phil has not quite put enough together all at once to win one. — Next Year!

Those black oval-shaped things are popping up all over, new sails, and more and more after-the-race questions in the dry stall. All very healthy signs! Dick and Cathy Thackaberry are going to do The Southern Circuit again this winter, as are Jack and Barbara Lewis, and John Cuccio. After three seasons, the "Cooch's" strangle hold on the season trophy was finally broken. Phil Griffin won with Jack Lewis, second; Dick Thackaberry, third; John Cuccio, fourth; and fast Mike Willets, fifth. Jack Lewis won the Saturday series and Phil Griffin won the Sunday series. The Memorial Day Series, Vice Commodore Trophy, was won by Dick Thackaberry, Jack Lewis, second and Bud Tittsworth, third. The Commodore's Trophy, the Fourth of July Series, Jack Lewis pulled out the win followed by Dick Thackaberry and John Cuccio. Phil Griffin won The Rear Commodore's Trophy on Labor Day week-end with Jack Lewis, second and Toby Welles, sailing Wurster's boat, third.

If one looks over the standings, a number of people won something; but Jack Lewis was in there for everything. Consistency like this is a sure sign of a winner. We at Cedar Point are starting to develop this consistent sailor. Jack and Barbara Lewis are really a great asset to our fleet and club. They have three children who all sail. Amy is their youngest and only daughter who is in the sixth grade. When Phil Griffin's crew failed to show at the Cedar Point Invitational, Amy, in the Lewis tradition, stepped in where others feared to tread. Phil was able to finish well enough in each race to be in first place for the day, thanks to Amy. This incident typifies the Lewis' enthusiasm for sailing.

We had the annual May Early Bird and September Invitational Regattas again this season. Thirty-five boats attended the Early Bird, which Jack Elfman won, Mark Bryant, second; and Bill Shore, third. At the Cedar Point Invitational forty-three boats showed up. Lucky Bill Shore was first, Jim Carson, second, and Don Brush, third. All the people who came to our regattas we thank and hope to see you all again next year! If you did not make it this season, please try next year. A great group of people attend our regattas and we would like to share them, the sailing, and our club with you.

Fleet Captain . . . . . James P. Black  
Fleet Secretary . . . . . Betsy Daniell  
Fleet Champion . . . . . Albert H. Berry, Jr.  
Runner-Up . . . . . James P. Black

Boat No.	Boat Name	Skipper

With the 1975 North American Championships behind us Fleet 127 began early to make 1976 an even more eventful year. The 1976 version at the Deep South Regatta was a tremendous success with one of the largest registrations in its 20 year history and the largest on the Southern Circuit for the first time ever. Special awards were presented to Dr. Gil Klemann of Fleet 257, Augusta, Ga. for the most Deep Souths by an out-of-town Skipper and to John McIntosh of Fleet 127 for a perfect record of all 20.

The Spring Series was won by Bert Berry with sons Hugh and Ron Berry second. The Lightning Class in the Savannah Yacht Club's annual 4th of July Regatta was won by John McIntosh, with Bert Berry second and Charlie (coming back to Lightnings, we hope) Kilpatrick third. A clean sweep for Fleet 127! Our Lightning Invitational Regatta was won by Bert Berry with newcomer Gary Oetgen second, John McIntosh fourth and Jim Black fifth. On the Southeastern District Lightning Invitational Circuit we qualified two boats. John McIntosh was second and Bert Berry seventh.

Bert Berry won the Fleet Championship by winning SYC's Summer Series and took home the Diamond Trophy. It was hotly contested with Jim Black second and Gary Oetgen third. The final event of the year — The Labor Day Regatta — ended with the same three winners in the same order. Through the cooperation of Fleet 127 the Savannah Yacht Club hosted the Adams Area D Semi-finals sailed in Lightnings. Bert Berry headed up the committee, Jim Daniell served as Judge with other members of the fleet filling all other important positions. Many compliments were received as to the competitiveness of the six Lightnings as well as the handling of the Regatta.

An innovation this year was the Savannah Yacht Club's adult sailing classes conducted mainly by Lightning Skippers using their own boats and donating their time. A special committee chaired by Jim Black developed it into a full time activity with a qualified staff and received tremendous response from the club's non-sailing but interested members. The fall-out hasn't been tabulated yet but we expect at least two and hope for more new Lightning skippers hitting the starting line next year. This year we lost Randy Brooks through a transfer to Atlanta, but picked up two new skippers who are accomplishing great things — Garry Oetgen in Black Magic and the Stuber brothers in an as yet unnamed bomb. Fleet 127 is on the upswing with several interested but as yet uncommitted new skippers.

Fleet 127 skippers and crews continued to contribute significantly to the well being of the Savannah Yacht Club with Jim Daniell serving as Commodore; Bent Berry as Vice Commodore and Commodore elect for 1977; Bob Sherman and Bob Link as Board of Stewards Members with Jim Black as Board Member Elect for 1977; Betsy Daniell, Mickey Boyd, Ann Link and Jeane Berry serving with Bob Link as Race Committee; and Gary Oetgen, Hugh Berry & Ron Berry as Sailing Instructors.

In addition to Fleet and Yacht Club activities Fleet members continue our tradition of involvement with Bert Berry continuing to serve as Vice President of the Lightning class, John McIntosh as Chairman of the Lightning Southern Circuit, and Jim Daniell as Vice Commodore of the South Atlantic Yacht Racing Association. As a final accomplishment Fleet Captain Jim Black was awarded the Savannah Yacht Club's Stubbs Sportsmanship Trophy for his enthusiasm in Lightning Sailing, service to the Yacht Club and sportsmanship. This is the most highly regarded trophy awarded yearly by the club and the race committee. Our Congratulations to Jim.

We're ready and actively planning another great year so help us kick it off by attending the Deep South Regatta and the Southern Circuit.

*Hey Race Committee! No beer — NO RACE!!!*

For only the second time in five years the *Prodigal* lost the fleet championship. I guess a new oval mast and new sails make a boat go faster than varnish, polish and a prayer for the old wood stick. Dave Deephouse teamed with his Father (mechanic, tactician, compass mounter, sailtrimmer, pumper and pursestring keeper) in winning the championship.

We enjoyed hosting the Long Island Lightning Championship again this year. Twenty boats participated with Dick Thackaberry of Cedar Point first by a quarter point over Dave Peterson of Niantic. The best we could muster was a seventh.

The girls in our fleet continue to earn their fair share of trophies while improving the scenery and minimizing foul language. Nancy Davidson won the Fisher Cup and placed third for the season. Jane and Sue Hilton won the Greer Memorial Trophy for continuous devotion above and beyond the call of this sometimes awfully frustrating sport.

We hope next year will see improved participation by our members.

The biggest news from Fleet 135 for the 1976 Sailing season has been Rick Skinner. He, along with his regular crew of Debbie White and Keith Talbert, has engraved his name on every trophy available on the Gulf Coast. He opened the season with a narrow win over Robin Bernhardt in the Dauphin Island race. This is a long distance race and after several hours sailing, Skinner finally nipped Bernhardt 5 minutes from the finish line. Barney March followed a fairly distant third.

Rick Skinner took the Southern District Championships held in Shreveport. Unfortunately because of the great distance and prior commitments on the part of other Fleet members, he was the sole representative of the Mobile Bay Fleet in that event.

Skinner's name is well known to the members of Southern Yacht Club's Lightning Fleet. He finished first at their Labor Day Regatta—winning all three races, and finished third at their One Design Regatta.

Skinner topped his season off with a first at the Fairhope Yacht Club's Fall Sailing Festival.

We lost two staunch Lightning sailors from the Fleet this year. Frank Galloney sold his boat and took up Wind Surfing. Walter Tyree moved to Baton Rouge and will be sailing with the Fleet at Southern Yacht Club in New Orleans.

We have new Lightning owners, however. David Pittman, Bob Borneman, and Terry A. Everett have joined the Fleet. We welcome them aboard and are anxious to see them become active in the racing program.

The last event of note is the acquisition by the Bernhardts of a brand new brilliant yellow Lippincott Hull, very appropriately named Dutchman's Gold. She had her competitive initiation at the Hospitality Regatta in Jackson, Mississippi, where she went like a bomb. We look forward to great things from this boat in the future.

We welcome Bob and Muriel Pinard, with a beautifully refurbished Lightning, as new members of our club and fleet. After 4 years, Dave and Patsy Bischoff have returned with a brand new boat.

Silverware a-plenty for Spofford sailors started at the Cedar Point, Conn. Spring Regatta with Pratt fourth, F. Hamblet sixth, Fitch 13th and Wynn 20th in the 34 boat fleet. Plenty of wind marked the Lake Bomoseen, Vt. event as F. Hamblet sailed a perfect series to take first with the Pratt boat fourth. It was neck and neck in the N.E. Districts as F. Hamblet sailed well to take overall second. Pratt was fifth, C. Hamblet seventh, and Wynn tenth to qualify for the North Americans. Three contenders went to Sheboygan, Wis., to see F. Hamblet take second (*Ed. note - almost first*) in the President's Cup, and in the Governor's Cup C. Hamblet second and Wynn sixth.

Meanwhile, the Fitches trailed to beautiful Lake Champlain, Vt. for Mallet's Bay Race Week. They were victorious in the 14 boat fleet.

Rain and gusty winds saw C. Hamblet take fourth at Newburyport, Mass. with Fitch sixth, F. Hamblet seventh and Pratt ninth. More wild and windy weather at Squam Lake enabled F. Hamblet to take third with Fitch 11th and Turner 20th.

More silverware came to the Wynns at Wellfleet with a close third in brisk but good sailing winds. The Fitch boat notched seventh. For the first time in several years, Lightning racing was resumed at the Annisquam, Mass. Yacht Club. Pratt sailed consistently to overcome early leads built up by N.A. Champions Bill Shore and Lou Pocharski for first place. F. Hamblet was fifth.

Flukey NW winds wandering occasionally to SW greeted the 42 boats sailing at the Cedar Point, Conn. Fall Regatta. Fitch was top Spofford boat with a fourth followed by Pratt's eighth and F. Hamblet's 13th.

Pratt did well in the Atlantic Coast Championship winning the District Trophy for the best finish by a New England boat.

Spofford sailors were near-perfect hosts in the 34 boat fleet at the home club, giving out 9 of the 10 prizes to visitors. Pratt managed a fourth to avert a shut-out.

It is great to see young sailors like Tom & Jack Wynn, Scott & Tom Fitch, Jody, Robin and Rick Turner, and David Pinard out on the boats. We are planning more Junior Races next year.

Len Pratt completed a successful SYC Championship Series edging out Fitch and Turner for the Victory.

A number of consistent Fleet #146 sailors took to doing some travelling in the 1976 season and this, unfortunately, cut down the number of boats in our local events. However, all in all, it was a

fairly good season on the Humber Bay. The Fleet events were once again dominated by Ron "Humber Hole" Cochran who will, no doubt, be going for the hat trick in 'A' Fleet Championships in 1977. In 'B' Fleet, the Elliott-Nolan perseverance again paid off and this pair will be racing in 'A' Fleet in 1977.

Perhaps the most interesting event of the season was the Hurrell Shaker, an event which is run every year under a different format. This year it took the form of a slalom with a dozen boats racing two at a time in a round robin type contest. The course was laid out adjacent to Toronto Harbour Front Park and attracted considerable numbers of spectators. The main basic rule; the spinnaker must be flown and jibed correctly and completely on the return leg. Fortunately, the winds were kind, about 8 to 10 knots. Unfortunately, a very large freighter forced abandonment of the course just before the final race and the event was declared a tie between John Gorrie and Harvey Harman.

The Canadian Open was held in Hamilton and was attended by a number of Fleet #146 members. The best finishers were Ron Cochran with an 8th o'all, with Pete Sulman and Ken Inglis both finishing in the top 12 boats. All in all, a satisfactory season and here's looking forward to an even better one in 1977.

Sailing at the Guarapiranga Lake in Sao Paulo together with Fleet 462, our fleet is one of the most active of the Brazilian District. In the 1976 season our Fleet attended about 45 local races. Nothing amazing about that since our weather conditions enable us to sail almost all year round. Although our lake is not too large in size we managed to reach a relative high technical performance. Just remember that Mario Buckup, a member of our Fleet is the present World Champion. Mario started sailing in the Penguin Class in Sao Paulo. Other known World and Olympic Champions of other classes also come from Sao Paulo. Among others we like to name Jorg Bruder, Reinaldo Conrad and Claudio Biekarc.

The Fleet Championship was held in August 1976 in conjunction with the Sao Paulo Championship, with ten boats attending. First was Robert Buckup, Claudio Kunze, second; and Cid Vieira Franco, third. The Fleet was represented by crews at the Brazilian, South American and North American Championships in 1976. We hope to see our Fleet also represented in the World Championship of 1977 in Switzerland.

Once again Fleet 150 had a long and competitive season, starting in May and ending in late October. Our fleet size has stayed about the same although we do have some new faces replacing members who have moved away. A special welcome goes out to our newest member, Larry Hock.

During our awards dinner in November it was announced that Burt Preston had retained the titles of Fleet and Club Champion. In the Championship series Don Widman was second and Tom McDermott, third. The Sunday morning series was won by Burt Preston with Don Widman, close behind once again. In the Fall Series, which ran from Labor Day through October, Bob Bonham took home the honors followed by Tom McDermott and Don Widman. Finally, Tom McDermott and Kevin Stuart took the top two spots in the Wednesday Evening series and Prue Preston took the Henny-Penny, Cup (Ladies Championship).

This season's final sailing activity took place on Thanksgiving Day. Armed with "slightly" spiked tea several brave souls journeyed down to the Lake for one last sail. Much to their surprise the Lake had frozen over, locking the two forsaken boats at their moorings. Oh well, maybe next Spring when the ice melts ....

Although we have no regular fleet racing for Lightnings at the Annisquam Yacht Club, two fleet members make regular use of their boats. Dick Appel pleasure sails his boat with the same enthusiasm as Georges Peter races his on the regatta circuit. We were pleased to sponsor the Northeast Championships in September this year and were host to 21 boats on a weekend which offered excellent sailing conditions. After a three year absence from the class, Lou Pocharski (sailing Bill Shore's boat) demonstrated that he has not lost the touch for steering small boats while competing in the big boats. Shore, Pocharski, and John Cuccio won the three races, but Len Pratt won the regatta; Pocharski, second; Shore, third; John Collins, fourth; Cuccio, fifth. Just out of the money were Fred Hamblet and Georges Peter.

Fleet 151 will be sponsoring a regatta on September 10-11, 1977. Drop by!

Fleet 152, based at Tawas Bay Yacht Club on Tawas Bay in East Tawas, Michigan, had a rather quiet, yet controversial, sailing season in 1976. Primarily, the activity was elsewhere — on the Michigan District circuit. Garry Demarest and Gary Cameron were the travelers, representing Tawas strongly wherever they sailed. Demarest, as usual, dominated the Michigan scene. He won the District Championship at Traverse City; he won Invitationals at Pentwater, Bay City, and Gull Lake; and he was second at North Cape, third at Higgins Lake, and fourth at Lansing. For the year, he once again won the Joe Stueland Michigan District Traveling Trophy as a result of winning 11 races in Invitational regattas.

Cameron was around, but definitely a step behind. He won Invitationals at Crescent and Pontiac, was second at Lansing, Pentwater, Bay City, and Higgins Lake, and was fourth at the Districts and North Cape. Cameron also was second in the Stueland Trophy rankings, winning 8 races on the year. Tawas Bay had one other victory as it regained the Michigan District Team Championship sailed on Lake Fenton. The team of Demarest, Cameron, Dave Peters and Bill McKinley defeated all comers and won with a perfect 7-0 score.

Fleet 152 held its annual Invitational at the end of July. Due to an unfortunate mandatory meal requirement for entry, only 11 boats entered. However, the sailing was excellent and in an extremely close finish Dave Peters won, followed by Bill McKinley and Jeff Prince (in Demarest's boat). Charlie Schreck eased out of his big boat long enough to skipper Cameron's boat to a umph place finish. For his good efforts, Dave Peters won the coveted GAKEWI Cup. For 1977, a more reasonable entry policy will surely emerge and we expect to welcome back all our Lightbulb friends for another successful GAKEWI Cup regatta on beautiful Tawas Bay.

As usual, the skippers annual preseason predictions of victory were wrong except one. George Buckingham said he would repeat and he did, in convincing fashion. Our Memorial Day Series was won by George Buckingham with Bruce Baiden (a perennial second place Memorial Day sailor) getting second and Dick "Whitey" Boerger capturing third. (Which became a habit for the season.) In the Early Bird Series we watched George win again, followed by the Eager Beaver award winner Keith Swihart. Third once again went to "Whitey" Boerger. The July Fourth Series was a repeat of the Memorial Day Series. George, "Ole" Bruce, and "I am Third" Boerger.

Labor Day we hope was a beginning for next year, with Keith Swihart winning, Dick "Whitey" Boerger second, and Bruce Baiden Third. (Georges Grand Slam was lost for another year.)

Our club was represented this year in both the Junior Nationals and Nationals in Wisconsin. Our first Junior Nationals representation was Chuck Medlock (skipper), with crew of Julie Baiden and Lynn

Nixon, (we are pleased and proud of them and their representation). George Buckingham with Georgeanne Buckingham and Keith Swihart, Bruce Baiden with Julie Baiden and Chuck Medlock represented us at the Nationals. Other special awards won were the coveted Cynthia Cup, George Buckingham; Commodore Cup: Our Commodore, Bob Troutman, first; Ray Gans, second; Bill Stucky, third. We hosted the annual Hoosier Regatta in June with enthusiastic success, and urge all to join us in '77. We annually extend our thanks and appreciation to the women of our club for the support and all their thankless endeavors. We extend to each of you an open invitation to visit us anytime. Be kind to each other, and remember George and Gordy that Starboard boats always have the right of way. Good sailing and Happiness in '77.

Willow Bank hosted the Central New York Districts in medium to light "flukies" last July. Dick Hallagan and Fisk Hayden did it to us again taking first and second and moving on to the North American Championship Division. Jeff and Kathy Penfield carried the WBYC banner to a proud seventh in the President's Cup where only 10 points separated the top seven.

At home our fleet continued to grow in 1976. Ron ("The Torpedo") Kokot gave our numbers a boost when he signed up with a wooden boat and soon added a fiberglass model to his collection. Ron says he and wife Pam are so excited about the new one they may even enter it in a race next season! Norman and Dorothy Washburn also joined and, with help from her brothers (Tom & Ken Lindsay of Fleet 326) established two first season records -- most races and most seaweed harvested. Also added were Jim and Linda Hole, refugees from the Comet Fleet. After many mutinies, they decided to move up to a three man boat and use son Chris as a referee. This trio adapted quickly and finished third in the fleet standings. Next year they're going to try using a spinnaker.

While rookies were providing a new dimension, veterans were adding things too. Merle Pindell started doing "Horizon jobs" on us with a new boat winning his second consecutive fleet championship. We didn't taste revenge until he was weighed in at the CNY Districts -- now Merle's boat has so much lead it's almost radiation proof! Nevertheless, son Jim won the Junior Districts and Sally Coombs the "Crewettes" race with it. Next year we are adding more lead -- this time to the trailing edge of Merle's rudder.

As expected, many new oval spars showed up in 1976. Fred Twitchell, a heavy air enthusiast, bought one and engraved it with the port side of his head at the jibe mark. Now we know where the BOOM in "Tabooma" comes from. Jim Preston, a light air artist, decorated his with feathers -- so many in fact that we feared his boat wouldn't survive the pheasant season.

To make the 1977 season even more interesting, we've found some more "crazies" and masochists in our midst and expect next year to add new members, new boats, sail more club races, and participate in more regattas. The Lightning species is alive and thriving in Central New York.

This year four new boats were built and two experienced sailors joined us. First, Ahti Immonen got his third boat *Triple Sec*, Leif Haglund, Veikko Valkama and Kurt Barman arrived with one of the first moulds of our second new boat builder and did well. Leif is an old Lightning sailor, back in the Class after some years in other classes. Late in the season Antti Ruuskanen got his boat of next season ready. Antti is the European Champion from last season and now sailing on Helsinki waters. Also one more boat was built at the end of the season when Unto Maenpaa got his new *Vahine* ready. The boat is home built, mainly of foam and fiberglass. Moreover, Mikko Nisunen got a new boat for his crew and himself, named *Ammarama*.

The Fleet Championship was raced during the Helsinki Regatta in the beginning of July and the Helsinki Autumn Regatta at the end of August. Leif Haglund won most races in tight competition and Antti Ruuskanen was second with one point less.

In the Finland Districts, which were held on the waters of Fleet 394 in Tampere, we got quite good records: Antti Ruuskanen was second, Kari Maenpaa, fourth; Leif Haglund, sixth Lauri Korpinen, eighth; Ahti Immonen, 11th; Timo Patosuo, 14th; Raimo Aromaa, 18th; and Antero Westerlund, 23rd. The sailing was from light to very light in wind and from low to adequate in temperature.

CNY District Meeting! Photo Credit — Jane King

In the European Championships at Grandson, Switzerland we had good participation with three boats. Experiences were many and boats paid a lot for decisions made on Lake Neuchatel. Antti Ruuskanen was the best of us at 13th, Ahti Immonen, 26th; and Timo Patosuo, 30th.

Ranking series were extended to seven different regattas this year. The results were good for our fleet: Antti Ruuskanen was first; Leif Haglund, third; Kari Maenpaa, fifth; Lauri Korpinen, ninth; Timo Patosuo, tenth; Ahti Immonen, 11th; Raimo Araomaa, 15th; Mikko Nisunen, 17th; and Antero Westerlund, 19th. So we had three boats within the five best boats, five boats within the ten best, and nine boats of our 12 within the 20 best.

Next year will show interesting racing scenes at the Europeans and the Worlds when fast boats traverse the Swiss lake weather patterns.

