# DEDICATION

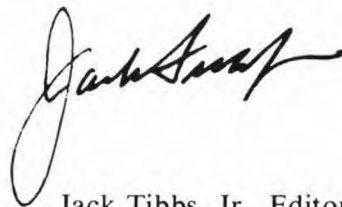

As we were working on the Lightning Class's 47th Year Book, I spent some time reviewing and researching old Year Books trying to come up with a new concept, something special, the ultimate something that would put this book apart from the others.

But it seems they all have a sameness; great articles that are well written, pictures that portray the spirit of the boat and people and good reviews of the Lightning year. Each year considerable effort is expended by a lot of dedicated people in order to produce a first class publication.

Thanks to you all: Writers, photo takers, fleet and district reporters, proof readers, advertisers and staff people at ILCA. We dedicate this years edition to your fine efforts. I'm sure that the members of the Class appreciate your work and support.

Special thanks to Assistant Editor Fay Regan, Mary Huntsman for the cover shot and Junior Worlds photos, Donna Foote who co-ordinates the effort and my wife Chris who did a lions share of the work the past two years.

Good sailing,

## PRESIDENT'S MESSAGE

As another who confesses to occasionally getting lost in twenty years of Yearbooks, I marvel at the hard work and illustrious history of the Class. The Lightning surely changed our family lifestyle as we literally moved to be closer to the action, as it has with so many other families.

Looking forward, we approach #14000 and are just a couple of years away from the fiftieth anniversary of Lightning #1, generations of families along with serious racing sailors have, and continue to sail what is now a state of the art boat, which remains universal in its worldwide appeal.

Whether the purpose of the mission is a fun family day sail, or an all out heavy air championship racing event, our boat is a most attractive investment as she is affordable to most, holds her value, and has superb sailing characteristics.

Our Fleets promote the Lightning. Through activities the Fleet, and it's members bring prospective Lightning sailors into the class, and we must always work to promote our great boat for even the best products must be sold.

Here is to great Lightning sailing and selling in 1985.

A handwritten signature in cursive script, reading "George R. Hatfield". The signature is fluid and stylized, with a large initial "G" and a long, sweeping underline.

George R. Hatfield, President  
International Lightning Class Association

# Officers of the International Lightning Class Association

**PRESIDENT — George Hatfield**

George has sailed Lightnings since 1968 first at White Rock #35 and then as a charter member of Rush Creek #435.

He has served as Fleet Captain, Texas District Commodore, two years as Assistant Measurer and Vice President, and two years as Chief Measurer of the class. Also he has served as Commodore of Rush Creek Yacht Club.

Lightning sailing has involved most of the family including wife Claudette, son Greg #13691 and more recently daughter Susan.

George is President of Hatfield and Company, Inc. a Texas based regional supplier of engineered industrial specialties.

**SECRETARY — Anne Allen**

Anne has been sailing Lightnings since the mid 40's. She crewed in her first North American's (International Championship) in 1949 for her father, Karl Smither. In 1955 she was part of the championship crew for Tom Allen in New Orleans. Since then they have sailed together for many years. Their four children, Jane, Brenda, Tom, and Jim are all active Lightning sailors.

A strong supporter of women sailing, Anne helped to organize the Womens' Lightning North American's. She is active in Fleet 12 and the Lake Erie District, is currently the treasurer, and has served as Class VP of International Affairs.

Anne is a registered pharmacist.

**CHIEF MEASURER — David Sprague**

Dave started sailing in 7509 in 1962 at Royal Lake of the Woods Yacht Club (Fleet 320) in Kenora, Ontario. In 1969 he brought *Janitor of Winnipeg* 11174 and moved her east to Montreal (Fleet 215) in 1971 and now Toronto Bay (Fleet 146) since 1972. *In Lieu* was added in 1981 and as she floats better when dumped is the one most used.

Over the years Dave has served on the Fleet, Lake Erie District, Canadian Class and Boulevard Club executives in various positions.

Wife Cathy Bowman is currently on shore leave tending to the growing replacement crew of Daniel (1 year old) and Megan (3 years).

Dave is President of D & D Management Corporation of Toronto.

**TREASURER & TRUST FUNDS**

**DIRECTOR — Richard C. Guinan, Jr.**

Richard has raced Lightnings since 1974. He has served as Fleet Captain of Fleet 435 at Rush Creek Yacht Club near Dallas, Texas, has served as Texas District Commodore, helped in the organization and ran the 1979 Lightning Worlds at Rush Creek and was Co-Chairman of the 1983 Lightning North Americans. Richard served as Chairman of the Board of Governors of Rush Creek Yacht Club in 1981.

The Guinan family is actively involved in sailing and Lightning racing. Son, Rick, daughters, Laura and Brigid and wife, Eileen are all crew from time to time with Richard and others on Lightnings.

Richard is a partner in the Dallas law firm of Denton & Guinan.

## THE CHAMPIONS

The first National Championships were held when the first boat was publicly less than eight months old. Nineteen boats participated, John Barnes won with three firsts.

In 1945, the Championship was renamed International; there being thirty some boats in "foreign" countries.

In 1961, the first Lightning World Championship was held and that year the Internationals were renamed once again, this time to the North American Championships.

## **Willing to be the Best**

Any sailmaker can boast that they have "the" fastest sails. Only Shore has the results and are spending the time in the class to prove it. Shore Sails Lightning program - Simply, a group of dedicated sailors prepared to do whatever is needed to make your boat faster. Tuning guides, seminars and personal attention are just a small part of our commitment to the class. The 1985 designs are out. The results prove our commitment. Shore Sails, Willing to be the Best. Call Ken Read or Bill Shore for details.

# MARK BRYANT ON THE 1984 N.A.'s

*Note: Mark dictated this article to Judy Walker's tape recorder over a cold glass of beer and lot's of good laughs being provided by Patty and Judy as they recalled the excitement of the 1984 N.A.'s.*

I was well organized this year. My van, which never breaks down was ready to go but the boat needed work. As it turned out, the repairs didn't get made on the boat and the van died a few days before I was supposed to leave for Seattle. Ken Reid came through and volunteered to double deck my boat to the NA's. Still I didn't have the repairs done on the boat. Luckily I got a call from Dave Nickels in Michigan offering me a brand new boat for the NA's. Even better, the boat would be in Seattle waiting for me. Matt and Corrie didn't have any objections to sailing a brand new boat so we decided to go with the Nickels charter. I still had to have Ken Reid stop by Buffalo for the masts and other equipment which he did at 2:30 in the morning. The masts drove out but I flew. When I arrived at the NA's I was well rested. It was really neat for a change. I kept remembering my trip to Dallas in 1983 with two Lightnings, a Laser and many masts. With all the breakdowns and 40 hours in a van, it was not an enjoyable trip. The same was true when I went to San Diego.

I had confidence in the sails I was going to use and I knew that the boat had a good performance record but I had to insure that everything was set up correctly for the way I sail and class requirements. This took quite a while as I measured other Nickels Lightnings to make sure mast-step was correct. When everyone went out for the practice race, we also went out but did not enter the race. After about 20 minutes of tacking and gybing, I was happy with the boat and went in to relax, had a good nights sleep and was ready to go Sunday morning.

The most important thing we did Sunday morning was to check the flight listings. In Dallas, we sailed in the wrong fleet for one of the races and got a DSQ. This year, we wrote down the flight on both sides of the boat and made sure we were always in the correct flight every time.

We launched the boat and sailed out and did the usual things in preparation before the race. We sailed upwind, determined the mean wind, tried to get an idea of which way the wind was phasing and what the current was doing. The first race we sailed against stiff competition; Bill Shore and Jim Crane. Several minutes before the start I asked my crew if they wanted to win this race. They said sure so I suggested we try to win all the races. They still agreed so now I knew my crew had good confidence. This helped to booster my confidence even more. I was comfortable.

The first thing we did in the first qualifer was to hit the leeward mark. We didn't just brush it, we bounced it off the bow. We rerounded and sailed the race to finish fourth. For the second race the leeward end was slightly favored so started there again and behold, we hit the mark again. I was not very happy as we rerounded but we worked our way up to finish 5th.

For the third qualifier, the wind blew out of the north. We had to wait a long time for the wind to come in. We did win the race but I don't remember much about it. We could see

by now that Ken Reid was going to be tough with three 1sts. The fourth race started with the Race Committee pushing real hard to get the race off. There was little or no wind but there was also little current. Ken Reid was in this flight and we felt we had to beat him to let him know he wasn't unbeatable and to booster our confidence. Jim Dressel went on to win this race but we were second and ahead of Ken.

In general the qualifying series were easy. We did have some boat problems but we squared them away and felt that the boat was going very fast.

The first day of the NA's we just sat around waiting for wind. We were ready to go; we were the first ones at the Club that morning. We wanted to sail and not sit around. I stayed away from the people I felt I had to beat. I borrowed Betsy Gelenitis' camera and went around taking pictures of everybody. It was nice not to have to work on my boat for a change. There was nothing I could do to make the boat any faster so we just sat around. We knew we would have three races the following day so we went home early and got another good night's sleep.

The first race of the NA Championships is to me the MOST IMPORTANT. You must show your best performance in this race. We had a great start but there was a question as to whether we were over or not. Luckily, we were clear and the race was shortened at the leeward mark. At this point, we were first with Tom Allen and Ken Reid just behind us. The right hand side of the course was showing a big lift whereas the left hand side was not good even though it was favored 90 percent of the time during the qualifiers. We did go right a little but stayed to the left of all our immediate competitors. We were all hiking a bit so the winds were probably 7-13 mph. Ken went a little left of us and was able to cross in front of us. We went even further left to the lay line to pick up more breeze and were able to wind the race. This win helped to take some of the pressure off me and I am feeling more confident than at the start of the Championships. We had a good feeling on the boat but we weren't sailing relaxed because we never sail relaxed.

For the second race it was a little more windy; 12-14 mph. Unfortunately we got a poor start but were able to get clear air. We sailed up the weather leg with Bill Shore. We could see there were going to be problems ahead of us at the weather mark so we went high of the lay line and were able to power around the mark without losing any speed rounding 10th instead of eighteenth. Our goal was to pick off one boat in each of the remaining six legs to finish at least sixth. We were able to finish fifth.

The third race followed immediately and again, we had a poor start. We went up the weather leg and were probably 25th at the weather mark. The current had started to change between the two races and Matt knew it. He knew the first place boat was at least 400 yards above the lay line so he told me to go low. We dove low and I stood up and talked to the four boats behind me. I told them we had to go really low

and luckily they followed my advice. We were able to round the gybe mark fourth, so staying low really paid off. What impressed me most about the last beat was the amount of covering that was going on early in the leg. The boats from 10th back were not covered and went to the right hand corner whereas the lead boats went to center left. We were also sailing through the Governor's Cup fleet so we lost track of the boats behind us. With the close tacking going on in our immediate vicinity, I thought we would be about third in the race but then the boats, particularly Tom Allen, Jr. and Bob Wardwell came in from the right along with Shore and Almond. Instead of being third we ended up sixth. We now had 13 points. I felt we needed more communication in the boat between Matt, Corrie and myself. I think we were still leading the Regatta at this time and I wanted to keep it that way.

I can remember sailing in so many championships with Bill Shore in which we always did bad in the fourth race so naturally going into the fourth race I was very nervous. Luckily the first fourth race was cancelled when the time limit expired. We weren't doing well; probably 23rd. The actual fourth race was sailed with wind out of the north to start and blowing 12-14 mph. The current was pushing us away from the starting line. We were hit from behind by Danny Dressel and the tiller fell out of the rudder. Danny did his circles but then we hit Ralph Messersmith when he tried to clear the mark. We filed a protest on that one. We continued to sail up the weather leg but the tiller kept coming out of the rudder. All this while we were hiking but we still get to the weather mark fifth. At the gybe mark I had taken the new sheet and as I leaned forward, the tiller fell out of the rudder again and we hit the mark and then Elfman. We rerounded, the mark, did a 360 and reset the chute but now we are about 25th. We were still having trouble with the tiller so we repaired the tiller by taking a screw out of the rub rail but had to luff the chute to do this. With all that going on, we finished 21st, but felt that we were entitled to redress because if the tiller had not been damaged during the start, we would not have had all the problems. Now we have a 1,5,6,21 but the 21st will count as the throwout if we can't get redress. At the same time, we knew we had to win the next race so we started, next to Shore and tacked immediately to the right side of the course. We were second at the weather mark behind Jon Schwartz. We both put up chutes and we went over Jon. Now we had a boat between Bill Shore and myself which was just great. Bill did a 720 but still held onto third. We put a loose cover on Bill to try to get another boat between us. We won the fifth race but still had two protests pending on the fourth race.

The Messersmith protest took almost two hours but we won. On the hearing for the redress, I had good vibes from the committee but they decided to hear it after the sixth race. So instead of going into the last race knowing exactly what my score was I had to sail throwing out by 21. I felt that I had to beat both Shore and Fisher to win the NA's. I went over to tease Bill a little bit and to wish Fisher the best of luck.

At the start, Fisher was not pressing me but forced me into a fatal mistake. I ended up gybing away from the line at 40 seconds to go. We slowed down a lot and couldn't even get to the line at the start. Matt had a good start but I felt he was going the wrong way. Bill had a poor start but was going to the right way. We cleared our air and went with Bill. I knew I had to finish in the top seven and keep Fisher behind me to

win the NA's. We got to the weather mark ninth with Fisher behind us. Shore was leading the race but was being pressured by Ken Reid. We gained good distance on the boats in front of us and caught one boat on the gybe. We could see that the lead boats had dropped their spinnaker when Matt did and stayed directly in front of him until Corrie said there was more air on the left side. We tacked over to the left and got a little more wind. The northerly did not fill in so we sailed down the reach to the wind line and took it all the way to the corner. This was a chance, but the guys going dead downwind seemed to be going backwards. Crane and Fisher went with me and when we gybed and came back, I was ahead of everybody except Crane. We got to the leeward mark second and rounded to a tight reach. Now the wind died even more and we went to the extreme left. There was no wind by now and if the current hadn't been pushing us to the finish line, we would still be out there sitting. Shore tacked to the right and we later tacked to lay the committee boat. We are about 15 feet short of clearing the committee boat. We roll tacked and it seemed forever to get up so we could tack and cross the finish. Meanwhile Tom Jr. who had gone another hundred yards to the left took the current and crossed the finish line. We were just sitting there on starboard tack and Fisher was coming on port tack with the current. Luckily we just made it across the finish in time. As soon as we cleared we got out the paddle and headed home.

The highlight of my NA's was that Matt was crewing for me. I feel that he is the most underrated crew in the Lightning class. He had never gotten the recognition of being as good as he is even though he won the Miami Midwinters several years ago. It was also nice that my wife Patty was there to encourage me.

There were many contestants at Seattle who could have won the NA's. You don't win it unless everything is just right; the boat, the sail, the crew and most importantly as Jay Lutz once said "the guy steering the boat has to have his head on at the right time and place."

All things considered, it was tough racing at Seattle but the hospitality of the Seattle Corinthian Yacht Club made up for all the disadvantages. The weather was great with no rain. Going to the west coast was a great adventure and I will always go back.

# XXX SOUTH AMERICAN CHAMPIONSHIP

by Michael A. Norris

Once again Brazil was honoured to hold the Lightning South American Championship.

We had representatives from Argentina, Chile and Peru.

After sail and boat measuring we had a tune-up race on Wednesday which was won by Soares followed by Vila and Barreda Moller.

On Thursday we set off early for the first and second race. The first one started at 11:00 with south winds of 10 mph. We had a good start and moved to the left side of the course, allowing us a comfortable lead at the windward buoy. Soares was in second closely followed by Robert and Fantuzzi. Through the rest of the race, the fight among boats continued, however, the final positions remained the same. The second race was started immediately after, however this time we had trouble at the start, and rounded the first buoy in third closely followed by Robert and Fantuzzi, with Soares in first and Abinzano in second. During the second windward leg, we managed to pass Abinzano and close the gap on Soares. The third windward leg was decisive with Soares and us fighting the lead buoy to buoy, with the wind increasing to 15 mph our speed in relation to Soares increased allowing us a lead at the end of the leg. Meanwhile, Fantuzzi gained third place passing Roberto and Abinzano. At the finish Soares came in second with Fantuzzi in third and Abinzano in fourth. However, Fantuzzi was disqualified for lack of obligatory equipment.

On Friday, the third race started with a northwest wind of 2 mph. Dietmar lead the way, followed by Abinzano, Fantuzzi and us. On the spinnaker leg Abinzano passed Dietmar and we passed Fantuzzi. During the second windward leg Dietmar and us managed to pass Abinzano. On the run Robert came out of nowhere with a private gust and worked up to second place. On the third windward leg Abinzano decided to ride on Robert's gust, however found out it was

no longer there. Bets were running high when Dietmar, Robert, Fantuzzi and us rounded the last leg together. We went down the middle while the rest decided for one side or the other of the course. We were very pleased to find out that Robert's gust decided to come back, and guess where? Down the middle! We managed to get the lead with Dietmar finishing in second and Robert in third.

The fourth race started a couple of hours later with a south wind of 15 mph. Once again we managed to get a good start and lead the way to the windward buoy with Robert, Soares, Per Olov and Abinzano changing places at every moment. However, they came to an agreement and Robert finished second with Soares in third.

The fifth race was sailed on Saturday. The wind was around 8 mph. We got a good lead around the first mark, Robert and Per Olov were also in a very comfortable position in second and third. With positions already guaranteed there were no changes until the finish. Abinzano was disqualified as he was early over the line and failed to return.

With the championship already guaranteed, we decided not to take part in the race and watch Robert, Soares and Abinzano fight for second, third and fourth. Right from the start Abinzano got the lead followed by Robert and Soares who were sailing against each other. On the third windward leg Robert managed to clear Soares and catch up with Abinzano. The last leg was thrilling with Abinzano and Robert fighting for every inch of the leg. The competition among the two was so nervous that Abinzano misjudged the line and allowed Robert to finish first with Soares finishing in third.

The XXX South American Championship was a success. I'm sure everyone enjoyed the sailing, barbecues, parties etc. We are hoping to see everyone again in Peru next year.

# 1984 NORTH AMERICAN CHAMPIONSHIPS QUALIFYING SERIES

by Georges Peter, M.D.

One of the most important series for Lightning sailors is the qualifying series at the North American Championships. First instituted in 1960 (prior to which sailors qualified for either the Championship or the President's Cup from their respective Districts), this series consists of four races and determines who will sail in the Championship (Blue Fleet) flight, Presidents' Cup and Governors' Cup. The format allows all sailors to sail against each other at least once, keeps the fleets manageable in both the initial and final series, and, with a throw-out race, maximizes the opportunities for the top sailors to be in the Championship division. The top 33 boats plus the defending champion, if he elects to take his bye rather than sail in this series, plus ties, make the Blue Fleet. This year, defending champion Bill Shore, elected to sail and forfeit his bye. His reasoning was that he had far more to gain by taking his chances in qualifying from learning about the conditions on Puget Sound than he had to lose by the unlikely possibility that he would not qualify.

For some, such as Shore, Bryant, Allen, Crane and the select few others who are not only outstanding but also consistent sailors, the series is only a preliminary tune-up for the Championship. For others, however, the series presents a major challenge and can be fraught with obstacles which occasionally humble even the most perennial qualifiers for the Blue Fleet. A former President of the Class and an outstanding sailor in his own right commented at the Worlds in Dallas: "Thank goodness I don't have to qualify — those 'qualifiers' drive me crazy."

This year's series in Seattle had additional significance, since the North Americans were the qualifying event for the World Championship which will be sailed in Little Egg Harbor, New Jersey, a location which will afford most (if not all) who qualify from this country the opportunity to go. Going into the fourth and last race, at least 22 boats by my count undoubtedly had qualified, and another 20 had a legitimate shot at making the top group. This assessment assumed that four races would be sailed, and provide a throw-out. However, the weather conditions on the last day jeopardized this assumption and heightened the tension. Throughout the morning, only patches of a faint southerly breeze worked their way up Puget Sound. The Race Committee Chairman repeatedly placed the sailors on alert, but the best hope appeared to be the late afternoon northerly that usually develops in Seattle. Finally, however, in the early afternoon, a light southerly was spotted and 85 somewhat skeptical skippers and crews answered the one hour gun. A strong, incoming tide further complicated matters. The breeze held just long enough to allow the minimum of four legs and a completed fourth race. Clutch performances in this final race were recorded by Phil Lotz, Tom Allen, Jr., Clarence Holman, Scott Finkboner, Warren Lewis and Frank Atkinson, all of whom turned in excellent finishes to ensure their position in the Blue Fleet.

Overall, the top qualifier was Ken Read of Seekonk, Maine, 1982 College Sailor of the Year, and his crew of Mark Washeim and Chris Hufstader. They won three races

and tossed out a 4th place in the finale, making the whole business look easy. Other race winners were Jim Crane, The Neville Factory Team, Matt Fisher, Jack Elfman, Mark Bryant, Jim Carson, Dick Hallagan, Mark Bryant, Matt Fisher and Bob Wardwell. Three of these subsequently also were in the top five in the final results of the Blue Fleet.

At the other end of the list of qualifiers, a four-way tie between Don Barrett, Bob Penticoff, Scott Finkboner and Rob Held for the final position occurred. The Fallon Trophy, which is given to the last qualifier, was given to Rob Held. This prize is named after an esteemed and beloved Lightning sailor, Tom Fallon, who had the uncanny knack of predicting the number of points necessary to qualify, and, as a result, while awaiting the final results, reassured many a crew. His counsel, given with wit and a cheery disposition, was an integral part of checking the scoreboard during the Qualifiers, and led to this award following his untimely death in 1976. Tom's spirit and love of the Lightning Class helped to mold the Class in its formative years. He was the ILCA President in 1961, and was a fine sailor who was usually in the Blue Fleet and won the 1960 Mid-Winter Championship. The Fallon Trophy symbolizes the fine sailing, competitiveness and importance of the Qualifiers and recognizes the fine qualities of Tom Fallon both on and off the water.

# PRESIDENTS' CUP

by Paul Gelenitis

It's a LONG road from New Jersey to Seattle, but I was fortunate to hook up with Jim Carson who brought my boat and crew, Garold Thompson and Chris Krautheim to the Great Northwest. Garold and Chris sailed the Junior N.A.'s so I counted heavily on them for their knowledge of the area. The information they absorbed proved invaluable in the regatta.

The qualifying series proved to be a very difficult experience for us, but the disappointment of not sailing in the Blue Fleet was overcome by my crew's determination to prove they were true winners. They were right!

**Race 1** — The first race started in light, oscillating winds. We started near the pin end with Greg Zettler and continued toward the left side of the course because of a 15 degree windshift. Approximately three-quarters of the way to the layline, the wind phased back to the left and Zettler tacked to consolidate. We went 50 yards further and tacked. The wind continued to the left and we crossed the entire fleet by a wide margin. We rounded first, followed closely by Nickels and Huggins. The fleet closed with the wind getting lighter near the jibe mark. We rounded the jibe mark wide and went straight for the leeward mark. Huggins passed Nickels on the second reach and both took advantage of the current to pass me just before the leeward mark. We had the better takedown and quickly tacked after the mark in order to play the left side. Huggins continued right but fell victim to light air and a news helicopter who was filming the event. Nickels came back to the left and went all the way to the lay line. The race committee shortened the course to four legs and it became a drag race between Nickels and us, with Nickels to weather and slightly behind. As we approached the finish line, it became apparent that the committee boat was not anchored and was drifting downwind slightly. The boat drifted just enough for us to inch out Nickels. Jody Swanson, staging one of her great comebacks, took third.

**Race 2** — Race two saw the wind increase somewhat and the racing was very close to the top mark. Helmer took advantage of a left side lift to round first. We were able to pinch off Dave Sprague to round second, Jody Lutz fourth. Helmer increased his lead throughout the race. The jibe mark again was our downfall as we lost Jody Lutz, Grogono and Sprague. At the same time, we had a disagreement with Sprague which gave us our throwout race. Up the last leg, the fleet was close again, with positions changing constantly. In the end, Helmer sprinted away from everyone, leaving Lutz second, Swanson third and Sandy Huntsman a strong fourth.

**Race 3** — The third race was started with good wind and there was close racing to the first mark. Lyons rounded first but was soon overtaken by the superior spinnaker work of Matt Burrige. With the wind slowly dying throughout the rest of the race, Burrige and Lyons pulled away from the fleet. Swanson passed Lutz on the second beat and passed us down wind to take third place. We followed Lutz in the parade to the finish. Burrige first, Lyons second, Swanson third, Lutz fourth.

**Race 4** — In the fourth race, the fleet got two races for their money. The race committee started the races in a light southerly breeze against a strong current. Stu Anderson played the right side of the course to lead the President's fleet in extremely slow conditions. However, the time limit ran out before four legs were completed. Where were we? We were the last boat to round the first mark, approximately one and one-half hours after Anderson did. Thank God for time limits!

In the fourth race that counted, we were determined not to fall behind again. In a relatively strong nor'westerly, we sailed hard to the port tack layline where we found better velocity and we led from start to finish. Hammer followed us to the left side to round the first triangle in second place. Swanson picked her way through the fleet and finally caught Hammer on the second weather leg. On the second set of reaches, Swanson and her lightweight crew used their knowledge of kinetics to pull away from the fleet and challenged us for the lead. We were able to maintain our lead on the last beat, but not before Jody had scared us to death with an awesome display of speed. Swanson took second, and Hammer easily outdistanced the rest of the fleet.

**Race 5** — The heaviest air of the regatta came in the fifth race in which all crews were hiking hard. We wanted to start at the pin and go towards the left side of the course. Through some miscommunication, we hit the pin and got tangled up with another boat. Gunshy from our experience with the protest committee, we quickly did our turns. (When we analyzed it later, we had actually been fouled!) The majority of the fleet headed to the right for an expected windshift. A small group that included Hammer, Nickels, and Helmer went left. We followed the smaller group remembering the increased velocity from the previous race. As it turned out, the small group guessed right and we were able to make up a lot of distance with the velocity and good boat speed. The only boat to come back from the right side or the course was Jody Lutz who bailed out early. At the first mark, Hammer pinched off Nickels to lead. Lutz rounded right behind and was closely followed by Helmer, then us. We had a good set and were able to pass Helmer to leeward before he got his chute full. The positions remained the same at the drop mark. The lead boats all tacked onto starboard almost immediately after rounding the last mark and went far to the left. Lutz tacked 50 yards short of the port tack lay line, while Helmer, Nickels and I paraded to the lay line. The three boats on the lay line made out better and Jody dropped to fourth. Places remained the same on the reaches although we closed the gap on the leaders. After rounding the last mark, the three lead boats went left again while Lutz tried the right corner. Half way up the last leg, we were able to pinch off Nickels and made up a lot of ground on Helmer. As we neared the port lay line, we tacked and Helmer tacked directly ahead. We were able to work higher and go a little faster than Helmer on port tack so it appeared we could get him before the finish. The wind didn't cooperate, however, and shifted 10 degrees to the right. All of a sudden Lutz came

flying in from the right and the race was up for grabs. As the three boats neared the finish line, Helmer barely crossed Lutz and tacked onto starboard to shoot the line. We lee bowed Lutz, but when all three boats crossed the line, Helmer inched out Lutz who then inched out our boat.

**Race 6** — Going into the last race, the scores were extremely close. With a throwout, we led with 10, Swanson 11, Lutz 13, and the rest of the fleet well within striking distance. Without a throwout, Swanson easily outdistanced the rest of the fleet. We knew we needed the last race to be sailed, but we were very uncertain whether the wind would cooperate.

The last race was started in a light southerly wind which we knew from past experience could be extremely fickle. Once again, we started near the pin and were able to take best advantage of an eddy which helped set us up in front of the fleet. Lutz was our nearest competition and Swanson was struggling in the middle of the fleet. As we went further left, a new wind line came in with a 15 degree port tack lift. We couldn't have asked for anything better. When we reached the top mark, we were in about 20th place in the *Blue Fleet*. Lutz rounded the mark with a comfortable lead in second, but still trailed us by half a leg. We felt rather confident at that point, but the wind changed 180 degrees on the second reach and became very light. We managed to round the former leeward mark ahead of Lutz by a mere 50 feet and Swanson was only 200 feet behind. The fourth leg was dead downwind against a strong current. We decided to

sail low and straight for the mark. A majority of the fleet sailed on a broad reach to keep up their speed and take advantage of small zephyrs coming off that side. For about half the leg, the Jody's appeared to have guessed correctly. However, when they tried to come back on a port jibe, they were battling a stronger current while we were able to maintain our speed. We rounded the fourth mark and stretched out our lead on a tight reach and a favorable current. After we rounded the fifth mark, the Race Committee shortened the course and it appeared that we would be able to finish in a steady wind. Once again we were mistaken. Halfway up the last leg, the wind died to virtually nothing, but the current pushed us toward the finish. The fleets were all mixed together and we couldn't tell where our competition was. At the same time, the time limit was approaching. With less than ten minutes left to finish, a couple of small wisps of air took us across the finish line, barely ahead of our President Hoekstra, and in 11th position in the Blue Fleet.

At the finish, the Race Committee forgot to give us the gun because they never expected the Green Fleet anywhere near that position. When we reminded them, they happily complied. When all was said and done, it was a rather happy tow home.

Again, I would like to thank my crew, Chris and Garold, for a job well done; and the Seattle Lightning Fleet for their hospitality. Most of all, I'd like to thank ALL of the Lightning sailors who participate in these regattas and make the Lightning Fleet the best in the world.

# GOVERNORS' CUP

by Scott Zerban

This year's North Americans was not short on competition as my crew, Dan Moriarty, my brother Rob and I discovered in the qualifiers. After the qualifying series we decided that the boat wasn't set up for the wave conditions in Puget Sound. We returned and hoped that we would do better in the Governors' Cup with no idea that I would be writing this article now.

With a 12 to 14 foot flood tide, the currents were a big factor in light air. In the heavier breezes, the waves became quite an obstacle for Dan, Rob and I because most of our experience is limited to small inland lakes with small chop. We did our best to adapt to these different conditions.

The first two races scheduled were delayed by no wind. On the second day we sailed three races in light air, which was out of the south. At the end of this day we were tied for first place with Browning.

On the morning of the next day the conditions were about the same with the winds out of the south and light. The Blue and Green fleets had already started when the wind shifted to the left and the race committee postponed our start. Twenty minutes later we were on our way to the first mark. We rounded first in a dying breeze. Half way down the second leg the wind shifted 180 degrees. The Blue and Green

fleets ran out of time and the committee shortened the course to four legs for the Yellow fleet. We held our position until we were twenty seconds away from the finish, when we also ran out of time.

The wind continued to build out of the North and all three fleets finished two races in the same day. In the heavier winds, and lumpy seas, my crew and I sailed our best and worst races. We were 6th in the 4th race, and 2nd in the 5th race. In the 4th race we started at the committee boat, which was not the place to be, and played catch-up for the remainder of the race. The heavier wind was favorable to Hickman, who was 1st in the 4th race and 4th in the 5th race. In the 5th race Michael Hein came from behind and won his 2nd race of the series. The finish of this race was close with Hein first, us second, Browning third and Hickman fourth.

With one race to go, we were on the water early Saturday morning with a light southerly breeze. The Blue and Green fleets finished their races but the race was cancelled for the yellow fleet. This concluded the series without a throwout.

With the boat all packed up and the series won it was time to leave Seattle and all of our old and new friends. We hope to see everyone next year in Michigan.

# 1984 WOMEN'S NORTH AMERICAN LIGHTNING CHAMPIONSHIP

by Betsy Gelenitis

The 1984 Women's North American Championship was held at Shilshole Bay on Puget Sound. Shilshole where? It sounded foreign, but we were off. A doubledecker rig, a Bronco, Patti and I began winding our way over several thousands of miles of asphalt, traversing majestic mountains and viewing beautiful countryside. Three days later, we arrived at our destination, to find that Shilshole Bay was, in fact, part of the continental United States and English was the official language of the regatta.

All joking aside, we found ourselves at a busy marina in a northwestern suburb of Seattle with a splendid view of the snowcapped Olympic mountain range and Puget Sound sparkling in the sun. Although the women's fleet was small, it sported nationwide representation; the Northeast, South, Midwest and West all participated. As we rushed around trying to measure in and socialize at the same time, some of the ladies braved the frigid 47 degree water and stiff breezes for the practice race. Several hours later, they arrived ashore with smiling faces and chattering teeth, commenting on the "light breezes" that had been predicted for Seattle in August.

Wednesday and Thursday provided great breeze (6-12 knots) from the Northwest with the tide flooding in. These two days enabled us to get in our first four races and some excellent sailing. Since we started behind the Juniors and Masters, we were able to organize a game plan based on our wind and current readings, as well as observations of the other two fleets.

Day one found the left side of the course favored with well defined breeze lines filtering from the northwest. The fleet stayed fairly close together, and the end of the day found us with two firsts, and a tie for second place with Fay Regan (2-3) and Missy Taylor (3-2) trading off positions.

Day two provided a bit less velocity but similar wind and tide patterns. After the third race, we led in points as the battle for second raged on, Missy ahead by a point going into the fourth race. Race four was lighter in velocity, the middle left slightly favored. Positions changed many times, no one knowing what the final outcome would be until the last weather leg. Coming across the line, we were first, Fay was 2nd, Lisa Parshley 3rd, and Missy 4th. The fifth race would determine the final outcome (or so we thought).

Friday dawned with a very light northerly. After arriving at the starting line, the breeze faded away and we rafted with the committee boat. We baked for hours in the sun, watching the youth of America romp and frolic. The sun passed over the yard-arm with the northerly fighting the southerly, breeze lines filtering in and out. In the late afternoon, Patti,

Vickie and I decided that we needed to make a move. Armed with a marker and a paper bag, we designed a logo and hoisted our cocktail flag up the backstay. Ah yes, what a wonderful idea! But to our dismay, the committee had other plans.

They towed us to the southerly, set up a course, and started a sequence. (As we practiced a bit upwind to get some wind readings, Vickie pointed out "some strange clouds" over the east shore. The "clouds" were "Mt. Rainier.")

Right before the Master's start, the breeze went north, the "old salts" prepared to set spinnakers and with three guns at the stroke of 5 p.m., the starts of the Master's and Women's Fleets were abandoned. Our mascot, Harvey, (a stuffed blue parrot) had warned us of this very thing, but alas, no one look him seriously.

Puget Sound was truly an interesting place to sail. The mountains and scenery were beautiful. The baby killer whales playfully romping around Judy Walker's boat were entertaining as was the "seal" that Jim Carson pointed out until we realized the "seal" was a mere stump of wood.

All in all, we had a super time, enjoying the local hospitality. I'd like to thank my crew, Patti Jeske and Vickie Matthews, for their superb job in keeping me pointed in the right direction, in phase, and going fast. Without them, who knows what might have happened, and boy, would it have been lonely! Many thanks to the Corinthian Y.C. of Seattle, the race committee, and Jim Carson (Chairman of the R.C.) for a regatta well-run. If it were not for such a fine event, we would not have enjoyed such super racing nor had the opportunity to see so many old friends and make so many new ones. See you next time!

# HISTORY OF THE OLD SALTS TROPHY

John Y. Sloan, known as Jack to his many sailing friends, started sailing Lightnings at the Buffalo Yacht Club in the early 1950's in Lightning #397. Later, he joined the Buffalo Canoe Club Fleet 12 and owned #9111 which he sold last year.

Jack founded the Old Salts Regatta at the BCC in 1974. He observed that sailors tend to be less competitive in small one design racing as they approach middle age, and they drift away to larger cruising yachts. Jack wanted to bring these older sailors back to Lightnings for a fun regatta of good sailing and stories of the sea. The Old Salts Regatta was born.

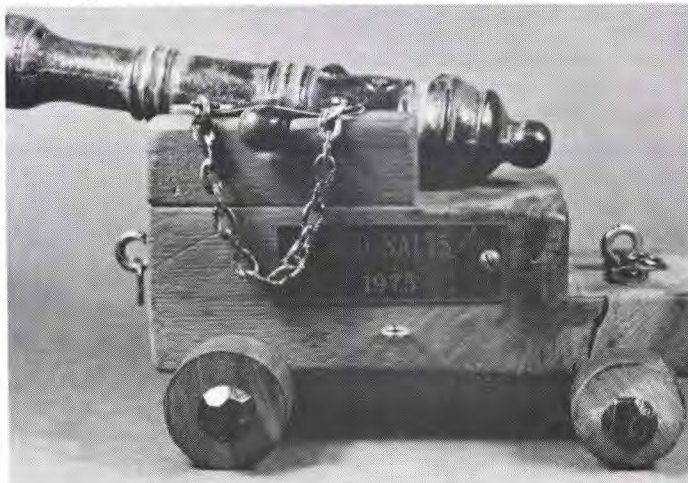

While sailing in the Carribean, Jack saw some antique cannons and thought they would be a great idea for a trophy. He had 50 cast in bronze, and with the help of Bill Hughes, a lifelong Lightning sailor at the BCC, they built the carriages to complete both the perpetual and keeper trophies which have been awarded each year at the annual BCC Old Salts Regatta. A keeper cannon trophy is a prized possession.

Jack then proposed that the Old Salts Regatta could be a part of the North American Lightning schedule. This would provide some interest for those older Lightning sailors who were no longer competitive in major regattas. Jack proposed the North American Regatta in the summer of 1982, and a committee consisting of Jack Sloan, Karl Smither, Crit Currie, and Jack Swanson proposed some guide lines and a

deed of gift for the North American Old Salts Trophy.

Jack then traveled to St. Petersburg for the winter meeting where the regatta was accepted as a part of the ILCA regatta schedule.

The cannon portion of the trophy was machined from solid bronze by Bill Hunter of Hamilton, Ontario, and Jack Sloan and Bill Hughes completed the woodwork on the carriage. It was a labor of love and we all owe Jack a big thank you for all his work on behalf of senior sailors.

## 1984 MASTERS CHAMPIONSHIP

By Stu Anderson

For sailors of fifty plus, the Masters is a great way to continue to be active and competitive in the ILCA which has been a way of life for so many of us.

This is the second year for his event and it is always fun to renew old friendships from past years. This year former N.A. champ John Teigland joined the group and it was good to hear about all our old racing buddies from years ago. Herm Nickels (1984 Masters Midwinter Champion and former N.A. Champ) stopped by to visit for a day on his way to Alaska.

Racing in Seattle was great. A new experience in the very cold water of Shilshole Bay, with tricky tidal currents.

We had good wind for two days and got in a couple of fine races. The lead changed frequently when someone would get in a spot with favorable current. The third race was washed out due to lack of wind and time constraints.

The water was very deep, I believe about 600 feet and it was a tribute to the race committee that they were able to set the good courses that they did.

With my friend Fisk Hayden and a local sailor Howard Seelig doing a super crewing job, we were able to successfully defend our "Old Salts" trophy for the Masters Championship.

"I'm sure there are a lot more Lightning veterans who would enjoy this event and I hope we can see a larger group

in '85 at Tawas, Michigan.

Plan on a winter vacation and attend the Midwinter Masters in St. Pete on March 15, 16, 17. Crit Currie has been working hard on this event and you should really make a special effort to get your name on this unbelievable beautiful trophy which was won last March by Herm Nickels.

See you in St. Pete!

# 1984 JUNIOR CHAMPIONSHIP

As Reported by Champion Trevor Born

When Sean, David and I reflect back on Seattle we say simultaneously, "Wow! We won the Lightning Junior North American Championship. Unbelievable!" Looking back to 1981 at Cedar Point Yacht Club was the 1st Junior N.A.'s which Sean and I participated in as crew; progressing to N.A.'s in Buffalo where David and I crewed for Susan MacDonald; the hot and humid N.A.'s at Rush Creek, again with Susan to the start of this summer past when I took the helm for the first time. David and I had practiced together for the whole summer. Sean joined us late in the summer, bringing with him hangovers and light air. Light air! Just what a crew weight of 500 lbs. needs. We practiced until we couldn't practice anymore. In other words, we quit when it became light and didn't go out until it blew stink! When we thought that we were ready for the N.A.'s we prepared for our long and tiresome trip to the West. This began with a 45 minute car ride to the airport, followed by a 4 hour flight to Vancouver. We stopped at some friends in Vancouver where they forced us to have lunch. We began our gruelling 8 hour drive to Seattle in bright, blinding sunshine in the smallest rental car we could find. Arriving in Seattle, exhausted from our long trip we found our billet, the Lindahls, who gave us a very warm welcome.

