# HAPPY 50TH BIRTHDAY

## —TO A CLASS ACT

This year the Lightning celebrates 50 years of unprecedented success. We at North Sails would like to extend our best wishes to all Lightning sailors. We're proud of the class and its ability to combine high level competition with just the right amount of fun. We look forward to the birthday celebration in Skaneateles and another 50 years of growth.

Last year produced an unbeatable record for North Lightning sails. Congratulations to the following winners:

**1**st

World Championships: Manuel Gonzalez North Americans: Larry MacDonald Junior North Americans: David Starck Women's North Americans: Brenda Crane

Southern Circuit: Ched Proctor Winter Regatta: Jim Crane

Pan Am Games: Guillermo Paradelando

We're looking forward to even more North winners in 1988. We attribute our record to the active sailing of our sailmakers and designers. They'll be out racing Lightnings to help you go as fast as possible.

#### From the Editor -

1988 is the 50th Anniversary of the Lightning Class. This Year Book has focused on the main ingredient of our success, the PEOPLE, Sailors who have worked to build the Class to what it is today. We have included much of the past and some of the present, the 1987 Sailing Season.

The "Celebration of the 50th" will be the theme of the 1989 Year Book. We invite all sailors and families of every Fleet to keep their cameras at the ready and submit your photographs for publication. We want to know how you celebrated the 50th!

The Year Book is for all of our members and we want to see you, the members of the Lightning Class because it is YOU who should take the credit for our future. Let's make the "Celebration of the 50th" a truly International effort.

#### **DEDICATION**

Many possibilities come to mind for the dedication of this the 50th Anniversary Year Book. It might be dedicated appropriately to those who have given their time and talent to write articles and

reports for this book. It might also be dedicated to all who love sailing, and particularly to all who have owned or sailed a Lightning, or who have participated in Lightning Class activities.

However, this 50th Anniversary Edition of the International Lightning Class Year Book is dedicated to one individual. A very familiar name emerges frequently on a perusal of Year Books over the last fifty years. Sailors attending World, North American, Southern Circuit or District regattas know the gentleman. He has been the President and Treasurer of the Class, International Champion and Runner-up. Too, he has contributed greatly to the Lightning Class and competitive sailing in general. Therefore, it is most fitting to dedicate this, the 50th Anniversary Year Book, to "Mr. Lightning" — Karl Smither.

#### PRESIDENT'S MESSAGE

This Year Book brings a special message to all members. It shows something of our heritage and how we got where we are. Mostly, it's about people, people who have helped and are helping to make us what we are today.

We have a classic boat, great for all the family, a comfortable and stable daysailer, yet a very responsive and challenging racing machine. Put this with a bunch of people who have fun and you have the Lightning Class.

Many thanks to Editor Judy Walker, Donna, the office staff and all the people who have helped put this book together.

We are fifty years old and proud of it. Here's to the next fifty!

Anne S. Allen, President International Lightning Class Association

time S. Allen

#### Officers of the International Lightning Class Association

PRESIDENT - Anne Allen

Anne has been sailing Lightnings since the mid 40's. She crewed her first North American's (International Championship) in 1949 for her father, Karl Smither. In 1955 she was part of the championship crew for Tom Allen in New Orleans. Since then they have sailed together for many years. Their four children, Jane, Brenda, Tom, and Jim are all active Lightning sailors.

A strong supporter of the Lightning and of women's sailing, Anne helped to organize the Women's Lightning North Americans. She is active in Fleet 12 and the Lake Erie District, is currently the treasurer, and has served as Class VP of International Affairs and Secretary.

Anne is employed by The Brothers of Mercy as a pharmacist.

CHIEF MEASURER - Robert C. Wardwell

Bob began racing Lightnings actively in 1973 at the Fairhope Yacht Club, while living in Daphne, Alabama. A career change in 1974 took him to New York State, where he was originally from — there he sailed in the Central New York District. Subsequent moves have taken Bob to Chattanooga, Tennessee (Mississippi Valley District), Carlistle, Pennsylvania (Dixie District), and Signal Mountain, Tennessee (Mississippi Valley District), where he currently resides with wife Carol, daughter Christy, his foredeck crew for 6 years, and sons Robby and Charlie, who are about to give up their skateboards for crew positions.

Bob served as Assistant Measurer for three years prior to being Chief Measurer, and served as RC Chairman for the 1986 Juniors, Women's and Masters' Regattas

When not sailing, Bob is a Vice President of Filtration Sciences Corp. in Chattanooga, Tennessee.

TREASURER - Jack Tibbs

Jack has been a member of ILCA since 1967 and during that period has sailed nine Lightnings.

He has served Fleet 31 as both Secretary and Fleet Captain, the Michigan District as Secretary and District Commodore, as Vice President and Yearbook Editor for ILCA. He was Commodore of Devils Lake Yacht Club in 1981 and is currently the Executive Secretary of that club.

The Tibbs family have all been involved in Lightning activity, Joe, Beth and Jane have all crewed and tried their hand skippering. Chris is involved as the Race Committee at DLYC.

Jack is the owner of Tibbs Bros. Inc., a supermarket at Devils Lake.

SECRETARY - Fisk Hayden

Fisk started sailing the Family Lightning 1906 on Sodus Bay (New York) in 1946 and sailed his first North Americans (International Championship) in 1955 in New Orleans.

After many years of active Lightning sailing in the Central New York District, he moved to Central Florida where he has served as Florida District Commodore and Class Vice-President in addition to serving as Southern Circuit Chairman. He is currently Secretary of Fleet 461, Lake Eustis, Florida. He resides in Fern Park, Florida with wife Jean, and daughter Susan.

His son Steve is an active Lightning sailor and a member of the Florida State University Sailing Team.

Fisk is Administrative Director of Food and Nutrition Services at Orlando Regional Medical Center.

# XIV CAMPEONATO MUNDIAL WORLD CHAMPIONSHIP

After sailing a lot of years in international sailing events like the South Americans, Pan Americans, North Americans, Worlds and even the Olympics, I have realized that a competitive boat and top crew is a must in order to have a great performance. With this in mind, my crew and I decided toship our old Allen to Salinas, Ecuador to compete in the South Americans last April. From there we could ship the boat on to Cartagena for the Worlds. We forgot that an Ecuadorian truck cannot travel to Colombia and visa versa. We would need to change trucks at the border. Since this was a risky situation, we had decided not to compete in the Worlds

Six days before the first official race of the Worlds, we changed our minds. We were going to sail in the Worlds as a team regardless of the boat we sailed! We already knew that we would be defending Chile in the Pan American Games so we just had to sail the Worlds.

In the first boat draw among five countries, we drew the only wooden boat and were very disappointed. We would have the chance to change to a fiberglass boat at the second draw but soon realized that all of these fiberglass boats were overweight. Our old wooden Candelaria weighed only 701 lbs. and was finished with all the modern go-fasts. The Colombian sailors kept assuring us that this was a good fast Lightning and was very competitive. On closer inspection, we soon realized that Candelaria was the same as our own Pixie in that although she didn't have the best speed, was fast enough not to depend upon speed to win. From the practice races, we knew that Tom Allen III and Eddy Martin were sailing pretty fast and Bill Shore in "the boat to beat" was faster but we were confident that Candelaria could best them all.

My foredeck crew was Rodrigo Zuazola who has sailed with me for the past six years and also skippers I.O.R. and Stars. He was the tactician and was always looking for better wind. My brother Tito was the middleman and was in charge of wind shifts, looking not only at the compass but at other boats. Tito is also a skipper in Lightnings, Lasers and 470s. He joined Rodrigo and I to sail the Worlds and Pan Americans. The three of us had sailed together at New Jersey and Tawas in 1985. I was in good fortune in having a good boat and an even better crew.

The starts were one of the main reasons for our victory. Two or three minutes after each start we were always with the leaders. We never had bad air and were always able to go to the side of the course that was wanted. The wind was oscilating 15-20 degrees and there was always a shift to the right. Our strategy was to choose one end of the starting line — never the middle. The only decision to be made was —which end was favored? One minute the line was even and two minutes later, the pin could be favored by 15 degrees. Before each race we checked the wind at least six times after the white flag.

Another reason for our victory was that we sailed as a team. Each of us had his own area of responsibility and we agreed in almost all major decisions. This allowed me to concentrate on steering the boat.

In the first race we started at the committee boat even though at the gun the pin end was favored. We tacked immediately to the right side with the rest of the Colombians. We finished third in the race. In the second race, we noticed that there were two different winds. We didn't reach the new wind first but were just behind Jody and Ched. Our troubles started when the wind died 100 yards from the windward mark. We had to do a 720 and then mistake upon mistake resulted in finishing 32nd.

Playing the shifts paid off in the third race giving us a second place finish. A lot of hard work put us in fourth place in the fourth race.

We only needed to be in the top ten in the last race to win the Worlds. There was nobody to cover us because there were too many boats competing for second place. We sailed absolutely conservative covering the fleet but losing the advantage with other boats. Even being as conservative as we were, we worked hard as a team and with some good luck, actually won the last race and the World Championship.

How happy we were. This was a very special occasion for Rodrigo, Tito and myself and for Chile. This was the first time Chile had ever won a World Championship in a sailing regatta. This will do much to promote the Lightning in Chile and our Class will grow even more.

Thanks again to Tito and Rodrigo; they were superb. A special thank you goes to Fernando de La Concha for organizing the event and to all the Colombians (including the owner of *Candelaria*) for their gracious hospitality.

Manuel Gonzalez World Champion.

# PAN-AM SILVER — WHAT A GREAT YEAR!

by Peter Hall (with lots of help from Scott Morgan)

We did it! We won a silver medal at the 1987 Pan American Games!

Florida Mid-Winters, Annapolis, Pan Am Trials, Canadian Open, Pan Am Games, a baby son Nicholas, a happy wife, a great crew in Alain Boucher and Scott Morgan: what more can a Lightning sailor ask for?

We took off our skiis, trekked south in March, sailed slowly, learned humility and thus began our training program. We were underwhelmed to say the least. With a little coaching from Ched Proctor and Bill Shore, we improved our speed and won the NO GAS Regatta. What irony! We as a crew were full of gas.

We had won the first half of the Selection Trials in the fall of 1986. As luck would have it, a combination of light air and great boat speed would allow Scott, Alain and I to win the second half of the Trials after only four races enabling the "coach" to return the next day to "participate" in the birth of our son Nicholas. A lot of hard breathing was required! Nicholas and Margot, your timing was perfect.

Throughout the Trials, we saw excellent competition from Eddy Martin and Larry MacDonald Jr.. Alain and Scott sailed extremely well, and made steering look easy. We won the Canadian Open August 1-3 at the Boulevard Club in Toronto with four firsts and a second and after this felt prepared for the challenges of the Pan American Games.

We drove to Michigan City, Indiana, on Lake Michigan arriving five days before the practice to help us get used to local conditions. We were greeted by massive security. Two hundred and fifty Indiana State Troopers were on hand to protect us, helicopters were constantly overhead and all facilities were surrounded by a double chain link fence. Although renowned for light winds, sailing conditions appeared good. The very hot weather provided the classic weather pattern of a sea (lake) breeze from noon every day until evening, and an offshore breeze until eleven the next morning. Passing summer squalls added some wind shift flavour.

By the day before the practice race, the Walt Disney opening ceremonies had been completed and we had grown accustomed to the security. Most of the competitors were out tuning in the 15 km. breeze and looking for other boats to see who had the vital ingredient of success — boat speed. The Americans seemed very fast, Argentina a little slower and the Brazilians and even World Champion Chileans were feeling confident about their speed.

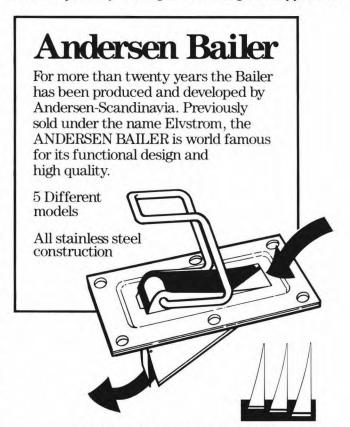

The first race arrived with light air conditions and, after tuning and the practice race the day before, we felt fairly good about our speed. Another factor however, was to play a major part in winning races: the wind shifts. We rounded the windward mark half a boat length behind the Brazilians but by the second reach (the third leg of the seven-leg Olympic course) the gentle offshore land breeze had died. Twenty minutes later the seabreeze started to fill in and the Chileans who had been last by 400 yards, surged into the lead. At the finish of the first race, the order of the fleet was

exactly reversed from that of the first windward mark: The Chileans were first, we were fourth and the Brazilians fifth.

The first race set the tone for the rest of the regatta: very unpredictable shifting winds. By the fifth race each boat in the fleet had won a race and any boat could still win the Gold. We were tied for first with the Argentinians.

Race six dawned with typical Michigan City conditions: light shifty winds. After a race where positions changed many times we finished third. This left us solidly in second place, 2.7 points behind the leading Argentinians. To win the Gold Medal we had to either win or come second and beat the Argentinians.

At the start of the seventh race we decided that the clouds building to the right of the course would shift the wind in that direction. To make sure we got to the wind first, we started on port tack astern of the fleet and after 15 minutes of sailing were in the lead! Prudently we tacked just short of the lay line for the windward mark. The Brazilians went 100 yards further. A puff of wind arrived and took the Brazilians and Americans around the first windward mark first and second respectively. During the last triangle we slipped back

ANDERSEN STAINLESS U.S.A. Box 13015, 3301 S.E. 14th Avenue Ft. Lauderdale, Florida 33316·305-525-7537 to fourth place. Then the wind began to die and a squall started to move towards the race course. As the four boats turned the leeward and last mark before the finish line the squall arrived. The Argentinians were just slightly ahead and grabbed the lead to reach to the finish in first. We finished the race a disappointing fourth but, with out position in the standings secure, we won the silver medal.

We congratulate the Argentineans — they sailed smart, fast and deserved to win.....They demonstrated superior light air speed.

I think my crew, Alain Boucher and Scott Morgan for their dedication, enthusiasm and extensive preparation. We really enjoyed ourselves and learned a great deal.

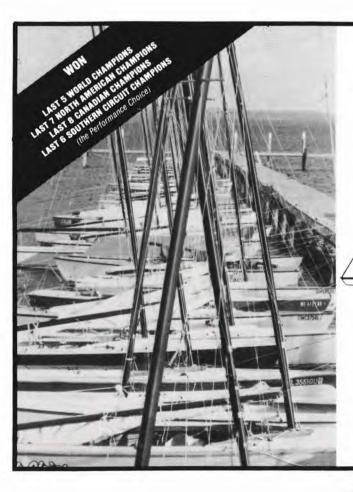

Important as winning a medal was participating in a challenging process and particularly sharing the Pan Am Games with my family, Margot, Krista and Nicholas was a great reward. To all Lightning skippers and crew, changing diapers keeps you honest.

We would like to thank the Royal St. Lawrence Yacht Club for the moral and financial support they provided. We also appreciate the constant support of the Canadian Patriarch of the Lightnings, Russ Scrim and the competitive impetus provided by the doings of Eddy Martin, Jay Mann and Perry Own at the Worlds Championship.

The Canadians challenge the Americans to beat us in our Canadian Open Championship, June 23-25, 1988 in Montreal. This is the 100th Anniversary of the Royal St. Lawrence Yacht Club. Come help us celebrate Russ Scrim's special birthday. Let's all party in Montreal.

Canadian Peter Hall.

"Who B. Boo" was crewed by John Humphrey, Kurt Taulbee and myself. Going in to the N.A.'s the team was very hungry to win something and win it in a big way. The team had been beaten badly at the Districts and a few other regattas by soon to be N.A.'s Champ Larry MacDonald.

After a brief look at our flights and who our competition would be in each race, the decision was made to be as aggressive as possible toward our tougher competitors.

Race 1 — Windy, very windy, with real tough heavy air sailors, Bill Shore (remember him?), Don Brush, and soon to be N.A.'s Runner-Up Jed Dodge. We started between Shore and Brush and quickly sailed over Bill. Edson White was our early competition with Shore and Brush staying close through the second weather leg. On the last leg, the breeze that was a comfortable 17+ became an uncomfortable 22+. Even though our team was young and hungry, four legs would have been nice not only for us but for the 10 or 20 competitors that went for a swim in lovely Lake Erie. Other race winners were Larry MacDonald and Big Stu Nickerson.

Race 2 — Immediately following, and boy was it windy. Almost too windy. Many boats had been towed in and bagged the day, and many others had said, let's sit at the bar. Our biggy was to make sure that we beat Jim Crane. As I recall, this race it was so windy, we just sailed as hard as we could with Fisk Hayden and Jed (Dodge) giving us an early

headache and staying close through the second weather leg. Crane was over the line and made a nice comeback to fifth. Again this race saw some more of our friends go for a swim. I don't mind if you like swimming in our lake but why at the jibe mark. Other winners were Tommy Allen Jr. and you guessed it, MacDonald.

Race 3 — Thank you, not as windy, but bigger shifts. The biggys Tommy, Big Stu, Mark Sertl and Jack Elfman, who had been sailing very well with two fourth place finishes. After winning the first two races I wanted to get a good start. Almost too good as we talked about going back because the "X" flag was still flying long after the start. We decided that we'd sail the race and hope we just had a good start. Jed again gave us a hard time early but faded on the second leg only to have Big Stu come on and give us our toughest race. Other winners were Crane and de Lisser. After the race Shore told us that the RC didn't call us and that we were as close to being over as he had seen in a while.

Race 4 — We were feeling pretty good with three firsts, knowing that nobody had ever won four races in the qualifiers, the future seemed dim. Our biggy in this race was MacDonald. Larry was the boat that could beat us for the Qualifying Series. And for those of you who haven't sailed against Larry in a blow, he's really tough. But wait, the wind is getting lighter, he RC postpones and we all begin to wait for a new breeze. All right the breeze comes in, not very stable

# SOME LIGHTNING SAILORS HAVE TO CHOOSE BETWEEN SPEED AND QUALITY.

#### HAARSTICK CUSTOMERS GET BOTH.

When Haarstick entered the Lightning class five years ago, we were recognized as the builders of the highest quality, most durable and innovative sails around. This year, we again proved they are also the fastest.

Haarstick sails were on the winning boat in EVERY 1987 Central NY regatta, in addition to the events listed.

Our innovative designs are the difference. For instance, we are the only sailmaker to fully exploit the speed potential of spinnakers, with our computer-cut radialhead design [2nd in the 1987 N.A.s].

We use only the best material and test every lot. Fabric that doesn't meet **our** requirements is returned and sold to other lofts. Why take the chance with your next sail?

We're so sure of our quality, each sail is signed and dated by an inspector—so you can be sure you're not getting a year-old design, plucked from a dusty shelf.

So remember, this year you don't have to choose between speed and quality. Call Mark Sertl or Chip Evaul, and talk about getting both!

and very light. I've seen this before and know the breeze is too far right for the incoming seabreeze or thermal. At the start "Larry creams the fleet and he's off to the middle of the course letting us go left where we want to be. Joining us on the left is Jimmy Allen who has also seen this breeze before. Atkinson comes out of the middle of the course and leads at the weather mark, with us second, and Jimmy third. Hey, MacDonald is in the tubes. We pass Atkinson downwind and are feeling comfortable. Oops! Here comes Larry, he's up to fourth and really rolling, maybe he wants to catch us. Well, Larry MacDonald and crew sailed one whale of a race to come in close second to our boat. I really believe he sandbagged us into winning the Qualifiers because only one or two boats have ever won the Qualifiers and come back to win the N.A.'s. Other race winners were Tommy Jr. and Jody Swanson. The top three finishers were from the Buffalo Canoe Club and are known to sail well in a breeze and the Qualifiers were breezy.

A few thoughts about the Qualifying Series. One, to shorten the overall length of the race. Definitely four legs. The windward legs could be long so as to give a chance for a comeback. My thinking here is especially for windy conditions, the fatigue factor really comes into affect on windy days and that's when boats tip over. I saw many young guys and gals who were too tired to enjoy themselves. If our young sailors are tired, think about how our middle age competitors who want to sail and have fun feel after a long windy day. If you have any thoughts on this please let me know. Thanks are in order to the Buffalo Canoe Club RC and all their staff for an excellent regatta. Oh, by the way, congratulations to Larry MacDonald and team for their victory. See you in San Diego. Remember what happened in '80?

#### NORTH AMERICAN CHAMPIONSHIP 1987

By Larry MacDonald, Jr.

Winning the Lightning North American Championship has been a goal of mine for as long as I can remember. Actually winning, and winning at the Buffalo Canoe Club was more fun than I had ever imagined.

My crew deserves most of the credit for our win. They did most of the work and all of the hiking. I only had to start the boat well and try to avoid hitting other boats. Trevor Born sailed the middle and did an excellent job, always keeping the boat moving fast as well as keeping me organized. Ian Jones did an equally great job keeping us going the right way as well as keeping me reasonably calm.

The first day of the qualifiers saw 15-25 knot winds from the southwest. I felt I had both a weight advantage as well as a strength advantage over most of the competitors in these conditions. We had a good day with two bullets whereas many boats ran into problems, particularly at the gybe mark as Lake Erie welcomed the Class back to Point Abino with six foot seas.

Day two saw winds 5-25 knots from the west to northwest. The veolocity was much less consistent and the winds more shifty. Mark Bryant won the qualifiers with four firsts but we had two firsts and two seconds. Tom Allen IV finished third. The real champions of the qualifiers were Jim Crane with crew Peter and Larry Bone. In the fourth race, they broke their rudder, sailed two legs without it, fixed it while racing with an extra pintel Peter just happens to carry along and went on to finish sixth in that race.

The series started on Tuesday morning in westerly 12-16 knot winds. We knew we had good speed so our strategy was for me to get a good start and for Ian to get us to the first mark in the top six or seven boats. The rest of the race we would wing it. We all did our assignments and were first to the mark. We went on to win that first race although the lead changed several times, especially with Bill Shore, Brad Read, Jed Dodge and Kip Hamblet finishing in that order directly behind us.

Race two was sailed in the same conditions. Bill Shore got a good start and rounded first with Brad Read second and us third. We did pass Brad but got involved in an intense tacking duel with Bill. Bill was able to recover and finish first but Brad slipped in between us to finish second.

The third race was light and patchy from the east. We found ourselves with a poor start and sailed around 10th to 15th all of the race finishing 13th. This race was both frustrating and confusing. After the race we had our standard post race talk and concluded that we did not have a clue of what went wrong. We made a few minor changes to the boat, changed jibs and convinced ourselves that things would go better in the next race.

Race four saw the winds shift to the northeast and increase to 10-12 knots. We got off the line good along with Jim Crane and Jed Dodge. Bill Shore was over early and fouled a few boats while trying to return to restart. Bill

decided to retire from that race at this point. Crane went on to win the race but we managed to finish second.

The last day saw winds 8-10 from the northeast. Going out to the races, we discussed what to do and decided to stick to our original gameplan but also to keep an eye on our close competitors. We had a good start and rounded the top mark second to Tom Allen IV and held this position to the finish. Bill Shore had a poor start rounding 19th at the first mark. Bill sailed a great race and recovered to seventh place.

Going into the final race, we were quite nervous. We had figured the points closely and found that the only ones that could possibly beat us with 8 points were, Shore with 11 points, Dodge with 16 points or Crane with 19. We decided to try to stay out of trouble and sail up the middle of the course. We had another great start and were able to stay in the middle and keep well positioned on our competition. Stu Nickerson and Jim Carson were leading the packs on the left and right respectfully. At the first mark, Stu rounded first, us second and Carson third. We went on to win that final race and the North American Championship. Jed Dodge finished second to clinch a second overall while Bill Shore finishing ninth was third overall. Jim Crane finished sixth to finish fourth overall.

The awards dinner was a great time capping off a fantastic week for my crew and myself. We would like to thank Dick Ferrick and Jack Swanson and all their committees for hosting a superb regatta. I would also like to thank David Starck who agreed to tune our boat if we let him use it for the Junior North Americans and to congratulate him on his Junior win. We are looking forward to seeing everyone out west for the 1988 North American Championships at Mission Bay Yacht Club. We will be there!

## PRESIDENTS' CUP

By Fisk Hayden

Most of the sailors in the Presidents' Cup and Governors' Cup are not as well known as the Blue Fleet sailors, but I'm sure many of our future champions will come from these Fleets. They will always be the backbone of our Class and I

am proud to have been able to sail with them at the Buffalo Canoe Club.

After a good Blue Fleet finish in Kingston, I felt it was time to move up a notch or two in Buffalo. Much planning,

practice and hard work went into the preparations for this regatta. My son Steve and crewman Tom Degan were excited and ready. It seemed to be only a matter of getting on

the water and making it happen.

Needless to say, fate had a hand to plan to keep me from getting overconfident. The Qualifying Races proved a very difficult experience with one mishap after another. The disappointment of not making the Blue Fleet can only be appreciated by those who have experienced it, but it just goes to prove that everyone has an equal chance in the North Americans. The real rewarding experience was seeing my crew's determination to prove they belonged. This made sailing in the Green Fleet an interesting and rewarding experience.

After the first four races, we realized that maybe we were in trouble. Sailing in the Green Fleet is a lot more difficult than most sailors realize, especially those that have always qualified for the Blue Fleet. After four races, our best finish was a second and the worst a 14th. Considering that we had two races in moderate air and two in light air, we knew we would need to give more than 100% to pull off a Presidents' Cup win. Sailors like Eric Larson, George Andreadis, Mike Dow and Bill Neal were showing us what tough sailing it can be in the Green Fleet.

Fate was with us that last day and we won our first race of the series. Confidence flowed through us and we were third in the final race. With the dropout race, this was just enough to let us win the Presidents' Cup, barely one point ahead of Scott Finkboner.

I would especially like to thank my crew Steve and Tom, who would never quit. They gave more than 100% in each of every race and didn't let the skipper give any less.

VIS-A-VIS TV P.O. BOX 7078 Evanston, IL 60204-7078 Whether you're the skipper or a crew member, you know that learning to sail and race the Lightning can be a long, slow process. Many good crew candidates start with some sailing experience on other boats and lots of enthusiasm, but little or no background with the Lightning or one-design racing. Most skippers are willing to spend time training crew because it's a necessity, but would be eager to speed up the learning process if it were possible.

Now it is possible with this new 40-minute videotape from VIS-A-VIS TV. One-Design Sailboat Crew provides the new crew member with good background in Lightning sailing and racing, making hands-on training easier to absorb and more meaningful. The tape assumes a basic knowledge of sailing and goes right to the specifics of the Lightning and one-design racing.

Topics covered include:

The Controls
Boat Preparation
Launching
The Race Course
The Start
The Windward Leg
The Leeward Legs

Besides giving basic information about the location and operation of controls, the videotape gives useful tips, and shows the structure of the race course and basic strategies using simple computer illustrations. The video provides a lot of useful background information, and the novice Lightning sailor will want to refer back to the tape throughout the training process. Why not fill out the form below and order today? For faster delivery use your VISA or Mastercard.

#### **Junior Championship**

By David Starck

The 1987 Junior North American Champion and Crew. (L to R) Jim, Skipper David and Tom — Starcks all.

This year's I.L.C.A. Junior Championship Regatta which was sailed off the sandy beaches of Pt. Abino, was just a great regatta! Of course, winning the regatta was awesome. It's something I've been trying to do since 1985. The regatta itself was run very well and fortunately, the weather cooperated.

My crew, who happened to be my two brothers, Jim and Tom, did an incredibly good job. I was very, very impressed with their sailing. They were on top of each race. They'd feed me any and all the information I needed to get around the race course. I can't say enought about their performance.

The competition in this year's Championship was very good. I thought Sean Fidler and Phil Kinzel, Jr. sailed very well. They were both impressive. Ned Roseberry and Matt Frymier also sailed well. I would like to congratulate them too. My congratulations also go to the rest of the Junior Fleet. It was a well sailed regatta.

This year's Race Committee, headed by Curt Montgomery, did a spectactular job in getting off six races. Due to the fact that the breeze was relatively shifty and heavy, Mr. Montgomery had to make many tought decisions on the race course. Further, the races started promptly. I thought

I'd like to take this opportunity to thank and, more importantly, to encourage the Juniors to stick with the Lightning Class and make it grow. We had a decent turnout this year. I just hope the turnout next year in San Diego is even better.

Finally, I would like to congratulate and thank Larry MacDonald. First, for being the 1987 North American Champion. I watched every single race and you were just outstanding! Second, for all your help and support during the Junior North Americans. Your input was invaluable. Thanks again.

# MASTERS' CHAMPIONSHIP — 1987

By Dick Hallagan

This was the fifth time the N.A. Masters has been sailed just prior to the N.A. Championships. This event was created to foster good "one design" sailing in the Lightning Class for those who might be almost ready for the golf course or a 40' cruising boat. In other words, to keep the "OF's" going for a few more years. At first the interest was limited, not to take anything away from Stuart Anderson, but the regatta was more like match racing in a small fleet. In 1986 at Henderson Harbor, all of ten boats sailed and the competition was keen and even. Being called Mr. Hallagan by all those Juniors was respect I don't usually get at regattas. And then there was a large female population attending. So, the Masters has a lot going for it and the 1987 regatta saw the entries jump to seventeen.

Is it possible to fine tune this further? Two topics received much discussion at Buffalo.

- 1. The older skippers should be able to sail with younger crews, i.e. make the total age 130 or 135, no 50 year old crew requirement.
- 2. Weather permitting, we could have more races maybe four. Also, why not have a World Masters just before the Worlds. In Greece, one could sail this, then sight-see, and still be with the ILCA group. The boats would be there for charter and the racing would not conflict with the other regatta.

It was truly a North American event with entries from Ontario, Quebec, and eight states from the U.S., bringing in crews from as far away as San Diego.

Wednesday morning was grey and stormy with some rain and thunder. Everything was on hold until about 11:30 A.M., then the sun appeared and so did brisk SW winds in the 15 to 20 range. It was going to be a test of crews and equipment. So, the Masters followed the Juniors and Women out into Lake Erie for about 3 miles (the NY shore seemed closer). There was plenty of wind and the sea was building to 3 to 4 feet. Did the Masters need this? The sun was out, the wind was steady, and what better way to spend a Wednesday afternoon. With a bad start, Hallagan went to Port immediately and one by one the entire fleet tacked to Port and sailed to the right corner — the historic right side of Pt. Abino. On this leg, the magic was there and Hallagan got to the right side first and gained a sizeable lead over Burridge and the fleet. Every boat flew spinnakers — not bad for the OF's! Going to weather on the second and third beats, Burridge, Schmiege and Hayden moved up considerably. At the gun, it was Hallagan by two lengths over Hayden, followed by Burridge, Currie and Schmiege.

Thursday morning found N-Westerly winds of 10-15 blowing out from Abino Bay. Nobody expected this direction to hold, so most of the fleet ventured out to the left side hoping to get the first of any SW swing in direction. This was the correct plan but many overstood the first mark, so Teigland, in the middle of the course, came in to the mark with a nice lead. He popped his chute only to find the reach a little light but did lugg it to the jibe. Hayden went a little high, popped, and quickly got the lead which he steadily

opened up during this race. Burridge, Teigland, Hallagan and Militzer traded positions two through five, finishing in this order well behind Hayden.

Hayden now had a 2-1 and looked in charge. Friday, old reliable SW wind was humming at 9:00 A.M. Swells and lumpy water and 12 to 18 wind made for an interesting last race. It was bang and go right. However, Hayden got forced out to the left and was nearly DFL at the first mark. Hallagan rode third place all the way and just covered Burridge. Sounds simple, but the Hallagan-Burridge cover took them way to left on the last buck. Hayden sailed a great last leg to take Burridge and left Hallagan checking his hip pocket, but the final addition gave Hallagan 9 pts., Hayden 10 pts., and Burridge 13.

Thanks to all 17 skippers who made this a great regatta. My crew Len Tiedemann, who came out of retirement (my son Peter now owns Len's 11537) and Sandy Schrader (who crewed for me last year) really enjoyed the regatta and the BCC. And, thanks to the Race Committee for an excellent job.

Having sailed in the ILCA for almost 30 years, I have

#### **EUROPEAN CHAMPIONSHIP**

By Marcello Attina

We began to prepare to win the European Championship for the second time with training starting in January '87. It was hard to believe we were the European Champions; we were going to work hard to maintain that title. We were on the boat every weekend starting in February. We sometimes participated in the I.O.R. Class regattas with the famous Bortolotti (Azzurias skipper) who promised to send us the sails from Milford, CT. Our training consisted of improving either gybing techniques or the regulation of the boat, always hoping to find a better speed to win.

As the day for the Championship arrived, our emotions increased, our faces appeared tired and frightened, and we were worried about boat speed. We had arrived at Numana four days before the regatta in order to study the difficulties of the place. The time was spent in measuring or practicing in the bad weather conditions.

During the days preceding the regatta, four sets of sails had arrived from the states. We soon realized that our set was not there. The competition was starting in two days and it appeared the same had happened as in Greece when we sailed our championship with year old sails. The first day was too windy and we couldn't race and therefore were uncertain how speedy our sails would be. Certainly it wasn't the right way to start the European Championship.

In the first race, the wind was 10 met/sec. At the start, the leeward boats were *Meltemi* and *Lilybrytan*, but soon we found ourselves behind them. We tacked and stayed in the middle of the racing area because of the irregularity of the wind. We soon realized that everything depended on chance. At the end of the first leg, *White Cloud* was first, we were fifth. At the gybe mark we were third and *White Cloud* was still first. In the middle of the downwind leg, the wind shifted 130 degrees. We became thirteenth together with *White Cloud*. We were very discouraged. The last leg upwind became a reaching leg and we decided to hoist the spinnaker. Fabio was worried because our boom always touched the surface of the water, but on the contrary, Antonio was excited as he wanted us to work better. We managed to pass the other boats and we finished third soon after *Meltemi*.

We started near the committee boat in the second race and were fifth at the first mark. *Meltemi* was first followed by *Lilybrytan*. During a battle between *Meltemi* and *Lilybrytan* on the second upwind leg, we improved our position to third. We began a real battle with Vitaggio and we passed him and finished second behind *Meltemi*, *Lilybrytan* was third and to our surprise *Santa-Fiamma* was fourth.

The wind was 5 to 6 met/sec. The Race Committee decided that the start of race three would be after the second race. We were really excited and our boat felt our excitement. At the first mark we were first and continued to improve our lead. We managed to finish without any problems. Our dear friend, Ferrari, skipper of White Cloud was second followed by Wyler, Perret, Rustichelli, and Vitaggio respectively.

The starting line was established and race four was to start at 11:00 A.M. At 8:00 A.M., we were out on the boat to check and make sure everything was working well. The Italian Flag was flying the day before and I silently asked myself which flag would be flying today? My crew and I decided then that the Italian Flag would never go down! We were really concentrating and started in the backwind of Meltemi, but soon we managed to pass him. After some tacks we went to the right of the race area with Wyler, while Vitaggio and the others went towards the left. Near the mark we had a battle with Goumas who was really speedy. Meanwhile Shizzazaole became first and we were second followed by Goumas. After a good beat, we were first. The finish was really surprising! Wyler was second, Perret third, DeRegis fourth and Vitaggio fifth. Our comment was that the Italian Flag will fly again!

For race five we were out on the boat very early and we controlled everything. Some dark clouds were menacing the

European Champions Marcello Attina and crew first at the weather mark in Wanter III followed closely by Meltemi.

regatta. This race would have been the deciding one! We had to beat only Wyler. I was frightened to have all the Swiss against me, and I think Wyler had the same fear. We started in the middle of the line windward to Wyler. After some tacks we were first again and we went on covering Meltemi. At the mark we were still first, Lilybrytan was second, White Cloud was third while Meltemi was sixth. After the second leg the sky was dark and the wind had picked up. The last leg began and Milan went on the left side while Lilybrytan, who was covering us, went the right side with Meltemi behind us. We continued to improve our position and arrived at the finish first, with Vitaggio second, Schmid third, and Wyler fourth. Fabio, with his eyes full of tears cried "We have finally won! We are the champions!!"

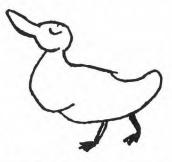

Wyler and Vitaggio were still fighting for second place in the sixth race. We had a bad start and were about thirteenth. At the mark we were sixth, Vitaggio first, Wyler second and the famous Lambelet was finally among the best. At the beginning of the second leg we were still sixth, but after a lot of tacks we were second. Our hearts were full of joy when we were first again for the fourth time. Incredible! Vitaggio was second and Wyler third, who became the European runner-up.

What a wonderful championship! The "Cizeolo Nautico Numana" was fantastic. Everything was organized in the best way, the spaghetti parties and the wonderful trophies for the winners. A special thanks to the Magic Gianni Pelligrino, the builder of our boat, to our friend Nando DeAmicis who helped to build the Italian District, and to our sailmaker who sent us such magnificent sails, which came late, but arrived first!

# THIRTY-THIRD SOUTH AMERICAN CHAMPIONSHIP

By Francisco Sola Medina

We started the 1987 winter season with a new boat and participated in the National Championship in early February, we finished first with Juan Santos second, and Miguel Plaza third. My crew was Johny Meira and my son Ricardo. We together, planned our campaign for the 33rd South American Championship to be held in our home waters in late April.

The winter was very rainy, thus Salinas was very tricky and always with light winds mostly from the northwest. We trained very hard in these conditions and by the Selective Regatta in early April we knew we were extremely fast upwind.

Finally the Thirty Third South Americans started on April 26th with 19 crews and our list of dangerous people included Manuel Gonzalez from Chile, who was sailing his own boat, Juan Santos from Ecuador, who is always fast in Salinas and Andres Lisocki from Colombia, the Defending Champion.

We had one tune up race and this proved that we were right but gave us three new names to the list: Rufino Melero from Chile, Dieter Dyck from Ecuador (Lake San Pablo) and Juan Carlos Plaza, also from our home fleet. Juan Santos won the race with Lisocki second.

We decided to use our 1986 sails and used only a new spinnaker. Also, since the conditions remained light and shifty we wanted to be conservative at the starts (always in the middle) and try to be consistent. Race No. 1 started with winds from 6 to 8 with oscillating shifts of 15-20 degrees. At the start Carlos Ransauer and Juan Plaza took the pin, went in a long starboard tack, picked a big lift and by the first mark they were far ahead of the pack. They were followed by Melero, Lisocki, Dyck and Navarro from Peru. We rounded seventh after an incident with Santos which finished in a 720 for him. Gonzalez and Santos looked very bad. Plaza passed Ransauer on the reaches and the positions remained the same. We managed to pass Navarro, Lisocki and Dyck on the second beat and Melero and Ransauer in the run and came very close to Plaza. At the finish it was Plaza, we came in second, followed by Ransauer, Manuel Gonzalez, who had a nice recovery, Dyck and Navarro.

Second race was sailed immediately after with the same conditions. Manuel Gonazlez and we chose a long port tack, played the shifts to the right, and rounded 1 and 2 followed by a pack of eight boats.

We passed Manuel on the second beat and finished first followed by Gonzalez, Levaggi from Peru, Santos, Dyck, and Plaza.

Next day was hot and rainy and wind was very light and shifty. By the start it was 4-6 knots.

We chose to stay to the left of the course and noticed that there were two winds on it with the right side very favored.

We sailed the race always on the wrong side and finished

16. The race was won by Dyck followed by Melero, Santos, Levaggi and Camila Isaza from Colombia. Luckily for us, Plaza was 8, Manuel Gonzalez 9 and Lisocki didn't improve his previous performances.

After three races we had 1-2-16, Manuel had 4-2-9, Plaza 1-6-8, and Santos 7-4-3.

The fourth race was postponed. Next day we had the same conditions as previous races and conditions were casino or lottery like.

Positions changed during all the race and by the last mark, Juan Plaza and Juan Santos were leading by half a mile. We rounded 10th but noticed that there was more wind near the shore so tacked to the left, picked the wind and passed all boats. Unfortunately the time limit gun was sounded when we were first at 200 yards from the line.