Special events featured Don Morrison winning the Founders Day series, Henry Neuman in the Fourth of July Races, and Mike Steffenson on Labor Day series. The true highlight of the year, the Polar Bear Regatta, was the biggest upset of all. With boats arriving from Kansas to Wisconsin, the sailors spent the first day sitting at the sea wall, waiting for wind, this was a first in the history of Lake Davenport Sailing Club and we all trust, the last. The next day gave everyone a chance to show their wares in a pair of races with John Gaul, #12424; Gene Mathews, #11536 and Jay Matteson, #12822 coming out ahead. Mike Steffenson took the Mayor's Trophy that day. Dinner and dancing upon the paddlewheel JULIE II was again enjoyed by the participants.

Competition was great this year for the clubs' Jonah Award. Mike Blaser, an experienced sailor at the club struggled for the honor. Well deserved it was, too. The one thing that does not show up in the statistics nor was evident when the awards were handed out was the very tightness of the fleet. Veteran sailors took their turns along with less experienced men. Each race offered the hope that this one would be ours, and everyone seemed to have a chance. Trophies were won and lost by fractions of a point. The fleet winners had done a good job of teaching the newcomers. The 1977 season is already being anticipated with many different sailors looking for "their turn," and further expansion work anticipated.

1976 has been a noteworthy year for our fleet. Indeed, twelve years after Neuchatel, the European championships were run again on our lake, in front of the city of Grandson which celebrated this year the 500th anniversary of the battle of Grandson where the Swiss troops defeated Charles-the-Bold.

Many reports and commentaries have already been made about these races. Let us only mention their perfect organization, thank all those who contributed to their achievement and congratulate the European and Swiss champions: the Wyler family. These championships brought to our fleet three new active members and three new crews which make a total of twelve and eight respectively. We welcome these new members and wish them many sailing satisfactions.

Our fleet took part with a fair wind and six boats at the Joran Week organized by the Neuchatel Sailing Club during June.

The "Fondue Regatta", our fleet championship took place on the 31st of October. The day before, as the wind was missing, all the crews climbed the near Chaumont mountain. This was an excellent training for the now traditional "Fondue", a national melted cheese dish, generously offered by Claude Lambelet and which was a great success. The next morning a light breeze was blowing which allowed two races. The first was won by Bernasconi, Lambelet being second but by winning the second race he was scored Fleet Champion for 1976. The complete results of the fleet championship were:

		1st race	2nd race	Total
1	Cl. Lambelet	1.6	—	1.6
2	P. Bernasconi	—	1.6	1.6
3	J. P. Monnier	7	2.9	9.9
4	H. Lüthy	6	5	11
5	R. Fluhmann	2.9	9	11.9
6	U. Wyler	8	4	12
7	J. Cl. Dupasquier	5	8	13

14	F. Künzli	14	13	27
15	S. Oehmke	15	14	29

Davenport Fleet bucking the Mississippi River.

This was a season marked with upsets. A late start was caused by construction work expanding the club. Much of the physical work was done by club members themselves creating a great deal of spirit and unity of purpose. Henry Neuman was singled out at the awards banquet for having put a tremendous amount of effort into this project and Duke Pelton, the Fleet Commodore, received a standing ovation for his efforts. The summer series was windier than usual with Walt Bratton, Henry Neuman, and Bill Quaintance taking honors. Another upset with the relatively light winds of the Fall Series was Henry Neuman, Mike Steffenson and Bill Quaintance bringing home the trophies.

Journeying becomes a tradition amongst our crews. This year they went far away and brought back new trophies. Lambelet was first in the Italian Championships in Numana, as well as in the regattas on Lake Trasimeno. Four crews went to Morat, three to Spiez and three to Engelberg. At last, we expect that three of our crews will be able to go to Sicily at the end of the year and take part in the New Year's Eve regatta in Marsala.

For Fleet 175, this past twelve months has been a period of continuous sailing competition; and included extremes of weather and a diversity of winning skippers.

With steady winds and clear weather, "Gray Fox" skipper, Marshall Walker, opened the '75 Fall Series by winning handily. In the following Holiday Series, young stalwart, Leroy Peters finished first. Again, in the Spring Series, Marshall Walker scored a win. Then, for the long hot Summer Series, another young challenger, James Mills, gained first place. Our Memorial Day event went to displaced Texan, Chape Plumer. The Fourth of July contest was captured by Fleet Captain, John Butcher. For the Labor Day Series, Butcher again won. This Fourth of July and Labor Day activity featured storms, multiple thunder storms and "sleighrides" for those who didn't capsize, or head for snug harbor (many did both).

During our Spring Series we were host to Lightnings participating in the fine Holiday-in-Dixie Regatta, and later, the Southern District Championship. This annual Holiday-in-Dixie event saw 28 Lightnings on the starting line. The event, over the years, has expanded into a Multi-District affair for the Lightning Class, with entries from the Central States, Mississippi Valley and Texas Districts, as well as numerous ones throughout the Southern District; all competing for "big silver." Fleet 175 was well represented, however, Dallas and New Orleans entries dominated the field. Jim Craig, of Dallas, won this event, Buck Ballatin, New Orleans, was second, Tommy Allen, also of New Orleans, third, Duncan Porter, Dallas, fourth, Gil Whitworth, New Orleans, fifth, and Bob Thomas, Dallas, sixth. We challenge you to attend, 1977. See "Flashes."

Climax of the year (June 10-13, 1976) was the Southern District Championship Regatta held here at the Shreveport Yacht Club, Cross Lake; with Lightning Fleet 175 as host, Fleet Captain, John Butcher in charge. Fair winds, fine food and good sportsmanship prevailed throughout, with Alabama's Gil Whitworth winning first place by a sizeable margin. Other trophy winners included Rick Skinner, Fairhope, Ala., second; Tommy Allen, New Orleans, third; Marshall Walker, Shreveport, fourth; Buck Ballatin, New Orleans, fifth; and Larry Frost, Baton Rouge, sixth. From here our own Marshall Walker went on to the Nationals — and a good knocking about on Lake Michigan.

This year, Fleet 175 Lightning Skippers led the field in the Shreveport Yacht Club's annual All Class Championship Race, titled "Cock O' the Walk" event. This race is sailed by top skippers of each class of Thistles, Lightnings, Tempests, South Coast, etc.; all sailing in Sunfish for this particular event. Our Fleet Captain, John Butcher, led this talented field of mixed-class skippers to a decisive first place. James Mills, another Lightning skipper finished third overall.

Our Fleet dominance was not confined to local events. Thus, we actively participated in the recent Jackson, Mississippi Hospitality Regatta; with perennial winner, Fleet Captain, John Butcher, capturing first place, Lightning Class. Larry Pledger took home a

handsome third place trophy. Earlier, representatives of Fleet 175 participated in the Fairhope, Alabama, "Wadawitz" Regatta where, again, Larry Pledger scored a third place finish.

Our Fleet 175, most active in the Southern District, is fortunate to have many young skippers/potential skippers to insure its continued success. Larry Lashley and Offspring-Crew, Henry Coutret & Sons, up-and-coming fledgling, Bruce Mayfield; young skippers, James Mills and Leroy Peters; all are eager, savvy enough and ready to take the measure of those old hands who are spinning yarns and counting their trophies. This legacy of young talent, together with an abundance of experienced crewmen/skippers such as Ken Long and the unique Claude Corbett-Jay Soloman combine means that no Skipper's reputation is secure — and that Fleet 175 will remain as most active leading contender in The Southern District.

*Rounding the windward mark at the Babylon Invitational, in 1st-Frank Atkinson followed by Frank Marinaccio and Pearce Baker.*

Fleet 178 continues to grow in membership, in quality of sailing and in enthusiasm.

This year we welcomed nine new members and their families to the fleet. They are Bob Weiner, Charles Ford, Joe Rossbotham, Richard Miller, Arlene Goldsmith, our only lady skipper, Tom (the mouth) Green, famous Lightning skipper, and the Rub-a-dub-dub boys Bruce Hafner, Hatim Kamel and James Connelly.

If the fleet continues to grow at this rate the Lightning Class may take over the whole bay. We are now the largest adult class sailing the G.S.B.Y.R.A. Invitationals.

Next year promises to be an even better one for all of us if we can figure out what makes Frank Atkinson go. Frank really did it this year and it doesn't seem to matter who sails the boat, Frank Sr., Frank Jr. or Bruce. They all make it go. For the second year in a row Frank is our Fleet Champion. He started by winning the 7 race Spring Series followed by Invitationals at the Babylon, Narrasketuck, Bay Shore, Unqua and Long Island Yacht Clubs. Frank also won Race Week and the G.S.B.Y.R.A. season trophy.

Among the other skippers winning special honors was Richard Kopka, who won the Point O Woods Invitational. Newcomers Bob and Carol Weiner were finally convinced to "take the plunge" into Lightning circles.

Not long after Bob and Carol hosted a christening party for their "new" boat named (what else?) "Ted and Alice". Despite the miserable weather a great time was had by all.

Later in the season the Geraghty's hosted their "almost annual" meatball and spaghetti party, with Bill W. in charge of the meatballs. Then the Marinaccio's had a back yard barbeque on the eve of Hurricane Belle, which in a most unladylike way blew over the lovely old willow tree everybody had been sitting under. She also left members without lights, refrigeration, etc. Some for as long as a week.

The Fleet had its traditional lobster party in a new location, an island in the middle of the Great South Bay. We still wonder what Joe G. was trying to do with the raft of boats going in circles.

Last, but far from least, Roger Goodwin and the Greek lady who breaks dishes on the dance floor hosted a fabulous party to close out the fall racing season. With the same kind of spirit and enthusiasm we look forward to '77.

*Skip Ragghianti breezing along in unusual form, right side-up!*

This season fleet #180 started sailing on Memorial Day weekend, with some new blood in the fleet this year the enthusiasm has increased as was shown by the early series in June. The month of June also brought the first sailing school for the "kids" in the club, hopefully these young skippers will blossom into Lightning sailors some day. The 1976 sailing season also brought the largest Lightning fleet to the starting line in many years and we are expecting a few more next season.

Again this season Bob Lilly showed everyone he was still the boat to beat but not without some stiff competition in the early going from the likes of Mark Prather and Warner Henderson, but as always, consistency wins out and Bob wound up on top followed by Eddy Shaffer and Doc Good who tied for second.

All were surprised by the resurgence of 'Ol Blue' #7171, newly outfitted with foam flotation which in the last race of the season proved to be effective as yours truly can attest. 'Ol Blue' started the season rather slowly as was expected by everyone, after-all she was wood, had a crack in her bottom and side, and must weigh at least 800 pounds, a cinch for last place. Such was not the case with the return of Phil Andrews in mid-season from Annapolis and a year on their sailing team. Phil took over as skipper of old #7171 and gave everyone a run for their money, beating out the newer "faster" boats with superior skill. However in the last race of the season it seems as though two worn spinnaker fairleads jammed at the same time and thus the test of the new foam flotation.

Fortunately there were not too many turn-overs this year, unfortunately Skip Ragghianti had the majority of them, three I believe. Therefore, it was only fitting that the newest member of fleet 180 should be awarded the up-side-down trophy for his remarkable consistency, as was said before, it pays off.

All-in-all it was a good season for fleet 180 and some activities are being planned for the winter months such as sailing seminars in anticipation of the coming season. It is good to see the enthusiasm building for sailing as it makes the sailing more fun and the more the merrier.

The highlight of our sailing season on the Great Lakes was hosting the North Americans in August. A special tribute of thanks from our Lightning Fleet go to General Chairman Kenneth Hanson, Race Committee Chairman Terry Kohler and "their crew" for a grand job. The North Americans were an adventurous and spectacular event in Sheboygan's long yachting history. The Rhode Island skipper, Bill Shore, sailing his trim craft through all kinds of weather took top honors. Sheboygan's lone qualifier in the elite Championship Flight was Tryg Jacobson. Rick Larson qualified for the Presidents' Flight and Eric Graf for the Governors'. Even though Tryg and his crew, Mike Elmergreen and Mike Dooley, did not qualify for the Worlds this coming summer, they'll be there as spectators! It was good to see Tom Bierman formerly of Sheboygan and now of Sparta, N.J., sail on Lake Michigan once again.

Fleet 187 enjoyed a good year of racing, fellowship and fun. Local fleet racing was actively participated in by over half of our fleet. In the Gresholt Series, Tryg sailed easily into first with Eric Graf in second and Karl Miller of Manitowoc third. Leading the way in the Piper Series was Rick Larson with Graf and Miller following in second and third. The final series, titled Exhaustion-Back to School, saw too many weary skippers, boats, wind and seas.....and therefore was not sailed.

Tryg became only the second Sheboygan Lightning skipper to win the Brotz Regatta in the 16-year history of the event as he breezed to three 3rd place and two 1st place finishes in the five race regatta. Dr. John Esser of Milwaukee came in second; Greg Florian of Decatur, Illinois, third; Rick Larson, Eric Graf and Richard Bemis were 4th, 5th, and 6th. Our Sheboygan skippers allowed the visiting

skippers to win only two of the top six positions!

Our active summer of sailing resulted in Tryg Jacobson taking the Fleet Championship with Graf being Runner-Up.

Turtle trophies — skippers who got their crews wet — were awarded to Jacobson and Graf. Richard Bemis managed to keep his boat upright all season!

The spirited racing and good times continued throughout the summer with a special one day regatta "Improve Your Sailing". The series enabled the aces to crew with some of the back-of-the-pack skippers. Also included were many of our junior members. Mark Hilpertshauser, steady crew of Graf's, won the round robin Improve Your Sailing event.

While Tryg, Eric, Rick and Karl seem to be consistently sailing away with the silver, it appears that Mace Linde and Richard Bemis are starting to put it all together. We look forward to an even better sailing season in '77 with keen participation from our newer and less experienced sailors.

The Sheboygan Yacht Club saw many new faces identifying with Lightnings this season, mainly because of the interest and involvement in the North Americans. Let's hope our local fleet continues to grow and show the enthusiasm the Lightning Class deserves!

Marblehead Lightning Fleet's 1976 season was one of many good to heavy wind Saturday Championship series; back to back races with only a couple of drifters thrown in. It was one of similar racing during the Tuesday and Thursday evening 1st and 2nd Twilites; and again during Race Week in late July. It was a season of new faces and new found friends and the loss of three stalwarts of the fleet. It was a season of winter meetings, a spring cocktail party, Raceweek cookout and the big Awards Dinner bash, complete with the piece de resistance - a sneak preview of sound and sight rushes from the filming of the Northeast Regatta at Annisquam. Our Saturday Championship series, Spring and Fall Series, Twilite and Fall Chowder Race, MRA (Marblehead Racing Association) entry list grew from its 1975 level of 9 to 14 for this past 1976 season. Seventeen Lightnings were entered in Race Week during the last full week of July. Bill Bray, Chuck Ritt, Jr., and Duncan McInnis claim they have put their Lightning experience behind them. We wonder, but we did miss their prowess at the helm and their general all around tom-foolery and good cheer.

Right from the starting gun at the spring cocktail party hosted by Don and Donna Humphrey at their home in nearby South Hamilton, 14 skippers were on the line for the season. New faces abounded in skippers Jay Butler and John Brozek, Frank Bodengraven, Larry St. Clair, Joe Peterson, Fred Juden with their cheerful and adept crew members. Throughout the season there was the appearance of additional guest crew members showing up with one skipper or the other.

As usual our Saturday series racing was on the MRA middle or high performance line out in the Cat Island Channel to Salem Sound. Bob Gauthier, Larry St. Clair, Jay Butler and John Bozek sailed out to the line from their moorings in Salem Harbor and Willard Johnson came out from Manchester Harbor. The remainder of the fleet slipped their moorings in Marblehead Harbor; Gerard Hosman starting from way off near Deveraux Beach and Tom Stover jumping out from his mooring near Corinthian at the mouth of the harbor.

Many interesting events occurred during some of our races, among them: early in the season our starting line seemed to share its starting mark with an off shore cruising class sailing in the dense fog to their leeward mark. The cruisers were coming through our area searching for the tip of Cat Island slightly to the south. During one race in Race Week the finish line was missing, a committee boat on the line had left its station to scare off some sighted sharks frolocking through the start of another class nearby. All this in heavy seas and drama laden weather conditions right by Satan Rock. Not necessarily topping it off, but lending much interest in the latter part of the season, both Independence and Courageous, the 12 meters competing for defender honors in the Americas Cup 1977 series, sliced in and out of our racing area or passed by on the horizon. July 10 racing was suspended in homage to the Tall Ships visiting Boston. Few members if any missed seeing the Tall Ships enter the harbor. Frank Bodengraven sailed down and back in his Lightning staying overnight in Boston Harbor on the family cruiser.

The Labor Day "Chowder Race" was sailed in high winds and seas on a very bright sunny day. The Committee Boat in this race clocked winds in sustained gusts at 32.8 knots. John Collins disabled his rudder during the heavy wind start and was towed home.

Throughout the Championship Series, Race Week and Twilites all members of the fleet had a chance, one time or the other, of bearing down on the transom of John Collins boat the *Mighty Shamrock*. But to no avail. John, when present, was always first. As Tom Stover is quoted in local papers, "The guy (John) is unbelievable, regardless of his position he always pulls it out and comes home the winner." By the way, ask Tom to explain conclusions to be reached by observation of tides and lobster pots during drifters.

The start of the Twilites is often an exciting spinnaker start from a fixed line near the entrance to Marblehead Harbor. During this series it was Gerard Hosman who persued John Collins the most with he and a few others giving John a moment or two at the finish line, if we may quote Joe Blount, one of John's very able Twilite crew members.

Going back a few months in February — the fleet held a very interesting sail shape meeting at the Wilson and Silsby Sail Loft. This meeting was well attended and much was learned about setting the main and jib for various winds and seas. Twenty-eight members, wives and guests were able to attend the spring cocktail party in April — all joining in the festivities, bragging a little about past sailing achievements and organizing for the coming season. During Race Week John Collins hosted the cookout at his hilltop home in Marblehead Saturday evening, July 31st with many exhausted crews reliving the days events. Also, the group voted at this cookout to reinstate the first race of that day, which had lost the Committee Boat from the finish line during the shark scare.

Chuck Whittelsey and Tom Pike, students at the University of Bridgeport, showed audio visual rushes of their documentary film of the Northeast Regatta for an exciting thirty minutes or more at our

seasons finale, October 28th. At this Awards Dinner, Fleet 189 awarded many trophies including a couple that are very special. An Hour Glass Trophy is awarded by the fleet race committee for unusual spinnaker setting or handling. Candidates abounded led by John Collins yelling at his crew, "get it down, get it down, get the d--- thing down" as the guy and sheetless spinnaker flapped in the breeze; Tom Stover setting the pole on the port side well back from the weather mark that will be left to port; Joel Humphrey for setting a spinnaker with only the guy connected. The trophy went to John Collins.

An actual elephants tail (found long ago in a dowagers attic by one Dick Price) is awarded to the skipper that the fleet race committee believes most typifies "tail end Charlie." The recipient this season was Fred Juden. These two awards are dutifully displayed at the respective recipients home most conspicuously throughout the coming year.

Winner of the Best New Skipper Award was Larry St. Clair and winner of the award for the Best Wood Boat in the fleet was again, Larry St. Clair. And could Larry ever make his boat point tight to the wind. Soobie!

Final Season Trophies went as follows: John Collins, fleet champion; Don Humphrey, runner up and Tom Stover, third for the Saturday Championship Series. In the Twilites it was John Collins, first, Tom Stover, second and Gerard Hosman, third for the Tuesday Twilites. For the Thursday Twilites, John Collins, first; Gerard Hosman, second and Joel Humphrey, third.

Race Week trophies were awarded by the MRA on Labor Day as follows: John Collins, first, Joel Humphrey, runner-up and Tom Stover third.

Officers elected at the Awards Dinner for the coming season are: Gerard Hosman, Fleet Captain; Larry St. Clair, Fleet Vice Captain and Don Humphrey, Fleet Secretary.

Our year began with the annual Installation Dinner at which Hank Fastenau and Hugh Kimball were installed as Fleet Captain and Treasurer respectively.

Sailing began with the so-called "Frostbite Series", which Knauer won with three firsts over Poindexter and Kimball. Then came Series I and everyone was glad to see Hank Fastenau win his first trophy, with Knauer, second and Kimball, third. One of the year's top events was the 10th annual Southern California Circuit during the Easter week. Nineteen Lightnings assembled at King Harbor Y.C. in Los Angeles, including seven from San Francisco. The trophy winners for this three race series: Gross, McCarthy, Harter, Starkey, and Hole. Action then shifted to Coronado Y.C. where two races were sailed in San Diego Bay. The next day the 15 miles Marathon race from CYC to MBYC was cancelled because of high winds and seas. This left, as trophy winners of this abbreviated series: Gross, Harter, Lyon, McCarthy and Starkey. Everyone then moved to MBYC for the Easter Regatta. Unfortunately, winds as high as 80 mph hit parts of San Diego County and the races were cancelled. The winners of the overall trophies for the Circuit were: Gross, Harter, McCarthy, Starkey and Hole. Because of scheduling difficulties it was voted to make the Circuit winner the District Champion for this year, so that honor also went to Warren Gross of our Fleet.

Most all the races of our five race Spring Series were very closely contested, with tacking duels, luffing matches, etc. Knauer won the Series, while Fastenau edged out Kimball by 1/4 point. The Memorial Day Series was also Knauer, Fastenau and Kimball. The Club's Series II had Charles Gotschalk winning a first place trophy; Barber, second; Kimball, third. The six race Firecracker Series on the July 4th weekend was extremely close, both in the individual races and in the Series. We raced out from Bay to ocean, raced in the ocean, and raced back in on both days. Four different skippers won at least one race, John Lyon won over Knauer, Gotschalk and Kimball.

