LETTER FROM THE EDITOR

It has been a pleasure for me to act as editor of this book in this, our 40th year.

This has been a spectacular year for the Lightning Class with three certain historic events taking place. The Anniversary Regatta held at Skaneateles Lake in New York State, the birth place of the Lightning, was an outstanding success with 110 Lightnings participating.

The 1st Women's Championship was held at Bay Head Yacht Club sailed on Barnegat Bay with 19 crews participating, representing many districts in the U.S.

Without a doubt, the most important was the recent 1st World Youth Lightning Championship held in Peru with crews from 9 different countries participating.

With events such as the above, the Lightning, and Lightning Class Association cannot help but grow and prosper.

My thanks go out to all the people that helped make this 1979 Annual a success. Namely, the people that wrote the articles, John Dees, as Assistant Editor, for his editing of the District and Fleet reports, as well as photographs; to Mary Huntsman, photographer excellences; to Tom DeStacio for his Artistry of the cover; and finally, a special thanks to Helen Limbaugh, who puts the whole thing together.

The International Lightning Class Association cannot help but have an 80th anniversary, if it continues to be supported by the enthusiastic type of people in the Class today.

THE PRESIDENT'S MESSAGE

The Lightning Class has been an integral part of my life since our first family boat #1214 was pulled into the driveway when I was two years old. The honor of being elected to serve as the President of this wonderful international one-design class hopefully, will give myself and my family an opportunity to thank all who have made this boat and class such an important part of our lives.

The importance of the international aspect of our class is emphasized by past-president John Schneider's European visit last summer, and the South American trip which my wife Shrub and I recently took. One point which was strongly presented by the South American sailors centered around promoting the Lightning as a day sailer and family boat. Maybe our total class membership needs to emphasize the day and family sailing aspects of the Lightning more actively. My start as a racing sailor came from a day sailing background, and I'm sure many of our active racing sailors had a similar start. Having been present at the first Lightning World Youth Championship in Lima, Peru, I cannot fully express the importance for our Class to continue to promote such a program as well.

As Class President, I look forward to a banner year of domestic and international racing. The Southern Circuit this year features the 1979 Pan American Games trials; the 1979 World Championship will be held in Dallas, Texas in June; The Pan American Games are scheduled for Puerto Rico in July; and the North American Junior, Women's, and Senior races are in August at the Cleveland Yacht Club. These events, along with our district and fleet schedules will highlight a busy racing schedule for our Lightnings.

In closing, I would again like to thank my many friends world-wide for making this year one of my best in the Lightning. Without the boat and Class structure, my family and I would have never been to as many countries and met so many wonderful people.

A stylized, handwritten signature in black ink, appearing to read 'David O. Peters'.

David O. Peters
I.L.C.A. President

Officers of the International Lightning Class Association

PRESIDENT — David O. Peters

Dave has sailed Lightnings since his family purchased #1214 when he was two years old. Since then he has had Lightnings 11055, 11855, 12154 and his current boat, 12754.

Racing Lightnings is a large part of Dave's leisure time. He has attended Lightning Worlds since Helsinki in '71, was part of the winning crew in Buffalo in '73, and also participated in World Championships in Salinas '75 and Speiz '77. He has sailed the Southern Circuit and has raced his own boat in the North Americans and in the Michigan District circuit.

Dave has served as Michigan District Commodore, Secretary/Treasurer, and District Measurer. He has also been an I.L.C.A. Assistant Measurer and Vice President.

When not sailing, Dave is a partner in Fry/Peters Associates, an architectural firm, and President of F/P Development Co., Inc., a construction management company. Both are in Ann Arbor, Michigan.

The Peters are members of Fleet 374, located at Douglas Lake, near Pelston, Michigan. Dave's wife, Shrub, is also a Lightning sailor. They also have a third generation Lightning skipper Jonathon.

TREASURER — David W. White

Dave started sailing Lightnings at age 5 or 6 on his Dad's boat #755 on Skaneateles Lake, but didn't start racing until age 17 in the same boat. Later he acquired numbers 8555, 10555, 12233 and now sails 10196. He is a member of Fleet 471 and sails in the New England District. Previously he sailed in the Metropolitan and Central New York Districts.

Dave's work for the Class has included: Assistant Editor and Editor of the Year Book. Two years on the Budget Committee, and Chairman of the 40th Anniversary Regatta.

When not sailing Dave works for the Main National Bank as head of the Professional Services Department (total financial planning for Doctors, Dentists, Lawyers, etc.) and previously headed up the Pension and Profit Sharing Department.

Dave's wife Joyce stopped crewing for him 3 years ago when their son Carter arrived on the scene. Dave says Carter already knows port from starboard and will sail with him next summer in a few local races.

SECRETARY —

Dr. Donald P. Delorme

Don is a gynecologist practicing in Alexandria, Virginia. He and wife Wanda sail from the Severn Sailing Association in Annapolis, Maryland, they can enjoy the long sailing seasons and beautiful Chesapeake Bay. Traveling almost every other week-end allows the variety of different areas and other Lightning people.

Donald, age 12, is sailing more and enjoying heavy weather now.

Becky, age 15, sails some but has remained dedicated to ballet.

Although there is a J 24 in the future, the Lightning will remain their primary Class for many more years.

CHIEF MEASURER &

VICE PRESIDENT — George V. Fisher

George began racing Lightnings at

Buckeye Lake Fleet 43 in 1947.

In the 1963 Yearbook, when George was Assistant Chief Measurer, there was a reference to his looking forward to the day his two boys would be racing their own Lightnings. This Greg and Matt are doing and George is very proud of them. His wife, Marty (George and she sailed his Lightning at St. Pete Mid-Winters on their Honey-moon) and daughter, Gayle, still crew for George and the boys at Buckeye Lake and other local regattas.

George has served as Commodore of the Ohio District, Vice President of the Ohio ILCA as Assistant Chief Measurer and Legal Counsel.

George is in the private practice of law in Columbus, Ohio.

THE CHAMPIONS

The first National Championships were held when the first boat was publicly less than eight months old. Nineteen boats participated, John Barnes won with three firsts.

In 1945 the Championship was renamed International; there being thirty some boats in "foreign" countries.

In 1961 the first Lightning World Championship was held and that year the Internationals were renamed once again, this time to the North American Championships.

THE LIGHTER SIDE FOR WINNING THE NORTH AMERICANS

by Bill Shore

For "Finesse" this year's North Americans was a different kind of affair. My star crew, Bonnie Shore and Mark Bryant, could not be together for the qualifying event. Bonnie was in Marblehead during the qualifiers sailing in the Adams Semi-Finals. Cory Fisher and Mark did sail in the qualifiers. Upon arriving in Rehoboth, we were met with the usual problem of sail measuring and boat measuring. This year's major problem seemed to be in the area of floor boards which had been previously removed from my boat, but due to a new ruling they had to be reinstalled. Once this was taken care of, the boat was measured and weighed and dropped into the water. However, by this time, the practice racing had started.

To get the feel of the wave conditions and the wind, we sailed toward the racing area to be greeted by a weather front that dropped buckets of rain on us. During the cruise to the racing area, we managed to collide with one of our racing friends, Jack Huntsman. Apologies were made, damage was assessed, and everyone continued on their way. Our practice drill consisted of a few very soggy spinnaker sets and takedowns. Soon the wind died to approximately one knot, and we broke out the paddles and returned to the club. With a four-race, throw out one, qualifying series the practice race has minimum value. The North American event is a very long one, and we generally get all the practice we need during the qualifiers.

The first qualifying race on Sunday was sailed in relatively light air. As I recall we had an excellent start, poked out ahead of the remainder of the fleet very quickly, and won by quite a large amount. Cory Fisher and Mark Bryant did an excellent job during this race calling wind shifts and helping with tactics and strategy.

The second race that day was started again in light wind. In this race we had another excellent start and worked out a good lead. However, during the second weather leg very thick fog came in and the race was cancelled. During the evening we spent time trying to find a place for Mark, Cory Fisher, and myself to stay. As usual, we had not found time the month before the event to reserve rooms. Fortunately, the Muellers, who are usually well organized, had extra space. We squeezed in, and everything worked out fine. Monday, we arrived at the Club after a nice breakfast and geared the boat for the day's battle. We all sailed out to the starting area and the race started in a medium breeze. This time our start was not as good, and we arrived at the weather mark in about 15th or 20th place. As the race continued, we worked our way back to about sixth and finished sixth. It was a fun race, and it was good practice trying to get back into the race; however, it is a lot easier to come back during the qualifying series than it is during the Championship Series. This race was won by Larry MacDonald who did have some excellent qualifying races.

The last qualifying race was another good race for us, good enough to place first in the qualifying series. Sailing up the last weather leg of the race, we talked about letting a few boats get by so that we would not win the qualifiers. Everyone who has attended a North Americans knows that the winner of the

qualifying series never wins the championship series.

This evening was spent around the club with about half of the fleet trying to determine whether they made the Blue Division (the championship fleet) for the final series. As usual many boats had around 27-30 low points, and this would be the group that would either just make or just miss the championship division. The next morning after another good breakfast with Cory and Mark we anticipated Bonnie's arrival after her all-night drive from Marblehead. Low and behold, there she was in the club parking lot sleeping in the car waiting for the day to start. Cory said her goodbyes and drove back to Newport. Bonnie stepped on the boat to take her spot as crew. The first race was easy for us. We had an excellent start, and the crew work was superb during the weather leg. We rounded first and immediately attempted to set the chute. However, the guy or the sheet or something had been led around the shroud, or under the hiking strap, and the sail did not go up. Mark alertedly jumped to its rescue and cured the situation, hoisting the chute before I had a chance to voice my opinion on the matter. We lost some distance to Jay Lutz who rounded second, but we still maintained our lead. During the second weather leg, we chose the right, Jay the middle, and Garry

Demarest the left. Garry chose correctly and just barely took over the lead. Mark and I decided we should tack to the left and try to cross him. As we approached Garry, we could see that we had to make a choice of tacking under him or bearing away and going further to the left. We decided to tack substantially under him and try to work on our speed as we felt our boat should be very fast in these conditions. A minute later we had enough lead to tack and cross; however, we chose to remain to the layline and then cross. We held the lead to win with Jay Lutz second, and Garry Demarest third. For sure, there is no better way to start the North Americans than with a first place. On top of that, competitors like Jim Dressel, Bruce Goldsmith, and Tom Allen had finished well down in the fleet. However, we have to keep in mind that this year's North Americans is six races, throw out one, so anything can happen.

The second race of the day held in similar relatively windy conditions was won by Matt Fisher. Matt sailed very well and was quite fast in the first leg to weather. Bob Adams did an excellent job maintaining second all the way around, and Don Brush finished third. This race was more difficult for us. We had a fair start, but we were sailed over by Don Brush. I am not sure why. We checked the sail trim and everything seemed correct. We made no adjustments as we never worry about speed during the race (we handle this between races). As the leg continued our speed seemed all right, and we eventually got into a pretty fair position. However, as we have all seen many times, this pretty fair spot can turn sour toward the end of the leg. We rounded 11th and did a very poor job downwind rounding outside several boats at the jibe and had trouble controlling the chute. We lost a few boats and dropped back to about 15th. We pulled up to 12th by the second weather mark and up to seventh by the finish. That poor first weather leg and the poor jibe cost us a lot of boats, but eventually we were pleased that we were able to come back

and finish seventh. The evening was spent having dinner with the Dressels and the Fishers. We were all trying to decide at this point who had a chance to win. My feeling was that we had the best chance to win the North Americans but strangely enough Matt Fisher thought he was in the best position and then, Jim Dressel felt he was in the best position to win the North Americans. We knew the argument wouldn't be settled that night so we all turned in to try to settle the argument the next racing day.

The next race started in very light wind. We were out helping someone with sail trim when the warning gun was fired. We were a little late getting back to the starting area, and at the start we were called over early. Jim Crane shot ahead and led at the weather mark. The wind during the race was very fluke. Jim lost his lead and dropped to 11th with Mario Buckup winning, Jim Dressel finishing second, Jay Lutz third, Matt Fisher fourth, and Georges Peter fifth. Our adventures during that race were quite comical. Once we restarted it was obvious the boats on the right were doing the best. We sailed to the right and died. All the boats on the left did very well, and we rounded last, or I should say, tied for last. As I think about it, it is difficult for me to believe that we actually rounded tied for last and hit the boat that we were tied with as we were rounding. The other boat did his 720 which put him definitely in last and us definitely in next to last. On the spinnaker leg downwind, we pretty much remained all alone while we watched the rest of the fleet sail away with a nice breeze while our spinnaker was dragging in the water. However, a couple of legs later they stopped, and we sailed into the middle of the blue fleet. Somehow our middle spot turned into last place again. This procedure repeated itself until we were pretty much last boat at the green fleet and getting near the middle of the yellow fleet. We really couldn't understand what was going on, but we were sure doing poorly. Again, we learned a long time ago never to panic about speed,

and we knew our sails were trimmed exactly as they have been the times when we were very fast in this condition. Mark, Bonnie and myself started to discuss our general tactics, and we began to realize that we were continually sailing toward wind that we could see. When we arrived at this area of the course with wind there would be none, and boats who we were beside five minutes earlier would cross 100 yards ahead. This observation was probably the most important part of our eventually winning this North Americans. We made a vow to hang on and not sail across the course because the wind seemed better there. Instead, we remained in phase on the tack we were on and waited for the wind to become stronger on our side.

The fourth race was a light wind affair that saw Dressel drift across the finish line just ahead of Goldsmith. We managed a sixth in this race after being as far down as 15th. However, Jim Dressel was beginning to look very strong for the regatta championship, and when he won the fifth race, Jim was pretty much a sure winner for the regatta. Matt Fisher had a couple of fair races that put him ahead of us but not really close to Dressel.

The next morning Matt Fisher and ourselves were out very early on the race course reading wind shifts, etc. By the score, Jim Dressel was pretty much a sure winner. He had about 11 points on Matt and 12 or 13 points on us. It appeared that the best we could do would be to beat Matt and finish second overall. However, our hopes mounted when the committee set the starting line and began the starting sequence in very light shifty conditions. This was exactly what we hoped for as it would give us our best chance of winning the regatta. Our game plan was simple, dive to the lefthand corner and use up the westerly wind while the thermal wind on the right would tend to flatten the air there. As we started to the left, we sailed into very light wind; the boats in the middle of the course had lots of wind and a lift. Because of what we experienced a few days earlier, we decided to continue to the left and follow the game plan. We were really enlightened when both Matt and Jim tacked to the right toward this new wind. If we were wrong it would mean a third or worse in the overall standing, but if we were right, it would mean a good chance at first. After you have won the North Americans once or twice in the past, psychologically the only thing you sail for tends to be first place; second, third, fourth, or fifth seem all the same. Our strategy worked. At least it partially worked. The left was very good. The extreme right was just a little bit better but the middle was a disaster. Matt and Jim both selected the middle, and then rounded 13th and 22nd respectively. We rounded sixth. During the race we scraped and clawed our way to second. Glen Darden won, Don Brush finished third, Matt Fisher finished fourth, and Jay Lutz finished fifth. We hung around the finish line counting the places between ourselves and Jim Dressel, and were not sure we won until Jim crossed the finish line in 13th place. This gave us just enough points on Matt and Jim to beat them both.

We have won North American Championships in the past that I felt we should have won. We have lost two or three that I felt we should have won. This is the first time we won one that I felt we shouldn't have won, so the score is becoming more even. However, when someone reads the list of North American Champions some years from now they will never know that we should not have won. Therefore, we decided to accept the trophy.

DON DELORME DRIFTS THROUGH

(Presidents' Cup 1978)

by Sandy Huntsman

The 1978 Presidents' Cup will probably be remembered for two things: the number of boats which in the past have competed in the Blue Fleet, and the shocking turnabout of the wind conditions between races two and three. Almost one third of the Green Fleet had sailed in the Blue Fleet in past North Americans. Included in this group were Don Delorme coming off a 5th in the recent Worlds, and two time North American runner-up Jim Carson.

After the usual measuring, weighing, psyching, and tuning were over, the contestants got down to the sailing. This in itself was not easy as we lost one tune up race to a lightning storm, and one to fog.

Following the customary Damns, If Onlys, and I Was Robbeds after the qualifying series, the unusually high-powered Green Fleet went out to do battle in earnest. As the qualifying series winds had been good, we had no reason to suspect that the Championship Series would be any different. The first two races were real smilers for those who like good medium to heavy wind, and we were all looking forward to a continued fine series with the onset of the third race. Then, the roof fell in.

Allowing for difficulties in recording, and fortunate lapses in memory, the following is put forth as a reasonably accurate description of the Green Fleet adventures and misadventures of 78.

RACE ONE

This race was started in good 10-18 m.p.h. winds from the southeast. Bill Neal found the early going to his liking and led the forty-three boat fleet to the first mark. He was followed by Don Delorme, Jim Carson, Dick Hallagan, and Joe Friebele. Places changed downwind, and at the drop mark it was Delorme, Hallagan, Neal, Carson, and Friebele. On the second beat Carson slipped by the leaders to round the weather mark first followed by Delorme, Jed Dodge, who was moving up steadily after being seventh at the first mark, Hallagan, who had to do a 720 and slipped to 7th at the finish, and Neal Dodge continued his move and got the winner's gun. He was followed by Carson, Delorme, Neal, and Friebele.

RACE TWO

The Wind God continued to cooperate, and race two was started in good 16-24 m.p.h. winds from the southeast. Leading to the weather mark was Jim Carson closely followed by Jed Dodge, Bill Clausen, Steven Craig, and Randy Ruhlman. Downwind Dodge passed Carson and led going into the second beat followed by Craig, Carson, Clausen, and Bob Wardwell. These five held their relative positions until the final beat. On the beat to the finish Carson slipped by Craig, and Wardwell passed Clausen. Following Dodge who again got the gun were Carson, Craig, Wardwell, and Clausen. With two firsts

The Champ — Don

in two races, Dodge had shown that with good wind he was certainly to be reckoned with.

RACE THREE

Having lulled us into a false sense of well being by the excellent winds of the first day, the Wind God turned his back upon us and cast us a bag of horrifying unpredictable, alternately shifting and disappearing light airs.

At the start the wind was light and from the west at about 3-5. Robert Buckup, who was the only one to solve the shift problems, led to the first mark and was never headed. He was followed at this mark by Dave Peters, Dick Hallagan, Tom Waters, and Steven Craig. Here the wind began to break up and shift. Don Delorme, John Schneider, and Jack Huntsman who had terrible first legs and had rounded the first mark 34th, 28th, and 23rd respectively, found themselves at the outside of a 35 boat wheel approaching the jibe mark. This seeming disaster turned to good fortune as they found themselves following Buckup around the second weather mark along with Rob Ruhlman who had moved up from 13th to 3rd.

At this point things which had been bad, got worse, and the downwind events defy any accurate description. Ruhlman and Huntsman somehow slipped to 33rd and 35th. Buckup, who

seemed to be the only one to escape disaster at all times, won followed by Schneider, Peters, Delorme, and Carson. Previous leader Jed Dodge, who had arrived at the first weather mark 7th and well in contention, fell victim to the vagaries of the wind and suffered a 34th.

RACE FOUR

Again the shake-ups caused by now-it's-here, now-it's gone wind were unbelievable. Robert Buckup was the only contestant to solve the problems presented by the unpredictable winds and by consistent sailing won his second race in a row. Here the only records available are for the jibe mark, and as I was always so far back that communication with the leaders would have been possible by carrier pigeon only, accurate reporting of the proceedings is impossible. It is interesting to note, however, that Thomas S. Allen second, Gordon Kellog third, Dick Hallagan fourth and Tom Waters fifth turned the jibe mark 33rd, 32nd, 24th, and 27th respectively, a shakeup which was becoming the rule rather than the exception.

RACE FIVE

As if our nerves weren't frayed enough, the Wind God served us another fluky light air race. We were encouraged by what seemed to be reasonably steady air until it moved from the west to the southeast turning the last leg into a down wind leg. Here again records are incomplete. Joe Friebele, who led for the first time around, fell victim to the final shift and dropped to 13th at the finish. Don Delorme was the most consistent throughout the shifts and won the race followed by Bill Clausen, Sandy Huntsman, Jim Carson, and Jack Huntsman, who had also led at one point in the race.

RACE SIX

Entering the final race it was obvious that either Jim Carson with 13 points with a throwout and 19 without, or Don

Delorme with 14 points with a throwout and 30 without would be the probable winner.

This race will be remembered as the largest rafting party ever held by the Lighting Class. At least 80 boats approached what was to have been the second weather mark going downwind with spinnakers alternately drawing and drooping. At the drop mark before the rafting party Carson, who was 9th to Delorme's 16th, appeared to be the winner. Here, as with the Blue Fleet, what seemed to be was not to be. Carson fell victim to the miseries of the rafting party and finished 31st, while Delorme moved up to 9th which was good enough to win by 3 points.

The top five finishers for this race which was mercifully shortened to finish at the original drop mark were Tom Waters, Robert Buckup, John Schneider, Betsy Gelenitis, and Joe Friebele. Our finish was perhaps typical of this unbelievably frustrating race; we finished 8th in the Green Fleet, about fourth in The Yellow Fleet, and about 20th in the Blue Fleet.

At the end the following skillful and fortunate skippers finished in the money: Don Delorme 23, Jim Carson 26, Jed Dodge 31, Robert Buckup 35, and Dick Hallagan 38.

EPILOGUE

As Mark Antony said in Shakespeare's *Julius Caesar*, "The evil that men do lives after them; the good is oft interred with their bones..." Around the winter hot stove circuit and in the discussions of 78 in years to follow, unfortunately forgotten will be the good qualifying series and fine winds of the first two championship races. Recalled and recounted will be agonizingly horrendous fleet mix-ups of races three through six.

For those who managed to survive the vagaries of the uncertain winds, "All's well that ends well." For the rest of us there's the oft heard "Wait until next year." Congratulations again, Don.

GOVERNORS' CUP 1978

by David Sprague (11174)

There is more to regattas than just the races so this story is about "Janitor" and our crew's total trip to the North Americans.

The story started at the Buffalo Canoe Club in July when 11174 qualified (just) to attend the NA's, as did a few other daring Canadians. Mike (super salesman) Vollmer from Hamilton also qualified but in order to afford it he had to do the trip on the cheap. That meant a Winnebago and double trailing, instead of the ritzy motel route. Me, being the more gullible of the Canadians, listened to his stories of cheap, friendly, air-conditioned comfort in a cozy Winnebago. Mike went on at length about his very successful trip to the Southern Circuit in this same bus two years ago and numerous forages in it before and how great it would be. I said okay after convincing Cathy and Stewart that it would be a great experience.

We spent the next few weeks getting my trailer ready for double decking the two boats and planning menus for the adventure, as well as thinking about living in air-conditioned comfort 50 yards from the water during the regatta.

On Friday afternoon Stewart, Cath and I hitched up the two boats to Stew's car and drove the 70 kilometers (40 miles) to Mike's house, where the bus was to be. We arrived at 6:00 p.m. to see no bus, no Mike and no sign of Sheena and Paul, the rest of Mike's crew. We concluded that they had not gone ahead of us as we had the important ingredient for racing — the boats — so we settled down to wait. About a half hour later an old rickety Winnebago came wheezing around the corner and we prayed that it was just some one lost from the nearby highway. No such luck however. It parked and Mike hopped out, cursing and swearing. We hopped aboard and followed his example. The great bus we had hoped for apparently had been on the road ever since Mike used it two years ago and it had not been cleaned or serviced since then.

To make a long story short, the next four hours were spent by Cath and Sheena cleaning out the van while Paul, Mike, Stew and I got the stove, fridge, lights, etc. running, as well as loading up the bus. We put the scuba tanks (this was to be a vacation), masts, bikes, etc. on the roof and centerboards, tools, etc. in the van. We were finally off at 11:00 p.m., all 55 feet of us.

We got to the U.S. border at 12:00 midnight, a normal 40 minute drive, and stopped to check all the ropes and connections, as well as to register the cameras and diving equipment so that we didn't get accused of smuggling on the way back. At 12:15 a.m., all that done, we climbed aboard to go and at 12:40 we finally got the engine started (apparently it did not like to start when it was hot).

We crossed the Peace Bridge at Buffalo in time to see Anne Allen coming back from the women's NA's and going the other way with her boat, so we figured that we would easily make it to Rehoboth on time. The toll on the bridge was

substantially higher than usual so we decided to use the roads with as few tolls as possible. Customs waved us through after rolling their eyeballs at the sight of us and off we went.

Mike took the first driving stint with Paul while the rest of us tried to sleep (next to impossible because of the lumpy bed, road and noise). The drive was quite uneventful except that toll-less roads are slow and Stewart got us lost everytime I left the navigator's chair to get a Pepsi from the fridge. Our estimated arrival time of 10:00 a.m. passed and we were still in the hills somewhere. At 12:00 noon, the deadline for registration, we were in Maryland and phoning for forgiveness and promising to keep our foot to the floor to get there as soon as possible.

We arrived at 1:30 p.m. to be registered as 117 and 118, second last and last. The committee was great to us and helped us unload, measure sails and everything. In fact, they thanked us for phoning ahead when we thanked them for waiting for us. A great group of people!

A thunderstorm came through and we missed the practice race but we did get the boat checked in. Poor Janitor put on a few pounds because of the addition of a few pieces of wood designed to add strength to an already strong floor. The boat weighed a mere 750 pounds! I started my long-needed diet and Billy delivered my new main and jib, the first US sails I had had in two or three years.

For the first night we slept in the state park with a nice cool breeze keeping the bus comfortable. At 4:00 a.m. a state trooper told us to get out of the park and back to the club or we would get a ticket. Mike told the gentleman to put the ticket on the windshield and we would pay in the morning. The trooper was not amused and got adamant about the fact that Delaware was not really that nice to foreigners. We all scurried about the bus taking off the clothes from the line we had strung outside the bus, and we got a police escort back to the club.

We were greeted at the club by a host of sandflies who really appreciated the opportunity to go through screens and feast on the unsuspecting tourists (remember this was our vacation.). We got up itching and scratching, thinking things couldn't get worse and went out to sail the qualifying series.

In the first race we had our normal blanketed start and I went off to the left in clearish air, while everyone went right to pick up the expected sea breeze. We made a few tacks as the wind oscillated and then came across on a long port tack to round the first mark in about 6th place. We caught a few on the reach (like that Canadian spinnaker) and then lost one on the beat to be 4th at the second weather mark, only to have the race abandoned because of fog just as we got to the gybe mark (still in 4th).

Things did get worse I'm afraid and we managed to qualify in the top 10 in the Governor's fleet. Back on shore we finally arranged to run a cable to plug in the van's air-conditioner only to find that, with all the other vans on the circuit, we blew the club's circuit at least once a day.

Now for the racing — the thing that has drawn us to the sunny south. This will be short as I have a poor memory for races and tend mostly to ignore the other boats and where they are going.

First Race We watched the first two fleets going up the weather leg and decided to go right. The pin end was slightly favoured and so we started there, then went through the pack

on port. It turned out that the left was favoured so we rounded the first mark about 20th with Dave Peterson (last year's President's Cup winner) in 1st, followed by Jim Pinion and Lenny Krawcheck, with Supersalesman Mike Vollmer in 4th and Al Mast in 5th. On the first reach, which was broad, there was a lot of changing of positions — we got five boats but the other leaders held on. On the second time around we gained one boat to start up the last weather leg 14th. Dave Peterson did something wrong and was 7th going up with Al Mast in 1st, Jim Pinion in 2nd, Jorge Freeland 3rd and Krawcheck and McKinley close behind. We went right up towards the coast and the wind picked up a bit over there so we made it to 8th with Mast 1st, Krawcheck 2nd, Freeland 3rd, McKinley 4th and Pinion 5th.

Second Race The wind was a good 12 - 15 mph and gave nice racing compared to the first race where it had gone from 5 - 15. The Race Committee decided to free up the course and set a good true line. The right side was the place to be in this race, however you had to watch out because the water was shallow on the right and many boats hit bottom. We went right as soon as possible after the start and had a long lift on starboard, coming into the weather mark. Greg Florian was 1st at the mark, McKinley 2nd, Fred Mertes 3rd, followed closely by ourselves in Janitor, being chased by Dave Ingram, James McCoy and Ray Harrington Jr. At the first reach the fleet spread out with some going high and some low, so we decided to be the conservative Canadians and went straight for the gybe mark. Thank God we did — we rounded ahead of the pack which created mass confusion at the mark behind us. By the time we got to the second weather mark the top five were all the same people except that David Hastings had moved to 5th and Fred Mertes had dropped to 6th. Going up the last weather leg we had managed to crawl up to 2nd with McKinley ahead and Florian just behind us, Ingram in 4th and Hastings in 5th. The last leg was a covering duel with us tacking on Florian and McKinley tacking on us. However Florian made the mistake of not tacking on Ingram, who took a long hitch to the right and beat us all. The second race finished with Ingram 1st, McKinley 2nd, Sprague 3rd, Florian 4th, Hastings 5th, Mast 6th and Vollmer with a very fast leg at 7th.

Third Race This one started off with extremely light air and by looking up at the Blue and Green fleet we knew we were in for very shifty winds. The wind at the start shifted 20° East as the gun went off and we were at the pin end. The lift never really hit us so we tacked and tacked and tacked and tacked whenever it appeared we were getting headed by more than 10°. The fleet was a mess as the lead kept changing as the wind did. A clump of boats led by Mast, John Mueller, Krawcheck, Joy Matheson and Craig Thayer made it around the first weather mark before the wind died. The rest of us watched and then sat and chatted with the boats nearby like Vollmer, Nancy Young and Peterson. The wind finally got us around with Nancy in 20th and ourselves 27th and Mike in 28th. The wind had gone 50° to the west now and we couldn't fly a kite for a while so we went high, which paid as we caught three boats (including Nancy) at the gybe mark and caught another six by the second weather mark. Mast and Krawcheck were 1st and 2nd with Charlie Medlock 3rd, Matteson 4th and John Swanson 5th. Our tacking on shifts and staying in the middle

gave us 18th at the mark.

On the third reach we again went high, got a nice puff and passed a few boats to round the gybe mark 13th with a clump of the Green fleet stragglers. We went high to protect ourselves but then about half way along saw the wind coming in from below us in the opposite direction. We reached off to get there sooner and in the process passed Jack Burwell who was near the front of the Green fleet. Those who stayed high got killed as the wind filled in and they had to take down their kites and tack for the leeward mark. We carried the kite most of the way and just took it down for the last few hundred feet. After rounding the mark to go up the weather leg with most of the Green fleet, we put up the kite again and tried to stay in the middle of the course. The seabreeze then died and the old northerly came back. We disengaged the spinnaker from the shrouds, forestay and mast and tried to beat again. We lost a few boats as the wind came in from the left side but they were mostly Green fleet. As we came in to the finish we caught sight of the last boats in the Blue fleet finishing. The race finally finished with Medlock 1st, John Turney 2nd, Mast 3rd, Young 4th and Sprague 5th.

Fourth Race The place to be on the first leg of this race was on the left side; however you didn't find that out until you got to the mark, as the wind shifted all over the place. We went up the middle and rounded 12th behind Ron Blair in 1st, Krawcheck 2nd, Florian 3rd, Vollmer 4th and Mast 5th. The first reach was tight, with some boats only using jibs. The second beat was an exercise in frustration as the wind continued to wander. By the third reach some of our leaders

had caught the Green fleet and the gybe mark was a mess. On the next reach the wind died and the fleet spread out and shuffled around. Starting up the last weather leg it was Blair in 1st, Krawcheck 2nd, Vollmer 3rd, Peterson 4th, Florian 5th and we were 6th. Mast and Dave Fitch got around just behind us and the wind came in from the sea again, giving us a reach to the weather mark and forcing those who had not made it to the mark to tack to it. We all put distance on the rest as we went straight for the weather mark while Blair, Vollmer et al went high to catch the seabreeze better. The seabreeze died and a large hole developed as the wind came in from the north again. We went left and caught it early and managed to win the race with Krawcheck 2nd, Peterson 3rd, Blair 4th, Vollmer 5th, Florian 6th and Mast 7th.

Fifth Race At this point we were in good shape in the standings and with the shifty winds I decided to start in the middle of the line and tack on shifts. This paid off as we rounded 1st with McKinley and Peterson close behind. The first reach was broad and we kept our lead to gybe 1st, with McKinley and Peterson 2nd and 3rd and Florian and Mertes close behind them. Bill Holland and Vollmer were next as 6th and 7th. We carried the kite for a while after the gybe but couldn't hold it. Both McKinley and Peterson could, so we lost ground. On the next beat not much happened and we all held our own. On the third reach Woody and Janitor pulled away from the rest. At the 2nd gybe it was Janitor, Woody, Florian, McKinley, Mertes, Ingram and Vollmer. On the fourth reach we again couldn't hold the kite while Peterson could so he

Hold that Tiger

passed us. The wind had shifted again so they moved the weather mark, although not enough as it was still one long tack to the weather mark. The race finished with Peterson 1st, Sprague 2nd, McKinley 3rd, Florian 4th, Mast 5th, Turney 6th and Blair 7th.

Sixth and Last Race (Thank God) We were in first and only needed to finish in the top five to win the regatta. If we did worse, we had to make sure that Mast was 4th or worse. We decided to start near Mast and sail with him. This was a great theory except that everytime we got nearer he was faster, so I decided to give up on that tactic and concentrate on the wind. We made it to the first mark in 3rd with Mast way back in the 20's. (He had gone left while we had gone center-right). We felt great and proceeded to pass the two boats ahead to gybe 1st with McRoy 2nd, Mueller 3rd, Blair 4th, Frank Marinaccio 5th, Sam Pearl 6th and John Esser 7th and Mast 21st. The next reach we went straight for the mark and caught some Green fleet boats. The rest of our fleet went high and we all made it to the mark just as the wind started to come in from the sea. The Blue fleet was still beating for the weather mark as we were reaching. We went straight for the mark and then watched as our wind died and the guys behind all hoisted kites and sailed by us to weather. About 10 to 20 Blue boats made it to the weather mark but the rest of the boats — all 80 or so — converged on the weather mark trying to gybe around it together. After numerous collisions etc. the wind came up and we sat and watched everyone sail away, including Al Mast. The seabreeze then came in quite steadily and the race was shortened to four legs, with us finishing at the back. We had lost sight of Mast at the weather gybe mark and then saw him

finish at what we thought was 3rd (and he thought was 7th). Because of the mix-up of boats' positions we weren't really sure of the positions until the banquet and we worried all afternoon. The final results for the race were Krawcheck 1st, Pearl 2nd, Marshall Walker 3rd, Mueller 4th, Hall 5th, McKinley 6th, Mast 7th and we were 27th. Needless to say that was our drop race!

The final results for the Governor's Cup were Sprague 1st, Krawcheck, 2nd and Mast 3rd.

The Trip Home After a very frustrating last race and a frustrating week of living in the bus with five other people, we were all quite happy to leave Rehobeth immediately after the banquet and to head back north to the cooler climate of Canada. We filled up with gas on the main drag in Rehobeth (after blocking traffic for 5 minutes with a U-turn in the main street), only to re-discover the necessity of not stopping the bus engine while refueling.

Mike took his frustrations out on the bus as we drove off and the rest of the trip to the border was quite uneventful except for Stewart and Paul getting lost in Philadelphia and my U-turn, that included a short hop over the curb, in front of a Philadelphia police station.

We made it to the border to find that we had been out of the country long enough to buy lots of booze at the duty free store and to save a whole bundle on the import duties on the sails. Back in Toronto I found that I needed a new tire on the trailer and that the axle was bent but not broken.

In net, the experience was worth it and I've got to thank my crew for putting up with me through it all. See you all next year at Cleveland.

XXIV SOUTH AMERICAN CHAMPIONSHIP

by Nelson Schmitt

The twenty-fourth South American Championship was held from the 26th of March to the 2nd of April, 1978, at the Yacht Club Santo Amaro in Sao Paulo, Brazil. This club is located 20 km. from the heart of Sao Paulo on Guarapiranga Lake, a man-made reservoir created in the early 1900's.

All visiting crews stayed in the dormitories of the club and received a warm and hearty welcome. There were six crews from Chile, four from Argentina, two from Uruguay, and one from Peru. The top six of the Brazilian Championship had qualified for this championship. The Chileans sent their boats by truck across the Andes, Argentina trailed two boats, and the rest of the crews borrowed fiberglass hulls locally. All boats arrived O.K., but we were told that Argentine Mario Abinzano's boat had passed him on a down-hill, going at 80 km/hr! It just kept going in a straight line (very good hull!) and stopped by itself at the bottom of the hill, no harm done. Abinzano hitched it up again to his pick-up and was one of the first to arrive in Sao Paulo!

Another early arrival was Isidoro Melero from Chile. He and Abinzano quickly set up their boats and were off sailing, the reason being that the Brazilian Championship was being run on the same course as they would have for the South Americans the coming week. Those wind shifts were soon learned as they hovered around the Brazilian fleet!

With all boats "dry-sailed" the measurement committee, headed by Wolfgang Auerbsch, did a thorough and precise job. Centerboard angle measurements had a lot of crews either chipping away at centerboard boxes or mixing epoxy for wooden chocks.

The first warm-up race, with 19 boats participating, was on March 28th and won by Homero Maria Came from Uruguay, Rufino Melero from Chile was second.

FIRST RACE

With a 2 p.m. start, it was warm and sunny with light winds. George Rider from Brazil led at the windward mark, followed by Isidoro Melero, Chile, and Luiz Lebreiro; Brazil. Spinnakers flew and Lebreiro passed high on the reach and overtook them both. Going to windward, Lebreiro kept his head, but Mario Buckup, who had had a bad start, was on Lebreiro's "heels", followed by Isidoro and George Rider. These positions remained the same except at the last windward leg to the finish, when the wind dropped. Lebreiro crossed first, Rider second, and Alberto Gonzalez from Chile, who had been running in sixth got a big wind shift at the finish and crossed third.

SECOND RACE

At 10:30 the second race was underway, again with light winds from the east. Claudio Kunze led at the first mark, followed by Luiz Lebreiro and Manuel Gonzalez. From then on it turned into a drifting match, positions changing with any

little puff. Lebreiro pulled away 200 meters, but Abramowitz and Robert Buckup were moving up. At the last windward mark, Abramowitz pulled away and won, Robert Buckup was second and Claudio Kunze got a crazy wind shift and crossed the line in third, with his chute up.

THIRD RACE

Starting with medium wind (force 3 from the south), Mario Buckup led at the first mark with Abramowitz and Isidoro Melero following. With the two leaders fighting for better positions on the run, Melero passed them both. Positions didn't change much on the other legs, but the first seven were getting bunched up. At the last gybe buoy, eight boats rounded together. Who got the worst of it was Javier Pascuchi from Argentina. During the gybe he was covered and his boom gybed again and caused him to have three stitches on his eyebrow. The last windward leg was a spectator's delight: seven boats were neck to neck. Manuel Gonzalez passed four boats by going up the middle of the course, and won. Claudio Kunze and Isidoro Melero also went up the middle and finished second and third.

FOURTH RACE

A good northeastern wind blew at 10:15 for the start. The stiff 18 m.p.h. wind was now blowing and Mario Buckup rounded the buoy first, followed by Lebreiro and Alberto Gonzalez. Positions changed on the spinnaker leg and Abramowitz, Robert Buckup and Javier Pascuchi moved up close to the leaders. Positions changed on the second windward leg with Mario Buckup, Lebreiro and Abramowitz rounding in that order. Mario kept his lead and won, Robert passed Lebreiro at the finish line, Abramowitz was fourth, George Rider fifth, and Pascuchi, with a taped up eye, ran his best race with a sixth place.

FIFTH RACE

Things were getting tense. The Race Committee needed two starts to get the race underway. The six Brazilian boats were practically tied with each other. With one throw-out, Mario and Lebreiro each had 10 points, Kunze, Abramowitz and Rider eleven points each, and Robert Buckup twelve points! The other close contenders were Manuel Gonzalez with nineteen and Pascuchi with twenty-five.

After the first recall, the fifth race was started at 10:25 on April 1. Manuel Gonzalez took the lead, Jose Bareda Moller was second and Kunze third. Mario Buckup passed both of them on the spinnaker leg and was second at the next windward mark, with Gonzalez in front of him and Kunze right on his transom. Kunze and Mario had quite a duel on the next run and Gonzalez pulled away. Gonzalez won his second race. Kunze clipped Mario on the last leg and they finished second and third, respectively.

SIXTH RACE

After a picnic lunch on shore, the sixth and last race was started at 2 p.m. With a 20 m.p.h. wind and a bit of a chop, again two starts were necessary. At this point Mario and Kunze were tied at 13 points and Robert had 14 points.

Mario led the first two rounds with Manuel Gonzalez hot on his transom. Robert, Abramowitz and Rider were having their own little race. It began to get gusty on the last reach and Gonzalez' spinnaker split in half. The spectator fleet stared aghast as his boat went from planing speed to a wallow. As the spinnaker shreds were being recoiled, Robert and Abramowitz passed him and Gonzalez finished fourth. Mario went on to win, followed by Robert, Abramowitz, Gonzalez, Rider and Mario Isola.

At the awards banquet, International Vice-President, Denis Clemence presented the South American Championship trophy to Mario Buckup and his crew — wife Thelma and Joaquim Feneberg. This was the third time Mario had won it. In second was Robert Buckup and third, Claudio Kunze.

26TH EUROPEAN LIGHTNING CHAMPIONSHIP 1978

HELD AT PHALERON BAY AND HOSTED
BY THE YACHT CLUB OF GREECE AND
PARTHENON LIGHTNING FLEET NO 286

by George Andreadis

Once again it was Greece's turn to hold the Lightning Championship. It was very fortunate to have so many Lightning friends from all over Europe to participate in the event, but above all it was our immense honour and pleasure to have the President of the International Lightning Class Association and his excellent crew Gregg Fisher and Patti Burton as well as our wonderful Executive Secretary, Helen Limbaugh and her husband Jay Limbaugh, Honorary Commodore of the Class with us.

The racing took place under excellent conditions and with varying wind strengths.

First Race:

The wind was out of the North with a relatively calm sea. At the first mark Urs Wyler of Switzerland lead but was

subsequently passed by George Andreadis on the first reaching leg. At the end it was George Andreadis in first place with Urs Wyler second, Alfie Georgiadis from Greece third and President Schneider in fourth place.

Second Race:

The wind was from the same direction but somewhat lighter and very shifty. At the finish line George Andreadis was first just passing President Schneider with our good friend Claude Lambelet of Switzerland in third place.

Third Race:

This time the wind came from the South, was light to medium with small chop. At the end George Andreadis was first for the third consecutive race, his brother Alexander Andreadis second and Urs Wyler of Switzerland third.

Fourth Race:

Wind again from the South but lighter than the day before. Especially in the last leg there were holes all over the place. Finally Luigi Merola of Italy got the winning gun with Christopher Luthy of Switzerland second and George Andreadis third.

Fifth Race:

Wind out of the South and light. Nando de Amicis of Italy captured first place with 1977 European Champion Jean-Claude Dupasquier second and Christopher Luthy a close third.

Sixth Race:

Again wind from the South light to medium. Nando de Amicis of Italy finished first with George Andreadis a very close second and Claude Lambelet third.

The overall standings for the first three places were as follows:

1.	George Andreadis	Greece	8
2.	Christopher Luthy	Switzerland	20
3.	John Schneider	U S A	24

The prize giving ceremony was a very pleasant occasion for everyone and was held at the Club House of the Yacht Club of Greece. Everyone had a very good time and made a date for the next European Championship to be held in 1979 in Finland.

FIRST WORLD YOUTH CHAMPIONSHIP

by Jim Craig

Conceived by the elder Larry MacDonald, and nurtured by many who see the future of the Lightning class in its young competitors, the Lightning World Youth Championships began with a spectacular success in Lima, Peru, November 23-27. Our Peruvian friends, ably led by Dr. Charlie Navarro, set high standards of regatta quality and hospitality. Close competition, fine race committee work, and good winds prevailed in the regatta, won by Stephen Craig, Jeff Grinnan, and Cindy Craig, of Rush Creek Yacht Club, Dallas, Texas.

Eighteen crews participated, representing Argentina, Australia, Brazil, Canada, Chile, Ecuador, Peru, Switzerland, and the United States. Each crew used its own sails. The Peruvians furnished eighteen Lightnings of the same make, six each of the 11, 12, and 13,000 series. After careful efforts to equalize tuning and rigging differences, the Peruvians assigned the boats to six strings of three each, with each string having one boat of each age group. The competitors then drew for strings, and rotated boats within strings after every two races.

Races were sailed off Callao, the port of Lima, in an area noted for light and steady winds with little current. True to form worldwide, the wind refused to cooperate with predictions, this time being heavier than normal.

Overcast skies, cool southerly winds at 12-15 knots and moderate seas, greeted the competitors for the practice race on Friday, November 24. Gustavo Ripoll of Argentina led at the first windward mark, followed closely by the Texans and Larry MacDonald's Canadian crew. Passing the Argentinians on the first two reaches, the Texans and Canadians dueled around the Olympic race course to finish in that order, followed by Alex Zimmermann of Peru, and Jack Huntsman of the United States.