The next day we arrived at the Corinthian Yacht Club seeing that the Allen bus had arrived. We were all ready to go. But of course not everything can go well. Mrs. Allen sadly informed us that the boat we were to lease had not arrived. I tried to be optimistic about the whole affair and thought to myself, "well, we've had it pretty good so far." After a few hours of agony and waiting, Tom Allen, Jr. walked up to me and said he had some more bad news. I would have to sail a brand new boat. Talk about going from bad to worse. We set the boat up with lightning speed while Sean checked out the girls and David contemplated which way it was to the beach.

Around 4 o'clock that day the wind came up to about 20 knots which allowed the RC to get a practice race off. Well prepared for the weather, we set out to Puget Sound in shorts and T-shirts. We found that during the practice race we had exceptional boat speed upwind and our shivering off the wind made the boat shake so bad that we thought that we were planing.

That night the wind had stayed up, keeping our hopes up that it would blow the next day. No such luck. The wind on the day of the first 2 races was typical of the area. It came up around noon to no more than 10 knots, out of the North. It was sunny but because of the water temp, it was cool (55°). The start was postponed until the wind had settled. Finally the start got underway. The wind was shifting very little. The Committee boat had set the pin end slightly favored. At the start Jim Allen and I were at the pin end alone. Everyone else was at the committee boat. There was a slight current of about 0.2-0.5 knots. We had a good start with excellent speed on starboard tack. This right of way gave us a 3 boat length lead. We waited for most of the fleet to tack onto port and then we tacked. Jim shot the left corner in a big way. We sailed up the middle, coming into the windward mark with a substantial lead, Jody Swanson in second and Tony Fink in third. About 1/3 of the way down the first reach, David

awoke from his deep sleep to notice a huge barge moving at 18 knots towards us! Well, we were clear but it was close for Jody and Tony. They both managed to squeak through but it was lights out for the rest of the fleet. The smart ones took down their spinnakers, but one boat tried to out run it and almost became caught in its wake. At this point Sean said he thought we were assured a 3rd in this race. The rest of the race did not have the same fun filled excitement provided by the barge. We finished 1st, Jody 2nd, and Tony 3rd.

The conditions of the start of the second race were quite different from those of the first race. The wind was originally about 10 knots in strength but at about 1 minute to go it dropped to 5 knots. Sensing this we set up for very light air. The difficulty was that the choppy waves remained from the previous wind. Again the pin end was favored. We started with tremendous speed off the line and managed to pull ahead early in the first part of the leg. We sailed just left of the middle of the course with Jim Allen, Geoff Jarvis, and John Oldham just to the left of us. As we approached the windward mark the wind lifted us 20° and Geoff, Jim, and John rounded inside of us. The positions remained the same on the reaching legs. On the second windward leg, we managed to pass John and Jim by playing velocities and shifts. Two down, one to go (the only other Canadian on the course). We rounded the leeward mark just behind Geoff. He had a poor take down. We managed to tack before him and get in a lead bow position. Once we tacked back for the finish we ground him down in the waves and finally passed him. Canada was 1 & 2! So ended the first day of racing.

On the morning of the second day, the fog had rolled in. It was so thick that we couldn't see the sound. The fog lifted late in the morning and the racing began. This day things did not go as well for us. The start of the first race was very messy. We cleared our air as fast as we could. Approaching the windward mark we were in second place behind Jody Swanson. We followed her on the reaching legs trying to close as much as possible, but stubborn as she is she wouldn't let us close. We had opened up a fair lead over the rest of the fleet. On the final windward leg, Jody made a mistake that was almost fatal. After rounding the leeward mark she let us tack onto starboard first and allowed us to proceed a few boat lengths before she tacked to cover. We sailed for a long time on port. We gained a little bit. At this point I was undecided as whether to tack and start a tacking duel or proceed and try to clear here. I chose the latter and fate had it. We overstood the finish. Steve Hayden passed us taking first, Jody second, and us third. At this point we were leading Jody by 3 points.

The fourth race was a total disaster. Once again we had a bad start. The wind on the windward leg was very consistent. We worked on our boat speed because it was almost one tack to the windward mark. Approaching the mark it looked like once again that we were second behind Jody. The wind was light and the current was pretty strong. Jody managed to squeeze in front of a parade of boats on port tack going at the mark. In order to avoid these boats I tacked a little bit just beyond the lay line. One boat managed to give us a lee bow and knocked us just below lay line. That boat hit the mark. I tried to squeeze around it but didn't quite make it so

I had to re-round. By this time Jody had opened up a substantial lead. Approaching the leeward mark in fourth we noticed that there was not much wind to the right of the course. We went left and promptly caught 2 boats. John Oldham in his slick manner sneaked over the the right shore and rode a lift and puff of air all the way upwind. Meanwhile we were trying to hold third place. As we approached the finish line (shortened course), Tony Fink tacked on us (as usual). Jim Allen came from left field to finish fourth. John Oldham was second and Tony Fink was third. And us, well, fifth would have to do. Jody now had a one point lead. Of course severe depression hit and I proceeded to beat up my crew who were just thrilled! We put up our chute and were the first ones in to make it look like we won the race.

At this point in the regatta it was clearly between Jody and myself for first place. Then came the third day of racing! The pressure was on. I don't think that Jody or I slept a wink all night. The wind was very light in the morning. We sailed out to the starting area only to end up tying on to the committee boat so that the current would not carry us away.

We waited in the hot sun for several hours while Russ Schon, Brian Taboada, and Carl Rodenberg provided us with entertainment. The mechanics of how to ride a mark. Down at the south end of the sound there was a steady wind of 10-12 knots but the RC (cruise director) was waiting for the prevailing wind to fill from the north. Finally at 4:00 PM the RC decided to race us in the south wind. We were very eager to race since we had a point deficit. At the start the

committee boat end was a little favored so I wanted to keep Jody between us and the committee boat so that I would have more of a chance of having clear air at the start. At about one minute to go, I was heading toward the RC from the pin end and Jody was heading toward the RC from outside of the line. She tacked around and was heading for a whole mess of boats. She was over the line early. We started at the pin with clear air and the wind had shifted to favor the pin end. We were first to the windward mark and Jody was about sixth. As we were sailing on the first reach the wind suddenly shifted out of the north. Sean and David dropped the spinnaker and raised the jib instantly and we opened our lead. The wind was very flukey. On the second to last leg (which was the first windward leg) the boats behind us were closing in fast. We rounded the new leeward mark first and just set the sails for upwind. We were home free and on our way to win the 1984 Lightning Junior North American Championship.

That night we had the biggest parking lot party the Port of Seattle has ever seen and of course we won't forget MATT.

I would at this point like to thank the many people who made this regatta possible; Jim Carson and his RC. I would also like to thank our billets, the Lindahls. But the most thanks belong to the MacDonald family who gave us an unbelievable amount of support this summer. Lastly, I would like to thank the Royal Hamilton Yacht Club who gave us funds so that we could attend this regatta.

# YOUTH WORLDS '84

By Jody's crew  
(Joe Donovan and Joe Starck)

The Fourth Youth World Championship was held September 27-30 on Barnegat Bay at the Metedeconk River Yacht Club, Brick, New Jersey. Thirteen of the top skippers and crew from six countries turned out for what was a most competitive regatta. The grueling four day battle went something close to this:

**Thursday:** After a stormy, windy morning the weather calmed enough for the race committee to let the regatta get under way. After a quick practice race, everyone was ready to go.

The race was started in shifty, moderate winds out of the north. We arrived at the windward mark first with Tony Fink, the Italian, Paolo Cain, and Augusto Navarro from Peru following. We led around the triangle, but Navarro caught a big shift on the inside of the second beat which put him into the lead, with Fink and Born following. We were now back to fourth. At the second windward mark, a jibe set to the left side of the dead downwind leg allowed us to regain the lead. The third beat was just as bad as our second. We simply could not get things together upwind. We dropped back to fifth. The top four were Navarro, Fink, Born and Cain respectively. Downwind we remained in much the same positions. During the last leg we finally got our act in gear and gained instead of losing boats upwind. We finished second to Navarro with Cain, Fink and Born completing the top five.

**Friday:** Again we had to wait until the weather subsided a bit to get the racing started. The first race was started in twenty knot winds from the north. A crazy start with five boats over, caused a slow beginning for us. We were buried by the boats that were over and could not clear our air. Tony Fink led the whole race, but was over at the start and did not return. Paolo Cain sailed a superb race and finished first. It was a battle for second, third and fourth. At the finish Born was second, Swanson third and Kurkkainen of Finland, fourth. Vitaggio of Italy was fifth.

Friday's second race was started in the same conditions. Jim Allen's excellent first leg put him well ahead at the mark. Trevor Born was second, Swanson and Fink following closely. We stayed high and popped the spinnaker. We rounded the leeward mark first and covered Fink who was not far behind. About two-thirds up the second windward leg the race was shortened; we were to finish at the next mark. We were to the extreme left and Fink was at the favored end, but we were both just as close to the finish line. We caught a puff which gave us the six inches we needed to cross ahead of him. Trevor finished third, followed by Cain and Vitaggio.

The standings after three races were close:

	Total Best 2	
Swanson	6	3
Fink	21	6
Cain	8	4
Born	10	5
Vitaggio	21	10

**Saturday:** The same strong north winds brought excellent, cold racing. We got one of our best starts, but found our-

selves in fourth at the first mark. We held our position around the triangle. The second windward leg proved to be our most productive. We got out into first and were able to stay there the rest of the race. Tony finished second, followed by Trevor, John Oldham and Paolo.

The second race Saturday saw Paolo Cain off the line fast and long gone at the first mark. As usual, we were slow off the start and again found ourselves having to work our way up through the fleet, but this time we weren't as fortunate. The top five were Cain, Fink, Oldham, Swanson and Kurkkainen. After all but the final race the standings were to our favor.

	Total Best 4	
Swanson	11	7
Fink	25	10
Cain	14	9
Born	23	13
Vitaggio	34	23

Only Jody or Paolo could win. Jody needed either a first or second or have Cain finish no better than third to win.

**Sunday:** Sunday morning supplied a little warmer air, a ton of wind, and a "tension stomach". Off the starting line we were in a pack and could not break away. But neither could Cain, who was right along side of us. Tony Fink got out in front and led the whole race. Vitaggio was in second at the first mark, followed by Born, Cain and Steve Hayden. We were in sixth. Paolo took his spinnaker down at the jibe which allowed us to come within one boat. At the leeward mark all five boats were close and all we had to do was hold our position on Cain. Instead....we dropped our main, left our spinnaker flying, and let seven or so boats pass. After a 10 minute struggle to get the boat back to a beating sailset, we began to cheer on Tony and Augusto, praying they wouldn't make a mistake like we had. We felt so out of the race we actually had thoughts of playing baseball (yes, baseball). We continued around the triangle and did not pass a single boat (except for Trevor Born who had capsized at the jibe). Turning up the last weather leg we decided the baseball was not the best idea and switched on the after burners. Utilizing all of our clear air and playing the shifts, we ended up fifth, only boatlengths behind Cain. We had won the Youth Worlds. The final point totals were:

	Total Best 5	
Swanson	16	11
Fink	26	11
Cain	18	13
Born	34	23
Vitaggio	36	25

The tie between Jody and Tony was broken on the basis of most firsts.

We, the whole crew, would like to thank Jim Carson and the Metedeconk River Yacht Club for doing a most fantastic job. Also, we would like to thank all the Lutz' for housing us during the regatta. They made us feel like one of the family, and we very much appreciate it.

Once again, we thank everyone. This regatta is something we will not soon forget.

# BEHIND THE SCENES AT THE YOUTH WORLDS

by Richard D. Thomas

The concept of holding the Lightning Youth Worlds at Metedeconk River Yacht Club began with an idea of Jim Carson, longtime supporter of both the Lightning Class and the Metedeconk River Yacht Club. The endeavor of putting this Regatta into action wasn't one for the idle. In the final analysis, months of thorough work by many club and class members made the 1984 Youth Worlds an enriching experience which picked up the spirits on all who were involved.

Metedeconk has always been a hotbed of Lightning sailing. We have held many championship events here, with special interest to junior regattas. The 1977 Junior North Americans were held here. Race management was to be no problem. Jim Carson has always done an admirable job as race committee chairman and the club always has all possible sailing situations thought out with numerous boats on hand during the racing. The sailing was to be held on Barnegat Bay which usually makes for excellent conditions. The races themselves were no problem. We expected to have fine and fair racing and we did.

Holding a World Championship has many other contingent factors. Traveling, housing, meals, entertainment, all had to be dealt with. As this end, Club Commodore Bill Rodenberg did more than his share. Members gave up their time and homes for this regatta. Many of these members don't sail Lightnings and had never seen a world sailing event. They just felt that this was a happening which they wanted to be a part of, and that the club could take pride in.

After months of planning, September 19th and the sailors arrived. Van shuttles to the airport brought the competitors to that international hotspot, Brick, New Jersey. On a gorgeous Wednesday night, the opening cocktail party was held at the home of Dr. Alberto and Jean Taboada, overlooking

the Metedeconk River. The opening ceremonies and introduction of the crews followed at the Yacht Club with dinner.

The next four racing days would bring a Northeastern front to Barnegat Bay with winds up in the 20's, few glimpses of the sun, in other words, it was cold. The unfavorable condition didn't detract from the races, a tribute to the talent of the competitors. We were ready on our end. A "pit crew" was formed to handle any breakdowns or problems with the boats. Crew chief Dave Ruiter did an exhaustive job with aid from Jack Elfman and Alan Ruiter. Jody Lutz was the Regatta "Tuner", and had the responsibility of keeping the boats at top speed.

The sailors were kept busy at night as well. Dinners were planned, a DJ came in and the foreigners saw break dancing up close. Lightning NA champion Mark Bryant come down and gave a seminar with the aid of a videotape of first race. In play by play fashion, he gave some ideas to the competitors. Vivian Dooren was in charge of nightly entertainment and did a fine job.

Sunday's races and the trophy ceremonies marked the end of the event. Jody Swanson's remarkable effort will take the headlines and rightly so. Behind the scenes, the Metedeconk River Yacht Club was also an important story. A group of dedicated people from a small town put together a World Championship effort. It was made easier by the special flavor the competitors added to this Regatta. An overwhelming image of this event was the international sailors and people gathered together exchanging addresses and good wishes. Many thanks to the Lightning Class for letting us hold the Youth Worlds. We will carry these memories for a long time.

# THE HERMANOS NAVARRO— IRVINE TROPHY

A short history.

This perpetual trophy was placed in dispute by me in 1978 during the First Youth World Championship held in Peru with the participation of nine countries, with the hope that it would continue in all future Youth Worlds and stimulate the spirit of competition and fair sailing among young sailors around the world, similar to what we had already experienced in the forty years of Lightning competition. It was offered in memory of four brothers, Carlos, Julio, Felix and Tomas, all of whom during approximately 20 years participated directly or indirectly in Lightning activities in Peru, especially Carlos my father who was a member of my crew for many years. With him we won the National Championship seven consecutive times and the South American Championship in Guayaquil, Ecuador in 1958, and also the runner-up place in the Panamerican Cup of Montevideo, Uruguay in 1957.

In 1977 at the World Championship in Switzerland, Larry MacDonald, Sr. from Canada put forward the idea of the Youth Worlds. He organized a breakfast meeting during which delegates from all countries attending that Championship met to discuss the matter. It was decided Peru would be the first to host it and I took it upon myself not only to run it but decided to make the trophy as well. The first problem was the design. Trying to get someone to do it was going to be a very costly project so eventually I did it myself. The next question was the materials to be used on it.

My wife Elvira came up with the idea that silver was the best and she further suggested it should come from some of my previous trophies, after all as she put it, "that is the only way it will have a soul." After some hesitation on my part to give up some of my hard won trophies of the past I realized that she was right. It was really the only way that the trophy would have true value and a true "racing soul" and so the melting ceremony took place. However the actual craftsmanship of the trophy as presented to Stephen Craig of Dallas, Texas who became the first to win it here in Peru, had to be modified before he was able to keep it until the following regatta. It was too bulky and difficult to transport. Also a case to carry it by hand was needed. Eventually the problems were solved and now the trophy is well established and ready for the 5th Youth Worlds. Currently it is in the hands of Miss Jody Swanson who won it at the last regatta held at Metedeconk River Yacht Club on Barnegat Bay, New Jersey under the able chairmanship of Jim Carson and his group. They did a wonderful job of it and furthermore we have now proven beyond any doubts that there are no sex discriminations in the Lightning Class. Congratulations to Jody for being the first lady sailor to win this trophy. As I see it the trophy could not be in better hands as she is really a very fine sailor and had an excellent crew as well. I do hope this will further stimulate other Junior sailors in future regattas.

# STUMP THE STARS

By Bruce Goldsmith

I don't envy my good friend Jack Tibbs' job of putting this book together. However, as I start to write, I don't envy the spot I'm putting myself in with many of our star sailors. I am going to try to point out their strengths, weaknesses, and personality traits to help you whip them on the race course. Please realize that a certain amount of tongue-in-cheek and friendly rivalry exists between every one of these guys and myself. I hope they will accept my comments in that spirit.

Tom Allen — Not quite ready for the back side of the hill yet, but not as consistent as when he was less than 50. Has superb eyesight which helps him spot shifts in the light flukey stuff. Has a cool head and a talented wrist. Weaknesses are starting line aggressiveness and speed when trying some way out sail idea. Will sometimes go low on a reach and lose a lot of boats. But don't try to fake him into it. It takes a bit to irritate Tom, but keep your distance once he's decided to protect. Also, there is nobody in the class I've learned more from about sailing Lightnings than Tom Allen. Thanks, Tom!

Tom Allen, Jr. — A carbon of the old man except not as good looking but with a better sense of humor. Better in light air than heavy. Wins races big on occasion. Carrying on a great family record.

Don Brush — A rocket in heavy air upwind. A real bulldog type and determination wins a lot of places for him. Could be had offwind and in the light stuff a couple of years ago, but has improved a bunch lately.

Mark Bryant — Young, unpredictable, inventive, talented, extreme --- and current N.A. Champion. Not everybody's favorite but has a lot of us who enjoy him and his competitiveness on the race course. There is nobody faster upwind in the mealy stuff and he really doesn't have a speed weakness. Likes to foot so can be slowed by a good "safe" leeward or a good pinch job right after the start. However, if you miss and he rolls, you better shut out the light—the party's over. Congratulations on the N.A. Mark.

Jim Carson — Grizzled veteran of hundreds of regattas. Best upwind in a breeze, but capable all around. Sometimes takes a corner shot after a good start and wins big or ends up mid fleet. Left corner at St. Pete after port end super start has winning history for Jim. Has trained a lot of our great young sailors as crew and skippers. Thanks, Jim!

Jim Crane — Busy man running North Sails, but has so much all around ability that he's always a threat. If ever you get to a big regatta and find Jim has sailed a lot before it — look out. By nature he's best in light stuff but usually has really good heavy air crew so does particularly well offwind in a breeze. Aggressive starter. Sometimes overly impressed by speed or lack of it. Burn him early and you'll have a better chance to beat him later. One of the really nice guys that I've had the pleasure of sailing and working with.

Dave Curtis — When he's hot, he's hot! Quiet and conservative describes Dave, but not his sailing style. Probably the best breakway sailor in the world. Remember the Southern Circuit he won 8 of the 13 races. Develops deceptive speed because he's so smooth. Has no real weakness speedwise. Will sometimes hang it out to one side on first beat and either be first or mid fleet. Then will do same on comeback try. Result is occasional bad race. Don't we wish it was only occasional for the rest of us! A World Class Sailor, nice guy and fun to sail against.

Jim Dressel — Talk about personality not matching sail-

ing style! Jim is really cool and conservative upwind. He never pinches, always going fast through the water, usually up the middle. Is particularly good in oscillating winds by "footing to the headers." Same as Bryant, he doesn't like to be to weather and behind. Probably better downwind than he gets credit for. Really good in planing conditions. If you need a little comedy (and red face anger) take Jim up on the reaches. I'll never forget my first World Championship with Jim crewing for me and some of those Buckeye Lake battles of the 70's. It's been fun, Jim!

Matt Fisher — Sailing style somewhat dictated by that vintage Lippincott #10956. Superb upwind in a chop, struggles downwind in planing conditions. Sails conservatively and fast. Sails a lot tougher than his quiet personality. A real battler in tight situations.

Fisk Hayden — Goes well upwind and down but is most fun when you are duking it out for 30th with him. Great sense of humor when he and I are having a bad race or series at the same time.

Dick Hallagan — Someone along the way came up with the handle "Nervous Norvus", for Dick's unassuming personality. However, don't spend all your lunch money on a bet against Dick in drifting to light conditions. Heel it to reduce wetted surface and be patient seems to be his style. Not as strong in heavy air and a bit erratic down wind as will often go super high on reaches. Can really point high on occasion, but doesn't like to foot in a breeze. Best advice is to learn from him if possible in drifters. He is truly amazing.

Jay Lutz — World Champion! Hope we can get him back from his other sailing. See ya at the Southern Circuit Jay?

Larry MacDonald — He's One Tough Sailor! No real weaknesses. Don't be surprised to see this young guy break loose in the next couple of years.

Stu Nickerson — Stu's free spirit nature shows through into his sailing. He usually wins at least one race in a big series. He smiles while he pounds lumps in heavy air. But he may also dump at the jibe mark while leading a race. I've never quite figured out why his speed is not more consistent. Always seems to blow me off when near by. Average starter also. Another fun guy who is due! If not, on to Spofford, right Stu?

Colin Park — Many of you don't know Colin because he has mostly sailed in the Michigan District, where he is currently Champion. After a past of 470 Olympic competitions, he now finds himself getting ready to be a Lightning "Heavy" by beating on Holman, Nickels, Goldsmith, etc. in Michigan. At 120 pounds, he can pick from many size crews. Welcome Colin, it's been great racing since you've joined us in Michigan!

Bill Shore — Last and far from least. Not too many with the overall success enjoyed by Bill. A certain dedicated attitude is always present in Bill whether he's directing Shore Sails or racing Lightnings. When he first broke in he showed us all how to plane fast downwind in a breeze. He's probably still the best in the class at it. Now he has no real speed weakness. He sails conservatively as far as corners, but is sometimes so involved in a competitive idea that the big picture gets clouded. Recently having Ken Read on board to call the big picture really helped. Bill cleaned up at the '83 N.A.'s and '84 Southern Circuit. A World Class Sailor, good guy. Fixture in Lightning Class and fun to sail against.

# OLD BARN

By Judy Bales

Webster defines character as a letter, sign or figure; distinctive qualities or traits. Anyone who has been a member of Devils Lake Yacht Club or who has sailed in the Michigan district in the past 40 years knows that C. B. Crittenden or *Old Barn* has distinctive qualities or traits.

Barney was one of the charter members, who along with Jack Beal and Dr. James Reynolds, started the Sailing Club back in 1938. They are still members of Fleet 31. The Sailing Club consisted of different classes of boats using a handicap system they had devised. Barney had built a 15 foot round in the front and back boat that had to much sail (as he says) and tipped over too easy.

In October of 1939, on his way back to Detroit, Barney saw and bought Lightning #22 for the total sum of \$495. The next year Barney and his crew of John Hickory and Raymie Klein started racing the Lightning and were frequent winners of the Sunday races.

This was to be the start of Fleet 31, with four other sailors purchasing Lightnings. In 1941, he won the fleet championship and then repeated this feat 5 times in all. Money was scarce, so Budd Goodwin took an oil can, funnel and solder and made a Fleet trophy which is one of Barneys most cherished.

Later that year, Barney won the Michigan Districts, sailed in Lake Michigan at South Haven. He then told the sailors "Next year you come and sail in my pond." Ted Siefert of Lima, Ohio was the winner that year. Fleet #31 eventually deeded the trophy that was awarded to the Michigan District Champion until it was retired to the DLYC trophy case in 1979. Barney served as Secretary, Chief Measurer, Yearbook Editor, and in 1954 as the President of the ILCA.

Barneys wife Helen, was starting and finishing the races from the end of the dock after the regular race committee quit. So in 1960, Barney gave up sailing and told Helen "we'll do this together in the *Mother Hen*. Now the *Mother Hen* was a wooden boat that leaked. In fact, between the start and finish, Helen and anyone else that was along had to

keep busy bailing water out. One day with water up to their knees, it became more than they could keep up with and the *Mother Hen* was retired. Barney and Helen continued to be the race committee for many years and after Helens' death, their granddaughter, Sheila Gregory, took over for Helen. In all the 23 years that Barney was the committee the familiar sound was "ALL CLEAR." Anyone who has ever raced at Devils Lake can relate stories of "Old Barn" shooting holes in sails, speeding to the finish line or sitting and waiting for Barney to show up because there was no wind in the big tree outside his house.

If you were lucky enough to go with him it was an education as Barney knew exactly how much anchor line to let out or "just sit tight as the wind will shift back." He always had a "Barneyism" to tell such as heavy dew in the morning — no rain today. If there was no wind and the sailors were ready to hang it up for the day, he would say "wind in 30 minutes" and darned if he wasn't right. He usually had his portable radio with him on the race course as he could tell how close a storm was by the static on the radio. Sailors learned not to doubt him.

One of the nicest things was if you were a new sailor and came in your usual last that day, he always had an encouraging word for you. He loves sailing and never had tired of talking about it. This past summer Old Barns legs gave out and he could no longer walk to the dock so he had to give up his job. He was still able to come up to the club occasionally and watch the races and to talk to the sailors. He especially loves to see the young sailors in the club and encourages them.

His Lightning #22 finally ended up in North Carolina turned upside down and Old Barn hopes someday they will have her fixed up and ready to sail again.

Oh—the stories that boat could tell if it could only talk, because if you believe the stories you hear around the club, Barney was a real character is his sailing days.

## *Heavy Air Spinnaker Reaching*

By Greg Fisher

*Greg Fisher is a former collegiate All-American sailor and owner of Shore Sails Midwest in Columbus, Ohio. Both Greg and the loft are very involved with the Lightning Class — Greg finished second in the 1977 North Americans behind his brother Matt, who also finished second in the 1984 North Americans. Loft manager Bertie Gerling is an active Lightning crew. Greg is currently the Flying Scot North American Champion, the Highlander National Champion, was second in the 1983 Snipe Nationals, and first in the 1983 Thistle Nationals.*

REPRINTED FROM YACHT RACING/CRUISING MAGAZINE  
Yacht Racing/Cruising magazine is published by North American Publishing Co., 401 N. Broad St., Philadelphia, PA. 19108, U.S.A. One year subscriptions (10 issues), U.S. and Canada, \$20 annually; all other countries, \$32.

Of all the parts of sailboat racing, heavy air reaching with a spinnaker provides the chance for the greatest gains and losses. Although large upwind speed differences can produce gains of 100 yards or so, on a close reach with a spinnaker in a real blow gains of 200 or 300 yards can easily be achieved.

Let's talk first about some of the basics for sailing on a heavy air close reach. One of the most important considerations is not how fast you can go, but how well you can keep your boat under control. It's true, though, that the faster a boat goes, the more stable and controllable the "ride" becomes. Because the fastest planing or surfing shape is a flat shape, most boats must be sailed very flat or heeled just slightly to take full advantage of their flattest area.

It's also important that the boat be kept in near-perfect balance at all times. This doesn't mean just side-to-side heel or fore-and-aft trim; it means the helm must be nearly neutral. Without a neutral helm the boat cannot be steered effectively and placed exactly where we want it. Just as when sailing upwind in a real blow, the tendency on a reach is for the boat to develop excessive weather helm. This means that in order to make the boat bear off, which we must be able to do easily to keep the boat underneath the spinnaker in a real puff, we're constantly fighting the helm. This increases drag, which is slow, and you eventually lose control when the rudder stalls out (which often produces a broach or capsize).

There are basically five controls that need to be adjusted continuously while close reaching in heavy air. The first three are fairly obvious — the mainsheet, spinnaker sheet and tiller. The next two, although often forgotten, can be nearly as important as the other three all put together. These are the vang and (for boats that have them) the centerboard (or daggerboard).

Let's first set our boat up for a heavy air reach when we're still under complete control. The main should be set for the greatest power possible with the cunningham and outhaul both well eased, the vang set so that the upper batten is parallel to the boom, and the mainsheet played continuously to keep a slight bubble in the luff all the time. The spinnaker should basically be set with the two clews even. (Although some people have experimented with lowering the outboard end of the pole to move the draft forward in the spinnaker and open the leech, we've found that this makes the sail's entry too deep and therefore difficult to fly.) On many boats,

it's a good idea to ease the spinnaker halyard off 6 to 12 inches to help open the upper slot between the leech of the spinnaker and the main. The centerboard should be positioned so that when the boat is sailed flat or with a slight heel, the helm is neutral. This usually means the board is positioned much higher than we're used to seeing on a light or medium air reach.

On keelboats, where a centerboard cannot be raised to help reduce weather helm, crew weight must be positioned as far aft as possible. The last thing we want to happen is for the bow to bury itself in a wave and allow the narrow front end of the boat to take over and steer for us. You will notice on well-sailed J/24s, for example, that the crew is in the aftmost, windwardmost corner of the cockpit on extremely heavy reaches. Crew weight moved aft also allows the boat to slide easily off and over waves.

Before we get hit with our first puff, it's important to mention that every puff should be anticipated by the skipper and crew. That is, somebody on the boat should always be watching out and calling the puffs well in advance. This allows time to adjust the sails' shapes for overpowering conditions. For example, the cunningham, outhaul and backstay should be tensioned to flatten the mainsail and open the leech. (Remember to ease these adjustments back off in the lulls.) It also permits the sheet-trimmers to prepare for the moves they should make when the puff first hits.

As we get a puff and the boat begins to become unbalanced — that is, to develop more heel and weather helm — the first move is for the skipper and crew to ease the sheets together. It is no surprise that the skipper must ease the mainsheet slightly the boat balanced, since the main has a great effect on weather helm. But most important, the crew needs to ease the spinnaker sheet at the same time, sometimes as much as three feet, to keep the boat under control. One reason for this is that, as the puff hits, the apparent wind shifts aft and increases the angle of attack on the sails. Secondly, the skipper must be able to bear off quickly to keep the boat under the spinnaker, and the boat can only be borne off if the sheets are eased.

When the main and spinnaker sheets are worked in harmony, it should be necessary for the skipper to move the tiller only a little (thereby keeping drag to a minimum) to make the boat bear off as much as 15 to 25 degrees. In the puff, it's also important for the skipper and crew to all slide aft and hike out to allow the bow to lift and permit planing as soon as possible. Or at least this will keep the bow from plowing.

If the puff is severe or if another blast hits and the boat begins to get unbalanced again, we must turn our attention to the boom vang and centerboard. First of all, the vang must be eased. Actually, "eased" is perhaps not the best word for it — "dumped" is a better description. This allows the top of the main to go into a complete flog and depower the whole upper part of the sail. The boom will rise, and if a threatening amount of heel has developed, this will keep the end of the boom out of the water. On heavy air reaches, I usually have my forward crew play the vang continuously — easing it to depower in the puffs and tightening it again to power up when the puffs die.

In addition to playing the vang, the crew should have the centerboard pennant handy, ready to pull up the board in extreme puffs. This relieves weather helm by moving the center of lateral resistance aft and also allows the boat to slide off to leeward, putting the hull even more quickly under the spinnaker. At this point the boat will be sailing on spinnaker alone, with the main essentially in a complete rag.

If another puff comes that is even more overpowering, the boat must be headed off until it is stable. There is simple no other alternative once you've depowered the sails as much as possible. (Of course, when a puff hits unexpectedly and you can't bear off, luffing the chute is preferable to capsizing or broaching.) At times in a very wild puff, the boat may be sailed as much as 40 or 50 degrees below course. For example, in a heavy air Lightning race, boats will often round the weather mark, put the spinnaker up and take off way to leeward of the rhumbline at a very high rate of speed. The Lightnings large spinnaker makes it worth setting early: The chute can always be dropped part way down the leg and the boat headed up on a planing close reach for the mark.

On the other extreme, the Flying Scot and Thistle have relatively small chutes and can sail as fast with their jibs if control is a problem. The small gain in speed that might be made with the spinnaker for these boats doesn't outweigh the danger of getting out of control or of sailing way below the rhumbline. A good rule of thumb is not to be the first one to put your spinnaker up in marginal conditions. But be prepared, and if you see that others start to gain with their chutes, then go for it.

Always remember that your primary goal at the end of the reach, in addition to being upright and in complete control, is to be inside at the mark. You must avoid, almost at all costs, getting caught on the outside of a boat trying to jibe in

heavy air. A sloppy jibe on their part can mean much wasted distance and the loss of boats if you're trapped on the outside. A better alternative is to slow the boat down early and jibe behind the inside boat, so if they do lose control, it will be very easy for you to round inside and overtake them to weather on the next reach. Remember, though, that any boat is most stable when it is going as fast as possible, so try to jibe only when the boat is going at top speed, either on top of a wave or on a plane. If you have to slow down to make a good mark rounding, do it before, not during, the jibe. Otherwise you may find yourself on the brink of disaster with a forward crew on the deck and the bow buried in a wave.

Kinetics (movement in the boat to help promote planing or surfing) definitely has a place in heavy air reaching with a spinnaker. Although much of the time in heavy air on a reach the boat will be planing or surfing already, many times when the boat slows down and the bow is buried in a wave, a quick pump or ooch (the rapid movement of one's body forward in the boat) can help break the boat free and re-fire the plane. Usually ooching is the more preferred action to help rekindle speed (see "Winning in One-Designs," August 1983), as pumping the sail can create instantaneous weather helm and throw the boat off balance. Ooching can sometimes give the boat the extra shot it needs without affecting the balance.

It's easy enough to write and read about heavy air reaching with a spinnaker, but there's no substitute for getting out and actually doing it. Stick on an old spinnaker and an old main, and go out and blast around until you and your crew are really confident. Sailing your boat under control and therefore faster will always mean a better finish in a heavy air race.

# YOUR FAVORITE CHARITY

by Richard Guinan

Even the United States Government recognizes the virtues of the ILCA. The International Lightning Class Association has been granted status as a 501(C)(3) charity by the Internal Revenue Service. Just like gifts to the United Fund and the Olympic Committee, gifts to the ILCA can be deducted from income in computing your taxes. For ILCA members fortunate enough to be in a high tax bracket, this means a \$100.00 gift to the ILCA costs you \$50.00. The ILCA, of course, gets the full value of your gift to use for several worthy projects.

The ILCA Fund was formed in 1982 to give some direction and impetus to the solicitation of charitable gifts. The ILCA Fund is directed by a committee of five ILCA members who serve staggered three-year terms. Each year members send gifts along with their ILCA dues. Several large gifts have been received, including a 30 acre farm in Mississippi and the funds to purchase the beautiful Masters Trophy awarded each year at the St. Petersburg regatta. The Corinthian Yacht Club of Seattle and the Metedeconk Yacht Club have solicited gifts through the ILCA Fund to help finance the 1984 NA's and the World Youth Cham-

pionship, respectively. Funds raised in August and September of this year, through the raffle of Lightning #14000, are being used to purchase a computer for the ILCA office in Worthington, Ohio. Income from the ILCA farm is earmarked for use in promotion of Lightning sailing.

The long term objective of the ILCA fund is to build an endowment equal to two hundred percent of the ILCA's annual budget to stand as the ILCA's guarantee that the ILCA will remain solvent so long as boats float on water, and to assure future sailors the opportunity to enjoy the excitement and fellowship of sailing Lightning class sailboats.

Most sailors who have been members of ILCA for several years come to realize that the value they received from participation in the sport of racing and sailing Lightning class yachts is much greater than the \$25.00 annual dues. Gifts to the ILCA Fund provide a means, with help of the tax deduction, to pay the ILCA back.

When you pay your membership dues, include something extra as a gift to the ILCA Fund.

# REGATTA TIME

by Jay Limbaugh

There is a Lightning Regatta underway almost every day of the week somewhere in this world. Thousands of sailors travel to two or three Regattas away from home every year and then there are thousands more who probably average a dozen Regattas away from home each year. By far, the majority of Regattas are a three race series and assuming that actual racing time is about six hours per Regatta, this is small compared to the amount of time spent by the skipper and crew in the preparation for traveling to, making ready for haul in, packing up and making ready for travel after haul out, and traveling from the Regatta. After many years on the Regatta Circuit my estimate is that the ratio is about one to five when averaging out the time spent racing at a Regatta and the time spent preparing for and getting back home after the Regatta is over.

Regatta Time is Vacation Time, Vacation, to me, means a number of things, i.e., relaxation, having fun, and in general it means to all of us, I believe, doing something that we enjoy and doing very little of what most of us consider 'work'. Since most of us enjoy sailing or racing much more than we enjoy the part we consider work, the idea then is to reduce the amount of time that is spent on the work items.

A regular and dependable crew helps substantially in the planning, organizing, and execution of the work items for a trip. Of course, this is not a necessity and by far the most important point is that the skipper be organized himself, that he has everything that is required, that all of the necessary things get done in a minimum amount of time, and that no one person who is making the trip, and this includes the skipper, is saddled with all of the work items. If they are, the Regatta trip will not result in an enjoyable vacation or a relaxing weekend. Most of the sailors I know do not have another hobby, in fact, sailing has been a hobby since early childhood and I'm confident this same hobby will be continued by these same people for the majority of their lifetime. This being the case, let's plan and organize for the Regattas so there is less time spent working and more time sailing and our Regatta-Vacation trips will be more enjoyable.

For those of you who have not yet attended a Regatta away from home, let me say now that I think you are missing something. If you are properly prepared and organized for the trip usually things will go well. You quickly will become a more competitive sailor in your home fleet as a result of it and I firmly believe there is nothing that will get your mind off the every day problems of the business world like hitching the trailer to the car and taking off for a Regatta. Let's get ready to go by first tearing down the boat.

## Inside the Boat

Take main and jib sheets loose, coil and put in plastic bucket under the foredeck. Pull spinnaker sheets through the deck with brummel hooks snug on the aft deck, coil and hang under deck. This will keep them clean and dry. Disconnect hiking straps (one end only). Coil and hang under deck. Disconnect boom vang. Place two life preservers, one

fore and one aft, on the starboard seat. Remove boom from mast and place on life preserver. Spinnaker pole, tiller, boom crotch, and paddles can all be placed with the boom on the life preservers and quickly lashed down to the seat securing with two small pieces of shock cord with a hook on each end. A protective cover of some sort for the rudder is desirable. Place rudder on aft seat and lash down with a piece of shock cord, hook on each end. Put a towel, sponges, or your anchor line under the anchor to keep it from scuffing the boat. Tape the mast step blocks in place and the deck blocks and tow line can be thrown in the bucket with the jib and main sheets. Your little cloth tool bag, which should contain only those small tools that are essential for racing, can also be thrown in the bucket. (On our boat 'essential' tools and fittings are a few miscellaneous nuts, bolts, and screws, pliers, screwdriver (slot and phillips head), awl, a small length of 1/4-inch line for use in jury rigging, small oil can, tape, and a file.) Open the bailers, pull the centerboard all the way up and fasten securely, take the slack out of your barber hauls and snub in on the jib wire and cloth down hauls. We stow sails well forward under the deck when traveling. Battens can be kept in the boat at all times, they should not be thrown in the bottom or left to lie in areas where they get wet and crooked. A most satisfactory way to store or haul the necessary battens aboard your boat is to attach a small diameter plastic thin wall tube somewhere under the forward deck. This will keep them straight and dry and eliminate at all times the danger of forgetting to take them along. If you don't have a tube, tape them down to something flat, like the cap of the centerboard trunk. Attach shackles of jib and main halyards to spinnaker pole fitting on mast. Pull spinnaker, main, and jib halyards taut and wrap all excess line around the mast, beginning just below spinnaker pole fitting on the mast. (This will keep the halyards taut after wrapping.) Loose ends must be tucked under securely to avoid unwrapping. Loosen all stays, leaving pins or bolts in the stays. Unstep mast. If you are experienced, two people are adequate, if inexperienced, by all means use three or four. If the wind is blowing hard, station one person downwind to catch the tip if it should get away from you.