Next day, conditions improve a little bit and race No. 4 was started at 3 P.M. with a 6-8 northwest breeze. Juan Santos won the start and the race in a very convincing way. We rounded the first mark together with nine or ten boats and by playing the shifts managed to finish second, followed by Miguel Plaza, Navarro, Juan Plaza and Manuel Gonzalez.

Last day things looked bad for us because it was programmed for postponed races but conditions didn't look like it was possible to finish two races and we had a 16. The Race Committee was considering to finish the regatta with five races and no throwout but luckily for us the weather changed and by noon we had the typical Salinas conditions.

The fifth race was started with 10-12 knots but still with too many shifts from 16T. 20° degrees.

Positions were very close at the first mark with Navarro, Ransauer and Juan Plaza leading the pack. Positions changed several times during the race and Santos and Juan Plaza chose a very tight cover on us. However my crew was doing a terrific job with the spinnaker and the compass which allowed us to break the cover from Santos and to pass several boats in the last beat to finish 4th. The race was won by Miguel Plaza with Navarro in second and Juan Plaza in third. Juan Santos finished 7th. Manuel Gonzalez 8th and Melero 6th, so after the fifth race and a throwout we had a comfortable lead of seven points over Santos and Juan Plaza. The rest were far behind and it looked like they had no chance.

Sixth race was started with the same conditions, however we decided to start at the pin which was at least five boat lengths favored; this proved to be a disaster since a Peruvian boat fouled and stopped us and because of the current we touched the mark; when we finally rerounded, we were last and very far from the leaders.

Juan Santos and Manuel Gonzalez took the start and rounded first and second and kept these positions until the finish. Again my crew proved to be in great shape, and after calming myself, they started to call the shifts and the wind patches to round 11th but very close to the pack. We sailed a terrific second beat to round 5th after Ransauer and Plaza. We passed Ransauer on the run and on the last beat Juan Plaza, trying desperately to recover, chose the right side of the course; we picked a couple of shifts to the left and passed him for third, however when we were 100 yards from the line, decided not to cover Ransauer who caught a nice lift and passed us, and we took honors with three points lead

over Juan Santos, and six over Juan Carlos Plaza who finished third. With this, Salinas fleet took the first three positions in the regatta.

This championship was especially important for us, since it was the first time that we have won a South American Championship in our home waters after 23 years, lots of bad luck and six trys.

We are now planning to participate in the next South Americans to be held in Higuerillas Chile, home waters of the actual World Champion, Manuel Gonzalez.

# Thirty Years of Crewing and Winning

By Peter, Larry and Hoss Bone\*

There is no doubt that Lightning sailing is a family sport. In no sailing family over the past thirty years has this been more true than in The Bone Family from Warsaw, New York. The three boys: Peter, Larry and Hoss have wonderful stories to tell of World, North American, European, Pan American, Southern Circuit, Canadian Open, and local Lake Erie District and Silver Lake Yacht Club competitions and championships. These have, more often than not, been winning efforts.

The tradition began at Sandy Beach Yacht Club in the Lake Erie District. In 1955, sailing Lightning 1548, Peter and Larry, ages ten and eight years old respectively, with help from any "pick-up crew" (thanks Dad) challenged the Niagra River. It is said that their favorite legs of the race were downwind. Why? Because they could relax, drink pop and eat potato chips. It is rumored that you could find Hoss (six years old) stuck under the leeward seats. The thirty years of Lightning sailing has helped each to become well rounded in their personal and professional lives.

Peter thrives on competition. The past shows championships in track, ski racing, and football. Ask any of his friends and they will tell you that he is the first one at the club on race day. He wants to know that all possible problems or advantages have been looked into. This competitiveness naturally has spilled over into his professional life. Presently he and Bill Neal have a construction company in Western New York. He also works for Brock Yates of "Car and Driver" magazine and coordinates the annual "One Lap of America", a long distance car rally and endurance test.

Larry is the achiever. Larry's determination is documented by this success as an athlete and a physician. He is the silent achiever. He and Tom Allen were a perfect match. Ask his family and they will joke that they can't remember where he was during high school. The fact is he was working in the weightroom or studying. Both have paid off. His physical strength made him one of the most sought after foredeck "monkeys" in the Lightning Class. His professional life focuses on the "golden hour". He is one of the nation's foremost experts in trauma and orthopedic surgery.

Hoss is the opportunist. Hoss's positive attitude spills over to all he meets. His family will say that he is the "vagabond", the adventurer. It seems that his openness to new experiences has enabled him to develop a special appreciation for other human beings. His ability to look at new challenges with the innocence of a child made him a perfect crew for Bill Shore. He has worked with young people at all levels of education. Music is his vehicle to bring people together. Presently, he works with schools in helping them to integrate computers into their curriculum.

There are few people who have a chance to experience Lightning sailing at such a competitive level, and be so successful. The following is a monologue from each of the Bone Brothers. A way of passing the excitement and the experience of sailing with the world's best.

I was lucky to run into Bill Shore at the Tom Allen Boat Company in 1968. It wasn't because I was a great sailor that Bill wanted me on board. It was because I was a Bone. Larry and Peter had already opened the door for me. I was a 'rumor in my time'. My experience with Bill was challenging. I wanted to be where he was going. I didn't know how much I would learn along the way. We sailed every weekend for four years. Bill's determination to be the best was calculated through his knowledge of the waters and this preparation for the race. The year we put it all together was like a dream. You might say we came together in the summer of 1971.

All three regattas of the summer of 1971 were something special. During one of the races in Helsinki I was "blown away" by the skill of Bill Shore. We had begun the race by going through the standard procedures of checking the line and getting a compass reading on the first mark. We were in contention around the first four legs of the course when a deep fog set in. Pea soup was as clear as glass compared to this fog. Immediately, Bill wanted our compass reading as we rounded the weather mark for the second time. We were sailing blindfolded. He sailed right up next to the jibe mark and proceeded to sail to the leeward mark. With a little help from the spectators, we hit it on the money.

It was on the last leg that Bill asked that we time our tacks. About three quarters up the leg we picked up the sound of

All the Bones plus Bill Neal. (L to R) standing Billy, Peter; sitting Larry, Robert (Hoss).

the boats at the finish line. As we were on our last port tack, a boat showed to leeward. Bill asked the time and tacked for the finish. I remember thinking that we could be lost forever, if the line wasn't out here. Within minutes the ten foot finish line was off our bow. I knew that I had just experienced something special. By the way, they had to send a boat out to find the Lightning that had stayed on the port tack.

Bill is great because he prepares himself, his crew, and his boat. He then gets 120 percent from all three, when other boats and crews are only giving 100 percent.

SKIPPER: Jim Crane

Canadian Open Champion 1985 1st Place

When I think about the ten years I experienced sailing with Thomas G. Allen III, my lasting impression is how good Tom was in the last race of a regatta when we had to place ahead of a boat, in order to win. What immediately comes to mind, of course, is the last race of the Chicago North Americans in 1968, when we were losing to Bill Shore going into the final race, but won the regatta. Another classic finish was during the 1970 North Americans in New Orleans when we had to beat Jim Carson to win the regatta. WE did!

The race that left the greatest impression on me was my very first North American's in 1965 at Bay Head, New Jersey. My recollection is that we were leading the regatta going into the last race with Bob Seidleman close behind. We were on the last reach coming to the leeward mark. As fate would have it, I totally screwed up the takedown. The chute was still up as we sailed past the mark. Several boats rounded inside of us, including Seidleman. I got the chute in, FINALLY! We looked real bad. It was one of the few times Tom said anything, "Well, you blew that one, didn't you?"

I sank in the boat as Tom stood up and surveyed the horizon. I saw him look at his watch and off we sailed into the right. We tacked for the finish line, cleared Seidelmann, and won the regatta.

Tom is great because he has always quietly taken control of situations on the race course and done what is necessary to win championships.

SKIPPERS: Stu Anderson, Bruce Goldsmith, Bob Seidelmann and Jim Crane

My experience in sailing has spanned 32 years. The experiences have helped to develop my respect for competition and for the people who compete. A most important lesson I have learned was in defeat. It was during the 1966 North American's held at the Canoe Club. I was sailing with Stu Anderson and Billy Neal. We were going into the last day leading the regatta. We woke up to find Point Abino Bay shrouded in a heavy fog. I was sure that they would cancel

the race and we would be North American Champions. Not to be! The harbor gun sounded. We were off taking compass readings to find the first mark. As it turned out, our calculations were 15 degrees low for the jibe mark. Many boats rolled over the top of us as we tried to get to the mark. All three of us knew the consequences. What I learned from Stuart that week was how to be gracious in victory, as well as in defeat.

Bruce Goldsmith, the "Bruin", was another skipper I had the pleasure to ride with. He was what you would call "laid-back". I remember the 1973 NA's in Tawas Bay, MI. After winning the morning race we discovered that Bruce had forgotten to buy box lunches. No problem! Bruin spotted a "Dog and Suds" fast food restaurant about a mile inshore. Off we went for a Chili Dog, Fries, and a Coke. With luck, we made it back about two minutes before the start. After a stunt like that, winning the North American's was anticlimatic.

I have sailed with the "golden paw", Jim Crane, over the past ten years. I have thought a lot about this past summer's North American's at the Canoe Club. Uncharacteristically, we had to do well in the last qualifying race to sail in the Championship fleet. We had a "horizon job" going round the second weather mark. Larry and I settled in for a comfortable reach when the rudder floated up behind the boat. We had broken a pintel. Now, I have a habit of carrying a little red bag full of things that just might break during a race, and a pintel was one of them. We sailed the two downwind legs by having Larry steer the boat with the sail trim. Boats passed us with looks of disbelief. I was changing a pintel on the race course. We lost only six boats, finished 7th, which qualified us and led to our eventual fourth overall in the NA's. It was as gratifying as any race I have sailed.

#### **Thirty Years**

Thanks to all who have made the past thirty years possible. The friendships are lasting. We look forward to the next thirty years in the Lightning Class.

\*As usual, we could not have written this without brother, Billy Neal.

# THE LIGHTNING IS A TRULY INTERNATIONAL CLASS

By David Sprague

1987 proved that the Lightning is truly an International Class. It has proven that a Class started almost 50 years ago has now achieved all of the requirements that an International Class must possess. The Lightning Class has very active fleets in at least three continents plus boats across the rest of the World.

At the World Championship, there were four different countries in the top four places, led by Chile with Canada, USA, and Brazil following respectively. At the Pan American Games, Argentina was first. At the North American Championship (sometimes referred to by North America sailors as the US Nationals) a non-American won for the first time in its history. Canada now holds this North American Championship Trophy.

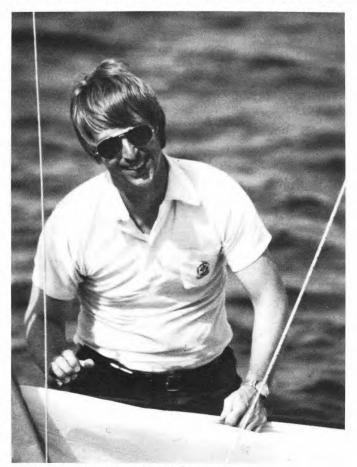

The Class has much more to offer than just the racing aspect. It is composed of the builders, the fleets and most importantly, the people. The Lightning is now built in at least five countries on three different continents and the numbers keep growing from year to year due to the demand for a Class boat that meets the needs of the sailing world.

This yearbook is celebrating our 50th year as a Class which started on one of the Finger Lakes in upper New York State in 1938 and has grown to become International over the years. It has reached out to many other countries and helped support the growing spirit of Corinthian sportsmanship. It's not just a racing Class, not just a day sailer but encompasses the best from both worlds. It has attracted many beginning sailors as well as experienced sailors of all ages as evidenced by the names that show up at our World and Continental events. It has effectively and enthusiastically supported Junior Sailing by running the Junior Worlds, continental championships and local Junior Regattas to introduce the younger generations to sailing. Hopefully, the spirit of the Lightning Class will infect these youngsters and their continued love and support will serve to perpetuate and enhance the Class even more. Just the introduction to sailing will serve to strengthen their characters and personalities, and to introduce them to the good comradeship that is evidenced among sailors on an international basis.

The Lightning Class is one of the few classes that can boast that it runs its World Championships on three different continents with each continent hosting it once every six years. These regattas and others have helped build friendships and memories that cross international borders, generations and languages. The Class has attracted the kind of person that most of us want to call "friend". This is a very significant achievement on its own. Because we have many generations, ages and nationalities of people in the Class, we have helped people from all over the World understand and exchange their cultural values and respect for all.

When I look at the various members that are on the ILCA Board of Governors, I am impressed by their dedication to the Lightning Class and sailing. These high quality sailors come from all over the World and help support the Class in numerous ways. It is always dangerous to try to single out individuals, Oh the many because you always miss a whole host of individuals and groups who have contributed equally or more importantly to the Class. However, I wish to acknowledge some of the International Sailors whom I've worked with over the last year as examples of typical dedication and service to the Lightning Class.

Denis Clemence, from Brazil, as a Vice President for the Class and IYRU, has done tremendous things to make sure the Lightning Class grows in South America over the years. George Andreadis of Greece is a Class Vice President and Chairman of the Keelboat Committee of the IYRU but actively races Lightnings and came to the BCC this past summer to compete in the North Americans, finishing fifth in the Presidents' Cup. George is helping to organize the 1989 Lightning Worlds in Greece. Pentti Laitnen from Finland is in charge of organizing the Junior Worlds and faithfully comes to the North Americans to talk and obtain

ILCA Past President David Sprague.

information on the Class that he can take back to Finland. Fernando De La Concha, and all the other fantastic people who helped him run the Worlds in Colombia this last summer, deserve a well earned commendation from the Lightning Class.

There are hundreds of individuals in North America who have worked for the benefit of the Class over the years. I could not even attempt to name them all. I will use some examples of the kind of selflessness that the people of North America have shown in their willingness to promote sailing in the Lightning Class. We must not forget the people who share their homes, spare bedrooms and food to regatta competitors nor the people who sit out rainy days to run the regattas for us. These Race Committee people are often critized by the sailors when the line is not exactly perfect or when one of their judgement calls about cancelling a race or regatta is not to every racers satisfaction. These are the people whom we as a Class owe a tremendous debt; they are

the ones who help us have a good time enjoying the racing and all too often their contributions are soon forgotten. Without them, our success would be diminished. We would not be what we are today.

The best way to sum up the Class as an International Class is to talk about its members. The members of the Lightning Class as well as their families, crews and friends have shown they are truly international and truly interested in the sport of sailing. I only hope that the friendships that I and others have been able to make during our association with the Lightning Class will continue to grow for the next 50 years and that all those who join the Class in the future are able to partake of the international flavor of the Lightning in the same way.

My congratulations to the Lightning Class on being 50 years old and to all the people who have worked so hard over the years to make it a success. The Lightning is truly the Best of Both Worlds.

#### Shore Sails Redefines the Lightning Class Status Quo

The Lightning class has been the foundation of Shore Sails Rhode Island since Bill Shore decided he could build himself a better spinnaker back in 1970. That first spinnaker started Shore Sails and Shore Sails has never stopped striving to improve on the accepted performance and quality standards of the Lightning Class.

Our commitment to the class doesn't stop with sail development. We attend as many regattas as possible to help our customers with tuning questions and to get your feedback on how we can do a better job. Our free tuning guide contains our latest ideas on how to get the most speed and enjoyment out of your Lightning. And Bill, Kenny and Brad Read are always available at the loft in Newport to answer questions on any aspect of Lightning sailing.

In the past ten years Shore Sails customers have won more Lightning regattas, from fleet to World championships, than all other sailmakers combined. For 1988 we have again refined our designs and construction standards.

## HAYDEN LIGHTNING FAMILY FLORIDA DISTRICT

The Hayden Family started their Lightning saga in the Fall of 1947 when John Hayden purchased a single plank Morehouse built Lightning 1906 and became a Charter Member of Fleet 108 on Great Sodus Bay in the Central New York District. John was in his early sixties at the time and purchased the boat because it was the "in" thing to do. He had already served as a Race Committee Chairman for a number of years and greatly enjoyed watching the sailboats across the Bay from his front porch on Sodus Bay. Son Dick joined his father on the Lightning and together they sailed many regattas throughout the Central New York District. Dick became Fleet Secretary in 1950.

Grandson Fisk actually started sailing a Snipe in 1945 but took over the tiller of the Lightning in 1952. Fisk was never one for crewing and went directly from skipper of the Snipe to skipper of the Lightning at age 15. He was a natural at the helm and raced his first International Lightning regatta in 1955 at New Orleans. He especially remembers the occasion since his was the only Lightning with "cotton sails" but still finished 30th out of 32 in the Blue Fleet.

Fisk devoted much of his energy in helping to build the Central New York District. He left New York and moved to Florida in 1979 where he again worked to build the Florida District serving as Commodore in 1981 and 1982. He took over the Southern Circuit Chairmanship in 1982 and was

voted a Vice President of the Class that same year. He still has the SC Chairmanship but last year was voted the new Class Secretary.

Wife Jean and daughter Susan both enjoy pleasure sailing on the Lightning but find the meeting of old friends and the making of new ones the most pleasurable experience at Lightning Championships. They are more than content cheering Fisk and son Steve on to their victories and helping them celebrate successful regattas.

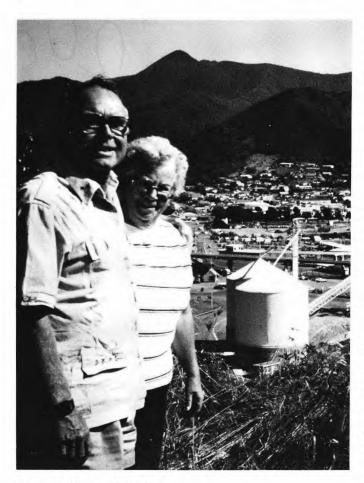

Through the years, Fisk has sailed many Lightning regattas and has won District Championships in both the Central New York and Florida Districts. He has sailed in two World Championships, Switzerland and Little Egg Harbor and 15 N.A.'s with impressive finishes in many including a second in Sheboygan in 1976. Fisk especially remembers 1976 as that was when son Steve started crewing for him at eight years of age. Although Steve sat on the beach at Sheboygan, his heart was on the Lightning with his Father. Steve really proved his skill at the 1987 N.A.'s where he helped Fisk win the Presidents' Cup.

Forth generation Steve will be just 21 in August 1988, and crewing for Fisk (finally) sailed his first N.A.'s at Cedar Point Yacht Club in 1981. He has already made his presence known in many Lightning Championships. He crewed for Peter Hallagan at the Junior Worlds in Italy where they finished fourth. Steve skippered at the Seattle Junior N.A.'s where he won a place in the Junior Worlds in Argentina sailed in 1986, finishing sixth. Captain of the Florida State University Sailing team, his enthusiasm for sailing inherited from his Great Grandfather has contributed to the advancement of the FSU Team to the nationals for the first time in their history. Steve continues to be an active Lightning sailor and there is every indication that the love of Lightning sailing will be passed on through more of the Haydens.

## ANDERSON LIGHTNING FAMILY FLORIDA/LAKE ERIE DISTRICTS

Stu Anderson has always sailed or so it seems. Growing up on the Niagara River, he was only 12 years old when he built his first sailboat. It was a flat bottom ten foot dinghy and Stu made colorful sails for her out of sugarbags. Sailing on the Niagara River just below the International Peace Bridge where the current runs ten mph, Stu could only sail on those days when the wind was 25 mph out of the north. Many adventures were had on this dinghy; enough to make a true sailor of Stu and finally lead him to the Lightning Class where he has found a home for the past forty years.

He married wife Margie when they were just eighteen years old. Off for a hitch in the Navy but when he came home in 1945, he bought a Snipe and started sailing from the Buffalo Yacht Club. In 1949 Stu decided to move to the Lightning; it was the dominant boat on the Niagara Frontier: the only Class in town". The first of three Lightnings owned over the past thirty-nine years. He purchased number 1903 and named her Glockenspiel. Many people have questioned the name Glockenspiel and why he chose the name.

Stu and Marge Anderson

The Glockenspiel is a German musical instrument that always leads the parade. Stu wanted to be first in the Lightning thus the name *Glockenspiel* was chosen for the first and all the subsequent Lightnings he has owned.

In 1950, Stu, Marge and the kids moved to the Niagara Sailing Club where more Lightning competition could be found. They have four children: Florence, better known as Pinky; David, Mary, and Carol, and seven grandchildren. All the children have sailed in a *Glockenspiel* at some time or another. Stu's daughers especially have had a lot of influence on his sailing, Pinky started crewing when she was twelve and continued until the day she was married. Son David started crewing, along with Pinky, when he was just ten. Daughter Mary's main ambition, when she attended all the regattas with Dad, was to find him potential crew. She would date the young men and soon they became regular members of Dad's crew.

Stu sailed with Pinky age thirteen and David age eleven to a third place finish at the Canadian Exhibition Championship for Lightnings. This was even before the Canadian Open was started as the major Canadian Lightning Regatta to which the Americans were invited to participate.

Stu remembers well the first World Championship held in 1961 at Milford, CT where he finished fifth overall. Lightning 1903, the oldest boat there, had done extremely well in the first few races and that evening as he and crew Howard Boston walked out from dinner found a number of international sailors "admiring his boat" and really laughing as they held up various parts that had been taped or wired together. One of the South Americans said, "Mr. Anderson, if the termites stop holding hands, she will fall apart".

In the winter 1962-1963, Stu had the second Glockenspiel 8503 built at the Allen Boat Company. Although always in Tom's way, Stu preferred to supervise most of the building himself. Tom built the hull but it was Stu who did all the rigging and placing of the hardware in positions never imagined. This is the same Lightning that Stu sailed to many victories in Fleet, District and Continental Regattas. It was in this Glockenspiel that Stu won the Deep South Regatta in 1963 and finally the Southern Circuit in 1964 with crew Billy Neal (one of Mary's choices) and Tom Dallas.

Stu wrote an article for *Flashes* on the use of the compass to detect wind shifts. A young Dennis Conner, sailing for Carl Eichenlaub at the North Americans held at Tawas Bay, had studied that article and put it to great use. When Carl passed Stu on the last leg of the course to win the 1963 North Americans, Stu went over to Carl and crew to find their secret. Dennis explained very carefully how they had studied the article and nicknamed their compass. "Mr. Anderson". Instead of asking the compass reading on their boat, Carl and crew would always ask "What does Mr. Anderson say?" "Mr. Anderson says we are up 10 degrees" and so on. Stu recently checked with Dennis in Australia at the America's Cup Challenge to find out that Dennis no longer calls

his compass "Mr. Anderson".

One of the major contributions to the Lightning Class occurred in 1968-1969 when Stu was Chief Measurer and then ILCA President. This was the era of the introduction of new fiberglass hulls and the ILCA was fortunate to have Stu along with Jack Swanson, there to oversee the problems such a transition can cause. Jack still blames Stu for the slack in certain specifications that still remain today. Stu had a prototype tapered aluminum mast built for the Class by Procter of England. While sailing at NSC, the backstay let go causing the mast to break. Never wasteful, Stu still uses the tapered section of that mast as a whisker pole on his Sorovel 28 while cruising the Bahamas.

Stu has been responsible for starting many young sailors in the Lightning Class including notables such as Billy Neal, Peter Bone, Ian Jones, and the Starck boys. A little twelve year old Ian used to say that the only reason Stu allowed him on the boat was to "pick up his hat". Ian went on to place second in the Junior N.A.'s in 1979 and won the Junior Worlds in 1980. The Starck boys won the Junior N.A.'s in 1987 at the Buffalo Canoe Club.

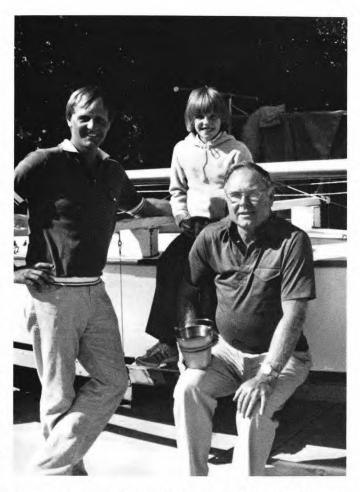

Son-in-law, Paul Niederlander, has sailed with Stu for many years including many N.A.'s. In the usual progression, he became Mary's boyfriend and then husband before he ever crewed for Stu. Paul's daughter Laura is regular crew for Paul in his Lightning at the BCC. Laura skippers herself in some BCC series and has sailed with Paul and Stu in a number of regattas making it a real three generation effort. Her very first regatta with Stu and Paul was at age ten at Silver Lake Yacht Club where they finished second overall. In one of the races, they were battling with another boat for first place with Stu and Paul working very hard. When Laura saw they were finally in first, she said "Daddy and Grandpa, we are in first place. Give me a kiss".

Paul can remember when he was sick in 1980 and was unable to sail with Stu on the first day of the Niagara River Championships and sent young Laura to take his place. Although Paul was recovered by Sunday, Laura refused to relinquish her position after the two firsts on Saturday and was able to help Stu to a first place win.

Wife Marge is the real co-pilot that made this lifetime of Lightning competition work. Leaving Stu to work until the last minute, it was Marge that trailered *Glockenspiel* to hundreds of regattas for the past thirty-nine years. We understand Marge got so good at this she started trailering new Lightning deliveries for the Allen Boat Company in her spare time.

Just before retiring in 1980, Stu purchased his thirdLightning 11702. In nearly forty years of Lightning competition, Stu has owned only three Lightnings; 1903, 8503 and 11702 all three being held together with tape and bailing wire. His accomplishments include most notably finishing three times in the top five at Lightning World Championships.

Now retired for the past seven years, Stu and Marge live in Stuart, FL where he competitively sails *Glockenspiel* with

Paul, Laura and Stu after placing 2nd at Laura's First Regatta.

Fleet 226 located on Biscayne Bay; his Laser, and his Sorovel 28 also named *Glockenspiel*. He recently sailed the Senior Laser Championships in Melbourne, Australia where he won a trophy for being the oldest competitor in a fleet of 106 Lasers (all on the same starting line) from all over the World.

With all his commitments, Stu was seen at the North Americans at the Buffalo Canoe Club where he and Paul Neiderlander did most of the measuring. Stu also sailed in the Masters finishing fourth and qualified for the Blue Fleet in the Seniors.

Sailing Lightnings has been a real factor in making the Anderson's life a very exciting adventure. It became a way of life scanning all three generations.

## FOSTER LIGHTNING FAMILY NEW ENGLAND DISTRICT

Everybody was calling me a S.O.B. so naturally I thought they meant Sweet Ol' Bob. Now I find out that it means something else.

I have to be one of the most fortunate Lightning owner-/sailors anywhere. We live on a dead-end street, in a nice home, bounded by the inlet cove of Androscoggin Lake and the Yacht Club. Since I began sailing competitively, my crew has been composed of my wife of 37 years, Lynn; my daughter Mary; Chip, our six foot seven inch baby; and Sarah our Granddaughter. Our oldest daughter Sharon was never a sailor; she gets seasick taking a shower.

Sarah Bonney started sailing with me as crew when she was ten. She is presently a freshman honor student at Maranacook Community School. Sarah plays soccer and skis for the team. She is a fine competitor with good knowledge of the operation of a sailboat. She only has problems when Gramps calls out "Haul in on that rope", (which rope?). Sarah is the daughter of Sharon and Charlie Bonney, who also have our only grandson, Chad. They all live in a small town, Readfield, Maine, about eight hours from Androscoggin Lake here in Wayne, Maine. Sarah would make any Grandparent or Skipper proud. Watch out Juniors!

I have been accused of having a ketch rig anytime six foot seven Chip Foster stands up in the boat. Chip started sailing with us when we first chartered Fleet 450 in 1973. Possessed with awesome strength, he assists the skipper constantly in keeping the boat in tune. Never married, he works on premium home construction in Massachusetts. His hobbies, other than sailing, including flying, building model aircraft and hunting. He also is very clever at fine woodworking.

Mary was born at home in Fort Kent, Maine. Why you ask? Basically it was to be near her mother. Secondly, it was forty degrees below zero and the road to the hospital was blocked with snow in February. A graduate veterinary tech-

nician, she worked in Waterville, Maine, spent two years in the Peace Corps in Maylasia and seven years in Miami, Florida where she met and married Ted Becker. They recently moved to Illinois and are refurbishing their first home, an 1830 classic.

Lynn has put up with me and my hobbies for years. She has held up remarkably well considering she worked for fifteen years as the Assistant Treasurer in a local credit union, and raised our three children. Sailing has not been her most favorite thing, but she is a great competitor and she works hard to be first across the finish line. Lynn, like the other crew members, are all native Maineiacs. Our home is her pride and joy which she works to keep in top shape, from working in the flowers, to doing wheeleys on the lawn mower. She may be the one that originated the name S.O.B. for me.

A graduate forester and registered land surveyor, I retired a few years ago after working thirty years for the State Highway Department. Now I can spend more time on the more important items, i.e. flying, sailing, and rebuilding aircraft. We have owned two Lightnings, 7896 and presently 10613. Both boats required considerable TLC when we acquired them and now 10613 is quite competitive in our Fleet.

I have always loved boats, and have six or seven in various stages of repair including a 1936 Chris-Craft. I also love flying and have rebuilt two small planes one of which we still own, i.e. the Piper PA-12 Super Cruiser. Maybe next summer we could fly to the 50th Anniversary Regatta in our forty-one year old flivver plane. I am going to quit before S.O.B. becomes the Senile Ol' Braggart.

Best wishes ILCA, S.O.B.

## GRIFFITH—MEANS LIGHTNING FAMILY TEXAS DISTRICT

Gay Means and Son Nathaniel.

Richard, Gay, and Nathaniel Means sail Lightning 10987 on White Rock Lake, Dallas, TX, and are members of Fleet 35. Nathaniel, age 14, enjoys single-handling the Lightning on occasion or taking friends for a pleasure sail. He also crews and sometimes skippers in races. Nathaniel's mother, Gay Means, began crewing and racing on a Lightning at a very early age at Shreveport Yacht Club when the clubhouse was located in a pocket of Cross Lake on Dilg League Drive. She remembers winning her first trophy as a skipper at age ten when her father insisted that she sail and she really did not want to skipper. From then on she loved sailing.

Gay's parents, Luther and Louise Griffith, became interested in sailing when they would vacation at Pass Chrisitan, MS during the late 1940's. (Louie's ancestors, the Chotards had sailed here and she had heard much about the sport from them). It was in August 1950 that the Griffiths had acquired their first Lightning, Skaneateles built 3477. A year and a half later, they purchased 4747.

In 1955 when the N.A.'s were held at Southern Yacht Club, Gay, as a young girl, crewed with her parents on 4747 but this Lightning took on so much water that it was here that the Griffiths purchased 6116 Boom-Boom which is still in the possession of the Means Family. Gay was fortunate when her parents restored 4747 for her to race at Shreveport Yacht Club with her sister Louie and Rutledge Delgado as

crew. Louie and Luther Griffith raced 6116. The Griffiths later purchased 9443 — a new fiberglass Lightning-in the 1960's.

Both the Means and Griffith families have sailed other boats — Jet 14, Ensign, Lido 14, J-24, but the Lightning has a special charm. Richard Means serves Corinthian Sailing Club as Davit Registrar and in the past has conducted the Junior Sailing Program. Louie Griffith (deceased October 1987) was an honorary member at Shreveport Yacht Club. Luther Griffith, deceased in March 1982, considered among his proudest honors the opportunities to be of service as a Vice President of the Lightning Class, Commodore of the Southern District, and his many other contributions to the growth and development of the Lightning Class Association.

Gay, Husband Richard and Nathaniel sail 10987 as a Family.

## HUMPHREY LIGHTNING FAMILY LAKE ERIE DISTRICT

By Peter Humphrey

Dr. Willard M. Humphrey, better known to his friends and family as "Humpy" began his sailing association with his father Bill who was a founding member of the Silver Lake Yacht Club in the early '30s. Together they sailed various boats until 1940 when Hump purchased Lightning 410 together with friends Howard Benedict and Ladd Peters. Thus began Hump's long association with the Lightning Class. This was actually the first Lightning on Silver Lake but soon she attracted even more Lightnings and Fleet 47 was chartered.

As competitive Class racing started each weekend, eventually Humpy became the sole owner of 420 and family weekends centered around the boat with racing and leisure family activities or all day picnics on the Lightning. Sons Hank and Peter and daughter Susan learned the rudiments of sailing aboard this boat. Wife Helen wasn't much for sailing herself but was always there with a cold beer or "hot toddies" as the weather dictated to welcome the family or guests back to the cottage.

In 1964, Doc purchased 9140 from the Allen Boat Company and named her *Budget Buster II* as a reminder that a few family sacrifices went into her purchase. Crew members, son Peter and Hoss Bone raced with Humpy on Silver Lake and at races throughout the Lake Erie District. Humpy won the Silver Lake Club Championship on numerous occasions and consecutively from '66 through '69. The S.L.Y.C. finally retired the trophy and awarded it to him.

In 1979, Humpy retired from competitive racing throughout the District and various North American Champion-

ships but only to confine his sailing activities to his home club at Silver Lake. His love of Lightning sailing turned him to the Race Committee where he chaired the Harvest Regatta until illness forced him to retire completely. His final Lightning race was the Silver Lake Old Salts in 1985 which he won.

Doc turned over 9140 to sons Peter, Willard and Mike who alternated skippering duties throughout the next six years. Peter Jr. began crewing in 1981 and crewed with both his Grandfather and Father thus becoming a fourth generation Silver Laker and a third generation Lightning sailor.

The Humphrey Family is grateful to the Lightning Class for the years of organized sailing which in many ways represents a family history as well as a sailing history of the Class.

Editor's note:

At the 1987 Harvest Regatta, September 12-13, Tom Allen and Calvin Schmiege went over to see Humpy. Tom told Humpy that he should get dressed and come crew with him. A cheerful smiling Humpy replied that he was sorry but was waiting for Cal to ask him to crew. This was the first year in many that Humpy was not on the Race Committee Houseboat telling the sailors to stay off the line.

Humpy died September 18th, one week after the annual Harvest Regatta. He will be missed at Silver Lake Yacht Club by all and by the sailors of the Lake Erie District who looked forward to their annual warm greeting from this well known and loved SilverLaker.

## MUELLER LIGHTNING FAMILY OHIO DISTRICT

By Scott W. Rudge

I was asked by the family to compose a short essay on this fine band of rogues, whose nucleus consists of three generations of sailing enthusiasm. I am Grandson, Nephew, and Cousin, respectively, to these generations and hope you will accept these qualifications as my resume for this piece.

In 1949 my Grandfather, John Williams Mueller, was involved in a search for an automobile, which seemed to be hard to come by around that time. As fortune and fame would have it he was offered a car by a dealer if he also purchased the dealer's boat. The deal was made and Papa John stood eye to boom with his family's destiny. Lightning 1269 Ho Me (sister to Penguin He Yu), complete with fishing tackle and outboard rig, had joined the family. The fire of competition burned within the boat and it was not long before it was in taut struggle with the other Lightnings at Leatherlips Yacht Club.

Around this time son Jack (J.W.M. Jr.) was developing into one of those hot shot kids, and a move to Cleveland in 1952 proved to be a good one. The Cleveland Yachting Club provided a large fleet and the Lightning became the boat of choice for this group. It was in this atmosphere that the legendary *Tickled Pink* (6493) was begat. Along with being a great boat *Pink* also proved to be a productive sire; the stock, Jack's *Pickled Tink* (8675) and Son-in-Law Bill Rudge's *Pink-in-Law* (11511) as well as it's own clone (7685). Herein lies the greatest contribution of the Mueller family; the infectious enthusiasm for the Class and the ancient sport of sailing. Among the smitten were almost all family members, a large host of friends and a partridge in a pear tree. Many of these people became strong competitors, but always remained good friends.

The years rolled like the seas. With each passing season the Class was becoming stronger, and the Mueller community, which by this time had spread all over the country, met the increasing challenge. In 1971 the competition peaked in the European and World Championships in Helsinki, Finland. Skipper Jack and crew, wife Nancy and Papa John, placed second in each event. They took advantage of the "Mueller Lull", high seas and low wind, a condition that is only surpassed by sea monsters as a sailing man's number

one dread. That will always last as one of the family's fondest memories.

In between national and international events they have setup and run the Mueller Boat Company and participated actively in the ILCA. Somewhere in there a few of us were born, too.

And now there is another one... Jay (J.W.M. III), who at this writing is 13 going on 30. It did not occur to anyone that Jay would develop the same way Jack had (ha ha). Jay already has an impressive string of victories at district regattas and is on his way up.

I have had the great pleasure of sailing with both Jack and Papa John and have learned a great deal from both of them. I also had a great time. I'm not sure if I will ever get the chance to sail with Jay; I hear he is a tyrant and he always gets the girls at the cocktail parties.

A telling conclusion to the tale of a boat and its family is nestled in the name of Papa John's and Jay's latest boat, Game; it boils down to Grandpa and me.

From Left: Jay, Jack and Papa John Mueller.

## NICKELS LIGHTNING FAMILY MICHIGAN DISTRICT

By Herman Nickels

This is my history of the Lightning Class and of my family. Lightning sailing has always been a part of us and it seems that the history of the Class and my family are intertwined throughout forty-four years of Lightning sailing.

It started on Lake Fenton where I sailed a 15 foot Sun Ray from 1936 to 1940 and changed to a 16 foot catamaran in 1941 and 1942. It was interesting racing in those days under a handicap system in a mixed fleet as you never knew how you did until two days later when someone finally calculated the handicap results.

In 1940, Lake Fenton formed Lightning Fleet 53. Because I wanted to race in a boat to boat system without handicaps, I decided to join the Lightning Fleet in 1943. You had to be a boat owner to join the Fleet so I made a great deal with Stuart Greenley to purchase a one dollar interest in number 597. Another part of the deal was that I had to teach Stuart's daughter how to sail. I always skippered and never lost a race in 597.

My wife Margaret used to crew in the 1940's. She crewed with me a lot but it seemed that she crewed even more with

Clarence Holman Sr. She did give me great crew in sons Dave and George and daughter Madeline. Son Louie, born in the 1950's came along to replace the boys as crew, as they had grown up and started skippering their own Lightnings.

Dave at age six and Madeline at age four started sailing when they were still very small. I can remember some races where they would be playing under the foredeck all during the race and I had to single handle the boat. Usually I had at least one of the children sailing with me at all times but it was better if I had that experienced middleman to help me out occasionally.

After the war, three of us, Bill Furey, Harvey Foote and I decided to build Lightnings for ourselves. Our little company didn't even have a name; we just made Lightnings for ourselves but these boats turned out so well that we dominated the racing at Lake Fenton. The main reason for the success of these boats was their weight of 700 lbs. The Lightning Class had the 700 lb. specification but all the boats built before this time weighed 800-900 lbs. By producing a mahogany double planked bottom and cedar single planked sides, we were able to produce a 700 lb. Lightning. We also designed the boat so that the mast step and centerboard trunk were all one piece thus the hull was very fair.

Now was the time to get our feet wet on the regatta circuit. In the early years, we sailed in the Lake Michigan District which included Michigan, Ohio, Indiana and Illinois. This enabled us to make many friends. Just to name a few...Walt Swindeman, Dick Krauss, Barney Crittenden, Walt Vogel and many, many others. Also being Fleet Champion, I sailed in all the Internationals in the late '40's doing quite well but always knocking on the door and never winning.

I had built about 10-12 Lightnings by 1950 when Dick Krauss won the North Americans in one of my boats. Now it seemed that everybody wanted one of my Lightnings. At this time, I started building boats as a part time hobby forming Nickels and Holman in 1950 with Clarence Holman Sr. Dave started working there when he was just 13 years old and continued working there until 1967. George started a little later and both boys built their own Lightnings and started skippering for themselves. I had taught the boys to skipper in my boat by letting them skipper every other race starting when they were about 15 years old. I can remember the first time George tipped the Lightning over as a skipper Bob Furey and I were crewing for George and we refused to let the sails out when the big puff hit. We had expected George to steer into the puff and were surprised when we went swimming. George still blames us for that one.

