DEDICATION

This book is dedicated to my fellow Lightning sailors without whom it would not have been possible. It is hoped that skipper, crew, and shoreside supporter will find enjoyment in these pages.

My thanks to those of you who contributed fleet reports, articles, and photos, and to Judy Walker who as Assistant Editor spent many hours reviewing them. Special words of appreciation must go to Donna Foote, who with her staff, did the bulk of the work in putting this publication together.

Since purchasing my first Lightning in 1964, the boat, and the people who sail Lightnings that I've met over the years have provided me with countless good times and fond memories. May this upcoming season find all of you on the water enjoying the camaraderie and competition that's available from the fleet to national level.

The Lightning is a great boat and our class organization second to none. Let's let others know what they're missing. Spread the word!

PRESIDENT'S MESSAGE

This book is the work of a large number of dedicated individuals. People like Editor Craig Thayer, Assistant Editor Judy Walker and Donna Foote, Cherryl May, and Jean Berridge of the ILCA office, as well as, all the people who write the articles and take the pictures.

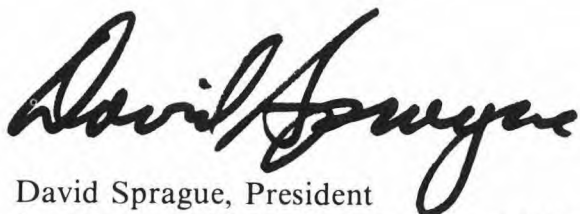

The Year Book exemplifies what makes this Class the great one that it is. It's a team effort reflecting the diversity of people and events that occur over the year.

I have looked forward to the arrival of the Year Book in the mail every year since I started to sail Lightnings in 1962, I have never failed to read it through, from cover to cover as soon as it arrives. First, to see who I know in the book, and then to discover what's new in the Class, so I can figure out how to go faster and with more fun. I also get to relive some of the regattas I've sailed in and to find out the winners' perspective.

The book then is kept around as a reference to find out what regattas to go to or how to get a hold of some of the fantastic people I have met in the Class.

This is the 46th Year Book the Class has produced and I'm sure you'll find it a great one. If you don't see enough in it about your Fleet, District or people, write something for next years book, as we can always use more help.

This book leads off our 50th year as a Class and it's going to be a great one. I hope to meet as many of you as possible this year and I wish you another good year of sailing.

David Sprague, President
International Lightning Class Association

Officers of the International Lightning Class Association

PRESIDENT — David Sprague

Dave started sailing in 1962 at Royal Lake of the Woods Yacht Club (Fleet 320) in 7509. In 1969, he bought *Janitor*, in 1971, moved east to Montreal (Fleet 215), and then to Toronto Bay (Fleet 146) in 1972, *In Lieu* 13659 was added in 1981. They have since been sold and he is currently the part owner of *Aquaholic* 11275.

Over the years, Dave has served on the Fleet, Lake Erie District, Canadian Class, and International Class executives, as well as, holding offices in the Canadian Yachting Association, the Ontario Sailing Association, and the Boulevard Club.

Dave sails with a variety of crew, including his wife, Cathy Bowman. Their two children have started into sailing and already have their own optimist prams.

Dave is a senior consultant with Canadian Marketing Associates Limited, of Toronto, Ontario, Canada.

CHIEF MEASURER — Robert C. Wardwell

Bob began racing Lightnings actively in 1973 while living in Daphne, Alabama, at the Fairhope Yacht Club. A career change in 1974 took him to New York State, where he was originally from — there he sailed in the Central New York District. Subsequent moves have taken Bob to Chattanooga, Tennessee (Mississippi Valley District), Carlisle, Pennsylvania (Dixie District), and Signal Mountain, Tennessee (Mississippi Valley District), where he currently resides with wife Carol, daughter Christy, his foredeck crew for 5 years, and sons Robby and Charlie, who are about to give up their skateboards for crew positions.

Bob served as Assistant Measurer for three years prior to being Chief Measurer, and recently served as RC Chairman for the 1986 Juniors', Women's and Masters' Regattas.

When not sailing, Bob is a Vice President of Filtration Sciences Corp. in Chattanooga, Tennessee.

TREASURER — Jack Tibbs

Jack has been a member of ILCA since 1967 and during that period has sailed nine Lightnings.

He has served Fleet 31 as both Secretary and Fleet Captain, the Michigan District as Secretary and District Commodore, as Vice President and Yearbook Editor for ILCA. He was Commodore of Devils Lake Yacht Club in 1981 and is currently the Executive Secretary of that club.

The Tibbs family have all been involved in Lightning activity, Joe, Beth and Jane have all crewed and tried their hand skippering. Chris is involved as the Race Committee at DLYC.

Jack is the owner of Tibbs Bros. Inc., a supermarket at Devils Lake.

SECRETARY —

Anne has been sailing Lightnings since the mid 40's. She crewed her first North American's (International Championship) in 1949 for her father, Karl Smither. In 1955 she was part of the championship crew for Tom Allen in New Orleans. Since then they have sailed together for many years. Their four children, Jane, Brenda, Tom, and Jim are all active Lightning sailors.

A strong supporter of women sailing, Anne helped to organize the Women's Lightning North Americans. She is active in Fleet 12 and the Lake Erie District, is currently the treasurer, and has served as Class VP of International Affairs.

Anne is a registered pharmacist.

THE CHAMPIONS

The first National Championships were held when the first boat was publicly less than eight months old. Nineteen boats participated, John Barnes won with three firsts.

In 1945, the Championship was renamed International; there being thirty some boats in "foreign" countries.

In 1961, the first Lightning World Championship was held and that year the Internationals were renamed once again, this time to the North American Championships.

COUNT DOWN TO A GOOD START

with Swiss Made Regatta wristwatches and timers from the worldwide specialist for water-sport timepieces: Lemanian of Switzerland.

EXCLUSIVE REGATTA COUNTDOWN SYSTEM

The Timer

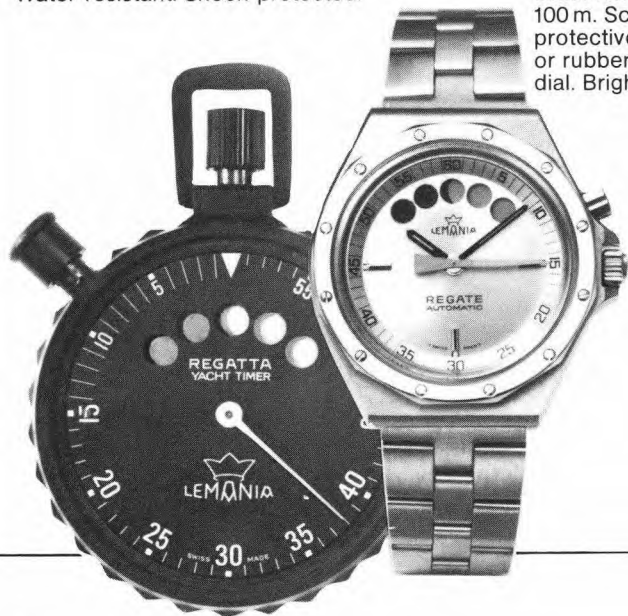

7-jewel Swiss pinlever movement. Rugged, brine-resistant ø 62 mm fiberglass case with non-slip rim. Water-resistant. Shock-protected.

The Watch

17-jewel Swiss selfwinding movement. Rugged, brine-resistant, shock-protected stainless steel case. Water-resistant to 330 ft/ 100 m. Screw-lock crown with protective shoulders. Steel bracelet or rubber strap. Black or light gray dial. Bright red second hand.

The System

10-minute color-coded visual timer actioned by pushpiece. When the first regatta starting gun sounds, the timer instantly begins measuring two successive 5-minute periods up to the actual start signal.

How it works: from 10' to starting time

	At first gun, 10 minutes before start, press and release pushpiece: all five Minute Discs are blue.
	With each passing minute, discs change from blue to red.
	Second gun: 5 minutes elapsed, 5 minutes to go. All discs red.
	Counting down to start time, red discs disappear. Shown here: 9 minutes elapsed, 1 minute to go.
	Last red disc has disappeared: START!
To reset timer, press pushpiece.	

For Prizes, Awards, Trophies...

Special rebates available from Lemanian of Switzerland for group orders (minimum: 10 watches and/or timers) from ILCA-registered fleets and clubs.

1986 JUNIOR CHAMPIONSHIP

by Jim Allen

This was my last year as a junior and I really wanted to win, so I started early by sailing at every opportunity and looking to find a steady crew. Once I selected my crew Joe Donovan and Eric Duchscherer it was time to practice and sail in every regatta possible. We sailed together in the Canadian Opens, Districts, Junior Districts and many local races. Our Junior Districts were only two days before the Junior NA's and we had a new boat that had never been rigged or sailed before. As can be seen we had a lot to do and little time in which things could be done. This makes things a little hectic. But my crew and I spent a couple late nights doing finishing touches and preparations.

When we arrived at Henderson Harbor it was great to see many friends that I had not seen since last year. But that quickly wore off and the matter at hand was to get the boat and sails measured. Then to rig the boat, go sailing and finish tuning. This all went smoothly and we did get out on the water but due to lack of wind we didn't get a chance to learn much.

For the first race the wind was light and shifty and I did not have a great start. We sailed a good first leg and were first to the first weather mark. Steve Hayden was second at the mark. We then just covered Steve to win. Steve was second and C.B. Currier was third.

We had a terrible start the second race, fouled Rob Zerban before the start and did circles after the start. Things did not look good at this point. Most of the fleet decided to go right but we thought left was the way. So left we went, tacking on a couple of small shifts. It worked, we were third at the first weather mark. The wind had started to go light so we stayed high to keep our speed up. We rolled over one boat then jibed early and just got inside the other boat at the jibe mark to take the lead. Then we just kept on going to win, Brian Taboada was second, and Jon Finkboner was third.

The third race the wind was light and it was postponed until the wind shifted and started to pick up; however, the wind was still light. We had a good start and got out in front early. Everything was looking good, we had a big lead but the wind was getting lighter. The wind shifted just as we went around the final leeward mark which was fine with us because this made for a reach to the finish. The wind eventually died and a storm was coming in. The biggest problem was that the wind had begun to fill in from behind, not what a skipper likes to see when he is out in front. It soon started to rain and we were sure the race would be cancelled, but were hoping that it would not. Boats were beginning to close in from behind and some had started to fly their spinnakers but we managed to stay in front and win our third race. Rob Zerban was second, and Dan Norton was third.

The fourth race was a bit windy but not too strong. We had a reasonable start, but most of the way up the weather leg Rob Zerban and I got a little close. There was a little bit of yelling but nothing of importance. We rounded the weather mark right behind Steve Hayden with nobody close behind. Part way down the leg we still heard some yelling so we decided to do a circle, just to make sure. We did a great circle and only lost one boat but when we put the chute back up there was a big rip. I said "keep going" so we did. The chute

held until half way down the next reach then it had to come down. We held on to third. Steve Hayden won and Dan Norton was second.

We had a terrible start the fifth race and were not good at the first mark. We played the shifts, sailed hard and almost caught Taboada but the wind shifted and he sailed out from underneath us to finish third. John Swanson was second, Steve Hayden won and sailed an excellent race.

For the sixth race we had a reasonable start and rounded the weather a little bit behind Steve. The wind had shifted slightly which was to make the next reach quite tight. Steve was having a tough time trying to stay high to make the mark. He fell low and had to take down his chute and reach up to make the mark. We managed to stay high and make the mark to round inside of Steve and take the lead. Then we just covered to win.

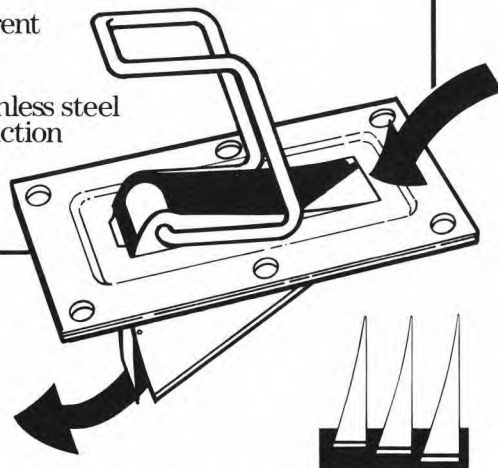

I must thank Henderson Harbor Yacht Club for hosting such a great regatta and handling all the work that comes with it. I would also like to thank all the juniors who participated because without them there could not have been such a regatta and such excellent competition. Finally I must thank my family for supporting me and my crew for all the excellent work they did especially Joe D. for his excellent spinnaker work. I hope that all eligible juniors will plan to compete in this event to make the class stronger and keep the young sailing.

1986— MASTERS CHAMPIONSHIP

by R. W. Hallagan

Since returning from Henderson Harbor, the Master's Championship has meant more to me. I still sail several regattas each season and everywhere I have travelled this fall people have asked me about this Lightning event. The remark I kept hearing was "if I had only decided to go". There are many long time Lightning sailors, some active and some inactive, who seemed to want to know more about the Master's. The local geography made it easy for me to be there so I decided "to go". It was a fun-filled three days without the pressure that accompanies the North American Championship. My crew Larry MacDonald Sr., has not lost his colorful wit that he had when I first met him as a crew for Donny Allen. My other crew, Sandy Stephens, enjoyed the sailing and meeting the sailors who at one time or another have helped build the class. The ILCA has a great promotional opportunity — Laser and Sunfish classes have Master's and even World Master's Championship's.

This was the fourth I.L.C.A. Master's Championship and ten boats made the competition very keen and even. Any one of five boats had a chance to win going into the last race. Henderson Harbor is only 30 miles from Kingston, Ontario and the winds are very much the same — SW and strong. The Henderson people really got behind the Masters — Juniors — Women's Regattas with many taking a full week off from work to run the regatta on land and water. Thanks to all and especially Bob Wardwell, R.C. Chairman. Central N.Y. District is proud of the job done for the Lightning Class.

The Masters skippers consisted of Dr. Bezner and Dr. Stone (two local sailors); Chris Graf from Wisconsin; John Teigland, past N.A. Champion from New Jersey; Fisk Hayden, past N.A. Runner-Up from Florida; Jim Carson, Past Runner-Up, from New Jersey; Crit Currie, the prime promoter for Master racing, from Tennessee; Lal Burrige, last year's winner, from Missouri; and David Bull and Dick Hallagan, both from Central New York. So this was the group.

The weather was beautiful, the first day — sun, winds SW at 10 to 18, and a long course to sail. At the start of the first race the fleet went every which way. Graf and Currie banged the left side and were gone, and I mean gone. Nobody caught these boats, and the race was for third. Dave Bull nipped Dick Hallagan by 18" at the finish line.

The second day was SW and windy again, but very hazy. We had all taken a lesson from Graf and Currie the first day, so in the second race Hayden and Hallagan banged the left and held 1 and 2 positions for three legs. Hallagan did get the lead on the fourth leg but the sky was getting dark. At the jibe, thunder was rumbling and approaching fast. In the calm before the storm the R.C. abandoned the race.

The third day the wind was SW and 15 to 20, clear and a great day to sail, Henderson at its finest. The second race was resailed on a shortened four leg course and Hayden and Carson led the way. So after two races it looked like this: Hayden 5-1, Bull 3-3, Currie 2-5, Hallagan 4-4, Graf 1-8.

In the third race, 7 boats banged the left and 3 boats went right. Hallagan headed left but was slowly being rolled by

Carson, Hayden and Teigland. All the courses at Henderson were very long, so Hallagan bailed out and took a long port tack to the right, going under most of the fleet but looking good on any boat still on the left side. Stuart Walker should have been there, it was a classic example of "the wind is clocking". The right was suddenly magic and Hallagan and Burrige gained humungus leads at the weather mark. Hallagan went on to win easily, while Jim Carson, sailing well in the heavy wind still at 15 to 20 mph, was in second. Now for the cliff hanger at the end — could Crit Currie hold off Dave Bull?

A tie score and Bull beats Hallagan overall. Crit hung Californian crew Scott Finkboner over the side, and crossed the finish line two boat lengths ahead of Bull. Dick Hallagan, Larry MacDonald Sr. and Sandy Stephens had won the championship.

The series was blessed with great winds, great organization and great competitors. Seven out of the ten boats went on to Kingston; three of these seven qualified for the Blue Flight; one of these three finished third overall in the North American Championship. Remember this trivia, there will be a quiz next year. Let's see more boats in Buffalo. "Be there."

WINNING THE WRONG SERIES ('86 Qualifiers)

by Stu Nickerson

We arrived in Kingston for the 1986 North Americans prepared. I had spent the previous two weeks re-fairing the hull of 11136 and making the centerboard perfect. Hale Walcoff was making sure our sails were in order and Kip Hamblet was busy finding out what the competition was up to. Our team spent the weekend prior to the N.A.'s sail testing, rigging a new mast, practicing 720's, 360's, coming from behind, checking all fittings etc. We knew we were ready.

We were pleased to see 116 boats participating at Kingston. Boats were parked all over the place.

Saturday's practice race was your typical practice race with 80% of the Fleet over the line sailing full speed with 15 seconds to go. On the first weather leg, a large dark cloud appeared on the right side of the course, with an increase in wind from the right. Everyone put up their chutes at the weather mark and just as quickly took them down as a mini squall passed through. Most boats returned to shore. We elected to stay out and do some speed testing with Larry MacDonald, Ched Proctor and Peter Hall. We were pleased with our speed.

Sunday's first qualifier was sailed in a 10 mph southerly. We started near the leeward end and held on starboard into the left corner. Phil Lotz followed close astern and the race for us turned into a two boat race with us comfortably ahead of Phil.

The second qualifier was sailed in 10 to 12 mph winds from the south with higher gusts. Ched Procter led this race most of the way with Larry MacDonald, Don Brush, Kirk Reynolds, Eric Larson and us in pursuit. On the last leg, we were forced to the right more than we wanted to go, but we found a small header, went back with the pack in more air and slowly ground down all of our competition. Near the finish, we were covering the Fleet as best we could, when out of the left corner came Kirk Reynolds. We were just able to get up in front of him to take the gun.

Monday morning brought a day of heavy air out of the west. With a crew weight of 490 pounds, we were grinning. The third qualifier was sailed in 15 increasing to 25 mph winds. Off the line, it was quickly Larry MacDonald, Mark Bryant, and us, with Larry leading at the first mark. We got by Larry on the first reach and from there, it was a simple matter of covering him. After this race, everyone headed for the beach as the winds and seas were still building.

Monday afternoon was spent visiting with other crews as we waited for things to calm down. Finally at 4 pm, the one hour gun was fired. The fourth qualifier was sailed in a strong veering westerly. This race turned into a three boat race between Bill Shore, Larry MacDonald and us. Bill led all the way with us passing Larry down wind. Bill made it very clear that he was very ready to defend his title.

Looking back on the qualifiers, it was different for us not to have to do well in the fourth race to qualify, however the series that we wanted to win was the second half of the week and we were not successful. The wind patterns that would

eventually show some consistency in the finals did not play a role in the qualifiers. Our game plan which worked well in the qualifiers netted two poor finishes in the finals. That's sailboat racing and it's why we will be back next year to try again.

FIRST IN CLASS.

LIGHTNING NORTH AMERICANS

by Betsy Alison

When we rolled into the parking lot of the Olympic Sailing Center at Kingston, there was definitely a feeling of excitement in the air. (Maybe it was just me, but somehow I don't think so.) There were a lot of people getting boats weighed, measured, and registration organized. It was great to see everyone in the Lightning crowd again. But now it was time to get on with what we had all come for.

We had quite a mixture of breezes for the Qualifying Series. Stu Nickerson dominated them with a final tally of finishes that included three firsts and a second! Boy, were the boys on that boat HOT. The first two races of the qualifiers were sailed in light to moderate breezes. That was nice for all of us who needed a few races to get those legs back into the hiking spirit. The third and fourth qualifiers were blessed with the onslaught of a cold front; that gave us all some long and painful beats, with some wild and woolly reaches to contend with. Hot showers sure felt good that night.

When the points were combined and the splits made to divide the fleets, the blue fleet had 40 boats. Needless to say there were a lot of very talented people to contend with. Our early favorites to look for were Stu Nickerson, Mark Bryant, and the Brazilians, to name a few. It was time to go sailing.

Race 1 — The breeze was light and patchy. Interesting

racing to say the least. We went left after the start (Bill always wanted to go left for some reason) along with Jody Lutz, Jack Elfman, Stu Nickerson and a few others. To make a long story short, it was not the place to be. We rounded 32nd at the first mark. Jim Crane rounded first after sailing a super beat by playing the shifts on the middle right. We picked up a few at the jibe mark and tried to close the gap. Second beat we went left, and picked up a large number of boats, rounding in the top 10. On the reaches we went low with the chute, passing people to leeward. The final beat was an interesting one. As the blue fleet approached the finish line, the yellow fleet was reaching down the first reach, and the top 10 mixed it up with the other fleet (especially Don Brush, Carson, Biekarck, and Lotz). We were very happy to take a fifth.

Race 2 — This race did not exist for us as we had a breakdown right after the start. This gave us a nice chance to see Kingston and do some shopping. However, Lynn Jewell told us later that the clouds moved the wind way to the right. Most of the fleet went left, and a few went right. Middle was not the place to be. The boats on the right did the best. Ed Martin from Canada won the race, with Jody Lutz second. Some of the favorites had some problems, the Brazilians broke down, and Nickerson broke his pole. We considered the race a GIFT to us from somewhere.

Race 3 — Light and shifty up the first beat. Mark Bryant rounded first, hit the mark, and rerounded allowing Jim Crane to take the lead; we rounded right behind. The middle left seemed the place to go, with the breeze continually shifting left as the day went on.

Race 4 — This time the course was a little different. The weather mark was set just to the right of the island. Typically the mark had been set inside the point of the island. We wondered if this would change the way the race should be sailed. Our game plan was to protect the left as usual, but keep an eye on the right for anything that might be there. Well, the middle right seemed to have some advantage. With one minute to go before the start, the wind went 20 degrees to the left so as to cause a big, and I mean Big, jam up at the pin end. We tacked and reached behind a bunch of starboard tackers, and were still in phase, even though we were reaching. Most of the fleet went left off the line and died out about 150 yards from the line. We went slightly to the right, tacked on a shift and played the shifts and fleet from there. The object, to stay between the fleet and the mark and protect the left.

Race 5 — Prior to this race, Kathryn Richie, crewing for Ched Proctor, asked me what she should do. They had already sacrificed several pairs of gloves and other gear to the sea gods. What could be done to make the gods favorable to them? I suggested a blood sacrifice. Well, they asked for mine. Before the start, the spinnaker pole got me and the

blood sacrifice was made. Bill asked where we should go, I hesitated for a moment (thinking some not so nice thoughts) and said "Go Left Young Man", and so we did. We looked for left handers while playing the shifts middle left. Kirk Reynolds, Gary Demarest, and Robert Wardwell all stayed a bit more to the right and made out like bandits. Good job guys. Left does not always pay off the best.

Race 6 — We decided it was time to hit a side hard. Which would it be? The breeze had gone pretty far around to the right. The points were such that we needed a very good race, as we had sailed our throwout in Race 2, but everyone in the top ten was so close in points that no one could really go after anyone in particular. Our game plan, Go LEFT. It looked okay at the start but two thirds of the way up the beat, it didn't look like it was going to pay off. The right hand side started to come in big, but we hung in there and hooked into a lefthander near the port tack layline. We rounded third or fourth together with Nickerson, Lisocki, and Sertl. We ground it out to be second behind Andreas Lisocki on the final beat, and were able to out boatspeed him in the final couple hundred yards.

We had a great time, especially so since it was such a close series in points the whole way through. The race committee and organizers did a super job, and it was definitely sad to see it all end (though in truth no tears were shed). Thanks to all, and see you next year.

P.S. The party at the banquet was excellent!

REFLECTIONS ON THE NORTH AMERICAN CHAMPIONSHIPS

by Steve Bachman

Wanda Delorme said it would take 11 hours to get there. We got there in 9¾ hours! No speeding either. My van must have been excited.

We found our campsite next to our Connecticut friends, the Barretts, and survived a rainstorm in the van. What we thought were giant raindrops turned out to be acorns the squirrels were dropping on the roof of the van (Carol told me not to park under the trees). Barretts had a cooler full of beer, so we were off and running.

Measurement next day went pretty smoothly and we started with 70 others in the tune-up race. We went right and made out when a minor squall came through, but retired so as not to strain our new rags. Somehow, we bent a spreader tube, and so spent the next hours replacing it.

After breakfast at Larry's (Gordie Howe's picture was on the wall), we got into the qualifiers. These races were a challenge since they were mostly 1-1/3 times around. The start was everything, and we got clobbered at (hard-to-fetch) pin end in race #1 and staggered to a 24th. Breeze was better for the remaining races, so we qualified blue with a 5-3-11.

The North American Championship flight was loaded with talent — I've never seen a "deeper" blue fleet. Where

ever we were all week long, we could take consolation because there were heavies all around us. We did our "best" (18 & 13) when the breeze eased up, but the Kingston southerlies toward the end of the week were absolutely unpredictable, except for Bill Shore.

All week, the promised "back-to-back" races were not that at all. In fact, we had 3+ hours to kill between races each day. One of these waits provided certain people from Dixie (not me, of course) the chance to launch "incomings" into the snackbar via the FUNNELATOR — was that GREAT!

The weather was sunny for the most part, typically 75-80 high, with mid-50's at night — great for sleeping. The 116 boats made it old homeweek for me. This was my twelfth North American Championship. On to Buffalo in 1987!!

Editor's note: Steve was the first recipient of the "Thomas J. McDermott Memorial Improvement Trophy," presented in memory of Thomas McDermott: veteran Lightning Skipper, I.L.C.A. Officer, and author. The trophy is to be awarded annually to the skipper who improves his position the most from one year to the next during the Qualifying Series for the North American Championships.

PRESIDENTS' CUP 1986

by 13613 Rangy Lil

Everyone wants to be Blue Flight at the North American's but we were really not even close to making it this time. Our weight, and boat set-up were not right for the heavy wind. After the qualifiers, talking to the hot shots helped us set up better once the President started. (Funny how helpful the bigs are when you are sailing in a different flight!)

Our boat speed in the Presidents' seemed the same as the guys around us — not good, not bad. First race, Edson White came out of the far left corner to win while the Ecuadorian, Juan Santos, came from the right for second. We went up the middle for a 6th behind Dan Dressel and others. The second race was won by Fred Mertes who came out of the left corner while we again played the middle, shading left for another 6th. After two races, Dan Dressel and Santos looked like favorites. We also thought that Jim Dressel, Ed Roseberry, and Eric Larson would speak up some time soon. By the way, Santos and crew, the Lacaros of Ecuador, are three reasons Lightnings are fun to sail — they were great guys to sail with.

On the course, winds came from 185° to 270° over the week, pretty steady with oscillations that always came back. Boats could come from anywhere and do well once, but you had to just sail your own boat and play the shifts to the left. The next day, we got a seventh in race three, which was won by John Lyon, and I then made my biggest mistake. We had been starting in the middle of the line for clear air and speed.

I thought that I had a pin end start and went for it. The wind shifted farther left, and I could not lay the pin, causing a jibe and scenic ramble across the transoms of the fleet to finish 17th while Dan Dressel won. So much for greed.

After that, we went back to the middle of the line for clear air and speed. It worked for race five where we led for three legs just ahead of the Fretz/Hughes/Cuccio conglomerate, then were passed by two boats coming from way back, got one back for a second, right behind John Lyon. Roseberry was coming on strong, Dressel and Santos fell back and White was hanging tough. Going into the final race we were tied with Santos and at last eleven boats ahead of White, Roseberry (sailing with son, Ned), Larson, and a couple of others. We banged the start, rounded in second or third ahead of White with Santos far back. White rolled us on a reach to finish in front and Santos was closing as the final gun went off. We still haven't seen the results of the final race, but we won our flight, which was nice. Eric Larson took a bullet in the final race to move up to the standings.

The Canadian Lightning sailors, including Sprague, Scrim, the MacDonalds and the Marshalls, were great hosts, as we knew they would be — they are old friends. Most importantly, sailing with me was Andrew Wetzler, who sailed hard the whole week, and Rob Schoelkopf, without who *Rangy Lil* would not have been nailed to the outhouse door.

GOVERNORS' CUP

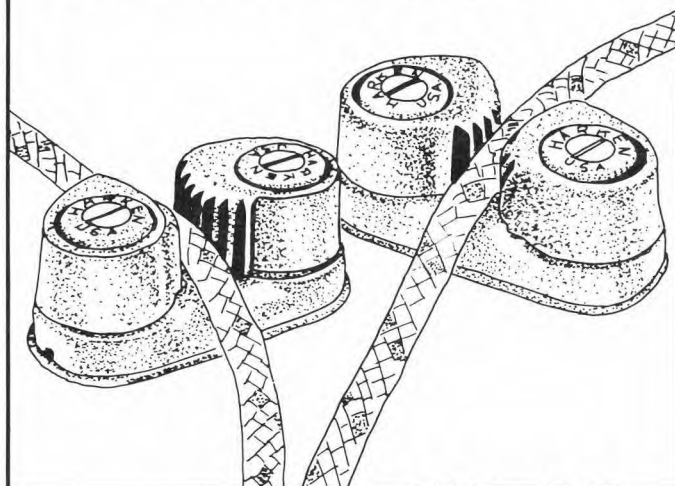

by James W. Ward, Jr.

The North Americans is not a Sunday race! Richard Guinan, in his July *Flashes* column, stated "You can learn more about sailboat racing in five days at the North Americans than you can learn in a year of club racing. You will have the opportunity to race against some of the best sailors in North America, without regard to class of boat. You will learn very quickly how really incredibly good the best sailors are and will vastly improve your sailing trying to reach the level of competition."

In my opinion, our past President's above statement sums up the experience for many of us who are accustomed to racing on relatively small lakes in relatively light air. To look out over the sailing facility and watch 116 LIGHTNINGS being rigged in the flag-surrounded yacht basin of Kingston, Ontario was, in itself, worth the drive. Sailors of Kingston, over the last several years, have put forth great effort in order to make their area a truly world-class sailing center, and, from our standpoint, they have certainly succeeded. Their efforts were continued as they measured boats and sails with accuracy as well as with compassion, often providing helpful advice as problems presented themselves. The measurer's job is never easy at a race such as this, and Peter Sulman and his assistants made it as pleasant and efficient as possible.

HARKEN TECHNOLOGY

The Harken Cam-Matic brought cam cleat technology into a new age. The patented geometric configuration and ball bearing mechanism make it almost automatic. Lines engage and release effortlessly. Even under load. The smooth teeth are gentle on your line and the raised base allows easy access. The Harken Cam-Matic isn't just better than other cam cleats — it makes everything else obsolete.

HARKEN

1251 East Wisconsin Avenue
Pewaukee, Wisconsin 53072

The Race Committee itself seemed to me to do a terrific job with facilities and equipment that allowed the setting of a course very quickly once the dominant wind had settled. They also seemed to do an excellent job with the starts of the various fleets which, at times, required several practice runs. (Aggressive sailors!)

The racing conditions at Kingston were probably about right for a North American Championship Race. During the practice race and early qualifying series, the winds were as high as to require postponement of races and abated just long enough to fire the gun, only to return with renewed strength. This allowed many of us small-lake sailors an opportunity to find out how to sail a Lightning in an upright position and still drive through the chop. (Quite a boat). It also afforded the opportunity for a few of us to 'go swimming' and to replace some gear which had seemed adequate at home but did not measure up to the conditions encountered at Kingston.

Once the Qualifying Series was completed, the winds seemed to settle a bit, but ranged from 8 to 10 in the morning, up to 10 to 15 in the afternoon. Races were sailed back-to-back but, as a rule, there was enough time to touch base on shore between races if desired. In planning the strategy of the races, it seemed to me that the proper thing to do was consider the geography, warming conditions, wave condition, storm systems, and then to follow the best sailor you could find on the course. Unfortunately, this strategy failed to produce good results during the Qualifying Series, and therefore a new strategy was devised. In the actual races themselves, it was extremely helpful and instructive to be able to watch both the blue and the green fleets as they tacked out in the lake after their respective starts. This not only helped us plan our own approach, but reemphasized the learning experience of the North Americans with the better, more experienced sailors sharing their knowledge with everyone as they raced against their peers.

As the racing progressed, it became evident that the winds on the left side of the course were 25 to 30 per cent stronger than on the right-hand side of the course and that the shifts which occurred at the beginning of the weather leg were more sustained, and should be tacked upon, while those toward the weather mark were short-lived and, in most cases, should not dictate tacking. The reaches seemed to us to be relatively tight (largely because of competition) and we learned the importance of lowering the board further than usual, as Lal Burridge drove over the top of us, to our dismay.

During the final race of the series, we had the memorable experience of battling George Deyett in 9390 up the entire weather leg, with each of us gaining inches on the other when he tacked out into the lake and either lee-bowing or star-board tacking the other as we approached the weather mark (which subsequently became the finish line). In the end, he won out, but we each felt we'd had a great experience.

The final banquet, after a full day of racing, was somewhat of a spectacle in itself (even without the antics of Mark Bryant). It emphasized the international scope, interest, and enthusiasm of the Lightning Class. The acceptance speech of the blue fleet leader — Bill Shore reflected the planning,

experience, and knowhow that must be put together to win in competition such as our class is able to muster.

As we left Kingston, we felt that we were truly fortunate to have a boat so versatile, and to be involved with a class so

capable not only to race but to run a class and put on a major regatta in such style. To those people, including Donna Foote, who help make all these things happen, we thank you.

WHEN WE DECIDED TO SAIL THE EUROPEAN CHAMPIONSHIP things were not so easy. My brother Sandro (who is the Italian Champion) was getting married, and I decided to tiller the boat with Antonio (who has always been in my crew) and the young Fabio. Training was difficult. I was serving in the Army, Antonio, was studying for his examination at the University and Fabio was at school. When we arrived in Greece in the wonderful NOA club we discovered we were the youngest crew among a lot of sailors from all of Europe. This year in Greece we found lots of new crews, especially Greek: the President of the club Koutsikos and the young and clever crew of *SND* "the National Soling Champion."

1st race: The wind was 8 to 11 meters/sec. We were not sure how we could go because we weighed only 200 kilos. We started in the middle of the line, Andreadis (*Crinis V*) and Vitaggio (*Lily Bay Tan*) the favorites, were near us, so that we soon could notice we had very good speed and after the first leg we were first, second was *Lily Bay Tan*, third (*Goumas*) Koutsikos. While they were fighting we could improve our advantage. At the gybing mark the yellow boat of the President of NOA club became second and *Lily Bay Tan*

third, followed by *Crinis V*. While we were arriving near the finishing line and *Lily* was covering *Crinis*, the Italian *Areknames* succeeded in arriving third with a bit of luck.

2nd Race. The wind wasn't strong, and we had a good start, but the wind was not regular and the clever Deliyiannis (*SND*) turned the mark first followed by *Lily Bay Tan* while we were seventh. *Lily* was very speedy with the spinnaker so he became first while *SND* became second and then third, surpassed by Wyler, while we arrived fourth.

3rd Race — The wind was blowing really irregular and slow and from time to time there was a total lack of wind. Wyler was very clever and finished the first leg first, followed by three Greek boats (*Crinis III*, *SND*, *Crinis V*). We were late. After the gybing the wind started blowing behind us a little bit stronger, therefore we reached the first group as they were without wind. The wind was still irregular in the second leg upwind *Goumas* was first, the Swiss boat *Black Hausi* second (very clever in the conditions of light wind) third *Lily*, and we were 10th. After three races the overall was: first, *Lily* with 8 points, second, *Goumas-13*, *Meltemi* and us were third with 15 points.

