PRESIDENT'S MESSAGE

Thanks to the excellent work and efforts of Editor, Robert G. "Lal" Burrige, Assistant Editor, George Scarborough, Helen Limbaugh and her fine staff, we have another great yearbook which reviews in pictures and articles the 1981 sailing season from the Southern Circuit to the Fall Regattas. We are extremely proud of our yearbooks over the years and hope that you enjoy the 1981 yearbook as much as we do.

Thanks to so many people, the pictures and recall of the various regattas are extremely well done. But fortunately or unfortunately, however you wish to look at it, the thrill of sailing a pretty good weather leg, a flat out plane with a shoot, crossing the line in a place you and your crew are happy with, is very difficult to capture and put in a book no matter how well done. I guess "you have to be there."

But if this yearbook just tugs at some of your fond memories of the past, we're pleased.

Good luck this year in your sailing.

A handwritten signature in cursive script that reads "George V. Fisher". The signature is written in dark ink and is positioned above the printed name.

George V. Fisher, President
International Lightning Class Association

Officers of the International Lightning Class Association

PRESIDENT — George Fisher

George has been a member of the Class for thirty-four years. He crewed on a boat in the first Mid-Winter Lightning Championship in St. Petersburg in 1948. The whole Fisher family has been active in Lightnings. His two boys, Greg and Matt, have been racing Lightnings since about the time they could walk. George's greatest thrill in sailing was when his two boys were first and second in the North Americans in 1977, which were held at the Buffalo Canoe Club where George sailed his first Internationals in 1948 in Boat No. 721. His daughter, Gayle, has crewed for George over the years when he could pull her off her horse.

George has been President, Chief Measurer, Association's legal counsel, Ohio District Commodore, Fleet Captain and Commodore of the Buckeye Lake Yacht Club.

George would like to thank his wife, Marty, for her assistance and understanding in this activity. He also wishes to express his appreciation to his law partners, whom he visits periodically between regattas, for their understanding.

SECRETARY & TRUST FUNDS

DIRECTOR — Richard C. Guinan, Jr.

Richard has raced Lightnings since 1974. He has served as Fleet Captain of Fleet 435 at Rush Creek Yacht Club near Dallas, Texas, has served as Texas District Commodore and helped organize and run the 1979 Lightning Worlds at Rush Creek. Richard served as Chairman of the Board of Governors of Rush Creek Yacht Club in 1981.

The Guinan family is actively involved in sailing and Lightning racing. Son Rick is the current Junior Champion at Rush Creek Yacht Club and is Richard's most faithful crew. Daughter Laura and wife, Eileen, also crew on a regular basis.

Richard is a partner in the law firm of Denton & Genere in Dallas.

CHIEF MEASURER & VICE

PRESIDENT — Paul A. Huntsman, Jr.

Sandy has been racing Lightnings at the Monmouth Boat Club, Red Bank, New Jersey — Fleet 70 — since 1959. In 1982 he will be sailing his 11th Lightning.

During the years he has served as Fleet Captain, twice District Commodore of the Metropolitan District, and as a Class Vice President, he has served two years on the Junior Committee, two years as Assistant Measurer, and one year as Chief Measurer.

Throughout the years both his children, Karin and Jack and his wife Mary have been active sailors and enthusiasts.

Sandy is an English teacher.

TREASURER — Thomas R. Bierman

Tom has been a member of the Lightning Class for over thirty years. His Dad built their first boat in 1948 — #3796. Later they acquired 6915, 10266, 11622, 10480 and he currently sails 12912. Tom is a member of Fleet 25 of the Metropolitan District sailing on Lake Mohawk at Sparta, New Jersey and has sailed with his wife, Sharon, as crew for the last 10 years. He previously sailed in the Midwest District out of Sheboygan, Wisconsin.

Tom's work in the Class includes Fleet Captain, District Commodore of the Metropolitan District, and Class Vice-President. He helped put together Tuning Tactics Technique Sailing and served as Assistant Editor and Editor of the Year Book.

He is Eastern Sales Manager for a Midwest packaging machinery company.

INTERNATIONAL CHAMPION

THE CHAMPIONS

The first National Championships were held when the first boat was publicly less than eight months old. Nineteen boats participated, John Barnes won with three firsts.

In 1945, the Championship was renamed International; there being thirty some boats in "foreign" countries.

In 1961, the first Lightning World Championship was held and that year the Internationals were renamed once again, this time to the North American Championships.

MARY HUNTSMAN

Editor's note: I have been aware of Mary's contributions to the class over a number of years and when I had the opportunity to Edit and Dedicate this Year Book I was delighted to give Mary some much deserved recognition.

I asked Mary to tell me a little about herself and how she got started as a photographer and what was unique about sailing photography.

Here is her reply (slightly edited and with her, admittedly atrocious, spelling cleaned up).

Dear Lal,

Merry Christmas — or at least it isn't that far away. I have been trying to come up with an article but find it either too ridiculous, corny, or serious which I am not. I did send Helen at least 100 pictures last week which sapped me of all enthusiasm for re-entry into the darkroom. Would it be possible, if I chat along here, for you to piece some kind of shorty together that Helen can put into the scheme of things with all those things I sent and/or you give me a call and sort of interview?

I find that I do the photography for fun and opt to take a lot of pictures and get lucky some of the time. It isn't an ego trip and find that discussing it like this makes it seem that I'm bragging.

I started taking pictures as a child, as all the rest of my family tend to cut off heads and feet and they wanted to have a history of sorts. This meant, of course, that Dad pays, he bought me lots of equipment. I also had a course in High School in Illinois that was outstanding. Since then I have tried to keep my folks apprised of us, they live in Arizona, thru pictures.

When the sun and age started restricting my crewing I found myself keeping busy taking pictures of family and friends for presents etc. Since they are always sailing I just keep up flicking or clicking to hopefully get the ultimate picture. I have succeeded with Jack but somehow haven't caught Sandy in the act yet — I will, I assure you. I have enclosed a couple for you to see but return them.

As you know there are some restrictions on where I can get into position but hope some day to be in an "Avon" dinghy at the jibbing mark — no tape recorder! Will one day get the opportunity in our Long John Regatta, the river is

easier to get nice sailboat shots as the water is flat. Also, here I have Karin, or someone who sails, who gets in close with our power boat.

The major problems with sailing pictures are that there are so many elements to contend with — sun, rain, God, wind, too much distance and those dumb skippers who drag sheets in the water or wave at the photographer. The camera has a habit of showing every wrinkle in the sail and the picture look awful.

Capsizes are beautiful — at the moment the crew doesn't exactly smile but the fun later does cause lots of grins. You will find that racing sailors in a power boat watching other racing sailors sail (sons are in this group) are sadists, and just plain bad. But it's fun to listen to the cheers as boats flip, hit marks, etc. Landlubber types can't quite understand this attitude — but they watch football.

If you lived where we could sit down and put my scrambled head in order, I think this could be interesting but again I am a confusing enough broad — Sandy says so. I know it's true but I don't like to sit still, and end up doing too much. I hope that I will be able to keep up the fun and games sailing has brought me — one way or another Sailing can be lots of chuckles.

The room up over the garage looks like a storm hit it and I say I will clean it up THIS winter. If I do I may find other pictures which Helen WON'T put in the Year Book OR *Flashes*.

Since I have not ventured into this part of the reporting I find a lack — besides I can't spell and if this machine breaks you cannot read my writing. Let me hear from. Whichever. Best to all,

Mary

When Mary "retired" from racing she kept busy taking pictures of family and friends.

Mary's immediate family consists of husband "Sandy", daughter Karin and son Jack. All sail.

Family pictures are —
Sandy in "Sting".
Jack in the Lightning.

Mary's racing experience together with her talent (and that super equipment "Dad" paid for) results in many exciting action shots.

Evidence — this from the N.A.'s.

**Evidence — this four part sequence of Carson and Crew,
leading race in the Long John (Regatta, that is).**

How to get quality, durability and boat speed, all in the same Lightning ...buy a Carson!

The Carson Lightning is competitive when delivered, and will remain so indefinitely. It comes with a guarantee that it will not gain weight due to water absorption for at least ten years. In fact, we don't expect that it will ever gain weight.

How do we do it?

The boat is inherently fast, because we build the hull with the former Lippincott mold. This is essentially the same mold as the one that built the greatest of the Lippincott Lightnings during the early '70s. (Look around and you will see that most of these boats are still winning races.) The only real difference is in the interior. We have redesigned the seat tanks, the forward bulkhead, and eliminated the teak floor boards. Gone also is the lip around the edge of the cockpit that has tortured the back of so many hiking thighs. The cockpit is roomy, comfortable and efficient.

The boat will last because of our quality molding techniques.

- All glass is hand laid-up cloth and roving. No chopper gun is ever used.
- All foam is high strength, high density polyurethane (6 lbs/cu ft!). It is formed and cured in sheets before it is installed in the boat. No foam gun is ever used.
- The foam is evenly and surely bonded to the outer hull by vacuum bagging the entire mold as the bounding resin sets.

The result is the stiffest, hardest, most durable hull that can be built using fiberglass.

What more could you ask for in a boat? You could ask for good rigging.

The Carson Lightning comes with the best. It is rigged under the personal supervision of Jim Carson who **knows** that you do not want to rebuild the boat after the first heavy-air race. So the boat is put together to stay together.

In addition, all controls are led to the optimum location for convenience and efficiency while racing. It is a clean layout that benefits from more than 30 years experience in racing Lightnings.

The following items are **standard equipment**:

- 100% ball bearing blocks
- two Elvstrom bailers
- polished stainless steel centerboard
- fiberglass rudder
- extra strong tiller w/extension
- four padded hiking straps
- Harken mainsheet swivel with hexiratchet block
- jib downhaul and variluff control
- boom w/mainsheet internally rigged
- adjustable topping lift
- compass
- lifting bridle
- spinnaker gear, pockets and hexiratchet blocks
- Barber hauls — opposite deck controlled
- 8 to 1 deck controlled boom vang
- 3 to 1 adjustable main outhaul
- 4 to 1 Cunningham — deck controlled
- 12 to 1 adjustable backstay — deck controlled
- adjustable mainsheet bridle
- color-coded control lines and sheets
- Astro (hard rubber) mast blocks

For those interested in a long lasting Lightning for day sailing only, we also offer the same, quality hull with less elaborate rigging.

The Carson Lightning is already building a winning record.

Among the 1981 firsts were:

- California Circuit
- Dixie Districts
- Florida Districts
- Atlantic Coast Championship
- Pennsylvania Governors Cup

A word about delivery

If you are thinking of buying a boat, we need to know early. We build each boat to order, and will not compromise quality to make a sale. Boats built in haste come apart rapidly, and we will not allow this to happen. So, there are limits beyond which our schedule cannot be pushed. Help us to take the time necessary to build you a quality Lightning.

Write or call for brochure, prices and delivery information as soon as possible.

Romance

LA JOLLA

Mary does a great job with portraits.

As everyone who knows Mary knows, she has a lively sense of humor. Her identity for this shot of Bill Gordon, Secretary of the Metropolitan District is, "The Lightning Class needs you".

Of this - Crew to Skipper, "What did you have to do that for?"

Mary's captions might read — "Yeo Heave Ho!"

"If you think on it long enough Denis, you'll design a better way to haul 'em out.

"Good Boy, you haven't lost your mittens."

"This is no time to be practicing the two step."

Like Mary says, "Capsizes are beautiful — and so are the near misses."

Mary captures
the weariness/
intensity/
happiness/
and
"This is it!"

Like all photographers, Mary goofs off and takes random shots of — FEET/FISH/HATS/BARGES

But most of the time Mary takes super shots of the intense action on the race course and captures the spirit of our sport.

THE 1981 NORTH AMERICANS

by
David Curtis

My crew, Jud Smith and Cindy Douglass, and I arrived at Cedar Point Yacht Club only two hours before the first qualifier. We found my boat had been delivered, measured, and rigged by Hale Walcoff. We launched it and went out to race.

After two bullets the first day, we felt pretty good. Then there was a lot of joking about whether we would be the first qualifier and suffer the consequences. That was academic, since Jim Crane was first qualifier and we were second.

Going in to the first race, we thought our toughest competition would be Jim Crane and Mark Bryant, the defending champion. As the fleet arrived out on the Sound, the prospects of a good steady race, or even any race at all, were dim. There wasn't much wind, but there were plenty of holes and shifts. We thought the right would be the way to go, but we chickened out of hitting the right corner, a move which cost us the race. We took a more conservative route up the middle and had to work very hard to round the first mark third behind Bob Wardwell and Jim Crane. We passed Jimmy at the jibe mark and held on to finish second in a shortened race. Jay Lutz, Mark Bryant, and Matt Fisher all went left and couldn't recover on the short course.

The second race was held on the same day, only by now the wind was fairly steady in direction and between 8-14 knots. We didn't get a great start, but we were able to clear out on port quickly and we were in phase. We were soon leading, and with Jud calling the wind perfectly, we had a nice four length lead at the first mark. Mark Bryant broke clear of the pack behind us and became our only pursuer. We had a few anxious moments on the second beat when the wind picked up and caught us with a bridle while Mark was using a Crosby rig. He nearly caught us before we figured out how to get the boat going with a bridle in that air. With aggressive use of the backstay and cunningham, we managed to retain a comfortable lead. On the first reach we opened a little more distance, but on the second one, we nearly lost it. In our effort to keep the boat light, I had decided that we didn't need our all purpose jib or our dynac reacher. When the reach became tight, we ended up sailing low and dropped our chute early to reach up to the mark. As we did this, Mark passed us. But when he dropped his chute, we passed him and started up the last beat first. We were careful not to let Mark get away from us and held on to win the race with Jody Lutz getting the third.

About a third of the way up the first leg of the third race, we approached Mark who was on starboard tack. We tacked to leeward and he tacked away towards the right. At this point it looked like we were first and second. We hesitated a little too long in going back to the right and Don Brush, Mark, and Matt Fisher all picked us off. I did a lousy job steering on the reaches and we lost a few more boats as well as a lot of distance on the leaders. We picked up most of the boats and the distance on the second beat, only to do a mediocre job again on the reaches. Two thirds of the way up the last beat we were sixth, with a possible shot at fourth and fifth place, when we decided to gamble. We broke to the left and lost three more boats to finish ninth. Mark sailed a great

race to overtake Don Brush for the gun while Matt Fisher finished third.

Again, we had an afternoon race, and again we had a nip and tuck first leg with Mark. He rounded first with us only two boatlengths behind. Jay Lutz was just a short distance behind us. On the second beat we made a hundred yard clearing tack, but it proved costly, as it gave Jay the opportunity to get to our right. I guess we didn't learn our lesson well in the morning. We chased Jay around from there, but to no avail. Mark finished first, Jay second, and we were third.

Race five belonged to Mark, but not without having to work for it. We started near each other and seemed to pull away from the fleet. The only problem was that he was pulling away from us. At the first turn, Mark had 75 yards on us and we had 2-3 boatlengths on who else, but Jay. The wind lightened on the reaches. At the leeward mark, Bry-

Mark Bryant leading the Fleet.N.A.'s at C.P.Y.C.

ant's lead was only two boatlengths. It didn't stay that way for long, as Mark sailed into progressively stronger wind and his lead grew. We knew that if we beat Jay, then mathematically we were the only boat with a chance to beat Bryant for first overall. We were doing a good job opening up our lead on Jay. But, as we neared the weather mark, we relaxed our cover and let Jay stray off to the right all alone. His gain wiped out all our efforts for the leg and meant that we had to start all over again on the last beat. We got the job done and at the finish, it was Mark, ourselves, Jay, and Matt. We went ashore that night knowing that we could not finish worse than second. In order to win, we needed four boats between us and Mark, or for Mark to be worse than 12th. The prospects didn't seem too good for ourselves and four boats to beat Mark, so we had to rely on the second option.

The next morning, we got involved in a little prestart maneuvering with the end result being that we both started on port tack, with us to windward. Since we were at the unfavored end of the line, and headed in what we thought was the wrong direction, we were in good shape. The left side of the course paid off big, but every time Mark tried to sail starboard tack, we gave him a good dose of bad air. This forced him back to the right. We rounded the weather mark next to last with Mark behind us, and the fleet a good ways ahead. At this point, we let our guard down and Mark got by, but we didn't think he could claw his way back to twelfth. Mark gave it a good shot, but with the planing reaches taken away by the windshift on the first beat, there was little to work with. Even though we crossed the finish line 19th, we knew that we had won.,

It was quite a thrill for all of us. My crew, Jud and Cindy, did a tremendous job, especially when you realize that the three of us had never sailed together before.

The Cedar Point Race Committee and Yacht Club did a super job. Everything happened without a hitch. We are now looking forward to Buffalo.

What a busy intersection to have a Break Down!

WHAT WINS RACES?

Observations From the N.A.'s

by Matt Fisher

Ninety-seven boats traveled to Westport, Connecticut, this past August, expecting light shifty winds on Long Island Sound. Instead, the fleet was blessed with relatively steady and strong air throughout the week. The racing was expected to be interesting this year because it seems as though there has been quite a bit of confusion on how to tune the Lightning in the past year or two. I think everybody was waiting to see what kind of rig would be the fastest. I hope this article can give you an idea as to what the fast guys were doing to keep winning at the 1981 North Americans.

For the first time in several North Americans, there were no surprises in the qualifying series. It seemed as though all the "hot shots" qualified. As a matter of fact, 8 out of the top 10 qualifiers finished in the top 10 in the final North Americans Championships. This reflects on the consistency of the winds and the competitors throughout the week.

One side note that I noticed during this part of the week was the absence of Mark Bryant on the water during the qualifying. Usually, the defending champion develops a complex because he is the only boat **not** racing. The ex-champ always seems to be brushing with the fast boats between races and practicing crew work while the races are going on. I think Mark knew he was so fast (and he was) that he really didn't need to brush against anybody. Mark's lack of sailing didn't really help or hurt during the regatta, but I think it was obviously a quiet display of confidence. Jim Crane and Dave Curtis both sailed excellent qualifiers, scoring 1,1,1 and 1,1,2 respectively.

What seems to happen all too often at the North Americans is that the first race turns out to be a major turning point in the Regatta. Throughout the week, the Race Committee did an excellent job of running the series. But, when the first race was started in very light wind, I think several of us questioned the decision to start. We also questioned the shortening of the race to 4 legs. I'm a firm believer that if you have a crap shoot race, the Race Committee should let the contestants shoot it out for 7 legs. Whatever, Bob Wardwell sailed an excellent first weather leg and won the race by over 3 minutes with Dave Curtis and Jim Crane second and third. Lutz, Bryant, Darden and ourselves all sailed our throw out. More than anybody though, this race would come back to haunt Bryant in the end.

The second race started immediately following the first in the local thermal which built to a solid 18 knots by the second time around. The current was going out against us upwind and the wind was slowly clocking to the right. These two factors made it absolutely imperative to go to the right side of each weather leg as far as possible. Those who went left of center were not seen until the cocktail party. Dave Curtis sailed a very impressive upwind race to beat Mark Bryant. On two separate occasions, Dave passed Mark upwind.

The next three races were similar to the second race (12 to 18 knots) except that Mark Bryant won all three races by convincing margins. The races were basically boat speed

contests towards the right side of the course and it was becoming apparent that Mark definitely had a substantial boat speed advantage.

It still baffles me as to why Mark was so much faster in these conditions. There were several things we noted that may have contributed to the speed. First of all, Mark was getting excellent starts near the weather end of the starting line and tacking about 2 minutes after the start heading towards the right side of the course—rarely was he challenged. Also Mark had an *extremely* tight rig; his stays were tensioned tighter than I would dare set up on my boat. At the same time, he keeps the boat very flat in the choppy conditions. Sometimes some of us heel the boat too much upwind because it feels good. The only time this is actually fast is in light air. These were really the only things that I know Mark did differently than any boat on the course.

There were several things we learned on our boat during the series. First, often the wind would decrease in velocity during each of the various races. When the wind would get below 10, and we weren't overpowered, it was absolutely mandatory to have the boom centerlined. On three occasions, Greg climbed back on the deck to rig the bridle for the last weather leg—we never regretted having it rigged. Another adjustment we made during the regatta was to trim the back stay and the jib sheet much tighter than I had in recent years. With the sail trimmed very flat in the choppy water, I would steer the boat to drive through the waves instead of easing the sails to drive through the waves. This seemed to help our pointing tremendously.

As a series like this progresses, it becomes interesting to see who dips in the standings and who charges in the last part of the regatta. Two "chargers" in the last three races were Jay Lutz and George Fisher, my Dad. Jay accumulated 6 points in the last 3 races and moved from 9th in the standings to 2nd. This is 13 points fewer than the next boat, my Dad's, who moved from 15th to 9th. Some people go to the North Americans so "psyched" to win, that if something goes wrong in the first few races, their whole series falls apart. North Americans is a crazy series—you're never really out of it until the last race.

As it turns out, the series was won by Dave Curtis in the last race. Although we were tied with Jim Crane going into this race, to be quite honest, we were watching the battle between Curtis and Bryant before the start. To win the series Dave either had to put 4 boats inbetween he and Mark or push Mark back to 13th or lower. Dave's worse race was 9th, and Mark had a 23rd in the first race. Dave and his crew were so consistent in the first 5 races that all he had to do was to sail Mark off the course, assuring that they both had poor finishes—and that's exactly what he did. Dave tailed Mark just a little before the start and they both ended up on the second row on the starting line at the gun with Dave slightly ahead. Mark tacked to the right and Dave was very eager to push Mark to the right side. Fortunately, for Dave, for only the second time the whole week the left side was favored—by

20°. Hindsight is 20-20 but I think if I were Mark, I would have stayed more with the bulk of the fleet which for some reason went left. Even if Dave was on his wind, the upwind speed Mark had, would have assured him at least a 20th at the first weather mark and I think it would be fairly reasonable to say that Mark could have picked up 1 to 2 boats each leg to finish 12th. Dave and Mark rounded the first mark at least 500 yards behind the next to last place boat. I didn't get to see very much of the action the first weather leg, but obviously Dave did a very good job of pushing Mark to the wrong side of the course.

Jay Lutz put together an excellent series to win the last race and move into second ahead of Mark. Also, we were able to nip Crane at the finish line to finish fourth.

Dave Curtis and his crew, Jud Smith and Cynthia Douglas, put together an excellent series. They were consistently in the top 3 in nearly every race. I honestly feel that this is the most competitive North Americans Championship I have ever competed in. Other than Jim Dressel, all of the heavies who have done well in the North Americans in the last five or

eight years were at Westport. The racing was very tough. Not only was it a boat speed contest, as I mentioned before, but it was also a boat handling contest. It was a type of regatta where one small mistake and you could lose two to three boats at each mark. These crews did more than tug on lines. Listen to these credentials of the top five: First place Adams cup, Lightning World Champion and three time North Americans champion, the top Thistle sailor over the past three years, and a second place finish in the Snipe North Americans, and four-time Intercollegiate All-American and, also, the first place finishing skipper in the 505 North Americans. Do these sound like pretty impressive skipper credentials for the North Americans? These are just a few of the credentials of the *crews* in the top 5. One of Dave Curtis' toughest competitors in the E22 is Jud Smith—his crew. All these boats were obviously very well sailed and that is the main reason the North Americans this year was so competitive. But these crews did not tell the skipper where to go. They just put 2 or 3 heads together to make the boat be sailed as effectively as possible. You can prebend or move your leads all around or whatever you want to do, but the most important part of sailing is to have a good working relationship with your crew. In my opinion, that is what wins sail boat racing.

PRESIDENTS' CUP

by Ched Rogan, Champion

With Long Island Sound being at its finest, this years Presidents' Cup was nothing short of great racing topped only by the hospitality of Cedar Point Yacht Club. A big thanks to the Yacht Club and also to the various committees and people who made the week a sailing success.

Our final standing in the series is a complement to my crew of Riaz Latifullah and Todd Adelman. Riaz a good friend of mine from Kings Point, flew in from Houston to do a superb job calling the tactical part of the races throughout the week, enabling me to concentrate on simply steering the boat. Todd our middle man for the week took a lot of abuse and has really got to be congratulated for that. This was his first experience in flying a spinnaker and at the same time had never sailed in a mono-hulled boat before. He really did a fantastic job in adapting in such a short period of time. A special thanks goes to our shore crew, Ann Sargent who kept us supplied with refreshments during and after the races.

This years version of the Presidents' Cup is as follows:

First Race — Could probably be better told by a guy who drives a "woody" boat and it's past winner of the President's Cup, Dave Peterson. As we were looking through his bad air, he sailed an excellent race with unbelievable boat speed. We both started at the committee boat end of the line and sailed up the right side of the course playing the light puffy breeze rather than the wind shifts; Dave, however, was in 1st gear and we were in about 12th. Michael Hein was able to take second place with Robert Carter behind him under a shortened, light air race. Fortunately, this was the only light air race for the week, as we were able to use it for our throw-out race in the series.

Second Race — Was sailed on Wednesday afternoon under a 12-15 knot breeze. At the start, we felt the pin end of the line was favored, so we set ourselves up with a port tack approach tacking to leeward of the farthest boat down the line to gain the pin end position. As the time of the gun approached, Paul Gelenitis was able to work the boat to windward of us up on the line and in order for us to maintain clear air, we were indirectly brought up also. As the gun sounded, we were looking great, unfortunately though we were over the line. Being the leeward most boat we were quickly able to jibe around the pin to clear ourselves leaving to Paul Gelenitis an open door. In the end, we were able to scramble our way back to third place, finishing behind Paul Gelenitis and Ric Klug respectively.

Third Race — Was not a spectacular race as far as finishes go, but it was probably our hardest and best sailed race of the series. Once again we had a bad start, favoring the pin end in lieu of the committee boat and wound up playing the wrong side of the course on the first windward leg. Hoping to pick up some boats at the windward mark we came in on port tack to be closed out by a wall of starboard tackers and round in about 15th place. We held our own on the downwind legs and picked up only on those boats which ran into spinnaker problems. On the second windward leg we began our attack using the shifty breeze and what seemed to be excellent boat speed as our weapons. By the second wind-

ward mark rounding we had brought ourselves back to seventh place. Once again we held our own down wind and were only able to pick-up Fisk Hayden who sailed a fine series, on the last windward leg. At the finish it was Max Rosenberg followed by Paul Gelenitis and John Collins.

Fourth Race — A great race for Joe Friebele and Max Rosenberg who truly dominated the entire race, Max was able to finish with back to back bullets for the day and bring himself back into contention after an early DSQ in the series. Joe finished second after leading the fleet around the entire course only dropping Max on the last windward leg. David Fitch was able to capture third place with Robert Carter sailing a smart last leg to finish ahead of us.

Fifth Race — Couldn't ask for a better time to do it. We were second in the standings prior to this race, being 5 points out of first place and one point out of third. We cleared the starting line with good air and sailed our way to a comfortable lead at the windward mark. We extended this lead on the next 5 legs of the course and put a loose cover on the fleet for the last windward leg to finish with a bullet. John Collins finished second for the day followed by Joe Friebele and Fred Hamblet.

Sixth Race — With Paul Gelenitis two points behind us, we began the last race knowing we had to finish respectably within the fleet and be no more than one boat behind Paul. Paul came off the pin end of the starting line with a good start and worked his way out to a leading position on the left side of the course. We on the other hand, found a huge hole in the line and were able to start on port tack. As we worked up the middle of the course we looked no better than a second place rounding. Making one last tack for the mark we were able to get on the inside of a lift to round the weather mark first with Paul a few boat lengths behind us. Once again we were able to extend our lead on the legs that followed and finish with a respectable bullet. Paul camped out on Max Rosenburg on the last leg to finish second with Fisk Hayden once again finishing with fourth place.

My compliments once again to those people involved with this years North Americans and to Cedar Point Yacht Club. I'd also like to thank the green fleet for an exciting and challenging series. Hopefully we all learned enough to sail the blue fleet next year. Congratulations Dave Curtis.

GOVERNORS' CUP

by Dick & Kathy Thackberry

"We were busy and we were lousy. Then we got it altogether and we won."

When asked to write up the Governor's Cup, our crew Chuck summed up the week with the above paragraph. It pretty much tells our story.

For us, the 1981 NAs began last fall. Being a member of Cedar Point, we were busy all winter planning for this noteworthy event. In July we managed a third at a very close Districts and earned the right to sail in our very first North Americans.

After a few hectic pre North American days, the qualifying races were upon us. The winds were generally heavy and the seas bumpy. We were an eager crew but somehow major mistakes kept us in the back of the fleet. We celebrated Dick's 40th birthday by qualifying for the yellow fleet.

Race 1

Wednesday morning we were determined to get out here and do our best. We were met by S.W. winds 4-6 knots. Not our favorite breeze. We like a little more air. We went up the middle and found a "Long Island Sound hole." We sat and watched the fleet round the weather mark. On the final beat to the finish the wind shifted to the South, and we came in from left field to finish 11th. John Esser was first. Tom Ingram second. Jim McCoy was third.

Race 2

The wind was up to 16-18 knots for the second race of the day. We were not encouraged by our performance in Race One and were not ready for heavy air. Result — another 11th. We did not see the leaders much in this race. Michael Geraghty won, Tom Hopkins second, Thomas Allen was third.

Race 3

We gave ourselves another pep talk Wednesday night and were ready Thursday morning. The wind was just to our liking, S-West 12-16 knots with choppy seas. We tacked to the right immediately after the start and got into some nice clean air. We rounded the weather mark behind Thomas Allen. Mo Jones was close behind. We caught Allen on the 2nd reach, and started back to weather in the first place. Our trusty boat hung in there to win this race, and suddenly our fatigue was gone. Things were looking up. Mo Jones was second. (He was to become our chief rival and good friend before the series was over.). Thomas Allen was third.

Race 4

After a lunch break, we sailed Race four. The wind was still from the S.W. but getting steadily lighter. We were buried at the start and finally managed to get to the weather mark fifth behind Mo Jones, Tom Ingram, Dick Hole and

Bob Graham. We picked up Graham on the 2nd beat, only to loose him on the reach. The final beat was light and getting worse. We hoped we could get to the finish before the wind died. It was a long, slow leg, but we crossed the finish in fourth place. Ahead were Tom Ingram, Mo Jones, and Dick Hale.

Race 5

Friday morning saw a lovely Long Island Sound Easterly — 10-14 knots, a favorite thack breeze. We got a good start near the Committee Boat and went left. **Note:** We should have gone right. Hopkins was first at the weather mark, followed by Gordon Kelly, Lance Drewes, Geoffrey Skinner and George Sereno. We were sixth. Mo and Tom Ingram were, for the moment at least, back in the pack.

Some fast crew work at the jibe and we were ahead of G. Skinner. Upwind, we picked up Lance Drewes, and we were now 4th. On the last beat, young Geoffrey Skinner gave us a fast and furious tacking duel. Only the appearance of Tom Ingram enabled us to get away. Tom and Geoffrey worried each other and we got off to the left. When we met at the finish line, we had them by a nose. A great race. Final results: Hopkins, Kellog, Thackaberry, Skinner and Ingram. Mo Jones had come from nowhere to finish 8th.

The wind was dying, and with great foresight, our excellent race committee chairman, Ted Fontileau sent us home. One race to go.

Our superb house guests "Fast" Fred and Sophie Hamblet took us out for a nice relaxing dinner. We were ready for the final race.

Race 6

We were in fourth place with 19 points. Mo Jones had 16 points with no really bad race to throw out. Tom Ingram had 40 points, but only 14 with his throw out. Tom Hopkins had 30 points but could throw out a 15. The numbers were

took hard to figure. We planned to go out and give it all we had and hope for the best.

Again the breeze was kind to us. It was an easterly 12-16 knots. We got a clean start and went left. Most of the fleet went right including Tom Ingram, but our pal Mo Jones stuck with us. The wind shifted 20° left, we tacked, and there was the mark — right on. We rounded 1st followed by Jim McCoy and John Esser. Mo Jones had overstood a good deal and was back in the pack. Tom Ingram, caught on the wrong side of the shift was also back.

We had a good lead by the time we got to the weather mark on the 2nd leg. But behind us Mo Jones, with the stalwart singing White brothers as crew, was moving up fast. They had sailed into third place and were looking strong. As we watched Mo round the bottom mark, a strange thing happened. He seemed to be caught in a whirlpool as he rounded and rerounded the mark. What was going on?

We sailed on the finish and were given the gun amidst great cheering from our Cedar Point friends.

Mo had lost 5 or 6 boats while rerounding the mark, but we knew he was fast upwind, and we hung around to see how he would finish. He went to the left. No one covered him, to our great chagrin, and he finished fourth.

Not being up on the point spread, we thought he had us by one point and congratulated him on winning the series. On the way in, Lance Drewes of Texas (who had the scores on his boat) congratulated us, and we began to recount. It seemed that Mo was tied with us and in that case we would win on a tie breaker. That was how it turned out, and we were happy to bring home some hardware for all the folks at Cedar Point who worked so hard to make this regatta a great one.

To our competitors in the yellow fleet — we enjoyed sailing with you and hope to see you all again soon.

THOUGHTS ON RUNNING THE N.A.'S

by Ted Fontelieu

I had the privilege of serving as the Race Committee Chairman for the 1981 Lightning North American Championship Regatta. Fortunately, the assignment was made a year in advance and we had lots of time to line up notch **sailors** to help. Cedar Point had a lot of meat on their racing table in '81 (N.A.'s Atlantic Nationals, POW North America finals, Thistle Districts, invitationals for Thistles, Fireballs, two for Lightnings, in addition to our scheduled 33 One Design day races and 18 Cruising Class day races) thus there was lots of time pressure on the really talented help.

I knew in advance that I would not be able to run the Women's and Junior events preceeding the N.A.'s (conflict with the Thistle Nationals) so my team got our necessary practice by running the Lightning Early Bird in May on the same basis as the N.A.'s. Unfortunately, this didn't give us insight into the complications of three flights on one course.

The bottom line on the regatta certainly must be that it

came off well. We had unusually good winds in the 8-20 range that generally stayed in place. We never came off the water behind schedule and the postponements we did have were morning waits for wind; these were done ashore — we never towed out or in — no fried brains!

Let me discuss the complications mentioned above. They were all in the Qualifying series and simply put, were overlapped fleets, and the delaying of yellow fleet starts for blue and/or green to sail through. To understand this you have to look at a few facts:

1) After the cut to N.A., Presidents, and Governors groups — we found the lead boat of the N.A.'s sailed the course an average 3 minutes faster than the Presidents and 7 minutes faster than the Governors.

2) We were directed by the ILCA to revert to the normal starting sequence without benefit of the "One Minute Rule" on the first start.

Race Committee Chairman Ted Fontelieu, inset and under the signal flags.

Photo Credits — Mary Huntsman and Mitch Carucci

Fact #1 tells us that there is a fairly wide spread in speed over the course and it also tells us that the ILCA qualifying procedure is fair and equitable. The outcome of Fact #2 was 50% General Recalls in the Qualifying series (6 of 12). The overall effect of the two was overlapped and out of order fleets in the Qualifiers, which was a scorers nightmare (try finding the color flag on a port tack finishers when it's attached to the backstay having slid down to the deck). The scoring issue is minor, the delays that come from a fleet or fleets "playing through" is moderate, the inability to change course with intermingled fleets is a major problem.

After the Qualifiers, the very cooperative ILCA executive committee agreed to sailing the rest of the regatta under the "One Minute Rule" for all races. This reduced the General Recalls to 16% (3 of 18) with two of the three due to too short a line. After those two races we stretched the line out from 18 to 25 feet per boat and all problems dissolved (we were hailing yachts over with a very powerful — 40 watt —

permanent hailer at minus 59 seconds and thereafter).

I can't come off a happy chore like this without making a few recommendations for the conduct of the N.A.'s consider:

- 1) Sailing **all** races under the "One Minute Rule".
- 2) Directing the R.C. to hail boats immediately after the horn to push the bulge back.
- 3) Sticking to a "five minute roll" after a recall with the clear understanding with R.C. that the start will be postponed if the competitors will have trouble getting back **or** if the recall resulted from a bad line.
- 4) Increase the line length to 25/30 feet per boat.
- 5) Put the color flag on the starboard lower shroud with a clip that holds it above deck.

We enjoyed the week immensely — your skippers and crews are a great bunch. They are good sailors, aggressive starters, and the few bitches we got were well intentioned and often well taken. Invite me back!

WELCOMING THE NEW SAILOR TO THE CLUB

by Joe Mark (Fleet 16 - Paupack, Pa.)

Every season some new sailor shows up at the club eager to get into Lightning racing. He is usually a complete novice when it comes to racing. Let's call him Fenimore Cooper. He appears after some preliminaries with his new (or used) Lightning along with his wife Edna and his daughter, Merry.

He receives an enthusiastic reception from the fleet members. Heinz offers them some of his liverwurst sandwiches. Harry, our physician, gives them a free box of band-aids; Alfred our dentist, not to be outdone by Harry, pulls out three free toothbrushes; our fleet champion, Franz, gives them technical advice as he peers into the newcomer's boat; Hank, our bully, gives them as friendly a smirk as he can manage. In other words, the gang goes all out in every way possible to make the newcomers feel at home. Fenimore is delighted and tells his wife so.

Pretty soon it's time to get out on the race course. And the fellows continue their amiable ways by helping Fenimore get his boat into the water, explaining the course to him, and so on.

Now we're on the starting line. The ten minute gun goes off. Friendly waves at Fenimore and his crew, wishes of good luck, and such. Five minute gun. No more greetings. The flag is down. One minute to go. Smiles are gone, and faces look grim. Suddenly all Hell breaks loose for poor Fenimore. He hears various unkind epithets hurled at him: "Get up you turkey," "Blast it, you're barging," "That's a clear foul, you idiot." Fenimore is bewildered by the sudden hostility he meets from this nice bunch of guys, but managers to start — last.

But good fortune smiles at Fenimore, and due to a 90° wind shift he arrives third at the windward mark. Again he is greeted by angry shots of "No room," "You're on port tack you jerk," "Get out of the way," etc. Fenimore is surprised and dismayed. Why does he rate such shabby treatment?

Well, Fenimore finishes the race, a very lonely last. He arrives at the dock thoroughly chastised, head down, as disconsolate a sailor as you'll ever see. He finally picks his head up as he, surprisingly, hears friendly greetings: "Nice going, Fenimore"; "That was real good for the first time out"; "Keep trying, and you'll get the hang of it." They help him tie up his boat. Heinz offers him liverwurst sandwiches, the doctor says he looks healthy and so on. — All very nice again.

Now Fenimore is completely bewildered. Those sweet fellows before the race who turned into an angry mob out on the water are now a gentlemanly lot again. As he is driving home with his wife and daughter he turns to his wife and with a quizzical expression asks, "What do you make of it all?" She throws up her hands and exclaims, "There are a real nice bunch of crazy sailors!"

That's it. Edna figured it out right away, and it's taken me years. And if Fenimore hangs on through his initiation, he'll be greeting the next new sailor in the same way in a couple of years, because you'll never meet a nicer bunch of crazy guys than Lightning sailors.

