## *Dedication*

All of us have our memories of "Doc's" devotion to us as individuals and that is why his death is not without its sting. We labor under the loss of our friend. But victory is not for death, rather it is for us who overcome our grief and adopt within our own lives the virtues of the life we mourn. Whatever it is that made us love him, his hopes, his noble intentions, his guiding hand — we ought to make real for others. Our highest tribute to him is that we will stand ready to continue his mission. This is the honor we would do him, this is the living perpetual trophy in his honor.

A fair wind and a following sea on your homeward run, Old Salt, we salute you as you pass.

*(An excerpt from "Remarks in Memory of James B. "Doc" Gilbert",  
Delivered by Jim Dillard, April 30, 1992)*

# President's Message

'92 was a good year for racing Lightnings. At Kuopio, Finland; Salinas, Ecuador and Point Abino, Ontario we had excellent championships. The Chilean District capped off the year with the Youth Worlds for 19 teams. My congratulations to all those who worked so hard to host these events as well as the hundreds of other Lightning regattas that fill our "leisure time" so well.

Your president subjected himself and the Class to a second term. Two years on the job has given me a chance to get to know everyone a little better and to meditate on our Class. Our numbers are growing in only a few districts. In those districts I can point to a handful of members who have inspired others to take up our sport. Where there are no such "sparkplugs" our numbers slowly dwindle.

The concept of one-design sailing does not sell itself anymore. Our office coordinates our efforts to provide the best in small boat sailing but our Association is not geared up to market this experience. Brochures mailed from Worthington aren't the same as a face-to-face sailing selling effort.

I have learned that Lightning sailors volunteer their time willingly. The help I've received from so many sources has been the most gratifying aspect of being president. It will be up to my successors to get even more of us involved. We need to act locally and internationally to insure that 10 to 20 years from now the Lightning will stand for great people who enjoy keen competition.

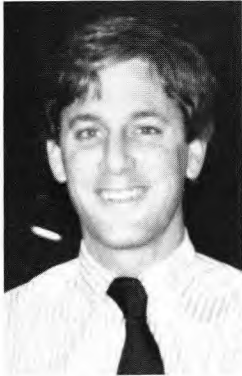

This young lady pictured above is our own Donna Foote. She has given the ILCA twenty-five years of enthusiastic and professional work. Thank you, Donna.

*Mike Huffman*

Mike Huffman, President  
International Lightning Class  
Association

# Officers of the International Lightning Class Association

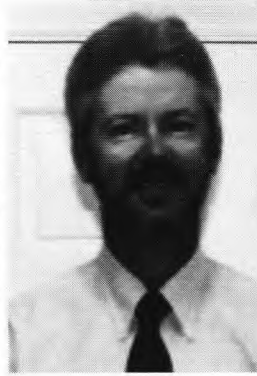

**PRESIDENT — Michael Huffman**

Mike began sailing at the Buffalo Canoe Club in 1965. His folks raced Lightnings; he and brother Bill sailed an Albacore until Tom Fallon requisitioned Mike to complete a Lightning crew. Soon his Dad was sharing the helm on the family's boat. Mike skippered his first N.A.'s in 1974.

Mike moved to Chicago in 1982 and joined Fleet 5. He and his wife Meg enjoy sailing at home on Lake Michigan as well as travelling around the Midwest.

Mike claims it is his responsibilities with the I.L.C.A. and not his job as a stock options trader that explains the increasing amounts of white hair.

**TREASURER — Robert Harkrider, Jr.**

Bob's sailing career began in 1978 (under the tutelage of his then wife Jody). He purchased his first Lightning in 1983. Seven Lightnings, a new wife Sharon, and many regattas later, they are currently residing in Augusta, Georgia. He is a past Commodore of the Augusta Sailing Club and South-eastern Lightning District. He also has served as Class Vice President. Bob is a CPA and manages his own accounting firm.

**CHIEF MEASURER —**

**Christopher "Kip" Hamblet**

Kip first started sailing Lightnings in 1959, crewing with his father on number 280. From this beginning on Spofford Lake, Fleet 145, the Hamblet family has sailed all over the U.S. and attended the World Championship in Helsinki, Finland in 1971.

The Lightning Class has been his most consistent activity in a life full of change. While stationed in Savannah, Georgia as a U.S. Army Helicopter Pilot he had the privilege of being a member of the Savannah Fleet 127. He has served as New England District Commodore, on the International Race Committee, as Assistant Measurer and as Chief Measurer.

Kip has recently purchased a business in the Orlando, Florida area and hopes to become active in the Florida District.

**SECRETARY — Tony McBride**

Tony began sailing in a small punt his father built for him when he was only four. He graduated to Flying Juniors and then sailed in a number of classes, both as skipper and crew. He purchased his first Lightning in 1986.

With more than a little luck, Tony qualified for the 1986 North American's at Kingston and has been bitten by the travel bug ever since. He has been involved in promoting the Lightning Class as a past Captain of Fleet 499 and the current Commodore of the Saint Lawrence Valley District.

Tony and his wife Cathy live in Montreal, and sail from Pointe Claire Yacht Club, on Lake St. Louis. He is President of his own advertising agency, a responsibility he tries not to let interfere with his sailing.

**Honorary Commodore**  
**FISK HAYDEN** of Fern Park, Florida. I.L.C.A. Member since 1954. President, Florida Food Management, Inc. Wife Jean.

**Ass't Measurer & VP**  
**PAUL F. GELENITIS** of Kearny, New Jersey. I.L.C.A. member since 1975. Partner in law firm Gelenitis & McGuire. Wife Terri.

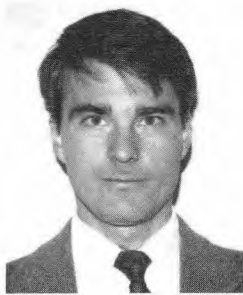

**Ass't Measurer & VP**  
**CALVIN H. SCHMIEDE** of Lewiston, New York. I.L.C.A. Member since 1960. Self employed Chemical Engineering Consultant. Wife Judy.

Vice President  
**GEORGE S. ANDREADIS** of Athens, Greece, I.L.C.A. member since 1955. Economic Advisor, Commercial Trading and Discount Co., Ltd. Wife Anna.

Vice President  
**BRUCE GOLDSMITH** of Manitou Beach, Michigan, I.L.C.A. member since 1962. Investment Broker, A. G. Edwards & Sons, Inc. Wife Sherry.

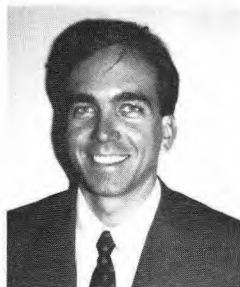

Vice President  
**RONALD D. GROTHEER** of Arlington, Virginia, I.L.C.A. Member since 1979. Mechanical Engineer, Grotheer & Co. Wife Sandra.

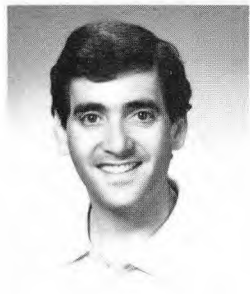

Vice President  
**BRUCE B. ARNOLD** of Albany, California, I.L.C.A. member since 1974. Architect, Johnson-Arnold-Close Architects, Inc. Wife Sue.

Vice President  
**ROBERT H. MATHERS** of Livonia, Michigan, I.L.C.A. member since 1965. Teacher. Wife Sara.

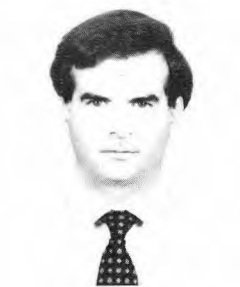

Vice President  
**MATT FISHER** of Westerville, Ohio, I.L.C.A. member since 1966. Product Manager, Medical Nutritionals. Wife Lisa.

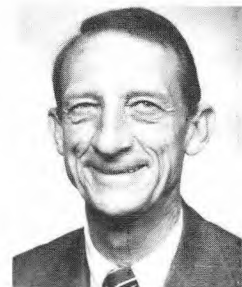

Vice President  
**MARK OSTERMAN** of Montreal, Quebec, I.L.C.A. member since 1989. Attorney-Contract Dept., S.N.C.-Lavalin. Wife Jane.

Vice President  
**BRUCE W. WATTERS** of St. Petersburg, Florida, I.L.C.A. member since 1977. Retail jeweler, Bruce Watters, Inc. Wife Patricia.

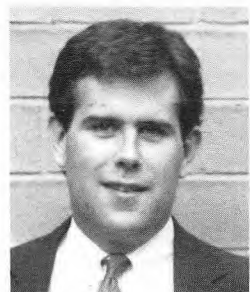

Vice President  
**FRANCISCO AYULO** of Lima, Peru, I.L.C.A. member since 1980. General Motors Dealer, METOCARS.A.

Vice President  
**CRIT CURRIE** of Memphis, Tennessee, I.L.C.A. member since 1955. Real Estate, Crit Currie & Company. Wife Eleanor.

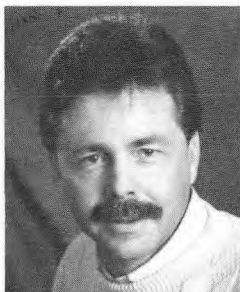

Vice President  
**JOHN PELOSI** of Wake Forest, North Carolina, I.L.C.A. Member since 1980. Psychologist, Murdoch Center. Wife Carol.

Vice President  
**FRANK MERGENTHALER** of Red Bank, New Jersey, I.L.C.A. Member since 1978. Technical Public Accountant, Price Waterhouse. Wife Brenda.

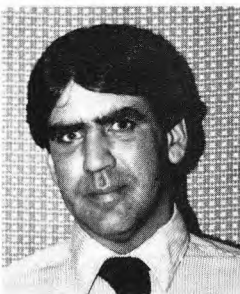

Vice President  
**FRANCISCO SOLA, MEDINA**, of Guayaquil, Ecuador, I.L.C.A. member since 1956. Executive President Norlop Thomson Asociados. Wife Cecilia.

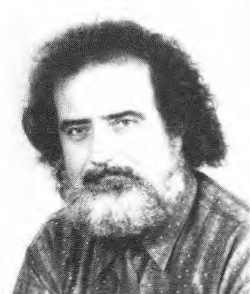

Vice President  
**DONALD R. BARRETT** of West Granby, Connecticut, I.L.C.A. member since 1976. Regional Manager, Citrus Hills Investment Properties. Wife Donna.

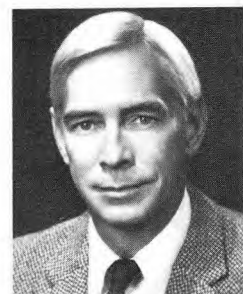

Vice President  
**DENIS R. CLEMENCE** of Niteroi, Brazil, I.L.C.A. member since 1968. President, Equipatec Engineering & Commerce, Ltd. Wife Maria.

Vice President  
**RAY HARRINGTON** of Bomo- seen, Vermont, I.L.C.A. member since 1972. Snow Surfaces, Killing-ton, Ltd. Wife Toni.

Vice President  
**GILBERT DESPLAND** of Grandson, Switzerland, I.L.C.A. member since 1960. Technical Adviser, Henkel & Cie A.G.

Vice President  
**R. G. (LAL) BURRIDGE** of St. Louis, Missouri, I.L.C.A. member since 1967. Lawyer in firm of Anderson, Gilbert, & Garvin. Wife Patricia.

Vice President  
**JOHN WITHERS LYON** of San Diego, California, I.L.C.A. member since 1980. Self Employed. Wife Lynette.

Vice President  
**LARRY MacDonald** of Hamilton, Ontario, Canada, I.L.C.A. member since 1962. Mechanical Contractor with John A. MacDonald Plumbing & Heating Ltd. Wife Betty.

Vice President  
**NELSON S. SCHMITT** of Sao Paulo, Brazil. I.L.C.A. member since 1972. Director Niagara S.A. Com. e. Ind. Wife Susy.

Vice President  
**JOHN B. WASKOM III** of Dallas, Texas. I.L.C.A. member since 1961. Investor. Wife Mildred (Millie).

Vice President  
**JOHN DE BENEDETTI** of Portland, Oregon. I.L.C.A. member since 1959. Manager Steinbart & Company. Wife Mary Kay.

Vice President  
**J. THOMAS DORAN** of Oswego, New York. I.L.C.A. member since 1982. Teacher, Oswego City School District. Wife Deborah.

Vice President  
**JUDITH J. WALKER** of Synder, New York. I.L.C.A. member since 1967. Medical Microbiologist/Biochemist.

Vice President  
**RICHARD W. HALLAGAN** of Newark, New York. I.L.C.A. member since 1958. Vice President, Hallagan Manufacturing Co. Wife Nancy Anne.

Vice President  
**NANDO DE AMICIS** of Verona, Italy. I.L.C.A. member since 1964. Retired. Wife Licia.

Vice President  
**PENTTI LAITINEN** of Kerava, Finland. I.L.C.A. Member since 1977. Project Manager, FINNAIR. Wife Sirkka-Liisa.

Vice President  
**FAY REGAN** of Miami, Florida. I.L.C.A. member since 1978. Permit Manager Claude Neon Signs.

Vice President  
**ROBERT G. RUHMAN** of Euclid, Ohio. I.L.C.A. member since 1968. V.P. — Corporate Planning, Preformed Line Products Co. Wife Abby.

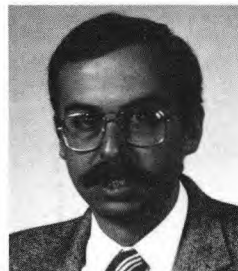

Vice President  
**WILLIAM G. FAUDE** of Milwaukee, Wisconsin. I.L.C.A. member since 1987. Advertising Copywriter, Jacobson-Rost Advertising, Sheboygan, Wisconsin.

Vice President  
**DAVID H. WATT** of Kalamazoo, Michigan. I.L.C.A. member since 1976. Sales, SSG Laserworks. Wife Karen.

Vice President  
**OLVALDO BORDINO** of Olivos, Argentina. I.L.C.A. member since 1959. President Top Finish SRI. Wife Elisa.

Vice President  
**Rudi Salmang** of Bogota, Colombia. I.L.C.A. member since 1972. Engineer, The Dow Chemical Company. Wife Martha.

## THE CHAMPIONS

The first National Championships were held when the first boat was publicly less than eight months old. Nineteen boats participated, John Barnes won with three firsts.

In 1945, the Championship was renamed International; there being thirty some boats in "foreign" countries.

In 1961, the first Lightning World Championship was held and that year the Internationals were renamed once again, this time to the North American Championships.

Footnote:

Deep South Regatta sailed at Savannah Yacht Club, Savannah, Georgia.

Trophies: Deep South Regatta Perpetual Trophy, deeded by the Savannah Yacht Club, retired by winner of it three times. (R)

August A. Busch, Jr. Trophy, deeded to S.Y.C. for the Lightning Regatta.

Winter Lightning Championship sailed at St. Petersburg Yacht Club, St. Petersburg, Florida.

Trophies: Wally Bishop Trophy, presented by Mrs. Wally Bishop.

I.L.C.A. Past Presidents Trophy, deeded by Past Presidents of I.L.C.A. to I.L.C.A. for the winner of combined Savannah and St. Petersburg.

Midwinter Championship sailed at Coral Reef Yacht Club, Miami, Florida

Trophies: Regal Cup, deeded to I.L.C.A. by a Miami Company.

Alex Carlin Trophies, presented by Alex Carlin for the Miami-St. Petersburg (Special Formula). Retired to top skippers' Yacht Club after nine years.

Buffalo Canoe Club received the trophy in 1969. The second Trophy was retired, after the 1978 Regatta, to Tom Allen for the Buffalo Canoe Club. The third and last trophy was retired in 1988 to the Buffalo Canoe Club, donated by Alex's wife Ethel in his memory.

I.L.C.A. Southern Circuit Champion, presented by I.L.C.A. for the winner of combined Savannah, St. Petersburg, and Miami. No. retirement.

# Introduction

Your Lightning Yearbook is a little different this year. The next twenty pages were assembled to offer “something for everyone”. We think that a newcomer will be able to get a feel for the Lightning — the boat and the people. The accomplished racers will also find a few ideas to make their season more rewarding. There’s some new material and we’ve gone back to find older articles to make up this section.

We are proud of our work, but we hope it’s just a start. The Lightning Class has many talented people who may in the future contribute to a more comprehensive effort. Our members have a great appetite for these articles. Whatever form the next compilation takes — a special book, video or a monthly column in *Flashes*, perhaps this will provide inspiration.

Championship reports follow. Many thanks to the authors, reporters and photographers who helped. Thanks also to Sailing World magazine in whose pages a few of these articles first appeared.

# Lightning Lifestyle

By Jim Crane

It's 4:30 in the afternoon, the sun has already set and the Connecticut countryside is grey and frozen. Late December is hardly the time to be thinking about summer afternoons and racing sailboats, but that is just what I am doing. I have been asked to write an article about an old friend, the Lightning Class sailboat. I was probably asked to do this because I have been racing the Lightning since my 12th or 13th birthday and I am now on the wrong side of 40. It might also have something to do with the fact that I have competed in at least 20 North American Championships, sailed in World Championships all over the globe, that my mother-in-law was President of the Class and that my father-in-law makes his living from building the boat. However, in my mind all this is irrelevant. The reason I want to write this article is that I, along with hundreds or thousands of other people, have derived more pleasure from sailing and competing in this Class than from any other single pursuit in life.

How can this be so? It seems illogical that a boat that was designed in 1938 by Olin Stephens and that is euphemistically referred to as a pointed flower box can provide so much pleasure. What you quickly learn in this sport is that the appeal of sailboat racing encompasses far more than the sensual exhilaration of going fast in a high performance sailboat.

What is unique about the Lightnings, and is also true of the Snipe, Star, Thistle, and a host of other boats, is that if you actively participate in the Class the sum of the experience becomes a life style rather than a periodic event. It isn't the race per se that counts, or the performance of the boat, but the total sense of enjoyment. What you find is a tradition of Lightning sailing that is passed from generation to generation in the same family. For example, my Dad began racing Lightnings in the late 1940's. Every spring he would take the entire family to Florida for two weeks for the Southern Circuit. He would pull us out of school, hook the boat up to the car and head south on old route U.S. 301. It's now 35 years later and I make the same trip each spring with as much anticipation as I'm sure he had. The fun is still the same and I'm sure it will be for my son in 20 years. To the uninitiated it must be difficult to comprehend this devotion. However, the people, the boat, the travel, the level and thrill of competition, the race organization, the amount of preparation necessary to be competitive and the traditional have a synergistic quality that makes racing the Lightning just pure fun. Let's examine some of the qualities of this winning formula.

The boat itself is less than exciting. It is slab sided with a hard chine and only a slightly radiused bottom that loves to pound in a chop. At 700 lbs. all up it is not light. Its sail area, however, is adequate to provide good performance upwind, and it sports a very large chute that can make downwind sailing in a blow as exciting as it gets. It is not a fast boat but at the same time it is responsive to sensitive adjustments. It rewards those who pull the right strings or hike a bit harder when it hurts. However, the incremental improvement in speed is modest. I would call it an unpretentious boat that can be fine tuned, but never turned into a refined machine.

It is these modest credentials, however, that provide the framework for a very successful Class. Because of its modest

displacement and modest sail area you do not need a crew of gymnasts or pro-linemen to sail competitively. With a crew of three and an ideal weight of 480 pounds your girlfriend or wife can be part of the team. At 19' the 700 pound minimum boat weight also means that exotic (and expensive) constructions is not necessary to achieve competitive hull stiffness. The Class scantlings also prohibit light ended boats. As a matter of fact, my current boat is 18 years old and in my mind is as fast as any new boat. The very fact that the Lightning is low tech is a positive because boats last almost forever, and the price of a new or used boat is within reach of a large group. Another plus for the Class is the very rigid enforcement of hull measurement. This has added to the longevity of a boat's competitiveness because experience has shown that it is extremely difficult to improve upon the accepted lines of the boat. In my mind there have been no hull shape improvements in almost 20 years. What all this means is that you can buy a Lightning off the shelf that will be fast, reasonably priced, last a very long time, raced competitively with little recent practice, and include a girl of your choice in the crew. I think this is called value.

It should not be assumed that just because the Lightning is not a high performance boat that the quality of racing is at a low level. I think that a competitive event in any sport regardless of the equipment, provided it is all the same, demands a high level of skill to win. The Lightning is no exception. Because of its characteristics, however, it tends to place an emphasis on tactical ability rather than boat speed. I think this is another reason for its popularity. To compete successfully in a performance boat (470, 505, Flying Dutchman) you need to spend endless hours on the water learning to shift gears as well as perfecting your boat handling. A tactical boat, however, is more forgiving in that tactical skill is something you build up over a life time and can more easily be pulled out of the bag than boat speed. The ability to be competitive at major events (or at least in the hunt) when you don't have the time to practice makes competing so much more fun. I'm convinced that this is the reason that the popularity of boat speed type boats is so low. What's the point of even showing up if you will be a leg behind after the first triangle, especially when you know you have all the skill to be competitive but lack the time to train.

Perhaps as important an ingredient as any other in the success of the Lightning is its Class Organization and the enthusiasm of the Class members themselves. I think this one variable is the key ingredient that sets the Lightning apart from other boats that have the same potential for success. When I think back over the years what comes to mind is sailing in Finland, Argentina, Switzerland, Ecuador, Canada — locations where the World Championships have been held. These events have provided me the opportunity to see the World, to meet and make friends with a variety of fascinating people, and to do it while participating in one of my favorite sports. The fact that these events have been successfully occurring every two years all over the globe is testimony of a strong and enthusiastic Class organization. When you think of the logistics involved in shipping boats, organizing International Race Committees, taking care of housing, transportation and measurement it is a formidable

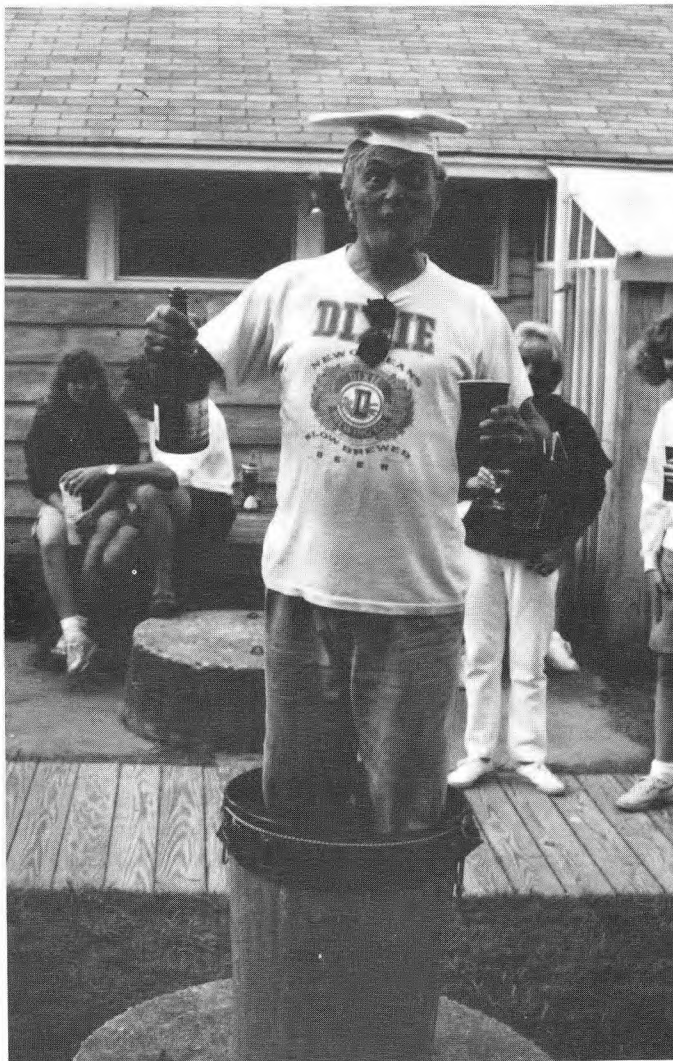

task. And yet it has been beautifully handled year after year by a group of volunteers. The Class has a paid secretary, but every other post is a good will effort. To me this is extraordinary. Besides the Worlds, the Class also runs District Championships, National Championships and a Mid Winter Championship. Again, these are all volunteer operations.

On a more human level, when you get right down to it, I think the real appeal of one-design sailing, and the Lightning in particular, is that it provides the opportunity for an adventure. It is the perfect avenue to get away from work and daily pressures and to get into some mischief. Besides the memories of the big victories, just as indelibly etched in

my mind is the time when my Dad's homemade trailer self destructed on the highway, or when the boat totally left the trailer on a foggy morning in Georgia. I can remember capsizing twice in one day, sailing to a weather mark in the 1969 Worlds in Buenos Aires where the first boat to round never set a jib because it was blowing somewhere near 40 knots, getting lost in the fog racing off Helsinki and racing on a lake in Ecuador at 11,000 feet above sea level. The list is endless, but the message is clear. The Lightning and the Class have combined a few modest ingredients to provide the stage for a group of die hard enthusiasts to experience some of life's great joys.

# GULL LAKE REGATTA — 1992

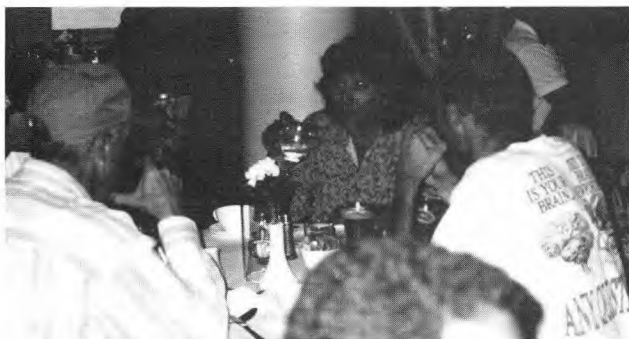

## FLEET 137

*Larry Koster (Lansing Sailing Club) enjoying a little chop on Gull Lake before the Start.*

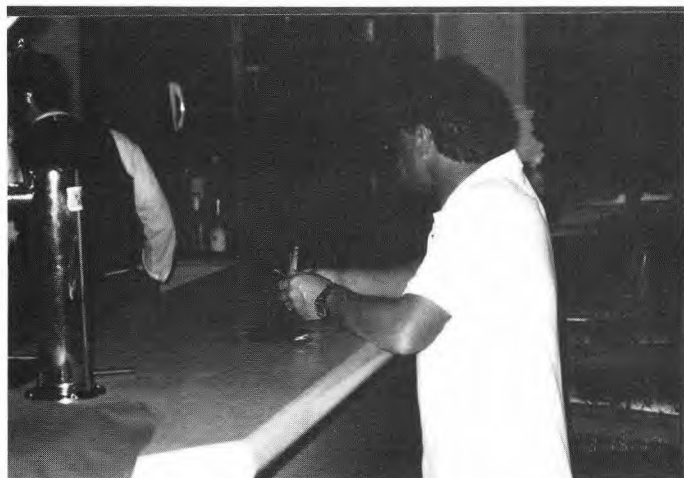

*Thomas Hudson (Gull Lake), Brad Wagnon and Bill Allen from Wawasee.*

*Steve Thomas (Devil's Lake) and Rick Kaiser (Chicago Corinthian) discussing the day's events at the Gull Lake Country Club.*

*Eric and Lynn Samuelson introducing their neighbors to sailing for the first time at Gull Lake.*

*Who's the lonely guy at the bar?*

*Colin and Karen Park (Bay City) and Diana Fernando (Pontiac) at the plush Gull Lake Country Club.*

*Another HOT Miami party! This Sunday sailaway to a Biscayne Bay sandbar was hosted by Jim Alman, Fay Regan, and Jonel Rouse/Stuart DeLisser (upper left) to celebrate the 20th birthday of their three honeycomb Lippincotts. COOL!*

# Why W.O.O.D.

By Peter Morley, Jr.

I was excited to read in one of last spring's issues of the *Flashes* an announcement of a regatta for wood boats. Wooden Boat Magazine had plans for organizing an "all wood only" one-design W.O.O.D. sailboat regatta in June of 1992. The regatta was to be in conjunction with their Wooden Boat Show in Newport, R.I. I knew immediately I wanted to attend. I also knew finding a crew would not be difficult. My semi-regular crew, Stan Dent and Chris Morley were also eager to go. Team Dancing Bear, as we are also known, has raced my wooden Lightning semi-regularly with moderate success in fleet races and some invitations.

I have a 1963 Cayuga built Lightning 9102, which is relatively new for most wooden Lightnings. I bought a wooden Lightning because my first memories of sailing are in my father's and grandfather's Lightning and of Lightning regattas. I also wanted to have the pleasure of restoring a boat myself. I had restored a small wooden boat and my father restores old wooden inboard runabouts. I rebuilt the entire hull of my Lightning including the center board trunk and many split ribs using the W.E.S.T. system epoxy so the boat is dry, stiff and still relatively light. Although I also race other new boats, I get an added feeling of satisfaction out of racing and beating many newer fiberglass Lightnings. I was fortunate to attend the Fiftieth Anniversary Regatta in 1988 where we raced in a mixed fleet of wooden and fiberglass boats. The opportunity to race with only wooden Lightnings was one I didn't want to miss.

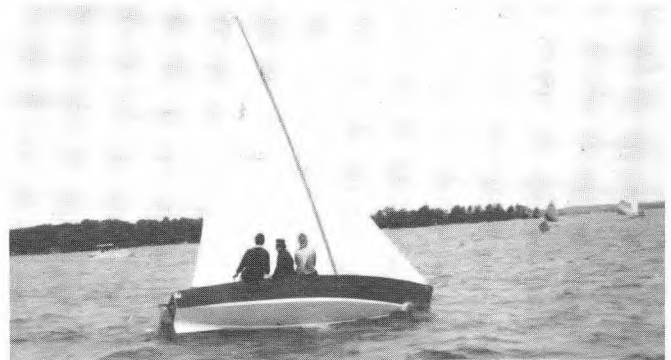

We made our plans for Newport, tuned the boat in heavy air at the Bay City Invitational and headed east. Since none of us had ever been to Newport, tourist fever piqued our excitement for the regatta. We rigged the boat at Fort Adams, the meeting place for the regatta, and the location of the Museum of Yachting. The W.O.O.D. Regatta was open to all classes of wooden sailboats. A good turnout of 47 boats representing 20 classes showed up from various areas. Most were from New England, the furthest from Colorado. The regatta consisted of three windward-leeward races on Narragansett Bay. Each class with four or more boats had their own scores. Classes with three or less were put in the open fleet and scored with corrected times based on Portsmouth ratings. We were somewhat disappointed to be one of only three Lightnings and therefore part of the open fleet although it had the stiffest competition. The small turnout of Lightnings did not dampen our excitement or that of our other Lightning competitors, Bill Stasiuk and Dan Gorski. The Blue Jay fleet had the largest turnout. The regatta also had a race series for 12 meters. Seven old twelves were present from US 11 to US 24, including *Intrepid* and *Weatherly*.

The racing was good spirited. There was so much action taking place, attention was hard to maintain. Our starts were rusty and our timing was slow but our boat speed was good. We managed to be the first Lightning to the weather mark each time. Starting with a mixed fleet of boats of different speeds is an exercise in timing and it seemed we were dodging nutshell prams like gnats at the starting line. A brand new Snipe built with the W.E.S.T. system was hard to beat; thank heaven for that large Lightning spinnaker. A 1961 Star took first in the open fleet and first overall for the regatta. We were happy with our third in the open fleet and

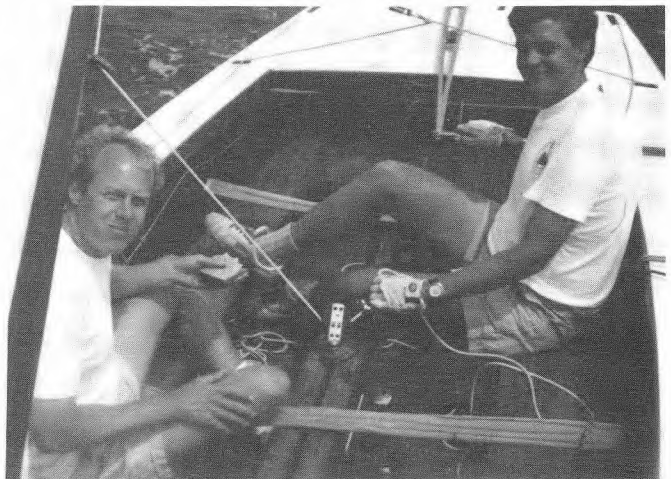

fifth overall. The trophies were simply a bonus. Although we were on separate courses, we crossed tacks with some of the twelve meters and that was worth the drive in itself.

After the racing, time was left for a parade lap past the wharf where the Wooden Boat Show was happening. A brightwork contest was held back at Fort Adams sponsored by Interlux Finishes. Comparing boats and restoration stories as well as racing stories made the sailors from all classes feel like "one". Results were announced at the Wooden Boat Show on Sunday.

The people from Wooden Boat Magazine were pleased with the event and are going to make this a regular part of the Boat Show weekend. We had a great time and are planning on going back in 1993. I took my Lightning to Skaneateles in 1988 and raced in the "vintage fleet". Being with 225 other Lightnings was a once in a lifetime thrill, but the "Wood Regatta" was also a thrill. I am sure there are many well maintained or restored wooden Lightnings that could be raced. Hopefully there will be a stronger showing of Lightnings next year, to show what a great boat the Lightning is and what a great history it has. I would like to see more interest within fleets to promote wooden boat sailing. It can draw interest in the Class from the people that might otherwise stay away because of the cost of competitiveness of newer fiberglass hulls. Maintaining a wooden boat can take extra work but sailing a beautiful varnished wooden boat gives a special feeling of pride.

9102 at home on Higgins Lake, MI.

Lunch break in Newport — Stan and Peter.

# What They Forget To Tell You (or, How Not To Sail a Lightning)

By Kevin G. Hughes

My purchase of a Lightning last Spring resulted from the desire to race a stable, well established one-design. After a great search and many phone calls I found my used boat. Those first few weeks were spent in the garage cleaning, buffing and yes — admiring. Then the day came when I rolled her out to the driveway, ready-to-go, and wondered ‘what should I do now?’ From that point until Fall haul-out I lived through a unique set of experiences, some of which are described in the following. I hope this brings back some memories for you seasoned Lightning guys, or perhaps it will make some novices feel better.

There are basically two methods for learning how to race a Lightning. The first is to take your time, crewing or loafing in your own boat, learning at a safe pace. This is good for your health. The second method is to jump in, shove off and race. This can be bad for your health. Being greatly impatient and eager, I chose the latter method. By some miracle I survived the season and my boat, God bless her, is intact. But let me tell you, together we learned some things the Lightning sailor does not want to do!

When rigging your boat, don’t finger tighten the retainer nuts on stay turnbuckles — use a wrench. It is hard to describe being in heavy air under main alone (not sure why), and pow — the forestay turnbuckle completely unscrews. When one sits at the helm, peering up at that rocking mast, prayer seems like a good idea. And whatever you do, don’t ask your crew (even if she is your wife) to get on deck and hold that stay!

Another thing you may want to avoid is dropping the jib as you sail tightly upwind into the mooring area. It is surprising how quickly a Lightning will stop upwind under main alone. Even more surprising is how quickly it will start moving backward! But don’t worry, sooner or later you will hit something behind and come to a stop. Then with some

shoving and pushing you can get back underway. But beware — when you backed in to that pier the rudder may have been knocked loose, and sailing without a rudder is not fun. And when someone on shore yells ‘steer with the paddle’, don’t listen.

They say the Lightning is a stable, forgiving boat. Well, it is until you hoist that third sail that was inconspicuously folded in a basket. It’s hard to imagine that bundle causing so much havoc in a blow! And whatever you do, avoid two serious mistakes. First, don’t hoist the spinnaker with both sheets played all the way out. Second, don’t hoist until clear around the weather mark and heading downwind. If both these errors are made at once a peculiar phenomenon will occur — the spinnaker will fill behind the boat, off one rear quarter. This doesn’t sound too bad, but in heavy air the Lightning can quickly start a downwind run backwards! The hull, rudder, and crew are not designed for this point of sail!

A word of advice should be given regarding timing the race start. Try not to lose track of time — if you do avoid asking other boats how long there is to go. If you do ask, three observations will quickly be made. First is that many Lightning skippers seem to be hard of hearing. Second is that most appear to lose track of time, just like you. Finally, even though some are deaf and others are without watches, they all seem to hit the line just at the right time!

I could go on with these stories but, on a serious note, a few things need to be said. I take my hat off to the Lightning, the class and the people in it. It is hard to imagine a more enthusiastic, helpful and dedicated bunch in the entire sailing community. I can say, without reservation, that the Lightning Class has a great deal to offer any sailor. Just have heart, and endure that first season!

# Know, Know, Know Your Boat

By Mike Huffman

One of the main ingredients for the continuing popularity of the Lightning Class is the evolution of the boat itself. Suggested changes are considered with an eye toward keeping all boats equal. Innovations have made newer boats more comfortable, easier to sail and just a little more exciting while not outdating their predecessors.

Today's boats and those made over the last 20 or 30 years, are produced using pretty much the same tolerances. The various builders seem to have agreed upon the fastest hull shape. This is not to say the Lightning hasn't seen change. The original double-planked wooden hull has been replaced by a self-rescuing fiberglass boat. Wooden masts gave way to stronger oval aluminum spars. The main sheet bridle has supplanted the Crosby rig, making the mainsail easier to control. The adjustable backstay allows sailors to flatten their sailplan with one yank.

The minimum weight remains at 700 pounds and the hull must be of constant construction throughout. The addition of lead is limited to 20 pounds at the center of the boat. If more lead is to be added, it is added to the ends. This is one more way to keep the old boats competitive with the new.

As a new Lightning comes ready to be sailed, "batteries included", older boats may require a little modification, such as control lines leading to each side of the boat. Here's a list of things to consider whether you've just purchased a new or used boat, or you're just getting ready to start a new sailing season.

1. Look at your Measurement Certificate (copies are available from the I.L.C.A. office for \$5.00). Who made the boat and when?
2. What mast is described on the Certificate? Is it the same as you have now (check for the royalty sticker)?

Make a record of all mast measurements — spar and stays. This will help you know where you're starting in your search for good boat "tune". Make sure all aspects of the mast are in good working order. Wrap a small piece of electrical tape 3 inches in from the tip of the spreader. This is to help your jib trimmer. If you expect to sail a lot of windward/leeward courses, consider a masthead fly. And of course, check for the electrical wires before putting up your mast.

3. In looking over the hull, check your flotation. Are airtanks well sealed? Measure where your chainplates (where the side stays attach to the hull) are positioned fore and aft? Not all Lightnings are the same on this dimension. When you use your sail-measurers tuning guide, know how your boat compares to others!

4. The centerboard pin is 5/8" in diameter and it is technically the starting point for all hull measurements. Check to see if it needs fresh caulk (not all boats require caulk).
5. Let's check the helm. The newer tube tillers and advanced rudder construction have significantly cut down this type of equipment failure. Gudgeons and pintles still come loose. Crawl under the back deck (oops, have someone stand on the front of the trailer) and check those nuts. Throw the rudder on while you're at it. Is it 1/2" or less from the transom/skeg? Is it mounted properly? Many are not aligned with the skeg.
6. Use your sailmakers tuning guide to set up your rig (if you don't have one, contact the folks who advertise in this book). Make sure the mast is centered — you'll need a 50 foot tape hoisted by the main halyard drawn down to the chines (the level lower edge of the hull) to check. If you go faster on one tack than the other, an off-center mast can be the culprit.

Many sailors tape their turnbuckles and their cotter pins (in such a way as to minimize the amount of gooey adhesive that actually sticks to your rigging). Where is the aft end of the mast butt located? The Class rules set the maximum distance from it to the front of the centerboard pin at 21 7/16". Most of us are within an inch of that maximum.

7. Those wooden or rubber blocks are supposed to keep your mast in place, both fore and aft and side to side. You may want to place a piece of shock cord over this as a restraining device. These are easy to lose in a capsized (Russian trawlers have picked them up hundreds of miles offshore.).
8. If you have an older boat consider the boomvang. Great advances have been made in recent years employing levers and double-sided controls. Going downwind in a big breeze the vang is your "panic button" since it's the quickest way to dump your mainsail. Make sure it's accessible to someone who can release it in a split second.
9. An often overlooked control is the centerboard preventer. Its purpose is to keep the board from retracting into the boat in the event of a capsize. It's hard to right a Lightning without the leverage provided by the centerboard. The unprevented board can also lead to the dreaded "turtle".  
The simplest design features a line from the top of the board to a cleat at the aft end of the centerboard box. Newer designs allow one to reach through the transom flaps to apply the preventer.