4th Race — The wind was 4 to 6 meters/sec at the first

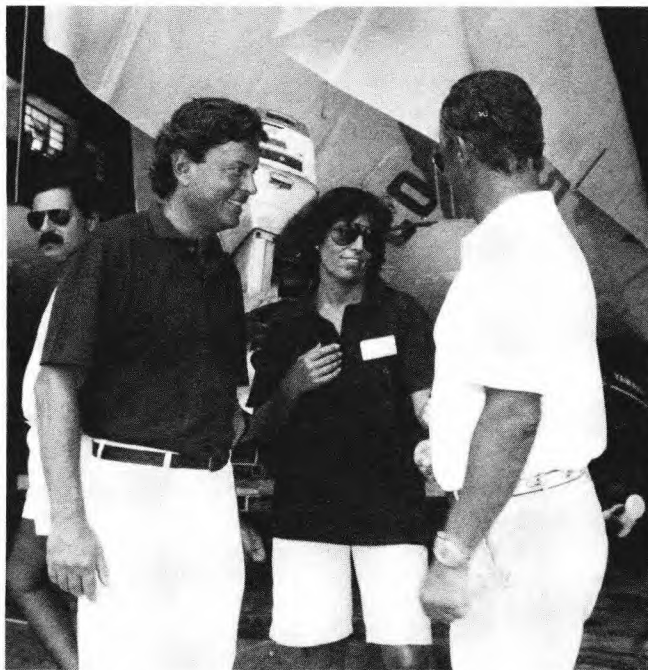

mark. The first boat was *SND*, second *Black Hausi*, third *Vahine*, fourth *White Cloud* then our boat. After a very tough race we were first, second was *Meltemi*, while *Goumas* and *Lily* were eighth and ninth.

Race 5 — Now it was important for us to control *Meltemi* and *Goumas* and the Italian *Lily*. In this race *Crinis V* was sailing well and he was first followed by the Italian boat *Tika*. But in the last leg *Tika* became first and we became second while *White Cloud* was third. *Areknames* was fourth, *Crinis V*, fifth *Meltemi* sixth while *Goumas* and *Lily* were behind.

6th and last race — Now we were almost champions. We had to control only the clever *Meltemi*. In fact if *Meltemi* had arrived first and we had arrived 10th, we would have lost the Championship. The wind was 8 to 11 meters/sec. After a bad start we were about 10th, but *Meltemi* was really in the back. After the first leg we were eighth and *Meltemi* 16th, first was *Goumas*. Thanks to the wonderful Antonio (the spinnaker man) at the gybing we became second but when we were struggling with *Goumas* we broke the tiller. We tried to repair it but had to put down the spinnaker and at the fourth leg while we were second we had to retire. *Goumas* remained first, *Meltemi* was sixth therefore, we were Champions, *Goumas*, was Runner-Up, and *Meltemi* was third, *Lily* was fourth.

The organization of the club was perfect, the opening ceremony, the prize giving ceremony, the social events, as well as the regatta were fantastically organized. We really believe that Greek sailors love the Lightning Class. Special thanks to the President of our Canottieri Club, Perrone, who gave us the possibility of participating. Thanks to the

builder of our boat, who helped us in solving our problems at any moment during the regatta. Thanks also to the sail-maker who gave us such "fast sails".

MORE ON THE '86 EUROPEANS FROM GREECE

Hot and sunny Faliron Bay welcomed 33 competing Lightning crews to the 34th European Championship. The Yacht Racing Club of Athens (NOA) organized a marvelous event which, apart from some excellent racing, included computer print-outs of mark rounding positions (courtesy of Bull Computers), an impressive set of instructions, commemorative posters, a day trip to the islands of the Saronic Gulf, wine and dinner at a Greek tavern and other social events which convert competitors at sea into friends ashore.

The usual barrier between organizers and athletes was absent since essential organizing personnel such as the Commodore Stelios Couticos, George Andreadis, and Costas Tsantilis were also busy helming. This lent an air of friendly informality to the racing and problems were solved swiftly with a minimum of "stuffiness" and "officialdom".

It was a very fine regatta with tough competition in frequently shifting conditions — a far cry from the family sailing so often attributed to Lightning Class activities.

Among the top boats competing were Wyler and Schar from Switzerland, the Finns Aromaa and Hamaar, Attina and Vitaggio from Italy and from Greece, George Andreadis, already seven times winner of the European Lightning Championship.

In the first race, the Sicilians with Marcello Attina at the helm sailed *Wanted* to a first place finish. Behind them, *Goumas* helmed by Stelios Couticos chased the Sicilians all the way around the course but finished in second place.

Sterring through the short Faliron Bay Chop, Vitaggio led to the weather mark, Wyler is second and they hold their positions to the finish in the second race.

In the third race, *Goumas* finishes first while Schar and Vitaggio finish in second and third place. Overall, Vitaggio is leading with 8 points, Couticos is second with 13 points and Wyler is third with 15 points.

The fourth and fifth races are sailed in light air and shifty sea-breeze conditions. *Goumas* can't seem to get it together in either the boat speed or tactics departments and fall to fourth position overall. Attina and his crew are sailing very well in these conditions and with a first and second place they carve a clear lead overall with 18 points. In second and third place are Wyler and Vitaggio.

Saturday morning — final race. In the distance under Mount Hymmetus, a dark band is just visible on the sea. The band grows indicating the Greek Gods have done their work. Here comes a good strong northerly. The *Goumas* crew respond and lead all the way around the course. Mar-

cello Attina, Antonio Rallo and Fabio Spano retire with a broken rudder but still have the European Championship while Stelios Coutsicos, Memos Psarakis and Dimitris Zouganelis take the gun and second place overall. The Swiss boat *Meltemi* with Urs Wyler at the helm and Martin Stauffer and Beat Gasser crewing is third overall repeating last year's performance. Their's has been the most consist-

ent performance of the series.

The prize-giving ceremony hit on just the right blend of formality and informality. Everybody had a lot to say and a lot to eat as the team from Sicily carried away their own Pellegrino boat and their very well earned cup back to Marsala.

SOUTH AMERICAN CHAMPIONSHIP OR “WHAT’S IT ALL ABOUT?”

by Andres Lisocki

To win a South American Championship all you need is:

1. Good Speed
2. Excellent Crew Work
3. Correct Tactical Decisions

I will discuss the first point (boat speed). Shore and all those other fellows do a much better job. At least the top twelve in this South Americans did their homework; they all showed the same speed potential. (Some showed it more often than others, but all of those twelve had it). Speed differences are of greater importance on a steady wind course (like Salinas) than they are on a fluky lake like ours.

To accomplish good crew work all you have to do is want it bad enough. Then you go out and find a couple of guys (or gals) that also want it bad enough. Then you go out and practice. Then you go out and practice. Then you

Now comes getting a good score in your percentage of correct tactical decisions. You don't have to be a meteorological wizard like Mr. Alan Watts or a tactical genius like Dr. Stuart Walker. The fundamentals will do if your state of mind lets you make “rational decisions” instead of “emotional reactions”. To illustrate this point, I will have to ask you to travel to the “scene of the events”.

The South Americans was preceded by the traditional San Pablo — Muna race which in this opportunity, was attended by all the would be South American participants (except two Peruvian crews). One Argentinian crew got to our lake more than a couple of weeks in advance to get familiarized with its tempers. During the first races of the preliminary San Pablo - Muna competition, in which the wind was, as it's supposed to be in a 8.500 ft. high lake in the middle of the tropical Andes mountains, light and fluky, our performance was excellent. However, for the last three races the wind picked up considerably. We capsized and did a couple of other stupid things while our Argentinian friends sailed nicely to beat us in those races (nearly enough to win the series). Everybody was whispering in the aisles: “If there is a good breeze, the Argentinians are going to win the South Americans.”

I am tempted to believe that our good Argentinian friends were thinking: “If it keeps blowing, we can win this coming regatta, because if it's fluky, Andres knows his way.”

As destiny would have it, it was really blowing for that first race. From the start it was a two boat race; except at the windward mark, we were second. Nothing much happened

in the reaches, and in the beat under a very close cover, we closed the gap to a couple of boat lengths, but couldn't get by. At this point everything was set up, especially considering those three previous races, for us to fall in the "it's blowing hard and when it does, the Argentinians beat us" syndrome. And if they were to beat us, their irrevocable mental theme would sound like: "You see, when it blows, we beat him."

Fortunately, that same old evil Indian spirit that opened the heavy air faucet shed me with some light to recognize the situation and at that point I said to my crew (knowing it was true) "Whoever wins this race, will win the South Americans. We better do something." In that run we were very

aggressive taking our friends to port of the rhumb line. My crew executed a couple of perfect jibes (did I mention crew work before?) giving us, after some blanketing, an inside overlap. Close cover in the last beat was "de rigueur." Surely, you've figured the outcome of our little psychological warfare, despite the fact that it blew like stink in the whole series. Congratulations to our good Argentinian friends and rivals. Oh, and for those of you that were there, you must recall how "Then I Go and Spoil It All By Saying Something Stupid Like" this is the way you're supposed to solve that five boat tie between 5th and 10th place (please see Standings).

THE V WORLD YOUTH CHAMPIONSHIP 1986

The fifth World Youth Championship took place in Argentina, November 8 thru 13, and was organized by the Yacht Club Olivos. There were twelve crews from six countries competing.

With the exception of the first race, each race was quite difficult due to the strong winds that tested the physical conditions of the participants. Winds for the first race were SE, the other races there were firm N/Neasterlies, along with the sun and hot weather.

With the exception of the first race, each race was quite difficult due to the strong winds that tested the physical conditions of the participants. Winds for the first race were SE, the other races there were firm N/N easterlies, along with the sun and hot weater.

The first race showed poor performances by the local contestants. Christian Frers was the only one from Argentina to be in the top three. Edgardo Lozano was fifth and Rodger and Parada had problems with pole and jib sheet respectively. U.S. skipper Steve Hayden was first with the boat *Flamingo*. Jim Allen, U.S. was second in *Que se yo V*. Canadian skipper Ian Eskritt in *Repunte V* heeled over in the first reach on a down wind leg and had to abandon.

The second race was delayed due to constant shifts in the wind and once started at five o'clock in the afternoon, due to changing the course several times, the contestants tacked the jibe mark confusing it for the windward mark. This fact and the constant rotation of the wind from S/SE to E/SE and E, the race was nullified.

The third race with winds N/Ne 12 km p.h. (7 knots) was won by Frers sailing *Mistice* with Eskritt second and Parada third.

The fourth race with winds N/NE 16 km p.h., Jim Allen sailing *Casique* was first, Rodger sailing *Pingo* second, and

Eskritt with *Flamingo V* third.

On November 12, the day for the fifth and sixth races, the strong winds of 30 knots during the morning forced postponement. In the afternoon the fifth race was run with winds N/NE 25. Jim Allen and Chilean Amunategui heeled over which allowed Guillermo Parada to gain two positions at the jibe mark coming from seventh and due to the bad luck of Axel Rodger and Jarvis, falling into the water on the last leg, Parada gained two more positions on the weather leg which game him a first.

The last race of the Championship, the top six contestants, Rodger, Allen, Frers, Eskritt, Hayden, and Parada were quite anxious. The winds NE were near 20 knots and the contestants had problems with the centerboards in the shallow waters, along with rotating boats was confusion. Allen, Eskritt, and Parada were tied and the others close behind. The three Argentinians Rodger, Parada, and Frers showed their best coming in first, second, and third, and giving Parada the Championship.

From beginning to end, the details of the Championship were handled by Osvaldo "Lalo" Bordino. District Commodore Lali Tramaglia helped with repair or tuning the boats which were not in the best of condition.

Thanks goes not only to Lalo and Lali, but also to the Fathers from the U.S., Tom Allen and Fisk Hayden, who helped with the boats, the Ecuatorian Fathers who surveilled their crews from the club boat, and Chilean Prefecto "Angelito" who kept an eye on the Chilean crews.

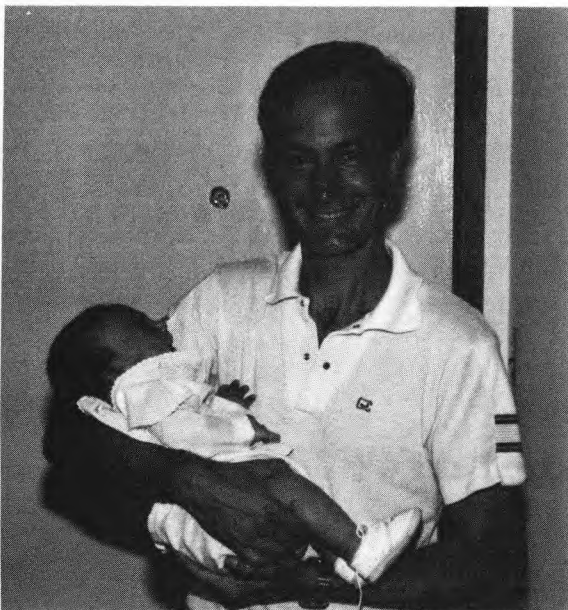

Also thanks to I.L.C.A. Secretary Anne Allen and Vice President Fisk Hayden for representing the Class at this Championship, and to all the Crews with their high competitive spirit and their tolerance and acceptance of the equipment differences. We hope all had a good time.

BUILDING A FLEET

Editors Preface:

The heart and strength of our class organization lies in our fleets, with its health being directly related to the amount of participation in organized Lightning sailing taking place at the local level. If the Lightning is to maintain or improve its position among a host of competitors for the individual's recreational dollar, it is essential that we select activities that will appeal to the diversity of people who are the Lightning Class — newcomers to sailing, daysailors/occasional racers, and "hard core" racers.

The following two articles were written at my request as a means of helping all our members revitalize their fleet, or start a new one. I have known Rick, from Raleigh, NC, and Jonathan, from Knoxville, TN, for many years, and consider them to be two of the best "fleet builders" in the class. I hope that application of their ideas will yield positive results for you as well.

ORGANIZING A FLEET

by Jonathan Lange

The organization of a fleet is really no different than the organization of any other voluntary association. Churches, unions, civic clubs, neighborhood associations, all are non-profit associations organized around shared interests and values. If you take a look around these days, all voluntary associations are under stress. Because we are interested in building strong fleets we tend to look only on how hard it is to hold together a fleet or racing program at a yacht club. But talk to the neighborhood pastor and he will tell you that participation at activities is down, leadership is tired, and the budget is hard to raise. Mobility, lack of time, T.V., and people becoming more "private" all contribute.

Because our activity or action is racing and not religion doesn't mean that we can ignore that the basic building block of the organization is the person to person relationship. Organizations are just a complex series of relationships. Building the organization is then a task of strengthening and expanding these relationships. This is the organizational approach we are taking in building Fleet 500 in Knoxville. What we have to offer the new potential member is a great boat (Lightning) **and** the friendship, comradery, help, fellowship (if you will) that an organization fosters.

Activities flow out of interests of the participants and we

learn these interests by asking questions of them and sharing our vision of what a large and active fleet might do. We avoid the "nay sayers", people who say, "One-design sailing is dead." or "We used to race here, but nobody cares anymore." We get away from those people because they sap your energy. We don't depend on one activity to build the fleet. No single regatta or boat show will do the trick. Activities are carefully planned for success. Organization is built on small victories—a good picnic, a successful family sail day, a good turn-out at race day.

Leadership is important. Someone has to set the pace, develop the relationships and organize activities where members have an opportunity to get to know each other. Accountability should be built in early. If someone says they will be at the lake on Sunday and doesn't show, they get a call asking why.

Realistic goals are set in growing organizations. Our goal was eight registered boats and we met it. Next year we expect some attrition and still want to grow by four boats.

The results in Knoxville have not been miraculous. But in a time when one-design sailing is supposed to be dying, and in an area where the largest fleet (Thistle) turns out three and four boats on a Sunday, we have laid the foundation for a strong and growing fleet.

CREATE (OR REVIVE) YOUR OWN FLEET

by Rick Ferguson

You can have a lot more fun with your Lightning if you have some like-minded friends to share it with. If you're fairly new to it, you'll learn faster and become more competitive too. In any event you'll enjoy it more, so start a fleet if there isn't one near you; or if your fleet is inactive, light a fire under it.

I had always liked Lightnings but never owned one, because I wanted to race and there were no Lightnings around my area to race; so I sailed in the boats that were

around, but continued to admire Lightnings. Then Tom Hudgens came to town with his red Lightning; with that raked mast she looked fast even on the trailer. Before long, another Lightning showed up at open club races, that of Michael Rees. A friend of mine who was also a Lightning admirer suggested that he and I should buy one jointly; that would make three boats, and we began to think about building a real fleet on this beginning. Here are some of the things that worked for us. They are not my ideas; Tom was

the most experienced and the ringleader, but we all worked together to make it happen, and now we have an active, competitive 15-boat fleet.

We started by trying to think of anyone who might either have a Lightning somewhere in the area or who might be interested in one. We turned up a motley collection of wood boats, old camp boats and reasonably modern boats and invited everyone to a meeting to discuss the possibilities one evening. We became real detectives, following up every lead. If someone saw a Lightning on the water, we'd try to meet him; if that was not possible, we'd get his sail number and look him up. If someone found a boat in a garage, we'd track down the owner. In a short time we had enough to charter a fleet with ILCA.

Then we started to convert others to the cause. First we needed visibility; people had to be aware of us to join us, right? We approached a local shopping mall about having an indoor Lightning boat show. We rounded up 9 Lightnings, from 40-year-old woodies to racy modern glass ones, cleaned them up and arranged them in the shopping mall. We got posters, brochures, yearbooks and so forth from ILCA and made up lists of used boats for sale, and lists of builders and suppliers to hand out. We made up forms for interested people to fill out and offered to take them sailing; many of us got good crew this way. Most important, we **followed up** every single response and made sure that person got taken for a sail on a Lightning. We tracked down used Lightnings for sale through ILCA and word of mouth (calling all fleet captains in the area) and matched them up with buyers; we didn't just offer them, we **SOLD** them. We tried to find out just what kind of boat the prospect was looking for and what his price range was, and then we went out and found a boat for him.

Now we had the beginnings of a fleet. The next step was to get everyone (and I mean everyone) involved in some joint activities. We made a push to get every Lightning owner to join the local sailing club, and before each club race someone was designated to personally call every Lightning owner and get him out on the race course. This was very effective in building participation and camaraderie and I recommend it as an ongoing practice. It also lets everyone know that you care about them and want to see them.

At the end of our first real club racing season we decided it was time to host a regatta for Lightnings in the general region. This was taken quite seriously and each fleet member was assigned a responsibility such as race committee, publicity, dinners, registration, etc. This was a big undertaking for us and it strengthened our bonds by bringing everyone together to work on a common project. The Borderline regatta is now an annual event, pulling 30 or 40 Lightnings and good competition from as many as eight states, and it continues to reinforce the bonds of our fleet. After a new member has had a job in the Borderline he truly feels a part of the group; it's like an initiation.

It's essential to keep the energy flowing over the off season. We scheduled a series of six weekly meetings one winter where we had a local expert come talk each evening on a different subject: tactics, tuning, rules, etc. and we invited everyone (not just Lightning sailors) to the meetings. We picked up a few more members that way. One Saturday we rigged a Lightning in a school parking lot on a trailer; we hoisted the spinnaker and rotated the boat back and forth in front of the wind giving spinnaker and rotated the boat back and forth in front of the wind giving spinnaker handling and jibing lessons to new members and anyone else who was interested.

It comes down to this: we have probably the best all-around small boat there is, but that's not enough to make it happen without real involvement from a few enthusiastic people. You have to be visible. Seek publicity any way you can think of, and plan all kinds of activities you can invite prospects to participate in. You have to be enthusiastic, friendly and outgoing; make people want to associate with your group. You have to plan activities that will keep everyone involved and give everyone something to do. And you have to keep in touch with everyone all the time. Let them know you're interested in them. And you have to keep doing all of this. But if you do a good job, you will attract some really great folks who will pick up the ball and run with it as you are getting tired and the thing will be self-perpetuating. You can use these ideas to rejuvenate an old, tired fleet as well as build a new one. Try it! You will make a lot of new friends and have a lot of fun.

WANTED: THE PERFECT CREW

The perfect crew can have no name for he or she must be able to respond to any grunt or barely audible sound the skipper barks, and recognize it as his or her name. He or she must have ears as sensitive as a radar detector to be able to understand commands given when the skipper is facing the stern. And the crew must only speak when spoken to, or screamed at, whichever the case may be.

In appearance, the perfect crew must have two legs, with sticky feet like a fly's, and four arms — to hold a jib sheet, a centerboard pennant and untangle a spinnaker sheet at the same time. "Perfect" must also have 360-degree, X-ray

vision like Superman to see through sails, masts, and the skipper's head. Perfect can weigh as much as 75 pounds extra in heavy air, but must be able to miraculously lose the 75 pounds if the winds die. Another must is being clairvoyant and telekinetic — that way Perfect will never be caught in the bottom of the boat saying, "You never said tack!"

Lastly, Perfect must be humble. After a day of verbal and physical abuse, with the boat maybe coming in second, the next day in the newspaper Perfect's name becomes, "...and crew."

BUYING A USED LIGHTNING

by Craig Thayer

Whether looking for yourself, or someone interested in joining the fleet, the process of buying a used boat can be both time consuming and sometimes frustrating. Often once a number of possibilities have been located, it can be very tough to pick "the boat" from among the rest.

In order to make the process as efficient and painless as possible, it is suggested that a game plan similar to the following be used:

A. Pre-Search Decisions (to be asked of yourself or the prospective buyer)

1. What are my goals?

Do I want to race or daysail, and if I want to race, at what level of competition do I seek to be successful?

2. What can my budget afford?

Have I included the costs of miscellaneous items that may be needed prior to using the boat (such as new fittings, insurance, trailer and boat licenses, spare tire, new covers, materials for any hull repairs, life preservers, club membership, etc., etc.)?

3. Does the boat need to be self rescuing, and if so do I have a preference as to builder and series (i.e. foam versus air tanks, wood trim or no wood trim, and preferred cockpit design)?

4. Would I be interested in a boat that needs repair work?

Do I have the tools, know how, time, and place to work should a boat needing repair be available at an attractive price?

5. How far am I willing to drive to find a boat if none are available in my own city?

Obviously the answers to these questions are needed before any serious looking starts, as they will dictate the direction of our search. We should know whether we want a potential national champ or an older non competitive but solid boat well suited to daysailing. Now the hunt may begin.

B. Begining the Search, or Where Do I Look?

One of the best places to look for a used Lightning is in our neighbors' back yards. It's not uncommon to find available boats under tarps or in garages within a few miles of where we live. The owner is usually not actively trying to sell the boat, but if you stumble on an inactive sailor he may become very interested when a prospective buyer appears. The local paper and sailing club newsletter and bulletin board are two other excellent sources of leads.

If you live in an area where Lightnings are scarce, you might try contacting fleet captains of Lightning Fleets located within an acceptable driving distance to determine if they know of any current or possible boats for sale. They can often give you additional information about boats that are or were in their fleet.

Finally, the monthly listing in I.L.C.A.'s *Flashes* is an excellent source of generally newer, very competitive boats across the country.

C. Comparing the Candiates

Unless you've been fortunate enough to locate "the boat" close to home, you'll have to inspect and compare the boats you've located via long distance phone calls to the owners. To do this as efficiently as possible, a list of questions should

be prepared beforehand so that by asking each owner the same questions none are forgotten, and each boat can be compared to the others on more nearly an "apples to apples" basis. Once the questionnaire is assembled, make it easy for yourself and run off a number of photocopies. A sample questionnaire is shown below.

Owner _____ Phone #h: _____ w: _____
Address _____ Boat # _____
Builder _____ Weight _____ Yr. Built _____ Asking price _____
Color: Topside _____ Bottom _____ Deck _____ Interior _____

Hull: general condition, any damage, delamination (fiberglass), rot, cracked ribs (wood), condition of gelcoat, paint, fairness of hull, particularly in bunk areas

Flotation: self rescuing, foam, air tanks, location-hollow floor, seats, bulkheads

Wood trim: condition of if present-spray rails, coamings, seats, floorboards-teak or mahogany

Rig: spar & boom-builder, condition, age; spinnaker pole

Fittings: location of controls, Harkers, adjustable traveler, drums or blocks for c'board, vang, luff, etc., etc.

Rudder: wood-solid or laminated, or fiberglass composite-condition

Tiller: wood-solid or laminated, or aluminum tube-condition

Trailer: age, condition, builder, lights work, fenders, tires, spare, mast support, tie down straps, inspected, paint or galvanized, bearing buddies

Covers: type and condition of mast, rudder, trailing, storage-summer & winter

Other Equipment: anchor, paddle, fenders, life jackets, lifting bridle, etc.

Sails: make, year, condition, number of sets, spinnaker-dynae or nylon-colors

Additional comments: race record or boat not raced, where stored summer & winter, remarks from previous owners & others familiar with boat, price negotiable?

D. The Final Decision

You've now helped the phone company to stay in business, and are armed with fact sheets on several boats. Some of them are probably incomplete as after several questions you determined this particular boat was not of interest and you moved on to the next. From those remaining you should now have a pretty good idea of the two or three finalists.

The ideal situation if time and distance permit (which may be the case if you've found a boat that is not advertised for sale) would be to visually inspect the boat and equipment, but other people are also involved in a search process. Therefore limited time is available for us to reach a decision, and unless we were lucky enough to find "the boat" in our own backyard, the purchase agreement must be made by phone.

The sale should be contingent upon a satisfactory inspection when the boat is picked up. Should the boat not be as represented or expected, the deal can then be dissolved. This may result in coming back empty handed after a long drive,

but this definitely beats the alternative of now owning a boat you're dissatisfied with.

It's OVER! The pre-purchase butterflies are gone, now possibly replaced by the feeling of "I wonder if I got a good deal?" If you've followed the "game plan" through from the

initial steps in part A to a careful inspection when you drove to pick up the boat, you should have little to worry about except how to enjoy your new boat to the fullest. See you on the water!

BACK TO THE BASICS

by Ken Read

The technical sport of sailing. The numbers, shapes, designs and theories boggle the mind. What ever happened to good old fashioned know-how? Well it seems to have gone out with the Model T. Today's world class sailors have to be architects, engineers, air and hydrofoil experts. They attempt to outsmart mother nature, something that has been proven almost impossible over the centuries. High tech materials for hulls, sails, masts and even rigging are a must for the competitive sailor. But what can the average sailor learn from this. Sure we can get all wrapped up in the high tech world. But how soon we forget the ideas and strategies which have worked for the winning sailors for years.

In 1986 I spent ungodly amounts of time sailing J-24's. We were the defending World Champions and felt a new pressure that I had never felt before. I had to defend, and to make it worse, defend in my home waters. So the immediate response was to look for a breakthrough. The entire summer before the Worlds was spent trying new keel shapes, sail cloth and design developments, rig tensions and mast step locations. I guess in a sense it was a good learning experience, finding out what was really slow. Our attempts for a breakthrough were a complete washout. What it did build was an ulcer. So right before the Worlds we went back to the basics, taking the tuning guide which I had written one year earlier and setting the boat up exactly to it. The keel went back to the shape that had always worked in the past. We basically did a complete shift due to the inherent frustration of searching for the perfect solution to breakaway speed. As it turned out it was the best thing we ever could have done. The last chapter of the regatta was a happy one for the home team, but not after we had to reteach ourselves to start on the correct side of the starting line. Once we did that, WOW what a great sport!

The basics are what we learn in sailing school, young or old, as sailing is introduced as a relaxing yet competitive sport. We are taught to attempt to identify with nature and fellow human beings. So why are some people better sailors than others? First of all, a sailor must learn how to develop a

feel or a sense of how a sailboat reacts to different wind strengths. This is just a sense, but a sense which is developed from time on the water. There is no substitute for time in a boat, as any successful racer keys on the fact that this is the most important strategy leading to success. The next step is the transformation of natural to technical sailor. How do you manipulate a boat into reacting quicker and making it easier to handle for the crew. Here is where the hard part lies. On big racing boats where there are so many variables to control the organized group splits the technical aspects to better learn to utilize each particular function. For example, there will be a computer specialist, sail trimmer, rig trimmer, helmsman, tactician and crew organizer. One person would be extremely diluted to attempt to master all of the functions. In the dinghy, where there are far fewer variables, one person can attempt to master, but it is still the top people who give important roles to the crew. This leads to a group that stays together longer and begins to gell as a team, as well as presents a checks and balance system against the high probability of a mental lapse. We have all been involved in races where after a mediocre finish a crewmember finally speaks up to say, "Hey, I thought as the breeze got lighter you wanted to let the backstay off?" As you peer over your shoulder you realize that you got caught up in the tactical moment, that the backstay is still set up for the moderate air of the last beat. If the entire crew had been together and people felt confident in making suggestions within the bounds of the particular expert, the team would have changed gears more efficiently.

As a beginning racer or a seasoned veteran, the sport of sailing is far from mastered. We should kick back and concentrate on the fundamentals more often to ensure a growth of skill. It is far too often that people tend to bite off more than they can chew, and end up diluting their own skills, leading to frustration and eventual failure on the race course. When in doubt, go back to the basics and the sport will become much more enjoyable.

ARGENTINA DISTRICT

District Junior Commodore Valeria Vila
District Measurer Osvaldo Bordino
District Champion Horacio L. Tettamanti
Junior Champion Axel Rodger, Ian Roger,

Junior Runner-Up Guillermo Parada, Valeria Vila,

Fleets: Olivos (206); Club Universitario de Buenos Aires (446).

District activities started in March, showing the goals of the authorities' efforts — Vice President Bordino with his Bulletins and Commodore Tramaglia with his continuous presence and "service-boat" support during the Argentine Championship, in which 80% of the competitive boats were present. There reappeared excellent skippers as Horacio Tettamanti (1st in the Argentine Championship), Manuel Irizar, Javier Pascuchi and Jorge Heller.

Also the great event of this year was the V World Youth Championship — Vice President "Lalo" Bordino put all of himself in organizing it in this country, and also worthy Commodore "Lali" Tramaglia, who was in charge of the repairs of the boats for their rotations, even sleeping in them. It was of importance the presence of Mr. Fisk Hayden and Tom Allen who gave their knowledge in this task. The first quality racers of U.S.A., Canada, Chile, Ecuador and Brazil were welcome here in Argentina. And the prize was kept and won by Argentina. Valeria Vila, one of the first place crews is the daughter of our last Vice President Angel "Lite" Vila, a great supporter of Lightning boats. Another report of this event will be published elsewhere.

Now we are preparing for the Qualifying Regatta for the Pan Americans and South American Championship, where we hope to meet all the skippers shown at the Argentine Championship as well as others such as Avinzano and Kouyoumdjian who have promised to be there.

BRAZIL DISTRICT

District Secretary Christina Norris
District Measurer Oscar Weckerle
District Champion Claudio Bieckark
District Runner-Up Mario Buckup

Fleets: Sau Paulo (147); Guanabara (401); Guarapiranga (462).

Our season started with the District Championship being held in May at the home waters of Fleets 147 and 162. It was a very disputed championship with Claudio Bieckark and Mario Buckup fighting it out to the last race which was won by Claudio with Mario second and Robert Buckup finishing third.

Claudio Bieckark was our representative at the North Americans, however he did not place very well mainly because of two break-downs.

The single most important happening in the Class, was the arrival of our mold made by Tom Allen, together with Tom himself who helped us make our first boat. Currently (Dec. 86) we are delivering the second boat and getting started on our third.

We are sure now that our Class in Brazil will grow and hopefully will be starting new fleets in other areas of our country. We also hope to initially start selling boats to neighboring countries such as Argentina and Uruguay and therefore help expand the Class in those countries as well.

I would like to end this report thanking Tom Allen for all his help and dedication in making such a decisive contribution for the development of the Class in Brazil and South America. In our minds, Tom represents the true spirit of the Lightning Class.

CALIFORNIA DISTRICT

District Commodore Scott Finkboner
District Secretary Mike Boswell
District Measurers ... Bruce Arnold/Myron Lyon
District Champion Warren Gross
District Runner-Up Scott Finkboner

Fleets: Santa Monica Bay (102); Mission Bay (194); San Francisco Bay (372).

The California District in 1986 had a great year of growth and close competition. Our California Circuit held in San Diego in April drew the largest number of entries (19) in many years. The Tom Allens dashed across the country in two days while Dave Hickman and John DeBenedetti travelled from Portland and Seattle to attend. John Greene sailed to win top honors with the Allens second and third. New fleet member at Mission Bay, John Harrop showed his collegiate sailing experience with a great showing. He'll be a force to reckon with for some time.

The Spring Lake Cachuma Regatta hosted by Fleet 102 drew 13 entries from San Diego to San Francisco. Kirk Johnson finished first with Harrop second in "light" air conditions only to be bested by the great gatherings in the evenings at the barbeque and campfire following the sailing.

The Billie Boswell Memorial Regatta in August at Lake Cachuma was won by Scott Finkboner for the fourth straight year followed by Warren Gross and John Lyon.

The District Championship hosted by Fleet 194 in San Diego drew a large fleet and was sailed in light conditions. Warren Gross sailed a very consistent series to take top honors with Scott finishing second.

To tune up for the North American Championships, John Lyon and Scott Finkboner from MBYC joined Mark Patty from San Francisco and 15 entries from the Northwest District for the Pacific Coast Championships July 5-6 at Klammoth Falls, Oregon. After starting slowly, John Lyon came on strong in the final three races to win it all. He nosed out John DeBenedetti on the last leg of the final race in a great boat battle. Scott was third and Mark Patty fourth. John DeBenedetti won the "All Family Crew" Trophy.

Traveling east to the North Americans was John Lyon and Scott Finkboner both of whom finished in the President's Fleet.

Scott's son Jon competed in the Junior North Americans finishing eighth while Scott crewed for second place finisher Crit Currie in the Masters at Henderson Harbor, New York.

John Sundsmo moved to the San Francisco Bay area and is actively racing in the fleet there. Cindy Salerno has moved boat belongings, to the Baltimore, MD area and is racing in the fleet there.

The California District and Mission Bay Fleet are proud to have been awarded the 1988 North American Championships by the ILCA.

We invite you to tune up for this great event by attending the Olympic Class Regatta to be held at Alamitos Bay Yacht Club, April 3-5 and the fabulous California Circuit April 12-18 in 1987. Make plans now to be in San Diego in August 1988!

CENTRAL NEW YORK DISTRICT

District Commodore Richard Hallagan
District Secretary Daniel J. Koretz
District Measurer John Barnes
District Champion Kirk Reynolds
District Runner-Up Richard Hallagan

Fleets: Skaneateles Country Club (1); Lake Delta (4); Crescent Yacht Club (9); Newport Yacht Club (77); Great Sodus Bay (108); Willow Bank Yacht Club (164); Henderson Harbor Yacht Club (225); Keuka Yacht Club (252); Galway Lake Yacht Club (338); Ithaca Yacht Club (484); Port Oswego Fleet (485); Selkirk Fleet (498).

The Central New York Lightning District decided to have fewer regattas this year in an attempt to increase participation and it seems to have worked. There were 30 or more boats at the invitational regattas and 22 at the District Championship.

The sailing season for 1986 started just when the 1985 season ended, as several of our District sailors took part in the Frostbite Series at the Rochester Yacht Club where they sail Interclub Dinghies on the Genesee River for much of the winter.

The Lightning sailing got started in earnest in March with the Southern Circuit. Dick Hallagan won the Deep South Regatta at Savannah and finished sixth overall for the Circuit. Clay Murphy sailed at St. Petersburg and Miami with his crew of Pam Tuttle and Ron Hughes.

Newport Yacht Club held its regatta at the end of May. This was the first leg of the CNY-LED Challenge and was won by Jody Lutz. Second place was taken by Larry MacDonald, Jr. Two sailors from our District, Dick Hallagan and Kirk Reynolds were third and fourth.

Our District Championship Regatta was held in June at the Willow Bank Yacht Club in Cazenovia. This year's winner, as he was last year, was Kirk Reynolds. He was followed by Dick Hallagan, Mark Sertl, Dave Grogono, and Tom Doran in that order.