I.L.C.A. JUNIOR CHAMPIONSHIP

by Kevin Corr

The Cedar Point Yacht Club was host this year to the eighth I.L.C.A. Junior North American Championship Regatta, held August 18-21, 1981. The regatta was organized by Chairman John Cuccio and the Race Committee headed by Wally Lineburgh. All of Fleet 126 is to be commended for the fine job they performed during the entire week of measuring and racing.

Electra Thomas and I arrived at Westport, after a short delay at the airport, on Friday the 14th to sail with John Schneider in the weekend club races. Our third crew for the Juniors, Michael Mergenthaler, arrived in Westport on Monday the 17th, so we had three days to practice and get the boat one hundred per cent ready before racing started. Most of the boats for the Juniors and Women's Championships had arrived by Tuesday night, and the competition seemed as tough as ever. Jody Lutz was back to try for two in a row, along with several other familiar faces who we knew would be hard to beat.

The practice race was held Wednesday afternoon, in a light to moderate southeasterly breeze and, was won by Lutz, with Peter Hallagan and Michael Hein second and third.

The first race was started Thursday morning in a 15-20 MPH easterly wind which was accompanied by a 3-6 foot sea. We had overestimated the wind strength and started near the pin and with the board raised a few inches, which wasn't necessary at all and we lost 50 yards on the boats below us in the first 10 minutes of the race. After getting reset, we sailed to the left-hand side behind Lutz and Bill Fastiggi, and ended up at the first mark in the same order. Jody used some great chute work to open up an unbeatable lead, and won the race going away, with Bill finishing second. We crossed third followed by Tim Robinson in fourth and Kevin Robinson in fifth.

Unfortunately, the people on the Race Committee had forgotten what it is like to sail back and forth in those conditions waiting for the next race to start and delayed for an hour and a half before deciding to cancel the rest of the races for that day.

After several postponements waiting for the wind to settle in, the second race was started Friday morning in a light southerly wind. We fouled a boat just after the start and had to do a 720°. We then started off on starboard track toward what looked like a stronger breeze on the left-hand side of the course. Unfortunately, the wind veered and we were lucky to be ninth at the weather mark, with Halligan leading. We managed to work up to fourth at the last crop mark, with Peter Hallagan, Jody and Sue MacDonald ahead of us. We caught Sue on the last tack to the finish and collected our second third.

So after the first two races, Lutz was leading with 3 points, we were second with 6, and Tim Robinson was next with 13.

The third race began in the same southerly wind, which had now built to 8-12 MPH. We started near the boat and tacked over to port and the right side of the course. Most of the fleet went a little further before tacking and we soon found ourselves at the wrong end of a 15° backing shift. Halligan rounded first followed by Keith Taboada, Tim Robinson and Dave Brown. We hung on and got to the weather mark in fifth with Lutz, who had also been on the right-hand side four behind us. We caught Brown on the first reach to move up to fourth and went around the drop mark in that position, while Lutz had passed several boats to move into fifth. We each caught Robinson on the next boat and finished third and fourth. Peter Hallagan, after convincing both his crew and staying inside the boat was easier and faster than swimming after it, won his second race, with

Keith Taboada, who was warming up for the Sears finals, finishing second.

After three races Lutz was still leading with 7 points, we had 9 and Hallagan, who had trouble in the windy first race, was third with 15.

The final race began in a lighter breeze than the previous race, but still from the South. We started halfway down the line, right below Jody, who we were able to work out on, and when he tacked, we went with him. The boats to the left seemed to gain about halfway up the leg, and we managed to work that way while keeping Lutz to our right. We got to the weather mark fourth, behind Peter Hallagan, Bill Fastiggi and Meredith (Moe) Jones. Jody was tenth or eleventh. We remained in the same position up to the crop mark, however right before the end of the second reach the wind began to die and by the mark had dropped off to 0-1 in the stronger gusts. To be certain of staying up-tide from the finish line, we kept going on port tack, while Hallagan and most of the boats behind us took a short tack toward the left side and then came back to port in a small breeze. We decided to stay on port and play the current and finally crossed the line to win the races never having gone over to starboard and only 20 minutes ahead of the time limit. The next boat to finish was Moe Jones, who had sailed a terrific race using a golf cart technique to keep the boat moving in the really light going. Keith Taboada crossed third and Hallagan was fourth.

The final standings were: Corr, 10 points; Hallagan, 19 points; Taboada, 19 points; Lutz, 25 points and T. Robinson 33 points.

There are a few people who deserve a very special "Thank You." First, my super crew, Electra Thomas of Dallas, Texas and Mike Mergenthaler of Middletown, New Jersey, who both did a great job in the boat, and were also terrific people to be with at a regatta. I would also like to thank John Schneider, who through his support and use of his boat made winning the Juniors possible.

I.L.C.A. WOMEN'S CHAMPIONSHIP

by Mary Bailey

Nine Lightnings and 27 women competed in the 1981 Women's North Americans held at Cedar Point Yacht Club in Westport, Connecticut. The regatta began Thursday morning Aug. 13 with 25 knot winds and ended late Friday afternoon when all nine boats were becalmed on the Long Island Sound.

On Thursday morning Cheryl Osgood (13552) and her crew Carol Bachman and Claire Osgood sailed consistently in the heavy breeze to take first place. Eileen Ewing (10378) took second place and Nancy Young (11113) finished third. Due to excessive winds, only one race out of the scheduled three was sailed on Thursday.

On Friday morning the boats ventured out into a gentler breeze. Cherie Neville, with crew Barb Turney and Mary Bailey, took the lead early in the first race of the day. She crossed the finish line first after establishing a commanding lead in the seven-leg race. Eileen Ewing finished second and Jil Swanson (6345) was third.

As the day progressed the wind shifted ambiguously but remained throughout the second race. Once again Neville pushed ahead at the beginning of the race with a good start at the port end of the line. The beat became a parade as the wind shifted to port. Neville held onto her lead finishing first with Cheryl Osgood taking second, and E. Locke-Sorenson finishing third.

The final race of the day was cancelled when the ebbing current became more forceful than the dying wind. Cherie Neville clinched the title of champion in the Lightning Women's North Americans. In 1979, Neville also won the Women's N.A.'s held in Cleveland, Ohio which is close to Chautauqua, New York, Cherie's home port. Cheryl Osgood finished a close second with Eileen Ewing and her crew, Joan Ellis and Vicky Lindville taking third.

Following her super performance in the Women's Cherie went on to crew with her sister Candy for brother Jim in the N.A.'s.

TIME-ENOUGH ALWAYS PROVES LITTLE ENOUGH

by Barbara Baxter

In June of 1980, when Bill's term of office as Commodore began, we were unable to attend the District Regatta. However, a kind friend brought us three gray, steel file boxes and a verbal message from Mitch Bohnenkamp, the previous Commodore, that "these boxes house all the available resources for a successful term." As they rested stark and diminutive in the center of our den carpet, I think we must have felt a wave of trepidation; but the first box we opened disclosed a District scrapbook dating from the early 1960's. As we turned the pages, glossy photos of former Commodores in white slacks and blue blazers, accompanied by elegantly dressed ladies sipping cocktails, alternated with candid shots of crew-cut sailors and pedal-pusher wives eagerly rigging for the races. Commodoring began to look like a lot of fun! We hoped it would be, for by some trick of fate, Bill was simultaneously the Commodore of our Memphis sailing club.

Bill's first official move was to publish a newsletter reporting on the District Regatta, our entrants' successes in the North American's, and on the new skippers who had recently joined the various fleets. Boat numbers, throw-outs, averages and places never seemed to stay in their proper columns — the Tab Stop on our typewriter is diabolical; but at last, all were typed properly, a mailing list compiled, and a hundred-plus envelopes and stamps licked and sealed. The Baxter children were coerced into this with a little help from the dog, who sleeps with her mouth open. In September, still high on our vision from the album, we and the Sharpe family made our reservations for the 1981 District Regatta at the Ken Lake State Park for the following June. We decided to go up the Monday before the races on Saturday and Sunday, so we could have a few days of family vacation plus plenty of time to organize the events of the weekend with the Sharpes' kind offers of help.

Our local sailing season is over the first of November, so the first winter months were relatively quiet. Nancy Breazeale introduced us to an artisan from one of the local craft fairs whose work in brass she had admired. He agreed to make the trophies for the Districts and promised to send us a prototype in four or five weeks. One November day, Bill rushed home at noon to tell me that we had to write a District report for the Yearbook. I said, "Fine, when is it due?" "Last week," he sheepishly replied. "Damn." Despite frantic typing, we were too late; but, bless his heart for guessing our predicament, Lal Burrige had submitted one under the wire.

February was devoted to local club affairs. Arkabutla Lake is part of the flood control system for the Mississippi River; and, because of the drought, the water was falling so low that the docks had to be moved out every week. Also, the toilets in the bathrooms had to be drained as a prevention against freezing; the benches on the deck needed repairing; the ceiling beams in the pavilion were delaminating; and everything needed repainting. Bill assured me that each of these things was the personal responsibility of the Commo-

dore. But I know too well that his sense of duty was outweighed only by his landlocked, winter libido screaming for weekend release.

We had no sailing during March and April, a nadir in the history of Delta Sailing Club, because the water was still so low. For a couple used to the diversion of sailing both Saturday and Sunday, nine months out of the year, our marriage was on tenterhooks. My list of home repairs was getting quite lengthy, because I had so much time to notice the things I generally ignore; and Bill's excuses for avoiding them were running out—all the club repairs had long since been completed. Bill was also edgy because we had yet to receive a sample trophy, promised no later than January. The phone rang continually on Saturday mornings, as frustrated club members half-heartedly asked if any races were scheduled. As tensions built, calls ranged from belligerent demands to pathetic pleas. Fortunately for Bill and a number of the other sailors, our local Hernando-Desota Regatta was slated for the first weekend in May. They were able to expend a great deal of pent-up energy making plans for that event. Most of their decisions were in limbo because of the water level; and eventually the races had to be cancelled—the first time in my memory other than the year Martin Luther King was killed. But, nevertheless, the speculations and final verdict required many phone calls and weekend conferences held on the hill overlooking the receding waters of Arkabutla—with the comforting companionship of Coors.

Meanwhile, the telephone lines were also humming around the Mississippi Valley, as Bill made plans for the Districts in June. He conferred with Jack and Betty Caldwell, who are kind enough to serve as an excellent Race Committee for us each year, Stu Bernstein, our Measurer, and the mysterious Lee White, whom we've never seen, but who conjures up committee boats and stake boats upon request. Perhaps our District is unique in that every other year our regatta is held at a lake in rural Kentucky where there is no active Lightning fleet. The Ken Lake State Park offers a yacht club, but it is isolated and somewhat neglected, because no boats are kept there on a regular basis. All our plans are made and coordinated by long distance. In the past we have relied heavily upon the Ken Lake Hotel for important amenities like the banquet and box lunches during the races. Of course, for the first time since we have been members of the District, the hotel declined to host the banquet or to provide the lunches; so many of Bill's calls were devoted to finding a caterer in the wilds of Kentucky who could feed between eighty and one-hundred people. Numerous calls produced a choice of two: Dakota Feed and Grain Co. or Owen's Meat Market of Murray, Kentucky. The latter sounded more filling for famished sailors, so we signed up Mr. Owen and proceeded to check on the facilities for serving the banquet at the yacht club. Further telephone calls revealed that most of the kitchen equipment was inoperable and that there were very few tables and chairs.

Another call to Mr. Owen, who said not to worry, he could provide all the food, cooked and hot, as well as borrow tables and chairs—from the local funeral home.

We also discovered that the hoist at the club had been vandalized and consequently we could not use it either to launch boats or to weigh them prior to the races. Having just received an intimidating booklet from Helen Limbaugh on the necessity of insuring the legality of all participants, Bill was somewhat distressed. Nevertheless, undaunted and confident that we could work out all the remaining problems because we were going up early, we typed up a schedule of events, stuffed, licked, stamped and sent it out. Three days later, a frantic phone call from Stu Bernstein... "My God, your schedule mentions last minute measurement on Saturday morning! Are you crazy? Everybody will wait till the last minute, and I'll never get it all done. You better mail out a correction to that." Type, stuff, lick, stamp.

Monday morning, June 8th, we began to amass our gear for the trip to Kentucky that afternoon. We had reserved cabins for the week, so we had six grocery sacks of food, eight grocery sacks of clothes (each of our children had invited a friend, and Bill forced everyone to pack in paper bags so he could store clothes in the bow of the boat—no sharp corners allowed), two coolers, two sets of sails, life jackets, cushions, rudder, games for the children, nine cases of beer, one case of whiskey, the trophies which arrived just prior to an overdose of valium, and, of course, the three gray steel file boxes. At ten o'clock, we called in a support vehicle to carry the beer, liquor and two kids. At twelve thirty, the Sharpes with their Lightning, the Baxters with their Lightning and Bob Shedd (support vehicle) with a motor boat hit the highway for Kentucky.

Monday through Thursday were relaxing and calm. We settled into the cabins, the girls found the pool, the boys found the tennis courts and the electronic games, and Bill and I took the boat out to tune it and to case the lake. We did have a little trouble getting organized, leaving things like the spinnaker and the life jackets back at the cabin and breaking the tiller the first time out. We should have considered those things portentous, but we were too dull. Our inspection of the club proved the hoist to be truly broken, the grass shoulder high, and sailing school in residence at the clubhouse until Friday, the day the other skippers were to arrive. On Wednesday, a thunderstorm ripped across the lake, sinking the only access to the docks beside the one-car ramp we all had to use. I asked Bill if we ought to try to sail in the races this year with all there was to be done. He assured me that everything would be under his total control by Friday morning: a hoist and scales were being brought from Memphis and Nashville; our boys were going to raise the dock section; the grass was to be cut that afternoon; the sailing school had promised to evacuate early Friday morning; and he had met the owner of the meat market and was favorably impressed.

He was right for the most part. The equipment arrived, the grass was cut, and the clubhouse vacant...but dirty. I made a hasty run into town for Ajax, Clorox, and sponges. As I rushed back down the narrow, twisting road to the lake, I nearly careened into a pick-up truck and a station wagon full of tables and chairs parked crosswise in the road, the drivers despairing of ever finding the yacht club. Grateful for coincidences, I led the small convoy back to the clubhouse, and Nancy Breazeale pitched in to help give the kitchen and baths a thorough cleaning while the men set up

the furniture. We ignored the fact that the shower drains were so clogged that the kitchen floor stayed an inch deep in water and was home for a number of frogs. No one was able to raise the dock section, but some inventive soul laid a 2" x 12" across the break. We did discover a large cooling bin in the clubhouse which actually worked; I don't know how else we would have cooled down nine cases of beer. The rest of the day Bill spent greeting the incoming skippers and measuring and weighing boats while my daughter, her friend, and I manned the registration table and popped twelve bowls of popcorn for the cocktail party that night.

Saturday, we were up at sunrise to get donuts and coffee in Murray, twenty miles away, to finish registering boats and to rig our own boat. Then, three races back to back with some of the best wind we've had at Ken Lake in years. Terribly out of shape from the lack of racing at home, we stumbled off the boat in mid-afternoon only to meet Carolyn Sharpe on the ramp with the news that both our families were being evicted from our cabins at the State Park. While I checked to be sure that Mr. Owen had arrived with the lunches, Bill rushed back to the hotel with Brody Sharpe. A mix-up in reservations, the old case of "to" versus "through", but the staff was intractable. Half our possessions had been dumped indiscriminately into plastic garbage bags, and nothing would do but for us to finish the job and find a new haven for the night. Consequently, we missed the afternoon race. When we finally returned to the clubhouse, we found the remnants of lunch waiting on the tables. Why did I think "catering" included cleaning up? Knowing the banquet was only three hours away, we sacked, scraped, and mopped, then whipped back to the motel to feed the kids, change clothes and return to the festivities.

Bless Mr. Owen for providing an excellent meal in limited facilities. Curse him for not cleaning up again! Bill was so tired, I believe he nearly forgot to hold the annual business meeting that would relieve him of his commodoreship. I recall Roger Grohne commenting that Bill made the most concise speech in the history of the District. Meanwhile, I heard the disquieting news that Owen's Meat Market had refused to fix Sunday lunch, because so few had been sold. Standing in the clubhouse kitchen at 9:30 p.m., I wondered how we could sail the two races Sunday and still engineer lunch for the people who were expecting it. Most of my groceries were still under the dirty socks in the plastic garbage bags. Fortunately, Carolyn Sharpe volunteered to amass most of the necessary items before noon the next day. We returned to our one room which was to house six people for the night. Horrified, we farmed the two boys out, tallied the day's receipts and fell into bed.

Sunday brought two more races with the winds gusting to thirty-five and four screaming planes with a straining spinnaker. Off the lake, with all the bruises and sprains from Saturday doubly injured, I went to help serve lunch while Bill set up the trophy presentation and composed an impromptu closing speech. Then we sank in quiet thankfulness that due to challenging winds, a competent Race Committee, and lots of needed support from other District members we had put on one good regatta. The boat dismantled, the car repacked, and the clubhouse straightened up for the last time—only then, as we sat slapping the meanest flies in Kentucky, surrounded by the garbage bags oozing French dressing and stale tea, did we think again about the album of Commodores in white slacks and wives in long dresses. Kodak, you're a damn liar!

HORIZON WINS 1981 N.A.'S

Over a wide range of conditions during the week-long series, HORIZON SAILS proved to be fast, durable, and easy to trim. Plus, our friendly, expert assistance was on the scene and is always available from the HORIZON team. In the toughest competition of 1981, boats using our sails made an impressive showing.

JIB LUFF SAG ON THE LIGHTNING

by
Greg Fisher

Many Lightning sailors spend a great deal of time tuning their mast to bend properly and precisely. We'll go to great lengths to be sure our mast is centered exactly in the boat, we'll have the ideal block behind the mast to induce the correct bend...But there is another tuning factor that can be just as crucial to speed as mast bend: Jib luff sag. Jib luff sag is simply an artificial method of controlling the fullness of the entry and body of a jib. Luff sag is to a jib, as mast bend is to a main.

Picture a perfectly flat jib hanging on a perfectly straight forestay. Now push the forestay (jib luff) towards the center of the sail. We are, in effect, shoving extra cloth into the jib. This extra cloth moves into the jib as fullness. Now on the boat, if we take a jib that is an excellent performer in medium, heavy weather (a fairly flat entry, flat exit sail) and allow, or induce the jib luff to sag towards the center of the sail in lighter winds or choppy seas where power is needed, we have essentially built ourselves another, fuller jib.

It is interesting to note that many of the adjustments to our jib luff sag come through adjustments made to design and trim of the mainsail. We have often heard of the critical mainsail/jib combination. It is important to match the jib luff sag relative to mast bend. When a mainsail and jib are perfectly matched, "changing gears" can be really as simple as adjusting the back stay.

When sailing upwind in a light 3-5 mph breeze, we are looking for as much power as possible. Add a little chop and we are forced to drive and not pinch. Pointing the boat as close to the wind as possible is no longer our main concern. We'll also ease our back stay until it is actually slack and the mast is straight, making the main extremely powerful. As we ease the backstay, put the tension back on the rig (i.e.: pressure on the forestay/jib luff) is lessened and we induce our powerful jib luff sag.

Obviously, we need a mainsail that can perform on a straight mast in light winds without developing a tight leech, as well as in heavier winds when the mast is bent.

The jib must be designed flat enough so that the sag ("extra cloth") doesn't make the entry too round and the jib too full. Luff sag will make the entry rounder, but remember these are the conditions where we are not concentrating on sticking the boat as close to the wind as possible. Instead we're in "low gear" looking for power and acceleration.

As the wind builds, we will, of course, tighten our cunningham, outhaul and mainsheet. Until the wind is up high enough where all 3 people are on the deck and 2 just beginning to hike, we will leave the backstay loose and trim the main until the upper batten is parallel to the boom (sighted from under the boom). The mainsheet tension alone will control our luff sag in the jib. Just the pull back by the sheet and then the leech of the sail, will pull the rig back, putting tension on the forestay/jib luff.

In a 20-25 mph blow, maximum backstay will be applied, developing maximum mastbend, and because of the maximum tension on the forestay, there will be a minimum amount of jib luff sag. Both sails will be flatter, less powerful

and have higher pointing capabilities.

If the wind is puffy, as on an inland lake, ideally the backstay should be played in the puffs. One can easily see that if the boat is set up for 8 mph wind and a 20 mph puff hits, the mainsheet must be eased which would release much of the pressure back on the rig. Without normal mainsheet or backstay tension the jib luff would be free to sag more, making the jib fuller in the puff-exactly what we are trying to avoid. The fuller jib will overpower the boat and drag the bow off-ruining the excellent pointing capability the boat should develop through feathering in the puff.

In practice, the efficient tune is a compromise setting for the backstay for an "average wind". This might mean we'd be sailing at 75% power in the 8 mph lulls (jib slightly too flat, main slightly too flat) and probably 25% overpowered

**Mark Bryant &
crew at N.A.'s.**

in the 20 mph puffs. We'd control the boat by keeping it sailing balanced through hiking and mainsheet adjustment. My wife, Patti, and myself sailed for Bill Shore on an inland lake in these exact conditions and were extremely impressed with how Bill kept the boat balanced ("tracking") through constant mainsheet trim. The backstay was rarely adjusted in this wild, up and down condition.

PREBEND AND LUFF SAG

Recently, the idea of "prebending" the mast, in light to medium winds has become popular in the Lightning Class. Other Classes, such as the Snipe and Star, have had success with prebend by making the boats not only faster in those conditions, but also easier to trim. In the Lightning, prebend is achieved through use of added mast blocks behind the mast pushing the mast forward at the deck. At rest, on the trailer or dock, with no backstay applied, we will see as much as 3/4" positive bend in the mast up to the spreaders.

What does prebending the mast have to do with jib luff sag? Actually, one of the largest benefits of prebend is the added control, or range of jib luff sag, that can be produced. We are now able to adjust the jib shape (through luff sag) and mainsail shape (through mast bend) independently.

It has been found that prebend is effective in opening up the slot (area between the exit of the jib and entry of the main) because of the flatter lower sections of the main. This flatter lower section, and more open slot allows the boom to be carried closer to centerline (higher pointing capabilities). The flatter lower sections tend to open the lower leech and in turn the upper leech. This more open upper leech makes the

sail less critical and easier to trim to the upper batten parallel to the boom position, discussed earlier.

Since the mast is pushed forward with the deck blocks, the jib stay (jib luff) becomes slightly looser and it becomes easier to develop more luff sag. Now we have the capabilities to sail with a fuller jib and open slot between main and jib without using barber haulers, and an open leech on the mainsail. The boat is easier to trim and easier to steer...both which equal more speed.

If we were sailing in more breeze (15 mph +) with prebend, we would develop a potential problem with too much jib luff sag. We would have to pull very hard on the back stay to develop enough pressure on the headstay (jib luff) to reduce jib luff sag to the normal heavy wind minimum. However, with this great amount of backstay tension, we would overflatten the main and probably find the boat underpowered and again, unbalanced.

Instead, in heavy winds we must remove the mast blocks from behind the mast and replace the blocks in front. With this set up, maximum backstay tension will be translated into normal heavy wind mast bend and at least as important, increased pressure on the headstay, i.e.: minimum luff sag. Less backstay tension will be required to reach our heavy wind normal tune; a flatter jib and flat main.

I urge you to experiment with your rig and sails. Set your boat up on the trailer so you can walk around it and observe the effect of your trimming changes. Watch the mast bend, the mainsail become flatter...and watch your jib shape change through your new tool-luff sag.

Maximum backstay tension —
Mast bend —
Main flatter, more open leech —
Minimum jib luff sag —
Flatter jib, flatter entry.

Backstay eased —
Mast straight —
Maximum main fullness —
Maximum jib luff sag —
Maximum jib fullness.

August 1-2-3. Thornbury, Ontario, is on Nottawasaga Bay, which opens northward into Georgian Bay. To understand this championship, a short geography lesson may help. One drives to Toronot, gets on Rte. 400 and heads north toward the land that produces all the hockey greats of Canada. I told my crew, Jean Hallagan, and Dave Wait, that Thornbury was just north of Toronto, then hit the sack in the back of my van. After we missed the turn in Barre and got halfway to Parry Sound, I thought we'd be better off spending the weekend with Bobby Orr. That idea got shot down as we'd forgotten our skates; and we had come to S—A—I—L. Anyway, around 2:00 am we reached Thornbury and the Reef Boat Club, and one big, dusty parking lot. After unhooking the boat, and finding no open bar, three of us attempted to crash in the van. Then suddenly in the night we could hear a diesel bus moving in nearby; the entire Allen

Family was arriving with two boats. Tom finally turned off the engine, and we grabbed four hours sleep as the diesel fumes went away.

Saturday morning revealed the beauty of the Thornbury region. A new yacht basin and new condominium was in the process of being built at the Reef Boat Club. To the north were the wide open waters of Georgian Bay. To the east were the ski slopes of Georgian Peaks. What a beautiful year around playground. Saturday morning also revealed that this regatta was not going to be any pushover, thirty-seven boats from 'most every province of Canada were represented. The upcoming "Canada Games" had done much to stimulate Lightning Class sailing. Many Junior National Team skippers were here. Six boats from the U.S. had arrived. All boats were anticipating some big winds from the

open waters to the North. However, the regatta turned out to be a light air series with two of the six races never sailed. All races were sailed far offshore, anticipating south wind; however, every day there was an eleven o'clock calm, then slowing a light northerly picked up to 6 or 8 m.p.h. The race committee had fun switching courses to the deeper waters 3 or 4 miles off shore. Denny Simunik, chairman, put every available foot of line to use on the first day.

First Race. The fleet waited as the Northwind slowly filled in and all buoys got anchored. Believe me, there was no local knowledge advantage, light, shifty thermal 2 miles off shore. Pete Sulman and Robbie Muru headed all the way left on the first weather leg, got to the first mark with a huge lead, and finished in that order. No one else figured out this race: Lutz-16, Sprague-18, Allens 15 and 17, MacDonald-26. My boat struggled along with this group but was able to work up to 10th which improved to 7th on a tricky last weather leg which shifted into a reach. There was a nice banquet that night, and the Blue Grass Band and all sailors had a good time.

Second Race. It's Sunday now, and no cooperation with the wind. Some west wind fills in and the R.C. decides to try it. It was one of those days when you don't want to be first at the weather mark. I had the good luck only to watch 20 boats sail by on the first downwind leg. Agony! Then it was two guns and shorten course. Panic! Dave Sprague and Jay Lutz and MacDonald went from D.F.L. to 1-2-3. We salvaged a 13th to keep in the regatta.

Third Race. Same day, calm and the Northerly comes in, just as the day before. This is the race to try Men's souls. It was seven legs lasting almost to the time limit in very light shifty winds, sailed 4 miles offshore and very hazy. A few

skippers dropped out because they couldn't concentrate any longer. We stayed close for two legs, then elected not to carry our chute after the jibe mark. In 30 seconds we took the lead, then watched a reach turn into a beat which secured our lead. For the next two hours we held off Sprague and Allen Jr. as the wind did tricks. We got to the dock and the score looked like this:

Hallagan 7-13-1
 Sprague 18-1-2
 Allen Jr. 15-4-3
 Anderson 12-5-6
 Lutz 16-2-5

Fourth Race. Monday, a national holiday and again no wind. Eventually the Northerly picked up and this would probably be the last race of the regatta. We just tried to stay in the middle of the course without committing ourselves to either side. Good strategy; we rounded the first mark third with Sprague fourth. The others listed above were back further. The R.C. shortened course and we sat on Sprague until the finish. Mike Vollmer and Russ Scrim sailed a beautiful race to finish 1 and 2 in this race and 7 and 6 overall.

The top five overall were Hallagan, Sprague, Allen Jr., Anderson, and Lutz. All the sailors would like to thank Prentice Smith, Regatta Chairman, and Denny Simunik, Race Chairman, and the Reef Boat Club for organizing this year's Canadian Open. This was my twelfth time to attend and my fourth win. It was nice to visit another beautiful location in CA-NA-DA.

CANADIAN OPEN LIGHTNING CHAMPIONSHIP

As Seen by the Runner-Up

David Sprague

One of the difficulties of writing about this regatta is that I did not plan on having to write it up and my recollection of the racing is clouded by where I was and how badly I was doing. My recollection of the rest of the regatta is clouded by the excellent party and good time that was put on by Pat and Prentice Smith and all the others at the Reef Boat Club in Thornbury.

Let me start off by explaining that this year was the first year that The Canadians have been held at Thornbury. The Ontario Open had been run there for the last three years but Prentice (the organizer) Smith decided after a few beers last year that the Canadian Open should be held there, notwithstanding that there is no Lightning fleet there. The Class (Gorrie and the guys) said that was great because Georgian Bay is a great place to hold regattas with its large body of water and great predictable winds (more on this later).

Those of us who had sailed there before looked forward to a great sailing and party weekend. Now for the racing!

Race 1 — Saturday

The 37 boat fleet from all over Canada (including British Columbia and Newfoundland), as well as the U.S., sailed out in moderate (8 to 12 mph) southeast winds. By the time the race started, the wind was a bit further east. The Race Committee practiced starting us at 4-minute, then 6-minute intervals with the wind oscillating 40 degrees. Finally we all got our act together and got a start off with a number of the good guys (e.g. MacDonald, Hallagan) going right with some of the not so good. The smart ones, however, went left and after the next 30 degree shift came in (and stayed for the rest of the leg) it was catch-up time for those of us on the right. To make a long story short, I am relying on the scorekeeper to tell you that Pete Sulman won it with Rob Muru second, Geoff Skinner third, Harvey Harman fourth and Bill Layton fifth. (We were eighteenth.)

Race 2 — Because of the late start of the first race on Saturday, this race did not get off until Sunday, after a great outdoor pig and beef roast on Saturday night. The winds were again very light and we got a start leading the third wave of boats over the line. After Saturday's disaster, we decided to play the middle on the first beat and then watched MacDonald, Cochrane and others get way ahead by going left. About 1/3 of a mile to the weather mark, while we were edging to the left, the wind came up from the right and Volmer, as well as many others, then drove up and around the mark. In the meantime we tacked over and rounded in the mid-teens ahead of the aforementioned MacDonald and all.

Volmer took the rhumb line on a run to the gybe mark (remember the wind had shifted), while we gambled and gybed over to the left with Jay Lutz and a few others. Volmer died in the middle and we passed a lot of boats. MacDonald

rounded near the end, went right, passed even more boats than we did and got to the gybe mark in second with us first and Lutz third. The next leg was a port tack beat for everyone except MacDonald who persisted in flying his chute while no one else could. I honestly do not know how he did (nor does his sailmaker know for sure and he was right behind watching).

Larry, how did you do it?

Photo Credit — Mary Huntsman

The next leg, which was moved to be the last leg, was a game of tack together as the three of us went up the leg. We went right and lost a lot of distance to those who went left this time. At the finish it was Sprague, Lutz, MacDonald with Tom Allen, Jr. a very close fourth and Stu (soon to retire) Anderson fifth.

Race 3

The wind for the third race started off from the north at 5 to 10 mph. We went up the middle and managed to round the first mark about eighth, while the wind died a bit. The leaders had gained distance and so a few of us went high to get speed on the reach and gybe for the gybe mark. This got us some distance back from the leaders. Dick Hallagan rounded first, while Russ Scrim dropped to second place at

this point with Tom Allen Jr. in third. We passed a few boats at this mark and were fourth coming out on a tight reach. The reach turned into a bit of a parade. The next leg was a bit of a beat and we lost Tom Allen Jr. I really do not know what happened to Russ but he ended up tenth at the end. The next two legs were really strange with the wind all over the map but there did not seem to be major position changes and going up the seventh leg it looked like it was going to be a starboard parade to the finish line. However, there was a little shift to the south and, as we had tacked before a few boats, we managed to pass Tom on this leg to end up second, with Hallagan first, Tom Allen Jr. third, Larry MacDonald fourth and Jay Lutz fifth.

Race 4 — Monday

Going into this race we were tied for first with Hallagan and five boats were within two points so I knew it was going to be a nerve-wracking race. As this regatta was the qualifier for the Canadian National Team, I had to be in the top five and hopefully be top Canadian, so we were watching all the other boats closely. The Brian Beattie/Alan Humphries combination was close as was Larry MacDonald so we were really looking for a good race. We could not afford a mistake.

The race started with a reasonably steady wind from the NNW and we were about the seventh boat from the pin end with clear air. Lutz was below us and Hallagan above. We

managed to keep our air clean while Dick had to take a hitch. We went right out almost to the port lay line and tacked. The three or four boats left below went a bit further and tacked. We looked okay coming across and saw Hallagan come out of the pack to cross about three to five boat lengths behind. I decided not to cover as I had good air and was getting near to a point where I would lay the mark, so I stayed out to the right and made the tack a minute later. I should have waited another five seconds because I understood the mark by a boat length and had to tack two extra times and in the process lost Dick. So Scrim rounded first, Volmer second, Hallagan third and us fourth. We reached around two legs with no changes and started up the second beat with Tricky Dicky glued to my wind. The four of us were working right and I decided to try and split left as it looked like MacDonald, Lutz, Humphries/Beattie, Allen and all were doing well on that side. We managed to get clean air even though the velocity was down. The others who had come left looked better and were moving so we stayed left. They started to knock and we thought they were going to tack and lay the line but instead the wind died. So we tacked over to the right before we sailed into the dead spot, salvaging a fourth with Dick third and the overall winner. Mike Volmer won the race with Russ Scrim second.

The regatta was over as there was not enough wind and time to get the fifth or sixth scheduled races in, but we all enjoyed the four that we got. The host club, Reef Boat Club of Thornbury, did a great job and the Class thanks them all.

ONTARIO YOUTH CHAMPIONSHIP —

SUSAN MAC DONALD WINS

Crewing with Susan was Treaver Borne and Sean Torsney, shown here with N.Y.C. Vice-Commodore, David Oaks (Left) and Regatta Chairman, George Styan.

The Toronto Bay fleet has been and will continue to be an aggressive promoter of youth sailing. 1982 youth events include world qualifying trials early June and Canadian championship, July.

11 boats took part, with 7 races counting. Bruce Scott of Oakville sailed to a close second with Andy Hunter of Hamilton, third.

THE CANADA SUMMER GAMES — A POLITICAL EVENT

by John Gorrie

The Discipline

Each province in Canada selects a team of athletes to compete in various disciplines every 4 years at the Canada Summer Games. The host city provides all the facilities, accommodation and equipment, the bill for which is split between the host city, host Province and the Federal Government. The Canada Games Council, which is made up with volunteers and paid bureaucrats from across Canada, holds the responsibility for organization, site and discipline selection and this is where the sport of sailing had its first difficulties. At the previous summer games hosted by Newfoundland, the sailing event scoring was so botched up the event could not be scored with the provincial totals which left a bad taste with the games organizers and the provincial sports administrative bodies. So the first lobbying involved the entire sailing community and was to convince the Canada Games Council that the sport of sailing should be included as a discipline at the 1981 Canada Games. The major lobbyist at this stage were the City of Thunder Bay, the Provincial Sailing Associations (volunteer sailors), Provincial Sports Government Bodies (bureaucrats who provide funds), the Canadian Yachting Association (volunteer sailors) and Sport Canada (more bureaucrats). The lobbyists were successful — the Canada Games Council sanctioned yachting as an event at the 1981 Canada Summer Games.

The Boat Selection

The Canadian Yachting Association and its funding body, Sport Canada, have a common goal in yacht racing and that is to win medals for the Canadian Olympic Associa-

tion at the Olympic Games, so whenever selection for an event is discretionary, one or all of the Olympic Classes are proposed. However, since carded athletes are not allowed to compete at the Canada Games, the C.Y.A. resorted to its secondary goal which in early 1978, prior to official recognition of the Pan American Games medal objectives, was to win the I.Y.R.U. World Youth and Womens Championships, events which utilize the 420 and Laser.

Recognizing and concurring with the C.Y.A./C.O.A. youth and Womens objectives, most provincial sailing associations had equipped and funded their best sailors with Lasers and 420's to train for the annual Canadian Youth and Womens Championship, the winners of which were selected to attend the I.Y.R.U. events.

It came as no surprise, therefore, that in early 1978 the Canada Games Council with the unofficial sanction of the C.Y.A. named the 420 and Lasers as the classes to be utilized in the 1981 Canada Games.

I was the incoming President of the Canadian Class in 1978 and nationally the class was in poor shape. The C.Y.A. had proposed an Olympic slate for the 1979 Pan Am Games and the 420 and Laser to be the Canada Games classes.

The strength of the class is its people and in 1978 the Lightning Class in Canada had strong people in enough of the right places to form an effective lobby. Garth Dixon was a new director of the Ontario Sailing Association in charge of communication. Porter Bailey was chairman of Zone VII (Thunder Bay area) Ontario Sailing Association. Ross Bailey was an advisor to the Thunder Bay 1981 Canada Summer Games Society. Larry MacDonald was chairman

of Zone II Ontario Sailing Association. The same year I retired as an O.S.A. director and became a director of the Canadian Yachting Association.

The Canadian Lightning Class Executive was altered to reflect its increasingly political role and several of the above served double duty. Provincial Vice Presidents were appointed to liaise with Provincial Sailing Associations while the core executive courted the C.Y.A.

We all lobbied in our own way, in bars, at conventions, in committee meetings, and once in a private plane, Dave Sprague arranged to fly the C.Y.A. President and myself to Ottawa to discuss the C.Y.A. endorsement of the Lightning Class for the 1979 Pan Am Games at a C.Y.A. executive meeting.

Our collective efforts were paying off. The Thunder Bay Organizing Committee rejected the 420 because there weren't any in the Thunder Bay area and took a proposal to the Ontario Sailing Association that the Lightning, Albacore and Laser, strong fleets in the area, be considered. Ontario Sailing Association Class Council and Annual General Meeting endorsed the Thunder Bay request and passed it to C.Y.A. for approval.

The Canadian Yachting Association (responding to the Lightning lobby) had just convinced Sport Canada that the quest for Pan Am medals should be the 1979 objective and had at the same time instructed their P.A.S.O. representative to endorse the Lightning and Snipe as Pan American Classes if an Olympic slate could not be guaranteed. Sport Canada also agreed to provide funding to equip and train a Pan American team, something they had never done for the I.Y.R.U. Youth and Womens teams, so with one eye on the National interest and the other on the powerful Ontario lobby, the C.Y.A. requested the Lightning and Laser be utilized at the Canada Games and by November 1979 the Canada Games Council had altered their boat selection in accordance with C.Y.A. request.

Team Training and Selection

The beauty of a Laser is you can find them anywhere, the difficulty with Lightnings is there just aren't enough of them in Canada and many provinces expressed the concern, while being courted by our lobbyists that, they would not be able to find current race equipped Lightnings to train their crews and therefore would be at a disadvantage to Ontario, Quebec and British Columbia who had active fleets. To counter these concerns, Larry MacDonald, Russ Scrimm, Garth Dixon, Scott Macivor, David Sprague and I decided to purchase as many boats as were required, charter them to the provincial sailing associations and sell them when the lease expired, hopefully recovering our costs. Fortunately, we only had to buy one boat for Nova Scotia, Newfoundland bought their own and the other provinces trained in alternate boats or raided the local fleets.