In the '50's we kept knocking at that door and finally won both the Mid-Winters and the North Americans in 1959. By this time my family had grown up and were my crew for most of the regattas. We travelled all over the country and made crazy sacrifices just to sail Lightning regattas. I can remember coming from the 1957 N.A.'s in Milford, CT. We went through Brooklyn and the trailer broke down. We all had to be back to work the next day so we slid the Lightning off the trailer onto a wooden barrel and left it to search for a place where the trailer could be repaired (on a Sunday?).

I can even remember going over in Miami in 1949 and the Coat Guard was there to give us a hand with rescue. Just like the Coast Guard, they tossed us a rope that was at least two inches in diameter and we had trouble finding a place on the Lightning to tie it. After we finally got the boat secured, they started the tow with a quick start and naturally the line

Patriarch of the Nickels Family: Herman Nickels.

broke. We had to start all over again.

In 1962, Dave's wife started crewing but has decided that running races and serving on the Race Committee is more to her liking...Dave's son Kevin starting crewing with his father when he was 11 years old and was a regular crew until he left for the Navy at age 18. Now the US Navy dictates just how much sailing Kevin can get in but Kevin plans his Navy leaves around "Lightning sailing." In 1987, Kevin was able to get home for the Team Lightning Race, stayed to sail the Michigan Districts and went back to the Navy two days later. For the 50th year, Kevin has planned to be home to sail for Dave at the 1988 N.A.'s. Dave's son Keith is not a racing sailor but is more interested in the management aspects of the family business. Graduating from high school in 1986, Keith works full time at the shop.

In 1967, I sold my interest in Nickels and Holman Boat Co. Son Dave wanted to build new molds and go back into the business. David knew there was a demand for a good quality fast Lightning but he didn't want to start without brother George.

George had gone to work for General Motors and was not interested in restarting the Lightning boat building business. He had skippered and crewed Lightnings for many years, but now decided to move into a larger 30' Islander. George's wife, Eloise, had spent many of those years crewing for George and she liked the larger boat for a change. Son Brian was just eight then and learned his basics on the larger boat. When George sold the Islander in 1980, he borrowed my

Lightning for the season and had son Brian, age 12 and brother Louie crewing for him in races. By the end of that summer, Brian wanted his father to buy a used Lightning and Louie had met Bonnie Callahan, later Bonnie Nickels, who was crewing for Clarence Holman Jr. on the regatta circuit.

With the motivation and lots of pressure from Brian, George joined brother Dave and Louis, along with Paul Cavanaugh and Morris Gushen, to build Lightning molds in Dave's backyard. After the five had each received a Lightning, George and Dave went on to form the Nickels Boat Works Inc. in 1981. George still works for GM but as an owner, is still deeply involved in the business. You can find Dave there ever working to improve and build even better Lightnings. His dedication to the Company goes beyond that of an owner. He has committed most of his life to building his dream of a quality fast Lightning. Brian, now age 20, has been working full time at the shop for the past two years and is now the foreman in the rigging department.

Coming full circle, in December of 1986, Nickels Boat Works bought out the old Nickels and Holman that Clarence Holman Sr. and I originally started in 1950. Now my sons Dave and George own the company and two of my grandsons, Brian and Keith continue the family's contribution to the Lightning Class. Phyllis Callahan, Bonnie's sister, runs the office for the Nickels.

George's daughter Tracy, age seven is a little young for regular crewing but she had already gotten her "feet wet" in the Lightning. Daughter Madeline still crews for me occasionally but leaves the skippering to my sons and grandsons.

I only sail locally now. Forty-four years is a long time to campaign a Lightning. I leave the international competition to my family to carry on the Nickels tradition. With six Lightnings in the family — 'ol Dad's, sons David, George and Louis, Daughter-In-Law Bonnie, and Grandson Brian, the Nickels Family name will live on with the Lightning Class. If you all multiply this much, the Lightning Class will go on forever.

The Nickels Skippers: (L to R) Brian, Bonnie, Louie, David, George and Herm.

## PRATT-SHORE LIGHTNING FAMILY NEW ENGLAND DISTRICT

By Bonnie Pratt Shore

My Dad, Len Pratt became interested in the Lightning Class in the 1940's. In 1945, Mom (Florence) and Dad journeyed to Riverside, CT to see George Barnes win the Lightning Nationals and thus the decision was made. The first of the four *Bon Joys'* was delivered in the spring of '46. That summer, Leonard and Florence trailered the boat to Skaneateles for the Nationals with a borrowed suit of "the state of the art — cotton" Rotsey Sails to finish 11th in a 55 boat fleet. The *Bon Joy* (named after the first two daughters) was moved to Spofford Yacht Club, Fleet 145, where she actively raced in Spofford Lake and in New England winning the first New England District Championship held at Centerboard Yacht Club in Maine. That same summer, *Bon Joy* weighed in at 960 lbs. at the Buffalo Canoe Club for the Nationals.

With Dad actively competing in the Lightning Class, it was time to move to a more competitive boat and in 1956, the second *Bon Joy*, Lightning 6888 was purchased. What a beauty she was, but as time went on, competition in the New England District was getting tougher and we needed a new Lightning to beat the "Etchells" design....enter one of the first Tom Allen wooden Lightnings, *Bon Joy* number 3, 8308. Dad was excited and a proud new owner of this new Lightning racing machine which won its very first race on

the Niagara River with Tom Allen crewing with my Mom. Being an active, competitive Lightning sailor meant hav-

ing a good crew on hand.....enter the "KIDS". My sister Joy and I were sent to a sailing camp in the summers where we both became proficient in the sport and went on to teach sailing in our summer college years. Sister Joy sailed in the Adams Cup and won the State of Massachusetts Division skippering the *Bon Joy* and also crewed with Mom and Dad to help in winning many New England Sailing Championships.

As time went on, Mom put in for retirement and my two brothers, Robert and Craig participated in the races. Of course, we were all becoming experts in the racing game and Dad at times, had to relinquish the helm to the kids. We all managed to get our names on some sailing trophy. Boat number 4 was a big change for us from the wooden boats. 11288 was not only fiberglass but had flotation in it! That boat went on to the Dixie District with my brother Rob. My youngest brother Craig, built and races Lightnings in Maine and still owns and sails his Lightning with wife, Debbie and daughters Amelia and the baby. Joy still crews Lightnings and her daughters are just learning with the Sunfish. I, of course married a Lightning sailor and continued racing with husband Bill Shore. Our son, Randy, extended our family's tradition for Lightning competition by crewing with his father for the last two years. He also crewed this summer at

age 15 in his first Junior N.A.'s at the Buffalo Canoe Club. Dad and my brother Rob presently co-own Lighting 13888.

I can certainly speak for all of us in my family when I say we've had many happy memories and many, many wonderful and special friends in the Lightning Class. Lighting sailing has become a tradition for our family.

## ROCK-SCHERRER LIGHTNING FAMILY INDIANA DISTRICT

The story of the Rock-Scherrer love affair with the Lightning began, you might say, at the beginning. The beginning in this case being in 1938 when Robert D. Rock first read about plans being available for a new Sparkman and Stephens design sailboat called the Lightning. The information he saw encouraged him to seek out any owners of the new boat that he could find around Indianapolis where he lived and to drive out to look at their handiwork. He became convinced that this was the sailboat that he wanted and soon was the owner of a set of plans for Lightning 214. Bob Rock was a chemical manufacturing engineer with Indianapolis-based Eli Lilly and Company, pharmaceutical manufacturers. He was also an excellent woodworker and he was soon spending all of his spare time, evenings and weekends turning the plans into a Lightning sailboat. This boat was built from Phillipine mahoghany, oak and Sitka spruce for the spars. Full length clear spruce was available only from the west coast and had to be shipped east by railcar. The first order came through badly broken and after a great deal of discussion with the shipper as to why many short pieces of wood just wouldn't do the job that a continuous thirty foot piece would do, the shipment was again made and this time arrived in good condition. The boat was completed in about a year and was a real beauty although quite heavy by today's standards. Since there was no suitable body of water close to Indianapolis at that time, the Tock family, which included oldest son Richard, teenaged Virgene and wife Nettie drove 150 miles west to sail on Decatur Lake in Decatur, Il. almost every summer weekend. Lightning Fleet 74 was later established on Decatur Lake. A frequent crew on the Rock boat in those days was Bob Buckles, Father of champion Lightning sailor, Bill Buckles, before he too became a Lightning owner.

L-R: Steve, Ron & Virgene Scherrer, and Dick Rock.

By now World War II had started and gasoline rationing put an end to the trips to Decatur. For this reason, Bob sold 214. As soon as the war ended however, Bob was again in the boat building business. This time, he and son Dick, who was now back from Burma, built Lightning 1754. She still had lots of mahoghany but this time no oak and weighed considerably less. Bob and family again began the trips to Decatur Lake and sailed both there and also on Kentucky Lake where Bob had bought some land and built a cottage. However there were big happenings back in Indianapolis. The good news was that the Indianapolis Water company had built a dam and created a reservoir on the north side of Indianapolis which would be ideal for sailing. The bad news was that there were to be no boats allowed on the reservoir! This boating restriction was to be in effect for many long agonizing years. However through the patient, persuasive efforts of many local sailors, including Bob, the Water Company eventually changed their policy and allowed boating. And they even threw in a bonus, it was to be sailboats only! In 1955 this group of sailors leased about a dozen acres from the Water Company and began to build the Indianapolis Sailing Club. The ISC was formed for the sole purpose of racing small, one-design sailboats on Geist Reservoir. Bob was active in helping to start Lightning Fleet 270 on Geist.

Daughter Virgene had married Ron Scherrer in 1950. By the early 60's when Bob's interest in sailing was waning, the Scherrer's and their four growing children were looking for a good source of family recreation and consequently took over Bob's membership in the ISC and began a decade and a half of very active participation in both the Lightning Fleet and the sailing club. Ron was Fleet Captain twice and Virgene taught Ladies Training and Junior Training for many years. Ron was elected commodore of the club in 1976. Both skippered old 1754, after a substantial weight reduction program, and have quite a few trophies on the shelf. This certainly proved the wisdom of the Lightning Class' slow and careful approach to change which allowed the older Lightnings to remain surprisingly competitive. The Scherrers succumbed to the lure of a fiberglass boat with the purchase of Lightning 11860 in 1972 and retired the wood boat to Kentucky Lake with her now retired creator, Bob Rock. In 1977 Ron and Virgene purchased Mariners Marina in Sebastian, Florida and moved there to run the business. All of the children were now grown and for the most part married and on their own. It would appear that with the sale of 11860

"A Freak Accident". What happens when an airplane runs into a Lightning!

before the move to Florida the Lightning would no longer be such an important part of their lives.

However in 1975 on a trip to Kentucky Lake to visit retired Bob Rock, Ron and Virgene's son Steve took a long look at old 1754, still in good condition but totally unused for three years and decided her retirement was over. Steve took the boat back to Indianapolis where he sailed her for the next four years on Geist Reservoir. Steve then came to Florida to spend a two week vacation with parents Ron and Virgene and liked what he saw. He decided to make Sebastian his new home and moved down a short time later complete with Lightning 1754, at that time a respectable thirty-three years old. Steve completely refurbished her and we have been sailing her for a number of years on the Indian River Lagoon. She recently suffered an unusual bit of abuse while sitting on her trailer at the marina. We had a storm with lots of wind and an ultralite aircraft parked nearby was picked up by the wind, flipped over another boat and slammed against the Lightning, breaking the wood mast beyond repair. He would like to replace it with another wood mast but so far has not found one. As soon as the replacement mast is found however, the old girl will be sailing the warm waters of the Indian River once again. The Lightning's very versatile design makes her every bit as enjoyable as a day sailer as she was exciting as a racer.

## ROSEBERRY LIGHTNING FAMILY LAKE ERIE DISTRICT

By Edwin Roseberry, Jr.

A Skaneateles Lightning purchased in 1941 by the late Ed Roseberry Sr. was the first Lightning in the Roseberry Family. Lightning 469 was appropriately named *Judith* after one of Ed's daughters and was one of ten Skaneateles Lightnings ordered to replace the Knockabout Fleet which was destroyed in the spring of 1941 in the Buffalo Canoe Club boathouse fire. The Lightning thus remained the dominant BCC boat throughout the '40's.

Ed Roseberry Sr., a good friend of Karl Smither, raced the *Judith* at the fleet level. In those days, the racing was less intensive and Fleet 12 members also enjoyed pleasure sailing as well as racing, Ed. and his wife, Gertrude, often mentioned the beautiful moonlight sails they enjoyed on clear nights with light north winds and flat seas on Abino Bay. Ed and Gertrude had five children. Diane and Judy both sailed Lightnings during their teenage years whereas Mary and

All the Berrys (L to R) Steve, Wife Barbara, Ned, Allison and Eddie "The Berry".

Anne preferred the BCC Junior Sailor Program. Ed Jr. (called "The Berry") took a more serious view toward active Lightning racing.

Ed Sr. was very active at the BCC serving as Race Chairman for the Lightning International Championship in 1948 and BCC Commodore in 1951. In the following years, Ed Sr. served as Race Chairman and *Burgee* Skipper for both Lightning Club Races as well as World and National Championships hosted by the Canoe Club and was still serving as the *Burgee* Skipper regularly until the time he passed away in 1985 at the age of 79.

The Roseberry Family sailing tradition continued with Ed Jr. who began sailing in the BCC Junior Sailing Program. By 1954, at age 14 Ed was regularly crewing Lightnings and at age 16 refitted and lightened *Judith* to skipper her during the summer of '56. Ed crewed for Tom Fallon from 1957 through 1959 including the N.A.'s at the Crescent Sail Club and at Tawas Bay. The interaction with senior Lightning skippers was a rewarding experience for Ed as a teenager. In addition to his father, Ed was to be positively influenced by BCC top Lightning skippers, Tom Fallon and Ralph Franclemont.

In 1961, while in college, Eddie designed 7815, a wooden hulled Lightning, and sailed this boat at the District level in the early '60's. In 1966 he purchased the first of his four fiberglass Lightnings and placed third that year in the Governors' Cup at the BCC. In 1969, in addition to serving as the General Chairman for the N.A.'s, he started a string of 11 straight years attendance at the N.A.'s, usually finishing mid Blue Fleet. Ed always enjoys renewing old friendships during the N.A. Week as well as the good times and exciting racing. Ed has won five BCC Club Championships, been District Runner-Up, and has won most of the LED Lightning regattas at one time or another. He has trained many BCC junior sailors in the Lightning, many of which are currently active in the Class today. Ed had the pleasure of serving the Class as a Vice President and later as Secretary and the Lake Eric District as Commodore in 1972. Ed's wife, Barbara, a pleasure sailing enthusiast, will race on occasion when conscripted by her husband or son. Barbara is also active as a BCC Scorekeeper.

Eddie became a second generation Buffalo Canoe Club Commodore in 1982 when the BCC hosted the Lightning North Americans. He purchased a new Lightning in 1984 when his oldest son, Edwin Roseberry III (Ned), the third generation Lightning sailor, became interested in one-design racing. Ned began crewing on 13945 at age 12 that summer and has crewed for this father since then. Ned attributes his sailing knowledge and enthusiasm to his Father's support and the BCC Junior Sailing Program. In 1987, at age 15, Ned won the Lake Erie District Junior Championship and finished fourth at the Junior North Americans, hosted by the BCC on the same waters his grandfather sailed back in 1941. He also won the 1987 Sears Cup Area E semi-finals and skippered in the US Junior Sears Cup Finals at Pleon Yacht Club in Marblehead, MA.

Eddie's daughter Allison, now 15, is like her mother, and occasionally crews for her Dad or brother. Eddie's son Stephen's summer sport has been tennis and soccer, although he may be on board for a few club races.

As the current BCC Fleet 12 Captain, Eddie is still promoting Lightning sailing. His efforts have been rewarded by the view of more Lightnings on the starting line. His efforts for the Class will be evident for years to come.

## THREE GENERATION SMITHER-ALLEN LIGHTNING FAMILY

#### LAKE ERIE-MIDWEST DISTRICTS

By All the Family

Karl got his first introduction to Abino Bay at the tender age of 11 and his first experience sailing on the Bay in an old sailing canoe. The Buffalo Canoe Club was already established on the Bay and was beginning to grow and establish itself as a sailing center. Karl joined the BCC in 1921 and soon was paddling war canoes, racing a BCC Knockabout and crewing on the Buffalo Canoe Clubs many racing sailboats.

Ida came to Abino Bay in 1904 when her father built a small cottage on top of a high sand dome halfway between Crystal Beach and the Canoe Club. At that time, it was on the edge of civilization and reachable only by boat or horseback. Her father looked on it as a camp in the wilderness. Thus the charm of Abino Bay brought Karl and Ida together and set the stage for a three generation Lightning family.

Karl's first serious racing in small boats came when he began racing and skippering a BCC Knockabout called Thermis. This lasted for some ten years until the boat shed burned down in the spring of '41 and took with it the Knockabout Fleet. At this time, there were three brand new Lightnings at the BCC (the Class had only been in existence for two years). Fortunately, they were not stored in the boat shed and thus survived the fire. The sailors at the BCC now had two obvious choices; they could rebuild the Knockabout Fleet and continue to be a one-of-a-kind forever or buy Lightnings and join the "new wave". Karl joined the group that chose the "new wave" with a little help from super salesman, John Barnes, the head of the Skaneateles Boat Yard. He showed them what they were missing; the Lightning was both a daysailor with seats for the ladies and a good racer with enough action to keep the men interested. Thus Karl began his Lightning career in the summer of '41, in his new Lightning, Thermis Twice 588.

Karl got caught up in the excitement and fun of racing this new boat and soon was making his own waves at the National level, winning the Nationals at Barnegat Bay in '43. He went on to take second place for the unprecedented four times in '44, '45, '46 and '47 and yet again for a fifth time in

Ida with Thermis Thrice in early 50's.

Karl and Ida christen Thermis 11000.

'53. His record of being the bridesmaid five times in the Nationals has yet to be equalled by any other Lightning sailor. One of his secrets to success was his Championship Crew of Bob Crane, Mainman and Co-Owner and Reg Pegrum, Jibman and Windshift Expert.

When the International Championships started at Milford, CT in'61, Karl was there, as he was for the next three Worlds, not winning (Tom Allen was doing that) but still competitive and placing in the top ten. At the same time Karl was racing, he was deeply involved with the development of this new Class, serving as Treasurer in '47 and as President in '49. All in all, Karl has been sailing Lightnings for 47 years and has co-owned six in all. He feels that "if each partner will do 60% of the work, the partnership will work out fine".

Karl donated the Thermis Trophy to the Lightning Class in honor of his crew Bob Crane and Reg Pegrum. This trophy is presented annually at the N.A.'s with three equal keepers to the skipper and crew who does the best sailing in the Championship Flight (Blue Fleet) for the first time. This emphasises the team efforts necessary for championship sailing.

#### The Second Generation — June, Bob and Anne Smither

The three Smither children, June, Bob and Anne came to the shores of Abino Bay at a very early age, 3, 2, and 0 years respectively and thus the second generation spent the first 20 summers of their lives on the shores of Abino Bay. That they should all become involved with sailing was almost inevitable. All three children took part in the Junior Sailing Program that had just started at the BCC and made use of the boats in the new Lightning Fleet. It speaks well for the sailors in this new Lightning Fleet, that they would let the Juniors bang-around in their new boats. It did however, make for good crew which was in short supply at the time. The Smither children had a problem in that Dad was always racing his boat with his Championship Crew, so except for the junior races, it was not available. This meant they either found a crew job with another Skipper or, if possible, persuaded another Lightning owner to let them skip the boat.

Bob got his first crack at the "Big Time" when in 1949, Karl had just sold his first Lightning, Thermis Twice to a sailor in Central New York District. The new owner invited Bob to skipper the boat in the National Championships in Miami that year to learn what made *Thermis* go fast. They did not win but had a good time finishing in the middle of the fleet and getting a taste of what it was like in top flight competition. In 1949, Bob joined forces with Jack Sharp and Ken Warren to campaign Jack's new Saybrook Lightning. With Bob as skipper, for the next three years, the trio campaigned this new very light boat (720 lbs.) in club races and local regattas. Bob was studying to be a Physicist and had a natural bent for experimentation and invention. The Smither-Sharp-Warren team were the first on the Bay to use the new technique of setting the spinnaker from the leeward side. Most of the Lightnings of that day set the spinnaker to weather with a man on deck playing it out as other crew members hosted the chute, often with the spinnaker in stops. This invention of a new way to set the spinnaker was one of necessity. The crew was so light that they needed all of their weight on the rail in any kind of blow and could not afford to have someone standing on the foredeck during a spinnaker set.

Anne joined her father on the Lightning as crew when she was in college and crewed for him at the first N.A.'s in Miami. Bob went on to join Anne as crew for a short time before going off to Graduate School at Yale.

About this time, all three Smither children were married. Bob to a French major at Yale and both June and Anne to Lightning sailors. June first met her husband, Malcolm Bourne, when he came to the BCC as part of an interclub team competition where four crews from Lake Chautauqua team raced four crews from the BCC. The Bourne family now live in the midwest (Lake Forest, IL) but spend their summers on Abino Bay. Anne married Tom Allen, already a World Champion and spends her summers in the Allen cottage down the Bay. Thus both Smither girls have returned to Abino Bay (Anne never left) to raise their families and enjoy the sailing that comes naturally to this beautiful location.

After graduation, Bob moved to Chicago and began crewing for members of Fleet 5 at the Chicago Corinthian Yacht Club. He still joined his Father for an occasional big regatta and crewed for Karl in the World Championships in Lima,

Peru ('63) and again in Naples ('65). In Chicago he met Bruce Goldsmith and became part of Bruce's crew winning the North Americans at Cleveland in '67. Bob purchased his own Lightning, 10930, *Fission* in the summer of '68. As he was still a member of the BCC, he raced in their Districts and on to the N.A.'s in Chicago where he finished second in the Governors' Cup.

As a skipper Bob participated in regattas in the Midwest District, and often went home with the silver. (L to R) Bob, Bruce Goldsmith and Tom Bierman.

During the next few years, Bob became more and more involved with the Lightning Class, first as the Vice President from the Midwest District in '71, then as Assistant Measurer for '72 and Chief Measurer for three years, '73-'75 and finally President in '76. His first official act as Assistant Measurer was to convince the Class to pass a rule to require all Lightnings be equipped with a centerboard preventer. The need for this piece of equipment was forcefully made apparent to Bob during his first year of crewing on Lake Michigan when they capsized in early June in very cold water. What may have been a fun experience on Abino Bay soon became a life threatening one in a very cold Lake Michigan.

The major problem facing the Class when Bob became Assistant Measurer was the shortage of good sitka spruce for masts. The Class had begun using a tapered aluminum mast that has the same outer dimensions as the old wood mast and came equipped with jumpers. Experiments were underway to develop an untapered aluminum mast using the same cross section as the lower part of the wooden mast.

Bob (R) being decorated by Arthur Stocker following the 24th European Championship held at Lake Neuchatel, Switzerland. VP Hess is in center.

Both of these masts suffered from the same problem in that they were square and the flat sides were too easily deformed inward. Failures, particularly on close spinnaker reaches were common and the life expectancy for these masts was one to three years for a competitive sailor. This became Bob's main task during his three years as Chief Measurer and with the help of his two assistant measurers, Fred Hamlet and Bill Buckley, the oval aluminum mast that we use today was born. The whole process of design, testing and acceptance by the Class took less than three years, which is something of a record for the normally conservative Lightning Class.

During his term of Presidency, Bob promoted the idea that the time had come for the expansion of the number of Vice Presidents in South America and that each Country should have its own Vice President. This was eventually approved by the Class, increasing the number of Vice Presidents in S.A. to six.

Bob became active in the national yachting scene at the time when the NAYRU was reorganizing as the USYRU. He was one of the early members of ODCC (One Design Council) and together with Helen Limbaugh, represented the Class for many years in this organization both as a member of its Executive Committee and as Chairman of its Technical Committee, a position he still holds today. In '83, Bob served as Lightning Measurer at the Pan American Games in Michigan City. This time he was assisted by his sister Anne (present ILCA President). Bob continues to race his Lightning, Fission in the Midwest District and continues to assist in the development of the Class as a member of the Advisory Board and as a member of a group of Lightning sailors testing the new mylar sails. He had written a number ot articles for Flashes the most famous of which were the two articles entitled "Hot Sailors Sail in Hot Water" and the sequel "Hot Sailors Sail in Dirty Water."

#### The Third Generation — Jane, Tom Jr., Brenda and Jimmy Allen

Anne Allen married Tom Allen and became part of his Championship Crew, racing in many North Americans, World Championships and Pan American Games. The Allen children grew up in much the same atmosphere as the Smither children spending their summers on and in Abino Bay. All went through the BCC Junior Sailing Program starting at about ten years of age. Both Parents and Grandparents were there to encourage their sailing. They also had to compete with a Lightning World famous Father. This is a little hard on the younger generation in that they are always being compared with their Father. Tom never pushed sailing on the Children, but he always asked if they wanted to crew or not. If no response, he found crew elsewhere. They soon made their own decisions as they found that crewing was the way to go if they didn't want to be left out of family activities. Together as a family, they traveled the US and Canada in the Allen Bus to attend the major regattas.

Jane, the oldest, prefers crewing to skippering and still comes back to Buffalo or wherever to sail for the family in important regattas. She often crews for Tommy along with her Mother or David Adams. Crewing with Mom in '82,

they captured the Women's N.A.'s Trophy.

Brenda, married another World famous Lightning Sailor, Jim Crane and now has a son, Robert, "Robby" age two who has already gotten his feet wet on the Lightning. Brenda is also a skipper but had to persuade Dad to let her borrow the boat to prove she could skipper as well as crew. Her first experience with skippering was when Dad finally let her take the boat to the Champagne Regatta. She found her own crew and surprised the family when she announced finishing near the top of a highly competitive fleet. The rest of the family wasn't even there to witness her winning performance. Together with Mom and Jane as crew, Brenda won the Women's N.A.'s in San Diego in '80 and again in '87 but this time without family as crew and as Brenda Crane not

Allen Family, San Diego 1980 with Allen Bus.

Brenda Allen.

After Junior sailing, Tommy crewed several years with Doug Oak at the BCC. He sailed his first N.A.'s with Judy Walker at Hilton Head in '75. From there he went on to regular crewing with Dad, helping him along with Brenda, capture another World Championship in Switzerland in '77. He crewed with Tom and Mother Anne in the '79 Pan American Games held in Puerto Rico. Graduating to skippering, Tommy sailed in Sears Cups and Junior N.A.'s and finally in the N.A.'s at San Diego in '80. He won the Lightning Mid-Winters in St. Pete in '86 and finished fifth in the N.A.'s that year. Sailing is a way of life for Tommy and he graduated from the University of Michigan with degrees in Marine Engineering and Naval Architecture. While working at the Allen Boat Company which he has done for a number of years, he also teaches the BCC Junior Sailing Program. Tommy has been able to instill the racing bug into the hearts of many of the young sailors by taking them to Lake Erie District Junior Championships and supervising their participation and giving them their knowledge and experience.

Jimmy, the youngest became the main crew for his Dad after Tommy started skippering his own boat although Jimmy was probably the youngest of the Allens to have his own boat to skipper. He won the Junior N.A.'s in '86 at age 19 and was fourth in the Junior World's. He has been skippering local regattas, District Championships and N.A.'s for the past few years.

The temptations of Abino Bay are hard to resist, so all four of the Allen children got into sailing in a big way. They were also exposed early in their sailing career to the "Big Time" crewing for their Father in many National and World Championships. Lightning sailing has become a "way of life" in that the whole Allen family has crewed and skippered with each other over the years. Mom has crewed for Tom,

both Sons, and for Brenda. She keeps thinking it is time to retire but always seems to be available when they need a last minute crew. All have crewed for Tom at one time or another and with each other. When you go to a regatta, you never know which Allen will be skippering and with which family member if not all, crewing.

Karl and Ida Smither have done much for the Lightning Class. They have given it three ILCA Presidents in Karl, Bob and Anne and a source of new Lightning sailors to support the Class. The Lightning Class in return has given them friends and memories to last many lifetimes.

## STARCK LIGHTNING FAMILY LAKE ERIE DISTRICT

By Robert Starck

When Bernie Starck decided it was time to get back into sailing in 1954, the Lightning seemed the logical choice for a boat. Bernie had been Club Champion at Niagara Sailing Club in the late 30's and early 40's in a mixed fleet. Now that sons Bob and Joe were old enough to pull strings (provided they were double-blocked), but still young enough to shoulder the usual abuse a skipper father is sure to heap on his crewing sons, the Lightning was the only choice. By then, the Lightning had become the dominant class on the Niagara Frontier.

Armed with \$450 in cash, Bernie purchased Lightning 748, a double-planked 820 lb. Skaneateles beauty, complete with Rotsey cotton sails, from Al Sergeant down the river. Both boys were convinced the boat had no equal even though they spent many frustrating hours trying to get close enough to read the names *Glockenspiel* and *Three Winds* on the transoms of Stu Anderson and Jack Swanson, the "club hotshots". Bernie had the kids convinced that "wing and winging" the jib on old *Alert III* was every bit as effective as a spinnaker. It wasn't until they had been passed downwind

forty or fifty times over the course of those first few seasons that they began to suspect that the old man might be telling less than the truth.

As the boys mastered the spinnaker and became more competitive, Bernie began taking them to area regattas at Pt. Abino and Toronto to race against the likes of the great Karl Smither, Tom Fallon, Bob Bleasby and rising stars like Tom and Don Allen. There they first became acquainted with the young crews of those stalwarts, Ed Roseberry, Billy Bergantz, Tom Ward, Curt Montgomery and little Jay Hansen—all of whom continue to be active sailors today.

In 1961, Bernie resolved that it was time to travel to New Jersey to pick up *Alert IV* from the Lippincott Boat Works. The new Lightning 7948 provided many happy hours and a Club Championship over the next few years until Bernie decided it was time to move on to a bigger boat and consign the Lightning to his teenaged sons.

Bob and Joe campaigned Alert IV through the mid 60's managing to pick up a number of trophies at both the Fleet

and District levels. College, courtin', and lack of cash, however, provided formidable obstacles to keeping the boat in fighting trim. Both boys decided it might be a good idea to get out of the boat repair business and concentrate on "other things" for a while.

Joe concentrated on Carol Whistler, a fine sailor in her own right at the Buffalo Canoe Club. Seven kids (and seven new sailors) later, both Joe and Carol continue to support the Lightning Class. Julie, Joe Jr., Dave, Karen, Chris, Jim and Tom all provide excellent Lightning crews at the BCC—and on those occasions when they are able to borrow a boat to skipper, each has proven very capable. This past summer, for example, Dave borrowed Larry MacDonald's boat and proceeded to win the Junior N.A.'s quite handily with brothers Jim and Tom as crew. Both Joe Jr. and Dave are members of the U.S. Maritime Academy Sailing Team.

Bob and his wife Jane remain active members of Niagara Sailing Club where Bob has crewed for Calvin Schmiege for over fifteen years. Their two oldest children, Brian and Ellen, both excellent Sunfish sailors, have begun sailing an Albacore together. When the opportunity presents itself, they prefer to crew for Cal on the Lightning. Cal has kicked Bob off the boat more than once to make room for Brian or Ellen.

All in all, the Lightning Class has been good to the Starcks. It has, in a real sense, provided the glue which bonds together three generations of sailors.

## WASKOM LIGHTNING FAMILY TEXAS DISTRICT

By John B. Waskom, III

Waskom Family — All three generations. (L to R) Back row: Hal Felty, Anne Waskom Felty, John Waskom III, Milly Waskom, John Waskom IV. Front row: Lisa and Lee Waskom.

The summer of 1988 marks 30 years that I have been an active member of Lightning Fleet 35 as well as a devoted advocate and supporter of the Lightning Class. It also marks the fifth consecutive year as Commodore of the Texas District.

To go back to the beginning, we belonged to the Old Dallas Sailing Club. There were not many Lightnings around then but when the club started to talk about replacing the fleet of club owned boats, an opportunity presented itself to make the Lightning our main boat. There were just three or four of us who recognized the potential of the Lightning initially but with an informal campaign, we were able to convince the other club members and officers that this was "THE BOAT". This was in the late 1940's and by the time they had six of the Lightnings built, it helped to establish the Class in the area.

We sailed club owned boats and it was not until we bought 3909 in 1957 that we heard about the ILCA. We joined a year later and this small incident at the time led to a relationship with other Lightning sailors that we are still enjoying today.

Wife Milly started sailing with me while we were still in SMU and dating. She finally said, after many years, "I have

raised you a crew, so now it is all up to you two".

Daughter Anne Waskom Felty crewed for us until she went away to college. She and husband Hallive in Colorado and sail a smaller boat as they have to trail to the lakes.

John IV, literally started sailing while he was still wearing three cornered britches (diapers). I started giving him the tiller when he was five (it came about to his chin) and it still amazes me that he is still sailing with all the instructions he got. Being younger and more aggressive, he took over as the racing skipper years ago. You notice, I say we a lot. It is hard to separate some of our sailing in the past. John has the usual collection of trophies. I remember his being third in the 1971 Districts. He has been Fleet Captain and Fleet Champion several times in the past few years and is currently Vice Commodore of the Corinthian Sailing Club.

John's wife Judy enjoys the regattas but does not sail too much. I guess the Family got her a little too late to instill the sailing enthusiasm of the Waskom Family.

Lisa, John IV's daughter, has crewed for her father but prefers to skipper on her own, whereas John's other daughter crews for her father on a regular basis except when serious school activities interfere.

Since 1958, with the ups and downs of both the water in White Rock, Texas and fleet membership caused by the

mass exodus of Lightning sailors to form Fleet 435 at Rush Creek, John Waskom III has steadfastly refused to let Fleet 35 die out at Corinthian Sailing Club. He has repeatedly revitalized the fleet to its current level of 16 boats.

# YOUNG LIGHTNING FAMILY OHIO DISTRICT 380 to 13719

By William D. Young

Truman P. Young started sailing in the mid 1930's. For several years he sailed Suicides on the Ohio River before the Lightning was designed. In 1939 Truman bought Lightning number 380, and was the first person in Cincinnati to own a Lightning. In 1940 he met Dorothy Dittmar and their first date was a picnic lunch and a sail. In 1941 they were married and Lightning 380 followed them on their honeymoon to Lake Wawasee in Indiana. For several years Dot and Truman sailed at Henry's Harbour on the Ohio River. As the war approached Truman was called back for active duty. It was not until 1946 that the second generation of Lightning sailors was started. Jim, Tom, and Bill were born with three years each between them. Truman often remarked "If those boys don't grow up to be sailors, it won't be our fault. We brought them sailing in baskets when they were babies.

After the war, and with his family started, Fleet 57 was formed on the Ohio River at Henry's Harbour. This was the home of the Cincinnati Sailing club. In 1949 Truman bought 1925, his second Lightning. The club grew in membership to a total of about ten Lightnings. In 1957 the Cincinnati Sailing club moved to Cowan Lake, a new flood control project north of Cincinnati in Warren County.

In 1960, Truman with his three sons in tow, bought Lightning 5575 so he could be more competitive when racing at Cowan. By now the Lightning bug had been caught by at least two out of three of his children. Middle son Tom preferred water skiing and power boating to light air days at Cowan. Oldest son, Jim, was now learning to skipper the boat and youngest son, Bill, along with Dad was crewing. Once again the need for a more competitive boat arose in

1941: Truman Young at the helm of Lightning 380.

1950: Young Family race Lightning 1925 on the Ohio River.

1967, and Truman and Jim traveled to Michigan to buy 10013. This was a big step toward a modern designed Lightning (fiberglass constructed) which is still competitive and is being sailed today on Cowan Lake by oldest son, Jim and wife, Phyllis and his three children, Charlie, Danny and Rebecca.

All through the seventies Jim and Bill sailed 10013 at Cowan and other regattas located in the tri-state area. Bill did a lot of crewing with other Lightning sailors such as Bruce Gerkins, Dick Pugh and John Lay, traveling to local regattas as well as district and national competitions. In 1987 youngest son Bill bought Lightning 13719 and is now sailing on Cowan Lake with his wife Debbie and two sons David and Doug.

Jim's two sons and daughter, and Bill's two sons love to sail and usually race against each other at club races. All of the children love to skipper. So, as to make the circle complete in this third generation, there is the strong possibility that the Lightning Class will have to put up with five more Youngs in the future. I'm not sure if that's good news or bad for the Lightning Class.

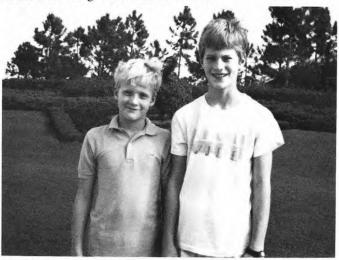

While writing this article, I've had some time to think what the Lightning Class has meant to me. It has provided our family with a common interest, a sport where everybody could participate, an opportunity to have met lifelong friends and above all the joy of sailing one of the most

Second Generation: Bill and Debbie Young.

beautiful boats ever designed.

Truman P. Young died on December 31, 1975 at the age of 76. He actively sailed Lightnings up to the year of his death. Dad left behind for his family a tradition he started nearly forty years earlier on the Ohio River, hopefully to be carried on for generations to come.

Third Generation: David & Doug Young of the Bill Young Family.

## ZAISER-RAIN FAMILY INDIANA DISTRICT

Another Indy sailor, Bo Zaiser, was a great swimmer for Indiana U. In the early 50's, he visited a college roommate in Larchmont, NY, Bob Bolyard, who introduced Bo to the Lightning. Upon his return to Indy, Bo became a Charter Member of the Indianapolis Sailing Club. After trying all of the Classes there, he still wanted a Lightning and found out about Nickels & Holman. A one year waiting list prompted him to buy a "kit" and 6231 was built. Bo sailed 6231 until

the early 80's.

Bo's daughter, Helene Zaiser Rian, first crewed with her Dad and introduced her husband to the Lightning, and in turn to their two children Mike and Vickie. Bo is now deceased and Helene inactive, but Mike continues as a very active sailor. In addition to Lightnings, Mike is DN Ice Boat Fleet Captain and placed 10th in the Nationals last winter. He also sails E scows and Lasers.

# THE NEW STANDARD IN ONE-DESIGN PERFORMANCE. FISHER SAILS.

Greg Eisher

"It may be a new name and a new logo, yet it's the same sailmakers building the same superior sails at the original location. At FISHER SAILS (formerly Shore Sails Midwest), there is no compromise on excellence. We build the world's fastest one-design sails, and still provide the personal service one-design sailors deserve. In fact, Fisher designs won the National Championships in 12 different one-design classes during 1987.

Armed with the knowledge gained from working in these other one-design classes and combined with our experience in *Lightnings*, we're confident our new *Lightning* design will become the new standard in the class. Greg Fisher and his family have been active in the *Lightning* Class for more than 30 years.

Let FISHER SAILS put you in front of the fleet. Give us a call. We can help you win your share of the silver."

In spite of the economic situation which our country is going through, our class has definitely consolidated it's continuity by producing our own boats.

At this time, we feel very comfortable in our ability to deliver top quality boats. And as such we have already received requests from other countries in South America, and by the time this report is published we hope to have concluded our first exports.

Furthermore we had a good sailing record in 1987 with Claudio Bieckarck coming in fourth in the "Worlds" in Colombia and third in the "Pan Am's."

Our local championships have shown increasing interest, with some of our old friends getting their boats ready and joining us in the regattas.

This year we reactivated the "Campeonato Centro-Sul Taca Sonnervig", which hasn't been sailed in fourteen years, which brought a lot of enthusiasm to the class.