# Time To Go Sailing!

By Vernal Equinox

1. If it's windy, try using double leads on your jib. To do this, tie two small blocks at the clew of your jib. You'll need longer jib sheets. Tie one end off on or near the jib fairlead, loop it out to the block and then back through your fairlead and cleat. Your Barber hauler may need a large block or plastic ring to remain effective. The double leads take a little getting used to; but not only is it easier to pull in the jib, it becomes easier to get the sheet out of the cleat.
2. Your spinnaker can be rigged before you sail. Make sure the sheets are led properly (not under a hiking strap). Find the head of the sail, hold it with one hand and run down the tapes with the other hand to make sure the chute is not tangled. If you do find a twist, it's often easier to untie or unclip the offending corner, run the tape again and then reattach. This is worth some practice, as sometimes the procedure must be accomplished quickly.
3. While you're at it, make sure the hiking straps are well tied and that the lines are not wearing thin. Most of us have taken an unexpected swim because we didn't check our straps.
4. If you dry sail your boat, remember to watch for high wires as you wheel it around. Check your lifting bridle. Use the hooks with the open part facing out. Make sure the after section of the bridle is not under the main sheet pedestal. Check it again. Most lifting bridles work best if the boat tilts forward slightly. This keeps the mast away from the hoist. Be careful when hauling out though, if your boat is full of water, it can cause instability.

If you launch off a trailer, be careful not to strain your

back. Make sure your trailer's axle bearings are packed and sealed. Water gets in eventually, so go for the grease at least once a year.

5. Most racers are required to have the following equipment on board:

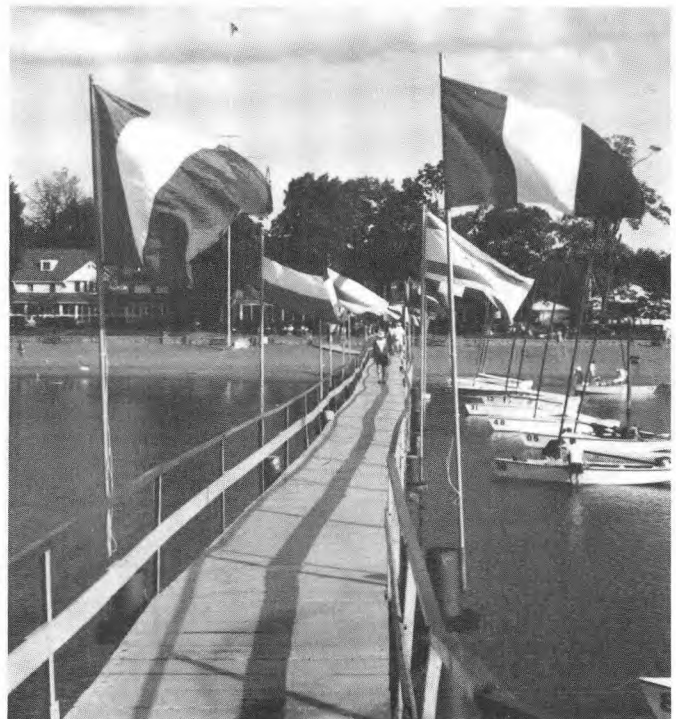

A compass  
centerboard preventer  
anchor and 50 - 100 feet of line  
extra flotation device  
one-gallon (or larger) bucket  
a whistle  
and a paddle

Other good ideas include an extra paddle, water (assuming you can't drink what you sail in), tools, and a simple first-aid kit. If you're out cruising, a flashlight and/or flares might be advisable. If you're racing, get a copy of the sailing instructions, a rule book and a protest flag. That tool kit can include a screwdriver, 2 pliers (at least one of which should be of the vise-grip variety), good tape, sail repair tape, extra shackles and cotter pins/rings and some extra line.

6. Here's an idea on how to learn about sailing your boat in tight spots; whether those tight spots occur on the race course or approaching the dock or beach: Go out on a light day with flat water when no one else is around and remove your rudder. First learn to sail in a straight line, then how to change course and how to stop.
7. When in doubt, ask questions. Another reason we like the Lightning Class is there are so many good people who will try to give you an answer.

# Upwind Boat Speed

By Matt Fisher

This article is about what I think are critical factors for making a Lightning go fast upwind. This is not tuning or tactics, but more a list of things that I think are important. One minor disclaimer is that I don't profess to be any type of sailmaker who knows what exactly makes a boat point, or maybe even exactly what effect prebend has in light air vs. medium air and those type of things. Ched, Brad, my brother Greg, Larry and a host of others know more about the sail and mast aerodynamics than I'll ever dream about.

## Tune

Our boat is set up exactly to our sail's tuning guide. The only thing we might do differently is have a tighter jib halyard tension in a breeze. It is important to have the uppers at 250 lbs., since you need all you can get, if you prebend. We don't change any of the standing rigging (shroud tension) for different velocities of wind. Changes necessary for different velocities can be taken care of with the jib halyard — which I will discuss later.

Something that may qualify as tune is the traveler adjustment. I am relatively fanatical about keeping the boom in the middle until the boat is overpowered. The only way this truly can be done is to have the ability to pull the traveler to weather — I don't think the up and down adjustment cuts it. Most boats are rigged so that the traveler centers to the point where I will ask whoever is in the boat if the boom is lined up over the tiller. The rig will cost only about \$14 in blocks. It is a pain in the neck in light air tacking. But I think it is worth it.

## Boat Balance

Keeping the boat balanced and trimmed the way the tuning guide says is the way to achieve good boat speed. Sailing with no changes in heel, with the sails trimmed perfectly will result in no other boat being faster than yours. Boat balance sounds easy but it seems like a part of boat-speed that we take for granted. Everyone talks about keeping their boat flat, but the best heel is not perfectly flat. Even that little bit of heel that Lightnings seem to like (5-8) needs to be perfected. But, on average, it seems that many people talk flat but actually keep a little too much heel in the boat; it feels good but it's slow. The key is doing everything possible inside the boat with crew position and trim to keep the boat balanced perfectly.

## Teamwork

I usually like to save the best for last in articles, but I can't for this one. If you think about the times when there seems to be the biggest difference in boat speed, it is in conditions where there are big changes in velocity, or lots of waves, or the extremes (light or heavy air). It is critical for all three people to work well together in the boat on all parts of the course. Everyone goes out and practices jibes, sets, tacks and drops. It is just as important to practice sailing upwind in a straight line so that all three people are contributing to the boat balance. Who calls puffs, who moves out first, who moves in first, quick hikes, calls a drop in velocity, are all reactions to changes in conditions that need duties assigned to them just like raising and lowering a spinnaker. This past year our boat spent about 10 hours going side by side upwind with Dave Starck in non-race setting, and about

fifteen hours doing the same with my father on our home lake. We probably spent twice that in races last year against these same two boats. These are two of the fastest boats upwind in the U.S. and every minute required total concentration and race-like effort. The time was invaluable. Whenever you can put your team in an upwind race setting but without the requirement to think about anything but boat-speed, do it.

## Puffs

Handling changes in conditions are a two-part process; anticipating the change — calling the puff or calling a wave or series of waves and then making the proper adjustments for the change. When steering, I don't look for puffs on the water; both of the other members of the team do. I watch for short term waves, but the calling of puffs is the responsibility of the people in the front of our boat. We like the puffs to be counted down. With a little practice most people can get very accurate. Trying to count down is better than saying "here comes a puff". Whoever is calling also tries to estimate velocity so that everyone else will know if major crew position moves will be made. Twenty-thirty times each weather leg, someone says "puff in 10; small one — 5, 2, 1 here it is." This works on any change; waves or lulls, whatever.

Once the puff arrives proper adjustments should be made. Every sailmaker's tuning guide has charts for where all the adjustments should be for each condition. This is one of the best improvements tuning guides have made in recent years, and it is critical to re-adjust your trim for every change of velocity up or down. This necessity for quick change seems to be taken lightly. The sail designs over the last ten years (maybe five) have featured more of a "straight run" from the middle of the sail to the leech. It looks like the leech is more open but I think it also makes the trim from the clew much more critical because the sheet (for both main and jib) has a bigger impact on the entire sail. I've been blessed with three outstanding jib trimmers in the past four years, Rob Ruhlman, Steve Callison and Joe Starck, and their jib is rarely in the cleat in medium and light air. The moral of this section is to adjust your boat for even the smallest of changes in conditions. One of my mentors I used to crew with used to say: "it's either wrong now or it was wrong before", after every puff with no adjustment.

On the steerer's side of puffs, it is equally as critical to do your job. If it appears that the crew's weight will not keep the boat balanced in a puff, and the conditions are such that the boat will heel over without some type of adjustment, it doesn't hurt at all to spill the main temporarily. It is more important to keep the boat balanced than to let the boat heel.

While we are on puffs, whether the puff lasts for five seconds or three hours, hiking out consistently is probably the best "trim" or boat balance advice you can get. As long as your equipment and sails are current, it is the biggest variable left in conditions that require hiking. We are lucky that hiking is the most physical part of our sport, because it really is not that hard to get in good hiking shape, compared to some other conditioning that you have to do for other sports.

## Waves

Sailing a Lightning upwind when the waves are higher than the wind proportionally in velocity is a challenge. The hard chine and relatively flat bottom make maintaining boatspeed tough when the boat hits the wave wrong. Steering the boat is a continual mix of slightly pointing in the flat spots and slightly driving before a series of waves. The emphasis here is on "slightly". I think that big variations in either steering or trim are uncalled for except for those waves where the mast wants to go through the bottom of the boat (everyone experiences this). Waves would be easy if all you had to do was close reach around the course. The trick is pointing and still keeping the boat going fast. Several years ago it seems like we had trouble pointing; we corrected it by making a few key changes. A lot of times in waves people seem to think they go best by heeling the boat and keeping the weight forward. We started going fairly well in waves when we started doing the opposite of both of these. When the boat heels in waves it wants to slide sideways; your angle might seem OK but you will lose distance to leeward.

I've had the toughest time trying to tell people to keep their weight in the normal position in medium to light air with waves, and even back about 6-10 inches when the wind is over 10 knots. You want the bow of the boat to be "happy" and pat the water instead of slam into each wave. I am not suggesting that you move back so far that you hear gurgles off your transom, I just mean that there is a tendency to slide too far forward because it sounds and feels good; moving back seems to help keep the boat from "greyhounding", where the bow hobbles up and down without making a lot of forward progress.

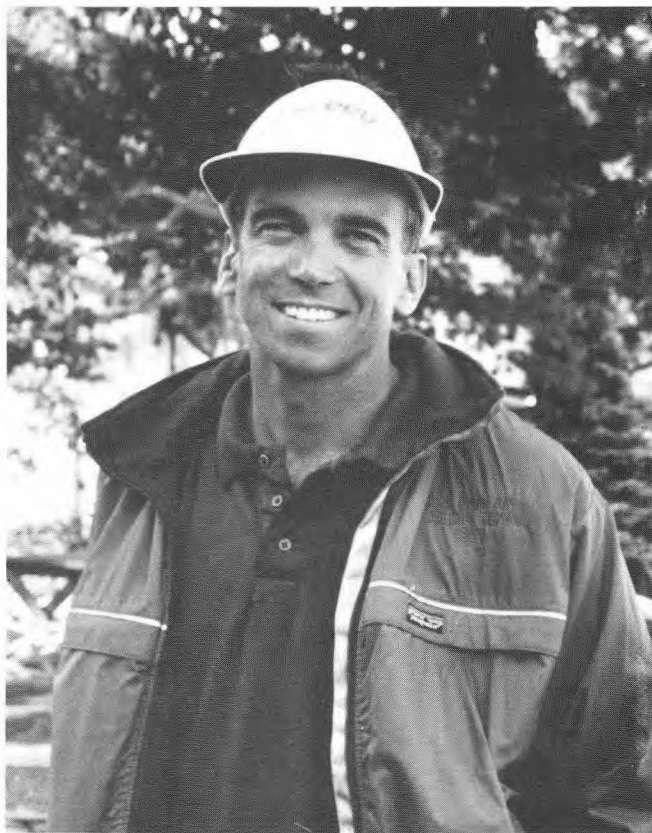

As far as any adjustments you make in steering, there should really not be drastic steering changes when you go from flat water to conditions where there are a lot of waves. You have to be aware whether or not you are tracking through the water or not. If you are not moving because a series of waves just slowed you down, do something. Ease the main and the jib, let the backstay off and get the boat moving. As soon as you are back up to speed, put the boat back in trim. I'd like to say that there is some secret and that you should sail all over the course to dodge waves but you shouldn't.

That thought in mind transitions to two other ideas. First, I used to move the tiller all over the place thinking that I was keeping the boat on the wind or dodging waves. I think those of us who sailed Lasers could get away with murder oversteering because the Laser rudder is so small. The Lightning rudder isn't so small. Over the last five years I've made a very conscious effort to slow down my steering. This is a habit that is very hard to get over and I probably was as bad as you can get. But now, whenever I feel like we are really going fast it seems like I am not moving the tiller at all.

Second, along the idea of accelerating after a bad wave or tack, one of the best things you can practice with your team is accelerating from a stop or going from a reach to a beat. The person on the jib and the helmsperson have to trim the sails to "follow" the direction of the boat. Once you practice this, it helps at starts, tacks, leeward marks, bad waves, ducking a starboard tackler, whatever.

## Light Air Balance

Upwind light air boatspeed is sometimes significantly more complicated than any other conditions. This is probably because of the bigger percentage differences between

going slow and going fast; if you miss a wave or overtrim or undertrim you will go slow because light air is very forgiving. If you ever notice, when great sailors from other classes "hop" into the Lightning, they have the toughest time in light air. Similar to waves after a lot of time in the boat, you need to know when you are moving well and when you are not. If you're not, make a change in your trim. This goes for any condition, but I really got a lot of help in light air by sailing with someone else (my brother) and getting an idea how they sail the boat. The tuning guides are accurate but you really need to know what you are doing then. Tune-wise, in light air make sure you have the proper amount of pre-bend for the sail's tuning guide that you use. It seems that it is difficult to really set up accurate or consistent prebend from mast to mast and from boat to boat. Prebend is actually what I consider the most important "trim" or tune in light air and sometimes you can spot from a distance that another boat doesn't have prebend. Prebend allows you to point because it flattens the lower section of the main, thereby opening up the slot between the jib and main. With the boom in the middle, and your lower main flat and your upper main trimmed for the conditions, pointing is under control. I think you get most of your good pointing out of the leech of the main. What's left is keeping the boat moving. I steer with the tell-tales both nearly flowing straight back. That's what I mean by good pointing. Long term pointing will be better by trimming the main, jib and mast for pointing; short term pointing, where you steer up until the weather tell-tale on the jib is totally stalled with only cause

you problems when you hit a wave or have a drop in velocity.

### Other Trim Ideas

#### *Backstay*

We never use the backstay other than to depower over 13-15 knots or just to keep the jib/forestay from flopping around. I think a lot of serious things start happening to your jib when you put on backstay and I don't know that I have figured them all out. Also, until 15 knots, I don't think you can afford to lose any more power from the main.

#### *Outhaul*

The outhaul is probably one of the most under utilized and most effective adjustment on the boat. We've all got caught up in drumming it on tight if it's blowing over two knots and then giving it another tug over 18. I try to adjust for more or less power depending on the conditions. It has a big impact on the lower leech.

#### *Cunningham*

When in doubt have more wrinkles rather than less. Since we don't use the backstay that much, we probably adjust the Cunningham less than the mainsheet, vang or traveler in a breeze.

#### *Vang*

In a breeze, we vang very hard upwind and then play the main. If you don't have the vang on and you dump the main in a puff you will actually get more overpowered rather than

less. You really are not "vang sheeting" because the backstay is keeping the draft back. If you have had trouble upwind in a breeze, try putting a lot of vang on and see how it stabilizes the boat.

#### *Jib Halyard*

The jib halyard is one of the most critical adjustments on the boat and believe it or not, it is probably the first thing I check if we are going slow. I think that it has a major impact on three things: the jib wire tension, the mast bend and the sideways bend. It affects sideways bend because if you let it off, you are allowing the mast to prebend more and relaxing the tension that your lowers have on the mast, which result in keeping the mast straight side to side or with a slight (slight) weather hook. When it is blowing over 15 knots and you start pulling tighter on the jib halyard, you are also tightening up on the lowers, thereby straightening out the mast down low, and giving it a slight falloff to leeward side to side. When it is really blowing we pull the jib halyard very hard so that we get 1) an extremely tight forestay when we pull on the backstay and 2) all of our bend up high, which is where you want to depower.

In medium air, it takes practice to see where you want the jib halyard. Don't underestimate the tuning guide's accuracy and make sure you are confident of the adjustment. Those are just some ideas I have on boatspeed. Nothing can replace time in the boat.

## LAYLINE & LIGHTNINGS

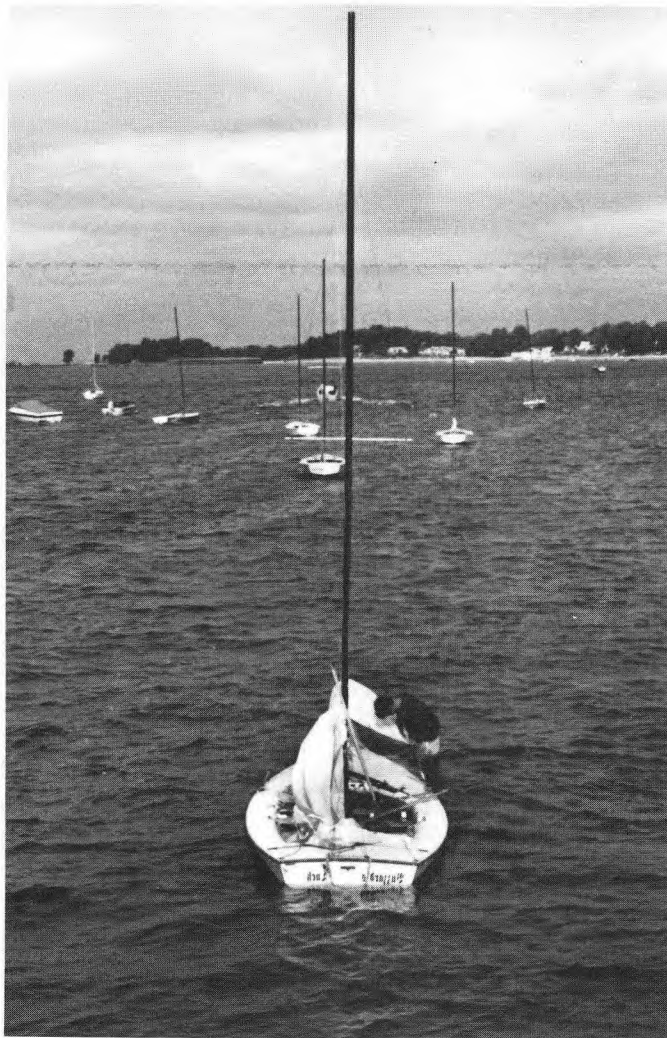

Thanks for the support in 1992. We have a new catalog for 1993 with many products for Lightnings. Call us if you don't have one.

- Tapered Spectra Spinnaker Sheets
- Hiking Straps
- Small 5/32" Spectra Line
- Holt Allen Replacement Parts
- New Small Harken Cleats
- Compasses, Gloves, Hiking Pants & Boots

# When the Going Gets Light ...

By Greg Fisher

Light-air racing presents more than its share of frustrating moments, but it also provides more than the usual number of chances to get ahead of the fleet. A well-sailed boat can develop a great speed advantage; at times it can go literally twice as fast as its competitors — so it is not unusual to see the largest race-winning leads developed in the lightest of conditions. With good preparation and the ability to make your boat go fast in the smallest of zephyrs, you can put yourself in a position to take advantage of the abundant opportunities on a light-air race course.

Before you head out to the course, clean the bottom thoroughly and remove any extra gear from the boat. If you are confident that the entire race will be sailed in light air, it may be a good idea to drop some of the purchases out of the various block and tackle in your boat (especially the main and jibsheets) to make sail trim a little easier. Kevlar has made small diameter sheets practical (and a real advantage). Boats the size of Lightnings can use sheets as small as 1/4" in conditions; just be sure you have your gloves along!

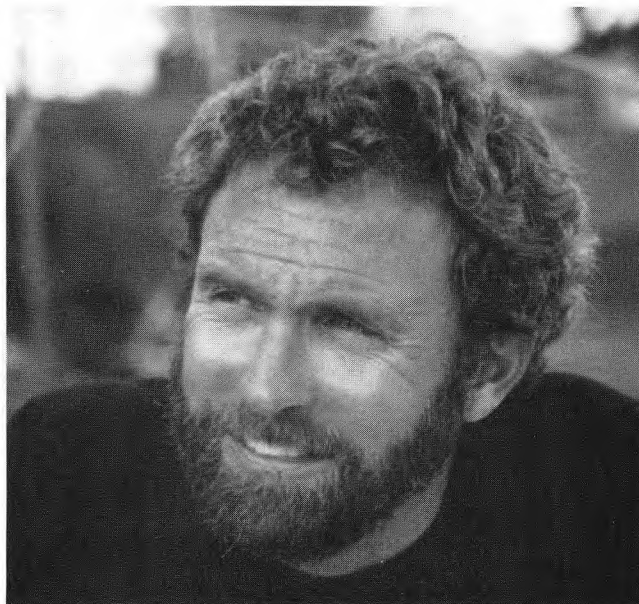

## Upwind Sail Trim

Good telltales are essential for light-air competition, because you must know the exact direction of the wind at all times. Although many people use cassette recording tape, I've found that it flutters too much. Instead, unravel standard wool yarn and pull out the smallest diameter strands. For tell-tales on the sails, but be sure to use real wool; synthetic yarn will frequently stick to sailcloth due to static electricity. When low wind velocities won't actually lift a piece of yarn, smokers have an advantage. For those who don't smoke, incense sticks are a great alternative as they can be taped on the shrouds and burn very slowly.

Even though the wind is moving much more slowly across the sails in light winds, sail trim is still very important for consistent boatspeed. The boat is always aching for more power and acceleration, so sail-trim guides are much different than in other conditions.

While one might think that a very full sail would be necessary to give the boat the power it needs, in most cases a flatter sail will perform better. The simple theory is that a full, baggy sail requires more "wind bending"; that is, the wind has to curve around the sail more, which gives the airflow more of a chance to break up and become turbulent. A flatter shape allows the airflow to remain attached — so leave the outhaul fairly tight to help keep the lower section of the main flatter and the leech more open. Pre-bend in the mast can help flatten out the entry of the main. Another way to do this is to ease the Cunningham, allowing the draft to move aft slightly. In most conditions the main is trimmed so the upper batten is parallel to the boom when sighted from underneath. In light winds this is virtually impossible, due to the weight of the boom hanging on the leech of the main. It is not unusual for the main leech to hook badly, sometimes as much as 10 to 20 degrees to weather of the foot. Although this looks bad, it is frequently beneficial to have the mainsail shape a bit rounder in the after sections. This will induce slight weather helm, and help get optimum pointing capability.

At no time should the leech of the main be angled farther to weather than parallel to the centerline of the boat. In

drifting conditions, the technique of trimming the upper batten parallel to the boom is dropped, and *the upper batten is set parallel to the centerline*. In many cases, especially in boats where the boom is fairly high in the air, the boom is sheeted as much as two and a half feet to leeward of the centerline. In the Lightning, the boom would wind up 18" to leeward of centerline. It is important to realize that as soon as the wind picks up, the trim must be switched back to having the upper batten parallel to the boom.

The traveler goes through a similar transition: The traveler is sometimes pulled all the way to weather in super-light conditions so that the slightest puff will allow the boom to lift easily, but as the breeze picks up, drop the traveler down again so the boom stays at or below the centerline while you are trimming the upper batten parallel to the boom. It has rarely been found to be fast in any condition to have the mainsail plan trimmed to weather of the centerline.

Another important area of concern for light-air sail trim is the slot. There isn't anything slower in light air than having backwind at the luff of the main. With the main angled far off the centerline, the slot is in danger of being closed off. To avoid this, flatten the mainsail to pull the cloth out of the slot; this lets you ease the main until the upper batten is parallel to the centerline without backwind.

On the other side of the slot, the leech/exit of the jib must not only be open, but also fairly flat. Sometimes it is helpful to move the the jib lead aft near the heavy-air setting to open the leech and flatten the lower sections. In extremely light air, the weight of the sheets alone will hook the leech into the slot. Have a crew member hold the jib clew up to keep the leech open. On most one-designs and on boats with tall, narrow jibs, it is not necessary to move the jib leads outboard unless there is a great deal of chop and the boat has to be sailed on a close reach just to keep it moving.

The jib should become increasingly full in its forward sections. If you are sailing a one-design that uses the same jib in 0 to 30 knots of breeze, light air is the condition where the jib should be set up with the greatest amount of luff sag. A

full entry is more powerful, and also helps widen out the “groove” so the boat is less critical to steer. It also allows the sail to tolerate abrupt changes in wind speed and angle without stalling. Go easy on cloth tension to keep the entry smooth as well; excess tension in the luff will make the entry too round, which produces a “knuckle” at the luff that disrupts the airflow.

Think of the jib and main not as two independent sails, but as a “combined foil.” Looking down from above at proper light-air sail trim, one would see a two-part foil that is fairly round and powerful in the front as well as the back. The middle sections should be flatter to keep flow attached. Imagine a jet at take-off or landing, with flaps down in front and back. As the jet picks up speed, the flaps are not required and are retracted.

### Downwind Sail Trim

Off the wind the mainsail doesn’t require as much flow across it as it does upwind, so a full shape, as mentioned earlier, will make it more forgiving. It is not necessary to have the outhaul pulled as tight, and mast bend should be eliminated. The jib should be set so that it looks like it does upwind. The crew should hold the clew outboard and up so that the leech is open and the jib not too full. The main should, again, have a round leech. Try to maximize the sag in the luff of the jib to make the entry more powerful, and keep both the cloth tension on the jib and the main Cunningham eased.

Although it would normally seem that a spinnaker would be a huge advantage whenever sailing downwind, the opposite is often true in light air. At any point of sail when the spinnaker should be developing flow across it (as in reaching), its full (and drooping) shape will actually slow the boat down. Instead, a tall, narrow, flatter jib can be a better alternative. It is not unusual for bigger boats to fly only a tall, lightweight staysail in drifting conditions. An exception to this would be sailing dead downwind; there is no flow across the spinnaker, and the more area that can be projected, the better. A spinnaker, even if it is just drooping, should help the boat go a little quicker on a dead run.

Adjust the pole height so that the two ends are even at all times. I like to have the pole-lift control placed alongside the guy cleat at the shroud so the crew can adjust both constantly. Always keep the spinnaker sheet well eased, since an overtrimmed spinnaker will choke the slot. As with the jib/main slot, the slot between the spinnaker and the main must be kept free when reaching, especially since the spinnaker is so big and overlaps a large area of the mainsail. When sailing broader angles, pull the spinnaker around to weather as far as possible (keeping the pole perpendicular to the wind).

### Light-Air Boathandling

Good teamwork is just as important as sail trim. Since the boat moves slowly in light air, any crew movement—particularly during maneuvers—must be made slowly to retain the precious attached flow across the sails. Be sure the speed in which these maneuvers are executed is much slower in light air. *Keep in mind that the rules on kinetics are quite clear; the speed after the tack cannot be greater than the speed before.*

Boat heel becomes critical in steering the boat upwind in light air conditions. When you need to head the boat up, simply heel the boat to leeward, and when you want to bear off, flatten it out. If a puff gets to you, allow the boat to heel

slightly so that weather helm will increase. This lets the boat slide up closer to the wind without using any rudder. When you get as high as you want to be, hike the boat flat (gently!) to accelerate. If the boat is small enough so that one person can make all the changes in heel, allow the skipper to do so. He can feel the puffs and the load on the helm much more quickly than the crew, and can therefore react more smoothly. Keep the crew inside the cockpit whenever possible to reduce windage and keep the slot clear. Sail the boat on its lines with all weight concentrated in the middle of the boat, but heeled to get the proper weather helm.

Steering the boat downwind by means of heel is just as important. When trying to work to leeward, don’t be afraid of heeling the boat well to windward to induce a little leeward helm. This will help the boat slide to leeward without using the rudder. If there is enough wind to use the rudder to steer the boat, use it sparingly. Any time the rudder is turned, especially in light air, it acts like a brake.

When sailing in light air, the greatest differences in boat-speed occur upwind. Many people think that because they are sailing in flat water, they can point very close to the wind. However, until the wind reaches a certain velocity, the boat will not move fast enough for the blades to develop lift. Although it may seem that your angle to the wind is higher, if the blades are stalled, the boat will simply slip sideways. Also, if the boat is sailed too close to the wind, the apparent wind moves farther forward and the boat stops. Instead, foot the boat off to keep it moving through the water and take advantage of the increased apparent wind from the added speed. Even though it may seem that you are giving up distance to weather on the boats that are pointing higher, the speed that you gain through the water will put you ahead. How far to bear off depends on the individual boat, but a basic rule of thumb is to bear off from your normal closehailed course more than you think you should, and then add another five degrees.

### Tactical Considerations

Just as sail trim and boathandling are treated differently in light air, so are racing tactics. If you have good boatspeed, standard tactical situations should be approached aggressively in most conditions, but light-air tactics demand more conservatism and greater anticipation.

At the start, timing becomes critical. It is absolutely necessary for the boat to be moving at top speed at the gun. It takes time to accelerate to maximum speed, but once up to speed, it is actually possible to sail through the lee of a slow-moving windward boat and squirt well out in front. No matter what kind of boat, the approach to the start must be made in such a way that you maintain maximum speed. The final approach should be made on a clear, unobstructed path of adequate distance for the time remaining to build up the speed. The main priority for a light-air start is top speed, even at the expense of starting away from the favored end of the line. Depending on the degree of the advantage on the line, many times it is better to start at the unfavored end of the line simply to avoid traffic and to provide a clear runway to the final approach.

Top speed is still the priority after the gun, but to keep the speed up you must have clear air. Avoid tacking into a safe leeward position unless it is absolutely necessary, such as on the final layline to the weather mark. Not only is there danger of being rolled by the windward boat after the tack is completed, but you automatically forfeit the option of tack-

ing. Being controlled by another boat severely limits your options. In many instances, you can actually gain distance when you dip a starboard tack because of the speed you generate when bearing off. On the other tack, don't be afraid to wave an approaching port tacker across if it looks like they might tack on your leebow to avoid you.

Because of the importance of clear air and top speed in light winds, avoid the middle of the course and the dirty air that boats to weather and ahead may provide. Look up the course and search for new wind, and predict which side of the course it will be on.

If a new wind comes in with more velocity, always sail to it as soon as possible, even if this requires sailing a headed tack to get to it. Since maximum boatspeed is extremely important, always aim to get in the position to increase speed through the water. Obviously, a massive shift would be an exception to this rule if the shift were to last a substantial length of time.

### Tacking Angles

As soon as the breeze builds and the boat picks up speed, it should point closer to the wind. Remember that changes in tacking angles are not related to windshifts (unless the velocity changes are accompanied by a windshift), but are a result of the boat becoming more weatherly in an increased breeze. The crew reading the compass should be aware of the effect of the velocity on the tacking angles as well as the change in the compass readings. If you sail into a lull, the boat will want to bear off 10 degrees in what will appear to be a header to the compass reader. Since the change in angle will make the leeward boat look better, it may be tempting to tack and take advantage of the "header". After the tack, though, it quickly becomes obvious that the new tack is

headed just as much as the old one. Sometimes the velocity will drop so quickly that the sails may actually begin to luff due to the apparent wind swinging so far forward. In this unusual condition, it may be necessary just to wait for the boat to slow down to match the hull speed with the wind velocity. Don't be fooled by the luffing sails that you have sailed into a massive header, hang on for at least a few seconds to make sure that it is truly a header and not just a huge drop in velocity.

On the other hand, remember that an increase in velocity will show as a lift because the boat's blades will gain efficiency as the speed picks up. On our boats we divide the responsibilities upwind so that one crew concentrates on the compass to pick out major shifts, while the other crew reminds him of the puffs and lulls.

Although excellent boatspeed in light air surely helps, the key ingredient is the team's mental attitude. Without confidence and the desire to be racing hard, there can be huge lapses in concentration. Since boatspeed is so low and tactics are accomplished slowly, every move must be anticipated. The crew's eyes should be all over the course, looking for changes in wind velocity and direction. Other boats should be watched for changes in angle which could also predict possible windshifts. Sometimes, when a shift or velocity change is missed (and not by other competitors, of course), you must work even harder to minimize losses.

Don't just let light-air races happen; be smooth, but be aggressive. Take advantage of other competitors' poor attitudes in these difficult conditions! An excellent attitude and practiced teamwork will lead you toward regatta-winning finishes.

# Bring on the Breeze

By Greg Fisher

*Reprinted with permission from Sailing World Magazine.*

Sailboat racing has often been called a game of psychology, a game that the most confident and determined players will win. This is especially true in stronger winds, where a racer too timid to make the right move has no chance of winning, and will have a better chance of capsizing. Any sailor who has prepared himself and his equipment properly, and has practiced enough to be confident, has as good a chance as anyone else on the race course. "Good psych" is the ability to concentrate on the race and the conditions without being intimidated by them.

Often it is difficult to get your crew together to practice in heavy air, but as strange as it may seem, the skipper can learn a lot of sailing alone in a medium breeze. Practice without the jib, and sail through a series of tacks concentrating on foot placement so your feet hit the hiking straps properly after each tack. Once the skipper is comfortable, practicing with the crew will be more productive.

Set up a short windward-leeward practice course (200 yards long) and practice a series of tacks and jibes. Set goals for the team; perhaps five tacks and three jibes, and then increase the number of maneuvers as the team gets better. Keep the practice fun to promote the team spirit and camaraderie. Finally, it wouldn't hurt to capsize your boat (if it's self-rescuing!) to practice righting it quickly.

## Pre-Race Preparation

Preparation for heavy-air sailing comes in two areas: physical endurance, and the condition of the equipment on the boat. Stay in shape with some sort of exercise program, concentrating on your upper legs and arms. You certainly don't need to be Charles Atlas, but being exhausted during a race can lead to lapses in concentration. Being comfortable while hiking helps you keep your mind on the race, so adjust your hiking straps accordingly. Your knees and lower back should form two nearly 90-degree turns, so you are literally hanging in the straps. Try to have them adjustable, so they can be changed as your body tires in one position.

It seems that for every hour of heavy-air racing the same amount of time needs to be spent on boat preparation. Check over all the important rigging that could fail and keep you from finishing the race. On our boat, we have a basic routine that we do before the start of every windy race. Each crew member knows the different fittings and areas of the boat that he is responsible for and checks them over thoroughly to be sure there won't be any failures. Too many races are lost because of equipment failures that could have been easily remedied before the race even started.

## Upwind Sail Trim

In a big breeze the sails should be set as flat as possible, but not "flat as a board". A very flat sail robs the boat of the necessary power to accelerate through waves and puffs. More importantly, sails that are too flat make it difficult to balance the boat properly.

Since the jib is the leading edge of the sailplan, its shape affects the steering properties of the boat. Interestingly, the desired cross-sectional shape for the jib in heavy air is similar to the best light-air jib shape, although not quite as deep. The powerful entry and flat exit shape of the light-air jib

works well in the breeze too. Since the boat is always being steered up, down, and around waves, and in and out of puffs, the forgiving shape of the full entry is important. It allows the sail to tolerate abrupt changes in wind speed and angle without stalling. A flat exit (open leech) depowers the jib, and is an "exhaust pipe" that reduces the backwind on the mainsail as the wind blows out of the back of the jib and into the entry of the main.

Luff sag determines the fullness of the jib's entry. In light air, luff sag is induced to make the jib full. Because of the added load on the jib and forestay in heavier winds, it is virtually impossible, except in some high-performance boats, to completely eliminate luff sag — but there are other methods to flatten the jib.

Because of the increased loads on the sails as the wind builds, the draft, or deeper part of the sail, will want to move aft. Tension your halyard or jib cloth just enough to remove the wrinkles along the luff. In light air, err towards a looser setting on the luff, but in extremely heavy breezes, you should almost overtension the luff of the jib to hold the draft forward.

In light and medium conditions the jib lead should be positioned so the jib luff will break evenly from top to bottom for maximum power. In heavier air, move the jib lead aft so the luff will break at the top earlier. The lead-aft position develops a flat chord-depth shape. How far aft to move the lead depends on the wind strength and the design of the jib. Generally, set your heaviest-wind position so that the top telltale (nearly a quarter of the way down the luff from the head) will be just stalled (angled straight up or jib just breaking) when the lower telltale is streaming straight aft as the boat is slowly luffed into the wind. On most Lightnings and most jibs, a lead position of 100" to 101" is about right for proper heavy air trim.

In most cases it is best to leave the leads positioned in their standard "all around" athwartship position since the jib is already very flat in its bottom sections. The only exception would be when there is a great deal of chop and the boat's pointing capabilities are greatly reduced. In these conditions, it is helpful to move the leads outboard one to two inches. Don't trim the jib too tight in heavy air. Since the jib lead is moved aft, the top of the jib will be more open, or twisted, so overtrimming will close off the open leech and backwind the mainsail. For the Lightning — this will position the top batten nearly at the end of the spreader. Once set properly, the jib needs very little adjustment upwind in heavy air. Keep it in one position, and adjust the main for proper helm, balance and heel. The crew should never drop the jib sheet; a sudden gust or violent windshift and even a steering error could make it necessary to uncleat the jib quickly.

Mainsail trim has a big effect on the boat's power, heeling, helm balance, and pointing ability. Therefore, the skipper should be able to adjust the mainsheet or traveler quickly and easily from the hiked position.

The main cunningham is trimmed just like the cloth tension on the jib. Set the luff tension on the main to just barely remove the wrinkles, and be careful not to undertrim the cunningham. A loose cunningham allows the draft to move back in the main, which will tighten up the leech and

increase the weather helm and heeling. Like the jib, the leech area of the mainsail should be open at the top, and flat at the bottom.

The outhaul is perhaps the simplest adjustment on the boat. In heavy winds, pull it tight. If there is a question, pull it tighter. The lower quarter of the main, especially at the leech, should be as flat as possible in windy conditions.

On many boats the vang should be set very tight when sailing upwind to help induce lower mast bend, and to keep the boom from rising up in the air when the main is eased. How much vang is necessary depends on how much mast bend you need to flatten out the sail. It is possible to overbend the mast and overflatten the main, which will rob it of the valuable power you need. Stop bending the mast when you see diagonal overbend wrinkles in the lower quarter of the main (see photo). This means that the main is as flat as it will get, and the mast should not be bent further. The same guides apply on boats with adjustable backstays.

The traveler is used to ease the mainsail off the centerline to decrease heeling and balance the helm. Good teamwork is helpful in playing the traveler. If the crew can call the puffs before they hit, the skipper can begin easing the traveler ahead of time so the helm is neutral when the puff arrives, and the boat can accelerate easily.

### Upwind Boathandling

When steering upwind in heavy air, remember not to oversteer. Since the boat is going very fast, it takes less rudder to turn the boat, so you don't have to move the tiller very much.

In wavy conditions, make sure the boat is sailing through the waves with the least resistance. Steer higher when sailing up the face of the wave, and when on top, turn and steer lower down the backside of the wave. Careful adjustment of the mainsheet through the wave pattern will help the boat headup and bear off smoothly. Trim the main tighter when heading up the wave, and ease it out when you bear off at the top of the wave.

In flat water, use the main to help work the boat closer to the wind. In a puff, try trimming the main in tighter, and pinch the boat, instead of easing the main out. This can gain some distance to weather; and works well when you are trying to make a mark or pinch off a competitor. When you do this, it is not unusual for nearly half the jib to be broken as the main does all the driving. Make sure to work up plenty of boatspeed before trying this.

Believe it or not, a roll tack will bring the boat through the wind the fastest and with the least loss of speed and the greatest safety. With the skipper and the crew hiking out to windward, the skipper slowly heads the boat up into the wind as he trims the mainsail tighter. When the jib breaks (and not before), the crew should release the jib sheet. At this moment the crew should begin to change sides. Once the sails begin to break, the skipper should increase the rate of turn. As the boat turns through the eye of the wind, the skipper and crew seat themselves quickly on the new windward side. As the jib starts coming in, the skipper eases the main (the amount depends on the amount of wind). It is not unusual to ease the main two to three feet in breezes over 18 knots. This mainsheet ease is not only important to keep the boat from becoming too overpowered after the sails fill, but also to help the boat bear off to its new course. If the main remains trimmed, the boat will try to round back up into the wind.

### Downwind Sail Trim

Although large upwind speed differences can produce big gains, on a planing reach in a real blow you can make even greater gains. Speed is not the real key for excellent downwind performance: It's not always how fast you go, but how well you can keep your boat under control that counts. Perfect helm balance is the most important factor to downwind control. The boat tends to build up excessive weather helm on the reaches just as it does when racing upwind. In order to bear off in a puff and accelerate, the helm must be kept neutral or the rudder will stall.

