

# Simplicity.

Our goals are simple. To combine quality cloth with excellent design to produce the fastest Lightning Sails for you. Achieving that goal is work. We test sails extensively to look for the hidden detail to add speed or ease of handling. We talk to Lightning sailors at regattas to find out more about how the sails are used. And we are constantly looking for the key to offer sails, service, and information simply and efficiently.

The reward from our efforts are visible in the satisfaction you derive from using North Sails. Whether that translates into race winning performance or the feeling of freedom and accomplishment that Lightning sailing provides. We look forward to working with you in 1991 and wish you the best in your sailing.

# DEDICATION

This Year Book is dedicated to the memory of Arnold Schwartz, a great friend of the Lightning Class, as attested in the letter below to Arnold from Charlie Howe.

The Schwartz Family presented the new Atlantic Coast Championship perpetual trophy in Arnold's memory to Tim Healy, 1990 Atlantic Coast Champion. Pictured left to right — Jon, Ethel, and Jim Schwartz, Tim Healy and Crew.

## *To a Dear Friend*

*Dear Arnold,*

*Well, we've made it through yet another sailing season. The Bay Cup was a success, we didn't get blown out this year, only 18-25 mph. Your type air when you were a young man. Two of your sons joined us again this year. Jimmy sailed Ralph's boat, and Jon co-skippered with Jack in **Arnie's Revenge**. Jon had two firsts on Saturday in the rain and ended up second overall for the regatta. It was also great seeing Jane, Holly, and your grandchildren. I can't get over how the kids have grown. They have all done you proud, believe me.*

*Your not being with us this year started to bring back wonderful memories. Your unforgettable laugh, cheerful smile, and good humor always added a great deal to any occasion. Many of us remember those years when you, Steve, and Carl would arrive on the water and teach us a lesson or two, and those spectacular charges down the middle of the Navasink River in **Ethel Baby** with Les and Bill. Least we forget your introducing Carlos to the Lightning Class. What an education you gave him! There were those enjoyable weekends at the beach with Ralph and Janet, and the unforgettable parties at Sandy and Mary's, all of which were followed by sleepy eyed sailors trying to get their act together the following morning. And then there were the times with Barney and Peggy, and our introduction to his Hurricane Punch. I'm sure that Jimmy, Jon, and Kenny will cherish those backyard basketball games in Lincroft where your famous two hand set shots would end up winning the game. And of course there was **That Damn Boat**.*

*What great friends we found in the Lightning Class over the years. Singing on the beach after a long day of sailing with Howard and Mary K, Dick and May, Jack and Patti, Seidi, Ernie, Fred and Marie, and John and Lola. Your visits to Buffalo with Tom and Anne, Stu and Marge, Karl and Ida, Jack and Jean, Bud, and of course Al and Miriam. Then to the midwest with friends like Charlie and Joan, Bruce, Papa John, George and Marty, Gary, Helen, and Jay. Down on the Southern Circuit with Johnny Mac and Barbara, Bill and Bonnie, Bob and Tay, Jim (Fuzzy), and back on the River at MBC with June, Reid, Wim, Henry O, and Bob looking after everyone in his crash boat. The list goes on and on. Few of us can claim the life long friendships that you and Ethel made throughout the World. If anyone could be called an Ambassador for the Lightning Class, it certainly would be you.*

*And then there were the most recent years when not only your boys, but everyone else's children started to make us realize that maybe we passed our prime. Oh well, we still had our "BRAIN" on board, didn't we. So what if we had to graduate to the big boats on occasion. Your stint as a four deck crew in the Carriibbean on a 39-footer certainly showed your durability.*

*You've joined a fine group of people that we all grew to love over the years, and although you are no longer with us, we find comfort in having had the pleasure of being in your company, and sharing those wonderful times together.*

*Good sailing and thanks for the memories. Until we meet again, your friend,*

*Charlie*

*P.S. Your Alma Mater seems to be going through another rough year, on the ball field. How about drinking a high ball at nightfall, and Whooooo-Ra for dear old Penn.*

## President's Message

*The Lightning Class, 53 years old and 14500 boats strong is admired and respected throughout the World. Those of us who are active in the Class today can thank the many dedicated men and women who over the years have worked to make the Lightning Class the finest One-Design organization in the World.*

*As we move into the 90's, let us all work to perpetuate this great tradition.*

*A very special thanks goes to Donna Foote for her work on the yearbook, to the yearbook staff and all who contributed to its publication.*

A handwritten signature in black ink, reading "Fisk Hayden". The signature is fluid and cursive, with the first name "Fisk" being more prominent and the last name "Hayden" following in a similar style.

*Fisk Hayden, President  
International Lightning Class Association*

# Officers of the International Lightning Class Association

**PRESIDENT — Fisk Hayden**

Fisk started sailing the Family Lightning 1906 on Sodus Bay (New York) in 1946 and sailed his first North Americans (International Championship) in 1955 in New Orleans.

After many years of active Lightning sailing in the Central New York District, he moved to Central Florida where he had served as Florida District Commodore and Class Vice-President in addition to serving as Southern Circuit Chairman. He is currently Secretary of Fleet 461, Lake Eustis, Florida. He resides in Fern Park, Florida with wife Jean.

Fisk is owner of Florida Vending Service.

**CHIEF MEASURER —**

**Christopher "Kip" Hamblet**

Kip first started sailing Lightnings in 1959, crewing with his father on number 280. From this beginning on Spofford Lake, Fleet 145, the Hamblet family has sailed all over the U.S. and attended the World Championship in Helsinki, Finland in 1971.

The Lightning Class has been the most consistent variable in a life full of change. Kip's career changes are too numerous to mention, while stationed in Savannah, Georgia as a U.S. Army Helicopter Pilot he had the privilege of being a member of the Savannah Fleet 127. He has served as New England District Commodore, International Race Committee, Assistant Measurer and Chief Measurer.

When not sailing, Kip is a Commercial Pilot for Drewsville Airway in Walpole, New Hampshire.

**TREASURER — Robert Harkrider, Jr.**

Bob's sailing career began in 1978 (under the tutelage of his then wife Jody). He purchased his first Lightning in 1983. Seven Lightnings, a new wife Sharon, and many regattas later, they are currently residing in Augusta, Georgia. He is a past Commodore of the Augusta Sailing Club and Southeastern Lightning District. He also has served as Class Vice President. Bob is a CPA and manages his own accounting firm.

**SECRETARY — Michael Huffman**

Mike began sailing at the Buffalo Canoe Club in 1965. His folks raced Lightnings; he and brother Bill sailed an Albacore until Tom Fallon requisitioned Mike to complete a Lightning crew. Soon his Dad was sharing the helm on the family's boat. Mike skippered in his first NA's in 1974.

After a school break, Mike moved to Chicago and joined Fleet 5. He has been sailing around the Midwest and has attended two World Championships.

Mike is a newly-wed and his bride Meg is already figuring out ways to improve their results. Mike is a trader on the Chicago Board Options Exchange.

## THE CHAMPIONS

The first National Championships were held when the first boat was publicly less than eight months old. Nineteen boats participated, John Barnes won with three firsts.

In 1945, the Championship was renamed International; there being thirty some boats in "foreign" countries.

In 1961, the first Lightning World Championship was held and that year the Internationals were renamed once again, this time to the North American Championships.

*1990 World Youth Champion Ned Roseberry (L) and Crew Randy Shore and Guy Adema. Randy holds the Hermanos Navarro-Irvine Trophy which has been presented to each winning crew since the first World Youth Championship in 1978. The trophy was given in memory of four brothers, Carlos, Julio, Felix and Tomas, all of whom during approximately twenty years participated directly or indirectly in Lightning activities in Peru.*

**by Ned Roseberry and Crew**

The VII Lightning Youth World Championship, held July 22-27 at the Buffalo Canoe Club, got off to a rough start for us. After long days of practice, we almost missed the Opening Ceremonies, as we were out practicing in a torrential rainstorm.

As a team, Guy Adema (middle), Randy Shore (bow), and I felt confident with our boat handling and boat speed after spending a lot of quality time on the water.

An impressive fleet of teams from the United States, Canada, Brazil, Chile, Colombia, Greece, Italy, and Finland had all assembled to compete for the Worlds, but we felt ready to race.

Rumors were flying about the excellence of the Finns, Runners-Up in the 1988 Youth Worlds, as well as the two Italians and the Brazilian team. The Canadians, Tony Staples, Scott Collins, and Neil Burnham, were impressive in last years Junior N.A.'s, as was Ohio sailor Sjoerd-Jan Vanderhorst, whom I sailed against in past Sears Cup regattas Tom Starck and Greg Millar, both from the U.S., were sure to sail a great regatta as well.

The practice race blessed the fleet with a great 25 knot southwest breeze. Our speed was good, and we worked well upwind to round the weather mark with a substantial lead. Unfortunately, we hadn't run the tapes of the chute, and ended up with a handful of knots in the spinnaker. We lost considerable distance, and a few boats, before we got our act together. Although disappointed, we felt good to get all of

our glitches out before the series began. Adhering to the old superstition, we didn't finish the practice race, but the Finns went on to win it, proving that they would surely be tough if the wind picked up.

The first race was very nerve racking. Having a good first race meant added confidence, while a poor result could hurt our already high aspirations. We calmed down by singing random songs and listening to Randy's stories, all the while watching the wind die from 15 knots southwest to a 10 knot breeze. Marty Essig, from Canada, sailed well, and dug out into a nice lefter, crossing the fleet on port and leading from start to finish. We sailed conservatively and rounded the weather mark fourth, and remained there until we passed Tom Starck up the final beat to end up third. The North American boats were tough, but our confidence was high.

We all rotated boats and sailed a second race, ending up second behind Starck, but ahead of Sjoerd-Jan, who was second in the first race. The other Americans looked good, but Italian Mario Noto and Essig sailed impressively also.

On day two, Guy remembered his orange CT's, and Randy had his father's yellow Aigle's worn in a worlds victory back in 1971. We had all gotten a good night's sleep, and were ready to do well on day two.

The starting lines were VERY short, so we started in clear air around the middle/pin and watched everyone else scramble for a position at the boat that just wasn't there. Only one boat in that pack broke free at the gun, and we were able to punch out and gain leverage on the fleet. Tony Staples, who had a rough first day, rallied to win this race, followed by Mario. We ended up fourth, but happy about our consistency. The fourth race was ours. We needed a win, and sailed hard to get it. We rounded the top mark first, with Sjoerd-Jan right behind. We were happy to have him right behind us, because he, like us, was more interested in getting good fleet separation than battling it out early in the race, and jeopardizing our position in the fleet. We both got well ahead before he began his attack, but we drove him left and loosely covered from the favored right side to increase our lead and win the race. Randy, Guy, and I were happy to be four points ahead after the second day, and especially glad to have been leading after both days of sailing.

On Wednesday evening, the B.C.C. had a fine barbecue on the beach, followed by some great volleyball.

Thursday, night we had a barbecue at the Allen's, hosted by Fleet 12, and then all North American contestants were challenged to a soccer game by the South Americans and the Italians. Although they wouldn't allow us to play with our shoes on, we still managed to beat them 5-4, because we played with a little American influence, and a lot more violence.

There was a lot of pressure on our shoulders as we sailed out to the race course on the final day. We had a fine boat draw, but so did everyone else. The breeze was very sparce, blowing 3-5 from the southwest. We had a great start at the pin, but allowed Tom Starck to break free and get right before we did. As we crossed back on port, Tom, approaching on starboard, tacked illegally on our bow. We'd all been in protests involving this instance before, especially in college racing. Therefore, we put up the flag and protested Tom. Although we led around the whole race course, we were being tightly covered by Mario Noto, and lost Tom up the last beat. We ended up sixth in the race, our worst race,

but with a protest pending.

We started conservatively in the last race, but didn't keep enough contact on the first beat, allowing Sjoerd-Jan and Tom to sneak ahead, with one Italian ahead of us, and one behind. We ended up passing Mario on the tail end of a dying lefter up the last beat, securing at least a tie for the title. We entered the protest room well prepared. After long deliberation our protest was allowed and we became the 1990 Youth World Champions.

We'd like to congratulate Sjoerd-Jan and Tom and their crews on an excellent regatta.

Thank you also to Regatta Chairwoman Anne Allen and the Buffalo Canoe Club for running a great regatta, and to the Race Committee for excellent work in some trying conditions. Tom Allen also did a great job getting 15 new Lightnings together to make the series totally equal for all competitors. Thanks to our parents for all of their support, time, and guidance in the past, as well as those who have encouraged us and taught us in the past.

It was a true privilege to represent the United States in such a prestigious regatta. We are proud of each other, and proud to be the Lightning World Youth Champions.

*Ned, Guy, and Randy — A nerve racking first race, watching the wind die to a 10 knot breeze.*

# Fire Destroys Buffalo Canoe Club Boathouse

*(A familiar gathering spot for Lightning sailors)*

On December 24, 1990, an arson fire destroyed the Buffalo Canoe Club's outer boathouse located on the Club's dock at Point Abino, Ontario, Canada. This eighty-seven year old classic wooden structure was considered the BCC's visual signature. The building was a familiar sight for hundreds of Lightning sailors who participated in the eleven NA's, one World Championship, two World Youth Championships and numerous Lightning District Championships over the years. Its upper deck was the location of numerous skippers meetings for these and many other regattas.

The Canoe Club has resolved to rebuild this structure and is in the process of designing a replacement which will replicate the exterior appearance of the original structure as much as possible. BCC is hoping to complete this project by the 1992 Lightning NA's to be held at its Point Abino, Ontario facilities in August.

## XXIV South American Championship

by German Novion

Our team started sailing together in October 1989. After the World Championships in Athens, Greece, our middle crew began sailing his own boat. So Roberto Hill joined us, and with Manuel we were ready to go. In February we shipped our boat to Callao with another seven boats from Chile. Four of them were from the Chilean Navy School and were representing Chile in both the Lightning South American Championship and South American Championship of Navy Schools.

The regatta started at the port where, because of a strike, we had some troubles clearing customs. The "hero" was Leonardo Witting who was nicknamed "Duck face" by the strikers.

Callao was a nice place for sailing a regatta with winds from the south between five and fifteen knots. Before the first race we realized our main competitors were going to be Manuel's brother, Tito, and Fantuzzi from Chile, Juan Santos from Ecuador, and Emilio Levaggie the local hot shot. The first day we sailed two races. During the morning with a non-predominant five knots wind from the west we won the race after sailing the first beat in the middle and fighting with Santos who finished second. The second race was sailed in a 12 knot southwind. We took another bullet after passing Fantuzzi who was leading, in the second beat. Tito was third.

After the first day in the water some strange virus attacked Tito, so he started not to recognize his team and friends. His crew, after using their best psychologist knowledge, could

not beat the virus that start getting into them too. The second day we sailed only one race. The wind was blowing six knots from the southeast and during the race changed to a north. Fantuzzi won the race with the local Ayulo second, Tito was third and we were fifth.

The third day we sailed another two races, Marco Chacon representing the Peruvian Navy School won the race, we were second, Santos third, and Tito fourth. In the afternoon, with the same south wind, the Peruvians won again. We were tenth.

Going into the last race we were leading with nine points with one throw out race, Tito was second with fourteen and Santos third with fifteen. Those three boats had chances to win the series. Fighting for runner-up was Levaggie with 20 points and Fantuzzi with 20.

We started the last race in a 16 knot southwind and had no troubles because Santos and Tito were covering each other. We won the race and the Championship, Tito Gonzalez was runner-up, Juan Santos third, Emilio Levaggie fourth, and Fantuzzi fifth.

Marco Chacon, from Peru, won the Navy Schools South American Championship. Arturo Oxley from Chile was runner-up. We had an excellent race committee, who did an excellent job particularly setting the starting lines. We did not have a general recall during the six races. Thank you very much. Also the Peruvian Navy School and the Yacht Club Peruano brought us their great hospitality.

# 1990 Canadian Open Championship

## Hamilton, Ontario, Canada

by David Starck

When was the last time you went to a regatta which was run by a bunch of Beavers? Well, that was the case if you attended the 1990 ILCA Canadian Open Championship regatta in Hamilton, Ont. The "Flying Beavers", led by Beaver extraordinaire Keith MacDonald, did a super job showing us all how to have fun. From great raffles to terrific cookouts and entertainment, Keith and the Beavers covered all the bases for a sound regatta.

The racing aspect of this years Canadian Open was as good or better than the party. We had a terrific turnout from all levels of the class, especially the top sailors in the fleet. It was exciting sailing against the current World Champion, Peter Hall, as well as Ched Proctor, Larry MacDonald, Jim Crane, Jody Lutz, Mark Bryant, all the Fishers, and the 1989 North American Champion, Tom Allen, Jr. These guys are all very good sailors and I am proud to be in their league.

The race committee did a great job running all the six scheduled races. With the shifty and sometimes variable winds, getting off a start with the aggressive fleet was sometimes difficult. The committee was patient, however, and

ran a very successful regatta. I congratulate them on their efforts.

The crew on a Lightning, as most of you skippers out there know, is the key to winning regattas. Of course, a decent boat and fast sails play a big role, but the crew work makes or breaks a regatta. Fortunately, I had a good crew who worked the boat very well and gave me the necessary information needed to get around the course. My brother, Tom, sailed forward and local hero, Michael Montani, sailed middle. These guys did a super job on the boat and their boat handling was sensational.

If you ever have the chance, privilege, or honor of sailing with the Beavers on beautiful Burlington Bay, DO NOT give it up! With a rapidly growing Beaver fleet, your chance of sailing with these great people will soon run out. I would bet that by the year 1992, sailing with the Beavers will be invite only. Don't miss the Beavers!!!!

Thanks again to the Flying Beavers, Hamilton Yacht Club, and the ILCA for a great regatta. I look forward to next years Canadian Open in Toronto and hope the turnout is as good as this year. Thanks again.

# 1990 European Championship

## Lake Biel

by P. Pellizzaro, F. Falcini, J. Cappucci

The European Championship was held July 7-14 at "La Neuville" on beautiful Lake Biel, in a quaint Swiss town particularly famous for the wines produced in this region. We were quite delighted with wonderful samples of their finest white wines from the opening day of the championship until the presentations.

Lake Biel has a long and narrow shape characterized by a peninsula in the center. The race area was located more than four miles from the host yacht club, so we had to organize ourselves in order to arrive on time. The efficiency and organization of the Swiss, (which is quite exceptional) was demonstrated through measurements which were done very quickly and without any problems; unlike the stressful measurements we are used to.

During the trials day, the wind was almost non-existent. We predicted a championship characterized by a constant change of front runners and most of all one lead by luck.

Actually, things went quite differently as we found many changing conditions in the wind. The hills around the lake would change the wind at various deviations, resulting in the technical selection between the various crews. This lake is a bit small for the regular triangle course that we are accustomed to, especially considering the long narrow "windward lake." We immediately recognized the high degree of professionalism, and would like to offer thanks to the committee for allowing us a championship particularly challenging, where each crew is able to demonstrate their value and ability.

In fact, in the first race, there were very weak winds, and we placed 15th. We were trying not to take fliers, a tactic which can be very penalizing. Fabio, the tactician said, "The next race I want to attack and not defend."

The same day, at the beginning of the second race, we were next to the committee boat, while all the others were starting at the buoy end. We wanted to get out near the coast immediately, in fact we crossed the fleet at the first cross, an advantage we held until the end of the race. We were in front of the other Italian crews: Rustichelli, Alberti, and Scarpocchi, the latter being one of the frontrunners of a regatta characterized by a strong comeback. After the first day, we had a first place and a 15th place finish. However, the day prior, Wyler had won the race and gave the impression of being the dominator of the championship. We remained confident and relied on a great deal of concentration. In retrospect, we couldn't make another mistake.

We adopted a particular mode of training which included, eating our favorite Italian foods, and hanging out with our friends, Ricardo, Massimo, and Eugenio who were disqualified earlier due to an accident. They remained a big support

for us. It was a matter of these "psychological tactics" adopted that we were able to focus and concentrate.

### Third Race

A very difficult race from the tactical point of view in that the wind came and went in bands on the lake and always changed direction. At the end of the first windward leg we were near others he followed. The last leg was characterized by a constant change of leaders. At the finish line it was Noto followed by Schaer and Tripoli, and finally, Us!

### Fourth Race

The wind has arrived! We are more than aware of our speed in these conditions. At the start, Wyler was in front, followed by Schaer, and then us. By now everyone knew that the championship would probably be decided between these three crews.

It was July 12th, and because of the forecast for no wind, the committee decided to have the remaining two races on the same day, weather permitting. The wind was less intense than the preceding days. We started first, and lead until the beginning of the last leg, when the wind dropped and Schmidt and Schaer passed us. We didn't give up, tack after tack, yard by yard, we clawed our way back into position behind the Swiss crew. We now needed to observe the Swiss crew and pay particular attention to their precision.

At this point we were in first place, Wyler was in second, and Schaer was third. We started like this for the last and deciding race; which was noticeably full of tension, demonstrated effectively by the general recall of the first start.

We knew that the regatta could be difficult because of the attention paid to the Swiss crews, who were favored for the title. Therefore, the first windward leg, all the boats started with maximum precision and speed.

At the first buoy it was the young Noto followed by Urs Wyler, and then us. On the first reach, the wind built up and the lightweight Sicilian crew extended their lead from Wyler. We defended the third position which represented a victory in the Championship, and more to the point, we were happy to follow these two crews. However, we started nearing Noto and before we knew it, we had even passed him. Wyler seemed miles away, but with the wind to our advantage and the desire for a victory, we were able to pass him right at the finish line and win the European title.

The Championship ended with a most pleasurable evening of dancing. We would like to thank all the people who contributed to our victory. A special thanks to the technical support of Bryant Spars, Fisher Sails, North Sails, and Nickels Boats.

Eight boats helped to dot the Lake Ontario shoreline during the WJM Championship held at Newport Yacht Club in Rochester, New York. Participants came from all over the east coast of North America and South America and Brazil. I decided to sail the regatta about a week and a half before it began. There were a few obstacles to overcome before I even got there! First, was a baby-sitter for my three-week old daughter. My mother-in-law, coincidentally visiting from San Francisco "volunteered" for the day shift and my husband "suffered" through the night shift. Second was crew. I lined up Collen Keefe and Rachael Johnson, but three days before the regatta began, Rachael had her wisdom teeth pulled and was having a rough go of it. Fortunately, Pam Tuttle Murphy stepped in for the first two days (Pam won this championship in 1986).

Three races were scheduled for day one. The wind cooperated with a southwest breeze blowing 10-15 mph. My crew and I found we could handle the wind without too much problem, got our maneuvers down, read Mark Sertle's "how to" article, and were ready to race. The first race was one of the most exciting with the lead changing several times on the last beat. Fay Regan and crew (FL) caught a right shift three-quarters of the way up the last leg to take the lead. Judy Walker (NY) got on the same program. We had not made it to the skippers meeting the night before (busy changing diapers) and didn't know the finish line was set beyond the weather mark. After losing Regan and almost Walker, the top three were: Regan, Palm, Walker. In race two, we had another good start and lead at the first weather mark. The second time around Regan caught another right shift at the weather mark to take the lead. Sailing the Olympic course gave us good tactical opportunity to regain the lead, which we did near the leeward mark. The top three were Palm, Tammi Jamison (NY) and Heloisa Uelze (Brazil). After two races, five different boats had made it into the top three. In race three, Jamison won the start. We had to bail out to the right and clear our air and came back on a right winder to be on top of the fleet. We maintained this lead to the finish. Again, Jamison was second and Uelze third. At the end of day one, Jamison, Uelze and Regan were very close in points. The WJM participants enjoyed a steak dinner at NYC, but my crew Colleen drove me to Sodus Point for a peaceful nights sleep (the first one in three weeks).

Jean (L) and Crew Rachel Johnson.

Allison Palm putting Mom's trophy to good use.

Thursday, day two brought calmer winds. A race was started in the dying southerly. About 10 minutes after the woman's start, the fleet was headed back at the starting line. The lake breeze was filling in so the RC abandoned that race. Race 4 finally was sailed in an easterly thermal. The equilateral course was shortened to four legs after the fleet battled a rain squall with very light winds. After an OK start, we lead the first triangle. Jamison almost caught us on the second beat but as she was trying to look forward, she had to fight off the boat from Brazil and Cathy Connell (NY). In shifty winds at the end of the race, it was Palm, Jamison, and Mandy Hofmeister in the top three.

The third and last day brought more light thermal winds. The RC started the fleets in a light southerly. Although the race was abandoned due to the time limit, Jamison and crew were headed for the win. Ultimately, the thermal wind filled in. The Juniors and Masters sailed in, but the Women needed to resail their abandoned race. A short four-legged race was sailed. Hofmeister had a fantastic start and lead the entire race. We were over early at the start (busy trying to catch some zzzz's before returning to night duty). We recovered to fourth after playing the shifts well on the second beat. The top three in that race were Hofmeister, Walker and Jamison. Many thanks to George Sereno, WJM Regatta Chair and the members of NYC. They put on a great regatta with fantastic hospitality.

# 1990 Junior North American Championship

by Ned Roseberry

After winning the World Youth Championship just one month earlier, the pressure to do well was really on our team. My crew was Randy Shore, who was a member of our Worlds Team, and Sean Staniforth, a Laser II and J24 sailor from Montreal. We expected a tough battle with Tom Starck, Anthony Staples and Greg Millar, whom we had competed with in the Worlds.

We had a long day of measurement, registration and tuning on Tuesday. Wednesday morning we put Brad Read's *Zig-Zaggin Through Ghostland* into the water and began the sail out of the harbor from the Newport Yacht Club into Lake Ontario. As we passed the breakwall, we were treated to a pleasant 8-10 knot breeze. Being out early, we were able to sail upwind for awhile. We noticed persistent left shifts, flatter seas, and more velocity closer to shore. We had a perfect pin end start and led the fleet over to the left, crossing the fleet on a ten degree lefter, and rounding the mark with half a leg lead. With clear air on the second upwind leg, we increased our lead. Downwind, on the olympic course, we had to get the most out of the boat to round the leeward mark in clear air for our final upwind leg. We did, and won the race by a large margin. Greg Millar finished second and Tom Starck third.

In the second race we had a mid-line clear air start and tacked to port until we got a knock, tacked and lifted inside the fleet; 90% of whom had tacked too early into a relatively low heading. We played the shifts upwind, and covered the fleet to round the weather mark first, maintaining our lead to win this race as well. Tom Starck was second and Tony Staples third.

In the third race, we rounded the weather mark 1st, and sailed well in the two reaches to maintain our lead. However, we missed one right shift up the second beat and in the process of covering Tony and Tom, who were right at our heels rounding leeward, Tom crossed us and we found ourselves in second. In what was the most exciting finish I've ever sailed, we crossed the line second, less than one inch ahead of Tony, who ended up third. Tom sailed well to win the third race.

After day one, we had finishes of 1, 1, 2 and we were happy across the board.

As we sailed out for race four, we were pleased to see that the wind was a steady 7-10 knots. The start was delayed, and unfortunately, we found ourselves starting a race in 2-3 knots as a large left shift came through during the sequence. We got off the line poorly and needed to take a small clearing tack to free our air. However, as we crossed back on starboard, we were lifted, and lifted, and lifted...until we were actually laying the weather mark. However, our competition had sailed farther right, and had a bit more breeze than we did. Needless to say, we were more than happy when we found out that the race was abandoned.

The fourth race got off at around one o'clock and we started clearly and stayed in phase in good wind to round the weather mark first. Downwind, Starck and Staples seemed

*1990 Champ Roseberry.*

slower, and we managed to gain separation when the reach got tighter. We covered Tony upwind and sailed left, towards a storm cloud and let Tom go right, away from the shift and ended up winning the race. Tony finished second and Tom maintained third, despite a strong comeback by *LaBomba*. We sailed into shore with a confident feeling, as our finishes in the four races we had sailed were 1, 1, 2, 1. Tom Starck was in 2nd place with 9 points.

That evening Randy, Sean and I recalled the omen we'd heard so many times. No one had ever won the Jr. N.A.'s twice and we were in the driver's seat to do that. We realized that to win the regatta we had to have less than five boats between Tom and us.

We had a good start for the 5th race, close to Tom, and just stayed near him upwind. Although Tom rounded ahead of us, there were only two boats between us. We separated from the fleet behind by working the velocity downwind, and closed in on the boats ahead of us. After rounding the leeward mark, we noticed that Tom was sailing on a big port tack knock, and sailing towards less wind. The Masters Fleet, at the jibe mark, had their poles way out, so we knew more wind and a lefter was on its way. We took a short clearing tack, and came back on the leading edge of a 15 degree lefter, which the other boats couldn't reach and let the Michigan boat pass us. We covered Tom and finished third with him fifth. Victory was ours! Alan Krauss won this race, with Greg Millar second.

I would like to thank my crew Randy and Sean, Brad Read for his speedfast boat, my parents, the Newport Yacht Club and the Committee who made this regatta a success.

# Masters' at Newport Yacht Club (the fun before the fog)

by Dick Hallagan

Some arm twisting at Oswego the previous weekend pushed the registration to twenty-one boats in the Master's Division of the Lightning North American Championships in Rochester, NY. Many of the "old gang" were there from North Cape and several first timers showed: Stickney (NY), Staunton (NY), Doherty (NY), Jamison (NY), Weihe (PA), Courtsal (PA), Eichenlaub (CA), Hughes (NH), Erickson (OH), Gonzalez (Chile). (Need rockie Trophy). Looked like real competition and lots of boats; the largest fleet ever in the Masters' which is growing every year. All you have to say is "GUAGAI" (get up and get at it). Was this going to be Johnny Mac's year, he is long overdue! Gonzalez from Chile looked tough with the World Champion crewing! And then Joe Dissette, robbed last year was back again. And there is the jinx syndrome.

## Race One

A perfect day — sunshine and temperature in the 80's off-shore SW wind of 12 to 18 mph and strong enough to last all day. Everyone got out Mark Sertl's sailing conditions article and decided that a long starboard tack in to the beach was the way to go. After the start we on 14255 threw that page away 90 seconds into the race. There was a big shift on the right and one had to get a piece of it. So to port we go and duck at least ten boats that were holding that long Starboard (re-Mark Sertl). Bingo, once in the right, back to starboard and immediately got those ten boats back. Holding to the big righty for 3 to 4 minutes, then a shift from the beach (or left). Thank you and suddenly we were in first place. Carl Eichenlaub squeezed in at the weather mark so it was Carl, myself, and Gonzalez down the reaches. Upwind, Gonzalez motored and had a big lead before starting the run, Carl moved to second. On the last buck, Carl and Hallagan caught a piece of another big righty and sailed it all the way to the finish. Third went to Gonzalez. The Women and Juniors stayed out for two more beautiful races.

## Race Two

Same as yesterday, but less velocity. The southwest course didn't hold, the thermal came in and three guns. The northeast wind (as Sertl says) came in and the three fleets got off in seven to ten mph of nice breeze. Eventually a thunderstorm on shore lessened the breeze and shorten course was in order. Hallagan led at the starting gun, gassed a few boats to protect the lead and sailed to a six minute win over Dissette; MacIntosh was third.

## Race Three

Same as the day before, a light southwest breeze. It held for the Juniors' to make the four leg time limit, but the Womens' was erroneously abandoned at two hours. The Masters' flight saw Masters, Dr. Gilbert, and ILCA President Tibbs leading at the first mark. A tight reach saw the chuteless move up, Hallagan from twelfth to fifth. The third leg

was a run, Mathers held the lead, but Hallagan moved to second. The Jinx of leading the Masters' after two races was about to be broken. (In North Cape - Dissette, in San Diego - MacIntosh, in Buffalo and Henderson - Hayden. These gentlemen led after two races only to be zapped in the last one.) But wait, on the fourth leg the lake went absolutely flat. Though the Juniors' finished, the Womens' and Masters' fleets mixed together in the increasing haze and spread so wide apart that from one side of the course to the other, nobody could read numbers or identify other boats. No wind, was the jinx coming? Then bang-bang-bang, the Womens' was aborted according to someone yelling from a Whaler. Ten minutes later, bang-bang-bang; my boat and others thought the Masters' race had been abandoned too. Some paddled, some had lunch, some went swimming. Then suddenly the thermal hit the boats on the other side of the course and Dr. Gilbert's spinnaker went up and there he was, getting the winning gun. Needless to say, red flats went up on several boats. The ensuing protest saw the race thrown out. It was too bad to have the protest because it was a fun

time for the 21 boats. The overall winner would have been the same, but second through fifth might have changed.

Anyway, the entire regatta was a tremendous success. I would like to thank my crew, Len Tiedemann (four times with me in this event) and Lori Foster for their efforts, patience, and doing an excellent job. Congratulations to Jean Palm and Ned Roseberry for winning their divisions. George Sereno, (Chairman) was a happy man, 18 months of planning had resulted in a successful regatta.

Good Luck to the people in Rhode Island in 1991.

*Dick Hallagan, Co-Chairman North American Championships and Winner Masters Regatta, greets all at the N.A. Opening Ceremony.*

# LIGHTNING covers

## *made by sailors for sailors*

Covers for your sailboat are made of "Sunforger", a preshrunk duck, treated to repel water and resist mildew. Or the new durable 100% acrylic fabric. This fabric is water repellant, mildew resistant and will withstand years of marine weather.

All covers are expertly sewn with strong mildew resistant dacron thread and feature rustproof brass grommets. The heavy-duty molded vision zippers, made of Delrin, are corrosion resistant and self-lubricating. They will operate smoothly despite mud and sand. This zipper has excellent resistance to both heat and cold. Same-day shipment direct from the manufacturer.

# 1990 North American Qualifying Series

*by David Dellenbaugh  
Winner Qualifying  
Series and Co-Champion  
1990 Southern Circuit*

The start of the 1990 North American Qualifying Series didn't look too promising. As we arrived at the Rochester Yacht Club early Sunday morning, August 19, we were greeted by a wet 25-knot northeasterly and row after row of huge waves breaking on the beach. It was a boardsailor's delight!

Unfortunately, the two breakwaters that stuck out in to Lake Ontario at the mouth of the Genesee River protected the harbor from every direction but one — you guessed it, northeast. As a result, the breakers were coming straight down the channel, often crashing right over the rocks on either side.

I can't say I was real exciting about going out. I suppose it would have been fun planing around, but I wasn't wild about risking a breakdown or capsize in the qualifying round. Not wanting to look like a wimp, however, I kept my mouth shut and waited patiently for the go/no decision. When the day's racing was finally abandoned early in the afternoon (probably a good move considering we would have had to sail right by the Coast guard station on the way out), I think most sailors were happy to have the afternoon off.

Among the disappointed die-hards, only two were brave (or foolish) enough to go sailing. The first was Brad Read, who had a fast and bouncy sail up and down the channel inside the breakwaters. The second was Bill Fastiggi, who got a little more adventurous and stirred up some real excitement.

Bill decided to accept the challenge of sailing out past the end of the breakwaters, and actually did a nice job of getting out through the waves. Unfortunately, getting back in turned out to be the more difficult maneuver. After a few great rides on the lake, Bill and crew decided to sail in under spinnaker. the extra speed, they reasoned, would stabilize the boat in the waves.