For 1988 we have great expectations for an increase in the number of sailors in the class (hopefully all buying new boats), and a greater participation in international regattas such as the "South Americans" in Chile and the "N.A.'s."

I wish at this time to thank Donna Foote and the staff at ILCA for all their help, and congratulate Anne Allen for her work and dedication to our class.

District Runner-Up	Scott Finkboner

Fleets: Santa Monica Bay (102); Mission Bay (194); San Francisco Bay (372).

The California District season started off with the Olympic Classes Regatta in Long Beach, April 3rd. Winds of 30 knots plus forced abandonment of Friday's scheduled races. We all hid in the lee of an oil island waiting for the wind to drop to 25 so that we could get off a race. It never did, at least not on Friday. The Race Committee abandoned races by about 3:00. During the three mile reach back to the yacht club, Scott Finkboner and Mark Patty decided to go glory sailing and popped chutes. Scott made it. Mark ended up with a two piece mast and an experimental smaller rudder. Ask Mark about the professional job the rescue boat did.

To make a series of long stories short, John Lyon won this regatta, and almost every other major district regatta, PCC's, CA Districts, Spring Cachuma, Billie Boswell Memorial, Midwinters, etc. The only exception being the California Lightning Circuit. We had excellent participation again this year, drawing 20 boats. The Allens came out again this year after competing in the Southern Circuit. The Tom's, Sr. and Jr., showed us the quick way around the courses in almost every race. Overall results were: Tom Allen, Jr., 1st, Tom Allen, Sr., 2nd, John Lyon, 3rd, Scott Finkboner, 4th, and Warren Gross, 5th. Scott was doing very well in the early races but a DSQ in the 4th race put him back in the standings and he was never able to pull back up again.

Scott made the trip back to the Buffalo Canoe Club for the "North Americans" again this year and finished a respectable second in the "Green Fleet". This was Scott's fourth "N.A.'s" in five years. Guess it really was time for a new van.

The California Lightning District has also been busy this year planning for the 1988 "North Americans" at Mission Bay Yacht Club in San Diego. We are looking forward to seeing a lot of you, so make your plans early,

pack up the boat and come on out here in August.

So it's been a big year for John Lyon; wins almost every major district regatta; was elected a vice-president in the ILCA; and to top it off marries the fair maiden, Lynette Northrup, in November. That's John Lyon, *Red Boat*, 13911. That's the boat to camp on.

See you at the "N.A.'s."

Fleets: Lake Delta (4); Crescent Yacht Club (9): Newport Yacht Club (77); Willow Bank Yacht Club (164); Henderson Harbor Yacht Club (225); Keuka Yacht Club (252); Galway Lake Yacht Club (338); Ithaca Yacht Club (484); Port Oswego Fleet (485); Selkirk Fleet (498).

The Central New York District started its sailing season with the Newport Invitational Regatta held at the end of May. With the opening of the Bay, we could enjoy sailing for the first time on the open waters of Lake Ontario and the small lake atmosphere of Irondequoit Bay.

Thirty-nine skippers and their crew enjoyed the sailing, and the buffet dinner and bowling which was the Saturday night's entertainment. The winner was Peter Hallagan with Larry McDonald coming in second and Dick Hallagan third.

Cazenovia held its Invitational Regatta in the middle of June. There were 23 boats at this one, and all the sailors enjoyed the great sailing and the steak dinner in the evening. The winner was Dick Hallagan, followed by Jed Dodge and Dave Grogono.

The District Regatta was held at Skaneateles in mid-July. This was a warm-up for the 50th Anniversary Regatta which will be held here in July, 1988. Thirty-two boats attended which was one of the largest turn-outs for a district regatta in many years. One of the skippers was eleven year old Chad Sinn, probably the youngest skipper in the history of the regatta. Dick Hallagan won, Jed Dodge was second, and Tom Doran was third. Jesse Miller won the Commodore's Trophy, Landy Atkinson won the Rookie Trophy and Dick Tuttle was presented the "Ugh" Trophy.

Keuka held its Champagne Regatta on August 1. Twenty-one boats attended this third leg of the Triple Crown Series which this year, besides Keuka, included the Newport and Cazenovia regattas. Walter Taylor and the Bully Hill Winery again sponsored the Champagne Regatta and supplied the liquid refreshment for the evening cocktail party. The winners in order of finish were Dick Hallagan, Tom Doran, and Jed Dodge.

The Triple Crown saw seven boats compete in all three of the regattas. Dick Hallagan was first, Jed Dodge was second and Tom Doran was third.

The Michelob Lightning Classic was held at Oswego on August 15. This event has grown over the last few years into one of the highlights of the sailing season in Central New York. Thirty one boats enjoyed the great sailing, the great food and the great beer supplied at a very reasonable price. Everyone particularly enjoyed the dunking barrel which was Saturday night's entertainment. One dollar bought three chances to throw a ball and send a lucky sailor into the tank. The line to try and send Dick Hallagan to Davy Jones' locker was endless. Peter Hallagan was the winner of this regatta, followed by Jed Dodge and Tom Doran.

The Lake Erie — Central New York Challenge this year was one of the Oswego and the Silver Lake Regattas. There was no question about the winner, as Central New York sent 10 boats to Silver Lake while Lake Erie sent only two boats to Oswego. Sheer numbers, if not skill, decided in favor of the Central New York District.

Lastly, sailors from our District did well at the national level. Jed Dodge was second at the North American Championships and came very close to being first. For the second year in a row, Dick Hallagan with his crew of Sandy Schrader and Len Tiedmann won the Masters Championship.

Members of the Lake Hefner Yacht Club served as our race committee and they did an excellent job. If the weather had been as accommodating as the host fleet, we would have had a wonderful time. The winds were light and variable (really variable!) and the temperature approached 100 degrees.

activity in I.O.R. boats and almost all of the Lightning skippers and crews are involved in different boats.

The first weekend of March we sailed the trials for the South American Championship and then the Chilean Championship. The last one was the trials for the Pan Ams and the World Championship. The regatta was won by Manuel Gonzalez with Rodrigo Zuazola and Jorge Zuazola. Runner-up was Juan F. Novion with Luis Herman and Andres Novion.

Three crews went to Salinas, Ecuador, to race at the S.A. Championship. All of us who went there had a great time. It was a wonderful regatta. The same three crews were expecting to compete at the "Worlds" but we could not transport our boats, so only one went, and fortunately won the Championship in a borrowed boat. Cartagena is a beautiful city and we were shown great hospitality there.

After the "Worlds" results almost everybody wants to sail a Lightning. Add to this, next year between April 9-16, 1988, Chile will be host of the 34th South American Championship. We are expecting over 20 boats at each regatta this year. So, hope to see the sailors of South America at Vina

Selection Trials were to be held ten miles down the coast the following weekend. This Regatta was up for grabs after three races with any one of five contestants having a shot. Ched Proctor won the Regatta by winning both races on Sunday leaving Jim Crane and Bill Shore with second and third place.

Cedar Point was also the host of this year's District Championship. Up to a point it looked as though Jim Crane would keep his race winning streak going. His winning streak stopped at five when Franz Edson won the second race of the regatta. Jim did come back to win the third race and the Championship. Franz, outsailing the World Class Fleet, finished second, and Phil Lotz third.

Our District's showing at the NA's this year was one of the best we have ever had: eight entries, three of those in the top ten, four in the Blue Fleet, and the Governors' Cup Champion, Wiley Crockett. All this with two of our stalwart sailors, Phil Lotz and Ched Proctor staying home to tend to future crew. Each of their wives gave birth the week prior.

On to Niantic. The Annual Governor's Cup Regatta, always a hot District Series, was won this year by Ched Proctor. He sailed a brilliant set of three races in very windy conditions to win the Regatta with three firsts. Donald Barrett was second followed by another up and coming sailor Dave Dickerson.

Cedar Point also had the kind of wind that this area is becoming famous for. Super heavy winds on Saturday resulted in a lot of sailors turning into swimmers and three broken masts. This weekend, it was Jim Crane's turn as he won every race. Off the water, everyone had a great time at the Saturday evening cocktail party and lobster dinner.

Fleets: Washington D.C. (50); Susquehanna (253); Sassafras River (314); Rehoboth (325); Severn River (329); Swift Creek Fleet (496).

The year of 1987 will be remembered for the great sailing conditions in the District, except for the District Championship. This event was blessed with the doldrum winds that are characteristic for the Chesapeake Bay in the August - September time frame, but usually not in July. Fleet 325 hosted the Atlantic Coast Championship at Rehoboth Bay. Out-of-towners Brad Read and Greg Fisher took home the silver after giving the rest of the participants a lesson in sailing skills. Fleet 329 in Annapolis, Fleet 50 in Washington, Fleet 496 in Richmond, and Fleet 253 in Pennsylvania all sponsored events that provided a variety of conditions and entertainment. Success stories range from Phil Grotheer and his "Swill Dog" crew finishing sixteenth and Chris Raubacher charging right behind in blue fleet in the "NA's", to Joe Frieble wrapping up another win as the District Champion in extremely light air and Mary Anna Portner's tying the knot with Hugh Elliot in addition to winning the District Women's Championship. There are still attendees trying to recover from the wedding reception.

Fleet 50 is showing signs of resurrection after experiencing a few years of loss of boats and interested sailors. Frank Gallagher has been singularly instrumental in this improvement through his buying of boats and then finding a buyer that plans to keep the boat in the area and will actively race the boat in fleet and district events. Over the 26+ years that Frank has been sailing Lightnings, the number of boats that have passed through his ownership would probably surprise everyone and would make him the envy of every used boat salesman in the Washington/Annapolis area. Fleet 50's major regattas, have witnessed only four or five boats on the line, are now attracting ten to fifteen boats. There are even some "woodies" competing and they are giving the glass boats a run for their money. Another means of increasing the interest in sailing the Potomac is the creation of the Potomac Cup Regatta held in late April-early May. This is sailed at the site of a new marina being developed south of Washington just north of the Quantico Marine Base. This event has been sailed for three years now and has grown from five to fifteen boats. The water in the area is deep and the river wide, relatively free of power boats and accompanied by a great cookout on the beach. Watch the Flashes for the announcement in 1988.

The annual Lightning-Thistle challenge, also held on the Potomac, drew over twenty boats this year (11 Lightnings). The Lightnings prevailed again,

Frank Gallagher - Would you buy a used boat from this sailor?

but the Thistle folks are getting serious as this event was an item of dicussion at the Thistle NA's. They are talking of elevating this regatta to a national level. That should prove interesting, but in the meantime this annual event will continue and hopefully increase in participation.

Early in the season, the newest fleet in the District, Fleet 496, sponsored their "Swift Creek Invitational for Lightnings." This event is held on a very picturesque lake in southern Virginia and attracts a host of partying sailors that are challenged by a variety of winds and a contest as to who (what) will be sacrificed to the Wind God. Usually a "Barbie Doll" is the chosen article, but this year a pair of old deck shoes also bit the dust. Phil Grotheer and his "dogs" took the honors thorugh aggressive sailing on the second day. Shortly thereafter, Fleet 329 sponsored the "No Gas Regatta" which had twenty one boats representing several areas "up north" in addition to local talent. The object of this regatta is to run short courses and have as many races as possible. If everything cooperates there could be as many as twelve to thirteen races held. This year the wind did not cooperate but six races were held and when the dust cleared Peter Hall from Canada was in front with Larry MacDonald second and Mark Sertl third. Steve Bachman and Doug Heussler representing local talent capturing fourth and fifth.

The annual finale is the "Frigid Digit" at Annapolis and the "Borderline" at Kerr Reservoir on the Virginia/North Carolina border sponsored by Fleet 481 out of the Southern District. These events have been tied together with an overall championship trophy. They are always on sequential weekends and attract boats from several areas which result in thirty to forty boats on line skippered by many of the top Lightning sailors in the eastern U.S. This year both regattas had over thirty boats on the line. The Borderline event had 34 with representatives from several states. Simion Coxe upheld the Dixie District reputation by placing a strong fifth with Allen clan and a guy named Hallagan grabbing first, second and third respectively. "Doc" Gilbert won the best natured award by using an experienced crew just to have fun. The hospitality and social events complement the great sailing that always occurs. If you haven't sailed these events, you're missing a most enjoyable time.

Mark your 1988 calendars for the last two weeks in October ....

District	Commodore Pentti Laitinen
District	Secretary Sirkka-Liisa Laitinen
District	Junior Commodore Pekka Hurskainen
District	Measurer Marjatta Ollila

District	Runner-Up Jussi Karkkainen

Fleets: Helsinki (166), Kotka (298), Oulu (307), Kemi (310), Jyvaskyla (328), Tuusulanjarvi (456), Valkeakoski (468).

Once again the sailing season has finished, and so it's time to look to the past, present and future of the Lightning Class in Finland. After a few years

stagnant situation, our different activities are again increasing, which was noticed already in the last Year Book. New sailors have found our Class, some new boats have been built and also used boats are again wanted among sailors. The number of active sailors has increased thanks to the possibility to get new boats from our country. Our training system for all members of the Class has gained a lot of interest both with the top sailors and those sailing in the middle of the Class. Next year will be an anniversary year and we expect to gain some new sailors and perhaps some publicity. The future of the Lightning Class seems to be good.

In this season the sailing activities concentrated on the begining of the season and around the District Championship the beginning of August. However, already in December two crews took an early start and participated in the Winter Championships in Marsala, Sicily. Hartti Nisonen was third and Jussi Karkkainen sixth. We'd like to thank again the hosts and especially the C.V.M. for lending us a boat.

In Finland we started our season with some training. Bill Shore visited us in April and an opportunity for discussions and sailing was arranged. The sailing was done literally "on the rocks" when three boats and some sailors took their first taste of salt water and tried to avoid collisions with ice blocks.

The beginning of the sailing season was scheduled to be very tight because the Europeans were arranged so early as the middle of June. The crews who planned to sail in the Europeans needed training and so they participated in every possible race, and used every possibility for training. We had organized three of our ranking regattas and many training sessions trying to get the team properly drilled before participating in the Europeans. Only three boats travelled to the Europeans in Italy, Chris Winter with Sure Sales, Terho Aromaa with Masi IV and Hartti Nisonen with his

new Asterix. In Numana there was a wonderful time both in the race area and ashore. Despite our efforts the success was not very good, Chris Winter being 14, Terho Aromaa 15, and Hartti Nisonen 16.

After the Europeans, the next major event was the District Championship. This year the Districts were sailed at Hanko, which is located on the coast about 100 km west of Helsinki. Twenty-four boats participated, which was a little less than last year. The whole summer had been cold and it was the same in Hanko. This decreased the activity because camping in cold and rainy weather is something only for masochists. However, the clubs sauna was warmed every day and this was a real pleasure after a few hours freezing on the sea. As usual, we had all kinds of weather ranging from total calmness to a real storm. Kari Maenpaa, Erkki Meanpaa and Kimmo Aromaa with Vahine and Chris Winter, Petri Cederlof and Mikko Maatta with Sure Sales were the top boats. Once again Kari was the best, but this time he had to do more work than in the past few years. Pertti Pyy sailed with his daughters Leena and Maija and finished third.

This year the Finland District ranking series included a total of eight regattas. The first was sailed in the middle of May and the last the beginning of September. Thirty-three boats gained a result in the series. Chris Winter was first. Jussi Karkkainen, who used a different name for his boat in every race, was second and Terho Aromaa third.

1988 will be an anniversary year both for the International Lightning Class and for the Lightning sailors in Finland. The District of Finland has the pleasure to arrange both the European Championship and Youth Championship in 1988. These regattas will be sailed at Tampere the end of July and beginning of August. We hope and expect to see many sailors all over the World this next summer in Finland.

#### INDIANA DISTRICT

District	Commodore Doug Schmahl
District	Secretary Judy Schmahl
District	Measurer George Buckingham
District	Champion Alan Fox
District	Runner-Up Doug Schmahl

Fleets: Wawasee Yacht Club (154); Indiana Sailing Club (270).

There are two active fleets in the Indiana District. One is Fleet 154 sailing at the Wawasee Yacht Club on Lake Wawasee in Syracuse, Indiana and the other is Fleet 270 sailing at the Indianapolis Sailing Club on Geist Reservoir near Indianapolis, Indiana. There are thirty five registered Lightnings in Indiana affiliated with Fleets 154 or 270, and about thirty more that are not.

Fleet 270 hosted the Indianapolis Open on May 2 and 3, which has become the popular "season opener" for the Midwest Lightning racing season. Thirty one boats from Ohio, Indiana, Michigan, Illinois and Wisconsin competed in what turned out to be a very unusual (weather-wise), light air, two race regatta won by Bill Faude from Milwaukee. The light air lead to some spirited shoreside volleyball and other whatnotery, including some sort of weight loss wager between George Buckingham and Bruce Goldsmith.

Fleet 154 hosted the District Championships on June 20 and 21, and ten boats competed. After five races on Saturday and Sunday, in light to medium air conditions, Alan Fox won convincingly with two firsts and three seconds. Alan proved again that there is no substitute for consistency. Doug Schmahl was runner-up with 9½ points and Fred Buckingham was third with 11½ points. Had Fleet 154's John Nixon not been a no-show on Saturday (Old age caused him to forget?), he could have placed much higher.

Although not an Indiana District event, the 1987 Pan American Games were held in Indianapolis in 1987, and the Michigan City Yacht Club, sailing on Lake Michigan, was the venue for the yachting competition. Several Indiana District skippers, crew and friends observed the final Lightning race from "Ruyiyat", a Hatteras 57 out of Michigan City, and when the squall blew in shortly after the race ended, I can assure you that fifty seven feet of motor yacht is more comfortable than nineteen feet of Lightning!

Fleet 154 hosted the 28th annual Hoosier Regatta on Lake Wawasee on October 10 and 11. Seventeen boats from Michigan, Indiana and Wisconsin competed in a cool (cold?), light air (no air?), two race weekend. Mastering the unusual conditions, Colin Park sailed to two firsts, and won the regatta for the third year in a row. The unfavorable weather forecast and a conflict with Buckeye Lake's Snowball Regatta hampered attendance this year, but this is a fun, easy going regatta and next year will be a good one.

HOOSIER HOSPITALITY—IT'S TRUE!! Next year come to Fleet 270 the first weekend in May and Fleet 154 the first weekend in October, and find out for yourself, first hand!

With each passing year, sailing in the Lake Erie District gets harder, tougher, and more competitive. The most noticeable changes are coming from our Women and Junior competitors who are not only winning, but beating many of the Old Timers. The Juniors of yesteryear have grown up and are competing in major regattas all over the world.

The Women especially took home an increased amount of hardware. Jody Swanson led the way with a first at the Harvest Regatta at Silver Lake Yacht Club in a fleet of 36 boats from both Central New York and the Lake Erie Districts. Jody also traveled to Annapolis for the Frigid Digit and took first place away from many of top male sailors from the east coast.

Sue MacDonald Rogers won the LED Women's Championship, and with her hard working first year crew, went on to take an impressive second in the Women's North Americans, closely followed by Judy Walker, also of the LED in third place. Brenda Allen Crane, formerly of the LED, and sailing in her home waters of Abino Bay, took first place in the Women's in the fleet of ten top women sailors from North America.

Our new ILCA President, Anne Allen, really set the establishment on it's ear by winning the "Ole Salts Regatta". Anne is now the third member of her family to serve as an ILCA President, following her Father Karl, and Brother Bob. It is sure "Mr. Lightning" is not only a very proud Father but Grandfather as well. The District also took great pride in having David Sprague, Past ILCA President continue to use his many talents for the betterment of the Class.

David Starck and brothers, Jim and Tom, won the Junior North Americans in close racing. Also at the junior level, Ned Roseberry met the mark and led the way with three first place finishes at the LED Junior Championships.

The Lake Erie District flourishes with a fantastic line-up of Leaders and Champions for all the Class to follow. Once again, we have one of our own winning the North American Championships. Larry MacDonald, Jr. with crew Ian Jones and Trevor Born, took the top silver after many years of hard work and close calls. They also won our District Championships with just a half point over the second place boat.

The District as a whole seems to be in a healthier position with the Juniors, Women, and the Seniors getting on the race course with more frequency to better their sailing skills. We entered twenty boats in the North

Americans. Sailing in our home waters at Point Abino certainly helped but we have been able to fill our quota at the North Americans almost every year regardless of where they are sailed. Many of us are already planning the trip to San Diego with doubledeck rigs for the 1988 North Americans.

The District had an extensive regatta schedule (also see our 1988 Schedule) including the Canadian Open Championship won by Peter Hall of the Royal St. Lawrence Yacht Club. We, in the past have listed each winner but this year we feel that only the major achievements of those listed above must be pointed out. Our District is strong with such names as Smither, Allen, MacDonald, Roseberry, Swanson, Jones, Bryant, Swanson, Sprague and many, many more, so please come and join us in a regatta or two during the 50th Anniversary Year of sailing a great boat, the Lightning.

#### LONG ISLAND DISTRICT

District Commodore	. Bruce M. Atkinson
District Secretary	Thomas Hering
District Measurer	Bruce Atkinson
District Champion	Bruce Atkinson
District Runner-up	Tim Rumph

Fleets: Little Neck Bay Fleet (55), Hewlett Bay (58); Great South Bay Fleet (178); South Hampton Yacht Club (431).

As the 1987 sailing season draws to a close, it has been a year of growth and vigor for the Long Island District. Several newcomers, as far as Lightning owners are concerned, showed their enthusiasm on the race course and will help support the ILCA on Long Island for future seasons. Hats off to Ray Rumph for his turn at the helm as District Commodore, for his help and support of the Class, and to Tom Hering for "Keeping the Books Straight" as District Secretary.

Several Regattas kept sailing interest high, and were enjoyed by good fleets of skippers as compared to previous years. Lightning sailing is once again showing an increase in interest after a few slower previous seasons.

The District is planning some new ideas to be tried in the upcoming year to allow for increased participation on the race course, and to try some variety, such as a Summer Circuit, or Perpetual Trophy. Details will be worked out over the winter and passed around to members for discussion.

The Hewlett Bay Fleet, sailing out of East Rockaway, NY, has been showing promise of some new sailors, as well as existing ones. Peter Neyland and his family have been serious on the starting line, and Ed Reckenwald, who has been crewing with Tom Hering for a number of years, now has a boat and shows good potential. On a sad note, one of Hewlett Bay's sailors passed away last season, and Bud Dailedouze will be missed by all who knew him for his competitive spirit, and sportsmanship both on and off the water. (April '87 Flashes).

Congratulations also go to Betsy Weiss for winning Fleet 178 honors. This is the first time the Fleet Championship has been won by a woman skipper. Congrats. Betsy!!

The District Championship was held July 11th and 12th at Southampton Yacht Club on the east end of Long Island, sailing out of Shinnecock Bay. After the fog cleared (literally), Bruce Atkinson emerged the 1987 District Champion, won by a tie-breaker with Tim Rumph. Robert Shewan was third, followed by Alan Pearlman and Paul/Joe McCann. Nineteen boats

put their bows on the starting line, and a good weekend of racing was had by all. Next year we are hoping for a 20-25 boat fleet with the increase in new boat owners in the district.

Three boats made their way to Buffalo in August for the North Americans. Bruce Atkinson, sailing his first, qualified for the Blue Fleet, while Tom Hering and Bob Shewan sailed in the Yellow Fleet. Buffalo Canoe Club lived up to its reputation for wind, and those who have not sailed there were greeted by a first-class run ILCA event.

Hope to have an even better year next, and for those who may have not heard, Lightning sailing is alive and well in Long Island.

Fleets: Devils Lake (31); Crescent Sail Club (51); Lake Fenton (53); Pontiac Yacht Club (54); Higgins Lake (110); Gull Lake Yacht Club (137); Tawas Bay Yacht Club (152); Saginaw Bay (216); Grand Traverse Yacht Club (326); Pentwater (340); Douglas Lake (374); Lansing Sail Club (387).

The Michigan District had a very good racing season. The 1987 season will be remembered as having unusually high temperatures with a good breeze all season. Out of eleven regattas we only saw rain and thunderstorms in three regattas, causing a total of five races to be cancelled. Best of all we saw an average wind speed of 10 to 15 m.p.h. all season long.

The regatta season got started with sunny skies and good wind in May, with the third Devils Lake Tune-Up and Great Lakes Euchre Championship Regatta. The format is no crew limits, no entry fee, no trophies, no protests and sail as many races as possible. This is a great way to start the sailing season.

The first weekend in June Lansing Sail Club hosted their regatta on Lake Lansing. Five races were sailed in two beautiful days with open water sailing on Saginaw Bay. Saturday was also the first bad weather, with a thunderstorm causing the boats to run for shelter after one race. Sunday was clear and sunny. Crescent Yacht Club on Lake St. Clair hosted their annual Father's Day Regatta. Saturday was clear and bright for all three races. Sunday, however, was gray and windy causing a two to three foot chop. Hank Hodgson, sailing with his daughter, Lisa and Bruce Goldsmith as a third were the winners of the Father's Day Trophy. The last weekend in June Lake Fenton hosted the annual Team Race Regatta. Team racing is done with four boat teams with each team racing one another in a round robin fashion. This makes for some interesting racing with team tactics coming into play. The Pontiac Team sailed a perfect series to win the championship.

In July the District Championship was hosted by Tawas Bay Yacht Club on beautiful Tawas Bay. 32 boats sailed five races in three days with winds out of the south-southwest of 12 to 18 m.p.h. with waves of one to two feet. Garry Demarest and Colin Park demonstrated how competitive they are with Garry winning two with three seconds and Colin winning three with two thirds, giving Garry the win by one point. Special thanks to Dave Maralott for a great job as Race Committee Chairman and the Tawas Yacht Club for a superb regatta. A week later the Juniors and Women got together for their Districts hosted by the Pontiac Yacht Club. Sean Fidler won the Juniors followed by George Sipel. Both were able to be in the Junior N.A.'s. Bonnie Nickels won the womens with her mother and sister for crew.

On the first two weekends of August we sailed two regattas in the beautiful north country. Higgins Lake Yacht Club is on an island about one mile offshore. Everything is ferryed out to the island where the boats are morred in about two to three feet of water, making getting wet coming and going a must. However, the hospitality overcomes any problems. We sailed five races on Higgins Lakes' crystal clear water. A week later we moved farther north to Grand Traverse Bay for some big water sailing. Three races were sailed on Saturday back to back with gray skies. That night many Lightning sailors could be seen sampling the night life of Travrese City. A Sunday morning forecast of thunderstorms became a reality, letting those with a long drive home get an early start.

In the fall we have a Fall Series of four regattas with an overall winner of the series. The winner is chosen by the best of three regattas. Pontiac Yacht Club on Cass Lake hosts their Whitecap Regatta the first weekend after Labor Day. The Whitecap always has a large turn out of 35 or more boats meaning lots of competition. The week following, Devils Lake hosted their 44th Just-For-Fun-Regatta. Devils Lake has a large turnout from all over the Midwest. With a week off, unless you go to the Red Flannels, Gull Lake is the next one in the series. Gull Lake was windy and gray on Saturday and bright and sunny on Sunday adding up to a great weekend of sailing. The last but not least in the series is Lake Wawasee, Indiana which is always great fun. This was an unusual year for Wawasee because there was very light wind after three years of heavy wind. Colin Park won the series going away. GOOD SAILING, to Colin and crew! The Michigan District is very competitive and even more friendly. We can't say enough about Michigan hospitality. So come join us for some of the best sailing in the Midwest.

The 1987 season began in May with a pre Pam-Am Regatta in Michigan City, Indiana. An assortment of Midwest, Mississippi Valley and Michigan District Sailors came to challenge Canadian Pan-Am qualifier Peter Hall. The entry fee was excessive and the winds were not; each knot of wind cost \$30. In the few races completed, Peter Hall held off Ric Larson of Sheboygan for the win. Ric's performance was an indication of things to come.

Next stop on the tour was a new one: Fond du Lac, where Mike Elmergreen and friends are reviving the local fleet. The regatta was scored by Portsmouth ratings and the Lightnings came out on top. Larson won, followed by Doug Olson of Green Bay, Tryg Jacobson of Sheboygan, Elmo, a Rebel, various Force 5's, Flying Scots, etc. For 1988 the Lightnings may have their own start.

At the Evans, held at and on Green Bay the boats were challenged by huge rollers coming down the bay and a big rain on Sunday. Larson did it again, this time followed by Brian Phelan of Green Bay and Kevin Blair of Milwaykee

The P&T at Milwaukee also featured some wild weather. The wind Sunday built as the day progressed; some boats claimed to have seen

waterspouts. Bill Faude, who calls both Chicago and Milwaukee home, was leading the race and the regatta when the last race was cancelled at the last mark. As it was, Mr. Larson triumphed with Ron Blair of Chicago second, Faude third and Gene Matthews of Lake Geneva fourth.

Next were the Districts held for the first time at Manitowoc. The local Fleet did a great job running the regatta and Tom Phelan came down from Green Bay to help run the races. Friday's races were cancelled due to high winds and seas. With Saturday came light, variable winds and two races were held. Ric Larson won the opener and Mike Huffman of Chicago took the second. Hans Graf of Sheboygan (3,2) Dan Dressel (5,4) and Byron Roe of Milwaukee (7,7) all had good days.

Sunday saw two winds battling each other all day. Huffman won the third race and enjoyed a 3 pont lead over Larson going into the final race. This race saw many position changes and Larson won it. Huffman survived a tacking duel with Ronnie Blair to take the Championship by a point. Kevin Blair had two second place finishes Sunday and moved up to third, followed by Graf and Gene Matthews (4,4 on Sunday).

Sheboygan then hosted the Brotz. Hank Hodgson came over from Devil's Lake to win this one in two light air races.

Warm, sunny weather visited Chicago for the Red Flannels. John McCree of Bay City, Michigan showed the way Saturday with Gerry Paoli and John Walter second and third. McCree did it again Sunday and won the regatta going away, with Matt Burridge of Carlyle coming back for a second place finish and Dave Nickels of Fenton third. Dave Boucher and Ric Larson finished 4 and 5. Faude got the "aw nuts" award this year.

Final stop on the 1987 Circuit was the Polar Bear sailed on the Mississippi River at Davenport, Iowa. Mike Steffenson played host and won the regatta. Visitors Gene Matthews, Brian Phelan and local Ken Jensen finished 2, 3, and 4.

Clearly Mike Kuechle, Mary Reid and their skipper Eric Larson were the boat to beat this year. Great speed, good team work and smart moves put them near or at the top of every regatta they entered in 1987. They travelled outside the District, too; their strong finish at Devil's Lake is notable. Ric and his blue boat are the Lake Michigan Champions for 1987.

Other sailors, some of them not named here, also represented their District elsewhere. Bill Faude deserves mention for his enthusiasm in this area. Kudos also go to Chicago sailors Geary Gaspord, Dean Jacobson and Kirk Walter for their video production efforts.

Looking ahead to 1988, support of the revitalized Fleet at Fond du Lac is vital. The District must also consider switching the Championship to a 2 day format.

#### MISSISSIPPI VALLEY

District Commodore Lloyd Irish
District Vice Commodore Jim Ward

District Runner-Up Brad Currie
Junior Champion Glen Carr
Junior Runner-Up Bill Baxter, Jr.

Fleets: Decatur (74); Harbor Island (262); Carlyle Sailing Association (266); Memphis (274); Valley Sailing Association (486).

The founders of our district made the decision to schedule our District Championship in early June. The basic reason was to avoid the light winds of summer, when those high pressure areas have a habit of sitting down in the Mississippi Valley. Nobody's perfect!

When we arrived at Harbor Island on pre-race day, there was a beautiful 12 kt breeze from the N.W. On race day our loyal race directors, Jack and Betty Caldwell, gave the skippers their thorough briefing, including that no race would be started with winds under 4 kts. Need I say more! The first race was started and completed with total frustration with the exception of the early finishers. The second race was started in a fickle breeze that caused the course to be shortened, but didn't reduce time in "competition".

Thanks to the friendly power-type boats that towed us back to the Y.C., we entered the cocktail hour with anticipation of improving our attitudes. Thanks again, to the shore party, who served a delicious steak dinner, before our attitudes got out of hand.

The next day was a beautiful morning which was enjoyed by all, as the power-types towed us out to the racing area. The social hour began with rafting, swimming, and a sprinkling of wet objects thrown about.,

There was no social hour aboard the beautiful Baba 40, which served as our committee boat. Jack Caldwell stationed himself on the stern with a firm grip on the backstay. You didn't have to be at a distance to see his jaw set, his knuckles white around the backstay, and his dark eyes searching for

wind

It was almost as if he had the "force with him", as a south breeze worked it's way toward the fleet. The marks were soon set and before the wind could change it's mind a good solid race was completed.

The District winner was Robert "Lal" Burridge, who sailed a very consistant 1-1-3 under those adverse conditions. Brad Currie finished 2nd, Cully Ward, 3rd, Greg Florian, 4th, and Bill Hofmeister captured 5th.

The scene shifts to the Junior Championships held at Lake Carlyle, Illinois in late July. Lake Carlyle is known for its winds. Dennis and Reggie Heisler were generous enough to donate their new C & C 33 as the race committee boat.

The first race was started at 10:40 a.m. in a fresh 5 kt SE breeze. There were seven entries, two from the Memphis Fleet and the remainder from Carlyle. The first race was finished in exactly one hour. Bill Baxter, Jr., had a commanding lead over Glenn Carr and Rob Zerban, who finished second and third respectively. The next race was started back-to-back. The winds diminished and the race was finally terminated. Again the friendly powertypes appeared and towed the distraught sailors to shore for a 3 hour volleyball game. This culminated in a bar-b-que feast catered by Rob Zerban.

Early Sunday morning was foggy and little hope of anything but a lazy Sunday. The C & C 33 was positioned and seven young skippers and their crews drifted around demonstrating exuberance only youth can bring forth. What I'm trying to say is water fights, swimming, batting practice with tennis balls — you name it. Finally a breeze turned into a light wind which was enough to start the race. A good start sent all to the windward mark, but on the turn spinnakers went slack. The race was shortened to a 100 yard windward finish. Glenn Carr placed first, Falwell was 2nd, followed by Rob Zerban.

Our Junior Champion is Glenn Carr sailing out of Carlyle Sailing Association, Bill Baxter, Jr. from Memphis was second and last years champion Rob Zerban from Carlyle was third.

Congratulations to all our winners and thanks to those that worked so hard to make our district regattas so successful.

1987 Mississippi Valley Junior Championship winners: Glenn Carr, Bill Baxter, Jr., Rob Zerban.

intended) and won their own regatta. Seventeen boats participated including eight from the local fleet.

Next came the State of Maine Regatta, hosted by the Fosters, George and Bob, on Lake Androscoggin, which is about 30 miles inland from Augusta in the village of Wayne. The outstanding features of this event, besides the quaintness of the club, are the hospitality, the Saturday night steak fry and the Sunday morning brunch. Twelve boats competed, with Ray Harrington in first, George Dyett second and Alex Gemmell third.

Most fleets race at home over the Fourth of July weekend, which leads us to the Newburyport, MA, regatta, which provides an interesting combination of tides, currents and sea breezes. This year, the weatherman provided gale winds conditions. It was a real equipment and crew tester; if your mast didn't break you were a winner.

The New England Districts were held at the Mallets Bay Yacht Club on Lake Champlain, a class organization who did a first rate job sponsoring this championship. Thirty-two boats raced, with a noticeable increase in young competitors skippering boats.

The Spofford Yacht Club in Southwestern New Hampshire hosted the New England Junior Championship. Jason Gemmell with his sister Amy and Jennifer Mann bested the six boats competing.

Next was the Wellfleet regatta on Cape Cod which usually provides strong sea breezes and good racing.

Squam Lake on "Golden Pond" was to be the final tune up for the North Americans, however, perhaps most had their boats in dry dock preparing for the "N.A.'s".

September was a busy month with three regattas in southern New Hampshire. The Massabesic regatta was held in moderate to light conditions with intermittent rain showers that turned to torrential rains on Sunday. We did manage to get three races together with Ray Harrington again taking first with the Gemmells second and George Dyett of Massabasic third. The Dyett family was well represented on this regatta with three skippers and Shirley as crew in a fourth boat. Norm "Pappy Goose" Dyette is the old "pro", with sons George and Kenny each skippering their own boat. Kenny, a relatively new skipper, managed to win the third race for a fifth overall.

Bow Lake held a one day regatta hosted by Ned and Jeannie Hines. This

unfortunately competed with a regatta at Cedar Point, our neighbors to the south, which many of us like to attend.

The Spofford Regatta, held the last weekend in September, ends the New England season. We average about 30 boats from all around New England and central New York. Stuart Nickerson won the regatta which was sailed in southwesterly winds gusting to 25. It was tough sailing with a lot of knock down puffs and a few capsizes. The front passed through overnight and with typical high pressure settling into New England, there was no wind on Sunday. So, we had lunch, awarded the prizes and sent everyone packing for another year.

Lightning sailing is a growing participation sport in New England. We averaged 25-30 boats at our major regattas. We sent 12 boats to the North Americans this year. We had fun, we learned a lot and we improved, experiencing some measure of success... so we look forward with anticipation to next year.

#### **OHIO DISTRICT**

District Commodore	Phil Cornett
District Secretary	Bertie Werley
District Champion	
District Runner-Up	Matt Fisher

Fleets: Indiana Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Buckeye Lake (43); Rockey River (71); Mansfield (150); Atwood Lake (212); Cowan Lake (303); Hoover (353); St. Marys (400).

The Ohio District began its sailing season with the annual seminar held at Leatherlips Yacht Club. This year's seminar theme concentrated on "Starts and Tacking", with some very fine on-water demonstrations by the experts. The members of the Leatherlips Yacht Club always "go all-out" to put on a worthwhile program that fits the wide range of sailing skills of those in attendance. Our hats are off to the club for making it go, year after year, and donating funds to the Ohio District Newsletter. Pymatuning Yacht Club followed up the seminar with the first district regatta of the year on May 16th and 17th. Wind conditions were light, yet sailable, making "under-the-

tree" discussions a profitable additive to the weekend. New skippers to the lake got a good preview of what they would have in store at the district.

Ten boats showed for the St. Marys Boat Club's "Thundermug Regatta", a big light for that spring event, probably due to the conflict with the Michigan City extravaganza. In spite of that, all those who came enjoyed the big water and flat terrain, just perfect for sailing. Tom Varley & Company walked away with honors.

On the third week end in June, action shifted back to Leatherlips for the Windshift Regatta (certainly appropriately named). A lot of the old regu-

lars supported Leatherlips as usual.

Twenty six boats showed up at Pymatuning for our district regatta, and were surprised to find a dramatic difference in weather conditions from the spring. Threatening storms kept participants on shore most of the first day, yet we made up for it with plenty of excitement in the one race scheduled between "thunderboomers". Some of us managed to get in a swimming lesson or two during race time. At the conclusion of the three races scheduled on Sunday, Ed Werley won the Challengers' division, followed by John Collier, Vic Maras, Greg Maras, and Phil Cornett. George Fisher captured the Championship Division, followed by Matt Fisher, Matt Frymier, Dick Pugh, and Tom Varley. George's repeat of his 1964 feat was a real crowd pleaser. The Sportsmanship trophy went to Jake Rider; Best Finish, 1st Time At District to Ed Werley; and Best Junior finish to Matt Frymier. Results of the Harvest Moon, Snowball and Fall-In were not available at this writing.

I would like to thank John Werley for the leadership he has provided to the district for the past two years as Ohio Commodore. John's enthusiasm and sincere interest in the Lightning Class had helped bring our district back from the "brink". Over the course of the coming year, John will be working with other committee members trying to bring the North American Championships to the Ohio District.

As a testament to the fact that we have some very fine sailors in our district, Matt Fisher of Hoover Yacht Club was selected to represent the United States in the PAN AM Games in Michigan City. Our hearty congratulations to Matt and his crew for this rare honor.

