# DEDICATION

In my brief eight years in the Lightning Class I have been continually impressed with the talents and loyalty of our Junior Sailors.

Of course, we owe an immeasurable debt to all the owners who have loaned their boats over the years, and also to the families who have encouraged their children to sail. We have more depth in parent/child teams and parent/child competitors than any One Design Class in the World.

Many of our Juniors have advanced to National and International Championship status, but so many more are out there every weekend in local and District competition.

We are proud of all of them, a delightful group of young men and women both on and off the water. It is to our Junior Sailors that we dedicate the 1986 Year Book.

A handwritten signature in cursive script that reads "Fay Regan". The signature is fluid and elegant, with a long horizontal flourish extending to the right.

Fay Regan, Editor  
Year Book

## PRESIDENT'S MESSAGE

I hope all of you enjoy this Yearbook. For those who are active in racing, attend the Southern Circuit and the NA's, it's great to see the pictures and recall all the fun, friends, and great racing. For those who aren't able to attend these events, the pictures may give a better idea of what happens and the fun everyone is having.

This Yearbook, of course, doesn't come together without a lot of hard work. Articles must be written, pictures taken and then, the difficult job of editing. Thanks to this year's Editor Fay Regan, Assistant Editor Craig Thayer and Donna Foote and Cherryl May of the I.L.C.A. office.

This is the 48th Yearbook and the countdown to our 50th Year is near conclusion. Many of the reasons the Lightning thrives can be found within these pages.

A handwritten signature in black ink, reading "Richard C. Guinan, Jr.", with a stylized flourish at the end.

Richard C. Guinan, Jr., President  
International Lightning Class Association

# Officers of the International Lightning Class Association

**PRESIDENT — Richard C. Guinan, Jr.**

Richard has raced Lightnings since 1974. He has served as Fleet Captain of Fleet 435 at Rush Creek Yacht Club near Dallas, Texas, has served as Texas District Commodore, helped in the organization of and running of the 1979 Lightning Worlds at Rush Creek, was Co-Chairman of the 1983 Lightning North Americans, and has served as I.L.C.A. Secretary in 1982 and I.L.C.A. Treasurer in 1983, 1984 and 1985 before succeeding to the Presidency. In addition, Richard has helped develop and promote the I.L.C.A. fund. Richard served as Chairman of the Board of Governors of Rush Creek Yacht Club in 1981 and as Vice Commodore in 1985.

The Guinan family has been actively involved in sailing and Lightning racing with wife Eileen, son Rick and daughters Laura and Brigid all participating in Club programs and crewing on the family Lightning. Richard is a partner in the Dallas Law firm of Denton & Guinan.

**SECRETARY — Anne Allen**

Anne has been sailing Lightnings since the mid 40's. She crewed in her first North American's (International Championship) in 1949 for her father, Karl Smither. In 1955 she was part of the championship crew for Tom Allen in New Orleans. Since then they have sailed together for many years. Their four children, Jane, Brenda, Tom, and Jim are all active Lightning sailors.

A strong supporter of women sailing, Anne helped to organize the Women's Lightning North American's. She is active in Fleet 12 and the Lake Erie District, is currently the treasurer, and has served as Class VP of International Affairs.

Anne is a registered pharmacist.

**CHIEF MEASURER — David Sprague**

Dave started sailing in 1959 in 1962 at Royal Lake of the Woods Yacht Club (Fleet 320) in Kenora, Ontario. In 1969 he brought *Janitor of Winnipeg* 11174 and moved her east to Montreal (Fleet 215) in 1971 and now Toronto Bay (Fleet 146) since 1972. *In Lieu* was added in 1981 and as she floats better when dumped is the one most used.

Over the years Dave has served on the Fleet, Lake Erie District Canadian Class executives, as well as holding office in the Canadian Yachting Association, the Ontario Sailing Association, and The Boulevard Club.

His wife Cathy Bowman, still sails in the Fall Circuit while helping to raise their 2 children.

Dave is a senior consultant with Canadian Marketing Associates of Toronto.

**TREASURER — Jack Tibbs**

Jack has been a member of ILCA since 1967 and during that period has sailed nine Lightnings.

He has served Fleet 31 as both Secretary and Fleet Captain, the Michigan District as Secretary and District Commodore, as Vice President and Yearbook editor for ILCA. He was Commodore of Devils Lake Yacht Club in 1981 and is currently the Executive Secretary of that club.

The Tibbs family have all been involved in Lightning activity, Joe, Beth and Jane have all crewed and tried their hand skippering. Chris is involved as the Race Committee at DLYC.

Jack is the owner of Tibbs Bros. Inc., a supermarket at Devils Lake.

## THE CHAMPIONS

The first National Championships were held when the first boat was publicly less than eight months old. Nineteen boats participated, John Barnes won with three firsts.

In 1945, the Championship was renamed International; there being thirty some boats in "foreign" countries.

In 1961, the first Lightning World Championship was held and that year the Internationals were renamed once again, this time to the North American Championships.

# NORTH SAILS

**OUR  
COMMITMENT TO  
THE LIGHTNING  
CLASS  
GROWS . . .**

## **Dave Curtis Joins North**

North Sails will now benefit from Dave Curtis' experience making fast Lightning sails and from his future participation in class regattas.

## **More Sail Development Than Ever Before**

Our 1985 sails were fast, but as a result of our constant regatta participation and intensive testing we've designed faster sails for 1986.

## **Many Solid Regatta Performances**

North customers found their '85 sails faster and easier to use. North sails have been first in the Midwinters, Southern Circuit, Canadian Nationals and Open, President's Cup, Northeast Champs, and second in the World Championships.

# WORLD CHAMPIONSHIP

## THE WIND

It seems that in most major regattas the winds that are anticipated fail to materialize. This year's Lightning Class World Championship, hosted by Little Egg Harbor Yacht Club on Barnegat Bay, was no exception, as the typical 15 to 25 knot sea breeze took a short sabbatical. This follows true to form, since last year's Atlantic Coast Championship at Little Egg, which we attended in anticipation of the Worlds, had little wind for two days.

## THE FIELD

The competition for this event was impressive, headed by defending World Champion and past North American Champion Jay Lutz, and including present North American Champion Mark Bryant, past World and North American Champions Mario Buckup and Tom Allen, and perennial contenders Matt Fisher and Jim Crane. In addition to these and many other Lightning sailors were J/24 North American Champion Ken Read and other one design sailors who have recently been at the top of the class.

## THE TEAM

Our team included, of course, the skipper and two very outstanding crew, Karen Neri and Betsy Gelenitis-Alison. Karen is a very experienced and hard working crew who had been practicing with us weekends and evenings for several months, while Betsy is three time Rolex Yachtswoman of Year and the World Woman Keelboat Champion.

**MARY HUNTSMAN Photo**

As skipper, my job description includes starting the boat with free air and steering around the course as fast as possible. But that's where my responsibility ends. The crew, Karen and Betsy, do everything else.

## THE RACING

The winds for the Worlds were difficult, usually very unstable westerlies making the legs of the course quite shifty and very unpredictable. The regatta changed leaders with almost every race. Staying nearest the top were Brazilian Mario Buckup, an Olympic sailor and past World Champion of the Lightning Class, and ourselves.

Going into the last race Mario was first by 4 points over our team with Ken Read two points back, and defending Champion Jay Lutz just one point in back of him. All of us had a real chance to win, which made the last race of the series very, very exciting.

## LAST RACE — THE CHAMPIONSHIP

Finally the southerly that the Little Egg Harbor is famous for came in at full 15 knot force, conditions where we knew we were fast. We felt that to win the Championship we had to have a little faster start than Mario.

Based on the point spread of the first three boats, our wish list was to have relative positions with us first, Ken second and Mario third a quarter of the way up the beat. This positioning would encourage Ken to keep Mario back, therefore widening our point spread over him and perhaps allowing us enough points to win the event.

After two general recalls we had a fair start. The best starters this time were Tom Allen, Matt Fisher and Jim Dressel, all near the left end of the line. Looking at the regatta contenders, Ken Read was first with our team just behind and Jay Lutz next. Mario had a poor start. As the leg continued Ken tried to keep us under cover to maintain the two points he needed to beat us, while Mario was well back.

About three quarters of the way up the weather leg our team moved ahead of Ken into approximately third or fourth place. At the weather mark Matt Fisher rounded first with Jim Dressel second. Larry MacDonald, on starboard tack, approached the mark in third place with us in the same position on port tack. It became evident we could not cross Larry and we had to jibe around, losing several boats to round eighth. Jay was ninth, Mario was fifteenth and Ken Read was about twentieth (we found later that he suffered a collision before the start that put a hole in the bow of his boat and continually filled his bow tank with water).

At this point, in order for us to win we could finish no worse than fifth and put four points between us and Mario, or finish first with three points between us and Mario. In effect, winning would give us a bonus point, a point that we weren't about to lose. As Betsy and Karen would say, we "went to work", looking at nothing but winning the race.

With Karen hiking hard and Betsy trimming the chute in the building southwester our boat gained distance on the leaders but could not pass. However, by the time we reached the leeward mark Mario's position had improved to twelfth, four points behind us and clearly winning the regatta. Starting the second weather leg, Matt Fisher was first with a comfortable lead over Larry MacDonald, Tom Allen, Manuel Gonzalez and Jim Dressel. At the second weather mark Matt Fisher continued to lead with Tom Allen second, Stu Nickerson third, Manuel Gonzalez fourth and our team climbing to fifth.

On the dead downwind leg we passed two boats to round third behind Matt Fisher and Tom Allen. Meanwhile, Mario Buckup moved to approximately tenth place. At this point we were winning the regatta but the very clever Buckup had one last weather leg where he was very capable of picking up several boats. As the leg progressed Mario overtook two or three boats to move into a position to win the event. However, with outstanding physical strength and endurance Karen and Betsy kept our boat flat during 25 knot puffs and Betsy called shifts perfectly to take us from third to first place, winning by a very comfortable margin. As we crossed the finish line Mario was still passing boats but Karen and Betsy had put us into the regatta lead to stay.

The Little Egg Harbor Yacht Club must be commended for the outstanding performance of their regatta committee and race work, especially in the difficult wind conditions of the first race.

**Shore's New All Purpose Main**

The first new main made its debut in the World's this past summer. **Result — 1st!** The next three which were put into production went to the NA's. **Results — 1, 2, 5!** Now the added durability of radial corners makes this main unbeatable.

**Shore's New AP Jib**

The new jib shape is made to perfect compatability with our new main. Added shape in the upper third plus a radial clew for more durability, equals speed!

**Shore's AP Spinnakers**

Still unbeatable in all conditions. Upgraded tear strength and corner construction for more speed in 1986.

# 31ST SOUTH AMERICAN CHAMPIONSHIP

*By German and Tito*

The 31st South American Championship regatta was organized this year by the Peruvian yachting Association, and held January 16 to 20, 1985 on the waters of Callao Bay. Callao, a Folklore town, is half an hour from the capital, Lima, and is a nice place with long beaches and warm waters.

Sailing conditions are ideal at summer time and this year was no exception. The bay offers sheltered waters, and constant trade winds vary from 5 to 15 knots. During this event the weather, as usual, was sunny and warm with no tides or currents.

Entries included one boat from Colombia, three from Ecuador, seven from Peru, and four from Chile. Brazil and Argentina didn't show up because of the difficulty bringing their boats over the terrain by car. All foreign delegations were housed at the Peruvian Marine.

To fly to Lima usually takes 3 hours, but our trip was full of emotions. After three stops in our small local airports in Chile we landed in La Paz, Bolivia to make a connection to Lima. At the airport we saw the Police's dogs smelling our luggage including our sails to make certain that we were just sailors.

After a short visit to La Paz (3 hours) by taxi we finally got into the airplane, until the engines were fixed at that time, we were suffering the effect of puna (lack of air), finally we arrived in Lima.

Manolo and his crew went by car with double deck trailer where our boat was carried. They spent five days driving 3000 Km. with a couple of "Panne" on the roads.

On the other hand one of the other boats from Chile (Macuco), supported by Alan Vicente Bond and skippered by "Serrucho" Cubillos, weren't so lucky on the way from Santiago to Lima when at 4 o'clock in the morning "Niki" Olivares (Manuel) the driver M.N.O. took off out of the road (sleeping— crushing the car and breaking the boat.

Fortunately this crew made the Regatta arriving hours before the pre-race with the help of a truck. Next time drive slow, guys.

The six races were well organized by the Peruvians as were the social events. We appreciate the kindness and treats from our country brothers.

The closing ceremony and later the dinner with the flyn Dutchmon Barreda at "La Rosa Nautica Restaurant" (special invitation) was unforgettable for the whole Chilean team.

Well, we can't forget the runner-up of this event because he has been so many years in the Lightning class and he deserves our congratulations for his competitive performance during the series. Keep going Dr. Pepe Barreda, you are doing super!

If we are lucky to win again we promise everybody to send a dozen pictures, a couple of copies of the standings and a real explanation of how we won!

P.S.

The only inconvenience we had was to rescue Jaime (spinaker man) from the Gibeloa boat in between races.

# 33RD EUROPEAN CHAMPIONSHIP

by Christoph Luthy

*European Champion Christoph Luthy sailing "Domi-nike" with family three days before the European Championship. From left — Dominique, Corinne (8 months), Christoph, Monique, and Florence. There were two other adults and two children on board with the Luthys when the picture was taken.*

The 33rd European Championship was well organized by the Cercle de la Voile de Grandson on the west end of the lake of Neuchatel. The weather forecast for that whole week of the 21st to the 27th of July became exceptionally sunny, dry and extremely warm; real vacation days. The first thunderstorms and strong gusts, which are otherwise quite often during that time, came one hour after the championship was over. Maybe it was some luck to us.

We arrived at 9 o'clock in the morning of July 21st, the second measuring day in the harbour of Grandson. We were the latest coming, all were waiting (for us); almost all boats and sails were measured. Sail measurement was quickly done by Certified Measurer Urs Wyler and his crew. Our old Murphy & Nye Spy of 1975 could just be moved to the minimum marks on the floor and we were very happy to sail still with our good and light tight reacher. Then our 8 year old *Domi-Nike* was hooked up at the hoist. We had to put in a total of 12 kg lead, one piece more than two years ago. We found finally a great piece of a thick rail, which we fixed under the cross-seat.

In the tune-up race, great *Domi-Nike* seemed to be as fast as she was in 1978 and 1983. I wanted to try some more rake in the mast as usual. I have now more than 1,50 meter. It was a good feeling. I knew, I have a great boat, and a good crew with Peter Taschler and his girl friend, Eveline Sonderegger. We were very light, which should be no problem, when the wind would not exceed beaufort 5. The boat was well prepared. I had spent three vacation days before the race to work on details. Great attention was put for all to the under water surface and to the centerboard. Both had been cleaned with acetic acid, treated with new filler carefully where

necessary, smoothed and polished with silicon turtle wax. All seemed optimal, when we crossed the line direction northeast in the morning of July 22nd. We were in the top fleet at the weather mark, but we were about at the 20th place when the wind had died and the race was abandoned at noon. What luck! The fleet was towed home for lunch.

Late afternoon a Joran, a termic wind coming down from the Jura range was blowing with force 2-3. Good tacking in the slightly shifting wind conditions was very important. We finished first followed as in the tune-up race by Maenpaa from Helsinki and Wyler from Murten. The Greek boat with a young ambitious top crew was fourth and Galletti, the Italian Champion in the 470 was fifth. From the top crew we missed only George Andreadis from Greece, who regrettably could not defend his title in Switzerland.

The second day became very hot and very long. From ten in the morning to one in the afternoon we were sitting around before the starting line waiting for wind. Eveline was very happy laying in the sun on deck doing nothing. I decided to have a clear head and stayed mostly behind the sails in the shadow. We were towed in again for luck to the pleasant clubhouse. At four in the afternoon the fleet, crossed the line for race Number 2 — direction southwest. We decided to start at the very right side and to make first a short tack to starboard, because I felt that the wind would turn to the right quite early. Yes indeed, five minutes later we moved back to port direction first mark far in front of the fleet. However what we realized first was learned by others soon, and the fleet moved further in the direction of the new wind. We were caught soon, when Perret and Schar a little later were planing under spinnaker direction of the first mark, the committee decided to abandon this unfair race, which was once more much better for us.

At five o'clock we had a good start. As the day before we were pointing against Joran direction west. Behind Galetti we were second at the last mark followed by Wyler. Then we did not realize another windshift to the right and with the upfresching wind Scharer and Schar passed us with full speed from behind and moved in first and second in front of us.

At seven in the evening the committee decided to run the third race immediately following, because the weather forecast allowed no delay to finish the whole series. This start should be a real chance to us. I was feeling still in very good condition and some other crews seemed to have received enough (sun) for the day. We rounded second again, at the last mark behind De Regis, and the fleet seemed to be under control, since we were carefully watching now for a windshift coming from the right. Near the finishing line we were astonished however to be caught up by Aromaa, who came from far behind on the other side of the race course. He crossed our bow from left and moved in first, before us, De Regis, Wyler and Despland. With a five point lead after three races in front of last year's runner-up Wyler, we were very lucky and realized our chance to win our first European's and we wanted to win this time. But, at the harbour, Wyler and we were called in astonishingly to the jury office

by Nicchiarelli, who saw us infringe against rule 41.2 on the second weather leg without doing any protesting. But we could not remember to be in any unfair situation by our best knowledge. The curious protest was rejected concisely by the jury, and we were both lucky, because none of us would ever have been profited more, when team-racing against foreign boats, which is not a Swiss manner.

The fourth race was started in a light termic wind from north and was strongest along the southern borderline of the lake. The boats, who found the best way throughout the seagrass near the shallow border rounded first at the weather-mark and didn't lose their position to the finish. Galetti won that race in front of Mantzagriotis, Wyler and Vitaggio. We ended seventh only, because we had an infringement with Aromaa on the first leg and were obliged to make a full 720° turn. That was our throw out! We realized, that our boat was not as fast as before. Back in the harbour we found then some of that damned seagrass in our centerboard trunk, even though Peter dived below the boat 10 minutes before the starting gun to clean the centerboard hole from dirt.

The fifth race was quite familiar to the fourth. Wyler had a lot of courage and sailed nearest to the right borderline rounding first always. We just caught Lambelet on the finishing line and got second, Maenpaa was fourth, Galetti sixth.

The situation before the last race was still open for the first three boats. Galetti however could only win the series with another first and only then, when we were no less than sixth and Wyler worse than fourth. To beat Wyler we should cross the line at least behind him, in that case he would be under the first five boats. Otherwise we should be in front of him, because of Galetti, he was not going to match-race us out of the race.

The sixth race was started again in light, but more

unsteady, wind from the north as the days before. We were starting in the middle of the line in free wind. Galetti was on the left side, pointing far out in the open water. Wyler did go along close to the borderline as he did before. Watching carefully to both we rounded about sixth or seventh at the first mark in front of them. On the second weather leg we observed that the wind tends to turn to the left, and Galetti passed us from the sea side. Although the boats moving down the borderline under spinnaker had good wind, we took the middle way down to the leeward mark. Galetti began his last leg by a tack to port. We were following him to the seaside, but tacked earlier below him on his leeward side. Because the wind was still turning left, we could point the finishing line in a long tack. Galetti really had a fine nose and caught the leading Maenpaa quite on the line and got his necessary first. We ended happily in the third position followed by Despland. Wyler finished seventh and lost his second place over all to Galetti with the same number of points because of the bad last race.

With the last boat crossing the line, the wind died and with it the stable weather-situation. Hours later, gusts and thunderstorms were coming from the west, — but we were sitting together enjoying ourselves in the mountain cabin, eating huge breadslices with melted cheese and drinking bottles of wines of that region. The race was over, we had fun, we had won!

This championship at Grandson was a real vacation — trip for all of us, winners and losers. The hospitality of the people of de Cercle de la Voile de Grandson was great. Thanks goes to the President of the Organization Committee, Gilbert Despland and his many helpers. We had a lot of fun. We never will forget the great parties, as the one we had at Achille Crivellis home, DuPasquiers wine cellar, and the official dinner inside the courtyard of the Castle of Grandson.

# TUNING-UP FOR THE NORTH AMERICANS

(via the Masters, Juniors, and Womens Championships)

*By Lal Burridge*

You know, any one who is good enough can qualify for the North Americans, and all the pros and hot shots are usually there. But the real heart of the Class is found in the weekend sailors, the fleet sailors, the Juniors, Women and Masters.

Not only is attending one of these regattas a practical aid to you if you are sailing the following week in the North Americans (you get your boat pre measured and have an opportunity to tune-up in the local waters) but it is also fun, and it is good competition among your peers, and it does a tremendous service to the Class by stirring up interest.

To me, it was sad to see only eleven Junior teams this year, and four Womens teams. There are a lot of ladies who follow the regattas and sit around the yacht clubs all day waiting for everybody else to come in. But others wind up crewing, and some even skippering. Why not come to these Championships the week before the NA's?

The Juniors are the future of our Class. If you have Junior crew and you plan to come to the North Americans, why not send them on early to sail your boat and get it measured in? You will be giving a very worthwhile experience to a Junior sailor. As I said in my report on the Masters Championship,

I have seen every Junior Championship since the class offered the event in 1974. I have seen Juniors grow up to win the North Americans and become North American Champions. I have seen Juniors become Vice Presidents of our Class. I have seen Junior NA sailors become their District Commodore. I have watched as Juniors have gone on to buy their own boats once they are out and working, and these people are presently competing in our Class.

The Juniors, it is true, are the future of this Class, and if we do not support them and if we do not urge this participation, we are not doing right by the Class.

Oh, very well, you may say.....What about the Masters? What future is that? I will just ask you this...What greater future can you see than a Class in which you can race competitively for years, years, and years in good competition, good fellowship and good fun?

I urge every one of you, talk to your fleet members and start lining up your teams to compete next year in the Juniors, the Womens and the Masters Championships. YOU will not regret it and THOSE TEAMS will not regret it. Just come on out and DO IT!

See all of you in Henderson Harbor!

# 1985 MASTERS CHAMPIONSHIP

*By Lal Burrridge*

For a number of years now I have enjoyed attending North American Championships either as skipper or as crew. When my son, Matthew, began racing the Juniors, which was at the first one in 1974, we began trying to spend that earlier week as well and always found that it was enjoyable. It gave us a chance to check out the water even though we were not out there skippering and racing. In 1985, however, everything came together beautifully for us. I was 55, certainly above the 50 year age limit for the Masters. Matthew was able to get the extra week off and at 25 years of age could crew for me. I have the distinct feeling and disbelief that with Matthew in the front of the boat calling the tactics and shots, I can do anything. All we needed was to find a 40 year old crew for us and make up the total age of 120 years. Rob Zerban, Scott Zerban's younger brother, was going up to race the Juniors. Scotty was going along because he was going to be racing the North Americans. We talked to their father, Don Zerban, an old Lightning sailor who has since gone on to other boats. He was 45, so we had the total age. The only problem was an impending trip to Saudi Arabia that Don, who is known to his friends as Dez, was able to reschedule for a week. It all looked wonderful. We had heard from various sources that the whole Michigan area was a virtual hotbed of "Old Saltism" and we could expect quite a few local boats for the Masters. We knew for sure that Crit Currie would be there. We expected some others that did not show up and that was unfortunate. In talking to old friend, Jim Carson, we suggested that he ought to race it too. He was not able to find any crew, but we were able to locate him some crew to make the age limit, including Dan Moriarty, who was going to be crewing for Scott Zerban in the North Americans and the father of my North Americans crew, Ron Frecker. Their combined ages exceeded 120, so Jim decided to do it.

The next problem was housing, and we found that everything had pretty well been sewn up for the week of the North Americans. There were several places available for the week of the Masters, but nothing the following week until we found Danny's Resort, which had a cottage for both weeks. We wound up with eleven people using one bathroom, two vans and the two bedroom cottage, but we did survive it.

The trip up to Tawas Bay, Michigan, was dreary and cold and wet. We arrived with it blowing thirty to thirty-five and raining, late at night. We dropped the doubledecker off at the harbor along with the other single boat and found Danny's Resort.

The next day we got into the measurement, registration and setting up the boats. This is, of course, one of the very practical advantages to racing the Masters (and the Juniors and the Womens). You get an opportunity to get your boat measured the week before. Most measurement committees are delighted to do this, because if they can measure a lot of boats the week before, that takes a great deal of crush off for that weekend before the North Americans.

It was with great disappointment we found that there were only six boats registered for the Masters. It was with joy that we saw Roger Grohne roll into the parking lot towing his Lightning all the way from Decatur, Illinois. Roger had with him Henry Paul, who has not been in Lightnings crewing for

some years, but is back and it was good to see him, too. We were able to give Scotty Zerban a ride that week with Roger Grohne to fill out their crew.

The cast of characters there for the 1985 Masters Championship was myself with crew as previously described, Jim Carson, Herm Nichols, Crit Currie, Paul Militzer, Roger Grohne and Doc Gilbert.

Racing started on Wednesday, the 7th of August. The Juniors were to have the first start, the Masters the second and the Women the third. There were only eleven Junior boats, there were only four Women's boats. That meant that there were only twenty-two Lightnings churning up a small piece of Tawas Bay and the water was not very crowded. Charlie Schreck was the Race Committee Chairman working from Woodpecker, a bright finished sloop.

The format was that the Masters would race only the first race of the day, whereas the Juniors and Women would go on and race two races for the first two days and the Women would only race one race the third day, but the Juniors would go onto a six race format with one throw out, the Women to a five race format, no throw out, and the Masters to a three race format, no throw out.

The first day the wind was generally southerly at ten to twelve. It was a nice sunny day with a few clouds and a rather sparkling day. We watched the Juniors go off and to us it looked as if the left side might be somewhat favorable and we expected that the sea breeze, if it came in, would come in and cause things to go left. We went for the pin end of the line and got off about a third of the way up from the pin in clean air. For a while it looked as if we might get sailed over, but then we were left to our own devices on the left side, as everybody tacked off to the right. We found a nice little header and went on it and found ourselves over the whole fleet as we came across. We went up the middle left playing the shifts as we went, working our way back towards the pin and rounded first very shortly ahead of Carson, Herm Nichols and Crit Currie. Things stretched a little bit on the first reach, but the positions did not change much. Through the jibe and down the next reach not much changed. Up the second beat we again played the left center, but were now more interested in staying between the competition and the mark and held a very loose cover. The second weather mark

it was Burrige, Carson and Herm Nichols. Those positions did not change through the next two reaches nor did they change up the last beat and that is the way it wound up.

The Masters then went back to the harbor and there was a certain amount of comraderie and lie-telling in the parking lot. As I recall, our bunch then went back to Danny's Resort on the shores of Lake Huron and took a dip off the beach. We went back to the club that night and there was an impromptu party that was in progress, which we joined.

For the second race on Thursday, the 8th of August, the air was in the same general direction, but up maybe a knot from the day before. The shifts seemed a bit more and there were a few holes. In fact, the air was a little bit ratty. The chop was about the same, one to two feet. We again liked the left side and went down towards the pin, but we had Carson under us this time and had some difficulties getting loose. We tacked off for clean air and when we came back, Carson was over us. We chased him the whole way, but were never able to catch him. We ultimately worked out a second and Herm Nichols third.

At the end of two races, with one race to go, the situation was Burrige and Carson tied, with three points each and Herm Nichols third place with six points. It looked like a two boat race.

On Friday, August 9, we sort of thought that Jim Carson expected us to be match racing him. We watched the Junior fleet go off and watched their angles and became convinced that the left side was favored. We decided not to match race, but to go for it. We started in clean air by ourselves at the pin and noted that Jim Carson was involved with a gaggle of boats up near the boat end. We went out to the left and found a very nice header, tacked on it and came across over the whole fleet. Carson was still involved with bad air and trying

to break loose. We moved out and held a very long loose cover and went for the weather mark. We rounded first. It seemed that the next three boats rounded altogether, being Nichols, Currie and Carson. The race continued on that way. Throughout the series this far, Paul Militzer had shown surprising upwind speed in the last beat in both of the earlier races. In the third race, he showed the same speed up the second beat and the fight for second place in the race became a four boat race between Nichols, Carson, Currie and Militzer. Nichols and Currie were moving up and decreasing our lead up that second beat and trading positions with each other as they would cross tacks. Militzer was chasing Carson and Carson was trying to get by Nichols and Currie. A few of those positions traded back and forth on the reaches as well, but going up the third beat that was the situation. We held on to first place in the race and the Regatta, finishing only a few boat lengths in front of Herm Nichols, who finished shortly before Crit Currie. Paul Militzer came on to nip Carson at the end, finishing fourth, and Carson finished fifth. The standings in the Regatta, thus, were Burrige, first with four points; Carson and Nichols tied with eight points, but Carson winning it on the tie breaker being second; and Nichols third. Out of trophies, but fourth in the standings were Crit Currie, fifth was Paul Militzer, Sixth was Roger Grohne and seventh was Doc Gilbert.

The Awards Banquet that night was a terrific party. Needless to say we were happy, but so was everybody else. It had been a great three days of good racing, enjoyed by everybody.

# 1985 JUNIOR NORTH AMERICANS

John Swanson

After a fun summer of sailing, practicing and regattas at the Buffalo Canoe Club, my crew — Joe Donovan, Scott Kinerk and myself were psyched. We packed the boat, sails and gear and drove west to Tawas, Michigan for the Junior North American Championships. A regatta that was the highlight of our summer and the thrill of our lives!!

We arrived at the Tawas Bay Yacht Club at 3 p.m. and were greeted by very friendly and helpful club members. Our sails and boat measured in and that was the easier part of our day. We then began the complicated part, the process of trying to get Larry MacDonald's boat rigged and ready to sail. (If you have ever seen his boat I'm sure you understand.) It is a good fast boat and we wanted to make sure everything was ready to sail fast.

The next morning we were all geared up and ready to go to the club at 8 a.m. That is to say that I was. My crew thought 8 o'clock was a little early and they still needed more beauty sleep. Finally we arrived at the club for the skippers meeting, rigged and launched the boat and were sailing out for the race course. Once out in the bay we found a moderate breeze with 10 degree oscillations.

At the start of the first race I was quite timid which caused us to have the worst start of the whole fleet — 12 Lightnings. The first windward leg we played the shifts on the right side of the course and by the second upwind leg we had worked ourselves through the fleet and into fourth place, a minute and 30 seconds behind the leader, Jim Allen. By then the wind had increased to 10-15 and had shifted left making the reach very tight. Most of the boats went high to pop their chutes, but since we had a crew weight of 470, Joe and I decided we could handle the wind. We popped our chute immediately and sailed for the jibe mark. By doing this, we caught one boat and at the jibe mark we were on the transom of the second place boat, Larry Colantuono. The next leg we managed to hold our own with the rest of the fleet, but lost a

little to Larry. Just after rounding the leeward mark, Larry tacked and Jim Allen tacked to cover him. We cleared both boats, then tacked with them. As Dave Starck rounded that mark his jib halyard broke. By the time he was able to make the repair he was forced to sail the right corner of the course. (Dave had just arrived that morning after finishing second in the Sears Cup semi-finals in Detroit.) Halfway up this last windward leg the wind died, then came up out of the north. This was a break for us as we were able to lift up inside of Jim and Larry and lay the finish line. We crossed first and Dave who came reaching out of the right corner was second and Robert Zerban was third.

Just before the start of the second race our jib halyard broke. With a quick jury rig we were able to start the race, but again a terrible start! We did sail our way up to third by the weather leg and positions did not change throughout the race. Steve Hayden, from Florida, got the first place gun at the finish line. David Starck was second and we crossed third.

The conditions on Wednesday for the third race were a nice southwest breeze with a slight chop. At the starting gun and red shape Dave, Steve Hayden and myself were over the line early. (I finally was aggressive.) Dave and I restarted, but Steve did not, so of course he was heartsick when he heard no gun as he sailed over the finish line. Jim Allen won the race, followed by Jim Nicolini, Dave was third and I was fifth.

At the start of the fourth race the pin was slightly favored which is where Larry and I started. Right off the line we rolled Larry and proceeded to tack up the middle of the course. At the weather mark, Jim Allen was first and we were second. By the jibe mark we were right on Jim's transom, and we managed to pass him by the time we reached the leeward mark. We were able to hold Jim, finished first, Jim was second and Dave third.

Thursday — Day 3 — Races 5 and 6 with one throw out for the series! Another perfect sailing day, the third in a row. The T.B.Y.C. really knows how to order perfect racing conditions. Competition is getting tighter and tighter! This day will determine the champion. The first race of the day or Race 5 was just one of those races where every way we went was the wrong way. We all have them and this was ours. So we quickly wanted to forget this race. Jim had another first place gun, Steve Hayden, second and Dave Starck a third. We were fifth. Dave was by far the most consistent skipper — after 5 races he had 2 seconds and 3 thirds.