Unfortunately, for reasons unknown, Bill and crew never made it into the mouth of the river. Like many other ships before them, they were swallowed up by a big Great Lakes wave, capsizing and breaking their mast in the process. Fortunately, no one was hurt, but as the boat drifted toward the beach, they attracted a horde of emergency vessels. Later on that evening, they were the hit of the local TV news.

Monday dawned calmer, cooler and more collected. As the giant fleet of 126 headed out into the lake, it was clear that the qualifying series would now be a three-race affair with no throwouts. All of a sudden there was little room for error, and even the most daring corner-shooters became middle-of-the-roads.

## Improve Your Winning Chances with **CREW SCRATCHBOARD**

Stop relying on your memory and mental calculations in the heat of battle. Use this multi-color, waterproof workboard to calculate your best course and favored tack. Keep track of wind direction and shifts. Also, determine the favored end of the starting line. The reverse side is a convenient diagram for charting protests—allows you to document the incident immediately after it occurs. Comes with mechanical marker and plastic carrier for race instructions.

We took advantage of this conservative tendency to get some good starts ahead of the mid-line sag. In the first race, we had a great duel with Mark Bryant all the way around the race course, but couldn't catch him and finished second. Winners in the other two fleets were Jody Lutz and Greg Fisher.

Even though we had a good breeze, the course was shortened at the second weather mark to leave time for other races. As the second race began, the wind was a little lighter and shifted more to the right. Our fleet had a very tight first beat, and we were fortunate to come out ahead at the finish with Mario Buckup from Brazil close behind. First places in the other two fleets went to former World Champion Manuel Gonzalez and craft Bruce Goldsmith.

As we prepared for the third and final race, the wind died to around 5-8 knots. Eric Larson had a great first leg in our fleet and rounded the weather mark ahead of us. We passed him on the shifty final beat to win the race ahead of light-air ace Jim Crane. Matt and Greg Fisher won their respective fleets.

Other sailors weren't so lucky as the wind died and shifted on that final leg. Ched Proctor (26th), Lenny Krawcheck (21st), Steve Thomas (23rd) and Tom Allen Sr. (23rd) all missed qualifying by a few points. After all the nervous waiting for scores to be posted, the happiest sailors were undoubtedly Stu Nickerson and Sean Fidler, who tied for 35th and the final qualifying spots.

My expert crew (Hale Walcoff and Luc Dubois) and I were happy that we avoided any major disasters and qualified. It was nice to win the series, but that certainly hadn't been our goal. In fact, my superstitious nature doesn't like winning things such as practice races and qualifying series. But that's the way it went.

Matt Fisher, with a 1-2-3, qualified second; unfortunately, the three-race draw never gave us a chance to sail against him. Matt's brother, Greg, finished third, followed by Jim Crane and Jody Lutz. Little did we know that while we were qualifying, the lake was in the process of "turning over." We never guessed the rest of the week would bring 43-degree water, pea-soup fog and light air to haunt us.

# The Results Are In

We asked customers and competitors alike what would be on their "wish lists" for Shore Lightning sail improvements in 1991. The overwhelming responses were 1) a more forgiving jib shape, making the boat easier to steer with a wider groove; 2) increase durability in the jib to match the racing life of our long-lasting mainsail; 3) don't mess with the spinnakers: the Shore spinnakers are the fastest spinnakers covering the widest ranges.

And we've done it. Brad Read and Betsy Alison have created this perfect blend of improvements, utilizing Bill Shore's 20 years of Lightning experience. These changes promise to make 1991 your best year ever.

# “When It’s Your Turn, It’s Your Turn” The 1990 North Americans

by Greg Fisher

Nobody will argue it takes a lot to win a Lightning North American Championship. It takes a lot of speed, teamwork, and luck — “when it’s your turn, it’s your turn.”

This year it was our turn. It was a tough series with many opportunities to make good decisions as well as poor ones. As in any major regatta, teamwork plays a major role and with Greg Griffin and Joe Hunt as my teammates I was extremely confident. As far as boatspeed, I put more time this past summer into my boat and my equipment than I had in any of the years past. I had done some brushing with other sailors and had learned a great deal, not only about what makes the boat go fast, but more about just plain how to steer the Lightning in different conditions.... Maybe I spent a little more time in the extremes that I rarely have an opportunity to sail in. I frankly have never been one to take the time to practice as I should. This year, however, with Greg and Joe we spent more time working out the mechanics of our boathandling and I spent more time again, just plain steering the boat through the water.

In addition, I had the opportunity to sail three major championship regattas in a row directly before the North Americans. Two of these regattas I steered myself and one I crewed for an excellent sailor in another class. I learned, after watching this other sailor’s strategy and from the input of my crew that my tactics could probably be improved. My crew noticed that whenever we made a strong move which would result in places gained or distance recovered, I would immediately tack and protect. While this mode of tactics would result in solid consistent finishes we rarely gave ourselves the opportunity to “go for it” and aggressively work towards higher finishes.

As crew, I had an opportunity sailing with a top sailor who’d won the Prince of Wales Match Racing Championship, several North American Championships in another class, as well as the one we sailed together just before the Lightning North Americans. He had great starts, spectacular speed, and was rarely out of phase. I also noticed him taking greater risks tactically. He was definitely “going for it” more often than I had been comfortable with. We talked about his style and how it was quite different from what I was used to. He felt that it was not that he was gambling as much as he was taking “calculated risks.” His statement wasn’t meant to be as humorous as it seemed to me at the time, but his point was, if things were going well he would take advantage of what was making us look good... But he was always watching that he never let himself get into a position where he could lose more than he could gain. He gave himself the opportunity to let it be his “turn” when he had the opportunity. When we were in the lead or perhaps in the lead regatta wise, his strategy switched and became extremely conservative, *always* protecting our position.

While Rochester was originally expected to be a fairly straightforward regatta, conditions wise, the big blow before the qualifying series literally turned the water over. Becoming cooler, it thereby created fog.... The conditions were anything but standard. The big breeze that actually

created current in front of the Rochester Yacht Club affected the game plan for many of the sailors. We had been fortunate enough to hook up with a friend who had grown up in Rochester and emphasized the importance of the current.

For the first race he suggested staying near the shore on the tack closest to the shore (port) as long as possible. He thought the current would be strongest in the morning and in addition, until it warmed up and the sea breeze tried to fill, there could possibly be more breeze along the shore. Since his thoughts were really all we had to rely on and we felt it was important to give ourselves the opportunity to take advantage of this potential advantage we felt starting near the weather end and quickly flipping to port would be our plan. A handful of other sailors were also at this end with us, including Jody Lutz, Jack Elfman, and Mark Bryant. Farther up the line Bram Palm and Jim Crane punched out well. We had a decent start and managed to follow our gameplan flipping onto port in relatively clear air. It wasn’t long into the race, maybe five minutes, that our side did begin to look better in relation to the left. At this point, had we tacked, and gotten back to the middle we would have most probably rounded the weather mark somewhere in the top ten. Normally this would have been my move, tacking to starboard to consolidate would certainly be the most conservative tactically. Normally a top ten position at the first mark would have been more than satisfactory. However, Greg and Joey “suggested” that we hang on and take advantage of a good thing. After “discussion” that sticking to the right at this point wasn’t necessarily a huge gamble. (It appeared that unless the wind swung hard left in the last third of the weather leg the amount we’d lose wouldn’t be that great.) On the other hand, the possibilities for gain by sticking to our plan could be tremendous.

As our fellow “right siders” began to tack away back to the middle we felt it was time to follow. Since the right had treated us well we waited to be one of the last boats leaving the right side. This fortunately paid off as we found ourselves in third approaching the weather mark about a hundred yards off the starboard tack layline. Jim Crane, who was close to leading, approached on port and then

tacked on our bow. Since Jim was directly on our breeze we were forced to make a quick decision which, of course, would be a tack back out to the right. Since we were at that point within a couple of hundred yards of the weather mark, we felt we might as well take a small risk and sail all the way out to the starboard tack lay line. In fact, we felt the amount we could lose would not be that much. We felt this might be wiser at this point than just sailing for a few boatlengths, clearing our air, and tacking. We again gave ourselves another opportunity to pick up distance. If this move failed worse case we figured would put us in fourth at the first mark. However our aggressive hunch worked and we were fortunate to lead around the weather mark. It certainly was anything but a big lead, but I'm certain that if we hadn't "gone for it" and relied a little bit on our hunches, it wouldn't have materialized. Once in the lead we, of course, became much more conservative and basically did our best to cover our closest competitors. Colin Park, who had taken an obvious liking to the light and sloppy conditions, ground through the fleet (and by us!) to win by a large margin. Mark Bryant put on a hard charge the last weather leg and got by Crane and much closer to us. The last hundred yards we put an extremely tight cover on Mark. Mark was followed by Dave Dellenbaugh and my brother Matt to round out the top five.

Later that day we felt, because it was warmer, that the breeze would swing more to the left due to the influence of the sea breeze. The starting line for the second race was fairly square and not too crowded at the leeward end which we felt would be the best place to start to make it possible to work the left side — initially. Fortunately, our game plan paid off

as more breeze did fill from the left and our "group" led at the first mark. Mark Bryant, Brad Read, Stu Nickerson, Sean Fidler, my brother, and finally ourselves rounded the first weather mark in basically that order. The first two reaches didn't result in much position changing except that everything tightened up. A quarter of the way up the second beat Mark, Matt, Brad, and myself were all extremely close. A four boat tacking duel resulted which was quite interesting. It didn't seem to matter if you were family or a friendly competitor (or both!) your wind was rarely clear. Finally, at the weather mark all four boats approached at nearly the same time with Mark still leading, but winding up on top of the mark and eventually doing a 720. Brad, Matt and myself basically rounded the weather mark nearly overlapped and we remained in that order as we approached the jibe. The second reach didn't result in much change except we did notice that the angle was much tighter and definitely not filling which would indicate that the sea breeze was perhaps starting to fade. Since the second reach has been tighter that perhaps could indicate that the wind was working back right. As we approached the leeward mark we felt that if Brad and Matt tacked immediately we would hang on to the right side and give ourselves a shot at our supposed "hunch." We felt the fourth, fifth, and sixth place boats were far enough back we could afford a gamble. We also felt that following Brad and Matt would be a waste of time because there wouldn't be any opportunity to get through them. Shortly after rounding the leeward mark, Matt and then Brad tacked and we held on for approximately one hundred fifty to two hundred yards. We sailed into a ten degree knock and tacked back onto starboard. Suddenly we found our-

selves with a four boat length lead. Obviously this move could be called "luck" (My dear brother Matt certainly had no problem calling it that!) but without giving ourselves the opportunity to take advantage of an educated guess we never would have had that opportunity to be lucky. If it had gone totally sour and the wind again had gone hard left, we felt the worse position we'd fall back to would be fifth or sixth. Once again we switched into a hard covering mode and tried to protect both Matt and Brad and a fairly large pack of boats which had worked out farther to the right. We were fortunate enough to hang on. Matt was second, Brad third, Bruce Goldsmith fourth, and Dave Dellenbaugh fifth.

The third race, which wound up being the final race of the regatta was started late in the morning after a long wait for the fog to clear. It was sunny and warm so once again we started in a position to work the left side of the course figuring on the possibility of the sea breeze to build. With finishes of a second and a first we felt this was not the time to be as aggressive as we had in the past. Although our "hunch" was that the left would come in big because the sea breeze could come in because there was such a difference between the air temperature and the water temperature. Still we never let ourselves get near the port tack lay line in case it didn't happen. This was Colin Park's race all the way. Colin started probably five or six boats up from the pin and seemed to be sailing two to one to everyone's boat speed. It wasn't long before he was in the lead. Halfway down the first reach he was a good hundred yards ahead. Bill Fauge, Larry MacDonald, Jody Lutz, and Stu Nickerson weren't far behind. We rounded somewhere around tenth with which we actually felt pretty happy, considering our fairly conservative windward leg. This race showed how some aggressive

tactics can sometimes be quite dangerous and cost a great deal. Mark Bryant and Jack Elfman, working the right side of the course were in deep trouble 3/4 of the way up the windward leg. However, as they got within a few hundred yards of the weather mark the wind did swing hard right and they actually sailed into the mark with their spinnakers up on starboard tack! Had this filled in twenty-five minutes earlier they would have been golden. As the breeze swung right the first reach turned into a dead downwind leg. It seemed the positions were changing quite rapidly at this point as the wind died and it became very critical to keep your air clear in the light sloppy conditions. Colin continued to move out and by the leeward mark was not to be caught. In second was Bill Faude who was also sailing extremely well. Behind him were Larry MacDonald, Jody Lutz, Rob Ruhlman, Stu Nickerson, and ourselves hanging onto seventh. The last weather leg found numerous sailors hitting the right side pretty hard and of course looked quite good for a long time. Eventually the wind (or what there was of it!) steadied out and the group basically crossed the line as they were at the leeward mark. This race definitely was one of the toughest and most frustrating of the entire series. A lot of good sailors had problems this race and it definitely was a big shakeup factor in the overall standings.

It certainly seems easy sitting here well after the regatta talking about how the windshifts should work and how our tactics should match. The fact is it is an extremely difficult call to be aggressive and hang it out when it is time to "go for it". It's not a question of guessing, because obviously that's quite dangerous. It's a question of basically following your instincts .... And of course, when it's your turn, it's your turn. See ya in Newport!

# We Try Harder

We've tried a lot of slogans to describe what we do at NICKELS but none of them quite seem to fit.

THE QUALITY GOES IN BEFORE THE ...

..., THE DEPENDABILITY PEOPLE

WE RUN THE BEST SHIP IN THE SAILING BUSINESS

PERFORMANCE IS OUR MOST IMPORTANT PRODUCT

As you can see we tried to come up with a fitting slogan that says it all about Nickels Boat Works. But nothing seems to fit quite the way we want it to. So we continue with our best idea. Just build the best Lightning, listen to our customers when they make suggestions, and never settle for second best.

What does all this mean - let's have a look at the facts.

**NICKELS Lightnings have won 7 of the last 8 North Americans  
and were 1st, 2nd and 3rd this year.**

**NICKELS Lightnings have won 3 of the last 4 World Championships  
with 1st through 7th in 1989.**

But that is only the results; the important information is how we got there. It was by building a boat that is ready to race right out of the box. This means that when you take delivery of your new NICKELS Lightning everything will work just as it was intended to. You can go right to your first regatta and sail with confidence.

When customers said they wanted more forward flotation, they got it and at the same time we put in storage slots for the spinnaker poles. Our storage compartments are really handy, but customers said they needed to be larger. And larger they are - more than 4 times. Enough space to store a six pack of your favorite whatever.

And at NICKELS we know that winning races is a team effort, so we have worked on making the crew more comfortable and efficient. The new deck with its extended inside combing, rolled outer edge, faired spray board tails and compacted side control recess all add up to a better "working" environment for the entire crew.

**NICKELS is quality, dependability  
and performance!**

# Presidents' Cup

by Ched Proctor

The series started for us, about the way the qualifying series had ended. We were over early at the start. The wind was very light for most of the first beat. The round the ends rule was in affect. We followed Lenny Krawcheck around the starting pin and tacked to starboard. Our speed seemed rather good in the light stuff and we were soon in the thick of the battle. By finding a few puffs, and some good speed we rounded the weather mark fifth and passed one boat on the reaches. We closed considerably on the leaders. On the second beat the wind picked up enough for two sitting on the rail. We played a little left early in the leg and had some nervous moments as the wind seemed to be holding left. Also it appeared much stronger to the left side. I think we were still lacking the confidence to be patient with the wind and wait for our turn. After a while it came back to lift starboard tack and let us across. We actually picked up two boats near the end of the beat and rounded on Dan Reichelsdorfer's stern. We stayed there for the two reaches. I don't know why, but on the final beat we again favored the right side. We had a close battle with Bob Wardwell and eventually got by him. Meanwhile Ed Cabassa who had led the race from the first mark, was playing with Reichelsdorfer on the left side of the course. Eventually the right hand shift prevailed and we were able to keep Wardwell under control and get across Ed with a couple of feet to spare. Since we felt that Bob would eventually be the boat to beat in the series, we kept a tight cover on him, hoping that Ed would be between us for some cushion. We accomplished this. With the winning gun we began to get some of our confidence back.

**Race Two.** With the wind blowing 10-12 for the first beat it seemed that everyone was going fast. After another mediocre start, we had to tack several times for clear air. Eventually we got hooked in to a nice left hander and found a clear lane near the top of the beat. We rounded the first mark third or fourth with the reaches again becoming a parade. The second beat became very interesting as several boats fought for the lead. Tom Doran hooked a shift to lead at the weather mark. As did many people he was surprised by the current (in a lake!) and got pushed onto the mark. It seemed to take about ten minutes to sail the last hundred meters to the mark. We were again having a close duel with Bob Wardwell. He tacked a little short of the layline, and let us sneak around ahead of him. When we eventually settled down with the spinnaker set we were in second place with Skip Wilday in the lead. We sailed up to him but couldn't get by. Starting the last beat the wind was in the right hand phase so we tried to stay on starboard tack. Skip covered us tightly. Wardwell got himself into a good attack position on our hip, and gained rapidly until it looked like we'd have trouble crossing him. Skip tacked to port and went over to cover Bob. We were left alone to sail fast. At this point we figured we were in the drivers seat. Unfortunately for us the wind was stronger to the right. Even so, we came close to being able to get across. Skip kept protecting the right which prevented us from gaining control of the favored side. When we tacked to port, he was able to tack ahead and to leeward. We tacked back to starboard and he came over on our hip.

The water was very rough and we went into maximum concentration and started to sail away from Skip. But instead of waiting until we tacked, he tacked first. This was a smart move on Skip's part. The wind kept filling from and shifting to the right. So when we tacked, Skip was still able to push us back left. All this time, Djoerd Hoekstra was quietly sailing up the right side of the course. We didn't even see him until the last tack of the race. Not that we could have done anything about it even if we had seen him. We were pretty busy with our own battle. Djoerd took second with us third. After coming close to getting through to the lead so many times, it was a bit of a downer when we ended up in third. The 20-20 hindsight says that we should have hung on with starboard tack when it kept being lifted and we were not going to be allowed to get to the right.

**Race 3.** With Lake Ontario turned over by Sunday's high winds, the weather was getting a bit weird on us. This race was fitted in to the last spot of the week when the fog cleared and there was a little wind. Actually we were lucky in that the first beat had some wind. There was enough so that Kathryn and Doug did not have to hike to leeward, but could sit comfortably on the leeward seat. We got a good start in the middle of the line with no one close. We stayed on starboard tack for a long time and waited to see how we could get control of the fleet. John McIntosh and Bob Wardwell crossed astern and tacked on our weather hip. Occasionally boats further to weather would start to wind up, but then got headed down into us which allowed us to gain as we went further. The visibility was down to about a

mile in the fog. The most surprising sight was looking abeam on starboard tack. We saw spinnakers set by two boats in the championship division as they reached to the weather mark. It was weird because we could only see the top of the spinnakers and could not tell who they were. They were in a completely different wind. This made us a little anxious to work to the right. As soon as we tacked over, the boats to leeward did the same. Apparently they made the same observation at about the same time. John McIntosh who was sailing very fast in the light air, let us get to the right of him. Although this was the more comfortable place given the evidence that the wind was shifting right, John actually gained distance. Around the weather mark, we were first with John only four lengths behind. The wind had shifted far enough around to the right, to make the first reach into a run. We jibed first to stay inside at the jibe mark. Several boats, led by Mark Sertl, stayed on starboard jibe longer and looked threatening to our lead as we looked for the jibe mark in the fog. This leg was more challenging than the normal reach-parade. The wind had shifted so it actually had become a run. Djoerd Hoekstra played it perfectly to

round close behind us and take over second place. The fog closed in as we close reached to the leeward mark. The last place boats in the championship division were close in front of us. This made it much easier, than it might otherwise have been, to find the leeward mark. The wind was dying and the course was shortened to finish at the next weather mark. This last leg became a drifter. Periodically it looked like the wind was going to fill from weather and behind which would have carried the fleet past us. It was a great relief when we finished before this happened. Since the weather was totally uncooperative with fog and no wind for the rest of the regatta this was the last race of the series.

The Rochester Yacht Club and the Lightning fleet did a fantastic job of organizing the regatta. It was unfortunate that the weather did what it has never done before and probably never will again. The facility of the Rochester yacht Club is probably equal to the best in the world for holding an event like this. Chip Evald and his race committee did a great job to get in three quality races. The shore side organization was great too. I hope that I will have another opportunity to sail a regatta at this excellent venue.

# Governors' Cup

by Mark Whatley

Our team consisted of Michigan's Mr. Lightning, Bob Mathers, my significant other Leslie Fink and myself. Leslie has been sailing for three years, most of which has been as a crew on larger boats racing off Detroit. She and I are co-owners of our boat, but she is the real motivator behind our Lightning campaign. Bob has been successfully skippering his famous Evergreen Lightnings for nearly two decades. He is a Vice-President and a strong supporter of the class. Bob's experience in the class and longstanding friendships with many members enabled us to meet several people, making the long days spent at the Rochester Yacht Club waiting for the fog to clear quite enjoyable.

For Leslie and I this is our first year with a Lightning and we have managed to make nearly all the weekend races scheduled throughout Michigan. Our goal for this first summer was simply to qualify for the North Americans. With the help of Jane Allen as our third and a new set of North Sails (furnished by Bob) we reached this objective by finishing tenth in the Michigan District's. We were quite lucky to have sailed with people like Jane and Bob, their deep experience gave us years worth of Lightning go fast tricks in one summer.

After finishing in the hardware in every weekend race held in Michigan this summer we began to imagine that we might even make the Blue Fleet in Rochester. This was certainly not to be as I simply could not figure out which way to point the boat in the qualifiers. Thus we refocused our sights on the top of the Yellow Fleet and waited for an opening in the fog. The Governors' Cup consisted of only two races sailed back to back in moderate breeze.

## Race One:

Prior to the Blue Fleet start we were able to sail nearly half of the windward leg taking compass readings and looking for differences in wind strength across the course. We discussed possible reasons for favoring one side of the beat over the other and could not clearly identify any. We tracked a few of the Blue Fleeter's as they traveled up the windward leg and began to believe that the right may be favored due to a slight persistent shift in that direction. Just after the start of the Green Fleet, however, Leslie noticed that the wind was going back to the left and determined that it could be oscillating 10 to 14 degrees over ten minute intervals. At first I was a little skeptical of the observation, but it proved to be extremely helpful during the first leg. We were very thankful at that point to Greg Fisher for his article in *Sailing World Magazine* describing how to log compass bearings and associated times.

It appeared that the pin end of the starting line was favored. We decided to start slightly left of middle and look for an opportunity to go out on the port tack lift toward the soon to be expected right shift. Our strategy was to simply stay on the lifted tack for most of the leg and hope that it would continue to oscillate. After a fair start in the desired location we were soon able to tack out to the right. We passed two boat lengths behind last years Governors' Cup Champion, Joel Humphrey, and took three or four more sterns before we were clear. In just a few minutes my skepticism about the phases in wind was erased as Leslie proudly

informed us that the 10 degree header was coming in and we tacked.

Soon after tacking onto the starboard lift we started looking good on the fleet. Dr. Humphrey came out on port, just crossed us, and tacked back a few boat lengths to windward below Simeon Coxe and a yellow boat. I regret that I was never able to determine who the skippers were of this yellow and another orange boat because they both consistently sailed in the lead pack and should be mentioned by name. Well, perhaps we will meet next year in Newport. Our team continued on a starboard with good boat speed until we were able to cross the boats above us and consolidate a slight lead. In retrospect it would have been better to continue on the starboard lift to the left. We became a little preoccupied with covering what appeared to be the lead pack and ended up slightly right of middle near the end of the leg before we noticed Dick Tuttle charging in from the left with good breeze.

We bailed out immediately after seeing Dick and went hard left into the breeze and nearly to the port lay line at about 75 yards from the mark. At the first mark it was Dick Tuttle (who had beaten me handily at Backgammon the day before), us, the orange boat, Simeon Coxe and Dr. Humphrey. Bob did a great job with the spinnaker down the reaches and through the jibe enabling us to stay right behind Mr. Tuttle. At this point we were thanking the sailing Gods because, unlike in the qualifiers, we were able to hold our position on the reaches. I had never skippered in such a large, highly skilled fleet before and did not realize the need to aggressively protect my wind on the reaches.

Our team decided to stay slightly left of the competition on the second upwind because of the increased breeze on that side. This proved to be successful as we worked past Mr. Tuttle and into the lead. Having clear wind on the following four legs we were able to open up this lead for the win. Charlie Hess sailed a remarkable final upwind and came out of the right side to finish second. Simeon Coxe just edged out Jim McCoy at the finish for third and fourth. Greg Harris nearly one tacked it from the left side for fifth and Joel Humphrey recovered two boats on the final leg to finish sixth. Bob immediately noticed that five of the top six boats were from our home Fleet 54. Well, Pontiac sailors might not have overwhelmed everyone in the qualifiers, but we

were certainly sticking together in the Yellow Fleet.

## Race Two:

Our strategy for the second race was to favor the left side for the "higher pressure" (or for us weekend sailors, more wind). The pin was slightly favored so we went 3/4 of the way down the line toward it and got another fair start. Dr. Humphrey had tacked onto starboard immediately under us just before the start and powered up well leaving us one length to windward and two lengths behind him soon after the gun. This position was maintained for some time as we worked our way to the left.

Eventually we dropped into Joel's backwind and elected to take a short hitch out for clearer wind. We took the stern of Simeon Coxe and a few others before being able to tack back. With Leslie reading the compass and Bob doing a tremendous job informing us of our position relative to the fleet we played oscillations up the left middle passing all but Simeon's team. At about 100 yards to leeward of the mark, Simeon tacked on our lee bow and forced us to the right. He soon followed us back onto port. We continued out to the right and were blessed with a header which we stayed on until we could cross Mr. Coxe and round just ahead of him. At this mark it was: us, Coxe, the infamous orange boat, Harris, Humphrey, and Hess. I later learned that Charlie Hess had a mechanical problem with his spinnaker pole and was unable to fly his chute for a good part of the upcoming

reaches. This certainly made things a little easier for us as he was our closest competition at this time.

Simeon's team executed a flawless jibe and passed us at the next mark. Greg Harris and the orange boat also caught up to us and we were forced to go high on the second reach. Great boat handling by Leslie and Bob allowed us to plane over Simeon's boat just enough to collapse his chute and drop him to third or fourth before he regained his speed.

On the second upwind we found fewer oscillations and again favored the left side. We were able to settle down, work the sails, and increase our lead with good boat speed. At this weather mark it was: us, Harris, and Humphrey. The race for second place was touch and go down both reaches. The course was shortened and we finished at the leeward mark with Joel just edging out Greg for second. The first three boats were from PYC and the top five was rounded out by Schmiede and Coxe. We were quite happy that the course was shortened not only because it supported our lead, but because it allowed the Yellow Fleeter's the infrequent opportunity of getting to the hoist first.

Later in the week the race committee made a valiant effort to find an opening in the fog and get in a third race, but we fell short of the time limit in the only possible opportunity. Our thanks to the Rochester Yacht Club for their organization of the weeks events. Hope to see you all in Newport next year.

# Harris Clan Involved In Big Way At Their First North American Championship

## *Five of Six Boats from Fleet 54, Pontiac Yacht Club Qualify for Yellow Fleet*

by Greg Harris/Jim Harris

The Harris clan got involved with the Lightning North Americans in a big way for the first time. Greg and Meghan along with brother Steve were registered on our boat (13909) and Jim and Connie raced with Dr. Jim McCoy on his boat (14363). We all converged on Rochester, New York at different times and from different places. Jim and Connie trailered our boat along with Jim McCoy and his boat on Friday, August 17 while Steve flew in from Houston, Texas. Greg, Meghan, and Anna (our future crew member) drove in from Cape Cod, Massachusetts on Saturday, August 18.

Saturday morning of the North Americans Championships was weight in, registration, and measuring for the Lightnings. There were 130 boats neatly jammed into two parking lots at Rochester Yacht Club. By 1:00 p.m., all 130 boats were through the assembly line and ready to launch. The gun went off for the tuning race and 40-50 boats were dumped into the water and quick to head for sea. The McCoy/Harris/Harris team had reached 30 minutes to the start and then made their first tack only to realize that the upper shroud was not attached to the boat. They decided to limp back to shore with a jib and a mast bowed to lee from the spreaders up.

There was tension in the air on Sunday morning as the wind gusted to 25 knots and the waves crashed over the breakwall. The wind was from the northeast, straight in to the harbor channel. It was cold, rainy, and blowing like stink. Welcome to Rochester, New York, where it never blows hard. This was the start of the weather limited North Americans. At noon, the races were officially postponed for the day. Many of the crews spent the afternoon at a nearby bowling alley. It was entertaining to watch a bunch of sailors launching cannonballs down the alleys. Not many scores were seen in the triple digits.

Even though the races were cancelled, one crew from Vermont felt it necessary to show the rest that they could conquer mother nature. They made it out the channel and into the lake without trouble. As they made their way out into the lake, they attracted a large audience of previously bored sailors watching from the local Coast Guard station. They turned around and headed back toward land screaming at incredible speeds. Just when we thought they knew what they were doing, a brightly colored spinnaker arose and quickly filled. Are they Crazy? The crowd all watched in amazement as they occasionally disappeared in the shadow of the huge swells that had built. It was enough that they popped the chute, but they decided to enter the channel with it up, between two big breakwalls. The waves became chaotic and just inside the breakwall, an unfriendly wave sent them in to the dreaded "death roll" and it was capsized city or time to sail the centerboard trick. This incident sent a shock wave through Rochester as the coast guard, at first hesitant, mustered the courage to attempt a rescue. On land, police

cars, firetrucks, and ambulances converged out of nowhere. The crowd increased in size as word spread and two local newscast teams arrived. The boat was spit back out of the channel due to current and they floated to the beach without mast or mainsail, but all crew members were intact except a coast guard member who did a face plant in the rescue boat after it slammed into a wave.

Monday was cool, cloudy and windy. The storm from Sunday had inverted the water in Lake Ontario changing the surface water temperature from 74 degrees to 41-44 degrees. Three qualifying races were run one after another. With 130 boats swarming the starting area, it made for an unbelievable sight and quite a task to miss them all. The legs seemed extraordinarily long, about the length of one Cass Lake race course per leg. The McCoy/Harris 2 team got quite dizzy during the second qualifying race as they had to do a record three 720's. They seemed to have an undying attraction for the first mark as they hit it the first two roundings and then after hitting the mark the first time, they ran into another boat after they floated below the mark. Such a deal! There were three fleets for each race and each race was set up so that you would race against different boats. In the end, five of six PYC boats qualified (or defaulted) for the Yellow or third fleet; Whatley, Humphrey, Hess, McCoy, and Harris. Sean Fidler found himself on the bubble, the grey area between the Blue (1st) fleet and the Green (2nd) fleet. He ended up in the Blue fleet made up of 37 boats, the Green fleet with 45 boats, and the Yellow fleet with 45 boats.

Tuesday was the start of the action as the wind and waves were moderate. There was great anticipation in the air at the start of the first race, but toward the end of the first leg of the yellow fleet race it had worn off in the heat of the battle. The McCoy/Harris 2 team and the Harris 3 team exchanged goofy looks and "thumbs up" signs as they frequently crossed tacks. We both were in the top ten at the first mark with the other PYC boats keeping good company. It was amazing to look back on that first reach and see 40 spinnakers. The Whatley team showed everyone how to get around the course and took first with the Hess team taking second after a strong final leg. The generous McCoy/Harris 2 team finished in fifth place. The Humphrey team followed in sixth place. Not a bad performance from PYC! Five of the top six places! The second race began shortly after and at the first weather mark both of our boats tried to round at the same time 20 other boats were attempting to round. The Harris 3 team made it around cleanly, however the McCoy/Harris 2 team's attraction for the first mark was unfulfilled as they hit it. After the second weather mark, the Harris 3 team worked its way up to second place. On the final reach leg with the Whatley team leading the way again, a gun was sounded twice. As the Whatley boat began to round the leeward mark, an addition gun was sounded. Hey, is that the finish? I

am not sure. Just keep racing. The Humphrey team had pulled even with the Harris 3 team and eventually rolled past to the sound of a horn at the leeward mark. Yep, that's the finish. Hey, we took third! The McCoy/Harris 2 team was in the recovery mode throughout this race due to their love affair with the first mark and managed a 20th. The Hess team had to make use of the human spinnaker pole after their primary pole frapped slowing them to 27th place. Sean Fidler and crew had taken a 30th in the first race and an impressive 10th place in the second race of the Blue Fleet.

That evening, all Michigan Lightning crews were invited to a barbeque at Jill Meyerson's parents house. Jill who now lives in Michigan and was racing with Jim Scoffield is originally from Rochester. It was a great time and the food was exceptional. After a few sailors mistook their screen door as air some tape was put on the door in an attempt to control traffic. A big thanks to the Meyerson's for their superior hospitality.

This article is almost over, don't quit now! Wednesday brought warmer weather. Now what happens when you mix warm air and cold water? FOG! This was a day to hurry up and wait. All morning and up to 2:00 p.m. when all races for the day were cancelled. To keep everyone awake, a 16-team match race series was set up to run in the harbor/channel area for fun. It was a single eliminations series. There was some very impressive boat handling displayed throughout this "First Annual Fogged-in Match Race Championship." Brad Read of Shore Sails won the championship match with the remaining Lightning crews sitting around on the break-wall cheering and sipping beverages of the foamy type. Steve Harris had to fly out on business that evening and thus reducing the Harris 3 team to the Harris 2 plus "whoever we could find" team. There was a barbeque at the Rochester Yacht Club that evening with a 50s/60s band. Karen Park was decked out for the occasion looking dressed to kill. The fog finally lifted in time for the RYC regular Wednesday night races for the big boats. How Convenient!

Thursday brought much of the same as Wednesday morning had. MORE FOG! It appeared as though the fog was burning off so the race committee had all Lightning crews launch their boats all sail to the mouth of the channel to standby to standby. Everyone tied up to the breakwall as we waited for the fog to burn off. Sean thought it might be a good idea to use his anchor to hold his boat off the wall.

When he went to launch the anchor he missed a critical step in the process, to tie down the anchor line. He received a standing ovation from all of the crews nearby watching. As he made his way to the marine store to buy another anchor, he questioned where he might find the funds. Well, the fog finally cleared enough to start the races. The wind was light to void. After the first mark of the Yellow fleet, the fog moved back in and we were lucky to see the boats next to us. We had to jibe a couple of times to find the jibe mark. Again the fog cleared slightly, but the wind died except a breath here and there. After the leeward mark, the fog thickened and the wind was patchy. With the McCoy/Harris 2 team in with the leaders, the Yellow fleet race was cancelled due to the time limit. Their redemption was very short lived. As for the Harris 2 "plus a local high school student" team, hurray for the race committee, we were in the proverbial tank at the time. By now the fog was thicker than a churned up Cass Lake as boats flocked around various motorized committee boats to be towed in. A few lost ducks were found sailing toward land. Both the Blue and Green fleets had completed their races in time with Sean taking a 30th in the Blue.