Although most of the Fleets in the Pacific Northwest District actually start their season sometime in April or early May the real gathering of the Northwest Lightning Clan begins on Fern Ridge Reservoir near Eugene, Oregon on Memorial Day. This classic Regatta usually draws as many boats as the Districts and offers the best facilities of our entire circuit. It also offers some of the most interesting wind conditions imaginable and this year was no exception. For the first time in at least eleven years less than four races were sailed. Quite a few less than four, in fact. On Saturday one race was sailed. Immediately after the start Eric Lindahl took the lead. He was soon overtaken by Mark McBride, who was soon overtaken by Jerry Neuburger, who was soon overtaken by Bruce Deitz who was soon reovertaken by Eric, who was soon overtaken by Dave Hickman, who was soon re-overtaken by Bruce, who was over taken by John DeBenedetti, who was overtaken by Philip Parshley, who finally won. On Sunday we sat around the club grounds until the early afternoon when the Lightnings took to the water for some rabbit starts. When the wind finally came in around 3 o'clock the Race Committee cancelled the remainder of the races declaring it a one race regatta.

The Vancouver Lake Sailing Club Regatta was a great success this year, especially under the trying conditions of low water in the lake. Contrary to past years there were many other boats on the lake, sailing in a very confined space. The regatta was sailed with a large Laser fleet, several of whom did know how to sail, and several of whom didn't. Alan Hunt and Ken Dunkelberg duked it out in the heavy air with the win going to Alan on the tie breaker.

Tide is an important factor to consider when sailing on English Bay in

Vancouver B.C., one of the most beautiful cities on the west coat. In one race, Father Lightning (John DeBenedetti) was the only boat to cross the starting line within 15 minutes of the starting gun, but the tide on the left side of the course where he sailed was actually stronger than at the starting line so he ended up within 2 boat lengths of the second boat to cross the line. Alan Hunt is making a habit out of wining this regatta: he won it again this year as he did last year. The final Circuit Regatta of the year is sailed in Seattle. This Regatta has traditionally been dead calm or a twenty knot plus blowout. This year we sailed in absolutely perfect conditions: sunny skies, 15 knots, and little current. Due to an excellent job by the Race Committee, seven races were sailed in two days. Bruce Deitz sailed hard to win this one followed by Phil Parshley, Sr. who skippered for the first time in several years.

In the Northwest District there are two major trophies sought after: the District Championship and the Circuit Trophy. The Circuit Trophy is awarded to the skipper who does the best in at least three of the seven circuit regatta. This year Alan Hunt won the Circuit Trophy handily with wins at Vancouver Lake and Kitsilano.

#### ST. LAWRENCE VALLEY DISTRICT

District Commodore	. Russ Scrim
District Secretary	Tony McBride
District Measurer	Bill Layton
District Champion	
District Runner-Up	

Fleets: The Royal St. Lawrence Yacht Club (215); Pointe Claire Yacht Club (499).

The Saint Lawrence Valley District enjoyed one of the best sailing seasons in years. Sunshine and fair winds prevailed. On the racing scene, it was a quiet year, as compared to 1986 when we hosted the North American and Canadian championships. But that didn't keep a number of our sailors from competing actively and successfully in many major competitions.

Three boats travelled from the frozen north to the warm and inviting south to compete on the Southern Circuit. Social activities aside, the journey was not for naught. At St. Petersburg, Peter Hall with Alain Boucher and Scott Morgan crewing finished ninth, while Eddy Martin, Jay

Mann and Perry Owen were eighth. The trip to Miami from St. Pete was an eye opener. First, we traversed what has to be the highest bridge in the world. Next, there was lunch on the beach at Sarasota with time for a dig in the Gulf and a crash course in bikini appreciation. Finally, we ogled the alligators along the Tamiami Trail before we moved on to the beautiful Coconut Grove Yacht Club. The weather and winds on Biscayne Bay were excellent and Eddy and Peter again did very well. This time Eddy was fourth, while Peter finished tenth.

Back at home, training for the Pan Am Games and the "Worlds" began on Easter weekend. Fortunately the ice had gone out about two weeks before. The training was intensive. It included travelling every weekend to pace against the class' best on the east coast and in up-state New York. But the hard work paid off. Eddy and crew copped second at the "Worlds" while Peter Hall gained the same spot at the Pan Am Games. It's clear our district has some pretty competitive sailors.

The District Championship was hosted this year by Pointe Claire Yacht Club (Fleet 499) on the weekend of July 4th & 5th. Saturday's strong westerly winds brought eight boats to the starting line. Peter Hall proved unbeatable all day but there was some tight racing between Dave Browne, Russ Scrim, Bill Layton and Tony McBride. Sunday the winds were light and southerly. Again Peter dominated. Bill Layton squeezed out Tony McBride for second. Tony was third and Russ finished fourth. Tim Harris came on to finish fifth.

For the "Canadian Open," hosted this year by the Boulevard Club of Toronto, five boats travelled down the 401 to compete. Again our district fared well with some familiar names appearing at the top of the results. Peter Hall came first with Eddy Martin chasing him, finishing second. Our District Commodore and Great Leader, Russ Scrim, didn't go home empty handed. He'll be spending the winter polishing the Corby trophy which he won for finishing — exactly mid-fleet.

It's October when this is being written and already planning for 1988 is underway. The Royal St. Lawrence Yacht Club (Fleet 215) will host the "Canadian Open" to mark the club's one hundredth anniversary. Work to build our existing fleets and to add to them will continue. To attract sailors and to boost participation in our events a number of things are being discussed including, crew and newcomer races, team racing and increased inter-club racing. 1988 will be the best year ever for our district. Don't miss out, participate!

Fleets: Savannah (127); Clark Hill (257); Lake Lanier (348); Catawba (365); Lake Hartwell (391); Triad (415); Greater Charleston (429); Palmetto (440); Waccamaw (463); Wake (481); Tennessee Valley (500).

The 1987 Southeastern District circuit started off with a bang at the Augusta Sailing Club in April. Sixteen boats showed up for a heavy air regatta that provided plenty of thrills for us light air, inland lake sailors. Bob Harkrider ran off with the accolades, finishing with five firsts.

At the 1986 district annual meeting we elected to have a five race format for those regattas which included only Lightnings. Unfortunately, the light air in the Southeast usually precludes five races but we will continue this format in the future.

The High Rock Regatta brought the 15 participating boats and very light air, but we were able to get in four and a half races; only three boats finished within the time limit for the last race. Once again, Bob Harkrider collected the top silver.

Only six boats showed up for the light air in the Western Carolina Open Regatta as this regatta conflicted with several club activities in our district. Bill Sloger was the winner in a come from behind effort.

At Lake Murray 13 Lightnings teamed up with a large group of Thistles for the always fun, annual event. Again the air was light and Bob Harkrider demonstrated his proven light air techniques and won the top honors.

Our District Championship Regatta was held at the quaint little fishing village of Oriental, NC, located on Pamlico Sound. The regatta was sponsored by the Raleigh fleet who did an excellent job. We were only able to get in four races due to inclement weather but those four races provided lots of excitement for all. The winds weer 15-20 mph and the seas 2-3 feet and there was plenty of planing and surfing for the 19 participating boats. Lenny Krawcheck reasserted his dominance in the Southeastern District by taking four firsts to win the regatta.

Beaufort, SC, provided its usual problems of tides, current and sandbars but without the usual amount of wind. Starting against the tidal current in light air made for some riotous situations. Arthur Levin showed how local knowledge combined with good technique can win a regatta.

After a six week mid-summer layoff to avoid the heat and lack of wind, 11 Lightnings convened at Charleston to race in the South Atlantic Yacht Racing Association's championship. A coastal high pressure system brought fairly light air but the local knowledge of Lenny Krawcheck allowed him to negotiate the air and tides well enough to win the regatta.

At Waccamaw the North Carolina boats turned out in force to provide a fun 19 boat regatta. Krawcheck and Harkrider battled it out for the top spot with Krawcheck nosing out Harkrider.

The Columbia Sailing Club provided such light air that 11 Lightnings and 20-some Y-Flyers were only able to get in two races. After postponing the first race so long that the race committee had to go to the clubhouse and bring the beer keg out on the water, the wind filled in enough to start what looked to be a reasonable race. However, it died quickly and resulted in ghosting conditions. Krawcheck took home the silver once again.

Our final regatta was the Atlanta Cup held in October. For the third straight year the wind blew hard, real hard. This year a hand-held anemometer clocked it at a steady 29 gusting to 35. Two tough heavy air races on Saturday made for a quiet evening for tired sailors, but Sunday was much more genteel with light, shifty breezes. Bob Wardwell invaded the Southeastern District and won the regatta for the second year in a row.

Ten boats qualified for the season championship: Lenny Krawcheck, Bob Harkrider, Clay Rumble, Bennie Moultrie, Jeff Annis, John Pelosi, Bob Shingler, Gil Klemann, Carl Muska and Bob Wilkins.

A new fleet was chartered last year in Knoxville, TN, and this fleet will sponsor a regatta in 1988 which will be added to the Southeastern district schedule. Welcome to the district, Knoxville sailors!

At the 1987 annual meeting, David Sears was elected Commodore and Clay Rumble repeats as Secretary/Treasurer. Also, at the meeting we resolved to hold informal, instructional meetings next year after each Saturday's racing. These meetings will be conducted by that day's winners and they will discuss briefly the tactics, strategies and boat tuning which allowed them to win that day. Those of us not regularly finishing in the top two look forward to these sessions

Although our sailing season has only been over for two weeks now, life seems a little empty and we are already looking forward to next season. Come join us at any of our Southeastern district regattas.

District Commodore	Gilbert Despland
District Vice Commodore	Jacques Perret
District Secretaries	Kathi Herzog/Res Hofer
District Treasurer	Margrit Brugger
	Urs Wyler, Oscar Weber
District Champion	Urs Wyler

Fleets: Lac de Neuchatel (169); Zurichsee (219); Sempachersee/Hall-wilersee (250); Greifensee (309); Murtensee (358).

Five marvelous races with four Swiss teams again made Marsala an unforgettable event. The Italian crew Messina sailed strong and beat our best team Schmid/Hofer/Knopfli with a slim advantage of 0,3 points. Plenty of head wind gave us some problems putting the boats in the water and sailing free of the shallow waters and rocky coast. Italian hospitality was, as usual, at its best.

The traditional eight-boat-participation continued in 1987. We sailed at Hallwil, Sempach and Murten, light winds prevailing. Urs Wyler our District Champ showed us his stern most of the time. Nobody was around to beat him.

"Nobody" emerged at the Europeans in Numana calling himself Attina. After six tough races in tricky wind conditions and plenty of current the Italian crew of Attina/Rallo/Spano were 5 points ahead of our Swiss crew Wyler/Gasser/Stauffer. Third was Vitaggio with our teams Perret and Schmid finishing 5th and 6th. Spicy Italian pasta and red wine was served free of charge to all crews upon returning to the harbour. The rush to the pasta stand was at least as ferocious as the action on the race course.

Fallanden on the idyllic Greifensee marks the beginning of fall. Despite a poor weather forecast the northerly "bise" set in and allowed 3 races, this time with Chris Luthy first, ahead of Wyler and Schmid.

Our Fondue-Regatta, which is the final event of the season, was extended by one day to count as District Championship. The local "Joran"-wind privileged the native crew of De Cerjat, who won both races on Friday. Saturday saw no wind at all, whereas on Sunday the familiar strong "Bise" with force 6 enabled us to sail two beautiful races with Schar and Schmid winning ahead of Wyler. The final count set Wyler in front of Schar and De Cerjat.

On Saturday evening we had our district meeting with some "Old Salts" like Ruedi Herzog and Hans Luthy attending. Our district got a new management. Gilbert Despland will take over the helm as District Commodore, assisted by Jacques Perret. Good luck to them! The fondue was as delicious as ever and plenty of Neuchatel white wine represented the wet element which is all we sailors need.

#### TEXAS DISTRICT

District Commodore	. John B. Waskom, III
District Measurer	Dr. Sylvan Newman
District Champion	Warren Lewis
District Runner-Up	

Fleets: Dallas Corinthian (35); Rush Creek Yacht Club (435).

It was good to see past ILCA President George Hatfield get his touch back and win the Thanksgiving Regatta at Rush Creek Yacht Club last fall as reported in the Winter *Flashes*.

Both fleets held their regular races on a split season basis as reported before. In addition, our sailors participated in the Hernando DeSoto Regatta in Mississippi, Holiday in Dixie Regatta in Shreveport, Indian Summer Regatta at Chandlers Landing Y.C., the Centerboard Regatta at Rush Creek Y.C. and the State Fair Regatta at White Rock Lake.

Fleet 435 and the rest of us hated to see Gil Mercier and Sandy move back to Canada as we lost an enthusiastic sailor and a District Secretary, but he did take his Lightning back with them and we hope to get word that he is active there. 435 has a new member in Bill Keating to help keep their number up.

Fleet 35 lost one member this year but has added three new members and two new boats to bring their total to 19 boats.

To J. C. Penney employees and other sailors moving to Dallas: DON'T SELL YOUR LIGHTNING. We have heard of two sailors who sold their boats before moving. Do as Rodger Parks did and check your Yearbook as we have two fleets here. Rodger brought his boat with him from St. Louis and will be joining one of our fleets shortly.

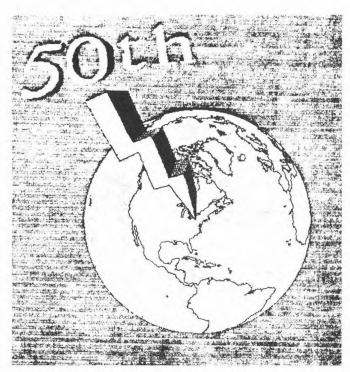

The Fleet Secretaries will be reporting on the awards and activities of each fleet in more detail.

50th Anniversary fever is catching. Your host, Fleet I in Skaneateles has had its best season in years. There are more boats in the fleet — Libby and Geoff Wing's Wing II made just about every regatta in the Central New York District, and Sara Hueber and Bill Collins made the circuit in Sara's family boat, Roamin' with Brohmann II. Bill Collins has just purchased Moon Shadow and the Skaneateles Country Club purchased a Lightning for the Junior Sailing Program. The head sailing instructors at the club, the three Johns — Henry, Carnes and Hayes, also made many District regattas and are planning to continue competing in the club boat next summer.

The District Championship Regatta was held at the Skaneateles Country Club in July drawing 32 boats, again the largest number in years — no doubt because of the interest in the 50th — some wanted to try a "wet" run.

"All roads lead to Skaneateles" for the 50th Anniversary Lightning Regatta. You won't want to miss it! Make your reservations now if you haven't already done so.

# BAY HEAD YACHT CLUB (3) Central Atlantic District Sailing on Barnegat Bay, Bay Head, New Jersey

Fleet Captain Robert Adams and Fleet Secretary Robert O'Brien are pleased to welcome new member Mike Byrne and his boat 8952.

The club Lightning 11569 received several good workouts this year in the hands of junior sailors. The Bay Head Yacht Club junior program has approximately 70 children in it and this bodes well, we hope, for the future of Lightning sailing. Unfortunately, no Bay Head Lightnings competed this year, as most of the Lightning fleet skippers have converted to 18' Marshall Sanderling catboats which are more kind to aging skippers and require no experienced crew.

It is the hope of the Fleet officers that Lightning sailing will re-emerge next year which is the 100th anniversary of the Bay Head Yacht Club and the 50th anniversary of the Lightning Class Association. Former Lightning sailor Joseph F. Van Horn and Robert O'Brien will attempt over the winter months to revive Lightning 10, reported to be the protype Lightning, so that it can attend the festivities at Skaneateles next year.

It has been a very successful year here in Chicago. Our fleet is growing and it seems as if more people are coming to their senses and discovering what a great boat and Association we have. Some new members of our fleet are Garth Gustafson, Ed Willse and Darrell Medcalf. Welcome!

We have three series here. Our Corinthian series was won by Bill Wynn (14065); second was Steve Brugge (10930). The Fleet Championship Series was won by John Walter (11507) and followed by Ed Willse (13976), Dick Hinze (11446), Bill Wynn and Tom Hennessy (10443). Our Summer Series was won by John Walter followed by Bill Wynn, Tom Hennessy and Dick Hinze. Congratulations!

We had a great time at our annual Red Flannels Regatta. Once again, we were honored by the attendance of some of the finest sailors in the Midwest. The weather was great overall but did provide its share of surprises. We all had a chance to roll the dice because of variable winds, but as usual, the cream naturally rises to the top and the winners were John McCree, Matt Burridge, Dave Nickels, Dave Boucher and Ric Larson in that order. Thanks to all of you for coming, and a special thanks to Mike Huffman and John Walter for putting it all together.

In terms of the national and international racing, Mike Huffman represented our club in the "Worlds" and finished 15th. Karen Johnson sailed in the Women's Nationals. We appreciate their efforts and love for the sport. Well, have a great winter, all, and see you in the spring.

The 1987 sailing season started slowly, then finished with a bang! The rebirth of Fleet 9 brought back many memories and new enthusiasm for the Crescent Yacht Club. We ended up the season with six active boats and prospects look good for a fleet of 12-15 for next year.

John Northrop won our Sunday Series with Carl Ahlheim a close second. The Labor Day Series was won by John Northrop followed by Brad White second, and Carl Ahlheim third. Our last race at CYC this year was our Past Commodore's Cup Race. This is an all-boats race and the Lightnings proved themselves VERY FAST! Mark Ahlheim took first, John Condino second, and Roger White third.

In late September we travelled to Navy Point in Sackets Harbor for a one day regatta. Lightnings from Oswego, Henderson Harbor, T.I. Park and CYC competed. Art Tirrell, Oswego, was first, John Treadwell, Henderson Harbor, second and Brad White, CYC, third.

Next season has plans for more one-day racing with fleets from this end of the lake participating. We also hope to hold a regatta at CYC and to meet friends from our district.

Once again Fleet 12 enjoyed a very successful summer. We received tremendous support and cooperation from everyone. Even Mother Nature did her part. She provided us with a terrific summer filled with warm, sunny, windy days.

As a result of Fleet Captain Ed Roseberry's continued hard work and fleet promotion, this years level of participation was greatly increased. The highlight of the club racing schedule was the Fleet 12 Championships. This year we had an 18 boat fleet which was the largest fleet we have had in several years. The competition was intense as most skippers and their crews

were tuning up for the coming "North Americans". Mark Bryant emerged victorious with David Stark, second, and Tom Allen, Jr., third. We thank everyone for supporting and participating in the club racing program this summer.

The Lake Erie Districts were held at Chautauqua Lake Yacht Club. The Buffalo Canoe Club sailors faired very well in this tough qualifying series. Larry MacDonald won and Mark Bryant was second. The enthusiastic junior sailors assembled eight skippers and crews to participate in the Junior Districts. Ned Roseberry with his crew of Matt Sanders and Lance Kinerk won with strong performances shown by all boats.

The highlight of the summer was the North American Championships. One hundred Lightning skippers and their crews assembled for a week of windy and wavy sailing on Lake Erie. The conditions provided a challenge for many, but, they were just what Larry MacDonald and his crew of Ian Jones and Trevor Born ordered. They sailed a flawless series and were crowned the 1987 North American Lightning Champions. In addition, Fleet 12 had several others who finished in the top ten. Tom Allen, Jr. was fifth, Mary Bryant was seventh and Jody Swanson was tenth.

Another outstanding series was sailed by one of our Junior members. David Stark with his two brothers Jim and Tom won the Junior North American Championships. Paul Donovan and Ned Roseberry also sailed very well as did the numerous other BCC juniors. For many it was their first major sailing event.

Thanks to Dick Ferrick the regatta chairman, his various committees, and the Buffalo Canoe Club members for making the "North Americans" a very successful regatta.

Due to the help and guidance of Jody Swanson, the Junior Sailing Program Director, the Junior Program also had a very successful season. She fostered an eager group of juniors who in addition to competing in the various Lightning events, participated in the Sear's and Bemis Cups. Ned Roseberry with his crew of Gretchen Jehle and Tom Stark qualified to sail in the Sear's Cup finals. These juniors would like to extend a special thank you to everyone who donated either merchandise or services and to those who bought raffle tickets to support the Junior Club's New Boat Fund.

See everyone next summer. Happy skiing!

In the Poconos of north east Pennsylvania, Lake Wallenpaupack is known as the Big Lake. It is, in fact, the biggest lake in Pennsylvania, 13 miles long with 52 miles of shoreline, and it's a beautiful place to sail.

The lake is owned and controlled by the Pennsylvania Power & Light Co. and used as a power source. As a consequence, the level of the lake starts out at about 1200 feet elevation in the Spring and continues to descend as the summer progresses. Therefore, all docks are afloat and are periodically moved out as the water level is lowered. Our Lightnings are launched from a hoist on to a dolly which is on a railroad track and the dolly and boat are lowered into the lake by winch — and taken out by reversing the process.

A misty September morning on Lake Wallenpaupack: In front of the Lightning a pontoon boat, a favorite type of Race Committee boat.

Jib mark at LWYC Fall Regatta.

Well, this year the sailing featured light air. The Schneider dynasty held fast, but the son, Mark, took first place; and the father, Franz, took second for the season; third place went to George Madel; fourth, Joe Feyder; and fifth, Stan Moldawsky.

Fleet championships in Fleet 16 run in dynasties. There was the Hank Fretz Dynasty, the John Rowley Dynasty and most recently, the Franz Schneider Dynasty. Last year, son Mark Schneider, a persistent runner up for years, took the fleet championship — and he did it again this past year, 1987. So the Franz Schneider dynasty seems to be ending; Franz was the runner up. So, it's still a Schneider Dynasty at Lake Wallenpaupack but with a difference. It's son Mark this time.

Mark Schneider is our local "phenom," and he has demonstrated his racing form in the Districts and Nationals. We have great expectations of Mark

As for the Stan Moldawsky — Joe Mark rivalry, Stan beat Joe this year, but Joe Mark won the Cold Duck regatta. Franz Schneider, although runner-up, took off with the much coveted big silver bowl, the Miller Trophy.

One of the great sentimental touches for this season goes to the Franz Schneider clan for creating the Lorimer Brown Memorial Trophy. It is a beautiful silver bowl, a perpetual trophy, that goes to the winner of the crew races each year. Last year it was won by Scott Brown, and being a Brown, it was most appropriate that his name went first. This year it was awarded to Cathy Schneider, and presented by Mrs. Lorimer (Mickey) Brown.

The Fall Regatta attracted 18 boats, and five races were completed under wet and grey September skies. Everyone wore foul weather gear throughout the weekend. Our local champion, Mark Schneider, was the winner. He fought off Leland Atkinson (2nd) and Dick Hallagan (3rd) — both of whom hail from Newport — fourth was Clay Murphy from Syracuse; fifth, Franz Schneider.

Fleet 16 put up most of the guests in their homes, and Cindy and Mark Schneider sponsored a great feast featuring steaks and ice cream. A three piece jazz orchestra led the festivities with our own Stan Moldawsky on the ivories while Mike Piedmont and Joe Mark accompanied on the banjo and

So ended the 1987 season at Lake Wallenpaupack.

Fleet 17 boats are having the oldest Lightning skippers in the class. The three veterans, averaging 65 years of age, never missed a race and, between them, have won ten of the last twelve fleet championships.

Ralph Sperry, whose son won three championships in the 1960s, won both series. Vaughan Lee was second in the first series and Jim Nelson runner-up in the second. The competition was close as both Sperry and Lee won six races, the latter winning the first three and the last two while Sperry picked up points in mid-season. Nelson and Lee tied in the second series, the former winning on a tie-breaker formula. The decisive race in the first series was one in which Lee and Sperry got lost in the fog. While the rest of the boats were flying spinnakers, Sperry was covering Lee far off the course.

The Lightning sailors also enjoy their social life. In addition to the post-race round table, they took a trip on an excursion boat on which Nelson was announced as that day's winner to loud applause, and they spearheaded a party for the Penn-Yale football game.

We welcome Charles LeMieux and Andy Nelson to the fleet and hope that Ken Anderson, who was a stalwart crew for the victor, comes up with a new boat next year.

Where did the summer go? By the time we got through the Cornball, the Districts and the North Americans, it was Labor Day.

Todd Jones of the Silver Lake Y.C., won the 23rd Annual Cornball, moving up from second place in last year's event. Jim Neville, of Chautauqua Y.C., a four-time winner in past years, captured second with the help of Bob Scanlon and Gordon Black. Doug Heussler, a 1984 winner came up from Annapolis, MD., to take third. Wife Barb, a former Chautauqua sailor, was his tactician.

At the Gambler's Auction, Judy Walker won the dubious honor of making the highest bid for the surprise package, which turned out to be a can of Pepsi.

At the District Championships, Larry MacDonald was clearly number one with a low score of 18¼ points. Mark Bryant, a past winner won second place with 31¼ points to edge out Peter Humphrey at 33 points. Jim Allen was fourth at 38½ points and Peter Bone came in fifth at 42.

Susan MacDonald Rogers, Larry's little sister, took no chances in the Women's division. She nailed down the Championship with five firsts. The local fans were particularly delighted when Amy Beisel of the Lakewood club beat out Kathy Taylor of the Niagara Sailing Club for second place. Not bad, when you consider that this is her first year sailing.

Ned Roseberry, with four firsts and a third, left no doubt about who was the Junior District Champ. He beat out Paul Donovan and Greg Millar respectively. All are from the Buffalo Canoe Club.

We were all pleased at the Awards Banquet when Jim McDonnell was awarded the Sheldon Trophy for outstanding service to the Chautauqua Lake Yacht Club.

Once again the sailing season was blessed by cooperative winds. Nearly every race was sailed under ideal wind conditions.

Competition for first place was fierce in the first series of races. First place was won by John Collier with Pete Hagar a close second.

The second series was negated by too few boats in competition. Overall Fleet Champion was John Collier.

John Collier, with wife Nadine as crew, took part in the district competition and performed quite well in bringing home a ninth place. Congratulations to both

In ashore activities, Fleet 23 sponsored a club-wide Hawaiian Luau featuring roast pig. Over 95 members and friends were treated to an evening of good food and south-seas atmosphere including grass skirts and lessons in hula dancing.

Looking ahead to next year, Fleet 23 will be targeting its membership for activities which will bring more racing sailors into competition.

We also had a Lightning R-Day (Rig/Race/Re-Rig/Round the marks/Raise the Spinnaker/Really have Fun) early in May for our fleet members and crews.

In June, our Windshift Regatta came off well with Matt Fisher taking 1st place; Carl Clipp, 2nd; and Dick Pugh, 3rd. They were presented with some great trophies, compliments of Carl and Charita, with some help from Bucky on the frames. The Varley's B.Q. chicken dinner was a success with the help of all the Howalds and the Jungjohanns, who have been a great

addition to our fleet this year.

On the regatta circuit this year we had Paul Howald, Carl Clipp, Tom Jungjohann, and Tom Varley attending several, with Tom V. winning two and taking the Ohio Governors Cup for the season. Carl and Tom V. also attended the Ohio Districts both doing fairly well. And Tom V. traveled to the "North Americans" in Buffalo.

We ended our year with our annual clam bake hosted by Jackie and Tom Jungjohann, where we all stuffed ourselves with good food.

Congratulations to the Fairchilds who were busy adding another new little addition to our fleet this year. And thanks to Lisa Howald for being our fleet typist. See all of you in the spring.

The 1987 season was kicked off with a barbecue and party hosted by Fleet Captain Rich Miner. The party had a good turn out and a good time was had by all. During the first two weekends of sailing we had great winds, but after that the wind systems failed us, and we received light and fluky winds most of the rest of the season.

Bob Graham, our perennial Fleet Champion, was not deterred by either strong winds or light winds from winning the Spring and Summer Series and the Fleet Championship again. Rich Miner gave Bob some battles, coming in second in the Spring Series, first in the Fall and second overall. Larry Kenny also made some strong showings, coming in second in the Summer and Fall Series and third in the Spring. Perry Anderson, John Kindschi and Tom Bierman also put in good races during the season. Perry finished third in the Summer and fourth in the Spring Series. John finished third in the Fall and fourth in the Summer Series.

The Lightning Fleet dominated the Gabor and the Marine Base All-Lake Regattas. Bob Graham swept the Gabor Cup with two first place finishes. Rich Miner was second and Larry Kenny third. In the Marine Base Regatta, Tom Bierman and Rich Miner each won one race with Rich winning the Regatta on the time differential.

Bob Graham and Rich Miner sailed in the Metropolitan Districts Regatta which was sailed at Nyack on the Hudson. The winds were very light and the current was very strong, so that the best time was had at the

Rich Miner made his usual series of trips off the lake. Most notably he took first place at the Magnus Pederson at Nyack on May 30 over a strong 24-boat field. He also came in third at the Sutherland Regatta at Minisceongo on June 6 and won the Whiskerpole Regatta, the first leg of the Short Circuit, at Greenwood Lake on September 12 over some solid competitors.

The Lake Mohawk Lightning Fleet hosted its Open Regatta, which is also the second leg of the Short Circuit, on September 26 in strong Southwest winds that blew without let up all day. Although the turnout was light, everyone had quite a workout in the heavy winds. Over the lunch break and after the races, there were a lot of tired sailors. Everyone was glad to head to the cocktail party and dinner. During the races, although the lead changed several times in some fast and furious sailing, Bob Graham was always in the lead at the finish line to sweep the Regatta. Rich Miner was second and Larry Kenny was third. Ron Wulff and Dea Sengstacken of Greenwood Lake were fourth and fifth. Each recieved a large, beautiful, silver brandy snifter and everyone enjoyed themselves.

Rich Miner went down to Red Bank, New Jersey for the Fall Has Fell Regatta, which is the third leg of the Short Circuit. Three races were sailed in Northwest winds and Rich came in fifth in the regatta and first in the Short Circuit. Mario Pelletier and George Daher bought a Lightning together and joined the fleet near the end of the season. We hope they will be major participants in the fleet next year. Terry Theiss transferred to Dallas and towed his Lightning down there with him. We all wish Terry and Pat good times and good sailing in Texas. As we start getting ready for winter, we are already looking forward to a good turnout next year and are all hoping for more wind and more sailing.

Fleet 31 had a very successful season again in 1987. The weather was excellent for almost every race. New boats and new skippers provided excitement even at the back of the fleet. One crew decided to wear bullseye targets after being "bumped" twice in two weeks.

The Sunday Series consisted of 37 races from May to August. Two or three short races were sailed each Sunday and several of these included running legs for more practice in running under chutes. Chris Tibbs and crew were again our faithful Race Committee this year and Chris also provided the computer scoring, an important element in fleet interest. When it was all over, Danny Norton, one of our fine younger sailers, walked away with the Fleet Championship by winning early and often. Merrill Bales sailed very consistently and placed second in the final standings followed by Jack Tibbs and Jeff Maludy. All of these skippers sailed all but a few of the 37 races and, in fact, we averaged over ten boats on the line all season long.

Fleet 31 had many other events during 1987. Dan Norton won the Memorial Day Series, Hank Hodgson the 4th of July Series, and Dick Elwell the Stay-at-Home Series. Dan came back to win the night race and Jeff Clemes won the Round-the-Lake race in almost no air. Hank Hodgson won the Labor Day Series.

On August 9th, Fleet 31 hosted a 46th reunion for all former skippers. This event, organized by active member Bill Nouffer, was a great success. 65 former sailors and crew attended this event to renew acquaintances and trade stories. A short race using donated boats, a keg of beer, and a chicken barbeque insured that this event was a great success.

The 44th Annual Regatta was sailed September 19-20 in good weather; Saturday in light air and Sunday, at the "north end" in heavier conditions. Hank Hodgson sailed consistantly on both days to finish first, Colin Park was second, and Bruce Goldsmith, third.

Come join us on September 17-18 for our 45th "This Ones For Fun" Regatta, it's the best in the Midwest.

Fleet 35 enjoyed a growth year in 1987 with the addition of three new Fleet members and increased participation in the racing program. With an eleven boat start during the Summer Series, Ignatius was stuck with being the unlucky Fleet Captain having to fulfill the long standing challenge of providing beer for the entire Fleet if the unlikely event of a ten boat start should ever occur. Needless to say, all present were pleased at the level of participation enjoyed by the race program and certainly by the free beer.

The Summer Championship Series was marked by exceedingly cooperative weather this year which added to a very competitive environment with places swapping week to week. Once again, however, Ralph Bilnoski finished strongly in the last month to again capture the Fleet Championship. Ralph's fortunes have changed somewhat in the Fall Series, and with only several races to go at the time of this writing, Ignatius Urbanek is virtually sailing away with the event.

This year for the first time in many, some members of Fleet 35 took to the road in search of new competition. Four skippers and two boats travelled to the Holiday In Dixie Regatta in Shreveport. No one managed to bring home any silver, but a good time was had by all. Perhaps next year we can provide as many boats as skippers which should eliminate a lot of confusion on the foredeck.

1987 marked the fiftieth anniversary of Pymatuning Yacht Club. Special recognition was given to long-time Lightning sailors, Verna and Horace Yates, who are charter members of PYC. They have been champions of sailing in the true sense of the word; thus, the Yates were the recipients of the PYC Corintian Trophy in 1987.

The Spring Series was won by persistent Jack Borland, followed by John Werley and Tim Borland. John Werley won the Saturday and the Sunday Series with Jack Borland finishing second in both series as well. Third place on Saturday went to Tim Borland and third place on Sunday was snared away by Matt Frymier.

The Oho Districts were held at PYC this summer. They will be remembered for one of the best planing rides on the lake for a long time. To make this districts more memoriable, George Fisher regained the Ohio District's Championship. "Still crazy after all these years!" Matt Fishes was second with PYC's Matt Frymier third. Other PYC boats finished as follows: sixth, John Werley; seventh, Ed Werley, tenth, Vic Maras.

The Fourth of July Regatta was courageously won by Don Courtsal. Don was able to take the Watson Krutch Trophy and add his name to the many greats who have gone before. Second place was won by Matt Frymier with John Werley finishing third. While Rob and Addy Ruhlman with crew, Greg Maras, and Matt Frymier and his crew shuffled off to Buffalo for the "NA's," the Stay at Home Series was captured by Don Courtsal. Jack Borland continued to place in the money with a second. Ralph Meacham has a third place trophy to proudly put on display. The Fall Series honors went to John Werley, first, Jack Borland, second, and Ed Werley, third.

The final count was made for the Fleet Championship. First place was won by John Werley who doesn't really need a new boat. Second place was won by Jack Borland who was out "there" no matter what. Third place was won by Ed Werley who did a fine job with his new sails. Fourth place went to Tim Borland who did an admirable job sailing "Class Action".

If Fleet 36 can keep Rob from breaking bones on the baseball diamond, Bob from discovering new ailments in India, Margaret away from boat trailers, Bill from building any new homes, Vic from painting boats in June, and Jerry off the golf course, we'll have a very exciting season in '88! Congratulations go to Jonette Maras and David Werley who will be united in marriage in March, thus joining two Lightning families.

1987 was a very active season for the Chelsea Fleet. We completed four series of races, hosted two regattas, and sent Chelsea Sailors to compete at other Clubs and Districts. We have also continued the growth that we have seen for the last three seasons. We added two more boats to our group, Rob Denholtz and Paul McCann. Richard Owen, who intends to purchase a Lightning, is on the waiting list to join in 1988.

We started off the season without any wind, forcing a postponement of the first two races in our first series. On the following weekend, the wind returned until the end of May when we attempted to resail the first two races. Again we had to cancel. The light winds stayed with us through the Chelsea Open. We should learn our lesson and not try to resail no wind races. We finally completed the first series on the last race of the season. Don Williams won the last race and established himself as the winner for the A series. The other three series went off as scheduled, all won by Michael Pike, giving him the Fleet Championship.

The Chelsea Open was one of those no wind at all weekends. We had a good turnout, but on Saturday, all we could do was swim, eat dinner, and enjoy the party. Sunday started off with a teaser of a breeze which lasted only long enough to get our boats to the starting line. After being at anchor for two hours, the wind made another pass through the Valley just long enough to complete a shortened course. The Williams' drifted across the line first followed by Bill Muth and Michael Pike. Unfortunately there was plenty of fun to be had on shore.

The Annual Last Blast Regatta was a great success. We managed to complete three races, a good lunch, and a great dinner. Keeping with the Last Blast tradition, every one went home with a trophy. Rob Denholtz and his crew won the Escargot Award, while last year's Escargot Winner, Gerry Cavagnol moved up to the "NFL" Award. Bill Cook, our District Commodore, won the Middle of the Fleet Trophy. Fifth and fourth places went to Chelsea Sailors Paul McCann and Bill Muth. Third and second went to Ellisa Hall and Gary Hurban, both from Nyack. First was captured by Michael Pike from Chelsea.

SILVER LAKE: TOO SMALL — TOO LITTLE WIND — TOO MUCH WIND — TOO FLUKY — but after 45 years of Lightning racing we are still a strong fleet, and happy to be part of the ILCA 50th!

Our skippers and crews have sailed in many major regattas and done well. Our crew members have won major regattas sailing for: Tom Allen, Stu Anderson, Bill Shore, Bruce Goldsmith, and Jim Crane to mention a few. Our Harvest Regatta is always a fun weekend and the Harvest Regatta cocktail party is world famous! But, the fellowship and fleet races are our strong point. 50 more!

We started the season with four short races for the Ol' Brass Bucket. Peter Humphrey in his newly refinished wood boat 9119 were the winners. We have some great ol' wood boats at S.L.Y.C.

The Bill Humphrey Memorial Regatta sailed in June went to David Matteson.

The Bill Humphreys Memorial Regatta sailed in June went to David Matteson.

The Ol' Salts Regatta saw Bill Van Arsdale, Bud Van Arsdale, Bud Humphrey, and John Adrian sail three heavy wind races. Doc Humphrey, Joe Eliasz, and other ol' salts were on hand after to congratulte Bill Van on his win. Good food and times were had by all.

An "Am Cup" single elimination series was sailed on an open weekend. Some had problems with match race starts. Bill Neal came from behind three times to win his races — only to have the tables turned as Peter Humphrey and crew, brother Otis, and Jim Bailey, came from behind to beat Neal in the final elimination race.

The Jane Van Arsdale Memorial Regatta sailed over Memorial Day weekend was won by Peter Humphrey with 3,1,2 finishes. Kent Lyons, sailing his dad's boat, was runner-up.

The Ed Neal Memorial Regatta was on the Fourth of July weekend. Bill Neal, his wife Lynnie, and David (Pork) Copestick were consistent with 2,2,3 finishes. Peter Bone with sons Erin and Ryan were runners-up with nine points

The Benedict Memorial Regatta on Labor Day was a very close contest. Mark Dadd with crew Jeff Martin and Peter Bone won the first two races. The last race Scott DeGolyer took the lead as Neal took Dadd way up on

the first reach and past the jibe mark. Neal sailed "down on" Dadd on the beat and tacked on him many, many times — all to get a boat in between. Dadd just sailed cool and fast to finish second in the race and win the series with four points. Neal won the race, but had five points as he and Dadd beat out DeGolyer in the last 100 feet of the race.

The Club Championship was sailed from June to September with nine races and ten boats taking part. David Matteson with crew Joanne Kelly (now Joanne Matteson — they were married in Oct.) and Rick Fredricks were overall winners, Jay Hackemer, 2nd; Scott DeGolyer, 3rd; and John Adrian, 4th.

Our Most Improved Skipper was Jay Hackemer. The Mid Neal Brown Memorial Trophy for the best performance at all away regattas went to Peter Humphrey. His crew Jim Bailey won the Jackob Hafstad Memorial Trophy as the best crew on Silver Lake for the season. The Charles Van Arsdale, Jr. Memorial Trophy for best Silver Lake Boat in the Harvest Regatta went to Peter Bone with crew brother Larry and Doug Bliss.

Silver Lake Yacht Club won the Tri-Lakes Regatta held at Cuba Lake Fleet 115. Silver Lake's secret was the Humphrey boat. Peter with ace crew, Jim Bailey used their sons, Chris Humphrey (age 4 - 40 lbs.) and Bo Bailey (age 4 - 43 lbs) as alternate crew. In the light air they finished 2,1,1,3,2, to carry the team to an overall victory.