The main is the most important tool in controlling weather helm. If it is overtrimmed or too full, the boat will become overpowered and the helm will increase, so play the mainsheet constantly with the helm as a guide. In sudden puffs, the mainsheet ease will not be quick enough or get the main out far enough to balance the boat. Instead, when a big puff threatens to make the rudder stall and make the boat round up, release the vang completely. This makes the whole upper part of the main luff, and depowers it. The boom will rise up in the air; which keeps it out of the water if the boat heels over a lot.

The spinnaker or jib must be adjusted continuously to keep the boat balanced. If the jib is up and overtrimmed, it can easily backwind the main and throw the boat off balance. The spinnaker must be eased with every puff so the boat can bear off. An overtrimmed spinnaker can also load up the helm, and make it impossible to bear off and keep the boat under the sail plan. Sometimes it is difficult to determine when to set the spinnaker, or just play it safe with the jib. A good conservative rule of thumb is not to be the first one to set the spinnaker in marginal conditions. Be prepared, and if you see others start to gain with their spinnakers, then go for it. A lot depends on the particular boat you are sailing, and the size of the spinnaker. The Lightning's large spinnaker makes it worth setting early. The spinnaker can always be dropped part way down the leg, and the boat headed up on a planing close reach to the mark.

In light and medium air it is always best to ease the cunningham and outhaul to make the mainsail as powerful as possible, but in very heavy winds the opposite is true. If the main is often luffing, there is no sense in making it a powerful sail, so pull the outhaul and cunningham tight. If the boat has an adjustable backstay, don't be afraid to bend the mast and flatten the sail more. A flatter sail won't luff as quickly, and creates less drag.

When racing downwind sit a little farther back in the boat to keep the rudder in the water and reduce weather helm. This allows the bow to lift, and the boat will jump up on a plane a little bit quicker. If the wind lightens, be sure to slide forward again so the transom doesn't drag. Use the flat wake as your guide; if you see bubbles coming out from behind the stern, move forward until the wake flattens out.

Finally, don't be afraid to pull the centerboard well up into the trunk to balance the helm. Sometimes it is necessary to pull the centerboard up nearly three quarters of the way to neutralize the helm on a close reach. Since the boat is going so fast, side slip is not nearly as great a problem as excessive weather helm. With the board up, the boat will bear off more easily and stay under control. Don't be afraid to bear off 40 to 50 degrees (or whatever it takes) to keep the boat under control in the wildest puffs.

### Downwind Boathandling

Sailing dead downwind in heavy air is like running on a tightrope. Again, helm balance is all-important; a little bit of weather helm can roll the boat up into the wind and turn it over to leeward. A more common disaster is the "death roll", where the boat spins out to leeward and turns over to weather because of too much leeward helm. There are a few things you can do to survive on the runs.

In waves, sit fairly far back in the boat, using the flat wake as a guide, to avoid burying the bow in the troughs. Be sure not to leave the board down too far, but this time for a different reason: While the board doesn't effect the helm very much when sailing dead downwind, it can induce drag, and the boat will actually trip over the board and broach or capsize.

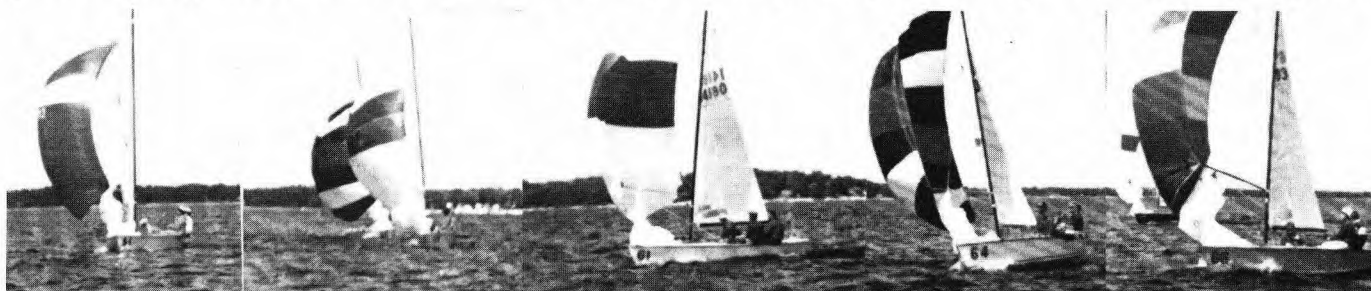

Make sure the vang is on tight enough on the runs. On the reaches it is best to have the vang loose when the boat gets overpowered, but a loose vang on a run can easily push the mast to windward, and into the water in a death roll. Never let the vang off so that the upper batten is past parallel to the boom. If necessary, overtrim the main slightly to keep the boat from spinning out to leeward. If you are flying the spinnaker, don't pull the pole back too far. On our boat we never pull the pole back so far that the leeward clew can come to windward of the forestay. This will keep the lower quarter of the spinnaker behind the mainsail, which helps

stabilize the boat when it's really windy.

In a really big breeze, the boat will be planing or surfing most of the time off the wind, but if the bow gets caught in a wave and you slow down, a quick pump on the mainsheet can break the boat free and resume the plane.

When riding waves, always keep the boat flat and continually play the sails. Don't just aim for the trough of the wave in front of you, but ride the wave like a surfer, diagonally down the backface. If sailing dead downwind, ride the wave way off to leeward to gain valuable distance from the course, and possibly eliminate the need for a jibe later down the leg.

Jibing in heavy winds is the most exciting (and frightening!) part of the race. Practice is truly the only way to become efficient at it, and here are a few tips to help you. First, remember that any boat is most stable when it is going as fast as possible, so be sure to jibe when the boat is going top speed, either on top of a wave or when it is planing. Be sure the board is up enough so you won't trip halfway through the jibe, and tension the vang enough to keep the top batten parallel to the boom to prevent a death roll. Never hesitate in the middle of a jibe; jam the boat around, and carve an S-turn at the end of the jibe to keep the hull underneath the sails and maintain a neutral helm. If it is really scary, drop your spinnaker and tack around the mark. Don't tack too close to the mark where other boats are attempting to jibe; sail well past the mark, and then go for it.

## A Downwind Technique

By Terry Hutchinson

Unlike most boats the Lightning has a hard chine which allows you to do certain things that normally would not work. This tip is geared towards sailing the boat on a light to moderate air run, and the things I have learned that seem to be fast.

In light to moderate breeze, we have worked extremely hard on perfecting the technique of heeling the boat to weather. Heeling the boat to weather does two primary things, first, it helps rotate the spinnaker away from the wind shadow of the main, and second, by sailing with the weather chine in the water it helps the boat track. The tracking of the boat minimizes rudder use and maximizes speed.

Heeling the boat to weather takes good coordination between skipper and crew. The skipper is responsible for the feel of the boat. As the boat speeds up and slows down, he or she needs to communicate that to the crew. When the boat is slow you will be heading up to increase your apparent wind. Once the speed is built bear off and heel to weather. This will start the tracking of the boat. The other two crew play a vital role in this process. Obviously, the middle man is trimming, but they are also helping the helmsman control the heel to weather. The amount of heel the helmsman wants will deter-

mine where the middleman sits. For a lot of heel they will be on the rail. Minimal heel — they will be sitting on the weather tank or in the middle. The forward person's job is to play the centerboard up and down as the helmsman alters course. As the boat heads up the board should be down to help steer the boat, and when the helmsman bears off to run the board should be all the way up.

The following is a sequence of what takes place on my boat.

Helmsman, "Coming up 5 to build speed", Middleman slides in to make the boat level, front person drops the centerboard 6 inches. Helmsman, "The speed is up ; let's roll down", Middleman slides to weather to heel the boat, Forward person pulls the centerboard all the way up. Helmsman bears off to keep the boat tracking until he feels the need to build speed back up.

This technique is something that takes time and practice. The helmsman has to have a good feel for the boat, and the crew has to be coordinated enough, and smooth enough to heel the boat. Abrupt movement will disturb the boat too much.

By practicing this technique, you can drastically improve your light to moderate air performance downwind.

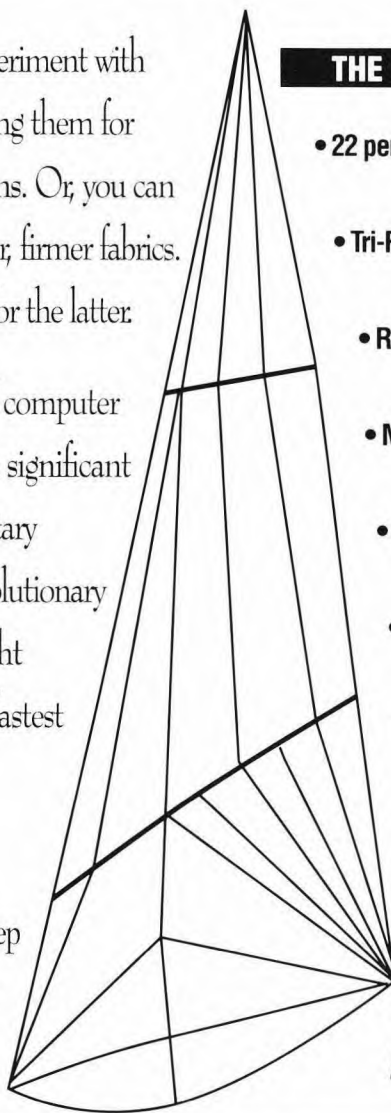

# The Science of Speed

## Introducing Shore Sails' tri-radial Spider Jib, the first sail of its kind for the Lightning Class

When designing more durable sails, you can experiment with softer, heavier or expandable fabrics, substituting them for traditional cloth in traditional sail configurations. Or, you can engineer a faster, more durable sail using lighter, firmer fabrics. Being perfectionists, we at Shore Sails opted for the latter.

Through boat-on-boat testing and a series of computer analyses, Shore developed a cross-cut jib with significant speed edge over existing sails. By using proprietary software technology to mold this jib into a revolutionary tri-radial design, we've achieved total sail weight reduction and double the racing life. It's the fastest jib in the Lightning Class.

The Spider Jib is the first in a series of re-engineered sails for the Lightning Class. Keep an eye toward Shore as we redefine Lightning sail development for years to come.

### THE NEW SHORE SPIDER JIB

- 22 percent lighter than conventional jibs
- Tri-Radial design combats leech flutter
- Rounder entry
- More open leech
- Simpler tuning
- Foot line to prevent flapping
- FASTER

**SHORE SAILS**

# Lake Sailing

By Brad Read

Skaneateles, Savannah, Rochester (Newport Yacht Club), Red Bank, Old Hickory, Devils Lake, Buckeye Lake, Lake Bomaseen, Mallets Bay, Spofford Lake ... What do these places have in common? These and so many other Lightning strongholds are small lakes. Much of the sailing which we do in this Class is on enclosed (or relatively sheltered) bodies of water. Closed course racing on inland lakes and rivers is by far the most fascinating and fast paced sailing around. The great part about Lake sailing is that the race is never in the bag for anyone. Whether you are way behind or way ahead, don't quit. Positions can change faster than you can say ...

## Topographical Influences.

Imagine yourself in the middle of a large city with skyscrapers all around. It is blowing 25 from the west, but while you are walking through the city you get buffeted by wind whipping around buildings from the south, southwest, north and even east. Much of the time there is actually no apparent wind at all. Now imagine a river smack in the middle of that city. Chances are that the buildings will have a large effect on the breeze and your approach to the racing in that particular venue. The same thinking should be applied to any inland lake where breezes come off the land. A knowledge of the way the land will effect a breeze will go a long way in determining how to sail your race course.

Common sense would tell us that wind will travel easiest through low spots and will have a hard time when blocked by a hill. Therefore sailing towards a low spot may help get you to more breeze than the competition. On reach legs, if the rhumbline will take you to the lee of an island or a hill, it would behoove you to sail a course which brings you away from the lee of the hill. Those who take the high road will tend to get stuck under the lee of the hill, while those who stay low can pick up lots of distance and boats by staying in the most breeze.

While going upwind, the landscape can effect the lanes of wind traveling across the lake to hills and a low spot upwind of your race course can significantly funnel the wind through the slot of the land. By doing most of your sailing in that slot, you can assure yourself of sailing where the most wind lies. One side or the other of that lane could potentially be favored over the other, depending on the angle that the wind is traveling across the hill.

Upwind sailing on inland lakes takes a special type of patience. One can usually count on having the breeze shift back and forth quite frequently. One side of the course can have a completely different wind than the other. In fact, in some cases the guy 20 feet to the right of you can have 15 degrees different wind angle and 5 knots more or less breeze in his/her sails. One thing always to remember here is ... sail with what you've got. If you are stuck in an area of the course which has been getting hammered by the other side, don't lose control and attempt to strangle your crew because your boat missed a shift. You can't beam yourselves into another part of the course. Sometimes you can't even get to the shift with a power boat in time to take advantage of a breeze line that has swept down one side of the course. By reacting to the winds around your boat you will always be

able to work your way into the top 1/3 of the fleet even if one side took off in the first part of the beat.

## Heading for the mark:

When sailboat racing, we obviously want to get to the windward mark as quickly as possible. One way to accomplish this is by simply sailing on the tack closest to the windward mark. By reacting quickly in the shifting conditions, you can determine if you are heading for the mark. By putting your head on your shoulder and viewing out of the corner of your eye, the windward mark should be plainly in your view. If it isn't there you had better have a very good reason for not tacking on to the closest tack to the mark.

## Puffs

How do you determine whether the breeze line you see is going to be a header or a lift to you? Breeze lines, or puffs can arrive in very different ways. Eyesight is crucial in determining what that breeze will do to your heading while going up or downwind. Some will force you to tack as soon as the puff arrives. Others will lift the boat's heading and allow you to continue on that tack throughout the duration of the puff. By examining each puff before they reach the boat, you will be able to find out the best way to get to that breeze, and what it will do when it gets to the boat.

When you approach the puff, try and determine which way the puff is moving in relation to the horizon. Sometimes you will find that wind lines will miss you even though they are close enough to affect the guy 20 feet away. If the puff is coming towards you from abeam, pinch up if you can get into the puff sooner. By placing yourself to leeward of a puff you can assure yourself of a lift on that tack.

If the puff is approaching from the bow, you can be sure that it probably will be a heading puff. Depending on where the mark is, you will probably want to tack to be on the lifted part of that line. These breeze lines offer the opportunity to tack as the line gets to the boat. Unlike the open water sailing, which forces you to dig in to the shift, you can get away with tacking on "edges" because the breeze lines are more definitive, and the puffs more compact. This allows you to bounce off of each cell of wind on your way up the course without getting into a corner.

A "fan", or "cat's paw" is the most common breeze line which we experience on the inland lakes. The fanning puff appears as a gust of wind touches down onto the surface of the water. Many times, the puff will spread out rapidly, so that the different sides of the fan have different angles of breeze. One side can lift you on the tack that you are on, while the other side could make your boat fall off or become headed. If the boat stays in the fan long enough, it can actually experience both sides of the fan. Depending on the way you need to go will determine how to use the puff which comes down the lake. The options are great, and the time to decide, short. A typical conversation up the beat of any of the races of Skaneateles went the following way.

It is thirty seconds or so after the start, and the last boat called over early had finally gotten off our breeze (thanks a lot, Jody)!

*Brad:* "Where the heck are we?" (heck??)

*Bill:* "Okay, we're just left of center of the beat, a small puff

to our right, and good speed."

*Brad:* "Should I pinch up to the puff?"

*Bill:* "No keep driving. It'll get to you."

*Will:* "The entire right side of the course has a huge right hand breeze. I think Tom Allen is the leader, but he's a little bit over the horizon so it is hard to tell." says Will Jeffers ever so delicately.

*Brad:* "What?!!!" Brad says (screams). "I can't believe you... we...we missed that!"

*Bill:* "We couldn't get to that breeze by car if we had to. Let's just sail with what we've got."

*Brad:* (apologetically) "Okay, are we heading for the mark?"

*Will:* "Yeah."

*Brad:* "Alright! Puffs, Bill?"

*Bill:* "One coming from the bow."

*Brad:* "Is it a fan?"

*Will:* "Yeah, hang on a second. We can tack so that it'll be lifting us on the other tack."

*Brad:* "Will we be heading towards another shift?"

*Will:* "Yeah! Looks like this one will carry us towards another puff, but looks like this one could last a while."

*Bill:* (Mr. Conservative.) "Yup! And this will get us back in the middle and heading for the mark."

*Brad:* "Tacking."

### After the Tack

*Brad:* "We seem to be up on this board. How does the right look?"

*Bill:* "They're still up on starboard, but they don't have the breeze that our group is in."

*Will:* "Yeah, I can even see Tom Allen's numbers now." (Bill finds this amazingly funny).

*Brad:* "Who else are the leaders?"

*Bill:* "Well, we're second, or third in our group. The left looks light and they are coming with us. The right looks best now but with no wind."

*Brad:* "We're starting to drop into a lull."

*Bill:* "Yes but we're still on the favored tack to the mark. Some of our group is starting to dig back into the left, but there isn't any breeze over there."

*Will:* "The folks on the right are getting into a breeze line, but it doesn't look like they are lifted."

*Brad:* "Are they on the wrong side of something?"

*Bill:* "Don't get cocky, but you are right. Let's tack on the leeward part of this fan and we'll be lifted on starboard while they have the puff in front of them and are pointing right at us on the same tack. By the way who asked you anyway?"

*Will:* "I hate when he's right."

*Brad:* "Call it."

*Bill & Will:* "Go."

By understanding the puffs and lulls a little better in lake conditions and how to determine their effect on the boat you can improve your position dramatically on those inland lake regattas. If my coach during college sailing drilled anything into our heads, it was to keep your head out of the boat. Get in tune with your environment; don't get caught up in looking at a compass, telltales or sail shape for too long. Practice keeping your eyes on the telltales which your surroundings offer you. Other boats, flags on land, a smoke stack, wind on the water, topography and common sense will give you a new perspective on lake sailing. True, lake sailing can be weird, but if you keep in mind that some of the best lake sailors are known to be a little strange themselves, maybe we can all relate a little better to the big picture of lake sailing.

# Crew Communication

By Hale Walcoff

In June 1977 Bruce Burton and I were sailing for Tufts in the intercollegiate North Americans. In the seventh race we rounded the weather mark first and jibed onto port, closely followed by Ed Adams of URI. Converging with us from to leeward was Washington's Brian Thomas, still beating to the weather mark on starboard. Bruce didn't see him until we were one boatlength away and by then it was too late. As we were doing a 720, Bruce said, "Hale, you have to tell me about these things." "I would have," I replied, "but I thought you saw him coming." What was potentially a good race—one that in retrospect would have won the NAs for us—became a disaster because of a lack of communication.

We all engage in pre-regatta boat and physical preparation, but equally important is preparing to communicate. So before you rush out on the water and have a communication breakdown, think about the following ideas. First, when assembling a crew, remember that you don't need Arnold Schwarzenegger to hike or Gary Jobson to call the shots—you just need a compatible crew that will work together toward a common goal. The amount of talent you need will be determined by the type of boat you sail. For instance, a J/24 is difficult to steer precisely in waves and has a large genoa that restricts visibility, so the helmsman must concentrate totally on steering and rely on the crew to tell him or her what is going on. Conversely, an E-22 is easy to sail upwind and only uses a working jib, so the skipper can afford to look around part of the time without losing boatspeed.

Once you have gathered your crew and ascertained their strengths and weaknesses, assign responsibilities accordingly. Remember, people should do what they're good at. If someone has eagle eyes, put him or her in charge of calling out puffs and/or mark location. Next, decide what information the crew and skipper need to sail the best race possible. For closed-course, one-design racing, I include the following: compass heading, puffs, mark location, boatspeed/pointing, waves, current, location of major competitors, port/starboard situations, sail trim and boathandling. It's clear that with this much information being discussed, you don't have time to talk about the party the night before or why the forward crew thinks the boat is a pig. But you also don't want a running commentary on everything that is happening at every point in the race. Quiet periods are an essential part of the communication process. When no one is talking, the helmsman can optimize his steering, and the crew can concentrate on sail trim, balance and collecting information. Then, when there is something important to say, the other crew members will listen.

Once everyone is tuned in, be sure you're talking the same language. At the 1979 Lightning Worlds in Dallas, Texas, I was the middleman tactician for Don and Ann Brush. In the fifth race we were in second place on the port-tack layline, 50 yards from the finish and on a collision course with starboard-tacker Jim Dressel. I told Don to "go below him;" in other words, to bear away below Dressel and harden up again on port. This would have assured our beating him. Instead, Don interpreted "going below" as leebowing, so we tacked under Dressel and he tacked away, beating us to the

finish. As a result of that communication breakdown, Dressel beat us by one point for the series.

After defining your terms, you should decide how you want the information collected and communicated. I'll briefly describe each piece of information and how I like to deal with it:

**Compass heading** — This should be done on a relative basis rather than absolute. In order words, "Up five, normal, down five," instead of "295 degrees, 290, 285." Absolute numbers only serve to confuse in the heat of battle and are something the skipper shouldn't have to remember. Having a feel for what the compass is doing is important, especially at critical points like the start, port/starboard situations, and the beginning of each successive beat, but continuous compass readouts are not only unnecessary, they're distracting.

**Puffs** — It is imperative that everyone on the boat knows when a puff or lull is coming so proper sail trim, boat trim and tactical decisions can be made. Don't just say, "A puff is coming." Estimate the strength, direction, time of arrival and how long it will last; then using telltales and a wrist-watch, determine if you are correct. This may seem difficult at first, but with practice anyone can be right about the breeze 80-percent of the time.

**Mark location** — Before the start, you must know where the weather mark is. As you sail the weather leg, refer to the mark location as time on a clock. Twelve o'clock is straight ahead, while three and nine o'clock are on the starboard and port beams, respectively. An alternative way to describe mark location, if there are some good landmarks visible, is to say, for example, "The weather mark is just to the right of McDonald's." When you get within a hundred yards of any mark, find the next mark and determine what angle you'll be sailing at on the next leg.

**Boatspeed/pointing** — Boatspeed and pointing go hand in hand, for the faster you go the higher you can point. But they are relative terms in one-design racing because no gauges are used to determine actual speed or close-windedness. At the start, it's especially critical to know what the boats on your lee bow and weather quarter are doing so you don't get squeezed off or run over. Then, as you sail around the course, keep watching other boats so you know immediately when you are not going well. This is an easy way to realize that a boat or sail trim adjustment is needed or that there are weeds on the rudder. Be sure to realistically evaluate your speed and pointing; overly optimistic or pessimistic reports are simply counter-productive.

**Waves** — Discuss what waves are coming that you should power up to get through. Also, locate relative flat spots in which you can go for pointing or that you might want to tack in.

**Current** — Make a note of the current strength and direction every time you pass a lobster pot or moored boat. As you sail each leg, be sure to range the next mark to see which way the current is setting you so you can compensate for it.

**Location of major competitors** — No matter how fast or in phase you think you are, you still have to beat the other boats. This means knowing at all times where your major competitors are on the course, what tack they're on and how fast they're going.

**Port/starboard situations** — Right-of-way rules were established for our protection, but you must be judicious in using them to your advantage. Don't just yell "Starboard!" when you see a port tacker approaching. First determine which way you want to go and which way you want him to go; then wave him on or hail "Starboard." Be sure someone on your boat is always watching for other boats so you will have time to make the correct tactical response.

**Sail trim and boathandling** — Hopefully your crew will be prepared enough so the need for communication in these areas is minimized. This will allow you to talk about more important things. If you have to explain how to do a roll tack on the first weather leg, for example, you need more practice. However, the skipper may have to ask for fine-tuning adjustments such as, "Bring the spinnaker pole back six inches," and the crew might tell the skipper, "Move forward about a foot, I think the stern is dragging." This kind of communication is essential in attaining optimal performance.

Once you know what information you will need, you have to determine who's going to make the decisions. Basically there are three communication systems you can use: the "crew dominant," "skipper dominant," or "feed system." In the crew dominant, the helmsman is simply responsible for making the boat go fast, and the crew tells him where to go. The dominant skipper drives the boat, collects most of the information and makes all the tactical decisions. In the feed system, the crew collects information, recommends a course of action and lets the skipper make the final decision. The latter system is usually the best since it makes the most of everyone's talent. It still lets the person with the best feel for the boat have ultimate control. You can also innovate on this. When I sail with Dave Curtis, he controls the starting procedure; I decide where to go on the weather legs; and then he takes over again during mark roundings. Once you know who is collecting information and who is making the decisions at various points of the race, the information flow will go smoothly.

The last thing you have to prepare for is dealing with the emotional aspects of communicating. For sailing in high-pressure situations with cramped physical quarters, I follow these guidelines: When skippering, never yell at the crew. When crewing, never yell at the skipper. Also, don't respond emotionally to someone else's emotional outburst. Yelling only serves to distract from the race at hand and has never helped to get anything done in the boat. Instead, give encouragement to your crew or skipper in tight situations, and save critical comments for onshore discussions.

A good system of communication should enable all crew members to contribute their fullest to the team effort. If you talk about the kind of information flow that you want with your crew before each race and then encourage everyone to evaluate how things went afterward, you will develop a system of communication that matches the needs of your particular crew and boat, and this will give you the best chance of winning.

# Mind Over Matter

By David Dellenbaugh

Sailboat racing is supposed to be fun, and it usually is. There are the thrills of screaming highspeed reaches, the challenges of figuring out a shifty weather leg, the rewards of races sailed nearly to perfection, and the good times with friends both on and off the water. There are also, unfortunately, times that feel less than rewarding — when your skipper gets mad and starts yelling, when you take a flyer out of frustration and end up way behind, or when the post-race party loses its appeal because you're depressed. Such feelings can make the sport seem more like a chore than an uplifting experience. When this happens, the sailor's challenge is to turn these negative experiences into positive ones, and to learn from them so they won't get in the way of doing well and having fun the next time.

When you think about it, it makes sense that psychological factors have such a large effect on one's racing experience. Sailing, with its requirement that many variables be figured out at once, poses perhaps a greater challenge to the mind than any other sport. This is what makes every race unique and the sport so attractive, but it also means that the mind's tricks and quirks come all that much more into play. When you depend on sharp, creative thinking to get around the race course quickly, any extraneous mental blocks or emotional flare-ups are bound to slow you down.

It is surprising, then, that we have been taught so much about tuning and tactics, but so little about how to deal with our doubts and feelings. You can have the fastest boat in the world and the best crew, but if you race when you're depressed, angry or psyched out, the overwhelming odds are that you won't do so well. Consequently, the quickest and easiest way for many sailors to improve their performance and increase enjoyment is to adopt a positive, reflective mental approach to racing.

## A Practical Approach

Developing a helpful mental attitude is a process that begins with making a candid evaluation of the present. Think about yourself and the time you spend sailing. Ask questions like, "What times are the most enjoyable? What would I like to change? What are my strengths and weaknesses in racing, and where do I need to improve? How much time and money can I give to the sport?" Getting a clear picture of all this will make it that much easier to figure out where you want to go from here.

The second step is to begin thinking about what goals you have for the future. Perhaps the most important thing to keep in mind when doing this is that *you have the potential to achieve your highest goals*, whether your objective is winning everything in sight or having the best time of your life. Believing this (or at least accepting it as a working assumption) will ensure that you don't settle for false limits on yourself. Achieving any goal is a matter of logically figuring out what to do (we're all smart enough for this) and then having the determination to get it done (sometimes a little harder). For example, we know from our experience that the skills necessary for winning races (tuning the boat right, getting good starts, etc.) can be learned. It logically follows that becoming a championship caliber sailor can be achieved with sufficient learning and practice. (There are, of course, certain physical limitations. It would be difficult, for

example, for a 100-pound person to become a champion Finn sailor.) We also know that it's impossible to change the sport to make it more completely enjoyable. If a certain aspect of the sport bothers you, offer suggestions, get involved in running things, become a judge, etc. You *can* make a difference. Addressing the question, "What can be done to solve the problem?" will always be more constructive in reaching goals than complaining or blaming.

With this in mind, begin to think about and write down specific goals that are important to you. Start with longer range objectives, and then figure out a step-by-step program of short-term goals to move you in the desired direction(s). For example, if your ultimate goal is to win a gold medal in 1996, you might aim to have your boatspeed equal to the best in the class by the end of this summer. And on any specific day, your goal would be to improve your speed at least a little in that day's conditions. Besides providing a tangible measure of success, having goals gives you confidence that what you're doing makes sense and keeps you moving forward when times get tough.

Of course, the scope and nature of the goals you set are affected by the amount of time and money that you can invest. Not everyone has enough of these resources to become a world or even a club champion. This doesn't mean giving up on competing with the best (1982 Congressional Cup winner Scott Perry is an IBM executive who only sails three weeks a year); it just means that expectations must be geared to reality. If you can't practice every day or buy a new boat every year, and that means you don't always win, then look for the many additional rewards of sailing: making friends, conquering the elements, learning, relaxing, going fast ... As Charlie Brown said when his baseball team lost their season opener 123-0 and the players were threatening to quit, "It's not the winning that counts. The fun is in the playing."

Whatever goal(s) you choose, the key to getting there is learning. Watch every race with a detached, objective point of view. By keeping aware of what makes you go fast, which tactical moves work, etc., you store valuable information in your memory files and keep expanding the amount of experience on which you can draw for future decision-making. This not only moves you in the direction of achieving goals, but also guarantees you a certain degree of success, because you can always learn something even when you don't win.

There are a number of good ways to learn about your racing. Two that have been particularly helpful for me are:

- *Keeping a learning log.* After every day of racing, write down in a notebook of what you learned about tactics, speed, weather, interaction among your crew, etc. You'll find yourself becoming much more aware of your learning opportunities, returning to the dock with a head full of things to write down. Once, while frostbiting my Interclub dinghy, it became clear that I could use more input from my crew. I came back in, made a long list of things I wanted her to tell me while racing, and began sharing these ideas the next week. Helpful thoughts like this can be reinforced by reading over your notes every once in a while.
- *Reviewing the race with your crew.* Sit down briefly with your crew or skipper at the end of each day and go over the

racing. What went well? (It never hurts to compliment each other). What was learned? What should be done differently? These can also be written in your notebook.

Other ways to steepen your learning curve include reading instructional material, trying experiments while racing, going to clinics, and talking with your competitors.

This learning and evaluation process is a continual one that should include an occasional review of progress made toward the goals you've set. There is sometimes a fine line between goals that are too easy to reach (and therefore don't mean much when you attain them), and ones that are too difficult (which invite feelings of failure). Finding the middle ground where goals are challenging, yet not impossible, is a trial-and-error process that takes time. Don't be afraid to modify expectations of yourself to set new goals when appropriate.

### Overcoming Psychological Blocks

In theory, the steps outlined so far will enable anyone to turn those less-than-rewarding moments into satisfying experiences. In practice, however, while everyone may have the potential for this, the result doesn't always come out so well. On top of the problem of limited resources are numerous psychological blocks and feelings (both by-products of the mind's involvement) that inhibit the learning process and spoil enjoyment.

Psychological blocks are believable myths that are formed over a period of time and run through our minds like broken records: "I'll never win because I'm not smart enough. I can't sail in light (heavy, shifty) air. I can never beat Wally Weedhopper. My boat is slow. I always have bad luck." Some of these blocks result from a frustrating situation that is at least partly "real". Maybe you *do* have a hard time sailing in heavy air, or your boat really *is* slow. In these cases, the mental recordings are simply indicators of where you need to put some learning effort — they can be erased by figuring out how to sail better in heavy air and how to make your boat faster. Other blocks have absolutely no basis in fact, but continue to be reinforced as self-fulfilling prophecies, and are more difficult to overcome.

Countering any mental block requires a lot of creativity and is in itself a challenging mind game. Some of the most successful techniques are ones that sharply contradict the negative messages and keep you focused on your positive potential, such as:

- *Remembering fast times.* Before and during a race, think back on another race when you were particularly smart and fast. Keep a clear image in your mind of the ability and potential that you knew you had then.
- *Visualizing perfection.* Before the start, imagine yourself sailing a perfect race. Keep focused on this view of yourself and how it feels. Remember, "You are what you think."
- *Playing a role.* Choose a sailor that you greatly admire or a mythical "best sailor in the world," and sail the race as if you were he or she. What would your attitude be? Where would you start? How would you sail the first beat? etc.

Many of these tricks are variations on a similar theme. According to Peter Isler, who sailed with Dennis Conner aboard SORC-winner *Retaliation*, one of the keys to Conner's success is his ability to set a positive mood that makes every crew member feel, "We're the best." If you don't have this kind of confidence (at least to begin with), make an effort to avoid getting psyched out. In the 1980 Mallory, for example, I sailed against Dave Ullman for the first time and was a bit over-awed in the beginning. But I kept telling

myself that we were all in the same boats, dealing with the same variables, and that a reputation wouldn't help one bit out there on the course. He still beat us, but only by a quarter point.

Of course, these mental exercises are not meant as substitutes for solid preparation and practice (and they need to be modified a bit for the occasional problem of overconfidence), but they can be very helpful in overcoming psychological blocks that otherwise might keep you from realizing your potential.

### Dealing With Feelings

A second group of psychological influences includes the undesirable emotions that surface on the race course. How many times have you felt nervous before the start of a big race, angry at yourself (or at others on your boat) when things didn't go right, discouraged when you got behind, or frustrated when you seemed to have no luck at all? These are all real feelings that are normal to have, especially when a race or regatta means a lot (for whatever reason). But if they are left unacknowledged or unresolved, they will almost certainly interfere with racing performance and ruin a good time.

The main thing to remember about dealing with feelings while racing is that they must not be allowed to influence tactical decision-making, which should always be based on rational thinking about the best thing to do. A case can be made for following one's intuition, but there's a difference between going left because you have a strong sense that the wind is going to back, and banging the left corner because you're mad that someone pinched you off while you were trying to get to the favored right side. Every race moment is unique and therefore requires flexible and creative thinking that is free from impulse, reaction or habit. If you *always* respond the same way (always start at the same end, always go high, or low, on the reaches, etc.) regardless of the circumstances, then you are probably stuck in a rut instead of making a fresh appraisal of each particular situation.

It's not always easy to keep a level head when emotions are trying to take over. And it's not as if you can stop in the middle of a race and work things out. The best solution is to do whatever possible ahead of time to prevent the feelings from coming up while racing, and to find some quick ways to deal with emotions on the water. Before you go out, keep in mind all that you will be getting out of the experience. This way, if one of the benefits (e.g. the "thrill of victory") somehow eludes your grasp, you won't be so disappointed. Another way to absorb potentially ego-shattering blows is to make sure that you're in a good mood before leaving the dock. Some sailors get psyched up by physical activity such as running, or relax by listening to music. At last year's team race championship, we passed around the headphones to a Walkman cassette player while waiting on the dock between races. (We felt great until the Walkman accidentally got knocked into the water and sank.)

On the water there are several things you can do to release tension caused by unwanted feelings.

- *Use teamwork.* Figure out ways for your crew to work together to keep each other psyched. A good sense of humor and a contagious never-say-die attitude can do wonders with a frustrated or discouraged skipper or crew. Arrange ahead of time to make sure that each other's thinking jobs get covered whenever someone is temporarily "under the influence" of distracting feelings.

- *Redirect anger.* Aim it away from people and toward things. Getting mad at yourself or your crew will only compound the problems you already have and make everyone feel bad. If you need to vent steam, yell at the wind or waves or something ridiculously innocent. Or give a quick, non-destructive stomp on the floorboards or pound a fist on the deck; sometimes this will feel just satisfying enough to get your mind right back in the race. If you're the one being yelled at, try to view it as the yeller's problem, not yours. Continue doing your best, and pretend that it's someone else who's being yelled at. It would also probably be a good idea to gently discuss the issue after racing.

- *Change perspective.* When you get behind and you're feeling down, look for a different, upbeat view of your situation. Think of your dilemma as a great learning opportunity, and resolve that you'll never let it happen again. Or pretend that you were suddenly dropped out of the sky into the position you're in, with instructions to sail the best come-from-behind race you possibly can. Or, if you're not feeling so smart, say to yourself something like, "Gee, even someone like me can make a stupid mistake like this." (And remember times when your class champion was at the back of the pack.) In general, always accept where you are as a given, forget how you got there, and start again.

Sometimes feelings arise because of the competitive nature of the sport. Even though most of us enjoy the challenge of competition and strive to improve our performance, the pressure to do well often takes away some of the fun. There are at least a couple of good ways to handle this:

- *Do your "best."* For me, the most constructive criterion of success is whether or not I feel like I've done my best. Sometimes this means winning, sometimes it doesn't. At a Laser nationals (where many of the competitors are in better shape than me and have practiced more), I don't have a huge chance of coming in first, so I try to sail as fast and smartly as

possible, enjoy playing the waves, learn something, and minimize my mistakes. If I can do this then I feel great. There is nothing more discouraging than to have a goal (e.g. to win) that may be impossible to attain. Of course, I always try to elevate what is the best I can do.

### The Broader Picture

What's particularly intriguing about the sport of sailing is that it's enjoyable both for its intricate connection with the rest of our lives, and because it is also very separate. It's been apparent throughout this article that most of the techniques for making oneself a better sailor have universal applications. Setting goals, overcoming a challenge, learning effectively and dealing with feelings will help not only on the race course, but in our jobs, personal relationships and other activities as well. Likewise, what we discover about our learning attitudes and emotions outside of sailing can help us improve our racing.

At the same time, racing sailboats is fun simply for its own sake. It's a way to relax, an entertaining game, and a chance to get away from our problems. If one gets too analytical about the sport and sees it only as a means to an end (fame, fortune or *any* goal), then a lot of energy is spent analyzing the past or worrying about the future, and enjoyment of the present is lost.

No one can prescribe how you should or shouldn't approach the sport and balance these elements — that's ultimately up to you. What's important to remember is that there is a wide repertoire of creative mental tools available for achieving any goals. Discovering which ones work for you is an experimental process that can be as enjoyable and challenging as the racing game itself. And once you get in the groove, it's possible to achieve almost anything you wish — it's just a case of mind over matter.

*It's the "Bun".*

# How To Right A Turtled Lightning

By Bob Mathers  
Capsize Specialist

Having capsized more than anyone else in our fleet of over 60 Lightnings, I have finally figured out how to unturtle a turtled Lightning. To accomplish this task you will need a rescue boat with a motor, 50 feet of line, and a 3 to 5 pound weight or an anchor. See numbered diagrams to help explain instructions.

1. Tie a loop or bowline around the backstay, tie the anchor or weight to the loop
2. Allow the loop and anchor to slide down the backstay
3. Move the rescue boat out about 40 feet from the side of the Lightning and slowly pull the mast toward you as you back up.
4. As the mast reaches about half way up, stop backing up, but continue to lift the mast by pulling on the line
5. As the mast comes out of the water, hold it up while one of the crew releases the halyards and lowers the sails. The boat can now be fully righted.

# 1992 VIII World Youth Championships

By Tom Starck

When we finally arrived in Chile, I had a hard time believing the regatta was so close to beginning. All the preparation and expenses were taken care of. It was time to actually sail the regatta.

Higuerillas Yacht Club did a fantastic job of setting the teams up at the Club Hotel Lafayette. The Commodore of Higuerillas made the teams feel at home with great meals and warm welcomings which made our stay in Chile much easier.

The opening ceremony at Higuerillas Yacht Club was fascinating with each country's national anthem performed by an orchestra during the raising of the flag.

Finally the racing would begin with very light winds and big seas. Our team started out very slow by being over at the start and also having to do a set of circles for an infringement, although we came back and finished seventh which turned out very fortunate because there were no drop races at the end of the series.

The following day was cancelled due to no wind and therefore it turned out to be a good day for sight seeing.

The third day of racing was gorgeous. The winds were about 8-10 knots with big waves. We raced two perfectly set

courses and finished 2, 3 for the day. But the big winner was Marty Essig who recorded two firsts and was back in the regatta after sailing a DNS the first day because of an illness.

The wind picked up a lot for the fourth day of sailing; although, about six minutes before the start our main hal-yard broke and we were forced to take breakdown points (3.25) and not sail the race. This put us one point behind Argentina and a point ahead of Brazil. Canada now was very close behind too.

In the final day of sailing, the wind was once again very light and the racing didn't start until noon. With shifty winds and high seas it made it very difficult to see marks and puffs on the course. Upon arriving at the top mark first, the course was shortened due to a dying breeze. The sixth race was cancelled because of lack of time and at this point we knew we had won and reached our biggest goal.

There are so many people to thank for helping us achieve our goals. First and foremost, I would like to thank my Mom and Dad for cheering me on and organizing the entire event with the Emblidge Family. Without them our chances of going to Chile were very slim. The Buffalo Canoe Club also made it possible to go to the regatta, along with many of the members who supported the Junior Lightning Teams. Thank you all very much. Another great supporter was North Sails who made a great contribution by supplying us with team jackets, bags, and hats along with great sails which helped us successfully compete in the regatta.