Port Oswego held its Michelob Lightning Classic in mid-July. It was well attended with several boats coming from the Lake Erie District as well as from our District. Mark Sertl won this one with Dick Hallagan coming in second. With some re-calculating after the awards ceremony, Tom Doran was fifth. The District certainly appreciated the efforts of the Port Oswego Lightning Fleet and of the local Michelob distributor and hopes that this regatta continues for a long time.

Keuka Yacht Club held its traditional Champagne Regatta on the first weekend in August. This year, Walter Taylor supplied the wine and champagne and it surely was appreciated. The regatta was won by Jed Dodge with second place going to Dick Hallagan.

The Champagne Regatta was the third leg of the Triple Crown Trophy Series, with the first two being Newport and Oswego. Nine sailors sailed in the three regattas and were eligible. Dick Hallagan easily won the trophy with 54.25 points. Tom Doran was second with 103 points and Kirk Reynolds was third with 135.25 points. Kirk would have probably have won except for his three DNS's at Keuka. Fourth and fifth places went to Jim Gocker and Art Tirrell.

The Central New York District did very well at the various championships held at Henderson Harbor and at Kingston. Pam Tuttle with her crew of Leslie Tuttle and Sharye Skinner won the Women's Championship. Dick Hallagan with his crew of Sandy Stephans and Larry MacDonald, Sr. won the Master's Championship with Dave Bull as second.

At the North American Championships, Mark Sertl with his crew of Bob Bryant and Cory Fischer were fifth and Kirk Reynolds with his crew of John Reynolds and Brian Hughes were 11th. Dick Hallagan and his crew of Bob Bush and Dan Fein were 29th. In the President's Cup, Tom Doran, Dave Lacey and Ed Hawkins were 28th and Dave Grogono, Leslie and Pam Tuttle were 36th. In the Governor's Cup, Jim Gocker with Kristen Gocker and Doug Fein were sixth. George Sereno, Donna Sereno and Tammy Jamison were eighth. Dick Tuttle, Sharye Skinner and Alister Thomson were 10th, and Joe McCloskey, Ron Castaldo and Frank Palmer were 12th. Jesse Miller, Virginia and Thomas Miller were 36th.

The final regatta of the season was the Silver Lake Harvest Regatta held in early September. This was the other half of the Challenge Series with the Lake Erie District. After all the points were added up, it was a draw with each District having 11 points. Larry MacDonald, Jr. was first, with Central New York District sailors taking the next three places.

Altogether it was a good year of sailing for the Central New York Lightning sailors. We eagerly anticipate having even greater success next year.

CENTRAL STATES DISTRICT

District Commodore John L. Gall
District Measurer Fritz Toussaint
District Champion John L. Gall
District Runner-Up Richard Mallinson

Fleets: Jayhawk (60); The Sooner Fleet (343).

The only District activity this year was the District Championship which was hosted by Fleet 438 at the Perry Yacht Club. The event was held the weekend of June 28-29 under a new format of six races with one throw out.

Eleven boats representing Kansas City and Norman, Oklahoma and Top-eka, Kansas registered for the event. Trophies were presented to the following skippers and crews: John Gall, Kenny Gall, Beth Gall of Fleet 438, first; Richard Mallinson, Bryan Worley, Howard Haines of Fleet 343, second; Robert Exon, Karon Exon, Jamie Exon of Fleet 60, third; Doug Edwards, Joy Hanshaw, Pat Farrell of Fleet 296, fourth; John Corkill, Hank Bishop, Marcy Leonard of Fleet 438, fifth.

Richard Mallinson representing the Sooner Fleet 343 was elected 1987 Central States District Commodore. The 1987 District Championship will be held at Lake Hefner, Oklahoma.

CHILE DISTRICT

District Commodore Manuel Gonzalez M.
District Secretary Rufino Melero
District Champion Manuel Gonzalez M.
District Runner-Up Alberto Gonzalez M.
Junior Champion Pablo Amunategui

Fleet: Aculeo (490).

The 1985-86 season included six championships starting in October at Vina del Mar and won by Rufino Melero. We then went to Aculeo Lake, home of Fleet 490. Here Manuel Gonzales won the regatta.

There were three more championships at Vina del Mar including the Chile District Championship. Manuel Gonzalez was first with crew Rodrigo Zuazola and Luis Herman. Runner up was Alberto Gonzalez with crew Jorge Zuazola and Gerardo Irrarazabal.

Next December, we will have the Odesur Games at Algarrobo. The games will include two representatives from each country. We are also planning an active season and looking forward to the World Championship in Colombia. Our 1986-87 season will begin the first two weeks in October at Aculeo Lake. We are expecting increased participation at our regattas this season. That's all the news from the Chile District.

COLOMBIA DISTRICT

District Commodore Fernando De La Concha A.
District Secretary Hernando Higuera
District Measurer Rudolf Salmang
District Champion Andres Lisocki
District Runner-Up Garry Jackson

Fleet: Club Nautico del Muna (73).

The Colombia District has Fleet 73 which incorporates Club Nautico del Muna (some 30 boats) and Club El Portillo (10 boats). On Lake El Penol, near Medellin a new fleet is in development under the direction of Garry Jackson, who is buying the wooden boats from Bogota.

In January, the Club Nautico del Muna was the host of the Copa San Pablo Muna between Ecuador and Colombia, and the XXXII South American Championship (see report in *Flashes*). Both events were very successful. Since those regattas, the activity of sailing has been very poor.

Most of the Colombian sailors have been working on different aspects of the XIV World Championship in Cartagena, June 27-July 4, 1987. The organization, under the direction of Admiral Edgar Garay Rubio and the help of the Navy, the Federation Colombiana de Vela and the city of Cartagena will make a memorable Championship. See you in Cartagena!

CONNECTICUT/RHODE ISLAND DISTRICT

District Commodore Edson White
District Secretary Sandy Peterson
District Vice Commodore Charles Walz
District Treasurer Nelson Hoffman
District Champion Jim Crane
District Runner-Up Phil Lotz

Fleets: Black Rock Yacht Club (17), Niantic Bay Yacht Club (85), Cedar Point Yacht Club (126), Madison Beach Club (129).

The Connecticut/Rhode Island District once again enjoyed a "Season of Champions." Members of our District ran off with practically every major regatta trophy.

The season for many of us began in March down south at the Southern Circuit. An impressive number of boats from this area went south. Jim Crane won the Midwinters at Miami, as well as the Circuit as a co-skipper with Dave Curtis.

Ched Proctor, for the second straight year gave away all his secrets during his tuning, tactics and sail trimming seminar. A thorough, on land tuning and rigging discussion followed by a day on the water prepared all the attendees for the upcoming season.

The Cedar Point Early Bird Regatta, this year sailed in a reasonable amount of wind compared to the past two years, saw Jim Crane simply walk away from everyone else. Jim won both races sailed.

On to Newport! For the third straight year, this regatta showed excellent competition and above all else, what true sportspersons Lightning sailors really are. Rain for the entire weekend had been forecasted all week and true to form, it showed up. Four races were sailed in the most bizzare conditions anyone had ever seen; rain, sun, hot, cold, clear and foggy and with 200 foot naval ships coming out of nowhere. Peter Hall of Montreal won with Stuart Nickerson second and Ched Proctor third.

The Niantic Bay Yacht Club was the host of this year's District Championship. A big hand to NBYC for a job well done! The Race Committee did a super job when faced with difficult and changing wind conditions; difficult for most, that is. Jim Crane once again walked away with the regatta winning four out of four races. Phil Lotz was second followed by Ched Proctor, Tom Ingram, and John Oldham. Niantic Bay lived up to its reputation as the most hospitable club in the District with their Saturday evening festivities.

Our District's showing at the North American Championship this year exceeded even last years: Nine entries, six of those nine in the Blue Fleet, the first and second place boats in the Presidents' Cup, and the North American Champion. Congratulations to Bill Shore, North American Champion and Tom Ingram, Presidents' Cup Champion.

With the summer giving way to fall, our District members went to Niantic for their Annual Fall Regatta. The wind conditions, the race management, the turn out, and last but not least the incredible party complete with a D.J. were all tremendous. Phil Lotz won the regatta with Edson White second and Donald Barrett third.

Not to be outdone, the Cedar Point Fall Classic Regatta was once again a huge success; five races, a great turn out, and a big steak dinner followed by a dance party with a D.J. Phil Lotz kept his hot streak going by winning this regatta too. Edson White was second and Kip Hamblet, who won both races on Sunday, was third.

DIXIE DISTRICT

District Commodore	Bob Astrove
District Vice Commodore	Reed Barrett
District Secretary	Jim Richards
District Treasurer	Kitty Racine
District Measurer	David Racine
District Champion	Steve Bachman
District Runner-Up	Fred Mertes
Women's Champion	Ramsey Murray

Fleets: Washington D.C. (50); North East River (192); Susquehanna (253); Sassafas River (314); Rehoboth (325); Severn River (329); Smith Mountain Lake (377); Swift Creek Fleet (496).

Usually these reports start out by saying nothing big changed this year as opposed to the last 10 years or so. Well, this year things did change. Steve Bachman finally won our District Championship after finishing second at least five times. Even more unusual is that neither Joe Frieble or Don Delorme were in the top five at our Districts. Actually, I think both parties did a little swimming. Fred Mertes finished second in the Districts, followed by Chris Raubacher, Philip Grotheer, and Ted Ganley. Another interesting note here is that three of the top five finishers were sailors under 25 years old. (The other two just think they're under 25.)

This year was like all previous years in that we had our usual 17 invitational regattas spread among active fleets in Annapolis, Rehobeth, Washington, Richmond, Susquhanna, and Kentmore Park.

The District was well represented at the North American Championships this year sending five boats; Steve Bachman, Fred Mertes, Philip Grotheer, Tom Clark, and Mary Anna Portner (Who's the father?). Mary Anna also attended the Women's North American Championship but was unsuccessful

defending her title. As for the finishes of the others???

Some of the other popular events of the year included the Swift Creek Invitational won by Frank Gallagher, sailing his glitter boat. Frank was followed by Don Delorme, and Frank Gentile. This event sponsored by our new (two years old) fleet in Richmond, Va. was attended by 15 boats.

The Fall Regatta in Rehobeth, a perpetual blow out, was a wimp this year. The top four finishers were Philip Grotheer, Steve Bachman, Ron Grotheer, and Simeon Cox. As always, Steve Bachman was invited never again to return to the go-cart slick track. Outdoing his previous success, this year he broke the car before being asked to leave.

Predating Bachman's problems in Rehobeth was a run in with the Harbour Police in Annapolis. The Delormes invited the group over to their home following the first day of the Maryland Governor's Cup for a quiet little social. Our District kids (Bachman and Frieble) couldn't resist going after the police with their Funnelator. Thank God for Delorme's smooth-tongued way with the police or we'd all have been in the pokey. By the way, the regatta results were; Philip Grotheer, first, Simeon Cox, second and the team of Doug Dixon and Bob Astrove, third.

The President's Cup was held on the mighty Potomac River Sept. 13-14. As always, it was won by Frank Gallagher, followed by Jim Dillard, Frank Gentile and the Dixon/Astrove partnership. As expected, sailing on the Potomac is interesting; beats on every leg of the race, 30 foot long starting lines, and 12 classes racing on the same course. On top of all this, our Vice Commodore learned that a Lightning requires more than six inches of water to sail.

The Frigid Digit was our final regatta of the year, held the weekend of Oct. 18-19. Unfortunately, none of the District sailors did better than sixth place. The top five finishers were Stu Nickerson, Mark Sertl, Peter Hallagan, Jim Carson, and Dave Hallagan. This year's regatta was one of the better ones ever; 39 boats attended, from as far away as Buffalo, Cape Cod, and North Carolina. On Saturday, the winds were ideal, in the 15 to 20 range, and on Sunday dropped to the 5 to 10 range. No one froze to death as in past years, and only one boat went over. Of course, we had a great party, and special thanks go to Mary Anna Portner who organized the whole affair.

The Women's District Championship is one of the unique events of our District. We used to have a strong Junior Program, but they all grew up. In its place we've developed a strong Women's Program, which holds its own championship every year. This year's event was held at Rehobeth, and was attended by six boats of all female crew, and their male support groups. Ramsey Murray won the event with finishes of one, one, two. Following were Mary Anna Portner, Robin Turner, Marquette Jones, Pam Racine, and Maureen Gallagher. Next year we're looking for an even bigger event and hope the District can recapture the Women's North American Championship.

We had a lot of other events throughout the year for which I don't currently have results. I apologize if I've missed something important. In any event, we hope to see all of you support our regattas again next year. For those of you who didn't sail with us, give it a try. We've got 17 invitational regattas stretching from May to October.

ECUADOR DISTRICT

District Commodore	Ing. Santiago Romero Barst
District Secretary	Dieter Dyck
District Measurer	Felipe Eljuri
District Champion	Juan Santos Garces
District Runner-Up	Miguel Plaza Merino

Fleets: Guayaquil Yacht Club (272); Salinas Yacht Club (405); Club Nautico San Pablo (447).

The year 1986 witnessed a revival of Fleet 411 belonging to the Ecuadorian National Army. All the fleets were represented at the Estero Salado in Guayaquil for the 1986 District Championship. Juan Santos won the tournament winning five of the six regattas.

During this event, we named the new authorities of the Class. For the 1986-1987 period, Francisco Sola M. was re-elected as Vice President, Santiago Romero the new Commodore and Dieter Dyck the Secretary.

The Class will have a great amount of activity for the rest of the year and for 1987. For October, we have scheduled the Ecuador-Peru Cup. The San Pablo Tournament is scheduled for November and in April 1987, the South American Championship in Salinas, Ecuador.

The Ecuadorian District is going through some changes for the better. We have high hopes for the coming year as we are concentrating great emphasis on the incorporation of new boats into our fleets.

District Champion Kari Maenpaa just before falling into the water of Vesijärvi.

FINLAND DISTRICT

District Commodore Pentti Laitinen
 District Secretary Sirkka-Liisa Laitinen
 District Junior Commodore ... Pekka Hurskainen
 District Measurer Marjatta Ollila
 District Champion Kari Maenpaa
 District Runner-Up Hartti Nisonen

Fleets: Helsinki (166), Kotka (298), Oulu (307), Kemi (310), Jyväskylä (328), Tuusulanjärvi (456), Valkeakoski (468).

The future of Finland District seems to be very safe and secure. It is full of good sailing, tight competition, training, fun and the continuous development of Lightning sailing. This was noticed at the latest board meeting of our Class in Finland. We have all the tools by which we can procreate the Class in the future: a lot of new young sailors, continuous training programs for top sailors, a large based training for all the members, the availability of new boats, masts and sails from Finland and the step-by-step increasing knowledge of the Lightning among the people. This was started during the past season and will continue the coming season.

We can divide the 1986 sailing results into three parts. The first one is the District Championship which was held in Vaakso, on the lake of Vesijärvi just one hundred kilometers north from Helsinki. A total of 27 boats took part in this regatta, which was sailed under very different, but exciting wind conditions. By the way, there were over 40 tents and caravans just on the bank of the beautiful channel of Vaakso. Oh, what a place it was!

The final results of the six best are: Kari Maenpaa, Erkki Maenpaa, and Oki Wikman sailing *Vahine II*, first; Hartti Nisonen, Antero Uitto and Pentti Puupera sailing *Asterix*, second; Markku Paloma, Hanna Keituri and Jari Leinonen sailing *Kikka* third; Lasse Hammar, Harry Hammar and Pentti Suorsa sailing *Ro Rita II*, fourth; Samppa J. Salminen, Keijo Tulomaki and Tero Kotimaki sailing *Kristiina* fifth and Jussi Karkkainen, Heikki Jaatinen and Mikko Jaatinen sailing *Marigold*, sixth.

In the 1986 ranking series, we had eight regattas, one of which was a long distance sailing race called Pajannepurjehdus. It is about 60 miles long and lasts overnight. The Champion Skipper of the ranking series is Kari Maenpaa followed by Hartti Nisonen, Jussi Karkkainen, Samppa J. Salminen, Terho Aromaa and Jyrki Maatta. To these eight regattas a total of 39 boats participated. I think this shows the increased activity of our Class.

The Finland District had seven Lightnings participating in the European

Championships in Athens, Greece. Six of seven boats, including two new Finish Lightnings, were carried to Athens on the trailer of a truck and organized by Hartti Nisonen. All the crew took the charter flight from Helsinki to Athens. Some of them stayed only the week of the regatta but quite a few also spent the other week on the beaches of Greece. The success of Finish sailors in the Europeans did not come up to expectations. The best of the Finish Team was again Kari Maenpaa finishing 12th. Other Finish results were Nisonen 17th, Karkkainen 18th, Aromaa 22nd, Hurskainen 25th, Salminen 26th and Hammar 32nd.

When writing this article, it is time for us to store our boats over the winter. In the beginning of May we start the new sailing season with new hopes and expectations.

FLORIDA DISTRICT

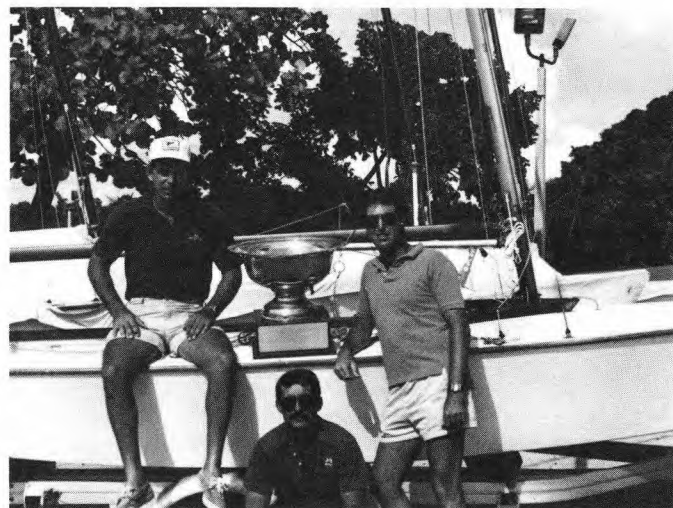

District Commodore John Foster
 District Secretary Alix Morgan
 District Measurer Eric Stibitz
 District Champion Dave Helmick
 District Runner-Up Fisk Hayden

Fleets: Biscayne Bay (226); Lake Eustis/North Florida (461); Cedar/Ft. Myers (478).

As one season tends to endlessly run into the next down here in the sunny south, it is hard to figure where to start a year end report as sailing here continues. The Lightning year officially begins with the Coconut Grove Annual Regatta held in October. This is also the first leg of the Florida Triple Crown, won this season by Eric Stibitz. And so, although we officially finished a year in September with the Annual Labor Day Regatta at the Sarasota Sailing Squadron (this year we weren't postponed for hurricanes) we already started a new year!

1986 was a great year for the Florida District. We welcomed seven new boats and skippers to our traveling set: Kevin Blair, from Wisconsin (although we don't see enough of him), Howard Sutter (not new to Lightnings but renewed and going fast), Onofre Torres and family, (all of whom are learning fast), Clive Daem, (spending a lot of time fixing up *Honeycomb*), Eamonn de Lissar (is the Districts newest boat 14908 and going too fast for our liking) and Jim and Mary Anne Nolan (lately of Cedar Point Yacht Club, Connecticut), and Greg Bartz (who just showed up from the north in time for a Florida winter).

The District Championship Regatta was held at the Coconut Grove Sailing Club June 14-15 and was won by Dave Helmick with crew Tom Breman and Mark Pincus. Since 1980, the District Championship has been won by six different skippers; the crews, however, have not always been different...Mark Pincus has been on the winning team two years running. Sailing against so many champions keeps us all on our toes.

Florida District Champion Dave Helmick with crew Tom Breman and Mark Pincus.

We would like to congratulate Knute and Denise Young, Robert and Eileen Baker and John and Debra Schoendorf all of whom were married during the past year.

Florida was represented by four teams in the North American Championships, one in each division. Congratulations to Steve Hayden and crew, Tom Degan and Eric Annis, who placed second in the Juniors and qualified for the Youth Worlds in Argentina. Fay Regan and Alix Morgan also sailed to a second in the Women's North Americans with Kathy Burridge in *Northern Lights* from St. Louis. Fisk Hayden used the Masters to tune up for the North Americans, finishing fourth at Henderson Harbor and an impressive third place finish in the Blue Fleet at Kingston with crew Steve Hayden and Clay Murphy. We are proud of all of our long distance travelers.

Florida has already started talking about the 1987 Buffalo North Americans and look forward to filling our quota next summer. Until then, start digging your boat out from under those snow drifts and plan on joining us for a little "Southern Hospitality" at the Southern Circuit. It has been a long winter and you deserve a break.

INDIANA DISTRICT

District Commodore Ken McGinity
District Secretary Pam Suter
District Measurer George Buckingham
District Champion Doug Schmahl
District Runner-Up Bob Kinsey

Fleets: Wawasee Yacht Club (154); Indiana Sailing Club (270).

Change has been in the Indiana air during 1986. There are two active fleets, Fleet 154 at Lake Wawasee and Fleet 270 at Geist Reservoir in Indianapolis.

During the season, quite a few boats changed hands with the more active skippers buying new boats and there are more on order for 1987. Our three major regattas were the early May, the Indy Open, the Districts in late June and the Hoosier in early October at Wawasee. One boat attended the North Americans at Kingston and learned a great deal about heavy weather sailing.

We are now looking forward to a special regatta to be held in Michigan City, IN on Memorial Day weekend as a tune up for the Pan American Games in August at the same site. Planning is underway to host many visiting Lightning sailors at both these events. Why don't YOU plan to come?

Fleets: Buffalo Canoe Club (12); Chautauqua Lake Club (19); Silver Lake Yacht Club (47); Niagara Sailing Club (59); Cuba Lake Yacht Club (115); Hamilton Boating Club (118); Toronto Bay (146); Conneaut Bay (180); Chautauqua (198).

One again our sailing season has come to a close. This year we have seen continued growth in some fleets. Much of this has come from new youth participation in District events. The news, however, is not all good. We still have far to go in many of our smaller fleets.

Our sailing season in the Lake Erie District began normally with the EBY series in May at the Buffalo Canoe Club. This event was won by Larry MacDonald Jr. The LED and CNY Districts initiated the annual LED and CNY Challenge at Newport with an outsider, J. Lutz winning, and Larry MacDonald, Jr. finishing in second place.

As we proceeded into June at the Cornball Regatta, we discovered Dave

Matteson, who finished in first place and Todd Jones, who followed closely behind coming in second. Peter Humphrey came in third.

In July, the sailing season moved into high gear, with an overwhelming turnout at the BCC for the Niagara Frontier Invitational Regatta. First place went to Jim Crane, who obviously had inside information!?! In mid-July it was off to Oswego for the Ontario "Michelob Classic". Thanks to those thoughtful folks for the keg at our Spring Meeting.

Our District Championship were hosted by the Boulevard Club in Toronto. Once again, Larry MacDonald Jr. won, with races of 1,1,3,1,1. Second place went to Mark Bryant, eight points behind. Todd Jones squeezed out Ed Roseberry for third place. Back up in first, Larry should take pride in his exceptional crew members, Montani and Born. Congratulations are also extended to Jimmy Allen and crew in regards to their triumph at the Junior Districts and Junior North Americans.

The LED sent a full slate of sixteen boats to Kingston. Mark Bryant and Larry MacDonald Jr. finished fourth and sixth respectively in the Championship flight. Other notables included Ed Roseberry, with a fourth place in the President's Cup.

Congratulations to LED member David Sprague on being elected ILCA President. We know he will do a great job.

The Old Salts went sailing again this year at the BCC After three races, the all female crew of Allen, Swanson and Adams showed scores of 1,2,2 for a first place cannon.

As September rolled in, we looked forward to a four regatta Fall Circuit. For the first time, we led off at Silver Lake, with a 37 boat fleet. For those uninformed, Silver Lake is the home of the only after-race partyregatta, with more boats than the real one. Don't miss the boat next year. Back in the lake, first place went to, you guessed it, Larry MacDonald Jr. Second place went to co-skippers Sertl and Bobby Bryant. Third was taken by Tom Doran, of Oswego, YC.

Silver Lake Harvest Regatta was also the second and final leg of the LED-CNY District Challenge. We did tie with CNY in points for the Challenge Cup but figure we won since we had more boats than CNY. Individually, Larry Jr. of LED won the Challenge with Dick Hallagan and Tom Doran of CNY District taking second and third respectively. The next leg of the circuit was held up north, at Toronto Bay/Boulevard Club, home of the great hurrel shaker. Peter Hall won this one, beating out Larry MacDonald Jr. by two points. Ross Bailey was close behind at third.

The Haul-Out Regatta at Sandy Beach Yacht Club had its annual battle with wind, or the lack of this year. Local river knowledge played a large part in Calvin Schmeige's victory. Bobby Bryant came in second, and Paul Niederlander finished third.

The last regatta of the season was held at the BCC. The home club fleet swept up with the top three positions: Larry MacDonald Jr., first; Tom Allen second; and Ed Roseberry third.

Many thanks for your participation at the regattas, and we look forward to seeing you all next year on Lake Erie for the 1987 North American Championships. P.S. Back in March, Tom Allen Jr. won the Mid-Winters in St. Pete's. Congrats!

LONG ISLAND DISTRICT

District Commodore Ray Rumph
 District Secretary Thomas Hering
 District Champion Doug Meyhoefer
 District Runner-Up Tim Rumph

Fleets: Hewlett Bay (58); Great South Bay Fleet (178); South Hampton Yacht Club (431).

The increased sailing activities of Hewlett Bay and Southampton Yacht Clubs added to the Great South Bay Fleet's usual busy schedule shows that the Long Island District is on its way. The three fleets scheduled three invitational this season (spring, midsummer and fall) and had good participation.

The 1986 Long Island Districts (19 boats) were held at Southampton Yacht Club on Shinnecock Bay on July 19-20. This has to be one of the finest bodies of water for Lightning racing on the East Coast. Shinnecock Bay is separated from the ocean only by a sand dune peninsula, which enables the southerly to come in unobstructed. The dune also acts as an excellent breaker providing Lightning sailors with virtually flat water sailing in a bay that has very little boat traffic.

The weekend, as hoped, was nothing less than excellent racing with superb conditions. The first race set the stage with Doug Meyhoefer, sailing in a borrowed boat, taking the honors. Tommy Hering and Tim Rumph were close behind. The second race looked like a replay until the last leg. Meyhoefer has a 300 yard lead ahead of Hering and was beating toward the finish. Rumph, who was in third decided that going way left was worth a shot. Hering stuck with him to protect his position, while Meyhoefer split and went to the right. No one realized how much the left was favored until Hering surprised everyone by crossing the line first with Meyhoefer about 20 yards behind.

The second day of racing proved to be even more exciting with better conditions, a SSE 10-14 knots. With Meyhoefer establishing himself as having the fastest boat, the battle in race three was for second. After two hours and 10 minutes of racing, Rumph squeaked out a second by: 01 seconds ahead of Hering, who finished 02 seconds ahead of Alan Pearlman, who finished 02 seconds ahead of Bruce Atkinson. The fourth and final race again contained the same level of excitement with Rumph beating Hering literally by about five inches after eight miles of racing.

One of the only disappointments came at the end of the day when Tom Hering was told by the Race Committee that he had started early in race three and was disqualified, dropping him from a solid second to fourth overall. But all in all, it was a fantastic regatta with great people, beer, clams, barbecued chicken and more.

Two boats also traveled to Kingston, Ontario for the North Americans this summer: Tim Rumph with crew members Paul Krzenski and Ray Rumph and Tom Hering (defending his 1985 Governor's Cup win at Tawas Bay, MI) with crew Lowell Copeland and Michael Donahue. Both boats were in the President's Fleet with Tim Rumph edging out Tom Hering for 15th place by one point. A great time was had by all.

The District Championship will be held at Southampton Yacht Club again in 1987. The probable date is July 18-19.

METROPOLITAN DISTRICT

District Commodore Richard Miner
 District Secretary William Cook

Fleets: North Shrewsbury (11); Paupack (16); Lake Mohawk (25); Chelsea (39); High Tor (41); Red Bank (70); Nyack (75); Awosting (95); Harvey's Lake (350).

This year the Metropolitan District got started the way it has for years; shivering at Red Bank in early April. The water is cold, breezes are stiff and competition is stiffer; but the hospitality of the Monmouth Lightning Fleet raises more than sails. The really impressive part is that not only are they nice in April; but they keep on smiling through a big regatta (the Long John), and don't mind if your boat stays there until early May. Maybe that's because the locals win a lot; in any case they are gracious winners.

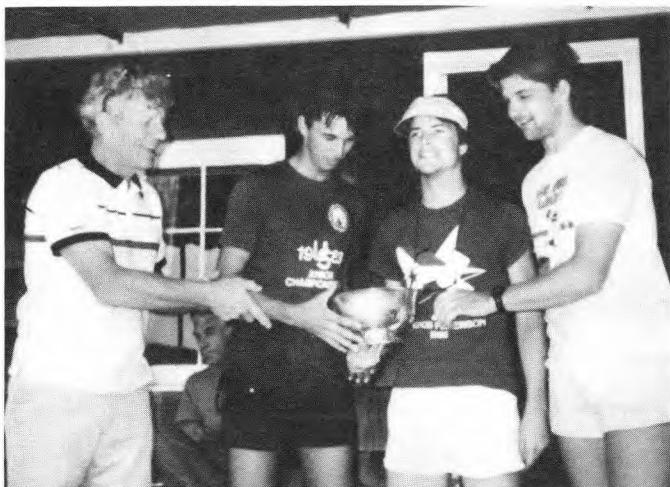

In June, the action shifts up to the Hudson River and the Magnus Pedersen Regatta at Nyack. Sandy Huntsman from Red Bank, led numerous luminaries to victory in this one. The rest of the Mid-Hudson Circuit included sparkling water and sunny skies at Stony Point and drizzle at Chelsea. District Commodore Rich Miner, ably advised by wife Gail, came from behind to avenge last year's defeat at the hands of Gary Hurban. All the regattas did credit to their organizers.

The Districts were held at Red Bank under the direction of Monmouth Boat Club's able gang. Race Committee Les remained spotless through two hot days on the Navesink. Details are hazy at this remove, but Jack Huntsman beat Sandy in a father-son one-two performance that was only outshone by the party thrown afterwards by mother Mary. If you have no other excuse to visit New Jersey, go there just to have a party at the Huntsman's; it's worth the drive.

The lake clubs didn't just sit back and sip gin and tonics while the river fleets slaved away providing nautical experiences for the masses of deprived Lightning sailors. Lakes' Wallenpaupack and Greenwood each chipped in with midsummer events, providing racing away from home for those who wished to travel inland. Then, they had parties.

The fall season is again a time of merriment in the Metropolitan area. No less than five regattas grace our schedule, and hardly a week goes by that an out-of-district fleet doesn't try to get you to go somewhere. Greenwood, Mohawk, and Monmouth hosted the Short Circuit: won by Rich Miner, with Larry Kenney in second. Wallenpaupack threw its Fall Classic in the leafchanging Poconos. Nyack ran the (everybody-wins-something-dispite-however-awful-you-sailed) Last Blast Regatta. All these regattas were unique and wonderful.

Next year the Districts will be held at Nyack, where the Day Liner sails up the Hudson River. The probable date is the third week in June. Come on down: see Gary Hurban's new Hawaiian shirt, watch Mike Pike capsize, see Sandy demolish a keg, and Franz Schnieder put up his mast singlehanded while wearing wingtips. All this and more will only be available at the Nyack Boat Club come June of '87. See you there.

MICHIGAN DISTRICT

District Commodore David Hatfield
 District Secretary Louis Nickels
 District Measurer Dave Furey
 District Champion Colin Park
 District Runner-Up John McCree
 Womens Champion Beth Tibbs
 Junior Champion George Sipel
 Junior Runner-Up Dan Norton

Fleets: Devils Lake (31); Crescent Sail Club (51); Lake Fenton (53); Pontiac Yacht Club (54); Higgins Lake (110); Gull Lake Yacht Club (137); Tawas Bay Yacht Club (152); Saginaw Bay (216); Grand Traverse Yacht Club (326); Pentwater (340); Douglas Lake (374); Lansing Sail Club (387).

The 1986 sailing season brought few surprises when the champions were crowned, but a close look at the results shows that there may soon be new faces in the winners circle!

The Districts were sailed on Grand Traverse Bay in Traverse City. The conditions varied from drifter to blowout, but it made little difference to Colin Park as he posted two seconds and three firsts to capture the title. The only other boat to stay in the first ten places in the thirty-five boat fleet was John McCree. His 5, 2, 6, 5, 4 series was good for second place which broke the Goldsmith, Park, Holman, Stranglehold on the first two places at recent district regattas. Rounding out the top ten were Garret Demarest, Clarence Holman III, Bruce Goldsmith, Dave Marriot, Bill Babel, George Nickels, Hank Hodgson, and Tom Vickers.

The Junior & Womens Districts were held at Devils Lake in breezy conditions. A very competitive five boat fleet of Juniors sailed a tight series which saw four different winners in the five races! It looked like Sean Fidler had a chance to challenge perennial Junior Champ George Sipel (when is he gonna be 20?) for his title. In the fourth race, Sean was on his way to a horizon job which would have sent him into the final race tied for the lead. But we all know it "ain't over 'til it's over", and they lost the guy at the jibe mark causing a capsize which wrapped the chute around the top of the mast. George was then able to cruise home and take the crown making him the first recipient of the Bill McKinley Memorial Trophy which was pres-

ented by Bill's lovely wife Camile.

The Womens Championship was also very close. Defending Champ Bonnie Nickels was not able to sail the first race due to a car accident on the way to the regatta, which left her boat with a hole in the bow and a broken transom. Beth Tibbs won the first two races, but Bonnie took the last three. Beth was forced to come from behind in the last 200 yards of the last race to grab a second and capture the title by one point. Devils Lake was spectacular in the Hospitality Department as always. They provided housing for all the participants, the Tibbs held a pizza party featuring videos of the Saturday races, and Bruce Goldsmith lent his boat to Bonnie after the accident.

The true measure of the strength of your District is how your people do when they travel to the National's. Our congratulations go to Garry Demarest, runner-up at the 1986 North Americans in Kingston. A "well done" also goes to John McCree, a runaway choice for most improved in our District. John was runner-up at the Districts, runner-up in the Fall Regatta Series, and in his first crack at the North American's, a qualifier for the blue fleet.

MIDWEST DISTRICT

District Commodore John Walter
 District Secretary Karen Johnson
 District Measurer Robert Smither
 District Champion Ric Larson
 District Runner-Up Ronald Blair

Fleets: Chicago Corinthian (5); Milwaukee Yacht Club (69); Green Bay (112); Lake Davenport (167); Sheboygan (187); Lake Geneva (345); Manitowoc (393); Quarter Barrel (494).

The Midwest Regatta schedule kicked off as usual in Green Bay. By winning this regatta Tryg Jacobson gave fair warning he was to be reckoned with. Following Tryg were Mr. Wonderful Matthews, Terry Phelan, Kevin Blair and Jim Knorr.

The action then moved to Milwaukee. Here, Tryg did it again over 21 other boats. Ric Larson kept his boat upright this weekend to finish third followed by Gene Matthews and Ron Blair in his brand new boat.

Then came the Districts in Sheboygan. Twenty-two boats measured up in the morning. We sat out the afternoon watching surf memorable of the Sheboygan North Americans pound the breakwalls. Saturday, we practiced watching fog roll in and roll out and by Sunday we were ready to box or wrestle if we didn't sail.

The two races were screamers. On one reach leg, a puff came through capsizing boats like target ducks at a carnival: boom, boom, boom. Ric Larson survived with a broken pole and took the regatta with a first and second. Ron Blair was one point behind. Kevin Blair was third even with a capsized, followed by Terry Phelan and Jim Gagnon.

Next was the Brotz Regatta in Sheboygan, Ric prevailed again even against the challenges of the Burridges, Matt and Lal. Gene Matthews was fourth and John Walter, fifth.

The Ice Breaker in Manitowoc was won by Terry Phelan with three firsts.