Similar conditions prevailed the next morning for the first official race. Craig and MacDonald started well at the slightly-favored pin, and were having a close race for first, tacking up the middle of the course, until Zimmermann took their sterns in the last third of the leg, went to the right side, and found what he was looking for to round the first weather mark in the lead, 16 seconds ahead of Craig and 20 seconds ahead of MacDonald. The three leaders, whose positions did not change on the reaches, had a good tactical match on the second weather leg, and rounded the second weather mark in the same order, separated by seconds. The next leg, a run on the Olympic course, saw the leaders in a furious jibing contest, with Craig taking Zimmermann on the last jibe to round the leeward mark first, followed closely by Zimmermann and MacDonald, who were overlapped at the mark. With MacDonald and Zimmermann in a tacking duel up the last weather leg, Craig was able to cover conservatively to preserve this lead at the finish line. MacDonald broke through Zimmermann midway to the finish, and finished second. Affected by MacDonald's cover, Zimmermann suddenly found himself beset by Hugo Castro's Argentinians. Ripoll, of Argentina, found a nice slant on the left side near the finish to

cross Zimmermann and Castro for third place. Sailing coolly and steadily, as he did throughout the regatta, Castro claimed fourth with a crisp tack at the finish line, followed immediately by Zimmermann and Huntsman.

The wind built slightly for the start of the second official race on Saturday afternoon, but decreased to 10-12 during the race, which ended with the sun breaking through the overcast. MacDonald took the start with perfect position at the pin, pinching off Craig to weather, who had to take sterns to get to clear air. Leading from the start, MacDonald held a 30 second lead at the weather mark. Craig worked through the fleet well to round second, followed closely by Lars Dyck's Ecuadorians, who had suffered a broken boom and a DNF in the first race. Dyck's excellent crew, showing exceptional heavy-air reaching speed that would be their trademark throughout the regatta, surprised Craig by powering over him on the first reach. Bearshell's Australians, new to the Lightning but learning fast, also found good reaching speed in fourth to close on the leaders at the leeward mark, where the top four boats held a good lead over the remainder of the fleet. Early in the second weather leg MacDonald had a problem with his jib halyard and lost ground to Dyck, but still held his lead at the second weather mark. On the run Dyck overtook MacDonald, but was forced to round sharply by MacDonald, who rounded smoothly and used his speed advantage to roll over Dyck to weather and regain the lead shortly after the rounding. The Australians rounded the leeward mark in fourth, just behind Craig, and then on a long starboard tack found the necessary speed to inch through the Texans' lee and cross them near the middle of the leg. However, taking a shot at the leaders, the Australians failed to cover Craig, who held for a slight header, found it, and reclaimed his third near the finish line.

After the first two races, MacDonald, who convincingly won the North American Junior Championships in August with a perfect score, held a one-point advantage over Craig, second finisher at the Junior NA's. With the closest competitors at that stage, Castro and Ripoll of Argentina, 5 and 6 points behind, it appeared to some that the regatta might become a two boat battle between the Texans and Canadians. That notion was quickly dispelled.

Sunday morning, which was bright and sunny after the morning inversion broke, the race committee started the third race in a 4-6 knot southerly. MacDonald and Craig started well and favored the right hand side of the weather leg. They and others with them discovered mid-way up the leg that Castro, who had gone left, had made the better choice and found more wind. Castro rounded first, with a substantial lead, and MacDonald and Craig, almost becalmed, struggled to round 14th and 15th. The first two reaches were uneventful, but the wind went sharply right on the second weather leg as the breeze began to fill, mixing up the top half of the fleet, and confusing everyone but Castro, whose lead was so great that he appeared to be a spectator. With the fleet sailing a double

triangle course, and the wind increasing and continuing to veer, most boats were unable to fly chutes near the end of the fourth reach. The last weather leg began as a close reach, but ended as a perfect beat when the wind backed just after the last boat rounded the leeward mark. Castro was followed at the finish line by the Australians in second, Rafael Lecaro's Ecuadorians in third, Victor Mardones' Chileans in fourth, and Ripoll in fifth. MacDonald had only been able to recover to 11th, and the Texans could only manage a 16th, both indicative of the depth of the fleet. Castro had gained the regatta lead at its mid point, and it was clear that the fleet was peppered with legitimate contenders, particularly with a throw-out available.

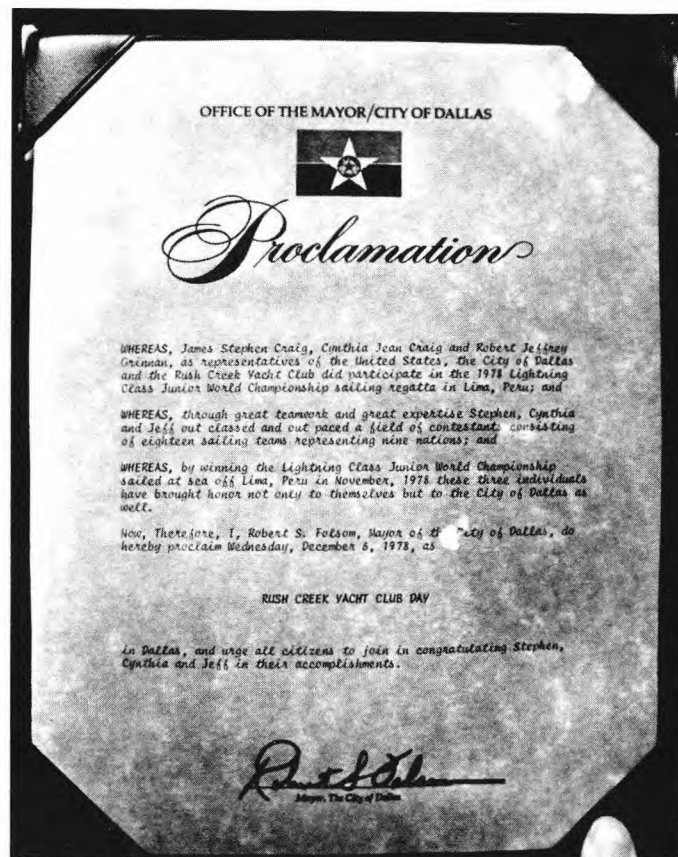

The fourth race, that afternoon, began in 10-12 knot southerly winds. MacDonald again gave lessons in perfect starting, at the pin, riding over the Texans, who were unable to lay the mark and had to jibe and cross behind the fleet on port tack to reach clean air. Dyck, starting well and playing the right hand side of the course, got to the first weather mark with a 25 second lead, followed by MacDonald, Zimmermann, the Australians, and the Texans. Dyck again powered away on the reach in increasing wind. The next four boats were almost overlapped at the leeward mark, more than one minute behind Dyck. On the second weather leg the right side again worked best. Craig gained by being a bit farther to the right than the other leaders, and rounded second at the second weather mark, just ahead of Zimmermann, MacDonald, and Bearshell, who rounded within four boat lengths of one another. On the next leg, the Olympic course run, Craig was unable to avoid the interference of the nylon cloud astern, losing Zimmermann and MacDonald on the approach to the leeward mark, and barely rounding ahead of the Australians. Playing the shifts perfectly, and showing excellent speed, the Australians passed all but Dyck on the last leg to finish second, followed closely by Zimmermann and MacDonald. Committed to a header on the last short tack, Craig was caught at the finish by Ripoll, who finished fifth. Castro was just behind in seventh.

Counting throw-out, six boats entered the last day of races, on Monday, within 6 points of one another, with MacDonald leading, Bearshell one point behind, and Craig and Castro tied for third three points behind, just ahead of Dyck and Ripoll.

Bright sunlight and a 6-8 knot southwesterly greeted the fleet Monday morning for the fifth race. Although the wind increased some during the race, it had few significant oscillations. The race was predominately a test of speed to weather in a light to moderate chop. MacDonald took his accustomed good start, at the pin end, with Craig just to weather. The entire fleet soon tacked to port, playing the right-hand side of the course. Craig reached the weather mark first, just ahead of Castro and the Peruvian boats skippered by Alfredo Montoya and Edmundo deville. MacDonald, Bearshell, Ripoll and Dyck all had problems on the weather mark approach. MacDonald rounded tenth, but quickly moved into fifth on the first reach. At the second weather mark, Craig had increased his lead over Castro to 40 seconds, and MacDonald had worked his way through the fleet to third, just ahead of Zimmermann. Zimmermann passed MacDonald and Castro on the run. Craig covered conservatively to the finish line, but positions astern changed in various tacking duels. Castro broke through to finish second, Rafael Lecaro, of Ecuador, took advantage of the tacking duels and a small shift near the finish line to cross third, just ahead of a closely bunched group.

MacDonald was caught in the group, crossing eighth. Bearshell was tenth, Ripoll twelfth, and Dyck thirteenth.

Entering the last race, at least eight boats could still win the regatta on some reasonable combination of finishes. With throw-out, Craig led Castro by one point, MacDonald by four, and Bearshell by seven. With so many in the running, a general recall on the first start was not surprising. On the second start, Craig was recalled for starting prematurely, Castro found himself doing a 720° turn, and Bearshell was buried in the pack. Each found himself struggling for clear air. Shortly after the start, MacDonald joined the debacle when a line he had used to extend his jib halyard broke, forcing use of the spinnaker halyard for the jib. Again finding the increasing afternoon breezes to his liking Dyck reached the weather mark first, increased his lead on the reaches, and held on to win the race comfortably. Jack Huntsman got a good start, rounded the weather mark second, and easily held his position to the finish. Yann due Pasquier's Swiss crew followed in third at every mark and at the finish. Castro recovered well from his 720° turn to round the weather mark fourth, with Bearshell eighth, MacDonald ninth, and Craig twelfth. MacDonald quickly fell back while going with an empty foretriangle, changing from jib to spinnaker, and was passed by Craig. Castro was unable to hold the two Peruvians, Deville and Montoya, on the first two reaches, and fell to sixth at the leeward mark, followed close astern by Bearshell. Craig was tenth at the leeward mark, but trailed Castro by only fifty-five seconds. MacDonald's halyard misfortune took him to the

back of the fleet on the reaches, and sadly left him unable to be a factor. Craig closed distance on the second beat, gaining one boat. Forty seconds behind Castro at the beginning of the run, Craig jibed immediately to the favored port tack, gaining position to affect both Castro and Bearshell. At the last leeward mark, Castro was fifth, Bearshell sixth, Zimmermann seventh, and Craig eighth, all within eighteen seconds. Because of throw-out and tie-breaker, Castro would win if he could keep one boat between himself and Craig. Craig passed Zimmermann soon after the rounding. Caught in a tactical dilemma, Castro broke cover with Craig in an attempt to control Bearshell. Free to sail oscillations without cover, Craig was able to cross Castro at about midleg, and covered to the finish line. Bearshell finished fourth, Craig fifth, and Castro

seventh.

Final standings had the Texans first, to claim the beautiful Hermanos Navarro-Irvine perpetual trophy, Castro's Argentini-ans second, Bearshell's Australians third, Dyck's Ecuadorians fourth, and MacDonald's Canadians fifth.

The ILCA owes heartfelt thanks, already eloquently expressed (in Spanish) by President-elect Dave Peters at the closing ceremonies, to the Association Peruana de la Clase Lightning, which organized the event, the Yacht Club Peruana and the Escuela Naval del Peru, which provided excellent facilities, the numerous hospitable and hard-working Peruvians, whose efforts were so successful, and the fine competitors, whose good sportsmanship and excellent sailing made it all worthwhile.

I.L.C.A. WOMEN'S CHAMPIONSHIP

by Susie Klein

Nineteen Lightnings competed in the first Women's International Lightning Class Championship held at Bay Head Yacht Club, New Jersey, August 9th-10th. Bonnie Shore and her crew, Ann Brush and Sue Engle dominated the fleet with an impressive string of three firsts, a third and a fourth in the five race series. She was closely followed by Ann Boyd, Elizabeth Canniff, and Kelly Octgen of Columbia, South Carolina, and myself, with Janet de Camp and Cynthia Wesson, placing third. As a newcomer to the Lightning class I was amazed at the depth and breadth of the competition. Fleets from as far away as Wisconsin and Florida were represented by talented sailors. The credentials of the sailors were impressive. Many of the women, such as Bonnie Shore and Anne Allen have successfully raced Lightnings with their husbands for many years. From a Lightning family of longstanding, Cherie Neville and her sisters Candy and Nancy proved to be a formidable combination. Ann Boyd, National Y-Flyer Champion, has been a tough competitor in many women's sailing events, including the past three Adams Cup finals. My own teammates, Cynthia and Janet have raced extensively on Barnegat Bay, with Cynthia representing area C in the 1977 Adams Cup finals and Janet crewing on the runner up boat in the 1977 E Scow Nationals.

The series, which was comprised of five races with low point scoring and no throwout, demanded that the leaders place consistently in the top of the fleet. One race below the top five among the leaders could dramatically alter the results. The racing conditions on the relatively narrow Metedeconk River were excellent. The wind blew out of the West, down the length of the river both days, an unusual occurrence, which provided us with long weather and leeward legs. Due to oscillating winds, a midday veer, and geographical shifts, the narrow river was a challenging race area. The wind velocity varied from 5 knots to a fresh 15 knot breeze on the first afternoon.

I was caught unaware by the competitiveness of the fleet at the first start. After a general recall, Bonnie, challenged by Betsy Gelentis of the Metedeconk Yacht Club, led the fleet to her first win with us trailing Betsy for third. Bonnie again demonstrated her superiority in the shifty 8-10 mph breeze by winning the second race. Ann Boyd recovered from her first finish of sixth to place second. Accustomed to racing on breezy San Francisco Bay, when the wind picked up for the third race I felt more comfortable and we won by a wide margin. I must confess that a great deal of our lead was gained when the second place boat rounded the leeward mark and

somehow managed to snag it, causing the rest of the fleet to chase downwind after them in an attempt to catch up to the leeward mark. The next morning Bonnie and I had strong starts and led nearly the whole first weather leg. To my dismay, ten boats, led by Ann Boyd, who I thought I had safely tucked away in my dirty air at the start, cruised in from right field on a puff and rounded the mark ahead of us. The top fifteen boats, with the exception of Bonnie, Ann and myself, went high in the dying breeze of the first reaching leg, allowing us to slip by them. At this point the three of us were within four points of each other, well ahead of the rest of the fleet so the series was up for grabs. Ann led us to the first leeward mark and then sprinted ahead to win the fourth race. We covered Bonnie while allowing the Nevilles to slip into second. Bonnie and Ann worked out on the rest of the fleet in the fifth race and dueled for the lead, with Bonnie finally

capturing her third first and the series.

In terms of race committee work, regatta organization, and hospitality, this regatta set an extremely high precedent for future Women's Lightning Championships. The race committee, led by Bob West and Bob Adams provided us with excellent courses. Tay Adams not only proved to be an able competitor, but she also did a superb job organizing the regatta and providing housing for the participants. Although this regatta was my first introduction to the Lightning class, I quickly realized why it is such a popular class. The calibre of the racing was extremely competitive, yet the atmosphere encouraged all sailors and stressed participation. I look forward to racing in this regatta again next year and I hope that more women will kidnap their family boat and come join us.

MACDONALD WINS I.L.C.A. JUNIOR CHAMPIONSHIP

by Richard Thomas

The I.L.C.A. Junior Championship was now in its fifth year and at Metedeconk River. The event has been a success for a class with interesting racing and competition each year. The first year (1974) at Cleveland was a family affair with Matt Fisher nipping brother Greg for the title. The following year Robby Wilkins won by pulling a first in the final race at Columbia, S.C. when the title was up for grabs between contenders. 1976's championship at Milwaukee provided a racing duel between Mark Bryant and Jay Lutz which could be compared to the battles between Affirmed and Alydar in this year's horse racing triple crown. Mark and Jay exchanged the lead between each other throughout with Mark coming out on top in 4 of the 5 races (often by little more than a few boat lengths.) Last year's championship at Buffalo was all Jay Lutz. Turning in a Secretariat style performance, Jay won easily, far outdistancing his opponents. Which brings us up to this year. Who would win? Second and third place finishers at Buffalo were back, Larry MacDonald from Ontario and Matt Burrige from St. Louis. 1977 Sears Cup Champion, Will Pesterlige showed. But would the added experience of sailing in the championship before help pivot a Tom or Brenda Allen into the lead? Any hot newcomers? All these questions and more would soon be answered in three days of sailing on Barnegat Bay.

Tuesday morning, the two brought us down to the race course. The wind was Southwest blowing 15-18. And with the firing of the cannon by Phil Dennis, the regatta began. Brenda Allen starting at the committee boat, quickly tacked onto Port and led a slew of boats to the right. Brenda rounded the windward mark first followed by Stephen Craig, Paul Magno and George Francis. The leaders, popping chutes before noticing the closeness of the reach seemed doomed. But through diligent crew work, Allen and Craig held their positions with Francis moving to third on the downwind legs. On the next weather leg, Brenda held first with Larry MacDonald moving up to second followed by Craig, Matt Burrige, and Jody Lutz. MacDonald was to get superior crew work the entire regatta from Ian Jones and Corey Fischer passed Brenda at the jibe. Going up the last leg, it was just a case of Larry covering to win although Brenda gamely tried to break his cover. MacDonald took the gun, followed by Allen, Craig, Burrige, and Jack Huntsman.

The wind and course remained the same for the second race. MacDonald and Lutz managed the best starts and rounded the windward mark in that order. Burrige acquiring a puff, went over a group of boats on the first reach to move into second. Meanwhile, MacDonald was stretching out his lead off the wind and had a nice lead at the leeward mark, with Burrige holding second. The wind clocked a touch left at the next weather mark with MacDonald and Burrige opening their lead on the fleet. Jorge Freeland and Jack Huntsman caught the shift to move into 3rd and 4th with Stephen Craig 5th. Combatants held their positions downwind. With MacDonald and Burrige having first and second firmly

locked, the race was for 3rd. Freeland held 3rd with Craig moving into 4th and Lint Weber taking 5th.

On Wednesday morning, light winds caused Race Committee Chairman, Jim Carson, to postpone the races and send everyone to the pool. Around 12:00 the wind did come up, again blowing from the Southwest with velocity 10-12 knots. The race began with boats spread out all over the course. James Alman's tactics paid off, rounding the windward mark first with MacDonald, Jim Gelenitis, Huntsman and Lutz following. MacDonald's downwind speed again came through as he passed Alman with the rest of the top five remaining the same. The wind began to come up a touch for the next windward leg and Lutz, going right, leaped into 1st with MacDonald close behind. MacDonald passed Lutz at the jibe and intent on not letting Lutz get away again, glomped on him tightly to the finish. Huntsman took 3rd, followed by Gelenitis and Alman.

THE EDGE

To win in today's competitive world you've got to have an "EDGE" and in competitive sailing you've got to admit this is a very illusive quality. With a large majority of today's Lightnings equipped with exactly the same sails its no small wonder this is the case. The potential for everyone is exactly the same.

We at *North Sails* have been striving for two years to end this monopoly and have succeeded. *North Sails* won a disproportionately large number of regattas this past season even though they were out numbered 10 to 1 on the race course. What does this mean? It means go *North* and discover the competitive "EDGE". Your friends will think it's you but you don't have to tell them!

NORTH SAILS IN 1979

The air picked up a touch for the next race but remained out of the same direction. With a good start and quick boatspeed, Jody Lutz with crew Patti Schon and Don Freeth rounded the weather mark first. Jody, 15-year-old brother of Jay, last year's champion, using Jay's boat and candy stripe insignia would prove to everyone that the Lutz family has more than just one fine sailor. MacDonald rounded second with Craig, Michael Fortenbaugh and Alman following. MacDonald's guile and experience proved too much for Lutz to handle as he caught a puff and went over Jody. Burrridge moved into fourth with nice spinnaker work, passing Fortenbaugh and Alman. MacDonald leaving nothing to chance covered Lutz and the rest of the fleet throughout the rest of the race to take his fourth gun. Lutz was second, Craig third, Burrridge fourth and Alman fifth. After two days of racing, MacDonald 4, Lutz and Huntsman tied with 21, Burrridge 4th with 23, and Craig 5th with 27.

Thursday morning brought the competitors southwest winds of 6-8 knots. MacDonald won the start at the leeward end while Lutz and Craig incurred disaster, fouling and over the line, respectively. Larry rounded first at the weather mark, followed by Peterslige, Gelenitis, Francis and Paul Magno. The race, three times around plus a weather leg was now academic

for the top three, as MacDonald, Peterslige and Gelenitis were never seriously contended for their positions. Magno and Freeland moved into 4th and 5th on the third weather leg and held it into the finish. Larry Mac took his first in five races, which spells C-H-A-M-P-I-O-N with the six race, one throwout format.

The afternoon race was postponed while the race committee waited for a storm to pass. There will be no attempt to call the directions of the wind for this race, for it would only bring many unhappy memories for those involved. MacDonald, with the candy stripe sewn up and just sailing out the string rounded the first mark, guess where? (We all appreciated Larry's fine sportsmanship by sailing the final race to make it fair for his competitors.) Craig followed second with Freeland third. Wind shifts followed with there being consecutive weather legs at times. Larry was passed as he put up his chute and couldn't make the mark. Even champions can't go to windward with spinnaker. The wind finally came out one steady direction as the race was shortened with a good weather leg at the end. Brenda Allen, who led most of the way after Larry made his one mistake, won the race with Peterslige second, Freeland third, Gary Oetgen fourth, and Craig fifth. MacDonald crossed getting 14th three guns as regatta winner.

Larry MacDonald, crew Ian Jones and Cory Fischer proved too much to handle for the fleet. Congratulations go to them. While the fight for first was never really in doubt, the battle for second went down to the last leg. Stephen Craig, taking fifth in the final race took the runner-up spot. Jack Huntsman took third, Jody Lutz fourth with Jorge Freeland and Jim Gelenitis tied for fifth with freeland winning on tiebreaker. Only seven points separated these five. Since Craig, Huntsman,

Lutz and Gelenitis all can sail next year more great competition is promised for next year's Juniors.

We at Metedeconk had a wonderful time as host. We hope the sailors had as much fun. All thanks and appreciation must go to Co-Chairman Jim Carson and Dave Ruiter, who have worked since January on this regatta. The Junior Lightning Championship truly proved to be a great event, one the Class can be very proud of.

CANADIAN OPEN CHAMPIONSHIP

by Pete Sulman

The '78 Canadian Open was again a huge success attracting the top sailors from across the country. Crews from Vancouver, Winnipeg, Thunder Bay, Montreal, and the United States, journeyed to Toronto on the August 5th weekend to battle for the Canadian Open Championship.

This being the world qualifying event for Canadians brought out a lot of tough competition for the scheduled five race series.

The races were hosted by Fleet 146 and the National Yacht Club. The courses were set two miles off shore to avoid any conflict with local racing or land influence on air patterns. Unfortunately we were plagued with light winds, except for the last day when it blew up to 15 MPH, but by then it was too late to complete the five races planned.

The first race got under way on time and Tom Allen moved out quickly to show us the way, while the rest of us battled for positions at the back. Ken Inglis always has one good race a year and this was it as he held on for second. Matt Bryant Sr. sailed to a solid third. The series wasn't won yet as Larry MacDonald, Dick Hallagan, Cal Schmiede and Jed Dodge all had their sights set on the coveted Star Trophy.

The second race shook up the group, as only Lake Ontario winds can do. Dick Hallagan pulled out a first, with Cal Schmiede second, and Don Delorme third. Tom Allen dropped to eighth but Jed Dodge and Larry MacDonald were consistent with finishes of 6, 5 for Dodge and 8, 4 for Larry. Ken Inglis surprised no one by dropping to 28th. Cal now led the series with a 4, 2.

It was back to N.Y.C. for a great outdoor Bar-B-Q and a lot of hashing and reracing each leg of the course.

The next day dawned with even lighter winds and it was possible to get only one race in. Tom Allen again finished first, with Don Delorme second, and Matt Bryant Jr. third. Unfortunately for Cal Schmiede and several others they were over early, didn't hear their recall and so were disqualified.

Larry MacDonald and Jed Dodge again had finishes of 5 & 6 and it looked like a three-boat race going into the last day between Allen, MacDonald & Dodge. Don Delorme who had two great finishes had been plagued by the first race go-slows and was running 22 points off the leaders.

The cocktail party back at the Club, sponsored by Corbys, took all the sting out of any poor finishes one might have had, and the following banquet proved to be a delightful spread.

For the third day, and race four, the winds were up and the Lake Ontario chop was building.

Larry MacDonald shot inside the triangle on the first buck and lead all the way for the win. Tom Allen pressed hard to take second and secured yet another Canadian Championship. Jed Dodge finished third in this race. Unfortunately, time ran out and we were unable to start the fifth race. Dick Hallagan held his fourth spot and Mike Vollmer his fifth. Mike sailed an ever-improving consistent series and well deserved his final standing.

Tom and daughter Jane receiving trophy from NYC Commodore Neilson. Ken Inglis' daughter, Katey eyes the silver.

Another great Canadian Open had drawn to a close and we are looking forward to next year's in Montreal, and the hospitality of the Royal St. Lawrence Yacht Club. Thanks to all Fleet 146 members and N.Y.C. for the terrific three-day event.

40TH ANNIVERSARY REGATTA

Skaneateles, N.Y.

by Dave White

Lightning No. 1

It wasn't just another regatta, it was a happening. The races weren't that important, (but don't tell Bill Shore that). The fact that 111 boats attended the regatta was important. But even more significant was that many of the top racers in the class were not there. That means that the fleet racers, the day sailors and a few "regatta hoppers" **were** there. It shows the class is strong and just aching for this type of activity. Many friends (as opposed to current sailors) showed up. I'd be remiss if I didn't mention a few but there were so many that I'd miss some for sure. So instead I'll just categorize, i.e., — ex-class president, ex-Canadian Champions, ex-North American Champions and friends of the class. In many ways it was like a reunion among old friends. In addition, it was a truly international regatta with **three** Finnish crews participating.

Saturday night the Skaneateles Country Club played host to a 40th Banquet. There were 425 dinners served — wow! The food and fellowship were fantastic. That night the class presented the "participant trophies":

Newest Boat	13,303
Oldest Boat	#1
Best Restored Boat	#1
Largest District (attending)	Central New York
Furthest Traveled	Bob Wardwell — Chattanooga, TN (Bob said he wanted a gas credit card, not a trophy)

But back to the races. The boats started coming in Friday afternoon (Clarence Holman from Michigan was among the first to arrive supporting an old theory that those from the furthest away will get there first) and continued until the wee hours of the morning. Saturday morning saw more and more and more and more boats show up. But Skaneateles had the facilities to handle all this, so there were no delays.

At 11 A.M. the first race started. An unbelievably long starting line, but there still wasn't enough room for everyone. But the first start was good! (At least so said the race

committee). Wind 8-12 m.p.h. — blue sky — clean, clean water and a lot of "starboard"!!!! I really don't remember too much about which way the leaders went or who rounded where. Once I got back to the docks I was told Bill Shore had won. Frankly, I couldn't see that far ahead.

At about 2:30 after a great cookout of hamburgers, hot dogs, etc. the second race started. Again, a long starting line (almost 1/2 mile but again not enough room. This time the fleet was more aggressive. Perhaps they realized that if you're not up front at the start in a fleet that size, you're dead. Result, 3 general recalls, one postponement and one more general recall then the start! again wind 6-8-10 — blue sky — clean, clean water and a lot of "starboard"!!! about half way through, the sky changed and it looked like a wind direction change was coming. Instead it lightened to 2-3 m.p.h. and the fleet slowed to a crawl. I remember this quite well as I went

from the middle of the fleet to almost last. Again, I had to ask "who won" — Bill Shore again — can you believe that? Two bullets in a row in a 111 boat fleet! Super sailing!

Then the project of getting all these boats out of the water. Here the Skaneateles Country Club is again to be congratulated. Can you imagine dry sailing 111 boats; They did it and at an incredible rate. The boats were all out in about 1½ hours. They used one hoist, one ramp and three very fast tractors. A stupendous feat!

That night was the banquet as previously reported. However, a few anecdotes; Marie Fallan (Tom's widow) accepting a silver decal for her faithfulness to the class. Olin Stephens' talk to us all on the origin of the Lightning. Mrs. George Barnes (wife of the owner of the builder of boat #1) telling of her experiences. The Finn's authentic costumes and, of course, the party after the banquet in "tent city" a row of maybe 25-30 tents and campers on the club grounds.

Sunday morning — oh, my head! But the race must go on and so it did. Again, a long line, again wind 10-15 — blue sky — clean, clean water and temperatures in the high 70's — perfect day! Again I have no idea who won 'cause I'm too far behind, but we're still in hot pursuit of the boats in front.

Then the hard job of adding up all of the scores. A complete list is attached.

The job of getting the boats out of the water was done in usual Skaneateles fashion, fast. Everyone was on the road by about 9 P.M. after a truly successful regatta. I have heard many, many people say that the 40th was the best regatta they had ever attended. For this, I would like to thank the Skaneateles Country Club for their superior efforts.

So look down the list of names. If you weren't there, — shame on you — you missed a happening. If you were there, thanks for coming. To everyone — don't miss the 50th!!!

Prexy John getting ready to "go get um"!

REFLECTIONS ON SAILING A WOMEN'S NATIONAL CHAMPIONSHIP

by Bonnie Shore

What is it like to sail in a major women's regatta? What would it be like? What would the competitors be like? Could I do it? Suppose I failed miserably? These are some of the questions I asked myself before even considering signing up for a major regatta, and of course these were my initial worries.

Sailing was a sport I grew up with. My Dad is an active Lightning sailor, my Mom was his crew and my secondary school summers were spent at a terrific sailing camp on Martha's Vineyard. There I learned all phases of sailing, sailboat racing, as well as how to be a sailing teacher. From there four summers were spent as a sailing instructress along with some crewing in many Lightning races with my Dad and following that, I married the sport. While learning the fine art of crewing from my husband, I also learned a great deal about the competitive and tactical side of sailboat racing. So the background skills and knowledge was the easiest part for me to feel qualified to enter the Women's National Championships, better known as the "Adams Cup."

My toughest role, which is probably the easiest for many gals who decide to go into women's sailing competition is the planing, preparation, crew training, time, and desire as well as love of competition needed to go out to the race course and win.

The 1978 Adams Cup finals was sailed in a Shields, a 30 foot heavy, one design keelboat which to me looks like a small America's Cup Boat. It's a boat that I co-skipper and race on frequently here in Newport evenings and weekends. Fortunately all qualifying rounds in preparation for the finals were sailed in Shields and the farthest I would have to travel was Marblehead, Mass., only 2¼ hours away. If ever there was a time to try to be a womens champion, now was it. . . .the decision was made. . . .I'm going to finally do it!!

My crew was made up of three Shore Sail Loft women sailors. We had never sailed together, but since there were 21 races to be sailed I had to know we'd get along well through thick and thin. (We did!) We should have initiated more crew

practice before starting the competition, for in heavy air on the first day of racing it was almost our undoing. Fortunately for us the wind did get lighter, the crew work better with every race and we had our first qualifying victory, the Narragansett Bay Championships.

It has happened time and time again that crew work has made the difference between winning and losing a regatta. There is never enough emphasis and practice put into this one important area of competitive sailing.

Our second qualifying series, the New England Championships, sailed in Marblehead was a six race light air battle with our major competition coming from one gal. It wasn't easy because she was always there just in front or just behind me. One foul could have lost the regatta as there are no 720's in the entire series. Upon winning the second qualifiers, this same competitor presented me with a bottle of champagne. To my relief and joy this same attitude presented itself throughout the entire series. All the contestants were fair yachswomen. That in itself made the events fun and worthwhile.

So we made it to the finals — now the pressure was really on. Here I was at my home club (sponsoring club for the Adams Cup finals), home waters, familiar boat, familiar sails, and the home town newspaper writing articles on me as the favorite. I don't mind saying I was nervous and apprehensive,

praying that if I let my friends down, don't let it be too badly!! Of all the sports that decide who's the winner by a little break here or there, a few lucky shifts, or just being in the right place at the right time — sailing is it. My thoughts, of course, were I was going to have to be smart, but also lucky! However, my crew was going to be prepared too — and we trained for Narragansett Bay heavy winds.

Mother nature was not easy on the competitors. She gave us winds up to 35 knots, cloudy skies with a day of 15 knot winds, a bright hot sunny day with no wind, light shifty winds in rain, generally a little bit of everything to test our skills. The boats and sails were virtually equal, so it was up to eight women and eight races as to who would come out on top. From the moment of victory we were greeted by our friends, the champagne corks popped and after the customary dunking we were escorted by motor launch to the club where the porch was lined with more happy cheering friends. What a thrill it was to win for my home town, for my instructor — Bill, for my family, and to bring home the first national championship trophy for my club (Ida Lewis — named after a woman and in our 50th anniversary year).

Thinking back to the winning day brings that little touch of nostalgia to my heart. You see, that moment is what competitive sailing is all about.

"PSYCHE"

by Greg Fisher

Any person who has ever played a competitive sport with a true desire to win learns the importance of "psyche". Even to the sailboat race, psyche is of major importance; and to those who win, psyche comprises at least 90% of the ingredients of their winning effort.

Most winners call "psyche" a state of mind, a mental readiness that enables them to win. Maybe they call it a total concentration or dedication to their goal. On the water nothing slows this desire whether it's their family their business, their problemsthere are no problems for a winner when he begins his race. Most important of all, they do not tolerate losing – to accept losing is to accept failure. They **know** they will win.

But how do we gain this "psyche"? For those of us who lose, it sounds as though we must have some sort of operation or receive shock treatments to condition our heads to think like winners. Maybe attend some clinics on winning...

Let's go back to our earlier definition of "psyche" and make a slight alteration. Replace 'state of mind' with 'state of being'. There is a reason why the winner is "psyched". Something that gives him the feeling that **he** will win. Something that not only gives him the mental desire but the actual physical ability to put away the rest of his competition not just at the start, not just after the first shift, not just after hitting a series of waves, but in every situation; something that not only gives him, but also forces upon him, confidence: Preparation.

Sometime back in his past, the winner spent some time as a loser. There is no such thing as a "born winner" in sailboat racing. Beginner's luck is only a temporary gift for the beginner. The winner lost as the rest of us until he grew tired of being at the rear of the fleet. Along with his change of attitude and new desire came the newest, most important development – his practice. Either our winner has been sailing a long time and thereby gained a great deal of experience, or if he is a new racer, his practice has been so intense Ted Turner would be impressed. We are always amazed by the successes in college racing of some brand new sailor. In some situations he had been sailing only one season and won with a string of firsts. However, this guy usually has a coach and a required five day practice schedule. He probably spends close to 20 hours a week on the water while in school.

Upon reaching the ranks of winners, the winner is tempted to relax as though he's just picked up his diploma. This is common and many times we see this person dominate a regatta one weekend only to become an obstruction on the race course the next. The consistent winner's record, I believe, is proportional to the time spent in some type of preparation. The winners ranks fluctuate widely as time rolls on not because of age as some contend, but because of a change in desire. Although Bill Shore sailed practically every weekend this past summer, he and his crew got out sailing and practiced the basics the week before the North American Championships. Regattas that we want to win we must prepare for. The "We'll get by" attitude just won't cut it.

This past summer we attended a regatta which my crew and I labeled "practice" for a very important regatta we were to sail the following weekend. At our "practice" regatta, things completely fell apart. We had somehow decided that this regatta, with 5 races and only 10 boats, was going to be an easy win.

Obviously, an attitude such as this leaves you wide open for disaster. At the first start we were over the line early, then hit the leeward pin as we restarted. As we hoisted the spinnaker at the weather mark the halyard cleat let go and we ran over the chute. Our speed was terrible, especially confusing since we were sailing in a condition we had felt particularly fast in before. We were trying to sail fast boat tactics which led to even more hopeless finishes. Needless to say, we were totally discouraged. Normally, we might have thought of taking a weekend off from sailing after such a disaster. However, we still had to sail the next regatta and it meant a great deal to finish well. Patti and I on the drive home first tried to evaluate our mistakes and where we could immediately improve. The first category was the boat and most important was the speed. Since we weren't sure what the problems actually were, we approached it with a basic "stem to stern". Although the bottom had been sanded before, we resanded the boat looking for scratches, unfairness and dirt. The board and rudder were filled and sanded. Even the alignment of the rudder to the centerline was checked and the gudgeons retightened. We flipped the boat back over confident that under water it was as best as we could make it. Next, the mast was stepped and retuned. We checked things such as rake, sideways alignment, shroud tightness and finally the ability of the mast to bend. Everything was retaped and the mast dropped. We were confident that our rig was tuned to the best of our needs. This part of our preparation was finished before we left for the regatta. When we arrived at the regatta (in the afternoon, not at night as usual), we stepped the mast and began another part of boat preparation – making sure everything worked and would not fail. Fittings such as hiking strap mounts and spinnaker blocks were removed and then epoxied into place. Cleats that were old were replaced. All the rudder and tiller fittings were retightened and checked for broken welds. When we finished, at 10 o'clock that night, we were confident that our boat would not breakdown.

Over dinner we discussed our crew work right down to the basics. Even though John, Patti and I had sailed the entire previous season together, we went over everything. We felt our starts had been poor early in the season so we discussed our procedure again, making sure everyone was clear as to what their jobs were. John was to tell me placement of other boats – to windward and to leeward – especially those that were approaching fast to leeward and could be dangerous. Patti read the time and the most important job of all – continually placed us on the line. Basically she was the timing of the start. My job was to listen to their information and put the boat where I was told. We went to bed that night confident that everyone knew their job on the boat. The next morning we were the first ones in the water and out sailing. Although the

race didn't start until 12 o'clock we were sailing at 9 o'clock. First, we sailed upwind for practically an hour just getting "the feel" back. John read the compass the entire time for practice. On the sail back downwind, we gybed so many times we felt we could gybe with our eyes closed. Our practice reaches were long so Patti and I could re-coordinate ourselves with the spinnaker and tiller. We chose a mark and repeated the entire process twice more. Finally, another boat came out and we joined them in an informal brush and found ourselves very equal in speed except in the puffs where we seemed to work to weather a tad. We felt confident with our speed and later learned that our partner was one of the faster boats in the regatta. We returned to the dock for the skipper's

meeting, confident we were ready. The start of the first race found us leeward boat next to the pin. We were moving very well as we had hoped and soon found the 10⁰ header John predicted. Our regatta sort of continued this way, our luck appeared to be good for once. Funny how one never has bad luck when he is truly prepared.

Much more was achieved this weekend than just a goal. This type of win, preceded by this type of preparation, sets a standard. We can almost build our confidence to any level we want and "psyche" ourselves to the high we need. Obviously, we can't be psyched for every regatta, but for the ones that are important to us, preparation is the key to our goal.

APPROACHING THE WEATHER MARK

by Tom Allen

Do not commit yourself to the lay line early unless you're sure the right or the left side is favored or you are in a gambling position. If you are on the line and get a lift you can't use it or you overstand. If you get a knock you lose distance to all ahead and to leeward on either tack.

In the absence of many boats, I would recommend tacking short of the lay line (the one on the side of the course you feel is favored). Here you can benefit from the lift or current you expect. When the wind is oscillating in direction you will be governed by the compass. When you add other boats to the picture (which is usually the case to all of us in the middle of the pack) the problems become more complex.

When you tack on the line early (usually starboard) it seems everyone else sits on your air unless you over stand. The other option is to tack short and approach on port, but now you have the problem of finding a large enough hole to tack in and of finding enough clear air between spinnakers of the boats that have already rounded. The tighter the next leg is the less disturbance you will get. If it is a run then one must find a way through the starboard tackers.

You can see from this that there are only a few rules (guides) to follow and many complications or variables which you must put in your computer as they develop and come up with the correct answer. Good Luck.

The terrific Lightning posters designed as one of the gifts for participants in the International Lightning Class Association North American Championships and also for use by the Class are now available to all sailors.

Described as "real eye catchers superbly portraying our favorite sloop" by one who wrote for a set, the posters are full of color and action. Taken from color slides of shots during actual races they are eye catching. Each is 20 by 28.

The set of four costs \$5.00.

TOM ALLEN — PROFILE OF A CHAMPION

by Kevin Doherty

Editor's Note: Reprinted from The Buffalo Evening News, Buffalo, N.Y. with permission of the author and of Murry Light, Managing Editor.

Writing a story about World Champion sailor Tom Allen is like writing one about the weather. Somehow, deep inside, you know it's all been said before.

The library's file on him must be two inches thick. It stretches back more than a quarter-century, and includes such tidbits as: youngest man ever to win the North American Lightning class championship (in 1954; he was 23); first to win the World Championship (in 1961); only man to win the Worlds four times (1961, '63, '65, and '77); only man to win the North Americans eight times; four-time Canadian Open champ; winner of the Pan American games; Olympic sailor in Flying Dutchmen; U.S. Albacore champ; North American Flying Dutchman champ. And the list goes on.

"Just to call him good isn't enough," says Bruce Goldsmith of Chicago, two-time World Lightning champ. "Allen's got the ability to sniff out the wind, and react to adversity better than any guy I know," he says.

"I don't know how he does it," says Bill Shore of Newport, R.I., another World champ. "He's better in light airs now than he's ever been." Last year, at the World Championships in Switzerland, "Tom did the best job (in light airs) I've ever seen," Shore said, "I'm convinced I'll never again witness anything like what he was able to do there."

What he did simply, was win four of six races against the best sailors in the world.

The championship series was sailed on Lake Thun, a tiny body of water nestled like a diamond among the towering Alps.

Those mountains produced "tremendous swirls and eddies in the wind- wild shifts that were just impossible to predict,"

Shore says.

Impossible for most, perhaps, but not for Allen.

"After the first couple of times — he won two or three — I was muttering to myself, 'He's just incredibly lucky,'" Shore says, "But then he went out and did it two or three more times, and you just can't do it for that many races and say it's luck."

Well, then, what is it?

People disagree, including Allen himself, but when asked to list his assets as a sailor, they all include his attitude experience, hard work, determination and a certain instinct — a "feel" for the boat that somehow goes beyond simple boat speed.

Almost anyone, given enough time in the boat, can develop a feel for speed but most "Allen-watchers" agree that there's something more in him that makes him the sailor he is.

"He's got this tremendous ability to immediately recognize, from the seat of his pants, the slightest change in conditions. He can sense in an instant whenever his boat isn't going as well as it should," says Stu Anderson a local champion who's probably been watching Allen as long as anyone.

Stu remembers racing against "this kid" in the early '50s. "He must've been in high school. I didn't even know his name. But there he was, all right, and you could see even then . . ."

Anderson recalled the days of team racing on Abino Bay:

"Tom would always be selected team captain," he said, "and his head would be on a swivel. He'd be directing the team, and positioning the boats, checking out the conditions and everything, all while sailing his own boat. He never looked where he was or where he was going. He didn't have to. He just knew it. Even then, he had the ability to sense how the boat was going, and where, without even looking."

"He's a much better improviser than he is a planner," Goldsmith says. "He's very good at scrapping plans — scrapping what's not working and going to what does."

"He learns by trial and error," Goldsmith says, "but he learns very quickly. And he doesn't forget."

If Allen has a weakness, it's his starts. Both Shore and Goldsmith think they're better starters than Allen.

"But the thing is," says Shore, "he can take a bad start, and sniff out the air, go to the right spot, pass boats on the weather leg, and beat them to the mark."

"I don't think he knows how he does it," Shore said, "but it's not a calculated thing. It's subconscious."

Allen debunks much of the "feel" theory, but after some prodding, even he admits he's not sure.

"Maybe it's perspective or something," he says. "Maybe I'm able to see the sail shape a little better, or feel if the boat is tipped to the right degree. I don't know. I'm just guessing."

Determination and attitude play a big part.

"He never gives up. He's always trying to win," Goldsmith says. "Even when things look bleakest — when he's 20th in the pack — he'll keep pluggin' away and come up to ninth (or more often first) just like that."

"His determination to win has always been amazing to see, and he's still got that determination. And as long as he's got that and his health, he'll keep winning."

"He was behind me once," Anderson recalled. "It was the Canadian Open and I wanted to get a boat between me and him. But I couldn't — and there was nobody between us — and I looked back and saw the look in his eye — like a caged tiger coming at me — and I wound up second in that race."

Allen says he approaches racing like a mathematician. "It's a science," he says. "I suppose all sports are. You have a standard in a given (one-design) boat, but there are still so many variables. It's very scientific — maybe above us all, really. And you can't do it perfect all the time — maybe any of the time."

"It's simply the guy who does it better more often that generally succeeds."

That generally is him, of course, but he'd never mention it.

"That's another thing about him," Anderson says. "He's a super skipper, sure, but he's also a super person."

"He could've just won a championship one day, like the Canadian Open, and you'd go out sailing with him the next, and he wouldn't even mention it. 'Where ya been?' you'd ask him, and he'd say, 'Oh, up in Canada.' You've got to pry stuff like that out of him."

Allen is a low-key guy — soft-spoken, reserved, almost reticent to talk about himself. But even in the dark shadows of a summer night, sitting on the unlit porch of his summer home, you can see those piercing eyes flash and can practically feel the wheels turning as a thousand thoughts race through his mind when a subject perks his interest.

It's a feeling of intensity — or command — that he projects, and his crew must get that same feeling in a race.

How did that fox get up the mast?

Photo Credit — John Dees

Allen is rather awesome looking — deceptively tall, well-proportioned, with broad shoulders and solid legs — all great assets in sailing. He looks as hard as a hunk of molded iron.

Allen, despite his reluctance to talk about them, takes a lot of pride in his accomplishments, and his work.

He owns the Allen Boat Co. on Fuhrmann Boulevard and his goal is, simply, to build a better boat.

In the early '60's, Allen says in a typical understatement, "I was winning as much as anyone else, (he was winning everything) but I just felt the boat could be better."

So he built his own, and it was. He won the world championship in '61 and '63 in that boat, then came back in a new boat in '65 to take the worlds again.

With a record like that, business picked up and what was once a night-and-weekends-only sideline became a full-fledged operation.

And, just as he follows his instincts on the race course, and goes his own way, he's going his own way as a boat builder too. While many of his colleagues — like Shore and Goldsmith, Jim Carson of Philadelphia, Lowell North and others concentrate on one aspect of sailing — either the hull or the spars or the sails — Allen does the whole bit, right from the skeg to the masthead.