Last, but definitely not least, I would like to congratulate and thank my crew, Martha Wilson and Guy Adema, who did an outstanding job feeding me all the information needed to get around the courses. We have been working very hard together as a team for many years preparing for this chance to represent the U.S., and it being our last junior regatta together, we couldn't have ended it on a better note. These guys kept the fun in sailing and that is a key thing to success.

Mister Michael L. Huffman  
President  
International Lightning Class Association, U.S.A.

Dear Sir,

At the end of the VIII World Youth Championship, the Lightning Class of Chile and the Organizing Committee on its behalf and on behalf of the 57 competitors of the world, make public their acknowledgement and gratitude to the I.L.C.A. and its board of directors for the support it gave to the event.

The support of I.L.C.A. to Youth Sailing and of the Lightning Class of Chile which has been present in all Youth Championships before, speaks favorably for those that due to age, competitive spirit and desire for sports, make up the most loyal group of people, capable of under-taking the road to constant achievement.

The Organizing Committee received the world crews in the best possible conditions according to its possibilities, and thus offer a fair competition which would not disillusion the young aspirations of all, so that only the best would win. And Thomas Starck was just that.

The competition suffered the rigours of the weather, which wreaked havoc on some of the boats, damage which exceeded the amount of the boat insurance deposit, making it necessary to pay the total amount deposited (US \$3,800) by the competitors, to carry out repairs.

We adjoin photos of the event.

Each one of the competitors has returned to his/her homeland, taking an image that will be difficult to erase of this country, our sea, our people and our hospitality. The highest values of our Chilean people.

The Organizing Committee repeats its gratitude and wishes of prosperity for the International Lightning Class Association, hoping that all the young Lightning members and the Lightning Class never go in separate ways.

We greet you attently,

Alberto Gonzalez Mas  
Vice President South America  
Commodore Lightning Class of Chile

Carlos Ramirez Angeli  
President  
Organizing Committee

M. Angelica Gutierrez Torrent  
Executive Secretary  
Organizing Committee

# South American Championships

## Or Sometimes You Get It When You Least Expect It

By Juan Santos

It seemed impossible to do it. We had just obtained, after sweating it, a second place finish in the qualifiers for the South Americans, just behind Paco Sola. We knew we didn't have a fast boat and we knew very well that we were overweight for the winds of Salinas. Not only that, but we finished seventh in the previous Salinas-Tomine' Regatta; we were very disappointed.

Even though we knew that the people with options to fight the South Americans would not run the practice race, we decided we needed it to at least try to get into better shape. It was total disaster, we finished 12th out of 14!

The team talked about it, and after many thoughts Werner, Oscar and I decided to follow the path of the desperate: put the mast down, tune it from scratch, drink a couple of scotches, sand the bottom and centerboard, and try to give it our all the next day. I must thank Philippe Jacob, Miguel Plaza and Juan Carlos Plaza, who after way too many discussions compromised on the way to tune my boat. Scary thought, uh!

And day one came ... we rounded the windward leg fifth, after having had a so-so start. The wind increased from 5 to 8 with gusts of 12, that was good for our weight. We quickly became the favourites for the race, with Paco Sola, Manuel Gonzalez and Juan Carlos Plaza behind us. At that moment we tried to forget our following and starting looking forward. We picked a couple of good shifts and gathered some more speed to win the first race in a long time. We savoured the unexpected and were happy about it.

Now we had a comfortable first and decided we would risk it all in the second race. Luckily for us, the race course looked normal that day (winds about 10 kts, 240 degrees). We started at the pin and went far to the left to wait for the expected veer. Things happened as they should have and we rounded first. From then on we just held on to our lead to capture the second race. Everything came up perfect and the crew work was flawless.

That night we figured we needed some drinks to ease up the nerves. Somehow we felt we had it (the regatta), but we were not confident about our speed. It was this night, too, that my good friend, teacher and enemy on the race course for 17 years, authorized me to win the Championship. This didn't make me a bit more confident ... I knew the old salt had something up his sleeve, he was just trying to put more pressure on me. I am talking about Paco Sola, of course.

Just to show me who was I messing with, Paco went on to win the third race, but didn't do as well in the fourth; I felt like the maleficence was broken. In the third and fourth races we didn't need to win, but we needed to be among the top five. Consequently, we started conservatively in both races and finished fifth and sixth. We felt we needed to win the fifth race to close the doors, so we went to the water with all our minds into the war. We made an extraordinary start at

the pin, with a lot of speed, which allowed us to get rid of Tito Gonzalez and Paco Sola. At the windward mark we were first, followed by Pablo Amunategui. We kept the lead until the last windward leg when we had to cover Juan Carlos Plaza who was close behind in the race and in the championship. Amunategui went hard left (to "our" corner). We were convinced that right was favoured, so we went there to keep Juan Carlos close. We proved wrong, since Amunategui finished first, we were second and Juan Carlos third.

Before the sixth race the scores were telling us we were the champs if Juan Carlos Plaza finished second in the last race, it didn't matter how we finished. In the event that Juan Carlos won the race we had to be among the top-four.

Right before the start of the last race, many boats had it as the one to better their scores. Many boats passed beside us smiling, but telling me that they would win this last one. We didn't care much, we only needed Juan Carlos not to win the race. But there was none with such self-assurance as Paco Sola, Jr. He asked whether we would mind if he won the race. Of course we encouraged him, yelling, "this is yours!" But much to our surprise he rounded the windward mark second to Carlos Luis Lecaro, and rounded the next leeward mark first. We could not believe it. Finally he had to fight Tito Gonzalez and Carlos Luis to death in the last leg, finishing third behind them. Not bad for his first South American Championship as a skipper, especially having just left his Dad's boat.

Even though it was a remote possibility, Juan Carlos had an impressive speed, experience and knowledge of the race course. I must admit too, that Juan Carlos has an impressive way of recovering from behind ... he's fast! Considering all this, and our lack of confidence in our speed, we decided to match-race with him from the start, so as to keep him from starting well. Obviously we would do this considering all the rules of good sportsmanship. We positioned ourselves to leeward to him, but 20 seconds before the start Juan Carlos broke free and put a boat between him and us. That plan didn't work, so we decided to go for plan "B", do our own race! We started covered and back-winded, but we finally had what we wanted: Juan Carlos didn't win and we won the South American championship.

Now, after more than one month since our winning, I still can't believe that we did it. It is just that I feel that many other times I have been better prepared and with a faster boat, not to say that we have been in better positions for winning a regatta. Now I am a bit wiser and have learned that you not only need to be fast, you have to do things right, fight each race foot by foot, wave by wave. You need to work with your crew as if you were one person. This is what at the end gives you the results you expect, even when you don't expect them!

### *What the HULL ?*

You bet it's important to have a good hull! You had better have the fairest, smoothest, strongest and most stable sail platform you can get. BUT, how are you going to **move** it? Cotton sails ? . . Manila line ? . . Wooden spars ? Well, of course not! If you are *really serious* about racing your Lightning you will buy the BEST equipment you can afford.

Fortunately, the choice of the best **SPARS** is quite a bit easier than other equipment decisions you must make. We do **not** make the "*CURRENT WINNER*" or, "*THIS YEAR'S BEST SPAR*" — etc. etc. etc. — **WE MAKE THE BEST SPARS EACH YEAR - EVERY YEAR - ALL THE TIME - AND OUR RACING RECORD OVER THE YEARS PROVES IT!**

Call or Write today — you won't regret it!

PRECISION SPARS - PERFORMANCE ACCESSORIES and KITS

# European Championships

## Mario Noto and Crew Repeat

By Fabio Spano

The 40th European Lightning Championship was held from July 14th to July 16th in the Lake of Kuopio, a city in the center of Finland.

When we arrived, after four days of travel in a truck, we suffered some problems due to the darkness (lack of, that is) existing in Finland at that time of the year. We were warmly welcomed, and although we didn't speak the local language, we had no problems. We didn't think we'd find the same weather as our Sicily. In fact, our winter clothes remained in the hotel the whole time.

The competitors were numerous, although there was only one Greek crew. We utilized the days before the races working on the boat and studying the conditions of the lake.

After being measured, we made the practice race. It was very strange because the wind was very light. We made a good start but the wind changed its direction frequently. We recovered some positions in the race after the second windward leg, but we didn't finish this race just to avoid bad luck.

### First race — 14/7 — wind 2-3 M/S

We started in the middle of the line. After some minutes it seemed we were in first position, yet we didn't maintain our control on the group to the end of the first windward leg, because Tripoli, skipper of the yacht I13706, passed the windward mark in first position; we were second, in third Wyler, Z13780, and fourth Alagna, I13481, also from our club. On the first reach we attacked Tripoli and we rounded the third mark in the first position. On the second reach we maintained our position and covered the whole group to the end of the race. Wyler was second and Tripoli third.

### Second race — 14/7 — wind 2-3 M/S

The second race took place thirty minutes after the first. The weather conditions were the same as the first race. The only difference was that the wind was less strong. We repeated our start, in the middle of the line. We took the right side and we passed the second mark fourth. At this mark, with a good maneuver, we got third place. At the fourth mark we were second after Tripoli, who had maintained first place after a good start and a good first windward leg. During the second windward leg, after some tacks, we reached first place. A wind shift changed many positions in the fleet. Only Tripoli and we maintained our positions. Wyler finished the race in eighth place.

### Third race — 15/7 — wind 6-8 M/S

The weather conditions for the third race were very irregular. We took the right side because we searched the rain clouds. We found the rain but no wind. The other boats, Wyler, Pyy, Alagna, that had gone left, passed the second mark far ahead. At the second mark we were fourteenth. During the spinnaker legs and with a good second windward leg, we gained several positions. At the end of the race we were third after Pyy and Wyler.

### Fourth race — 15/7 — wind 4-6 M/S

We made a good start. This fact permitted us to control the second place of Wyler. After some tacking Wyler reached first place due to a mistake of ours going down to Mark Three. Although we tried to regain Wyler's position, he finished in first place and we were second.

### Fifth race — 16/7 — wind 2-3 M/S

During the warniang we calculated the throw-out race and we perceived that Wyler and we had the same score. So, before the race, we decided to control only Wyler. In fact, our throw-out race was a third place, while Wyler had to discard his eighth place. The European Championship was, now, on the ballot between Wyler and us. We felt very nervous. Our start was very good and after some tacks, we reached the second mark in sixth place, but Wyler was fourteenth. Only on account of a wind shift and a mark in a bad position, we reached first place and the same conditions permitted Wyler to reach third place.

### Sixth race — 16/7 — wind 2-3 M/S

The last race was a formality. In fact, for us to lose the leadership in the Championship, Wyler would have to finish first and we fourth. Nevertheless, the race was like a war from the start to the finish. It was a real match race, as all the races were. We sailed as we had done during all the other races and after a good start, we reached second place only a few centimeters from Wyler. We experienced bitter disappointment, but this disappointment disappeared because we realized that we were the winners of this Championship, too.

*The Champions*

# Canadian Open Championship

By Geraldine Densmore

In the spring of 1991, David Sprague asked me if I had any interest in trying to qualify for the World's in Brazil in 1993. First of all, since I don't make plans any farther ahead than the weekend, I couldn't even conceive of thinking that far ahead and second of all, up until then I had sailed on only one other occasion. Still, I said sure, ... what did I have to lose? I'd seen the pictures — the idea of sailing conjured up lovely images of quiet, dry, peaceful times. What was I thinking?! Little did I know..... this meant 7 a.m. weekend mornings (other than blindly feeling for orange juice in the refrigerator, who wants to be vertical at that time?), more hamburgers in one summer than I want to eat during my whole lifetime, numerous bad hair days and ..... THUNDER BAY!!

At least my skipper conned someone else in the 19 hour drive from Toronto. Although we may have been smarter to do it ourselves. Sightseeing is much less enjoyable when you're forced to stop every 3 minutes at every lookout point, not to look, but to constantly monitor the yacht club in order to witness the boat's arrival. Anxiety was at a premium. Our binoculars don't get that much of a workout in the boat. The Terry Fox memorial site may never be the same. (I think you missed the point, Dave).

Finally, all arrived safely and before we knew it we were out on Superior sailing the practice race. It was a great welcome — freezing weather, pouring rain, very heavy gusts of wind that died 15 minutes later, so much so that we had to paddle in and BIG TIME tension in the boat. I'm sure Alison, (my fellow crew member) and I would have gone home if we could have. Perhaps it was the tension of the big race but we needed to have a pow-wow afterwards to calm ourselves down. I needed more than that so I walked back to the hotel.

All was soothed by dinner time when we joined our fellow Torontonians and the Montreal contingent for a dinner across the street from the hotel. Italian wine can be a wonderful thing sometimes.

As for the races themselves, all were run in less than stable wind conditions. We were about 1½ miles from shore but influenced by the large hills and grain elevators behind the city.

The first day saw winds of about 20-30 knots, this was going to be exciting. The first race started on time, for all but Larry MacDonald, and we had clean air and rounded first at the weather mark. The fleet played follow the leader for six legs while the entire fleet coped with shifting winds. We spent a lot of time trying to figure out where the marks were ... this is a BIG lake. Our finish was a very exciting tacking duel with Peter Hall. If ever I wished I weighed 30 more pounds (something I never do) this was it. He beat us out by a nose for first.

The next race was a blur. David, the nervous skipper, had settled down, MacDonald had disappeared into the distance (how does he do that?) and Peter Hall made us chase him.

The entire first day of racing was about the same. I've never worked so hard. The winds were constantly building and we had several dead runs in 25 plus breeze.

We were in first place after the first day — for about 2 hours anyway. When the protest committee got together, they justifiably decided that Larry had gone back and restarted correctly and Peter Hall successfully won an over early protest. Oh well, third wasn't bad.

The second day saw similar conditions — except it hurt more. We sailed two races and Peter Hall and Larry continued to sail well; Mark Osterman and Tony McBride gave us a serious run for our money.

In 25 plus winds, Peter and Larry were the only ones flying kites. Brave or crazy, we're not sure. Then at the back of the fleet some brave locals hoisted so we decided what the heck. Up it went and we were immediately airborne putting a satisfying distance on the boats behind. This was cruel and unusual punishment. We had no more body parts left to put outside the boat, still, the Thunder Bay heavies kept gaining. (I hate when that happens). The wind was up and down and from every direction. We had a somewhat less than rewarding second day that got off to a lousy start when we broke our boom vang on one of those high wind runs. However, we got a respectable finish in the first race of that day, with Larry long gone in first.

We had one more race and the end of the second day showed Larry in first, Peter in second and we were third. Mark and Tony were very close behind. Finally it was over and we hauled our weary bodies off to dinner. The Yacht Club hosted an exceptional fish fry that was enjoyed by all.

*Winners of Canadian Open and North American Championships: Trevor, Ian, and Larry.*

We were out early the last day — big mistake — when was the last time you saw frost on your boat cover in August? We toughed it out and were still hopeful ... the Worlds in Brazil were in sight but it wasn't easy and it was undecided till the dying seconds with some tough competition. We had written off Peter and Larry but Osterman and McBride were still in the hunt with us. David had worked out all the possible combinations to end up third. The race committee set up for a westerly. The wind died, the rain came and Sprague was so far from the line when the gun went we almost quit. We headed north hoping for wind but it never came. We tried to hang tough. At what seemed like the 29th gybe mark of the day, with our chute on the wrong side and Tony on our back we knew we couldn't afford to mess up the hoist. Of course

we did. We just sailed our drop race.

In the end we still made third position in the standings. Overall, I think we did some good sailing and definitely got a bit lucky. Congratulations to Larry and Peter, and thanks to Mark and Tony for the motivation.

I'm sure I speak for everyone when I say a large thank you to our hosts at the Thunder Bay Yacht Club. It's a beautiful city. I won't forget the wonderful view across the lake and the people lived up to what I am finding is the highlight of the Lightning Class — fun, friendly and very hospitable. Regattas don't happen without a lot of work and effort. A special thanks also to everyone involved for all their efforts. It was a great event.

# Adrian's Excellent Adventure

By Patrick T. McBriarty

Things were looking good in preparation for the Canadian Open. Our skipper and I had been sailing frequently. Our third crew for the Canadian's was Bonnie Hawkins and for the NA's Christine Simonson. The boat was ready and I really felt that during the coming two weeks our sailing would gel and provide solid results which had eluded us all season.

Throughout the summer we were always one or two races from breaking into the top five or ten and although we usually had fun this had become somewhat frustrating for me. Similarly, as in our racing there was something lacking for this trip, and it was a vehicle. Unfortunately, the brakes on Adrian's Cherokee had completely gone out. The necessary parts were unavailable and the mechanics weren't really sure what was wrong, but they all agreed it would be expensive. Time and fate seemed to be against us. There was no way it would be ready for the Canadians which, from my perspective, were the whole reason for the trip.

So out of the shadows came by "trusty" 1985, four-door Buick Century Sedan. Hey, it had a hitch (which I installed myself.) It had 98,000 miles, an AM/FM stereo (no cassette player), the original tires, and new wiper blades. Besides it had already towed Mike Huffman's Lightning from Chicago to Milwaukee. Certainly it could make it from Chicago around Lake Superior to Thunder Bay across Canada to Buffalo, NY and back through Ohio, Indiana to Chicago. Sure????!! Why not try? So it was decided we would leave after work on Thursday, drive all night to Canada, and hopefully arrive to do the practice race at 6:00 Friday evening.

After finishing up at work I find I can't locate my car keys or my patagonia pullover. I could have left them where we had lunch or they could be somewhere at work. I just didn't know. The one thing I was certain of is everytime I have a few beers at lunch I get into trouble. I search work for an hour. Freaking. I race to the Huddle (where we had lunch). They suggest checking with the hotel front desk. Why did we have to eat lunch at a hotel run restaurant? The lost and found is closed! Supposedly a maid upstairs checks and doesn't find anything, so I race back to work. It is nearly 7:00. A half hour later, after several phone calls and more frantic searching and my pullover turns out to be hanging on the back of our office door.

Huge relief. The prospect of a road trip has me excited again. I race to the car, turn over the starter, and NOTHING!!! I left my lights on; the battery is dead.

Swallowing my pride, I run back to work and after some embarrassed explanations and a jump start I finally leave Evanston for Adrian's on the south side and I'm already two hours late. We load up the car, mounting a roof top carrier, hook up the boat and head out. Adrian is driving, since I am a wreck. We drive north... .. Wisconsin goes really far north and still we keep driving. We really didn't realize we would be going through Minnesota, but on we go north. Turning the corner at the tip of Lake Superior we head east toward Thunder Bay and Canada.

I end up driving the late shift and am rewarded with a fantastic sunrise somewhere in northern Wisconsin or Minnesota. The dawn reveals hundreds of small lakes and

streams enshrouded by low lying mists and scattered evergreens spread over rolling hills. We finally stop for breakfast in Deluth, Minnesota on the north side of Lake Superior. I am exhausted. I can't believe we still have three or four hours to Thunder Bay. The Buick has only burned one quart of oil so far.

Shortly after breakfast we get a thorough check of the car and boat by the border patrol. We figure Kaiser will never get through this unless he has diplomatic papers.

Two hours from Thunder Bay in the hills of the northern coast of Lake Superior the exhaust pipe comes loose, easily 20 miles from the nearest gas station. My poor Buick can barely make it up the hills. We pull over. I am certain we have a cracked block. Oil is everywhere under the hood and I am ready to use a .45 and put the Buick out of its misery. We are doing to DIE. I should never have found my keys and never agreed to sacrifice my car to this cause. I must be insane.

However, cooler heads prevail. Adrian and I head back the way we came while Bonnie waits with the boat for our return. Two to three miles back we find a parts shop and some guys who are obviously **not** going to help us. But, we are told a guy "next door" happens to have a muffler shop in amongst four or five structures we can just see through the trees. A very large dog is home, and thankfully so is his owner, who may be able to help us. Something about a 12:00 appointment is mentioned (it's 11:30 at the time), but we drive around to the shop anyway. Amazingly, in this back barn is a full-blown hydraulic lift and our guy Larry is originally from the south side of Chicago. After some banging, grinding, and many sparks (which I am certain will ignite the fuel line and kill us all), forty bucks and less than 40 minutes later the muffler is back intact and we are on the road. Unbelievable since we're in the middle of nowhere.

We arrive in Thunder Bay. Total drive time 16 hours and 36 minutes. An hour later we find the marina. After unhooking the boat, Bonnie and I go in search for food and drink. Unbelievably, Adrian sets up the boat while we are gone. After sizing up the competition, some food and a few beers, we decide the practice race is not important, and what is important is a shower and sleep.

It was cold and windy the next morning. We sailed out beyond the breakers and into Lake Superior. The water was really cold, and this was August! The first race we got off to a decent start beating to windward and trying to read the shifts and the wind shadows created by huge grain elevators on shore near the windward mark. The right seemed to pay and we rounded third or fourth after the first windward leg. As the race continued the winds shifted several times making for some good opportunities to gain and lose boats. We fared about average in these conditions and were able to hang on to a 5th.

In the second race the winds continued to build from about 10-15 in the first race to a reported 30-32 knots on the final beat. The wind was all over the place shifting 15-30 degrees, with varying gusts ranging across the race course. The race committee called equilateral every race so we could only carry a spinnaker on one "downwind" leg the second time around. However, the jibes we did do were excellent.

This was our best race by far and we pulled a second or third, good enough to leave us in third place at day end. Larry MacDonald was obviously the one to watch as he got two bullets.

The second day started out much warmer and lighter. As the day progressed it filled and we got some oscillations and varying velocities. Neither the third, fourth, or fifth races stick out in my mind, but we did well enough to stay in 5th place going into the Fish Fry that night. Our worst race of the day was a tenth and I was glad we had finally put together some consistent finishes. I could hardly believe we might actually place. Going into the last day, MacDonald had first pretty well wrapped up with four firsts. Two other Canadians, Hall and Sprague, were in second and third, with Mark Osterman, from Montreal in fourth. Rick Kaiser was right behind us by only two points in sixth (somehow he had made that border crossing without incident). Things definitely looked exciting going into the final race on Monday.

We got on the water early for the last race. Although it looked like rain I didn't care since we were in contention for a top finish. The wind was moderate to gusty and the whole fleet seemed more in tune with the shifts than we did. As a small storm passed in and out of the race course, we were sitting in 17th or 18th with a final beat to go. We were relieved to see Kaiser back here with us and figured on simply covering him. We both played the left away from the rest of the fleet and managed to move up, finishing 12th or 13th for throwouts. Kaiser had failed to put more than one boat between us and finish better than tenth. We figured on being 5th, but two protests against the race committee from the first day by two DSQ'd boats dropped us to 6th.

Although our slide to 6th was somewhat disappointing, I was gratified by our performance and had enjoyed being in

the thick of things during this regatta. Once again we lucked out when it was found trophies would include 6th place. We would get fond memories **and** some very nice plaques to take home with us.

The Canadian Open was great. The awards ceremony was very fun, as awards were given out for just about everything from the boat that had the most fun, to the best "OOPS". All three of us really enjoyed ourselves. We stayed with a couple on the race committee who were most gracious and everyone we met was extremely nice. Of course Thunder Bay weather was challenging with variable conditions, good wind, and solid competition, but that was just another reason to make it well worth the drive.

After the regatta, we spent a couple days enjoying the sights around northern Lake Superior. We took a tour of Fort Williams which featured a reenactment of fort life and fur trading in the late 1800's and some beautiful scenery, waterfalls and a spectacular canyon. Of particular note was the evening following the awards ceremony, which included a hike in the woods, a sauna, wine, cheese and crackers, a swim in the river (which was very cold), and a fantastic dinner at a cabin outside Thunder Bay.

We then headed for Buffalo for the North Americans. On the way we stopped at the oldest operating bed and breakfast on Lake Superior's north shore for brunch, just two hours outside of Thunder Bay. Then to cap off the afternoon we rented kayaks and paddled around the nearby islands before heading on. Two days travel through the Canadian wilderness, the North Americans at the Buffalo Canoe Club, and the drive back to Chicago with Grandma followed and provided other adventures.

Suffice to say we made it and so did my Buick. Thank you very much!

# 1992 Junior North Americans

By Warren Emblidge

This years Junior NA's were held at my home club, the Buffalo Canoe Club. The nineteen boat fleet that assembled looked fairly strong; especially fellow "Canoe Clubbers" Tom Starck and Steve Roseberry.

The first day of sailing brought typical wind from the SW at 15 knots which brought along a large chop. Tom demonstrated excellent upwind speed and downwind control, and by the end of the day had tallied up two bullets. We finished the day with fourth and third place finishes, which left us in third place, one point behind Steve.

The third race was again sailed in 15 knot winds and chop. At the start, we found ourselves ducking the entire fleet on port. Tom once again worked a big lead on the fleet, but we closed the gap by playing the middle on the second and third upwind legs. Tom finished first with us close behind in second. Steve finished in fourth, giving us a one point lead in the race for second place.

The fourth race was sailed in diminishing winds from the SW. The left side of the course showed more wind velocity, so away we went with Tom and most of the fleet. We figured to be in second place when a 10 degree lift hit us. We held the tack, hoping it would come back down, but it didn't. When we tacked back in, we found ourselves deep. Steve crossed us with an incredible lead which he continued to increase throughout the race. Tom made a nice comeback to finish second, and we managed sixth. At the end of two days of racing, we were four points behind Steve and ten points behind Tom.

Day three of the regatta brought light winds from the South and plenty of slop from the day before. The Race Committee was hesitant to start the race, and postponed until a breeze filled in from the East. Light southeasterlies are very unstable in Abino Bay, and we figured that the wind would oscillate between South and East, so we decided not to commit to either side of the course. Most boats went into the bay off the start, and got knocked coming back in on port tack. Playing the middle brought us several isolated breezes and starboard tack lifts which gave us a substantial lead at the windward mark. The wind continued to die, and on the third leg, only tight reaching would keep the chute filled. Our lead decreased as wisps of wind found their way down the course. The Race Committee shortened the course, as we rounded the leeward mark in first, on our way to winning the race and the regatta.

Teamwork is an important part of any activity, and I'd like to especially thank my crew of Pat Buckley and Amy Tillou for pulling together in little more than a week for a true team effort.

I'd like to especially congratulate Tom, with crew of Martha Wilson and Guy Adema who will be joining me in Vina del Mar this October for the Youth Worlds. Also, congratulations to Steve and Beau for sailing a great series. Finally, I'd like to thank Dave Adams, Curt Montgomery, and the rest of the Race Committee for an excellent regatta. Good luck to everyone next year — it's been fun!

*Pat, Amy and Warren*

*How they did it!*

# LIGHTNING covers

## *made by sailors for sailors*

**MATERIALS** — Covers for your sailboat are made of a preshrunk poly cotton canvas treated to repel water and resist mildew or the new durable 100% acrylic fabric. This acrylic fabric is water repellent, mildew resistant and will withstand years of marine weather.

**CONSTRUCTION** — All covers are expertly sewn with strong mildew resistant dacron thread and feature rustproof brass grommets. Grommets are properly spaced for individual method of tie down. All covers have special reinforcements. The heavy-duty molded vision zipper is corrosion resistant and self-lubricating. It will operate smoothly despite mud and sand. This zipper has excellent resistance to both heat and cold.

**SAME DAY SHIPMENT DIRECT FROM THE MANUFACTURER.**

**COCKPIT COVER**  
Double stitched seams, heavy duty Vision zipper adjustable mast collar. Strategically placed grommets for securing

Pearl Gray Duck ..... \$ 72.70  
Acrylic ..... \$108.00

**COMBINATION DECK/COCKPIT/COVER/  
LAND STORAGE**  
Covers entire deck, includes adjustable Velcro closures for stays. Vision zipper bow and stern vents, synthetic draw rope and adjustable mast collar. Indicate Boom position when ordering. Center and Port Boom Available.

Pearl Gray Duck ..... \$214.95  
Acrylic ..... \$292.65

**TRAILING/STORAGE COVERS**  
With Vision Zipper ..... \$267.25  
Zip away top for easy installation and access to cockpit. Reinforced patches at critical stress points and protruding deck fittings. The straps and D rings strategically placed for final securing. Center board area has reinforced drain holes.

**MAST COVER** ..... \$75.25  
**WOODEN MAST COVER** ..... \$86.20  
Protects all fittings and halyards. Dot fasteners and full length zipper for fast, easy closing. Red trailing flag included.

**RUDDER COVER** ..... \$29.50  
Flannel lined water and mildew resistant canvas. Lightweight and easy to store. Quick closing dot fasteners.

**FREE repair kit** (list price \$3.00) with any order of \$35.00 or more. Domestic shipping charges prepaid. Add local sales tax on New York shipments. Visa and MasterCard accepted. Send check or money order and address to:

# Lightning Women's North Americans

By Cory Sertl

About ten days before the Women's, Abby Ruhlman left a message on my answering machine that Kathryn Josenhans and she needed a skipper for the Women's. My husband, Mark, who had already listened to the message, gave me thumbs up to take the boat and a few more days off work!

With such an experienced crew how could I say no? Since I rarely get an opportunity to steer the Lightning, I spent a little extra time at the Oswego Regatta the next weekend paying attention to all of the setup tricks: mast blocks, how many turns to put on the lowers, how tight to put on the backstay, etc. — all things as a crew I take for granted that my skipper knows how to set up. I made a few simple rules up for what changes to make in certain conditions and decided not to worry any further about boatspeed — just keep it simple and I couldn't screw up too much.

I drove into the BCC parking lot on a rainy Tuesday morning looking forward to four days of racing with two really fun people. After a lengthy measuring process, mostly waiting in line socializing, we finally got out on the water for some practice. This was mostly practice for me since my crew had their jobs down pat.

Wednesday gave us beautiful sailing weather 8-12 knots for the morning race 15+ in the afternoon. There was a close racing all day between the top three, ourselves, Hannah Swett and Betsy Alison. At the end of the day we were tied with Betsy, each with a 1, 2 and Hannah was not far off with 3, 3. The racing was close and alot of fun, a mistake on the part of any of the teams was quickly capitalized on by the boat behind. The reaches were tight and the jibes challenging!

The next day, Abby, our spinnaker trimmer, was pleased to see light to moderate conditions so she could get a bit of rest from the windy afternoon the day before! Our team decided before the third race that we should stay close to Betsy and cover her closely if ahead. In both races I had miserable starts and really had to concentrate to recover. Kathryn helped us to pick up some good shifts and with some good boatspeed we managed to get back in the game and made sure we were ahead of Betsy's team at the first weather mark.

In Race 3, Judy Walker showed tremendous speed to round the weather mark in first. We passed her halfway up the second beat only to have her sail around us again to round the weather mark first again. We managed to pass her on the last beat, but Judy sailed well to finish second in the race.

We had a particularly exciting fourth race for first place with Hannah, who matched us tack for tack up the second beat. We managed on one exchange to get a little bow out with free air and ended up forcing her to tack away. Hannah, not happy to have been passed, made sure to keep second by covering Betsy the rest of the race.

Thursday's racing made Friday a little easier for us. Betsy had a 2,1,4,3. We had a 1,2,1,1 and Hannah had a 3,3,3,2. We waited for some breeze and finally started in a very light, fluky East wind. Betsy played the first shift perfectly and had an early lead. We struggled to stay in phase and not to stray too far away from the group. Betsy rounded the weather mark first and we were a distant third. Abby did a tremendous job of light air spinnaker flying made very tedious by the presence of swarms of annoying bugs and ever lightening conditions. We drifted close to the top two boats and were able to get to the filling wind first to round the leeward mark just ahead of two boats to go on to win the final race. Betsy held on for second, and second overall.

# 1992 Masters Championship

By Jim Crane

The Buffalo Canoe Club, the site of many, many Lightning Championships, hosted this years Masters Championship. This setting enticed the most competitive field to yet compete for the Championship. Tom Allen, Bruce Goldsmith, George Fisher, Stu Anderson, John McIntosh, Jim-Carson, Dick Hallagan, Bob Crane, Cal Schmiede, Sandy Huntsman and a host of other past legends lined up for the first gun. If you could turn back the clock, it could have been the Blue Fleet in 1960 or 1965.

My perspective of the regatta was from the middle crew position aboard Bob Crane's boat. This was a special regatta for us because it was the first time in at least 15 years that my father had steered a Lightning. Over the years we had sailed as a team with my Dad crewing for me when I won the Mid-Winters and placed second in the Worlds in Buenos Aires in 1969. As a skipper he finished second to Tom Allen in the 1960 North Americans. But it had been a very long period of time since my Dad had stepped foot in a Lightning and at the young age of 72, our goals were first to have fun, and secondly, to do everything possible to beat my Dad's old sailing buddy and rival John McIntosh.

The first race was sailed in a beautiful 10-12 knot southwest breeze. The fleet broke clean from the line and at the weather mark my father-in-law, Tom Allen, led followed by ourselves and George Fisher. The reaches didn't change the positions except we were able to whittle Allen's lead down to a boat length. On the next beat we found a little extra speed and were able to slip by my father-in-law. At the finish it was Crane, Allen and Fisher.

Race two was a carbon copy of the first race with a sparkling southwest breeze. Tom Allen again led at the top mark with our boat on his heels and, I believe, John McIntosh third. The positions held until the run of the Olympic course. With the wind softening, Allen elected to play the inshore side of the course. The Crane boat, farther out in the

lake, found a little extra wind slipping by the Allen boat at the leeward pin. McIntosh held third. Nothing notable happened on the last beat with the Crane boat taking the gun. Allen second and McIntosh third.

After two races the Crane boat had a 1, 1 to Allen's 2, 2. To say the least we were more than a little surprised at our unexpected performance. With one race to go we hoped we could keep it going.

The last race presented a whole new set of conditions. The wind had shifted around to the south-southwest and was very unstable. There was a nasty left over sea that made steering in the three knot breeze an exercise in patience.

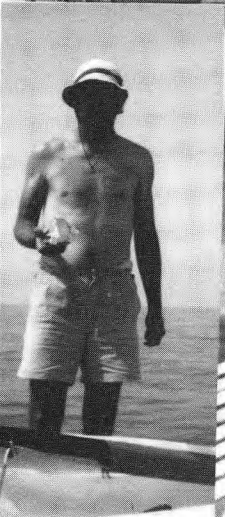

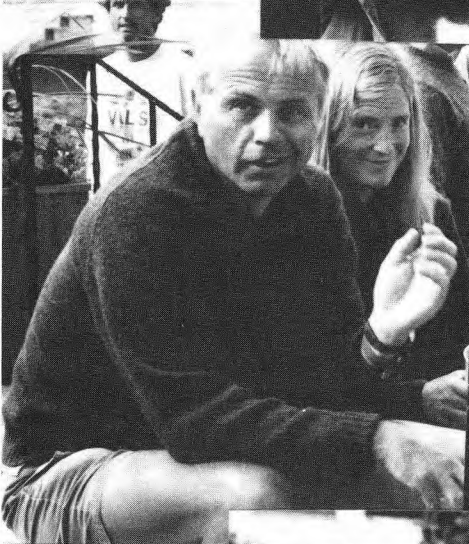

At the start the fleet wanted to head south, out into the lake. We had a good start heading in that direction with my father-in-law to leeward of us. We held this position until a header arrived offering us the option of tacking. He, to leeward of us, tacked first but still behind us. The logical decision as we converged was to tack on him, because, first, we needed to beat him to win the regatta, and, second, the header made it a wise decision. A lively debate followed in our boat and we decided not to tack because, first, he is my father-in-law, second, his daughter, Brenda, was our third crew (also my wife), and third, he was our host for the week and there was some doubt whether we would get fed if we really laid a tack on him. We let him go. We extended our port tack about 100 yards and then followed on starboard. As luck would have it the wind then shifted more into the east putting Allen well ahead of us. He went on to finish second in the race to our tenth.

In the end Tom Allen won his first Masters Championship with the convincing finishes of 2, 2, 2. The Crane boat placed second with George Fisher in third. While we were disappointed with our final finish nothing could take away the unexpected joy of the first two races. It just goes to show you are never too old!

# 1992 Qualifying Series

By Matt Fisher

The 1992 North Americans' Qualifying Series was held in a variety of conditions this year off the shores of the Buffalo Canoe Club. This is a strange article to write since there were twelve separate races sailed and my crew of Ned-Roseberry and Joe Starck obviously sailed in only four of them. Also, I think the reason I'm writing this article instead of Tim Healy (his team also had scores of 1-1-2) is either because F comes before H or 14045 is older than 14341. We were just tagged with the bad luck of winning the Qualifying Series. Anyway, I'll try to describe what was going on without too much detail.

Sunday dawned as the first day of six when the weather forecast was significantly inaccurate. The Buffalo weather prior was calling for Northwest wind 15-25. The day actually turned out to be an almost typical Canoe Club day but with the first race being 15 out of the SW and the second race dying to 10 out of the same direction.

The first race felt like it was going to be windy. Everyone was wondering if the infamous Buffalo right side would be mandatory. In our fleet, Dave Peck showed us that, indeed, the right side would be favored. But we won our first race with Dave a close second. Jim Crane and Larry MacDonald won their fleets also. All we heard in between races was that "Larry won by a mile", about 15 times. The Canoe Clubbers

really like it when Larry wins so it was a very happy week.

In our second race, Jimmy Allen found the right side to his liking and won the race. I sailed about 15 weather legs at the Canoe Club this year before the N.A.'s and I'm pretty sure that Jimmy owns the water rights near Pt. Abino. He doesn't play the right side, Jimmy goes right hard! It usually works. We were second in that race. Tim Healy and Phil Lotz won the other two races.

Monday, the second day was much lighter (5-8 mph) with winds still out of the Southwest. Mark Sullivan, Steve Thomas and Jim Crane were all race winners. The last race saw our boat, Phil Lotz and Tim Healy all win.

The qualifying is a tough, strange series. The top three in the finals of the Presidents' Cup qualified in the same order, but the average qualifying position for the top ten in the North Americans was 15th (should be 5th?). I think this was a very tough fleet overall. There really weren't very many first timers in the Blue Fleet and it seemed that three fourths of the Green Fleet are ex-blue fleters.

I'd like to congratulate Larry MacDonald, Trevor Born and Ian Jones for sailing an outstanding series in the Championship regatta. Their consistency and ability to stay in the top five in nearly every mark rounding was superb in this fleet.

## N.A. Qualifying Series — 1992

# 1992 North Americans

By Dave Starck

Do you recall the last time a sailor won four races in a six race (w/ one throwout) series and lost the regatta? Unfortunately for Matt Fisher, the 1992 North Americans brought back some memories of the '91 Worlds in Annapolis. Although the scenario was a bit different, grabbing defeat from the jaws of victory is something Matt will be looking to change before traveling to Brazil this May.

Yes, the '92 NA's had their ups and downs for many sailors, but the event was truly a *classic*. The sailors witnessed *classic* BCC weather conditions off Point Abino, competed against many of the *classic* sailors in the class, and enjoyed the *classic* hospitality of the Lake Erie District and Fleet 12.

With a turnout in excess of 125 teams, it was a treat for me to compete with the best. I must say, however, from looking through the results, all three flights were extremely tough. I am thankful the qualifiers went well for us because competing in the President's or Governor's wouldn't exactly have been a party!

After the qualifiers had been sailed and the top flight determined, my team (1980 Youth World Champ — now semi-bald and married Kevin Robinson and my brother, Tom, the 1992 Youth World Champion) and were psyched to get the regatta underway. With so many top-notch Lightning sailors present, our goal was to be in the top 10 at the weather mark each race and try to grind down from there. Other than one particular weather mark rounding where

virtually the entire fleet rafted, our game plan for the regatta was successful.

With a variety of conditions witnessed, it was a challenge keeping focused for the week long event. Fortunately, Kevin and I knew we had to put slight restrictions on Tom's night life. We felt a curfew of 11 pm for a 19 year old was fair. We figured knocking only five hours off his "normal" evening wasn't too big a deal. Needless to say, we were all pretty tired by that time and, therefore, abiding by the curfew wasn't a big problem.

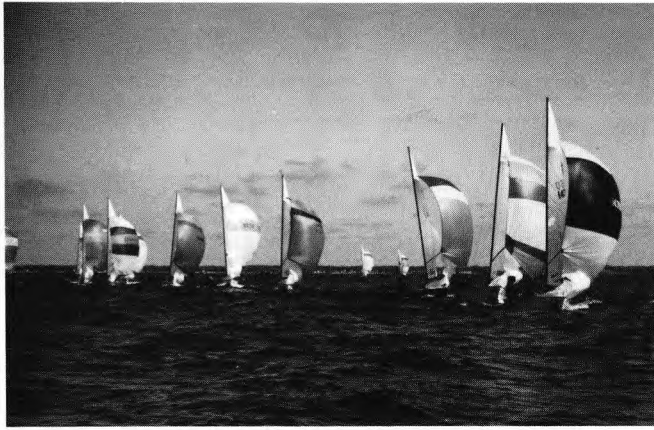

The racing itself was hard fought and tough. It was very apparent that many, many teams showed up well prepared and ready to win. Being slightly more consistent was the difference for the Champions, Larry MacDonald, Trevor Born, and Ian Jones. After tuning with Larry this summer, I knew he would be on the pace. I had a good feeling about our speed and boat handling, but I knew Larry (and Matt) would be in phase. My congratulations goes out to both of them. Also, I would like to congratulate Jr. NA Champion Warren Emblidge, Women's Champion Cory Sertl, Master's Champion Tom Allen, Sr., Presidents' Cup Champion Steve Hayden, and Governors' Champion Scott Finkboner. Nice job to all of you.