Friday, the final day, what do we have for weather conditions? FOG! This hurry up and wait business is starting to get on our nerves! It apparently got on the race committees nerves too, because they lined us up in rows of 35 and towed us around Lake Ontario for a better view of the fog. Yep, more fog out here and look there's more fog over there. Hey wait, looks like its starting to lift. No, I think its filling back in. So they towed us back in and called it a day, a week, a very short Lightning North American Championship! Two races in four days for the Yellow fleet and three races for the Blue and Green fleets. Friday evening was the awards banquet. The Harris 3 team accepted the third place award after tie breaker rules and the Humphrey team was awarded second place. It ought to be illegal for Joel to operate a microphone! Congratulations to Mark Whatley, Bob Mathers, and Leslie Fink on their first place in the Yellow Fleet, they had Green fleet speed easily. The McCoy/Harris 2 team ended up in ninth place and the Hess team in 12th. Sean Fidler and crew ended up taking 26th place in the Blue fleet. A fine turn out for the PYC crews although we bet that next year will be an even stronger turn out when the N.A.'s are held at Newport, Rhode Island.

# Understanding Jib Sag

by Dave Starck

Many of us Lightning sailors (or any One Design sailor) spend an exorbitant amount of time making sure our sailplan and rig is tuned properly using the adjustments available to us. Centering the mast side to side, making certain it is straight, butt position, and paying attention to rake are usually the criterion we abide by. Further, mast blocking for the existing conditions is also a common tuning step we take to induce prebend. There is however another important ingredient which we may not always have on the top of our “things to tune” list....Jib Sag.

Jib sag may be the single most important gear we have on the Lightning to help power-up/depower the rig. Utilizing the tools available for power (backstay, mainsheet blocks, cloth, etc.) are essential to control the entry and fullness of the jib. Hence, jib sag may be that missing ingredient to your tuning and racing success.

Wouldn't it be great if we could add cloth to a sail when the winds were light and the seas choppy and, in an instant, reduce the amount of cloth when the weather turned. In essence, this is exactly what we are accomplishing with the idea of jib sag. In light to moderate winds and chop, inducing jib sag accomplishes many other things on our “wish list”. First of all, in these trying conditions, it seems we are constantly hunting for power. That is, driving the boat through the water becomes more important than pointing and concentrating on gaining lateral distance on the competition. Secondly, induced jib sag allows the sail to be much fuller and more powerful as well as forgiving. Hence, your groove to steer through the water is wider and easier.

Now, the flipside to this is moderate to heavy winds and rough weather. When these conditions are witnessed, depowering the jib (and entire sailplan for that matter) is our primary goal. Straightening the headstay (jib luff) through the use of the tools available to us will “reduce” the amount of cloth in the jib, making it flatter and less efficient. Pointing higher will also come about at this time.

In understanding jib sag and how it relates to your setup, the two most important tools we have to control sag are mainsheet tension and backstay mainsheet tension will suffice in conditions where you do not have to depower the boat. When sailing with two on the rail and sometimes three, these conditions do not necessarily warrant backstay. If you feel your jib is too full and powerful, utilizing the wire and cloth controls can be helpful. Likewise, jib lead position can also be controlled without altering the shape on your mainsail.

In conditions where sailing overpowered is the norm, the entire sailplan must be changed. In this case, your backstay adjust now becomes critical. Using all your other controls to straighten and flatten the jib aren't enough. Constant backstay adjustments will enable you to point high in the puffs with a straight luff entry and bladed sails, and will give you that needed power in the infrequent lulls. It's just amazing

*Speed testing with a partner is the best way to judge your best setup and speed. I suggest setting up your boat in various ways to see which feels the best.*

how well the boat sails through the water when both sails are working together. The trick is to be able to “change gears” with variations in the wind velocity and waves.

Finally, I think it's important to touch on prebend, and its effects on both the jib sag and mainsail shape. There are a couple of reasons for inducing prebend into our Lightning mast. In moderate breeze, blocking the mast forward (putting blocks behind the mast) will give you more control and feel over your jib sag and effectively allow you to sail your jib independent of the mainsail. Prebending your mast also affects your mainsail, making the lower third section of the sail flatter.

When we are sailing in heavier winds (15+ knots) with prebend, it is tough to control the jib sag. That is, to straighten the headstay (jib luff) we have to pull on maximum backstay. This situation is not necessarily good because, with maximum backstay, our mainsail becomes too flat and depowered for the conditions. Therefore, to find a happy medium in these conditions, we must change our blocking configuration and change our prebend. Removing the blocks from behind the mast and blocking the mast aft is recommended. Now we are able to pull on the backstay and control both sails effectively, not just one of them.

I hope this article helps you to understand jib sag. It is too easy to set up your boat on land and get caught up with all the measurements which are drilled into our heads. Granted, mast rake, butt position, side to side measurements, etc. are important, but I think it is important to channel some extra effort towards jib sag. I guarantee it will be helpful to you.

# Regatta

By Julie Moore

*(Crew on Blue Thunder 11368 owned and skippered by David Gall. Forward crew is Richard Jacobs.)*

Below the feathery pine boughs cars are parked haphazardly in the Skipper's drive. There were no visible skid marks, but I could have missed them. Each license plate bears a different county, each car's a different style, but the crew bears the same label — Lightning. We're mulling around packing some last minute things, repairing taillights, making small talk, kicking stones, smiling, laughing. Anxiety is high. All a prelude. There is nothing quite like it when we meet to regatta.

Regatta is one of those sailing words that may be used as a noun, verb, or adjective. For example, you could be going to a regatta or you could be regatta-ing or you could say it was a regatta. Only sailors can begin to understand the true significance of this multi-purpose word. Regatta. It stirs up images of tall ships gracefully floating along the shore; of parking lots packed with boats and cars and gear; of parties, good times, escape.

The laughter and partying in the dimming driveway's light is a far cry from the day's start. It's a perfect fall day. The wind's up, the clouds float by like lonely tankers on an endless sea of shining blue sky. I peer out my narrow office window. It's not time yet. I glance at my watch. My foot begins to twitch under my desk. Did I pack everything? There's something I must have forgotten. It's Friday and tonight we pack it in and move it out. Regatta time is almost here. My eyes glide back to the pages in front of me.

After a concerted effort to get in the car, the last door slams and we're off like a race horse from its starting gate; a slow race horse. The gray Subaru mare lumbers down the road fading into the approaching nightfall. Clip, clop. Its back deck is packed with the essentials — foul weather gear, dry clothes, tent, sleeping bags, food and the fruit that we never seem to eat, but feel obligated to bring.

"Are you ready for the 'thang' called love/ Don't come from me and you it comes from up above/ I ain't no porcupine take off your kid gloves ... Push comes to shove, shove comes to touch, touch will come to love..." sing it Bonnie. The smell of Snyder's chips, Genny Cream and Paramount peppermint schnapps fills the air. Crunch. The bag of peanut M & M's has just been attacked. Sailing food. Regatta music. Three lawyers out for a land sail; a weekend of adventure, escape.

Behind the wagon the ting, ting of the mast's shrouds occasionally hit a beat in time with the music. The boat seductively sways to the rhythm, her bow tucked tightly under dirty canvas pajamas spattered with road grime, her deck covered with army canvas strapped to her with extra spinnaker line, like a corset, to keep her from being exposed. The corset jumps a bit, testing to see if it can fly down the highway behind us.

In the dusk she looks like some giant reptile that has been killed by some unknown predator with four wheels, that is proudly dragging its kill along mile after mile of asphalt. But she is a ballerina; tomorrow she will dance.

Ahead, deep purples and blue paint the sky while swashes

of gold pierce their bond, silhouetting the pines along the roadside. With every passing second the viewing screen before us intensifies in color, slowly fading its picture into the night. The horizon begins to swallow the car, but the sun's setting remains captured in the orange glow of the dash and the passing yellow lines that bounce from the asphalt, nudged by the oncoming headlights. Bright green signs scream out the distance we must yet travel, but nobody cares. "...Don't need no long Cadillac...Don't need a man with a monkey on his back...I want a real man..." Bonnie's hot tonight. We're on a regatta.

People in the neighboring lane pass us as if we're standing still. Some look into the car, squint at the driver, turn their heads back at the boat, look at the driver again, and shake their heads in disbelief. These are usually old folk, affectionately referred to as hats and wigs. Others, who understand, look at the driver and smile. We usually look back and smile. They know about regattaing.

Regattaing is a toast to life, a way of life. There's regatta music, regatta food, regatta clothing, regatta time. It's the sound of people gathering, of water, of words on the water, of party music rising from beyond the clubhouse or tent, the tapes in the car that say we're on our way. It's a special kind of music — upbeat rock, Zeppelin, Bonnie, clogging music. If you can't bop to it in the car, then it's not regatta music.

The food is a mixture of whatever's available, and it's always got that down home flavor; always good. The clothing has to be warm and dry at times, but at others, lightweight and day-glo. Fun clothes for fun times. And regatta time, well, before a regatta we're on regatta time, the "hours 'til" countdown, but once we meet, there is no time, only regatta.

We do a starboard tack to the Frisch's Big Boy. Skipper's low on grease and needs to fill his tank. We all take a booth at the end of the line. We're laughing a bit too loud over recent Far Side cartoons. The waitress thinks we're drunk. Skipper's disappointed; his paper wrapper didn't fly off his straw. Don't make 'em like they used to. Spoon trick didn't work either. We pay our bill, grab a handful of suckers and climb into the land cruiser, proudly counting the twelve plus parking spaces we have unabashedly consumed.

This is the point in our journey where our forward crew usually educates us about some simple topic that turns into a brief reading of Encyclopedia Britannica. Weather? Yep. Done that one. Milking cows? Yep. Done that one too. He's an endless well of knowledge. We're always fascinated by him. I quietly whisper to the Skipper, "Where does he pick up all this stuff?" Skipper smiles and shrugs.

As our destination approaches, the conversation turns to the next day's races. Strategy is discussed, suggestions are made, we contemplate who will show, who will win, where we could hope to place and what time everyone should be ready. The results of this "serious talk" never materialize. We carry out little of the strategy, rarely win and usually find ourselves running to the boat just before the gun.

The music has become noticeably softer. It's been a long day and we're all starting to crash and burn. The silhouettes have disappeared.

The land cruiser crunches over the gravel road that leads to the next sea of battle. It's cold outside and we spend a few moments at the clubhouse fire to warm our chilled bones for the night. It's gonna be a cold one.

Miraculously, the tent is up, the crew is down and forward crew is snoring before the rest of us can get the sleeping bags untangled and zipped. There's nothing around but the stars, the moon and the whisper of the wind singing us its lullaby.

Morning is trumpeted by forward crew's noisy rattle of ripstock nylon as he unzips the tent to go out for a stretch. I roll over.

"What time is it?"

"Six."

I roll back and pull the pillow over my head begging for the mercy of sleep. Denied.

One by one, like scavengers, looking like something that even the cat would have reservations about dragging in, we hit the clubhouse; bathrooms first, kitchen next. Coffee, the fuel of champions. "Yeah, I'll have some of that. Thanks." My eyes still can't focus and my back's a bit stiff from the tent, but give me that coffee. Sailor's aches. But it's a beautiful day and we be sailing....

The day's races end; we hit the showers. The warm water streaking down my tired, hiked-out body feels good. I peel some blistered skin from my palms. "Chute was a little tough today," I think. The sea sludge is draining into the basin below my feet in a soapy gray mass. Slowly, I begin to feel human again. That warm feeling is short-lived. I'm out of hot water. I grab a towel and swab the decks to prevent totally freezing, but at least I'm clean. Besides, can't stay in

those showers too long after being on the water all day — the walls move.

Dinner and drinks and stories follow under the amber lights of the pavilion, but already there is a change in the air. Tomorrow we must go home. The unspoken reality of the upcoming departure is masked by laughter and gossip about famous sailors, by the Reds' game, by other sub-parties. We have already packed some things in the land cruiser.

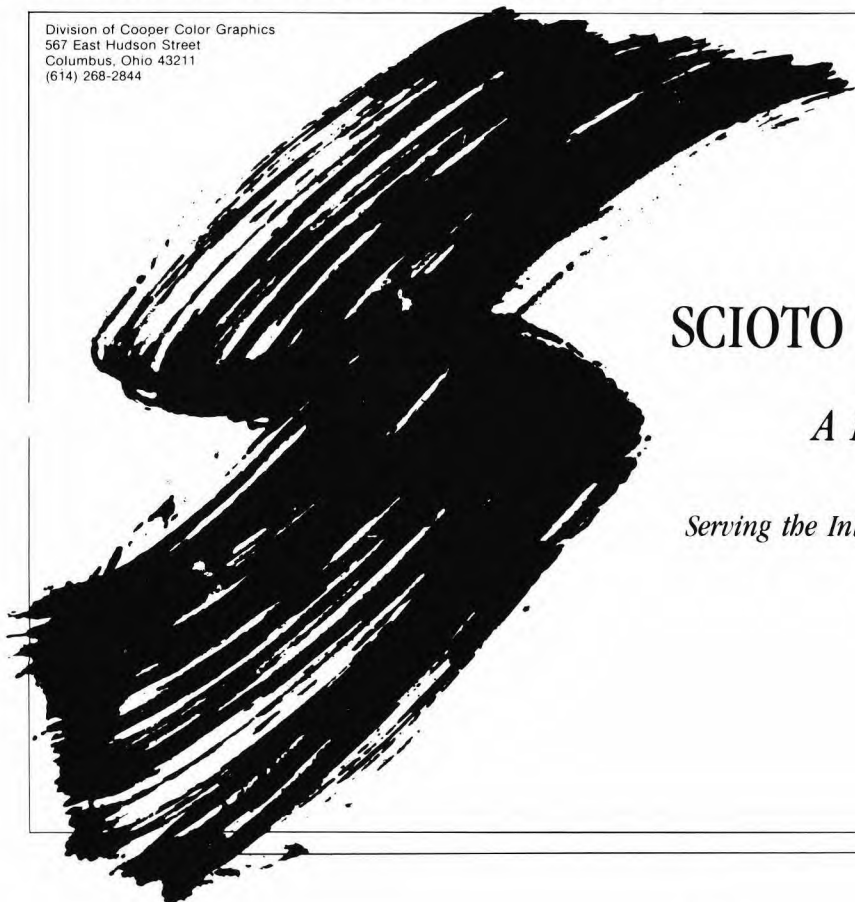

I venture alone into the darkness and seat myself upon a Laser under a barren tree, clutching my legs against my chest in the frosty evening air. In the distance, the clubhouse is alive with roars cheering on the Reds and it glows against the emptiness I feel. Above me, thousands of stars puncture the sky, each one trying to win my affections. But it is the barren tree that wins as it wraps its branches around me in comfort. The regatta is almost over and I am melancholy; I will be leaving my friends soon.

The final day of racing concludes; awards are distributed; some are in a hurry to go back; we start to pull down the tent. It looks defeated, helpless, dead upon the pavilion's cement floor. It just lies there in a silent, curled mass of turquoise and gold. Just one more race? The car is packed to the gills, gasping for air, and reluctantly, one by one we climb in.

The journey out is nearly silent, all of us taking one last look, reflecting upon the events of the last hours. There is no music playing. The dust brushes along the car's lower panels, puffing back to the boat as a ray of sunlight sparks upon our trophy resting quietly, proudly, upon the dashboard. It will be a long drive home. Another regatta has ended. The land cruiser sails down the road.

The golden trees sprouting from the corn fields wave goodbye.

District Commodore ..... Paul Gelenitis  
 District Vice Commodore ..... David Coward  
 District Secretary ..... David Faus  
 District Measurer ..... James Carson  
 District Champion ..... Keith Taboada  
 District Runner-Up ..... Jack Elfman  
 Junior Champion ..... Greg Kinzel

**Fleets:** Bay Head (3); Metedeconk River (34); Spray Beach (91); Lavallette (104); Brant Beach (173); Surf City (196); Riverton (228); Barneget Light (335); Ocean City (430); Tohickon Creek (491).

The Central Atlantic District had another great Lightning year in 1990. Our sailors traveled from the bays of Florida to the lakes of New York State. Our racing season got started at the Long John Regatta at the Monmouth Boat Club, which has proven to be one of the most competitive spring tune-ups around. Jack Elfman and crew, David and Holly Faus, sailed a fine regatta placing second behind N.A. champ Greg Fisher. Many C.A.D. sailors used this race to test new equipment and figure out new sails; it was fun for all who attended.

June saw several C.A.D. members traveling to various regattas with great success. Rich Warren from Surf City fleet and crew took a third in the Cedar Point spring tune-up. Jack Elfman continued his winning streak at the Governor's Cup in Rehobeth, Maryland. Brian Taboada and crew also made a good showing in this regatta as well as on the go carts on Saturday night.

Brant Beach hosted the New Jersey States in late June with the top three places going to C.A.D. sailors. Judy Lutz from Metedeconk fleet took home the gold with Keith Taboada and Jack Elfman following closely behind. This continues to be a fun regatta where several neighboring districts get together on a yearly basis for an enjoyable weekend of racing and socializing.

The District Championships were held at Bay Head/ Metedeconk Y.C. this year and proved to be a highly competitive regatta vying for the opportunity to sail in the North Americans. Keith Taboada and crew, Brian Taboada and Russ Schon, fresh from an impressive victory at the Rochester Classic, looked to be the boat to beat. With winds blowing heavy on the first day, the Toaboada crew showed their skill down wind and pulled away from the fleet. The final standings saw Taboada with first, Elfman in second, Djord Hoekstra in third, and Jim Carson of Metedeconk, Bob Adams of Bay Head, Rich Warren, Craig Dooran of Metedeconk and Paul Gelenitis rounding out the top eight boats. The following Monday, Metedeconk River Y.C. hosted the Jr. C.A.D. regatta which proved to be equally competitive and a great showcase for our younger skippers. Greg Kinzel of Metedeconk and crew took the Championship with Andy Temme of Surf City following with a close second and Will Bogardus in third. The C.A.D. is extremely proud of our younger sailors and are excited about their enthusiasm and success. Names like Vogt, Maiden, Lang, Temme, Kinzel, and Bogardus are ones you will hear about in the future!

The C.A.D. was amply represented in Rochester for the North American Championships with all seven qualifiers making the trip north. We had three boats in the Championship fleet and four in the President's cup as well as one boat in both the masters and juniors. Keith Taboada and crew took a sixth in the championships with consistent finishes, qualifying for both the Pan-American Trials and the World Championships. Congratulations to the Taboada boat! Jack Elfman and Paul Gelenitis struggled through the fog and finished in the middle of the Blue fleet. Djoerd Hoekstra and crew, Will Bogardus and M. Buczkowski, finished second in the President's Cup for the second year in the row — nice sailing Djoerd! Rich Warren, Jim Carson, and Craig Dooran also sailed in Green fleet. Jim Carson, and crew, Bob Burrige and Joe Buzkowski, sailed to fifth in the hotly contested Masters Championship; which Greg Kinzel and crew, Todd Pierce and Nancy Schon, took a sixth place in the Junior Championship. (Personally, the highlight of this writer's N.A.'s was the time spent in Silk O'Loughlin's waiting for the fog to lift.)

The 1990 season ended with several fine finishes in some of the Fall Regattas. Keith Taboada kept up his winning ways at the Manahawkin Bay Cup. Glenn Rietinger of Brant Beach and John Faus of Barneget Light both placed in the top five at the Southhampton Fall regatta. Jack Elfman won a very competitive frigid digit regatta in Annapolis, while Jim Carson took a second out of forty-one boats at the Borderline Regatta.

The Central Atlantic District continues to grow in number of new young sailors and in spirit. The number of weekend sailors involved in the Barneget Bay Yacht Racing Association and the Long Beach Island Yacht Racing Association is growing and includes a list of many impressive sailors. In order to have all this racing, there has been a lot of behind the scenes help with race committees, crash boats, and social committees and we thank you all for another great season!

## CENTRAL NEW YORK DISTRICT

District Commodore ..... Tom Doran  
 District Secretary ..... Daniel Koretz, M.D.  
 District Measurer ..... John Barnes  
 District Champion ..... Kirk Reynolds  
 District Runner-Up ..... Richard Hallagan

**Fleets:** Skaneateles Country Club (1); Lake Delta (4); Newport Yacht Club (77); Willow Bank Yacht Club (164); Henderson Harbor Yacht Club (225); Keuka Yacht Club (252); Galway Lake Yacht Club (338); Ithaca Yacht Club (484); Port Oswego Fleet (485); Selkirk Fleet (498).

The 1990 sailing season certainly was successful, and without a doubt, the highlight was hosting the 1990 North American Championships. The Rochester Lightning North American Championships were co-chaired by Dick Hallagan and Mark Sertl, and also included Chip Euval, George Sereno, Jim Gocker, Landy Atkinson and Debbie Wright. They spent many long hours planning and organizing and with the help of the sailors of the Central New York Lightning District were able to cover all the bases in organizing the championship. Now, if they could only have done something about the fog.

Congratulations are in order to Dick Hallagan who won the Master Championship and Women's Champion Jean Palm. They represented our district well.

We saw some interesting things while going over our regatta statistics. The total number of boats sailing in our regattas was down from 186 last year to 180 this year, but we had one less regatta in 1990, and the average number of boats per regatta increased from 31 to 36. Triple crown participation remained the same with seven boats in both years.

The season started off with the Newport Invitational in early June. Racing was held on the waters (and in the fickle winds) of Lake Ontario and Irondequoit Bay. CNY sailors who placed in the top 10 were Mark Sertl, Tom Doran, Kirk Reynolds, Bram Palm, and Dick Hallagan.

Two weeks later the District Championship Regatta was at Cazenovia. There were 33 boats vying for the 20 spots allotted to our district for the North Americans and the competition was intense. The Race Committee was able to get in 5 races despite the very light winds on Saturday and the top 5 finishers were Bram Palm, Mark Sertl, Kirk Reynolds, Clay Murphy, and Dick Hallagan.

Keuka once again held its fabulous Champagne Regatta after taking a brief hiatus in 1989. Bully Hill Winery has sponsored this regatta for several years and we were glad to hear that Walter Taylor, founder and owner, was making a good recovery from the serious injuries he sustained in an auto accident. We took turns signing a large get-well card for him and hope that he will be returning to the up-state area soon. Fleet 252 did its usual great job with its champagne cocktail party, dinner and dance. The top 5 finishers (in sailing, not at the cocktail party) were Dick Hallagan, Art Tirrell, Clay Murphy, Jim Gocker, and Landy Atkinson.

Henderson Harbor held its ELYC Regatta in mid-July. Attendance was up with 27 boats for this event as word spreads that there is good racing, great food and a friendly atmosphere there. First place went to Bob Wardwell, who sailed out of Henderson Harbor for many years. CNY sailors who finished in the top five were Dick Hallagan, Art Tirrell, and Tadd Helmer.

The CNYRA Regatta was held at the Ithaca Yacht Club on July 28-29. Landy Atkinson won his first regatta and was treated to a dip in Cayuga's waters by his appreciative crew.

The annual Michelob Lightning Classic was held in Oswego on August 11-12. They matched their attendance of 60 boats from the year before and outdid themselves with their organization, food, beverages and racing. Eagle Beverage has sponsored the regatta for many years and has earned the gratitude of sailors from all over the country who have attended this great event. There were many out-of-district sailors this year because they were using this as a tune-up for the North Americans being held the next week at Rochester. Sailors from our district who placed in the top ten were Bram Palm, Mark Sertl and Jim Gocker.

The Triple Crown regattas this year were Newport, Keuka, and Henderson. Seven sailors attended all three events and, in order of finish, they were Dick Hallagan, Tom Doran, Clay Murphy, Dave Bull, Jim Finn, Jack Jones, and Dan Koretz.

The season ended with the Silver Lake Regatta which was the final event in the Central New York — Lake Erie District Challenge. Thirteen boats attended the two designated regattas, Newport and Silver Lake. Seven sailors from our district went to both: Dick Hallagan, Clay Murphy, Landy Atkinson, Dave Bull, Dan Koretz, George Sereno, and Dick Doherty. Unfortunately, we could not make up with numbers what we lacked in skill, (or is it visa-versa?) and lost the challenge by one point. However, we do not

intend to let this minor setback dampen our enthusiasm for sailing or next year's racing season. We hope to see even more sailors on the circuit.

**Fleet:** Jayhawk (60).

The Central States District recently lost two active skippers, Fritz Toussaint and Bob French to the deep south. A few new ones have moved in and will become active.

The 1991 Central States District Regatta will be held the third weekend in June at Perry Yacht Club, Lake Perry (near Topeka, Kansas). We hope to see more Colorado and Oklahoma boats next year.

 District Runner-Up ..... Alberto Gonzalez

**Fleet:** Aculeo (490).

The season began in September at Algannobo. We sailed a couple of championships. Our local championship have shown increasing interest with some of our old friends getting their boats ready and joining us in the regattas.

In March seven crews went to Callao to sail the South American Championship. Manuel Gonzeles won and his brother Alberto came in second.

We are working now in order to make the 1992 World Youth Championship.

## COLOMBIA DISTRICT

District Commodore ..... Rodolfo Salmang  
 District Measurer ..... Rodolfo Salmang  
 District Champion ..... Federico Meira  
 District Runner-Up ..... Andrew Lisocki  
 District Junior Champion ..... Marcela Recaman  
 District Junior Runner-Up ..... Eduardo Colmenares, Jr.

**Fleets:** Club Nautico del Muna (73); Club Nautico del Portillo (501).

The 1990 season had several events we want to recapitulate here. We had a District Championship with 19 participants. Federico Meira, in close competition, won the Championship over Andres Lisocki. After several years without it, we had enough Junior sailors to stage a Junior Championship. There were six boats participating. The victorious crew attended the World Junior in Buffalo.

Thanks to the interest devoted by P. Jacob, a new International Regatta, between Colombia and Ecuador, was created. It will be a yearly competition, hosted alternatively by each country. The Regatta rules allow eight entries per country, plus the previous year champion. The first edition will be sponsored by Colombia, early January 1991.

The South American Federation of the I.L.C.A. gave to the District of Colombia the honor to host the 1991 South American Championship, to be held in Lake Tomine, January 11 to 19, 1991. We are expecting participation of every country in South America.

## CONNECTICUT RHODE ISLAND DISTRICT

District Commodore ..... Tom Ingram  
 District Secretary ..... Lori Davis  
 District Measurer ..... Dave Dickerson  
 District Champion ..... Dave Dellenbaugh  
 District Runner-up ..... David Peck

**Fleets:** Black Rock Yacht Club (17), Niantic Bay Yacht Club (85), Cedar Point Yacht Club (126), Madison Beach Club (129).

The Connecticut/Rhode Island District enjoyed another active season with good representation by its members at District events and elsewhere.

Tim Healy with crew Bob Almeida and Mike Vann from Niantic Bay, sailing his first season in a new Lightning quite convincingly won the first event on our District schedule, the Early Bird Regatta at Cedar Point. Tim also won the Atlantic Coast Championships (also at Cedar Point in July), and finished 3rd in the District's. Definitely a team to watch in the future. (They weren't kidding when they came up with the name "Can't Touch This!")

Getting back to the Early Bird at Cedar Point; this regatta really gets quite a far-reaching turnout: Richard Warren (New Jersey), second; Jean-Francoise Serine (Montreal), third; George Fisher (Ohio) fourth; and Peter Hall (Canada), fifth.

Fleet 85 at Niantic Bay was the site of this year's District Championships. The conditions were good, and as always, the competition was quite tough. Dave Dellenbaugh, sailing in Niantic for the first time, took 1st place honors, and David Peck from Niantic, sailing wife Nina's Lightning (transplanted from Cedar Point), was 2nd. David, along with Tim Healy, is another formidable competitor joining the ranks this year at the helm of a Lightning.

The CT/RI District easily filled its quota for the N.A.'s in Rochester, sending 10 boats, half of which qualified for the Blue Fleet! Jim Crane was the highest finisher, coming in 4th and Ched Proctor won the Presidents' Cup.

The next event on our schedule was the CT Governor's Cup at Niantic Bay the 2nd weekend in September. David Peck came away in first place to retain that coveted mega-trophy for his home for another year! John Oldham was 2nd, and Bill Healy (sailing brother Tim's boat), finished 3rd. Sadly, we had to say good-bye to John, as he has accepted a job in California. I'm sure we will see him at the N.A.'s, as he is a perennial "Blue-Fleeter", but we will miss him tremendously at our Club and District events. We wish him luck, good sailing, and hope he's not there forever!

The following weekend was Cedar Point's Fall Classic. Typical of New England weather, Saturday was blowing (resulting in swimming and break-downs), and Sunday was light and shift. When it was all over, Phil Lotz won, Jody Lutz was second and Tony McBride from Canada was third.

Last year, the District decided to combine the results of these two regattas and award an overall perpetual trophy, as well as individual trophies at both regattas. Phil Lotz, with a repeat performance of last year, was again the recipient this year. This is a great series, and we really hope to increase the turnout at these two regattas in the next couple of years. It's a beautiful time of year to sail at both clubs, the competition is always top-notch with some of the best Lightning sailors in the Class, and then you add to that the excellent steak dinner at the Governors' Cup and the scrumptious lobster feast at the Fall Classic — you can't beat it! Make sure to reserve your calendars next year for the **2nd and 3rd weekends in September** and join us on the Sound!

The big news for our District is that, along with the New England District, our bid was accepted to host the 1991 N.A.'s in Newport. Phil Lotz, Don Barrett and Kip Hamblet are Co-Chairmen for this event, and will be looking for support from all the Fleets in the District. It's a tremendous undertaking, but with a little help from everyone, we think we can do a good job. You couldn't ask for a better place to sail, party, and vacation; it should be a great event.

Tom Ingram from Cedar Point will be taking over for Phil Lotz as our District Commodore, as Phil will obviously be quite busy with the N.A.'s. We missed seeing our friends from Madison and Black Rock Yacht Clubs, but understand that there might be more Lightning owners in at least one of these Fleets, and we hope to see more participation from them next season.

And finally, updating the "Baby Boom" trend in our District of the last couple of years: congratulations to Phil and Wendy Lotz on the birth of their daughter, Megan; to Paul and Giselle Myerson, also on the birth of a daughter, Emily; to Edson and Barbara White and their first, another little girl, Elizabeth; and to Dave and Debbie Smith, also a daughter, and also named Emily. All are from Cedar Point (must be something in the water there). Anyone else have any future Lightning sailors on the way?

Everyone have a good Winter, stay in shape, and we'll see you next year!

District Commodore ..... Mike Denning  
 District Vice Commodore .... Mary Anna Elliot  
 District Secretary ..... Ron Grotheer  
 District Treasurer ..... Kitty Racine  
 District Measurer ..... Dave Racine  
 District Champion ..... Dr. Donald Delorme  
 District Runner-Up ..... Steve Bachman

**Fleets:** Washington, DC (50); North East River (192); Susquehanna (253); Sassafras River (314); Rehoboth (325); Severn River (329); Swift Creek (496).

The Dixie District had a great year of close competition with over 17 invitational regattas sponsored by many active fleets in Annapolis, Rehoboth, Washington, DC, Richmond, Kentmore Park, and Susquehanna.

The District kicked off the 1990 season with a new invitational regatta — The Chesapeake Olympic Class Regatta. This event was sailed in six separate sailing locations hosting over fourteen different classes. Lightnings sailed out of West River Yacht Club along with Flying Dutchman, International 470's and 505's, Flying Scots, and Jet 14's. Although the winds were light, the sailing conditions proved enjoyable for everyone. Fred Mertes took first place, second went to Ron Grotheer, and third to Bob Wardwell.

The No Gas Regatta brought three boats from Canada and one from Connecticut for a total of thirteen boats. Light fluky winds plagued Saturdays races where only two races were held. Sunday, heavy winds and cold conditions forced the race committee to cancel all races. Jay Mann of Canada took first place, Bob Wardwell was second and Don Delorme was third.

Washington's Fleet 50 held the Annual Potomac Cup at their soon to be new sailing site — Leesylvania's State Park. Because the ramps and hoists hadn't yet been installed the thirteen boats relied on 4x4's to tow the boats across sand which then were carried into the water. The great sailing conditions and cold Becks beer proved for alot of fun which makes this regatta one of this District's highlights. The top finishers were Bob Wardwell - first, Jim Dillard - second, and Ron Grotheer - third.

Rehoboth Bay Sailing Association was the host for the Dixie District Championships. Once again the beach provided for great competitive sailing and post sailing activities. Saturdays sailing was moderate and shift. Although the conditions were inconsistent Don Delorme sailed consistent, winning the first race. Bob Wardwell took the second race. RBSA provided a great clubhouse dinner, and then it was off to an evening of amusements. Soon after the dinner, sailors converged at the "Slick Trak" to see how long they could last before getting kicked off by the attendents. Even after Steve Bachman's sailing absence, he easily reclaimed his "Slick Trak" title.

Sundays steady breezes of 15 to 18 mph made the races very close with race three going to Steve Bachman, race four going to Ron Buchanan, and the fifth race to Fred Mertes. Again it was consistency by Don Delorme and his crew which earned him the championship in a very well sailed regatta. The top three finishers were all within two points, with second going to Steve Bachman, and third going to Fred Mertes.

The District was represented in the North American Championships in Rochester, New York with three boats. Fred Mertes, Bob Wardwell, and Simeon Coxe. Both Bob and Fred sailed in the Presidents' Cup and Simeon rallied for third place in the Governors' Cup. Dr. James Gilbert of Alexandria placed 9th at the Masters which was sailed at the Newport Yacht Club, in a fleet of 21 boats.

Kentmore Park held its almost bi-annual Sassafras Regatta. This regatta always features great fun and lots of great sailing. Don Delorme sailing consistently Saturday was in top place after Saturdays racing, but after Sundays racing, top awards went to Mark Schnieder in first, Dr. Tom Hopkins in second and Howard Edson in third place.

Fleet 50's mid September Presidents' Cup attracted nine boats sailing on the Potomac River near Haines Point. Fleet 50's own John Butler took first prize followed closely by Reed Barrett in second. The Annual Lightning Thistle Challenge attracted 18 boats nine of each class, which was won by the Thistle Class this year.

The Frigid Digit was the second to the last regatta of the year, held the weekend of October 20-21 at Severn Sailing Association with 38 boats attending. Sailing conditions on the Chesapeake again were light and fluky. Top three finishers were Jack Elfman, Matt Fisher, and Jody Swanson in third. The Frigid Digit Regatta is the first half of the combined trophy. The second half was the Borderline Regatta. The Borderline was the final

regatta sailed in North Carolina on Kerr Lake and attracted 41 boats. Saturdays races provided light winds, and Sunday heavy winds were encountered where five boats capsized. The top five finishers were Dick Hallagan, Jim Carson, Tom Allen, Jr., John Pelosi, and Tom Allen, Sr. The combined trophy for both regattas went to Tom Allen, Jr.

