Editor's Dedication And Thanks

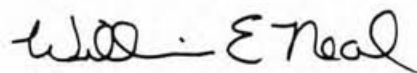

I crewed for my Mom and Dad on Lightning 909 when I was 9 months old. I crewed for Bill Van Arsdale on Silver Lake when I was ten years old. I have sailed with so many wonderful people over the years... The Lightning Class is a great family.

To all the young sailors in the Class ... you have so much to look forward to.

To the sailing and non-sailing Fleet members ... you are the Lightning Class. We all know you can sail a better race from the club house porch or RC boat than you can from the tiller, but we love them every one.

Thank you all who submitted articles and pictures. The success of our Year Book really depends on you. Andy Spodek, Mary Huntsman, Maria White, Sharon Benton, Sally and John Atkins, Jack and Chris Tibbs, Fleet and District Secretaries and authors all submitted pictures.

The Year Book could not be published without Donna Foote and her staff at ILCA. To these, as well, as all those who contributed, I say Thank You.

A handwritten signature in black ink, appearing to read "W. E. Neal". The signature is fluid and cursive, with a long horizontal line extending from the end.

President's Message

Our family's first boat was 5455, all varnish and paint. I remember crawling up in the bow and listening to the water rush by, dreaming of great adventures.

Ten years after, I went to my first North Americans. We got to stay in tents at Tawas Bay and I discovered beer. Some guy played the ukelele. We had a whole lot of fun and the sailing was good too.

Nine more years and finally I was done with school and had a job. Before my first paycheck I borrowed some money, bought a Lightning and got a trailer hitch for my roommate's Pontiac. Road trips to Green Bay, Indianapolis and Nashville revealed that the sailing is as competitive and friendly in the Midwest as it is back in the Lake Erie District. Each Monday morning I'm asked, "you did *what* this weekend?"

Some more great adventures — the annual drive south and two World's trips, Italy and Colombia. With only one race a day at the Worlds you can actually have "too much fun". Travelling is great and so is sailing but traveling *and* sailing is the best. Sailors the World over spend a few days together racing a Lightning and become good friends.

Now another ten years have passed since the Pontiac got hitched. I'm still learning how to sail and still dreaming of the next adventure. Like so many of you, I find that the Lightning has become part of my life.

As we enter a new sailing season, I would like to salute the following:

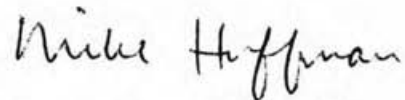

Bill Neal — whose commitment to our Class was evident long before he became Editor of our Year Book. Thank you.

Donna and Rita — who keep our organization glued together.

Everyone who worked on a regatta last year, especially those who did such a great job at one of our major championships.

Moms and Dads of all generations who have made it possible for their kids to sail.

Here's to our modest boat, which brings out the best in all of us.

Mike Huffman, President
International Lightning Class
Association

Officers of the International Lightning Class Association

PRESIDENT — Michael Huffman

Mike began sailing at the Buffalo Canoe Club in 1965. His folks raced Lightnings; he and brother Bill sailed an Albacore until Tom Fallon requisitioned Mike to complete a Lightning crew. Soon his Dad was sharing the helm on the family's boat. Mike skippered his first N.A.'s in 1974.

Mike moved to Chicago in 1982 to work and joined Fleet 5. His first paycheck was used as a down payment on a Lightning.

Wife Meg has become part of the team. They enjoy sailing together at home and around the Midwest. Mike is a trader on the Chicago Board Options Exchange.

TREASURER — Robert Harkrider, Jr.

Bob's sailing career began in 1978 (under the tutelage of his then wife Jody). He purchased his first Lightning in 1983. Seven Lightnings, a new wife Sharon, and many regattas later, they are currently residing in Augusta, Georgia. He is a past Commodore of the Augusta Sailing Club and Southeastern Lightning District. He also has served as Class Vice President. Bob is a CPA and manages his own accounting firm.

CHIEF MEASURER —

Christopher "Kip" Hamblet

Kip first started sailing Lightnings in 1959, crewing with his father on number 280. From this beginning on Spofford Lake, Fleet 145, the Hamblet family has sailed all over the U.S. and attended the World Championship in Helsinki, Finland in 1971.

The Lightning Class has been the most consistent variable in a life full of change. Kip's career changes are too numerous to mention, while stationed in Savannah, Georgia as a U.S. Army Helicopter Pilot he had the privilege of being a member of the Savannah Fleet 127. He has served as New England District Commodore, International Race Committee, Assistant Measurer and Chief Measurer.

SECRETARY — Tony McBride

Tony began sailing in a small punt his father built for him when he was only four. He graduated to Flying Juniors and then sailed in a number of classes, both as skipper and crew. He purchased his first Lightning in 1986.

With more than a little luck, Tony qualified for the 1986 North American's at Kingston and has been bitten by the travel bug ever since. He has been involved in promoting the Lightning Class as a past Captain of Fleet 499 and the current Commodore of the Saint Lawrence Valley District.

Tony and his wife Cathy live in Montreal, and sail from Pointe Claire Yacht Club, on Lake St. Louis. He is President of his own advertising agency, a responsibility he tries not to let interfere with his sailing.

THE CHAMPIONS

The first National Championships were held when the first boat was publicly less than eight months old. Nineteen boats participated, John Barnes won with three firsts.

In 1945, the Championship was renamed International; there being thirty some boats in "foreign" countries.

In 1961, the first Lightning World Championship was held and that year the Internationals were renamed once again, this time to the North American Championships.

1991 World Championship

Annapolis, Maryland - Severn Sailing Association

A View From The Middle Crew

By Kip Hamblet

June 1, 1991, thirty-nine boats representing eight countries and three continents converged on Annapolis, Maryland for the 16th Lightning World Championship. The Severn Sailing Association and Fleet 329 members did an excellent job in all respects of administrating an event of this magnitude. Many additional Lightning Class members were there to lend a helping hand, delivering chartered boats, working on various committees, being on patrol boats, etc. This speaks highly for the people in our Class and makes me proud to be associated with such a quality organization.

Our team consisted of Dave Dellenbaugh, Hale Walcoff and myself. Our first goal was to arrive in Annapolis completely prepared, everything from towing vehicle, trailer bearings, and every aspect of boat and sails was examined. We felt this was important for our mental attitudes, not to be distracted from racing. We arrived fresh with expectations that we felt were realistic given our level of preparation.

We sailed the Intergalactic "Practice" Regatta primarily to learn about the conditions. This turned out to be a challenge. Windshifts — with no particular pattern, holes which seemed to be the size of the Grand Canyon, and current. I had a feeling that the difficult conditions (which is an understatement to say the least) might improve our chances for success.

The first day presented us with 10 to 15 knots from the Northeast. No particular mind set prevailed in our boat prior to the start. Our overall strategy was to stay in the top ten, out of the corners and capitalize on others' mistakes. With these guidelines we started near the middle of the line and the first beat proved interesting as everyone was very close. At the first mark, Juan Santos from Ecuador was first, followed by Matt Fisher, Colin Park, Rob Ruhlman and ourselves. We had accomplished our first goal, be in the hunt at the first mark. The race progressed almost as expected, we were faster downwind than we thought. Our psyche was in place and our conservative upwind tactics were working — until the last beat. The dying breeze mixed things up and made tactical calls a nightmare. This would set the tone and challenge for the regatta.

Colin Park positioned his team well to the left and took advantage of the left shift to win. Juan Santos sailed excellently and finished second, followed by Jim Crane, Keith Taboada and Rob Ruhlman. We had lost two boats but considering the conditions, our speed and our goal to be in the top ten, our 7th would play.

Day 2. Two races scheduled back to back.

We were greeted with mother nature's offering of 15 to 25 knots of breeze from the Northeast. This is a condition that

our team feels very comfortable in. We looked forward to the race with anticipation.

Race 2. We started in the middle of the line and sailed as hard as we could and rounded the top mark sixth. An unusual thought occurred to me. In this condition there were certain competitors I would have expected to see in the top five...they were not there. I was too busy to give it much thought at the time but reflecting on it now tells me the depth of the field was significant.

The boys from Chile came to play, Manuel and Tito Gonzalez were 1-2, followed by Jim Alman, Stu Nickerson and Brad Read. We rounded, set our chute and the fun began. Manuel went swimming at the jibe mark — we passed a few boats but more importantly we closed significant distance on the leaders. In the end we ground our way to 2nd wishing the race were a little longer. Manuel Gonzalez had a fantastic recovery to 3rd and his brother sailed excellently to win.

Race 3. We started with virtually the same conditions. Larry MacDonald recovered from a bad start and was first at the weather mark, followed by Jim Alman, John Oldham and us. The leaders stayed approximately the same throughout the race until the last beat. The last leg proved to be a crazy affair. The breeze softened dramatically and became shifty. We were caught on the wrong side of a 15° right shift. Larry MacDonald and John Oldham were too far out front to be effected. Benefitting from the shift were Frank Merenthaler, Brad Read, and Jim Crane. Our 10th place finish, as it turns out, was our worst race — interestingly it did not shake our spirit. We analyzed our mistakes and kept “Truckin”.

Day 3. Things were getting interesting — Matt Fisher, Jim Alman and Tito had DSQ's, Jim Crane and Juan Santos had DNF's. All serious “Hitters” who had sailed their throwout.

Kip Hamblet at the '91 N.A.'s. Such concentration — what is he contemplating?

Race 4. We started in a dying 5 to 10 knot Northeaster. Light, shifty and current = STRESS. Tough is far too kind to describe the day. Matt sailed his usual excellent first beat...followed by Greg Fisher, Dave Starck and us. By the last beat, the race had turned into a drifter. Brad Read and crew had sailed perfectly to win on the left side. We were hung out on the right. We worked our side hard resisting the temptation to go left realizing a trip across the middle would be suicidal. We hung on to finish 8th. Several boats in the race were PMS and later reinstated. The net effect in scoring was to put a little more pressure on the leaders, Brad and Dave D.

Race 5 started in a 10 knot northerly. Matt Fisher again was first “flawless”, followed by brother Greg, Dave D., then George Fisher and Brad. I recall remarking to Hale that I felt we were at a family reunion. Hale reminded me we were not invited guests. The reaches were uneventful but the second beat proved how difficult Annapolis could be. Brad Read made one fairly short clearing tack — I am hard pressed to say it was a mistake — it cost him five boats. We round the second weather mark in a close 4th and set the chute for the run. We were fast and the Fisher reunion with ourselves and Larry MacDonald being uninvited guests, converge on the drop mark. Brad is uncomfortable back in approximately 8th. The last beat was brutal for all but Brad's throw-out was in the making. George Fisher showed his sons and everyone else he is a force to be reckoned with by winning. Larry MacDonald sailed a great race to be 2nd. Greg was 3rd, we were 4th and Matt 5th. Brad wound up 17th.

Race 6. Early Saturday morning with a light northerly breeze, five boats could win the regatta mathematically. Our closest competitor was Brad but we could not ignore Larry MacDonald or Matt Fisher. Everything that had happened on the water to this point in the regatta would pale in comparison to the last day of sailing. All of the competitors would have to endure an on the water power boat show at 1/4 throttle for maximum waves. The committee and patrol boats did the best they could and a race was sailed in trying conditions.

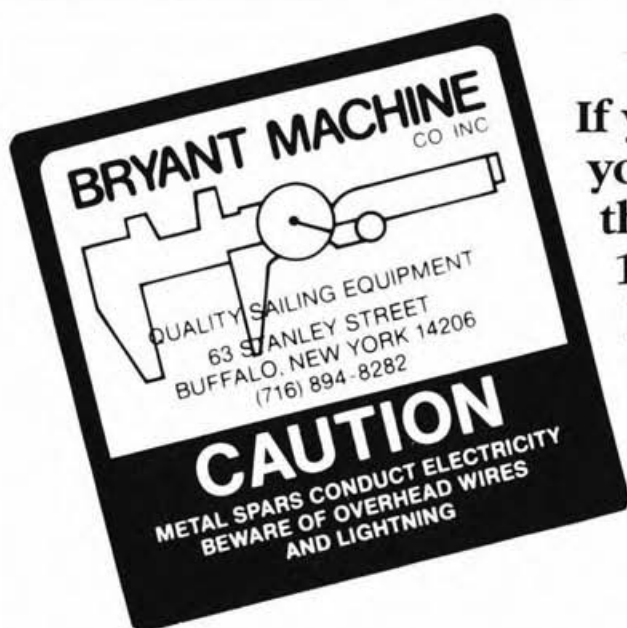

There was very serious discussion in our boat on the way to the starting line. With five boats capable of winning, how tough do we want to be on Brad prior to the start. It was agreed that we could intimidate Brad in any legal way we could until approximately 1:30 before the start, then we would completely drop off and sail our own race. Our thought was to keep his mind on everything except the race. After we broke the pursuit, we started in the middle of the line. The entire race was brutal and the first beat was no exception. We rounded the weather mark 4th and everyone we needed to beat was behind us. As the race progressed, the wind became lighter and the power boats came in droves. The course seemed incredibly long — the waves were like mountains, each having to be climbed. It was excruciating! I recall thinking it would never end. Annapolis had made the challenge as hard as possible for all competitors and we had finally won. We finished 4th in the last race and won the Worlds by six points.

Sailing with Dave and Hale is an experience I will not soon forget.

Thanks to all who worked on the event, thanks to all the competitors who travelled so far and to the Lightning Class for being such a fine organization.

South American Championship

(Editor's Note: The following portion of a letter was received from the 1991 Colombia District Secretary Andres Iriarte, but nothing further received at time of printing this book.)

"Regarding the report of the South American Championship let me tell you a story about four friends called Everybody, Somebody, Anybody and Nobody. It happened that Everybody knew that a report was to be sent, and thought that Somebody would do it; but Nobody did what Anybody could have done. No excuses. I am enclosing the results, both for the South American and the 1991 Nationals; and

we have requested to Santiago Uscategui, who won the South American to write a full report. Let me add however, that after an exhausting work to properly organize this championship, the only visiting country to show up was Ecuador, with an excellent delegation. We received a last minute cancellation from Chile and Brasil."

LIGHTNING covers

made by sailors for sailors

Covers for your sailboat are made of "Sunforter", a preshrunk duck, treated to repel water and resist mildew. Or the new durable 100% acrylic fabric. This fabric is water repellent, mildew resistant and will withstand years of marine weather.

All covers are expertly sewn with strong mildew resistant dacron thread and feature rustproof brass grommets. The heavy-duty molded vision zippers, made of Delrin, are corrosion resistant and self-lubricating. They will operate smoothly despite mud and sand. This zipper has excellent resistance to both heat and cold. Same-day shipment direct from the manufacturer.

COCKPIT COVER

Double stitched seams, heavy duty Vision zipper adjustable mast collar. Strategically placed grommets for securing.

Pearl Gray Duck \$ 71.25

Acrylic \$105.95

COMBINATION DECK/COCKPIT COVER/ LAND STORAGE

Covers entire deck, includes adjustable Velcro closures for stays. Vision zipper bow and stern vents, synthetic draw rope and adjustable mast collar. Indicate Boom position when ordering. Center and Port Boom Available.

Pearl Gray Duck \$210.75

Acrylic \$286.95

TRAILING/STORAGE COVERS

With Vision Zipper \$262.00

Zip away top for easy installation and access to cockpit. Reinforced patches at critical stress points and protruding deck fittings. The straps and D rings strategically placed for final securing. Center board area has reinforced drain holes.

MAST COVER \$73.75

WOODEN MAST COVER \$84.50

Protects all fittings and halyards. Dot fasteners and full length zipper for fast, easy closing. Red trailing flag included.

RUDDER COVER \$28.95

Flannel lined water and mildew resistant canvas. Lightweight and easy to store. Quick closing dot fasteners.

FREE repair kit (List price \$3.00) with any order of \$35.00 or more. Domestic shipping charges prepaid. Add local sales tax on New York shipments. Visa and MasterCard accepted. Send check or money order and address to:

39th European Championship

By Antonio & Fabio

The 39th European Championship was held in July 1991 at Passignano on the Lake of Trasimeno. This region is famous for food and we enjoyed it very much. The organization was very good, the "pasta" was cooked every day for the sailors. It was the most abundant thing we had as the wind, except the first race, was almost nonexistent.

Like every year the Finnish District was well represented, although because of the distance, Greece and the Swiss had only two boats.

The first race was the only regular race, the wind came from the south strongly. After a good start, we lead the race on the first leg until the last part of the third windward leg. In fact, the Greek boat, *Mr. Dimou* was coming up second in this leg, went to the right side, while Pellizzaro (last year's Champion) who was third went left. We lead Pellizzaro because in the first and second windward leg the wind was better on the left side, but this time the wind pulled our leg, so Dimou was first, we were second and Pellizzaro third. Unfortunately for Dimou, he had a premature start.

After the first race we finished sailing and we discovered the common passion for chess.

Because of the high pressure, we waited for the wind the rest of the regatta. We played at least fifty games of chess, finishing crazy and with no winners, while our skipper Mario lost playing darts against Alessandro, our sailing friend from Marsala.

Between the dart games and loving conversations with

Sonia, a wonderful girl, Mario spent some time with us trying to sail some races.

After the first one, we started over nine times but we finished only two races, only because they were shortened. After these three races we were first with two first places and one second. This was enough to win the regatta but not for the Championship because we had to sail at least four races.

Very little action at the '91 European Championship.

1991 Canadian Open

By Jim Cameron

The 1991 Canadian Open Lightning Class Championship was held at the Boulevard Club in Toronto on June 22 and 23. The fleet totaled 32 with 6 former champions; Tom Allen, Sr., Richard Hallagan, Ross Bailey, Peter Hall, Jay Mann and David Starck and also future Canadian Open Champions such as Matt Fisher, Tom Allen, Jr., Jim Allen, J. F. Simard, et al. There were 5 races sailed in winds which ranged from 13-19 at 85° +/- 15°.

I sailed with my wife Janice for the first time since 1987 (she was out of commission due to baby making; one 3 year old boy and one 2 year old girl) and Charles Spence. We were able to jump out to an early lead in the regatta and hold off a fast closing Tom Allen, Jr. and an even faster closing Matt Fisher to win the Championship.

Race 1 was started with the Race Committee indicating a freed up course by flying the code flag F (this comes into play later). We had a mid-fleet start and rounded the weather mark third, right ahead of Richard Hallagan with the *Old Janitor* and crew leading the way. Reaches 1 and 2 must have been uneventful because I can't remember anything that happened. The second upwind leg we were able to nail a few shifts off the left side and rounded in second behind Dave Starck. With spinnakers up, we started to follow the lead boat on a course which was straight for the leeward mark (remember code flag F). We had a conversation with this lead boat on what type of course was to be sailed and it was apparent that neither of us knew. Looking back at the rest of the fleet it seemed everyone was on the same course, even Pete Sulman (correct me if I'm wrong Pete). Janice then says there's a mark over by the Club, next thing you know we are on a tight reach trying to make the jibe mark. We were able to round first and go on for the win with Peter Hall moving up to place second.

Race 2 was started in similar conditions to Race 1. We sailed the right side of the course since we couldn't get left. Everybody beats us over there, however, things worked out okay as we rounded third, behind Tom Allen with Jim leading Tom Jr. Our positions never changed on the reaches. On the second upwind leg we were able to get by Tom Allen Jr. (I think he might have gone too far left) we rounded second, with Jim still in the lead. Again there were no position changes down wind. On the final upwind leg, we were able to get by Jim by hanging a little further left. We ended up first with Jim second and Tom Allen, Jr. third.

Race 3 was started in similar conditions to Race 2, with flag O flying. We started at the pin end and were able to get to the left side of the course, nailed a few shifts, rounded first. However, Tom Allen, Jr. was able to set his chute quicker than us (excuse; we came in on port tack) and pass us. We followed Tom on the two reaches and the second upwind leg to round still in second spot.

This is probably the point in the regatta where Matt Fisher really turns it on and he was able to get by us on the run to be in second at the turn for home. Tom Allen, Jr. won the race with Matt Fisher second, us third and Peter Hall in fourth.

So after Saturday's racing, we were leading with 4.5 points (it's kind of neat seeing your name in first place), Peter Hall was second with 12, Tom Allen, Jr. was third with

Jim Cameron (R) at Worlds in Annapolis.

13, Matt Fisher was fourth with 15 and Dick Hallagan was fifth with 18 points.

Saturday night had the Toronto fleet going with the B.B.Q. with burgers for all. Also on Saturday night the Canadian Lightning Class had their annual meeting and the one thing I would like to mention about the meeting was the site decided on for the 1992 Canadian Open Championship, which is Thunder Bay, Ontario, my home town. I hope everyone can make it.

Having sailed in Humber Bay before, I was pessimistic that Sunday could be as good a day for sailing as Saturday was. Boy, was I surprised! Sunday morning started out with light airs and continued to build.

Race 4 was started in conditions similar to Race 3. We were again forced to go right, however, we were looking good for a while until a large lift came through which put us well above the lay line and allowed the inside boats to fetch the mark, we rounded about sixth and I think Matt was in the lead which he only increased. My buddy J.F. Simard was able to sail into a second with Tom Allen, Jr. third. We sailed our throw-out.

With one race left and the scoring calculations done, the regatta was between Matt Fisher, Tom Allen Jr. and us. Race five was started in conditions similar to Race four with the flag O flying. Again Matt Fisher was able to get to the left side of the course and lead the fleet at the weather mark. Tom Allen, Jr. rounded I believe fifth and we were ninth. We sailed high on the first reach and caught a couple to move into seventh. On the second upwind leg we were able to get past Tom Allen, Jr., Richard and Nabil into fourth which is the position we needed. Now it was a matter of holding off Tom Allen, Jr. and Richard with two legs to go. I think we increased our lead over Tom Allen, Jr. and Richard on the run as they were preoccupied with each other. With the upwind leg remaining, I was concerned (understatement) about covering two boats, however, Dick and Tom cooperated by not splitting off. Matt Fisher won the race with Dave Starck second, Tony Staples third and us fourth which clinched the regatta for us, Matt Fisher ended up second with Tom Allen, Jr. third.

I would like to thank the Toronto fleet for holding such a fine regatta. See you in Thunder Bay in 1992.

USA Grabs The Gold In Cuba

By Matt Fisher

In September *Flashes* I wrote an article about the Pan Am Games. I was asked to add information that I left out of the *Flashes* article for the Yearbook. I write down the play by play for each race of all the major regattas I go to, so usually I could write a nine page relatively boring article. After the '87 Games where we were extremely disappointed in our finish, I looked at how I sailed and tried to figure out what went wrong. Whether you write it down or talk it out, it is very important to critique you and your team's performance at the end of each day and at the end of a regatta. After the 1987 Games in Michigan City we came to the obvious conclusion that several major changes had to be made. First, we were not moving well in light air upwind. Specifically, we were not pointing well. I mentioned this in the *Flashes* article and several people asked what we changed on the boat to go faster upwind. I think it was a combination of several things. We flattened out the main down low with the help of our sailmaker and more pre-bend. We also always made sure that the boom was always in the middle. I'm definitely not an expert at sail design but, this combination makes the only variable in light air on your mainsail shape be the amount of twist at the top. Having isolated the mainsheet trim to its impact being on the top batten simplified when you want to point and when you need power. The other change we made in our light air sailing upwind was to sail the boat flatter. It always "feels" better to have a little heel; the tiller has weather helm, the sails feel like they have more power and the boat makes more noise. The boat has little "feel" when it's flat in light air but that's good. I grew up on chop on a power boat infested small lake and it was good to heel the boat. But, long term upwind you need to sail flat, until near drifting conditions. When you hear that it blew 15-22 in Cuba nearly every race you probably wonder why I make a big deal about light air boatspeed. It's important to be ready and confident for any condition. It got old going to a regatta saying, "if it blows we'll do well". Besides, during the three days after the regatta in Havana it was less than 8 knots during our normal racing hours. You never know for sure what the conditions will be.

Another problem area I've always had is being a little too conservative on the starting line both in position laterally and vertically to the line. We were starting at the leeward end on well set lines and letting the fleet dictate our tactics during the first half of the weather leg. I also was often laying back on the line hoping to make up the distance later. We solved these problems by first, moving up the line a little, and second, pushing the start so much that we had to live with a few PMS's in major regattas in the past three years.

Finally, I needed to make sure that my teammates would want to put out the effort necessary to win. Our team consisted of Steve Callison, Sean Fidler and me. Although the three of us had never sailed together, Steve and I have sailed together many times. Steve is an excellent skipper, having won the Snipe Nationals a couple years ago. When we sail against each other at our home club, we spend lots of time in

very close proximity of each other, so with our similar sailing styles, there are rarely communication problems and mark roundings are much more fun when we are sailing in the same boat.

The Sunday before the Pan Am Trials in Tampa we practiced by ourselves at our little reservoir for about six hours. I haven't done that for a very long time but we made lots of progress. We worked on both the major mechanics of mark rounding maneuvers but we also worked on the fine tuning mechanics of boat balance, and communication of various information discussed during the race. I've always felt that one of the most overlooked parts of teamwork in the boat is the timing of puffs and lulls. It is not the most exciting part of a race, but counting down any change in velocity is a big contribution to improving upwind boat speed. Whether you want to hike more, or ease the main or whatever, it's important not to let a puff (or a lull) change your heel.

We went to Tampa feeling like we had sailed together for several regattas. For some reason we won the Pan Am Trials by a good amount which helped our confidence for going to Cuba. It was also great having the Trials so far away from the Games (4 months) so that we could adequately prepare.

The organization process we went through for Cuba was a little more complicated than for a normal regatta. We had to take two of everything — masts, rudders, tillers, poles, etc. We also took extra sails, and sailed every weekend between the Trials and the Games. In the middle of the whole process I noticed that my mast was falling apart, so we tuned a new

Matt Fisher at Awards Ceremony in Havana.

mast to try to match the excellent speed we experienced during the first half of the season.

Race Site Information

We had four days of practice in Cuba before the regatta started. One helpful part of being on the US team was the amount and quality of weather information we received. While we were in Tampa, we had a three hour weather briefing on the sailing area in Havana. An ex-Finn sailor named Mark Powell from Miami, is doing a research paper on the weather in Havana and he was extremely accurate on what type of conditions we would have. In the seven days of racing our compass readings were exactly the same. The weather and leeward marks were permanent marks set 1½ miles apart, at 40°. The first two races it blew 18-22 mph and then backed down to 12-18 mph for the rest of the series.

One of the biggest unknowns facing us was the direction of the current. The Gulf Stream goes SW to NE (directly against the prevailing wind) at three knots (fast). Our course had to be tucked next to shore in a three mile semi-circle cove because about ¾ of a mile off shore there was a shelf after which the depth of the water dropped to 700 feet. There isn't 700 feet of anything in Cuba, so the course was close to shore, and the jibe mark was set very broad, to the point where it was really not that far off the rhumb between the weather and leeward mark. There were two very broad reaches. The "cove" formed by being so close to shore created a one knot current that went from NE to SW — with the wind, but opposite of the Gulf Stream. No one knew where the line between the Gulf Stream and this "concurrent" would be. It really did turn out to be the most critical part of the sailing.

US Team and Cuba

Being on the US team in Cuba was an incredible experience. When the US sailing team arrived in Cuba we were told that we were staying in the "party school". We were staying in a communist party training camp, with emphasis on camp. Our accommodations were spartan but the Cuban people who managed or worked at our facility were great. They had their work cut out for them, but their attitude was always friendly.

The Cubans wanted us to be impressed with their Country so that the ban on tourism could someday be lifted. One of the ways Castro hopes to get Cuba out of their tough economic position is to become another Caribbean tourist spot. However Club Med probably won't make room in their 1992 catalog. The Cubans first need to acquire toilet seats in their public facilities and follow that very quickly by toilet paper.

It's also very hot in Cuba. It's 95 degrees in the middle of the day but only slips down to about 85 degrees while you are trying to sleep.

Something that really was special at this year's Games was the interaction within the US Pan Am team. There are nine classes with several alternates and a coach and a couple of team leaders. We had about two meetings a day to talk about the course, weather conditions, competitors, or whatever else was helpful.

Races 1-3

The question at the beginning of the regatta was, do you go left and try to go out far enough to get in a favorable Gulf Stream or do you tack along shore, which was definitely

close enough, to get out of the current that was going against us. There was something that made us want to sail up the middle of the weather leg because we thought that there really wasn't that big of an advantage by going all the way right because the water didn't start getting shallow until you got within 100 feet of the docks.

The first race was probably the heaviest at 18-25 mph. The starting line was set so that maybe five Lightnings could get through. We had a bad start, tacked right to clear, saw the Cuban team heading way out on the right and continued out that way. It was very wrong. Peter Hall and his crew from Canada won with Chile second and Brazil third. We finished an honest 7th in "our" conditions.

It was tough because you never feel fast when you have boats on your lee bow or on top of you. We shook it off and still said we can win this thing, but there were a lot of minutes between the end of that race and the beginning of the next. Several times I thought about opening up a laundromat in North Dakota when this regatta was over.

Our coach was Skip Whyte from Boston, who is the 470 coach for the Olympic team. He was great after our 7th in the first race. Skip was always trying to help us figure out what side was best. I don't sail that way. Steve and I have sailed together many times now and have prided ourselves on going up the middle of weather legs. Skip suggested we go left and we said OK, maybe. He was watching these races from Bill Buckles (remember him?) hotel room, on the 18th floor of a hotel that was at the weather mark.

The next race we said we just wanted to get a little bit back in the series and that we needed a third or better for confidence reasons. We had similar conditions (18-22 mph) and

had a good start, rounded the first mark second and went on to win the race. It was great for the confidence and we could now act like the 7th didn't exist.

At the team meeting, Skip said nice going, but you need to go further left. I said yea sure we won the race. He said to left hard — he could see it on the water.

The next race Brazil won, Chile was second and we were third.

Races 4-5

Now we had a 3-1 to count, Brazil had 3-2-1, Chile had 2-3-2. We were back in the hunt and started to feel much better. At the team meeting, Skip said that we were sailing up the middle and that we needed to go left if we wanted to win this thing. It was almost getting irritating, because banging a corner that we couldn't see was against our sailing style. Skip saw it in the other classes (there were four classes on our course) and he said that the Lightnings were not going deep enough to the corner. It felt like the movie "Field of Dreams" because when we asked how far should we go, Skip said go to the corner—you'll know when you get there.

Well at least we had a game plan. We were going to go to the left corner just so we could stop taking so long on the firing line in the team meetings. The wind was 15 mph and we had a middle of the fleet start. Our boat and Chile were going very fast with the Chilians about five boat lengths to weather and one boatlength back. Some of the fleet was on our hip and probably had us with several of the lifts on starboard. After about ten minutes on at starboard, we started sailing in some huge rolling waves and started to come up under some of the fleet. Tito, from Chile, still had us, but we knew we were in the Gulf Stream. We were like three kids who found the candy supply and didn't want anyone else to know. We tacked to port and were now only about two boat lengths behind Chile and had a significant lead on the rest of the fleet. We wanted Chile to tack on us so we could go back out to the left alone. Chile tacked on our face so we went back left, got back into the rollers and were long gone. The team meeting went much better, and it was great seeing Skip approve of our sailing. He was right.

We actually did the same thing in the fifth race where Brazil and Chile were 2 and 3.

Race 6

In *Flashes* I didn't really describe Race 6. It was one of the most exciting races I've sailed in.

We had won the 4th and 5th races by pretty big margins by milking the left side of the beats. But the 6th race was different. Brazil actually had a bad start and sailed to the right and rounded the first weather mark with a 100 yard (big) lead. This was one of two weather legs where the right payed off (there were 21 weather legs). The wind was building to about 18-20 knots and we caught up within four or five boat lengths of Brazil at the leeward mark. At the second weather mark, Brazil had spinnaker problems and we sailed right up to even with them with Chile now about two boat lengths behind us.

To give you a little perspective on scoring here, if we would win this race we would only have to finish sixth in the last race to win the gold. We obviously knew this during the race. At the last leeward mark it was Brazil, U.S. and Chile all bow to stern. We talked first with Brazil about two boat lengths to weather and one back going to what we thought would be the favored side. We had great speed and within

about five minutes we tacked and crossed Brazil to be in first place. Chile had gone ten boat lengths to the right of us after the mark and now was on port three boat lengths directly below. After several tacks up the middle, Brazil had ended up to the right of both Chile and U.S., Brazil tacked clipping both Chile and us by two to three boat lengths. 50 yards from the finish the wind went 10 degrees left, which brought Brazil to be even with us. They tacked below us at the leeward favored finish line and beat us by one foot. We beat Chile by maybe ten feet. It was a very exciting race — we'd actually written Brazil off but they played the shifts and won. It was realistically a six point swing in points. We didn't really talk about the impact this race had on the points until the regatta was over.

Going into the last day, if Brazil won we had to be second to win. If Chile won we had to be fourth. I had some problems sleeping that night but was able to get my mind off the races with some lively hand-to-hand combat with some Cuban cockroaches at 4:00 a.m.

Race 7

The race started in 15-20 mph. We pushed the line hard and had a slight feeling that maybe we were over the line. Our boat lead the bulk of the fleet (including Brazil) to the left side of the course. Chile worked to the middle of the course and lead the fleet as we approached the weather mark. We were on top and bow ahead of Brazil, and the fleet, on port as Tito crossed and tacked on top of us. We reached down to stay on top of Brazil which initiated about fifteen tacks between the three of us. We finally bailed out to the port layline with Brazil, which is like going to your

corner at the end of a round in a boxing match after getting beat up. We were still in second, Brazil third, but the fleet was very close now, which they hadn't been for about five races.

For some reason, the three of us (Chile, Brazil and US) stretched out big on the second reach. Times were pretty intense in our boat because we now knew what was on Tito's mind and we were going to round the leeward mark two to three boat lengths behind him. If he started pounding us again, not only might he bring the fleet back into the picture, but Brazil (which was two boat lengths behind us) could easily get into first. We discussed at least 3 scenarios, 1 — Not tacking and waiting for Brazil to tack; 2 — Tacking and dragging it out to the left corner; and 3 — Two quick tacks to stay bow ahead of Brazil, anticipating Chile to tack on top of us but always staying on top of Brazil in the anticipated tacking duel. We chose number 3 so we could stay in control of Brazil. We had a good spinnaker drop and sailed four boat lengths on port and tacked. There was a 4th scenario that we hadn't discussed. Tito didn't tack. Chile would get the silver medal if Chile won and Brazil finished 3rd. They didn't think they could push us back to 5th and Brazil 3rd. We hadn't thought of that. I wish Chile would have thought of this during the last quarter of the first beat because we aged about 10 years. It caught us so much by surprise that we did all the wrong things. We went about four boat lengths too far on the starboard because it was like waiting for a punch that was never thrown. We tacked back to port and it looked bad for Brazil, but we weren't that worried because they were going to have a very long and suffocating race with us tacking on them on one side and Chile tacking on them on the other. We went on to get second and didn't really know whether or not we would be PMS'd until we saw Bob Smither on the RC boat with a camera aimed at us.

End of Regatta Time

It was quite a lot of fun that night — the awards are everything that you would think they are. The racing was over at 5:00 and we didn't have the awards until 10:00. These hours are always the best part of sailing because you

remember what good friends you are with, the people you've been trying so hard to beat for seven days. The Pan Am Games are intense, but three or four hours before the awards allowed everyone to get reacquainted. We found the beer truck and seemed to be speaking better Spanish. There were nine classes in the Games but the Award Ceremony goes very fast. The Lightning was the last boat to receive their medals and our US team realized it was going to be the last time they heard the national anthem. No matter how many times you think about what it would be like, nothing compares to getting the gold medal on the podium. Our US team went nuts for our awards so it was pretty special.

Usually it seems that I've never had time to visit the country that we sail in after these regattas. We had three days after the races to see Havana and we used most of each day's 24 hours to see events, sights, etc.

Going to Havana was one of the best experiences I've had for many different reasons. One thing to remember is that most of the sacrificing comes from your family when you put together a program like this, not yourself; I had fun. I miss the event, but it is kind of nice to know that the only critter that's going to crawl in your bed in the middle of the night is your three-year-old daughter.

Jr. North Americans

The Jr. North Americans was fun right from the beginning. Newport, R.I. is a great place to have the regatta and to meet new people. The facilities were perfect and measurements went smoothly. The race chairman did an excellent job getting all the boats organized and ready for racing.

Although my crew, Martha Wilson and Guy Adema, and I practiced over the summer we were not as successful as Jay Miles and his crew. Jay sailed very fast in the first four races and walked away with the regatta by sailing a 1st, 1st, 2nd, 1st. We were second with a 3rd, 2nd, 4th, 3rd. At this point we found ourselves 9 points behind Jay and had a few people just behind us. Warren Emblidge and Alan Krauss were also very close in finishing second and third. So we had to win the 5th race and put 4-5 boats between Jay and us.

Our plan was working until the last leg of the race. Alan Krauss started tacking with us and finally passed us about 50 yards from the finish line. This mistake cost us the regatta. We finished 2nd in the race and Jay finished 6th. At this

point Jay had the regatta won. We had 2nd place tied up and Warren Emblidge sailed an impressive last race to win third place in the regatta. Even though Jay ended up 1st, he is now too old to participate in the 1992 Junior Worlds. This puts myself and Warren Emblidge next in line to participate and represent the United States in the Jr. Worlds in Chile.

I would like to congratulate Jay on a terrific regatta and to Warren for qualifying for the Jr. Worlds, and to everyone else for participating. It sure makes the regatta much more fun when many boats and people enter. I hope to see even more people at the next Jr. North Americans at the Buffalo Canoe Club. I'm sure it will be great sailing and a lot of fun.

Finally I would like to thank my brother Dave for making it possible for us to participate in this regatta. Dave lent me his car, boat, and sails for the month and really helped me out in planning for this regatta. Also I would like to thank my crew who did a great job in getting me around the course and dealing with the current and tides. You guys are great.

Thank you everybody and I hope to see everyone next August at the Buffalo Canoe Club.