My thanks goes out to all the competitors, class officers, and committee organizers. I realize this event would not have been successful without their help and support.

I hope to see you next year in Milwaukee!

'91 Champ Passing the Trophy to '92 Champ

# 1992 Presidents' Cup

By Steve Hayden

After finishing the Qualifying Series, our team was presented with quite a reality check — one point out of the Blue Fleet. Once we accepted that there was no way to get that last point back, we had to put things in a positive perspective — we were the first boat into the Green Fleet.

My team, from Florida, consisted of Mark Taylor and Barr Batzer. These guys are great. We have sailed together a lot over the past year and were very psyched for Buffalo. Once in the Green Fleet we decided we had to put it in high gear if we were to finish well. As many of us know, the Presidents' Cup is no easy regatta. This fleet finished with the first three boats tied in points and fourth and fifth also tied. Nothing was settled until the last race. Talk about pressure. Fortunately we were leading going into the last race. Although, with a throwout, Tom Allen, Sr. had seven points on us and Bob Harkrider one point behind. Bob Wardwell, Bill Faude, and Mike Huffman were also close behind. Sailing in Buffalo all week showed us that no two

racers were going to be the same. In the last race, we had our share of problems and rounded the first mark deep. Fortunately for us, Tom Allen and Bob Harkrider were back there with us. After some intense, tough, exciting, scary, ugly, great, and hilarious sailing (and drifting), we managed to keep Allen and Harkrider back far enough. Wardwell, Faude and Huffman sailed a good race but were not able to finish high enough to make up the points. It cannot get much closer than this. At first, we were not exactly sure where Wardwell and Faude finished. Upon finding the official scores with our boat in first, we could not believe we had pulled it out. (Can you say monkey?)

I want to thank my team, Mark and Barr, for their super efforts and not ever letting us get down. I always have a great time sailing with these guys. I also want to thank the Buffalo Canoe Club for putting on such a great regatta. We look forward to next year's North Americans in Milwaukee. See you in March on the Circuit.

*Barr Batzer, Steve Hayden, Mark Taylor*

*Bill Faude chases Paul Gelenitis in Race 6.*

Tom Allen (3rd left) and Jimmy (5th left) and Lightning friends from Ecuador.

# 1992 Governors' Cup

By Scott Finkboner

The 1992 Governors' Cup at this years NA's proved to be close and exciting — it was not won until the last race!

I welcomed the New York crew of Tammi Jamison and Craig Thayer — to say they did a tremendous job is an understatement.

The Race Committee did their usual terrific job setting square courses in spite of often shifting winds. Everyone was treated with every conceivable weather and wind condition — drifters, 25 knot breezes with clear skies! A real test thus was created for all contestants!

Our first two qualifiers set us back early — a capsize, DFL, and a PMS! Starting in the Yellow (Governors') Fleet for the first time was a new experience. The large fleet — 43 boats (a record) — was full of competitive sailors. I usually don't do well in large fleets. I was hoping to just sail clean, stay out of trouble, and be as consistent as possible.

**First Race** — Sailed in one of the most beautiful days all year, we started at the favored pin end. Moments later we tacked to port and sailed nearly to the starboard lay line. Rick Kaiser was to weather of us on port and was sailing very fast. Hofmeister followed Kaiser at the weather mark, then us, Wurtzebach, and Schmiede.

The 8-10 knot breezes prevented any passing. Kaiser went on to win followed by Hofmeister and us. The order stayed the same with most of the leaders loosely covering the remainder of the fleet.

**Second Race** — The breezes freshened in the afternoon to 15-16 knots, still out of the Southwest. Again Kaiser started well and held on all the way to the gun. We had a terrible start mid-line and had to battle the entire first weather leg, rounding the weather mark 10th to 15th — way back. Buechner battled Kaiser the first triangle — ending up fourth — a very nice race for him. We played a few shifts picking up a few boats near the finish to take seventh. The entire fleet in this race was very close together at the finish. Lal Burridge loved the strong breeze and took second. After two races, Kaiser had a commanding lead and looked unbeatable and confident. We hoped we had had our throwout!

**Race Three** — Light air caused the Race Committee to postpone and eventually restart very late in the afternoon. Winds went from East to South and finally settled in at four knots from the SW. The forecast was for a Northerly shift mid-day but it never came. At the start we had to luff up to clear the pin. Tacking on the rhumb/left side on Zephyr shifts, we found ourselves rounding the weather mark first, followed by Werley, Maludy and Wurtzebach. We had to do turns as we nipped the mark trying to round. Wurtzebach took Maludy high on the reach and we sailed the rhumb to round the reach mark first again. By this time we were mixing it up with the President's fleet. It was becoming very crowded!

On the final leg I made a choice to cover Harrington on the left. This allowed Werley and Wurtzebach to go right, picking up the gradual shift to the north and taking first and second.

Crit Currie nipped us at the finish when we had to give room to Green fleeters at the pin.

Kaiser ended up 37th but was still leading with this as his obvious throwout. We were in second and tied with Wurtzebach.

**Fourth Race** — A front which passed the night before brought medium winds and rain out of the East. Just before the start the wind exploded to 20-25 knots, pushing all competitors to their limits, especially on the tight reaches.

Harrington took off middle/right and flew the reaches in spectacular fashion. He won by a large margin. The planing conditions finally came to Buffalo! Jibing was treacherous in the 3-5 foot chop and many doused chutes to keep upright. Kinzel sailed a fine race to take second, followed by Kaiser, McIntosh, Wurtzebach and us.

**Race Five** — The wind subsided somewhat to 15 knots but the chop remained. Our goal was to start clean, play the shifts and stay near the front. We were fourth at the weather mark, behind Wurtzebach, McIntosh and Hofmeister. We all took a large lead on the rest of the fleet for the majority of the race.

The winds on the last weather leg were beginning to phase to the right or gave signs of phasing. Rounding the last leeward mark fourth we continued on port. The first three boats were loosely covering each other and appeared to have forgotten about us. As they went left, we continued right, picking up the predicted right shift. Wurtzebach, McIntosh and Hofmeister fell in behind us and we finally got the gun. We had to work extremely hard and smart in this race in the face of the very tight competition.

We were now leading the fleet. Still — it was anybody's regatta — one bad race by us or good one in the final race by Wurtzebach, Kaiser, Harrington, Clausen and any one above could emerge victorious. It was a one final race regatta! — Just like it should be!

**Final Race Six** — During many recalled starts my competitors were covering me at the presumably favored pin end. Fortunately several recalls saved our hides as we were buried on two straight starts. The winds were lessening to eight knots. During the last 15 minutes prior to the start I felt the wind wanting to go to the right! A minute and half prior to the start, I started from near the pin end, sailing through the fleet on port tack, peeling off Kaiser, Harrington and others.

My disguise of wanting to start at the pin end worked as I was able to get to about 3/4 of the way to the boat end. I found a lot, started on starboard and almost immediately tacked to port.

The other leaders went way left, Steve Harris, Cal Schmiede and I tacked up the middle/right side.

Wurtzebach and Kaiser kept going left. Halfway up the leg we picked up a big header, tacked to starboard and had most of the fleet in our window and the three of us led the fleet by 300-400 yards at the weather mark!

Schmiede rounded first, followed by Steve Harris and us. All we had to do was stay in front of our competition and we had it won. The problem was, the wind was dying. We finished second on a shortened course at the last leeward mark.

Harris ended up first, with Bob Cotton third and Schmiede fourth.

I had finally won a large fleet regatta! Tammi, Craig and I celebrated all the way to shore. Again, many thanks to these two persons for their great contributions helping to call wind shifts and telling jokes, etc. I hope Tammi survived the week away from Dick. Aloha — until next year.

# International Lightning Class Association Districts

# Lightning Districts

## BRAZIL DISTRICT

District Commodore ..... Nelson Schmitt  
District Secretary ..... James Sumner  
District Champion ..... Claudio Bieckark  
District Runner-Up ..... Alzir Farias

**Fleets:** Sao Paulo (147); Guanabara (401); Guarapiranga (462).

This year has been very active and competitive in our district. With the 1993 World Championships in Ilhabela just around the corner, preparations and qualifiers are keeping crews and committees very busy.

Our Brazilian Championship was held over Easter weekend in Rio de Janeiro with Claudio Bieckark as 1992 Brazilian Champion, Alzir Farias in second place and Michael Norris in third.

We are having two qualifying championships for the 1993 World Championships. The first qualifier was held in early September in Florianopolis, Santa Catarina. Twenty-one boats traveled an average of 900 kms to join the Florianopolis fleet in a very tight and arduous competition. The first two race days were cloudy with good winds and four races went according to schedule. The last day of competition brought plenty of sunshine but left the winds behind. Both final races had to be cancelled with lack of wind. Final positions were: 1) Fernando Hackerott, 2) Claudio Bieckark, 3) Michael Norris. The second qualifier will be the 1993 Brazilian Championships held in Ilhabela, site of the World Championships a week later. Tight competition is expected since everyone here wants to sail in the Worlds.

Brazil was very well represented in the Junior World Championship in Chile by Gabriel Ferreira, Juan de la Fuente and Bruno Ruthenberg placing third overall.

1993 South American Championships will be held in February over Carnival weekend on Guarapiranga Lake in Sao Paulo. Good competition and training opportunities for the Worlds.

We hope to see you all in Ilhabela and best of luck to all the participants.

## CALIFORNIA DISTRICT

District Commodore ..... Fred Grant  
District Secretary ..... Martha Grant  
District Measurer ..... Bruce Arnold  
District Champion ..... Scott Finkboner  
District Runner-Up ..... John Harrop

**Fleets:** Santa Monica Bay (102); Mission Bay (194); San Francisco Bay (372).

The California Lightning District is made up of only three fleets: Fleet 194 in San Diego, sailing out of Mission Bay Yacht Club, Fleet 102 in Los Angeles, sailing out of King Harbor Yacht Club and Fleet 372 in the Bay Area, sailing in San Francisco Bay. Almost 500 miles separate the Bay area and San Diego fleets, so getting together to sail isn't easy.

The big district-wide regattas and winners this year were (1) the Olympic Classes Regatta in Long Beach, hosted by Alamitos Bay Yacht Club in March. John Lyon took the gold medal, Scott Finkboner the silver, and Kirk Johnson the bronze. (2) The California Circuit in San Diego during spring break in April. This circuit comprises three separate regattas. Scott Finkboner won the Coronado series and the Mission Bay series, and John Lyon won the Marathon. (3) The California Districts, hosted by Mission Bay Yacht Club in June. Scott Finkboner won the Districts, followed closely by John Harrop, John Oldham, Kirk Johnson and Rob Pinkel. (4) The Pacific Coast Championship. This is not strictly a district regatta since it's sailed in Klamath Falls, Oregon every other year, as it was this year. Finkboner brought the trophy back to San Diego. Next year Pacific coast skippers will probably have to travel to Richmond Yacht Club to try for this trophy in windy San Francisco Bay.

*Scott Finkboner — '92 California District Champion.*

Two women's teams from the California District competed in the Adams Cup this year. Sue Arnold and Elissa McQuillan crewed for Stephanie Wondolleck. Sue and Elissa are members of Fleet 372; they already know how great the Lightning family is. San Diego sent Dawn Miller with Kim Hemphill and Sandy Vissman as crew. They hadn't sailed Lightnings until this campaign, and they were extremely impressed with the kindness and courtesy with which they were treated (like royalty, according to Kim), and with the efficiency and expertise of the race committee and everyone involved with running the regatta.

Lightnings in California have a lot of competition from other boats, especially big boats that can be raced all year in the mild blue Pacific, but the class is alive and well out here. Come on out and sail with us. The 27th annual California Circuit is April 4-9. The Olympic Classes Regatta is April 16-18. Come sail the Circuit, take a week to see San Diego, then sail the OCR. A great vacation!

Our 1993 District Commodore is Mike Molina, and the District Secretary is Scott Finkboner. Mike can tell you all about sailing in northern California, and Scott can tell you about southern California. Give one of them a call.

Hello, Leonardo, wherever you are.

## CENTRAL ATLANTIC DISTRICT

District Commodore ..... Richard Thomas  
 District Secretary ..... Mark Schneider  
 District Measurer ..... James Carson  
 District Champion ..... Keith Taboada  
 District Runner-Up ..... Glenn Reiting  
 Junior Champion ..... Mike Buczkowski  
 Junior Runner-Up ..... Joe Buczkowski

**Fleets:** Bay Head (3); Metedeconk River (34); Lavallette (104); Brant Beach (173); Surf City (196); Riverton (228); Barnegat Light (335); Ocean City (430); Tohickon Creek (491).

This has been an interesting year for the Central Atlantic District (CAD's). You could say it focuses around the District Championships. The weather didn't help us this year; unfortunately, Hurricane Andrew blew by during Surf City's Manahawkin Bay Cup, and a powerful "North Easter" (storm) crippled the Little Egg Harbor Yacht Club's Invitational.

We are proud to have had Bay Head Yacht Club hold the Adam's Cup this year which went off without a hitch. This wouldn't have been such a success if it wasn't for those members making their boats available, and for a class with boat builders who take pride in their work. I think everyone there had a great time and left having enjoyed sailing Lightnings on one of our great courses. Before I end this paragraph, I must thank everyone who was involved.

The key regatta for every district is the District Championships, and it should be. With 23 boats attending, Brant Beach Yacht Club provided us with four races on their unique course which challenged everyone there. Keith Taboada, managed to capture the honors by sailing an impeccable regatta. Next year's districts will be held at Surf City Yacht Club, let's see if Keith can hold everyone off there. Keith went on to the NA's and achieved 12th, qualifying for the Worlds.

Following the districts, that Monday, the Junior Championship was held for junior members from the CAD's and the Metropolitan District. Six boats from five different yacht clubs sailed five races resulting in Mike Buczkowski taking the honors followed by his brother Joe both from Metedeconk Yacht Club. They were followed by Howard Brand, David Clausen, Justin Monnig, and Luke Renn. Everyone there had a great time. Joe Buczkowski went on to finish sixth in the Junior NA's, also qualifying for the Junior Worlds. Good luck, Joe.

Other action came from the Jersey State Championship which was won by Allan Crew, the Bay Head Tune Up Regatta won by Paul Gelenitis, Ocean City Regatta won by Mark Schneider, Riverton's Fall Wind-Up won by Dick Hallagan and the Barnegat Bay Yacht Racing Championship won by Paul Gelenitis.

The district consists of fleets all actively sailing their own series races. The fleet activities are an important part in keeping the Lightning active in the area; please read the activities under each fleet.

Next year we are looking forward to another active year. To list some of the regattas coming up: Districts — Surf City; Jersey States — Barnegat Light; Spring Tune-Up — Metedeconk River; Atlantic Coasts — Red Bank; Manahawkin Bay Cup — Surf City; Little Egg Invitational — LEHYC; Fall Wind-Up — Riverton; Pumpkin Bowl — Barnegat Light.

## CENTRAL CANADIAN DISTRICT

District Commodore ..... Jim Cameron  
 District Secretary ..... Innes Martin  
 District Treasurer ..... Kurt Broll  
 District Champion ..... Jim Cameron  
 District Runner-Up ..... Ross Bailey

**Fleet:** Temple Reef Sailing Club (279).

The premier event of the racing season was the hosting of the Canadian Open Championships on August long weekend. The hard work of the members of Temple Reef Sailing Club, Fleet 279, made a memorable event. The expected thermal did not occur until the event was over. However, the Northwest winds did not disappoint the racers as there was an abundance. The winner of the Canadian Open was Larry MacDonald who went on to win at the North American Championships, which obviously proves that the Canadian Open was a good practice race.

The District Championship was broken into two series. The first series was held at Falcon Lake in Manitoba in an attempt to restore interest in

Lightning sailing at the west end of the District. Six boats and crews along with various members of their families travelled the 350 miles to Falcon Lake. The Temple Reef Fleet did particularly well as Jim Cameron, Mark Sandberg and Ross Bailey finished 1,2,3. The second half of the Districts was held on June 27 weekend and the winners of this half were Jim Cameron and Ross Bailey second. Overall District winner was Jim Cameron, runner-up Ross Bailey.

Two boats skippered by Jim Cameron and Mark Sandberg attended the North American Championships at Fort Erie from this District.

Interest in Lightning sailing in this District is being sponsored by Temple Reef Sailing Club by members of this club actively getting involved in Open Regattas in the District. The response has been a renewed interest in Lightning sailing.

Active participation by youth sailors is being actively promoted since the future of Lightning sailing is in their hands. Richard Walsh, Laurie Walsh and Paul Martin attended the Canadian Youth Lightning Championships in Hamilton which shows the dedication of our Northern youth since they had to travel 1000 miles to attend.

There are many Lightnings in Central Canada District. Many owners have to be convinced to return to active racing to improve their own ability and to teach others. Racing a Lightning is a wonderful experience, environmentally safe and it keeps you young. See you on the water.

*A spinnaker reach during the Canadian Open on Lake Superior at Thunder Bay.*

## CENTRAL NEW YORK DISTRICT

District Commodore ..... David Bull  
 District Secretary ..... Daniel Koretz, M.D.  
 District Champion ..... Bram Palm  
 District Runner-Up ..... Mark Sertl  
 District Measurer ..... Clay Murphy

**Fleets:** Skaneateles (1); Lake Delta (4); Newport Yacht Club (77); Willow Bank Yacht Club (164); Henderson Harbor Yacht Club (225); Keuka Yacht Club (252); Galway Lake Yacht Club (338); Ithaca Yacht Club (484); Port Oswego Fleet (485); Selkirk Fleet (498).

The 1992 sailing season in the Central New York Lightning District has come to a close, and we're already making plans for next year. As we do so, we look back on our successful sailing season which began with the seventeenth annual Newport Invitational Regatta held on May 30-31, 1992. There were thirty-one boats attending with sailors from Ohio, Pennsylvania, Buffalo, Canada, and our own district. The winds were erratic, with heavy winds on Saturday (seven boats turned over) and almost no wind on Sunday. As an experiment, the races were sailed using a windward-leeward course and everyone seemed to think that this made the racing more competitive. The top five finishers were Matt Fisher, Dave Starck, Mark Sertl, Jody Swanson, and Dick Hallagan.

The Caz Flash Bash was next on June 13-14 at the Willow Bank Yacht Club on Cazenovia Lake. Attendance was down due to the Hallagan-

July 17-18	Champagne Regatta <sup>1</sup>	Keuka
July 24-25	Eastern Lightning Regatta <sup>1,3</sup>	Henderson Harbor
September 11-12	Harvest Regatta <sup>2</sup>	Silver Lake
September 25	Caz One-Day	Cazenovia

<sup>1</sup> Triple Crown

<sup>2</sup> Central New York — Lake Erie District Challenge

<sup>3</sup> LSLS (Lake Shore Lightning Squadron)

Gocker wedding on Saturday, but those who made it had a great time, both on the water and off. Fleet 164 did its usual great job organizing the regatta and the Saturday night dinner. Tom Doran gave a boat tuning and sail trim seminar after the racing which was very helpful. Tom Doran was the winner, followed by Tadd Helmer, Bob Bush, Jack Jones, and Dick Tuttle.

On July 11-12, the District Championships were hosted by the Rochester Yacht Club in conjunction with the Central New York Yacht Racing Association's annual regatta. This was an effort by our district to showcase the Lightning Class to the many sailors and prospective sailors who come to this event. Dick Hallagan, Mark Sertl and Landy Atkinson did the planning and deserve a round of applause for their efforts. It paid off and 35 boats attended — the most of any of the classes there. The sailing was great and everyone who made it to the line on time could attest to that. The RYC arranged a wonderful chicken dinner followed by a fantastic show put on by the Sky Coasters. The regatta was an open event, so several sailors from the Lake Erie District were in attendance and they did well too. Jody Swanson was second, Jim Allen was fourth, and Tom Starck was fifth. The top five finishers from our district were Bram Palm, Mark Sertl, Frederico Meira, Tom Buechner, and Tom Doran.

July 18-19 found 27 boats attending the ELYC Invitational Regatta at the Henderson Harbor Yacht Club at the eastern end of Lake Ontario. The weather cooperated for most of the weekend, although the last race on Saturday was sailed in a fading breeze and made for a truly fantastic finish giving new meaning to the moniker "tricky Dick." The Saturday evening cocktail party and dinner was, as usual, great and everyone had a good time. Dick Hallagan won the regatta and was followed by Mark Sertl, Bram Palm, Bob Wardwell, and Landy Atkinson.

The Michelob Regatta at Oswego was held on August 1-2. This time the weather didn't cooperate. The winds were over 25 mph on Saturday and it didn't appear that anyone would dare go out of the protected harbor, but while most of us were on shore, we were surprised to see Kirk Reynolds sailing out through the breakwater and spend at least an hour tacking back and forth. He certainly impressed the rest of us mere mortals. The race committee was able to get off two races later that day when the winds died down and three more the next day in more moderate winds. With the support of Eagle Beverages and Fleet 485, the regatta was again a success and western New York sailors are looking forward to another regatta next year. The top finishers were the team of Coleman, Palm, and Coleman who were first; Sertl, Sertl, and Swett who were second; Gonzales, Urzua, and Schacht who were third; Reynolds, King, and Fleckenstein who were fourth; and Hallagan, Snyder, and Webster who were fifth.

The Champagne Regatta was held on August 22-23 at the Keuka Lake Yacht Club. Fleet 252 again did an outstanding job in organizing their regatta and all those who attended appreciated their efforts. The regatta gets better each year. The top sailors in order of finish were Tom Doran, Dick Hallagan, Tadd Helmer, Tom Buechner, and Dave Bull. The trophies were made by Tom Buechner in his glass shop and were truly breathtaking. This regatta was the third leg of which the Triple Crown was won by Tom Doran. Dave Bull was second. Attendance for the Triple Crown was down this year and hopefully more will turn out next year.

The Harvest Regatta at Silver Lake was held on September 12-13. This was the second part of the Central New York — Lake Erie Challenge Trophy and for the second year in a row, the "good guys (and gals)" won by the dint of our skill and numbers. Let's make it three in a row next year.

The season ended on October 3 at the Caz One Day Regatta at Cazenovia. This is the third year for this event which features many (seven this year) short one-lap races which give every-one the sense that if they blow one start or race there's going to be another chance very soon. Lunch was great with two different chili recipes. Maybe next year, everyone will bring their favorite chili and we can vote on the best (and everyone will be sailing in bad air). The protest committee was innovative with each sailor having one minute to present his or her case and the decision was by vote of the other sailors. It was very informal and very enjoyable. The top sailors were Mark Sertl, Frederico Meira, Dick Hallagan, Dick Tuttle and Lori Foster.

Several sailors from our district attended the North American Championships held in Buffalo. Chad Atkins, with Scott Kinsella and Justin Damore as crew, participated in the Junior Championships placing ninth. Dave Bull, with Scott Finkboner and Joan Duncan was eighth in the Masters Championship; Dick Hallagan, with Nancy Barger and Len Tiedemann, was tenth; and Neal Smith, with Eva Smith and Bob O'Kane, was twentieth. Tom Buechner, with Peg Farber and Marty Schad, placed 28th in the Governors' Cup. In the North American Championship, Mark Sertl, with Cory Sertl and Brad Swett, was 23rd; Dick Hallagan, with Bob Bush and Lori Foster, was 24th; and Tom Doran, with John Germain and Ray Cudney, was 26th.

As can be seen, Lightning sailing in the Central New York Lightning District is alive and well. We hope and expect that it'll be even better next year.

## COLOMBIA DISTRICT

District Commodore ..... Rafael Gutierrez  
District Secretary ..... Jochen Raute  
District Measurers ..... Rodolfo Salmang/Felipe Castillo  
District Champion ..... Philip Jacob  
District Runner-Up ..... Juan Carlos Uzategui  
District Junior Champion ..... Miguel Gonzalez  
District Junior Runner-Up ..... Juan Carlos Recaman

**Fleets:** Club Nautico del Muna (73); Club Nautico del Portillo (501).

Good year for the District of Colombia which comprises Fleet 73 from Club Nautico El Muna and Fleet 501 from Club Nautico el Portillo. We have 38 boats, 20 of which have registered their crews and skippers to the ILCA. A summary of the main activities follows:

1) February, 1992. Seven boats and crews along with the families participated in Salinas, Ecuador in the South American and the Salinas Tomine Regattas. We had a wonderful time - 2 weeks sailing, excellent championships and a good to fair showing. The ocean is not the best friend to sailors from the District of Colombia where 10,000 feet above sea level, cold temperatures 10-15°C, low tides, waves and calm and puffy winds are our secrets. Wives and children enjoyed the sea, we, the sailors, struggled with the waves.

2) District of Colombia. June 27-28-29. Hosted by Fleet 501 Club Nautico el Portillo, 12 boats participated. Excellent championship, dramatic moments and finally the championship went to Philippe Jacob/Santiago Douat/Felipe Castillo. A good summary of this District was sent to the ILCA.

3) The Colombian Nationals, August 22, 23, 29 & 30, hosted by Fleet 73 - Club Nautico el Muna, 21 boats registered, excellent commercial sponsorship and championship. The Champion, a very strong and aggressive young skipper Juan Carlos Uzategui (second in the District) crewed by Jochen Raute, our District Secretary.

4) Sent a crew to Vina del Mar, Chile, for the Lightning Class World Youth Championship. We had a fair showing, but it really created a lot of interest in the young sailors. Over ten boats participated in the selection.

**GOOD THINGS:** Coming up strong: Rudi Salmang/Richy Salmang (3rd District, 5th Nationals); Richard Deeb (2nd Nationals - See picture, 04 Richard, 2 Rudi); Fernando Venegas (5 & 6). A lot of interest to sail, good boats, and excellent Clubs hosting the sport **AND MORE IMPORTANT, A LOT OF YOUNG SAILORS.**

**BAD THINGS:** A minority of adult sailors are creating a negative image by their unsportsmanship behavior by solving their internal problems in the regattas. A lot of effort and energy is being burned by the District officers solving these problems. We have to correct this.

For all of you, Merry X'mas and a Happy and windy 1993 from Colombia, South America.

*At the Colombian Nationals — Richard Deeb, 04, finished 2nd, Rudi Salmang, 2, 5th.*

## CONNECTICUT RHODE ISLAND DISTRICT

District Commodore ..... Tom Ingram  
 District Secretary ..... Lori Davis  
 District Measurer ..... Dave Dickerson  
 District Champion ..... Dave Peck  
 District Runner-up ..... Tim Healy

**Fleets:** Niantic Bay Yacht Club (85), Cedar Point Yacht Club (126), Madison Beach Club (129)

Once again in 1992, CT/RI sailors enjoyed a full season with well run district/club events and success at the National level. We owe our gratitude to the race committees, clubs and fleet volunteers who support Lightning racing in Long Island Sound. In addition, the CT/RI District is fortunate to have a combination of involved sailmakers, active juniors/collegiate sailors and accomplished adult racers who provide an environment to improve us all. This year's events offered some of the toughest competition you can find in Lightnings. We've also enjoyed some new faces on and off the water with the mini baby boom in recent years, converts to our class and friendly visitors from outside the district. It's fair to say it was a FUN year!

The year started with a bang, with six CT/RI teams participating in all or part of the Southern Circuit. Four of our boats finished in the overall top ten with Jody Lutz of Cedar Point taking first. Ched Proctor was 3rd with the team of Phil Lotz and Jim Crane 6th and Brad Read 7th. One of Niantic Fleet's founding teams, Nelson and Helen Hoffman, were at St. Pete in spirit with *Puff-Puff* being sailed by the Vanns. Heidi Dickerson led her sister/father team to a strong finish in Savannah and handled the wind well in St. Pete.

Back on home's colder waters, the District began a five event schedule with the Early Bird Regatta hosted by Cedar Point. Still in high gear and in a new boat Phil Lotz had two bullets the first day and in his words came back from the dead on Sunday to win the event. Jody Lutz, Dave Peck, Brad Read and Keith Taboada rounded out the top five.

Madison Beach Club provided an elegant setting for this year's Districts. Sailors were treated to a moderately strong 'yet shifty' northerly on Saturday followed by cocktails and endless sea stories on the porch overlooking the Sound. Sunday proved to be for many District sailors, the most frustrating conditions we saw all year. When it was over, Dave Peck prevailed to repeat as District Champion and Tim Healy was Runner-Up. Jim Crane, Ched Proctor and Chris Vann were 3, 4 and 5 respectively.

District Commodore, Tom Ingram found no lack of applicants for the coveted NA slots.

Niantic Bay was host for the Atlantic Coast Championships which attracted a fleet of thirty-six boats from all of the New England States, New York, New Jersey, Pennsylvania and Maryland. After three challenging light air races in which visitors were quoted to comment that there is a clause to the going right rule at Niantic, Tim Healy won his THIRD ACC IN A ROW! and retained the Schwartz Memorial Trophy. Dave Peck, Bill Healy, Jack Huntsman, Phil Lotz, Jon Schwartz, Brad Read, Franz Edson, Jody Lutz and Don Barrett completed the top ten.

Twelve boats, countless crews and support teams found their way to BCC for this year's NA's. Of those twelve CT/RI teams, seven finished in the top twelve of the Championship Fleet! As successful as we were on the water, our District also immersed itself in the social events as well. One woman skipper had set a pre-regatta objective of enjoying the event and finding out what the NA's were all about. How'd that work out T.P.? The combined CA/CT Oldham team has 'Origins' and 'Body Shots' to remember. Another District crew, observed that our young Niantic teams shouldn't be disappointed with top ten finishes, they won the party.

On the water Jim Crane, Bill Crane and Brian Hayes led the CT/RI finishers, in fourth place. CT to CA transfer, John Oldham, was seventh, topping a pack of CT/RI boats including Bill Healy, Phil Lotz, Brad Read, Dave Peck and Tim Healy in eighth through twelfth positions respectively.

Niantic Bay's Governor's Cup in September attracted strong women's teams tuning up for the '92 Adams Cup. District Champion, Dave Peck remained true to form finishing 1st, with Betsy Alison and Joni Palmer in 2nd and 3rd. Don Barrett and Theresa Parker rounded out the top five.

The final District event was won in convincing fashion by Don Barrett. Don also won the combined Governor's Cup — Fall Classic Trophy. Larry Colantuano, who has been seen in CT/RI waters frequently this year, Lightning newcomer Pete Kelly, Gianni Cuccio and George Deyett were in the money.

No rest for the weary!! CT/RI District was represented by two teams at the U.S. Women's Sailing Championship Adams Cup finals. Sailed in Lightnings, the series had many competitors from the ILCA. Jody Swanson, Cory Sertl and Abby Ruhlman took National honors as the CT/RI team of Theresa Parker, Debbie Hopkins and Barb Vann overcame another District Team of Betsy Alison, Pat Raymond and Marshall Lawson in a tightly contested battle for 2nd.

So ended an exciting and full year. Our District's sailors thank outgoing Commodore, Tom Ingram. Please note that our 1993 District Schedule will include a change. Niantic Bay will hold the Governor's Cup on June 19, 20.

**WE INVITE YOU TO JOIN US IN 1993 TO HAVE FUN AND RACE LIGHTNINGS!**

## CONNECTICUT/RHODE ISLAND

### 1993 DISTRICT SCHEDULE

May 22 & 23	Early Bird Regatta Cedar Point Yacht Club
June 19 & 20	Connecticut Governor's Cup +* Niantic Bay Yacht Club
July 10 & 11	<b>DISTRICT CHAMPIONSHIPS</b> Niantic Bay Y.C.
Sept. 18 & 19	Fall Classic* Cedar Point Yacht Club

\*Combined Trophy

+NOTE: CHANGED FROM SEPTEMBER TO JUNE!

*Dixie District Sailors at the SSA Annual Regatta — Those pictured with friends are Doug Heussler, Bucky Buchanan, Barb Heussler, Carol Mertes, Jeff Burns, Fred Mertes, Simeon Coxe, Wanda Delorme, Kathy Coxe, Rick Paullin, Phil Grotheer and Christy Dillard.*

## DIXIE DISTRICT

District Commodore ..... Ronald Grotheer  
 District Secretary ..... Howard Edson  
 District Measurer ..... Dave Racine  
 District Champion ..... Fred Mertes  
 District Runner-Up ..... Howard Edson

**Fleets:** Washington, DC (50); Susquehanna (253); Sassafras River (314); Rehoboth (325); Severn River (329); Swift Creek (496).

1992 was a very good year for the Dixie Districts. Attendance was up at all the regattas with some new skippers emerging from their crew days. Fred Mertes was the skipper to beat this year. He won seven out of eight regattas entered including the District Championships. Bob Wardwell was always present and in the hunt for the top spot in the races he entered. The brothers Grotheer are very pesky and are the new breed of racer within the district. Watch out for these two because they both have their own boats now. We missed Simeon Coxe (without boat) who is always a very tough competition. The Dillards have gotten back into racing with Jim attending many regattas and daughter Christy emerging as a pretty good skipper in her own right.

The Dixie District Championships were combined with the Delaware Governor's cup this year. Attendance was up and hopefully will continue to rise. The regatta went to the last race with the top four boats within six points of each other. Fred Mertes won on a tie breaker with Howard Edson second and Bob Wardwell third. Four boats then proceeded to the NA's in Buffalo with Wardwell and Grotheer in the green fleet and Edson and Dillard in the yellow.

## ECUADOR DISTRICT

District Commodore..... Francisco Sola T.  
 District Secretary ..... Jose Manuel Gonzales  
 District Measurer ..... Miguel Plaza  
 District Champion ..... Miguel Plaza, Jr.  
 District Runner-Up..... Miguel Plaza

**Fleets:** Salinas Yacht Club (405); Club Nautico San Pablo (447).

For yet another year the Ecuador District had plenty of activities during 1992. But best of all, we had a year full of trophies!

It all started with the III Annual Cup of Champions, sponsored by American Airlines, to which we invited Larry MacDonald, Jody Lutz and Matt Fisher, all of whom had just won the most important Lightning regattas in the world: the North Americans, Worlds and Pan Am Games. The results: we beat them all! The teams of Paco Sola, Sr., Juan Carlos Plaza and Juan Santos occupied the three first spots, leaving our guests in 4, 5 and 6. It was a beautiful regatta in which everyone enjoyed themselves.

Then came a back-to-back regatta. First, the Salinas Yacht Club hosted the II Annual Salinas — Tomine Cup (a friendly Ecuador-Colombia regatta), which was also dominated by Paco Sola, Sr. and his crew of Ricardo Sola and Kike Granja. We were quite happy to have seven boats from Colombia participating in the races.

Right after the Salinas — Tomine we were hosts of the XXXVIII South American Championship, which had a record showing of twenty-nine boats. All the time spent preparing for this wonderful regatta was well worth it when our good friends Juan Santos, Oscar Viteri and Werner Moeller came on top of a very competitive fleet and dominated the six race event to capture the South American title.

The Districts were held in July, and this regatta was for Miguel Plaza, Jr. to show us how to steer a Lightning. Beware of this guy in a very near future! His half proud-half upset father came in second this year after a very tough series.

Enough for the winning streak. Ecuador was also represented at the North Americans in Buffalo, and although the results were not as expected, our two teams had an excellent experience and helped Larry MacDonald celebrate his second North American title. Then it was our junior teams of Miguel Plaza, Jr. and Esteban Meira who represented us in the World Youth in Chile. Miguel had an excellent performance and finished fifth in the regatta. Esteban didn't do as good but definitely acquired a lot of knowledge from this exposure.

Fleet 411 of the Naval School acquired two new boats during this year, and although the fleet was not re-activated for 1992, it will be active during 1993 with at least three boats.

There are also hopes of activating Fleet 447 of Lake San Pablo during 1993. We tried to organize a get together regatta for November 1992, but

time was against us and we finally had to quit the idea.

The Ecuador District looks forward to a wonderful 1993, and wishes all its sailors good winds and great wins.

*The Junior teams who went to the World Youth in Chile (l to r): Jose M. Gonzales, Justus Kemplerer, Miguel Plaza, Jr., Helmuth Kemplerer, Esteban Meira, Francisco Pons.*

## FINLAND DISTRICT

District Commodore ..... Antero Punttila  
 District Secretary ..... Sirkka-Liisa Laitinen  
 District Measurer ..... Jari Aromaa  
 District Champion ..... Pertti Pyy  
 District Runner-Up ..... Rainer Korhonen

**Fleets:** Helsinki (166), Oulu (307), Kemi (310), Jyvaskyla (328), Tuusulanjarvi (456), Valkeakoski (468).

During the 1992 season in Finland we had a little increase in the number of membership dues. Some new boats and crews appeared at the events which were arranged by our district. Also before the end of the year we will register a new fleet in Kuopio which is situated in the eastern part of Finland.

We made a smooth landing to the past season by arranging a weekend Sail & Ski Seminar in Korpilahti, at the end of March. The whole day Saturday we spoke about sailing theory and in the evening we had the badminton championship before a sauna party. The badminton Champion is Leo Korhonen and runner-up Hartti Nisonen. Sunday morning most of us went to ski at Himos, which is only 20 kilometers from Korpilahti.

From May to September we sail the ranking series which consists of eight different regattas around Finland. The ranking 1992 Champion is Rainer Korhonen with crew Leo Korhonen and Kari Salonius.

The 40th European Championship together with Finland District Championship were hosted by Kuopion Pursiseura in the middle of July. Over thirty boats from Finland, Greece, Italy and Switzerland participated. After very tight competition we got a new European Champion, an Italian, Mario Noto with crew Fabio Spano and Francesco Parrinello. The best Finnish team, Pertti, Leena and Maija Pyy, was fifth.

After twenty years sailing in the Lightning class, Pertti Pyy finally achieved the title of Finland District Champion with his daughters Leena and Maija. Pertti has already gotten the bronze medal in the 1976 Europeans, silver medal in 1977 and 1980 Districts and bronze medal in 1987 Districts. This year the runner-up skipper is Rainer Korhonen with crew Leo Korhonen and Kari Salonius. In third place is Samppa J. Salminen, Keijo Tulomaki and Tero Kotimaki.

During the 1992 European Championship there was a meeting of the European Districts where it was accepted that Finland will be the host for the 1995 World Championship. The opinion of the delegates was that the suitable dates for the Worlds is the latter part of July. Finland District works on that subject.

It is good to head that Lightning activity is heating up in Ireland. We also hope to see in the future some Irish sailors in the European Championship.

Over 80,000 people visited the Helsinki Boat Fair, where a Lightning was on display.

## FLORIDA DISTRICT

District Commodore ..... Steve Hayden  
 District Secretary ..... Carol Stout  
 District Measurer ..... David White  
 District Champion ..... Jim Alman  
 District Runner-Up ..... Doug Fisher

**Fleets:** Biscayne Bay (226); Lake Eustis/North Florida (461); Suncoast(502).

Florida's Districts were sailed in May this year, at the Biscayne Bay Yacht Club in Miami. We had a nice turnout with some new transfers from other classes sailing Lightnings. The Regatta was won by Jim Alman followed by Doug Fisher, Mark Bryant, Fay Regan, and Steve Hayden. The annual so-called elections of officers took place and Ft. Meyer's new club was designated as the 1993 site for the Districts.

Florida was represented at the North Americans by Doug Fisher and Steve Hayden and their crews. Doug's team finished in the Blue fleet and Steve's team won the Presidents' Cup. Great job everyone. We hope to see more teams go to Milwaukee.

Unfortunately, South Florida's visit by Hurricane Andrew put a damper on sailing down there for a couple of months. Eventually everything was dug out and cleaned up in time for our Triple Crown to begin in October. The Labor Day Regatta was sailed at Sarasota Sailing Squadron with Steve Hayden winning the Commodore's Cup with crew — then fiancée Angie Rimes and Dad, Fisk Hayden. The Triple Crown began with the Chris Young Memorial in Miami, won by Eammon DeLisser with Mike Alexander a close second. The second leg of the Triple Crown was sailed Thanksgiving at Davis Island Yacht Club — won by Doug Fisher, followed by Steve Hayden. December 5-6 the Annual Sailfest is held at Sanford (Orlando), Florida. This is always quite an event. This year's northern visitor was Hank Hodgson. Hope that there are more of you all next year. Once again the fest was sponsored by Mt. Gay Rum — I am sure I don't need to say any more. The Triple Crown will end Feb. 6-7 at Melbourne, FL. Feel free to attend and warm up before the Circuit. The Florida District had a few weddings over the year. Congratulations to Mark and Shannon Taylor, Stu and Kim DeLisser, and Steve and Angie Hayden. We look forward to seeing everyone at both Florida Regattas in March.