The revitalized Red Flannels brought in 27 boats from Michigan, Ohio, Indiana, Kentucky and Missouri. Despite Matt Burridge's taking two firsts, Ric Larson was more consistent and took his third first place finish of the season, Matt was second, Dave Nickels took third followed by Kevin Blair and Colin Park. David Blair received the "Aw Nuts" Award for being only one point out of the money.

The season wrapped up at the Polar Bear on the Mississippi. This regatta was in the middle of record rains in Illinois and the Mississippi was running fast and high. Sunday's races had to be cancelled because the current was faster than the wind. Brian Phelan was the victor followed by Gene Matthews, Mike Steffenson, Jim Knorr and Kevin Blair.

In our District we gave awards for those doing the best on our regatta circuit. This Lake Michigan Championship is based on finishes in the Districts and three other regattas. Not surprisingly, the winner was again Ric Larson with three firsts and a third. Second was Kevin Blair and third Tryg Jacobson. Congratulations to all our racers.

District Winners: Right to left back row: Ric Larson (first), Mike Kuechle (crew), Terry Phelan (fourth), Kevin Blair (third), Ron Blair (second), and Jim Gagnon (fifth). Front row, right to left: Mike Peterson, Scott Shackelford, Dean Cady, Andy Bartz, Doug Schumwalt, David Blair, Jeff Fishman, Steve Bielefeldt and Brian Phelan.

MISSISSIPPI VALLEY

District Commodore	Chuck Konesky
District Vice Commodore	Lloyd Irish
District Measurer	Stu Bernstein
District Champion	Bob Wardwell
District Runner-Up	Don Sherburne
Junior Champion	Matt Burrige
Junior Runner-Up	William Baxter

Fleets: Decatur (74); Harbor Island (262); Carlyle Sailing Association (266); Memphis (274); Valley Sailing Association (486).

The Mississippi Valley District had a very successful 1986 season.

The Mississippi Valley District Championship was held on Lake Carlyle, IL, on June 6-8. The contest this year shows that the Lightning is gaining momentum in the Midwest as a near record of 33 boats participated. Each fleet in our vast District was well represented.

The first race started in a nice six to ten mph southwest breeze. Don Sherburne broke loose to take the race followed by Bob Wardwell, Brad Currie, and Glenn Carr. Race two started in much of the same conditions but the wind started to play havoc by shifting and dying. Lal Burrige put together a good first beat. After the wind came back, those who managed to get to the right of the course paid off. Lal finished first with Cully Ward in second and Crit Currie third.

After a short lunch break, race three began. Stu Bernstein had his turn to show everyone around the course as he jumped into first at the weather mark and stretched his lead. Sherburne again sailed a solid race to place second with John Folwell third and Wardwell a close fourth. Jim Ward showed his consistency by finishing fifth.

The fourth and final race of the day was Brad Currie's turn to take top honors. Bob Cotton, who had improved each race, finished second, Lloyd Irish third, Jim Ward nosed out Wardwell for fourth and Sherburne fifth.

The annual meeting went well and we elected Chuck Konesky of Nashville, TN, our new District Commodore and Lloyd Irish, of Decatur, IL, as Vice Commodore.

Sunday morning dashed any hopes of completing a full series. The wind was zero to nothing and the humidity was climbing. Bob Wardwell showed why he is one of the best by consistent sailing in frustrating conditions. He claimed first overall with Don Sherburne, second, Jim Ward third, and Cully Ward fourth.

Our Junior District Championship was held June 28-29, at Harbor Island Yacht Club in Nashville, TN. Boats from Decatur and Carlyle, IL, and Nashville and Memphis, TN, participated.

After the three races on Saturday in moderate wind provided by the aftermath of Hurricane "Bonnie," Rob Zerban of Belleville, IL led the competition with three firsts followed closely by William Baxter of Memphis.

Sunday's light air race didn't change the standings even though William Baxter grabbed the lead early on and fought off Rob Zerban taking first in the last race. Rob claimed the Junior Championship followed by William Baxter in second and Glen Carr of Belleville, IL, third.

The District continues to prosper with excellent regattas at each fleet and a lot of traveling by District members thus putting 25 to 50 Lightnings on the starting line. Competition is very strong within the Mississippi Valley District, challenging even the very best.

NEW ENGLAND DISTRICT

District Commodore	Christopher Hamblet
District Secretary	Pat Macqueen
District Measurer	Don Brush
District Champion	Don Brush
District Runner-Up	Rob Pratt

Fleets: Centerboard Yacht Club (14); Newburyport (121); Spofford Yacht Club (145); Annisquam Yacht Club (151); Marblehead Harbor (189); Bomoseen Lake Y.C. (227); Massabesic Yacht Club (273); Chequesset (280); Lake Champlain (301); Squam Lake (332); Androscoggin Lightning Fleet (450); West End Racing Club (487); Bow Lake Lightning Fleet (493); Pioneer Valley Lightning Fleet (495).

This year's New England District sailing was distinctive for lousy weather but seemingly increased interest and competition. The season started with the Lake Champlain Regatta won by Bill Shore followed by Stu Nickerson and Kip Hamblet. On the last day of the regatta, a line squall with 55 mph

winds ripped through the fleet capsizing all but two who had gotten their sails down. It was a little early in the year to be doing much swimming in Lake Champlain.

This blowout was followed by a more sedate Maple Leaf Classic at Bomoseen Lake, VT. More than 20 boats competed in light fluke winds only to be bested by a very active local sailor, Ray Harrington.

Bomaseen was followed by two regattas fast becoming famous for their hospitality, scenery and good times; Provincetown and Androscoggin. Stu Nickerson took the marbles at Provincetown and young George Deyette bested a large field at Wayne, Maine. (where the heck is Wayne, Maine?—a well kept secret!)

The New England Districts were held at picturesque Annisquam Y.C. in Gloucester, Mass. Except for a weather hole in the middle on Saturday, it was a well-attended (approx. 30 boats), well-run series; very competitive and very enjoyable. Don Brush emerged from the fray as our new District Champion. Rob Pratt was second and Kurt Kling was third. Congratulations to Don and thanks to Georges Peter for organizing this fine event.

The Junior Districts were held at Wellfleet. C. B. Currier of Wellfleet emerged victorious. Inadvertently, the State of Mass. Regatta also at Wellfleet, conflicted with the North Americans. Even so, about 12 boats made the trip to Wellfleet. Kurt Felix won for the second year in a row.

New England was well represented by New England sailors at the North Americans. Stu Nickerson, Bill Hole, George Deyette, Georges Peter, Don Brush and Ray Harrington all competed. Stu took 14th and Don took 16th in the Blue Fleet. George Deyette brought home some marbles in the Governor's Cup by finishing fourth.

The last five District regattas of the season, while offering plenty of competition, served as the perfect counter-balancing wind-down to the intensity of the District Championship and North Americans. In very light air, Ray Harrington, driving directly from the North Americans, won the NH/VT Championship Regatta on beautiful Squam Lake. Sailors who haven't tried this regatta are missing a treat. Rick Humphrey swept the two races at Newburyport in medium air, George Deyette beat a large fleet on his home ground at Massabesic, and Ray Harrington won the up-and-coming one day regatta at Bow Lake.

The finale to the New England District Season, as always, was the Spofford Regatta. Dick Hallagan's grip on this 30 boat event was finally broken by Stu Nickerson's first and Kip Hamblet's second. In two light air races on Sunday, Dick Hallagan still managed third. Also awarded at the Spofford ceremony was the trophy for the winner of the First NH/VT Championship Series. Congratulations to Ray Harrington for taking this new Series of New Hampshire/Vermont Regattas as organized by Dwight Gertz.

Outside of New England, Kip Hamblet took third in the fall Cedar Point Regatta finishing Sunday with two heavy air firsts. Then Stu Nickerson, sailing Kip Hamblet's boat teamed up with Hale Walcott and Kip to take top honors at the Annual Frigid Digit Regatta at Annapolis, Md.

Congratulations New England sailors. The enthusiasm continues to grow. Special thanks to all those unsung heroes who work so hard to make New England Lightning regattas the unique competitive family-fun events they are.

OHIO DISTRICT

District Commodore	John Werley
District Secretary	Phillip Cornett
District Champion	Matt Fisher
District Runner-Up	Will Petersilge

Fleets: Indian Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Buckeye Lake (43); Mansfield (150); Atwood Lake (212); Cowan Lake (303); Hoover (353); St. Marys (400).

After waiting all winter, and excitedly looking forward to the upcoming sailing season, what a disappointment! Several of our clubs experienced very low water, and their members were unable to sail at their home clubs. However, that didn't stop them — our district sailors just traveled to other clubs for regattas!

Our spring seminar, despite good intentions and up-to-the last-minute scrambling by Jake Rider (Cowan Lake Sailing Assoc.) and others, was a victim of the low water and had to be canceled.

So the season began with the Pymatuning Yacht Club Spring Classic. Again this year PYC was excited to draw from a large geographic area. Dick Hallagan from Rochester, NY and Larry MacDonald from Ontario,

*Sailing 3 of 5 qualifies for Ohio Governor's Cup Series

Canada made the long trip to make this regatta a growing event. Matt Fisher made his debut with his new boat 14045, John Werley showed up with his old boat 7126; and the two found themselves just 1½ points apart going into the last race. But true to form, John choked and dropped mega-boats, finishing fourth overall. Meanwhile Matt, also true to form, maintained his position and won the regatta. Rob Ruhlman, sailing consistently, took good advantage of others' blunders to finish second overall, and Dick Hallagan hung on for third.

Next came Leatherlips Yacht Club's Windshift Regatta. Though we were devastated by the absence of Terry Ottenweller, a perennial supporter of this regatta (he had significant conflicts and just couldn't make it!), the show did go on. Shifty winds and steady friendships make this regatta what it is, and this year was no exception. The top finishers were: Jim Dressel, Dan Dressel, George Fisher, Tom Varley, and Carl Clipp. See you next year, Terry!

The next regatta on the circuit was the St. Mary's Thundermug, which this year served as a warm-up for the Ohio District Championship. St. Mary's enjoys a beautiful body of water that lends itself to good racing, and wonderful fresh, homemade strawberry pies that lend themselves to good eating! Jim Dressel was untouchable in the drifting conditions on Saturday and the near-perfect conditions on Sunday. Phil Cornett finished second; Carl Clipp was third; first-timer Dave Ganhelli was fourth; and Pete Hagar was fifth.

The St. Mary's fleet is actually one of the smallest fleets in Ohio, and yet they are one of the hardest-working fleets. This was evident to all when we showed up on their doorstep again the following Thursday evening for the Ohio District Championship. Once again St. Mary's did a fine job, and everyone enjoyed the sailing, fun, and pies! Friday had heavy winds and tight spinnaker reaches, which separated the men from the boys, and Saturday's drifters separated the patient from those who were not. When it was over, Matt Fisher had won, Willy Petersilge was second, Dan Dressel was third, George Fisher fourth, and Jim Dressel fifth. A special thanks goes to Leatherlips Yacht Club for refurbishing the District Sportsmanship Trophy. Congratulations to Jack Borland, this year's recipient.

The Harvest Moon Regatta was next on the schedule, sponsored by Atwood Yacht Club. Atwood is famous for its unusual winds and fantastic hors d'oeuvres, and they continued the tradition in 1986. Dick Pugh showed up with his bright new boat and proceeded to win top honors. Second went to Dave Gall (we've missed you on the circuit, Dave!); Tom Varley was third; George Auer was fourth; and Tim McCain was fifth.

Another long-standing tradition in the Ohio District, and for many sailors outside the District as well, is the Snowball Regatta at Buckeye Lake Yacht Club. The Snowball this year featured good air, good attendance, and a great band! This regatta draws sailors from Chicago to Buffalo, and often even further, and so it is a great opportunity to sail against many of the finest Lightning sailors in the country. After a lot of good racing, and a lot of very tight reaches, Matt Fisher won the regatta, followed by Jim Dressel, Tom Allen, Jr., Sean Fidler, and George Fisher.

Our season finale is always the Fall-In Regatta at Cowan Lake Sailing Association, and is looked forward to by many as one of their favorites of the year. This year was perfect — beautiful weather, colorful trees, good air, good races, and really good friends. Dick Pugh's bright yellow boat once again took top honors, with John Werley second, Tom Varley third, Carl Clipp fourth, and Phil Cornette fifth. Dick's win also gave him, for the umpteenth time, the Governor's Cup, with Tom Varley second and John Werley third. Congratulations, Dick!

Our district was saddened this year by the loss of Dave Lewis, a member of the Pymatuning Yacht Club Lightning Fleet. Dave always gave freely of himself, as he worked closely with the Junior-Program at PYC and served the District as a measurer for many years. Dave was a good sailor and a very good friend, and we miss him.

For the 1987 season, our District has moved from the three-day District Championship to a Saturday/Sunday Championship in the hope of reducing personal costs and increasing participation. The first club to host this new format will be Pymatuning Yacht Club on June 27-28. We hope to see you all there next year, as well as all the other circuit regattas!

PACIFIC NORTHWEST DISTRICT

District Commodore Bruce Deitz
 District Measurer Dave Hickman
 District Champion Dave Hickman
 District Runner-Up Eric Lindahl

Fleets: Maple Bay (64); Vancouver (90); Seattle (132); Chinook (229); Columbia (283); Okanagan (368); Klamath (453).

Although most of the fleets in the Pacific Northwest District actually start their season sometime in April or early May, the real gathering of the Northwest Lightning clan begins on Fern Ridge Reservoir near Eugene, OR on Memorial Day. This classic regatta usually draws as many boats as the Districts and offers the best facilities of our entire circuit. It also offers some of the most interesting wind conditions imaginable as line squalls bounce their way east up the valley from the ocean, some going by south of the lake, some north of the lake, and some right through it.

Going into the last race Alan Hunt had 10 points, Phil Parshley 11, Bruce Deitz 13, and Eric Lindahl 13.5. The wind was blowing 18-25 with the majority of it out of the west. After two planing reaches and a fierce tacking duel, Dave Hickman finished first, Eric took second, and Phil finished third. This year was the exact opposite of last year's regatta that Mark Fisher won with four firsts and a fourth. Phil Parshley won this year's regatta without winning a race!

The Vancouver Lake Sailing Club put on one of the best regattas in several years with sunny skies, plenty of water, and great food. This year there were few other boats due to another regatta close by so it was mainly Lightnings on the lake. After three races on Saturday the point standings were Dave Hickman 8, Eric Lindahl 9.5, Alan Hunt 15.75, Morrie Craig 16, and Bruce Deitz 17. A nice 12 knot northerly filled in for the start of the fourth race on Sunday. Pam Hsu was first around the weather mark followed by Parshley and Hickman. After some excellent shift playing, Eric came out on top with Phil second. Dave won the last race handily with Eric second and Phil third. Final standings were Hickman first followed by Lindahl, Parshley, Hunt, and Craig.

The Districts were also held in Eugene this year. Many thanks to the Eugene Fleet for putting on a great regatta. The wind and weather were almost perfect allowing a full complement of six races with a throw out. It seemed like Eric Lindahl and Dave Hickman were duking it out the whole regatta with Dave finally winning on the tie breaker. Eric took another second with Alan Hunt third, Phil Parshley fourth, and Bruce Deitz fifth.

The Kitsilano Regatta was Alan Hunt's favorite; his first circuit regatta win. Alan went clamming on the left shore on every weather leg of every race to win this hotly contested regatta. The bride's maid, Eric Lindahl took his usual second, with Bob Bazett from Kelowna third.

Going into the final circuit regatta in Seattle, four skippers were tied for first with 4 points each: Bob Bazett, Phil Parshley, Eric Lindahl, and Alan Hunt. Dave Hickman had 5 and John DeBenedetti had 6. It promised to be a great battle. Going into the last race, the top three boats were within 2 points of each other with Eric breaking his string of seconds to win the regatta and the circuit trophy.

PERU

District Commodore John Rodriguez Asti
 District Secretary .. Augusto Navarro-Mulanovich
 District Measurer Hector Sabogal Vallaza
 District Champion Jose Barreda-Moller
 District Runner-Up Augusto Navarro-Mulanovich
 Junior Champion Wifredo Fano
 Junior Runner-Up Bruno Levaggi

Fleets: Club Regatas Union (497).

For this year, the new Board Officers scheduled several championships within our competitive area. We had approximately 10 boats in every race and which represented a similar competitive level as in previous years in the Peru District.

The winners of the different trophies were as follows: the Atlas Trophy won by John Rodriguez Asti, the Club de Regatas Lima Trophy won by Hector Sabogal Vallaza, the Hector Sabogal Trophy (selected from the Peru-Ecuador Championship) won by Emilie Levaggi Tocci, the Papa Schinkel Trophy won by Max Zimmerman Nevea and the Carles Gandolfo Trophy won by Hector Sabogal V.

In October, the traditional Peru-Ecuador Championship was held in Guayaquil, Ecuador. For this event, Peru entered six crews. The two from

the Escuela Navy were skippers Giancarlo Pelar and John Rodriguez. In this championship, the Max Zimmerman crew placed third, the Augusto Navarre crew fourth, the Emilio Levaggi crew eighth and the Hector Sabogal crew was 11th.

ST. LAWRENCE VALLEY DISTRICT

District Commodore Russel C. Scrim
 District Secretary Anthony McBride
 District Measurer William Layton
 District Champion Anthony McBride
 District Runner-Up ... Eddy Martin/Perry Owen

Fleets: The Royal St. Lawrence Yacht Club (215); Pointe Claire Yacht Club (499).

It was a great year for our District. First of all, we doubled in size. For years, members of Fleet 215 have encouraged their friends at our neighboring Yacht Club — Pointe Claire to get into the act with Lightnings. Happily, this year, owing to inspiring leadership on the part of Tony McBride, things got going. Fleet 499 was formally recognized at the North American Championships at Kingston with five boats. Not only that, but there is a lot of promise that this Fleet will grow into a much more substantial size as time goes on.

Our District was host to a number of major sailing events this year. The Canadian Open was hosted by Fleet 215 at the Royal St. Lawrence Yacht Club during the first weekend in July. There were 19 boats participating and while the weather did not exactly favor the event, we managed to get in four good races. The ultimate winner was Larry MacDonald, Jr. Our District went on to host the North American Championships at Kingston, Ontario. There was a participation of 116 boats (a new record) and it went off well.

All in all, we are very encouraged at the progress being made in our District with Lightnings. There is a lot of enthusiasm and interest evident and we look forward to a bigger and better season in 1987.

SOUTHEASTERN DISTRICT

District Commodore Tom Hudgens
 District Secretary Bob Harkrider
 District Measurer Bill Sloger
 District Champion Lenny Krawcheck
 District Runner-Up Bob Harkrider

Fleets: Savannah (127); Clark Hill (257); Lake Lanier (348); Catawba (365); Lake Hartwell (391); Triad (415); Greater Charleston (429); Palmetto (440); Waccamaw (463); Wake (481); Tennessee Valley (500).

This past year we sailed in nine regattas which made up our Season Championship. All of the regattas during the year were well attended with participation up a good 20 percent across the board. This increased activity improved our level of competition from both new and old time Lightning sailors. We anticipate that we will see a continued increase in 1987. Several of our members have ordered new boats and all of our fleets are enjoying increased activity.

Our District sent Lenny Krawcheck, Bob Harkrider, Arthur Levin, Benny Moultrie and Aubrey Blanchard to the North Americans; Lenny represented us well in the Blue Fleet, Bob Harkrider in the President's Cup and Arthur, Benny and Aubrey in the Governor's Cup. From the enthusiasm shown by the sailors who attended the North Americans, we anticipate that we'll fill our quota for the next year's championship.

Thirteen sailors qualified for our Season Championship by sailing in at least five of the nine scored regattas. They included Lenny Krawcheck, Bob Harkrider, Bill Sloger, Rick Ferguson, Arthur Levin, Rick TenEyck, Gil Samuelson, Clay Rumble, Bob Shingler, Benny Moultrie, Gil Klemens, Clayton Walters, Bob Lamb, and Tom Hudgens. We commend these sailors for their efforts in supporting the Season Championship.

The Southeastern District Championship was held at the Beaufort Yacht Club with 22 boats competing. Arthur Levin and Rick TenEyck did a great job in putting this regatta on. Lenny Krawcheck was almost unbeatable as he won the first four races. Bob Harkrider was always close but could not beat Lenny until the fifth race Arthur Levin finished third with Clayton Walters and Jeff Annis, both newcomers to the Class, completing the top five.

In 1987, we are scheduling ten events and look forward to again seeing our many friends traveling the circuit again. Also, we look to a big turnout from the Southeastern District for the Deep South Regatta in Savannah in March 1987.

as ever and the District Meeting well attended. On Sunday however, the wind went berserk — only three out of ten dared to go out and finish a race in the foamy and ice-cold waters. Urs Wyler again...

It was a worthy finish to a good season with plenty of exciting sailing and many pleasant social events. We certainly look forward to 1987 and Marsala at the end of this year.

Swiss skippers getting their boats ready to participate in the District Championships in Faellanden.

SWISS DISTRICT

District Commodore Jurg Weilenman
District Vice-Commodore Gilbert Despland
District Secretary Paul Gmur
District Measurers Urs Wyler, Oscar Weber
District Champion Urs Wyler
District Runner-Up Urs Schaeer

Fleets: Lac de Neuchatel (169), Zurichsee (219), Sempachersee (250), Greifensee (309), Murtensee (358).

Marsala in Sicily, like every year, marked the beginning of the season. Only two Swiss crews preferred sailing to skiing and went to race against the Italians between Christmas and New Years. This time, the Sicilians were not to be beat in the prevailing tough winds.

Lighter winds were found at our traditional spring regattas in Sempach and Hallwil. Six boats were racing against each other but the predominant event was the Herzog family's generous invitation to a hearty dinner in front of the clubhouse's cosy fireplace.

The light winds continued at the Pfauencup. Only a single regatta could be sailed. The winner was the Schar family ahead of Jacques Perret and crew. Fleet 358 offered a delicious raclette in the hospitable house of Mrs. Divernois.

The Europeans in Greece were the clear highlight of the season. More than 30 crews were competing, the Greeks having reactivated all of their Lightnings. Although the famous Meltemi-wind held back until the last race, sailing was fun in the waters of Faliron Bay and the spirit of competition good. For once the winner wasn't George Andreadis but the young Sicilian crew of Attina, followed by the President of the host club, Coutsikos and our Swiss Champion, Urs Wyler with crew Stauffer and Gasser. Those that couldn't match with the best boats were largely compensated by the quality and quantity of Greek sea-food and the famous white wine. Everyone is already looking forward to the Worlds in 1989.

In Gravedona, again the Swiss outnumbered the Italians in their own district. Urs Wyler and crew won the 30 pound silver prize for Switzerland.

The Districts in Faellanden saw 15 boats on the starting line, a number we haven't seen for a long while. The usual light winds prevailed but sailing was fun and the mood very relaxed. Urs Wyler and his crew won (as usual) with Schaeer second and Luthy third. As for the social part of it, the host club Faellanden did it's utmost to keep mind and stomach happy.

When autumn leaves fall and the wine is harvested, time has come for our last race of the year, the Fondue regatta. On Saturday, the wind was very light, we could barely finish one race. The traditional fondue was delicious

TEXAS DISTRICT

District Commodore John B. Waskom, III
District Secretary Sandy Mercier
District Measurer Dr. Sylvan Newman
District Champion Warren Lewis
District Runner-Up Richard Guinan

Fleets: Dallas Corinthian (35); Rush Creek Yacht Club (435).

The 1985 Thanksgiving (Turkey Day) Regatta was held after the Year Book went to press and was reported in the winter 1986 Flashes. We had fair weather and variable winds making for close races. Warren Lewis won with Gil Mercier a very close second.

Our sailors also participated in the Holiday in Dixie Regatta (Shreveport), the Hernando DeSota Regatta (Memphis) with Warren winning again and the Indian Summer Regatta (Chandler's Landing Y.C., Lake Ray Hubbard).

Our District Championship races were held June 14-15 and reported in the September Flashes. Warren Lewis took first and we are very pleased to see Honorary Commodore Richard Guinan getting his touch back and taking a close second.

Fleet 435 has added several new members to replace those who have moved away and Fleet 35 has two new members for a gain of one.

We have not given up on the Houston Fleet but the economy is working against us with people moving out of town. Paul Emens is doing his best to get the remaining Lightning owners together.

Fleet 35 will be 45 years old in 1987. As I told Donna, it might be a good idea to have our celebration next year as some of us might not be able to hang on until the 50th Anniversary.

We have a short and very windy spring but the sailing in October and early November is absolutely perfect. Temperatures range 69 to 79 degrees with a slightly cooler wind of 5-18 with occasional puffs and shifts to give everyone a chance. This is the reason both of our fleets schedule races into November and Fleet 435 is not able to name their Fleet Champion until after the Year Book goes to press. This is also what gave us the idea of the Thanksgiving Regatta. This is scheduled for Nov. 28-29 this year and while we cannot control the fronts that come through this late in the month, we do have a good or better than average chance of good weather. If you have not tried the "Turkey Day" event, you might be missing something good. We hope that you will be able to make it this year.

ROSTERS AND REPORTS

SKANEATELES COUNTRY CLUB (1)

Central New York District

Sailing on Skaneateles Lake, Syracuse, NY

Fleet Captain Frank Haas
Fleet Secretary John A. Barnes

Boat No.	Boat Name	Skipper
11154	Blitzen II	Frank J. Haas
12031	Roamin' with Brohmann II	Anne Roth Hueber
12174	Acey Deucy	W. Howell Finn

13172	Wild Goose	Kirk Reynolds
.....	John A. Barnes

Sailing at Skaneateles County Club was not blessed with good weather, however we feel that our season was successful. This was our first full year as a reorganized fleet. We were represented at many of the District regattas by Kirk Reynolds and Deke Barnes. At Newport, Kirk Reynolds finished fourth overall; Deke Barnes had to retire with a torn main. Then came the deadly Districts at Cazenovia. The lack of wind made this a real test of one's metal. Kirk Reynolds was able to outlast the rest of the fleet to win the District Championship.

Kirk went on to the North Americans where he was able to qualify for the Championship Fleet finishing 11th overall.

This winter is being spent organizing ourselves for the 1987 District Championship to be held in July. We are also establishing our committees for 1988 when we host the 50th Anniversary Regatta and are looking forward to it with high hopes. We are planning to have the 50th over the 4th of July weekend. At this moment in time, we are looking at a regatta that would include three fleets, a Masters and two others and possibly something for the old restored wood boats. If you have any ideas you would like to see included in this regatta PLEASE feel free to send them to: John Barnes, 2524 Platt Rd., Marcellus, NY 13108. Don't forget to spread the word about the 50th to all those less fortunate sailors that are not members of the I.L.C.A. (poor souls).

Lightning sailing is almost dormant at Bay Head Yacht Club with the exception of Bob Adams. Bob sailed several races in the Barnegat Bay Yacht Racing Association Series as well as the District Championship. Bay Head had no other active competitor.

The club Lightning was sailed by our Sears Cup Team but not raced on a regular basis. Many juniors are exhibiting an interest in Lightning sailing and it is hoped that a few new boats will come into the fleet as a result of using the Lightning as a junior trainer.

Bob Adams plans to sail the 1987 Southern Circuit. Hopefully he will bring home trophies for Lightning Fleet 3.

Fleet 5 had one of it's best years in recent history. The fleet is growing plus we have a number of members that purchased new boats during the last couple of years. Corinthian is getting 12 boats on the starting line most every week. We welcome Ed Willse, Paul Nolan and Steve Brugge as new boat owners.

The Lightning Fleet hosted a number of regattas for the club this year. First, with the help of Terrance Fox and other fleet members we sponsored the Hobelman Regatta that involved 12 fleets from Illinois and Wisconsin. We also kept up a Corinthian tradition with the Champaign Regatta. Thanks to Bruce Thompson, this was a great party and fun was had by all.

The highlight of the season was the Red Flannels. After sitting out a couple of thunderstorms we had a good regatta. Participation was the best in recent history. We had 27 boats come from all over the midwest. We thank all that came and hope to see everyone again next year. Thanks to the Lightning Association, the 1986 Red Flannels was videotaped by a few of our members. Ric Larson was first, Matt Burrige, second; Dave Nickels, third; Kevin Blair, fourth, and Colin Park fifth. Results of fleet races include the following: Fleet Championship Series: John Walter, first; Buck Wynn, second; Tom Hennessy, third; Corinthian Series: Dick Hinze, first; Buck Wynn, second; Summer Series: Steve Brugge, first; Dick Hinze, second.

Fleet 11 had a successful year again at HYC both on the water and at the party. We started the year with a seminar which was mostly won by all. I can't recall well, but I think Jack E. won that party. Long John has waited a long time for a Huntsman to win—Jack with crew Frank Mergenthaler and Henry O, did but almost was beat by Sandy with crew Ron Freund and Larry C; a one-two. Jack won the Spring Series again with Henry O and most of the time Sandy.

There have been a lot of weddings and then the natural progression to little ones. This has changed our pattern of regatta-ing. Sandy with Patrick Corr and Ron came home from Nyack with a first and a skipper's mug full of Dewars.

The Districts had Jack with crew Henry and Bill Clausen, first; Jon with crew Will Jeffers and Matt Smith, second; and Sandy with crew Ron and Larry, third. The North Americans and some more weddings; Pat and Mary Corr and Jon and Holly Schwartz. The BIG one, the wedding of the

year is in two weeks, Les Hathaway and Judy—we never thought...

We look forward to a snow filled winter with lots of skiing and stories from ancient times, then some tune up for the Worlds which a bunch of us in one capacity or other will be attending. Have a "Happy '87."

Never put "the" fat man on deck!

Fleet 12 had an exciting racing season with good participation in most races, starting with the Eby Series in May. Our Lightning sailors turned out for the two regattas hosted annually at the BCC; the Niagara Frontier Invitational Regatta in early July, and the Fall Regatta in late September.

Social activities included a Spring Fling at Roseberry's, a July Pot Luck Supper at Swanson's, and a party/auction at the club in late August.

We were fortunate to have Tom Allen, Jr. direct the Junior Racing Program. Tom organized five crews for the Junior Districts in Toronto. Jim Allen won this Championship with crew Eric Duchscherer and Josh Murphy. Dave Starck with crew Paul Donovan and Mike McGarry was runner-up. Tom Starck with crew Jenny Millar and Greg Ray finished third.

Jim Allen, and crew Eric Duchscherer and Joe Donovan, captured the Junior North American Championship at Henderson Harbor. Jim will represent the United States at the Junior Worlds in Olivos, Argentina. John Swanson and Dave Starck also competed at Henderson Harbor.

Ned Roseberry with crew Matt Sanders and Lance Kinerk and alternate, Josh Murphy, represented the BCC in the Sears Cup Area E Eliminations held at the Crescent Sailing Club in Detroit. They finished fourth in the seven boat round-robin series.

Larry MacDonald, Jr. won the Lake Erie District Championship in Toronto. Eight Fleet 12 skippers advanced to the North Americans in Kingston. Mark Bryant finished fourth and Larry MacDonald, Jr. sixth in the North American Fleet. Tom Allen, Jr., Tom Allen, Sr. and Jody Swanson also competed in the Championship Flight. Ed Roseberry finished fourth in the President's Cup. Dave Fretz and John Swanson also sailed in the President's Cup.

The results of the Fleet 12 races held in Abino Bay are as follows: Tom Fallon Club Championship - Tom Allen Sr.; Eby Series - Larry MacDonald Jr.; Hussey Series - Tom Allen, Jr.; Thermis Series - Ed Roseberry Jr.; Mother Carey - Sue Ferrick; Maccubin Series - Tom Ward; Meyers Memorial - Ned Roseberry; Junior Championship - John Swanson.

We are busy preparing for the 1987 Women's, Juniors, Masters and Senior North Americans. We promise you all a great week of good fun and smooth sailing.

Last year's Fleet Captain was Joe Feyder, and the Fleet Secretary was Mark Schneider. These two represent the young sailors in our fleet and they were a great team, not only taking care of the day-to-day doings efficiently and diplomatically but also staging a terrific fall regatta (with the aid of their respective spouses Mary Ann and Cindy).

In addition, Joe Feyder came out of nowhere to finish fifth in the overall standings for the season. Mark Schneider is sailing around in wider and

more competitive circles making appearances at the Mid-Winters in St. Petersburg, the Newport Regatta in Rochester, the Jersey State Championships at Mohawk, Atlantic Coast Championship at Metedeconk, the Governor's Cup — Susquehanna (PA) and, add father Franz Schneider's boat, at the North Americans at Kingston, Ontario. We are proud of our up and coming young sailors in the fleet. We are adding a young newcomer in Chuck Gehringer and hope to hear more from him.

Now for the old timers: To start with there's Franz Schneider who won the Fleet Championship, which he has done before. He's so good that we take his winning for granted. There is a hidden reason for some of his success: that's the good wife, Sheila. She must "love, honor and obey," because she is not only his enthusiastic crew, but she goes to Kingston and sails around for days in those huge waves — and then she wins the "Crew Becomes Captain" Race on Labor Day. So, a tip of the hat to the distaff side — Sheila Schneider, a champion's champion crew.

Another tip of the hat to George Madel, who has been sailing around with son Mark for lo' these many years without getting into the money. This year he came in second and is the Fleet Runner-Up. The secret lies in his giving up that moldy old sweatshirt. It slowed him down. He didn't wear it this year and became a winner. Beware, Joan Madel, he is now going to want a new boat to go with his new status. Wanna bet?

We had a Cold Duck Regatta in the spring and a Fall Regatta in September. The latter was won by Dick Hallagan (Newport); Djoerd Hoekstra (Metedeconk), second; and Mark Schneider (LWYC), third. In contrast to the rest of the summer, which was frequently wet, the two day fall regatta was sparkling and peachy.

We hold three different series. The winners were exclusively the Schneiders with George Madel copping a couple of seconds. Mark Schneider won the prestigious Miller Series.

The overall season standings are as follows: Franz Schneider first, George Madel second, Mark Schneider third, Joe Mark fourth and Joe Feyder fifth.

Other news: Last year Stan Moldawsky beat Joe Mark, but this year Joe Mark beat Stan Moldawsky. Nobody cares about this occurrence except Joe Mark and Stan Moldawsky. Also, we miss the Kornmanns, Heinz and Eleanor, who have retired from racing.

Closing now with a direct invitation to all Lightning sailors from our new Fleet Captain: "Everybody is welcome to vacation on beautiful Lake Wallenpaupack in the Pocono Mountains of Pa. and to join us every Saturday to race."

The 1986 season was one of changes. Although we lost Paul Andrews and Myron Turfitt to the cruising boat fleet, we were joined by Bill Beisel and his family along with Lynn and Gordon Black.

The 22nd Annual Cornball Regatta was once again a huge success. Three crews from the Silver Lake Yacht Club, captured all the trophies. Dave Mattesen was first with second and third places going to Todd Jones and Peter Humphrey, respectively. Jim Neville from Chautauqua Yacht Club a three time winner in past years, was fourth and won the second race on Sunday. Cal Schmeige from Niagara Sailing Club, who has won the regatta twice before, won the first race on Saturday.

Monte Carlo night was a barrel of laughs when the highrollers and big winners bid fantastic sums for the fabulous items at the Gamblers Auction. Can't wait until next year.

1986 was a year of transition for the Lightning fleet on Lake Mohawk. Long time Lightning sailor Dave MacDonald sold his Lightning to venture into cruising on Long Island Sound. While we wish Dave well, we hope that he'll soon return to the Lightning Class. Two new Lightning sailors were welcomed to the fleet: William Beveridge and Terry Theiss.

The Spring Series began well with all but two weekends offering enough wind to sail. Rich Miner finished first, Bob Graham, second and Larry Kenny, third.

The winds during the Summer Series were as usual, light and fluky. Five of the nine weeks were cancelled due to lack of wind. Preserving the illusive winds was Bob Graham finishing first followed by Perry Anderson, second and Larry Kenny, third.

The winds returned for the Fall Series, providing seven weeks of sailing. Bob Graham finished first, Rich Miner, second and Larry Kenny, third.