Womens' North Americans

By Betsy Alison

After months of anticipation, August finally rolled around and with it came the migration of Lightnings to Newport for the North Americans. The first wave brought the Women, Master and Junior participants eager for some "typical" Newport conditions and some great sailing. As we all registered and measured, it gave us time to meet each other. Ready to race, six teams of women sailed out to the race course anticipating the challenges awaiting on Narragansett Bay.

On the first day of racing, we went north of Gould Island. Because of the full moon, the current was strong and we knew it would play a big part in the races that day. The winds were out of the S-SW and fairly light. Wendy, Kathryn and I discussed the conditions and decided that it would be important to protect the right side of the course for a variety of reasons; we anticipated the breeze to strengthen and go more westerly as it built and the current would be more favorable to the right upwind (it would be behind us).

In Race one, the wind was unstable and shifty, with the breeze coming down in lines. The first major shift was a right hander, and enabled us to get ahead. We rounded the mark first, followed by Christy, Tammi, Judy, Janice and Julie. The reaches became fairly free because of the current, and the breeze came on a bit, but by the time we got to the leeward mark, the wind got very light and fluky — in fact it almost died completely. Christy carried a private puff that allowed her to motor through us to leeward, but Wendy and Kathryn saw a HUGE right breeze line coming (the Juniors had it) and we drifted our way in the direction of the breeze, tacking away from Christy. When the breeze filled, both the beat and run turned quickly into reaches, and by getting to the right of Christy, Tammi was able to move into second. The final beat to the finish was shifty as the line was up under the shore, but positions held as follows: Betsy, Tammi, Christy, Judy, Janice, Julie.

Race two saw the breeze settle in from the south and build. The current now was very strong. Because of the course location (more to the left than Race 1), the current was more favorable upwind on the left because of the shipping channel. The legs in this race were very long. We battled it out with Christy on the first beat, playing the shifts. We were able to eke out a small lead by the first mark, followed by Christy, Tammi, Janice, Judy and Julie. On the reaches, Christy pulled within 3 or 4 boatlengths of us, but on the second beat we stretched out, helped by the current and shifts. On the second triangle, the fleet spread way out (Julie had some boat problems and had to retire) and by the time we finished, it was Betsy, Christy, Tammi, Janice and Judy.

Day two dawned with some clouds and a bit of showers in the early forecast. We started racing in foul weather gear, but by the end of the 1st weather leg in Race 3 in light shifty conditions, we began to overheat and peel off layers. The wind again was southerly, but racing on this day took place just north of the Newport Bridge. The current was going out and big puffs were coming off the Jamestown shore. The 1st beat of Race 3 was very light and shifty. We crossed tacks with Tammi many times, the lead changing hands. Fortunately, for us we got the final shift and lead at the mark.

*Betsy with a handful of place flags.
Is she happy or what?*

Because of the strong current, the first reach turned into a run and the fleet compressed together. By now, the haze and cloud cover was burning off and it was developing into a nice day. We tried to sail very conservatively, staying between the fleet and the mark at all times while playing the shifts. Behind us, people were jockeying for positions in the shifts, and at the end it was Betsy, Tammi, Christy, Judy, Janice and Julie.

By Race 4 it was sunny and warm. What a surprise; same wind direction, just a different race! All our pre-race preparation in checking out the breeze made us "think left", but after watching the Juniors start, we changed our game plan dramatically, started at the boat and immediately tacked right. We did this because the current relief in front of Gould Island seemed pretty substantial, going left meant heading out into the shipping channel and strong adverse current. Alas, everyone caught on and worked their way right — we battled it out tack for tack with Christy in very shifty conditions with the breeze coming and going with no rhyme or reason. We squeaked around first, overlapped with Christy and pulled away on the reaches. Janice was third, Judy fourth and Tammi 5th. On the second windward of an Olympic, we conservatively sailed the puffs up the middle; Tammi and Christy did the same. Janice and Judy however, went hard left and picked up an amazing shift with velocity almost reaching into the mark. We were just able to hold them off as we set the chute for the run. Christy and Tammy fell back to 4th and 5th. Our game plan was to start between the competition and the mark. The most amazing "fancy footwork" in this race was done by Tammi. After passing

Christy on the run, she worked the final beat just right. Judy went left again and Tammi outstacked Janice to capture 2nd, followed by Judy in 4th and Christy 5th.

Day three dawned bright and sunny with the promise of some wind. Again, the wind was out of the S-SW direction. At least our compass numbers were becoming very familiar. We started against the current in a fairly "normal" shifting breeze. There weren't any huge holes like the two previous days. We had a good start and jumped out to an early lead. The fleet sorted itself out pretty early on around the track and positions didn't change much. At the line, it was Betsy, Christy, Tammi, Janice and Judy.

The real battle had now taken form. Second overall was at stake and it would all come down to the last race. If Christy finished ahead of Tammi, it would go to a tie breaker — who would come away victorious?

After the start, Tammi, Judy and Janice went toward the left side of the course with Christy more in the middle. Christy initially looked good until her breeze faded. Tammi was able to cross Christy and consolidate. Christy followed Tammi around the mark and it was a follow the leader —

Tammy, Christy, Judy, Janice until the breeze filled at the top of the second beat. Now things got exciting. Towards the end of the run, the breeze started to fade, the boats behind were catching the front runners and the Women were catching the Juniors. Christy moved to within 1 boat length of Tammi. The race was on! Tammi slipped around the mark just ahead of some Juniors, and Christy was forced to give them room at the mark. As they sailed up the final beat, the breeze filled in and Tammi pulled away and loose-covered Christy to win, Janice worked right to pass Judy for third.

Despite the small fleet at this year's Women's N.A.'s, it was a great group to sail with and against. It gave us an opportunity to get to know some new faces and consolidate existing friendships. The comraderie among the women's teams is quite unique and sharing of information is commonplace.

Many thanks to my team mates, Wendy and Kathryn, for a job well done, and to the other competitors for making the regatta a lot of fun. I'm certainly looking forward to "shuffling off to Buffalo" for next year's event!

What the HULL ?

You bet it's important to have a good hull! You had better have the fairest, smoothest, strongest and most stable sail platform you can get. BUT, how are you going to **move** it? Cotton sails? . . Manila line? . . Wooden spars? Well, of course not! If you are *really serious* about racing your Lightning you will buy the BEST equipment you can afford.

Fortunately, the choice of the best **SPARS** is quite a bit easier than other equipment decisions you must make. We do **not** make the "CURRENT WINNER" or, "THIS YEAR'S BEST SPAR" — etc. etc. etc. — **WE MAKE THE BEST SPARS EACH YEAR - EVERY YEAR - ALL THE TIME - AND OUR RACING RECORD OVER THE YEARS PROVES IT!**

Call or Write today — you won't regret it!

North American Master's

By George Fisher

The 1991 North American Master's Championship was a well-organized and well-run regatta; the conditions were ideal; the race committee work was very impressive and professional and the race conditions turned out to be, through no one's fault, the best over the two-week period.

I was fortunate to have an excellent crew in my daughter-in-law, Lisa, Matt's wife, and Tom Emch, a commercial pilot who sails his own Lightning in Memphis. I'm sure Lisa felt like she was sailing two Series, the Masters in Newport and also the Pan Ams in Cuba since Matt was in Cuba racing at the time.

There was a practice race on Tuesday afternoon which, I believe, was in as ideal sailing conditions as you could ever expect anywhere. Unfortunately, the Masters' Series lost, one of the popular favorites in this Series, Manuel Gonzalez, who suffered chest pains immediately after sailing a very good race. He was unable to return to the sailing site, although it is my understanding that he is now doing very well.

The practice race was sailed south of Gould Island and north of the bridge, with the current going out in a 10-12 mph breeze. These were excellent conditions! Lal Burridge, who kept charging throughout the race, passed everyone on the last beat to win, followed closely by Manuel, who had been leading in the race up to that time.

Lal proved that this was no fluke by winning the first race of the Series, which was sailed north of Gould Island. This was another day of fine sailing in spite of a 30 degree shift to the west at the end of the first time around. Bob Mathers jumped out to an early lead, and it looked like he was going to win going away. Bennie Moultrie found the weather mark second ahead of us. When the shift came in, we lucked into first and Bob dropped to third. There was some real shuffling from that point and, again, Lal made his charge, took over the lead going into the last beat and held it to the finish. We had seen second at the drop, at one time fell back to seventh going in to the finish, and were happy to finish

fourth. Moultrie finished second, closely followed by John McIntosh, who had moved up to second and held it throughout most of the race.

The current in these races was always a factor and couldn't be ignored. In the Masters' races, it was always going with us on the beat, but at the same time, as each race progressed you had to keep an eye on the thermal twist to the right. The first race was especially interesting because on the last beat after the wind went right, the inclination was to go further right to get the starboard lift from the shore, but then you were sailing out of the favorable current. This, I think, is what caused a lot of shuffling on the last weather leg.

The second race was sailed on the same course as the practice race with the same wind direction and current, but with less velocity. Sandy Huntsman won this going away, with John Hughes just behind us. McIntosh and Burridge finished fourth and fifth, so going into the last race we had a three-way tie for first with Burridge and McIntosh.

The third race was sailed on the same course as the second race with the wind a little bit more west, 6-8 mph. The first beat was toward shore which really took some head scratching. Lal rounded first with Cal Schmiede just behind us. On the second beat, Lal let us go, and we caught something on the right that he didn't get and held the lead the rest of the way. Lal sailed an excellent Series, Sandy Huntsman recovered from a disastrous ninth in the first race to finish third by breaking the tie with John McIntosh.

Lisa and Tom did a superb job and really kept us in the Series. Tom is a genius with a compass, and Lisa was great especially with the spinnaker. Most importantly, we had fun sailing together.

It was a good Series with great sailors and good conditions. You can't beat that; and if you qualify, you ought to sail in it. I can assure you that you'll have a good time because you're with great people who know how to sail hard and also have a good time.

I hope to see you in Buffalo!

INNOVATION

D E S I G N I N G T H E F U T U R E

Speed . . . on and off the water! The Allen Boat Company is committed to designing boats, rigging and trailers to satisfy your need for speed.

RIGGING:

MAST: Custom cast aluminum for head, butt and gooseneck fittings provide strength without added weight.

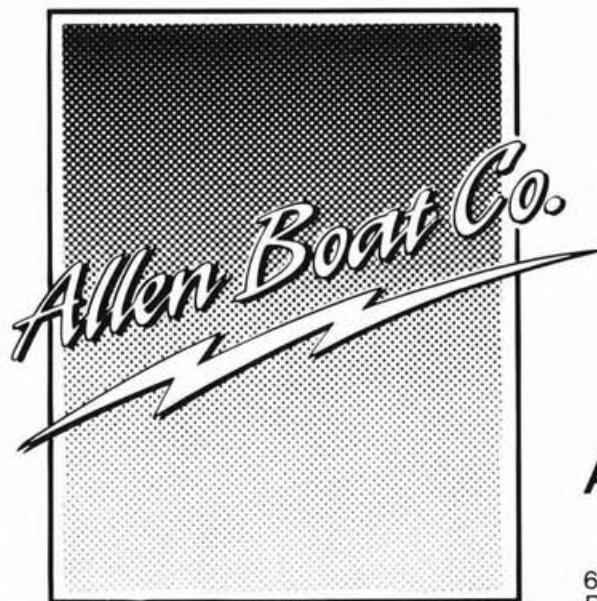

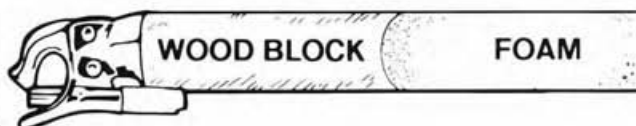

Spreaders are fixed inside the mast for less windage and protection against ripped spinnakers.

An internally rigged uphaul is available which not only looks neater but makes mast stepping easy . . . just take one line off the pin rail.

EQUIPMENT:

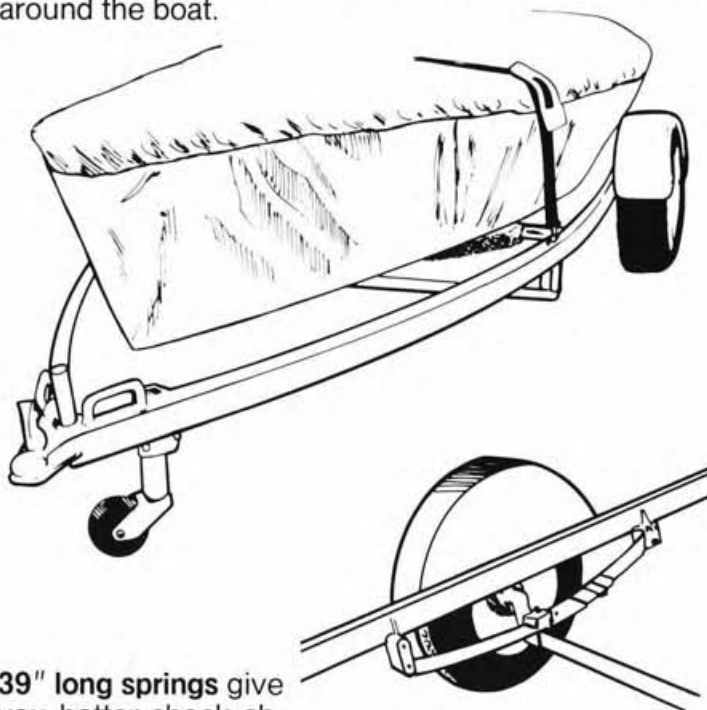

POLE: 8" wood piece helps to spread the topping lift load.

Wood blocks help support pole ends and reduce water flooding. The remaining space is foam filled to slow pole submarining.

TRAILER:

Custom bent steel tubing provides better load distribution and makes it much easier to walk and work around the boat.

39" long springs give you better shock absorption for a smoother ride.

4½" drop axle keeps the center of gravity lower for better trailering and easy launching. This also makes getting on and off the boat less of an athletic event.

6" wide padded bunks give better support to the hull and help to keep the bottom fair and prevent chine cracks.

Large 14" rim tires produce a smoother ride and the tires last longer.

1991 Qualification Series Or Memories Of Bob

By Tom Allen, Jr.

This is a short article about our "winning" the North American Qualifying Series and some snapshot memories of Hurricane BOB. First the dry part about the series, then the wet part about BOB.

The first qualifier was sailed in about 15 to 18 mph with close to a 2½' chop. My crew (Bill Pictor, David Adams) felt that the line was even, but that the first shift would favor the left side. We managed a good start off the pin end and were able to tack across the fleet with the expected shift. About half way up the beat we looked very good. On the other side of the course we saw Brad Read leading the right so we worked that direction when we could. At the first mark we led and Brad was second. After two fast reaches there was not much position change. We started to the right side the second beat thinking that Brad might know something about the area. Turns out Brad did know the area and we still led at the top mark. Some of the distances changed on the run but not much in the way of positions. We basically covered up the last leg to hang on to win our first qualifier.

The second race had more wind around 18-25 mph. This time we started at the boat and worked right. After getting a lucky shift on the right side we rounded first. Close behind was Jody Lutz and Lenny Krawcheck. The reaches were total planing and fun. Unfortunately the two behind us had a lot of fun too and were still right behind us at the bottom mark. The rest of the race was more survival than racing but we were able to keep ahead of the rest to win our second qualifier.

After some delays and a lot of discussion the rest of the series was canceled due to BOB and his aftermath; thus the crew of Bill, Dave and Tom backed in to the position of first qualifier.

If you are reading this for the sailing you can stop because the rest of this story is a few recollections of BOB that I have gathered from my crew and others.

Do you remember?

Hearing about BOB's coming from the news on the radio and TV.

Going to the store to stock up on the essentials; BEER, etc.

Taking apart your boat to put it into the fort.

The fort filled with Lightnings everywhere.

The poison ivy in the fort and the people who romped in it.

Was that the Fastiggi crew?

The 12 Meter gunning its engine in reverse to set its anchor in preparation to weather BOB.

Phil Lotz running boats into the fort at the last minute.

People packing the big tent up.

Taping the windows in the dorm room to stop them from shattering.

Listening to the wind build before and during the storm.

Watching the trees shake, then start to come apart.

Going out to the cliff walk with the boys and my mother.

The sense of adventure that all the sailors shared that were out in the full force of BOB.

The rain and salt water mixing and blowing up the cliff and

My Mother and crew (Dave & Bill) out in Bob.

then sideways. Its sting on your skin when you tried to look into the wind.

The grins on the faces of the friends out in the wind.

The people leaning into the wind to see how far they could before they fell.

The streets turning into a jungle, green with leaves and full of branches.

Leaves and branches flying out of sight when they were let go over the cliff wall.

After the eye passed do you remember?

The rain stopping and the sun breaking out on the waves.

The wind stopping and then turning back on itself.

The spindrift flying off the waves because the wind blowing out and the sea rolling in.

Walking along the cliff and seeing the ocean crash on the land.

The homes that had areas of roof ripped off and siding stripped off.

Driving to the fort thru and around all the branches in the street.

Seeing the yachts ashore and wind torn sails of boats in the harbor.

The J-24's that had blown off their trailers.

The cruiser that sank at the launch site.

The crusted salt on the windows the next day.

Being without hot water or electric power for days.

The experience of hurricane BOB was an adventure that caused some fear and a lot of financial hardship to Newport and numerous individuals, but to us in the Lightning Class who shared the experience we will have memories to share and bring us closer together.

Just a short footnote. I would like to thank all who helped to run this North Americans. They took care of things before and after BOB. A special thanks to Phil and Wendy Lotz for all their work running the show and for letting us use their brand new boat for the regatta.

Hurricane "Bob" and the 1991 Lightning North Americans

By Judith Walker

What is a hurricane and what does one do to survive? What are the do's and don'ts? How did the 1991 North American Lightning sailors survive at Newport, RI when Hurricane Bob came ashore?

Tropical cyclones are the most violent storms experienced by the mariner. In West Indian waters, these storms are called "hurricanes"; in East Indian and Japanese waters they are called "typhoons"; in the Indian Ocean they are called cyclones; off Australia, "willy-willies; and off the Philippines, "baguios".

Technically, hurricanes are tropical cyclones in which

winds reach constant speeds of 74 MPH (64 knots) or more and blow in a large spiral around a relatively calm center, "the eye". They are giant whirlwinds in which air moves in a large tightening spiral around a center of extremely low pressure. The extremely high winds of the hurricane, which are directly related to the steep pressure gradient, reach their maximum intensity near the center. On the opposite sides of the eye, the winds blow in opposite directions. The circulation is counterclockwise in the Northern Hemisphere.

The eye, which is unique to hurricanes, has only light winds and the skies are clear or partly cloudy. This calm is

deceptive, bordered by torrential rains and maximum force winds. As the eye is approached, the wind builds to maximum violence. As the eye passes, the change is from a dead calm or light winds to maximum velocity. The destructive effects of a sudden high wind is greater than that of a slow build-up to the same velocity.

The most dangerous part of a hurricane in coastal regions is the storm surge causing nine out of ten hurricane fatalities. Many factors are involved in the formation of the storm surge such as strength of the storm, bottom conditions and the position of the storm center in relation to the shore. The greatest threat to a hurricane's winds is their cargo of debris—a deadly barrage of flying missiles such as lawn furniture, signs, and roofing.

A few facts about Bob. It was the first hurricane to strike the Northeast US since 1985 and the only hurricane to make landfall in the US during 1991. Bob reached maximum intensity with top sustained winds near 115 MPH when located East-Southeast of Norfolk, VA. This made Bob a Major Hurricane. Thereafter, the Hurricane accelerated North-Northeastward toward New England making landfall at Newport, RI on August 19th with winds of 90 MPH. Bob then weakened into a tropical storm as it crossed the Maine Coast and headed into Canada. The total number of deaths associated with Bob is set at 18 and the preliminary estimate of damage for the US is 1.5 billion dollars. The storm surge was estimated to be only 5-7' as the maximum hurricane winds occurred during low tide.

So much for what is a hurricane and the history of Bob. The most important question is "How to survive a hurricane."

Now for a few definitions. Hurricane Watch: Hurricane may threaten within 36 hours. Be prepared to take action if watch changes to a warning. Hurricane Warning: Hurricane expected to strike within 24 hours. Leave beachfront, low-lying areas and mobile homes for better shelter. Stay "IN" your home if sturdy, on high ground and not near the beach.

Guidelines issued by the US Weather Service include the following recommendations in their action checklists for things to consider before, during and after a hurricane. If you were there, what was your scenario?

When a Hurricane Watch is issued for your area:

1. Check official bulletins on radio, TV or NOAA.
2. Fuel Car
3. Moor small craft or move to safe shelter.
4. Stock up on canned provisions
5. Check medical/drug supplies
6. Secure lawn furniture and other loose material outdoors
7. Tape, board or shutter windows to prevent shattering

When a Hurricane Warning is issued for your area:

1. Stay tuned to radio/TV/NOAA for official bulletins
2. Stay home if sturdy and on high ground and prepare for the worst. Board up garages and porch doors, move valuables to upper floors, bring in pets, fill containers with several days supply of drinking water, turn refrigerator to max cold, use phone only for emergencies, stay indoors on the downwind side of house, away from windows, beware the "eye" of the hurricane
3. Leave mobile homes
4. Leave areas which might be affected by storm tide or flooding. Leave early, shut off water and electricity,

take small valuables, leave food and water for pets as shelters will not take them, lock up house.

5. Drive carefully to nearest designated shelter.

After the All-Clear is Given

1. Drive carefully; watch for dangling electrical lines, undermined roads, flooded low spots
2. Don't sight-see
3. Use caution when re-entering homes by checking for gas leaks, food and water spoilage

Now...the scenario as we know it.

On Sunday, August 18th, the Lightning Fleet sailed the second of the NA Qualifiers during a hurricane watch in winds that stressed even the strongest boats and crews. Many Lightnings were over with extensive damage reported from the individual skippers. Masts, booms, rudders and spinnaker poles were snapped and sails destroyed. The third Qualifier was postponed as conditions continued to deteriorate. The sail back to Sail Newport (a beat all the way) was difficult to survive for the already tired sailors and Lightnings.

When we arrived back at Admiral's Walk Dock, we were all advised to drop masts and tie down equipment, just in case. By Sunday evening, a Hurricane Warning was issued by the National Weather Service and the Lightning Sailors moved their boats into the protection of the Fort Adams bunkers with its 30' high walls on each side of a 50' moat.

Now to the personal safety of the Lightning Sailors. Everybody went home to secure their own and let the night pass. Locals were already taping windows and boarding up doors. This was not their first hurricane.

Monday morning at 7:00 was when our action began with the local police waking us up by pounding on the door of our RV in the Middletown RV Park. We were told to leave the RV and proceed to the local High School for shelter. Since we also had my Cairn Terriers, Sunshine and Rain with us (real names), we decided to check into a local motel on high ground. We took a few snacks and goodies to sustain us for the day, although we sent Jim Berry out for lunch and additional snacks, just in case. Much to our surprise, all the McDonalds were closed. We had a few snacks and sat down to watch the progress of Bob on TV. At 1:00 the TV and all power went out. So much for that, so we slept the day away. By evening the weather was again nice so we went out to dinner. Where? There was no place open except the "package stores" and they were the first to open, even without electricity. No electricity was clearly evident although it was apparent that a few places had generators. Back to the motel for a dinner of chex-snack mix washed down with coke/beer.

The next morning we could not drive back in to the RV Park as trees were down everywhere. We walked to the RV, found it undamaged and left the dogs. By numerous detours to avoid fallen power lines and trees we and the rest of the Fleet were down at Fort Adams to get the Lightnings out and rigged, ready to sail. Paul Gelenitis had put his Lightning away with the mast up so he didn't have much to rig. The gasoline fumes from the powerboat sunk just off the dock were very strong.

Sail Newport was a wreck. The bathrooms were closed and boats were everywhere, on and off trailers, on the roads and under the water. At least the Lightning Fleet was safe.

We were ready to sail however....there was no power to get the boats in the water. Of course there was no power-

SCUTTLEBUTT

It's part of any game.
Let's face it, sailors thrive on it.
As builders we hear it from all sides.

The latest scuttlebutt is that our hull shape
may not be the fastest in all conditions.

Don't gamble with your vacation.

Consider the length of the North Americans (7 days) and the World's (6 days).
Consider the wide range of sailing conditions...light wind, smooth water...
light wind, chop...medium wind, chop...medium-heavy wind, chop...medium wind,
waves 2-4 feet...heavy wind, waves 4-6 feet.

NICKELS Boat Works Lightnings don't have one particular strong point...

THE DIFFERENCE IS
WE DON'T HAVE ANY WEAK POINTS!!!

Look at the score card...NICKELS Lightnings have won 8 of the last 9 NA's,
and 3 of the last 5 World's, sailing in all conditions.

Don't forget to check which Lightning your sailmaker sails.

And your ace in the hole is the best don't leak.

.....what were we thinking. So....we all sat around exchanging stories of what we did during the hurricane until a decision could be made.

John McIntosh and crew, Bill Neal and family, with Dave Copestick were sheltered in a rented house along one of the main drags. They had no electricity, but gas for cooking and fireplaces and candles for warmth and light. John had cooked his now famous "Hurricane Spaghetti" Dinner Sunday evening. John's five necessities for riding out a hurricane are: #1 CASH, #2 BOOZE, #3 WATER, #4 GAS, #5 MORE CASH. Smart man, that John.

Jim Carson and crew, staying at the Middletown Quality Inn had no power either but Jim's "Retirement" battery powered florescent lantern provided light for card games so the time passed quickly until the sewers backed and flooded their rooms. All ended well as the Inn gave them two dry rooms for the price of one so Jim was quite happy.

Some of the other sailors staying at the same Inn were not so pleased as the ceiling in their room came down. Luckily they were not in it at the time.

Cal Schmiede and crew, also staying in an RV Park was forced to leave so Cal just moved in alongside McDonalds. When the wind changed, they turned the nose into the wind. A trick all good sailors know. Carl and Jean Eichenlaub of California first checked out the local school for shelter but decided since their dog wasn't welcome, neither were they. The school had no power, no food, no heat and lots of noisy people. They returned to their RV, drove to Sail Newport, parked, took showers and had a hot nourishing dinner while watching the fury of the hurricane on Newport Harbor.

A "Bunch of Weenies" of Hamilton, Ontario fame, staying at the Salve Regina University Dormitories, found that by placing candles at intervals around the pool table, play could continue uninterrupted.

Also staying at the Salve Regina, Dave Adams and Jim Allen put on wet suits and tempted their fate by body surfing off the stair platform leading down the cliff to the sea. Rumor around is that Jimmy was almost washed off the platform.

Lal Burridge of St. Louis, MO, renting a home on the Atlantic side had sea water coming over the sides of the cliff. Power was not restored for the remainder of their stay.

Nabil Tabet and crew from Quebec thought the hurricane lots of fun and went beach walking until the police told them to go home. Nabil still did not recognize the danger until the shingles from a near by roof started flying through the air. After all, Quebec doesn't have hurricanes.

Mark Whatley and Leslie of Michigan, discovered extensive damage while dropping their mast Sunday evening. Mark claims he spent most of Monday at Sail Newport and about town looking for a replacement.

During the storm, with nothing better to do, some sailors from Vermont and New Jersey, toured the Fort and leaned into the wind. They became the "Ivy Guys" as the Fort has a secret defense — Poison Ivy. Some fun racing with the itch! Do you think the Poison Ivy plants were there when the Fort was built and did the Brits get it? Mary Huntsman can't recall reading this kind of thing in the history books.

By early afternoon it was evident that power would not be restored and we were told to launch our boats via the ramps. About half the boats were in the water when the Governor of Rhode Island flew over the state park in a helicopter to assess damages for Federal Disaster Aid. All races were postponed for the remainder of the day and we all scattered

to do our own things.

We decided on a day of shopping in those fancy little boutiques and ran into many fellow sailors. Shops were open, even without power. However, shopping was a problem unless you had "hard cold cash". Plastic doesn't work when telephone lines are down and card approvals couldn't be processed. Adrian Irving made a statement that this years NA's were costing a lot of cash with his wife's shopping. Gasoline pumps also work on electricity. Even if you had the cash, you couldn't get the gas for several days.

Wednesday, we didn't sail either. The Harbormaster closed the harbor as there were too many wrecked boats, submerged debris and "pea-soup fog". We still went on the Harbor Cruise Wednesday evening for a hot meal but all we saw were ghost-like images. It was still a good party and as mariners ourselves, we appreciated the ability and knowledge of the Captain.

After the cruise, a group of us, including ILCA President Mike Huffman, wife and crew were invited aboard the J Boat "Shamrock" for a private tour and party. Our appreciation of just how little a Lightning is was dramatized when viewing the huge cleats, blocks and fittings necessary to sail "Shamrock". The mainsheet alone was 400' long. Shamrock had ridden out the hurricane at their mooring and spent the day fending off boats that had broken loose from moorings. We were all tired and expecting a heavy sail day on Thursday, retired early.

Many parts of the Island still did not have power by Thursday morning, but Sail Newport did and the Championships started after only 2 qualifiers. Hurricane Bob was over but the effects were still evident. We all had experiences and saw sights we will never forget, but was this the place for sight-seeing? Hurricanes are dangerous and I wonder if the Lightning sailors gave it the respect due. None of us were injured but?????. Hopefully, we all learned a few good lessons. Would we do anything different? I would, how about you?

Fog in Rochester, hurricane in Newport, what in Buffalo? Whatever, we will still be there.

1991 North Americans or The Year of the Hurricane!

By Jody Lutz

As I prepared for the 1991 North Americans in Newport, I was lucky enough to enlist the help of two great people, Ched Proctor and Hale Walcoff. Hale was fresh off winning the World Championship and Ched's success in the Lightning Class is legendary. Our biggest concern was whether all our heads would fit under the boom! Due to scheduling constraints, it was not possible for us to do any regattas together prior to the North Americans. Ched did sail with me in the Districts and Hale joined me for the Atlantic Coasts. After these two regattas I was able to get a feel for how the three of us would work together as a team. It was interesting sailing with Ched. Our sailing styles are totally different, but after hundreds of hours sail testing against him, we both seem to get the job done. Once this was settled, Ched assumed the role of "Dr. Boatspeed". He was in charge of making sure the boat was set up properly for the conditions, hiking hard, and watching the "BIG" picture as far as tactics went. Hale, on the other hand, was focused on tactics, compass, and crew weight and distribution. He also makes the best lunches! We were now ready for the qualifiers to start. Tom Allen Jr. was the star of the qualifying series winning both races. We did okay with a six and a two, but knew that we were going to get better the more we sailed together. Unfortunately the qualifying series was shortened because of the now famous hurricane "Bob". In fact, due to numerous problems stemming from the hurricane, racing was cancelled for three days. Lightning sailors always find something to keep them occupied. Whether sitting in a pile of poison ivy like Brian Taboada, or John McIntosh, organizing a Boccie Tournament things never got boring. Frankly, I got tired of listening to Dave Starck talk about all his girlfriends, so Ched and I headed back home to Connecticut for a change of scenery.

On Thursday we were finally on our way out to the first race. After having sat around for three days our anxiety level was quite high. As we sailed out to the race course, I called a team meeting. I like calling the team meetings. Especially considering the fact that my crew has no choice but to listen or jump overboard. Anyhow, Hale, Ched and I talked about the scenario and how the whole regatta was down to two days and therefore things were going to happen fast and furious. We felt it was extremely important to get off to a good start and try to keep things rolling with momentum.

With the race course being just north of the Newport bridge, we were confident that the right side of the course would be favored in the building seabreeze. At the start of race one, the leeward end was favored by 15 degrees. We had a great start just above the pile-up at the pin, and tacked onto port immediately. With the majority of the fleet to leeward and in our mainsail TV screen, I was confident we could get boat speed to the favored right side. As we got close to the starboard tack layline, we decided to lead the fleet back left. This worked out okay, except for the fact that Tim Healy hit the right hard and rounded on our tail in seconds. From then on, we were able to lead the parade to

the right giving us a comfortable cushion. The last beat got interesting, as we started to sail through the yellow fleet. After an intense tacking duel tacking dual with the leaders of the Governors' Cup, we managed to finish first with Tim Healy second and Jack Huntsman third. Obviously, this is how we wanted to start the regatta. Now we had to keep it up.

The second race on Thursday was started in a freshened seabreeze with the right side looking like the way to go. Our start was good, but we could not tack and get to the right like we wanted. By the time we could tack, we were lifted big time on starboard. We decided to wait and see if we got any lefty at all because if we had tacked now, we would have been close to last anyhow. Sure enough, the breeze came back left 15 degrees and along with Stu Nickerson, we tacked to port. Things look good; so good in fact nobody on our boat wanted to acknowledge this, like it would jinx us! As we converged with the leaders from the right, it was close but they had a small lead. A couple of quick tacks in phase got us around the windward mark in second behind Tim Healy (sounds familiar, doesn't it). Close behind were Stu and Brad Read. The reaches were uneventful, except for the leeward mark rounding. Somehow our spinnaker sheet went under the bow. This is a major accomplishment considering we had a 4" batten taped to the bow so as to prevent this situation. I am not one to lay blame on anybody for this — right Ched! Unfortunately we had to tack onto port and sail through the spinnakers while I hung off the transom trying to untangle the sheet from the rudder. This let about eight

boats get to our right, not quite the thing we wanted to happen. Tim Healy continued his hot sailing and lead from wire to wire to take the bullet. Stu Nickerson was second, Brad Read third. Bill Fastiggi fourth and Mark Whatley, who sailed a great race, was fifth. After two races Tim Healy led with three points, we had eight, Brad Read and Bill Fastiggi had nine. Although still early in the series, Tim had a good jump on us and he sure was sailing well. We noticed that Tim was very aggressive about hitting corners. On this particular race course, going to a corner was definitely the way to go. I called another team meeting. If corners were working, as they seemed to be, we would play the game too. Our strategy for the third race was to hit the right side hard and as soon as possible after the start. We started up by the committee boat and had a good start. We could not clear the boats on our hip, so rather than wait we tacked and ducked their transoms. This got our nose poked out heading to the right. I seem to remember mentioning to Hale and Ched to get comfortable because we are going to be on this tack for awhile! By now, most boats had figured out the right side was favored, so everyone was not on port tack heading right. It was interesting to notice that the boats in the middle never seemed to have the breeze like the boats on the sides. We actually overstood the starboard layline with the intent on getting the puffs first and rolling down with velocity. This worked out well, with us getting to the windward mark in a tight bunch which included Tom Allen, Jr., Dave Peck, Brad Read, Stu Nickerson and Jack Huntsman. With excellent boat speed and handling Tom Jr. broke away from the pack along with Peck. These two never looked back and finished in that order. On the last beat we were able to get in phase to the right and pass Huntsman and Read, and come close to catching Nickerson. The Race Committee should be commended for a job well done. They got three full length races in one day! What a great day of sailing! On the sail in we tallied the scores and to our delight we were leading with 12 points followed closely by Tim Healy with 13 points. Stu Nickerson with 14 points and Brad Read had 15 points. With one day of racing remaining, it was anybody's regatta. That night we all went out to get some pasta so Hale and Ched would have plenty of strength to carry me the next day. Besides watching Ched eat, I was plenty amused by his son, Thomas terrorizing the other customers in the restaurant with his sword.

As Friday dawned, it looked to be a typical Newport day. The Race Committee indicated our race course would be outside in Rhode Island Sound. This brought a smile to my face. I have been fortunate enough to sail numerous big boat regattas outside and knew what to expect. Not leaving anything to chance, we left the dock early to check out the race course area. The wind was out of the southwest and looked to be building. There was also plenty of chop mixed in. If all my time sailing in the Barnegat Bay chop was going to pay off, this was it! Once again, our strategy was to protect the ride side of the course. One big factor outside with the haze was the inability to see the windward mark. This made us tentative to hit the right as hard as before. At the start of the fourth race, we bailed right early and lead the parade right. With our competition to our left, we wanted to consolidate early and not get to the layline. Things were going well until the last quarter of the beat when we got out of phase and rounded seventh. Stu Nickerson nailed the last part of the beat to round first followed by Jim Cameron, Steve Hayden, Jack Huntsman and Brad Read. Tim Healy rounded right

behind us, and things remained status quo on the first two reaches. Up the next beat, we got by Hayden and Read and rounded fourth behind Nickerson, Cameron and Huntsman. Tim Healy hit the left corner and lost about ten boats. On the last windward leg, things really got confusing as we started sailing through the yellow fleet. By this time, Nickerson had a comfortable lead but we were pressing Cameron and Huntsman for second. As things started to get close, people became defensive and the oxygen masks deployed from the boom. Unfortunately for us, Hayden and Read came in from the left to just cross in front and beat us. The order of finish over the line was Nickerson, Cameron, Huntsman, Hayden, Read and us. As we made our way over to congratulate Stu, he informed us that he was PMS and did not get a gun. Also getting the PMS hook was Steve Hayden. This was extremely unfortunate for both, as they sailed a tremendous race. This really changed the scenario. We led with 16 points, followed by Brad Read with 18 points. Next closest was Jack Huntsman with 27 points. With the day getting late and the time limit looming, it looked as though we would only get one more race in. Basically it was a two boat regatta. With Brad having to put a boat between us to win the series. With the pressure on it was important to get a good start. That in mind, I got a terrible start and had to bail out. Our trouble was just beginning, as we were immediately tacked on. We now had to tack back left and go behind Brad. Wanting to protect the right side, Brad let us get to the left of him. We continued left until we got a clear lane to get back right. On the trip back to the right we were able to shear off of Brad and at the next crossing we had him by about two boat lengths. We took the opportunity to tack on Brad and force him back to the layline. We were able to sail in a clear lane, while Brad suffered in the wall of starboard tackers on the layline. I

When you win the North Americans, you dance! But, on the table?

really don't know what happened at the head of the fleet as we rounded about tenth. I do know that Tito Gonzalez and his all-star crew jumped out to an early lead and held it to the finish, with newly crowned Master Champion George Fisher second. Getting back to our situation, Brad was about ten boats behind, but got into the low road on the reach and looked to be getting back in it. Unfortunately for Brad, he ended up in a mess at the jibe mark and lost more distance. From then on it was just a matter of holding our position and keeping Ched calm. I put Hale in charge of that! It is kind of a strange feeling going up the last beat, knowing that if your mast doesn't break or you don't sink you will win the North Americans. It is a feeling I will not forget! What a thrill to cross the finish line and win the North Americans!