Race 6 — last and final race. Tension was building, emotions were high. Dave, Jim Allen and myself, all from the Buffalo Canoe Club and all good friends, were tied at 10 points with a drop race. At the start we all crossed the line with clean air. Dave and Jim sailed to the right side of the course. I sailed hard left (Daring!) As we converged at the weather mark, Dave and Jim, with Jim maybe a half a boat length ahead of Dave were coming in on the starboard tack, I was approaching on the port tack. It was going to be very close and exciting. Steve Hayden had a nice lead and already had rounded the mark. What to do??? Can we clear Jim? Should we duck in behind them both? This could be the deciding tack of the whole regatta. My crew Joe Donovan said, "Duck, play it safe!" But Scott said, "GO FOR IT!!" By the time I decided what to do it was too late to duck. There was about 3/4 of a boat length of room to round the mark. By some small miracle, no — a BIG miracle, we managed to

heel the boat, round the mark and cleared Jim and Dave by inches!! Now we really had to concentrate, sail our best and cover to keep Jim and Dave behind us. Steve sailed an excellent race, leading all the way to the finish. We were second, Dave passed Jim and finished third, Jim fourth. We had broken the tie and were now the new Junior North American Champs!!!! On the sail back to the club, all we could say was "WE WON! WE WON!" Much elation and still some disbelief!

The Awards Banquet followed that evening for the Masters, Womens and Juniors. A great thrill to be the recipient of the Class silver serving dish and the beautiful wooden book rack made by members of the club. This concluded the regatta with a great party at the club, complete with the singing of John Valby.

I would like to thank my 'ALL-STAR' crew. They were really great, told me what to do and where to go. Thanks to my sister, Jody, for all her help, Larry MacDonald for the use of his boat, and the Tawas Bay Yacht Club for hosting one terrific regatta. The Race Committee, Stake Boats, Protest Comm., the Scorers, the ditty bags, the food, trophies and the parties — so many members worked so hard to make it all happen. And of course my sincere thanks to all the Junior sailors who made the effort to sail in this regatta, and made for such keen competition. I am already looking forward to next summer and hoping all those Juniors who will still be eligible will be there sailing at the '86 Jr., N.A.s at Henderson Harbor.

# 1985 NORTH AMERICAN CHAMPIONSHIP QUALIFYING SERIES

By Georges Peter, M.D.

Jim Crane was near perfect in the Qualifying Series, winning three and finishing second in another (his throw-out race). Close behind Crane, who won the 1972 and 1979 North Americans and consistently does well in the qualifying series, were the reigning World Champion Bill Shore, Jody Lutz and Ched Proctor, all of whom finished within one point of each other. Shore, after an initial 6th, finished 1-1-3, and both on the water and ashore seemed confident, relaxed, and well-prepared to win yet another North Americans. Proctor, the 1985 Mid-Winter Champion, won two races and Jody Lutz had three consecutive seconds. Other top qualifiers were Jack Elfman (4-3-9-2), Fisk Hayden (5-2-2-8), Pat Considine (9-6-3-1), Phil Lotz (16-2-1-7), Tom Allen, Jr. (4-3-5-6) and Goldsmith (2-13-4-7). Tom Allen, Sr. finished 19th in the first race, but easily qualified after winning the fourth race. The Allen family was again well-represented at the top, with Brenda crewing for Crane, Anne (in one of her rare returns to crewing in a major series) sailing with Tom Jr., and Jim trying to keep his father in line one more time (maybe it was vice-versa!). The Chileans (Manuel and Alberto Gonzalez and Rodrigo Zuazola, all members of the 1984 Chilean Olympic Team), had two excellent races and were going particularly fast upwind, sailing with characteristic South American enthusiasm. They also clearly identified themselves as legitimate title contenders.

The four race series was sailed in mostly medium or better (10-18 knots), reasonably steady east and southeast breezes and often sunny skies. Luckily, the bad weather for the week was limited to the day preceding the first day of racing, which was humid and rainy with threatening squalls and resulting cancellation of the practice race. Jim Crane was seemingly very frustrated by the long lines for boat and shroud measurement, but by the next day with two quick bullets had regained his cheerful disposition.

The first day's race was started in a light easterly. Heeding Garry Demarest's article on local conditions in *Flashes*, the fleet worked right, only to find the puffs and lifts coming from the left. Goldsmith, a local in these waters, was not fooled for long, played the left and led his fleet at the first mark. By the second leg, the variable breezes had resulted in mixing of the three fleets and a seeming 85 boat race. Demarest also was not fooled (his pre-NA article about Tawas said only "normally shifting to the right"), and worked into the lead in his flight. Thereafter, the breeze picked up, skies cleared and the remaining three and one-half races were sailed in excellent conditions with typical Great Lakes short, somewhat steep chop and only one major shift, a big left-hand hook on the last leg of the Yellow Flight's final race (which for us almost offset six legs of my lousy skippering and gave us enough points to make the "cut").

In the second race, the left again was favored. Goldsmith (against whom we sailed in every race) started at the pin, did not have free air but sailed low in order to get free air and stay to the left. The reaches in that race were great — tight on the first and freed up on the second with great waves to ride. We lost a crew overboard on one of them, so I lost track of the boats ahead of me at that point. Having lost crew

overboard twice this year, I am a firm proponent of life-jackets in any breeze in which a Lightning could be hard to handle with only two people. In this case we recovered quickly, as I had the benefit of very experienced and capable crew, but the potential for a tragedy in such situations does exist. The following day, the conditions were equally outstanding, allowing the series to be completed on schedule. The races were superbly run with excellent starting lines and good courses.

The top finishers in the Qualifying Series were very similar to those in the North American series, as six of the top ten qualifiers finished in the top ten of the North Americans. Unlike in the Championship Series, however, the drama of the Qualifying Series is not in the top finishers. The top crews usually have their positions well established early, racing the fourth race only for pride, crew work and "momentum" (one of the great cliches of sports commentators, which in plain English means self-confidence). Twenty crews entered the final race with scores that guaranteed qualifying (i.e., usually anything less than 30), but another 31 boats had a legitimate chance to qualify. As in Seattle, the magical figure was 31 low points, although in Tawas 35 boats qualified in comparison to 37 in Seattle. The last qualifier and winner of the Fallon Trophy was Clarence Holman, a perennial Blue Fleet qualifier in the past. After all the work he did in measuring sails, Clarence was a most deserving qualifier. The Fallon Trophy is named after the late Tom Fallon, former Class President and Buffalo Canoe Club Commodore, excellent sailor, and most important a wonderfully enthusiastic and supportive person. In receiving this award, Clarence joins a distinguished list of past winners, which includes Jim Carson, Don Brush, Len Krawcheck, and Dave Nickels.

# LIGHTNING CLASS NORTH AMERICAN CHAMPIONSHIPS

Winning the 1985 World Championships in June was a great thrill. Unfortunately, this left me emotionally and mentally drained, not the perfect frame of mind to be in entering the North American Championship in Tawas, Michigan. My Worlds crew, Betsy Gelenitis and Karen Neri, were busy getting married and having children, respectively, but I knew if I could put together another good crew and start racing we would quickly obtain the proper winning attitude that is so important in these events.

Fortunately, I was able to enlist Don Brush and Mark Osterman. Don, a veteran Lightning sailor from Burlington, Vermont joined Mark (Don's regular Lightning crew) from Montreal to form the Shore, Brush, Osterman team. This supplied us with necessary experience to gain confidence in our boat handling, the most important ingredient. From the Worlds, we knew we had a fast boat, and with the same mainsail shape developed from the spring we felt the sails were perfect also.

This year's North Americans drew several good teams. Chileans Manuel Gonzalez, Alberto Gonzalez and Rodrigo Zuazola had been training for a couple of years, preparing for their Olympic bid in Los Angeles. Jody Lutz (who finished third in the Worlds crewing for brother Jay), with Richard Thomas and Karen Cady, has been performing very well in the Lightning class for the last couple of years.

Ched Proctor, Tom Keogh and Kathy Ritchie from Westport, CT finished first in the 1985 Midwinter Championships. Phil and Wendy Lotz, sailing with Rob Schoelkopf, have won several regional regattas and placed high in many major events. Also entering were Bruce Goldsmith, Jim Crane, Garry Demarest, Mark Bryant, Tom Allen, Larry MacDonald, Jack Elfman, Jim Carson and a long list of Lightning class regulars. To us it was not yet clear which of these teams would be the competition and we knew that it would take three or four races to sort positions out. Hopefully we would be near the top or at least close enough to be in striking distance by the last race.

As the regatta progressed, it evolved that we had a very good chance of winning with Manuel Gonzales and Jody Lutz just behind. Our finishes in the first three races were 2,1,1. These finishes did not come easily. We capsized with 15 minutes to go before the start of the first race and started the race with quite an accumulation of water in the bilge bailing out up the weather leg. In the second race we were over the line early and were a little slow in restarting, but somehow wound up rounding the weather mark first. In the third race we were forced to go to the left side of the course (which we considered to be the wrong way to go) but found a left hand shift and won the race.

With that kind of luck and leading the regatta we covered

the competition for the next two races and entered the last race with a slight edge over Manuel Gonzalez and Jody Lutz.

### THE LAST RACE (A)

As we sailed out to start the last race in very light conditions, the race committee held up the start for the wind to stabilize and increase. When starting time came our team had a good start and sailed up the middle of the course with our competitors to the left. A major right hand wind shift put us well ahead of Manuel and Jody and allowed us to round the weather mark around fifth place with our competitors well back and an apparent North American victory in our pocket. We passed a couple boats downwind and started the second weather leg in about third place with Jack Elfman leading. As we started the leg we received word that the race committee had abandoned the race because of a major wind shift which affected our race slightly but affected the Presidents and Governors Cup race substantially.

### THE LAST RACE (B) ANOTHER THRILLER

As we prepared for the last race (again) the wind began to increase to a velocity that we were very comfortable with, as of course the more wind there is, the fewer surprises up the weather leg. Or so we thought.

With a good start under speedy Garry Demarest we had just started to pull out in front of what I considered the front row when suddenly my hiking strap broke and overboard the helmsman went. The boat immediately tacked to port as the crew dragged its skipper back into the boat. Miraculously, we never ran into the seemingly hundreds of starboard tackers bearing down on us. With the wind increasing to about 20 knots it was difficult to develop the proper speed to get back into the race with only two hikers. However, Don and Mark called some perfect shifts and we started to poke our nose up into about the second row of the fleet.

After getting back to about fifteenth place halfway up the weather leg, we tacked under a group of starboard tackers. Suddenly the hiking strap of Don, our forward crew, broke in the same place as my strap and overboard he went. (The straps, incidentally, were not from a builder but were obtained as a great deal from a second source). By the time we retrieved him we were again near last place and very much out of touch with our competition, Jody and Manuel, who were sailing very fast.

Once we got Don aboard, we had three people hiking from the center strap, with the wind blowing about 25 knots. We picked a few more small shifts to get ourselves out of last place and into about twenty fifth as we approached the second mark seven boat lengths below the starboard tack layline. At this point our team was in deep trouble as Jody and Manuel were sailing well, rounding the weather mark in approximately fifth and seventh place. It looked as though we would have to struggle to maintain a third place in the overall standings.

Just as we made our final approach to the weather mark on port tack an opening appeared amongst a couple dozen starboard tackers, enabling us to round cleanly and gain about 10 boats. That was the mental lift we needed as we set the chute and planed downwind, Mark flying the chute as Don jury rigged two new hiking straps. With everyone hiking we knew we could pass boats, but Manuel and Jody were still so far ahead it was doubtful they could be caught.

We started passing boats one at a time on the reaches, and continued climbing through the fleet on the second beat and the ensuing run. However, the placings starting the last leg had Jody just ahead of Manuel in about ninth spot with our team about fifteenth. At this stage Jody and Manuel were very close to tying for the lead in the regatta with us about three or four points back. Just as in the Worlds, this is where the afterburners were required. With perfect shift picking by Mark and Don we were able to not only come within striking distance of Manuel and Jody but actually pass them, finishing seventh.

Suddenly, we realized that we had come through to win the regatta. Despite adversity we were able to use the experience on board to overcome hazards as they presented themselves. This project owes everything to the crew work of engineer and boat fixer Don Brush and shift picker Mark Osterman.

The 1985 North Americans went off without a hitch in the program. The racing was good, the winds were very good and the central gathering tent after each race was enjoyed by all.

# LEFT IS RIGHT — ALMOST ALWAYS

*By Ric Larson*

Having heard wonderful stories about how great the sailing was in Tawas Bay, I was really looking forward to this year NA's. Sometimes when you build something up in your mind, reality doesn't quite measure up and the letdown creates a disappointment. This was not the case as the sailing and the beauty of the area were every bit as good as I'd thought it would be.

My crew this year kept improving all year long and they did a super job in the NA's. Mike Peterson is a junior in high school and a two year "veteran". This year (only his 2nd year sailing) I moved him from middle to front and he picked up the intricacies of that demanding, fast action position well. Susie Pratt is a sophomore at Tufts, where this year she is crew on the A Team. She was invaluable in helping with tactics and had the right amount of spunk to help me keep my head on straight (skippers never get excited, do they?).

After sailing our way into the Green Fleet during the qualifiers, we were really looking forward to racing in the "Nickels" Fleet (Presidents' Cup). The fun part is looking at who the familiar tough names are and Dave, Louie, and George were all there as well as many others who were all potential winners. We felt if we could sail consistent we had a good chance of winning (but then doesn't everybody?).

**RACE 1** — Even though the line seemed slightly favored at the pin end we were pretty much alone starting down there. Made us wonder if everybody knew something we didn't. Reitingger got a great start just to leeward of us at the pin and held to the left side with us and it paid off as we rounded 1,2 at the weather mark. It was blowing more than we could handle and I commented to my crew that this was Kevin Blair's weather. Sure enough, the second time upwind, Kevin passed us moving fast and sailing flat. We really had a three boat race with the rest of the fleet a way back. Coming in to the finish line it was Reitingger, Blair, and us, and we were congratulating ourselves for a third and wondering why there was no signal when we finished when we saw another orange mark to windward. Panic set in as we scrambled to finish at the real finish line. Dave Nickels knew where he was going and slipped in between Blair and us for a third with us fourth. This was the only time all week that the Race Committee used the optional finish line.

**RACE 2** — We had another good start at the pin end but this was the race where the right side paid off. Fred Hutchinson, who showed good speed all week, blasted his way to first followed by Ray Harrington, Don Humphrey, Louie Nickels, and David Fretz. We were struggling with the heavier conditions and couldn't see what was going on at the front of the fleet. We managed an eleventh. So much for consistency.

**RACE 3** — Beautiful racing weather with only moderate winds and waves. We hoped that our eleventh would be our throwout, but that really put the pressure on the remaining 4 races. Again we felt the leeward end was favored and had a good start. Left paid off (as it was to pay off almost all week) and we rounded the weather mark with a nice four boat length lead. This allowed us to sail the reaches low and in free air, while we watched astern as the typical belly to

windward allowed us to stretch our lead to insurmountable proportions. It was a great feeling to get the gun exactly ten minutes after the gun for the first blue fleet finisher. Hutchinson, Trevor Born, Bob Mathers, and Georges Peter rounded out the top five.

**RACE 4** — Seemed like more people were catching on to the leeward end start and there was quite a crowd. We had a fair start and played mostly the left side. Dave Nickels started more towards the middle and I think went middle right. When we converged at the mark he was first with us in a small pack around 4, 5, or 6. We couldn't seem to make up any ground on the two leaders Nickels and Hutchinson as they were both sailing smart and fast. On the last reach we were in fifth with Born, and I think, Bob Harkrider just ahead of us. Our goal was third since first and second were safely out in front. Our speed felt really good up the last leg and playing the middle right jumped us to close third behind Nickels and Hutchinson. Born finished fourth with Mathers in his beautiful Evergreen fifth.

We gained a lot of needed confidence today and felt we had a chance to win but we would need something to happen to Hutchinson, who was looking great and unbeatable with his consistent 6,1,2,2 finishes.

**RACE 5** — After waiting for the wind for a half a day while floating around in the Bay, the RC's patience paid off as the thermal finally filled in. Fortunately only one race was scheduled and it turned into wonderful conditions. We needed another good race and had to hope that "Florida" Fred would step down a little. Again, we started left and went left and when we came back across we looked pretty good with Dave Nickels just ahead of us at the mark. Our downwind speed was good and so was Dave's so we obediently followed him directly to the jibe and take down marks. Hutchinson was well back but we knew he'd fight his way back up. We passed Dave up the second beat and were not really challenged after that. Tom Ingram put it all together for second with Mathers third, Tom Rumph fourth, and Nickels fifth. Hutchinson worked his way back to seventh forcing him to count his sixth.

At this point we were trying to figure out how we stood. Once on shore it struck us...we could finish no worse than second and were actually in first with our throwout. Prayers were dutifully said that night for one more race.

**RACE 6** — We were happy to see a nice day on Friday so we could get the needed sixth race. As things stood we had to finish ninth or better and finish no worse than two places behind Fred in order to win the Presidents' Cup. It was an exciting feeling to know that it could come down to match race for first and second.

We had gotten so used to pin end starts that we were having to adjust our tactics because for the first time the weather end was favored. We should have played it conservative and started down the line a little way, but that's not my nature and we managed to just squeeze between Hut-

chinson and the Committee boat for a good but scary start. We had clear air on top of the fleet and rolled over Fred soon after the start. Lady Luck was on our side as Fred tacked to clear his air he became sandwiched between two other boats. At the weather mark I think it was Dave Fretz first with us, Born, and Rumph in a pack. At this point all we cared about was locating Hutchinson. He had gotten into a problem at the mark and rounded about 20th. Our move was to sail conservatively which we did right up until the end when I thought I could clear Born on port tack to finish with a second. We just barely didn't and had to do a 720 allowing four boats to get in there. At the finish it was Fretz, Born, Rumph, Jim Gocker, George Nickels, and us sixth. So much for conservative sailing. Hutchinson could only get back to 14th and the Presidents' Cup was ours.

# IT'S GREAT BEING A GOVERNOR

By Tom Hering

We drove seventeen hours straight (count 'em, 17) from Long Island, stopping only for gas, coffee, and single lane construction back-ups in Pennsylvania. By the time we arrived, we felt like three burned out dudes. We were in no mood or condition to challenge other Lightnings, let alone a storm in a practice race. Besides, who needs practice? We were hot and knew we would "at least" qualify in the President's fleet. Enter reality and the qualifying races.

To make a long humbling story short, we succeeded in placing in the top 83rd percentile, or in other words, 71st. Now, if there were several hundred boats competing, a 71st would have been fine, but the fleet numbered only 85, and we were really made aware that Tawas was not an Invitational, it wasn't even the Districts, it was the bleeping North Americans. No light-weights allowed!

Looking back and comparing the two days of qualifying with the remainder of the week, (which, needless to say, was successful and fun for us), one realizes that you cannot just step into a new boat with good sails and three good sailors and expect success. You realize that in order to be competitive at this level, you must pay attention to the fine details and work the kinks in the boat and among the crew to develop one smooth lean and mean racing machine.

In our case, I will not say we were cocky upon arrival in Tawas, but we certainly felt faster than the 83rd percentile, and ultimately were. But for the first two days we were breakfast for the NA fleets. However, during this time we went to school and learned some valuable lessons.

The first lesson we learned was communication. This was the first time the three of us had sailed together so the various little responsibilities were assigned as we sailed, and our confidence in each other's abilities grew. In addition to crew communications, learning the boat became a factor.

Our middle crew, Lowell Copeland, whose claim to sailing fame has been racing J24's, had only raced a Lightning once before. He was still wondering how we could fly a spinnaker without a foreguy on the pole. Michael Donohue, our foredeck, had put most of his time in on big boats, as in IOR. He kept wanting to sit on the bow pulpit to call the start. Lowell and Michael are both excellent sailors, but their challenge and our key to winning was for them to feel that boat, learn how it sails and what makes it go fast...and that is exactly what they did.

By the time the final series started, we were feeling more comfortable with each other and the boat, and seemed to be growing into a well drilled team. In fact, by this time we knew we were a team of destiny. We knew, being the only crew from N.Y.C., that we were sailing for Lady Liberty, and that we had to bring the Cup back to New York Harbor for the Lady. We were not to be denied the cup.

Of course, with that attitude, how could you lose? So we proceeded to race, and the first one was wild. With a good start we reached the weather mark in 6th.

We had a great set and caught a couple of boats downwind. At the jibe mark there was a real disaster. John De Benedetti and Peter Swartz, who were close astern of us, apparently caught a rough puff and both boats capsized. This created a minor road block behind us and created a four boat race. We caught one more boat on the next windward leg and finished

third. Somehow all the pain and depression from the qualifiers just lifted off the boat. We were psyched for more and knew we could do it.

With each race we were better, and as we became happy with boat speed and pointing ability we turned our attention to tactics and strategy more and more. We found that the water was flatter on the right hand side of the course and there was a slight decrease in velocity in that area. We would go right until it felt slow and then tack back to the center until the chop got uncomfortable.

The fourth race of the series was perhaps the most exciting. When we rounded for the final windward leg, Ted Ganley in 13495 was just ahead of us, and Jon Ewing and Arlyn Kinkle were just astern. We decided that we had enough of a cushion on the boats behind, so we went after Ted. We decided we were going to "make him nervous and force him into a tacking duel." We did just that. The two of us battled up the last leg. We caught and passed Ted about two tacks before the finish. Lowell was concerned about the boats coming in from the left side so we went left to protect the pin end of the line. When we made our final tack to the pin we called it about two seconds too early and were forced to pinch up to the mark. Ted, with tons of boat speed crossed our stern and tacked for the line. Jon Ewing was barreling down from the starboard end of the line. We all seemed to cross at the same time, but fortunately for us we beat Ted by the width of our forestay. I gave Lowell the hat he had been wearing all week. I had said if we took a bullet the hat was his.

At the end of both days we had ended up in first place and now had to be really tactical about the fifth race. There was a good chance that we could lock up the Governors' Cup if we could stay close to Jon Ewing, Mike Dow and Arlyn had a great race and got first and second. Jon was in third. We forced him to cover us while we protected against Arlyn who was in fifth. Mike had some spinnaker problems and was not a factor. When the race was over we had finished fourth with Jon Ewing in front of us and Arlyn astern. Tomorrow's race was academic.

After the first aborted race was called back because of the huge windshift we got more serious about what we were doing in the last race. Just before the windward mark we got into a little battle with Peter Swartz. We had been pretty complacent about the race until that time, but as we rounded the windward mark and started on the first reach our competitive, psyche got the best of us. As we sailed the first reach we kept closing on Peter and he did a great job in keeping us off.

Peter bore off for the mark and we followed, glued to his transom. He rounded in first and our bow was within three feet of his rudder rounding second. We proceeded about one minute down the second reach and our spinnaker pole broke in half. We were ready for it because the pole had been bent all week. We doused immediately and had the jib up in seconds. Cully Ward, a true southern gentleman passed us as we came down off the rhumb line and then threw us a spinnaker pole which he carried as a spare. We rounded the leeward mark in seventh. When we went to set the pole for the next reach it held until we got to the second reach and then broke as well. Whatever forces or spirits had been watching

over us during the week had left us. All our good luck had run out and we decided to try to win the race to the hoist. We finished fourth.

Everyone remembers the “first time” they ever “did it”. Well, this was my first time to the North Americans, my first time sailing with the likes of Lowell and Michael as my crew, so winning the division was like a blockbuster experience that lasted a week.

Needless to say, all of us were overjoyed and even overwhelmed in a way that it took us a while before we realized our accomplishment. The true value of the experience, how-

ever, cannot be limited to just winning. We came away appreciating excellent race management, excellent sailing conditions, making new friends and renewing old friendships. And during the week, the three of us had developed a friendship which was bonded by winning the cup.

The “Main Man”, “Dr. Jib,” and “the boss” drive back to the Big Apple. There must have been a west wind because it only took us 13½ hours. But time didn’t matter, we were reliving the past, basking in the glorious present, and making plans for the future in Kingston.

# 1985 CANADIAN OPEN

by Bill Hunter

The 1985 Canadian Open was hosted by the Buffalo Canoe Club, July 26, 27, & 28, and was won by Jim Crane. Now, if you want to know how Jim Crane won this year's Open, I can't help you; but if you care for some of my observations, read on.

If you have never sailed out of Buffalo Canoe Club, you should know it's actually in Canada. So, their hosting of this year's Open under Commodore Tom Allen is not so strange. Suffice to say, as anyone who has raced there will appreciate, the committee did it's usual great job. B.C.C. members all seem to be very knowledgeable regarding Lightnings. Not surprising really when you consider all the topnotch Lightning sailors they have produced.

Because my crew had other commitments, I found myself crewless. A couple of years ago, we held a retirement roast for Stu Anderson. There must have been about two hundred people who stood up and told how they sailed and learned from Stu Anderson. I must have been the only one there who had never done so. My sailing Prowess having peaked some years ago (it was more of a small hill, really), I don't find myself deluged with offers to crew; I did the smart thing and phoned Tom Allen, who finally broke down and agreed to take me on.

Now, on to the Race Course where winds were light to moderate for the five races.

**Race 1** — Started at the pin end, buried. Tom said, "Let's tack." I said, "Are you Sure?" Tom said, "YES." So we tacked into another boat's cockpit. Owner of said boat looked surprised. Tom apologized, did our circles, and started about last.

Now I, and a lot of Helmsmen like me, tend to get very upset when we do this sort of thing. Not that Tom wasn't upset with what, to me, would have been a disastrous start. The difference with the good sailors is that what's done is done. Forget it! So Tom did, in what I would call a very steady, cool, workmanlike manner, and we finished fourteenth.

**Race 2** — Good Start: Good first weather leg until we reached the weather mark. I expected we would round about sixth. But! Why do people approaching on port tack sail as though some miracle (like Moses parting the Red Sea) will occur and they will find room? They don't. We get Hit. They have to do Circles, and we lose some boats. Again, Steady, Cool, on with the race, and we finished seventh.

**Race 3** — Good Start: Good first leg: No problems at the marks: On second weather leg, Tom senses a weather shift, says "Get the Pole on", and get ready to hoist the spinnaker: Sure enough, wind shifts. We get the spinnaker up first and jump from about sixth to first at the weather mark. Hold first place until just before the drop mark and finish second, losing out to Peter Bone.

**Race 4** — Good Start, Good First Leg: First at the weather mark and we lead all the way to finish first. Isn't it great when things go right. Boy, this is easy. (Tom says I only hiked at the finish line for the photographers.) But the amazing thing is we are in first place. After all these years, I have a chance to win the Canadian Open! Who cares if I'm only crewing for an American.

**Race 5** — If we finish in the top ten, I think we can do it. Good Start: Half of the fleet goes right, the other half left. We are leading in the right hand fleet. A slight problem develops. Jane Allen, my fellow crew, and I cannot find the weather mark. It seems obvious that the rest of the right hand fleet hope that we know where it is. We don't. Meanwhile, the left hand fleet knows where they are going. We finally lead the right hand fleet around the mark. (First in our division.) Jim Crane goes on to win the regatta and we finish well enough to place second overall. NOW for some important points.

—If you aren't doing too well and have never tried it, maybe it's time you did. Contact the best sailor in your fleet, district, whatever, even from another class, if necessary; Ask, beg if you have to, but try and get a crew spot for a series. Open your eyes and ears.

—Keep things in perspective. Keep cool. Sailing isn't football. If you make a mistake, you can't go out and hammer someone on the next play. Don't get down on yourself. Do what the good guys do, go to work!

—Plan for mark roundings. Don't expect miracles!

—Be sure you know your job on the boat and do only that job. But do it well!

—One difference between the really good sailors and rest of us — that ability to read the wind and the water; to feel and sense changes. There is a lot you can learn, but I feel the good ones are born with it.

**GOOD SAILING & GOOD LUCK!**

# A HISTORY OF THE LIGHTNING, "DOWN UNDER"

By Ken Ross

*Editor's Note: Early this year, President Hatfield received a correspondence from Ken and Jill Ross of South Yarra, Victoria. We offer their insightful look at the Lightning Class in Australia.*

Back in '60-62 I undertook to promote the Lightning in Australia. I wrote articles for yachting magazines and formed an ILCA branch in this country, all of my own initiative. Then I wrote to Margaret Teske at the South Haven office of the Lightning Class. I asked for help with PR type material. The ILCA Board at that time was delighted with our efforts. Marty O'Meara was President at my initial approach, followed by Jay Limbaugh.

About thirty boats were built, of varying quality standards, spread over most States, with about 15 or so here in Victoria. I wrote and posted out a monthly newsletter to all interested parties (they became good talking-points) to whip up some enthusiasm.

**DOWN UNDER.....**

**John Walker's *Muggins*, doing it very easily on Lake Marquarie near Newcastle, New South Wales.**

We graduated to a National Championship in January, '65 (our summer) in which I had the very great pleasure to finish second. That was sufficient for me to qualify for the Worlds in Napoli in September, '65. My result there was total disaster, but we made many firm friendships which I value highly — which, perhaps, is a secondary, but unstated, aim of the Class.

In our travels, we stayed with the Limbaughs in their house in the Ohio woods and we were given celebrity treatment wherever we went! The Fallons, the O'Mearas, the Smithers, the Allens, Swansons, the Muellers, and many others.....unforgettable! Marvelous people!

There was a young Australian who competed in the Youth Worlds a few years ago, I think it was held in Texas. I think he finished third and he had never seen the boat before the regatta. I tried to track him down when he returned to Sydney, which I think was his home port, but my enquiries yielded nothing. I thought he could carry the Lightning message, but it was not to be.

The first Australian Championship was held on Corio Bay at the Royal Geelong Yacht Club. It was on the site of the end of the Boston-built Clipper ship "Lightning", which had caught fire and burned to the water line years earlier. She held the record for a one-day run, I think of about 450 miles. She was built of American cedar, 12 to 16 inch-thick planks!

Two of our original Lightning owner/skippers became Presidents of the Victorian Yachting Council later in their careers. Ken Sime still has his boat (8070). It is non-active now and my cousin, Barry Scott (8076), is having his second term as President, VYC. So they were well known at the top level. The one Queensland boat owner, Ken Kibble, became Commodore of the Royal Queensland Yacht Club. A prestigious group, you would agree?

Barry went on to become a regular entrant in the Sydney-Hobart with a one-off Sparkman and Stephens one-tonner. Did well too...won his class. But that kind of activity required much dedication.

Marty O'Meara, sailing with Ted Turner, came out here on one occasion, in one of those Maxis. They won their class, too. He had a good look at Sydney harbour where Lightnings could prosper. Sydney could absorb about 60 to 80 Lightnings, easily.

Billy Osborne, whom I have known for many years, was a hero when I was learning to sail in the thirties, and a legend in his later years. The Japanese would have declared him a "National Treasure". Billy approved of the Lightnings and was keen to see them have a future here. The first Australian Fleet was at Blairgowrie, Fleet number 359.

As a PR writer a few years back, I built a story about a one-legged First War Veteran, (he would have been about 60 at the time), of how he built his Lightning slowly at home and then took it out and showed the young ones how to do it.

One big plus with the Lightning Class is the "all ages" aspect and family crewing. The very good socializing after

the racing is something that is not practiced here to the same extent. A few beers, maybe a barbeque, but what I saw of the U.S. facilities was to us, outstanding. Never will I forget a dinner party at the Royal Canadian Yacht Club at Toronto. We were all there for a National Holiday weekend, I think perhaps in late July.

We were deeply conscious of the relationships of the class in meeting old friends, the friendships were just as important as the competing. In Naples it was just one continuation of the same festive party.

As most of you know, it takes a lot of time and effort to get a fleet going. There was much goodwill, yes, but the Secretaryship, to which I appointed myself, does the donkey work to get the whole thing rolling. But it hasn't taken off as I had hoped.

The yachties here are skiff mad! I heard Tom Allen bought an ex-demo 18-footer from the Australian owner. How it got to Buffalo, I can't imagine. The trick with them is that they plane up-wind! The crew of three stand on the extraordinary device some feet out from the boat. The leeward outrigger folds up out of the way and it is pretty exciting, 'tis said.

I don't do anything in the sailing line, nowadays. I have a small 16' power boat from which I planned to take pictures of other people's boats (I am a pro photographer) but I'm just too lazy or not hungry enough. I still read and follow Lightning class activities through *Flashes*, to which I look forward, and I send best wishes to all Lightning sailors.

## FIRST ANNUAL DIXIE DISTRICT WOMENS

The Dixie District held its first Women's Championship Regatta at Podickory Yacht Club near Sandy Point State Park, Maryland on June 15 and 16.

Seven boats competed and in the first race Lisa Foulke of the Potomac River Yacht Club moved from 6th position by sailing high on the last reach to finish in first place, while the rest of us got clobbered by the current. Second and third to finish were Pam Racine of the Rehoboth Bay Sailing Association and Elaine Friebele of the Severn Sailing Association respectively. Unfortunately, due to a lack of wind, we retired to the shore where fortunately there was plenty of food and booze.