"Here's a guy with no formal training (in marine engineering or boat design)" Anderson says, "who conjures up in his mind what looks like a fast boat, or a fast sail, and then goes

and builds it."

And his conjectures usually pay off.

Does all the intensity, the search for perfection, the 60-hour weeks in the shop, the pressure to win affect his family?

"He's got a wonderful family — four wonderful kids," one friend said. "I remeber when he and Annie were just going around (they were married in '56) and I really wondered what kind of a father such a low-key guy would be. But when Jane and Brenda and Tom came along, and now Jimmy, well, it's something to see. He's just a different person with them around."

What's the future hold for Allen? More races, more victories, more championships, undoubtedly. Ten or 15 years from now, semi-retirement from the business ("I never could completely walk away from it," he says), a little sailing for fun, perhaps, more time with his family and, for the present, "maybe just a day off."

Tom Allen is a champion — a winner on the race course, in the business world, and at home.

He's got a record in sailing that many say will never be equaled. He's got a business that's prospering. He's got a family that anyone would envy.

Chances are we'll not see a man of his caliber on the water, or on land for that matter, ever again.

**Eastern U.S.
CHAMPIONSHIP
SEPT. 15, 16**

You know: we all enjoy going to a regatta sailing with all of our Lightning friends, and at Cedar Point we like producing events that bring us all together. On occasion something doesn't go quite right with all the things going into a regatta, but we try very hard and succeed as well and better than most.

Here is what you can expect from us. — Our races are run according to I.L.C.A. standards, with a couple of exceptions keeping you our sailors in mind. Realizing most of you drive from three to seven hours getting to us, we will try to get you on your way home by mid-afternoon Sunday. To do this we may need to shorten courses or eliminate a race from the four scheduled, but all RACES must have at least four legs and good beats. We will run Olympic courses, giving that extra chance to catch up. Saturday evenings let loose during our dinners, with free beer and soft drinks, and lots and lots of fun friendly people. You all enjoy clear skies, good breezes, a nice club, and the Lightning Players — so do we.

Alas, the shortage of equipment is still the limiting factor that prevents our district from growing further. We had hoped to start the production of competitive fiberglass hulls during 1978 and to have a stock of oval spars available, but the project is sadly delayed. Hopefully 1979 will be the year! The basic steps have already been taken and we should be able to get the show on the road shortly.

Four crews (two of them trailering their boats from Buenos Aires to Sao Paulo) attended the XXIV South American Championship in Brazil. It was an exceptionally well organized event and well worth the effort of those who drove, even though Brazilian law allows trailering only during the day, which lengthens the trip considerably.

At the end of 1977, we managed to win a seat for the Lightning Class in the Argentine Yachting Federation. The basic activity of the Federation is to distribute the usually meager funds it receives from the National Sports Council among the different classes. The subsidies we receive usually help at least one crew to attend the South American championship and sometimes the World Championship. Other than this, being in the Federation allows us to convey a favorable image of the Class, as one of the best organized international classes in the world.

In April, before beginning our sailing season, the District held a small party for the race officials who work hard practically every week-end all year round. We showed the Ecuador and Switzerland World Championship slides at the gathering.

Other than the usual week-end sailing there were two important highlights this year. The first was the qualifying series for the first Junior Worlds to be held in Peru. We managed to gather a group of ten junior skippers from other classes such as Cadet, Snipe, Optimist and Penguin. Nearly all of them were quite talented and had plenty of experience.

Ten generous boat owners lent their boats as well as their services. The boats were sailed by the junior skipper and crewed by the owner and a junior crew. The arrangement worked out satisfactorily. The juniors had a good time sailing a pretty windy series and the boat owners readily accepted lending their precious boats since they were present to keep a watchful eye on the developments, especially when the wind was strong.

Most juniors were pretty impressed with the performance of the Lightning and admitted that they did not believe it was such a fun boat to sail. Many of the owners who crewed for juniors learned a thing or two about sailing races (the younger generation is really smart!) so it was a positive experience for everybody. We are grateful to the boat owners who cooperated with this project and to the crews who remained without sailing quite a number of weekends. Although these young people have gone back to sail their smaller, less expensive boats, we are confident that in time they will feel attracted to the Class, especially if we can offer them competitive boats and equipment.

The other extraordinary event was an "invitational" regatta held during the first weekend in November. Following Ecuador's and Chile's example, we invited the top sailors of our neighboring countries. Mario Buckup from Brazil, Rodrigo Zuazola from Chile, and Homero Came Jr. from Uruguay came to sail a 4-race regatta in Olivos. We think the idea is a good one, since it gives a chance to the local sailors who do not qualify or are unable to travel abroad to attend international events, to meet and sail against top level sailors.

Mario Buckup and Joaquim Feneberg gave us a most constructive talk on the basics regarding tuning and boat handling. Although some points seemed obvious in the classroom, many realized on the following day's race that the obvious requires much work and practice. Joaquim coaxed crews to hike more, concentrate more and in general be more

helpful to the skippers (who nodded approval and in general looked as if they felt sorry for themselves). It was the first time we attempted this kind of event in Argentina and hope to be able to repeat it. It gives us all a chance to make new friends among the Lightning sailors as well as to retribute the many kindnesses we receive when we travel abroad. Also, we hope to raise the level of our sailing.

Fleets: Sao Paulo (147), Florianopolis (162); Niteroi (351); Pernambuco (373); Brasilia (375); Guanabara (401); Guarapiranga (462).

It was a Lightning year! The Brazilian Districts and South American Championships in Sao Paulo and three crews at the North Americans at Rehoboth were only some of the highlights of 1978.

Our Districts were an absolute success. With the biggest fleet ever (34 boats) and XXI Brazilian Championship was held in Rio de Janeiro, on Guarapiranga Lake, at the end of March. The Santo Amaro Yacht Club was the host club, and Robert Buckup was the chairman of the organization committee with fleets 147 and 462 cooperating. The measurement committee, under the conscientious Wolfgang Auerback, surprised everyone with centerboard angle measurements. A lot of epoxy and wooden chocks were added suddenly!

With sunny and hot (above 90 degrees F.) days, racing was started on March 20th with 21 boats from Sao Paulo, 3 from Rio de Janeiro, 4 from Florianopolis, 3 from Pernambuco and 2 from Brasilia. With light to medium winds, Claudio Abramowitz won the first race, George Rider the second race, Luiz Lebreiro the third and fifth races, and Mario Buckup the fourth and sixth races. Mario won three second places and his throw-out being a third place, won his fifth Brazilian Championship, with a low eight points.

The first official Junior District Championship was held at the same time, along with the senior Championships. Sergio Leal won, and at the time of this writing is competing in the first World Junior Championship in Peru.

The following week, the 24th South American Championship was held at Guarapiranga Lake. The first six Brazilians in the District Championships were qualified and could compete with their own boats. Chile brought six boats by truck, Argentina trailed two boats and the rest of the crews borrowed available fiberglass hulls. In total, there were nineteen boats, six from Brazil, six from Chile, four from Argentina, two from Uruguay, and one from Peru.

Light and shifty winds predominated. The Championship had a very tight finish. At the end of five races Mario Buckup and Claudio Abramowitz each had thirteen points, Robert Buckup fourteen, and Luiz Lebreiro sixteen. The sixth and final race started with light winds, and Mario led the first two rounds. At the last spinnaker reach the wind picked up, leaving Manuel Gonzalez of Chile with a ripped spinnaker and losing his chances for ending up in the top six. Mario Buckup won the last race and his third South American Championship. Robert Buckup was second, Claudio Kunze third, Claudio Abramowitz fourth, George Rider fifth and Luiz Lebreiro sixth.

In August, four Brazilian crews, by special invitation, attended the North American Championship, at Rehoboth Beach, Delaware. It was a great experience, with 115 Lightnings competing. Mario Buckup finished sixth overall, Robert Buckup fourth and Claudio Abramowitz twenty-fourth in the President's Cup, and Joaquim Bello twenty-fourth in the Governor's Cup.

We are all looking forward to our next National Championship, which will be held in Brasilia, our "modern and futuristic" capital, from February 11-18 of 1979. This regatta, besides picking our Brazilian Champion, will serve as the eliminators for the Pan American Games in Puerto Rico. Competition should be tough—and at its best.

We hope to be able to send two crews for the Worlds in Dallas in June 1979, and to bring that beloved World Cup back to Brazil for the second time!

CALIFORNIA DISTRICT

District Commodore Charles Gotschalk
District Secretary Mark Patty
District Champion Myron Lyon
District Runner-Up Manning Barber

Fleets: Santa Monica Bay (102); Mission Bay (194); San Francisco Bay (372).

California is still with you, not having an earthquake significant enough to drop us in the ocean yet. However, we did have quite a bit of rain, causing landslides last year. But most important, we had a lot of Lightning activity. Once again our District contributed heavily to the Timken bearing company and various trailer tire manufacturers as we blitzed back and forth around the State in our year round "trail and sail" regatta chasing program.

Participation is up considerably throughout the District due largely to the influx of new boats. This was evidenced at our California Circuit last Easter week. Attendance was at a record high due not only to an excellent District turnout, but also to a very concerted effort from our Northwest District rivals.

In its 12th annual staging, the California Circuit has truly come of age. No doubt it is a tribute to Bernard and Muriel Gross and their efforts as founders and continuing parents of the circuit. Starting in Redondo Beach at KHYC on Palm Sunday for a two-day series, the fleet trails south to San Diego to start the classic Marathon from Coronado to Mission Bay. A layover day of fun, sun, Mexico, Marine World, the zoo, the beach, or whatever is then followed by a two-day series at Mission Bay YC. Too soon, it's all over on Good Friday and time to go home. We invite everyone to join us next year for a great week of great sport.

The Pacific Coast Championships were held at Klamath Falls, Oregon. The Northwest bunch, anxious to get even for the severe waxing they received at the Circuit, did manage to place the winner with Greg Zettler. However, Myron Lyon and Charlie Gotschalk, both from San Diego, placed a very close second and third. Mark Patty from San Francisco was awarded the fifth place trophy. But, in short order, they realized that California held three of the top five slots, so they took Mark's trophy from him and told him to be sixth. They will be punished!!

The Districts were held at King Harbor YC and were won by none other than our affable VP, Myron Lyon. Following by three points came Manning Barber (whose name we all carry on our boats). Behind the two San Diego leaders, Wendel Harter of the host fleet "scootched" in ahead of Dick Brewer, 4th, with Mike Boswell in a very close fifth.

The San Francisco fleet was occupied elsewhere and couldn't make it; however, the good news from the Bay Area is that Fleet 372 made it a full year without getting put on probation for anything.

The Billie Boswell Memorial was well attended by all fleets and climaxed by Al Poindexter as winner. Al, from Mission Bay YC, was followed by clubmates Myron Lyon, Warren Gross and Charlie Gotschalk in second, third and fourth. Mark Patty barely prevented a San Diego sweep by finishing fifth. He got to keep his trophy this time. San Diego's Bowen Memorial was again dominated by Fleet 194. Myron Lyon, Kirk Johnson, Al Poindexter, Bert Winther, and Cris Gotschalk finished in that order; with only Bert, from KHYC, breaking the chain.

King Harbor's reciprocal to the Bowen is Hurricane Gulch; lead by Poindexter, Lyon, Winther, Johnson and Boswell. Competition was very close.

It was a fun year with some interesting sidelights. Stan Starkey, former VP and current crew for Mark Patty, went to Europe with his wife Gail, and toured around with Swiss friends, Christoph and Dominique Luthy. While in Italy, Christoph took Stan and Dominique for a spin around the Bay in his Lightning and came back with second overall in the European Championships (actually it was six spins around the Bay).

Naturally, we are anticipating a super '79 and hope everyone's '78 was as enjoyable as ours, except for those from the Northwest who are being punished.

Fleets: Bay Head (3); Metedeconk River (34); Great Egg Harbor (99); Lavallette (104); Brant Beach (173); Surf City (196); Riverton (228); Barnegat Light (335); Red Dragon (357); Normandy Beach (366); Penn Manor (422); Ocean City (430).

The 1978 sailing season started with our annual winter meeting held jointly with the Metropolitan District at Monmouth Boat Club. Sandy and Mary Huntsman and their committee treated us royally to filet mignon after Greg Fisher and a panel of local stars discussed the fine art of starting races.

Getting the racing season off to an early start at the Southern Circuit were: Jay Lutz, Jack Elfman, Jim Carson, Bucky Kloss, and Djoerd Hoekstra. The locals did very well generally with overall finishes of Jay Lutz 3rd, Jim Carson 5th, and Jack Elfman 6th, and if the wind hadn't done strange things in Miami, finishes may have been even better.

This year's big event, the District Championship, was held at Riverton Yacht Club on the Delaware, not necessarily the favorite place to sail for the Talent from the shore areas. The first race was won by Gary Swangler of Penn Manor, with Bucky Kloss of Red Dragon second, in light air and lots of tide. The shore sailors were a little nervous at this point. A tremendous wind shift in the second race reshuffled the pack, and Dave Ruiter came out on top with Jim Carson second and John Fenlin third. The shore sailors started feeling a little better. Sunday's races were sailed in steady winds — 15 to 20 — and it was still anybody's regatta. Only six points separated the top six boats, with Dave Ruiter now leading and Jay Lutz second, prior to the start of race #3. The third race was won by Jack Elfman, who in the final analysis could have won the regatta, had he not been disqualified in the first race. Jay Lutz was second, Bob Adams third, and Jim Carson fifth. At this point, with one race to go, Jay Lutz was leading with a seven point advantage over Bill Clausen and Bucky Kloss, who were tied for second. In the fourth and final race, Jim Carson led the fleet to win the Districts, Jay Lutz still wound up second overall, with a ninth in this race.

Bill Clausen finished third overall and third in the race. Ralph Messersmith moved into fourth by finishing second. Bucky Kloss slipped back to fifth, and Dave Ruiter hung on for a sixth. Our top sailors, mostly from the shore areas, again proved that they are outstanding under any conditions.

One week after our Districts, the New Jersey Championship was hosted by Monmouth Boat Club of the Metropolitan District. The winds were very shifty, but Jim Carson continued his hot streak by taking first place, followed by Jay Lutz in second. Jim hoped this would be habit forming, but I'm sure Jay had other ideas.

We all looked forward to the Atlantic Coast Championships which were being held this year at Surf City and everybody knows the wind always blows strong there. Guess again. . . For the first time we can remember, we had barely more than drifting conditions and constant wind shifts. Jack Elfman, with the home court advantage!, won overall, with Dave Ruiter third: Bill Clausen fifth, Jay Lutz Sixth, Glenn Reiting seventh, Charlie Thrower ninth, and Hugh Hutchinson tenth.

The next event on the calendar was the North American's, attended by Jim Carson, Jay Lutz, Bill Clausen, Ralph Messersmith, Bucky Kloss, Dave Ruiter, Bob Adams, Jack Elfman, Betsy Gelenitis, and Jim Gelenitis. Less than ideal weather conditions seemed to hurt our contingent, but Jay Lutz, Dave Ruiter, Bob Adams and Jack Elfman all made the Blue Fleet and probably all qualified for the Worlds in Dallas. Good Luck Gang!!! Congratulations to Jay Lutz for placing fourth overall. The rest of our boats sailed in the President's and an excellent job was done by Jim Carson, placing second and Bill Clausen seventh. You had to be there!

The Gamma Series, a three week-end accumulation of points, was again won this year by Greg Funari, with Bucky Kloss second and Franz Schneider third. Generally excellent conditions prevailed.

The future stars, or the Juniors as we know them, were won by George Francis, with Betsy Gelenitis second, Tim Robinson third, Jody Lutz fourth, and Lent Leber fifth. The Junior North American's this year at Metedeconk saw Jody Lutz place fourth, Jim Gelenitis sixth, and George Francis tenth.

In closing, it is time to acknowledge some of the "super crews" that make the skippers look good and without whom we would be lost. George Gaynor, Phil Dennis, Paul Gelenitis, Jim Gelenitis, Michael Schon, Don Schon, Jody Lutz, Mark Beaton, Holly Elfman, Kris Kloss, Tay Adams, Francis Hoekstra, Gary Funari, Joel Funari, and the many more, too numerous to mention. We the skippers salute you.

CENTRAL CANADA DISTRICT

District Commodore Ross Bailey

District Secretary Porter Bailey

District Champion Ross Bailey

Fleets: Zig Zag Yacht Club (277); Temple Reef Sailing Club (279); Royal Lake of the Woods Yacht Club (320).

Activity in the Central Canadian District centres mainly in two areas; these being the Manitoba or western area with sailing on Lake Winnipeg and Lake of the Woods, and in northwestern Ontario with sailing mainly on Thunder Bay, Lake Superior. In the last few years, sad to say, Lightning sailing has been slowly waning in the Western area, but efforts are under way to reawaken this area which is simply abounding in sailing opportunities. The eastern end of the district however is very much alive and growing. Based in Thunder Bay, the fleet travels to the many "inland" lakes in the area, much to the chagrin of other classes.

Charlie Spence and Bob Richards made the long trip to the Southern Circuit this spring, auspiciously to try their luck against the hot shots, but one wonders if it was not more to get away from the knee-deep snow. Both met with mixed success and others are planning to attend next year.

Our District Championships are divided into two regattas. The first was hosted this year by the Royal Lake of the Woods Yacht Club. The combination of beautiful weather and warm water augmented a really fun regatta. This seemed to be to the liking of Ross Bailey with crew Doug Hindle and Blair Sandberg, who won. However, due to the intricacies of the scoring system, Jim Cameron, won the handicap division and a waist high trophy dating from 1908. Jim, 17 years old, is doing very well and we are expecting (or is that fearing) great things from him, despite many jibes from the "oldsters".

The second half of our Districts was hosted by the Temple Reef Sailing Club on Thunder Bay, Lake Superior which again gave us very high winds for exciting but tricky sailing. Ross Bailey was able to again put it together and became the new District Champ. Jim Cameron went on to the North Americans where the large fleets taught him many things and he will certainly be even more difficult to beat in the future.

Six boats, Dave Holmstrom, Porter Bailey, Ed Styffe, Charlie Spence, Jim Cameron, Ross Bailey, and entourage made the two

thousand mile round trip to take part in the Canadian Opens in Toronto. This large Thunder Bay contingent certainly impressed the folks off the water, but for some reason we failed to impress sufficiently on the water. Everyone learned and learned, however, and certainly had a good time. Maybe sudden exposure to the sights and sounds of the big city were too much for us small town people.

Two baots, Dave Holmstrom and Ross Bailey, repeated the trip to Toronto, in mid-September for the Pan Am Trials. This regatta had to be an unqualified success even though shoreside activities were kept to a minimum. With three long races each day, out in the middle of the lake, the emphasis was very much on sailing. After surviving starvation

the first day, we were able to work more on sailing the next two and both boats were very satisfied with their results.

Overall, the Central Canadian District is in a static position growth-wise. The great activity out of Temple Reef Sailing Club is very encouraging and we are quite confident that the enthusiasm will spread back out to the rest of the district. 1978 has been a successful year and we are looking for more fun in 1979.

Fleets: Skaneateles Country Club (1); Lake Delta Y.C. (4); Mayfield Y.C. (13); Pultneyville Y.C. (61); Newport Y.C. (77); Great Sodus Bay (108); Red Jacket (125); Willow Bank Y.C. We started planning our 1978 season at the winter meeting at Red Jacket Yacht Club. A fine dinner, and a business meeting, were followed by an excellent talk by Bill Shore on sail tuning and racing tactics.

The season opened May 20th at the Newport Yacht Club. This represented the first leg in the race for the Central New York Triple Crown. In addition it was the first of two regattas between our district and the Lake Erie District. Dick Hallagan, L. MacDonald, and Mary Bryant dominated this regatta.

A month later the Buffalo Canoe Club hosted a return match between the two districts. The overall winners were Jed Dodge, first, Dick Hallagan, second, and Fiske Hayden, fourth, all from our district, and all from the Great Sodus Bay Lightning Fleet. Matt Bryant finished third for the Lake Erie District.

The names of these Sodus Bay sailors dominated most of the district regattas. At Willow Bank Yacht Club it was Hallagan, Hayden and Dodge in the second leg of the Triple Crown. The third leg was at Lake Delta Yacht Club. The results were the same. Hallagan, Hayden, and Dodge.

The Central New York District Championship was held at Brockport Yacht Club. Three races for the Junior District Championship were held Thursday, July 13th with light winds from the north. Peter Hallagan won with three first place finishes. The District Championship races started with two races on Friday and two races again on Saturday. All were sailed in light northeast winds. Those who sailed the favored side of the course were amply rewarded. Those of us that insisted on sailing

the left side of the course finally finished. The wind picked up on Sunday from the Northwest and a moderate sea developed. The results in all five races were similar with Jed Dodge winning overall, Dick Hallagan second, Tom Jungjohann third, and Fiske Hayden fourth.

The CNYRRA Regatta at Red Jacket Yacht Club saw little change in the winners circle. The winners were Dodge, Hayden, Jeff Penfield, and Hallagan, fourth.

The winds really picked up at Onondoga but it happened again. The winners, Hayden, Ed Beadel, Dodge and Hallagan.

The District was proud to have the 40th anniversary regatta this year and it was very well attended.

One of the most popular regattas in our District, "The Champagne Regatta" at Keuka Yacht Club was not blessed with wind this year and managed only one completed race in two days. We are all looking forward to the more usual good sailing there next year.

We hope to see a big turn out next year at the District Championship Regatta at Sodus Bay.

CENTRAL STATES DISTRICT

District Commodore Dick Bartlett
District Secretary David Shea
District Measurer Fritz Toussaint
District Champion John Gall
District Runner-Up Jack Zink

Fleets: Jayhawk (60); Odd Winds (296); Keystone (402); Perry (438).

Early in June all gathered at Windy Crest Yacht Club on Key Stone Lake near Tulsa for the annual determination of a district champion.

This was accomplished after Fritz Toussaint won the tune up race on Thursday afternoon. Friday the scheduled five race series started with John Gall scoring two early firsts and Jack Zink close behind with consecutive seconds. An indicator of what was in store were winds for the first race in the low twenties and building throughout the rest of the day. A number of crews took impromptu swims. Howard Paul on a port tack for the finish of the second race "fell" off a wave and broke a mast with all standing rigging intact. By this time winds were building over 35 so race number three went by the boards to the relief of all.

Near sunset all gathered back at the cottages for barbecuing, much needed liquids and several hours of "can you top this" tales.

Saturday dawned hot with winds building from the mid-twenties. Gall again leading at the windward mark forced Zink to let it all hang out by popping his chute. Zink passed all boats in front of him and then wrapped his chute around his forestay at the jibe mark. Gall went into the lead again, raised his chute and was never passed again. The final race was cancelled while boats and crews were rescued, hauled in and bailed out.

That evening Dick Bartlett and his wife hosted a great feed, passed out the outstanding trophies and then yielded the reins of District Commodore to Fritz Toussaint for 1979.

A mini district was held at Lake Shawnee near Topeka in early August. Winds were much more moderate allowing for easier sailing of the three race series. Dow MacClaymont in a borrowed boat took top honors while Dick Bartlett was runner-up. As with most all sailing activities the weekend was topped off with a fun social hour and magnificent steaks.

Many new boats and skippers are being added at Shawnee for, it is hoped, a bigger than ever District there in 1979.

COLOMBIA DISTRICT

District Commodore Garry Jackson
District Secretary Rudi Salmang
District Measurer Gian Luca Fiori
District Champion Antonio Pacini
District Runner-Up Andres Lisocki

Fleets: Club Nautico del Muna (73).

During 1978 as a result of the efforts and enthusiasm of our previous Fleet Captain and Secretary, Messrs. Gian Luca Fiori and Jorge Uscategui Lightning Fleet 73 almost doubled in size, so that starting lines of more than 20 boats became a new experience.

Antonio Pacini, Andres Lisocki and Fernando de la Concha continue to battle for the first three places in all our regattas. But, a young group of sailors, including our first female skipper, Nena Castillo, are fighting their way up at the finish line and with experience and practice will begin to make competition tougher for our champions.

In order to take advantage of this enthusiasm and to promote further growth of our fleet a full calendar is being planned for 1979, which besides District, National, Federation and Selections for South American and World Championships, will start in January with an International Invitation Regatta with our friends from San Pablo Club in neighboring Ecuador. We trust this will be the first of many international events.

CONNECTICUT-RHODE ISLAND DISTRICT

District Commodore Phil Griffin
District Vice Commodore Dave Fagin
District Secretary Jennifer Griffin
District Treasurer Nelson Hoffman
District Measurer Bill Gutzwiller
District Champion Bill Shore
District Runner-Up David Peterson

Fleets: Housatonic Boat Club (6); Black Rock Yacht Club (17); Niantic Bay Yacht Club (85); Cedar Point Yacht Club (126); Madison Beach Club (129).

Last year we pointed out the struggling our district has been going through, and we continued to struggle again this year. Our commodore, Bruce Seiffert, switched mid-season to an Atlantic, leaving district leadership to the wind.

We are hoping to have a district measurer nominated for class approval by mid-winter. We intend to put the new measurer to work this year at the Districts for the first time in years, since nothing has been measured in any of those years. We hope to try and set a positive tone to the Districts, this and succeeding years, replacing a sort of apathetic attitude which has invaded us.

The District has a renewed interest in the North Americans. The last two years more people wanted to go than there was space, whereas years past only a couple of people out of the six possible went. This year Bill Shore won the North Americans giving us an extra boat again next year. It is really great getting our sailors to the North Americans and seeing what everyone else is doing. Going to the North Americans also helps keep us all from stagnating, and those who go bring back the enthusiasm we need.

The first place results of last years Connecticut-Rhode Island District Regattas were:

Cedar Point Early Bird, Bob Hutchinson; Districts at Madison Beach, Bill Shore; L.I.S. Championship at Black Rock, Dave Fagin; Niantics Governor's Cup Open, Steve Bachman; Cedar Point's Eastern U.S. Championship, Jay Lutz.

The District officers are drawing up certain guide lines for all district regattas run each year. Within these guidelines we will include size of marks, courses, provisions for shortening of courses, and race commit-

tee management. We are going to be trying to make these regattas strong, steady, events which encourage people to sail in them due to positive experiences rather than chase them away with negative experiences.

DIXIE DISTRICT

District Commodore Al Mast
District Vice-Commodore Dieter Grotheer
District Secretary Dave Racine
District Treasurer Kitty Racine
District Measurer Bill McShane
District Champion Jim Crane
Junior Champion Bill Bush

Fleets: Washington (50); Indiana River (72); North East River (192); Susquehanna (253); Sassafra River (314); Rehoboth Bay (325); Severn River (329); Marine Corps D & E Command (354); Smith Mountain Lake (377).

The District's year was, as always, exciting and jam packed with regattas, but the highlight of the year was of course the North American Championship.

The North American's were held at Rehoboth, Delaware. Unfortunately the wind was not it's usual perfect self, but the waters of Rehoboth Bay are still the best sailing waters in the country.

This district held two distinctive regattas; one, the Junior District Championship, we being the first district to host a Junior Championship; and two, the Delaware Governors' Cup Regatta, the only Governors' Cup Regatta which has the honor of having the State Governor compete in this event. The Honorable Pierre (Pete) du Pont is an avid sailor and a fine competitor in this event. We wish he could sail with us more often.

Dixie District officers for 1979 are Commodore, Dieter Grotheer; Vice Commodore, Dave Racine; Secretary, Bill McShane; Treasurer, Kitty Racine and Measurer, Bill Buchanan. We look forward to another active year in 1979, and invite you all to come sail in our open events. Look for our schedule in the *Flashes* early in the spring.

ECUADOR DISTRICT

District Commodore Francisco Sola
District Secretary Dieter Dyck
District Measurer Felipe Eljuri
District Champion Francisco Sola
District Runner-Up Dieter Dyck

Fleets: Quayaquil Y.C. (272); Salinas Y.C. (405), Armada del Ecuador (411); Club Lago San Pablo (447).

After being almost inactive during 1977, Ecuadorian fleets started to show an increase in their activities.

The Lake San Pablo (447) and Navy (411) fleets had races almost every weekend but Fleets 405 and 272 were still needing a push to return to their traditional level of competition.

Highlights for this year were the Ecuadoriana Airline regatta hosted by Lake San Pablo and the Nationals. The Ecuadoriana Airline Regatta was sailed on May 24 - 28 with participants from Argentina, Chile, Peru, Colombia and the USA.

Jim Crane had a comfortable lead but the battle for second was very tight. Final results for the first 6 places were in order: Jim Crane (USA); Tom Allen (USA); Mario Isola (Argentina); Francisco Sola (Ecuador); Dieter Dyck (Ecuador); Matt Fisher (USA).

The National Championship was sailed in Salinas Bay on November 2-4. After 5 races with no throwouts Francisco Sola got his 14th title (1,2,1,2,1). Dieter Dyck was second (3,1,2,3,2) and Juan Santos Jr. third (2,4,3,1,3). Fourth, fifth and sixth were Esteban Crespo, Carlos Ramsauer, and Rafael Lecaro. These three young crews showed great speed and that they are the future hot shots.

Alberto Maspons was absent this year. But, our Vice President, Lorenzo Tous, and his famous 7811 came back to active sailing and showed us they are still in terrific form.

The District selected two crews for the World Youth Championship who were Rafael Lecaro, Carlos Lecaro, Oscar Viteri and Lars Dyck, Olaf Dyck, Thomas Roth. Rafael and Carlos Lecaro are former National Champions in the Sunfish class. The Dyck brothers are top sailors in the recently introduced Laser class.

Ecuadorian District is planning to participate with a full quota in the next South American's to be sailed in Ancon-Peru and be represented in the world's as well.

FINLAND DISTRICT

District Commodore Hartti Nisonen
District Secretary Lauri Heikkila
District Measurer Terho Aromaa
District Champion Antti Ruuskanen
District Runner-Up Kari Maenpaa

Fleets: Helsinki (166); Kotka (298); Pori (306); Oulu (307); Raahen (308); Kemi (310); Jyväskylä (328); Nasijärvi (394); Pyhäselkä (428); Tuusulanjärvi (456); Valkeakoski (468); Jamsa (469).

At the same time when ILCA is celebrating the 40th year the Finland District is 30 years old. This has been the main thing during past season. The official event to celebrate the 30th year was held in Oulu during Finland District Championships in July. There were over 60 people present at this very nice celebration.

The sailing activity of our District has not been as good during the past two years after a very good participation in the 1977 World's and European's in Europe. Anyway seven new boats were built and in important series we had 27 boats. The number of members in Finland District is now over 200 and this is very important to our future.

1978 District Championships were held in the northern part of Finland hosted by Oulun Purseura. Twenty-four boats participated in this well organized regatta. The 1978 Finnish Champion is Antti Ruuskanen with Oili Paasonen and Laura Heikkila in *Charlie Brown*. Congratulations especially to Oili who is the first woman champion in 18 years in Finland. Runner-up was Kari Maenpaa in *Vahine*. Other high finishers were: 3rd, Pentti Puupera SPS; 4th, Lasse Hammar OPS; 5th, Leif Haglund SPS; 6th, Jouko Lehtinen KePS; 7th, Aulis Naykki KePS; 8th, Martti Nurminen JVS; 9th, Markku Paloma OPS; 10th, Seppo Lahdemäki BSF.

In June two crews travelled to the USA and participated in the ILCA 40th Year Anniversary Regatta in Skanatele. Pentti Puupera finished 19th and Pertti Pyy was 92nd.

Two boats (*Asterix*, Hartti Nisonen and *Pilpatus*, Timo Patusuo)

were trailed to Greece and Antti Tapola flew to the European Championships held in Piraeus. Finnish results were: Nisonen 12th, Patosuo 17th, and Tapola 21st.

1978 ranking series were sailed in six regattas around Finland and the four best results were counted for each boat. Kari Maenpaa with boat *Vahine* won this series and second was Antti Ruuskanen.

1979 European Championships will be in Finland Helsinki and the hosting Yacht Club is Suomalainen Pursiseura. An invitation for this regatta has been published in *Flashes* and the Finland District hopes to see many foreign sailors, including representatives from ILCA, at this event. Welcome to Helsinki in July!

INDIANA DISTRICT

District Commodore	Bill Hall
District Secretary/Treasurer	June Schubert
District Measurer	John Leath
District Champion	Bob Carter
District Runner-Up	George Buckingham

Fleets: Wawasee Yacht Club (154); Indianapolis Sailing Club (270); Mississinewa Reservoir (420); Tippecanoe Lake Yacht Club (425); Muncie Sailing Club (460); Lake Monroe Sailing Association Lightning Fleet 464).

Participation was the big word in the Indiana District this year. Regattas were well attended and out-of-district participation increased.

The Indiana Open was hosted by Fleet 270 at Geist Reservoir, Indianapolis on May 6th and 7th. The Open which kicks off the Northern Circuit attracted 49 boats – the largest number in Indiana Lightning history! It featured an all star cast including Tom Allen, current World Champion, of Buffalo, N.Y.; Bruce Goldsmith, Chicago, Illinois; and Jack Mueller, Cleveland, Ohio.

Saturday's two races in light winds from the north demanded great patience, cool tempers and crew who moved ver-ry carefully and did not breathe unless they were on the windward side.

Sunday perked up with southeast winds 15-20 – encouraging despite a steady light rain. Keith Swihart and Bill Higgins got a little wetter than most on the spinnaker run. Swihart came up smiling – Higgins was too busy looking for his spinnaker to flash a grin at the moment.

Honors for traveling the farthest went to Larry MacDonald of Hamilton, Ontario. He made the trip worthwhile by taking first place.

Top finishers were: Larry MacDonald, Hamilton, Ontario, first; Jack Mueller, Cleveland, Ohio, second; Ron Blair, Chicago, Illinois, third; Tom Allen, Buffalo, New York, fourth; Bruce Goldsmith, Chicago, Illinois, fifth.

Wawasee Yacht Club's Fleet 154 presented their Hoosier Regatta on June 10th and 11th. A good turn out and steady 20-25 winds made for some exciting racing – and more than a few dunkings – Take heart! – It can happen to the best of us! – Bill Buckles went over a little too much twice at the gybe mark – and using Bruce Baiden's boat to boot! It's rumored that someone suggested painting "This side up" on the foredeck.

Trophies were awarded to: Matt Fisher, Buckeye Lake, Columbus, Ohio, first; Hank Hodgson, Devils Lake, Michigan, second; George Buckingham, Wawasee Y.C., Indiana, third; Tom Orlow, Oxford, Ohio, fourth; Rick Winters, Champaign, Illinois, fifth.

The Indiana District Championship Regatta was held on June 17th and 18th at Wawasee Yacht Club the home of Fleet 154. 22 boats set a record registration for a District Championship Regatta. Three races scheduled back to back on Saturday were delayed as gray skies and winds of 25 gusting to 40 cooled the flame of competition. By mid-afternoon skies had cleared somewhat but with the wind at a

steady 20 the Race Committee wisely called for a skippers vote and the days races were cancelled. (Be it noted that there were some "wild and woolies" who launched and enjoyed some spectacular rides!)

Sunday races started with good 15 to 20 winds which dropped gradually through the three back to back races until the third race finished in light air — the first was a dandy though!

Bob Carter (one of the "wild and woolies") was the District Champion.

Five tops: Bob Carter, Indianapolis Sailing Club, first; George Buckingham, Wawasee Yacht Club, second; Bill Hall, Indianapolis Sailing Club, third; Brad Wagnon, Muncie Sailing Club, fourth; Bruce Baiden, Wawasee Yacht Club, fifth.

Lake Monroe was the place to be on September 16th and 17th as Fleet 464 offered the Harvest Regatta. This second annual regatta drew an enthusiastic group, much larger than last year. Cloudy skies threatened rain early Saturday morning but by Skippers meeting it cleared and winds of 10-12 provided two nice races with a lunch break in between. The evening by the shore dinner and beer bust were enhanced by a spectacular harvest moon leaving a wide silver wake. Sunday began overcast again with little hint that it would break up for 2 more back to back races . . . but do it — it did! There was a quiet lull between the two races and skippers began to wonder if it would pick up again but the Race Committee with Divine knowledge started us again just as the sparkling sun and moderate winds had planned — perfect timing.

Bob Carter and his incredible crew again proved themselves outstanding.

Bob Carter, Indianapolis Sailing Club, first; Bruce Baiden, Wawasee, second; John Call, Wawasee, third; Bob Schubert, Indianapolis Sailing Club, fourth; Tony Chavez, Indianapolis Sailing Club, fifth. Three skippers represented the Indiana District in the North Americans. Bill Hall, Chuck Medlock and Brad Wagnon made the trip to Rehoboth Bay. Bob Carter eminently qualified by virtue of an outstanding season with many wins and the District Championship was unable to go. Participation again marked Indiana District's entries in out-of-district competition.

Indiana District Champions Top Five and Crew — Wawasee Yacht Club.

The Indiana District was represented in other regattas as follows: Inter City: Decatur, Illinois, and Bill Hall; Great Lakes Championship in Toledo, Ohio: Bill Hall, Tom McDermott, Brad Wagnon; Skaneateles 40th Anniversary Regatta: Mike Carroll, Bob Carter, Tony Chavez, Rich Eddy, Bill Saeger, Bob Schubert, Ray Trotta; Cleveland Yacht Club: Bill Hall, Chuck Medlock; Red Flannels Chicago Corinthian: Bob Carter.

Good year for the Indiana District! Anticipation??? More Participation in '79!!!

Italian District Champion, Nando DeAmicis.

ITALIAN DISTRICT

District Commodore Captain Luigi Merola
 District Secretary Nando De Amicis
 District Champion Nando De Amicis
 District Runner-Up Francesco Riti
 Third Luigi Merola

Fleets: Marivela (235); del Garda (249); di Roma (271); di Anzio (278); Lega Navale Italiana Anzio (312); La Spezia (321); Lido degli Estensi (355); Flotta del Faro Cervia (390); Marsala (449); Trasimeno (453); del Conero (466); Flotta del Lario (467).

The most important news of the district is the interest of the Ciga Hotels Inc. in the Lightning Class; the new glass boats of the Salver Inc.; the good results of the Italian skippers in the Europeans held in Greece.

The Ciga Hotels Inc. purchased a new Allen boat and gave considerable support to the participation of the six Italian boats in the European Championship at Pireaus, Greece.

Salver of Brindisi built five wonderful and competitive boats. Unfortunately the better Italian skippers did not race these new boats, but it is hoped they will in the near future.

At the European Championships the Italian District was well represented with Luigi Merola placing 5th, Nando De Amicis 10th, and Roberto Crucitti 13th.

The winners of the more important regattas in our District were: Nando De Amicis of Fleet 249 winning the Trofeo Moratti and the Regata di Primavera, both at Trasimeno Lake; Tino Pernice of Fleet 449 the A. Sassi Memorial Trophy at La Spezia; Maurizio Di Segni of Fleet 312 the District Regatta at Anzio; Claude Lambelet of Fleet 169 the E. Di Lorenzo Memorial Trophy at Senigallia; Roberto Crucitti of Fleet 449 the Marsala Sicilian Championship and the Marsala Capo Boeo's Cup.

Nando De Amicis also won the 1978 Italian Championship at Marsala and everyone was proud of our district secretary's success.

Crews and skippers of the first five places in the 1978 Italian Championships are: 1st, N. De Amicis, G. Rizzieri, D. Pecorella (Fleet 249); 2nd, F. Riti, Caterina Riti, G. Abbate (Fleet 449); 3rd, L. Merola, M. Lo Sardo, F. Lo Sardo (Fleet 235); 4th, G. Pellegrino, G. Messina, G. Di Girolamo (Fleet 449); 5th, R. Crucitti, G. Pecorella, G. Maggio (Fleet 449).

METROPOLITAN DISTRICT

District Commodore Pat Corr
 District Secretary Jim Wavle
 District Measurer Denis Farley
 District Champion Denis Farley
 District Runner-Up Bob Hutchinson

Fleets: Paupack (16); Lake Mohawk (25); Chelsea (39); High Tor (41); Redbank (70); Nyack (75); Awosting (95); Harvey's Lake (350).

The Metropolitan District initiated its 1978 sailing season in the accustomed manner with a highly competitive rendition of Fleet 70's chilly Long John Regatta at the Monmouth Boat Club. While several sailors won their turtles early in the puffy April air, Jay Lutz sailed adroitly with two firsts and a sixth to handily lead the field.

On that majestic, albeit sometimes foggy and windless river, Tom DeStasio of Nyack won the spring-time Mid-Hudson Circuit.

Denis Farley nipped Bob Hutchinson by one point to win the Districts which were held at Lake Mohawk in the beautiful hills of northwest New Jersey. Fleet 25 hosted a very well-run regatta with a variety of conditions that truly separated the men from the boys.

Karin Huntsman and Eileen Ewing represented the District in the first Women's Lightning Championship. Jack Huntsman and Kevin Corr competed in the ILCA Junior North Americans where Jack finished with an admirable third.

At the North Americans, three of our skippers sailed well enough to qualify for the World's next year. Jon Schwartz, Denis Farley and Bob Hutchinson finished 15th, 17th and 19th in the top flight, while Bob Held finished a bit further back in the Blue Fleet. In the President's

Cup, John Schneider was 6th, Jack Huntsman 9th, and Sandy Huntsman 20th. The District was certainly well represented by these skippers from the Monmouth Boat Club.

Inasmuch as the Districts were sailed at Lake Mohawk, this year the Short Circuit comprised the June Magnus Pedersen Regatta on the Hudson at Nyack plus the traditional September regattas at Greenwood Lake and Lake Wallenpaupack. Nevertheless, Lake Mohawk skippers captured the first three spots with Bob Graham emerging as the overall winner.

In the District's finale for 1978, Jack Huntsman and his family traveled to Peru in November where Jack was one of the U.S. representatives in the Junior Worlds.

It was a great year for the Metropolitan District and we look forward to renewed action in the Spring of 1979.

MICHIGAN DISTRICT

District Commodore Bob Mathers
District Secretary Jim McCoy
District Junior Commodore Carl Hesse, Jr.
District Measurer Robert Knop
District Champion Gary Demarest
District Runner-Up Bill McKinley
Junior Champion Jim Morse
Junior Runner-Up John Mathers

Fleets: South Haven (30); Devils Lake (31); Crescent Sail Club (51); Lake Fenton (53); Pontiac Y.C. (54); Higgins Lake (110); Gull Lake (137); Tawas Bay Y.C. (152); Saginaw Bay (216); Grand Traverse Y.C. (326); Pentwater (340); Douglas Lake (374); Les Cheneaux (378); Lansing Sail Club (387); Neahtawanta Y.C. (403); Clark Lake (416); Union Lake Y.C. (458).

Pleasant weather prevailed for the Lake Lansing Regatta. Bill McKinley won for the second straight year. Second and third were Lake Lansing skippers Bob Hill and Ray Yerkie.

Near ideal conditions existed at Crescent Sail Club producing some wild planing legs in Saturday's two races. Sunday's schedule was cancelled as gale winds moved thru. Clarence Holman III won this one with Hank Hodgson second. John Oram was third.

Eight teams of four boats arrived for the Fenton team races. Repeating as the champions were the Douglas Lake Team of Dave Peters, Bill Crow, Gary Cameron, and Garry Demarest.

The Michigan Districts drew 34 to scenic Tawas Bay on Lake Huron.

With four races down and one to go, Demarest and McCoy were tied. The fifth race was started in very light air. McCoy was buried at the start and managed only a 17th. Demarest finished ninth to win the Districts. The results: Garry Demarest, first; Bill McKinley, second; Clarence Holman III, third; George Sipel, fourth; Jim McCoy, fifth.

Saginaw Bay had light winds for its duel regatta. (The regular regatta and the Junior Districts.) Hank Hodgson won two of three races and the overall regatta. The highlight of this regatta (and of the season for me) was the return of one of Michigan's most popular sailors. Joe Disette finished second in this, his first competition after a successful two year fight against a mysterious viral infection. Welcome back Joe!

The Junior Districts was won by Jim Morse, a repeat of last year. Second was John Mathers of Pontiac, Sue Pohly of Fenton was third.

Twenty-five Lightnings raced at Gull Lake. Carl Engels won, the first time in 10 years a local skipper ended on top. Hank Hodgson was second. Third and fourth were Gull Lake skippers, Tim Vandermeulen and Jack Engels. The annual social at Tom Crookson's home featured a cookout and a barefoot soccer game. Ouch!

Hank Hodgson won the Higgins Lake Regatta by taking two firsts in the series.

Beautiful Grand Traverse Bay drew nineteen Lightnings. The winner Sandy Blumenfeld held off John Coll, a Snipe and Thistle skipper from Indiana. Pat Tobin was third.

Pontiac's White Cap Regatta was whitecapless this year. Thirty-seven boats competed. Rick Mullen ghosted his way to two firsts on Saturday. Sunday's races were cancelled as the wind dropped to zero. The results: Rick Mullen, Pontiac, first; Hank Hodgson, Clark Lake, second; Dave Peters, Douglas Lake, third; Alex Clark, Pontiac, fourth.

Appropriately, 35 Lightnings arrived for Devil's Lakes 35th annual, the longest continuously running Lightning Regatta in the world. Bruce Goldsmith tested Michigan waters and found them to his liking with three bullets.

The results: Bruce Goldsmith, first; Dave Peters, second; Merrill Bales, third; Clarence Holman III, fourth; Herm Nickels, fifth.

At Clark Lake the season finished as it started, with Bill McKinley winning. Hank Hodgson was second and Merrill Bales third.

Ron Callahan again managed the promotional Lightning display at the four day Great Lakes Sailboat Show at Metropolitan Beach on Lake St. Clair. Hank worked hard and did a super job.

Our annual December meeting featured Bob Scoville of Scoville Sails speaking on "The Concept of Sail Trim by Performance Analysis."