On Sept. 27, 1986, Lake Mohawk Yacht Club hosted the New Jersey State Lightning Championship. The one day regatta also served as the second leg of the Short Circuit and the almost annual Lake Mohawk Invitational. Perry and Margaret Anderson hosted the regatta. Tom and Sharon Bierman served as race committee. Each of the fleet members contributed in making the regatta a success. The regatta attracted 15 boats from New Jersey, New York and Pennsylvania. While the weather was not all together cooperative, e.g., rain in the morning and never enough wind, three races were completed. Due to the ever shifting winds, the racing was close and the outcome was not known until the end of the final race. Jody Lutz of the Metedeconk River Fleet finished first. Bob Graham of Lake Mohawk finished in second place. Rich Miner of Lake Mohawk finished third.

Off the lake, Rich and Gail Miner won the Mid-Hudson Circuit and the Short Circuit. Larry Kenny finished second in the Short Circuit.

The Mid-Hudson Circuit consists of the Magnus Pedersen Regatta hosted by the Nyack Lightning Fleet, the Sutherland Regatta at Minisceongo and the Chelsea Open Regatta hosted by the Chelsea Yacht Club. Rich Miner with crew Gail Miner and Alan Freeman placed fifth at Nyack while Bob Graham with Pat Graham and Larry Kenny finished seventh. Rich and Gail Miner finished first in both the Minisceongo and the Chelsea regattas. Their combined scores for Nyack, Minisceongo and Chelsea earned them first place in the Mid-Hudson Circuit.

The Short Circuit consists of the Whiskerpole Regatta on Greenwood Lake, the Lake Mohawk Regatta and the Fall Has Fell Regatta hosted by Monmouth Boat Club. Rich Miner placed first at Greenwood. Larry Kenny placed fourth. At Monmouth, Rich placed sixth. His combined scores for Greenwood, Mohawk and Monmouth earned him first place in the Short Circuit.

All-in-all, 1986 was a good year. We look forward to many more good years of sailing on and off Lake Mohawk.

LEATHERLIPS YACHT CLUB (27) Ohio District Sailing on O'Shaughnessy Reservoir, Columbus (Powell), Ohio

The 1986 sailing season was characterized by small numbers and very close competition. Tom and Carl usually could be found near the front of the fleet but other fleet members including George Hodge, Paul Howald, Sam Fairchild and Joe Hetzel became more competitive and won some races themselves.

During the Fourth of July series we all switched crews and boats, which humbled Tom and Carl somewhat when their crews told everyone on the club porch the real reason they were usually fast.

Our annual regatta attracted fifteen boats including good friends from Cowan Lake and Buckeye Lake. The top five finishers were Jim Dressel, Dan Dressel, George Fisher, Tom Varley and Carl Clipp. Even though they finished third and fifth, after Carl beat George by half a boat length in the third race, George signaled he still thought Carl was number one in his book.

Although no one was able to sail at Kingston, Tom and Carl traveled to quite a few Ohio regattas and placed well in almost all.

We cordially invite all our friends to attend the 1987 Windshift regatta or just drop by when they visit Columbus.

The season started in May with the First Annual Great Lakes Championship Regatta. Commodore Bruce Goldsmith combined all the best ideas in one regatta: no scoring, no registration fee, free beer and live video tapes of the races narrated by Bruce and Bill Shore. This regatta featured several short races in all kinds of weather punctuated by a beer-potty break during a thunderstorm. The winner was Colin Park.

Our regular season began with the Memorial Day Series won by the Bill Rogge/Bruce Goldsmith syndicate. Hank Hodgson won the 4th of July Trophy, Dick Elwell won the July Stay-At-Home Series and Hank Hodgson won the Labor Day Series.

The Michigan Women's Championship and Junior District Championship were held in July. Beth Tibbs, with crew Joni Southard and Laury Elwell, is the new Michigan Women's Champion. The Michigan Junior District Champion is George Sipel Jr. sailing with crew Craig Gabel and Jim Kapnick. This is the fifth consecutive win for George. Congratulations to both teams.

Our two fun races are the Round the Lake Race and the Night Race. Bruce Goldsmith put eight or ten people on his boat and won the Round the Lake Race. The same tactic didn't work on the Night Race. Hank Hodgson was first, then everybody, and then Bruce.

The Fleet Championship is determined by the regular Sunday races. Fleet Champion for 1986 is Jim Sayre; Runner-Up is Hank Hodgson.

The 43rd This One's For Fun Regatta was held in September with 33 Lightnings from Wisconsin, Illinois, Indiana, Ohio and Michigan participating. Many thanks to all the eager people who assisted at the regatta. Results were: John McCree, first; Colin Park, second; Paul Militzer, third; Merrill Bales, fourth; Mike Dow, fifth; David Nichols, sixth; Hank Hodgson, seventh; Doug Dchmal, eighth; Bob Mathers, ninth and Bob Fiddler, 10th.

Special awards included Best Crew, Bill Baker; Novice Award, Dr. Clyde Brasher; Sportsmanship Award, Bruce Goldsmith; Most Improved, Dan Norton; First Mate Award, Mary Clemes and Board of Governor's Award, Russ Richart.

Fleet 31 sailors distinguishing themselves elsewhere were Bruce Goldsmith and Hank Hodgson in the Michigan Districts. Bruce says that his finish at the North American Championships wasn't that distinguishing. At the Junior North American Championship Dan Norton was third in his first year with a Lightning. Hank Hodgson won the Rebel National Championships.

A special thanks goes to the people that make it all possible; our very

competent Race Committee. Thank you Chris Tibbs, Lynn Elwell, Martha Brasher, Kay Fernamberg and other able assistants. Thank you also to those who hosted special parties for the fleet: Merrill and Judy Bales, Dr. Charles and Kathleen Smith and Jack and Chris Tibbs.

Everyone at Fleet 31 knows that we have some very promising young sailors. They include Dan Norton, George Sipel Jr., Craig Gable and Amy Hodgson. Their's may be the only names in this article next year. Stay Tuned!

The Year of 1986 bought a total of 50 years of sailing on the Metedeconk River to members of the MRYC. For most of those years the Lightning fleet has been a major component of the club's success; a history of fine organization and many fine sailors.

The sailing season for Metedeconk Lightning crews is always long. It begins in early March and continues through late fall in a season of fun on the Lightning campaign. March Lightning sailing means the Southern Circuit with Jim Carson, Paul Gelenitis and Dick Thomas getting a tan and some good races.

Jody Lutz had spectacular success in 1986. Jody won the Newport Invitational Regatta, the Manahawkin Bay Cup, the New Jersey State Championship and the Central Atlantic Districts. Jody continued his fine sailing at the North Americans, finishing seventh. Keith Taboada made his 1986 memorable with a second in the Districts and a ninth in the North Americans. Paul Gelenitis won the prestigious Barnegat Bay Yacht Racing Union Title.

Other significant achievements: Jim Carson continued his fine career with a host of trophies in local events, a third at Annapolis, and qualification for the Championship Fleet at the North American Championships,

Alan Ruiter and Djoerd Hoeckstra for sailing a fine Districts and North Americans, Dick Thomas for qualifying for the 20th consecutive season in the BBYRA, and Brian Taboada and Garold Thompson competing in the Junior North Americans.

Metedeconk hosted the Atlantic Coast Championship in a three race series held on the river. Saturday saw heavy winds heightened with atmospheric lightning and Sunday with calm and variable winds. Frank Mergenthaler of Monmouth Boat Club with a Metedeconk crew of Paul and Jim Gelenitis edged out Jody Lutz by a point for the title, despite Jody winning two of the three races. Jon Schwartz, Phil Lotz and Jim Carson followed in the 25 boat fleet. An added highlight of the weekend: a great dinner run and planned by new fleet member, Leonard Dooren. Thanks to all who made the trip.

The Summer Championship was a very competitive series with four different race winners among the seven races. Dave Ruiter often sailing with young daughter, Stephanie, edged out Paul Gelenitis and sister, Betsy Allison by a slim margin. Following very closely were Craig Dooren, Richard Thomas and Mimi Dimon. We are very glad to welcome former Class President, Djord Hoekstra to our club and have him sailing with us this year.

As we embark on our new 50 years, we look forward to continued fine sailing and competition. We will be holding the New Jersey State Championship in 1987 and we are looking forward to it. Stop by and enjoy.

Fleet 35 chartered in 1942 is the oldest active racing fleet at Corinthian Sailing Club, White Rock Lake, Dallas, Texas, and is ancestor fleet of the now inactive Lightning Fleet at Dallas Corinthian Yacht Club, Lake Dallas, and the Lightning Fleet at Rush Creek Yacht Club, Heath, Texas.

A few of our junior sailors are third generation Lightning sailors. Lee Waskom, age 16, crews for her father, John Waskom, Jr., and Grandfather, John Waskom, Sr., who is also serving his third term as Commodore of the Texas District. Nathaniel Means alternates crewing and skippering with his mother and father, Gay and Richard Means. His grandfather, Luther Griffith of Fleet 175, Shreveport Yacht Club, served as Fleet Captain of the Shreveport Fleet, District Commodore of the Southern District, and a Vice-President of I.L.C.A. Fleet 35, though not growing in number this year, is enjoying increased participation by its members. This years Summer Series averaged five boats per race with a peak attendance of eight boats. A welcome addition to the fleet is Greg Pillsbury who restored Lightning 9776 and hopefully we will see him pleasure sailing and racing.

The weather was wonderful for sailing in Dallas this year with plenty of wind and little weekend rain. Out of 30 scheduled Summer Series races, 22 were held and at the writing of this report all 16 of the to-date scheduled Fall Series races have been held. This is a great improvement since all but two Fall Series races were canceled by weather in 1985.

John B. Waskom, IV handily won the Summer Championship Series with Ignatius Urbanek hedging out Ralph Bilnoski for runner up. Our 1986 Fall Series was very tightly contested, but Ralph Bilnoski managed to take first place with Gay Means a close second.

Many thanks to Ignatius Urbanek who managed to start the races and sail in them at the same time.

Race Committee Chairman Ignatius Urbanek with crew Alan Lincoln.

Fleet 36 began its '86 season by hosting the Spring Classic '86. The regatta was a repeat performance by Matt Fisher, Buckeye Lake, OH, first, and Dick Hallagan, Newport Yacht Club, NY, second. This regatta was the first of the Ohio Governor's Cup Series.

This season saw the passing of last year's Fleet Champion, Dave Lewis, and long-time Lightning supporter, Betty Zabel, who both sailed their final race. Our deepest sympathy goes to the families of these faithful Lightning sailors. They will be sadly missed.

The Spring Series was won by John Swartz, John Werley captured second and PYC's first Adams Cup skipper, Jonette Maras, finished third. The Saturday Series honors went to Jack Borland, Bob Scher, Vic Maras, and Len Ciccone, in that order. The Sunday Series results were Rob Ruhlman, first, Jack Borland, second, Phil Wedemeyer, third, and Vic Maras, fourth.

The Independence Day Regatta was superbly won by Matt Frymier of PYC, who showed the old folks and the not-so-old folks how it is done.

While Rob Ruhlman was away at the North Americans at Kingston, the Stay-at-home Series found Jack Borland first, Bob Scher finishing second, Ed Werley pointing third, and Len Ciccone hanging in there for fourth. Jack Borland was victorious in the Fall Series with John Swartz second, Vic Maras, third, and Scot Werley, fourth.

As the final points were tallied by Race Chairman Ed Werley, the Fleet Championship Series was won by John Swartz, Jack Borland succeeded in taking second, Vic Maras persevered with third, and Bob Scher managed a fourth.

The '86 season was pumped up by three very enthusiastic additions to the starting line. They are Len Ciccone, Phil Wedemeyer, and Rich Huck. We'll be hearing more from these sailors as they figure out "which way to go."

As soon as sailing season was over, weddings of second generation Lightning sailors, Dave King, Vic Maras, and John Werley, became the highlights. The annual meeting was planned for early winter.

Fleet 39 had a very active 1986 season; completing three separate series at home, hosting the Chelsea Open Regatta, and recruiting three new skippers to join our ranks for the 1987 season. In addition to increasing our fleet size to the largest it's been in four years, we also had the largest representation by our skippers at District races in the same amount of time. Frank, Jerry, Don, Bill, and Mike all had their boats on the road this year. This little fleet on a tiny little New York river is making a big comeback.

At home, Don Williams came back from a long absence to win the first two series of races. Michael Pike, the defending champion, attempted a strong comeback, winning the last series. The fight was exciting but Don and his family held on and ended the '86 season as the new Fleet Champions. Jerry Cavagnol captured the annual "Tommy Tippy Cup" award with three capsize. This was a rough initiation to his first full season as a Lightning skipper. We hope that '87 will be a drier year.

The annual Chelsea Open, the third leg of the Mid-Hudson Circuit was unusually damp. Although the wind was light and the rain was heavy the regatta was pulled off. Rich Miner of Lake Mohawk took first, followed by Gary Hurban of Nyack and Bill Muth of Chelsea. Bill is doing exceptionally well for his second year of skipping a boat. Look out Metropolitan District sailors, he's hungry for trophies! In addition, the Chelsea Open hosted some very special guests this year. Seven Dutch boats from the Statue of Liberty Celebration sailed up the Hudson and joined us for the festivities following the races. This added an international flavor to our club and language differences were no hindrance to having fun.

Sailing activity at Fleet 43 was limited in early 1986 due to low water level but that didn't stop the fleet from having good success at other regattas.

Matt Fisher won the Spring Classic at Pymatuning and Jim Dressel won the Lake St. Marys Regatta. Dan and Jim finished fifth and eighth respectively at the Niagara Frontier Regatta at Buffalo.

Fleet 43 made an excellent showing at the Ohio Districts, taking the top five spots. Matt was first, Will Petersilge second, Dan Dressel third, Jim fourth, and George Fisher fifth.

Dan and Jim went on to Kingston to have good showings in the Presidents' Cup.

After a series of twelve races, Dan Dressel was named Fleet Champion and Jim second. Congratulations Dan!

One can see that 1986 was a year of compound growth for Fleet 50: more members, more parties, and more boats on the starting line. The return of Frank Gallagher to Potomac waters raised the level of competition in the fleet by a notch (though lowering aesthetic standards), while the arrival of new members George Dehney and Doug Dixon with new boats holds promises of things to come. In the midst of all this change, the "old" river sharks, Barrett, Dillard, and Gentile, fought tenaciously for their positions and the second year class of Watson and Swanson continued to learn their way around the river.

Fleet 50 starts racing in late March, but the big event comes in April, the Annual Potomac Cup, sailed out of Leesylvania State Park near Quantico, VA. This year, 18 boats from all over the Dixie District were treated to ideal sailing conditions on the broad and deep Potomac estuary. First place went to Phil Grotheer of Washington and Annapolis. A beach party followed, with all the steak and potatoes hungry sailors could eat. We hope to see more friends, old and new, at the 1987 Potomac Cup.

After the Spring Series, Fleet 50 sailors scattered to the far corners of the

District for more racing, including a new regatta in Richmond hosted by Fleet 496 and then returned to the Potomac for the President's Cup, which was won by Gallagher, followed by the 8th Annual Lightning-Thistle Challenge, also won by "Cap'n Mean." The Challenge, which attracted some of the best Thistle sailors in the area, was postponed by a month when winds of 25 plus knots cleared the river of all except board sailors and Lightnings. The resail was a drifter, giving the Thistles firsts across the line, but losing on corrected time.

As the year draws to a close, we are still sailing and still having fun. The Borderline Regatta was great: thanks again to Fleet 481. Fleet 50 is thriving and looking forward to 1987.

This last season was a good one at Crescent Sail Yacht Club with predominantly medium winds tending toward light. A total of 38 races were sailed on Lake St. Clair with Tom Vickers ending first; Jack Schulte, second; Kevin Hughes, third; Dick Drew fourth and Paul Andrepont, fifth. Tom Vickers traveled extensively this summer, returning to fleet races occasionally to remind us who was champion. Other fleet members did battle on Wednesday and Sunday with close finishes and healthy competition. Jack Schulte with Laura and Linda, and Kevin Hughes with Tony Grix and many, alternated first and second finishes when Tom was out of

I.L.C.A. ADDRESSING SERVICE

Most of the Fleet and District Officers listed in this Year Book held office during the calendar year 1986. Names and addresses of current officers may be obtained from I.L.C.A. Headquarters.

Some of the Members listed in the Registry of Lightning OWNERS have moved since the Registry was prepared. Current addresses may be obtained from I.L.C.A. Headquarters.

We offer addressing service to Fleets, Districts, and Yacht Clubs. We will address labels at 10¢ per name for any District. Additional charge is made for the amount of postage required to mail them to you. Names available are those of Lightning owners who are in good standing for 1986 and 1987.

This service is also available to Lightning builders and sailmakers at 15¢ per name and to others at 20¢ per name.

town. Rumor had it that Laura and Linda threatened mutiny if Jack's boat didn't start finishing better. Whatever happened, they sailed strong through the summer!

Dick Drew did well early in the summer but did not finish strong toward the end. He was once heard saying that trouble started when he tuned his boat in line with current practices. Speculation has it that next summer will see those loose, saggy shrouds again!

Paul Andrepont sailed consistently through the summer although not finishing up front. Some say he was perfecting tune and technique for the '87 season! The Dutchman Boys, Craig Hupp and Bob Brower, sailed well, but missed some races later in the season. Mike and Maureen Konon did particularly well on Wednesday nights with a fourth in this series. Mike's Crew Recruiting Service experienced a dismal year with several disappointments. In one instance a promising candidate was never heard from again following Mike's lessons in boat capsize and rescue techniques. Mike was later heard questioning the crew's sense of humor, which all of us unanimously agreed was lacking. After some debate whether this was the shortest lived crew on record, Maureen Konon decided to set an uncontested Fleet 51 record. During our Annual Lobster Roast, after much wine and cheer, she made the mistake of pointing out there had never been a female treasurer for the fleet! Congratulations, Maureen, on your newly appointed post and fleet record!

Next year's goal is to get Mike Williams and Ron Summers in the water more. In Mike's case we have enacted the fleet fertility rule which clearly states no more mid-summer babies. In Ron's case we are lining up crew to fill in for Doug and Tracey next summer.

Our June Invitational Regatta was successful in spite of light and shift winds. Final standings in order of finish, were Colin Park, Bay City; Tom Vickers, Crescent; Dave Nickels, Fenton; Dave Marriott, Pontiac and Bob Mathers, Pontiac. We are planning for greater attendance next year and definitely better winds.

In Fleet 53 we fill in the trophy list at the beginning of the year.: First Place — Nickels, Second Place — Nickels, Third Place — Nickels. At the end of the year we will in David, Herman and George in the appropriate slots. This year it worked out in that order in the Sunday Series. David was too busy building boats to sail the Wednesday Series and it was George, Herman and a stranger, Paul Militzer.

As a result of these constant fifteen cent finishes, the bottom half of the fleet bought a separate trophy three years ago to be awarded to the best sailor in the group during the Labor Day weekend. The only requirement for eligibility was that the sailor acknowledge publicly that the only way he would ever win a trophy in this fleet was to help buy this one. There were a few non-Nickels diehards who were not willing to make this admission, so participation was a bit limited but competition was spirited. This is an item of news primarily because the Fleet Secretary was this year's winner.

The fleet again hosted the Michigan District Team Championships in June. Five teams competed this year and the Lake Fenton Team of David Nickels, George Nickels, Herman Nickels and Paul Militzer retained the Championship for Fleet 53.

Walt Plamondon earned the Margaret Nickels Trophy as the most improved sailor for the year. It was no contest.

Fleet 54 had a busy year. Louie Nickels won the Bug Out Regatta on a chilly May 4th. Louie also won the Spring Sunday series. Sean Fidler won the Spring Wednesday Series. Louie Nickels also took home the Summer Sunday, Summer Wednesday, Match Racing, and Summer Overall Trophies. What a year Louie!

Sean Fidler won the Commodore's Challenge Regatta. His father, Bob Fidler won the White Cap Invitational on Sept. 6-7. Bonnie Nickels was a very close second in the Womens Districts. That same weekend, Sean Fidler finished second at the Junior Districts. Sean may have won if he hadn't tried to fly the spinnaker when he was out in first place when it was so windy. In August, Sean went to the Junior North Americans.

Bob Fidler, Robert Mathers and Clarence Holman all participated in the Lightning North American Championships.

Pontiac Yacht Club had a great showing at the Michigan Districts as we had over a third of the boats present. We are starting to get a younger more active fleet again. Although the winds were shifty and acceptionally light all summer, there was never a dull moment. As the dock came out and the leaves were raked in late October, everyone was looking forward to a new sailing season in 1987. See you all next year!

If fleet races were money in the bank, Fleet 59 would be bankrupt this year. We simply had no races at the NSC for the first time in over 40 years.

More compelling reasons, however, than the usual "no wind" or "too much wind" came into play in '86. Stalwarts Taylor, Walker, Schmiede, Taulbee and Compson just couldn't seem to get together. Dulski didn't even get his Lightning off the trailer.

Kathy and crew, poor souls, spent the summer in Europe where, among other things, they visited a Swiss fleet which had no races either. Not to be outdone, Judy's crew toured Africa, leaving Judy looking for crew. Cal spent some time in Los Angeles; Gordy was usually busy doing whatever Gordy does when he's not sailing, and, horror-of-horrors, Dale was occupied outfitting and sailing a newly acquired boat of "another class" too vile to mention. To assuage his guilt feelings, rumor has it that he will sell the venerable 11501 to Jeff Weidl, who promises to actively campaign next year. Welcome to the fleet Jeff!

Judy and Cal did manage to get in some racing at regional regattas such as the NFIR's, Chautauqua, Oswego, the Districts at Toronto, and all three legs of the Fall Circuit. Cal attributed his decent second place showing at the NFIR's to the fact that substitute crew Brian Starck kept his mouth shut on tactics so that Cal had only to contend with bad advice from one crewman rather than the usual two. Judy went to the North Americans but not to sail. Her competitive juices dried up when she learned that her participation would be required in ten races over five days. No fool, she decided it might be more relaxing to man a rescue/press boat; content in the knowledge that she'd need all the rest she could get before assumng her new duties as a VP of the Class. Congratulations Judy—and let's hope we have better luck racing at the fleet level in '87.

Consistency was the key for Rob Exon in the 1986 Season Championship Sunday Series. With four firsts, four seconds, and the best performance in the fleet in both the District Regatta and the Club's Championship Regatta, Rob and his crew of wife Karen and son Jamie won the 1986 Fleet 60 Championship. Rob also served as Commodore of the Shawnee Yacht Club.

The Holiday Series was won by Bill Pooler, who proved once again that a well-sailed woodie can take the measure of the GRP's. This series consists of two races each on Memorial Day, July 4th, and Labor Day. Although

the July 4th races were lost to a mast-pretzeling blowout, Bill led this series from gun-to-gun and proved that those who aspire to this trophy must deal with (the) *A Proper Boat*.

We started the year with a seminar at HYC in January. Al Morton went to the Master Mid-Winters and WON. Great sailing Al. The Spring Series didn't start on account of cold water but finally did after the Long John and was won by Jack Huntsman with Henry O'Hern and Dad. The Long John, finally Jack Huntsman, Henry and Frank Mergenthaler won but almost got beat by Sandy, Ron Freund and Larry Colantuono who finished second. Dick didn't make church this year either? Sandy won Memorial Day and also the Magnus Peterson at Nyack the day before. Pat Corr, Patrick Corr and John Brewster split honors in the other home club regattas.

Some of us traveled; some good, some not so good regatta-ing. Those that combined roller skating and yacht racing found their bodies hurting.

The Districts, hosted by Fleet 70 were won by Jack with Bill Clausen and Henry. Second was Jon Schwartz with Will Jeffers and Matt Smith, third was Sandy with Ron and Larry, fourth was Rob Held with Laurie Colantuono and Kevin Corr.

Jon and Sandy went to the North Americans and sailed in the Blue Fleet and may go to the Worlds. We visited Metedeconk twice, Surf City (super party with dance and hangovers) and ended the season with Fall Has Fell won by Rich Warren of Surf City. Sandy with Henry and Ron was second — a tie lost again. We returned the hospitality of Surf City and had a grand old time again. Some of us are looking forward to skiing, new boats and lots of good sailing in the coming year. Come join us.

Nyack had 36 scheduled races on our calendar this year. Out of those we managed to get 29 started. Al Klingler won 15, coming in first in all three of our series. Congratulations to our current and continuing Fleet Champion. Al continues to display and enjoy wonderful sailing, good sportsmanship, and quality crew every weekend. Al Klingler is a boost to racing in our fleet.

In our Spring Series Bill Cook came in second, with Gary Hurban steering the boat as they prepared for the North American Championships. Third in the Spring Series was Kathryn Dalmas, with Paul Connell as crew and coach. The summer doldrums faded out with Howard Rinehart in second, and Elliot Carman in third. This fall fizzled, which is unusual for us. At the finish it was Paul in second, back with his own boat and keeping Al on his toes. Kathy ended up with third.

Overall season placings are the Hurban/Cook boat as runner-up; Kathryn Dalmas third; Elliot Carman fourth and Howard Rinehart fifth.

The fleet also wishes to extend sincere thanks to all the people who are constantly helping out. Best crew is Elissa Hall who's there every week and helped with every regatta. Kiera Burtch was a big help at the Magnus Pederson Regatta, and got to see an ensign sink later in the fall. Mary Rinehart did a good job at our Annual Last Blast Regatta. And to all the others who were out sailing Sundays and serving patrol; Thanks! Congratulations to Art Stahl, our new fleet member who raced twice and won the second one!

Nyack has the Districts next year. We hope to see everyone there to warm up at the Magnus Pederson Regatta. You don't have to sail in our Districts to be welcome. See you then!

DON'T MISS THIS ONE!

It will go into the books that 1986 was a year of transition for Fleet 77 and Newport Yacht Club as a whole. After fifty years of bickering, the Army Corp of Engineers opened a channel joining our private pond, Irondequoit Bay, and Lake Ontario. The immediate result was a tenfold increase in power boats on the bay causing numerous close-calls, treacherous wakes, destruction of docks, and a general decline in sailing participation.

Fleet 77 still boasts one of the largest Lightning memberships in the Class with thirty six boats, and we took on several new members. Yet, sailing on a closed body of water with noisy, rude, and simply ignorant power-boaters just wasn't fun anymore for many of our sailors.

Our predicament was discussed at many committee and membership meetings. Basically, it was as if Newport Yacht Club was magically transported to a new and foreign body of water. The overall feeling was, and is, very encouraging because we decided to make the most of our situation and turn it into something positive. Some of the planned changes are: A \$13,000.00 plus, dock improvement and replacement program; Purchase of new, and upgrading of old, club crash boats; Scheduling regular races on the open waters of Lake Ontario as well as on Irondequoit Bay; Starting a junior sailing program to encourage one-design racing; An increase in dues structure in order to maintain a high level of upkeep at our club. These and other changes should make Newport Yacht Club and Fleet 77 one of the premier sailing locations for one-design racing in the northeast, with both open water and inland bay sailing available to members and guests.

Now, about our racing season. Fleet 77 was proud to send four boats to the North Americans this year, with Mark Sertl finishing fifth overall. Dick Hallagan was Fleet Champion while winning the Spring Series. Yours truly, George Sereno, finished second overall, taking firsts in the Summer Series and in the Fall Series. Quickly improving, Dave Jungjohann finished third overall, winning the Most Improved Award.

Dick Doherty had another strong year, and hopes to be back in form next season following back surgery. Dr. John McIntosh was going fast as usual, while Allen Hamilton was breaking in a new crew, grandson, Chad Atkins, age 9 and eager. Barb Platt made a strong finish of third in the Fall Series. Steve Sahs had his hands full this year with his successful restaurant, The Reunion Inn, but still found time to be a real threat in every race he entered.

Congratulations to Jody Lutz, winner of the Newport Invitational Regatta against 35 tough entries representing 14 different clubs from the U.S. and Canada.

It has been my pleasure to be Fleet Captain this past year, and I thank Secretary Dave Jungjohann for all his help, as well as all the members who put on our annual regatta.

We begin racing in May and guests are welcome to race on Sundays throughout the season.

See you at the Newport Invitational Regatta next spring.

Fleet 85 sailors were "on the road again" in 1986! Starting with the Long John at Red Bank and the Early Bird Regatta at Cedar Point, to the North Americans in Kingston, Ontario, right through to Cedar Point's Fall Classic, Spofford, and the Manahawkin Bay Cup at Surf City, N.J., Niantic Bay was well represented along the upper Atlantic coast.

Events at NBYC this year included hosting 24 boats for the CT/RI Districts (taken by Jim Crane with three bullets), and the Connecticut Governor's Cup in September which, with the addition of a D.J. after the cocktail party and steak dinner Saturday evening, made a great event even better! The regatta was won by Phil Lotz of Cedar Point, regaining what must be the largest trophy awarded for a Lightning Class regatta for the third time after coming up just short in 1985.

This year's North Americans saw one of the largest contingents in recent years from NBYC with four boats making the trip to Kingston. John Oldham and Don Barrett qualified for the Championship Fleet for the third year in a row. In the Governor's Cup, Dave Dickerson, sailing with consistency, finished 11th and Chris Vann and family finished 16th overall. Other than a couple of freshwater dips to break things up and an occasional close encounter with a hovercraft, it was a thoroughly enjoyable and successful outing for NBYC sailors.

Back home on the Bay, the season was won by our illustrious Fleet Captain, Franz Edson, with Gary Davis a close second. John Oldham, last year's Fleet Champion won both the Memorial Day and 4th of July series', and just missed winning the "Triple Crown" for the three Holiday weekend series' in a fierce tacking duel on the last leg of the last race of the Labor Day Series to Don Barrett. Who says we don't have match racing skills?

Last, but certainly not least, we're very excited about and supportive of our Junior sailors at NBYC, and to that end, Fleet 85 made available six Lightnings for the USYRU Area B finals of the Sears Cup. NBYC's team of Adam Walsh, Jay Vann and Mike Vann just missed a trip to Mississippi for the Championship by 1/4 point to a team from western Long Island. At our CT Governor's Cup, Jay Vann and Heidi Dickerson with Adam Walsh at the helm of the Dickerson Lightning, had a second place finish in the third race, and placed eighth overall against some of the best Lightning sailors in our District.

We look forward to welcoming some new members to our fleet next year and to another successful season. Make a point to set aside the weekend of Sept. 12-13 in 1987 to attend one of the great regattas in the Northeast, Niantic Bay Yacht Club's Connecticut Governor's Cup.

Hi — We're back — Like the America's Cup too, we hope. It must be noted here that we definitely were in business in 1985 but our Fleet Report for the successful year per past patterns did not get printed due to a gross oversight. . .everybody thought "George did it."

Our 1986 season, June thru Labor Day weekends, totaled 25 races of which only four were cancelled — attesting to lots of action this summer under our sails. Oh yes, we're experimenting, too, with allowing two "men" to run the boat during fleet races only and it definitely does get the boats out to participate.

Although three of the four series were won by Nick Santoro and Co. and the fourth (first series) by Bob Sengstacken, etc., (a coarse description meaning crew) Nick finally captured the Championship Plaque by an "average" rule in our scoring system. This gave him a half of a point (enough to break the season end tie) which he acquired when he was OUT OF THE BOAT serving on Race Committee!

The SAME half point cost Ron Wulff a series when all he had to do was stay upright. But, Ron had one final lesson to teach his new crew — how to recover from a capsizel! Lou Van Hoff dumped his gang for a first time too, at the other end of the course on an earlier spinnaker takedown. Ron will tell you our rescue boat was "Johnny on the spot" but Lou won't agree with him cause he went unnoticed, there being only one chase boat and THEY were watching the WINNERS!

Bob Sengstacken started the season right off with five straight bullets —then the wind shifted to Ron Wulff for three straight as his new crew started clicking — and thereafter Nick Santoro started his winning effort that took through the Labor Day weekend effort that took through the last race on Labor Day weekend to complete his coup. And so. . .our 1985 Champ and Runner-up reign for another year. BUT. . .newcomers this year Dan Murphy and Bill Smith are heartily welcomed and other boats are expected to join them in 1987. How do they say. . .ask the Cracklin Rose. . .when you've got it, flaunt it!

Our home season ended as we hosted our famous Whiskerpole Regatta the following weekend for visiting friends who enjoyed the barbecued lunch, sody pop and beer between and the Italian buffet after our three race affair while watching the colorful sunset over the mountain from the pavilion deck on the lake's shore.

During the fall some of us roamed the neighboring regattas — not wanting to miss "that last sail." We were not disappointed! Such is sailing the Lightning in the fall. I now go to "catch a fallen star."

Fleet 104 experienced a very pleasant sailing year for 1986. As usual Barnegat Bay weather was quite unpredictable from week to week and strong southerly winds seem to persist on Sunday afternoons, coming up about one o'clock just before our afternoon races. The rough water and gusty winds caused much havoc, particularly with the spinnakers.

Our fleet continued with the slogan "Think Lightning" and we continued the Sunday morning practice of assigning one skipper to have a boat available for anyone interested in watching the morning races. We called it the "Love Boat" assignment. Many of the members taking advantage of these jaunts started asking questions about the Lightning and some of them even took the tiller. The interest that has developed as the result has been very encouraging for our fleet. When we look back to 1984 when we only had two boats, things are happening. Our ranks grew to five in 1985 and eight in 1986. We are anticipating further growth in 1987.

The interest that has developed is largely due to the friendly attitude of the skippers and crews. They all assist each other and while we are not great sailors by normal standards, we do have a competitive fleet amongst ourselves and are learning something new every time out.

We started 1986 with a three week Spring Series, then a tune-up race followed by the regular season which saw lead changes almost every week down to the final race when any one of five boats were in contention depending upon the finish of the last race. Bob Hoffman and sons Larry, Skipper and Tom won the series with some nifty sailing and even won the Bottoms Up Trophy for capsizing on one of those gusty afternoons. Dr. Anthony Ventimiglia, brother Gene and nephew Tom came on strong the last few races to finish second. Bob Morrow, a new member, with brother Matt and Meredith Schreyer finished in third place. Chris Larsen, George and Bobby Schreyer were fourth; Bill Dacosta, Walter Krueger and Joan Young were fifth; Don Cooper, son David and Jack Nile sixth; Bill Scott, son Peter and Joe LaVecchia seventh; Mike Farren, brother Art and Karen Totams, eighth.

Our Vice Commodore, Norm Young and his Race Committee provided some interesting courses, particularly the last race of the season when one of

the furthestmost markers was nowhere to be found. A substitute had to be placed far in advance of the lead boat thus lengthening the race by a good margin. All in all, the Race Committee exhibited much patience with all hands during the season.

We started our Fall Series on Sept. 14th, had a wonderful picnic after racing on the 21st and hope to sail well into October before packing it in. The winds seem more consistent late in the year and there is almost no boat traffic to worry about. In short, we all have the bug and it looks like others are looking forward to joining our ranks for 1987.

Our fleet hosted the Central Atlantic District Championships in July and while none of us finished in the top twenty, we did learn a lot and enjoyed having all those good sailors at our club. It was a great show of friendship and at last report, all hands thoroughly enjoyed the affair.

Our season got under way at the Higgins Lake Boat Club with our annual Firecracker Regatta. Shifty winds and damp conditions accounted for a light turnout on Saturday. It was better on Sunday as we concluded with a potluck dinner and magnificent fireworks display. Fred Krauss persevered to take first place with John Dent in second place.

The Higgins Lake Boat Club Invitational Regatta took place Aug. 2-3, with many North American qualifiers participating. Unusually strong breezes with an occasional thunderstorm kept the whole weekend interesting. Tom Vickers ended up in fifth place with John McCree taking fourth place honors. Our own Mike Dow captured third place and Colin Park finished in second place. The eventual North American Championship runner-up Garry Demarest took the first place trophy with a fine show of helmsmanship, team work and boat speed.