Gross, M. Lyon and Gotschalk made the long haul to Klamath Falls, Oregon, for the Pacific Coast Championships, where they finished 7th, 8th and 14th in a fleet of 42 Lightnings. In July the Fleet had a great time at the annual Brady's Beer Bust and Abalone Feast; Hank Fastenau had dived to supply the abalone. In August, Series IV was won by Myron Lyon with three firsts. Gotschalk was second; Knauer, third. In the Sloop Regatta, John Lyon edged out Gotschalk by 1/4 point, with Knauer, third. Labor Day weekend had only drifters; Myron Lyon taking first over Fastenau and Gotschalk.

On Sept. 11-12 six of our boats joined seven from King Harbor Y.C. and five from San Francisco for the Billie Boswell Memorial Regatta at Lake Cachuma. There were four races in Brisk winds, and the trophy winners were Gross, Hole, Linda McCarthy, Lyon and Starkey. Lyon threw away his overall first place by rounding a mark the wrong way in the last race, and the same error cost Gotschalk a trophy. It was a great weekend at the Lake, including a cookout dinner and a District meeting. Our Bowen Memorial Regatta had two drifters and one good race. Lyon won over Gross and Gotschalk in closely contested races, with Patty, fourth and Knauer, fifth. Two weeks later we again sailed against the King Harbor Y.C. fleet in their Hurricane Gulch Regatta, ironically in drifting conditions. Apparently John Lyon is a good drifter as he won, followed by Patty, Gross, Gotschalk and Foster.

Halloween's Spook Series was won by Knauer over Zevin and Gotschalk. And Knauer also took the Turkey Series in November over Kimball and Fastenau to win a turkey for his Thanksgiving dinner. The Fred J. Knauer Trophy for Outstanding Lightning Skipper in Regattas went to Warren Gross, while the same trophy for Club races again went to Fred Knauer. As you can see it has been a long full year. You too could sail all year round if you moved to San Diego.

Sailing on Manahawkin Bay at Surf City, has come to a close with the usual sighs of relief from the wives, and groans from their spouses. There were some capsized boats, some ripped sails, damaged hulls, broken masts, but most important, no broken bones.

The Club races were sailed with a large number of Fleet members participating. Competition was keen, but Frank Temme sailing the "Warlock" whose transom was in full view to the Fleet in most of the races, took top honors in the Commodore Series. Maryellen Carducci was runner-up and Chuck Swartley third. Chuck Swartley was also awarded "The Most Improved Skipper." The Championship Series was awarded to our top sailor Jack Elfman, with Tom Temme second and David Schmidt third. Our 4th of July Series was won again by Jack Elfman, with Lint Weber finishing second and Frank Temme third. The Labor Day series saw our two hottest road sailors with Jack in first place, Ralph Messersmith, second and Frank Temme, third.

You have all heard the saying "Luck of the Irish", such as a team of underwater Leprechauns that push when there is no air, pull down the high side when it blows, and place fishing nets in the path of any boat that dares come close. When Jack Elfman sailing "Rip City Express" becomes Fleet Champion three seasons straight, that's no "Luck of the Irish". Jack not only sails his Lightning in events near and far, but helps to officiate whenever time permits in many other Club activities. Jack finished the season with an impressive list of victories:

Overall Southern Circuit, 6th; Long John Regatta, Red Bank, New Jersey, 1st; No Gas Regatta, Annapolis, Maryland, 1st; Cedar Point Spring Regatta, Westport, Conn., 1st; N.J. State Championship, Bay Head, N.J., 1st.; Penna. State Lightning Championship, 1st.; Central Atlantic District, Brant Beach, N.J., 8th; North American Championship, Sheboygan, Wis., 6th. Our congratulations to Jack and his crew for their continuing display of sportsmanship, neat tactics and sailing skill.

We are very happy to welcome two new members to our Fleet, Lint Weber, who is a terrific sailor and a product of Frank Temme's Lightning Clinic, and E. F. Meagher, a newcomer to the Fleet. Surf City Yacht Club was very proud to host the first Annual Junior District Championship on July 5th. Twelve Junior skippers and their crews from seven different fleets throughout the district competed. Our congratulations go to them for a fine competitive series. Our many thanks to Gerry Murray and the entire Race Committee for a job well done.

Fleet 196 wishes Howard Mullin, a long time friend to both our Fleet and ILCA the best with his new venture of sailing the big cruisers. His conspicuous absence from the starting line can only diminish the sport for the rest of us who recognize in Howard the qualities of a true champion. Good luck and good sailing. We all miss you and hope that you will return in the very near future.

All in all, we had a great season and it was fun to sail with some of the best. We look forward to seeing all of you during the 1977 season and be ready when the 10 minute shape is hoisted. Good sailing everyone!

Jack Elfman in the funny pants, but who's that in the quilted jacket?

The sailing season for Fleet 209 started with the Sugar Bowl Regatta and was won by that great young sailor, Matt Fisher from Ohio. Madris Gras Regatta saw a nice turnout with real nice weather, Buck Ballatin was the victor in this one. The regular sailing season opened under beautiful weather conditions, the two fleets #209, and #62 participating. Gilbert Whitworth from fleet 62 and skippering his new Lightning won. Buck Ballatin won the Charter Day, Fleet championship and Closing Day Regatta, Cal Herman second.

The sailing season began on Sunday, May 2nd with the first race of the Spring Series and when the last race of the series was over on June 13th our winners were as follows: Nelson Caley, first; Karl Rollius, second and Rick Cooper, third. On June 20th, we started all over again with our Summer Series. At the conclusion of these six races, we found Karl Rollius had placed first, Rick Cooper, second and Mark Muntean, third. Our Fall Series began on August 1st and concluded with Karl Rollius taking first; Nelson Caley, second and Scott Muntean, third.

We departed from our regular schedule over the Memorial weekend for our Commodore Series. Nelson Caley took the series; Karl Rollius, second and Rick Cooper, third. Our next holiday weekend was July 4th and at this time we have our annual Powder Puff Race and Crew Race. Our Powder Puff winners were Sara Allen, Jo Firth and Molly Streb respectively. The Crew Race winners included Dick Stayer, first; Molly Doughten, second; and third Rob Cooper. After a fun day of sailing and picnics, we were treated to our annual display of fireworks which are just beautiful and enjoyed by many people.

In August, the Lightnings hosted a party for all other fleets at A.Y.C., and we had a lovely day for our Lightning family picnic. September 11th and 12th was our Harvest Moon Regatta with 115 boats participating. We had an abundance of air on Saturday; consequently, quite a few boats went over and some more than once. The afternoon race was postponed till Sunday because of the wind. The air was light Sunday, and we were able to complete the schedule of races. The first five places went to: Burt Preston, Mansfield; Nelson Caley, Atwood; Tom Barley, Hoover, Herb Jestel, Pymatuning and George Auer, Cleveland.

With the season over, we are filled with fond memories to carry us through the winter as we work on our boats and anxiously await the starting gun next spring.

The 1976 season seemed to come and go very quickly. We started in May with the Spring Series. Unfortunately, there was limited participation as we were late getting underway because of flood conditions and the inability of the Yacht Club to install facilities. In June a number of our people were away in Kingston for the Olympic Trials and then again in July because of the Olympics themselves. As

a result Lightning sailing at Fleet 215 suffered a modest setback in 1976. (Ed. note — Lightning sailors made up a good part of the Olympic Sailing Committees and we should be proud of the excellent job they did.)

R. C. Scrim was the only Fleet member who managed to make it to the Royal Hamilton Yacht Club for the Canadian Open. However, the 1977 championships are planned for the Thunder Bay area and we are hopeful that a good contingent from this Fleet will make the long haul West. Sailors from that area have been coming to our neck of the woods for a good number of years and are deserving of support from us in return. (Ed. note — Amen from a former westerner.)

Our very popular Fleet Captain, Michel Brossard and his Chief Mate, Gisele have moved to Quebec City. This is a real loss and we hope that they will manage to come this way frequently to keep local Lightning sailors on the mark! We hear that a bare boat charter in the Virgins is in the offing for the Brossards — so that they can keep their hand in during the winter season.

This year our ranks were strengthened by Peter Winstanley, Bob & Bill Neapole and Andre Noel. The Neapole brothers served their apprenticeship for Lightnings many, many years ago with their father. He owned one of the first Lightnings in Montreal. Needless to say we are delighted to have them back with us. Andre Noel is a previous owner of a Lightning who has been away and has just returned to the fold with a brand-new boat. Good luck to them all.

Perhaps the highlight of the season is the winning of the Royal St. Lawrence Yacht Club Sailing Championship by our Lightning Champion, Dr. Archibald Cameron. This was done in a very convincing fashion and is the first time that the Club Championship has been won by a Lightning sailor — congratulations Archie.

Activity in 1976 started early in May with a display of a new fiberglass Lightning and a wood Lightning in the Hampton Square Mall in Bay City. Several people were signed up as future crew members and a few contacts resulted in new boats joining the fleet. Later in May a demonstration was held to help the new members tune their boats.

The racing season got under way with the annual Memorial Day Regatta. Bill Boice made a clean sweep of the regatta with four firsts. Carl Hesse came in second with four consistent 2nd places. The familiar Carousel of Joe Dissett, our former fleet champion, was left setting on the trailer for most of the season. In spite of a severe illness affecting Joe's legs, he continued to offer important support to the fleet. We are happy to report that Joe expects to be fully recovered by next summer and should be back in his usual position at the head of the fleet. The only races that Joe made during the season were two races in the 4th of July regatta. Joe captured two first places with John Johnson and Carl Hesse finishing close behind.

The Bay City Invitational Regatta brought out a disappointing eleven boats to race in two days of perfect racing conditions. Garry Demarest continued his long string of wins with an overall first place. Gary Cameron finished second, Bill McKinley, third and Merrill Bales fourth. Bill Boice finished the season with a first in the Labor Day regatta. The overall fleet championship was won by Bill Boice with a slim margin over Carl Hesse.

The Wednesday night series continued to be a popular activity again this year. Carl Hesse successfully defended his first place

position for the second straight year. Bill Boice and John Johnson finished in second and third positions after trading positions several times during the summer. Several boats had good races during the Wednesday night series. Lee Klopfenstein was in his usual position near the front of the fleet. Dick Burrow and Jim Schofield made a strong showing in the light air races later in the season.

Several of our members traveled to Michigan District Regattas during the summer. Carl Hessee and Bill Boice often found themselves near the hot boats in the Districts. Carl continued his tradition of flipping his boat after passing all but two boats in the fleet.

With a new club house, new fleet members and new boats for 1977 we are anxiously awaiting the new racing year. If you tire of the sand bars, weed beds, shifty unpredictable winds of the small lakes, join us on the wide open spaces of the Saginaw Bay.

The Henderson Harbor Yacht Club's Lightning Fleet enjoyed a fairly active season commencing its racing activities in June with the Ice Breaker Race won by Richard B. Stevens in his famous "Zig-Zagger". The immortal Black Cloud, Charles Stone, second; Bob Doyle, third; and John Treadwell, fourth.

The Averill Cup was next, and had 30-35 mph winds. John H. Treadwell won the event, but was followed by mere seconds by Rick Stevens and Charles Stone, third. This was the day that the Black Cloud learned to sail upwind with his bailers open!

To encourage fair play with the ever present local sailors and those who preferred the circuit, a monthly series was sailed for June, July, and August.

Rick Stevens beat out Irwin Stone and Sara Treadwell, giving that "old" hull the June series. Irwin and Charles Stone, second; John and Sara Treadwell, third and Robert Doyle, fourth.

July was inaugurated with the sailing of a special Bicentennial Race as 6 Lightnings and 10 keel boats started together. Scored separately, the Lightnings were won by Robert C. Wardwell. John Treadwell, second; David Parker, third; Rick Stevens, fourth. In late July the big race between keel boats and Lightnings took place with the annual sailing of the Pickslay Ramble. 17 boats started in the 25-30 mph winds, 4 of which were Lightnings. With the rough seas and heavy air, it was indeed a keel boat day as the opponent won 3 out of the first 4 places. But it wasn't enough however, as Dr. Irwin K. Stone sailed a beautiful race and won overall, making it 3 years in a row for the good guys.

5 races were sailed as part of the July series with the following results: Robert C. Wardwell, first; John H. Treadwell, second; Irwin K. Stone, third; and Vincent Ciliberti, fourth. August series results: Rick Stevens, first; Irwin Stone, second; David Parker, third.

The overall club Championship was won for the first time by Richard B. Stevens in #5841; Dr. Irwin K. Stone, second; John H. Treadwell, third and Robert C. Wardwell, fourth.

In between the above seasonal series, H.H.Y.C. played host in the rain to its first Invitational, with Dick Hallagan of Sodus taking honors, while Bob Wardwell held up the local pride placing fifth. And again this year, the fleet was well represented on the circuit while Parker, Stevens, and Wardwell all journeyed to the North Americans.

We had some additions this year as Rick Stevens decided to copy John Northrop's act, and went into the used boat business. Through his efforts we all welcomed back the "ace" of the 1960's, Vincent Ciliberti. Also added were Bob and Kaye Doyle who took such a

liking to sailing that they're growing their own crew! Yet another addition was that of Irwin Stone's new Allen hull, while on the negative side, we bid farewell to Bob and Carol Wardwell who packed up and sailed to Tennessee. Wardy has done this before and always returned, and we are hoping that history repeats itself.

The final races of the season were the Stoney Island race won by Rick Stevens. Irwin Stone, second; Len Phillips, third; and the Frostbite Race in September won by John H. Treadwell, Rick Stevens, second; Bob Doyle, third.

Have a nice winter!

Fleet 226 '76 Champions Howard Sutter first, Jim Pinion, third and Mara Freeland second.

LIGHTNING SAILORS HAVE MORE FUN truly describes Fleet #226; sailing year-round on the beautiful, warm waters of Biscayne Bay. One Design races are scheduled one week-end each month, sponsored by the four local Yacht Clubs (Coconut Grove Sailing Club, Coral Reef, Biscayne Bay and Kay Biscayne) which comprise the Biscayne Bay Yacht Racing Association. In addition, we have several annual Regattas, the District Championship and the Southern Circuit Mid-Winters.

When not racing, our Fleet enjoys getting together for dinners, family "fun races and picnics" at out-islands in Biscayne Bay, an over-night camping cruise to Elliott Key and the end-of-the-year Christmas Party/Fleet Awards Presentation. A monthly newsletter

goes out to skippers and crew. T-Shirts with the Lightning emblem and boat names are now on order for Christmas. Tremendous enthusiasm and interest in Lightnings exists in #266; from our youngest crew member, 9-year-old David Westcott (son of Alan Westcott, our former Fleet Captain and District Commodore), to our own very special Charlie Beedle — "guiding hand", inspiration and former Vice-President of the I.L.C.A.

In the District Championship held in May, winners' circle was Glenn Carlin with first place and Mike Alexander as runner-up. Sixteen-year-old Freddie Hutchinson won first place in the "Sears Cup" District Finals, which was held on Lake Lanier near Atlanta. David Brennan sailed a spectacular series of races to become the 1976 Lightning Champion of the Biscayne Bay Yacht Racing Association.

Coconut Grove Sailing Club's Annual Regatta on October 23 & 24 wound up with a very determined and skillful sailor, Howard Sutter, winning first place; 15-year-old Jorge Freeland, second place; and Steve Witherspoon winning third place. On November 27th, Coral Reef Yacht Club's Annual Regatta was held in very light air. Only two out of five races were run. Reid Hutchinson (1975 Sears Cup Champion Crew Member) won both races taking first place. Freddie Hutchinson and Don Reidel tied for second. The BBYRA race on December 5th recorded first place to Reid Hutchinson, second place to Jorge Freeland and third place to Freddie Hutchinson.

Thirty-two races were held to determine Fleet standings. Fleet Champion for 1976 goes to David Brennan and Howard Sutter (our Dynamic Duo who sail the *Crimson Dynamo*); Runner-Up to Gung-Ho Girl Skipper, Mara Freeland. Brennan and Sutter will keep the perpetual "Nelson Trophy" for one year. Third place in Fleet standing goes to Jim Pinion/Randy Clea and in fourth place were Steve Witherspoon and Don Reidel.

Fleet 228 has been growing again in 1976, both in membership and in race activities. With the addition of enthusiastic new skippers such as Walter Cincotta, Bill Graf, and Ed Termini, as well as the participation by Hugh Hutchinson, we were able to complete a rather full schedule.

Our Fleet Championship series was held in May this year. It was won by Djoerd Hoekstra, followed by Bob Haag and Bill Graf. Next came our Spring Series which was won by Ed Termini, with Tom Barnett, second, and Bob Haag, third.

The Governor's Cup in June was a very successful regatta, as usual. The Lightning Class was won by Djoerd Hoekstra followed by Gary Swangler of the Penn Manor Yacht Club. Hugh Hutchinson was third.

During the months of July and August we held our summer series: Tom Barnett, first; Ed Termini, second and Walt Cincotta, third. And, for those who feel that sailing on weekends alone is not enough, we ran our Wednesday Night Series, which was also won by Tom Barnett and Ed Termini in second; Bill Graf took third place in the series.

Our regatta schedule ended during September with the Gamma Trophy series, which starts out at Penn Manor, then goes to the Red Dragon Canoe Club, finishing with Riverton's Fall Regatta. Winner of the Fall Regatta and the Gamma Trophy, for the third year in a row, was Bill Clausen. He was followed in the Fall Regatta by two old river rats, Djoerd Hoekstra and Franz Schneider.

The Riverton Yacht Club's awards banquet at the end of November closed out a season which saw more Lightnings competing than before. We hope that 1977 will again bring us new skippers, good winds, and many guests to our regattas.

The hoped for whopper year didn't whop. Jerry got sent to Switzerland, Brian developed a shoulder problem, Julian was building a house, Morrie got back safely from an extensive trip on the high seas, but got too involved in a job and town change, the anticipated defector didn't do it — and on and on it goes. The rest of us had fun, but our ranks were sure thin. It was also a very wet and cold summer — most unusual.

On the brighter side, Eugene Yacht Club hosted their annual big regattas and our fleet hosted the parties for Lightnings. Jack Culver won the Harvest Regatta making his big leaps forward on the spinnaker legs with some pretty neat sail handling in response to the ever-changing winds. His crew are still wearing their grins of accomplishment! Both the spring and fall regattas in Newport on the coast have developed into really fun and big events. The fishing and crabbing still goes on within the bay which makes the starting line a dodging-the-crab-pots slalom. No one complains - these regattas are low-key and offer challenges that we ordinarily don't have, such as the crab pots, little fishing boats clustered around the marks (navigational buoys), big fishing boats roaring under the bridge on their way in or out as sailboats are fighting the current going the other way, running aground if a certain tack is too long. It all adds another dimension to our thinking and skills and sea knowledge and really is lots of fun. The people are awfully nice to us and it all adds up to two neat and different weekends.

We did manage to get a bunch out for the traditional fleet trophy races. It was the year of the Boyle! Jerry wins the spring Newport regatta and Opening Day, comes back from 6 weeks in Europe, plops his boat in and wins the Lowe Cup, doesn't sail much after that but plops his boat in again in September and wins the Fleet Championship! Jack Culver won the Challenge Ladder (match racing), the Kelley Trophy, the fall regatta in Newport and the Richards Cup - that's the one where we start at the clubhouse with the sails bagged, walk (not allowed to run) to our boats which each skipper has carefully plotted to be where it is tied up, bend on the sails and go around the course either way, return to the same spot at the dock, bag the sails and walk back to the keg. Jack buried everybody when he shot away from the dock with the spinnaker alone and took the everything-to-starboard way around the course. Half way to the first mark the main was drawing and as he rounded up popped the jib and down came the chute. Pretty slick. Mike Pershern surprised no one by winning the New Skipper Trophy - best showing in first two years of sailing. He has come on strong.

Next year? Newcomer Ralph Mergen appears to be fully smitten. An excellent junior skipper of about 7 or 8 years back is getting interested again. We are still working on the possible defector. If the rest of the fleet can get their joints and priorities in order, maybe it will be the whopper!

The fleet is very happy to announce that the boat 11935 "Leccia" skippered by Capt. Luigi Merola with crews Capt. Mario Lo Sardo and Lt. Francesco Lo Sardo is the Italian Champion for 1976. Merola was many times Italian Champion from 1950 to 1960 and his re-entry in the Lightning Class is very formidable: runner-up in 1974 and 1975, Champion in 1976! It is to be hoped that Merola may have a new boat or new oval spars for the 1977 Worlds in Switzerland.

The success of the fleet was compounded with the excellent results of the Commander Lino Leuci, runner-up in the "Augusto Sassi Trophy" and in the "Enzo Di Lorenzo Trophy".

Lightning racing on Lake Dunmore has been limited, but our sailors remain very active. Don Brush, Jr., became New England District Champion and did well in the North Americans as well as the New England and East Coast regattas. Most of our skippers were counted present in the N.E. regattas and enjoyed the Vermont Championship at Bomoseen, the N. E. Districts at Lake Champlain, the VT-NH at Squam and especially Annisquam and Spofford for a fine season.

Gino Filippini our 1974 and 1975 District Champion was unable to participate in the 1976 regatta. The number one of the fleet was consequently Nando De Amicis. This demoniac good old man was the winner of the "Augusto Sassi Trophy" at La Spezia on Tirrenian Sea, and of the "Di Lorenzo Trophy" at Lido degli Estensi on Adriatic Sea.

Insatiable Nando was the runner-up of the District Championship, 25th at the Europeans, and, at long last, merely 4th to the Meeting Regatta at Trasimeno Lake. His crews in 8763 "SINDBAD" are his son Alberto and G. A. Soardi a young medical doctor.

The fleet's Secretary with G. Bruno Perin who crewed in 9450 "Tretepe". Our Skipper Salvatore Tremante has much improved and he was third at the Di Lorenzo Trophy and the Augusto Sassi Trophy, 5th at the Italian Championship, 35th at the Europeans and 6th at the Meeting Regatta.

The Fleet Captain, Christoph Luthy and his wife Domi left the Fleet in July and so his father had to work again. Christoph got a fellowship for a postdoctoral year in Palo Alto, California. We hope they will be back in our fleet next year.