Hank Hodgson edged Clarence Holman III to repeat as winner of the George Strueland Trophy for performance on the Michigan Circuit.

At Rehoboth Bay Clarence Holman III was third top qualifier and Garry Demarest finished seventh in the North Americans. We are proud to have one of our own, Dave Peters, as President of the International Lightning Class Association for 1979.

MIDWEST DISTRICT

District Commodore Rick Larson
District Secretary Donna Larson
District Junior Commodore Derek Ettie
District Measurer Nicholas K. Smith
District Champion Bruce Goldsmith
District Runner-Up Ron Blair

Fleets: Chicago Corinthian (5); Milwaukee Yacht Club (69); Green Bay (112); Lake Davenport (167); Sheboygan (187); Lake Geneva (345); Manitowoc (393).

This last year, 1978, was a year of firsts for the Midwest District. It was the first time the Manitowoc Regatta was sailed and the first time in six years the Evans Regatta in Green Bay was sailed. Both were well run and a terrific time was had by all. Be sure to include these regattas on your 1979 schedule.

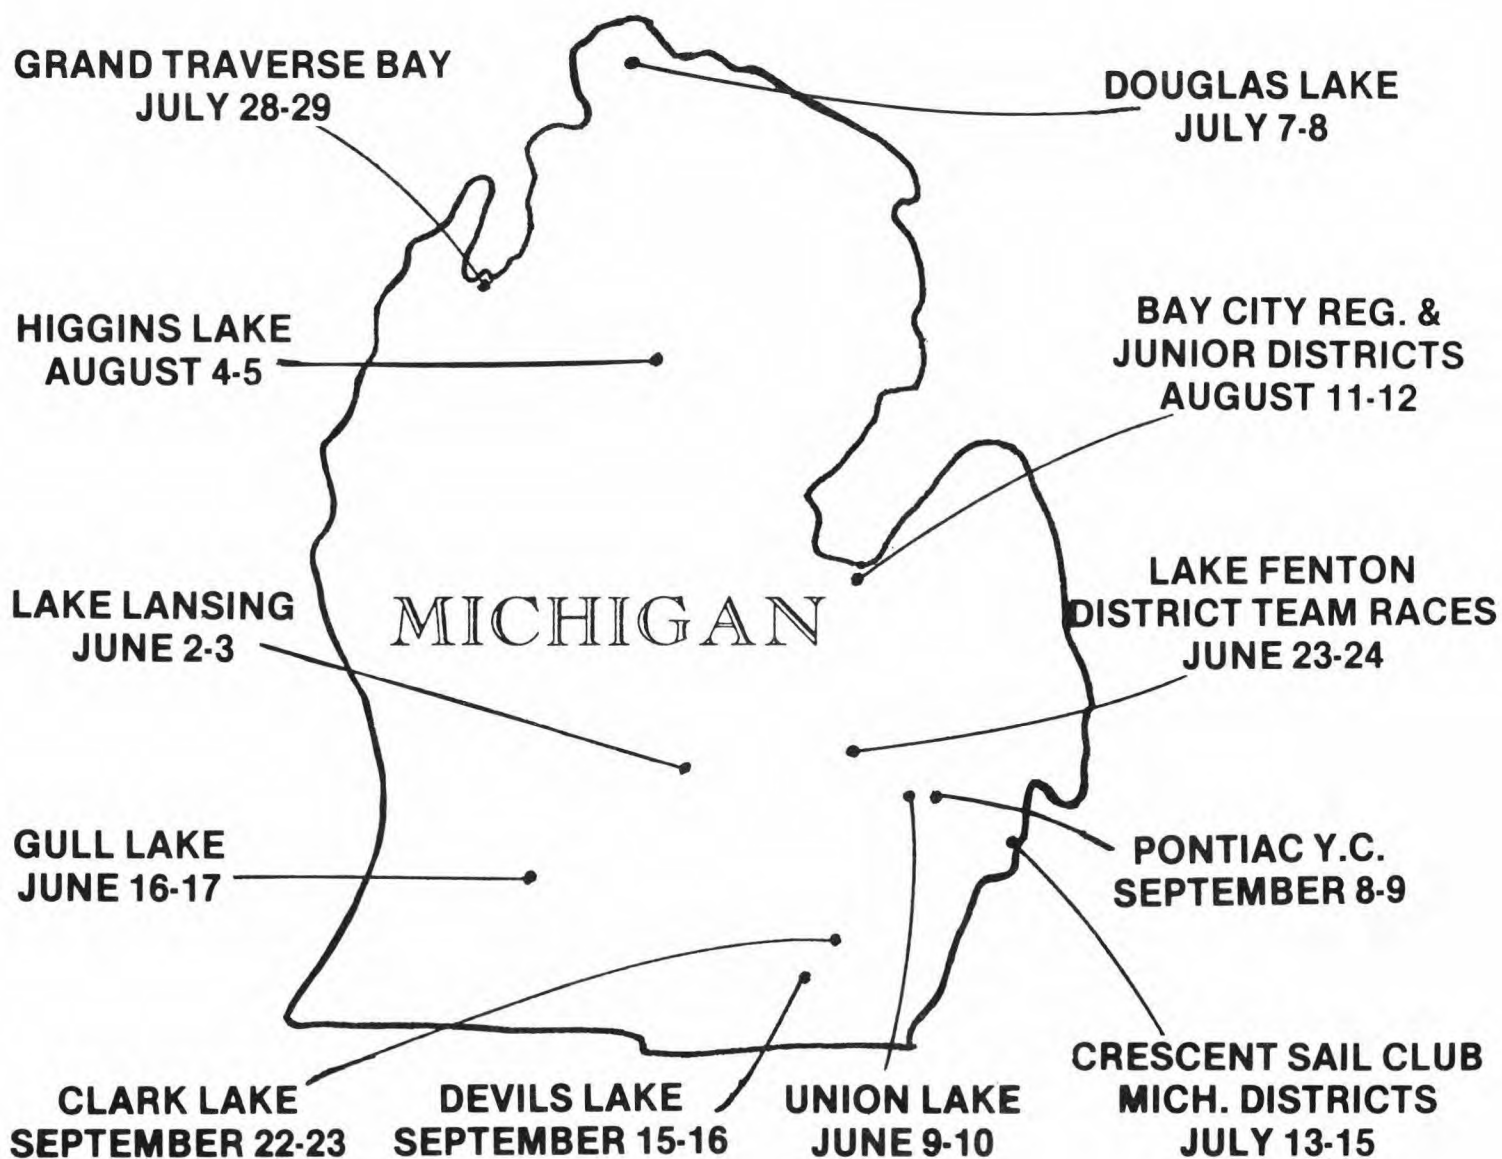

The past year's activity started with the annual Midwinter District meeting in January. Bruce Goldsmith presented an interesting talk that told not how to do it, but rather how not to do it. Does that make sense? At any rate it was entitled "Mistakes Win Races for Others."

For most of us, we had to wait until June to start our sailing and racing. The busy regatta schedule started with the Icebreaker in Manitowoc which was won by Rick Larson. Apparently the District Commodore was paying attention as Bruce spoke for us for he went on to win the next two regattas: the Evans in Green Bay and the P & T in Milwaukee.

*July 28-29	Brotz	Sheboygan
*August 4-5	Hobelman	Chicago Corinthian
Sept. 22-23	Red Flannels	Chicago Corinthian
Sept. 29-30	Polar Bear	Davenport
*Lake Michigan Championship	To qualify, the Districts and 3 other * Regattas must be sailed.	

Rick's streak was broken when he finished second to Bruce Goldsmith in the Oxie at Lake Geneva.

The following week the Districts were held in Sheboygan and the race committee managed to get in four races in spite of uncooperative weather. It was no surprise when Bruce Goldsmith again walked off with top honors.

The Brotz Regatta featured a new winner this year when Matt Burridge of St. Louis showed us how they do it in the Missouri Valley District.

The next two regattas were held at Chicago Corinthian: the Hobelman in August and the Red Flannels in Sept. They were won by Rick Larson and Bruce Goldsmith respectively.

Winding up our season was the Polar Bear at Davenport won by Hank Hodgson.

Yellow boats must be fast because a yellow boat again won this years Lake Michigan Championship. It's either that or out of respect, everyone stayed out of the District Commodore's way as Rick Larson finished the season with four firsts, two seconds and a third to win his first Lake Michigan Championship.

Best wishes to Russ and Amy Crawford who finally tied the knot (I think it was a Spanish bowline with a double running half hitch). They and Nick Smith have taken new jobs out east where they plan to be active in the Lightning class. They will be missed by all.

MISSISSIPPI VALLEY DISTRICT

District Commodore Robert Hochstetler
 District Vice Commodore L. M. Bohnenkamp
 District Measurer Stuart Bernstein
 District Champion Greg Florian
 District Runner-Up Robert Wardwell

Fleets: Decatur (74); Harbor Island (262); Carlyle Sailing Association (266); Memphis (274); Louisville Lightnings (470).

This year the Mississippi Valley District Championships were hosted by the Carlyle Sailing Association and as in the past the District Championships and all the many tasks required to get them under way were shared jointly by all the fleets.

The number of boats attending was not as in the past though. This year the count fell below 30 and although not a panic situation – it may just indicate that some of us had to work and could not attend – the concern was that a lack of fleet communication and drive was not exerted to see that all the fleet members were encouraged to attend.

The racing season opened at the Harbor Island Yacht Club Tennessee Regatta with mostly in-house participation, then on to the Hernando DeSoto Regatta in Memphis, again mostly locals with a smattering of Nashville boats. It would be an attractive situation if each year we could have a regatta scheduled just before the districts, at the district location, such as the Wild Turkey was at Ken Lake. The District Championships, sailed in June, was won by a very consistent Greg Florian with both Bob Wardwell and Barney Mead in close pursuit. Matthew Burridge, who had a lock on the championship until the third and final race when a mishap saw a win turn into a 15th, fourth overall. In fifth place was Walter England.

The next weekend Decatur had their big bash, the Intercity Regatta. From reports the racing is fantastic, only exceeded by the hospitality. It would never do to have this over before the districts, it takes a month to recover.

Summer doldrums and fair weather clouds (the windless type) carry us into September and the Impromptu Lightning Regatta at Lake Carlyle and the McDougal Regatta at Harbor Island Yacht Club. The finale of the year is the blustery Blue Nose in Nashville. There are some who feel blustery is a little strong in that no races were sailed due to lack of wind but there is a plus – 50 boats attended and the hospitality and new club house facilities helped to buoy everyone's spirits.

The dates and places for the 1979 Mississippi Valley District races are listed elsewhere in this book so 'Ya'll come'.

NEW ENGLAND DISTRICT

District Commodore Dr. Georges Peter
 District Secretary David H. Fitch
 District Champion Richard Hale
 District Runner-Up Donald C. Brush, Jr.

Fleets: Centerboard Y.C. (14); Merrimac River Fleet (121); Spofford Lake (145); Annisquam Y.C. (151); Marblehead Harbor (189); Bomoseen Lake S.C. (227); Lake Dunmore (243); Harraseeket Y.C. (244); Massebesic Y.C. (273); Chequeset (280); Lake Champlain (301); Squam Lake (332); Cohasset (369); Pontoosuc (417); Androscoggin Lightning Fleet (450); Granite Lake (457).

The beautiful Portland Yacht Club hosted the first New England District regatta of the season in picture perfect weather. Eighteen boats competed in the shifty northwest, dying breezes Saturday which turned to brisk on-shore winds Sunday. Phil Griffin of the Connecticut-Rhode Island District bested local Dave White for top honors. A great cook-out and social evening at the White's highlighted a fine weekend.

The following week Lightning sailors found the weatherman's predicted 10-12 knot winds a steady 30 knots with gusts to 37 on Lake Champlain's outer Malletts Bay. The fleet struggled back to the Boat Club with five or six capsizes and Jim Russell's broken mast as trip momentos. A fine evening meal signaled the end of festivities as the wind kept smoking on Sunday.

Lake Massabesic hosted this year's New Hampshire-Vermont Championships. Twenty boats battled through the four race series. Dave Fitch of the Spofford Yacht Club kept it close after the first day's three races with three 2nd place finishes to (then District Commodore) Don Brush's 4th and two 1sts. A drifter on Sunday was almost a complete disaster for the Saturday leaders. Final standings were Don Brush, Jr., Dave Fitch, Dick Hale, Don Sherborne, and Jack Burwell. The Hales hosted most of the visitors in their lovely home.

"Don't follow the lead boat, he's confused!" was the announcement from the race committee on fog shrouded Casco Bay. The rains showed no mercy in pelting the fleet with buckets of water and only momentary letups. Dave White led the nineteen boat fleet after Saturday's racing in the murk. Somehow things got turned around on Sunday with Dave White's premature start and Bill Oliver cranking his pretty red lightning into the lead. Final standings in the State of Maine Championship were Bill Oliver, Dave Fitch, Dave White, Don Brush, Jr., and Georges Peter. The Centerboard Yacht Club members traditionally serve a magnificent casserole lunch on Sunday which is greatly appreciated.

All this was a good tune-up for some of the finest District sailing ever, this year at Wellfleet on Cape Cod. All of New England was scorching and the Cape was no different. Stu Nickerson gave all the racers a sailing lesson finishing first in four of the five races, but a disastrous 23rd in Saturday's lone race snatched defeat from the jaws of victory. Dale Hale, ex-505 campaigner on San Francisco Bay sailed a steady series to become District Champion. A close 2nd went to Don Brush, Jr. with 3rd to Maine's Jack Burwell. Stu Nickerson, Hale Walcott, John Collins, Georges Peter, Dave Little, Dave White, and Kurt Kling completed the first 10 boats in the 36 boat competition.

Saturday Night's beach party featured great softball, soccer, and sociability and is a tribute to Stu Nickerson who pulled it off. Bill Oliver did a good job in organizing the measuring, race committee, and numerous details that go into a fine regatta.

The Newburyport Regatta in early August proved to be an excellent tune-up for the North Americans. Marblehead's John Collins took the light airs to beat Georges Peter and Dave Fitch. Al Dibenardo liked 4th representing the host fleet while Jack Burwell and Dick Hale finished out the top six. Beautiful hand-made wire lightnings were attractive prizes given to the top finishers.

Rehoboth offered challenging sailing to the New England and District sailors. Georges Peter, Dick Hale and Don Brush, Jr. (Smythe Trophy) did well in the qualifiers to place in the Championship fleet. Jack Burwell just missed the blue flight to be first qualifier in the President's division. Dave White also sailed in this fleet. Dave Fitch was second qualifier in the Governor's division followed by Raymond Harrington of Lake Bomoseen and John Hughes of Malletts Bay. Congratulations to fifth place trophy winner Don Brush, Jr. in the Championship Flight.

Post Labor Day racing found Dick Hale taking the Massabesic Fall regatta while on the same weekend at Annisquam Yacht Club, John Collins, Don Brush Jr., Georges Peter (host club), Jack Burwell and C.

H. Ritt (back from Washington) capped the first five places. All of Saturdays races were cancelled in 30 knot plus winds.

Picture perfect weather greeted thirty-one entrants at Lake Spofford's circuit (circus) finale. In the two-race series, Don Brush, Jr. came from behind to edge Phil Griffin, while World Champion Bill Shore, Stu Nickerson and Dave Fitch took 3rd through 5th places. All sailors agreed that we may never hold the Lightning North Americans at Lake Spofford, but it was probably the closest place to heaven that weekend!

OHIO DISTRICT

District Commodore Burt Preston
 District Secretary Jim Disch
 District Measurer Bucky Powless
 District Champion Greg Fisher
 District Runner-Up Greg Fisher
 Junior Champion Jack Mueller

Fleets: Indian Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Toledo (42); Buckeye Lake (43); Rocky River (71); Mansfield (150); Northeast (207); Atwood Lake (212); Cowan Lake (303); Hoover Dam (353); St. Marys (400).

Officers for the first half of 1978 were District Commodore Ron Sehulster and Secretary Burt Preston. Change of officers took place at the Ohio Districts on July 14.

Spring regattas this year included the Spring Shake Down at Indian Lake Yacht Club and the Great Lakes Championship at North Cape Yacht Club.

The Bruce Girkins Memorial Trophy was created this year and will be presented annually to the winner of the Great Lakes Championship at North Cape Yacht Club beginning in 1979.

Regattas the first part of the summer were the Thundermug at St. Mary's Boat Club, The Windshift at Leatherlips, and the Independence Day Regatta at Pymatuning Yacht Club.

The Ohio District Championships were held in early July at Pymatuning Yacht Club in near perfect conditions for both racing and social activity. After five very successful races, Greg Fisher was the champion. Jack Mueller, who was leading the regatta going into the last race had problems on the starting line and ended up two points short of Greg when all was done. The remaining nine qualifiers for the North Americans were: (3) Jim Dressel, (4) Matt Fisher, (5) Chuck Maltbie, (6) Randy Ruhlman, (7) Bill Buckles, (8) Dick Pugh, (9) Barry Wilson, (10) Peter Swartz, (11) George Auer. Matt Fisher went on to place second in the North Americans with Jim Dressel close behind finishing third.

Cleveland Yachting Club Regatta, held July 29-30, saw Matt Fisher first, Jim Dressel second, Bill Buckles, third.

At the Harvest Moon Regatta at Atwood Lake, September 9-10, Tom Varley was first, Rich Cooper second, Warren Schieser third, Joe Streb fourth, and Dick Waller fifth.

The Snow Ball Regatta at Buckeye Lake October 14-15 as usual, saw the top competitors in the world on the starting line. Finishers were: (1) Bill Shore, (2) Bruce Goldsmith, (3) Matt Fisher, (4) Jim Dressel, (5) Tom Allen.

The Ohio season ended at the Fall-In Regatta at Cowan Lake Sailing Club October 21-22 with Dick Pugh first, Ron Sehulster second, Burt Preston third, John Lay fourth, and Ken Irwin fifth.

Ron Sehulster won the Ohio Governor's Cup for the second year in a row with strong finishes in the Thundermug, Windshift and Fall-In Regattas.

Lightning Sailors of the Pacific Northwest launch boats and begin sailing about the first week in April. The hardy ones, that is. This year a group of sailors from Lightning fleets in Oregon, attempting to get a jump on the rest of us, mushed their way through the snow covered passes of the Siskiyou's to Lotus Land for the 12th Southern California Circuit. Although bedazzled by an over abundance of sunshine and tanned flesh (its called a mono-kini, Dennis) Jamie Nelson, Phil Parshley, Dennis Torgeson and Ken White managed to collect a little silver.

Each year our season officially gets underway with the mid-winter meeting held in early February. This year Mark Bryant regaled us with go-fast ideas and racing disaster stories. The highlight of his talk was "Skippers I have sailed with" or "Earplugs, the crews salvation".

The Pacific Northwest Lightning District circuit is comprised of eight regattas hosted by various Yacht Clubs in British Columbia, Washington and Oregon between mid-May and the end of October. A District Championship (junior and senior), a District Team race and a Pacific Coast Championship regatta round out the racing program. At the beginning of the season the district could boast of twelve active individual circuit regatta winners, four active skippers who have won the District Championship and three who have won the Pacific Coast Championship. Formidable opposition. By the end of the season three new circuit regatta winners and a new District Champion had joined this select, but beatable group. The results of the eight circuit regattas were as follows:

Regatta	Place	Winner	Fleet
Blossom Time (Kelowna, B.C.)	1	Bob Bazett	368
	2	Jim MacDonnell	368
Memorial Day (Eugene, Ore.)	1	Phil Parshley	283
	2	Greg Zettler	414
VLSC (Portland, Ore.)	1	Greg Zettler	414
	2	James Nelson	283
Midsummer (Klamath Falls, Ore.)	1	Dennis Torgeson	283
	2	Ken White	455
Kitsilano (Vancouver, B.C.)	1	Greg Zettler	414
	2	John Benedetti	283
Labour Day (Maple Bay, B.C.)	1	George Blumel	64
	2	Dennis Torgeson	283
Lake Chelan (Chelan, Wash.)	1	Frank Wise	414
	2	Bob Bazett	368
King Olaf (Seattle, Wash.)	1	Rod Johnson	414
	2	John Benedetti	283

Five races were sailed in the Blossom Time regatta under clear skies and light winds in 28 degree C (82 degree F) weather. Bob Bazett, a new winner, demonstrated his new boat and sailing skills by winning four of the five. Even those who didn't pick up a trophy had something to take home — a sunburn. Memorial Day drew twenty-seven skippers from five fleets. Gool 'ol Fern Ridge Reservoir performed as usual providing everything from dead calm, 180 degree wind shifts, to MY GOD HIKE! Phil Parshley, defending District Champion, and Lotus Land traveler, demonstrated that last year was no fluke and set himself up as the skipper to beat this season. Unfortunately, Phil was able to sail only sparingly for the rest of the year; depriving the remaining skippers of a truly fine competitor.

Again twenty-seven skippers lined up for the gun at the VLSC regatta on Vancouver Lake. Normally there is ten to twenty feet of water in this flood control basin. But not this year. One out-of-town skipper with a forty boat length lead and three boat lengths from the finish line in very light air found himself being inexorably overtaken. Sail adjustments, each more frantic than the last, availed nothing. Finally an abnormal heeling angle was tried — and the boat moved — and stopped. MY GOD, WE'RE AGROUND, quietly spoke the skipper. The lead had shrunk to one-quarter boat length at the finish line. Having the bottom so close to the top truly adds another dimension to Lightning racing. Three points separated the top three competitors going into the final race. Centerboards were up to avoid grounding in the starting area and a forty-five degree windshift occurred five seconds before the gun. Greg Zettler was the only skipper to successfully handle both adverse conditions and, believe it or not, did a horizon job in twenty-five knots of wind.

The Klamath Fleet did it again, hosting a fantastic Pacific Coast Championship regatta. Being one of the smallest fleets in the District, they showed that small numbers can bring off big things. Five very tough races were sailed in two days by thirty skippers from eight fleets in the two Districts. One-half point separated Myron Lyons (Fleet 194, San Diego) and Greg Zettler going into the final race. Ten miles later in

15 knot winds Greg tacked on Myron's lea bow two boat lengths from the finish and won by less than one foot.

Aloha — The Culver Hilton, Nan and Jack Culver, proprietors.

A tired but spirited Klamath Fleet hosted their annual Midsummer regatta one week later. The races featured one real gear buster and Dennis Torgeson, sailing with his family, outlasted his battle weary competitors and won his first circuit regatta.

The first salt water regatta and the second one with sunshine (both in British Columbia) found fifteen boats on the line at Kitsilano in early July. More than the usual number of freighters were anchored in English Bay making winds more like lake, than ocean sailing. Using a substitute crew, Greg Zettler gave a sailing demonstration winning all races by comfortable margins.

So back to Eugene for the District Championship. (By the way, the average skipper must travel over 4500 miles to attend all District events in one year. Those who live on the fringe of the District travel over 6000 miles.) Temperatures were in the nineties and winds were light to non-existent. The first two races on Saturday were abandoned and the third finished at sunset. The last weather leg was sailed directly into the setting sun causing many skippers to over-sail the finish line. Two races were completed in light and fluky winds on Sunday. Of the top five finishers, which included three past District Champions, only Jamie Nelson was able to sail consistently. Jamie is a first time winner of this regatta and the second Portland sailor to win in as many years. Earlier, the first Junior Championships were held. Also in light and fluky winds. Most of the young people crew for their fathers and it was interesting to note the similarity in racing tactics. The last race was started after 8 P.M. and finished just at sundown. It was a winner-take-all last race and the lead changed hands at least five times during the four legs. This caused alternating cheers and groans from the parents watching. Due to the distance from the finish line, it wasn't until the committee boat had docked that the spectators knew Phil Parshley, Jr. had nosed out Margo Marlatt at the finish to win. And so Portland made a clean sweep of the Districts.

The Labour Day regatta has to rank as the "Soggiest" of the year. That good old Northwest rain just keeps falling. Five races were sailed in the most beautiful setting for racing in the District. That light air master, George Blumel, sailed for three thirds, a second and a first while everyone else was alternating good with bad finishes. District hot-shots had best keep an eye peeled for the third place finisher Don Munro and his new boat *Hot Chocolate* on the circuit in '79.

Lake Chelan surprised everyone this year with winds on Saturday that peaked at forty knots. Generally, three knots is considered heavy air. Making use of ten years experience as crew and skipper in this

regatta, Frank Wise finally won his first circuit event. That new boat does make a difference.

The last circuit event, the King Olaf, was won by Rod Johnson sailing his last Lightning regatta (he says). Rod, who is a past District Commodore, District Champion and prior holder of most other District honors, is moving to a Thunderbird in quest of a world championship.

The District Team race was won by Columbia (Portland) Fleet, soundly thrashing defending champion Juanita Bay (Seattle). Thus Portland won three of the four District honors this year almost completely replacing Seattle as the home of Pacific Northwest Lightning champions. Greg Zettler of Juanita Bay held off total domination by Portland by winning the PNW Circuit Championship. That's three in a row for Greg.

An end of an era occurred this fall with the retirement of Nan and Jack Culver. They have been mainstays of the District and Chinnok (Eugene) Fleet for more years than they care to count. The "Culver Hilton", where Lightning sailors gathered to exchange sea stories and enjoy the best of hospitality, will be sorely missed. Fittingly, the "Grey Fox" and his Nan won the last Oregon Invitational regatta of the season, the Columbus Day regatta at Newport, before moving to their retirement home on Orcus Island in the San Juan archipelago. Wishes for fair winds and smooth seas from your friends.

Winners of the Peruvian elimination for the first World Youth Lightning Championship, Augusto Navarro-Mulanovich, Carlos Navarro-Mulanovich (skipper), and Antonio Fortunio-Oliveira.

This has been a very exciting year for our district because Peru was to host the First World Youth Lightning Championship. At the time of this writing crews from Argentina, Australia, Brazil, sent in their entries. Just recently we held a National Youth Championship as a qualifying series for this world event. Our national champion was Carlos Navarro-Mulanovich (skipper - age 14) with Augusto Navarro-Mulanovich (age 13) and Antonio Fortunio-Oliveira (age 16) as crew. The other three crews that qualified were: 2nd; Alex Zimmerman (skipper, age 18) with Felipe Barclay (age 19) and Miguel Chavez (age 15); 3rd; Edmundo Deville (skipper, age 19) with Marco Garcia (age 17) and Victor Boucher (age 18); 4th; Hector Sabogal Jr. (skipper, age 15) with Gisella Sabogal (age 17) and Mauricio Barbis (age 16). We hope they will represent us well at the Youth World's.

We are also getting ready to host the next South American Championship, to be held in Ancon-Peru in March of next year.

Finally immediately after the Youth Worlds the Peruvian National Championship will be held. This year we think there will be about 25 fiberglass boats in competition, the biggest number ever for this event. We will send a separate report for the Lightning Flashes in January. Also there is a special report regarding the First World Youth Championship in another section of this year book.

SOUTHEASTERN DISTRICT

District Commodore Sam Cheek
District Secretary Mickey Boyd
District Measurers Bert Berry & Paul Rodesiler
District Champion Tom Waters
District Runner-Up John McIntosh

Fleets: Savannah (127); Clark Hill (257); Lake Murray (341); Lake Lanier (348); Catawba (365); Lake Hartwell (391); Triad (415); Greater Charleston (429); Palmetto (440); Wateree (459); St. John's River (461); Waccamaw (463).

A good time was had by all in the Southeastern District under the capable leadership of Ken Wallace of Lake Lanier fleet. For the first time, we sailed under a uniform set of Race Instructions, and it was a big improvement for the 62 skippers who sailed, 25 of whom qualified for the Circuit Championship.

Unfortunately, Augusta had to pass on their opening regatta, but they plan to have a big one this year with their growing fleet. On April 22, Wateree welcomed us with open arms - thank goodness because the temperature dropped to 32° Saturday morning. But 26 boats braved the chill and enjoyed the good wind and sun on both days, especially Tom Waters, Will Sloger, and Gordon Kellogg who took top honors in that order.

Our last regatta on October 7-8 at Lake Lanier was another COLD one. But a roaring fire in the club house kept those poor souls who forgot their thermals warm all night in the 37° weather.

In between we had a variety of weather and wind, or lack of. Palmetto Fleet won the attendance trophy (if we had one) with 35 boats, but unfortunately, not much wind. We got two races in after losing one to time limit and protest. Lenny Krawcheck who just joined us this year from the Y-Flyers, liked that light stuff fine - won the silver, followed by Will Sloger and John McIntosh.

Triad regatta also had little wind on May 20, but it got better on Sunday as a dandy storm came through for a speedy wind-up, much to Tom Waters, Randy Brooks, and Tom Hudgens' liking.

Lake Lanier had nice warm weather for the Districts and 29 boats weighed and measured in for three days of lovely cool breezes. Tom Waters won this one again, followed by Johnny Mac, Pete Russell, George Scarborough (another Y-Flyer convert), and Gordon Kellogg.

In July, 26 skippers at Savannah and 29 at Charleston found out that patience and guile paid off - patience waiting for the wind in Savannah, and guile in Charleston for figuring out how to sail around a big freighter anchored in the middle of the course. Lenny Krawcheck, Tom Waters and George Scarborough had the most patience, and John McIntosh, Lenny and Tom had the most guile.

By September, the wind hadn't picked up much at Lake Waccamaw for 19 boats who could only find enough of the stuff for two races. John McIntosh, Tom Waters and Pete Russell found what was there to finish 1, 2, 3.

Lake Hartwell did a lot better with the wind, even though Sunday was mighty dreary as 26 crews managed to keep warm. As usual, good sailors can sail in any conditions as Lenny Krawcheck, John M., and Will Sloger proved. And then that cold fall wing-ding at Lake Lanier for the Atlanta Cup and the last try for the McIntosh circuit trophy. Will Sloger won the Atlanta Cup, with Tom Waters second and Bob Wardwell from Chattanooga, (who sailed with us a couple of times this year) came through for third. For the circuit, no one could catch the top three by sailing at Atlanta, but the other places were still up for grabs, and our final results were as follows: 1st Tom Waters; 2nd John McIntosh; 3rd Lenny Krawcheck; 4th Will Sloger; 5th Gordon Kellogg; 6th Pete Russell; 7th George Scarborough; 8th Randy Brooks; 9th Sputter Howard; 10th Harry Hintz.

At the North Americans, John and Pete made the Blue fleet, Tom the Gold, and Lenny and Gordon the Green. Mary Oetgen and Sputter Howard did well in the Junior Championship, and we are mighty proud of Ann Boyd and her crew of Liz Canniff and Kelly Oetgen for coming in second at the Women's Championship.

We hope to have the sun, thermometer and wind all straightened out for the Ice Breaker and Deep South in March - but no guarantees!!

Tom Waters and crew receive trophy from D.C. Ken Wallace.

The Southern District stretches along the Gulf Coast from Mobile Bay in southeast Alabama to Shreveports' Cross Lake. We are more fortunate than our cousins to the north in that our milder climate permits year round sailing.

Our season usually begins with the Sugar Bowl Classic in January hosted by the Southern Yacht Club of New Orleans. The same club hosts the Mardi Gras Regatta in mid-February while the rest of the country is buried in snow.

Early April brings the "strong to stronger" winds on Shreveports' Cross Lake for their annual Holiday In Dixie Regatta. This year was no exception as a fleet of more than 20 boats did battle with 90 degree shifts and 15 to 20 m.p.h. gusts.

Life member Gene Walet organized and directed our annual District Championship Regatta. This was held at the Gulfport Yacht Club on the beautiful Mississippi Sound. Thanks to excellent committee work, we were able to sail a full series despite light winds. Cal Herman of New Orleans won the series with John Butcher of Shreveport runner-up.

The Gulf Yachting Association Championship was sailed on Mobile Bay hosted by the Fairhope Yacht Club in early August. Once again, Cal Herman was off and running. Buck Ballatin was runner up in the series, sailed in very shifty northerly winds. A delightful party was held at the home of Lucy and Rick Skinner for the out-of-town sailors.

Buck Ballatin and Tommy Allen represented the district at the North American Championships. From all reports, the light and variable syndrome was prevalent there too.

In early October, the Fairhope Yacht Clubs' annual Commodore Wadewitz Regatta was held. With Shirley Ballatin as crew for the first time in 12 years, a subdued and therefore very unfamiliar Buck Ballatin won the Commodore Ed Overton Lightning Championship.

Later in October, the official season ended with the annual Hospitality Regatta hosted by the Jackson Yacht Club in Jackson, Mississippi. This Regatta is very appropriately named in that the people in Jackson make every effort to see to it that the visiting yachtsmen have an enjoyable weekend. This is true even though the Lightning Fleet at Jackson is no longer active. Since Jackson is very centrally located, we would like to invite our neighbors in Dallas, Memphis, and Nashville to sail with us there next year. The Regatta is traditionally held the third weekend in October.

We would like to thank Larry and Fran Frost for jobs well done as District Commodore and District Secretary during the 1977-78 season. At the District Regatta, Robin Bernhardt was elected District Commodore and Barney March Secretary for the 1978-79 season.

TEXAS DISTRICT

District Commodore George Hatfield
District Secretary Regina Ploch
District Measurer Dr. S. R. Newman
District Champion Glenn Darden
District Runner-Up Bob Chilton
Junior Champion Steven Craig
Junior Runner-Up Clarke Newman

Fleets: Dallas Corinthian (35); Rush Creek Yacht Club (435).

The Texas District has had a milestone year in 1978.

Glen Darden and Bob Chilton (8th and 11th respectively in the North Americans) qualified for the 79 Worlds to be held at Rush Creek Yacht Club, and as a side bet cooled the "Texas Turkey" talk which we have been hearing for the past few years. Steven Craig was runner-up in the Junior North Americans and is a sure contender at the Junior Worlds in Peru. Glen, for icing on the Texas Turkey cake won, the USYRU Mallory Competition Championship in LIGHTNING'S for 1978.

With 95 or so percent of Texas District Lightning activity centered around Rush Creek Yacht Club, we address ourselves to the most urgent priority of expanding our fleet base. Years back a number of Texas fleets went by the wayside for reasons of old age (boats and people), however several members of the Fort Worth Boat Club have either purchased Lightnings or indicated good interest in Lightnings. At Chandlers Landing Yacht Club (up-lake from Rush Creek) a prime mover has bought a new Lightning and we have much interest there.

Along the Gulf Coast we have little, if any, interest in the Lightning. As a show of strength we plan on a massive demonstration on the starting line at the Houston Yacht Club Mid-Winter Regatta in February.

The publicity from the Worlds will help us with our promotional efforts to grow, and we look forward to this main event.

The 1978 season was extremely eventful for the Lightning Sailors of Fleet 3. Early in the season Bob and Tay Adams and the O'Brien family, along with crew Ted and Pam Keefer and Joe and Sonia Van Horn traveled to the origins of Lightningdom to celebrate the 40th Anniversary of the Lightning Class on Lake Skaneateles. The Adams sailed their boat and Ted Keefer and Bob O'Brien co-skippered Lightning 10 which did reasonably well in the wood boat class (3rd overall), mostly because there were not too many wooden boats that raced.

The high point of Fleet 3's season at Bay Head Yacht Club was the hosting of the First Women's Lightning Championship. It was significant that this race was held in Bay Head, which was the site of the first Lightning championship race in 1939. Nineteen boats raced in near-perfect conditions and Bonnie Shore emerged victorious. It was thrilling to see such fine racing and enthusiasm among the participants as well as the spectators. The great success of this event will ensure that the women's championship will be a permanent Lightning Class event.

Bob and Kay Adams traveled to Rehoboth Beach to represent Fleet 3 in the Nationals and handily qualified for the Worlds which will be held next year in Dallas. Late in the season, Bob Adams and Bob O'Brien III both participated in the Easterns, which for the Fleet 3 participants, is known as the "Cedar Point Disaster".

Although our club series was erratic due to numerous events held this summer to commemorate the 90th Anniversary of the Bay Head Yacht Club, Fleet 3 is happy to report that Lightning sailing is alive and well on Barnegat Bay.

We opened our season with an excellent wine/cheese party, pleasant conversations and great expectations. What a group of 'Tigers' ... expounding the virtues of their boats, improvements, new sails, and a lot of that "what went wrong" last year will never happen again talk! As we neared the Memorial Day Regatta, sly peaks under other boat canvases seemed to be the "rule-of-thumb" for the skippers.

Then, summer was with us ... Memorial Saturday winds held 8 to 10 for two races, in which Mark Doyle won with his *Skogland*. Sunday

The scene at Lake Delta Yacht Club.

was hot and sultry, resulting in a shirts-off drifter won by Joe Alari and cancellation of the second race. On Monday winds rounded out near 10 to 12 and the Van Slyke boat took the honors.

Near the end of June, the fleet hosted the third leg of the Tri-Crown series of Central New York. The winds were accomodating for Saturday, at 12 to 15, "assisting" two sailors with speedy roll-overs. The Sunday morning race was a drifter, but we were rewarded with good winds in the afternoon. We got off 5 races for the series. The top 5 were in order Dick Halligan, Fisk Hayden, Jed Dodge, Dave Parker and Jeff Penfield. The camaraderie of the travelling sailors made the weekend perfect.

As we sailed toward July 4th we tuned and re-tuned those wire things that hold up the mast! We changed fittings, added cleats, replaced halyards, waxed and sanded. The previous winners were going to be knocked out ... and Bob Carrier did it! Then Jack Martin scored followed by the Van Slykes.

July sailing was somewhat diminished by weddings, family vacations, and the annual trip of the skippers to those BIG BOATS on Lake Ontario. With summer weekends passed we were eager for our Labor Day Regatta. Nine of us came out. Through the fine weekend weather, we juggled our standings, everyone fighting for a "piece of the action" and thinking "maybe this race." We all experienced various problems, but overall, we enjoyed our weekend. The regatta was won by John Martin with Barb Brodock second and Robert Carrier third.

As our lake is a feeder for the N.Y. State Canal System, the level was lower than it has been for many, many, years, but this enabled the construction of more concrete piers and an extra railroad track for our trolley.

Looking down the bluff in November and seeing a rarely exposed shoreline; then seeing the locked club buildings; the complete silence of the club grounds and parking lots; the summer of 1978 has started to fade into memory ... for those who love the water ... Adieu 1978 ...

Lightning sailing in the "Windy City" in '78 again was excellent. The weather was strong and good and the membership of over thirty boats turned out well for the club's five racing series, two regattas, and the Junior Districts.

Unfortunately, (I'm sure Gordon would disagree) the rest of us were not able to "Beat *Sazerac*". Gordon Ettie won the Fleet Championship with Dick Hinze the runner-up and Bob Smither third. Twenty-six boats tried to win in this series but in the end that yellow boat was out in front again.

The finishes for our Corinthian Series were Dick Hinze, Fred House and Dennis Bourke. Fred won the Commodore Series though with Dick Hinze second and Bernie Kornhaber third.

The Ding Dong Series, scheduled on midwest regatta weekends, was taken this year by newcomer Bill Wynn in his *Razorback* followed by Bill Zamzow and Bob Smither.

The evening Moonbeam Series was taken by Fred House with three firsts in front of Jerry O'Kane and the Brothers Seitz.

Our most improved sailor award this year went to Fred House (and Donna) for winning two of the series and finishing second in one of the others. Not a bad year at all for a sailor with his first boat and having just gotten into sailing a few years ago.

Winners of the Red Flannel Regatta were Bruce Goldsmith, Gordon Ettie, Bob Novak, Dave Peters, and Rick Larson.

Leaving us at the end of this year is a former commodore and last year's fleet championship runner-up, Dick McClure. Dick has been one of the strongest supporters and competitors in the Fleet and it is very sad to see him leave for the east coast.

Predictions have it that '79 will be another great year for Chicago Corinthian's Fleet 5. The rumblings are that Fleet members will take the Great Lakes Championship, sweep the Districts and take most of the hardware of the Midwest. Within the Fleet the determination is building to not let Gordon Ettie take a third Fleet Championship. "A new boat will not help, Gordon!"

The safest prediction is that Fleet 5 will again provide full opportunities for all Lightening sailors and again be one of the most active fleets in the country.

Fair sailing by Chicago's Gold Coast.

Fleet 13 scheduled and sailed 20 races this year. Rob Klug repeated his sweep of last year and won the July, August, and Overall Series. However, this year he was not quite so dominant. In fact he was even heard commenting that the rest of the fleet was getting too fast. For example, Sam Folger, who replaced his tapered aluminum mast with an oval mast and new sails, displayed outstanding pointing ability and boat speed in the August Series. Also both Bill Schultz and Ed Koenig have demonstrated in the past that they have the capability of winning Fleet 13 silver. In addition, Walt Ryan and Ric Klug were frequently up in the lead or challenging for the lead this year. In short, our fleet may be small, but we are almost evenly matched in boat speed and skill. The results for Fleet 13 are as follows: **July Series**, Bob Klug (8 pts.), Ric Klug (11 pts.), Walt Ryan (12 pts.); **August Series**, Rob Klug (9 pts.), Walt Ryan (10 pts.), Sam Folger (11 pts.); **Overall Series**, Rob Klug (13 pts.), Walt Ryan (16 pts.), Ric Klug (19 pts.).

Fleet 13 was also active on the regatta circuit this year. One or more boats from Fleet 13 raced at the following locations: Red Bank Y.C., Newport Y.C., Lake Delta, Skaneateles Country Club, South Skaneateles, Keuka, Y.C., Brockport Y.C., Galway Lake, and Rehoboth Y.C. Notable results include Rob Klug's first place finishes at South Skaneateles and Galway Lake. Ric Klug finished fourth at South Skaneateles and received the Commodore's Cup at the Districts by finishing ahead of the bottom half of the fleet. Walt Ryan's 9th at the Districts earned him a trip to the North Americans where he qualified for the green fleet.

Our fleet report would not be complete without mentioning our crews who made this a successful year. Our crews for 1978 included Gerry, Mary, and Dawn Ryan, Mark and Doug Sturges, Ted Maylia, Jim McDonald, Max and Stella Schultz, Ann Folger, Jim Ball, Ron Farnsworth, Joanne Koenig and Bob Wyzkowski. In fact some of our crews got in more competitive sailing than anybody else. For example, Gerry Ryan was at almost every regatta a Fleet 13 boat went to.

Finally Fleet 13 would like to give special recognition to Bill Schultz. Bill has served as fleet secretary and co-ordinated the racing of Fleet 13 with the Mayfield racing program. We would like to thank Bill for his efforts in our behalf.

Well, I guess that wraps it up, hope to see you next year.

PAUPACK FLEET (16)**Metropolitan District****Sailing on Lake Wallenpaupack in the

Fleet Captain George Madel

 Runner-Up George Madel

Boat No.	Boat Name	Skipper

11907	Mach I	George Madel
11960	Hank Fretz
12416	Peter Boettcher
12867	Sister Kate	Stan Moldawsky

This was not a good year for our fleet. Only four boats started every race and were eligible for season prizes. The rest showed up occasionally or not at all. It looks like they have lost their competitive spirit, or else they're getting tired of chasing John Rowley around the course.

John and family were superb again this year winning 14 of 18 races with their worst finish being a third. This enabled John to win all three series and the season championship. In second place was George Madel closely followed by Stan Moldawsky, and Joe Mark. The racing all season was very uneventful. Joe didn't ram anyone, Stan didn't capsize, Joan didn't fall overboard, there were no protests, and not a single mark was stolen during a race.

The one bright spot was the visit by several of our friends from Lake Mohawk to join in our racing for two weekends in July. If they weren't so damn fast it might have been fun.

The regular season always ends on Labor Day Weekend with "Fleet Night" at the Yacht Club. John backed his station wagon into the club, showed the other sailors the trophies they were competing for and promptly took them home again for another year. The "Bard of Wallenpaupack" made his annual appearance and left the crowd in stitches with his recount of the seasons activities.

The finale every year is the fall regatta. Usually held the 2nd weekend after Labor Day. It was postponed a week so as not to compete with the Atlantic Coast Championship. Bad decision. Our usually windy weekend was replaced with one consisting of bright sunny days and very little wind. Twenty boats started the first race in a light northeast wind which soon disappeared leaving large holes over the lake. Two and a half hours later the fleet struggled back to the club for a much needed lunch and "hydration". The second race was postponed until Sunday, which started off looking just like Saturday. After a two hour wait a light westerly wind brought the fleet to the starting line. This race also experienced many frustrating moments as the wind disappeared and appeared again and again. A shortened third race was sailed in a light but steady wind although seven boats did not start this race, having given up any chance of winning. Bob Graham of Lake Mohawk won all three races. In the second race he had a great boat to boat battle with: Herm Henschen who led the way until the seventh leg. Second in the regatta was Tom Bierman. Third was John Rowley who after finishing the third race was rushed by motor boat to get much needed medical aid for a hand that got in the way of an angry centerboard. Jim Wavle and Herm Henschen rounded out the top five finishes.

The Saturday night dinner at the club was once again a trencher-mans delight with enough roast chicken and other goodies for all. This fine dinner was planned and prepared by Stan and the sailor's wives. As usual Stan ran a perfect weekend. (Except for the Wind).

It is hoped that 1979 will bring some of the old familiar faces back to the starting line again, and Dave and Gary will leave their tyrannical skippers and show up with boats of their own.

Joe Mark will be fleet captain next year.

Fleet 17 had another exciting summer of racing on Long Island Sound. During the course of the summer, the weather presented every possible challenge from the heaviest to the lightest conditions. Continued enthusiasm and interest in Lightning racing were evidenced by the close competition for the series championship and the Fourth of July and Labor Day weekend regattas. All members are working for continued success and expansion of the fleet in 1979.

As part of its commitment to growth, the fleet played host to the Long Island Sound Lightning Championship which was attended by approximately twenty boats. Fleet 17 looks forward to hosting this regatta again in the Summer of 1979.