Provincial teams were selected in various manners, usually a short series, the only restrictions were, no carded athletes and a 25 years and under age restriction. The only disappointing qualifying series I heard about was in British Columbia, where Todd Blummel who crewed with me in the 1980 Canadian Open and who won the 1981 Pacific Northwest Youth and finished third in his District, was not invited to the provincial qualifier. Larry MacDonald ran an excellent Ontario Qualifiers the winners of which were sent to the Ontario Sailing Centre, a race training facility Ken Inglis, a Lightning sailor, put together several years ago for final

preparation under Jeff Boyd and Gord Corthers tutelage. The Class made every effort to accomodate the provincial teams who wished to train with us, several teams attended the Southern Circuit, the Lake Erie District and the Canadian Open. Whenever someone flew in to Toronto to compete in a local event, David Sprague always seemed to find them a boat.

The Event

August 9th through 14th were the dates set for the Canada Games and the City of Thunder Bay was ready. Greeting the competitors were an abundance of rules and regulations, strict security procedures, curfews and ten brand new never before assembled or sailed Lightnings. Each team was assigned a boat to which no alterations were allowed other than reinforcing manufacture supplied fittings. Although the City of Thunder Bay ordered a few spares, the manufacturer, Allen Boat Co. thoughtfully supplied sufficient fittings on consignment so that the manufacturer's agent and the local Lightning sailors who made up the equipment service support group could keep the fleet at sea. The following race by race description is provided by Craig Farquharson, a member of the Ontario crew.

Race #1 — The Tester

The first race was a light to medium air race with 10-15 degree oscillations. Boat speed would be a critical factor as the boats and sails had never been fully tested. The Ontario, Nova Scotia and Newfoundland crews who had raced Lightnings before were able to fine tune their boats which enabled them to move away from the rest of the pack. The ability of these crews to change gears in the shifty, up and down, wind conditions helped them to pull even further ahead as the race progressed. The Ontario crew's ability to carry their spinnaker longer than anyone on the first reach brought them to the gybe mark first with Nova Scotia second and Newfoundland third. The race from there on was a parade as the competitors became conservative and covered the opponents. Ontario finishing first, Nova Scotia second and Newfoundland third.

Race #2 — The Twilight Zone

In the second race the famous Thunder Bay thermal arrived. Winds from the SW at 20 knots with a good sea were warmly received. Just after the start it was evident that the Ontario, Nova Scotia and Newfoundland crews would again be battling it out. The Ontario crew split away to the left side of the course while the Nova Scotia and Newfoundland crews went right. As the boats came together three-quarters of the way up the first beat it was evident the Ontario boat was moving faster and was well ahead of the Nova Scotia and Newfoundland crews. Ontario increased its lead on the first reach as Nova Scotia and Newfoundland fought for second and third. Coming within 200 yards of the leeward mark the Ontario crew hit an incredible hole where the wind went from 20-0 knots in seconds, this was called "The Twilight Zone." The Nova Scotia and Newfoundland boats caught and passed Ontario at the leeward mark. The second beat was played very conservatively by all three crews. Ontario showing superior boat handling and speed as the wind increased back to 20 knots passed the Nova Scotia and Newfoundland boats and opened up their second horizon job of the race. Once again the race turned into a parade to the leeward mark. The Ontario team hit the Twilight Zone and the Nova Scotia and Newfoundland

crews caught them again. This time however, the wind remained light as the land and the sea breeze fought it out. The Nova Scotia and Ontario boats exchanged leads numerous times, with Nova Scotia the eventual winner, Ontario second and Newfoundland third.

Race #3 — The Drifter

The third race was a very shifty light air race. At the start the wind was blowing 1 to 4 knots. Ontario, sensing the wind was going to shift right, went the right while Newfoundland and Nova Scotia went left. As the boats progressed up the beat, the wind became lighter and shifted right. With New Brunswick holding the lead for most of the first beat Ontario drifted past them at the weather mark, with Alberta third, and Nova Scotia and Newfoundland way back in the pack. The first reach turned into a dead run and the Ontario team pulled away from the pack. The second reach turned into a shifty beat, and Ontario was able to take advantage of the shifts and increased their lead, while Nova Scotia moved up to third position. Much to the delight of the Ontario crew the race was shortened to 4 legs and they finished with spinnakers flying. The Nova Scotia boat passed the New Brunswick boat on the reach and finished second with New Brunswick third.

Race #4 — The Drag Race Right #1

Race number 4 was held in 12 knot air that heavily favored the right hand side. The Nova Scotia crew were able to get to the right first, the Newfoundland crew got there second and Ontario third and these were the positions at the first weather mark. Nova Scotia pulled out a bit on Newfoundland and Ontario on the first reach. These positions held until the second beat. Nova Scotia covering with a comfortable lead watched as Ontario and Newfoundland crossed tacks numerous times. With Ontario being the victor by the second weather mark. It was evident at this stage of the regatta that the preparation put in by Ontario, Nova Scotia and Newfoundland separated them from the rest of the fleet. Their crew mechanics, boat speed, and handling were better than the rest of the fleet. Positions for the rest of the race remained the same as everyone was content to cover their opponent, Nova Scotia finishing first, Ontario second and Newfoundland third.

Race #5 — Drag Race Right #2

The fifth race was held in similar conditions to the fourth race. Newfoundland with the better start were able to get right first, with Ontario, Nova Scotia and Manitoba following closely. On the first reach, Newfoundland with clear air pulled away while Nova Scotia the lowest boat on the reach was sailed over by Ontario, Manitoba, New Brunswick and British Columbia. At the leeward mark Ontario had pulled close to Newfoundland while New Brunswick and British Columbia had fallen behind fighting for third. On the second beat, the Ontario crew were moving faster than the Newfoundland crew and were able to pass them half way up the beat. New Brunswick and British Columbia still fighting for third of the beat fell further behind. British Columbia won the battle and rounded the second weather mark third. The competitors were again content to be conservative and covered for the remainder of the race with Ontario first,

British Columbia second, Newfoundland third and Nova Scotia finishing sixth.

To Race or Not to Race

This was the question for the Ontario crew to decide before the sixth race. With Ontario having three firsts, two seconds and Nova Scotia two firsts, two seconds and sixth, the stage was set for a "winner take all" sixth race! If Nova Scotia won the last race, the Ontario crew and Nova Scotia crew would have the identical scores after the drop race. Ontario went to the rule book. The rule book states that "a tie will be broken in favor of the yacht with the most first, seconds and so on for races that count for total points." But was the drop race included in total points? The Ontario crew requested in writing from the IYRU no appeals jury a definition of total points, the jury denied the request. Back to the rule book for the Ontario crew. The rule book reads, "When a single winner must be determined the CYA prescribes that the tie shall be broken in favor of the yacht which finished ahead of the other in the last race in which both started or ranked as starters." To rank as a starter, a yacht must be in the starting area within 10 minutes of the start. Therefore, if the Ontario crew did not sail the last race, they would not rank as a starter and since they won the fifth race, they would not rank as a starter and since they won the fifth race, would they in theory win the regatta? In making their decision the Ontario crew called Canada's National Sailing Coach, Steve Tupper and Provincial Coach, Jeff Boyd and asked if their theory was correct. Both coaches agreed and Ontario decided not to risk their gold medal by racing. With the Ontario crew not racing the sixth race, the Nova Scotia crew won the last race with Newfoundland second. The standings of the regatta as interpreted by the competitors were Ontario first, Nova Scotia second, and Newfoundland third, but were they? The official results were posted 15 minutes before the presentations and they showed the Ontario and Nova Scotia teams were tied for the gold medal.

A protest was filed by the Ontario crew on the final results requesting the tie be broken. After two hours of deliberation by the jury, who also made the original decision to award the tie, the protest was disallowed. The jury felt that was not a necessary requirement of the rule that the tie be broken and gold medals were awarded to Ontario and Nova Scotia crews while Newfoundland was awarded the bronze.

It should be noted that the three Provincial Teams that worked closely with the Canadian Class won all the medals.

Conclusion

Once again the discipline of yachting upset the games organizers, not only did they have to award two gold medals but the final Games presentations were delayed two hours while the protest was heard.

The real winner of the 1981 Canada Games was the Lightning Class — Thunder Bay will have ten new boats added to their fleet, some of the best young sailors in Canada had an opportunity to train and compete in Lightnings, and the Canadian Yachting Association has received annual financial support from Sport Canada for Lightning Class Pan American Team development.

Now all we have to do is form an effective lobby and get back in the Pan American Games.

SAILING IN THE MIDDLE OF THE FLEET

OR 15 YEARS BEHIND THE MASTS OR ALL YOU LOSERS, TAKE HEART

By Joe Mark (Paupack, Pa. Fleet 16)

Sailing in the middle of the fleet, behind all the other masts, has been largely my lot in racing Lightnings. I've never won any Regatta, major or minor; never been fleet champion, or even runner-up. Don't cry. I don't mind it, and I'll tell you why.

Well, in the first place my kind of sailor is clearly in the majority! Only one person can win a race. Only two or three in the average club are consistent winners. In a fleet of 10 or 12 boats, that leaves about 8 or 9 who finish in the pack. So, this account is about the majority of Lightning sailors — most of us.

What keeps these blokes (like me) going out there on every weekend and getting beaten? There is, of course, the hope of winning — and it happens from time to time — but after 15 years of sailing in the middle of the fleet the grim reality takes precedence. You know that you're not going to become a star of the class or of the fleet — ever.

That realization didn't happen overnight. There was all this propaganda about 'being aggressive on the starting line,' 'following a plan', 'tacking to headers,' 'anticipating wind shifts,' 'know the rules thoroughly', and so on. It took a long time to realize that I'm not aggressive on the starting line (don't like getting yelled at); either I don't have a plan or it's a stinky plan (To the crew; "do you think we should stay on the right side" — that's not a plan); tacking to headers is difficult when you don't know one, and your crew cannot read a compass; and as far as the rules go, I'm easily intimidated by any captain who yells anything at me — especially things that sound like, "Starboard Beam Overlap Leeward Boat!". The realization finally came when I acknowledged that these winners worked harder at racing than I do, and, very important, they have a talent for this sort of stuff.

But like blondes who have more fun, it's possible that in spite of the above mentioned shortcomings, we have more fun! The main motivation, in my experience, is that there's always your personal competitor out there. I've got "my Stanley." For, ever since I can remember racing Lightnings, I've been racing "Stanley." Sometimes he beats me; sometimes I beat him. When I get home after a hard day of rounding the marks, the wife pops the usual question, "How did you make out today?"; and my response frequently is, "not so good — but I beat Stanley!"

It is my contention that every 'middle of the fleet' sailor has his "Stanley" — the special opponent that he loves to beat. The depression and misery that overtakes a mediocre finisher is dissolved, if it is accompanied by a victory over his "Stanley." If it's not — well, there's always next week. And beating your "Stanley" is a real possibility, not like the dream of overtaking the fleet champion.

There are other motivations for this middling sailor. He frequently guards his middle of the fleet position like a tiger, and if one of the champions makes some dreadful mistake and falls behind into his territory, he eats 'em up. So, every so often he can chalk up a victory, even though he came out 5th or 6th again, over the fleet champion who happened —

probably due to some fluke of nature — to come out 7th that day.

Another advantage for this less talented but persistent soul is that he probably enjoys sailing more than the champions. He's less compulsive about his boat, the rig and tuning. The nervous tension on his boat is less. The crew may not like losing, but there is less harassment all around. He gets less aggravated, and there is a lighter atmosphere that pervades.

And when it comes to fleet business, he is consulted and respected at fleet meetings. His opinion counts. After all, he's the backbone of the fleet and part of the majority. If all the middle of the fleet sailors would quit, there would be only the few in front and the few in the rear — a funny fleet.

To show you that this is not a new idea, about ten years ago, an old sailor at the Lavallette Yacht Club on the New Jersey shore, Fred Slovak, knew all this stuff, so he donated a perpetual trophy to be awarded at the Marine Regatta at Quantico, Va. every year — "It's to the sailor who finishes right in the middle of the fleet! Old Fred knew.

So from now on let's have some more mention in these writings on regattas on the unsung tried and true hero who came out in the middle. O.K., the winners deserve the upfront attention they get, but if you want to break the monotony let's have some new names introduced — "Stanley" and Harvey Weimaraner finished 22.5 out of 45 boats which makes him the winner of the 'middle of the fleet' trophy." You can laugh at that 22.5 finish, but from where I watch races that's not bad. Not bad at all.

The winners have their competition cut out for them every week. They know who they have to beat, and it's not you. If you sail in the middle, you probably have your "Stanley". If you don't — for heaven's sake, don't tarry...

STORM ON THE LAKE

(The View of a Junior Crew)

by Ed Lekson

Our car halted as we came to the locked gate. As usual, I was the one to get out of the car and open it. We proceeded to our campsite, and unloaded the basic necessities from the car. When we had finished setting up the trailer for the long weekend, I decided to take a walk up to the clubhouse.

Pymatuning Yacht Club isn't a huge glamorous club, but it is a friendly place. Actually, it isn't a yacht club, but a boat club. As I walked up the main road to the clubhouse, I saw the many trailers and mobile homes I had always seen. But to the left, in the area which was supposed to be reserved for parking their vans. Like last year, they would probably be kicked out before the first night. As I crossed the dry dock area, I saw the boat on which I would be crewing. My mother and I would be donating our time to a man named Skipper, whom I was looking for now.

When I strolled onto the clubhouse patio, I spotted Skipper at his usual station, the beer keg. We greeted in our usual fashion, and then sat down to discuss the Independence Day Regatta. The first and second races would be tomorrow starting at 1:00 p.m. The third and final race would be Sunday at 12:00 noon. Now we had to take care of our boat registration. After a long wait in line, we finally reached the table. We recorded our boats number and were then informed of a cocktail party that night. We headed to the men's locker room, for Skipper wished to check the riggings for the boat. We found all the sails and other equipment in order and decided to return to the trailer.

At the trailer, Skipper's old friend Bob Harrison was waiting for us. They sat down at the picnic table and I listened as they talked over old times. All the years they had spent at Northeast Yacht Club in Cleveland, racing on Wednesday night and getting drunk on Saturday night. After I had my fill of their talk, I went inside to catch a few winks.

Skipper woke me up and told me it was time for the cocktail party. When we reached the clubhouse, we found that the so-called cocktail party was in reality a hot dog roast and get-acquainted party. Skipper talked to other sailors he hadn't seen since last year, and I observed the annual out-of-towners who usually came and won the regatta. Although the visiting sailors were always tough, Pymatuning had its own share of good sailors. I stayed at the party until eleven, and then decided to turn in back at the trailer.

When I awoke the next morning, I realized it was the big day. Today we would sail the first two races. I grabbed a quick breakfast and then headed toward the dry dock area to start rigging the boat. As I expected, Skipper, was already working on it. One of the mahogany rub rails on the side of the boat had split, and he was repairing it. As he worked, I began the job of putting on the main sail and jib and preparing the lines for racing conditions. My mother had now arrived and we began to make our way to the hoist, which would lift our boat into the water. The line at the hoist was

lengthy and we had to wait almost ten minutes before it was our turn. We put the boat in and then headed out of the harbor.

As we approached the starting mark, the cluster of boats around the buoy became a mob of screaming captains shouting orders. Finally, the gun on the committee boat went off, and the race had began. The first leg of the race was the windward leg. This involved much tacking as directed by the skipper. Skipper chose to go near shore, which may have been a bad choice, for there was a bad draft coming off the trees on shore. When we finally got around the first mark, we were a little more than half way back from the leaders. At the same time we rounded the buoy, we also had to raise the spinnaker and drop the jib. This was one of the downwind legs. A straight shot to the next mark, but a very slow pace. If we were to gain any ground on the leaders, this would be the leg we would do it on. We had always had greater success on the spinnaker run.

As we neared the last mark before the finishing buoy, I prepared myself for the jibe of the spinnaker. To perform this task, I had to stand on the bow of the boat and switch the spinnaker from port to starboard while Skipper guided the boat around the mark. This was probably the hardest part of the race, and all three crew members had to do the right thing at the right time. Skipper began to turn the boat while I switched the pole and my mother pulled the spinnaker sheet. It was a successful jibe and we were on our way to the finish.

It was about twenty minutes later when we crossed the finish line and headed back to the harbor. All the sailors were now sitting under the pine trees by the clubhouse and that's where my mother and Skipper were now headed. They would sit, drink beer, talk over the events of the race just completed, and about the second race, which would start in about two hours. I decided to go to the clubhouse for some of the lunch they were serving on the patio. After I got my lunch, I saw that they had posted the results of the first race. I looked them over and found we had placed sixteenth out of twenty-six boats. This was not the placing we had hoped for, but there were still two races left.

As we headed toward the committee boat for the start of the second race, we realized how much stronger the wind had become. Thistles, the class of boats that had started before us, were much lighter than our boat. There would probably be a few of them that capsized before the day was over. The starting line was even more hectic for us this race and we were lucky to get out into open water without being hit. We headed toward the middle of the lake this race because Skipper had learned his lesson in the last race. The strategy paid off, and we were soon riding a lift toward the first buoy. We raised the spinnaker while rounding the mark and found ourselves in fifth place in the field of twenty-six. But to our dismay, the wind was blowing even harder now.

This was brought to our attention by the two Thistles which had already capsized and were waiting for the State Park Patrol boat which sped towards them.

We were heading for the next mark when Skipper told us we could not jibe the spinnaker and would have to lower it. I protested, but he said the weight of our crew was not enough to maintain the spinnaker in such heavy winds. We rounded the mark, and I dropped the spinnaker, then hauled up the jib. We did our best to maintain our position, but the boats behind us with heavier crews and flying spinnakers soon began to creep up on us. By the time we had crossed the finish line, we had lost three boats and had to settle for eighth place.

By the time we had gotten back to the hoist, the rain had begun to fall and we hurried to get the boat out of the water and covered. After that we went back to the trailer to get dried off and get into a fresh change of clothes. We then went into town to have dinner. We decided to call it an early night and went to sleep, because our efforts on the race course had tired us out.

After I awoke, I looked out the window and saw the grayness of the day. This wasn't the type of day I had hoped for to finish the regatta. The wind was blowing harder than yesterday, and the temperature had dropped overnight. I picked up my rain gear and headed up the road toward our boat. The cold wind made the walk unpleasant, and I hoped they would postpone the race. However, when I got to the boat, Skipper told me the half hour preliminary gun had already gone off. So he decided we would leave early, because the race was starting on the other side of the lake due to the wind shift. We were the first boat out of the

harbor and the strong wind quickly took us farther out into-the lake. Even the committee boat was behind us. As we headed for B mark on the opposite side of the lake, the siren at the dam began to bellow. The dam was at the southern end of the lake and its siren signaled a small craft warning.

When Skipper obeyed the siren and started turning the boat to return, violent bolts of lightning began to flash and the thunder was deafening. Rain accompanied the flashes and booms; soon it was hard to see shore. We were all fully dressed with rain clothes, but the chill still could be felt. I struggled to let the jib out, because we were heeling too much. The sheet flew out of my hand and I fought to regain control of it. My mother hiked over the side as well as she could, and Skipper controlled the main sail, and tiller at the same time. Skipper warned us of the hostile puffs of wind that came with storms, and as he said this, one hit. I thought we were going over, but Skipper ordered me to let out the jib while he let out the main and fell off from the wind. That was the strongest puff that hit us and we had no more trouble until we bottomed out on a sandbar near shore. But to correct this, I quickly raised the centerboard and we were once again free.

At the dock people from the club were waiting for us and helped us get the boat out of the water. The only damage to our boat was a broken hiking strap and some very wet sails and crew members. We were escorted to the clubhouse and found some other very wet sailors relaxing and drinking coffee. My mother and I had Skipper to thank for our safety. He had been in many storms on Lake Erie, and this was another one to add to his list. It was his experience which brought us back to shore.

CRUISING ON THE RIVER PLATA

by Angel Vila

The River Plate is a big river, too large and too wide. On its shore is our Argentina District and on the opposite east shore is located the Uruguay District. Between Olivos, Argentina and Punta del Este, Uruguay the distance is 170 miles and the width of the rest of the river is oscillating between 20 to 120 miles.

On this beautiful river with light brown waters, Josquin Cloos and his boat #5759 named "*Viento*" sailed last spring, his fourth cruising season with his family. During our warm months, January and February he sailed 650 miles in his Lightning.

He started in early December working on the auxiliary engine, an outboard Evinrude 20; working on the waterproof cover for rainy days; checking the inflatable beds and their location, because in #5759 the wooden floorboards may be raised to the seat level, and over this was to be placed the inflatable sleeping beds. Also purchasing foods is very important, for sailing a long time in a "dinghy". It is necessary to have the right staples and to have storage aboard for the potatoes, tomatoes, rice, coffee, tea, etc. Cooking out and fishing are a part of the cruising, but they need to carry also milk, oranges, kerosene, etc., because on the Uruguayan shore there are many beautiful arroyos and little rivers with only one and half or two feet of depth. For this reason no boats visit these paradisaic waters and there are no cities on these shores.

Cloos is a very old sailor on the River Plate and in Lightnings. He knows the larger leg of the cruise is the crossing from Buenos Aires to Colonia, Uruguay (near 20 miles) and he needs to be very sure before leaving the dock about the weather. He waited for a beautiful day with winds from N.E. 10 to 12 miles and bright sun, in January, to cross the river to Colonia. His son Alejandro crewed on this trip

and both are impatient to arrive in Punta del Este and its beautiful beaches over on the Atlantic Ocean, but the trip in the Lightning consists of sailing short legs every day (about 10 to 15 miles). For this reason Cloos needs to know the exact boat speed in all winds and wave conditions.

He needs to know the shore line, because it is imperative to find a harbour or arroyo if "Pampero" comes. In some cases they need to hoist the spinnaker and hike, sailing fast to the harbour before "Pampero." "Pampero" is a strong wind from the southwest, maybe blows 50 or 60 miles; if you have some doubt about it, ask the Lightning sailors who raced in the 1969 worlds at Olivos.

On the trip they were in all the little rivers between Colonia and Punta del Este; Riachela, Sauce, Arroyo del Rosario, Barra de Santa Lucia, Puerto Solis, Montevideo, the biggest city and Port of Uruguay, Piriapolis and finally, after 170 miles, Punta del Este, with its blue waters, golden beaches, and over all Gorriti Island, three miles in front of Punta del Este Marina where between a forest of green trees, is the remainder of a Spanish fort.

When he returned to Olivos, Cloos found no work on his desk, and so started on a new cruise to Rio Negro, in this case in smooth waters and for crew his daughter Patricia. They found another Lightning cruising, this boat owned by Freddy Ziegler.

Really, Cloos knows our river very well, he anchored in some places that nobody ever saw before; he slept in the Lightning; he cooked in the Lightning; he fished from the Lightning. Under the sunshine or under the moon; in light winds or in stormy weather, he lives and loves the Lightning, and when at our Annual District Meeting, we asked, "Cloos, what about races?" He said, "what races?"

Patricia Cloos relaxes during cruise to Rio Negro.

Freddy Ziegler stands beside his Lightning.

1981 SOUTH AMERICANS — SALINAS, ECUADOR!

by Francisco Sola Medina

Again a South American Championship in Salinas, Ecuador! This was good news for our District. Since after 1975's Worlds our Fleets were almost inactive and this was a good opportunity to promote the Class and get things going again.

1980 was a busy year for me and as usual I put too much of my time in my old vice, hunting. I had an African Safari and most of the weekends were spent in local hunts. As a result, I did not sail a single race since 1980 South Americans in Bogota until March 1981.

When I decided to restart, problem was that almost nobody was active. Finally, Laser and Sunfish Champions Juan Santos, Juan Plaza and Santiago Salem and my old and good friends Santiago and Alberto Maspons started to sail and we had Fleet 305 going. Qualifying races were sailed with sailors from Lake San Pablo, and for mid April we had a selection that I didn't completely sail since I thought I was qualified as current South American Runner-Up. This was my first mistake and all of us discovered it only when on arriving for the Championship participants from other countries claimed that Ecuador was going to have seven instead of the usual quota of six (South Americans rules state that only the current Champion sails out of quota and all of us were confused with the World Championship rules).

Finally, when I was ready to pack my boat and watch the races, the Congress voted, what was initially proposed, but I didn't accept since it was my mistake, to let me sail without sacrificing the sixth Ecuadorian Crew.

One tune-up race was sailed on Sunday, April 26 and we were first at the line after close battle with the Gonzalez Brothers from Chile and country mate Juan Santos, however race was not counted since on the spinnaker run we all used Jibe Mark instead of Leeward Mark after a big wind shift.

As usual, after the tune-up race, with my wife Cecilia and Crew members Johnny Meira and Rafael Lecaro, we made a list of skippers with possibilities. Of course Mario Buckup from Brazil was on top of it. Manuel Gonzalez from Chile sailing with his brother Tito as crew, Juan Santos from Ecuador and current Champion Fernando de la Concha from Colombia were also strong in our opinion. But names like Andres Lisocki, Former Champion Jaime Fernandez, and Roberto Ricoveri from Argentina proved to be fast. We had good upwind speed.

Monday morning came with typical nice Salinas conditions, with wind from S.W. at 10-15 knots, medium chop and shifts from 10° to 15°, these conditions remained until the end of the week.

After first start, we tacked to Port on clear air with Mario Buckup to our Leeward. Both played a couple of shifts looking well with the fleet. However Mario decided to go all the way across and we, to stay on right, waiting for a better opportunity that never came.

Juan Santos was first at the first mark, followed by Ricoveri, Buckup and Lisocki, we rounded near last.

Mario passed Santos and Ricoveri, showing his usual

spinnaker speed, and that was it. At the line it was Buckup, Santos, Gonzalez, Ricoveri, Lisocki all very close.

After trying the right side with no spectacular results we passed several boats and finished a disappointing eight.

Second race was our second big mistake.

The Port end of the line was as usual favored when we started on Tuesday afternoon and most of the 22 boat fleet was trying to find a hole near the pin. We chose a conservative clear air start in the middle, tacked to port and made it.

We sailed alone to the right side waiting for the wind to come back in our favor while watching all the fleet being lifted on the left.

At the first mark, it was Juan Santos with Buckup, Ricoveri, Fernandez, Gonzalez, Hernandez and Plaza all very close. We again rounded near last.

Reaches were broad and the leaders changed positions several times. The second upwind leg was also a close battle, but Mario rounded first followed by Fernandez and Santos.

We sailed low on the reaches and played the left in the second weather leg and after dead run it was Fernandez, Buckup, Santos, Plaza and us, with Gonzales and Ricoveri very close. We kept playing the shift on the middle with leaders covering. Positions remained the same until last quarter when the wind shifted to the right and favored those boats which stayed in the middle, Fernandez crossed first, followed by Ricoveri who sailed a nice leg coming from seventh. Buckup was third, we came in fourth and Plaza fifth, Santos went down to sixth and Gonzalez to tenth.

We were happy with our upwind speed and good recovery, however Mario looked good with 1-3.

Third race started with same conditions but sea looked more choppy than normal.

Mario got a nice start to port but too close to the usual bunch of Port starters. We chose the middle, broke to clear air, and sailed to the weather mark with a comfortable hole between us and Santos, Gonzalez and Buckup who were pretty close to a group of 6 or 8 boats.

Francisco "Paco" Sola

Everything was fine until, I forgot to open my eyes, ordered "Jibe" to soon and touched the mark. "Hell." When I calmed down and recovered, we were 15th and far from leaders.

I couldn't see what happened with the leaders since we were desperately trying to recover on the last leg, we saw Mario crossing the line well ahead of Santos who came in second. We were pretty close to Suazola and Gonzalez, ahead of Fernandez, Ransauer and Plaza and probably fourth when we decided to cross to left lay line which looked lifted and the left end of the line favored, then, "Hell" again.

A big shift came in from the right and we sailed into one of Salinas' typical dead holes, to be crossed, but I don't know by how many boats. Suazola, Gonzales and Fernandez were third, fourth, and fifth. Plaza was seventh, Lisocki was 13, we came in 14 and Ricoveri 17.

That night we stayed in the Bar longer than usual trying to find some psychological weapon to recover from initial problems. Of course Mario was out of sight with 1-3-1 but the rest didn't look too far away despite our 8-4-14. Santos was strong with 2-6-2, Fernandez was 9-1-5 Suazola 6-7-3, Gonzalez 3-10-4, Lisocki was 5-14-13, Ricoveri 4-2-17 and Champion de la Concha was 14-17-15.

Next day, not only because of our stay in the bar, Salinas looked different. Weather was the same but wind was from the west, there was a larger than normal swell and the spectator fleet was huge.

For fourth race we chose a start near the Port end and sailed a nice first leg very close with Lisocki, Buckup, Gonzalez and Plaza. After several changes in the lead, Lisocki and us got a 15° shift from the right of the fleet and rounded

pretty close and well ahead of Gonzalez, Santos, Buckup and Plaza. Then unbelievable "Hell" again. I made the very same mistake as previous day. After a nice first reach on which we came very close to Lisocki and opened our distance with third. Touch the Jibe mark again.

At the leeward mark, it was Lisocki, Gonzalez, Santos, Buckup and Plaza. We rounded 12 and sailed the rest of the race playing wind shifts and trying to recover since we didn't have more chances.

For the first time Andres Lisocki won this race showing his former usual form, followed by Mario, Manuel Gonzalez and us after crossing Santos and Plaza right at the line. Ricoveri was 10, Suazola 12, Fernandez 16, so we were still counting for at least second position.

Wind was again from the west for the fifth race and it was lighter than usual. We decided to sail our own race and forget (at least for the first half of the race) to cover any boat and to make an aggressive port end start. We got the pin and sailed a long starboard tack then played the shifts near the left lay line and rounded first closely followed by local arch rival Alberto Maspons, Lisocki, Gonzalez, Suazola and Buckup. Santos was deep into the fleet and so was Jaime Fernandez and Ricoveri.

We were passed by Maspons on the Spinnaker run, but we noticed that spectator fleet was to the right of the committee Boat, so decided to go over the left lay line and get clear air.

Maspons didn't cover and we passed him 300 yards before the finish line. Gonzalez passed several boats and was 3, Buckup 4, Suazola 5 and Lisocki 6. Santos finished 14.

At this time Mario Buckup was the winner and he doesn't need to sail the last race.

With a throw out: Gonzalez had 13 points, Santos 16, Sola 17, Suazola 21, and Fernandez 21.

So, again as it happened in our last two South Americans we were going to have a last race battle with two other boats.

In Peru in 1979 it was a battle until the finish with Alberto and Manuel Gonzalez which we won and in Bogota in 1980 it was against Dieter Dyck from Ecuador and Fernando de la Concha with whom we tied for first but lost according to the tie Breaker Rule.

Again we decided to visit the bar and next day were calm and cool with probably the only smiling face in the fleet.

Mario Buckup decided to stay away from the battle ground and joined and Spectator fleet. This was against us since it was one less boat to put in between Gonzalez and Santos.

We went for a hole at the port end to leeward of Gonzalez and Santos and force the first to tack into the fleet and to the unfavored right side. We kept on starboard covering Santos who passed us near the first mark. Lisocki was first followed by Martinez from Ecuador, Fernandez, Ricoveri and Schulbab, no one with a chance to catch us in points no matter how we finish. Knowing this we concentrate against Juan who was 6th, Gonzalez rounded 13.

Since then it was Santos and us trying to put more boats between Gonzalez. And we, to break his close covering and pass Juan.

Up in front, we saw several changes; Lisocki was still leading but Ricoveri went up to second, Fernandez third, Martinez fourth and Schlubab fifth.

Behind us, Gonzalez gained several boats and at the last leeward mark he was eighth.

Starting the last beat we tacked to the left covered by Santos but he was slow and let us foot away to his leeward and soon was luffed and forced to tack. Then we started to cover Juan but at the same time playing the shifts and soon got Schlubab and arrive to the line in fifth, missing Martinez by a few yards.

Juan Santos also passed Schlubab and came in sixth and therefore tied with us.

Both Santos and us remained near the line waiting to see what happened with Gonzalez, who was sailing mixed with and covered by several boats.

Schlubab passed the line, then Ramsaver. Gonzalel came in ninth and tied in points with Santos and us.

Later, the committee confirmed that our first place in 5th race gave us second place.

The results showed that there were at least 5 crews who could have won the title and at least 3 others equally fast. This was probably the reason for the inconsistency that all but Mario showed.

Mario Buckup

In our case I think we were a little faster upwind than the rest, including Mario and for this reason we were not happy with our score. I think we played to much with the extremes with no necessity to do it, and forgetting how dangerous this can be in Salinas. Also I was still wondering how you can touch two marks in two consecutive races, being in the lead and the worse..... Being absolutely clear. Mario showed us that he is still super Mario. He sailed very conservative but with excellent tactics and his traditional spinnaker speed (Joaquin Fenederg's Job). Congratulations to Mario, Telma and Joaquin my good friends from many years and regattas.

Before the races I heard many theories about old boats being faster than new ones. New ones of 13000 series unbeatable off wind and so on. But after these races I was happy to know that the Class doesn't have this kind of problem and that any boat, in good shape of course, can win races. Juan Santos sailed an 11 year old boat, Mario Buckup, Jaime Fernandez and Ricoveri used borrowed boats of the 11000 series, I had my good 12693 and Gonzalez and Lisocki, brand new 13000. Probably, the only handicapped was Fernando de la Concha who brought a brand new Colombian built, wood boat which I think helped Fernando's poor showing.

This boat equality is good for us in South America since there are many old boats which can be competitive with little money and since every day it is more difficult to import new boats.

Looking for the reasons why the class is not growing in my country, the conclusion is simple, our clubs failed in starting Junior Programs and we have always the same old faces which every day are fewer and older. This is a mistake that will take many years to correct and which I hope other South American countries will avoid.

Even so, the class is still the Strongest in South American with the highest talent and with no doubt is the one with the greatest people.

29th EUROPEAN CHAMPIONSHIP

by Pasquale Teri

The 1981 European Championship was sailed in Marsala (Italy) in July 1981. Marsala is a very beautiful holiday town in Sicily where the weather conditions are excellent throughout the whole year. During the six regatta days all the crew had not only the possibility to show their best experience but also the opportunity to visit the marvellous places near Marsala rich of historical records and old traditions.

Of course we needed a good deal of time to set up the championship itself because it was the first time that our club — Circolo Velico Marsala — was organizing such an important event. Moreover it must be remembered that the seventh Federazione Italiana Vela District had never organized a European Championship so we had to face a good deal of difficulties in order to get the best during the championship, which according to all the crews' opinions was excellent.

The winner was the Italian Crew Coccoloni, Di Girolamo, Innocenti, five times first at the finishing line, the fourth regatta was won by the local crew Attina', Attina', Brocato. The runner up was the Greek crew Andreadis, Andreadis, Limberakis. Very good was the performance of the very young crew Messina, Nizza, Vitaggio who gained the fourth final place even if their boat and sails were rather old.

First race: wind ten to sixteen miles from west; 29 boats left the starting line and after a very beautiful race Coccoloni and his crew were first, followed by the crew of Andreadis. Riti was third.

Second race: wind eight to ten miles from the north-west. The general conditions of the weather were the same as the first day even if the wind was just a little less strong. Once again Coccoloni was first, followed by Messina. Riti was

third again.

Third race: wind from six to eight miles from the north. It was a splendid regatta because everyone had the possibility to follow it thanks to the general weather conditions. Coccoloni was first once again followed by the Greek crew of Andreadis. The Swiss Crew Schmid, Buchshacher, Hofer were third.

Fourth race: wind from six to ten miles from the south-west. The local crew Attina', Attina', Brocato were first. This time Coccoloni and his crew were second while Messina was third.

Fifth race: wind from 14 to 18 mph from the north. High wind and choppy seas made this race very competitive and Coccoloni was first for the fourth time. Andreadis was second while Lambelet and his crew were third.

Sixth race: wind from 16 to 24 miles from north-west. The weather conditions were the same as the fifth race even if the wind was a little stronger. For the fifth time Coccoloni was first, followed by Schmid. Du Pasquier was third.

It was a very beautiful championship and the Italian crews gained very good final positions.

In the marvellous sunset of August 27th, near the splendid Mediterranean sea, a crowd of people and the highest local authorities gave their last warmest greetings to all the crews who, after drinking our delicious Marsala wine and receiving the beautiful prizes, returned to their countries happy for having enjoyed an unforgettable holiday.

Next year our club — Circolo Velico Marsala — will organize the third World Youth Championship that will take place in Marsala from the second to the eighth of August.

Fleets: Skaneateles Country Club (1); Mayfield Yacht Club (13); Newport Yacht Club (77); Great Sodus Bay (108); Red Jacket (125); Willow Bank Yacht Club (164); Henderson Harbor Yacht Club (225); Keuka Yacht Club (252); Brockport Yacht Club (267); Galway Lake Yacht Club (338); South Skaneateles Lightning Association (439); Ithaca Yacht Club (484); Port Oswego Fleet (485).

The 1981 sailing season was a most successful one; as usual. Also as usual, the names were on top of the standings at the end of the regattas — with one minor twist. Some of the first names were different.

The season opener at Newport Yacht Club on spacious Irondequoit Bay, was again our most popular regatta. Almost 50 boats attended, representing a good portion of the East coast and Canada. Young Peter Hallagan (familiar last name, different first name) looked like the one to beat in the regatta, after leading Saturday's races with a 1-2-1. Unfortunately, there were two other races. When the dust finally settled on Sunday, Jay Lutz was on top followed by Jed Dodge and Tom Allen. Peter Hallagan finished fourth after having to reround a mark or two in Sunday's races.

The next stop on the District circuit was the L.S.L.S. regatta held at Delta Lake. Here, consistent performance was the key as Ray Nelson of Brockport edged Dick Hallagan for the win. Jim Pindell, Jed Dodge and Jean Hallagan (familiar last name, different first name) rounded out the top five positions.

The Host for the 1981 "District Championship" was Willow Bank Yacht Club on beautiful Cazanovia Lake. Willow Bank surpassed even their own high standards and ran a truly excellent regatta. Janet Sinn returned as our new Women's District Champion and Peter Hallagan who borrowed his Father's (Dick) boat for the season returned as our new District Champion. Jim Pindell had a superb crewing effort and battle back to take the runner's up spot, with Jed Dodge third and Dick Hallagan fourth.

The District was well represented at the "North Americans" sending nine boats. Carrying the torch for the District were the Hallagan's, Dick and Peter. Peter sailed very well and was runner-up in the "Junior North Americans." Dick was the only member of our District to sail in the Blue Fleet this year. With all the young talent in our District, Dick shouldn't be too lonely in this fleet in the future.

Sailing with a stellar crew (Jean Hallagan and Jed Dodge), Bob Dodge showed everyone that he still has that special touch, by winning the "Centrals" on a windy Cayuga Lake.

Central New York is popular territory to former District sailor Bob Wardwell. He made it two in a row by winning beautiful Keuka Lake's "Champagne Regatta" for the second time. Bob said he'd be back next year gunning for three.