The fleet activity began with the district water training in March/April on the lake of Hallwil. Again our National Trainer Albin Molnar was present on one weekend.

This year we only sailed two regatta series on our home water. In Spring, sixteen boats, won by J. P. Monnier followed by Ruedi Fluhmann. In July - we waited for wind on a beautiful summer day.

Some owners and crews have been very active this year. Ruedi Herzog and his sons, Bruno Kunzle and Edgar Merz visited all District events with good places. At the European Championship on lake Neuchatel sailed Ruedi Herzog, Hans Luthy and Bruno Kunzle and Silvio Merz in the Lightning of President Robert Smither, USA as crew.

It is regrettable that of the 34 Lightnings sailing on the two lakes Hallwil and Sempach, most of them are registered in the two Yacht

clubs, have retired from our fleet in the last few years. Because they are not interested in racing. The life and events in their yachting clubs seem to satisfy them. For next year I hope that we can reactivate many of these skippers.

Listening to Stan Kenton's music like "Live and Let Die" and "Body and Soul" is the proper mood music to describe the past year. His varied tempo, the soft piano switching to the bold trumpets, and the wild enthusiasm as the rhythm group and brass swirl in Kenton's style is a perfect analogy to the season at Keuka Lake.

The soft and sweet elements of this year relate to being the recipient club for the Stakeete Trophy, won by a slide presentation prepared by George Kalinich. That presentation was the focal point for our season's start at the Spring dinner meeting. Between the cold wintery blasts of Corning in April were slides of beautiful Keuka Lake, its' grapes, its' pure blue waters, the Bluff and Lightnings with spinnakers set from previous Regattas. Appetites wetted, the fleet was ready to go Memorial Day weekend with seven boats on the starting line. New Allen boats for Schaaf and Leiser, new sails for Korner, Copley, Eckstrom and Patrizio. Winners of races varied with the distribution broad. These seven boats grew to eleven by Independence Day and every race was a mini Regatta. July 4 was greeted with splendid weather and our usual race when the committee boat started firing its' signal gun, (in what must have been a 21 gun salute). I asked my expert crew what does four guns, no five, no six mean? Response was "cover Tylor". Excitement abounded through the season when each experienced those moments of delight with a planing spinnaker run and those moments of terror

when everyone is scrambling to prevent capsize. Most succeed, but Leiser, Copley, and Schaaf each helped build the competence of the Auxiliary Coast Guard.

The major event of our season is the Champagne Regatta. Sponsored by the local wineries offering the best of New York State, 62 Lightnings registered for this event. Two races on Saturday with south winds of 8 to 12 knots were followed by the champagne cocktail party and the dinner dance. Mr. Dunathon reported 44 bottles were emptied in 22 minutes. Needless to say we consumed all available champagne and wine and the delicious hors d'oeuvres prepared. Sunday's race in the Champagne Regatta brought the best of Keuka Lake, a gusty wind of 15-25 knots shifting from northwest to west. Just as the fleet was heading for the starting line, a southwest shift occurred turning the starboard fleet into a line parallel to the start. Instant decisions turned quite a few skippers to port tack and some actually escaped the loss of right-of-way. The Olympic course proved exciting and the best occurred on the final down wind leg with gusty 25 knots wind swirling around. Three people capsized and most had tremendously exciting moments. The winner was Mark Bryant followed by Jeff Penfield and Tom Allen. Our own Fred Schaaf won the "Commodore's Trophy". It appears that the Regatta was a crescendo for the season and now we settle down to the peaceful mode of winter and our wait for next year. The seasons' awards are as follows: Memorial Day Series, Don Tylor; June Series, Tom Kennel; July 4th Series, Kim Leiser; Seasons First, Fred Schaaf; Seasons Second, Kim Leiser; Seasons Third, Tom Kennel; Seasons Fourth, Dick Eckstrom; Labor Day Series, Tom Kennel; and September Series, John Copley.

This season has been an exciting one at Keuka Lake. The group has had an excellent district Regatta and racing on every available weekend from Memorial Day to the end of September. In hands of our new captain, John Copley, we look forward to another great season.

On April 10th and 11th, Fleet 262 began an active season with our annual Tennessean Regatta. Cully Cobb took first, Bob Hochstetler was second and Walter England third. April winds are great, but the water is cold. We sent boats to the Hernando DeSota Regatta in Memphis and to the Governor's Cup Regatta at Kentucky Lake. We sent three boats to the Mississippi Valley Districts at Lake Carlyle, but no one qualified for the North Americans this year. In the fall, Don Sherburne was first at the Octoberfest Regatta on Percy Priest Lake and Cully Cobb took second place in the Atlanta Cup Regatta. In September we had our own John McDougall Open Regatta, which Percy Priest Yacht Club won. Finally in November the Bluenose Regatta attracted 47 Lightnings from 15 states. Bruce Goldsmith was first followed by Jim Dressel, Jay Lutz, Bill Shore and Tom Allen.

On Sundays when there was not a regatta somewhere, we had two afternoon races eight times in the spring and eight times again during the summer with four to ten boats out for each race. The Lightning Fleet remains the most active racing class at the club, although the cruising class has become the largest.

Young Matthew Burridge, who had his best racing season yet, about to accept a trophy for his first place finish in the miscellaneous division, Whale of a Sail Regatta. Nice going Matthew.

Another enjoyable and eventful six month sailing season at Carlyle Lake, Illinois concluded on October 31st with a few hearty skippers competing in the last Club race, sailed in nippy weather. A perennial champion, Augie Paoli, won the Championship Series. This consists of the second race each Sunday from May to October inclusive. John G'Sell won the spring, Augie Paoli won the summer and Stuart Bernstein walked away with the Fall series. Stuart, who had his best sailing season and showed promise of more to come, missed the runner-up spot in the Championship series by ½ a point. Matthew Burridge nosed him out.

The CSA continued its improvements to the physical facilities with the construction of a super observation building situated on high ground with a commanding view of the Lake. The roomy interior provides space for Fleet meetings, banquets and picnicking (on the rare occasion of bad weather), while the wide second floor deck makes for great spectating. With the continued improvements in the landscape and shoreline, and the promise of future stability in the lake water level from the Illinois Corp of Engineers, Carlyle Lake is becoming one of the finest sailing facilities in the midwest. Attesting to this was the success of the recent USYRU Champion of Champions Regatta, held this past October at Carlyle. Yachting Magazine's One of a Kind Regatta is scheduled for May, 1977 at Carlyle, as well.

The Mississippi Valley District Regatta was held at Carlyle in June. Greg Florian of Decatur won, while John G'Sell, Augie Paoli and Matthew Burridge finished in the top 5. Young Matthew, with Ron and Randy Dibler as crew, went on to take a fourth in the Junior North American Lightning Championship and John G'Sell placed ninth in the Governor's Cup. The Burridges and Folwells also represented CSA in the North American Championship at the Sheboygan Yacht Club. Adding to Matt Burridge's accomplishments this season was a first place finish in the Miscellaneous Division of the "Whale of a Sail" Regatta, an annual fall event at CSA.

The Impromptu Regatta, an annual autumn CSA Lightning get together, opened its doors to the Flying Scots in the area this year and was an outstanding success. Downwind starts and winds which allowed the use of spinnakers on all three legs of the course were characteristic of this informal, fun, five race event. Stuart Bernstein was first in the Lightning Division.

Some sad notes: Lal Burridge lost his speedy "Norwegian Steam" in the heavy waves of Lake Michigan during the preliminaries of the North American Championship. All those who have routinely been finishing behind Lal hope his new boat won't go so darn fast. Ed Dibler, our 1976 Fleet Captain, has traded in his Lightning for a cabin boat. While we will all miss Ed out on the course, Ron and Randy, his two sons, will keep the family name associated with Lightnings with their fine crewing.

The members of Fleet 266 hope the winter flies by and look forward to even better day sailing and racing next season.

It may turn out that 1976 was a year of transition for Fleet 267 with the loss through retirement of our oldest and most respected skipper, and as the year closes, the possibility of an increase in our numbers next year.

We were privileged to be able to host the Lake Shore Lightning Squadron regatta this year early in June. It's always good to see a sizeable number of Lightnings sailing on our home waters. Though winds were very light on the first day, on the second day Lake Ontario was at its best for one of the best races of the season. It was good to be able to share the kind of sailing that makes us so enthusiastic about our home waters.

We were pleased to have Tom Tickner, new owner of No. 10736 sail with us for the regatta and a week or so after that. Tom has applied for membership, and we look forward to having him with us regularly next year. Carm Hendrickson has joined the ranks of the retired, and like a good sailor is planning to live in Florida where the season is a bit longer than here in the north. In anticipation of this move, Carm sold Charisma in mid season. Carm has been a key

member of fleet 267 as well as the club for many years, and we will miss him very much. We are hopeful of keeping No. 12014 in the fleet with its new skipper Bill Dalter. Two other skippers have also expressed interest in joining us next year.

We did have some good fleet racing this year in spite of our small numbers and the temptation of a busy regatta schedule in the Central New York District. Fred and Jim Burch found the right combination to get Cookie Monster moving and came home with the Fleet Championship trophy. Allan Waugh found that consistency pays and wound up with runner-up honors.

Last but not least we would like to thank the other fleets in the Central New York District whose regattas did so much to complement our local sailing. They're a great bunch of guys.

*A new foredeck crew for a Swiss boat.*

Our seasons do start always in a very optimistic way. With the traditional training regattas. And each participant returns home full of dynamic hope, prepared to be able to win all regattas from now on. The only problem is, that he is not the only one to think so.

One of the Lightning week-ends on the Lake of Hallwil was so short of wind, that the whole crew of *Light-Sha* sitting in the windward side of the boat "asleep" capsized. Good start, for a season really full of wind. Our good, and for this year strong, friend was seldom missing. Our fleet members participated wherever they could so to be fit at our big and important event the European Championship in Grandson. It was hot and we were waiting for the wind for 8 to 10 hour's a day on the lake, for our friend was coming surely, only we never knew exactly when. But as soon as he arrived, life came into all crews like young horses. But while waiting the Finns offered their sunny attractions. In the evenings we always had many happy together on the mountains, in a castle, in a wine cellar, etc.

In autumn we all met at several regattas on different lakes, with different winds. It was always new and thrilling!

The 1976 season was a successful one and showed an increase in participation over 1975. In addition to three (3) special Regattas held in conjunction with the regular Indianapolis Sailing Club Events on Memorial Day, the first weekend in June, and Labor Day, the Fleet sponsored a Spring and Fall Series. The participation was as follows: Spring Series, 13 races, 133 boats with 10.23 starters on average; Fall Series, 18 races, 228 boats, with 12.67 starters on average; for a total of 31 races, 361 boats and 11.65 starters on average. These results represent an average of one or more boats per race. The Fleet Championship was determined on the basis of a Regatta on Sunday, October 24, and was won by Bob Schubert, last year's Fleet Secretary. The season was sprinkled with several very enjoyable social events and participation by about 20% of our Fleet members in other Regattas sponsored by the Indiana District.

The bicentennial year of '76 was the most active year of Lightning races we have seen for some time. Our perennial fleet champion James Richmond came through per usual; and with the 32 race series we are at a tie and no way to break it. Our hats go off to John and Ron, they were a real matched group. Our regatta was simple this year as it conflicted with another New England group but we had the greatest group of congenial skippers in the Northeast, and it was sailed under the best of weather conditions. Over three new boats have been added this year and we expect to see a fleet of 15 at the starting line in '77.

The Delta Sailing Association located at Hernando, Mississippi on Arkabutla Lake enjoyed an active and enthusiastic Lightning season this year. We had three new skippers added to our group this year. Per Huffeldt from Denmark, Peter Bermal from Holland, and Dave Pittman and his wife Barbara from Dallas.

Our sailing began in mid-March and ran through October with about 100 races sailed. We do not have the best facilities for sailing, but we love it! Our leader for the year is Lee Breazeale; second is Crit Currie; and third is, the Grand Old Man of Fleet 274, Wilson Fly.

We did well at our Mississippi Valley District Regatta, which was held at Carlisle Lake. Four of our skippers placed in the top ten. Kirk Johnson was third; Lee Breazeale was sixth; Joe Kelly, seventh; and Dave Pittman, tenth.

Some additional events sponsored by our fleet include our annual regatta, The Hernando Desoto, which coincides with our local Cotton Carnival. In the Hernando Desoto this year, Lloyd Lovitt placed first and Crit Currie was second. Each July 4th we have an inter-fleet dam race; on Labor Day this year we began a Plumber's Regatta, and each October we have an interfleet Calcutta to promote sailing and to raise funds for the Delta Sailing Association.

Trophy winners this year in the Spring Series were Lee Breazeale, first; Wilson Fly, second; and Brody Sharpe, third. In the Summer Series Bill Baxter and Lee Breazeale tied for first, and Wilson Fly was third. In the Fall Series Crit Currie was first; Lee Breazeale, second; and Kirk Johnson, third.

Although as a fleet 277 has been rather inactive for the past few years, one or two Lightnings can usually be found on the line for the club's Sunday open races held from mid June to the end of August. We hope to get some of our members out of their lawnchairs and back onto the race course next summer and if we can get enough of them sailing again, we may be able to bring some of the older boats off the shoreline and onto the starting line. We have one encouraging sign in that the fleet is planning to host the District Championships next summer. This may be the beginning of a regrowth of Fleet 277 to the point that we will find several Lightnings out ready to race each Sunday and that the fleet is once again a strength in the Central Canadian District.

Summer '76 has been very rewarding for Thunder Bay Lightning sailors as we are starting to enjoy returns from three years of endeavor. 1974 saw an almost defunct fleet relocate in the city, dreaming of better days and determined to bring them back. A new member gave us two regular boats with a third participating on occasion. Together we organized seminars, boat shows, mall displays, anything to promote the Lightning. And we participated in every regatta we could, always winning, both boat for boat and on handicap. We now have fourteen Lightnings in the fleet, prospects of two or three more for next year and still boast the hottest sailors in town.

Our current sailing season really started last November when Larry MacDonald, Stu Anderson and Peter Bone were able to put on a Lightning Seminar for us. That these three did an exceptional job is an understatement. Our sincere thanks for a wonderful boost through the winter months.

In March we organized another, but more general, seminar. Again we displayed a fully rigged Lightning, this time literally carrying it, on its side, through doors and passageways to its destination. Richard Storer and Greg Cockburn from "down East" spoke on tuning, tactics, sail shape, and race management to the enlightenment of all.

Norm Clegg with crew Charlie Spence and Ross Bailey arrived back in time to regale the snowbound locals with the joys of a Southern Circuit holiday. Stories of great times under the Southern Sun made us all envious and a 12th place finish overall had us looking at Norm with a little more care.

As the snow melted, we displayed a Lightning in a local shopping mall as part of a Spring Boat Show. The week long event let many more in on the virtues of a Lightning.

With the lake finally liquid, we took to the water to participate in weekend regattas and Thursday night races. Happily, Lightnings won every open regatta in the area and usually were second and third as well. Any thoughts that we sail sluggish, old clunkers have definitely been dispelled and a new interest in Lightnings is very apparent throughout the area.

The major regatta of the summer was our half of the districts. Norm Clegg and Glen Cuthbertson made the 1,000 mile round trip from Winnipeg for the event. It proved a worthwhile trip for Norm as he walked off with top honors. Ross Bailey came second and Dave Holmstrom third. Excellent weather and courses to match enhanced the racing and our thanks to Peter Ayer and his committee for arranging this. Jo Mikulinski looked after shoreside festivities and many content faces and tummies rewarded her efforts.

Our thanks to the Royal Lake of the Woods Yacht Club who hosted the second half of the districts. Five Temple Reef boats made the trip, which is the most in recent years. Although the air temperature was rather low, the warm hospitality made up for it and we had a great time.

As we bed our Lightnings down for the winter, we look forward to a very exciting season in 1977, as Temple Reef Sailing Club will host the CANADIAN OPEN LIGHTNING CHAMPIONSHIPS. We are working hard to make it a very memorable Canadian Opens and invite everyone to come and enjoy sailing on the clear waters of Thunder Bay, Lake Superior. We promise a good time for all.

Season's honors in Chequesset Lightning Fleet's home races went convincingly to Stafford Frazier. Sailing Barbara Noyes's *Nike II*, Stafford not only won the season series to become Fleet Champion, but finished first in both Saturday and Sunday series, and second in July and August. In addition, he won the Commodore's Trophy on July 4, the Tea Cup Series, and the Frazier Memorial Trophy. Second for the season went to the Oliver boat, skippered variously by Bill, David, and John. They also won in August, were second in the Saturday series, and third in the Sunday series.

Pres and Matteo Moore, with Wendy as crew, were third for the season, first in July, second on Sunday, third on Saturday, and winners of the Coffee Cup. David Jones, breathing down the necks of the trophy winners, finished fourth for the season, and also fourth in the Saturday and Sunday series. Other regular races included the Scherdings, the Ruykhavens, and (in August) the Dickey's. Anne and Tim pulled down a third in the August series, and the others did well on several occasions, but lacked the consistency to finish in the money. As usual in recent years, when Stuart Nickerson stayed home, he cleaned up. And this year he sailed enough races at home in July to allow him to take third place (with several DNS) and during the Labor Day week-end he won the Cutting Cup. The rest of the year he was on the circuit, performing spectacularly (and sometimes erratically). High point of the year was his third place finish in the North Americans at Sheboygan.

The Wellfleet Regatta, although blessed with good winds, had a smaller turnout than in previous years. The later date, 28-29 August, following the North Americans, was the cause of the decline. We hope for a return to our traditional date around August first. This year, the winner was our own Stuart Nickerson, with 3 runaway firsts. John Oliver of the home fleet beat out visitors Bill Wynn and John Swartz for second place.

The number of boats in Fleet 280 remained about the same as last year, but participation in races was slightly down. Next year we are looking forward to an increase, since Bill Webb is actively searching for a new boat to rejoin the Fleet, and Bob Campbell and Haddon Clark are also on the lookout. The Junior Program, under sailing instructors Chris Hale and Joe Burke, was well attended, and we can hope for some graduates to join the ranks of senior racers in years to come.

Another season is complete at Fleet 283. The results are finally in and for most of us they are all too familiar. By most counts, we are a fairly large fleet and we, the great unwashed in the middle of the fleet, did our usual fine job of providing our perennial fleet champion with more boats to beat. However, even though the race results show a large number of firsts for Jamie and Julie, my impression from the middle of the pack is that they had to work a little harder. Again Fleet 283 had its problems with Juanita Bay Fleet 414. It seems that in every Regatta where the two fleets met, Seattle always managed to steal the hardware. However, this dynasty will not prevail forever.

Our year started as usual with the Portland Boat Show. Again we didn't sell anything but interest and enthusiasm in one of the strongest classes in our area. After this, we had our annual Pacific Northwest District Mid-Winter Meeting in Seattle and heard Bill Shore tell us how simple it is to obtain boat speed. Although everyone there seemed to be paying very close attention, the results later in the year seemed to indicate that the application of Bill's ideas was not as simple as it sounded. Our Sunday Series started on April 4 with a beautiful day for the first race of the year. Herm Fischer in *Preparation H* took first place, and John Dees, after recovering from the results of the above picture, finished tenth out of twelve. The eight race series was won by Jamie Nelson, John Benedetti, second; Woody Woodward, third; John Sanford, fourth. First place finishes were had by Herm Fischer, Woody Woodward,

Jamie Nelson, Tom Hawkins, John Benedetti, and Andy Merz. Before this series was over, we started our Tuesday Evening Series. Herm Fischer won this series with two firsts, two seconds and his annual capsizes. Brother Paul Fischer showed what consistency can do by finishing second with three fourths, one third, and one fifth. Actually Paul had more than one fifth but only one was in the race results. Our fleet champion and runner up placed third and fourth respectively in this series. In the second Tuesday Evening Series our fleet champion and runner-up did it in that order and tied up all first and second places in the series doing so. Third was John Sanford our most improved sailor for 1975 and with new sails and a steady crew, even better in 1976. Fourth was taken by 12426. The skipper must have stayed ashore.

Included in our fleet championship is one Regatta at Willamette Sailing Club in Portland. This regatta was won by Jamie Nelson. However, in this Regatta John Hannah, the Nelsons' regular crew, skippered the boat. The Nelson, with John Hannah, seem to be so good it doesn't matter who does what, they still go fast. John Benedetti was second and Van Conklin, who didn't sail too much this year, showed us his usual form and took third. In the Spring there were also out-of-town Regattas. Memorial Day, many of the boats went to Eugene for a weekend of strong wind and endless rain. However, on the sunny side of this weekend, Jamie Nelson carried Fleet 283's banner to a second place finish to Greg Zettler's of Juanita Bay winning of the Regatta. We had our Vancouver Lake Sailing Club Regatta mid-June. Unfortunately most of the hardware was taken by out-of-towners, but Jamie Nelson did take fourth out of this gathering of 28 Lightnings. The next Portland boats to finish were John Benedetti and Van Conklin.

Our Fleet Captain about to swim.

Photo Credit: E. P. Hinde

The Districts were held at the end of June on our Lake. Again the Juanita Bay Fleet from Seattle did it, but Nelson again was our star with a fourth. The next highest finishers from our fleet were Benedetti and Conklin. Also, there were other out-of-town regattas hosted by other Lightning Fleets in this large District. The Portland Fleet was represented in all of these Regattas except one. On July 18 the Lightning Pacific Coasts were held in Klamath Falls, Oregon. Having the largest gathering of Lightnings on the West Coast with 40 boats, this was a fantastic sailing experience.