The fastest Lightning in the fleet in 1978 was *Ariel*, skippered by Dave Orange and Gordon Burrows. In a close second place was Jim Nelson in *Fiddler's Green* followed by Ralph Sperry in *Thor*.

Ed Burger, who has been voted the most improved skipper of '77, opened the season by winning the Memorial Day long race. Chuck and Cindy Hodges in their new boat came in second, while Kevin Harding was third.

At the 14th annual Cornball Regatta, it appeared that Tom Allen had it all sewed up by winning the first two races. However, in the third race, a slight miscalculation caused him to hit a buoy and by the time he had completed circling, he had slipped back to fourth. Larry Mac Donald, who had two second place finishes won the race and the regatta. Tom's 4th in the 3rd race gave him second overall and Tom Jungjohahn from Newport YC was third.

In the Labor Day long race, neophyte Chuck Hodges moved out front early and continued to improve his position right to the finish line. Jim McDonnell and Kevin Harding changed places several times but Jim was second at the finish and Kevin third.

The year-long Hi-Point series was a really closely fought battle all season long, but Kevin Harding nosed out Jim McDonnell by one point to win the Fleet Championship.

Double congratulations to Chuck and Cindy Hodges. They not only had a new baby this year (and a new boat), but Chuck was awarded the "Most Improved Skipper" trophy.

For next season Ed Burger has been elected Fleet Captain. "Congrats Ed!" To Dick Harding, Many Thanks, for a job well done during the past two years.

At the end of July, the Lake Mohawk Lightning fleet trailered their boats to Lake Wallenpaupack in Pennsylvania in response to an invitation from Fleet 16. The fleets raced together on two successive Sundays and, as usual, our friends at Paupack were gracious hosts and spirited competitors.

In the Fall Series, Tom Bierman easily took first with Jim Wavle just edging out Dick Schoell for second, while Rich Miner finished fourth. This year the Short Circuit skipped Lake Mohawk and instead added Nyack to the traditional regattas at Greenwood Lake and Lake Wallenpaupack. Nevertheless, Fleet 25 sailors Graham, Bierman and Wavle took the first three places in the Circuit.

As soon as the thaw comes, we'll all put away the skis and brace ourselves for what promises to be an even more highly competitive sailing season in 1979 (particularly if we can convince Bob Graham to buy a brand new boat).

Lake Mohawk's small but energetic Lightning fleet was considerably bolstered this year by four new skippers with experience in other classes. John Kindschi, Rich Miner, Don Ploetner and Dick Schoell all quickly established that they have good boat speed and the capacity to win.

Dave MacDonald and Bob Graham got the jump on the rest of the fleet by competing in the Southern Circuit, where Tom Bierman crewed with Sandy Huntsman. For those who stayed up north, the season began in late April. The Wavle's returned home from the Long John Regatta to get the salt off their sails by turning over under spinnaker in the first fleet race of the year.

Bob Graham, Lake Mohawk's traditional Fleet Champion, ran away with the Spring Series finishing first in 9 out of 10 starts with a second in the other. Tom Bierman handily finished second with Jim Wavle third, followed by Dick Schoell, Bob Tomassetti, Dave MacDonald and Mike Venus. Dick and Dave had the pleasure of turtling on the same day although Dave had the tougher assignment in managing to do it while close-hauled.

In the Magnus Pedersen Regatta on the Hudson at Nyack, Tom Bierman and Jim Wavle finished 1st and 2nd, while Rob "Waldo" Boswell of Bob Graham's crew distinguished himself in the subtle art of unobtrusively anchoring during a race with a two-handed, over-the-head toss from the bow toward the weather mark.

In the Summer Series, Bob Graham won again with 6 firsts in 12 starts while Tom Bierman finished second with 4 firsts. Jim Wavle barely beat Ron Beard for third place with an average that was only three hundredths better. Dave MacDonald finished fifth followed by Dick Schoell, Don Ploetner, Bob Tomassetti and Mike Venus.

Bob Graham and Tom Bierman represented the fleet at the 40th Anniversary Regatta in which Tom got a 2nd in the final race. It isn't often a skipper can look back and see more than 100 boats behind him.

Lake Mohawk was host to the 1978 Metropolitan District Championship and the mid-July weather was every bit as fluky as the worst pessimists could have expected. Bob Graham and Ron Beard sailed very well to finish 3rd and 6th, while Tom Bierman ended up 9th despite a bad first race. The Regatta was smoothly run thanks to the efforts of District Commodore, Tom Bierman, and the outstanding efforts of Snipe sailors, Gail and John Marx, who organized the Race Committee and the dinner.

The summer of 1978 was a season of outstanding sailing weather at Leatherlips. We had very few drifters and very little air over 15. In fact at "docks out" we enjoyed a beautiful bright 73 degree day.

The Ohio District Educational Seminar was held on April 15th and 16th and was well attended by 42 enthusiastic sailors. George Fisher was the coordinator and we were all eager to hear what Jim and Nancy Dressel, Jack Mueller and Dick Pugh had to say about how to make a Lightning go faster. And then on May the 20th and 21st, the U.S.Y.R.U. Advanced Sailing Clinic was held at Leatherlips with Dave

Perry as the instructor. These were 2 days of great concentrated sailing instruction with a lot of on the water exercises. Everyone who attended was very enthusiastic about this great learning experience.

This was Carl Clipp's year. Carl with his super crew of Charita Clipp and Regi Augustine won the fleet championship with super sailing all year. Carl bought Bucky Powless' boat in the spring and we all saw a lot of his new stern all year. Carl won our most improved sailor award and his crew won the most improved crew award for the 1978 season.

Carl got off to a good start by winning the Spring Series with Bill Hilsman close being in second place. Mike Denning sailed well in the Memorial Day series which brought him in first. Ron Sehulster was a 1/2 point behind in second and Carl Clipp was third.

Eric Hilsman won the July 4th series by a nose over Paul Howald and George Hodge was 3rd. Ron Sehulster was off on the Regatta trail so he did not sail the 4th of July and missed many of the Summer Series at the home club.

George Hodge ran off with the Summer Series with Carl Clipp finishing second and Paul Howald in third. Clipp really got cranked up and did some of his best sailing in the Labor Day Series with Ron Sehulster second and Paul Howald third.

We hosted our Fourth Annual Windshift Regatta on June 10th and 11th. Eighteen boats participated for this second leg of the Governor's Cup. Ron Sehulster won the regatta and local sailors captured the next 4 places. For all the Lightning sailors who did not make this fun regatta they might be interested to know that they missed a prime filet mignon dinner complete with wine for a fantastic price of \$4.00.

Our out of town travelers included Paul Howald, Ron and Dixie Sehulster, Bertie Gerling, George Hodge and Carl and Charita Clipp. Ron was the most active traveler sailing in 7 "away" regattas this season. Howald, Hodge and Sehulster sailed in this years Ohio District Lightning Championships at Pymatuning Lake.

Fleet 27 was very proud of Ron's accomplishments in serving as the Ohio District Commodore in 1978 and winning the '78 Ohio Governor's Cup Series with the best record of the three regattas including the Thundermug at Grand Lake St. Marys, The Windshift at Leatherlips and the Fall In Regatta at Lake Cowan. Congratulations Ron!

Carl Clipp was elected for a second term as Fleet Captain and Warren Miller was elected Secretary Treasurer for the 1979 season.

We are hoping to see all of the Lightning friends in the other fleets at our Fifth Annual Windshift Regatta next June.

This year the Devils Lake Lightning Fleet celebrated its 35th anniversary. The year started with sailing on Memorial Day weekend. The weather was great for most Sunday sailing during the summer but the winds were generally light. The sailing ended on Labor Day weekend.

Our Fleet Championship Series was very close between George Sipel and Merrill Bales with Sipel winning, Bales second and Jack Tibbs a close third.

Devils Lake hosted the 35th annual invitational regatta with 35 Lightnings attending. There were several previous North American champions; Walt Swindeman, Dick Krauss, Herm Nickels and Bruce Goldsmith competing for the top honors. The regatta was won by Goldsmith: second, Lightning Class President Dave Peters; third, Merrill Bales; fourth, Clarence Holman III; and fifth, Herm Nickels.

Metedeconk River Fleet 34 has always been proud of its sailors and of the ability of the Metedeconk River Yacht Club to conduct first class regattas. 1978 was no exception as the fleet and club worked together to put on a super Junior Lightning Championship. Jay Lutz, Jim Carson, and Dave Ruiter led the way around the course in many important regattas. Other less prominent members of the fleet enthusiastically supported local racing and on occasion ventured to nearby regattas.

Surprises of the year were Dave Ruiter's win of the Barnegat Bay Yacht Racing Association Championship, an event which Jim Carson thought he could never lose. Another surprise was Jim Carson's defeat of Jay Lutz in two straight regattas (Districts and New Jersey States) after a two year span in which Jim never beat his former crew.

No surprise was Jay Lutz win in the Fleet/Club Championship, a series he made look easy. The improved sailing of Rick Tell gained him Mike Coscia's Pomptonian Trophy as most improved sailor.

Fleet Captain Werner Schon pulled all the right strings to pull off another traditional pool party - the kind where everybody gets thrown in, prepared or not. We were honored that our own Mimi Dimon was elected District Commodore, a post well deserved by her tireless efforts on Fleet and District business.

While we do not have a Junior Championship, to psych us up in 1979, we look forward to more good sailing and fellowship. Visitors welcome!

Fleet 36 racing began in May with a ten race series called the Eager Spring (combining the previous Eager Beaver and Spring series into one). Final results showed Bob Baumgardner the "most eager," followed by an upcoming junior, Jeff Borland, second and Commodore Don Courtsal third. Saturday and Sunday racing during most of the summer (14 scheduled races) composed the Championship Series. It was won again this year by Randy Ruhlman, who retired the trophy by winning it for three consecutive years. Runner-up Rob Ruhlman (Randy's older brother) was followed by Don Courtsal, third.

In July we held our annual Independence Day regatta, and also hosted the Ohio District Championship two weeks later. Team racing took over in August, while Randy and Rob Ruhlman, Chuck Maltbie, Dick and Vic Maras, and Peter Swartz were competing at Rehoboth.

One of our famous Moonlight races was opened to all club members this year, with varying vocal results. To win you had to be first to return and first to be able to sing, in correct order, words which were posted on various buoys around the course.

The Fall Series was won by Chuck Maltbie, with Don Courtsal runner-up, and Dave Lewis third. For our last scheduled race this year, we invited Lightning sailors from near-by Conneaut Lake to trail over and join us on the starting line. We enjoyed meeting the several fine Lightning friends who accepted the invitation.

Fleet Race Chairman George Cummings is glad to report that a total of twenty-nine fleet members participated in our races this year, with a

"best turnout" of twenty-six on one starting line. This kind of enthusiastic participation is what makes Fleet 36 so great!

We welcomed several new fleet members this year: John Harrell, Ralph Gibbon, Ken Graham, and John Willoughby. Young Jeff Borland refinished a wooden Lightning, "jumped ship" from his dad's boat, and became a skipper and fleet member himself. Another Lightning junior of whom we're all proud is Mike Werley, who was a crewman on our Pymatuning Sears team, which won the 1978 Sears National Championship at San Diego.

Trophy night on November 11, 1978 officially closed the Lightning sailing season. Fleet Captain Jack Borland (1979 Club Commodore) and Anne were host and hostess at a delicious dinner and fleet award presentation. Dave and Nedra Lewis entertained at a brunch the next morning. A great final party, to help us 'survive' the winter, until we can sail again in the spring!

Bob Baumgardner, winner of the Eager Spring series, shows us how to do it in a wood boat.

1978 Champions – Pete Moncada, Skipper Bill Gordon and Tammie Korber.

Inspired by springtime talks from Steve Prime, and Bill Shore, Fleet 39 sailed the first of its 18 races on April 30, crossing the line for the last time October 22. In spite of avid competition from as many as 11 boats in some races, Bill Gordon and Steve Schwark retained their season champion and runner-up titles, respectively, for the third consecutive year. Joe Sullivan, who returned mid-season, took third overall.

Of special note this season is Steve Schwark's breaking Gordon's two-year winning streak by taking a first in a Series. Recapping the four Series: "A" Series, 1st Steve Schwark, 2nd Bill Gordon; "B" Series, "A" Fleet – 1st Bill Gordon and 2nd Steve Schwark, "B" Fleet – 1st Doug Wright, "C" Series, "A" Fleet – 1st Bill Gordon and 2nd Joe Sullivan, "B" Fleet – 1st Sam York; "D" Series – 1st Bill Gordon and 2nd Joe Sullivan.

The Mini-Series (intended for sailors who could compete only one weekend per month and with only those eligible who did not win other trophies), resulted in first and second place honors to Frank Newman and Tad Burnett, respectively.

The CYC Special Races yielded seven other Lightning trophies: "At-Ancor Start" – Jim Van Fleet, 1st and Bill Gordon, 2nd; "Skipper Crew" – Tammie Korber (sailing Bill Gordon's *Blue Chips*), 1st and Eric Newman (sailing Frank Fox's *Reward*), 2nd; Chelsea Handicap – 3rd Jim Van Fleet, 4th Bill Gordon, 7th Tad Burnett.

The Chelsea Open (part of the Hudson River Yacht Racing Association circuit and third leg of the Mid-Hudson Circuit), was won by Tom DeStasio, Nyack Boat Club; followed by Meyer of the Minisceongo Yacht Club; Low of Nyack; and Bitler of Miniscenongo. Bill Gordon took third overall in the Mid-Hudson Circuit, as well as first in the Sutherlands at Stony Point and third in the Last Blast.

Former Lightning skippers showed their winning form in the Second Annual Lightning Clambake Old-Timers Race, with top honors to Lew Larson, who sailed 11158 back in 1974. In contrast to the experience of the old-timers, new skippers among Explorer Post 381 also displayed their winning form, finishing in the top half of nine of the 13 races than entered. All of the CYC racers appreciated the new racing marks made by the Post.

At season's end, Most Improved trophy went to Jim Van Fleet. Another improvement this season was the increase by two of the average number of boats per race. Fleet 39 looks for even more competition in 1979.

HIGH TOR LIGHTNING FLEET (41)

Metropolitan District

Sailing on Hudson River, Grassy Point, N.Y.

Fleet Captain	Bill Meyer
Fleet Secretary	Nick Mazzeo
Fleet Champion	Bill Meyer
Runner-Up	Bitler-Lewis

Boat No.	Boat Name	Skipper
8883	Thunder	Tony Schweiker

10784	"Heads Up"	Eric Schreck
11227	Heuristic	Paul J. Krick
11583	Meliora III	George Bitler & Mark Lewis
12991	Afternoon Delight	Bill Meyer
13044	Teacher's Pet	Nick Mazzeo

The 1978 sailing season started strongly with seven boats consistently on the starting line. Bill Meyer, sailing with wife, Donna, and alternate kids, Wendy and Billy, won the Spring, Fall, and Regatta series to capture the Fleet Championship. George Bitler and Mark Lewis, sailing with Barbara Bitler, bought Bud Whitnall's 11583 and got it moving in the summer to win the Summer Series. George and Mark were runners-up in the fleet with consistent sailing, but had to withdraw from the fall series when a 30 knot gear buster in the Last Blast regatta capsized the boat breaking the mast in three places.

When freshman High-Tor sailor Dennis Szokolay lost his crew, (Tom and Pete Reddy returned to school) and Paul Krick lost his jib man (also to return to school), it became difficult to muster enough boats to start a race.

Eric Schreck, with son, Eric, and crew Eric Knight, won his first silver on the Hudson at Nyack this year. He also managed a third in the fleet with a good showing in the Last Blast Regatta. Nick Mazzeo, sailing with wife, Beth, and friend, Artie, beat more boats this year than a new skipper is supposed to. Tony Schweiker, and crew, Jon Knight and Don Wickstrom, need a genoa to move old 850 lb. "*Thunder*" around the course with the rest of the fleet. Tony feels real comfortable in the heavy stuff.

The fleet wishes to thank all those who helped to make our regattas a success.

Our annual Silver Lake Yacht Club dinner brought to a close our 25th year of sailing on Silver Lake. Past Commodore Hoss Bone's humorous recital of the season's mishaps spared few of us. He noted with some pride that both Peter Bone and Bill Neal had qualified for the North Americans and that the club had done very well at District events.

The club now has 24 active boats and our enthusiastic younger members insure a high level of competition. This year the club championship was captured by Todd Jones who had one of the most consistent seasons on record. Bill Neal was second and Bud Humphrey, third.

The mid-fleet overall award went to Bud Van Arsdale.

The most improved skipper trophy based on two years of sailing was awarded to Bernie Matteson. One of the most treasured awards, the Jacob Hofstead Memorial Trophy for the best crew, was won by Kevin Jones. Bill Neal received the C. L. Van Arsdale Memorial Trophy for the best positioned Silver Lake boat at the Harvest Regatta and the Mid Neal-Brown Memorial Trophy for the skipper sailing the best away races.

The Williams' Stay-At-Home Trophy was presented to Jay Emens and crew and the Caldwell Bucket was won by Peter Bone.

The 6 race series, the Bill Humphrey Memorial, was won by Peter Bone and crew with Bernie Matteson and crew taking second place, Todd Jones and crew taking third place and J. A. Emens and crew winning the Mid-fleet award.

The three race Jane Van Arsdale Memorial series was won by Bill Neal with Mark Grinder, second, Peter Bone, third and the Mid-fleet award going to Mark Dadd.

The Neal Memorial Trophy was won by Peter Bone, Bill Neal in second place, Bernie Matteson in third place and the Mid-fleet award going to Bud Humphrey.

The Benedict Memorial Trophy series was won by Bill Neal with Dr. Humphrey coming in second and Mark Grinder, third.

Other officers are Yacht Club Commodore, Mark Dadd; Yacht Club Vice Commodore, Laura Grinder; Junior Fleet Captain, David Matteson and Fleet Treasurer, Bud Van Arsdale.

The National Capital Washington Fleet celebrated it's 35th anniversary this year. It all began on March 5th with "The Frostbite" which rattled the bones of all sailors. Mother Nature was declared winner during post race activities at the Yacht Club.

Doc Gilbert affectionately renamed his boat *Swamp Fox* after having boat and trailer pass his car on his way to the Southern Circuit passing through St. Petersburg. The boat and trailer launched themselves into a swamp and floated away. After having to swim after the boat on the trailer, it was felt the elusive craft required a new name.

Fleet 50's touring group was well represented at many regattas, including The Azalea, Annapolis, Susquehanna, Severn Spring, Baltimore Mayor's Cup, Harve de Grace, Delaware Governor's Cup, Dixie Districts, Annapolis Annual, Miles River, North Americans, Maryland Governor's Cup, Rehoboth Fall Regatta, Fall Severn, Smith Mountain Lake, Frigid-Digit Annapolis, Quantico etc. Yes, the fleet averaged ten boats at most of these events.

Locally, we were pleased by Lightning attendance at our Heart Fund, Walter Collier and President's Cup Regattas. Virginia's own Doctor Delorme swept away the silver for the Walter Collier and President's Cup. He also was winner of the North American's Presidents Cup.

Memorable events were, "The Doc Gilbert Night", attended by over one hundred Lightning sailors. Doc was presented a caricature and made Honorary Life member for his contribution of thirty years to Lightning Sailing. The Fleet sailing party was attended by fifteen boats and crews at Mike Arnold's new home on the water. Ron Buchanan was declared deep six champ by capsizing six times, six races. OHHHHH!!!

Fleet 50 was proud and pleased to assist in the North Americans with fifteen members serving in various support functions. This included parking, measurement, launching, registration, race committee, protest committee, stake boats etc.

Fleet 50 has many officers such as: Activities Chairman, James H. Dillard; Newsletter Editor, William R. Buchanan; Membership Chairman, David A. Pyle; Junior Activities Chairman, Rose Gentile; Racing Chairman, Harris J. Hulbert, Jr., and Fleet Scorer, Maryann Gallagher. Our Fleet Captain for 1979 will be Winslow H. Randolph III and Mrs. Joyce Dillard, the Fleet Secretary/Treasurer.

In all, we have had a superb season in association with Lightning sailors, who are all beautiful people.

Fleet 50's warmest regards to all for another successful year.

CRESCENT SAIL YACHT CLUB (51)

Michigan District

Based on Lake St. Clair

Grosse Pointe Farms, Michigan

Fleet Captain Ron Summers
Fleet Secretary Mike Williams
Fleet Champion Fred Eng
Runner-Up Arlyn Kinkel

Boat No.	Boat Name	Skipper
6066	XL	Henry Cawthra
8588	Rage	Tom Vickers
9616	Bob & Linda Schoonbeck

13107	Michael Konon
13121	Nokomis II	Dick Drew
13245	Chinese Bandit	Fred Eng
13298	Bob Werenski

The confusing Cox-Sprague scoring system was applied to the race results, and Fred Eng repeated as winner of the Sunday, Wednesday, and overall Championships. Jon Oram was second on Wednesday, edging Dick Drew. Arlyn Kinkel was second Sundays and overall. This capped a fine year for Fred, who also won the Lightning race at the annual Crescent regatta. He did have his moments, though; once he

displayed flawless technique for setting the anchor-without benefit of anchor line.

The social season was highlighted by the annual lobster roast. Scores of mussels, gallons of clam chowder, and 125 lobsters were enjoyed by Crescent members.

Next year, Fred Eng will not defend his title. He has accepted a position in Philadelphia, which will leave Fleet 51 disoriented. Everyone plans to succeed him, especially Bob Schoonbeck. He acquired two boats this year, wrapping up the ugly boat contest along the way. One boat is pink; the other could be charitably described as "egg plant."

For all but one skipper, the goal was clear: Dethrone Fred Eng, (in a new boat yet), Champion of Fleet 51. All the ingredients were present. Bob Werenski promised his annual new boat, while grabbing a few bullets with the "old" one. Arlyn Kinkel and Vince Boyle showed that Lightnings are not only good family boats, but fast family boats. (Some of Vince's starts were a little too good, though.) Dick Drew had fine boat speed. But, Fred began to win.

Eastern transferee Jon Oram swept the ugly boat honors with a lumpy black and yellow craft, while Skip Remter prepared his hull.

By the end of June, Fred had won more often than not. Bob Lees flipped, Tom Vickers continued to improve, and Mike Williams found how tough it is to sail monohulls. The races often followed a pattern; Fred, Dick, or Arlyn would lead, with the ugly boat making big comebacks on the last leg. This caused the Werenskis to adopt a "divide and conquer" strategy. At our Father's Day Regatta, Bob crewed for winner Clarence Holman III and Sally for third placer Jon Oram. Skippy was busy building his mast.

July found Crescent represented at the Districts by four boats, with Fred Eng earning a ninth place. Sally Werenski crewed for winner Garry Demarest, and husband, Bob, crewed for 7th place Gary Cameron. (Good Strategy!) Fred qualified for Rehoboth where he sailed in the President's Cup. Meanwhile back at Crescent, Skippy was cutting his sails.

In August, competition and camaraderie peaked on Wednesday nights. Tight racing was followed by loose sailors at the weekly beer and pizza blasts. Skip finally launched his boat to gain admittance to the parties. The new Werenski craft appeared and was promptly dubbed *Poison Eggroll*, but it was too little, too late.

LAKE FENTON SAILING CLUB (53)

Michigan District

12763	In Between	Al Bauer
13031	Morris Gushen
13077	Dave Nickels
13334	Demon II	Dave Furey

Weather played a very important part in this racing season. Over two-thirds of this year's dates were raced in very poor conditions. Many days the wind was between 2 and 7 miles per hour, which allowed champion Herman Nickels to show that he is definitely a superb sailor. Many times the distance between Nickels and runner-up Dave Furey was considerable. Furey moved from 4th place last year to runner-up which should result in many years of good racing at Lake Fenton. Last year's runner-up, Paul Militzer, dropped to 4th place which allowed Dave Nickels to finish in the third position.

Lake Fenton also races on Wednesday nights and this year Al Bauer was the 1st place finisher. He and his crew, made up of his wife and son, worked very well together to beat out Paul Militzer.

The Traveling Trophy for having the best record away was awarded

to Dave Furey. Most Improved Sailor award (Margaret Nickels Award) went to a surprised Terrence Bigda. This Year LFSC was host for the Michigan District Team Championship which was again won by Douglas Lake. This event is growing in prestige and rivalry between clubs which has caused some very good races.

The LFSC new building should be completed in time for next year's racing season. This new facility will have a social room, a new kitchen, and large activity center. When the clubhouse is finished it should be one of the finest in the midwest. We are looking forward to next season with great expectation.

Eight—count 'em—eight. Yes, PYC can boast of eight brand new Lightings in 1978. You can imagine how tough the competition is with all this new hardware charging around the lake.

Another indication that Lightning sailing is alive and kicking at Cass Lake are our ten new members, six complete with boats.

Results of the six race series of the year: Wed. Spring, 1st W. Smith, 2nd L. Kastura, 3rd L. Zednick; Wed. Summer, 1st R. Muller, 2nd W. Smith, 3rd J. Scott; Die Hard, 1st W. Smith, 2nd L. Bowler, 3rd C. Holman; Sun. Spring, 1st W. McKinley, 2nd J. McCoy, 3rd R. Mathers; Sun. Summer, 1st R. Mullen, 2nd J. McCoy, 3rd R. Mathers; Sun. Summer, 1st R. Mullen, 2nd J. McCoy, 3rd W. Smith; Sno Ball, 1st J. McCoy, 2nd J. Corbett, 3rd R. Mathers.

Overall winner for Wednesday was Wally Smith, while Jim McCoy was Sunday's overall winner.

Most improved awards went to: Wed. Spring-Summer: Rick Clark; Wed. Summer-Fall: C. Holman; Sun. Spring-Summer: L. Zednik; Sun. Summer-Fall: P. Johnson; Overall: J. Bowers.

The first regatta of the year, the Bug Out, was won by Bob Mathers, with Wally Smith and Gordy Gotberg buzzing behind.

The Club Championship, decided between the top twelve skippers, featured cool, wet weather and hot competition, with Jim McCoy winning, chased closely by Bill McKinley and Lauren Bowler. The balance of the fleet competed for the Commodore's Cup, with Dick Adamson finishing first, Pete Johnson second, and Bob Clark third.

Additional competition for skippers who did not qualify for the Club Championship was held over Labor Day weekend as the Challenge Regatta, with some of the Championship skippers "pulling the strings." Mike Bisset was the winner, with Paul Schneider second and John Mathers third.

A new award, the "PYC Persistence Award," for the most races sailed without finishing "in the money" went to Dick Beaubien.

For this outstanding contributions of time and skill to many club projects, the Ray Ramsom Award went to George Lanthorne.

PYC was well-represented on the regatta circuit as usual and "as usual," Bill McKinley was the PYC Michigan High Point Trophy winner.

Les Kastura won the Good Sportsmanship Award. You can't find a nicer guy to sail against or run into (literally).

The Annual White Cap Regatta suffered from a lack of air this year, but not from a lack of effort by Vice-Commodore Jim McCoy and many, many committee members. It was won by our own Rick Mullen. Rick managed two firsts out of two "counters" in the field of 39 boats.

Dick Patton did such a great job as Commodore this year, that a group of us got together and took him on a "bareboat" charter in the BVI's. (British Virgin Islands). There was only one condition—he had to pay his own way!!

It is difficult to recall nicer sailing weather than western New York experienced in 1978. Not a single fleet race was blown out, rained out, or cancelled due to lack of air.

The Bowen Lightning Class Championship was won again for the umpteenth time by Calvin Schmiede. Judy Walker was second. Cal also won the Wardell Series and picked up a half-dozen or so trophies for placing in area regattas. Bob Starck won the third and final fleet series, the Blake Memorial.

The oldest area regatta in the district, our Niagara River Lightning Championship, was hotly contested again this year. Perennial champion Stu Anderson was edged out by a "lucky newcomer" calling himself Tom Allen. Matt Bryant, Jr. sailed a nice series to garner third and Fritz Dusel and Steve McMeney rounded out the top five.

Come on down and sail with us at the River Championship next year.

With no organized weekend racing program it was a quiet year for the stay at home boats of Fleet 61. Several of our members including Dan Tomlinson and Dick Arnold did participate on the regatta circuit enjoying modest success at various regattas throughout central New York State. The author rejoined the fleet in early July (after cruising a couple of hundred miles on the Chesapeake in June with 4879) and was just in time to join three other Pultneyville boats in attending the fortieth anniversary regatta on Skaneateles Lake. One of these boats, Lightning number 898 had never before sailed outside her homewaters of Lake Ontario near Pultneyville. This boat was home built 36 years ago and was one of Fleet 61's founding members. Skipper Ray Walvoord was recognized at the regatta banquet as being probably the oldest original builder and skipper still sailing his boat.

Although none of the Pultneyville contingent did too well in a fleet which included Lightning celebrities such as Shore and Allen, we all had a fine time. It was a unique experience to battle for last place in a fleet of 110 boats. Aside from a handful of wooden boats (I counted about ten, three of which had been built in the last five years) the scene was completely dominated by fiberglass and aluminum. It was impressive to see how many changes have occurred in the boats on the competitive scene since 1974 when I last attended a regatta.

We left with an impression of a fantastic job done by the Skaneateles Country Club and as we drove off westward over the rolling hills of route 20 the unanswered question still remained — "who really was the first Lightning?" Perhaps we'll find out at the fiftieth anniversary regatta. Back home there is some loose talk about reviving the weekend race schedule at Fleet 61. Perhaps next year will see a revival of activity among the fleet's more elderly stay at home boats.

The Sugar Bowl Regatta this year was taken by Greg Fisher with Tommy Allen doing the best of the local sailors with a second place. About eight out-of-town boats were present for the series and we look forward to an even larger invasion next year.

With less out-of-town competition Tommy Allen won Southern Yacht Club's Annual One Design Regatta. This event held the weekend before Memorial Day is invitational and always draws contestants from the whole gulf coast.

During June the District Championships were run in Gulfport by Life Member Gene Walet. Larry Frost, Tommy Allen and Jeff Reisch took respectively 4th, 5th, & 6th places in a beautiful series.

The same three staged a very close Fleet Championship Series to end the season. Tommy won back the fleet championship and Jeff was the runner up — exactly the reverse of the previous year. Tommy's crew this year were Jean Paul Lunaux on the jib and Trippy Tubbs on the spinnaker. This is the same trio that went to the North American's where they obviously learned something.

The 1978 season was another year of sailing fun and frustration with 21 races sailed out of 34 scheduled Season Series races. Our fleet averaged six out of ten boats on the line in each race. Lake Michigan produced its share of fog, storms and blowouts to cut into the normal good sailing conditions. We did get to run the Marine Handicap and the Little Mackinac Regattas sailed under the Portsmouth Handicap Rule. Flying Scots, Lasers, C. Larks, Flying Dutchman, etc. saw a clean sweep of the silver by the Lightning Fleet.

Fleet 69 was to see our Dave Barrett and crew truly put it all together with an outstanding performance. A first for the Season Series and a first in the Commodore Regatta, Brill Series and Labor Day Regatta. We have all admitted Dave Barrett's *Ragtime* is the light air demon but now he's doing it in all kinds of weather. It's just amazing what a new jib will do!

The P & T Regatta which counts toward the Midwest District Lake Michigan Championship was held on July 8-9. Rick Larson of

Sheboygan finished first, Jay Matteson of Lake Geneva was second, and our own Dr. John Esser, third. This regatta is traditionally a preparation for the Midwest Districts, this year held at the Sheboygan Yacht Club July 21-23. The Milwaukee Fleet had two boats in the top ten with Byron Roe, sixth, and Dr. John Esser, seventh. Dr. John Esser, Commodore of the Milwaukee Yacht Club, was the only Milwaukee boat to enter the North Americans this year. Maybe the sailing out east will encourage John's wife Sue to hang up her clubs and return to the fun of wet shorts and authoritative commands. Thanks again, John, for representing us at the '78 North Americans.

The Milwaukee Fleet is becoming a ready market for Bruce Goldsmith's "old" boats with the second Lightning going to Marv Whalen while last year it was Byron Roe. We hated to lose Sandy Cutler and *Ruddigore III* from competitive Lightning sailing but Sandy wants to make it big in tennis tournament competition. Alas, our annual fleet picnic was held on September 17 amid the chills of early winter and swarms of bees; but the beer, brats and hamburgers kept us warm enough to play some tennis. That's what happens when you wait until the race season ends.

As we end the season we look on to downhill skiing, warming up around the fireplace, and ordering new sails as a way to keep us busy while we look forward to 1979 and racing again with our friends.

Four in the Blue and one to Peru. This statement summarizes the most successful competitive season in the history of Fleet 70. We are a hard sailing fleet. This year we had four boats in the Blue Fleet at the North American's and Jack Huntsman qualified as the 2nd U.S.A. boat in Junior North American's for the first Junior Lightning World's.

The season started in the south as Sandy Huntsman, Denis Farley, John Schneider, Jon Schwartz, Bob Hutchinson, and Charlie Roden all sailed at least one regatta of the Southern Circuit.

Activity of the Navesink started in April with Bill Clausen and Jack Huntsman finishing 1st and 2nd, far ahead of the pack in the Spring Series. This series is open to members of other clubs and always has super competition. Come sail with us next spring.

The annual Long John Regatta on the last weekend of April drew 72 boats for what always turns out to be a mammoth party. Jay Lutz won with Bill Shore, Jim Carson, Jim Crane, and Glenn Reitingner taking home trophies. Bob Hutchinson was highest placing MBC member in 6th.

This was our year to host the New Jersey State Championship which was held in June. Jim Carson won followed by Jay Lutz, Denis Farley, Jack Elfman, and Bob Hutchinson.

Our Holiday Day Regattas (Memorial, Independence, and Labor Day) were hotly contested. Sandy Huntsman won Memorial Day, while Denis Farley took the other two regattas and also won the Atwater Trophy for the best combined scores.

The fun regatta of the year was the 40th Anniversary Regatta at Skaneateles. One thing for sure, the owners of the Whispering Winds Motel will not soon forget us. Anyway, there were seven MBC boats at the regatta: Dave Von Holle, Ralph Wilson, Jack Huntsman, Eric Olving, Jon Schwartz, Denis Farley, and Ralph Messersmith. Just a super regatta and a special thanks Dave White!

With the North American's in nearby Delaware there were a lot of nervous sailors that sailed in the Districts at Lake Mohawk in July. Only six would qualify for the North American's while seven MBC sailors wanted to go and there were some from other clubs that also wanted to go. The wind was not cooperative but with patience three races were sailed. MBC took six of the eight top positions and seven of the top ten. Denis Farley won with Bob Hutchinson 2nd. Rob Held, John Schneider, Jon Schwartz, Sandy Huntsman and Jack Huntsman were the other MBC sailors in the top ten. All but Jack qualified for Rehoboth. (Jack later qualified at the Junior North American's.)

For the first time Lightnings were invited to sail in the Sea Bright Cup Regatta on Sandy Hook Bay in early August. It was a great chance to sail in open water and prepare for the North American's. Thirteen Fleet 70 sailors braved the rain and light air to make it a success. We hope to see some sailors from other clubs join us next year. Jon Schwartz won, followed by Denis Farley and Bob Hutchinson.

The Lightning Class held its first Women's North American's at nearby Bay Head Yacht Club and our fleet had two boats in attendance. While our gals finished in the middle of the nineteen boat fleet they thoroughly enjoyed the event. Congratulations on a fine effort to Karin Huntsman, Carol Seity, Suzy Von Holle, Eileen Erving, Pat Farley, and Marguarite Seigel. Thanks to Bay Head Yacht Club for a super regatta.

Then it was on to Rehoboth. Schwartz, Farley, and "Hutch" made the Blue fleet and qualified for the World's while Rob Held made the Blue. John Schneider, Jack Huntsman and Sandy Huntsman made the Green fleet.

Fleet members went on the road this season with good results. Rob Held and Jan Schwartz finished 1st and 2nd in the Governor's Cup at Rehoboth. Hutch won at Cedar Point, and took thirds at Bay Head, Surf City and the Eastern's at Cedar Point.

Dave Von Holle won the Summer Series a touch ahead of Walt Colantuono. Charlie Roden, Ralph Wilson, Quentin Frazier, and Pat Corr all sailed well and made the competition tight right to the end.

The last event for the season was the Fall Series. Dave Von Holle won with a big lead and the remaining positions were very closely contested. Other trophy winners were Charlie Roden, Tony Doyle, Ralph Wilson, Pat Corr, and Walt Colantuono.

The capsiz award went to Dennis Farley for the 2nd straight year. Dennis had three while "Hutch" was runner-up with two.

The 1978 sailing season marked another summer of fine sailing and enjoyable social activities for Fleet 71. 1978 also marked Cleveland Yachting Club's centennial and fleet members did their fair share of celebrating the occasion throughout the summer.

The season actually got started during February at the annual Winter Banquet. Fleet members gathered together for an evening of reminiscing the past sailing season and dreaming about the one to come. Al Mastics provided another excellent slide show which allowed everyone to forget about the blizzard outside while viewing the warm and sunny days of the '77 season.

May came along and with it the rigging and tune-up party. This year many of the fleet members really got tuned up and ate a fine meal. Consequently only one or two boats were rigged, and little, if any, tuning was accomplished on the boats. No one was heard to complain and all the boats were ready to go the following weekend.

Fleet 71 was again very fortunate to have a substantial number of social members in addition to active sailors in the fleet. This number attests to the quality of the fun, food, and beverage enjoyed at the various fleet functions. Cocktail parties, breakfasts, brunches, steak roasts, and potlucks were part of the activities on the '77 social schedule. Everyone owed thanks to everyone else for the good times provided, as members took turns in putting on each function.

Now for the sailing! 1978 was just great for the fleet sailing at CYC, because more skippers won more trophies than any year remembered. It seemed everyone took a turn at being the "hotshot" out on the race course. Series winners included John Mueller, Jim Disch, Bill Buckles, Wally Sellars, Jack Mueller, George Auer, Dave Wilber, and Barry Wilson. These skippers, along with Harry Hooker, Bill Kirby, Ken Gilbert, and Dave Austin, split up the rest of the hardware on trophy night. Jack Mueller won the Fleet Championship with John Mueller second and Jim Disch third in a close contest all the way.

Fleet 71 was again well represented at the Ohio Districts, as Jack Mueller, Bill Buckles, Barry Wilson, Jim Disch, John Mueller, and George Auer qualified to go to the North Americans. The fleet also welcomed a new boat and skipper with Mark Wessel joining the ranks.

The 1978 season has ended, but all the members of Fleet 71 and The Cleveland Yachting Club are looking forward to hosting the 1979 Lightning North American Championships. Organization is well underway at this point, and the people involved are enthusiastic about making the '79 North American Championships the best ever for the Lightning Class and all its members. We hope to see all qualifying sailors at the regatta, and we certainly welcome all others to come spectate and enjoy themselves.

Part of Fleet 75 Maneuvering at the Start

Fleet 75's six month racing season of 28 scheduled races began on May 7, 1978. Two races were cancelled for lack of wind and two others were cancelled because of high winds and heavy seas.

Perennial Lightning ace Tom DeStasio in *Madame Blue* captured the summer and fall series with his loyal crew Ed Bonacci and Thad Cook. Tom won fourteen of his eighteen starts. In fact, in the Magnus Pederson Regatta, he won a race in which he was five minutes late for the start—absolutely an astounding sailor.

The spring series saw fleet captain, indeed next year's senior fleet captain, Ed Deeb tied for first place with Gary Hurban the titular head of the Hurban family racing syndicate, each with 11.75 points. Ed Deeb was awarded the first place trophy because he had placed second more times than *Got-Cha*, the Hurban boat, as each boat had won the same number of races. Tom DeStasio placed third in the spring series because he won the crucial sixth race, the only race he started in.

The long summer series saw *Madame Blue* the only boat not gotten by *Got-Cha*. The Hurbans placed second with fleet treasurer Rod Johnson a highly competitive third.

The fall series was again dominated by Tom DeStasio. Fleet secretary Howie Rinehart placed second with loyal crew Vinny and Barbara Accordino. Rod Johnson placed third completing a banner year for Rod.

Competition was keener than in recent years, boats seemed to regroup in a pack in an effort to finish. Some sailors did well beyond the statistics. Dick Weitzman cinched the "most improved" trophy when he placed second in the opening day regatta. Bill Day wowed the whole club when he finished first on October 15th in strong winds. The race had one start for all fleets but Bill beat them all from 27 foot keel boats to Thistles, not to mention the well represented Lightning Fleet.

Young Gary Hurban took over the helm of his father's boat in the fall series to place fifth behind Bill Day. Not bad for the first time at the helm, young Gary is obviously a born champion.

As mentioned above Ed Deeb will be the "Senior" Fleet Captain in 1979, Howie moves up to Fleet Captain, Gary Hurban will be Secretary, assisted by Eve Hall. Rod continues to control the exchequer.

Other Lightning fleets should have our problems for next year! Newport Yacht Club Fleet 77 anticipates thirty-four Lightnings for 1979. The problem is that we only have thirty-one slips, which nicely matched the size of this year's fleet. I think we'll just have to evict a few power boats to make room for our three new "windgrabbers."

Our year began with a very successful Newport Invitational Regatta. Boats from all over the north-eastern United States and Canada were present. Bill Shore took home the top honors in beautiful spring sailing conditions. Arny Sahs built some original trophies for the first five places which were very impressive. The Newport wives put together a fantastic cocktail and hors d'oeuvres party which went over really well.

Our club sailing was typical of Newport over the past few years. We sailed sixty championship races averaging thirteen to fifteen boats per race. Dick Doherty almost made it a sweep this year by winning the Spring Series, Summer Series, and Over-all Championship Series. He was nosed out in the Fall Series by his former crew and DN Iceboat wiz, Mike Fellows, who is skippering a Lightning for the first time. Mike also took home a second in the Over-all Championship Series and a first in our Single-Handed Series.

Women's Lib arrived at Newport this year and has opened up an exciting new competition for our club. We call it the Powder Puff Series. It will be an all women series of races which we plan to hold once a month next year. This year's Powder Puff was held on a Saturday afternoon with moderate north winds. The two race series wound up in a tie between Donna Sereno ('atsa my wife!) with Eva Wheeler and Pat O'Kane as crew, and Donna Durbin with Kerrie Rockwood and Mickie Mason on board. Special thanks to Barb Platt who donated the first place trophy for the Powder Puff series in memory of her husband and Lightning sailor, Albert Platt who passed away this spring.

Other winners were Bill Wright, winner of B Fleet Series and Missal Handicap Series; Steve Sahs, who took home the Burns Hanna Trophy; George Sereno, winner of the Most Improved Trophy for 1978.

Dick Doherty, John Maynard and Dale Hamilton "Go for the Gusto".

As Fleet Captain, I would like to personally thank all our fellow sailors who attended our spring regatta, and my fellow fleet and club members who helped make this an enjoyable and successful year.

Our new fleet captain, Larry Stephens, and our new fleet secretary, Mike Fellows, invite you to our Newport Invitational Regatta next spring.

Sailing on the Niagara River was a banner year and the Lightning sailing at Sandy Beach was no exception. Almost every Sunday had beautiful weather and fair winds. Under the able direction of John Boyce, our fearless leader, a complete season of racing was concluded consisting of over 25 races.

The season opened in May with Gordy Compson taking the three race Art Little Tune-up Series followed by Fritz Dusel and Rick Hensel.

Compson's consistency throughout the year was evident in the final results of various series; however, he was hard pressed on every tack to maintain his top spot.

The Law Series followed next with Gordy again coming out on top with Dave Duchscherer second, and Mike Remmes third.

Finally, in the third three race series, (given by Gordy's father, former "Salt of the Sea" Howie Compson). Dave Duchscherer dethroned Gordy for the Compson Trophy. Gordy prevailed for a second and Tom Lafferty, Fleet 78's George Blanda, came in third. The bridge to bridge race is a highlight of our season and is annually held on July 4th. This year John Boyce won the first place hardware with Fritz Dusel in "place" position and Mike Remmes in "show."

Annually, the current Lightning skippers give up their boats to be used by "Old Timers" for a bash around the buoys. This one was decided in the protest room with former co-owners Jack Sheehan and Jack Taggart locked in a friendly interpretation of the rules. Jack Sheehan had the more convincing argument and won the race.

This year's Lightning Championship was the 30th anniversary of this award being given. As a credit to the performance of all those who formerly won, this six race series was a hotly contested affair. Gordy Compson got a needed win in the finale to win the series over Fritz Dusel and John Boyce.

The Annual Labor Day Race is called the Hank Duchscherer Cup and was won by Fritz Dusel, followed by Tom Lafferty and a tie between Tom Ide and Gordy Compson.

For the third year in a row, the Sandy Beach Skippers brought home the Ole' Oaken Bucket symbolic of team racing supremacy on the Niagara River.

Keen intra-fleet competition also resulted in improved results by all our skippers on the regatta circuits. Fleet 78 consistently participates at a high level in all of the Lake Erie District Regattas. Highlights include placing five out of the top ten at the Dunkirk Regatta with Mark Bryant coming away the winner and Fritz Dusel taking third in our own Haul-Out Affair.

We look forward to an even better year next season and cordially invite all to our Haul-Out Regatta next September.

VANCOUVER FLEET (90)

For Fleet 90, 1978 marked the beginning of a new era — the Oval Age! Yes indeed, two of those black anodized beauties have arrived for Gerry Caunter and Brian Coleman. Many are the envious stares around the dock these days!

We have had quite a good year. In addition to club races on the weekends, and Thursday evenings in the summer, a number of the fleet took part in out of town regattas in both Canada and the United States. Of those, the writer particularly remembers the exhilarating planing at Lake Chelan, when the winds went from 3 to 30 in a matter of moments. In March, Brian went to the Southern Circuit, a week-long series in California, and from all accounts had a wonderful time. The fleet championship was won by Peter Idema, who joined us only the week before, after moving from Maple Bay.