On a district level, David Copestick won the Jerry Blake Memorial Crew Trophy. This Trophy is given to two crew members at the District Regatta by Jack Swanson. The winner must sail on a Lightning for more than one season, work on the boat on and off season, and be truly part of the "team."

The Harvest Regatta (our 31st) was great, thanks to Jay and Pati Hackemer's good planning and hard work and 35 Lightning friends.

Jody Swanson beat out North American Champion, Larry MacDonald in two medium air races on Saturday and a light-air race on Sunday. The cocktail party "Pan Boat Race" was won by David Matteson.

We all suffered a great loss in late September when Doc Humphrey passed away after a long illness. Doc was Fleet Champ many times, sailed in District and North American Championships, Fleet Captain, and R.C. Chairman. He taught many to sail as sons and young friends crewed for him. He was a great sailor and friend.

What the skipper does when the crew is hard at work.

Bill Neal, David (Pork) Copestick, Perce Pizzutelli

Fleet 50 grew by fifty percent in 1987, thanks, in part, to the outstanding salesmanship of Frank Gallagher. With a good mix of boats — ranging from the venerable and wooden to the freshly unmolded, Lightning sailing is alive and well on the Potomac.

Along with new members and new boats, this year saw the revival of old traditions. Fleet 50 sailed the multi-class Collier Cup — named for a prominent Lightning sailor — for the first time in years. And, in a characteristically silly mood, the Fleet revived the Coat and Tie regatta. Top marks for fancy dress went to John Butler and crew — dressed in Bohemian tweediness — although they were hard pressed by an assortment of ruffled shirts, leisure suits, and dinner jackets.

The third annual Potomac Cup was sailed last spring at Fleet 50's future home port, Leesylvania State Park. Top finishers were the out-of-town gang, Bob Astrove, Simeon Coxe, and Ron Grotheer. Those who remember Quantico will want to put next year's Potomac Cup on your schedule: April 30 - May 1. Call Jim Dillard (703-323-7354) for more information.,

The eighth Lightning-Thistle Challenge was sailed in moderate breezes. As defending champions, the Lightnings spotted the Thistles an "adjustment" to their Portsmouth rating. Despite the presence of several imported Thistles, the Lightnings won again. Next year we'll reduce the rating difference again. Come and join us for the closest match of all.

Silver collectors this year included Jim Dillard who won the Spring Regatta and Spring series and Frank Gallagher who took the Collier Cup, the President's Cup, and the Fall Series. The fleet championship was not wrapped up until the last race in November: after the last gun, Jim Dillard was the best on the river.

In recognition of his many contributions to the Fleet and his service as Dixie District Commodore, the Fleet presented the 1987 'Doc' Gilbert trophy to Reed Barrett.

Washington is a town of transients: friends come and go. While welcoming new members, we bade farewell to former Fleet Captain Wayne Watson. Always nice to know we have a friend in Florida.

1987 was an ideal year at Crescent Sail Yacht Club with predominantly good weather and medium winds. Participation in Fleet Races was good, with from five to nine boats on the starting line for Wednesday nights and Sunday mornings. Competition was strong also with positions varying during races and throughout the season. Overall, Tom Vickers ended up first, Jack Schulte second and Kevin Hughes third.

Tom Vickers traveled extensively again this summer throughout the Michigan District. Paul Andrepont led an effort to design and test a new, smaller cut spinnaker. Optimized for boat stability in heavier winds, the sail actually performed well in a variety of conditions. Paul will be modifying the cut for further testing next year. 1987 was a 'new' year for Jack Schulte, with a new(er) boat and construction of a new house. In spite of the drywall dust and an unfamiliar boat, Jack did very well and was hard to beat!

Other boat changes in the Fleet were Mike Williams and Alex Suczek, both with newer Lightnings. Mike got his going well late in the season, after many threats to sell his new craft. Alex's new Carousel moved well, but rigging bugs and mishaps (some wet) plagued his race days! The rest of us plugged away in standard fashion without any major problems — except the Dutchman boys (Craig Hupp and Bob Brower) proved their sail stresstesting skills. Rumor has it that one of the Sailmakers wants them on contract for next year!

Last year our Fleet increased by two new members, both of whom purchased boats within the club. We currently have at least one new prospect for next year, and will work toward building the fleet more. We look forward to the 1988 season and continued open water sailing on beautiful Lake St. Clair.

Fleet 53 welcomed many newcomers to our starting line this season, but said good-bye to an avid sailor, Morrie Gushin, who retired to lovely Mullett Lake. With the increase in new membership, Bob Donnelly, Dave Nickels, and Al Bauer conducted a sailing seminar for skippers and their crews covering basic sailing skills, racing tactics, and crew work. These classes were a big success and enjoyed by many members.

Our fleet hosted the Michigan District Team Races with Pontiac Yacht Club winning in the decisive race against LFSC, who previously won the championship four consecutive years.

We have always been active on the regatta circuit and 1987 was no exception with one of our more colorful members, Bill Seaman, competing in more than 10 out-of-town regattas. The North American Championships, sponsored by the Buffalo Canoe Club, were represented as well. Skipper Dave Nickels, with crew Walt Plamondon and Bill Simons (from Hixson, Tenn.) sailed to compete in the "blue fleet" and skipper Paul Militzer, along with crew wife Louise, and daughter, Laura Bryant (a BCC member) participated in the "Masters" race.

The season concluded with the Nickels family dominating the trophy presentation with Dave Nickels taking the first place trophy and father Herman the close runner-up.

With boats now being put away for the winter, we all look forward to the 1988 season!

This was		on Cass Lake The wind acone

This was a good year for racing on Cass Lake. The wind cooperated, providing at least a whisper of a breeze for all but three race dates. As is usual, up to 25 boats were on the line. Even the Fall Series which saw unusually bad weather drew six to nine boats.

The season got off to a great start with Bill Shore speaking at our Spring Round-up meeting on the topics of Lightning Tuning and Twelve Meters. We saw the best turnout in years for the meeting.

This year's winners were Lauren Bowler — Bug-out; Bob Mathers — Spring and Summer Wednesdays; Sean Fidley — Memorial Day Regatta; Lou Nickels — Spring and Summer Sundays; and Jack Critchfield — Fall Wednesday and Sundays. Bob Mathers and Lou Nickels won the Wednesday and Sunday overall, respectively.

Our Membership Committee hosted an Open House during the Summer to acquaint the community with the Club and recruit new members. The skeptics, including myself, thought that no one would come, but the event was a huge success. Many new members were recruited as a result. It is ideas like this that keep Pontiac the successful Fleet that it is.

All in all a very good year. The good breezes, active participation and new members made for competitive racing. I should also add that our Sean Fidler placed second in the Junior NA's.

Niagara Sailing Club has only five active Lightning racers: Calvin Schmiege, Gordon Compson, Kathy Taylor, Judy Walker and newcomer Jeff Wiedl. Jeff purchased Dale Taulbee's Lightning at the end of the 1986 season and even with his busy work schedule and boat repair sessions, managed to sail in all three of the NSC Lightning Series, as did Calvin and Kathy. Judy was busy most of the summer with other projects and we didn't see much of her.

All of our Lightnings traveled to the LED District Championships at Chautauqua Lake Yacht Club. Even though Jeff beat the girls on the river a number of times, experience won out and both just barely edged him out in the Districts. Calvin, as usual, finished far ahead of us all.

Calvin edged out Kathy and Jeff in the Wardell Lightning Series but Jeff came back to win the Club Championship, and Bowen Lightning, sailed over the 4th of July Weekend. Judy was running a Club Party that weekend and didn't even take her boat off the trailer. Cal won the Blake Memorial over the Labor Day Weekend.

When Kathy and Judy weren't traveling to regattas; they were sailing with new crew, especially the members of the new Sea Scout Troop that is being sponsored by Niagara Sailing Club. These young boys and grils welcomed the opportunity to learn sailing techniques and have very adept students. When Judy lacked the time for sailing, she often loaned Vampira out to young skippers to spark their interset in Lightning sailing.

Calvin Schmiege sailed all of the club series with crew, daughter Larissa, and Brian Starck. Bob Starck, Cal's long time crew purchased an Albacore this season so kids Brian and Ellen could sail as a team. Bob had to spend a number of hours aboard the Albacore to teach the kids to sail it. Since the Albacore has only room for two, Bob's place aboard the Lightning was usually filled by one of the Starcks not on the Albacore.

Kathy, Judy and Cal all qualified for the North Americans at the Buffalo Canoe Club. Kathy and Judy also sailed the Womens and Cal the Masters. Kathy, with crew Carol Kreger and Nancy Banasiak placed sixth out of a fleet of ten top women skippers and crew. Kathy was pleased as this was six places better than her last Womens N.A.'s. Judy, with new crew Donna Oberekout (her second regatta) and veteran skipper Nora Clements borrowed David Sprague's new boat and sailed to a third place overall. Not bad considering when the three of them boarded the boat for the first time, it was 30 minutes before the start, Plus they had not practiced together as a team. Once Nora found out that sailing the Lightning was different from the Shark, they continued to improve race by race finishing third overall. Wild screams of "Mom" could be heard originating from the boat at every spinnaker putup, gybe or takedown, and in the parking lot whenever the crew lost Judy. NSC awarded Judy the "Marilyn Batement Trophy" for the

"most improved skipper" for this victory.

Calvin, with crew Bob Starck and Anne Allen finished seventh in the Masters in a tough field of seasoned competitors. In the N.A.'s Cal, with Bob and Brian Starck, qualified for the Presidents' Cup whereas Judy and Kathy changed crew for the N.A.'s with Phil Kebler replacing Nora on Vampira and Jane LoQuasto replacing Carol on Cook'in. Larissa and Ellen managed to get in some crewing for the N.A.'s as they were always willing to sail whenever called upon. These young teenagers were a real credit to NSC and we know they will carry the NSC colors more and more in the future.

Fleet 60's sailing season primarily revolves around a Sunday Series which consists of at least 15 races on consecutive Sunday afternoons. Time out is taken for a Holiday Series, for the Central States District Championship, and for the Shawnee Yacht Club Championship Regatta. An additional event was added to the calendar this year—a double elimination match racing regatta inspired by the Stars and Stripes' success in the America's Cup competition.

But the Sunday Series is the one we call the Fleet Championship. It is the source of most of the stuff of which the legends of the fleet are built. Scoring is done on a cumulative percentage (index of performance) basis and to qualify for the championship skippers must sail at least 60% of the races. Although certain skippers have at times dominated the fleet, more frequently the scoring is close, with only a few percentage points separating the hard core campaigners. That was the case this year, and when the last race was completed and the Computer printed out the final numbers, Dr. Rob Exon was at the top of the heap. So Rob, with his family crew of Karen and Jamie, managed to repeat as Fleet Champion. For the Runner-Up position, Bob French slipped by Bill Pooler by only a few hundredths of a percentage point. The Holiday Series was even closer—so close, in fact, that it ENDED in a tie. The Exon and French crews won the same number of races, beat each other the same number of times, and matched each other for all other positions scored. They'll share the trophy until next year and the Pooler yacht will claim the third place cup.

Perhaps this is the place to mention that Bob and Bill Pooler tried to pull

off the psyche job of the year in Fleet 60. They showed up early this eason with Lightning 14021, a boat with an international winning reputation (Bill Shore sailed it to victory in both the N.A.'s and the Worlds in 1985). However, this didn't scare anybody in Fleet 60 because we already knew Bill was fast. At any rate, Bill (Pooler, that is) with crew Bob and Cindy Oard are the regining Match Racing Champions of Fleet 60. This event was sailed on an extremely windy weekend, during which some of Bill's maneuvers prompted Bob to remark that the only skipper out there as crazy as Bill was the author of this report. The comment was taken as a compliment, despite some earlier taunting from the same gentleman.

Finally, Rob Exon and crew won the 1987 Central States District Championship, emerging victorious from a three-way tie for the second time in three years. The Exons also scored the top Lightning finish in the SYC Club

Championship, rounding out a very successful season.

The curtain dropped on Fleet 69's forty-third season with a new but familiar face in the Fleet Champion's chair. Karen Cady, a former Milwaukee Yacht Club Junior Champion, captured first place with long-time Lightning sailor John Eser taking the Runner-Up spot. Byron Roe hung on for third place, followed by Walter Nickerson and the Dillon brothers in fourth place and fifth place, respectively. Andy and John Dillon, joining the Fleet in mid-season, quickly adapted to the Lightning and undoubtedly will be strong contenders in 1988.

For the other series, the hardware was pretty evenly divided throughout the Fleet. Annually, Fleet 69 sponsors multi-fleet races on Memorial Day and July 4th based on the Portsmouth Handicap System. This year, Kevin Blair and John Esser took second and third, respectively, in both races. For the sailing of the 42nd Annual P & T Regatta, out of town boats sailed by Ric Larson and David Blair, took first and second, respectively. However, Fleet 69 did save face with Bill Faude placing third. Winding the season down with the Commodore's Regatta and the Labor Day Regatta, the Dillon brothers slugged it out with Kevin Blair in a miniature gale to take first place in the Commodore's Regatta. Karen Cady found the weather more to her liking in the Labor Day Regatta to edge out Walter Nickerson for first place.

Although looking forward to the 1988 racing season, Fleet 69 already has

started to focus on 1989. The Adams Cup Committee of the United States Yacht Racing Union (YSYRU) has announced that Milwaukee Yacht Club has been selected to host this prestigious U.S. Women's Sailing Championship in 1989, and that the event will be sailed in Lightnings. Finally, we congratulate Fleet Member Dean Cady on his re-election to the USYRU Board of Directors and also his re-election as Vice-Chairman of USYRU's Yacht Racing Council.

In '87, Fleet 70 saw a year of good spring racing, a quiet summer, a successful bridge race with dock party following and a fall of traveling members.

Jack, Kevin and Henry went to the "Districts" at Nyack then on to the "N.A.'s" at Buffalo. Jon Schwartz and Frank Mergenthaler went to the "Pan Am" trials at Cedar Point; Sandy took Ron and Kevin to Nyack; Pat Corr went to Lake Wallenpaupack and to finish off the traveling circuit, Sandy, Ron and Pat went to the Manahawkin Bay Cup.

Jon, Arnold and Will, along with Sandy, Ron and Kevin, also went to Cartagena, Colombia, S.A., for the "Worlds."

Traveling had its good times and bad (get your boat back yet, Jon?), but getting to see the world and meeting all the fun Lightning sailors in other places makes the effort worth it all.

The fleet is looking forward to another banner year in '88.

Kevin Corr, Ron Freund and Sandy Huntsman at Worlds in Colombia.

Fleet 75 once again had a very active sailing and racing season. Several boats started early in April with travelling to the Long John Regatta at Red Bank and travelled late in the season to the Last Blast in Chelsea. Inbetween away regattas we had 26 races at Nyack with Gary and Joan Hurban sailing away with the fleet championship. Al Klingler, our Fleet Champion two years running, handed the tiller to his crew Elissa and sailed his J-35. Elissa tried to maintain the fleet champion slot, but found herself as fleet runner-up. Bill Cook talked his way into third, Howie Rinehart took fourth and Kathy Dalmas was fifth.

Each of the three series had anyone of us as winners at any point in time. We did manage to resolve this to determine the series' winners. Elissa Hall had beginners luck and won the Spring Series. Gary Hurban took second in the Spring Series but came back fighting to win the Summer (skippered by Joan) and Fall. Bill Cook decided to get serious for the Summer and Fall, recruited Rod Johnson as crew, and took second for the two series. Kathy Dalmas, again coached by Paul Connell, took third in the Spring and Fall, while Howie Rinehart captured third in the Summer Series. Several crews skippered some races, but returned the tiller to the skipper to avoid further embarrassment to their skippers, i.e. by sailing better.

There were several comedy of errors in the Spring Series. At the Long John Regatta, Gary had the balers in backwards and Kathy's crew were perfecting their acrobatics; not by falling off the boat once or twice, but simultanesouly the third time. Back at Nyack, Bill Cook baled out of a desperate race by capsizing in absolutely no wind. Of course, "it was the crews' idea." Bill also holds the record for self imposed protests. Rich Newman finally launched 7675 after three years of reconstruction and during the third sail of the year, returned the boat to its original condition. Rich just about found all the pieces by the end of the year, and hopes to try again next year.

The fleet hosted the annual Magnus Pedersen Regatta in May. Mother Nature was not as kind this year, and we were only able to have one race in medium winds. After a two week break, we hosted the Metropolitan Districts, which was won by Mark Schneider of Lake Wallenpaupack,

followed by Gary Hurban of Nyack, second and Franz Schneider of Lake Wallenpaupack in third. To this date no one is really sure who was fourth or fifth, but we do know who won the party. Jack Huntsman and crew learned the hard way to party with the locals.

Paul Connel sold his boat to new fleet member Bill Mann. Welcome aboard Bill. Paul teamed with Kathy Dalmas not only to sail, but there are wedding bells in April for the two. Congratulations! Donna and Bill Cook have a new crew — William August — born on a Sunday morning, and Donna insisted Bill, Sr. race that day. Christine Hall has decided to sail big ships; she signed for a six year hitch with the Navy. Christine was the recipient of the Outstanding Crew Award and how she deserves it. Christine crewed for her sister all year. (Elissa could not have done it without you, Christine.) Christine was among many great crews — Annette Aronson, Paul Connell, Ann Hagemeyer, Joan Hurban, Rod Johnson, Lawrence Mauro, Dave Reeves, Mike Springsteen and many others. The choosing of one outstanding crew was extremely difficult.

Among our other annual awards given was the Most Improved Skipper, which Bob Pearlman received for consistently sailing better than the previous year. Eve Hall, our Fleet Captain of 1978-79, took the David Low Memorial — Junior Sailor Trophy out of retirement. The trophy first awarded in 1977 was awarded this year to Jill Carman.

We have decided to give O'D's to rest to recouperate from the boat people. If you do not know what O'D's is, come sail with us at Nyack for the "total" sailing experience. See you in the Spring.

We held our annual regatta this year with a good turnout. Our objective was to try out Lake Ontario this year. We went out Saturday and finally got three races in under light westerly winds. Unfortunately, we had to sail on the bay on Sunday which made some happy and others unhappy. Thanks go to Landy Atkinson for doing such a fine job putting the regatta together.

We planned a new dock for 1987 and with the help of many, we completed the project successfully. It turned out so well, we are planning to replace our west pier this winter. A special "thank you" goes to George Sereno for undertaking the project and doing such a fine job of organizing this time consuming job.

Dick Hallagan won the club championship again this year. Steve Sahs

sailed extremely fast and ended up in second place. David Jungjohann was consistent and placed third overall. Landy Atkinson was fourth and hit many regattas and finished very well. Landy won the Rookie Award of the district and placed eighth in the "Districts" out of thirty-five. George Sereno came in fifth in the Championship Series and sailed fast at the "Districts" too. He took a first in one of the races sailed at Skaneateles Lake. We had ten boats participate in this regatta from our club.

Dick Hallagan won the "Districts" and represented us at the "North Americans" and the World Championship in South America. Alan McReynolds and Ron Infarinato joined our fleet last year and did a fine job. We hope to see Phil Goldberg out on the course this coming year. Phil won the "Brown Jug" in the Lightning last year, so watch out, he is ready to take all of us on in 1988. We also look forward to seeing Carl Reynolds, Duncan Moore, Dave Walsh and anyone else wanting to race your Lightning this year.

Thanks go to all who attended our Newport Invitational Regatta last year. We welcome all of you back for 1988 to have fun and great sailing on Lake Ontario.

Action at "Newport Invitational" on Lake Ontario.

Compared to recent years, it was a fairly quite season at Niantic Bay Yacht Club as far as hosting major regattas in our one-design classes, but Lightning Fleet 85 enjoyed an increase in boats on the line for our regular season series with the addition of some new racing members.

After relinquishing the title last year, John Oldham came back to decisively recapture this season's first place honors; second place went to Dave

Dickerson; third place to Gary Davis.

NBYC boats finished 2nd, 5th, and 9th in the always tought CT/R.I. "Districts" held at Cedar Point Yacht Club. Chris Vann, sailing with wife Barbara and brother Lenny, improved his showing over last year's 7th place finish at Cedar Point's Fall Classic by finishing 5th, despite a broken mast on Sunday (it was time for a new boat anyway).

Representing Fleet 85 at the "North American's" in Buffalo was Don Barrett, again qualifying for the "Blue Fleet", finishing 17th overall; he was joined by two NBYC first-timers to the "N.A.'s" Bruce Atkinson (formerly of the Long Island District), and Gary Davis, qualifying for the "Blue Fleet"

and the President's Cup, respectively.

Most notably, however, Fleet 85 is home to two-thirds of the reigning Women's North American Championship team: Barbara Van and Donna Barrett. With Brenda Crane of Noroton as their skipper, these ladies handily swept the series with six bullets — an impressive feat, considering the three had never sailed together as a team prior to the championships.

This year's Connecticut Governor's Cup, the second weekend in September, drew 23 boats to sail three races under threatening skies and 15 knot winds on Saturday, and no races on Sunday due to pouring rain and 20+ knots of wind. Ched Proctor of Cedar Point won: Don Barrett and Dave Dickerson of NBYC, were second and third respectively. NBYC had one of it's best showings for a Governor's Cup, garnering five of the first 10 finishes. Saturday's great racing conditions almost made up for the cancellation of Sunday's races, and Saturday night's steak dinner and D. J. were once again, first class, so join us next year, September 10th and 11th.

We are happy to report that, after 35 years, Spray Beach Yacht Club again ran a Season Series for Lightnings. Fleet 91 came back in style with four new boats and one used boat.

We all had much to learn, especially how to jibe the chute in 15 to 20 knots of wind. John Teigland of Little Egg Harbor Yacht Club sailed with us throughout the season which gave us a good yard stick to measure our improvements. As the season ended we all had more confidence and are looking forward to the '88 season. Jibing the chute in 20 to 25 knots is still....well, you know!

Special thanks to the Lightning sailors at Surf City and Brant Beach Yacht Clubs for sharing their years of experience with us in our first year back.

Season Series results: P. Langborgh, 14119, first; K. Corsig, 13772, second; J. Izmirilian, 14121, third. Labor Day results: J. Teigland, 11666, first; P. Langborgh, 14119, second; B. Boulden, 14123, third.

Our first event at Greenwood Lake was the Michelob Open Regatta held on June 13, 1987. The Lightning winner was Sengstacken. The racing was followed by a great steak dinner and dance.

Our regular season's racing consists of four series, comprised of six races each. The Commodore and Rear Commodore were won by Jim Cosmas. The Secretary and Vice-Commodore were won by Bob Sengstacken.

After 10 years of ignoring the normal summer's weather forecast of hazy, hot and humid, with afternoon thunderstorms, the weather man finally got our attention. This year we had three races cancelled in the middle of the action due to thunderstorms with heavy winds. One of these storms provided the writer the opportunity to exhibit a new and novel technique of boat docking that could have won him the Fleet Anchor Award.

The weatherman almost did us in at our Annual Whiskerpole Regatta, predicting a continual heavy rain and no winds. As it turned out for the eight boats that races, we had a pleasant day with threatening skies and moderate but occasionally shifting winds. The Regatta was won by Rich Miner of Mohawk, and second place boat was John Sengstacken of the Home Fleet

Ron Wulff, Bob Sengstacken and Lou VonHoff led our away from home sailors, competing in Regattas on the Hudson Circuit and at Lake Mohawk.

The bads news for our Fleet this year is that many times Fleet Champion and Captain, Nick Santoro, is moving to North Carolina. This was the last year that he will be sailing with us. Nick has been a dedicated sailor and has always done his best to promote sailing and the Lightning Class on this Lake. He will be sorely missed.

1987 was a year of contrasts! Wendell Harter and Mike Boswell remained active in both the local and out of town regattas, while Quintin Foster's and Bert Winther's sailing activities were diverted by other interests. We were

fortunate to have Jim Alman, a very good sailor from the East Coast, join us towards the end of the year.

Both Wendell Harter and Mike Boswell did some traveling to out of town regattas. They both participated in the California Circuit held in San Diego during April. Mike also sailed in Alamitos Bay Y.C.'s Olympic Class Regatta in April and Wendell competed in the Bowen Memorial Regatta at Mission Bay in September.

Our Fleet hosted the Spring Cachuma in June. Although the turnout was disappointing, the competition was top drawer! Two Mission Bay sailors, John Lyon and Jeff Caulkins, took first and second respectively. Next was our One Design Championship in June at King Harbor. Chuck Ellery from Santa Cruz nosed out Wendell Harter by 3/4 points to take top honors. We hosted the District Championship in July. Again, John Lyon showed top form winning easily. He was followed by Scott Finkboner of Mission Bay.

Our Annual Cecil R. King Regatta in August, where all one design classes race against each other under a Portsmouth system, proved to be a disappointment for Lightnings. The Lido 14's, with a 28 minute head start, took the first five places. Wendell Harter was close behind in sixth place.

In the Billie Boswell Memorial Regatta at Lake Cachuma in August, John Lyon won three of five races on the way to victory. Next was Warren Gross of Mission Bay.

Our final regatta for 1987 was Hurricane Gulch sailed at King Harbor in October. Jim Alman won three of five races in conditions that varied from drifter to blowout. Scott Finkboner, in his new boat, came in second.

Next year we all will be looking forward to participating in the North American Championships to be held at Mission Bay in August.

Thinking back only a couple of years to 1984, our fleet had three Lightnings in the yard and only two sailing each week in what might have been termed a mini-match series.

Some good promotional work since that time has accounted for a phenomenal growth in our fleet. Our enthusiasm and growth resulted in the fleet being awarded the Neal Steketee trophy for 1987 at the North Americans dinner at the Buffalo Canoe Club this past August. It was proudly presented to our Commodore for safe keeping until its return.

In preparation for 1987, we held a short series of sailing symposiums with the more experienced sailors giving insight to tactics, racing starts and general boatmanship. We were fortunate to have Jim Carson of nearby Metedeconk River preside at our final session. He gave us a good idea as to what makes a Lightning tick, some tuning hints and an explanation as to "what all those controls do." Remembering everything, however, was a different story.

The spring series started on Memorial Day week-end where we got to practice the things we learned. Breezes were gentle and forgiving and by exchanging crews, the more experienced sailors helped our newer fleet members with on-hands sailing, spinnaker handling and general hints on what to do.

Our fleet growth has, to a large extent been helped by our Sunday morning "Love Boat" cruises now in their third season. Each week, we assign one skipper to have his boat rigged and ready to sail by 10:30 AM and take anyone from the club out to watch the morning races. While out, we answer any questions about Lightnings and if they so desire, let them take the tiller and in general, do our promotional work in that fashion. It has grown to be a popular feature at the club.

Our regular season series switched to afternoon starts on June 21st and while there is no Freemantle doctor in these parts, we do have a Barnegat Bay doctor who can whip up a good share of whitecaps and gusty shifting southerly winds on very short notice, usually just about when the staring line is being set.

Our race committee, Norm Young, Vice Commodore, Red Underwood, cannoneer and scorers Trudy De Francisco and Joyce Johnson set up some great courses for our series.

Dr. Anthony Ventimiglia, sailing with wife Joan, brother Eugene and nephew Eugene, worked hard to help the other sailors in tuning and rigging giving helpful hints in order to make the fleet more competitive. Despite all of this, they went out and outsailed us, winning all but three races and regaining the championship they had relinquished last year. Bob Morrow, with brother Matt and Meredith Schreyer who are getting to be a tough team, came in second, while last years champs, Bob Hoffman and sons, Larry, Skipper and Tom, took the third spot. Bill Scott, with son Peter and Karen Smith, surprised a lot of people, and came from nowhere to take fourth. Bill Dacosta, Walter Krueger and Joan Young were fifth and Fleet Captain Chris Larsen with Roberta and George Schreyer took the sixth spot, and with it, became the first winners of a "mid fleet" trophy donated by the Ventimigla's to create some interest for the newer members of the fleet that usually don't finish at the top. Chris suffered some equipment failures that caused his lower finish. Barbara and Dave Mann, with Ray De Francisco, placed seventh, and Al Magno, sailing with Ron Sr. and Ron Jr. and Karen Totams, were next, followed by Don Cooper, Jack Nile and David Cooper... Mike and Art Farren and daughter Patricia were next and Don Drescher and crew brought up the rear. Two boats did not participate in the series.

The fall series started on September 13th and we enjoyed a great picnic on the 20th after sailing two races. It is now getting close to indoor sports time and very shortly, we'll all be inside waiting patiently for the 1988 season.

The 1987 season got underway on the Fourth of July at the Higgins Lake Boat Club with our annual Firecraker Regatta. Light conditions and gray skies greeted the few sailors who showed up on Saturday. We were able to get two races sailed in the morning, but had to abandon in the afternoon. due to no wind. Fred Krauss finished first in the abbreviated event with John Dent and Casey McGovern following.

The Higgins Lake Boat Club Invitational Regatta took place August 1 and 2, with many of our old friends returning. Saturday morning opened with gray skies and an occasional drizzle, but Sunday was one of the best sailing days I've ever seen to complete a wonderful weekend of sailing. Colin Park of Midland again took first place honors. Garry Demarest of Traverse Bay Yacht Club finished in second place. Hank Hodgson of Devils Lake Yacht Club ended up in third place. Higgins Lake's top finisher was Mike Dow in fourth place while Louie Nickels of Pontiac Yacht Club picked up the final trophy with a fifth place finish.

Our season concluded on Labor Day weekend with our Annual Property Owners' Regatta. Fred Krauss finished in first place with John Dent in second and Ric Blamer in third. That evening our annual banquet was held in Grayling. Numerous awards were presented after dinner including our Lightning Class overall season trophies. Fred Krauss again, finished in first place. John Dent just edged Casey McGovern for second place to conclude

Our 40th year as the Green Bay Sailing Club began its season again in early May. Co-skippers Brian Phelen/Charley Nitka and a new boat combined their talents to win five out of the nine Spring Series Races. This sent the rest of us scrambling to re-tune our boats.

June brought on the Annual Evans Regatta. 18 boats showed up for three heavy air races on Saturday. Eric Larson was extremely fast and jumped to a big lead. On Sunday, half the boats left the dock in the pouring rain after the hour warning gun was fired. The other half waited on shore assured that the race would be cancelled, by whom we were not sure. After the rain stopped on shore, the sailors noticed that the boats that went out were racing (the weather cleared up sooner on the race course). All hell broke loose as they ran to their boats. Their race started from the dock to the race course, as well as around the marks. After all this fun, Eric Larson came in first place, followed by Kevin Blair and Brian Phelan.

When the Summer Series was over, there were three boats in contention for Fleet Champion: Jim Knorr, Jim Gagnon Jr., and Phelan/Nitka at just a few points apart. During the fall series it was close right to the end. Phelan/Nitka and their great crew came through and clinched the title.

The Walter Massey was not your usual race. The changing wind conditions forced the boats to round just about every mark on the course without a true beat. John Evans came out the winner.

The Fleet would like to thank Tom Phelan, Jane Stannard, and Bill Hayes for their excellent job as Race Committee.

The Madison Lightning Championship consists of races each Saturday from the end of June through the beginning of September. For the first half of this season, competition was extremely tight between Ronshagen, Davidson, Sulzbach and Jim Deephouse's boat which was sailed by a series of guest skippers who were champions of one event or another. Jim's first skipper was Alex Cutler, the current collegiate singlehand champion who is conducting an Olympic Finn campaign. The next skipper was Jay Renehan, a former collegiate sailor of the year who is conducting an Olympic 470 campaign. The final skipper was Rob Erda, who finished second in this years' Blue Jay Nationals. By the final part of the season, virtually no points separated the Deephouse consortium from Sulzbach and Ronshagen. However, the determination of Sulzbach's crew, Chip Walz and Josh Gleason, left him no choice but to eke out a victory over Ronshagen who finished second and Deephouse, et al. who finished third.

The Madison fleet looks forward to greater involvement in District activities in the 1988 season.

## SEATTLE LIGHTNING FLEET (132) Pacific Northwest District Sailing on Shilshole Bay at Seattle, Washington

1987 was a good year for Fleet sailors on the road. Eric Lindahl won his third District Championship in six years, lacking the talent to win every year. Alan Hunt stumbled into a Circuit Championship with regatta wins at Vancouver, B.C. and at Vancouver Lake. Ten years of trying finally paid off. He says that getting thrown in for winning is more fun than winning and that it is better to focus on sailing well than on winning. Ken Dunkelberg

and his trick crew tied Alan at Vancouver Lake but had the misfortune of not winning the last race. Bruce Dietz won the Fleet Championship and prevented Alan from having a clean sweep on the circuit. Bruce sailed better than anyone else and he deserved to win.

On the local scene, Lindahl, Dietz, and Hunt took turns sailing well and being lucky enough to win on the weekend regattas. Phil Wong got tougher this year and won the Summer Fling Regatta. Lindahl won the various evening series, but no one cares about them much anyway and he's jaded. Tom Anderson, Pam Hsu, and Art Green would be more of a threat if they did a little more sailing. We all have our times when there are other, possibly more sensible (perish the thought), priorities, but everyone keeps coming back.

Next year, we are certain to see more of each other as we prepare for San Diego. We had quite a bit of interest from new sailors this year, including a transfer from Green Bay — Bill Sims. We hope that he comes out next year and shows us a thing or two, now that he is presumably through settling down in the Northwest and doing his landscaping, only to watch it turn brown in the drought. He already showed us his exploding 3mm Kevlar spinnaker sheets. Even after ten years of this chaos, I'm still looking forward to next season.

Sailing on Gull Lake has never been better! Pleasant winds greeted us nearly every Saturday and Sunday, as the Fleet sailed one of its most ambitious schedules in years. Thirty-seven races were held over the course of the summer. "Three Race Sundays" were held 5 times, combining 2 shorter morning races with the usual afternoon race. The combination of races gave all a chance to participate, and really made the fleet competitive! Six different boats won races over the course of the season.

The Final Standings showed Tim VanderMeulen as Fleet Champion, with David Decker as Runner-Up. Tim built a commanding lead early in the season, and then held off a late season charge. Carl Engels, Dan Chappell, and Bill Weston finished 3rd, 4th, and 5th, respectively. David and Karen Watt held on to the 6th spot even though they sold their boat a few weeks prior to the season's end! But they have another on order, and will be back for 1988. David has also volunteered to Chair the Committee hosting the Lightning 50th Anniversary Regatta at Skaneateles. Gull Lake

will be sure to have serveral representatives there!

Fleet 137 was well represented at the Michigan Districts, with Carl Engels, David Watt, Tim VanderMeulen and David Decker sailing on Tawas Bay. The strong consistent wind was just a little different than the shifty Gull Lake Breezes, and was a challenging experience for all.

The season closed with a fine regatta featuring 19 boats from Michigan, Indiana, and Illinois. The breeze was near 20 mph when we began on a chilly Saturday morning, but the sun was bright, the wind moderated to near 12, and five super races were held. Garry Demarest, the Michigan District Champion, edged John McCree for the 1st place trophy, with Bruce Goldsmith and Colin Park in 3rd and 4th, respectively. David Decker kept the 5th place trophy at Gull Lake.

We welcomed a new member, Steve Raklovitz, and "graduated" a few skippers to the J24 fleet. But we have noticed a few of them watching longingly as we planed by on some of those windy reaches. We hope they'll be back soon! They may be sailing a bigger boat, but in their hearts they never move up from a Lightning.

The 1987 Spofford Fleet 145 season was highlighted by the Fleet Championship Series held over the 4th of July and Labor Day weekends. Second year fleet member Terry Pindell 'kicked a little butt' and emerged as the '87 Fleet Champion. Congratulations, Terry! Kip Hamblet took second and the Fitch family took third.

Spofford was happy to host the New England District "Juniors" this year. Boats from Bomaseen, Champlain, and Massabesic participated along with boats from Spofford. Local knowledge paid off as Jason Gemmell of Spofford took the N.E.L.D. 1987 crown with Arron MacQueen, also of Spofford, taking 2nd. Spofford plans to hold this "Junior's Trophy" for some time and throws down the challenge for greater participation from all those other juniors out there.

The most active circuit sailors in the fleet were Alex Gemmell and Kip Hamblet, who along with the Fitch family, competed in the New England Districts at Lake Champlain. Kip and Alex also competed in the North Americans at Buffalo. Kip, in his first "North Americans" as skipper, did extremely well placing 13th overall in the "Blue Fleet". Alex did very well in his travels to many New England regattas, taking a 2nd at Massabesic and a 3rd at Cedar Point in Connecticut.

The season finale, as always, was the Spofford year end regatta in September. The weekend included two unpredictable puffy, heavy air races on Saturday and no race on Sunday because of no air — "that's Spofford." Defending Champ Stu Nickerson won the regatta with Brad Read and Dick Hallagan taking 2nd and 3rd respectively. Can't wait 'til next year.

1987 provided good weather and fair winds for Fleet 150. Fleet Captain and Mansfield Sailing Club Commodore Bernie Dillon dominated the racing again this year and took home just about all the trophies the Club had to offer.

Dave Ireland, who returned to Fleet 150 after a too long absence, provided new and capable competition for the rest of us. Dave's two young sons, Nathan and Jason, served their crew apprenticeship well, and their weight (or lack of it) was of significant assistance in light air.

Unfortunately, several of our Lightning skippers were unable to compete this year for one reason or another, and we sorely missed them on the water.

The Race Series winners for 1987 are: Principal Series — Bernie Dillon (1st), Dave Ireland (2nd), Bill Woodrow (3rd); Memorial Day Series — Dave Ireland; 4th of July Series — Bernie Dillon; Labor Day Series — Bernie Dillon; Founders Trophy — Dave Ireland; Sunday AM Series — Don Walter; Wednesday PM Series — Don Mano; Fall Series — Bernie Dillon; McDermott Most Improved Trophy — Bernie Dillon.

We look forward to a great 1988 which will be the 35th Anniversary of our organization. We welcome all Lightning sailors to visit us on the beautiful Clearfork Lake in North Central Ohio.

Unfortunately we have no report since we basically have no fleet. However, we keep the fleet active and we can say that both fleet officers were at the Worlds and the Secretary participated in the '87 North Americans.

held October 10 and 11. Fifteen boats from Indiana, Michigan and Wisconsin competed this year, sailing in light wind with drizzle conditions. Colin Park of Michigan placed first, with Dave Nickels and Bruce Goldsmith, also from Michigan, finishing second and third. Although the weekend was plentiful with rain instead of sunshine, the visiting sailors were pleased to return to the event, looking forward to the hot, homemade lunches and homey atmosphere offered to them at the Wawasee Yacht Club.

Many thanks to Frank Yaggi for his fine leadership as Commodore over the past two years. Doug Schmahl will take over command in 1988 with Alan Fox as Vice Commodore, Virgil Snyder serving as Secretary, and Bob Troutman, Treasurer.

A hearty welcome goes to new members Doug Willis and Brad and Daphne Wagnon. We look forward to their participation next season!

Fleet 154 enjoyed spending the warmer than usual summer on the water: Our Holiday Series got off to a great start with Alan Fox capturing first place in the Memorial Day races, with Doug Schmahl placing second, and John Nixon third. The Independance Day competition found Fred Buckingham sailing to first place, with Doug Schmahl close behind in second, and Keith Swihart finishing third. For our final Holiday Series over Labor Day weekend, George Buckingham led the way to first place, with Doug Schmahl once again a strong second, and Keith Swihart, third.

The season's best awards are recognized at our annual September meeting. George and Fred Buckingham won the season's championship with Doug Schmahl in a comfortable second place and John Nixon in third. Schmahl's consistency over the season earned him the Cynthia Cup and Betty Miller won the Women's Award for the season. Ryan Miller had an impressive record this season and captured the Junior's Award as well as the Commodore's Cup, with Steve Anderson and Ray Gans runners up.