In August we took a break from racing but had our Annual Family Camping Trip to Yale Lake. The attendance was way down this year as it rained all weekend. Those who went had the usual fine time, managing to stay wet enough inside to not notice the wetness outside. This was followed by a trip to a seaside lake in September. This time the weather was perfect. The Fall series in October was held on the Columbia River, as our lake dries up in July. However, our big news is that the Corps of Engineers is starting to move in the proper direction and pilot dredging of the lake is underway. Maybe someday we will have a beautiful year-round sailing lake. The Fall series was won by Jamie Nelson with the Parshley family finally sailing every race in a series which gave them second. Paul Fischer showed up in third place with Dirty John, fourth. The end of October saw team races being held on the river. Vancouver and Maple Bay, B.C.; Seattle, Wash; and Klamath Falls, Eugene, and Portland, Ore. fleets participated. Seattle won. Even with our local

knowledge of this strange piece of water that keeps going down hill, we still couldn't beat Seattle and had to settle for second. Maybe if the Maple Bay Fleet, which abandoned racing due to an eight hour drive to catch a ferry back to Vancouver Island hadn't left, the results would have been different.

This has to be written prior to our final event of the year, Fleet 283's Christmas Party, where we present our various awards for the year's activities. Preeminent among these awards is the Broken Rudder Award. This is awarded for the year's most dubious achievement. The recipient this year is our Fleet Captain. The above photograph of John's clowning for the camera and the resultant splash explains all.

The 1976 sailing season for Odd Winds Fleet 296 got underway February 7 with a business meeting at "Dean's Marina", which was followed by a dinner social May 26. One of the highlights of the year was a seminar by Bruce Goldsmith which was sponsored by the Perry Yacht Club.

Although the number of competitors was small, the racing competition was keen, with Doug Edwards sailing into first place in the final standings, followed by Joe Dixon as runner-up. A breakdown of the series and the winners are as follows: Spring Series, Skouse, first; Edwards, second; Dixon, third. Summer series, Edwards, first; Dixon, second; Skouse third; Nichol, fourth. Fall series, Arnold, first; Dixon, second. The Last Mark series, Edwards, first; Dixon, second. Overall final standings are Edwards, first and Dixon second.

Fleet 301 had a super year and put it all together in 1976 under our Fleet Captain John Hughes. As New England had a proud heritage to celebrate in '76, we too had our own cause for celebration. Our Fleet grew from 15 boats to 25 boats including 5 that were brand new. Many of our members raced our schedules and also participated in many of the District races. In fact, 15 boats from our Fleet participated in the New England District Championship Races that we hosted with our own Don Brush (with wife Ann and Kurt Kling crewing) winning. Don also sailed the *Wild Goose* in Sheboygan at the North Americans. Little wonder that with these accomplishments and his promotion of Lightning sailing and Fleet 301 that Don won the Ralph W. Emerson Award for contributing the most to Fleet 301 during the year.

Our Fleet Champion was Bill Dunnington (again ?) with Runner-Up honors going to a great sailor — Dave Little — watch out for this guy, especially if he has a mast! Dave won the A Series races with Dunnington second and Brush third. In the B Series, Dunnington won with Brush second and Little third.

Roger Walker with the assistance of his wife Pam joined our "turtle club" this year and came back for more. Roger did well all year and won our Most Improved Award — great work!

The Chiott Regatta was again won by a Lightning, with the overall results showing that Bill Dunnington was first, followed by Little, Brush and Young — all in Lightnings.

Watch out for Fleet 301 in '77! We are going to add many more boats and win races!

We owe the existence of this fleet to Erich Schraner and Fred Zobrist. Without their endeavours we would hardly have a list of the Lightning owners today. My becoming captain of this fleet was based on my conviction that the Lightning is the ideal boat for the Greifensee.

Our goal was modest: fleet championship, participation of at least two boats at district races, a meeting for information and presentation and test runs of the new fiberglass Lightning of Siegfried Meier's shipyard.

These activities gave us the opportunity to analyze the Lightning fleet of the Greifensee with the following results; out of seventeen owners of a Lightning only seven took part in one of these meetings,

the interest for races on the Greifensee is rather limited and no boat has the necessary equipment to suggest participation at district races.

All in all we are a Lightning Fleet preferring family sailing on the beautiful Greifensee which has no motor-boats. Nevertheless, the owners keep their friendship for the boat and the Lightning Fleet and still show their interest in the Lightning, looking forward to the younger generation taking care of this class.

The conditions for the younger generations preferring the Lightning are favorable for the following reasons; starting Spring, 1977 the beautiful fiberglass Lightning of Siegfried Meier is available, the three sailing clubs of the Greifensee are ready and interested in promoting our boat, three races offer the possibility to participate in the Lightning and quite a few fathers having Lightnings are waiting for their youngsters to get interested in our class and sailing in general.

To sum up, it can be said that our endeavours were worthwhile and the Lightning is being taken into consideration as an interesting alternative. For 1977 an active core should be established of members having their own fiberglass boat showing its advantages as a family boat and for racing offering much room and security.

Kemi fleet arranged some tactics lessons during the spring and two new Lightning boats were finished. Jari Perkkio started the season with a new fiberglass boat *Viri II* while Kari Jestila and Hannu Kemppainen named their plywood boat *Veera*. The old champion *Marina* changed owners but is still sailing at Kemi with new skipper Pertti Kropsu. Only two boats *Viri II* and *Marina* sailed in Spring Regatta hosted by KPS. At the same time *Wilma* (Heikki Ulen) and *Tanja* (Jouko Lehtinen) participated at the Finland District Championships in Tampere.

The top three boats sailing in fleet championships were: *Wilma* (Heikki Ulen, Erkki and Petteri Haggstrom) who took the gold medal; runner-up was *Viri II* (Jari Perkkio) and third *Turso* (Taimo Vuori).

The most important event in the northern part of Finland was Arctic Yacht Race at Iso-Vietonen. Three boats from Kemi fleet travelled to the worlds northern most regatta. *Wilma* was the champion in the midnightsun.

*Rio-Rita II* from Oulu took first place in Kemi Regatta. Other finishes were *Wilma*, *Tanja*, *Maria*, *Viri II*, *Turso* and *Veera*.

In June, *Wilma* won the long-distance race and also took the night race in August. Petteri Haggstrom sailing *Wilma* in the race around the Selkasaari taking first place. Other participants were *Viri II*, *Irene II* (Juhani Hedberg) *Turso* and *Veera*. *Tanja*, which was the best boat in the weekly training races, lost the game at the beginning.

In the autumn regatta on August 29th *Veera* won the race; *Wilma* second; *Viri II*, third and *Turso* (V. Vuori), fourth.

The number of boats and members in fleet is growing with quite a few boats in regattas. Two new boats are coming next season and we hope that this will give new power to the Kemi fleet. At the same time we are near to achieving our old aim; twenty boats in the fleet. During the winter will be arranged events and lessons about sailing and we hope that the coming season will be very active in Kemi fleet.

After fifteen years of watching the juniors sail in good air on Saturday mornings, and then sailing in whatever was left over in the afternoon, we decided to turn the tables. Fortunately, the predictions of the pessimists among us did not come true. In fact, both groups were pretty fortunate in that the wind was fair for all hands.

Whether it was the change in routine, or the lure of silver in neighboring regattas, our ranks were sorely depleted throughout the summer, as we averaged only twelve boats per race. Surely it was the loot that did it, for our "traveling road show" of Mast, McShane, Hopkins, and company really did a job on the opposition in each of those regattas. They did drop in often enough to show us how it was done, however, adding a lot of our pewter to their silver.

Our fleet champ, Jim Ganley, stayed home and did a job on the rest of us. He won the Walbert Cup on the way to a third-place finish in the Early Series, then won the Skipper's Cup on the way to winning the Late Series. Dr. Jim then held off the rest of the fleet, as one of the scratch boats, in winning the handicapped Taylor Cup race, and finished off the season with a third-place finish in the Fall Bay Race.

Bill McShane, our drop-in runner-up, was tough all summer. After finishing second in the Early Series, he won the Summer Bay Race. Second place in the Late Series was followed by a second in the Fall Bay Race. Not bad for a guy who has difficulty telling the crew from the babysitter!

Our lovable Bald Bullet, sailing his boat of the same name, finished a close runner-up to McShane. He won the Buss Neff Cup in the process of winning the Early Series, then finished second in the Summer Series, then finished second in the Summer Bay Race. He tapered off to a third place in the Late Series, his physical and mental resources seriously depleted, no doubt, by extensive participation in outside competition.

Between these three boats, they racked up 14 firsts and 10 seconds out of 18 races — not bad! Otherwise two other skippers cleaned up the rest of the season: Kirk Williams specialized in Bay Races with a third in the Summer and a first in the Fall; while Jim Hopkins tuned up for medical school by winning the Commodore's Trophy and the Matlack Regatta Trophy.

The Stardust Trophy, for finishing closest to the middle of the fleet while competing in at least 80% of the races, was won by hard-working Chas Witomski. Crew Claire must have had some premonition of this early in the season, for she obliged with a (wo)man — overboard exercise in one race which was enough to win her the Butt Award — singlehandedly. Oh well, that's what safety boats are for, isn't it?

The juniors, even with the advantage of good afternoon air, had a somewhat subdued season, with the "B" fleet getting most of the action. Sally Edson won the Junior Matlack Trophy, while Dave Horne was the Taylor Trophy winner for overall performance.

The RBSA Lightning Fleet enjoyed an extremely active and successful sailing season in 1976. This year our fleet hosted the Delaware Governor's Cup, the District Championships and the Annual Fall Regatta. Our season traditionally gets under way the first weekend in May with the Azalea Festival Regatta in Norfolk, Va. Fred Mertes came home with second place silver this year. The spring series began the following weekend with sunny skies and favorable winds. Turn-out for the series, usually eight or nine boats, was extremely pleasing. Final scores put Jeff Hastings in first place, followed by Fred Mertes and Dave Racine.

The Delaware Governor's Cup, held the third weekend in June, was once again a success, drawing several new faces from out of town. Regatta winners were Don Delorme in first, followed by Joe Friebele and Bill Buckley, all from Severn. John Schneider of Red Bank was fourth with local sailor Fred Mertes in fifth. In July, RBSA hosted the District Championships. This regatta was very successful with 37 boats competing. If memory serves us correctly, the top five finishers were: Don Delorme, Joe Friebele, Bill Buckley, Steve Harper and Jim Crane. Once again, Severn dominated the competition.

The summer series proved to be as competitive as the spring series with Dave Racine taking first, Jeff Hastings second and Fred Mertes third. Last year's newcomer, Bob Currie was the most improved sailor and winner of the green (novice) fleet. It's rumored that Bob will be leaving us for the West Coast next year; if so, we wish him luck and good sailing.

The final event of the year was the Annual Fall Regatta, which proved to be the most successful Fall Regatta yet. The weather was perfect and turn-out was outstanding. Al Mast of Sassafas River took top honors with Don Delorme in second and Mike Arnold of Washington in third.

Fleet 325 hopes to see everyone next year for both the Governor's Cup in June and the Fall Regatta in September. In the meantime, Happy Sailing!

Six months and two days ago, our Fleet set forth on these waters dedicated to the proposition that most Lightnings are created equal. Now we are engaged in a great tacking duel, testing whether that boat or any boat, so conceived and so dedicated can long endure. We are met on Grand Traverse Bay. We have come to dedicate a portion of that Bay as a final resting place for those who here capsized; Tobin, Dykstra, Brown, May, Fisher dismasted. It is altogether fitting and proper we should do this. The Lightning world will little note nor long remember what we did last summer, but those who participated will not forget the 1976 Districts.

The Babel boys were fleet champs, taking turns driving, and Ken "ol man" Lindsay was second. Now, sport fans, the battle for third became increasingly interesting. One point finally separated Sandy Blumenfeld and Pat Tobin. The last race of the 22 event season decided that the truck driver should triumph over the good ships doctor. Sandy was heard saying after the last race, "A chicken in every pot, and some Pig Meat Pie on every table."

What we're really trying to tell you folks is that Babel was fleet champion again and also runner-up in the 1976 districts. Final standings of an active 15 boat fleet are: Top five - Babel, Lindsay, Blumenfeld, Tobin, and Mitchell.

Fleet 329 wound up another year of vigorous, competitive sailing with its annual meeting in November. The officers of the previous year were reinstated for 1977, with the notable addition of Wanda Delorme as secretary. The Most Improved Skipper Award was presented to Chris Kuhn, who has put a tremendous effort into his

sailing since he began "from scratch" two years ago. Chris is one of the most zealous sailors in the fleet. We were also glad to welcome new members Todd Cameron, Jim Crane, Milt Kabler, and James Bielfeld. Jim Crane has moved to Annapolis to manage the North Sail Loft; he certainly does out-sail some of us with those North Sails on his Lightning! The fleet regrets losing George Shapiro and Malcolm Sutherland as racing members, but fortunately they remain active in our group.

The year was full of good sailing and tough competition for us on the Chesapeake Bay and elsewhere. It began when some hearty souls went frostbiting, occasionally turning Lightnings into icebreakers! It was fun and informal, and it kept steering and sail adjusting skills from getting rusty over the winter. Then Don Delorme went south to win the Deep South Regatta in Savannah. Joe Friebele took the first place trophy in the Azalea Festival Regatta in Norfolk, staying upright for the first time in two years.

Spring winds on the bay provided good sailing for the No Gas Regatta, which attracted many out-of-towners. (The out-of-towners like Jack Elfman, incidentally, sailed away on the horizon.) Delorme continued successfully through the season, placing first in the Delaware Governor's Cup at Rehoboth, and in the Annual and Fall Regattas at home. The sailing skills of Delorme and Bill Buckley were challenged by Severn's best sailors in the Men's Championship, sailed this year in Lightnings. Buckley proved superior and went on to represent Severn in Chesapeake Bay competition.

The Dixie District Championship held at Rehoboth, was one tough regatta with the added competition of Jim Crane. However, Fleet 329 claimed the top five places: Don Delorme, Bill Buckley, Joe Friebele, Steve Harper, and Jim Crane. Delorme, Friebele, and Crane then went to the N.A.'s at Sheboygan, Wisc. Delorme and Crane sailed in the Blue Fleet, qualifying to sail in the Worlds next year. Friebele took third place in the Governor's Cup after weathering a broken mast in the qualifiers.

For an N.A.'s warm-up, we hosted the Atlantic Coast Championships, a popular and competitive regatta won this year by Jim Carson. The season was wrapped up with the Frigid Digit, a particularly tough regatta in which the top 15 boats of 40 were Blue Fleeters. Jim Crane took a fifth place, but all other trophies went to visiting heavies.

We've had a good time, we've done some hard racing, and we've learned (we hope) from our mistakes on the race course. If you like good sailing and fun regattas, we hope that you'll join us on the Chesapeake in 1977.

Fleet 329 Champion Dr. Don Delorme leads Steve Harper, Joe Friebele and Bill Buckley through the Chesapeake chop.

1976 was a year of upsets in more ways than one. The season started on the Fourth of July with nine boats ready for their first action and our fleet champion, Bob Wherland, with his new yellow *Stinger* came in first with runner-up Dave Closson and a new member, Rev. Parkman Howe from the old Winnepesaukee Fleet 246, coming in third. Our second race, July 11th, was rained out so July 18th had ten boats with eager crews ready for two back-to-back races. The first upset occurred when our Fleet Captain Bob Ayotte and new crew experienced the agony of defeat when they flipped over while in third place. This was Bob and crew's first capsizing and their effort to bail out in time for the second race was not realized. The first place honors were shared between Allan Whatley and Rev. Howe. July 25th had Allan Whatley showing us the way with Wherland and Howe close behind.

Aug. 1st was rained out and on Aug. 7 & 8 we held the New Hampshire-Vermont Lightning Championship Regatta. The first race saw 29 boats ready to challenge the swirling, gusty wind, white caps and heavy traffic to find Don Brush, Jr. ahead by a leg and Jack Burwell in second place. Bob Kenney's capsizing ended his day and a few other skippers decided to sit the second race out. Again, Don Brush and Jack Burwell gave us the slip while our fleet members fought the traffic and weather. The third race saw our Dave Closson slip away while everyone was going that-a-way to lead by half a leg only to have Don Brush and Jack Burwell overtake and give him a third place. The regatta results were: first, Don Brush, Jr.; Jack Burwell; Bud Hamblet; and Jim Russell. Our Rev. Howe came in 14th, Bob Ayotte, 16th; and Dave Closson, 18th for a fun weekend.

The remaining six races began to show signs of more upsets with Rev. Howe taking three firsts and three seconds to become our fleet champion and Allan Whatley's last race victory to edge out Bob Wherland and Dave Closson for runner-up. Bob Wherland was third; followed by Dave Closson; Bob Ayotte; Jack Russell; Bert Flint; John Bennett; Bob Custance; Don Todd and Bob Kenney. Bob Ayotte received the Most Improved trophy for his best finishes including his first in an exciting overtaking maneuver and photo finish victory over Rev. Howe.

Rev. Howe also won the "Pop" Closson Trophy which is given for the last three races of each season. This was the first time in eleven years that the first place hardware wasn't taken by Closson or Wherland and you can believe they will be eager for next season to get it back. It should be another exciting year because Whatley; Ayotte; Russell with his new boat debugged and coming on strong; Flint with his new *Bluebeard* and his skill at capsizing and racing again within 15 minutes; Bennett; Custance, our new fleet captain; Todd and Kenney are also looking for the heavy hardware.

Special thanks to Ellen Bennett, our Secretary; Dick Flint, our Committee Boat; Regatta helpers as well as Bea and Bert Flint for hosting the annual party and trophy presentations at their home. It has been a super season and next season should prove to be very interesting.

Eighteen races were run this year at Galway Lake with the Lightning Opening Day Series race won by Dick McGuire. First place for the season's races was won by Dale Brown/Walt Nial boat, with Ken Buhrmaster coming in second followed by Jim Dixon in third place.

The Galway Lake sailors were not to be outdone by the Tall Ships Parade. Nearly a hundred boats participated in our own "Parade of the Short Ships". Lightning sailors took prizes for "Most Patriotic", Norman Hanson boat; "Best Decorated," Bob Denham boat; "Best Costumed", Dick Millard boat, and "Most on a Boat", Dick McGuire boat. The "Best Fleet" award was won by the Lightning Fleet.

A committee is busy this winter re-writing the fleet rules and regulations and bringing them up to date. Members working on this are Dale Brown, chairman; with Jim Buhrmaster, Bob Denham, Jim Millard, and Jim Dixon.

The fleet now claims to have the most active number of large boats on the lake. Our newest members, Jeffrey Asher, Fred Lyngard and Hugh Crisp bring the membership up to 15 boats. We're looking forward to another good season with a longer starting line to accommodate all of us.

Year after year the Pentwater Lightning Fleet has a surprise or two and always an abundant supply of exciting racing. 1976 was no exception. When was the last time you used adhesive tape to hold up your jib?

The season opened in mid-June with the Pentwater Invitational Regatta which attracted boats from Tawas Bay to Detroit. Unfortunately, it had to be scheduled before the club was in full gear and, thus, was sailed without most of the home fleet, but did provide a colorful sight from the beach and the lake. Garry Demarest won comfortably winning three of the four races over good competition. The fleet racing began the following weekend and continued through the end of August. All were blessed with exceptionally good weather during the summer with very few overpowering days—allowing all races to be sailed as scheduled. The racing moved to Sundays only this season, racing two back-to-back, allowing more efficient use of the club's facilities with the expanding sailing program.

A former fleet champion boat *Frantic* with a new crew of Alan Graettinger and Arnie and Jenne Samuel swept honors by winning the June, July, August, and Club Championship Series. Placing second in the June Series was the Lambrix boat which consistently places at or near the top of the fleet. George Roth and Tim Northrup tied for third place. Tim Northrup quickly moved up to second place in the July Series. The Lambrix crew was third while Chris Cowles placed fourth in the series. Jeff Lambrix and Alan Graettinger, two long time Pentwater sailors, and their crews dueled closely on the race course all summer. In the last race of the August Series *Frantic's* Tim Miller was on board to inspire a last second victory near the finish line to capture the series. George Roth placed third and Tim Northrup was fourth.

Following *Frantic* in the championship series (all races) were: Jeff Lambrix, second; Tim Northrup, third; George Roth, fourth; and Chris Cowles, fifth. Other boats providing good competition throughout the season were skippered by Sue Scott, Ramey Galt, Doug Basler, Dave Anderson, Mary Ann Bates, and Bob Schoonbeck. Walt Hallenbeck, after twenty years of enthusiastic racing, retired from the fleet last year, but at least Jim March will be returning the boat to the campaign next summer. Connie Dumas is organizing a new Sail Week '77 which will give everybody some extra fun sailing and a few surprises. 1977 promises to be another great summer!

As it always does "when you're having fun", Lake Geneva Sailing Club's season slipped by all too quickly. Aided by an almost rainless summer, scheduled races were run off with few postponements and make-ups. And so, as it is with most northern sailors, it was too soon time to pack things away against the long winter.

Gene Matthews retained the fleet championship, winning the first Sunday series and its Jean Bergman Memorial trophy. Bob Novak took the second series followed by Matthews, but Bob had failed to qualify for the first and, hence, the overall championship.

Buck Boyington took second and third series places, respectively, and finished runner-up to the champ. Third place for the season went to Jim Truelsen, followed by Bill Connor and Henry Kelley, fourth and fifth.

The Club's traditional special trophies again provided some one-shot opportunities to pick up silver. The Sherwood Memorial event went to Steve Novy, followed by Matthews and by young Jay Matteson. Boyington won the Illinois Trophy race with Novak, second and Novy, third. In the Gage Marine contest it was Matthews, Boyington and Kelley. The Chase Hess Cup went to Matty Matthews, with Steve Sickler and Connor second and third. And, in the Cobb Memorial contest it was Novak, Boyington and Gene Matthews.

As usual, highlight of the year was another successful Oxie Memorial Regatta. The small host club was thrilled to find 38 boatloads of new and old friends on the line for a full set of five races sailed in adequate to brisk air. Greg Florian, of Lake Decatur, was the winner. Dick Hinze and Jeff Baker, both of Chicago Corinthian YC, were second and third, followed by Tryg Jacobson and Rick Larson, both of Sheboygan, to round out the five trophy winners. Bob Novak's ninth place topped the locals.