Our season concluded on Labor Day weekend with our annual Property Owners' Regatta. Again, Fred Krauss took first place honors with John Dent ending up in second place. That evening our annual banquet was held in Grayling. Various awards were presented including our Lightning Class Overall Season Trophies. This series too, was captured by Fred Krauss. Rick Blamer finished in second place and John Dent was third place overall to conclude our season.

The year 1986 was characterized by the lowest number of boats sailing as part of Fleet 112, yet the level of competition was high. Under the able control of Race Committee Tom Phelan and his crew of Marge Hopkins and Jane Stennard, 11 boats were usually on the starting line every Monday and Thursday evenings throughout the summer. Most every race during the evenings Spring, Summer, and Fall Series was very close. Many races found the first place boat only 30 second ahead of the last place boat. This kind of racing resulted in many post race discussions about tactics. Despite all the pressure from Terry Phelan, Jim Hopkins, Jim Knorr, Doug Olson and others, Jim Gagnon won the overall Season Championship.

The annual Evans Regatta in June brought more than 20 Lightnings together on what turned out to be a windy regatta. Winds started at 15 mph and went up from there. The planing reaches under spinnaker proved to be the undoing of some of the sailors. The stories were great. Tryg Jacobson of Sheyboygan after many tries in recent years, won the regatta with a demonstration on how to sail a Lightning in heavy air.

Green Bay sailors did some traveling this year to Indiana, Illinois, and Iowa as well as many regattas in Wisconsin. The Phelan brothers, Terry and Brian, each won a regatta.

With Lake Michigan and Green Bay at record heights, we are looking forward to many very good years of sailing ahead.

Finally had a year with lots of water! After a poor 1985 season, the summer of 1986 was a great success. Our sailors traveled to many area clubs and we hosted our annual Three Lakes Regatta which was well attended by our friends from Silver Lake Yacht Club. We are looking forward to another great season in 1987!

This year was our club's first year and we were all busy as beavers preparing our boats so we would be flying into the North Americans. We were well represented and managed to place one boat in each fleet as planned. Our club racing saw some 50 plus races and Keith only dumped once. Next year promises to be even better with Bill Hunter getting his boat back and at least one other new boat.

This was a unique season for Madison Beach Club in that there was wind every single race day. The season began with Michael Sulzbach, Jim Johnstone/Jim Deephouse, Richard Grant, and John Ronshagen/Jay Jackson within striking distance of first place. By the middle of the season it had become a battle for first between Johnstone and Sulzbach and for third between Ronshagen and Grant. By the second to last weekend, another day with good air and exciting reaches, the final four had been pretty well locked in. Michael Sulzbach finished first largely due to the superb crew work of Chip Walz and Josh Gleason.

It is nice to have Rob Erda participating in the races. Rob with the aid of Jay and Peter Renehan as crew, decisively won the final race of the season.

Madison's sailors dominated the lightly attended Long Island Sound Championship which will be moving from Madison to another club next year.

The Seattle Fleet sails on Puget Sound at Shilshole Bay. We start our season on the last week of April, sailing every Thursday evening until late September. We wrap up our season at the Corinthian Yacht Club sponsored Fleet Championship Regatta every October. The Thursday evening races are broken into four series of four or five evenings each, with two to three races each evening. Most of our races are once around a small triangle so we get a lot of practice starting and some good reaching practice. We also have a weekend regatta each month from April to August and most fleet members sail on the Pacific Northwest Lightning Circuit.

This year the wind in Seattle has been lighter than usual; we actually sat in the parking lot three Thursday evenings this year, an all time record. However, we made up for it by hitting Godfather's Pizza Parlor at least 12 Thursday's in a row.

We started out the season with the Spring Tune-Up Regatta on the last weekend in April. Bruce Deitz won the first race and the regatta with his new boat *Sail Tough or Go Home*. In the Opening Day Regatta we had

some good air and several capsize. Eric Lindahl, in *Over Easy*, and Bruce both dumped at the jibe mark, Eric in the first race, Bruce in the second. Ken Dunkelberg capsized *Wheaties* at the drop and lost another mast, but Art "Animal" Green sailed every race in *Aha* and took second in the regatta behind Bruce.

New fleet member Tom Anderson came out late this year with *Hot Chocolate* and impressed everyone with some good races. About a month into the season Pam Hsu, sailing her new boat *No Problem*, started doing well immediately with two seconds on the first Thursday she raced it. Eric started to warm up by the Spring Olympic and took first. Phil Wong in *Dandelion Break* came on strong in this regatta with a horizon job in one race and a good finish in another.

Like most of the other fleets in the Northwest District we have a strong contingent present at the circuit opener in Eugene, OR on Memorial Day. As a fleet we fared well, with Eric taking second, Alan Hunt third, Bruce fourth, and Ken sixth. The fleet did well in Vancouver, B.C. at the Kitsilano Regatta with Alan first and Eric second. Our best performance, however, was at our own circuit regatta in October where Eric took first, Alan second, and Bruce third.

Our fleet, though small, is very active. The season started in January with the well attended Sugar Bowl Regatta held in New Orleans, LA. Mitch Bohnenkamp sailing an excellent series defeated the local favorites to win this one. The first spring race of '86 was the Azalea Trail Regatta held at Buccaneer Yacht Club in Mobile. Flying Scot District Champion Kenny Klienstrodt sailing a borrowed boat won this one easily. The following weekend, it was off to Fairhope for the Dogwood Regatta. In this series Robert Bernhardt handled a competitive fleet to inch out a first over Robert Jeffcott.

Our next adventure took us back to the Southern Yacht Club in New Orleans for the One Design Regatta which was won by John Bohnenkamp sailing his father's boat. As normal, the Spring Regatta in Mobile had typical conditions as the three previous years with blowouts on Sunday's race. The two race series was won by Mitch Bohnenkamp. The Dauphin Island Regatta which is a long distance fun race comprising some 300 plus boats with 30 different classes is always on top of our list for the fun racing and the partying. Mitch Bohnenkamp, coming off a win in the Spring Regatta, captured first along with the George Rogers III Trophy for first corrected on design. The Lightning has won this trophy for the last three years.

The Gulf Yachting Association Championship was held in Pas Christian, Miss. Robert Jeffcott arriving late, finished second behind Roger Evans of New Orleans. Our last race of the year was the annual Wadewitz Regatta at Fairhope Yacht Club. This was well attended with several out-of-town boats, and a good time was had by all. Robert Bernhardt sailed a great series to win with Robert Jeffcott winding up second.

In closing if any of you are in the sunny south please call on us for some Southern Hospitality.

It was another active year for the Gull Lake Lightning Fleet with a full racing schedule from Memorial Day through Labor Day. The weather cooperated for most of the season and we experienced only a couple of cancellations due to threatening storms or total lack of wind.

We had our exciting moments when the strong westerlies following frontal passages made even the best skippers hang on and only a few tried to fly chutes. In one race seven of the 10 competitors capsized including the first four places who got knockdowns just prior to the finish. It made for an exciting day!!

Along with the regular racing schedule on Saturday and Sunday afternoons, we held a Tune-Up Regatta early in the season. This was so well received that we scheduled several additional informal racing opportunities in July and August.

In late June, Dan Chappell, Carl Engels and David Watt caravanned to Traverse City for the District Championship and enjoyed fine hospitality and challenging sailing conditions. However, Kingston didn't fit into the schedule for anyone from Gull Lake this year.

Nan and Fred Harrison hosted the Annual Sail-To-Breakfast in mid-August at their beautiful home on Gull Lake. We had a great turn out of skippers, crews and families. This is always a social highlight of the summer months and one of the few opportunities to meet all the family members who make up the Lightning Fleet. There doesn't seem to be any shortage of potential skippers and crews.

Returning as Fleet Champion, Tick Ticknor showed his usual fine sailing skills. Dan Chappell and family broke out a brand new suit of sails and made them really perform, finishing the season as Runner-Up, only a few points behind Tick. Third place went to Carl Engels, with Tim VanderMeulen and Dave Decker taking fourth and fifth respectively. Last year's recipient of the Most Improved Trophy, David Watt, moved up to sixth place and Art Riley, our 1986 Fleet Captain, could always be spotted on the race course with his beautiful new, very red, spinnaker.

The 1986 season closed at the end of September with a very successful regatta attended by 27 boats from Michigan, Indiana and Illinois. The

competition was tops and the hardware went home with Bruce Goldsmith, Garry Demarest, Colin Park, David Nickels and Mark Kastel.

As we look toward the 1987 season, we are planning some innovations in the racing schedule in response to the number of requests for more racing opportunities. With the site of the Pan-American Games so close by, we will see that Fleet 137 is well represented at the Pan-American Pre-Game Regatta, May 30-31. What a great way to start the racing season!

The Spofford sailing season was abbreviated this summer almost entirely due to lousy weather. Any reasonable weather always occurred during the week and the more common lousy weather arrived like clockwork every weekend. Only two or three fleet races were completed. Our Fleet Championship is normally held over the July 4th weekend and Labor Day weekend. We completed no races over the 4th, but we did finally get off a hard fought five race Fleet Championship over Labor Day weekend. Tom Fitch of the famous Fitch family steered the boat and family masterfully through shifty winds to become Fleet Champion. Congratulations Tom and family. As if this weren't enough, the Fitches went out and bought 13835 which we understand was a North American winner a few years back.

The fleet was fortunate to have New England Commodore Kip Hamblet join its ranks this year. Kip sailed his Dad's boat throughout the New England District making a fairly large swatch wherever he went. Alex Gemmell and family travelled to Mallat's Bay, Bomaseen, Androscoggin, Annisquam, Squam and Massabesic. Pat MacQueen made Androscoggin, Annisquam, Squam, Massabesic and Cedar Point. Fred Turner, the Fitches, Phil Alther and new fleet member Terry Pindell kept the Fleet's Homefire burning. Terry bought the boat he sailed on with his Dad when he was a kid. Club member Chuck Prigge acquired 12876 and also joined the fleet. Welcome Terry & Nancy and Chuck & Vanessa.

The finale as always to the Spofford season was the never-to-be-matched Spofford Regatta. Lake the summer, things did not start well. Thirty boats and over a hundred people arrived at our club on Saturday (some spent a fairly wet Friday night camped) raring to go. By noon, a steady windless drizzle set in making it clear that there wasn't going to be any racing that day.

That was only the beginning. Next the power went out. With the power went the electrically pumped toilets. Yep, a hundred people in a clubhouse from 1:00 to 8:30 with no johns. As it got darker everyone was looking for

some light. Fast Fred Hamblet pulled in with a generator and hooked it up. Wallah! "BUD Lite". The power however blew out the TV on which we were going to show X-rated movies. Things began to brighten when the bar opened at 3:00 and got better with hamburgers and hotdogs by candlelight.

Sunday morning began looking like a repeat of Saturday, but an uncharacteristic early morning breeze came up and we were racing by 10:00. We completed two races by 2:00 in light northerly winds. Stu Nickerson assisted by six month old Mark Nickerson in the bilge won the regatta. Stu did well tacking when Mark screamed but fell apart when Mark fell asleep. Kip Hamblet continued his top-notch sailing to take second. Dick Hallagan who has come to own this regatta in the past, took third with Bob Shapiro and Clay Murphy taking fourth, and fifth, respectively. It was a great time for all. See you next year.

We had exceptionally good luck with the weather this year, as it seemed to rain quite a bit during the weekdays, and clear up nicely for our weekend racing activities. The wind was generally very fine, and only a few drifters occurred.

Fleet 150's 1986 season was dominated by Bernie Dillon, who was taught to sail by his late father-in-law, the well known Lightning sailor, Tom McDermott. Bernie learned well, and as a result, will have a mantle full of trophies to show for it.

Dillon captured the Principal Series Championship, followed closely by newcomer John Gildee and with Bill Woodrow in third place.

Bernie also took the Memorial Day Weekend Series (Huston Trophy) and the Labor Day Weekend Trophy. The Fourth of July Weekend Series (Ed Stevens Trophy) went to Derek West.

The Wednesday Evening Series Cup went to Bill Woodrow with John Gildee and Ed Brennan finishing second and third respectively.

Derek West placed first in the Sunday Morning Series and John Gildee took second by a very narrow margin.

Bernie Dillon won the Fall Series Trophy followed by John Gildee and Derek West in that order.

One of the social highlights of our season was a fancy Champagne Breakfast put on by our fleet on the 4th of July prior to the morning race. All hands were in a fine and mellow mood when the starting horn for the first race sounded, and the day finished with happy feelings as we sang old time songs to the banjo playing of, who else? . . . Bernie Dillon.

In late September we had one of the most exciting Mansfield Sailing Club Sail-Offs in memory. This Sail-Off is held each year to determine the best overall skipper in our club. The competition is between the top three skippers in the Lightning Fleet and the Flying Scot Fleet. It's a six race

series sailed over a weekend, with each skipper and crew sailing six different boats in rotation. Bernie Dillon emerged victorious following a tie breaking race between he and Bob Preston (Burt's dad). Every other year the boats are changed from Lightnings to Flying Scots, etc. This year we sailed Lightnings. It's an interesting series, and this makes the 14th consecutive year that a Lightning skipper has won the overall Mansfield Sailing Club Championship!

We believe 1987 will be an even better season, and we invite any and all Lightning sailors to join or visit us on Clearfork Lake in beautiful north central Ohio.

Guess who our new Commodore for 1987 is? You're right...Bernie Dillon!!

Fleet racing at Annisquam may no longer take place, but the weekend of July 18-20 demonstrated that it should! The 1986 New England District Championship, hosted by the Annisquam Yacht Club, was marked by beautiful sailing breezes on two of the three days, an exciting series and superb onshore social activities. Don Brush won the four race series (fog on Saturday prevented completion of the scheduled five races), besting 26 other boats. Stu Nickerson won two races, but as has happened so often in the past, one bad race cost him the title. In the second race, Brush and he lost their one-two positions by heading for the wrong mark, then Stu was subsequently disqualified in a leeward mark rounding involving at least six boats.

Following Don were Rob Pratt, Kurt Kling, District Commodore Kip Hamblett (who also did a great job onshore), and 1985 titlist Ray Harrington. Fleet 151's Fleet Captain provided some excitement (and concern for a while) in the last race on a tight spinnaker reach when his crew, C. H. Ritt missed his hiking strap and fell overboard. Georges and his daughter Allison had some difficulty getting their favorite middle linebacker into the boat, but eventually did so and finished the race. Allison was to do likewise at the North Americans in Kingston, but thankfully she was wearing her life jacket. Are these crew trying to tell Georges something?

The sailors left Annisquam on Sunday evening hoping that they would be back racing Lightnings on Ipswich Bay soon. For many of the older members of the Yacht Club, it reminded them of the fun and excitement that regular Lightning racing in Annisquam had once provided.

As the fall settles in and the leaves find their way to the ground, Fleet 154 of the Wawasee Yacht Club is looking back at yet another fun filled racing season.

Many thanks to our Race Committee Chairman, Doug Schmahl, who was very conscientious in setting up our courses. Paul Penn and his committee boat crew proved their consistency also with reliable starts and finishes for us this season.

This year our three holiday series proved to be the sweet victory land for George Buckingham and his crew. Memorial Day weekend George skippered his way to first, Doug Schmahl in second and Dick Boerger in third. The July 4th series once again placed George Buckingham in first place, John Nixon in second and Alan Fox with a respectable third place. Our final Labor Day series found George Buckingham once again placing first with Keith Swihart and Alan Fox following closely behind.

Our fleet was pleased to host the 33rd Hoosier Regatta this year on Oct. 4-5. Twenty one Lightnings from Indiana, Ohio, Michigan and Illinois participated. Winning skippers included Colin Park in first place, George Nickels in second and Louie Nickels in third place.

Our season's best awards were presented at our annual September meeting. Capturing first place as well as the prestigious Cynthia Cup was George Buckingham, with Doug Schmahl in second place and John Nixon in third. The Commodore Cup went to Gordon Medlock with Steve Miller and Ray Gans runners up.

New officers were also elected for 1987 at our annual meeting. They are: Frank Yagi, Commodore; Doug Schmahl, Vice Commodore; Keith Swihart, Rear Commodore; Bob Troutman, Treasurer; Pamela Westfall, Secretary; with Steve Anderson and Ray Swanson as Board Members.

As in the past few years, our social activities included a late winter dinner, carry-in dinners at the club over holiday weekends, and a spectacular July 4th fireworks at John Nixon's home on Syracuse Lake and at Doug Schmahl's home on Lake Wawasee. We were pleased to welcome new members, Virgil and Merry Dee Snyder to our club this year, and look forward to next summer with great anticipation of good sailing and comradery!

1986 was an exciting season for the Willow Bank Lightning Fleet. We welcomed the following new members to the fleet in 1986 (many of them new to Lightnings): 736 & 10370 Craig Thayer, 10705 John Rudd, 10816 Joe Seltzer, 11379 Clay Murphy, 12792 Jacques Naviaux, and 13601 Michael Brock.

We thank them for helping the fleet to secure the Steketee Trophy. Seventeen helmspersons competed for our Fleet Championship, many helmsmen were relieved that we failed to get all the boats on the start line at one time. Leslie Tuttle sailed regularly and consistently well to win a close, season long-duel with Dave Bull, Don Barter finished third. Away from home, Pam Tuttle crewed by Leslie Tuttle and Sheree Skinner won the North American Ladies, Dave Bull managed a sterling performance (3rd) at the North American Masters. Special mention should go to Chad Sinn for winning the much coveted Charter Members Cup at a very tender age (10). The Central New York Districts were hosted by Fleet 164, the trusty Willow Bank Beer Ferry made up for the inconsistent wind and allowed a good time to be had by all. Everyone is encouraged to attend the 1987 Cazenovia Invitational (June 20-21 1987) hopefully, there will be **wind** and a beer ferry.

Members of Fleet 164 proudly display the Steketee Trophy.

The season, '86 was very active and quite successful for our fleet. The number of active boats increased and the first three new boats that were

built in Finland came in to our Fleet. About the success, Kari Maenpaa with his boat *Vahine II* won the District Championship and Hartti Nisonen with his new *Asterix* was the runner-up. They also scored the top places in the District Ranking Series with Jussi Karkkainen being third.

Our season began with some tune-up and practicing in the beginning of May. We needed that little exercise a week later when the On-the-Rocks Regatta was sailed in heavy conditions. As usual, tricky and gusty winds, common to Lake Tuusulanjärvi, caused some very interesting situations. For example, the Masi-team made a real show. First the skipper and then the middle crew went overboard on the same windward leg. With some magic trick, they didn't capsize. Kari Maenpaa won, Jussi Karkkainen was second and Hartti Nisonen was third.

The next ranking regatta was sailed in the middle of June arranged by the Club Merekvijät. It was also the Fleet Championship Regatta. The races were sailed in heavy winds again. The winner was Kari Maenpaa and runner-up Kimmo Aromaa.

The Helsinki Regatta had, this year, seven races during four days. The regatta was last chance for us to test our boats before the European Championships. Terho Aromaa got his new Finland built *Masi IV* finished, and the boat was ready to sail her first race. Even though Terho won the regatta, his comments about the boatspeed were very critical. On Sunday after the last race we began to load our boats on the truck, while sailors from the other classes were still having their prize-giving ceremonies and parties.

At the Europeans in Athens there were seven boats from Finland, four from our Fleet. It was a good chance to advertise the new Finnish Lightning. There were two new Lightboats-Lightnings, Hartti's *Asterix* and Terho's *Masi IV*, which seemed to awake a lot of interest. However, the Europeans weren't a success for us as we just couldn't get enough boatspeed. Kari Maenpaa was the best of us finishing 12th, Hartti Nisonen was 17th, Jussi Karkkainen 18th and Terho Aromaa 22nd.

Shortly after our return from Greece, we had our Districts. This year the race area was Lake Vesijärvi about 80 km north of Helsinki. The winds varied from total calmness to a real storm. *Vahine II* won again despite their capsize in the fourth race. Runner-up was Hartti with his *Asterix*. Jussi Karkkainen was sixth. Kimmo Aromaa with the old *Masi III* was 12th and was better than his father who was sailing *Masi IV* and scored 18th.

The District's were our last ranking regatta and the sailing activity began to fall. However, some races were still arranged. In the Club KSK's 15 miles cruising race *Masi IV* was first and *Asterix* second. Two weeks later, in the middle of September, Hartti won a two-day regatta arranged by Club Lohjanjärven Purjehtijat. Our last regatta was sailed at Lake Tuusulanjärvi with heavy winds and very cold weather. For example, we had to break some ice from our boats before launching. Hartti won also this time.

Kari Maenpaa with his crew Erkki Maenpaa and Oki Wikman are, for us, still almost impossible to beat. Hartti's new *Asterix* seems to be fast. We'll see if Jussi and Terho can find the same boatspeed next season.

Our fifty-first year as Lake Davenport Sailing Club began in May with the opening of the club and with preparations for the beginning of the

sailing season on Memorial Day. As Memorial Day approached the mighty Mississippi provided an auspicious beginning to the season as the water was high and the current fast. Only two race dates were sailed during the month of June as fickle winds and fast currents kept us close to shore. However, July and August brought improved conditions and Ken Jensen won the Summer Series with Mike Steffenson second, Bill Quaintance third, Henry Strieder fourth, and Wes Johnson taking fifth. Ken continued his winning ways by taking the Commodore Series and Reed Doughty took second, Bill Quaintance third, Wes Johnson fourth and Henry Strieder finished fifth.

The summer also brought a new lease with the City of Davenport but the need to build a new clubhouse. Committees have worked diligently planning and we anticipate a new facility next year only several hundred feet east of our present location. This should be an exciting time for our club and a renewed chance for some of us to demonstrate skills other than those involved in sailing.

Our Polar Bear Regatta was raced on Sept. 27 - 28 with a contingent of 16 boats and highly unusual conditions. The wind cooperated Saturday with speeds of 8 to 15 miles/hour from the southwest. However, heavy rains to the north had finally taken their toll on the Mississippi and it was on the rise for a later-to-be record setting fall flood. The current was flowing at 1.6 miles/hour and only the speed and direction of the wind allowed us to sail safely. Even with the fast current and the river deris, three races were sailed and hotly contested on Saturday. Unfortunately, the wind did not cooperate on Sunday and with the increased current it became unsafe to sail the final two races in the series.

Brian Phelan, having put together three good races on Saturday, took top honors with Gene Matthews finishing second. Local skipper, Mike Steffenson, took third and Jim Knorr was fourth in the regatta. Ken Jensen took the Mayor's Trophy for being the next highest finisher from Lake Davenport not placing in the top four. A great weekend was experienced by all, especially with another fine rib dinner served at the Steffenson's home Saturday night.

The Fall Series was completed early this year due to the continued fast current on the Mississippi. The series ended with Mike Steffenson first, Ken Jensen second, and Bill Quaintance third. There was a good turnout for the entire series considering the conditions. We are looking forward to a better sailing season next year and moving into our new clubhouse. We will have fond memories of the old building but will anticipate new and better experiences sailing on the Mississippi next season.

LAKE OF NEUCHATEL FLEET (169)

12860	Garoupa	Claude Lambelet
12997	Pierre Grandguillaume
13066	Sarcelle	Jean-Pierre Monnier
13840	Chiloe	Gilbert Despland

For this year, the number of boats and members will stay the same for Fleet 169. We find it very difficult to get new sailors to buy Lightnings but, never-the-less, we always have a lot of fun during our races.

Our fellow member, Gilbert Despland with his boat *Chiloe* traveled in Italy and was the only very active member of the fleet. He also participated in the European Championships in Greece but did not have a great amount of success.

This year, we also had two crews registered at the Swiss District Championship which was sailed during September at Fallanden on the Greifensee. Oldtimer, Claude Lambelet with Jean-Pierre Monnier and Martin Lambelet finished fifth out of 16 boats.

As usual, we closed the 1986 season with our Fleet Championship and Regate Fondue sailed October 18-19 in front of Port du Nid-du-Cro'. Saturday, the wind was quite steady during the first half of the race but died at the finish. As a result, the finishes were completely upset. On Sunday, the wind was so strong that only three boats raced. U. Wylar with crew M. Stauffer and B. Gasser from SCM finished first followed by H.P. Schmid with crew R. Hofer and E. Guies from SCM second, J.C. Vuithier with crew

A. Lambelet and J. von Allmen from CVN third, C. Luthy with crew P. Taschler and T. Gmur from YCSe fourth, J. Perret with crew Y. Perret and H. Hausmann from CVB fifth, C. Lambelet with crew J.P. Monnier and F. Richard from CVN sixth, G. Despland with crew A.L. Paul and P. Graf from CVG seventh, Weilenmann with crew Herzog and Knoepfel from SVT eighth, U. Schar with crew E. Schar and S. Schar from SCM ninth and S. Scharer with crew Stadmann and H.U. Scharer from SCM 10th.

Fleet 173 had a very successful 1986. As the number of members continues to increase, activity is also on the rise. Our mid-winter get-together was hosted by Bob and L. J. Seybold for a second year in a row. As usual everyone had a great time. Dave Long joined the fleet in the spring while Jim Titus, a long time crew of Bob Roth, joined in the fall by purchasing Bob's boat.

The Club Championship Series was very competitive with Dave Coward coming out on top followed by Glenn Reitingner and Bob Seybold. Fleet members fared very well racing outside of the club. A sample of the results is as follows: Dave Coward, Long John Regatta, ninth; Glenn Reitingner, SCYC Memorial Day Regatta, third; Glenn Reitingner, LBI Championships, second; Dave Coward, LBI Championships, third; Glenn Reitingner, BLYC Regatta, first; Bob Seybold, BLYC Regatta, fifth; Glenn Reitingner, SCYC Annual Regatta, second; Dave Coward, SCYC Annual Regatta, third; Glenn Reitingner, Manahawkin Bay Cup, third.

Even when they were not in their boats, fleet members were busy. Dave Coward and Ed Serrill co-chaired the Race Committee for the Marniner National Championships held by BBYC. Glenn Reitingner chaired the Race Committee for the NJYRA Women's Singlehanded Championships also hosted by BBYC.

Next year looks to be another very good season. We were able to rekindle the Lightning fire at Spray Beach Yacht Club and Fleet 91 has been re-activated. There will be at least five brand new boats with the possibility of up to three or four more. Long Beach Island is now leading the way in growth for the Central Atlantic District. We are looking forward to inter-club racing next year with our new neighbors.

The 1986 season provided some very competitive races. Fleet Captain, Mark Prather again provided an interesting schedule of races. The Summer Series saw Skip Ragghianti coming in first, Mark Prather, second and Chad Waldschmidt in third. The Labor Day Series concluded with Skip first, Dr. Duane Good, second and Mark Prather, third.

Dr. Gurney, with a refinished boat, new boom and mast was a threat in

every race. Mike Mercatores and Ed Benevent are showing improvement in every race and are a future threat. Tom McFate has purchased a new boat and is looking forward to improving his standing in the fleet.

The club had three well attended social functions and concluded with the Labor Day outing. We are looking forward to the 1987 season and the possible addition of one or two boats.

The 1986 season drew to a close with a very successful year for Sheboygan sailors. Our club overcame problems stemming from the ever rising level of Lake Michigan by rebuilding the pier and improving our launching facility. Visitors who came to our two regattas enjoyed what we felt to be excellent comraderie, hospitality and food, if not necessarily weather! We hope to have the weather problem solved by next year!

We sponsored the Midwest Districts this year which proved to be quite a challenge. The races were initially delayed two days, first by a 25 knot southeaster with up to 10 foot breakers (no one complained) and subsequently by fog. Honest, it only happens on race weekends! The horses finally got out of the gate with Eric Larson and crew Mike Kuechle and Mike Peterson taking first place honors.

Larson continued his hot streak by also winning our annual Brotz Regatta, and then cleaning up at the Red Flannels in Chicago. Tryg Jacobson also had an excellent year on the road with firsts at the Evans Regatta in Green Bay and at the P & T Regatta in Milwaukee. His crew were Kevin Wiseman and Mike Elmergreen.

While in town Larson handily won the Gresholt and the Piper Series, with Hans Graf taking the Last Chances Series. With his parents Jan and Chris as crew, Hans went on to become the 1986 Fleet Champion (the third Graf to do so!).

Jacobson, Larson and Hans Graf then traveled north to skipper in the North American Blue Fleet, President's Cup and Governor's Cup respectively. Chris Graf took a good shot at the Masters as well.

Next year we hope to do even better. Our fleet is growing with members and enthusiasm. We cordially invite you to come to Sheboygan in July and sail in the Brotz—a great regatta.

Fleet 194 has had an excellent year. After a few local regattas for warm up, the season was kicked off in a big way with the 20th Annual California Circuit, held in April. 19 boats participated with entries from Oregon, New York, and all of the California Fleets. The regatta began under sunny

skies with light winds, at Coronado Yacht Club. After two days and five races, John Harrop was leading with John Lyon in hot pursuit and Scott Finkboner close behind. A wonderful welcoming party was held at the Glorietta Bay Inn on Sunday evening with lots of new friends and renewed acquaintances.

The next leg of the circuit was a 20 mile "Ocean Marathon" from Coronado to Mission Bay. Again, unusually light winds prevailed with many position changes throughout the day. After six hours of racing, Johnny Greene and John Harrop entered the Mission Bay Channel neck and neck! At the finish, Johnny was first, John second and Wendell Harter was third.

Wednesday was a day of rest. Many sailors went to the San Diego Zoo, others took in Sea World or the beaches. Thursday started the Easter Regatta. At the top, the points were close with John Harrop, Johnny Greene, Scott Finkboner, John Lyon and the Allens all in contention. With a good sea breeze blowing, Tom Allen Sr., Tom Allen Jr. and Johnny Greene really showed the rest of us how it's done. The Easter Regatta standings: Johnny Greene, first; Tom Allen Jr. second; and Tom Allen Sr. third.

The 1986 Circuit Winner was Johnny Greene. With amazing consistency through some difficult conditions, Mr. Greene held off some of the best. Tom Allen Sr., was second Tom Allen Jr. was third, John Harrop; fourth and Scott Finkboner was fifth. Many thanks go out to all the racers; we had a great time!

In June, Fleet 194 hosted the California District Championships. Warren Gross wound up at the top of a 12 boat fleet with Scott Finkboner, second, followed by John Harrop, Mike Brewer and Bruce Arnold from San Francisco. Scott Finkboner and John Lyon both attended the Pacific Coast Championships at Klamath Lake, OR. 1985 Champion Scott handed the Perpetual Trophy over to 1986 Champion John. These two intrepid travelers also attended the North American Championships at Kingston, Ontario.

The second half of our season featured our selection as the 1988 North American site and our California Circuit was chosen as a qualifier for the Pan-American Trials. We lost fleet members Cindy Salarno and Rick Schicho but gained new members Darryl Starr and Leslie Leonard.

Other Important Notes: Larry Swearingen went on a roll winning two Regattas and taking a second in the Bowen Memorial Regatta in the late season. Fred Knauer and Al Smith picked up the Summer Evening Race Perpetual. Four San Diego boats drifted to Los Angeles for the Hurricane Gulch Regatta. Larry Swearingen was first with Kirk Johnson second. With all this in 1986, we can't wait for '87!

Our Fleet officers: Fleet Captain Larry Swearingen (L.), Fleet Secretary John Lyon (R.) at their installation dinner — proving there are ties in Southern California.

Another racing season has come and gone and once again Fleet 196 members can look back on another memorable and successful season. There was some pretty exciting racing at the club as well as some good performances on the road.

Although the majority of our active racers qualified for the North Americans, only Jack Elfman was able to grab the week off and head up north where he sailed a strong series and returned home with yet another blue pennant on his backstay. Jack also did a whale of a job in the Prince of Wales Competition, making it all the way to the finals, and then came back to win the Surf City Annual in September.

Perhaps the biggest enhancement to Fleet 196 this year was the addition of Comet sailors Rich and Sue Warren. Two-time winners of the Comet Internationals, Rich and Sue teamed up with Randy Swartley and had a very successful season. They won the Long Beach Island YRA Championship at Barnegat Light YC and the Fall Has Fell Regatta at Monmouth, took second in the Manahawkin Bay Cup and were in the top at both the Districts and Atlantic Coast until they attempted the as yet unproven SWIM-Sailing While Inverted Method. This apparently cost them enough boat speed to place them out of the money, but not by much.

Fran Temme and nephew Tim Robinson geared up this year by travelling to several regattas and showing some good results, among which was a third place at Monmouth's Fall Has Fell. A new Nickels will be arriving for them this winter although it appears that the fleet has mixed emotions about the departure of Lightning 10771, a classic pre-flotation Lippincott which still looks about as good as the day it came out of the mold. We wish Fran and Tim good speed in their new Lightning. George Schmidt also unveiled a brand new bright yellow Lightning this year and still remained fearless in allowing others at the helm, although he did enjoy enough tiller time to win third place in the Club Commodore Series.

Fleet 196's premier event, the Jody Lutz Cup Regatta (formerly known as the Manahawkin Bay Cup), was won for the fifth consecutive year by guess who? We're about ready to put Jody's name on the perpetual trophy in all the remaining spaces, assign him to race committee duty and just let everybody else race for second place. This year's winner of the Closest to Jody's Transom Award was Rich Warren followed by Glenn Reiting.

We are all really excited about the success of a new organization, the Long Beach Island Yacht Racing Association. Comprised of the five yacht clubs on the island with active racing programs, the LBIYRA exists to promote participation, competition and cooperation among its members and thus far has been successful beyond everyone's expectations. The Lightning Division of the LBIYRA Regatta drew 18 boats to the deep water course at Barnegat Light YC. The good news is that the Spray Beach Yacht Club, which has had no Lightnings over the past several years, has four due to arrive this winter and we are looking forward to sailing with our new friends next summer. Now if we can just find some company for John Teigland, the lone Lightning sailor at Little Egg Harbor YC . . .

In local fleet news, we are proud to announce that two of our own have been selected to share the 1986 SCYC Adon Horsley Sportsmanship Award given annually in recognition of exceptional involvement on behalf of the club's sailing programs. This year's award was presented to our Fleet Brewmaster Randy Swartley and our Fleet Strength Coach and Supercrew Cindy "Moose" Casella who, after reading this, is likely to search out the Fleet Secretary, pick him up by the spreaders and heave him into the bay. Cindy and Randy did a magnificent job handling the Junior Racing Program every Saturday and Sunday morning. And you all know how difficult that can be, especially on those mornings after a good SCYC Saturday night cocktail fracas.

The Fleet Championship Series was won once again by Jack Elfman, followed by Fran Temme and Randy Swartley. In the Commodore Series, Rich Warren was first, followed by Tim Robinson and George Schmidt.

Note that the six trophies were won by six different skippers. This would seem to indicate that everyone in this fleet is competitive and that's just the way we like it. In addition, this year's Most Improved Skipper Award went to Steve Hoffman who is really getting the hang of sailing the Lightning after many years in an Ensign. Congratulations to Steve, and it will be no surprise at all to find him among next year's winners.

So until the weather warms up and the eel grass once again floats atop the gentle ripples, Fleet 196 wishes all a safe and happy winter.

The sudden passing of our Vice President, Angel Vila, was honored by our fleet with a renaissance of activity. His daughter, Valeria, crewing for Hector Longarella placed second in our District Championship. Osvaldo Bordino finished in third place.

World Youth Championship Selection for Argentina was held in our fleet waters and hosted by Club Nautico Olivos. There were 12 contestants, most of which came from Cadet and Optimist. Because of their experience in Lightning sailing, we feel that we shall have good chance at taking top honors in November.

At the end of December, our fleet will hold selections for the Pan American Games and World Championship. We expect several skippers from the Soling and Snipe Classes to be present. It is our intention to keep them in the Lightning Class.

The 1986 sailing season was a good one at Atwood. Out of a fleet of 11 Lightnings, we averaged seven starters every Sunday from May through September. We sailed through a wide range of conditions which saw strong steady winds in the spring give way to light, shifty conditions through most of the summer and fall.