## LAKE ERIE DISTRICT

District Commodore ..... David Sprague  
 District Executive Secretary ..... Skip Wilday  
 District Corresponding Secretary ... Judy Walker  
 District Treasurer ..... Anne Allen  
 District Measurer ..... Cal Schmiede  
 District Champion ..... Bill Neal  
 District Runner-Up ..... Larry MacDonald, Jr.  
 Jr. Commodore ..... Marty Essig

**Fleets:** Buffalo Canoe Club (12); Chautauqua Lake Club (19); Silver Lake Yacht Club (47); Niagara Sailing Club (59); Cuba Lake Yacht Club (115); Flying Beaver (118); Toronto Bay (146); Conneaut Bay (180).

The Lake Erie District had a very busy and most successful year. We were the hosts for the North American Championship at the Buffalo Canoe Club in 1992 with 125 boats in the Regatta. Co-chairman Dave Adams and David Fretz, with their committees, did an excellent job of organizing and managing the Championships.

Nineteen entries from the LED participated in the North Americans. Skippers included: Tom Allen, Sr., Tom Allen, Jr., Jim Allen, Tom Ward, Warren Emblidge, Dick Aubrecht, Bill Neal, Bob Starck, Keith MacDonald, Larry MacDonald, Jr., David Sprague, Judy Walker, Ed Roseberry, Jr., Peter Bone, Allen Leibel, Jody Swanson, David Starck, Mark Sullivan and Cal Schmiede. Larry MacDonald, Jr., with crew Trevor Born and Ian Jones from the LED, were the big winners. Larry has had other outstanding successes in the recent past, being second in the Worlds and winning the Canadian Open this year. Runner-up honors went to David Starck with crew Kevin Robinson and Tom Starck, also from the LED.

In the N.A. Jr. Championships, Warren Emblidge was first and Tom Starck was runner-up.

In the Masters Championship, Tom Allen, Sr. was first for the one and only time he has entered. Ex-LED member and perennial Lightning winner Stu Anderson was fifth.

The 1992 LED Championship was held at the Royal Hamilton Yacht Club, home of the "Flying Beavers". Bill Neal, sailing a wooden Etchells #6983, won the regatta. There must be parity between wood and fiberglass "goldplaters". Runner-up was Larry MacDonald, Jr., followed by Jody Swanson, Jim Allen and Marty Essig. Twenty-seven boats were on the starting line. The "Beavers" did their usual exceptional job of regatta management.

The Adams Cup, national women's sailing championship, was won by LED member Jody Swanson. Jody's crew included Cory Sertl and Abby Ruhlman. Jody previously won this event in 1989.

The Old Salts Regatta, which was the fore-runner of the North American Masters, was won by Cal Schmiede, with crew of Larry MacDonald, Sr. and Don Allen. With talent like that aboard, how can you lose? Second was Dick O'Connor and third was Bob Starck.

The overall Fall Circuit was won by Marty Essig. Dick Hallagan from Central N.Y. was first and Marty was second at Silver Lake. Thirty boats were on the starting line. At the Boulevard Club in Toronto, it was Tom Allen, Jr. the winner and Marty Essig was second. Back to the Canoe Club and Marty was first, and Jody Swanson was second.

Fleet 19, Chautauqua Lake Yacht Club is growing at a phenomenal rate, thanks to Jim McDonnell and his enthusiasm. Several new Lightnings have been added to their fleet. The 1993 Districts will be on Lake Chautauqua.

The last LED regatta of the season is the Turkey Regatta at the Royal Hamilton Yacht Club. This is usually held a week before the Canadian Thanksgiving and the first place boat receives a turkey. However, the crew must then draw to determine if the skipper, main or jib actually gets to take the bird home. Turkeys are also awarded by drawing for various finishes. Future turkeys (turkey eggs) are also awarded by drawing. It's a real fun regatta. This year 15 boats participated and Larry MacDonald, Jr. won the first place turkey.

The District remains very strong and competitive. Something is offered for everyone, including the Juniors, Masters, and Women. We hope you have smooth sailing in 1993.

## LONG ISLAND DISTRICT

District Commodore..... Richard Warren  
 District Secretary ..... Thom Hering  
 District Measurer ..... Gary Sortino  
 District Champion ..... Tim Rumph  
 District Runner-Up..... Rich Warren

**Fleets:** Little Neck Bay Fleet (55), Hewlett Bay (58); Great South Bay Fleet (178); Southampton Yacht Club (431).

The Long Island District enjoyed another great year of sailing. We saw the inclusion of two new boats to the District Fleet. Our District Commodore, Rich Warren, made his first trip to the Southern Circuit with ILCA Vice-President, Paul Gelenitis, as Co-Skipper, and is planning to return in 1993.

The District season began with the Spring Regatta held at Southampton Yacht Club on June 13-14 with visitors from Connecticut and New Jersey. We had two days of superb sailing on Shinnecock Bay. Thirteen sailors

# International Lightning Class Association

*Lake Erie District*

## **1993 DISTRICT REGATTA SCHEDULE**

### **MAY**

9	TORONTO TUNE UP — GOOD START .....	BOULEVARD CLUB
15-16	OHIO-LED.....	PYMATUNING
22-23	EBY SERIES .....	BUFFALO CANOE CLUB
29	TEAM RACING .....	HAMILTON

### **JUNE**

5-6	CNY-LED CHALLENGE .....	NEWPORT/ROCHESTER
12-13	CORNBALL.....	CHATAUQUA LAKE
19-20	NIAGARA FRONTIER .....	BUFFALO CANOE CLUB
26-27	CUBA LAKE	

### **JULY**

2-3-4	CANADIAN OPEN .....	MONTREAL/R. St. L.Y.C.
10-11	NIAGARA RIVER CHAMPIONSHIPS ...	NIAGARA SAILING CLUB

### **OCTOBER**

3	TURKEY REGATTA .....	HAMILTON
---	----------------------	----------

### **DECEMBER**

5	ICE BREAKER .....	TORONTO
---	-------------------	---------

competed in five races along with the usual support of fine food and beverage which made for a great weekend.

Our District Championships were held at Bayshore Yacht Club on July 11 in blustery northwesterly conditions. Five boats ventured out on Great South Bay for five races. Prior to leaving the dock, the Race Committee proposed to complete the regatta in one day so that we all might get a day of rest on Sunday; it was agreed to unanimously. Luckily everyone remained upright and as the day ended Tim Rumph and crew survived to win with Rich Warren outlasting Thom Hering for second place. The five extremely tired Crews and Race Committee made it to Pearlman's house for a delicious barbecue and awards ceremony.

Ending our season with the Fall Regatta at Southampton Yacht Club, twenty-three crews showed up for the skipper's meeting. Everyone was anticipating great sailing and the much-heralded clambake on Saturday night. The weather didn't cooperate on Saturday with the wind a steady 30 knots by the time of the harbor start signal. The Race Committee wisely canceled racing for the day to allow all involved to relax and enjoy the area. Everyone returned for the barbecue and clambake, which were a great success. Racing started early Sunday morning with a promise of three races to be completed by early afternoon. The local crew of Tim Rumph with wife, Susan and Jim McCarrick, was winner with Brian Hayes and crew finishing second.

Our District is excited about the news of another fleet taking shape on the Island. Orient Yacht Club located on the end of the north fork of Long Island is rumored to have eight potential Lightnings ready for racing in the 1993 season. The District Commodore has been in touch with the organizers to help them as much as possible.

We look forward to more great sailing in the 1993 season, especially with the inclusion of a new fleet and another body of water to visit and sail.

*Long Island District Champion Tim Rumph (top center) with other District members who braved the blustery conditions during the District Championships at Bayshore Yacht Club.*

## METROPOLITAN DISTRICT

District Commodore ..... David Drosdick  
District Secretary ..... Franz Schneider  
District Measurer ..... Franz Schneider  
District Champion ..... Jack Huntsman  
District Runner-Up ..... Chris Sprole

**Fleets:** North Shrewsbury (11); Paupack (16); Lake Mohawk (25); Chelsea (39); Red Bank (70); Nyack (75); Awosting (95).

At the District level our season opened on April twenty-fifth with the Long John Regatta hosted by the Monmouth Boat Club's Fleet 70. This year thirty boats were on the line. Of these thirty, fifteen had been in the Blue Fleet at the 1991 North American's. The top finish went to a "Home Town Skipper", Larry Colantuono. Mark Sertl from Rochester finished second and another local hero, Jack Huntsman finished third.

Lake Wallenpaupack held its Cold Duck Regatta on Saturday May 23rd, Memorial Day weekend. This low key, fun event was won by Robert Baron.

The Magnus Pederson Regatta, sponsored by the Nyack Boat Club, was another one day event. Rich Miner, from Lake Mohawk, took the top spot in this one. In close pursuit were Chris Sprole and then Gary Hurban from

the host club.

This year, the Metropolitan District Championship was held on the weekend of June 20th on Lake Mohawk. We all owe Chairman Bob Graham a hardy vote of thanks for a well run regatta and a very pleasant weekend. Jack Huntsman retained his district title beating a field of seventeen boats representing five fleets. Second in this closely contested series went to Chris Sprole from Nyack. Bill Clausen, also from the Monmouth Boat Club, finished third.

On September 12th the Awosting Yacht Squadron hosted the first of our fall regattas. This year they held their Whiskerpole Regatta in the middle of Greenwood Lake near the New York border at the facilities of Dieber's Castle. The excellent hoist and eating accommodations were complemented with fair winds and a beautiful fall day. Franz Schneider from Lake Wallenpaupack finished first, followed by Rich Miner of Lake Mohawk and Garry Hurban from the Nyack Boat Club.

The Pennsylvania Governors Cup Regatta was held on the weekend of September 19th at the Lake Wallenpaupack Yacht Club. Eighteen boats participated representing fleets in the Dixie, Central Atlantic, Central New York and Metropolitan Districts. State Representative Ted Duffy awarded first place to Jack Huntsman from Monmouth Boat Club. Second was last year's winner, Dick Hallagan, from the Newport Yacht Club in Rochester, New York. Third was Mark Schneider who represented the Riverton Yacht Club in New Jersey.

The season wrap up was the Last Blast Regatta run by the Nyack Boat Club on Saturday, October 17th. This year's event was a genuine screamer with no less than 30% of the fleet capsizing. It was exciting and great fun. John Faus, from the Barnegat Light Yacht Club won this one. Second was Franz Schneider from Lake Wallenpaupack and third went to Greenwood Lake sailor Bob Sengstacken. The Last Blast Regatta was also the last of the Mid Hudson Series Championship. Scored on the basis of individual finishes at Lightning regattas held at Chelsea (Fleet 39), High Tor (Fleet 41) and Nyack (Fleet 75) first place went to Nyack's Garry Hurban. Second went to Rich Miner from Lake Mohawk and third to Chris Sprole of Nyack.

Next season we look forward to more of the same sailing fun and sociability. Our District Championship will be sponsored by the Lake Wallenpaupack Yacht Club and is scheduled for the weekend of June 26th.

## MICHIGAN

District Commodore ..... John McCree  
District Secretary ..... David Decker  
District Champion ..... Colin Park  
District Runner-Up ..... Terry Hutchinson  
Junior Champion ..... Mike Thomas  
Runner-Up ..... Keith Shaw

**Fleets:** Devils Lake (31); Crescent Sail Club (51); Lake Fenton (53); Pontiac Yacht Club (54); Higgins Lake (110); Gull Lake Yacht Club (137); Macataw Bay (204); Saginaw Bay (216); Burt Lake (254); Grand Traverse Yacht Club (326); Douglas Lake (374); Lansing Sail Club (387).

Fourteen regattas, plus the North Americans ... sit down and grab a beer, this might take a while! Okay, it started at Devil's Lake, with the annual Spring Fling. The wind blew hard, nobody went swimming, and nobody kept score! But it was fun! Then Lake Lansing: the wind didn't blow, five races were "drifted", and Mark Whatley edged Colin Park for first, followed by Dave Decker, Terry Kleiman and Tom Hudson.

Saginaw Bay produced great sailing conditions and Whatley was followed by local talent John McCree, then Park, Greg Smith and Jim Harris.

Crescent's regatta, sailed on the little big water of Lake St. Clair, saw Colin Park win his first Michigan regatta of the season. We also learned not to put our fingers where they don't belong Mark, or else!! Ouch!

North Cape was site of the District Championship, and the thermal blew in, with a steady 15 hours from the Southeast. Unfortunately, the thermal didn't show up until noon on Sunday and we finished racing at noon on Sunday! Thirty-five boats were led by Colin Park, with crew/wife Karen, and Greg Bull. Close behind were Terry Hutchinson, Dan Norton, Sean Fidler, and Bruce Goldsmith.

Macatawa, sailed on the big water of Lake Michigan, saw Sean (Ludicrous Speed) Fidler exhibit just that, as he led the fleet. Park, Tom Vickers, Whatley, and Tom Niles rounded out the top five.

Races at Lake Fenton produced an upset! The Devil's Lake Team Two, with Bruce Goldsmith, Steve Thomas, and Pontiac's Keith Shaw defeated all challengers for first. (Can the team with Bruce really be the underdog?) Bay City and the Devil's Lake Team One followed.

Seventeen boats headed north to Higgins Lake for the last regatta before the N.A's. Norton was first overall, just edging Whatley, followed by

Vickers, Decker and Park. The "big gust" on Saturday left the leeward mark surrounded by wet fiberglass, but everyone got up, dried off, and went back out on Sunday.

Now for the NA's: Four Michigan boats qualified for the Blue Fleet, led by Terry Hutchinson in fifth overall. Twelve more boats were in the Green and Yellow. Congratulations to Pontiac's Jim and Connie Harris, and crew Jerry Decker, with a first place finish in the last race in the President's Cup. Jim's brother Steve, (a deported Michigander?) followed by taking first in the last race in the Governors Cup. Devil's Lake's Hank Hodgson, with wife and daughter, Karen and Amy as crew, had a first in a Presidents Cup race, too.

The Tawas Bay regatta, hosted by Guy and Blair Moulthrop, is one of Michigan's finest. Visitor's from the west (Chicago's Paul Wurtzebach and Rick Kaiser) enjoyed launching from the white sand beach, barbecued chicken for dinner, and great wind with a short course just off shore. Fidler was back in form, with Wurtzebach, Whatley, Decker, and Vickers sailing almost as fast.

The Fall Series began with Pontiac, and Hutchinson, Fidler, Louie Nickels, Park and Charlie Hess were the top five. Devil's Lake featured District Champ Park edging District Runner-Up Hutchinson. Then on to Chicago ... wait, isn't that part of the Midwest District ... yes, but what is that lake they sail on? ... besides, seven Michigan boats were there, with Gull Lake's Smith and Decker capturing second and fourth, and Bay City's Park third, and Pontiac's Fidler fifth. Gull Lake hosted a 25 boat regatta, and McCree showed how to sail in Saturday's light westerly, and Sunday's honking easterly, to take top honors. Chicago's Kaiser, Fidler, Tom Allen, Sr. and Devil's Lake Steve and Mike Thomas took home hardware. And then there was Wawasee, with Park recapturing the trophy. Goldsmith was third.

The District awarded the Strueland Trophy for the 12 best finishes in official district races to Colin Park. Colin is also this years recipient of the Crittendon Fall Series Trophy. Congratulations, Colin!

## MIDWEST DISTRICT

District Commodore ..... Paul Wurtzebach  
District Secretary ..... Vernal Equinox  
District Champion ..... Paul Wurtzebach  
District Runner-Up ..... Mike Huffman

**Fleets:** Chicago Corinthian (5); Milwaukee Yacht Club (69); Green Bay (112); Lake Davenport (167); Sheboygan (187); Lake Geneva (345); Fond Du Lac (442).

We've attracted some new faces, welcomed back some familiar faces, been introduced to youngsters. Some folks are peripatetic; others are putting down deeper roots at home. Some owners have introduced new crew; some crews have developed their own skippers or recruited new owners. There's a great source of Lightning sailors in your local frostbite fleets: Penguin, Laser, Sunfish, Dyer Dinghy, etc., all of whom sail primarily during the non-summer seasons. Get 'em in a Lightning for the warm weather! We've included as many crews names as possible to recognize the team effort involved in all facets of competition.

The team of Bill Faude, Greg Fisher, Rene duPaquier started the year right by winning the Sugar Bowl in New Orleans. Then in March several boats went down to the Southern Circuit: Patrick Considine, Dave Wagner, Steve Lowery (ninth at St. Pete); Mike Considine, Brian James, Bill Kindra (tenth at Miami); Paul Wurtzebach, Michael Elmergreen, Karen Johnson, Rick Kaiser, Josh Kerst, Bonnie Hawkins; Carey Long, Mara Doughty, Michael Huffman; Bob Franke, Amy Simonsen, James Berry. District wanderers also turned up throughout the year at such far-flung regattas as: Nashville's Tennessean (won by Wurtzebach's Team Dandelion), the Indy Open in Indianapolis, Lake Carlyle's new Mid-Continent, Devil's Lake Spring Thing, the Canadian Open in Thunder Bay, Tawas Bay, Devil's Lake Fall Thing, the Hoosier in Wawasee, Gull Lake in Michigan, and HIYC's Bluenose.

At home, Paul Wurtzebach's Team (s) Dandelion and the Huffman Team were consistently front runners at the Midwest District regattas, but there were a lot of teams snapping at their heels, notably newcomers (to this class) Steve Lowery/Dave Wagner/Steve Diaz. The Lake Michigan Championship, awarded to the team with the best finishes in three of four (Lighthouse, Evans, Brotz, and Polar Bear) regattas, was won by Dan Reichelsdorfer. To recap the top three finishers at the midwest District regattas:

Fond du Lac Lighthouse (16 boats): Paul Wurtzebach, Bob Segil, Karen Johnson; Michael Huffman, Meg Huffman, Jim Blair; Ric Larson, Mary Reid, Pete Orlebeke.

Green Bay Evans (17 boats): Paul Wurtzebach, Jane Long, Adam

## MIDWEST DISTRICT SCHEDULE 1993

June 5-6	Lighthouse	Fond du Lac
June 12-13	Evans	Green Bay
<b>JUNE 18-20</b>	<b>DISTRICTS</b>	<b>MILWAUKEE</b>
July 3-4	P & T	Milwaukee
July 31- Aug. 1	Brotz	Sheboygan
Aug. 7-8	Hobelman	Chicago
Sept. 18-19	Polar Bear	Davenport
Sept. 25-26	Red Flannels	Chicago

Bowen, Terry Phelan, Vicky Vann, Mike Faugust; Dan Reichelsdorfer, Steve Orlebeke, Mark Wessel.

Milwaukee P&T (23 boats): Paul Wurtzebach, Bob Segil, Karen Johnson; Michael Huffman, Meg Huffman, Jim Blair; Bob Franke, Amy Franke, Marshall.

District Championship (21 boats): Paul Wurtzebach, Bob Segil, Karen Johnson; Michael Huffman, Meg Huffman, Jim Blair; Steve Lowery, Steve Diaz, Dave Wagner.

Sheboygan Brotz Regatta (12 boats): Dan Moriarty, Matt Burrige, Arthur; Bill Faude, Jane Lewis, Jared Drake; Michou Braun, Chris Kronich, Kris Simonson.

Davenport Polar Bear (12 boats): Mike Steffenson, Jean Steffenson, Doug Steffenson; Ken Jensen, Mike Higgins, Mara Doughty; Dan Reichelsdorfer, Steve Orlebeke, Mark Wessel.

Chicago Red Flannels (33 boats): Steve Lowery, Steve Diaz, Dave Wagner, Greg Smith, Carl Engels, Tom DeVisser; Colin Park, Karen Park, Greg the Bull.

Barb Fox, Jeannie Ehrenberg, and Beth Huston qualified in our district for the Adams' Cup. Barb and Jeannie borrowed skipper Dave Stix's boat to practice during the summer and "accidentally" won Chicago Corinthian's Summer Series. More great competition for next year's Women's Championships!

Chris Kronich, Michou Braun and Greta Riechelsdorfer represented the Midwest District at the Women's North Americans this year. Sheboygan, site of the next Women's Championships, is their home port.

The District sent its quota to Buffalo this year. Ric Larson, Al McReynolds and Michou Braun sailed in the Blue Fleet. Bill Faude, Jared Drake and Perry Lewis finished a very close (tied) second in the President's Cup, and Mike Huffman, Meg Huffman and Bruce Hein finished a very close fourth. Also in the President's Cup were Brian James, Bonnie Hawkins, Dean Cady, Jr.; Dan Reichelsdorfer, Hans Graf, Greta Riechelsdorfer; Carey Long, Mara Doughty, Pete Orlebeke; Adrian Irving, Patrick McBriarty, Kris Simonson. Second in the Governor's Cup went to Paul Wurtzebach, Terry Phelan, Karen Johnson; and third to Rick Kaiser, Josh Kerst, Matt Berg.

In 1993, Sheboygan Yacht Club of the Midwest District is hosting the Women's, the Juniors' and the Masters' Championships, and Milwaukee Yacht Club of the Midwest District is hosting the North Americans. We'll see you there!

## MISSISSIPPI VALLEY DISTRICT

District Commodore ..... Frank Kelly  
 District Secretary ..... Gerry Paoli  
 District Measurer ..... Bill Baxter  
 District Champion ..... Cully Ward  
 District Runner-Up ..... Matt Burrige

**Fleets:** Decatur (74); Harbor Island (262); Carlyle Sailing Association (266); Memphis (274); Valley Sailing Association (486).

The 1992 Mississippi Valley District Championship Regatta was held June 13-14 on lovely Lake Decatur in the midst of the Central Illinois cornfield. Thanks to the usual expertise of Jack Caldwell and associates, we got in six races. Cully Ward and his competent light air crew proved unbeatable with five second place finishes after his ninth place throwout. Matt Burrige, Gerry Paoli, Crit Currie and Bill Hofmeister rounded out the top five. Doug Floyd and his committee did an outstanding job of organizing and running the regatta and social activities. Even if you didn't take home the silver the memory of those world famous Grohne brownies made the Districts unforgettable.

The year saw the introduction of a brand new regatta, Carlyle Sailing Association hosted the "Mid" Continent, May 9-10. Twenty four boats representing nine clubs and six states gathered for the inaugural event. The first five finishes were Ken Kniepmann, Paul Wurtzebach, Matt Burrige, Bill Faude and Dan Reichelsdorfer, in that order. Carlyle is a first rate sailing facility and it is hoped this regatta will become an annual event attracting sailors from far and wide.

HIYC hosted the Jr. Districts on July 18-19 with the winds never getting above five knots; a test of junior sailing skills were shown admirably. Five boats competed with Mark Sanford finishing first, followed by Tobi Heisler, Wade Threatt, Robert Howell and Jennifer Ajets. Stacey Heisler gets chaperone and good sport of the year award for her help over the weekend. Sanford, Howell and Heisler went on to Buffalo to represent the District in the North American Jr. Championship and gained more experience.

To close out the District sailing season the famous Bluenose Regatta was

held the first weekend in November, 52 boats competed, down from a high of 67 in 1991. We suspect the forecast of unseasonal polar conditions contributions to this. This usual "heavy air" regatta saw uncharacteristically light to nonexistent winds prevail. For the first time in 25 years a Harbor Islander won first place. Chan Owen and crew sailing *Lord Jim Yahoo* in memory of Doc Gilbert, found the elusive wind and sailed consistently in two seconds and a first place finish to wrap up the regatta.

The usual southern hospitality prevailed, however the much anticipated second annual Round the Island Race did not take place because Bad Seed, last year's champ couldn't handle the pressure and failed to show up to defend his title. Disappointment was alleviated somewhat by the first annual Bruce Goldsmith Auction Yard Sale.

Other highlights of the 1992 season included the Tennessean in Nashville and McDougal, the Hernando DeSoto and Cotton Pickin' in Memphis, The Intercity in Decatur, and the Muddy Rudder in St. Louis. District members express thanks and gratitude to all who helped make this a successful sailing season.

As 1992 ends we eagerly anticipate traveling south for the Southern Circuit and the start of another great year.

1992 Mississippi Valley Junior District Champion, Mark Sanford, waiting to start race.

### *Mississippi Valley District 1993 Regatta Schedule*

The Tennessean	April 10-11
Harbor Island, Nashville	
Mid Continent	May 8-9
Lake Carlyle, Carlyle, IL

## NEW ENGLAND DISTRICT

District Commodore ..... Janice Lange  
 District Secretary ..... Toni Harrington  
 District Measurer ..... Donald Brush, Jr.  
 District Champion ..... Brad Read  
 District Runner-Up ..... Donald Humphrey, Jr.  
 District Junior Champion ..... Andy Horton  
 District Women's Champion ..... Ann Brush  
 District Masters Champion ..... John Hughes  
 District Circuit Champion ..... George Deyett

**Fleets:** Merrimac River (121); Spofford Yacht Club (145); Annisquam Yacht Club (151); Marblehead Harbor (189); Bomoseen Lake Yacht Club (227); Massabesic Yacht Club (273); Chequesset (280); Lake Champlain (301); Squam Lake (332); Cosco Bay (471) Bow Lake (493).

The New England District got off to a good start with 23 boats attending the first regatta of the season, on the last weekend of May, at Mallett's Bay Boat Club in Burlington, Vermont. We had good air for four (4) races on Saturday with Bill Fastiggi taking the lead, Jean-Francois Simard (from Quebec, Canada) in second, Stuart Nickerson third, Larry Colantuono (from New Jersey) fourth, and George Deyett fifth.

Everyone gathered again Sunday morning with high hopes of a nice breeze again, but it was not to be. We all waited around in the rain praying for a break in the weather that never came.

The second regatta of the season was hosted by the Bomoseen Yacht Club on Lake Bomoseen, Vermont. There was another good turnout of boats with 18 attending including three (3) boats from neighboring Central New York District, Dick Hallagan, Dave Bull and Jack Jones.

In a shifty breeze the all female race committee (it is about time) was able to get off three (3) races on Saturday. The sailors all had a lot of fun trying to figure out which side of the course the wind was going to fill in from. The sailing was followed by a barbecue at the Bomoseen State Park.

Sunday brought a southerly breeze with the leaders constantly changing. In the end after four (4) races the results were Dick Hallagan first, Ray Harrington second, John Hughes third, George Deyett fourth, and Bruce Atkinson fifth.

For our District Championship in July we returned to Malletts Bay in Burlington. The wind did not seem to be cooperating, but the decision was made to take us out to the outer bay, where we would be sailing, so that when the wind did fill in we could get in as many races as possible. Unfortunately, we had to wait a couple of hours for enough wind to get a race started. The wind held for the first three (3) legs and part of the fourth leg of the first race, ending with only a whisper of air.

As we all waited expectantly for the air to fill in again, it started looking more and more like it was not going to. The race committee opted for trying to get a second race in with what little wind there was since the Districts were being sailed in two (2) days. It was a long gruelling second race with only a slight breeze. The race committee then towed us back to the Yacht Club for the evenings festivities.

Luck was not with us Sunday morning as we all showed up to wait for the wind again. The race committee again towed us out, this time to the inner bay, to wait for the wind, which never showed. The final standings after only two (2) races were Brad Read first, Rick Humphrey second, Robert Cutting third, Kurt Kling fourth and George Deyett fifth. Special mention was made to Moe L'Heureaux for middle of the fleet, Janice Lange for the most improved over last year, and Dave Fitch for the sportsmanship award.

Next on the regatta schedule was a one dayer at Wellfleet. Six boats showed up for 20-25 mph wind, causing a few people to go swimming, unintentionally, of course. Stuart Nickerson took first and John Hughes was second.

Squam Lake hosted a regatta "On Golden Pond" in August with a 15 boat turnout. It also served as the "return of Ned Hinds" (sequel to follow), welcome back Ned, we hope to see more of you next year. Moe L'Heureux took first, George Deyett second, John Hughes third, Ken Deyett fourth, and Dwight Gertz fifth.

Newburyport provided some of the best wind of the season. They had boat flipping, rig breaking wind with the top four boats sailing very consistent races. Ray Harrington took four bullets out of four races (unfortunately for Ray he had a premature start in the second race that he did not know about until he was back on shore), Tom Doran from Oswego, New York had four seconds, John Hughes four thirds, Moe L'Heureux four fourths. The final standings after two days of back breaking sailing were, Tom Doran first, John Hughes second, Moe L'Heureux third, Ray Harrington fourth, and George Deyett fifth.

The Massabesic Regatta in September saw a fleet of 13 boats. With the usual steady (?) breezes we were able to get three races in on Saturday with some quick thinking maneuvers by skippers and crew alike. Saturday night the "men" got together and threw a bachelors' party for George Deyett (who was married October 4 to Sharon Rakip — Congratulations), and showed up Sunday bright eyed and bushy tailed, as the saying goes. The sailors showed up but the wind did not, another windless Sunday.

The results after three races were Ken Deyett first, George Deyett second, Norman Deyett third, Ray Harrington fourth, Bill Berry fifth.

For the last regatta of the season there was a six boat turnout at Spofford Lake. Three boats showed up from off the lake, Dick Thackaberry from New York, Robert Cutting and Stuart Nickerson. After four races the results were Stuart Nickerson first, Robert Cutting second, and Dave Fitch third.

# NEW ENGLAND LIGHTNING DISTRICT

## 1993 SCHEDULE

May 15-16	Massabesic Lake	Manchester, NH
June 5-6	Champlain, Mallet's Bay	Burlington, VT
June 12-13	Maple Leaf Classic	Bomoseen, VT
<b>July 16-17-18</b>	<b>NEW ENGLAND DISTRICTS</b>	<b>Provincetown, MA</b>
	<b>(Hosted by Wellfleet)</b>	
July 31-August 1	Squam	Squam Lake, NH
August 6-13	'93 North Americans	Milwaukee, WI
August 21-22	Newburyport	Newburyport, MA
September 25-26	Spofford Lake	Spofford, NH

## OHIO DISTRICT

District Commodore ..... Ken Irwin  
 District Secretary ..... Dean Caley  
 District Measurer ..... Ralph Powless  
 District Champion ..... George Fisher  
 District Runner-Up ..... Matt Fisher

**Fleets:** Indiana Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Buckeye Lake (43); Rocky River (71); Mansfield (150); Atwood Lake (212); Cowan Lake (303); Hoover (353).

The Ohio District saw evidence of a reawakening in 1992 perhaps best exemplified in our receiving the Steketee Trophy as the District with the greatest percentage increase in membership over the previous year.

A congratulatory letter from ILCA President Mike Huffman informed us that a wager had been made between himself (Midwest District) and Robert Harkrider (Southeastern District) over which of their districts would secure top honors. I suppose an apology may be owed these gentlemen for interfering in their wager, but than again perhaps they should each submit their ante to the Ohio District treasury — small unmarked bills in plain brown bags, please.

The Ohio season began in February with a District Meeting held in Columbus. Our speaker Matt Fisher related his recent Pan Am Games victory in Cuba, and passed on some of his latest racing techniques. We are very fortunate to have the Fisher family in our District, and their contribution to Lightning racing in Ohio would be difficult to measure.

A proposal made at the District Meeting resulted in a District Newsletter issued monthly through the season to promote and report on regatta activity. Focusing on the social aspect rather than the racing, this newsletter was sent to over 100 Lightning sailors and class supporters as an encouragement to travel.

The racing began with the "Spring Classic" held by Pymatuning Yacht Club on May 9th and 10th. This regatta always draws some big names from out of the area and provides an opportunity to be measured by a higher standard. The twenty six boat fleet was the largest in our district during the season. Matt Fisher took the top honors followed by George Fisher, Rob Ruhlman, Mark Sertl and Dick Hallagan.

The social highlight was a karaoke party with a rendition of "Mommas,

Don't Let Your Babies Grow Up To Be Sailors" appropriately delivered on Mother's Day eve.

On May 30th a fleet of 12 gathered at Leatherlips Yacht Club on the O'Shaughnessey Reservoir in Columbus for the "Windshift". The Columbus Zoo just across the river may cause those who camp on the club grounds to awaken wondering how they came to be on a safari.

The lake is somewhat small and allows 12 boats to create some traffic at the start. Though George Fisher scored five bullets several skippers were taking runs at him from time to time just to keep his interest up. Second through fourth places had Dick Pugh, Dean Caley, and David Gall all with 18 points. Does it get closer than that? As a result of the generosity of Pymatuning skipper John Werley, his crew Leslie Frymier was able to skipper in her first regatta.

Our District Championships were held at Pymatuning Yacht Club over July 4-6th. Great food and a live band helped make this three day event the high point of the season. A nineteen boat fleet also welcomed Craig Kvale who traveled in from the Columbus area to sail in his first regatta.

The racing saw George and Matt Fisher tied for the Championship with George emerging ahead after tie breaking. Third went to Rob Ruhlman.

The "B" fleet was won by David Gall, with Herb Jestle second and Scot Werley third. Our District Sportsmanship Award went to long time Lightning sailor Herb Jestle, and the award for the highest placing skipper sailing their first District Championship went to Phil Wedemeyer.

The summer meeting held during the districts elected Ken Irwin as District Commodore, and Dean Caley as District Secretary.

The Cleveland Yacht Club's regatta represents our districts only opportunity for open water racing. Friday evenings "Hee Haw" theme show lampooned CYC club officers in good natured fun. The racing saw light air Saturday which filled in Sunday to provide a certain amount of chop. Tom Varley finished first overall, with David Gall second and Ken Irwin third.

Seven of our district skippers sailed in the NA's this year with Matt Fisher, George Fisher, and Rob Ruhlman sailing in the blue fleet and John Werley, Dean Caley, Tom Varley and David Gall sailing in the yellow fleet, also known as the "Gold" fleet or the "No Beer Fleet" depending on who you talked to.

Indian Lake revived it's Stumpbuster Regatta after a 15 year absence with a major success. Ten boats travelled in to compete including Stephen Jolly and family, first year racers taking in their first regatta. Steve Weeber

## 1993 Ohio District Regatta Schedule

May 8-9	Pymatuning Yacht Club	Spring Classic
June 5-6	Leatherlips Yacht Club	Windshift
June 12-13	Hoover Yacht Club	Hoover Regatta
June 26-27	Atwood Yacht Club	Districts
July 3-4	Pymatuning Yacht Club	Independance Day
July 24-25	Cleveland Yacht Club	CYC Regatta
Aug 21-22	Indian Lake Yacht Club	Stumpbuster
Sept 11-12	Atwood Yacht Club	Harvest Moon
Oct 2-3	Buckeye Lake Yacht Club	Snow Ball
Oct 16-17	Cowan Lake Sailing Assn.	Fall In

bested the 16 boat fleet to take first for the home club, with Bill Young, Dick Pugh, and Paul Howald taking second through fourth honors.

Stephen Jolly was awarded the Mr. Stumpbuster trophy representing the Spirit of the Sport after sailing the regatta with his wife and two small children as crew.

With Indian Lake right on the heels of the NA's the Ohio District had 17 boats on the road that weekend. Nearly three times that of recent years and evidence of what we could be seeing at our regattas.

The Harvest Moon regatta held by the Atwood Yacht Club saw a fleet of 11 boats racing underneath three high pressure cells. 'Nuff said about the racing. The local fleet came to the top led by David Gall the first home fleet winner of the event in some time. Yes, David was thrown into the lake. Dave Huber and Dean Caley of AYC were second and third with Tom Varley from LYC fourth.

Buckeye Lake Yacht Club hosts the "Snow Ball" on the second weekend of October. This years regatta saw Matt Fisher take first with George Fisher second and Dave Werley of PYC capturing third.

Cowan Lake Sailing Association closes our season with the "Fall In" held October 15th and 16th. This regatta was straddled by a couple high pressure cells but fall colors were at their peak and provided by incredible backdrop to the racing.

First place went to Steve Thomas sailing *Happy Boat??* with Tom Varley, Jim Young, Dick Pugh and David Gall taking trophies for second through fifth.

Cowan also scores the top three boats from any club as a team with top honors this year going to Cowan's own though the Atwood group was just two points back with the Leatherlips contingent in third.

The Ohio District Governors Cup was won by Tom Varley. Again. Awarded for the best compilation of finishes at all of our District regattas, it recognizes both good sailing and a dedication to the road.

The 1993 season will begin the cycle over again at the District Winter Meeting. Hope to see you there.

## ST. LAWRENCE VALLEY DISTRICT

District Commodore ..... Tony McBride  
District Secretary ..... Terril Scott  
District Measurer ..... Bill Layton  
District Champion ..... Jean Francois Simard  
District Runner-Up ..... Mark Osterman

**Fleets:** Lake Deschenes (188); The Royal St. Lawrence Yacht Club (215); Hudson Yacht Club (376); Pointe Claire Yacht Club (499).

"It was the best of times. It was the worst of times." 1992 was a tough year for the economy and the weather was awful. But that didn't stop the Lightning sailors from having a great time.

Once again, our district kicked off the year with a winter meeting and social get together. This year, we invited Brad Dellenbaugh to come to Montreal to speak on the racing rules. The event was opened up to all sailors in the region, as a way to promote the class. The evening was a great success. Brad proved himself to be an excellent speaker and very knowledgeable. We had over 150 people in attendance. And we raised over \$750 for the Russ Scrim Youth Development Fund.

Our Youth Fund is now in its second year. So far we have raised close to \$3,000, to pay regatta expenses for young sailors and thereby encourage them to compete in the Lightning Class. Thanks to the fund, we attracted four crews in the Montreal area this summer. These twelve rising stars practiced diligently and then traveled to Hamilton on the weekend of July 4th and 5th, to compete in the Canadian Youth Lightning Championship. This was our qualifier for the Worlds in Chile. At the end of the hard fought regatta, Nick Brown with Guillaume Bedard and Patrick Brown as crew, finished third and qualified for Chile. When school obligations prevented them from going, Jennifer Blanchard, with her crew of Lindsay Staniforth and Allison Mathews took their spot. This all female crew had never sailed a Lightning before this summer. Yet they went to Hamilton and sailed in winds ranging from 18 to 25 mph and finished fourth in a very competitive fleet. The other Juniors who joined us this year were Jamie Allen, with Kevin Vines and Scott Mullins as crew and Jamie Stafford, with Patrick Leger and Ian Scott crewing.

One of our initiatives this year had as its objective, to help the newcomers to our class upgrade their skills. We invited Bill Fastiggi, of Shore Sails, to drive up from Burlington and coach us one weekend, at the beginning of the season. Bill arrived in the evening of June 19th and proceeded to spend the rest of that day and all of Saturday, coaching and cajoling us into being better racers. Thanks go to Bill and Mark Osterman for organizing this wonderful event.

We were very pleased to be able to travel to Ottawa for our District Championship this year. The fleet there has been inactive for about twenty years. But thanks to the enthusiasm and efforts of Terril Scott, it was re-activated last year. For our regatta, Terril enlisted Bob and Joan Yuile to chair the event and their many years of experience organizing regattas showed through. They did a wonderful job on the registration, racing and social sides. Bob sailed Lightnings in his youth and we are hoping to see him back with us on the water next summer. Of course, he and Joan didn't do it all alone. Denny Foy ably ran the measurement process. Don Tucker did a great job as R.C. Chairman, under very trying conditions. And Craig Hadley took care of publicizing the event to Lightning and non-Lightning sailors alike. There wasn't a member of the host club that didn't know the Lightning Class is where the action is. Congratulations to Jean-Francois Simard, for winning the championship and to Mark Osterman, the first runner-up.

Ours is a very full schedule. In addition to the four Lightning regattas we hold every year, everyone also tried to attend the annual regattas at each of our clubs. This in a season which really only lasts twelve weeks. Still, in spite of these commitments, three boats from the District drove eighteen hours to Thunder Bay, Ontario, site of the 1992 Canadian Championships. Congratulations to Peter Hall, who finished second and to Mark Osterman and Tony McBride. They finished the three day, six race regatta, tied with Dave Sprague of Toronto, for third place. Dave won the tie breaker and Tony ended up fifth. Mark, with his wife Jane Lalonde and Guillaume Bedard, took fourth and earned the last qualifying spot for Canada at next year's Worlds in Brazil.

Our final event wasn't a race, but a pot luck supper at the home of Peter and Margo Hall. On a windy and cold November evening, we gathered in their living room, with a beautiful view of Montreal from the top of Mount Royal. Included in our happy group were several people that we are encouraging to join the class. The food was delicious, the company was great and the conversations revolved around the fun we had this year and the things we were looking forward to next year.

Now, if we can just do something about the economy and the weather.

Ohio District Champion George Fisher with crew Joyce Ferguson and Barry Vanderhorst.