Connor, Novak, Novy, Matteson and Matthews were, to varying degrees, regatta travelers. Novak sailed in the wild Midwest District's at Sheboygan, losing everything except mast, hull and composure in the process. Matthews and Matteson were somewhat luckier at Lake Davenport's Polar Bear meeting where Jay took third and Gene second, despite being twice mired in Mississippi mud.

The Club doubled the number of races for its "cruising class" ... from one last year to two this season. Designed mainly to keep the Lightning retreats from becoming completely sedentary, these long races were run on the Fourth of July and on Labor Day. Jim Flourney won both in his Seafarer 22.

Bob Novak has been elected to lead the fleet and Club next year, while Sue Connor will serve as secretary-treasurer.

A sad note ended the season at Lake Geneva. Life-member Sophia Hess, wife of the Club's well loved starter, was seriously stricken and at this writing remains hospitalized. The thoughts and prayers of all are with Sophia and Chase.

It was a very busy year for Lightning Fleet 348. We had a spring and a fall series of fleet races. We (some of us) attended ten away Lightning Invitational Regattas, we provided Lightnings for our teenage Juniors to compete in Lake Lanier Sailing Club's July Race Week, we provided Lightnings for the area Sears semi-final competition, we competed against other class boats in four major LLSC Regattas, we initiated a Junior Lightning fleet race series and had a very successful Lightning Atlanta Cup Regatta.

The first fleet races were on March 20 and the last races were scheduled for November 21. We actually concluded the season on November 20 since on the next day the winds on Lake Lanier were clocked at 30 mph.

Our fleet champion was Gordon Ettie and he was easy to beat only when he turned over. One race he was so inconsiderate as to capsize only after he had crossed the finish line. Of the twenty-one total races sailed in the spring and fall fleet series, Gordon came in first in 11 races. The Etties moved from Atlanta to the Chicago area in November and we feel it only fair to warn Chicago Lightning sailors that Gordon Ettie will give them some stiff competition. Second place runner-up for the season was Ken Wallace by the narrowest of margins over Newt Howard. The way Newt and his son James were sailing in the fall series, if there had been just one more race day, they might have taken second place for the season.

In the spring series, Gordon Kellogg, our original standard of excellence, won the second place trophy with Dick Scott taking third. In the fall series Newt Howard took second and Ken Wallace won the third place trophy.

Our Atlanta Cup Regatta in October was, as usual, the highlight of our season. Although we only had 39 boats, we had a great time sailing against the best in the Southeast. Tom Waters of Orangeburg, South Carolina, won the regatta and a leg on the Atlanta Cup trophy; Cully Cobb of Nashville, Tennessee celebrated his birthday by taking second place; third place was won by that 'Ol Man from Savannah', John McIntosh. He's always high up in the silver in the Southeast. Fourth place went to Wilburn Brewer of Columbia, S.C., his first trophy in the Atlanta Cup Regatta. Finally, the Lake Lanier Sailing Club did make it into the ranks of trophy winners, Newt's son James (more familiarly known to his friends as Sputter) took fifth place. Newt was proud to remind us that with this fifth place finish, Sputter had won silver in the last three Lightning regattas he had sailed in. Nice going Sputter.

We had a great party the Saturday night of the Atlanta Cup with a Bluegrass Band providing lively music for dancing by everyone from young teenagers to old grandparent types. Everyone was having such a good time that even the band had to be reminded that they were playing a half hour past the time they had contracted for. Fleet 348 felt complemented when the S.E. District sailors requested that we move our Atlanta Cup Regatta to a later date so that, with the addition of more District regattas, we would still have the last one of the season. "It's the best place to wind up the Southeastern District Circuit." Thanks friends. Next year we would like to have more of you Yankee sailors with us. Ya'll come!

In June, 1976 the fleet 355 hosted the "Trofeo Di Lorenzo" organized by the Lega Navale di Ferrara.

The final results were: 8763 "SINDBAD" N. De Amicis, P. L. Nobili, A. De Amicis of fleet 249, first; "Leccia" L. Leuci, Astegiano, Giudice of fleet 235, second; 9450 "Tretepe" S. Tremante, L. Tezza, G. Bruno Perin, of fleet 249, third; 10375 "Teucra 3<sup>o</sup>" Brighenti, Audi, Bandilli of fleet 355, fourth; 12494 "Horizon 3<sup>o</sup>" Nobili, Viviani, Armeni of fleet 355, fifth.

Horizon 3<sup>o</sup> took part to the Italian Championship. Unfortunately he desmasted in the 3rd race and the final result was a honourable 6th place.

We hope to increase the activity for 1977.

Competition ran high at the Red Dragon this past season. It seemed that on any given day, any one of our seven top skippers could win a race decisively. We are starting to develop a very talented group of skippers and excellent working crews. Several top sailors have recently joined our fleet, and we will field an even livelier group in 1977.

Our Spring Series, Summer Series and Fleet Championship were all won by Bucky Kloss with daughter, Kris and son Bucky, Jr.,

manning the crew positions. The new boat and lots of new sails seemed to pay off. Second place went to George Betz, whose wife Doris responded well to all of George's commands. Franz Schneider, with experienced crew wife Sheila and daughter Kathy, were always tough and finished third a mere ¼ point out of second.

Fleet 357 always holds its annual regatta in the fall, when the weather seems to do tricky things. This year was no exception. Bill Clausen was leading the first race with Djoerd Hoekstra holding down second position. We were on a tight reach going for the leeward mark when suddenly the wind really came up, resulting in a capsiz for Bill Clausen and an accident on Hoekstra's boat. This left the way clear for Bucky Kloss to move in and take first place in the first race, followed by Gregg Funari and Mark Schneider. Bill Clausen; however, seems to own this regatta and was flawless the next two races to finish first overall with Gregg Funari taking second and Bucky Kloss third.

Fleet 357 was represented in the Central Atlantic Districts by five of our members. As a result of our showing, special emphasis will be put on grooming our best boats, skippers and crews to be near the line when the gun sounds in future championship races. All in all, 1976 was a good year for us, and we all look forward impatiently to the 1977 season.

Was 1976 successful for our fleet? This was the question I asked myself when composing this report. Unfortunately, I cannot answer this question only by Yes. On the positive side we can report among others the following points: Events organized by our fleet for the Sailing Club of Morten - Fancywork in wintertime, evening trainings in Avenches, ladies-regatta; Participation of minimum six boats in each of the five races organized by the club; District-regatta as well as those on other lakes were well represented by our fleet. Often, we had more participating boats than the organizing club.; Also, the two outstanding regatta successes ought to be mentioned by this occasion - we ranked first in the European and Swiss Championship and ranked first in the District Championship.

And now to the negative side: In all these "feats and performances" the same five to eight boats were concerned. All the other boats of our fleet could, unfortunately, not be inspired to participate at one of our various events.

I would like to express my gratitude to all those who contributed so much to the performance of our fleet. At the same time I would like to ask them to try to stimulate the more passive members.

### CATAWBA FLEET (365) Southeastern District Sailing on Lake Wylie at Charlotte, N.C.

Catawba fleet 365 began 1976 with a renewal of its Fleet Charter and a rebuilding program. Two boats were added to the fleet making the outlook for the 1976 racing season the best in several years. The first half of the season was won by George McQuilkin (11242) sailing with oval spars and new sails. The fourth of July series found George McQuilkin first in relatively calm air with Ric Newton second.

As the second half of the season began Newton's 10691 found itself demasted and shortly sported ovals and new sails. The Labor Day series, sailed in variable winds, was won by Newton with McQuilkin a close second with 3,2,1,1,2 and 1,1,5,2,1 respectively. As the season closes it will go "down the wire" with McQuilkin and Newton in a virtual tie for first place.

The closing of the season also found the addition of Gary Angermeier and his 10396 bringing the fleet total to eight boats. It is noteworthy that of the last three new members of the Catawba Yacht Club all have been Lightning skippers.

We look forward to the 1977 season with many of the skippers looking into the addition of new sails and other go-fast items.

Activities in Fleet 368 have been minimal this year, partially due to a couple of recent changes in boat ownership and also a number of boat owners who were out of town for part of the season. However, in out of town travel, Neil MacGibbon again led the way by attending several of the District races. Also, in the accompaniment of Ted Turton and Doug Black, Neil attended the Canadian Lightning Nationals in Hamilton, Ontario. While in Hamilton, the organizers of this event and particularly David Sprague, proved to be great hosts to our little contingent.

Looking ahead to next year it is expected that we will have at least six competing boats and will then be able to organize more Fleet activities.

Fleet 372 may be small (six active racing boats) but we're dedicated. This year we trailed our boats to regattas from Oregon to the Mexican border, running up over 3000 miles in the process. During our local racing season we sailed in many conditions and different places, from San Francisco Bay to the Pacific Ocean to inland lakes. To support these regattas and improve the level of our competition we sail with other Lightning fleets whenever possible.

The first of these inter-fleet regattas each year is the California Circuit held during Easter week in Los Angeles and San Diego. Although the 1976 regatta was shortened by a tropical storm coming up from Mexico, we all had a great time with Jack McCarthy, Stan Starkey, Bill Hole, and Mark Patty placing third, fourth, fifth and sixth, and Wayne Fitch ninth. The highlight of the year was the trip to Klamath Falls, Oregon, at the end of July, for the Pacific Coast Championships. There were 42 boats on the line - more Lightnings than some of us have ever seen! This time Jack placed ninth and Wayne 10th, and Stan, with wife Gail and son Mike crewing, placed 11th, to take home the Harter Perpetual trophy for the highest finishing family crew. Our last big traveling regatta was in early September when we all went south to Lake Cachuma (near Santa Barbara) for the Billie Boswell Memorial Regatta. This time Linda (Kate) McCarthy took the tiller of "Thunder Chicken" with Jack crewing. This combination proved even more formidable with Kate tying with Bill Hole for second place behind 1974 Governor's Cup winner Warren Gross. Stan and Wayne placed fifth and sixth.

Mark and Ann Patty moved back to Southern California in the middle of the season after being in Fleet 372 for over two years. We're sorry to lose an active boat and such fun sailors, but at least we get to see them at various regattas during the year. We are honored to have

Christoph and Dominique Lüthy as honorary fleet members for the coming year. They are in San Francisco for a year from Fleet 250 in Switzerland where Christoph was fleet captain, fleet champion and runner-up in the 1975 European Championships. Unfortunately their Lightning stayed in Switzerland.

Fleet Champion for the year is Jack McCarthy. He and Kate have been trying for ten years (often coming close) but with that new oval, were finally able to capture the trophy. Congratulations to them and crew Bruce Brown! Wayne Fitch won the Mark Patty Perpetual Turtle Trophy for 1976 with three capsizes, tying Mark's record in 1975.

Next year we look forward to hosting the Pacific Coast Championships and hope Lightning sailors from all over will come to San Francisco to sail with us. We will continue to look for additional active boats and look forward to a season of good sailing and good times in 1977.

The Labor Day weekend Regatta completed the 1976 seasons sailing activities for Fleet #374 on Douglas Lake.

Three firsts assured Dave Peters the trophy. Although fleet captain Jack Young and Bud Osgood were tied in points, the runner-up trophy was granted Osgood due to the better position in two of the three races.

Howard Eddy earned "Fleet Champion" during the 13 race season with Earl Peters as runner-up, followed by Osgood, Olsaver and Young.

The trophy for the most improved record was given Rick Crane.

The Fleet 375 - Brasilia, has had a very enthusiastic and active period.

We started in April with a three race Contest commemorating the city day. It was easily won by *Hobby* with Ralph, Villela and Okamoto.

The fleet is getting better day by day and the boat owners are getting new accessories, sails and even changing boats.

This has made our races more competitive, giving chances to everybody to try to obtain first place.

Thanks to a very ambitious calendar, because of which we never passed a weekend without races, we reached a better technic level and the boats became better too.

In September, when the fleet Championship started, we could already feel proud to have very sharp and trained crews, after 23 races in all types of weather and wind.

The first race of the Fleet Championship was won by *Cartola* which was in first place since the beginning and runner-up was *Sunday* with Joao, Mario and Carlos. In the second race, *Cartola* won again after a long struggle with *Blitz* which kept first place until the last windward leg. Joao guided *Sunday* to third place. The third race, again *Cartola* finishes in first place, far away from the second, *Sunday*, in the counting of the points. Fourth race, after being in first place during all the race *Cartola* loses to *Sunday* on the finish line. Fifth race, sensational reaction of *Hobby II* with Fernandes, Francisco and Walcles obtaining first place, arriving before *Cartola* and *Sunday*. Sixth race, this would be the final and decisive race, because of this there was a great deal of tension. With a wind of 18 mph Ralph drives *Cartola* to victory, conquering the title of "Champion of the Fleet". *Sunday* comes before *Hobby II* which arrives in third.

Final standings up to fifth place are *Cartola*, Ralph de Vasconcellos Rosa with Dinamary de Vasconcellos Rosa and Heide Kehl, 6 points, first place; *Sunday* Joao Novais with Carlos Araujo and Mario, 9 points, second place; *Blitz* Carl Kehl with Okamoto and Ricardo Kehl, 15 points, third place; *Hobby II* Fernandes Vieira with Francisco and Walcles Osorio, 19 points, 4th place; *Shalom* Luiz Krish with Antonio Assenco and Rodolpho Assenco, 22 points, 5th place.

Fleet #387 started their year with the annual "Tune-up" regatta on May 1 and 2. Hearty sailors arrived on a sunny-windy Saturday to catch up on news and begin a two-day regatta. With a cold and rainy Sunday, we were happy to offer a large building, recently purchased by the Lansing Sailing Club, to warm up and to present trophies. The first place went to Bill McKinley, Gary Cameron, second; John Corbett, third; and Garry Demarest, fourth.

Monthly meetings are held by our fleet from October through May, meeting in member's homes with discussions on tactics and any other sailing subject matter of interest to members. This year we welcomed three new members into our fleet.

Fleet activity increased during 1976 with more boats participating in races than during the previous two years. The racing year for Fleet 391 was highlighted by our fleet hosting the Southeastern District Championship. Bill Sloger is our fleet champion. In addition to his sailing prowess, Bill made a significant contribution to sailing at Western Carolina Sailing Club this year by conducting two very successful training programs. Both programs were very well attended, but the one for lady sailors was especially noteworthy.

Kip Smith, our runner-up, sailed his first year as a Lightning skipper. Kip sailed past more experienced Lightning sailors for the whole season, so we cannot attribute his success to beginner's luck. Our annual Jib 'n' Tonic Regatta was plagued by light, or no, winds. We managed to squeeze in only two races. The winner was Tom Waters of the Columbia Sailing Club.

The 1976 sailing season was one of the best in recent years for Fleet 393. The weather was nearly perfect with moderate, steady breezes, and free of the fog that had plagued the lakeshore so often in the past. An organizational meeting was held in May, and it was decided to continue racing in three separate series, the Wednesday night; the Saturday, and the Labor Day series. Separate trophies were given for each series plus the "Good Guy" trophy which is given to the person giving exceptional service to the Fleet. This year the "Good Guy" trophy was presented to Chuck Hunter who with his Columbia 28 acted as committee boat.

In addition, Fleet 393 sponsored a Memorial Day Regatta, and a Labor Day Regatta for cruising boats from the Manitowoc-Two Rivers area to help promote racing generally. An awards banquet was held in September with Dr. Ron Schaper taking the fleet championship for the second year in a row. All hands had a wonderful season, and we are looking forward to another one next year.

Like many areas lakes, we were plagued by low water, but we still were able to have a successful sailing season. Katterheinrich, Kruger and Wilkins sailed at our neighbors' Indian Lake, Spring Shakedown. Our own Thundermug regatta had a good showing of our club sailors with Tilton, Schieltz, Siegfried, Wilkins Kruger and Katterheinrich sailing. This was a first in a series of three regattas to compete for the new annual Ohio Governors' Cup, won this year by Dick Pugh. The results of this regatta are in the June Issue of *Flashes*. A week later Katterheinrich finished a respectable tenth at Leatherlips.

Wilkins sailed at the ill-fated Ohio Districts at Sandusky, where a severe front decimated the fleet and we lost one of our dearest friends from Indian Lake — Charles Lutes. His pleasantness on the course, as well as ashore, will be missed by us all. His fine examples are a credit to our sport.

The members of Fleet 400 ran the Interlake Nationals this year with 58 boats competing. One of our local Interlakers, Larry

Aufderhaar, finished 8th.

The Tiltons and Katterheinrichs with Whistler and Schieltz crewing went to Devil's Lake, Mich. Tilton's season was ended abruptly when a port tack boat climbed his shroud and demasted him. He says he still enjoyed the regatta spectating from a crash boat. However he was doing well against Bill McKinley that evening, blowing toy boats across a pan of water, when rough water cancelled the race. (Ha!)

The top positions of our club's Handicap Series were again almost dominated by Lightnings, sailing against 470's, Hobies and Interlakes, taking 4 of the top 5 positions.

Fleet activity ranged from Force 5 to Force 1. Bartlett, with help from some of the keelboat Camper Class took honors as Fleet Champion. Cleve Spillers indoctrinated his new bride to sailing on a day that one ordinarily does not do such. I believe they still speak. Eric Michaelis will be moving to New Orleans — a big loss to the fleet. His son Peter is a 'tiger' in Junior Sailing.

The National Championship was held by Fleet 447 at Lake San Pablo in May and three boats from Salinas and Quayaquil participated.

The first regatta held in Salinas this year was early in October in remembrance of the Worlds which was held here a year ago. Nine boats participated with four of those from San Pablo. This regatta was won by Paco Sola with Dieter Dyck in second place.

We have new boats in our fleet since some were purchased from the American participants at the Worlds. We look forward to more activity next season.

12171	Mistress	D. Weinmann
12300	Puffin	D. Smith

It's been the shortest season in memory, this 1976 on the Niagara River. Racing did not get under way until well into June. For two years in a row Des Smith has skillfully piloted his *Puffin* to more wins, on Sunday afternoons, than any of the other Lightning crews. Not far behind, with identical scores, were Ray Filsinger in *Valium V* and Dieter Weinman in *Mistress*. The three boats above are very evenly matched. The winner of any single race is usually determined by continuity of crew and/or marking the fewest errors.

Sailing and racing on the Niagara River's West Branch is uniquely wonderful and satisfying. Both banks are parkland, green with trees and grass. The blue water is a reflection of even bluer skies. The current is gentle at 1½ knots. The wind is a constant challenge, never predictable in direction or velocity. Visiting sailors are always welcome to launch their boats and join our Sunday afternoon races and fellowship gathering thereafter.

11636	Lightning Rod	Rod Johnson
11722	Zephyr II	Kurt Seiffert
11974	.....	Frank L. Wise & Lou R. Callahan

In club racing the honors were well distributed with Jim Muri winning the Spring Series, Dick Muffet the Evening Series, Frank Paine the July 4 Series, Frank Wise the Labor Day Series, and Greg Zettler the Fleet Championship. In all the club ran 47 races at Juanita Bay.

In regional racing fleet 414 of Juanita Bay (That's Seattle [Ed. Note — up by Canada] in case you've never heard of us) had a vintage year. Ten boats, which is almost the whole fleet, journeyed to various events and some even influenced the outcome of those. For example, Rod Johnson managed to win the District Championships with his rotten old sails and wood spar for the second year in a row. In the Districts overall, Zettler was second and Kurt Seiffert, third, making it 1, 2, 3 for Seattle. We could tell things were going our way when Seattle took places 1 through 6 in the first race against the 31 boat fleet. In other invitationals Greg Zettler was first at Eugene, Portland, and Vancouver, B.C. while Rod Johnson won at Lake Chelan. On this overall score, Zettler will receive the NW Circuit Trophy for 1976. For the West Coast Championships, with 42 boats competing in Klamath Falls, Seattle was only able to scrape up 2 old blue boats coats with red spinnakers to send to the regatta. They did O.K. with Zettler, first and Johnson, second (this order decided on the last leg of the last of 5 races).

To finish up the season, a stalwart racing team from our fleet under the leadership of Captain Frank Wise journeyed to sail the treacherous Columbia River Gorge Team Races. These races involved the 6 top fleets in the Pacific Northwest District (and the Columbia River belongs to Portland). Against these insurmountable odds, we emerged victorious with the outcome decided in the last race of the series - Seattle vs Portland. We blew them off the river! We won this event last year, but in the entire history of the team races no fleet has won three years in a row. BEWARE!

Fleet 414 is proud of its Lightning sailors who have given their time working for Club and District activities. Special thanks to Dick Muffet for serving as Commodore of our Yacht Club and Bob Forgie who suffered as Treasurer. In support of the PNW Lightning District, Frank Wise wrote the district newsletter and Kurt Seiffert wrote up the PIYA regattas for the *Flashes*. Next year, 1977, Bob Forgie will be Race Committee for Juanita Bay Yacht Club, Frank Wise will be Fleet Captain, and Kurt Seiffert will be Race Chairman for the District Championships to be held in Seattle. Thanks Fellas!

While 1976 was not one of the better seasons for Fleet 417, 9 of our 12 Lightnings did take part during the season. Ed Barron, our Fleet Captain captured the Fleet Championship by taking first place in each of the 3 Series of races. Patty Van Blarcom took second place in the Spring Series and is Fleet Runner-up. Myron Culver took second place in the Summer Series. The Fall Series was very disappointing due to uncooperative weather conditions. The Vincent Memorial for most improved skipper in the Fleet was awarded to Myron Culver.

Our report is the same as in years past. No hotshot to lead the fleet on weekends. But the four non-racing Lightning owners are still interested in what the class does and they turn Peru upside down to get the manpower and facilities to hold the annual WANFINLRAMPUP regatta in October.

This seventh year's turn out of 33 boats tied the record, and most of the racers had been at the NA's this year.

Those racing voted to keep the new October date the same in years to come—the first weekend instead of the third.

Thus the invitation goes out to all for the first weekend in October, 1977. And if you hear of a Lightning skipper being

transferred to Grissom AFB near Peru, or to Peru itself, have him get in touch with John Nixon or any other fleet member. We need a stem winder. (Nixon races in a different fleet.)