The top three places in our five series season varied throughout the year. The Spring, Summer, and Fall Series were made up of six races for each series. Dean Caley, Dave Gall, Tim McCain, and Bob Neading rotated in the top three positions. Dean Caley was first in the Spring and Fall Series and placed third in the Summer Series. Dave Gall placed second in the Summer Series. Tim McCain was third in both the Spring and Fall Series but placed first in the Summer Series. Bob Neading was second in both the Spring and the Fall Series.

The Commodore Series was a three race series sailed over Memorial Weekend. Nelson Caley placed first, Tim McCain was second, and Dave Gall was third for those races.

Our Championship Series was sailed in five races over Labor Day Weekend. With light, tricky winds to negotiate, the standings remained close to the end. Dave Gall became our Club Champion and Tim McCain and Dean Caley were second and third respectively.

The Harvest Moon Regatta saw 14 Lightnings and over one hundred boats participate in a three race series. Dick Pugh (Cowan) placed first with Dave Gall (Atwood) second, Tom Varley (Leatherlips) third, George Auer (Cleveland) fourth, and Tim McCain (Atwood) fifth.

Dean Caley was elected Fleet Captain for 1987.

Fleet 215 had a very eventful 1986 sailing season. A lot of important events took place, all of which served to enrich our local Lightning sailing scene.

First of all, the boundless enthusiasm of the Lightning sailors attracted a great deal of attention at our club and certainly our group was the leader in the one-design racing by way of participation and overall activity. Moreover, early in the year, sailing friends at the Pointe Claire Yacht Club finally decided to try and put together a Lightning Fleet. They had resisted our advances for years but finally succumbed. Led by Tony McBride, they acquired five Lightnings and Fleet 499 was established. A very welcome addition to the Lightning Class and one I am sure will add a lot to Lake St. Louis sailing.

From a competitive point of view, we hosted the Canadian Open in early July with 19 boats participating. Larry MacDonald, Jr. from Toronto/Hamilton/Crystal Beach, was the winner. The top local boat was the Eddy Martin/Perry Owen combination who finished third overall. Following that, we had the District Championship at our club. New Lightning sailor, Tony McBride from Pointe Claire, was the winner.

To top everything off, our District was the Host for the North Americans held at Kingston, Ontario during August. Our District had six boats participating, two of which made the Blue Fleet. They were Peter Hall and Eddy Martin/Perry Owen. Well done fellows!

Finally, our Fleet Champion, Peter Hall managed a victory in the first half of the Pan-American Trials held in Toronto in September. A series of races will be held next spring to determine the ultimate winner. Naturally, we are hoping that Peter will be successful.

All in all, a very rewarding season! We are looking forward to increased participation next year as the attractiveness of the Lightning as a competitive boat is gathering new believers.

As all sailing clubs on the Great Lakes we have problems with high water. So high in fact our hoist platform had to be raised 16 inches for dry footing.

Race results for our Championship Series of 21 races were as follows in order of finishing: John McCree, first, Colin Park, second; Jim Schofield

third, Steve Swanson, fourth; and Joe Dissette fifth.

Awards were presented at Joe Dissette's home in late October. The Ruben Clamso Capsize Award was retained by Steve Swanson as no other deserving skipper was available this year.

The Most Improved Sailor Award was presented to Bob Halford and the Most Consistent Sailor Award to a new sailor in our fleet, Gary Bryan. Gary did not miss one scheduled race all season.

The 1986 sailing season opened with the Spring Meeting in May at the home of our gracious hosts Billie and Irwin Stone. Following a social hour and dinner, the chief topic of discussion was the upcoming Junior's, Women's and Master's Regattas that were held in August at scenic Henderson Harbor, "The Home of Fair Winds." The next two months were filled with activity, particularly on the part of the Regatta Commodore, Dr. Irwin Stone, without whose efforts the event would not have been the very successful regatta that it was. In addition to Irwin, special recognition goes to Dr. Gerald Bezner for handling the formidable task of housing so many guests in a relatively small summer community, to Bob Wardwell, Race Committee Chairman and to the other Lightning sailors and keelboaters of HHYC who did the smaller things that lead to a successful regatta.

This August regatta saw not only planners and executors but also participants from our fleet. Skippering in the Master's were Irwin Stone and Gerald Bezner, in the Women's, Joan Woods and several of our members crewed in all the regattas. It was great to have you out there representing our fleet!

In spite of the energy devoted to the championships our local schedule of Sunday races went on with the usual enthusiasm. Remember guys, that enthusiasm is not measured in body count alone! The first race of the season, the Apple Blossom and the Averill Cup was won by Irwin Stone with John Treadwell placing second. The Barnes Memorial Race saw John Treadwell finishing first with Jerry Bezner second and Irwin Stone third. The Commodore's Cup Race had Jerry Bezner crossing the finish line first followed by John Treadwell and then Irwin Stone. The Pickslay Ramble, which didn't ramble as originally planned, was won by John Treadwell followed by Jerry Bezner with Lenny Montague coming in third.

The overall winner of the Summer Sunday Series and the winner of the Lightning Plaque was Jerry Bezner followed closely by John Treadwell. Coming in third, out of ten Sunday sailors, was Irwin Stone. Following the completion of the Sunday Series came the Stoney Island Race which, because of uncooperative weather, turned out in reality to be Lime Barrell Shoal. The winner of this race was John Treadwell followed by Stephen Lawrence who skippered his dad's boat, with Jerry Bezner bringing up the third spot.

Racing ended with the Fall Series and the Frostbite Race. In the Fall Series, in order of finish, we had John Treadwell, Jerry Bezner and Karl Lawrence. The Frostbite was won by Jerry Bezner followed by John Treadwell and then Karl Lawrence.

We finished this busy year with a very pleasant annual fall dinner and business meeting held in the Harbor summer home of our newly elected Fleet Captain Dr. Gerald Bezner and his wife Marti.

Our best performers at the Women's Championship held at HHYC. Sara Treadwell, Joan Woods, Ann Maurer.

Fleet 226 had a great 1986. With a full 12-month schedule of racing, we managed to host some annual "fun" events as well as adding a few new ones.

Our season kick-off, the Coconut Grove Annual, proved to be a tie-breaker to the finish with the winners also receiving the Chris Young Memorial Trophy. It was a thrilling moment to see Chris's parents present the trophy to their son, Knute, sailing with Carol Stout and Mike Alexander.

The fleet grew by leaps and bounds this year. Kathy Aldridge bought 10886 from Dave Helmick (he still owns 13545), Clive Daem bought 12064 from Donna Disk and Margie Ozner. Margie now races with Jon Ewing 11981 who recently moved back to Miami from California where he did a stint with the Air Force. New boats include 13983 Onofre Torres and 14098 Eammon Delisser; and back from a year cruising in the Caribbean are Jock and Linda Fink 10749.

Off to other parts are Jim Alman who's giving the fleet a breather while he works at MIT on the exciting Daedalus Project, and Debbie Ozner who's hung up her hiking boots for a career in the Coast Guard. At this reading she should be stationed in Virginia.

We lost a good friend, Tom Zimmerman, in a tragic accident and he will always be remembered by his friends in Fleet 226.

The Fleet once again hosted the Annual Christmas "Invitational" at the beautiful home of Carl and Mary Lynne Young. Knute Young earned the Fleet Championship Award as well as Most Improved Skipper. Fred Hutchinson was Fleet Runner-Up, and Fay Regan received the Sportsmanship Award (she could win that any year). More serious awards such as the "Golden Bucket", "Bronze Bottle" and "Drowned Rat" Awards were distributed, followed by the Chinese Auction conducted by Fred.

The Mid-Winters brought stiff breezes (lots of Golden Bucket awards could have been given in this regatta) and over 25 boats from as far as Canada. Once again, Fleet 226 sponsored a successful "Down Home in the Tropics" steak dinner (still \$6.00 including Kathi Gross' famous pineapple upside down cake) and the "Vice" style T-shirts were a big hit.

The Silver Strand (Old Farts) Regatta saw challengers John Martin, Jim Pincus and Sennett Duttenhoffer try to dethrone reigning O.F. Sid Doren. All skippers must be 40 or older, with a cumulative age of 120 per boat. It was Duttenhoffer all the way, with three bullets and a pledge to return in '87 to defend his title.

On the other end of the spectrum, 33 IODA sailors joined Fleet 226 for a day of fun and excitement in late September. After random crew assignments, ten Lightnings took to the race course with owners aboard to advise their young crews on the nuances of jib and spinnaker trim. During the four races everyone was given an opportunity to helm a race, as well as work foredeck and fly the chute. Howard Sutter's amusing anecdote was the discovery that the total crew weight on his team (four plus himself) hovered around 350 pounds (not exactly North American standards!). Starting tactics and racing strategies were intense; a credit to Miami's local pram program. Making this an annual event is definitely in order.

Fleet 226 is not a "stay at home" group. Travelling over 1,000 miles, Eric Stibitz, Bill Caterham and alternating crew of Marie Stibitz/Tom Degen won the Triple Crown. We were also well represented at the Junior North Americans where Tom Degen crewed to a second place finish and Fay Regan and Alix Morgan placed second in the Women's Championship.

All in all, we had a busy year and we're looking forward to the new season and in seeing all of our out-of-town friends in the coming months "Down Home in the Tropics".

How many in a crew?

BOMOSEEN YACHT CLUB FLEET (227) **New England District** **Sailing on Lake Bomoseen, Vermont**

Fleet Captain Hans Malz
Fleet Secretary Christine Malz
Fleet Champion Raymond Harrington, Jr.
Runner-Up David T. Staff

Boat No.	Boat Name	Skipper
9413	Enigma	William Potter
10480	Trip Westcott
10482	Reckless Abandon	Raymond Harrington, Jr. & Ray Harrington

13497	Fred Bagley

The summer of 1986 was a wet one, but somehow Fleet 227 managed to dodge the raindrops and have the sun shine on our 23 race Summer Series.

Once again, Ray Harrington, Jr. is our Fleet Champion, having taken first place in 17 of our summer series races. At the same time, he traveled to other sailing events and came home with a win in the Vermont-New Hampshire Championships. Again this year, veteran skipper Dave Stagg was our runner-up, coming in second overall. Jeff Wright proved he is a hot new contender by placing third.

Our season had a slow start with only three boat at the starting line the first day and five boats competing the second day of the Memorial Day Series. Ray Harrington set a trend for the summer ahead by taking first in all three races. He was followed by Fred Bagley in second and Hans Malz in third, placing in the "it pays to have your boat in the water early" category.

The highlight of our season came June 21-22 when we hosted the First Annual Maple Leaf Regatta. Our whole fleet was at the starting line and 13 boats from four states joined us in this very successful event. The first day there were sunny skies and a moderate breeze which brought our fleet's only wooden boat, skippered by Bill Potter, first to the first mark in the first race. Sunday brought light winds, but the race was run, and when it was all over, Ray Harrington was the winner, Rob Pratt from MA took second, fol-

lowed closely by Bruce Atkinson from NY in third place. We plan to make this an annual event and hope to have even more boats next year. Come join us!

The 4th of July Stowell Series brought us our windiest day and caused Trip Westcott to capture the man overboard award. Dave Stagg was the victor in this series, with second place going to Jeff Wright and third to Ray Harrington. In mid-August Bruce Belden came up from mid-fleet to take a first and two seconds, showing us all in mid-fleet on back to keep trying. The Bellerose Series Labor Day weekend finished the season with a good breeze the first day and a drifter the second. Ray Harrington came out with his new boat and won. Dave Stagg came in second and Jim Leamy, fourth overall for the summer series, came in third.

We welcomed Tom Rothfuss and Larry Peterson to the fleet this year and anticipate adding another boat or two next year.

Jeffrey Wright will be our Fleet Captain in 1987 and Loretta Wright our Secretary. We look forward to an exciting and eventful season.

The 1986 sailing season showed an increase in activity for Fleet 229... and we don't mean because of thunderstorms! This appears to be a warm up of what the 1987 season will be like. During a fleet meeting in October officers were elected, team races discussed and 1987 activities were determined. 1987 is the Fleet's 25th Anniversary and we hope to plan a celebration sometime in August.

Our racing season at Keuka Yacht Club on beautiful Keuka Lake was extremely successful this year. We sailed officially from Memorial Day weekend thru Labor Day.

We generally had six boats starting each race providing challenge, excitement and great times. As usual on Keuka Lake, wind was generally moderate.

Our main event this season was the Bully Hill Champagne Regatta held on Aug. 2-3. 31 boats registered and sailed. It was great to see old friends and to make new ones. Sailing was fantastic and a good time was had by all. Everyone enjoyed the champagne, dinner and dancing.

We look forward to seeing all who attended in 1986 and for those who will be sailing with us for the first time, we are looking forward to meeting you.

For more information on sailing Lightnings at Keuka Yacht Club, call or write Fleet Captain, Michael Levine, 36 Lake Meadow Dr., Rochester, NY 14612. Phone (716) 621-6944.

The Augusta Sailing Club Lightning Fleet opened its sailing season in early March with several members participating in the Deep South Regatta at Savannah, GA and the Winter Championships at St. Petersburg, FL. The Club Invitational was held April 26-27, followed by competition in June on Lake Murray near Columbia, SC. In between the above races, the 12 boat Lightning fleet sailed every other weekend all summer long against each other as well as other classes of centerboard boats.

Four of the club members sailed in at least five of the nine District regattas (Bob Harkrider, Gil Klemann, Bennie Moultrie, and Gil Samuelson). Harkrider, with crew Andrew Addie and John Ochchipinti plus Moultrie with crew Bill and Barbara Kerley, also sailed in the North American Championships held in Kingston, Ontario during August.

An active Junior Program was run by Dennis Primrose, and a successful Women's Program was directed by Susan Farmer and Chris Samuelson. Sailing instruction sessions and racing rule seminars were taught by Jim Claffey and Jeff Annis. A New Member's Party on June 14th made families feel welcome and showed off the newly purchased club facilities.

Well attended and highly successful regattas were also held on July 4th, Labor Day and Halloween weekends. The club season was very active with most of the members participating in all events, including work parties. The club is looking forward to the Frostbite Series beginning in early November and concluding with the Bluenose Regatta on New Year's Day.

1986 marked the continued resurgence of Fleet 266, with more boats on the line weekly than in recent memory. Club races averaged 10-12 boats in 1986, compared to 6-7 just three years ago. The increased fleet size has generated tremendous competition, with many of the second generation skippers going 'toe to toe' with the old salts.

The Mississippi Valley Districts were held at Carlyles' excellent facilities with a record 32 boats in attendance. Our 17th annual Impromptu, held over the Labor Day Weekend, also drew a record 21 boats. Four of the top five finishers in the Impromptu were CSA boats. Growth at the club level has also spurred the support of other regattas, with boats traveling to Sheboygan, Chicago, Kingston and Decatur, with a record nine boats traveling to the Blue Nose at Nashville.

Our own Matt Burrige took first place and four of the top nine spots went to CSA boats at the Blue Nose.

Spacious Carlyle Lake was also the scene of many exciting club races. Matt Burrige won the Spring Series, followed by Augie Paoli and Ken Kniepmann. The Summer Series went to Augie Paoli, with Herb Golterman and Roger Parks, in second and third, respectively. Matt Burrige also won the Fall Series, with Augie Paoli and Jerry Paoli close behind. Matt, Augie and Jerry also finished in the same order in the Championship Series.

To increase interest and skill within the fleet, we sponsor the Challenger Series, in which a crew member skippers the boat and the skipper crews. This series was won by Herb Golterman, followed by Kathy Kniepmann and Roger Parks.

Carlyle Lake provides some of the best water and facilities for sailing anywhere in the midwest. This years' Impromptu Regatta promises to be better than ever, as do the club races. Several new skippers have been recently added, and two experienced skippers, Matt and Lal Burrige, will sport two of the redesigned Carson Yachts.

Make plans to join us for the '87 Impromptu, one of the fastest growing regattas in the midwest, held over Labor Day weekend.

With the addition of new members, Fleet 270's participation in the club racing program has improved this year. There have been as many as a dozen boats on the line for several of the Sunday races. We welcome Bill McKee and Ken Woods and their families.

The Indiana Open Lightning Regatta was held May 3-4, attracting 31 boats. The event was won by Hank Hodgson of Devils Lake. Ed and Naomi Fineberg were in charge of the regatta for the second year and did another bang-up job. Ed has been all but replaced at the tiller this fall season by son, Josh, who is becoming a very competent racer.

Fleet 270 also hosted the Indiana Districts this year, and our own Ken McGinity was elected District Commodore. Ken also represented the District at the North American Championships in Ontario.

We have been blessed with good weather and winds for most of the racing this season with only a couple of drifters. The '85 Spring Series Gold Fleet winner was Bob Kinsey, and Karl Suter took the Silver Fleet. In the '85 Fall series, Joe Lassaux won the Gold and Burl Harmon was first in the Silver. Appropriate trophies were presented at our awards banquet last January.

The 1986 Spring series had Joe Lassaux repeating for first place in the Gold Fleet with Bob Kinsey second and Karl Suter third. Carl Rhodes won first in the Silver Fleet with Ed Fineberg second. As of this writing, the Fall Series still has two weekends to go.

It was a cold February night when the members of Fleet 273 got together for the first time to discuss the up coming season. The main topic was the on-going crew problems. After much debate on the subject, it was decided to allow a boat to race with two on board in order to keep boats on the race course. The experiment worked well throughout the season for us and it did not affect the final standings for the season.

Ron Adams volunteered to come up with a Fleet Charapion Trophy and what a great trophy he came up with! It is a half model of a Lightning with a spinnaker flying. Ron said it took about \$5.00 of material and 200 hours of labor. Ron, your'e off the hook for all those rainy spaghetti cookouts!

The Spring Series found George Deyett winning every race except for one which his father took on Father's Day. Thanks George for a nice Father's Day present. Final standings in Spring Series were: George Deyett, first; Norman Deyett, second; and Drew Gillett, third.

The summer found most of the fleet traveling. George sailed almost every regatta in New England. With George traveling, Drew's philosophy was sail at home and have a good shot at winning the Summer Series. As it turned out there were not enough Lightning races at home to complete the series.

At summer's end we were all wondering how to beat George. MYC Regatta seemed to be the answer. We would get help from outside boats. Three races were held in very fluky air. As one skipper put it, "I got one gray hair for every three boat lengths I sailed." It was reported that on one leg of the course, a boat was beating to weather and another boat four lengths in back was bearing down on a dead run with his spinnaker flying. After it was over, George Deyett came in first, Ray Harrington second, Rick Humphrey third, Ned Hinds fourth and Pat McQueen fifth.

The Fall Series found a real battle going on for that new Fleet Champion Trophy between George and his father. It was next to the last race, the two Deyett boats were fighting it out at the finish line letting Drew Gillett sneak across the line first. Norm Deyett came across second and George Deyett third. Norm needed a first in the last two races to pull it off. Consequently, George became Fleet Champion for 1986.

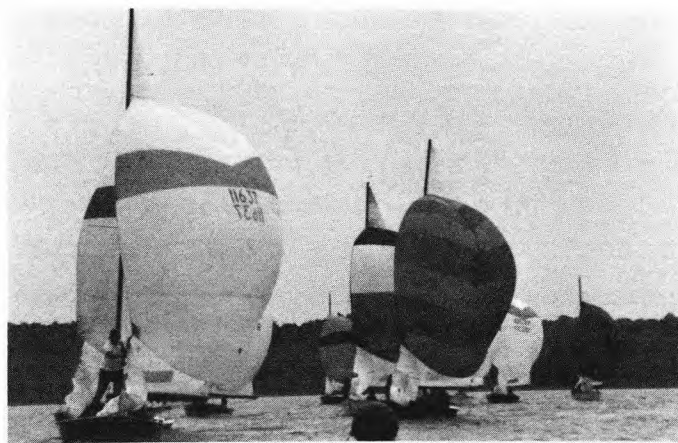

Our Richmond Cup Race, a multi-class race, finally got off late in September in light air, as usual. Bill Hole captured the cup after three races showing us his wizardry for light wind. In the first race the Adam's boat was second across the finish line with Boomer, the younger of the Adams clan, at the stick. If Ron lets Boomer sail the boat next year, he'll do great!

The Lockhart girls won the Kevin Dailey Junior Crew Award for crew participation in a Lightning for the 1986 season. Great job girls!

At this time, the boys are planning a Halloween Regatta on Nov. 1. Everyone must sail in costume or pay a penalty. A pizza party is planned after the one day event. This should be a very interesting day!

Low water at Lake Arkabutla again delayed our opening season until the Hernando-Desoto Regatta on May 10-11. On several nice weekends in April, we had a good turnout of members to rake and burn leaves, paint the buildings, repair the docks under the supervision of Jim Thrash, and share fellowship after what seemed to be a long winter. Several members participated in the Memphis Libery Bowl Regatta held by River City Sailing Association on April 10 instead of the scheduled Dec. 14, 1985 date, which was postponed because of sub-zero weather. This is a multi-class event run on Portsmouth numbers, and our local Lightning Champion Bill Baxter II not only won the Lightning Class, but placed first overall for the second time in this event.

The Hernando-Desoto Regatta was a tremendous success this year due to good wind (GOD), good organization (Lynn & Janet Jones), an excellent race committee (Lee Breazeale and Bob Shedd), and participants (11 out-of-town boats). Warren Lewis of Dallas repeated his run-away techniques of the previous year and placed first. Jim Ward and Cully Ward of Nashville were in close contention and took second and third respectively. We want to extend an invitation for all to come back next year but, we hope to retain some of the trophies.

Crit Currie did a lot of traveling this year and attended the Masters in St. Pete, the Districts, the Masters at Henderson Harbor (second place), the North Americans, and Chattanooga. When he came out sailing with us late in the year, he showed us some of the new and old techniques he knows and uses too well. Bill Baxter III sailing with Cecila Baxter and Peter McDonnell, attended the Junior Districts (second place). They also went to the North Americans and had an adventure they are still talking about.

Our Cotton Pickin Regatta was held Sept. 27-28, and several of our neighbors from Nashville joined us. It is a nice time of year to sail on Lake Arkabutla. The regatta was won by the Dutch Boll Weevil, Frank Bermel. Bradford Currie of Nashville took second; third place went to Jim Thrash.

Several of our newer sailors, Lynn Jones, Ken Davis, Hugh Teaford, and Jim Thrash have been catching up real quick and giving everyone a run for the finish line. Next year should be interesting in the fleet races. Ken Davis would probably do a lot better if he put his boom crutch away during the races. Larry Jenkins needs to practice staying in the boat instead of swimming during the windward beat. Jim McDonnell has replaced the boat he lost last year on an Arkansas bridge and is back sailing with us. Hugh Teaford has been working with the local Boy Scout Troop to foster a

sailing team in the boat Dan Daniel donated. We hope this activity will provide a new generation of Lightning sailors for the Memphis Fleet.

Fleet standings: Spring Series — Bill Baxter, II, first; Larry Jenkins, second; Frank Bermel, third. Fall Series — Bill Baxter, II, first; Bill Baxter III, second; Crit Currie, third.

The 1986 season at Wellfleet Harbor was much improved over previous years. Reasonable winds and hot competition kept activity high throughout the season. Eight to ten boats were on the starting line most of the summer. As reported last year the continued growth of the club's Laser Program is feeding more new faces into Lightning sailing.

Stu Nickerson sailed at home just often enough to win the July, August and Season Trophies. Stafford Fraiser won the Fox Trophy and Tim Dickey the Fraiser Trophy.

The Wellfleet Regatta drew 18 boats. Local Curt Felix took top honors with Don Humphrey finishing second and Eric Cutting third.

Wellfleet Harbor hosted the New England Junior District Championship this summer and local C.B. Currier was crowned Junior Champion. Ken Deyette from Massebecic was runner-up.

Wellfleet Harbor has a handful of rising young stars. As many as four Wellfleet boats have been traveling to regattas and they are getting harder to beat. This year's most improved team was probably Johnathon Ruyk-haver sailing with Peter Schiffenhaus. This team had two excellent races in the District Championship before breaking their mast. Look for this team next year, as Johnathon is now sailing for Tufts University.

The 1986 season started out early as our Second Annual Winter Series began on the third Sunday of January. Considering the kind of weather that we can have in the Pacific northwest that time of year, we had a picture perfect day; a fair southwesterly and it didn't rain.

Terry Busby went on to win the series and we were off to another great year of Lightning sailing on Vancouver Lake and the many northwest District regattas.

The first big regatta of the year was Memorial Day weekend at Eugene Yacht Club. Although we had been racing on a fairly regular basis now for nearly four months, this is the regatta that seems to finally bring out the late risers from winter hibernation. Phil Parshley Jr. kept his point total low through two light air races on Saturday, then called in Phil Sr. as crew for Sunday. The wind was almost non-existent for the third race on Sunday, but then 15-20 mph for races four and five. It took a quick gear change but Phil and Phil did it to take home the trophy.

At VLSC, we hold our Annual Regatta on the third weekend of June. As a result of a scheduling conflict with another small boat sailing club in the area, we Lightnings virtually had the lake to ourselves. Nineteen Lightnings, sunshine, 85°, a steady 10-12 knots, five races, food, beer, and we still managed to have a good time. Dave Hickman just squeaked out this one to win. He had to finish well and in front of Eric Lindahl from Seattle to win the regatta and did that in a convincing fashion by taking a first in the last race.

After the VLSC Regatta, it was back to Eugene for the Northwest District Championship; another great weekend of racing. The wind was a bit shifty but so is Dave Hickman. The race went to a tie-breaker between Dave and Eric Lindahl, but it was Dave who won in the end. Now, that's two regattas and the Northwest District Championship. Dave is a big guy and by now, we are all getting tired of throwing him in the lake.

Other notable feats this year include John DeBenedetti placing second in the Oregon Championship/Barber Series in Klamath Falls. Where was Dave Hickman? Putting a tree stump through the bottom of his boat (what a roll tack).

John DeBenedetti, Dave Hickman and Lisa Parshley traveled down for some fun in the sun at the California Circuit. Also, Lisa Parshley, Suzie DeBenedetti and Liz Phillips all packed up and headed east finishing fifth in the Women's North Americans and going on to qualify and sail in the Governor's Cup at the North American Championships.

It's been a great year at VLSC and we hope next year will be even better. If you're planning to be in our area and want to participate in some fine racing, drop us a line. We have a good organization and would like to share it with you.

Heading for the weather mark on Vancouver Lake.

KEMI FLEET (310)
Finland District
Sailing on Gulf of Bothnia, Kemi, Finland

Fleet Captain Heikki Ulen
 Fleet Secretary Kari Anttila
 Fleet Champion Seppo Posti
 Runner-Up Aulis Naykki

Boat No.	Boat Name	Skipper
12913	Desiree	Kari Anttila
12995	Pohjan-akka	Aulis Naykki
13134	Viivi	Heikki Ulen

The past summer was busy for our fleet. The activity of members was mostly directed at building our new clubhouse so the sailing contests didn't gather the whole fleet together. The most active Lightning sailor was Seppo Posti who with his boat *Wilma* took part in almost every contest here in Kemi. He became the Fleet Champion.

Unfortunately, this summer, there was no visitors in our races from the other fleets, but some of our boats took part in contests elsewhere in Finland. At the District Ranking Race in Oulu there were three boats from our fleet and our Aulis Naykki with his *Pohjan-akka* won the contest.

At the District Championship, which took place in Vooksy, there were

Heikki Ulen with *Vivi* and Aulis Naykki who was runner-up of the championships in 1985. This summer the success wasn't as good as last summer. Heikki Ulen was 11th and Aulis Naykki was 15th. Let's hope that next year will be better one for us.

Fleet Captain Heikki Ulen in "*Vivi*".

The sailing weather held up pretty well this summer; at least as long as we stayed in the river! The breezes really deserted us on both Bay Races—after struggling for hours to complete the Summer Bay Race (Ted Ganley, John Farquhar, Al Mast) we were thoroughly bombed out of the Fall Bay Race on the day of the Annual Banquet.

The regular series races followed true to form, with Al Mast and Tom Hopkins finishing first and third in both series, with Jim Ganley second in the Early Series, and Ted Ganley second in the Late Series. Far from being dull, there was plenty of good sailing weather for these races, and on at least two occasions there was far too much. On one August day, only three boats finished one race—five others were capsized in the sudden squall, and

another lost a halyard while prudently dousing his sails.

The feature races went to the following: Walbert Memorial Cup, Al Mast; Buss Neff Cup, Jack Gregg; Skippers Cup, Al Mast; Commodore's Cup, Ted Ganley. Tom Hopkins and Howard Edson won the Matlack Trophies, large and small, and Ted Ganley was the recipient of the Butt Award for having capsized his boat while it was still on the trailer!

We were very happy to have more boats, and more new sailors, out on the water this year. Hopefully, next season we'll see even more!

Rehoboth Bay Sailing Association, Fleet 325, started the season in mid-May with our Sunday afternoon Lightning races, beginning instead in mid-morning, to avoid the heavier afternoon thermals. The earlier race starts proved to be wise, giving crews and boats less trying conditions after the winter lay-off. The Spring Series saw Fred Mertes first, Dave Racine second, and Tom Clark third. Winner of the Green Fleet Division went to Dave Butler.

The Summer Series had much the same results, with Mertes first, Racine second, and Bob Buzbee taking honors in the Green Fleet. The Fall Series had Mertes first, Racine second, with third going to Bernie Hedges. Bernie sailed faster and with more confidence than we've ever seen, winning his first Lightning race during this series, and proving his is a boat to contend with.

In early June we hosted the first of three regattas held at Rehoboth this year, the 20th Annual Delaware Governor's Cup. Attendance was excellent with two races Saturday and one on Sunday. The heavy air that Rehoboth is known for was absent and Joe Frieble from SSA showed his excellent boat speed, combined with always being in phase to run away with first place. Placing were Simeon Cox, SSA, second; Steve Bachman, SSA, third; Ralph Messersmith, New Jersey, fourth; and Phil Grotheer, SSA, fifth.

Hosting the Dixie District Championship in Rehoboth is always a delight, and the 28 sailors participating witnessed occasional drifting conditions to flat out planing rides that tested gear and crew to the maximum. Steve Bachman, SSA, got his new boat cranked up and literally rocketed into first place. Steve proved a great champion, going fast in whatever conditions the three days presented. Fred Mertes, RBSA, was second, Chris Raubacher, RBSA, third; Phil Grotheer, SSA, fourth; and Ted Ganley, Sassafras River, fifth.

Rehoboth wrapped up the season with our Purnell Memorial Regatta. Attendance was low, with only 10 boats showing, but conditions were excellent. Phil Grotheer of SSA showed speed, great consistency (1-1-3), and excellent crew work to take home first place. Steve Bachman of SSA was second, and Phil's brother, Ron Grotheer of SSA was third.

Rehoboth once again proved an excellent place to race, and a great place for traveling boats to come and visit.

GRAND TRAVERSE YACHT CLUB (326)

The 1986 season was again dominated by Garry Demarest. His second place showing at the North Americans left little doubt to his skill. Runner-up again this year was John Van Dalson, picking off Garry now and again or finishing on his stern. John also represented the fleet at the North Americans, turning in a 16th in the Governor's Cup. Congratulations to both!

New sailors this year included Remy Champt sailing John's old boat, beautifully polished and varnished. Also, new to the area was Dick Crow. We look forward to racing a full season with Dick and sons next year.

This year the fleet hosted the Michigan Districts with a 33 boat turnout. The whole fleet helped to make the regatta a big success. Special thanks go to Garry for all his organization, and Mary Beth Milliman for all her time and effort.

Squam Lake Lightning Fleet saw more of almost everything in 1986. We had more members, more races, more visiting boats for our regatta, more people at our season starting and ending social functions and unfortunately, more rain with very few days with the right amount of wind for good sailing.

Three events typify our season at Squam Lake. First, our regatta brought sailors from six New England fleets to play volleyball, drink beer and eat spaghetti while waiting for wind. We eventually drifted through two very short races.

Second, 26 boats, including five Lightnings, paid up to race in the annual long distance Race Around the Lake. The wind gusted from 15 to 30 knots and only four boats (all Lightnings) were still upright and sailing at the start. Only two of these appeared at the finish line. Jack Russell and his "Crime of the Ancient Mariners" relied on their 209 years of total crew age and an undisclosed amount of total crew weight to emerge as survivor/champions of the lake.

Third, the patience and optimism of sailors was rewarded on Labor Day as we sailed two races in beautiful sunlight and 15 knot winds. That night, 28 people gathered at the Fleet Captain's house for trophies, good news (another new boat for 1987) and fellowship that has all hands looking forward to 1987.

It was another super year of sailing and fellowship on the Bay. We were lucky enough to have a few good interclub get-togethers with our southerly neighbors at Surf City and Brant Beach. Both clubs joined us for our Annual Regatta in the deep water approximately 3 miles north of our club in August. Most of the trophies went south.

This was another year of the young collegiate sailors rising to prominence. Last year we had the Wood crew from Miami taking the honors, and this year, it was Kenyon in Ohio and Princeton leading the way around the course. John Faus and crew, brother David and Marilyn Angell were superb and stayed out of protest trouble to capture first place honors for the season. The other places came down to a photo finish on the last race with Bill Clarke in second and Paul Wood capturing third. A great season; 1987 promises to be even better with the expected addition of two new boats to the fleet.

All day rain, thunderstorms and drifters! 1986 was certainly the most disappointing racing summer in memory. With the fleet completing less than 50 percent of the scheduled races, Jim Millard with crew Nell Burrows and Doug Millard aboard *Huggie* captured the Fleet Championship. Walt Nial and Dale Brown steered *Chickenship* to a solid second.

Here's hoping for warm dry breezes in 1987. Perhaps the suggestion of a satellite in geocentric orbit over the lake to which one could "Dial a Puff" will be pursued if the weather problem continues.

The report from Lake Lanier is this: in spite of no water, we managed a full season. The southeastern drought took its toll, as our lake dropped over 17 feet, hitting its lowest point just in time for the Atlanta Cup, the final regatta on the District Circuit.

The low water meant that ramps ended at the water's edge. The day before the regatta, Ken Wallace, Bob Shingler, and Reg Brooks spent the day placing rocks underwater at the ramp's end. It worked, and the largest fleet of recent years showed up to make the effort worthwhile. Lennie Krawchek won the regatta.

Fleet racing was also very satisfying, with Ken Wallace, perennial leader, being challenged very closely by Bob Shingler, Reg Brooks, Marty Headlee, and Dick Boyles.

Helen Shingler did an outstanding job as Fleet Captain in '86, keeping us all in touch, and all working.

It was a building 1986 for the fleet with the Lightnings being among the most consistent and active members of the sailing facility. 1986 was also inaugural year for a Junior Sailing Program which was organized and directed by the Fleet Champion, Bob Bazett. Over 100 students went through the Junior Sailing Program and a number of those students expressed interest in the Lightnings and fleet activities. We expect the Sailing Program to be an on-going source of new sailors for the fleet.

Out-of-town regattas were attended by Bob Bazett and Sarah Innes who attended the Kitsilano Invitational while Jim MacDonnell and Bill Ehmann and crew attended the Annual Schuswap Lake Regatta near the end of August for the sole purpose of upholding the fleet's image as hard partiers.

On the local racing scene, Bob Bazett again showed superior boat speed overall to take the Fleet Championship although he did receive good competition by Jim MacDonnell and by a certain Kiwi who is finally getting his feet back in the water after a long rest.

The prospects for 1987 are very good with the good fleet turnouts of 1986 being expected to repeat, as well as with increased interest from the junior sailors going through the Junior Sailing Program.

It's probably March 1987 right now. Even though this was written six months ago, it was easy to know when you would read it. How? If you are like so many thousands of others, the first thing you want to do when your yearbook arrives in March is read the Fleet 372 report; even before you check out the pictures of the Class Officers.

We had a good year at Fleet 372. Our mobile fleet buzzed the highways north and south, and took a few spins around San Francisco Bay. Mark Patty kept us in the money at the California Circuit, Pacific Coast Championship and the Boswell Memorial, while Bruce Arnold kept us proud at the Districts.