Junior members, both skippers and crew, played a big role in the activities of the fleet. Wherever Fleet 90 was in action, one could be almost certain that at last one of our boats would have a junior at the helm. As a matter of fact, an all junior crew travelled to Toronto to take part in the Canadian Open.

There were a few dates on our social calendar as well. In addition to

fleet parties, members put on a dinner for the yacht club. On the long July 1st weekend nearly everybody sailed (or drove) up to a member's summer cabin for some sun, fun, and water skiing.

We should have a few new members by spring, Alan Froome has just bought a used boat, and another fellow is completing a new wooden boat.

In 1979, why not join us for a sail on the most beautiful bay in the world?

The last Labor Day race of the season was needed to determine the fleet championship. At the start of the final Commodore Series five boats were tied for top honors. At this point, four of the normal six series races had to be cancelled for lack of wind or inability to finish within the prescribed time limit. Nick Santoro and Ron Wulff each recorded a first and second in the two races of this series and on Labor Day Santoro finished fourth and Wulff fifth thus earning Nick the title of Fleet Champion and Ron that of runner-up. The Labor Day race was won by Irwin Kwartler and sons.

No boat won more than one series. The veteran Chet Howell won the initial Secretary Series but five rather than four out of the six races had to be counted before he could best Santoro.

The second Rear Commodore Series was won decisively by Ron Wulff.

Kwartler copped the Vice Commodore Series and Howell was second.

The runoff on Labor Day also earned Santoro the Commodore Series trophy.

The variety of winners was evidence of the keen competition that existed in 1978. It was good for the fleet and resulted in increased enthusiasm and interest by the skippers and crews.

GREAT EGG HARBOR FLEET (99)

Fleet Captain Bill Clausen III
Fleet Secretary Bill Clausen III

Boat No.	Boat Name	Skipper

Once again I must report that Fleet 99 had no racing on Great Egg Harbor Bay. *Black Flash* has been retired to the boat house. Art Hartford is enjoying his *Sunbeam* and grandchildren day/sailing. Bob Seidelmann is knee deep in fiberglass building ocean racers, but still has that Lightning hull outside the loft. The entire Lightning Class hopes he rejoins the ranks soon.

Yours truly, Bill Clausen, with trusty old *Reject* did sail in many regattas this summer. It all started in the spring at Red Bank and finished on the Delaware River in September.

I would like to thank and pay tribute to all those crews that help keep the Lightning going. Especially the people that sailed with *Reject*

Phil Dennis, John Parker and Bill Clausen following Jack Elfman through the weeds at the Atlantic Coast Championships.

and myself this year. Mary Huntsman, Phil Dennis, John Parker, Henry O'Hern, George Gaynor, Gary Swangler, and Evone were loyal. We didn't win all the races, but we won alot of cocktail parties and had a lot of fun.

Hope to see you all in 1979.

LAVALLETTE LIGHTNING FLEET (104)

One of the factors which makes sailing a Lightning fun is that on any given weekend any skipper with a competitive boat, an eager crew, and a little luck can uncork the big win. This combination has helped to keep the summer series at Lavallette interesting for both competitors and barstool analysts.

The opening race of the 1978 season was won by Aileen Meares. To prove that she meant business, Aileen came back the following week to make it two in a row. This start had Aileen's dad, Fred Slovak, chuckling and willing to wager a beer to two on the final outcome.

However, two races does not a season make, and in the following weeks both Doc Ross and George Zabrycki began to chip away at the lead with victories of their own. The entire fleet showed a uniformity of strength with Bob Williams, Chris Larsen, and Bill DaCost continually challenging. This was one of the seasons that no one was able to pull a horizon job, and we witnessed a series of finishes that had the race committee thinking of buying photo equipment.

The series went down to the last race with Fleet Captain George Zabrycki edging Doc Ross to take his first Fleet Championship.

Fleet 104 saw the development in 1978 of its future skippers. Kevin Young brought home his first Lightning victory in the final Commodore's Race. This followed a very respectable showing in the Junior North Americans, with Paul Magno at the helm and Kevin Young and

Chuck Ryant as crew. It is the interest of our club juniors that will hopefully keep the Lightning class alive and growing at Lavallette.

Fleet 104 also took advantage of the close proximity of Bay Head to enter two boats in the first Women's championship. Aileen Meares with her daughters Katy and Jennifer manning one boat, while Libby Williams, Bobbie Schrier, and Sue Zabrycki handled the second. Though our girls did not finish high, we were extremely proud of the fact that Fleet 104 had participated. It's the ability to get people to enter regattas, win or lose, that makes our Lightning class strong.

As usual, Doc Ross was our most consistent campaigner in 1978. Doc was the lone BBYRA qualifier and made appearances at several regattas in the spring and fall. George Zabrycki occasionally wandered between Red Bank and Surf City, and we are looking for more regatta participation by Fleet 104 members in the coming year.

It was a great one, the Lightning is alive and well at Lavallette, and hopefully 1979 will bring more of the same.

In 1979 we hope to hold the District Championship at Sodus Bay. The last time the Districts were held here was 1967, far too long without a Lightning regatta. We're hoping for a big turnout.

Winners — Walter Masse Race — Bruce Bressler, Kaz Bressler, Steve Somerville.

Another fantastic year for the Green Bay Sailing Club, sailing from the Bay Shore Outing Center on the beautiful campus of the University of Wisconsin in Green Bay. Our Lightning fleet has nearly doubled in the last year and by next summer we realistically expect to have 20 Lightnings.

In June, the club reinstated the Evans Regatta, after a lapse of a number of years. Twenty Lightnings participated in very light air. Five races were sailed with the last race the most exciting. It was a photo finish, as a result of a strong wind shift, and all boats raced to the finish with their spinnakers flying. Race Committee Chairman, Frank Vandersteen, assisted by Charlie Wolter, Greg Kunz and Greg Dow, had a real problem determining the finishing positions. Rick Larson, skippering *Tweedy*, won the regatta, followed by Ron Schaper, Bob Monette, Don Tylor, and a GBSC Lightning, skippered by Bill Dean, placed fifth.

Arriving skippers and crews were greeted on Friday evening to a Lightning film and free beer in the club. Many of the 14 out-of-town skippers camped on the grounds of the sailing club. Next summer, the GBSC is planning a super program and we expect at least 30 Lightnings on the starting line. Again, free camping, free beer and an excellent race committee and a larger hot water heater for the campers is being planned!!!

A total of 30 races were sailed during our Monday and Thursday evening program. As usual, Lyle Bracker, along with his daughter Jennifer and Pat Ford crewing, took the fleet championship for the season and won the Spring, Summer and Fall series as well. Next season, Lyle will have a real battle on his hands, as many new boats will cut his odds.

The club hosted a multi-class race on August 20th, in which 25 boats participated. John Evans won in his Lightning. Next year, this race will be the Chancellor's Race and the University of Wisconsin-Green Bay Chancellor will present the awards.

The annual Walter Masse Race was the final for the season. Bruce Bressler won the handicap race and Doug Olson, in the first Lightning across the line, took the Beaumont Pot.

Olson also won the Lighthouse Race, sponsored by the Windjammer Sailing Club in Green Bay in September.

This past year saw GBSC members participate in six Lightning regattas and four local major races, an improvement over prior years. This past season, the GBSC was able to interest the Green Bay Sea Scouts to participate in our racing schedule. Their help during the Evans Regatta was fantastic. Currently, the GBSC is working to find the Scouts a Lightning and we hope the Scouts will have one by the start of next seasons racing schedule.

We expect that 1979 will be a banner year for all the sailors in the club, and we are looking forward to seeing as many Lightning sailors as possible at the Evans Regatta in June.

Winning 7 of 12 races is the easiest way we know to win the regular AYC summer series. Al DeBernardi did just that during the summer of '78. In his new boat, Al won the first 5 races of the season, and coasted home to take the gold. Behind Al, in second place was Joyce Stoehr. Always consistent, Joyce really put on a second half charge but was unable to close the gap very much. In third place, ever improving Al Lavender.

The '78 Yankee Homecoming Regatta was won by Joyce Stoehr, as she just edged out fleet champion DeBernardi. Third place in the event went to Tom Valeo.

The Chester Young Memorial Race was won by Steve Fram in 10744 borrowed for the event from Al Lavender (who made an excellent crew).

In Fleet 121's invitational, 17 boats from all over the New England District found wind and weather suitable for a great weekend of sailing. Al DeBernardi managed a 4th overall in some pretty tough competition.

1978 found Fleet 121 with two new skippers, Ben Hersey (10240) and Joe Peterson (10208). John Bouchard and Steve Fram both sold boats and sat out the season, but both should be back for '79.

The twilight series was won by Joyce Stoehr in a close duel with '76, '77 Twilight champ Al Lavender. In third place was Al DeBernardi.

All of the boats are in winter storage now, but all the books on tactics are out, and the plans for '79 are being laid.

It was just another great racing season as we all punted, fainted, maneuvered, strategized, and generally scared the hell out of one another from May until Labor Day.

One can hardly remember the specific details of all of the races. They kind of come together in one big glump, but suffice it to say, they were exciting and we were all learning something (welded together as we are now in the Lightning fraternity). Remember our motto from last year.....Red Jacket Lives! — So does Lake Cayuga, the Finger Lakes and Fleet 125!

There were the usual shananigans, but perhaps more than the usual. Arlene Abend walked the plank, or did she voluntarily jump over board during a drifter just prior to the finish line? Can such tactics be protested by the skipper or the fleet? Finally all of this was celebrated at our fall Lightning fling which turned out to be a grim and rainy day. What matters if no one actually got into the water except Tripp (he went in without a boat). The point is we had a heck of a good time cavorting and eating our way from Noon to Dinner and regaling ourselves with courageous exploits, of the season. Oh yeah, just wait till I get my new sails next year.

1978 Fleet Champions John Lewis, Jennifer Griffin, and skipper Phil Griffin.

The Eastern U.S. Championship Regata, with almost 70 boats, capped the 1978 season at Cedar Point -- a fitting wind-up to a sensational summer of sailing.

Phil Griffin was the season series winner, but this year was given some stiff competition by newcomer Dave Fagin who took second with sons crewing (described by some young distaff fleet members as the "cute crew"). John Cuccio Jr. was third and has really risen in competitiveness, concentration and consistency. And speaking of consistency, Dr. Dick Thackaberry was fourth overall. He's finished in the money every year for the past Lord-knows-how-many seasons.

We spread the wealth this summer, with 12 (nearly half) of the skippers in our fleet finishing first in at least one race during the season -- that's competition! "Grizzled veteran" John Cuccio (father of our #3 skipper) didn't come away empty-handed as he copped firsts in both the Commodore's and Vice-Commodore's Cup series. Phil Griffin (target of the "lets-follow-Phil" syndrome) won the Rear Commodore's Cup series, was second in the Commodore's Cup and third in the Vice-Commodore's Cup; thereby demonstrating his need to have a few smaller trophies to provide contrast to the larger ones in his collection.

Fast Dave Fagin was third in both the Commodore's and Rear Commodore's Cup races. Ted Juraschek, who commutes to Cedar Point from New Jersey every weekend, took a strong second in the Vice Commodore's Cup, and Johnny Cuccio was second in the Rear Commodore's Cup.

More on the heavyweights: Phil Griffin won in Maine, was second at the Atlantic Coast Championships and second at Spofford. Dave Fagin walked off with the Long Island Sound Championship in oh so light "Dave Peterson" air. Newcomer Bill Gutzwiller, who had a phenomenal season in a new (to him) boat and in unfamiliar waters, lead our fleet at the Districts (6th), followed by John Cuccio (7th). (And that's all we'll say about the Districts except wait till next year).

OK, that takes care of the winner -- the silverware gang. But what about the rest? the people who just missed, or were in the middle, or were simply strengthening their characters?

Here they are: Jack Lewis went as fast as ever on the racecourse but was slowed down ashore by some complex real estate dealings and couldn't race as often as he wanted to. He'll be back in '79 with fire in his eyes. Allen and Glen Bemus were really smokin' early on but were unable to log enough starts later in the season because they were representing CPYC in other races. Dick Price felt like he was being eaten by ducks -- suffering a season-full of small mishaps which added up to big frustrations -- he was up front in a lot of races. Harvey Weiss should win the persistence award. He's been eyeing all the oval masts and new sails in the fleet and with a little help from his friends may break out in 1979.

Chris Wurster continued to go very fast this summer, despite some technical difficulties. Wayne Atwell wasn't able to sail with us as much as he would have liked, but he'll be in with both feet next year -- steady crew in '79 Wayne! Mike Willetts had his energies diverted this summer and did a super job as Fleet Captain -- promoting the Class, helping newcomers, etc., etc., etc., Mike's watchwords ATTACK and CONCEN-TRATE will be ringing in our ears next year.

Tom LeBrun won a couple of races, sailed super fast in others and is probably the winner of the Most Improved medal. Joel Anderson and Willis Wendall sailed a bunch of races and learned a lot this summer -- and that's what Fleet 126 is all about -- helping enthusiastic sailors like these to greater performance and enjoyment in Lightnings.

See You at the Early Bird!!!

This past year was an especially good one for the Madison Beach Club. We hosted the Connecticut - Rhode Island District Championship the third weekend in July. Saturday's races were cancelled when the wind died, so we were forced to race all three races on Sunday. Bill Shore won the regatta, with Dave Peterson and Nelson Hoffman of Niantic taking second and third places respectively. Nancy Young placed fourth, becoming the first MBC representative at the nationals. Fifth place went to Peter Jordan.

Our traditional Fourth of July race, the Roger Pape Memorial, was postponed so many times that some people were beginning to think that it wouldn't be sailed until July 4th of 1979. When it was finally raced, Jane Hilton placed first, thanks to her far-sighted crew, and Dick Grant finished second.

Labor Day marked the annual G.B. Fisher race and Nancy Young won, continuing what seems to have become a tradition. Because the winner must supply champagne for all of the crews, second place is often thought to be the "winning" position, and Dick Grant claimed this honor.

Throughout the season, our fleet travelled to various regattas. Nancy Young and her crew of George Young and Chris deChabert travelled to the North American Championship. The previous week, she and Jane Hilton represented Madison, along with Linda Hayes of Housatonic at the Women's Championship in Bay Head.

The July series in Madison ended with Nancy Young in first place, followed by David Deephouse and Jane Hilton. In August Nancy and David again took first and second followed by Dick Grant in third. Nancy, David and Dick placed first, second and third respectively for the club season championship.

Everyone is looking forward to 1979, which promises to be even more exciting than 1978. Our thanks to everyone who made this past season so successful, and particularly to retiring Commodore Jim Deephouse and our Race Committee of Ernie Small, Dick Maxwell and John Renehan.

Close Racing on typical Sunday Series.

Our fleet didn't start out as well as we had hoped this year, but as the season progressed (with the added attraction of a fantastic cookout) more people were impressed and happily became involved. Our sailors, with seven regattas on Mobile Bay, really don't have much extra time for travel, but with all of our trips to New Orleans, La., Atlanta, Ga., Jackson, Miss., Dallas, Texas, and several stops along the Mississippi Gulf Coast, we had a very full and enjoyable year. The trips were definitely worth the few extra added miles and hours on our cars and bodies.

We had a run-away fleet championship this year with Robert Bernhardt (Fleet Captain) and Robert Jeffcott taking a commanding lead, by winning all of the races with the minor exception of one. After a year of see-saw match-ups between Barney March and myself, (Bob Borneman), I shrewdly edged away from him on the last weekend of sailing, thereby placing third in our season championship.

A new member of our fleet is John Stringfellow. He has in his possession Lightning 7399 that once belonged to Ed Overton, a perennial Lightning champion in the South about 15 years ago. John has painstakingly taken this boat from an old, weather-beaten pile of planks on a rusty trailer to a beautiful, slick bottom, first-class wood

Lightning. After spending all last year in the boat shop restoring this fine piece of sailing vessel (instead of being on the Bay with the rest of us) John is paying his dues in the back of the fleet. We expect to be seeing his transom right in there with the best of us before too much longer though.

This year's G.Y.A. Championship, held in extremely light air, was hosted by the Mobile Fleet. Our local leaders kept the battle alive with a second place for Robert Jeffcott and a third place for Robert Bernhardt. Cal Herman (this year's District Champion) of New Orleans placed first.

The season will be finished soon and it will be topped off with a gala awards party. We will have an election for our new officers at that time.

This leaves us with the ever present closing thought that the Lightning is the best one-design and that next year's fleet will be an even better one.

Three guns mean a cancelled race, and late in the summer it seemed our race committee rarely fired save in threes. Fortunately, June and July were windier and overall our racing season was varied, exciting and rewarding. As in most recent years it was especially rewarding for Carl Engels who spread his Juju witchcraft on the competition and copped fleet championship honors. A few of Carl's friends feel they may have a little Voodoo of their own and competition in the front of the fleet, especially from Tim VanderMeulen, Jack Engels and Club Commodore

Dan Chappell, that was pretty threatening. Right behind these old pros were some promising and much improved boats – the Byerly brothers, Matt Howard and Fred Harrison being among those who consistently sailed good competitive races.

Our Annual Regatta was held on the weekend of July 22-23. Twenty-three Lightnings entered and for the first time in recent memory top honors went to a Gull Lake sailor. Congratulations to Carl Engels for his first place finish, to Hank Hodgson (Clark's Lake) who finished second and to Tim VanderMeulen (Gull Lake) who was third. After sailing we held our second annual soccer game. Someone, perhaps a shill for the local orthopedic clinic, directed that the players participate barefooted. Results were dramatic! Next time tuck in your toes and kick it with your instep, guys!

Perhaps the most satisfying feature of the 1978 racing season was the increasing number of boats participating. Some races late in the summer saw 15 Lightnings on the starting line. In accomplishing this we were glad to welcome new skippers Tom Merritt and Roger Klettke. Add to these Dave Crawford sailing better than ever in a new boat. Marty Levin, Wes Cromie and Tim Stewart all now and then displayed a touch of sailing genius, Bill Patton, Scott Greenberg and Carter Brooks who learned valuable lessons in each race. In short, good boats, good sports and good sailing; how better to spend a summer.

SPOFFORD LAKE FLEET (145)

Sailing on Lake Spofford at Spofford, New Hampshire

Fleet Captain . . . Spurgeon J. (Tommy) Thompson
Fleet Secretary/Treasurer Robert Pinard
Fleet Champion David Fitch

Due to employment change, Fleet Captain Buck Wynn left us for Chicago and we were sorry to lose him. Happily Tommy Thompson moving from the Buffalo Canoe Club joined us in the spring.

The early Portland Maine Regatta saw Len Pratt finishing fourth, Bud Hamblet sixth while Dave Fitch, Tommy Thompson and Bob Pinard were also up there enjoying sparkling sailing on Casco Bay.

Late June saw Spofford sailors Fitch and Thompson travelling to Lake Massabesic for the New Hampshire-Vermont Championships. Fitch notched second while Thompson did well finishing just out of the money in the tricky northwest breezes.

Our own Spofford Championship series awoke the fleet and in the first race our oldest and probably the prettiest Lightning (wood, of course) took the first race skippered by Bob Pinard. Only two races were held over the Fourth of July but the finale over Labor Day saw old campaigners (long missing from the fleet) with their bows on the starting line; Fred Edwards, Fletch Willey, and Dave Bischoff to name a few. Len Pratt's boat made a fresh appearance back from the Chessapeak along with the Bud Hamblet boat on leave from the New England circuit to give the Fitch boat a tussle for the title. Fitch, the defending champion with a lot of help from veteran crew, his wife Dorothy and son Scott, managed to retain the trophy.

The real high point of the year was the revitalization of Junior racing. Rick Turner, last year's Junior Lightning North American crew entrant, bested Brian Pinard and Scott Fitch in Lightnings. Our Sunfish entrants are encouraged to step up to the bigger boats. Tommy Thompson gave us the spark to make it a fun happening.

After a rainy mid-July downpour on foggy Casco Bay, the Fitches posted a second in a 19 boat fleet in the State of Maine Championships. Then it was on to the Districts at Wellfleet on Cape Cod. Yes, we love to sail at Wellfleet; yes we like Stuart Nickerson's beach party; yes, we like the hospitality; no, we don't care much about pulling Lightnings across the mud flats at low tide! The Fitches qualified 11th, went to Rehoboth where they finished 11th in the Governor's Cup under difficult conditions. A third at Newburyport in light air metted a

handsome hand-made trophy.

Sixty-four entries with an amazing squall of 40 knots saw twelve boats capsize at Westport, Conn., the site of the Northeast Regatta. Unfortunately, Len Pratt lost his mast and Bob Pinard a lot of gear in the capsize, but Thompson and Fitch remained upright and all had a good time.

The Spofford Regatta, the high social event in New England, surpassed all expectations. Thirty-one boats enjoyed the light air and good company. Dave Fitch finished fifth, Bud Hamblet 10th from the local fleet. With our newly elected fleet officers, we eagerly look forward to next year!

In 1978 we had at Lake Guarapiranga, Sao Paulo, the National and South American Championship.

At the Brazilian Nationals we had a record 34 participants! It was won by the boat *Zrbst* with Mario and Telma Buckup and Joaquim Feneberg crewing. The championship was a big success and all crews stayed at the Yacht Club Santo Amaro.

Following this championship we had the South American Championships with boats from Uruguay, Argentina, Chile, Peru and Brazil. All together there were 19 boats. Again the winner was *Zrbst* with Mario and Telma Buckup and Joaquim Feneberg. The first 6 boats were Brazilians and the first foreigner was *Pixie* from Chile with Manolo Gonzalez (son) in 7th place.

All races were very exciting with winds from 5 to 25 miles per hour.

We thank the Yacht Club Santo Amaro for the help during the two super championships.

The major event for Fleet 151 in 1978 was the Massachusetts Bay Championship on Ipswich Bay, September 9-10. High winds forced cancellation of Saturday's races, but on Sunday, a light easterly that eventually swung to the prevailing southwest allowed Race Committee Chairman Dick Mechem to run three races. After two races, Georges Peter, Don Brush, Jr., and John Collins were tied, but in the final race, Collins correctly sensed the favored right hand side of the course and steadily increased his initial lead to post the classic "H.J." Brush finished second, followed by Peter, Jack Burwell, and the Humphrey-Ritt combo.

C. H. Ritt returned to New England after a summer's absence and demonstrated that he is not only an excellent crew, but also a very promising young skipper in his own right.

Sailing on the waters of beautiful Tawas Bay at East Tawas, Michigan, Fleet 152 (Tawas Bay Yacht Club) in July 1978 hosted the Michigan District Lightning Championship. Thirty-three boats entered the five race series. Charlie Schreck, ILCA Past President, who has retired from active Lightning sailing in favor of big boat racing, serving as Race Committee Chairman. Charlie and his committee ran off five excellent races that were enjoyed and appreciated by all the sailors.

Garry Demarest, sailing for Fleet 152, won the Districts for the fifth time, with finishes of 1-5-1-7-9, defeating runner-up Bill McKinley by 2 points. Gary Cameron, also from Tawas Bay, struggled to a 7th place finish after a promising start. Ladd McKay, long time Fleet 152 member, also sailed in the series.

Demarest, with Cameron and Sally Werenski crewing, went on to the North American Championship. He sailed extremely well under marginal conditions and came in 7th, counting finishes of 5-4-11-8-7. Demarest and crew will sail in the 1979 World Championship at Dallas, Texas.

In other regattas during the year, Cameron, with Demarest crewing, finished second at North Cape. Later, Demarest and Cameron sailed with other skippers Dave Peters and Bill Crow under the Douglas Lake burgee and won the Michigan District Team Race Championship at Lake Fenton. Finally, Demarest traveled to Higgins Lake in early August and finished second overall.

The amount of our participation diminished some this year, but the spirit is still there.

The Fleet 162 was present at two important events.

In August to the North Americans in Rehoboth beach with Joaquim Bello, skipper, and crew – Vilfredo Schurmann and Heloisa Ribeiro. We didn't do as well as we expected, but we were very happy with the warm and nice hospitality from our American friends at Rehoboth.

In October, we fared better. Walmor Soares brought home the famous Escola Naval prize. The boat was *Goiabada* and crew was Murilo Barbi and Oduvaldo Soares. Although we are a small fleet we are working hard to increase our fleet. We hope next year to have at least two or three boats more.

Once more we would like to thank you all for letting us participate in the North Americans. It was a rewarding experience and we are sure next year we'll measure no efforts to be there again.

The Willow Bank Lightning Fleet enjoyed another fine year of sailing competition in 1978. Early in the summer we hosted the Central New York L.S.L.S. Regatta in which our own Merle Pindell and Jeff Penfield placed fourth and fifth, just behind some very tough Sodus Bay competition. Dave Guinther, a former 470 devotee, did a super job with the race committee and was evidently brainwashed in the process, since he soon converted to a Lightning and joined the fleet. We welcome Dave and his wife Jane and anticipate much heavy duty competition from them next year.

The home series was one in which almost everyone enjoyed some thrill of victory and suffered some agony of defeat. Ned Cabaniss deserves congratulations for his first 1st place; and he did it the hard way — singlehanded! Milt and Jeff Rubenstein learned the difference between sailing marks and divers' buoys too late for the L.S.L.S., but just soon enough to straighten out their act and capture the fleet championship. Tom and Gillian McAuliffe were at a disadvantage without daughter Jill as crew this year. Yet they still managed to pull out all the stops to win the last and deciding race of the season and take second place overall, one hundredth of a point ahead of the Penfields.

Jeff and Kathy Penfield were never far from the lead — at home or away at regattas. Their first place at the Keuka Lake Champagne Regatta came as no great surprise, as they continue to maintain a position among the top Lightning sailors. They're not the type to keep secrets — always anxious to share their knowledge and experience with the rest of the fleet. Kathy devoted much time and energy to her own version of E.R.A. (Eastern Racing Association). This women's sailing program benefited the entire club as well as some members of our own fleet. (Jim Hole, Jerry King, Dick Sinn, and Norm Washburn didn't have the "qualifications" to participate, so Linda, Jane, Janet, and Dorothy went instead.)

Willow Bank was well represented at regattas around the area, especially at the Skaneateles 40th Anniversary Regatta where we sent more boats than any other fleet. Merle Pindell was ambitious enough to tackle the Southern Circuit early in the season. He has always been one of the toughest competitors here at Cazenovia, but it is likely that he will be moving away next year. Merle, Arlene, and "highwire" Jim will surely be missed by the entire club.

The Willow Bank Lightning Fleet is the second largest Lightning fleet in Central New York and is still growing. There is no reason to expect that this trend will not continue in 1979 and for many years to come.

The 1978 season wasn't so full of regattas as the previous one. We had three, four regattas as usual.

Helsinki Regatta with six races was dominated by A. Ruuskanen from Finnish Yacht Club winning five consecutive races. Ruuskanen with his new crew, Oili Paasonen and Lauri Heikkila, did fine at the Districts, too. After an exciting series of races they collected the District trophies. The Helsinki Lightning Fleet dominated Districts with many boats and good results. Pentti Puupera fought and got bronze medals with his new, beautiful boat and young crew. The champ of last year was left to fifth position.

Pentti Puupera in 13135 shows Tom Allen [13211] the way, to the race course.

The Helsinki autumn regatta had four races. Saturday was stormy and more than half of the participants either capsized or broke their mast. Heavy air took its prize. Sunday races with moderate winds were sailed by less than ten boats. Ilpari Hanninen, one of the most famous crews in our class showed us he is good on the tiller as well and won the regatta.

The Otaniemi races were sailed with heavy air too. Terho Aromaa didn't give a chance to others and won the race.

Next year our fleet and Finnish Yacht Club will have the European Championships. We will try to arrange the racing near the city with many Finnish boats. Thus the possibilities of having a lot of fun and fine races do exist. Finnish hospitality welcomes all European and intercontinental Lightning sailors to Helsinki.

Fleet 167's season officially began on Memorial Day weekend; however, Mother Nature provided strong, gusty winds and a good chop beyond the capability of even the old salts. The 1978 summer racing series continued during the months of June, July and August with two races every other Sunday afternoon. The weather during the summer series was a blend of feast and famine in the wind category. This coupled with a fast river current and shifting winds during July

demanding the utmost skill at the tiller by the local Lightning skippers throughout the series. Mike Steffenson at the helm of the "Screamer" proved to be the best skipper in the summer series. Henry Neuman and Ken Jensen finished second and third respectively.

In the fall series, once again it was Steffenson followed by Neuman and Flick capturing the honors. The fall series begins in September and continues with weekly Sunday racing through October. Other special racing events were the 4th of July and Labor Day series won by Steffenson and the Founders Day series awarded to Jensen. The Fleet Champion and winner of the Ebert Trophy was Mike Steffenson. The hardware at the Polar Bear Regatta was handed to Hank Hodgson (Clark Lake 416), Mike Steffenson, and Henry Neuman finishing 1st, 2nd and 3rd.

The Lightning skippers and crews gathered in the spring for the annual cleanup party and the construction of another storage building to provide more space for the racing committee and the summer sailing classes sponsored by LDSC and the Davenport Park Board. The sailing classes have proved a source of new sailors, as well as, potential crew members for LDSC. The social committee at LDSC has had another busy season providing dry dock activities that were not always dry!

The 1979 season promises to be at least equal to this year due to the addition of a new boat skippered by Henry Strieder and the rumor that an old salt is looking for a new fast machine. As in the past, our best skippers are still our best skippers, but they are being pressed harder every season by the skippers "back in the pack".

The 1978 Sailing season at Brant Beach Yacht Club was another blazing success for all those who participated. After the smoke cleared, the Champion from the year before and the year before that, again defended his title in the grandest of manners. Sailing a near perfect season Glen Reitinger bested the fleet with the all important help of his brother Carl and his wife Beverly. The runner up this year, Ed Serrill with his wife and Chuck Hitchler.

The mark of a talented sailor is the ability to sail well on the home course and off. Glen Reitinger sailing 12872 represented BBYC in fine fashion at the Long John regatta, Surf City regatta, and with yours truly crewing, starting off the season on the Delaware with a second at the Red Dragon Canoe Club.

This year, as with last, Ed Serrill, decided to add another project to the winter list and for the second summer in a row Ed is the recipient of the official BBYC "Wilbur Duncan can't fix that one" award.

The season has drawn to a close but before you know it it will be time to pay your dues for the 1979 season. So get your new sails and replace your pennants because soon you will hear the age old question of "What time is the race today?"

Racing and pleasure sailing on Cross Lake in Shreveport never ends. But it has become a problem with the lake level being three to five feet below normal. Last spring the water made it up to normal a week before our annual Holiday In Dixie Regatta held April 28-30.

Holiday In Dixie drew boats from all around - 24 Lightnings, 20 Thistles, 16 South Coast 21s, 15 Snipes, 11 MC Scows, 8 Sunfish, 6 Tempests, 5 San Juan 24s, 5 Flying Dutchmen, and 6 other boats who raced a Handicap class. But Holiday In Dixie '78 proved no different from any past year - They came - They saw - They conquered. Once again the home fleet of Lightnings kept no silver at home.

Fleet activity has been kinda low - tough to get three boats on the line, but those who come out enjoy it. Fleet Champion John Butcher sailed only on special occasions and holidays but won consistently. Marcus Millican sailed nearly every weekend and battled Marshall Walker mostly and point-wise came in second over our 4 series season (Spring, Summer, Fall, Long Distance). In 1979 we are looking forward to more water, more participation, and more out-of-town regattas.

Again, we had an interesting season starting the middle of June and concluded on Labor Day weekend. The wind didn't cooperate for four of our races, and they had to be canceled, but we did get twelve races in. For the third straight year Bob Lilly showed us how to win with good tactics and judgement. We had a new runner up this year with John N. Shaffer eaking it out over Eddie Shaffer (no relation). Competition was keen as fleet position shifted back and forth, below first place.

Our Labor Day Series found heavy competition, and our runner-up John N. Shaffer was first, followed by our Commodore Mark Prather and then Skip Ragghianti. Either our sailors are improving their boat handling or getting luckier as no one upset to claim the upside-down trophy; so Commodore Prather can look at it another year and remember 1977.

As usual two of our skippers, Dr. Good and Skip Ragghianti took their boats to St. Petersburg and Miami to compete in the sun. Also at the end of our season, four of our boats visited nearby Pymatunming Yacht Club, and enjoyed sailing in a larger fleet.

Our social activities began with a Spring dinner. In July we had a picnic at the Iroquois Club (on the Lake's edge) and ended the season again with a picnic at the Rentz's. We all had a lot of fun both sailing and socializing and look forward to next summer. I understand our new fleet captain is scheduling the 1979 races to start earlier - May 27, 1979.

The 1978 season was a far cry from past years for the fleet as a whole. It was a fun season what with sailing here and a few excursions elsewhere. It was a season with some confusion and it was a season that saw the departure of longtime Lightning sailors. Can this be the turn-around season?

The fleet lost three members. One member went into a larger keel boat class and walked off with two series firsts and the season championship for that fleet.

Eight Lightnings registered for the Marblehead Racing Association Championship Series and Race Week. John Collins took first in both and wound up the season with his daughter, Theresa, as a crew member. Larry Fretts, John's regular crew, purchased a Lightning and sailed the last few races as a warmup for the 1979 season. Joel Humphrey is the season's first runner up and Bernard Burke nailed down the second runner-up position.

This season, with our other many heavy wind Saturday races, we had no fleet effort to promote the 5 races of the 90th Race Week put forth by the Marblehead Racing Association (MRA). However, visiting Lightnings did come, including two from New York State. Barbara Brodock came from Rome, New York, and through consistent sailing was awarded third place. The other New York State Lightning did well while here for part of Race Week and could have been awarded a place had this Lightning registered with the MRA. This was our high point of confusion and we hope to overcome such incidences in the future. All Lightnings from everywhere are always welcome to attend Race Week whatever the Lightning Fleet plans.

Two Lightnings went to the New England District at Wellfleet.

Other regattas attended included: Newburyport, two boats; Annisquam, three boats; Cedar Point, one boat.

The season began with a delightful Cocktail Party at Fleet Captain Gerard Hosman's home in historic Salem and plans now call for an evening gathering later in the year to close the season. A patio beer bust was held at the Hosman's during Race Week.

The 1978 season showed renewed interest in Lightning sailors at Havre de Grace. Boats were upgraded with the addition of two new boats, and a couple of other boats were refurbished with new equipment and new sails. In addition, a couple of unaffiliated boats participated in some of our races during the season. There were seven active members in the fleet, and usually at least five were on hand for races.

Fleet 192 sails on northern Chesapeake Bay at the mouth of the Susquehanna River. Headquarters for the fleet is at the Upper Chesapeake Yacht Club on the grounds of the Havre de Grace Marina. Races are held on Saturdays from mid-May until early July, and then again on Labor Day until mid-October. The Fleet Championship Series is usually sailed on Saturday and Monday of Labor Day week-end.

Following an organizational meeting early in the year at the home of Vic Wareham, at which the race schedule was adopted and race rules established, racing began with a Spring Tune-up series of 10 races in mid May to iron out all of the wrinkles and oil up rusty habits from the winter season off.

The Spring Series consisted of 10 races sailed on 5 dates between May 29 and July 8. Final standings were close, with Vic Wareham edging past Bruce Hardy on the final day to win the series by 2½ points.

The Fleet Championship Series was sailed on Labor Day weekend, with 5 boats participating. This was another closely contested series, sailed in winds varying from "very light" to about 20 knots. Tom Thomson managed to defeat Vic Wareham by ¼ point to successfully defend the championship he had won the previous year.

The Fall Series consisted of 5 races sailed on 3 dates between September 9 and October 7. It was originally scheduled for 8 races on 4 dates, but conflicts with other activities and Upper Chesapeake Yacht Club's Great Horn Regatta caused this series to be cut short. Bruce Hardy won this series with a 5 point margin over Vic Wareham.

Fleet 192 again sponsored the Dixie District Junior Championships on July 29-30. Six boats participated in the five race series, which was sailed in mostly light to moderate conditions. The Bush family from Fleet 253, Susquehanna Yacht Club, repeated last year's performance with Bob taking the trophy. Last year Bill Bush was first. Dave Horne and Ted Ganley, both from Fleet 314, Sassafra River, took 2nd and 3rd, respectively. Dave Racine (Fleet 325, Rehoboth), Rose Gentile (Fleet 50, Washington), and our entry with Mark Wareham, Ann Matson and Tom Webster, filled out the rest of the fleet. The regatta was ably run by Bruce Hardy, and included an enjoyable hamburger fry for all participants on the grounds of the Upper Chesapeake Yacht Club after the third race on Saturday afternoon. Mrs. Hardy gets a great applause for a fine job in preparing for the cookout. We look forward

to greater participation next year in a very worthwhile event.

One of the big events at Upper Chesapeake Yacht Club was the annual Great Horn Regatta, in which all classes of boats participated on a handicap basis. There were approximately 25 boats entered in this event, which was scored using the Portsmouth handicap system. Bruce Hardy was top Lightning finisher with 2nd place overall.

The final wrap-up for the 1978 season was a team race against Fleet 253, Susquehanna Yacht Club, and was sailed at Havre de Grace. The course was set with the wind from the south. Before the first race a line of squalls passed and the wind shifted to the west and picked up. The course was reset and racing began. Led by Starling Mikell and Charlie Cockerham with the wind picking up and the sea kicking up, Susquehanna swept the first two races and the series. Wait until next year!

Fleet 192 is looking forward to a better season in 1979, and invites anyone in its area not affiliated with another fleet to come and join with us in what has become lots of fun and some good racing.

Our '78 season has been jam packed with exciting racing from San Diego to the Pacific Coast Championship at Klamath Falls, Oregon. We joined efforts with Fleet 102 from Santa Monica Bay in organizing many successful regattas and excellent barbeques.

The 12th California Lightning Circuit brought 25 boats and a variety of conditions together for a fun filled Easter week regatta. Mark Patty, his wife Ann and crew Stan Starkey took the honors with consistant finishes of 2-2-1-2-1-3-2.

Myron Lyon, the district champ and new Lightning distributor, has compiled a very successful racing season. At one time Myron had 12 firsts in 14 starts; he won the Coronado One Design, Dana Point Invitational and Bowen Memorial Regatta and finished second at the PCC's.

Our new fleet champion is Al Poindexter. Al has enjoyed a fine season; recently winning the Billie Boswell Memorial at Lake Cachuma then the Hurricane Gulch Regatta at King Harbor. Some people say a brand new boat helps.

Charlie Gotschalk won the Fall Series, Winter Series and finished third at the PCC's; demonstrating he is still hard to beat — when he comes out.

The social events were all successful, from the baseball games to the Brady's Beer Bust and breakfast with Hank and Alyce Eastenau. We're already anxiously awaiting next years events. Why is it Lightning people like to have so much fun?

Kirk Johnson, this years runner up, has shown what happens when you are consistently "in there". Fred Knauer has completed his 22nd year of racing, loving every minute of it. Jerry Boyle, a fine addition to our fleet from Oregon is now sampling southern California. We've had glimpses of the Barbers and the Grosses, mostly from behind; I guess they just want us to know they haven't lost their touch. All I can say is "Wait till next year!"

Probably the biggest news at the Surf City Yacht Club this year was that of 59 year old Dick Warren showing the youngsters a thing or two and winning the Comet Internationals. The Lightning sailors offer Dick our hearty congratulations and wish him at least 50 more years of successful sailing.

We in the Lightning fleet did not fare as well as Dick, but did have some good showings on the road. Once again Jack Elfman led the travelling parade with very strong finishes in the North Americans, Cedar Point, Long John, Southern Circuit and who knows what else. Even with all his regatta activity he still managed to be at Surf City enough to recapture the Fleet Championship. Jack also had an outstanding performance in the District Championship which he appeared to have won until a protest resulted in his disqualification from one race. He was a winner in the Atlantic Coast Championship and the wild and wooly Surf City Annual. Congratulations to Jack on another successful season. Ralph Messersmith also put together some good races on the road and did a fine job at the North Americans as well.

Each of us naturally likes to gain an edge by racing as early in the season as possible so that we can "have the feel" when the season gets into full swing. There was not much edge to be gained this year, however. When the Long John rolled around in May, we found that most of us were there. Although none of us won anything, we did agree that the Monmouth Boat Club runs one heck of a regatta, and we will definitely be back in the spring.

Fleet 196 hosted the Atlantic Coast Championship this year, and in spite of some unusual weather everyone seems to have had a good time. Jack Elfman took first place followed by Phil Griffin and Dave Ruiter. As usual the highlight of the regatta was the buffet/cocktail party hosted by Peg and Glenn Weber. Any local sailor will tell you that a Weber affair is not to be missed! The fleet warmly thanks Glenn, Peg and the rest of the club membership who contributed mightily toward the event's success.

Racing at the club was more exciting this season than in any recent year. The leaders (Elfman and Temme) are finding that winning races is no longer a picnic. Much of the Fleet's success is due to their expert guidance and advice. Lint Weber captured third place in both series and showed that this was no fluke when he finished near the top in the first two races of the Junior North Americans.

George Schmidt, our master craftsman and experimenter, unfurled a spanking new suit of sails this year, and when questioned about the unusual sailmaker insignia which was a bright red "G", we were surprised to learn that it stood for "George." He seems to have done quite a good job on his homemade sails because a couple of races found him way out in front. George also has more telltales per square foot of sail than anyone we know. He makes them out of recording tape, leading us to believe that we've found Nixon's missing twenty minutes.

For those of you who have been reading the *Flashes* "For Sale" ads and were interested in Jack Elfman's 11739 *Rip City Express* I'd forget it! Steve Warren bought it and we are happy to have him in the Fleet. Steve is the son of Dick the Comet champ and is quite an accomplished sailor in his own right. It is guaranteed he will give the Fleet fits next summer.

The Most Improved Skipper Award went to Les Hunton who won his first race this year. He is still in a state of shock and still trying to figure out what happened.

The outlook for next season looks extremely bright. The fleet is beginning to grow and the overall talent is good. We expect some exciting races and hope that those of you who might happen to be wandering through Surf City with your Lightnings will come and join us on the bay.

See you in the Spring!

The Chautauqua Fleet had another excellent season this year with fine racing both at home and on the road. The fleet fielded participants at the 40th Anniversary Regatta, Lake Erie Districts, North Americans, and Women's Districts and North Americans.

At Chautauqua, the July Championship series saw great weather and good consistent sailing among the frontrunners. Incumbent fleet champ Jim Neville came out on top again this year, followed by a speedy Dave Bargar who just edged out Dave Ingram for second.

At the end of July, an eight boat contingent headed for "the open sea" at the Buffalo Canoe Club and the Lake Erie Districts. Cherie Neville led the charge by placing second in Women's Districts and fourth in regular Districts. The fifth spot at Districts was captured by her brother, Jim. Despite nearly losing an abandoned Wilder Craft in a Lake Erie squall, the rest of the fleet did fairly well, placing Dave Ingram and John Turney in North Americans.

Cherie Neville capped a super season by finishing fourth in the Women's North Americans. Up at Rehoboth, Jim Neville placed 12th in the Blue Fleet and first-timer John Turney turned in a fine performance in the Governors' Cup.

Back at home, the August Sample series was won by Kevin Dietly, closely followed by Dave Hill in *Henrietta*. Doug and Dave Bargar shared the helm of *Afternoon Delight* for a third in August.

Hoping for more new boats and new faces next year, our fleet looks forward to another great summer of sailing on Chautauqua Lake.

Fleet 212 had a fine summer's worth of sailing. Our spring series was won by Nelson Caley, with Dave Huber taking second. Rick Cooper won the summer series and Dave Huber came in second. Those standings were reversed in the fall series: Dave came in first and Rick was second. Dave Huber also won the Championship series, while Carl Hummer took 2nd and Rick Cooper was 3rd. For all these victories, Dave Huber was awarded Atwood Yacht Club's Most Improved Sailor trophy. Since all sailors in AYC's six fleets compete for this trophy, we're proud to see it go to a Lightning skipper.

First place in the Commodore series held over the Memorial Day weekend, went to Karl Rollius. Dave Huber and Joe Streb tied for second. Despite that bang-up beginning to the season, Karl and his wife and jib crew, Sophie, made a momentous decision at year's end to retire to a cruiser. After 50 years of competitive sailing and 100+ trophies, we can understand that you're ready to take it easy, Karl and Sophie. But we consider it no coincidence that cruiser races were organized for the first time late this year. Watch out, big boats; there's a real skipper joining you now.

We were also proud to see our oldest skipper, Dave Dutton, sail in Atwood's annual Harvest Moon Regatta. At the age of 78, Dave took a very respectable 10th in the regatta and a 1st in our affections.

The year ended with the happy addition of Lightning 12845, *Gray Fox*, skippered by Carl Hummer. We're glad to see Carl bring his sailing experience to racing. Now all we can do is shiver through another Ohio winter waiting to be at the starting line again.

The 1978 season was marked by a falling-off in numbers of Lightning participants in club racing. On most occasions, there were not more than 3 or 4 boats out which was disappointing for those participating. However, the hard-core Lightning sailors are still very much with it. George Layton ended up being the Fleet Champion and went on to win the Club Championship against all other Classes. Naturally, we are very proud of George for his accomplishments.

The Fleet missed Michel Brossard who moved to Quebec City. However, Michel managed to come back to his old stomping grounds for the Club's Annual Regatta which he won very decisively. Archie Cameron, George Layton and Russ Scrim made the trek to Toronto for the Canadian Open. None of them distinguished themselves particularly in indifferent sailing conditions which typifies Humber Day. However, we are pleased to note that the Canadian Open will be held at the Royal St. Lawrence Yacht Club in 1979, on July 20-22 and we look forward to good participation from our Lightning friends everywhere.