The Greater Charleston Lightning Fleet held its annual invitational at Charleston Yacht Club on July 31st and August 1st. The field numbered in the thirties with many fast boats from all over the Southeast. There was no lack of wind Saturday which was proven by some broken equipment during the course of the day. Sunday provided good weather for the last race, and when it was all over Tom Waters was first; Corky Gray, second; Bert Berry, third; Gordon Ettie, fourth; and Bill Sloger, fifth.

The fleet enjoyed some good races for the fleet championship which began back in the Spring. One Sunday the fleet came out in full force, and using one fishing boat with motor, made up a fifteen minute super-eight film of what a Lightning looks like under sail. We hope to use this in showing prospective members what the boat looks like and the fun involved in sailing the Lightning. By the way; if you don't think the boat lives up to its name, ask the man in the fishing boat how hard it was to keep up with the fleet with a six horsepower motor wound all the way!

The fleet was very proud to have sent two of its skippers to the North Americans this year, Harry Hintz raced in the Governors' Cup and Pete Russell in the Presidents Cup. Both boats placed in the top half of their fleets.

To round out our year the fleet was very pleased to have Bruce Goldsmith give area Lightning skippers and crews some hot skinny on the boat we sail. The talk was most informative, so watch out

Bruce; now we know your secrets! We were sorry to see our fleet captain, Craig Thayer, go up-country, but hope he will find true happiness with 7-11, and the Columbia Fleet.

Ho, Ho, Ho, hope you all got a new boat for Christmas!

This summer proved to be a very competitive summer for Fleet 430. The race for fleet championship went down to the last race. John Parker, with his wife Eleanor and Bob Leonetti as crew, managed to grasp the championship from our long standing champion, Dr. Buzby. Dr. Buzby, along with his son Gordon and daughter-in-law Linda, came in a very close second. The Kavles, father James and sons Jim and Ed, in only the second season, came in third. Kevin Robinson, assisted by his crew Sheri Luff and A. J., came through with a third in the Sunday series. He also managed to stay upright this season. Our newest member of the fleet, Ted Eckenhoff with his son, Scott, came out in the silverware in the July 4th "America's Cup" regatta.

Besides our Saturday and Sunday series, we also held a Fourth of July "America's Cup" regatta, a Labor Day "Flag Officer's" regatta, and our annual open August OCYC regatta. At the open regatta, we were pleased to welcome four outside boats. Though our club held on to first with John Parker and crew, second went to the Funari brothers, Greg, Gary, and Joel, and third to Bill Clausen and his crew, Irv Megargee and Carol Parker. The strong winds made for exciting sailing. Everyone enjoyed the vigorous sailing and the party.

Though our sailors are competitive at home, several are also traveling outside. Ed and Jim Kavle and Gidge Glenn went to the Junior CAD's. Gordon and Linda Buzby and George Gaynor were joined by Kevin Robinson and his crew at the fall Surf City regatta, finishing fifth and sixth respectively. John and Eleanor Parker crewed for Bill Clausen of Fleet 99 in September to win the Gamma Trophy. George Gaynor, though he chose to be our "dock-daisy" — race commentator on OCYC's upper deck at home, has been the most traveled member of our fleet. Crewing for Jack Elfman, he went to the North Americans (finishing sixth) and won many regattas up and down the Atlantic Coast. He also has the distinction of being on the boat which won both the Pennsylvania and the New Jersey State Championships in the same year.

We had a very exciting season and look for an even more competitive and active summer next year. We hope the interest in our fleet will continue to grow.

The 1976 season was another great competitive one with Tim Rumph dethroning Wally Carucci who held the fleet champion cup for 4 years straight.

Again fourteen races were sailed this season from June 19 through Sept. 11 under all types of weather and wind conditions. After the "smoke" settled — Tim Rumph was Fleet Champion with Wally Carucci runner-up. The early season series was won by Doug Wright and Alex Irving II the late season series. The fleet also sailed in the Southampton Town Regatta with variable winds from nothing to about 10-12 mph. Tim Rumph was the winner of the Lightning Division.

Looking forward to another good season next year, with a promise of 2 or 3 more boats additional to the fleet. Anyone in the vicinity of Southampton interested in racing Lightnings — join up!

Fleet 435 is just finishing another active and successful season. We've added several new boats (Newman and Guinan), lots of new black masts, and best of all, five new members — Johnson, Drewes, Dysart, and Hunter. Joe Gordon left us for an auxiliary, but he'll be back. At our Sunday races we had strong competition with anywhere from 10 to 16 boats on the starting line. The Race Committee chairman, Bill Snook, did a good job of keeping track of the scoring, and out of it all, Duncan Porter, who has won just about every other trophy awarded in this area, is taking the fleet championship trophy home for the first time.

This has been Duncan's year, because he also won the Texas District Championship, but he had to work hard to nip Bill Garrett, Rick Tears, and Richard Guinan, who took the next three positions. Porter and Guinan went to the North Americans and came back again suggesting that we buy a wave machine for practicing on Lake Ray Hubbard. (Ed. Note: It might be a good idea for all of us to get one, the 1977 N.A.'s will be on Lake Erie.) One of our hottest sailors is fifteen-year-old Stephen Craig, who finished 7th in the Juniors at Milwaukee, did well in the President's series, and gave Porter a run for his money for the fleet championship.

Off the lake the fleet has been equally active. The monthly meetings featured spirited discussions of racing rules and tactics, instruction sessions for new members, a film session by one of our members on sailing in Singapore, and a camping trip to East Texas. We are also working closely with a group in nearby Ft. Worth in hopes of getting a Lightning fleet started on their lake. Fleet members traveled to regattas in Nashville, Shreveport (where Jim Craig took first) and New Orleans (where Bob Thomas "tied" for first with Buck Ballatin of the home club and a shrimp boat). And now we are looking forward to our annual Thanksgiving Regatta, with about 30 boats, half from out of town, and featuring such names as Goldsmith, Shore, Allen, and Buckles. Even the weather will be good this year!

## PERRY LIGHTNING FLEET (438)

### Central States District

#### Sailing on Lake Perry, Northwest of Kansas City, Missouri

Fleet Captain . . . . . Donald MacClymont  
Fleet Secretary . . . . . John Gall  
Fleet Champion . . . . . Donald R. MacClymont

Boat No.	Boat Name	Skipper
68	.....	Steve Collier
11048	Seaduece III	Don MacClymont
11791	Charisma	Richard Patton
12424	Dog Meat	John Gall
12428	Bull Ship	Brad & Scott Hamilton
12971	.....	William Collet

How the winds did blow for the Perry Fleet this year! As was the usual custom, the season started with the Memorial Day Regatta which John Gall won, going away. The Districts were held at Lake Perry and the home fleet did very well in the heavy air. Don MacClymont won the Districts beating John Gall with John's old boat. John finished second; Brad, fifth; and Dick, seventh; even though everyone except Don had a D.N.F. or two. In July the Perry Fleet hosted their Lightning Invitational and again the Perry Fleet did alright: Don finished first, and John second. Fortunately for Don the wind really blew on Saturday because when Sunday came around, the winds were light and variable. Don got caught trying to sneak in at the committee boat and struggled to fifth to keep his first place overall by one point.

John Gall did more than his usual traveling. John hit the Spring regatta in Shreveport, a summer regatta at Lake Geneva, "The Whale Of Sail" in St. Louis, the Red Flannel in Chicago, and the Polar Bear Regatta in Davenport. In most of these regattas, he finished in the top ten. In between, he also went to the Nationals where he placed in the top fleet and even beat some of the heavies in a race or two. Next year we look to John to bring home some heavy silver. Scot Hamilton and Doug MacClymont attended the Junior Nationals and had a super time. The wind and sea were up and even though they "tanked" in a few of the races, they finished in the middle of the fleet and both gained valuable experience.

Don MacClymont and Dick Patton did very little traveling this year. Dick, because he broke his mast in the Districts, and Don, because he was just lazy. We welcome two new members into our fleet, Bill Louisell and Bill Collet. Bill Louisell was new to Lightnings but was seen practicing every weekend. We look for big things from him next year. Bill Collet is a Lightning sailor from way back and though a little rusty this year, he also will be tough next year. The Lightning Fleet at Lake Perry is still alive and well. It's struggling, but alive and well.

The 1976 sailing season revealed to be a very active and quite successful one for Fleet 440. We have continued to grow, with the addition of five new members: Bill and Marie Bennett, Bill and Dev Sheffield, Preston and JoAnn Scott, Tom and Joyce Waters, and Greg Thayer. We welcome the new competition and wish them luck.

This was a big year for equipment changing with Don Babb, Chuck Gise, Preston Scott and Wayne Catoe buying new boats. It is

going to be tough next year! We were very sorry to see Marshall and Dottie Sansbury, two of our most active sailors move away to Atlanta. We are looking forward to seeing the Sansburys at the spring regattas. In March, Bill Shore came to our club and gave a talk on boat tuning and sail trimming. This event was attended by more than 50 sailors. Paul Rodesiler did a great job in organizing the session.

The fleet hosted our annual Lightning Invitational in May, which drew 33 boats. As usual all the fleet members worked very hard to make this one of the best regattas on our circuit. Silver evaded our Lake Murray Sailing Club fleet members until the last three regattas of the year. At the Atlanta Cup in October, Wilburn Brewer captured fourth place overall, and two weeks later took a first place at the Augusta Open. The next week, at the Lake Murray Sailing Club Open, he took a fifth place, while Don Babb captured a second.

Tom Waters, who joined our fleet this year, but sails out of the Columbia Sailing Club, won the District Championship for 1976, Congratulations Tom. The season ended with the annual Lightning/Thistle Challenge. Unfortunately, due to bad weather conditions, the race had to be called off. The fall series was won by Paul Rodesiler and the spring series by Don Babb, after totaling both series Paul came out as the new fleet champion, wait til next year.

This has been a long season, with 26 fleet races and 7 regattas, for our fleet. Our plans for the upcoming year, is to reduce the number of fleet races and spend more time helping our new members with their boats. Sea Ya!

10047	.....	John B. Harrell
10081	C'Est La Vie	David R. Weill III
10241	Red Baron	J. Richard Porter

The sailing and racing activity of Fleet 441 can be described this year with just a few well-chosen words, "not much." The departure of our former fleet captain, Maury Eggers, and his band of pirates in Ol' 7935 seemed to reduce the fever of competition this year. David Weill and his crew sailed C'est La Vie to victories in the season championships and Bicentennial series. Dick Porter spent some time in Canada and Alaska and was able to sail to the number two spot in the fleet championships, but seemed to learn something about mast rake and came on very strong at season's end. Dick's boat, *Red Baron*, became a consistent challenge in the latter days of the season and swooshed to victory in the October drifter that ended this summer's racing. Michael O'Connell and his gourmet crew could always be counted on to stimulate good thinking about: rules, boat speed - especially when attempting to cross the fleet on port tack, or techniques of repairing rubrails. Aside from Mike's sojourns to Africa or other commonplace destinations around the world, *Poitin* was a challenging competitor and usually out on the line looking to go in harm's way.

Due to other extenuating circumstances, our new fleet secretary, Richard Singer, was only able to make a few starts in *Robin's Nest*. However, his contributions to the club's activities in general and one finish in particular will be long remembered for years to come.

We are sad to report that our activity has decreased from last season's; we are also unhappy to report that we have lost two boats due to the work-transfer syndrome. We all hope to work hard to increase the activity in our fleet and have more fun next year.

In its fifth season, the fleet tapered off its activities somewhat to suit a loss of members. Five Sunday races were sponsored by the Fond du Lac Sailing Club with other fleets. Four other dates were set up by the fleet members to fit their busy schedules. The nucleus of skippers remaining in the fleet is a group of competitive and competent racers who sail in other fleets as well. The group was saddened by the untimely death of former Commodore Ted Ziebert in the prime of life. He passed away shortly before his old Lightning, No. 10909, won the North Americans in the hands of Bill Shore.

With many new sailors in the area, the fleet expects that some will be converted to Lightnings as time goes on.

The year 1976 was the fifth season for Fleet 444, six Lightnings sailing with the Lake Glendale Sailing Club. Our racing schedule included 11 regular races, 3 junior races, and 2 warmup races.

In late season we missed Kevin Kittka due to his college graduation trip to Seattle, but hope he and his brothers will be with us again next season. Ex-skipper Bill Austin was missing this season due to moving to near Climax, Colorado after his college graduation.

Our Lightning families, including the Don Packers, are among the many LGSC people who camp regularly at Park View Campground at the northern end of Lake Glendale. An unusual event was a wedding on the water, with bride, groom, wedding party, and many of the spectators in various sailboats. Thirty-two of us plan a charter windjammer cruise in a 95 ft. schooner off the coast of Maine next summer.

Visiting sailors are welcome to join us at our beautiful lake. Bring your banjos, etc.

*Mario Buckup smiles again in San Pablo.*

During the first half year our fleet was very active, 1st, 2nd, and 3rd of May we had our yearly fleet championship, which corresponded exactly with the foundation day of our Club and the purchase of our first Dutch Lightnings 10 years ago; 15 boats fought for the honors out of our fleet of 19. The National Championship 1976 was held for the first time, end of May, on our mountain Lake, with 18 boats participating.

Immediately after that we had the chance to invite for a second time top sailors from North and South America for a very interesting regatta sponsored by LARK-Cigarettes and ECUATORIANA DE AVIACION. We were very happy to have Mario Buckup, Bill Shore and Bruce Goldsmith and crews with us. From Peru came Carlos Arteaga and crew. Bruce and Bill were kind enough to hold a few very interesting seminars on boat and sail trim. We thank Shrub Peters again for the kind detailed report on the August Flashes.

We did not know how lucky we were having finished this major event early June, because a week later the level of our lake went down by 2½ feet for the first time, because of drainage ordered by the authorities, leaving all our facilities quite dry. Since June we could only lower our boats into the water with difficulties and activities came to an end. We are constructing new landing stages which will be ready by the end of the year.

Three of our boats were taken to Salinas for the October regattas and were finally racing at the same level as the more experienced sailors from Salinas and Guayaquil.

During the year 1976 we have organized the "Siculo-Calabro" Lightning Championship which was won by Zaza. A large number of boats took part in the championship which for the second time the F.I.V. has invited us to organize. Three of our Lightnings (Zaza, Lian and Luktor) took also part in the Italian Championship which was run at Numana. From Numana the three crews moved to Switzerland for the European Championship, which was the first experience of the kind for our fleet.

In the Italian Championship we got good results considering our still "young" experience in such a championship. Always organized by "the Circolo Velico" we had during the month of August a very nice regatta which saw the participation of more than forty boats (ten were Lightnings). This regatta, called "TROFEO Pernice & Piccione", since 1974 has been a very important trofeo for our zone.

In a few days our fleet will see the birth of four brand new Lightnings which our "excellent" Secretary Gianni Pellegrino together with his partner De Vita are building.

This was probably the worst season weatherwise we have had since the fleet was organized. July 5th race was a real "drifter" and all but two had to be towed in in order to get supper. The races of August 1st and 29th had to be cancelled because of bad weather and for various reasons were unable to schedule make-up races. Despite all that everyone had a good time, and we added a new Lightning to the fleet. George Place brought in a relatively new fiberglass boat that gave us "woodies" a real run for our money. After getting "tuned" in to his new craft, he and his crew became the overall Fleet Champion. However, Commodore Bob Foster, with his built-in radar for changing wind directions gave him some good challenges. The fleet secretary's boat was out of action most of the season because the vital first mate had to work Sundays. The final seasons results including the three day Labor Day regatta are as follows: Champion, George Place and Jimmy Place, first; Bob and Lynn Foster, second; Harvey Mercier and Larry Vautour, third; Ruth Ault and Steve Pakulski, fourth; Rick Hoddinott, fifth.

In conclusion, I should mention that Labor Day was a wild one and it was a miracle that there weren't some capsizes. The secretary's boat on loan to a very good sailor lost its boom, but will be ready for 1977!

With the advent of Monsoon by end of May the sailing season ended abruptly. The major events were the Lightning Championship Series, Prince Phillip's Challenge Cup, Bombay Harbour Regatta and Lightning Single Handed Race. Dr. E. M. Schimmel won the Lightning Championship with characteristic ease and was crowned Champion. Mr. H. McBrinn was runner-up. Prince Phillip's Challenge Cup is a combined class race with many classes of boats participating. We are proud to report that Lightnings took both the first and second places, beating much bigger boats in heavy seas. Mr. H. McBrinn in *Bonito II* was first and Mr. Gulshan Rai in *Speedball* came second. In the Bombay Harbour Regatta in the Lightning Section on the first day, *Bonito II* with Mr. H. McBrinn at the helm took first place and Brgd. S. S. Kalsia came second. On the final day it was Dr. E. M. Schimmel in *Black Fin* who took the gun followed by Mr. Harry McBrinn. Single Handed Race also was won by Dr. E. M. Schimmel. Apart from racing, our Fleet took an active interest in cruising as well as in training youngsters. *Parvati* and *Geeta* (former *Porpoise*) of the Colaba Sailing Club were sailed by the young swinging crowd around the idyllic islands in the Bay of Bombay.

While the old *Porpoise* changed its name to *Geeta* and *Merlin*, *Bonito II* and *Black Fin* took new skippers, poor *Barracuda II* had a sad end this year. She broke her moorings one stormy night and her wreck was found days after some twenty miles away. Fleet 451 mourns her loss.

Dr. E. M. Schimmel and Mr. Pier Squillero left India. They were two stalwarts of sailing in Bombay and Fleet 451 owes its existence to the pioneering work done by them. Members of Bombay Harbour Lightning Fleet place on record the appreciation of the very valuable services rendered by Dr. E. M. Schimmel and Mr. Pier Squillero for the advancement of Lightning sailing in India.

Undecided wind at District Regatta.

This year has been very important for the Lightning at the Trasimeno Lake.

The fleet organized the "Capt. Vittorio Moratti Memorial Trophy", six races valid for the fleet Championship. The winner was Paolo Rosi in *Windy* 11244, runner-up was Mauro Salvetti in *Svasso* 11168.

Four boats from the fleet 453 took part in the Italian Championship at Numana on Adriatic Sea. This event was the coming out from the fleet in an important regatta. The better results are: seventh *Hidalgo* with Chielli, Nicchiarelli and Mearini, eighth *Svasso* with Salvetti, Saulini and Rameschi. Ombretta Ciurnelli only lady participant was crew in 11244 *Windy*.

The fleet hosted in September the meeting of the District and the District Regatta. The winner was Claude Lambelet of the Swiss District, Paolo Rosi and Fabio Nicchiarelli of our fleet was respectively second and third.

We hope a great activity for the 1977!

During the first meeting of our fleet members, at a Fondue on February 7, 1976, we elected the new captain and set up the year's program.

April 16 was the great day on which sailing started at Neuhaus with beautiful weather, light winds and five crews. The following training until April 19 was dedicated to trimming, general training and good fellowship. The success was great but although we had sent invitations to all fleets no outsider found his way to Lake Thun.

On June 12/13, with fine weather and good winds, eight Lightnings (3 from other fleets) participated in the traditional sailing rally "Sternfahrt". In Spiez the situation was improved. If a prize is to be won Lake Thun can be found. P. Bernasconi was the winner of these District races sailed in changing and moody weather. The local sailors sailed rather unhappily and suffered from slacking of the crews.

Two boats of Lake Thun participated in the European Championship at Grandson. Four "young" crews sailed valiantly, unfortunately without success.

The winds during the "Pfauencup" in Murten made sailing an adventure, two boats of Lake Thun participated.

On the following weekend the ladies' race took place with three boats from Lake Thun. First and last place were ours.

At the long distance race of the TYC Darligen two Lightnings were sailing.

For the first time the championship of the fleet was held on Lake Thun. It was won by Wyler and his crew. Ten boats participated, five of which were of Lake Thun.

Result of the year: The fleet of Lake Thun shows tendency to thrive and grow on a basis of good fellowship.

### KLAMATH LIGHTNING FLEET (455) Pacific Northwest District Sailing on Klamath Lake at Klamath Falls, Oregon

Fleet Captain ..... Dick Marlatt  
Fleet Secretary ..... Bill Sisemore  
Fleet Champion ..... Ken White  
Runner-Up ..... Richard Wickline

Boat No.	Boat Name	Skipper
8747	Gaye's Ark	Larry & Suzanne Gaye
10285	Jacaranda	Richard Wickline
11151	Saxy	Kenneth White
11297	.....	Gene Schrieber

11785	Fix It	Bill Sisemore
11879	Shalom	Bruce Niles
13029	.....	Bill Sisemore

The year was started by sending Ken White and Dick Wickline to the mid-winter district meeting in Seattle, with tape recorders in hand to record all the words of wisdom from Bill Shore. When they returned, the Fleet met to hear the tapes. As the year went on, those of us who did not get the chance to go to the mid-winter meeting, had the feeling that Ken and Dick did not tell us everything they learned. (Ken was first and Dick was second overall in our fleet races for the year.)

First place in the Spring and Summer series again went to Ken White. In the Fall series Ken turned the tiller over to his wife and first mate Virginia. Virginia kept the winning tradition of the family and pulled off a first for the Fall series. Dick Wickline took second in the Spring and the Fall series and Bill Sisemore took second for the Summer series.

The fleet hit the Pacific Northwest circuit again. We started off by sending six boats to Fern Ridge for the Memorial Day regatta. Ken White was our highest place finisher with a tenth. White, Wickline and Sisemore survived the rains of Fern Ridge well enough to make the Vancouver Lake Sailing Club regatta where Ken White managed to take a fifth place and Bill Sisemore managed to capsize again. As he came to the surface, Sisemore realized why most of the other boats were not flying their spinnakers, he was heard to say, "Oh well, it was a fun ride while it lasted." White, Wickline and Sisemore returned to Vancouver the next week for the Pacific Northwest districts where White took a seventh. White also took a second place in the Barber series at Fern Ridge. We ended our travels for the year by sending a team to the team races in Portland.