## PACIFIC NORTHWEST DISTRICT

District Commodore ..... Bruce Deitz  
District Champion ..... Darrell Peck  
Circuit Champion ..... Darrell Peck

**Fleets:** Maple Bay (64); Vancouver (90); Seattle (132); Chinook (229); Portland (283); Okanagan (368).

This season saw the reactivation of our fleet at Vancouver, BC, Kitsilano 90; and the reinstatement of Fleet 64 at Maple Bay. It will be good to see increased activity in western B.C.

Our season starts with a few members of the Portland Fleet, with John Mahoney of Eugene, traveling to San Diego for the Claifornia Circuit in April. Our own season was clearly dominated by Darrell Peck, of Fleet 283. He won circuit regattas at Vancouver Lake, Kitsilano, and Seattle, providing a nice cushion over Phil Parshley. Darrell Peck also won our District Championship held at VLSC.

Our district held the Pacific Coast Championships, at Klamath Falls, which was won by Scott Finkboner of San Diego. The annual District Team Races were held at VLSC, which was won by a combination team of women from the Portland area, and Phil Parshley.

## SOUTHEASTERN DISTRICT

District Commodore ..... Pam Suter  
 District Secretary ..... Richard F. Mayne  
 District Measurer ..... John Pelosi  
 District Champion ..... Robert E. Harkrider  
 District Runner-Up ..... Lenny Krawcheck  
 Junior Champion ..... JBeau Samuelson

**Fleets:** Savannah (127); Clark Hill (257); Lake Lanier (348); Triad (415); Greater Charleston (429); Palmetto (440); Waccamaw (463); Wake (481); Tennessee Valley (500).

Eleven Regattas were held in the Southeastern District in 1992, with sixty-five Lightning skippers sailing in at least one event, an all time high for the region. Fifteen skippers sailed in at least six events to qualify for the District Traveling Championship. This is down from the sixteen in 1991. Those qualifying in order of finish were: Robert E. Harkrider, Lenny Krawcheck, Neff McIntosh, Will Sloger, John Pelosi, Terry Tyner, John Bohnenkamp, Karl Suter, Jim Taylor, Michael Rees, Richard Mayne, Jeff Brault, Bob Wilkins, Gil Klemann, and Avid Bridgers. One of our qualifiers, Gil Klemann, celebrated his 80th birthday August 17 this year. All fifteen competing skippers and crews received very nice wooden bound photo albums with their finishing place embossed on them.

The season opener was held at Augusta Sailing Club by the Clark Hill Lightning Fleet, April 25-26. The weather was the heaviest of the season and was won by Lenny Krawcheck, Neff McIntosh was second followed by Robert Harkrider. Seventeen boats survived.

The second series, May 2-3, was at Highrock, with honors going to Bob Harkrider, followed by John Bohnenkamp, then John Pelosi.

Then two weeks later, May 15-17, we traveled to Knoxville where twenty boats registered for the SE Districts. This three day regatta was a mixture of wind and weather conditions, and with a little current. In a five race series, Bob Harkrider became Southeastern District Champion over Will Sloger, Lenny Krawcheck was third.

Half a month later, June 6-7, we were at Lake Murray SC with no wind. Bill Sloger, followed by Ed Michels, and Neff McIntosh won the single race sailed by the fourteen boat fleet.

At Carolina Yacht Club two weeks later, June 20-21, Bob Harkrider took first, followed by Michael Rees in second, Jim Taylor was third, in the fourteen boat fleet.

We then went to Beaufort, SC to get used to salt water and prepare for the Savannah and Charleston. Bob Harkrider showed he had not forgotten about tide, Will Sloger was second, Patrick Hogan finished third. All enjoyed the "FROGMORE STEW" Saturday night. Seventeen boats.

Savannah was a new location on the recent circuit, July 11-12. The three race series was won by Bob Harkrider, followed by Lenny Krawcheck, third was taken by 1996 Olympic Committee Sailing Chairman, John McIntosh of Savannah. The course suited us to a "T".

July 25-26 saw us at historical Charleston, with a course out toward Fort Sumter. The wind was brisk, and the tide confusing to us "lakers". "Tide Water" Lenny Krawcheck finished first, followed by Patrick Hogan, then Bob Harkrider. The event was well attended, with 13 Lightnings competing in the multi-fleet regatta. This will be the site of our 1993 Districts.

Nine District crews traveled to the North Americans in Buffalo. Finishes: Lenny Krawcheck C21, Bob Harkrider P6, Kenneth Krawcheck P7, John McIntosh P22, Karl Suter P42, John Pelosi G11, Neff McIntosh G12, Carter Utzig G31, Carr Boyd G37. (See Championship listing for worthy crews.) One of our Juniors, Beau Samuelson sailing with Will and Josh McIntosh of Savannah Y.C. finished third in the Junior Championships. Carr Boyd also competed. John McIntosh was ninth in the Masters, and John Pelosi was fourteenth.

In September, off to Waccamaw with memories of earlier drifting in heat in 1990. We were to be surprised with great wind, maybe the best of the year. Will Sloger romped to first, with Lenny Krawcheck close behind. Bob Harkrider was third, and this being the largest attendance of the year, awards were made to fourth John Pelosi, and fifth to Richard Mayne, a newcomer to the hardware. Twenty four boats.

Then back to Lake Murray, Columbia YC, September 19-20, with good weather, but spotty wind. The small but blue ribbon fleet was closely contested with the prize going to Terry Tyner, one point ahead of Bob Harkrider, and one point later John Bohnenkamp. Twelve boats.

To finish up the circuit we traveled to Lake Lanier out side Atlanta for the Atlantic Classic. No drifter here, good wind in a gray drizzle, but it kept the power boat crowd at home. Fisk Hayden took first, followed by Neff McIntosh. There was a tie for third, with the breaker going to Lenny Krawcheck over Bob Harkrider. Twenty three boats sloshed thru.

The district thanks Pam Suter, District Commodore, for a great season. John Bohnenkamp will lead the Southeastern District in 1993.

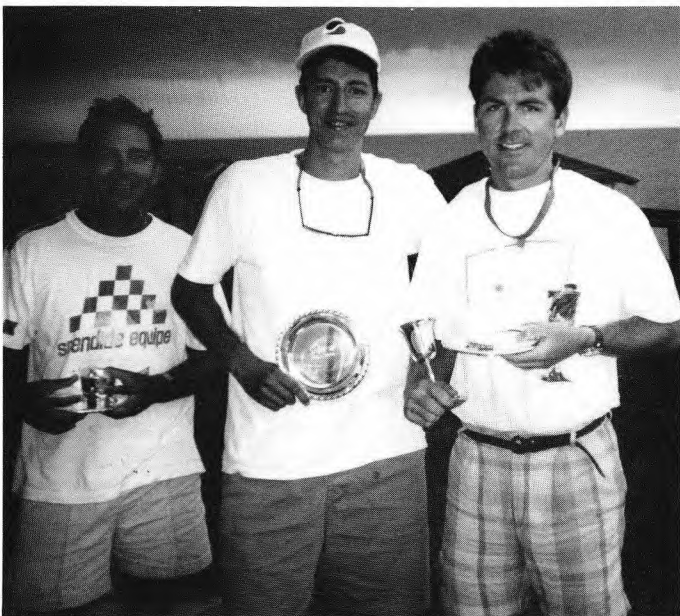

## SOUTHERN DISTRICT

District Commodore ..... Larry Frost, III  
 District Secretary ..... Fran Frost  
 District Measurer ..... Larry Frost, III,  
 District Champion ..... Robert Bernhardt  
 District Runner-Up ..... Mitch Bohnenkamp

**Fleets:** Mobile Bay (135); Shreveport Yacht Club (175); New Orleans Yacht Club (209).

The Southern District sailed a number of regattas this year. Participation was up somewhat this year. The first was the Mardi Gras Regatta hosted by New Orleans Yacht Club. Larry Frost, III won this one. Holiday In Dixie was the next one. Boats from Southern District and the Texas District sailed in the regatta. This was a great regatta and a good time was had by all. The best finisher from the Southern District was Larry Frost, III. He was second to Steve Harris. Southern Yacht Club hosted their annual Opening Regatta. SYC is the home of the now inactive Fleet 62 which was active for many years. Frost won this one also. Lake Charles hosted their annual Contraband Days. Sailors from the Texas District came for this one also and walked away with first. Larry Frost, III was second with Larry frost, Jr. coming in third. SYC hosted their One-Design Regatta on Memorial Weekend. Buck Ballatin won this one with Frost again finishing in the top with a third.

Southern District Championships were held at Buccaneer Yacht Club in Mobile, Alabama. There was a nice turn-out and, for the most part, the weather cooperated. Robert Bernhardt won the regatta with consistent finishes. Mitch Bohnenkamp came in second with Larry Frost coming in third. The Gulf Yachting Association Championships were sailed at the Pass Christian Yacht Club on the Mississippi Gulf Coast. Larry Frost, III walked away from this one with three bullets. Robert Bernhardt finished second in the regatta to give him the best overall finishes in the Districts and GYA. With that, he was presented the John Curran Memorial Trophy.

*Kam Mitchell, Will Tetre, and skipper Larry Frost, III — Gulf Yachting Association Champion.*

## SWISS DISTRICT

District Commodore ..... Jacques Perret  
 District Secretary ..... Kathy Herzog  
 District Measurer ..... Urs Wyler  
 District Champion ..... Urs Wyler  
 District Runner-Up ..... Jacque Perret

**Fleets:** Lac de Neuchatel (169); Sempachersee/Hall-Wilersee (250); Murtensee (358).

Our sailing activity during the 1992 season was quite the same as in 1991.

We organised three regattas for our championship with a participation of six crews. Our District Champion is once more Urs Wyler.

In spite of a meagre participation in Switzerland, a big delegation of four boats (with twenty-six persons!!!) travelled to Finland to sail the European Championship in Kuopio. A great championship with good wind conditions and 31 Lightnings. Congratulations to the "perpetual" Runner-Up Urs Wyler and his crew G. Durr/W. Durr who lost the title by just one point after a big fight with Noto. Congratulations also to my juniors, Alexandre and Ludovic, who worked hard to raise the Commodore to seventh place. Thanks to Claude Lambelet, our patriarch, who was sailing for the first time in Finland, and to Gilbert Despland and crew who are always active.

Next year we plan to train some junior crews to prepare the participation at the next World Youth Championship in Neuchatel.

## TEXAS DISTRICT

District Commodore ..... Arthur M. Wilson  
 District Secretary ..... Ardis Good  
 District Measurer ..... Dr. Sylvan Newman  
 District Champion ..... Steve Harris  
 District Runner-Up ..... Wayne Catoe

**Fleets:** Dallas Corinthian (35); Rush Creek Yacht Club (435); Lake Conroe (505).

Lightning sailing in Texas seems to be on a definite upswing again this year with more sailors participating in even more events. The continuing efforts to promote the class saw the birth of Fleet 505 at Conroe Yacht Club on Lake Conroe giving us a presence in South Texas.

With Steve Harris and Robert Mitchell of Fleet 505 promoting activities, three new regattas at Lake Conroe were added to the growing list of regattas for district sailors. Members of all three fleets participated in a total 13 regattas with Steve and crew travelling to nine and the North Americans. Practice, practice, practice does seem to pay off as Steve came in the winner in seven regattas — Toys for Tots Regatta at Lake Conroe, Texas A&M Regatta at Lake Conroe, Spring Dinghyfest at Lake Ray Hubbard, Contraband Days at Lake Charles, Louisiana, Texas Districts at White Rock Lake, State Fair Regatta at White Rock Lake, and Commodore's Cup at Lake Conroe. Other winners for the year were Warren Lewis of Fleet 435 winning Fall Dinghyfest at Lake Ray Hubbard and Kurt Schuler of Fleet 435 was a name seen often in the top three finishes in four regattas. Not leaving out Fleet 35, Wayne Catoe finished second in Districts and Joel Good finished fourth. Participation was good with a minimum of five or six boats competing to 11 competitors in Spring and Fall Dinghyfests and 14

boats in Districts and the State Fair Regatta. A District MacGyver Award was created for creativity at sea with Steve Harris being honored as the inspiration and first recipient for his repair of a broken spinnaker pole with a paddle during a race in the Toys for Tots Regatta — and he still won the regatta.

Adams Cup competition saw the birth of a women's team from Fleet 435 — Jennifer Eldridge, Liz Harvener and Deanna Gronke. They finished first in TYA and second in a shortened series for Area F. Although we would have liked to see the Area F go the full round robin (the series was shortened due to a blow of 20 to 30+ and no doubt the Fleet 435 team would have overcome the first place Austin team), those of us in Fleet 35 who loaned boats were glad to see our boats back at the dock with only minor damage. The Fleet 435 women's team had such a good time they added another team member, Christine Corbin, and took off for the Women's Keel Boat Championship (Invitational) held in Sonars at St. Pete in November.

At this writing, activity continues with boats packing up for the Toys For Tots Regatta again and the concept of a Texas District Awards Banquet is under consideration to further promote comradery among fleets.

*The Adam's Cup team from Fleet 435, Jennifer Eldridge, Liz Harvener, and Deanna Gronke.*

## I.L.C.A. ADDRESSING SERVICE

Most of the Fleet and District Officers listed in this Year Book held office during the calendar year 1992. Names and addresses of current officers may be obtained from I.L.C.A. Headquarters.

Some of the Members listed in the Registry of Lightning OWNERS have moved since the Registry was prepared. Current addresses may be obtained from I.L.C.A. Headquarters.

We offer addressing service to Fleets, Districts, and Yacht Clubs. We will address labels at 10¢ per name for any District. Additional charge is made for the amount of postage required to mail them to you. Names available are those of Lightning owners who are in good standing for 1992 and 1993.

This service is also available to Lightning builders and sailmakers at 15¢ per name.

Contact I.L.C.A. Headquarters, 808 High Street, Worthington, Ohio 43085, giving sufficient lead time.

# Lightning Fleets

## ROSTERS AND REPORTS

### SKANEATELES COUNTRY CLUB (1) Central New York District Sailing on Skaneateles Lake Skaneateles, New York

Fleet Captain ..... Kirk Reynolds  
Fleet Secretary ..... Mike Yates

Boat No.	Boat Name	Skipper
378	.....	Mike Yates
10242	.....	Doug Tucker
11154	.....	Frank Haas
13330	.....	Skaneateles Country Club
13900	.....	Chris Kuhns
14465	.....	Kirk Reynolds

This Fall saw the reinstatement of Fleet I as an active Lightning Fleet. While the fleet got off too late to have a fleet champion, it is hoped that series races can be held in 1993 in conjunction with other ongoing racing series.

The fleet here is composed of everything from modern racers to day sailors and classic wooden Skaneateles hulls. The newest addition being Skaneateles hull number 39, owned by David Penfield.

Fleet members Kirk Reynolds (11267), Mike Yates (378), Doug Tucker (10242), and Frank Haas (11154) did participate in several area regattas, including: the Cazenovia Flash Bash, the Oswego Michelob Classic, and the Skaneateles Sandbagger series.

In addition to the reinstatement of Fleet I, 1992 saw the rebuilding of the Skaneateles Country Club clubhouse. The historic clubhouse that so many remember from the 40th and 50th anniversary regattas was destroyed by fire on Mother's Day 1991. Fortunately, the club trophies were all out for engraving and firemen were able to rescue our historic fleet charters. The new clubhouse was designed to reflect the character of the old, while incorporating modern space layouts and conveniences. The main floor of the building, incorporating a bar, dining rooms, and banquet facilities, opened July 4th weekend to rave reviews. The ground floor will be finished this winter and will incorporate showers, restrooms, sail locker rooms, and a sailing class and function room.

Lightning Fleet Five was again out in force this year with several new

### BAY HEAD YACHT CLUB (3) Central Atlantic District

#### Sailing on Barnegat Bay, Bay Head, New Jersey

Fleet Captain ..... Robert Adams  
Fleet Secretary ..... Robert O'Brien, Jr.  
Fleet Champion ..... Robert Adams

Boat No.	Boat Name	Skipper
11569	.....	Bay Head Y.C.
14008	Vagabond	Robert R. Adams
.....	.....	Robert B. O'Brien, Jr.

Although Lightning sailing is limited to Junior sailing training at B.H.Y.C., our club was honored to be the host of the U.S. Women's Sailing Championships — the Adams Cup — sailed on Barnegat Bay in Lightnings. The boats were all in number one condition and assembled by Jim Carson. New sails were provided by Shore Sails. The racing was held under near perfect conditions and Jody Swanson of Buffalo Canoe Club was the undisputed winner. Former ILCA president Bob Adams was the event chairman. This is the second time the Adams Cup has been held at Bay Head. In 1968 June Methot of Mautoloking Y.C. was the winner.

Part of the hundreds who came to the Red Flannels.

members and a full program of sailing. We had three series and several in-fleet weekend regattas.

Our Fleet Championship was a full ten race schedule this year on four different weekends with a range of conditions. Mike Huffman, like our own Chicago Bulls, was able to repeat as champion this year with the able help of Meg Huffman and Jim Blair. David Stix and Rick Kaiser were only a point apart for runner-up and third with Adrian Irving and Derek Ettie filling out the fourth and fifth spots. The series was very competitive this year with nineteen boats battling it out.

Our Summer Series, usually scheduled for the home crowd on the out of town regatta weekends, provided a different set of winners. Tom Hennessey showed that even antique, pre-war (perhaps pre-wars?), and very faded-out blue boats can do well by taking this series with three firsts. Close behind in second was Dick Hinze and third was newcomer Andy Chaloupka.

Our Moonbeam series on Wednesday evenings was taken by Barb Fox in David Stix boat, *Total Recall*. The challenge in this series is to cross the finish line before the quickly fading wind fades out totally and leaves you stranded in Lake Michigan. Second was newcomer Bill Gibson.

For the second year we scheduled five weekends as if they were regattas. Whoever had the best finishes for the whole weekend won a beer mug. Somehow, nobody received more than one mug. The winners were Mike Huffman, David Fall, Derek Ettie, Tom Hennessey, and Dick Hinze.

The final trophy was for that boat that put more boats behind them over the whole season in all our faces. Our "Boat of the Year" was *Monkey Business*, skippered by Mike Huffman.

The season wrapped up with another great Red Flannels Regatta, the last weekend in September. Rick Kaiser for the second year in a row organized a very competitive and fun event. Unfortunately, our own fleet members were too generous and gave away most of the top spots to out-of-towners. A newcomer to our fleet, Steve Lowery finished first followed by Greg Smith, Colin Park, David Decker, Sean Fidler, Bruce Goldsmith and last year's winner, Bill Faude. Come join us next year for great winds, great blues bars, and lots of trophies.

## NORTH SHREWSBURY RIVER FLEET (11) Metropolitan District

Fleet Captain ..... Bill Clausen  
Fleet Secretary/Treasurer ..... Mary Huntsman  
Fleet Champions ..... Jack Huntsman &  
Henry O'Hern

Boat No.	Boat Name	Skipper

Life Member	.....	Larry MacDonald, Sr.
.....	.....	Dennis T. Wettlaufer

Fleet 12 sailors had another active racing season, highlighted by the North American Lightning Championship which the BCC hosted in August. Co-Chairmen David Fretz and David Adams, assisted by many BCC members on the various committees, organized a terrific regatta.

The North American Championship was won by Larry MacDonald, with BCC crew Ian Jones and Trevor Born on board. David Starck was runner-up with Kevin Robinson and Tom Starck as crew. Matt Fisher of Columbus, Ohio was third, with crew Ned Roseberry and Joe Starck. The success of our members is a tribute both to the high competitiveness of our Fleet as well as the excellent B.C.C. Junior Sailing Program.

Jody Swanson, Mark Sullivan, Jim Allen and Tom Allen, Jr. also skippered in the North American Championship division. Tom Allen, Sr., who won the North American Masters Championship, and Ed Roseberry, Jr. competed in the President's Cup division. Mike Huffman, the Lightning Class 1992 President, a former Fleet 12 skipper, finished fourth in the President's Cup. Warren Emblidge, Jr. and Bill Neal skippered in the Governor's Cup division.

The Junior North American Championship was won by Warren Emblidge, with crew Pascal Buckley and Amy Tillou. Tom Starck was second, with Guy Adema and Martha Wilson crewing. Steve Roseberry finished fourth with Sean Tigchelaar and Kirsty Agrell. Meredith Bone, Jake Frank, and Brian Short rounded out our strong contingent of B.C.C. Junior North American skippers.

Fleet 12 held an auction in June to help support our two junior crews who competed in the Lightning World Youth Championship in October in Chile. Congratulations to Tom Starck and his crew Guy Adema and Martha Wilson, who won this prestigious regatta. Warren Emblidge, Jr. with Pascal Buckley and Amy Tillou on board also represented the BCC.

We were proud of Jody Swanson's effort in her 470 Olympic campaign. Although she just missed qualifying, she came back strong by winning the Adams Cup, which is the U.S. Women's Championship.

Bill Neal, a new BCC member and veteran Lightning campaigner, won the Lake Erie Districts hosted by the Royal Hamilton Yacht Club. Tim Hess and Bill Weikert, who both purchased Lightnings recently, sailed in some of the races this season. We hope to see more of them next year.

Sailing on Abino Bay opened with the Eby Series in May, won by Matt Fisher. Ed Roseberry, Jr. won the Thermis and Hussey series. Jim Allen won the Maccubin Series and Dick Aubrecht won the Fleet 12 Series. We had 8-10 boats competing on Wednesday nights with a three short race format. Warren Emblidge won the first Wednesday Series and Tom Starck won the Meyers. Tom Allen, Jr. captured the Fallon Club Championship, sailed over one weekend in conjunction with the Shark Championship.

The Junior Lightning Series included the Sears Cup qualifiers, the Tom Franclemont Friday night series and the Hughes Junior Club Championship which were all won by Steve Roseberry.

My thanks to Secretary John Frank for his timely mailings and Treasurer Tom Allen, Jr. Also many thanks to Fleet Captain Jim Grenauer, Race Committee Chairman Bob Stoner, and Scorekeeper Chairwoman Carol Robinson. Their combined efforts allowed us to enjoy a fun summer of racing.

Fleet 16 — Haul out after the Regatta.

### PAUPACK FLEET (16)

#### Metropolitan District

#### Sailing on Lake Wallenpaupack in the Pocono Mountains at Tafton, Pennsylvania

Fleet Captain ..... Robert Baron  
 Fleet Secretary ..... Franz K. Schneider, Jr.  
 Fleet Champion ..... Franz Schneider, Jr.  
 Runner-Up ..... George Madel

Boat No.	Boat Name	Skipper
10215	Shadow	Joe Feyder
11907	Mach I	George Madel
12167	Aeolus	Robert M. Baron
13520	Sister Kate	Stan Moldawsky
14348	Hornet	Franz K. Schneider, Jr.

On Lake Wallenpaupack, our season begins in May with two weekends devoted to dock repair and dock launching. This year we built the final new section for our new dock. Next year we will build a ramp and the first replacement section for our old dock.

After dock launching two weekends are devoted to tune up and "get ready" activities. Our first real test is the COLD DUCK REGATTA sailed on Memorial Day weekend. Fleet Captain, Bob Baron won the much coveted Cold Duck Perpetual Trophy, sailing with Sandi Scull and Cathy Schneider.

Competition for the Folwell Cup began on May 30th. Stan Moldawsky, our resident Jazz pianist, with his crew of Latham Pali and Todd Garring won this one. George Madel was runner up. His crew was the Lewis brothers, DG and Jamie.

For the last two years, the Lake Wallenpaupack Yacht Club has been trying to develop community interest in sailboat racing by sponsoring a series of lake wide handicap races. Twelve boats turned up for the July Fourth event. George Madel, sailing with Latham Pali and Billy Clausen, eked out a close win over Caroline Schneider who was sailing with her sister Susan and her mother Sheila.

The Miller Series ran through most of July. Franz Schneider's *Hornet* won this cup. Crewing was his ever loyal wife Sheila and Pat Vennie. The team on Stan Moldawsky's *Sister Kate* were second.

George Madel won the Club Series sailed in August. The Schneider's were second.

Totaling the season scores gave the Championship to Franz Schneider with George Madel and Stan Moldawsky close behind.

On Labor Day weekend Sheila Schneider won the Crew Trophy while Lincoln Rowley sailed *Mimsy II* to a first in the fourteen boat Handicap event.

We had eighteen Lightnings on the line for the Pennsylvania Governors' Cup Regatta in late September. It was a beautiful clear autumn weekend. State Representative, Edward Stayback, presented first place to Jack Huntsman from the Monmouth Boat Club fleet. Second went to Dick Hallagan, last years winner, from the Newport fleet in Rochester, New

York. Mark Schneider, Landy Atkinson, and Franz Schneider followed in that order.

In addition to our normal fleet activities boats from our fleet participated in regattas on Lake Erie, Lake Mohawk, Greenwood Lake, Barnegat Bay, the Hudson River and the Delaware River.

All in all, 1992 was a successful season. Next summer Chuck Goehringer will be working back in our area again, Mary Ann Feyder will be through with her eye surgery, John Rowley will be back at the helm, and we will have three new boats. So we are looking forward to an even stronger fleet.

1993 Fleet Officers are: Captain, George Madel and Secretary, Stanley Moldawsky.

### CHAUTAUQUA LAKE YACHT CLUB (19)

#### Lake Erie District

#### Sailing on Lake Chautauqua, Lakewood, New York

Fleet Captain ..... Henri Kutschke  
 Fleet Secretary ..... Virginia Erickson  
 Fleet Champion ..... Doug Reid  
 Runner-Up ..... Charly Hodges

Boat No.	Boat Name	Skipper
9332	Blue Mac's	J. J. McDonnell
10156	.....	Charles Hodges
10273	Duck	Neil Robison
11868	.....	Steve Shiffer
12601	.....	Lyle T. Barkhymer
12614	Fledermaus	Marnie Tolerton
13162	.....	Ken & Doug Reid
13222	.....	Candy Neville
13605	HEK	Henry Kutschke
14311	Kristi	Ralph L. Erickson
14341	Daisy	Gordon Black
14411	.....	Craig Seger

The Chautauqua Lake Yacht Club Lightning Fleet had a fairly active and competitive 1992 sailing season. Aside from our normal Sunday afternoons and Wednesday evenings competitive sailing we hosted the 28th annual Cornball Regatta held early in June. Fourteen boats from various clubs competed in rather bad sailing conditions — too little cooperation from mother nature — too little wind. However, when everything was said and done, Cal Schmiede and Co. from the Niagara Sailing Club proved to be the best. Congratulations Cal. Was it your youthful crew that moved your boat to victory?

After the races that Saturday evening the majority of the sailors enjoyed a good dinner. Then the group had a great time at the 'Monte Carlo' night along with a Chinese auction. And again this year Keith MacDonald did an

Action at C.L.Y.C. Wednesday evening series.

excellent job as auctioneer getting maximum participation. Thanks again, Keith.

Our fleet has welcomed two new skippers: Craig Seger and Neil Robinson. Craig, an Ex- E-Scow sailor finally saw the "light" and joined our fleet. To both of you a hearty welcome. Gordon Black was not with us on the starting line very often as a skipper this year. He was in the process of moving up to a newer model boat, which in actuality, left him in limbo until he found his 'new' replacement toward the end of the season. Beth Craig and Gordon were active sailors outside home base, as both participated in regattas in the district. Old timers like Jim McDonnell and Henri Kutschke also found the desire to compete away from home, as did the young skipper Doug Reid.

Our fleet sails every Sunday afternoon and Wednesday evening. To promote sailing and develop more interest among all, we initiated, (for the Wednesday evening series), that the usual skipper **not** be at the helm, rather a crew member or someone else. It worked rather well. This created at least two new young skippers who competed on a regular basis. The Wednesday evening series finished with Ken Reid in first, Pat Kutschke in second, and Sarah Hodges in third.

The Sunday afternoon series had almost the same boat outcome, as the regular skippers had the helm. Doug Reid took first, Charly Hodges was second, and Henry Kutschke, third.

We as a fleet are very optimistic for the coming season: new boats, new skippers, and new enthusiasm.

### INDIAN LAKE YACHT CLUB (23) Ohio District Sailing on Indian Lake, Russells Point, Ohio

Fleet Captain ..... Frank Terry  
Fleet Secretary ..... Robert Clover  
Fleet Champions ..... First Round - Bob Curry  
Second Round - Steve Weeber

Boat No.	Boat Name	Skipper
12049	.....	Robert Curry
12287	Mellow	Franklin L. Terry
12551	Wind Thief	Robert Clover
13189	Finally Blue	John Collier
13741	.....	John W. Timmermeister
14287	Phoenix	Steve Weeber
Life Members	.....	Jay & Helen Limbaugh

An active year for Fleet 23 during 1992. We started the year with two new Lightning Sailors. The first to join the club was John Dika. John, with his wife, Sandra, and kids, Nick and Katie, had purchased their Lightning in 1991 and sailed on Kiser Lake. They were a welcome addition to our fleet. Unfortunately, John has been transferred to Massachusetts. We will miss their friendship, but we wish them the best. The second to join our fleet was Steve Weeber, his wife, Donna, and father, Bud. They had sailed E-Scows prior to buying their Lightning. It's great to have them on board. They are very good sailors and have increased our level of competition.

Our fiftieth year for the Indian Lake Yacht Club was celebrated this year with a reunion. We had pictures, articles, slides, etc. from days gone by. It was great to see how active a part the Lightning played in the history of the club. It was a very beautiful experience.

We hosted a regatta this year, August 15th and 16th. Nobody could remember the last Lightning regatta held at Indian Lake. We intend to make this an annual affair. We were thrilled at the turnout, sixteen boats. Six came from Cowan Lake, one each from St. Mary's Lake, Atwood, Leatherlips, Columbus, and we had six boats from Indian Lake. The weather co-operated bringing us 8-10 mph winds Saturday morning, 15-18 mph in the afternoon, and Sunday morning the wind was light at 5-8 mph. Saturday evening we had a fantastic lasagne dinner complete with stuffed clams. Everyone gathered around the George Killian Irish Red Ale, told stories, discussed the day's racing, and had a good time. Steve Weeber won the regatta, Bill Young was second, Dick Pugh, third, and Paul Howard, fourth. We gave trophies to the top four finishers and crew trophies to the first two places. A trophy also went to the person who typifies the average Lightning sailor, the sailor who is always there on the line giving it his best. This year's winner was Steve Jolly from Atwood. He sailed with his wife and kids in all but one race, the air was too heavy for them and he wisely decided to come in. This regatta was a new experience for us and we had a great time.

A couple of us traveled this summer. That hasn't been done in some time either. It is great to see our fleet showing life. See you next summer.

*Oops! A surprise at the Stumpbuster Regatta.*

In spite of a season of unusual weather, the sailing folks of Fleet 31 enjoyed a summer full of club competition. Beginning with Bruce Goldsmith's famous-by-now SPRING THING, our annual tune-up event, and ending with DLYC's 49th Annual Regatta in September, lots of terrific sailing was sandwiched in between.

The Memorial Day Series featured George Sipel, one of the toughest young sailors on the Lightning circuit, winning the fleet's opening series event. Next up, the holiday Fourth of July Regatta was captured by Lightning Class stalwart Hank Hodgson. The Annual Stay-at-Home series was closely contested with Dick Elwell coming out on top. The Labor Day Regatta was won by Steve Thomas and crew.

The Commodore's Trophy was won by Bill Thomas, another young man to watch when he's at the tiller. Bill, continued to serve as the clubs Jr. Sailing Program Instructor in 1992. Bill's assistant, T. J. Whitehouse, himself a recent grad of the Junior sailing program, was perhaps our steadiest sailor and captured what may have been one of the most closely contested Fleet Championships in DLYC history. Dick Elwell finished in second position and Jack Tibbs a close third.

After a season of sailing these three boats finished within four points of each other. The season's final race decided all three finishing positions.

Other notable Fleet 37 accomplishments included strong DLYC finishes at the Michigan Districts; club boats occupied five of the top ten places. At the Junior Districts, another Thomas family member, this time Mike Thomas, took top honors with crew Andy Paulin and Jason Baroush. The Lake Fenton Team Races formed Devils Lake team B (the Bullets). The winners with Bruce Goldsmith, Steve Thomas and a PYC captain as the successful skippers. Kudos also go out to Hank and Karen Hodgson, 1992 champions in the Rebel National Regatta (their 5th time!).

The 49th Annual Regatta was hugely successful, with the club hosting 34 Lightnings and 21 Sunfish. In standings right at the top, Colin Park edged Terry Hutchinson by 1/4 point! One of our tightest finishes ever! Additionally, the Fleet took pride in honoring one of our own, Chris Tibbs, in front of many of her Lightning Class friends. A trophy in her honor, the "Chris Tibbs First Mate Award" will be awarded each year to the spouse of a fleet member who is the most helpful to the fleet over the course of the year. As many of you know, Chris has officially announced her on-the-water retirement(?) as our weekly race committee — we'll miss her! We hope to coax her out of retirement for our Fleet's Fiftieth Anniversary Regatta. We also hope to host our many Lightning friends at this regatta and promise lots of surprises to Lightning skippers willing to join us as we celebrate this important Fleet 31 milestone.

14029	Thunder	Craig J. Dooren
14180	Hot Fuzzy	James G. Carson
14424	XV2	James G. Carson

1992 saw two welcome themes for the Metedeconk River Lightning Fleet — greater participation in local fleets and excellent competition. In local series championships, no single team repeated victories during the year with the championship open up until the final week of competition in each series. Joe Buczkowski edged the team of Paul Gelenitis and Mike Buczkowski for the Summer Series Championship with Richard Thomas, Billy Bogardus, Stephanie Ruiter following. Paul continued his mastery of the Barnegat Bay Yacht Racing Association Lightning Championship, but did so in the final week edging out the Jim Carson racing team, Dave Ruiter and Djoerd Hoekstra. The BBYRA Fall Series, held at Metedeconk River annually, saw the largest turnout in years, with eight boats qualifying. Dave Ruiter took the crown, closely followed by the team of Richard Thomas and Chris Krautheim.

In competitions outside the local series, Metedeconk sailors garnered many distinctions. Keith Taboada had another strong year, winning the Annapolis Frigid Digit Regatta and winning his third consecutive Central Atlantic Districts, held at Brant Beach Yacht Club. Jim Carson and Paul Gelenitis also placed high at the Districts, fourth and fifth respectively. The Buczkowski brothers dominated the New Jersey Junior States, with Mike winning, followed by Joey. Keith was also our leading representative at the North Americans in Buffalo, with a 12th place finish, after the suspense of scarcely qualifying for the Blue Championship flight. Keith also qualified for a berth at the 1993 World's and we wish him success there. Other Metedeconk attendees at the NA's included Paul Gelenitis, Jim Carson, Djoerd Hoekstra and Greg Kinzel. Joe Buczkowski and Gerard Kinzel sailed the Junior NA's with Joe taking sixth while qualifying for the World Youth Championship. At the other end of the Lightning age spectrum, Jim Carson placed sixth in the Seniors, in a "Hall of Fame" fleet which included a number of World's and NA's Championship holders. In other area regattas, Paul Gelenitis took the Spring Tuneup Regatta held at Bay Head while finishing second in the Southampton Regatta. Jim Carson continued his circling of the globe while attending Lightning regattas, gaining many top ten finishes in his travels.

Sounded like a busy year; we look for more of the same in '93. See you on the race course.

# **DALLAS CORINTHIAN FLEET CLUB (35)** **Texas District** **Sailing on White Rock Lake at Dallas, Texas**

.....	.....	Lonny Baugh

Fleet 35 enjoyed a more active year than ever with individual fleet members taking on the leadership role for various events and fleet members joining in to help. It seemed to be a year of "firsts" for fleet activity and events.

A new concept for handling fleet races has proven successful and will most likely be continued in future years — each fleet member was responsible for fleet race duty on a given race day thus spreading the responsibility among members and giving new fleet members experience at setting up and running the races. Thanks to Rodney Wallace and John Waskom IV for keeping scores (we're still double checking the scores with Rodney keeping score and winning the Summer Series!). The 19 race Summer Series started off with a bang the first weekend in April with a blow and one capsized followed by a capsize in the second race the following weekend. Things calmed down after that and by the end of the Summer Series at the end of July, Rodney Wallace finished in first place, Joel Good in second place and Wayne Catoe in third. The 20 race Fall Series got under way September 5th and finished up November 14th as the last two races scheduled for November 21st were cancelled, after we were on the water, due to lightning — yes, lightning in November! Ralph Bilnoski finished first in the Fall Series, followed by Joel Good in second and John Waskom IV in third. Combining the two series for our Fleet Championship Series resulted in Joel Good in first place, Ralph Bilnoski in second and John Waskom IV in third. Participation was good with an average of 6-8 boats competing.

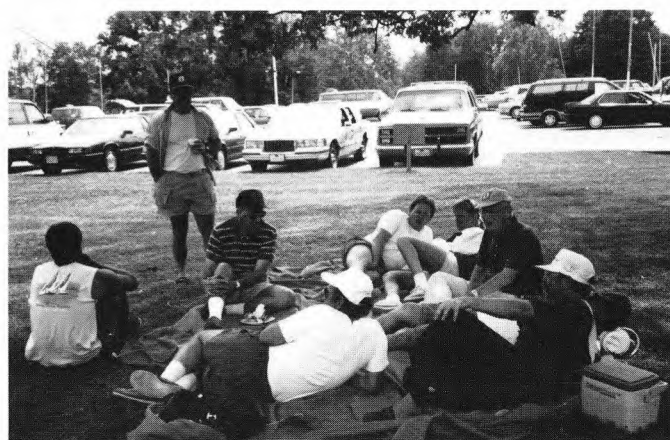

Fleet members travelled to regattas year round — John Waskom IV, John Davis, Ralph Bilnoski, Rodney Wallace, Wayne Catoe and Joel Good (in various boats with various crew configurations) competed in Toys for Tots and Texas A&M Regattas at Lake Conrow, Holiday in Dixie in Shreveport, Louisiana, and Spring and Fall Dinghyfests at Rush Creek. The State Fair Regatta held at our club is becoming a well attended regatta with six boats from Fleet 35 competing with Lightnings from Fleets 435, 505, and 175 for a total of 14 Lightnings in the regatta.

For the first time in more years than most can remember, Texas Districts were hosted by Fleet 35 at White Rock Lake with Joel Good as Regatta Chairman. Seven boats from Fleet 35 of a total 14 boats competed with Wayne Catoe finishing in second and Joel Good in fourth.

Another first for the fleet was hosting the Fireworks Regatta on July 4th for members of Corinthian Sailing Club and other area dinghy boats. Thanks to John Waskom IV for acting as Regatta Chairman and Marti Wallace for social on that event. Turnout was good and it looks like this will probably become an annual event.

Yet another first, Adams Cup competition for TYA and Area F was held at Corinthian Sailing Club with Fleet 35 members loaning boats and providing manpower — a special thanks to John Davis, Joel Good, Ernest Godsey, Ralph Bilnoski, Rodney Wallace, Carl Takle, John Waskom III, John Waskom, IV, and Jeff Glass for loaning boats and spending some long weekends on duty.

And the season continues as fleet members are packing up for the Toys for Tots Regatta again this year.

*Fleet 35 sailors take a break at Holiday in Dixie Regatta.*

## **FLEET 35 CELEBRATES 50 YEARS**

*by John Waskom IV*

Like the cat with the instinct for survival and the fabled nine lives, Lightning Fleet 35 has survived the test of time because of the commitment and dedication of its true believers.

Originally chartered in the early 40's, Fleet 35 was able to withstand the interruption of World War II to make a strong comeback in post war years.

By the time Skipper Emeritus Willis McQueen joined the fleet in 1949, it was in its second life and had grown to eight boats — outgrowing the Corinthian Sailing Club facilities. Willis recalls building original davits #6 and #7 adjacent to the north gazebo to have a place for his new boat.

The fleet continued to prosper until the early 50's when mother nature dealt White Rock Lake a cruel blow and dried up the north end of the lake. Many of the fleet's skippers, tired of waiting for water to return to the lake, lowered their Lightnings from the high and dry davits onto trailers bound for the newly formed Dallas Corinthian Yacht Club on Lake Dallas.

Several devoted skippers remained loyal to Corinthian Sailing Club and White Rock and out waited the drought. When the water returned in '56, the fleet began its third life with Willis McQueen, Milton Price, Harold Boss and Marshall Fagin taking up the challenge of rebuilding.

The late 50's and 60's were good to Fleet 35 with the fleet growing to an unprecedented 39 Lightnings in 1969.

The early 70's brought the winds of change, and the blue of a larger lake lured many of the fleet's skippers to the newly formed Rush Creek Yacht Club at Lake Ray Hubbard where Fleet 435 was formed.

Once again a small contingency of devoted Lightning skippers, Willis McQueen, Al Sather and John Waskom, III, held the fleet together to see better times.

In the 80's, guided by these seasoned veterans and survivors, Fleet 35 began yet another rebuilding and growth period — the fourth life.

The 90's have been a very prosperous period for Fleet 35 yielding a time of constant growth and improvement in the racing program. During 1991 the fleet experienced an unprecedented period of growth welcoming five new owners to the fleet closing out the '91 season with 19 boats, 15 of which are being actively sailed.