We were unbelievably lucky in receiving a number of Lightning trans-

plants to the San Francisco Area. We'll be even luckier if they put their boats in the water. Actually, that's not entirely fair. Ken Huggins from Dallas couldn't resist the lure of big boating and Ed Spori from Santa Monica was busy stock brokering. Both swear to abstain from these distractions in '87.

John Sundsmo from San Diego is a mainstay of fleet participation, no doubt rewardable with future captainship.

We saw some of Laurin Williams, from New York, in the early part of the year. As you regular fans know, our boats tend to fall down on their side a lot around here. In fact, we feel capsizing is rather meritorious when performed stylishly. For Laurin Williams, we present the Mark Patty 'Sizer of the Year Award. His singular, but spectacular effort at Richmond closely parallels the double-entertainment, bonus-extravaganza rollover (D.E.B.E.R.) made famous by our own Tim Barnes. This is the one initiated by a good slam 'sizer immediately followed by displaying a short mast and another short, portable mast. Nice going Laurin, get a new mast and get on the water.

Fleet racing was more hotly contested this year than in any before. John Hoffman picked up his championship winning boat from Tom Allen at the California Circuit and led in the fleet standings almost the whole season. Tim Barnes, Mike Molina and Bruce Arnold stayed within a couple of points of John's pace. But Mark Patty's late season heat captured the fleet crown. Still, the point spread between the top five contenders was so close, any one of them could have won with one more day of racing. The last day of the season was cancelled due to, believe it or not, no wind.

Some of our folks got into procreation this year. Congratulations to the Barnes, Descalsos, and the Hobbs. John Hobbs also bought his own Lightning, a 9000 series wood Allen in never used condition.

We are looking forward to a great 1987 and the illusive 10 boat average line. Off and on over our history, we have really struggled to keep the fleet going. Now we are in the best shape in 25 years and gearing up to regain our rightful status as the West Coast Racing Powerhouse. Will we dominate? Stay tuned.

The 1986 season showed renewed interest in the Lightning with the addition of two new boats, other boats were upgraded with new equipment and new sails.

The Fleet Championship was not decided until the last day of racing when two races were scheduled.

The first race started with Halsey taking the lead and Rumph in third place until the last leg when the wind STOPPED from the southwest and slowly came up from the northwest. Rumph played the main looking for any whisper of air he could find and slowly passed Shewan, in second place, and moved on Halsey. What little wind there was, it seemed that Rumph had it, finally passing Halsey who had drifted looking for wind also. A very unbelievable situation with Rumph taking the gun for first place and Halsey finishing second.

The second race was started with the northwester still trying to maintain some velocity but right at the start, it died out and "another drifter and looking for air contest" was underway. With the fleet spread out, Halsey who was last to cross the starting line picked up the new southwest breeze first and closed the gap on Rumph. The course was shortened due to the wind and at a club house finish, Rumph and Halsey again finished first and second for Rumph to maintain the Fleet Championship for another year.

At the cocktail party the following awards were presented: The Independence Day and Labor Day Series, Dr. Hugh Halsey II; Early Season Series, Gary Glanz; Late Season Series Bob Shewan (new addition to Fleet 431 with his new boat); Overall Improved Sailor, Rich Warren; Runner Up, Dr. Hugh Halsey II; Fleet Champion, Tim Rumph; and Wednesday Night Series, John Halsey.

Shinnecock Bay Fall Regatta was held on Sept. 20 with three races and the usual great cook out held that evening. Rumph won with Bob Shewan taking second place.

Fleet 431 had an average of seven to eight boats every Saturday and Wednesday evening from mid-June through mid-September. Many thanks to Pete Robinson for the great job of setting courses and getting the boats to the starting line on time.

Rumors have it that we might see another new boat plus a few new skippers with boats at the starting line next year. COME; JOIN US.

Fleet 431 silver winners gather by the Southampton Yacht Club flag pole during the awards cocktail party.

In the State of Texas, we are blessed with a sailing season that, like a normal second pregnancy, lasts nine months. The similarity extends to the experiencing of highs and lows, good days and bad days, the wonder of how we ever got involved in this affair, and finally, seeing the end results, the pleasure of accomplishment.

1986 was a rebuilding year for Fleet 435. Being somewhat isolated down here, only one other Fleet, 35, is presently active in Texas. We must campaign hard to attract new members. Accordingly, we have initiated an alternate race day program which is conducted on week-ends when Lightning racing is not scheduled. Under the able direction of Gil Mercier, we held "race practice" sessions which emphasized sharing the skills and knowledge of the more experienced sailors with the neophytes. Short races of a few hundred yards with crew and skipper swapping was the usual format. The enthusiastic response was gratifying, with attendance in the first session numbering 11 new faces, some of whom hopefully will become regulars. Marty Feybusch took it upon himself to conduct "hands on" sailing sessions for interested learners virtually every Sunday morning since early summer. Due entirely to his initiative, at least three new full timers have emerged, one of whom is now looking for a boat. Marty, we love ya!

New active boat owners include: former J-22 sailors Devry and Jannelle Garrett, Soling enthusiast Greg Gondran and ex-San Juan masochists Fred and Henry Hoefelmeyer. Clarke Newman has returned to the fold after completing medical school. Also, new Lightning owners Herb and Mary Kadane, as well as Charles Mohrle, hopefully will become actively involved in the race program in the coming year. On the flipside, we lost Ken Huggins, John Martin and Steve Thomas to other interests/locales. Numerically the bottom line shows a gain but of course we are sorry to see the old timers leave.

As always, the length of the gestation period leaves us one series short of completion of our competitive year. We can not announce the winners of the 1986 Fall Series, of the Fleet Championship nor for that matter, any of the awards to be presented at the year's end. Instead we go back to last November to recap the year.

In 1985 the Fall Series was won by Warren Lewis closely followed by George Hatfield. The Lord Frumplingham Trophy, symbolic of the Fleet Championship, was awarded to Warren Lewis based on a virtual sweep of the year's series. Art Wilson, a comparatively newcomer to skippering, won the Handicap Championship. The Thanksgiving Regatta was the hottest thing since Lone Star Beer with Lewis nosing out Gil Mercier by a single point. Third place was taken by John Martin and Richard Guinan was fourth.

This year began with unusually good weather, but the results were more of the same. Warren Lewis again won the Spring Series, the format changed with Richard Guinan finishing one point up on Lewis and Hatfield taking third place. With three weeks remaining in the present Fall Series, once again Lewis is leading with Guinan breathing down his neck and Vern Goldberg in third. In the handicap scoring, Goldberg won the Spring Series followed by Calvert Garrett and Lewis, while the Summer Soriee' was taken by George Hatfield with Doc Newman in second and Guinan in third.

Fifteen boats entered the Texas District Championship. This also was won by Lewis. Guinan sailed masterfully to a solid second place finish with Rick Tears capturing third. Warren and Richard went on to represent the District in the North American Championships, where they placed well in the President's Cup.

At the Holiday-in-Dixie Regatta in Shreveport, Warren Lewis placed

third. He prudently chose to abort the second race when lightning bolts started striking the lake. It was inconceivable, but the Race Committee decided not to abandon that race and Warren received a DNF for the second race. On the other hand, Lewis and the Brews Brothers, aka Hoefelmeyers, attended a well run Hernando de Soto Regatta in Memphis. To no-ones surprise, Warren emerged the winner over some 20 plus contestants. The Indian Summer Regatta at Chandler's Landing in Dallas was won by Vern Goldberg and the All Scow Regatta at Rush Creek was taken by Greg Gondran.

All in all it has been a good year. We have had better than normal weather and improved competition. The fleet is again growing, both numerically and in participation, as evidenced by the increased number of boats on the starting line. We're aiming for the top.

Following the enjoyment of last year's Fall Series with the Blue Fleet, we decided to have a Spring, Fall and Overall Championships for both fleets. This allowed more sailors to qualify for one of three events, and there was better participation as a result. We also added three picnic/cruises for the entire family, which shows some promise for building our fleet and friendships beyond just those interested in racing. The result was more participation and a greater appreciation of our versatile and exciting boat. One fleet member recruited his elementary age sons to crew in our open regatta after our summer cruise and took the Blue Fleet honors in every race. Quite a feat, John Trussell, and welcome aboard Philip and Jay as Fleet 440's youngest crew.

The Spring Series showed the strength of our new format. The totals left Ray Brush and Mike Greene tied for first with seven points each and John Trussell only one point out with eight points. Mike won with the second step of the tie breaker going into effect — having won the last race. At this point, Mike Greene has taken the Blue Fleet Season Championship, too, and greatly increased his skills along the way, winning the tenth race over the best of the Gold and Blue Fleets. It's time for graduation, Mike! Mike

also sailed in two of the District regattas this year whetting his appetite for the great support, fellowship and competition in the Southeastern District. But watch out Mike; one point each separated Mike, John and Ray for the Blue Fleet Championship.

At this writing, Gene Ratliff, sailing *Somethin' Else*, has taken the Fall Series and the Fleet Championship. This young sailor and crew had only to win one of the last to sew-up the Championship and give everybody a chance to beat the new Fleet Champion in the final race of the season. Congratulations Gene, Michael Maginnis, and Allen Petroff alternating with Brett Gowans as Gene's crew. A special thanks is also due Wilburn Brewer who "trained" Gene as crew for the last few years and encouraged him to compete in *Somethin' Else*. This was a generous and unique way to take a break from Lightning sailing — but it sure didn't give the competition a break!

Come sail with us in our growing Lightning/Thistle Bottom's Up Regatta which continues to be a great spot on the District schedule early each June.

Activity of the fleet had increased during this year. From two skippers, Tramaglia and Schenone, we can now count three more: Irizar, Tettamanti and Avinzane. The last one is a new father of a nice little girl, thus he was not able to run some of the regattas — pregnancy is a nuisance.

One of our skippers, Horacio Tettamanti was first in the Argentins Championship and also first in the III Juegos Sudamericanos in Chile. This year there was no Qualifying regatta for Fleet Champion as the schedule of the district was too busy, but we will do it next year.

Here it is, the middle of October and Mike and I are still hoping for that last sail. The rest of the Lightnings are all stored away and the Androscoggin Yacht Club is closed for the season.

The fleet enjoyed a very smooth year without any disasters, i.e. capsizes; only the typical mishaps such as the old hour glass spinnaker, or spinnaker under the bow deal, or my favorite, ripped spinnaker en retrieval.

We were host to the State of Main Regatta in July and saw 20 boats with representatives from five fleets meeting at the starting line. When the final tally was made, George Dyett from Massabesic was first, Ray Harrington from over in Vermont was second, while Alex Gimmell was third. Everyone seemed to have had a good time and we will be looking forward to seeing another good turnout July 11-12, 1987.

September, after our club regatta was over saw four of our boats in convoy to Massabesic for a super time. It was the first time that Fleet 450 was able to be so well represented on foreign soil (waters). Hopefully 1987 will allow members of Fleet 450 to venture further afield, opps — asea.

The fleet has remained strong with the addition of Peter Gottschalk and family sailing 12858. Peter used to own 10613, my boat, and was out of the Lightning family for a few years but came back with verve. We missed Pete Leadley and Chuck Jackson this season, but hope to see them back in '87. Pete was off building a camp while Chuck had a lobster boat down on the big lake.

The Fleet Champion remained the same. Yup! Mike Ladd did it again but yours truly put a few frowns in Mike's brow as we switched positions from one race to the next. Larry Vautour and Peter Gottschalk seesawed back and forth for third position with Larry finally winning. Loss of crew kept George Place well back in the standings, but his presence in the committee or crash boat was a welcome sight and we all thank-you George.

Fleet 450 wishes you all happy sailing.

This season our fleet started early. We had meetings once a month, January thru April, partly together with the Helsinki Fleet 166. These evenings were socially and educationally essential in keeping up the sailing spirit during the long winter.

The first ranking race was in mid May; the traditional "On The Rocks". Hosted by our club, the name describes the water temperature. All the boats were launched for the first time this year. There were 77 participants and the winner was Karl Maenpaa from Fleet 166. Our fleet started the year well with Jussi Karkkainen second and Leo Korhonen fourth.

The District Championships were sailed this year in Vaaksy, 120 km north of Helsinki. The lake and the arrangements were excellent and 27 boats were on the starting line. The District Champion this year is Kari Maenpaa. Our fleet was represented by four boats and the best of us were Jussi Karkkainen sixth, and Pertti Pyy, seventh.

In the District Ranking Series, Jussi Karkkainen achieved third position. In our own Best Of The Summer Series, the winner was Leo Korhonen.

In summary, when we look at the results, the year was good to our fleet. Our biggest concern is that we have not acquired new, young sailors. As we now have a Lightning builder in the District, we shall emphasize "recruiting" in the future activities of our fleet.

Fleet 461, along with our local Fleet of MC Scows hosted the 4th Annual Invitational Regatta. Sailors from throughout Florida and as far away as Atlanta, Georgia attended. A good time was had by all.

Our Washington's Day Regatta was also a huge success, and our Fleet expects to add two new skippers this year, so things are looking up.

Steve and Fisk Hayden represented our Fleet at the North Americans in Kingston, Steve sailed the Juniors and Fisk the Masters and North Americans.

By the time you receive this yearbook we will be sailing on Lake Eustis. Ya' all come and enjoy our sunshine and good sailing.

We organized, together with Fleet 147, our District Championship held over the Easter Holidays, with boats coming from other states. Claudio Bieckark, Fleet 147 was the champion followed by Mario Buckup, Fleet 462. Pedro Serpe, Fleet 147 qualified to represent Brazil in the Junior World Championship.

In May, we had a championship celebrating the 50th Anniversary of our State Federation. All Olympic and Pan-American Classes participated during the week's competition.

Our State Championship was very disputed in spite of very little wind which only allowed us four races with four boats tied in points for second place.

Through the efforts of members from our fleet, Michel Norris, Nelson Schmitt, Jens Ruschman and Alberto Torres, we managed to purchase a mold from Tom Allen to start producing the Lightning in Brazil.

In November the project came through with Tom Allen arriving in Sao Paulo to teach us all his know-how in the business. We took advantage of his visit to schedule races and gatherings with other class members.

Tom, thank you very much for your visit to Brazil and for everything you brought with you!!!

The Cedar Lightning Fleet was hard at it again this year. John and Kate Foster managed to attend the most regattas again this year—11 in number. Steve Ewing was a distant second with seven regattas to his credit.

Now for the "play-by-play" year. Our fleet started out the season with Steve Ewing with crew Beite Cook and John Pescatrice and John and Kate Foster with Surge Jorgenson sailing at the Coconut Grove Annual Regatta (first leg of the Florida Triple Crown). John managed a 10th while Steve finished 12th. We guess Steve still hasn't figured out about black being an easy color to identify when your'e over early. A DSQ and having to return to start does nothing for your score.

Next our happy warriors and crew, this time joined by Kevin Blair and crew, Bob Desfosses and "Traveling Matt" Fisher, headed off to Eustis, Fla. for the Lightning Invitational Regatta. Steve managed a third with Kevin sixth and John seventh. All in all, this was a pretty good showing for Fleet 478.

To wind up the Triple Crown, John, Steve and crews arrived in Tampa for the Davis Island Thanksgiving Regatta. Steve with crew John Pescatrice and Terry West finished fifth. John, Kate, and Surge slipped into eighth. Final scores for the Triple Crown placed Steve Ewing fourth and John Foster seventh.

In the midst of all the Triple Crown racing, five Lighnings, (four from Cedar Fleet and one from Eustis) managed to race in the Ft. Myers Centennial Regatta. Fisk Hayden of Eustis showed everybody how to race

by winning the regatta in spite of withdrawing from the first race. Kevin Blair was second, Beite Cook and co-skipper John Pescatrice was third (sailing Bob Desfosses' Lightning with Bob as crew), John Foster fourth and Steve Ewing fifth.

Our next regatta was the Snow Bird Regatta at Sarasota. There were only five Lightnings registered but the racing was still good. By the end of the races, it took a protest meeting to determine the winner. Beite Cook was first, Steve Ewing second, John Foster third, Peter Branning fourth and Eric Annis fifth.

Only three boats showed up for our Edison Pagent of Light Regatta so we were forced to race in the Portsmouth Class. I'm happy to report that the Lightnings swept the first three places; Fisk Hayden, John Foster and Steve Ewing respectively.

The St. Pete Midwinters saw John and Kate Foster, Bob Defosses and "Travelin Matt" Fisher sailing with George Nickels braving high winds, heavy seas and numerous tornado warnings to compete. Our brave sailors didn't manage to bring home any trophies but all agreed it was a good experience.

John and Steve now packed up the Lightnings and headed to Miami for the Florida District Championship. Our guys once again were up against heavy air and the infamous Florida chop and finished eighth and 12th respectively. Hopefully we'll have a better luck next year.

We wrapped up the year at Sarasota for the Labor Day Regatta. This was also the 1986 Florida District Commodore's Cup. Fisk Hayden, hot off his outstanding racing at the North Americans was first. John Foster and Eric Annis of Cedar Fleet finished sixth and 11th respectively. Steve Ewing also appeared at Sarasota but he seemed to have misplaced his Lightning. Instead he brought a funny looking little boat called a Finn. Considering his finishes, he had better stick to Lightning sailing.

That's all for this year. You northern sailors come on down and visit us this winter.

This season, our fleet organized the third edition of the Isveur Trophy raced for at the "Meeting '86", an Italian District Assembly. Winners were Vitaggio, Scarpocchi and Giacalone on *Wind III*; runners-up were Roccheggiani, Bozzi and Bozzi on *Bibir*; and Cruciani-Battisti and Pagliarini on *Gargantua*, third.

Wake Lightning Fleet 481 was chartered in 1980 largely through the efforts of Tom Hudgens and a core group including Michael Rees and John Pelosi. Although it started small the fleet has continued to grow steadily and this year has reached record enrollment with 18 member-owners. In order to increase crew participation, a special membership category had been established and nine member-crews were enrolled. This has paid off since Bob Wilkins has already bought his own boat and will be a full member-owner next year.

Reasons for the fleet's growth include, first of all, the enthusiasm of its members. About ten boats have regularly sailed at the local monthly races, District events, or at regattas in other areas. The fleet is competitive but plays within the rules and members are always willing to share ideas on technique or equipment. Top sailors from other fleets have joined and the overall level of racing skills has improved throughout. Boats have been found for some who wanted to buy. Some members have bought new boats and their good used boats are available for new members.

The fleet is a vital part of the Carolina Sailing Club again because of its growth and because of leadership provided by individual members. This year John Pelosi served as Vice Commodore, Bob Lamb was Rear Commodore, and Tom Hudgens was a member of the Board of Directors. Bob Lamb did an excellent job as co-ordinator of the Governor's Cup, the major event of the CSC attracting about 280 boats.

Active participation in the ILCA is encouraged and almost all are active members. Extraordinary service has been given by Tom Hudgens as S.E. District Commodore and Rick Ferguson as an ILCA Vice President and a Certified Measurer. Rick has a prominent role in promoting the Lightning Class nationwide through his advertising agency and boundless energy.

Small boat racing is the founding purpose of the fleet. The year started off with an enjoyable race down the Neuse River from Newbern to Oriental, N.C., toward the Pamlico Sound. Afterward a lawn party of beer, shrimp, and socializing was hosted by Dr. and Mrs. Lacy Stallings whose gracious hospitality was rewarded by honorary membership in the fleet. Monthly

club races were well attended and the Lightnings always had their own starts. Some representative of the fleet was present at all the S.E. District regattas. Other well-attended regional meets included the Oriental Sailing Social, the Waccamaw Indian Summer, and the Frigid Digit. The Frigid Digit in the past two years has combined with the Borderline Regatta as the double-header with permanent trophies awarded to those with the best combined scores.

The culmination of the racing season is the Borderline Regatta taking place at Kerr Lake on the NC/VA border. Initiated in 1982, the Borderline began with 15 boats and has grown in popularity with 35 or more boats for the last three years. Top sailors from New York, New Jersey, Delaware, D.C., Maryland, Virginia, North Carolina, South Carolina, Georgia, Tennessee, and Michigan have made this a regular event. The winds are often good, the water still warm, yet the leaves have changed giving a luscious panorama of color. Five races are planned; however, because of the favorable time, change from DST to EST on the Saturday night, there should still be time for travelers to return home. Top sailors mean excellent competition; five races mean more starts, more mark roundings and more for your money. After the races on Saturday comes the social hour, an excellent meal, and a great party. More than one sailor has confessed that it is the party that really brings them back.

Fleet 481 is proud to be an active part of the ILCA. We love one-design racing and want to see the sport continue and grow. Come join us each October and sail in the Borderline Regatta. If you move to the area, come join our fleet.

Our 1986 proved to be a most eventful season for Fleet 485. The fleet kicked off the season with the Mayor's Cup Regatta in May. This will be best remembered for the pea soup conditions which one crew described as similar to the opening scene in "The Wizard of Oz." Tom Doran won this series for the third straight year.

The Michelob Classic Regatta, which was also one leg of the CNY District Triple Crown enjoyed its best turnout ever with 30 boats competing. Mark Sertl won the regatta for the second straight year, but not without some stiff competition from Dick Hallagan, finishing second. Other winners were: Dave Fretz, third; Jody Swanson, fourth; our own Tom Doran, fifth; and Kirk Reynolds, sixth. Most fleets from our District were represented and the fleet was very encouraged by the Lake Erie District's participation. Racers again expressed their satisfaction with facilities, outstanding Race Committee job by Brahm Palm, and off the water activities. Dennis Dorsey, local Michelob distributor and sponsor was excited about the turnout and expressed his commitment to future backing of the event. The fleet is committed to making this a premier event on the Lightning circuit, with hope it will some day draw more sailors from New England and other northeast Districts. Hats off to Tom Doran and Fran Watts, Michelob Classic Co-Chairmen, for a great job.

The fleet sent five boats to the Districts, as well as numerous other regattas in the northeast. Tom Doran and Joe McCloskey represented the fleet at the North Americans in Kingston.

Art Tirrell, who appears at times to be a live flash, leads the fleet in road work and is starting to crack the top ten at some regattas. Art's enthusiasm and apparent endless appetite for fleet activity has proven him to be an invaluable resource. He has proven the value of crew training and time-on-the water, which helped him win the runner up spot in the Fleet's Championship Olin Stephens Cup Series.

Tom Doran won the Fleet Championship for the fourth straight year. As

the rest of the fleet continues to try and convince ourselves that we are getting closer to Tom, Tom cranks it up and sends us back to the drawing boards. Tom is always quick to point out the importance of his crew, Ed Hawkins and Dave Lacey, who have become a well ordered machine. Ed Hawkins was our first entry in the Junior North Americans and did manage some good racing against some strong competition. Joe McCloskey, with his new *Against the Wind*, put together a strong campaign at home and away. Joe had some good performances in Districts, the North Americans, as well as fleet racing. Fran Watts continued to impress the fleet with some good finishes in our fleet races and Michelob Regatta. Fran, whose job keeps him from racing more actively, has us wondering how dangerous he would be with practice.

Ed Taverni, who seemed to be at every race at home and away, continued to improve with a strong finish in the Fall Series, finishing with the Runner-up Cup, just behind Tom Doran. Ed's persistence is evidently paying off.

Fleet Captain Bob Finn figured out how to keep a crew. He married his forward crew, Wendy. He also recruited Dan Mather, who managed to help get Bob in a more competitive position. Unfortunately for Bob, Dan may be in his own boat next season.

Steve Vivian and crew, whose racing was limited due to some career commitments, did show up with new everything and said he will be ready for an all out assault next season.

Mike McCune, who spent most of the season training crew, should be back in '87. Frank Palmer, Jim Finn's crew for '84 and '85, bought Jim's boat and made his first appearance in our Michelob Open Class Regatta, which saw him pick up a second place trophy. Clay Murphy won that three-race series.

Jim Finn, who was the fleet's first Lightning owner, ILCA member, Fleet Captain and Champion, retired. Jim's efforts in starting the fleet and organizing it are most appreciated by all members. Jim's strong competitive spirit was missed by everyone and it is hoped that retirement will be short-lived.

The fleet is looking forward to a busy schedule in '87 and invites everyone to come challenge Lake Ontario at the Michelob Classic. The Classic has been attracting top sailors and with Michelob as our sponsor, the off-the-water activities make for a great weekend.

The Provincetown Yacht Club hosted the third annual Lightning Regatta on June 28th during "Blessing of the Fleet" weekend in Provincetown. Light air prevailed through most of the weekend although only one race could be classified as a real "drifter." Stu Nickerson took home the first place honors but a good time was had by all. 16 boats participated in the regatta.

Our own fleet found Eric Beck in the lead at the end of the racing season. Congratulations, Eric! Hope to see all the New England Lightning sailors at the Provincetown Regatta next year.

The '86 season began with the Annual Spring Meeting and Potluck on May 4th. The purpose of the meeting is social. At this generally social meeting, racing and non-racing activities are determined for the season by all attending fleet members.

This year, for the first time, two Colorado boats represented Fleet 488 in the North Americans in Kingston, Ontario. It was a terrific experience and a tradition we look forward to continuing.

Exciting racing took place on our Colorado reservoirs, including the infamous Lake Dillon. At the traditional Labor Day Regatta on twenty-six mile long Lake McConaughy, borrowing words from the Buffalo Canoe Club folks, "the winds blew the squirrels out of the trees."

We encourage all those moving to Colorado to bring their boats! If you're passing through between May and October, there's always someone looking for crew! Come join us for the fun.

The first two weeks of October we will have our Fleet Championship. Our fleet is growing slowly but in the right way. We just finished the new clubhouse and also improved the dock facilities.

We hope this year will increase the activities thus we expect a pretty good season.

We invite all Lightning sailors from our District to join us, and to experience our hospitality. Good-bye folks.

The year 1986 was again characterized by light air races, although we did have several occasions of heavy air, including one particularly fast-moving thunderstorm, which chased the entire Nockamixon Sail Club back to the docks!

The positions of Fleet Chamion and Runner-Up continue to be held by Jim Black and Bob Blalock, respectively. Since Jim won almost all the races this year, maybe we should consider awarding a trophy to the fleet member who could beat him just once!

Our fleet saw the addition of a new member this season, Joe Rogan. Although he had a late start, Joe came on very strong towards the end of the season. Charlie Shoemaker also started coming on strong at the end of the season (new sails?), and Tom Davis showed much resolve in flying his chute at every opportunity. Next year the competition for trophies should be very keen.

All the Fleet 491 skippers would like to express their appreciation and thanks to their crews: Larry Farmer, Lionel Silsby, George Christopher, Guy Christopher, Guy Gray, Debbie Davis, Mike Chaves, Butch Bauscher, Cheryl Herdman, Anthony Zuercher, Jim Herdman, Joe Rogan, Sr., Tammy Engle, Dave Ryan and Cindy Rogan. Thanks for a job well done!

If you're in the area and would like to join us, contact Bob Blalock at 495 Brown's Drive, Easton, PA, 18042, and he will gladly send you a racing schedule.

Through the energetic efforts of Tony McBride, Pionte Claire Yacht Club has now a Lightning fleet of five and high hopes for converts in 1987.

Apart from winning the season's points scoring series, Tony McBride and crew, brother Peter and James Parkyn also won the Fleet Championship, the District Championship, the Fall Series and a bunch of club races. Having won the District Championship, Tony was entitled to race in the North Americans at Kingston and race he did! He finished out of the money in the Green Fleet, but returned to Pointe Claire Yacht Club full of ideas and techniques that he used on us to full advantage. He won just about every race he entered.

The growth of our fleet depends on converts from our large Fireball Fleet and cruising boat division. To that end, most of us recruited crew from the other fleets with the hope of turning them into "interested parties." It seems to be working but we won't know until 1987. In the meantime, we all talk-up the boat at every opportunity and think of ways we can get the time off work to sail the Southern Circuit.

Our Fleet 499 charter certificate hangs in the bar of the club where it is admired by all.

TENNESSEE VALLEY LIGHTNING FLEET (500)

Our season started with a boat show at the local mall in Knoxville. We were able to create a great deal of interest in the Lightning. As soon as the weather broke we began taking people out sailing.

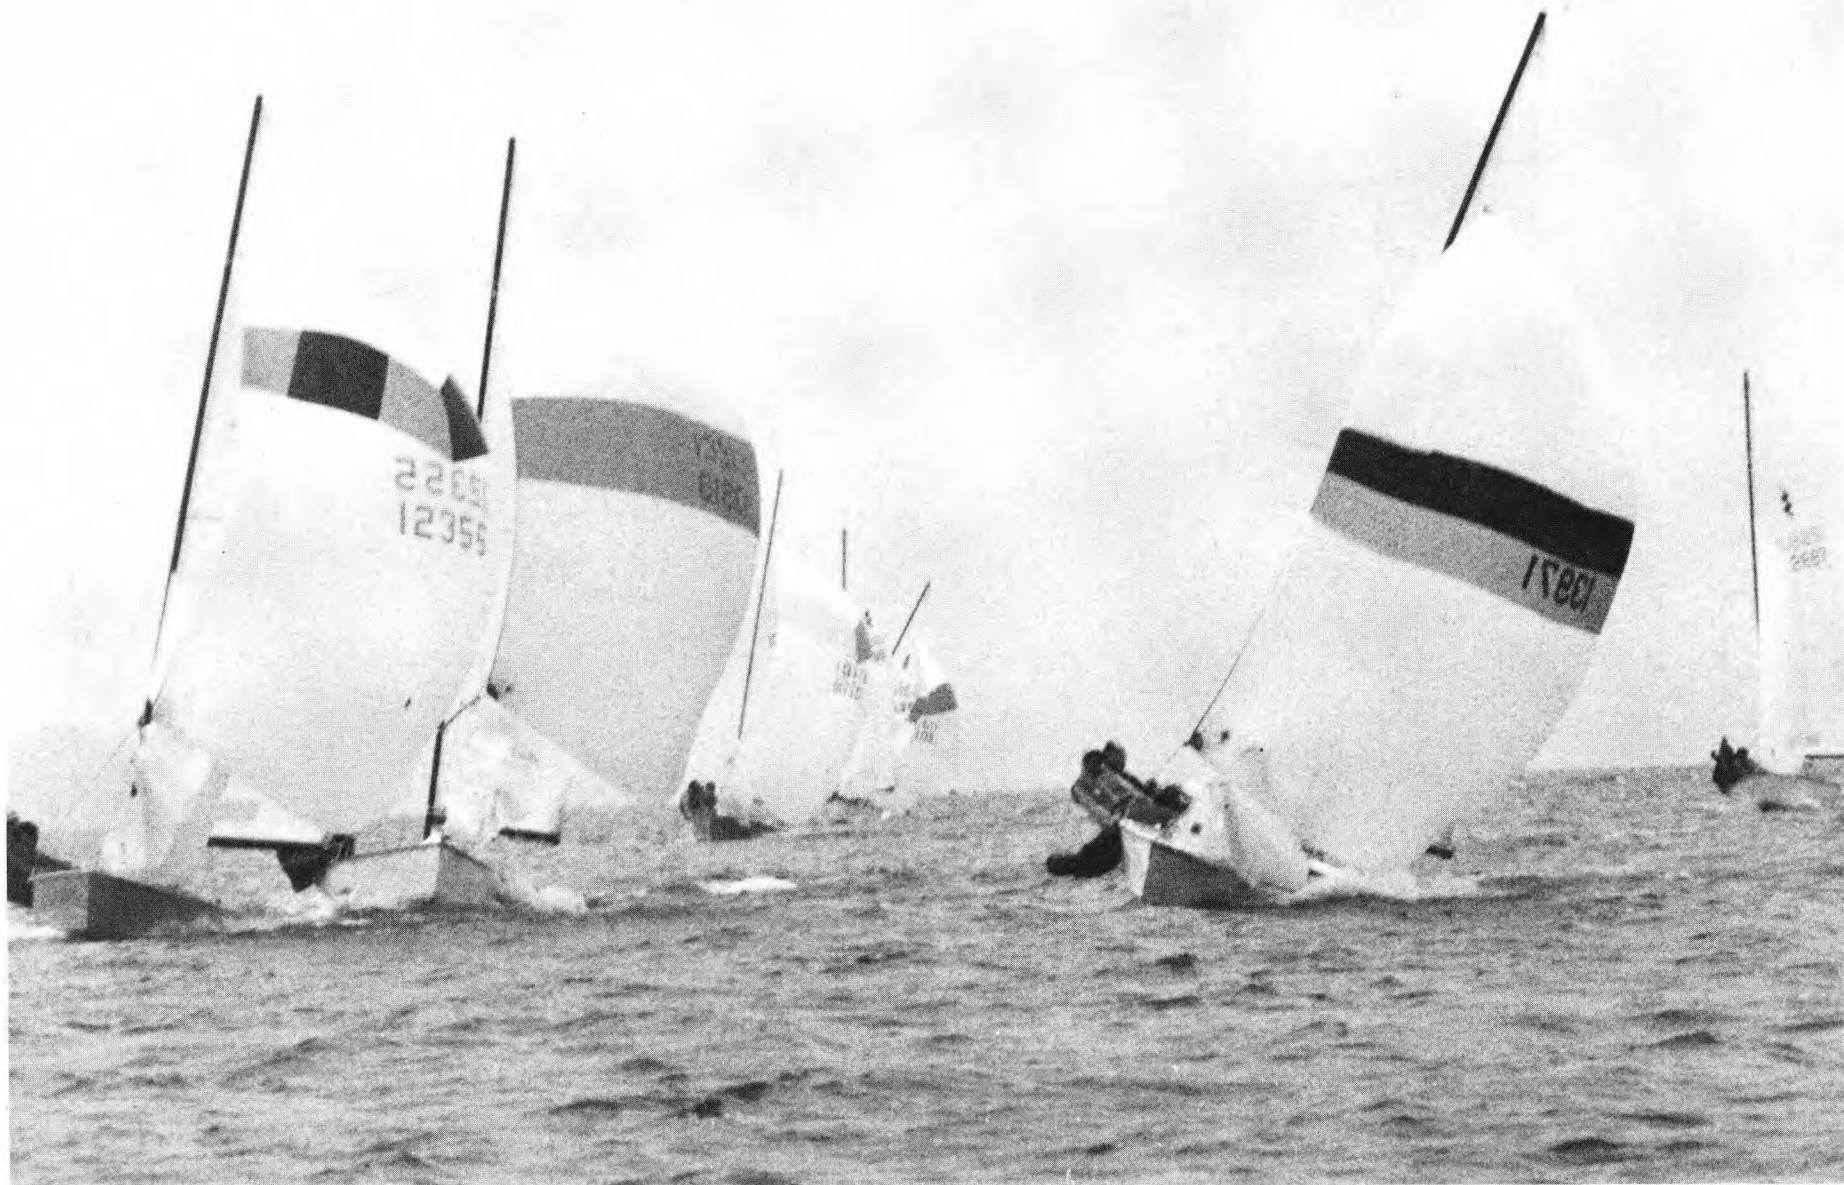

Five families bought Lightnings and put their names on the waiting list to join the Concord Sailing Club. We suffered a setback with the tragic loss of one of our new sailors in a helicopter crash. Brian Caulder's death was a blow to the new friends he had made in the fleet.

In April we were granted a charter. We have been doing informal racing during the summer. Tom Baer and Jim Michaelson traveled to the Atlanta Cup. At this writing we hope to send two boats to the "Blue Nose."

Beginning next Spring, we will schedule regular fleet racing with the Concord Sailing Club. In the last few months some of the sailors at the Concord Sailing Club have taken an interest in our growth and we hope to convert some of the sailors of "off brand" daysailors to the Lightning.

One pleasant surprise was finding Terry Igoe. Terry had crewed on Lightnings 20 years ago in New Jersey. Terry and his family have been out a number of weekends learning how to make their Lightning go fast.

We know it will be hard, but we hope to maintain our current level of growth for another year or two. If we can, we will be the largest fleet at the club and will be able to bring back one-design sailing to East Tennessee.

Registry of Lightning Boats

(Corrected to January 14, 1987)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner is unknown. *Where boat number is followed by an asterisk, it means that there is an approved Measurement Certificate on file for this boat. All boats not so marked do not have Measurement Certificates on file.*