The season came to a pleasant close by hosting the 34th Hoosier Regatta

Our fleet's 1986 season ended (or 1987 season started) in December when two crews from our fleet, Nisonen-Uitto-Aromaa and Karkkainen-Nurmi-Aromaa travelled all the way across Europe to Marsala, Sicily in order to participate in the Winter European Championships. Nisonen brought his new Finnish-built boat while Karkkainen was given a superb boat by the

Circolo Velico Marsala. Nisonen's Asterix did very well and took the 3rd place and Karkkainen was 7th. Good races and very friendly people made the long trip worthwhile. Thank you, Marsala!

The actual 1987 racing season became a little bit different from the previous ones. Kari Maenpaa, who had dominated the class in Finland for years, decided to take the year off and sail only the "Districts". This gave the others the chance to win regattas at least sometimes and not only to compete for the 2nd place! Four boats from our fleet participated actively in major regattas in Finland with fairly good success. Two boats, Terho Aromaa's Masi and Hartti Nisonen's Asterix participated in the "European's" in Italy in June, finishing 15th and 16th, respectively. The "Districts" in August showed that black is still the color of success in Finland: Kari Maenpaa's Vahine, with crew Erkki Maenpaa and Kimmo Aromaa, won the championship quite easily. This was Vahine's third victory in a row and fourth overall. Other finishes from Fleet 166 were: Aromaa-Aromaa-Aromaa 4th, Nisonen-Uitto-Puupera 7th, Karkkainen-Jaatinen-Nurmi 9th and Raikamo-Raikamo-Uurtimo 19th. In the 1987 ranking series, Karkkainen was second, Aromaa third, and Nisonen fourth.

Next summer will be very interesting since the "Europeans" will take place in Finland. Maenpaa has promised to be more active than last summer so we are expecting to have a great racing season.

Thanks to the work of many members of the Lake Davenport Sailing Club and the cooperation of the weather, a brand new clubhouse greeted the start of the 1987 sailing season. In the Memorial Day series, Mike Steffenson took the trophy and we were underway. Numerous Lightning skippers took part in the Summer and Commodore Series during the months which followed. Mike Steffenson continued his winning ways with the help of his son, Doug, by capturing the Summer Series while Ken Jensen took second and Bill Quaintance was third. Ken and Mike switched places for the Commodore Series and Bill again came in third. The Fourth of July Series was also won by Mike and his able crew of Jean and Doug Steffenson. They followed this up with victory in the Labor Day Series. These races signaled the beginning of the Fall Series which again was won by Mike Steffenson followed by Reed Doughty and Ken Jensen. Although the winning names are the same, there were still many other Lightning skippers and crews providing competition if they made a mistake.

The Polar Bear Regatta was held on October 3 and 4 which was a change from previous years due to scheduling conflicts in the district. The regatta brought together not only the Lightnings but also the C-scows and the MCs. A total of fifty-nine boats sailed in three fleets with the Lightnings contributing twelve boats from home and away. After two days of sailing in excellent conditions, Mike Steffenson sailed away with the WOC Trophy as the champion. Gene Matthews from Lake Geneva was second, and Brian Phelan from Green Bay was third. Ken Jensen took the Mayor's Trophy for the next highest place from the local fleet while not placing in the top three. Reed Doughty from Lake Davenport took fifth. Everyone had a great time and we are looking forward to next year.

Now, with the clubhouse prepared for winter and the boats disappearing to their winter storage areas we can look back at an excellent season and hope that next year will be the same, or even better.

First we would like to congratulate sincerely our secretary Annika Lambelet who just got married to a big champ, Jean-Claude Vuithier, former Fireball and 470 European and 5.5m World Champion. Congratulations, too, for the birth of their daughter Amelie (dicted by Jean-Pierre Monnier).

Keeping the roster of our fleet at the same number doesn't satisfy us, but it seems more difficult to keep things going than sometime ago.

Only one crew from our fleet participated at all the important races of the Swiss District in Hallwil — Sempach — Morat — Fallanden and Neuchatel. Grouped, these five races are named Coupe "Kamikaze". First place went to Wyler, Staufer and Gasser. Gilbert Despland from our fleet finished 6th. The Europeans were sailed in Numana, Italy, and two of our crews went over there. As always, we enjoyed the race on the sea and the weather and wind were fine. Lambelet, Monnier, and Lambelet finished 17th and Despland, Graf, and Brugger were 21st.

Our fleet did organize the "Swiss District Championship" Oct. 16-18. Friday two races were sailed with very tricky winds, Saturday no wind, no race, Sunday two races were sailed with beautiful strong wind. Here are the results: 1st - 13790 - Wyler; 2nd - 13161 - Schar; 3rd 13099 - De Cerjat; 4th 13692 - Schmid; 5th - 12860 - Lambelet; 6th - 13066 - DuPasquier; 7th -12951 - Perret; 8th - 13840 - Despland; 9th - 13074 - Weilenmann; 10th -13705 - Beyer; 11th - 12952 - Scharer; and 12th - 13240 - Zehnder.

We also organized the traditional "Regate Fondue", here are the results: 1st - 13161 - Schar; 2nd - 13692 - Schmid; 3rd - 13790 - Wyler; 4th - 13066 - DuPasquire; 5th - 12860 - Lambelet; 6th - 13840 - Despland; 7th - 13099 - De Cerjat; 8th - 12951 - Perret; 9th - 12952 - Scharer; 10th - 13705 - Beyer; 11th - 13074 - Weilenmann; and 12th - 13240 - Zehnder.

Fleet 169 is very proud of the nomination of Gilbert Despland as commodore of the Swiss District for 1988.

Fleet 173 members were active both at Brant Beach and around the Central Atlantic District again this year. Though no one travelled to the "North Americans" there was Fleet 173 representation at numerous regattas including but not limited to: SCYC Memorial Day, Long Beach Island Annual, MBC Long John, MBC Spring Series, LEHYC Annual, SCYC

Annual, and the Manahawkin Bay Cup. Dvae Coward won the LEHYC Annual by coming from 6th with only one race to go. The top three finishers in the club series were as follows: Dave Coward, 1st, Bob Seybold, 2nd, and Jim and Nick Nicolini, 3rd.

Next season we expect our Lightning presence on LBI to continue to grow. The "Districts" will be held at Brant Beach and our Mariner friends will help us with the regatta. Then later in the season we will help them with the Mariner Nationals.

Janet and Dave Coward's son Peter, a part time Lightning crew, won the Sunfish Junior North Americans in Charleston, S.C. While in the crew department, Fleet 173 has served as a training ground for yet another new Lightning skipper and co-owner Gary Hofing. He has purchased a Lightning and will be sailing it with Fleet 196. For all you CAD members who check out the district fleet reports (like this one) please put the 1988 CAD Championship in July on your regatta schedule. We would love to see you at BBYC.

The 1987 sailing season was a very satisfying and diverse one for the Conneaut Lake Yacht Club. We had new skippers with previously owned boats and experienced skippers with new boats, and everything from windless days to perfect sailing weather to a sudden violent storm that dispersed the Fleet.

The overall Summer Championship was determined by 36 races with seven throw-outs. Even so, the final results were not settled until the last weekend. Mark Prather edged out Chad Waldschmidt, with both sailing consistently well, to take the Championship. Mike Mercatoris was third and Ed Benevent was fourth overall. Dr. Stan Gurney received the Golden Anchor for backing up the Fleet. Mark Prather also won the Fourth of July Regatta.

The Holiday Series was won by Skip Ragghianti, after his new boat finally arrived, followed by Mark Prather, Mike Mercatoris, and Chad Waldschmidt.

The new skippers in the Fleet were Stu Horner and Ken Pote, who acquired Skip Ragghianti's boat. Skip, meanwhile had to wait until July when his new boat was completed. The same held true for Tom McFate, whose new boat was delivered the end of June. Tom showed some real bursts of speed and looks to be a threat next season.

The annual July Picnic, held in August, held some surprises in that presentations were made to the Silver Skippers, which included Duane Good and Chuck Good. Both are sailing as consistently and as fast as they did 25 years ago. The hard work of Commodore Art Lace and Secretary Pat Lace helped to make the entire season a success.

Overall, the fleet has grown and gotten more competitive and 1988 looks to be better still.

Sheboygan's Fleet 187 enjoyed another year of excellent weather, close competition and growth in 1987. Tryg Jacobson won the fleet championship in a close dual with Ric Larson. Ric repeated as Lake Michigan Champion placing first at the Evans Regatta in Green Bay, first at Milwaukee's P&T Regatta, second in the Midwest Districts, and fifth at the Red Flannels in Chicago.

Lightnings are enjoying renewed interest in Sheboygan as many of our young members, who in the past had been crew on the big boats, have discovered the fun and excitement of small boat, one design sailing. We anticipate an even better year in 1988 and invite all sailors to join us for the Brotz Regatta next summer.

We can say 1987 has been a great year, and 1988 promises to be even better.

The 22nd Annual California Lightning Circuit was a real success. Held over Easter week, the event was sailed in San Diego's South Bay and in the ocean off Mission Bay Yacht Club. The week brought together a great bunch of people for a combination of great sailing and great parties.

The week's sailing included two days at Coronado Yacht Club followed by the famed twenty mile ocean Marathon Sail Around. The "Marathon" sends sailors up and then out of San Diego Bay and north up the coast and finally back into the sheltered waters of Mission Bay. The final two days of racing were held at the site of the 1988 "North American's" in the ocean off Mission Beach. Both Tom Allen, Sr., and Tom Allen, Jr. cleaned-up in overall standings, with Tom, Jr. the overall winner. John Lyon, Scott Finkboner and Warren Gross, all of the Mission Bay Yacht Club, rounded out the top five in that order.

For any of you Lightning "Hot-Shots" that are planning on coming to the "NA's" next summer, the "Hot-Tip" is to come out for "The Other Circuit" next spring. Not only will you get first hand experience on 1988 "NA" courses, but you will get an opportunity to sample some great California sailing and parties. Come on out, we'd love to have you.

The Lightning 1987 California Districts were held the weekend of July 18 and 19 at King Harbor Yacht Club in Redondo Beach. Twelve boats participated, representing both northern and southern California racing contingents. Overall results were mixed, with a different boat winning one of each of the five races sailed. John Lyon proved most consistent and became 1987 California District Champion.

Late summer and early autumn were busy with Lightning activity. John Lyon managed a 2½ point advantage over Warren Gross to best the fleet at the annual Billie Boswell Memorial Regatta. This lake regatta is always a lot of fun. Two weeks later, John once again was able to pull out a win in the Bowen Memorial Regatta. A mere 1½ points separated the top three contenders, with Scott Finkboner and Larry Swearingen picking up second and third respectively. This one was sailed on the ocean racing course for the 1988 "NA's."

1987 has been a good year for the San Diego fleet. Not only did we uphold the Lightning's unbroken record of superiority over the rival Thistle fleet and see San Diego bring back the America's Cup, but we earned the opportunity to host the 1988 "NA's". We look forward to seeing you, if not next Spring, certainly at the "NA's".

The members of Fleet 196 had an active year, both at home and on the road. Fran Temme narrowly edged out Jack Elfman for the Club Championship in a series that went down to the last Sunday. Both Fran and

Jack were breaking in new boats and each had great speed and sailed well all year. It's encouraging to see the "young blood" in this fleet in the persons of Andy Temme, Joe Freeman, Gary Hofing and Steve Marshall. Gary and Steve bought Ralph Messersmith's boat at the end of the season and should quickly become contenders in 1988.

This year our "Districts" were hosted by our neighbors at Barnegat Light Y.C. Fleet 196 had a great weekend with Jack Elfman taking the championship by a point over Rich Warren with Tim Robinson a close fourth. Jack, Rich and Tim all went to the "N.A's" at Buffalo C.C. where they all managed to qualify for the "Blue Fleet." Jack led the way with a fine 11th place finish which may have been much better but for a tough last day. Rich and Tim learned a lot about waves and how tough the "N.A.'s" can be

- they'll be back.

Surf City Y.C. again hosted the Long Beach Island YRA Championship for Lightnings and attracted a fleet of 19 boats. Jack Elfman nipped Fran Temme by 1/4 point with Dave Coward from Brant Beach Y.C. third, the

victim of a premature start in the final race.

The 9th Annual Manahawkin Bay Cup was sailed with a fleet of 15 boats enjoying ideal Barnegat Bay conditions. The strangle-hold of the Lutz family on this regatta was finally broken (at least loosened) as Jack Elfman easily won in a series marked by a number of breakdowns and capsizes (including J. L. \_\_\_\_\_). Keith Taboada from Metedeconk River finished second with Rich Warren/Randy Swartley third. This regatta has developed into a terrific fall weekend and we invite all to attend in 1988.

With Charley Howe, ILCA Past President, recently installed as Commodore of Surf City Y.C., we are looking forward to our best season

ever.

Close competition is what it's all about, and Fleet 212's, 1987 season saw very close, hard-fought races. The first three boats often finished within seconds of one another, and over half of the fleet placed in the winning position.

The Championship Series was decided by one half point, and the Fall

Series was tied going into the last race.

When the mist settled and the points were tallied, Dave Gall had bested all contenders, finishing first in the Spring, Commodore's, Summer, and Championship Series, with a second in the Fall Series. Dave did not miss a single race all season.

Dean Caley picked up a first in the Fall Series, after second place finishes in the Spring, Summer, and Championship Series.

Tim McCain scored a second in the Commodore's and third in the summer.

Bod Neading picked up third in the Fall and Championship.

Mike Partridge placed third in the Spring and Commodore's.

In August we welcomed the John Green family to our fleet, bringing our number to 11 boats. The Lightning is the Green's fourth type of sailboat but their first opportunity to experience racing.

Our annual Harvest Moon Regatta saw a break in several weeks of nearly constant rain, with modest but not embarrassing winds. Tom Varley traveled from Columbus, Ohio, and placed first, followed by our own Dean Caley, Dave Gall, and Tim McCain. The locals pressed Tom much of the time, leaving him mumbling in good humor about "team sailing" tactics.

This year also marked the twelfth consecutive visit to our regatta by George Auer from Cleveland. I would think that if George does not hold some sort of record, he certainly deserves an honorable mention.

1987 was a spectacular year for Lightning Fleet 215. Eddy Martin, Perry Owen and Jay Mann went to the World Championship at Cartagena, Colombia and distinguished themselves by finishing second. The winner was Chile. The boys worked very hard to achieve this success and they well deserved the many congratulations they received as a result of their accomplishment.

Also from our Fleet, Peter Hall, Scott Morgan and Alain Boucher represented Canada in the Pan Am Games at Indianapolis. Here again, our crew came through with flying colours and was second, this time to Argentina. A spectacular performance under extremely difficult and fluky conditions. Needless to say, the Fleet was very proud of their efforts which was a result of a tremendous amount of dedication and work. We might add that this crew also won the Canadian Open in August in Toronto.

Meanwhile back at the ranch, we had a lot of activity. There was a great deal of interest in Lightning sailing at the club, particularly as a consequence of the outstanding achievement of the crews mentioned above. Peter Hall was the Fleet Champion, Billy Layton was the runner-up. The interest in Lightnings at our club is continuing and there is every indication that next season we will expand our fleet with the addition of a number of new names. The Pointe Claire Fleet, which is just up the Lake from us, is also performing enthusiastically and we are combining our affairs as much as possible in the interest of developing Lightnings in this area.

Our Lightning Fleet sailing on Saginaw Bay had a wonderful season this year

The Wednesday Evening Championship Series ended September 9. The last race of the season, as several before it, was under drifting conditions. As all good things must end, so must our series.

The top five sailors were:

Skippers	Crew
1. Joe Dissette	John Lauderbach, Greg Bull
2. John McCree	Robin McCree
3. Steve Swanson	Dave Cochran, Marshall Long Train
4. Chris Hesse	Ruth Howell, Sue Schmerheim
5. Bob Hafford	Karen Smith, Pat Zaplitny

The New Fleet Member Award was presented to Mike and Patti Olgaard, our newest members. Mike and Patti did very well in their Lightning for the first season. The Mid-Fleet Award was earned by John Johnson.

The Ruben Clamso Capsize Award went to Chris Hesse. The Capsize Award is a trophy that travels back and forth thru the fleet for the best capsize of the season.

A very busy season for us all, and it all began with our Spring meeting in May at Treadwells — where the first order of business was to honor our own May P. Robinson, having left us this year to sail in loftier waters. With a timely assistance from the Grandfather clock's chime, we all paused and remembered May. But May wouldn't want us to be sad for her — but rather be remembered — as a great person, a Lightning sailor, and one forever young at heart. She'd want us to go right out there at that starting line and go for it and have fun — and we did just that this year. We inaugerated a Spring Series in June — and got three races in. David Parker blew everyone aside for 1st, with Jerry Bezner, 2nd, and Irwin Stone, 3rd. The Appleblossom and Barnes Memorial ended up being sailed together due to a prior rained out date, with John Treadwell winning this event, after finally overhauling Harry McMillan-2nd, and Jerry Bezner took 3rd with a spin-

naker jam problem. The Commodores Cup was next with eight boats hitting the starting line. Dave Parker and crew provided the entertainment for this one, as they had some minor difficulties at the windward mark. The 1st time around he lost his crew, Doug Averill, overboard and went from 1st to 7th - and the 2nd time around thought it was the finish line (he missed the skippers meeting!) — and in his haste to raise chute and stay close to the leaders, hoisted and ripped the top third out of his spinnaker! These antics allowed John Treadwell to take 1st, with Parker 2nd, and Chuck Stone 3rd. The Pickslay Ramble saw five Lightnings race - and was an extremely close affair won by Jerry Bezner, followed by John Treadwell and Dave Parker. Throughout the summer we sailed 2 series — our new Thursday Series and our regular Sunday Series. The Thurs. Series, intended to be a tad less serious and more laid back - was just that - as 11 races were sailed with the most amazing results you've ever seen. I mean, who ever heard of a 3-way tie for first? - something about a delicate beer exchange in that one; and then there was Jack Jones borrowing Treadwell's old Lightning and winning 2 races - sailing singlehanded! That Thur. bunch were quite a group, as 7 boats participated and had a ball. The results showed Jerry Bezner 5th, Jack Jones 4th (and he doesn't even own a Lightning), Dick Grissinger 3rd, Irwin Stone 2nd, and Sara Treadwell 1st....now wouldn't that put a smile on May's face! The Sunday Series was composed of 10 races and had 9 boats compete. Winning his 5th championship was John Treadwell (of course his new boat didn't hurt any!); 2nd, David Parker; 3rd, Jerry Bezner; 4th, Charles Stone, and 5th, Irwin Stone. The Stoney Island race showed Irwin Stone 1st, the Matthews boys in "May Day" 2nd, and Dick Grissinger 3rd. Four nice races were sailed in the Fall as the fine weather continued for that Series - 1. Jerry Bezner 2. John Treadwell 3. Dave Parker. And our final scheduled race was the Frostbite - a very light and tender affair, won by Jerry Bezner, John Treadwell was 2nd, and Irwin Stone 3rd. The following weekend Sackets Harbor hosted their 1st Fall Regatta in an effort to bring together the local area Lightning Fleets, and two of ours joined others from Sackets, Crescent, Oswego and T. I. Park. Dick Grissinger and Jack Jones finished 4th, while John and Sara Treadwell and Rick Stevens finished 2nd overall. Odds 'n Ends: We missed the Lawrences this year — hope to see more of them next year...enjoyed those younger Stones and their pretty new boat...and how about those 3 past Commodores, Stone, Joor & Studdiford teaming up in the Commodores Cup; rumor has it though they couldn't quite get up on a plane — all that good living I suppose...it was fun having Rick Stevens onboard at Sackets he hasn't lost his touch! - but how many know what happened on the return trip home?...and wasn't that a nice practical trophy Rick gave for the Thursday Series — and only 47 lbs....this year's snow job goes to the Treadwells, they had everyone buffaloed about their new boat - until it was published in the Flashes that is ... but no secret about the next new one - watch out for Dick Grissinger and his new boat next year...and speaking of boats, Treadwells have one for sale - ya hear me, Jones?...and finally this year's Black Cloud Award has to go to those that contributed to the season's only capsize - that ace Coast Guard crew who knows how to slowly bring down a Lightning — ie: when it's blowing 30, stay to leeward and cleat the main - works every time; and just so he can practice a rescue drill!

The Parkers and Treadwells — preparing for the maiden voyage of Treadwell's new Hendershore.

As always El	lost 226 had a busy year	Richard Pellecchia

As always Fleet 226 had a busy year with a full 12-month racing schedule and other planned Fleet activities including Star Wars, Silver Strand, match races and many traveling regattas.

Continuing to concentrate on encouraging our Junior Sailors, the Annual Pram Day Regatta was held in moderate breezes and with a turnout of over nine boats. Many of the Juniors are now interested in crew spots in our regular racing series. We are proud that our Junior Sailors have done very well this year in other one design events including Peter Dreyfuss who captured the Snythe Cup Championship sailed in Lasers, and the team of Kevin Downey, Greg Enos and Kim Logan who "brought the cup home" winning the Sears Cup competition held in Marblehead. It's been eleven years now since the Cup was won by three of our Fleet members, Reid Hutchinson, Fred Hutchinson and Mike Alexander.

Some of the boats in our fleet remained here but changed owners. Welcome to Paul Messina, 13351, Roland Santos, 10700, Rich Raymond, 11981 and Robert Show, 13545. We look forward to encouraging new owners to share in all of our racing events.

Some of our boats suffered minor cuts and bruises and some not so minor this year. Fay Regan, 12050, survived a "watermelon" size hole in her port forward area and Bill Caterham, 13070 now has a mast that's packable (in a suitcase!) for traveling — five pieces at least. The Fleet did a lot of traveling this year, and in an effort to promote more boats participating in "away" events, the Fleet purchased a set of tandum bars for towing two boats on one trailer. It's been used several times and Jim Nolan, 13779 and Alix Morgan, 14212, are planning to make the long trek to California for the N.A.'s this summer.

One of our more interesting traveling regattas was the Annual Eustis Invitational held on Lake Eustis in Florida. Fisk Hayden's hospitality (17 of us stayed at his house) was unmatchable and the normally light, shifty breezes were consistently 20+ all weekend. In one race during the regatta several boats (we won't name names) capsized at the jibe mark one after the other, somewhat like a water ballet.

The Fleet was active in both District events as well as the N.A.'s this year. Congratulations to the team of Eamonn Delisser, Heidi Wood and Robert Pincus, 14098, who made the Blue Fleet this year. Other memers who participated were Stu Anderson, 11702, and Tommy Degan and Kitty Kemminck who crewed for other boats in the District.

Lots of activities and racing events are being planned for 1988 and, as always, all of us look forward to visiting with our Northern friends during the Miami Midwinters this March where Fleet 226 will once again sponsor the "famous" \$6.00 steak dinner. We hope to see you there — and happy sailing!

In 1987 our fleet welcomed the addition of two new active skippers; congratulations to John Mahoney for an outstanding rebuilding job that is finally finished, and welcome back to Brian Lawrence. We are expecting 1988 to bring more new skippers and boats to Fern Ridge Reservoir.

Our summer racing season was full, even though the reservoir wasn't! The fleet championship was decided over a four race series, a close battle with Verson Pandian inching out Morrie Craig for the trophy. The final race also decided the winner of the Barber Cup Trophy; a double victory for

Verson. John Mahoney walked away with the New Skipper Trophy this year; hopefully next year will bring a bit more competition for this award. The fleet celebrated its 35th anniversary in July with a day of fun racing, food, and old friends.

The season ended with a business meeting to elect new officers for 1988 and plan a battle strategy for continuing the growth and enthusiasm in the fleet which our 1987 Captain Leslie McBride started. Special thanks to EYC, our host club, for their patience while we reactivate the fleet.

#### I.L.C.A. ADDRESSING SERVICE

Most of the Fleet and District Officers listed in this Year Book held office during the calendar year 1987. Names and addresses of current officers may be obtained from I.L.C.A. Headquarters.

Some of the Members listed in the Registry of Lightning OWNERS have moved since the Registry was prepared. Current addresses may be obtained from I.L.C.A. Headquarters.

We offer addressing service to Fleets, Districts, and Yacht Clubs. We will address labels at 10¢ per name for any District. Additional charge is made for the amount of postage required to mail them to you. Names available are those of Lightning owners who are in good standing for 1987 and 1988.

This service is also available to Lightning builders and sailmakers at 15¢ per name and to others at 20¢ per name.

Contact I.L.C.A. Headquarters, 808 High Street, Worthington, Ohio 43085, giving sufficient lead time.

# HALLWILER AND SEMPACHERSEE FLEET (250) Switzerland District Sailing on Lake of Sempach and Hallwil, Switzerland

Fleet Captain/Secretary	 Christoph Luthy
Fleet Champion	 Urs Wyler
Runner-Up	 . Stefan Scharer

Boat No.	Boat Name	Skipper
9034	Fair Lady	Peter Taschler
12571	Joy III	Ruedi Herzog
13099	Domi-Nike	Christoph & Hans A. Luthy

The sailing season began as usual at the end of April on the lake of Hallwil, where four boats from the lake started against four boats from Fleet 169 and Fleet 358. The team of Herzog/Luthy/Fuchs sailing together finished 2nd over all behind Wyler and before Schmid (both Fleet 358). Also, this year all Lightning sailors had been invited by Ruedi and Greti Herzog for a great barbeque dinner in the clubhouse of the sailing club of Hallwil.

The first weekend in May, nine boats met for the fleet championship on the lake of Sempachersee. The first race was won by Wyler before Scharer. In the 2nd race a thunderstorm was announced by black clouds. As it happens quite often in this season, the wind could come very strongly, when it comes downhill from the southwest. We call it "Heubeeri". With beaufort 7 the boats were even flying under spinnaker. Domi-nike — 7th at the first mark — rounded in front at the leemark. But before Luthy could reach the finish line, the wind died totally and the race was abandoned. The Sunday race was won again by Wyler, and he became Fleet Champion 1987, winning the "Luthy-Bell" Trophy for the second time.

As in other years Luthy was sailing abroad, winning in Fallanden and getting fourth at the District Championship in Neuchatel. As former winner of a Swiss Championship (1974) and as European Champion (1985) he was invited to sail the Race of Champions on Lasers, a race which is sailed in a cup system, where only half of the boats will reach the next final. Because of very strong and unsteady wind conditions, there was no chance for yachtsmen and Lightning sailors however. Peter Taschler was crewing this year for Hanspeter Schmid, getting 6th at the European Championship in Numana. Otherwise he was very strongly engaged crewing in the 5.5m series — or he did military service. Also our new fleet member Anton Fuchs was quite active this season.

"Paddle — no Motor" is the device of Ursus Merz's sailing school on the lake of Hallwil.

The Keuka Lake Fleet enjoyed an extremely successful racing season on beautiful Keuka Lake. We had a June and September series as well as our official season series from July 4th to Labor Day.

Spectactular growth has occurred in our fleet which now numbers ten racing boats. Tom Hall, Rowland Stebbins, Paul Schnipelsky, and John Mastrostefano are most welcome new skippers.

The Keuka Fleet again sponsored the very popular Bully Hill Champagne Regatta on August 2nd and 3rd. Moderate winds created ideal sailing conditions for the twenty-one participating boats to complete a five race series. Champagne, dinner and dancing gave everyone a chance to renew friendships and make new ones. We look forward to seeing all of you next year at our 1988 Bully Hill Champagne Regatta which will be the Central New York District Regatta.

At our annual picnic in September, officers elected for the 1988 season were John Wahlig, Fleet Captain; James Staunton, Vice Fleet Captain: John Mastrostefano, Secretary-Treasurer.

Fleet 253 had a good year, keeping one-design sailing alive at the Susquehanna Yacht Club. Comet, Scot, Dutchmen and other fleets have come and gone, but the Lightning lives on, albeit in slightly diminished numbers.

Starling "Mike" Mikell, Jr. emerged as fleet champion for the zillionth time in our Sunday afternoon racing series, nipping Barry Dunwoody. Regatta winners were Fred Bush in light air over Memorial Day weekend, and Dunwoody in three rainy Labor Day weekend races.

Upstate New York visitor, Dick Hallagan won the Pennsylvania Governors Cup Regatta Oct. 3-4 for the fourth year in a row. Chris Raubacher of Rehoboth Bay was second in the 17-boat fleet and Steve Bachman of Annapolis third.

SYC folk crewing "in the big time" at away regattas during the season included Bucky and Mike Beaver, Sandy Martin and Bob Bush.

In a fleet-building, public relations effort, Mikell, Bush and Charlie Noble went up to the Harrisburg Red Cross Regatta on tiny Pinchot Lake near the Pennsylvania capital. Our three Lightnings were the "Big Boats" in a 30-boat handicap fleet that included Windsurfers, Sunfish, Lasers and a variety of other craft. Mike took a second on corrected time and our Lightnings got a lot of attention that we're hoping will pay off in future years. We're planning to invite the Pinchot sailors to the SYC and morespacious Susquehanna waters this summer.

Lightning fleet 270 has concluded another exciting year. Our sailing season this year stretched from the 8th of April to the 1st of November. As always it was highlighted by the Indiana Open on the first weekend in May in which more than 30 boats competed again this year. Fleet membership increased for the second year in a row, and our sailing activities were complemented by our "off the water" activities including a progressive dinner and a backyard barbeque.

Competition in the fleet intensified as some of the younger members challenged the previous champions for the fleet honors. Karl Suter won both the spring and fall series in the Gold Fleet after hard fought battles with Joe Lassaux in the Spring and the Higgins family (alternating skippers William Higgins Jr., William Higgins III, Jeff Higgins and Beth Higgins) in the Fall. Joshua Fineberg won the Silver Fleet in the Spring Series edging our Ken Woods, and Fleet Captain Walt Tinsley won the Silver Fleet in the Fall Series.

Attendance on the race course has been good this year with seven to twelve boats on the line during the seven major club regattas. The outlook for 1988 is even brighter with the potential for more active fleet members than we've had for the last five years. Once again Fleet 270 will host the Indiana Open in the spring, and the Indiana districts in mid-summer.

Things got off to a slow start this spring. Ron was off playing with the big boats in the Marion race. Walter had loaned his boat to his son, Jack was playing the wood boat routine and it was too early for Doc to be in the water. George and Bill were traveling. Somehow we managed to get thru the Spring Series with George leading the pack in first place.

Summer found everyone going their own way and not enough boats together to qualify for a series.

Finally August rolled around. Walter got his boat back and Jack got a primer coat on his. Ron was back sailing his Lightning. Doc got his boat dusted off and in the water. It was nice to see everyone back sailing again. We were managing to get 6 to 7 boats on a starting line each race.

A Junior Day was put together for the first time. George and his brother Ken rounded up all the juniors in the club and put them in Lightnings. We started out with 4 boats and before the first race started, one boat broke a rudder which put it out of commission for the day. Crews were swapped around after each race. Mike Deyett was in first place by the end of the day. A cookout was held for all participants. The day was a big success and everyone agreed we should do this more often next year. Great job, boys!

Fall Series had good participation with Norm in first place. Walter in second and Ken in third. It seemed like we just got everyone together and the season ended. The first race in 1988 seems like a long way off. I hope we have a good winter for ice boating, as this will make the long winter more bearable until we can start sailing in the spring.

The 1987 season began before the water was high enough to float a boat in Lake Arkabutla. We found a spot on the floor of the Memphis Convention Center at the local boat show in February and used a rigged Lightning to build on the enthusiasm generated by the America's Cup to try and attract some new faces. This and an early season "open-house" event on the water was worth the effort in raising awareness, signing up some new crew, and even getting a new boat on the water. The new owners are Ken and Susan Prince and they join Roy and Mary Jane Robbins as new skippers. The Robbins' eager and persistent efforts have paid off this year when they tied for third at the Muddy Rudder Regatta in St. Louis in October where our fleet sent five representatives. A little help from the growing talents of young Bill Baxter III must be acknowledged.

Our fleet's premier event of the season, the Hernando DeSota Regatta, held in May, was again a success and continues to draw the best sailors in the District as well as from Dallas. Twenty boats participated and Bill Baxter got a clear indication of how his season would go by becoming the first local skipper in several years to win the event. Of course, the consistent and spiritied participation of daughter Cecile in the boat this year with Bill and Barbara sure helped. Second place went to Jim Ward and third to Frank Kelly, both of Nashville. Race Committee duties by the steady experts, Lee Breazeale and Bob Shedd, complimented the organization of Ken Davis and Lynn Jones and the help of volunteers from Delta Sailing Association to make for a fine event.

Fleet members did their share of traveling this year. Crit Currie again went to St. Pete and Crit was joined by Max Shelton at the North Americans. Bill Baxter III and co-gung-hoer Peter McDonnell sailed in the Juniors at BCC and then crewed for Max in the main event. The fleet was well represented at the Districts and at the previously-mentioned Muddy Rudder where Bill Baxter took the first place trophy with ease after building a season of momentum. Lynn Jones and various crew traveled this past year from Dallas to Nashville and from New Orleans to St. Louis, and points inbetween.

Good winds, plenty of lake water, and fleet participation made the season at Arkabutla a success. We were glad to welcome back three veterans who had taken short sabbaticals, these being Jim McDonnell with a new (to him) boat, Broady ("Get up there and hike!") Sharpe, and Dan Daniel, who along with crew Jacques Kregting, is making it a real battle for fleet "hot shot." Larry Jenkins and Max Shelton, as well as Bill Baxter, never needed to look far to see Danny this year.

We had our share of memorable events this year, but two are worth mentioning: (1) a brand new boat and new sails which helped Col. Joe Kelly and son Tony to a first in one race of our fall Cotton Pickin' Regatta (where Don Sherburne of Nashville won it all); and (2) a late season exhibition of single-handed wizardry by Frank Bermel who even set and jibed the spinnaker on his way to winning the race! Needless to say, if you're in our area, stop by for some "southern hospitality" — Memphis style!

Fleet standings: Spring Series — Bill Baxter, first; Max Shelton, second; Broadus Sharpe, third. Fall Series — Bill Baxter, first; Dan Daniel, second; Broadus Sharpe, third.

Close action in the Hernando DeSoto Regatta.

1987 has been a rebuilding year for the Temple Reef fleet. Regular racing has not materialized but local sailors have enjoyed several successful regattas. Jim Cameron was the top local Lightning sailor winning the Wind Jamboree and Loon Lake regattas. Jim also competed in the "North Americans." Ross and Nancy Bailey finished rigging their newly rebuilt boat twenty minutes after the starting gun and then raced to victory in the Amethyst Races in September. The Bailey's winning ways continued into the Slush Cup. The season finished with Jim Cameron taking the silver in the Snow Bowl Regatta.

1987 was also the year that Temple Reef saw new sailors to the class. Most fanatical was Willy Evans who placed in the top five in all regattas and who logged more sailing hours than the rest of the fleet combined.

Light winds and "balmy" weather were the order of the day for the start of our 1987 season, on January 18th. During this Frostbite Series our hard working Fleet Captain was rewarded with a bent beer can for winning Vancouver Lake Sailing Club's "America's Cup Commemorative Race."

The spit-roasted lamb dinner that was part of opening day on April 12th was not enough to keep Jerry & Sandy Neuburger and Allan Weber from attending the California Circuit. They returned with tales of good racing and the Neuburgers had acquired a Laser.

The fleet held team races at VLSC in April. This type of racing is a regular event in our district and we felt that we should introduce it to our fellow club members. To make things fair a team consisted of two Lightnings and an Int'l-470.

The Memorial Day Regatta at the Eugene Yacht Club was the first big regatta of the year. Sadly, there was very little wind or racing; but, when all of the hoopla was over, Phil Parshley snagged a first and "Father" John DeBenedetti had nailed down a second.

June brought our own VLSC regatta, referred to in the *Flashes* as a "Mud Wrestling Event." The winds were 12 to 18 on Saturday and from little to none on Sunday. Also, due to a very dry winter and spring, the water was minimal. The Seattle fleet proved that they were better in the mud, taking 1st, 2nd and 4th. Lisa Parshley and John DeBenedetti saved our honor, taking a third and a fifth respectively.

The Neuburgers got the travelling itch again in July, and, along with the DeBenedettis, attended the Firecracker Regatta at Klamath Falls. Besides a 600 mile trip, "THE" DeBenedetti got a second and the Neuburgers a third.

The 1987 Districts were held in July, in Vancouver, B.C., at Kitsiland Yacht Club, on the weekend following the regular Kits Regatta. This meant a lot of travelling in the space of a week, or just doing the Districts. Our hardy travelers were Dave Hickman, the Parshleys, the DeBenedettis and the Neuburgers.

For most, the place to be in August was the Buffalo Canoe Club, and we all know why. Lisa Parshley started August by capturing first place in the Women's Districts, held at VLSC, and filled in the rest of the month by competing in both the Women's Championships and the "North Americans" at Buffalo. Unfortunately, somewhere between the west coast and Buffalo she contracted the flu and had to compete at a slight disadvantage.

The rest of us competed in a one-design regatta for keel boats, held on the Columbia River. The Lightning was the only center-boarder asked to participate. Our showing was such that the fleet has been invited back to compete in the 1988 event.

October saw the Seattle Regatta, on Puget Sound, with Phil Parshley coming away with a second and DeBenedetti landing fourth. The end of October had the fleet again trekking back to Vancouver, B.C., to close out 1987 by defending our reputation in the district's team races.

Should any of you find yourselves in our area in 1988, please do not hesitate to stop by VLSC. There is usually something going on all the time, and I am sure that we can find you a boat to use. If you cannot make it, we still hope to see you in San Diego.

The sailing activity of this season was limited at Fleet 310 due to bad weather — it rained nearly every day — and bigger sailing competitions which locked most of the Lightning-men to bigger boats. Some Lightning-sailors didn't even get their boats off their trailers.

However, Aulis Naykki and Heikki Ulen did manage to get in the District Championships in Hanko. Aulis Naykki with his crew Jari Makineste and Reijo Ilmasti finished fifth and Heikki Ulen was 16th.

This summer we got a new Lightning-sailor in our fleet. He is the youngest one too, only fourteen years old. Welcome to the fleet, Carl Hansen! We also had a visitor, Harri Raikamo, who moved from Kemi to Helsinki several years ago. He represented Fleet 166 in some of our racing competitions. The Fleet Champion this year was Heikki Ulen and the runner-up Seppo Posti, who took part in almost every contest we had.

Good wind and good competition highlighted the 1987 season, which was made all the more enjoyable by a modest growth in our fleet. After several years of having only six or seven boats out regularly, we had nine boats in almost every race. With a couple of new boats already committed, and with the return of a couple more who have been left ashore of late, we hope to field at least a dozen in 1988!

This year's results were somewhat predictable, but the trophies were

nicely spread around even so. Our young star sailor, Ted Ganley, found enough time in his med school curriculum to finish first in both the Early and Late Series, and won both the Buss Neff and Skipper's Cups. Tom Hopkins placed second (tied with Jack Gregg in the Early in both series, won the Commodore's trophy, and placed third in the Summer Bay Race.

Al Mast won the Walbert Cup and the Summer Bay Race, and placed third in both the Late Series and the Fall Bay Race. Bob Horne finished third in the Early Series, and second in the Fall Bay Race.

Jim Ganley won the Fall Bay Race, and Charles Witomski placed second in the Summer Bay Race. Our sailing family of Roseann, Joe, and John Spych (not all in the same boat) managed to qualify for the Butt Award, thus becoming the newest members of the Kentmore Park Polish Navy.

See you all next season — Let's go for an even dozen on the water in 1988!

Newleyweds — Fleet 325 champion Fred Mertes and bride Mary Katherine.

The Rehoboth Bay Sailing Association Lightning Fleet 325 began its 1987 season with the hosting of the Twenty-First Annual Delaware Governor's Cup. Twenty-five boats were on hand to participate in the moderate to heavy air on Saturday and light and variable conditions on Sunday. Local favorite, Fred Mertes, won the event with consistent finishes, followed by Steve Bachman and Doug Heussler in second and third, both being from Annapolis, Maryland.