Altogether it was a good year of sailing for the Dixie District Lightning sailors. We eagerly anticipate having even great success in 1991. We are now, as you are aware, planning and preparing for the 1991 Lightning Worlds. We invite you to come and enjoy this honor with us druing this event in either the logistics or in the activities. Also we invite you to tune up for the Worlds in the No Gas Regatta to be held in mid May, and in all regattas in our active District.

## EUCADOR DISTRICT

District Commodore.... Ing. Santiago Romero B.  
 District Secretary ..... Jaime Martinez  
 District Measurer ..... Felipe Eljuri  
 District Champion ..... Juan Carlos Plaza  
 District Runner-Up..... Carlos Luis Lecaro

**Fleets:** Guayaquil Yacht Club (272); Salinas Yacht Club(405); Club Nautico San Pablo (447).

Both Fleets 272 and Fleet 405, sailing off Salinas, have been organizing new and different events, with the purpose of bringing new people in and building enthusiasm among members.

In September 1990 we organized the first ever "Crews' Regatta," where a crew member could take the helm and yell at his captain. The event was a success in terms of getting the sailors together, racing and having fun.

For the months of October and November, we will keep racing in Salinas every other weekend. All races will be valid for the Francisco Sola Franco trophy, the purpose of which is to have the most people sailing throughout the year. Also, the last 6 races will be valid as the qualifiers for the South American Championship, to be held in Bogota, Colombia.

Members of Fleet 272 and Fleet 405 have started to receive a newsletter, "TACKS," which is our local version of the *Lightning Flashes*. In this by-monthly publication we show regatta schedules, results, photos, and any article of interest.

The Ecuador District looks forward to have a very active 1991, having as many boats as possible sailing.

## FINLAND DISTRICT

District Commodore .....	Antero Punttila
District Secretary .....	Sirkka-Liisa Laitinen
District Measurer .....	Jari Aromaa
District Champion .....	Kari Maenpaa
District Runner-Up .....	Leo Korhonen

**Fleets:** Helsinki (166), Oulu (307), Kemi (310), Jyväskylä (328), Tuusulanjärvi (456), Valkeakoski (468).

Though the sailing in our District starts in May we do some activities before that. 1990 we arranged a sailing seminar in two parts. The first part was full of theory like "how to forecast and recognize the changes in wind conditions before and during the racing". The second part was sailing in two boat groups under the control of our district trainer Terho Aromaa. That was something we have to do more!

In the end of June, 10 Lightnings from Finland travelled to Switzerland for the 1990 European Championship. This is the greatest number of Finnish Lightnings that ever had participated to the Championships outside our country. The best Finn among 31 competitors was Hannu Hurskainen with crew Pekka Hurskainen and Samppa J. Salminen. In July one Finnish crew raced in Buffalo where the 1990 Youth World Championships were held. They were also sponsored by our District.

Kallan Purjehtijat in Kalajoki hosted the Finnish District Championships this year. The racing area was open sea between Finland and Sweden so we had a lot of wind and also big waves. The weather was nice, the hosting club did a great job and accommodations were super. We only had twenty boats participating, and this was disappointing. We have to do something! The 1990 Finnish District Champion is Kari Maenpaa with Erkki Maenpaa and Mikko Maatta. Leo Korhonen with Anne-Marie Korhonen and Rainer Korhonen was second; Kimmo, Jari and Mika Aromaa was third; Hartti Nisonen, fourth; Hannu Hurskainen, fifth; Pertti Pyy, sixth; Jaakko Herttua, seventh; Asko Autio, eighth; Jyrki Maatta, ninth; Samppa J. Salminen, tenth; Markku Paloma, 11th; Aulis Naykki, 12th; Antero Punttila, 13th; Aimo Jokiniemi, 14th; Heikki Ulen, 15th; Pentti Jarvinen, 16th; Terho Aromaa, 17th; Kari Iso-Pahkala, 18th; Johannes Liimatta, 19th; Esa Holopainen, 20th.

In the meeting during the District's we asked for sailors concerning on going to next years European and World Championships. The result was very encouraging, again ten to twelve crew were planning a trip to Europeans and four to five to Worlds. This is great! But how do we get all to participate in the District's which will be arranged next time in Saynatsalo, Jyväskylä. The target will be to see over thirty boats on a starting line. We will see.

## FLORIDA DISTRICT

District Commodore .....	William Meyer
District Secretary .....	Heather McGonagle
District Measurer .....	Dave White
Assistant Measurer .....	Jeff Shaw & Eammon DeLisser
District Champion .....	Mark Bryant
District Runner-Up .....	Jim Alman

**Fleets:** Biscayne Bay (226); Lake Eustis/North Florida (461); Suncoast (502), Clearwater (504).

Word is finally starting to get around that the Florida District is not only very hospitable to Northern refugees needing a late Fall-Winter, early Spring change of climate, but provides some of the most consistently intense competition around. Mark Bryant's permanent relocation to Florida's West Coast, occasional "snow-bird" migrations of Bruce Goldsmith, Tom Allen and Hank Hodgeson, as well as the ability to sail year round keeps the District on its toes.

May's Districts was definite proof of "up-and-coming" and quality veteran Lightning sailors, evidenced by a needed tie-breaker to determine second and third place between recent returnee Jim Alman and perennial Fisk Hayden. Coconut Grove Sailing Club and Fleet 226 hosted a light to moderate air — full of holes — "the wind is always better on the other side of the course" kind of regatta. Mark Bryant, Joni Palmer and Will Jeffers convinced everyone they had sand between their toes and the shift gods on their side.

The Ray Dodge Trophy, first place perpetual, was presented to Mark Bryant. Jimmy Alman kept the Florida Fay Regan Trophy for second place in Coconut Grove (at least for one year). Tom Degan won the Competition Trophy (abdicated by Mark Bryant suffering from embarrassment of riches) for the Best First Time Skipper in the Districts. The Corinthian Trophy for Mid-Fleet finish went to Jon Ewing. Corinthian could well describe the event for all those involved.

The District was not allowed to rest on its laurels after the Districts. A request from the Key West Yacht Club to come and show our "stuff" to their members, garnered boats from all four fleets in the middle of the summer. All indicators point to a new fleet forming there. Usually a trip to Key West is during those "cold" months, but it was an opportunity to sell Lightnings to an interested buyer, the Key West Yacht Club. Of course for those of us who have already been smart shoppers, there is only one choice.

Congratulations to 1989-1990 Triple Crown winners Carol Stout, Fay Regan/Tom Degan, and Bill Meyer, 1st, 2nd, and 3rd respectively. The Florida district also sent six boats to the North Americans. The first leg of the Triple Crown for the 1990-1991 season is Thanksgiving weekend at Davis Island Yacht Club, Nov. 24-25 (work off some of that turkey). The second leg is the Coral Reef Annual at Coral Reef Yacht Club in Miami, Dec. 9-10. The third leg is at Melbourne Yacht Club, Feb. 2-3. Never say no to the Red Lobster Regatta in Sanford, Dec. 1-2. All of these are in addition to local Fleet races held every month. Next year the Pam-Am Trials for Lightnings will be held at Davis Island two weeks before the Districts which are at Davis Island on April 27-28. Call Bill at 813-886-1962 for information on Florida Racing.

Florida District is most proud of our new President, Fisk Hayden, who has been actively promoting Lightning sailing for decades, and just so now sits at the head of the class.

## INDIANA DISTRICT

District Commodore .....	Greg Miles
District Secretary .....	Susan Calder
District Champion .....	Brad Wagon
District Runner-Up .....	Greg Miles

**Fleets:** Wawasee Yacht Club (154); Indianapolis Sailing Club (270).

The Indiana District had three great regattas this year.

The first regatta was the Indiana Open May 5-6, at Geist. This year we had great weather and no snow. Competition was great with Colin Park coming out on top.

The second regatta was the Indiana Districts held at Geist on June 15-16. There were light winds both Saturday and Sunday, but the race committee was able to get five races in. Brad Wagon was first followed by Greg Miles and Joe Cassaux was third.

The third regatta was the Hoosier regatta held at Wawasee on Oct. 6-7. The 23 boats were greeted with strong, gusty winds on Saturday causing capsizes by some of the best sailors. Sunday brought lighter winds and rain. Colin Park ended up first for the sixth year in a row.

The Indiana District would like to thank everyone for supporting our regattas.

## ITALIAN DISTRICT

District Commodore .....	Francesco de Regis
District Secretary .....	Sergio Rustichelli

District Champion .....	Marcello Attina
District Runner-Up .....	Pasquale Vitaggio

**Fleets:** Marsala (449); Trasimeno (453); Flotta Del Conero (466); Flotta Del Savio (476).

Many skippers participated in the Italian District Championship and nine crew travelled to Switzerland for the European Championship. Gaetano Pellizzaro is the new European Champion. Congratulations to him and his crew Falcini and Cappucci.

The District is looking forward to another successful sailing season.

## LAKE ERIE DISTRICT

District Commodore ..... Anne Allen  
District Executive Secretary ..... Bryan Milne  
District Corresponding Secretary ... Judy Walker  
District Treasurer ..... Kathy Taylor  
District Measurer ..... David Sprague  
District Champion ..... Jody Swanson  
District Runner-Up ..... Mark Sullivan

District Junior Champion ..... Tom Starck  
Runner-Up ..... Mark Sullivan

**Fleets:** Buffalo Canoe Club (12); Chautauqua Lake Club (19); Silver Lake Yacht Club (47); Niagara Sailing Club (59); Cuba Lake Yacht Club (115); Flying Beaver (118); Toronto Bay (146); Conneaut Bay (180).

Has another year passed? It seems that each year with the Lightning Class is passing by with lightning speed and it is time to recap the Lake Erie District's activities and regattas.

Again, the sailing in the Lake Erie District gets harder, tougher and more competitive. Our sailors continue to travel throughout North America perfecting their techniques and abilities. The juniors especially made their mark in international competition, not only winning, but finishing well in the Junior Worlds held in our home waters at the Buffalo Canoe Club.

Our 1990 season started at the Boulevard Club in Toronto with the annual April Fool's Regatta coupled to the District Meeting and an afternoon of curling. No, we didn't race Lightnings but instead tested skipper and crew abilities singly in the one-man (and girl) Optimist dinghies. After a number of elimination heats it came down to the one winner, Martin Essig of Hamilton Boating Club.

Spring and early summer was spent in the smaller regattas around the District. Top winners changed frequently depending on regatta attendance, crew availability, weather conditions and local funnies. All paths led to the District Regatta to see who would qualify for the North Americans.

One of our largest regattas was the Canadian Open hosted by the "Flying Beaver Fleet" of the Hamilton Yacht Club. The Beavers did an outstanding job in every facet of Regatta Management including local sponsorship, great meals and congenial hospitality. With three light air races, two heavy air and one "oh my God whatever" race, the winner was American David Starck followed by Top Canadian Peter Hall.

The 1990 LED Districts were hosted by the Buffalo Canoe Club in a two-day Regatta followed by the Junior Worlds. A number of out-of-District Lightnings were invited to sail with us on the condition that they loan us their new Allens for the Junior Worlds. The top five finishers in the Districts were all LED sailors: Jody Swanson, first, Mark Sullivan second, David Starck, third, Jill Swanson fourth and Cal Schmiede fifth.

The Junior Worlds was a great event. The best possible result was a winner from the BCC Juniors and Ned Roseberry and crew lived up to that commitment. Tom Starck (USA), Marty Essig (Canada) and Greg Millar (USA) also sailed well and will represent their countries (and the LED) in future Junior Worlds. Sixteen year old Marty just got his own competitive Lightning so we expect to hear a lot from him in the future.

For the North Americans the LED proudly sent entries to all fleets. Ned Roseberry triumphed in the Juniors, Cal Schmiede fifth in the Masters and Judy Walker third in the Womens.

The LED sent 13 entries to the North Americans including: Mark Sullivan, David Starck, Cal Schmiede, Larry MacDonald Jr., Bill Neal, Skip Wilday, Mark Dadd, Keith MacDonald, Jim Allen, Peter Humphrey, Tom Allen Sr., Judy Walker and Defending Champion Tom Allen IV. No great honors were won, but we all enjoyed the meeting with old friends from the Lightning Class. You never knew who you would meet sailing out of the fog....

We were able to retain the LED-CNY District Challenge Cup from the Central New York District due to the efforts of Tom Allen Jr. and the other LED participants. It takes more than one Lightning to win the Challenge, but first place sure helps.

Our Fall Circuit consisting of three Regattas, Harvest, Haul-out and Hurrell-Shaker was taken by Tom Jr. overall with David Wood second, Judy Walker third and John Rogers fourth.

Our 1991 Regatta Schedule is somewhat complete and is shown in our ad along with some of our District Champions. We are busy making plans for our District Spring Meeting in May in conjunction with the Eby Series at the Buffalo Canoe Club. A Pot-Luck Dinner is planned at one of the Point Abino homes. We invite all Lightning sailors to join us at one of our Regattas during the 1991 season for tune-up practice. We want everyone to learn first hand just how tough it is to sail in the Lake Erie District.

## METROPOLITAN DISTRICT

District Commodore ..... Ralph Wilson  
District Secretary ..... Jack Huntsman  
District Measurer ..... Franz Schneider  
District Champion ..... Gary Hurban  
District Runner-Up ..... Sandy Huntsman

**Fleets:** North Shrewsbury (11); Paupack (16); Lake Mohawk (25); Chelsea (39); Red Bank (70); Nyack (75); Awosting (95).

The highlight of the 1990 season was the Metropolitan District winning the Steketee trophy for having the greatest percentage of increase in membership for 1990 versus 1989.

It will be very difficult for the Metropolitan District to repeat as 1991 winners of the Steketee trophy as we are on the minus side with the reactivation of the Riverton Yacht Club (Fleet 228). Although we wish Mark Schneider (our past District Commodore) the very best, we wish that this fleet were in our district.

The saddest moment was the passing of Arnold Schwartz on March 30th. Arnold had served as Captain of Fleet 70, Commodore of the Metropolitan District, and President of the I.L.C.A.

The best attended regattas were the Long John at Red Bank, the District's at Nyack, and the Pennsylvania Governor's Cup at Lake Wallenpaupack. The first and last were memorable for strong winds and the middle for very light winds and tidal current that was stronger than the wind. Perhaps this was training for the 1990 North Americans.

The 1991 Long John will be April 27-28 at Red Bank and we're looking for a huge turnout for the 1991 Districts which will be hosted by the North Shrewsbury Fleet.

Steketee Trophy winners 1990.

The Lightning Class is alive and well in Michigan! This year our District had another strong sailing season, with the addition of a new fleet at Holland, Michigan and the reinstitution of the Tawas Regatta, thanks to Guy and Blair Moulthrop. We are fortunate in Michigan to have a group of sailors who actively support the travelling regattas — a key to healthy regattas and ultimately for healthy fleets. Between the addition of an enthusiastic group at Macatawa, Holland and a bunch of young rock stars, enthusiasm is up and the competition is better than ever. The younger group of Sean Fidler, Dan Norton and George Sipel are starting to win regattas and are looking tougher every weekend. Between them and a dark horse contender, co-owners Mark Whatley and Leslie Fink, the top of the fleet is getting to be brutal.

The Bruin is back! Our new(?) District Champion is Bruce Goldsmith. Bruce, with wife Sherri and Vicki Mathews did it in all conditions over three days at Higgins Lake for a well deserved victory. John McCree was a close second with Sean Fidler a very close third. Colin Park was a not very close fourth.

The travelling regattas in Michigan are pretty much split up into two seasons, June and September. The spring sailing saw Fidler, McCree, Norton and Park up in the front with Whatley/Fink showing flashes of brilliance, especially in heavy air.

The fall series consists of Pontiac, Devils Lake, Gull Lake and Wawassee (ex-officio Michigan fleet) in Northern Indiana. This year the Barney Crittendon trophy, awarded to the winner of the fall series was won easily by Sean Fidler. Winners of individual regattas in the fall were Parks, McCree and Norton. George Nickels, racing in the circuit for the first time in a while, won the inaugural Macatawa regatta with pick-up crew. Welcome back George!

Michigan was well represented at the North Americans, starting with a second place for Joe Disette in the Masters. Mark Whatley, Leslie Fink and Bob Mathers won the yellow fleet with a pair of firsts, while last years winner, Joel Humphrey from Pontiac was second. The Harris brothers, also from Pontiac were fourth. Colin and Karen Park with Glenn Hallett in the middle repeated as runner-up in the blue fleet. Karen and Colin also won the Steuland trophy, the overall travelling trophy for the Michigan circuit.

See you all next year!

## MIDWEST DISTRICT

District Commodore ..... Adrian Irving  
 District Secretary ..... Vernal Equinox  
 District Treasurer ..... Meg Huffman  
 District Measurer ..... Mike Huffman  
 District Champion ..... Bill Faude  
 District Runner-Up ..... Mike Huffman

**Fleets:** Chicago Corinthian (5); Milwaukee Yacht Club (69); Green Bay (112); Lake Davenport (167); Sheboygan (187); Lake Geneva (345); Manitowoc (393); Fond Du Lac (442).

Don't forget the hubcaps, Bill.

1990 saw good participation at our regattas. Bill Faude, Jared Drake and Dean Cady, Jr. supplanted Ric Larson and crew as the boat to beat on the Midwest Circuit. The question was, "which boat?" Faude was out of work, necessitating a constant borrowing of boats, cars, etc., but on the race course Bill was able to concentrate on winning. Bill took the Districts and finished seventh at the North Americans.

Regatta recap: Fond du Lac (rescheduled to August after a tornado in June) — Wurtzsch, Larson, Esser, P&T — Larson, Faude, Reichelsdorfer; Districts (Sheboygan) — Faude, Huffman, Wurtzsch, Brotz — Dave Nickels, Schelwat, Larson, Evans — Reichelsdorfer, Larson, Jacobson, Red Fannels — J. Allen, Moriarity, Huffman. Polar Bear — Wurtzsch, Stephenson Quaitance.

Kudos to the Esser and Wurtzsch yachts for hitting the road around the district. And to the Fondy Folks for hosting a great party and then a regatta two months later.

LMSRF Champs — 1. Faude 2. Larson 3. Huffman 4. Reichelsdorfer 5. Franke 6. Esser.

Thanks to Greg Fisher, who spoke at our annual meeting. Thanks also to all who helped run our races.

Fleets in the Mississippi Valley District conduct six regattas where we can match skills with one to two dozen other boats, and the Bluenose by Fleet 262 where its more like five dozen. Events in the District made up a big part of our sailing activities, and 1990 was no exception.

The District's first action was at the Tennessean in April in Nashville,

where Tom Emch, a member of the Memphis fleet's record breaking class of '89, won the event.

The District's championship regatta was held June 9-10 on Lake Carlyle. The Lake had receded just enough to allow launching from trailers and weeks of guessing were ended. A 25 boat fleet was on the starting line Saturday morning with light winds that got patchy and eventually died by mid-day. The first of the two races that day was won by Matt Burrridge, Cully Ward, and Stu Bernstein in that order. The second race, sailed on a shortened course and a last leg that seemed to last forever, was won by Cully Ward, with Bill Hofmeister, and Matt Burrridge in second and third. Sunday's light northeast breeze allowed two races, the first of which was won by Don Sherburne, followed by Rob Zerban, Matt Burrridge, and Cully Ward. The final race was won by Crit Currie of Memphis, followed by Gerry Paoli, and Matt Burrridge. Matt Burrridge was the District Champion followed by Cully Ward, Don Sherburne, Dan Busher, Gerry Paoli, and Crit Currie. Fleet 266 put on a fine regatta under the direction of 1989-90 District Commodore Terry Burke and Race Committee Chairman Jack Caldwell and his crew did their usual great job.

Fleet 486, Valley Sailing Association, hosted their Muddy Rudder Regatta, September 8-9 with Dan Busher of Nashville (and sometimes Memphis) taking the honors. Bill Baxter (always of Memphis) and Rick Conaway of Valley followed in the 13 boat fleet. Rick Conaway won the Governor's Cup in convincing fashion this year with four firsts in five races.

The Hernando DeSoto and the Cotton Pickin' Regattas, hosted by Fleet 274 in May and September respectively, attracted almost two dozen boats each time. The winds were good for both and made for great sailing. Warren Lewis of Dallas returned for the inevitable (it seems) recapture of the first place trophy in the Hernando DeSoto, with Cully Ward and Bill Hofmeister following. In the fall event, Cully Ward took the prize followed by Bill Hofmeister and Dr. Bob Cotton, to make a Nashville sweep.

Fleet 74 had an active year that included travel to St. Pete, that was led by Roger Grohne, as well as to several favorite regional regattas. The fleet's 35th edition of the Inter City Regatta attracted 16 boats June 2-24 with the Fleet's own Greg Florian taking first. Carlyle Sailing Association's Terry Burke was second with Memphis' Bill Baxter in third.

*"Seven Regattas are held within the Mississippi Valley District."*

Fleet 266's 21st Impromptu Regatta was held at Lake Carlyle on October 13-14, with 16 boats. Two races were completed Saturday after a long day waiting for wind. Gustly winds Sunday allowed a full five race regatta. With five bullets, Dan Moriarty was the clear winner, followed by Terry Burke, Greg Florian, Ron Blair, and Dan Busher, in that order.

Fleet 262's Bluenose Regatta the first weekend in November keeps drawing better competition and more boats every year. This year's edition saw 60 boats on the line across Old Hickory Lake. The event, sailed with light air Saturday and beautiful fall conditions Sunday, was won by Brad Read. You know the steaks were great Saturday evening and the hospitality was assured.

All in all, the District was active this year and saw Lightnings as strong as ever in the middle of the country.

**Fleets:** Centerboard Yacht Club (14); Merrimac River (121); Spofford Yacht Club (145); Annisquam Yacht Club (151); Marblehead Harbor (189); Bomoseen Lake Y.C. (227); Massabesic Yacht Club (273); Chequesset (280); Lake Champlain (301); Squam Lake (332); Androscoggin (450); Casco Bay (471); Bow Lake (493).

Congratulations for a job well-done to Pat MacQueen and Curt Felix. Their service to the N.E. Districts has been outstanding over the past two years.

Right from the start of 1990 at the Southern Circuit, the New England District sailors showed the way. Stewart Nickerson, Kip Hamblet, Hale Walcott had folks from around the country checking out their power plants in winds of 15 to 25 knots. It was a pleasure to watch how well they made their boat go to win the Southern Circuit.

At our two day Districts Stewart Nickerson led the way again with Brad Read, Bill Fastiggi, George Peter and John Hughes respectfully. As always the Lake Champlain Fleet did an outstanding job, hosting 32 boats and a special thanks to Tom Robb and family for their fantastic race committee work for the New England Districts.

Over ten per cent of the boats in the North American Blue Fleet were from the New England Districts. They made their presence felt. Stewart Nickerson, 8th; Brad Read, 16th; George Deyett, 25th; and Bill Fastiggi, 33rd. I'm sure Bill Fastiggi will remember this Rochester, N.Y. N.A.'s and "Broadcast News" for years to come.

The results from 7 District regattas had 6 skippers tasting victory. Stewart Nickerson at Lake Champlain and Provincetown, Bill Fastiggi at

Boomoseen — a 720 is no Father's Day present Bill?, George Deyett at Androscoggin with 8 bullets, Ken Deyett at Bow Lake — Congratulations Ken and Julie on Kenny, Jr., Ray Harrington at Massabesic and Kip Hamblet at Spofford.

The 1990 season proved to be a winner for all those who participated. In particular our congratulations to Stewart Nickerson, the District Champion, George Deyett the District Circuit Champion, and to Pat MacQueen the 1988-1990 District Commodore.

The New England District is going strong with new boats and sailors appearing each season. We look forward to 1991 and the North American Championship in Newport, R.I.

## OHIO DISTRICT

**Fleets:** Indiana Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Buckeye Lake (43); Rocky River (71); Mansfield (150); Atwood Lake (212); Cowan Lake (303); Hoover (353).

The Ohio Districts had the best year ever in 1990. In addition to the fantastic turn out at the district regattas, we had a superior showing at the 1990 North American Championship. Greg Fisher won, while brother Matt Fisher came in third. Two other district members came in the top 15. Rob Ruhlman finished 10th and George Fisher finished 12th. All four qualified for the 1991 World Championships in Annapolis in June. We wish all good luck.

The Ohio District would like to thank all the out of district sailors who participated in our district regattas. 1991 promises to be another great year. See you in Annapolis and Newport!

## ST. LAWRENCE VALLEY DISTRICT

District Commodore..... Tony McBride  
District Secretary ..... Jay Mann  
District Measurer ..... Bill Layton  
District Champion ..... Peter Hall  
District Runner-Up..... Tony McBride

**Fleets:** Lake Deschenes (188); The Royal St. Lawrence Yacht Club (215); Hudson (376); Pointe Claire Yacht Club (499).

The St. Lawrence Valley District's season began early this year as we used the fall and winter to drum up enthusiasm for new Lightning Fleets in Hudson, Quebec and Ottawa, Ontario and to find new members for the existing Fleets at the Pointe-Claire and the Royal St. Lawrence Yacht Clubs. We welcomed aboard eleven new members in total. Hats off to Ted Bowser, Ross Leveret and Bob Yuile for organizing the new fleets. Interest in Lightnings keep getting stronger and we hope to be able to add two new fleets to the Montreal region in 1991.

While participation at local events was on the rise it did not interfere with our members enjoying the challenge of meeting Lightning sailors from other districts and racing in events they organized. 1990 saw the Districts combined total mileage travelled (CTMT) exceed 28,900 miles, a total that we challenge any fleet to top!!

T. McBride, J. Mann, N. Tabet, J. & F. Simard, P. Hall, R. Scrim, P. Owen, and crew sailed in the Midwinters in Florida for a total of 9600 miles of driving. P. Hall, J. & F. Simard, J. Mann, and P. Owen sailed in the No Gas Regatta at Annapolis — 2,800 miles. P. Hall, J. & F. Simard, J. Mann, P. Owen, and N. Tabet sailed at Cedar Point in the Early Bird Regatta — 3,000 miles. P. Hall, J. & F. Simard and T. Staples drove to Burlington, Vermont to sail — 600 miles. T. McBride, P. Hall, J. Mann, P. Owen, J. & F. Simard, M. Gagnier, N. Tabet, R. Scrim, T. Bowser, T. Harris, and B. Yuile all sailed in The Canadian Open Championship at Hamilton, Ontario for a total of 7,000 miles. P. Hau, T. McBride, J. & F. Simard sailed in The Hamilton Invitational — 1,600 miles. T. McBride sailed in the Lake Erie Districts in Buffalo — 800 miles. T. Harris sailed at Henderson Harbor — 500 miles. B. Yuile sailed in The North American Championships at Rochester — 600 miles. T. McBride sailed in the Fall Classic at Cedar Point — 1,000 miles. And, P. Hall sailed in the Fall Regatta at Annapolis — 1,400 miles.

The 1990 District Championship was held at Pointe-Claire Yacht Club and a record 18 boats turned out. Peter McBride was the race chairman and did his usual extraordinary job. Jan Brown hosted a super party on Saturday night which was especially appreciated by all the hard working crews who spent their day hiking (to leeward) to keep the boats going (forward). The 1990 District Champion is Peter Hall (1989 Lightning World Champion), the first runner-up Tony McBride (Vice-President) and second runner-up, Jay Mann and Perry Owen.

Our District Juniors continue to show great speed, Tony Staples won the Canadian Junior Championships held at the Royal St.-Lawrence Yacht Club earning the right to a berth in the World Junior Championships.

The highlight event this year for District members was the Canadian Open Championship hosted by the Flying Beavers in Hamilton. Nine boats made the trip contributing to the record turnout of 52 boats. Two members cracked the top ten in this the first qualifier for the Canadian Pan-Am Games selection, Peter Hall placed 2nd (1st Cdn.) and Jay Mann and Perry Owen placed 3rd Cdn.

The District's most improved sailor and one of its most enthusiastic goes to Nabil Tabet who in a few short years of Lightning sailing has proved to us all that if you work hard and have fun you may some day be able to catch Peter Hall!

A special thank you to all new members for taking the Lightning Challenge because you keep Fleets everywhere going and growing.

New Members: P. Baehr, T. Bowser, D. Cameron, M. Gagnier, R. Leveret, M. Leveret, M. Levy, P. McDuff, M. Osterman, B. Rikely, G. Taylor, and B. Yuile.

## SOUTHEASTERN DISTRICT

District Commodore ..... John Pelosi  
District Secretary ..... Clayton Rumble  
District Measurer ..... Bill Sloger, Jr.  
District Champion ..... Lenny Krawcheck  
District Runner-Up ..... Bob Harkrider  
Junior Champion ..... Judah Rubin  
Junior Runner-Up ..... Cerr Boyd

**Fleets:** Savannah (127); Clark Hill (257); Lake Lanier (348); Lake Hartwell (391); Triad (415); Greater Charleston (429); Palmetto (440); Waccamaw (463); Wake (481); Tennessee Valley (500).

Eleven different regattas were sailed by about 50 different Lightning skippers in the Southeastern District for the 1990 season. Thirteen boats, up from nine last year, qualified for the season championship by sailing in at least five regattas. Those qualifying in order of finish are: Lenny Krawcheck, Bob Harkrider, Bennie Moultrie, Clay Rumble, Karl Suter, Kent Mullikin, John Pelosi, Michael Rees, Dick Mayne, James Taylor, Grant Wolslagel, Bob Wilkins, and Carr Boyd. Carr qualified in his first year with his new boat. It was the first time Karl, Kent, Michael, James, and Grant qualified. We should have more next year!

All 13 skippers and their crew received rather elegant trophies made possible by our supporters: Layline, Fisher Sails, and Bryant Performance Spars. Walt Brown, president of Layline, gave district skippers added incentive this year by providing two \$100 gift certificates to be raffled off among qualifiers. The winners, in a drawing held at Lake Lanier, our last regatta, were Lenny Krawcheck and James Taylor.

The first two regattas were held on the same weekend, April 28-29, due to scheduling problems. Five boats attended each, with the result that Bob Harkrider finished ahead of South East District boats at the Dutch Treat Regatta in Knoxville, and Clay Rumble took top honors at the Western Carolina Open at Lake Hartwell.

Sixteen boats sailed our next regatta at High Rock, May 5-6. Bob Harkrider won it on the tie-breaker over Bennie Moultrie in the kind of sailing conditions we usually only dream about.

The District Championship Regatta was next, held at the Augusta Sailing Club June 7-9. We had 25 boats on the line for six races sailed in mostly light and fluky conditions. Lenny Krawcheck, appearing in this first regatta of the season, nosed out Will Sloger for top honors. Bob Harkrider and John MacIntosh placed third and fourth, respectively.

The North Carolina Governor's Cup on Kerr Lake was attended by 17 Lightnings the next weekend. Clay Rumble broke in to the winner's circle by tying with Bob Harkrider for first place. The most exciting thing at this regatta was the First Annual Robert Harkrider Living Memorial Croquet Tournament attended by 30 Lightning sailors.

Bill Sloger added variety to our list of top-flight skippers by beating 12 other Lightnings at the Beaufort Open (S.C.) June 23-24. Clay Rumble took second by a quarter of a point over John Pelosi, who won third on a tie-breaker against Neff MacIntosh and Bob Harkrider.

The sixth regatta of the season, June 30-31, was the Lake Norman Open, a first-time regatta for Lightnings, replacing one at Lake Murray cancelled this year because of low lake levels. Karl Suter won it, with the ever-present Bob Harkrider following in second, and Clay Rumble and Bennie Moultrie rounding out the top four of the 13 boats. We were lucky to get Karl and Pam from the Indiana District where Karl was commodore.

Our last regatta before the North Americans was at the Charleston Yacht Club on July 21-22 as part of the South Atlantic Yacht Racing Association In-Shore Championships. Lenny Krawcheck's three bullets sealed his first over second-place Bob Harkrider and 10 other Lightnings.

We "fielded" six boats for the North Americans. Lenny Krawcheck, Bob Harkrider, Bennie Moultrie, John MacIntosh, Judah Rubin and John Pelosi took their boats to Rochester. Judah Rubin sailed in the Junior Championships the week before, taking fifth place. John MacIntosh placed third in the Master's and third in the Green Fleet. The rest of us had a very good time.

The fall season brought us the last three regattas. Lake Waccamaw led off with 17 boats and beautiful winds (a rarity for the past few years), the second weekend in September. Lenny Krawcheck won again, with Kent Mullikin, Bob Harkrider and Michael Rees taking the rest of the silver. The weekend after that, our usual Columbia (Lake Murray) Regatta was replaced by a Coronado 15/Lightning Dual Regatta, again won by Lenny. The Lake Lanier Atlantic Cup Regatta, with 24 boats, completed the season. Perennial champion Lenny Krawcheck won again, making it four in a row and winning the season championship. Marty Headless, Bob Harkrider, Clay Rumble and Ken Wallace rounded out the top five.

Efforts to be succinct about our district regattas pay a disservice to the great hospitality we experience on our circuit. Race committee work has been exceptional this year, and we thank our sailing clubs for their efforts, which include fine food, drink and partying.

We worked hard to try to increase the number of active members in our district. We increased our number by 17 over last year, but feel we can do better.

Our Commodore for 1991 will be Tom Schroder, and our Secretary/Treasurer will be Dick Mayne, both residing in Martinez, Georgia. We look forward to the 1991 season with its renewed promise of faster sailing in great competition and a lot of fun doing it.

## SOUTHERN DISTRICT

District Commodore ..... Cal Herman  
 District Secretary ..... Dennis Mahler  
 District Measurer ..... John "Buck" Ballatin  
 District Champion ..... John A. Ballatin  
 District Runner-Up ..... Larry Frost, Jr.

**Fleets:** Mobile Bay (135); Shreveport Yacht Club (175); New Orleans Yacht Club (209).

The Southern District began the 1990 sailing season in 1989 with the Sugar Bowl Regatta. While air temperatures were in the 60's, water temperatures were in the 40's, because of very cold weather two weeks before. For the last time in anyone's memory parts of Lake Pontchartrain had frozen solid. The wind was 12-20 mph out of the southeast and Mark Bryant and Greg Fisher traded firsts on Saturday. Mark Bryant won the regatta on Sunday with the wind moderating some that day. New Orleans is a great place to spend New Year's weekend and N.O.Y.C. and S.Y.C. invite all our Lightning friends to attend this year's Sugar Bowl Regatta.

March 31 and April 1 we traveled to Morgan City for a real treat. Debbie and Norma Lallande hosted the Cajun Classic Regatta featuring a great dinner on Saturday evening. Mississippi Valley district sailors also were in attendance and vowed to return as everyone had a great time. On an unusual note, the winner of this series, Cal Herman capsized before the first race, but came back to win that race.

In mid April the annual Crawfish Regatta held in Lake Arthur, Louisiana was a real hit. Winds were light and shifty. If you didn't like your position going up the windward leg then wait 10 minutes, you could go from last to first to last again. L.A.Y.C. served a crawfish dinner Sunday after the last race that was great. Anyone not from Louisiana will see a pattern developing here. Food is part of the racing!

Lake Charles was host to the Contraban Days Regatta. Unfortunately, the weather did not cooperate as the winds did not fall below 25 mph. With the One-Design and District Championship in New Orleans in two weeks, no one wanted to risk breaking a spar. We are looking forward to good sailing at Lake Charles in '91.