There are many people to thank. Most importantly I want to once again thank my crew Hale and Ched. These two did a fantastic job and really helped keep me organized and focused. Thanks guys! It seems as though the last two North Americans have been a little snake-bit when it comes to weather conditions. I know I speak for the rest of the competitors, when I thank all the hard work put in by the regatta committee. I especially want to thank the regatta chairmen, Phil Lotz, Kip Hamblet, and Don Barrett for their effort. I also want to thank my brother Jay. It was Jay who really helped me get started in the Lightning Class. Maybe now after equaling his winning the North Americans, I won't take as much abuse at family gatherings. Anyhow, thanks bro! It'll be fun returning to Buffalo in '92 trying to

defend. Although no matter what happens in the future, winning the 1991 North Americans was a big thrill!

Jody Lutz, 1991 North American Champion.

1991 Presidents' Cup

By Mark Osterman

The last time I had been in Newport, the America's Cup resided at the New York Yacht Club, and I had been there to cruise, not race. Still, I had fond memories of the sailing and apres-sailing. So I was really looking forward to the N.A.'s

Not only would we be sailing in Newport but this would be my first N.A.s as a skipper, and the first for my wife, Jane. In fact, it would be Jane's first sail on salt water.

In mid summer, our regular third crew decided not to go to Newport. We were lucky to find a real gem to take over the middle spot, Mike Cimonetti from Burlington. Mike is a former competitive swimmer and crew aboard the Formula 40, Adrenaline, and throughout the regatta showed a fantastic winning attitude: always positive, giving 110 per cent, even after a bad attack of poison ivy, contracted during "Bob"!

We arrived early and were one of the first boats to get through Kip's efficient measurement process, so Friday afternoon we decided to go for a sail. Rounding Fort Adams, I turned left, even though I suspected most of the racing would be to the right, in the Bay. It was blowing reasonably hard, and a good sea was running, at least by Lake St. Louis standards. Jane, up front, was suitably impressed, and later on in the week would be found at Team 1 buying a dry suit. We sailed half way out to the Tower, turned around, popped the chute and had a great ride home.

In the qualifiers, a bad first race and great second race put us in the Presidents' fleet, in good company with some great sailors. It seemed to us that in order to do well in the Bay, it would be important to get good clean starts, quickly pick the

correct side, and try and stay consistent. Tom Allen, Sr. must have done all of that, because he finished the week with a 13 point lead over Mario Buckup. Tom and Mario were both unbelievably consistent and would have dominated even more if there had been a throw-out.

As I write this in the middle of winter, the races themselves are a bit blurred. For the three races in the Bay, current and wind velocity played a big role. In the first or second race, I recall sailing way past (100 yards!) the starboard lay line, and making out really well. I also recall gaining and losing lots of places in race No. 3. I didn't figure that one out at all!

Bennie Moultrie sailed well in the Bay. He and Tom were only ones to stay in single digits for all three races. Paul Gelenitis would have looked good were it not for a DSQ. Don Brush was also in the thick of things.

The last two races "outside" brought a whole new cast of characters to the fore. Bob Wardwell with a 6-2 moved up dramatically. Jim Allen and Franz Edson had better results than in the Bay, and Carl Eichenlaub aced the last race. Going right seemed to be the way to go particularly in the morning race where it seemed you could never be too far right.

All in all, the N.A.s in Newport were a great success. The Race Committee and Organizing Committee did superb work in difficult circumstances. For us, our first N.A.s was a success too: we sailed some good races, one great race, made lots of new friends, ate lots of seafood, saw a hurricane...is this Class great or what!

1991 Governors' Cup — B.S. Isn't Everything

By Chris Vann

As we all have heard or experienced the '91 NA's was one for the history books. Hurricane Bob tested our class's fortitude arriving in Newport three days into our big event. Bruised in the qualifiers and then frustrated by the storm, sailors in each division were treated to two intense days of great racing. Congratulations to Jody Lutz, Tom Allen and Crews for their accomplishments and to all the competitors who made it through the distractions provided by 'BOB'.

It was a whirlwind year for our team in addition to the craziness at Newport. Our middle of several years, brother Len, decided to honeymoon on the West Coast and missed all the excitement. We spent the summer developing a new team with the addition of an outstanding young sailor, Theresa Parker, and moving my versatile wife, Barb, to the foredeck. Thanks guys for dedicating the time to work with me on those summer nights when I was slightly hysterical. As the summer progressed we enjoyed moments of brilliance and great boat speed (B.S.) against the toughest fleet in the country.

We entered the Governors' Cup cautiously optimistic wondering what the competition would be like. With the two race Qualifying Series we knew the fleet would be stronger than usual. We thought Jon Schwartz was one boat to beat with strong finishes at the Volvo in Newport three weeks earlier.

Day 1 — The prehurricane 20-30 was down to the standard 10-18 SW which was certainly welcomed by our 420 lb. crew. With a good start and good B.S. we approached the first mark in 1st and not surprised to find Jon 1/2 boat back. He picked us off at the mark and went on to lead us around the course. Fay Regan led the next group of Ed Roseberry, Steve Thomas, Nabil Tabet, Adrian Irving and Bob Franke. Over the course Fay and Ed broke away and charged up to threaten us on the last leg. The highlight of the day was rounding the leeward mark on the olympic course with the leaders of the National fleet. Jon was one boat length ahead and working right. I cleared and found myself 3-4 lengths to windward of Jody. I cleared again and tried to find a lane that wouldn't affect Jody, Tim Healy and Jack Huntsman. We finally settled down and sailed that leg boat for boat with Jon, Fay and the top blues. I was thinking boy! We Govies all got good B.S. Well, that was their finish and Jody's bullet. We went on to finish our race, Jon (PMS), Us 1st, Fay 2nd and Ed 3rd. Now we knew people were fast and could handle their boats. This was going to be a good challenge and winning would be tough.

Race 2 — With the pin slightly favored, the fleet started down the line. Well, 'forget it', getting right was the key. We were held left and took a while to get over, rounding about 8th. Our downwind crew work was slick with Barb on the pole and Theresa on the strings. We closed on the leaders and picked off two boats upwind. Fay was on our tail and we worked hard to keep her there. At that time we were 2-3 for the regatta. Jon and crew were brilliant and led wire to wire.

Race 3 — This one felt good! We got a clear start and after a couple of tacks we were behind but to weather of Jon. Being in the groove with a little velocity lift and good B.S. put us in front. We covered the rest of the race and had an 'almost' comfortable lead at the finish. Preoccupied with Jon we finally looked back to see Adrian Irving, Ed Wagnon and Ed Roseberry closing. Jon covered Adrian and we relaxed the last 200 yards. The sail in was fun with a 2, (1), 6, 1 we knew we were in good shape with Jon five points ahead.

LIGHTNING PEOPLE ARE THE BEST! As we hit the dock, Barb transformed from a focused foredeck hiking machine to a concerned N.A.s Social Committee Chairwoman. I think 'BOB' was particularly hard on the Regatta

Committee. Thank you all for your unselfish effort.

While Theresa and I put the boat away and savored a good day, Barb rushed off to help Bonnie Foley, Wendy Lotz and others put on one of the most memorable events in Lightning history at Ocre Court. The candlelight added an air of days gone by in the grand Newport mansion, what a great idea ... you're kidding, there wasn't any electricity four days after the storm? Cocktails, clams, lobsters, prizes and super photos were all too much and I found a big armchair in the great room to finish the night. I noticed others in the same state. It was a full day of doing what Lightning people do best.

Day 2 — Friday was a great New England Summer day and our first racing outside at Newport. We were helped out by Jon's PMS and led going into Race 4. Paying alot of attention to the position of our Niantic teams (Healy, Healy, Peck and Woodruff) in the blue fleet gave us a good feeling for going right early in the leg. The pin was favored and we crossed most of the fleet as we got right. 2nd at the first mark we were lucky enough to roll the first boat early in the reach and open up on the fleet to have a comfortable lead through-out. We returned to the start area to learn our boys (Tim Healy, Mike Vann and Bob Almeida) had PMS'd to lose their Number 2 position in the blue fleet. We were very disappointed and depressed. We then learned that the 2nd, 3rd, and 4th place boats in our fleet had also PMS'd in Race 4. We felt really bad for everyone including Jon from the day before. It took until one minute to go to shake the bad feelings and think about winning the regatta.

Race 5 — We had a hole to leeward and were well off the line. 6,5,4,... 'Go, Go, GO, wha're ya doing? At three

seconds to go I dove out of the front row and we started in row two but not over early! We were relieved. We worked hard to dig back and finish 4th. We couldn't close on the leaders and watched Jon lead wire to wire, again to no avail as the dreaded '91 N.A. PMS got him again. Ed Wagnon and Fay Regan were 1,2 with strong sailing after their Race 4 PMS.

We knew we had won and had a great sail into Newport recounting the two days, kidding each other about the screwups in the Qualifiers and remembering Jon's PMS finished PMS (1), 1, 2, 2, and PMS (1).

I complimented Barb and Theresa on their great crew work and they told me I sure had a lot of good B.S.

The Cup of Champions — Ingredients for the Success of a Regatta

By Paco Sola'

Start of Race 1. Qualifiers for the 1992 American Airlines Cup of Champions.

At a time when the Lightning Class was suffering almost complete inactivity in our area. The Board of Directors of the Salinas Yacht Club decided it was, once again, time to do something for the Class that has given the Club so many glories in the past.

It was in this way, and tied with the Club's 50th Anniversary, that the "First Annual Cup of Champions" was developed. The main objective of the regatta was, and still is, to promote the Lightning Class and to bring up the competitive level of its members.

I am sure there is not a single regatta like this in the whole world. If you don't believe it, just ask yourself where in the world sailors are invited — all expenses paid — to come sail in the best one-design boat there is and in one of the best race courses in the entire planet. Not to mention our people's hospitality and the perfect weather that one encounters in Salinas.

This may look like an advertisement for the regatta, but it isn't! You see, the organizers are very picky with the sailors they invite. Usually they invite three crews from North America who have recently won major Lightning events, and to that list we add the current South American Champion. These people are given a new boat to sail, free airline tickets, free food and free accommodations. In turn they will just come sail, have tons of fun and give the locals a short sailing seminar. They will get more than just a free regatta, for after its all over, they will keep Salinas in their memory for years to come, hoping to do better in next year's regattas in order to be invited again.

Although we can only invite a given number of people, we

Paco Sola is the Secretary of the Salinas Lightning Fleet 405.

think that the whole event is worth attending. In fact, the regatta is open to anyone who wants to come, provided they are good sailors and they pay for their airline tickets (you've got to be a nice guy too!).

We believe the regatta has been a complete success in its two past editions. Already we have had people like Ched Proctor, Tom Allen, Jr., Mario Buckup, Brad Read, Colin Park and Dave Starck sailing against local shots like Juan Santos, Paco Sola (Senior), Juan Carlos Plaza, Miguel Plaza and up-and-coming sailors like Carlos Lecaro, Johnny Meira, Santiago Romero, Jimmy Pazmino, and the list goes on.

The success of the regatta has been tremendous. Last year we had record attendances to all races prior to the Cup of Champions, boosting the competitive levels of the fleet still higher. This year we not only plan to race qualifiers before the Cup, but have already increased the Lightning fleet with three new boats.

You may say these people are crazy, running a regatta without asking for a penny! You may also say that's not the way they run regattas in any other place...

Then again, Salinas is not like any other place.

Dealing With That Young Contingent

By Bruce Goldsmith

Many years back I wrote this same article on my peers in Lightning sailing. I'll now try to point out the strengths and weaknesses of some of my favorite young guys. These are the rock, ooch, pump kids that have been throttled by the kinetics rules. I congratulate them on getting with these rules. However, that vintage did teach them boat handling and everyone of them is super at it.

Hopefully all will take my comments in fun and all of you will know them (these young sailors) a little better.

Brad Read

The best inland lake sailor the Class has ever seen. He has also improved greatly from his handle of "The new Jim Dressel." Makes huge comebacks from individual race adversity, if he's winning the series your best chance to catch him is light air on big water for the last race or two.

Jody Lutz

Not quite as good lookin' as his brother Jay, but just as nice of a guy and just as good a sailor. "Broke out" with a big win at the 1991 North Americans which could pump him up for more victories to come. I'm 92-89 with him in match races, on the last leg of a race so I guess the only chance we have is to set the time back and match race.

Dave Dellenbaugh

Always impresses me with how bad he can be early in a race and early in a series and still win. He's no dummy and he's patient. Our World Champion probably keeps more inside his brain than most of us could consume.

To beat him, hope for the natural phenomena of "Tacking on the gold flashes" when they are deep.

Bill Faude

Has all of the characteristics of a creative genius and the best improviser in the Class. Can borrow anything and make it faster than it's owner did. Now that he's working for Lightning Sailor Tryg Jacobson and buying his own boat, sails, car, clothes and crew, we can hope for a lull in his winning. However, Bill is living proof that nice guys with talent can be winners.

Jody Swanson

If you know Jody's parents, you are not surprised by the rise to stardom for this attractive young lady. We're just pleased she chose sailing so we can all "claim her" as one of ours. I've seen her win St. Pete in 3 knots and pinch me off after the start in 22 knots. I guess our only hope is she someday will marry a guy who won't let her sail so much. We don't really mean that, of course.

Jim Alman

Has deceptive speed in the open water and is super aggressive on the corners. I'm guessing Jim has fantastic concentration that we don't detect around the Coral Reef Y.C., Miami swimming pool. Unlike my record with Jody Lutz, I always lose the match races with Jim. To beat him you have to create some off the water distraction that either concerns him or interests him and that's hard to do on an 85 degree December weekend on Biscayne Bay.

District. **Sean Fidler** won a Pan American gold medal as crew for Matt Fisher and won the Candy Stripe a couple of years ago. He develops blazing speed upwind. Sometimes he can be distracted in jams. Look out with age and experience.

Dan Norton wins our Fleet Championship at Devil's Lake. Sails a lot like Brad Read, hence really tough on inland lakes. Best bet to beat him is to steal his crew (finance'), Linda Schulte.

George Sipel won the Michigan Jr. Districts about 12 times in a 10 year span. With super crew Craig Gabel you don't want to be just in front of them on a screaming reach. Their spinnaker work will get you. As these guys sail on my J-29 they've inherited some of my party habits. You have a better chance on Sunday against these guys.

Mark Whatley—Here's a guy who has really worked at it. Ninth in the North Americans in 1991 has to show the most improvement. His attention to detail and work with his crew of Leslie Fink and John Morley has been impressive. One way to rattle Mark is to get Hank Hodgson right behind him on a reach and encourage Hank to go high (a feat in itself).

"Make Sailing Available To Your Kids"

George and Greg Fisher

George —

I certainly do not consider myself an expert or an authority on this subject. However, I've been asked to give my ideas on the dos and don'ts of getting a young boy or girl interested in sailing. I, of course, relate back to my experiences with Greg and Matt and the junior program at Buckeye Lake Yacht Club in which I've been active over the years. I'm sure there are all kinds of ways or alternatives available to do this and *these are only suggestions*.

The greater percentage of junior sailors are exposed to sailing because their parents are active in sailing and usually racing; and the parents would like to sincerely and unselfishly have their kids enjoy sailing as much as they do. So, let's look at this situation involving the parents. I'm not trying to suggest how junior programs should be structured—this is just from parent to child.

There is no ideal age to start your kids sailing. It depends on them and, just as importantly, you. Do they have any interest and are you able and willing to spend the time? The latter is just as important as the former, if not more so. Let's assume the answers are yes to both questions. I do think the younger you can get them started, however, the better. I wince when I see a five-year old because that seems so young to me today, but Greg and Matt could steer a boat on their own at that age. I don't know what that means except I think the younger they start, the easier it is for everyone.

Don't immediately put them in a racing or competitive situation. It might be a positive experience for them, but chances are they'll be intimidated either by their peers or you. And they might not be ready to see or understand you in a competitive posture.

First, you have to get them to like or enjoy sailing. Just let them sail. So they over trim the main, or pinch, or periodically get confused—so what? If they enjoy it, they will want to get better without your badgering and then they'll ask for your suggestions.

If you can work it out, let them take a boat out by themselves, in light air, naturally, and even if it's a Lightning (a smaller boat is more preferable at this stage). Take the jib off and just let them sail around. I also think it is better at this point if they are by themselves because then, they'll be doing it all and figuring things out on their own. Don't push them! If they want to come in, let them come in; if they don't want to go out, don't make them go out. Your kids will go through different stages that you just roll with at the time. At different times in their young careers, they might either be intimidated by heavy air or lack the patience for light air. But they will work through this; your job is to keep them from getting discouraged or disenchanted.

The two or three of you ought to go out as often as possible, after a race, or on a day when there is no racing. Just sail—you have a tiller and let them crew for you and then switch. Let them make mistakes and screw up—no big deal. You're trying to get them to *like* sailing, and hopefully,

Greg, Matt & Dad
1965

racing.

As far as eventually crewing with you in a race setting, *let* them crew with you, don't make them—like a family duty or responsibility. If they do crew with you, talk about the race afterwards. Let them sail the boat in from the race and stay out with them if they want to sail. This is a two-way deal—you want them to get involved, so they have to have the interest to become involved. But you also have to make these commitments.

When Greg and Matt became interested in crewing, they would take turns and then the one that wasn't with me would crew with someone else in the fleet. Both of them have done a lot of crewing for Jim Dressel who was a very good teacher.

I made a serious mistake by crewing for Greg in the North Americans in 1967 in Cleveland. Matt had crewed for me at The Worlds in Toronto the week before (he was eleven and did great), and so then I crewed for Greg at Cleveland where we qualified for the Presidents' Cup. But rather than letting Greg make his own decisions and enjoy being the skipper, I was on his back all the time. I was stupidly too concerned about where we finished rather than letting Greg sail his own boat and make his own moves. I know Greg had a horrible time and I felt lousy about it afterwards (still do). I think when we crew for our kids, we should let them make the decisions and then talk about their decisions after the race. Don't argue with them during the race; it will take all the fun out of it.

I think it's easier all the way around if you possibly would

be able to provide them with their own boat, like an Optimist, El Toro, or a Penguin. I personally think a Laser is too much for any kid who is either fairly young or light. But then, they have their own boat, they can take it out when they want to and also, take care of it themselves. When they outgrow their boat, if it's been taken care of, you probably can almost get your money out and whatever you do lose, it's worth it. But if you do do this, I again would not put them in a racing situation unless they're really driving you nuts to do it. I'd be afraid again of their being intimidated when they're just starting.

Once they're hooked, it's all downhill from there. Your toughest adjustment then, is going to be when they know more than you do and aren't agreeing with everything you've been telling them in the past. I had some problems with this, but worked through it. I really enjoyed crewing with both my boys once I learned how to keep quiet, but again, that's not easy. After all, you've been teaching them sailing for some time, and all of a sudden, it seems, they're criticizing your crewing attributes and I say again, that's tough. It's interesting how these things turn around. Now I really enjoy having Greg or Matt crew for me and they can tell me what to do and I like it and do it. They each can talk to me and actually tell me what to do during the race in a way that just makes it fun. When either one of them crew for me, it's really the high point in my sailing now.

But it's all worth it—you're exposing your kids to be greatest sport of them all—a sport they can participate in as a junior, in college, and literally, all their lives. They'll be meeting and sailing with great people, great sportsmen, and hopefully, will appreciate what you tried to do and in turn, pass it on to their children and so on. And, isn't that what it is all about!

Lisa and Amanda

Greg —

I'm writing my section of this article after having just spent two days in a little rubber boat watching the Optimist Midwinters. The Optimist is an 8 foot dinghy designed strictly for junior sailors up to age 15. It is already a huge class in Europe and is exploding here in the United States. At the Optimist Midwinters there were 75 boats!

I rode in this little rubber boat with two extremely enthusiastic parents of two of the better sailors in the regatta. It was fun watching their kids sail because, not only were they sailing extremely well, they were having a lot of fun...

While these two Dads were enthusiastic about their kids winning, they were more concerned about their enjoying the sailing. Don't get me wrong, they definitely wanted their kids to do well and would do whatever it took to help them perform at their best....Except push them. Both Dads said that the key was not to force their kids to sail or push them to do well. Instead the slogan of the day (and as I found out, the weekend) was "Make it available for them."

When Matt and I first were becoming interested in sailing, my Dad never pushed us to go out on the water and sail. We'd take turns crewing for him in fleet races and if there was a shadow of a doubt whether we wanted to sail or not, we rarely went. As time passed, Matt and I grew to love to sail every weekend and in between if we could. We rarely missed a race with Dad, and often had pretty good "discussions" as little kids might, about whose turn it was to race.

While I have plenty of memories of those early days of crewing it is interesting that I don't remember much about winning but more, just how much fun I had pulling the lines, watching the other boats, and helping Dad sail. It wasn't until much later that we definitely got into the "heat of battle" and learned what it was to try and win the race. It's obvious to us now how much Dad compromised his sailing so that we could crew for him and get involved with the sport. I'm sure that had he pushed us hard or made the goal to win, we probably wouldn't have taken to it. In the same way the Optimist parents at the Midwinters would never yell at their kids that they could sail better...or they didn't do a good job. They might offer comments like, "What do you think about pulling your outhaul a little bit tighter?" or "Do you think you were close enough to the starting line?" They made their ideas "available" just as dad made the opportunity for us to sail with him "available."

Not too long ago my wife, Charlotte, our two kids, and I went to a regatta at a small lake in Atlanta, Georgia. Charlotte and I were supposed to sail together and we had a baby sitter all lined up. Unfortunately, when we got there Charlotte didn't feel well and couldn't sail. Since it was a two person boat we were sailing I was in a bit of a bind, crew wise. However, there wasn't much wind and when my daughter Martha, then four years old, stated that she wanted to take her Mother's place, it seemed like the thing to do. Just before we left the dock, Charlotte reminded me with a question, "Are you going out to introduce Martha to sailing, or are you going out to win?" Of course my answer was "Who me? Try to win? No Way!"

Well, being over 100 pounds lighter than the lightest boats total crew weight wise and because it was blowing all of 2-3 mph, you might say we had pretty good boat speed. We somehow slid into the lead at the last leeward mark and actually extended just a bit by the finish. You might think that Martha would have been a bit enthused about our first

win together, but she had fallen asleep on the cockpit floor on the first reach. Still, it was quite a thrill for me... During one of the next races, however the breeze finally came up and actually blew pretty hard. Martha was having a blast with the boat heeling over and moving through the water a lot faster. This race we weren't so spectacular at the first weather mark. Since I knew it could do nothing but get tougher, I thought we might as well head in since Martha had been having fun up to that point. However, at that moment we got hit by a puff that sent us off on a wild plane (remember we're over 100 pounds lighter) and quickly we jumped into third place approaching the jibe mark. By her squeals I could tell that Martha thought this is what sailing should be all about. I was thinking to myself, "If we could just make it through this jibe we might just catch another boat on the next reach and then hang on upwind and still finish in the top...." Suddenly I remembered Charlotte's question and could picture her sitting on the dock wondering what in the world her daughter's father was trying to prove. Martha's squeals quickly ceased when the lead boat flipped at the jibe. It wasn't worth it. If we capsized it literally could have ruined sailing for her forever. We bailed out of that race and on the way in Martha couldn't stop giggling about how we were going faster than a motorboat, how the splashes got her wet... When we reached the dock Martha jumped out and announced that she couldn't wait to do it again... We certainly didn't win that regatta but Martha learned that the fun of sailing was certainly "available."

Now next year if we practice just a little more and get Martha some hiking pants...

What Works

by Dick Hallagan

Fleet 77 at Newport Yacht Club in Rochester, New York was chartered back in 1946 and for many years had Irondequoit Bay all to themselves for sailing and racing. At the present, there are 35 boat owners belonging to Fleet 77, plus another five social members of N.Y.C. that play a role in fleet activities. It is an impressive sight to see this number of Lightnings on their "boatlifts" at mid-summer. However, this is the 90's, and times have changed in a big way. To keep up with the times Fleet 77 has had to fine-tune their efforts and change a few rules, or one design Lightning sailing may fade.

Flexibility in the number of crew was an issue changed about 3 years ago. The I.L.C.A. specification calling for a skipper and two crew was leaving too many boats stranded at the dock wanting to compete in Fleet Races. This situation brought on the change to a skipper and 0 or 1 or 2 or 3 crew would be permissible in Fleet 77 racing. What a difference! First: it puts on the starting line an average of two additional boats in each race. Second: the boats racing with a skipper and one, pick up a speed edge which adds to the over-all competition of the Fleet. The individual who is the marginal type that day and probably would have said, "I am short, bag it", is now out there sailing and has a real good chance. The important thing is to get the boats out. Once just for fun, I sailed a race with four kids. What a gas! Five pairs of hands all over the place, and little people going everywhere.

Scoring fleet races and fleet series has received much debate every year. For years it was a percentage score, and averaging this score, with minimum races required to qualify. Once a boat established a good average, the owner would sit out a race or races not to risk hurting his average. A new system of points seems to work better because it encourages participation; one point to start, one point to finish and one point for every boat you beat each race. The more races one enters, the more points one accumulates. The system is aimed at getting out the boats and this should be the goal of Fleet racing. Over the span of a season (May to October) the point totals become very close between the regular Fleet Races (vs) the Regatta Races who is away several weekends.

About five years ago, Irondequoit Bay was opened to Lake Ontario. This has brought on a mixed blessing: access to the lake for open-water racing, while the power boat traffic in the bay during July and August has killed bay sailing on summer Sunday afternoons. Irondequoit Bay develops beautiful thermal winds (10 to 15 mph) on most days of the racing season, however power boats by the hundreds cruise the bay on a hot summer weekend. The compromise in the schedule was to keep Fleet racing on the bay during the Spring and Fall, going to the lake only during the summer. In July and August better sailing conditions appear to exist out on Lake Ontario, but the thermal winds out there are usually lighter and for some reason are apt to

die. Also, Lake Ontario does have some current which impedes the success of open-water racing. A race that starts, must have some kind of an end, not with the RC waiting for hours to get all the finishers. A compromise is needed to terminate extended drifters and still reward those who stay out to finish. We thank the RC should stay on station 35 minutes after the first boat finishes and record finishes, and at that point all boats still on the course be scored with a 2 point penalty beyond the last boat to meet the time-limit; PMS, WD, DSQ still get their penalty score. Thus all boats and the RC can get off the Lake if conditions go light.

These changes have kept this Fleet very active. Our newest member thought about it for three years before joining N.Y.C. Leaving a big boat at another location, he says the cost of a new Lightning divided into the experience of good

one-design sailing and the time spent, has equated into dollars well spent. His crew sees it this way: "on the big boat, I trim the Genoa and have to wait until tomorrow to see the corrected times. I don't know if I'm trimming the Genoa right or wrong. In the Lightning, the results of good or bad trimming are immediate — the reward is experienced while you are sailing."

One can write about all this, but it is the people who count. Of the 40 people in Fleet 77, 35 are actually owners., the additional five (none boat owners), have Lightnings in their blood. This group have readily undertaken position of Fleet Captain, Commodore, Treasurer, Food Catering. Come to Newport Yacht Club in Rochester, NY and check it out.

Group Dynamics

A study of a Lightning team, their responsibilities and psyche.

By Brad Read, Betsy Alison, Terry Hutchinson

When Bill Neal approached me about doing this year's Year Book article I drew a complete blank. There are only so many times you can hear about sail trim and rig tuning before your mind turns to mush. What I came up with is a 3 tiered outline on a Lightning team's responsibilities.

The 3 "outlines" that you are about to read were put together by Betsy Alison, Terry Hutchinson, and me, Brad Read. The instructions to each person was to fill in an outline comprised of:

- I: Dockside
- II: Pre-Race/Pre-Start
- III: The Start
- IV: Windward Mark Rounding
- V: Reach Mark Rounding
- VI: Takedown
- VII: Remainder of Race

I asked each of us to put our roles on and mentally go through a race day. What you are about to read is an unedited and (mostly) uncensored conglomeration of thoughts, from the three of us.

Skipper by Brad Read

Foreword by Betsy Alison

THE SKIPPER — Brad Read

I. Dockside

- A. Set Goals
- B. Make sure "paperwork" is done. Pre-register if possible
 - 1. Boat is measured and legal
 - 2. I make it a point to come to the regatta site with an accurate weather summary from a source other than the local news. NOAA is a decent avenue for solid weather information.
 - 3. On our boat the skipper makes sure that the

boat is tuned properly. Shroud tension, mast blocks, headstay length, etc. are set before the boat goes in the water.

- 4. Check to see if we have enough drinking water for the day.

II. Pre-Race/Pre-Start

- A. *Relax ...* There's not enough said about relaxing in this sport. If your boat is race ready when you leave the dock (as outlined above), then your sail to the starting area should be the lowest stress time of the day. This is a time to relive the previous day's and evening's events. Terry would usually take this time to discuss some bodily function which isn't working properly.
- B. *Preparation:* Practice driving. The skipper must get in tune with waves and wind conditions. Practice depowering and powering up the sails and relearn how the rudder feels in and out of the "groove".
 - 1. Make sure pre-bend and jib wire are set properly.
 - 2. Tack, set, jibe, takedown, round leeward mark/starting pin.
 - 3. Be cognizant of starting time and don't be too far away.
 - 4. Practice listening to your team
- C. *The Start:* On the way out I stacked up the competition and chose who the best starters were. We'll make sure that they have no opportunity to start on our lee bow.
 - 1. Avoid Collisions
 - 2. Do wind and line checks
 - 3. Formulate strategy with the team
 - 4. Set up to take advantage of strategy.
 - 5. Attempt to keep one boat length between you and the boat immediately to leeward while stay-

ing within a boat width of the boat to weather. This allows you an acceleration space at 15 or 20 seconds in which to get your boat going faster than upwind speed.

- a. *Good Start*: Make sure that boat is in *perfect* trim for conditions *immediately*. Put the blinders on and drive.
- b. *Bad Start*: Look for a bail out maneuver and listen to your team. There is no substitute for experience here.

III. 1st Beat

- A. *Shut up and Drive*
- B. Give most tactical calls to the middle and forward person. Best speed comes when everyone focuses on *own* job.
- C. Call crossing situations for middle guy, i.e. "we're crossing by 1/2 boat length" or "we'll hit him just about at the chainplates". This will give the middle guy enough info to call the tactical maneuver which sticks to your strategy.
 1. Keep tactician honest. Ask questions i.e. "are we up or down?", "how's speed?", "you got the mark". *Shut up and Drive!*

D. *Approaching the weather mark*

We tend to hand off the tactical responsibility to the skipper as we approach the weather mark. The skipper is in the best position to call crossing situations and can accurately judge his/her capabilities of placing the boat in a good lane in the last 50 yards of the beat. The skipper needs constant input now. Approaching breeze, boats, etc.

IV. Upon Rounding

- A. I call for either immediate or late set, depending on the mark placement and traffic patterns. If it's windy I have the middle person pull the centerboard up half way. If not, I leave it down for better pointing after the set. (I need to be reminded to raise it after we are full and going.) During the set I stand up and pull the spinnaker up from aft while steering with my legs. Sit back down and steer. Let the two other folks deal with the rest.
- B. The skipper must make defending attacking decisions within this first 30 seconds of rounding. Don't forget to ease mainsheet! Foredeck person and skipper then communicate on breeze, boat placement, strategy and tactics.

V. Jibe Mark

- A. Don't forget to steer around the mark.
- B. *Light air* — Put board down to 2/3rds down.
Medium air — Know where you are going as you turn.
 1. Wing boom across as you roll the boat to weather.
 2. Grab new guy from aft while middle crew pulls twing down or puts guy in guy clip.
 3. Steer, defend, attack, pull board up.
- C. Ludicrous speed — keep board way up.
 1. Make sure you are planing when you try to jibe.
 2. Snap the helm so that the boat goes through the wind fast.
 3. Avoid the dreaded hesitation when the main comes half way and then stops and fills the

same way (starboard tack).

4. I grab the 1 to 1 at the back of the boat and swing it as hard as I can once I've pushed the helm across.
5. Grab the guy and cleat it at your mark and hike while the foredeck gets the pole on.

VI. Douse

- A. Clear the halyard and centerboard pennant, preset backstay, Cunningham traveller. Call for jib up. Call for pole down, preset. Call for douse, let board down. Try not to let it slam.
- B. Count down the seconds or number of boat lengths before the turn. This allows everyone to know when to get their eyes out of the interior of the boat and concentrating on sail trim during the rounding.
- C. (This is key if main is way out and it is a tight rounding). Pull the main in around mark or call for a handoff to the middle guy. The helmsman must get the boat going max upwind speed immediately. Concentrate on driving and make sure that your tactician knows that you can hang in there behind someone or that you are in bad air.

VII. Rest of Race

- A. Stay positive
- B. Don't dwell on previous disasters
- C. If behind try to pass boats one at a time. Frustration only leads to further disasters.

VIII. Points to Remember

- A. The key to keeping a consistent crew is letting them know that you appreciate the effort they put in. This is recreation and if we get too serious we can lose people to other types of activities.
- B. Middle guys buy beer.
- C. When you don't do well remember that the skipper can't drive for beans and got a crummy start.
- D. When you do great, tactics were perfect and boat handling was smooth as silk.
- E. The skipper is seldom right!
- F. SHUT UP AND DRIVE

MIDDLE PERSON — Terry

I. Dockside

- A. *Psyche* — show up to boat ready to sail and be prepared to do whatever it takes to make the helmsman comfortable. Half of the job is preparing the skipper and making him feel relaxed.
- B. *Motivation* — It's the crew's job to be more motivated than the skipper on the dock. This shows the skipper that his team is psyched and ready to race.
- C. *Preparation* — Go over the boat and make sure nothing is going to break. Breakdowns are inexcusable and should be handled by the whole team. The middleman should also soap up the bottom, wet sand the centerboard and make sure the spinnaker is rolled and ready. Check the regatta notices and board for announcements.

II. Prerace/Prestart

- A. *Relaxation* — Middleman is responsible for making sure the team is leaving the dock on time. He is the tactician and they need to feel comfortable in the amount of time to collect information. Deep

breaths to relax when feeling stress.

- B. *Preparation* — Go through 5 tacks, 1 set, 1 douse, and five jibes to warm up. Go upwind on each side of the race course and get the proper numbers for each tack. Observe what is happening with the wind. Most importantly take this information and develop a game plan with alternatives.

III. First Beat

- A. *Jobs* — Make the tactical decisions and don't be wrong. HIKE!
- B. *First Shift* — want to have the skipper position the boat best for the first shift. This will be dictated when you start. Hike!
- C. *Middle of the beat* — Tactician, Keep the boat in phase while sticking to your game plan. Hike!
- D. *Approaching the weather mark* — avoid the laylines. Get the boat into a clear lane to approach the mark, while also keeping an eye out for traffic. Hike Hard!

IV. Windward Mark Rounding

- A. *Jobs* — Trim the jib while pole is being put up. Hike extremely hard! pre-feed the guy and trim sheet immediately after hoist.
- B. *Defending/Attacking* — Listen to Brad and Betsy criticize my chute flying capabilities. Whine about my arms, neck, and eyes hurting. And constant concentration on the spinnaker and boat balance if necessary.

V. Reach Mark/Gibe

- A. *Jobs* — Rotate spinnaker. Do not let the spinnaker collapse. Pull down new twing rest of way.
 - 1. *Heavy air* — Be ready to hike hard and plenty of ease on the sheet. It's normally the middle guy's fault if the boat broaches due to over trimmed spinnaker. Unless of course your helmsman SUCKS!
 - 2. *Light air* — Roll Gibe. Be agile and make sure the spinnaker does not collapse.

VI. Takedown

- A. *Jobs* — Pull the spinnaker down and be ready to help trim the main if necessary and Hike Hard!
Aside: Also while pulling the spinnaker down, get it wrapped on the shrouds and rip it to shreds.

VII. The Rest of the Race

- A. *Looking forward* — As the tactician it's my responsibility to make sure we either extend our lead or pass as many boats as possible. By allowing the competition to make the mistake and just being in position to capitalize on these mistakes.
- B. *Big Picture* — Always keep in mind about what has happened in the past few legs. Never get tunnel vision.
- C. *Small Picture* — Good time to concentrate on passing one boat especially by focusing on mark roundings or near the finish. Always have the big picture to avoid getting burned.

VIII. Middle Guy Blues

Always buy the beer, food, and pay for the hotels. Anything goes wrong blame it on the middle guy. Anything goes right it is normally due to excellent driving and jib trim.

FOREWARD — Betsy

I. Dockside

- A. Greet the competition. Read SI's/figure out who players are.
- B. Check scores and notices.
- C. Make sure we have water, snacks, sunscreen, sunglasses, Brad (with his coffee caffeinated)
- D. Leave dock first!! Become one with lake, bay, river, whatever.
- E. Check our list of things to do (or have been done) to make sure everything is a o.k.
- F. Take excess junk out of boat and make sure everyone has right clothes to sail in.
- G. Spare spinnaker pole in boat.

II. Prerace/Prestart

- A. *Relaxation* — discuss things other than racing — we know job to be done. Take a short nap, check spinnaker tapes and knots. Duck oncoming waves and dress for race.
- B. *Preparation — Prestart*
 - 1. Get #s (compass) on each tack — write them legibly down (are they straight on #s or from lubber line?) Tell Terry what # approximations are — find out what my highs and lows are for each tack.
 - 2. We do boat handling maneuvers. I mark hal-yard tension for jibs and jib car leads. A bunch of tacks and jibes, at least one set and takedown.
 - 3. We check the line a lot to determine favored end and head to wind direction. I try to note time we take HTW reading to figure if breeze is oscillating or is shifting persistently.
 - 4. Check current and get range.
 - 5. Get line sight on land.
 - 6. CHECK COURSE AND COMMITTEE FLAGS. NOTE AND WRITE THEM ON DECK. We formulate basic game plan for first beat.
- C. *At start* —
 - 1. I trim exactly to telltales on jib for speed — adjusting according to Brad's calls/direction (slow, fast, luff, etc.)
 - 2. I inform him of specific boats and people, and also boats coming at us to avoid collision. We talk about favored end and who is setting up where.
 - 3. I back up middle crew with 2nd running watch.
 - 4. I trim for start and hike like crazy. Immediately after start I figure out if we're up or down.