## Mast

After considerable observation and trial and error on my part, I've found no better way to prepare a mast for the road. Coil the fore and back stays individually and tie each to the jumper strut with small pieces of line. A small board with a slot in the middle to which is attached four pieces of shock cord approximately 10 inches long with small hooks on the loose ends is placed on the butt end of the mast. A hook is then slipped over the pin of each of the side stays. Length of the shock cord should be such that the side stays are reasonable taut. At this stage, approximately ten pieces of small line, about 15 inches long, will be used to lash the halyards to the mast. This will avoid chaffing. A red flag should be tied to the tip of the mast. Let me remind you now, when you get

to the Regatta and remove the flag all of the little tie lines and the block at the butt of the mast should be wrapped in the flag, tied, and put with your other 'road' gear.

### **Lifting Bridle and Mooring Lines**

Boats that cannot be lifted with bridles should be barred from Regattas! You should have a bridle, coil it and the mooring lines you will need and put them in the bucket. I guarantee you that after you get to the Regatta, if your wife runs off with the car you will still have everything that is required, no more and no less, to rig, haul in, tie up, and for that matter, race your boat.

### **Trailer**

A good trailer, properly equipped, is absolutely essential. It is just as important for the newcomer as it is for the seasoned traveler. It should be equipped with a kick-up wheel on the forward end. This makes for easier and safer handling of the boat and trailer when not attached to the car. Good tail lights, permanently attached to the trailer with an easy plug in arrangement to your car, are essential. A most desirable feature for trailers is a prop, permanently attached, that can be easily dropped from the aft end of your trailer which will keep the boat and trailer from tilting up and hitting the skeg during the rigging or unrigging process.

Top bunks that are light in weight and can be quickly and easily attached are highly desirable. I have seen several good arrangements. I recommend steel rods that are permanently attached to the trailer. These can be flipped up into a slot on each end of the upper bunk and a wing nut and lock washer keeps them in place. It takes only seconds to put on or take off and there are no loose parts of any kind to lose or take care of. (Put the wing nuts right back on the rods when not in use.) The top bunk serves a dual purpose, one, of holding the boat tight to the trailer and two, of providing a safe place for the mast during traveling. Each bunk should have a padded nest in the center for holding the mast. Place the yard fitting even with the transom. Under the mast at the bow and transom of the boat place a pad or padded block to keep the mast straight and tie it down. At the transom, I use a two foot long 1/4-inch diameter piece of good line with a knot in one end. I run this up through the top gudgeon around the mast and through the spinnaker halyard fitting, a small piece of cloth around the mast before tying eliminates chafing. At the bow, a piece of shock cord through the shackle of the jib down haul and around the mast does the job. Whatever you do keep the mast straight while hauling it.

It goes without saying that the bunks on your trailer should be properly spaced (approximately 10 feet apart) and adequately padded. A bottom of some kind on your trailer is more than worthwhile. Fenders are a must. Your boat should be placed on the trailer so that you end up with 50 to 60 pounds of weight on the hitch. Safety chains that can be easily attached to the car are a necessity. A spare trailer tire and wheel, both in good condition, should be attached to the trailer, chain it on with a small chain and combination lock so that it will always be there when you need it. While we're on the trailer, let me remind you that the wheel bearings should be packed at least once a year and probably twice if you are a circuit traveler. Your trailer ball, when attached to the car, must include a lock washer in addition to the nut. Don't start out without it.

### **Road Trailing Cover**

Except when they are absolutely required for safety or security reasons complete trailing covers are for the birds. There is just too much work and time required in the use of them. Under certain conditions they are desirable of course, but when traveling to the normal Regatta on today's highways they are not worth the trouble. The amount of dirt you get on your boat, especially with a bottom in your trailer is negligible and the time required to sponge off the boat is nothing compared to the time and energy expended with complete trailing covers.

The use of the cockpit cover when at a Regatta, in my opinion, is also a waste of time. They are, of course, almost a necessity for protection of your boat during the sailing season at home.

### **Road Box**

Call it what you want but we call ours a Road Box and it is a permanent fixture in the back of our car during the entire sailing season. During the off season it remains intact but we store it in a different location. The items we carry in this box are only those that we have found a need for while traveling to and from or attending Regattas, or those that we have anticipated a need for under the same conditions. Our Road Box is a good grade cardboard carton size 24 inches by 18 inches by 10 inches deep. In it we have the following items: 100 feet of 1/4-inch nylon line, can be used for any line in an emergency; jib down haul wire and shackle; centerboard cable complete with fittings; small glass jar full of miscellaneous nuts, bolts, and screws; coffee can full of miscellaneous cleats and fittings; fiberglass patch kit complete; jib halyard wire with fittings; hammer; chisel; diagonal cutters; phillips head screwdriver; large screwdriver; hacksaw; one 10" pipe wrench; one 10" crescent wrench; one pair vice grips; small drill with bits; two sets of wheel bearings for trailer; small glass jar of wheel bearing grease; one inner tube for trailer tire; one First Aid Kit; sand paper; some gummed cloth tape for patching sails; three pair of gloves; one small length of shroud cable and four small cable clamps; flashlight; small box of trailer light bulbs and extra fuses for the car; combination for the lock on the extra trailer tire is written on the side of the Road Box (Registration paper for the trailer stays in glove compartment of the car); extra trailer ball; extra wing and lock nuts for the rods that hold the upper bunks to the trailer. Extra battens and old towels for use in wiping down the boat stay in the car at all times.

Don't forget your stop watch, sunglasses, and foul weather gear.

### **Before You Trail**

If you have never backed a trailer you should practice backing with your trailer at home. Experiment until you think you have it down pat.

Test check your trailer brake and signal lights.

Set up the jack from your car on your trailer to make sure that you will be able to use it in event of a flat on the trailer; you may find that you need a different type jack. (If you do have a flat on the trailer, it is best to leave it hooked to the car while changing.)

Check with your insurance agent to make sure that your policy covers travel to and sailing on the waters of the place where you are going. Watch out for the 'layup' period when going to a Regatta out of season.

Some states have limitations on the amount of overhang you may have outside your trailer without lights on the outermost tip of the overhang. Ask about this ahead of time or be prepared to make adjustments if need be.

### On the Road

If you've never trailed before you would do well to 'alter course slowly' on the road. This will prevent trailer sway of 'fish-tailing.' If you still get a whip lash check to see that there is proper weight on the hitch and that the alignment of the trailer wheels is o.k.

Your trailer will follow you but always be conscious that you have that trailer on there. Particularly when passing give yourself sufficient room. Don't maneuver yourself into a spot where you can't get the trailer out, too.

When you stop for gas or lunch check your trailer to see that the wheel bearings haven't become overheated and check the hold downs, etc., to see that they are still secure.

If your trailer causes static on your car radio, try grease on the trailer hitch ball.

An outside mirror on the driver's side is a necessity. One on the right hand side might also be helpful.

In the States, when driving on turnpikes, take note that with your trailer you are considered a 'truck' and you must obey the 'truck' speed limits. (This only applies when you are being followed by a patrolman.)

### Upon Arrival

Pick a spot to park your trailer where you will have room to walk around it and where there are no overhead electrical wires to get your mast in when you step it. At this point, check to make sure that you will have a clear patch to the hoist, too.

### Put the Prop down on the Trailer!

Before stepping the mast, make sure that it is clean, that all tie lines have been removed, and that the shrouds and halyards are not fouled in the jumpers (and that the mast track is facing aft).

Put the boat together, reversing the process you used when dismantling it for the road. When you close the bailers put a sponge full of water in each.

### Mooring (Dry sail if you can!)

First thing you want to do is to try and find a spot where you can tie up with both a bow and stern line without having to use an anchor. A good grade of line comparable to the size and quality you would consider adequate for your main sheet is desirable. Make sure after the boat is tied that none of the lines will chafe on the sharp edge of the pier. If so, a piece of an old towel wrapped around the line at this point will prevent chafing.

If you anticipate any appreciable movement of the boat due to sea conditions or power boat wash it's a good idea to use a rubber snubber or a spring on your tie lines to absorb the strain of the boat working in the slip.

If there is any possibility of the boat swinging you should use fenders (your life preservers will do) over the side to prevent chafing on the dock or on other boats. If you are in tide water area be sure to allow for ebb and flood water levels in determining the amount of slack for your tie lines.

If it is necessary to set an anchor for your stern or bow line, drop the anchor as far away from the boat as possible and make sure that it is set securely before leaving the boat.

If at all possible, moor your boat so that it faces in the direction of the prevailing wind or in the direction of any expected heavy wind or sea conditions. A lurd mooring is preferable.

Occasionally, during the course of a Regatta, it may be necessary to be towed to or from the race course. In order to be prepared for this situation, you should carry a tow line 50 feet long. This line should also be the size and quality of your main. When towing secure your end of the tow line to the mast with a bowline that can be released quickly if necessary. If boats are going to follow you in the tow line attach their tow line to your mast on the bow and stern of your boat.

Don't forget to register, read the sailing instructions and take home the hardware.

# Minor Repairs On Fiberglass Lightnings

By Clarence Holman

A fiberglass reinforced molded boat has high strength to take bumps with docks, etc., that would cause costly damage to other kinds of boats. But, even this high strength material with its high impact resistance, occasionally gets hit too hard or is abraded too hard. The resultant damage can be repaired by a careful skipper.

A fiberglass Lightning is not a maintenance free boat—no boat is. However, it has reduced the amount of maintenance required. There are only three relatively easy maintenance rules to follow. These will keep your Lightning looking like new.

1. Annually, clean, buff and wax the exterior of the boat.
2. Touch up and repair scratches, scars and small breaks.
3. Repair major breaks as soon as possible to avoid additional damage.

Before we can repair our Lightning we must understand the basic construction of the exterior skin of the hull. This is made of two layers of material, permanently bonded together by chemical action. The outer layer is a colored gel coat. Gel coat is a special resin containing concentrated color. It is only .015 to .020 of an inch thick, but it provides a hard, smooth, finished surface. The second "layer" is made up of polyester resin, reinforced with fiberglass material (mat, woven roven, cloth, or chopped glass). Both the gel coat and polyester resin are cured by a chemical catalyst MEK which causes them to form a hard, strong mass.

Inside this, the sandwich material is applied. The common materials are balsa, urethane foam and P.V.C. foam. This core is then covered with fiberglass resin and fiberglass material. This makes a rigid structure that resists flexing and improves the floatation of the structure.

When buffing your Lightning gel coat, care should be taken not to cut through this thin gel coat surface. The areas that you need watch carefully are stem, chine, edges of the keel and corners of the transom. You may do this by hand by using a rubbing compound such as 3M heavy duty rubbing compound or with a power buffer use the same compound. After buffing, any high quality paste wax may be applied.

When it becomes necessary to make touch-up and surface repairs to nicks, gouges, scratches and small holes that do not penetrate through the hull the work is simple because only the surface is damaged.

## 1. Damage only to the gel coat.

You will need a small can of gel coat (same color as your boat) and a small amount of catalyst. First, clean and dry the area around the damage. All wax and oil must be removed from the inside of the scratch or hole. Gel coat will not adhere to wax or oil.

Then, using a one-quarter inch power drill with a burr attachment, roughen or grind out the bottom and sides of the damaged area and feather the edge surrounding the damaged area.

Pour a small amount of gel coat into a jar lid or in a small dixie cup, add a drop or two of catalyst and mix thoroughly. Mix for one minute by the clock. Do not guess the time. If it is not thoroughly mixed it will not harden properly.

Use a small stick, finger, or putty knife to fill the hole, with

the catalyzed gel coat, about one-sixteenth inch above the surrounding surface. Lay a piece of saran wrap or wax paper over the patch to start the curing process. Gel coats and polyester resins will not cure to a hard surface unless air is excluded from the surface, but will remain slightly tacky and will not sand well.

Be careful not to sand through the gel coat surrounding the patch. Finish the patch by rubbing or buffing with a fine rubbing or buffing compound. There may be a slight color difference, this is generally due to the weathering of the gel coat.

## 2. Gouges and holes that do not penetrate through the hull.

As done above, clean and wipe dry the area around the damaged area. Clean all wax and oil out of the damaged area. Using your one-quarter inch power drill with the burr attachment grind out the bottom and sides of the damaged area, feathering out the edge. Do not undercut the edge.

Use a jar lid or a dixie cup, pour some gel coat, enough to fill the hole. Mix into this an equal amount of milled glass fibers. This may be trimmed from fiber glass mat or purchased from your dealer. After the gel coat and milled glass fibers are thoroughly mixed, add two drops of catalyst for a pile of gel coat one inch in diameter. This will give you 15 to 20 minutes working time. An eye dropper is handy to measure the catalyst. Mix the gel coat and catalyst thoroughly, one minute minimum, by clock. I use the clock because most people underestimate the time of one minute.

Now we work this mixture into the damaged area, using a knife blade or sharp stick to work it to the bottom of the hole and puncture air bubbles. Fill the hole one-sixteenth inch above the undamaged area. Put a piece of saran wrap or waxed paper over the patch to keep air away from the mixture.

Allow the patch to harden, sand the patch until it is just hollow, less than a 1/32".

Mix some gel coat, catalyze, but **do not** add any fibers. Put a small amount of gel coat on one edge of the patch and cover with saran wrap. Use a rubber squeegee or the back of a razor and squeegee level with the surrounding area. Leave the saran wrap on the patch for at least two hours or over night to obtain a good cure. Leave the saran wrap over the patch for at least two hours or overnight to obtain a good cure.

After curing we sand the patch, using a sanding block and 600 grit wet paper. Finish off the patch by rubbing or buffing with a fine rubbing or buffing compound.

## 3. Patching punctures, and breaks, that penetrate the hull.

You will need some fiberglass mat and cloth, polyester, resin, catalyst and colored gel coat. Material should be available from your dealer. As discussed above make sure the area around the break is clean and dry. Wipe any dirt, oil or wax from around the break before starting repairs.

Using a keyhole saw or electric sabre saw, cut away all damaged area. You may have to enlarge the hole, but you must cut back to sound materials. Working from inside the hull, sand the hole and the area around the hole, feather

back two inches. If you do not rough this surface you will not get a good bond.

Next, cover the piece of cardboard with saran wrap. Tape to the outside of the hull with the saran wrap side towards the hull. If your break is on a contour, you may use a sheet of aluminum shaped to a similar contour. You must cover the aluminum with saran wrap then tape in place.

Now cut a piece of fiberglass mat and cloth, make about 2 inches larger than the hole. Mix some resin and catalyst — about 20 parts of resin to one part of catalyst will give a cure in 30 minutes to one hour. Only mix small quantities as large quantities will start to gel before you can use it all. Mix well, at least one minute.

Use a cheap paint brush two or three inches wide. Wet the patch and area around the patch with catalyzed resin. Apply the mat to the patch, then wet out the mat using a dabbing motion with the brush. When the mat is wet out, (the dry area will be white) apply the cloth over the mat and wet out. Cover the patch with saran wrap and squeegee from the center towards the edges, to remove all air and assure adhesion around the hole. Allow the resin to cure, which may take one or two hours.

Now take the cardboard off the outside of the patch. Sand the patch and feather the edge of the patch back two to three inches. Mask the hull around the hole with tape and paper. This will protect the hull while you are working.

Using a rubber squeegee to work out the air bubbles, work from the center towards the edges. This will compact the patch. Allow the patch to cure 15 to 20 minutes.

As soon as the patch is rubbery, cut away the excess cloth. Be sure you are cutting outside the feather edge. Do not leave the trimmings on the hull. If you do this trimming before the cure is complete it will save much sanding. Allow to cure over night.

Sand the patch with 80 grit sandpaper, using a sanding block, or a power sander. Fair it with the surrounding area. If any voids show up, fill with catalyzed resin. Allow it to cure and resand.

Mix a small amount of colored gel coat and catalyst, work it into the patch. Use your fingers and get it into all holes and crevices. Cover with saran wrap and squeegee smooth. Allow to cure completely, two hours to overnight.

If your patch is large, you may wish to spray the gel coat. Thin the gel coat one to one with acetone, add two per cent catalyst. To exclude air from the gel coat, spray the patch with parting film. A common parting film called Partall is soluble in water. So after the gel coat is completely cured, wash with warm water and this will take care of the parting film.

Using a sanding block and 220 grit wet paper, sand the patch. Change to 600 grit wet paper for finishing. Buff for final finish, using hand or machine buffing. If there are defects in the surface, just repeat the finishing steps.

A quantity of acetone is necessary, for cleaning hands, tools etc. Acetone is very flammable, so use with ample ventilation and care. It is only useful on uncured gel coat and resins.

Gel coats should be catalyzed with 1 to 2 percent methyl ethyl Ketone peroxide (MEK). Use the following amounts: 1 pint of gel coat plus 5 cc MEK equals 1 percent.

**4. Patching punctures, and breaks that penetrate the hull, but you can not get to the inside of the hull to the break area.**

When you have a hole in the hull that does not allow you to get at the back side of the hole, i.e. a tank or bulkhead in the way. Then repairs must be made from the outside. Grind the hole back to solid glass. The edge of the hole should be feathered back 2"-3".

Tape off the hole using masking tape and paper, to protect the hull from excess fiberglass and drips.

Now cut a piece of stiff cardboard, 2" larger than the hole. Cut several pieces of twine about 24" long. Punch two holes in the cardboard for each piece of twine. Fold the cardboard so that it will slip through the hole. Pull the strings to pull the cardboard tight to the inner hull. — Use pieces of wood or dowels across the hole to secure the string to. Use small pieces of wood or dowel to raise the dowels above the surface. This cardboard must fit tight against the inside of the hull. The only purpose of the cardboard is to give you a base so that you can bridge the hole. Cut some mat and cloth about 2" larger than the hole.

Mix resin and catalyze as per previous instructions. Wet out the edges, using a cheap brush 2" - 3". Use a daubing motion with the brush, never a stroking motion. Again dry fiberglass will remain white in color. When the mat is wet out, apply the cloth over the patch and wet out. Squeegee or brush out the excess resin — work out the air from the patch.

After the patch has gelled for about 20-30 minutes it should be firm but not hard. Trim the excess around the feathered edge of the hole. Strings and dowels can be removed at this time. Allow the patch to cure completely.

Sand the patch completely. Again resin will not bond securely to unsanded surface. Cut mat and cloth to build up the patch to where it is slightly higher than the surrounding surface.

Take some resin and catalyze, mix according to previous instructions. Again do not mix large quantities.

Cover the patch area with catalyzed resin. Apply a layer of mat- wet out. Apply a layer of cloth, wet out. Continuing with alternate layers until the patch is high enough. Small low areas can be built-up by using small torn patches of mat. Tear in sizes as needed.

Now it is necessary to compact the patch to remove excess resin and air. A good tool for this is a 3" paint roller. Get a roller with a short nap sleeve. The shorter the nap the better. Roll the patch hard, this will compact the patch for greater strength.

Now complete the finishing of the patch as instructed before.

Further instructions and cautions:

If you should get any resin, styrene or acetone in your eyes, flush with great quantities of water. See a **doctor immediately**.

Use a dust mask while grinding or sanding. Wear long sleeve shirts.

Acetone and styrene are highly **flammable**, have good ventilation and keep away from heat and sparks.

Resins are also flammable, but have a higher flashpoint, but when ignited will burn until they are completely consumed. They also give off a dense black noxious smoke.

Reference is also made of cheap brushes and paint roller sleeves. These should be considered expendable as the cost of cleaning will exceed cost of the material.

These are methods that have worked for us, however each hole has its own problems. A little ingenuity will solve the problems.

## (Tender Loving Care of Trailers)

By Clarence L. Holman, Jr.

Trailers are generally taken for granted — until something happens — then the trip can become a nightmare. We will cover several of the areas where major breakdown may take place. However we cannot touch on all possibilities. Electrical problems will have to come later.

Trailers on the road flex quite a bit, so closely inspect the trailer frame for breaks in welds of the trailer itself as well as fender brackets. Pay particular attention to where the springs attach to the trailer and to where the frame bends by the forward cradle.

Check the spring hangers for worn or loose pins. Some of the older trailers have grease fittings on these pins, if so grease with chassis grease.

Next check the coupler — some call this the hitch — There are many different types but all need adjusting from time to time. The coupler should be snug on the ball but not tight. A drop of oil will help a lot. While in this area let's look over the safety chains. Are they worn from dragging on the road? Are they strong enough to control the trailer if it comes loose from the car? Are the hooks strong enough and in good working order?

Now let's turn out attention to the cradles of the trailer on which the bottom of the boat rests. Check the condition of the padding on the cradles. I prefer to use a pile carpet for this padding. The dirt settles to the bottom and does not scratch the bottom of the boat. Hard padding such as canvas or rubber holds the dirt between the boat and the cradle and the working of the trailer on the road grinds this into the bottom of the boat.

Many boats are damaged on the bottom and chine by improper shape or adjustment of the trailer cradle. If the cradle is too high at the chine, it carries too much of the load and the chine crushes. If it is too low at the chine it will depress or indent the keel. Be sure to position the boat on the trailer at its riding position before adjusting the cradles to fit the bottom of YOUR boat. Make some sort of location mark on the side of the boat to locate boat on the trailer in its proper position. A small dot or piece of tape will do the trick. It will be inconspicuous but will enable you to return the boat to the same position on the trailer each time. This is most important as the bottom of the boat is quite different at other locations. This will also make your holddown bunk come to the same position every time.

Next we will consider the wheels and bearings. Most boat trailer wheels, hubs and bearings are similar to automotive bearings. However our use is a little different so we must take better care of our bearings. Most of us run our trailers into the water to float the boat on or off. If the trailer is used immediately on the highway, little or no damage is done. Most of the moisture will be dried out of the bearings. However, continuous dunking will cause the grease to emulsify. If you put the trailer into the water, then after removing it just let it stand until the next launching. The water will rust, stain or pit the bearings or races. This does not happen over night but rather over a period of time.

Bearings that have been in the water should be greased a

minimum of **twice** a season. The first greasing should be in mid season, say just before your Districts. The next greasing should be at the end of the season. This is the most important one, as the boat will be out for the season. You will have the water out of hubs and bearings and coated with fresh grease for the winter. You will be ready to go come spring. If you didn't do your fall greasing you had better get it done before the season starts. If you do not immerse the trailer during the season, then once a year would be sufficient. Suggest you do it in the fall. The cost is minimal compared to the inconvenience and cost of bearing failure on the road.

Now for you "Do it Yourselfers" I will describe step by step how to take care of your bearings. We use Quaker State Asbestos fibre wheel bearing grease. It has given us very good service over a long period of time.

To remove the hub and bearings: 1. remove the small dust cap on the end of the axle. This may be either screwed on or drive fit. The shape is the key as to which kind you have. The screw type will have a hex head, the drive type will have a smooth head with a flange. 2. remove the cotter in the nut on the end of the axle. 3. remove the nut on the axle. 4. Pull the wheel towards you — this will remove the tongue washer, hub, outer bearing and the inner bearing and grease seal will be in the hub. The tongue washer and outer bearing can now be taken out of the hub and placed in a small can of gasoline for cleaning. The inner bearing is removed by placing a piece of wood approximately 1" x 1" x 12" through the hub while the wheel is lying flat on the floor, bearing side down, several sharp blows with a hammer on the end of the wood will knock the bearing and seal loose.

Clean all parts, including the axle, with gasoline to remove all the old grease and grime. Now, after drying, work the grease into the clean bearings. Remember, only grease on the bearings is going to do any good. So work the grease deep into the bearings. Coat the races on the axle and in the hub — put the large bearing into the hub — use this last opportunity to force grease into the bearing. Now, put the grease seal into place — make sure it is put back the way it came out and not **reversed**. Place the wheel on the axle spindle, put the outer bearing in place, then the keyed washer, followed by the hex nut. (Do not waste time or grease by filling the hub with grease). Tighten the nut until the wheel will now turn freely with no end play. Put the cotter pin in place and bend to lock. Now install the dust cap and the wheel is set to roll again.

Tires are another source of trouble. Most tire trouble is caused by improper tire pressures. Most trailer tires use higher pressures than automotive tires. Low pressures will cause excessive flex with heat build-up. Couple that with a hot day at excessive speed and the tire breaks down, with loss of tread or blow outs. These tires can become so hot they are ready to burst into flames. In fact, a good simple check while on the road is to feel both the tires and the hubs. They should not be so hot that you cannot hold your hand on them.

Listed below are some of the most common tire sizes with their proper inflations and load capacities per tire. These are all given at highway speeds. If your trailer exceeds the capacity of the tires then you are headed for trouble. In figuring load do not forget to include the weight of the trailer as part of the load.

## A SAILOR AND HER BIRTHDAY SUIT

by M. Elaine Tolman

You ask what I'd like for my next birthday gift?  
Fancy candy? or love beads? or Gay Gibson shift?  
A sheer nylon nightie designed for a sinner?  
...Perhaps to drive out to the Yacht Club for dinner?  
Such gifts once were proper from husband to wife;  
But your're Skipper, I'm Crew, in our new way of life.  
So buy me no bonbons, no baubles, no ruffles,  
Don't wine me on bubbly, don't dine me on ruffles;  
For whimsies and flimsies I don't give a hoot,  
What this sailor needs is a FOUL WEATHER SUIT!

Last August's discussion and family vote  
To trade in the ski-craft for sailing-type boat,  
Included no mention (I'm sure I'd remember)  
Of summer's extension — from March to November.  
When white-caps come slapping and splashing on deck,  
Invading at waistline, cascading down neck,  
And each playful, sprayfull, mid-April breeze,

Teases, displeases, and freezes these knees,  
I try to be stoic and spartan and mute,  
But I'm crying inside for a FOUL WEATHER SUIT!

Your choice for my birthday was so "apropos".  
You peeked in my notebook; how else would you know?  
The gift that I yearned for, spoke naught of romance  
— But of waterproof jackets and rubberized pants.  
Now, with hood-string drawn taut, just exposing my nose,  
With sleeve-shrouded hands and cuff-covered toes,  
Big Coast-Guard Preserver fits under my jacket,  
My seat droops to knee-height —  
(like grain when you sack it);  
One quick backward glance negates any chance:  
These bright orange pants have enhanced my expanse.  
In such snappy high-style, I may never look cute . . .  
But I'm happy and dry in my FOUL WEATHER SUIT!

## ARGENTINA DISTRICT

District Commodore ..... Heraldo Tramaglia  
District Secretary ..... Valeria M. Vila  
District Measurer ..... Angel Vila  
District Champion ..... Horacio Tettamanti  
District Runner-Up ..... Roberto Ricoveri

**Fleets:** Olivos (206); Club Universitario de Buenos Aires (446).

The District activities during '84 were normal and we sailed practically all weekends between March and December. In April three crews attended the XXX South American Championship at beautiful Guarapiranga Lake in Sao Paulo, Brazil, hosted by the Santo Amaro Yacht Club. The crews were: Mario Abinzano with crew Roberto Ricoveri and Rolando Turrado; Angel Vila with crew Valleria Vila and Eduardo Clark and Heraldo Tramaglia with crew Willie Monroy and Roberto Gatti. The other International regatta was sailed in our country in Lake Salto Grande against skippers from Uruguay District. J. Manuel Irizar was the winner, crewed by Heraldo Tramaglia and Roberto Gatti. Next year we expect to attend the XXXI South American Championship at Lima, Peru, and the Worlds in the States. For this reason we have scheduled a very full calendar of training regattas in 1985.

## BRAZIL DISTRICT

District Commodore ..... Jens C. Ruschmann  
District Secretary ..... Peter Spink  
District Measurers ..... Oscar Weckerle  
District Champion ..... Mario Buckup  
District Runner-Up ..... Walmor Soares F.  
Junior Champion ..... Karin B. Sampaio  
Junior Runner-Up ..... Alexandre Soares

**Fleets:** Sao Paulo (147); Florianopolis (162); Niteroi (351); Guarapiranga (462).

The season opened for many of the Brazilian District at 5:00 am on the 15th of February as members of fleets 147, 462 and 401 left Sao Paulo and Rio to bounce their boats over the mountains and down to Florianopolis in the south. Everybody made it, through temperatures of over 40°C, to be met by our hosts, the Soares family, and fleet 162. Base for the regattas was a small farm tucked under the trees with a private beach facing the bay. Sunshine, shade, blue sky and sea, plenty of wind and lots of cold beer. Mario Buckup had the control of reaction. Teaming up with Michael Norris and Joaquim Fenemberg in *Flash Rider*, he battled it out with former World Champion Walmor Soares and brother Robert Buckup to make it in straight ones.

Florianopolis was the qualifier for the South American Championships, held this year on the Guarapiranga Lake in Sao Paulo — home of fleets 147 and 462. The story repeated itself with boats once more bouncing over mountain passes — this time from Argentina, Chile and Peru — and Mario, Michael and Joaquim holding off the opposition to win five in a row with Robert Buckup second and Walmor Soares third.

June was the ladies' month. Led by Christina Norris and a host of fellow shute flyers and jib sheeters, the traditional rules of the ladies championship (a lady at the helm) were thrown in the bin and it became an all female event. The men grunted, but the girls won out and 48 of them in 16 Lightnings took to the water for a two race series. Pamela Cavazza crafted her way through in Perrereca to win, with crew Ingrid Raedler and MaryJane Spink giving the men a lesson in how to handle the gybe mark.

Local news has Nelson Schmitt elected as our District Vice President and Jens Ruschman taking over as District Commodore. Jens turned up too early for the general meeting during the South Americans and received the poor prize of South American Commodore. Jokes aside, this latter role is becoming increasingly important for the survival of the class down here both to maintain a presence in the Pan-American Games and to resolve the question of new boats. There were no Lightnings at the Olympics (yet) but Lightning skipper Claudio Biekarck of Fleet 147 was selected as the official reserve sailor for the Brazilian squad and gave great technical support to the team.

We are still struggling with the problems of getting together a good locally built fibre boat but in the meantime are witnessing the reappearance

of the wooden boat. Not new boats, but the boats of the 60's stripped down and varnished, kitted out with up to date gear and fighting the starting line along with the best of them. What more can you want from a Lightning: something that will last for ever and never go wobbly, pretty as a picture when varnished and still capable of hooking out in front at the first buoy. The rest is a question of touch.

Next year has the District off to Rio for its annual meet with the innovation of a second cup presented by retiring commodore Nelson Schmitt for the B group skippers. After that, well we hope to be able to persuade you all to come over for the Worlds some year soon.

## CENTRAL ATLANTIC DISTRICT

District Commodore ..... A. Richard Thomas, Jr.  
District Secretary ..... Glenn Reiting  
District Measurer ..... James Carson  
District Champion ..... Jody Lutz  
District Runner-Up ..... Bill Clausen  
District Junior Champion ..... Tony Fink

**Fleets:** Bay Head (3); Metedeconk River (34); Brant Beach (173); Surf City (196); Riverton (228); Barnegat Light (335); Ocean City (430); Tohickon Creek (491).

The Central Atlantic District, located along the scenic Jersey Shore has entered the "World" Spotlight, as we showcase the World Championship events of the Lightning class. Last September the Lightning Youth Worlds was held at Metedeconk River Yacht Club and this year, Little Egg Harbor Yacht Club will be the host of the Lightning World Championship, come June.

The Youth Worlds were something special. Chilling temperatures, strong winds, couldn't detract from the scintillating competition. Jody Swanson, showing she needs no patronization from her male foes, edged out Tony Fink and Paolo Clan to become World Champion. Jody sailed a remarkable series. District members lent their boats and stopped in to catch some of the show. The young sailors added to a flavor which all world sporting events should seek to have. We feel fortunate to have played a role in this event. Congratulations to the Metedeconk River Yacht Club, a superb job.

Our sailing season began with those fortunate few able to venture south in March for the Southern circuit. Jim Carson didn't forget how to sail over the long winter, finishing second overall. Returning to New Jersey, the local inaugural event is the Long John held at Monmouth Boat Club. It is an event in which CAD sailors have strongly figured in the past, and 1984 saw three of the top six from our district. New York's Dick Hallagan won, with Jody Lutz, Jim Carson and Dave Ruiter, all from Metedeconk River Yacht Club finished second, fifth and sixth, respectively. Carson continued his hot sailing, winning the New Jersey State Championship held at Bay Head Yacht Club, followed by Jack Elfman of Surf City and John Parker of Ocean City.

The Central Atlantic Districts were held at Surf City Yacht Club, always a favorite spot for District parties. The continuing Saga of fine cocktail parties was added by a teen dance at the Yacht Club Friday night; a great new way of attracting sailors. On the water, it was a repeat performance for Jody Lutz as he won his second consecutive Districts, and three of the last four. Jody won three of the four races to comfortably win. A tight battle for second saw Bill Clausen of Surf City edge out Metedeconk's Keith Taboada and Elfman. Thank you Surf City Yacht Club, and keep holding great regattas.

The Atlantic Coast Championship was held at the future World's site, Little Egg Harbor. Matt Fisher of Columbus Ohio won everything but the trophy, (Ohio is not yet adjacent to the Atlantic Coast) which was picked up by Bill Shore. Jack Huntsman came in third, followed by Dave Ruiter and Keith Taboada. The fine race management provided by Little Egg will be a good omen for the worlds.

Many CAD sailors set out to Seattle for the North Americans in search of fun and a spot in the Lightning Worlds. They did not fare real well. As of now, only Jim Carson will represent the District at Little Egg. Jack Elfman, Keith Taboada, Ralph Messersmith also qualified for the championship flight. District sailors battled it out for the President's Cup, with Paul Gelenitis of Metedeconk winning and Jody Lutz third.

Surf City also was the host of the Manahawkin Bay Cup in September. Jody Lutz, the scourge of Long Beach Island, won again. Since the inception of this regatta, Jody has been on the winning boat, either as crew for brother Jay, or skipper. Jack Elfman saw his regatta hopes go up in a knotted spinnaker halyard, finished second with clubmate Ralph Messersmith taking third, Glen Reiting from Brant Beach fourth, Fran Temme of Surf City fifth. Jody then kept his boat going fast enough to win the Frigid Digit at Annapolis, with Rich Warren of Surf City third and Jim Carson fifth.

We're looking forward to the Worlds. Plans have been underway for months and participants can look forward to a perfect race course with great conditions. Little Egg's Race Course is a spot we've always envisioned for great events such as this and we're glad to offer it.

District Secretary .....	Daniel J. Koretz
District Measurer .....	Tadd Helmer
District Champion .....	Richard Hallagan
District Runner-Up .....	Peter Hallagan
District Runner-Up .....	Peter Hallagan

**Fleets:** Lake Delta (4); Mayfield Yacht Club (13); Newport Yacht Club (77); Great Sodus Bay (108); Conesus (140); Willow Bank Yacht Club (164); Henderson Harbor Yacht Club (225); Keuka Yacht Club (252); Galway Lake Yacht Club (338); South Skaneateles Lightning Association (439); Ithaca Yacht Club (484); Port Oswego Fleet (485); Selkirk Fleet (498).

The 1984 Central New York Lightning District's regatta schedule started with the Newport Invitational regatta on June 2. Attendance was high with 46 boats on the starting line. This regatta was the first part of the Challenge Series with the Lake Erie District and was well attended by boats from both Districts. The top five places were some familiar faces. Larry MacDonald was first, followed by Jay Lutz, Jed Dodge, Peter Hallagan and Dick Hallagan.

The Cazenovia Invitational was held on June 30. Twenty-one boats attended this one and the winners in order of finish were Dick Hallagan, Peter Hallagan, Tadd Helmer, Bob Wardwell and Jed Dodge.

On July 14 the Districts were held by one of our newer fleets, Port Oswego sailing on Lake Ontario at Oswego, New York. The efforts of this club were certainly impressive. Their facilities were excellent with plenty of room to store and move boats and, of course, sailing on a large lake gives the race committee plenty of room to set a course. The enthusiasm of this club seems unlimited and certainly bodes well for the future of Lightning racing in the District. The computer program for scoring the racing was a first for our District and certainly made things easier for everyone. The winners there in order of finish were Dick Hallagan, Peter Hallagan, Mark Sertl, Jed Dodge and Tom Doran.

Next on the schedule was the Central New York Yacht Racing Association regatta at Geneva Yacht Club. The winner of this one was Jean Hallagan, followed by Dick Doherty and Doug Fien.

The Champagne regatta was held in early August at the Keuka Lake Yacht Club. Thirty-four boats finished the regatta which was the second leg of the Triple Crown. Top five finishing were Jed Dodge, Dick Hallagan, Doug Fien, Tadd Helmer and Peter Hallagan.

Twenty-four boats traveled to the L.S.L.S. regatta at Henderson Harbor on August 25. The top finisher there was Eric Eiffert, followed by Dick Hallagan.

The Silver Lake regatta was the second part of the Lake Erie — C.N.Y. Challenge and two sailors from our District did very well. Jed Dodge was second and Eric Eiffert was third. While our sailors did well at the regatta, the Lake Erie District won the Challenge due to a large number of participants at both regattas. Hopefully, next year we can get more boats out there and win the Challenge.

Winners of the Triple Crown, which was made up of the Cazenovia, Keuka and Henderson regattas were Dick Hallagan, Jed Dodge, Tadd Helmer, Doug Fien, and Tom Doran.

All-in-all it was a successful year with good attendance and a lot of new sailors on the circuit. We hope that this will continue into next year and encourage any of our District sailors who haven't ventured out of their home waters to come to some of the regattas. We are sure you'll enjoy it.

## CENTRAL STATES DISTRICT

District Commodore ..... Robert French  
District Secretary ..... Martin Klotzbach  
District Measurer ..... Fritz Toussaint  
District Champion ..... Ralph Persson  
District Runner-Up ..... John Gall

**Fleets:** Jayhawk (60); The Sooner Fleet (343).

Fleet 60, located at Lake Shawnee in Topeka, Kansas, was the only active fleet in the Central States District, until late in the year when Fleet 343 was reactivated. Our principal event is conducting the District Regatta to qualify entrants for the North for the North American Championship. As previously reported in *Flashes*, the Central States Champion is Ralph Persson, an experienced Lightning sailor who enjoyed a fine season, also winning Fleet 60's 1984 Sunday Series.

Attendance at the District Regatta was disappointing this year, with only one out-of-town boat participating, and with several no-shows from host Fleet 60. Art Jones will be District Commodore for 1985, and Fritz Toussaint will serve as District Measurer.

## COLOMBIA DISTRICT

District Commodore ..... Garry Jackson  
District Secretary ..... Philippe Jacob  
District Measurer ..... Rudolf Salmang  
District Champion ..... Andrew Lisocki  
District Runner-Up ..... Garry Jackson  
Junior Champion ..... Jose Gonzalez  
Junior Runner-Up ..... Andrew Jackson

**Fleet:** Club Nautic del Muna & Club El Portillo (73).

1984 has been a very poor year for the Colombian District. Activities centre on Tomine Lake, just outside Bogota, which due to low rainfall was unfit for sailing from January to August.

As of September, activities re-initiated with the Colombian National Championship, won once again by super sailor Andres Lisocki against competition from a total of 18 boats.

After the long forced rest, enthusiasm is high. Before a year end, we shall again compete against our old friends from San Pablo, Ecuador and vindicate or change our ladies and Juvenile Champions.

## CONNECTICUT RHODE ISLAND DISTRICT

District Commodore ..... Edson White  
District Secretary ..... Sandy Peterson  
District Vice Commodore ..... Charles Walz  
District Treasurer ..... Nelson Hoffman  
District Champion ..... Phil Lotz  
District Runner-Up ..... Jim Crane

**Fleets:** Black Rock Yacht Club (17), Niantic Bay Yacht Club (85), Cedar Point Yacht Club (126), Madison Beach Club (129).