Sunday the winds cooperated, allowing for 2 races with 7 boats again participating. The first race was won by Lisa Foulke again, followed by Karen Long, and Robin Turner, both of Annapolis. The third race got off with slightly stronger winds. Robin Turner rounded the windward mark first, followed by Pam Racine and Marketa Jonas with the remaining 4 boats close behind. By the second round it was Robin Turner, Pam Racine and Nancy Fox with a fair lead over the rest of the fleet. At the jibe mark, Pam Racine slipped by Robin Turner on the inside to take the lead to the finish line, with Nancy Fox in second and Robin Turner in third.

The final positions for the weekend were: Lisa Foulke in first, Pam Racine in second, and Robin Turner in third.

Our first Womens Dixie Districts being an absolute success not only on the water, we plan to make this a yearly event. Thanks to all the members of the district who loaned their boats and supported this event. We know they will continue to do so in the future.

## ARGENTINA DISTRICT

District Commodore ..... Heraldo Tramaglia  
District Secretary ..... Liliana B. de Schenone  
District Measurer ..... Angel Vila  
District Champion ..... Angel Vila  
District Runner-Up ..... Heraldo Tramaglia

**Fleets:** Olivos (206).

The '85 season was not a very good one for our Class in the Argentine District. Our country has big economic troubles and it is difficult for yachtsmen of small one-design classes to race, or small cruising boats to sail to the beautiful anchorages at the Orient shore of River Plate, Uruguay country. Another factor in decreasing activity is that the Pan-American Games are still too far away, and many very good skippers like racing Snipes or Stars which have international events later this season in our country. Also, for market reasons, sail factories don't make Lightning sails and we need to buy imported sails, increasing the cost.

Wherever you go in Argentina you can find a Lightning on the lakes, but all are wooden boats with wooden masts and very old sails, racing against other classes (Portsmouth numbers), but it is too difficult to gather them to make fleets and race against boats with oval masts even using separate scores.

Starting the season, in early January we were worried because we couldn't get airplane tickets at lower rates to attend the South American Championship at Lima, Peru. At this moment some crews are looking forward to the '86 event at Colombia.

This year we worked to help the people who are making wooden boats with the new system, and we hope that the first one will be launched in December at Lake Pellegrini, near Cipolletti, 740 miles from Buenos Aires. However some Lightning "fans" sailed weekend regattas, and at the season's end in late December we will have about 40 races sailed. The best events of the year were at Lake Salto Grande, 250 miles from Buenos Aires, and the Escuela Naval Trophy, sponsored by Yacht Club Centro Naval, in which we had 10 entries in each regatta.

At this moment, late October, we are waiting for our National Championship in November and the International Olivos Race week in December. In both events we hope for 12 entries, but in the last one also entries from other districts in South America.

We are looking forward to the '86 season and the Youth World Championship at Club Nautico Olivos, home of Fleet 206. Juniors from all countries will be welcome to the River Plate and Argentina.

## BRAZIL DISTRICT

District Commodore ..... Jens C. Ruschmann  
District Secretary ..... Michael A. Norris  
District Measurers ..... Oscar Weckerle  
District Champion ..... Claudio Bieckark  
District Runner-Up ..... Mario Buckup

**Fleets:** Sau Paulo (147); Guanabara (401); Guarapiranga (462).

The current year has been particularly happy for our District.

In May we sailed the Districts in the home waters of Fleet 401 Guanabara with the presence of two of our best sailors, Claudio Bieckark and Mario Buckup. Claudio won the Championship with 5 wins.

Due to the expenses involved in traveling to the US, Mario Buckup and his crew Michael and Cristian Norris were the only crew to represent Brazil in the Worlds. However, we feel very proud of them, as the result achieved (2nd) was beyond any expectation.

However, the most important happening in the District, was our agreement with Tom Allen to start producing fiberglass Lightnings in Brazil. We are sure now of the definite expansion of the class in Brazil and in South America, and in that sense we would like to thank George Hatfield, and Anne and Tom Allen for their dedication in helping us so much in expanding our class in South America.

## CENTRAL ATLANTIC DISTRICT

District Commodore ..... Bill Clarke  
District Secretary ..... Glenn Reitingner  
District Measurer ..... James Carson  
District Champion ..... Jack Elfman  
District Runner-Up ..... Dave Coward  
Junior Champion ..... Brian Taboada  
Junior Runner-Up ..... Chris Krautheim

**Fleets:** Bay Head (3); Metedeconk River (34); Brant Beach (173); Surf City (196); Riverton (228); Barnegat Light (335); Ocean City (430); Tohickon Creek (491).

1985 was the year the Central Atlantic District and Barnegat Bay was shown to the world. The Lightning Worlds were held at Little Egg Harbor Yacht Club in June with the CAD as co-host. It was a great opportunity and we made the most of it. The CAD was in charge of measurement and it was done in a professional manner thanks to the conscientious work of co-chairmen Jack Elfman and Bill Clausen. The major plaudits, however, must go to the Little Egg Harbor Yacht Club. They managed six fine races and made everyone very much at home. Many thanks to Bill Bentley, who ran a great regatta. Bill Shore sailed a great regatta and edged our Mario Buckup to win. The Worlds is a magnificent event and we feel proud to be part of it.

The 1985 Central Atlantic Districts were held at Metedeconk River Yacht Club and proved to be very interesting, with confusion, protests and litigation combined with fine sailing. Jody Lutz won the first race and was leading the second race when he began to sail the wrong course. Some followed Jody, some followed Jim Carson, others didn't know what to do. Carson won the race with Lutz and others saddled with DNFs. Sunday morning brought a protest, and the throwing out of the second race. Back on the race course, Keith Taboada edged out Lutz to win the third race and Lutz took the final race and an apparent third consecutive districts win. Further appeal reinstated the second race and reshuffled the standings to make Jack Elfman winner. The litigation and protests discolored the series, but some fine sailing was performed by Lutz, Elfman, Dave Coward, Mark Forhez, Alan Ruiter, Glenn Reitingner, Jim Carson and Bob Adams.

Several members ventured to Tawas Bay for the North Americans. Jody Lutz led the CAD contingent, sailing a great series to finish third after flirting with the lead. Jack Elfman sailed an excellent qualifying series but couldn't keep it going, finishing a bit further back in the blue fleet with Jim Carson and Dave Coward. Glenn Reitingner and Mark Forhez also made the trip sailing in the Presidents' Cup.

*A Brazilian Championship Spinnaker Leg.*

An active local calendar ensued during the sailing year. The Surf City Memorial Day Tuneup was won by Glenn Reiting, followed by Jack Elfman and Dave Conard. The Long Beach Island Yacht Racing Association Regatta was won by Elfman, with Reiting second and Tiegland third. Alan Ruiter took the Barnegat Bay Yacht Racing Association Championship, over contenders Paul Gelenitis and the Jim Carson Racing Team. Jody Lutz won the Manahawkin Bay Cup (yes, again), edging out Jack Elfman and Ralph Messersmith. Several district members visited the Huntsman Yacht Club for the N.J. States and performed with Lutz, Carson and Elfman taking second, fourth and fifth respectively.

Again, District MVP: Little Egg Harbor Yacht Club. Although they have no Lightning fleet, they gave the Worlds a piece of their heart. Many thanks to them and many thanks to all CAD members who made 1985 a remarkable year.

## CENTRAL NEW YORK DISTRICT

District Commodore ..... Richard Hallagan  
 District Secretary ..... Daniel J. Koretz, MD  
 District Measurer ..... John Barnes  
 District Champion ..... Kirk Reynolds  
 District Runner-Up ..... Richard Hallagan

**Fleets:** Skaneateles Country Club (1); Lake Delta (4); Newport Yacht Club (77); Great Sodus Bay (108); Conesus (140); Willow Bank Yacht Club (164); Henderson Harbor Yacht Club (225); Keuka Yacht Club (252); Brockport Yacht Club (267); Galway Lake Yacht Club (338); South Skaneateles Lightning Association (439); Ithaca Yacht Club (484); Port Oswego Fleet (485); Selkirk Fleet (498).

Our District had another successful year sailing on the waters of western and central New York State. We started with the traditional opener of our season, the Newport Invitational, sailed on Irondequoit Bay. This was the first part of the Central New York-Lake Erie Challenge which was started several years ago, to encourage more competition between our two districts. It has been very successful, and approximately 10 out of the 35 boats were from the Lake Erie District. The winner was Kirk Reynolds, a sailor who has recently resumed Lightning racing. Dave Sprague was second, and Dick Hallagan was third.

Our next regatta was the Cazenovia Invitational sailed in late June on a beautiful lake southeast of Syracuse. Fleet 164 did its usual excellent job and 22 skippers and crew had a delightful time. The beer ferry (fairy?) was most helpful in doling out liquid refreshment to the racers out on the water. The winner of this one was Dick Hallagan, followed by son Peter Hallagan, and then Dick Doherty.

The District Championship Regatta was held in mid-July at Henderson Harbor located at the eastern end of Lake Ontario. Kirk Reynolds continued his impressive come-back by winning another one. Dick Hallagan took second and a newcomer from Skaneateles, Dave Grogono, was third. A District meeting was held on Saturday night after a delicious steak cook-out. Dick Hallagan was elected Commodore, replacing Ric Klug who had served in that position for the last two years, and John Barnes was elected Measurer, replacing Tadd Helmer. Tadd and Tom Doran agreed to help John as Assistant Measurers. John has ties to the Lightning Class which go back a long way as his father built the first Lightning. John and Ric have also been actively campaigning for the 50th Anniversary Regatta to be held at Skaneateles. A special thank you go to Ric and Tadd for the great job they did over the last two years.

The Central New York Yacht Racing Association was held in late July. Jean Hallagan repeated as winner, having won this event last year.

The Champagne Regatta was held at Keuka Lake on the first weekend in August. Fleet 252 always does a great job and this year was no exception. While the weather did not always cooperate, the fantastic champagne cocktail party, followed by a great dinner and then dancing to a live band, certainly made it easier to forget the drifters earlier in the day. In first place was Dick Hallagan, followed by Peter Humphrey and then Peter Hallagan.

At the end of August we traveled to Port Oswego, where Fleet 485 outdid their fine regatta of last year. There were 18 boats and they were treated to a magnificent time made possible by the local Michelob distributor. He has expressed an interest in continuing his sponsorship of this event, and we certainly expect that attendance will increase in the years to come as the

word spreads. The winners were, in order of finish, Mark Sertl, Dick Hallagan, and Jean Hallagan. This regatta was also the final leg of the Triple Crown, a series established by Dr. John McIntosh several years ago to foster interest in racing in the District. Participants must sail in the three regattas of the series to be eligible. This year's winners were Dick Hallagan, Dick Tuttle, Dan Koretz, and Neal Smith.

The final event of the year was the Silver Lake Regatta held in early September. This was the other half of the CNY-LED Challenge and for the first time in living memory, the Central New York District was able to keep the Lake Erie District from winning the series. The bad news was that we were unable to win the trophy outright and the final result was a tie. We seem to be making progress and firmly believe that 1986 will be our year!

## CENTRAL STATES DISTRICT

District Commodore ..... Arthur Jones  
 District Secretary ..... Martin Klotzbach  
 District Measurer ..... Fritz Toussaint  
 District Champion ..... Dr. Robert Exon  
 District Runner-Up ..... Ralph Persson

**Fleets:** Jayhawk (60); The Sooner Fleet (343).

The main event this year in the Central States District was the District Regatta, hosted again by Fleet 60 at Lake Shawnee, Topeka, KS. One boat from the Sooner Fleet was in attendance. We all look forward to the Sooner Fleet's continued growth and their hosting the District Regatta on Oklahoma waters in the near future.

The Central States District Commodore for 1986 is John Gall.

*Central States District Champion Dr. Robert Exon with crew Rob Davis and Karen Exon.*

## CHILE DISTRICT

District Commodore ..... Manuel Gonzalez M.  
 District Vice Commodore ..... Javier de Vicente  
 District Champion ..... Manuel Gonzalez M.  
 District Runner-Up ..... Felipe Cubillos  
 Junior Champion ..... Pablo Forno  
 Master Champion ..... Luis Herman G.

**Fleets:** Algarrobo (318); Aculeo (490).

We had a very successful season last year in international regattas. We went with four boats (2300 miles by car) to Lima, Peru to participate in the South American Championship, where Chilean Alberto Gonzalez (J. Fernandez, G. Novion) won the races.

Then we went to Beach Haven, New Jersey with two boats to race in the Worlds. Manuel Gonzalez finished fifth (R. Zuazola, A. Gonzalez) in the series and then with the same crew finished Runner-Up at the North American Championship at Tawas Bay, Michigan.

At the Chilean Championship we had 18 boats and a very competitive fleet. Manuel Gonzalez won the series and Runner-Up was Felipe "plumifero" Cubillos. Luis Herman won the Masters and Pablo Forno the Juniors.

We are already looking forward to an active international 1986 season hoping that many Chilean sailors will participate in major international races besides the ones at home. We want to be in good shape for the next Worlds at Cartagena, Colombia.

## CONNECTICUT/RHODE ISLAND DISTRICT

District Commodore ..... Edson White  
 District Secretary ..... Sandy Peterson  
 District Vice Commodore ..... Charles Walz  
 District Treasurer ..... Nelson Hoffman  
 District Champion ..... Jim Crane  
 District Runner-Up ..... Ched Proctor

**Fleets:** Black Rock Yacht Club (17), Niantic Bay Yacht Club (85), Cedar Point Yacht Club (126), Madison Beach Club (129).

The season for many of us began in March down south at the Southern Circuit. An impressive number of boats from this area went down with Ched Proctor winning the Midwinters at St. Pete. Ched also finished second for the overall.

Ched returned to Cedar Point to host a tune-up, tactics and boathandling seminar the week prior to the Cedar Point Early Bird Regatta. Two days of excellent instruction complete with two days of perfect wind prepared all the attendees for the upcoming season.

The upcoming season took a weekend off as the wind gods were not so kind. Contestants at the Cedar Point Early Bird Regatta were greeted on Saturday morning with winds gusting over 30 knots. Just as all the contestants arrived at the starting area, the wind increased to over 35 knots. The wise decision was made and everyone was safely back at the CPYC clubhouse for a great cocktail and dinner party. The following morning we were greeted by identical wind conditions prompting the inevitable three guns.

On to Newport; instead of Twelve Meters, this year, we raced against the Maxis! Newport for the third straight year proved itself as the sailing capital of the world. The conditions under which this regatta were sailed were incredible: super winds, excellent race management, fantastic weather, and above all, the hottest sailors in the class. Bill Shore put it best after the regatta was over when he said, "there are a lot of good sailors here. One of them is going to win the Worlds next week."

He could not have been more correct! The winner of Newport however, did not even get to go to the Worlds. Ched Proctor, fresh off his southern victory sailed a consistent series to edge out incumbent Stuart Nickerson and Bill Shore for the series.

The Madison Beach Club was the host of this year's District Championship. A big hand to Madison for a job well done! The race committee did a super job when faced with difficult and changing wind conditions. Difficult for most, that is. Jim Crane with "relative" ease walked away with the regatta winning three out of four races (he raced with his fiancée and his brother.) Close behind was Ched Proctor, Bill Shore, Tom Ingram, and John Oldham.

Niantic Bay Yacht Club was the next stop in a very active summer as they won the honor to host this year's Atlantic Coast Championship. A hot field from Maryland to New Hampshire was on hand to see Don Barrett return

from an embarrassing 17th at the Districts to win this event. Niantic Bay lived up to its reputation as the most hospitable club in the district with their Saturday evening festivities.

Our District's showing at the North Americans this year was by far the best we have ever had. Seven entries (it would have been eight if not for a lost transmission.) Six of those seven in the blue fleet. Four of the top seven boats, and, of course, Bill Shore the North American Champion. Congratulations to all!

Back to Niantic. The annual Governors Cup Regatta always a hot district series was won this year by Neil Hayes. He sailed a brilliant set of three races in shifty conditions to win the regatta with a 1,1,2. Djoerd Hoekstra was second followed by Tom Ingram, Phil Lotz and Randy Browning.

Cedar Point hosted the season's wrap-up with their Fall Classic Regatta. Four races sailed in light and shifty air intensely tested the contestant's abilities. After three races, it was anyone's regatta. Stu Neff grabbed the victory with a win in the last race. Phil Lotz was second and Ched Proctor third. Off the water, everyone had a great time at the Saturday evening cocktail party and steak dinner. Even a "DJ" was on hand playing requests for all kinds of dancing.

What a great year it was. Congratulations are due to: Ched Proctor Midwinter Champion; Jim Crane, District Champion; and Bill Shore North American and World Champion.

Good Luck next year.

## DIXIE DISTRICT

District Commodore ..... Tom Clark  
 District Secretary ..... Reed Barrett  
 District Measurer ..... David Racine  
 District Champion ..... Joe Friebele  
 District Runner-Up ..... Steve Bachman  
 Women's Champion ..... Lisa Foulke  
 Runner-up ..... Pam Racine

**Fleets:** Washington D.C. (50); North East River (192); Susquehanna (253); Sassafras River (314); Rehoboth (325); Severn River (329); Smith Mountain Lake (377); Swift Creek Fleet (496).

The new year was started at Fleet 329 in Annapolis with the annual No Gas Regatta. This year the concept of many short races could not be accomplished, but nevertheless, it provided the participants the opportunity to tune up and get the football cobwebs out of their systems. Shortly after, Rehoboth Bay Sailing Association held the Delaware Governors Cup Regatta which provided one windy day and one wait-for-the-seabreeze-to-fill-in (which it always does) day. But regardless, Rehoboth is always an excellent experience. As usual Kitty Racine presided in an effective manner. The first Womens District Championship Regatta was held at Podickory Yacht Club, hosted by the Grotheer family. Rules had to be 'bent' a little to get more boats on the starting line by allowing one male in the crew. As it turned out the winner was an all women crew skippered by Lisa Foulke. Mary Anna Portner, who won the Womens North Americans this year, also participated. We are looking for more 'all women' boats next year. And the word is look out '86 North Americans, the Dixie District women are coming on strong.

Fleet 50 hosted the 5th annual Lightning-Thistle Challenge on the Potomac River. A combination of 19 boats were on the line for the one day regatta. Lightnings were first and second with Frank Gallagher and Lisa Foulke and her all-girl crew taking the top two spots. The Districts were moved into July and held at Annapolis. Joe Friebele demonstrated his mastery of the Chesapeake chop with a very comfortable and well deserved win.

The later and best attended regattas for the year began at Rehoboth Bay with the Purnell Memorial Regatta. Twenty-eight boats turned out for the event that saw Peter Jones of Annapolis take top honors. October brought the Frigid Digit at Annapolis where 42 boats tested their skills for three races in beautiful fall conditions. Bob Wardwell traveled from Tennessee to pick up the win and remind us how good a sailor we lost when he was transferred to Tennessee. The final event of the year is the second half of the combined Barney Meade Memorial Series which is held on Kerr Reservoir on the border of N.C. and Va., hence the name Borderline. Wardwell was not content taking the Dixie District silver so he showed up for the Borderline Regatta as well. After three races of typical lake sailing Wardwell was just nosed out by Dick Hallagan for the top spot. But Bob got the last laugh as he walked away with the combined win. This regatta has surely made it to the big time as the Allen's Bus was needed to bring the full Allen

family team. The list of top name competitors grows each year for the combined regattas.

Overall the Dixie District continues to provide excellent sailing for the old and new sailors. If you want a variety of sailing — lakes, salt water, rivers — along with top level competition come visit the Dixie District which has it all.

## FINLAND DISTRICT

District Commodore ..... Pentti Laitinen  
 District Secretary ..... Sirkka-Liisa Laitinen  
 District Junior Commodore .. Hannu Hurskainen  
 District Measurer ..... Marjatta Ollila  
 District Champion ..... Kari Maenpaa  
 District Runner-Up ..... Aulis Naykki

**Fleets:** Helsinki (166), Kotka (298), Oulu (307), Kemi (310), Jyväskylä (328), Tuusulanjärvi (456), Valkeakoski (468), Jamsa (469).

1985 was a very active year for the Finland District. Fleet Championships, ranking series as well as Women's Championship and Finland District Championship were held during the season.

Four crews were also participating in the European Championship in Switzerland, and one crew took part in the Worlds in the United States. The results obtained in the Europeans were quite satisfactory. Kari Maenpaa took fourth place and Terho Aromaa was seventh.

The winner of the ranking series, Kari Maenpaa won the Districts also. Aulis Naykki was second and Terho Aromaa third. The Women's Championship was won by Sari Nummela.

We are very keenly looking forward to the 1986 season. Now that Hartti Nisonen, as a new enterpriser, will start building Lightnings in Finland by using an American mold, we are confident that interest towards Lightning sailing will grow here and we will see many new sailors getting into Lightnings in the near future.

## FLORIDA DISTRICT

District Commodore ..... John Schoendorf  
 District Secretary ..... John Foster  
 District Measurer ..... Eric Stibitz  
 District Champion ..... Knute Young  
 District Runner-Up ..... Fisk Hayden

**Fleets:** Biscayne Bay (226); Lake Eustis/North Florida (461); Old Port Yacht Club (477); Cedar/Ft. Myers (478).

The Florida District was represented in the Worlds by Fisk Hayden and Jim Alman and in the North American Championship by "Team Hayden" with Eric Annis of Sarasota as fore-deck crew, Fred Hutchinson sailing *Honeycomb* and by "Miss Florida Fay" Regan sailing her *Booby Trap*. Steven Hayden skippered *Shazam* in the Junior North Americans. Fisk and Steve Hayden sailed in all three Southern Circuit events. Bob DeFosses and John Foster of Cedar Fleet #478 sailed with Herm Nickels in the Masters at St. Pete.

The second annual "Triple Crown" was won by Jim Alman of Miami with Fisk Hayden of Eustis second and John Foster of Sarasota, third.

This year a new event was inaugurated, "The Commodores Cup Regatta". It was held in Ft. Myers on the Caloosahatchee River, home of Cedar Fleet 478 and coincided with the "Edison Pageant of Light Regatta". Jim Alman of Miami, sailing *Loose Lucy*, won first place.

The Florida District Championship was held on Lake Eustis, home of Fleet 461. Fisk Hayden cooked burgers and hot dogs Saturday night for all the hungry sailors and was assisted by Bert and Shirley Lacey. After dinner the annual meeting was held and new officers were elected. Sunday, Knute "Gatorbait" Young and his "bring it to Miami" crew wrapped up the championship by winning first place. Fisk and Steve Hayden sailing *Shazam* came in second place, Fred Hutchinson of Miami in third place, Frank Atkinson in fourth place and Jim Alman of Miami in fifth place.

In March Eric Annis bought #12170 the *Blue Light Special* (sorry K-Mart), and rumor has it a Wisconsin will soon transplant to Ft. Myers and join Fleet #478. Look out Fleet #226. Fleet #478 is growing!

The Florida District is growing and the level of competition is rising which is good for the Florida District and the Lightning Class.

Here is an invitation to all snowbirds who are thinking of moving, "Come to Florida!" We sail all year long!

Florida District Champions: Knute Young, Kevin Burnham and Mark Pincus.

## ITALIAN DISTRICT

District Commodore ..... Admiral Luigi Merola  
 District Secretary ..... Sergio Rustichelli  
 District Junior Commodore .. Salvatore Tremante  
 District Measurer ..... Gianni Battisti  
 District Champion ..... Alessandro Attina  
 District Runner-Up ..... Sergio Rustichelli

**Fleets:** Garda (249); Lega Navale Anzio (312); Marsala (449); Trasimeno (453); Flotta Del Conero (466); Flotta Del Lario (467); Flotta Del Savio (276).

The 1985 season has been a revival of Italian District activity. This year in fact, seven Italian crews have taken part in European Championships in Switzerland and the boat *Dove Vai* (Galetti, Alalogri, Mazzola) finished in second place. Good placings for *Wind III* (Vitaggio, Scarpocchi, Vicarolli) fifth, and for *Wanted III* (Attina, Attina, Rallo) eighth. The Italian District Championship has developed on Trasimeno Lake at Passignano, and it was won by *Wanted III* of Attina, Attina, Alagna in front of *Areknames II* of Rustichelli, Nicchiarolli, Barbacci, and then *Lily-Bay-Tan* of Viataggio, Messina, Cudia. Seventeen crews have taken part in the Italian District Championship. They all were very well prepared and in particular the crews of Anzio, Falconara, Marsala, Garda and Trasimeno. In the season there have been a dozen regattas, in which many competitors have taken part. Next year the Italian District Championship will be in Marsala (449), the home of the Champion.

So we say to our friends: Good Bye.

Spinnakers being hoisted for the first reach — Italian District.

 Women's Champion ..... Sue Ferrick

**Fleets:** Buffalo Canoe Club (12); Chautauqua Lake Yacht Club (19); Silver Lake Yacht Club (47); Niagara Sailing Club (59); Cuba Lake Yacht Club (115); Royal Hamilton Yacht Club (118); Toronto Bay (146); Conneaut Bay (180); Chautauqua (198); Bronte Harbour (492).

The 1985 sailing season will be remembered by Lake Erie District Lightning sailors as a year of outstanding achievement by its younger members. Last year's Youth World Champion, Jody Swanson won the District Championship and her brother, John Swanson won the Junior North Americans.

District sailors got off to a good start by Larry MacDonald, Jr., winning the Southern Circuit. The first regatta of the regular season was the Newport Invitational Regatta in the Rochester, New York area in early June which is the first leg of the Challenge Series with the Central New York District. David Sprague of Toronto placed second behind Kirk Reynolds of the Central New York District. Dick Hallagan of Central New York captured first place individual honors by placing third at Newport and winning the Harvest Regatta at Silver Lake Yacht Club in September. Overall, the two districts ended in a tie for this challenge event.

The Niagara River Championship was won by Cal Schmiede of the host Niagara Sailing Club with David Fritz second and Kathy Taylor third. The Niagara Frontier Invitational Regatta at the Buffalo Canoe Club had twenty-six Lightnings competing. This regatta was won by Tom Allen, Jr. Todd Jones placed second with Jody Swanson, third.

The District Championship was held at Buffalo Canoe Club with twenty-five entries. The Junior Districts were won by David Starck with Jim Allen second. Sue Ferrick won the Women's District Championship. Jody Swanson, with a crew of Mike Montani and Joe Starck won the District Championship. Tom Allen, Sr. and Larry MacDonald were close behind in second and third. Ed Roseberry placed fourth. The Buffalo Canoe Club also hosted the Canadian Open Championship the weekend following the District Championship. Jim Crane of Norwalk, Connecticut was the winner followed by Tom Allen, Sr. and Tom Allen, Jr. in second and third place.

The district was well represented at both the World Championship in New Jersey and the North American Championship at Tawas, Michigan.

The seven district entries at the World's were led by Mark Bryant who placed seventh. Bryant again was the best of the local eight entries at the North Americans, placing ninth. In the Junior North Americans at Tawas, the district swept the first three places with John Swanson, David Starck and Jim Allen, placing first, second and third respectively.

The eleventh annual Old Salts Regatta at the Buffalo Canoe Club was won by Cal Schmiede of Niagara Sailing Club. The twenty-first annual Corn Ball Regatta at Chautauqua Lake Yacht Club was won by Jim Neville.

The traditional Fall Circuit was expanded to include a fourth regatta at the Buffalo Canoe Club. The Harvest Regatta at Silver Lake Yacht Club was the most successful regatta of the year with forty entries enjoying good winds and warm September weather. Dick Hallagan and Mark Sertl, both from Central New York took first and second place respectively. Larry MacDonald, Jr. was third. The second regatta at the Boulevard Club in Toronto was won by Larry MacDonald, Jr. with Matt Bryant capturing the third leg of the circuit at Sandy Beach Yacht Club. The Fall Regatta at the Buffalo Canoe Club was won by co-skippers Mark Bryant and Jim Gocker. The overall circuit winner was Mark Sertl of Rochester, New York who placed second at Silver Lake, Toronto and the Canoe Club to take overall honors.

Our congratulations to our champions, especially the up-and-coming youth. We also wish to congratulate Chief Measurer David Sprague and Class Secretary Anne Allen on their election to the Executive Committee of the Class. Bill Neal, and Larry MacDonald, Sr. are also serving as officers of the Class as National Vice Presidents for the U.S. and Canada.

## LONG ISLAND DISTRICT

District Commodore .....	Ray Rumph
District Secretary .....	Thomas Hering
District Measurer .....	Frank Atkinson
District Champion .....	Frank Atkinson
District Runner-Up .....	Tim Rumph

**Fleets:** Hewlett Bay (58); Great South Bay Fleet (178); South Hampton Yacht Club (431).

The Great South Bay Fleet hosted the 1985 Long Island District Championships at their home away from home, the Long Island Yacht Club in Babylon, New York on July 20-21.

Saturday's races were sailed in a moderate, shifty westerly; the breeze never did swing to the typical southwest sea breeze that the bay is famous for. Peter Neyland from Hewlett Bay jumped out to a quick lead and rounded first in race one, followed by Tim Rumph and Frank Atkinson. The Atkinson team (Frank, Frank Jr., and Christina Kaufman) crewwork proved to be decisive as they took the lead at the leeward mark and never let it go. Tim Rumph from Southampton was second. In race two, another Hewlett Bay sailor, Tom Hering, found a lift on the right side, and rounded first. But the Atkinson offwind performance again was the difference—Atkinson finished first, Hering second, Bill Weiss third, and Tim Rumph fourth. After day one, Atkinson was leading, with Rumph and Hering tied for second. All contestants were glad that all three fleets had a competitor in the running.

On Sunday, hazy sunshine and a spotty, moderate southeasterly prevailed. Tim Rumph battled to an early lead in race three, and fought off a persistent challenge from Atkinson to win by a few boatlengths. With Mike Gargiulo third, Atkinson entered the final race with a three point advantage over Rumph.

The breeze veered toward the southwest for race four. At the weather mark, it was anybody's race as four boats rounded together. Atkinson managed to gain the inside position, and he led at the jibe mark. He held off a challenge from Tom Hering to clinch a convincing victory for the series.

Many Long Island District sailors were surprised to learn that this was Frank's first Districts victory. After countless successful years on the Lightning circuit, Frank had captured the elusive District Championship.

## MICHIGAN DISTRICT

District Commodore .....	Hank Hodgson
District Secretary .....	David Hatfield
District Measurer .....	Dave Furey
District Champion .....	Bruce Goldsmith
District Runner-Up .....	Clarence Holman, Jr.
Womens Champion .....	Bonnie Nickels
Junior Champion .....	George Sipel
Junior Runner-Up .....	Valerie Marriott

**Fleets:** Devils Lake (31); Crescent Sail Club (51); Lake Fenton (53); Pontiac Yacht Club (54); Higgins Lake (110); Gull Lake Yacht Club (137); Tawas Bay Yacht Club (152); Leland Yacht Club (184); Saginaw Bay (216); Grand Traverse Yacht Club (326); Douglas Lake (374); Lansing Sail Club (387).

It has been written that "A harbor, even if it is a little harbor, is a good thing, since adventurers come into it as well as go out." Some of our Michigan District harbors are small, but many of them provided adventures for our Lightning skippers during the 1985 racing season.

Who will forget the final District race when the motorboat traffic going downriver to watch the Detroit hydroplane races, combined with a total lack of wind, to challenge the stomachs of even those who had not partied the night before? The time limit finally ran out, cinching the championship for Bruce Goldsmith, with Clarence Holman one point behind. Colin Park, Dave Nickels and Dave Marriott rounded out the top five.

Then there was the opposite end of the spectrum — the terror of Traverse Bay when Lightnings planed to the starting line under mainsail alone. This writer recalls the conversation going something like this — "Make sure the spinnaker halyard is fastened down" — then "Even if we go with it, we won't jibe it" — finally, "Untie the spinnaker and put it away". Jim Sayre of Devils Lake Yacht Club was the true adventurer that day — being the only one to pop his colors after a good first weather mark rounding. It didn't take long for intelligence to overrule the adventuring spirit however, and soon the entire fleet was back under control. Goldsmith again found the

conditions to his liking, placing first in the series, followed by Park, and Garry Demarest.

The Juniors can probably relate the best stories. Their mid-July District races at Pontiac Yacht Club required the "light-weights" to survive 20 m.p.h. gusty winds on both days, completing a five race schedule. George Sipel, Jr. of Devils Lake finished first for the third consecutive year. Valerie Marriott of Pontiac overcame a capsized to be runner-up, and Amy Hodgson, also of DLYC, finished third with the only all girl crew.

Michigan fleets hosted 11 regattas from June 1-September 30. Mike Caterino of Lake Lansing started the season out in great shape by winning his home club's regatta; Mike Rathbun of Gull Lake was runner up. Bay City was our warm up for the Districts. Dave Nickels and Hank Hodgson found their way around the right marks of the course to finish first and second respectively.