In late May action moved to New Orleans, with the One Design Invitational hosted by Southern Yacht Club. This is the beginning of hot weather in Louisiana. Larry Frost, Jr. won the series.

Lake Pontchartrain was the venue for the 1990 Southern District Championship and Buck (I know the way to "Z" mark) Ballatin sailed a nearly flawless regatta with 4 bullets and a third with a spectacular come from behind victory in the second race in which the whole fleet sailed to the wrong mark except the "S.B.". Sailing conditions were southerly 10-16 Friday and Saturday, but fell off Sunday morning with winds under 8 mph. These light conditions allowed Dennis Mahler to win Race 5. The Southern District meeting was held Saturday afternoon and Larry Frost III was elected Commodore for 1991.

On June 30 and July 1st the Gulf Yachting Association Championship was held at Bay, St. Louis. Although the weather was hot, the Mississippi

sailing conditions were beautiful, clear blue skies and wind around 10-12 mph. Charlie White won the series, but Larry Frost, Jr. won the G.Y.A. which is a combined total of this series and the Districts.

In mid September, Mobile, Alabama held the Wadewitz Series on Mobile Bay. Cal Herman took first in a hard fought series.

The Southern District enjoyed good racing and great friendship this year and we are all looking forward to the '91 season.

**Fleets:** Lac de Neuchatel (169); Sempachersee/Hall-Wilersee (250); Murtensee (358).

The most important regatta for our district, this year, was the organization of the European Championship. It was held from July 7 to 14 on Lake Biel. 31 registered crews confronted each other. As it was in 1956, the organization of our friend from La Neuveville Club was perfect and the wind was at the appointment. It was the crew of the Italian Pellizzaro who was first, and Swiss Wyler was second.

To note, during the European's meeting, an appointment was taken for

## I.L.C.A. ADDRESSING SERVICE

Most of the Fleet and District Officers listed in this Year Book held office during the calendar year 1990. Names and addresses of current officers may be obtained from I.L.C.A. Headquarters.

Some of the Members listed in the Registry of Lightning OWNERS have moved since the Registry was prepared. Current addresses may be obtained from I.L.C.A. Headquarters.

We offer addressing service to Fleets, Districts, and Yacht Clubs. We will address labels at 10¢ per name for any District. Additional charge is made for the amount of postage required to mail them to you. Names available are those of Lightning owners who are in good standing for 1990 and 1991.

This service is also available to Lightning builders and sailmakers at 15¢ per name.

the European Championship in 1991, by our Italian friends, on the Lake of Trasimeno.

We most regret the disappearance of the Fleet 309, the remaining members are now joining the Fleet 250.

Our District Championship was held on the Lake of Morat, with a nice victory of Urs Wyler and his crew, followed by Urs Schar.

The Kami-kase-cup, which was held over 4 regattas, Sempach, La Neuveville, Avenches, and Neuchatel, shows the final victory of the Santa-Fiamma belonging to our new Commodore Jacques Perret. Our Senior Commodore, Gilbert Despland, taking up the post which was left free by Christoph Luthy to the Vice-Presidency.

I would like to thank everyone who have been working for the Lightning Class during my mandate and give you an appointment to the next 1991 season.

## TEXAS DISTRICT

 District Champion ..... Richard Guinan  
 District Runner-Up ..... Dr. Sylvan Newman

**Fleets:** Dallas Corinthian (35); Rush Creek Yacht Club (435).

The winter winds swept away the sailing season of 1990, leaving us the passion for yet another wonderful year lurking upon the horizon. Yes, it's true, Texas closely holds some of the best inland sailing, accompanied with the level of competition it's certainly a challenge. That's what 1990 was all about — big challenges.

Rush Creek Yacht Club, Fleet 435 consisted of three series that began in March and ended in November. Fleet 35 at Corinthian Yacht Club began in April with two series ending in November.

Rush Creek welcomed new members. Paul Harvener is the owner of Lightning 10014 and plans to come on strong in 1991. Kurt Schuler bought

his ex-skippers old boat 13953 and has it sailing as smoothly as Warren Lewis once did. Craig Anderson joined us with his talent of Lightning sailing, "Michigan style". Warren Lewis bought a new boat 14428 and has already put definite road time on the trailer. The fleet has managed to always provide enough boats for sailing due to the continued support of George Hatfield and other dedicated Fleet members.

The Corinthian Yacht Club on White Rock Lake, home of Fleet 35 had a very strong season with excellent local participation. They kept an average of six boats on the start throughout the series.

Once again the fleet supported the Texas State Fair Regatta with eight boats participating. New member, Wayne Catoe, first, Ralph Bilnoski was second and third place went to Joel Good, all local sailors. The fleet also road tripped to the Holiday In Dixie despite the fact another fleet member married that same weekend. The skippers were Ralph Bilnoski, Gay Griffith and Joel Good. Some newly welcomed members, B. C. Boren and Bob Wenning are both looking to come on strong for the season of 1991.

The Texas Districts were hosted by Rush Creek Yacht Club with a good turnout, but always room for more as we continue to grow. The race was off to a slow start due to the high winds from the local storm. Saturday afternoon was make-up time for not having morning races. We managed to get three off. The races were back-to-back, by then the storm cell broke pulling the winds around 180 degrees with gusts in the upper 30's ... some boats went in, while others finished. After Saturday and two races on Sunday, Richard Guinan won the championship with Dr. Sylvan Newman second, Warren Lewis in third and Greg Hatfield in fourth place.

Fleet 435 also hosted the annual Spring Fest Regatta in April with many One Designs accommodating two race courses. This Regatta offers the opportunity for visitors from other districts to enjoy competitive Lightning sailing. Come join us in 1991.

The Texas Districts owes many thanks and praise for the many years that John Waskom III held as District Commodore. He certainly sailed on the right heading for continued growth. We now acknowledge the future driven by Arthur M. Wilson, Ph.D., to spin off another fleet. One that truly wants to be apart of the Texas Style, One-Design, seat of the pants Lightning Racing at its finest.

Red Flannels Champion Jim Allen with local talent.

Eighteen different boats made the trip from Montrose Harbor to the starting line this year. Good weather allowed us to sail almost all of our scheduled races.

We gained a few new members this past year and said "good-bye" to a few old friends. Ed Willse sold his boat to Bill Kindra; we hope Bill will join us in Chicago. Bob Buzbee and Paul Nolan left us. Word has it that Jane and Bill Wynn are heading to Louisiana — we'll miss them. On the plus side, Hinze, Wurtzebach and Irving may be moving up to new boats soon, so we can add a few new names when we sell their present boats. David Stix and Derek Ettie joined us and provided keen competition all year.

Series Winners: Championship - Brugge, Huffman, Walter; Summer - Hennessy, Wynn; Corinthian - Walter, Brugge, Hinze.

A lot of our fleet road-tripped this year. All this travelling was reciprocated in September for the Red Flannels. Forty-nine boats showed up from places like Skaneateles, Green Bay, Memphis and Iowa. The wind raged during the day and the sailors raged at night. Champion was Jim Allen of Buffalo. Dan Moriarity of St. Louis was second and Fleet 5's own Mike Huffman took third. Less wind is forecast in 1991. Many CCYC members pitched in to make the regatta a success.

This year's goal is to get eighteen boats on the race course at once. It will be a great way to celebrate fifty years of Lightnings on Lake Michigan.

This past summer our growing Lightning fleet was expanded with the addition of four new boats. Rick Buckley, Mark Sullivan, John Frank, and Russ Short purchased Lightnings and raced actively throughout the summer months.

Our BCC juniors started their busy season with the Ned Roseberry/Tom Starck team competing in the U.S. Youth Championships held in Gulfport, Mississippi in June.

The BCC hosted the prestigious Lightning World Youth Championship in July. Anne Allen, Regatta Chairwoman, organized a superb regatta. Fifteen skippers from eight countries competed. Ned Roseberry, with crew members Guy Adema and Randy Shore, won the six race series. Tom Starck, with crew Jim Starck and Martha Wilson finished a close third. Greg Millar, with Frank Ernst and Gretchen Jehle aboard, finished seventh, and Warren Emblidge, with crew Sam DeCastro and Amy Tuyn finished eleventh.

Another major Lightning Regatta, the Lake Erie District Championship, chaired by Ed Roseberry, Jr., was held the weekend prior to the World Youth's regatta. Thirty-nine crews competed in the four race series. Jody Swanson successfully defended her 1989 title, followed by fellow Fleet 12 members Mark Sullivan, Dave Starck and Jill Swanson.

The Junior Districts were won by Tom Starck, with Greg Millar finishing third, Warren Emblidge fifth, and Pat Buckley sixth. Ned Roseberry, and his crew of Sean Staniforth and Randy Shore, both formerly of the BCC, won the Junior North American Championship hosted by the Newport Yacht Club in Rochester. Tom Starck, with crew Martha Wilson and Guy Adema finished 2nd; Greg Millar and crew Frank Ernst and Jim Starck finished 4th; Warren Emblidge with crew Sam DeCastro and Amy Tuyn was 9th; Pat Buckley with crew Amy Tillou and Kathy Tocke finished 11th; and Jake Frank with crew Mimi May and Scott Logan was 13th.

We have an enthusiastic group of junior sailors and look forward to maintaining this high level of interest in Junior Lightning sailing.

Congratulations also to Dave Starck and his crew Tom Starck and Mike Montani for winning the Canadian Open Championship hosted by the Hamilton Yacht Club.

Larry MacDonald, Dave Starck, Mark Sullivan, Tom Allen Jr., Tom Allen, Sr. and Jim Allen, all skippered in the North American Championships at the Rochester Yacht Club.

We are proud of Jody Swanson's accomplishments, including her selection as the Rolex Yachtswoman of the Year, winner of the Goodwill Games held in Seattle and her second straight Lake Erie District victory.

The individual series winners in Fleet racing follow:

Eby Series — Dave Wood; Hussey Series — Ned Roseberry; Thermis Series — Dick Aubrecht; Myers Series — Dick Aubrecht; Tom Franclemont Memorial — Ned Roseberry; Tom Fallon Club Championship — Tom Allen Jr.; Junior Championship — Tom Starck; Maccubbin Series — Jill Swanson; Fleet 12 Series — Jill Swanson.

Tom Ward and Dick Aubrecht competed in most fleet races and promoted Fleet 12 Lightning sailing throughout the season.

Many thanks to Fleet 12 secretary Jill Swanson for her timely mailings and assistance with various Fleet 12 activities and Tom Allen Jr., Fleet 12 Treasurer. A special note of thanks to Jean Swanson for her assistance with Fleet 12 events. Jean served as Patrol Boat Chairwoman for the Junior and Senior District and the World Youth Championships, hosted the Junior District party at her home, helped organize the Senior District party at the Club and served as race chairwoman for the Wednesday evening Myers Series.

All our sailors appreciate the fine racing the Club provided under the capable direction of Fleet Captain, Joe Hylant, as well as Race Committee Chairman, Ray Clair and Scorekeeper co-chairwomen Suzette Montgomery and Jan Fretz.

Our sailing season begins with what we have named the "COLD DUCK REGATTA". This is a three race event intended to proceed the normal sailing season, provide the opportunity for skipper and crew to recall how things work and generally get everyone in the mood to sail. The weather is normally cool, the water is always cold, the companionship warm, and the competition usually hot. This year Franz Schneider won easily.

From the beginning of June, for five weeks, we sail the Folwell Series. This competition is for a perpetual cup donated by, and in honor of John Folwell; a long and still very active member of our club. This series exemplifies the spirit of Lightning competition, is highly coveted in our Fleet, and was captured this year by George Madel.

The month of July finds us competing for the Miller Series (not beer). By this time skippers/crews/boats have begun to work correctly and competition gets close. Joe Mark prevailed over a solid field of eight to capture the cup.

August is the Club Series. Four weekend/eight races, in normally unsettled weather. This year three races were cancelled due to lack of wind, the balance were completed in light air at best. Competition was fierce; tactics, local knowledge, and luck were invaluable. Franz Schneider possessed all and won the series.

The Lake Series Champion is decided based upon the best performance over the entire season. To win here you must be fast and consistent. Franz Schneider was first (the fastest), Stan Muldowsky was second (most consistent) and George Madel third (fast and consistent, but not enough).

September featured the annual regatta, this year combined for the first time with the Pennsylvania Governor's Cup. A fleet of 22 boats participated. Saturday featured gusty winds, white-caps, and swimming for some. Sunday was a first class shifty/drifter. An unusual regatta which challenged the seamanship, sailing, and tactical skills of all. The event ended with the cup presentation by Pennsylvania Secretary of State Christopher Lewis to Dick Hallagan.

The past season produced great club racing, a different skipper won each major event; great participation, an average of eight boats every Saturday; and some fine social activities.

Let's all plan to make 1991 an even better season!

After all the late preparations at CLYC this year the season started with a bang. Yes, that was the RC's gun for the start of the Cornball Regatta on June 10th, 1990. Being so early in the year wind is seldom a problem and this year was no exception. On Saturday we had three great races. The first was sailed in 8 to 10 knot winds and bright sun. First in was John Swanson followed by Peter Humphrey. Jim Neville came in third. Race two was sailing at its best. Fifteen knot winds challenged the fleet and Keith MacDonald prevailed, Jim Neville was 2nd. For the third race the wind was absolutely howling. Several skippers didn't fly chutes while two or three others played it safe and came in. There were many stories of half swamped boats and heroic efforts around the beer keg afterwards. The honors went to Skip Wilday, followed by Cal Schmiede, and Peter Humphrey.

The Saturday night "Monte Carlo" party was a great hit. The auction afterwards yielded a lot of laughs and some nice surprises. After a good dinner and plenty to drink we called it quits at eleven o'clock.

On Sunday morning it was dark cold and very windy. The races were called off and the regatta was over. We would like to thank all our good friends in the Lake Erie District for coming to the CLYC. We really enjoyed running the Cornball and we are planning a bigger and better regatta next year.

The trophies created a lot of interest this year. They were half hull models of Lightnings mounted on plaques. There will be more like them in 1991. The winners were: Jim Neville, 1st; Keith MacDonald, 2nd; and Pete Humphrey, 3rd.

Throughout the summer we raced for points to determine a Club Champion and after many hotly contested events Doug Reid came out on top. Jim McDonnell was 2nd and Ralph Erickson was 3rd. Gordon Black travelled to the Pymatuning Spring Classic. It was a great event under tough sailing conditions. We heard him mumble something about next year. Amy Beisel and Ralph Erickson attended the Lake Erie District Championship at the BCC and the North Americans at the Newport YC in Rochester. They mumbled something about next year, too.

On Labor Day the RC ran the long race to the bridge and back. It turned out to be a windward leeward affair and one of the closest contests of the year. Ken Reid, Doug Reid, and Jim McDonnell crossed the finish within seconds in that order.

Our fleet grew again this year. Two new skippers, father and son, seem to be showing us all that we better be fast next year. We have two new prospects and are hoping they will come aboard next year. Let's all hope for an early spring and good sailing in 1991.

We started to see some growth in our Fleet again this year. Dave Drosdick, who had been crewing for many years, found a nice used Nickels and will be a major plus to our Fleet. His lovely bride Lisa shows some good crew potential when David can get her in the boat. I'm sure with new sails, next year David will be fighting for the Fleet Championship.

One of our Snipe sailors, Bill Warren, had wanted a Lightning for a long time. The switch to a Lightning was made easy when a tree fell on Bill's Snipe and flattened it. Bill found a beautiful Nickels in St. Louis, made arrangements and met the owner half way in Ohio. Bill is a welcome addition to our Fleet. We're working on more sailors which we hope to have in Lightnings next spring.

Our racing season was broken into two series. The Spring Series was won by Bob Graham followed by Perry Anderson, third went to Dave Drosdick. Our Fall Series saw Bob Graham with a perfect score followed by Rich Miner. Bill Warren with his new boat was third. Fourth went to Dave Drosdick, fifth Don Okner and sixth Gene Baeronrodt.

1990 was a learning year for many of our skippers. Next year we hope to continue this growth with another successful year.

During the 50th Anniversary Year of the Devils Lake Yacht Club, Fleet 31 was blessed with great winds and excellent sailing conditions.

Our "Spring Thing" Regatta was well attended and all the skippers and crews appreciated the presence of guest expert Ched Procter.

The Devils Lake Team of Bruce Goldsmith, Dan Norton, and George Sipel traveled to Lake Fenton and finished second in the annual Michigan Team Championship.

The traveling sailors from Fleet 31 did very well on the regatta circuit this year. Bruce Goldsmith won the Michigan Districts. Devils Lake qualified six sailors to participate in the North Americans.

Our Junior Program, under the direction of Linda Schulte, was well received with 35 participants and was one of the best in recent years.

Trophies this year were awarded to the following: Board of Governors - George Teller, Best Crew - Bill Thomas, First Mate - Sue Ann Thomas, Sportsmanship - Jack Tibbs, and Most Improved - Dick Elwell.

Series trophies were won by: Stay at Home - Merrill Bales, 1st; Dave Laidlaw, 2nd; and Hank Hodgson, 3rd. Memorial Day - Bruce Goldsmith, 4th of July - George Sipel, Labor Day - Bruce Goldsmith, Commodores Cup - Merrill Bales, Captains Cup - T. J. Whitehouse, Fleet Champion - Merrill Bales and Runner-Up - David Laidlaw.

Clyde Brasher cunningly played the proper wind shifts and did a H.J. in the night race.

The 47th Annual "This One's for Fun" Regatta was attended by 44 Lightnings. The wind was great and a good time was had by all. Fleet 31 presented awards to all the skippers and crews. Colin Park was the winner, with Hank Hodgson of Devils Lake a close second.

We are looking forward to next year under the leadership of Fleet Captain Jeff Maludy and Fleet Captain Elect Randy Sahajdack.

The Lightning fleet at South Shore Yacht Club remains small but is increasing in activity and unpressing other one design sailors. Several club races are run under Portsmouth rules and it is great to see how the Lightnings perform against more recent designs. The 1990 season saw one member's boat back in the water after an extended terrestrial existence and we persuaded Robbie Frechette, a successful and enthusiastic former Snipe sailor and North American National One Design champion to buy a Lightning — (*Altruistic Masochism!?*) with Jackie Paris and Heather Jackson as crew was overall club champion for 1990.

Metedeconk Fleet ushered in the 1990's with a mixture of trends. Excellent performances by some fine young sailors along with some quality sailing from a few of the veteran sailors.

1990 saw a rise to prominence by Metedeconk's Keith Taboada. Always a consistent competitor in the past, Keith rose from his contender status to win a slew of regattas in 1990. He won the Newport Invitational in Rochester, New York in the spring, the Manahawkin Bay Cup in Surf City in the fall, and won the Central Atlantic Districts, held at Bay Head in between. Keith dominated the 1990 Districts. Far outstanding the competition, winning races in both light and heavy winds, a tribute to his fine crew, Russ Schon and Brian Taboada. They went onward to the North Americans, emerging from Rochester's foggy waters with a sixth! Keith has another big year planned in 1991, including the Pan American Trials and World Championships, and his 1990 performances suggest he will be a factor in both competitions.

In local area sailing, Paul Gelenitis starred, winning the Barnegat Bay spring and summer series, as well as the Club Championship series. Paul also had a fine Districts going until he ran into bad luck: he tipped over and fell out of the boat, all in the same race! He did go on to the North Americans and qualified for The Championship Flight. Lightning Class perennial Jim Carson was also a factor in local competition, finishing second to Paul in all of the aforementioned series. Jim finished fourth in The Districts and continued his full calendar of regatta sailing, starting with The Southern Circuit in March, interspersed with the North Americans, Atlantic Coasts, Masters, and marching to Annapolis and North Carolina in October. In St. Petersburg, Jim emerged as the top Master and was crowned its Winter Champion. In the final club series of the year, Chris Karautheim and Richard Thomas won the Barnegat Bay Fall Series, with Dave and Stephenie Ruiter finishing second.

The Central Atlantic Districts had a Metedeconk flavor to it. Besides Keith's victory, members finished 3rd (Djoerd Hoekstra), and 4th (Carson). In addition, Craig Dooren sailed a strong regatta and qualified for the North Americans for the first time. The Metedeconk contingent for the North Americans were: Taboada, Gelenitis, Hoekstra, Carson and Dooren, displaying the continued interest of the Lightning Class by Metedeconk's sailors. The 1991 Districts will be held at Metedeconk.

Metedeconk's juniors, always an active part of the Lightning Fleet, were led by Greg Kinzel, who won the New Jersey State Junior Championship and finished third in the Barnegat Bay Championship Series. Joe Buczkowski also had an excellent year, winning the Sears Cup competition for Barnegat Bay and the Junior Club Championship. Bill Bogardus also sailed well.

On a social note, congratulations to Mimi Dimon longtime fleet stalwart, who was Commodore of the Metedeconk River Yacht Club in 1990. Mimi did a tremendous job, with her tireless work and contributions. Now that her reign is complete, we look forward to seeing her on Metedeconk's waters again.

It's been another successful season of sailing and socializing for members of this fleet — a year that saw us welcome new members and say fond farewells.

New boat owners this year are B.C. Boren, Bob Wenning and Wayne and Danielle Catoe. Wayne is not new to the Lightning Class — some of you on the East Coast probably remember him from competitions in years past. He is a great addition to our fleet in both competition and sportsmanship.

Marti Wallace officially became a fleet member in April. Seems Marti passed the pre-nuptial period putting in her share of hours refurbishing 11311 and Rodney Wallace decided the only decent thing to do was to make her an honest sailing woman. The resin must have gone to their heads though as their wedding was the same weekend as the Holiday in Dixie Regatta. Three boats, with their priorities straight, travelled to Shreveport to the regatta — Goods, Gay Griffith and Bilnoskis. The rest of the fleet remained in port to attend the wedding. If you're in Dallas sometime, check out the Fleet 35 Lightning Bolt on the wall at the Cadillac Bar & Grill. Guess the wedding reception was something we shouldn't have missed.

Zoe and Ignatius Urbanek hosted a fond farewell to John Sutton and family. John was a dedicated and valued crew member for Joel and Ardis Good for the past several years as well as being a supportive and active fleet member. If you see him hanging around a yacht club in the Toronto area, grab him — he's the guy in the "G-day Mate!" shirt in the '89 Yearbook.

As in past years, fleet members also gave their time and energy to actively supporting the Corinthian Sailing Club with Joel and Ardis Good serving as Social and Ralph Bilnoski taking charge of Junior Sailing.

As for the racing season, we continued our successful split season with the Summer Championship Series running from April 1st through July 28th and the Fall Series running from September 1st through November 17th. Competition and participation were great with 6-8 boats competing each week. Scores were close as July came to an end with our perpetual trophy seeing a new name, Wayne Catoe, as Fleet Champion. Ralph Bilnoski came in as Runner Up. As is always the case, the Fall Series is underway at this writing with the top three boats (Catoe, Bilnoski and Good), within 1-2 points of each other. The 1989 Fall Champion was Joel Good.

Chelsea Yacht Club wrapped up another good season of sailing this year with Mike Pike once again taking home the Fleet Championship. Congratulations to Dave Petelinz who finished second, close behind Pike. Because I was a little slow to post scores, Mike kept calling to find out "how close is Petelinz?" My question to Dave is — Was it the skipper or the crew?

We continued to run two races per Sunday, split up over the season into 4 series. This year Pike started out quick winning both A & B series. Petelinz took C series and Williams took D.

Good winds in the spring once again sent the Williams family swimming. It was good to see Jay Anderson on the starting line this season. Jerry Cavagnol won his first race this year, beating a competitive fleet.

The Chelsea Open was once again a success, finishing up Sunday with good winds following a light air Saturday. Mike Pike kept the trophy at Chelsea with the Miners from Lake Mohawk taking home the silver. The annual cook your own steak dinner and party was once again a big success.

Chelsea hosted the Last Blast Regatta this fall marking the end of the '90 Metropolitan season. This year we had 11 Lightnings registered and waiting all morning for the rains to stop and the wind to fill in. The afternoon provided a nice breeze for two races. Bruce Atkinson from Bomoseen Yacht Club making the trip from Vermont to take home first, with Miners second. The Owens were the top home finisher in fourth.

David (Pork) Copestick crewed for John McIntosh in the Southern Circuit and the Masters. Thanks for making a gentleman out of him for us John, but what did he do to you?

In our fleet races, Bill Neal won the Ed Neal Memorial over the 4th of July weekend and was best Silver Lake Boat to finish in the Harvest Regatta. Peter Humphrey won the Benidick Memorial over Labor Day weekend. Mark Dadd won the Van Arsdale trophy. Scott De Golyer won all the post race arguments with the R.C.!

We are looking forward to next season under the leadership of Pork!

Another good year on the Potomac. Reid Barrett captured the Fleet Championship, just edging John Butler on the final day of our 28 race series. Participation has been improving with 11 Lightnings qualifying for our series and 20 active members. Most encouraging is the performances of newcomers Red Fehrle and Matt Meyer. Each showed moments of brilliance this year, and are excited to get started next.

Fleet 50 also hosted the Becks Potomac Cup Regatta in mid May, at our new "alternate" site between Washington and Quantico. Thirteen boats attended with honors going to Bob Wardwell, Jim Dillard, Ron Grotheer, Gordon Kellog, and Eric Swanson. The park is finally near completion with real boat ramps promised for next year.

The season was officially kicked off with the Annual Spring Fleet 51 dinner. This year's dinner of orange roughy and prime rib was well attended and thoroughly enjoyed. We are extremely proud to have two C.S.Y.C. Flag Officers as Fleet 51 Lightning Skippers this year, Commodore Mike Williams and Rear Commodore Jack Schulte, respectively. This year both Mike and Jack purchased new Lightnings, 14434 and 14431, and Tom and Betty Vickers delivered a 6 lb., 15 oz., displacement and 20½ inch L.O.A. Baby Helmsman named Gregory Thomas Vickers.

Mother's Day brought the first race and high winds that blew out Tom Vickers head sail and capsized a newly purchased guest competitor boat

from Ann Arbor owned by Eric Swayze and Doug Nickel.

On June 17th, the Fleet hosted its Annual Fathers Day Regatta that featured 22 boats from seven fleets throughout Michigan. Two light air races were completed on Saturday before returning to the club to enjoy bratwurst sandwiches, potato salad and beer. Moderate to strong winds were encountered during the three races on Sunday. Jack Schulte's boat skippered by Dan Norton, Bob Werenski's boat skippered by Fred Rozelle and Tom Vicker's boat finished 2nd, 6th and 10th respectively while past North American Champion Colin Park finished 1st overall.

The three series and 1990 Fleet overall season standings as follows: Sunday "A" Series: Tom Vickers - 1st, Jack Schulte - 2nd, Craig Hupp - 3rd, Kevin Hughes - 4th, Mike Williams - 5th. Sunday "B" Series: Tom Vickers - 1st, Dick Drew - 2nd, Swayze/Nickels - 3rd, Jack Schulte - 4th, Mike Williams - 5th. Wednesday Night Series: Tom Vickers - 1st, Swayze/Nickels - 2nd, Craig Hupp - 3rd, Mike Williams - 4th, Jack Schulte - 5th. 1990 Overall Season Standings: Tom Vickers 1st, Jack Schulte - 2nd, Dick Drew - 3rd, and Mike Williams - 4th. It should also be noted that Jack Schulte, Linda Schulte and Dan Norton placed 4th in the Michigan Districts.

The season closed out with the famous fleet 51 Fall Lobster and Clam Bake. Dick Drew is not only an excellent Lightning sailor but a master at preparing hundreds of lobsters and clams that were enjoyed by all the C.S.Y.C. membership. It can be said — "Dick knows lobster". Fleet 51 is blessed with Lightning sailors that exemplify "the Lightning experience" and a venue that is surely one of Michigan's finest. We are all anxiously awaiting next year. As a special request, anyone having original documentation or information on the original formation or history of Fleet 51, please contact Rick Kretzschmar.

Lake Fenton starts its season the Sunday before Memorial Day and ends with Labor Day. This year we had a very wide wind range from 0-53 mph. One Wednesday night we were greeted by a marina fire and thunderstorms. Wednesday nights had the lowest participation primarily due to low winds and thunderstorms. The series was won by Herm Nickels.

This year our team race was held the weekend after a very heavy air five race districts. We only had 6 teams of 3 boats each. I think too many people were still recovering from the previous week. This year Bay City repeated as Team Champs. They showed us they could win with and without Colin Park.

The Sunday series was won by George Nickels. He showed us the way with many first place finishes. On August 26th we celebrated Herm Nickels 75th birthday. He also celebrated by winning the second race of the day by a whopping 3 minutes 59 seconds. This year was Herms 55th year of sailing on Lake Fenton, 48 of those years in Lightnings. His first sailboat cost him \$35 and no one is quite sure what it was.

This year we lost Paul Militzer to a 32-ft. Pearson. Paul was instrumental in the purchase of the land for the Lake Fenton Sailing Club in 1968. He started sailing Lightnings on the lake in the early sixties. He is a strong competitor and we will miss him.

It was an exciting year of sailing on Cass Lake. We saw continued growth in the size of the Fleet. Further, the overall level of competition was higher this year than in the recent past.

The Club Championship was held in late September. Cass Lake provided an excellent test. After several capsize on Saturday the fleet thinned some for the second day of equally trying conditions. Sean Fidler won in his very consistent way and received a well deserved post award ceremony dunking. Louie Nickels and a steadily improving Mike Roualet rounded out the top three.

Our overall Wednesday and Sunday Series Championships were won by Sean Fidler and Bonnie Nickels, respectively. Bonnie returned to great form after being out much of the 1989 season on maternity leave.

Under the direction of our 1991 Fleet Captain Charlie Hess we look forward to another exciting year of Lightning racing at Pontiac Yacht Club next year.

Niagara Sailing had an exciting season punctuated by fine sailing to start this new decade.

Before the start of the season Gordy Compson's boat was badly burned in the Niagara Sailing Club's parking lot by a neighbor burning leaves. Sparks from the leaves blew over on the boat and soon there was melted fiberglass resin and scorched fittings all over the deck of the boat. A very sad sight indeed. Fortunately the boat has a new deck now and is ready for the 1991 sailing season. Moral of the story — beware of neighbors burning leaves near your beloved Lightning.

The wind blew and blew during the 1990 Southern Circuit at St. Petersburg. Three dauntless sailors ventured forth on Tampa Bay with rather interesting results. With the spinnaker up and the boat planing beautifully, crewman Larry missed the hiking strap while attempting to counteract the velocity of the wind. Desperately he yelled for the skipper to grab his foot as the boat went flying by him. Said skipper obediently complied without a thought, and the speed of the boat spun the skipper around and out of the boat. Now two of the three crew were in beautiful Tampa Bay. This left the intrepid sixteen-year-old girl in front to cope with the snarling monster while the two male crew hung on. Nervously the young lady took the spinnaker down. Bravely she dropped the main and the chagrined gentlemen crawled back into the boat. Hats off to Larissa!

Last June Mike Zimmermann was considerate of his fellow sailors when he was married on a Friday night. That left us all free to sail during the weekend. We hear that this coming July Kathy Taylor will be wed — also on a Friday night. Our blessings to both couples for their thoughtfulness to their Lightning family.

Congratulations to Judy Walker and Ellen Starck for finishing third in the Women's North Americans in Rochester, N.Y., and to Judy Walker and Cal Schmiede for being elected Vice-Presidents of the ILCA.

We look forward to the 1991 sailing season and the North Americans in Newport, R.I.

This year fleet 50 had sporadic participation in our Sunday Series of races owing to the fact that two of our long time, active members moved out of state and last year's Fleet Champion was injured. Three new sailors to the area and a winter of healing time should improve participation and make 1991 a great year. Newly elected District Measurer Art Jones in 10682 set the pace this year competing in more races than anyone else at Lake Shawnee, Topeka, KS.

Fleet 70 sailors had an active and varied season again this year. We started with the Spring Series which was won by Frank Mergenthaler. Our Long John Regatta had 48 boats and full of excitement, capsizes and crashes, winners all and great fun — Jimmy, Eric and Jon gave us the ultimate in 50/50's! Our Districts were held at Nyack but ended up with one race as the wind Gods were not giving any wind. The Atlantic Coasts were held at Cedar Point where Ethel, Jim and Jon Schwartz and family presented the regatta with a new perpetual trophy — dedicated to Arnold — (Look for Charlie Howe's letter elsewhere in the Yearbook).

We were well represented at the N.A.'s with three in the Blue Fleet. We sailed Bridge races at home, local regattas and many social events. The fleet will be hosting the Long John in the Spring and help Fleet 11 run the Districts in June. All in all the year was a very productive one — more crews were born and many fun times were won.

Jon Schwartz will be chairman of the Long John Regatta next season, and will have a new boat *Arnold's Revenge*. Sandy and Jack Huntsman also have new boats.

*Fleet 70 — A Happy Lot!*

It seems strange to start writing this report before the end of the season. Perhaps what has happened is that the end of the season has once again swept in with most of us still looking for the few wonderful fall weekend races yet to be sailed. I really dislike the idea that it is already time to reflect on the past season. This means football is taking over and in just a couple of weeks our docks will be stacked on shore for the winter.

March blew in and Roger Grohne, Ralph Wells and Bob Ohlsen blew out of town to sail St. Pete. I do not remember just how they finished but I can tell you that they enjoyed Ralph's rules of regattas.

I recall that April was the time we held our fleet's annual meeting. It may have been the spicy red beats and rice or the warm spring wind that got our feet "fired up" and ready to open the 1990 season. Several of us made the trip to Indy for the Indiana Open. However, the trip to Indianapolis must have gotten longer over the winter because Roger and Bob were seen leaving the harbor just as the starting gun went off.

For a short time it appeared that the District Championship may have been held in Decatur for the first time since 1968 due to the flood at Lake Carlyle. Well, the water receded and the folks from St. Louis did a good job hosting the event. Two weeks later our club's 35th annual Inter-City Regatta was held. This was a remarkable event. First Ronnie Blair had laryngitis, I have never seen him so quiet. Matt Burridge presented his father, Lal with a pair of special shoes mounted with suction cups, to keep Lal in the boat. Matt should have kept them since he fell out of the boat twice. Finally, look for Dick Chamblin on America's Funniest Home Video's. Dick was attacked by his boom during a gibe and proceeded to do a flip into the lake. As always everyone had a wonderful time.

Fleet races for the Club Championship heated up in July as Doug Floyd found the groove in his new boat and newcomers Kelly McGinnis and Rich Edwards winning a few races. Light winds in August prevented any real exciting races however, everyone finished close in most races. Labor Day weekend we tried something new. A short course regatta. Just for fun and to try something different we sailed short (400 yard legs) courses with strange things like two windward marks, crew and skipper rotation and boat rotation. Had the wind permitted we would have sailed a blindfolded skipper race. This fun mini regatta proved to be a good time and just may appear next year.

Our fall series is still underway with several and several of us are planning to attend a few more regattas. So until next year, smooth sailing.