The "Triple Crown Trophy," awarded to the best overall finisher in the Newport L.S.L.S. and Champagne regattas, was won this year by co-skippers Peter and Jean Hallagan.

The "Onondaga Invitational" was won by the up and coming Tadd Sinn.

Dick Hallagan, climbing back into his own boat for a change, closed out the Upstate season with a win at the "Harvest Regatta" on Silver Lake.

Congratulations to the winners and thanks to all those who did the work to make it a great season. Hope to see all our old friends and meet some new ones in the coming year.

Fleets: Yacht Club de Chile (317); Algarroblo (318); Capricornio (319); Higuierillas (342); Pichidangui (346); Club de Yates Pucon (482).

The 1980-81 Sailing Season was very active at our district. We begun our competitions early spring on Higuierilla Yacht club and then in November we held the National Championship at Yacht Club de Chile.

In this event Rodrigo Zuazola was first with Jorge Zuazola and Carlos Rossi as crew and second place was Manuel Gonzalez with Loreto Gonzalez and Juan Pablo Barahona.

Afterward during the first week of January we traveled to the South of Chile, specifically to Pucon for enjoying a championship in which was invited Don Delorme, his wife and daughter. This championship was reported excellent by Manuel Gonzalez in a *Flash*. The purpose of it was that Don could tell to all the people of the Class about the place of the next Worlds, although at the time this report is being read all of the participants will know it well enough and what an excellent place it is.

In the last days of April we traveled to the South Americans at Salinas Ecuador. We shipped five boats and a total of six crews flew to participate. The Championship was successful and we had very good races with excellent winds. Mario Buckup did a great job and won it easily, second was Paco Sola, third Juan Santo, fourth Manuel Gonzalez, fifth Jaime Fernandez and sixth Rodrigo Zuozola.

In the winter season we continued sailing at the Higuierillas Yacht Club one weekend per month in order to maintain the training for the Worlds.

In September we began the sailing season each weekend at the same Yacht Club and had very good races with strong winds and large waves.

All the members of the Worlds Committee is working hard to offer a great event to all the participants that will be at Pucon on January 1982.

Runner-Up.....	Dave Peterson

Fleets: Housatonic Boat Club (6); Black Rock Yacht Club (17); Niantic Bay Yacht Club (85); Cedar Point Yacht Club (126); Madison Beach Club (129); Noroton Yacht Club (134).

The District was fortunate to have the Cedar Point Yacht Club host the 1981 North American Championship. John Cuccio and his crew did an outstanding job. This was the first time the Championship was held in our District since 1957. Cedar Point is the only facility, in our District, large enough to hold the event. Being located in the middle of Long Island Sound with a scheduled August series, everyone knew there would be no wind. John did not let this matter go unattended. He applied the Ted Fontelieu Whammy. Did you see those air currents coming out of the Committee boat? Nice job Ted.

Our series started in May at Cedar Point. The winners were so fast that the score sheet got hot and disappeared. Next was the Long Island Sound Championship at Black Rock. Apparently, there was too much competition elsewhere, as this event was poorly attended. At least it gave a chance for old "Woody" to join. John Cuccio was second and Don Barrett was third. Our Districts were held at Madison Beach Club. Jim Crane thought the marks were a little hard to see, so he served as lead boat for all the races. Thanks Jim. Phil Griffen and Guy Moulton jumped the gun, in one race, and failed to hear their recall. With the North Americans at their home club, it was a little hard to bear. Following the lead boat were Dave Peterson, Dick Thackaberry, Jay Renehan, Don Barrett and John Vann. Out of these qualifiers, Crane was fifth in the Blue flight and Thack was the big winner of the Yellow flight. Twenty pounds of sterling silver — that's what you get to worry about when you win the Connecticut Governor's Cup. The 1981 worrier is Dave Peck followed by Georges Peter, Edson White and Guy Moulton. The Steak Committee was also a big winner. Back to Cedar Point for the Fall blast. Jay Lutz was the top survivor, followed by Jim Carson, Don Barrett, Frank Atkinson and Georges Peter. Many District sailors concluded the season at fabulous Spofford Lake. Priorities are rearranged to assure solid fun. Racing is included if time and conditions permit. The host go all out with the food, cocktails, and good times. A clear, tiny lake provides interesting racing, where your position can be assured, only, after crossing the finish line. Jody Lutz, with his "lousy" crew won the three race event; followed by Don Barrett, Dick (he goofed) Hallagan and Sandy Peterson.

1982 is in the works, with an additional event scheduled, in June, at Newport. Bill Shore will have to do all the work and will, undoubtedly, suffer with his concentration. Therefore, anyone wishing to beat him will have the opportunity.

District Champion Bob Wardwell
District Runner-Up Steve Bachman
Junior Champion Ron Grotheer
Junior Runner-Up Ted Ganley

Fleets: Washington D.C. (50); Indian River (72); North East River (192); Susquehanna (253); Sassafras River (314); Rehobeth (325); Severn River (329); Marine Corps-Quantico (354); Smith Mountain Lake (377).

1981 was an exceptionally good year for the Dixie Districts in many ways. Several good new skippers have joined our ranks; among them, Jim Capron, Phillip Grotheer, and Doug Dixon. A new regatta was added this year at Kentmore Park on the Sassafras River. With 25 boats appearing for the first start and superb hospitality it was probably the most fun regatta all season.

The Junior Districts were hosted by Quantico with Ron Grotheer taking top honors followed by Ted Ganley, Rose Gentile and Phillip Grotheer among the eight starters. The District Championships were held at Rehobeth with Bob Wardwell winning all, followed by Steve Bachman, Joe Friebele, Frank Gallagher, Dr. Don Delorme and Bill Buckley.

Then it was off the Cedar Point for the North Americans! Cherie Osgood, with Carol Bachman and Claire Osgood as crew, tied for first in the Womens — super job! Bob Wardwell made us all proud with a tenth overall in the Blue fleet. Dr. Don Delorme and Frank Gallagher also qualified Blue but finished a little further back. Joe Friebele after Mark Bryant tuned his boat finished a very respectable seventh in the President's Cup. Tom Hopkins was also a bit nervous in the qualifiers, but once in the Governor's Cup, he really got it in gear with a third overall.

Although the figures aren't finalized yet, it looks like our nine regatta traveling trophy will be won by Ron Buchanan, Dedication and consistency will do it every time! We just finished the regular season with 20-35 mph gear-busters at Rehobeth, Susquehanna, and Annapolis with Bob Wardwell winning all three — Give us a break Bob! Our final regatta was once again at Quantico. Our own John Richardson had a very impressive win with Jim Carson second. Unfortunately, we only had 15 boats at Quantico this year. It would be a real shame to loose this great regatta. Come out and help us support Quantico next year.

Dr. Don Delorme and Steve Bachman are gearing up for the Worlds in Chile in January 1982. Our best wishes go with them.

Fleets: Helsinki (166), Kotka (298), Pori (306), Oulu (307), Raahe (308), Kemi (310), Jyväskylä (328), Pyhaselka (428), Tuusulanjärvi (456), Valkeakoski (468), Jamsa (469).

As you could read in the last years report, the main problem of the Lightning Class in Finland was the lack of boatbuilders who could get a "Ready-to-Sail" Lightning into the market. Now I am happy to tell you that the problem seems to be solved. Through the effort and enthusiasm of Mr. Jorma Lehtonen and with the help of Class members and the Class organization, we were proud to present a new Finn-made Lightning at the beginning of the sailing season in late May. Furthermore we found a sailmaker who was eager enough to start developing competitive Lightning sails for Finnish sailors. The past season was more or less a testing period for this new equipment and perhaps next summer we'll have a fully equipped competitive Finnish Lightning boat sailing in our regattas.

After the Annual Meeting held in Helsinki in October we had the long winter ahead of us and we had to concentrate in the theoretical and administrative aspects of sailing for the following seven months. The Finnish District bulletin *Lightning-Viesti* was published three times during the year by the editorial staff formed from the Class officials of the District.

12581 Osmo Tanskanen, 13098 Laura Hamalainen, 12757 Pentti Laitinen and the rest of the pack at the Finland Districts.

The first of six Ranking Series regattas was held in Lohja in early June with eleven boats participating. Before that we had had the annual "On The Rocks" regatta in Lake Tuusulanjärvi in mid-May. A total of 39 boats took part in one or more of these Ranking regattas but only 12 boats were officially scored in the Ranking results according to the rules of this series. This gives some idea of the activity of Finnish Lightning sailors at the moment. But active or not there still were 34 boats participating in the Finland District Championships held in Saynatsalo south of Jyväskylä, the home of Fleet 328. The weather conditions during this regatta varied from total calmness and hot sunshine to the worst rainstorm and record rainfall of the summer. The races were most exciting and it was on the last leg of the last race when Saku Vento of Tuusula could have his sigh of relief when he noticed that Kari Maenpää of Helsinki finished sixth instead of fifth in the last race. So, the Champion of 1981 is Saku Vento with crew Petri Wikman and Jussi Vesterinen. Saku, 19 years old, is also the Junior Champion of the year and has thus shown the old folks that we better look out for the juniors if we want to make it in future races. Also the Runner-Up, Kari Maenpää with Erkki Maenpää and Oki Wikman were juniors just a few years ago. Third was Osmo Savola of Kotka with crew Marianne and Reijo Puupera.

Unfortunately we didn't have any entries in the Europeans held in Sicily, Italy, but we are going to make it up next year in Greece. The Worlds which will be held in Chile in January 1982 have aroused interest among Finnish sailors in such a manner that we are going to see two boats with letter "L" on their sails at Pucon, Chile.

We are expecting to have a very active sailing season next year, because the Ranking series of 1982 is also the qualifying series for the 1983 Worlds in Naples, Italy.

District Runner-Up..... Fisk Hayden

Fleets: Biscayne Bay (226); Lake Eustis/North Florida (461); Old Port Yacht Club (447); Cedar (478).

Well, the sailing season is NOT over in Florida, and because of our year-round activities, we have two District Commodores to thank for a successful and exciting year. Frank Atkinson, Jr. and Secretary Tom Septembre took us through June and the work of coordinating the Dis-

tricts. Now Fisk Hayden is gearing up for the winter meeting and all it entails with the assistance of Fay Regan, the new District Secretary.

The Southern Circuit is always the highlight of our District's activities, and 1981 was no exception. We love to do the cookout at Miami, and we're really thrilled to know that the 1982 Circuit will add two more races to the Miami Midwinters.

We lost a dear friend, Charlie Beedle, during 1981. Charlie had been an International Lightning Class Association Vice President and Life Member of the Class. The Florida District recognizes the important part Charlie played in the growth of Lightning sailing in Florida, and we are forever grateful.

Once again, the "District Championship" was hosted in June by Biscayne Bay Fleet 226 which sails out of Coconut Grove Sailing Club. Frank Atkinson, Jr. from the host club sailed very well to finish first, with Fisk Hayden from Lake Eustis the runner-up and Jim Alman from Biscayne Bay one point behind for third.

In July, Jack Swenson and Ken Watrous, representing Old Port Lightning Fleet, invited Biscayne Bay to a team race challenge at their facility. After five races, Mike Weber, Jim Alman and Frank Atkinson, Jr. won it for the visitors. A rematch is slated for the summer of '82.

Three Florida skippers sailed at the "North Americans" in '81; Tully Patrowicz and Fisk Hayden from the Lake Eustis Fleet and Jim Alman from Biscayne Bay. Jim won the Thermis Trophy for first-timers, and it was especially meaningful as it has been awarded since before Jim was born!

Also during the North Americans, the Executive Committee approved Fleet 461's request to move from the Southeast District to the Florida District. Our District Commodore, Fisk Hayden, was elected an International Lightning Class Association Vice-President. We're very proud of him!

One of the best regattas in 1981 was the Sarasota Sailing Squadron's annual "Labor Day Regatta" which boasted 318 boats sailing in 33 classes. Although Ralph Suhm of Cedar Lightning Fleet snagged a gorgeous 420 sailor to crew at the last minute (brining the total number of gorgeous crew on *Mysti Blue* to two), he couldn't catch the *Joint Venture* which took Lightning honors for Eric Stibitz/Larry Etheridge of Biscayne Bay.

As of this writing we're working on the agenda for our first Florida District winter meeting. Although winter meetings are nothing new to you northern types, we have a difficult time scheduling it with our busy calendar of sailing.

Any sailors who winter in Florida are especially invited to come and race with us for the few months they're here. If you can't bring your boat, call us to crew. We'll be waiting to hear from you!

The most important event in 1981 has been the 29th European Championship, organized by the Fleet 449 and the Marsala sailing club.

The most important event in 1981 has been the 29th European Championship, organized by the Fleet 449 and the Marsala sailing club.

Marsala represents a very fine Italian skipper who won the European Championship. Lio Coccoloni, officer of Italian Navy, is the new champion and he proved deserving of the title since he finished first in five of the six races.

Our District, even if faced with difficulties, increased its activity. A dozen important regattas are organized on lakes and on the Tirrenian and Adriatic seas, but the principal activity was always in Sicily where the concentration of 14 competitive boats at Marsala make the task easier.

The great problem of the district is the distance which separates the other fleets: Roccheggiani and Viviani of Fleet 466, DeRegis and Nicchiarelli of Fleet 453, Tremante and De Amicis of 249, Merola and Coccoloni of 235, Pellegrini of 467 and Battisti of 479, have travelled many miles (Someone more than 2,000) to take part at the races.

For 1982 the District organizes in Marsala, the World Youth Championship and hopes for the presence of young crews from all European countries and from South and North America.

The organization of the 1983 World Championship has begun, this will take place in Naples, where in 1965, as many surely remember, we had an unforgettable race which was won by Tom Allen with Anne and Bruce Goldsmith.

Fleets: Buffalo Canoe Club (12); Chautauqua Lake Yacht Club (19); Silver Lake Yacht Club (47); Niagara Sailing Club (59); Sandy Beach Yacht Club (78); Cuba Lake Yacht Club (115); Royal Hamilton Yacht Club (118); Toronto Bay (146); Conneaut Bay (180); Chautauqua (198); London (347); Parkway Sailing Club (406); Lake Arthur Lightning Fleet (441);

The Lake Erie District had its usual active season, with a regatta almost every week from May to October.

The Royal Hamilton Yacht Club hosted the District Championship in July. Jim Neville dominated the racing with a low point total of 9, folowed by Larry MacDonald and Allen Humphreys with 24 and 27 points.

The Niagara River Championship, hospitality run by the Niagara Sailing Club, was won by Fritz Dusel. Larry MacDonald Jr. and Tom Allen were second and third.

The Old Salts Regatta, an annual event for skippers and crews over 60 years of age, was won by Stu Anderson followed by Matt Bryant.

The Junior District was a close contest. Mike Zimmermann with 6 points just edged out Sue MacDonald second, and Dave Matteson third, who tied with 8 points.

Three first place finishes won the Woman's District Championship for Brenda Allen.

In the Lake Erie District - Central New York Challenge, Jed Dodge was the individual winner; however, the Lake Erie District team won the challenge.

The Fall Circuit, which consists of regattas at National Yacht Club in Toronto, Silver Lake Yacht Club and finally the Sandy Beach Haul Out, has a variety of conditions. It begins with an open water event, followed by a small lake and concludes with sailing in a strong current a few miles above Niagara Falls. Tom Allen won, followed by Dave Sprague, and a boat co-skipped by Matt Bryant and Bill Potter.

I.L.C.A. ADDRESSING SERVICE

Most of the Fleet and District Officers listed in this Year Book held office during the calendar year 1981. Names and addresses of current officers may be obtained from I.L.C.A. Headquarters.

Fleets: Paupack (16); Lake Mohawk (25); Chelsea (39); High Tor (41); Red Bank (70); Nyack (75); Awosting (95); Harvey's Lake (350).

The 1981 season got off to a good start with Mark Bryant speaking at the Mid-Winter seminar at the Red Dragon Canoe Club. Mark makes some interesting modifications on his lightning and those who took his advice had a jump on their fleet when the season started.

Jon Schwartz was the only Metropolitan District participant at the "Southern Circuit" this year. Jon and his veteran crew finished a credible fifth in Miami making the trip worthwhile.

This year's "Long John Regatta" was reduced to a Sunday event due to poor weather on Saturday. Sunday's race was much more suitable for sailing although the shifting northwest wind kept the sailors on their toes. The winner of the event was Jim Carson with Jody Lutz second and Jay Lutz third.

The "Mid-Hudson Circuit" has another successful year with Ben Hunter of Chelsea taking first place honors. Second place went to Alan Crew of Riverton with Bill Gordon of Chelsea finishing third.

The "districts" were held at Monmouth Boat Club. Unfortunately the moon was in a position so the tide was lower than normal. On Saturday it was hard to tell if you were going slow because of the light air or because you were stuck in the soft mud of the Navesink River. Sunday the Navesink River was dead calm for several hours until a nice breeze filled in providing good sailing. Jack Huntsman found the conditions to his liking and did an impressive job of coming from behind to win his first district championship, with Dennis Farley second, Jon Schwartz third, Sandy Huntsman fourth and Bob Graham fifth.

We were lucky to have the "North American's" at nearby Cedar Point Yacht Club. No trophies were brought home but four sailors, Rob Held, Bill Ewing, Jon Schwartz and Dennis Farley, made the Blue Fleet.

Congratulations to the new North American Junior Champion, Kevin Corr. Kevin along with Mike Mergenthaler and Electra Thomas sailed an

excellent series. In the four races Keven finished no lower than third and walked away with a nine point lead.

This fall saw Sandy Huntsman returning to top form to win the "Short Circuit." Rob Held, a newcomer to the circuit, was second with Bob Sengstacken third.

Overall 1981 was a good year for the Metropolitan District. Again, congratulations to Kevin Corr for winning the Junior North American's.

Fleets: South Haven (30); Devils Lake (31); Crescent Sail Club (51); Lake Fenton (53); Pontiac Yacht Club (54); Higgins Lake (110); Gull Lake Yacht Club (137); Tawas Bay Yacht Club (152); Saginaw Bay (216); Grand Traverse Yacht Club (326); Pentwater (340); Douglas Lake (374); Lansing Sail Club (387); Neatawanta Yacht Club (403); Union Lake Yacht Club (458); Clark Lake Sail Club (475).

The Lightning Class is alive and well in the state of Michigan! On July 9-12, skippers and crews manning 55 boats gathered at Grand Traverse Bay to compete in the largest Michigan District competition ever held.

The early arrivers on Wednesday had the opportunity to sail in a pre-race wind of 15 knots in 95° heat which warmed Traverse Bay water temperature to at least 58°! Unfortunately, the wind gods escorted the front eastward and the 55 competitors were frustrated to the limits with the light and shifty winds for the three days of racing. (The local weather band predicted 10-20 each day — so much for Nowell weather radio.) Four races were finally posted on the scoreboard — a fifth was abandoned after several hours of floating, frisbee, and tennis ball toss activities.

Bruce Goldsmith (Devils Lake) consistently sniffed out the shifts to finish in the top spot with a very impressive 3-2-1-2 victory. He was assisted in this endeavor by wife Sherry and "Van" VanOoyen. Garry Demarest (always in training for a marathon run or a triathlon event) proved that you could swim, bicycle, run and race a sailboat — all in a day's work. He was particularly effective off the wind and his crew, Paul Bailey — a newcomer to sailing — was overheard to have asked Skipper Demarest if they were going so fast because he was "fluffing" the spinnaker more than the other boats! Never mind the jargon — the technique was very right! Garry's second place position consisted of 4-1-7-5 finishes. Rounding out the top nine which qualified for the North Americans were: Tom Jungjohann (Pontiac), Tom Babel (Traverse), Carl Engels (Gull Lake), Dave Nickels (Fenton), Hank Hodgson (Union Lake), Rick Frank (Pontiac), and Wally Smith (Pontiac).

Many thanks to Grand Traverse Yacht Club for hosting such a successful event. The fact that the National Cherry Festival was in progress added to the fun of the weekend. The festival fireworks display over the Bay was very impressive, and the lawn of the yacht club proved to an ideal spectator stand.

The late scheduling of the North Americans made it impossible for many of the college age crews and teachers to go to Connecticut. And the promise of more light and shifty winds on Long Island Sound during August also dampened the enthusiasm of several skippers. This year was a prime example of why you should plan to attend such events despite "typical" weather patterns. As Brian Hussey so aptly put it upon arising one morning with sore muscles — "How nice! A little wind for a change!"

The Michigan junior sailors followed the example set at districts by setting an attendance record of their own at Junior Districts. Eight crews converged on Gull Lake July 18-19 and were treated to races on one of the most beautiful lakes in Michigan. Defending champion, John Mathers, making his last campaign as a junior, sailed his freshly painted and rigged 10850 to another victory. The excitement of winning the event was still fresh in his mind when on the return trip home, he rolled his car and boat over on the highway. The car was demolished, but skipper and boat survived the mishap in good shape. We understand that John is touring the country with a choral group right now, but hopefully he will be back in time to set his sails next spring.

Now for the rest of season. The first regatta is traditionally held on Lake Lansing. YES, they are still dredging. YES, the lake is still quite small and the weeds can be very challenging as Tom Jungjohann found out. And YES, YES, YES, the committee under the able direction of Harry Spick-

nall, ran five flawless races under almost ideal conditions (a little drift towards the end of Sunday). Hank Hodgson and Clarence Holman (Pontiac) repeated their first and second place finishes from the previous season. Brian Hussey (Union Lake) third; Mike Dow, (Higgins) fourth, and Jungjohann, fifth.

Union Lake hosted their third regatta June 6-7. The lack of a yacht club facility seems incidental because of the warm welcome the sailors have always received at the member's homes. This year Ralph and Jackie Waibel offered their residence as "base" station. The weather cooperated beautifully on Saturday gracing the course with a steady 12-18 knots. After three races, many stayed on to windsurf, sail Sunfish, etc. til dark. Sunday, as has become so typical of Michigan regattas this summer, turned to drifting conditions, but a four race series was completed. Jungjohann certainly stayed out of the "weeds" this weekend. With "imported" crew Matt Bryant and wife Jackie, they led the way to the finish line in three of the four races to take top honors. Hodgson was second, Holman third, Paul Miltzer (Fenton) fourth, and Dow fifth.

Gull Lake hosted the first of its three Lightning events on June 13-14. District Commodore, Tim VanderMeulen found the thunderstorm weather on his home lake to his liking. The sun graced us with its presence just in time for the super Saturday night yard party, but another storm front passed through by early morning causing several postponements and much "sponging" of boats. Tim finished the series with 7-3/4 points with Dave Peters (Douglas Lake) just a point behind. Jack Engels (Gull Lake) was third, Garry Demarest (Douglas Lake) fourth, and Jungjohann fifth.

Crescent Sail Club hosted its annual Father's Day Regatta June 20-21. The weather reversed itself offering the skippers a drifter on Saturday and moderate winds of 10-15 for two races on Sunday. Bill McKinley (Pontiac) bested the group with Dow sailing a consistent series to take second place honors. Hodgson, sailing with daughter Lisa, was presented the Father's Day award for the best finish by a boat with a father and daughter or son team on board.

Lake Fenton sponsored the Team Race the following weekend. Seven teams of four boats each tried their hands at match racing in moderate winds. The Devils Lake team made up of Merrill Bales, Bruce Goldsmith, Jim Sayre, and Jack Tibbs sailed to a convincing victory. Pontiac was runner-up in the contest.

Saturday at Douglas Lake dawned gray and thunderstormy which was the prediction by weather forecasters for the entire weekend. But the Douglas Lake area was given a reprieve and by ten o'clock masts were being stepped and the Race Committee was setting a course — a more enthusiastic committee cannot be found and their efforts are appreciated by those of us who don't mind driving almost to the Mackinac Bridge for a regatta on a huge lake surrounded by virgin Michigan forest. For the first time of the season, a five race series was completed. They take their racing seriously up there! We were on the water til 7 p.m. Saturday and were back on the water in another brisk breeze by 9 a.m. Sunday morning. Arlyn Kinkel of Crescent and Douglas Lake, won his first Lightning regatta, with Hodgson 1/4 point behind. Harry Collier of Ohio was third, Louie Nickels (Fenton) fourth, and Dave Peters fifth.

The Higgins Lake Regatta is traditionally held in conjunction with a points series for Hobie Cats and other catamarans which number about 85. This can make for some very interesting mark roundings, but when the wind cooperates, the results are not quite as devastating. Hodgson was off to a good start with two firsts in the five race series, but Demarest with two seconds and a first was just 1/4 point behind at the end of Saturday racing. Demarest won the first race on Sunday while Hodgson's sixth place finish was hopefully his throw out. Hodgson came back to a second in the final race to tie Demarest in points for the series while Garry had a 13th to pitch. Hodgson took top trophy but winning three of the five; VanderMeulen was third, Hussey fourth, and Fred Krauss (Higgins) fifth.

Skippers gathered the following weekend on Saginaw Bay to experience some "open water" racing sponsored by the Bay City Yacht Club. Dow was not to be denied a victory at this one. McKinley completed the series in second, Joe DiSette (Bay City) third, Dave Nickels fourth, and Miltzer fifth.

Following the North Americans and a labor day break, Pontiac Yacht Club, boasting the largest fleet of Lightnings in the world, played host to over 40 skippers. The regatta named "The White Cap" was anything but this year. One race in 1-3 mph was finally completed on Saturday and proved to be the only contest of the entire weekend. Holman won it with Jungjohann second.

The wind was up for Devils Lake September 19-20. Both days were a sailor's delight — Saturday was gusty, Sunday not quite so exciting with the setting of a shifty north-northeaster. Bruce Goldsmith proved he knew his way around his home lake by putting four firsts on the board. Demarest finished the series in second with 20 points, Jungjohann 21, Dave Hatfield

(Gull Lake and newcomer to the Lightning class) placed fourth with 28 points.

Clark Lake, just down the pike from Devils Lake, was not to be outdone! They conjured up a howling wind for both days, with green skies and thunder stirring things up a bit on Saturday afternoon. Everyone survived the squall only to find Sunday even windier. Several boats in all classes tested their "righting" skills. Goldsmith put another three firsts in his pocket, followed by Jungjohann, Nickjels, and Hatfield.

Gull Lake had decided early in the spring to try a second regatta the first weekend of October which proved quite successful with the attendance of 30 boats. It looked like a repeat of Pontiac with one light air race on Saturday, but a moderate breeze set in for Sunday allowing for a three race series. Dave Nickels won his first regatta of the season, followed by Carl Engels, Goldsmith, Jim McCoy (Pontiac), and Hodgson.

Michigan is truly the water wonderland providing excellent sailing on beautiful, crystal clear lakes almost every weekend from May-October. Plan to join the fun in '82.

MIDWEST DISTRICT

District Commodore..... Byron Roe
District Secretary Ninfie Roe
District Measurer Bob Smither
District Champion Ron Blair
District Runner-Up..... Pat Considine

Fleets: Chicago Corinthian (5); Milwaukee Yacht Club (69); Green Bay (112); Lake Davenport (167); Sheboygan (187); Lake Geneva (345); Manitowoc (393).

Our 1981 regatta season was blessed with generally good weather. Many of the regattas had winds in the 20's and 30's with few drifters or fog outs.

The Evans Regatta at Green Bay again kicked off our regatta schedule in June. Not only does Green Bay have the largest fleet in the District but they again managed the largest regatta with 29 boats on the line. First place went to John Esser, second place to Dean Cady, and third place went to Ron Schapee.

Green Bay hosted the Midwest District the following week, consequently many of the out of town sailors were able to leave their boats. Not only did Green Bay offer great food and drink but they also had their super TV coverage from the local stations. The sailors of the 25 boats who raced will not quickly forget the excitement of the last race with winds in the 20's and gusts in the 30's. Needless to say, we had our share of capsizes when the spinnakers went up and even some on the beats. Ron Blair showed his power in breezing to a first, with Pat Considine in second and Dean Cady in third.

The Milwaukee fleet again hosted in early July their annual P & T Regatta, dating back to the 50's and named after a local sailor's children. The weather was on the light side which allowed the 20 skippers and crews to save their energy for funning at a cookout at the home of a fleet member. Dean Cady was first, David Blair, son of Ron, was second and Trig Jacobson was third.

The end of July brought the Ice Breaker Regatta in Manitowoc along Lake Michigan. The Manitowoc fleet is our newest and hosted a 17 boat

participation in this year's regatta. Trig Jacobson was first, Dean Cady in second and Bill Dean in third.

Early August saw many of us at Sheboygan for their Brotz Regatta. It was the usual good times with their famous Sheboygan brat sausages and beer. Lake Michigan gave its usual bluster and when the smoke had cleared Bill Dean of Green Bay was first, Pat Considine was second and Dean Cady was third.

The Hobleman Regatta at Chicago in mid-August was our last district regatta to prepare for the North Americans. Dick Hinze of Chicago was first, Pat Considine, second, and John Walter, third.

Chicago Corinthian hosted their annual Red Flannels Regatta for 15 boats in beautiful fall weather. The wind was again one of strong west winds combined with clear skies and no waves. The 20-30 m.p.h. did test the boats and crews with several spinnaker halyards parting and a broken rudder. Dean Cady again sailed an outstanding regatta with super spinnaker work to take a close finish by 1/4 point for first, Pat Considine was second and Dick Hinze was third.

The wrap-up of the season in late September was the Polar Bear Regatta at Davenport, Iowa. The Lake Davenport fleet again challenged all 10 comers with the Mississippi River's wondering currents and winds. John Evans of Green Bay finished first, Mike Steffenson was second and Jim Flick in third.

The Lake Michigan Championship comprising the Districts and any three other regattas was won this year by Dean Cady with a combined total points for the four regattas at 6½ points. Not only did Dean Cady and his crew race in six of the eight district regattas with no finish worse than third, but they also managed to place second in the Milwaukee Fleet Championship as well. Congratulations to a truly outstanding performance. In second place was John Esser and in third was John Walter.

As we enter 1982 with our boats in barns and garages, many of us are thinking new sails, rigs and boats to help us go faster. Maybe the plans we lay to do even better on the regatta circuit could be furthered by a trip to the Southern Circuit — what a pleasant thought of more sun and great racing. We are again planning a full 1982 with eight district regattas, plus strong individual fleet participation.

MISSISSIPPI VALLEY

District Commodore..... Bob Ohlsen
District Secretary Broady Sharpe
District Measurer..... Stu Bernstein
District Champion Matt Burrige
District Runner-Up..... Greg Florian

Fleets: Decatur (74); Harbor Island (262); Carlyle Sailing Association (266); Memphis (274); and Valley Sailing Association (468).

The Mississippi Valley District is pleased to welcome Fleet 468, Valley Sailing Association, sailing on the Mississippi River at Alton. The new fleet already has 12 boats and it appears they will be quite active in future district events. After conducting an extensive racing program, three of their boats sampled regatta competition, traveling to Carlyle for the Whale of a Sail and two sailed in the Blue Nose in Nashville.

The 1981 Districts were held at Kentucky Lake with 23 boats participating. The Regatta featured ideal wind conditions and flawless race management. Matt Burrige, first; Greg Florian, second; and Brad Currie, third. This was a repeat of their 1980 finishes. This makes three in a row for Matt. Mitch Bohrenkamp lead the "over 50 gang" finishing fourth and Don Sherburne was fifth.

The 1982 Districts are scheduled for June 11-12 at Carlyle, Illinois. It is expected that a large fleet will be on hand to try to end Matt's victory string and to shake up the top three standings.

After sailing in the waters of the Pacific in the 1980 North Americans, Matt Burrige went to Cedar Point, Connecticut, to try the Atlantic in the 1981 North Americans, and again competed in the Blue Fleet. We are proud that Matt will be representing our district in the 1982 Worlds at Chile.

At our annual district meeting, Bob Ohlsen, of Decatur, was elected our Commodore succeeding Bill Baxter of Memphis. Broady Sharpe was elected as our new Vice Commodore.

With the addition of our new fleet, 1982 looks quite promising for our District.

1981 Mississippi Valley Districts

NEW ENGLAND DISTRICT

District Commodore..... David H. Fitch
 District Secretary Richard W. Hale
 District Champion Dave Curtis
 District Runner-Up..... Don Brush, Jr.

Fleets: Centerboard Yacht Club (14); Merrimac River Fleet (121); Spoford Yacht Club (145); Annisquam Yacht Club (151); Marblehead Harbor (189); Bomoseen Lake S.C. (227); Massebesic Yacht Club (273); Chequesset (280); Lake Champlain (301); Squam Lake (332);

Pontoosuc (417); Androscoggin Lightning Fleet (450); Granite Lake (457); West End Racing Club (487).

New Englanders opened the circuit at Newburyport, Mass. on June 20th to compete for the State of Mass. Championship. Light breezes greeted a good turnout for the two races on Saturday. Stu Nickerson won the first race. Dick Hale the second, Jay Lutz took second in both races. The race committee wisely shortened the second race due to enrushing thunder clouds which let loose soon after the fleet was moored for the night. Gorgeous steak and good fellowship prevailed. Sunday Stu Nickerson locked up the championship by winning the 1st race followed by Hale Walcoff and Dave Fitch. Prize winners in order of finish were Nickerson, Jay Lutz, Dick Hale, Hale Walcoff and Dave Fitch.

This years' Districts were more spirited than ever with the North American's located on nearby Long Island Sound. Regatta Chairman Randy Rowland and the Mallett's Bay fleet made the three days absolutely the most enjoyable on Lake Champlain. Two and three quarters races were sailed and the thrill of victory was outweighed by the agony of defeat. "No matter!" the battlefield was moved 300 miles south to Wellfleet on Cape Cod where Kurt Felix, Stu Nickerson, and Kurt Kling performed miracles with the Chequesset Yacht Club a superb setting. The sun and wind gods provided sailors with the most perfect sailing weather.

Out District thrust — geared to promoting Lightning sailing through Junior Participation — saw our first Junior District racing on Friday July 31st. Three good races (won by Meredith Jones) saw the modest 8 boat fleet being covered by a very small handkerchief at every mark. Places changed hands and very smart sailing, and good crew work prevailed despite the lack of traditional help from Mom and Dad. Silverware winners were Mo Jones, John Rickheimer, Peter Duval, Tom Fitch and Pam Tuttle.

What a sight!! Thirty-eight boats on the starting line!! Six out of the first eight 1981 future silverware winners in the North American's were there plus two future 1981 Presidents' Cup prize winners and one Governors Cup medalist — a championship field! The first race, Sat. Aug. 1st was a little disappointing from a lusty wind standpoint, but the Cape reputation for the steady southwest wind prevailed. Great sailing in both the second race on Sat. and Sunday's finale saw Mark Bryant besting Dave Curtis while Don

June 12-13	Northeast Regatta — Fort Adams	Newport, R.I.
July 10-11	State of Maine	Lake Androscogon, Maine
July 16-17-18	N. E. DISTRICTS	Marblehead, Mass.
July 24-25	N. E. Juniors	Spofford, New Hampshire
July 31-Aug. 1	New Hampshire/Vermont	Lake Bomoseen, Vermont
Aug. 7-8	Wellfleet, Chequesset, Y.C.	Cape Cod, Mass.
Aug. 14-15	Mallets Bay Race Week	Mallets Bay, Vermont
Aug. 21-28	North American Championship	Buffalo, N.Y.
Sept. 4-5	Labor Day Weekend	
Sept. 11-13	Massabesic Fall	
Sept. 18-19	Eastern Championship	Westport, CT
Sept. 25-26	Spofford Regatta	Spofford Y.C., N.H.

Brush, Jr., John Collins, Jim Crane, and Stu Nickerson won regatta silverware. District qualifiers in addition were Hale Walcoff, Dave Fitch, and Georges Peter.

Peter Hubbard won the New Hampshire-Vermont championship at Malletts Bay in the year's most underpublicized event marked by limited participation.

Our youth thrust paid off in the Junior North Americans with Bill Fastiggi, David Pinard, and Meredith Jones representing New England. Great experience, difficult sailing and healthy new sailing comraderie made it all worthwhile. All sailed in the Senior NA's and most on prize winning boats.

Ten New England boats in the North Americans!" Our first ever New England North American Champion — Dave Curtis! Silverware winners: Don Brush, Jr. (7th) and Stu Nickerson (8th) with five in the North American top flight. Bud Hamblet — a great fourth in the President's Cup edging out John Collins in fifth. Meredith Jones sailing a super Governors Cup series needed to pass just one more boat for top spot. His explanation, "We were having such a good time, we forgot to win!" His brother Davy Jones, clapped the loudest as he had a last minute entry bid, but was on Matt Burrige's boat enroute to a good blue fleet finish and a crew position with Matt in the Chile Worlds in 1982.

Post season wrap up. Adroscoggin will be the site of the 1982 State of Maine Championship. Provincetown is a welcome addition to our new fleet roster.

Massabesic fall results were John Collins, Dick Hale, Dave Fitch and Dick McClure — a fall tradition of good hospitality, fun racing, and a great time. Massabesic represents one of our stronger growing fleets.

In a fall wind-blown East Coast championship held at the site of the North Americans at Cedar Point, Conn., a fine series was sailed by Ray Harrington. His third place finish earns him a New England Coble trophy for highest finisher. Georges Peter notched fifth.

Finally, Spofford — perhaps the heart and soul of bedrock good-time "not-too-much-pressure — fun sailing"! Jody Lutz complained about his crew, Jay, but won it anyway. Don Barrett sailed a superb series for second and a comeback from a season that has its hard knocks. Over early in the last race turned Dick Halligan and Len Pratt's bid for top finishes aside. It was a great way for memories of 1981 to last through the long, leaf-barren winter for a rebirth of sailing friends and fun in 1982.

OHIO DISTRICT

District Commodore.. Dr. John P. Borland
District Secretary Matt Fisher
District Measurer .. Ralph (Bucky) Powless
District Champion Matt Fisher
District Runner-Up..... Jack Mueller

Fleets: Indian Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Buckeye Lake (43); Rocky River (71); Mansfield (150); Atwood Lake (212); Cowan Lake (303); Hoover (353); St. Mary's (400).

The 1981 season got under way with our annual meeting hosted by Leatherlips Fleet 27 at the Hilton Inn just outside of Columbus. Greg Fisher and Jim Dressel gave two very interesting presentations on sail trim and regatta psychology.

The District racing began at Indian Lake's Shakedown regatta on May 9th and 10th. Dick Collier of the Home Fleet won followed by Dick Brown and Dick Pugh.

The following weekend, the Great Lakes Championship was held at North Cape Yacht Club with medium air on Saturday and a heavier race on Sunday. Tom Allen won followed by Jim Dressel and Bruce Goldsmith.

The St. Mary's 400 Regatta, with predominantly light air, was won by Dick Pugh followed by Mike Hien and Ron Sehulster.

George Fisher won the Leatherlips Windshift Regatta with Dick Pugh second, and Mike Hien third. The annual Fourth of July Regatta at Pymatuning saw a 20 boat turnout and an unusually light air series. Dave Lewis won the Regatta followed by Jeff Borland.