Fenton bested a field of eight teams in a blustery weekend of team racing at Lake Fenton. The winning team consisted of Herman Nickels, Dave Nickels, George Nickels, and Paul Militzer, Bay City was runner up in the event.

The warm-up series for the North Americans was held at Higgins Lake where Colin Park steered his boat into the winner's circle, followed by Hodgson and Demarest.

The fall regattas got underway at Pontiac Yacht Club where fleet member Clarence Holman played the part of a good host, showing all of the other contestants around his "home" waters. Colin Park and Dave Nickels were "good followers" finishing second and third in the series.

Indian summer arrived for the Devils Lake series — cold nights, early morning fog and NO WIND. A spinnaker start proved rather interesting in the first race, but none of the turn of events rattled Jim Dressel who came from the Buckeye state to "adventure" with us "wolverines", and took home a first place trophy. Park was again in close pursuit, with Holman third.

Colin Park posted a second victory for the season at the Gull Lake finale. Demarest was second followed by Dave Hatfield of Gull Lake.

Of course, our big event was hosting the North American Championships. It had been 13 years since the Championship Fleet had last visited Michigan — Tawas Bay to be specific. Facilities are not glamorous in the Tawas area, but it would be difficult to find a location where the sailing conditions could compare. We had three perfect days of sailing for the Womens, Juniors, and Master's Championships followed by a full week of ideal conditions for the championships. We had a great time hosting this series, and count ourselves very lucky to have had the likes of Charlie Schreck and Gary Cameron come out of "Lightning" retirement, to run a flawless race committee for us. The success of such a large event cannot be measured accurately, but you can't go too far wrong with good winds and good competitors. Thanks to all of our gracious guests who came to adventure at our Tawas Harbor, and helped out when needed. We willingly pass on the paperwork to our Northern Neighbors — hosts for 1986 — the memories are ours to keep!

## MIDWEST DISTRICT

District Commodore .....	John Walter
District Secretary .....	Karen Johnson
District Measurer .....	Robert Smither
District Champion .....	James Gagnon
District Runner-Up .....	Michael Huffman

**Fleets:** Chicago Corinthian (5); Milwaukee Yacht Club (69); Green Bay (112); Lake Davenport (167); Sheboygan (187); Lake Geneva (345); Manitowoc (393); Racine (489); Quarter Barrel (494).

The Midwest District's regatta season opened with the Evans Regatta at Green Bay. With many sailors anticipating Green Bay as host for the Districts, there was stiff competition. With others trading first place finishes, Tryg Jacobson turned in the most consistent series and placed in front of Pat Considine, Rick Larson, Mike Huffman and Byron Roe.

Psyched up about that regatta, we moved south the following weekend to Manitowoc for the Ice Breaker. But, atlas, the winds were roaring all weekend and we went home without even a race.

We then pushed further south down the Lake Michigan coast to Milwaukee. Lal and Matt Burridge came up from the Mississippi Valley to see if they could win some Milwaukee silver. And they did. Matt finished first ahead of Rick Larson, Lal, Kevin Blair and Gene Matthews.

With the North Americans in the adjoining district this year, many midwesterners were shooting for qualifying positions. The district was eligible for seven boats, so the races were very competitive. Twenty-seven boats gathered at the Green Bay Sailing Club. Jim Knorr and measuring

crew got us through the hurdles and Tom Phelan set up excellent courses in the sometimes strong, sometimes moderate winds. At the end of the first day, it looked like Pat Considine was out to do a "Horizon" job on us with two firsts. However, the third race had fluke winds that proved the downfall of many sailors, including Pat with a 16th, Rick Larson with a 14th and Kevin Blair with a 24th. Meanwhile, Jim Gagnon and Mike Huffman were sailing consistent races within the top five.

By Sunday Jim Gagnon prevailed over Mike's efforts and became the first District winner from Green Bay in 34 years. The former winner was Jim's father, Jim, back in 1951.

In Sheboygan, the Burridges thought they would come up and show us how once again. They duplicated their Milwaukee performance with Matt, first, followed by Rick Larson, Lal Burridge, Tryg Jacobson, and Jim Knorr.

The Hobelman in Chicago was close but Pat Considine held off Mike Huffman in the last race to win with John Walter third.

Then, while some continued to fight it out in home fleet duels, our district qualifiers went to Tawas Bay for the North Americans. There, Pat Considine and Mike Huffman finished in the middle of the Championship Fleet while Sheboygan's Rick Larson won the President's Cup. Kevin Blair finished in the middle of the President's Fleet while Gene Matthews, Brian Phelan and Wally Nickerson fought off breakdowns in the Governor's Cup.

Later at the crossroads of the Midwest, Michigan, and Indiana Districts was Chicago's Red Flannels Regatta. Bruce Goldsmith and Dave Nickels accepted our invitations and it was a strong field of twenty-one boats. Pat Considine held on in the last race to defeat Dave Nickels by a point with Rick Larson third. Bruce and Mike Huffman were fourth and fifth. Pat received the honorary full suit of red flannel underwear while Gene Matthews received the "aw nuts" award for his sixth place finish.

The Polar Bear in Davenport was held to three races this year because of the winds and current. Gene Matthews prevailed over Mike Stephenson by a point.

So with season's end we totalled up the regatta finishes for the Lake Michigan Championship. Eight boats qualified by sailing in the Districts and three other regattas. First was Rick Larson followed by Gene Matthews

and Kevin Blair. Other qualifiers were John Walter, Jim Knorr, Brian Phelan, John Esser and Wally Nickerson.

The season was very competitive and strong this year with many more sailing the regatta circuit and more people investing in new boats. With the season over it's now on to Milwaukee for the Midwest's midwinter meeting in Milwaukee for some Milwaukee beer, exchanging of stories and planning for next year.

*Back Row: (l. to r.) Skippers Kevin Blair, Rick Larson, Pat Considine, Mike Huffman, Jim Gagnon. Middle Row (l. to r.) Jim Blair, Mike Peterson, Dave Wagner, Scott Harrison, Gregg Bartz. Bottom Row (l. to r.) Dean Cady, Jr., Susie Pratt, Steve Diaz, Carol Simmons, Maureen Gagnon.*

### NEW ENGLAND DISTRICT

District Commodore .....	Stu Nickerson
District Secretary .....	Dick Fastiggi
District Champion .....	Ray Harrington
District Runner-Up .....	Don Brush

**Fleets:** Centerboard Yacht Club (14); Newburyport (121); Spofford Yacht Club (145); Annisquam Yacht Club (151); Marblehead Harbor (189); Bomoseen Lake Y.C. (227); Massabesic Yacht Club (273); Chequesset (280); Lake Champlain (301); Squam Lake (332); Androscoggin Lightning Fleet (450); West End Racing Club (487); Bow Lake Lightning Fleet (493); Pioneer Valley Lightning Fleet (495).

The highlight of the New England District's year was the return to fun, and relaxed sailing which was summed up by the annual Spofford Regatta. We have noticed in New England that the smaller regattas which emphasize the whole range of competitive sailing are better attended and more thoroughly enjoyed by everyone. After the competition of the World Championship in June, our district seemed to demand more relaxed sailing and more opportunities for everyone to learn.

As evidence of this new direction, thirty-one boats participated in the Spofford Regatta to wrap-up the New England season. Excellent weather, tricky winds, and lots of socializing, plus a race committee headed by Fast Fred Hamblet made for good times. As usual, Dick Hallagan won (4th year in a row)! He was chased by Stu Nickerson, Tom Doran, Dick Hale, Bob Shapiro and Russ Cavanaugh.

Another regatta that features hospitality and fun sailing is the State-of-Maine Championship held each year at Lake Androscoggin. Twenty-one boats competed with Ned Hines besting the fleet. Ned was closely followed by Rob Pratt.

Our Districts were hosted by the Marblehead Fleet this year, under the leadership and hard work of Rick Humphrey. Five races in all varieties of wind and shifts produced a first time win for Ray Harrington, with his wife and father crewing. Nice going Harringtons! The racing was very close,

with one point separating the top three boats. Don Brush was second, followed by Stu Nickerson, John Collins, George Peter, Rob Pratt, and Rick Humphrey.

The annual Great Harbor Races held at the end of June in Provincetown were once again a highlight of our season. Thanks to the work of the Abare family, competitors enjoyed excellent sailing, a great party/dinner and the opportunity to sail on the most scenic bay on the East Coast. Rob Pratt won with David & Christie Jones second, Amy Kling and Maria White third, Kurt Kling and Charlie White fourth and Bob Shapiro fifth. Keep up the good work Provincetown!

The Lake Champlain Fleet in Burlington, Vt. hosted an early (chilly) regatta in June. This regatta was used as a tune-up for many of the New England boats that were participating in the Worlds one week later. Bill Shore won convincingly, followed by Don Brush, Phil Lotz and Stu Nickerson.

Elsewhere in New England, Len Pratt won the Newburyport Regatta with John Hughes second, and Steve Fram third.

Rick Humphrey won the NH/VT Championship held on Lake Massabesic.

Stu Nickerson won the annual Wellfleet Regatta with Curt Felix second, and Don Barrett, third.

Outside of New England, Stew Neff won the fall Cedar Point Regatta with Kip Hamblet and Christie Jones crewing. Hale Walcoff with a variety of skippers was fourth in the Southern Circuit. Stu Nickerson was third in the Newport Regatta. Don Brush crewed with Bill Shore winning the North Americans.

The New England District is still growing. With leadership being provided by Dwight Gertz, the once active fleet on Squam Lake is back again. Our District Championship will be hosted by the Annisquam Yacht Club next summer. We all look forward to returning to this quaint sailing center to test our skills with the current and open ocean.

In summary, New England sailing remains strong, and we have learned that a more relaxed approach is the key to keeping interest high. See you in '86.

## OHIO DISTRICT

District Commodore ..... John Werley  
District Secretary ..... Phillip Cornett  
District Champion ..... Matt Fisher  
District Runner-Up ..... Jim Dressel

**Fleets:** Indian Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Buckeye Lake (43); Mansfield (150); Atwood Lake (212); Cowan Lake (303); Hoover (353); St. Marys (400).

The Ohio District started the 1985 season with our annual spring seminar, once again hosted by Fleet 27 of Leatherlips Yacht Club. George and Matt Fisher led both on and off the water instruction, this year concentrating on the weather leg. Fair weather and a good breeze complemented shore lectures and panel discussions. Everyone learned a lot!

In its second year, Pymatuning Yacht Club's Spring Classic continues to grow, drawing sailors from as far away as New York and Minnesota. With its focus as a spring tuneup, PYC tries to run as many four leg races as possible. Saturday's gray skies and brisk wind tuned both racing skills and rescuing technique, but everyone was off the water in plenty of time for the bountious cocktails and party. Sunday brought us fair skies and a good breeze — a perfect sailing day to solidify the standings. Matt Fisher, tuning for the Worlds, finished first; Dick Hallagan from New York was second; with Dale Keltner from Minnesota third.

Next, we're off to west-central Ohio for the St. Mary's Thundermug, followed by Leatherlips' Windshift. The Thundermug consisted of a five race series under sunny skies with a fair breeze, and super home-cooked pies!! Colin Park from Michigan finished first, Mike Hein was second, and John McCree was third.

The Leatherlips Yacht Club Windshift Regatta lived up to its name with shifty, puffy winds blowing across the river. Participation suffered a bit with only 17 boats, as our District representatives were off to the Worlds. Tom Varley played it the best; John Werley was second; and Carl Clipp was

third. And as usual, our favorite sailor Terry Ottenweller promises to return for more fun next year!

The Ohio District sent our strong contingent of father-son teams to the Worlds, with George Fisher, Matt Fisher, Jim Dressel, and Dan Dressel all vying for top honors against the best in the World. Also, Rob Ruhlman from PYC had the opportunity to crew with Mark Bryant. Matt was the top finisher from the Ohio group — fourth in the World! Yea, Matt!

Fleet 27 from Leatherlips Yacht Club and Fleet 212 from Cowan Lake Sailing Association took us to Vermillion, Ohio on big Lake Erie for its steady and always-present winds. Our thanks to Terry Sheehee and all of Vermillion Boat Club for their outstanding hospitality! The hard work of all the members of both fleets, particularly Mary Rider (for the super meals) and Bucky Powless & family (for all their work on Race Committee under trying conditions) made this a grand success! Light winds from many varying directions was the order Friday and Saturday, making our small puddle hosts feel right at home! Sunday was a blowout, as storms rolled in a typical Lake Erie fashion. Horse racing broke the tie for first, giving Matt Fisher the championship. Jim Dressel was second, Willy Petersilge was third, George Fisher was fourth, and Dan Dressel was fifth. Best finish for a first time sailor went to Bill Kumler. Recognizing her contributions to the District and her ever-present Corinthian attitude, Bertie Gerling was rendered speechless (for once) when presented with the Ohio District Sportsmanship Award.

This year Rob Ruhlman (PYC), Jack Borland (PYC), Peter Swartz (PYC), Carl Clipp (LYC) and Tom Varley (LYC) made the trip to Tawas to represent the Ohio District in the North Americans. Robby did us proud not only qualifying for the Blue Fleet, but finishing fourteenth overall. Yeah, Rob!

Atwood Lake held another typical Harvest Moon Regatta, with lots of boats, lots of good times, lots of a fabulous cocktail party, and very little wind! Tom Varley drifted the fastest, stealing away the regatta from two-time past champion, Jay Mueller in the last race. Jay finished second, and Dick Pugh was third.

Once again the Buckeye Lake Snowball Regatta read like a Who's Who in Lightning sailing. Bucky Powless did another splendid job as Race Committee chairman, making the best of the existing conditions. Even with good wind, this year's highlight was not the last race but the super party and band the night before! Chris Varvarosky made history lunging through the "Hoop" feet first. . . no man has done this before (or ever again!). New but familiar faces dominated the top positions. Greg Fisher made a triumphant return taking top honors. Rob Ruhlman failed to choke as predicted around the martini bowl, and finished second overall. Willy Petersilge was third, Jim Dressel was fourth, and Mike Huffman from Chicago was fifth.

The season ends for most of us at Cowan Lake's Fall-In Regatta. With as much hospitality as they have peanuts (and peanuts were everywhere!) the folks of Cowan make this regatta one not to miss. Even this year, as we slogged around the course in 4½ inches of rain! John Werley was best through the drops, winning his first regatta. George Auer was second, and Dick Pugh third.

The Ohio Governor's Cup, comprised of the best three finishes of the five regattas (Spring Classic, Thundermug, Windshift, Harvest Moon, and Fall-In) found a new home. Tom Varley finished first, with two regatta firsts and a fourth. John Werley finished second, and past Champion Dick Pugh was third.

We are eagerly awaiting the 1986 season, and expecting increased participation at our regattas. If you're in the neighborhood, stop in and see us. You're always welcome, and it's always fun!

## PACIFIC NORTHWEST DISTRICT

District Commodore ..... Bruce Deitz  
District Measurer ..... Dave Hickman  
District Champion ..... Eric Lindahl  
District Runner-Up ..... John DeBenedetti

**Fleets:** Vancouver (90); Chinook (229); Okanagan (368); Portland (283); Seattle (132).

Although most of the fleets in the Pacific Northwest District actually start their season sometime in April or early May the real gathering of the Northwest Lightning clan begins on Fern Ridge Reservoir near Eugene, Oregon on Memorial Day. This classic regatta usually draws as many boats as the Districts and offers the best facilities of our entire circuit. It also offers some of the most interesting wind conditions imaginable as line squalls bounce their way east up the valley from the ocean, some going by south of the lake, some north of the lake, and some right through it. This year the regatta was won by Mark Fisher, who absolutely blew everybody else off the lake in the most lopsided win we've seen in a long time: Four firsts and a fourth!

This year's District Championship Regatta was held at Sand Point, on Lake Washington, about 5 miles from the sight of the '84 North Americans. The University of Washington Sailing Club, under the Chairmanship of Dan Callahan, served as race committee and did a super job for us. Eric Lindahl and Father Lightning, John DeBenedetti, duked it out with Eric winning his second districts in five years.

Every once in a while somebody gets psyched up enough to drive 2,500 miles from the northwest to attend the North Americans. This year John DeBenedetti made the trip to Tawas and Bruce Deitz remains eternally grateful to John for bringing back his new boat. Now all Bruce has to do is rig it. Some of the rest of us may make the North Americans next year...we've now had enough time to recover from hosting the '84 North Americans.

The district lost a good friend this past summer. Paul Anderson was killed in a tragic biking accident. Paul bought his first boat in 1976. The following winter, while everyone else was relaxing and getting rusty, Paul was either out sailing his Lightning or at the library devouring every word written about sailboats and sailboat racing. He did well his first season and came back the next two years to win the Portland Fleet Championship both times. People will remember Paul for his sailing ability, but they will remember him even more for his spirit and love of life. He had a profound effect on all who knew him. We will miss him.

"The Dunk" is coming on strong... Rumor has it that he (Ken Dunkelberg) might have won the circuit trophy this year. We'll find out next February for sure. He definitely won a tough light air regatta on English Bay in Vancouver, Canada, and almost won the Seattle Fleet Championship.

A relatively new sailor from Portland, Jerry Newberger, gave people a scare at the Seattle Circuit Regatta last October with a couple of good races. It gets tougher and tougher every year, but it's more fun than ever...

## SOUTHEASTERN DISTRICT

District Commodore ..... Gil Samuelson  
District Secretary ..... Rick Ferguson  
District Measurer ..... Paul Rodesiler  
District Champion ..... Lenny Krawcheck  
District Runner-Up ..... Bob Harkrider  
Season Champion ..... Bob Harkrider  
Season Runner-Up ..... Bill Sloger

**Fleets:** Savannah (127); Clark Hill (257); Lake Lanier (348); Catawba (365); Lake Hartwell (391); Triad (415); Greater Charleston (429); Palmetto (440); Waccamaw (463); Wake (481).

We sail a series of nine regattas which make up the Season Championship, some of which are Lightning-only invitationals, and some of which are multi-class regattas. Attendance at all regattas was up this year over last year, and the level of competition has increased as well. We have seen some new boats, new sails, and new trailers in the district this year, which also points to increased activity and interest; all good omens for the future! All you old Southeastern District sailors with boats in mothballs, get 'em out and come racing — you'll be pleasantly surprised.

Our district sent Lenny Krawcheck, Bob Harkrider, and Arthur Levin to the North Americans; Lenny represented us well in the blue fleet, and Bob and Arthur carried the flag in the President's Cup. You can expect to see more of these guys and other Southeastern District sailors in the big regattas.

Seven skippers qualified for the Season Championship by sailing in at least 5 of the 9 scored regattas; they were (in order of season standing): Bob Harkrider, Bill Sloger, Rick Ferguson, Arthur Levin and Hendrix TenEyck, Gil Samuelson, Clay Rumble, and Bob Shingler. We will race at the same locations next year for the 1986 Season Championship (see schedule elsewhere in the yearbook), and there will be other regattas with Lightning fleets throughout the district, so there is a regatta within driving distance virtually every weekend of the season. Watch the district newsletter for dates of other events.

The Southeastern District Championship was held at Augusta Sailing Club this year with 15 boats competing, and ASC's hospitality and beauti-

ful club site more than made up for the uncooperative weather (rain, no wind, and major shifts when there was wind); Lenny Krawcheck prevailed, followed by Bob Harkrider, Rick Ferguson, Arthur Levin (in a boat hastily borrowed after his was destroyed by fire on the way to the Districts), and Bill Sloger (who took a big loss in a late race major wind shift).

We were all saddened by the loss of Paul Rodesiler this year after a long illness. Paul made many significant contributions to Lightning sailing in the southeast and was always a gentleman on and off the water; he will be missed.

We're all delighted to have Lenny Krawcheck actively campaigning a Lightning again with his new boat; now if we could just get this guy from Orangeburg, SC (initials Tom Waters) going again...

Check the schedule and mark your calendar right now — and watch *Flashes* and the Spinnaker Sheet for other events. See y'all at Savannah, OK?

## SWISS DISTRICT

District Commodore ..... Jurg Weilenman  
District Vice-Commodore ..... Gilbert Despland  
District Secretary ..... Paul Gmur  
District Measurers ..... Urs Wyler, Oscar Weber  
District Champion ..... Urs Wyler  
District Runner-Up ..... Hanspeter Schmid

**Fleets:** Lac de Neuchatel (169), Zurichsee (219), Sempachersee (250), Greifensee (309), Murtensee (358).

What we had hoped for at the end of last year did not materialize in 1985: participation was still at a meager 8 boat average. But nevertheless. Four Swiss boats went down to Marsala for the year end and found tough conditions with hot competitors and a wild sea. Yet, the combined efforts of the Swiss naval forces were good enough to beat the Sicilians and win the overall first. Schmid, Wyler, Hofer did it.

Little wind was the main feature of the season. Both spring regattas at Sempach and Hallwil as well as our Districts at Murten suffered from it. Wyler, Stauffer, Gasser won them with Perret, Bossart, Hausamann second.

Except for the wind which continued weak the Europeans at Grandson were a superb event, perfectly organized by Gilbert Despland's Cercle de la Voile de Grandson. Both, the races and the social gatherings lived up to the expectations of the crews from Greece, Italy, Finland and Switzerland. After six races our Swiss teams Luthy, Taschler, Sonderegger and Wyler, Stauffer, Gasser were first and third with the Italian crew Galetti second.

The Alpine Lakes of Upper Italy are getting more and more popular with Swiss Lightning sailors, so popular that the Swiss outnumber the Italians in their own district. Brenzone on Lake Garda and Gravedona on Lake Como again proved that sailing can be great fun with good wind. Urs Wyler and

his crew were the winners of these two regattas.

The year finished with the traditional heavy-air, ice-cold Fondue-Regatta on Lake Neuchatel which is famous for the biting "Breeze" at this time of the year. Claud Lambelet with his Cercle de la Voile de Neuchatel was our host for the delicious fondue that warmed up the chilled sailors. Urs Wyler won again demonstrating his supremacy in heavy conditions. The following district meeting confirmed the officers of the class and fixed the regatta calendar for 1986. We expressed the same hope as last year: More wind and more boats would greatly increase the fun.

*Lightnings sailing in Switzerland.*

## TEXAS DISTRICT

District Commodore ..... John B. Waskom, III  
District Measurer ..... Dr. Sylvan Newman  
District Champion ..... Rick Tears  
District Runner-Up ..... Gil Mercier

**Fleets:** Dallas Corinthian (35); Rush Creek Yacht Club (435).

In order to assure the unaffiliated Lightning owners and other boat owners that we had not contacted recently that they were still members of the Fraternity our notice of the District Championship race dates was sent out in the form of a newsletter.

To encouragement payment of dues as well as help the Fund, we had the following announcement in our newsletter:

"The Texas District has made a donation to the ILCA Fund and has 10 raffle tickets for Lightning #14000 in the name of the Texas District. If the District wins the drawing for Lightning #14000, a drawing will be conducted to determine the ILCA member from the Texas District who will receive Lightning #14000.

This is one more good reason to join ILCA."

Our District races were held June 15-16. As reported in September *Flashes*, the wind began to die on the 16th and we had to settle for four races. Fortunately there were no ties and the results were Rick Tears first and Gil Mercier second. Fleet 435 is pleased to have Gil with his experience in other boats, as an active fleet member. He is going to keep all of the previous winners on their toes. Vern Goldberg did his usual excellent job as Race Chairman and we promise to eventually pay him for those early morning donuts.

Warren Lewis won the Hernando DeSota Regatta near Memphis, with Ex-President George Hatfield third. This was billed in the *Flashes* as a Tennessee/Texas shootout.

The Holiday in Dixie Regatta in Shreveport is also a must for our sailors. We had several boats go over, but no one seems to remember how we made out. Must have been quite a party.

In October we had seven boats in the State Fair Regatta at White Rock Lake in Dallas with John Waskom IV the winner and Ignatius Urbanek second. Ignatius is new to Fleet 35 and the Lightning and is learning too fast for comfort.

Final preparations are being made for the annual Thanksgiving "Turkey Day" Regatta at Rush Creek Yacht Club, November 29-30. Invitations have already been mailed.

The "Bad News" is that during the year both Paul Emens and Steve Thomas of Fleet 435 moved to Houston. We have been working on a fleet down there for over a year so the "Good News" is that this may help us to finally get a fleet launched in Houston.

We are still very positive about the Lightning in the Texas District.

Well, it has been a quiet season in Lake Michigan. Not quite, because we started our season with hope, aspiration and a few new members. Jim Reiman, Peter Phillips and Richard Mandeberg have joined the Lightning fleet this year and we all welcome them.

Fleet five proved to add some serious competition to the Midwest and National scene. Not only did Mike Huffman and Pat Considine compete in the National's "Blue Fleet", they also finished second and third in the Midwest Districts. They have two of the most familiar transoms in our fleet and we appreciate their hard work and talent. Also, in the "hard work" department, a special thanks goes out to "Illinois Jones" John Walter as Commodore of the Midwest District.

Our season began with the Fleet Championship Series and was highlighted by the Summer and Corinthian Series. The ten race Fleet Series went down to the wire with John Walter leading into the last race, but a one point lead was not enough to hold off Mike Huffman who was tied for second with Tom Hennessey. Mike won with John in second and "Wind On" Tom in third. Richard Hinze took the Summer Series with a second and third by Bill Wynn and Bruce Thompson. Bill's persistence won him the Corinthian Series with a second and third by Tom Hennessey and Dennis Burke.

Pat Considine about to 'cover'.

Speaking of third places, Dennis and Joan just added a new agile light-weight crew to their boat, namely, Jessica. Congratulations!

The season was capped off very nicely with our Red Flannels Regatta. It was a great weekend (for ducks) with high winds from the northeast and large waves but we all used our heavy air techniques and did our best to compete against the stiff competition. Pat Considine won it with Dave Nickels, Rick Larson, Bruce Goldsmith and Mike Huffman placing. The regatta was great fun and as understated by Dave Nickels, "It was so much fun, I think I'll come back next year". It is good advice to all and thank you to Dave and all the fine folks that came. One last thanks goes to the crewmembers that made it all possible and kept their cool under fire.

Well that's the news from Lake Michigan Fleet Five where "the women are strong, men are good looking, and the kids are above average" Lightning sailors.

The New Jersey State Championships (Fall Has Fell) was won by co-skippers Jack Huntsman and Jon Schwartz in *Men at Work* — Henry O'Hern was the crew and was seen preparing the boat between races. Thanx.

The party was held at the HYC, a great success which ended with Kahlua and trophies. Jack E. won the party, followed by a cast of thousands. Thank you to Jane, AdaMae, Holly, Karin, Liz, Patti, Les, and Dave.

The Social Members of Fleet 11 are very social indeed. Bobby was born in April (Karin and Bob Ruffus) Johnny was born in October. (Jack and Pam). Jon and Holly are to be married in June, Henry and Liz in January. If you plan to join our fleet, be prepared.

We will have hosted the Bi-District Seminar in January, skied with crews in Vermont, and be ready when the spring comes to sail, race and party in style.

The Lightning fleet had an exciting racing season with good participation in most races, opening with the Eby Series in mid-May. This was a special summer since the BCC hosted both the Canadian Open Championship and the Lake Erie District Championship Regattas. Two experienced skippers rejoined our ranks; Rick Hayden and Matt Bryant, Jr. as well as a new member, Robert Spampata.

Our Junior sailors also showed keen interest in the Lightning. Tom Allen, Jr., the Junior Racing Program Instructor, rounded up eight Lightnings for our Juniors to use in the Lightning Junior Districts. Dave Starck, with crew Mike McGarry and Paul Donovan was first; Jim Allen, with crew Eric Duchscherer and Christy Wardwell was second; and Ned Roseberry, with crew Scott Kinerk and Matt Sanders was third.

We are especially proud of our Juniors who went on to capture the top three places at the Junior Lightning North American Championships at Tawas Bay, Michigan. John Swanson is the 1985 Champion, with crew Joe Donovan and Scott Kinerk. David Starck, with crew Mike McGarry and Paul Donovan was runner-up, and Jim Allen was third, with crew Eric Duchscherer and Mark Richard.

Fleet 12 still has a group of the best sailors in the world. Five of our skippers represented the BCC at the Lightning World Championships in June at Little Egg Harbor, New Jersey, finishing as follows: Mark Bryant (7th); Larry MacDonald, Jr. (10th); Tom Allen (13th); Tom Allen, Jr. (21st), and Jody Swanson (27th). These sailors also represented us at the North American Championships, all placing well in the Championship Blue Fleet. David Fretz finished fifth in the President's Cup.

Jody Swanson, our reigning Junior World Champion, added another championship to her laurels in July; the Lightning District Championship. She is the first woman to capture this title. We are all very proud of Jody's accomplishments.

Congratulations also to Larry MacDonald, Jr. for winning the Southern Circuit Championship, and his crew, Rick Hayden and Mike Montani.

There were many fleet races held in beautiful Abino Bay with the Tom Fallon Lightning Club Championship won by Ed Roseberry, Jr., followed by Matt Bryant, Jr. and Tom Allen, Jr. Tom Allen, Jr. captured the Eby and Hussey Series. Ned Roseberry won the Maccubbin and Meyers Memorial Series and Curt Montgomery captured the Fleet 12 Series.

The Junior and Senior Lightning sailors are looking forward to a high level of activity next season. We will have more Fleet 12 parties as well as some special low key fun racing events.

For those of you interested in a new boat, please note the versatility of the Lightning. It can be day sailed or raced by mom and dad and double up as a great training yacht for the teenagers in the family.

We thank David Fretz for his fine leadership as Fleet 12 Captain in 1983 and 1984, and Ron Hughes as Secretary/Treasurer.

In Finland there's a fleet champion called Aulis Naykki; in Ecuador, Miguel Plaza Merino; in Switzerland, H. Kaspar Tscudi; in Italy, Pasquale Vittaggio — In Fleet 16 we have our Mark Schneider!

Mark not only won first honors for 1985 but he traveled around the Metropolitan Circuit, getting a third in the Met Districts. Including participation in national regattas, Mark Schneider has been a worthy representative of our fleet.

Mark learned it all from his father, Franz Schneider, who is our runner-up. Third place for the season went to our Fleet Captain, Heinz Kornmann; fourth place to our musical virtuoso, Stan Moldawsky; and fifth place to the bard, Joe Mark.

As for our three series of races, they were divided up father and son, with Mark winning two of the three series.

The Old Salts' Regatta was taken by John Galandak. The Crew Regatta was won by Sheila Schneider (It's all in the family). Our Fall Regatta was captured by Bob Graham of Lake Mohawk, Djoerd Hoekstra of Riverton, second, Mark Schneider third, Franz Schneider 4th, Heinz Kornmann fifth. The last three named are all from Lake Wallenpaupack.

For 1986 Joe Feyder was elected Fleet Captain and Mark Schneider, Secretary.

All in all 1985 wasn't the best sailing season. July was pretty good, but August was terrible — no wind. More than once the fleet ate their lunches at noon without ever taking off. George Madel suggested we rename the fleet — The Picnic Lunch Club. But our Fall Regatta was a peach — one of those rare great sailing days that everyone enjoys win or lose — and helped make up for the August doldrums.

We are introducing a new regatta next spring, The Cold Duck Classic! on May 24th, in addition to our Fall Regatta on September 13th.

Fleet 16 signs off with the eternal cry of the racing sailor:  
**"WAIT 'TIL NEXT YEAR!"**

*The Regatta Fleet gets off to a good start on Lake Wallenpaupack.*

The summer of '85 was filled with bright sunshine and variable winds. Fleet 17 found renewed interest in the greatest boat around...the Lightning! The first half was won by Peter Ford and his crew, Amanda Ford and Ken Anderson. Second place went to Vaughan Lee with Vera Lee and Bob Gould as crew. Ralph Sperry, who was able to enlist the first wave of renewed interest, took third place.

The second half was won by Joanne Locke with Jeff Rawson at the helm and Brent Donahue as the other crew. Vaughan Lee took second and Jim Nelson took third.

The fleet had many exciting races with boats changing positions and many a close finish. Our Fleet Champion for '85 was Vaughan Lee and the runner-up was Ralph Sperry. Black Rock Club honored our Jim Nelson for his sportsmanship and enthusiasm for racing. We were very proud of Jim.

Fleet 17 looks forward to new faces in '86 and hopes that the new interest from many of the club members in Lightning racing continues. Happy Sailing to all ILCA members!

The winds on Lake Mohawk in the Summer of '85 were the worst in years. They are always bad — up and down — coming from more than one direction at the same time — nothing here — something there, etc. Lake Mohawk is tough to sail on no matter what since it is nested in a valley with high hills all around, but this year it didn't matter, there wasn't much wind AT ALL. Out of 46 races scheduled on Sundays from the 5th of May til the 20th of October we only sailed 24.