On July 25th and 26th, the R.B.S.A. hosted the Atlantic Coast Cham-

pionships; thirty-one boats participating from as far away as Columbus, Ohio, and Newport, Rhode Island. Conditions were light to moderate, with Newport sailor, Brad Read, taking away the top spot, followed by Jack Huntsman, of Red Bank, New Jersey, and in third place Matt Fisher, of Columbus, Ohio.

In between regattas, the local fleet hosted the Summer Series, Fall Series, and Fleet Championships. The Summer Series was won by Fred Mertes and followed by Chris Raubacher. A shorter version of the Fall Series, due to Rehoboth Bay Sailing Association hosting the Sunfish North American Women's Championships, was won by Fred Mertes, with Dave Racine taking second.

A combination of the Summer and Fall Series resulted in Fred Mertes being the 1987 Fleet Champion, with Dave Racine as the Runner-Up.

Rehoboth Bay wrapped up the season with the Purnell Memorial Regatta. Attendance was excellent this year, with 16 boats participating from Rehoboth, Maryland, and Virginia. Steve Bachman, of S.S.A., was first, followed by local sailors Fred Mertes in second, and Dave Racine in third.

R.B.S.A. looks forward to a very busy 1988 season with the hosting of the Twenty-Second Annual Delaware Governor's Cup on June 11th and 12th; and Dixie District Championships on June 25th and 26th; and the Purnell Fall Regatta on September 10th and 11th. Hope you all can find time to come visit us and sail on our excellent waters.

Summer '87 was the rainiest of the whole century in Finland. Despite the rain, the activities in our fleet were much livelier than they had been for many years. We got a new Lightning skipper Timo Holma and his beautiful female crew members. Ari Kokko with his boat *Lola* showed his sailing skill this summer when he placed quite well in several competitions. Maybe the biggest change in our fleet of boats is happening in the *Valko* in which Anssi Lilja, who is only 16 years old, is taking the command into his hands. His father, Ilkka Lilja, who is the most successful sailor in our fleet, is unfortunately leaving the Lightning because he is going to sail with big keelboats.

The Finnish Championships were held on the sea off Hanko which is the southernmost point in Finland. The sailing area was very fine and suitably protected by many islands. Our fleet was represented only by the *Kristiina*. This time the final result was an average placing of 11th out of 25. Four boats took part in our own Championship which was more than for many years. This year's Fleet Champion is the *Kristiina*, Samppa Salminen, and the Runner-up is the *Lola*, Ari Kokko.

We are looking forward very eagerly to next summer, because the World Youth Championships and the European Championships will be hosted by the Finland District. Both races will be sailed on Lake Nasijarvi at Tampere. Our fleet is going to send four boats to the Europeans. Anssi Lilja and his crew will represent our fleet in the Worlds and we wish them the utmost success!

All the members, past and present, of fleet 332 were saddened by the death early this Summer of Bob Custance. Bob was one of the founding members of the fleet 27 years ago and had remained active as a skipper or crew right up through last summer. An anonymous donor has provided the fleet with a Bob Custance Trophy which will be placed in competition in 1988.

Our season turned out well. The winds were mostly good, the sun was shining, and the spinnakers looked beautiful every Sunday against a mountain backdrop.

The fleet has continued to grow steadily. Five years ago, three or four boats would turn out for a fleet race. This year six skippers sailed enough races to qualify for the season championship. All our spirits were lifted when eight competitive boats appeared for the last two races of the season.

Racing trophies were well distributed. Dwight Gertz won the season championship and the annual open Lightning regatta. Bob Ayotte beat 21 boats ranging from a Sunfish to a Hobie 18 in the annual "Around the Lake" Race. Dave Closson won the "Pop" Closson Bowl for the last three races of the season. Jack Russell was season runner-up and notched a first place on a day when a member of the Australian America's Cup crew borrowed a boat to race with us but couldn't touch Jack. Doug Walker and Ginny Welles both showed great improvement in their second season. Doug won a race on Labor Day. Ginny had a second and a third and repeatedly threatened the leader. Peter Adams and Wally Ackley came out

to race for the first time and both beat somebody on the first day.

On Labor Day weekend, 31 people ranging from fleet founders Howdy Wood and Dick Blair to newest member (that day!) Peter Adams gathered for dinner at the fleet co-captains' house and talked into the night about good seasons past and better seasons to come. Bob Custance would have approved.

This was a year of many contrasts. Some weekends there was so much wind, on a few ocassions we couldn't sail, and then other weekends light 7 to 8 mile an hour winds. We started off the year with a bang by hosting the Central Eastern District Championships and a good time was had by all, Jack Elfman's thank-you speech will long be remembered by all the participants from our club.

We then traveled to Surf City for most of the remaining summer which was capped off by the LBYRA Regatta. For our club Regatta, we had winds in the 20-25 knot area and this series of races once again decided our Annual Fleet Series, which had been very closely contested throughout the season. This year, Bill Clarke moved back to his preeminent position as Fleet Champion as the younger collegiate sailors had boat trouble and attendance trouble.

Next year, we are looking forward to having a few more boats in the Fleet and continued friendly competition with Clubs to the south.

July brought good weather and racing to Galway as we had four to six boats on the line for most races. Unfortunately, August weather deteriorated, Maury Gardner returned to Oregon, Jim Millard and crew went to Africa (no sailing — too many hippos), and Ken Buhrmaster and Harold Hansen were on injured reserve. Walt and Dale match-raced most of the month with Jim Dickson.

Jim Millard, with super crew Nell and Doug, was able to get in enough races to retain the trophy, with Walt and Dale a close second.

Hopefully, our numbers will return to normal next year.

Fleet 348 concluded a very competitive season of racing on Lake Lanier. Although the weather was beautiful for racing, the drought was draining the Lake. We had ten participants race in 20-22 local races this year. The Spring Series was won by Marty Headlee, followed by Ken Wallace and Bob Shingler. The Summer Series was taken by Bob Shingler with Ken Wallace and Bob Schindel capturing second and third places. The Fall Series was decided in the last race with Ken Wallace beating out Marty Headlee for first place honors with Bob Shingler claiming third place.

Also dependent on the best race was the Fleet Champion Trophy which went to Ken, with Marty as Runner-up.

The Atlanta Cup, held October 3-4, was an exciting Series with Bob Wardwell holding off Lenny Krawcheck to take the fifteen boat event.

Fleet 348 adds two competitive sailors to next year's activities as well as several new boats. We look foward to a great 1988 (if the lake fills back up).

The 1987 sailing season proved to be a year of consolidation for our fleet. Long time member and top partier, Bill Ehmann, has moved. However, he hopes to find an active racer in our area so that his boat continues to be campaigned. We wish Bill the best of luck in his new career, but he will be missed by all.

Our club conducts Tuesday night racing from early May through August and although we seemed to be plagued by light winds — it seemed to be the only night that it didn't blow! — we still managed several close, exciting

Two of our members participated in the Pacific Northwest district this year with longtime absentee, Neil MacGibbon, making his presence felt at the Kits Invitational and the Districts, both of which were held in Vancouver, British Columbia. Bob Bazett also attended these events picking up second and third place finishes respectively. The racing at the Districts was particularily exciting as only two points separated the top four boats. Bob also attended the Seattle sponsored Fleet Championship Regatta, which in

his words resulted in a comedy of errors. However, good winds and sunny skies made the trip worthwhile.

We hope that next year will see a resurgance in fleet activity and hopefully some new members.

1987 can be best summed up as an OK year for Fleet 372. Our ILCA memberships were at a record high, but early season participation was a little dismal. Later in the year, things heated up quite a bit, so we closed the regular season on an upbeat swing.

Followers of Fleet 372 know we spend a lot of time on the road. But our combined mileage can't match the single effort put in by Chuck Ellery. Of course, a trip to the Southern Circuit alone is good for one oil change, but he also hit everything else within five fleets' range.

It was great to have Bob Smith bring his boat out of long retirement, signaling the end of his home building project. Bob's teaming up with two-time Fleet Champ Tim Barnes means real problems for others with intentions for the 1988 Fleet Crown.

This year's Fleet Championship was a very close race between Bruce Arnold, Chuck Ellery, and Mark Patty. Mark was awarded the title, his seventh. One of our most coveted awards also refers to this same guy; it's the Mark Patty "Sizer of the Year", recognizing the season's best lay-down. Well, there is a reason for its name. Once again it was Patty who stunned the Fleet with a now well practiced double-entertainment-bonus-extravaganga. Regular Year Book readers know what this is.

Two great things did happen this year. First, Mike and Arlene became Mr. and Mrs. Molina. Their outdoor wedding and reception was terrific.

The second thing is our big story. Bruce Arnold was named SBRA Yachtsman of the Year. The award was presented at the SBRA 50th Anniversary Banquet in October. The Lightning Class is honored that one of our own has been selected for this prestigious title. Bruce, who now joins a very exclusive list of Northern California's finest yachtspersons, recognized his wife Sue and sons Kevin and Rand for their mutual enthusiasm and support. Anyone who has been around the Arnolds knows they are special. To Bruce, all our heartiest congratuations.

The 1987 racing season was a fantastic one for Fleet 387. Our weather was exceptional, with only a couple of drifters on race days.

The Spring Tune-Up Regatta, drew 17 boats from five clubs with the first and second place boats separated by a single point after two days of super racing.

Most of the summer races were hotly contested with two new members adding to the over-all enthusiasm. Everyone's looking forward to next year's friendly competition.

The St. Mary's Boat Club is located on Grand Lake in West-Central Ohio. The topography is very flat and open, allowing for ideal wind conditions on our 11 mile long, 2½ mile wide lake. We hold two eight-race

series during the summer, under the Portsmouth Handicap system. Our first series was won by Dick Barber, and the second by Phil Cornett. Our Fleet Champion is determined by the best ten races of the summer, and was won by Phil Cornett.

The Thundermug Regatta was once again blessed with ideal sailing conditions and a participation of 10 boats. Tom Varley walked away with all honors, followed by Phil Cornett and Dick Pugh. We are extremely pleased with the support from our sister fleets of Leatherlips and Cowan at the event, and are hoping other neighboring clubs send representatives to the Thundermug next year.

The Easternmost Lightning Fleet on Long Island, Fleet 431 sails on Shinnecock Bay out of Southhampton Yacht Club. Shinnecock Bay is a wonderful place to sail with consistent breezes blowing in from the nearby Atlantic. Best of all there are very few power boats!

Fleet 431 increased from 11 to 15 boats during the 1987 season. Two boats were brand new and the rest were "previously owned" boats from outside the Fleet and from members moving up to a new boat.

Racing on Shinnecock Bay begins in June with our Commodore's Membership Party to get everyone together and to give new sailors the opportunity to see our facilities. We have a Championship Series of races which is held on Saturday afternoons and a Wednesday Night Series. The Long Island Lightning Districts were held on Shinnecock Bay on July 11 and 12th. Many Long Island Lightning sailors enjoy the fine conditions on Shinnecock Bay and the Districts are often hosted by Fleet 431. Fleet 431 racing ends the week after Labor Day. We host the Annual Shinnecock Bay Lightning Regatta the last weekend in September. Please plan to attend next year!

This year our Championship Series was won by *Beaujolais* skippered by Commodore Tim Rumph with his wife Susan and father Ray as crew. *Quantum Leap* with Kent Rydberg at the helm was Runner-Up. The Early Season Trophy was won by Hugh Halsey II sailing *Windy Too* with his son John and Past Commodore H. Rogers Benjamin as crew. The Late Season Trophy was presented to Richard Warren sailing his brand new, bright red 14138. This was his first time in the silver. The Time Allowance Trophy was awarded to Randy Cardo for his fine effort during his first year as skipper.

The Wednesday Night Series was also won by Tim Rumph, John Halsey skippered his Father's boat to a second overall. Kent Rydberg was third and

Gary Glanz was fourth in his grand new Fulmen 14157.

This year the Long Island Districts had an unusual addition — fog for both days. After some difficulty, three races were finished. Tim Rumph (he's something else, eh?) and Bruce Atkinson both finished with 6½ points. First went to Bruce as he had beat Tim twice. Bob Shewan was third and Alan Pearlman was fourth.

Southampton Yacht Club celebrated 50 years of Sailing this year. A very successful dinner dance was held on August 7th. Special thanks go to Missy Glanz for the fine job she did organizing this event. Everyone hopes we don't have to wait another 50 years to have a fine evening like this one!

As our season runs until the end of November, we report the season champion and runner-up for 1986.

1987 has been an interesting year for our fleet. Many of the hard-core racers who moved through our fleet for the '79 World Championships and the '83 North American Championships are gone. We are going through a time of rebuilding. Most fleets have gone through these times of transition; our fleet is no exception. Fleet participation is just beginning to show a come-back. We have also welcomed several new members to our fleet. Bill Keating purchased 13200. Experienced Lightning sailor John Morse joined

us from Michigan. Rush Creek also added Roger and Karen Parks. Roger and Karen join us from Missouri. Clarke Newman returned to the fleet after completing his education. The Rush Creek Lightning Fleet is looking forward to a resurgence of strong fleet participation.

The 1987 Spring series made for some good competition. All but one of the nineteen races were won by either Warren Lewis or Clarke Newman. Warren Lewis won the series by one point. There was pretty good participation throughout the series. DeVry Garrett won the handicap series.

The Summer Series showed that even the best of intentions may fall victim to the heat of a Texas summer. Even though fleet participation was not as high as it was during the Spring Series, the sailing was still fun, and very competitive. Wayne Catoe edged out Warren Lewis for the series championship. The handicap series was won by Henry Hoffelmeyer.

For the first time in many years, no fleet members went to the North American Championships. We will be represented in San Diego in 1988-count on it. Except for a tight reach, a strong gust, and a weak gudgeon, Warren Lewis would have won the Holiday-In-Dixie Regatta in Shreveport. Warren showed us his Greg Louganis impression when the gudgeon broke. There is some controversy about whether the mast head or Warren's head hit the water first. Kurt Shuler showed that he can also drive the boat by sailing to a third place finish at Memphis.

We look forward to the rest of the 1987 season. We also look forward to a continued growth in our fleet in 1988.

Fleet 440 had a low level of participation this year with only two boats qualifying for the Fleet Championship. This is a long series with 14 races which began in April and ran through the first weekend in November. Four different boats participated with 5 different skippers. Bill George finally outlasted the competition from years before (having finished runner-up in the three previous years), by taking a first in every fleet race. Ray Brush was the runner-up in this series. Bill also had a good season on the Southeastern Circuit. He finished in a three-way tie for first in the Bottoms' Up Lightning/Thistle Regatta which resulted in a third when the tie-breakers were put into effect, and sailed to a fifth place finish in the Lightning/Y Flyer Regatta at our neighboring sailing club in the fall. Where else can you enjoy two quality District Regattas on the same lake?

Our Fleet participation shows changing interests in our fleet. So next season we plan to make modifications to more clearly meet our needs and interests. Rather than having a long, difficult and competitive series, our Fleet Championship will be held in our Open Regatta and we will use the Fleet races to expose prospective Lightning sailors to friendly club racing and build the skills of our new fleet members. Perhaps in a few years the old competitive format will be revived with new blood. Come sail with us in early June for the Bottoms' Up Regatta and enjoy our major project for the year...our NEW CLUBHOUSE!!!

The recently re-activated Fond du Lac Lightning Fleet started the season with the multi-class Lighthouse Regatta on June 6 and 7. Plenty of wind greeted 19 boats to the warm early season waters of Lake Winnebago. After one race, the wind continued to build and no other races were sailed all weekend. Seven Lightnings participated along with Rebels, Lasers, Force Fives and three other classes. Lightnings took the first four places with Rick Larson, first; Doug Olson, second; Tryg Jacobson, third; Mike Elmergreen, fourth.

The Fond du Lac daysailor fleet had a good Summer Series and Holiday Series. Many sailors improved rapidly through the season. We hope to have a few more Lightnings next year and a bigger turnout for the Lighthouse Regatta also.

This year three boats from Fleet 449 took part in the European Championship at Numana. The European Champion was, once again, the crew Attina-Rallo-Spano; and the crew Vitaggio-Pulizzi-Alagna were in third place. Moreover, the crew Vitaggio-Pulizzi-Alagna took part in the "Worlds" in Cartagena (Colombia).

Our fleet was present with five crews in the Italian Championship which was sailed on the Garda Lake. The forerunner was the crew Attina-Spano-Rallo, third was the crew Alagna-Di Girolamo-Pulizzi. The local Championship has been won by Vitaggio-Lima-Di Benedetto, second was the crew Attina-Spano-Rallo.

Just to finish the sailing activities of the year, we'll have a fabulous Criterium, at the very end of December. Many foreign crews will sail in this event and we shall have the opportunity to sail with crews from Switzerland and Finland.

I would like very much to be real positive and say Fleet 450 has grown in numbers. Unfortunately, this is not true as the Fleet suffers from that old Malady of 'Lackocrew'. We are taking steps to remedy this situation by working with some highschoolers. Hopefully we will be able to get crew members when needed. There is also thoughts of changing the Yacht Club by-laws to allow junior members as an incentive to become involved with sailing.

The Fleet raced a total of 14 times including the State of Maine Championships. Weather was a factor in cancelling several dates. However, twelve diehard crews manned their trusty steeds for the State of Maine Championships. Through rain and fog etc., etc., they tell me that Ray Harrington took first place, with the Deyett brothers in second and Alex Gemmell in third. I was there, but when you get back to the mooring and all the other crews are on the porch, you know that you have done something wrong. Our supper crew and Sunday breakfast crew did a fine job of serving excellent meals. Thanks to all.

There are always good things to report along with the not so good. The not so good is that I got sick out in Illinois at my daughter's new home. I can't blame Illinois for my illness, but it is a thought. This was in July with Eidolon sitting forlornly on the mooring back in Maine. Not so! The good news now, my fourteen year old granddaughter, Sarah, who has been part of my crew for several years, took over the skipper's duties and sailed to a second place position for the season. Now if you find a button in your yearbook, it popped off the shirt of a very proud grandfather.

By the way, the State of Maine Championships are scheduled for July 9th and 10th, 1988. Come and join the festivities.

The main objective of the fleet this year has been to activate Lightning sailors in the area. For this purpose we introduced this year a new type of

competition. This new series of races is named "Tuusulanjarvi Cup" and the rules are similar to the America's Cup. We got five defenders from our fleet and four challengers from other fleets. Pertti Pyy qualified as our defender and the challenger was Terho Aromaa from Helsinki Fleet 166.

The final race was held in September and Pertti Pyy succeeded in keeping the cup "at home". Our Fleet Captain said in his speech during the ceremony that the cup is going to stay in Tuusula for the next 132 years. So, the ambition level is set properly.

The cup succeeded in achieving it's main goal. The activity in the fleet increased considerably. Though it is not solely due to the Cup, it certainly contibuted a lot.

The District Championships were sailed this year in Hanko, on the Gulf of Finland, 100 km west of Helsinki. 33 boats were on the starting line. Our fleet was represented by five boats. The results were excellent from our point of view; Chris Winter was second and Pertti Pyy third. The good results continued in the District Ranking Series; Chris Winter won this with a clear margin.

In summary, the year was good to our fleet. The results in the races were even better than we could expect and our biggest problem, the falling activity, disappeared. Our goal for the next year is to maintain this good momentum.

Fleet 461 hosted the Fifth Annual Invitational Regatta which serves as the second leg of the Florida District Triple Crown. Boats from all Fleets in Florida attended, including our new Fleet at Davis Island on Tampa Bay, making it a great success.

Our Washington Day Regatta was also a great success with good attendance from afar. We welcome Wayne Watson from the Severn Sailing Association and Bill Coughlin from Gainesville to our Fleet this year.

Fisk and Steve Hayden represented our Fleet at the North Americans in Buffalo. We look forward to seeing everyone on the Circuit in March. Ya'all come.

In 1987 our fleet obtained significant improvement in the quality of it's boats with the construction of new boats in Sao Paulo. Therefore we obtained 4 boats as follows: one in exchange for an old fiberglas; two in exchange for old wood boats; and one new acquisition.

In competitive terms, we had significant participation in our National's in Florianopolis — Santa Catarina in April/87.

However, our great event of the year was the "II Campeonato Centro-Sul Taca Sonnervig", in October, with boats from Rio and Sao Paulo. After fourteen years without being raced, we finally reactivated this cup which was won by Claudio Biekarck (Bronze Medal in the Pan-Am Games), and will be included in our 1988 calendar.

This year the "Fleet of Rome" was present at the European Championship with two boats: Cruciani, with crew Battisti and Cruciani, finished 11th and Tartaglia, with crew Di Camillo and Mosconi, finished 12th. The other activities of great interest were the Fourth Edition of ISVEUR Trophy, which took place in Tarquinia, the famous Etruscan city. Also, the De Lorenzo Trophy, awarded to Pellizzaro, with crew Falcini and Cappucci, of the "Fleet of Savio" (476).

Next season our Fleet will again sail on the Lake of Bracciano as one of our bases.

Fleet 481 brought in the new year with its first ever exhibit at the Raleigh Boat Show. Lightning No. 14129 attracted more than its share of attention with lots of questions from the power boat side about "what you did with all the bright colored ropes". The show was the Fleet's first effort of the year to gain new members and potential crew and resulted in over forty serious inquiries.

Fleet 481 sponsored the Southeastern District Races in Oriental, North Carolina. The weather produced some of the heaviest air of the season with many races sailed in over twenty knots of wind. Attendance was excellent on the Pamlico Sound with some eighteen Lightnings from the southeast in attendance.

The Fleet normally sails every April through October at Kerr Lake with the Carolina Sailing Club. This year Lightning Fleet Champion, John Pelosi, was Commodore of the Carolina Sailing Club when it was picked as the outstanding One Design Club in the Nation by the United States Yacht Racing Union. The Fleet again saw heavier than normal air for most of the twenty-four races of the season. For the first time there was an unbroken three way tie for Fleet Champion.

Each October, the Fleet sponsors the Borderline Regatta at the boundary on North Carolina and Virginia. This year's races attracted thirty-four boats from New York to Georgia. It is not unusual for the Borderline to attract a number of nationally ranked Lightning sailors and this year was no exception. Again in keeping with the tradition of Fleet 481, there were no members in the silver.

At the annual fleet get together, John Pelosi was suitably recognized for the best fleet standing in the Southeastern District and new skipper, Bob Wilkins, received the award for most competition spirit. Newly elected officers Tom Hudgens and Ned Nutt look forward to expanding the Fleet and its activities, now in its eighth season.

We planned an ambitious summer series for the fleet, the best 7 of 11 races. Even after adding race days to make up some of the days lost to lack of wind, rain, too much wind (including capsizes) and lost racing marks we had only 6 races to count for the series. If we hold a regatta and count all 5 races as part of the Summer Series, it would double our season. This was our strongest season yet with 4 boats racing regularly in tight competition. It doesn't get much closer than neck and neck spinnaker duals, finishes with 3 boats within 4 boat lengths and days when the two races give a complete flip-flop of the order of the finishers. We brought out some new crew members who raced on a regular basis, despite all the ways we managed to get them wet. We have the crew for at least another boat and we are looking for a few new skippers and boats.

Three of us made it to the Keuka Lake Champagne Regatta with some of us doing well. Our 1987 Fleet Captain (Rick) has moved up from organizing our fleet to head the new small-boat race committee at our Yacht Club. We are hoping he can convince the rest of the committee to provide us with better wind.

1987 proved to be the most active season for the still young Fleet. The Fleet continued to establish itself as an active road Fleet sending good numbers to all regional regattas as well as a number of other Southern and New England regattas.

The Fleet's premier event, the Michelob Classic Regatta was successful, drawing 31 boats. With a little help from the N.A.'s being at the B.C.C., we

were able to attract Crit Currie from Tennessee, Scott Finkboner from California, and Fisk Hayden from Florida. We hope in the near future those skippers will be coming to Oswego for the N.A.'s.

Peter Hallagan won the regatta followed by three skippers from our Fleet: Jed Dodge second; Tom Doran third, and Art Tirrell fourth. Fisk Hayden had the best performance on the second day with a first and fourth, but was late for Saturday's race.

Dennis Dorcey, our local Michelob Distributor, did a great job sponsoring the event. Dennis provided the dunking tank which saw the top ten skippers after the first day of racing being barraged by their crews who paid to take a shot at dunking them. \$88.00 was raised for I.L.C.A. Tom Doran and Fran Watts chaired the regatta and did an outstanding job. Special thanks to Brahm Palm and Bob Harold for excellent Race Committee work.

Jed Dodge joined Fleet 485, and represented the Fleet in outstanding fashion, finishing second in the N.A.'s and second in the CNY Districts.

Fleet Captain Tom Doran won the Fleet Championship with Spensor and Rachal Johnson as crew. He also won our Mayor's Cup Regatta and our Fall Series. Tom and his road crew of Dave Lacey and Ed Hawkins had their best season in area regattas finishing consistently in the top five.

Art Tirrell and his crew of Peter Van Schaack and Doug Keith had some outstanding performances on the local circuit which included one first place finish in our District Championship. Art was also the overall leader in our Michelob Regatta going into the last race but came up a little short finishing fourth overall.

Art made an effort to venture to a regatta held in Sacketts Harbor, NY in the Fall of 1987 and was excited to see some new growth of Lightning enthusiasts on the Eastern end of Lake Ontario. Art won the regatta and became more excited about Lightning racing on the lake (if that's possible).

Joe McCloskey with crew of Jim Finn and Frank Palmer was second to Tom Doran in the Olin Stephens Fleet Championship Series. Joe and crew also finished consistently in the top ten of area regattas.

Fran Watts and crew of Bob and Wendy Finn finished third overall in the Summer Championships Series. Fran, Fleet Secretary/Treasurer, managed some good races in area regattas and continued to become more competitive.

Ed Taverni and crew of Greg Auleta and Brahm Palm finished second in our local Mayor's Cup Championship. Ed continued to be our most active local sailor, usually competing in every local race. Ed also attended area regattas. Ed was Chairman for our open Michelob Regatta which saw three classes compete.

Steve, Vivian and Doug Tucker co-skippered their boat in our local Fleet Races and became involved in local Fleet and O.Y.C. activities. Steve is off to medical research at Ohio State and we all wish him the best. Doug plans to continue to campaign their boat in Oswego.

Clay Murphy also became a Fleet Member this year and continued his consistent good sailing in area regattas. We hope Clay and Jed Dodge can become regulars around our Club. They would be a nice addition to Fleet Racing.

Jim Finn, the Fleet's first Captain, took some time off from racing in 1986 but returned as regular crew for Joe McCloskey in 1987. Jim is currently searching for a new boat and plans to return to active racing in 1988.

Bob Finn, who sold his boat in the beginning of the season, enjoyed crewing with his wife Wendy for Fran Watts, but Bob is also looking for a new boat to chase his brother Jim. Bob may have to share the helm with his wife Wendy who got a taste of skippering this summer. Her first race involved an extensive tacking dual at the finish, which got her very excited about making Bob do the crew work for her.

Frank Palmer bought Jim Finn's old 13881 and plans to campaign Mr. Bill next season. Frank should prove competitive with a good boat and years of crew experience.

Jeff Germain bought 10118 from Joe McCloskey and we all hope to see Jeff on the race course next season.

Ed Hawkins also had some good performances skippering Tom Doran's *Striker* in our Fleet Races with Tracey Taylor as crew. Doug Keith skippered Art Tirrell's boat in our summer series and gives every indication that some day he will be at the front of the Fleet.

This year also saw the Fleet and the O.Y.C. become closer with O.Y.C. members crewing on Lightnings and Lightning Skippers getting involved in keel boat races. The Fleet again sponsored the Old Salt Regatta which got O.Y.C. Members involved in Lightning Racing for a day.

The Fleet looks forward to the 1988 season and welcomes everyone to the 1988 Michelob Classic Regatta on Lake Ontario.

Fleet 485 joins the rest of the Central New York District in encouraging every Lightning Crew to attend the 50th Anniversary Regatta at Skaneateles Y.C. in 1988.

Good sailing conditions (which means no floods in the spring) ushered in a new sailing season at Valley Sailing Association along the beautiful bluffs of the Mississippi River. Many opportunities to sail this year helped us initiate our new racing schedule. This year we went to the triple series breakdown of spring, summer and fall to determine the Fleet Champion. By changing from the past single series, we feel we have allowed more boats to qualify for the Fleet Championship.

Our Wednesday evening series has always been popular. We sail until sunset, not only against other Lightnings, but also Comets, Lasers and any other class that can get their sandwiches and drinks together for the 6:00 harbor gun. After a couple of hours of sailing amidst the pleasant environs of the River we make a hasty retreat to the harbor in hopes of packing the boats away before those miniature blood sucking vampires, otherwise known as mosquitoes, emerge.

This year's highlights came during the first two weekends in October with our Governor's Cup Regatta and Muddy Rudder Regatta. Over forty boats made up this year's multi-class Governor's Cup. Rick Conaway our past and present Fleet Champion not only aced out the Lightning field but the following weekend placed second against stiff competition from Memphis and Decatur in our 5th annual Muddy Rudder Regatta.

It seemed fitting that one boat from each of the participating Fleets placed in our growing Muddy Rudder Regatta: Bill Baxter (Memphis, Fleet 274) first place; Rick Conaway (Valley, Fleet 486) second place; Bob Ohlson (Decatur, Fleet 74) third place.

Amidst the normal changes in boat ownership and new members, the Lightning racers are now reckoning with the name Jerry Wnorowski. Jerry's performance to date has added an element of friendly but formidable competition to the fleet racing. It appears that Jerry is ready to make the Mississippi Valley District circuit next year. Our Fleet encompasses quite a genial mix; there are not only racers but day sailors. Interestingly enough, at Valley the crews of both racers and day sailors are often composed of family members. A prime example of consistent family sailors is Steve Wyers and his daughter Becky who are active in all facets of sailing at Valley. (Is it possible that Becky will be our 1988 Juniors rep?)

The growing Lightning fleet at Valley looks forward to the 1988 season. Come join us and "Sail the Valley."

L-R — Dave Nick, Rick Conaway, Jim Scrivner — "Facination" Fleet Champion Rick Conaway's 14088.

The Chilean sailing season is usually started at Aculeo Lake, the home of our Fleet 490, because the weather and water are warmer than the ocean. The Trials for the Junior Worlds were held at the Lake. Two crew qualified to compete at the World Youth Championship in Buenos Aires, Argentina.

Manuel Gonzalez participated in the Trials for the South American Games and won the silver medal for Chile.

Manuel and Alberto Gonzalez participated in the South American Trials and the Chilean Championship and finished first and third. That Regatta was also the trials for the Pan Ams and Worlds. Manuel went to Cartagena for the World Championship, with crew Alberto Gonzalez and Rodrigo Zuazola. We are proud that Manuel and crew are World Champions.

We are looking forward to increased membership for the Fleet in 1988 and another successful year.

The 1987 sailing season on Lake Nockamixon was a series of light air races. The Fleet Championship was won by Joe Rogan with Bob Blalock as the runner-up. Jim Black won the Cup Series.

The Lightning fleet managed to sweep the Nockamixon Sail Club Championship with Jim Black taking a first place, in spite of suffering from a patched hull complements of a port tack starter from the Pennsylvania Governors Cup. Joe Rogan and Bob Blalock finished 2nd and 3rd respectively.

Both Tom Davis and Charlie Shoemaker shared in many fine sailing performances the entire season.

The captains of Fleet 491 offer warmest thanks to their crews and the Nockamixon Sail Club for an enjoyable season on the lake.

If you're in the area and would like to sail with us contact Joe Rogan, at 6 Queen Anne Rd., Levittown, PA 19057 for details.

Exciting things have been happening to the Selkirk Lightning Fleet this splendid summer of 1987. Our fleet size expanded to eight boats with the addition of 9424 and 11370 purchased by the Clark brothers.

The number of wooden boats equals those constructed of fiberglass in our fleet. We especially admire the loving care which Fred and Chris Weisenburger have put into the restoration of their beautiful turquoise blue boat, Cirrus. Their Lightning would be a prize winner in any contest for looks and style in a wooden boat. Another potential prize winner in the same category would be Frontenac, painted an enchanting pink by her capable owners, Peg and Skip Hodge. And the Clark brothers (Herb and Don) could be seen many an early morning making those all important last minute adjustments to their Lightnings.

Gary Phillips designed and built a boat hoist for his gray Lightning, Glory Days. And the construction by some of the members of our own green "Lightning lift" to facilitate efficient launching on race days is an accomplishment of which the Selkirk fleet is extremely proud. The lift is located on a point of land along the Salmon River near the clubhouse of the Selkirk Yacht Club, to which all of our fleet members belong. The clubhouse itself sports a new look with the addition of a wooden bar which is actually the bow half of our former "committee boat," complete with running light for those who like to continue drinking after sunset. The bar can be seen extending outward from under our porthole along the deck toward the water. It is a great place to relax and swap "boat stories" after those Sunday afternoon races on the sparkling waters of Mexico Bay.

But the biggest construction job of the summer has been taking place at the mouth of the Salmon River and is called the Safe Harbor Project. It involves the building of two "breakwaters" by Durocher Dock & Dredge of Cheboygan, Michigan. Our Lightning Fleet has had to dodge barges, cranes, rock piles, moorings, and tugboats as we made our way through the construction out onto Lake Ontario for our weekly Sunday races. The completed breakwaters and final dredging will facilitate long race seasons in the future and ensure safe passage to and from our race courses.

Some of our Lightnings were sailing as early as mid-April. The summer offered a variety of race conditions. Even on cold, rainy Sundays, we adhered to a philosophy of "the race must go on!" One particularly hearty soul was Pat Clark, who was so involved in the first race on just such a blustery day in May, that she hiked out so far her whole head and body were dragged underwater for several minutes. She had to be pulled back into the boat by her husband and skipper, Herb Clark. But did she give up and come in to port for a hot shower and a change of clothes? No way! Pat remained aboard to crew in the second race and should be commended for her loyalty to the sport and to her skipper!

One of the favorite race courses of the summer was set when favorable southern breezes allowed spinnaker runs to a mark set near Sandy Pond

and back to Selkirk. During one of these races, Dykes "J.R." Riggs was really flying along in second place when he suddenly pulled out of the competition to join a previously planned party at Sandy Pond. Some of the members were surprised at the time, but everyone understood when he returned several hours later with the addition to his crew of a beautiful blond clad in a bathing suit!

In addition to the above named boat owners, we were pleased to have various other sailors participate as crew, including Phil Switzer, Judy Templeton, Bob Perrine, Rob Bernard, Marty Switzer, Louis Lichtenstein, Dan Lapham and David Hastings. One race, Joe Cummiskey was fortunate enough to have two visiting yacht club members join him at the last minute (Bob and Marty Wart). They won the race in Rolling Thunder despite the fact that Marty didn't have time to change clothes. She had hopped aboard in her dress and stockings!

We had some great close starts and some equally great close finishes. And, as always in the Selkirk fleet, during the summer of 1987 a good time was had by all!

#### POINTE CLAIRE YACHT CLUB (499) St. Lawrence Valley District Sailing on Lake St. Louis in Quebec, Canada

Fleet Captain ...... R. A. (Tony) McBride Fleet Secretary ...... Timothy Harris

Boat No.	<b>Boat Name</b>	Skipper
13150	Bumble Bee	David & J. Browne
13519	Ooroo	Timothy G. Harris
13577	Krista Too	Adrian D. Niderost
14200		R. A. (Tony) McBride

We could only get three boats to the line for the 1987 Fleet Championships but we were blown away by a 25 m.p.h. westerly wind and steep chop, even though the three entrants agreed to use M & J only. But the rest of the season produced some excellent racing, some new interest in the Class and the acquisition of a new boat by our Fleet Captain. As well, Fleet 499 hosted the "Districts" and qualified three boats for the "N.A.'s". Peter Hall our neighbor from Fleet 215, won the "Districts" and the "Canadians" but gave up his "N.A." spot to go to Michigan City, Indiana, for the "Pan Ams" where he copped the silver. Tony McBride qualified for the Presidents' fleet at Buffalo and finshed 8th with crew James Parkyn and, Peter McBride in the orange Firefly. David Browne and daughter Lisa also qualified for Buffalo but had a tougher time in the heavy airs and look forward to 1988 enthusiastically.

While 1987 saw no new boats added to the roster, more and more interest in being shown by itinerant crews in Lightnings. Tony McBride has drawn on his extensive advertising background to promote and demonstrate the boat at every opportunity to his 'pick-up' crews, and takes out anyone at any time for a thrilling reach when the wind's up.

Adrian Niderost, owner of Krista II, used his boat again as a cruiser on his summer vacation and swears by the boat's seaworthiness and ease of handling when sailing to out-of-the way gunk-holes for picnics.

All in all 1987 was a year of consolidation for the fleet, and now that all the boats are tucked away for the winter, we plan to work tirelessly to introduce more sailors to the pleasures of the Class with fireside information meetings and get-togethers.

#### TENNESSEE VALLEY LIGHTNING FLEET (500) Southeastern District Sailing on Fort Loudon Lake

Fleet 500's second season was a successful one. New members Doug Moisson, Sharon Boyce, Jack Woodall, and Dave Rasmussen joined our ranks. Three more families are in the market for Lightnings. Activities included Sunday racing, a family picnic, and our first invitational.

Our invitational was a ten boat regatta. Four races were completed in light air. Steve Simmons of Chattanooga won the regatta, Bob Shingler placed second, Peter McCulley placed third, and Jonathan Lange was fourth.

Interest is increasing in our class in East Tennessee. We turned our eight boats to race. We fully expect to be the largest one-design fleet at Concord in two to three years. You should expect to see a few Fleet 500 members beginning to travel soon, too!

Weather leg action at Fleet 500's first ever Invitational.

Fleet 501 was established after the Lightning World Championship in Cartagena last July. Owners of new and old boats, members of the Club Nautico el Portillo, decided on the importance of creating this fleet to strengthen the life of our club and the Lightning Class on Lake Tomine, where we share the water with Fleet 73 from the Club Nautico el Muna; a fleet with many years experience and with excellent skippers and crews. There were 12 Lightnings in Fleet 501 when members purchased four new boats after the Cartagena Lightning World Championship.

We have been very active, starting with the fleet initiation regatta last August 15 and 16 when ten boats participated. Since then we have scheduled a monthly regatta (August 30 with ten boats) and a cruiser regatta (September 13, 15 boats) when we took our families and friends sailing to a thermal water spot in Lake Tomine for lunch and an evening of sun and wind

We have also scheduled monthly meetings where we requested our most veteran skippers and friends to give talks on tactics, rules, and sportsmanship to the less veteran owners and crews. Among the speakers invited are: Richard Deeb, "My Experience in the Last Lightning Nationals in Cartagena"; Leopoldo Gonzalez, "Strategy and Tactics"; Jorge Recaman, "My First Experiences as a Lightning Owner and Skipper" (we expect this presentation to be very interesting, funny, and most important, very constructive for the owners of future Lightnings); Rodolfo Salmang, as the official Measurer of the Lightning Class for Colombia, will prepare a presentation in "Getting the Boat Ready". Topics to be scheduled next are: "The Weather, How To Read It"; "Wind Patterns On Tomine Lake"; and "How To Organize Regattas".

One point worth mentioning, three boats in our fleet are wooden rescues of the old timers — series 745 x - cedar planked, all in top competitive condition. Long live the Lightning!

We are very proud of our Fleet 501 and the success sailing and getting all our friends and families together. The formation of the fleet has really helped our objectives as stated above. We have two big challenges in front of us: 1) We have requested the Colombian Yachting Federation for Fleet 501 to organize a 1988 Lightning Nationals Championship, and 2) we are ready to start fabricating six new Lightnings with the assistance and direction of "Maestro Cruz", the same carpenter that built the 1987 World Champion boat.

From the new Fleet 501, hello to our Lightning friends.

#### **Registry of Lightning Boats**

(Corrected to November 30, 1987)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner is unknown. Where boat number is followed by an asterisk, it means that there is an approved Measurement Certificate on file for this boat. All boats not so marked do not have Measurement Certificates on file.