The Connecticut-Rhode Island District enjoyed another summer filled with good keen competition and, best of all, good fun.

Our season began in early May with the Niantic Bay Yacht Club hosting for the second time a tune-up, tactics and boathandling seminar. Some good talking by our District's greatest booster, Don Barrett again convinced the current North American Champion to instruct the session. Bill Shore conducted on-water sessions Saturday and Sunday in addition to giving an interesting after dinner discussion of the evolution of the Lightning. All who attended would like to thank Bill for sharing his time, and his knowledge with us.

The party then moved on to Cedar Point Yacht Club for their Early Bird Regatta. Ken Read, the winner of the past CPYC fall regatta returned to win the spring. Jim Crane, Bill Shore, Ched Proctor and Jim Carson followed close behind.

On to Newport — although this year did not see Ted Turner drive his Twelve Meter through the fleet, we did see the same kind of blustery winds as the previous year and the same Stuart Nickerson repeat his winning way.

In July, our Districts were held at the Black Rock Yacht Club. Phil Lotz showed us all his great speed and tactics in the varying conditions to win the regatta with a 3, 1, 1 over Jim Crane and Bill Shore. All three, along with Don Barrett and Randy Browning, went on to Seattle for the North Americans.

The Madison Beach Club hosted the gala Long Island Sound Championship. This year two Niantic sailors, Bill Veit and Jim Gannon battled it out all weekend. Jim had the better race on Sunday to take the series.

The summer seemed to go by so quickly and there we were, back at Niantic for what is probably the most hospitable regatta on the east coast. Phil Lotz returned from Seattle to edge out Georges Peter to win this regatta and keep the "Auld Cup" for yet another year.

On to Cedar Point for the final regatta of the season. The renamed "Fall Classic" is always a weekend which attracts the best sailors in the class. On the water, windy but shifty Northeast winds kept everyone guessing. Following two races on Saturday, Betsy Gelenitis held a commanding lead in the series. Sunday's race saw this lead disappear as Jim Crane picked up ten boats on the final beat to edge out Betsy for the trophy. Off the water, everyone had a great time at the Saturday evening cocktail party and steak dinner. Even a D.J. was onhand playing requests for all kinds of dancing and all around good fun.

## DIXIE DISTRICT

# I.L.C.A. ADDRESSING SERVICE

Most of the Fleet and District Officers listed in this Year Book held office during the calendar year 1983. Names and addresses of current officers may be obtained from I.L.C.A. Headquarters.

Some of the Members listed in the Registry of Lightning Owners have moved since the Registry was prepared (months ago). Current addresses may be obtained from I.L.C.A. Headquarters.

We offer addressing service to Fleets, Districts, and Yacht Clubs. Will address labels at .05¢ per name or envelopes at .10¢ per name for any District. Additional charge is made for the amount of postage required to mail them to you. Names available are those of Lightning owners who are in good standing for 1983 and 1984. This service is also available to commercial advertisers at .07¢ per name for labels and .12¢ per name for envelopes. Contact I.L.C.A. Headquarters, 808 High Street, Worthington, Ohio 43085, giving sufficient lead time.

The Dixie District had a very successful 1984 with growth in the number of regattas, skippers, new boats, fleets, and even Lightning couples. With good air in the spring and fall, the sailing was excellent. Fred Mertes gave a good tutorial in heavy air boat handling at the District Championship and won the regatta handily. We welcomed Swift Creek Fleet 496 in Richmond, Va. into the district and appreciate the efforts of Jim Richards in making it happen. Both they and Podickory offered new regattas for the Dixie District schedule. Several skippers traded their older boats for new ones, and the old ones were snapped up by up-and-coming skippers like Peter Jones, who proceeded to win the Sassafras Open regatta. With the decline and fall of the Quantico Frostbite regatta in October, the SSA Frigid Digit combined with the Kerr Lake Borderline regatta to make a dynamite pair on the last two weekends in October. A large number of out of town boats came for both, swelling the starting lines to 37 boats.

Since most of the juniors have now grown up past the age limit and since the seedling crop of Gallaghers, Friebeles, Clarks, Slocombs, Masts, Richards, et al. hasn't quite made it yet, the junior activity was light this year. However, we had a lot of activity in women's sailing. SSA ran the Chesapeake Bay Adam's Cup eliminations/Women's District Championship. Cory Fisher, a Snipe sailor, won the honors, but Mary Anna Portner and Robin Turner made good showings. Both of them have sailed in other regattas this year, fighting off the MCP's on the starting line. Mary Anna even came in 5th in the Borderline—the best Dixie District finisher! Her crew in the regatta were long-time Lightning sailors Doug Dixon and Gina Hendrickson, who had earlier in the year decided to tie the knot, and then sell their boat and get ready for 1985 in a new boat. Speaking of 1985, I hope you all will consider coming to the Dixie District for their invitational regattas. The sailing is great, the off-water activity fun, and the people friendly. Join us!

Finally, we were saddened by the death of Bo-Bo Purnell, an avid Lightning sailor who always seemed to be able to find wind when the rest of us were sitting with limp sails. Although he had not raced for a number of years due to illness, he had kept up his interest and dedication to Lightning sailing and the Dixie Districts. We will miss him.

*Fleet regattas held at the New Guayaquil Yacht Club site at the Estero Salado in Guayaquil. Winner of this Championship Miguel Plaza M. Boat 9411.*

Our friends from Club Nautico San Pablo (Fleet 447) were the host in May for the District Championship which was held in Lago San Pablo, showing not only excellent boat handling in calm breezes but most of all incredible hospitality as usual.

Fleet 272 was the host for the later part of 1984 for a series of championships held at the new Guayaquil Yacht Club site at the Estero Salado in Guayaquil.

In the second week of December we have planned the qualification races for the XXXI South American Championship to be held in Lima, Peru in early January, right after that we will begin a series of regattas to be in good shape for the 1985 World Championship in Heaven Beach, New Jersey.

*Jim Capron goes high in the last race of the Dixie District Championship.*

## ECUADOR DISTRICT

District Commodore ... Carlos Luis Lecaro Velez  
District Secretary ..... Miguel Plaza Merino  
District Measurer ..... Felipe Eljuri  
District Champion ..... Ricardo Crespo  
District Runner-Up ..... Dietery Dyck

**Fleets:** Guayaquil Yacht Club (272); Club Nautico San Pablo (447).

With great pleasure we can report a very good activity of the Lightning Class throughout 1984.

Three of the four fleets were not very active in the past but 1984 has been definitely a turning point for the class.

## FINLAND DISTRICT

District Champion ..... Terho Aromaa  
District Runner-Up ..... Lasse Hammar  
Women's Champion ..... Leena Meisalo  
Junior Champion ..... Jussi Karkkainen

**Fleets:** Helsinki (166); Kotka (298); Oulu (307); Kemi (310); Jyvaslyla (328); Tuusulanjarvi (456); Valkeakoski (468); Jamsa (469).

Our district has enjoyed an active and international 1984 season. The main event of the season was the European Championships of Lightnings held in Kallo near the city of Pori. All together 33 boats participated. We were very pleased to host crews from Greece, Italy and Switzerland.

The Europeans were won by an experienced Greek sailor George Andreadis, the runner-up was Luthy from Switzerland. The third place was taken by our Lasse Hammar from the city of Oulu. We are very happy for his good performance. Many thanks also to BSF for the well organized Europeans.

The major events of the season were the Finland Championships held in Vammala together with the Junior and Women's Championships, both held on Lake Tuusulanjarvi at the same time. The Women's Championships were won by Leena Meisalo crewed by Leena and Sirkka-Liisa Laitinen. The Junior Championships were taken by Jussi Karkkainen with his crew Mikko and Heikki Jaatinen.

The Finnish Championships in Vammala were won by Terho Aromaa sailing with his sons Mikko and Kimmo. The race was very even. The runner-up Lasse Hammar had the same score as Terho. Third was Jussi Karkkainen from Lake Tuusulanjarvi, whose young crew gave herewith a splendid performance.

We are already looking forward to an active international 1985 season hoping that many Finnish sailors will participate in major international races besides the ones at home.

## FLORIDA DISTRICT

District Commodore ..... Fay Regan  
 District Secretary ..... Kathi Gross  
 District Measurer ..... Eric Stibitz  
 District Champion ..... Fisk Hayden  
 District Runner-Up ..... Dave Helmick

**Fleets:** Biscayne Bay (226), Lake Eustis/North Florida (461); Old Port Yacht Club (477), Cedar/Ft. Myers (478).

Once again this year, the Florida district was represented in every event at the North Americans, and we had the farthest to travel!! Stu Anderson captured the Old Salts trophy again, Fay Regan finished second in the Women's, and Steve Hayden sailed to fourth in the Juniors, qualifying him for the Junior Worlds, where he finished eighth. Fisk Hayden's Blue Fleet 15th place qualified him for the Worlds in June.

Our first Florida District Triple Crown was won by Fisk Hayden, with Florida Fay, second, and John Foster, third. The series consisted of five races at the Coconut Grove Annual Regatta, three at the Lake Eustis Lightning Invitational, and five more at Tampa's Davis Island Thanksgiving Regatta.

One of the highlights this year was the match race hosted by the Royal Turkey Yacht Club and the Jack Swenson family in North Palm Beach. Eight races over two days provided fun and competition. Fisk Hayden sailed a perfect series for the win, followed by Fred Hutchinson with 7 wins, 1 loss, and Knute Young's 6-2 performance gained him third.

Districts were sailed at CGSC on Memorial Day weekend. Saturday's three races were sailed in moderate breezes and, on Sunday, RC Chairman Sidney Doren announced cancellation of all further races due to high winds and squalls. Winner, Fisk Hayden, served up a batch of *killer Bloody Marys* just before he performed the traditional victor's water ballet with his crew, Steve Hayden and Tim Keltner. Second place in the 19 boat fleet went to Dave Helmick, with Knute Young, Fay Regan and Eric Stibitz rounding out the top five.

At this writing, we are celebrating with Becky Martin and John Schoendorf who were the lucky winners of the Lightning raffle. Another new boat for the Florida District!!

Our District is flourishing and it seems we're getting lots of new faces on the Lightning scene. For detailed info on regattas see our individual fleet reports.

Good sailing and we'll see you in March!!

*Florida District Champs Fisk Hayden, Steve Hayden and Tim Keltner just moments before he helped them perform the traditional "Winner's Water Ballet."*

## INDIANA DISTRICT

District Commodore ..... Steven Miller  
 District Vice Commodore ..... Stephen Jay  
 District Secretary ..... Betty Miller  
 District Measurer ..... George Buckingham  
 District Champion ..... Doug Schmahl  
 District Runner-Up ..... John Leath

**Fleets:** Wawasee Yacht Club (154).

The Indiana District consists of the Indianapolis Sailing Club at Geist Reservoir and the Wawasee Yacht Club at Lake Wawasee in Syracuse, Indiana. Together there are three major regattas held throughout the season beginning with the Indiana Open held at Geist in early May. This is always a great tune-up regatta for many of us "just thawing out" midwesterners that brings in some top-notch sailors from all over. The facilities, racing, and parties are unsurpassed! This year Pat Considine from Chicago was first followed by Colin Park of Michigan and George Buckingham of Wawasee.

Next on the agenda was the Indiana District Regatta. This is held on a home and away basis and because of the long distance to Seattle, participation was down to 13 boats. The five race series was conducted on Saturday in almost nonexistent air where fortunes and places changed with the blink of an eye. On Sunday the breezes picked up somewhat and the racing improved. Doug Schmahl of Wawasee was most consistent in all conditions and finished first followed by John Leath, Steve Jay, Ken McGinity, and Bob Kinsey all of Indianapolis.

	Race	1	2	3	4	5
1.	Schmahl	2	1	5	1	3
2.	Leath	1	5	4	5	5
3.	Jay	5	3	10	3	1
4.	McGinity	3	3	1	7	9
5.	Kinsey	8	8	11	2	2

Indianapolis then hosted part of the White River Festival which is made up of all types of sporting events and sailing races for both juniors and seniors. All who participated had very favorable comments and this could be the beginning of a yearly amateur spectacular.

The last event of the district was the Hoosier Regatta which changed dates from June to October because of scheduling conflicts. The Hoosier Regatta now takes the place of the Wanfinlapimup and becomes the fifth of six regattas in the Michiana Fall Circuit. October 6 and 7 were overcast days but the wind was fairly steady and there was no motorboat chop so sailing was excellent. Bruce Goldsmith, with a pick up crew, once again won the huge Hoosier Trophy placing just ahead of Matt Fisher, who wishes it had been a four race series. Colin Park, David Nickels, and Louie Nickels placed third, fourth, and fifth respectively.

The Indiana District is going through some changes and hopefully will improve itself in the coming years. We are making more of an emphasis to travel and improve our sailing techniques. We invite all of you to come and visit us at either Indianapolis or Wawasee. If any additional information is needed contact Steve Jay at ISC or Steve Miller at WYC.

*Left to right: Indiana District Regatta top five skippers and crews. Sitting: Jim Nathan, John Leath, Ray Trotta, Doug Schmahl, David Schmahl, Dan Danielson, and Bruce Higgins. ## ITALIAN DISTRICT

District Commodore ..... Nando De Amicis  
 District Secretary ..... Gaetano Pellizzaro  
 District Measurer ..... Gianni Battisti  
 District Champion ..... Sergio Messina  
 District Runner-Up ..... Antonio Marino

**Fleets:** Marivela (235); Garda (249); Lega Navale Anzio (312); Marsala (449); Trasimeno (453); Flotta Del Conero (466); Flotta Del Lario (467); Flotta Del Savio (476); Bracciano (479).

The 1984 season was a temporary negative moment for the District. The activity came down and only a dozen regattas were raced.

After the World Championship's organization in 1983, we went through a crisis same as after the 1965 Worlds in Naples.

Nevertheless, two boats took part in the European Championship at Pori in Finland. A very long trip from Sicily!

Pasquale Vitaggio and his crew obtained 4th place and Attina was 6th.

Two Italian teams took part in the World Youth Championship on Atlantic coast at Metedeconk River Yacht Club in Brick, New Jersey. We are happy to announce the beautiful 3rd place (very close) of the young Napolitains Paolo Ciani, Marco Lo Sardo and Mario Sassi, and the good 5th place of the young Sicilians Pasquale Vitaggio, Aleesandro Messina and Francesco Sorrentine.

For 1985, the new Commodore and the new Secretary are well disposed toward a good job and we hope to get over the crisis.

Good news is indicated by Fleets 249 (Garda Lake) and 553 (Trasimeno). On the Trasimeno Lake we will be organizing the 1985 Italian Open Championship (May 27 - June 2). We invite the Lightning Sailors of all the World. Housing and food will be free for all the participants. The Trasimeno Lake is in Central Italy near Florence, Perugia Rome and other Italian towns famous for art treasures.

More interesting touristic surprises will be planned by the organization. Welcome in the "Chianti" region!

The 1985 District Officers will be Luigi Merola, Commodore and Sergio Rustichelli, Secretary.

**Fleets:** Buffalo Canoe Club (12); Chautauqua Lake Yacht Club (19); Silver Lake Yacht Club (47); Niagara Sailing Club (59); Cuba Lake Yacht Club (115); Royal Hamilton Yacht Club (118); Toronto Bay (146); Conneaut Bay (180); Chautauqua (198); Parkway Sailing Club (406); Bronte Harbour (492).

1984 will be remembered by Lake Erie District Lightning sailors as the year of the champions with its members winning the major Lightning Championships. Mark Bryant won the North American Championships

for the second time with Trevor Born winning the Junior NA's. Jody Swanson won the Youth World Championship and Larry MacDonald, Jr. won the Canadian Open Championship.

The first regatta in which Lake Erie District sailors participated was the Newport Invitational Regatta in the Rochester, New York area in early June. This is the first leg of the challenge series with the Central New York District. This regatta and the second half of this challenge at Silver Lake Yacht Club in September, were both won by Larry MacDonald. MacDonald's victories led the district to an overall victory over the Central New York sailors.

The Niagara River Championship was won by Cal Schmiede of the host Niagara Sailing Club with Tom Allen, Sr., second and Tom Allen, Jr., third. The Niagara Frontier Invitational Regatta at the Buffalo Canoe Club had thirty-eight Lightnings competing. This regatta was won by Mark Bryant in a convincing manner with two firsts and a third. Tom Allen, Sr. was second with Charles Proctor third and Jon Schwartz fourth.

The District Championship was held at Niagara Sailing Club in conjunction with the Club's 50th anniversary. The Junior Districts were won by John Swanson II with Kirt Taulbee second. Judy Walker won the Women's Championship. The District Championship was won by Mark Bryant with 2-1-1-5 finishes and unbelievable speed throughout the regatta. Larry MacDonald also sailed well to place second with Tom Allen, Jr. and Tom Allen, Sr. third and fourth respectively.

The Canadian Open Championship was held at the Boulevard Club at Toronto. In spite of a well organized regatta, the weather resulted in a total lack of wind for all but one of six scheduled races over three days, much to the disappointment of the competitors. Larry MacDonald, Jr. won the sole race sailed on Friday to take the regatta. Tom Allen, Sr. was second.

The District sent six boats to the North Americans in Seattle where Mark Bryant emerged the winner. Tom Allen, Jr. placed fourth and Tom Allen, Sr. was sixth. Jim Neville was eighteenth in the top flight. Jody Swanson placed second in the President's Cup with David Sprague tenth. The Junior NA's had four representatives with Trevor Born and Jody Swanson placing first and second respectively. Jim Allen and Geoff Jarvis also competed.

The Ninth Annual Old Salts Regatta at the Buffalo Canoe Club was won by Ward Wilday of Cuba Lake Yacht Club. The Cornwall Regatta on Chautauqua Lake was won by Doug Heussler.

The traditional fall circuit was again held at National Yacht Club on the Niagara River. This series was won by co-skippers of Larry MacDonald and Rick Hayden who won the Toronto and Silver Lake Regattas. Tom Allen, Jr. placed second by winning the Sandy Beach portion of the regatta, with his father Tom and brother Jim placing third for the series.

The Buffalo Canoe Club hosted a new Fall Regatta on the last weekend of September, which was won by Todd Jones with Tom Allen, Jr. placing second.

The final major regatta of the year was the Youth World Championship in New Jersey which was won by Jody Swanson and a crew of Joe Stark and Joe Donovan. Trevor Born, Jim Allen and Geoff Jarvis also competed.

Our congratulations to our champions. We also wish to congratulate David Sprague on his election as Chief Measurer and Vice President of the Class and Anne Allen as Class Secretary. We are proud that the Lake Erie District continues to show leadership on both the race course and the administration of the Class.

## LONG ISLAND DISTRICT

District Commodore ..... Ray Rumph  
District Secretary ..... Philip Sweeney  
District Measurer ..... Frank Atkinson  
District Champion ..... Tim Rumph  
District Runner-Up ..... Frank Atkinson

**Fleets:** Hewlett Bay (58); Great South Bay Fleet (178); South Hampton Yacht Club (431).

Twelve Long Island District crews gathered at Southampton Yacht Club for the 1984 District Championships, held July 7th and 8th. Many of us Great South Bay and Hewlett Bay fleet members who attended were glad to have an opportunity to sail in the relatively deep waters of picturesque Shinnecock Bay, rather than "drag our centerboards through the mud" at low tide in our home waters.

The cold front/stationary front which had been inching toward us all week was still not past on Saturday morning, and an exceptionally strong southwesterly was blowing, with heavy rains. The combination of the high winds and poor visibility forced the cancellation of races for Saturday.

Sunday broke clear and cool, with a gusty north-northwester on the bay. Tim Rumph jumped out to an early lead in race one, while Frank Atkinson struggled to hoist his jib on the spinnaker halyard, after a jib halyard failure right at the gun. Rumph rounded first, followed by Bruce Atkinson. The heavy breeze made for a fine ride on the reaches, but proved too much for Bruce Atkinson's mast, which broke in three places on the first reach. Tim Rumph managed to sail to a comfortable win, while Frank Atkinson passed Mike Gargiulo on the final beat to take second.

Tim Rumph, in the lead again at the weather mark in race two, could not hold his spinnaker on the first reach, and watched Frank Atkinson sail by under main and jib. Atkinson built an impressive lead to win, followed by Rumph and Bud Dailedouze. Going into the final race, Atkinson and Rumph were tied for first, with Gargiulo and Dailedouze tied for third.

The wind moderated for race three. The first shift after the start was to the right, and Bill Weiss and Erich/Gary Glanz seemed in good shape on the right side. However, the next shift was left, and Tim Rumph took that one right into the lead, and was never seriously challenged. Atkinson won a tactical battle with the Glanz brothers on the final beat for second place.

Congratulations to Tim Rumph, Ray Rumph, and Laura Meyer for top honors at the 1984 Long Island District Championships.

## METROPOLITAN DISTRICT

District Commodore ..... Robert Sengstacken  
District Secretary ..... Rich Miner  
District Champion ..... Jack Huntsman  
District Runner-Up ..... Sandy Huntsman

**Fleets:** North Shrewsbury (11); Paupack (16); Lake Mohawk (25); Chelsea (39); High Tor (41); Red Bank (70); Nyack (75); Awosting (95).

The Metropolitan District's 1984 season started with the Mid-Winter Seminar and Meeting held together with the Central Atlantic District and hosted by the newly revived North Shrewsbury River Fleet at the home of Mary and Sandy Huntsman (former ILCA President). Jack Huntsman and Jim (Fuzzy) Carson gave a seminar on high performance rigging. After short meetings the Huntsman's put on an excellent cocktail party and dinner.

Mets' sailing got underway with 40 boats sailing the Long John Regatta at Monmouth Boat Club (Fleet 70) on April 28-29 in 5-10 knot, shifty winds. In the first race the wind started out from the east. Most of the fleet went to the right but, when the wind shifted to the northeast the few boats that went to the left, led by Mark Doran, Jack Huntsman and Denis Farley, had a commanding lead. Jack passed Mark downwind and went on to win, followed by Mark, Denis, Jim Carson and Jody Lutz. In the second race, the wind was shifting between south and southeast. Playing the shifts, Sandy Huntsman rounded the weather mark first followed closely by his son Jack. Although Jack took the lead from his father at the jibe, Dick Hallagan of Newport Yacht Club was inside on a good lift to take over the lead on the second beat and went on to win. Sandy was 2nd, followed by Mark Sertl, Jack Huntsman and Glen Reitingier. In the third race Dick Hallagan won the start at the weather end and stretched his lead into a horizon job in the race and victory in the regatta. Jody Lutz came in 2nd in the race and the regatta, and Jack Huntsman finished 3rd in the regatta.

The two Huntsmans, Jon Schwartz and Rob Held of MBC journeyed to Seattle for the North Americans. Jack finished 9th in the Blue Fleet and Jon came in close behind in 12th. Rob Held was 27th. Tony Fink of MBC was third in the Junior N.A.'s in the Seattle and tied for first in the Junior World's at Metedeconk River Yacht Club, Ocean County, New Jersey. Larry Colantuono of MBC came in ninth in the Junior World's. Jack Huntsman also added second place finishes in the Atlantic Coast Championship, held at Little Egg Harbor, New Jersey and in the Delaware Governor's Cup at Rehoboth Bay to his long list of honors.

The Mets' Districts were held on Lake Mohawk in Sparta, New Jersey on June 16-17. Saturday began warm and sunny with no winds. After a postponement a light, shifty breeze filled in from the NE, which is normally the worst direction because of the steep hills on the east shore. The conditions resulted in various parts of the lake being heavily favored for a few moments at a time and consequently positions throughout the fleet changed radically and often. Finally, Mark Schneider of Lake Wallenpaupack managed to keep his boat moving with or without wind and finished first by a wide margin. Sandy Huntsman was second, followed closely by Denis Farley, Jack Huntsman, and Bob Graham of Lake Mohawk.

The second race was sailed in similar conditions, but this time Denis Farley avoided the light spots and won the race. Rob Held of MBC was second and Mark Schneider third. By the third race the wind had shifted to the SE but was still light and variable. Jack Huntsman jumped into an early lead and went on to win. Jon Schwartz was second and Tom Bierman of Lake Mohawk third. Most of the leaders had trouble adjusting to the wind shift as five of the top six boats in the regatta used this race as their throwout. Saturday night the Lightning sailors headed to the Lake Mohawk Country Club for an excellent cocktail party and sumptuous buffet dinner.

On Sunday a much stronger and steadier wind was blowing out of the south. Jack and Sandy Huntsman engaged in a close battle for the District Championship all day. Sandy won the fourth race, after several lead changes, with Jack right behind. Bob Graham was third, followed by Denis Farley and Rob Held. In the fifth race, Jack didn't seem to care that it was Father's Day and went on to win the race with Sandy on his transom. Mark Schneider, Bob Graham and Denis Farley were the next three finishers. The final results were close. Jack Huntsman had become District Champion again, beating out his father for the second year in a row by one point (8 to 9). Denis Farley, Mark Schneider and Rob Held rounded out the top five.

The Met's Mid-Hudson Circuit is sailed each year in June and July and consists of three regattas held, respectively, at the Nyack, Minisceongo and Chelsea Yacht Clubs. Once again, this circuit provided the full spectrum of wind, weather and current conditions. At Nyack, as the Lightnings began to leave the sheltered dock area for the starting area for the first race, a series of very strong gusts blew down the Hudson causing two Lightnings to

capsize. The remaining Lightnings decided to head for shelter and most were glad just to get in safely. Although the first race was abandoned, two races were sailed after lunch. And would you believe it? After too much wind in the morning, there was barely enough wind to sail against the current in the first race of the afternoon. Finally, the wind settled back in for the final race, permitting some solid competition.

Todd Klinger of Nyack won the regatta with near perfect first and second place finishes in the two races, while Tom Ingram of Cedar Point was second with a first and a third. Frank Atkinson from Great South Bay, Long Island, came in third overall. Stephanie Mayo of Nyack took home the fourth place trophy for her consistent sailing. Bill Cook of Nyack was very happy to finally get a trophy, even though it was a brass anchor for finishing guess where.

One week later there was a heat wave for the Sutherland Regatta, the second leg of the Mid-Hudson Circuit, held at Minisceongo Yacht Club. Light winds and a strong current out of the north made it very difficult for the fleet to start the first race on starboard. Gary Hurban of Nyack did a dip start on port tack and was off in front. Then he crossed the main channel early, worked his way up the weaker current on the western side and left the fleet way behind. Bob Sengstacken of Greenwood Lake finished second and Rich Miner of Lake Mohawk was third, followed by Paul Krick of Minisceongo and Mike Pike of Chelsea.

In the second race, with slightly stronger winds, Mike Pike only looked at the fleet once as he crossed the starting line on port tack and never looked back as he led all the way to the finish. Rich Miner was second, trailed closely by Paul Krick and Bob Sengstacken. In the third race, the Bitler/Lewis team of Minisceongo won the start on port tack at the pin and, despite a barge in their way on the final leg, went on to win. Rich Miner was second in front of a fast-closing Bob Sengstacken. In the final tally, Rich Miner won the regatta on consistent sailing, followed by Bob Sengstacken, Paul Krick, Mike Pike and Gary Hurban.

In the Chelsea Open, the third leg of the Mid-Hudson Circuit sailed on July 14-15, the currents were the dominant factor even though the southerly winds were fairly good. The Bitler/Lewis team played the currents well, particularly in the second beat, to win the first race with Bob Sengstacken right behind. River sailor Gary Hurban also played the currents well finishing third, followed by Rich Miner. In the second race Sengstacken took an early lead and finished first, followed by Hurban. Due to an equipment failure, Rich Miner had to jury-rig his spinnaker with the jib halyard to hang on to third place. As the sailors headed for the cocktail party, dinner and dance (at which a good time was had by all) the results in the overall Circuit had become very close. After a throwout, Hurban was first with 12½, Sengstacken was second with 12¼ and Miner third with 13¾.

In Sunday's race Rich Miner played the current the same way the river sailors had on Saturday and finished first. The Bitler/Lewis team held off a strong charge by Gary Hurban in the last beat and finished second by two boat lengths. Bob Sengstacken was fourth. These finishes gave Sengstacken first in the Chelsea Open, followed by Miner, Hurban, Bitler/Lewis and Mike Pike. However, in the very close overall Circuit, Rich Miner took home the first place silver again with 14½, Gary Hurban was second with 15½ and Bob Sengstacken was third with 16¾.

The Mets' Short Circuit is sailed in the fall each year at Greenwood Lake, Lake Mohawk and Monmouth Boat Club. At Greenwood on September 8, after a wind delay, the first race was sailed in light winds in the south end of the lake with weeds being a major factor. Tom Bierman of Lake Mohawk won, followed closely by Bob Sengstacken and Nick Santoro, both of Greenwood Lake. After lunch, the next race was held further up the lake in good winds, deep water and no weeds. Rich Miner started on port and, after ducking a few sterns, was off to a good lead in clear air. Tom Bierman almost caught Rich on the second time downwind, but Rich hung on to win the race. In the third race a big wind shift to the left at the start made it difficult for the starboard pack of boats to get over the starting line. Ron Wulff of Greenwood Lake, who was above the pack, got off to a clear start and led most of the way. Tom Bierman caught him the second time around at the drop mark and won the race as well as top honors in the regatta. Bob Sengstacken was second in the regatta, followed by Ron Wulff, Nick Santoro and Rich Miner.

At Lake Mohawk on September 22nd, the second leg of the Circuit was sailed in light to medium southerly winds. In the first race, Rom Ingram of Cedar Point was first around the weather mark, but a pack of Lightnings was on top of him by the jibe mark. When the pack jibed, Bob Graham, who had been trailing the pack, out-foxed the whole group by not jibing and had a substantial lead by the drop mark. Bob went on to win, followed by Mark Schneider and Rich Miner. In the second race Graham led all the way to the finish. In the third race Wayne Catoe of Lake Mohawk got an early lead and rounded the weather mark first. Graham had a bad start but worked his

way up to second by the weather mark on two good tacks. Bob slipped by Wayne at the jibe and was off to his third straight bullet and victory at the regatta. Mark Schneider was 2nd overall, followed by Tom Bierman, Bob Sengstacken and Rich Miner.

In the last leg of the Circuit at Monmouth Boat Club on October 13, the Lightning sailors were met with 20-25 knots of wind which resulted in screaming reaches during all three races. Rob Held took top honors. The second place boat was skipped alternately by Sandy Huntsman, Bill Ewing and Larry Colantuono. Denis Farley came in third. No boats completed the overall Circuit, so Tom Bierman keeps the trophy for one more year.

Minisceongo's Last Blast Regatta was held September 29th, featuring good winds and tricky currents. George Bitler, who was retiring from racing Lightnings after 27 years, won the regatta followed by Paul Connell of Nyack and Bob Sengstacken. We are all glad that George won his last regatta as a Lightning sailor, but regret to see him retire to a Laser 28 and will miss the Bitler/Lewis team — George, his wife Barbara and Mark Lewis — who have participated in countless Lightning regattas over the years. After the sailing, the Last Blast cocktail party and dinner were an even bigger blast than usual.

As the 1984 season comes to a close, the Mets sailors are already looking forward to an even bigger and better season next year with good times, old friends and great sailing.

District Commodore .....	Jim Schofield
District Secretary .....	Hank Hodgson
District Measurer .....	Dave Furey
District Champion .....	Colin Park
District Runner-Up .....	Bruce Goldsmith
Junior Champion .....	George Sipel
Junior Runner-Up .....	Doug Summers

**Fleets:** Devils Lake (31); Crescent Sail Club (51); Lake Fenton (53); Pontiac Yacht Club (54); Higgins Lake (110); Gull Lake Yacht Club (137); Tawas Bay Yacht Club (152); Leland Yacht Club (184); Saginaw Bay (216); Grand Traverse Yacht Club (326); Pentwater (340); Douglas Lake (374); Lansing Sail Club (387); Union Lake Yacht Club (458).

1984 was a good year for the Michigan Lightning district. A number of new boats appeared — courtesy of our two builders —, regatta attendance

was up, and winds were good. Our traveling circuit has been strengthened through increased Michigan participation, as well as from more visitors from Ohio, Indiana, and Illinois. In fact, the fall series is now officially comprised of regattas in Indiana and Ohio as well as Michigan.

The season starts early for those who visit Indianapolis on the first weekend of May. This regatta is well attended due to the great Hoosier hospitality and the long Midwest winters. This year, Pat Considine from Chicago was an easy winner with Bay City sailors, Colin Park and John McCree second and fourth. George Buckingham of Wawasee, Indiana was third.

The Michigan circuit officially starts in Lansing which, thanks to recent dredging operations, is no longer classified as "unnavigable" water. Bill McKinley, Louie Nickels and Colin Park took turns winning races with Colin and Louie ending up in a first place tie. Experience won out in the end as Colin beat Louie at the official coin flipping ceremony.

On to Gull Lake and Mike Rathbun's hot tub! The bad news was that the hot tub was down for repairs; the good news was that it was promised to be in working order for the fall regatta—and the winds for the weekend were good! Clarence Holman showed the fleet what reaching in heavy air was all about as he ate up the competition downwind. For the series, Clarence (crew of Bert Okma and Amy Hodgson) and Colin (crew of Glenn Hallett and Tracie Park) match raced down to the wire. Clarence won the fourth race, but Colin clinched the final race and the first place hardware. Jack Engels sailed very well but self-destructed in a couple of races and ended up losing a tie breaker to Dave Hatfield. The Family Hodgson—Henry, Karen and Wendy—showed consistent heavy air speed for "lightweights" and ended up fifth.

Clarence was not to be beaten the following weekend at the Crescent Sail Club's annual Father's Day Series. Doug Summers took the helm of Dad's Boat for the weekend and was off to a very good start on Saturday with a 1-3. The wind piped up on Sunday and storms threatened, but the five race series was completed. Dave Nickels was second, Tom Jungjohann third, Hank Hodgson fourth, and Arlyn Kinkel, fifth.

The Fenton Fleet rose to the occasion of their annual Team Racing event which requires a good deal of organization. Four man teams compete in match racing tactics which this year, resulted in a "duel" to the finish. It offers a different kind of challenge to the skippers and crews and is a pleasant diversion before the district competition. The final "duel" was between Bay City (Andre-Godwin, McCree, Schofield, Park) and the host club of Fenton (D. Nickels, G. Nickels, H. Nickels, Militzer). In this one instance the hosts were not very hospitable as they blew the Bay City team away, with the help of the very blustery breeze.

The 1984 Districts were held at Bay City July 5-8 in lots of sunshine and good wind. After a general recall which NOBODY went back for, and an individual recall which EVERYBODY went back for, the fleet got down to serious racing. The race was finally underway in a 12-14 knot breeze which built to 20 by the final leg. Bruce Goldsmith led all the way with Colin Park, Clarence Holman, and Hank Hodgson behind in that order. While the Race Committee thought about the wisdom of another race, the fleet made up its mind and sailed in. Race 2 could wait. Saturday morning came with big waves and 20-25 knots of wind across the bay, but the breeze dropped abruptly, and two races were sailed in moderate wind with a bit of leftover slop. Park was fast upwind and won them both, Holman took a 2-4 and Goldsmith a 3-11. Militzer, D. Nickels, and Hodgson each had a good race. The two Sunday races were sailed in a puffy dying off-shore breeze. The series results almost went topsy-turvy in the last 100 yards of the final race, but Park salvaged a good enough finish to be champion. Goldsmith, Holman, D. Nickels, G. Nickels, Hodgson, Marriott and McKinley followed in that order.

Women and juniors gathered at Devils Lake later in July for their own Districts and a great social weekend topped off by a pizza party at the Tibbs' home. Bonnie Nickels made it a family affair with mom, Esther, and sister, Ruth, assisting her in the win in a five boat fleet. George Sipel led the junior fleet around his home lake, defending his '83 title. George was ably assisted by Dan Norton and Greg Walz, also of Devils Lake.

Traverse City moved their regatta to July and had a good turnout of 30 boats, but it should be better. It is a beautiful family vacation area, offers excellent sailing, and a very hospitable yacht club. Next year—be there! Garry Demarest showed up with a borrowed boat amidst rumors that he may be back sailing in the class in '85. Betty and Tom Vickers provided entertainment to the tune of "No, I thought YOU were holding the boat!" Betty showed true dedication by sacrificing dry clothes for boat and marriage! The races were sailed in a steady Northerly thermal on Saturday and a puffy offshore breeze on Sunday. Park won with John McCree and Regina Weira on board, while Holman and his regulars finished second. Demarest was always in it for third nosing out a consistent (?) George Nickels (15-2-2-3-2). Paul Militzer with wife Louise and son Kyle sailed their new black boat to some nice finishes and fifth place. Mike Dow, out of

semi-retirement, had two good races on Sunday but did not crack the top five overall.

Higgins Lake was a little short of sailing due to light winds, but the party was great! Doug Summers reportedly surveyed previously uncharted parts of the island and is presently preparing a revised topographical map. "Mom" Vickers was worried during his absence. McCree finished fourth, Fred Krauss third, Vickers second, and Park first.

After a five week break the fleet reconvened at Pontiac for the start of the fall series. The next six weekends had good turnouts and some very close racing. The results can be summarized pretty easily—Bruce Goldsmith was unbeatable! A couple of times he showed unique ways of doing it, but five straight weekends with good competition proved who was best. At Pontiac, it was close on Saturday between Goldsmith, Park and Holman, but Bruce posted two firsts on Sunday in strong breezes to sweep the series.

The following weekend at Devils Lake, Holman was off to a super start chalking up a first, but ended up second overall. George Buckingham, D. Nickels, and Jim Sayre (Devils Lake) were all hot on Sunday. Sayre was sailing his new boat for the first time and outsmarted the competition to win the fourth race. Buckingham was third for the regatta and D. Nickels fourth. Sunday morning Bruce showed another side of his many talents as he put together a great breakfast of omelets and Bloody Marys—then sewed up the regatta with steady sailing.

Matt Fisher joined us at Clark Lake and sailed a good series, but fell prey to "Smith's Corner" at the finish line as (Gold)smith pulled off a last minute miracle. Holman again sailed steadily in the puffy air and would have been the winner, but for being disqualified in the last race.

Gull Lake and Mike's hot tub were finally ready. The hot tub may never be the same. Everyone helped Mike celebrate his 30th birthday, complete with a very appropriate cake! Saturday's races were sailed in light air while Sunday's were not sailed at all because of even lighter air. Park, Holman, and McCree followed Mr. Smith.

Wawasee is a fairly large lake in Northern Indiana, just across our border. This regatta was added to the Fall Series in 1983 and has proven very popular due to the unbeatable Hoosier hospitality and the good sailing. The race committee uses a modified olympic course, starting and finishing mid-leg. Going into the last race, the series looked pretty well nailed down. Matt Fisher had been sailing very consistently and had about four points on Goldsmith. Louie Nickels was in third with brother Dave fourth. The standings flip-flopped, however, and Bruce had pulled out another one with Fisher second, Park third, D. Nickels fourth, and L. Nickels fifth.

For the wrap-up of the year, Bruce did us all a favor by staying home. It was this author's first trip to Buckeye, and it was all we were promised. The turn out read like a "Who's Who" in Lightning sailing which meant you could be 25th and still in good company. Jim Dressel was a runaway winner in the light air on Saturday. The third race started with a little wind but turned into a drifter. Dressel got the ends of the fleet mixed up while George Fisher and Park played tag for the series lead. Fisher came out on top, Dressel second, Park third, Holman fourth, and Tom Allen Jr. fifth.

Custody of the beautiful silver punch bowl — Joe Stueland Traveling Trophy — again went to Colin Park.

A GREAT SEASON! See You all at the N.A.'s at Tawas.

August 3rd - 4th	Hobelman — Chicago
August 10th - 11th	Racine
September 14th - 15th	Red Flannels — Chicago
September 21st - 22nd	Polar Bear — Lake Davenport

### MIDWEST DISTRICT

District Commodore ..... Doug Olson  
 District Secretary ..... John Evans  
 District Measurer ..... Frank Vandersteen  
 District Champion ..... Mike Huffman  
 District Runner-Up ..... Rick Larson

**Fleets:** Chicago Corinthian (5); Milwaukee Yacht Club (69); Green Bay (112); Lake Davenport (167); Sheboygan (187); Lake Geneva (345); Manitowoc (393); Racine (489); Quarter Barrel (494).