The Spring Series started out best with fairly good winds coming from the only favored direction — we sailed 8 of the 14 races scheduled. Bob Graham finished first, Tom Bierman second, and Dave MacDonald, third.

Rich Miner, wife Gail, with various crews, took part in a three regatta series on the Hudson River in the early spring. They once again walked away with first place for the Mid-Hudson Circuit.

In our Summer Series only six races were sailed out of 16. Graham was once again the winner with Dave MacDonald second, and Rich Miner, third.

Our Fall Series ended with having sailed 8 of 16 races. Participation by fleet members was at an all time low ebb. Hopefully, it was the lack of good sailing weather. Dave MacDonald came in first, with Tom Bierman a close second, and Perry Anderson, third.

Dave should certainly get our "most improved" award as he was consistent all season with excellent boat speed and smart sailing (he learned to cover). Larry Kenny also sailed consistently better and was improving all season. Graham, Miner and Kenny traveled to the Whiskerpole Regatta at Greenwood Lake the weekend after Labor Day. Only one race was sailed because of the lack of wind — but Bob and Rich were the winners with first and second. The following weekend Bob, Rich, and Tom Bierman participated in Lake Wallenpaupack's Invitational Regatta and sailed in the best winds of the summer. Bob won again with a consistent 1, 2, 2. Tom and crew went swimming, Rich?

All in all, we're looking for better winds and more participation from members of Fleet 25 in 1986.

Fleet 27 started off the season, as last year, with a district seminar held in conjunction with the Interlake Sailing Class Association. Thanks to the help of George and Matt Fisher, many secondary instructors (and a super chicken dinner courtesy of Tom and Kay Varley!), it was a successful seminar for the second year in a row.

Tom Varley is a familiar name in this year's report — Tom won the Windshift Regatta, Atwood Lake, B Fleet in the Ohio District Championship, and the overall Ohio Governor's Cup Series. Congratulations to Tom, Kaye, and Kurt for another fantastic year!

Fleet 27 also hosted the Windshift Regatta, in conjunction with the Comet fleet. As last year, we found that increasing the participants by including another class made the regatta more fun for everyone, and both home fleet members and visitors seemed to like the idea! Now all we need to do is work on our shifty winds...!

As the peak of our season, our fleet hosted (together with Cowan Lake Fleet 303) the Ohio District Championships at Vermillion Boat Club on Lake Erie. Because neither Leatherlips nor Cowan really have the sailing area to host the Districts, we took it up to Lake Erie, and hosted it as a "thank-you" to all the other fleets in our District that shoulder the burden year after year. Thanks to help from all our fleet members, the entire Cowan Lake Fleet (especially Mary Rider!) and wonderful assistance from the Vermillion people, the Districts were a great success. Special thanks must be given to the entire Poweless family who made up 99% of the Race Committee — without their flawless work the Districts wouldn't have been possible. And congratulations to Bertie Gerling, who won the District Sportsmanship Award.

Although we are a small fleet, we managed to put on three major events this season. And what made that possible is the incredible willingness of our fleet members to share in all the work. Rarely if every does this kind of selfless participation occur, and we are very lucky indeed!

The season starts early at Devils Lake and the first event is the Winter Party, held at the Bales. Sixty skippers, crew, new members and friends gathered to eat, drink, and remember the past Summer and to get enthused for the coming year.

Several new boats and five new members added up to hot competition on the race course. Chris Tibbs and Lynn Elwell did another super job on the race committee and some days they had their work cut out for them trying

to find the wind.

Bruce Goldsmith, with crew of Sherry Goldsmith and Van Ooyen won the District Championship and George Sipel, Jr. with crew of Greg Walz and Dan Norton won the Junior Districts for the fourth consecutive year.

Beth Tibbs with the help of Dan Norton instructed the junior sailors in the basics of sailing and racing. T. K. Hephner won the George Sipel award, which is voted on by all the junior sailors. They had a large group of very young sailors which will help the fleet in years ahead.

Merrill Bales had his work cut out for him this year as Jim Sayre, in his new boat, lead the pack up until the final two weeks when Merrill was able to pull out the championship for the 7th consecutive year.

Sayre along with being runner-up, also won Stay-at-Home and Most-Improved skipper. Other winners were: Memorial Day and 4th of July, Hank Hodgson; Nite Race, Jim Fernamburg; Board of Governors, Russ Richart; Sportsmanship and Novice award, Jeff Clemes; Best crew, Mark Richart.

In a sail off with George Sipel, Jr. in Sunfish and Lightnings, Dan Norton captured the Steve Wynn Junior Sailing Award.

The season ended with 33 Lightnings on the starting line for the 42nd Annual Regatta.

Light air for the races added to the excitement of racing as the wind kept everyone on their toes trying to find the wind and when it was over the top 10 finishers were: Jim Dressel, Colon Park, J. R. Holman, David Nickels, Bob Mathers, Hank Hodgson, Bruce Goldsmith, Mike Huffman, Merrill Bales, and Mike Dow.

Lightning sailing, New Jersey style, is always at its best at the Metedeconk River Yacht Club. 1985 was a fine year, with significant accomplishments, competition and a lot of fun along the way.

The Lightning Worlds came to Little Egg Harbor in mid-June, which is a few miles south from the Metedeconk. A Metedeconk flavor penetrated the championships as Betsy Gelenitis cajoled, pushed and helped Bill Shore become World Champion. Defending champ Jay Lutz, a native of our lovely river, took third, after not being in a Lightning for awhile — all in all, a fine performance. Jim Carson also participated.

Metedeconk hosted the Central Atlantic Districts on Barnegat Bay and will always be remembered for the only double triangle olympic course in sailing history. After winning the first race, Jody Lutz led the fleet into a state of confusion in the second race. In the lead, he proceeded to the leeward mark after the first triangle; half the fleet followed, half didn't, half were wishy-washy and changed their minds, jibing back and forth. It put a damper on the championship, but excellent sailing ensued. Jack Elfman was declared champion followed by Dave Coward, Alan Ruiter, Mark Forhec.

Real great river sailing this year, with fleets up in number. Mark Forhec won the Spring Series, Keith Taboada the Summer Championship and Dave Ruiter edging out Paul and Betsy Gelenitis in the Fall. Alan Ruiter made his return to our fleet and won the Barnegat Bay Yacht Racing Association Championships.

Jody Lutz made his stamp on the Lightning national horizon by sailing an excellent series to place third in the North American Championships held in Tawas Bay, Michigan. Jim Carson continued a fine sailing career as he qualified for the blue fleet for the umpteenth time. Mark Forhec also made the trip, finishing in the President's Cup.

'85 was great. Stop by and help us enjoy more in '86.

Fleet 35 enjoyed another successful year with continuation of our split season — a Summer Championship Series and a Fall Series. Despite an extended bout of spring rains, our Summer Championship Series got into high gear by the end of May with a high level of participation. Rodney Wallace and new fleet member Ignatius Urbanek provided a serious challenge to perennial Fleet Champion Ralph Bilnoski who once again prevailed to retain his Fleet Championship. Spurred by close competition during this summer shootout, we anticipate an interesting Fall Series with increased participation and improved sailing by all.

The Spring Classic '85, first regatta of the Ohio Governor's Cup Series, was held May 18-19. Pymatuning welcomed Ohio's Matt Fisher, who placed first, and Dick Hallagan, Newport Yacht Club, New York, gave the fleet good competition by placing second.

The '85 racing season, re-rigged with a new scoring system, breezed in with the Spring Series won by John Swartz. Jack Borland captured second, and Dave Lewis finished third. The Saturday Series — conveniently sailed on Saturdays — found the first place trophy going through withdrawal from shooting the corners, third to Herb Jestel (who got extra practice this year by maintaining a Lightning at Atwood Yacht Club). The Sunday Series' results found Dave Lewis in the number one spot, followed by John Werley and Dave Werley.

Somewhere in the middle of the season, after many firsts, Dave Lewis sold his *Blue Fox* and bought *Lightning* 13318. Dave must have known that the air was going to lighten up. It was a gutsy move that paid off.

The Stay-at-Home Series found Frank Thompson back in a *Lightning* and winning first place. Tim Borland, in Dave Lewis' streaking *Lightning*, finished second. While this series was being raced, Rob Ruhlman, Pete Swartz, and Jack Borland trailed their boats to Tawas Bay for the North Americans.

The Independence Day Regatta was proudly won by our own Rob Ruhlman who got to keep the Watson-Krutch Trophy one more year.

As the leaves from the trees started to fall and the lake level started to go down, a final tally was taken to determine the Fleet 36 Championship. Dave Lewis' consistent good racing gave him the first place trophy. Rob Ruhlman scrambled to second, Jack Borland patiently captured third, John Swartz finished fourth, and Herb Jestel wrapped up fifth.

The '85 season found Fleet 36 plagued by skippers who were under the weather. We're pleased to announce that by haul-out time in the fall, all were back at the helm of a *Lightning*.

The annual fleet meeting and trophy awards was a delightful brunch

served on the shores of Lake Erie at the home of Rob and Abby Ruhlman, a great finish for '85 and an exciting beginning for '86.

Fleet 39 had a very active 1985 season, successfully completing four separate series, as well as hosting the Metropolitan District Championships and the annual Chelsea Open Regatta. Frank Newman and Michael Pike traveled extensively, representing the Chelsea Fleet at all the district clubs. We welcome Gil Curl to our fleet to continue our growth from the previous two years.

The District Championships drew 15 boats from most of the member fleets. We were able to complete four races during the two day regatta which was interrupted only by a typical Chelsea party on Saturday night. Jon Schwartz of Monmoth Boat Club took top honors, followed by Sandy Huntsman, also of Monmoth, Mark Schneider of Lake Wallenpaupack, and Bob Sengstacken of Greenwood Lake.

July brought the Chelsea Open Regatta, third and final leg of the Mid Hudson Circuit. We managed to get off two races with Rich Miner of Lake Mohawk finishing first followed by Michael Pike and Bill Muth, both of Chelsea.

The 1985 sailing season on Buckeye Lake saw excellent weather conditions in June with the usual lack of wind in July and August. The fleet sailed a Memorial Day and Fourth of July series, as well as a Spring, Summer, and Fall Series. No one skipper dominated the racing which made for very interesting results.

Fleet 43 qualified four skippers for the World Championship Regatta held at Little Egg Harbor Yacht Club in New Jersey. Matt Fisher finished fourth over-all with Jim Dressel 13th and Dan Dressel 22nd. George Fisher had to leave before the start of the regatta and did not participate.

The Ohio Districts were held on Lake Erie at Vermillion with Buckeye Lake Skippers capturing the first five places. Matt Fisher won, Jim Dressel was second with Will Petersilge third, Dan Dressel, fourth and George Fisher, fifth. Bill Kumler won the trophy for the best finish for the first time skipper sailing in the Ohio Districts.

No Fleet 43 skipper sailed the North American Championship at Tawas, Michigan.

Jim Dressel traveled to Devil's Lake in September and finished first. George Fisher won the Interlake National's and went on to finish fifth in the Champion of Champions regatta in North Carolina late in October.

In October, Buckeye Lake hosted the annual Snowball Regatta with Greg Fisher, sailing Matt's Lightning, winning by a large margin.

The year 1985 also saw the loss of two Lightning skippers, Marty Headlee moving to Atlanta, Georgia and Ed Ballenger relocating to Ft. Myers, Florida. Good luck guys with your new business ventures!

The 1985 sailing season got off to a slow start with a number of boats traveling during the early schedule and others not quite ready for the start of the season. By mid-season however, the usual competitive sailing returned, and the year ended on a very strong note with our Harvest Regatta drawing the largest turnout in our district. The end of the season also saw the beginning of our long-awaited waterfront rejuvenation, and the members demonstrated great resolve with an impressive group effort. Our awards dinner was held in November with this year's sailing results as follows:

The Tune-up Race in May was re-scheduled to July. Peter S. Humphrey won the re-scheduled race, taking home the Bucket Trophy. Memorial Day weekend saw Todd Jones win the VanArsdale Memorial Trophy with three firsts, followed by Peter G. Humphrey second, and Bill Neal third. The Bill Humphrey Memorial sailed over two weekends in June was won by Mark Grinder with Peter G. Humphrey second, and Peter S. Humphrey third. Todd Jones won the Fourth of July Series to take home the Neal Memorial Trophy, with Mark Dadd a close second, and Peter G. Humphrey third.

We were fortunate to get eight club championship races in over the course of the summer. Peter G. Humphrey won convincingly with a total of only eight points after two throwouts. Mark Grinder was runner-up. The Stay at Home Series, scheduled opposite away regattas, was won by Mark Grinder followed by Bill Neal. The Benedict Memorial Trophy sailed over Labor Day weekend was won by Todd Jones in a very competitive series. Peter G. Humphrey was second, and Bill Neal third.

Wm. "Doc" Humphrey proved he still has the "touch" winning the Old Salts. Jay Hackemer showed great improvement winning the Most Improved Skipper Trophy. Jeff Martin won the Jacob Hafstead Trophy as the most valuable crew (sailing for Mark Dadd). Todd Jones won the Mid Neal Brown Trophy for best away performance with second place finishes at the Cornball and NFIR. Todd also had very competitive showings at the LED and Canadian Open.

Our annual Harvest Regatta proved to be a highlight of the season with forty-one boats participating. Many thanks to all our friends who came and helped make it such a great event (PARTY!). Congratulations to Regatta Chairman Peter S. Humphrey for an excellent job. Dick Hallagan was the winner, followed by Mark Sertl second, and Larry MacDonald third. Peter G. Humphrey won the Charles VanArsdale Jr. Memorial Trophy for best SLYC finish.

Special thanks to our Race Committee consisting of Doc Humphrey, Fred Schade, and Platt Fowlston who did an excellent job throughout the year.

1985 was another great year for Fleet 50. The regatta season opened April 26th with the inauguration of Fleet 50's Ludwig-Potomac Cup. The regatta site for this event is the Leesylvania State Park located on the Potomac River between Washington, D.C. and Quantico. The results confirmed that, at least sometimes, "Father Knows Best" as Dieter Grotheer beat out his son Phillip for the gold. The Potomac Cup will be an annual event so we hope to see you next spring! The next Fleet 50 event was the Lightning/Thistle Challenge which the Lightnings won handily, taking the top three places. Frank Gallagher took top honors edging out Lisa Foulke with her all female crew. Third place went to Jim Dillard. The last regatta on the river was the President's Cup on September 14th. Frank Gallagher (a.k.a. Captain Mean) in a borrowed boat again walked away with first place followed by Reed Barrett in second and Frank Gentile in third.

The series sailing produced a slightly different set of winners. The Spring Series winners were Jim Dillard in first, Reed Barrett in second, and John Ogle in third. John Ogle picked up momentum throughout the year to win the Fall Series. Second place went to newcomer Eric Swanson with third going to Frank Gentile in his new wave "Miami Vice" Nickels.

The overall Fleet Championship went to a sailor who has improved over the last few years, spending more and more time in the winners circle — Reed Barrett. John Ogle who also won points by doing consistently well was close in second with Frank Gentile taking third.

Fleet growth was steady this year with the addition of Wayne Watson (a transfer from St. Louis's Fleet 486), Eric Swanson (second, Fall Series), John Butler, Jeff Stann, Dave Strang, and Mike Pallacco. The competitiveness on the river is also growing as evidenced by two brand new boats in the fleet and several "upgrades."

Fleet 50 was also well represented in area regattas. One standout was Philip Grotheer who placed in just about every major regatta including fifth at the Districts, third at the Borderline, and second at the Spring SSA regatta just to name a few. Also, the Fleet 50 women's team of Lisa Foulke, Christy Dillard, and Marianne Gallagher took first place at the District Women's Championship. And then there is the amazing Frank Gallagher, who always places in whatever boat he can beg, borrow, or steal.

Rumor has it that several more competitive boat owners are on their way to Fleet 50's roster in 1986 so it looks like good things are going to get even better!

Fleet 51 had an active racing season of 32 Sunday races and 11 Wednesday races this year and also had the pleasure of hosting the Michigan Districts in preparation for the North Americans in Tawas. See *Lightning Flashes* vol. 44 no. 8 for info on our Districts (well written too).

Wednesday series found Vickers first, which shows that you can buy your way to a trophy. Williams second, and the Drews right behind. Sunday A found Schulte finally listening to the girls and winning (he was overheard saying "yaa just sail it like a big boat!"). Williams, Dave and Betty next, showing that taste in sunglasses is a matter of opinion, with the Dutchman Boys ceasing their soil boring tests in the bottom long enough to cinch third place. Sunday B was dominated by Vickers, amazing for a guy who ends up by accident at a deli in Toronto trying to find Buffalo, N.Y.! The attendance champions, the Konons were second. Overall standings were Vickers, Williams and Konon.

Two of the fleet qualified and attended the North Americans with past Fleet Champion Kinkel placing fourth in the Governor's Cup and Vickers 16th in the President's Cup. Sadly we understand that Arlyn is hanging up the hiking straps next year. We will miss him and the ever smiling Lilo.

We welcome to the fleet three new members: the Barkers with their incredible enthusiasm, Craig and Bob the spar specialists, and Andrepont the rigging expert. We would also like to put out an A.P.B. on Rempter, Miller, and Hughes, come home, all is forgiven!

Also, for the last time Joe, we are not going to print the race instructions in Ukrainian!

The social highlight of the year was once again the fall lobster and clam roast with head chef Dick Drew being the demise of 140 of the poor critters. If the affair gains any more popularity we will have to have Summers head up parking with his flags and line paint. The winter trophy party with our friends, the Snipe Fleet was a great success also.

Just think how good this article would have been if Alex had written it — maybe next year?

1985 was another typical year of competition for Fleet 53 with the Nickels family (Herman, David & George) fighting it out for the championship and the rest of the fleet getting their kicks from winning an occasional race. George led our Sunday Series most of the season but David edged him out for the championship in the final weekend of sailing. David led all the way in the Wednesday Series. Bill Seaman, our Fleet Captain, finished this year as most improved sailor for the second straight year and it was no contest.

The fleet once again hosted the Michigan District Team Championships. The weekend provided wild winds and plenty of competition. A Fenton team of Herman, George, David Nickels, & Paul Militzer won the championship.

With Tawas Bay Yacht Club hosting the North Americans, fleet members were actively involved in both preparation and participation. Herman Nickels gave more evidence that he will go on forever by finishing second in the Seniors.

This was a great year for the Michigan District. With the nationals being held in Tawas, the Pontiac sailors were anxious to get started in the spring. Many of the sailors and their families went up to help for a day or two at the North Americans.

Pontiac had as many as twenty six boats out to race in the Summer

Wednesday Series. There was a lot of good racing and the winner of the series was Wally Smith. He also went on to win the Die-hard Series. Winners of other series were: Don Rau, Bug Out Regatta; Louie Nickels, Spring Sunday; Don Rau/Eric Samuelson, Spring Wednesday; Dave Marriott, Summer Sunday & Match Racing; Volkmar Neudoerffer, Snowball Series; Clarence Holman III, Club Championship; Craig Marriott, Commodore's Challenge (crew skippers boat); Bob Fidler, Most Improved Over-all.

We would also like to mention a few members of Pontiac for their outstanding performances during the season. Clarence Holman III raced in the Worlds held in New Jersey. Bonnie Nickels finished second in the Womens North Americans. Dave Marriott qualified for the championship flight in the North Americans. Esther Callahan handled all the catering. Clarence Holman III donated his big boat and lots of time for the planning of the Nationals.

Pontiac hosted the Junior Districts this year and a good time was had by all the kids and adults. We also have a junior sailing program that has a lot of interested young sailors in it. Competition will sure be stronger and better at Pontiac Yacht Club next year.

The 1985 sailing season for Fleet 58 in Hewlett Bay was again moderately successful showing steady growth within the fleet. We now boast of an 11 active boat fleet.

The season kicked off with the annual HPYC Invitational Lightning Regatta, which in 1985 showed a dramatic increase of 12 boats over the previous year. The popularity and reputation among Northeastern sailors for this early season tune-up regatta has grown to such a level, that we are now hearing of promises for next year from Lightnings as far away as Hampton Bays and Lake Bomoseen, Vermont. Even though the tricky channel sailing slightly favors the locals, everyone now knows they are at least guaranteed good food, cold beer and a competitive, yet friendly racing atmosphere. This year the regatta was won by local favorite Tommy Hering (who now holds the record for consecutive victories of this regatta), followed very closely by Alan Pearlman representing the visiting Narraskatuck fleet.

After the Invitational we were off and running into the summer series. Although we were not able to tally up as many races as originally scheduled, it was still a fun season with familiar results. Bud Dailedouze (who is a sure bet to make the Lightning Hall of Fame) came out of Lightning retirement two years ago only to win the fleet championship for the second year in a row. His veteran crew of wife, Dot, and long-time friend, Jim Brown, helped him sustain his reputation of being an opportunistic racer who is always a threat to win.

Runner-up to Bud was Tommy Hering, who also took consolation by winning the Governors' Cup at the 1985 North Americans. He and crew, Mike Donohue (also of Fleet 58) took great pleasure in bringing back to Long Island a trophy from the N.A.'s for the first time in over 20 years.

This year the balance of the fleet also showed strong signs of improvement and enthusiasm. The Donohue crew, Crafty Crawford, Never Say Never Neiland, and Richard the Brave all had their days of glory (or near glory), and proved that any one of them at any given time could win any

given race on any given day. Young (sometimes reckless) Ed Reckenwald even sipped from the victory cup in one of his first series races as skipper, and Gary Sliva made large gains this year in finding a faster formula for an old woody.

All in all it was another fun season with everyone expected back next year to do it again.

The 1985 season was a good one for the Jayhawk Fleet. Competition in the Sunday Series was close, with the final standings not decided until the last few races of the season. There was plenty of good racing this year, even in August, which in the past has typically been a month of drifters.

The Jayhawk Fleet hosted the Central States District Championships in June. The first three races of the regatta were sailed in high winds, which led some of the skippers to persuade their crews between races that the chutes really would stay in the boat this time. The fourth race was abandoned because of lack of wind after the blowout on the first day. There was a three-way tie for first place after all of the races were sailed, with top honors going to Rob Exon because of his first and second place finishes in the heavy air races.

Veteran skipper Ralph Persson and crew Art and Pam Jones put together a consistent season to finish ahead of another veteran of the lake, Fritz Toussaint. Fritz's daughter Andrea and friend Matt Magnor crewed their first full season together this year, and are expecting to be much better next year. Ralph is planning to retire to the Florida coast this winter, and this championship is a fitting end to many years of fine sailing at Lake Shawnee. His skill and sportsmanship will be missed by the rest of us.

The Jayhawk Fleet is looking forward to another solid season in 1986. Bob French, this year's third place finisher with a brand new boat, is in a good position for taking higher honors next year. Several new Lightning owners were welcomed to the lake at the end of the season. There will be plenty of armchair sailing this winter as the old hands and the new sailors get their tactics and boats in shape for the spring thaw.

During the 1985 racing season we experienced excellent weather and racing. Our fleet actively participated in not only the local weekly club racing, but also the Midwest District Regatta Circuit.

The first regatta of the season was the Marine Handicap Regatta. There was a strong southwesterly wind with relatively flat seas. We were very pleased to have Jody Lutz from the Metedeconk River Fleet at Ocean County, N.J. participate in this regatta. Kevin Blair finished first with Jody Lutz right behind in second and Robert Mahnke in third.

The next regatta was the Little Mac. The race was a long 6.5 mile broad reach for the first leg, and a 6.5 mile beat to the finish. The conditions were 15-18 knots of air out of the northeast, which really gets Lake Michigan rolling. Dean Cady won the race after a controversial finish. John Esser finished second and Kevin Blair was third.

The 40th annual P & T Regatta was held on July 6-7. We had 22 boats from throughout the Midwest District, as well as Matt and Lal Burrige from Carlyle Sailing Association in the Mississippi Valley District. We raced five races in probably the finest sailing of the season. Matt Burrige won the regatta with the finishes of 1-6-1-1-1. Matt dominated the regatta in all types of conditions. Second place went to Ric Larson, third to Matt's father Lal Burrige, fourth to Kevin Blair, and fifth to Gene Matthews.

The Commodore's Regatta was sailed in late August. Dean Cady sailed outstanding to take first, Byron Roe second and Randall Crocker third.

The Labor Day Regatta was sailed in light air with very lumpy seas. There was a battle right down to the last race. Kevin Blair pulled it out in the end for first, Karen Cady second, and Byron Roe third.

The Wednesday Evening Series Championship went to Kevin Blair. Walter Nickerson finished second and Karen Cady finished third.

The Season Championship also went to Kevin Blair. Dean Cady was right behind for second, and Byron Roe finished third.

The season started with a joint MET/CAD District meeting in January at Metedeconk at which Betsy Gelenitis gave a talk on ten things not to do wrong during a race. This was followed in February by a fleet meeting at Rob and Jeanie Held's to plan the Long John. A storm kept this meeting small, but we had fifty boats attend the Long John. With the wind gods being nice, added to all those boats, followed by another of those fabulous parties at Mary's mansion, it was the best Long John in recent memory. Dick Hallagan repeated as winner, Jack Huntsman was victimized by a failure to go to church and ended up second, while the boys from Canada led by Larry MacDonald, finished third.

After this came the rest of the Spring Series. This year Jack Huntsman took home the winner's trophy, finally beating his father who had won three of the last five years. Awards were given out following steaks and drinks at the HYC. Thanks again Mary and Sandy.

Now for the saga of those fearless fleet members who travel the countryside in search of another place to race and make new friends and see old buddies again.

At the Vermont Invitational, sailed at Mallots Bay, Lake Champlain, Sandy with faithful crew Tony and Larry were fifth, while down at Rehoboth, on the Delaware Bay, Rob with crew Kevin and Jeanie along with Jon Schwartz whose crew was Will Jeffers and an unknown off the beach were one and two respectively. Jon and Jack also made the trek to Little Egg for the Worlds, did not do too well, but said the parties were great. At the districts sailed at Chelsea on the Hudson N.Y., Jon with help from Will and another unknown won. Sandy, Tony and Larry were second. Tony, Larry

*John Schwartz, member of Fleet 70 and Metropolitan District Champ.*

and Matt Smith made the trip to Tawas Bay, Michigan for the Jr's, doing well enough to qualify for the Seniors and make it into the blue fleet. Meanwhile back at the home port Sandy and crew took the Memorial Day Series, Arnold Schwartz with wife Ethel making a surprise showing as crew, won Fourth of July, with Jack getting the gun in the Labor Day racing. The last away event was the Manahawkin Bay Cup sailed at Surf City, on Barnegat Bay, at which Sandy with Matt and Larry were fourth. Jon also went to this regatta, still only bringing one crew and ending up fifth. Fall has Fell is the final home regatta which this year was also the N.J. States, drawing 22 boats for a beautiful day of sailing which ended with another HYC party, this time with the Kahlua Girls providing the best coffee ever and Jack adding another first to his collection.

On the shore side doings of the fleet, Jack and Pam started their own home-grown crew pool with the arrival of Jack Jr., making Sandy and Mary grandparents again. Henry got engaged to Liz, with the wedding planned for January so as not to interfere with the sailing season. Kevin at press time is further than ever from the wedding bells, and Patrick did finally get engaged to his Mary, who is not the Mary mentioned so many times before. These happenings leave last year's writer one for three plus a total miss on Henry. He would do well to consult with his wife, who took all the blame last year anyway, before going so far out the yardarm on a whim again.

This year we had 35 scheduled races in our three season series. We combine the results of all three, to proclaim the Fleet Champion. It wasn't hard; Al Klinger cleaned up by coming in first; spring, summer and fall. Paul Connell was second and Howie Rinehart third. Good sailing guys!

Nyack was joined by some new Lightnings this year — welcome to the fleet! New members Kathy Dalmas and Annette Aronson impressed everyone by capsizing on their first sail of the season, (and at Nyack) but went on to have a good season of racing. Just wait 'til next year. Annette holds the record for lost or destroyed spinnaker poles. Congratulations to Mons Grinager, former Fleet Captain. Mons was unanimously elected to life membership at Nyack.

Once again our annual Magnus Pederson Regatta had good wind. In fact, some might say — too much of a good thing. Paul Gelenitis came up from Metedeconk to take home first, and Gary Hurban called the sailmakers for a new chute after his shredded spectacularly.

In July we had our second annual Lightning-Thistle Challenge. Tom Johannsen showed the Thistles how to move in no air and took home the first place beer pitcher. The rest of us kept the Thistles distracted by throwing water balloons to keep cool.

In October, Nyack hosted the Metropolitan Last Blast Regatta. Seventeen boats were at the starting line in a lively SW 15-18. Then that big dark green cloud came screaming through. When the thunder and lightning cleared everyone had survived, even the Lightning that was abandoned in preference for the committee boat. After lunch, we went out for the second race. Then, somewhere in the second leg the wind vanished, and it was hard to even keep the boat pointed in the right direction. Luckily it filled in again in time to take us to the finish, and give us a good third race.

Afterwards we had the best party! There were trophies for everyone, including the "Escargot" award for Rod Johnson and the "Batting 500-out of 1000" for Al Klinger. (Rod surprised everyone this year by getting his boat in the water in July.) First prize went back to Greenwood Lake with Andrea Sengstacken. Take that you guys! Second went to Mike Pike of Chelsea, and our own Hurban team took third.

Nyack sailors Paul Connell, Bill Cook, Kathy Dalmas, Elissa Hall, and Gary Hurban all traveled to various regattas this season, including the Long John at Red Bank, the Districts, Cedar Point, the Worlds, Greenwood Lake, the Atlantic Coast's, and the Jersey State Championship. (Next time try to miss the marks Bill.) Paul and Elissa even jumped on a big boat for the Governor's Cup in NY Harbor.

For the last race of the year, we all dressed up and were rewarded by a gorgeous, sunny, warm, AND windy day. Everyone had some great rides on the waves, and Cook went for the Siamese Turtle Award. Then we had a party and watched the Halloween full moon rise over the river. See you in '86.

Fleet 75 members "Dress to Impress" for their Halloween season finale.

Newport Yacht Club welcomed some seasoned sailors in Matt Harris, Dave Jungjohann, and John Gummoe to Lightning racing, but 1985 was a year for the veterans to show their stuff. Sailors like Bill Wright, Dr. John McIntosh, Alan Hamilton, and Ernest Brown put in consistently cunning performances week in and week out.

The Spring Series began on May 5th and was marked by regular Sunday rains. George Sereno wasn't bothered by the wet weather. He was out "discovering brave new world" on *Spar Trek* every Sunday with his wife Donna and Laser ace Dick Vickers. They sailed to a Series victory with another old master, Dick Doherty taking second.

As tradition would have it the first weekend of June was reserved for the Newport Invitational Regatta. The gusting and shifty winds tipped over 5

of the 35 starters on the first leeward leg of the first race. More would follow suit as the weekend progressed. At the awards presentation Regatta, Champ Kirk Reynolds noted that racing on the bay was challenging and exciting. He and other visitors expressed desires to try it again next year and we hope to see them all back in '86.

Things warmed up for the Summer Series. The thermals started blowing in from Lake Ontario, but the lake breeze couldn't cool down George Sereno while he sailed to a second straight series win with Steve Sahs close behind in second.

A couple youngsters did manage to get into the act when Jane Faust won the Burns Hanna Handicap Series and the young protege Jim Doherty did a fine job by taking top honors in the Fall Series. John McIntosh took second.

Looking ahead to 1986 should be exciting. For the first time Newport Yacht Club will have the option of sailing on the open waters of the Great Lakes. Maybe we'll all take a cruise to Oswego!

One last note. If any of you out there on the regatta circuit see Mark Sertl or Jim Gocker could you remind them that races start every Sunday at 11:00 a.m. up here in Rochester.

Niantic Bay sailors enjoyed another very active season in 1985, participating in national and international competition as well as numerous regional regattas.

Once again, Both Don Barrett and John Oldham travelled to the North Americans and qualified for the blue fleet. Don also made the trip to Little Egg Harbor in June for the World's.

Niantic Bay Yacht Club was also well represented at the Newport Regatta in June, the CT/Rhode Island Districts at Madison Beach Club, and a couple of boats made the trip to New Hampshire to test their light air, lake sailing, and cocktail partying skills at Spofford's fall regatta.

Back on the bay, John Oldham, with crew George Manthous and Scott Shea, captured the Fleet 85 Championship, edging out last year's Fleet Champ, Nelson Hoffman, with Franz Edson finishing a close third. The Memorial Day Series was won by Tom Moriarty, with John Oldham taking second place, and Gary Davis finishing third. Don Barrett continued his Holiday Series' domination by winning both the Fourth of July and Labor Day events. John Oldham and Tom Moriarty finished second and third, respectively, on the Fourth of July, and Gary Davis and Chris

Vann took second and third in the Labor Day Series.