Just prior to the District Championship, Chuck Matlbie lost his battle with cancer and the Ohio District lost one of its most popular, respected, and best all-around sailor in the District's 33 year history. Chuck, several times past champion and an ardent supporter of regattas throughout the country, had been active in our District for over 25 years and has left with us the highest example of sportsmanship and good sailing that we all should try to emulate.

The Ohio District Championship was hosted by Indian Lake Fleet 23 on July 18th, 19th and 20th. The light fluky winds on the water was more than balanced by volleyball games and excellent cocktail parties off the water. Twenty-seven boats turned out with Matt Fisher winning the Regatta by

Dave Curtis on his way to the N.A. title.

one point over Jack Mueller, with George Fisher third, Bob Stemple fourth, and Rob Ruhlman fifth.

The Harvest Moon Regatta was sailed in medium air at Atwood Lake in mid-September. Jack Mueller was the winner, followed by Bill Buckles and Nelson Calley.

The Columbus Mayors Cup is an intracity regatta with participants from Hoover Yacht Club, Buckeye Lake Yacht Club and Leatherlips Yacht Club. This series was won by Dan Dressel for the third year in a row. Carl Clipp was second and Dick Brown was third.

The Buckeye Lake Snowball was held October 10th and 11th, with extremely light air for all three races. Matt Fisher won, followed by George Fisher, Matt Bryant, Will Petersilge and Tom Allen.

PACIFIC NORTHWEST DISTRICT

District Commodore Neil MacGibbon
 District Secretary Bill Sisemore
 District Champion Phil Parshley, Jr.
 Junior Champion Todd Blumel

Fleets: Maple Bay (64); Vancouver (90); Chinook (229); Columbia (283); Okanagan (368); Klamath (455).

This year was marked by a return to normal, following the feverish ditch of 1980, what with the North Americans in San Diego.

We had our usual circuit races in the Northwest, but are trying a new format. To cut traveling to distant regattas — we are quite spread out — skippers can group their regatta entries into three different area pairings and still qualify for our overall circuit championships.

Our 1981 Northwest District Circuit Champion is Phil Parshley, Jr., who managed wins at Eugene, Vancouver Lake, Klamath Falls, and Seattle, to firmly trounce the rest of us this year.

The District Championship was held in Seattle this year in light conditions on Lake Washington. The Parshleys won the last race in a drifter to take the Championship — just as they had done four years ago in the same conditions at the same place. Our new District Champion is a student at Oregon State University, and is active on their sailing team.

Our Junior Champion is Todd Blumel, from Maple Bay, B.C., winning for the second straight year.

The last event of the year at the end of October, was held in Seattle. The Portland Fleet held off all comers winning all their races. Virtue does pay off!

PERU DISTRICT

District Commodore Dr. Hector Sabogal H.
 District Secretary Dr. Carlos Navarro, M.D.
 District Junior Commodore Emilio Levaggi T.
 District Measurer Luis Bryce
 District Champion Jose Barreda Moller
 Junior Champion Emilio Levaggi T.
 Junior Runner-Up Carlos Navarro M.

Fleets: Club Regatas Lima (261); Yacht Club Ancon (264); Yacht Club Peruano (265); Universitario de Regatas (424); Peruvian Naval School (452).

This year as before all fleets gathered together taking turns to host local championships. Unfortunately the Peru-Chile and the Peru-Ecuador international competitions did not take place this year, but hopefully will resume this coming one.

We are happy that the new generation of young sailors is ever more active and winning more and more championships. This years Youth Nationals were dominated by Emilio Levaggi-Tocci and his crew Enrique Ocampo and Mauricio Barbis. Carlos Navarro-Mulanovich with his crew Antonio Fortunio-Olivera and Cesar Ugaz were runners-up in close competition with his brother Augusto and his crew Wilfredo Fano and Juan Delgado who were third. Surprisingly Hector Sabogal-Vallaza who had won this event on two previous occasions did not do too good this time. The first two will go to Italy for the Youth World's.

At the time of this writing our regular National Championship is yet to start so we have no results. Hopefully we will be able to send them before closure of this edition so that they may be included above.

The following have qualified for the coming South American and World Championships to be held in Chile next January: 1) Emilio Levaggi-Tocci, 2) Augusto Navarro-Mulanovich, 3) Alex Zimmermann, 4) Hector Sabogal-Vallaza, 5) Carlos Navarro-Mulanovich, 6) Luis Bryce and as a substitute, 7) Cadet Fernando Cerdan. We hope they do well.

 District Measurer John "Buck" Ballatin
 District Champion Cal Herman
 District Runner-Up Barney Merch

Fleets: Southern Yacht Club (62); Mobile Bay (135); Shreveport Yacht Club (175); New Orleans Yacht Club (209).

While the size of our district has not grown as we would like, we have made up for it with good sailing.

The big event of 1981 was our hosting at the Bay Head Yacht Club of the Central Atlantic District Lightning Championships. Competition was keen and exceptionally well matched, and consistency was the key to success.

As often happens, local sailors did well with members of Metedeconk River Yacht Club, Fleet 34 making a clean sweep. Jody Lutz finished first with 12 points. Brother, Jay, was second with 17 points, and the "grand old man" of New Jersey Lightning sailing, Jim Carson was third.

Lightning sailing at Bay Head Yacht Club is still somewhat in the doldrums with Bob and Tay Adams and young Bob O'Brien being the only qualifiers in the Bay series. The junior program, however is heightened by a competitive boat which is supervised by Bay Head Yacht Club Rear Commodore Robert Adams.

We had another full season of racing in Chicago, sailing 36 of our 46 scheduled races. Our Fleet Championship series was won by Dick Hinze with an amazing seven first-place finishes. Dick has been developing his Lightning sailing for 26 years to achieve our most honored award. The Championship winner takes possession of the beautiful Lightning-model Trophy that dates to 1946. This trophy reflects the great Lightning tradition at the Corinthian Club.

Mike Considine was second in the Fleet Championship with Wm. (Buck) Wynn a strong third. Buck Wynn won our Corinthian series and was followed in second and third places by Roger Seitz and Bill Zamzow, respectively.

Our Summer Series was won by Wynn, with Hinze, Smither, and Zamzow following.

While John Walter missed much of our weekend sailing to attend out-of-town regattas, he won our Wednesday evening sailing handily.

Two district regattas, the Hobelman and the Red Flannels, rounded out Fleet 5's season.

Lightning sailors were heavily involved in running the Corinthian Club with Roger Seitz, the Commodore, and Gail Norstrom, Board Member. We are proud of the great job they did for us. The Corinthian Club has evolved from a club of one-design sailors to one whose membership now is heavily weighted toward cruising boat owners. But, it is so important that the Lightning fleet continue to participate in the club's operation.

We did not agree on how the races went, but we did agree on officers for 1982 with Jim Jackson elected Captain and Tom Hennessey elected secretary/treasurer. They replace Martin Seitz and Donna House who held these positions in 1981. Jim ran on a platform of creating a B fleet within Fleet 5 so that owners of restored wooden Lightnings, many of which exist in the Chicago area, can sail in competition. After storing their boats, the Lightning sailors enjoyed themselves at the Commodore's Ball and at the winter's meeting held at Gail and Connie Norstrom's house.

1981 will be remembered by many for its frequent north winds, cool temperatures and rain. Despite mother nature's rendering of the worst, Lightning Fleet 12 sailed a full, exciting and satisfying schedule. Planning got underway with our traditional mid-winter get together hosted by Bob Dobmeier. Officers elected were Jeff Batt as secretary, Bob Dobmeier as treasurer and Matt Georger as Fleet Captain. Jeff is to be given a tip of the hat for his entertaining newsletters.

Competition for Fleet 12 is nothing new and some of the younger skippers provided plenty of it this year. Both Doug Huessler and Pete Huston served notice early in the season as to the caliber of their skills. Huessler demonstrated his superior skill right in the beginning by winning our opening Eby Series and continued by placing in most of those that followed. Watch for both of these boats in the North Americans next year.

Vice-Commodore Ed Roseberry returned as hot as ever this year. Allen, Dobmeier, Fretz, Hughes and Ward all proved their worth this season. Stu Anderson once again proved to be the skipper to watch for pointers on getting the race done and done fast.

Our Wednesday night Meyers Memorial series brought the boats out again this year with Ron Hughes on top of the fleet. The gals took over the race course on the weekend of August 22nd and provided some fierce competition for one another as well as carrying on the tradition of Mother Cary. Congratulations to Peg Roberts on the victory.

We ran our bi-annual auction and what a success it was. Roger and Allen Steck chaired the event this year which was well attended by 75 eager buyers. Item by item, including a new windsurfer, auctioneer Matt Bryant used his own patented brand of arm twisting until all the goodies were sold and a war chest for next years North Americans was built.

Lightning skippers have always had a keen interest in attracting the club's youth to sail with them. We have tried in past years to convey this message to the membership but without much success. This year a number of children sailed on the Lightnings both as crew, and in many cases, as skippers but there is plenty of room for more. There are many Fleet 12 members who would be happy to have an eager, willing and reliable junior to sail with them, either for just one race or as a member of a permanent crew.

In summary, Fleet 12 would like to thank all those involved with race committee and the scorekeepers. Yours is a thankless job but much appreciated. Additionally, we would like to thank Fleet Captain Fred Batson and Commodore Bob Coleman for their assistance throughout the season. We have a big summer ahead next year with the North Americans returning to the Canoe Club as part of centennial year. The obligations on the part of the club are great and Fleet 12 stands ready to justify these efforts both in helping with the organization of the regatta and in trying to return the silver Lightning flash to Abino Bay.

Fleet 13 had another successful sailing season in 1981 with a total of 11 races completed. Rob Klug, who spent 1980 and the early part of the 1981 sailing season building his new solar home returned to competitive sailing in the second half of the 1981 season. Since he couldn't sail in the July Series Rob lent his boat to Mark and Doug Sturges. Mark and Doug have sailed both locally and at regattas, with the Klug Brothers, for the last four to six years, and naturally felt they could beat their skippers. In this case, the Sturges's were extremely competitive and despite a slow start finished only one boat behind Ric Klug in the July series. Ed Koenig with his wife Jo-Ann crewing along with Wendy Beck improved consistently and finished third in the July series. Special credit should be given to Ed's crew who have progressed from a green crew to a competent well trained unit in the last several years.

In the August series, Rob Klug reclaimed his boat, and put Mark Sturges up in the pointed end. Rob's consistent sailing; all firsts and one second, in the August series enabled him to claim the August series, and with co-skipper Mark Sturges the overall fleet championship. Ric Klug finished second in the overall fleet championship, and Ed Koenig finished third in the overall fleet championship.

Rob and Ric Klug and Ed Koenig all participated in Galway Lakes annual race week, which consisted of a Monday thru Friday evening series. Ric Klug with co-skipper Mark Sturges tied for first place with Rob Klug. The members of Fleet 13 would again like to thank Galway for inviting us to participate in the annual Race Week.

Fleet 13 members also participated in Fulton County's, Open Regatta on Great Sacandaga Lake. Over 60 boats of varying sizes and classes competed. The one design centerboard class consisted primarily of Rebels and Lightnings, sailing under a handicap rule. In the final handicapped standings, a rebel was first with Rob Klug, a Lightning, second and Ric Klug, a Lightning, third.

Other regattas Fleet 13 members participated in were Cedar Point's Early Bird; Newport's Lake Delta's; Keukka's The CNY Districts at Cazenovia; and finally the North Americans at Cedar Point. Ric Klug, with a crew of Mark and Doug Sturges, finished fifth at the Districts which enabled them to attend the NA's where they finished 19th in the President's Cup. Ric also managed to finish fourth in the CNY Triple Crown using crews of Mark and Doug Sturges, Russel Ley, and Maria Wyzkowski.

Other crew for Fleet 13 members this year included Katie and Jackie Klug, Eric and Jim Brosch, Eric Linnel, and Bob Wyzkowski.

This summer we missed Sam Folger and crew on the water. Sam who had numerous job and family commitments never got his Lightning off dry land. We hope to see more of Sam next year.

Fleet 13 would like to thank Bill, Stella, and Max Schultz who participated in the race schedule.

As a final note Fleet 13 would like to thank the many yacht clubs that hosted regattas this year. They helped make this an enjoyable season. Fleet 13 hopes everyone has a good winter and we'll see you on the regatta trail next summer.

Since we have now listed our newly elected 1981-82 fleet officers in the masthead of this report, instead of the past fleet captains, as we usually do, it is only fair to report that our fleet captain for 1980-81 was Howard Harsch. Howard did a great job and is the first to be remembered for this season of sailing. Much thanks from your shipmates.

If this year were to receive a name, it is the Year of the Schneiders. Franz, sailing with his wife Sheila and daughter Cathy, swept the season and continues for the second year to win the Miller Cup and be fleet champion. His son Mark Schneider came in second, sailing with sister Caroline. Mark also won the Lake and Yacht Club Series. As is often the case in racing over the years at local clubs, a new name has taken command in a big way. The name at LWYC is Schneider.

Third for the season was John Rowley, our former champion, who not only lost the services of his cracker jack crew, his daughters, Mindy and Cindy—but Mindy got married. That's not so bad, but she chose a racing day for the wedding. Tsk. Tsk. Son Lincoln Rowley is stepping to fill the missing talent — and so John Rowley was third.

Fourth was George Madel whose son Mark helped him get there; and fifth was Heinz Kornman, one of our veteran sailors, who did it with the oldest boat in the fleet and the able assistance of wife Eleanor. Sixth was Joe Mark who missed the competition of his arch rival, Stan Moldawsky — who, in turn, was unable to sail most of the season. To make up for Stan, there was an upstart, Bob Baron (with son Robbie and daughter Laura) who took seventh — and the Most Improved Sailor Award. Eighth was Howard Harsch. Sailors like Herm Henschen, Hank Fretz and Peter Boettcher probably would have finished in the money, if they had sailed a full season.

Fleet night was a picnic and lots of fun — managed by our maestro, Howard). The bar was working. Pieces were read by Joan Rowley (our own poet) and Joe Mark (our own Bard). We were happy to be together and sad to see the season end. For the winners, congratulations; for the losers, there's next year!

The LWYC Fall Invitational Regatta tried an experiment this year that worked out well — a one day regatta. Twenty-three boats showed up for medium airs. Franz Schneider won; Tom Bierman from Lake Mohawk was second and George Madel nosed out Sandy Huntsman for third place. Ingrid Rosencrance was in charge of lunch and two great pans of cake emerged from her kitchen. Howard Harsch ran the whole thing from placing marks, cooking hot Hors D'Oeuvres and giving out all the awards — admirably.

Fleet 17 at the Black Rock Yacht Club enjoyed spirited competition this summer between old hounds Jim Nelson, the Locke Sisters, and New Fleet member Vaughn Lee, who ran away with the Honors of Club Lightning Champ. The Fleet sponsored the Long Island Sound Regatta in June. We were represented at the Womens Nationals at Cedar Point Yacht Club by the Locke Sisters, sailing their new boat which was later discovered to be 40 lbs. underweight.

CHATAUQUA LAKE YACHT CLUB (19)

Sailing on Lake Chautauqua, Lakewood, New York

Fleet Captain Charles Hodges
Fleet Secretary James J. McDonnell
Fleet Champion Charles Hodges

Boat No.	Boat Name	Skipper
9332	Blue Mac's	J. J. McDonnell

The Memorial Day Long Race was the season opener. Jim McDonnell jumped out front right at the start and let Harding, Hodges and Holt fight it out to finish 2nd, 3rd, and 4th respectively.

The 17th Annual Cornball brought in boats from as far away as Toronto and Rochester. The final tally showed Cal Schmiede, from the Niagara Sailing Club winner by ½ point, nosing out Dave Sprague from the Boulevard Club in Toronto. The Ingram brothers, Tom and Dave, upheld the honor of the Chautauqua sailors by finishing third.

Chuck Hodges left no doubt who was this year's Fleet Champion when he captured both the Labor Day Long Race and the season's High-Point Series.

Coleman Holt was voted the most improved skipper of '81 and Valerie Harding, female Skipper of the Year.

We are sorry we lost Ed Burger and his jovial enthusiasm. We hope he'll get back soon.

We are looking forward to a busy season this next year with the 18th Annual Cornball as a warm up for the 1982 District Championships to be held at the Chautauqua Lake Yacht Club.

Fleet 23 participated in three series races. Mark Wilkins won the first series; John Timmermeister the second; and Dick Collier the third. The best overall showing goes to John Timmermeister, even though John wrecked his boat on a flying jibe in a 20 knot wind on September 27, 1981. Fleet 23 and the Indian Lake Yacht Club hosted the 1981 Lightning Ohio District Regatta.

1981 was not the greatest in the annals of history for the Lake Mohawk Lightning fleet. Fickle winds or no wind at all were the order of the season.

Lake Mohawk lies in the foothills of the Pocono Mountains. It is about three miles long and three quarters of a mile wide. The best winds are those from either end coming the length of the lake. Anything else is virtually a toss up — 180° shifts. This is the way it was in '81".

Out of a total of forty-seven races scheduled ten had to be cancelled due to the lack of wind. Bob Graham won the Spring Series with Tom Bierman second and Dave MacDonald third.

In the summer it was Bierman first, Ron Beard, second and MacDonald third.

Bob and Tom went to the Districts at Redbank. After four races Bob was leading the fleet, but a bad last race (18th) cost him the District Championship. Bob and crew did get to the North Americans as well as Rich Miner from our fleet. Both sailed in the Governors Cup Series.

Our Fall Series was won by Tom Bierman with Graham second and Ron Beard third.

Tom Bierman ended up as 1981 Fleet Champion.

In the fall Fleet 25 is one of the hosts of a three regatta series called the "Short Circuit." The other two clubs included are Greenwood Lake and Mommouth Boat Club. This year for the first time all the clubs decided to have "one day regattas" rather than the normal two day-overnight type. This we thought would help attendance and help keep the cost down. As a result we did have good attendance, better than the last several years. The only problem is (which didn't happen this year) what happens if it's a blowout or no wind at all?

In any event Bob Graham sailed at Greenwood and placed third. He was our only representative because of the conflictive North American Super Sunfish Championships held on Lake Mohawk which three of our Lightning skippers participated in. Denis Farley from Mommouth won with fellow club member Sandy Huntsman second.

At Lake Mohawk where only two races were held due to almost the lack of any wind, Tom Bierman won, Rob Held was second and Sandy Huntsman third. Mommouth Regatta found Bierman first, Denis Farley second, and Sandy third.

Sandy won the overall "Short Circuit" for the third time in nine years.

Fleet 25 added three new members to its fleet this year and lost one. Pat Rafter joined our fleet and brought back to Mohawk Bill Wagner's good looking red Lightning. Chuck Zackman received a brand new boat for his birthday. Some present! Larry Kenny, a former fleet member, purchased Lightning 11448. Welcome, and hope to see you all on-the-line next year!

Bob Tomassetti who was the mainstay of our fleet took a new job and moved to Florida. He will be sorely missed since his boat, 13154, was seldom not on the starting line.

All in all we're looking toward 1982 for better winds and more participation from fleet members.

O'Shaughnessy Reservoir continues to challenge some of our Class's finest crews. Fleet 27 hosted two fine regattas and welcomed new people to Lightning sailing. The warm comradarie of Leatherlips Yacht Club encourages even a curmudgeon sailor to participate in many fleet and club activities.

We hosted the Fifth Annual Windshift Regatta on June 6 and 7. The winds blessed the nineteen boat fleet with zero to ten knots and with as many directions. The newcomers to the Windshift disavowed all knowledge of winds at Mark one. Our traditional breakdown of the fleet into Divisions I and II gave everyone on the course a chance at the brass. We are always proud to welcome our friends to this second race in the Ohio Governors Cup, and it was an honor to award first place to George Fisher.

The Mayor's Cup Regatta drew competition from Hoover and Buckeye Lake to Leatherlips as we took our turn as host. It blew intensely for five races with Danny Dressel taking home silver. Our youngest lady skipper, Lisa Howald, won the Broken Rudder Award for finding a unique way to embarrass a double-hulled unsinkable Lightning. Byran Kennedy gave Danny good competition for the finish in the last race.

Our travelling skippers were led by Commodore Ron Schulster. Ron placed third at St. Marys after performing surgery on a stump. Sam Fairchild and Harry Robertson joined him in the pleasures of a large body of water. Dick Brown, clearly our travelling ace this year, took second at Indian lake, fourth at a learn-to-sail exercise on Buckeye "ocean", and a fifth at the Cowan Lake "Fall-In".

Winning North American crew, Joni Palmer, treated Mid-Ohio Lightniners and friends to a mid-winter seminar on Racing & Crewing at her country home. Many skippers and skippers-to-be profitted from Joni's experience and expertise.

We are proud to have Lightning Class vice president, Carl Clipp, on board Fleet 27. Rumor has it that he is already saving money for the Class when Helen drops his mail off on her way home. The Clipp Joint was last seen heading for Kansas, and Carl now does his magic with Warren Scheiser's boat.

Our annual Lobster Dinner was enjoyed by all. Paul Howald's "lobster connection" and everyone's pitching-in made the evening another memorable event, especially after Dixie Schulster helped us remember that precious quarter pound of butter to augment Warren Baltimore's kitchen crew.

Perhaps the most satisfying feature of the 1981 season was the appearance of new faces at the tiller. Jeff and Nancy Hilleary are finding new ways to "go fast" with each new race series. Lisa Howald and Bryan Kennedy kept showing the older generation the way to the finish line. Bryan was instrumental in placing second in the Spring Series and the Memorial Day Series behind Carl Clipp. Somewhere a "phantom" sailor and a yet-to-be-named draft choice appeared.

Fleet 27 looks forward to a new year of good company, good spirits, good food, and good times.

Lightning Fleet 31 had another excellent sailing year. The competition improved, but Merrill Bales again dominated by winning the Memorial Day and Commodore Series as well as the Fleet Championship. Merri-

also won the Night Race, using divine guidance to find the finish line after trailing the fleet most of the race.

Beth Tibbs borrowed her father's *Jeritol Jet* and sailed to victory in the Fourth of July Series.

The Stay at Home Series was won by Bill Nuoffer, with the Captain's Series won by a newcomer to our fleet, David Gardiner.

The traveling Bruce Goldsmith was home to win the Labor Day Series. Bruce also placed first in the Michigan District competition in Traverse City and won the DLYC 38th Annual Fall Regatta.

With the prospect of having several new members join our fleet, we are looking forward to an even better season in 1982.

Lightning sailors from Metedeconk River Yacht Club, led by perennial competitor, Jim Carson, and the Lutz team of Jay and Jody again completed a very successful season on the Lightning circuit.

The Long John Regatta started the season with Metedeconk sailors taking 4 of the top 5 places. Jim Carson finished in first followed by Jody Lutz in second, Jay Lutz in third and Mark Beaton in fifth. Metedeconk sailors swept the district championships, taking all of the first five places. Jody Lutz was crowned the new district champion, sailing an impressive regatta. Older brother, Jay finished second, Jim Carson third, Paul Gelenitis fourth, and Mark Beaton fifth. With Metedeconk hosting the districts in 1982 the home sailors should again make an impressive showing.

The Atlantic Coast Championship held at Annapolis saw Jim Carson come out on top, proving he could sail in the varied wind conditions. Mark Beaton was fifth and Jay Lutz, after leading on Saturday, dropped to sixth overall.

Metedeconk had two representatives in the Junior North Americans. Sears Cup finalist, Keith Taboada, finished third (missing second on a tie-breaker) and favorite Jody Lutz finished fourth after a disappointing last race. The North Americans saw four Metedeconk sailors in the blue fleet with Jay Lutz finishing second, Jody Lutz eleventh, Jim Carson thirteenth, and first-timer Mark Beaton back in the pack. Paul Gelenitis in a borrowed boat finished a close second in the President's Cup.

The fall regattas started off with the state championship in Surf City with Jim Carson finishing third and Mark Beaton fifth. Jay Lutz sailed a spectacular regatta to win the Eastern U.S. Championships with three firsts followed by Jim Carson finishing second overall. The Frigid Digit in Annapolis saw Jay Lutz finish in second place. The following weekend in Quantico Jim Carson finished in second place.

While Fleet 34 Lightning sailors had impressive finishes on the road, unfortunately, this took its toll on fleet racing at home on the Metedeconk River. Charlie Thrower finished first in convincing style followed by Mimi Dimon in the relatively small fleet of qualifiers.

Hopefully in 1982 Metedeconk sailors will again have success outside the home waters but will also continue to provide a high level of competition at home.

With a few races to go John Waskom appears to be the Fleet Champion with Willis McQueen runner-up. Our Saturday morning races appear to be working out well with the advantages of beating the July and August heat and leaving the afternoons free for family chores. Some of the fleet are also sailing on Thursday evenings for brush racing, crew training or beer drinking depending on the priorities of the day.

We have added a few additional boats this year giving us a total of ten. In this connection, we owe special thanks to George Hatfield, Dr. Sylvan

Newman and some others in Fleet 435 for encouragement and assistance in locating the boats and equipment so necessary to the rebuilding of our fleet.

Fleet 36 launched the sailing season on May 9 with a seminar conducted by the International Lightning Class Association President George Fisher, followed by a warm-up regatta, cocktail party and dinner.

The spring series races from May 16 through June 14 was won by Al Caldwell with Jim Snelson, second and Jack Borland, third.

The championship summer series from June 20 through August 16 was won with a tie in total scores by Al Caldwell and Don Courtsal. Jack Borland was second, Dave Lewis, third and Jeff Borland, fourth.

Our fall series in September was won by Jonette Maras; Dave Lewis came in second and Bob Scher, third.

Several fun races during the summer included a delightful moonlight race, team racing and a rotation of skippers race. Lightnings placed well in two memorial trophy races and the Fourth of July Regatta sponsored by the Yacht Club. Dave Lewis won the regatta on the 4th. Early in May, Jack Borland and Marilyn Maras conducted a three-day mens' sailing camp that was a huge success — to be repeated in 1982.

Our fleet was saddened by the death of Chuck Maltbie who contributed greatly to the spirit of sailing at Pymatuning. He gave generously of time, enthusiasm and skills to train young people and to advise and encourage the senior members of the club. We will long remember him leading our fleet showing us all how to win graciously.

We will also miss Fred Lange who actively helped develop interest in sailing Lightnings at Pymatuning in the 1950's and 1960's.

We regret saying "Good Bye" to Mary and Al Caldwell who were tops in our Lightning Fleet and served our Yacht Club so well in Executive and Committee capacities. We wish them the best sailing near their new home in Vermont.

Fleet 36 will conclude its season on November 14 with a dinner party and presentation of the season's trophies. We anticipate another active year in 1982 including hosting the Ohio District Championships.

11623	Challenger	R. Samuel York

This has been a year of transitions for Fleet 39. It started quite normally back in May with leaden skies and wind blowing. While the "pro's" stood around debating the demerits of going out, Carol Schneider (new to the fleet, this year) and crew wheeled her boat past us on the way to the hoist. We had no choice but to follow! Luckily, all finished right side up.

The Spring A Series closed with Steve Schwark in first followed by Ben Hunter and Will Gordon tied for second.

Then it started. Steve sold his boat in favor of a one-man boat. Shortly thereafter Will Gordon not only sold his boat to Andy Hunter (Ben's crew) but also got married!

When he regained his senses he reassumed the helm of *Blue Chips*, and with the aid of his wife Caroline finished out the B Series in second place. Sam York captured first place in the B Series.

In the meantime, business trips and vacations interrupted other campaigns such that the fleet barely had three boats on the line. Finally, in the C Series things settled down and Will Gordon took first. Ben Hunter held on to second in the C Series. Sam York took third.

Overall results of A-C Series were Will Gordon, first; Ben Hunter, second; and Sam York, third.

While all this was happening, Ben Hunter was cleaning up the silver on the Mid-Hudson Circuit taking first over-all against some tough competition. We expect another strong showing from Ben next year even though his crew, Andy, will be formidable competition in *Blue Chips*. Carol Schneider will also be a force to be reckoned with next year as a result of the improvement shown this year gaining her the Most Improved Sailor trophy.

To wrap it up, after the last race the fleet members, crew and friends gathered at Frank Newman's for a delicious meal, stories and plans for next year. Sam York and Carol Schneider were swept in by acclamation for Fleet Captain and Secretary, respectively. The fleet looks forward to some good, steady competition next season during which we expect to strengthen and expand the fleet through a significant publicity and educational effort.

Looking forward to seeing everyone at the Chelsea Open next year!

Pictured above are Mid-Hudson Circuit Champion, Ben Hunter, and Chelsea Yacht Club Champion, Will Gordon, and their crews. Left to Right: Andy Hunter, Ben Hunter, Kim Hildreth, Bill Heaney, Will Gordon, Carolyn Gordon.

HIGH TOR LIGHTNING FLEET (41)

Metropolitan District

Sailing on Hudson River, Grassy Point, N.Y.

Fleet Captain	Mark Lewis
Fleet Secretary	Pat Lewis
Co-Fleet Champions	George Bitler & Mark Lewis
Runner-Up	Bill Meyer

Boat No.	Boat Name	Skipper

11227	Heuristic	Paul J. Krick
11583	Meliora III	George Bitler & Mark Lewis
12991	Afternoon Delight	Bill Meyer
13044	E'Clat	Nick Mazzeo
13249	Chuck R. Tripp & W. J. Mergenthaler

Fleet 41 wound up an exciting year of Hudson River sailing with our Last Blast Regatta won by our own Bitler/Lewis team followed by Bob Sengstacken (Greenwood Lake), and super son Gary Hurban (Nyack), and the Wulff man (Ronny from Greenwood Lake). All skippers and crews were winners as prizes were awarded for all places. Frank Newman, a friend of the fleet for many years, won the coveted disguise award for notable consistency on the course.

Eleanor Schreck, with daughter Carol, fed us roast beef and the party anchored by Gary Hurban (The old one) went on into the late hours.

The June Sutherland Regatta was a closely contested event with the top three boats of Ben Hunter (Chelsea), Kerry Klinger (Nyack), and our own Bill Meyer all within one and a quarter points in the standings. Eric Schreck surprised the entire fleet by easily winning the first race on his first outing of the year. Upon finishing, he was overheard to say, "Practice!, Practice!, Practice."

Nick and Beth Mazzeo did a fine job of running the fleet this year. They showed some solid middle of the fleet finishes in tough competition in the major regattas.

A small but tenacious group of skippers and crews competed in the Spring and Summer Series. Bill Meyer broke a tiller in the last race of the Spring Series to put that series in a tie with Bitler/Lewis followed by Schreck and Mazzeo, but it was all Bitler/Lewis in the Summer Series followed by Meyer, Mazzeo, and Schreck. Overall we found Bitler/Lewis-1st, Meyer-2nd, Mazzeo-3rd, and Schreck-4th.

We wish to thank our race committee, friends at the club who do so much to help our fleet, especially Al Phelps and Walt Tripp.

The Silver Lake Yacht Club boosted it's total active racing fleet to 18, making it one of the largest active fleets in the state. The competition was keen this year with no one dominating the trophy events. Skippers who won trophy races this year were Peter Bone, Todd Jones, Mark Dodd, Doug Bliss and Mark Grinden. Most improved skipper this year went to Mike Humphrey and best crew went to David Mattison. Bill Neal had an excellent year and won the Club Championship for 1981.

The "Harvest Regatta" was once again a great success. We were blessed with excellent weather and superb winds. The competition was fierce with skippers such as Tom Allen, Dick Hallagan, Bill Neal, Jed Dodge and Stu Anderson competing for the title. When the smoke cleared Dick Hallagan was the winner with Tom Allen a close second. A good time was had by all especially at the cocktail party Saturday night. We invite everyone back next year.

Fleet 50 has had a very active year by having the "innovative" Mark Bryant provide the members a description of one of his many "theories." The Spring Picnic at the Arnold's really kicked off the formal activities. As always, Carrol and Mike were the perfect hosts and the fleet took advantage of their hospitality. We hope that Mike's decision to sell his boat will not remove him from the Fleet activities. Frank Gallagher challenged and pulled a fourth in the Districts and qualified for the Blue Fleet to the North Americans. Ron Buchanan continued to demonstrate his skill and perseverance in capturing the fleet championship. He is the new Captain. Mean as he pushes his crew overboard if they fail to respond fast enough. The fleet is gearing up for a rebuilding program next year. With the loss of several of the fleet steadies to bigger and better things, a contingent of new sailors are waiting in the wings. We plan to capitalize on the vast amount of experience that remains in the fleet and also not let the departees escape unscathed. Jim Capron joined the fleet this year and has established himself a person to contend with in the future. Another face or faces that have emerged are the Grotheer boys, Ron and Phillip. Both have excellent individual records and will be heading a group of talented juniors next year. The problem is they won't let Daddy, Dieter have his boat to play with. This was the year of a lot

of traveling for the great percentage of the fleet. We are looking forward to greater participation next year at the many sailing opportunities in the Dixie District. Hope to see you there.

A clean start for Fleet 51.

Once again it was time to do battle on Lake St. Clair for the Lightning championship Detroit. This year three new boats joined the fleet to vie for this honor, although skipper Dave Miller may be excommunicated for winning races without serving his full internship. Dave did repent for this discrepancy, however, by repeatedly turning his boat over, thanks to lessons from Mike Williams.

The annual Crescent Invitational Regatta pulled in 23 boats for some big water sailing and partying. Bill McKinley proved to be the best of the bunch, with Mike Dow second, and our mystery guest from our local Snipe Fleet, Fred Rozzelle, pulling a third by "borrowing" a local hotshot's boat when he was out of town.

Wednesday night at the bar was repeatedly interrupted by a series of races that were dominated by Arlyn Kinkel whose boat speed is a direct function of his crew's screaming. Tom Vickers, trying to get to the bar fast, was second and Skip "Leather Boy" Remter was third (but first to the bar).

Sunday "A" Series saw Arlyn Kinkel finding religion to win it again. Tom Vickers got back from the bar to take a second, while Bob Werenski was third.

In the Sunday "B" Series Tom Vickers kept tradition by winning, while Mike Williams stayed upright enough to finish second. Jack Schulte was "given" a third so the fleet captain could have a trophy.

Overall, Arlyn Kinkel took first, with Tom Vickers, second, and Bob Werenski third.

As usual, Loretta Sherry practiced female domination of the entire male Lightning Fleet members. This year's awards go to Dave Miller for best performance, Skip "Leather Boy" Remter for best costume, and Tom Vickers for special effects.

As dock in day approached, four of us at Lake Fenton were frantically working to complete new boats for the 1981 season. The season got underway Memorial Day with only one new boat ready for the water. The other three were finished and began racing as the season progressed.

Our season consisted of 32 races. Only five races were sailed in moderate wind. The balance of the races were in light to drifting conditions. Dave Nickels won the season trophy followed closely by his dad (Herm). In only two races did they ever finish more than one boat apart. So the trophy was up for grabs through the last day.

The Annual Lake Fenton Team Race was won convincingly by the Devils Lake Team of Jim Sayre, Merrill Bales, Jack Tibbs, and Bruce Goldsmith.

Five Lake Fenton boats were proud to take part in the largest ever Michigan District (55 boats). Grand Traverse Bay is one of the finest places to sail in Michigan.

As we look forward to next year we take note that our fleet increased from nine in 1980 to 13 in 1981. We have 17 now in hand to start 1982.

Dock out day brought the season to a close with George Ford falling off the dock in the cold water and showing blazing speed getting from the water to clothes changed and in front of the fireplace where we will spend winter until the Southern Circuit.

The Pontiac Yacht Club opened its 1981 season with the Annual Bug Out Regatta, May 3rd, which was won by Tom Jungjohann. Out of the 80 races scheduled for the season, nine were cancelled. We averaged 15 boats per race, and awarded trophies to 22 skippers.

Rick Frank, with his very impressive season, walked away with three of the six series—Spring Sunday Series, Spring Night Owl Series, Summer Sunday Series, and the Sunday Over-all Trophy. Tom Jungjohann won the Club Championship Regatta. Other winners were: Lauren Bowler—Wednesday Die Hard Series and Wednesday Overall; Bob Mathers—Summer Night Owl Series and Sunday Sno Ball Series; Dave Smith—Commodore Challenge Regatta; Bill McKinley—Match Race Regatta and Michigan High-Point Trophy; John Matters—Jr. Michigan High-Point Trophy; Clarence Holman III—Pontiac Yacht Club White Cap Regatta.

Special awards were given as follows: The Ray Ransom Award (for outstanding service to the Club)—Bob Knop; The Clarence Holman Award (most improved sailor) — Jim Bowers; Good Sportsmanship Award—Bob Sturgill; and The George Bery Award (for persistence) — Ed Dziuba.

Away from home, P.Y.C. was well represented also, not only at the 13 Michigan area "circuit" regattas, but also by 14 boats at the Michigan District Championships, and three boats at the North Americans.

Along with many new members, we also added 11 new boats to our ever-growing fleet. Thus closed a very successful 1981 season for Pontiac Yacht Club.

The 1981 racing season at Lake Shawnee — Topeka, Kansas was marked by good winds, cool weather, and intense competition. Fritz Toussaint was fleet champion with Bud Hunt runner-up; the outcome decided on the last race of the season. Fleet 60 is growing faster than any fleet in the central states with six new Lightning skippers joining in the last two years. This will guarantee even better competition and fun in the years ahead.

Fritz Toussaint battles Bud Hunt downwind for the lead. These two sparred for first all year with Toussaint winning the last race and the championship.

At the beginning of the year we welcomed Ken Sissons into our group. Ken bought the boat Tom Allen, Jr. sailed in the North Americans. George Blumel and Mike Hanson went down to Reno with Ken to pick up his boat. They had an exciting trip complete with black ice, a major snowstorm, and bald tires, not to mention having to explain to Customs why anyone would buy a sailboat in Nevada in the middle of winter to sail in British Columbia.

We had our usual sailing season. With our unusually mild winter, some of the Lightnings joined the keel boats for winter races and managed to keep their hand in all year round. Nine keen skippers and boats that are well matched produce exciting races — almost everyone has either won or at least placed in one or more races.

Our big project this year was developing our club race around Saltspring Island into an international race. We especially owe a debt of thanks to the power boats that went around the course with us as safety boats.

In the new year we are hoping to develop more lightning racing at the various clubs here on the Island.

Our 1981 sailing season ended with the last race of the fall series on October 25. John Brewster edged out Walt Colantuono for first place. Pat Corr was third in the series.

The 1981 "Long John Regatta" was held on April 25 & 26. Jim Carson won this regatta; and from our fleet, Bill Mergenthaler, Bill Ewing, Denis Farley and Jon Schwartz was among the top 10.

Our fleet was well represented at the North Americans. Denis Farley, Bill Ewing, Rob Held and Jon Schwartz were in the Blue Fleet. Jack Huntsman, District Champion, was unable to participate in the North Americans this year due to other commitments.

Congratulations to Kevin Corr on his 1st place finish at Junior North Americans. His crew, Mike Mergenthaler and Electra Thomas also deserve high praise.

We wish to welcome the new members of our fleet: Bill Ewing, Warren Kaiser, Ed Wall, Paul Forsman and Akry Bianco.