III. First Beat

- A. Up front I decide if we're up or down on the compass. Terry figures if we stay or tack. We work together giving Brad info on height, speed, pointing ability, if we need to pinch or foot. If we're stupid, fast or wicked slow. I generally call puffs (3,2,1 puff) and steep chop or bad wave patterns. Terry relays tactical info. Primary consideration is going right way in clear air.
- B. *First Shift*
 - 1. In prestart we try to figure out what phase we're in and where the first shift will come in from.

- Then we set ourselves up at the start for this.
- Object is to be able to tack on first shift (leader) therefore you must have *speed* and *position* at start. If not, we look for a chance to go the correct way, even if it means tacking and crossing *behind* boats, especially near the starting area in big fleet. Bail out if necessary, the earlier the better.

C. *Middle of Beat*

- We look for opportunities, hitting shifts better than competition. We try to think like the "other guy" and think several moves ahead. If we do X he'll do Y; if he does Y we'll do Z, etc.
- We look for lanes and use blockers. I try to look up course for breeze lines and indicators for shifts (smoke stacks, flags, other boats sailing). Always looking for windward mark for position on course.

D. *Coming in to windward mark—*

- I first look to locate jibe mark and find a reference it will line up with as we round. I set pole, hand Terry jib, unhook spin halyard and sheet from under leeward guy hood and play jib as needed. As we round we *hike hard to help boat bear off*. Terry slides in to throw chute and grab leeward spin sheet. Brad hoists, I pull guy back and immediately hike. Then we yell at Brad to raise the board. Jib is secondary — we can ease it to luffing point and take it down when and if possible. On reaches it's my job to hike, play centerboard, play vang in puffs, call puffs, and feed information as to whether people are attacking or defending behind us. Only three reasons why someone behind will go up. (1) Puff (2) They are attacking us to try to pass or (3) they are defending on someone who is attacking them.

- As we approach the jibe mark, I try to *locate leeward mark* and a reference point behind it. We look for and anticipate the opportunities at the mark rounding and we execute the jibe. Through the jibe, I preset new twing about 2/3 down then I release windward twing as we turn jibe pole and final trim new twing if Terry didn't get it. Terry flies chute through jibe. Brad throws main and steers boat to try to throw me off bow.

Light air: Everything is pretty easy (except flying chute). I jibe pole by either going on deck from leeward (so I can roll boat hard from deck level) or jibe from inside boat. My weight is forward and to leeward holding boom out. I make sure controls are eased and jib is down and out of way.

Heavy air: More jobs to do — hiking is key, playing vang, jib, centerboard, twings, reminding Terry not to be a girly man when the big puffs come.

When we are ludicrous speed — I hang on for dear life and try not to get upset when Brad yells at me for not listening. The only helpful thing to keep me hearing clearly would be a diving helmet, a periscope

and snorkel. It's hard to hear with wind whistling and underwater, so don't get frustrated with the "dry guy" in the back end. Just duck a few times when the waves come.

V. *Take down*

Approaching leeward mark — jib goes up and halyard is set to appropriate numbers. Outhaul goes on, board down. I take down pole and help Terry pull in chute if necessary (not too often). Then I trim jib as we round. It is key to know immediately what upwind numbers are — are we lifted or headed? This determines start of beat as well as if there are lanes to tack in if necessary. Make sure no lines or halyards are dragging in water!

VI. *Rest of Race.*

- Depending on our position after the first triangle the game plan will vary. Is one side still favored? Is breeze oscillating — what phase are we in?
- If we are ahead, we sail conservatively, staying between competition and mark — we try to increase lead if possible.
- If we are behind, we try to be patient, look for opportunities, capitalize on them when we can and pick off one boat at a time. Looking ahead is the only option. We try to find breeze before the other guy, play the shifts a little better, work hard on boat speed. The race is never over till you pass the line.

- It's important to know what you're focus is. Early in regatta (1st 3 races) we look at *big picture* and sail the fleet, going for it, not focusing on any specific boats. As we get into the series and the players sort themselves out, we keep an eye on specific people while still sailing our own kind of race. In the last couple of races, our focus may change to play with one or two boats depending on the score/points. It's key to know the points and prepare/plan for what you have to do.

VIII. *Points to remember*

- Middle guy buys beer
- Skipper pays the bills
- Front guy keeps other 2 organized and makes sure everyone fixes the broken parts.
- Remain calm and patient (deep breathing techniques are perfect)
- Look for opportunities
- HAVE FUN!

When this information was sent back to me, I was planning on writing an article based on the outlines. The way it is written here struck me as closer to the way that we all think on the race course. Sailboat racing is a reactive sport. We react to the conditions around us, we react to each other in the boat and we react to our competition. I hope that you had as much fun reading this as we had writing it.

See you in the spring!

Fleets: Sao Paulo (147); Guanabara (401); Guarapiranga (462).

With our minds focused on the Worlds in 93, we had a very active year at the Fleet and District levels.

Two crews lead by Nelson Schmidt and Michael Norris represented our District at the Worlds in Annapolis, having brought a number of ideas to be introduced in our Worlds.

Mario Buckup attended the NA's in Newport where he reported on the "light" winds.

Claudio Biekarcz was our representative at the Pan American Games, having placed third in a very competitive fleet.

With a high participation level fleets 147 and 462 have done great work in promoting the Class. Fleet 401 from Rio is increasing participation at regattas with new members and boats and a lot of team work from fleet members. Renewed interest has been shown from our members from Santa Catarina and we expect the Class to grow there shortly.

The Committee for the Worlds in Ilhabela are already at work and we will be keeping everyone informed through *Flashes* and at the NA's in Buffalo.

Start planning your trip. May '93 is closer than you think.

District Runner-Up Ross Bailey

Fleet: Temple Reef Sailing Club (279).

Fleet 279 sails out of Thunder Bay, Ontario Canada on Lake Superior, the largest fresh water lake in the world. The fleet sails in the shadow of the Sleeping Giant a natural rock formation which is the symbol of the city. The marina is downtown Port Arthur amidst the shopping, restaurants and office buildings surrounded by a large public park called Prince Arthur's Landing. Our fleet is becoming more active every year and the quality of the competition becomes better with every event and race.

Jim Cameron, Charlie Spence and Willie Evans attended the World Championship in Annapolis, Maryland on Chesapeake Bay in June. Jim and crew sailed to a respectable 18th finish. Finishing in third place in the last race, nipping out Dave Dellenbaugh the 1991 World Champion.

The Canadian Open Championships were held at Toronto in late June. Ross Bailey, Blair Sandberg and Steve Cranton attended as well as Jim Cameron, Janice Cameron and Charlie Spence. Jim, with the assistance of the crew, sailed a great regatta and won the Canadian Championships. Ross and crew finished 23rd, a good effort. Jim's new boat performed spectacularly.

Jim then pumped up for the North American's, took Janice and Charlie to the major regatta of the season. After dodging hurricanes and heavy winds posted an all time Thunder best of 6th.

Other activity in our District included the Loon Lake Regatta attended by six boats from Thunder Bay. Ross Bailey, Don Wilson and Laura Mc won the Regatta by edging the Canadian Champion by one half a point.

Ross Bailey and Kurt Broll skipped their boat at Falcon Lake Manitoba in an open class regatta and finished first and second respectively. An excellent showing for their sailing ability.

The Canadian Open Championships will be held in Thunder Bay in

August 1992. Considering that Thunder Bay is one of the most scenic places on the North Shore of Lake Superior, with the best sailing facilities on Lake Superior, we expect a good turnout of serious and not so serious sailors. It is important for the serious sailor to realize that the Canadian Open Championship is the qualifier for the 1993 World Championship.

So plan on "Sailing A SUPERIOR Lake."

Fleets: Lake Delta (4); Newport Yacht Club (77); Willow Bank Yacht Club (164); Henderson Harbor Yacht Club (225); Keuka Yacht Club (252); Galway Lake Yacht Club (338); Ithaca Yacht Club (484); Port Oswego Fleet (485); Selkirk Fleet (498).

We had a great 1991 sailing season in the Central New York District. We had good turn-outs at the regattas, had better racing, and had the best parties. It will be hard to top that next year.

The season began with our traditional opening event, the Newport Invitational at Rochester in early June. Twenty-six boats came to sail and unfortunately, on the first day, most of them got to drift on Lake Ontario. One boat had finished the second race, when the wind died and the rest of us had the option of waiting for the wind to come back or getting a tow into the club. Slowly, ever so slowly, one-by-one, a boat here, a boat there, a tow was asked for and a tow was given. Almost half of the fleet went in early. Almost half of the fleet stayed out late. We toasted them heartily as they went by the club at 7:00 in the evening and welcomed them to the almost empty beer keg when they came ashore. The steaks never tasted so good. The top five finishers were Kirk Reynolds, Peter Hallagan, Dick Hallagan, Dan Fien, and Tom Doran.

Two weeks later, the Caz Flash Bash was held on beautiful Cazenovia Lake in idyllic Cazenovia, New York. It's just a short drive from the Carrier Dome, home of the Syracuse Orangemen, perennial football and basketball powers. It's an even shorter drive from the home of Dave Bull and his pool table. The racing was tricky with shifty wind preceding the lightning storm which canceled the third race. Fortunately, the Race Committee Chairman, Art Diefendorf, was able to get the sailors in before the storm hit. The steak dinner was great, as usual, and the pool tourney went late into the night, as usual. The regatta winners were Tom Doran, Dick Hallagan, Clay Murphy, Landy Atkinson, and Peter Hallagan.

The Champagne Regatta at the Keuka Lake Yacht Club finished out the month of June. This always popular event in the heart of Finger Lakes wine country was attended by 18 sailors and their crew. The champagne cocktail party and the dinner were a success and enjoyed by all. For the first time during the sailing season, five races were completed and the winners were Clay Murphy, Landy Atkinson, Jim Gocker, Steve Sahs, and Dick Hallagan.

The Triple Crown was made up of the Newport, Cazenovia, and Keuka Regattas. Those boats that participate in three designated regattas compete for a trophy donated by Dr. John McIntosh many years ago for the purpose of encouraging attendance at Central New York regattas. The top finishers this year were Dick Hallagan, Clay Murphy, Landy Atkinson, Jim Gocker, Dave Bull and Dan Koretz.

The District Championship Regatta was held at the Henderson Harbor Yacht Club in mid-July. The format this year was a little different than usual. This was an open regatta with several boats from outside the District allowed to sail, but not have their results count towards the championship. Several boats from Canada and Vermont, as well as Bob Wardwell returning to his home club from Richmond, Virginia, competed in the races. Everyone had a great time on the race course and enjoyed the party and

dinner on Saturday night. The regatta was won by Mark Sertl, followed by Kirk Reynolds, Tom Doran, Bill Fastiggi and Dick Hallagan.

August 10 found 47 sailors at Oswego for the Michelob Lightning Classic. Since its inception in 1984, this regatta has grown into one of the best attended Lightning regattas on the East Coast. Recent years have seen as many as 60 boats on the starting line. This year's attendance was hurt by the weather forecast which called for very high winds and heavy seas. While it was not too bad on Saturday, it was quite rough on Sunday and the races had to be canceled. Nevertheless, everyone had a great time and enjoyed the great chicken dinner and entertainment Saturday night. The winners were Bram Palm, Tom Doran, John Swanson, Rob Ruhlman and Dick Hallagan.

The final event of the season was the Harvest Regatta at Silver Lake. This is the second part of the Lake Erie — Central New York Challenge, the first leg being the Newport Regatta. There is a complicated scoring system, only fully understood by Judy Walker, and this year... It's ours! We won it! No contest! It wasn't even close! No mas!

Overall, the season was a success. The quality of the sailing seems to be improving from top to bottom of the fleet and we expect this will continue into next year. We look forward to the 1992 season.

This was quite a season for our District! I don't know of too many

previous hosts of a North American Championship that can claim having prevailed over a hurricane ("inverting lakes" maybe, but a hurricane!). More about that later.

This year, sailors in our District took many of the top honors to be had in the Lightning Class. I'll just start from the beginning and hope I haven't left anyone out.

CT/RI sailors captured three out of the top ten places at this year's Southern Circuit: Brad Read with crew Betsy Alison and Terry Hutchinson, took first place overall, winning the Miami regatta. Jody Lutz finished second overall, and Dave Dellenbaugh was 6th overall, winning the Savannah Deep South regatta.

The 1991 Lightning World Championships were held in Annapolis in June and Dave Dellenbaugh bested the 39 boat fleet. The next highest finish by a District sailor was John Oldham in 6th place. Other CT/RI participant finishes were at follows: Jim Crane, 9th; Jody Lutz, 13th; and Phil Lotz, 28th.

The Early Bird regatta at Cedar Point in May had another strong turnout with a fleet of 28 boats. Jim Crane won this event in a tie-breaker with Brian Hayes. Our Districts were also held at Cedar Point Yacht Club, and with the NA's being held so close to home, the competition was keen. The top five were: Dave Peck, Jody Lutz, Jim Crane, Gianni Cuccio, and Tim Healy.

This year's Atlantic Coast Championship was hosted by the Southampton Yacht Club, and Tim Healy won that regatta quite convincingly.

After sitting out last year, the Lightning Class was invited to rejoin the Newport Volvo regatta if we could guarantee at least a twelve boat turnout. Newport being the site of this year's North American's, we had no problem meeting the minimum, with 15 boats participating. It was largely a CT/RI event, with 10 of the fifteen boats from our District. Dave Peck, tuning up with a NA's crew Giselle Wagner and Dave Dyson won, with Brad Read 2nd, Jon Schwartz from New Jersey 3rd, Tim Healy 4th, and Don Barrett 5th.

As was mentioned earlier, our District, along with the New England District, hosted 102 boats at this year's North American's in Newport. It was the first time that they've ever been sailed there (and probably the last), as by now, you've all heard of how "Hurricane Bob" decided to pay a visit to New England, specifically, Narragansett Bay!, in the midst of the event. However, due to some incredible dedication, organizational skills, the action on the part of our Co-chairmen, Phil Lotz (with a lot of help from his wife, Wendy), Don Barrett, and Kip Hamblet, and Social Event Chairperson Barbara Vann, all was not lost, and five out of the six Championship races were completed, and *all* of our social events took place.

The results for our District sailors were most impressive. Seven boats made the Blue Fleet: Tim Healy, Bill Healy, David Peck (all three sailing in their first NA's), Jody Lutz, Tom ("What's-one-more-mast") Ingram, Tim Naeser, and Ward Woodruff. When it was all over, Jody Lutz with crew Ched Proctor and Hale Wolcott emerged as the North American Champions in the 35 boat fleet.

The CT/RI District also has the 1991 Governors' Cup Champion and Crew on it's roster, that being Chris Vann from Niantic, sailing with his wife Barbara and Teresa Parker. How Barbara managed to sail a North American Championship *and* be our Social Chairperson under the circumstances of "Hurricane Bob", and remain as cheerful (albeit tired) through it all was remarkable. Well, Chris, that's two North American Fleet Championships out of three (he won the Presidents' Cup in 1989). There's only one left to complete the cycle!

And last, but not at all least, Betsy Alison from Newport, sailing with Wendy Lotz and Kathryn Josenhans overwhelmingly won the Women's Championship with 5 bullets! In fact, it wasn't even necessary for them to sail the 6th race.

So that's three Championships out of six events! Congratulations again to the winners and all the participants just for getting through this one! Also, thanks again to everyone at the ILCA office and to the many volunteers from both Districts who worked tirelessly to make this North American Championship happen.

The final two regattas on our schedule, the Connecticut Governor's Cup at Niantic Bay and the Cedar Point Fall Classic in September is a combined event. Bill Healy won the Governor's Cup, with Dave Peck finishing 2nd, and Don Barrett 3rd. The Fall Classic was won by Brian Hughes; Phil Lotz was second, Gianni Cuccio 3rd, and David Peck 4th, making Dave the winner of the overall trophy.

Looking forward to next year's schedule, the Atlantic Coast Championships will be hosted by Niantic Bay Yacht Club on July 25 & 26, and our Districts will be hosted by Madison Beach Club on July 11 & 12. Also, don't forget our "Fall Northern Circuit": CT Governors' Cup at Niantic September 12 & 13 followed by Cedar Point's Fall Classic on September 19 & 20. Hope to see you then!

What an unbelievable year!!!

Great regattas! Unbelievable parties and lots of other fun stuff to share:

★★ Ron and Becky Buchanan had a baby boy, Mark (actually Becky had the baby but Ron was a contributor!). / ★★★ Wanda had her 39th birthday. ★★ Chris Dillard made a great showing this year giving a few of us a real run for our money. ★★★ Freddy Mertes won a few regattas this year thanks to the *magnificent* crew-work of Bucky Buchanan and Debbie! ★★ The Potomac Cup was one of the best attended regattas this year... 62 boats were in attendance!!! ★★ We were lucky enough to host the **WORLDS**. ★★★ Much thanks goes out to Simeon Coxe, Don Delorme and all the zillions of worker-bees who helped to make the **WORLDS** a *great* success! The video's were really neat! ★★★ Doc Gilbert was in great form this year as usual. His enthusiasm and energy is *unmatched*! Doc gets the most traveled skipper award again for the 42nd year in a row! ★★★ Ron and Sandy Grotheer had a baby this year...a baby doggy. Boris has still got to learn to jibe the pole a little faster. Mary Catherine made some of the best sandwiches of the year...Wanda still holds the record for the *most* sandwiches. Robin was a woman of fewer words this year... but she did a fine job as the Fleet Captain for 329! ★★★ Bob Wardwell showed everyone that not only is he a good dancer, but he occasionally steers the boat in the right direction. He won the Big Trophy this year. Ron wants everyone to know that he tied Bob for the District Championship but lost it on a tie breaker...better luck next time Ron! ★★★ It seems that Doug Heisler figured out the air-foil this year (and won a regatta). He should know about these things ... he drives an air-foil on a daily basis for USA Today? or American? or US NEWS? ... Agony? ... one of those. ★★★ Buddy Melges raced with us on the Chesapeake this year... that was fun. He had a really fast boat too! ★★★ Fleet 329 won the Borderline party with its 'kite flying from the back of a jeep entry' and don't forget that silly streakin' jugglin' roller blader! ★★★★★ Well, all in all it was a really great year — with some great regattas and totally awesome parties!

Fleets: Salinas Yacht Club (405); Club Nautico San Pablo (447).

Salinas was very active with Lightning sailing in 1991. During the summer we sailed almost every weekend, having a record of 13 boats on the starting line.

In April the class held the Second Annual Cup of Champions, to which we invited Dave Starck, Brad Read and Colin Park. Aside from being a wonderful experience, we had the opportunity to learn from our experienced visitors. They, too, were quite impressed with Juan Santos' and Miguelito Plaza's performance.

This year we have participated in may international regattas. Five boats went to Colombia for the South Americans, where Miguel Plaza finished as Runner-Up.

Juan Santos represented us in the Worlds at Annapolis and in the Pan American Games in Cuba, while Carlos Luis Lecaro went to the Southern Circuit.

We have a very busy agenda preparing for the upcoming South American Championship, as well as the third edition of the Cup of Champions. Both will be held in Salinas.

When writing this report, I am looking out the window and see the grey sky, trees without leaves and cool rainy weather. This time of the year it is

nice to remember the past sailing season and regattas.

First of all, it is good to see that Kuopio is again raising the activity in Lightning Class. Four new club boats is a good start to wake up the old fleet again. The Yacht Club of Kuopio is also target to arrange the District Championship in 1993.

The 1991 District Championships were held the end of June in Saynat-salo, near Jyväskylä. We got only twenty-one boats to the race, which was again disappointment to us. The weather was changing many times, and we could sail sometimes without wind and then also in heavy winds. This year we got a new District Champion family, when Leo Korhonen with his daughter Anne-Marie and son Rainer won the title. The second were Samppa Salminen, Keijo Tulomäki and Tero Kotimäki with their new boat Nikea. Jaakko Herttua, Niko Lappalainen and Pasi Hannila placed third.

Six boats from Finland travelled to Italy, to the Lake of Trasimeno, which was the site of the 39th Lightning European Championship. Unfortunately only three races were sailed in very light winds. Pertti, Maija and Leena Pyy with Amarillo placed fifth followed by Hannu Hurskainen, Pekka Hurskainen and Mikko Maatta with boat *Ressu*.

Our District was represented also in the 1991 Worlds in Annapolis, Maryland, Hannu Hurskainen, Maija Pyy and Antero Punttila formed a crew, which was by the way the only crew from Europe. We are a little bit concerned what is happening?

This year the Ranking Series consisted of eight regattas during the whole season. A total of twenty-nine boats participating in these races, which means a little increase in activity. Hannu Hurskainen is the new Ranking winner followed by Samppa Salminen. Pertti Pyy was 3rd, Jaakko Herttua 4th, Markku Paloma and Asko Autio 5th.

The Finland District will host the 1992 European Championships in the Lightning Class. The place is Hanko, which is the southeast end of our country. We wish welcome all Lightning sailors from Switzerland, Italy and Greece. We hope to see also some new countries represented.

Congratulations to District Champions! Rainer (left), Anne-Marie and Leo Korhonen.

Sailing activities started early in the LED with the Curling Regatta held at the Boulevard Club in Toronto on April 7th. The morning was spent sailing Optimists around in elimination heats in front of the boathouse followed by heavy competition on the Curling Rinks.

We were fortunate to have Matt Fisher on hand for our Eby Series, April 12-13. Matt talked at our following District Meeting at the Swansons and

laughed at the antics of auctioneer Keith MacDonald as he auctioned off memorabilia from past regattas and beautiful duffel bags donated by North Sails. Matt even won the Regatta after he purchased some of our auction specials.

In between and around, many LED sailors went to the Worlds at SSA. Representing Canada-LED were John Aitchison and Larry MacDonald Jr. Representing the US-LED was David Starck. Although we had only three skippers, many other LED sailors participated as crew on Lightnings from other Districts. We then followed our busy LED schedule sailing at Newport Yacht Club for the LED-CNY Challenge, Cornball Regatta at Chautauqua Lake, Niagara Frontier Invitational at the BCC, Cuba Lake for the Bold Mothers, Canadian Open at Boulevard Club (won by Jim Cameron) and finally back to Cuba Lake for the LED Districts.

John Swanson won the Districts followed closely by David Starck. The twelve boats that went to the NA's from the LED were John Swanson, David Starck, Skip Wilday, Calvin Schmiede, Tom Allen, Jr., Jim Allen, Tom Allen, Sr. (1st Presidents' Cup) Dave Wood, Ron Barr, Bill Neal, Ed Roseberry (2nd Governors' Cup), and Judy Walker, with six qualifying for the Blue Fleet, four for the Green Fleet, and two for the Yellow. Judy said it was her best NA's being the top qualifier for the Green Fleet — just one point out of the Blue.....and then came Hurricane "Bob". Good representation in the other NA's with Calvin Schmiede in the Masters, Judy Walker in the Women's and Tom Starck (2nd), Warren Emblidge (3rd), Greg Millar, Kathy Tocke and Pascal Buckley in the Juniors. This was great representation from the LED in the NA's.

Back from the NA's we started the Fall Circuit and the last leg of the LED-CNY Challenge at Silver Lake Yacht Club, September 7-8 Harvest Regatta which was won by Dick Hallagan of the CNY District. This win along with participating Lightnings gave the CNY the victory Cup for the LED-CNY Challenge for the first time ever.

Next to the Boulevard Club in Toronto for the second leg of the Fall Circuit won by Kevin Robinson and finally the third leg at the BCC won by Tom Allen, Sr. This made the overall winner of the Fall Circuit, Tom Allen.

Another busy season for the LED closed with the Turkey Regatta at Hamilton Yacht Club. All participants, skipper, crew and race committee had the chance to take home a turkey for Thanksgiving and lots of turkeys came back across the border to grace the American tables on Turkey Day. Naturally, the Canadians kept their share as well.

The 1992 LED Regatta Schedule is already complete. It looks like another busy season, especially with the BCC hosting the North Americans. The District is planning several great parties for the Masters, Juniors and Women's and the NA's as well. We will be on hand to serve on committees but more importantly, we will be out there, sailing our best to place among the top sailors in North America.

It was another successful season on the Southern shores of Long Island, starting with what is now the popular Spring Invitational at Southampton Yacht Club. Each year this event draws more boats from further away. Testament to the fact that great conditions exist in this area. After a slow start, the regatta was won by Larry Colantuono, with local favorite Tim Rumph as Runner-Up. Conditions were uncommonly light on Saturday, with the usual 15 knot SW filling in on Sunday.

The next significant regatta featured the Districts, hosted by the Narragansett Fleet at Long Island Yacht Club. With torrential winds and rain cancelling the Saturday races, the Districts were limited to only Sunday, with moderately light, fluky winds. Congrats went to Rich Warren, who sailed a smart series and got his name on the perennial trophy for the first time. Tommy Hering, who was Runner-Up, did not help his cause by sailing without a spinnaker pole.

The big news in 1991 was that the Long Island District and Southampton Yacht Club, in particular, were proud to host the infamous Atlantic Coast Championships for the first time ever. Kudo's go to Tim Rumph, who with a little help from his friends, organized a terrific weekend. In fact, every-

thing went so smoothly, there are whispers of the NA's on Long, Island being a possibility sometime down the road. (Get those charcoals fired up, Ray!) Stay tuned!

The Atlantic Coasts started off with a strange weather system offering only teasing, light air not suitable for racing. A fickle breeze eventually did fill in from the North which gave us two afternoon races in atypical conditions. Sunday gave us more of the "real deal" with a steady Southeastern of about 12-15 knots. The triangles were true with each leg stretched out to about 1 1/3 miles. Honorable mention goes to Eric Glanz for running a professional R.C. The fastest boat of thirty-four was Tim Healy from Connecticut, who clearly won the regatta. 2nd place was much tighter with Brad Read squeezing in with consistent sailing. By the end of the day, on shore chatter heard many of the competitors impressed enough with the conditions that they were already promising to try for the Long Island Fall Invitational. In fact, not only did they try, they came. The Fall Invitational was one tough hombre in 1991 for twenty-four boats. Saturday provided us with northerlies of 18-24 MPH, and Sunday with Southerlies of 22-27 MPH. To say *some* boats crashed and burned is an understatement, but none will say it was boring. The out-of-towners took honors in this order: K. Taboada, G. Reiting, L. Colantuono, D. Barrett, and J. Eflman. The now famous Indian Clam Bake was a first for many and enjoyed by all.

For those of you who have not yet sailed on the Southern shores of Long Island, you don't know what you're missing. The conditions are as good as anywhere in the country, which is a strong but true statement. Couple that with warm hospitality and accommodations, and you are looking at a great weekend everytime. Hope to see you in '92, look for our schedule in *Flashes!*

Are we having fun yet? Well, if you are like me I'm ready for sailing despite the fact that winter is still here. Memories of the past year sailing pervades my thoughts during the winter doldrums. For instance, the Metropolitan District Regatta, which was held in Red Bank, New Jersey, was an enlightening event. The Huntsman family organized a terrific dinner on Saturday night with plenty of hospitality, food, and good company. Son Jack was elected District Commodore and ended up winning the Districts. Mary Huntsman worked diligently to prepare all of the trimmings while husband Sandy cooked the steaks. Meanwhile, numerous sailing discussions could be heard from all levels of sailing competence. But, for the most part, we sailors all shared stories of years past, various regatta parties, and just how long it has been since "we last saw you".

Yes, we like to compete against each other and win, but this is just one small facet of being a Lightning Class sailor. The other facets of our Class should include socializing, sharing war stories, teaching each other new techniques, and recruiting new members. Without the humanistic qualities, new sailors are afraid to join in on the fun. After all isn't this the reason that many of us travel to regattas or just stay at home within our own fleets?

Being a member of ILCA and the Metropolitan District should inspire confidence, camaraderie and the knowledge that we have some of the best sailors in North America. Whether or not you actively participate in local club racing, regattas or other district events doesn't necessarily mean that you can't compete. Sure, some sailors are more experienced than others, but for the most part, people like Bob Sengstacken will accept mistakes from less experienced sailors like myself even in the District Qualifiers.

Overall, the past year was a tremendous success. Many regattas were held throughout our area. Some with better levels of participation than others. Countless individuals need to be thanked, our Fleet Captains, our Fleet Secretaries, our dedicated Members who build rudders, masts, and assorted gismos for the rest of us, and last but not least the District leadership. Unfortunately, I couldn't possibly name everyone who shares in the responsibilities of organizing the many events that most of us take for granted, but thanks for all of your help.

As we move forward into 1992, we all need to consider how we can increase the participation within our own Fleets, within the District and how we can increase our membership. Simple things like finding new crews for needy skippers, hosting parties, finding boats for possible new owners, and spreading the word that racing a Lightning isn't just for the ultra-

serious athlete.

Lastly, be sure to mark your calendars for the Metropolitan District Regatta which will be held June 20 and 21 in Sparta, NJ. Lake Mohawk Yacht Club, Fleet 25, will be hosting this event with plenty of food, fun, and places to stay.

Guess who's "30"? The Metro District Champ!

Lightning sailors in the Michigan District started the year off right with the ever-more-popular Devil's Lake Tune-Up Event. Brad Read served up this year's color commentary around the Goldsmith/Hodgson handicap course (two weather marks—"top" sailors took the long course). Tom and Sue Bryant were declared overall winners based on style points. Joe DeCarli won the boat race that counts on Saturday Night.

John Johnson and Tom Niles found the short drive to the Lake Lansing Regatta worthwhile, taking the top two places from sailors in the local fleet. Tom unveiled the infamous "lips" chute, goaded Larry Koster and a few Lansing sailors to join us at other travelling regattas (and distinguished himself by travelling to every regatta this year).

Co-owners Mark Whatley and Leslie Fink captured an abbreviated Crescent Regatta. Tom Niles was second again. John Johnson won the Father's Day trophy, with daughter Jennifer and friend Alan Krauss crewing.

Those that waited out the wind until Sunday at the Bay City regatta were treated to three fast and furious double triangles in good company. John

---	----------------	----------

McCree threaded the sometimes crowded approach to the weather mark to edge out Mark Whatley by tie-breaker, with Colin Park just one point back.

Devils Lake finally put together the right combination of age and beauty (Bruce Goldsmith, Dan Norton, Hank Hodgson) to win the Lake Fenton Team Races. George Sipel was awarded the title "Little chief running moon" (you had to see it to believe it).

Our newest fleet, Macatawa, hosted a fine for forty boat District Regatta. A light and variable Friday tripped up some of the favorites, and tested the RC's patience and reserve shell supply. Building breezes on Saturday and Sunday gave us six races with a throw-out. Colin Park (wife Karen Park and Glenn Hallett) regained the Michigan District Champion title. Up one notch from the last two years was Sean "always-on-time" Fidler (Diana Fernando, Rick Fennier). New to the top five circle were Mark Whatley (significant-other Leslie Fink, Big John Morely) and the "Happy Boat" family team of Steve, Mike and Bill Thomas. Dan Norton (finance Linda Schulte, Chris Marzke) waiting in the wings again.

Devils Lake hosted the Womens/ Juniors Districts. Local favorites Amy Hodgson and Bill Thomas won their respective events in their Dad's boats.

Higgins Lake served up conditions to suit everyone, from a drifter on Saturday, to a breezy Sunday afternoon. Mark Whatley outmaneuvered Colin Park, with sharp downwind tactics and Hobie Cat avoidance skills.

The brothers Moulthrop ably filled the gap in the schedule created by the cancellation of the Traverse City regatta, with a well-managed, off-the-beach regatta at Tawas Bay. John McCree took advantage of the extra downwind legs, and Colin Park's absence from his boat in the 4th race. Dan Norton was a close third.

The Fall Series (Pontiac, Devils Lake, Gull Lake, Wawasee) was well attended again, with some guest appearances from the "Chicago mafia" adding to the size of the fleets, as well as displacing Michigan boats from the winners circle more than we might like to admit. Many of us must have read our Dave Perry over the long Michigan winter, as there were noticeably fewer boat crashes and a few more 720's than in some previous years.

Bruce Goldsmith blanked the fleet at Pontiac in three races Saturday, with no wind on Sunday for Sean Fidler or Colin Park to close the gap. Dan Norton captured the Devils Lake Regatta from Saturday's leader Sean Fidler with a fine display of traffic skills. Forty-five boats struggled to squeeze through the starting line, but negotiated the jibe mark in gentlemanly (or ladylike) fashion.

The visiting Paul Wurtzebach survived some tough fleet inversions and edged the visiting Rick Kaiser by a point to win the Gull Lake Regatta. Many had their convictions tested, as the "wind" alternated from opposite sides of the course, leaving the middle stranded.

Several Michigan sailors extended the season with a trip to Wawasee. Winner Mike Huffman (Class President and "mafia" boss) avoided the traditional Wawasee boat inversions, and accepted the trophy with the wry observation that it was indeed personally rewarding to be the one to finally break Colin Park's winning streak.

It has been a great year for the Midwest District. Years come and go and blend into one another. Time fades memories of particular mark roundings, capsize and regatta finishes (except for Doc Esser who remembers every mark rounding and leeward leg of every race he's been in since before electricity!) But this year some things have happened in our District that don't take place every year.

Foremost among them is that for the first time since 1977, a member of our District sits as President of the ILCA. We are very proud of the contribution Mike Huffman is making to the Class, particularly in getting to the bottom of the apparent drop in worldwide membership. It's a big job Mike, you're doing very well, but thank God you're better doing this than you were as District Commodore!

Our significant contributions to the Class were made this year by Bob Smither who worked very hard as a liaison between the ILCA, the IYRU and the Pan American Games Committee to assure a larger number of competitors in the Lightning fleet at the games; by Bill Faude who was named a Vice President at large of the Class and who, with Terrance Fox, has been handling advertising and promotional elements of the ILCA

marketing plan. Bill also holds the rare distinction of having sailed worse than anyone else at this past year's US Pan Am Games Trials. Recognition should also be given to Dr. John Esser who completed his service as ILCA Vice President of International Affairs after more than ten years. Thanks Doc for a job well accomplished. Congratulations to Bob Franke, Amy Simonsen and Mike Broderick on bringing home some silver from the Governors' Cup at the Newport NA's, for only bringing home a small dent on the truck from flying Hurricane Bob debris at the Newport NA's and to Bob and Amy on their nuptials pending for April '92!

Welcome or welcome back to the following owners who are now part of the Midwest District Fleet: Rick Kaiser, boat number 14365. Good sailing this year Rick and thanks for helping out running the Red Flannels! Mike Considine, boat number 14526. Pat Considine, boat number 14527, great job in winning the 1991 Bluenose in one of your first regattas back. Now put some mast blocks behind the spar like the rest of us! Bill Faude, boat number 14530, no, you may *not* borrow anything from anyone in this or any District ever again. Is that clear?!

Winners of The Midwest District's regattas are as follows: Fond Du Lac Lighthouse — 1st Mike Huffman, 2nd Rick Kaiser, 3rd David Stix; Green Bay Evans Regatta — 1st Paul Paul Wurtzebach, 2nd John Evans, 3rd Terry Phelan; Milwaukee P&T — 1st Paul Wurtzebach, 2nd David Stix, 3rd Bill Faude; Sheboygan Brotz — 1st Bill Faude, 2nd Eric Graf, 3rd Eric Larson. Midwest Districts — 1st Mike Huffman, 2nd Rick Kaiser, 3rd Rick Larson (tie), 4th Adrian Irving (tie); Chicago Red Flannels — 1st Bill Faude, 2nd Pat Considine, 3rd Derek Ettie; Davenport Polar Bear — 1st Mike Steffenson, 2nd Jon Pohlman, 3rd Ken Jensen.

1991 was a fine year for our District. Our Chicago fleet is a major success story in its area, seemingly able to attract top talent from other one design classes at will. Our other fleets are very strong too. We look forward to a great sailing season in '92.

MISSISSIPPI VALLEY DISTRICT

District Secretary Frank Kelly
District Measurer Terry Burke
District Champion Matt Burrige
District Runner-Up Gerry Paoli

Fleets: Decatur (74); Harbor Island (262); Carlyle Sailing Association (266); Memphis (274); Valley Sailing Association (486).

At this moment the Bluenose Regatta is in progress, hopefully with better conditions than we have in Central Illinois this morning with a temperature of 20° and 25 mph winds. The Bluenose, hosted by Fleet 262 is the last and largest regatta of the Mississippi Valley District, and this year may live up to its name. It is hard to believe another sailing season is coming to an end.

Sailing on Lake Arkabutla was great for Fleet 274 this year, with good winds and increased participation. The Memphis Fleet and Delta Sailing Association were host to three regattas, the Hernando DeSoto, the Cotton Pickin' and this year's Mississippi Valley District Championship. The District Championship was held June 15 & 16, with twenty-eight boats participating. Saturday brought good winds for the first four races, leaving Matt Burrige in first place, Cully Ward in second and a three-way tie for third between Doug Floyd, Terry Burke and Bill Hoffmeister. Sunday was another story, with light to nothing winds doing in several of the top contenders, with the first race a throw-out for many — the only problem was the wind disappeared and the 12:30 PM deadline appeared with no sixth race. Too bad! The final standings had Matt Burrige in first, Gerry Paoli in second and Cully Ward in third. All in all, it was an excellent event thanks to the southern hospitality of Fleet 274.