1990 was a year for being on the road for Niantic Bay sailors. The season began with Don Barrett and crew Donna Barrett and Tim Healy making the long drive to Florida for the St. Petersburg Regatta. Don and wife Donna also sailed in the No Gas Regatta in Annapolis. Meanwhile, class newcomer Tim Healy, sailing with brother Bill and Chris Vann sailed at the Red Bank Regatta. Next on the calendar was the Early Bird at Cedar Point. Tim Healy dominated this windy series, winning his first major Lightning Regatta. Also sailing in that series was Don Barrett, another class newcomer, Dave Peck, and Theresa Parker, sailing Chris Vann's boat. It was at this regatta that Theresa discovered the joys of swimming in L.I. Sound, in May, firsthand.

Niantic Bay's home season started with the Memorial Day series. Tim won this regatta as well, beating a determined Franz Edson by a quarter of a point. Close behind finishing third was John Oldham. The next home regatta was the Independence Day series. As with the Memorial Day Regatta, this event was blessed with ideal southerly breezes. Tim Healy continued his winning ways, followed by Dave Peck and John Oldham, in second and third, respectively.

On to the Districts. This year it was Niantic Bay's turn to host, so the locals were anticipating a strong showing when it came time to collect the silver. However, Lightning newcomer, Dave Dellenbaugh, sailing out of Cedar Point, demonstrated his mastery of the southeasterly breeze and won the regatta. The locals were not to be denied, however, as Dave Peck, Tim Healy, and Gary Davis finished second, third, and fourth respectively. Two weeks later, we were back at Cedar Point for the Atlantic Coast Championships. Tim Healy again got the best of the 40 boat fleet (Tim would like to personally thank the Race Committee for abandoning the third race!). Also finishing in the money was Dave Peck, finishing somewhat out of the money was Franz Edson and finishing somewhat out of touch was Don Barrett.

As always, the highlight of the summer was the NAs. John Oldham, Don Barrett, Chris Vann, and Franz Edson made the trip to Rochester. Sailing in difficult conditions, John Oldham finished nineteenth in the Blue Fleet, Don Barrett and Franz Edson finished eighth and eleventh in the Green Fleet and defending Green Fleet champion Chris Vann, suffering from a severe out of body experience, finished somewhat off the pace he set last year. It was a shame that Tim Healy and Dave Peck could not attend the NAs this year due to schedule conflicts. All we can say is, wait till next year!

Back in Niantic, the final fleet regatta, the Labor Day series, was won by Dave Peck, with John Oldham and Chris Vann coming in second and third,

respectively. The last home regatta of the year was the Governor's Cup. The proud recipient of the prodigious silver proboscis (commonly referred to as the Governors Cup Trophy by all the non-locals) was Dave Peck. This was a very close regatta with only a few points separating the leaders. John Oldham finished second, Bill Healy, sailing brother Tim's boat finished third and Don Barrett finished fourth.

The last regatta of the season was the Fall Classic. Don Barrett, John Oldham, Theresa Parker and Ward Woodruff made the trip to Cedar Point to compete in this regatta. The top Niantic boat was Theresa Parker, who came in fifth. Ward Woodruff also sailed very well in his inaugural appearance at this event.

1990 was a year of transition for Niantic Bay Yacht Club. While we gained two very competitive sailors, Tim Healy and Dave Peck, we also saw long time friend and competitor John Oldham pack up his sailing shoes and head for California. We'll all miss John and look forward to seeing him at Newport next August.

We had good breezes almost every race day of the season, which is unusual for Greenwood Lake.

The 1990 Lightning Fleet 95 Regatta, although financially successful, failed to attract neighboring fleets except for two boats. A newcomer, George Welkey, broke the halyard pulley at the top of the mast at 'warning gun' and could not sail in the regatta.

Awosting Yacht Squadron ran a Portsmouth series this year, open to all boats. A newcomer to our fleet, Chuck McNear, finished second in the series. John (Ron) Wulff finished third. Steve Vurno finished first sailing in a Laser.

### SANTA MONICA BAY LIGHTNING FLEET (102) California District Sailing on Santa Monica Bay at King Harbor

13186	Paddlin' Madelyn III	Wendell W. Harter
14206	.....	Bruce Yaeger

The Santa Monica Bay Lightning Fleet had a relatively light racing season this year due to schedule conflicts and boats laid up for repairs. The fleet was represented in the California Lightning Circuit by Wendell Harter, who placed fourth overall in the series. The high point for him was that his granddaughter, Carol Harter, shared in the experience as part of his crew. The two Lightning events which we usually sponsor at Lake Cachuma could not be sailed because of the low water level in the lake due to the drought.

Skipper Bruce Yaeger took unto himself a bride, Elna, and introduced her and some of her brothers to sailing. He placed second in the KHYC Summer Regatta. We hope to see more of Bert Winther and Mike Boswell in our regattas when they get their boats in shape to sail again.

Our fleet sponsored the Hurricane Gulch Lightning Regatta which was held in October at the King Harbor Yacht Club. Kirk Johnson of the Mission Bay YC fleet won the event, Larry Swearingen, MBYC was second, and Wendell Harter, KHYC, was third.

The fleet welcomes new member John Carter of Huntington Beach, who recently acquired a boat and has been out with us thus far as a crew member to familiarize himself with what goes on in racing. We also have with us a Lightning skipper from Chile, Leonardo Witt. He does not have his boat with him, but has been sailing as crew in our regattas. We are looking forward to a more active racing season in 1991 with more Lightnings sailing.

13782	Men At Work	Dr. Robert T. Morrow
13955	.....	Dr. Anthony Ventimiglia
.....	.....	Don Drescher

Fleet 104 had ten active boats this year, and early on, there was little question as to who was going to be the Fleet Champion. Tony Ventimiglia, won every race although some were by the narrowest of margins. Congratulations to Doctor Tony and his crew, brother Gene and daughter Danielle. They now have a rooster flag with only one number on it for the year.

As a result, the race this year was really for second and third place with four competitive boats in contention: Bob Morrow and crew George Schreyer and daughter Meredith Schreyer, Bob Hoffman with sons, Larry and Tom and "The Boys" sponsored by Gene Ventimiglia consisting of four young-uns who alternated as skipper each week and taught us a thing or two about tactics. Their crew included, Stan Schreyer, Phil Barow, Alan Morrison and Anthony Ventimiglia (Gene's son). That gang of "ringers" sail about fifty hours a week and all have won honors this season in Blue Jays, M Scows, Lasers and Lightnings.

During the season, second place changed hands frequently, but in the end, Bob Morrow got consistent and held on to the second slot. Bob

Hoffman was third and "The Boys" fourth in Tony Tentimiglia's old boat that Dr. Tony has kept in the club for such use (a fine gesture). We hope they'll be back again next year.

We look forward to the return of Patti Applegate who unfortunately fractured her foot just as the season started and had to miss the whole summer series. Dave and Barbara Mann also had to miss five races due to pressing business commitments. They have promised to try to make them all next year.

Don Cooper hopes to be back next year. A new entry, Chris Malzone took over Don Drescher's boat and is preparing to offer the Fleet some good competition. We don't have any championship calibre sailors in our fleet as yet, but we are progressing and enjoying the Class. When we look back a few years, only three Lightnings were in our Fleet and now we are up to 13, with prospects for more growth.

The Labor Day Commodore's Race was won by Barbara Mann, Roberta Schreyer, Lois Rittenhous and daughter Tory. Aside from Tory, the three ladies had sailed together all through school, before children came along. Bill Dacosta, Walter Krueger and Joan Young were second and Charlie Heuschel, Ann Ventimiglia and Bill Scott were third.

Out Fleet had it's annual fall picnic on September 23rd. High winds prevented sailing, but we had a great time on the "protected porch" at the Lavallette Yacht Club.

Our Fall Series will continue until the weather makes us quite. We are all looking forward to a banner 1991 season.

The Higgins Lake Boat Club season got off to an unusually early start for us. On June 22-24 we hosted the Michigan District Championships with greatly appreciated help from other clubs and sailors throughout the District. The spring weather brought mixed blessings. A wonderfully strong wind was accompanied by cool temperatures and a steady rain. These conditions persisted for two days challenging sailors and equipment alike. Finally, on Sunday the sun broke through the clouds and things began to dry out. The wind continued strong however, to provide fine racing conditions. When the last race was finished and all boats safely returned with their crews, Bruce Goldsmith emerged the District Champion with John McCree and Sean Fidler close behind. Although the weather was less than ideal, it certainly provided for challenging and competitive conditions. This was certainly the highlight of our season.

With our summer off to a great start, our weekly series races began. Although participation was limited, Ric Blamer finished ahead of Alan Krauss to claim the Commodore's Cup. Congratulations also to Alan who participated in the Junior District and North American Championships and did quite well.

Our Annual Property Owner's Regatta on Labor Day weekend concluded our season on Higgins Lake. Ric Blamer finished in third place with Alan Krauss winning the final race to beat John Dent for first place honors. Our awards banquet was held Sunday night wrapping up another fine season of sailing on Higgins Lake.

1990 marked the 43rd year for the G.B.S.C. and the season began with a fine Spring Opening Party, hosted by Bill and Bette Hayes. Other parties followed at the homes of John and Bonnie Evans, Bill and Mary Jo Dean and a number of fun after race parties at the club.

Fleet 112 hosted the Annual Evans Regatta in June won by Sheboygan Skipper Dan Reichelsdorfer. Plans are already under way for the 1991 Evans Regatta with the intention of changing the date to the same time that the University of Wisconsin-Green Bay hosts their annual Bay Fest. Last year 60,000 people attended this event and we think it could be fun for out-of-town skippers and crew after the races. Generally, the Evans Regatta has been held on Father's Day in June and a new date should help to increase attendance.

This summer Brian Phelan and Charlie Nitka traveled the most, attending regattas at Fond du Lac, Milwaukee, Chicago Red Flannels and the Districts in Sheboygan. Bill Dean sailed in the P&T at Milwaukee and checked out the Lake Michigan bottom at the Chicago Red Flannels. With crew Dave Cuene and Rick Wood they capsized (along with many others) and broke their mast on the Lake Michigan bottom. They found out why Chicago is called the Windy City.

Our Race Committee of Tom Phelan, Bill Hayes, Jane Stannard and Charlier Wouters did a great job running the Monday and Thursday night races. About 25 races were sailed with the Fleet Championship going to Brian Phelan/Charlie Nitka, second to John Evans, third to Doug Olson, fourth to Bill Dean and fifth to Vern Heryman.

September 8th was the last race of the season with the concluding Annual Walter Masse Handicap Race. This year's winner was Mike Kulkoski with Brian Phelan/Charlie Nitka winning the Beaumont Pot for the first boat across the line. Erika Nelson and Peggy Himmel organized an after race barbeque at the club.

The members of the G.B.S.C. are looking forward to another fun season in 1991.

The sailboat racing season at the Cuba Lake Yacht Club got off to a good start during mid May. There was at least two races held each weekend through the Labor Day Weekend. Some of the highlights of the 1990 season included the Three Lakes Regatta held in late June. Over 20 boats from the United States and Canada competed. High winds coupled with the usual Cuba Lake shifts made for an exciting regatta. Dick Hallagan managed to beat out our own Skip Wilday with John Swanson a close third.

Of the 5 classes of boats and some 30 skippers at Cuba the top skipper awards went to Lightning sailor Mike Kane. In addition, some of the boats from our fleet that traveled to other area regattas did very well. Greg Buckley finished 15th at Oswego Regatta and Skip Wilday had a 4th in the Presidents Fleet in the North Americans. Overall, we had a successful season with good winds and great turnout from our local fleet with six-eight boats competing in our Club Races. Our Fleet will be hosting the 1991 Lake Erie Districts and we look forward to sharing some great sailing with fellow sailors at Cuba Lake.

Skip Wilday — "See we do have wind on Cuba Lake!"

This season turned out to be great for the 'Beavers'. To start, we added three more boats to our number and we have commitments for three more

for 1991! We also hosted four regattas this summer.

Late May started our season with a team racing event against our buddies in Toronto. Mid-summer brought us visitors from Montreal for the Ontario Open (won by Peter Hall). This was a great work up for our major event of the year, the Canadian Open.

Almost a full year went into hosting the Canadian Open and our efforts panned out for us. 52 boats and most of the top guns in the class turned up for one hell of a great weekend. (See Dave Starks article and/or talk to anybody who was there.)

Our final regatta was the Turkey regatta; 15 boats, 8 races in one day, and a non-Lightning sailor (Steve Green) taking honours away from Swanson, MacDonald & Allen!!

Our weekly racing (Tuesday nights) was well attended and we scored over 100 races split over 5 series. Also during the summer was the balance of the Lake Erie district schedule, each event having the presence of at least one Beaver. Out of district events attended included the Reunion Regatta and NA's in Rochester, Southern Circuit, Annapolis ....of particular note is the Beavers total domination of the 'blow-boat' event at Silver Lake. We took the top 4 spots and the cocktail party.

Our Junior program is a great success. With just two crews "sponsored" (everything but money) from our fleet, Junior Beavers placed 2nd and 3rd in Canadian Jr. Champs and 5th and 9th in the Junior Worlds in Buffalo!

The sailing season is over but the Beavers go on all winter. Grey Cup Party (it's real football), Christmas Party, Super Bowl Party (nothing else on), ski trips, as well as weekly gab sessions at the club.

The season at Cedar Point got off to a great start with the annual, Early Bird Regatta, May 19-20. We had 31 boats, good sailing, and a great steak dinner. Tim Healy won, Rich Warrey was 2nd, Jean Francis Serire 3rd, George Fisher 4th, and Peter Hall 5th.

In July the main event was the District Championship held in Niantic. There were 29 boats and stiff competition. Dave Dellenbaugh from Cedar Point won with Dave Peck from Niantic coming in 2nd.

On the 28th and 29th of July we had 40 boats at Cedar Point for the Atlantic Coast Championships. Talk about stiff competition, this looked like the blue fleet at the North Americans! Tim Healy won with Ched Proctor at 5th being the top Cedar Point finisher.

At the North Americans in Rochester, Cedar Point was represented by Phil Lotz who finished 24th, Ched Proctor who won the President's Cup, Jim Crane at 5th in the blue fleet, Jody Lutz in the blue fleet, and Neil Hayes doing well in the Governor's Cup.

It was back to Niantic in September for the Connecticut Governor's Cup held on the 8th and 9th. Dave Peck won, Phil Lotz was 5th, Brian Hayes was 6th, and Neil Hayes had a good showing.

The last hurrah for club racing was Labor Day weekend. The series was won by Phil Lotz, with Brian Hayes in 2nd, and Tom Ingram in 3rd.

The "Fall Classic" was held September 15-16 at Cedar Point with a great turnout, great sailing, and great Lobsters. Phil Lotz won and Jody Lutz, (no relation!), in second.

We welcome some new members and some new persons. The new persons include Megan Isabelle Lotz, born to Phil and Wendy on August 1st, Emily Margaret Myerson, born to Giselle and Paul on August 13, Elizabeth Williamson White, born to Barb & Edson on August 28th, and Emily Caitlin Smith, born to Dave and Debbie on September 26th. Whew!

New members include Pam Pollock, Charlie and Amy Simmons, and Gavin and Alice Watson.

We've got Phil Lotz helping to organize the 1991 North American Championships in Newport, R.I., which we're all looking forward to — whoever can qualify in our Districts.

Fleet Captain Fergus Henderson and Sarah have an order in for a new Lightning. We'll be looking for even more speed in '91.

Fleet Champion Tim Naeser, with crew Jodh Lee and Tom Ingram. Tom determined that this was an opportune time to continue his training for triathlon competition.

Lightning Fleet 129 enjoyed an enthusiastic summer of sailing on Long Island Sound. Lightning 11773, and the Ronshagen clan, John driving, with wife, Sue, and brother, Jim, dominated the summer racing; winning the season trophy and the Fischer Trophy Race on Labor Day. The same boat and crew with Tom Davidson at the helm won the Roger Pape Race on Independence Day. The latter race is a skippers draw for another boat with the crew staying with the boat. Why did they dominate? Was it the crew? The boat? The skipper? Incidentally, once upon a time, John Ronshagen was our Club's chief sailing instructor. The rest of us had a lot of fun, and an occasional growl, competing for the other places at the finish line and the weekly award of "Lightning Glasses" for that day's first three finishers, held appropriately on the "Bar Porch". We've got some new faces, boats new to the fleet, and some formerly retired Lightnings back in the competition.

Our younger sailors were conspicuous absentees. Most working as sailing instructors, one crewing on the "J" boat *Endeavor*, and other campaigning 420's and Lasers. Gately Ross of Lightning 13575, crewing with skipper Jesse Andrews placed second in the USYRU Bemis Trophy competition in San Diego. In 1991, with the N.A.'s in Newport, Fleet 129 may send some juniors and a women's team to the events.

We refer to our club as "The Madison Beach & Tennis Club", but we might sneak some sailing in the name soon. We're extending our sailing season to start on Memorial Day and extend till October. Yes, we're alive and well, Thank You.

Fleet 132 did not distinguish itself in its 44th year on the regional circuit but we had good times anyway. Tom Anderson added to our local sailing talent pool, skipping his new boat to the best Seattle Fleet finish at the Districts. That was not surprising, considering his performances at local events this year. It is refreshing to have a new face at the front of the fleet.

Bruce Deitz was the next most successful locally but did nothing on the road that he'd like to have recorded here. He certainly puts his boat in front too often at home though. Pam Hsu crewed for Bruce at the Districts and also had fun in a close series at the women's Districts. Eric Lindahl and Ken Dunkelberg, two of our most active skippers, had other priorities and were missed quite a bit of the time. Please come back! Bill Sims actually returned from his cruising days, although a motor mount was still on his boat. Tom Foulds seemed to be there at all times and was often in the way. Alan returned to the water after a year of partial recovery from a noteworthy automobile accident. It is taking a while to get his sea legs, but his sea lips have shown flashes of their former brilliance. Some things never change, even as we embarrass ourselves and later hope that friendships are not wounded by our heat-of-the-battle comments and guiding suggestions as to what others might do with their boats to enhance our enjoyment of the sport.

The circuit regatta in Seattle was a windless event which would have been a disaster if it had also rained. There was a very good turnout and everyone was jovial (beer) in spite of the lack of sailing excitement. Bruce Deitz finished fourth in the only race, which makes him the fleet champion as the highest finishing boat from our fleet.

It was actually kind of fun to be sailing again and to spend some time with old friends, both of which can be enjoyed even if they finish ahead of you too often.

The Gull Lake sailing schedule included three Yacht Club handicaps and regular Fleet races, on Sundays, from Memorial Day to Labor Day. In addition we had three Fleet races on Wednesday evenings. In fleet racing Gary Fergemann finished 3rd, David Watt was 4th and Bill Weston took 5th.

Our Fall Regatta was sailed by 22 boats and John McCree took first place.

David Decker and David Watt participated in regattas off the lake with Dave Decker sailing in both the Michigan District and the North Americans.

We were glad to hve Eric Samuelson transfer to our fleet from Pontiac and look forward to having him with us next year.

Two new boats are being built for present fleet members and we are optimistic about adding others who have expressed an interest in racing with us next year.

Our Lightning sailors enjoyed an excellent sailing summer. The holiday series got off to a great start with Brad Wagnon in first place in the Memorial Day Series; John Nixon, second; and George Buckingham, third. The Independence Day series was won by George Buckingham; Brad Wagnon, second; and John Nixon, third. Our final holiday series over Labor Day was won by Brad Wagnon; Steve Miller, second; and Alan Fox, third.

The season's best awards were recognized at our annual September meeting. Brad Wagnon won the season's championship; John Nixon, second; Doug Schmahl, third; and Alan Fox, fourth. John Nixon, with Craig Cobbin and Jim Wellington, won the Cynthia Cup. The Commodore's Cup was won by George Buckingham. Ryan Miller was second with Virgil Snyder third.

The season came to a close by hosting the 37th annual Hoosier Regatta held October 6-7. Eighteen boats from Illinois, Michigan, and Indiana competed this year. Sailing Saturday with 25 m.p.h. winds, 10 boats capsized during three races. Sunday found more moderate wind, around 15 m.p.h. but with rain. Two more races were completed. The visiting sailors enjoyed hot cider and a roaring fire. Colin Park captured first; Sean Fidler, second; Tom Allen, third; Bill Faude, fourth; and David Nickels, fifth. Many thanks to race chairman John Call and Robert Troutman on the Committee Boat.

Thanks to Alan Fox for his two years as Commodore. John Call will be Commodore with Virgil Snyder as Vice Commodore, Brad Wagnon Treasurer, and Dale Fulkerson Secretary.

Welcome to new members Dale Fulkerson, Blair McDermid, and Donald Musselman.

14369	No More Bullship	David K. Bull

Last year we told you about the ducks and the wondrous duck with the silvery tape on his rub rails. Alas, cruel fate. Daughter and son-in-law Pam and Clay Murphy gave Dick Tuttle new, white vinyl rub rails for Christmas and now, stripped of most of his plumage, the Tape Duck was unable to fly so fast and *No More Bullship* squeaked by for a narrow season victory.

And what a great season! Fourteen different boats competed during the year and 7-8 boat starts were commonplace on the weekends. Our "junior fleet" of Mark Jenner, Nat Dain, and Geoff Roth were always out sailing. We added informal racing on Tuesday Nights—four or five short, windward-leeward, races—and 6 or 7 boats usually showed up. We didn't keep score and encouraged swapping of crews and skippers. Almost everyone won at least once and, miraculously, we always had wind and, naturally, we always had fun.

We went to regattas. You saw some Willow Bankers if you attended: The Long John (where Dave Bull's insurance company helped Jon Schwartz buy a new boat) — The Reunion at Rochester Newport — The Bolde Mothers at Cuba Lake — The Champagne at Keuka — The ELYC at Henderson — The Michelob at Oswego — The Masters at NYC — The NA's at RYC — The Harvest at Silver Lake — The Pennsylvania Governor's Cup at Wallenpaupack (don't go swimming with Missy's conch horn) — Fall Regatta at Riverton — The Frigid Digit at Annapolis — The Borderline at Lake Kerr — The Bluenose at Nashville. Alas, we have no victories to report. Only wonderful memories of some great times (and some foggy ones). Many thanks to all our fine hosts!!

We hosted regattas. 33 boats competed in the CNY Districts on Lake Cazenovia for the twenty openings to the NA's. Bram Palm won by 1/4 point over Mark Sertl with Kirk Reynolds, Clay Murphy, and Dick Hallagan rounding out the top five. We got in five, fair, challenging races despite a light air Saturday thanks to the wizardry of RC Art Diefendorf. Then, on October 6th we held an impromptu one-day regatta. RC Willis Diefendorf ran the twelve entrants through seven races in near perfect, windy conditions with local Tad Helmer nosing out Tom Doran and Dick Hallagan (skipping Nat Dain's boat) for first.

We dominated the Club Free-for-All's (handicap races with FD's, Lightnings, Thistles, Comets, Finns, Lasers, Sunfish, and sailboards). Dick Tuttle captured the Rubenstein trophy for the Memorial Day Series. Dave Bull (with an assist from Tad Helmer) won both Labor Day Weekend events, and Steve Burrell, with an assist from Alistair Thomson and Lisa Laidman, took the Preston Cup for the end-of-the Lake-and back race. They were hotly followed by Jeff Bassin.

We had our special Club Lightning races. Lisa Laidman sailed Mark Jenner's boat (with some help from Mark) to a cliff-hanger first place over Sandra Helmer, Holly Thompson, Janet Sinn, Laura Czykanski, and Megan Roth and won the Silver Tea Service for the Crewette's race. Dave Bull beat out seven other entries for the Charter Member Cup.

We're losing some dear friends. John Sills moved to Milwaukee in late

summer to take a new job with GE. He took 13755 with him so our loss will be Milwaukee's gain. Alister and Holly Thomson are being moved to Princeton, New Jersey by Squibb Bristol-Myers — probably right after Holly has her first child in December. Allister's a great Lightning sailor so don't let the J-24s get him, New Jersey. Don Barter book a sabbatical from sailing to spend more time with golf and family — but we think he'll be back. Chai and Barbara Raber made a job transfer to New Jersey.

We're gaining some new friends. Bob Froh bought 12004 from Don Barter and sailed many races. Late in the season, Rich Roth, Geoff's father, bought 13011 from Chai Raber and became a regular sailor. At Annapolis we met Frederico Meira who was sailing with Tom Allen. He's taken a job with an engineering firm in Cazenovia and plans to make the move from Bogota, Columbia, and sail his new boat with us next year. Rick Peck moved into the area from Southern California and was regular crew with Dick Tuttle and others. He finally skippered the season finale and won handily.

Already we're making plans for an even better next year. Craig Thayer assures us that he'll finish 10370 this winter (stop sending him those Fabricraft orders so he'll have more time). Tadd and Sondra Helmer plan to join Willow Bank and race the Sinn boat on a regular basis. Our 1991 regatta — tentatively scheduled for June 15-16 will be the biggest and best ever. Search this Year Book and *Flashes* for details and please plan on joining us for the best small lake sailing anywhere.

## HELSINKI LIGHTING FLEET (166)

### Finland District

#### Sailing at Gulf of Finland, Helsinki, Finland

Fleet Captain ..... Kari Maenpaa  
Fleet Secretary ..... Noora Maenpaa

Boat No.	Boat Name	Skipper
11544	Kesaheila	Raimo Aromaa
12914	Vahine II	Kari Maenpaa
13560	.....	Tuomo Silenti
14091	Masi IV	Terho & Kimmo Aromaa
14196	.....	Keijo Latrala
14364	.....	Kari Maenpaa

During the season our fleet had two very active boats, *Vahine V* and *Masi IV*. Skippered by Kari Maenpaa and Kimmo Aromaa they sailed both in Championships and in ranking series regattas. Kari Maenpaa with his crew Erkki Maenpaa and Mikko Maatta won the District Championship, and Kimmo Aromaa with his brothers Jari and Mika as crew was third. In the final District ranking list Kari was third and Kimmo fifth.

Our season began again with training and the On the Rocks Regatta, which was sailed in the middle of May at Lake Tuusulanjarvi. The next three regattas were ranking regattas and they were sailed on a tight schedule in Helsinki, one regatta in May and two regattas in the beginning of June. In May *Vahine* won, but *Masi* did not participate, because the skipper was quite busy getting married at that weekend. In the Suunto Cup *Masi* was third but this time *Vahine* wasn't sailing. In the next regatta both boats were present and *Vahine* was second and *Masi* third. So, after this busy start of the season we were packing our boats and beginning to travel to the Europeans.

The European Championships were sailed at La Neuveville in Switzerland in the beginning of July. This year we had the largest team ever to participate in a Lightning Regatta outside the Finnish borders. Ten boats from our most active Lightning fleets travelled to La Neuveville. The race area was made as large as possible on a small lake and this caused some problems on the shallow eastern side. The winds were either light and tricky or strong with mean gusts. The best finishes were *Ressu* and *Annie Hall* sailed three good races, but they scored also three bad races. The rest of us collected mainly throw-out races and so our final results weren't so good. *Ressu* was seventh and *Annie Hall* was 12th place. Kari was 19th and Kimmo 23rd.

Our Districts were sailed at Kalajoki in the middle of August. Kalajoki is located at Gulf of Bothnia about 600 km north of Helsinki and the Districts were organized by KaPu Sailing Club. The race area was very close to the

harbour and it was possible to sail to the race area in 30 minutes. Perhaps due to late season, the activity was surprisingly low. With extreme efforts, we managed to get the minimum number of boats, 20, to participate. This was a pity, because the race arrangements and possibilities for housing and social life were very good. On the first day we had fine weather with moderate northern winds. Kari was fifth in the first race and won the second race and Kimmo finished third and fourth. On the second day the weather had changed to northerly winds 8-10 m/s with high and short waves. This day was very exhausting to sail, especially sailing the reaches required a lot of power and skill to sail. Kari won both races and Kimmo finished second on both races. Before the last race Kari Maenpaa was the winner, but *Annie Hall* from Tuusulanjarvi and *Masi* from Helsinki were still fighting for the second and third places. *Annie Hall* had a little better situation even though they capsized in the fourth race. *Masi* had to keep *Annie Hall* below seventh place and *Annie Hall* had to win. The last race was sailed again in lighter wind. The race between these two boats with the warning gun.

On the second windward leg the wind shifted and *Annie Hall* got a good lead leaving *Masi* far behind. *Annie Hall* finished fourth and was thus second in the final results.

After the Districts we sailed still one ranking regatta at Lake Tuusulanjarvi in the middle of September. This time we were forced to sail in cold rain and heavy winds and so there weren't so many boats participating. *Aiolos* from Tuusulanjarvi fleet won and *Masi* was second. The final result of this season was good. *Vahine* and *Masi* won the first and third place in the Districts and third and fifth place in the ranking series. We try to make it a little better next season.

Mother Nature played havoc with Fleet 167's racing schedule in 1990. The farmers in our area were pleased with the record rainfall in June which broke a 3-year drought, but a lot of that water washed into the Mississippi River where our fleet sails and created a very swift current and unsafe sailing conditions during the whole month of June. We weren't able to resume sailing until the 15th of July. River conditions were fine by August, but that month we had either too much wind or not enough and were only able to sail two races. Fleet 167 races their fall series from Labor Day until the last Sunday in October. This year the fall weather was as lovely as could be and made up for the disappointing summer days with brisk, crisp westerlies blowing for most of the time, and we were able to sail all 12 scheduled races.

Mike Steffenson won the "nature-shortened" Summer Series, with Bill Quaintance taking second and Ron Taber placing third. The summer's Commodore Series winner was Steffenson again. Ken Jensen and Bill Quaintance placed second and third respectively. Steffenson was on a winning streak all summer, adding first places in the Memorial Day and Fourth of July series to his winning totals. Ken Jensen started out the fall season by placing first in the Labor Day series. Mike Steffenson won the Fall Series while Bill Quaintance was second, Ken Jensen third, and Ron Taber fourth. At the Lake Davenport Sailing Club's annual Trophy Dinner in November, Steffenson was awarded the Clayton Ebert Fleet Championship trophy and Bill Quaintance received the club's sportsmanship recognition and "Sailor of the Year" trophy.

The fleet worked together to host the Lightning portion of the Club's annual Polar Bear Regatta on a new weekend in early September. After three good races on Saturday, the wind gods rested on Sunday morning and in so doing, shortened the regatta. Paul Wurtsbach from Chicago Corinthian took home the winners trophy. Second place went to Mike Steffenson, Lake Davenport; third was Bill Quaintance, Lake Davenport; fourth was Gene Matthews, Lake Geneva; and fifth was Ken Jensen, Lake Davenport. We were pleased to welcome Adrian Irving of Chicago Corinthian to his first Polar Bear Regatta and hope that more of the Midwest District sailors will attend our 1991 regatta.

Fleet 167 hosted the Club's Labor Day dinner and the annual Halloween Party for club members and children. There is a lot of family crewing in our membership, and now Bill Quaintance's grandsons are filling crew slots on his boat. Ron Taber seemed to capsize so many times this year that his crew was getting quite proficient at getting *Boadacious* upright without hardly getting wet! The Steffensons were out again for their 21st year of sailing on Thanksgiving morning. Ron Taber, Reed Doughty and Henry Strieder also went out on the river that morning enjoying a lovely sail before putting the boats away for the winter.

We're all looking forward now to a quick winter so we can welcome warmer temperatures and fair winds in 1991.

Notre flotte s'est juste maintenue dans son effectif de l'année précédente. Cette année encore son activité n'a pas été très importante.

Notre 37ème championnat de district a eu lieu à Morat mais aucun membre de la flotte 169 ne s'y est présenté.

Heureusement qu'il y a eu, tout de même, quelques éléments positifs pour cette année, à la Neuveville. Sur le lac de Biemme, nous avons courru en juillet les championnats d'Europe. La participation a été bien meilleure puisque nous avions 4 bateaux de notre flotte sur ce plan d'eau. Ces championnats ont eu lieu dans des conditions de vent particulièrement intéressante, compte tenu de la saison. Il est à signaler que dans les semaines qui ont précédé et suivi notre championnat, nous n'aurions pu régater, faute de vent. Il faut remercier nos amis de la Neuveville pour leur parfaite organisation.

Notre championnat de Flotte s'est déroulé les 20 et 21 octobre 1990 lors de notre "REGATE FONDUE". Contrairement à l'année précédente, nous avons bénéficié d'un temps merveilleux. Les huit équipages ont tous trouvé un grand plaisir à naviguer avec une bise de force de 2 à 5 Beaufort. La première manche a été très disputée et les cinq premiers bateaux ont passé la ligne d'arrivée dans un intervalle d'une demi-minute après presque deux heures de course. La seconde manche s'est courue le dimanche matin par une bise très soutenue, Jacques Perret par une excellente manœuvre du spi au premier largue s'est détaché et n'a plus été rejoint. Les régateurs sont restés sur le plan d'eau pour participer directement à la dernière manche. La bise légèrement faiblissante a permis à Urs Schär de prouver sa grande classe.

Voici le détail des résultats de notre championnat									
Voile	Nom	R1	Pts	R2	Pts	R3	Pts	Total	Pts

8 12571	Herzog Katty	8	14	8	14	8	14	42	

L'année prochaine les championnats d'Europe auront lieu en Italie en juillet sur le lac Trasimène. Notre championnat de district se déroulera lui mi-octobre à Neuchâtel lors de la "REGATE FONDUE". Espérons une large participation à ces joutes et de belles conditions.

The Lake Deschenes Fleet, dormant for a decade, emerged from its ashes this year with only a little mixing of metaphors. An active summer of racing and recruiting gave us momentum for the coming year.

We have been actively promoting fleet growth particularly among keel-boat sailors who need a real thrill and challenge. One important element of this effort was a match racing series for the Lake Deschenes sailing community, with proceeds to charity. The series, held just off the clubhouse jetty, was well attended and provided an opportunity for spectators to see the excitement close up. It will now become an annual Lightning event.

In the coming year, we plan to build on our current efforts and make a substantive contribution to the District's racing program.

For several years now, Lightnings have not participated in the regular weekend activities available in Marblehead. Several other classes have also decreased, while certain classes have grown or held steady. Only a few "hard core" Lightning sailors are needed, however, to reestablish fleet racing in Marblehead.

Since our departure, I have crewed regularly on an Etchells in Marblehead and I feel that the quality of racing available has improved. Some of the improvements include: several two race days and a few scheduled lay days instead of the repetitive one race every weekend; large orange inflatable marks replacing the smaller stationary channel buoys; the triangle is set by Loran and all three racing circles shared by the 15-20 classes have been moved farther away from the various islands for a more perfect circle.

This veteran Lightning sailor is still prepared to join forces with any other sailors interested in racing (or practice racing, or "cruising") Lightnings at Marblehead. If anyone is interested, please contact me anytime at home (508-745-5104) or work (617-229-8905).

For Fleet 194, 1990 has been a great year. Good participation and lots of one and two day regattas kept our activity levels high. Everyone enjoyed the fun and fast pace of the races especially John Lyon, who dominated most of the year.

John Lyon's achievements include winning the Olympic Classes regatta, the California Circuit, the Fred Knaver Regatta Trophy and Fleet Championship.