New boats with veteran skippers seemed to be the necessary combination if you wanted to be successful in the Midwest District.

Rick Larson, after taking a short sabbatical, proved that old habits never die, they just get refined. Sailing a new boat, Rick finished first in the Evans, P&T, and Brotz with a strong second in the District Championship. This was enough to give him an edge in overall competition.

The ever present Gene Matthews, with his new boat, took second place honors by winning the Red Flannels in Chicago and the Polar Bear in Davenport. Third place goes to Tryg Jacobson.

Overall membership in the District took a disappointing drop from 114 boats to 103. However, out of the eight Regattas including the Districts, we averaged 17 boats on the line with a high of 27 in Milwaukee and 7 in Racine. We expect the turnout to increase in Racine since this is only their second Regatta since joining the Circuit. We are also confident that membership will stabilize since the I.L.C.A. and the Lightning design are tops when it comes to great fun and strong competition.

Doug Olson, District Commodore, would like to give his thanks to all those who assisted him these past two years as he turns the reigns over to John Walters from Chicago. Without the volunteers to run the races, prepare the food, etc. we would not be as successful as we have been over the past years.

Congratulations also goes out to the following skippers and their crew for strong racing performances.

Jim Gagnon - second place - Evans and Red Flannels; Mike Huffman - first place - Districts, third place Hobelman; John Walters - first place - Hobelman, third place - Red Flannels; Kevin Blair - second place - Ice Breaker; Matt Burridge - second place - P&T; Bob Penticoff - third place -

P&T; Pat Considine - second place - Hobelman; Brian Phelan - second place - Polar Bear; Bill Sims - third place - Polar Bear.

### MISSISSIPPI VALLEY

District Commodore ..... Cully Ward  
 District Secretary ..... Cully Ward  
 District Measurer ..... Stu Bernstein  
 District Champion ..... Bob Wardwell  
 District Runner-Up ..... Brad Currie  
 Junior Champion ..... Rob Zerban  
 Junior Runner-Up ..... Scott Zerban

**Fleets:** Decatur (74); Harbor Island (262); Carlyle Sailing Association (266); Memphis (274); and Valley Sailing Association (486).

Good breezes characterized the 1984 sailing season which got underway at the Hernando-Desota Regatta on the western border of our district in Memphis. Last years district champion, Brad Currie, (formerly of Memphis but now of Harbor Island) exhibited the form that had brought him that honor winning the overall in fine competition.

The 1984 districts were held in Carlyle, Illinois, in June. The wind varied no more than 5 degrees on the average over the entire week-end and blew consistently between 20 and 30. Bob Wardwell of Chattanooga spoiled Brad Currie's chances of a repeat performance by sailing brilliantly in the heavy air to take first with consistent finishes. Brad was second in the regatta which found father and son, Lal and Matt Burridge, swimming in the waves at the jibe mark looking at each other, while Cully Ward sailed off into Netherland without a rudder.

The real story in our districts, however, is the young Zerban team, consisting of Scott, brother Rob and crew member Dan Moriarty. They finished first in the Districts, finished eighth in the Junior Championship and finished third in the Governors Cup in Seattle.

And when Wayne Watson spear headed the Junior District Regatta, Rob and Scott went down to the last race before the Junior District Champion was decided. Rob beat his brother to take the championship.

Watching the three man team perform together, however, is quite the treat and both of the Zerban boys praised the finesse with which Dan Moriarty

*District Champion Bob Wardwell, covering Runner-Up Brad Currie.*

executes his tasks on board. It is great to see these young men so active and competitive. They will be no doubt heard again and again.

The Districts were followed by the Inter City Regatta the following weekend in Decatur, Illinois. Matt Burrridge, Greg Florian and Bill Buckles battled fiercely with Matt pulling it out in the last race, followed by Greg. Matt won the overall trophy on a Portsmouth handicap rating system against Lasers, Thistles and others.

The North Americans found Bob Wardwell in tenth place in the championship flight, Matt Burrridge and Don Johnson in fifth and nineteenth respectively in the Presidents' Cup. Lal Burrridge and Crit Currie were ninth and twelfth in the Governors' Cup.

In the Fall, Carlyle held its Impromptu Regatta on September 1st and 2nd. Matt Burrridge handed the helm over to his crew, John Morley. John,

Matt and Matt's new bride, Kathy, outdistanced the 18 foot fleet to take first place with  $4\frac{1}{4}$  points. Greg Florian was next followed by Poole, Grohne and Irish. Lal Burrridge ran a fine Regatta.

The Muddy Rudder Regatta hosted by Fleet 486, Valley Sailing Association found Augie Paoli in first and Stu Bernstein in second. Wayne Watson, the District Vice-Commodore put on the Fleet's Second Annual Regatta in fine style.

The season was capped off by the Blue Nose Regatta at Harbor Island in Nashville. 46 boats attended. The light air jinx was broken as winds consistently blew 10 to 15 on Sunday allowing for a five race series. The Michigan contingent fared well as Colin Park, this years Michigan Champion and former Olympic representative won, followed by Bruce Goldsmith, last years District Champion and this years runner-up. Pat Considine from the Mid West District, Tom Allen, Jr. followed. The only boat from our district which finished in the top five was---you guessed it---the Zerbans.

Next year we expect another fine year of sailing and comradery in the 1985 season.

District Secretary .....	Dick Fastiggi
District Champion .....	Stu Nickerson
District Runner-Up .....	Don Brush
Junior Champion .....	Ken Deyette
Junior Runner-Up .....	Tom Fitch

**Fleets:** Spofford Yacht Club (145); Annisquam Yacht Club (151); Marblehead Harbor (189); Bomoseen Lake Y.C. (227); Massabesic Yacht Club (273); Chequesset (280); Lake Champlain (301); Squam Lake (332); Androscoggin Lightning Fleet (450); West End Racing Club (487).

The New England District enjoyed a successful sailing season highlighted by unusually good weather and winds. Most fleets appear strong, with a good nucleus of young sailors. Outgoing Commodore Dick Hale deserves hearty congratulations for his efforts to maintain the competitiveness and enthusiasm that has become synonymous with New England sailing.

Dave Curtis and Don Brush traveled south for the Southern Circuit this year, with Dave finishing second overall and Don placing third at St. Pete.

Many district sailors ventured to Rhode Island for the Annual Newport Regatta in early June. Stu Nickerson remained upright in the steady 18 to 25 mph. winds to beat a competitive fleet of 30 boats for the victory. Don Brush was third and Ken Read was fourth. There were many aching bodies on Saturday night and by Sunday afternoon people were crawling while the boats were being put away. This Regatta is one of the true highlights of the year for New England sailors.

In mid-June, 11 boats arrived in Marblehead for the State of Massachusetts Championships. Stu Nickerson bested John Collins in the increasing winds of Sunday to capture the crown. Rich Humphrey of the home fleet did an excellent job putting this regatta together. Hale Walcott was seen racing a J-22 and Dave Curtis an Etchells' (they both won BIG)! Dave and Hale promise to be back in Lightnings next year.

At the end of June, our newest and most enthusiastic fleet, Provincetown, conducted their first-ever Regatta. Despite light winds, three excellent races were sailed in scenic Provincetown Harbor. A great cookout/cocktail party was held on the deck of the Red Inn Saturday evening. Stu Nickerson edged out an awesomely quick John Hughes in the last race to preserve victory. John finished second, David Jones third, Kurt Kling fourth, and Bob Shapiro fifth. The trophy presentation was again held on the deck of the Red Inn, followed by a few beers and finally the sun; which was enjoyed by all. This regatta run by the phyched fleet in Provincetown, is destined to become one of our district's best.

Next it was on to Androscogin, where 17 boats arrived to vie for the State of Maine Championship. Traditional Maine hospitality provided by Bob Foster and Gang was excellent. High winds prevailed, and in the end Bob Shapiro prevailed, winning his first regatta this year. He was followed by Dick Hale.

Our Districts were hosted by the Lake Champlain Fleet in Burlington, Vt. This fleet has set our district standard for a well-organized, crisply run

regatta. The sailing consisted of heavy, medium, and light winds in that order. Stu Nickerson finally copped his first District Championship, followed closely by Don Brush. Rounding out the top six were: Ken Read, Jim Alman, Georges Peter and Kurt Kling.

The next destination was Wellfleet where 18 boats appeared to race both against each other and the tide. Edson White with sister Maria and Nina Cuccio outdualed Stu Nickerson to take home the gold. Dick Hale finished third. It was good to see Rob Pratt return to New England sailing, and he won the final race in convincing style.

Six boats from New England ventured to Seattle for the 1984 North Americans. We had five boats qualify for the '85 Wrolds; with Ken Read fifth, Don Brush seventh, Stu Nickerson eighth, Jim Alman 13th and Georges Peter 24th. Bill Hole sailed in the Governor's Fleet.

The Massebisc Fleet hosted the Junior District Championship. Key Deyette of the local fleet won, with Tom Fitch of Spofford Lake second.

The Massebisc Fall Regatta found Ned Hines first and Len Pratt second.

The Fall Regatta at Cedar Point in Westport, Conn. was well attended by New England sailors. David Jones, with dinghy expert Stu Neff crewing, finished third behind Jim Crane and Betsy Gelenitis. We New England sailors always enjoy the races run by Ted Fontileu. Saturday evening featured a steak dinner with an 'all you can eat' ice cream contest complemented by live dancing.

New England's traditional final regatta is hosted by the Spofford Fleet, (just outside of Keene, N.H.). Thirty-one boats eagerly arrived on Saturday morning. The winds were fluke and frustrating, but everyone had a blast, especially Dick Hallagan who won again. However, this year Dick had to win on a tie-breaker with Ray Harrington. Dave Fitch, displaying some old magic, finished third followed by Stu Nickerson/Maria White, Kip Hamblet, and Kurt Kling. Completing the season at Spofford is ending on a real upper that leaves us yearning for next spring. It's been a great year! Come sail with us soon!

**Fleets:** Indian Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Buckeye Lake (43); Mansfield (150); Atwood Lake (212); Cowan Lake (303); Hoover 353).

The Ohio District held its winter meeting on February 11 at the Christopher Inn in Columbus. Our guest speaker was Bruce Goldsmith who shared his experiences in making an Olympic campaign with the group. At the meeting it was decided that the Ohio Governor's Cup would be expanded to include the following regattas: Saint Mary's, Leatherlips, Pymatuning, Atwood, and Cowan. Each participant will keep his three best overall finishes to determine the winner. Dick Pugh took home the honors this year. Congratulations Dick!

Leatherlips hosted the district seminar which was well attended. Participants were treated to informal discussions, sail shape demonstrations, and on-the-water instruction by the top sailors in the district.

The District Championships were held at Buckeye Lake on July 13-15 in light to moderate winds. Jim Dressel jumped to an early lead in the series leaving George Fisher, Dan Dressel, Matt Fisher and Will Petersilge to vie for the remaining top five positions. Meanwhile back on shore, Nancy Dressel was setting up a wonderful cocktail party and cook-out for the group. Thanks Nancy!

District Commodore ..... Luis A. Bryce, D.  
 District Secretary ..... Carlos Navarro, Jr.  
 District Junior Commodore ... Emilio Levaggi T.  
 District Measurer ..... Emilio Levaggi A.  
 District Champion ..... Emilio Levaggi T.  
 District Runner-Up ..... Jose Barreda-Moller  
 Junior Champion ..... Emilio Levaggi T.  
 Junior Runner-Up ..... Augusto Navarro M.

**Fleets:** Club Regatas Union (497).

We are happy to report that for the first time our district is run by officers which are mostly juniors. It is a radical change but we hope to do a good job. During 1984 we were represented by Augusto Navarro at the Youth Worlds in Metedeconk River Yacht Club, New Jersey. Augusto won the first race, however, the next races were difficult for him because of high winds and stormy conditions all of which are abnormal in our sailing area. He finally placed a good seventh and we think under the circumstances that was a good place for him to finish. We can not report on our 1984 Championships since they will not take place until the month of December. Also next year we are hosting the next South American Championship and we hope to have representatives from all countries.

Finally we are glad to report the formation of a new fleet at the Club Regatas Union, located in La Punta and sailing in the bay of Callao. The fleet has been formed as a transfer from the previous Fleet 265 (Yacht Club Peruano) since, in recent times, the policies of said club became incompatible with the sports activities of the Lightning sailors. It is doubtful at present whether that fleet will continue to exist or not. So far we have had a very enthusiastic reception by the people from the Club Regatas Union and we think with the facilities they are giving us we can look forward to increasing Lightning activities and future growth of the new fleet. They have, in fact, already manifested interest in hosting future international activities such as South American and World events in their locale. Already they have other classes actively sailing for several years such as the Sunfish, Windmill and J-24 classes. We hope some of these sailors will eventually switch to the Lightning Class once they have a chance to become familiar with it and see it in action.

**Fleets:** Savannah (127); Clark Hill (257); Lake Lanier (348); Catawba (365); Lake Hartwell (391); Triad (415); Greater Charleston (429); Palmetto (440); Waccamaw (463); Wake (481).

## 1985 SOUTHEASTERN DISTRICT CHAMPIONSHIP SCHEDULE

April 20-21	BYSC Open Beaufort Yacht & Sailing Club Beaufort, SC
May 4-5	HRYS Lightning Invitational High Rock Yacht Club Lexington, NC
May 18-19	WCSC Open Western Carolina Sailing Club Anderson, SC
June 1-2	Lightnings & Thistles Lake Murray Sailing Club Columbia, SC
<b>JUNE 14-16</b>	<b>S. E. DISTRICT CHAMPIONSHIP</b> Augusta Sailing Club Augusta, GA.
July 27-28	Charleston YC Open Charleston Yacht Club Charleston, SC.
Sept. 7-8	Waccamaw Lightning Invitational Waccamaw Sailing Club Lake Waccamaw, NC
Sept. 21-22	Y-Flyers & Lightnings Columbia Sailing Club Columbia, SC
Oct. 5-6	Atlanta Cup for Lightnings S.E. DISTRICT ANNUAL MEETING Lake Lanier Sailing Club Atlanta, GA.

These regattas are counted toward the S.E. District Season Championship. One thru-hull race is allowed for each regatta sailed after five. See District newsletter for dates of other Lightning regattas in the District. Come sail with us!

One of the highlights of Southeastern District sailing is the District Championship Circuit, which consists of ten regattas throughout the district, the scores from which are tabulated to arrive at season standings. This year, due to the regrettable decline in one-design racing in general and Lightning racing in particular, we included several open (multi-class) regattas on the circuit and combined one with another one-design fleet. This worked out rather well, and though we would all like to return to the days of the 40-boat Lightning-only regattas, including opens and regattas with other fleets is a way to have lots of races and it has the advantage of showing off the Lightning to more people than when we went off and raced by ourselves.

Race attendance was about the same as last year (10-15 boats), but we are seeing some new, enthusiastic skippers taking the place of a few of the old regulars; c'mon you guys, let's ALL come out and race! The Kerr Lake fleet hosted its first District event this year, the District Championship Regatta with 18 boats; Tom Waters showed the way, with Bill Sloger and Gordon Kellogg close behind. Beaufort hosted the circuit sailors at its open regatta, and the Carolina Yacht Club Open replaced the Charleston Lightning Invitational; the Western Carolina Sailing Club Open replaced the Jib n' Tonic, and the Columbia Sailing Club hosted a combined regatta for Y-Flyers and Lightnings.

Those qualifying for the District Season Championship by sailing in at least five of the scheduled events included Bill Sloger, Bob Harkrider, Rick Ferguson, Del Foster, Tom Hudgens, Gil Samuelson and Craig Thayer. Sloger's consistently high finishes prove that experience counts, but some of the newer guys like Harkrider, Foster and Ferguson are beginning to get the hang of it. (See photo for season champs.)

For the first time this year, in what is planned to be an annual affair, the scores for the Frigid Digit Regatta (Severn River Fleet 329, Annapolis) and the Borderline Regatta (Wake Fleet 481), Kerr Lake) will be tabulated and the Barney Mead perpetual trophy will be awarded to the skipper with the best combined score. We look forward to sailing with the Dixie District sailors (and others) in these events; the competition should be tough.

In closing, I'd like to urge all Lightning sailors and especially those in the Southeastern District to get out their schedules THIS MINUTE and make plans to come out and race in the upcoming year; mark 'em down on your calendar. Remember how much fun it is when the wind's blowing, the sun is shining and the spray is flying? Remember the camaraderie? Come on out and race — and bring a friend. You'll be glad you did.

## SOUTHERN DISTRICT

District Commodore ..... David McCary  
 District Secretary ..... Marshall H. Walker  
 District Measurer ..... John "Buck" Ballatin  
 District Champion ..... Larry Frost, Jr.

**Fleets:** Mobile Bay (135); Shreveport Yacht Club (175); New Orleans Yacht Club (209).

Unusually strong winds prevailed at the Holiday-In-Dixie Regatta in Shreveport, at District Championships in Mobile, and at G.R.I.T.S. in Jackson this year. The District registration dropped from 31 to 26, but we still have the same 8 - 10 boats at most District meets. I know Shreveport, has 2 new boats (imported from Dallas), so somebody isn't paying their I.L.C.A. dues.

So much to do — no time to do it. This seems to be the theme of the District. We each have hundreds of Fleet Races, Series, and Holiday Regattas. Competition is fair at home so there's no reason to go out of town or is there? Better competition, challenging conditions, and a change of scenery. Also don't forget the camaraderie of this District. So try to travel next year and make a fellow sailor go also.

Readying for second race Jackson, Mississippi (Hospitality Regatta) G.R.I.T.S.

**Fleets:** Lac de Neuchatel (169), Zurichsee (219), Sempachersee (250), Greifensee (309) Murtensee (358).

The sailing year 1984 finished with our traditional "Fondue"-regatta in Neuchatel. It was a beautiful season with plenty of wind on most race courses.

The season started promising with a strong Swiss participation in Marsala/Sicily. Magnificent weather and strong winds set the pace for the year to follow. The Italians demonstrated their superiority and took the first places. Nevertheless, they met strong resistance from our Swiss crews Wyler and Schmid. Doped with that Italian spirit we could hardly wait for the regattas in Switzerland.

The class participated at the important Zurich boat show in March, where we exhibited a Nickels and a Pellegrini. We had many visitors at our stand but nothing materialized out of it. Were our efforts and costs futile? Maybe, and yet our presence was necessary and important for the class.

In the first half of the year we had the district regattas of Sempach, Hallwil and Murten on our programme. Moderate winds were the training ground to get in shape for the Europeans in Finland. Urs Wyler and his crew did best and confirmed his results with a second overall at Pori. Our trip to Finland was a great experience. The Finns proved that even a small club can host a first class championship with excellent organization and charming hospitality. George Andreadis could not be beaten but our crews Urs Wyler, Urs Schar and Jacques Perret did nicely with 2nd, 5th and 7th.

The second half of the year normally starts with the Trofeo di Marzi sailed at Gravedona on lake Como (Italy). For the first time since this race is held there were more Swiss than Italians on the starting line. It just looks as if enthusiasm has somewhat left the northern area of Italy. However, good wind and our strong performance made good for poor participation ... and, we had fun as usual.

The district championships at Grandson was the next event to follow. Vice-Commodore Gilbert Despland together with his sympathetic club staged an efficiently organized race. It blew with up to 7 Bft and many a fitting went to pieces. Hanspeter Schmid won with a super result of 0 points. Fallanden finally hosted the last district race for the season. Participation was as mediocre as the wind and the race committee for which even the good food at the YMCA didn't compensate.

Poor participation of an average of 10 boats somewhat dampened the high spirits on the race course. We must see to it that Lightning sailing doesn't become an exclusive hobby of a selected few. Our efforts for next year have to concentrate on bringing the inactive back to racing.

## TEXAS DISTRICT

District Commodore ..... John B. Waskom, III  
 District Secretary ..... Eileen Guinan  
 District Measurer ..... Dr. Sylvan Newman  
 District Champion ..... Ken Huggins  
 District Runner-Up ..... Don Johnson

**Fleets:** Dallas Corinthian (35); Rush Creek Yacht Club (435).

We have two fleets in the Texas District, White Rock and Rush Creek, both located in the Dallas area. The White Rock fleet is a "reborn" fleet and is doing great. Their racing program is strong and the fleet is growing. Rush Creek is the larger fleet and, as such, hosted this year's District Championships. It was a great regatta! Twenty-two boats turned out for five races in winds that ranged from steady, light to shifty, medium. It was very demanding, so the winners deserve all the credit they receive. The top three were Ken Huggins, Don Johnson and Richard Guinan. The district sent five boats to the North Americans in Seattle. One made it to the Blue Fleet, two to the Green and two to the Yellow.

After serving a number of years as district secretary, Regina Ploch has resigned, handing over her duties to Eileen Guinan. We are grateful to Regina who served graciously beyond the call of duty.

Fleet 435 annually hosts a Thanksgiving regatta at Rush Creek. We can look forward hopefully to five races Friday and Saturday of the Thanksgiving weekend with some pretty hefty winds. With or without good sailing weather, the regatta provides some good times.

One other note: We lost Lance Drewes from Dallas to Houston. That was sad but...he dragged his boat with him and is trying to start a fleet in Houston. Go, Lance!

Fleet 5 experienced another good year in 1984. The weather was excellent, and ten or more boats regularly appeared on the starting line for the weekend races.

The big news at home was the emergence of a new fleet champion. John Walter combined outstanding speed and tactics with the crew work of Karen Johnson and Steve Brugge to produce a solid victory. Bill Zamzow and Tom Hennessy finished second and third respectively in the ten-race Championship series.

*Fleet 5 Champion Team: John Walter (skipper), Karen Johnson, Steve Brugge.*

New members Thompson, Gaspord and Blair were in the running for the silver throughout the summer. But it was veteran Bill Wynn who showed the way in the Corinthian and Summer series. Dick Hinze and Hennessy finished 2-3 in both series. The Moonbeam Series, held Wednesday evenings, afforded participants a view of the sunset over Chicago's skyline. Mike Huffman finished first, Walter second, and Gaspord third in the Moonbeam.

Chicago Corinthian hosts two Lightning regattas each summer, the Hobelman and the Red Flannels. John Walter took the Hobelman, followed by Pat Considine and Huffman. Mr. Walter slowed down enough to allow visitors Gene Matthews of Lake Geneva and Jim Gagnon from Green Bay to finish 1-2 in the Red Flannels.

Away from home, Chicago sailors finished first at the Midwest District Championships for the fourth straight year. In '84 it was Mike Huffman with Karen Johnson and Marianne Taylor/Donald Shannon crewing. Pat Considine travelled to Indianapolis and Racine and win those regattas. Burke, Gaspord, Smither, Walter and Wynn also were on the road this year.

Again Fleet 5 is faced with the prospect of losing a few boats due to members leaving town. It's a constant battle to add to the roll call in the face of this attrition, but we'll find a way to keep growing.

The season began in February in Vermont for a Sail/North Serminar. Everyone was a winner. We hosted Spring Series awards ceremony — Sandy 1st, Jack 2nd, Mary 3rd, (Clausen reject). Memorial Day Hat Day Croquet challenge saw Jack Huntsman, followed by Bill Ewing in a tight drifter bridge race rounded the mark first and second. The group went to Seattle with Jack & Jon Schwartz qualifying for the Worlds in Little Egg. Labor Day, Sept. 1st brought Jack & Pam together for life — prize was a trip to St. Maarten.

The fleet is planning next year — Sail/North in February, Spring Series Awards. We will host the Jersey states in October. All members of this fleet are first place winners. Here's to a great season.

Once again this year, the Lightning Fleet 12 showed that it was world class. For the second time, the Canoe Club has had one of its own crowned World Youth Champion. We would like to congratulate Jody Swanson and her crew, Joe Donovan and Joe Starck on their victory.

At the North Americans, Canoe Clubbers fared impressively well also. Mark Bryant won the Championship for the second time. His crew was Matt Bryant, Jr. and Cory Fischer of Annapolis. Tom Allen Jr. was a close fourth and VC Tom Allen Sr. right behind in sixth. All three qualified for the World's next year in New Jersey. Jody Swanson was second in the President's Cup. In the Junior North Americans, Jody was second and Jim Allen fifth, qualifying for the Junior Worlds.

Fleet 12 also had problems that must be solved in the near future. Despite our fine showings at championship regattas, the normal Club races were badly attended. In fact, many series sat idle for lack of boats or barely made the minimum three to start. For the 1985 summer racing season we are faced with a drastically reduced sailing season. Hopefully, this will restore strength in our home fleet. We are relying on the better sailors in our fleet to show up and sail and encourage the less experienced including the juniors to continue sailing and racing Lightnings. The future of our Fleet depends upon the juniors around the Club. The Lightning provides the unique opportunity to really learn the rudiments of competitive sailing and tactics not found in cruising class boats. We will endeavor to promote the Lightning as a class and as a learning tool for the juniors.

We are looking forward to a busy 1985 season with many regattas at home. Let's do our best to participate and make our Fleet 12 as great as it was in the past years. Thank you.

## PAUPACK FLEET (16) Metropolitan District Sailing on Lake Wallenpaupack in the Pocono Mountains at Tafton, Pennsylvania

Fleet Captain ..... Franz Schneider  
Fleet Secretary ..... Heinz Kornmann  
Fleet Champion ..... Heinz Kornmann  
Runner-Up ..... Mark Schneider

Boat No.	Boat Name	Skipper
5250	Jetske	Eric Holdtgreffe
8379	Ta'Aroa	Franz Schneider
10115	Gail Winds	Gail Chestnut

10215	The Shadow	Joe Feyder

12416	Audra II	Peter Boettcher
13520	Sister Kate	Stan Moldawsky
13638	Windy	Karl H. Kornmann

Heinz and Eleanor Kornmann have been sailing together since forever, and she claims that Heinz was fleet champion nine years ago. Well, nobody remembers back that far, but anyway Heinz gave up his old wooden boat *Chantey*, and bought a new fiberglass, *Windy*, and now Heinz is definitely Fleet Champion. So there!

Right behind him as runner-up is Mark Schneider. After the son comes the father, Franz, in third place. Fourth was Stan Moldawsky, and fifth, George Madel. Those five won the prizes for the season.

On a breakdown, Heinz won the Miller and the Lake Series; Mark Schneider the Club Series. Second place in the Miller and Lake went to Mark, and the Club Series second went to Franz. Third place in the Miller went to Bob Baron, in the Lake Series to Franz Schneider and the Club Series to Heinz Kornmann.

The crew regatta: First place, Robbie Baron; second place, Caroline Schneider; third place, Cathy Schneider; fourth place, Sheila Schneider; fifth place, Gail Chestnut; sixth place, David Mark; seventh place, Mark Madel. The rest don't count.

The Old Salts' Regatta finishes: first, Folwell; second, Axeford; third, Evans; fourth, Brown.

The LWYC Fall Regatta was won by Mark Schneider of Lake Wallenpaupack Fleet 16. Behind him was our ILCA past president, Djoerd Hoekstra of the Riverton Fleet, 3rd was Tom Bierman of Lake Mohawk, 4th was Franz Schneider of Fleet 16 and 5th Heinz Kornmann of Fleet 16. And a man who insists on being mentioned was Stan Moldawsky who was 6th, where it didn't count. There was a great party run by the club members for the Fleet — Neapolitan Nite with music, decorations, red wine and a gourmet supper. Multo Bene!

For next year, the Fleet Champion was rewarded by being elected Fleet Captain, Heinz Kornmann. (Of course, Eleanor will be Assistant Fleet Captain). Fleet Secretary will be Joe Feyder.

We cannot end this report without giving special recognition to Franz Schneider for his excellent attention to arrangements as fleet captain. He and Sheila (and Eleanor Kornmann) selected the most tasteful and appropriate awards prizes for the '84 season.

It is then with a wistful expression, some gratitude and some sadness that another season of Lightning racing has ended at Lake Wallenpaupack. We will endure winter's cold blasts as we look forward to the Spring of '85 and more adventure on this lake of many moods.

### BLACK ROCK YACHT CLUB (17) Connecticut/Rhode Island District Sailing on Long Island Sound at Bridgeport, Connecticut

Fleet Captain	Kenneth N. Anderson
Fleet Secretary	Ralph B. Sperry
Fleet Champion	Ralph B. Sperry
Runner-Up	Peter Ford

Boat No.	Boat Name	Skipper
9122	Thor II	K. M. Anderson
10492	Esprit	Peter B. Ford
11674	Sail On	Vaughan Lee
11874	Fiddler's Green	James Nelson
12124	Ariel	David W. Orange & Peter Standish
12739	Arago	Ralph & Dr. Ralph B. Sperry
13669	Regatta Blue	Joanne Locke

Ralph Sperry finally won a fleet championship after 30 years of racing and nine times having been runner-up. He won eleven of the first thirteen races with the help of son, Ralph, in two of them, and won both series. Peter Ford purchased Jeff McCormick's boat and finished second in both series and overall, sweeping the three Labor Day races. Jim Nelson edged defending champion Vaughan Lee for third. Only one of eighteen races had to be cancelled by weather.

Black Rock was the host for the District Championship in June with a fleet of 28 boats participating. Phil Lotz of Cedar Point won the last two races, winning the regatta with 83 points, ahead of Jim Crane of Noroton, second with 80½ points and Bill Shore of Niantic, third with 79½ points. Ched Proctor of Cedar Point with 71 points and Don Barrett of Niantic with 67 points rounded out the top five.

Six of our ten Lightnings raced with reasonable regularity. We hope to get a larger representation in 1985. With five former Fleet Champion boats active, we expect close competition in 1985.

With several changes in boat owners and crews, 1984 was a season of transition. Paul Andrews, our new Fleet Capt., organized the Cornball Regatta to be the outstanding event of the season. Doug Hoessler of the Buffalo Canoe Club was the winner, with Jim Neville second and Ward Wilday of Cuba Lake third. Although he is now an E-screw "Hot-rodger," Chuck Hodges contributed his boundless energy, enthusiasm and expertise as MC and Auctioneer of the "Bull Frog Back Room" to give the weekend that special touch.

A Family Affair: Franz Schneider presents fleet championship trophy to Heinz Kornmann. Crew is Caroline Schneider and Eleanor Kornmann.

Welcome aboard to Myron Turfitt, a big-boat sailor who switched to a Lightning.

We are looking to a bigger and better summer next year.

Lake Mohawk Lightning Fleet 25 completed another active, successful season in 1984. We are happy to welcome Bill and Kathy Snyder as new members to our fleet.

The Spring Series started with unusually light winds for this time of the year. Rich Miner found the condition to his liking and won his first series after coming close many times. Rich was followed closely by Bob Graham with Tom Bierman in third.

Lake Mohawk hosted the Metropolitan District Championship. The winds were about as flukie as they ever get which made for some very challenging sailing. Jack Huntsman was our District Champion with his dad Sandy second. Mark Schneider sailed several good races and finished third.

Rich Miner traveled to the Hudson River for their three regatta circuit in the spring. After competing at Nyack, High Tor and Chelsea, Rich again was the River Circuit Champion. This is the second year he has won and he plans to be back next year to defend his trophy.

In the summer series the winds held stronger than in many previous years. Since we have started sailing later in the day we have had much better sailing conditions. Bob Graham was the Summer Champion with Tom Bierman second and Rich Miner third.

In September our Fleet hosted its annual Fall Regatta. Bob Graham was on a hot streak, winning all three races. Mark Schneider of Wallenpaupack was second and Tom Bierman of the local fleet third. Tom and Sharon ran a great regatta with a super party after the sailing.

The Fall Series finished the same as the summer with Graham winning, Bierman second and Miner third.

Fleet 25 is looking toward 1985 with hopes for a very successful year. We have several boats sailing on the Lake which we hope to get to join our club plus several prospective new owners.

This season, Fleet 27 got off to an enjoyable and educational start by hosting the Ohio District Lightning Seminar. The seminar was held in conjunction with the Interlake Class Sailing Association, and the combination was very successful. Combining the fleets allowed for more input and questions during the class session, with the fleets splitting up into their classes for the on-the-water sessions. Sincere appreciation goes out to George Fisher, Matt Fisher, Jim Dressel, and Will Petersilge for lending their help and expertise.

The season progressed with our Annual Windshift Regatta, this time being held in conjunction with the Comets. Again, we found that having more people involved added to the fun and made for the formation of many new friendships.

With the expansion of the Ohio Governor's Cup (and the expansion of several of our members' families!) we are hoping for even more fleet participation in the circuit next season. Along those lines, our fleet is proud to be co-hosting the 1985 Ohio Lightning Districts with the Cowan Lake fleet. And with the addition of our new fleet members, Joe Hetzel and Doug Strayer, we anticipate a very active season indeed!

Finally, a very special thanks goes out to the Kennedy family, who came to our rescue and at beyond-the-last-minute hosted our annual lobster dinner. Thanks again!

Fleet 31 had another fun season of racing under our new race committee chairperson, Chris Tibbs. Perennial Fleet Champ Merrill Bales did it again with Jack Tibbs improving to second. In addition to our regular Sunday Series, many special events are held throughout the summer. Bales won the Memorial Day and Labor Day Series, and the Night Race. Tibbs won the Stay-at-home (from districts), Jim Sayre won the Commodore Series and his crew Doug Haskell was named best crew for the season. Bruce Goldsmith took the 4th of July Series and John Henson the Round-the-Lake Race and the Sportsmanship award. Commodore Charlie Smith finished 3rd in the fleet standings and took the Most Improved Award. George Sipel, Jr. won the Michigan Junior Districts for the third straight time.

Bruce Goldsmith made it to the finals of the Soling Olympic Trials, got 2nd in the Michigan Districts, and won the Michiana Fall Circuit by winning five straight regattas, including our own 41st, DLYC "This One's For Fun". This is the oldest continuing Lightning Regatta in the world. Why not put the third weekend in September on your schedule for 1985!

The Lightning Class did a particularly nice thing for the Metedeconk River Yacht Club in 1984. It let us hold the Junior Lightning Worlds and, looking back on it, let us remember a very satisfying and enjoyable time. The flavor of the event had just the right taste. Sailors of divergent backgrounds, lands and most importantly sex, met together for a week of scintillating competition. Jody Swanson, the only female skipper in the regatta, won the tightly contested series over Tony Fink and Paolo Cian. Jody's determined and resilient sailing overcame the other twelve sailors from six countries. The winds were strong and sailing was great, but the memories we take back are the bonds we evolved with these people. It is a great event and was great for our Club. The work done by Club members went back many months and countless hours. It turned out to be easy once we caught the sailors' spirit.

It was another fine performance year for Fleet members. Club perennial Jim Carson started off by sailing a fine Southern Circuit finishing 2nd overall, then later winning the New Jersey State Championship and placing high in the Districts, Long John and Annapolis regattas. Jim also qualified for the 1985 Worlds with his finish at the North Americans in Seattle. Paul Gelenitis won the President's Cup in Seattle and back close to home, won the Barnegat Bay Yacht Racing Association Championship. Betsy Gelenitis, the 1984 Adams Cup winner, added another laurel winning the ILCA's Women's Championship. Jody Lutz won his second straight Central Atlantic Districts, and continued his magic down on Long Beach Island, winning the Manahawkin Cup for the umpteenth time. Jody also won the Annapolis regatta, and seconds at Rochester and at the Long John. Dave Ruiter took sixth at the Long John and third at the Atlantic Coast Championship. Keith Taboada finished third in the Districts, fourth at the Atlantic Coasts and qualified for the Championship fleet in Seattle.

Juniors Brian Taboada and Leonard Dooren continued the Metedeconk tradition by sailing the Junior NA's. Our link to international sailing fame, World Lightning Champion Jay Lutz, sat out of Lightning sailing for a year, but he'll be back to defend his world title in Little Egg Harbor, New Jersey in 1985.

Co-skippers Richard Thomas and Mark Beaton won the Club's Championship series, with Keith Taboada, Dave Ruiter and Paul Gelenitis following. The series had the usual elements of Metedeconk races: challenging competition in good conditions with fine race management. The door is open, please come and sail with us.

Our fleet inaugurated a major early-season regatta this year, by sponsoring Spring Classic '84 the weekend of May 19-20. Although we had hoped for a larger turnout, we were pleased with the racing provided for the nineteen entrants. Rob Ruhlman won handily, followed by Peter Swartz, Dick Pugh, John Werley and Don Courtsal. Our Spring Classic '85 will be May 18 and 19. We offer a well-run regatta with the best sailing conditions around. Plan now to attend.

Racing was intense and competition keen (as usual) this year, as our high caliber skippers again gave their all. Peter Swartz won the Fleet Championship by one point over Jack Borland. Dave Lewis finished third, two points ahead of Bob Scher. The Eager Beaver Series was won by Jack Borland followed by Peter Swartz and Jerry King. In the Spring Series, Peter Swartz finished first, Jack Borland second, with Dave Lewis third. The Saturday Series was won by Dave Lewis, Dave Werley second and Jack Borland third. In the Sunday Series it was John Werley first, Jack Borland second and Dave Lewis third. John Swartz, Peter's dad, won the Fall Series, Dave Lewis finished second and Wayne King third.

The Club-sponsored Fourth of July regatta was won by Rob Ruhlman of PYC in Lightnings, followed by John Werley and Dave Lewis. PYC skippers who competed at Districts included Rob Ruhlman and John Werley who finished 6th and 10th respectively. Other PYC skippers included Vic Maras, Jack Borland, Herb Jestel, Frank Thompson, Don Melonio, Matt Frymier and Peter Swartz. No one traveled to Seattle but we do want to congratulate our fellow district sailors who did travel to Seattle and represented us well: Matt Fisher, Jim Dressel, George Fisher and Dan Dressel. We extend our best wishes to them in the 1985 World's.

Our main fleet fun event was our corn roast and Cornball Regatta for fleet members only. We had seventeen participants, and the unique plastic-engraved-with-magic-marker rotating trophy went to Herb Jestel, who led the fleet around the course and then chose to finish outside the mark because of being short a crew member. Was he ever surprised to win without having crossed the finish line! (Shows how cornball we can be.)

Our fleet also helped the Pymatuning State Park celebrate the lake's 50th anniversary by providing a special race for public spectators-on-shore at the south end of the lake.

Kevin Hughes, formerly of Fleet 51 from the Detroit area, sailed with us several times this year. Welcome to Pymatuning, Kevin.

Toward the end of the season Scot Werley was finally able to launch and race his "labor of love" for the past two years: a derelict wooden Lightning that he completely rejuvenated into a sharp-looking blue and white beauty. Great job, Scot!

The season wrap-up was the fleet trophy dinner held this year at Lolli's in Canton, Ohio, hometown of retiring fleet captain Herb Jestel. Attendees who chose to stay overnight were treated to brunch at the Jestels — a fitting finish to a great sailing season.

Our 1984 season will probably be remembered as the year with the most "no winds" weekends, six in all. At least it never rained. Using the Chelsea Open as make up races, we were able to complete three out of four series with Michael Pike coming out on top and Frank Newman capturing second. We also added two new boats to our fleet with purchases by Bill Muth and Jerry Cavagnol. Welcome aboard.

The Chelsea Open Regatta, third and final leg of the Mid-Hudson Circuit, was attended by representatives from most of the Metropolitan District fleets and turned out to be a great success. Uncharacteristic of our Chelsea summers, none of the races had to be postponed, shortened, or cancelled due to lack of wind. Two races were held on Saturday, followed by a bountiful steak dinner and lively late night party. The final race and

trophy ceremony were completed on Sunday. Bob Sengstacken from Greenwood Lake took top honors followed by Rich Miner of Lake Mohawk and Gary Hurban of Nyack.

Chelsea Yacht Club will be hosting the 1985 Metropolitan District Championship Regatta as well as their annual Open Regatta. We hope that everyone will take advantage of these two opportunities to enjoy our hospitality.

The High Tor Fleet hosted two regattas this season; the Sutherland Regatta in June and The Last Blast in October. Both Regattas were blessed by excellent weather for sailing and a great time was had by all.