October 5 & 6 the Carlyle Sailing Association and Fleet 266 were host to the Impromptu. This regatta was moved from September to October a few years ago, partly in search of more wind. 1991 — Jackpot! Saturday winds ranged from 18 to 25, with Sunday showing gusts to 30 and very cool temperatures. Fifteen boats participated, with only seven brave souls taking to the sea on Sunday. The final results were Dan Moriarity first and Gerry Paoli second.

Valley Sailing Association got off to a rocky start this year, with the ups and downs of the Mississippi River. That's right, not one but two floods plagued Fleet 486; however, they seemed to get things under control by late summer in time for the Muddy Rudder. It's evident where this name came from; just participate in this one when 'Ol Man River is low and you'll understand. Eighteen boats were present for good wind (rare?) on Saturday, easing to more normal winds Sunday, if you know what I mean. W. Baxter won the regatta, with H. Cochrane second and Doug Floyd third.

Fleet 74 and Commodore Decatur Yacht Club were host to the Inter-City Regatta, as well as the District Junior Championship. There was a good turnout for the Inter-City, with Gerry Paoli taking the honors. This regatta

is a favorite of many. The Junior Districts produced six boats — three from out of town and three locally. The majority of the local sailors were products of a newly-founded youth sailing program supported by CDYC. The competition was good, with veteran Peter McDonnell taking first, Mark Sanford second, Tobi Heisler third and Matt Floyd fourth. Decatur has the honor of hosting the 1992 District Championship June 13 & 14. See you there.

Fleets: Merrimac River (121); Spofford Yacht Club (145); Annisquam Yacht Club (151); Marblehead Harbor (189); Bomoseen Lake Y.C. (227); Massabesic Yacht Club (273); Chequesset (280); Lake Champlain (301); Squam Lake (332); Androscoggin (450); Casco Bay (471) Bow Lake (493).

It was the last day of May when my crew and I (Norman Deyett) headed north to Burlington for the first New England regatta. We all had high hopes for the next day as this was the first time the three of us had sailed together. About midnight our sailing talk was interrupted by a shower of sparks from the boat trailer. As we slowed to a stop the inevitable happened. We had a flat on the trailer and no spare. So much for an early start! Luckily we found a commuter parking lot where we spent the night.

The next morning we were up at 6:00 AM and driving north on 89 looking for a tire shop. In Montpelier we found one open and purchased a new tire and rim. A half hour later we were on the road headed back to the boat. This was a minor set back. We just couldn't get to the Mallet's Bay Boat Club as early as planned.

Upon arriving back at the boat, John got the jack out and removed the old rim while Jim brought the new tire out of the camper. "Hey, Norm, this is a great new rim and tire. You got a great price, but did you pay for the air?" What air! Sure enough the tire was as flat as a pancake. Back in the camper off to Montpelier to the tire shop.

By the time we got to the starting line Bill Fastiggi was already to the jibe mark. We finished dead last. The bright side, it was only the first race with plenty of room for improvement.

Bill Fastiggi continued to sail well for the rest of the series and came in first, with Curt Felix second, T. McBride third, Don Brush fourth, and Bill Berry fifth. So ended the first regatta of the new season.

The next race on the circuit was at Lake Bomoseen. This time we had a spare trailer tire with us. The Bomoseen fleet will be the host fleet for our district race in July and they had a new regatta site. This was going to be the test run in preparation for the district race. After getting off to a slow start in the first race we were in good shape in the second, not far from the finish with Don Brush and Ray Harrington out in front. We were looking good for a third. George was out in the middle with no wind and Moe was on the shore with the same conditions. My friend Murphy must have climbed aboard somewhere along the way, because the wind filled in the middle and on the shore at the same time. Everyone went by leaving us just sitting. Don Brush won the regatta with George Deyett second, and Moe L'Heureux third.

Newburyport was the first of three regattas for our Circuit Championship trophy and the wind Gods showed up with plenty of wind. From what I hear there were some exciting races. Brian Hughes came in first by a country mile with George Deyett second, and Moe L'Heureux third.

Androscoggin is like a pilgrimage for Fleet 273. The entire fleet packs up and heads north to Wayne Maine every year on the weekend after the 4th of July. You know everyone's asked "Where in the **** is Wayne, Maine?" Well, if you head north on the Maine pike until you run out of road and then take some rights and lefts you finally get there from here. If you are coming from Vermont it's just a lot of rights and lefts. As always George Place had the field mowed on top of the hill overlooking the lake. We all set up camp for the weekend and the kids played volleyball down on George's back lawn. What a beautiful spot this is! I believe the regatta is just a nice excuse to camp on George's hill.

The next day gave us sun and a fair wind and we got off to a good start rounding the weather mark in first place with John Hughes hot on our transom. We had a poor jibe at the next mark and John passed us. We never did catch him but managed to place second in the first race. In the second race we got off to a great start. Then my friend Murphy paid us another visit. He released the front hiking strap. Jim Mann went for a quick dip in Androscoggin Lake. This was not the time for Jim to go swimming. Well, we never did recover from this minor set back. To this day I don't know who won that race. In the last two races we had some nice duels with Tom Toohey. Tom finally prevailed and finished fourth over all, with John Hughes coming in third, Moe L'Heureux second, and George Deyett the winner of the regatta. This was to be the last regatta on Androscoggin. The Lightning sailors of the New England District have spent many great and heart warming weekends at Androscoggin with great hospitality from the folks at Wayne. It truly has been the highlight of our summers. Many thanks to the Foster family and all the folks who have helped put on the regattas over the years. "George, keep the field mowed. We will come see everyone anyway".

For the second time this year we were heading north up 89 to Route 4 over Quechee Gorge past Killington and down thru Rutland to Bomoseen for our District race. We spent the night parked in Ray's driveway. In the

morning we went down to the regatta site and found Ray and Bruce getting everything set up for measurement. That afternoon there was supposed to be a practice race. But as things go on small lakes, the wind never showed up. It was a beautiful summer day with the temperature in the high 80's. Boat measurement continued on all day until dark.

Saturday brought clouds and rain and rain and some more rain. It was nice of Ray to supply a boat wash along with all the nice things he did for this regatta. Dave White (the Race Committee Chairman) made several trips out on the lake looking for wind. This was the second day in a row with no wind. Dave White was desperately trying to get races off. Indian wind dances, bowing to the west, nothing worked, so we abandoned for the day. That evening we all got together for dinner and a dance down at the grange hall. This was truly great Vermont hospitality. Everyone danced late into the night.

All that dancing on Saturday night paid off because the next morning the sun came out and the wind followed right behind it. "Oh boy, did the wind follow behind it." By the third race the wind was really blowing hard with 30 degree shifts. When Bill Berry was on the last down wind leg he took off in a puff and opened a huge gap between him and the second place boat. He later told us that he had never gone that fast in a Lightning. Kip Hamblet went for a swim as well as Brad Read. When it was all over Bill Fastiggi had captured first place, Stuart Nickerson second, Georges Peter third, Bill Berry fourth, and Kip Hamblet fifth. Bill Berry got the most improved award, Moe L'Heureux middle of the fleet, Dick Fastiggi received the sportsman award, and Jim Leamy captured the District Master's trophy. Our thanks go to Ray Harrington, Bruce Atkinson and all the members of Fleet 227 for a great weekend in Vermont.

Massabesic hosted the first Women's regatta in the District. Julie Deyett came in first, Ellen Atkinson second and Nancy Peace third. In the Junior Fleet, Laura Milne became District Champ. I believe we should do another Women's regatta next year. I understand there were some exciting races this year.

Casco Bay was the second regatta in the Circuit Championship series. This would be the first regatta held in Portland in a long time. Tom Toohey

put on a down east clam bake Saturday night that everyone enjoyed. George Deyett won this regatta, Moe L'Heureux second, Pat McCormick third and Ken Pederson fourth.

The Squam Lake regatta found Brian Hughes in first, with Brian Hayes second, Dwight Gertz third.

Wellfleet was the warm up for the NA's and the third and final regatta in the Circuit Championship series. First place was Stuart Nickerson, Betsy Alison second, Georges Peter third, Curt Felix fourth and Brian Hughes fifth. With fifth place Brian had captured the New England Lightning Circuit Championship.

Next came the main event — the NA's at Newport. With Newport in our back yard and the New England District being co-host, we had twenty-one boats sailing in one of the six different fleets over a two-week period. John Hughes and myself sailed in the Masters; Janice Lange and Christine Jones in the Women's; William Currier in the Junior's. I remember going out for the practice race. I was sailing in the chop when a wave came over the bow and commenting, to myself, "Boy, this back pond sailor is out of his element. We are going to set a spinnaker in this stuff???" As always Murphy was on board. On the second spinnaker set, the guy went over the bow and under the boat taking the spinnaker with it. What a sea anchor this turned out to be. This really **is** slow. The rest of our group showed up for the festivities on the second week. Saturday morning we left Newport and my friend Murphy stayed behind. I understand Murphy teamed up with another fellow named Bob. The week we had at Newport was very enjoyable and the sailing was great. Sailing one race a day is just great! You get off the water early enough to be first in line for the beer regardless of your finishing position.

Massabesic turned out to be a small regatta this year with Ray Harrington first, Moe L'Heureux second, and Norm Deyett third. From the reports I got, Spofford also had a low turn out. Stuart Nickerson first, Curt Felix second, and Dave Fitch third.

Although regatta attendance was down this year, many of us had a great time meeting new friends and enjoying this thing we call sailboat racing. We all are looking forward to the 1992 season with a lot of enthusiasm.

*NEW ENGLAND LIGHTNING CIRCUIT CHAMPIONSHIP

PACIFIC NORTHWEST DISTRICT

District Commodore	Bruce Deitz
District Champion	Gerry Neuburger
District Runner-Up	Bruce Deitz
Circuit Champion	Bruce Deitz
Circuit Runner-Up	Gerry Neuburger

Fleets: Vancouver (90); Seattle (132); Portland (283); Okanagan (368).

This year the Districts were sailed in Kelowna, B.C. for the first time ever. Many skippers had never sailed in Kelowna before and didn't know what they were missing: beautiful Okanagan Lake is located in mountains of Eastern British Columbia. The winds were light and shifty for most of the regatta making very trying times for the Race Committee. The regatta featured tough competition between Gerry Neuburger, Eric Lindahl, and Bruce Deitz. In a very tight finish, Gerry prevailed to win his first District Championship.

Once again this year, the Seattle Circuit Regatta (the Seattle Corinthian Yacht Club's Annual Fleet Championship Regatta) has been the show-down for the District Circuit Trophy. Our Circuit Trophy is based on the best three finishes from the following regattas: the Blossom Time Regatta in Kelowna, Eugene Yacht Club's Memorial Day Regatta, Vancouver Lake Sailing Club's Annual Regatta, Klamath Falls Yacht Club's Fire Cracker Regatta, Kitsilano Yacht Club's Summer Regatta, and the Seattle CYC Fleet Championship. Going into the Seattle regatta three skippers were in close contention, Gerry Neuburger, with a first at Klamath Falls and a second at Kitsilano; John DeBenedetti, with seconds at Eugene and Klamath Falls; and Bruce Deitz, with a third in the Vancouver Lake Regatta and a first in Kitsilano.

As it turned out Bruce won the regatta with close finishes by Bob Bazett and Gerry Neuburger giving Bruce the trophy. The finals standings were: Bruce Deitz - 5; Gerry Neuburger - 6; John DeBenedetti - 6.

John DeBenedetti and Bruce Deitz travelled to San Francisco Bay's Richmond Yacht Club for the Pacific Coast Championship in September. Once again, RYC put on a fantastic, first class regatta and "The Bay" provided great wind. John and Bruce aren't saying much about their performances, but they had a great time!

SOUTHEASTERN DISTRICT

District Commodore	Tom Schroder
District Secretary	Richard F. Mayne
District Measurer	John Pelosi
District Champion	Will Sloger
District Runner-Up	Lenny Krawcheck
Junior Champion	Judah Rubin
Junior Runner-Up	Carr Boyd, Jr.

Fleets: Savannah (127); Clark Hill (257); Lake Lanier (348); Triad (415); Greater Charleston (429); Palmetto (440); Waccamaw (463); Wake (481); Tennessee Valley (500).

Twelve Regattas were held in the Southeastern District in 1991, with sixty-three Lightning skippers sailing in at least one event. Sixteen skippers sailed in at least six events to qualify for the District Traveling Championships. This is up from the nine in 1989, and thirteen in 1990. Those qualifying in order of finish were: Bob Harkrider, Clay Rumble, Benny Moultrie, Neff Mackintosh, Karl Suter, John Pelosi, Michael Rees, Judah Rubin, Kent Millikin, J. M. Bohnkamp, Richard Mayne, Jim Taylor, Gil Klemann, Avis Bridgers, Bob Wilkins, and Ned Nutt.

All sixteen competing skippers, and crews received very nice hand made ceramic bowls with their finishing position embossed on them. The trophies were made by our own District member Nancy Klemann Sproul in her shop; Salt Mill Pottery, in Beaufort South Carolina.

The season opener was held at Augusta Sailing Club by the Clarks Hill Lightning Fleet April 20-21. The weather was good, and the three race series was won by Lenny Krawcheck, Bennie Moultrie was second, following within one point by Clay Rumble. Fifteen boats.

The following week we traveled to Knoxville where nine boats competed in a five race series. Bob Harkrider was first, followed by Benny Moultrie, and Frank Kelly, Jr. Nine boats.

A month later we were at High Rock, North Carolina, with great weather. Again Bob Harkrider took first, Clay Rumble was second, followed by an invader from Virginia, Bill Sloger. Nineteen boats.

The following week the fleet went to Lake Murray where good sailing on Saturday and a wait for wind on Sunday gave us a three race event won by Bob Harkrider, second went to Neff Mackintosh, who got so excited he

burned up a wheel bearing going home. Third went to Kent Millikin. Seventeen boats.

At Carolina, South Carolina, the following week, Clay Rumble won the three race series, followed by Michael Rees, and Bob Harkrider. Sixteen boats.

We then went to Beaufort, South Carolina to get used to salt water and prepare for the Districts. Bob Harkrider showed he had not forgotten about tide, Bennie Moultrie was second. John Pelosi broke into the top three. Nine boats.

Mid-June was Districts time and we traveled to the coast sailing out of Oriental, North Carolina on Pamlico Sound. The wind and weather were great, the Race Committee well prepared, and a good time was had by all. Competition was tough, Will Sloger came out on top. Lenny Krawcheck was second. Neff Mackintosh third, followed by Clay Rumble, Kenneth Krawcheck, Bob Harkrider, Bill Sloger, and Bennie Moultrie. Thirty-two boats.

At Lake Norman the wind didn't blow. It was all used at the Districts. They got one race off Sunday in drifting conditions with Michael Rees beating out Judah Rubin, followed by Jim Taylor with a new fast paint job. Seven boats.

Back to salt water in Charleston and brisk wind Saturday, more on Sunday and locals taking the gold. John McIntosh took first, visiting John Bohnkamp edged out local Kenny Krawcheck with Dad as crew. Did you see that shark!!! Fifteen boats.

Our District sent its largest contingency of sailors in recent history to this year's North Americans. Three boats were entered in the Master's (Bennie Moultrie, John McIntosh, and John Pelosi), two boats were entered in the Junior's (Judah Rubin, and Dov Estroff) and seven boats competed in the North American's (Neff Mackintosh, John McIntosh, Bennie Moultrie, John Pelosi, Judah Rubin, Bob Harkrider, and Lenny Krawcheck). Lenny represented our District well with a fine fourth place finish in the Championship flight. Five of us made the Presidents' flight with Bennie Moultrie doing exceptionally well in the first day and leading the series. However, two bad races on Friday pulled him just out of the silver. It seemed like the rest of us each had a good race but could not put together an overall score to get us into the trophies. Judah Rubin sailed with his Dad and Carr Boyd represented us well in the Governors' Cup.

In September, off to Waccamaw with memories of drifting in heat in 1990. We were to be surprised with good wind, Lenny Krawcheck romped to first, with Bob Harkrider close behind. John Pelosi was third sporting *Little Knockers*, his trade up boat. Nineteen boats.

Then back to Lake Murray, Columbia Yacht Club. With good weather and wind. After continuously moving up each regatta, John Bohnkamp took first, Gil "Doc" Klemann took second, and John Humphrey visiting from Michigan took third. Twelve boats.

To finish up the circuit, we traveled to Lake Lanier outside Atlanta for the Atlantic Classic. No drifter here...it blew, ask John Bohnkamp who capsized out of fifth place 100 yards from the finish. Lenny Krawcheck took first, followed by son Kenneth. An invader from the south; Fisk Hayden, took third. Twenty-three boats.

In 1992 District Commodore will be Pam Suter out of Atlanta, and Richard Mayne will remain Secretary/Treasurer. Looking to a year of District growth.

SWISS DISTRICT

Santa Fiamma with Junior Crew at Europeans.

District Commodore Jacques Perret
 District Secretary Kathy Herzog
 District Measurer Urs Wyler
 District Champion Gilbert Durr
 District Runner-Up Hans-Peter Schmid

Fleets: Lac de Neuchatel (169); Sempachersee/Hall-Wilersee (250); Murtensee (358).

After a wonderful season in 1990 with a record participation of twelve Swiss boats at the European Championship in La Neuveville, this year the Lightning Class activity was reduced at a minimum.

In spite of a good beginning in Marsala (Sicilia) at the European Winter Championship with the participation of three boats from Switzerland, we have had great difficulties to bring five boats on the starting line at our district regattas and just the Commodore with his youth crew travelled to Italy to sail the European Championship on the Lake Trasimeno (not enough wind; only three races; no champion!!)

Our District Championship was held in Neuchatel at the "Fondue" regatta: six boats, five races, Champion Gilbert Durr with Captain Urs Wyler as crew!!

To try to keep the Lightning Class active in Switzerland we decided at the European meeting in Passignano to organize the next Youth World Championship in Europe on the Lake of Neuchatel. We hope to find enough boats in 1994 with the help of our European friends!!

Next year the European's will take place in Hanko, southern tip of Finland. I hope for better participation.

TEXAS DISTRICT

District Commodore Arthur M. Wilson
 District Secretary Ardis Good
 District Measurer Dr. Sylvan Newman
 District Champion Richard Guinan
 District Runner-Up Warren Lewis

Fleets: Dallas Corinthian (35); Rush Creek Yacht Club (435).

An outstanding effort by Fleet 35 in recruiting new members resulted in their claiming the Steketee Trophy for the year. This is the second time the District has won the Steketee, Fleet 435 took it in 1983. The secret of 35's Success? Foremost in the effort is the years John Waskom III spent as the District Commodore, promoting Lightning sailing. John Waskom IV has followed in his father's footsteps, and supported by Rodney Wallace and Joel Good have always had their eye out for good used Lightnings to refurbish and bring up to racing condition. That way there is always a boat available for prospective members. There is a standing invitation for people, no matter what their experience, to participate in the fleet races or day sailing on John Waskom's boat. Fleet 35 sets its own fixed buoys at White Rock Lake to take advantage of the prevailing winds. They run their own starts from the member's boat who is responsible for race duty. This

Texas Fleets 435 and 35 support the Shreveport Regatta.

minimizes their loss of participants, because the race chair person becomes a starter also after the five minute warning whistle. Also the fixed buoys provide a readily available training course evenings after work. All-in-all, a job well done. Congratulations to Fleet 35!

The District has seen a renewed interest in Lightnings in the Houston area. Steve Harris, wife Pat and crew Marlene have made it to several District Regattas, the District Championship and the Bluenose Regatta in Nashville. And they do it with five children in tow, the oldest about seven years of age. Guess who baby sits? Marlene's husband, of course! Who says young families cramp your racing style? Also, Jim Stewe and family came to the Octoberfest Dinghy Regatta at Rush Creek Y.C. Now if we can just get them all together at Arthur MacArthur's boat house we will have the nucleus of a Houston Lightning fleet.

The area regattas have seen an increase in Lightning participation this year. Eight at the Holiday in Dixie in Shreveport, seven at the Spring and Fall Dinghyfests at Rush Creek Y.C. on Lake Ray Hubbard in Forney and sixteen at the State Fair Regatta at the Corinthian Sailing Club on White Rock in Dallas.

Only nine Lightnings took part in the Districts in June at Rush Creek, but the competition was keen. The first four boats were within one point of each other! Next year we hope to hold it at the Corinthian Sailing Club and double our attendance. Who knows, in a few years we may have a District Championship in Houston.

We did not get any boats to the North American's or the Worlds but we did have spectators there. Joel and Ardis Good went to the Severn Sailing Club to witness the Worlds and meet many old and new friends. The District Commodore was on a convenient "Business Trip" to New England and found his way to Newport to pick up the Steketee Trophy. Again a good year comes to a close with a November Blue Norther. We are looking forward to March 1992.

I.L.C.A. ADDRESSING SERVICE

Most of the Fleet and District Officers listed in this Year Book held office during the calendar year 1991. Names and addresses of current officers may be obtained from I.L.C.A. Headquarters.

Some of the Members listed in the Registry of Lightning OWNERS have moved since the Registry was prepared. Current addresses may be obtained from I.L.C.A. Headquarters.

We offer addressing service to Fleets, Districts, and Yacht Clubs. We will address labels at 10¢ per name for any District. Additional charge is made for the amount of postage required to mail them to you. Names available are those of Lightning owners who are in good standing for 1991 and 1992.

This service is also available to Lightning builders and sailmakers at 15¢ per name.

Contact I.L.C.A. Headquarters, 808 High Street, Worthington, Ohio 43085, giving sufficient lead time.

Once again, our Champion, Bob Adams was Barnegat Bay Yacht Racing Association Champion; but, he accomplished this sailing a Sanderling 18' catboat, NOT a Lightning!!! That's the bad news; the good news is Bob is going to compete on the Southern Circuit this winter! Bob O'Brien III will crew and we all are sure he will be in the winners circle once again in the familiar green Lightning—our boat of choice!

Lightning Fleet Five was eighteen boats strong this year with stronger competition and exciting racing. We scheduled four series this year on our Saturdays, Sundays and Wednesday evenings and the winning positions were shared among several different skippers.

In the Fleet Championship Series we had thirteen skippers and crew out for five races. Mike Huffman showed us the way each race as he and crew Meg Huffman and Jim Blair won all five races. Rick Kaiser was consistently challenging Mike with four second place finishes for the Runner-Up position. Third was John Walter followed by Adrian Irving and Dick Hinze.

In the Corinthian Series of eight races, the Winner was David Stix in his boat "Total Recall" with four first place finishes. John Walter followed in second and Dick Hinze was third.

The Summer Series of six races was taken by Carey Long with Dick Hinze second and Steve Brugge third.

The evening breezes were just what Meg Huffman ordered as she won our Wednesday night series, the Moonbeam Series.

Fleet Five and Chicago Corinthian Yacht Club sponsored the Midwest District Regatta this year in July. Eighteen boats from our Midwest fleets of Sheboygan, Green Bay, Milwaukee, and Chicago fought it out in fairly strong breezes over three days. Mike Huffman emerged the Winner.

Our Hobelman Regatta was taken by 1/4 point by Rick Kaiser over Paul Wurtzebach.

Our Red Flannels Regatta in September was again a great regatta. Thirty-nine entries from the Midwest District, the Michigan District, the Indiana District, the Mississippi Valley District, and the Lake Erie District came for great sailing, good fun, and lots of trophies and prizes. Rick Kaiser, the Regatta Chairman, went all out to organize an exciting weekend of good courses and a good party. To everyone's surprise there were trophies for every occasion, from placing in the regatta to winning the twentieth spot in the third race. Crew door prizes were drawn on Saturday night amidst a great meal and an award of recognition to our own Mike Huffman for becoming the new Class President.

On the race course Bill Faude, in "Former Panamanian Strongman", kept his boat upright and up front to win the regatta. Pat Considine was second, Derek Ettie third, Paul Wurtzebach fourth, Rick Kaiser fifth, David Stix sixth, and Mike Huffman seventh.

Overall, another great season in Lightnings!

Bill Faude, seated with Red Flannels Trophy and a few other happy participants.

Fleet 12 had a banner year with more sailors competing than in previous seasons. The weather was splendid, with very few cancelled races.

Plans for the season were formulated at a party hosted at the Allen's in February.

Ten Lightning Series for Seniors and Juniors were sailed throughout the summer. The kick-off was the Eby Series in mid-May, with a record nineteen competitors, won by Pan-American Champion Matt Fisher. Tom Allen Jr. captured the five race Fallon Club Championship, which was sailed over one weekend in early August. This event drew a record eighteen entries. Wednesday evening racing also gained in popularity with up to thirteen boats competing, including many Juniors. Our thanks to Jean Swanson, Anne Allen, and Sue Fretz for running the Wednesday evening races.

Congratulations to other series winners who are listed in the 1991 race results section. There was more participation in the Club racing this summer which made each series very interesting.

Six of our snowbirds migrated to the Lightning Southern Circuit in March. Jody Swanson skippered her Lightning to first place in the sixty-nine boat fleet at the St. Petersburg Winter Championship Regatta. David Starck, Larry MacDonald, Tom Allen, Jr., Jim Allen and Tom Allen, Sr. also skippered in the circuit, which also included regattas at Savannah and Miami.

Larry MacDonald, Jr. placed second in the Lightning World Championship which was held at Annapolis in June. His crew was Jody Swanson and Trevor Born. Dave Starck finished seventh in the forty-four boat fleet, with crew Ned Roseberry and Corey Sertl.

The Lake Erie District regatta was held at Cuba Lake near Olean. John Swanson sailed superbly to capture his first District Championship. Eight Fleet 12 skippers qualified for the North American Championship regatta sailed off Newport, Rhode Island. Unfortunately, Hurricane Bob disrupted the Qualifying Series with only two qualifying races completed. Mark Sullivan was our best finisher in the finals, with a 15th place finish in the Championship fleet. Tom Allen, Jr., Dave Starck, John Swanson and new member, Bill Neal also qualified for the Championship Fleet. Tom Allen, Sr. won the Presidents' Cup, with Jim Allen placing 7th. Ed Roseberry, Jr. finished 2nd in the Governors' Cup Fleet.

We are proud of Jody Swanson's many accomplishments this year including Runner-Up in the U.S. Woman's Keelboat Championship, and wish her success in her Olympic campaign.

Many BCC Junior Sailors continued their enthusiasm for Lightning sailing, both as skippers and crews. Tom Starck and Warren Emblidge, Jr. placed 2nd and 3rd in the Junior Districts. Tom Starck, with crew Martha Wilson and Guy Adema finished 2nd in the Junior North Americans at Newport. Warren Emblidge, Jr., with Sam DeCastro and Mimi May on board finished 3rd. Both of these skippers and crews qualified for the Junior

World Championship which will be sailed in Chile in October 1992. Greg Millar, with Frank Ernest crewing; Pat Buckley, with crew Jack O'Donnell and Todd Stievater; and Kathy Toeke, with Dan Williams aboard, also competed in the sixteen boat event.

With the BCC hosting the North Americans next August, we anticipate even more interest in Fleet 12 events. David Fretz is General Chairman of the North Americans. Dave has requested help for his various committees from all BCC members, not just Fleet 12, to ensure the success of this prestigious event.

Our thanks to Fleet Captain Tom Ward, Race Committee President, Bob Stoner, and Scorekeeper Co-Chairwomen, Lee Hylant and Suzette Montgomery for their able leadership, without which we would not have had such a successful season.

We thank Fleet 12 Secretary, John Frank, for mailing meeting notices, and Treasurer, Tom Allen, Jr. for keeping our finances and intact.

Besides the regular schedule, there were two featured events in this summer of sailboat racing at Fleet 16. The first was a series of three handicap races, scheduled at intervals throughout the summer, drawing in the many cruising boats on the big lake. There were close to 20 boats involved in each race, with a J-27 (Jack McNamara) finishing first in the first of these races, but because of the handicap rating he did not actually get a first out of it. The J-27 was rated as third with two Lightnings, skippered by Lightning sailors Franz Schneider and Brent Benson, first and second respectively. The Midsummer Handicap races results were Franz Schneider, first in a Lightning, Lincoln Rowley, second in a Lightning, and three cruising boats, Jack McNamara, Art Werner and Ted Patchen (3rd, 4th, 5th). The Labor Day Handicap race was finished in this order: Brent Benson, George Madel, Franz Schneider, Jack McNamara and Art Werner.

The second featured event was the 25th Annual Governor's Cup Regatta, attracting 19 boats. The event was hosted for the second year by Fleet 16 and the Lake Wallenpaupack Yacht Club. On that Saturday, September 14th, the winds were light, about 5-10 knots, but by the second race, the wind had lightened and the course was shortened to 4 legs. Within seconds of abandoning the race due to time, Mark Schneider crossed the finish line. At the end of two races, Mark Schneider and Jack Elfman were tied for first place with Dick Hallagan next in order. Sunday blew in with gusty winds and some rain. After this race the final positions were as follows: 1st - Dick Hallagan, 2nd - Mark Schneider, 3rd - Jack Elfman, 4th - Dave Ruiter, 5th - Bob Sengstacken. Congratulations to these winners, and we hope for better weather next year.

The 1991 racing summer was plagued by light-to-nothing airs interspersed with occasional more-than-we-needed winds. (So what else is new?) But, like all racing sailors we sat on the lake shore, rain, shine, or whatever, patiently watched and waited, and took off for a crack at a race whenever even dimly possible. So, we managed to get in a tolerably good racing season.

The results of our first race, The Cold Duck Regatta, on Memorial Day: 1st - Franz Schneider, 2nd - George Madel, 3rd - Bob Baron.

The season is divided into three series of 8 races over a 4-week period. The first series, the Folwell Cup was won by Franz Schneider; 2nd - Joe Mark; 3rd - Joe Shatt. The Miller Cup Series was won by Franz Schneider; 2nd George Madel; 3rd, Joe Mark. The Club Cup Series was won by Franz

Schneider; 2nd - George Madel; and 3rd - Stan Moldawsky.

The season championship is determined by selecting each skipper's 12 best races, and the winner was (guess who) Franz Schneider, thereby becoming our fleet champion again; second, and runner-up (again) was George Madel; and third was Joe Mark.

The crew races on August 31st, competing for the Lorimer H. Brown Cup, were won by Franz's better half and constant crew, Sheila Schneider, 2nd - Todd Gering; 3rd - Latham Pali.

As to the Joe Mark — Stan Moldawsky rivalry in the middle of the pack, last year Stan beat Joe, but this year Joe beat Stan. And this has been going on 23 years!

We missed Joe and Mary Ann Feyder this summer and hope to see them back next season.

For the Chautauqua Lake Yacht Club Lightning Fleet, 1991 was a great year. Our Commodore Doug Swanson, the officers, and the staff kept all functions of the club running smoothly. Our fleet had a net growth of two boats with good prospects for next year. A new committee boat was purchased and that will make the Race Committee's job more pleasant. Club races were always close, exciting, and most important, fun!

The Cornball Regatta was blessed with perfect weather, good attendance, and spirited competition. The first place trophy was awarded to Art Tirrell, from that home of many great sailors, Port Oswego (485). Congratulations to Art and his crew, they put in a fine performance. The Saturday night party was an outstanding success. The club kitchen staff served an excellent dinner and the committee organized, once again, a Monte Carlo night with a Chinese auction. Keith MacDonald stood in as auctioneer and made a "really good show" of it. Thanks Keith.

Amy Beisel travelled to Newport with her family and sailed in the NA's. Gordon Black travelled to Toronto with his dauntless crew Jim McDonnell and Adam Erickson for the Canadian Open.

We welcomed three new skippers to our fleet this year. Steve Shiffer is

new to the Lightning Class and will join in the racing in '92. Henry Kutschke is a Snipe sailor. He saw how much fun we were having flying chutes and just had to try it. Charlie Hodges was beached when his E Scow skipper moved away and he really needed a boat! Watch out for him on the starting line. Caroline Schneider showed a lot of talent in the club races with several firsts. She doesn't have a boat yet but that may change.

Ken Reid and his son Doug did a great job and took a commanding lead in the club races this year. Gordon Black was Runner-Up, which was notable because he always sails with a pickup crew. Henry Kutschke won third place. Our Race Committee, headed by Bill Beisel, did a great job for the Cornball and throughout the summer. Thanks Bill and thanks to all who helped make 1991 a memorable year.

Close finish at a Fleet 19 Wednesday night race.

Fleet 25 has had a terrific year with intense competition between the fleet. The season began in early June with new sails for the Anderson, Drosdick, Okner, and Warren boats. In addition, the sailing conditions were ideal and

the fleet participation was fabulous.

Sailing began in early June with warm weather and moderate winds. After several weeks of fine tuning and practice, the new sails began to make a difference in the competition. Gone were the old blown-out sails and previous distant finishes between the boats. Bob and Pat Graham, who usually do a horizon job on the rest of us, were no longer under-challenged. Close behind were Perry and Margaret Anderson and occasionally the Drosdick, Miller, Okner and Warren contingents. Meanwhile Rich Miner and crew (wife Gail and Bill Devlon) were off sailing and winning district regattas.

John Miller and Wayne Gersch each bought slightly used boats which helped increase the fleet size. John, who is a new father, managed to sail almost every week-end despite his family obligations. Wayne began crewing with several different skippers in order to learn racing techniques, new non-sailing words (which are sometimes used in times of frustration) and how to win and lose with dignity.

The mid-summer conditions were typical of Lake Mohawk, shifty, hot, and sometimes the wind was non-existent. Sailing with evenly matched abilities and boats made for some interesting discussions. All agreed that this year was one of the best years for participation and challenge. No one had a sure advantage and most races were quite close. Everyone learned the art of covering effectively, never giving up, and it's not over 'til the fat lady sings. We even found out that Lisa Drosdick still wouldn't crew for husband Dave. This year's excuse was "I'm pregnant". Nice try Lisa, maybe next year.

The fall weather brought about ideal southwesterly winds of 7 to 15 knots and beautiful fall colors. Rich Miner returned to us, and yes, we really did miss him. Rich and his crew nearly beat the Graham's for first place in the fall series. They both were tied up until the last race of the year. Rich needed just one more first place win to force a coin toss for the overall standing. Unfortunately for Rich, lady luck was not lucky.

Bob Graham just edged him out by just .022 points. John Miller was holding a steady third place. There was also a tie between Don Okner and Bill Warren in points. Bill was still ahead of Don based on the who beat who rule but after the final race of the year, The Drosdick contingent managed to win the last race forcing Rich Miner to place second, John Miller held onto third, Bill Warren finished fourth, Dave Drosdick finished in fifth, and Don Okner slipped into sixth.

And now let's take time to talk about the crews. Madeline Okner, Margaret Anderson, Gail Miner, Prudy Gersch, and Pat Graham deserve the "Good Sport Award" for putting up with their spouses. The "Great Attitude Award" for always being there on Sundays goes to Bob Watters, Bill and Marilyn Devlon, Jack Robertson, Ed Malatesta, Wayne Gersch, John Miller's crew, and Joe Drosdick.

We will all miss the sailing season this winter and expect to have even more fun next year. Let's hope that we keep expanding the fleet and have even greater participation next year. Lastly, don't forget, Fleet 25 will be hosting the Metropolitan District Regatta in June.

Our Spring Thing Regatta, organized by Bruce Goldsmith yearly, was the usual great start for the summer's sailing at Devil's Lake. Over 40 boats participated, with Brad Read from Shore Sails giving tips on and off the water. This casual week-end provides a great chance to warm up for the year, pick up new tips, and practice different maneuvers. No points were tabulated, and this Regatta is planned as a learning experience and a fun week-end to renew old friendships and make new ones without the pressure of competitive standings. However, many of the top sailors in the Midwest attend so there are lots of good comparisons on the water and tips passed back and forth off the water. Skippers and crew change between boats race to race to share tips on the water as well. This Regatta is a must attend event yearly. In 1992, Bill Drahmeim from Ullman Sails will be the guest expert.

The Fall Regatta also had over 40 Lightnings and 11 Sunfish. Again, great racing and great camaraderie, typical of the Devil's Lake Regattas. Our own Dan Norton won the Fall Regatta for the first time. The 1949 Fall Regatta Champion, George Maludy, was there observing the races.

Dan had a great year. Graduating from Michigan State University and getting engaged to Linda Schulte (yes, her dad is that Lightning sailor out of Crescent), and Dan getting a new boat all suited him well. He was Fleet Champion for our Summer Series. He also scored an impressive series of firsts at the Memorial Week End Regatta, the 4th of July Regatta, the Labor Day Regatta, and of course, the Fall Regatta. He was on the team that won the Team Races at Lake Fenton, with the other team members, Bruce Goldsmith and Hank Hodgson. He also had placed well at the Michigan District Regatta. Dan is certainly one of the rising stars in the Lightning Class.

Steve Thomas was our Fleet Runner-Up for the Summer Series, and had a good showing at the Michigan District Championship with a 4th place and had a 2nd place at Cowan Lake.

Steve's son, Bill Thomas, was our sailing instructor for the summer and was the Michigan District Junior Champion along with brother Mike Thomas and crew Shane O'Neill. Bill had a 6th at the Junior North Americans.

George Sipel had 3rd at the Crescent Regatta and 8th at the Districts. He's done well on the collegiate scene and placed 2nd at the Midwest Collegiate Dinghy Championship, sailing for Western Michigan University with crew Amy Hodgson (yes, that's Hank's daughter and frequent crew). Amy also was the Michigan District Women's Champion this year.

The Bruin (Bruce Goldsmith) scored an impressive three 1st places to win the Pontiac Cass Lake White Cap Regatta this fall and placed 7th at the Districts.

Jeff Clemes won the Stay At Home series at Devil's Lake. Merrill Bales, multiple past Fleet Champion and past Fall Regatta Champion in 1974, won the Commodore's Regatta. Dr. Charlie Smith won the Captain's Regatta.

T.J. Whitehouse won the Junior Series at Devil's Lake and won the novice award in Lightnings for the Summer Series.

A special thanks this summer to Bess Nouffer who is retiring as Lightning crew (she's crewed for many years with Merrill Bales on his many seasons of fleet championships). She's always been a great supporter of the fleet and Lightning Class. Thanks also to Chris and Jack Tibbs for all their help, Bill Nouffer and Ellie Berendt. Thanks to Macatawa Yacht Club for hosting a great Michigan District Regatta this summer. Hope to see it there more often in the future. And also, a personal thanks to Hank Callahan, for towing my boat back for some repair work after an accident. The Lightning Class has such a great camaraderie and friendship that's second to none.