Among the other winners this year — Tarry Swearingen won the TNT trophy. Thursday night sailing, was never better — Right Larry! Kirk Johnson won the Club Race trophy.

Our fleet did quite a bit of traveling this year. A number of races were held at Coronado Yacht Club and at King Harbor. The Milsteads even traveled to Oregon for the Pacific Coast Championships, which Scott Finkboner and Carl Eichenlaub trucked back to Rochester for the North Americans. Jim & Irene Milstead also sailed in the Commodores Cup at Fleet 25 on Labor Day — they placed second.

The sad events this year were the passing of Dr. Bert Gross and Fred Knaver. In February we lost Dr. Gross, who founded the California Circuit many years ago. And then on July 4th we lost Knaver. We'll miss them both greatly, but their strength and knowledge live on in the fleet.

All in all 1990 was fun, exciting and eventful and 1991 is looking to be even better. Please come and join us anytime.

Fleet 212 began the 1990 sailing season with a St. Patrick's Day/Annual Spring Party co-hosted by Fleet Captain, David Gall, his wife Liz and Bob and Diana Neading. The event was held at Bob and Di's new home. All in attendance had a great time telling of their winter experiences and discussing plans for the 1990 sailing season.

Our 41st year of racing began on May 6th, with the first race of the Spring Series. A total of 26 official club races were scheduled as follows: Spring Series — 6 races with one throw-out, Commodore Series — 3 races with no throw-out, Summer Series — 6 races with one throw-out, Fall Series — 6 races with one throw-out and the Championship Series — 5 races with no throw-out. David Gall took top honors in the Spring and Commodore Series and placed second in the Summer, Fall and Championship Series. Dean Caley placed first in the Summer and Fall Series, second in the Spring Series and third in the Championship Series. Nelson Caley took second in the Commodore Series. Jim Stone was a very consistent third in each of the Spring, Summer, Fall and Commodore Series. Jim was also the 1990 recipient of the Karl Rollius Trophy for the most club races sailed by a single skipper in 1990. Last, but by no means least, is David Huber who bested the fleet in the Championship Series to become the 1990 Fleet 212 Champion. All of the above skippers and their crews were acknowledged for their accomplishments at the Annual Sailor's Banquet held November 10th.

Late in the season, Nelson Caley purchased a new boat, 14420, and sold 11508 to crew Steve Jolly. We hope to see Steve and his wife Mary on the starting line next year.

The 40th Annual Harvest Moon Regatta was held September 8-9. This year our three race regatta was won by Thomas H. Varley, Jr., Ohio District Commodore and member of the Leaderships Yacht Club in Columbus, Ohio. David Gall and Dean Caley placed second and third respectively.

We held our Annual Fall fleet picnic on September 23rd. Unseasonably cold temperatures and a day threatening rain unfortunately kept many regulars of this event away. Those that came enjoyed a great potluck meal, beer and fellowship of our fellow Highlander sailors.

The Atwood sailors wish you all a great 1991 sailing season and invite you to experience the challenge of the "Dog'Leg" at next years Harvest Moon Regatta.

For Lightning Fleet 215, 1990 was very successful. We had lots of participation. It started off with the Mid Winters in St. Petersburg and Miami, Florida with six boats. Following up on that, participation in the evening series and the club races was at a very high level.

It was a year for adding some new boats to our Fleet. Peter Hall took delivery of a new Nickels at the Mid Winters as did Nabil Tabet. Later on in the season, Jay Mann and Perry Owen jointly also acquired a new boat and to finally wind-up the season's acquisition efforts, Mark Osterman bought an almost new boat from Bill Fastiggi of Burlington. This along with Russel Scrim's purchase, late in the 1989 season, of Bill Fastiggi's previous boat, certainly up-graded the fleet. As a matter of fact, we now have one or two of the older boats available for sale as a result of these transactions and hopefully we will be able to find some sailors who will participate in our competitive events.

The Canadian Open this year was held at the Hamilton yacht Club and was a huge success. The largest participation in this event in history. Something like 60 boats participated and we are proud to report that there were 7 boats from our Fleet. The Hamilton Fleet did themselves proud indeed.

As far as the Junior Lightnings are concerned, Anthony Staples, Scott Collins and Neal Burnham participated in the World Championship for Juniors at The Buffalo Canoe Club. This did not turn out to be their best event. However, later on in the season, they redeemed themselves by pulling-off a third in the North American Junior Championship.

As far as the Fleet Championship is concerned, it went to Peter Hall, runner-up was Jay Mann and Perry Owen — congratulations to all. We are looking forward to a continuation of a high level of activity in the new season.

Fleet 216 grew this year, with the addition of new members George Pete and Tom Niles. George Jr. has already wrestled the tiller away from his dad. Tom distinguished his first season as a Lightning skipper by taking 5th overall in the "Joe Dissette" Wednesday Night Series Championship, with crew Oscar Rogerson and Kris Neri. Finishing just ahead of Tom were honored Fleet Captain Bob Hafford, with Sue Schmerheim and guest; ex-officio Jim Schofield with Kim Shotwell and John Waechter; NA Master's runner-up Joe Dissette with Glen Hallet and Alan Krause; and John McCree with Dave Corcoran and guest. The brothers Moulthrop, Guy and Blair, were well-deserved winners of the Rueben Clamso award for most Creative Capsize. Warren Treptow, a new skipper last year, was awarded Most Improved.

Our Annual Regatta proved to be a fine tune-up for the heavy air Districts. RC Robin McCree served up three fast and furious races Saturday. Sean Fidler from Pontiac took the abbreviated regatta by a point from local "heavyweights" Colin Park and John McCree. Colin and John convinced the fleet that Sunday's heavy air was sailable. Most made it back to the dock without major damage.

The Bay City Yacht Club continued to evolve into a club for cruising sailors and power boaters, which tends to crowd out the one design fleet racer. Teri Hart, Kim Shotwell, Jim Schofield and others were successful in lobbying to preserve our One-Design membership status at BCYC. This relatively new membership classification encourages new sailors to join the club with reduced initiation and membership fees for those who dry-sail small boats.

A small but loyal band of sailors, sailed their season on the tranquil waters of Henderson Harbor. After a spring meeting at the Treadwells, the racing season opened in June with the 28th running of the Appleblossom Race: Jack Jones, first; John Treadwell, second; Irwin Stone, third. Spring Series Results: John Treadwell, first; Jack Jones, second; Irwin Stone, third.

The Barnes Memorial was a windy affair and had some close calls — but no casualties, Jack Jones, first; Dick Grissinger, second; Jerry Bezner, third.

The main event of the season was our ELYC Regatta — with 28 Lightnings on the starting line under absolutely beautiful sailing conditions. All 5 of our regulars sailed and achieved some real high points — and some not so high. Special thanks to the elves for their fine committee work and to Regatta Chairman, Mr. Jones.

The Pickslay Ramble had four of the good guys in the annual all-boat race, John Treadwell and family members won in the Lightnings, and finished third overall under that reliable ole rating system.

The Thursday Series saw seven boats do battle during the season and had 10 different skippers try their hand in the "casual series" — and from all reports, had the usual shenanigans. For the second time in its four year history, the gentler sex won out. Joan Woods, first; Jack Jones second; Dick Grissinger, third.

The two races for the Commodores Cup was also the final weekend for the season long Sunday Series, and the Treadwell family took both as John and Say Treadwell and Joan Woods proved to be formidable competition.

Commodores Cup: John Treadwell, first; Jack Jones, second; Jerry Bezner, third.

Sunday Series: John Treadwell, first; Jack Jones, second; Jerry Bezner, third.

The competitors thinned out a bit thereafter, but still plugging in the Stoney Island race and Fall Series were: Jack Jones, first; Dick Grissinger, second.

May's Trophy was won again by Jack Jones.

It was nice to see some younger faces sailing in Lightnings — both as skippers and crew. We need more! The Jones family have become quite the circuit sailors — they went to the North Americans in Rochester, but Jack has been in a fog ever since! And what evil person would epoxy letters onto a certain hull? Thanks to Dick Grissinger and Erwin Stone for leading us these past two years — we appreciate your efforts.

The annual awards party and holiday gathering was the start of our new year, our season runs from October through September. The party hosted by Jeff and Alix Shaw at their new house. Fun was had by all. Special awards, the Golden Bucket for the most spectacular capsizes, and the Transom inspector's Cup, were awarded to Main Squeeze and Jalapeno.

March brought our annual steak dinner at the Miami Mid-Winters. We sold out all of our steaks (Carol did you ever get one?) and all of the T-Shirts which were expertly designed by Stuart DeLisser. Actually Stuart designed two logo's which the fleet members colored for a contest. The orange slice design was donated to the Junior Orange Bowl Regatta.

Another successful steak dinner was held at the Florida Districts in May at the Coconut Grove Sailing Club. Eighteen boats participated in light to moderate winds reminiscent of lake breezes. Mark Bryant sailed a consistent regatta winning overall. Jim Alman was second winning the Fay Regan Perpetual Trophy. Next years regatta will be held at Davis Island in Tampa.

As the summer came and the winds lightened the fleet enjoyed their annual raft up on the sand bar near Viscaya. Many thanks to Fay and Heather for the great lunch, especially the brownies! Jim Alman brought his new crew "Eddie the pooch." But how did you get him to hike?

Five boats traveled to Rochester to the North Americans. Fay Regan sailed *Booby Trap* in the womans' race. *Booby Trap* was sailed by Tom Deegan in the N.A.'s. He was joined by fellow fleet members, Jim Alman on *Vertical Smile*, Ed Cabassa on *Top Gun*, Jon Ewing on *Major Obsession* and Dave Helmick on *Red Eye*. Hope you get to go to the World's Jimmy.

As the year came to an end we boarded our "big" boats for the annual Columbus Day Regatta. Lightning sailors abounded on Jim Alman's boat but what happened to the mast? We are looking forward to seeing you all again in sunny warm South Florida this winter.

This season provided us with great sailing, as we held 25 races on Lake Bomoseen between Memorial Day and Labor Day. June was highlighted by our 5th annual Maple Leaf Regatta. 10 visitors brought our fleet up to 22 boats for two days of sailing, volleyball, camping and a steak dinner cooked out at Bomoseen State Park. Hope you can all join us again next year!

Our Fleet consisted of 12 regularly active boats this year with 8 to 10 boats starting most races.

The Fleet Championship was a dogfight with only one point separating Jim Leamy and Bill Cohen. Congratulations to both racers!

We also would like to congratulate Chris Wright, one of our new skippers, on his winning performance at the New England Junior Districts. Chris also placed 4th overall in our season races.

Finally, our congratulations to Ray Harrington, Bruce Atkinson and Bill Cohen on qualifying for the North Americans, and traveling to Rochester, N.Y. to make a showing for our Fleet.

Our skippers found it useful to have meetings over the winter last year and will do so again this year. These meetings allowed us ample time to plan events for the upcoming season. We also held seminars on such topics as sail trim and starting tactics. These gatherings also maintained our enthusiasm during the cold winter months.

Having elected Chris Howe as our new fleet captain, we look forward to a great season in 1991, with our largest fleet in years. Watch *Flashes* this spring for details on the Maple Leaf Regatta.

The home of the Lippincott Lightning is alive again. Starting the season with three boats on the starting line, and finishing with ten boats is a great beginning. Next year we hope to gain three or four additional boats on our fleet roster.

For those who do not know who we are, we are a club surrounded by the illustrious Delaware River. One of the oldest sailing clubs in the U.S. — 125 years old. The Lightning took roots here many moons ago, then Howard Lippincott started building boats around the corner. This became a strong home for Lightnings for many years, until 1980. They disappeared, well now we are back and welcoming everyone to join us.

This year's season consisted of four series and two regattas.

We started with our Summer Series, won by Mark Schneider, second Allan Crew, and third Bruce Rawlings. Interwoven throughout the season we sailed a Wednesday night series with honors going to Mark Schneider, Bruce Rawlings, and Allan Crew. In the middle of June the Governor's Cup Regatta was held. Djord Hoekstra from Metedeconk Yacht Club won the three race series, followed by Mark Schneider and Hugh Hutchinson.

Through the fall months, we sailed the Fall Series, (honors to Mark

Schneider, Allan Crew, and Ray Reeves) and the Informal Series (honors to Mark Schneider, Pete Denton, and Ray Reeves). The informal series was kind of fun, whoever showed up sailed. That means you could have as few as one person or as many as four people per boat. Loads of fun.

To finish up the season, the Fall Regatta. Visitors drove up to five hours to sail with us. Everyone left the regatta with fond memories of an enjoyable time on the Delaware. Thanks to Aaron Finkbiner everyone received a picture of them in action on the Delaware. Those who left with trophies were Mark Schneider, Dave Bull, and Pete Denton.

As a new but active fleet, Bruce Rawlings, Allan Crew, Hugh Hutchison, and Mark Schneider represented the club in many local regattas.

Next year will be even more fun. Thanks.

Fleet 250 was renamed to Sempacher-, Hallwiler- and Greifensee Fleet 250, as the remaining members of the inactive Fleet 309 sailing on Lake Greifensee joined our fleet this year. So all still active Lightning sailors of the eastern part of Switzerland are now members of Fleet 250. We also hope to regain some Lightning friends sailing on the lakes of Luzern, Zurich, Pfaffikon so as from the Bodensee on the German border in 1991.

Although the racing activity was not as good as in former years, on all three lakes Lightning sailing is still done with great enthusiasm for touring and weekend trips alone, with friends or with the family.

The Fleet Championship was held on the Lake of Sempach on April 28-29. The "Luthy-Bell" trophy was won by Perret (Fleet 169). Wyler was runner-up and Luthy 5th. On June 3, Luthy got 3rd on a Yardstick Race behind two Tempests and before several Dyas; Fuchs was 18th in the field of 27 boats. Peter Taschler bought a new Dyas and finished 8th. He was one of our most active fleet members, but we wish him good luck in the new class.

No races have been sailed on the lakes of Hallwil and Greifensee. But we hope to change that next year!

At the District Championship in Murten (358) Luthy, fourth; and Katharina Herzog, ninth over all. Three teams were sailing at the Europeans in La Neuveville, Lake of Biel, where Luthy/Briker/Merz finished fifth, Taschler 28th and K. Herzog 29th. Further races abroad were sailed in la Neuveville (Luthy 1st), Aventicum (Herzog 4th) and Neuchatel (Luthy 2nd, Herzog 8th).

We are awaiting another good season and hope to reactivate old and new Lightning sailors again!

The Keuka Lake Fleet enjoyed another successful racing season on beautiful Keuka Lake, the 37th since Fleet 252 was founded in June 1954. A June and September series, won by Tom Buechner, were also sailed in addition to our official season from July 4th to Labor Day.

Fleet growth has continued, with familiar boat numbers returning with new skippers and new boat numbers appearing with long time fleet members. Most notably, Hank and May Young, fleet members since the late 1950's, surprised us at our spring meeting with a new Nickels Lightning, a gift from their son. Also new to the fleet this year were Brien Gardner, Richard Ewell, Barry Brogan, Marty Schad, Ron and Ellie Freeze, Bob Cole and Marie McKee. Honors for newest boat go to Tom Buechner. New boat names noted, some for only a day, were: *This End Up* — most descriptive, *Cherry Bomb* — fanciest lettering, *The Other Woman* — most provocative, and *Mangy Moose* — best graphics.

The Bully Hill Champagne Regatta was held on July 7-8 with 25 boats attending. Light winds on the first day, balanced by heavy air on the second, allowed for completion of four races and time for the C.N.Y. District meeting as well. Excellent wine from Bully Hill, hors-d'oeuvres, dinner and dancing gave everyone a chance to renew friendships and make new ones. Walter Taylor, owner and founder of Bully Hill, recovering from a car accident, was unable to attend this year, but not forgotten, as all those at the dinner signed a large, specially prepared, get well/thank you card.

Five fleet skippers participated in the Lightning North Americans at Rochester, N.Y. Tom Buechner and John Mastro sailed in the Championship, Jim Staunton in the Masters, and Mike Pallischeck and Mile Kalinich crew. Several boats also attended other regattas in the district and one fleet member purchased two additional Lightnings so he could hold his own regatta.

The annual fall fleet meeting was held late in September around the Keuka Yacht Club fireplace. Offices elected for 1991 were: Fleet Captain, Michael Pallischeck, Vice Captain, Michael N. Kalinich, and Secretary/Treasurer, Peg Faber.

We had a quiet year that featured some fun Sunday racing on our scenic section of the Susquehanna, a couple of lamentable losses and a bit more travelling than usual.

Barry Dunwood, in addition to winning the Fleet Championship at home, did the most travelling. He raced regattas as far south as North Carolina and as far north as Lake Ontario, plus several in between. And Charlie Noble greased up his trailer and joined Barry in attending the Dixie District Championship at Rehoboth Bay.

Starling Mikell III borrowed his dad's boat to capture the top "Away" silver when he won the Red Cross open regatta at Pinchot Lake near Harrisburg. It was the fourth year in a row that a SYC Lightning has been No. 1 in the event.

Our losses were seeing super-crew Bucky Beaver move to ownership of a 30-foot catamaran on the Chesapeake, and transferring our Pennsylvania Governors' Cup regatta to Fleet 16 at Lake Wallenpaupack after 21 years at SYC. Barry, Charlie and Fred Bush went north to help Fleet 16 combine the Governors' Cup with its annual LWYC Fall regatta and are pleased to report that the event is in fine hands at its great new location.

This year has been a year of change for the Clark's Hill Lightning Fleet, sailing out of the Augusta Sailing Club on recently renamed Lake Strom Thurmond (ex. Clark's Hill Lake). Three Lightnings were sold out of the fleet this year making fleet racing difficult, however, we have up to five Lightnings on the regatta circuit.

The enthusiasm afforded by hosting the Southeastern Districts this year has more than kept the fleet interest up. Twenty-five Lightnings competed with great weather, good food, and social interchange. Three Lightnings from our fleet made the trip to Rochester for the North Americans and we expect a few will travel to some of the larger drawing regattas this fall. We are working on fleet promotion for growth next year.

The flood of 1990 certainly played havoc with the club and sailing this year. Through the month of May, the rains came down, the water came up, and the boats came out. The four-week flood was beginning to interrupt with plans for the Mississippi Valley Districts that were to be held on June 9-10. But, with much discussion, and a break in the rains, the Districts got off as planned. Winds were light, (which is typical for our districts) but we did manage to get in all the races. Standings were Matt Burrridge, first; Cully Ward, second; Don Shearburne, third; Dan Busher, fourth; and Gerry Paoli, fifth.

The Junior Districts, which were held in Memphis, had Carlyle's own Tobie Heisler bringing home second place and Mark Sanford coming in third. We would like to give recognition to Rob Zerban for doing an excellent job in preparing the Junior's for their District Regatta. CSA's 21st Impromptu Regatta was held on October 13-14, with 16 boats on the starting line. Saturday was spent praying for wind. Finally by late afternoon, we were out racing. We got in two races before the sun started to set. Sunday provided us with gusting winds. (Typical for the area, if you don't

like the weather, stick around, it will change.) Standings: Dan Moriarty (with 5 bullets), first; Terry Burke, second; Greg Florian, third; Ron Blair, fourth; and Dan Busher, fifth.

August was a month with temperatures well into the 90's and no winds insight, it left us with plenty of time to socialize and catch up on our volleyball skills. With the ending of summer approaching and into the last month of sailing at the club, it brought talk of which winter regattas they were going to be attending.

We at Carlyle Sailing Association are proud of our first, second generation of Lightning sailors Michelle Christy (Pat and Larry) and Rick Bernstein (Brenda and Stuart) who were married this year.

Lightning Fleet 270 has concluded another exciting year.

We hosted the Indiana Open in May and the Districts in June. Both of these had good weather, good sailors and lots of fun by all that participated, participated.

The fleet continues to grow with new members and lots of enthusiasm from its active members.

Joe Laggaux is our Fleet Champion this year and he continues to make his new boat go faster and faster.

Ken Woods did a fine job as Fleet Captain.

We look forward to seeing everyone this spring at the Indiana Open.

Julie Deyett sat upon the shore at the Rochester Yacht Club wondering whether or not it would be a girl or a boy and what had been the fate of the boys? Would George, Ken and Moe ever return from the mysterious fog? The season had been full of mysteries. As she sat and waited, she pondered the many mysteries of fleet 273.

The first big mysteries occurred when the fleet traveled to Bomoseen, VT. How would the new sails work? Would there be any good starts? Next the crew traveled to wonderful Wayne, Maine. It was no mystery who won as George Deyett took eight firsts. A good time was had by all at both these regattas. Ron Adam's circus tent and Norm Deyett's MPU at Wayne, Maine made it apparent that Fleet 273 could make themselves at home anywhere? *Darthvader*, Drew Gillette mysteriously disappeared from the fleet after Wayne Maine. What happened Drew?

When the fleet returned, a mysterious new Lightning was parked in the drysail area! It was discovered that its owner was a surgeon and in a very short time he was cutting everyone up on the downwind legs. Glad to have Bill Barry aboard!

On the road from New Jersey to Lake Champlain, George Deyett had a great season. Leading up to the North Americans in Rochester, NY.

Ken Deyett finished first at Bow Lake and the Richmond Cup Memorial Lake at Lake Massabesic followed by Bill Barry and Moe L'Heureux.

The NH/VT championships at Lake Massabesic proved to be very interesting. We said hello to old friend Ned Hines and Co. from Bow Lake and to some new friends from the new fleet in Portland, Maine. Great to see these guys and we hope to see them all next year. The big mystery of the weekend was whether or not the wind would stop whirling around in circles. Ray Harrington apparently was able to find some clues as he finished 1st overall followed by George Deyett, Moe L'Heureux, Bruce Atkinson and Larry Colantuono.

In the fleet regular series Steve Gregory took first in the Spring Series, Walter Colantuono first in the Summer Series, and Ken Deyett Sr. took first in the Fall Series. Steve Gregory is the new fleet champion. Congratulations to the New England District Secretary, Norm Deyett!

Finally all the mysteries are revealed. The boys do come out of the fog and take a 25th in the Blue fleet. Great going George, Ken, and Moe! The last mystery of the season, it's a boy! Look out Sydney, Ken Deyett Jr. is the newest addition to Fleet 273!

After the record setting spurt of growth by Fleet 274 in 1989, the '90 season was one of consolidation and accommodating that growth. In response to the healthy boat numbers on the line each Saturday and Sunday, as well as the good sailing conditions early in the season, we went to a three season schedule, spring, summer, and fall. New sailors Tom Emch as well as George Adams gave the veterans a hard time and showed what kind of stuff the "class of '89" was made of. Tom went up to Nashville and won the "Tennessean" regatta early in the season.

Travelling out-of-town has always been a big part of Fleet 274 activities. This year saw trips to the Sugar Bowl Regatta by Bill Baxter, Bill Baxter III, and Roy Robbins; St. Pete by Crit Currie and Bill Baxter III; the North American's by Crit Currie again; our District Regatta (five boats); Cajun Classic regatta in Louisiana by Bill Baxter with Roy Robbins and Ken Davis as crew; of course the Muddy Rudder in St. Louis by Bill Baxter and Roy Robbins; the Red Flannels by Bill Baxter III; and the venerable Blue Nose in Nashville which always attracts five to ten Fleet 274 sailors, as well as several other regattas in our region.

We welcomed Herbert Cochrane as a new skipper this year; Herb bought Roy Robbins old boat so Roy could bring the famous *Show Boat*, into the fleet after its stint at the '89 New York Boat Show along side Lightning No. 1.

Our two big events of the year, the Hernando DeSoto and the Cotton Pickin' Regattas in May and September, attracted 24 and 20 boats respectively. Warren Lewis, Cully Ward, and Bill Hofmeister, took 1,2,3 in the May regatta, while Cully Ward, Bill Hofmeister, and Bob Cotton placed in the season-ender. Fleet 274's Tom Emch held up our honor with a fifth place in the Cotton Pickin'.

For the second year in a row, Fleet 274 hosted the Mississippi Valley District Junior Championships. The event was again ably conducted and organized by Cecile Baxter with family help. To make the duplication complete, Fleet 274's Peter McDonnell took top honors. Toby Heisler of Carlyle Sailing Association was runner-up.

A new event caught on in Fleet 274 and Delta Sailing Assoc. which should prove more than a passing fad — moonlight sailing. Organized by Mary Jane and Roy Robbins, the first of the two sails was held under June's full moon. Clear moonlight, flashers on the buoys, and flashlights on the mast of each boat made it all work and provided a unique new dimension that many sailors had never experienced.

The 1990 season in Wellfleet showed great participation and growth for all of the sailors in the fleet. The fleet regulars were giving each other a run for the gun each weekend, and the weekend trophies were well distributed among the boats.

In July, Curt Felix started his winning season by capturing the Commodore's Cup, and Stuart Nickerson picked up the Tea Cup. Mid-July, three Wellfleet boats raced in the New England Districts, Stuart Nickerson won the Regatta, C.B. Currier came in 11th, and Curt Felix brought home a 12th. At the end of July, Mark Schiffenhaus, who also sailed consistently well through the season, won the Fox Trophy.

In August, the Lasers were rigged up for the Coffee Cup series. Deter Zschok, a new comer to the fleet, won the series edging out a competitive fleet. Good to have you on board Deter! The Cutting boat returning for August certainly didn't hold back, as Steven Cutting won the Wellfleet Regatta; second place was taken by Mark Schiffenhaus. The Frazier Trophy was won by Flip Felix.

The Labor Day Weekend Cutting Memorial Trophy was sailed in varying conditions with moderate breezes from the SE, and heavy gales from the NE. Traditionally a fleet regatta, this year the Trophy was won by a fleet friend John Hughes, but not without a strong fight from the Cutting brothers.

Curt Felix picked up all of the overall season trophies including the Saturday, Sunday, July and August series. Any guess who the Fleet Champion is? Congratulations Curt! Flip Felix swept up second places for the Saturday, Sunday and August series, and Mark S. came in second for July.

It certainly seems to hold true that each year there are almost as many fleet racers as there are spectators. 1990 marked the season of true comfort as a new deck was added to the boathouse in appreciation for their loyal support. Wellfleet is anxious for the 1991 season, and hopes that we will continue to see our fleet grow in numbers as well as in visitors, the hospitality is unsurpassed!

Imagine if you can a Lightning cutting through the water under a freshening breeze, riding a little low, with her waterline several inches under. The spinnaker is pulling hard as the three foredeck crewmen work at all sorts of important matters. The five middle crew members have little problem holding the boat at the optimum angle of heel. With the help of some grog, they are able to sing some full-throated salty tunes. The skipper does not need glasses to protect his eyes from glare off the sails or water. The moon, though nearly full, is easy on the eyes.

Imagine if you can the calm owner of the boat on this moonlight cruise as he sits watching over his children, on shore. Maybe it's a good thing he wasn't there to see it all.

Here we have yet another example of fleet 283 getting the most out of a regatta weekend.

The fleet has been quite busy this year. Jerry Neuburger had a good season winning the Memorial Day Regatta, Seattle, and is this year's District Circuit Champ. John DeBenedetti won the Firecracker Regatta in Klamath Falls, the Pacific Coast Championship and the Wendel Harter Family trophy.

Philip "Hap" Parshley was the winner of the Vancouver Lake Regatta and won the Districts.

Lisa Parshley won at the Harvest Day Regatta and won Woman's Districts.

Philip Parshley Sr. won Master's Districts.

And fleet 283 managed to win the team races again this year.

All in all we had a good year on the water and enjoyed the friendship of fellow Lightning sailors.

1990 was an exciting year for our Fleet with two new boat owners, Tom

and Debbie Moody and Bob Turnau joining our Fleet. Both were very energetic and active all summer.

Our Annual Spring Regatta was held the first weekend of June, and as usual was very well attended. This is the first regatta of the summer on the N.E. District schedule and we are usually blessed with great sailing. The top five were Stu Nickerson, Jody Lutz, Kip Hamblet, Larry MacDonald, and Bill Fastiggi. The regatta was shortened to four races on Saturday, with Sunday seeing 35 knots of wind.

Two weeks later, four of our boats travelled to Lake Bomoseen for the "Maple Leaf Classic". Kurt Kling, Ed Ziemer, Bob Turnau, and Bill Fastiggi made the trip, with all having at least one good race. Bill, sailing with Tom and Debbie Moody ended up winning the first place gallon of maple syrup.

Our local fleet races were generally well attended this year and we only lost one weekend due to lack of wind. The over-all series was won by Bill Fastiggi with Janice Lange and Don Brush very close behind in second and third respectively. Ed Ziemer won the Thursday Night Series for the umpteenth year in a row although Janice Lange, Tom Moody and Bob Turnau each gave Ed some good competition during the series.

One of the highlights of our season was hosting the 1990 New England District Championships in the outer day bay on July 14 and 15. It was the best attended District Championship in years with 34 boats attending. As usual, the Race Committee work was flawless and we were able to get in five good races in a variety of conditions for some excellent racing. Stu Nickerson of Wellfleet won the Regatta with Brad Read, Bill Fastiggi, Georges Peter, and former Fleet member John Hughes rounding out the top five places. We want to thank everyone for coming and making the regatta so successful.

Some of our fleet members also travelled to a few other regattas this summer. Most notably Don Bush and Bill Fastiggi travelled to Rochester to the North Americans. Although neither claims to have done very well, both note that it was an interesting regatta and reports have it that Bill made his presence felt in other ways. Don, Bill and Bob Turnau also travelled to Spofford Lake where Don with crew Ann Brush and Dave Terwilliger finished second.

All in all, it was a very active season for Fleet 301, and we are looking forward to next year already with the addition of Scott Sainsbury in an almost new Lightning. We are sure that Scott will be a valuable addition to our Fleet. In addition, Dick and Bill Fastiggi have ordered new boats for next year, and hopefully we can keep their old boats in the Fleet.

If you are ever in the area, bring your Lightning and sail with us. Lake Champlain is one of the best places to sail in the US and we always welcome fellow Lightning sailors.

The 1990 sailing season at Kentmore Park brought a few pleasant surprises. Al Mast won the Early Series (no surprise), but Bob Horne and crew, with four second-places finishes out of eight races, and Doc Jim Ganley (without Doc Ted) finished in the money, too.

Tom Hopkins won the Summer Bay Race, Jack Gregg finished second and newly-married Howard Edson rounded out the top three finishers.

The Late Series was dominated by Jack Gregg, sailing with a new crew, while Al Mast slipped to second and Tom Hopkins pulled up to third place overall.

The Fall Bay Race was almost a duplicate of the one earlier in the summer; Tom Hopkins won, and Doug Hopkins narrowly nosed out Howard Edson at the finish for second place.

Individual trophies went to the following: Walbert Cup — Al Mast; Buss Neff Cup — Jim Douglass; Skippers Cup — Jack Gregg; and the Commodore's Trophy went to Tom Hopkins. The extended Hopkins family won all three Matlack Trophies in the A Fleet, while Chuck Voorhees and Ron Williamson finished first and second in the B Fleet, with Steve and Katie Gregg coming in third.

Fleet 314 also hosted another Invitational Regatta in early August, with twenty crews sharing good racing, good food, and a lot of fun.

Oh, yes, the Butt Award went to the crew of the Dirty Dog — Fred Alden, skipper. They weren't guilty of anything but "innovative sailing"!

This year proved to be a disappointment to those of us at Rehoboth who enjoy Lightning racing. Fleet participation, which had been dwindling over the past several years, continued to do so. In an attempt to turn the tide, we changed the format for fleet races — shorter races, two-man crew, spinnakers optional, etc. Unfortunately, the interest just didn't seem to be there. In order to get better fleet participation at local regattas, we changed the format for the fleet championship and counted races in various regattas. We still seemed to see the same die-hards on the race course and no new faces. Regatta participation was better than fleet racing.

We began the season with the Delaware Governor's Cup in early June. What could and should have been a super regatta turned into a major fiasco when those of us planning, organizing, and sailing failed to read a simple line in the sailing instructions concerning time limits. As a result only three boats finished the first race. You can be sure we'll read those instructions from now on! Jack Elfman finished first with a 1-1-2, followed by Bob Wardwell (2-6-1) in second and Don Delorme (3-4-3) in third. Two weeks later we hosted the Dixie Districts with twenty boats participating. There were two races on Saturday in moderate and shifting winds followed by a nice 15-18 mph breeze out of the northeast on Sunday. Top honors went to Don Delorme (1-2-2-[9]-3), followed by Steve Bachman (3-4-1-3-[DNF]), Fred Merts ([4]-3-3-4-1), Ron Grotheer (2-[9]-4-2-7), and Bob Wardwell (7-1-[DSQ]-6-2).

In July, Delaware's answer to the Olympics, the First State Games, held the sailing event at RBSA. Everyone had a good time and walked away with a medal or a trophy. We had some other fleet events over the rest of the summer and finished up the season in September with the Purnell Memorial Regatta. We changed the format of this event to a one day regatta in the hopes of increasing participation. However, the weather proved to be our undoing and participation was not what we had hoped for. We still intend to keep this format for next year in hopes of getting more of the busy sailors involved again. Fred Mertes won this event, again, followed by Steve Bachman, and Ron Grotheer.

Good luck Chris and Bob with the fleet. Hope to see all of you in Rehoboth for the Governor's Cup in June.

During the summer our fleet was not very active, but the season did give us many interesting experiences.

Our first regatta was the Keitele Regatta which Vesa Purokuru was first, Samppa J. Salminen was second, and Ari Kokko was third. The sailing weather was very breezy and Samppa capsized two times in one start. It took about ten minutes to right the boat after it had turtled and the centerboard dropped into the boat!

Ten Lightnings from Finland took part in the European Championships in Switzerland. In this regatta Samppa crewed on *Ressu* for Captain Hannu Hurskainen. *Ressu* was 7th overall and the best of the Finnish boats.

In the District Championship, Samppa and his crew Keijo Tulomaki and Tero Kotimak finished tenth.

The 1990 season at Severn Sailing Association found light and fickle winds in the usually windy month of May, then nice breezes the rest of the summer. The No Gas Regatta was won by Jay Mann with Bob Wardwell, second; and Don Delorme, third. The winds were soft and shifty the first day, then we were blown out the second day, so only two races were sailed. The SSA Spring Regatta found Don Delorme, sailing his number two boat for the first time, unbeatably fast. He won easily, followed by Mike Denning and Simeon Coxé. Delorme took this momentum to Rehoboth for the Dixie Districts where, again, he won with Steve Bachman, second. The SSA Annual was won by Bob Wardwell with Ron Buchanan, second; and Simeon Coxé third. The Maryland Governor's Cup was a five race series sailed in 10-15 knots both days, won by Simeon Coxé with Joe Friebele, second; and Fred Mertes, third. The SSA Fall Regatta found two days of nice breezes in the usually calm air of late summer (we'll take it!). The results of the regatta came down to the last weather leg of the fifth and last race and a virtual dead heat finish with Simeon Coxé winning it by about a foot. Mike Denning was second and Don Delorme, third. And speaking of dead heats, second place in the Frigid Digit was a tie between Matt Fisher and Jody Swanson, and the committee had to dig down to the third level of tie-breaker rules to separate them. Jack Elfman won the regatta, Matt, second; Jody third; Peter Hall, fourth; and Bram Palm, fifth. 38 boats participated in the annual event which always draws good competition. This year C.B.Y.R.A. debuted its Olympic Regatta and although Lightnings showed a small turnout this first time we're hoping for more next spring. Fleet 329 saw a half a dozen new members this year and some improvement in the "on-the-water" numbers over last year so we're optimistic toward an upwrd curve developing. We are all, of course, eagerly anticipating our being the hosts and hostesses of the 1991 Worlds in June. Look for our regatta schedules in upcoming issues of *Flashes* and come join in the fun!