Again this year we were pleased to host the Michigan Junior Districts combined with our State Invitational. The results of the Junior Districts found Jim Morse of Devils Lake taking top honors for the second year in a row. John Mathers of Pontiac Yacht Club was second while Sue Pohly of Lake Fenton was third and Cully Hesse of Bay City was fourth.

The Champion Series, sailed on week-ends, saw Joe Dissette returning to his usual form to take first for the season following a two season absense from active Fleet participation. Carl Hesse was second for the season and Bill Boice took third.

The Owl Series, which is sailed Wednesday evenings, continues to be the most popular local event. Weather conditions were less than ideal this season as five races were lost to rain and heavy winds. Consistent sailing in all conditions resulted in Bill Boice and crew, Burris Smith and Greg Smith, taking first place honors again in this closely contested series. Lee Klopfenstein and crew, Dave Corcoran and Tom Aisguard finished second for the season. Jim Schofield, third, was followed by Joe Dissette in fourth and Dick Burrow in fifth. An enthusiastic Howard Nixon finished sixth place in his first year in a Lightning. Also, we are pleased to welcome Michael Pope, Ron Schieber and Tom McNish as new members of Fleet 216.

This year saw the completion of the last of many major improvements at the Bay City Yacht Club. We feel that we will be able to offer excellent facilities to those attending events held at the club for many years to come.

The year of the Stone — began with the Apple Blossom race with the following results: 1. Irwin K. Stone 2. David Northrop 3. Bob Doyle.

The Sunday Series saw a varied season, with many skippers venturing out, but not steadily. Only Irwin and Charles Stone were consistent all year, as the two went down to the last race to determine the championship. "Age before beauty" emerged once more, as our able Dr. Stone claimed 1st place, nosing out his son, Charles. Dick Ciliberti returned to put in enough races of quality to capture 3rd place.

The Commodore's Cup was sailed over a delightful 2-day period, with the overall winner Charles K. Stone. Second was Irwin Stone, and 3rd place went to Dr. John Marshall from Kingston.

Stoney Island results: 1. Charles K. Stone; 2. John Treadwell; 3. Irwin Stone.

Frostbite Race: 1. John H. Treadwell; 2. John Northrop; 3. Dick Grissinger.

The year can best be phrased as one of transition. Doyle, Treadwell, and Stevens were either working or babysitting; when Parker sailed, it was on the circuit and Northrop was Commodore of the Club and boatless — if you can believe that! However, there were bright spots as Charles Stone kept borrowing a different hull to give his dad fits, and it was great to have Dick Ciliberti sail with us for a few weekends. New member Dick Grissinger joined the fleet in hull 9944; the Finnertys' were becoming competitive, and May Robinson's mast finally broke! And of course, Irwin Stone came through with his usual 100% attendance.

There are some healthy rumors of future growth, with Jack Jones, Northrop, Condino, and Stevens all toying with the idea of getting back into it. Wouldn't that be just grand!

Lightning Fleet 226 is better than ever ... on beautiful Biscayne Bay. We have added seven boats to our roster this past year and are making plans to hold a junior regatta in the spring to attract 16 year-old and under skippers to our wonderful world of racing Lightnings.

The highlight of our past year — most definitely — was our "Down Home in the Tropics Feast" on March 22nd for all the Mid-Winter sailors on the Southern Circuit. Our members hosted a memorable party on the lawn of the Coconut Grove Sailing Club under a full moon. Superb food, a beautiful setting and the opportunity to meet Lightning enthusiasts from all over the world made it an evening to long remember. Special accolades go to Mrs. Jody Holshouser, our dinner chairman, who put it all together right down to the awesome cake decorated with the ILCA 40 Years decal — and the romantic moonlight. Bonnie and Bill Shore were kind enough to give us a seminar on March 24th. This turned out to be a morale booster for our newer skippers and a think session for everyone.

On April 29-30th, our Florida Districts were held, sponsored by CGSC. Dr. Jack Swenson came down from Palm Beach and topped the

10 boat fleet in five races. Jack is such a great sailor and good sport, we did not mind too much when he carted all that silver back home. Jorge Freeland was runner-up. Jim Pinion, our District Commodore, took 3rd.

Three boats represented Fleet 226 at the Junior Championship held at the Metedeconk River Yacht Club in August. Jorge Freeland (crew David Melin and Nick Holshouser) placed 5th. Jim Alman (crew Warren Sands and Morgan Reeser) placed 9th. Equipment failure dimmed the hopes of our third skipper — Sam Pearl (crew Chris Young and Rick Shellow). These young sailors from Miami all praised the “hats on the mantle” regatta put on by Jim Carson and a great race committee.

Concurrently in Bay Head, New Jersey at the first ILCA Women's Lightning Championship, Fleet 226 was on the line with Mara Freeland skippering 11138 to an 8th place. Ann Allen and Tay Adams not only ran a super successful regatta with the help of a very fine committee, but they found time to locate two great women sailors (Bobby Riley and Anna Fortenbaugh) to crew and arranged for the loan of 11138 from its gracious owner, ILCA President John S. Schneider. The fine sailing was equalled by fantastic parties, warm hospitality and the inspiration of women racing Lightnings together for the first time in an ILCA championship.

On to the North Americans with five boats representing Fleet 226. Saw some of our old/new friends from the Mid-Winters as they whipped by, but we were proud to be represented by Jack Swenson, Jim Pinion and our young hopefuls — Alman, Pearl and Freeland. Next year we promise even more boats and better speed.

Back home on Biscayne Bay, one-designs race one week-end each month, sponsored by the five local yacht clubs (Coconut Grove Sailing Club, Coral Reef, Biscayne Bay, Key Biscayne and Miami Yacht Clubs) which comprise the Biscayne Bay Yacht Racing Association. The BBYRA 1978 Lightning Championship was won by Frank Atkinson, Jr. Jorge Freeland was runner-up and Jim Alman placed 3rd. In October at the Coconut Grove Sailing Club's Annual Regatta, Frank won first place. Sam Pearl placed 2nd and Jim Alman took third place. Coral Reef Yacht Club will hold its Annual Regatta on Dec. 9th and 10th and this regatta winds up our racing year.

1978 proved to be a great year for the Fleet. We welcomed many new members and boats. . . Jim Alman in 11085, Frank Atkinson in 9975, Greg Hargrett sold 8038 and bought 11017 (he's out to bring home the silver). Stuart Sorg (10338), Margaret Ronald (3151), Marty Mulhern (10384) and Randy Clee (9240) are getting their boats ready for 1979's racing season. Don Riedel will be skippering 13109 without help from co-owner Steve Witherspoon. “Spoon” is moving to New York and will be sailing on Long Island Sound. We will miss him very much. We have a new baby in the fleet. Gabrielle and Greg Hargrett welcomed 8 lb. Christopher on September 27th and we presented our future Lightning Champion with a pair of white sneakers (size 1).

Just as we finished writing this report, we learned of the death of Alexander Carlin on November 12th in Miami. Alex was an active member of Fleet 226 for many years. He loved sailing and Lightnings. His many friends in the Lightning Class will always remember his contributions to building sailing on Biscayne Bay.

BOMOSEEN YACHT CLUB FLEET (227)

New England District

Sailing on Lake Bomoseen, Vermont

Fleet Commodore Bill Potter
Fleet Secretary Doug Wilson
Fleet Champion Dave Stagg
Runner-Up Jim Leamy

Boat No.	Boat Name	Skipper
11393	Dave Stagg
12077	Raider II	Jim Leamy
12486	Ray & Raymond Harrington, Jr.
12981	Paul Schoenbucher

The 1978 season began with the Memorial Day Regatta on May 29th. Ray Harrington, Jr. was able to put together two firsts and a third to win the regatta. Jim Leamy and Dave Stagg took second and third respectively.

Our next three-race regatta was the Stowell Series, sailed on July 4th weekend. Dave Stagg won this regatta with two firsts and a second. Second place went to Carl Schoenbucher and third to Ray Harrington, Jr.

The Bellerose Memorial Series, on Labor Day weekend, proved to be most interesting. After two races, there was a three-way tie. In an

exciting finish to the third race, Ray Harrington squeaked out first place, followed by Jim Leamy second and Dave Stagg third.

The overall standings for Fleet Champion were dominated by Dave Stagg. Following the opening regatta on Memorial Day, Dave acquired a comfortable lead, which he never relinquished. Jim Leamy edged out Ray Harrington, Jr. for first runner-up.

Although Fleet 227 is small, we look forward to increasing numbers in the future. This year's newcomers, Paul Eitapence and Bruce Belden, provided the fleet with a shot in the arm. Bill Potter made good on his promise to bring back his boat. One week after the last scheduled race was sailed, the hull repairs were completed, and his boat was launched. With the enthusiasm of the newcomers and the reappearance of Bill Potter, we look forward to a bigger and better season in 1979.

Honorary Members		Betty & Dale Allen

The Delaware River at Riverton saw plenty of Lightning activity this summer. Our fleet is strong and growing and we have many enthusiastic members. The results of our club series were as follows:

THAW OUT SERIES: Allan Crew, first; Tom Donlan, second; Weld Cox, third. SPRING SERIES: Allan Crew, first; Weld Cox, second; Walt Cincotta, third. WEDNESDAY NIGHT SERIES: Weld Cox, first; Bill Graff, second; Allan Crew, third. SUMMER SERIES: Tom Donlan, first; Bill Graff, second; Steve Perkel, third.

The overall fleet champion was Allen Crew, who gets to keep the perpetual “Cannon” trophy for one year. Djoerd Hoekstra won our annual fall Lightning Regatta, this year hotly contested by the Funari brothers from the Red Dragon Cause Club. The Funaris' second place in our regatta put them on top in the standings for the Gamma Trophy, a perpetual trophy awarded for the best overall results on the Penn Manor, Red Dragon and Riverton circuit.

Luigi and Marlo Merola in *Excelsio* (13264) in the Italian District Championships.

Bruno Magoni, Italian Champion of 1977 didn't defend his title because he was devoid of a competitive boat.

Luigi Merola, with Mario and Francesco LoSardo, did very well in the Europeans on Phaleron Bay, Greece. His 5th place is very important and meaningful for the District.

In the Italian Championship at Marsala, Luigi Merola and his crews surrendered to unchecked fury of Nando De Amicis (Fleet 249) and finished only 3rd.

The fleet is very happy to announce that Nando De Amicis is the 1978 Italian Champion.

Nando has raced in the Italian Championship since 1964 and he was the runner-up in 1976 and third in 1974 and 1977. Nando, with Gianni Rizzieri and Alberto, took part in the European Championship in Greece. He placed 10th but he had two extraordinary races, winning the 5th and the 6th.

The activity of the fleet has not increased because Salvatore Tremante sold his *Tretepe* and he is waiting for a new boat. The Belgenio family didn't race either.

Eugenio Ambrosini in *Finalmente* took part in the Winter Championship at Marsala and in the Meeting Regatta at Trasimeno Lake.

The Number One of our Fleet.

This year Fleet 250 celebrated its 25th birthday. In 1953 Hans A. Luthy and Dr. Peter Ehret from the lake of Sempach made the first contact with the ILCA and founded Fleet 169 and Fleet 219 and the new Lightning District Switzerland.

During all 12 months this year we had great sailing on our two small lakes and far abroad as well. Ruedi Herzog and crew got 7th place in the 1st Midwinter European Championship in Marsala. They had a great time and enjoyed the hospitality of their Sicilian friends.

The season for Swiss Lightning sailing began as usual within our Fleet 250. We organized with the help of the sailing club of Hallwil the official USY-Training for the Swiss national sailing teams. So 9 boats came for two April weekends for exercises in good starting, theory, and practice of tactics and tuning. The 1st district regatta was held on the 3rd weekend in April in Sempach. The challenge trophy, "Luthy-Bell", was won by Heissi Schoggi of Fleet 219.

The Swiss Championship was held in May on the lake of Thun under very good sailing conditions. Our fleet was present with 5 boats. Christoph Luthy was sailing his own boat, an Euro-Lightning and finished 4th. Ruedi Herzog finished 13th, A Ruesch on 12320 14th, Edgar Merz 19th and Heinrich Leimgrubler 23rd. Silvio Merz and Thomas Huber were crewing for foreign skippers and got 2nd and 8th.

The main event was of course the long trip down to Greece for the European-Championship in Piraus. Ruedi Herzog with Edgar Merz and Thomas Bosshard finished 11th. Christoph and Dominique Luthy got the best Californian crew, their good friend of Fleet 372 (San Francisco), Stan Starkey, who sailed with them the year before. After two bad races the team did go to the temple of Athena-Nike (goddess of victory) and got help. Surprisingly Domi-Nike finished 2nd over all! It was a great vacation time for all of us. After the races we made a car trip to the beautiful antique ruins all over the Peloponnes.

During the summer we had no Lightning regattas on our two lakes and we travelled a lot. In spite of this we had some good sailing days and nights together on and around the borders of the lakes with barbeque and raclette parties.

Heidi Beck and Bruno Kunzle built their own house and got married in August. We wish all the best for them and hope, that they will be sailing again next year. Ruedi and Greti Herzog celebrated their 30th wedding anniversary. Edgar Merz's wish to get a new oval mast was realized at the end of the season finally, when he broke his old one at the stormy regatta on the lake of Greifensee (Fleet 309).

The season has just finished and we are making plans for 1979: the worlds, the Europeans, the Marsalan New Year's regatta. . . and more sailing on our two lakes, Sempach and Hallwil.

13124	Scudder	Dick Eckstrom
13252	Bea First	Gerald A. Levine

Fleet 252 got a good start at our Spring dinner where perennial Fleet Champion Fred Schaaf and runner-up Dick Eckstrom talked on "secrets of successful racing on Keuka." Someone was listening because Kim Leiser then took most of the season's silver, winning the Memorial Day, Fourth of July, Labor Day, and Season trophies. Dick Eckstrom came out on top in June. The new Levine boat *Bea First*, with Glenn or Mike skippering won the short September series.

The August Champagne Regatta brought forty-five boats to a very light air weekend. After completing only one race Saturday, Sunday's race ran over-time and was thrown out. Jeff Penfield, always in the top group at Keuka took the first place trophy back to Cazenovia with Mike Fellows second and Calvin Schmiede third.

The end of the season saw the retiring of Bill Brown's 11901 and Dr. Pat Patrizios 9249. New fleet members, Peter Gamba and Roy Marier added to the competition and the fleet's grand old lady 280 was sailed well by new owner Art Lofgren.

A second generation of skippers sailed very well. Rich Schaaf gave the fleet the same kind of competition we expect from his Dad and the Levine boys, Mike and Glenn, showed Jerry some new tricks.

The end of the season brought a wedding announcement from long time 10888 crew John Smolik and Darlene Dann; lose a crew - gain a boat, since John and Darlene's wedding present to themselves is 12702.

11865	Sacre Bleu	Tomas Johnstone
12137	Eleison	Fred Bush
12923	Henry P. Anstadt
12941	Starling Mikell, Jr.

After a very competitive racing season, Starling Mikell, Jr. was once again crowned Fleet Champion. The Spring Series results are: 1st, Starling Mikell Jr.; 2nd, Fred Bush; 3rd, Charles Cockerham.

Our Summer Series results are: 1st, Charles Cockerham; 2nd, Starling Mikell, Jr.; 3rd, H. Angstadt. The Fall Series went: 1st, Starling Mikell, Jr.; 2nd, Charles Cockham; 3rd, Fred Bush.

In the Memorial Day Series the first three places were awarded to visitors from other fleets: 1st, W. McShane; 2nd, A. Mast; 3rd, D. Delorme.

In a hotly contested Labor Day Series the wily old fox, Ed Schwoebli, sailed superbly to win over Fred Bush and Tom Johnstone. The final results showed less than two points separating the first three places. Next year promises to be just as exciting as the competition keeps improving.

The 1978 season for fleet 257 was one of renewed interest and enthusiasm. It saw the additions of six new Lightnings to its ranks and some great sailing on Clark Hill Reservoir.

Ted Kelker, long time fleet champ and inveterate Lightning sailor, was continuously challenged by three new boats which included Kevin Robinson, recently moved from Philadelphia, and Alan Claxton from Augusta. Both of these sailors added tremendously to the renewed sailing activity of Fleet 257.

The season started early in the spring but got going full swing with the addition of these new boats which sparked the competitive interest in the current fleet members including Gil Klemann, Bennie Moultrie and William Jackson. Sailing in light fluky winds were the usual conditions, but this did not dampen the spirit. The season culminated with the Halloween Regatta which had our own Ted Kelker placing second overall.

There were also boats that travelled to other regattas. Both Gil Klemann and Kevin Robinson went to Savannah. Gil went for the Deep South Regatta and Kevin for the L.A.Y.R.A. Invitational in August

placing sixth. In October both went to the Lake Murray Invitational and had a good showing with Kevin and Gil placing fifth and seventh respectively.

New boat owners Tom Nosick, Butler Derrick and Frank Stafford will add a lot to our 1979 sailing season. This years most improved sailing award went to Bennie Moultrie who captured third in the fall series proving that he deserved this award.

Fleet 257 has indeed enjoyed a resurgence of new interest. Because of this, the 1979 season proves to be one of the best in many years. Come join us for our Lightning Regatta in April, at which we expect 30 plus boats, and help us start the season off right.

The 1978 sailing season at Carlyle Lake was a busy and successful one for Fleet 266. A program of sailing and racing instruction was instituted to raise the levels of new skippers and juniors. The first weekend, in June, the program was directed to new sailors with 16 boats participating, while the second, in July, was attended by 24 juniors. Seminars were given by Augie Paoli, Lal Burridge and our young Fleet Champion, Matthew Burridge. We believe this emphasis on improving sailing skills will strengthen the Fleet in years to come.

This year we again were host to the Mississippi Valley District Regatta and provided everyone an opportunity to test their skills in heavy weather sailing. Strong winds continued to increase during the weekend forcing cancellation of the final day's races. A great time was had by all. Gregg Florian from Decatur took top honors in this highly contested series.

Our annual Impromptu Regatta held on Labor Day Weekend, in spite of light air, was an unqualified success. Bruce Goldsmith conducted a seminar on sail trim and with his super light and most attractive young crew won the regatta, but not without a tousele. We are already planning how to beat Bruce next Labor Day. "Shift gears", was that it?

The "Whale of a Sail" held on September 16 and 17 attracted over 200 boats, including the largest Lightning fleet in recent years. Augie Paoli and Mitch Bohnenkamp took 1st and 2nd and it seemed like old times again.

In addition to the Fleet Championship Series won by Matt Burridge, the Spring Series was won by Lal Burridge, while Augie Paoli won the Summer and John Folwell won the Fall Series. Four different winners in four club series testifies to the strength and competitiveness of our Fleet.

The year 1978 wasn't very good with things like racing activity and wind.

On Sundays it was usually no wind at all or it was so strong that we couldn't risk to sail because of the insufficient life boats.

Our new Fleet Captain is Jürgen Lehmann and Fleet Secretary is his wife Mrs. Lehmann. The most of our Lightning sailors have sold their boats, or changed to larger boats or cabin boats. We hope that there'll be more Lightnings in the next years on our lake.

Fleet Champion, Crew, Dr. David Brown, David Brown, Jr. and skipper, Bob Carter.

Bob Carter in his blue-gray *Scooby-Do* won almost everything within sight including the Memorial Regatta, Commodore's Cup, and Long John Regatta at Geist Reservoir in 1978. Besides replacing Tony Chavez as Fleet Champion, Carter finished first in both the Spring and Fall Series at the club. The Indiana Districts were held on Lake Wawasee this year with winds gusting to 30 knots. Who won? You guessed it, Bob Carter!

The 'B' Fleet comprising newer skippers and older boats saw some stiff competition with Rich Eddy taking the Spring Series and Mike Kerber winning in the fall event. Kerber, a rookie this year, commutes fifty miles from Frankfort each Sunday for the race.

Highpoint at the Indianapolis Sailing Club was the Indiana Open held May 6th and 7th with very light winds on Saturday and a 15-25 knot blow on Sunday accompanied by steady light rain. Forty-nine boats sailed in the regatta this year.

The top finishers were: 1st Larry MacDonald Jr., Hamilton, Ontario; 2nd Jack Mueller, Cleveland, Ohio; 3rd Ronald Blair, Chicago, Illinois; 4th Tom Allen, Buffalo, New York; 5th Bruce Goldsmith, Chicago, Illinois. Fleet 270 sailors were led by Bob Carter in 12th place followed by: Ken Wood, 18th; Tony Chavez, 20th; Bill Hall, 22nd; Bob Schubert, 24th.

Social activities were directed by Mike and Daret Carroll. They featured a song fest and beer bust on the Point, an exotic diving and water polo party at the pool, and a hay ride and wiener roast at Stony Creek Farm.

Amid the snows of February Bob Kinsey corralled sufficient members to again display a Lightning at the annual Boat Show held in the Glendale Shopping Center. Though the fleet boasts of more than twenty active contestants it was deemed that an aggressive new member drive be continued, and participation in this show gives Fleet 270 the opportunity to display its wares to the public.

Finally Bill Hall was elected District Commodore and June Schubert re-elected District Secretary.

Massabesic Lightning sailors enjoyed favorable winds, a competitive fleet racing program and three home regattas during the 1978 sailing season.

Tuning up for upcoming district regattas, Dick Hale won the Spring Series, with Gary O'Neil second, and Russ Cavanaugh, third. O'Neil sailed well and captured the Summer Series, with John Webb second, and Dave Batchelder, third. The Fall Series was won by Cavanaugh, with Webb a close second and Hale, third.

The Vermont-New Hampshire Championships were hosted by MYC and Fleet 273 in mid-June. Twenty-two Lightning crews enjoyed three super races on Saturday and one not-so-super drifter on Sunday. Vermont prevailed once again as Don Brush nabbed first place. For the New Hampshire boats, Dave Fitch from Spofford Lake took second; Dick Hale, Massabesic, third; Don Sherbourne, Dunsmore VT., fourth; and Jack Burwell, the "Maine-iac" in *Gusto* took fifth.

The traditional Labor Day Commodore's Cup Regatta has been renamed the Jim Richmond Memorial Cup in memory of a long-time Lightning sailor and most times fleet champion, Jim Richmond. Twenty-three club boats were blessed with 12-15 knots and sunny skies. Three races were sailed using the Portsmouth system. Two Lightnings topped the fleet; Dick Hale winning the cup, and Russ Cavanaugh finishing second.

The Annual Massabesic Regatta followed on September 9th and 10th. High winds with gusts to 42 knots on Saturday curtailed sailing activities. Doc's punch and Zogopolos' steak dinner saved the day. Three races were sailed on Sunday (3-5 knots, of course!). Dick Hale captured first place, and visitors Al DeBernardi, second, and Mark L'Heureux, third.

Fleet 273 is alive, well, active, competitive, and growing. Three new members have joined our ranks for the 1979 season, and prospects are good for several others. Congratulations go to our own Dick Hale for winning the New England District Championship, and for a good performance in the North Americans at Rehoboth.

This year for the first time the Hernando-DeSoto Regatta was nearly all Lightnings. We think that in 1979 it will be Lightnings only on May 5-6 in this five race series.

At the beginning of the year we lost half of our top ten boats. We are rebuilding with great success. On a typical race day we have eight to ten boats on the line and sometimes as many as 14. This year we completed 90 races.

Our 1978 race results are: Spring Series, 1st Crit Currie, 2nd Bill Baxter, 3rd, Brady Sharpe; Summer Series, 1st Crit Currie, 2nd Bill Baxter, 3rd Brady Sharpe; Fall Series, 1st Barry Cochran and Brad Currie, 2nd Bill Baxter, 3rd Crit Currie.

Remember to come to a real Tennessee-Texas shoot out May 5-6 for five races.

Light breezes call for light crews.

Temple Reef Sailing Club's year opened with the annual Kam River Slush Cup and closed with the Frostbite Regatta. Both names are very apropos as we start our season with the ice actually going out and end it as the lake starts thinking of freezing again. In between, we have had a wonderful summer and a lot of enjoyment.

The fleet has grown steadily in the last few years and this year we are glad to see Ross Bailey back with a brand new boat which he rigged himself. Very fancy indeed.

Competition has been quite keen and going into the last race of any regatta, we can expect the outcome to decide the top four or five positions. Many of our races are sailed in mixed fleets, much to the exasperation of the other boats, as Lightnings always seem to win overall. We love this of course as it advertises "our" boat like nothing else could.

The first half of the season was won by Porter Bailey after some exceptional light air performances. It seems whenever the wind drops, Porter just goes faster until he is so far ahead that he is impossible to catch even if the wind does come up again.

However, as the season continued, Porter's brother Ross, with crew Doug Hindle and Blair Sandberg slowly cranked up until they were winning with alarming regularity. Even while contending with broadsides of all kinds of paraphernalia from Jimmy Cameron they were able not only to win, but strike back with great success.

So the Ross Bailey boat takes over as new fleet champion with firm intentions of repeating next year.

Temple Reef Sailing Club has drawn its strength from catering to the enjoyment of sailing and helping newcomers to feel welcome. Some of our racing is very serious indeed, but other races have much more emphasis on the lighter side of things and have helped the schedule to be that much more successful. We are looking forward to 1979 and know that it will be a good year.

Stu Nickerson in the lead - New England Districts at Wellfleet.

Over the years, the Lightning sailed jointly by Anne and Tim Dickey has had several near misses for the Wellfleet Yacht Club Championship. This year, the Dickeys did not miss. They finished strongly to beat Stafford Frazier, last year's champion, by 4½ points. The Dickeys also won the August and Sunday Series, while finishing second in July and Saturday Series.

Except for the Dickeys, only the Frazier boat (second for the whole season and Sunday Series, third in July) and the Webb boat (third for the season, August, and Sunday) sailed enough races to qualify for all the longer series, yet it was a closely contested summer of racing with seven boats winning at least one race.

Stuart Nickerson, foregoing the North Americans and sailing at Wellfleet for the first time in years, dominated in July, winning the Coffee and Fox Cups as well, before selling his boat to a new skipper, Jim Smith. By September, Stuart was back in a new boat to win the Cutting Trophy and to finish second in the 63 boat Eastern Championship at Cedar Point.

David Jones won the Saturday Series and was second in August, but missed enough weekends to spoil his overall record.

Jimmy Gardner, with his wife Judy, made John Waterbury's beautiful home-built wood, *Circe*, go as fast as any other boat, taking the one race Tea Cup. Bill Webb, rusty at the helm of his new boat, finished late a couple of times, but through persistence figured in some of the above longer series, and did manage to take the Frazier Memorial Trophy legitimately. Bill Oliver sailing with his sons in a new boat was often spookily fast. Although Bill placed in no series in Wellfleet, he won the State of Maine Championship and had two good races in the Westport regattas, a fourth in the spring and a second in the fall.

In mid-July, Fleet 280 held its first officially scheduled District Championship. Stuart Nickerson and Bill Oliver ran a regatta that was successful in every way except that a local boat did not win. Stuart did his best, winning four of the five races (those sailed in moderate or stronger air). But, in the one race in light and shifty air, Stuart went the wrong way, finished twentieth, and since there were no throw-outs, had a poorer total score in the regatta than Dick Hale, Don Brush, and Jack Burwell. The next local boat was our Champion, the Dickey's, who were twelfth, with others in the fleet finishing from the mid-teens on. As good as the racing was, it was almost surpassed by the beach party extravaganza planned by the fertile mind of Stuart Nickerson.

It appears that Fleet 280 may be on the upswing again. With three boats added in 1978 and Bob Campbell the new owner of Jack Burwell's speedy craft. Pres Moore will possibly be back for a full season, and a couple of disappointed Rhodes skippers are showing interest. Next year, 1979, should show more boats on the water than in several years.

Winning Ain't All Fun As Shown By New District Champ Jamie Nelson.

"Father Lightning" as John Benedetti is known in these parts, did it again this year. However, his position as Fleet Champion was hotly contested by a relatively new sailor in the fleet. Paul Anderson, who in two seasons of sailing, has become a front runner in the fleet, showing us all what practice and perseverance can do. Our Fleet Championship is based on performance in local regattas, but that's not saying that "Father Lightning" didn't do well on the circuit. He probably had the best overall circuit record in the fleet with four seconds and a third. The following skippers helped Fleet 283 to dominate the Northwest Lightning scene with first place finishes in the following out-of-town regattas: Newport Loyalty Days Regatta, Bruce Deitz; Eugene Memorial Day Regatta, The Parshleys; Klamath Falls July 4th Regatta, Dennis Torgeson; Districts, Jamie Nelson; Harvest Regatta, The Parshleys; Barber Series, The Parshleys.

Each year Fleet 283 enters a Lightning in the Portland Boat Show and as a part of the display we sign-up interested people for our Demonstration Day which was held April 23rd this year. Demonstration Day is a fleet function where we take interested people out for a sail and an explanation of what Lightning sailing is all about. In spite of cloudy weather there was a good turnout and we gained some crew prospects and expanded the fleet by selling two boats. The only surprise of the day was that there WAS beer left in the keg when it was all over. We must be getting old. . .

Able led by our Fleet Captain we renovated an old Lightning that belongs to a Boy Scout troop. In addition to sanding and painting, the mast was rigged and many fittings replaced.

Fleet 283 has reached the stage where some second generation Lightning sailors are beginning to get hot. This year the District elected Phil Parshley Jr. to be Junior District Commodore and he showed his appreciation by winning the first Junior District Championship held last summer. In addition to encouraging junior racing at the district level, we organized a junior series open to all classes at VLSC. The series was dominated by Lightnings and was won by another Parshley - Lisa.

We wrap up our sailing season each year at the District Team Races, held this year on and in Lake Washington in Seattle. Only by well-thought strategy, tough tactics, and capitalization on other's mistakes were we able to score a resounding victory over all comers. We won six straight matches with each of our crews tasting victory.

KOTKA LIGHTNING FLEET (298)

Fleet Captain Osmo Savola
Fleet Secretary Antero Westerlund

Boat No.	Boat Name	Skipper
12352	Bella	Osmo Savola
12479	Melanie	Antero Westerlund

This season has been another active one for our "mini" fleet. We started our racing on Tuusulanjarvi on the 20th of May and finished our season in stormy autumn weather at Kotka on the 10th of September.

We were happy to be the hosts of one of our District's ranking regattas, which was held at Kotka in the 27th and 28th of May. Fourteen boats participated, Kari Maenpaa being the fastest in the light and shifting winds. Hartti Nisonen was second, Pentti Puupera third, Pertti Pyy fourth and Vesa Tapola and Antti Ruuskanen were tied up for fifth.

Both our boats did well. Bella started in all of the six regattas (we do not think any other boat did that). Unfortunately, Bella lost her mast while capsizing at Helsinki and could not finish that regatta.

Both boats travelled to Oulu, where our District Championship regatta was held. Our fleet took the last standing in the "unofficial" team race. In the Districts, Osmo Savola was 21st among 24 participants with crew Pekka Simola and Rabbe Saxen. Antero Westerlund with Eero Arvo and Risto Varela was 23rd and missed the jumbo prize (an alarm clock) by only one point.

There has been a growing interest in the Lightning Class in the Eastern Gulf of Finland area. The colorful and exciting races made the "Lightning spirit" well-known to other sailors and spectators. Local newspapers have published articles about the Lightning Class. Many people have been guest-crew on our boats at local regattas, and we hope that, in time, some of them will become Lightning sailors.

We thank all our Lightning friends for a good season of sailing and being together. See you next spring!

October's final races marked the completion of a banner season for Fleet 301. It was a summer in which the fleet, 26 strong, routinely put 14 boats on the starting line, and often had 20 or more. Even more important, at least 75 percent of these boats could win on any given day. Large crowds at the fifth or sixth mark were the trademark of the fleet. In what he states is his final season of racing sailboats, Bill Dunnington emerged as the overall fleet champion by edging out another Lightning perennial, Vern Emerson. To quote Vern, "old age and cunning can always beat out youth and energy."

Fleet members made their presence known away from home as well with entries in the Lightning Southern Circuit, The 40th Anniversary Regatta, The Women's Championship, The New England Districts (10 boats) and the North American Championships (in which fleet member Don Brush placed 5th).

Next year promises to be even more exciting. Few sailors are leaving, many racers from other classes are looking hard, and the present members are gearing up to hit it even harder next year.

We're rebuilding. Yes, the 1978 season has been a productive one. Three new skippers have been added to the fleet. So if you have missed us at some of the regattas this year, you know the reason. Training and grooming new blood is a time consuming and strenuous task. But, be on the lookout, the 1993 North American's belong to the boys from "Cincy".

Three new skippers Doug Young, Joe Horst, and Jeff Pugh.

Besides all the confusion, we did have the annual "Fall-in" Regatta which happened to be on the most beautiful weekend of the year, Oct. 21-22. We had six races in winds of 10-15 which was accompanied by one heck of an Italian dinner and party.

This years Fleet Champion is Ray Beck with Joel Cohen runner-up. Hope to see you all next year.

This season has been very special because of two reasons. The number of the boats of our fleet has grown and our fleet had the honor of organizing the Finnish Championship, which was sailed here in Oulu. We are very grateful to The Yacht Club of Oulu for the help they gave us in the Finnish Championship.

Before the Finnish Championship we had the Regatta of Oulu, which is one of the ranking-races of the Lightning class here in Finland. The success of the boats of our fleet wasn't promising; Markku Paloma was fourth and Lasse Hammar sixth.

The first three races in the Finnish Championship were sailed in changing wind conditions. You couldn't be sure about your final position. Lasse Hammar led in many races but lost his position every time. Markku Paloma almost won one race, but time ran out on him. The last racing day was a very good one, because Lasse Hammar with his *Rio-Rita II* won both races. This wasn't enough. His final position was fourth and Markku Paloma was ninth and Ilmo Hassinen with his young sons was 24th. The winner was Antti Ruuskanen who has been for many years one of the best skippers in Finland. Once again congratulations to Oili, Antti and Lauri.

The best in Kemi; Mister X, Pohjan-Akka, and Viivi.

Photo by Juhani Hedberg

Our fleet for the 1978 season was divided into the race-boats and into the "villa-boats." However almost all of our 17 boats have sailed actively here on Gulf of Bothnia. This summer was warm and sunny, after many cold summers, but the winds were very cranky. Helmsmen and their crews often had to work (and swim) hard.

The best Lightning racers were: *Mister X* (Jouko Lehtinen), *Pohjan Akka* (Aulis Naykki) and *Viivi*. *Viivi* is a new boat and her lucky owner is the captain of our fleet, Heikki Ulen. On the sea only *Wilma* (Martti Raisenen) could compete with them at the end of the season.

Eight Lightnings sailed in our own Kemi Regatta. *Pohjan Akka* won, *Mister X* was second and *Viivi* third. *Viri II* (Jari Perkkio), *Turso* (Taimo Huusko), *Wilma*, *Veera* (Hannu Kempainen) and *Anita* (Juhani Hedberg) also participated.

Our few boats traveled to the Oulu Regatta, where *Pohjan Akka* sailed well and won many prizes. The Finnish Championship Race was this year in Oulu shortly after the Regatta. There our boys showed that they are at long last on the top of Finnish Lightning sailing. *Mister X* was 6th, *Pohjan Akka* 7th, *Viivi* 11th, *Wilma* 15th and *Viri II* 20th. — Beautiful days with the boats, sails, winds, seas, and of course noble race friends, too! Thanks Oulu Fleet!

Mister X and her sailors: Jouko Lehtinen, Jari Makineste and Timo Huhtakangas won the Kemi Fleet Championship at home. Aulis Naykki had to be contented with runner-up. In the champ-races was on a visit Ilma Hassinen with his *Hattivatii* from Oulu but his boat has not yet got a good trim. Nice to see, however!

Ilmo Hassinen, in *Hattivatii*, from Oulu visited us during our championship races. Unfortunately his boat was not yet well tuned.

Our Lightnings have taken part in some long distance races and the night-sailings of Kemi Yacht Clubs. On every Wednesday last summer we had evening races. Our old *Maria* (Pertti Mäilumäki) started sometimes, too. After many races we have organized parties with dancing and singing.

Our new boat *Viivi* sailed well in the Spring Regatta and she won also the Autumn-Races. We can see that a new boat gives hope for new life with the Lightnings. The northern most Lightning fleet in the world, the Kemi Fleet, is getting ready for the 1979 European Championship in Helsinki.

You're doing Nice Work, Dad.

We had no Fleet races in 1978 so there was no Champion or Runner-Up. However, Lake Erie District Lightning sailors continued to show interest in sailing offshore from Dunkirk by participating in the annual regatta on the weekend after Labor Day. Unfortunately, the number of entries in the regatta this year was considerably below average due primarily to a conflict in dates with the Pan-American trials in Ontario.

Weather conditions for the regatta again reduced the number of races completed to two. The scheduled third race was aborted before

completion of four legs due to a thunderstorm. This probably did not affect the outcome of the series except for Rick Hensel who was putting it all together in the third race after a dismal 8th place in the opening race and a close 4th in the second race.

In both of the first day races which were sailed under ideal weather conditions, Mark Bryant crossed the finish line first, Stu Anderson second and Tom Allen third. Cal Schmiede came in fourth overall and Dave Duchscherer fifth.

Although current activity in Lightning Fleet 311 is almost nil, ex-Lightning sailors and officers of the Dunkirk Yacht Club are ready and willing to again host the weekend-after-Labor Day Lightning regatta if Lake Erie District officers see fit.

After five years of existence Fleet 312 organized a regatta in May 1978. Six boats came from Trasimeno and Garda Lakes giving us a total of ten participants. Maurizio Di Segni won the regatta and most interestingly he did so in one of the new glass boats built by Salver Inc. of Brindisi. The boat proved very competitive although there were some problems tuning it. Unfortunately Maurizio Di Segni didn't participate in the Italian's at Marsala.

This season was a different one for Kentmore Park sailors, in many ways. To begin with, the season actually was kicked off by the arrival of "The Littlest Bald Bullet," Jennifer. Alfie was promoted immediately to "The Baldest Bullet," since Jennifer was born with more hair than her dad has.

Next, we devised an "innovative" schedule for the summer in which two regatta weekends were included, in an attempt to stimulate additional interest. Whether or not it stimulated interest in sailing is debatable; however, it sure did generate a lot of hot air!

All of that hot air was enough to carry Fleet Champion Jim Ganley to the head of the fleet three times out of six to win the summer-long series. Commodore (Fleet and District) Al Mast was second, and

Assistant District Measurer Bill McShane third.

The "Bald Bullet" gave everyone else a break by going fishing on the weekend of the first annual Tockwagh Regatta. Doc Tom wasted no time at all by jumping in with all sails flying, and swept the series with three firsts and a fourth (that race was Bob Horne's biennial first-place finish). Tom's eldest, Jim Hopkins, stopped in to race that weekend, finishing second right behind the OM, Doc Jim edged Bob for third.

Bill McShane finally got the lead out and broke the Founders' Regatta wide open with three firsts and a third. Our peripatetic podiatrist, Jim Ganley, followed with a close second, with Al Mast third. In this regatta we forsook our usual set courses, using fixed marks, for a smaller course which was shifted by the floating race committee prior to each race.

The results of the two Bay Races resemble a shell game: Summer - McShane (1), Mast (2), Hopkins (3); Fall - Hopkins (1), McShane (2), Mast (3). A third one would probably have finished Mast, Hopkins, McShane!

As is almost always the case, perseverance and experience paid off in the long run. Jim Ganley and Tom Hopkins, who missed only one and two race days respectively all summer, came through as the Fleet Champs. In fact, Jim was the only one to have sailed in enough races to qualify for the prestigious Stardust Trophy. Since one of the major aims of that award is to promote participation, it was made in that spirit.

Our participation in "outside" regattas picked up slightly this season, with Fleet 314 representation in no less than a dozen events. Bill McShane sailed at Susquehanna (1), SSA Spring (1), UCYC (4), Delaware Governor's Cup (5), Dixies, Maryland Governor's Cup, and SSA Frostbite. Al Mast sailed at Skeneateles, Susquehanna (2), UCYC (3), Delaware Governor's Cup, Dixies (8), North American's (3-Governor's Cup), Maryland Governor's Cup (3), and the Pennsylvania Governor's Cup (2). Tom Hopkins sailed at SSA No-Gas, SSA Spring, Delaware Governor's Cup, Dixies, Maryland Governor's Cup (2), Pennsylvania Governor's Cup (3), and SSA Frostbite. Jim Ganley sailed at UCYC and the Dixies. Scott Ingram sailed at the Delaware Governor's Cup, and Jim Hopkins was our fifth entrant at the Dixie Districts.

Not to be outdone by the seniors, a few of our junior sailors were ambitious enough to try the Junior Dixie Districts. Howard Edson, sailing *Doc's Boat*, with a loose spreader tip proved their undoing. They held on to finish second, close behind Dave Bush. Ted Ganley, with brother Jim and Scott Wescott, finished in the money (3rd) with one race a real "horizon job."

Buoyed by their near victories (or was it cockiness?) they decided to try for national recognition. To be completely diplomatic, we hereby report that Edson, Ganley, and their crews are the 29th and 30th best sailors in the country, as determined at the Junior North American's at Metedeconk Yacht Club. "All-world" will have to wait a year or so!

Rounding out the season, Jack Gregg was the hands-down winner of Murphy's Mug, and Sally Edson was declared the Junior B-fleet champion. The Taylor Cup and the Matlack Regatta Trophy were both won by Bill McShane.

It's always good to be able to end a story on an upbeat; this year's Buss Neff Cup was won by John Myers. In fact, he was so elated with winning that he sailed right in to the mooring, and forgot all about the second race of the day. On reconsideration, the ad hoc committee for deciding such things (AHC/DST) has awarded the 1978 Butt Trophy to John, who discovered a very effective way to avoid spoiling a perfect race record.

See you all when the ice melts!

Fleet 321 hosted the "Augusto Sassi Memorial Trophy" with 10 participants. Among the entries was *Knorke* from Germany crewed by the Lehmann family, good friends of the Lightning Class.

The winner was Tino Pernice of Fleet 449 in *Sindbad* which he borrowed from Nando De Amicis. Nandy with a new Allen boat was runner-up and Fabio Nicchiarelli of Fleet 453 was third.

Unfortunately there were no other official fleet activities.

This year proved to be a busy one for Fleet 325. Meetings for the North Americans began in February and the pace never seemed to slow down after that. If events seem a little jumbled in this article, blame it on my lack of total recall (and the fact that the fleet captain usually writes these articles and gives them to me to proofread and type).

Our spring series began in May with two races every Sunday. Dave Racine finished first in the series, followed by Fred Mertes in second. Somehow Fred managed to do this even though he spent several weekends traveling to various regattas in the District.

The Delaware Governor's Cup was held on June 24 and 25. Much to our disappointment, the Cup has once again left the state. Rob Held of Red Bank finished first, followed by Jon Schwartz, Bob Hutchinson, Steve Bachman, and Bill McShane. The middle-of-the-fleet trophy and last-place trophy (a tradition begun by Vicky Mertes who handpaints sailing scenes on driftwood), were won by Sandy Huntsman and Joe Friebele.

The Dixie Districts were also held in Rehoboth this year. This event was a practice run for the North Americans so far as registration, measurement, and race committee. The winds began to get a bit temperamental, tending to be light. We were all hoping that this was not an indication of things to come. Finishes for this regatta have managed to allude me—check the District report for details. I do know that we qualified ten boats for the North Americans.

Before we knew it, the North Americans were upon us. Much to our dismay, the wind continued to be unfavorable. Somewhere amidst all this activity, we managed to have a Summer Series which was won by Fred Mertes, followed by Bob Currie in second. The fleet finished up the season with the Fall Regatta the third weekend in September. Would you believe we almost had to cancel races on Saturday due to too much wind! Don Delorme finished in first, followed by Fred Mertes in second, and Frank Gallagher in third.

Have a good winter and hope to see you all in Rehoboth next year for the Governor's Cup and the Fall Regatta.

GRAND TRAVERSE YACHT CLUB (326)

11794	Blind Faith	Patrick Tobin
11855	Mayflower	Kenneth May
12189	Great Heeler	Bill Howard
12930	P.M.P.	Sandy Blumenfeld

A lot happened this summer. First of all, Don Mitchell started the season the same way he ended the last and learned the water in June is a whole lot colder than in early September! Bill Howard also found that out. Later on there were others, although the water had warmed, such as Dykstra, Horvath and Blumenfeld. Sandy even put the *Pig Meat Pie* on the rotisserie.

This year, our regatta drew a good number of boats. Efforts by Bill Howard, Craig Horvath, Ted Jones and their wives made the event a success. However, it was local favorite Sandy Blumenfeld who took the gold. He was followed closely by John Call second and Bob Schoonbeck and Pat Tobin who tied for third.

And you remember Pat who used to be known as "Tag Team Tobin." Not anymore. He's been making it hard on the fleet champion for the last two years, proving that he's to be respected more than feared. Those who kept ahead of the baying hounds this year were Don Mitchell (Champ.), Pat Tobin (2nd), Craig Horvath (3rd), Jim McGlothlin (4th) and Jeff Jones (5th). There are a lot of improved skippers in the fleet, so nothing can be taken for granted in the following years.

The legacy of '78 was initiated by Bill Kirschke (crew, vintner and chef extraordinaire). His sausage and suds after the races filled our tummies and warmed our hearts — at least until the next 10 minute gun. All in all, a good season.

Fleet 329 sailors Jim Crane and Don Delorme started the sailing year with Jim winning the Southern Circuit with, 20th in the Deep South (Savannah), 2nd at St. Petersburg (three-way tie with Tom Allen and Jim Dressel), and 5th at Miami. Don took a 4th at Savannah, 12th at St. Pete, and 7th at Miami for 8th overall.

Later in the year Don placed first in the North American President's Cup. Jim Crane placed 9th in the North American Championship and 3rd in the Skaneateles 40th Anniversary Regatta, in which 111 boats participated (largest of any Lightning Regatta). We will miss Jim next year as he is moving back to New England to North Sails in Connecticut.