The fleet helped to put on the Klamath Yacht Club Mid-summer regatta. We had six of the twelve Lightnings entered. Our local sailors placed as follows; Ken White, first; Bill Sisemore, second; Bruce Niles, fifth; Suzanne Gaye, seventh; Dick Marlatt, eighth; Gene Schrieber, twelfth.

Our biggest effort of the year was hosting the Pacific Coast Championships. We attracted forty-two boats from nine fleets coming from Southern California to British Columbia and all points between. We believe that this was the largest turn out for the P.C.C. on record. All participants seemed to enjoy the regatta and we are looking forward to hosting the P.C.C. again in the future.

We were unable to get any new member to join the fleet this year, so to keep increasing the size of the fleet Bill Sisemore and Larry Gaye made the long cross country trek to Fenton, Michigan to pick up Sisemore's new boat. He now has two and is hoping to sell #11785 locally. When the Columbia fleet heard that they were making the trip back east to pick up a boat, John Benedetti made some fast moves, bought a boat to add to their inventory, in case they find a sailer in search of a boat. John arranged to get us a double deck trailer. Bill and Larry brought the two boats back about the time ice was starting to form on the lake. Sisemore is now waiting for Spring. We are now holding John's boat for a gasoline lien.

We are looking forward to next year and hope that many of the sailors will come and join us on Klamath Lake.

We were happy to welcome six new boats to our fleet during the past season. The fleet can now proudly report to be the youngest, the biggest and perhaps the strongest in Finland.

Racing activity has been good, because 15 of our boats have been seen on starting lines in club races and 7 boats have participated in ranking regattas outside our lake. To activate all members to race we have had since this year the so called B-Champion race, which is open for the newcomers, for the boats in uncompetitive condition and for the boats not sailing outside the Lake Tuusulanjärvi. The first B-Champ is Jorma Lehtonen with his boat Kohinoor.

The racing success has been fantastic. Our team I Punkku-Amarillo sailed first in FC-team racing, team II Oho-VIP were third. In individual competition Punkku skippered by Antti Aromaa, third and VIP skippered by Vesa Tapola, fifth.

Three of our boats: Amarillo, Asterix and Punkku took part in Europeans in Grandson, Switzerland. Boats were first shipped by Wood carrier to Lubeck, Germany and then trailed through Europe over 1000 km to the destination. The trip was very exhausting because Europe was suffering from the worst heat in a hundred years. Crews were very tired - except skippers, who came by air!

Grandson was a very nice Swiss town and Lake Neuchatel in front of it was a wonderful sailing arena, with warm clear water and

unexpected steady winds. Our best greetings to Race Committee and thanks for the nice private camping place and the good race. Our positions were: Amarillo third, Asterix ninth and Punkku fifteenth in the fleet of 38 boats.

This was again a good season for fleet 456 and to guarantee the positive development we have planned the programme for crew training, in order to solve the problem of crew shortage. We wish this action will bring us more active Lightning Sailors and hopefully also some new boats.

The ten years anniversary wedding-trip by L7178. Lightning sailors have more fun!

## GRANITE LAKE FLEET (457)

#### Sailing on Granite Lake at Keene, New Hampshire

Fleet Captain	Mark L'Heureux
Fleet Secretary	Ronald Lyon
Fleet Champion	Mark L'Heureux
Runner-Up	Roland L'Heureux

4th Place	Ronald Bogue

Boat No.	Boat Name	Skipper

In a pleasant change from the past two or three sailing seasons, our races this summer were blessed with more favorable winds. Not that we didn't have a few drifters mixed in, but for the most part, our races this year were marked by the consistently shifting winds we have all come to expect on good old Granite Lake, in the heart of beautiful downtown Munsonville. Witness this year's picture;— three boats, not far apart, all close hauled, all on the same tack, but on three different headings! Never a dull moment! The picture was taken during our fleet championship regatta on Labor Day weekend, and is typical of the type of weather which dominated the series. Wind strength averaged in the 12 to 15 knot range, and gusts of 25 to 30 knots were not uncommon.

A change in ownership of the mother boat of our fleet, boat #3394, involved three additional local families in our world of sailing. Enthusiastic sailors all, they wasted no time in getting their feet, etc., wet--and they thoroughly enjoyed it. Having turned over the "T.L.C." of #3394 to her new owners, Roland L'Heureux wasted little time in finding a replacement to add to the fleet. She is #9525, and could well be named "Tooth Fairy Too". Her illustrious crew for the fleet championship also wasted no time in getting their feet, etc., wet. As a matter of fact, the jib man in #9525 very possibly established a world record for elapsed time in exiting, and reentering, a Lightning on a hard beat. This was accomplished by a formal test of the forward hiking strap.

The winner of the fleet championship series was boat #10683, skippered by Mark L'Heureux, son of Roland L'Heureux, and very ably crewed by Teresa Knight and Mark Lyon, daughter and son, respectively, of the remaining crew in boat #9525. Mark and his crew took four out of five first place finishes, and allowed their parents the sheer delight of beating them only once. Rumor has it

that Mark would like a better boat for next season---we're not sure he needs it!

Rumor also has it that Jim Ewing will be attending a two week racing seminar this fall---we're certain he doesn't need that! It should be noted that Jim and his partner George Kingsbury managed, with relative ease, to maintain possession of the trophy for the Overall Handicap Series. Word is leaking out that they intend to update the rigging on *Bull* for next season, and who knows what other surprised they may have planned?

So the pressure continues;--the quality, and the level of enjoyment, of racing in fleet #457 continues to reach new heights each year. In last year's report, I suggested that Don Bennett and I would take our turn at polishing the trophies this year. As it turned out, all we polished were our tools, and our good intentions of refurbishing *Windfall II*. This season of sabbatical, however, has caused us both to realize that we must be back in the action next year. Meanwhile, we'll see most of you on the ice---Have a Happy!!

A LIFT AND A KNOCK??--OR VICE VERSA??

12927	.....	Erwin Schwarze
12928	.....	Ken Abbott

This fleet has aged two years since our last entry in the Lightning Class yearbook and, as with all fleets, has experienced the usual amount of growing pains.

Our fleet of 13 Lightnings has been up-dated to include six skippers with new boats. One thing we have learned in our keen competition is that our skippers will go to great lengths to win, even to the point of making additional investment in new equipment. We feel that this is definitely a compliment to our skippers and to the vitality of our fleet.

As usual we continued to offer our skippers the additional challenges of our special regattas. The Memorial Day Regatta's winner was John Crawford in *Go Blue*. Runner-up was Don Farmer in *For Sail*. The Bombshell Regatta's winner was Paul Waibel in *Kirchelle*. Runner-up was Bill Gregory in *Luff Affair*. The Red Nose Regatta's winner was Bill Gregory in *Luff Affair*. The runner-up was Dale Mahrle. The Labor Day Regatta's winner was Bill Gregory in *Luff Affair*. Runner-up was Dale Mahrle.

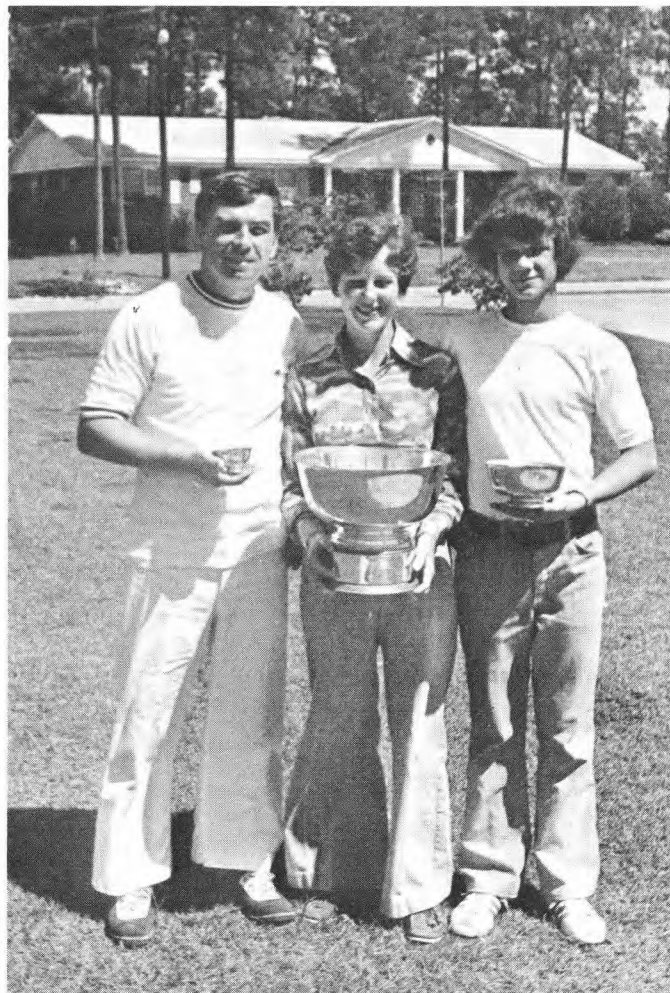

We also changed our racing format to include a spring racing season and a summer racing season. It was our intention to make the competition for additional trophies and awards even keener. It certainly did that! Our Spring Racing Champion was Ralph Waibel in *Kirchelle*. Runner-up was Bill Gregory in *Luff Affair*. Our Summer Racing Champion was Bill Gregory in *Luff Affair*. Runner-up was Ralph Waibel in *Kirchelle*. Those two skippers, due to their almost identical finishes over the entire season elected to share the Fleet's Championship. The competition was equally keen for the runner's-ups.

We continued the "Ms" races. While the enthusiasm is there on the part of the women, the men seem to stay away in droves. Perhaps they're worried about future competition from these novice skippers!!! The more adventuresome in our fleet ventured into the waters of other clubs. Unfortunately our successes were greatly out-weighted by the weight of the water shipped by several of these boats. Oh the agony of defeat! Those skippers did learn to be even more competitive and returned to sail the balance of our season with vengeance.

Our annual Union Lake Yacht Club banquet was attended by a record 53 members and guests. Several of us should have been awarded "Rubber Duckie" awards for sailing "under the weather" that night. Retiring Commodore Russ Brown was presented gifts and a hand of applause for a job well done. Additional gag gifts all relating to the sailing performances of our fearless skippers were presented. In short, a good time was had by all.

In addition to the above executive we have the following people who help make our fleet a success: Vice Commodore, Dave Russell; Treasurer, Debbie Zajoc; Race Chairman, Dale Mahrle; Jib Sheet Editor, Tag Wager; Historian, Sandy Gregory.

We look forward to the continued growth, success, and keen competition of our fleet next year.

Sam Cheek, Fleet 459 Champion, his wife Nancy and crew Scott Craycraft with their S.A.Y.R.A. Trophies.

## WATEREE FLEET (459)

Fleet Captain . . . . . Samuel J. Cheek  
Fleet Secretary . . . . . William S. Marshall  
Fleet Champion . . . . . Sam Cheek  
Runner-Up . . . . . Michael L. Duggan

Boat No.	Boat Name	Skipper

10599	Light'n Bug	Frank W. Oglesby
11553	Nan-Sea	Samuel J. Cheek

11985	Sunkissed	Donald E. Goode
12520	Impulse	Michael L. Duggan
12704	Limon	Dr. John A. Gastright

During our second year, we have gained experience, upgraded our fleet and our members skills. In March we were guests of Fleet 440 when Bill Shore stopped on his way to the Mid-Winters to conduct a seminar. Most of the fleet made the trip in George Tsirigotis' new motor home (rumor has it that they ran out of gas halfway home and took turns breathing into the gas tank to complete the trip.) In November, Bruce Goldsmith's seminar for the Greater Charleston Fleet was attended by Bill and Gail Marshall, who taped the words of wisdom Bruce shared with the group. The next Sunday, most of the fleet and crews gathered at the Marshall's to listen and talk sailing. With instructions from Shore and Goldsmith, Fleet 459 is optimistic about taking its share of silver in 1977.

Our Fall Series last year was sailed in light winds for the most part. Sam Cheek established himself as the man to beat early in the series. Bill Canniff challenged but had to settle for Runner-Up. Bill Marshall ended the series in third place. Sam continued his winning ways in this year's Spring Series as the fleet tuned for the Southeastern District Circuit. Mike Duggan was runner-up this time. Long weather legs and tight reaches in 10-25 knot winds provided the twenty-five boats that attended our first regatta in April with super sailing. We gained an appreciation for what it takes to put on a regatta and hope to have an even bigger and better one in 1977.

We sent boats to every regatta on the Southeastern Circuit, the Deep South Regatta, and the South Atlantic Yacht Racing Association Championship. We placed five boats in the top twenty-five for the year on the Southeastern Circuit. They were Sam Cheek, Bill Canniff, Mike Duggan, Frank Oglesby, and Bill Marshall. The S.A.Y.R.A. Championship was attended by Sam Cheek and Bill Marshall. They finished first and fourth. Sam was awarded the Raymond Demere Championship Trophy as the top Lightning skipper at the Championship Regatta.

Bob Rowan was unable to campaign his own boat this year, but lent able crewing ability to Mike Duggan much of this season. Two new members were welcomed to Fleet 459 during the year. Newcomer Hal Storey purchased 10516 from Richard Vernon who was transferred from the area. He has become one of the most avid sailors in the fleet. Long-time Lightning Ace Dr. John Gastright moved inland from Charleston and now calls Wateree his home fleet.

Wateree Sailing Club hosted the Adams Cup Quarter Finals for our section. Fleet 459 provided all the Lightnings used by the ladies. Anne Boyd made everyone's boat a winner as she easily took the series. We have had a lot of fun this year and look forward to even more next year. Our 1977 Regatta is scheduled for March 21-22, 1977. Come and join us for super sailing, delicious steaks, and a great time. We Guarantee It!!

## ST. JOHN'S RIVER LIGHTNING FLEET (461)

### Southeastern District

#### Sailing on St. John's River, Jacksonville, Florida

Fleet Secretary . . . . . Greg Wallace

Boat No.	Boat Name	Skipper
7737	.....	John Zitko

12274	.....	Greg Wallace
12712	.....	George Chapman

During 1976 we had several wonderful experiences. We were accepted into the Southeastern District. This has helped us a lot and we attended several regattas including those in Columbia, Augusta, Savannah, Anderson, and Atlanta. Our two active sailors had a good time but the competition proved to be very tough. We are looking forward to holding our own Southeastern Invitational Regatta here in Jacksonville on our St. Johns River. Hopefully, we will give some of the hot shots a run for their money.

Unfortunately, one of our fleet members went with another class and we are having a hard time promoting Lightnings here. I believe that one of the best things that could happen to the Southeastern District and to the rest of the districts located in the southeastern states would be for one of the manufacturers to branch out and set up a shop somewhere in this geographic quadrant. Our greatest problem is answering the question, where can I buy a Lightning and having to refer to one of the northern manufacturers.

We are looking forward to 1977 as we hope it will bring new members to our fleet and we will be able to get good representation in the Southeastern District. We want to wish the best of sailing to all our competitors and to all Lightning sailors everywhere. We would like to express thanks to Mrs. Limbaugh for helping us throughout the year and most of all we appreciate the Lightning.

## FLEET (462)

12407	Perkeo	Peter Pufleb & Manfred Dlouhy
12489	Phreskura	Arne S. Arnesen, Jr. & Glen A. Beeby

Our 1976 sailing season was very active, we had 47 races during the whole year. Here are the most important:

Brazilian Championship held in RECIFE, which is in 3,000 KM (Ed. Note: - 2000 miles) distant from our home lake. Without any expense to our members, we were able to take five complete crews by hiring a special truck and bus for our fleet. This we were able to do to the help of firms and friends. Due to this championship, we became more acquainted with our country and through the hospitality of the fleet 373, we also had the chance to sail in open seas with completely different conditions than in our base lake. The classification of our fleet in this championship were 8th, 15th, 16th, 20th, 21st. Unfortunately, we had a setback since the truck carrying the boats on the way back suffered an accident in which various boats were harmed.

State Championship, held in August, 1976 where 25 boats participated from all clubs of the lake. There are two categories for this Championship: Class A - Which includes almost only fiberglass boats and last year's Class B Champion and runner-up. Class B - includes wooden boats and beginners.

In Class B we had better results winning the five first positions. In Class A we were handicapped by the brilliance of the BUCKUP'S (MARIO AND ROBERT), that are very hard to beat.

Our Fleet Championship - Six races were held, where rules, prizes and routes were made up by the patronizing crew. We had

picnics, boats changing, "le Mans" starting's, spinnaker starting's and lots of tours through the lake.

After running all these races the championship showed the following results:

JURITA II, Paul P. Boilesen, Martin Jimenez, Tommy Kirsten, first; TuRUNA II, Gerhard Wiegandt, Frank Sarnighausen, Horst Hensko, second; MALANDRO II, Francisco D. R. Neto, Antonio J. Camargo, Fernando Frimm, third; KIKO, Albert Lunnerdal, Niels Glens, Dominique Marecha, fourth; GTx, Allen Baker, Allen Baker, Jr., Mrs. Allen Baker, fifth; SAGRES, Nelson Schmitt, Leo Winters, Danny Schmitt, sixth; EASY RIDER, Thomas Sumner, Arne Arnesen, Brian Sumner, seventh; PHRESKURA, Albert Arnesen, Richard Burt, Michael Norris, eighth; PEREO, Peter Pufleb, Manfred Dlouhy, ninth.

## LAKE WACCAMAW LIGHTNING FLEET (463)

### Southeastern District

#### Sailing on Lake Waccamaw at Whiteville, North Carolina

Fleet Captain . . . . . Vivian Hollinshed  
Fleet Secretary . . . . . Dale Klemm  
Fleet Champion . . . . . Bob Ames

Boat No.	Boat Name	Skipper
5564	Spiritus	Steve Small
11017	Salty Dog	Miss Dale Klemm
11898	.....	Tom Hollinshead, Jr.
12798	Esperanza II	Robert G. Ames
12936	Lulu	Charles B. Andrews
.....	.....	Raymond L. Creekmore

This year brought good news to Lake Waccamaw in the form of a fleet of Lightnings. Fleet 463 started out with #12798 (Bob Ames) and #11017 (Dale Klemm), and has now grown to six boats in all with the latest addition being C. B. Andrews, a former Sunfish skipper. With the growth of our fleet, Bob Ames saw a dream of his finally come true.

We have had a lot of unusual experiences (like losing my Dad overboard in Charleston Harbor to bottoms up) on the circuit this past year and hope to have many more exciting times. Waccamaw Sailing Club will hold their first Lightning Invitational in September and we hope that all our fellow skippers will come sail with us on our beautiful lake.

## LAKE MONROE SAILING ASSOCIATION LIGHTNING FLEET (464)

### Indiana District

#### Sailing on Lake Monroe at Bloomington, Indiana

Fleet Captain . . . . . Ronald Shea  
Fleet Secretary . . . . . Joe Mihelick  
Fleet Treasurer . . . . . Doug Taylor

Boat No.	Boat Name	Skipper

12676	.....	Ronald Shea
12746	.....	Joe Mihelick

We obtained our charter in 1976 and are anxious to expand our fleet in the coming year. If you are in the area, we cordially invite you to join us for some excellent sailing during the season. We intend being active in the Indiana district regattas in 1977 and hope to host a regatta in 1978.

Our fleet sails every Sunday during the season (May through October) under handicap racing with Thistles, Cruisers, etc. We have beaten the Thistle fleet twice during the 1976 season; so, look out next year!

Lake Monroe is located near Bloomington. The lake has approximately 11,000 acres of water area with many excellent facilities available. Our sailing association is located at Moore's Creek with excellent launching facilities - two hoists as well as a ramp. Currently, we have two small shelter houses accommodating approximately 30 people; however, in 1977, we will be adding a shelter house which should accommodate approximately 70 additional persons.

We believe our lake provides us with excellent sailing conditions and again invite you to join us in 1977.

The fleet hosted the 1976 District Championship. The climate was wonderful and the wind (six days from 360°) was from 15 to 25 mph.

We are happy to announce that the 1977 European Lightning Championship will be organizing by our fleet.

We invite all European and overseas sailors to the Europeans from June 26 to July 3 at NUMANA!

**FLOTTA DEL LARIO (467)**

## "LIGHTNING" FILM

You can still schedule the half-hour color film "Lightning" by writing to I.L.C.A. Headquarters. This 16mm sound/color motion picture "Lightning" gives a brief glimpse of the heart of small boat one-design sailing — the people and their boat.

Filmed on the waters of Tampa Bay during the 1974 Mid-Winter Lightning Championship and at "Red Bank" on the Navesink River during the Monmouth Boat Club Regatta; and on land at the St. Petersburg Yacht Club, the movie combines racing shots with regatta activity shots.

"Lightning", of course, stars the Lightning, a 19' centerboard, three man boat, and features Lightning crews and families.

The movie was sponsored by the Lightning Class Association and some of the Lightning Builders and Sailmakers - Allen Boat & Sail Company, Eichenlaub-Mueller Boat Company, Nickels & Holman, Todd Boat Company, Murphy & Nye Sailmakers, Seidelmann Sails, and Shore Sail Company. Steered by Lightning sailor Anthony V. Curto of New York, the movie project began in the Spring of 1973. Tony located and contracted Victor Kayfetz Productions Inc., New York City commercial film producers, to do the job. Victor Kayfetz proved to be a fortunate selection. A sailor himself, a professional perfectionist, Victor has produced a colorful interesting movie. Using sound recordings of on location interviews along with narration against a specially composed musical background the audio portion of the movie complements the film.

One bit of history is recorded in the movie. The designer of the Lightning, Olin Stephens, took time out from his tight schedule during the 1974 America Cup competition to speak about the Lightning and its design.

The rental of the film is \$25.00. For scheduling contact the International Lightning Class Association, 808 High Street, Worthington, Ohio 43085.

# Registry of Lightning Boats

(Corrected to January 13, 1977)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner's address is unknown.

Where boat number is followed by an asterisk, it means that there is an approved measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.