Most of the season club races were not sailed because of poor weather, but we managed to sail enough races to complete a single series which was won by George bitler and Mark Lewis. George and Mark are retiring from Lightning racing and managed to retire in grand style by winning the Last Blast Regatta. The fleet wishes them the best of luck with their new cruising boat.

Fleet 43 had an active 1984 season at home on Buckeye Lake. We sailed a Memorial Day Series, Spring Series, 4th of July Series, and a Summer Series.

Fleet 43 also hosted the Lightning District Regatta this year and, of course, the annual Snowball Regatta in October. The weather and wind weren't as cooperative as we would have liked, but hopefully the parties made up for it and thanks to all who participated. A number of our fleet members competed in Seattle in August, including George Fisher, Matt Fisher, Jim Dressel, Dan Dressel, Will Petersilge, and Mike Hein — Good reasons for our Fleet to be proud!

The 1984 season was an interesting one at Silver Lake for a number of reasons. First, the travelling bug hit our yacht club, and most Sundays found the majority of our boats at other clubs. Good for experience in larger fleets, but bad for home participation. Another unusual (and unfortunate) factor this year was unusually light winds; very few, if any, "screaming reaches". Despite all of this, we had a great summer here, topped off by our annual Harvest Regatta in September. This year's was one of the finest in memory, due largely to the efforts of Regatta Chairman Todd Jones and especially due to all of our long-time friends who come every year and make it so much fun.

Our awards banquet was held in October and here are the results for this year:

The Tune-up Races in May were won by Peter G. Humphrey (Pete had spent a great deal of time refurbishing his family's wooden 9119, and it was good to see his efforts pay off). Next was the Memorial Day Series, which saw Todd Jones win the VanArsdale Memorial Trophy in a series shortened to two races due to lack of wind that Monday. Bill Neal was second, with Ed Willse third.

The Bill Humphrey Memorial was sailed over two weekends in June, and Ed Willse won with John Adrian second and Todd Jones third. Our fourth of July Series was won by Todd Jones for the Neal Memorial, with Mark Grinder second and Peter G. Humphrey third.

We managed to get in nine Championship races despite the light winds in August, and the overall winner was Mark Grinder with Peter G. Humphrey second.

Labor Day weekend we raced for the Benedict Trophy, and Pete Humphrey picked up another win in a series that went right down to the wire. He beat out Todd Jones by just one point in a close finish in the last race.

The trophy for the Best Away finishes went to Bill Neal, Most Improved Skipper was Peter G. Humphrey, and Earl Fowlston won the Old Salts race in September.

The coveted Jacob Hafstead Trophy went to Dave Copestick for his outstanding crew work, his enthusiasm, and for his efforts at our social functions this year.

Three new boats have joined our fleet for next year, and we are looking forward to a great season in 1985.

The 1984 sailing season of Fleet 51 at Crescent saw just about every kind of weather imaginable. Lake St. Clair presented its usual challenge.

Sunday A series was won by Tom "AKA Michigan Rude" Vickers and the brothers Rude. Tom seemed to gain speed in the later half of the series following a survival test with impressed Captain Crunch skipper and crew in force 6 winds. Although slowed slightly by Ms. Betty tying the spinnaker to the floorboards, it was all for naught since the spar broke before the chute could be put up. Following Tom were Kindle, 2nd and Summers, 3rd. Of mention in the series was Joe, who showed up with his newer boat and proceeded to win the first race. Later finding himself in a slump, however, he resorted to ancient Japanese Kamikaze techniques, getting the fleet PT109 award.

Wednesday series found Ron Summers "sitten in tall cotton" because of/in spite of the back up skipper, Doug — go blond. Results were obtained due to arbitration by Tracy. Michigan Rude followed close behind with Captain (I can't believe it) Crunch needing just a bit longer last leg but settling for third.

Sunday B series was dominated, yes Betty — first, by Williams, the Crunch sea lawyer, and Betty too. Vickers lagged behind with Summers looking over his shoulder at Konon. During the series an important USYRU rule was learned by Jack Schulte's crew with regards to finishing the race with the crew with which one starts, especially the skipper. By the way, if anyone sees Linda or Phil, please contact the Detroit Police Missing Persons Bureau.

Overall season results found Arlyn Kinkel once again at the top. Kinkel settled the old Thistle/Lightning dispute one heavy air race by sailing through the Thistle fleet and finishing just second in the fleet which started 5 minutes earlier. Vickers was second with Summers a fraction of a percentage into third place.

The Crescent DRYA regatta was won by Dick Drew. The fleet later agreed that the fall apple/Boccie get together was worth the loss of the Hardware.

Well another year at Crescent. Lots of fun and experiences which will be talked about until the ice thaws next year.

Fleet 53 had an active racing season of 29 Sunday and 11 Wednesday night races. Two Sunday races and one Wednesday race were cancelled due to bad weather.

Our fleet races began on Memorial Weekend with keen competition. Several members of the fleet managed to win at least one race. However, George Nickels was able to prove his sailing expertise by winning over half the races. George is the fleet champion for the second year in the Sunday series, with his father, Herman Nickels, the runner-up. George also won the Wednesday night series with Paul Militzer a close second. Bill Seaman was voted the most improved sailor for the '84 season. Congratulations to all for a fine season of racing.

The last weekend in June was our annual team race regatta. There were seven teams participating; each team consisting of four boats. The format of team racing is short races with all the teams racing one another during the regatta. Seven races in a weekend allow for plenty of sailing. Saturday was to have 4 races, but light winds allowed only 3. On Sunday, the wind came up into the 20's with gusts in the 30's making for four very exciting races with several crews going swimming. For the second year, Lake Fenton was the team with the best score at the end of the regatta. The videos of the racing action were a bit hit. We hope everyone had a good time, and will come back next year.

Two weeks later the Michigan Districts were held in Bay City with the racing on Lake Huron. Eight boats from Lake Fenton were in attendance. Dave Nickels with a crew of Walt Plamondon and Kevin Nickels finished third. George Nickels with a crew of Karen Militzer and Craig Anderson came in fourth. Dave Nickels traveled to Seattle for the NA's.

We are looking forward to another year of active racing in 1985, including the North Americans which will be held in our district. See you there.

The highlight of 1984 was at the Pontiac Yacht Club was the celebration of our 50th anniversary as a yacht club. A party dubbed as the 50th Anniversary Sail-A-Bratton was held 4th of July weekend. The club grounds were decorated with trophies and banners from past triumphs of PYC sailors, as well as a new PYC logo on the wall of the club house. Even a torrential downpour with 40 M.P.H. winds could not dampen the spirit of the past and present members in attendance. Special thanks to Sue Von Ende, our social chairperson, and all the others who helped make this occasion a great success. Our Club championship regatta was held in conjunction with the Sail-A-Bratton and Clarence Holman III was crowned our new fleet champ.

We were pleased to see our membership begin to grow again in 1984 and several of our new members were very active crewing and skippering in our racing program. Dave Marriot led this group of new PYC sailors by winning our Sunday Over All Series. Clarence Holman continued to knock at the door on the national scene by placing 17th at the North Americans in Seattle to qualify for the Worlds next summer.

Our 25th White Cap Regatta attracted 41 boats from our club and around the state. A true "White Cap" it was as the wind kicked up to 30 M.P.H. on Saturday. When the smoke cleared Sunday afternoon, Bruce Goldsmith was the winner followed by Colin Park, Clarence Holman, Les Kastura, and Louie Nickels.

Our annual awards banquet was held in November and our 1984 winners were: Bug-Out Regatta, C. Holman; Match Racing, C. Holman; Sunday Spring, Les Kastura; Sunday Summer, Dave Marriot; Sunday Fall, Don Rau; Sunday Over All, Dave Marriot; Wed. Spring, Wally Smith; Wednesday Summer, John Scott; Wednesday Fall, Bob Mathers; Wednesday Over All, Bob Mathers; Commodores Challenge, (crews get to skipper) Anne Beaubien; Most Improved Sundays, Dick Beaubien; Most Improved Wednesdays and Over All, John Scott; Good Sportsmanship, Jim Bowers; Persistence Award, John Greenstreet; Michigan High Point (best finish and the districts) C. Holman.

The year 1984 witnessed a revival of Fleet 58 with some of the veterans returning and the addition of a few new skippers to form the nucleus of the new fleet. To help with the revival of Hewlett Bay Fleet #58, a few former members of Hewlett Bay's neighboring fleet, Woodmere Bay Fleet, located nearby, joined hands with 58's skippers to create the new composite fleet.

Sailing in local waters of Hewlett Bay located on the south shore of Long Island, skippers usually enjoy the benefits of moderate southerly winds, but the shallow bay waters require advanced planning to schedule races as close to high tide as possible. Armed with the latest edition of *Eldridge*, the fleet secretary managed to schedule races for alternate high tide weekends which generally coincided with spring and early summer storms. By the Fourth of July the racing season was well underway and many former Lightning skippers were pleasantly reminded of Fleet 58's early days as they enjoyed watching the races from the deck of Hewlett Point Yacht Club.

Fleet Champion Bud Dailedouze brought *Bald Eagle* to the Long Island Districts with the able assistance of Tom Hering and an excellent young crewman, Mike Donohue, son of *Blitzkrieg* skipper Don Donohue. One of the most exciting races took place at summer's end with first and second places going to Fleet Champ Bud Dailedouze and runner-up Tom Hering, as expected; but the real battle was for third place as Donohue and Rich Braverman in *Arcturus* fought a good tactical race with the lead constantly changing during the race until both boats crossed the line with Braverman edging Donohue by a headstay.

1984 was a very competitive year at Lake Shawnee — Topeka, Kansas, with seven boats qualifying in the Sunday Series.

This year Ralph Persson won both the Sunday Series and the Holiday Series followed by Bill Pooler and Rob Exon respectively.

Shawnee Yacht Club was the host of the Central States District Regatta held in June. Ralph Persson placed first in five of the six races followed by John Gall, putting to rest the fable "whoever wins the tune-up race will do poorly in the remaining races."

For a change of pace, we chose to race one weekend at nearby Clinton Lake at the annual Red Cross Regatta. Problems developed with two of the boats that did not permit them to finish the series, but all in all a good time was had by those who attended.

We finish this year with a good breeze, look hopefully for a short winter, and anxiously await next spring to race again with our fellow sailors at Lake Shawnee.

The 1984 sailing season brought a new flurry of activity to Fleet 69. Milwaukee Yacht Club's McKinley Harbor was jam-packed with Lightnings this year. The additions of Kevin Blair, Walter Neumann and Don Gallo brought to the starting line 13 boats and some very exciting racing.

This year's Season Series went to Kevin Blair, a new member of our fleet, whose aggressive, competitive racing skills also brought him a first place finish in the Wednesday Evening Season Series. Second place honors went to Dean Cady, while third place was held by Dr. John Esser. The fourth and fifth place finishers were Robert Mahnke and Randall Crocker, respectively.

In the Commodore's Regatta, a three-race event held in gusty winds on high seas, Kevin Blair took the first place honors with Dean Cady and John Esser in second and third.

1984's P & T Regatta brought 27 Lightnings to the starting line and weather conditions that fluctuated from no wind to breezes which exceeded 30 knots. First place honors in the P & T Regatta went to Ric Larson, while Matt Burrridge finished in second and Robert Penticoff finished third.

The Labor Day Regatta finished the racing season, with Kevin Blair's *Shenanigans* in first, Dean Cady in second and Robert Mahnke's *Whimsy* in third.

First place honors in the Wednesday Evening Season Series also went to Kevin Blair, while second went to Dean Cady and Jim Smith sailing *Rampage*, with third taken by Walter Nickerson in *Shadow*.

Although weather conditions for 1984 did not reflect the tremendous sailing we had in 1983, Milwaukee Yacht Club's Fleet 69 had the pleasure of bringing more Lightnings to the line than have been seen in many years. This trend is anticipated to continue.

Youth Worlds '84 — Tony Fink, Larry Colantuono, Dave Kuhl.

his own boat 11327, and, after customizing it, joined us for racing when he wasn't too busy making money to support his new toy.

The 24th annual Long John Regatta was won by Dick Hallagan, who said that after almost 20 years at near misses he was ready. Ann Hallagan said he won because he attended church Sunday, and second and third finishers Jody Lutz and Jack Huntzman didn't. Other top ten fleet finishers in the 43 boat fleet were Denis Farley, ninth, and Sandy Huntsman 10th.

Sandy Huntsman repeated as Spring Series winner. After twenty years at trying, he has now won three of the last five series. Jack Huntsman was second, Bill Clausen third, Denis Farley fourth and Rob Held fifth.

The Irv Lewis Memorial Day Regatta was won by John Schwartz, who, after spotting Sandy Huntsman an opening first, came on to win the next two races and the regatta.

Next, 8 fleet boats trailed to Rehoboth, Delaware for the Governor's Cup. Best fleet finishers were Jack Huntsman second, Denis Farley fourth and John Brewster fifth.

At the districts two weeks later, Jack and Sandy Huntsman finished first and second, repeating their '83 finishes. Sandy said that next year he will reverse the finishing order. Order top finishers were Denis Farley, fourth and Rob Held fifth.

Continuing a fine year, Jack Huntsman finished third at the Atlantic Coast Championship before travelling to Seattle to qualify for the '85 Worlds by finishing ninth. Also qualifying for the Worlds was John Schwartz 12th. Rob Held with a 27th is still biting his fingernails.

Junior skipper Tony Fink, finished third at the Jr. NA's in Seattle and qualified for the Jr. Worlds at Metedeconk. There, because of a P.M.S. in the second race, he lost to Champion Jody Swanson on a tie breaker. His crew Dave Kuhl has purchased his own boat and will be racing with us in '85. Tony said he will return the favor for other crew Larry Colantuono and crew for him at the '85 Jr.'s They're both already psyched and loaded for bear.

At the annual meeting in Seattle, Pat E. Corr was elected a Class Vice President. Will he follow the M.B.C. fleet 70 tradition which has already seen members Arnold Schwartz, John Schneider, and Sandy Huntsman serve as I.L.C.A. presidents?

Following his return from Seattle, new Fleet Captain Jack Huntsman married Pam A. Hallam who didn't need to change her monogram following the ceremony. This is one way to get secretarial help in running a fleet. Patrick F. Corr was elected Fleet Secretary. Both seem to be following family traditions.

As wedding bells continued to ring, many time Lightning crew Frank Mengenthaler married Brenda Oberne in October. Fleet members now have their eyes on Patrick F. Corr and his brother Kevin.

Before the end of the fall series Rob Held won the 4th annual "Fall Has Fell" Regatta. The Wasp group with four rotating members was second as they were unable to beat Rob no matter what their combination. Denis Farley was third.

Closing out the fleet year John Brewster won the fall series. Patrick E. Corr was second as he wasn't quite able to beat out his son Patrick F. and his co-skipper John.

As this is being penned, fleet members, Jack Huntsman, Denis Farley, Pat F. Corr, John Brewster, Sandy Huntsman, Nick Smith and crew/skipper Larry Colantuono are enjoying frost bite racing and planning to get even with each other when the '85 Lightning season opens.

We have never enticed so many Lightnings into trying their luck on the Tappen Zee. Patience was also tried, and found, in Howie Rineharts persistent efforts and resulting fleet championship. Al Klingler took second, and Terence Gibbs came in with a smart third. This was the first year that we combined the results of all three race seasons to determine the championship; the winners sailed from May 26th until October 28th to gain and maintain their positions. Congratulations to all three on their well deserved placings.

Our 11th Annual Magnus Pedersen Regatta got off to an exciting start as 23 Lightnings from seven fleets in four states lined up at lifts to be launched into a wild river in a downpour. Midway through the launch procedure the wind had reached the sustained high twenties, with three foot waves to make things interesting. Undaunted by the elements, the fleet sped through the mooring area, led by a particularly plucky half dozen. Four of these guys returned quickly, the other two took a lot longer. Bill Day's boat was finally moored upside down in mid-stream, its upthrust stainless board and polished bottom giving off a peculiar bionic "Jaws" impression. After this auspicious start we had a few beers and awaited developments.

The afternoon's weather moderated and out we went. Two races were completed in conditions ranging from moderate to zero to brisk. All in all it was a day to appreciate humorous weather, which left Todd Klingler of Nyack smiling in first place. Tom Ingram of Cedar Point followed, Frank Atkinson of Narrasketuk third, and Nyack's own Stephanie Mayo took fourth for her maiden appearance as a silver winner in an open regatta. Try

this one next year for an unpredictable days entertainment.

The summer series was marked by less than satisfactory wind conditions and vacations. Several members towed their boats on vacation. The Hurbans and Carmens went up to Lake George for sailing, water skiing and camping. Bill Cook and family took *Screech* to Ontario, Canada where they were made welcome by Fleet 492 at Bronte Harbor. Special thanks to Anita and Jerry Dorschell for their hospitality. The Kapica family headed for Lake Wallenpaupack, an undertaking which Dan's wife describes as being full of adventure. Rod Johnson, Paul Connell, and Irwin Kwartler participated in big boat sailing as part-of-the-way crew on the Morgan 38 QUASAR'S triumphant return after an eight year absence in Europe.

The summer was finished off with a combined Labor Day Regatta and Nyack Boat Club 75th Anniversary hosted by the Lightning Fleet. We went way over budget. Bobbie Carmen knocked herself out as dinner chairwoman. Gary Hubran was responsible for the spectacular fireworks. The rest of the fleet pitched in and did their bit so well that when the NBC Board of Governors considered the circuit tents, birthday cake, balloons, band, 400 people, great days to sail, flags, and general air of gaiety; it was decided that chairman Bill Cook would be allowed to run further parties, so long as someone else approved the bills beforehand.

We recovered in time for the fall series and a bit of visiting regattaing. The wind was somewhat better for this series, only one cancellation-gale, which went to Al Klingler. Elliott Carmen was second, and Rod (I'll get in before Labor Day) Johnson third.

We finished up the year with a dissertation by Jim Carson and Paul Gelentitis on fitting and tuning a Lightning. This was followed by a meeting at which Bill Cook was elected Fleet Captain, Neil Schreffler Secretary, and Stephanie Mayo Treasurer. Then we had a party. Come have one with us next year.

The largest fleet in Central, NY started its 1984 season with Rochester's usual weather. Seventeen of Newport's finest, plus three new hot shots, Jim Gocker, Doug Fien and the Eiffert boys, waited for the sun to shine through steady 15 knot winds. Dick Hallagan, coming off the Southern Circuit (despite winning the tip-over, congratulations Dick) succeeded in taking honors. George Sereno came in second, with Bill Wright third. (We miss you, Bill).

Clearing skies showed up to welcome 47 boats from as far as 1,200 miles away to the Newport Invitational. Honors were taken by Larry MacDonald, but five local sailors showed their talents by placing in the top 10.

This year's Summer Series proved to be a challenge for many of the top skippers of Newport's fleet. George Sereno, Dick Doherty and Steve Sahs battled it out with Sereno coming out the winner.

Newport sailors fared well in many of the local regattas. As usual, Dick Hallagan showed his winning ways by coming in first in the Districts at Oswego and winning the Triple Crown. Good luck in the World's, Dick!

Newport's summer series ended with hosting the Brown Jug Regatta. It was another great showing by Greg Eiffert.

The fall series went so fast that more time was spent around "The" picnic table than on the water. Jimmy Doherty, following in his father's footsteps, gave Hallagan some good competition.

All in all, good times were had by all at Newport Yacht Club with Steve Sahs sailing the most races, and Dick Hallagan with crew Debbie Falk and company taking Fleet Championship.

Many thanks to our Regatta chairman, fleet members and our continuing secretary and treasurer, Anne Faust.

Well, if Big Brother was watching the sailing action on Greenwood Lake during 1984, he must have been bored silly. It would be like watching a group of people intensely dedicated to the art of levitation but, try though they may, never quite leave the ground. A casual observer might not even suspect that these people were "trying" to do anything at all. In the same way, a casual observer might have mistaken our sailors for fun seekers leisurely enjoying a peaceful afternoon under the sun without suspecting that these friends whose brains were baked hours ago were intent on maneuvering their crafts around a course faster than the competition, without the benefit of propulsion.

It was, however, a year of learning for the dedicated members of our fleet. We learned that the Rhumb Line from bouy A to bouy B sinks when the wind quits. We learned that when you roll tack on a calm day, the mast head fly always indicate a severe "knock" which requires another roll tack immediately, and so on... We also learned what a joy it is to be towed by a powerboat past other becalmed sailors.

We did, however, manage to complete 21 of the 24 races scheduled and each of us derived enough pleasant memories to insure our return next year. A positive development this past year was the appearance on the race course of a boat skippered by young Steve DeBrock and his crew of teenagers, thanks to Lou Van Hoff who loaned them his boat for the season. The kids did surprisingly well for their first year out and even took a second in the Rear Commodore Series. The other three series seconds went to Herb Dickert, Bob Sengstacken, and Ron Wulff. **FOR INFORMATION: CALL GEORGE SERENO: (716) 544-8196**

**DON'T MISS THIS ONE!**

the four regular series went to Jim Cosmas, Ron Wulff, and Nick Santoro twice. The Santoro's piled up enough points to earn the Fleet Championship, while Ron Wulff finished the year in the runner-up spot.

Our club hosted two special regattas this year, the Michelob Open and the Whiskerpole Regatta. The Michelob Open is an annual multiclass event open to all comers who wish to challenge our sailors in Lightnings, Hobie 16's, Stars, Rebels, Catalina 22's and Sunfish. The Lightning division of the Michelob Open was won by John Sengstacken of our fleet. All Lightning sailors are invited to compete in next year's open.

The annual Whiskerpole took place on September 8th and while the first race was sailed in light air in the south end of the lake, the breeze filled in beautifully for the next two races which were sailed under blue skies in perfect 12 to 14 knot winds in the deep water north of Fox Island. Locals Bob Sengstacken and Ron Wulff gave a good account of themselves, finishing second and third respectively, but it was visitor Tom Bierman from Lake Mohawk who took home the largest trophy. Dinner was served on the newly refurbished Awosting boat house in full view of a sun which set gloriously, like a picture in a magazine.

Some of our sailors travelled to other clubs in search of silver. Bob Sengstacken participated in the entire Mid Hudson Circuit where he won at Chelsea and finished second over all for the nine race event. The Santoro's trailed their boat all the way to Oriental, North Carolina, for a special Open where they found good sailing and met some of the friendly folks from Kerr Lake who attend this annual event. Herb Dickert, Ron Wulff, and Bob Sengstacken travelled to Stony Point in October to participate in what may have been the last "Last Blast". The season ended none too soon for Lynn Sengstacken, since she and Bob are expecting the arrival of their first home-grown crew person on or about December first.

Through our boats are packed away for yet another year, we can fondly reflect on the people and experiences we have encountered as Lightning sailors and look forward to the endless new possibilities that will bring us back again next year.

13186	Paddlin Madelyn III	Wendell Harter
13191	Sea Fever	Mike Boswell
13247	Blitzen	Edward F. Spori

Our fleet raced in nine regattas at KHYC and two at Lake Cachuma in 1984. Wendell Harter, again, won the Fleet Championship with no one giving him serious competition. Emily Foster with her father, Quintin, crewing was the most improved skipper.

In addition to our sailing at home, a few of us travelled to Mission Bay to compete with that fleet. Mike Boswell raced in the SCYA Midwinters; Emily Foster competed in the Districts in June; Wendell Harter raced in the California Circuit in March, the Districts, and the Bowen Memorial in September.

This year we will host the California Districts at KHYC in June in addition to the Hurricane Gulch Regatta in October. Our Spring Regatta at Lake Cachuma is planned for May and the Billie Boswell Memorial, there also, in September.

Our home regatta attendance suffered last year and many times it was difficult to make the number required for a class — 1985 will be a different story!! Ed Spori has promised to return. Bert Winther says he will sail more often and Mike Boswell is rebuilding his 11373 boat for Fred Chandler to race. We are confident that with these additional boats, 1985 will be an exciting season!!

The Higgins Lake Racing season got off to a fast start on the 4th of July with our Annual Firecracker Regatta. This local event was won by Fred Krauss with Mike Dow second and Stan Dent third. The racing was followed by dinner and an impressive fireworks display to conclude our 4th of July celebration.

On July 27th, four of our boats traveled to Traverse City for the first event of the newly created Northern Circuit Lightning Cup. None of our sailors were able to challenge the winner, Colin Park, but everyone enjoyed the competition and festivities.

The Higgins Lake Boat Club Invitational Regatta followed on the 4th and 5th of August. Again, Colin Park came out on top and took home the first annual Northern Circuit Lightning Cup. Tom Vickers of Crescent Sail Yacht Club captured second place and Fred Krauss of Higgins Lake was third.

On Labor Day weekend the Annual Property Owners' Regatta was sailed. The Lightning championship and the Alex Carlin Trophy for overall, handicapped finish went to Fred Krauss. John Dent followed in second place and Stan Dent was third.

Later that weekend, awards were presented for the overall season series at our annual banquet. Again, Fred Krauss took top honors. Half a point put John Dent in second place and Ric Blamer took third place in his first year at the helm.

*Another fine day for sailing on beautiful Higgins Lake.*

This season was a hard fought one for the fleet champion and all those who tried to be one. First place for the season was won by Jim Gagnon by consistently finishing in the top five over the whole season. There were over 10 people that finished first during the evening racing. Only Jim Gagnon was able to put two in a row and he did that only once. Jim Knorr finished second only a couple of points ahead of Jim Hopkins. Contrary to popular belief the first name Jim is not a prerequisite to doing well on the bay of Green Bay. The Evans regatta held in mid June was a good example, for the top three finishers did not have the first name Jim. Rick Larson from Sheboygan finished first with Jim Gagnon and Tryg Jacobson from Sheboygan finishing close behind, number two and three. We were glad to welcome back Rick Larson after a few years away from racing Lightnings. He still goes pretty fast.

We had quite a few of our sailors travel to regattas around the district. They did well and are doing better each year. Knorr, Gagnon, and Bill Sims finished seventh, eighth and ninth in the District Regatta in Racine this year. We are all looking forward to next year and the Midwest Regional Regatta in Green Bay. We expect a good turn out with lots of good competition since the North American competition will be held nearby. Those of you in the midwest come and join us on a nice body of water called the bay of Green Bay.

The season for Fleet 126 started with two super parties hosted by Debbie and Ed Burke and Jeanne and John Stewart.

Several fleet members took part in the Southern Circuit. Ched Proctor skippered in all three regattas, taking a fifth in Savannah. Edson White also raced all three regattas with sister Maria as crew, and Nina Cuccio, Mary Anne and Jim Nolan were vagabond crew participating in several of the Southern Circuit regattas.

CPYC hosted the Early Bird Regatta on May 19-20. Steve Kumpan ran a successful regatta with help from many fleet members. Ken Read won, with Jim Crane second, Ched Proctor third, and Bill Shore fourth. Everyone enjoyed the now famous CPYC Steak Dinner.

The Vice Commodore's Cup series, held Memorial Day Weekend, saw Edson White first, with Jim Nolan second, and Gianni Cuccio third. The 4th of July Commodore's Cup series was won by Tom Ingram, with Randy Browning second and Tim Naeser third. In the Rear Commodore's Cup series on Labor Day Weekend, Bud Tittsworth finished first, with Randy Browning second and Jim Nolan third.

Many of our fleet members took to the road this year and went to away regattas: Red Bank, Nyack, Newport, Black Rock, Wellfleet, Seattle, Niantic and Lake Mohawk.

At the Districts held at Black Rock, Phil Lotz was victorious, with a repeat performance at Niantic where he won the Connecticut Governor's Cup, with Ched Proctor taking a third. Phil took fifth place at the Atlantic Coast Championship at Beach Haven. At the NA's Phil was 21st in the Blue fleet; Randy Browning took a 4th in the Yellow fleet. Edson White placed first of 20 boats at Wellfleet. Other CPYC finishers in the Districts were Ched Proctor, fourth Tom Ingram, fifth; Jim Nolan seventh, Candy Neville/Bob Scanlon, eighth.

As always, we had a good turnout for the season series races with 14 boats on average each day. The season finishers were: Edson White as Fleet Champion; Tom Ingram as Runner-Up; Jim Nolan, third Gianni Cuccio, fourth and Tim Naeser, fifth.

This year Edson White was elected District Commodore for the CT/RI Districts — unanimously. Congratulations, Edson!

Wedding bells rang this season for Candy and Bob Scanlon, Ann and Dan Sheehy, and Judy and Ched Proctor. Best wishes to the newly weds. This year's Fall Classic (alias East Coast Championship) was chaired by Tom Ingram. Despite threats from hurricane Diana, the regatta turned out to be a grand finale to the season. 34 boats were rewarded with wild racing and partying. When the dust settled, Jim Crane emerged victorious; Betsy Gelenitis was second, David Jones, third; Bill Shore, fourth and Ched Proctor, fifth. Special thanks to the race committee and especially to R. C. Chairman, Ted Fontelieu, who, everyone agrees, did a fantastic job.

Thanks also to Jim Nolan, Fleet Captain; John Dymant, Treasurer and Dottie Gough, Secretary.

See you all at CPYC's Early Bird Regatta!

The 1984 season was decided in the last race concluding with no more than a point separating the boats of Nancy Young, Michael Sulzbach, and Richard Grant. Nancy's consistency won out, giving her her third fleet championship.

Madison hosted the E.C.Y.R.A. Lightning Regatta and the Long Island Sound championship. Fleet 129 was not as active on the road as in past years, but we hope to remedy that in 1985 and look forward to seeing our friends from Niantic to Cedar Point.

The big news this year was the North Americans in Seattle. NAs, NAs, and more NAs. It was a real scramble just finding out what needed to be done and how to do it, let alone accomplish the task. To make a long story short, it is fortunate that the unemployment rate in our fleet was over 50%. Even so, we barely managed to tie the loose ends as the first competitors arrived. Whew! Our fleet didn't fare as well as at San Diego in 1980 (we were probably too stressed out) but we achieved our objectives; no red ink, imported some beautiful new boats and, finally, connected faces and personalities to all the people we read about in the *Flashes*. Thanks to you all

for coming so far to sail with us. We look forward to seeing you again sometime.

Locally we continued our evening series and local invitationals, counting over 50 starts. Racing this year was more competitive than it's been since before our fleet's resurrection. Greg Zettler, our local ace, had a spotty season contending with back problems, but as usual, rose to the occasion, and won the hotly contested districts (4 points separated the top 4 boats, and 3 were from Seattle!). We hope to see Greg and his wonderful wife/crew Cheryl back at full strength next year. Alan Hunt, the barn storming sailor, continued enjoying his new found consistency placing well in several out or town regattas. Eric "dipstick" Lindahl, not wanting a shut-out this season *did* capsize his boat....in a glassy dead calm....in front of the Presidents Cup Fleet....in the middle of Puget Sound. Eric reports: "It was the end of the season, I was desperate. The trick is to have your heaviest crew hand you something while standing on the spreaders. Board up, of course." Bruce Dietz finished rigging his new boat and proved its speed by placing second in the Districts and winning "our" only NA trophy. Fastidious Martin Mulhern finally got his boat in perfect condition and promptly bought another used boat. We hope he won't miss too many races rigging the former Bill Shore boat.

Ken Dunkleburg took time out from NA Headquarters to show that he really can be consistent, and Art Green found out that having a pregnant wife makes finding crew twice as hard (at least for 10 or 12 years). He still managed to win a race or two, though. Dave Hammer, between jobs, reminded us how fast he does sail. His accomplishments include a first and third in Presidents Cup Races. Billy Taylor was busy with marriage plans so sister, Missy, took the helm and made an excellent showing. Bob Schnell and Pam Hsu as new co-owners of *Good Old* 9024 tried their hand at racing. Alan Hunt talked Bob and Pam into switching boats one evening and they promptly horizoned the fleet. Now they're talking of buying another new boat. That a way, Al!

One last note-worthy event was the fleet's proud acceptance of the Steketee Trophy at the North American Awards Banquet. This trophy is awarded to the fleet having the largest percentage increase in new members. This came as a complete surprise and was a very satisfying end to all the work our fleet put into this regatta.

Noting that interest is at an all time high, we're hoping that the fleet's inflation rate will bring vigorous growth in the next four quarters, and keep the Steketee Trophy here next year!

The 1984 Gull Lake Lightning Fleet had an all-time membership high of 21 boats including three brand new boats. Included as new members are two former members of the Star Fleet, Bill Ticknor and Woody Boudeman. Other new members include Bruce Kramer, formerly of the Pontiac Lightning Fleet, Art Riley, and Dave Decker.

People who purchased new boats are Dave Hatfield, Dan Chappell, and Woody Boudeman.

Jack Engels again was the season's Fleet Champion for the fourth year in a row. However, Jack was closely contested by Dave Hatfield, who tied him on points. The tie was broken by Jack winning more head-to-head races. Bill Ticknor, Tick Ticknor, and Carl Engels placed third, fourth, and fifth, respectively. The Most Improved trophy was awarded to Dave Decker, who recovered very nicely in the last part of the season after some early season encounters with other boats.

The Turtle Trophy this year was awarded to Mike Rathbun, who had never capsized in his former boat. This season, however, with a new boat and a new crew, Mike was able to "turtle" four times in four different lakes.

Fleet 137 again hosted two regattas. The June regatta was won by Colin Park, followed by Clarence Holman, Dave Hatfield, Jack Engels, and Hank Hodgson. The September regatta was attended by a record 39 boats, expecting the usual breezy fall weather. Nature did not cooperate and the Sunday races were cancelled. Bruce Goldsmith was the winner, followed by Colin Park, Clarence Holman, John McCree, and Tick Ticknor.

We returned to the shores of Gull Lake for our annual Sail-to-Breakfast, graciously hosted by Bill and Carolyn Ticknor. We actually had two boats sail in, and several other sailors used motor boats as transportation. Everyone had plenty of food and conversation, which shows that we can have a good time while being one of the most competitive fleets in the district.

The summer of '84 will go down as one of the most competitive we have seen for Lightning sailing on Spofford Lake in a long while. There were five different winners in the first five races of the Championship Series held over the July 4th and Labor Day weekends. Bob Pinard, with sons Dave and Brian as crew, edged out Dave Fitch to become the 1984 Fleet Champion. The Fitches, last year's Fleet Champions, and the Pinards have been passing the Fleet Championship title back and forth since 1980.

Our youth contingent to the Junior Districts held at Massabesic sailed well. Tom Fitch, with his sister Laura and Laura Hale as crew, was the top Spofford boat finishing 2nd. Dave Pinard, with brother Brian and Jill Turner as crew, finished 3rd. Congratulations to Ken Deyette from Massabesic, our 1984 New England Junior District Champion. Ken sailed exceptionally well at this light air regatta. When not sailing Lightnings, Tom Fitch can generally be seen racing his Sunfish on Spofford Lake where, again this year, he captured the Fleet Championship. Congratulations to Tom and all our up-and-coming Juniors.

Dave Knight, last year's Runner-up Fleet Champion, was unable to race during the summer because of other commitments. We hope to see more of Dave and Debbie on the race course next season. The Gemmell family, in its 2nd year of Lightning ownership, demonstrated that Snipe and Sunfish experience can produce a winning combination in Lightnings. Some of our old timers saw more of the Gemmell transom last summer than we'd like to admit. Fitch Willey, perennial regatta weekend crash boat skipper, came through for us again this year. Wife, Winnie, pitched in and helped with the on-shore chores. The Coburns, with a busy summer schedule, helped out on regatta weekend. Thanks for bailing me out, Phil! The Hamblet boat saw quite a bit of duty during the season: Son Kip sailed the boat at Provincetown on Cape Cod; Fast Fred (Bud), with Pat McQueen and Don Brush Sr. rounding out the threesome, sailed at the Districts in Mallets Bay; Bud, with son Kip and daughter Gail aboard, sailed the Championship Series where they finished third; Kip, with crew members sister Gail, big boat sailor Jack Burwell (Saturday) and Don Barrett (Sunday), sailed the Spofford Regatta where they captured fifth; and Bud, with the Pinards as crew, spent a beautiful sailing weekend at the Connecticut Governors Cup Regatta highlighted by a memorable final race where good ole 11346 and two other boats extended their lead on every leg finishing a quarter of a mile ahead of the 26 boat fleet. It's moments like this that keep us coming back. Pat McQueen and family traveled to "P-Town" and Massabesic this year. Pat, in his 2nd Lightning season, was clearly the most improved sailor on our lake this past season. It goes to show you that dedication and hard work pay off. Fred Turner was a regular on Spofford Lake in '84. Since his youngest child, daughter Jill, has left the nest for college, Fred, along with many of us, is suffering from LOC (that not so rare disease known as lack of crew). It was good to see Spofford Lake master sailor, Len Pratt, compete in the Championship Series and New England Districts this year. The Pratts, Rob and Len have a beautiful new boat which we hope will help revitalize the Lightning class. It was also good to see the whole Pratt clan — Leonard and Florence, daughters Bonnie and Joy, and sons Rob & Craig — at the Spofford Fall Regatta.

The season ended with our 23rd Annual Spofford Fall Regatta over the weekend of September 23rd and 24th where the weather cooperated, especially on Sunday. Thirty-one boats, from among our many friends in the Northeast, joined us for New England's final regatta of the season. Dick Hallagan, a regular attendee and winner at Spofford, came from behind to notch the top spot again this year. Ray Harrington from Lake Bomoseen took 2nd, losing to Dick on a tie breaker. Spofford's own Dave Fitch was third. We thank our many Lightning friends for supporting our regatta each year.

Word has it that the fleet will be gaining another boat, possibly two, next year. The outlook for Fleet 145 is good for the foreseeable future.

Why not plan an extended weekend getaway on the 21st and 22nd of September 1985 to sail at Spofford and take in the fall foliage? Peak color in late September is just about one hour North of Spofford on Interstate 91. You are welcome to store your boat in our drysail lot before and/or after the regatta if you decide to become a Leaf Peeper this year. Just drop our Fleet Secretary a note, his address is in the back of this yearbook.

Mario Buckup and his crew Michael Morris, Joaquim Feneberg won the national championship, sailed in Florianopolis, and also won the South American championship, sailed in Sao Paulo Lake Guarapiranga and organized by Fleet 147 and 462, with participants from Argentina, Chile and Peru. We had a good wind and a big confrontation by the participants. Congratulations to Mario and crew.

Next year the national championship will be held in Rio de Janeiro, by the Jarduin Guanabara Club, and we expect a big participation from our Fleet.

After a slow start, Fleet 150 steadily increased its race participation with established skippers competing regularly, and a couple of new members taking on the challenge of racing.

For the 12th straight year, the Fleet Championship (principal series), was won by Burt Preston. Burt was undefeated for the season, again causing the "Also Rans" to consider resorting to some kind of underhanded techniques or downright sabotage in order to Beat Burt!! Bill Woodrow was runner-up and Ed Brennan finished third.

The Sunday A.M. Series was won by Bill Woodrow, with Ed Brennan second and Don Walter in third place.

Bernie Dillon took the Wednesday P.M. Series Trophy with Ed Brennan as runner-up, and the Fall Series wound up in a tie between Burt Preston and Bernie Dillon.

Burt Preston also won the overall Mansfield Club Championship this year, making that title his for the 12th consecutive time.

Of interest to many Lightning sailors throughout the association, our elder Statesman/Skipper, Tom McDermott and his lovely bride Thelda, celebrated their 50th wedding anniversary this summer. Tom says that Thelda is the best crew he could ever have selected. He has started that due to her light weight, she was not totally effective hiking out in heavy air! These two fine Lightning sailors entertained many friends at a reception in their honor in August. As you may or may not know, Tom McDermott held I.L.C.A. offices for many years and also authored several books on small boat sailing and racing.

1984 was a good year for Fleet 150, it is generally felt that our fleet is on the edge of a new era, due to the increased interest in racing, plus the new and enthusiastic members we've acquired. We welcome all Lightning folks to visit us at our club on the beautiful Clearfork Lake.

May your spinnaker never twist....unless I'm behind you!!