Fleet 70 — Fall Series contenders: Pat Corr (13386), John Brewster (11958), Denis Farley (10242), and Charley Roden (12366).

The 1981 sailing season at Cleveland Yacht Club was very materially hampered by the assorted barges and dredges needed to reclaim our waterway from the badly silted-up river. This year's loss however will be next year's gain when we begin the new season with lots of good water.

Some of our skippers got away from it all by attending some of our excellent Ohio District regattas. At the Great Lakes Championship Regatta, Bill Buckles physically demonstrated the infallibility of the old geometric adage that states the difficulty of fitting a square peg to a round hole. He failed to bodily negotiate the porthole window in the bar at the Club House.

The Harvest Moon Regatta at Atwood Lake had all the charm proclaimed by the old times; it was complete with a magnificent Harvest Moon and fresh breezes — a very satisfying place to be sailing a Lightning, even for the newcomer who is unaware of the frustration to be borne "rounding the point."

The Snowball Regatta at Buckeye Lake was anything but snowball this year. Golden sunshine with balmy breezes and a shoreline painted with the many hues of autumn leaves made this an idyllic way to wind up the 1981 Lightning sailing season.

And Newfie winds up the season by receiving the Chinese Firedrill trophy of Cleveland Yacht Club.

Jackie Mueller will serve as Fleet Captain in 1982 and Walter Sellars as Fleet Secretary.

It seems like only yesterday when April rolled in, and the docks were lowered and gently floated off their concrete piers. The heavy winch motors were assembled on the hoists, and after the slip assignments were posted on the bulletin board, our Lightning masts filled the spring air.

Kurt and Ed weren't with us, but straight from the Parke Boyer sailing school, Art and Mary Barrows took over the helm of the *Merry Bee* and added to the competition. Jim Bombal rolled out a rejuvenated *Galatea*, and Mike and Sally Kerber brought along *Blew None* (Can you guess the color?) from Indiana. Departing at the end of the season was the red *Cattywampus* which was always nicking the committee boat.

Saturdays and Sundays are racing days in Basin Two, and five to twelve Lightnings usually competed for the series of each season. Todd Sternaman took a second in the spring and first in the summer. Vince Daube and Bob Buckles were one-two in the fall, and last year's Fleet Champion, Greg Florian, was second in the summer series. Don Johnson won his first race in 1981 but also took the ill-fated but properly named "Swimmers Trophy." Best luck to Bob Ohlsen as the 1982 District Commodore, but does that mean that your life-long boat partner, Jim Lackman, has more time as a helmsman? It is not forgotten, the best is just saved for last—Jim won the spring series.

Overall winner and Fleet Champion is Todd Sternaman who pursued this honor with zeal for the whole season. Congratulations Todd! Greg Florian was second in District and first at the Labor Day Impromptu at Carlyle. Hats off to Fleet 74 for taking seven boats to Carlyle and winning the first five places.

Todd Sternaman, Fleet 74 Champion, and Art Bickers prepare to hoist the main.

This season, Fleet 75 had 18 boats actively participating in 27 races from May 3rd through October 25th. In addition, those who traveled to nearby regattas included the Weitzmans, Hurbans, Carmans, Mayos, Rod Johnson and Howie Rhinehart.

The highlight of this season was the Magnus Pederson Regatta on June 6th and 7th which was attended by 20 boats from as far away as Riverton, New Jersey. Winds were brisk, gusting over 25 knots, which created some hard driving windward competition and some hairy reaches. Once again, the highlight of the weekend was the Saturday evening steak barbecue. When the regatta was over Riverton's Allen Crew captured first place honors, Kerry Klingler from Nyack was a close second, Tom Green out of Amityville, Long Island, took third, and Chelsea's Ben Hunter finished fourth.

Our fleet welcomes the active participation on the race course this year by our new members, Terry Gibbs and Bill Cook. George Conk had a smashing season. Our heartiest congratulations are extended to the proud parents of new future Lightning skippers, the Parkers, Rhineharts and the Cooks. Special recognition goes to Rod Johnson and his crew for their daring seamanship while pushing their craft to the brink, thereby having the seasons record for the most capsizes. They will be presented with floating buckets in the spring.

Fleet 75 is looking forward to hosting the Metropolitan District Championships next year in addition to the Magnus Pederson Regatta. We hope you can join us.

In recalling the highlights of the 1981 season, I would have to say that our proudest achievement was this year's Newport Invitational Regatta. Forty five boats from the eastern United States and Canada attended what turned out to be the largest regatta in the C.N.Y. and Erie Districts. Jay Lutz was the ultimate victor of the five race, seven leg per race series. Rick Zuegel did an expert job of chairing the race committee, and Arnie Sahs designed and built his famous custom trophies for the skippers who finished first through fifth.

As fleet captain, I would like to thank all the volunteers who helped to make this our most successful regatta ever. Most importantly, I would like to thank those who attended our regatta and I hope to see you all again this spring.

Once again, our fleet grew over the preceding year. We're proud to number 36 Lightnings at Fleet 77. We sailed 56 championship series races

this summer, with typical Sunday turnouts of between seven and 22 boats per race.

Following is a list of winners of the 1981 season:

Peter Hallagan..... Spring Series
 George Sereno..... Summer Series
 Tony Orlen..... Fall Series
 Tony Orlen..... Over-all Champion
 Larry Stephens..... "B" Fleet
 Sandy Myerson..... Women's Series
 Dick Hallagan..... Single Handed Series
 George Sereno..... Most Improved
 Wayne Menz..... Tip Over Award
 Bob Jamison..... Award for Most Races Sailed

Fleet 77 is also proud of one of our newer skippers, Peter Hallagan, who won the District Championship, along with Dick Hallagan and yours truly, represented our fleet at the North Americans this year.

As out-going fleet captain, I would like to thank my secretary, Bob LaDuca and all the other members who helped make this another successful year for the Lightnings at Newport. Good luck to the incoming Captain, Barbar Platt and Secretary, Jim Doherty.

The Niantic Lightning Fleet was alive and kicking in '81. Out there being launched from our newly paved parking lot were our old faithfuls, several new boats, and much renewed enthusiasm. Our sailors were very active again this year both at home and away and were representatives at regattas from Red Bank's Long John in April through Spofford's Invitational in late September.

The season series' trophy was proudly won by John Vann and his able assistants Lenny, Joel, etc. Close on their transom were Mitchell-Manthous, Barry Buchler, and Chris Vann the new skipper of *Puff-Puff*. Our home port special series winners were Dave Peterson for Memorial Day, Don Barrett for Independence Day, and Dave Peck for Labor Day. John Oldham won our first annual Junior Day at which Lightning owners gave some of our aspiring young sailors a chance to skipper. Don Barrett ran a long string of firsts to capture the ECYRA. Last but not least was our famous Governor's Cup. This year the huge trophy had to make only a short trip to the home of David Peck. His competition came from Georges Peter, Edson White, Guy Moulton, and Dave Peterson in that order.

Early July saw several Lightnings over on their sides for wet sanding before setting off for the Districts to qualify for the hotly contested spots at the NA's at nearby CPYC. NBYC made a fine showing, and in those unexpectedly strong winds of August, Dave Peterson and Don Barrett were sailing in the green fleet and John Vann in the yellow fleet.

The season neared an end with Don Barrett finishing third at the Eastern U.S. and closed with several boats traveling for a fresh water dip at Spofford Lake. Don again, was in the silver with a second, and Sandy Peterson and her Dad captured fourth.

Our fleet size was at an all time high this season, and we hope for even more competitors next year.

The 1981 season has been one of progress for Lightning Fleet 95. Our fleet grew a bit and we frequently saw seven boats on the starting line in spite of the lengthy vacations enjoyed by several of our members. Each race was hotly contested among our enthusiastic group of sailors, from the pre-season tune ups to the last race of the season. During the tune-ups, Fleet Captain Ron Wulff demonstrated a foolproof technique for capsizing a Lightning on a spinnaker leg. He was able to achieve this by carefully positioning all crew members on the leeward rail and waiting for a puff. This form of knockdown is sure to become known as the "Wulff Down." Ron came right back, however, with two firsts in the "Secretary Series," but was unable to catch Herb Dickert who made good on his promise to get ahead this year and posted three firsts and a second. Herb had the head fully operational by regatta time! The Lightning Fleet was selected as one of three fleets to participate in the U.S.Y.R.U. Racing Clinic and we were happy to make our boats available to members of other fleets who wanted to participate in the "on the water" portion of the instruction. All who participated in the three-day clinic found it to be both enjoyable and educational. One of the few Lightning sailors who did not attend was Ole Olsen, who spent the entire weekend poking around his old wooden boat trying to find a better place to put his mast; and, much to everyone else's frustration, he found just the right spot. When the regular season resumed, Ole was darn near unbeatable, winning seven consecutive races (a feat achieved only once before in the history of Lightning racing on Greenwood Lake), two series, and the Fleet Championship. Congratulations to Ole Olsen and his outstanding crew, Nancy Olsen and Nancy Sengstacken. Everyone else ended up behind the "Eight Ball" in the final series of the season and Nick's two first and a third earned him the runner-up spot for the season. The Johnson team demonstrated their specialty during the Specialty Series — the self-rescuing capabilities of the later Lightning models. They took a knockdown and recovered in 90 seconds!

An election of new fleet officers was conducted at a closed-door meeting held in a smoke filled room late in August. After much deliberation, Nancy Olsen was unanimously elected in absentia as next year's Fleet Captain, relieving Ron Wulff. Jeanette Santoro was selected as Fleet Secretary, replacing Jim Cosmas who served as Fleet Secretary for the past three years; and Bob Sengstacken was re-elected as Regatta Chairman.

The annual "Labor Day Classic" was won by Nick Santoro with Ron Wulff in second place. The "Whiskerpole Regatta" was held on September 12th and consisted of three races sailed in the wider, deeper, stump-free waters north of Fox Island. Our Regatta Chairman, Bob Sengstacken, kept the fourth place silver at home during this very successful one-day event hosted for 15 boats. Being the highest scoring home fleet sailor, Bob also earned the Howell Memorial Trophy, which stays in the local fleet. Fair skies, increasing winds, great lunch, and a super cocktail party (thanks, Lynn!) while watching the sunset (long party!) made for a perfect day! Some of our sailors traveled to Lake Mohawk, Lake Wallenpaupack, Red Bank, and Stony Point before packing their boats away for the winter.

The first fleet event of the year was the annual ski weekend at Mammoth Lake. Sailors from the Mission Bay Fleet also participated. We have not been able to confirm reports that Lightning boats with skis attached to the hull were seen racing down the slopes, but everyone assured us that the skiing was great. Back from the ski trip with all bones intact, Mike Boswell and Peter Aperlo contributed to the Lightning Fleet glory on Clean-up Day at the King Harbor Yacht Club. Our team was judged to be the winner after hauling about 150 pounds of floating and submerged debris from the harbor.

As usual, we hosted the King Harbor portion of the Southern California Lightning Circuit. We had seventeen boats participating in the event. The overall series was won by visiting Jay Lutz from the Metedeconk River Fleet. Our Max Rosenberg, who is a young and rapidly improving sailor, came in second. In early May we sailed the New Cachuma Regatta at Cachuma Lake. This is a new event that was added to our regular racing schedule this year. We also hosted the California District Championship at King Harbor and the "Billie Boswell Memorial Regatta" at Cachuma Lake. Max Rosenberg again came out and showed us how to sail fast by winning the District Championship. Later, he and Mike Brewer attended the North American Championship in Connecticut. Max placed third in the President's Cup races and Mike was 16th in the "Governor's Cup Regatta." We understand that they got to see a lot of Nebraska on their return trip as their truck broke down in Ogallala.

As we go to press, we have completed our "Fall Regatta" with Wendell Harter cementing his lead in the Fleet Championship Series for the umpteenth year in a row. Quinton Foster is the runner-up. We have had eight skippers sailing in the championship series, but the attendance has been spotty at times. Our last regatta for the year is the "Turkey Race" in mid-November. With new members like Bill Marting and Jack Critchfield starting to race with our fleet, we are looking forward to many well-attended regattas in 1982.

Lightning sailing on Higgins Lake is on the increase and Fleet 110 is excited! Several new sailors have joined our local fleet this year.

Mike Dow, Jr. has become a regular traveler from around Michigan spreading the good word. John and Stan Dent joined him at the Traverse City Districts.

Our racing began the weekend before the 4th of July with a practice race. Our 4th of July Firecracker Regatta saw 10 Lightnings sailing, with Mike Dow, Jr. taking first place, Mike, Sr. taking second place and Fred Krauss taking third place. Our Invitational Regatta on the first weekend in August was a great Lightning Regatta. The Lightning Fleet of 19 boats was led by Hank Hodgson, Gary Demarest was second, Tim Vandermeulen third and Brian Hussey was fourth. Higgins Lake then came on strong with Fred Krauss fifth and Mike Dow, Jr. and Mike Dow, Sr. tied for 6th. We concluded our season with a two day Labor Day Regatta which this year was won by Fred Krauss. Stan Dent was second and 16 year old Diane Dow was third.

The Fleet was very pleased to have 12 Lightnings racing at various times in 1981. We have great hopes for several new boats in 1982.

The Higgins Lake Boat Club's facilities are terrific and are constantly being improved. Come and see us in 1982!

"It's finally over."

Our season began in early May with a gathering of present and former members who celebrated the 35th anniversary of the Green Bay Sailing Club. The club has survived through some lean seasons thanks to some gritty members who refused to pull the plug on a good thing, and to the pervasive Lightning that, like the ever-present algae, has refused to leave our shores.

The racing schedule consisted of a spring, summer and fall series with ten races in each series. At it has for the past 35 years, the club raced every Monday and Thursday evening. Summer in the north country is short and evening races free up valuable weekends for vacation time. The Catch-22 is that the evening winds can be fresh at the start then diminish during the race and pick up again after sunset. This weather pattern was more prevalent this year as nearly half of the summer races were cancelled — more cancellations than in the last three years combined. It seemed that no air nights were followed by near-gale winds. The weather notwithstanding, the season proved a success with a record turn-out for races and number of boats registered.

There was the departure of a long-time friend and the return of another. Lyle Bracker left for Madison, selling his boat in the process. We wish him well and hope he will return often. Lyle had been a consistent winner for many years after racing with Jim Hopkins who ravished the Midwest District in the 1960's. Ironically, Hopkins returned this year after a stint with off-shore racing. He restored a vintage Allen and preceded to dominate the summer series with his two children. The transition included the acquisition of several new members — not the least of which was Pat Lennon, a scrappy young Laser sailor who proved himself an instant competitor.

GBSC sophomore Gary Marshall, sailing with his wife, fulfilled a prophecy and captured the Fleet Championship. But it was nip and tuck with the Evans' brothers finishing a close second, building momentum at the season's end. Charley Wolter, Frank Vandersteen and Bruce Bressler proved that club successes are a combination of many people contributing with little recognition or thanks. Thanks guys.

Fleet 112 hosted the "Evans' Regatta" with John Esser of Milwaukee taking first, and the Midwest District Championship won by Ron Blair from Chicago. The club finale, the Walter Masse, was won by Mari Vandenberg and her crew of veteran sailors — Jim Ford and George Bielefeldt.

Though most GBSC racing is done in-house so to speak, several members did travel to other regattas. A small contingent from Green Bay travelled to Savannah and St. Pete for a taste of competition — Southern Circuit style. Though not fairing well race-wise, they felt challenged by the southern waters and hospitality. Bill Dean won the Bratz at Sheboygan and John Evans won the Polar Bear at Davenport, Iowa establishing what we all hope will be a winning tradition for Fleet 112.

Our 1981 season started in May on Cuba Lake. We had a very active season with two to four races every weekend, finishing on Labor Day. The fleet champion was a new skipper, Greg Buckley, with Mike Kane, a second year sailor as runner-up. Our fleet is still in the process of re-building and were fortunate to add two boats this year. With the addition of new skippers, Don Boon and Sam Levine, along with the enthusiasm of our older ones, we hope next year to schedule and host our traditional but temporarily suspended, Three Lakes Regatta.

The big event for Fleet 126 was hosting the 1981 North Americans. John Cuccio's leadership, Gene Wurster's financial wizardry, Eleanor & Wayne Atwell's hours of work and Dick Thackaberry's organizational ability made it happen (along with lots of other Fleet 126 people). And how about our stellar Race Committees — Terrific Ted Fontelieu and Wonderful Wally Lineburg! It was a lot of hard work, but with extremely satisfying results (who says there's no air on Long Island Sound in August?).

Gianni Cuccio's name joins his father's on the roster of CPYC Lightning Champions. Gianni and Tom Ingram fought tooth and nail all summer for first place with Gianni emerging victoriously. In another close battle, Guy Moulton, Bud Titsworth and Dick Thackaberry finished third, fourth and

fifth for the season. Guy and Bud tangled in the Rear Commodore's Cup Regatta as well, with Bud edging Guy by only a quarter of a point for second place behind Gianni Cuccio.

Thack had a great year (again). Supported by crew Kathy, Chuck Whitlesey and sometimes son Evan, he took first place in the North Americans Governor's Cup, fifth in the Club Championship and won the Vice Commodore's Cup Regatta at CPYC. All this while performing ably as both Fleet Captain and North American Vice Chairman — super job Thack!

While Fleet 126 had a lot of fun and a lot of beer in 1981, we mostly worked — we had FIVE (count 'em) regattas in one season: "Early Bird," "North American Championships," "Women's Championships," "Junior Championships" and the "Eastern U.S. Championships" (not too much work on the lawn this summer)!

We missed Tom and Cathie LeBrun this season. Tom was in a serious car accident, but he's recovering nicely and we'll welcome him back in 1982.

The Fleet 126 Road Show made stops this year at Red Bank, Annapolis, Spofford (yea!), Madison, Niantic Bay and Black Rock. Guy Moulton, Bud Titsworth, Dick Thackaberry, John Cuccio and Edson White were the main "roadies." Guy, John and Edson all returned with some silverware. Bud and Dick returned with a lot of empty beer cans.

It was great to see some of Fleet 126's "second generation" on the race course this summer: Thack's son Evan, Alan Chaplain's boys, Adam Lewis (who won the "Commodore's Cup Regatta"), Ellen ("Jay's asleep") Moulton, Jenny Price (who, together with Dad Dick, nailed a solid third in the Commodore's Cup), as well as a boatload of Tistworths (Grandfather Dayton, 70 years old; son Gregory, 6 years old and Budweiser Bud — along with Miss Lightning 1981, Polly Purcell, who sails as good as she looks).

See you at the Early Bird!

Fleet 132 has had a very busy year. The Districts, our mid-winter meeting, and the district team races are held by different fleets in the district on a rotating basis and this year we had them all.

Thanks to the efforts of our able Fleet Captain, Ken Dunkelberg, and our fleet "sparkplug" Alan Hunt, our local racing keeps improving. Two years ago we could only count four boats on the line, this year we had nine and are looking forward to twelve to fourteen next year. Two people we're watching out for are Ken Dunkelberg and Dave Hammer. Both of these guys are second year Lightning sailors and are moving toward the front of the fleet. Eric and Marilyn Lindahl got a late start this year but are doing very well.

We have momentarily lost some of our winning ways on the circuit this year. 1981 marks the first year since 1973 that a Seattle boat has not won the Lightning Circuit trophy. We fully expect to bring the trophy back to where it belongs next year. Bruce Deitz again had the best circuit record with a fourth in the Memorial Day Regatta, a win at VLSC (where?), and a third at the Labor Day Regatta. He also travelled to San Francisco to take a second place in the Pacific Coast Championship. He reports that the hospitality was grand and sailing in 30+ mph winds with temperatures in the seventies is a fantastic experience. Alan Hunt was the next best performer on the circuit with a third at the Kitsilano Regatta and a fourth at the Labor Day Regatta. After Memorial Day when most people are just getting geared up, Greg and Cheryl decided that circuit competition was too tough and took the rest of the season off.

After several years of no wind and/or rain at our own circuit regatta, this year was fantastic with warm weather, good wind, and 17 boats. We're anticipating more of the same for next year.

Local activity in our fleet this year has been minimal. However, some of our members have made the North Americans and the Thanksgiving Regatta in Dallas.

Some of the highlights of this past season have been the District Championship, hosted by our fleet in which we captured three of the top five trophies. Also the Hospitality Regatta at the Jackson Yacht Club in Jackson, Mississippi in which our fleet members placed second and third. The Hospitality Regatta is a new Lightning Championship called G.R.I.T.S. (great racing in the South) which was started by our fleet member Dr. Barney March as a Tri-District Championship.

We are optimistic of the upcoming year with John Stringfellow getting in a glass boat, and Tom Ford finally getting his boat repaired from hurri-

cane damage.

In summary, it has been a year of good racing, competition, and fun.

The Gull Lake Fleet, sailing on Gull Lake Michigan, recently completed a superb 1981 season.

Regular racing, scheduled on both Saturday and Sunday from Memorial Day to Labor Day, improved in both consistent participation and quality of sailing, even though there were few days of no wind. For the first year in a good while, Fleet 137 has a new Fleet Champion — Jack Engels. Entering Labor Day weekend, Carl Engels, then current and past champion, was tied with his son, Jack Engels, who though runner-up in the 1980 season, was not denied the Championship in 1981. Carl Engels was runner-up, with Dan Chappell, third; Matt Howard, fourth; and Mike Rathbun, fifth.

The Gull Lake Fleet comprised nine out of the fifty-six boats in the Michigan District Regatta, which was the highest per capita of any fleet in the District. The Fleet also hosted two regular District Regattas; the first in June, and the second in early October. Tim VanderMeullen won the June Regatta, and Dave Nickels won the October series. Participation of thirty boats in the new fall regatta convinced the Fleet to make the October regatta a regular event, capping the Michigan District racing season.

The Michigan Junior Districts were held on Gull Lake this season as well, and were won by John Mathers of the Pontiac Yacht Club Fleet.

Mike and Bonnie Rathbun once again hosted the "Sail to Breakfast." Unfortunately, the skippers have now realized that if anyone actually *did* sail to breakfast, they'd be left with only the dishes. The current officers are considering changing the season trophies to hot pancakes, just to further motivate the Fleet to get across the finish even faster.

The fleet is growing in numbers, and upgrading itself in new boats and equipment. Jim Rooney and Jim Spurr joined the fleet this year and we will welcome Dave Hatfield and Pat Schultheis in the 1982 season. Jack Engels, Bill Patten, and Tim Stewart will all be sailing new, or at least newer boats next year. Matt Howard campaigned on experimental spinnaker in one race designed to distract all others on the course, and Jim Spurr, in conceding that perhaps the adjustable back-stay may not just be some new-fangled, "here today, gone tomorrow," go-fast gadget, is considering its installation (if only he could varnish it).

1981 will go down as the year the Juniors took over. Dave Pinard just edged out Tom Fitch in their perennial battle for the Sunfish Junior title. Tom sailed his dad's Lightning in the First Annual New England District Junior Regatta & captured fourth. Tom crewed for Bill Fastiggi at the Junior North Americans. Dave Pinard took over the family Lightning this year allowing his dad to skipper at only one regatta. Dave, with his brother Brian and Mike Gemmell crewing, sailed in the Junior North Americans and are looking forward to Buffalo next year.

Dave Pinard, with his dad and brother Brian crewing, won the Championship series with three firsts and a second. Dave Fitch took second, Bud Hamblet third, and Fred Turner fourth. Fletch Willey, without his spinaker, showed us all how it's done in one of the light air races. We hope to see Fletch as a regular next year. Congratulations, Dave and Tom for making us old-timers stand up and take notice. Good luck to you both in Buffalo next year.

On the circuit, Fred Hamblet was hot at Malletts Bay, original site for the 1981 New England Districts. Bud was second in the first race, the only race to be counted, and fourth in the second race when time ran out for the race and regatta. Wellfleet on Cape Cod graciously offered to host the Districts in conjunction with their open regatta on the following weekend. Class heavies Jim Crane, Mark Bryant, Bill Shore and others came to tune-up for Cedar Point. Dave Fitch, with his wife Dottie and son Tom crewing, was the top Spofford qualifier for the North Americans. Dave was frequently observed dueling it out with the top sailors in the class at Wellfleet. Fitch went on to place ninth in the Green Fleet. Dave and Bob Pinard crewed for Bud Hamblet during a great week of Cedar Point North America sailing. Fast Fred Hamblet, with consistently good starts and boat speed, worked his way into President's Cup Silver finishing fourth.

Massabesic defending champ, Dave Fitch, attended that annual Fall event where he captured third. Thirty-one boats from all over the northeast came to the Spofford Fall classic to close out the New England District season. Jody Lutz took top honors in races sailed under beautiful skies and challenging lake winds. Come see us if you are ever up this way.

Fleet 146 had a quiet year in Toronto, but several events out-of-town claimed a number of the Fleet. The Lake Erie District events, the Canadian Open, in Thornbury, Ontario, and the Ontario Open in Bronte, Ontario were some of the more interesting ones.

The Ontario Juvenile Lightning Championship was again hosted by Fleet 146, at National Yacht Club. There were 11 entries in all. Eight races were sailed in light to medium air. Sue MacDonald, of Hamilton, placed 1st, with Bruce Scott, Oakville, and Andy Hunter, of Hamilton, placing 2nd and 3rd, respectively.

The Hurrell Shaker (first part of the Fall Series), hosted by our Fleet at National Yacht Club, had a more interesting aspect to it than most events. This was largely due to the race committee jousting for position with two other race committees from other events for the same spot. With winds light to medium, and shifty, some interesting racing took place. Dave Sprague, from our fleet, placed 1st, with Tom Allen (B.C.C.) squeezing into 2nd, just ahead of Ron Cochrane, in a tied position.

The Canadian Open was held for the first time in Thornbury, Ontario. Full credit for organization, goes to Prentice Smith (Fleet 146) and the Thornbury Reef Club. Top Canadian was Dave Sprague (Fleet 146), who will represent the Canadian Lightnings at the Worlds, in Chile come '82. Dave was also named to the National Team.

Dave Roost (Fleet 146), has been named new president of the C.I.L.C.A.; Cathy Bowman of our fleet, has been named Secretary/Treasurer.

Craig Farquharson, from our fleet, along with Bob Moro, and Tom Payne, are in training for the Canada Games.

There has been substantial involvement of Fleet 146 at local, district and national levels. Of interest, is the growth of the number of Lightnings at Boulevard Yacht Club in Toronto, which will add new challenges to our local fleet. We are looking forward to a more active season in 1982.

Once again the summer has flown by and the bleak days of winter are fast approaching. At Wawasee we had a very active racing season and an upsurge in membership and interfleet racing. Under the auspices of John Call, our esteemed race committee chairman, and the help of Scott Laughner the courses set up were the most consistent that can be remembered. Almost everything cooperated except the timing of the weather which blew favorably all week, but most usually died on race days. All in all though, the season was great fun and very interesting.

We jumped right into our season on the Memorial Day weekend and found that as much as things change they tend to stay the same. George Buckingham again showed that he was going to be tough to beat and along with his standard crew of son Fred and friend Larry Holston, went out and took the series. He was followed by Doug Schmahl and John Nixon. On June 6 we hosted our annual Hoosier Regatta and our good friend Bruce Goldsmith came down and showed us how to sail as he picked up five firsts in as many races. He was consistently followed by second place finisher George Buckingham, third place Bob Carter and fourth by Greg Florian.

Our season soon settled down to our weekly racing series and as the summer progressed we saw more boats coming out after a very sparse beginning. New members Bruce and Sharon Anglemeyer, Frank and Cynthia Yaggi, and Mike and Jan Tosick added to our racing fleet and made our weekend gatherings very enjoyable. Our July 4th series saw our best turnout and the Stuckys, Bill, Steve, and Dee made the most of the light situation to take first with relative ease. John Call finished second with Keith Swihart, George Buckingham, and John Nixon filling out the places.

Labor Day was our final series race and Doug Schmahl was first with George Buckingham again second, followed by Dick Galmeyer in third. The season's Commodore series was won by Steve Miller followed by Bob Troutman and Jack Gibson. For the club's season series George Buckingham once again retained the Fleet Championship followed by a very improved Keith Swihart with third place going to Doug Schmahl and Bill Stucky finishing in fourth. With his championship George once again won the coveted Cynthia Cup and Marty had to get it out of its storage cover to clean it up for the awards presentation.

Although many of the winners names were repeats from past years the fleet saw a closing of ranks as the competition became keener all the time. There were very few "horizon" jobs and more often than not only seconds separated the finishing boats. This has made for excellent racing and a learning experience for all of us.

Socially, the Wawasee Yacht Club had quite a busy summer. We had a very active social committee with numerous carry-in dinners and parties along with the attendance of the Wawasee Boating Association. In August we had the opportunity to attend the 50th wedding anniversary of Paul and

Eva Penn who have been long time members of the yacht club.

Our aim for 1982 is to improve our facilities and hopefully add on to our existing structure. We think we have a very unique Lightning club and we hope that we can keep growing and improving ourselves. We invite you all to come and visit us and make sure you attend our next Hoosier Regatta next June. Good luck and good sailing.

A Cazenovia Lightning Summer

Shifty winds...close races...olympic courses and thunder storms!

Buoy room...turtled boats...the beer fairy and centerboards!

District regattas...downwind planes...spinnakers full...and protest flags!

Starboard tack...port tacks...warning cannon...and horizon jobs!

Tell tales...blown out sales...jibe marks...and weather helm!

Throw outs...lead weights...compass points and spinnaker poles!

Lifts and headers...steak roasts...hiking straps...and masts abeam!

Cunninghams..."All Clear"...toppings lifts...and.....

The rest is yours to complete as you sit by a cozy fire ripping sailing yarns, reflecting on the 1981 summer and awaiting the spring thaw.

It seemed unlikely, if not impossible, that the 1981 season would top the previous year for racing excitement. But, as Fleet 164 set out from the harbor for the 26th and final point race of the summer, none of the first four place finishers had yet been determined. In fact, Dick Tuttle and Tadd Helmer were absolutely deadlocked on points and number of firsts. Dick had a slight edge based on number of seconds and had merely to keep Tadd from winning to grab first place-overall silver — no small task, all things considered! The drama unfolded in predictable fashion — a match race right in the middle of the fleet.

Right from the starting cannon Tuttle managed a windward position and the dual began. Tack...cover! Tack...cover! Tack...cover! Dave Bull, who got the new *Bullship* cranked up by mid-season, saw opportunity and rounded the weather mark first, followed by Tuttle, then Helmer. With a first, Dave could edge out Jim Hole for third place. Up...up...up! Tuttle and Helmer went at it downwind.

For seven legs the match continued, but Tadd was unable to break the cover. Bull won and grabbed third for the season and Tuttle got his first Fleet 164 Champion Trophy. Congratulations to him and crew, Pam and Leslie.

In July, Willow Bank and Fleet 164 played host to the Central New York District Championship. Twenty-seven skippers and crew left the three-day series, some mystified by the tricky winds, others with a lot of "if onlys," but all sure they had just finished a super-enjoyable regatta. Peter Hallagan won the six-race series (including three firsts) and went on to grab second place in the Junior North Americans and tenth in the President's Cup. Willow Banker's Tadd Helmer and Dick Tuttle also qualified to represent Fleet 164 at the N.A.'s. The Willow Bank Yacht Club "Beer Fairy" put in a traditional appearance between races, keeping all boats joyously refreshed. Many thanks are again due to Art Diefendorf for a truly professional race committee performance.

The Labor Day weekend saw a line squall dump all over the chicken bar-b-que, but not before Dave Bull won the Lightning Charter Members Cup Race and Leslie Tuttle grabbed the Lightning Crewettes Championship.

The future of Lightning racing on Cazenovia Lake looks stronger than ever. While we all were sorry to see Milt Rubenstein sell *Full Deck*, we were equally happy to see Steve Burrell take over ownership and show his intentions to be a contender for 1982's championship. Bill Jenner bought Lightning 12725 at season's end and will be an active addition to the fleet. Bill showed his prowess as crew this summer by disappearing overboard on a very heavy air weather leg and returning to the cockpit without losing a single boat. And the list of area sailors looking for Lightnings has grown to seven, indicating 1982's fleet could reach record size.

WBYC will host the CNYRA Regatta next summer. One hundred plus boats of many classes, including heavy Lightning representation, are certain to offer lots of enjoyable racing and partying. This event, plus the promise of more hotly contested racing will provide plenty to ponder and look forward to during the long central New York winter.

So go ahead — reminiscence and add your own memories to this nostalgic repertoire....

In 1981....Cabaniss, Tuttle and Rubenstein sailed for the wrong mark in race 12!

Barter hit Kokot in race 23 — after trying all summer!

Holes went over before the start of race four!

Kokot turtled at the jibe mark in the 16th!

Jim Hole did not make the Herald Journal front page...again!

Ned Cabaniss was seen hiking! (an unconfirmed report.)

Bill Lynch was seen crewing a Lightning!

Keep it going...

I guess we have the same kind of news to tell as so many years before. The top sailors that we always have had keep on travelling around (Though no Finn was sailing in the Europeans this time) and picking up good results. We have even welcomed the Finnish District Commodore Juhani Haila to join our fleet. Anyway it seems to be that there will always be active top sailors in Helsinki regardless of whether there is any fleet activity or not.

From the Districts we didn't get the golden medal. The neighbouring youngsters from Tuusula, skippered by Saku Vento, took the Champion title in front of Kari Maenpaa. The fight was hard to the very end and it got some features of a real sea battle in the last race.

Terho Aromaa is looking forward to enjoy the Chilean summer and we are looking forward to get some results and some experiences from the top sailors from other countries. Terho's son Kimmo is seriously practicing for the Junior Worlds in 1982.

After a sauna-party in November we shall most likely have new fleet officers. The Fleet Captain will be sailing in the Finnish Navy next summer.

Wind conditions were far from perfect last summer for the scheduled Summer Series of Fleet 167, the only organized Lightning fleet racing on the Mississippi River. It seemed that the wind would blow its finest during the week when all were at work and then drop back into the "drifter" status for the races on Sundays. This condition, plus summer vacation trips, resulted in only two members of the fleet qualifying for the Series. Jim Flick and Ken Jensen did their best with the very slow conditions and Flick came out the winner.

The opening Memorial Day Series was raced in unusually heavy air and also won by Jim Flick. Mike Steffenson and his all-girl crew (wife Jean and daughter Sandy) won the Fourth of July Series. The annual race to the Memorial Bridge (about a mile upstream) was abandoned for lack of wind and too much current.

Labor Day weekend is the start of our Fall Series and is always greeted with enthusiasm because the wind gods seem to behave much better in the fall, but that was not to be the case this season. The Labor Day five race series was a complete bust because of no wind on Saturday, Sunday or Monday. Wouldn't you know a beautiful breeze sprang up on Tuesday! The weekends following that disaster improved somewhat but were still far from ideal. Fleet 167's racing season goes until the last Sunday in October. After the results were tabulated, Doug Steffenson, with various family members serving in crew capacity, won his first Fall Series trophy. Winner of the Commodore Series, sailed on alternating Sundays during the summer, was Mike Steffenson. The Fleet Championship Trophy, given to the boat having the best percentage and which qualifies for both the Summer and Fall Series, was won this year by Jim Flick.

The Polar Bear Regatta for Lightnings was sailed on September 26 & 27 with two out-of-towns boats, Gene Matthews from Lake Geneva, WI and John Evans from Green Bay, WI arriving to enjoy the hospitality of our fleet. Despite doubtful weather predictions, all four races in this regatta were held. The rain cleared in time for the races on Saturday and the buffet rib dinner at the Steffenson's home that evening. The weather front came through later that night and Sunday morning's race was sailed in winds gusting to 32 mph. The Green Bay boys took the first place trophy home with them, with Mike Steffenson only one point behind in second. Jim Flick and Henry Neuman, both from Davenport, took third and fourth places.

Fleet 167 was well represented on Lake Davenport Sailing Club's Board of Directors with Jim Flick serving as Commodore, Ken Jensen as Treasurer, and Henry Strieder as Harbormaster. Reed Doughty was on the Board and officiated as Fleet Captain but didn't get to race much during the summer because of his first mate's lengthy "crew expansion" project. Chuck Nelson, sporting a new mast on his competitive *Old Style* represented the fleet on the Race Committee. New fleet members welcomed this season included Pat Goff, Dan Lee, Don Stiegel and Roger Kessler.

As the days get shorter and the nights get crisper, masts are being unstopped and boats are being put away for the winter. Flick and Steffenson are looking forward to their Third Annual Thanksgiving Day Champagne sail. Club members remember the mild (relatively) winter of last year and wonder if January again will be the only month when there wasn't a sail boat on the river. We all look forward to next spring when the brightest spot on the Mississippi River will be Bill Quaintance's new multi-colored spinnaker.

The Lightning fleet in Shreveport experienced intermittent bursts of activity during 1981. Once again the Annual Holiday in Dixie Regatta was a big success. Fine sailing weather and fine food were had by all. George Hatfield from Rush Creek in Dallas took home the first place silver.

Fleet 175 also hosted the Gulf Yachting Association Championships for the Southern District. Approximately twelve boats showed up to race in the tricky winds of Cross Lake. Cal Herman from New Orleans was first. Marcus Millican was able to keep some silver at home by scoring a second.

There are signs of renewed activity in fleet 175. James Mills finally equipped *Mahi Mahi* with an oval mast and Larry Pledger's son, Dean, has grown into a first-rate crew member on *Knee Deep II*. David McCary traded his aged *Moriah* in on a proven racing machine, 11385. David was awarded the Walter B. Jacobs, Jr. Memorial Trophy for being the most active skipper in 1981. Mike Kidda was elected the most improved sailor. 1982 promises to be a year of more boats on the line and keener competition.

We started the season with a whisper on Mothers Day. Frank Marinaccio had stolen the march on us, again, by getting his licks in at the Long John Regatta in Red Bank. Early season preparation paid off, and the ten-race Spring Series went to Marinaccio, with two individual race bullets to Frank Atkinson, and two to Bill Weiss. The Districts were well attended by the fleet, and Tom Green won, with Marinaccio third.

The summer GSBYRA Invitational Regatta Series was a clean-up for Marinaccio. He won Babylon, Narrasketuck, Sayville, Unqua, and Belport. Atkinson won at Bayshore, and Mike Geraghty won at Long Island to break Frank M's streak, but even individual races were hard to swipe from the rapacious Cookie Monster. Al Pearlman and Mike Gargiulo

gathered a few, in addition to Atkinson and Geraghty.

The Wednesday Night Series went to Marinaccio, too, with Pearlman just edging out Betsy Brewer in the last race for second place.

We ran races for the crews to sail the boats in July, and Tom Herring and Mark Brozek were individual race winners, but everybody was a winner on the "fun" scale. Tom Tyler did a great job for us on the committee boat, just for the challenge.

We sent six boats to the Easterns at Cedar Point in the fall, and Frank Atkinson took a sixth overall.

In the Fall series, Marinaccio did it to us, again, with Bill Orchard joining Betsy Brewer in the submarine section.

This report is filed with the Fall Frostbites still going on, so there'll be more to report next year.