Joe Friebele is Fleet Champion this year, displacing Bill Buckley. Our six Regattas were well attended, with 45 signing up for the Frigid Digit on October 21 and 22. For the Frigid Digit Fleet 329 was a good host, permitting our visitors to win most of the silver!!

Winners of this season's regattas were: "No Gas" (May 13-14), Joe Friebele; SSA Spring (June 3-4), Don Delorme; SSA Annual (July 22-23), Joe Friebele; Maryland Governor's Cup, (Sept. 2-3), Rob Pratt; SSA Fall (Sept. 30, Oct. 1), Joe Friebele; Frigid Digit (Oct. 21-22), Jay Lutz.

The Maryland Governor's Cup alternates with the Walter Collier Cup Regatta as our challenge regatta with Fleet 50. They took the cup away from us last year on the Potomac. This year the challenge was sailed on Chesapeake Bay, and Fleet 329 reclaimed the trophy.

We lost our 1978 Fleet Captain — Charlie White — to an assignment in Algeria for a year or two. Chris Kuhn, our Fleet Lieutenant, had an extended bout with hospitals; so Elaine Friebele, our treasurer, moved into the breach. She did an excellent job, and as a result was unanimously elected Fleet Captain for 1979. Elaine is Fleet 329's first captain from the fairer sex.

Offsetting the loss of Charlie White and the upcoming loss of Jim Crane, we have added Robert Astrove, Guy Moulton, Curt Matthews, and Steve Bachman. There are several other sailors who may join Fleet 329 shortly.

Bill Buckley, Don Delorme, and John Richardson contributed to the success of the North Americans at Rehoboth Beach by putting many long hours in doing those things necessary to bring off successfully a large and important regatta.

At the Annual Meeting of ILCA, Bill Buckley was elected Assistant Measurer and Vice-President, and Don Delorme was elected Secretary. In addition Don was made a Life Member of ILCA.

We learned about sailing last year with seminars and lectures by top competitive sailors. In March Bill Buckley organized a 2½ day USYRA advanced racing clinic which was given at SSA by former Lightning sailor Dave Perry. Twenty-five persons attended, including members of some of the other active classes at the Severn Sailing Association. In addition we had meetings at the homes of members with Greg Fisher and other top flight sailors lecturing informally on topics that will continue to improve our sailing abilities.

We view 1979 eagerly and welcome all to come join us in our Chesapeake Bay sailing in the Regattas listed in the adjacent ad. The increasing number of out-of-town participants says that we "must be doing something right".

"Ya'll come — in 1979".

SQUAM LAKE LIGHTNING FLEET (332)

New England District

Sailing on Squam Lake at Holderness,
New Hampshire

Fleet Captain John S. Russell, Jr.
Fleet Secretary Mrs. H. Terry Closson
Fleet Champion Allan Whatley
Runner-Up Robert Ayotte

Boat No.	Boat Name	Skipper
8241	Go-Mo-Shun	David Closson
10188	Huntress 2	Rev. Parkman D. Howe
10732	Tern II	John Bennett

10857	Mutiny	Robert Custance
12173	Omega	Allan Whatley, Jr.
12266	Wind Witch	L. B. Flint
12858	Robert Wherland
12859	John S. Russell, Jr.
13101	Super Shuttle	Robert Ayotte

The 1978 season of Fleet 332 was dominated by racing in strong and gusty winds with a propensity for rapid changes of direction. As all lake sailors know, this happens when a lake is surrounded by mountains, as is Squam. As a result four separate members of the Fleet had the pleasure of cleaning up their boats after unexpected capsize on the race course, others had broken hardware and rigging.

Allan Whatley and Bob Ayotte again dominated the Fleet followed closely by Parky Howe, with Allan winning both the Fleet Championship and the Clossen Cup. Bob Ayotte was runner-up, thereby reversing last year's finish. To do it, Allan had to win the last three races which he did handily. Parky Howe and Dave Closson were third and fourth.

The fleet missed the competition generally supplied by Bob Wherland, a many time Fleet Champion who we hope will be back racing with his usual competitive zeal next season. No new boats joined us and some members found that the problem of obtaining crews persists. We expect a good season next year.

GALWAY LAKE LIGHTNING FLEET (338)

11323	R. James Millard
11519	Dale H. Brown & Walter Nial
12115	James Dickson
12573	Kenneth E. Burhmaster

Dale Brown and Walt Nial succeeded in edging out Jim Dickson for the Lake Championship this year. It was a nip and tuck battle which wasn't decided until the last race in a season of fifteen outings.

There was also a hot contest for the "Vintage" trophy for the first place wooden boat. It was finally captured by Dick Millard's boat which was skippered by his son, Doug.

We had one sailor who acquired a newer boat last spring. Maurice Gardner succeeded in dunking his glass hull on the first day of racing. He was subsequently awarded the "Dunking Do-nut". Better luck next year, Maury!

The fleet hosted its second annual race week with five evening races. We had two guests from the Sacandaga fleet, the Ryans and the Klugs.

Those who sailed on Thursday evening when the lightning storm occurred, will never forget the experience. For the second year, our guest Rob Klug and his crew, showed us the way to the finish line.

Jim and Nell Millard have been making noises about moving South. (For a longer sailing season?) We hate to lose them, but wish them well.

For the second year in a row youth provided a real threat during the season and the results of the trophy presentations reflected this. The racing team of skipper Alan Graettinger, with crew Arnie Samuel and Joan Cuchna taking the season trophy. Second place went to skipper Doug Basler and crew Debbie Roth and George Graettinger. Pressing for the third spot was skipper Andy Loree and crew Jim Northrup and Cathy Beahm. The second and third place boats average ages were under 20 so youth is definitely on the move at the club. During late July and August wind and weather conditions on Pentwater Lake were ideal, with few days of calm or rain.

This year our biggest success was our own "crew pool" concept whereby six participating skippers were given crew randomly selected by a crew pool committee headed up by originator and chairman, Dick Scott. Those skippers that did not want to participate expectedly did better than those skippers that did participate. But, the Fleet as a whole was the real winner. First place winner of the crew pool trophies was Tony Smith who had recently bought a Lightning, second place went to Mike Roach, and third place went to Carol Scott. Altogether, around a dozen crew people participated in racing and race committee assignments.

Sputter Howard so completely dominated the Lightning Series at Lake Lanier that there were only three other skippers who managed a first place in any given race throughout the entire year. Second, third and fourth places were hotly contested, however, by the remaining 12 skippers who participated. Average attendance of seven boats was up this year when compared to the previous year as a direct result of the Crew Pool and the FIFP (First-In-First-Place) Award.

The Districts were held at LLSC and were sponsored by Fleet 348 which was celebrating its 10th anniversary, as well as LLSC's 20th anniversary and ILCA's 40th anniversary. What a time! There was good ole Southern style barbequed chicken and lots of beer. The 35 boat Regatta, won by Tom Waters, was greeted with handsome wall plaques made by Dick Scott.

The Atlanta Cup held on Oct. 7-8 was won by Will Sloger in boat 10807, which is quite an accomplishment considering the quality of the other 28 boats that participated. The festivities were not as grand as the Districts, because we were broke.

We have one new member this year, Dick Williams, who is really picking up quickly and will soon be a super sailor. There are a host of other skippers around the Atlanta area who are looking seriously at joining our fleet.

Want to make some money? Just write a book of sailing tips entitled "How To Beat Warren Schieser". After this past season the book will sell like hotcakes to Fleet 353 at almost any price. Warren made a clean sweep of the sailing season with a first place finish in each series — Spring, Summer and Fall!

Incidentally, you might find some buyers in Fleet 27 also, as Warren kept the Mayor's Trophy at Hoover by winning the annual Hoover/Leatherlips Regatta. Add to this a third place at the Atwood Harvest Moon Regatta, and you have some super season for Warren. We are all real happy for him — to a point!

That isn't the extent of the problems. Next we have to worry about how to beat Tom Varley, who is always at the top. This year was no exception with Tom racking up a 2nd place in the Spring Series, a 3rd in the Summer and a 3rd in the Fall. We were all very proud of Tom and crew at the Atwood Harvest Moon Regatta where they took first place honors.

It is still uphill for the rest of us though for right there with Tom is Jim Schwartz. Jim's a super sailor and a pretty competitive guy. For example, we were proud that Jim represented our Fleet at the 40th Anniversary Regatta at Skaneateles. Jim had problems almost immediately, a broken tiller. No spare. A lesser skipper would have folded, but not Jim. Seizing upon an opportunity Jim set a world record for talking another skipper (who had been holed in a collision) out of his tiller and soon was chasing the fleet in hot pursuit. No wonder he was also at the top this year with a 4th place in the Spring Series, 2nd in the Summer and 2nd in the Fall.

The rest of us? Well, we will wait for the book, and find solace in the graciousness of the winners and in the superb season we have had. Our social season was an unbeatable blend of fun events, good food and pleasant company. We started last year at about Christmas time, and had something going just about every month. Practically everyone hosted a get-together this year and we have many people to thank.

The racing was fun this year too, even for those of us who are perfecting the technique of sailing in dirty wind. Participation was very good, and we are looking forward to even more boats on the line next year. Yep, we have a lot of good memories to talk about as we socialize this winter, and we are already thinking of putting docks in and a new season of fun next year.

*Fleet 357 battling for a good start.*

Fleet 357 sailed very actively both on and off the Delaware with increasing numbers in 1978. R.D.C.C. was well represented at all major regatta's held in the Central Atlantic District.

Bucky Kloss and daughter Kris started their season off early this year by traveling to the Southern Circuit and the Long John Regatta. With this early practice, Bucky sailed his way into the silver at the Central Atlantic Districts which were held at Riverton N.J. He also represented Fleet 357 at Rehoboth for the North Americans.

Back at the Dragon, racing was very fierce with Dr. John Fenlin winning the Spring Series. The Summer Series went to the team of Gary and Gregg Funari as co-skippers and Joel Funari as crew. Gary, who will

be doing more skippering next year showed that even a good crew can fill in and win. The Fall Series was also won by *Stinger* with Gregg, Gary, and Joel Funari. After a late start out of the blocks, Gregg assisted by brothers Gary and Joel, cranked up *Stinger* and walked away with the Fleet Championship honors for the second year in a row. Bucky Kloss and daughters, Kris and Gretta, finished as runner-up.

Regattas were held on all major holidays. Fleet winners were: Memorial Day Regatta, Dr. John Fenlin; Independence Day, Gregg Funari; Labor Day, Franz Schnieder; Fall Lightning Regatta, Franz Schnieder.

With outside regattas plentiful, Gregg, with Gary and Joel as crew, sailed *Stinger* to several first place finishes. *Stinger* won the Penn Warner Spring Regatta, Burlington City Regatta, New Jersey Lightning Governor's Cup, and the Ocean City Regatta.

Gregg along with crews of Gary and Joel Funari, Irwin Block, Cathy Schnieder, and Dr. John Fenlin was the low point Lightning for the Delaware Valley Series held at Penn Warner, R.D.C.C., and Riverton Yacht Club, on three consecutive weekends, to win the Gamma Series for the second straight year, with Bucky Kloss finishing in second place.

Our most improved racing competitive award must go to Bill Bliss and crews, who all summer long has been working his way up through the fleet of 28 Lightnings until his *Blissful Folly* is in full view of the fleet during several races. Also a congratulations must go to Marty Feybusch who won the last Fleet Championship race to end the series.

A thank-you must go to all of those who made 1978 another fine year for Lightning sailors at the Red Dragon. See you in the Spring.

The Lake Murten sailing fleet had a successful season in 1978. Members of our fleet won important races like the Championship of the Lightning Fleet at Greifensee, the "Pfauencup" at Lake Murten, the Ladies-Regatta at Lake Murten, the Autumn Regatta at Fallanden and the Fondue-Regatta at Neuchatel. In addition, the crew of Hanspeter Schmid, Res Hofer and Beat Buchschacher won the annual championship. In spite of these successes, it is unfortunate that always the same boats participate at the races. In one particular race only 8 of the 21 registered Lightnings in our fleet participated, among those, as usual, were the boats of Schar, Wyler, Bernasconi and Schmid.

One small group of active sailors and another group of passive members is our peak performance. The majority of the fleet members are neglected due to the pressure of race winning.

For this season I am going to try to build up more enthusiasm and activity among the passive members next year. This is why social events such as a ski-weekend in the Bernese Oberland have been included in our program for 1979.

The 1978 sailing season has proven to be one of the most successful in recent years for Fleet 368. The addition of three boats this year brings our active roster to eleven Lightnings. This is the second consecutive year in which our fleet has grown and hopefully this trend will continue.

Our racing season begins early in May which enables the boats and crews to be ready for our Blossom Time Regatta later in the month. This preparation seems to have paid off as Kelowna's Rob Bazett and Jim MacDonnell captured the first and second places respectively. Unfortunately our bid for a clean sweep of the top three positions was foiled when our Fleet Champion, Neil MacGibbon, sprang a leak in his boat which forced him to miss the regatta.

Members of our fleet travelled to three out-of-town Regattas this year with Rob Bazett picking up the only trophies, a second place at Lake Chelan and a third place at Kitsilano.

This year our Fleet Champion was chosen by the outcome of a one day series of three races. Following the last race a pot luck dinner was held in conjunction with the prize presentations. The results showed that Neil MacGibbon won handily with his new boat while Jim MacDonnell had to fight to hold on to second place. Doug Gillett collected two trophies for his efforts; one for top rookie skipper and one for having the fastest wooden boat.

All in all 1978 proved to be a great season for Fleet 368 and with the recent acquisition of a dry land moorage facility 1979 should be even better.

Well we had another fantastic year of great sailing. This year we had a very close competitive fleet. We traveled to all the distant races to sail against ourselves as much as we did to sail against other Pacific Coast fleets. We had 11 series of races this summer with the Small Boat Racing Association; ranging from Tomalas Bay and San Francisco Bay to as far east as Lake Yosemite and Clear Lake. The overall winners of the total series were skipper Jack McCarthy and crew Linda McCarthy and Bruce Brown. Runners-up were skipper Mark Patty and crew Ann Patty and Stan Starkey. Third place was skipper Bob Smith with Trish Chambers.

We had a lot of excitement in Southern Californis this year at the Southern Circuit. Mark Patty who moved south from the San Francisco Fleet several years ago, moved back to the San Francisco fleet. This year when we went south Mark Patty was going to pick up his new Allen boat and try his luck with it. Well when he got it on the water after its christening one morning it was fast and fast all week. He sailed well and took the Southern Circuit. He also came within one point of winning the San Francisco SBRA sailing season.

We have some new devoted sailors this year, Dan and Vanette Milligan, who bought Mark Pattys' last boat. As Dan and Vanette were getting married, the fleet was towing their boat to the Pacific Coast Championships in Oregon. We picked them up at the Klamath Falls airport and they spent the beginning of their honeymoon racing in the Pacific Coast Championships and then they went camping with their boat.

We had a fast fleet this year and we are going to be even faster next year!

Douglas Lake Lightning Fleet 374 can be considered a resort fleet as all except one live over 300 miles away and one member 2,550 miles.

The sailing activity begins with the 4th of July races and ends with a special Labor Day series.

Fleet 374 involves families in its weekend races and, while cottages are considered for R & R (rest & relaxation), the competitive spirit of sailing Lightning Class sailboats brings the families out into the "fun" area.

Due to the competitive spirit, a beach party (attitude adjustment hour) after each race day boosts interest and slows the adrenaline so that husbands, and the wives who have crewed, are able to return to their cottages and enjoy a more relaxed and peaceful dinner hour.

The reports and results for the season were handled by Commodore Jack Young at the annual meeting on Osgoods beach after the Labor Day Series of racing.

Tom Orlow with 89.2 percent received the OOPY trophy for the seasons races with Howard Eddy a close second with 89.0 percent. Bud Osgood was low man, of those qualifying, which resulted in receiving the "get the lead out" trophy.

Rick Peters sailing 13123 with "Shrub" Peters and Dana Paton as crew took three outstanding firsts to win the Labor Day trophy with a 100 percent score. Maury Olsaver with sons Gary & Richey picked off second with 85.8 percent.

As there were no takers, Jack Young retained the "bottoms up" trophy.

Dave Peters was introduced as the 1979 International Lightning Class Association president. We were also proud that the Douglas Lake team again won the annual Lake Fenton trophy.

Elected officers for the 1979 season are Earl Peters, Fleet Captain, and Tom Orlow, Secretary.

Blending the adventure of racing with the pleasure and relaxation of sailing should offer continued enjoyment.

Fleet 401 had been totally inactive and it took a great deal of work to get everybody sailing again. Previously, the fleet headquarters had been at the Carioca Yacht Club, located at the far end of Guanabara Bay, in Rio. With the move to the Yacht Club Jardim Guanabara (between Galeao Airport and the new Niteroi bridge) the fleet was rejuvenated.

All local official races were attended and the first fleet championship, with 9 boats participating, could finally take place. In August, with strong winds and heavy seas, our championship was held. Boats turned over, lots of breakage, etc., caused many DNFs. At the last race there was a 3-way tie between Newton Passos, Gilaberte and Sansao. Newton broke his cross-piece, Sansao went swimming and Gilaberte won the Fleet Championship.

In the State Championships held in May, Gilaberte in *Xiriana* took a third followed in fourth by *Volare* with Newton Passos.

We are already preparing for the next Brazilian Championship, to be held in Brasilia in February 1979. The "Bacardi Cup" was competed for, for the purpose of further training for Brasilia. First was *Xiriana*, second *Volare*, third *Pois*, fourth *Pinduca* and fifth *Xixinha*.

The 1978 sailing season on the mighty upper Niagara River was one of increasing success, keen competition and a good rate of participation by the five active boats in the racing fleet. The addition of three new boats, whose skippers spent the year learning the "tricks of the trade" by serving as crew for the older sailors were contributing factors.

This was the year of the wood boat, with Ray Filsinger winning the Fleet Championship. Runner-up was Des Smith followed by Don Glenny, Dieter Weinmann, and Don Boon.

Alan Stouffer, Ira Schwartz, and Drew Mahoney did yeoman service as crew and students. Their participation as racing skippers next year will contribute greatly to the resurgence of the Lightning Fleet at Parkway Sailing Club.

"Count" Zettler Pacific Northwest Lightning Circuit Champion - 1978.

This year began with high hopes, descended to keep depression bordering on paranoia in mid-year and climbed to cautious optimism by seasons end.

Fleet members expected to launch their boats and occupy floats at the Lakeside Marina in April. However, a local group of environmentalists blocked the move. By mid-June our last avenue of appeal under the Washington State Shoreline Protection Act was closed and we had no site. In July discussions were opened with Corinthian Yacht Club of Seattle located at Shilshole Bay on Puget Sound. Since it appears it will be quite a few years before a suitable site will be available on Lake Washington for Lightnings (the old Sand Point Naval Air Station may be developed by the city as a public marina) the Fleet will relocate to Shilshole Bay in 1979 and affiliate with Corinthian Y.C.

The Fleet did attempt some local races on three successive weekends in May launching from the Stan Sayres pits (site of the hydroplane races in Seattle). But even the god of winds was against us. Of the eight attempted races only two were completed. Frank Wise, having trailered his new boat up from Portland only three days earlier, assembled and launched it and won the first race of the season.

Undaunted by local events, John Cournoyer, Bob Forgie, Rod Johnson, Kurt Seiffert, Frank Wise and Greg Zettler took to the road in search of district racing. Usually this group brings home a large share of the silver from these races. This year only Rod and Greg were able to perform anywhere near expectations.

Showing flashes of his old form Rod engaged in a pitched battle for top honors at the Memorial Day regatta in Eugene, Ore., with Phil Parshley, defending District Champion, and Greg Zettler. Rod came out on the shortend taking a third in the twenty-seven boat fleet.

The next district event in Portland, Oregon, found Rod taking a disastrous twentieth in the first race which saw twenty-eight boats on the start line. Most sailors would relax and enjoy the scenery, but not Rod. Battling back with a first and second Rod succeeded in climbing to fifth place by the end of the regatta. Hoping all disasters were behind him, including losing a halyard inside his mast at the Pacific Coast Championship, Rod set out for the District Championship regatta. But there was more to come. With two first places came a good chance of regaining the title he has held twice in the past. But a seventeenth place finish in a frustrating light air race resulted in a fourth overall. Rod returned to the fray one more time at the King Oalf regatta in Seattle. This time fate smiled and Rod had one more regatta win to add to his collection.

Greg Zettler fared somewhat better. After finished second at the Memorial Day regatta, Greg put it all together in Portland. In second place by three-quarters point and only one-quarter point ahead of the third place boat going into the last race, Greg pulled a horizon job out of his bag of tricks in twenty-five knots of wind.

The next test of sailing skill was in Klamath Falls, site of this years Pacific Coast Championship regatta. This one turned into a real donnybrook with Greg Zettler and Myron Lyon of San Diego separated by three-quarters point going into the fifth race. Ten miles later after seven legs of fantastic seamanship by both competitors, Greg nosed out Myron by one foot at the finish line.

Warming up for the Districts Greg took a substitute crew to Vancouver B.C. and won every race by a comfortable margin. But his second District Championship continued to elude him. At Eugene, Ore., site of this years District Championship, Greg, like so many others, was completely mystified by the light and fluky winds and finished fifth. However, the two firsts and a second in circuit regattas assured that Greg would repeat as Pacific Northwest Lightning Circuit Champion.

Frank Wise was the most traveled member of the gypsy band. He attended every district regatta save one and logged some 4800 miles. He also won his first circuit regatta, the Lake Chelan regatta at Chelan, Wash. Tell me Frank, do you think you know how to tell when your aground now?

With our move to Shilshole Bay in the early stages at this writing, the fleet looks forward with cautious optimism to once again enjoying the fantastic sailing available in Seattle and a successful local program.

Fleet 429 initiated the 1978 sailing season in the Southeast with a five race Ice Breaker regatta one week before the Southern Circuit. Participants were provided with a showering of confetti on the way to the starting line (or was that really snow?) and a fantastic chili supper after the first day's races. The series provided a good warm-up for those who went on to sail in the Deep South with the three top skippers in the Ice Breaker, John McIntosh, Lenny Krawcheck, and Tom Waters, all placing in the top six in Savannah.

Competition for the old standbys in the fleet, Russell and Hintz, stiffened with the addition of Lenny Krawcheck, George Scarborough, and John Gervais to the fleet. What happened to the good old days when it took several years for the new guys to learn how to get a Lightning really going? Oh well, at least there'll be some new nominees for Fleet Captain next year!

Our Invitational in July was a great success with the help of Charleston's famous sea breeze. Everyone enjoyed Charleston's famous seafood at the Sandbar on Saturday night, also. Most of all, however, our 1978 Invitational will be remembered for Charleston's famous sea tanker which was anchored right next to the starting line and leeward mark. Amazing what a wind shadow a tanker casts, isn't it?

See y'all at the 1979 Charleston Ice Breaker Regatta March 3-4.

For Fleet 430, sailing on Great Egg Harbor Bay, this summer was marked by small fleets and very close competition. Out of the six boats which sailed regularly this season, three had a shot at the Fleet Championship going into the last weekend of racing. James Kavle, with sons Ed and Jim, won the Championship, their first, finishing second in the Saturday Series and second in the Sunday Series.

Bud Hopkin, his son Chappy, and Sandra Emery placed second in the Fleet with third place Saturday honors and a first in the Sunday Series. John Parker, sailing with Emily Henderson and Allison Weir, finished third in the Fleet after winning the Saturday Series and racing strongly on Sundays.

Jim Accardi, Don Gartland, and Beth Hopkin finished third on

The Kavles lead the fleet to win the season championship.

Sunday, and would have made the race for the Fleet Championship, even closer but for a safety check they failed in the Saturday Series.

George Glenn, his wife Peaches, and son Gidge were adjusting to their new yellow Allen most of the summer. They were never out of competition in any race, and often led the fleet to the first mark. Gidge Glenn ended the season on a favorable note, finishing third in the Flag Officer's Regatta.

Bill Lindsay, his wife Denise, and Jim Glenn, sail the only wooden boat in our fleet. Bill's excellent sailing ability kept the beautiful, black hulled *Sandpiper* competitive every time he sailed this year.

Fleet 430 also held three regattas this year, the Flag Officer's the America's Cup and the Open. The visiting Funari brothers showed the fleet the way in the Open, winning with three firsts in the light and variable winds.

Outside the Club, Fleet 430 was represented at Rehoboth this summer by John Parker and Bill Clausen. This fall, during the Gamma Series, at Red Dragon, John Parker finished second, Bill Clausen was third, and Jim Accardi and Don Gartland finished fifth, a great showing for the Fleet. John, Jim and Don also traveled to Annapolis this fall. Many Fleet members also plan to travel to Red Bank this spring to participate in the Sunday racing series there.

Next season, Fleet 430 is looking forward to another very competitive season. Gordon Buzby will return to competition after taking this year off. Henry and Lizanne Backe, who have been fantastic crews over the past few seasons are planning to purchase a boat. Andy and Brian Hitchings, along with Jim Glenn and Tony Migliaccio, will hopefully continue to make Fleet 430 as strong as ever by filling in as crew again. All in all, we are hoping for another summer of expansion and great competition in 1979.

Last year's Fleet Champion, Tom Wilson (9402), slugs it out with former Fleet Captain, Wayne Catoe (12975), in another hotly contested Fleet Race.

Fleet 440 continues to be blessed with a wonderful sailing environment. 1978 provided us with moderate weather, fine breezes and excellent competition. Our season commenced with a seminar by Bill Shore in March and continued on through November, culminating with the designation of our Fleet Champion, Wilburn Brewer. A host of activities included 14 fleet races, an invitational regatta and a Lightning weekend. Using the techniques brought to our club this year by the USYRU training team, we conducted a Friday through Sunday training session which provided something for even our most experienced sailors. All agreed that this activity will become a permanent part of our annual schedule.

Southeastern District representation continued at a high level, with members attending every district regatta. We are pleased to congratulate Tom Waters, who sails with us out of the Columbia Sailing Club, for his fine effort in capturing the District Championship.

We continued our active emphasis of growth, resulting in the addition of Larry and Inez Gibbes to our fleet. We also have prospects for additional growth this winter and plan to concentrate on the acquisition of quality equipment for our prospective members.

Finally, we would like to sign off with an invitation to our Lightning Invitational in early May, 1979. Plan to shed the gray and cold of winter and join us next spring for a refreshing dose of Carolina wind and sunshine!

We sailed our fleet championship this year with 10 entries. Winner Dieter Dyck and runner-up Mauricio Martinez were followed by Jorge Matheus Jr. and Stefan Crespo. This series served to qualify for our traditional international around 24th of May. This time it was sponsored by Ecuatoriana de Aviacion and Direccion de Turismo. With the help of our sponsors, we were able to invite 3 crews from USA and one crew each from Colombia, Peru, Chile and Argentina. We proudly can say, that the event was a complete success. First and second place were taken by Jim Crane and Tom Allen, third by Mario Isola, fourth Paco Sola and by fifth Dieter Dyck from our fleet. This shows that knowledge of local conditions was not of much help and that the winds were stable.

November 1st - 5th five boats of our fleet participated at the Districts held in Salinas.

The Marsala Fleet racing on the Mediterranean.

This year, as in the past years, our fleet has been present in many important meetings which have taken place in Italy as well as in Europe. In fact, three of our boats sailed in the European Championship which took place in Greece. Moreover this year we have patronized the Italian Championship and the Campionato Siculo-Calabro. At the very end of this year we shall patronize the Coppa del President in which many European boats will participate. Next year at least two of our crews will take part in the World Championship in the U.S.A. On that occasion we shall have the opportunity to meet some of our old friends.

In the European Championship our crews were twelfth (Crucitti, Maggio and Pecorella) and eighteenth (Marino, Alois and Clemente). In the Italian Championship our young crew (Riti, Riti and Abate) was second followed by Pellegrino, Messina and Di Girolamo. Crucitti, Maggio and Pecorella were fifth. The Championship was won by De Amicis, Rizzieri and Pecorella.

ANDROSCOGGIN LIGHTNING FLEET (450) New England District

Sailing on Lake Androscoggin at Wayne, Maine

Fleet Captain Bob Foster
Fleet Secretary Clinton P. Carhart
Fleet Champion George Place
Runner-Up Bob & Lynn Foster

Boat No.	Boat Name	Skipper

12194	Phoebe	George Place

This year we had a most active sailing season with six boats participating most of the summer. However, we did have our problems with masts! On Saturday of last years Labor Day regatta, The Carhart boat, *Slain Lat*, was put out of action when the mast broke at the spreader while tipping it up to scrub the bottom. This July, thanks to a sailor from Keene N.H. a new mast was stepped and after a trial run *Slain Lat* was ready to go.

The following Sunday we had a severe thunderstorm with gusts up to 50 mph. When the rain cleared *Slain Lat* as well as Chuck Jackson's boat were capsized with broken masts. Chuck had just purchased his boat and within two weeks was back in the racing.

Thanks to Georges Peter of the Annisquam fleet Carhart got a second mast for the season, but by this time was so out of the running that 1978 was a total loss. Dr. Pete Leadley lost his mast on a windy day on a very tight tack making our toll three for the season out of 7 boats!

We had a total of 13 races, and after scratching the 2 worst, the results were as follows: 1st Place (13 Pts.); 2nd Foster (28 pts.); 3rd Leadley (29 pts.); 4th Hoddinott (39 pts.); 5th Jackson (44 pts.); 6th Pakulski (52 pts.).

Captain Bob Foster won the 3 day Labor Day regatta, with Leadley and Place dualing to a tie for second.

We look forward to a good season in '79 with all 7 boats sailing without mishaps.

Franco and Massimo De Regis at the Italian's

Fleet 453 had a good year in 1978. The fleet activity was up and Fleet Captain Rosi bought a new Salver boat.

Fabio Nicchiarelli with his sister Maria and Stefano Rossi took part in the European's in Greece and the Italian's in Marsala. They placed 22nd and 8th respectively, pretty good for so young a skipper!

Franco De Regis with his brother Massimo and Stefano Chiovelli placed 11th in the Italian's

Fabio and Franco were second in the regatta at Anzio.

Fabio, with his sister Maria, and Stefano Rustichelli won the very important De Marzi Trophy at Gravedona.

At Trasimeno Lake the fleet had three regattas. The April 23-24 regatta was won by Nando De Amicis of Fleet 249 with Franco De Regis of Fleet 453 second and Paolo Rosi third, also of Fleet 453. The April 24-25 regatta was won by Nando De Amicis and again second was taken by Franco De Regis. Third was taken by Massimo De Regis of Fleet 453.

The September 16-17 regatta was won by Attilio Cozzani of Fleet 321 with Fabio Nicchiarelli of Fleet 453 second and Franco De Regis third.

We invite all Italian sailors to the 30th Italian Championships on April 25-30, 1979.

Getting ready to go on Lake Tuusulanjarvi, Finland.

Fleet 456 made an early start for this season by celebrating "Little Christmas" in the beginning of last December. We spent a very pleasant time together competing in tying knots, looking at films, eating and drinking. Our active girls are worthy of very kind thanks for the service and arrangements. During the winter we had our monthly meetings, where we studied meteorology, tactics, sailing rules and trimming the boat. We had the first tune-up race on the 13th of May, just one week after the very day our sailing water had become free of ice-cover. One week later we hosted our biggest regatta "On the Rocks."

Hartti Nisonen and Antti Tapola were our representatives in the European Championships in Athens, Greece. Nisonen trailed his boat Asterix through Middle and Eastern Europe, about 5000 miles and came in 12th, the best Finn. Tapola chartered an uncompetitive boat.

In the Finnish Championships we had four teams. We had to make a 500 mile trip to Oulu situated only 100 miles south of the Polar-circle. Our best boat was *Amarillo* skippered by Pertti Pyy, finishing 12th.

In the Finnish District ranking Fleet 456 had eight boats in the top fifteen.

We have also gotten some new boats and sailors, so we await still more success in the future.

Now, in the autumn, we have had some very welcome physical training building a new cottage for our Yacht Club, with accomodations for meetings, training, entertainment, and of course for a Finnish Sauna.

Tuusula, the 16th October 1978.

12742	Gail Wind	William S. & Gail E. Marshall

Our 1978 racing season started at Savannah's famous deep South regatta. Skippers for our club were Sam Cheek, Bill Marshall, and Hal Storey. Crew duties were handled by Nancy Cheek, Dick Dommel, Gail Marshall, Alan Cribb, Sean Storey and Peter Dworjanyn. The WSC representatives, like the bulk of the Fleet, had problems with the road-race course, as well as the sea breezes and tidal currents.

The WSC Invitational was the first of nine to be held in the South Eastern Lightning District. Among the twenty-six skippers from the Carolinas and Georgia were WSC sailors Liz Canniff, Frank Oglesby, Sam Cheek, Bill Marshall, Hal Storey. Good Hosts all, we let our guests take all the silver home.

Last fall, the Wateree Sail Club sponsored a winter handicap series. Boat types ranged from Sunfish to a Helms 24. Liz Canniff, with her father Bill as crew, took top honors. Sam Cheek was a close second. During a mostly windless Summer Series, Hal Storey, with son Sean and Peter Dworjanyn assisting, just beat Bob Rowan for the first place trophy.

Lightning Fleet 459 is looking forward to hosting the South Eastern Lightning District Championships in June. We intend to qualify some of our boats for the 1979 North Americans.

Cruising down the river on a Sunday afternoon.

Fleet 461 has, in the past year gotten rather active. We formed up with Lightning sailors in Eustis, Florida and have expanded the fleet to cover northern Florida. Between Eustis and Jacksonville, we have been able to pick up some new Lightnings.

Our major highlight for the year was the Mug race sponsored by the Rudder Club. This particular race is fifty miles long and takes the better part of a day to complete. It is one of the few races in the world that encompasses sailing in the most trying of conditions varying from total calms to violent thunderstorms. This past year it was won by Mr. Tully Patrowitz, our fleet Captain, followed by Greg Wallace.

Our fleet Championship regatta was held in Eustis in heavy weather and Greg got even for his defeat in the Mug Race.

As the fleet grows and becomes more active, in 1979, we will invite the sailors of the Southeast District to come and join us for a day of racing that will not long be forgotten. We are the youngest fleet in the Southeast District and would wish to extend a cordial welcome to anyone who may buy a Lightning in northeast Florida or who may be transferred into this area.

Our '78 season began with the District Championship. Our fleet together with Fleet 147 sponsored it. I would like to thank all the folks who helped in organizing, the XXI Championship. It was as usual, a great happy meeting of the Brazilian Lightning family. We had a lot of fun and that was important. During the championship the new District Commodore was elected, and a member of our fleet was elected to office (Mr. Nelson Schmitt). We are all proud of this because we are the youngest Brazilian fleet.

After that, the XXIV South American Championship began, and the same organization was mentioned. Once more a happy meeting of the class.

Then we had our traditional races on the lake, we always race together with the members of Fleet 147. Again we had trouble with the level of the lake. But in spite of that all members made a great effort and raced all regattas we had during the year.

For next season, we'll have the district championship to be held on the lake Paranoa, in Brasilia, sponsored by Fleet 375. This promises to be a brilliant event.

Fleet 463's sailing season starts in April and continues until October, officially. However, our fleet hosts within the sailing club an informal race known as the "Haulout" or "Oyster Regatta" in November.

The highlight of the year is our District regatta. This year (our second) we had 19 Lightnings, which exceeded 16 of a year ago. John McIntosh, Sr., the superb sailor from Savannah, won the 3 race event.

Locally, Bob Ames again dominated the Lightning sailors and received the 1978 perpetual trophy. There is a rumor of another Lightning joining our fleet in the near future. We expect to be bigger and better next year, and expect to provide more competition for Southeastern District sailors at home and away from home.

Light air start at 464's Harvest Regatta - 13199, you're over!!

Speaking of 1979, we certainly want to accomplish plenty: One biggie is to get our fleet out on the race course in bigger numbers on Sundays - May through November. Another is to encourage some wealthy trophy-maker (Joe Mihelick) to make a traveling trophy or trophies for our local fleet program. More? Yes, add more Lightnings to the fleet! Assist Fleet 270 in hosting the Indiana Districts at Lake Monroe in June 1979. Also, we'll clean the red carpet for all you great Lightning sailors to come join us in September 1979 for our Harvest Regatta. We'll feed you, satisfy your thirst and let the wind blow.

What a great year! We met our primary goal - increasing our fleet size. Bill Muth showed up early in the year with his boat. Howard Lickerman visited with us at our February boat show and joined the fleet in September. And Bud Gardner who lives on the lake will become active next year.

Indeed a great year! This year's Harvest Regatta, our second since chartering in 1976, was held on September 16 and 17 and was a super success. Compared to an 8 boat regatta in 1977, we had 17 boats participating this year from Indiana (obviously), Michigan, Illinois and Ohio. Fleet 270's Bob Carter won the top honors with an impressive 3-1-1-3 series, while Fleet 154's Bruce Baiden and John Call took 2nd and 3rd, very respectively. Race Committee work was great - thanks Kurt and Cami Rodholm. Food arrangements by Diana Tayler, Julie Mihelick and Shirley Shea were tops. Trophies were again superbly done by Joe Mihelick. Triple A plus overnite accommodations were graciously provided our fleet by Bill and Lynn Wheeler. Thanks Cathy Carney for handling our registration so well.

Our fleet supported three other regattas in Indiana this year - the Indiana Open at Indy Sailing Club; the Hoosier at Wawasee; and the Districts at Wawasee. While supporting three other regattas, we

managed to race "a bit" here at Lake Monroe. Our racing program consists of sailing on a handicap basis in association with Thistles, Hobies, etc. In the association program, Tayler finished third with 121.65 points, while Shea finished fourth with 121.18 points (26 boats participated in the association program this year). Close - I guess! When sailing on a head-to-head basis Shea had 82½ points and Tayler had 74½ points; therefore, Shea won the Fleet Championship this year as declared by this writer. Guess who's going to write this article next year.

"Conero Mountain" at Numano and "Agata" with Roccheggiani, skipper and Bozzi and Fava crew.

In June of 1978 the fleet hosted the "Di Lorenzo Trophy" organized by the Club Nautico Senigallia. The final results were as follows: Claude Lambelet with Gilbert Despland and Annika Lambelet were first, Alberto Vivani with Guido Armeni and Alpino Moroni second; Luigi Merola with Mario and Franco Lo Sardo third; Nando De Amicis with Alberto and Lino Moroni fourth.

Julia III with Vivani, Armeni Moroni took part in more important regattas. Alberto Vivani finished 2nd to the "De Marzi Trophy" at Gravedona, 2nd in the Capo Boeo's Cup at Marsala, and 7th in the Italian Championship.

The fleet increased with a wonderful glass boat built by the Salver Inc. of Brindisi. The new owner is Francesco Poeti of Senigallia.

A good start at the De Marzi Trophy.

The De Marzi Trophy Regatta proved to be the highlight of our season just as we predicted it would be when it was originally mentioned in the *Flashes*. This was the only meeting officially between the Italian and Swiss Districts. (Naturally we raced against each other in the European Championship and at the Winter Championship sailed in Marsala.)

The De Marzi Trophy competition was also of particular interest to us this year because in 1938 while Sparkman and Stevens were designing the Lightning, here in Italy, Zanoletti and De Marzi founded the A.V.A.L., our host club. The double 40th anniversary really cheered the whole gang and added to the festivities. These started with the Rev. Lissandre "Vaporina" Bencina blessing the fleet, the small harbor, the people, the waves, the food and the drinks. Next, it was our turn in our boats where we ran every kind of risk, including a film production.

By the middle of August we had completed the 11 races of our summer series and informal events began. One of these was an impromptu Women's Fleet Championship. We have named this forever the Elena Grancini Cup in memory of the lady who first "dared" to sail with her husband on Gravedona Bay. Paola Mondelli, with crew Margherita Canepa and Flavia Del Pero, won this new Cup.

The summer started poorly but after the "Ides of August" it was dry and hot.

Our De Marzi Trophy competition attracted eight Italian, four Swiss and one German boat. The German boat was skippered by Herr Schraner, a jolly fellow. The rules of the Trophy call for two races with a third at the option of the committee with favorable weather. This year the race committee's instructions called for two races on Saturday and one on Sunday. But half the fleet failed to note this and came in after the first race on Saturday. By the time they learned of their error they were well settled in their rocking chairs and decided to stay. While these sailors were drinking and singing, on the course, the wind died. A few boats managed to finish, but most were still waiting at sunset and had to be towed in with their teeth chattering in the dark. An excellent dinner was enjoyed by all.

On Sunday the beautiful mountains and lake were enjoyed by a grateful fleet. The beauty of blue, green and silver perhaps diverted the attention of the Swiss team. Alberto Vivani and Fabio Nicchiarelli lead on Sunday and with their good finishes on Saturday, along with good finishes by Cozzani of the Italian Navy, allowed the Italian District victory overall. The results were: Nicchiarelli 1st; Vivani 2nd; Weilenmann 3rd; Cozzani 4th; Motti (our Fleet Champion) 5th. The wind blew a steady 18 on Sunday and Saturday (when it blew at all). Perfect courses were set by Luigi Guicciardi and Mr. Weilenmann gave us his heartiest thanks to our fleet and club. We invite all the Lightning skippers to join us next year!

The sailing season of the Valkeakoski Lightning Fleet is about to draw to its close. However, this summer was very rewarding and rich in activity, people in Valkeakoski have had a keen interest in sailing.

During the summer we had the Fleet Championship Race on the familiar lake Mallasvesi. The winner was Pertti Jalonen with Seahorse II, however, the District Championship was won by Aimo Jokiniemi, boat 12992.

In late summer we took part in a race in Tuusulanjarvi but came out with no medals. Nevertheless, the Lightning is an excellent racing boat. Due to its size and center board it is very practical in the lakes that surround the city of Valkeakoski. A good support for Valkeakoski Lightning Fleet is a local boat yard which is specialized in building Lightning sailing boats. Some of their boats have won European Championships.

Finally, we want to state that this Lightning Fleet is operational and is going to stay like that.

Fleet Captain, Jukka Lainkari, is off to a good start at the Districts.

JAMSA LIGHTNING FLEET (469)

The past sailing season was the second in history for Fleet 469 and therefore we may say our success in racing was surprisingly good. Four boats from our fleet participated in the Lake Pajanne race, which is 60 nautical miles in length. They placed: Harri Ritala (12257) 2nd, Jukka Lainkari (13096) 3rd, Martti Lahti (12908) 8th and Seppo Raiskila (10056) 10th. This year the race took place in record time, less than 15 hours. Jukka Lainkari participated also in the Finnish Championships and was placed 18th.

During the season we made improvements in the boats. Among other things by supplying new Finn made aluminum masts.

In the plans for the sailing season of year 1979 we have besides the Finnish Championships, the European Championships at Helsinki.

Unless I miss my guess this is the last report in the yearbook (we're the newest fleet). Many of them may be similar in nature, but this one is a bit different. It's about how we organized a new fleet.

We organized out of necessity. There were fleets on Cosco Bay, but no racing at the only club. In fact they have no real activity at all. We felt that we needed a formal organization not connected with a local club in order to get started. But, where would we sail?

That problem was solved via our schedule. Centerboards had a regatta scheduled, as did Portland and Harassaket. Those regattas plus an inter-club regatta became our racing schedule. Other activities were scheduled around those dates. With that problem solved we endeavored to increase our ranks.

We put articles in the newspaper, held a rules seminar, and showed class movies to whomever we could get. Results: a fleet of 12 boats the first year! Not all are racers, but all love the Lightning. We are planning a series of events such as a day sail with a picnic, fun races, and a "round the island" cruise for the non-racers next year. We admit a neglect of these people this year.

Jack Burwell is our fleet champion (by only six inches) over Dave White. This is Jack's last year in Lightnings because of a serious back problem, so it's fitting that he won. He came back (no pun intended) after a poor showing in the early regattas. Jack, we'll miss you!

Special mention should be made of Gregg Maxwell in the oldest boat in the fleet. Gregg, his brother, and his brother's girl friend sailed every race. While not doing too well in the standings in any one regatta they were third in our fleet for the year. Mind you his boat has no cleats, no wire halyards, etc. and it leaks (he says "two sail, one bail"). Gregg says maybe he'll get a new boat next year. We hope so!

We believe that while our start was slow, we have a good base. We lost two boats (Jack Burwell and Bill Liller) but hope to gain at least six by next season. Starting a fleet is tough, but rewarding when you consider all the new friends you make during the process.

"LIGHTNING" FILM

You can still schedule the half-hour color film "Lightning" by writing to I.L.C.A. headquarters.

This 16mm sound/color motion picture "Lightning" gives a brief glimpse of the heart of small boat one-design sailing — the people and their boat.

Filmed on the waters of Tampa Bay during the 1974 Mid-Winter Lightning Championship and at "Red Bank" on the Navesink River during the Monmouth Boat Club Regatta; and on land at the St. Petersburg Yacht Club, the movie combines racing shots with regatta activity shots.

"Lightning", of course, stars the Lightning, a 19' centerboard, three man boat, and features Lightning crews and families.

The rental of the film is \$25.00. For scheduling contact the International Lightning Class Association, 808 High Street, Worthington, Ohio 43085.

Registry Of Lightning Owners (Active & Life Members)

(Corrected to January 1, 1979)

Life members are indicated by the letter "L". Where a boat number is not shown it is understood that a boat is on order. Fleet affiliation is indicated by number in parenthesis following name. Where there is no Fleet Affiliation the name is followed by (U).

Registry of Lightning Boats

(Corrected to January 10, 1979)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner's address is unknown.

Where boat number is followed by an asterisk, it means that there is an approved measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.