Goldsmith, Melges, Buckingham, Swihart, Gibson were just some of the people who contributed to make the 49th summer season at the Wawasee Yacht Club a large success.

The club is indebted to Bruce Goldsmith and Buddy Melges for participating in a sailing seminar co-sponsored by our yacht club and the Wawasee Boating Association. It was a windy day in mid-June when Bruce and Buddy shared many of their insights into sailboat racing. On the day following the seminar, both Buddy and Bruce sailed on various members' boats during the races which helped improve our own technique. We send a big thank you to both of these gentlemen.

A tremendous duel developed between George Buckingham and Commodore Kieth Swihart for the season's championship. Keith developed a large lead at the beginning of the season, but George whittled away at the lead until the last race weekend of the season. The issue was settled by Buckingham taking two firsts and the cup. Keith Swihart's early build-up of points brought him the coveted Cynthia Cup. Doug Schmahl was third, John Nixon was fourth, and Bill Stucky was fifth to wrap up the season. Gordon Medlock won the Commodore's Cup.

The Memorial Day Series was taken by Buckingham, with Swihart second and Schmahl third. Swihart won the July 4th series with Buckingham second and Medlock third. Schmahl showed the way on the Labor Day races with Swihart and Buckingham in pursuit. Mrs. Paul (Eva) Penn won the woman's award for the season.

The "Hoosier" this year was held on the first weekend of October. A large turnout of Michigan and Ohio boats had great racing weather and a fun time. Bruce Goldsmith took this huge trophy with Matt Fisher second, and Colin Park third.

Jack Gibson and his wife Ann started our social season with a great July 4th party for all the kids of the yacht club and their guests. There were plenty of team races, good food, and lots of fun. Good job, Jack; the kids won't forget this 4th for a long time. The Swiharts, Boergers, Troutmans, Anglemysers, Gans, and Yaggis participated in Husband and Wife sailing on Wednesday evenings and a good time was had by all. We are sorry to see John and Karen Call leave the club for a couple of years of cruising, not only because they are great people but also because we wish we were going with them.

Next year marks the 50th anniversary of the Wawasee Yacht Club. We are looking forward to another fine season and do hope you will join us for the "Hoosier".

Even though there were only four boats racing actively in our fleet during the 1984-season, we did, however, accomplish good results.

The best performances were shown by Terho Aromaa winning the District Championship with his boat *Masi III* and by Kari Maenpaa reaching the 6th score in the Europeans held in Pori, Finland.

We have lost active members during the last few years. However, as we know the advantages of Lightning and the good spirit in our class we do believe in gaining new members to our fleet already next summer.

Looking forward to an active 1985 season we hope to see our good friend Mrs. Audrey Matteson from Lake Geneva Sailing Club here again.

13611	Smooth As Silk	Roger Kessler

The 1984 sailing season was anticipated at a Lightning Fleet combined organization meeting and party at Bill and Pattie Quaintance's house on March 9. After a delicious buffet dinner, the meeting was held and fleet officers were elected. In addition to the election of Fleet Captain and Secretary, Reed Doughty was elected to be the Race Committee Representative and Jeanne Steffenson, Fleet Scorer.

The actual sailing season for Lightnings at Lake Davenport Sailing Club this year got off to a very slow start. Because of a very swift current and a lot of rain in May and June, there was no Memorial Day Series, and the Fourth of July Series was called off because of no wind.

The current was still something to be very carefully reckoned with as late into the season as June 17. On that day, Reed Doughty's boat turtled and broke a new mast less than an hour old. Jim Flick sailed to the rescue and also turtled. Although the crews were rescued, the Flick boat was carried downstream and ended up on the roller dam No. 15. It was later rescued and salvaged with less damage than was to be expected. A total of ten races were sailed in the Summer Series. First place winner was Mike Steffenson; second, Bill Quaintance; third, Ken Jensen.

At the annual Founder's Day celebration, July 21 and 22, three races were sailed with Doug Steffenson taking first place.

The Commodore Series, which is sailed on alternate Sundays with the Summer Series, did not begin until July 8 this year because of the river conditions. After the ten races were completed, Mike Steffenson was in first place; Ken Jensen, second; and Bill Quaintance, third.

The Labor Day Series of five races marked the end of the summer and the beginning of fall sailing. Doug Steffenson won this series of one race on Saturday, two on Sunday, and two on Monday.

The Fall Series, which ended the last Sunday in October, actually saw the best sailing weather of the year. Results were: Mike Steffenson, first; Bill Quaintance, second; and Ken Jensen, third.

The highlight of the Lake Davenport sailing season is the Polar Bear Regatta, held this year on September 22 and 23. Fourteen Lightnings sailed three races, all on Saturday, in light winds and drizzling rain. Sixty-five sailors were served a barbecued rib dinner on Saturday evening at the home of Mike and Jeanne Steffenson. Regatta winners were: First place, Gene Matthews of Lake Geneva; second, Brian Phelan, Green Bay; third, Greg Florian, Decatur; fourth, Bill Sims, Green Bay; and fifth, Doug Steffenson of Lake Davenport Sailing Club.

The Mayor's Trophy is awarded at the Polar Bear Regatta to the highest-placing local boat that is not one of the top five, and was won this year by Bill Quaintance.

13067	Numany	Jean-Claude Dupasquier
13840	Chiloe	Gilbert Despland

For this year, the number of boats and members will stay the same as we find it very difficult to have new sailors buying Lightnings.

Our fellow member Gilbert Despland with his new boat *Chiloe* 13840, the one he bought at the 1983 Worlds in Ischia, travelled in Italia and was the only very active member of the fleet.

This year we had three crews registered at the Swiss District Championship which was sailed during September at Grandson on Lac de Neuchatel. *Garoupa*, with Claude Lambelet as skipper and Jean-Claude DuPasquier and Annika Lambelet as crew, finished fourth. Unfortunately the mast of Gilbert Despland's boat broke due to turnbuckle failure.

As usual we have closed the 1984 season with our fleet championship and

Regata Fondue sailed on 10th and 21st October, in front of Port du Nid-du-Cro. The weather was good and we were able to race three races. Hans Peter Schmid was the winner with Urs Wyler as second and Gilbert Despland third. Claude Lambelet capsized with the spinnaker during the second race.

Here are the results: 1st-13692-Schmid, 2-9 pts; 2nd-13790-Wyler, 3-2 pts; 3rd-12572-Despland-9-6 pts; 4th-13161-Schar-10-9 pts; 5th-12860-Lambelet-16-5 pts; 6th-12951 Perret-17 pts; 7th-13074 Weilenmann-19-5 pts.

Next year the Europeans will be sailed in front of Grandson at the other side of Lac de Neuchatel.

1984 was a great year for Fleet 173. The addition of new fleet members Pete Pierce, Gene Kelly, and Bob Seybold at the outset of the racing season and Jim and Nick Nicolini at the conclusion, has gone a long way to improving the overall level of fleet competition. This year's club races were hotly contested with no race won easily. All types of conditions prevailed, from heavy air in June and early July to light to moderate air in August. When the dust settled, the final standings were: first 13772 Glen Reitinger, second 12873 Dave Coward, third 13572 Pete Pierce.

Several boats travelled this season and fared well in the outstanding competition provided by the rest of the Central Atlantic District. Dave Coward won the first Long Beach Island Yacht Racing Association Annual Regatta. Glenn Reitinger, Pete Pierce, and Dave Coward swept the Little Egg Harbor Yacht Club Annual Regatta. Glenn Reitinger, Bob Seybold, and Dave Coward were 1, 2, 4 at the Surf City Yacht Club Annual Regatta. Glenn Reitinger finished tied for third at the Manahawkin Bay Cup Regatta.

Next year should prove very interesting for Fleet 173. With the addition of the Nicolinis to the fleet and Dave and Ed's new boat (due early March), the level of competition can only improve. Also, Brant Beach Yacht Club will host a cocktail party and dinner for the 1985 World's participants as well as the Class's annual meeting on Monday night 17 June 1985.

Many thanks again go to the crews who spent quite a bit of time and effort every weekend and the BBYC race committee chaired by Joe Serrill.

Fantastic weather, great sailing, social events, year 'round sailing, competitive racing and great people — these are just some of the characteristics you'll find in Fleet 194. Add a second year of phenomenal growth to 22 paid up members and you have a super fleet — one of only 3 U.S. fleets to increase their membership over 20%.

The racing season got off to an early start with Scott Finkboner winning the Frostbite Series with Kirk Johnson second and John Sundsmo third on February 12. Al Poindexter won the Sloop Regatta with Kirk second and Scott third. Kirk sailed a beautiful ocean series Feb. 18 & 19 while winning the SCYA Midwinters. Al finished second, followed by Mike Brewer, Scott, and Myron Lyon. Scott won the short course regatta Feb. 26th.

Thirty-five members of Fleet 194 and 102 travelled to Mammoth Mountain March 2-4 for three days of fantastic skiing. Cindy Salerno and her friend showed off their expert skills and tricks. Scott won the winter series March 18 & 26 and the Sloop Regatta on April 8.

Our major regatta of the year — The California Circuit — April 15-20 was a great success. Fourteen boats from San Diego, Santa Monica, and San Francisco Bay met great weather, numerous parties and dinners and very competitive racing. Scott won with consistent sailing followed by Warren Gross, Kirk, Mark Patty, and Bruce Arnold.

Traveling to San Francisco May 12 & 13 for the Hard Chine Regatta, Scott placed third behind Tim Barnes and Mark Patty.

John Lyon won the Spring Cachuma Regatta at Lake Cachuma May 19 & 20 sponsored by Fleet 102. Warren Gross was second and Mark Patty third. Scott won the Memorial Day Regatta with John Lyon second and Warren third. Warren won the Club Regatta June 2-3.

June 10 inaugurated the opening of San Diego's lakes to sloop sailing with the city of San Diego sponsoring a regatta for Mission Bay Y.C. at Lake Miramar. Scott won followed by Fred Grant and Larry Swearingen.

New fleet member Mike Hein prepared for the District's and N.A.'s by winning the Coronado Y.C. small boat regatta June 16 & 17 and the Firecracker Series July 1-4.

17 boats participated in the District Championships June 23 & 24 at Mission Bay. Mike Hein sailed a consistent mistake-free series to edge Warren Gross in the last race. Kirk was third, John Lyon fourth and Mark Patty fifth. Seven of the top eight boats would later go to the North Americans in Seattle.

Kirk won the Sundowner Series August 5 while Larry won his first series — The Twilight Thursday's of August.

The big event in August was the North Americans in Seattle. The most entries since San Diego hosted the 80's in San Diego saw Scott qualify for the Blue Fleet, John Lyon the Green, and Kirk, Warren, and Mike Hein the Yellow Fleet.

August 25 & 26 saw the Thistle Fleet challenge the Lightning Fleet using the Portsmouth handicap. They wish they hadn't with the Lightnings taking first, second, and fourth.

Scott won the Labor Day Series, Sept. 3, the Fall Series, Sept. 16 & 30, and the Billie Boswell Memorial at Lake Cachuma Sept. 8 & 9 for the second straight year. Kirk finished second in each. Kirk won the Bowen Memorial Sept. 22 & 23 going away, with Wendell Harter second and Scott third.

In October, Scott won the Hurricane Gulch Regatta in Santa Monica Oct. 6-7, and the Coronado Y.C. Invitational Oct. 20-21, with Kirk finishing 2nd in each.

As of the writing Scott is leading for the Fleet Championship with two club regattas to go.

Once again, Fleet 194 had an excellent year in all respects. We invite any and all Lightning sailors to join us anytime for racing or socially, whether you're here on business or pleasure. We look forward to a Great 1985! Plan to attend the California Circuit March 31-April 5th!!

Each year the Surf City Yacht Club presents the Adon Horsley Memorial Sportsmanship Award to the member who works the hardest toward advancing the sport of sailing and displays the qualities of exemplary sportsmanship. Fleet 196 is honored and delighted that this year's award went to our friend George Schmidt, owner of Lightning 11122 *Punch*. Actually, we can't remember the last time George has skippered a race because each week he takes a pair of our young novice sailors (and sometimes our older ones, too) out onto the race course and teaches the finer points of skippering and crewing. We were lucky this summer in that if a crew was needed for a race there was always a good one nearby. It seems they've all sailed with George at one time or another. George also makes and repairs sails as a hobby, and many of us have been saved by his sewing machine when a torn chute had to be fixed in a hurry. Thanks, George, and congratulations!

Fleet 196 is gearing up for the Lightning Worlds which will be held a whopping seven miles away in June. We are looking forward to assisting the good people at Little Egg Harbor YC who are consummate professionals when it comes to running a regatta. As of this writing, Jack Elfman and Ralph Messersmith appear to be next in line as alternates on the basis of strong performances at the North Americans and we hope they have the opportunity to compete—especially since the transportation costs are so reasonable!

This year saw the birth of the Long Beach Island Racing Association which is comprised of all yacht clubs on LBI with racing fleets of any kind. A very successful regatta was held in August in which each class was assigned to a yacht club for the weekend. Surf City hosted the Lightnings which was won handily by Dave Coward of Brant Beach. Dave won the first two races before a lack of air cancelled the rest of the series.

Jody Lutz of Metedeconk proved again that he likes the friendly confines of Manahawkin Bay by winning both the Districts and the Manahawkin Bay Cup. The Surf City Annual was won by Glenn Reiting of Brant Beach. Bill Clausen took the Fourth of July series and the Fran Temme/Tim Robinson connection captured the Labor Day series. Fran also won our Commodore series while Tim repeated as Fleet Champion.

We were delighted to have Larry Stanley join our fleet this year, and despite a shaky start, he came on strong enough toward the end to win the Most Improved Skipper Award. We fear that his pink transom will become more evident as time goes on.

We are happy to report that all three Lightning fleets on Long Beach Island have turned the corner and are growing once again. Our neighbors from Barnegat Light and Brant Beach will occasionally drop by to race with us and we are delighted to see this happen. We hope this habit grows. It was a fun summer and we look forward to more of the same next year.

A warm winter to all....

We had a great season at Fleet 215 this year. The high level of participation was enjoyed by all and the sailing competition seemed better than ever. Throughout the various special events and the Tuesday evening races, we had a wide range of winners. However, when all was said and done, there is no doubt that Jay Mann, Perry Owen and Walter Gregory were the CHAMPS. They clearly led the fleet and went on to win the Club Championship which conveniently for them was held in Lightnings — all in all a great showing!

The Canadian Open was held in Toronto in July. Unfortunately, out of six scheduled races only one was held and consequently the whole effort was rather disappointing. Nonetheless, we are happy to say that Billy Layton from our fleet ended up third Canadian and earned participation in the World Lightning Championship which is to be held in 1985.

We are happy to report the Lightning Class is the most active one-design fleet at the Royal St. Lawrence Yacht Club and there is a great deal of interest amongst other sailors in our club at our success. Our enthusiasm is contagious and as a result we are hoping to add several new participants to our group for the 1985 season.

The sailing season for Fleet 216 ended September 12th. Sailors had an opportunity to sail in over forty scheduled races this year. The length for each race ranged from three to seven miles.

After the scheduled Wednesday night race on August 15th, over 50 people enjoyed the hospitality of our annual picnic.

In July, we hosted the Michigan Districts. Thanks to Al Peloquin for heading up a great race committee. Clark and Ruth Howell and Dan and Linda Cline arranged the social activities which were enjoyed by all. One of our Fleet members, Colin Park, won the series.

The season's final standings are as follows: Colin Park, John McCree, Joe Disette, Jim Schfield and Steve Swanson.

Sunday's series standings are: Ruth & Clark Howell, Chris Hesse and Jim 'Doc' Gilbert.

We all enjoyed a fine season sailing on Saginaw Bay. Next year we hope to find a little less wind on the race course. It seemed like most of our races were in 15-20 mph winds and 2'-3' seas.

Good sailing in '85!

The Lightning Fleet enjoyed a great season, in spite of some variable weather patterns. The first race of the season was the Apple Blossom and Averill Cup Race. Winning this were first, David J. Parker; second, Leonard Montague; third, Frank Beadel.

The Barnes Memorial Race was sailed next. The plaque presented by Helen Barnes Jewell in memory of her brother, who started the Lightning Class, went to first place winner Richard B. Stevens. Second was John H. Treadwell, II, and third, Dr. Gerald Bezner.

Commodores Cup Race, which was also one of the Lightning Sunday Series, was won by John H. Treadwell, II; second was Frank Beadel, and third, Richard B. Stevens.

Picksley Ramble, a race for all sailors of the Club on a handicap basis, an event which saw three of the seven Lightnings locate the shoal off Bass Island, was won by John (Jay) E. Jones, III in his first skippering effort in a Lightning; second, John Treadwell, II; third, Richard B. Stevens (sailing singlehanded). The Lightning Sunday Series held 14 races over the course of the season to determine their Club champion, and had 12 boats participating. It took six of the eight weeks to determine an eventual winner, as the evenly contested affair produced six different skippers winning during the season. Going away with victories in the final five races and winning the coveted Lightning Plaque was John H. Treadwell II; second, Leonard A. Montague; third, Edward F. Beadel; fourth, Richard B. Stevens; and fifth, Dr. Gerald Bezner.

The Stoney Island Race, shortened to Lime Barrell due to inclement weather, was 1st, Richard B. Stevens; second, Dr. Irwin Stone.

The Frostbite Race, the Fall Classic, and the season's final race, 1st, John H. Treadwell, II; second, Frank Beadel; third, David Parker.

The season ended for the Lightning Fleet as it began — with a business and social gathering, including all Lightning sailors, skippers, spouses and friends. The social gathering got the season off to a great start and also wound up the season with fun, review of past races, pictures, and socializing.

Even Lightning fleets must have their lucky stars! We have always been blessed with the best of sailing conditions all year long and friendly, competitive fellows with whom to share them and now this: Our own Becky Martin, may, by the time this is published, actually be in possession of a grand prize, indeed—none other than a new Lightning, courtesy of the recent ILCA raffle. Congratulations to her and thanks to the Class for such a fantastic promotional idea!

As our 1984 sailing season got underway with the Coconut Grove Sailing Club Annual Regatta held on October 22 and 23, 1983, the prestigious *Chris Young Memorial Trophy* was awarded to Dave Helmick, Reid Hutchinson and Libby Martin for their first place Lightning finish at this event.

The Fleet champion, Dave Helmick, presented with the *Charles P. Beedle Trophy* by Betty Beedle, Fleet 226's only life member, runner-up "Florida Fay" Regan and 3rd place finisher for the 1983 season, Fred Hutchinson, Jr., were duly honored at the Annual Christmas awards party, which was graciously hosted once again by Carl and Mary Lynne Young in their seemingly indestructible home. Oft described on these pages, this "definitive" party saw the past year out amidst the frolicking only sailors seem to be able to achieve. For conspicuous consumption of quality quaff, the "Bronze Bottle" was awarded to Knute Young, while the gaudy but useful "Golden Bucket" was added to the equipment inventory of Eric Stibitz's *Joint Venture*. Most Improved Skipper for 1983 was "Florida Fay" while the Sportsmanship Award went to Rick Pellecchia, who was also 1st overall in "B" fleet.

We were once again honored by the presence of the 1984 Miami Midwiners competitors as they gathered at the Coconut Grove Sailing Club to partake of the steak Bar-B-Q annually organized and prepared by Fleet 226 members and hosted by the CGSC. By now this affair is firmly entrenched in the traditions of the Southern Circuit and we're glad that everyone keeps coming back!

A new addition to our racing slate in 1984 was the Florida Junior Championships, sailed in Lightnings in the most incredibly beautiful weather we were having on April 7th and 8th. Under a program that provided for the owner of the Lightning to serve as crew to a team of junior sailors, Fleet 226 was proud to have been able to cooperate with District Commodore Fay Regan in attracting some of the more talented youths in our area to the joys of Lightning sailing. In first place was Mark Eldred and Robin Van De Kreeke with Willie Bonilla and Tim Hamilton second. In third place was Joe Logan and Eric Carlson. A super effort on the part of the race committee, club employees and boat owners produced the desired results, as more and more of our younger crews are turning to the Lightning to satisfy their competitive cravings. Soon they'll be as addicted as we are!

We're hoping to cross tacks often this year with as many of our out-of-state friends as possible, and wish everyone a happy and successful 1985!

With the dropping of colored maple leaves comes the fall of the spars as Fleet 227 takes a long winter recess.

Our season casually opened on May 20 and found only the Marx and Westcott crews braving 50 degree waters. No race that day. Sunday, May 27, found nine of our ten possible boats at the start for our first official opener.

From then on, we had excellent winds until the doldrums of mid-August. We finished our season with moderate to heavy air on September 9, completing 20 out of a scheduled 22 races.

Fleet 227 hosted the Vermont-New Hampshire series this year. The race headquarters were located at Bill and Jean Potter's private marina. Good food, drink, and rock 'n roll predominated as old time D.J.'s, Bev and Don Tredin spun disks far into the night.

The VT-NH series featured a huge triangle course with an island obstacle and was set up by Sam Stowell. The winning boat was skillfully handled by Kurt and Amy Kling and Bob Lee from "up north". Second place went to the Harrington trio.

Two boats from our fleet, the Bagleys and the Harringtons, were successful in "off the lake" competition in Massachusetts and New Hampshire.

Fleet 227 welcomed the addition of Hans Malz, who left Solings to skipper Lightnings.

We are looking forward to an additional boat next year, and, of course, another summer of sun and wind.

The sailing season this year was short, due to high water in the spring and lack of winds in the fall. Fleet 252's season was short which made the races that we did that much more enjoyable.

Our annual Champagne Regatta was a great success. There were many sailors from many locations. A lot of travelling was done to reach our fine hideaway in the finger lakes. We planned on 5 races and completed three. Saturday turned out to be a lazy day with no wind. Bright and early on Sunday, after much merriment and champagne the night before, the skippers and crews succeeded in racing three good races.

Fleet 252 had a fall party during which new officers were elected. Officers Pete Gamba, Jim Alpha, and Barbara Synder passed on the gavel to Gerry Levine, Fred Schaaf and Gladys Pitbladdo.

All and all, the sailing season was a success...good fellowship, good sailing when there was wind, and a good regatta.

Lightning Fleet 253's racing season started in 1984 by sending three boats to the S.S.A. No Gas Regatta in Annapolis, MD.

After tuning up with S.S.A. and others from the Dixie District we began our Spring Series. Wind was hard to come by, and most Sundays saw the Captains and crews waiting for the Sunday lows to move on. As the sun climbed higher and the wind began to increase, Barry Dunwoody's *Singing Whale* moved fast enough to win the Spring Series with Star Mikell coming in second.

The Memorial Day Regatta launched the Summer Series. Of the six boats on the line, Fred Bush finished first with Barry Dunwoody in second.

After four more Series races, the 4th of July Regatta saw Barry Dunwoody and *The Whale* gliding in first with Henry Anstadt second.

Eight weeks later with suntans darker, tempers considerably shorter, and the thermometer rising, Fleet 253's Lightnings were fine tuned to near perfection. Blowing into first place was the *Yellow Boat*, with Starling Mikell and crew of Hela Roediger and Star III.

As in all summers past, September's lengthening shadows drew us nearer to the Annual Pennsylvania Governors Cup. If Dick Hallagan was to successfully defend the cup he would have to be prepared.

Not since Bob Wardwell had prowled the waters of the Susquehanna had the cup left the state. Then in 1983 the *Sleek Grey Ghost* from New York's Irondequoit Bay, sailed smartly away with the prize.

Hallagan returned to compete against 10 other boats, and with a 1-2-1 made it two consecutive wins. Al Mast of Sassafras River was second with Dick Rose representing S.Y.C. third.

The majority of our sailing season this year was sailed in light to moderate winds. Our Series races saw us with 5-6 boats each Sunday. Competition was keen among those who sailed.

We regret having to say goodbyes to Randy Blough (9924) and his wife Debbie, who have been transferred to New Jersey. (It's not too far from Riverton, Randy).

After 28 years of Lightning competition Edwin Schwoebli has decided to heave-to-and retire from the racing scene. We will miss seeing the *Rainbow IV* on the starting line, Ed.

We are looking forward to 1985, and to adding some competition. Col. Holden and Curt Ashenfelter look ready. Should be FUN!!!!!!!

Fred Bush, on his way to a first. Starling Mikell, and Charlie Hoble, round out the front three.

The Augusta Sailing Club Lightning fleet had an active season during 1984. Eight local sailors participated throughout the season starting with the Lightning Invitational on April 28, followed by the spring series, the summer series, then ending with the Halloween regatta on October 14.

The Invitational was attended by 15 boats representing sailing clubs from Georgia to Michigan. Three races were sailed over two days in light and shifty winds. Bill Sloger, Rick Ferguson and Del Foster took the first three places with William Jackson finishing fourth as the top local sailor.

A SAYRA racing clinic is planned for the spring of '85, and the fleet is looking forward to another active racing season.

Season's over, the boats are all put away till spring (or for some until it's time for the Southern Circuit) and the thoughts are turning to the holiday season. What new go fast gadgets will appear under the Christmas tree for next year? New sails? Ratchet blocks? Maybe even a new boat, right Augie?

Wow! Where did this season go? Fleet members Lal Burridge, Danny Moriarty and Scott Zerban got a jump on everyone else by heading south in March for the Southern Circuit. Although no spectacular finishes were reported, this writer understands that a good time was had by all. Unconfirmed reports suggest these three will do it again in 1985.

The 1984 District Championship was hosted by Fleet 266 on Carlyle lake which provided an ample supply of wind for the regatta. After the capsized were uncapsized, and the spray had died down, the top five finishers were: Bob Wardwell-first; Brad Currie-second; Scott Zerban-third; Greg Florian-fourth; and Don Sherburne-fifth.

In the middle of the hard-fought club races Lal and Matt Burridge along with Scott Zerban took their boats and crews and headed for Seattle and the North Americans. Scott Zerban with his brother Rob and Mike Frerker as crew sailed to an eighth in the Jr. N.A.'s. However the best was yet to come. After Danny Moriarty joined Scott and Rob for the N.A.'s this dynamic trio sailed to a first place in the yellow fleet and brought the Governors Cup home to Fleet 266. After returning from Seattle Rob Zerban turned the tables on his brother Scott and took first at the Jr. District Championship hosted by Fleet No. 486 at Vally Sailing Association. Scott Zerban was second and Bill Baxter Jr. finished third. So much for brotherly love!

Two more regattas which should be included in this report are the Impromptu and the Whale of a Sail. John Moreley, who usually crews for Matt Burridge, took the tiller for the Impromptu and promptly showed everyone he also knows how to steer by placing first. Scott and Rob Zerban coaxed their dad from the cockpit of his Sonar long enough to contribute his almost forgotten knowledge of Lightning sailing to a second place finish for Scott Zerban. Lloyd Irish, of Decatur Fleet 74, demonstrated his skill by placing third. During the Whale of a Sail regatta, Augie Paoli reminded everyone that he is still a threat to be reckoned with when he finished first. Second place went to a Wisconsin boat who is unknown to this writer. Third place was captured by our own Stuart Bernstein.

This sums up the 1984 sailing season for Fleet 266. This 1984 season brought many new experiences, from Seattle to St. Pete and who knows how far it will reach next year. Let us all hope it will be as exciting as this year was!

During the winter time one of our boats went through an extensive rebuilding. Her construction of a glassfiber hull and wooden interior did not stand our cold and damp climate. After ten years especially the flotation tanks made of plywood were badly rotten. The wooden interior was removed and replaced by fiberglass inner hull and deck. It took many frustrating months to get skilled craftsmen to do the job of creating a hybrid

of a ten-year-old Ylarakkola hull and a new Pilotmarin inner hull and deck, but the result was a good-looking, stiff but heavy boat, the overweight mainly being due to the original hull.

The boat was still unfinished when we arrived at Vammala for the Districts. We spent a couple of very busy days and nights bolting the fittings in places and enjoying lots of sympathy and friendly comments on our boat-building show. Our dear friend, Audry put it to words: "You guys are fantastic!" (We love you, Audrey!)

We finally got *Melanie's* face-lifting finished, and got her into the water for the first time. A postponement due to lack of wind saved us from missing the first start, but the final result for *Melanie* was a well-deserved Jumbo prize. Osmo Savola, our Fleet Captain, did much better and was tenth.

We then moved on to Pori for the Europeans, where we got one of the District Champion crew, Jari Aromaa, to crew for *Melanie*. We managed to beat some boats and were 27th. Osmo was 20th.

Our fleet had a District ranking regatta at the start of the season. Six boats participated, the top three from Helsinki: Unto Maenpaa, Hartti Nisonen and Terho Aromaa.

Next summer we hope to have a District ranking regatta at Hamina. Welcome you all!

Don Brush wins the Travel Award this year. Although his mom and dad drove the boat, Don and Ann did make St. Pete and Seattle. Don also went to Newport, all with excellent results.

Our fleet activities culminated with the Northeast Districts. It was amazing to see how easy it is to run a good regatta when everyone pitches in. Stu Nickerson finally pulled it off by avoiding the *Big Tank*—(Three bullets and a fifth). Don Brush was second and Mallets Bay Boat Club had four of the top 10.

Dave Powlison had an excellent debut in Lightnings and John Reynolds has bought a Brush Lightning so we are expanding, although we can always use more boats and crews.

Series results: Series A: Kling, Brush, Powlison. Chiott Regatta: Hubbard, Cox, Fastiggi. Race Week: Hughes, Zeiner, Fastiggi.

It was nice to see some of our younger sailors getting a chance at the helm. Brian Hughes showed us his transom several times in the fall regattas. We hope to see more of these folks next season.

The major occasion to Finnish Lightning sailors in this summer was naturally the European Championship, which was held in July by Pori Lightning Fleet. But naturally there were also many races by our own fleet. Unfortunately in our own races were there no visitors but we hope to see you in the next summer.

In our fleet championships there was no doubt of the winner. *Pohjan-Akka*, crewed by Aulis Naykki, Harri Raikamo and Reijo Ilmastic was clearly best. The most favourable surprise was *Wilma* (skipped by Seppo

Posti) who won one race and took third place in total points. Seppo has sailed in Lightnings over 20 years ago and now he has come back to Lightning competition.

The most successful sailor, however, has been Heikki Ulen with his *Viiivi*. In the Finnish Championships he took fourth place among 23 boats. *Viiivi* was also the first boat from our fleet who had won a race in the Districts. She was crewed by Erkki Puupera and Petteri Haggstrom. To the European Championships took part three of our boats. Heikki Ulen was 17th. Other participants were Aulis Naykki with *Pohjan-Akka* and Kari Anttila with *Desiree*.

In the next summer we have a reasonable duty to organize the District Championships here in Kemi. We hope to see all Finnish Lightning sailors here and we promise that it will be a big event.

This year's results were pretty sorted around. The early series was won by Jim Ganley, with Al Mast second, and Howard Edson third. Jim also won the Summer Bay Race, while Bob Horne and Jim Hopkins finished close behind.

The late series saw Al Mast edging out Jim Ganley for first place, and Tom Hopkins wound up third. Jim came back to win the Fall Bay Race, with Howard Edson second, and Dave Horne third.

Special trophies went to the following: Walbert Cup — Jim Ganley; Buss Neff Cup — Tom Hopkins; Skipper's Cup — Al Mast; Commodore's Cup — Jim Ganley; Taylor Cup — Al Mast. The Stardust Trophy was won by Jim Ganley, and Chas Witomski becomes the caretaker of the Butt Award. Finally, the Matlack Trophy Race was won by Tom Hopkins, with Jim Ganley second, and Bob Horne third.

Several of our members raced in various events around the district, distinguishing themselves as usual. However, top acclaim must go this year to our resident Fightin' Irishman, Ted Ganley, who helped Bob Wardwell sail to a tenth place finish in the Blue Fleet at Seattle.

Rounding out a very fine season was our second (non-annual) invitational regatta for the district, won by the ubiquitous and peripatetic Steve Bachman.

The 1984 season saw our fleet on the rise once again. We added two more skippers, Pal Littleton and Hal Grosh and saw renewed interest from past fleet member Lloyd Alexander. Our fleet races had from seven to nine boats on the line every week. By next summer, if rumors can be believed, we should have anywhere from twelve to fifteen active fleet members.

The 18th annual Governor's Cup was held on June 2 and 3 with 27 participants. High winds forced postponement of Saturday's races to Sunday and convinced us to start the cocktail party in the afternoon. As usual everyone had a great time and even managed to drag themselves out of bed for Sunday's 8:30 start. The wind died to a near calm Sunday, giving no one an advantage. Steve Bachman of S.S.A. finished first, with Jack Huntsman of Riverton Yacht Club, Joe Friebele of S.S.A., and Denis Farley and John Brewster both of Monmouth Boat Club in second, third, fourth, and fifth respectively.

Three weeks later on June 23, 24, and 25 we hosted the Dixie Districts. Rehoboth skipper, Fred Mertes was able to bring the trophy back home for the first time in many years. The famous capsizes was captured on film for all to see — perhaps at the winter meeting? It was an unbelievable weekend wind-wise. Saturday and Sunday blew like stink and Monday dawned with light and variable winds. Second thru fifth places went to Don Delorme, Steve Bachman, Joe Friebele all of S.S.A., and Al Mast of Sassafras.

The Fleet Championship was held on Labor Day weekend with three races on Sunday and three on Monday. Dave Racine and crew Pam Racine and Mindy Marvel came in first, followed by Fred Mertes, and Tom Clark.

We officially ended our season September 15 and 16 with the Bob "Bo Bo" Purnell Memorial Fall Regatta. Fifteen boats competed in what has to be classified as perfect conditions — low 80's temperatures and 6-15 knot breezes. Steve Bachman of S.S.A. took top honors once again. Peter Jones also of S.S.A. finished second, with Tom Clark of Rehoboth finishing third.

Hope to see all of you in Rehoboth on June 8 and 9 for the Governor's Cup.

The 1984 season was another great year of sailing on Grand Traverse Bay. Our fleet has started to see a resurgence in activity. We now are getting from four to six boats on a starting line. We have seen a few members update their boats and equipment. Joe Bottenhorn bought a newer boat. Paul Davis updated his spar and sails. Dave Dykstra added a new spinnaker and some new paint on his boat. A new boat was bought by John Van Dalson. John's former crew, Remy Champt, bought his old boat. That's one way to get rid of the skipper! Now if we can just interest Remy's new wife in racing we will hopefully see more of him. Ahh, next year!

John Van Dalson was this year's hot-shot. John put together an impressive string of bullets. Upon talking with John I discovered some of his secrets: First, his new boat is valued at over \$12,000 (\$6,000 for the boat and a matching \$6,000 for his wife's new living room furniture). Second, his success was believed to be a part of keeping a very clean boat. Many days John could be seen washing his boat both top and bottom inside and out...in the middle of the bay. Nevertheless, John was quite fast. Capturing the Fleet Championship, he dethroned the champion of the past two seasons Jim Milliman. Jim was second in our Sunday series.

The fleet would also like to thank Garry Demarest for all his help this season. Garry is a new resident of Traverse City and was willing to crew whenever he wasn't running in foot races. "Enough is enough", Garry has said and will take delivery on a new boat next year.

Our invitational regatta was a great success with over 20 boats competing. We would like to thank the District for allowing us to change our weekend to later in the season. Our weekend had always conflicted with the Mackinac races, and also was the weekend after Districts. It is our hope that we can keep this weekend in the years to come. If so, we will continue to provide great sailing weather. Thanks. See you in '85.

Despite a lack of wind and the vagaries of what winds there were in a mountain setting, Fleet 332 had a successful summer. The competition was good. Four separate skippers won at least one race. This is what one design racing is about.

A special open class race of ten miles through the lake for the benefit of the Holderness Library attracted twenty-four boats including catamarans, cruisers — even a sunfish or two. The first four finishers were Lightnings. There is life in the old class yet.

We were pleased that Dwight Gertz joined the fleet this summer and sailed in a stimulating manner. By winning the last race of the season by four seconds, he won the coveted Closson Cup.

After a number of years of superb service and dedication to the fleet, Crecia Closson has resigned as fleet Secretary. Her duties will now be assumed by Boo Ayotte. The entire fleet is very grateful and appreciating of Crecia's help.

Fleet 335 completed another successful season of sailing. For the second year in a row, Dave Kunz won the summer series with Club Commodore Larry Murphy in second place. Third place went to Bill Clarke with Art Stetiz, Paul Wood and Jim Faus following in that order.

The Seventh Annual Weekend Regatta was won by Paul Wood with Bill Clarke second and Larry Murphy third.

The traditional inter-club races between Surf City Yacht Club and Barnegat Light continued again this year.

We were happy to see our junior sailors getting into Lightnings for a series of races on Mondays at Surf City Yacht Club with Brant Beach Yacht Club also participating. Fran Temme of Surf City is to be commended for

stimulating this activity. Hopefully these races will continue and be expanded next year.

Red Appleby bought the Club's wooden Lightning and is spending the Winter refurbishing it. We are looking forward to him participating.

Jay Pattison says he will be a serious competitor next year.

Our thanks go to our intrepid Race Committee, Harvey Burke and Don Haight. We appreciate their efforts in making our Saturday afternoons successful and pleasurable.

The wind was light and flukey. How light and flukey was it? Boats travelling through thick weeds often came to a dead stop. The sailing club Commodore placed an ad in the weekly club bulletin as follows: *LOST: 10-15 knot westerly wind. Missing for about a month of weekends. Please come home; we miss you. Signed — Shifty.* Consideration was given to erecting golden arches in the middle of the lake and bringing in Clara Pellar to chant "Where's the Wind?"

Jim Millard, with ace crew Nell Burrows and brougner Doug, drifted through the season to first place. Ghosting into second position was Walt Nial with crew Dale Brown. The Dunkin' Doughnut for "washing the inside of your boat in the middle of the lake" was won on one of the few breezy days, by our newest member, Ric LeBoeuf who also served as sailing club Commodore. Rumor has it that he was actually trying to do the club a service by reducing the ubiquitous weed population with his mast. Ken Buhrmaster, with new mast and sails acquired during the summer, was out-pointing everyone by mid-August, while Jim Dickson's relentless tuning brought him a solid third place.

Assuming the Wind God's return next year, the competition should be keen. Here's looking forward to bright sunny days and BREEZE.

Fleet 348 enjoyed a good season this year with a spring, summer and fall series consisting of ten races in each series. The winds were not always cooperative, forcing a few races to be abandoned, but overall, many great races were enjoyed by fleet members.

The races were primarily for second place for most fleet members. Ken Wallace's skill as a Lightning skipper could not be overcome throughout the year. Ken won first place in every fleet race he entered, and since he was also one of the most consistent participants all year, that was a lot of wins.

The rest of the fleet views this as the best and greatest challenge. Each has established a personal goal to beat Ken next year, and since he sets such a fast pace, each of us will be a much better sailor for having to work so hard.

The high point of the season came on October 6 & 7 when Fleet 348 hosted the Atlanta Cup Regatta for Lightnings, the final race of the season for the Southeastern District of the ILCA. This regatta brought skippers from Virginia, North and South Carolina, Tennessee, Florida, and Georgia, who enjoyed two days of great wind and great racing. After the points were totaled on Sunday, Bob Harkrider, of the Augusta Sailing Club, and his crew of Andrew Addie and Edred Benton took first overall for the regatta.

For some fleet members there will be some sailing and tuning during the typically mild winter season here in Georgia, but for others it will be back to refinishing and rigging in anticipation of the first warning signal next spring.

Again three teams of our Fleet took part in the 7th "Criterium Internationale d'Inverno" in Marsala. The Wyler/Stauffer/Stauffer team did very well and finished third.

Our Fleet sent strong teams to the Regattas of Sempach, Hallwil and Murten. After pitiless contests between *Meltemi* and *Milan*, the Wyler team won and is now placed first in the intermediate score of the annual championship. The delicious raclette and the hunt round the *Pfauen* (Peacock) were highlights this year, too.

Three teams competed in the European Championship in Finland. Results: Wyler finished second, Schar fifth and Perret seventh, thus honouring our Fleet.