Fleet 180 enjoyed another fine season of friendship and competition in 1981. Our season was arranged somewhat differently with nine races scheduled on holiday weekends in a Holiday Series; 18 races for the summer championship series and several novelty days.

The year opened with our Annual Meeting and Dinner held this year at the Iroquois Club. Our Commodore and Secretary were conspicuously missing, awaiting the birth of their first child. The baby is already being taught to jibe a spinnaker.

The Holiday Series began on Memorial Day weekend. Unfortunately, the weather and water were still quite cold, discouraging some skippers. Those heartier souls, particularly Chuck and Doc Good, did very well and built an early point lead. Then when the Holiday Series resumed over the Fourth of July and concluded with Labor Day, Skip Ragghianti, who sailed well all year, and Eddie Shaffer made a contest of it. Final standings for the Series — Duane Good, first; Skip Ragghianti, second; and Chuck Good, third.

Our Championship Summer Series was frustrating to many of us. Several races were cancelled due to drifting conditions or approaching thunder storms. In between nature's tricks, Skip Ragghianti made a shambles of the fleet, winning race after race, and easily became our fleet champion. Eddie Shaffer sailed consistently well to place second. John Shaffer just edged into third, thanks in part to a spectacular capsized by Chuck Good while jibing the spinnaker.

For a variety of reasons, Bob Lilly (who did manage a capsized) and John Hanek did not sail as often this year as in the past. Mark Prather was late getting his boat ready — he refinished his hull and left it natural wood — a beautiful job and very fast.

Most gratifying to Fleet 180 is the addition of two new boats and skippers. Tom McFate and Ed Benvent joined us and both did very well. Both are likely to be a factor in next year's standings.

The summer picnic and Labor Day awards picnic were arranged by the "North End" Stalwarts at Duane Good's barn. Bruce and Lucille Martin, Eddie and Louise Shaffer, the Andrews family, the Hesslers and especially the Goods are most gracious hosts.

With the likelihood of yet another new boat joining our fleet, we seem to be growing. We look forward to the 1982 season which will begin on Memorial Day.

This past season has been one of limited activities as our members have had problems maintaining an active schedule. The major event for the year was the Spring Invitational Regatta, held the first weekend of June. The winds on Saturday could not have been more cooperative. All three races were won by Steve Bachman, who looked like he would be unbeatable at that point. Saturday afternoon a super ham dinner was sponsored by the Upper Chesapeake Yacht Club. On Sunday the wind really came in strong (20-25 knots), which worried several skippers as there was only one crash boat which had to cover a lot of very cold water. Steve elected not to subject his daughter to these conditions as it looked as though his only competition for first place had not come out. Much to Steve's chagrin Randy Eckman was out on the water, but, he was moored waiting for the warning shape. Randy and Charles "Chick" Trayford each won a race on Sunday. The final standings were: Randy Eckman, first; Chick Trayford, second; and Steve Bachman, third.

We had 91 club races/regattas in 1981; 23 are scheduled for 1982. Weather has been ideal for all races except excess wind, which blew out a Sunday race in the Hurricane Gulch series.

There are three new boats in the fleet: Harry Greer bought *Molly*; Paul Brady bought an unnumbered boat; Kim Hutchinson bought *Lightning* 8965.

Two locals, Mike Brewer and Sam Anderson, went to the North Americans (along with Max Rosenberg from Los Angeles) and did very well in not finishing last; Max did better. Mike, with two boats on a trailer and Max's boat on top of the truck cab, blew up his engine in an Indian outpost in Nebraska. It was a month before he got home, boats safe but wampum gone.

Fleet 194 generally wiped out the boys from Los Angeles and San Francisco in interfleet races; but two slick Eastern types, Jay Lutz and Paul Gelenitis, dragged a new Carson out west (for Sam Anderson) and sailed it in the California Circuit, defeating everyone badly. Tired of fiberglass breakdowns, Chuck Schwab is building an aluminum (all-welded; 1/8 inch stock) *Lightning* in his garage, under the scrutiny of local *Lightning* Guru and Aluminum boat master-craftsman Carl Eichenlaub. It is due to be completed in January of 1982, if his wife works hard at it.

The usual fleet Champions Al Poindexter and Kirk Johnson keep on winning, occasionally challenged by young John Lyons and Mean Johnny

Green. Our fleet was bested in the districts by Max Rosenberg who is getting faster and faster; but our fleet took the next three places, with John Lyons, Warren Gross, and Kirk Johnson, in that order.

In inter-fleet regattas, Warren Gross won the May Lake Cachuma series; John Lyons the Pacific Coast Champs, Kirk Johnson the Billy Boswell Memorial, Charlie Gotschalk the Bowen Memorial, Kirk Johnson the Hurricane Gulch Series, and Johnny Green the Coronado Fall Regatta. (Johnny Green, aided by veteran Warren Gross and Old Veteran Bernard Gross took three firsts and is our current hotshot and candidate for the next North American.)

The season opened on a rather dismal note this year when Jack Elfman's Lightning was hit from behind by a truck while being trailed. The boat was a total loss, as were Jack's chances of repeating as fleet champion for the umpteenth time in a row. Jack did, however, manage to make it to the North Americans in a borrowed boat where he competed in the Blue Fleet.

Surf City did manage to pick up some well earned awards on the regatta circuit. Steve Warren had a superb year, winning the Little Egg Harbor Regatta in heavy air and big chop. In the New Jersey State Championship, Steve ran away with the first two races and hung on to take the top prize in a very talented fleet. Jack Elfman completed a one-two sweep of the series by Surf City sailors. In other action, Ralph Messersmith was victorious in the Manahawkin Bay Cup Regatta as well as the Monmouth Spring Series.

Club racing reached new levels of excitement this summer. The Championship Series was not decided until the last race of the season as Fran Temme was crowned Fleet Champion by a quarter of a point over Steve Warren. Tim Robinson won the Commodore Series, once again by a nose over — you guessed it — Steve Warren. Tim won this year's Junior Districts with ease and went on to finish fifth in the Junior North Americans with the help of some outstanding crew work by Paul Martin and Craig Cox. Tim was the recipient of this year's Most Improved Lightning Skipper award and is currently engaged in collegiate sailing at Villanova.

Again this year Fleet 196 extends its thanks to Patti Elfman for the fantastic job she performed running races. Remember back to the day in August seeing Patti in an open 13 foot whaler in the pouring rain recording finishes, one could not help but realize that there aren't too many people with that kind of enthusiasm for the Lightning Class.

Surf City's sailors wish everyone a warm and cozy winter and invite everyone to join us on Manahawkin Bay next year.

For most of the fleet, the season began with a journey to the "other end" of the lake and the Cornball Regatta. Plenty of wind was available to shake down the boats; John Turney and Doug Bargar capsized while Jono Oram punctuated bursts of speed with two spectacular dunks. Tom Ingram held our banner high with a third place finish.

Our fleet championship was again decided in July and a new name appeared — twice! Marty Digel was tied with his sister Julie after the throwout race and became fleet champion by virtue of more firsts. It's a good thing the tiebreaker isn't a beauty contest. Paul Hill was third. Jim Neville overcompensated for not remaining champ by winning the Districts. That prize has been tantalizingly close for years so fleet members were both pleased and relieved.

The August series featured the return of Kevin Dietly who put this one away in convincing style. No one else was close. For the record, Dave Hill was second and Marty Digel third. We closed out the season on Labor Day with Jim Neville leading the way over Jeff Turney. Where was Dave Ingram?

Not to be forgotten, our "All Chautauqua, all fleet 198" womens North American Champions for 1981. Congratulations to skipper Cherie Neville and crew Barb Turney and Mary Bailey.

Our fleet started the '81 season in early March with the Spring Championship open for all boats of our District. We sailed very good races in all weekends from April to July. In August a boat from our fleet won the Argentina District Trials. Some boats of our fleet sailed in all District races as Salto Grande (250 miles from Olivos) and also in Paysandu, Uruguay District, late August. Now we are training for the National South American and World Championships that will be held in November. The women are important members in our fleet. Maria Pascuchi is a young lady but a veteran sailor. Valeria Vila, aged 13, started her sailing experience as crew for her father Angel. Together they are winning very important races.

In October M. Canepa, a former crew of M. Isola and A. Vila, purchased boat 11043 at the same time, Vila purchased new boat 13682.

Our fleet has increased by the end of this past season. We are working for the next Worlds.

1981 was the best year that Lightning Fleet 215 has had in many many years. All of the old hands were there and in addition, we added some new blood. Michael Bastet and Louis Gascon acquired Lightnings and as they are both accomplished sailors added a great deal to the competitiveness that features our sailing events. This activity certainly created a lot of interest and excitement around the Royal St. Lawrence Yacht Club and we are hoping that the enthusiasm will be contagious thereby encouraging other experienced sailors to get in on the action in 1982.

Archibald Cameron distinguished himself again this year in taking his Lightning into a number of the long distance handicap events against all comers and winning. In particular, we mention the Ishkoodah Cup and the Hudson Yacht Club Long Distance Race as well as others. Unfortunately, Archibald did not have his new boat available for sufficient races to qualify for the Fleet Championship which was won by Russel Scrim. As always, George Layton and Moe Jaques were close behind and pressing.

Four boats from our Fleet participated in the Canadian Open at Thornbury. Our Fleet's best result was achieved by Russel Scrim who placed sixth overall, the second Canadian finisher. Next year the event will be in Hamilton and we hope that there will be an even larger contingent representing us on that occasion.

The Lightning skippers and their crews sailing out of the Bay City Yacht Club, Fleet 216, enjoyed one of their most exciting and competitive seasons ever. We competed against each other in two different series. One was our championship series, held on Wednesday nights from May 20th through September 9th. We emphasized shorter, more competitive racing and believe this was one of the contributing factors in averaging 12 to 14 Lightnings each race. As an example of how competitive it was, eight different boats won two or more individual races. Here at Bay City, we are very proud of our turnout and the competition level.

When it came time to drydock the boats, Joe Dissette of Midland won the Championship Series. If you saw Joe at the Michigan Districts you might have been bewildered on his finishes. Well, Joe was bewildered, too.

He completely retuned his boat two different times and still didn't get the desired results. As a last attempt to increase his boat speed, he examined his centerboard. To Joe's amazement, it was warped. He replaced the board and won 12 of his last 15 races. The Lightning skippers here at Fleet 216 would like to give special thanks to Joe. It is through his individual efforts that we have enjoyed continuing growth through the past year.

Rounding out the top five finishes are Ed Woods in second, (this is only Ed's second year of sailing), Carl Hesse in third, Jim Schofield in fourth and Lee Klopferstein in fifth. Lee was actually tied with Jim McCluskey for fifth place, but won in our tie-breaking system.

Our other series was held on several Sunday afternoons during this summer. Joe Dissette also won this series. Jim Schofield came in second and was followed by Carl Hesse. Tom McNish came in fourth and Ed Woods finished fifth.

We also held an individual regatta on August 8th and 9th. The finishes for these races are as follows: Mike Dow from Higgins Lake Yacht Club in first; Bill McKinley finished second from Pontiac Yacht Club. Mike and Bill were tied for first, but Mike won on the tie breaker. Our Joe Dissette came in third with one point out of first. There must be something about the Saginaw Bay that makes sailing so much more competitive and fun. Bill Hole stopped by from California on his way to the North Americans and finished fourth, and Paul Miltzer from the Fenton Sailing Club came in fifth. Trophies were presented to these skippers and crew members.

We would like to welcome aboard the new skippers who joined us this year: George Ascherg (arriving from the East Coast), Peter Dahm, Jack Hebert, Curt Dechon, Larry Hall, Dave Horton, Clark Howell, Gordon Lee, Bruce Shook. Good luck next year.

That's all from Fleet 216. See you next year.

Fleet members were saddened to learn prior to the 1981 Season that Rick Stevens, who sailed away with virtually every trophy in 1980, was to be sidelined with a bad back. We all hope that he will be ready to go in 1982.

Rick's 1980 jib man, John Treadwell, moved to the helm of *Blue Northern* and proceeded to make the boat perform just about as well as Rick.

The traditional open, the Apple Blossom, sailed late enough to be tagged the Green Apple, was won by John Treadwell. Dave Joor sailing *Anahata*,

second; Len Montague sailing *MayDay*, third, and Phil Hoffman sailing *Yea Hootie*, fourth.

The Sunday Series, traditionally sailed every Sunday in July and August, consisted of 12 races, with the best two thirds counting. John Treadwell won the series in a breeze with a score of nine first place finishes of 12 races. Second place went to Dr. Irwin Stone, third to Frank Beadel, fourth to Dick Grissinger.

The Commodore's Cup, two back to back races, was won by Irwin Stone. Second was Frank Beadel, third was John Treadwell, and fourth was Dick Grissinger.

The top four finishers in the Sunday Series qualified to compete in the Skippers Series; four successive races with skipper and crews switching boats after each race. Normally tough on the boats, this year's experience was tougher on the participants. Seems, however, that we all survived, with John Treadwell, first; Irwin Stone, second and Frank Beadel, third.

The season finale was raced in late September. Winner of the 1981 Frostbite was Frank Beadel, Dick Grissinger, second and John Treadwell, third.

We look forward to 1982, anticipating increased participation and superb sailing conditions at beautiful Henderson Harbor.

And we thought we were busy last year! Already the strongest one-design class sailing on Biscayne Bay, we welcomed no fewer than twelve new skippers to our ranks and are proud to count them among us: Dr. Bill Smoak - #13545; Dave Helmick - #10886; Steve Sidelko - #11017; Reid Hutchinson - #9240; Luis Lopez - #10700; Ed Peterson - #11616; Sid Doren and Rick Preston - #13307; Eric Stibitz and Larry Etheridge - #9975; Carol Dawson and Eileen Dawson - #12555; Seymour Owens - #9421; Mike Weber and Mario Bustamante - #13408 and Fay Regan - #12050.

Our 1981 Fleet Captain, Jon Wodka led us through the majority of the season before packing off to Houston, Texas. We all miss him a lot and wish him and his new wife, Linda, all the luck for the future.

Charlie Beedle, former International Lightning Class Association and Life Member of the Class would be proud of the Fleet's development if he could be with us today. Charlie passed away this year and in recognition of his sportsmanship and contribution to the growth of Lightning sailing in Florida, Fleet 226 will be awarding the "Charles P. Beedle Memorial Award" to its annual fleet champion. Charlie, we know you'll be cheering for the winner!

Gonzalo Diaz, Larry Mero and Skip Ryder suit up for "Star Wars."

Our annual Christmas award party which was held in the lovely home of Clint and Martha Hamilton this year, turned out to be the best ever with plenty of yuletide cheer, a sumptuous buffet prepared lovingly by each member who provided their very own specialty, the glittering trophies, expected and unexpected, and a rollicking Chinese auction rounded out the festivities.

Once again, the annual Down Home in the Tropics Bash and Bar-B-Q, held at the Coconut Grove Sailing Club was a rousing success. Of course it helps to schedule it during the Miami leg of the Southern Circuit and invite every Lightning sailor that happens to be around! All the Lightning sailors and friends that were around enjoyed the succulent steaks, baked potatoes and salads, Lightning cake and coffee and of course their fill of beer and wine...we hope to see the same faces and some new ones in 1982!

Fleet Champion Frank Atkinson, Jr. displayed some fancy footwork at the Florida Districts which were held at the Coconut Grove Sailing Club in June. Capturing first place with finishes of 1-2-1-2-1, Frank left the battle for second to be fought between Fisk Hayden, of the Lake Eustis Fleet, who scored a total of 15 points, and Jim Alman, of Biscayne Bay who scored a total of 16 points. Jim also represented Fleet 226 at the North Americans this year where, we are proud to report, he was awarded the Thermis Trophy for best finish position for a first time skipper at the event.

Did you ever wonder what would happen if the winners of your local offshore classes had to compete against one another in a small one-design? We all found out on October 24 when the first annual Star Wars competition was sailed in Lightnings provided by Fleet 226. Under crystal clear skies, with steady 10-12 knot winds and plenty of spectator boats providing refreshments to the competitors, the event was a "to die" affair. Conceived and managed by "Florida Fay" Regan, and consisting of a round-robin series of five races, the winning skipper of each of the IOR and PHRF Fleets chose another skipper from his fleet for crew and joined the owner or owner's representative who functioned as third crew (and who stayed aboard his own boat throughout the series). Skip Ryder, IOR Champ, along with his chosen crew Scott Piper easily captured the title of Cosmic Conqueror, while the Millennium Falcon Award for best boat in the series went to Knute Young aboard the *Booby Trap*. To say that a good time was had by all would be a gross understatement and the regatta has earned a permanent spot in the annual race schedule!

As this is written, the Coconut Grove Sailing Club is undergoing a massive change — in the way of a new clubhouse...by all indications, by the time you read this, construction should be complete and the home base of the majority of Lightnings in our Fleet will boast brand new facilities that we'd love to share with any of you that might be visiting the area, so stop by for a cold one on Fleet 226!

BOMOSEEN YACHT CLUB FLEET (227)

New England District

12832	Catch the Wind	Paul H. Eitapence, Jr.
12981	Blitzen	Joe Mark

Raymond Harrington, Jr., won the 1981 Fleet Championship for the second year which included a first in the Bellerose Series (Labor Day), second in the Stowell Series (July 4th) and third in the Memorial Day Series. Raymond also placed fourth over-all in the Eastern U.S. Championships held in Westport, CT.

James Leamy finished second for the 1981 Fleet Championship season by winning the Memorial Day and Stowell Series, David Stagg was third overall in the 1981 Fleet Championships with second in the Memorial and Bellerose series.

New skipper, Joe Mark, joined the fleet this year putting pressure on the lead boats with a third place in the Bellerose series and ended up fourth in the 1981 Fleet Championship season.

William Potter again won the trophy for best performance for a wooden boat.

The highlight of the Annual Banquet was the honoring and awarding to Sam Stowell the rotating Stowell Trophy, presented by his family. Sam is well known in the Lightning circles and acknowledged locally as the Father of the Lake Bomoseen Fleet 227. Sam paved the way for numerous skippers to obtain a boat and get started in racing in the 40's, 50's, and 60's. The Stowell Series is a two-day, three race event held annually on the 4th of July weekend.

All appears to be well and on the upswing with Bomoseen Fleet 227. From a low of four boats four years ago to ten boats this season and an expected two more next summer, the competition looks good. Fleet 227 will be hosting the Vermont-New Hampshire Championships on July 31 and August 1, 1982.

Dr. Fred Bagley will watch over the fleet as fleet captain and Jennifer Bagley (alternating skippers) will be fleet secretary for the 1982 summer season.

The activity of the fleet has been reduced to a minimum because a lot of our skippers prefer day cruising as opposed to racing in the regattas.

Participation regattas in Italy expensive and very hard because there are long distances between the fleets which obliges the skippers to travel frequently 300-400 miles or more.

For the 1982 Fleet 249 will be organizing one important race at Brenzone on Garda Lake, date June 19-20. This immediately precedes the Italian Championship which will be held at Gravedona, only 150 miles distant.

Fleet 249 invites all Italian and Swiss sailors to the Regatta at Brenzone.

The activity of our fleet began with the Springrace, the second and third of May. Two courses could be sailed. The winner was Urs Schar (13161) and second was Christoph Luthy (13099).

Herzog/Herzog/Herzog and Guhl/Huber and Luthy/Taschler/Stauffer represented our fleet at the Swiss Championship in Murten. Unfortunately Thetis had no luck and had to give up the Championship and broke a lot of material.

The most important event was with no doubt the European Championship in Marsala, that was visited by Luthy and Herzog with their crews and families. I think it paid in all cases for everybody to travel to Marsala.

Other races were visited in Gravedona and Neuenburg.

I hope that our activities in the next sailing season will grow, and that there will be more meetings where everybody can enjoy himself.

The 42-boat fleet heads for the bluff on Keuka Lake during Fleet 252's Champagne Regatta.

The "Champagne Regatta" is the event of the year. The Keuka Yacht Club's five racing classes give the facility over to Lightnings galore, while the E-Scows scurry off to Chatauqua Lake. This year, on August 8th & 9th, we wanted, and got, more boats than before; and in spite of pessimism from the forecasters, gentle 5-to-10 breezes, a kind of hazy sunshine, and balmy temperatures held. Three races on Saturday and one on Sunday were finished as nice as you please. Champagne and steak was consumed by a hundred some nice people. Bob Wardwell from Carlisle, Pa., won again. Brenda Allen took second, tuning for the Women's North Americans, and the whole Tom Allen family was there in a huge bus. The Jones family in 12240 won third, one of the many aggressive, competent Silver Lake boats that finished way up there. Dick Hallagan in a borrowed boat was put down to sixth because Peter starboard-tacked his daddy at the finish line in the third race. Peter finished fifth overall as he tuned for the I.L.C.A. Junior Championships.

For the local fleet, the season started earlier than usual this year, with an early Memorial Day to kick off the racing season. Gerry Levine won the Memorial Day trophy and the June series as well, dominating the fleet in those early weeks. But not so at the start of the regular season, when Harmon won the Fourth of July trophy decisively with two firsts and a second.

Keuka Lake was kind to us this year, rendering no capsizes to the Lightning fleet and no unpleasant drifters until Labor Day Sunday, when the air teased us for two hours. But we finished a two-race Labor Day Series on Monday, won again by the Levines by just a quarter of a point.

When the season records were compared, though Harmon and Gerry challenged all season, the Eckstrom boat prevailed, improving and winning more, until there was really little doubt near the end. Gerry Levine got the runner-up keeper his fourth trophy this year, and Harmon won the third-place trophy.

The year was good, with 18 races, but there were less boats. Kim Leiser has stored his boat during a two-year European assignment, and Tom Kennel moved to Newport. Two competitors have gone, but *Serendipity* returned, and other good boats just need crew.

We were saddened by the death of Dr. Pat Patrizio, a good Lightning friend for many years.

The Fleet had two series of Sunday club races this season. Starling Mikell was first in both series and retains his long-standing position as Fleet Champion. Fred Bush and Dick Rose tried hard all season to catch Mike. They finished second and third, respectively.

Five boats, Anstadt, Bush, Mikell, Rose, and Wardwell, represented our Fleet at the Dixie District races. Bob Wardwell returned with top honors. He and his crew, Cristy Wardwell and Bob Bush, went on to take tenth place in the North American Championships.

Two invitational regattas were held at the Susquehanna Yacht Club. In the Memorial Day Regatta the first and second places went to our racers, Bob Wardwell and Fred Bush, third and fourth places went to the visitors, Randy Eckman and Fred Eng. The Pennsylvania Governor's Cup Regatta, held the weekend of October 3-4, was the highlight of the 1981 season. With thirteen boats from out-of-town, there were twenty-three boats registered for the three races. The Governor's Cup stays at SYC for another year, as Bob won it for the second year in a row. The other trophies were presented to Dick Hallagan, second; Al Mast, third; Mark Schneider, fourth; and Ted Ganley, fifth. It was a great success and will be remembered for plenty of wind, "Kickapoo Joy Juice", and steaks.

Our year started on a tragic note with the untimely death of Betty Kelker, wife of Commodore and Past Fleet Captain Ted Kelker. Betty was an integral part of all our fleet activities for so many years that she will be dearly missed.

To get the fleet out on the water in the Spring, we held a Lightning Weekend in May during which we held a spinnaker workshop, conducted practice races, and had a pot luck dinner for the fleet. The highlight of the weekend was the Lightning movie entitled "Sea and Sails."

In June we hosted the Southeastern District Championship in which 23 boats, seven from our fleet, competed. All fleet members pitched in to make it a successful three day event.

In September we prepared for the Club Championship races with another Lightning weekend during which we practiced our starts and sailing to weather. The practice must have sharpened the skills of Ted Kelker for not only did he take the Lightning Fleet Championship but he went on to win the Club Championship. We always seem to find ourselves chasing Ted around the course. Our fleet continues to grow as more and more people realize the beauty and thrill of sailing a Lightning. We look forward to an active racing season in 1982.

The 26,000 water acres at Carlyle Lake glisten in its setting of low green hills which are surrounded by open Illinois farm land. Wind is unobstructed and in recent seasons has been moderate to strong every weekend. The lake is a pleasant one hour drive from St. Louis, Missouri.

Fleet 266 sails at Carlyle Sailing Association where 300 sailboats are dry-sailed from asphalt boat parking areas, launched from three jib cranes and tied up to over 800 linear feet of dock. The Carlyle Sailing Association facilities rank among the finest in the nation. Each year a different one-design racing class has asked Carlyle Sailing Association to host its national or international regatta.

Fleet skippers have the opportunity to participate in a comprehensive racing program in which three races are sailed every Sunday from May 1st to November 1st. CSA maintains a committee boat and two power boats for race duty. Visiting sailors are assured of fine winds and a warm welcome at our Impromptu Lightning Regatta each Labor Day Weekend. The Whale of a Sail Regatta held two weeks later is a multi-class regatta which attracted nearly 300 boats this year.

It has been a fantastic season! Come sail with us in 1982!

Weatherwise the season was weird. Most of our weekend races were held in light, shifty winds. This made for some very interesting races. However, we missed the steady lake breezes which have characterized most of our racing in the past. Ray Nelson's new boat found the right place at the right time often enough to win the series. On any given day, however, it was anybody's guess, for the fleet was very evenly matched.

One of the highlights of racing at BYC is the long distance race series for all classes and non-classes. Lightnings have traditionally done well in these races, but this year sets some kind of a record. When the dust settled and all the handicaps were computed we had a 3-way tie for first between Ken Lindsay, Ray Nelson, and Al Waugh. The race committee hasn't figured out how to break the tie, so we're getting our hacksaws ready for the awards dinner.

Typical blustery northwest winds greeted the fleet at Massabesic during the spring meet. These same winds prevail during the winter months, and has made Lake Massabesic a local mecca for iceboating activity for over the past half century. Spring provides roller coaster type sailboat races, but New Hampshire weather can change so rapidly, that few sailors missed these stirring Sunday competitions. With spring rapidly drawing to a close, competition was keen and the Adams family took first, Dick Crowe, second and Jim Sopol, third.

Just as spring is noted for shifting and gusting northerly winds, the summer is noted for frequently interrupted light, variable winds, making

crew and boat endurance minor, while keen observation and strategy become the object of the race.

Perhaps more important this summer was the emergence of the stable three-member crew. Ron Adams, with wife Margaret alternating with daughter, Sheila, and son, Mike, have traditionally been the crew to beat in recent years. Also Dick Crowe with sons Todd and John, and George Dehney, with wife Annette and daughter Collette were racing together regularly and showed steady improvement throughout the year. This shows the significance of steady crew racing.

As the summer series closed, the Adams family took first followed by the Dehney crew second and Dennis Collins third.

Dick Hale, the fleet's most capable helmsman, spent the majority of Massabesic's seasonal meets at regattas throughout the New England District. At home Dick and crew member Ann Jamieson were nearly unbeatable.

During the fall series the Massabesic Yacht Club conducts the Richmond Cup, where Lightnings compete in open racing with a variety of large keel boats and various day sailors. Dick Hale, the Adams family and Jim Sopol were the top Lightning sailors of this three-race event.

The annual Massabesic Regatta was a fun-filled two-day event interspersed with a Saturday night sing-a-long fired up by Doc Howard's therapeutic punch, and guest spots by Dick Hale and Peg Sylvester at the Electric Organ.

With plenty of good food and one day old vintage wine Sunday greeted the Massabesic fleet and the ten visiting Lightning crews with strong northwesterly winds. John Collins of Marblehead, Dick Hale of Massabesic and Dave Fitch of Spofford took respective honors.

The following weekend saw Ron Adams, Dick Crowe, George Dehney, Dick Hale, Jim Sopol and John Webb with respective crews compete at the Spofford Regatta. On Saturday, light variable breezes caused a delayed start but on Sunday, warm strong southerly winds provided plenty of action and fun. Jody Lutz of Metadeconk, Fleet 34, took top honors followed by Don Barrett, Fleet 85; and Dick Hallagan, Fleet 77. The last three Sundays of the fall MYC series, were very typically characterized by strong northerly wind causing minor breakages to almost every boat that tested the winds. The fall series was won by George Dehney & crew, followed very closely by the Adam's family with Dick Crowe taking third spot.

Massabesic was blessed with good winds, sunny clear days and a growing enthusiasm for Lightning sailing. 1981 marked the second year that fleet 273 conducted a Ladies Day Race. This year Sheila Adams took first with a three-way tie for second between Barbie Webb, Collette Dehney and Stephanie Sopol. Fleet 273 is pleased to welcome new Lightning members Paul Hodes, Dick Lawrence, Alec Patryn, Dick Trombley and Wes Wallace. Dick Crowe an accomplished Flying Scot sailor shifted to a Lightning at the beginning of the season, and has been a strong competitor throughout.

Looking forward to 1982, Fleet 273 should have one of the best competitive groups in recent history. With junior participation both encouraged and growing, the fleet's future looks bright; promising to be both fun and hectic.

The Key Stone Fleet of the Mississippi Valley District had a year of absorption with Bill Sumco, Dan Daniels and that great CPA TV personality and Captain Susan Simms certainly on the most improved skippers list. As usual we had a lot of upgrading and swapping in addition of boats — Susan Simms bought boat number 13258, Dave Berry and Bill Butler bought boat number 11032, Jere Shelton bought boat number 10640, Mark Poole bought boat number 10977. Art Claloro bought a new boat number 13648, that was shortly thereafter stolen! They are still looking for it.

Ken Davis has his 'woody' 8257 going real fast. Brad Currie, our Local Tuning Expert, was second in our 'perfect' 6 race districts at Ken Lake. This District Happening was practically put on by our Barbara and Bill Baxter, Brody Sharpe and Bob Shedd alone!

Brad Currie was the winner of the first (Great Racing in The South) Lightning Trophy at Jackson, Mississippi. Great Racing In The South is an inter District Regatta. Look out! The South might rise again!

The Corp of Engineers promises versus plenty of water for our annual five race all Lightnings "Hernando DeSoto Regatta" the first weekend in May, so come on it's great Lightning racing. Also we have our four races every weekend April thru October. Join us any weekend and you're more than welcome.

Our #1 charter member of Fleet 274, Lloyd Lovitt.

As last year, the 1st event of the season, the Kam River Slush Cup Regatta, brought cold, wet weather alas, this year, the snow all 6 inches of it and the muddy boat launching ramp "won the race". We cancelled until the next day which brought beautiful, sunny weather and tricky winds. Skipper, Blair Sandberg and the combined crew efforts of Lynne Allen, Jim Cameron and Janice Allard gave them the 7-year-old bucket trophy filled with slush (what else) to cool their favorite refreshment. Skipper Porter Bailey, crew Greg Baillie and Doug Shanks came next for the Lightnings. Molson's Breweries sponsored this regatta with trophies, both keepers and the annual, and liquid nourishment.

By the Thunder Bay Yacht Club Open it seemed as if Thunder Bay was turning into a "I day regatta due to bad weather" town. Where the normal raingear included down vests, long underwear, mittens and hats. But the weather repented and gave us another nice day to compete and compete they did. Jim Cameron, skipper, crew Janice Allard and Peter Fell took 4 straight first to put them in the Lightning Trials in Hamilton for the Summer Canada Games. Although they didn't accomplish their goal we were proud to have them represent Thunder Bay. Consistency in crew and frequent practice allowed skipper Porter Bailey, crew Doug Shanks and Greg Baillie to maintain their second place standing.

This year Temple Reef Lightnings took to their trailers and got the travelling bug. Unfortunately our first endeavor didn't start out very well. Pulling into Kenora for the 1st half of the Districts, Bill Kruse & crew, Porter Bailey & crew & Jim Mikulinski & crew, we were organized, excited and ready to go. Waiting in anticipation at the marina for the race committee, we found out to our dismay that a communication breakdown had occurred & the regatta was the following weekend! Mumbling and grumbling we hopped into our boats to become Jack Arnold cruising enthusiasts and toured Lake of the Woods, visiting Royal Lake of the Woods Yacht Club, saw an old wooden Lightning owner, went swimming off our boats (not a common practice for Thunder Bay Harbor sailors) and went spinnaker line body water skiing. Also, we had a few races of our own in decidedly fluke winds and went home satisfied.

Our next journey was to Thornbury and the Canadian Lightning Championships. Many routes were taken to get to our destination. Speed demon Porter Bailey arrived in 16 hours. Jim Mikulinski and crew Cece Girard and Ron Davis tied, "ferry boat sailing" waiting for the Chichimong from 0600 to 1300 arriving finally 24 hours from starting. Ross Bailey and crew Blair Sandberg, and Gord Bailey developing engine problems arrived 27 hours later. The winds had a tendency to disappear but the race committee persevered and we had some satisfying races.

The Thursday night races continued this year with a super turnout of not only 11 Lightnings, but 420's, 404, Lazars, Windsurfers, Wayfarers, etc. Tim Symmington provided another year of excellent one man race committee work, our appreciation and thanks to him. The women of the club decided to try their luck at Lightning skillwomenship. Skipper Cece Girard, crew Janice Allard and Debbie Kruse made their "maiden" voyage and to the chagrin of Bill Kruse (jib person Debbie Kruse's husband) blew him away! Temple Reef male members TAKE HEED-next year you'll be up against HOT (WOMEN) COMPETITION!

Last year's new talent has definitely improved as shown by Ken Boyes winning the Temple Reef trophy, a 25 miles trek to Ameythst Harbor and Bill Kruse winning the Crystal Trophy.

The Canadian Summer Olympic Games were held this August with a fleet of 10 Lightnings representing the Provinces, Ontario and Nova Scotia tied to win the gold. The combined effort of dingy, keel sailboats along with the power boaters provided a super week long regatta with a variety of winds to test the competitors skill & show off Thunder Bay's great sailing haven.

The cruising aspect of Lightnings continued-Jack Arnold, Don Ellard and Frank Hodder toured the beautiful area of Rossport, a voyage of approximately 120 miles in 5 days. A new endeavor this year was a cruise to

"Animal Island" 4 Lightnings and 12 rowdy sailors did justice to the name of the island and have established an annual cruise.

Ken and Debbie Boyes have contributed to the 1986 Lightning Fleet this year (the women's fleet I might add) welcome future crew member Baby Boyes.

This year has been filled with many activities and definitely good times, we all look forward to another fun filled sailing year in 1982!

We had a very active year, concentrating on local fleet races and the Lightning Circuit. Our fleet champion for 1980, Paul Anderson was challenged in every race by Dave Hickman and John Benedetti. One of the three were usually showing the way around our olympic course with John

Fleet Champions Dave Hickman and crew Jan and Paul Moran.

Sanford, Woody Woodward or Mike Hemel not letting anyone make a mistake without pouncing. Many of the race series came down to one or two points difference. Hickman and his crew Jan & Paul Moran edged out Anderson with his crew, wife Paula & John Dees for this years fleet championship. The Parshley family did not show for many fleet activities but were awesome on the Lightning Circuit. Hap Parshley, with father Phil & sister Lisa as crew were fast, smart, and hard to beat. They completed a clean sweep of the three area divisions to finish first.

Our Vancouver Lake Regatta this year was a high point with lots of water and good wind. Bruce Dietz from Seattle was very consistent and edged out Hickman & Anderson for the trophy. Eric Torgeson, a junior sailor had a good showing with a first and a second. Elaine Fischer organized a super dinner for Saturday night. Never saw so much food disappear so fast.

In August we held a "Fun Fleet Picnic," on Government Island, in the Columbia River. It was a beautiful hot day. (Trish Dees planned everything even the weather). The keg held out until someone (unmentioned) dropped the tap in the river. It was great getting together with some "Old Lightning" skippers & crew and one of the fleets newest skippers.

We have many emerging sailors that are really starting to move, Mike Hemel, Terry Busby, Chuck Schumacher & Ben Gillespie will be forces to reckon with next year.

The last event of the year is the team races; this year hosted by Seattle. They have some fine new people who really made us feel welcome. The Zettlers put on a great dinner and party. Fleet 283 recaptured the trophy with a clean sweep of all races. What a way to finish the season.

Mt. St. Helens has quieted down from it's explosive and ash cloud stages and is now rebuilding itself. It sure makes scheduling races easier when you know your boat won't be full of ash!

Construction of a new channel to Vancouver Lake from the Columbia River, and the start of dredging of the lake this year, has everyone excited about the years to come.

1981 was a very busy year, and a year of change for the Lightning Sailors of Fleet 301. Bob Young is working overtime building Power Plants for Burlington, Randy and Paula Rowland started a new restaurant at the Champlain Mill, Don and Ann Brush started a Shore Sail Loft in Winoski, John Hughes applied for his own radio station and Todd Cox was flying all over the world on business. On a very sad note, Chuck Leonard's death. His special courage will be missed.

All of our very busy sailors, Janice Lange, Peter Hubbard, Rick Leonard, Ed Ziemer, and Tom Hielman are hopefully going to arrange their schedules in 1982 to bring the fleet to full participation for another great sailing year on Lake Champlain.

The results of the 1981 season gave Don and Ann Brush the Fleet Championship with 109 points; second was Peter and Kathy Hubbard with 97 points; third was John, Brian and Shelley Hughes with 92 points. The Spring, Summer, Fall, Chiott regatta and Race Week results are as follows: The Spring Series: First, Brush; second, Hubbard; third, Hughes. The Summer Series: First, Hughes; second, Young; third, Brush. The Fall Series: First, Hughes; second, Ziemer. Chiott Regatta: First, Brush; second, Hubbard; third, Young. Race Week: First, Hubbard; second, Hughes; third, Hielman.

The 1981 New England District, hosted by Malletts Bay Boat Club, was a big social success, however, there wasn't any wind for all three days and the Districts were moved to Wellfleet. Don and Ann Brush did very well in the Districts, with a second place, and sailed to a seventh place in the North Americans. Fleet 301 is already getting ready for the 1982 race schedule with four new members. Welcome to David Peters, Doug Cole, Brian Bugbee, and Kurt Kling.

In four races, with rather modest wind conditions, about 10-15 boats in each race sailed for the Lightning Cup, the so-called "Kaspar Tschudi-Preis", where the boats 7352 Beyer, 13071 Jaeger and 13091 Gmuer showed a good performance. Boat 13086 Giesch will further develop to a capable skipper in the coming year.

It turned out to be of great interest having a special prize set out for each single race of the Fleet 309.

The following skippers took part in outward races, with more or less success: Swiss Championship 1981 Murten: 7352 Beyer, 13071 Jaeger, 13091 Gmuer. European Championship 1981 Marsala (I): 13091 Gmuer/ Eschle/ Gmuer. District Race Gravedona (I): 13071 Jaeger, 13090 Fruh, 13091 Gmuer

In October 1982 the Segelclub Greifensee will organize the Swiss Championship for Lightnings.

The old and experienced skippers did not give much away to the young ones in this season. The activity wasn't as high as in the past summers and this was caused by a rainy and cold summer. However, there were five or six boats almost in every start.

Four boats traveled to Raahe, where there were eight Lightnings in all. Viivi (Heikki Ulen, Erkki Puupera and Petteri Haggstrom) finished second. Also in Oulu Regatta were four boats from our fleet. Wind was stormy. Lasse Hammar (from Oulu) dropped out of the race when his mast broke, so it was easy to get prizes home. Viivi won and Pohjan-Akka (Aulis Naykki) was second.