Hope to see everyone at our Spring and Fall Regattas in '92.

It was a strange summer on the Metedeconk. Historically, the Metedeconk River has been known for their consistent sea breezes, which would bring in a refreshing sea breeze with strong winds from the east, moving southerly as the day went on. The prevailing breeze in 1991 were West, leading to some questioning whether the Atlantic ocean had been moved in relation to the river. The change in conditions however, did little to deter the sailing of Paul Gelenitis, who dominated the local competition, winning the Championship Series, The Barnegat Bay Yacht Racing Association Championship as well as teaming with Mike Buckowski to win the Fall Series. Other strong local performances were from Djoerd Hoekstra (Runner-Up in the BBYRA), Joe Buckowski (Runner-Up in Championship and Fall Series), the Carson Racing team (3rd in BBYRA) and Mike Buckowski (Junior Club Champion). In addition, the fleet was joined by Bill Bogardus, a long time Champion in other classes within the Club.

Metedeconk held the Central Atlantic Districts in mid-July with 20 boats racing. Fierce winds on Saturday forced races to be held in the Metedeconk River, with Sunday's races held on Barnegat Bay. Keith Taboada successfully defended his District crown, but not until receiving a stiff challenge from brother Brian Toboada. With two firsts and a second entering the final race, Brian led Keith by a fair number of points. A poor choice of sides to favor in the last race caused his demise as Keith won the final race. Dave Ruiter sailed a very consistent series to edge Brian for second. Djoerd Hoekstra's fourth place completed a Metedeconk sweep of the top four positions with Surf City's Rich Warren taking fifth. Joe Buckowski followed the next day to win the New Jersey Junior States Championship.

Metedeconk held the Spring Tuneup Regatta in June. A light turnout saw the team of Jim Carson, Billy Bogardus, and Joe Buckowski edge out Bill Bogardus and Riverton's Mark Schneider for the title.

Keith Taboada continued his emergence into the upper echelon of the nation's Lightning sailors with a strong performance at the Worlds in Annapolis. Keith was pivoted for the top three places going into the final race, as a subpar final race left him still an excellent seventh. Although Keith skipped the North Americans, Metedeconk's presence at Newport included Paul Gelenitis, Jim Carson, and Craig Dooren, and Mike and Joe Buckowski in the Juniors. Our congratulations to a club member who has moved on, but still consider one of our own, to 1991 North American Champion, Jody Lutz. We are proud of your accomplishment.

Jody and everyone else, stop by to sail along Metedeconk's waters. We'll try to keep the ocean situated and the Metedeconk back to normalcy for 1992.

three at only a few points back.

In October we enjoyed an unprecedented seventeen boat turn out for the annual State Fair Regatta, five of which were from neighboring Fleet 435, one from Houston and one from Shreveport. Good racing and fellowship were enjoyed by all in attendance. Wayne Catoe and Ralph Bilnoski came in first and second to keep Fleet 35's spirits high, with the third place trophy going to Joe Hunt of Fleet 175 for a well balanced event. We hope to see even more of our Lightning friends at this regatta next year.

The fall series is exhibiting close competition between Good and Waskom, followed by last year's Winner Ralph Bilnoski. We don't have the outcome for this report.

Fleet members travelling to other Lightning events have nothing to report but general praise for our fine class organization and encouragement for others in our fleet to do the same next year.

1991 was a special year indeed for Lightning Fleet 35. After a decade of rebuilding, the Fleet was awarded the prestigious Steketee Trophy for its outstanding efforts in furthering the purpose of the ILCA. The Fleet wishes to thank all members past and present who have contributed to our overall success and to future members who will help in carrying on this tradition.

We are especially pleased to be able to welcome a bumper crop of new Lightning owners (Godsey, Davis, Keimer, Glass, and Takle) to the fleet this year. Their active participation has been a reward to all who have helped to build our racing program. The summer series got off to an early start in April and was interrupted only for a four boat trek (Bilnoski, Catoe, Good and Wallace) to the Holiday in Dixie Regatta in Shreveport late in the month, with Wayne and Ralph bringing home a little silver, and the Texas Districts in June (no silver for 35). After twenty-two races, the series ended with a tie in points between Wayne Catoe and Joel Good, a tie in the number of first place finishes at six each, and Catoe winning the series on the greatest number of seconds. Merritt Nielsen rounded out the top

The 1991 season began May 11 with our annual Spring Classic Regatta. This regatta, which is gaining a reputation for great sailing and great fun was again well attended by sailors from all over the Northeast. Dick and Peter Hallagan came down from New York and finished first and third respectively.

Our regular season began the following week with the start of the Spring Series. Little did we know that it would also be the most water we'd see in the lake all season, as the Drought of 1991 also began.

Jack Borland began the new year in a new boat and sailed to second place overall. This was to be Jack's worst overall series finish of the year. 1990 Championship Runner-Up, John Werley, won the series, and Fleet Captain, Lenny Ciccione was third.

Our Summer Series is divided up into Saturday and Sunday Series to allow for more competition and to let those who can sail only one day or the other to compete. However, Jack Borland would not allow anybody else to compete at all and walked away with First Place in both the Saturday and Sunday Series. Victor Maras was second on Saturdays, followed by Scot Werley. Tom and Pam Petroski, in the *Purple Moose*, finished second overall on Sundays, to get their first ever trophy. Not bad for only their third season of racing. Lenny repeated his third from the Spring with a third on Sundays.

While we were all preparing to host the Ohio Districts, Defending Fleet Champion, Rob Ruhlman, was doing his part as our international representative by sailing to a sixteenth place finish at the Worlds in Annapolis. Congratulations Rob! Also congrats on being elected a Vice President of the Class.

The Ohio Districts came to Pymatuning, June 29-30. Matt Fisher polished his gold medal style by winning three of five races and finishing second when he didn't win. Fleet 36 was represented by Rob Ruhlman and David Werley, second and fourth, respectively, in the A Fleet. While Vic Maras and Scot Werley were second and third, respectively, in the B Fleet. Congratulations to everyone.

By the time our Fall Series got started, the water level in the lake had dropped so low that the main discussions after the races were focused on who ran aground where. Jack was able to steer the best course through the shallows though and took first again. Vic was second and Bill Weihe was third.

Fleet Champion is determined by using the high-point scoring system on all races, all summer, scoring the best 50 percent. You had a great summer, Jack, but it really helps to win the big races when using the high-point system! John Werley was able to win the big ones and took home the Championship for the second time in three years. Jack (Always the Bridesmaid) was Runner-Up once again. Don Courtsal finished third, Vic was fourth and Frank Thompson fifth.

Some of the less competitive activities for the summer were our third annual Brunch at The Beach, the first annual Moonlight Madness Race (complete with a moonshine trophy), and the annual Corn Roast for the Club. The Gung-ho Participation Award goes to the newest (and wettest) Fleet members, Jonathan and Ruth Dean, not always the fastest, not always the slowest, but certainly the most enthusiastic.

First Timer Awards go to Tom and Pam Petroski for their first-ever win and trophy and to Scot Werley for finally capsizing a Lightning after twenty-years of crewing and steering.

The season was not complete, however, without one last party, so we turned to none other than Jack and Anne Borland, who invited us all to join in the marriage of their son and former Fleet member, Tim to Amy Stever on Thanksgiving weekend. Congratulations, good luck, and a lifetime of smooth sailing to Tim and Amy.

Fleet 39's 1991 season started off with a whimper and ended up with a bang as far as wind conditions go. In May and June in the A Series, Don Williams moved by everyone to take the series with three first places. Then came Frank Newman who stunned everyone at the Chelsea Open by winning Sunday's race in no air at all. How do you do it, Frank?

The remaining four months of the '91 season saw Richard Owen win hands down the B, C and D Series to become the overall winner. Congratulations, Richard! A job well done.

Dave Petelinz and Don Williams chased Richard but to no avail with Don taking the runner-up position followed by Dave in third. The remaining finishers were Frank Newman in fourth followed by Jerry Cavagnol in fifth and George Campbell in sixth place. Hats off to Jerry for returning to our fleet after spending the first half of the season refurbishing his craft. Jerry agrees that sailing is more fun than maintenance.

Regarding other members of Fleet 39, we regret seeing Mike Pike leave us for other sailing waters but we hope to see the likes of Bill Muth, Sam York and Jay Anderson out sailing with us in '92? Make note that May 3, 1992 at 1310 hours the horn will blast for our start!

In summary, despite the poor weather conditions in May thru August, the sailing in September and October was fabulous and made up for all the unpleasantness earlier in the season. The battle cry for '92 will be 'Catch Richard!' However, I'm sure Richard is saying 'Catch me if you can!'

The Sunday "A" Series was won by Kevin Hughes with Jack Schulte finishing second. This year was Dick Drew's last year racing his Lightning. Dick has been a Fleet 51 sailor for over 30 years. We all wish Dick and Michele Drew the best and express our appreciation for their Lightning Class support and exemplary sportsmanship.

The racing season at Lake Fenton became even more of a family affair this summer as Brian Nickels (son of George Nickels) raced his father's boat while Kevin Nickels shared skipper duties with his father, David. Needless to say, the remaining racers had their work cut out for them. The annual team races were held in late June with seven teams of three boats each competing. The Pontiac Yacht Club won that regatta with Devil's Lake placing second. Thanks to good weather and excellent sailing by all participants, the team race was a great success.

The Sunday race series was won by Herman Nickels as was the Wednesday series. Several of the races were called due to a lack of wind and the fleet experienced one more loss when Al Bauer decided to trade his sailing in for golf. Rumor has it that Al will be back in 1992 with his boat so long as there is wind.

There are currently several members of the Lake Fenton Sailing Club who own Lightnings and who are not members of the ILCA. Increased efforts will be made in 1992 to add some of those owners to the ILCA membership. It is also anticipated that Kevin Nickels will have his own boat which will further improve racing participation during the coming year. Finally, all members of Fleet 53 hope to learn in 1992 what a Lapa Uila is.

During 1991 Niagara Sailing Club Sailors were well represented at most area regattas, the Southern Circuit and the North Americans in Newport, Rhode Island.

Judy Walker sailed very well in the North American Qualifying Races. Cal Schmiede managed to capsize at the jibe mark after a wild spinnaker ride in the heavy winds preceding Hurricane Bob. Our hats are off to the people in Newport who hauled 102 Lightnings into the safe confines of Ft. Adams.

Cal Schmiede, with perennial crew Larry MacDonald, Sr. and Don Allen, won the Old Salts Regatta at the Buffalo Canoe Club in August. Bob Starck was a close second.

True to Niagara Sailing Club tradition, Kathy Taylor was married on a Friday night. This left the weekend free for Lightning sailing. Thank you Kathy and Dan Battaglia.

Larissa Higgins and Doug Matteson won the District Jerry Blake Trophy for outstanding crews associated with one boat.

We are looking forward to the North Americans at the Buffalo Canoe Club this year. Best wishes to all Lightning Sailors and may you have good sailing and fellowship in 1992.

The 1991 season unofficially opened when Bill Faude (borrowing Dave

Stix's boat) and Bob Franke went for a practice sail on March 30th. The conditions: sunny skies, southeast winds of 10-15 kts, water temperature of 35°F and air temperature 33°F. As Bill put it "this day has been brought to us by the 'Sun', for over a millennium, the Sun". As the sun began to set in the west, ice soon began to form on the sails, blocks and the crews' fingers. This ended the sail; however, the event was captured on video and replayed at Walter Nickerson's "Wine and Cheese" party. Walter's party also brought new member John Sills to Fleet 69.

Finally, Memorial Day weekend arrived. The commissioning of Milwaukee Yacht Club, sponsored by Lightning Fleet 69 was held Friday evening with superb weather. Father Sanfelippo blessed the fleet. U.S.C.G. Milwaukee Group hoisted the Colors and the Gunner fired the cannon—BANG!!! Season Series racing started on Saturday, followed by the annual Marine Handicap on Sunday. Once again the top three finishers in the centerboard division were Lightning sailors, Bob Franke, Walter Nickerson and Dana Blumberg respectively. The Little Mackinaw race (12 mile windward-leeward) was canceled due to 25 mph nor' easter.

The P & T Regatta was sailed July 6-7th with 17 boats in attendance. Paul Wurtzback from Chicago took top Honors. Dave Stix, Bill Faude, Ric Larson and Tryg Jacobson completed the remainder of the top five. Chicago was the place to be for the Midwest Districts; five of the six races were sailed in 20+ winds. Wow, what a ride! Fleet members in attendance: Dr. Esser, Nickerson, Dillon and Franke.

August brought the NA's and Hurricane "bob" to Newport. Congratulations to Bob Franke, Amy Simonsen and Mike Broderick for finishing third in the Governors' Cup. The MYC Commodore's Regatta came down to the last race with Peter Mahnke squeezing out Dana Blumberg for first. Dr. John Esser was third followed by John Sills in fourth and Byron Roe in fifth. With the conclusion of the Commodore's Regatta the Season Series could be won by any of five sailors. It all depended upon results of the Labor Day Regatta. Unfortunately, the arrival of a cold front and associated high pressure system brought winds of 30+ mph. Disappointed sailors calculated the Season Series results: Bob Franke first, Dana Blumberg second, Peter Mahnke third, Dr. John Esser fourth and new fleet member John Sills fifth.

Congratulations to Mike and Dana Blumberg for the addition of "Grace" to the family and to sister Karen and Joe for the newest sailor Joseph Dean. Also to Bob Franke and Amy Simonsen for their recent engagement.

Our thoughts now turn to raking leaves, ice skating and snow skiing in the beautiful Wisconsin outdoors. Only one question remains. When Bill Faude's new (not borrowed) boat arrives, will he be sailing in Milwaukee or Sheboygan? Tune in next year for the answer.

Fleet 70 had completed another successful year. We continue to grow as four new members join the fleet. Our members participated in Fleet races, Handicap series, Bridge races, regional regattas, Districts and Atlantic Coasts, The North Americans, Masters and World Championships. Some did well, some did not, but we all had a good time on and off the water.

Thanks to all those people who helped with the Long John, Districts,

Fourth of July and Christmas parties, Floats out and serving the Monmouth Boat Club in general. You know who you are — See you in 1992!

Great weather, fun regattas, parties and more participation made 1991 a very good year at the Nyack Boat Club. This year an average of 8 to 10 boats were on the start line Sunday afternoons. But, what was impressive was the closeness of not first, second or third place, but almost all of the boats finishing 20 yards or so in many of the races.

The following are predictions for the upcoming 1992 season: Terry will keep his boat (and new mast) and show his true racing form. Howie and his light air crew (wait 'til the kids grow) will be even faster. Bill Cook will be in tacking duels with Gary toward the finish line, with Joan not far behind. Fleet Captain Bill Mann will make a decision to buy a new cover or trailer, or both. Go for it Bill! Art will finish work on his boat, and Rita will give the orders. Dave Reeves, whose red boat always seems to be ahead, will continue so while also providing excellent parties during regattas. Paul and Kathy's little addition now will make a crew of three. Dan Parietti's luck will run out and he will be ejected overboard (by crew) early or, if he wins, later. Marc Silverstein will not disconnect the spinnaker halyard before the final downwind leg or he will join Dan; regardless he will take excellent photos of the fleet. New member Chris Sprole (a Buffalo, NY transplant) will share his racing knowledge with us as he continues finishes in the top three nearly every Sunday. Bill Moe will buy new sails (unknown to his wife) and will probably be nominated again to be Fleet Secretary. New member Tim Reilly will surely be racing on Sunday with his new and familiar boat. Irwin will be back to help

anyone, anytime with anything. Last, but not least, Joan will have more wins with her boat than Gary will with his (but not many more).

If you have never been racing on the Hudson River, we welcome you during the season. The river is 3½ miles wide, and we use every part of it.

Fall sailing on the Hudson River.

Self-proclaimed as the fastest growing Lightning Fleet in Central New York (and the District), the Newport Yacht Club on Irondequoit Bay boasts its highest number of Lightning members in years, thirty-three!

Holding the WJM North Americans in 1990, which brought over 125 boats to race on Lake Ontario, NYC suffered little in racing burn out. In fact, it was the club boats that showed the greatest support at the annual Newport Spring Invitational Regatta, sixteen.

In 1991, there seemed to exist a home team and an away team. During any Central New York District regatta there were at least seven club boats participating...leaving from eleven to seventeen boats on the starting line at home for club races. THAT'S ACTIVE!

Our newest member, Dan Pope, placed 3rd overall in club races. Very impressive since he stepped off a J24 in June and onto a brand new Lightning in July. Glenn Burley traded in his Laser for a Lightning this year and placed second for most races sailed. Another new member to the club is Rob Chamberlin with the oldest boat, 6683.

Long time members of NYC continue to set the pace (and offer healthy competition) for the racing fleet. Bob Jamison finished first overall, and Howard Stickney fourth. Howard also claimed most improved and had the most races sailed, too! thirty-eight out of forty-nine races. Allen Hamilton (a member since 1955) showed his grandson Matt Atkins how much fun racing is by beating boats in the fleet.

Other club standings are: Bob Jamison — 1st Championship, 4th Spring, tied 4th Summer, 4th Fall. Dick Hallagan — 2nd Championship, 3rd Spring, 2nd Fall. Dan Pope — 3rd Championship, 1st Summer, 1st Fall. Howard Stickney — 4th Championship. Alan McReynolds — 5th Championship, 2nd Summer, 5th Fall. George Sereno — 1st Spring. Jim Gocker — 2nd Spring; Steve Sahs — 5th Spring, 3rd Summer. Landy Atkinson — tied 4th Summer. Mark Elli — 3rd Fall. Singlehanded was won by Landy Atkinson and a brief Fall Saturday Series won by Phil Goldberg (elected Commodore for 1992), with Dr. Dan Koretz 2nd and Neal Smith 3rd.

NYC was also well represented (and honored) at the 1991 North Americans in Newport, Rhode Island, with club members Tammi Jamison, Sandy Schrader, and Lori Foster placing 2nd in the Womens Championship; Dick Hallagan and Lori Foster 14th in the Championship Fleet; Chad Atkins 9th in the Juniors and Dick Hallagan 5th in the Masters. Other club participants were John and Sally (Staff Photographer) Atkins, Neal Smith, Eva (Wheeler) Smith, and Dick Leonardo.

Watch Newport Yacht Club in the years to come for the most competitive in club racing at home and at regattas.

We look forward to seeing our NY state and Canadian sailing friends at the Newport Regatta, the Centrals/ Districts and everyone else at the North Americans at the Buffalo Canoe Club in August.

1991 was a busy year for Fleet 85 as we were co-hosts of the 1991 North American Championship Series in Newport, Rhode Island. Our efforts in this endeavor were ably led by Don Barrett, who was one of the Co-Chairpersons, Barbara Vann, who was Entertainment Chairperson, Dave Dickerson, who assisted Kip Hamblet in the measurement duties, and Lori Davis, who was Registration Chairperson.

In addition to helping organize the NA's, Fleet 85 members also took time out to sail. Gary Davis, Chris Vann, and Franz Edson took Hazardous Duty on its maiden sail at the Long John. Next on the agenda was the Early Bird at Cedar Point. Bill Healy, Tim Healy, Dave Peck, and Don Barrett attended this event. This was followed by the Niantic Bay Memorial Day Series, which was won by John Oldham (making a guest appearance direct from California). Dave Peck finished second and Franz Edson finished third. John went on to the Lightning Worlds at Annapolis where he placed sixth. Back in Niantic Bay for the Independence Day series, Chris Vann beat Franz Edson; Bill Sebestyn came in third. On to the District Championship at Cedar Point. Dave Peck won this event beating a determined Jody Lutz. Most of Fleet 85's sailors attended this event. Dave continued his winning ways at the Volvo Regatta in Newport, beating Brad Read who finished second. Tim Healy had this one in the bag, but "The Room" proved to be his undoing. Chris Vann, Ward Woodruff, Don Barrett, and Franz Edson also attended this event. Finishing a very hectic July regatta schedule, Tim Healy went to Southampton Long Island, where he won the Atlantic Coast Championship for the second year in a row.

Finally, the NA's arrived. After a wild and windy Qualifying Series, Tim Healy, Bill Healy, Dave Peck, and Ward Woodruff, who sailed very consistently in difficult conditions, all qualified for the Blue Fleet. Franz Edson and Don Barrett sailed in the Greens, and Chris Vann ended up in the Yellows. Chris was sailing very well, but just before the last qualifier, a band of Gypsies stole all his grey matter, and as a result, Chris ended up sailing in the wrong fleet! After an interruption, courtesy of Hurricane Bob, five races were sailed. Despite moments of brilliance, Fleet 85 sailors could only produce one finish in the silver; Chris Vann won the Yellow Fleet.

As if all the travel and intensity of this year weren't enough, almost twenty sailors battled all summer long for the Niantic Bay Season Championship. After the smoke cleared, Dave Peck ended up winning, with Tim Healy second and Chris Vann third. Our home season ended with the Niantic Bay Labor Day series. Dave Peck won with Chris Vann and Gary Davis coming in second and third respectively. The next weekend brought sailors from all over to Niantic for the Governors' Cup. This turned into a Fleet 85 sweep as Bill Healy won followed by Dave Peck and Don Barrett. The following weekend, Fleet 85 sent Dave Peck, class newcomer Theresa Parker, Ward Woodruff, and Bill Sebestyn to Cedar Point for the

Fall Classic. Placing fourth in this event allowed Dave to capture the Northern Circuit trophy due to his combined finishes at the Governor's Cup and the Fall Classic. The Northern Circuit is a great way to end the season, with excellent competition and steady early autumn breezes. We are trying to grow this series into a major event; be sure to mark it down on your schedule for 1992!

**AWOSTING YACHT SQUADRON (95)
Metropolitan District
Sailing on Greenwood Lake at
Awosting, Hewitt, New Jersey**

Fleet Captain Chuck McNear
Fleet Secretary John (Ron) Wulff
Fleet Champion Robert Sengstacken
Runner-Up John (Ron) Wulff

Boat No.	Boat Name	Skipper

12923	Dr. Pepper	Charles McNear
13002	Justin D. Mahon, Jr.

This season found one boat in our fleet, skippered by Bob Sengstacken, with crew members Dea Sengstacken and Lois Rudden, eligible to compete in the North Americans. A good showing at the Metropolitan Districts in South Jersey qualified Bob for national competition in Newport, RI, but didn't prepare him for a bout with his namesake, Hurricane "Bob". Losing a mast and mainsail, Sengstacken still managed a respectable 12th out of thirty-three boats in the national's number three fleet.

Skipper Dennis Adams imported a new French crew with his June marriage to Sophie Vernhettes. Of course he wasn't seen much on the lake following the honeymoon. A post season sail however, resulted in a water-logged boat, frozen spouse and a motorized tow home. All turned out well and we hope to see more of them both in 1992.

As a result of a pre-season rules seminar presented to Awosting Yacht Squadron members by World Champion Dave Dellenbaugh, Lightnings, and everyone else for that matter, lodged numerous protests. The new motto — "Don't leave home without your protest flag."

While crewing for her husband, a shocked Ann McNear encountered a more graphic form of protest during one race when a water skier showed his displeasure with sailboats by dropping his "sails" (trunks!).

All in all the season's winds were favorable as was the company. One new fleet member, Dave Mahon, finished tuning his boat in time to join the fleet in the annual Whiskerpole Regatta. Whiskerpole 1st place went to Fleet 25 Lake Mohawk's Rich Miner with 2nd place honors to Fleet 95's Ron Wulff.

Highlights of this year's specialty races were the crew race and the Labor Day race. The long-distance Labor Day race lived up to its name as the wind gods were uncooperative. At the end of the approximately five-hour marathon sail the results were: 1st, Chuck McNear; 2nd, John Sengstacken; 3rd, Ron Wulff; and 4th, George Welkey. Welkey credited his volunteer crew Dan Sengstacken and Lois Rudden with the improvement in his usual last place finish.

Chuck McNear found himself in 3rd place at the end of the season's open-class Portsmouth series.

The "jib fairy" struck post-season at Welkey's quietly leaving two used jibs on their front porch. He was identified weeks later but his name should go unrecorded.

Our three boat fleet of a few years ago has expanded dramatically due to the enthusiastic promotion of the fleet members. We are certainly not competitive on a national basis but do enjoy Lightning sailing and have some interesting races among ourselves, especially where spinnaker work is involved (don't mention that word).

Summertime sailing on Barnegat Bay is very unpredictable for some days at noon, we can be enjoying gentle southwesterly winds at 5 to 8 knots and by 2:00 PM, when our afternoon 10 minute warning gun goes off, we can be subjected to 15-20 knot southerly blows with gusts and shifts accompanied by choppy waves, all to help make it more enjoyable. On one occasion, when the race was cancelled with the fleet almost across the bay, gusts of about 40 knots, black clouds and lightning flashes the whole fleet planned all the way back to the club and on that occasion, the Morrow brothers were able to win our "bottoms up" trophy when both of them capsized on the way in.

As mentioned, we have grown to a fourteen boat fleet now and have been fortunate to have nine or ten sailing each week. The Summer Series ended on Labor Day week-end and the 1991 Championship was won by Dr. Bob Morrow and crew, George and Meredith Schreyer (father and daughter); Dr. Anthony Ventimiglia, with wife Joan and sister-in-law Anne, came second and Matt Morrow, wife Merlin and Bill Scott took third. Next in line Bob Hoffman, sons Larry Skipper, and Tom; Bill Dacosta, Walter Krueger and Joan Young; Charlie and Cathy Heuschkel and Gene Ventimiglia; "The Boys", Stan Schreyer, Anthony Ventimiglia, Alan Morrison; and Danielle Ventimiglia, Patti Applegate, Colleen Broderick, Marguerite Van Dorpe and Bobbie DeMauro...Non qualifiers were Don Cooper, Ron Totams, Dave and Barbara Mann and Mike Farren.

An active fall season reached its peak on September 29th when we raced and had our annual picnic...it was the culmination of a very pleasant and successful sailing season.

Our thanks go to the Race Committee, headed by Vice Commodore Ed Morrison...Tony DeLuca, Trudy Di Francesco, Joyce Johnson and Red Underwood for their practice and braving the weather conditions to help us enjoy the season.

In closing, we are sorry to say so long to Dave and Barbara Mann who are now in South Carolina. We welcome new skipper and owner of their boat, Bill Gerold who will be ready for the spring start.

We're all looking forward to another great year in 1992.

The 1991 sailing season got under way June 23 at Higgins Lake this year

with the kickoff of our seasonal series. These weekend races are generally casual competitions open to anyone wishing to participate. Our more experienced sailors are more than willing to offer advice or help to any sailors who may be less experienced or racing for the first time. In addition to our seasonal series, special events included our annual Firecracker Regatta held over the 4th of July weekend and the annual Property Owner's Regatta held over Labor Day weekend.

On August 3 and 4 we hosted our Invitational Regatta for Lightning and Hobie Cat sailors from around the state. The turnout was lighter than expected, but those who were there can attest to the good time and spirited competition had by all. Trophy winners were as follows: Tom Niles from the Bay City Yacht Club in fifth place, John Dent from the Higgins Lake Boat Club in fourth place, John McCree also from BCYC in third place, Colin Park, BCYC, in second place, and Mark Whatley and Leslie Fink from Pontiac Yacht Club taking top honors. We look forward to seeing even more of you next year on beautiful Higgins Lake.

Our annual awards banquet was held on Labor Day weekend to conclude our season. Ric Blamer was awarded third place for the Firecracker Regatta with John Dent second and Alan Krauss finishing in first place. The Labor Day Regatta results again saw Ric Blamer in third place. Ellen Galey and Alan Krauss finished in second place and John Dent finished in first place in this two day event. The results of our seasonal series were Ric Blamer in second place and Alan and Fred Krauss again winning the Commodores' Cup.

Lightning Fleet 112 enjoyed an enthusiastic 44th summer of sailing on the Bay. We had increased participation by members and a really fun season of good times.

The 1991 Evans Regatta was won by Paul Wurtzebach of Chicago in his new boat, followed by John Evans second, Brian Phelan third, Terry Phelan fourth and John Esser fifth. Although attendance was down this year, everyone had a great time. We are planning on a great time for next season plus Fleet 112 plans to host the Mid-West Districts in 1992.

This year another GBSC Lightning turtled at the Chicago Red Flannels. Skipper Terry Phelan with crew Doug Olson and Brian Phelan busted their boats mast and sustained some hull damage.

At the seasons awards banquet, Dave Roznowski/Terry Phelan walked

At the Red Flannels; Bill Dean, Dave Cuene, Rick Wood.

away with the Fleet Championship with John Evans getting the Purple Shaft Award for second place, Charlie Nitka/Brian Phelan third, Doug Olson fourth and Bill Dean fifth for the season awards. The annual Walter Masse Race was sailed early this year and Brian Phelan won along with getting the Beaumont Pot.

All our races were run like clockwork thanks to Tom Phelan, Bill Hayes, Charlie Woulter and Jane Stannard.

The Cuba Lake Lighting Fleet had a very busy and exciting season. Sailing started in May with brisk winds and cold water.

At the end of June, the Lightning and Snipe fleets co-sponsored the Balde Mother's Regatta. This fun gathering of die hard sailors and party folk has become an annual event. First place Lightning was Tom Stark with Skip Wilday placing second and Dave Wood third. The 1992 regatta promises to be even bigger and better.

Also this past season, our fleet hosted the Lake Erie Districts. This was a first for us. The weather wasn't as cooperative and it could have been with rain and light air. But conditions did improve as the weekend progressed. The first place finisher was John Swanson, followed by Tom Allen, Jr. and Bill Neal. From our club we had two top ten finishers with Skip Wilday at sixth and Greg Buckley seventh.

Many boats from our fleet traveled to regattas. Greg Buckley placed fifteenth at the Michelob Classic in Oswego. Skip Wilday qualified for the North Americans and sailed in the championship flight.

Our sailing year was a great success. We are hoping for an even better sailing season in 1992!

1991 was an important year for the "Beavers". The fleet purchased 11275 to promote Lightning sailing and hope to duplicate Montreal's success in fleet growth. Our club racing this year consisted of 86 races divided into six series with Larry MacDonald, Jr. being named the Club Champion. We hosted a team racing series in the spring (12 boats) and the ever popular Turkey Regatta in the fall. 18 boats participated in the Turkey Regatta, a seven race, one day event which was won by Jim Allen (Dave Sprague dumped again!). Out of District events attended included the World Championships (2 boats), North Americans (2 boats), the Michelob Classic (2 boats) and the Southern Circuit. The youngest boat owner in the fleet, Marty Essig, won the LED Junior Districts, the LED Fall Series and the Ontario Junior Championships. John Aitchison won the Lake Ontario single handed Lightning Match Racing Championship in a toughly fought

battle with John Rogers in the final race. In the key regatta of the LED Fall Series hosted by Silver Lake Yacht Club, Hamilton boats placed 2,4,6,8 out of 30 boats and we also won the party for the fourth year in a row. In 1992 we plan to host the LED District Regatta, the Canadian Qualifiers for the Junior Worlds, in addition to the team racing and turkey events.

Fleet 126 will be promoting the use of prophylactics next year as the

abundance of babies caused participation to drop. Those working on the future crew situation included; Gavin and Alice Watson, Tom and Joyce Hagan, Neil and Carole Hayes, Bruce and Jeanne Byers, Jay and Betsy Richardson, and I'm sure I've missed someone. Obviously the future looks bright with all the potential crew and future skippers.

Despite the drop in attendance, the quality of racing was excellent. Cedar Point is able to boast of having not only the North American Champion, Jody Lutz, but also the World Champion, Dave Dellenbaugh. Way to go guys! CPYC was also busy hosting three regattas this summer including Districts, the Early Bird Regatta, and the Fall Classic. Special thanks to Thistle sailors, Ted Fontelicu, Ray Wolfe, Chris Pollak, and all else who helped make these regattas a great success.

Five boats from Cedar Point, including Jody Lutz, Dave Dellenbaugh, Phil Lotz, Brian Hayes, and Jim DeCesare got an early jump on the season by competing in the Lightning Southern Circuit (Midwinters). Jody with a combination of John Schnorr, Will Jeffers, John Rogers, and Will Truslow ended up finishing second overall for the three regatta series. Dave Dellenbaugh with Kip Hamblet and Hale Walcott took first in Savannah, but by not competing in Miami finished 6th overall. Jody went on to take second at the Pan Am trials in Tampa while Phil Lotz finished not far behind in 8th.

The regular season got off to a quick start with the annual Early Bird Regatta at Cedar Point. For those who were able to get their act together (or those who threw their boat in the water anyway) it proved to be a good test of skills — light air to heavy air. With three races sailed, Jim Crane from Norwalk/Noroton took 1st, winning the tie-breaker over Jody Lutz, while Curt Felix from Brookline, MA, took 3rd.

The Vice Commodore's Cup was held Memorial Day weekend with Phil Lotz winning the series, followed by Gianni Cuccio and Tom Ingram, respectively. It was about this time, Fleet Captain, Fergus Henderson finally got his new boat together, learning that drilling all the holes oneself for a new boat does not necessarily save money and certainly not time. (He's a better man than me — I couldn't drill holes in a new boat.) Anyway, ten boats made the line July 4th weekend for the CPYC Commodore's Cup. For the three day series, Tom Ingram took 1st, with Gianni Cuccio in 2nd, and Kjell Heitman in 3rd.

At Lightnings Worlds in Annapolis, Maryland, Dave Dellenbaugh and crew Kip Hamblet and Hale Walcott sailed to victory. With a very consistent series they were able to finish six points ahead of the second place finisher. Also turning in fine performances were Cedar Pointer's Jody Lutz with John Schnorr and Will Jeffers in 13th place and Phil Lotz with wife Wendy and Jeff Beckwith in 28th.

The fleet hosted the Lightning District Championships the weekend of July 13 and 14. The Friday night before was spent measuring in to ease the load for the NA's with hamburgers and hotdogs served. Saturday proved to be a windy day with the Sound putting up at least four foot seas and the lifejacket flag staying up for the duration. Twenty-three boats made it to the line representing clubs in Connecticut and Rhode Island. Those who dared to set chutes got the rides of their lives, a little out of control at times, but a heck of a 'lotta fun. There's nothing like planing on a Lightning. Unfortunately some people took an unplanned swim and for Jim DeCesare and Stephen Nosal they ended up with a mast split into three sections (fortunately they had increased their premium the week before). The evenings activities included a fine lobster dinner finished off with the ever popular Hagen-daz ice cream bars. Sunday's weather did not fair as well. While the sun made an appearance the wind made a disappearance. Two races were started, but the second had to be abandoned after the time limit had been reached. Finishing in the silver were Tim Healy from Niantic in 5th, Gianni Cuccio from CPYC in 4th, Jim Crane from Norwalk/Noroton in 3rd, Jody Lutz from CPYC in 2nd, and Dave Peck from Niantic took first.

Cedar Pointer's kept up their presence, nationally with Jody Lutz and crew Ched Proctor and Hale Walcott taking first at Lightning North Americans. Only four boats from Cedar Point participated in the event at Newport where Hurricane Bob certainly made an impression on those who went. Steve Nosal spoke enthusiastically of the storm saying, "Bob made the show!" While some were awed and fascinated by the storm, for others it made for aching muscles after strong winds from the edge of the hurricane caused a number of capsizes and dismasting the Sunday prior. Tom Ingram was one of those whom the regatta did not prove kind too. With two broken gudgeons, a broken mast, and a hole in the side of the boat (courtesy of a sink pot) things got a little frustrating. Crew, Jody Lee called it, "The regatta from Hell." Despite the setbacks, Tom with Jody and Jim Nolan crewing and also Tim Naesar with Brian Hayes and Rose Naesar qualified for the blue fleet finishing one point apart from each other. Kjell Heitman with Neil Hayes and Bonnie Foley ended up in the middle of the pink fleet and Jim DeCesare with Steve Nosal and Andrew Dunn were in the middle of the yellow. Congratulations to Jody Lutz and crew for winning the NA's and for a strong showing at the regattas this summer.

Labor Day weekend/Vice Commodore's Cup saw between 5-8 boats make the starting line. Met with a plethora of sailing conditions, Gianni Cuccio

sailed a strong and consistent series for the victory, followed by Tom Ingram, and Eric Heller was able to edge out the Commodore at the end of the last race for third (sorry Bud).

Two boats from Cedar Point ventured up to Niantic, Connecticut for the Governor's Cup. As always Niantic hosted a very nice event with a steak dinner and open bar Saturday night. Tom Ingram with Jody Lee and Eric Heller crewing, came back, after a disappointing first race, to finish fifth in the regatta. Neil Hayes with Lisa Moore and Bonnie Foley ended up a couple boats back in seventh, and Brian Hayes crewed for the fourth place boat, Theresa Parker from Niantic.

Last but not least, CPYC hosted the annual Lightning Fall Classic. Nineteen boats, including eight from Cedar Point competed in what turned out to be a two race series. What happened to those great fall winds? The first race Saturday began in about ten knots of breeze which fizzled to a downwind floater at the finish. Brian Hughes from New Hampshire took the gun followed by Phil Lotz and Gianni Cuccio from CPYC. Things again looked promising at the start of the second race but after numerous lead changes on the first leg (the left side looks good...no now the right side) the race was abandoned and everyone was towed in. Sunday began much the same way with a postponement of the harbor start. With the skies becoming more and more overcast and with a starting deadline of 1:00 things did not look promising. But at around noon the wind started to come in from the East and out we went. The majority of Cedar Pointers went towards the beach after the start, but Brian Hughes was once again out in front by banging the right side. On the downwind leg the wind came in from behind and caused the fleet to compress at the leeward mark. In the process Eric Heller had dropped from sixth to eleventh following a poor rounding by the inside boat. This time, however, he was the only boat to go into the beach. Picking up the usual header coupled with some extra wind he was able to battle back into second place and finally to overtake the leader on an outstanding spinnaker set. It was a nice way to finish the season. The final results were: (1) Brian Hughes/Flip Felex/Laura Milne — New Hampshire, (2) Phil Lotz/Wendy Lotz/John Verelley — CPYC, (3) Gianni Cucci/David Ruff/Doug Latour/Geoff Birdsall — CPYC, (4) Dave Peck/Diane Peck/Giselle Wagner — NBYC, (5) Eric Heller/Eric Robbins/Bob Wright — CPYC. Also participating from Cedar Point were Edson White (1 1/4 points out in 6th), Tom Ingram, Dick Thackaberry, Fergus Henderson and Jim DeCesare.