In spite of heavy west winds the district championship near Grandson was won by Schmit, followed by Wyler and Schaerer (all belonging to Fleet 358). The team Schmid/Hofer/Buchsacher was victorious in the final (but pretty cold!) regatta of Neuenburg. Let's not forget the regattas in Italy (Prenzone and Gravedona) and the Fleet Championship, all won by Wyler/Gasser/Stauffer. Three cheers for Urs Wyler, our Fleet Champion!

It was a real banner year for Fleet 372. Beautiful weather, fair breeze and an eager fleet captain who rewarded us with a solid 10 to 12 boats at the starting line every weekend. Plenty of cheer and a hearty potluck dinner put all of us in the spirit for a wet and wild spring.

All California sailors were anxiously waiting the christening of Mark Patty's home-built wooden boat, and the California Circuit was the perfect opportunity! Though Mark had to finish rigging before the white flag of the first race, the boat showed beauty, craftsmanship and speed.

Timothy Barnes, last year's recipient of the 'Cizer of the year award', was honored in relinquishing his title back to Mr. Patty for his roll-over salute on Mission Bay.

Lynne Miller sponsored a family get together FUN day at Sausalito Y.C. where we displayed our boats and toasted to Fleet 372 "To the start of something really BIG!"

Our fleet captain was so eager, he restored his 20-year-old Martin & Weir designed Lightning. (Well, at least people will stop in the parking lot now, Mike!).

As for the rest of the gang? Bob Smith is still building. Bruce Arnold is still watching. Jon Ewing finally made it! And Bill Hole, a life member of Fleet 372, is touring every coast.

Fleet 374 sails on Douglas Lake located about ten miles south of The Straits of Mackinaw in Michigan. For those of us with slower boats, the beauty of the lake makes for the view of many transoms fading into the distance.

Problems with the weather resulted in the fleet sailing in only five races. John Lighthammer, youngest member of the fleet, ran away from the rest of us and won the season championship. He was awarded the OOPY Trophy symbolic of this feat.

Our Labor Day series was shortened to two races by rain. Bud Osgood won this event for the second year in succession. John Lighthammer was a close second.

The 1984 season started off wet and cold at Smith Mountain Lake. Activity was slow in starting and then waned as we went from wet and cold to the summer doldrums with hot temperatures and very little wind.

Our annual Invitational Regatta on Oct. 6 and 7 was not as well attended this year as in years past but Jim Richards from Richmond did a super job in his new boat. We expect to see him do well in the district next year.

If you are in the Smith Mountain Lake area, bring your boat and sail with us. We have racing almost every Sunday and the 1985 Invitational Regatta will be held on October 5 and 6, 1985. See you there?

Taking to the cold waters of Lake Michigan the week following Memorial Day, Fleet 393, sponsored by the Manitowoc Yacht Club of Manitowoc,

Wisconsin, began its annual Lightning season. The weather along the shores of western Lake Michigan is never predictable, and this season was no different. Instead of the usual June fog-outs, we were forced to contend with the August ones. Light wind to no wind best describes many of the Series' nights, yet a total of 21 races were completed in this racing season.

This year's Maritime Bay Regatta featured 13 boats from surrounding Midwest locals; unfortunately, none of the home boats took any honors. Takig first place honors for the second straight year was Tryg Jacobson of Sheboygan. Second place went to Kevin Blair, Milwaukee, while Gene Matthews of Lake Geneva took third place honors. Though not in the winners' circle, the social atmosphere and race organization was at an all-time high the weekend of June 23 -24, Maritime Bay Regatta dates.

October 13th was the special Sailor Awards Night held at the Manitowoc Yacht Club. Taking Fleet Championship was Ron Schaper and his crew of Dave Singer and Bob Krowiorz. Fleet Runner-up was Dave Wilhelm with Terry Kukral, Steve Singer and Chuck Hardy serving as crew. Individual series winners were: Tuesday Night Series — Karl Miller, first; Ron Schaper, second Dave Wilhelm, third. Thursday Night Series saw first place go to Ron Schaper, second to Dave Wilhelm and third to Karl Miller. The Labor Day Series was won by Ron Schaper.

With the official sailing season over, Lightning Fleet 393 now resorts to the "Remember when..." sailing.

"A regatta begins--"

As usual, due to the *long* sailing season down here, we need to lead off with the final results of 1983. This is sometimes confusing, but at least it makes you pay attention.

When we closed out last year, we had five weeks to go with Emens in the lead and closely followed by three other boats. He closed out the season with a string of three firsts with a second and a third and so won the Fall Series. By wrapping that up he also sewed up the Fleet Championship. Runner up for the year was Don Johnson. As usual, it was a closely fought season with Emens, Johnson, Warren Lewis and Richard Guinan fighting it out all the way.

We also had our annual Thanksgiving "Turkey Day" regatta. Unfortunately, the weather stamped us flat! With guests Jay Lutz and Brad Currie in town, the winds went to 25 knots and then some, along with gray skies and cool temps. Seven boats ventured out, five started and three capsized within the first five minutes. John Skiles won by hanging on to the lead, raking his mast 'til it seemed to touch the deck and hiking. Jay Lutz was second and Brad Currie (having gotten himself right side up) was third. And that was it! We trust 1984 will be a bit more mellow.

Each year we award the "Masthead Award" for he who performed the most unusual act in the course of the season. 1983 year was fairly tame, being won (is that the right word?) for launching a trailer as opposed to a boat — something fairly novel in the course of everyday life. Name withheld to protect the guilty.

Also at the close of 1983 we awarded the following trophies: Fleet Champion Trophy for meritorious service went to Bruce Hanover, Outstanding Crew was Dottie Emens (who was always there, put up with the skippers guff and actually *preferred* blow-outs!); Greg Hatfield won the Junior Trophy for being a regular, and fast, competitor; Ken Huggins won the Sylvan Newman Trophy for doing the best at away regattas (fourth in the Blue Fleet, NA's and the Most Improved Trophy went to Vern Goldberg).

1984 has been a good year. We lost a couple of boats, Lance Drewes went off to Houston, and Paul Emens got promoted into weekends *on* duty. But everyone else went out and sailed up a storm. Steve Thomas joined the Fleet and promptly placed third in the RCYC Free-For-All Regatta. And Gil Mercier recently joined and immediately began placing in the top three. No lack of competition.

Our Spring Series was a repeat of 1983 — nice weekends alternated with blow-outs. Richard Guinan, Warren Lewis and Paul Emens swapped around the top spots until Richard nailed down first on the last weekend with a third and first. Emens was runner-up and Lewis third.

Fleet 435 Champion Paul Emens and Crew.

The Summer Series was almost the same. It was all Guinan and Lewis. Only once in the entire summer did either finish lower than third. This time it was Lewis nailing the series down with a matching set of firsts on the last weekend.

We also instituted a 'handicap' series to match the regular trophies. Based on a formula used by the J-boats it assigns everyone a handicap that is adjusted every five weeks. Sylvan Newman came out of the chocks fast and nailed down the Summer Series and, as this goes to print, is leading the Fall Series as well.

Let's also give credit to Ken Huggins for winning the Texas Districts, with Don Johnson taking the runner-up spot. Warren Lewis also qualified for the Blue Fleet in Seattle this year.

As this goes to print there are five weeks remaining in the Fall Series. As usual, everything is coming down to the wire and there is a three-way tangle for first. Richard Guinan has recently moved into first with a 2-2-1. That puts him one point ahead of Warren Lewis and George Hatfield. As for the Fleet Champ — it's either Lewis or Guinan. Stay tuned.

This year we got our picks finished early: Junior Trophy — Brian Lewis; Most Improved Skipper — Sylvan Newman; Sylvan Newman Trophy (best away performance) — Warren Lewis; Fleet Captain Trophy — Richard Guinan (because he is *always* available to bail one of us out when we need him) and Best Crew — Brad Johnson.

As for the Masthead Trophy....this year we had an embarrassment of riches. How about the man who left his son alongside the road on the way back from Memphis (answering the call of nature shall we say?) because it was thought he was still asleep in the van? Or the skipper who used water soluble caulk around his bailer? This same man ran out of gas on the way back from Memphis too — late, late at night. And dragged his forestay about four-hundred miles. They're great, but the winner did about six boo-boos in one day. Dropped his crew overboard, hit the leeward mark, tried to fly his chute upwind, attempted to sink the pier with his trailer and ran his boat aground after disentangling the trailer from the pier. It wasn't a good day!!!! Again, names withheld to protect the guilty!

See you next year!

The last year was a good year for our fleet.

One of our members went to the European Championship and youth World Championship; which took place in the North Sea of Finland, and U.S.A.

Pasquale Vitaggio with Alessandro Messina and Antonio Nizza finished 4th in Finland, and with Sorrentino Messina placed fifth in the Youth Championship.

We had an unusually large number of regattas in Sicily this year with the Capo Boe' cup Massimo Attina "Trofhy", and the Sicily Calabro Championship. Also, five of our boats participated in our Class Championship which took place at Ravenna, Italy, with remarkable results.

2 — Mario Marino, Antonio Nizza, Giosef Cudia; 3 — Pasquale Vitaggio, Alessandro Messina, Franco Sorrentino; 4 — Attina, Attina, Alagna; 9) Pellegrino, D'Asta, Tranchida; 15) Zerilli, Zerilli, D'Ara.

We hope to be able to send two teams next year to the World Championship in the U.S.A.

Fleet 450's season is over for 1984 with the Androscoggin Yacht Club anchorage being subjected to the wrath of snowmobiles making semi-permanent wakes across the ice and snow. It becomes difficult to remember the warm days of summer, when gazing across the cove at the sterile white of fresh snow being driven by force five winds. Where was that wind during those drifters? Of course there were those days when the northwesterly winds gave us white knuckles i.e. The Black Saturday of the State of Maine Regatta and Labor Day Weekend Club Regatta. Now if we could only divy up those winds over the entire season.

Ah, yes! Black Saturday! Thunder, rain and wind and cooking the steak under the club house. What a way to celebrate the Club's 75th Anniversary! To see all the smoke you'd swear we were burning more than just the steak. It was a wonderful State of Maine Regatta with Dave White doing the honors as race committee chairman. Deep down I think Dave will always be a Lightning sailor even though he sails *those* other boats now. After the smoke had all cleared on Sunday Robert Shapiro and crew walked away with first place honors with Dick Hale taking second place and Bill 'Puka' Hole in third position.

The season progressed rapidly into August when the first ever Junior crew ventured away from Androscoggin. Nicki and Brooks Vautour commandeered Larry's boat and took it clear down into New Hampshire and sailed it around Massabesic in the District Junior Regatta. It was a learning experience for the girls and Larry; it's not easy sitting and watching four offspring do something that you think they should not. Better luck next year girls.

Labor Day Weekend wrapped up the season of racing with three races which could be compared to Murphy's Law i.e., if nothing can go wrong something will. First of all there was a breeze of around 25 knots which held for both races on Saturday. Let's see, Larry Vautour lost his main sheet block, Mike Ladd lost some battens, John Sexton broke a halyard, Tom Cook lost a crew member for a short time and broke a halyard and while yours truly was surging into the lead the rudder broke in two at the waterline. That is a helpless feeling. Sunday was a nice day where, with some mystical moves, yours truly took a first over some of the newer boats.

Even with all the hard fought battles of Labor Day Weekend, Mike Ladd took first place for the fleet. Little did Mike know when he purchased 'Puka' Hole's boat over the phone that 'Puka' and Mike's dad used to crew

together in Hawaii. Bob dropped into second place for a change and Larry and crew ended in third position.

The season ended with a sailout-cookout on Norris Island. What a pretty day!

A thought while passing. Those numbers in the yearbook with the ominous words "Lost Boat" after them seem so final that I have found two boats that could be active again, 5949 and 13288. Why don't we all try to get a boat back in our fleet. I must admit the converted lobster boat in Portland is beyond and will remain anonymous.

Best regards and may your spinnaker get fouled at least once.

Sweet Ol Bob

For Fleet 453 the 1984 season has been very satisfactory; the first National Regatta of the Italian District took place on Trasimeno Lake in Passignano and it saw a numerous and qualified participation of crews of other fleets too. The regatta had three races, and in the final score two local crews have distinguished themselves: *Areknames II* with Sergio Rustichelli, Fabio Nicchiarelli, Paolo Barbacci and *Atom* with Franco DeRegis, Pablo Sabas Soldano, Francesco Rossi, respectively first and second.

The same two boats sailed very well also at the Italian Championship in Lido del Savio (RA). *Areknames II* won one of the six races and placed sixth over all, while *Atom* placed seventh and *Joe Condor* with Sauro Sarpocchi, Leo Vicarelli and Guido Armeni, finished 12th.

At the end of the season, a last National Regatta was held on Trasimeno Lake with *Dove Vai* (Galetti, Mazzola and Allegri) winning both races, *Areknames II* and *Atom* finished second and third.

The Fleet Championship was won by *Areknames II*, and second and third places went to *Atom* and *Joe Condor*, respectively.

Our fleet is looking forward to hosting the 1985 Italian Championships from May 27 through June 2 and all visitors are welcome.

We started our sailing season in the very beginning of May, when there was a race called "On the Rocks" in Lake Tuusulanjärvi. It was again time, to adapt our winter meetings theory to use.

This year Finland District Championship was held in Vammala. Our fleet sent 5 boats to the regatta. Best of us was Jussi Karkkainen with crew Mikko Jaatinen and Kari Puupera and boat *Marigold*. They were third.

In the European Championship our fleet took part with five boats.

We arranged again Finland Districts Junior and Women's Championships in Lake Tuusulanjärvi. Jussi Karkkainen with crew won junior championship and Leena Meisalo with crew won the women's championship. Both winners are our fleet members. There were quite a few boats in the race, but all skippers and crews were sailing eagerly in the whimsical winds.

Our fleet took part also in some other races. Jussi Karkkainen with crew Mikko Jaatinen and Heikki Nurmi was ninth in the Junior World's.

So, it's time to start our winter meetings again while awaiting our next sailing season.

It has been another busy year for Fleet 461. Our club again hosted our All-Class Washington Day Regatta with a total of 41 boats and also launched the first annual Lightning Invitational Regatta which attracted boats from our fleets in Biscayne Bay, North Palm and Ft. Myers. This regatta also serves as the second leg of the newly organized Florida Triple Crown.

This year we have added two new Lightnings; Gene Packett and Steve Hayden, bringing our fleet total to ten.

Fisk and Steve Hayden captured our District Championship at Coconut Grove and journeyed to Seattle for the North American Championship. Steve finished 4th in the Junior North Americans and Fisk qualified for the World Championship next July by virtue of a 15th over-all finish.

Everyone is invited to experience our year-around-sailing conditions on beautiful Lake Eustis here in Central Florida. Ya'All come!

### GUARAPIRANGA LAKE LIGHTNING FLEET (462)

Fleet 462 has become increasingly active and competitive over the past two years. With four new boats, *Zrbst*, *Patua*, *Abuelo* and *Perereca*, we now have nine Lightnings which take part regularly in the many races on Lake Guarapiranga.

In February, disappointingly few Lightnings managed to make the Brazilian Nationals in Florianopolis, but four of our fleet members were there. Ex World Champion Mario Buckup came in first in *Flash Rider* with Michael Norris and Joaquim Fenneberg despite a crash at the start of the second race and an enormous hole in the hull which was temporarily patched up with no more than sticky tape. Per Olav Hornell with Ingrid Raedler and Ronaldo Gessy took 5th place in *Flyaway*. Both these boats were thus amongst the first six to qualify for the South American championship which took place at Lake Guarapiranga over the Easter weekend. Though the prevailing winds were light and inconsistent, Mario Buckup in *Flash Rider* was once again ahead of the fleet for most of the time and he easily won all the five races he participated in.

In June, Cristina Norris, sponsored by Sao Paulo Yacht Club, home of our fleet, organized the first all womens' championship in Brazil. Past womens' championships allowed for one male crew member per boat. Disregarding a good deal of masculine scepticism, 15 Lightnings participated and proved that Brazilian ladies really can sail. The champion was Pamela Cavazza in *Perereca* with Mary Jane Spink and Ingrid Raedler.

We are now busy preparing for the State championship in early November and competition will be strong with several new boats and new Lightning sailors on Lake Guarapiranga.

This year our Conero' fleet has been active among all classes of our District. The careful observance of the engagements, the presence of our fleet to every manifestation in the national calendar qualify us to the eyes of the other classes and even of the other fleets of the Italian district. There are only two active crews in our fleet, but we are crews really intentioned to excel in the classifications of every manifestation, even if this year it has been the most unfortunates and negatives for both. Finished the national and international manifestations at Procida and Ischia, both we have been

intentioned to do good results and to recover the results of those manifestations. But the modest athletic preparation of we all, and, above all, so many work problems and the professional engagements that had urged us have influenced us such in a strong way to do us to preceptitate to bad positions at the national championship. Nevertheless we wait for the next beginning of agonistic activity to repropose us as dreadful antagonists for every other crew.

To all American friends that have run with us at Ischia last year, Bibir and Finalmente' crews send a warm greeting. But a sporting hug they send to all those good crews that run on *Lightnings* and that we haven't had the pleasure to see here in Italy. We know that you would fervently wished to see our Country and I insure you that last year you have lost a unique opportunity. In fact during the World and European Championships the weather, the sea, the sun and the islands have been wonderful and charming, and was almost unjust to be seasoned antagonists. With sympathy, Renzo Bozzi.

Our Fleet is suffering from the same illness troubling the sailing sport in Italy and elsewhere. The boats and the sailors are growing old, the new boats (especially the American ones) became too expensive because of the dollar rising, and also with reference to making good use of our time. Young people usually prefer surfing or dancing or drinking or flirting or everything but sailing. It's very hard to recruit them also only as crew for one day. Why? Perhaps the sailing sport is a bit too stern in our country, and we should give them more opportunities for dancing, drinking and flirting and sailing at the same time. However, the best event of our season, De Marzi Trophy, hosted by Associazione Velica Alto Lario in Gravedona, is always a festal day. This year too, it made a hit, thank God and the Swiss District. The Regatta was attended by twelve contestants, perfect number, in two races, with wonderful weather and wind. Our Swiss friends won again the Trophy, with Wyler first, Scharer fifth and Schmid sixth. What a little difference from the Italian's scoring! But they deserve a particular applause — there were many more Swiss boats sailing this regatta than Italian ones. Between ourselves, Pellegrini (second) was the best again. No doubt that he's a man of worth as skipper, as well as seaman. We saw him finishing a handicap among the storm, only centerboard between big boats. Messina astonished us once again. Sailing an old wooden Lightning, he started always wonderfully, and finally took 4th place. We hope to see everybody, and more boats and sailors next September with plenty of sunshine.

At Valkeakoski we had a ranking championship from 9th June to 10th June. There were 14 Lightning boats from around Finland taking part in it. The wind varied from 0 to 18 m/s and it was very gusty. That's why we couldn't avoid to fall. The winner was Kari Maenpaa with *Vahine II* from Helsinki. From the squadron 468 there were two boats taking part in that competition. *Janita* 12992 skippered by Aimo Jokiniemi and crewed by Tuula Jokiniemi. On the first day the other member of the crew was Terhi Jalonen and on the second day Hannele Tayranen. *Sea Horse III* skippered by Pertti Jalonen and crewed by Petri Valtonen and Mikko Hellman. *Sea Horse III* was 11th and *Janita* was 12th.

From 30th June to 1st July we had "the Mallasvesi days" and the winner of the Lightning class was *Sea Horse III* with Terhi Jalonen.

The Finnish Championship was at Vammala from 10th July to 14th July. The European Championship was in Finland at Pori from 15th-21st of July. *Janita* participated in both of these competitions. They finished 13th at the Finnish Championship and 26th at the European Championship. There was also *Uno* 13560 at Vammala skippered by Harri Lindholm and crewed by Jorma Lehtonen and Matti Aumo, and they finished 16th.

*Janita* had it's usual crew: Aimo Jokiniemi, Tuula Jokiniemi and Hannele Tayranen.

On 28th July the longest sailing competition in inland waters was sailed at Paijanne. *Sea Horse III* was 8th skippered by Pertti Jalonen and *Uno* was 9th skippered by Harri Lindholm.

At Tuusula on 5th of August, *Janita* competed in the women's class championships, and finished 3rd.

From 1st to 2nd September *Janita* took part in ranking championships at Lahti. *Janita* was 3rd. As the weather was rather cold and rainy, people were not very enthused about sailing. At our own sailing competitions we had part competitions and trip competitions.

Of major importance was the sailing around the Liessaari, by Pertti Jalonen in *Sea Horse III*.

This year, the activities of our fleet were directed entirely toward the organization of the Italian Championship, 1984. Indeed, from the 20th to the 26th of August, the six heats for this championship were held at the Circolo Nautico del Savio in Lido di Classe (near Ravenna). Twenty-two crews representing the most active fleet in our district took part; five very able crews from Marsala, four equally able crews from the fleets of Lakes Como and Garda, the Italian Navy crews, crews from Falconara, Trasimeno and others. The most significant change from the past was the presence of at least nine boats whose crews had an average age of a little over twenty. The Circolo Nautico del Savio made sure that everything was well organized and the six heats took place without a hitch, although each was marked by different wind and sea conditions; light wind, heavy wind, sun, rain. For the first time in the history of this championship, no two heats shared a winner: Race No. 1: first *Tempesta* (Messina, Pulizzi, Ansaldo); second *Lili Bai Tan* (Vitaggio); third *Atom* (De Regis). Race No. 2: first *Tretepe II* (Tremante-Tremante Babbì); second, *Tempesta* (Messina); third, *Tika* (Pellizzaro). Race No. 3: first, *Lili Bai Tan* (Vitaggio Messina Sorrentino); second *White Cloud* (Marino); third *Wanted III* (Attina). Race No. 4: first *Tika* (Pellizzaro Falcini Gappucci); second *White Cloud* (Marino); third *Tempesta* (Messina). Race No. 5: first *Areknames II* (Rustichelli Niccoli Barb.) second, *Tempesta* (Messina); third *Wanted III* (Attina). Race No. 6: first *Wind III* (Pellegrino D'Asta Tran.); second, *White Cloud* (Marino); third *Tretepe II* (Tremante).

Final: first 13374, Messina Pulizzi Ansaldo 19.7 pts.; second 13414, Marino Nizza Cudia 28.7 pts.; third, 13706 Vitaggio Messina Sorrentino 32.7 pts.; fourth 13481 Attina Attina Rallo 40.4 pts.; fifth, 13401 Pellizzaro Falcini Gappucci 43.7 pts.; sixth, 13462 Rustichelli Nicc. Barb. 45.7 pts.

The Italian Navy crew: Messina, Pulizzi, Ansaldo, proved to be the most consistent and took the title of Italian Champion 1984. Also very able were the Sicilian crews: Marino, Vitaggio and Attina. Our own fleet's crew, although disqualified in the last race, placed fifth, having won the fourth race when there was the most wind.

Another new development: several Lightning skippers, absent from regattas for some years, put their boats to sea again, and with much sporting spirit took part in the races in the knowledge that they had little chance of winning.

In conclusion we would like warmly to thank the Regatta Committee which was perfect in the exercise of its duties.

Thanks are also due to all the friends of the Club who gave assistance at sea.

At the meeting of the Italian District, which was held at the Bracciano's Fleet No. 479, it was decided that the "1985 Di Lorenzo Memorial Trophy" will be organized by our fleet at the Circolo Nautico del Savio-Lido di Classe from the 24 to the 25 August 1985.

So we said to our friends: Good Bye!

*A light air start on the Adriatic Sea.*

The Cedar Fleet continued its active racing program in 1984 with its sailors participating in the Florida Triple Crown, Edison pageant of Light Regatta, Lightning Midwinters, and the Florida District Championships.

During the year we saw some of our skippers acquire or sell their boats. John Foster acquired a new Lightning and christened it after his first mate, or maybe she's the skipper! Anyway the name of the boat is *Kate*. Steve Ewing also did some boat trading. He finally parted with his beloved wooden Lightning *Windseeker*. We are waiting to welcome the new owner, Tom Hart, to our fleet.

John Foster, participating in the Florida Triple Crown, turned in consistent finishes at the Coconut Grove Annual Regatta, the Davis Island Thanksgiving Regatta, and a second place best effort at the Eustis Lightning Invitational Regatta to capture third place overall for the Triple Crown.

Steve Ewing returned from the Punta Gorda Sailing Clubs' Holiday Regatta with the first place trophy for the Portsmouth class again this year. Bob Desfosses also returned with a first place trophy, but it was for sailing a funny looking boat with two hulls and an equally funny name liek Hobie. Bob where was your Lightning?

The Edison pagaent of Light Regatta saw seven Lightnings from all over Florida competing on the Caloosahatchie River (home of the Cedar fleet). In the face of tough competition from Fisk Hayden (1st) of Eustis and Fay Regan (2nd) of Miami, our own John Foster was only able to capture third place. The regatta, in addition to giving a fun time to all, also gave Steve Ewing and two Miami sailors an opportunity to test the self righting capabilities of their new boats.

Bob Desfosses and John Foster signed on with Herm Nickels to sail in the Masters Division at the Lightning Midwinters in St. Pete. Bob and John benefited greatly from the experience of sailing with the 1959 North American Champion. Of course, winning the first Masters trophy made the experience all the more enjoyable.

Cedar Fleet sent its top sailors to the Florida Districts at the Coconut Grove Sailing Club in Miami. The weather-shortened event saw Steve Ewing and John Foster finish 9th and 10th respectively. Steve also had two other Cedar Fleet skippers as crew, Bob Desfosses and Tom Hart.

All in all it was a great year for our sailors with top honors going to John Foster who attended a total of 11 regattas throughout the state.

Note: If anyone sees our Fleet Captain, Ralph Suhm, tell him we miss him and would like to see him on the water in 1985.

1984 was a vintage year for Fleet 481. We were blessed with good winds, continued growth in numbers and level of enthusiasm, improved competition, and lots of fond memories.

Fleet activity got underway in February with the boat show in one of Raleigh's shopping malls. Not only did this give our fleet good overall exposure and help us find prospective crew and boat owners, it enabled us to uncover a couple of Lightning owners that had moved to the area from other parts of the country.

In March, our own Mr. Capsize went down to Savannah and did his trick in the Skidaway River. He still doesn't understand what happened. Back in Raleigh, Hale Wolcuff of Horizon/Curtis Sails stopped by on his way back from the Midwinters to eat barbecue and talk with us about crewing on a Lightning.

April began with the April Fool's Regatta, a 21-mile informal race down the Neuse River from New Bern to Oriental, NC. The weather was good with a strong following breeze that became a tight spinnaker reach after

*Rick Ferguson leads Tom Allen, IV, in the Borderline.*

rounding Wilkinson Point and led to a record time of 3:05 by Tom Hudgens, 12 seconds ahead of Rick Ferguson. Unfortunately, the water temperature was still on the chilly side as the Batjers discovered when they went over while jibing.

Later in April, Carolina Sailing Club racing began on Kerr Lake. Our fleet had 16 boats in the CSC this year, a significant increase from last year. Participation in the six race weekends was high, and competition was much tougher than in the past. Kent Mullikin won the spring series. Rick Ferguson won the summer series, John Pelosi won the fall series, and Rick Ferguson was the overall winner and 1984 Fleet Champion, with John Pelosi second.

In the past couple of years, our fleet has become a major force in the CSC and is contributing significantly to the club leadership. In 1984, Kent Mullikin was the club commodore, John Pelosi secretary/treasurer, and Michael Rees served on the board of directors.

The last weekend in April marked the beginning of the Southeastern District circuit regattas in Augusta. Our own Rick Ferguson, the district commodore for 1984, attended all eight of the regattas, instituted a district newsletter, and did a super job as commodore. Overall participation in the circuit by our fleet was high. Rick finished third overall in the district this year and Tom Hudgens was fourth.

After travelling around the district in May, it was back to Kerr Lake in June for the district championship regatta and the NC Governor's Cup Regatta. Our first experience in putting on a district championship created a bit of a challenge since we did not have a way to weigh boats. An old oak tree, a chain hoist, and a fearless, tree-climbing crew enabled us to overcome the obstacle, and the regatta was enjoyed by all. Tom Waters came out of retirement to win the regatta on his old boat which he chartered from Bob Lovelace. Tom Hudgens was the Lightning winner at the Governors Cup. Maybe someday soon our turnout at this regatta will be large enough that we can have a shot at the Cup itself.

July included some more district regattas and the Oriental Sailing Social, and August gave us a chance to catch our breath before going back on the circuit in September.

October was busy with the Indian Summer Regatta down at Lake Waccamaw—sailed in weather that lived up to the regatta's name perfectly—plus the Frigid Digit in Annapolis and our fourth annual Borderline Regatta. This year we instituted a Double Header trophy for the best combined score in the Frigid Digit and Borderline. Thirty-eight boats from nine states sailed in the Borderline in beautiful fall weather with light winds on Saturday and moderate winds Sunday. Bill Sloger took first place, Dick Hallagan was second and won the Double Header trophy. Rick Ferguson took two bullets in the Saturday races and finished well enough on Sunday to take an overall third—the first time a local sailor had won any silver at the Borderline.

Well, the sailing is over for the yaer, except for the occassional day this winter when the temperature sneaks up into the fifties or low sixties and entices a boat or two out onto one of the nearby lakes. In December, the

true mettle of Fleet 481 comes out at the annual Christmas party. Our fleet is fairly serious about its sailing, but when it comes to doing some eating and partying—just ask anyone who has been to the Borderline. This year we will award the two new trophies donated to the fleet by Rick Ferguson for the local boat doing best on the district circuit, and the boat participating in the most regattas without winning any other trophies.

As you can see, it's been a busy year and a fun year for Fleet 481. Now, we're all looking forward to 1985. Hope to see you on the race course.

Oswego fleet 485 may have one of the most recent charters in the class but we'll take a back seat to no one when it comes to activity and enthusiasm.

During 1984, no less a personage than the mayor of our city — the Honorable Wm. Cahill, donated a beautiful trophy to be awarded each spring to the winner of our kick-off event, the Memorial Weekend Series. 1983 champ Tom Doran took it home after the weather shortened the series to only two races.

In June we sponsored a Michelob Regatta to help promote one design interest. We drew 17 boats of all descriptions. Ed Taverni won the Lightning Division.

Many of the areas finest sailors came to Oswego for the first time ever in July as Fleet 485 hosted the CNY District Championship Regatta. Our careful planning paid off with a smooth, problem-free weekend. You would have thought we knew what we were doing! Problem is, what to do for an encore in '85. Lots of credit due us goes to Tom Doran who put all the pieces together and did most of the worrying.

Four of our boats travelled to more than one regatta this summer. We had boats at the Long John, Newport, Cazenovia, Keuka, Henderson Harbor, Toronto and others.

In between home events and travelling, the fleet got in a 24 race summer series and a full 6 week fall series. Tom Doran repeated as fleet champ. Nobody here can beat him consistently yet but, "uneasy rests the head which bears the crown" to paraphrase the quote.

Joe McCloskey took runner-up spot on the last day by one point over Art Tirrell, gaining sweet revenge for last year's finish which also was decided on the last day.

During one windy race of our fall series, every boat but one capsized at

the jibe mark. We counted one round up/broach, two pre-jibe knockdowns and one death roll, plus 12 wet ones.

We've got our own woodie too! Woodworker Mike McCune started his West System 13946 this summer and has it near completion today. Mike can win in good fleets.

Ed Taverni bought a glass boat and will campaign in in '85. Newcomers Peter Ritchie and Tim Johnson both have obtained good boats and are planning to sail next season. Jim Finn had a good fall series and was a factor in many races this year. Bob Finn was just getting his boat set up when a back injury sidelined him. The *Kingfish* WILL be back in '85. If you are within our area, call us. We need you.

Fleet 486 has come through another successful year. We began our year planning at our annual Christmas Hors D'oeuvre Party and continued the winter with monthly gatherings at members' homes. As a result, we have become a social group of friends as well as fleet members.

With the changing seasons came changing boat ownerships. We were sorry to lose Phil and Beverly Stephenson and Les Goodman and Jeanne Havrilla. However, their boats stayed with us. As they left, we gained two new owners of those Lightnings, and welcome the Cellas and Kesslers to our fleet. Also, we welcome as newcomers to our club and racing, the Cato Family. They have brought a new Lightning into the fleet. So our year has been one of happy beginnings among sad endings. As a fleet we handled various responsibilities for VSA, but we feel one of our major accomplishments has been another successful Muddy Rudder Regatta. Our second year went very well. We had, unfortunately, heavy rains, preventing one of the races, but we also had wonderful competitors, who stayed through the rain and finished the races on Sunday. We were very pleased to have Roger Grohne (13078) and Bob Ohlsen (10100) from Decatur, and August Paoli (11637), Stuart Bernstein (11218) and Scott Zerban (13273) from Carlisle competing. We congratulate Stuart Bernstein for winning this year's regatta.

Another of our accomplishments of which we are very proud, is hosting the first Mississippi Valley Junior District races. These young sailors were fantastic. They competed on a highly skilled level, and we congratulate Rob Zerban and crew for taking home the winning trophy.

We feel our year, our sailors, and our club have been successful. We are happy to have added new members, new boats, new enthusiasm, and new ideas. We have been, and are a very active club and fleet. We are a social, as well as competitive group. We have husbands and wives who race and compete, and some who serve as the backbones to special events. We would welcome any and all Lightning sailors to join us for a weekend of sailing, racing, or socializing. There is a beautiful view to the Bluffs on the Illinois side of the Mississippi River. It is a lovely sight to view from water or shore. It makes for an incredible atmosphere for sailing. Come join us....

Some of the boats got more "road-time" than "water-time" this year. At least one, and sometimes two and three boats of our nine boat fleet attended the New England District Championship, the Wellfleet Regatta, and the Spofford Lakes end-of-the season Regatta.

The big news for Fleet 487 this year was the Great Harbor Race Lightning Regatta. June 30, and July 1 were the eventful days of the first ever Lightning Regatta in Provincetown Harbor. Boats representing each State in the District participated. After the parties and awards were completed, all participants cheered and applauded our first effort. To a man/woman all voiced a hope they might return next year.

Fleet size remains at nine boats, however this past year, and as we go into the new year, some of the older boats in the fleet are being seriously up-graded. The spirit of the fleet is high, and still climbing. The competition within the fleet becomes more keen each year. Once again the invitation is extended to one and all, everywhere. As you vacation on Cape Cod, bring your Lightning. Join us any Saturday or Sunday for the Club Races. For more information contact Fleet HQ at (617) 487-0050.

1984 will not go down in history as a great sailing year for Lightning Fleet 488. Most of the regattas we attended were plagued by poor wind conditions. Large incredibly slow moving high pressure areas were interspersed with vicious thunderstorms and rapidly moving cold fronts. Bob Stoller repeated last year's performance as both Fleet Captain and Fleet Champion, winning every regatta that he entered. Runner-up was a close contest between Ann Crammond and John Ferguson (sailing a newly restored wooden boat aptly named *Mondo Bondo*). Ann was awarded the title when John failed to show up for the Frostbite Regatta at Cherry Creek Reservoir. The regatta was held during a snow storm and John made a feeble excuse about cold freezing water and no snow tires for his boat trailer.

Don't forget to bring your boat if you are coming to Colorado. You're welcome to join us sailing on our beautiful mountain lakes and reservoirs.

The 1984 season saw the addition of two new members to Fleet 491, as well as the cancellation of the first race day of the season due to heavy weather — what a way to start off! But, rising above this initial disappointment, we managed a total of 27 races on a schedule of 2 race days a month.

Sailing on Lake Nockamixon, we once again raced with the Nockamixon Sail Club, who gave us our own starts, and to whom we wish to express special thanks. We had a mixture of light air, heavy air, and wet days (especially for one of Bob's crew members who decided to go for an unscheduled swim!). Spinnaker runs were generally short due to cross lake breezes, but this just made the crews all the more adept at quick, snappy sets and take-downs, with Guy and George Christopher taking the coordination award! All in all, a good time was the name of the game for the Saturday races. Charlie Shoemaker captured the championship for the season, but Bob Blalock was never far behind him in the standings.

We look forward next year to the possibility of new members, joining the Nockamixon Sail Club and hosting a regatta. If you are in the area and would like to join us, drop Bob Blalock a line at 495 Brown's Drive, Easton, PA, 18042, and he will gladly send you a racing schedule.

Fleet 493 received its charter from the International Class just this past spring — and the excitement hasn't worn off yet! The Bow Lake Lightning fleet has grown from one boat in 1979 to its present size of six — and with any luck at all, by this time next year, we may be close to doubling that number. We've got an epidemic of Lightning fever spreading like wildfire on the Lake, and you KNOW there's only ONE cure for that!

THE highlight of our season was our Second Annual Bow Lake Invitational Regatta (otherwise known as the "Massabesic Challenge", or even — simply — as the "Annual Grudge Match". By studying all three names, you'll get an inkling of what this event is all about.) This year, the Regatta drew 11 boats, six were from our unofficial "sister fleet" 273, of Lake Massabesic. The principal defender of Massabesic honor this year was George Deyette (who walked away from the Bow Lake fleet in '83, and off with first place hardware). We had three races, with light to fair breezes — and a hotly contested outcome. Ned Hinds managed to hang on to first place silver, but the rest of the final standings were all the property of Fleet 273 — a group of fine, competitive sailors — and very good friends of ours.

Our Tenth Annual Bow Lake Regatta saw five Lightnings sail as a class. A total of nine races were sailed over two weekends in primarily fair breezes. Ned Hinds with seven firsts, a second and a fourth, captured first place honors, and the Fleet Championship into the bargain. Runners-up were the Donle brothers, Bruce and Wayne.

Plans for next year are already in the works. We hope to expand the Invitational and add a second, Lightnings only, series in September. Also on the agenda: increasing the emphasis on bringing our Juniors along, with special racing series and a formal youth program. (You've got to be looking for your future!)

The members of Fleet 493 would like to extend their heartfelt thanks to our friends from Massabesic, whose friendship and support we've valued so much: Darth Vader, The Kid, Wild George, Mr. Bits, The Mann and the 600 Lb. Canary.

Have a GREAT Winter — we'll see you all next year!

The fleet was formed in early 1984 by four of the skippers who sail their Lightnings at Milwaukee Community Sailing Center, a public facility of the Country Park System. Here we have plenty of dry sail storage, three hoists, and immediate access to Milwaukee's harbor and Lake Michigan. Fleet members participated in nearly all regattas held by fleets in the district including the Districts in Racine. Fleet competition was waged on the Sailing Center courses; these are set regularly during the season on Friday evening and Sunday morning by the Race Committee. Fleet goals for 1985 are increased membership and improved racing skills. We aim to host a Quarter Barrel Lightning Regatta one day and return the hospitality offered by fleets of the Midwest District.

Sailing on the beautiful, sparkling waters of eastern Lake Ontario, we are looking forward to our first successful season as a newly formed Lightning Fleet. Our fleet, although very young, maintains the motto, "No puff, too tough!" This motto was put to the test late in the season by both crew and craft. The fleet is now replacing a few of the older wooden sticks with new aluminum ones, some by choice and some by necessity.

The Selkirk Lightning Fleet began as a mixed fleet sailing under Portsmouth Handicapping. Interest grew in developing a Lightning Fleet upon the purchase of Lightning 7961. Throughout the summer of 1984, boat 7961 consistently proved the integrity of the class.

As the summer progressed we witnessed the purchase of boats 6926 and 4905. We then had the boats necessary to form a fleet and travel to other areas to compete in international class racing. Near the end of the season, the fleet expanded with the purchase of boats 6602 and 11355.

We are excited about our fleet to date and the prospect for additional boats by spring. We would like to extend an invitation to all fellow Lightning sailors to come sail with us.

# Registry of Lightning Boats

(Corrected to November 30, 1984)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner is unknown. Where boat number is followed by an asterisk, it means that there is an approved Measurement Certificate on file for this boat. All boats not so marked do not have Measurement Certificates on file.

**First** you need a good boat.

**Second** you need someone to sail it.

**Third** you need people to help sail it.

**Fourth** you need a little luck!

**BUT**

**First** you need a NICKELS & HOLMAN.