At the beginning of August three Lightnings traveled to Jyväskylä where they took part in Finnish Championship Race. Wilma (Martti Raisanen) was the best of our boats, with a 15th. Viivi was 18th and Desiree (Kari Anttila) was 22th. The success was fair but it was fine to meet other Finnish Lightning sailors.

However the main event in this year was the Demi Fleet Championship. It was won by Pohjan-Akka. Pohjan-Akka was skippered by Aulis Naykki and the crew members were Kalervo Naykki and Jouko Tuokkola. Second was Wilma and third Viivi (Erkki Puupera). Also Nano-Nano (Mikko Pekkala), Desiree (Hannu Jylha) and Diana (Sven Nyberg) participated.

We hope that in next summer we can see sailors from other fleets in our starting lines.

Consistency and "persistency" were the bywords this season, as the top three boats finished both Early and Late Series in the same order: Al Mast, first; Bob Horne, second; and Ted Ganley, third. The Summer Bay Race was won by Al Mast, with Ted Ganley and Tom Hopkins right behind. The Fall Bay Race was won by Bill McShane, with Ted and Al finishing second and third.

The individual trophies were spread around pretty well: Walbert Cup — Bill McShane; Buss Neff Cup — Al Mast; Skipper's Cup — Jim Elliott; Commodore's Cup — Jim Ganley. Jim also won the Matlack Trophy, and daughter Pat was at the helm as "Awesome" finished first once again in the Taylor Cup race. The Stardust Trophy went to Bob Horne, and our new commodore, Jim Elliott, was the hands-down winner of the Butt Award,

for spending the most time in the water during races.

Our most successful off-campus racer was Tom Hopkins, who placed third in the President's fleet at the NA's. Once again, congratulations, Tom!

The highlight of the racing season came as we hosted an invitational regatta for the District. Although we didn't provide much breeze, everyone seemed to have a great time. Maybe we'll have to do it again, sometime.

At this writing, old "Stardust" has been delivered to the Chesapeake Bay Maritime Museum, at St. Michaels, to be put on display along with other examples of racing and pleasure boats sailed on the Bay. A fitting last port of call for a good old wood boat!

The 1981 season at R.B.S.A. should be called the season of the rerun. In fact, I almost considered rerunning last year's report. Once again, we enjoyed excellent conditions throughout the year with always enough wind to sail in. Once again, we sailed with a three boat fleet with an occasional fourth or fifth boat.

The Spring Series was a ten race series and was won by last year's fleet champion, Fred Mertes. Dave Racine was second and Bernie Hedges a close third. The Summer Series proved to be a little more interesting. Fred and Dave were neck and neck most of the summer with Dave drawing a two point edge for the series and a one point edge for the fleet championship going into the last two races. All Dave had to do was win one race and finish second in the other and he had the championship. However, the stubborn defender, Fred, would have no parts of it and easily won both of the races with Dave second and once again, Bernie Hedges, a close third. (Bernie has considered changing the name of his boat to CLOSE THIRD.)

The Delaware Governor's Cup was well attended with 28 boats and was won by Don Delorme of Severn Sailing Association. In second place was Bill Buckley of S.S.A., followed by Bob Wardwell of Susquehanna, Steve Bachman of S.S.A., and Fred Mertes of R.B.S.A.

The District Championship was a three day, five race regatta on July 11, 12, and 13. During this regatta we experienced all conditions, from drifting to planing. Bob Wardwell from Susquehanna mastered all conditions and topped a 34 boat fleet to become the new district champion.

We ended the season with a real bang. Our Fall Regatta was a true heavy air regatta. I don't think the wind ever blew less than 20. Steve Bachman of S.S.A. proved best under the conditions and took home our new perpetual Fall Regatta trophy. This regatta was also highlighted by the fact that our fleet had the other two boats in the silver with Fred Mertes second, and Dave Racine third.

Next year will be a rebuilding year for Fleet 325 with lots of plans to get our parking lot sailors off of the dock and into the water.

With the season winding down, the Cornwell's wound up with a strong finish to capture the Fleet Championship. The battle was hard fought between these boats. Craig Horvath did a fine job locking up second, and in a close third was John Van Dalson sailing the *Syndicate* boat. The winning ways of the Cornwell's in the 60's seems to be back in the 80's; good going.

The 1981 Michigan Districts were hosted by Fleet 326, and local favorites. The Babel brothers finished a respectable fourth in a 55 boat championship regatta. The amazing part is that they did it in a 9000 series boat, and with a five year absence from Lightning racing.

Next season promises to be a good one, with everyone gunning for that yellow Lightning.

Another good year for fleet 329. We hosted our usual six open regattas plus the Atlantic Coast Championships in 1981. On top of our home activity, we sent boats to 24 other regattas, and brought home a lot of silver. In addition two of our fleet members, Don Delorme and Steve Bachman, will be going to Chile this winter for the Worlds.

The season started in February with our winter meetings. We held three fleet seminars, discussing tactics, boat preparation, and various other topics. A fourth meeting was held with Fleet 50, Washington, D.C., at which Mark Bryant told us how he won the North Americans in 1980.

Our first regatta was the No Gas, on May 9 and 10. Seventeen showed up for a five race series, with Don Delorme ending up on top. Joe Friebele was second, and Bob Astrove third.

Fifteen boats sailed in the SSA Spring Regatta. Joe Friebele won with only seven points in five races. Second went to Steve Bachman, and the third, fourth and fifth positions to Rob Pratt, Doug Perley, and Bill McShane. The SSA Annual Regatta on July 18 and 19 was won by Steve Bachman with Bill Buckley second, and Ron Buchanan third.

The Atlantic Coast Championship saw a 39 boat fleet battle rain and screwy winds over the July 25 weekend. Despite the weather the regatta was a real success with great people, a good cocktail party, and a fried chicken dinner. The top five positions were split between Metedeconk River and SSA.

First Place went to Jim Carson, Steve Bachman second, Bill Buckley third, Don Delorme fourth, and Mark Beaton fifth.

Our next regatta, the Maryland Governors Cup was held in the late August. A mast from Fleet 314, topped the 13 boat fleet. Steve Bachman finished second, Bob Astrove third and John Richardson fourth.

Joe Friebele won the SSA Fall Regatta going away. It was one of those weekends Joe could do no wrong, winning four of the five races. Steve Bachman finished in a solid second place, trailed by Ron Buchanan in third.

We had a really windy Frigid Digit this year. Thirty-two showed up for the three race series, coming from as far away as Buffalo, and North Carolina. Saturday was a beautiful day with two great races sailed in 15 knots of breeze. Saturday night we hosted a cocktail party and dinner. On Sunday we were greeted by a steady 25 knots with four feet seas. We held a vote on whether or not to go out, very democratic! The majority of the fleet voted to try, but only 16 made it across the starting line. Of these, only eight finished. Bob Wardwell ended up the champ for the second straight year. Second went to Jay Lutz, Tom Allen, Don Delorme, and Joe Friebele rounded out the top five.

There were several other highlights in 1981. Don Delorme and Joe Friebele represented our fleet at the North Americans. Sheri Osgood the Junior Sailing instructor at Severn Sailing Association, borrowed Steve Bachman's boat and took his sister Claire, and Carol Bachman to the Women's North Americans. They ended up second in a very close regatta. Sheri lead going into the last race and plans to go back next year, and get the win.

Rob Pratt, our fleet captain moved to Boston in mid-season. We are going to miss Rob a lot. He's a fantastic organizer as well as a nice guy and

top sailor. On the positive side we picked up a new boat this fall. After five years of crewing for Joe Friebele, Doug Dix. We are also happy to have Tom Donlan join us next spring. Tom will be moving down from Pennsylvania to the Washington area this winter. Tom has been sailing Lightnings in Jersey for years.

We've got some big plans for next year, and hope you will come sail with us on the Chesapeake. Watch Flashes for our schedule.

This summer, Big Squam — the second largest lake in the state, nestled between the Rattlesnake mountains and the southern hills — gave us more than the usual variety of air. A feast or famine of winds taxed the ingenuity of our small, but closely competitive fleet.

Allan Whatley, professional sailing instructor and Bob Ayotte, local skilled waving craftsman fought it out the entire season, Allan eventually emerging as Fleet Champion on a technical count. Yet Bob won the Closson Trophy for best in the last three races.

Jack Russell and Dave Closson came down to the wire tied for third. We had to dig down to their five worse races to see who lost the least to decide that Jack won third place.

The weather let us start 12 races on 10 Sundays with usually four of the six active boats out. Occasionally we had five racing. No one had a chance to get to the Districts.

Unfortunately we have steadily lost a boat or two each year to crews growing up and moving away or to a skipper's bad back or to the lure of the ocean. But we have two new Lightnings sailing for pleasure on the lake that we hope to get into the competition. And with three for sale there should be some newcomers.

Former skipper Dick Blair and wife Pat hosted our annual party and awards dinner with such enthusiasm that the fleet is bound to grow in 1982.

Lightning Fleet 335, in 1981, continued a program of growing and learning. In mid-February, the skippers, their crews and spouses got together for a Seminar led by Jim Carson and Paul Gelenitis on tuning and sailing to windward. The social affair which followed was a mellow occasion for reminiscing about the prior summer's races.

Two new skippers entered the fleet this past summer. Paul Wood (10526) and Jay Pattison (10859) were welcome additions and promise to enhance the competition.

The summer series; a series of fifteen Saturday afternoon races throughout July and August, had up to eight boats participating. Steve Kunz, with

his brother Dave as crew and occasional skipper, found the series to be a breeze and took eight first places and three seconds and thereby was the Fleet Champion for the summer. In second place was Bill Clarke, with his crew Andy McConnell, Alex Klein, in July, and son Bill, in August. Third place went to Paul Wood with his crew, daughters Heidi and Wendy Clarke.

The Fourth Annual Weekend Regatta was held on August 15 and 16. The three race series was won by Bill Clarke. Larry Murphy was second, Paul Wood was third, Marianne Toedtman was fourth and Jim Faus was fifth.

A highlight of the summer was a weekend racing clinic put on by Paul Gelenitis. The two day series of drills, mini-regattas and seminars left us exhausted but delighted with what we had learned. All agreed that this was an excellent program and one well worth repeating.

Particular thanks go to our Fleet Captain, Art Steitz, our grand master Lightning sailor, and to the tireless efforts of Don Haight in chairing the Race Committee; a week-in and week-out job we sometimes take for granted.

In 1982 we hope to continue the learning process with another mid-Winter seminar and early summer clinic. Present plans also call for a series of races with our old friends and close neighbors to the south at Surf City Yacht Club, fleet 196. We also look for further growth of our fleet with another boat or two as possibilities.

After a year of inactivity due to low lake water, Fleet 338 was back in action on quiet and beautiful Galway Lake, where motorboats are not permitted. The annual week long series of evening races was held once again and as usual was won by visitors from Sacandaga Reservoir, Mayfield Yacht Club.

The highlight of the season was Jim Millard's qualifying for the North Americans and experiencing the thrill of big water sailing with the big names in Lightning sailing. Jim's crew was comprised of his wife, Nell Burrows, and Dale Brown, who achieved a lifelong ambition to sail in the North Americans.

Fleet 338 thanks the Galway Lake Campers Association for getting the water back in the lake. This was the best sailing summer in many years.

In addition to winning the Fleet Championship, Tom Varley, Jr. very creditably represented us in numerous regattas in the Ohio region. Tom's enthusiasm for sailing is a great help to our Fleet and his service in the Junior Sailing Program at the club gives us all a goal to follow.

Our Race Committee Chairman, Frank Oakley, and Fleet Safety representative, Ehmann Miller, kept our fleet racing correctly and safely.

Our sailing season and the fellowship at the fleet's social outings this year will give us many memories to live over in front of the fireplace this winter.

We look forward to the 1982 season with the hopes of catching up with Varley.

The Ski Weekend District Championship and Pfauen Cup were the most important features for this season.

As last year, the crew H. P. Schmid, R. Hofer and B. Buchschacher won the winter European Champion title from Marsala again.

Next event was the ski weekend which was a shovel weekend. We dug out the ski-lift.

The Zenith should have been the Swiss Championship on our lake. Unfortunately due to the lack of competitors and wind, it was degraded to a District Champion. This absence of wind was observed during the whole season!

We only hope that for the next year a better weather and more competitors will make our races more attractive.

The 1981 sailing season can be looked back on as one of great success. Although two of our regular racers were noticeably absent from the race course for most of the year, the addition of two new members to the fleet provided some competitive spirit which had been lacking in recent years.

Our Tuesday night club races seemed to be constantly met with gusty winds in the 15-25 mph range which provided some very exciting moments, but no capsizes. Those who did take an unscheduled plunge did so either off the race course or during our club's mid-summer regatta.

In out-of-town action Bob Bazett and Neil MacGibbon travelled to the Districts which were held in Seattle and came away with a fourth and seventh place finish respectively. Bob Bazett also travelled to Vancouver, Seattle, Maple Bay, and to the Canadian Open in Thornbury, Ontario.

Next year will likely mark the turning point in our dinghy club and likewise the Lightning fleet. Our present club site is scheduled for redevelopment which has forced us to seek out an alternate site. Currently our future looks bright as a new location has been selected but it will take a lot of work to get the club re-established.

Labor Day week-end completed the 1981 Seasons sailing activities for Fleet 374 sailing on Douglas Lake, Michigan. Three firsts assured Dave Peters and trophy, shared by "Shrub" (his wife) and their five-year old son, Jonathon. Second place went to Manley Osgood, crew Jeanne Osgood and Mary Lighthammer.

Howard Eddy earned Fleet Champion for the 10 race season and was awarded the OOPY trophy. Tom Orlow was runner-up. Eleven boats from five fleets participated in the Third Douglas Lake Lightning Regatta which was won by Arlyn Kinkel of Crescent Sail Yacht Club.

Fleet members, families and friends enjoyed the traditional Labor Day pot-luck dinner, hosted by Bud and Jeanne Osgood which was followed by the annual meeting.

Election of officers resulted in favor of Howard Eddy as fleet captain and Maury Olsaver as secretary-treasurer for the 1982 season.

The economy is taking its toll on Fleet 377. Activity was down in 1981 but we have high hopes for 1982.

The 1981 VISA Invitation Regatta on October 3 and 4 was another big success with screaming winds on Saturday and a near drifter on Sunday. This provided something for everybody. Mike Fallon from Quantico put it all together to take first, with Jim Richards hard on his heels with a second.

Be sure and mark your calendar now for the 1982 Invitational on October 2 and 3. Everyone always has a ball.

Bill Williamson yells "get that jib down."

Sponsored by the Manitowoc Yacht Club, Fleet 393 had one of its most successful seasons, both in the number of races sailed and in the closeness of the competition. Past seasons saw many races cancelled or shortened due to the unpredictability of Lake Michigan. This year things changed: the lake was more accommodating and skippers more adamant about getting out on it. This combination made for a "racey" season followed by much bar talk at the Club. The competition was sparked by an all-girl crew aboard Bob Grall's *Ets II*. Though not in the top finishers, the boat and crew proved willing to face the test and next year, should be a formidable competitor. Tom Bennin, a crew member from the Series winning boat this year, purchased the old *Jaws*, 10632 and is readying it for next summer's races. Thanks to John Creagh and Chuck Hunter aboard *Triad*. This was the first year the fleet enjoyed the stability that a committee boat can provide.

Fleet races were held every Tuesday and Thursday evenings from Memorial Day through Labor Day, with a special series held on Labor Day. Ron Schaper and crew Tom Bennin and Bob Krowiorz won both the Tuesday and Thursday night series as well as the Labor Day Series. In second place for the evening series for both Tuesday and Thursday was Dave Wilhelm with Terry Kukral and Chuck Hardy as crew, followed by Bob Waid taking a third in the Tuesday Series and Karl Miller third in the Thursday Series.

The Manitowoc Fleet had another success this year, its "Ice Breaker Regatta," held for the Midwest Districts. Held July 25th and 26th, a total of 17 boats sailed the full five race schedule under moderate to heavy winds. Tryg Jacobson of Sheboygan took first place, winning four of the five races. Close behind was Milwaukee's Dean Cady followed in third place by Bill Dean of Green Bay. Special thanks were given to Frank Vandersteen, Race Chairman, and Bob Grall, Chuck Hunter, Jon Willman and Ed Breitwisch, committee boat captains.

The Ice Breaker Regatta was once again held on the weekend just prior to the Deep South. After last years icing out, the weather cooperated with us and we had mild, sunny skies which held all during the weekend. We had a total of 8 boats try to sail again. Lenny Krawcheck won, George Scarborough was 2nd, and Tom Waters from Orangeburg, SC, was 3rd.

We had 3 boats participate in the Districts this year which were held in Augusta, Georgia. Will Sloger won, with George Scarborough 5th and Lenny Krawcheck 7th. Will and Lenny went on to the NA's, with Will sailing in the Championship flight and Lenny in the President's fleet.

We again hosted our annual Lightning Invitational Regatta with 19 boats turning out. On Saturday, the 2 races were interrupted by a typical thunderstorm and heavy rains; however, on Sunday we barely made the time limit in the 3rd race due to unusually light winds. Tom Waters won the race with Lenny Krawcheck finishing 2nd and John McIntosh finishing 3rd. We are very pleased that our Fleet Secretary, Ann B. Sloger along with Carolyn Simmons, Janet Scarborough, and Cathy Chrisman, won the 1981 USYRU's Adams Cup held outside of Tacoma, Washington this August. The Women's Championships were sailed in J-24's. We are very proud of these girls for their honorable title.

The year 1981 again proved that Murphy's sixth law is undeniably accurate when applied to sailing on Lake Ray Hubbard. Mother Nature gave another predictable performance, providing her full range of unpredictable weather conditions, varying from blue northers and major wind shifts to brown dusters and drifters.

In this interesting environment George Hatfield opened the year's competition by winning a hotly contested Spring Series from Richard Guinan who, in turn, was followed by Warren Lewis and Lance Drewes.

The Summer Series was won by the young team of Ira Johnson, Clarke Newman and Gretchen Hanover, again in an extremely close match. George Hatfield was runner-up and was trailed in order by Richard Guinan and Warren Lewis.

The Fleet 435 championship is decided by the total points accrued by qualified boats for the entire year. Since our Fall Series is not complete at the time of this release, the successor to Richard Guinan, 1980's title-holder, has yet to be determined. However, at present the leading contenders for the Lord Frumplingham Trophy, symbolic of the championship, are Messrs. Hatfield and Guinan.

The fleet was well represented at the North Americans in Westport by World Champion Glenn Darden, Lance Drewes, George Hatfield, Richard Guinan, Warren Lewis and John Schneider. Glenn will defend his title in Chile next year; but John will be there to give him full-up competition.

In the Junior North Americans Electra Thomas crewed on the championship boat. Others of our young people, Greg Hatfield, John McGown, Laura Guinan, Gretchen Hanover and Ricky Guinan, are rapidly emerging as top-notch sailors. They not only sailed well in the intra-fleet races but they also represented RCYC in several USYRU competitions including the Sears, Bemis and Smythe events.

Reduced participation in regattas in neighboring districts was directly attributable to increased travel costs. However, we did attend the annual Shreveport and Sugar Bowl bashes and managed to support an effort to start a fleet in Little Rock. As always, we have emphasized the growth of the fleet. This year we welcomed as new members Don Johnson, Martin Koppers, Alden Ritch and Warren Smith. We also eagerly anticipate the continued growth of Texas Fleet 35 at White Rock Lake into a neighboring competitor.

Now we're looking forward to the annual highlight of our sailing year — the "Thanksgiving Regatta." We are expecting much participation from out of state, as usual, but particularly since we'll be hosting the 1983 North Americans. Come and practice in 1982.

The 1981 sailing season for Fleet 440 began as it does for a host of Lightning sailors, with the "Deep South Regatta" in Savannah, Georgia. Six fleet members participated in this memorable event, sailing as crew or skippers in three entries. Our splendid weather in early spring allows us to keep right on sailing and we did, with our first fleet race held later in March.

Our fleet's champion is chosen based on the best nine of fifteen fleet races. These races are run as an integral part of the club's scheduled handicap races. The results for our fleet have been good participation in club races as well as an interesting field to race against. This year our fleet produced 40 percent of the club race qualifiers with a little over 5 percent of the total membership. Our 1981 fleet champion, Wayne Catoe, was a leader in participation, sailing in a majority of the fleet races. Wayne handled the changing conditions from March to November better than any of us. Wilburn Brewer was in the hunt to the end and finished as a close runner-up.

In addition to our regular fleet champion, our members decided to sponsor a blue fleet champion. This allows new owners, or those just getting into racing, a chance to compete with other sailors having a similar level of experience. Bill George is the 1981 Blue Fleet Champion. He sailed very well and by the end of the season he was a continuous threat to beat the more experienced sailors, which he did on more than one occasion.

In addition to participating in our club and fleet race series, our members continued their high level of participation in the Southeastern District regatta circuit. Members of our fleet participated in most of the regattas, occasionally turning out more entries than the host club. The highlight of the circuit occurred at our own invitational when fleet member, Wayne Catoe, defeated the field for a first place finish. Wayne upholds our fleet custom of sailing with an all-family crew and won with the assistance of his wife Danielle and his son Peter.

Our fleet continues to prosper and we look ahead to 1982 with anticipation for continued success and enjoyment doing our favorite thing — racing Lightnings!

Fleet 447 was again very active this year. Early in January four crews sailed the International Interclubes Regatta between Club Nautico del Muna and Club Nautico San Pablo held at Lake Tomine near Bogota Colombia. Carlos Ramsaurer, Mauricio Martinez, Dieter Dyck and Rafael Leon enjoyed Colombian hospitality and gave them a very close Regatta.

During March and April four crews from our fleet raced the qualification regattas in Salinas for the South American Championship. After a long series, Mauricio Martinez with crew Ernesto Martinez and Jaime Martinez and Carlos Ramsaurer with crew Werner Gremlich and Alex Schmit won the chance of representing Ecuador in the XXVII South American Championship. Both crews did a good job finishing in the first middle of the fleet.

After the long summer — with no races at all — activities started again in late September and October with weekend races. October 9 and 12 our fleet hosted the trials for the XI Lightning World Championship to be held in Pucon Chile next year. After a very close race, Mauricio Martinez with Gonzalo Martinez and Ernesto Martinez Jr. won the series and will represent our District together with Paco Sola in the Worlds. Runner-up was Jaime Martinez with Jaime Holguin and Juan Sevilla; second runner-up was Dieter Dyck with Bernardo Estupinan and Rene Wick.

Finally, on November 1, 2 and 3, our fleet hosted the Muna-San Pablo Regatta with 14 Lightnings starting, four of them from Club Nautico del Muna Colombia. After a few racing and a lot of drinks, Mauricio Martinez was the winner and Reginal Slubach from "el Muna" was Runner-up. Everybody agreed that the wind was not the best, but the drinks help liven it up.

High wind and choppy seas greeted the crews of the 29th European Championship at Marsala during last summer. The winner was the Italian crew Cocoloni, Di Girolamo, Innocenti, of the Marina Militare, that made five 1st places.

The runner-up was Andreadis, Andreadis, Limberakis who during the last race at the jib mark tried the wonderful sea of Marsala, as they flew the chute and immediately capsized; the wind was 28 knots.

Good was the performance of Messina, Nizza, Vitaggio, the youngest crew in the Championship, who with an old boat and old sails were the fourth.

The Italian Championship began on the 28th of July; the wind was lovely during all the championship and the winner was again Cocoloni. The runner up was Messina of Circolo Velico Marsala with the old ZAZA'.

If the year 1981 was eventful for our fleet, the 1982 will not be less: in fact we have been charged to organize the 3rd World Youth Championship that will take place at Marsala from the second to the eighth of August.

Fleet 450 sailed a total of nine regular season races, with a three race "Labor Day Regatta," for a total of 12 races. Two of our older boats were not launched this season (owners absent), but with the addition of Larry Vautour's Todd-built 12564, we had five regulars sailing all season. We may not be large but we are enthusiastic! As usual, we ran the extremes for winds but no casualties. George Place Jr. in *Phoebe* once again was our fleet champion but the finishes are getting closer. Pete Leadley in *Countess II* was runner-up, with Bob Foster close behind. Our new addition placed second in the Regatta, so Larry Vautour bears watching. Also, please note Bob Foster now has an Allen which is being readied for 1982.

Our Big news for 1982 is that we have been asked to host the "Maine Regatta" of the New England District, scheduled July 10-11. Full details will be mailed to all New England District sailors early in the spring. We are located 60 miles north of Portland and about 16 miles west of the Augusta exit on I-95.

The 1981 sailing season was very interesting for our Fleet: the Fleet 453 was honored to commence its season by hosting the first Regatta of Selection for the World Championship of 1983. Lio Cocoloni won with 13374 *Tempesta*.

Three crews of Trasimeno Lake went to Marsala for the Italian District Championship: they were Nicchiarelli, Coltella, Rossi (13th); De Regis, De Regis, Bortolaso (16th); and Rustichelli, Nicchiarelli, Barbacci (21st). This was a very bad result for our crews!

The National Regatta of September (12-13 September) failed unhappily owing to the time limit! The absence of wind made possible only one race. Vivani (Fleet 466) won and Roccheggiani (Fleet 466) finished second. The Moratti Trophy, Championship of the Fleet 453, was won by Nicchiarelli, Coltella and Rossi with 13462 *Areknames II*. The Fleet 453 wishes a good wind to the Lightning sailors for 1982!

Areknames II wins the Moratti Trophy.

After busy learning of sailing theory during the winter we could start our sailing season in the very beginning of May, although the race committee had to break the ice before the first start.

In Finland we have had a problem where to get new Lightning boats. This year our fleet member Jorma Lehtonen has solved the problem; he began to build boats. Now two of them are sailing on our lake and belong to the fleet: *No Uno* (Number One) skippered by experienced Lightning sailor Antti Ruuskanen, who joined in our Fleet from Helsinki, and the other boat named *Hani Tuu* owned by Juhani Haila.

In June we had the second Junior District Championship on Tuusulanjarvi. This time seven boats, two more than last year, took part in the competition. The champion was Saku Vento from our fleet with crew Petri Wikman and Sakari Pesola on boat *Amarillo*. Skippers and crews were all sailing enthusiastically.

This year Finland District Championship was sailed in the middle of Finland on Lake Paijanne near the town Jyväskylä. The fight to win the Championship was hard and tactical. Our fleet member Saku Vento with crew Petri Wikman and Jussi Vesterinen and boat *Amarillo* won first place. Our fleet sent ten boats to the regatta.

We have also participated in several other regattas during the season. On the whole this summer was a very rainy but a good sailing season with a lot of wind and as usual it passed too soon. After seven months, perhaps earlier, we are on the waves again. See you in Pucon in "the Worlds."

Growth and enthusiasm continues for Fleet 461. A very active fleet series as well as numerous regattas have been experienced by members of our fleet. These regattas include: The Dixie Regatta, Tangerine Bowl Regatta, Mt. Dora Regatta, Thanksgiving Day Regatta, The Famous Mug Race and our Washington Day Regatta on Lake Eustis to mention a few.

Four skippers participated in our Florida Districts in Miami on June 6th and 7th.

Our Fleet was well represented at the North American Championships on Westport, Conn. as Dr. Tully Patrowicz and Fisk Hayden made the journey and competed in the Presidents Cup and Governors Cup flights.

We welcome all sailors moving south or just passing thru to join us for year-round sailing.

The season opened with Bob Ames participating in the "Southern Circuit." There were reports of excellent sailing, facilities, and companionship with quite a capsized in Miami.

Our Lightning Districts were moved up to May this year. Although not as many boats participated as last year, sixteen Lightnings were on hand. As usual the competition was great with Tom Waters capturing first place.

At our home port, races were close. However, it seemed difficult for the fleet to get together on any given race weekend. If it wasn't trouble with a boat, it was necessary to be away on the weekend, or being hampered by having a leg in a cast or serving as host and on the Race Committee. If none of these events occurred, we would drift around all afternoon and not even get in a race. But we coped with these obstacles. Nothing is more relaxing and exciting than to have a "good blow" with the entire fleet on the lake matching savvy and skills with each other followed by the shore social atmosphere.

When results for the year were tallied, Bob Ames was declared the winner and Fleet Champion with Charles Andrews being first in the Spring Series and Vivian Hollinshed winning the Summer Series.

At the time of this writing we are preparing for our annual "Haulout Regatta," an informal affair, on November 28, with oysters and Ames' Lightning Stew.

1982 will be a very important year for fleet 466. The fleet will hold the selection races for World Juniors 1982 for Northern and Southern Italian areas.

Furthermore, the two most representative boats of the fleet will again attempt to place highly in world positions as they did in 1981. The presence of these teams will be very appreciated by the other Italian fleets and will contribute to give more a new brightlight to every meeting. We wish Finalmente and Bibir sailing boats and their nice skippers and crews (Viviani, Armeni, Moroni and Roccheggiani, Brugia, Bozzi) good luck.

Beginning the season 1981 the sailors of 467 Fleet had said to the Captain that nothing would be interesting as a piece of news for the next Year Book, but their possible victories. Well, they won only one regatta but the victory was absolute. It happened at the huge handicap of Ferragosto, a fatidical date for Italian people that is to mean that everybody is in long vacation. The handicap, named Crocie-ra Alto Lario, 15 miles in heavy wind, is nearly a cross between annual feast of the Madonna (Assumption Day) and true sailing race. However, Grisotti was first, Motti second and Pellegrini third before 22 centerboards.

On the contrary, the De Marzi Trophy was a complete failure for the Italian District while the Swiss District, after three years of unlucky defense, made a big hit. During three races sailed in wonderful conditions of weather and wind (16-18 knots), Schmid always lead from end to end with his glorious *Milan* (10898). Wyler and Luthy succeeded each other in following its track. The final results said Schmid first, Wyler second and Luthy third. Nicchiarelli was at last the least worst skipper of Italian people, although its scoring was getting from bad to worse since the first race (5,7-8-13, according to Olympic scoring). Grisotti, fifth behind Nicchiarelli, lead the wretched patrol of 467, including an absent-minded Motti and Lampugnani very far away. The regatta was sailed by 15 boats. The Swiss skippers formed this year a numerous army (7 boats) because the De Marzi Trophy had been included between the races of their Kami-Kaze Cup. May God reward them for it! On the other side we will return their kindness by inviting them from now on to Italian District Championship which will be sailed in Gravedona (20129 — Como). From the 20th to 27th of next June 1982. The event will be settled by the Associazione Velica Alto Lario, sailing in Gravedona. We expect that the Swiss skippers will come good many. Never the Italian Championship was settled so next to Switzerland. The weather will be propitious in that month on the Lake of Como, the day will be very long, warm, and charming.

Our second year and the second regatta held June 20-21 had only eight boats present. However this is an improvement from the 1980's. Present were the Garda Fleet (249), Conero Fleet (466) and our fleet with five boats.

First place went to boat 8620 *Finalmente*, skippered by Vivani; second was captured by 13345, *Tretepe II*, with Tremante at the helm, and third was 13401, *Tika*, skippered by the able Ravaioli.

The fleet has now a new young member, Massimo Gislou, who will be surely a valid partner of the club.

In 1982 the Di Lorenzo Trophy will be organized in conjunction with the district meeting, on 11th and 12th of September.

We extend a welcome to everyone-especially to all our Swiss friends.

1981 was the very first activity year for Bracciano Lake Fleet. By the help of Bracciano Sailing Association our fleet organized, apart from the First Sabatino Championship (from the Latin name of the lake), two more national regattas. The first one held on the lake itself was the occasion of Fleets Meeting on September 19-20, with the participation of many crews coming from the whole of Italy. The second one, the already famous Di Lorenzo Trophy, took place on the sea which is a few kilometres from Bracciano, in a place called St. Marinella. In this regatta crews from Switzerland and many Italian Fleets participated.

Our Fleet contributed to national activity, thanks to Battisti - Meacci - Caico. This crew took part in European and Italian Championship in Marsala where they had two good finishes: eighth in the Italian Championship and thirteenth in the European Championship.

Here, as it follows, we report the list of the two national regattas that took place in Bracciano, and let's hope 1982 will be a year as good as the previous one.

1981 MEETING

- 1) Rocchegiani - Bozzi - Brugia
- 2) Lo Sardo - Lo Sardo - Lo Sardo
- 3) Grisotti - Motti - Canepa
- 4) Vivani - Vivani - Vivani

Fleet 481's second season was again a most successful one. We started the year off in January with 8 weekly lectures on various aspects of racing. This turned out to be a very educational experience and also built enthusiasm for the racing season ahead. We finished the series in late March with a dinner-lecture by Tom Allen who was on his way south for the Southern Circuit. He talked about tuning and sail trim and presented a beautiful slide show of the 1977 Lightning Worlds in Switzerland.

In late March the Fleet put on its own boat show at one of Raleigh's shopping malls, featuring most of the fleet's boats. We realized quite an interest in the Lightning in this area and it served to inform people of an active and growing fleet.

We initiated the sailing season with a challenge race between our fleet and the local Flying Scot fleet at New Bern, N.C. Foul weather conditions reduced the event to a non-competitive sailing expedition, but everyone enjoyed it just the same.

Several of the fleet members participated in District races, included Charleston, Waccamaw, High Rock, and Atlanta. In our own local racing series with the Carolina Sailing Club Hudgens again took first place for the season with Ferguson in second. On the July weekend of racing there were some interesting results when skippers traded boats. In a September invitational regatta on Lake Gaston the fleet invited skippers outside the fleet to sail our boats to introduce those to the Lightning who might be potential future Lightning owners.

We were very pleased to see the addition of four new boats to the fleet this year, bringing the total to 14. Bill Hopkins acquired *Steppin' Out*; Jerry Hulka bought 12042; John Morgan brought 8511 down from New York; and Ned Nutt is a very enthusiastic new member with 13178.

The season climaxed with our own Borderline Regatta taking place on Kerr Lake at the North Carolina/Virginia line. We sought participation both from boats in our own district and from boats to the North. We were honored with such skippers as Steve Bachman and Jim Carson. Bachman took first place overall by winning all three races. Carson came away with a second, and Craig Thayer took third, as well as the wooden boat trophy. Everyone had a great time and we hoped to make the affair an annual event.

Some plans for next year include fleet participation in area boat shows and assisting the Waccamaw Fleet with their district regatta. We again hope it will be another successful year of rapid growth for us.

Over the past few years, one design racing had dwindled in interest at the Ithaca Yacht Club, in favor of cruising sailboats and "Sunday — round the bouy's" handicap racing. Even the popular Star class saw its ranks diminish and regular racing cease. One design racing at the southern end of beautiful Cayuga Lake seemed to be dealt a severe setback.

Two IYC members met at the Skaneateles CC for the 1980 C.N.Y.Y.R.A. regatta, sailing Lightnings. Thanks to the excellent class participation at the Centrals and the Skaneateles C.C.'s hospitality, discussions lead to the possibility that one design racing, again be pursued at the IYC over the months to come. Larry Ames and Warren Brown were proud to announce in the May 1981 IYC *Telltale* newsletter, that the Ithaca Lightning Fleet has been chartered! Spring came and seven boats were readied for our first season on Cayuga's waters. Racing off the "point" was scheduled with the first race each Saturday for a Fleet season trophy. A second race was held as conditions permitted. This second "fun" race was short and intended for crew as skipper racing, to allow our families to enjoy the thrill of victory too! Those of us who ventured on Cayuga's waters enjoyed the sailing and racing. Of the seven boats registered in our fleet, half spent the majority of their time day sailing and relaxing, while the other half of the fleet chose to focus on racing.

The Ithaca Lightning Fleet season racing results were as follows:

1st boat #9582 *Cosmic Zap* Larry Ames; 2nd boat #10113 *Whisper* Jess Miller; 3rd boat #3128 Walt Boyd; 4th boat #1267 Tom Corey.

Next year we hope to have the entire fleet racing Saturday afternoons off the IYC point. The CNY regatta circuit proved to be challenging too!

As a climax to our first season, the Ithaca Yacht Club Board of Directors announced that funds will be allocated in 1982, to purchase four used, competitive Lightnings. These boats are not only for training, but for participation in our fleet's weekly races and the CNY District regatta circuit.

Many thanks to the IYC committee members who recognized that the Lightning is a stable boat suitable for young families and day sailing, and also is a good tactical racing boat with many active fleets in the Finger Lakes and Rochester areas. Special thanks to Jess Miller and family for their steadfast support over the season.

The Port of Oswego Lightning Class Fleet got underway this year. The small fleet introduced racing to Oswego for the first time this year with open class sailing initially and later limited the racing to Lightning's and their crews. Developing interest in the Lightning class and training crews were the goals for this year. Next year the fleet hopes to reap some of the benefits from their work and have regattas for Lightning sailors throughout the area.

Lightning Fleet 486 is new to the I.L.C.A. We have been organized as a fleet for three years and are pleased to have been able to join the I.L.C.A. this year. Under the leadership of our captain, Mary Bartholomew, our fleet has doubled in size this past year. We now have eleven boats registered. In addition, the women in our fleet take an active role. Both of our officers are women and several of the ladies skipper boats. We've also tried to actively involve our families and have established a Junior sailing program. The results have been to not only have our children as crew members but involved in a small Sunfish fleet as well.

We are branching out to area races also, in addition to our own club races. Recently, at the Carlisle Lake "Whale of a Sail", Wayne Watson, boat 12891, took first place. We are pleased to have Wayne as a new member of our fleet this year. We are anticipating being represented at the Nashville Regatta by two boats.

In our club races the Lightning fleet standings are as follows:

1st place - Wayne Watson, Boat 12891; 2nd place - Beverly Bishop, Boat 7268; 3rd place - Jim Trull, Boat 12048; 4th place - John Bartholomew, Boat 10926; 5th place - John Lark, Boat 11184.

We are looking forward to a winter season of great "pot luck" dinners and an exciting 1982 sailing season.

Fleet 487 is actually an old Lightning fleet that registered for the first time this year. The fleet at one time consisting of wooden boats, has converted with one exception to glass.

Richard Meads repeated as Fleet Champion this summer, however, he received stiff competition from newcomer Rick Abare. The Championship was decided on the last day of the season by only three points.

The fleet grew during the past summer and has high hopes for both future expansion and improvement. The expectation is that at least one new boat will be added during the winter and considerable modernization and

improvement of other boats is expected.

The fleet sails on Saturday afternoons during July and August. While no regattas are planned for the 1982 season, visiting boats are welcome to join us for Saturday and (occasional) Sunday races.

The fleet is a part of the Provincetown Yacht Club. Interested parties may contact the fleet secretary, Ted Barker, at area code 617-487-0050 or Gloria Furman at 617-487-3400.

All in all, it has been a good year. Hope we see or hear from you in 1982.

President Fisher at the N.A.'s.

Registry of Lightning Boats

(Corrected to December 4, 1981)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner's address is unknown.

Where boat number is followed by an asterisk, it means that there is an approved measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.