The overall season proved to be one of the best, particularly for the last weeks in July and first weeks in August when wind can be fairly scarce, as there was only one needed tow-in. As for the final season standings Gianni Cuccio sailed consistently well all summer to take 1st, Tom Ingram was in 2nd, and Kjell Heitman finished in 3rd.

Fleet 126 should be back in full swing next year, barring any new births and an improved economy. Thanks to all who helped out with regattas, social functions, and other fleet events. Have a great winter and we will see everyone at the Early Bird in the Spring.

Things have been a little slow this year, but we're working on it. Phil Wong and Pam Hsu didn't sail again this year; John Hoffman sold his boat to the enemy (the Hickmans, from Vancouver Lake); Tom Foulds is starting a family; Eric Lindahl studied for his Lieutenant's exam, "the Dunk" works for Boeing on the 777 (we all know what happens to Boemians when they're gearing up for a new model); Tom Anderson went to Europe for the last half of the season; all leaving Alan Hunt and Bruce Deitz to match racing — some people just don't know how to set priorities...

We are trying to get back into the Seattle Boat Show this year — the boat show has been a great source of skippers and crew in the past and we haven't been in the last two shows.

With all our troubles we did manage to pull off one big win — the District Team Races. Actually, we had a little help — Portland lent us two of their finest: John DeBenedetti and Daryll Peck, plus we had a ringer in Mike Johnson, a transplanted Laser and Sycing Flott hotshot who we're hoping to get into a boat next year.

Our fleet was represented at both the Southern District and Gulf Yachting Association Championships in July. Bob Borneman took a well deserved 3rd place at the Districts in New Orleans.

We closed out the season with a good turnout of nine boats at the Wadewitz Regatta sailed on Mobile Bay in September. John Bohnenkamp came down from Greenville, SC to visit his family, and took back the 1st place trophy. Warren Buonagura from New Orleans was 2nd, and Robert Bernhardt of Mobile, 3rd. Believe me, it is humiliating when your son whips you in all three races, but wait 'til next year.

The 1991 season was one of rebirth for Fleet 137 and one of excellent competition for all who participated.

From the mid-80's until this year, the Fleet had seen a decline in active members and there were times when skippers had to phone around to make sure there would be at least three boats on the starting line to make it an official race.

But all that changed with the '91 season and it was great to see the renewed enthusiasm and participation. For starters, we began the season with three brand new Lightnings in the Fleet, two for existing Fleet members, Carl Engels and Dave Decker, and 14500 joining the Fleet with a new skipper, Tom Hudson. It is always great to see new boats, but especially when it means that the Fleet is growing. We also welcomed Greg Smith, who purchased Carl's boat, to the Fleet; he comes to the Fleet with a strong racing record in many types of boats, including "hard water" sailing. Greg couldn't participate in every race, but he was always right up front when he sailed.

The Gull Lake Yacht Club has an adult sailing program open to any "adult" who is interested in learning more about the fun of sailing and what makes these things go. This year three Lightning skippers, led by Gary Fergemann, contributed their time and boats twice a week to assist in the program. Besides meeting many really neat people, we benefited from obtaining several very good crew members; and who knows where that can lead.

The season at Gull Lake always concludes with the Annual Invitational Regatta, the last weekend of September. Our regatta is the final one in the Michigan Fall Series and draws a very formidable group of skippers. The scenery is great by that time of the month and the weather usually cooperates. This year we had the pleasure of meeting a Lightning skipper from Lagos, Nigeria who was visiting in Michigan and heard about our regatta. The Lightning fraternity really is worldwide!

We also had the pleasure of having Colin Park share his skills and experience with several of the participants. Instead of competing, Colin crewed each race on a different boat and gave tips on sail trim and boat handling. Everyone appreciated the help and again it shows the type of camaraderie which exists in the Lightning Class.

All of us in Fleet 137 are looking forward to the '92 season and the continued rebuilding of the Fleet. Come visit us if you're in the area.

The Toronto Bay Fleet had a successful year, hosting the Canadian Open in June and the Hurrell Shaker in September. The sailing was excellent for the Open, with steady wind and great competition from 32 boats. With a surprise victory from Jim Cameron of Thunder Bay, the Canadian group settled on the 1992 Open in Thunder Bay.

The Toronto Bay Fleet added three boats this year, the Canadian Star Champion Allan Leibel, bought 11631, John Gorrie reentered the class with 14483, and 11631 upgraded to 14347. We look forward to the 1992 season with much enthusiasm.

Our fleet was very competitive this year with a lot of lead changes and close finishes. The results of the Holiday Series were: Memorial Day — 1st Brad Wagnon, 2nd John Nixon/Craig Cobbum, 3rd George Buckingham; July 4th — 1st Buckingham, 2nd Alan Fox, 3rd Nixon/Cobbum; Labor Day — 1st Cobbum, 2nd Fox, 3rd Wagnon.

The season's Championship was won by John Nixon/Craig Cobbum/Jim Wellington. Brad Wagnon placed 2nd, George Buckingham 3rd and Alan Fox 4th. The Cynthia Cup was won by John Nixon, Craig Cobbum and Jim Wellington. The Commodore's Cup was won by Steve, Ryan and Betty Miller.

The club hosted the Indiana Districts on June 15-16. The results were Gordon Ettie 1st, Brad Wagnon 2nd, Doug Schmahl 3rd, George Buckingham 4th and Nixon/Cobbum 5th.

The highlight of each season is hosting the annual Hoosier Open on October 5-6. After delaying the races for an hour on Saturday due to high winds and cold weather, seventeen boats from Illinois, Indiana, Michigan and Ohio braved the elements for some very exciting racing. Only five boats capsized this year versus ten last year. We are getting better! Although the weather was cold, the boats from Chicago were hot. Mike Huffman, Chicago was 1st; Pat Considine, Chicago, 2nd; Dave Decker, Gull Lake, 3rd; Rick Kaiser, Chicago, 4th; and Brad Wagnon, Wawasee, 5th.

This was my first sailing season in Lake Cazenovia, far up north from my previous home sailing grounds in Lake Tomine, near Bogota, Colombia. As it always is when you are with Lightning sailors, I found in the friendly Willow Bank YC the familiar welcome and tough competition.

I named my boat *Manolete* (a famous Spanish Bullfighter) to get the early season psychological advantage on *No More Bullship*, Dave Bull's champion boat last year. It worked. After chasing each other around the lake during most of the forty-two point races, fencing it off together with Dick Tuttle's *Duck Tape* and Tadd Helmer's *Trivial Pursuit*, we won the Fleet Championship. Believe me, not an easy task, Dick Tuttle was very close to winning before the last race, but we managed to hold him back in one of the most exciting races I have sailed.

Most of the races were sailed by the whole fleet, some eight to ten boats. At our local Caz Flash Bash Regatta we had twenty-four boats racing in the puffy, but always present winds of Lake Cazenovia. Tom Doran won the regatta with three firsts, followed by Dick Hallagan and Clay Murphy. We managed to win the last race and finished sixth.

During the summer Dave Bull, who also participated in the Southern Circuit, together with Dick Tuttle, Tadd Helmer and Geoff Roth, our Fleet Captain and "Rookie of the Year", travelled to a few regattas, including the Districts in Henderson Harbor, and the NA's in Newport.

We hosted our last regatta in October, the Caz One Day, that turned into various capsize, abandoned races and a soccer match. The summer puffs became ghostly gusts.

Next year's season promises to be a good one for our fleet, with two or more new boats and everyone eager to jump into the water and race in the icy melting waters of the Lake. That's in May. Do I miss the tropics? No Waaaay!

HELSINKI LIGHTING FLEET (166)

Sailing at Gulf of Finland, Helsinki, Finland

Fleet Captain Kari Maenpaa
 Fleet Secretary Noora Maenpaa

Boat No.	Boat Name	Skipper
11544	Kesaheila	Raimo Aromaa
12914	Vahine II	Kari Maenpaa
13560	Tuomo Silenti
14091	Masi IV	Terho & Kimmo Aromaa
14196	Keijo Latrala
14364	Kari Maenpaa

This season our fleet had only one active boat, *Masi IV*, skippered by Kimmo Aromaa with his brothers Jari and Mika as crew. They sailed only half of the season, because their boat was wrecked in a thunderstorm during the Districts. However, the new boat is already under construction and you will see *Masi V* (most likely) in 1992. The former boat is, according to the latest information, also recycled back to use.

Our season began again with training and the On the Rocks regatta, which was sailed in the middle of May at Lake Tuusulanjarvi. This year we had both survival conditions and glassy calm in the same regatta. On Saturday we had 10+ m/s wind with tricky gusts and on Sunday we had to spend our time mostly waiting for the wind. The famous Aromaa brothers team showed a remarkable piece of show on a reach by trailing the forward crew with windward spinnaker chute and mixing both the crew member and the spinnaker with a fishing net. Despite this trawling they didn't capsize (a knife is sometimes VERY useful), but unfortunately sailors in other boats were too busy with their own sailing and couldn't admire the show. In this regatta, *Masi* was second, but it seems they used up all their luck for this season. Next two ranking regattas were sailed mostly in light air, the first one in Helsinki and the second in Kuopio. In both regattas their result wasn't very good.

Our Districts were sailed at Jyväskylä at the end of June. Also this year we managed to get only the minimum number of boats, twenty, to participate. In the first race *Masi* was seventh, but because the boat was wrecked, the following night, when both anchor and bow lines broke, that was their only result except four DNC's. Terho Aromaa had borrowed a boat and participated in the Districts. He was tenth even though a DNF in the last race.

The European Championships were sailed at Lago di Trasimeno in Italy in early July. This year we had six boats from our most active Lightning fleets, even though Aimo Jokiniemi had to make some fast repairs after the Districts and Aromaa brothers had to borrow a boat. It was difficult to sail acceptable races. The race area was large and this caused problems with light winds or none at all. The social part of the regatta was again well organized with the way the Italians always can manage. As already known, only three races were sailed. Best Finnish boats were *Amarillo*, 4th and *Ressu*, 6th: Team *Masi*, sailing with the borrowed boat *Tinto*, was in the middle of the fleet, this time 14th.

After the Europeans, boats from our fleet didn't sail for the remaining season. *Masi* was on the ninth place in the ranking series. Next year we will have the forty. European Championships in Hanko in southernmost Finland. We hope to see at least forty boats there.

Waiting for the wind. Crew of *Masi IV* in Kuopio Ranking Regatta.

LAKE DAVENPORT LIGHTNING FLEET (167)
Midwest District
Sailing on the Mississippi River at Davenport, Iowa

Fleet Captain Rick Kuebler
 Fleet Secretary Jean Steffenson
 Fleet Champion Ken Jensen
 Runner-Up Bill Quaintance

Boat No.	Boat Name	Skipper
6033	Kasara	Wesley L. Johnson
8520	Maine-Eac	Patrick J. Goff
9494	Geilidrel	Rick Kuebler
10232	Charles E. White

13901	4XO Kazoom	Ken Jensen
13991	Bodacious	Ron Taber
14015	Hot Flash	Michael & Doug Steffenson

Fleet 167's racing schedule depends many times upon the whims of Mother Nature and the "current" condition of our Mississippi River. This year was no exception when extensive rains in May made the river unsafe for sailing until the end of June. With the whims of wind and weather, we sailed only seven of our scheduled sixteen Summer Series races. Ken Jensen was the winner of that series, with Bill Quaintance taking second place and Ron Taber in third. Our alternate Sunday summer races are designated as the Commodore series — won this year by Mike Steffenson. Ken Jensen was second and Bill Quaintance third. We find some of our best racing days in our Fall Series — sailed every Sunday afternoon from Labor Day through the last Sunday in October. Bill Quaintance was our 1991 Fall Series winner, followed by Ken Jensen and Ron Taber. Ken Jensen was the winner of both the 4th of July Series and the Labor Day Series.

The determination of the Fleet Champion for 1991 was the closest it has ever been in our fleet. Ken Jensen won this honor by 0.08 percent over Bill Quaintance!

Our annual Polar Bear Regatta was held on September 7 & 8 in definitely "un-Polar Bear" conditions with warm southerly winds at no more than 12 mph. Eleven boats raced in the five race, two day regatta. Mike Steffenson was the winner with Jon Pohlmann (sailing Reed Doughty's boat) second, Ken Jensen third and Gene Matthews from Lake Geneva taking fourth place.

David Jarrin was a new addition to our fleet this year and raced in a number of races after taking sailing lessons from Mara Doughty. Gary Reab is also a newcomer to the group. He is a former "C" Scow sailor who is getting used to sailing with a jib! The Steffensons report that they plan to sail again on Thanksgiving Day morning — extending this tradition to 22 years of sailing while the turkey roasts. The weather on that last sail of the year has varied from balmy to thunder storms to bitter cold wind that froze the spray on the deck and lines.

We hope to involve more fleet members in our 1992 racing program.

RAPPORT ANNUEL DE LA FLOTTE 169
DU LAC DE NEUCHÂTEL POUR 1991

De mémoire, jamais notre flotte n'aura eu aussi peu d'activité sur le plan de la participation aux régates destinées à notre série. Aucun de nos membres n'a participé à des compétitions, aussi bien en Suisse qu'en Italie où les Championnats d'Europe avaient lieu. Notre effectif, formé quant-à-lui d'incorruptibles, n'a que peu changé. Ce dont, je les remercie.

CHAMPIONNAT DE DISTRICT ET REGATE "FONDUE"

Il incombait pour cette année à la Flotte 169 d'organiser le championnat de district conjointement avec la traditionnelle régate "fondue"

Le temps était déjà très perturbé durant la semaine qui a précédé ces joutes, ainsi il n'est pas surprenant que ces régates se soient déroulées avec des vents de force et de direction très variables.

Ces variations climatiques ont permis de nous tenir en haleine puisque nous avons dû attendre la dernière manche afin de connaître le vainqueur.

Des gagnants différents, lors des trois premières manches, prouvent bien l'incertitude qui aura régné durant ce week-end. Après ces trois résultats, tout restait encore possible pour les quatre premiers du classement.

Les deux dernières manches ont démontré, s'il en était encore nécessaire, la suprématie de l'équipe "Dürr, Dürr, Wyler". Celle-ci a terminé par deux fois à la première place, ce qui prouve que sa cinquième place lors de la troisième manche n'était qu'un accident de parcours.

L'équipage "Schmid, Gerber, Baumgartner", n'a pu conserver sa première place à l'issue de la journée de samedi et a dû se contenter de la seconde place.

L'autre équipage du Lac de Morat, "Schär, Schärer, Marnod", pouvait encore espérer la place d'honneur mais n'a pu résister lors des deux dernières manches.

J. Perret et son très jeune team a dû subir l'expérience des aînés.

Venus du Lac de Sempach les "Lüthy, Merz, Briker", n'ont jamais pu, malgré leur grande expérience, se mettre vraiment dans la course.

Nous avons eu le plaisir d'accueillir pour la première fois au sein de notre association M. Bernard Comtesse et son épouse. Ils ont pu se rendre compte des difficultés de navigation à deux équipiers seulement. Lorsque le vent fraîchi ou lors des manœuvres au spi, le troisième équipier peut faire gagner bien des mètres.

REGATE "FONDUE"

La traditionnelle régate "fondue" reprenait simplement les trois dernières manches du championnat de district.

Le classement est resté le même à l'exception de J. Perret qui devance U. Schär.

Après l'assemblée générale du samedi soir, nous nous sommes tous retrouvés au restaurant du Cercle de la Voile pour apprécier la convivialité d'une bonne fondue. Je trouve exceptionnel et peut-être unique que la présence de plus de quarante membres et amis se soient retrouvés un soir d'automne dans le seul but de se rencontrer et fraterniser. Plusieurs anciens membres actifs ne pratiquant plus la compétition ont fait quelques centaines de kilomètres pour se retrouver dans l'ambiance de la Lightning Class.

Merci à chacun et à l'année prochaine.

The 1991 season was a checkered one for Fleet 178.

We enjoyed our first year of use of the "fleet" boat, 12525, so graciously donated by Tom and Theresa Carr, and applied it almost exclusively to the older students in the Junior Training Program at Narrasketuck Yacht Club. We were unable to find qualified skippers to get the boat to the line for the season's races, however.

The season started with John and Paul Maselli representing us at the Cedar Point Early Bird. Then Betsy Brewer's crew totalled her new chute at the Magnus Pedersen.

Bill Weiss practiced spinnaker-jibe capsize at the Southampton Spring Invitational. He developed quite a knack for it. The annual clinic was well attended, and we hope we reached some new blood, thereby, Weiss recovered from his steep learning curve to win the Babylon (July 4th) Invitational by a quarter point over Al Pearlman, who "would have won if the thunder-squall hadn't caused the fourth race to be abandoned."

The fleet hosted the Districts, and the first days races were blown out. Aggressive committee work by Paul McCann, Cecilia Hunt, Doug Meyhoefer, and Bill Weiss got in four six-legged Olympic courses on Sunday, (phew), which supplied all of the competitors with a full and fair chance to give it away. We sent three boats to the Atlantic Coasts, although none of them covered themselves with glory. John Maselli (again) represented the fleet at the GSBYRA Race Week. Al Pearlman "would have won the fleet championship if the centerboard pennant hadn't slipped off its sheave." Unfortunately, it did slip, and Bill Weiss nipped him, again.

The fleet lost Gary Sortino, a stalwart and the District Measurer, to Southern New Hampshire, owing to a change of job forced by the "recently ended recession," and he will be sorely missed. We are thinking of creating a EMWYRSPS-Memorial plaque for the most creative capsize of the year. All Gary has to do to assure his immortality, is to supply a discarded piece of EMWYRSPS for use in the creation of said award.

At the end of the season, the Koller boat was sold to Otto Krizek, and he has been in touch to express interest in the class, fleet, and club. We are already looking forward to next year with anticipation.

This was an exceptionally fine year for favorable winds and excellent sailing conditions on our inland lake. Our season commenced on May 19th and continued until September 22nd. The racing schedule was divided into three separate series, the Brass Monkey, Summer Championship, and most interestingly, the Fourth of July America's Cup Series. You guessed it, we had to sail that crazy spinnaker up, spinnaker down, hairpin turn, 180 degree jibe course. Three of our skippers chose not to compete this year so our fleet was limited to nine competitors. I am sure they will be back next year. The Fleet welcomed a new member, Robert Asmus, sailing 10941 purchased last fall from Club Commodore Stan Gurney. Bob finished where most beginners do but, was really coming on strong at the end of the season with a little assistance (hopefully Bob can rescue the tiller from that ex-Fleet Champion and get him back into his own boat next year). The competition was extremely keen this year with five of nine boats finishing first at least once during the season. Gone are the days of a couple boats doing a horizon job on the fleet. As the season progressed things began to take on their natural and usual order with Skip Ragghianti moving to the front. Skip and crew were especially hungry this year wanting to rest the championship from last year's winner Mike Mercatoris. To everyone's surprise when the final tally was taken the Runner-Up this year was the oldest member of the fleet, Dr. R. Duane Good, sailing with his able crewman John Andrews. While we have come to expect this type of performance from Skip the entire fleet congratulates you Duane. There must be magic in that 1972 jib.

Our fleet had three very successful social events, the Spring Picnic hosted by Ken and Jeanne Pote, Fourth of July Picnic hosted by Ed and Chris Benevent, and the Awards Banquet hosted by Doug and Carolyn Sparks. Let's hope next year will be as fun filled.

Serious tuning, Stan Gurney and Robert Asmus.

The unusually dry summer for 1991 more than atoned for 1990's consistently wet weekends and Fleet 212 at Atwood Yacht Club was happy to sail through the summer dry.

The kick-off party at Nelson and Polly Caley's was an all-you-can-eat St. Petersburg style Shrimp Peel on April 20th.

The usual series of races were held and the Spring, Commodore, Summer series finishes were ALL three as follows: First Place - Dean Caley; second place - David Gall; third place - Jim Stone.

The Fall Series found Caley and Gall tied for first place, and Stone second. For the Championship series Nelson Caley got off his bicycle long enough to place first with, yes, Gall second and Stone third.

David Gall sailed at Pymatuning in the Spring Classic, Independence Day Regatta and the Ohio Districts. Dean Caley also sailed in the Ohio Districts and brought home the B Fleet top honors and best score by a First-Time Skipper in Districts trophy. He finished 9th over all. Both Gall and Caley sailed in the Windshift at Leatherlips Yacht Club and the Fall-In Regatta at Cowan Lake. Jim Stone went along to that one for his first away-from-home regatta. It's great to see our fleet members on the road again.

Our Harvest Moon Regatta on the week-end after Labor Day brought more hot weather and adequate though shifty winds. Ohio District Commodore Tom Varley of Leatherlips Yacht Club placed first, Dean Caley second and Dennis Kleidon also of AYC, with son Kurt crewing, placed third.

The annual picnic was held September 15th, another day of glorious weather and good fellowship.

The Karl Rollius Trophy was presented to David Gall for the skipper crossing the starting line the most number of times during the season.

Trophies were presented at the annual Sailors' Banquet on November 2nd at the Yacht Club.

While the total number of boats in the Fleet is down a bit over last year, participation remained high due to an enthusiastic bunch of sailors. The enthusiasm had a lot to do with the fact that the boats were well matched and the racing very close. No one dominated, and the Fleet Champions, Anthony Staples, Scott Collins, and Stuart Lacey won a well deserved, but narrow victory.

For a few years now, Fleet 215 has adopted a format of shore course racing for its weekend regattas. With three minute intervals between shapes and very short windward legs, things get very exciting very fast, as good starts and boat handling become vitally important. The Fleet never really spreads out and multiple overlaps at mark roundings are the rule, not the exception. By inviting Pointe-Claire's Fleet 499 and Hudson's Fleet 376 to these regattas, we could guarantee 12 to 15 teams for our collegiate style racing.

Fleet 215 sailors aren't homeboys and girls. Members this year were to be found on the starting line in Savannah, St. Pete, Miami, Burlington, Toronto, Annapolis, Henderson Harbour, Newport, and Havanna. Travel was down over last year, but we still got around! Congrats go to J-F and crew, Jay and crew, and Peter and crew, who were at the Worlds or in tough Pan Am Trials. Peter Hall, Alain Boucher, and Phil Kerrigan honourably represented us at the Pan Am Games. The breaks did not go their way but we are no less proud of them for their efforts. Peter keeps inspiring the junior sailors to, as the Nike commercial says, "Just do it."

The Summer of -91 was a great year for fun and excitement on Saginaw Bay. We welcomed several new Lightning Sailors to the Fleet. Matt and Chris Prining, Eric Coffin, Chris Jacobson. Each are great sailors and promise to become a tremendous asset to our continued growth. I am sure they will keep all of us on our toes next season and for years to come.

Mother Nature that played havoc with Fleet 216 during the first part of the season. Early in the season the fleet was caught out in the Bay when a rather active lightning storm decided to roll through on a Wednesday night series. Most of the fleet made it into the mouth of the river before it hit but a few brave souls had some minor damage and/or graphic stories to tell (and finally got Niles to stop complaining about not getting to sail in heavy air). Later that night a second storm came through with winds clocked at +60 mph, playing musical trailers with most of the boats. Several Lightnings sustained damage to fiberglass, spars and rigging. It was truly every sailor's nightmare. Jim Schofield quickly organized a clean up party the next day and Eric Coffin gave seminars on the most effective way to replace the side of a Lightning hull with 130 pounds of Duct Tape (the weird thing was that he was always fast on port tack....the side with the tape).

Congratulations go out to Joe Dissette and his crew Allan Krauss and Fred Krauss, 1991 Fleet Champions, for a consistent winning performance in our Wednesday night series. This is Joe's 47th year sailing Lightnings, and he is still going strong. We didn't make it easy, Joe had to consistently

worry about fending off last year's Champions, John McCree, Robyn McCree and Dave Corcoran, who took second place honors. A tight race for the next three spots ended with Bob Hafford, Sue and Bill Cobb taking the third position; Jim Schofield, Kim Shotwell, and John Waechter in fourth; and Tom Niles with superstar crew, Glenn Hallett, and newcomer Joe DiCarli taking the fifth spot. Fleet Captain, Terry Hart, Jill Myerson and Kelly Lutzke worked hard and were the deserving recipient of the Most Improved Award.

The Bay City Annual Regatta again proved to be the Michigan District's heavy air event of the year. It was blowin' stink that Saturday morning. You could tell when you noticed the tops of the larger trees around the club starting to touch the ground. At our club, under these conditions we send out the smallest sailor over the age of ten to test the conditions. So Colin Park and a sturdy pick up crew of Glenn Hallett and Tom Vickers ventured out into the Bay. As a rule if they come back alive we all go out. No one expected Park and crew to pop the kite (we figured they were just showing off for Karen) and come flying back in with some of the boat still in the water. You could hear them exclaim, "Way Cool" as they broke the sound barrier and made for the entrance to the club. Of course we all went out and most made it back to the dock without major damage. Sunday's winds were a little more humane and we got off one of the best regattas of the year. Homebody John McCree with an impressive showing was this year's Winner. Please put the Bay City Regatta on your calendar and plan to join us next year.

Though our fleet races in Jan. and Feb. were somewhat overshadowed by "big boat" activity, (Ft. Lauderdale to Key West, SORC, 50 Foot Challenge, Miami to Jamaica, etc.) the month of March was our turn to shine. That's when we hosted our Lightning friends from the frozen north who joined us for the Midwinter Regatta at Coral Reef Yacht Club and our famous steak dinner party at Coconut Grove Sailing Club. It's always so much fun to visit with everyone over a steak and a cold beer! Also in March we were guests at the Miami Yacht Club's Annual Regatta, where Eamonn de Lissier with Heidi de Lissier and Cathy Young edged out Jon Ewing, Carol Stout and Mary Anne Nolan by 1½ points.

Jim Alman represented us at the Pan Am trials in April, while that same weekend at home Fay Regan, with Cameron Carlin and Mike Alexander, won the Biscayne Bay Yacht Club's annual Sunburn Regatta. Eamonn deLissier, Ed Cabassa, Jeff Shaw and Jonel Rouse rounded out the top five. At the Districts later that month, Jim Alman with Kevin Burnham and Sandy Bjurmark showed us the way, while Miami's Claudia Gardiner, crewing for Mark Bryant, helped him to a second place finish. Other N.A. qualifiers were Steve Hayden or Orlando, third, followed by de Lissier, Cabassa and Regan.

We sent a record number of fleet members to the Worlds; Jim Alman, Kevin Burnham and Morgan Reeser sailed for the U.S. and Ed Cabassa, Barr Batzer and Robert Pincus represented Puerto Rico. Other Miami sailors competing were Eamonn de Lissier and Claudia Gardiner crewing for Mark Bryant. Also in June, the Key Biscayne Yacht Club's annual regatta produced a new winner for us...Jonel Rouse, Stuart de Lissier and Lynn Warren took first place followed by Antonio Vidal's team, with Heather McGonagle third.

The Pan Am Games in Cuba were attended by our own Ed Cabassa and Enrique Torruella sailing for Puerto Rico. They have a wonderful photo album and great stories to tell about this adventure of a lifetime! At the same time, Fay, Cameron and April Richards travelled 1500 miles for Hurricane Bob and the Newport NA's. What a blast! Our Jim Nolan also sailed, with buddy Tom Ingram from Connecticut.

The 1991 Fleet Championship Series was won by Eamonn de Lissier with crew Heidi de Lissier and Cathy Young. Fleet members also voted Eamonn the Sportsmanship award. What a great combination!! Second through fifth places were not determined until the last race, and the final tally showed Jonel Rouse/Stuart de Lissier 2nd, Cabassa/Torruella 3rd, Jeff Shaw 4th, and Jim Alman 5th.

Most Improved Skipper for 1991 was Jeff Shaw, and fleet members voted Claudia Gardiner the Most Valuable Crew. Mike Zidziunas' new Corinthian Trophy, (a scale model of his wooden Lightning, *Second J*, as she appeared in 1968) was won by Jon Ewing, while the honors for traveling went to *Top Gun* owners Cabassa/Torruella whose journeys included our district events plus the entire Southern Circuit, the Worlds and the Pan Ams in Cuba. Heather McGonagle suffered the most spectacular dismasting to receive the perpetual "Gimme-a-break" trophy, and the Paul Messina/Dean Gosselin team was awarded the "Golden Bucket" for numerous capsizes both racing and cruising! Don't ask Dean about his "Jose Cuervo" trophy!!

Fleet 226 was proud to have been runner-up for the Steketee Trophy in 1991, and we hope to capture that elusive award all for ourselves in 1992. Meanwhile, our heartfelt thanks to Carol Stout who does such a great job publishing our newsletter "Quick Flashes", which many of you had a chance to see at the Midwinters. With a publication like that we can go a long way toward promoting Lightning sailing on Biscayne Bay!

It was an excellent sailing year on Lake Bomoseen. The starting pistol was fired for 26 races. The Bomoseen fleet sailed late into September to take advantage of the beautiful sailing conditions and typically brilliant Vermont foliage.

Ray and Toni Harrington convincingly captured the Fleet Championship with 15 first place finishes out of 21 starts. From our fleet of 12 boats, Bruce Atkinson finished second, Bill Cohen third and Fred Bagley fourth for the season.

This was a busy year for the Bomoseen fleet both on and off the lake. For the first time in our 40 year history, we were honored with the task of hosting the New England District Championship in addition to our popular annual Maple Leaf Classic.

Tony Abatiell purchased a boat and joined our fleet at the end of July. At our annual year end banquet Bill Cohen was selected to serve as Commodore for the 1992 sailing season. Plan on joining us next year, because if you have a Lightning...Bomoseen is the place to be.

The year 1991 was not an important year in our fleet history. Because of different reasons the fleet life is not what it could have been. First of all, some of us are no more youngsters, and second, our boats get older too. At least the racing activity throughout Switzerland as in whole Europe gets smaller, and nobody has enough time and enthusiasm for active racing and spending time in working on his boat.

We did sail our Fleet Championship 250, which was organized by the sailing club of Hallwil on April 27-28 at Beinwil. The Domi-Nike team Christoph Luthy/Silvio Merz/Hanspeter Briker won the "Luthy-bell" trophy in three races over only five participating boats. The evening party was — as almost usual — a very kind invitation of Barbara, Greti and Ruedi Herzog in the clubhouse in Beinwil, for which we thank them most warmly.

Although no other racing activity was seen on our three lakes, some of us spent a great time on our lakes for daily and family sailing, sunning and swimming. For that too our Lightning is and stays a great boat, we never will forget.

Abroad, only Luthy and his crew were sailing at the District Championship this year, which was held during the Fondue Regatta on the Lake of Neuchatel. In the 5th position over only six participating boats, they at least won the cup for "The Best Last". In the rating for the annual Trophy "Kami-kaze Cup" they got 3rd overall.

For 1992 our fleet hopes to be more active again!

This was a year of flux with several of our active members temporarily relocated or tending to other work. We look forward to their return on the water and on shore. None the less fleet racing was active and very competitive.

Instead of the same parade of boats around the course and the usual finish, there has been steady interaction complete with two and three boats head to head at the finish. Past and present Fleet Champion Tom Buechner has seen consistent challenges on all points of the course. Tom's former crew Bob Cole has been nipping at his heels all summer. Jim Staunton continues to show his stuff after getting a new boat last year. Mike Pallischeck, with the aid of crew and alternate skipper Pete Cunningham, crossed the finish first several times.

The annual Champagne Regatta was a success. Although missing certain elements of organization (we won't in '92) there was excellent wind for racing and the regular bash Saturday night. The party was great thanks to Peg Faber.

Fleet 253 reaching its lowest ebb during the past year.

In December, 1990, Ed Schwoebli, a Lightning sailor for more than 40 years and a fleet member for more than 30 years, died at age 86. Ed came to the fleet in the early 1960's after racing in Long Island waters, and only stopped racing with us after passing his 80th birthday. Ed remained active in fleet and Susquehanna Yacht Club activities until his final illness.

A second blow came in March, 1991 when Starling "Mike" Mikell, the fleet's driving force almost since its formation in the 1950's underwent surgery for a brain tumor. Mike was able to race a few times later in the spring and hopes to be back on the starting line in 1992.

But with Mike's forced "retirement", formal racing for 1991 ended. Barry Dunwoody carried the SYC burgee to out-of-town regattas. Fred Bush and Charlie Noble grabbed 2nd and 3rd in the SYC's big Labor Day handicap regatta to remind the club that the Lightnings are still around.

We're hoping 1992 will be better.

The Clark's Hill Fleet had little change in the number of resident fleet

boats, but did have good participation on the District Circuit with four members qualifying for District scoring, meaning they sailed in six of the twelve regattas. The Fleet hosted the season opener April 20-21 with fifteen boats in attendance. First place went to Lenny Krawcheck of Charleston, second to Benny Moultrie of our fleet, and third to Clay Rumble from the Charlotte area.

We had four boats at the District Championships, out of a traveling contingency of five fleet members in 1991. Three boats traveled to the Hurricane Bob menaced North Americans in Newport, where some had moments of glory. Bennie Moultrie finished in the middle of the Masters, and was sixth in the Presidents' Cup. Our Fleet building consisted of Bob Harkrider and Tom Schroder rebuilding two of the aged boats wasting in the storage lot. Hopefully these super boats will sell to a new member who will keep them in the Fleet. Our Junior boat skippered by Judah Rubin did well on the Circuit as well as at Newport. Bob Harkrider is serving as Lightning Class Treasurer and is a constant threat on the circuit. We look to 1992 for Fleet renewal.

Fleet 273 on Lake Massabesic had a good sailing season. Ron Adams as always had a great time at beautiful Wayne, Maine. George Deyett finished first in Wayne and also in the new Portland regatta. MYC had a strong showing at the Districts. Newcomer, Bill Berry had a terrific time in the heavy air and an exhilarating ride in the last race in which he finished first. Bill was the only Lightning from MYC to make it down to the NA's. He finished 23rd in the Blue Fleet. Great going Bill! Walter Colantuono crewed for Bill most of the season and raced a few times in club races. Moe L'Heureux had a great year of moving ever closer to first place at many regatta taking seconds at Wayne, Portland and the NH/VT regatta held in MYC. Ken Deyett is the Fleet Champion winning both the Spring and Summer series. Ken also won the Richmond Cup, again, on Labor Day. Norm Deyett and his super Master's crew, Jim Mann and John Ingerowski went to the Master's NA's in Newport and had a great time.

Fleet 273 was the host of the first Women's New England District race. Crews from Bomoseen and Newburyport made the trip to the regatta which was won by Julie Deyett with crew Elizabeth Berry and Michael Deyett. The fleet also hosted the Junior Districts which was won by Laura Milne. The second boat hailed from Wellfleet and the racing was tight!

The fleet saw new comers Walter Grischuk and Tom Tierman and families on the race course a lot this season. Keep up the good work. We all hope to see more of Drew Gillett, John Morin, Jack Lockhart and John Webb next season.

The water came early and stayed through October at Arkabutla and made for a great sailing season for Fleet 274. For the second year in a row, we had enough boats and enthusiasm to go to a three season schedule, spring, summer, and fall. Bill Baxter and son Bill were Fleet Champion and Runner-Up respectively, with Frank Bermel coming in a close third for the season. We welcomed Maury Ellis and Bill Thurmond as new skippers this year.

Fleet 274 was proud to host the 1991 District Regatta June 14-16. Twenty-eight boats made up a fine fleet for RC Chairman Jack Caldwell from Nashville and District Commodore Lynn Jones to watch over. Good stiff breezes on Saturday that allowed for four races, were followed by a change in the weather and slack air and only one race on Sunday, enlivened only by the arrival of a heavy squall line at about lunch time. Matt Burridge carried away the District Championship (for the third year in a row!) by a huge margin of 19 points over the next boat. However, place two through six were all only separated by a point apiece in the following order; Gerry Paoli, Cully Ward, Lal Burridge, William Hoffmeister, and Terry Burke.

Our two big Fleet events of the year, the Hernando DeSoto and the Cotton Pickin' Regattas in May and September, attracted several dozen boats to each event. Cully Ward of Nashville's Fleet 262 took first place in both regattas. In the Cotton Pickin', Chandler Owen edged out Brad Currie, both from Nashville, for second place by virtue of Chan's three bullets in the five-race regatta.

Several Fleet 274 members did their usual share of "roadwork", traveling to New Orleans, Nashville, Newport, Carlyle, Illinois, St. Louis, and of course St. Petersburg. Bill Baxter III and Crit Currie continue to be the most frequent travelers of the group.

Moonlight sailing proved to be a big hit in the fleet again this year, with four events being held under the full moon, shining down on late-night reaches and runs. Organized by Mary Jane and Roy Robbins, the sails were very well attended. A lot of moonlight, lights on the buoys, and flashlights on each boat's mast makes for a great spectacle on the water.

Spinnakers fly at Fleet 274's Fall Cotton Pickin' Regatta.

The season got off to an early start with a general meeting at Ross and Nancy Bailey's. Housekeeping and elections were held for the 1991 season and the pool for first boat to the main gap finalized. Much frenzied preparation of boats and slow ice melting took most of the membership out of the running. Finally on Sunday, April 28 under cover of dense fog, Ross Bailey slipped out to win the honour and the cash, a whole fifteen bucks.