Our "Welcome Lightnings" banner brought out our skippers and crews for another enjoyable year of sailing competition and comradery. We needed another banner, "Welcome Winds," to induce the breezes to blow with a little more gusto. The race days for 1990 were too calm. Any suggestions from other fleets on how to coordinate with nature for greater wind velocity would be appreciated.

At the Memorial Day Weekend business meeting, the race dates were set at nine beginning with a warm-up on July 1 and continuing each Sunday through September 2. The one exception being July 28 and 29 which were reserved for the New England District Junior and Master Championship races on Big Squam. The season was divided into a July series and an August series to accommodate the schedules of our skippers and to increase the rewards of competition. We agreed to continue the policy that the winner of the Fleet Championship Cup would be ineligible to hold any other cup as a means of sharing the competitive fruits, encouraging participation and ensuring that all the trophies are polished each year. After several trips to the doughnuts and coffee table, the Treasurer reported that the Fleet was still afloat, "where upon, the assembled voice to adjourn the meeting before the subject of increased dues could be raised.

In July, Marty Riehs consistently pulled away from the pack to win the series. During July, we trained new crew, tested out new equipment, broke old equipment and fine tuned our strategy for the August Series.

The New England District Junior and Masters Championship race weekend was greeted with light winds and the Fleet greeted a light attendance in both classes. The Juniors and the Masters raced together and the Juniors won all the races (the Masters, to a person, agreed the Juniors had a weight advantage in the calm waters). At the Saturday evening buffet, the Protest Committee (Dwight Gertz, Pat MacQueen, and Fred Bagley) deliberated long into the evening through many desserts to resolve the day's protest. The perpetrator, now safe under the Fleet's witness protection program, 720'd immediately after the incident leaving a melee of shouting skippers to disentangle and reset their courses. By the start of the Sunday races all seemed to have been forgiven. Emerging as the Masters Champion was Marty Riehs who gave all the credit to his well seasoned crew. Chris Wright of Bomoseen Yacht Club was crowned New England District Junior Champion.

Each year the Fleet sponsors the "Around The Lake Race" for all sailing craft on the lake with the proceeds donated to the Loon Preservation Committee. This year's race was a study in contrasts. A fast spinnaker start ahead of a steady breeze blew the boats to the mark far out into Sandwich Bay. Of course the wind died just as everyone started back making for a torturous return, especially for those gamblers attempting to shoot the narrows past Utopia Island. Marty Riehs and his crew, who, by then, were really on a roll, finished first in the racing sailboat class winning both the race trophy and the Custance Cup as the first Lightning. For the Lightnings, Ted Burr was next across the line followed by Dave Closson. Noah Hotchkiss, sailing a Super Sunfish, was first in the recreational sailboat class followed by Nate Gore and Bob Jones in a CL 14 and Phantom, respectively. The day was beautiful for sailors and bountiful for the future of the Loons.

The last three races of the year determine the winner of the Closson Cup. Sunday of Labor Day Weekend was bright, clear and crisp, as was Dwight Gertz and his crew. They captured the cup going away winning the first two races handily.

After conserving his energy during the July series, Bob Ayotte, with Marty Waks as his first mate, consistently finished at or near the top during

August to win that series and the Fleet Championship Cup.

Race Committee persons (whether conscripted, impressed or volunteered) are precious! We thank Len and Irene Fauser, Bob and Boo Ayotte, Eric Kemp, Kix Russell, Jim and Ilona Sherratt, Puggy Burr, John Bennett, Chick Ackley, Dwight Gertz and Ginny Wells — a spinnaker salute to you and a host of unsung heroines and a few heroes!!!

We wrapped up the season with our annual potluck dinner in the Captain's Quarters. With skippers, crew, family and stalwart friends gathered to enjoy favorite dishes, we reminisced over races won and lost, honored our Fleet Champion and Cup Winners, and elected Dan Kemp captain to skipper the Fleet through the 1991 season.

The summer of 1990 was like many summers on Long Beach Island. The common factor was the weather. Rainy on Fleet racing weekends, blistering heat on early regatta weekends, and chilly on the later regatta weekends. Sound appealing? It should, because the other common factors were fun and great competition. But enough about the race to the cocktail party, let's get on with the matter of sail boat racing.

The biggest event for the B.L.Y.C. Lightning fleet is the annual regatta. Topping his second place finish last year, was John Faus with an impressive 1-1-1. His all-star crew were Doug Vogt and Joe McGinnis. Coming in a close second with a 2-2-2 (seeing any pattern yet?) was Holly Faus. Her crew did a terrific job considering that they arrived at 5:00 a.m., direct from the N.A.'s. Third place honors were captured by Paul Wood and his crew.

The Fleet series finishes ended up as a regatta look-a-like. John Faus took the big silver, Holly Faus was second, and John Demming picked up the third place title.

Along with these results, there was much fun had by everyone. None of which would have occurred without the help of a dedicated race committee, and we all would like to thank them. Fleet 335 is expecting even more great sailing in 1991.

Unfortunately, repairs to the dam left us with insufficient water to hold races this summer. While we all chomped-at-the-bit, the danger of lodging a centerboard into one of the water-logged stumps that line the bottom of the lake was simply too great. Fortunately, everything looks good for next year.

The 1990 racing season was one of the best in recent years. Our Spring Series had the best participation and nailbiting finishes with Marty Headlee taking top honors followed by Karl Suter and Ken Wallace. The Summer Series was won by Karl Suter followed by Tom Wynn and Ken Wallace. The wind picked up for the Fall Series with Karl Suter finishing first followed by Tom Wynn and Ken Wallace. In general the fleet's performance has improved significantly making close, competitive racing the norm and generating lots of excitement for those who participated.

The fleet held an invitational race day for non-fleet Lightning owners in the Atlanta area to promote the Lightning Class and our Fleet. The event brought four visiting boats and despite the lack of wind was a great success.

The highlight of the year was the 1990 Atlanta Cup. Good weather and 26 boats made for a spectacular regatta. Lenny Krawcheck won followed closely by our fleet's Marty Headlee and Ken Wallace who placed second and fifth, respectively.

Much of our fleet's enthusiasm is due to our fleet's newest members, Karl and Pam Suter. Not only did they increase the level of competition within our fleet, they placed sixth in the Districts, won at Lake Norman, placed fourth at Augusta, and took an overall fifth Southeastern District Regatta Circuit.

We are currently looking forward to the 1991 racing season with another new fleet member, George Sutton, and several other prospective members in the wind.

We started the new season with a social event. Hanspeter Schmit and his family invited us for a nice evening at his home in Riggisberg. Thank you Hasu and Annemarie!

Our general meeting was held in April. We had a fine dinner and organized our activities.

In May we had the "Pfauencup" our Swiss District Championship. On Saturday there was a strong western wind. Schar capsized in the first and third race, Scharer in the first and second and Luthy in the second. They all capsized in good positions with spinnakers. Where is the training!?! Saturday evening we organized the traditional "Raclette" (a Swiss cheese specialty) in the clubhouse from sailing club Murten Sunday morning we sailed two races but with light winds. Wyler-Durr-Durr won the series in front of Schar-Huber-Schar.

At the Europeans on Lake Biel we had the biggest fleet with seven boats. Only the Italian Pelizarro could beat our District Champion, U. Wyler and the Runner-up U. Schar. With Schmid-Zeier-Gerber sixth and Wuethrich-Markau-Mori eighth we had two other boats under top ten. After the opening ceremony we organized a boat cruise to Lake Murten with a visit in the historical city and a dinner on the way back. All the competitors enjoyed this event very much.

In September we had our Fleet Championship at "Criterium Aventicum". With light winds from the north we could sail four races. We have only four boats, but we had strong competitions and enjoyed it very much. On Saturday evening Annie Wyler and Ruth Baumgartner prepared delicious soup and sausages, thanks!

After Christmas two crew from our Fleet went to Marsala (Sicily) for the European Winter Championship. Marsala not only has good sailing conditions, it also is an enjoyable start for the New Year. We wish you all a good 1991.

12952 — Fleet 358 Captain Stefan Scharer. 13790 — Urs Wyler.

Our 1990 sailing season began in late April, however, it was not until about one month later when our club hosted the Springtime Sailing Regatta, that sailing activity really came to life. This year's regatta had the best Lightning turnout in many years with seven boats competing in the five race event. Included in the turnout was a boat from our neighbouring province of Alberta — a first to our knowledge.

Activity within our fleet was up this year, with our Tuesday night series attracting a steady four boats. Interest within the class was also up with several people inquiring about the availability of used boats. This led to one additional boat joining the fleet, and we look forward to the challenge of

finding more suitable boats for prospective new Lightning sailors in the new year.

Two boats from our fleet attended out of town regattas this year. Neil MacGibbon borrowed his old boat — 12158 — and attended the Pacific Coast Championships in Klamath Falls, Oregon in early July. Although he brought home no hardware, he felt that if he had not been so darned consistent in the “over early” department things may have been different! The following weekend, Bob Bazett attended the District Championships in Eugene, Oregon where he managed to garner a fourth place finish following two days of great sailing conditions — if you don’t consider the wind shifts. As a final event of the 1990 sailing season, both Neil and Bob hitched up their boats in early October and hit the road for Seattle. Unfortunately, the weather was not co-operating, not only was a significant amount of snow and slush encountered on the mountain pass, but only one race was completed over the two day event due to very light to non-existent wind conditions — what sailors will do to have fun!

Plans are already being made to host the 1991 Pacific Northwest Lightning Districts. This will be a first for our fleet, and we look forward to this opportunity which should also act as a catalyst for even more interest in the Lightning Class on a local level.

The season was one of “Class rebuilding”, at Hudson Yacht Club, after a hiatus of ten or more years. Lightnings showed the keelboats what fun could be had in a centerboarder, and we hope for more converts next year.

Throughout the summer we had help, fun, and good sailing when visiting our neighbor Fleets, 215 and 499. In August, we enjoyed organizing a “Pot Luck Regatta” for all Lightnings in the District. The wind failed to attend but the socializing was great! The following weekend Tony McBride of Fleet 499 put Lightnings to the fore by winning the “Long Distance Race” at Hudson by outsailing other Lightnings and zzo keel boats!

In contrast to last year, the 1990 sailing season for Fleet 387 provided many windy days of exciting sailing. An average of seven to eight boats raced each weekend with many close finishes. However, in a replay of last year, Al Becke edged out Ron Wilson for the Fleet Championship in the final weekend of the season.

Fleet 431 started the sailing season with the Annual Flag-raising ceremony on May 26th, with the first race of the Championship series taking place on Saturday, June 2nd. Throughout much of the season, seven to eight boats raced during the Championship Series, while the Wednesday Night Series had approximately eight to ten boats on the line each Wednesday. The 1990 season was competitive, with the final outcome of both of the series remaining undetermined until the last two days of racing.

In the Championship Series, John Halsey in 11071 put together a series of consistent finishes to take the Fleet Champion trophy. Second place was a closely contested race between Bruce Hendry in 12480, and Richard Warren in 14138. At the final tally, Bruce took the Runner-Up trophy. The Wednesday Night Series again showed the competitive sailing that takes place at Southampton, with John Halsey again finishing in first place. Fleet Captain Michael Irving in 14032 showed off his sailing skills, and took the Runner-Up position for this series.

The Early Season Trophy was won by Richard Warren, and the Late Season Trophy taken by Kent Rydberg in 14033. The Time Allowance Trophy was taken by a Patience Williamson, who was a first-time skipper in our racing series.

The Independence Day Regatta held in early July was won by Hugh Halsey, and the Labor Day Regatta was won by Timothy Rumph in *Seahorse*.

Southampton Yacht Club hosted several other regattas over the course of the 1990 season. The Southampton Spring Classic had eleven entries, with boats travelling from as far away as Massachusetts, Vermont and Connecticut. After two days of competitive racing, the winners trophy was taken by Ched Proctor from Connecticut. The Fall Classic had a larger turnout, with eighteen boats racing in typical Southampton southwesterly breezes for two days. Timothy Rumph showed off his sailing expertise, taking home the first place trophy.

Kent Rydberg, Michael Irving and Richard Warren represented Southampton yacht Club in the Area B Eliminations for the Mallory Cup, taking first place. They went on to compete in J-24's in Lake George, finishing fourth.

Timothy Rumph and Richard Warren both travelled to the 1990 Lightning North Americans hosted by the Rochester Yacht Club, Rochester, New York. Tim Rumph sailed well, qualifying for the Blue Fleet, and finishing 21st overall.

If you are looking for competitive Lightning sailing and a group of people who like to have a great time, plan on making one of Southampton Yacht Club's regattas, where you will learn what it is like to sail in the clean waters of Shinnecock Bay with steady southwesterly breezes. We hope to see you there!

Sailing on beautiful Lake Ray Hubbard, Fleet 435 had a 1990 season of good competitive sailing. Although we lost a few fleet members, we gained a few which we feel will greatly contribute to our fleet activities. We welcomed Paul Harvener into our fleet, who is the proud owner of Lightning 10014. Long time Lightning sailor Craig Anderson moved to Dallas and started racing with our fleet. Kurt Schuler bought Lightning 13953 from Warren Lewis, (his ex-skipper), and is now racing his own boat competitively. Warren bought a beautiful new boat, Lightning 14428, and is racing fast with a new crew. 1991 promises to be a very competitive season for us, with an enthusiastic and growing fleet.

The Texas Districts were sailed in June, with Richard Guinan taking home the championship. Dr. Sylvan Newman sailed an excellent series and was runner-up, followed by Warren Lewis who finished third overall.

The fleet hosted our annual Springfest Regatta in April with over 50 centerboard boats competing on two different courses. The regatta had Lightnings, Thistles, Snipes, Lasers, McScows, and other classes competing. We invite any interested Lightning sailors to visit Dallas and race with us in April of 1991. The regatta is growing every year and is always a good time.

Fleet 435 continues racing at Rush Creek Yacht Club located just 15 miles east of downtown Dallas. The fleet has now been racing here competitively for over 20 years. We plan on being here for years to come and invite any new prospective fleet members to contact us regarding our fleet activities.

1990 was one of those good news/bad news years.

Although we did gain two active new fleet members, and had a LIGHTNING presence in several races and regattas, our Fleet Captain was sailing with his youngest son Ward as crew and picking another as possible, he could never get "SERIOUS" as his middle crew, Bob Rodermund was killed in a tragic traffic accident.

But on the flip side, we are anxiously awaiting the 1991 season with four new competitors: Kenneth Peters, Charles Henshaw, Joe Shine (Chief Deputy Attorney General of South Carolina), and Brewer Leggett.

1990 Fleet awards: Fleet Champion, 13123, Kenneth Peters; 2nd place, 12712, Ed Colie.

The 1990 season was rather stormy and windy. The annual Lighthouse Regatta was cancelled in June due to extremely high winds and even a Saturday night tornado in Fond du Lac. The series was sailed in August with Paul Wurtzbaach winning the shortened three-race series.

The summer season came down to the wire with Jeff Johnson just barely edging out Sue Dorscheid by a fraction of a point. Since Mike Elmergreen let wife Sue race the Lightning, he tried a Laser and came in third in the Portsmouth Fleet.

The holiday series was easily won by Sue Dorscheid with all firsts. Jeff Johnson took second and a 470 placed third.

The Lightning Fleet is still small, but we finally are seeing some new potential prospects.

Dear friends, this year for my fleet has been very important, because it has seen many young sailors approaching the Lightning Class with enthusiasm, so the tradition of Lightning Class for our Fleet is guaranteed for many years to come. We have 12 wood Lightnings in our fleet. This is the largest fleet of wood Lightnings in Europe.

This year our fleet sent five Lightnings to the European Championship in Switzerland, and we finished ninth, tenth, eleventh, fourteenth, and seventeenth. Marcello Attina, Rallo, Spano won the Italian Championship, and Vitaggio, Pulizzi, Ottovaggio were second.

The most important event for my fleet was the Junior World Championship held at the Buffalo Canoe Club in Canada. Mario Noto, Tripoli Piero, Tramati Giuseppe were fourth and Stefano Reina, Paxia Massimiliano, Antonino Di Benedetto were sixth.

Fleet 450 held the State of Maine Lightning Regatta in honor of Bob Foster this year. Bob had been the man to hold our fleet together for the past ten years. When he passed away in February, 1990 we wanted him to be remembered by all. The weather was exceptional compared to years past. We were able to get in six races, all of which George Deyette, of Massabesic Yacht Club, came in first place. Twelve boats attended, four of which were from Maine, which is the largest turnout we've had from our state in 11 years. We plan on holding the State of Maine Lightning Regatta on July 6-7 next year and we hope to double the turnout of this year.

In Finland the spring 1990 came a month earlier than usually. Also Lake Tuusulanjarvi was open already in the end of March. There was warm weather and good winds during April, but our boats were sleeping under their covers after the winter. This was pity but we have not used to start so early. However spring seems to come every year earlier and earlier so we must change our habits and be ready in April. This makes our season one month longer.

So we started 1990 sailing in May on lake Tuusulanjarvi. Our fleet organized a sailing clinic with Finland District on Saturday 26th. The weather was not favourable and only four boats participated. Anyhow this was important because five boats from our fleet planned to participate to the European Championships in Switzerland. And that also happened. Asko Autio, Jaako Herttua, Leo Korhonen, Hartti Nisonen and Pertti Pyy with their crew travelled to La Neuveville competing with other European Lightnings. Leo Korhonen with crew Anne-Marie Korhonen and Kari Salenius placed 12th in results. Nisonen was 15th, Autio 24th, Pyy 26th and Herttua 27th. Next year we will do better in Italy!

In the middle of August six Lightnings from our fleet sailed in the District Championships which were organized by Kallan Purjehtijat. Again Leo Korhonen with Anne-Marie and Rainer Korhonen placed best from our fleet. They got the silver medals even if they capsized in the fourth race. Congratulations to Korhonen family! Hartti Nisonen with Juha and Asko Hamalainen was 4th. Pertti, Leena and Maija Pyy were 6th. Jaako Herttua with Niko Lappalainen and Pasi Hannila was 7th. Asko Autio with Antero Uitto and Pekka Penttinsaari was 8th. Antero Punttila with Jaako Usva and Timo Evila was 13th. Not so bad results from fleet 456.

Ville Lahtinen, who was third in the 1988 World Youth Championship, participated with his crew also this year to World Youth Championship in Buffalo. But this time the conditions were a little bit strange and the success did not come.

Our Fleet Championships were divided in two parts, consisting of: On the Rocks Regatta and Autumn Regatta. The new Fleet Champions are Jaako Herttua, Niko Lappalainen and Pasi Hannila with their boat

*Aiolos* which is a Greek name of the God of winds.

As you can see above the list of boats in our Fleet are 12 Lightnings all in good condition. However only half of the fleet are sailing the same time. This is because we have not enough crew members in our Fleet. For next year we try to find new active sailors to our boats so that we can get more boats out of the lake to enjoy sailing.

*Fleet Captain Hartti Nisonen with crew Juha and Asko Hamalainen going out during the District Championship 1990.*

During November, 1989, Dick Coburn purchased Greg Fisher's Lightning 14252 and Vivian Hollinshed purchased another Lightning 14247, from Bill Sloger.

Eighteen races were held during the summer and there were good winds for all the races, stronger in the earlier part of the sailing season and tapering off some later in the year.

The winds for the Southeastern District races were the poorest for the entire year, but Lenny Krawchek solved the problem, winning in fine form.

The prospects for new members seems very good at this time as two members of our sailing club have expressed interest in a Lightning and other Lightning owners have made inquiries about joining our club and fleet.

Fleet 481 opened its tenth anniversary season in January with a rousing party at the home of John and Carol Pelosi. In the midst of the festivities there was a more or less formal meeting, at which a plumed hat and ceremonial sword were bestowed upon newly elected fleet captain, Kent Mullikin. The fleet also welcomed as boat owners Henry and Avid Bridgers, who fell for Lightnings while crewing with Billy Dixon.

In February, Tom Hudgens generously lent his boat as the centerpiece of our display at the North Carolina Boat Show, and a number of fleet members took turns telling passers-by of the pleasures of Lightning sailing.

Our March activities began with an evening seminar on the racing rules. Late in the month Ched Proctor stopped off on his way home from the Midwinters to spend a day with us on Kerr Lake, tuning boats, giving tips on sail trim, and running some short practice races.

Our local club season began in April. Lightnings constitute one of the largest and most active fleets of the Carolina Sailing Club, which holds monthly regattas on Kerr Lake, April through October. At the season's end Kent Mullikin held a slim lead over John Pelosi.

In addition to sailing with the Carolina Sailing Club, Fleet 481 sailors led by Southeastern District Commodore John Pelosi, were more active than ever on the District Circuit. We were represented at all ten of the sanctioned district events, and seven boats sailed enough regattas to qualify for the season standings. A social highlight of the district season was a moonlight lawn and croquet party chez Pelosi during the weekend of the North Carolina Governor's Cup in June.

Our year ended gloriously the last weekend in October with the tenth annual Borderline Regatta at Henderson Point on Kerr Lake. A record number of 41 boats from nine states turned up for the Borderline, sailing two tricky light air races on Saturday and three in 15-20 knots on Sunday. Dick Hallagan came south from Rochester to win it, beating out Jim Carson and Tom Allen, Jr. Our own John Pelosi shanghaied Ched Proctor as crew and took fourth. We rented the vacant buildings or the nearby Kerr Lake School for a Saturday evening social hour, dinner, and dance. The whole fleet pitched in to make this regatta a success, and we'll do it again in 1991. Come sail with us!

The Port Oswego Lightning Fleet celebrated it's first 10 years of racing this year. Fleet 485 has grown in many ways since those Sunday mornings when Jim Finn, Bob Finn and Ed Taverni met at the boat houses to race their Lightnings. Bob's newspaper reports of those Sunday fleet races, made the community aware of sailing as a competitive sport. The articles sometimes made Oswego appear as the site of Americas Cup competition! Bob's articles captured the interest of many, some even chose to join the fleet. Joe McCloskey's love of sailing and his competitive spirit saw the Lightning Fleet as a way to improve his sailing skills and spend time on the water. Fran Watts crewed in one race, bought a Lightning, then began to show us what is meant by "Jungle Sailing". Tom Doran liked out Fleet trophy so much, he sold his Thistle, bought a Lightning, taught us how to race, and forced us to learn the rules. Art Tirrell sailed into Oswego one day on a Finn, talked to Joe McCloskey, bought a Lightning, and never left, except to go to Lightning regattas. Frank Palmer and Jeff Germain crewed for a few years then each bought their own Lightnings, which helped build the fleet. Bill Pirillo bought the Fleet Champion's boat, and brought with him an attitude of how can I help? Which is the foundation of any successful Fleet. Most recently Bram and Jean Palm joined Fleet 485 and brought with them a lifetime of sailing experience. Bram has been the Fleet Champion for the last 2 years, and Jean was runner-up last year. Jean also won this years Womans North American Lightning Championship, just three

*At the mark it's Skip Wilday, Art Tirrell, and Jimmy Allen — 60 boat Michelob Lightning Regatta.*

weeks after giving birth to a baby girl.

The growth of Fleet 485 has also been helped by Mark Purcell, Clay and Pam Murphy, Jed Dodge, and our newest member Nick Canale. The future shows promise also, as two future members, Sara and Alison Finn, twin girls, were born to Bob and Wendy Finn this Spring. Team Finn should be on the race course soon.

Lightning Fleet racing began this year with the annual Mayor's Cup Regatta. This regatta has traditionally been our tune-up race for the new season, and in keeping with tradition Tom Doran won the Mayor's Cup, with Bram Palm, second and Art Tirrell, third.

Our racing program consisted of a spring, summer and fall series. The Spring Series was won by Bram Palm with Tom Doran runner-up. Art Tirrell received his new boat in time to win the Summer Series with Jim Finn as runner-up. The Fall Series was raced in a cloud and when the dust had settled, Tom Doran had won and Bram Palm was runner-up.

The Fleet Championship was determined by the overall low point scorer of all 3 series. Bram Palm won the Fleet Championship for the second year in a row, with Tom Doran runner-up and Jim Finn, third.

The second weekend in August saw the arrival of 60 Lightnings in Oswego to compete in the annual Michelob Lightning Classic. Fair weather with varying winds gave competitors a mixed bag of sailing conditions. When Saturdays races were complete the Mich Clash began with Lightnings sailing up the Oswego river to collect numbered blocks, which would correspond to numbers drawn lottery style after dinner. Prizes were supplied by Dennis Dorsey and Eagle Beverage. Fran Watts did a great job organizing the event which helped bring Lightning racing into the heart of Oswego. When Sundays racing were over Brad Reed had won the regatta with Bram Palm winning the Lake Shore Lightning Squadron trophy. Much thanks goes to Jim Finn, Joe McCloskey, and Bill Pirilo for co-chairing the event.

With the sixty boat Michelob Lightning Classic, a Fleet racing program that consisted of 48 races, getting race committee to cover fleet races, organizing cookouts after races, and always attempting to keep Fleet members working together; Fleet Captain Ed Taverni is to be commended for directing a very successful year of Lightning racing in Oswego.

Lock and Dam 26 on the Mississippi River forms Alton Lake. Fleet 486 located at Valley Sailing Association actively races on Sundays and Wednesday nights. All Lightnings can join us for the Governors' Cup and Muddy Rudder Regattas later in the year. The 1991 Muddy Rudder is scheduled for the weekend of September 7-8....Start your watches!

The 1990 Mudder Rudder Regatta was held the weekend of Sept. 8-9. 13 boats entered this year as Dan Busher from Nashville took home first place honors. Bill Baxter of Memphis edged out Rick Conaway in the final race for second as Rick took third. Another Memphis visitor to join us was Roy Robbins. We hope all of our friends can join us again in 1991.

Congratulations go to Rick Conaway for winning the Governors' Cup in convincing fashion. Rick's four bullets in five races smoked the fleet. The first four races on Saturday were in good wind, the Sunday race was a drifter. Fran Renschen was second and Jerry Wnorowski took third.

We extend a welcome to new fleet 486 member Don Dellerman and welcome back old friend Wayne Watson who rejoins us via Washington, D.C. and Florida.

In spite of light air and the busy schedules of many fleet members, the 1990 season was a good one for fleet 491. Each of the 13 races put on by the Nockamixon Sail Club had one to five Lightnings on the starting line. Our fleet grew this year with the welcome addition of Brent and Barbara Benson. Brent and Barbara previously raced a Jet 14 in the Nockamixon Sail Club's handicap fleet, but bought a Lightning last winter after realizing what a great boat it is. The change must have agreed with them since they won the fleet championship for the 1990 season. Joe Rogan took the runner-up trophy this year. Joe was unable to attend many of the races, as a new marriage and buying a house kept him and his wife Tammy busy. Fleet 491 congratulates Joe and Tammy and hopes to see them on the starting line more next season. Charlie Shoemaker and Bob Blalock battled it out for "middle of the fleet" honors throughout the season. A new job and move kept Tom Davis from a lot of racing, but we hope to see him back on the course next year.

1991 promises to be one of the best seasons yet. Several new Lightning owners in the area have shown interest in joining our fleet. Joe promises to try to attend more races. Charlie has solved some mechanical problems and Bob is working on better light air performance. All this is going to add up to some keen competition and a great season next year for fleet 491.

1990 was a memorable season for Fleet 499. We added two boats and lost one for a net gain and a total of six boats. How we grew is because of a combined fleet 215 and 499 effort to recruit new Lightning sailors. We asked the local YMCA to sponsor and advertise an information evening for those interested in learning about sailing and Lightnings, it worked! We gained a total of 5 new club members and two boat owners. Remarkably, one new owner and his wife came in as crew and by mid season were so impressed with the Class, bought a fleet member's boat which the previous owner replaced with a "Fastiggi special."

Our neighborhood grew as well, Don McDuff, Ross Leverette and Ted Bowser from Hudson Y.C. created a movement that resulted in the rebirth of fleet 376. They had us up for a fabulous barbeque and race-day which cemented friendships and generated interest in the class among the many ex-keelboat sailors at Hudson.

On the local front, Tony McBride won the 1990 fleet championship, placed highly in many out-of-town regattas and continued to wax enthusiastically about Lightnings. This year Tony qualified for the N.A.'s in Rochester but due to a crew union wildcat strike had to give it a miss.

Tony also loaned his new boat to the Junior World's and was rewarded with an invitation to guest-sail the Lake Erie Districts where he sailed well and unofficially finished "near the top ten."

Pointe Claire Y.C./Fleet 499 members were welcomed and billeted her sailors throughout New England and New York areas. Collectively we thank all our new friends and look forward to returning the favour, so come on up anytime.

Seasons highlights included visits to Henderson Harbour, Hamilton, Cedar Point, Hudson, Buffalo Canoe Club, Coral Reef and St. Petersburg Yacht Clubs where we enjoyed fabulous racing, excellent race committees, stunning varieties of winds and conditions, memorable meals and many glasses of cleansing aie!

Mostly we relearned what we forgot in the winter — it's a slow learning curve for most of us, and we had a heck of a time while we were about it!

A special mention to Hamilton Y.C. for running an excellent Canadian Open and to their master of ceremonies, Keith MacDonald for turning the prize-giving into high entertainment. Tenth place finisher, Mark Bryant gave the best acceptance speech of 1990 and reminded us that this racing game is a game, not brain surgery and none of us needs to shout or pout. Congratulations are in order to David Starck who is the new Canadian Open Champion, and his crew of brothers Tom and Mike Montani, they were worthy winners. Way to go guys. Elect Keith MacDonald for Prime Minister!

Fleet 499 1990 ILCA Awards: Best Lobsters — Cedar Pt. Y.C. (thanks Sarah & Fergus); Most Food — Hamilton Y.C.; Best Water — Cedar Pt. Y.C.; Coldest Beer — Henderson Harbor Y.C./Cedar Pt. Y.C. (Tie); Wildest Winds — Coral Reef Y.C.; Best Pool — Hudson Y.C.; Longest Drive (Summer) — Cedar Pt. Y.C.; Longest Drive (Winter) — Coral Reef Y.C.; Best Regatta — Henderson Harbor Y.C.; Best R.C. Open); Best Boat Name: "The dates from hell" — Jim Cesare; Best Capsize — Judy Lutz, Cdn. Open, fourth race, wing mark.

Now let's get together and do it all again real soon.

Respectfully submitted

Suncoast Fleet 502 struggled to make the 1990 year a success as four of our most active sailors were affected by factors such as a lengthy repair for Dave White's boat, an obsession of Gary Marshall to play golf on Thursday night sailing, a baby (James) for Clark and Leslie Higgs, and a serious automobile accident for Bill and Gail Meyer while returning from the Districts in Miami in May. Gail is now sailing again, Dave White has 13396 moving real well, and Gary seems to be getting tired of golf. Leslie Fisher is talking about getting a Lightning, but she is a busy lady sailing and selling sunfish, sailing her Dad's PHRF boat, and of course making sails. Earl Mabie has 14209 up for sale, and it may already be sold at this time.

Clark Higgs with Dave White as one of his crew, and Bill Meyer with wife Gail and Dave Michelson as crews, competed in the 1990 Districts but didn't crack the top ten. Clark also sailed in the N.A.'s as crew which may

well be his 5th straight appearance at that level. Bill and Gail Meyer placed 3rd in the Florida Triple Crown competition, 2nd at Ft. Myers Pageant of Light Regatta, 4th at Melbourne Fun for Sail Regatta, and 3rd at the Carlisle Cup in Clearwater.

In the four series 28 race Thursday night competition at Davis Island, Dave White placed second in the 3rd series, and Bill Meyer placed 1st in the 3rd and 4th series. Thursday night racing is based on Portsmouth, and the variety of one designs sailing in the same competition ranges from sunfish to E skows. Over a broad range of wind conditions, the Lightning seems to hold its own. Other classes excel in specific wind conditions, as the marks are fixed and the only change allowed is a reverse course.

The Thanksgiving Regatta hosted by the Davis Island Yacht Club is open to all who may want to join us and work off the holiday food and drink. The first race starts at 12:30 on Saturday, so you will have plenty of time to travel. Call Bill Meyer at 813-886-1962 for information (allow 2 rings only). Camping on grounds is permitted, and although the place is beautiful, the club is never formal. Bring your bathing suits, tee-shirts, and flip-flops. Guest Lightnings are especially welcome at Suncoast Fleet's sailing events.

Fleet 502 and the Davis Island Yacht Club are hosting the Lightning Pan American Game Trials on April 12-14 to select the U.S. representative. The Florida Districts will follow on April 27-28.

14084	First Strike	Michael C. Carroll
14349	First Strike	Bruce T. Kendall

The second year of the Clearwater Yacht Club's Lightning Fleet was not as active nor as successful as our first year. We quickly learned that it takes more than a year to be competitive at the Winter Championship in St. Petersburg. Our sole entry, *First Strike* (14084) was doing a respectable job until the last day when a wind gust at the wing mark turtled the boat in three foot seas. We should have realized that we were in the "Big Leagues" when we raced in 25+ knots on Saturday, at the same time the big IMS and PHRF boats out in the Gulf canceled their race.

On a more positive note, Clearwater Yacht Club placed third in the Sarasota Sailing Squadron's Labor Day Regatta thanks to the able assistance of Clark Higgs (Suncoast Fleet 502). Also Bob McCann again showed his skill in taking first place in the Windjammers Bay Series and at the Fourth Annual Carlisle Classic. However, Bob McCann, Bruce Kendall and Marc Bershaw were not as successful when the Clearwater Yacht Club hosted the FSA Championships for 1990. Some of the best one-design sailors from around the state again reminded us that it takes more than a year to be competitive in the major leagues.

Also worth noting is the success that the Clearwater Yacht Club's Youth Program has enjoyed with IODA's, so watch out you Juniors!

# Registry of Lightning Boats

(Corrected to December 19, 1990)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner is unknown. Where boat number is followed by an asterisk, it means that there is an approved Measurement Certificate on file for this boat. All boats not so marked do not have Measurement Certificates on file.

## **GIVE YOUR LIGHTNING THE FISHER ADVANTAGE.**

Winning sailboat races takes a combination of hard work and skill. Fisher Sails can give your Lightning the competitive advantage because we take the guesswork out of sail trim. We build fast, durable sails that allow you to concentrate on tactics and winning races.

At Fisher Sails we believe a sailmaker should do more than just build fast sails. That's why we're always ready to help you get the most perform-

ance out of your Lightning. Give us a call at the loft to find out more. We'd like to add your name to the Fisher Team!