NBYC was the site in 1985 for the Atlantic Coast Championships. Top-notch competition was on hand with 32 boats, coming from as far away as Pennsylvania, Virginia, New York, New Jersey and North Carolina. Don Barrett emerged victorious after three races sailed in moderate conditions under beautiful sunny skies. Joe Friebele from Annapolis took second place honors, Ched Proctor from Cedar Point finished third, followed by Franz Edson from Niantic in fourth.

And finally, in our last major event of the season, Fleet 85 was once again the proud host of the CT Governor's Cup in September. This has become one of the most well-attended, fun regattas on the east coast schedule, and this year was no exception. The competition was great, we had some excellent racing conditions, and all enjoyed Niantic Bay's renowned cocktail party and outstanding steak dinner. Dave Peterson, having to work for a living on Saturday's, brought in a "ringer" in the form of Neil Hayes from the Housatonic Boat Club to take the helm in *Woody* for the weekend. Neil proceeded to sail to two bullets on Saturday and a second place on Sunday to win the three race series. Second place went to former Class President, Djoerd Hoekstra (who led a very aggressive contingent from Riverton, New Jersey), and Phil Lotz, winner of this event for the past two years, finished third. If you've never been to our Governor's Cup, talk to someone who has, and we think they'll convince you not to miss it next year.

Kudos to our excellent and very professional Race Committee of Pete Hartwell, R.C. Chairman; Karen Ricciardi, and Joe Zarembo for their dedication every weekend. It was an extremely busy season for our yacht club, with other national and regional events taking place, and this team was on the starting line every time. Thanks a million, and we hope to see you all on the race course next year!

As previously reported, Fleet 104 picked up two new skippers and two boats, raising our total to five for the 1985 season. Our racing attendance was 100% throughout the summer, and the weather for the most part favored the Lightning sailors. As usual, gusty winds, common to Barnegat Bay sailing caused many spinnaker problems, but our only casualty was a capsized by Don Cooper, which entitled him to win the "bottoms up" trophy. He can now inscribe his name under a list of top notchers from the past who had the dubious honor of winning the trophy.

Jim Fertakos, our Vice Commodore, and the race committee, gave us some fine courses and our thanks must go to that fine group. All of the weeds that had been growing from the bottom up last year that made sailing quite a problem were gone this season and it was strangely pleasant to be sailing in clear waters.

Our fleet adopted the motto "Think Lightning" and to back it up, each skipper took a turn as a cruise boat each Sunday morning to take interested persons for a sail to watch the morning races at the club. A tremendous amount of interest was shown by many of the club members who had never set foot in a Lightning, and by answering questions and even giving them some time at the tiller, we have a number of prospects for 1986. As a matter

of fact, we have already picked up one boat, skippered by a new member for the fall series.

Dr. Anthony Ventimiglia, his wife Joanne and brother Gene walked away with the series. Chris Larsen, Bobby Schrier and husband George took second, and Walter Krueger, Bill Dacosta and Joan Young wound up in third place. Bob Hoffman and sons, Skip, Larry, and Tom; and Don Cooper, Jack Nile, and David Cooper brought up the rear. All races were very competitive and most were decided on the last leg and could have gone one way or the other. We started a six week fall series on Sept. 16th, had our annual picnic on the 22nd, and at this writing are thoroughly enjoying the fall sailing for we don't have to be dodging power boats, water skiers, and the like.

The season got off to a fine start at the Higgins Lake Boat Club with our annual Firecracker Regatta. This local didn't seem to mind as he took first place. John Dent was second and Stan Dent finished in third place. Following the regatta we dried out as the weather lifted a bit. That evening a potluck dinner and impressive fireworks display completed our 4th of July celebration.

Three of our boats traveled to Traverse City for their invitational regatta. Ric Blamer, Stan Dent and Mike Dow and their crews all enjoyed the

competition and festivities. Unfortunately two of those boats found it impossible to stay out of each other's way.

The Higgins Lake Boat Club Invitational Regatta took place on the following weekend. Once again Colin Park took home first place honors. Hank Hodgson followed in second, Gary Demarest third, and our own Mike Dow took fourth place with Tom Vickers in fifth.

On Labor Day weekend our season concluded with the Annual Property Owners' Regatta. The Lightning Championship as well as the Alex Carlin trophy for overall, handicapped finish went to Stan Dent. John Dent followed in second place and Fred Krauss finished third.

That evening at our Annual Banquet various awards were presented. The Season Series was won by Fred Krauss. John Dent was second and Ric Blamer finished in third place. Ric also received the distinguished "bad luck" award for a series of events which transpired on our way to the North Americans to watch Mike Dow; our only qualifier in that event.

What a dismal year! Due to an abnormally dry spring, our lake resembled a frog pond. It never did fill up all year. Therefore, many of our sailors traveled to area lakes to sail. We were not able to hold our regatta but are looking forward to hosting it next summer. We will all be doing rain dances in the spring!

The Merrimac Lightning Fleet is alive and well in Newburyport, Mass. A new hoist, picnic area, and infant playground grace the parking lot, and more importantly, three new skippers joined the fleet and competition is tight and terrific.

Our season started under stiff breezes on Memorial Day Weekend with the Pendill Regatta; Chip Wyser, the undisputed winner. It ended with the Fram/Lavendar team winning the club championship...again! The season was highlighted by a Centennial 4th of July Race and an AYC hosted Regatta, not to mention barbeques and beer in the parking lot after races.

Our spring and summer series provided ample opportunity for exciting and competitive racing — most often the first and second winners distanced each other by two or three seconds! Al Martin, Chip Wyser, and Wyn Snow took home a good share of the summer's trophies. Congratulations to all skippers, crew and Race Committee for a successful 1985 season!

Fleet 126 had a very good year of participation in both its own fleet sailing as well as national and international events. To begin with, Ched Proctor and Phil Lotz sailed in the Southern Circuit. Ched won the Midwinter Championship in St. Petersburg and was second overall in the Southern Circuit.

Phil Lotz also sailed in the Worlds and finished 12th overall. Cedar Point sent three crews to the Nationals in Tawas. They were Tom Ingram, Phil Lotz and Ched Proctor. Ched and Phil finished fourth and fifth respectively.

Regionally, Cedar Point hosted two successful regattas and sent 10 boats to both the Atlantic Coast Championship held in Niantic, Ct., and the District Championship held in Madison, Ct., where Ched Proctor came in second, Tom Ingram fourth, Phil Lotz sixth, Randy Browning seventh, Edson White ninth, and Jay Richardson 12th. Ched Proctor was third and Phil Lotz placed sixth in the Atlantic Coast Championship.

The first regatta of the year was the Early Bird Regatta held in May and hosted by the Cedar Point Yacht Club. Thirty boats turned out but so did a strong Northerly that blew 35 for two days keeping everyone off the cold water. Even without races, the dinner and party were great, thanks to Jay Richardson. The second regatta run by Cedar Point was the Fall Classic. Held in September, the regatta was attended by 27 boats of which Stu Neff was first, Phil Lotz second, and Ched Proctor third. Although the racing was fun, the dinner and dance (especially the dancing) was by far the best we've seen around Cedar Point in some time. Special thanks to Tom Ingram for throwing a great regatta and party.

Locally, the fleet averaged fifteen boats on the weekend starting line, with 10 qualifying for the overall year trophy. During the year we also had the traditional holiday regattas. The Vice Commodore's Cup Series, held Memorial Day weekend, was won by Phil Lotz, with Tom Ingram second, and Randy Browning third. In the Fourth of July Commodore's Cup Series Phil Lotz came in first, with Tom Ingram and Edson White second and third respectively. The Rear Commodore's Cup Series, held Labor Day Weekend, was won by Phil Lotz; Edson White was second and Gianni Cuccio third. The Season Series overall results were Phil Lotz as Fleet Champion, Edson White, Runner-Up, Tom Ingram third, and Jay

Richardson, fourth.

The Fleet expresses its appreciation to our new Fleet Captain, Phil Lotz, for organizing a successful season of activities and seminars, to John Dymont, Treasurer, and Dottie Gough, Secretary. Special thanks also to R. C. Chairman, Ted Fontelieu, (a Thistler).

We look forward to a very strong 1986. So far there will be six new members. Hope to see everyone at the Early Bird next May.

Winning the Madison Beach Club Fleet Championship is no small feat, entailing one to three races every Saturday from the end of June through the beginning of September. It was with great pleasure for all that Dick Grant and his able crew of Bill Gleason and Abigail Abbott returned from a couple of years of more leisurely sailing to lock up the Fleet Championship by midseason. The real competition was for second place with Jim Johnstone and Michael Sulzbach dicing it out through the end of the season. It is also a pleasure to have Jim Johnstone, of the famous sailing Johnstone family, as an active member of the fleet thanks to Jim Deephouse's graciously having moved forward in his boat, relinquishing the helm to Jimmy.

This fleet is growing stronger and healthier every year although our performance at the Districts (which we hosted) was not sterling, we expect to improve things next year.

As in all vibrant Lightning fleets, 1985 was filled with enthusiastic racing.

The most unforgettable event occurred early in the season during a weekly evening race. As the Lightning fleet approached the line, the wind velocity turned from moderate to 55 knots in a matter of seconds. As other one design fleets were blown onto the beach, the Lightnings were scattered across the Sound.

Eric Lindahl, after tearing his mainsail, pulled his newly-made rags down and sailed 20 miles with bare poles. Bruce Deitz was blown across the Sound, where he overturned and broke his centerboard retaining cleat. Turtled, Bruce and crew sat on the hull, pondering, as dusk fell, when and if they would be rescued. Fortunately, a passing tug stopped them and pulled them off, but Bruce's boat was lost.

Phil Wong dumped, righted, dumped, righted, dumped, righted and was finally towed in. Alan Hunt was the only Lightning sailor to sail his boat back to the Shilshole dock, approximately an hour and a half after the wind "filled in."

Perhaps the overall highlight has to be the achievement of Ken Dunkelberg on the race course. Ken won Fleet 132's Most Improved Skipper award in 1984 by sailing all year without colliding with someone; a personal first. This year Ken and his eversteady crew John Lowendorf developed superior boatspeed which enabled them to win circuit regattas at Kitsilano and Maple Bay, and a second at Vancouver Lake, which brought the Northwest Circuit Trophy to Seattle this year.

Another newly emerged force this year was Marty Mulhern, as he pressed in with the fastest to place third in the District Championship. Unfortunately, Marty is leaving Seattle to assume command of a NOAA ship based in Norfolk, Va. We will miss him.

Marty and Ken, with the established speedsters Bruce Deitz, Alan Hunt, and Eric Lindahl ended many weekly races in bow to bow dogfights. Occasionally jumping into these photo finishes were Phil Wong in *Dandelion Break*, the partnership of Pam Hsu and Bob Schnelle, with Pam doing most of the driving in *Good Old*, and Art Green with crew 'Trusty Jack' Kolle in *Aha*. Longtime Lightning sailors Greg and Cheryl Zettler are still maintaining to be retired, while Dave Hammer is threatening to sail full time next year and beat us all.

1985 saw some changes for Fleet 137. We have a new Fleet Champion, Tick Ticknor, who sometimes ran away from the fleet, but generally engaged in some close contests, beating his father now and again. The second place winner was Tim Vander Meulen followed by Carl Engels, Bill Ticknor, and Daniel C. Chappell, in third, fourth and fifth positions respectively. Dave Decker, last year's most improved skipper, had an even better season this year and was often first at the weather mark. He finished sixth overall. This year's most improved trophy went to David Watt who sailed a beautiful new grey boat and was always "looking good".

In late August, Janet and Arthur Riley hosted the Sail-To-Breakfast at their land-locked home in suburbia. The invitation said "rain or shine", and the hosts were beginning to regret their hospitality until the rain clouds parted and a great turnout of hungry, friendly competitors showed up for what is about the twentieth straight Sail-To-Breakfast that has not been rained out.

We did not host a June invitational this year, but had a pretty good turnout for an in-club weekend regatta. September was another story. We had a fair turnout (20 boats) but moderate winds with big puffs on Saturday. Only one boat flipped and, in general, the wind made for good racing with bursts of hard work. Sunday brought stronger winds and bigger puffs. The races were fast, well-sailed, and the mark roundings were never lonely. At one downwind mark, Bill Weston saw a nice little inside hole and passed seven boats in as many seconds. The fifth race started before noon and the last boat crossed the finish line at about one p.m. The first tier had their share of photo finishes, but there were many exciting, closely-contested finishes even among the cheap seats. Winners of this highly competitive regatta were: Colin Park followed by Gary Demarest, Dave Hatfield, David Nichols, and J. Vandelson. "It doesn't get much better".

We are looking forward to another active year in 1986 with even greater participation in both races and regattas.

Fred Hamblet roared in this year with straight bullets to reclaim the Fleet Championship while Alex Gemmell and family edged out Dave Fitch and family for the runner-up spot. It was an exciting series in spite of "Fast Fred's" dominance.

Spofford sorely missed Dave and Muriel Pinard this summer. The Pinard's, who have taken off to Maine, contributed much to Fleet 145 and the Lightning Class. At the same time, we were happy to welcome Phil Alther and his children Shannon and Gretchen to the fleet in #8480. Phil got his feet wet this year and will be "gunning" next year.

In addition to getting themselves into the hardware in the Spofford fleet series, the Gammell family was well represented in New England district regattas. They traveled to the Districts at Marblehead, Androskoggin, Massabesic, and Newburyport. Pat MacQueen and family travelled to Androskoggin, Wellfleet and Cedar Point. Fred Turner, less his kids who seem to have all grown up, spent the most weekends at Spofford and was actually looking for crew. His wife Carol came to the rescue a few times. Dave and Dottie Fitch, who have traditionally hit the regatta circuit hard, this year took it easy at Spofford, but helped the fleet racing greatly.

Len Pratt graciously assisted Spofford sailors this summer and sailed his boat with the Gemmells as crew, at Massabesic.

Spofford hosted its 24th regatta on the 21st & 22nd of September. Thirty-two boats attended and enjoyed good Saturday weather and a light Sunday. Dick Hallagan, who has dominated this regatta for the past several years, dominated again to walk away with it. Stu Anderson took second. This tremendous regatta is always the highlight of our season. It has become the end of season gathering of Lightning friends all across New England. We look forward to hosting you next year.

Burt Preston continued his dominance of Fleet 150 in 1985 by winning our Principal Series with firsts in every race he sailed. Preston also won our Memorial Day Weekend Series Trophy, The Founders Trophy, the 4th of July Series Trophy, and he topped off the season by winning the overall Mansfield Sailing Club Championship for the 13th consecutive year!

There were other sailors participating in our activities and they include Bernie Dillon, who finished second in our Principal Series, and who won our Fall Series Trophy. Ed Brennan, sailing a new Lightning this year, but having crew problems, won our Sunday AM Series and finished second in the Wednesday PM Series. Don Walter, who served as Commodore of the Mansfield Sailing Club for 1985, finished third in the Principal Series, second in the Sunday AM Series, and Don won the Wednesday PM Series and the Labor Day Series Trophies. Don also had the distinction of sailing the most races in the Lightning Fleet in 1985.

Fleet 150 suffered somewhat this year from the lack of participation on the part of some members due to circumstances like summer school, surgery, etc., but we believe that 1986 will see our Fleet back to full strength.

The weather was good this year in Ohio. In fact the winds were so good that there were a couple of surprise capsize early in the season.

Thomas J. McDermott, veteran Lightning skipper, former I.L.C.A. Officer, and author of books on sailing, racing & tactics was presented a plaque for his devoted service to the Mansfield Sailing Club and for his many contributions to the sport of sailing at our annual awards banquet. Tom McDermott has retired from active sailing, but his mark upon our Fleet will long endure.

We look forward to 1986 and invite all Lightning sailors to visit us in beautiful North Central Ohio.

It's a Schmahl world after all. A play on words to a familiar song, but young Carrie Schmahl was correct when she gave a wonderful rendition of the song at the annual awards banquet. The Schmahl family, Doug, Judy, Jeff, Steve, Julia, David and Carrie won it all. With either Doug or Jeff at the helm, the entire family won every season trophy there was. The Memorial Day Series, the Fourth-of-July Series, the Labor Day Series, the Season Championship, and the prestigious Cynthia Cup trophies now reside at the Schmahl residence. Well done and congratulations!

Second place for the season was taken by Commodore Keith Swihart, with the Buckinghams finishing third and Allen Fox taking fourth place. Steve Anderson took the Commodore's Cup with some good early spring and summer sailing.

The Hoosier Regatta saw 22 boats start with Colin Park taking first and Bruce Goldsmith second. The Hoosier is part of the Michigan/Indiana/Ohio Fall Circuit and offers some of the finest racing Lightning sailors will find. The big event for the club this year was the 50th Anniversary of our

yacht club. We celebrated by having a party on the Fourth-of-July weekend. We invited back past members of the club and were pleased that a number of old friends and racing companions came back for the event. The party started with a 50th Anniversary Race, won by Keith Swihart. Then we had a social hour a good part of the afternoon, with dinner, awards ceremony, presentation of the Yacht Club History, and dancing until the early morning hours to a rock band beneath a large tent. Barb Penn, representing her father Paul Hess, gave to each member a book Paul has written entitled, "Early Wawasee Yacht Club History — The Formative Years" by Paul E. Hess. This book was definitely the highlight of the evening. This was a great occasion. We saw Paul Penn crew with his son, Richard, and Richard's wife, Barb, for the 50th Anniversary Race. They didn't win but they gave a good accounting of themselves. Paul is over 80 years old and runs the committee boat for us faithfully every Sunday. Thanks, Paul, for all of your hard work.

Last and certainly least, a thank you to John Nixon who computerized our racing scoring system. Not only do you get your score but he gives new meaning to the phrase, "adding insult to injury".

Our 1985 season began with great promise, a commitment by many skippers to participate in the summer racing series. Our fleet welcomed three new boats; the Amo's, the Redmond's, and the Sills. Tune-up races took place Memorial weekend, and everyone was ready. June brought the rain and cold weather.

Although boats were scarce, our fleet efforts intensified towards our regatta weekend, the June 29th Cazenovia Invitational, the first leg of the Central New York Triple Crown. We registered 22 boats, and enjoyed two days of excellent competition. Dick Hallagan finished first in the series, and our own David Grogono won the Commodore's trophy, the boat finishing first after the first day of racing.

July's weather showed much more promise. The competition was close. Dick Tuttle and Jim Hole were fighting for first, Bull, Barter, Burrell, and Bassin were close behind. Dick and Janet Sinn were breaking in new crew, sons Chip and Chad. John Sills was getting his feet wet in the fleet racing program as well. Pam and Leslie Tuttle spent many of the summer weekends at regattas. At the North Americans as crew, Leslie finished fifth, and Pam in the first place boat. At the Districts, at Henderson Harbour, our fleet shined. Dave Grogono finished third, and Dick Tuttle finished fourth.

Labor Day weekend was approaching. Jim Hole vacationed on the Cape, and Dick Tuttle took first. Don Barter with wife Janet and Alister Thomson were coming on strong. Jeff Bassin had wrapped up the Tuttle Memorial Trophy, a mini series for boats on regatta weekends. The weekend free-for-all races were both won by Lightnings. Leslie won Sunday's race; Dick took Monday's race. As we look back, it was an exciting season. As we packed boats away for the Central New York winter two prospective Lightning skippers appeared. Our fall meeting will be hosted by Linda and Jim Hole, and we are looking forward to some exciting racing next season.

During the season 1985 the main activity of our fleet was racing. Even though we had only three active boats, the season was a great success.

The first ranking race was the traditional On the Rocks regatta in Lake Tuusulanjarvi in mid May. Due to the late spring most boats were launched for the first time this year. Anyway, nine boats appeared at the starting line. The weather was fine with moderate winds, so we didn't have to begin with survival conditions this year. Kari Maenpaa won with his *Vahine II*, young Jussi Karkkainen from Tuusulanjarvi fleet became second and Terho Aromaa with *Masi III* third.

Next regatta was sailed outside Helsinki. Heavy wind, rough sea and icy cold weather made the race extremely hard. Top three was the same as in Tuusulanjarvi: *Vahine II*, *Marigold* and *Masi III*. The Hamina ranking regatta was also sailed in bad weather. Only two boats, *Vahine* and *Masi*, arrived on schedule and so they decided to have a beer drinking competition instead of sailing. On Sunday more boats appeared to the racing area. Also this time *Vahine* was first. *Masi* was second.

The District Championships were sailed in Kemi (latitude 68° N). As usual it was impossible to beat Kari Maenpaa. He ensured his victory by winning the first four races. In the last race he sailed with half speed, and so the Aromaa team got their chance and won that race. Kari Maenpaa is also District Champion, Aulis Naykki from the host club KPS runner-up and Terho Aromaa third. Among the 23 participants other fleet 166 members were Asterix (4.), Kesaheila (14.) and Koivu (19.).

After Districts our fleet started the European Tour of this year. Three boats, *Vahine II*, *Asterix* and *Masi III*, assisted by *Marigold* from fleet 456 travelled to Grandson, Switzerland in order to participate in the European Championships. For us it was a great pleasure to sail at the temperatures of +30° C. However, in light winds Finnish boats were not fast enough. Kari tried hard and was second in two races. With luck *Masi* made a miracle and won the third race. On final results *Vahine* was fourth and *Masi* seventh.

*Asterix* and *Marigold* got stuck among the last boats.

In mid September we had again the opportunity to test our sailing skills in home waters. Club HSK arranged a 15 nautical miles long cruising race. The wind was quite strong, 9-11 m/s south-west, and so we were able to keep 6 knots mean speed. The top boats were again from Helsinki: *Vahine*, *Masi* and *Asterix*.

In Finland Kari Maenpaa and his crew, Erkki Maenpaa and Oki Wikman won every regatta they sailed. Only seldom someone managed to beat them in a single race. It looks like other sailors have to take some lessons for the next season. After Europeans Terho Aromaa moved from skipper's place to foredeck. His son Kimmo will be steering *Masi III* from now on. On Finland District's final ranking list Kari Maenpaa was first, Terho Aromaa second and Hartti Nisonen fourth. Hartti is starting to make and sell boats, and we hope to see some new boats and especially new Lightning sailors next year.

Our fiftieth year as Lake Davenport Sailing Club began in May with the opening of the club and with preparations for the beginning of the sailing

season on Memorial Day. Last fall had left us with only two cranes operating, but we were in much better shape this spring with three cranes operating and only one more to be repaired. As Memorial Day approached the Mighty Mississippi cooperated by slowing its current to a very manageable level. Mike Steffenson took the Memorial Day series in a new boat, *Hot Flash*, and it seemed to foreshadow events which were to follow during the season.

Good sailing continued into the summer and our Commodore and Summer Series were well contested. Mike Steffenson won the Summer Series with Bill Quaintance second, Reed Doughty third, Ken Jensen fourth, and Ron Raber taking fifth. Mike continued his winning ways by taking the Commodore Series and Reed Doughty taking second, Ken Jensen third, and Ron Taber finished fourth. The Fourth of July Race was also won by Mike. Doug Steffenson took over for the Labor Day Series and continued to win for the Steffenson family.

Our Polar Bear Regatta was raced on October 5th and 6th with a contingent of sixteen boats. The winds definitely cooperated beginning Saturday at speeds of 20 to 25 and gusts to 35 miles per hour. For safety reasons the first race was cancelled. Later, the winds began to abate and two races were sailed Saturday afternoon with Mike Steffenson, Gene Matthews (13941) and Kevi Blair (13877) in tight competition. Only one race was sailed on Sunday due to variable winds. Gene Matthews pulled ahead in the final race to win the regatta. Mike Steffenson was second, Kevin Blair third, Brian Phelan (13725) was fourth, and Ken Jensen, also from Lake Davenport, was fifth. Ron Taber (12022) took the WOC Trophy for being the next highest finisher from Lake Davenport not placing in the top five. A great weekend was experienced by all, especially with the fine rib dinner served at the Steffenson's home Saturday night.

The Fall Series was only completed last week. Again, no one sailed as the current on the Mississippi was at early spring levels due to a large amount of rain in our area and to the north. This had been the pattern for the two proceeding weeks. The series ended with Mike Steffenson again first, Reed Doughty second, Ken Jensen third, Bill Quaintance fourth, and West Johnson fifth. There was a good turnout for the entire series and this promised stiffer competition for next year. Only the Annual Meeting and final winter preparation remain. Still, we have fond memories and will be looking forward to next season.

Fleet 169 of Lac de Neuchatel was the center of Swiss activity in 1985 as our fellow member Gilbert Despland organized at the end of the lake the 33th European Championship in Grandson for the second time.

This event, as usual, was very well arranged with participation of 25 boats (7 Italians, 4 Finnish, 2 Greeks and 12 Swiss). Christoph Luthy on *Dominique* with P. Taschler and Elisabeth Sonderegger showed their maestria in light and moderate airs and became 1985 European Champions. The first of our Fleet 169 was Gilbert Despland on *Chiloe* with Francois Eggenberger and P.H. Winteregg as crew.

In October, Fleet 169 and le Cercle de la Voile de Neuchatel organized the traditional "Regate Fondue" which was sailed with fairly strong winds during three races. Urs Wyler with Stauffer and Gasser were the winners. Christoph Luthy, our European champ, capsized under spinnaker in the first race.

Here are the results: 1. Wyler/Stauffer/Gasser — 0; 2. Perre/Huber/Aeberli — 7.2; 3. Schmid/Hofer/Zeltner — 8.5; 4. Despland/Eggenberger/Winteregg — 13, 9; 5. Schar/Schar/Schar — 14; 6. Lambelete/Lambelet/de Coulon/Vuithier — 15.9; 7. Luthy/Taschler/Sonderegger — 20 pts.

Fleet 173 continued to prosper in 1985. This year's sailing proved to be the most competitive in many years. This was a year of firsts. The Fleet hosted a dinner and the ILCA's Annual Meeting during the Worlds. It was great to have a chance to show the class our fine facilities and Brant Beach Hospitality. Dave Coward finished the best ever of any BBYC sailor at the CAD Championship (second) and is the first and only Fleet Member to qualify for the blue fleet at the North Americans. Jim and Nick Nicolini and Peter Coward were the first to compete in the Junior North Americans and finished fifth. On Labor Day we had our first "Class of 68" race providing new boats to skippers who were the backbone of the fleet in the mid-sixties (Tom Coe, Sam Streep, Joe Serrill, Herb Twining, Tom Hyndman and Gene Kelly).

The following is a synopsis of the Fleet's racing results:  
 Fleet Championship — First - Glenn, Carl and Beth Reitingner; second - Bob and L.J. Seybold, Bert Hitchler; third - Dave Coward, Ed and Barb Serrill.

SCYC Memorial Day — First - Glenn Reitingner; Third - Dave Coward.  
 LBIYRA Championship — Second - Glenn Reitingner.

CAD Championship (NA's Qualifiers) — Second - Dave Coward (Blue); Eighth - Glenn Reitingner (Green).

Junior North Americans — Fifth - Jim, Nick Nicolini and Peter Coward.  
 Sunfish Mid Atlantic Regionals — First - Jim Nicolini (Qualified for Sunfish 1986 Worlds)

Sunfish Junior North Americans — Third Peter Coward.

As you can see BBYC fared quite well during the 1985 season. This would not have been possible without the support of numerous crew members, including: Ed and Barb Serrill, Carl and Beth Reitingner, Marilyn and Dave Scott, Hubert Streep, Ricky Dinfelder, L.J. Seybold, Bert Hitchler, Mary and Steve Hyndman, Bill Serrill, Jim Titus, Rob Roth, Gene Kelly, and Doug Pierce. Many thanks to the crews who make it possible. A special thanks must now go to Joe Serrill and his fine race committee and the Seybolds and Cowards for co-chairing and organizing the outstanding World's Dinner.

Next year looks to be as exciting as this was with Pete Pierce and Gene Kelly finally in a competitive boat and the prospects of Dave Long as a new fleet member. The LBI's produced 16 boats on the starting line in 1985 and we are looking for more in 1986.

The past year was a great year for Fleet 180. Fleet Captain, Mark Prather scheduled 22 races for the summer races. The weather was cooperative and only a couple of races were terminated due to light winds. The Fleet was very competitive and the standing at the end was very close. Skip Ragghianti came in first with Mark Prather a very close second. Mark has purchased new sails for the coming year and is determined to edge out Skip. Chuck Waldschmidt was in third place and Dr. Duane Good had a fourth place finish.

Dr. Stan Gurney, a first year sailor and a new comer to the Fleet, was presented a special award for being the most dedicated sailor. He started every race and also finished every race.

Upside awards were given to Ed Benevent for being the last boat to capsize. Prather and Skip also shared these honors during the past season.

Mike Mercatoris did very well with his new boat this year and will be a contender in the near future. Mike also was Fleet Captain for some 25 Sunfish Boats on Conneaut Lake. These young sailors will be future Lightning sailors in the coming years.

The club also enjoyed three social picnics during the summer. We concluded our activities with a Labor Day outing and are looking forward to the 1986 racing season.

1985 will be remembered as a year of growth in fleet members (29), great weather again, very close competition in a very full, year-round racing schedule, and an active social calendar. Fleet 194 again increased its roster by 20%, the third straight year we've done so!! And Scott got off to a fast start in winning both the Intra and Interfleet Club Championships for the third year in a row!

The average number of boats turning out for regattas increased dramatically. The margin between first and fourth places was the closest in many

years. General interest increased with many new potential boat owners inquiring about purchasing and crewing in our regattas. Many hours of dedication and hard work by many fleet members contributed to a superb year for Fleet 194 in 1985.

Our racing season begins in January and runs through the second week in December! Kirk Johnson started out by winning the Frostbite Series. Scott Finkboner then ran up a string of 11 regattas — winning the SCYA Midwinters, his second straight California Circuit Championship, both Lake Cachuma regattas, and the Pacific Coast Championship in San Francisco Bay.

John Lyon won the District Championships held at the Santa Monica Bay Fleet in Redondo Beach. His 16th place finish in the "blue fleet" with Randy Reid and Larry as crew will long be remembered as one of the best North American performances in our fleet's history.

Our fleet was blessed with two special events — new crews to the Grauers and Washams.

The Lightnings again took the Lightning/Thistle Challenge. Scott and Cindy crewed for Mark Patty in Yachting's One-of-a-Kind Regatta. Our fleet had a great time again this year at our annual ski trip to Mammoth Mountain, and our sail around to Southwestern Yacht Club.

Our fleet is looking forward to another great year in 1986. Please make plans to attend any of our regattas by calling us anytime. Make plans now to attend our California Circuit — March 22-28, 1986.

Aloha and Good Sailing!!!

1985 was another in a long line of fun-filled summers for Fleet 196. We had a successful racing season here at the club and found many more of our sailors taking to the road. We were represented in no less than 12 regattas by various fleet members and, although only a few trophies were brought home, we came very close in a number of events.

Once again, Jack Elfman led the parade by putting more trailer miles on his boat than some of us put on our cars in a year. Ralph Messersmith, Fran Temme, Rich Warren, and Steve Hoffman also traveled extensively and we were glad to be able to support events away from home better than any year in recent memory.

Jack went out to the Tawas North Americans and sailed well enough to become an alternate qualifier for the Worlds which were held right down the road from Surf City. When one of the competitors was suddenly called home just prior to the start of the event, Jack was invited to participate and, along with daughter Holly and Rich Warren, sailed a couple of outstanding races. We at Surf City are proud of his performance and endlessly grateful for his contributions of work, leadership, and enthusiasm within our fleet.

Perhaps the highlight of the season was the good times spent throughout the summer with the other Lightning fleets here on Long Beach Island. We combined with our friends from Barnegat Light and Brant Beach Yacht Clubs to successfully handle the Worlds measurement at Little Egg Harbor, held interclub races on several occasions, and brought out 17 Lightnings for the Long Beach Island Yacht Racing Association Championship in

August. The regatta was won by Jack Elfman, with Glenn Reiting of Brant Beach in second place, and John Teigland of Little Egg Harbor third. Surf City sailors swept the Surf City Annual Regatta (Jack Elfman, Randy Swartley, and Ralph Messersmith) and our Manahawkin Bay Cup Regatta was won for the fourth year in a row by Jody Lutz of Metedeconk in a tiebreaker with — who else? — Jack Elfman.

As if Jack didn't do enough this year, he also managed to sail enough at home to regain the Fleet Championship by a nose over Fran Temme. Our Most Improved Skipper Award went to third place finisher Jody Freeman who spent the season sailing George Schmidt's *Punch*. Jody is a delightful teenage sailor who put together some brilliant races and is going to be very tough in any fleet. We were also happy to welcome Steve Hoffman to Fleet 196. Steve is in the process of making the transition from sailing Ensigns on big, deep, Long Island Sound, to Lightnings on small, shallow, Manahawkin Bay. That kind of transition requires lots of patience and a good sense of humor, and Steve gets a solid A Plus in both departments.