The next major event was a successful car wash organized by Janice Cameron. Big Bucks were realized for the boat fund. First race night May 16 began with a good turnout of boats and the last race night on September 26 saw good winds and a respectable turnout. Over all there were a greater number of Lightnings racing than in previous years; an indication of renewed interest and increased competition. Winner of the Spring Series — Ross Bailey, Summer Series — Ross Bailey, Fall Series — Willie Evans. Overall winner — Ross Bailey, Second — Willie Evans, and Third — Steve Cranton.

The Slush Cup was held May 26 first was Richard Walsh; second Ross Bailey.

Several boats entered the Falcon Lake Open Class Regatta held in Manitoba on June 8. Ross Bailey came in first, followed by Kurt Broll in second.

Our next major event was the Thunder Bay Wind Jamboree won by Jim Cameron.

The Loon Lake Regatta drew six Fleet 279 boats from Thunder Bay and two boats from Loon Lake. The regatta has other classes and the sailing was hectic. North winds from the hills behind Loon Lake made sailing a course for more than 20 seconds a challenge. Tacking and jibing were practiced by every boat at least once or twice every 200 yards. The second day saw the wind change and settle into a more predictable pattern. The final result saw Ross Bailey squeezing out the Canadian Champion Jim Cameron by one half a point with Richard Walsh third.

The crown of the summer fleet series is always the September long weekend double crown series for the Temple Reef Trophy and the Crystal Beach Trophy. The Temple Reef Trophy is sailed along Thunder Bay from the city past Temple Reef to North Bay a distance of 21 miles. Saturday morning brought major weather. Luckily the wind dropped significantly to allow the fleet to start. Major duelling and strategy all along the course. The

Site of the 1992 Canadian Open Championships. Thunder Bay.

Fleet compresses at and scrapes by Temple Reef, major scramble for spinnaker gear over the last mile. Some boats risk Bailey's reef for the glory. The fleet comes speeding to the finish after a 4 plus hour beat. What's this!!!! Where did that boat come from? 13591, *The Bonbo* appears ahead. Cries of dismay come forth from the weary fleet. Bob Walsh scoops the fleet by at least one half an hour.

The second day after a cold night is clear and sunny. The fleet accompanied by some keelboats starts the circumnavigation of Caribou Island. The winds die; after passing the east tip the wind freshens and the fleet separates. Some go under the lee of the 300-foot cliffs; some head across the bay. All converge on Temple Reef then separate into groups of two and three. The fleet pinches into Amethyst Harbor and run with spinnakers to the dock. The finish is made by touching the dock. Major confusion; the winner ??? Next year the finish will be a buoy.

The last major event is the Frostbite Regatta attended by five boats on September 29. Winner was Jim Cameron with Paul Morton and Paul Cote. Second was Mark Sandberg, Blair Sandberg and Andre St. Jacques. A last desperate attempt to prolong the season was held on October 7 with match racing on Surprise Lake. Thanks to Willie, Jay, Mark, Blair and others for the good time. Winners of the Snow Bowl: Ross Bailey, Willie Evans and Donna Sutherland.

Wellfleet sailors had a very active 1991 season. Although a few races in July were cancelled due to bad weather conditions, the fleet was anxious to be on the water in anticipation for the NA's in Newport. Fleet awards were well distributed this year. The season's opener, the Commodore Race, was won by Curt Felix. The Fox Cup series was won by Stafford Frazier, the Coffee Cup series by C. B. Currier, the Frazier Trophy by Eric Cutting. Wind conditions overall seemed a bit unpredictable this year, with quite a few shifty northerly breezes. Where were the 15-20 knot southwesterlies?

The NE Districts attracted several Wellfleet boats. Stuart Nickerson brought home a second, and other Wellfleet boats shared moments of glory. Possibly, the most notable event at the Districts for Fleet 280 was the Cutting brothers decision to buy a new boat after the chain-plate and deck separated from the hull of 9714. And, 9714 has now been retired!!

The Wellfleet Regatta, August 10 and 11 attracted several seasoned NE sailors to warm up for the conditions at the NA's in Newport. Challenging wind conditions demanded smart sailing by all. Stu Nickerson finished first, edging Betsy Alison into second, with Curt Felix third.

As a first for Fleet 280, a women's boat teamed up for the Women's NA's. Christy Jones with crew Barbara Nickerson and Laurie Hopkins pulled together for a challenging series of six races. Battling for second, the team ended up in third place. In contrast to the NA's, the wind conditions were light and variable. More Wellfleet boats arrived for the NA's the following week, including skippers Stu Nickerson, Mark Schifffenhaus, Curt Felix, Eric Cutting and C. B. Currier. Stu, Curt, and Eric all qualified in the Blue Fleet. Eric Cutting winning the Fallon Trophy as the last qualifier. Stu Nickerson, with crew Lisa Brauer and Sean Campbell, sailed superbly, deserving of Numero Uno, but the "Gods" wanted to see Stu racing in '92 — so they threw in a curve ball. Stu ended up 7th, Curt 26th, and Eric 30th, Mark finished 27th in the Green Fleet.

Flip Felix, who crewed for brother Curt this year, also had some victories crewing with Brian Hughes of Newburyport, finishing first in the Newburyport and Westport (Fall) regattas.

The seasonal trophies were also well distributed: the July series went to Stafford F., the August and Saturday series to the Cutting brothers, and the Sunday series to Curt Felix. Overall, the season ended in a flat tie between Stafford F. and Mark S. Congratulations!

The Cutting Memorial, raced over Labor Day weekend, was won by John Ruykhaver. John with his crew Mark S. and Phil Russell sailed consistently well in the breezy northeasterly.

A Senior Sportsmanship Trophy was created this year in memory of Raymond Russell, former Commodore and chairperson of the waterfront, and friend to everyone at Chequesset. Ray, who sailed competitively in the

Fleet Co-Champion Stafford Frazier and daughter Beeks roll up sails after a successful season.

Rhodes 19 class, always contributed to improving the quality of sailing and comradery in Wellfleet. Stafford Frazier is the first to receive this award for his dedication and hard work on the waterfront. Stafford consistently exemplifies the fine qualities of true sportsmanship.

With many eager skipper-want-to-be's, Wellfleet members are anticipating the fleet to grow. 14310 is just a start! Wellfleet is hopeful to host the NE Districts in 1992, the spirit is there, with good racing and a good time guaranteed.

COLUMBIA FLEET (283)

It was a year inspired. It all started with "the outstanding display of skill" which netted Dan Burton, Dave Webber, and Jeff Eisenbraun the Fleet's prestigious "Broken Rudder" Award at the 1990 Lightning Christmas Party. Anyway, after that racing and competition was good with Lightning Skippers turning out for VLSC club racing with gusto for the Spring and Summer (Sunday and Tuesday night) Race Series. It was great to see skippers back who have taken time off from racing Lightnings including Fleet Captain (1990), Jim McAllister, and Doug Hickman who brought a Lightning into the Fleet from the Seattle area. Also on the line, were Darrell Peck, Finn skipper and Olympic hopeful, and Dave Webber, usually foredeck, and regulars Terry Busby, Al Weber, Phil and Hap Parshley, Jerry Neuburger, and John DeBenedetti.

Fleet members raced well both at home and on the road at PIYA Regattas up and down the coast.

VLSC Regatta at Vancouver Lake Sailing Club, 1st-Lisa Parshley; 2nd-John DeBenedetti.

Pacific NW Districts at Lake Okanagan, Kelowna, B.C., 1st-Jerry Neuburger; 3rd-John DeBenedetti.

Firecracker Regatta at Klamath Falls Yacht Club, Klamath Falls, OR, 1st-John DeBenedetti; 2nd-Jerry Neuburger; 3rd-Al Weber.

Kitsilano Invitational at Kitsilano Yacht Club, Vancouver, B.C., 2nd-Jerry Neuburger; 3rd-John DeBenedetti.

Harvest Day Regatta at Eugene Yacht Club, Eugene, Oregon, 1st-John DeBenedetti; 2nd-Al Weber.

True to District tradition, winning skippers and their crew and anyone else close-by were thrown into the waters they had just conquered, even in K-Falls with those little green things.

Some took to I-5 south. John DeBenedetti (crew Al Weber and Dave Webber, with support staff Mary Kay DeBenedetti) and Jerry Neuburger (crew Sandy Neuburger and Pam Hsu) headed south to the California Circuit during Easter weekend. The week went by quickly and three regattas later, we were vowing to make a return trip next year. On the way back, Jerry left 13707 in Long Beach and came back the following weekend to sail in the Olympic Classes Regatta at Alamitos Bay.

John DeBenedetti and crew Doug Hickman and Bruce Trafton made the all-night drive, down and back in one weekend, to the Bay area for a wild ride at the Pacific Coast Championships hosted by Richmond Yacht Club and the San Francisco Bay Area Fleet 372.

Vancouver Lake Sailing Club and Fleet 283 hosted the Pacific NW District Team Races again this year with Seattle (Fleet 132) winning top honors against four other teams: Portland (Fleet 283); Eugene (Fleet 229); the Women's Team (Fleet 283); and the San Juan Fleet (invited guests). Kelowna's Team (Fleet 372) was unfortunately snowed in. This series includes a team of three boats in a match race against three boats of another

team. This year we had two separate starts with twelve boats — two sets of teams match racing each other.

Inspiration for our next great racing season awaits the 1991 Lightning Christmas Party where the antics of the new winner(s) of that prestigious piece of wood, the "Broken Rudder", will be revealed.

Cowan Lake Fleet 303 is alive and well! We added several more boats to our fleet early in 1991, with the addition of one more at the end of the season, bringing our total to fifteen boats, with six on the starting line almost every Sunday.

P.S. If you missed the Fall-In Regatta, you missed a great time. We don't think Fleet 27 can take the fleet trophy twice. They only got by 1 1/4 points this time. Come see us in October 1992.

The Rehoboth Bay Lightning Fleet saw a very active regatta season in 1991 and looks toward future growth to maintain the strong Lightning tradition of the past.

Prior to the first Fleet event, Dave Racine and Fred Mertes traveled to the District Championship at Fishing Bay Virginia. Dave finished well enough to qualify for the National's while Fred finished in the money taking fourth place silver.

The Fleet hosted the 25th annual Delaware Governor's Cup in June with a strong turn out of local and out of town participants. Fleet member's Bernie Hedges finished 4th overall and Fred Mertes, Rehoboth/Annapolis, was in the money with third. Ron Grotheer, of Arlington, finished second. Bob Wardwell, the new District Champion, traveled all the way up from Richmond to show his winning form and capture the coveted silver Governors' Cup.

In July, RBSA hosted the First State Games, open to Lightnings, a group of unorganized Hobies and a few over the hill/aging Sunfish sailors. The Lightnings as always took top honors with local sailors Steve Anderson (3rd), Fred Mertes (2nd) and Chris Raubacher (1st), all taking silver.

The annual RBSA Lightning Anniversary Regatta in August ran into foul weather and will go into the record books as a non-event for 1991. With RBSA's 30th and the Lightning Class' 55th anniversaries coming up in 1993 the Fleet will be sure to get back on track and develop this regatta for 1992.

The seasons final event for Fleet 325 is the hoisting of the Bob Purnell Regatta in September. This turned out to be the Fleet's largest event of the season (in fact only the District Championship and the Frigid Digit at

Annapolis had better turnouts). This turned out to be a shoot out between Phil Grotheer and Fred Mertes, with Fred winning it based on three bullets on Saturday. It didn't hurt Fred having Bucky Buchanan as crew and Bucky's new bride of Phil's boat, some people will do anything to win. Oh! Did we forget that Don Delorme took third overall, those big right corners finally paid off on Sunday as Don just nipped Pam Racine (yes folks, Dave has turned the boat over to the next generation). Pam did quite well taking fourth in a tough fleet in shifty north winds. Chris Raubacher made his family racing debut and took a second in the final race, we look forward to seeing more of them in '92.

In the past Fleet 325 ran a separate series for the Fleet Championship. However, with less and less free dates on the calendar the fleet has opted over the past two years to count the four or five fleet regattas towards this title. This year, as in most years, Fred Mertes took top honors (time for this guy to retire), Chris Raubacher was Runner-Up with Bernie Hedges taking third followed by one point by Pam Racine.

Fleet 325 looks forward to the 1992 season with renewed optimism and invites one and all to attend our 1992 events. See you on the water!

At the traditional Memorial Day business meeting, the fleet planned a nine-weekend sailing season with several innovations. This year, one long season would replace the previous two shorter seasons, with the fleet championship to be determined by performance over the entire summer. The season would also include two unofficial races with a crew member replacing the normal skipper at the helm.

The season started with a racing day cancelled due to steady rain and lack of wind, a decision which the Fleet Captain had cause to regret when hardy sailors Jack Russell and Tom Price arrived from across the lake. For the rest of the season, the winds generally cooperated, and the rain held off during actual sailing.

Once again the fleet sponsored the "Around the Lake Race". This race is open to sailing craft of all kinds, and the entry fees are donated to the Loon Preservation Committee of the New Hampshire Audubon Society. Thanks to Dwight Gertz's organization and the hospitality of Marty Riehs' Sailing Center, the loons received a financial dividend while a number of sailors had a great day on the lake. The race was scored under the Portsmouth handicap. Ted Burr finished first in the Racing Sailboat Division, and won the Custance Cup as the first Lightning in the race. Hobie Cat sailor Gerry Ives was first to finish on uncorrected time, and first in the Recreational Sailboat Division.

The annual Squam Regatta was held on August 3 and 4 with a strong local contingent and a small, but fast group of visitors. The Hughes family continued a tradition of beating the locals, as Brian Hughes of Marblehead, won nearly every race and the overall regatta. Brian Hayes of North Sails in Milford, Connecticut took second place, while Dwight Gertz and Wally Ackley upheld our honor with third and fourth place finishes. Once again, Marty Riehs made his Squam Lakes Sailing Center and Olde Colonial Eagle Motel available for boat launching and pre- and post-regatta activities, and kept everyone supplied with fresh coffee and doughnuts. Len and Irene Fauser served as Race Committee Saturday, while Jack Russell filled that role on Sunday so that the Fleet Captain could sail. Ginny Wells, Susan Kemp, and Chick Ackley put together an outstanding spread of post race refreshments.

The season's end on Labor Day weekend arrived with Dwight Gertz in first place, and a close contest among Dave Closson, Marty Riehs, and Ted Burr. In a wild day of sailing characterized by high winds, men overboard, and several capsizes, the season was decided. Dwight Gertz held onto first place to finish as overall Fleet Champion. Dave Closson, dominated the day to take the Runner-Up position as well as the Closson Cup for the best finish in the last three races of the season. Third and Fourth Places went to Marty Riehs and Ted Burr respectively.

That evening, a somewhat chilled and waterlogged fleet gathered at Wally and Chick Ackley's hilltop house for an outstanding party, a superb potluck dinner, good fellowship, the award of trophies, and the election of Ted Burr (albeit in absentia) as the new Fleet Secretary. We missed Fleet founder and friend Dick Blair, who could join us only briefly, but who was nonetheless represented by a dessert. We look forward to seeing him when the fleet gathers next Memorial Day.

A successful sailing season depends on a capable crew and-hardest to find-willing race committee members. The fleet is grateful to those generous friends who made it possible for us to race. In addition to fleet members, these friends include: Bob Ayotte, Len and Irene Fauser, as well as Mason, Peter and Ginny Smith.

After a year with no water, we were back in '91 with excellent racing weather and, for the first time in many years, very few weeds. Freezing out milfoil seems to work!

We welcomed two new members this year: John Korkosz, one of our top Snipe sailors and Tom Aletto in his first year on the lake. John, with his wife and daughter as crew, had an interesting challenge learning how to fly a spinnaker. They were able to manage a strong second place finish for the season. Jim Millard had seven different crews including his seventy year old mother jibing the chute and ended up first. Way to go Mom!

Third place finisher Maury Gardner and Jim Dickson shared the "Dunkin Doughnut" for both dumping their boats on the last weekend. You always want to put your boat away clean.

Looking forward to next season—Happy Sailing!

This year has been an exciting year for Lightning Fleet 348. We currently have eleven boats of which seven participated in the scheduled fleet races during the year. Overall, Karl Suter remained Fleet Champion followed by Tom Wynn.

The fleet sponsored two events to promote sailing in the Atlanta area. The first for non-club Lightning owners and the second with the Atlanta Ski Club. Special thanks go to Greg Mix and Pam Suter for making these events happen.

The highlight of the year was the 1991 Atlanta Cup. Good weather, 35+ mph wind on Sunday, and 23 boats made for a "spectacular" regatta. Lenny Krawcheck won (again!) followed by his son, Kenneth, and Fisk Hayden.

Karl and Pam Suter traveled to eight Southeastern District regattas and finished fifth overall. Their presence on the District level was so great that Pam got elected District Commodore for 1992. Congratulations Pam!

We are currently looking forward to the 1992 racing season with two new boats. Robert Derrick and Carter Utzig joined our fleet at the end of the year. We are looking forward to seeing them on the race course next year. The fleet also plans to sponsor a racing/tuning seminar for the District in April. If you're in the area, you're invited.

The 1991 sailing season at Hoover Reservoir began in April with "Docks in Day" on the 6th with nice weather. The Spring sailing was great with plenty of water for our Regatta which was held on June 7 and 8. This was the first Lightning regatta held at Hoover for a number of years and was thoroughly enjoyed by all who attended. There were seven boats competing in the four race event with Tom Varley of Leatherlips Yacht Club taking the Trophy.

Fall sailing was curtailed somewhat by the lack of water due to the drought. We are hoping for more rain in '92.

We at this time would like to extend an invitation to all Lightning sailors in the Hoover Yacht Club area without a home fleet to make out an application to Hoover and become a member of Fleet 353.

Fleet Captain Ehmann Miller will serve again in 1992 and Jack Kirkpatrick will be the Secretary/Treasurer.

Our 1991 sailing season proved to be a setback from past years of Fleet activity. The weekly racing series that normally runs from the first of May to the end of September was virtually non-existent as less than half a dozen races were sailed due to either too much wind, too little wind, or rain. There were a few bright spots as our club hosted two Lightning related events-the Springtime One Design Regatta held during May, and for the first time, the Pacific Northwest Lightning Districts in late June. A total of fifteen boats from throughout the Pacific Northwest made the long trek to Kelowna for the 1991 Districts. The weather co-operated and we were able to sail a six race series in light to moderate wind conditions, although sailors from the host club were unable to place among the top five finishers, we justified this with the belief those who travelled the distance ought to take home the hardware.

We look forward to an improved 1992 sailing season-it can not be any worse-and the opportunity to seek out and encourage new and perspective Lightning sailors.

The local season began officially with Lightnings being recognized in the Club Sailpast. Two boats were sold out of the Club, reducing the local competition, but fun was had travelling to other fleets throughout the District. We hosted the District Championships in early July, eighteen boats competed and Peter Hall, Fleet 215, went away the winner. It was a pleasure to have visitors from Burlington, in addition to our District members, from Ottawa to Sorel.

It is hoped the two missing boats will be replaced by their owners with newer models next year to bring our fleet "up to strength."

1991 was a great sailing season for Lansing Sailing Club's Lightning Fleet until the late August and September Sunday winds turned out to be "light air" days. The competition was strong for the top five spots.

Ace Kicker (14444), with Ron and Bonnie Wilson and Gil Chesbro aboard, is Fleet Champion for 1991. They claimed ten first place finishes and ten runner-up finishes of the twenty races that counted, from a total of thirty-four Sunday races.

Excellent crew work, from midsummer on, by Heidi Hottinger and David Slemmer, The Buckeye Couple, helped *Fubar* (14267) close out the season as the runner-up boat...ten firsts, three seconds and seven 3rd place finishes in thirty-four fleet races.

Fred and Julie Hull, with Bob Hill crewing, had their boat up to *Hull Speed* (14147), finishing five points out of 2nd place and twenty points out of 1st. They sailed in forty races with eight firsts.

Fred also had the dubious distinction of winning the "1st Annual Fubar Old Fart" award...for leading one of the races by a leg and a half...then finishing 4th in that race!!

Terry and Mary Kleiman were very competitive aboard 2C3S (2 Crabs and 3 Shrimps) - (14468). Except for one September Sunday, they managed to keep the boat upright and Mary stayed out of the water most of the sailing season!! Sailed in thirty-seven club races and got wet once!!

The *Do-Rite* crew (12888) of Dennis Dudley and Ken Zielinski, some-

times with Jim Crain aboard...when he wasn't swept overboard on a sudden jibe..."Did-It-Right" most of the time to claim 5th in the Fleet for 1991.

Lansing held its 26th annual 'Tune-Up' Lightning Regatta June 1st and 2nd. Two Bay City boats displayed their transoms to the Lansing Fleet. *Teko* (14022) sailed by John Johnson, daughter Jennifer and Alan Krauss won four of the five races to win the regatta. *Ms. Guided* (14119), Tom Niles, Jill Myerson and Joe De Carli aboard, and with *Lucious Lips* on their transom, claimed the Runner-Up spot. The top local boat, *Bananas* (13903) crewed by Jim and Maribeth Fletcher, along with Margaret De Gruyter, won the "Ye Old Silver Platter" by finishing 3rd in the ten boat regatta.

Fubar visited the Bay City, Pontiac and Gull Lake Regattas. The Dudley *Do-Rite* crew and Kleiman 2C3S crew sailed at the Gull Lake Yacht Club's Regatta.

Alan Becke, Fleet Champion the past three years and without a boat in 1991, skippered a borrowed boat in three races...and got three aces!! Everyone is expecting Alan and his bride, Carol, to show up with a new boat in 1992!!

Our fleet has grown with the addition of three families buying boats from fleet members, two families buying Lightnings and joining our club along with a transfer from the Pontiac Yacht Club, Barbara and John Scott. Two local sailors are considering the Lightning as their next boat for 1992...Fleet 387 continues to grow!!

The Lansing Sailing Club, sailing on Lake Lansing at Haslett, Michigan, is looking forward to the 1992 sailing season. We are located eight miles from the capital city of Lansing. Lightning Fleet 387 invites you to our 'Tune-Up' Regatta May 30 - 31, 1992.

Between races at the Lansing Sailing Club Fleet 387.

Fleet 405 sailing in the waters of Salinas, Ecuador, had a very intense activity during 1991.

We have been racing every other weekend with attendances of six to eight boats each time. The Class has tried to obtain sponsors for each four-race regatta, in order to have trophies for first, second and third places.

From May to December, the Lightning Class ran the annual "Francisco Sola Franco" Cup. This is a perpetual trophy that is given each year to the boat that wins the Winter Series. We are proud to announce that Carlos Luis Lecaro, Nelson Fabara and Xavier Monge won the 1991 edition of the Cup.

Fleet 405 is thankful with the Salinas Yacht Club for being our host and helping us develop the Class in every way possible.

Windward leg in Salinas Bay. Qualifiers for the Cup of Champions.

The 1991 season started with the annual Lighthouse regatta the first weekend in June. Five fleets were represented among the fourteen boats attending. After a weather delay on Saturday morning, two good races were sailed. The final races were completed on Sunday in shifting medium winds. Paul Wurtzbaach sailed a consistent series to win the regatta. Thanks go out to Ed Malone for his excellent job as Race Committee Chairman.

On the local scene we had good news, bad news. We were sad to see Jeff Johnson move out of town but happy to receive an enthusiastic Barb and Gary Zink with their newly purchased Lightning number 14130.

Our Tuesday night Portsmouth handicap fleet saw the Lightnings do well again this year. Sue Dorscheid took first with Gary Zink taking third. An E scow was second and Jeff Johnson's Lightning came in fifth even though he raced only one-third of the season.

The Holiday Series had its first race cancelled by forty plus mile per hour winds. After dropping out after the first three legs, "Big Sue" was head to say, "We didn't think it was that bad out there." Sue was the only Lightning

in the rest of the Holiday Series Portsmouth fleet and she grabbed top honors over an E scow and 470.

We will continue to try to convert and attract more sailors to our Class. With consistent good showings and good boats always available, and Gary and Barb Zink's enthusiasm, we think that 1992 should be a growth year.

During the season our fleet carried out an intense activity to prepare for the Italian and European Championships on the Trasimeno Lake. Seven boats, with three junior crews participated in this effort. Junior skippers were: Reina Stefano, Mario Noto, Tramati Giammarco. The lack of wind the last three days did not allow completion of the Championship. So, after three regattas our three crews were in positions one, two, three.

The other regattas we carried out at Marsala are: CAPO BOEO'S CUP, LILYBEUM LIGHTNING CUP, SPRING CUP (twenty races), MASSIMO ATTINA' REGATTA, EUROPEAN WINTER CHAMPIONSHIP. The clubs that helped us carry out this intense activity were CIRCOLO VELICO MARSALA, SOCIETA' CANOTTIERI MARSALA.

For 1992 we will win all, because our young crews are the best in Europe, when the wind blows. It will blow, I hope!

The active sailors of Tuusulanjärvi Fleet achieved good results during the 1991 season. Leo (skipper), Anne-Marie and Rainer Korhonen won the District Championships in Jyväskylä. Jaako Herttua, Pasi Hannila and Niko Lappalainen placed third. Also boats Amarillo in 5th, Pikkumusta 6th, and Galateia 7th showed the strength of our fleet. In the European Championships in Italy, Team Amarillo Pertti, Maija and Leena Pyy, did a good job on a lake of Trasimeno and finished 5th.

Other activities in our fleet operations have been the weekly participation in tune-up races, Tuusulanjärvi Cup races (match-racing) and The Big Challenge sailing, which is a race around Tuusulanjärvi with only one man in the Lightning.

Two boats, Aiolos and Pikkumusta also participated in the long-distance race PNjNepurjehdus. This race lasts from 18 to 30 hours and is 120 kilometers in length. The Lightning is the smallest boat that is accepted for the race. This year Aiolos won the Lightning Class and Pikkumusta was fourth.

No new boats were registered to our fleet during 1991, but many of the existing ones were active. What we need is more new young sailors, who in a few years will take their place at the top of the fleet. That way we will get more sportsmanship in our Class.

Skippers Hartti Nisonen and Leo Korhonen from Fleet 456 won the Team Race Championship during the Districts in Jyväskylä.

Fleet 481 looks back on another active racing season. We kicked off the year with a January party at the home of Anne and Michael Rees to elect new officers and plan the upcoming season events. Every February the fleet shows off one of our boats at the North Carolina Boat Show. We feel this gives valuable exposure of the Lightning to the public. This year Henry and Avis Bridgers' spiffy Lightning represented the fleet. Then in March, David Starck of North Sails ably lectured to the fleet on tips on Lightning tuning, with an informative slide show from the Lightning Midwinters.

The sailing got into full swing in April with district and local club races. The usual Fleet Champions ate humble pie this year as they were displaced by newer faces to the top ranks. Ed Michels not only did an outstanding job as club Commodore, but he also grabbed up the honors as Fleet Champion. Vann Lovelace also did a great job and took the Runner-Up spot, with never lower than a third place finish all season. The club offered a new Saturday Only series this year with separate trophies. Vann came away with first place in this series.

Our fleet cosponsored the Southeastern District Championships in Oriental, North Carolina in June, with thirty-two boats in attendance. As usual, the sailing conditions were close to ideal.

Fleet attendance at the district level was strong again this year, with seven fleet members qualifying for district trophies (Pelosi, Rees, Mullikin, Taylor, Bridgers, Wilkins, and Nutt). We feel our competitiveness as a fleet has improved this year, that improvement coming at all levels within the fleet. We suspect high participation at the district level has played a role.

Our Borderline Regatta in late October was again a success with thirty-eight boats representing nine states from New York to Florida. This regatta is always the highlight of our year. We attract top sailors in the Class, so the competition is about as good as it gets. Additionally, we've gained invaluable experience getting some of those top skippers (this year Greg Fisher kindly obliged) to crew on local boats.

Cartoon character Pogo said it best. After a spy mission to the Pentagon he reported, "I have seen the enemy and he is us."

In 1983 after a great summer, we decided on an affirmative action policy: we'd attract new Lightning sailors by promoting sailboat racing in Oswego (a virtual vacuum existed). During the next three summers we planned and executed "Open" sailing races for all comers. Those regattas are today pointed to as the spark that resulted in the formation of Oswego PHRF.

Instead of joining us, just about every KB sailor joined PHRF. That fleet quickly quadrupled ours. Their parties became THE club social event. They were largely incompetent by our standards, but before we knew it we were losing members to them. That's what I mean by saying we became our own worst enemy.

How depressing was our situation by 1991? One of our most solid members, Joe McCloskey, sold his boat in favor of a J-24. Fleet founder Jim Finn followed his brother Robert Finn's lead and disappeared. Fran Watts announced he was selling. Discouraged Art Tirrell hardly touched his Lightning all summer. Tom Doran seemed more interested in his J-24.

IN PHRF the results were predictable; Doran was all-everything. McCloskey was runner-up all-everything. The other "fallen" fleet members? All sailed as crew aboard PHRF boats all summer.

Just when things looked the darkest, some positive things happened. Doran sailed every club race and easily won all three series. A guy named Tom Gregway bought Bill Pirillo's boat and put it back on the starting line with enthusiasm. Joe McCloskey helped John Fitzgibbons get started and then John made most of the fleet races. Second year skipper Nick Canale made for a well rounded, competitive fleet.

At season's end John Jaskula, another new skipper, bought an idle Lightning and was out sailing late in October after most of the other boats were in storage. Lastly, Tirrell got off the fence and made a commitment to the fleet for 1992.

Amid all this turbulence there was some stability. For us it was the guys in 14034. Ed Taverni and his determined crew of Greg Auleta and Dale Scaringi were rewarded with a big payday at October's club awards banquet taking away Fleet Runner-Up honors. Ed's the last of our three fleet founders.

The Michelob Lightning Classic went off well once again. This year was the year we finally learned who is boss. We learned we have it, not the other way around.

I'm exhausted just telling you about it. But by golly there seems to be some energy left in the club after all. We're looking past 1991 toward tomorrow. One of the reasons for our optimism is the fact that several PHRF people are making noises about one-design sailing. Come on over and pay your dues boys.

A YEAR AT 'THE VALLEY'

After a mild winter, (it seemed mild to me) and an early Spring, (warm and dry) I was really looking forward to the harbor opening and sailing again. The first weekend in May came, a large group of members showed up, and we had the best opening that I can remember. The grounds looked great. We were all looking forward to sailing the 'Mighty Miss' again.

What?...A flood is coming down river. Pull out the boats ... Wait ... Sure enough, we had a flood. Wow! Look at all the debris 'Ol Man River' left us. We all got to work and cleaned-up the mess ... Ready to sail again next week, except for a four foot diameter log (tree) that was dumped only a few feet from the pavillion. How are we ever going to get rid of that thing? We're not lumberjacks. Too big to even move with a tractor. I overheard someone suggest, "just leave it there till the next flood washes it away." Okay. Can hardly wait till next week.

What?...Another flood coming? Pull out the boats again. Yes, we had another flood. Yep, the big tree was washed away, and there wasn't as much debris as the first time. Clean-up again — Ready to sail.

I can't believe it! Another flood?. It was mid June before we really got to sail. Once we started though, things went pretty good. Competition was keen. Skipper's 'honing' crews to razor's edge. Seems everyone wants to be Fleet Champion this year.

We had some '2 days'. You know. Wind a day too early, wind a day too late, too hot, too calm, too much current, but we kept showing up to sail. Practicing for the "Muddy Rudder Regatta."

This year's Muddy Rudder, on September 7 and 8, saw 18 boats on the starting line. Yes, 18! We had more 'out of towners' than ever before. I'm guessing that they'll show up again next year too, 'cause they took home all the trophies. The weather, as usual in Missouri, changed from race-to-race. The starts were crowded, the mark roundings crowded, the finishes close, (at least for some of the fleet, I know 'cause the view is good from way back). As close as things were, we had no protests, just a lot of 'good racing'. Can't wait till next year.

Results were as follows:

Pos.	Name	Races					Tot. Pts.
		1	2	3	4	5	
1	W. Baxter, Memphis	2	1	1	2	1	6 1/4
2	H. Cochrane, Memphis	3	6	2	1	3	14 1/4
3	D. Floyd, Decator	1	4	8	3	5	20 1/4
4	F. Renschen, VSA	6	2	4	10	8	30
5	R. Robbins, Memphis	10	5	3	9	4	31
6	F. Bermel, Memphis	8	7	7	5	7	34

Now the big question. Who's the Fleet Champion? Let's see, Fran Renschen .. Total points 26 1/4, Rick Conaway .. Total points 36 1/2. Well this is a switch. Appears that Fran is the Fleet Champion this year. Congratulations Fran. Next year I'm going to watch him real close. Maybe I can pick-up a few pointers. THERE'S ALWAYS NEXT YEAR!

Fleet 496 had a very active year hosting the Dixie District Championship at Fishing Bay Yacht Club in June. Thanks to Bob Wardwell, who obtained use of this club on the Chesapeake, we were able to draw fifteen boats to the regatta with mostly consistent winds. Bob himself won the closely contested Championship.

Our usual Lightning Invitational Regatta held on our home body of water, Swift Creek Reservoir, was cancelled due to the World Championship in Annapolis on the same weekend. Fleet members Art Bell, Jim Richards and Bob Wardwell made the trip to Annapolis to help measure the forty plus boats entered in the Championship.

Members of the fleet travelled within the District to various regattas: The Potomac Cup, The Borderline, and of course, the District Championship.

We all look forward to next year's sailing season and hope to see some of you at our 1992 Lightning Invitational Regatta the first weekend in June in Richmond, Virginia.

For one heady moment in 1991, fleet 499 reached double figures. At season's end we are back to a total of nine. We welcomed old woody Number 1508 back from the 'boat lost' category as owner Andre Plante painstakingly cobbled her together from two old boats he found buried in some local garages.

Pierre Legault, Mike Leiter, Mark Adams, John Sauter and Rod Hayes brought four new boats into the club. After a bit of shuffling we have settled for a net three boat gain and most owners are coming out racing, while some are actually enjoying themselves.

We visited other clubs, raced around lakes and drove home again. It was a rich and full summer but too short by half and we can hardly wait to get going in '92.

We created a junior coaching program to prepare two crews for the World's selection trials in Hamilton next summer. Our kids are skilled, enthusiastic and a necessary addition to our aging class. Tony McBride, Glenn Taylor and Mike Leiter are loaning their boats and Tony McBride and Tim Harris are coaching.

As part of an ongoing strategy to promote and discuss sailing Lightnings to the uninitiated, we set up a day of five short races with our neighboring club, Beaconsfield Y.C. and five sailors turned out for the event. A seed has

been planted. As part of our year-end summary we can report the back of the fleet is rapidly advancing on the leaders; old boats can be faster than new when pointed in the right direction and the wind blows hard enough even turkeys will fly.

On the District and National circuits this year we observed some truly amazing things, including two boats contending for top five positions in a fleet of 32, coming together and both doing circles rather than making each other's day. Evidence of the spirit of the rules as well as the intent. Bravo guys! On the other hand there were a few incidents involving midway tactics that rotted a few socks and the beat goes on.

Our Fleet Champion is Tony McBride, who won enough Thursday night races to defend his title. Twice. Women skippers featured on one boat 14290 where mother Jan and her two daughters Lisa and Kim take turns in sailing and winning local fleet races using father David as crew. They combined for second spot in the club championships. Now if we can only get them on a boat in the NA Women's Championships! Fleet 499 members look forward to seeing our fiends again in '92.

This was an exciting year for Fleet 500. The season opened officially March 16 when we held our season opener potluck and annual meeting; a boat turning party followed on April 7. On April 27-28 the fleet hosted the Dutch Treat Invitational Regatta. Over the summer months three new members were welcomed to the fleet—Jessie Tremaine, Thomas S. Baeor, and Stephen Fisher. Several boats changed hands and the fleet expanded from nine to twelve boats.

Participation in club races doubled this year and three members traveled to several Southeastern District regattas with plans to increase next year's participation.

New members and potential recruits were officially welcomed at the Fleet's August Sailing Social held August 18.

Next spring our fleet will host the Southeastern District Championships.

This year's club Champion was Jonathan Lange. Dave Rasmussen barely edged out Jessie Tremaine for second place.

Fleet 502 had a busy April 1991 hosting the Pan Am Trials and the Florida Districts. The Pan Am Qualifier was the first major championship event held in Lightnings at Davis Island Yacht Club, and all agree it was an outstanding regatta. Just about everyone in our small fleet turned out to help, and Fleet 502's own Bikini clad Chris Myers made even sail measurement a pleasure for the competitors. Dave White, District Measurer and Fleet member, was thorough and efficient, and he was assisted by Bill Meyer, Clark Higgs, and David Racine. Gail Meyer did the registration, and collected all the monies.

Fleet 502 congratulates Matt Fisher, and crews for winning the trials and the Championship. The Fisher boat held the race committee and spectators in awe with superb tactics, excellent boat speed, and a knack for being on the right side of every shift. It was simply outstanding sailing. According to DIYC's Senior Race Officer, Henry Moore, the quality of the Lightnings racing in the Trials has never been matched by any class, and Davis Island has hosted many major championship events including the Star Western Hemispheres.

The 27 week daylight savings time Thursday night series was won by Bill Meyer sailing under the Portsmouth rating system. During this series, a few especially severe storms blasted the fleet out on the course. An unfortunate collision with a PHRF boat put Clark's boat out of commission for most of the series. Hurricane Bob missed Tampa, but the effect was the same. The repair people couldn't keep up to the work, and participation suffered.

Fleet 502's Clark Higgs crewed in the NA's on *First Strike* owned by Mike Carrol, and skippered by Bob McCann. Clark and Mike teamed up for 3rd at the Labor Day Regatta in Sarasota. Bill and Gail Meyer placed 3rd at the "Red Lobster" in Sanford, 2nd at the "Fun for Sail" in Melbourne, and 5th in the Florida Triple Crown.

Remember the Thanksgiving weekend regatta at Davis Island. Call 813-886-1962 for Housing and details.

Registry of Lightning Boats

(Corrected to December 18, 1991)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner is unknown. *Where boat number is followed by an asterisk, it means that there is an approved Measurement Certificate on file for this boat. All boats not so marked do not have Measurement Certificates on file.*