Finally, we are proud to announce that Charlie Howe has been elected Rear Commodore of the Surf City Yacht Club. This is the first time in decades that a Lightning sailor has become a Flag Officer, and Charlie tells us that from now on we sailors must behave ourselves and stick to winning races instead of cocktail parties! Will we be up to this monumental challenge? Tune in next summer.....

Year Book time is very early for our report because our season started in March and finishes in December, without races by July and August. At this moment, we wait for the best regatta, the National Championship held in our waters of the River Plate.

This year was too difficult for all people in our country, but little Fleet 206 was enthusiastic, not only between our members, also hosting boats from other clubs. At Nautico Olivos, our home club, you can see seven boats sailing at weekend races. Our members attended a beautiful race in early July at Lake Salto Grande 225 miles from Olivos and won the regatta.

All members of the fleet are looking forward to next season that will start in March. We have a very hard work for the year: the '86 Junior Worlds in November.

We had a great season at Fleet 215 in Montreal this year. While the numbers were about the same as last year, there was a high level of participation. The competition was keen and in this respect we welcomed Peter Hall to the group. He is coming off several years of World Class sailing in Solings representing our club and Canada. He found the Lightning sailing in our fleet very much to his liking. When all was said and done, Peter Hall along with this crew, Anne Lamont and Alain Briere were the winners. However, not without a determined challenge from Jay Mann/Perry Owen and company along with Billy Layton and his crew.

Alain Briere also is a Laser sailor and he went on to win the Club Championship representing that class which conveniently for many of the participants was held in Lightnings — Congratulations.

The Canadian Open was held in Crystal Beach, Ontario in July. There were three participants from our fleet, Perry Owen/Jay Mann, Billy Layton and Russel Scrim. None of us were thrilled with the results — it was just an off year. Earlier on, Bill Layton and his crew of Paul White and Paul Isabel participated in the World Championships at Little Egg Harbour. They worked very hard at it but did not manage to end up in the money. Next year's Canadian Open will be at Montreal and we are determined to re-establish our abilities.

Russel Scrim along with Paul White and Perry Owen participated in the North American Championship at Tawas Bay, Michigan. They managed to make the championship flight and all in all turned in a creditable performance considering that they had not crewed previously together and that they were racing with a new boat and all the attendant difficulties that were encountered in finding the right button to make the boat go fast.

We are happy to report the Lightning Class is the most active one-design fleet at the Royal St. Lawrence Yacht Club and there is a great deal of interest amongst other sailors in our club at our success. Our enthusiasm is contagious and as a result we are hoping to add several new participants to our group for the 1986 season.

*Peter Hall, Fleet 215 champion, and wife Margo with trophies he had won over the season.*

Sailing Saginaw Bay for the 33rd year, 1985 again provided our Lightning Fleet with the challenge and unpredictability sailors have come to expect from this large body of water. Our Championship Series sails Wednesday nights and starts in late May. We sailed a total of 28 races. Scott Andre and Dan Godwin in their boat *Clamso* sailed very consistently and won the overall. Second place ended up with a tie between *Carousel XXI*. Joe Dissette's boat and *Wile "E"* owned by Steve Swanson. After tabulating who beat who, a tie resulted. To break the tie, Joe's coin was flipped, and guess what? *Carousel XXI* was declared second place finisher. Fourth place went to John McCrea who sailed well, but missed too many races due to regattas and the North Americans to place higher. *Schuss Boomer* owned by our Fleet Captain, Jim Schofield, was fifth.

During the first half of our Championship Series, Colin Park dominated, but by mid-July Colin took to the "regatta circuit" and the North Americans, thus allowing the fleet to battle for positions.

During June we held our annual regatta. Again, our regatta was well run by Fleet Captain, Jim Schofield. A fleet of 22 boats raced the five races. The regatta was won by Dave Nickels, second place went to Hank Hodgson, third to John McCrea, fourth to Eric Samuelson and Don Rau, and fifth to Colin Park.

We regret that *Clamso* owners Scott Andre and Dan Godwin will not be sailing with us next year. *Clamso* was not only a formidable competitor, but her "death rolls" and capsizes will be missed. In their memory, the *Clamso* award for spectacular capsizes has been established. 1985 winner is Steve Swanson in *Wile "E"* Carl Hesse, where are you?

An enjoyable season — nicely begun at Stone's for our spring meeting. The racing season began with three boats sailing the Apple Blossom Race in June with an unsteady, stiff breeze. At the jibe mark Montague found himself being pursued by Treadwell, and after jibing around the mark, Lenny found himself being chased by a large, grey shark! Nuff said! The Averill Cup winner was Leonard Montague; second — Irwin Stone; and an Honorary third to John Treadwell.

The Barnes Memorial was sailed next, and saw Parker and Treadwell in a classic duel, but David took both races for first overall with John Treadwell nipping at his stern for second; Jerry Bezner captured third.

In July, we hosted the Central N.Y. District Championships and had 24 Lightnings participate with beautiful weather on Saturday and down-right breezy on Sunday. Dave Parker was race committee and all members in the fleet chipped in and helped make it the success it was.

The Commodore's Cup was a strong, windy affair, with half the fleet returning to the club before the first race started. Montague and Treadwell tore off to weather and Lenny rounded first and proceeded to raise his chute. Treadwell rounded and filled his spinnaker, while the leader was still proceeding to get his going. At the jibe mark, Treadwell had a nice lead — while the staff on *May Day* were still proceeding with "the raising". Such

was the story for the first race. The second race was equally entertaining as Lenny sailed off to Whites Bay between races (with Gaye) to sew his batten pocket. Never much of a seamstress, they eventually returned to the starting line about five minutes after the start of the second race! Commodore's Cup results: first — John Treadwell; second — Irwin Stone; third — Len Montague.

The Picksley Ramble saw two Lightnings join the all boat race, in a mostly very light and tender day. Sniffing out the breeze and winning the whole show was John Treadwell; and Jay Jones in Grissinger's Lightning won third.

The Sunday Series had 14 races — losing one Sunday to foul weather. Sailing barely enough races to quality, but winning all of them, was David Parker winning his third Club Championship. Taking the other six races and finishing second — John Treadwell; third — Lenny Montague; fourth — Irwin Stone; and fifth — Jerry Bezner.

The Stoney Island Race & Picnic saw a brisk day and had lots of highlights and hard sailing. For example: Ann Maurer pulled an absolutely picture perfect port tack start on the whole fleet — and it was a short line too! And *Runaway* seemed to enjoy planing from Stoney Island to Lime Barrel, but winning the day were the four Stones — a victory for Irwin! Now when was the last time you could say that!?!

The season's final race, the Frostbite, was also bountiful with air. David Parker boarded Harry MacMillan's boat and duelled the Stones sailing their last race in *Anahata*. A race to Lime Barrel and back to the club saw Parker with a respectable lead, but racing to the Club is no easy feat — famous for foiling the most assured plans with its weird shifts. Anyway, having more experience in the harbor and speeding to a convincing victory as the club's hottest sailor — as Irwin Stone wins again. Parker/MacMillan secured second.

The fleet closed out the season at Bezner's for the fall meeting, and once again all enjoyed themselves thoroughly.

Odds 'N Ends....it's nice to have official boat rumors for a change — we welcome Carl & Sophia Lawrence, new owners of 12948; and to Bob Wonders & Nick Todisco, new owners of *Finnertys* 11665; and of course we'll have a brand new boat in the fleet next year as the Stones purchase yet another Lightning. Old rumors still include: Jack Jones (always Jack Jones), Charles Stone, and now John Northrop is sniffing around for a boat — watch out! We all missed the Beadels this year — and Rick too. It's only money guys — come back soon. And finally, this year's Black Cloud Award includes some trivia for you. In 1959, '60 & '61 this same person won the Frostbite three years in a row — an incredible feat back then. And though he raced every year since then — he never won again — until this year 24 years later — Irwin Stone won the Naked Lady again! Now that's fortitude!

Fleet 226 is proud to be the home of Lightning 13994, won by fleet members, John Schoendorf and Becky Martin, in the raffle held by the International Lightning Class Association, John & Becky actually won 14000, but graciously accepted 13994 so that 14000 could be raffled again. The bad news is that it was 3 or 4 months after delivery before the boat hit the water. (What's your excuse this weekend, John?)

More bad news is that for the first time in many years the price of the steak dinner at the Miami Midwinters went up. Yes, that's right, the new price is \$6.00. The good news is that Fleet 226 is more than ready to put on the dinner again, so bring your appetites.

Also good news is the return of the Florida District trophy to Fleet 226. This year's Districts were held on Lake Eustis for the first time ever. Knute Young won a close, hard fought series from past champ Fisk Hayden to return the cup to Biscayne Bay and Fleet 226.

New for us this year was the Silver Strand Regatta, also known as the Old Farts' Race. The rules were as follows: The skipper and one crew had to be a minimum of 40 years old, the third crew could be any age as long as their total age was more than 120. I.D.'s were checked at registration. Skippers were responsible for borrowing a boat from fleet members. Members could crew but not drive. We had a turnout of eight boats who sailed a four race one throwout series in perfect 10-15 knot breezes. All who sailed are looking forward to next year.

Fleet 226 is proud to have been represented at the 1985 World Championships on Barnegat Bay, New Jersey by Jim Alman, who finished eleventh.

At the 1985 North Americans in Tawas Bay, Fleet 226 was represented by Faye Regan (3rd women's), Fred Hutchinson (2nd Presidents' Cup) and John Ewing (2nd Governors' Cup).

We look forward to seeing everyone at the Southern Circuit and especially at the Miami Midwinter down home in the tropics steak dinner.

Fleet 227 sailed 20 of its projected 22 races in the summer of '85. Raymond Harrington, Jr. sailed away with all the top awards, retrieving them from Dave Stagg, last year's board sweeper and this year's Fleet Captain who was in second place this year.

Raymond also made Fleet 227 proud by winning the New England District Championship at Marblehead, Mass. last July, and he finished seventh in the North American's President's Cup races. Bagley and Harrington entered at Spofford this year, also.

The most incredible story of the season was that of skipper Trip Westcott's first day of racing his new boat. He handily won the first race, and the other race that day came in dead last.

The Fleet's Awards dinner was held in October at which Hans Malz was chosen Fleet Captain for the 1986 season.

Carlo Galetti was the Runner-up (very close) in the European Championship at Grandson in Switzerland.

We congratulate this formidable performance of Carlo and his faultless crews Claudio Allegri and Diego Mazzola.

Quick as ever, old Nando took part in the Italian (10th) and European (17th) Championships.

This chainless and demoniac good old man is ever a clear example for all the young people of the Lightning Class.

With Salvatore Tremante and Roberto Mostacci we are just the four Musketeers under the orders of our King Nando the 1st!

The 1987 Europeans Championship will be organized by our Fleet on Garda Lake.

We invite all the Europeans and overseas skippers to participate and we assure a very interesting program.

Our racing season at Keuka Yacht Club on beautiful Keuka Lake was very successful this year. We completed a full June Series and a full September Series, as well as the Summer Series. We had an unusual number of good racing days with moderate and steady winds. Between four and seven skippers would show up to race — usually five or six, and there was considerable close competition creating high challenge, great times, and good memories.

Highlighting our season once again was our Champagne Regatta on August 3rd and 4th. Twenty-five boats were raced in four races. It was great to meet old friends and make new ones. Everyone enjoyed the champagne dinner and dancing to live music into the wee hours of the morning. We look forward to seeing all of you again next August, and we look forward to meeting those of you who will come for the first time.

Our annual picnic party meeting was held on the last Saturday in September. Our Fleet Captain for 1986 is Fred Schaaf, assistant Fleet Captain is Michael Levine, and Secretary/Treasurer is Gladys Pitbladdo. Would you like any more information? Call (607) 962-3807 or (607) 687-3358.

The fleet had its standard two series of Sunday club races for the '85 sailing season. The results of the series races were as follows: Spring, first — Starling Mikell, Jr., second — Barry Dunwoody, third — Fred Bush; Fall, first — Starling Mikell Jr., second — Fred Bush, third — Charles Noble.

The fleet had several club regattas this season. The Fourth of July Regatta was won by Barry Dunwoody, followed by Starling Mikell Jr. and Fred Bush; The Labor Day Regatta was won by Starling Mikell, Jr., followed by Richard Rose and Barry Dunwoody.

The Fleet's only invitational regatta was The Pennsylvania Governor's Cup Regatta held on October 5-6. Eleven boats with skippers from the states of New York and Pennsylvania competed for this trophy. Dick Hallagan retained the cup for a third year in a row. Al Mast was second and Tom Ingram was third.

The Augusta Sailing Club racing season for centerboard boats opened on May 4 for the start of the spring and summer series of races. Veteran Lightning sailor Bob Harkrider won the combined series.

The Lightning Southeastern District Championship was hosted by the ASC on June 14-16. Sail measuring and boat weighing was done on Thursday followed by races, a keg social, and Chinese buffet dinner on Friday. Saturday's races were followed by another keg social, and a steak cookout. The sailing competition wound up on Sunday morning. The five race series in the 15 boat fleet was won by Lenny Krawcheck, followed by Bob Harkrider and Art Levin.

The season concluded on October 12-13 with the Halloween Regatta sponsored by the ASC and Michelob. The seven boat Lightning fleet was paced by Gordon Sproul followed by Gil Klemann and Bret Rumble.

Lightning activity continued to grow in the club with 13 boats participating throughout the season. An active junior program continues to develop willing crew members and hopefully future boat owners.

These are the voyages of Fleet 273. Whose annual mission is to seek out new friends and strange new waters. To boldly go where no man has gone before.

Our fleet's first voyage was to the Southern Circuit. The vessel was *Quick Silver* skippered by William Hole. Captain Richard Hale sailed all over the galaxy guiding his ship well against deceptive competition. The Deyett Armada took their vessels deep into strange new waters, deep into Lake Champlain and deep into Bow Lake. They also lead their juniors to Lake Huron for the Junior North Americans. Kathy and Ken Deyett, and a recruit, Jen Mann, put up a courageous fight against awesome competition. Wayne, ME and Bow Lake regattas always rank high on Fleet 273's calendar. Thanks to the rest of our voyagers, the Adams, the Gilletts, the Lockharts and the Dehneys for making these trips so much fun.

The N.E. District Junior Championship was very successful with visitors from Rutland, VT and Spofford, NH. The competition was very close. Throughout the races several different boats were in the lead, but at the finish Ken Deyett came out on top. On shore, Amy, Chris, Jason, Jeff and Tim played a tough game of volleyball. The Adams supplied us all with a spectacular meal. The Deyetts supplied all the visitors with lodging which included swimming and breakfast. The farewell pizza party clinched an excellent weekend.

The NH/VT volleyball tournament was swept up, on lake and shore, by Rick Humphrey and crew. Due to light winds the sailing was limited but the volleyball was excellent thanks to Ken's makeshift net. Again another outstanding job by the Adams for feeding us all. If you missed Doc's Punch you missed a lot, and if you had it you may have missed a lot too!

The local racing was neck and neck all season. The Spring Series was taken by George Deyett, the Summer by Drew Gillett, and the Fall by Norm Deyett. The Overall Champion was no other than "DARTH VADER" himself.

We leave you with these questions. Will Fleet 273 retain the N.E. Juniors District Title? Who's on port? Will old man Deyett sail in the Masters? Where's my rain gear? Is this thing supposed to tip like this? Will Jim Mann every buy a Lightning? Where's Wayne, ME? These questions will be answered in the '86 sailing season. We hope to see you then.

Because of low water at Lake Arkabutla, Fleet 274's 1985 season didn't begin until the last weekend in April. Such a late start didn't give the local sailors much chance to tune up their boats or to harden up soft winter muscles before the annual Hernando-DeSoto Regatta, May 13-14th. These two factors provide, at least, some excuse or why—once again—the visiting skippers took our silver! We were particularly pleased to have among our guests George Hatfield, our I.L.C.A. president. The brisk winds and some-

what chilly weather didn't deter him or Warren Lewis of Dallas. Warren won first place, and George took second. All our thanks go to Lynn Jones who organized a terrific regatta.

A few weeks later, seven Memphis boats traveled to Nashville for the Mississippi Valley Districts on Old Hickory Lake. In August, Bill Baxter III drove to Decatur to participate in the Junior Districts, an exciting new addition to our district's racing schedule begun last year. He and his crew, Peter McDonnell and Eric Beaupre, won second place. Having enjoyed the sailing and the hospitality, they hope even more young sailors will participate next year.

On the local scene, we are proud to have two new skippers, Howard Snell and Trish Maxwell. Howard and his wife, Heidi, bought Broadus Sharpe's boat, 11387. We hate to lose Brody, one of our past commodores, to "big boat" sailing at Pickwick, but he has sneaked back on several occasions to crew and to give us further directions and occasions to crew and to give us further directions and instructions (for which he is notorious). Trish has crewed in the past for Joe Kelly, and we are glad that she will take some time from her medical studies to work in some sailing on her own.

We hope that Howard and Trish will fill in the ranks of the New Skipper Competition, since Ken Davis and Jim Thrash have done so well that they can no longer qualify as novices! In fact, many other skippers had better plan on a winter of tuning and reading up on tactics to protect their standings next year.

In August, Crit Currie, our local Vice-President, represented the Memphis fleet at the Nationals, and then we closed out our local regatta season in October with the Cotton Pickin' which Larry Jenkins directed. Our appreciation goes too, to Lee Breazeale for running excellent races as usual. We were delighted to have Brad Currie back in town for the races. Of course due to his status as an "out-of-towner" (and due to his skill), he won the first place silver, followed by Bill Baxter III in second, and Bill Baxter in third. Several Memphis Lightnings finished up the season by traveling to beautiful Greer's Ferry Lake in Arkansas to sail in the Oktoberfest Regatta. Having sailed more than eighty races in predominately beautiful weather and steady winds, we have had another wonderful season. We hope other skippers will come share the fun by joining us at the Hernando-DeSoto in the spring and the Cotton Pickin' in the fall!

Fleet Standings: Spring Series — 1. Bill Baxter, 2. Bill Simco, 3. Frank Bermel. Fall Series — 1. Bill Baxter, 2. Bill Baxter, III 3. Jim Thrash.

The 1985 Season started off with Kurt Felix winning the Commodore's Cup. The month of July saw six to eight boats on the line most weekends. Stafford Frazier, with consistent finishes, took home honors for the month. August brought two additional competitive boats with the Cutting and Gardner families returning to Wellfleet. The Annual Wellfleet Regatta and the introduction of Laser racing after the Lightning races greatly increased our fleet spirit.

New faces at the helm included Christie Jones, who won the Frazier Series, and young Dave Gardner, who won one race and sailed consistently well upwind during August.

Other series winners included; Tim Dickey in the Fox Cup, Stu Nickerson in the Coffee & Tea Cup, and Steven Cutting in the Cutting Cup.

The Annual Wellfleet Regatta attracted 19 boats with Stu Nickerson edging out Kurt Felix and Don Barrett. Kurt Felix, sailing Rob Pratt's boat, showed everyone that he has the potential to become a top sailor in the class.

Stu Nickerson sailing in all August races for the first time in many years also took home the season honors.

1985 marks the end of Rick Ruykhaver's contributions as Waterfront Director and all of the Fleet's 280 members are appreciative of his efforts. Kurt Felix will be taking over his duties.

Most fleet members believe that the renewed interest in sailboat racing catalyzed by Lasers will in the long run build the Lightning fleet. Perhaps, thanks to Lasers, the next few years will build our fleet back to the 15 active boats we have enjoyed in the past.

Greetings from the waters of the mighty Columbia River and the V.L.S.C. clubhouse.

This season has shown us fine sailing with plenty of wind and competition, along with a few new faces (boats) on the water.

This year we enjoyed what we hope to be an annual event known as "Pig in a Pit", organized by Phil Hynde and Tim Cannell, and a group of helpers. Preparations for what eventually resulted in 85 pounds of succulent roast, turned out to be quite an ordeal, involving a hole, rocks, burlap, lettuce, ti leaves, dirt, and of course, the pig.

While it was cooking, we were organized (as much as possible) by Jerry Neuburger for team relay races in Lasers, more accurately described as a water fight. After the race the Pig was unpitted and enjoyed by the 77 people in attendance.

Other highlights of the season included the success of Phil Parshley at winning our own regatta on Vancouver Lake and Make Fisher's win at the Eugene Regatta.

Hope to see you at our 1986 regatta. Happy Sailing.

One of Finland District's Ranking regattas was held on our waters at Hamina. Kari Maenpaa (*Vahine II*) from Helsinki was first, followed by Kimmo Aromaa (*Masi III* from Helsinki), Osmo Savola and Pekka Borg, in that order.

Only one of us travelled up North for the Finland Districts at Kemi. Osmo was tenth.

The results of our Fleet Championship regatta were as usual: Osmo first, Pekka second, and Antero third.

All three of our boats participated at Kotka Seilaa- regatta for all vessels capable of moving by sail. The race course was set around Kotka City Island very near the shores for spectators to see. Several commentators with louspeakers kept the public informed of the race and presented the boats as they passed by. The weather conditions were just ideal for Lightnings so that our boats did well and gained lots of publicity. Melanie was lucky to get a perfect start in the crowd and win the Lightning class trophy.

Our local yacht clubs experimented with a new interesting handicap rule, the Leading Yard Stick, that allows centerboard boats to race with keel boats. As could be expected, the results caused lots of talk afterwards. Anyhow, Osmo Savola did well winning two races in front of many keel boats.

Next year we hope to have our Spring Regatta rated as District Ranking Regatta, and we welcome you all to our regattas as well.

1985 proved to be another year of very competitive racing in small to medium-size turnouts. Sporadic appearances by some new boats indicate potential growth in the fleet for 1986, and the old guard continues to hang tough. Fleet members travelled to the Worlds, the North Americans and the New England Districts.

Cowan Lake Lightning Fleet 303 had an active 1985. We co-hosted the Ohio Districts with Leatherlips Yacht Club 27. A special thanks to Vermilion Boat Club who invited the District to use their beautiful facilities and sail the competition on Lake Erie.

Ken Irwin, one of our own, was elected Commodore of Cowan Lake Sailing Association for 1986. We consider it an honor for Ken and our fleet.

5222 introduced another skipper to Lightning sailing. Welcome Bill Hughes. The traveling contingent of Pugh, Irwin, and Rider saw a lot of district regatta action. Our **Fall-In Regatta**, last of the Ohio season, was very wet, but very much fun. The breeze was fair. The winner was John Werley-PYC followed by George Auer-CYC, Dick Pugh-Cowan, Tom Varley-Leatherlips, Burt Preston-Mansfield.

There are many activities for 1986 to look forward to. We will be hosting the Ohio District Seminar in April 1986 along with a full calendar of sailing and social events. If you plan to be in the Cincinnati/Dayton area we would love to see you.

This year was very successful to our fleet. We had the honour to organize the Finnish Championships here in Kemi. The championships were part of the 80 years celebrating regattas of our sailing club.

The most joyful thing was that one boat from our fleet took the second place in these District Championships. Our old Lightning skipper Aulis Naykki who had sailed Lightnings more than twenty years, surprised us with his complete sailing which was a really fine birthday present to our 80 year old sailing club. Aulis and his *Pohjan-akka* was crewed by Reijo Ilmasti and Jari Makineste who is professionally qualified as a first mate and now may be somewhere near South America. Also three other boats from our fleet participated. Heikki Ulen with *Viivi* was eighth, Kari Anttila with *Desiree* was twenty-first and Seppo Posti with *Wilma* was twenty-third. The Champion was Kari Maenpaa from Helsinki Fleet.

The most active Lightning sailor in this season has been Seppo Posti. Some other sailors who had participated in our races this summer were Teuvo Ypya with *Linda*, and Mauri Jestila with *Veera*. Next summer when our fleet and sailing club will receive our new club building it will, we hope, give also more activity to our Lightning Fleet.

This season was the first one in the 27-year history of the Kentmore Park Sailing Club sailed without the presence of our oldest and most faithful charter member, W. Leon "Doc" Walbert, who passed away in February at the age of 87. We shared many good times, both on the water and off, with Doc; he reciprocated by introducing countless numbers of us to the joys of sailing and racing Lightnings.

Jim Ganley won the first series, with Al Mast finishing second and Tom Hopkins and Bob Horne finishing in a tie for third. Al Mast won the Summer Bay Race.

Al Mast won the second series, this time Jim Ganley was second, and Howard Edson finished third. Howard also won the Fall Bay Race.

Bob Horne won the Walbert Cup, Jim Ganley the Buss Neff, and Al Mast the Commodore's Cup. The Skippers Cup was won by young John Myers, sailing Glass Slipper in his first season as a skipper (Pop was just along for the ride).

The Matlack Trophy races saw Tom Hopkins, Al Mast, and Jim Ganley finishing out front, and Ted Ganley, Alan Winter, and Dave Horne taking the B-fleet event. The Taylor Cup was won by Leigh Hopkins, and Bob Horne finally retired the Stardust Trophy, having won it four times since its inception in 1973. Jim Ganley became the latest recipient of the Butt Award, for towing a crab trap for almost an entire leg of a race.

As a memorial to Doc Walbert, we'd like to share with everyone a poem

he wrote long ago, which typifies the feelings we all have for sailing in a Lightning on the Sassafras:

*"Sailing is a wonderful sport —  
Noislessly the sailboat glides upon the water,  
Heeling slightly to the warm soft air  
That fills its sails and sends it on the course  
The skipper has carefully selected for it.*

*The skipper is master of the sailboat  
And the crew under his command,  
To aid him in matching wits against  
The elements of Mother Nature.*

*The changing of these "Nature's Elements"  
Such as wind, tide, and dead calm  
Is a wonderful challenge that taxes  
The skill of the ships master to the limit  
If he wishes to fetch the mark just ahead.*

*Sailing a boat is lots of fun  
At sunset, twilight and moonlight  
All have their thrilling moments —  
Sailing a boat down the silver streak  
Of the moonlight on the water  
Causes one to feel closer to Heaven,  
Provided their thoughts are not elsewhere.*

*To those of you who have never sailed,  
I beg of you to get out and sail —  
You will love it."*

Fleet 325 had another successful sailing season in 1985. We added five more boats to the fleet this year, giving us the opportunity to change our

*Fleet Champion Fred Mertes with sister Carol, and Andy Carey.*

schedule around. We decided to race four series — Late Spring, Summer, Summer II, and Early Fall, plus the Club Championship. Each series had a minimum of six or seven boats at the start, with as many as 14 boats in the Summer II Series. As the season progressed, we also added races, sailing as many as four races in an afternoon. Everyone was able to get in a lot of practice, have some fun, and find out what to do in the unlikely event of a capsize. At one point or another, everyone in the fleet capsized. This was most noticeable one warm Sunday afternoon in September when a sudden squall hit. There were more bottoms showing than masts and those few who remained upright, wished they hadn't! The final results were as follows — Late Spring: 1st-Fred Mertes, 2nd-Carl Slocumb, 3rd-Tom Clark, Green Fleet 1st-Dave Butler; Summer I: 1st-Fred Mertes, 2nd-Dave Racine, 3rd-Tom Clark, Green Fleet 1st-Matt Littleton; Summer II: 1st-Dave Racine, 2nd-Fred Mertes, 3rd-Carl Slocumb, Green Fleet 1st-Bob Buzbee; Early Fall: 1st-Tom Zimmerman, 2nd-Fred Mertes; Club Championship: 1st-Fred Mertes, 2nd-Dave Racine, 3rd-Tom Clark, Green Fleet 1st-Matt Littleton.

The 19th annual Delaware Governor's Cup was held on June 1-2 with 25 participants. As usual, the weather was perfect and the winds were a steady 12 to 15 knots. Our famous cocktail party was replaced by a cook-out and a B.Y.O.B. party as mandated by the R.B.S.A. Board of Trustees. The party was a huge success and no one seemed to mind the absence of fleet provided alcohol. First place went to Rob Held of Red Bank, N.J. with a 1-1-3, followed by Jon Schwartz, also of Red Bank (2-4-1). Third, fourth and fifth went to Steve Bachman of Annapolis, Fred Mertes of Rehoboth, and Peter Buckley of Annapolis.

The Bob Purnell Memorial Regatta was held on September 21-22 with our biggest turn-out ever — 23 boats. We lucked out weather-wise (hurricanes fast closing in). The chili dinner Saturday night was a big success, thanks to Vicky Mertes and Kitty Racine. Annapolis took top honors this year with Peter Jones in first, followed by Don Delorme and Ron Grotheer.

All in all, we had a great season. We hope to see everyone next year in June for the 20th annual Delaware Governor's Cup.

The Grand Traverse Lightning Fleet's sailing season was dominated by a new member, Gary Demarest. Gary joined our club this year after a recent

move to the area. Although he had been inactive from Lightnings recently, he proved this year he had not lost his abilities. He won nearly all of our fleet races, usually by a wide margin. The runner-up this year was John Van Dalson.

Our season this year consisted of every-other Sunday back-to-back races plus Tuesday night races. The Tuesday night races alternated between regular Spinnaker races and Jam races that provided opportunities to new, inexperienced racers. The most consistent and most frequent sailor was Paul Davis, always sailing with his wife.

The Grand Traverse Invitational was attended by twenty-two Michigan District Lightning sailors. The five scheduled races was completed with light air on Saturday and a good blow on Sunday. The races were close with the top three racers finishing within two points of each other; Goldsmith, Park and Demarest.

The Michigan Districts held at Crescent Yacht Club were well attended by our fleet. Three boats (Demarest, VanDalson, & Dow) attended, and all three finished high enough to qualify for the North Americans in Tawas Bay. The best finish in the district was eighth place by Demarest. In the North Americans Demarest again lead the way. He qualified for the Championship Fleet, won the fourth race and finished eighth overall.

Our season began in May after the coldest winter of the century (-40°F as coldest). During the summer the only active competitors were Ilkka Lilja

*Fleet 328 champion, Ilkka Lilja in Valko.*

and Samppa J. Salminen. The other members of the fleet competed unfortunately only irregularly and rarely.

The first bigger competition in which we took part was held on 24th-25th of June in Yli-Tornio on lake Iso-Vietonen. It is the northern most sailing race in the world because the lake is 10 kilometers north from the Arctic Circle. It was a great experience to sail in the light of the midnight sun. One week after this race the Finnish Championships were held in Kemi where Ilkka Lilja was 11th.

One of the main races of the summer was Paijanne Race with its 65 nautical miles without breaks on Lake Paijanne. The competition was held on 20th-21st of July and our fleet took the first three places in the Lightning Class. Altogether there were 250 boats.

The final race of the season was in Helsinki on 14th of September. It was an 18 nautical mile long competition and it was the first ranking race in Finland which wasn't kept on a triangle track.

As a summary of the season we had a nice and busy summer. We had during three months 24 starts in different kinds of races and we drove 3500 kilometers towing the boat on Finnish roads and highways. Few as we are, we look forward to next summer for more fun sailing on beautiful Lake Paijanne.

Twenty-five years ago Howdy Wood had a great idea. He talked up a storm and organized a Lightning fleet on Squam Lake which became Fleet 332. The charter members totaled three; himself, Bob Custance, and Dick Blair. We salute Howdy on our 25th for having such a brain storm. A lot of water has been over the dam since then. We've had the pleasure of hosting several regattas and also many of us have travelled the New England Circuit. Unfortunately, interest has wained (a little bit). At one time we

were down to three active boats and sometimes only two. Now we can gladly report on our 25th year that interest is picking up thanks to a new "spark plug" in our fleet, Dwight Gertz.

This year we had a fun filled season with light airs pushing our fabulous fleet of four around the course. Quite often there would be a race within a race. The first two boats, Gertz and Ayotte, would have their own battle while the second two boats, Russell and Closson, would drag across the finish line a "little" later going through their antics beating one or the other by a foot or a boat length.

On August 11th we had the pleasure of hosting three boats, Russell Cavanaugh, Ed Hines, and "Somebody" Davis (sorry we don't have your first name) from the brand new Lightning Fleet of Bow, New Hampshire. When they arrived that Sunday morning it was extremely hot and humid with not a breath of air stirring. However, in spite of the heat they all kept smiling while they rigged their boats. As it turned out though, the two o'clock breeze came up just in time to cool things off and to have two good races.

We tip our hat to our new "spark plug" for taking care of all of the arrangements. We hope that next year they will return with even more boats.

On August 18th the second annual Open Class Regatta was held for the benefit of the Holderness Library. It attracted 17 boats, some catamarans, sailboards, sunfish, a cruiser and of course Lightnings which by the way were the first four finishes. (Three cheers for the Lightnings!)

Excellent but extremely busy season again with 15 fleet races and our annual regatta. In addition, we continued an active interclub fun rivalry with Surf City in July and August, plus the 2nd Annual Long Beach Island Yacht Racing Association Regatta. Most of our sailors helped out at the 1985 Worlds as measurers and crash boats. Our thanks to Little Egg for such an excellent program.

Catching my breath after the above, all within a 10-week sailing season, we also had some outstanding racing at our club this year with quite a few changes in the way the fleet crossed the finish line. Paul Wood put it all together with the excellent crew skills of daughter, Heidi and Eamonn de Lissier. Paul won most races by wide margins and all the rest of us were pleased to see the end to this season. There's a rumor that the fleet has taken up a collection to send his crew away next year!

This year's on the water committee chaired by Ollie Goldman and Nick Spina were terrific although there were one or two complaints about mark positioning, but only from the stern end of the fleet.

1986 should be great fun!

The 1985 season brought a variety of wind conditions and very good weather to Galway Lake. With six to eight boats on the line for most races, Jim Millard with brother Doug and wife Nell as crew, took the trophy for the sixth year in a row. Dale Brown and co-owner Walt Nial picked up another second place award, while Jim Dickson edged out Ken Buhrmaster and Ric LeBoeuf for third. Jim Dickson then promptly celebrated by winning the Dunkin Doughnut Award for mid-lake boat washing.

Maury Gardner stopped by for a few races on his way from Saudi Arabia to his new home in Oregon. We wish him the best in his new location.

Looking forward to next summer.

Fleet 348 has had it's good and bad days with the winds during the 1985 season, but we managed to have one of our strongest winds for the first day

of the Atlanta Cup, October 5. Since that is the final regatta for the district circuit, we put some good sailors to the test, with winds running over 20 mph. Bill Sloger showed that experience helps, as he came up the winner. Bob Wardwell showed us the latest in underwater techniques on Saturday, and came back on Sunday with a new set of labels — legible from 25 yards — indicating such basics as up and down. Sloger only won on a tie breaker, over Fisk Hayden, who was followed by Lennie Krawcheck in a brand new boat. Bob Shingler and Gordon Kellogg broke rudders.

Earlier in the year we cheered Dick Boyles' beautifully refinished boat, the progress Bob and Helen Shingler made, both in fleet racing and on the district circuit, and especially the generosity of Joe Stites. Joe, a long time member of the fleet, sold his home and moved to tidewater Virginia. He also put his Lightning up for sale. The fleet was naturally interested in having the boat remain on Lake Lanier. We eventually found it a buyer, and Joe sent the fleet a very generous check as our "commission" on the sale! At Joe's suggestion, we used the money to throw a picnic (which doubled as our annual meeting, and the planning session for the Atlanta Cup) featuring a steak roast — amazing what a good piece of meat will do for the turnout. We have also instituted a new trophy, honoring Joe and his late wife, with the winner based on total number of club races sailed in the season. It is a shameless bribe for faithfulness. We think that just being sure there are enough boats to hold a race is important, and there are boats who turn out, even if they are not likely winners. This should be an opportunity to give some kind of recognition to that support.

We have had some progress on the closeness of competition this year, as nearly every boat that has raced has won a race during the season. Our Fleet Championship has not been determined as we go to press — if you can say that in late October, something is going right!

The Stites picnic had the added advantage that we finally have our 1986 officers in the yearbook that gets used during 1986. For the record, our 1985 officers were: John Bartholomew, fleet captain; Helen Shingler, fleet lieutenant; Mary Bartholomew, secretary; Bob Shingler, treasurer.

The 1985 sailing season was marked by the welcome addition of Sarah Innes who, after having grown up in Lightnings and having skippered keel boats for a number of years, has returned to the Lightning Fleet with her own boat #12245. Sarah has made quite a splash on the racing scene as she is recognized as one of the best racing helmsmen in the Kelowna area. Sarah had her first major capsiz during her first out of town regatta to properly christen her boat. The addition of Sarah has made our fleet races extremely competitive and has caused this humble correspondent to fall even further down in the standings than before her arrival.

The 1985 season was bedeviled by predominantly light air and fluke conditions which often made for drastic changes in position. Despite the fact that conditions were sometimes difficult, the best sailors do tend to rise to the top of their fleets and Bob Bazett consistently won each racing series. A combination of extremely smooth sailing and a great deal of tenacity, particularly as he engineered a number of spectacular come-from-behind victories, marked Bob's sailing style.

Our new sailing site has been in operation for its first full year and has been extremely successful. Many thanks are in order to Jim MacDonnell and Doug Gillette who spent uncounted hours arranging funds and supervising construction of the facility with room for one hundred boats, which is one of the best dinghy facilities in British Columbia.

Altogether it was a good year for Lightning sailors with excellent competition and a new facility.

"After all, the mishaps are almost the best part of small-boat sailing.

Looking back, they prove to be punctuations of joy. At the time they try your mettle and your vocabulary, and may make you so pessimistic as to believe that God has a grudge against you — but afterward, oh, afterward, with what pleasure you remember them and with what gusto do you relate them to your brother skippers in the fellowship of small-boat sailing."

Jack London  
Small Boat Sailing — 1917

And so it was this year. The wind, the tide, the fog and the friendship of Lightning sailors. Tim Barnes' in *Morning Sun* consistently set in the west with the rest of the fleet behind. Mark Patty's wooden rocket is getting faster and faster. New boats are appearing with old and new fleet members. We welcome them all.

An apology to you all from your Fleet Captain for not putting in the time you all deserve. Life and sailing all go on. We have a good fleet and it's growing. See you all on the starting line. Trim your jib!

Lansing Fleet 387 had some firsts this year that were welcomed. In our Tune-up-Regatta a local sailor took the first place trophy in June by a healthy 8½ points. This was preceded by the Club moving into a new club house (with major labor contributions of Lightning sailors) and finally we had a new Fleet Champion (after being converted from Laser sailing.) We also had a Lightning crewman who decided to do his own thing and bought a boat for himself in mid-season to race. On the negative side, there were two of our boats that went over, trying to make the dock when a sudden blow came up, for the first time in a good number of years.

Lightnings led all other types in the number raced every Sunday and we are looking forward to next year with continuing enthusiasm.

The S.M.B.C. runs two-eight race series on Sundays from May through September. Several one-designs race with us under the Portsmouth Handicap System providing our regular racing series with one more intriguing variable. As usual on Grand Lake St. Marys, we were blessed with good "air" all summer. It is a rare occasion when races are called due to lack of wind. The high elevation, combined with a flat topography insures the sailing enthusiasts with a steady south-west wind about 80% of the time.

During our "Thundermug Regatta" that takes place during the first weekend after Memorial Day, we were pleased to welcome two new participants from the "state up north"; Colin Park and John McCree. Colin wasted no time in showing us "how it is done", by winning three of the five races. All 14 participants were thrilled with the course and conditions. Why not join us next year?

As the Annual goes to press Fleet 435's report is being written with the Fall Series incomplete and the 15th annual Thanksgiving Regatta almost upon us. It is our duty to report the big bananas from the east coast ran off with the Turkey Regatta last year. Tom Allen, Jr. was the winner with an excellent Dallas crew, Electra Thomas and Ryan Minth. Jim Carson was the Runner-Up. Warren Lewis liked Tom's boat so much he swapped his old one plus a Texas Instruments personal computer for it. Warren has been giving everyone fits with that new boat this season. Of course he did not do badly last year; winning the fall series and picking up the overall fleet championship with old 13329. The ILCA's new commodore, Richard Guinan was Fleet Runner-Up and that was not decided until the last race of the 1984 season.

Our Spring Series got started with two blown-out week-ends in March; at that rate we were lucky to complete seven out of the twelve allotted week-ends. Warren did a horizon job on the fleet with second being sharply contested by George Hatfield, Richard Guinan and Gil Mercier, in that order. Early in the spring Southwest Airlines requested Fleet Captain Paul Emens to move to Houston and make that his base of operations. Fortunately, our fleet has great depth and Sid Trest stepped in willingly. Now if Paul and Lance Drewes can promote a fleet in Houston, that would make

the Texas District three times as good. A regatta or district championship down on Lake Conroe would make a nice change of venue for us Dallas bound Lightning sailors.

Early in June Rick Tears decided he was not getting enough excitement sailing Shields, so he recommissioned one of his Lightnings and ran away with the District Championship this year. The Summer Series was sailed on Saturday nights again this year. That gets us out of those 95+° drifters and into breezy 95° at 4 P.M. to a final temperature of 85° at 8 P.M. In any event, the hotly contested Summer Evening Series was won by George Hatfield.

The awards for 1985 have already been decided. The Sylvan Newman for best performance away from RCYC goes to Don Johnson, who once again made the blue fleet at the ILCA North American Championships. Brian Lewis is the repeat winner of the Junior Trophy. In fact it is often Brian at the tiller of the Lewis boat this year. The Masthead Trophy is awarded not for any single SNAFU, rather, it is awarded to an individual who has distinguished himself as our "best conversationalist" on the lake. He also gives his 12-year old crew "geometry" lessons while racing. The blackboard transom of his boat has been known to have sage remarks in chalk. He has a knack for ramming Shields while trying to "lee bow" them at the windward mark in zero wind conditions. But his best performance is giving instructions to his 12-year-old crew in the art of roll tacking a 420 in moderate wind conditions. Vernon Goldberg took the Most Improved Trophy again this year. If he improves one more time Warren is in trouble. Steve Tennison is the Outstanding Crew.

I've never seen Lightnings leave so fast in all my life. Just because hurricane "Gloria" was expected the next day there was a mass exodus a la trailer. Well *Eidolon* rode it out on a seaplane ramp and is all ready to go for that last sail before Androscoggin Lake is turned over to the ice fisherman.

We had a wonderful turnout for the State of Maine Regatta. Dave White, our race committee chairman, did a super job again. Don't be surprised if you see Dave back at the helm of a Lightning one of these days. Larry tempted Dave with a spin in *Oody* after the last race on Sunday. Ed Hinds III from Fleet 493 took first honors by that much from Rob Pratt of Fleet 145. It was Ray Harrington, Jr. of Fleet 227 in the third slot. We all enjoy the friends we have made hosting the State Regatta and hope you can join us in 1986. We are going to have the buoys out July 12th and 13th along with the strawberries.

Fleet 450's overall season was not that exciting with many drifters and cancellations. August saw yours truly and part of my crew viewing the waters of the Adriatic. Got a glimpse of some of Fleet 453 on Lake Trasimeno as we passed by on our way to Florence, Italy. Looks like a nice area to sail. Unfortunately none of our crews were able to venture to other regattas due to conflicts.

The Androscoggin Yacht Club Regatta held over Labor Day weekend was highlighted by a do it yourself cookout with roast corn and the season's awards ceremony. Mike Ladd and crew repeated their winning ways from a year ago and Larry moved into second place with his crew. Tom Cook wrestled the most improved sailor award from us old timers that keep trying. Then there was an unexpected photo of one of the regatta's chefs and mate, presented to Sweet Ol Bob and crew. Kind of makes it all worthwhile.

I was very pleased to see ten Lightnings moored most of the summer off the club's docks. With a little finagling, maybe we can get a few more out there in '86. Poor old No. 67 had a rough go when Dick Hoddinoff stepped through the bottom, but he found some wide paint and refloated for the season.

I sincerely hope you all have a fine winter and that you look us up next year Ayuh! Wayne's just down the rud a piece.

Sweet Ol Bob

The 1985 season has been most important from the beginning for 453 Fleet. In fact, for the first time, a crew of the 453 Fleet has arrived second in the Italian Championship. Moreover, the 453 Fleet had the honor to organize the Championship on Trasimeno Lake at Passignano. The local crew of *Areknames II* of Rustichelli, Nicchiarelli, Barbacci competed on the same level as Italian crews more titled and arrived second at the end, winning the third race. Unfortunately for the whole of the week the wind was very light and for this reason the Championship was decided with four races only. The first race was won by *Wind III* (Palomba, Scarpocchi, Scarpocchi) in front of *Wanted III* (Attina, Attina, Alagna) and *Atom* (De Regis, Rossi, Barbini); *Atom* is a 453 Fleet's crew that has classified itself ninth. The second race was won by *Lila-Bay-Tan* (Vitaggio, Messina, Cudia) in front of *Chiloe'* (Despland, Derret, Rolli) and *Areknames II*. The third race was won by *Areknames IP* in front of *Wanted III* and *Lily-Bay-Tan*. The fourth race was won by *Wanted III* in front of *Areknames IP* and *Lily-Bay-Tan*. *Wanted III* (Attina, Attina, Alagna) won the Championship in front of *Areknames II* (Rustichelli, Nicchiarelli, Barbacci) and then *Lily-Bay-Tan* (Vitaggio, Messina, Cudia). On 18-19 May the 453 Fleet organized a National Regatta which was won by *Areknames II* in front of *Wind III* (Palomba Scarpocchi, Scarpocchi) and *Atom* (De Regis, Rossi, Barbini). The 453 Fleet organized another National Regatta on 5-6 October which was won by *Tretepe* (Tremante, Tremante, Babbì) in front of *Gargantua* (Battisti) and *Atom* (De Regis, Rossi, Angeli). See you next year.

The first race in our lake was the race called "On The Rocks." The wind was rather heavy and the weather was very cold, because the race was held early in the spring. This race was the first part of the Fleet Championship. The best of us was Jussi Karkkainen.

This year the Finnish Championships were held in Kemi, in the very north of Finland. Our fleet sent three boats there. An easy winner was Kari Maenpaa from Helsinki, but there was a really hard fight for the places from second to sixth. The second place was resolved only in the last race. The success of our fleet was the following: *Marigold* sailed by Jussi Karkkainen was fifth, Saku Vento's *Amarillo* sixth and Pentti Laitinen's *Blue*

Lady 17th.

The 33rd European Championship was held in Switzerland the 20-27th July in extraordinarily light and whimsical winds. Jussi Karkkainen was 27th in that race.

The Finland District Women's Championship was arranged again in Lake Tuusulanjärvi on 11th August. The weather was cold and the wind was heavy. The winner became clear only in the last windward leg. The winner was *Amarillo* from our fleet, skippered by Sari Nummela with crew Liisa and Leena Pyy.

Our Tuusulanjärvi Sailing Club's Championship was held 17-18th August. The wind was really light and so in the first day we were just waiting for the wind. The first start was in the second day. The winner was *Lizi* skippered by Leo Korhonen.

The last race in this summer was held in Lake Tuusulanjärvi 28-29th September. It was also the second part of our Fleet Championship. Jussi Karkkainen managed to win the Fleet Championship.

So this is the main news from Lake Tuusulanjärvi. We hope that next sailing season is going to be active and lively. Good sailing in '86!

Fleet 461 hosted the third annual Lighting Invitational Regatta which serves as the second leg of the Florida District Triple Crown. Boats from Miami, North Palm, Ft. Myers, Sarasota, Tampa and the Eustis area attended making it a great success. First Eric Stibitz - Miami, second Steve Hayden - Eustis, third Fred Hutchinson - Miami.

Our Washington Day Regatta was also well attended and our weekend sailing continues to provide excuses for not attending to yardwork and other less important responsibilities.

Fisk and Steve Hayden represented our Fleet at the North Americans in Tawas Bay, Michigan where Steve finished fourth in the Junior Championship.

Everyone is welcome to enjoy our year-around sailing. Ya' All Come!

Fleet 462 has enjoyed a very successful year with Mario Buckup and crew Michael & Christina Norris placing second in the Nationals sailed in Rio and in the Worlds sailed in New Jersey. Per Olov Hornell with crew Ingrid

Fleet 462's yearly "Barbeque Race".

Raeder and Ronaldo Gessy placed fourth in the Nationals, and to keep the crew together Per married Ingrid at the end of this year.

In the Junior Championship Berry Martin placed third with Simon Spink, age 11, placing fifth.

Once again our Women's Championship organized by Christina Norris, had a great turn-out (12 boats) with Inge Penido first overall with straight wins.

Our two white collar members, Nelson Schmitt, (Vice-President—Brazil), and Jens Ruschman (District Commodore), worked very hard this year and were successful in purchasing a mould from Tom Allen so the boat can finally be built in Brazil.

We would like to invite any class friend that may come this way to call on us for some good sailing or plenty of talking round the bar, or both.

After the successful organization of last year's Italian Championship, our district decided to choose our Circolo Nautico del Savio in Lido di Classe to sponsor the Di Lorenzo Trophy, which is one of the most important regattas of the Italian Lightning Class. So, on August 24 and 25 our club hosted the races with a total of 12 crews. The regatta had three races with the following final results:

First 13878-*Dove vai*- Galletti Mazzola Allegri (2-1-2)  
Second 13041-*Tika*- Pellizzaro Falcini Cappucci (5-2-1)  
Third 13346-*Bibir*- Roccheggiani Brugia Bassi (4-3-3)  
Fourth 13414-*Nuvola Bianca*- Ferrari Pradella Turazza (3-4-7)  
Fifth 13823-*Mimosa*- Mustacci Lodici Babbì

As is in our tradition, the organization of the regatta was excellent, especially due to the efficiency of the Regatta Committee.

In 1986 our fleet will take part in the European Championship to be held in Greece with the crew Pellizzaro Falcini Cappucci. Moreover, local regattas and short cruises off the Adriatic Riviera are already planned. Before the European Championship we hope to be able to host a regatta with the crews of the Swiss District.

Preparing to round — Fleet 476 — Italian District.

WOW!! The Cedar Fleet membership has increased 33% over last year (2 whole new members). We would like to claim this massive increase in membership was due to inspired leadership, but alas we can't. We must just be lucky! By the way our two new members are: Eric Annis #12170, of Sarasota, Fla., and Kevin Blair, #13877, formally from Fleet #69, in Milwaukee, Wisconsin, now Ft. Myers, Fla. Welcome aboard guys!

Now — What happened during the last year. Fleet member John Foster started out the season with a second place at the Annual Labor Day Regatta in Sarasota. As usual, John was ably assisted in this Regatta and the rest of the season by his lovely wife Kate (true skipper of 13872) and Eric Annis.

Our members continued their activities when John Foster and Steve Ewing started the Florida Crown sailing at the Coconut Grove

Annual Regatta during October in Miami. John was seventh and Steve was ninth or 10th, after losing a battle in a protest committee meeting. The next Regatta was the Lightning Invitational at Eustis, Fla., where John, sailing against the best sailors in Fla. got a well deserved second. In the same Regatta Steve learned you don't want to be over early in the only Black boat in the fleet. DSQ's hurt. The final leg saw John Foster as the sole representative for Cedar Fleet while Steve sat home due to lack of crew (or maybe motivation). John scored another decent finish (fourth) which gave him third place overall in the Triple Crown. Good work John & Kate!

The next major Regatta Cedar Fleet members participated in was in our own backyard, the Edison Pagent of Light Regatta. Our fleet turned out in mass. We had Art Ries, Steve Ewing, Bob Desfosses, and John Foster all in their own boats, and Ralph Suhm crewed with Fay Regan from Miami. Also we had 7 boats from throughout the rest of the state. John did the best of the bunch with an eighth place.

After the Pagent of Light Regatta all eyes turned toward the Mid Winters. Once again John Foster and Bob Desfosses sailed with Herm Nickels in the Masters Division at St. Pete. They were unable to repeat as champs, but then who can complain about second place. Our members finished up the Sailing Year at the Fla. Districts in Eustis Fla. Steve Ewing and his crew Beite Cook and John Peskatrisk (oh no, more canon folders for Steve) managed to qualify for the North Americans with a sixth place, and John Foster was hot on his tail with a seventh place.

Once again John and Kate Foster win the "Our Worn Tire Award" for making the most Regattas again this year with 10.

P.S. It's rumored that our Fleet Captain, Ralph Suhm is working on his boat. Could it be he actually plans to sail it? We sure hope so.

35 Lightnings came to Kerr Lake for Fleet 481's BORDERLINE Regatta this fall. Plan to come in 1986! So far, Fleet 481 members have been kind enough to allow visiting skippers the pleasure of winning—but we're gaining on 'em.

We had a great year. Our numbers have stayed about the same, but some of the inactive members sold their boats to new folks who are coming out to race, and where we've lost some to attrition, new ones have taken their place. Not only that, but the level of skill in our fleet has risen all around; we now have a number of boats, any one of which is capable of winning in a given race. This makes racing more exciting and fun for all of us.

This year we've managed to accomplish the dual task of having some boats on the road for the traveling regattas in addition to having 8 to 10 boats at home for the club races. We are especially happy with this in light of the fact that due to scheduling conflicts, many boats had to choose one or the other.

The Lightnings devastated the fleet in our club's Interfleet Championship (top 2 boats from each fleet, racing one another on Portsmouth handicap), finishing first and second in each race, often by wide margins. Kent Mullikin and Bill Batjer were our skippers. The competition included Lasers, Flying Scots, Tanzer 16's. We are very proud of how our fleet has progressed. Lightning racing is the best teacher!

This is being written just before our annual Borderline Regatta, but plans have been laid for the biggest and best yet; we are expecting 40 Lightnings from several districts. Past competitors have included several nationally competitive skippers. If you haven't made it to the Borderline yet, you ought to do it. We usually have moderate winds, warm temperatures and flat water, and we always have great fall scenery, good food and a lot of fun!

The Ithaca Lightning Fleet is back. We've coaxed enough Ithaca residents into their boats on Sunday mornings to put together a good racing fleet, despite the unpredictable winds of Cayuga Lake—especially at the shore-hugging marks. In some races, the new skippers and crew had trouble finding the right marks at all—which made it easier for us old-timers. A few Sundays were drifters, but there were just as many blowouts which had us hiking to exhaustion as we fought for the lead in the wind and rain. Even our tune-ups turned out to be fun, with neck and neck duels that traversed the one-mile width of the Lake. Several fleet boats took part in regattas. The Miller boat came in 10th at the Keuka Lake Champagne Regatta, and the Eckstrom boat came in 11th. The fleet looks forward to attracting more Lightning sailors as the skippers from the huge Ithaca Laser fleet decide it's time to grow up to a Lightning.

The first annual Michelob 'Great' Lake Ontario Lightning Classic Regatta was the highlight of Oswego's 1985 racing season.

Although most Lightning sailors know that Michelob has long been an enthusiastic supporter and sponsor of one design regattas, and even though most sailors have at one time or another enjoyed the thirst quenching characteristics of this superior beer, very few participants in this regatta realized just how hallowed the very water upon which they were sailing was.

Michelob beer is brewed less than twenty miles from Oswego in Raddison, N.Y. The water used in the brewing process comes from Lake Ontario through a pipeline which originates at Oswego. The giant underwater intakes are located almost directly under the site of the Oswego Fleet's Lightning Classic Regatta race course. That's right. This regatta is the world's only event sailed in "near beer". Think of it!

Although our water undergoes a wonderful improvement at the brewery at least a little of that great Michelob flavor could be attributable to the activities of our fleet. And while you're working THAT one over here's how our summer went:

On Memorial Weekend the fleet held a cold-water five race series for the Mayor's Cup. With Oswego Mayor Bill Cahill on hand to award the trophy he donated and your picture in the paper if you win, this is a GOOD trophy and the competition was cutthroat. After Saturday, Tom Doran had a one point edge and three boats were in the running. Tom won Sunday's first race and that was it as the wind died and the last race was cancelled. — Tom now has had this cup two years running.

Tom Doran also won our 23 race Fleet Championship Series although the outcome was not certain this time until the last few weeks of the series. Joe McCloskey made a serious challenge by sailing in every race of the

series up to the North Americans and finished second. Tirrell was third for the second straight year. JimFinn displayed serious improvement, just missing third place. Jim had Tirrell looking over his shoulder for the last several weeks and Art will spend the winter jumping every time a door slams behind him. Also influencing the outcome of many races were Fran Watts, Bob Finn, Ed Taverni, Mike McCune and Steve Vivian. With another season behind them these guys may become next year's top finishers.

The Lake Ontario Lightning Classic which is destined to becomeTHE event on Lake Ontario was not blessed with good weather this year. Mark Sertl won it all and got to taste that great 'pre-Michelob! Each participant received a free T-shirt, eats, and of course free Michelob all weekend. In case you are wondering, entry fee for this regatta was \$25.

Boats from Oswego hit the road with enthusiasm too. We had six boats at Cazenovia, five at Henderson Harbor, and others at Newport, No Gas, Niagara Frontier, Long John, Canadian Open, the North Americans, Silver Lake, Spofford Lake, and the Frigid Digit.

Locally, Fleet 485 organized and conducted several events including an "open" regatta for all comers, an Old Salts Regatta, and a mid-winter "Sailors Party" in February which drew 50 or so of Oswego's sailing fraternity.

Fleet publicist Bob Finn did such a great job on publicity that we gave him the title of Fleet Publicist about halfway through the season. A lot of energy went in and about fifteen articles complete with photos and great writeups were the result. If anyone within a 30 mile radius doesn't know what we are doing it's because no one in the family can read or hear.

Late in October a long awaited event occurred. Doran didn't win a series. Joe McCloskey won the 1985 Joe Holland Trophy emblematic of the Fall Series Championship.

Oswego is planning a great season for '86. We are planning to have every able bodied crew within a three hour radius show up for the 1986 Lake Ontario Classic. In Oswego, as long as we have water to sail on, there will be Michelob!

Mark Sertl after winning the Lake Ontario Lightning Classic.

As is usual, it is hard to believe that Valley Fleet 486 has just about completed another year of sailing and racing. Our Fleet Champion this year is also our Fleet Captain, Rick Conaway. Rick has had such a good year racing that even though our season is not yet complete, he has first place locked up. However, our other places cannot be determined this year as yet. We still have a few weeks left and the race is tight for second, third, and fourth places. Our Wednesday night series is also close, so we do not have a final placing for those races either. The Wednesday Night Series is open to all boats in our club, and gives one more weekly opportunity to race for anyone interested.

We have had an eventful year. Our year began early, as we had such a mild winter and spring, that we could ready the club to open earlier than usual, and our harbor water level and the river were at a normal, constant depth for us. Our season proved not only a little longer, but such a successful season as well. Part of the success was due to our increased participation. We added several Lightnings to our fleet this year, and those additions have made very competitive racers. They have contributed to the club as helpful members, too.

Once again, our fleet hosted the Muddy Rudder Regatta. This year was a beautiful one for it. We had 10 Lightnings that participated, two of which were from Carlisle, and one of them took home our first place honors. It was a good day for sailing and a great weekend all around.

Among our excitements and accomplishments, we did suffer one setback. Wayne Watson, one of our most involved members, was transferred to Washington, D.C. He will be missed greatly. Not only did he instill in us the excitement of competing, but also, encouraged all of us to try it. We even traveled out-of-town because of his encouragement. For his help, his spirit, and his loyalty to the Lightning fleet, we thank him and for those reasons he will be missed by all of us. His family was one familiar to all of us, and they will all be missed.

As always we issue an invitation to all other Lightnings to come join us at Valley. It is a warm, friendly atmosphere, with genuine, hospitable people. Alton Lake is situated on a calm area of the Mississippi River, with the most beautiful bluffs lining the Illinois side of the river. Our location is on the Missouri side, closest to West Alton, Missouri, north of St. Louis. We welcome any and all sailors to visit us at any time.

Provincetown hosted its second annual Lightning regatta the weekend of June 29th and 30th amidst the pageantry of the Blessing of the Fishing Fleet, an annual event held the last weekend of June. Winds were light and variable on Saturday but materialized into something more substantial on Sunday for the last two races. A total of five races were completed with twelve boats competing. Regatta awards were presented to: first place, Bob Pratt (#13888) with 7¼ points; second place, David Jones (#11249) with 14 points, and third place, Kurt Kling (#10773) with 15½ points. The turnout was slightly smaller this year which most Lightning skippers agreed was probably due to the World's being held in New Jersey the week before. However, the Provincetown Regatta is becoming a traditional season-opener here in New England. See you next June!

Representatives for our fleet had a pretty good season last year, winning the Chilean District (Manuel Gonzalez, Rodrigo Zuazola, Luis Herman), the South-American Championship (Alberto Gonzalez, Jaime Fernandez, German Novion), finishing fifth in the Worlds in New Jersey (M. Gonzalez, A. Gonzalez, R. Zuazola), and Runner-up at the North American Championship in Tawas, Michigan (same crew).

We are planning our Fleet Championship (November, 1985) which is going to be the Chilean trials for the next South American Championship at Colombia.

Last Fleet Championship was won by Manuel Gonzalez (16 boats) and Runner-up was Alberto Gonzalez. Marcelino Fernandez won the Masters last time and is going to defend his title this November.

Fleet 491 enjoyed a full racing season this year, with only one race day cancelled due to heavy air. 1985 also was our first year as an official fleet of the Nockamixon Sail Club. We all look forward to a long affiliation with this fine organization.

On the race course most of us spent the season watching the transom of Jim Black's boat. That is when we could see it! Although other fleet members managed to cross the finish line ahead of Jim once or twice, at the end of the season Jim captured the title of Fleet Champion by a wide margin. Charlie Shoemaker and Bob Blalock battled it out for the runner-up position throughout the season, with Bob edging ahead of Charlie on the last two race days.

In spite of the majority of races being sailed in light and fluke winds, 1985 has been an enjoyable season for our fleet. We are looking forward to the addition of at least one new member for next year and hopefully our fleet will continue to grow. If you are in the area and would like to join us, drop Bob Blalock a line at 495 Browns Drive, Easton, Pa. 18042 and he will gladly send you a racing schedule.

Our 1985 season opened officially in April, at our Spring Kick-Off Meeting. We all had a GREAT time in the RAIN! Food and drink and

fun...BEST OF ALL, we counted NINE boats represented, up from five last year. The membership has its sights set on a tenth for next year — the Mystery Boat, HAPPY BIRTHDAY...BOB GRANT, are you reading this????

Last weekend of July/first of August saw the Bow Lake Camp Owners Association sponsor their 11th Annual Bow Lake Regatta. All the Fleet 493 boats showed up for this one, the "annual drifting match". The weather ran true to form; hot, sticky; the merest breath of a breeze which managed to utterly expire before all boats limped to finish in the last race. Final standings in the Lightnings division:

First Place — Ned Hinds; Second Place — Russ Cavanaugh; Third place — Dick Davis.

Dick Davis, ably skipping *Pzazz* under an impressive radial head (which he managed to FILL some how!!!), just nicked BRUCE & WAYNE DONLE for the third place hardware — by a scant 1/4 point. He also managed to beat the Fleet Champion in the process, in the particular race in question. Mr. Hinds was most gracious about receiving "humble lessons" from Mr. Davis....and the Donles were — as usual — excellent sports and true competitors.

The highlight of the season was Fleet 493's Second Annual "Lightning Flash" Invitational Regatta, held September 14th in the most superb weather in memory. She blew a steady 15-20 knots throughout the sparkling, picture-perfect day. We had some folks get wet. Both DEYETTE boats — skippered by NORM and son, KENNY, respectively — went in the drink early on. NORM got her back up on her feet, and sailed on to HOTLY CONTEST and contend for the first place silver. KENNY lost his mast, sheered clear through at the mast partners, or nearly; and had to retire before the first start — *unfortunately* for all the rest of us that day. (Kenny *always* upgrades the quality of the race *anytime* he sails!) We still haven't settled the question of which of these two fine Lake Massabesic ILCA Fleet boats most deserves the official Bow Lake "WaterWings Award"....

Here's the final standings: First Place — Ned Hinds; Second Place — Norm "Tweet" Deyette; Third Place — Drew Gillette; Best Finish in a Woodie — Jack Lockhard.

Except for Mr. Hinds, you'll note the finals are all Massabesic sailors. Once again, we extend our heartfelt thanks to our "sister fleet" for her support and assistance in making Bow Lake Lightning sailing a success.

Also thanks and gratitude to our excellent RACE COMMITTEE: JOHN INGEROWSKI, Chairman; BOB EVANS, DAVE DUPEE, MERRILL STEWART and ED HINDS. SPECIAL THANKS to JOHN YOUNG for making *The Lily Pad* available for service as committee boat. And to SHIRLEY LATHAM for the lasagne FEAST!!

And now, a few "Special Mentions" for SPECIAL People: Most Promising Crew-Rookie Award — MARION HINDS (wife of Ed., mother of Ned); All-Around Sportsmanship Award — BRUCE & WAYNE DONLE; "White-Knuckles" Award — DICK & BETTY WARNER; "Guts-and-Bail" Award — GERALD THORNE; Silver Spoon Award — SHIRLEY LATHAM.

Godspeed, one and all! See you in the Spring!

Fleet 498 enjoyed a good first year. We ran a dozen races in a variety of conditions. The wind and waves off the Eastern shore of Lake Ontario proved once again to be quite challenging.

Our weekly races within the fleet provided good competition with the overall Fleet Champion being Herb Clark.

Several members combined efforts to compete in area regattas at Henderson and Oswego. A great deal was learned and good times were had at both regattas.

We are looking forward to enlarging our fleet with new boats this year. Our motto remains "no puff too tough."

# Registry of Lightning Boats

(Corrected to December 11, 1985)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner is unknown. Where boat number is followed by an asterisk, it means that there is an approved Measurement Certificate on file for this boat. All boats not so marked do not have Measurement Certificates on file.