In recognition of the increase in membership and participation in Lightning sanctioned activities, the fleet was awarded the coveted "Neal Steketee" Trophy for the "North American fleet who has been outstanding in furthering the purpose of the ILCA in promoting and developing racing."

It is reassuring that as the Lightning celebrates its 54th year as a class and Fleet 35 its 50th, no matter what Mother Nature holds in store for the future of White Rock waters, there are true believers among the members of Fleet 35 that are ready and willing to carry on the Lightning tradition for another five lives.

11623	Challenger	R. Samuel York
12912	Ruptured Duck	Bill Muth
14030	Dixie VI	Richard Owen
.....	.....	Jay H. Anderson

The 1992 sailing season in Chelsea was great as far as wind conditions went but less-than-great as far as number of competitors showing up for the races. This is because we lost Frank Newman, Jerry Cavagnol, Mike Pike, Bill Muth, and Don Williams due to various reasons. This left Dave Petelinz and Richard Owen to duke it out, with Richard winning hands down. In '93 we expect to see Mike Pike and newcomer Jim Zambito, Jr. return to the race course.

Fleet 50 will always remember the 1992 sailing season for this year we lost our beloved Doc Gilbert who passed away April 24, 1992 while racing in the Potomac Cup Regatta. Doc left us with his spinnaker flying, the ONLY

Doc and "Lord Jim" at the 50th Anniversary Regatta in Skaneateles.

way he'd want to go. At the "Doc Gilbert Potomac Cup" perpetual and keeper trophies will be awarded each year to the highest placed Fleet 50 skipper in honor of his memory. Doc contributed so much character to our fleet, we will miss but remember: his dedication to Lightning racing surpassed by no other; the love of bringing novices into the sport — many times Doc had people racing with him who had neither seen nor heard of a Lightning an hour before the race and yet many, including Mike Arnold, Jim Dillard, and Frank Gallagher went on to buy and race Lightnings; his lending hands when hardware broke or fell into Rehoboth Bay, or when your trailer got a flat tire on the way to the Potomac Cup; his untiring consistency race after race, the stories of his road trips, his energy and spirit of adventure. But most of all his camaraderie, generosity, enthusiasm, encouragement, smiles, hugs, and his undying love of a sport that he passed on to so many of us.

Notwithstanding the loss of our friend, the fleet had a successful year. We had at least five, and as many as nine boats, out every weekend for our spring and fall series. We were joined by John Marion who raced consistently and competitively at home and at out of town regattas. Christy Dillard finished her first year at the helm, but spent most of her time off the river travelling to local regattas, Southern Circuit, Women's and N.A. Championships in Buffalo. Mr. Dillard, who had a share of traveling to the S.C. and N.A.'s swept the fleet championship, winning the Spring and Fall Series, Spring Regatta, Lightning/Thistle Challenge and President's Cup. George Dehney is our runner-up, placing second in both Spring and Fall Series. Congratulations, gentlemen!! Thanks go to our officers, Bob, Christy and Nancy, and everyone else that made 1992 a success! Don't forget, 1993 is a big one. FLEET 50's FIFTIETH ANNIVERSARY!!!! Mark your calendar, **May 8-9** Doc Gilbert Potomac Cup & Anniversary Bash sponsored by Beck's Beer!!!! See you on the river!

.....	Being Green	David Nickels
14537	No Way	Kevin Nickels

The Lightning fleet at Lake Fenton enjoyed a competitive year of sailing during an unusually wet summer. Kevin Nickels, with his own new boat, added additional competition as he traded victories with his father and grandfather. Bill Barley regularly sailed in the Wednesday night series which resulted in several seven boat races. Al Bauer also returned from a summer of golf to again race his boat. The Nickels family finished the season in the first three positions in both the Sunday and Wednesday series.

The 1992 team race was also a great success with boats visiting from Devil's Lake, Pontiac, Crescent, Bay City, Gull Lake, and Lake Lansing. Seven teams competed and the series was won by Devil's Lake #2, which boats were skippered by Bruce Goldsmith, Steve Thomas, and Keith Shaw (a ringer from Pontiac). Some of the participants are shown in the picture below.

1993 will make the 25th anniversary of the Lake Fenton Sailing Club team races. It is anticipated that special trophies and events will take place at that time. That celebration coincides with the 50th anniversary of the Devil's Lake Regatta. Lightning owners throughout the Michigan District are encouraged to attend these special regattas. The Lake Fenton Sailing Club team races will be held June 12 and 13, 1993. We are hopeful that teams from throughout the district and beyond will attend. If your club is unable to field a full team, please contact race organizers so that additional teams can be assembled.

Michigan team racing, 1992, at Lake Fenton.

The world's largest Lightning Fleet had another great year of sailing on Cass Lake. Michigan experienced one of its coldest summers ever and while the power-boaters and beach-bums complained all year long, the sailboat racers at Fleet 54 had a ball. The usual August doldrums never materialized and the fleet sailed through the season without ever cancelling a race for lack of wind.

Pontiac Yacht Club traditionally begins its season on the first weekend in May with a Bug Out Regatta and continues right through until the third

week in October. While we took time out during the Districts and hosted the Women's and Junior Districts, our members contested Spring, Fall and Summer Series championships on both Wednesdays and Sundays. In late September we still had 25 boats on the starting line on Wednesday nights. On Sundays we hold back-to-back races with an Olympic Course format with typical participation around 15 boats.

The Fleet Committee borrowed an idea from the J-24s and instituted a handicap scoring system this season. All races were scored on both the Cox-Sprague system and a Monthly Variable Performance (MVP) system with all boats receiving a "rolling" handicap. The idea was to increase the competition and fun for those improving sailors who had not yet reached the top of the fleet. Trophies were awarded in every series on both the regular (Cox-Sprague) and handicap (MVP) scoring systems, allowing many more members to earn trophies this year.

The PYC Club Championship was a five race series held on the Fourth of July weekend. It was marked by heavy air and intense competition with first place in doubt until the final race. Sean Fidler and Glen Gray both survived turning turtle, but Bonnie Nickels sailed consistently to claim the Club Championship. Sean Fidler finished second.

Thirty-four captains and crews entered our traditional Whitecap Regatta, held the first weekend after Labor Day. Terry Hutchinson, who is making a name for himself in the national arena in a variety of boats, came in from Traverse City to capture first place. Host club sailors Sean Fidler and Louie Nickels were second and third, while former North American Champion Colin Park settled for fourth. PYC member Charlie Hess was fifth and sixth through tenth place trophies were swept by hosts Bob Mathers, Jim McCoy, Diana Fernando, Joel Humphrey and Wally Smith, respectively.

Commodore Bob Shaw and Vice-Commodore Jim Swan provided strong leadership in another successful year for the Pontiac Yacht Club. We look forward to our continued strong presence in Lightning affairs. If you're in the area, we invite you to stop in and race or crew with our competitive membership.

Ten Trophy-winning skippers and crews pose at the Pontiac Yacht Club's annual Whitecap Regatta.

Fleet Contact ..... George A. Maggs

<b>Boat No.</b>	<b>Boat Name</b>	<b>Skipper</b>
11283	Blind Pew	George A. Maggs

The Fleet has been inactive for a number of years. However, as we are, I believe, the oldest fleet in Canada, I asked the Maple Bay Yacht Club if they would, therefore, continue to offer their support by paying the annual Fleet dues (two years). This they were willing to do, but in the future its difficult to predict.

There are now only three or four boats in the Club, all of them noncompetitive and used for family sailing. Although there are more sailboats in the Yacht Club than ever before, the turn out for competition is minimal. The only exceptions to this are a new Star Fleet of six or seven boats, (they are very active) and the Club Lasers which are used for training and racing.

My own Lightning 11283 *Blind Pew* was put to good use by three young ladies from Royal Victoria Yacht Club, Wendy McBride, Louise Anstery, and Karen Palmer, who used it to practice boat handling before they left in the fall to compete in the Adams Cup finals. (They did all right by finishing fifth, I believe.)

14530	Former Panamanian	.....
	Strongman	William Faude

The 1992 Season started early this year when new fleet member John Strassman arrived in April with his new Lightning and began practice sailing with Bill Faude. John's crew for the season would be his brother-in-law Paul Dondero and sister-in-law Heidi Gutzwiller.

The annual and official opening of the season began with the Commissioning ceremony for the Milwaukee Yacht Club, which is sponsored by our Lightning Fleet. The weather was beautiful for a Friday evening in May and over two hundred-fifty Milwaukee Yacht Club members and guests were present.

The weather turned late Friday night with the passing of a cold front and associated 25-30 mph winds from the Northeast. Saturday's races were canceled and Sunday's annual Marine Handicap Race was postponed until Monday. The Marine Handicap Race was finally sailed Memorial Day in a bumpy Northeaster, with Bob Franke edging out Dana Blumberg by only two boat lengths. Robert Mahnke finished third.

The Little Mackinaw Race was sailed in a great Southeaster. Dana Blumberg and Dr. John Esser battled it out as the breeze filled in across the Bay. Dana went on to squeeze out John for the win. Amy Simonsen finished third.

The P & T Regatta was held July 11 & 12 with twenty-two boats in attendance. Light and shifty easterlies dominated Saturday's racing. Sunday's races were canceled due to thunderstorms which rumbled through the Milwaukee Bay area all morning. Bill Faude did a great job as Regatta Chairman especially since it was his first time. Paul Wurtzbach and his crew, Karen Johnson and Bob Seigel, won the event, with Mike and Meg Huffman and Amy and Bob Franke finishing second and third respectively.

Congratulations to Bill Faude and his crew, Jared Drake and Perry Lewis, for their second place finish in the President's Cup at this year's North Americans.

The Milwaukee Yacht Club Commodore's regatta was sailed during August in a choppy Southeaster with fog. John Strassman won the regatta with Bob Franke taking second and Dr. John Esser finishing third. John Sills and Dana Blumberg finished fourth and fifth respectively.

Lightning Fleet 69 renewed its annual picnic this year. The picnic was held in South Shore Park during August with over forty people in attendance. The weather was chilly but sunny and a great time was enjoyed by all.

The Labor Day Regatta was also sailed in fog due to Lake Michigan's cool water temperatures. Dana Blumberg sneaked by Bob Franke in the last race to win the race and the Series. Dr. John Esser finished a close third.

The 1992 Milwaukee Yacht Club Lightning Season Series was decided during the Labor Day Regatta with Amy and Bob Franke finishing just in front of John Strassman. Dr. John Esser finished third with Dana Blumberg and Robert Mahnke finishing fourth and fifth respectively.

Congratulations to Paul and Laura Dondero for the addition of "Little" John to the family. Little John although 10 months old, already has enough strength to jibe a Lightning spinnaker pole. Also to Karen and Joe Balistreri for the newest addition to their family, Jena Balistreri.

Fleet 69 is also honored to have had its bid to host the 1993 Lightning North American Championships approved by the ILCA. The event is to take place from August 7-13 with races to be sailed on Lake Michigan. The Women's, Master's and Junior Championships will be hosted by the She-

boygan Yacht Club which is an hour north of Milwaukee, also on Lake Michigan.

An ambitious social calendar is being planned, a large block of very inexpensive rooms has been reserved within ten minutes of the club in Milwaukee and the city's season of summer festivals will be in full swing during the time of the Championships. It has been twenty years since the entire Lightning Class has visited Milwaukee and we certainly hope everyone can make plans to be in Wisconsin next summer, we can't wait to see you!

### RED BANK OF THE SHREWSBURY (70) Metropolitan District Sailing on the North Shrewsbury River at Red Bank, New Jersey

Fleet Captain ..... Henry O'Hern  
Fleet Vice Captain ..... Warren Kaiser  
Fleet Secretary/Treasurer ..... Mary Huntsman

14492	.....	Paul A. Huntsman, Jr. & Mary Huntsman
14539	Stinger	Alfred C. Morton

As this year is ending, Sandy and I are in Vermont unable to drive to New Jersey because of the raging storm between here and New Jersey. Jack has called to report that the waters of the Navesink River are halfway up the first floor on the Monmouth Boat Club, that our frostbite fleet has disappeared and that Frank Mergenthaler's Lightning is floating on the street, blocking the road, snug in its cover with no trailer. He says that the intensity of the storm is like that of Newport two years ago. Hopefully, a'l will be better than it looks!

Our fleet had a good year with Larry, Brad and Will winning the Long John; Bill, Dave and Tim won the Spring Series; Jack, Mary and Henry the Districts and Jack, Russ and Ted the Pennsylvania Governor's Cup (sorry, Dick!). Sandy, Patrick, Ralph, Pat, Skip and Warren represented the Fleet at home with River Honors. Thank you to Jon for his year as Fleet Captain and Henry and Liz for running the Long John. To those of you who knew Bob Cabeen, he passed away in October but Captain Ahab will always be there in spirit to rescue the capsized!

We look forward to next year. We start in the spring with the Spring Series and the Long John and will be holding either the Districts or the Atlantic Coasts. Red Bank now has a tentative date for Power boats which conflicts with the AC's — hopefully we can we can make a deal with Wallenpaupack, if necessary, to swap regattas. See you all next year.

It's hard to believe another year of sailing is behind us. By the time you read this article, however, it will probably be time once again to remove the blue tarps and substitute boating days for house chore days each Saturday.

Looking back upon the '92 season, I thought October was the "best" sailing month. The "Last Blast" on October 17th lived up to its name with 20 m.p.h. gusts, bright sunshine, and a few capsizes. The picture perfect day was captured on film by famous fleet photographer, Marc, who shot "only" three rolls of film.

One final blast of the month came on the last racing day of the season. With shifting northwest winds, Gary caught the bow sprit of a very large moored sailboat and a five foot tear in his main sail resulted. Those on shore thought Gary was showing us a new reefing technique. However, ten minutes later, another main was thrown to him at the dock and back into the race he sailed, managing to capture second place, right behind Bill Cook.

The club was well represented in the N.A.'s with Chris, Gary, and Joan in Buffalo, NY. Fleet Champ was Chris Sprole, originally from Buffalo, who continued his winning ways from '91. I think the secret to his winning is getting himself and his crew home on time. If he doesn't, he's not allowed to sail the next week. Fast man, fast crew, fast boat. Maybe we will see Mrs. Sprole in 13832.

We had a nice showing with an average of 8-10 boats on the line every Sunday, and with a few new relocated Lightning skippers joining the fleet in '93, it can only get better. So, if you're in the area on a Sunday and have the urge to go sailing, stop by. It's a big river and visitors are always welcome.

*October on the Hudson.*

14520	.....	Dan Pope
14522	.....	Robert Crum

As projected in the 1991 Yearbook, Newport Yacht Club on Irondequoit Bay in Rochester has seen an increase of seven Lightnings in its fleet this year. We proudly welcomed Bob Crum and Jan Weisseger; co-owners of 14522. Lightning 10406 came with Brian Gardner. Co-ownership of 9585 is Fred Folsom and Robert Cummings. Jim Arnold brings 3372, a masterpiece of his and his father's years of restoration efforts. Dale Hamilton joined our club so that 11050 could remain on the Bay after the passing of his mother Bertine Hamilton (a 40-year member at Newport!). Another co-ownership is current members Lori Foster and Phillip Lange who purchased 14367 in October '92.

From the suggestions of several members we launched a new series this year called the Sunday Bay Series. This started in the morning on Irondequoit Bay and finished just about the time the motorboaters came out to enjoy the nice weather (we often hoped for a non-sunny day so we could have the Bay to ourselves). This was quite successful for two reasons: it offered races on the Bay for those who disliked racing on Lake Ontario (which we did on those afternoons); and it gave some skippers a chance to become comfortable with new crew before embarking for the Lake. A bonus was non-racers could watch the races from the shore at the Club ... something you can't do while races are happening on the Lake. But, Lake races provided a nice deviation from the Bay ... steadier winds ... larger courses ... challenges different than dodging the motorboat waves.

Of the 36 Lightning boat owners that belong to NYC, 22 of them participated in this year's races; 16 boats (the highest in a while) raced in our own regatta (31 boats total). Ten of our boats raced in the "Centrals", a multi-class regatta held at Rochester Yacht Club with a total of 35 Lightnings.

Other efforts the fleet (and club) did to promote comradery were: monthly newsletters (uh-huh, gotta have it, Elvis sailed the Central...), periodic fleet meetings (bribes of snacks, beer, cookouts, and freshly baked cookies usually assured a good turn out!), and Karaoke singing as a fleet

(the Newport Troggs sing "Wild Thing" with backup by Fleet Caz') at the Silver Lake Regatta. The club was well represented at all the Central New York regattas. And it was represented by several members at the WJM's and the NA's including: Chad Atkins, John Atkins, Lori Foster, Dick Hallagan, Alan McReynolds, Mark Sertl, Cory Sertl, Eve Smith, and Neal Smith.

Our overall awards are as follows: First Place — Dick Hallagan, Second Place — Dan Pope, Third Place — Landy Atkinson, Fourth Place — Dick Doherty (also Most Improved), and Fifth Place - Mark Elli. Series racing showed these finishers: Landy Atkinson (1st Spring), Dick Hallagan (2nd Spring, 1st Summer, 5th Fall, and 5th Summer Bay), Mark Elli (3rd Spring), Dan Pope (4th Spring, 2nd Summer, 2nd Fall), Steve Sahs (5th Spring, 4th Summer), Dick Doherty (3rd Summer, 3rd Fall, 1st Sunday Bay), Bob Crum (5th Summer), Chad Atkins (1st Fall, 2nd Sunday Bay), Howard Stickney (4th Fall), Bill Wright (3rd Sunday Bay), and Allen Hamilton (4th Sunday Bay).

Other awards: Burns-Hanna Trophy went to Neal Smith, Missal Trophy went to Bob Crum, first place Single Handed was Andy Smith, Most Races Sailed were Dan Pope (34), Howard Stickney (31), and Mark Elli (29). The annual Tip-Over Trophy went to Dick Doherty who scored not only the first, but also had two for the season.

Special thanks go to Lori Foster ('92 Fleet Captainess), Howard Stickney ('92 Secretary/Treasurer), and Dick Hallagan (Regatta Chairman) for a fine year promoting our fleet. If you're interested in sailing on our waters or if you're moving to the Rochester area, please contact Alan McReynolds, our '93 Fleet Captain (716-248-9002), or Howard Stickney, our Secretary-Treasurer (716-467-2161). We invite you to participate in the Newport Invitational Regatta and club races, both offering challenges on all levels.

Families and racing Lightnings on Irondequoit Bay — Allen Hamilton (80 years old), Sally Atkins (his daughter), and Matt Atkins (his grandson).

14417	.....	Donald R. Barrett
14419	.....	Franz R. Edson
Life Member	.....	David M. Peterson
.....	.....	Tim Healy
.....	.....	Charles Zaremba

1992 was a relatively calm year for Fleet 85, compared to the level of intensity we had as co-hosts of the North Americans last year (remember Bob?).

We started our season with the "Early Bird" at Cedar Point. Theresa Parker and Dave Peck attended that event, with Dave finishing third. The very next weekend was the opening of Niantic Bay Yacht Club's summer series with the Memorial Day Regatta. Dave and Nina Peck won, Don Barrett finished second, and Ward Woodruff, sailing a consistent series, finished third. The next event was the Atlantic Coast Championship, which was held at Niantic Bay by virtue of Tim Healy's win last year. Tim won this event again this year, for an unprecedented third year in a row! This turned into a Niantic Bay sweep as Dave Peck and Bill Healy finished second and third respectively.

The next major event was our Fourth of July series. This was won by Tim Healy, followed by John Oldham (making a guest appearance direct from California, and whipping his crack NA's crew of Chris Vann and Maria White into shape), Nina Peck, and Heidi Dickerson. Immediately following was the District Championships, sailed at Madison Bay Beach Club. The first day was super, with shifty and gusty breezes out of the Northwest. As the day wore on, the breeze abated somewhat with some interesting holes developing. The next day's racing was limited to one race as the breeze petered out. This was a true test of perseverance as the boats that dug in along the shore (and out of the current) made out in the end. Dave Peck won this event with Tim Healy coming in second. Chris Vann won the last race, which resulted in a strong fifth overall. As it turns out, our District sent every boat in its quota to the North Americans.

As usual, the North Americans were the highlight of our season. Tim Healy, Theresa Parker, Bill Healy, Dave Peck, Heidi Dickerson, and Franz Edson all trailered their boats out to Buffalo. In addition, Chris Vann came out to crew for temporarily transplanted Niantic Bay sailor, John Oldham. After the Qualifying series, Tim Healy tied with Greg Fisher for first place, but ended up second on the tie breaker. Bill, Dave and John also qualified for the Championship Fleet. Theresa and Franz weren't too far behind and qualified in the top of the Greens, while Heidi, sailing in her first NA's qualified in the yellow fleet. When the smoke finally cleared after this incredibly competitive NA's, John Oldham finished in seventh place. Bill Healy in eighth, Dave Peck in eleventh and Tim Healy in twelfth. Getting to the Greens, Theresa Parker finished twelfth and Franz Edson (what's the front row?) finished twentieth. Finally, Heidi Dickerson, who came on strong in the waning races of the series, finished thirteenth. All in all, an outstanding showing for Niantic Bay sailors!

In addition to all of these regattas, Niantic Bay sailors were also competing for the Season Series. Dave Peck won it going away, Chris Vann came

in second, and Franz Edson, third. Chris and Franz actually tied for points after the entire summer series, but Chris won on the tie breaker. Theresa Parker finished very close behind in fourth.

Our last season regatta was the Labor Day Series. This year, it was won by Dave and Nina Peck, followed by Don Barrett and Theresa Parker. The next weekend was our famous Governors Cup, which enjoyed its last September outing. Next year, this regatta will move to June, to capitalize on the more consistent late Spring winds. This regatta was the tune up to the upcoming Adams Cup series, and as such, brought the best in female crews. However, Dave Peck was not to be denied. Betsy Gelenitis and Joni Palmer finished second and third in this competitive five race, one throwout series.

Don Barrett was the only Niantic Bay boat to travel to Cedar Point for the Fall Classic. Don sailed well enough to capture the combined trophy for the Northern Circuit (best combined finish for the Governors Cup and the Fall Classic).

Theresa Parker closed out our season with a bang by coming in second at the Adams Cup down in New Jersey. Crewing for Theresa were Barbara Vann and Deb Hopkins.

## AWOSTING YACHT SQUADRON (95) Metropolitan District Sailing on Greenwood Lake at Awosting, Hewitt, New Jersey

Fleet Captain ..... Chuck McNear  
Fleet Secretary ..... John (Ron) Wulff  
Fleet Champion ..... James C. Cosmas  
Runner-Up ..... John (Ron) Wulff

Boat No.	Boat Name	Skipper
7248	Cracklin' Rose	Dan Murphy
10083	.....	Dennis P. Adams
10229	Loose Bolt	George Welkey
10784	Heads Up	John R. Wulff
11983	.....	James C. Cosmas
12045	No Frills	Robert Sengstacken
12923	Dr. Pepper	Charles McNear
13002	.....	Justin D. Mahon, Jr.

1992 was a successful season in that — though we lost one boat and are now down to eight we participated in all the races offered. Some of us also traveled to several class regattas in and out of state but to no avail — no “bringing home the bacon” this year. The top of our local competition was pretty close throughout the season thereby sprinkling our trophies around a bit. This resulted in keeping the interest keen and the honing of all-around skills.

Jim Cosmas became the new Fleet Champion this year but not without a struggle from Bob Sengstacken and Ron Wulff. Jim and Bob each garnered six of the available firsts and Ron took the remaining five. However, Ron's last first place was during the last race of the season as he port tacked across the front of two starboard tacked boats at the finish narrowing the gun for a delirious victory and nailing down the runner-up spots with the most seconds. Those two starboard boats? Jim covering Bob.

Our Whiskerpole Regatta this year was held off Dieber's Castle Tavern and Marina in the middle of our nine-mile lake using the Star boat hoist, and sailing the different courses we were able to set there. Consequently, there was no “home field advantage” and our beautiful trophies went away to three different fleets — Wallenpaupac, Mohawk, and Nyack. We made a deal for lunches and dinners that turned out real great — nothing but compliments from all participants — so even though we couldn't win our own prizes, we did die happy. Wait till next year!

Your boat gathering dust? Come sail with us!

## SANTA MONICA BAY LIGHTNING FLEET (102) California District Sailing on Santa Monica Bay at King Harbor

Fleet Captain/Secretary ..... Wendell Harter  
Fleet Champion ..... Wendell Harter

Boat No.	Boat Name	Skipper
4680	.....	Brent Robke
11373	.....	Mike Boswell
13186	Paddlin' Madelyn III	Wendell W. Harter
14206	.....	Bruce Yeager

This year the Fleet scheduled several racing and social events. Racing activity as a Fleet has been limited, since two of our five boats have been undergoing repairs this year. Wendell Harter participated in the Olympic Classes Regatta at Alamitos YC, Long Beach, where he won a medal for third place in three days of racing against competitors from San Diego (Fleet 194). He also trailed his boat to San Diego for the California Lightning Circuit and the MBYC Memorial Day Regatta.

Bruce Yeager and Wendell loaned their boats to two women's sailing teams for their use in practicing for the Adams Cup Semi-Finals and helped them get acquainted with the Lightning. In April we held a Fleet potluck dinner meeting at the home of Madelyn and Wendell Harter, and Lightning day sails and barbecues at King Harbor YC in June and July. Mike and Maida Boswell hosted our annual Christmas Party in their home in Long Beach. We have been inviting skippers of unaffiliated boats to these events, and contacting potential skippers from leads provided by David Watt of ILCA.

We are looking forward to a more active sailing season in 1993 when more boats may be sailing with us.

## LAVALLETTE YACHT CLUB (104) Central Atlantic District Sailing at Barnegat Bay, New Jersey

Fleet Captain ..... Chris Larsen  
Fleet Secretary ..... Bill Dacosta  
Fleet Champion ..... Dr. Anthony Ventimiglia  
Runner-Up ..... David Farinetta

Boat No.	Boat Name	Skipper
9260	Puck	Donald A. Cooper
9539	Sundance	Dr. Anthony Ventimiglia
10771	.....	William A. Scott
10988	.....	William Gerold
12957	Elusive	William E. Dacosta
13710	Fuzzy Blues	Robert F. Hoffman
13782	Men At Work	Dr. Robert T. Morrow
13955	.....	Dr. Anthony Ventimiglia
13965	.....	Chris Larsen

The wind and rain gods were unkind to our Lavallette sailors in 1992. We lost three races due to extremely high winds and or thunder and lightning storms and a fourth when our club hosted the Blue Jay Nationals (the nicest weekend of the year). It boiled down to a total of six races instead of ten. Dr. Anthony Ventimiglia, daughter Danielle, and nephew Anthony regained the championship by winning all but one race in very convincing fashion. David Farinetta, brother Tim, and Michael Plosica, sailing in Dr. Ventimiglia's “old boat”, placed second in the series. John Applegate, wife Patti, and daughter-in-law Cathy placed third.

Other finishers: 4th - Bob Morrow, George Schreyer and Alan Morrison; 5th - Bob Hoffman, Larry, Tom and Skipeer Hoffman; 6th - Ron Totams, Bill Scott, Ed Rapoza and Frank Dimeo; 7th - Bill Dacosta, Walter Krueger and Joan Young; 8th - Chris Larsen, Tom Livelli and Bobbie Schreyer; 9th - Don Cooper, Stan Schreyer and David Cooper; 10th - Bill Gerold, Garry Gerold and Jack Nile; 11th - Charlie Heuschkel, Gene Ventimiglia and Shannon Gallagher; 12th - Chris Malzone, Janet Malzone and Jill Malzone.

We have added two boats to our fleet for 1993 and welcome back Bill Scott as a skipper...Mike Farren just never got his boat finished this year but expressed much enthusiasm for 1993 while painting his trailer after the fall series ended.

Our fall series of five weeks saw much better weather than during the summer and we used the weekly sessions largely for instructional purposes, swapping skippers and crews to afford some help for some of our newer sailors. Our annual picnic held on September 27th after racing is always a very pleasant experience with all of the families, children, and, a small way of thanking our race committee and those who give up their time to patrol. Vice Commodore Ed Morrison, Tony DeLuca, Trudy DeFrancesco and Joyce Johnson on the committee boat set up some very nice courses. We were saddened by the passing of Red Underwood, our long time cannoneer and will miss him. Andy Johnson, Warren Law, Tom Grosko and Jack Henderson handled the patrol detail with expertise and Bill Gerold had the dubious honor of winning the “bottoms up” trophy for the first time. His acceptance speech was given at awards night and drew some good laughs.

We look forward to a bigger and better 1993 season.

# **HIGGINS LAKE FLEET (110)** **Michigan District** **Sailing on Higgins Lake at Roscommon, Michigan**

14009	Serendipity	Mike Dow
14516	.....	Mike Dow

I'm sure all sailors will agree that the weather in the summer of 1992 was a force to be reckoned with. It altered many agendas and certainly affected the results of many regattas.

Our annual Firecraker Regatta generally kicks off our season in the beginning of July. Our usual contingent of Hobie Cats and Lightnings sailed out from our clubhouse on Treasure Island to the race course anticipating a weekend of good sailing. As the boats sailed from the protected lee of the island it became apparent that it was much windier than anyone had anticipated. Within five minutes every single Hobie Cat had capsized and the Lightnings were struggling to make any ground to weather. The Race Committee quickly postponed racing and everyone attempted to make it back to the club. The wind was so strong, with the accompanying waves, that some Hobie Cats were swept over a mile away to the north shore of the lake where they had to be retrieved the next day. We never did start a race that weekend.

August 1st and 2nd we hosted our annual Invitational Regatta for Lightnings and Hobie Cats. Again, the weather provided quite a challenge and variety for the 18 Lightnings and nine Hobie Cats competing. In the second race on Saturday I arrived at the leeward mark to find three or four capsized leaders littering the course. Some of them never did finish and that scene chased us back to the clubhouse for the day. Sunday brought a little tamer conditions for the remaining three races. The final results were very close: Tom Vickers of Crescent Sail Yacht Club in third place with 20 points, Mark Whatley of Pontiac Yacht Club in second place with 18.75 points, and Dan Norton of Devil's Lake Yacht Club took first place with 18.50 points. I think everyone agreed it was a great weekend of sailing and we look forward to an even bigger and better regatta next year.

Our 1992 season concluded Labor Day weekend with our annual Awards Banquet. John Dent edged Stan Dent in the Labor Day "Match Race" Regatta. Alan Krauss again took home the Commodore's Cup for winning our season series. We are all looking forward to a more "normal" summer in 1993 and we hope to see you at Higgins Lake.

## **GREEN BAY SAILING CLUB, INC. (112)** **Midwest District** **Sailing on Green Bay at Green Bay, Wisconsin**

Fleet Captain ..... John Evans  
Fleet Secretary ..... Vicky L. Vannieuwenhoven  
Fleet Champions . Dave Roznowski/Terry Phelan  
Runners-Up ..... Brian Phelan/Charlie Nitka

Boat No.	Boat Name	Skipper
10680	Smoke	Douglas Olson
11188	Zulu Warrior	Michael B. Kulkoski
13376	.....	John Evans
13486	.....	Patrick Ford
13568	Wet Dream	Bill Dean
13817	.....	David M. Roznowski
13818	Silent Scream	Brian Phelan
14193	B-Kaz	Dr. Bruce Bressler

1992 marked the 45th year for the G.B.S.C. and the season began with a fine spring opening party hosted by Bill and Bette Hayes. Other parties followed at the homes of John and Bonnie Evans and Bill and Mary Jo Dean and there were a number of fun after-race parties at the club.

Fleet 112 hosted the annual Evans Regatta in June and the Midwest Districts in July. Both regattas had a day of sailing cancelled due to the wind. However, the wind filled in the following days to challenge skippers and crews alike. Paul Wurtzebach won both regattas. The standings for the

District's were: Mike Huffmana, second; Steve Lowery, third; Bill Faude, fourth; and Derek Ettie, fifth.

Our race committee of Tom Phelan, Bill Hayes, and Jane Stannard did a great job running the Monday and Thursday night races. About 25 races were sailed and the Fleet Championship was won by co-skippers Dave Roznowski and Terry Phelan.

Our season concluded with the annual Walter Masse Handicap Race. However, this year we preceded the race with a Best-Ball Scramble golf outing. It was a fun day for all "golfers" and an exciting race for tired sailors. Two boats capsized, Bill Dean and Brian Phelan. Bill Dean was able to finish the race, but Brian was not. Dave Roznowski won the Beaumont Pot for first boat across the line and Mike Kulkoski won the Walter Masse Trophy. Doug Olson, Vicky Vannieuwenhoven, and Barb Roznowski won the golf outing. A party followed at John and Bonnie Evans' home with a video of the day's activities. It was a great way to end the season.

As a final note, Charlie Wolter, a long-standing member of the G.B.S.C., passed away this year. He was a dedicated member of the Club and an integral part of our race committee. He is and will continue to be missed.

*Looks like Cyrano is alive and well among the sailors at the Green Bay Sailing Club.*

After boasting of the North American and World Champion last year, this year was bound to be a disappointment on the grander scale of things. While some of the regatta results were not up to the form of last year, internally the competition was at its best. Six different people took home silver in the club series events. A new short course, multi-race format, used on three separate days over the summer, was introduced with the help of Phil Lotz. This made for some close, exciting racing as well as a change of pace over the long club races. Edson White particularly seemed to prosper in this race format.

As for regattas, three boats from Cedar Point made the trip down south for the Southern Circuit. Phil Lotz with wife Wendy and Ben Cesare crewing took fifth at St. Pete and second at Miami to place sixth overall. Ched with crew Dave Peck and Katherine Josenhans took a third in the large fleet at St. Pete and fourth in Miami, which was good enough for third overall. Jody Lutz took sixth at both St. Pete and Savannah and then won Miami to wrap up first place overall.

For the rest of us, the season began with the annual Early Bird Regatta at CPYC. Saturday blew hard, and despite those checking the water temperature first hand (I won't mention any named though, Fergus), most enjoyed the exciting reaches. Sunday the wind eased some, but remained cold. Phil Lotz and his Southern Circuit crew, with two bullets on Saturday, maintained their lead to win the event. Jody Lutz was second, Dave Peck from Niantic was third, Brad Read out of Newport, fourth, and Keith Taboda from Metedeconk

River, NJ, fifth. Cedar Pointers Gianni Cuccio was close behind in seventh and Edson White, Fergus Henderson, Bud Titsworth, and Eric Heller also took part.

Memorial Day weekend contained a plethora of conditions for those who desire variety (myself I like a steady 15 from the south), from a beautiful Saturday, to a cold, legs not happy, survival weather Sunday, to a "I thought we'd never get around "H mark" Monday. Dick Thackaberry finished with two seconds and a first to take the series. Phil Lotz was second and Tom Hagan was third.

We had ten boats on the line for the Commodore's Cup, July 4th weekend. It was by far the closest and most exciting racing of the year. Gianni Cuccio won the series with finishes of 1-3-2, Phil Lotz was second with 2-2-4, and Eric Heller was third with 3-5-3.

Jim DeCesare/Stephen Nosal, Tom Ingram, Gianni Cuccio, Ched Proctor, Jody Lutz, and Eric Heller made the trip up I-95 to Madison for the Districts. Unfortunately, let me say the so called "attitude adjustment," a.k.a. cocktail party, was just the thing many of us needed following racing on Saturday. A no wind, lots of current fest on Sunday did not help things either. Ched, however, was able to finish in the money with fourth overall.

Phil Lotz, Ched Proctor, Jody Lutz, Jim DeCesare/Stephen Nosal, and Eric Heller competed in the 36-boat fleet at the Atlantic Coasts in Niantic. Phil Lotz was the sole Cedar Pointer to finish in the money. Two things were learned: 1) there is a clause to the going right rule at Niantic, and 2) find out where your housing is before going drinking (you might wind up sleeping in a three-person tent with four people).

Phil Lotz, Neil Hayes, and Jody Lutz with Ched Proctor as crew tested the waters of Buffalo. Phil with wife Wendy and Paul Donovan finished a respectable ninth in the Championship Division, Jody was back in 16th. Neil with Kjell Heitmann and Stephen Paturel made the President's Division, but had their difficulties afterwards.

Back on the home front, Gianni Cuccio continued his winning ways in the Labor Day weekend, Rear Commodore's Cup. Fergus Henderson, who was sailing fast at the end of the year, ended up second with Dick Thackaberry close behind in third.

Two of us made the Governor's Cup in Niantic, Eric Heller finished back in 11th with moments of brilliance coupled with ugliness and Jim and Steve, too, made some wrong turns.

The annual lobster dinner was served at the Fall Classic at Cedar Point. Unfortunately, the brisk fall breezes did not materialize. Don Barrett from Niantic had bullets in three of the five races to take first and capture the combined Governor's Cup/Fall Classic Trophy. Larry Colentuanano was second, Pete Kelley, a new Lightning sailor out of Larchmont, NY, was third, Gianni Cuccio, fourth, and George Deyett, fifth. Also, Cedar Pointers Dick Thackaberry, seventh, Fergus Henderson, eighth, Jim DeCesare, ninth, and Eric Heller was tenth.

The final season results had Gianni Cuccio easily repeating as Club Champion, with an unbelievable 14 firsts. Phil Lotz finished second and Eric Heller finished in third.

On the social front Tom Ingram married crew, Jody Lee, during the summer. Gianni and Amy Cuccio had a baby girl. Dave Smith moved to Atlanta and Rod Radcliffe to Colorado. Steve Wexler got his priorities right and bought Radcliffe's old boat for a song and dance. (He drifted to victory in his first Lightning race, by the way.) The Lightning fleet was runner up in the Club Volleyball Tournament. Overall, the fleet began its rebuilding, setting sights on the 15-20 boats that used to grace the starting line every weekend.

**Sailing on Long Island Sound at Madison, CT**

Fleet Captain ..... James R. Deephouse  
Fleet Secretary ..... Timothy Millhiser  
Fleet Champion ..... John Ronshagen  
Runner-Up ..... Timothy Millhiser

Boat No.	Boat Name	Skipper
11207	Early Time	James R. Deephouse
11773	P.F.D.	John Ronshagen
11933	Rosie	J. Michael Sulzbach
13230	Monshine	W. Harmon Leete
14342	SS Oshpoodle	Timothy Millhiser

Our sailing got off to an early start with practice races in May as everyone slowly dusted off their boats. The highlight of the season was hosting the Connecticut/Rhode Island Districts for 21 boats. The first day was a shifty wind offshore northerly, 10-15 which mixed the fleet several times. The second day was a dying breeze with a strong current, testing everyone's anchoring tactics. Dave Peck came out with a hard earned first overall.

The rest of the season Sunday races saw a regular seven boats with an occasional eighth when our junior rock-star, Alex Ross, stopped into town to visit his parents. The Ronshagens, John, driving with crew Sue, his wife, and brother Jim were the standard to beat. For second and third, Tim Millhiser and Mike Sulzbach went back and forth all season depending on the party schedule the night before and who they had as crew. Tom Davidson was never far behind with his ace light wind crew, daughter Elizabeth. Jim Deephouse graciously allowed a prospective new Lightning sailor, Les Velte, to skipper his boat. Les showed us how he won his big boat races — that is, as long as Jim's spinnakers did not rip. If Les finds his own Lightning this winter, he and his wife, Dale, will be a tough new addition.

If the New England economy ever gets going again, we may have several other new additions.

The exciting part of this season was the influx of juniors racing: Alex Ross, Josh Gleason, John Sulzbach, Leighton and Josh Lee, Betsy Abbott, Seth Dennen, Nick Millhiser and Elizabeth Davidson.

**GULL LAKE YACHT CLUB (137)**  
**Michigan District**  
**Sailing on Gull Lake at Richland, Michigan**

Fleet Captain ..... Bill Weston  
Fleet Secretary ..... Thomas Hudson  
Fleet Treasurer ..... Gary Fergemann

Boat No.	Boat Name	Skipper
14241	.....	James Bowen & Peter Woodruff
14474	.....	David Decker
14500	Be Calm	Thomas Hudson
14505	JuJu V.	Carl Engels

At least one or more Lightnings from Gull Lake group showed up in force at every regatta within the Michigan Area except for the Pontiac race because of a conflict with their club's Fleet Championship Series. Other regattas attended included Indianapolis, Wawasee, Chicago, and the North American Championship at the Buffalo Canoe Club. These road trips gave a lot of the Gull Lakers an opportunity to hone their skills with the vast

*Be Calm (BeCalm) before a start at Fleet 137 Gull Lake Regatta.*

array of talent in the area. When second year Lightning sailor Greg Smith competed on the road, he was always seen in the front of the pack, if he could resist being too aggressive and avoid having to take a swim.

Some of the Gull Lake's Road Warriors — Chad Coberty, David Decker, Faye Decker, Jerry Decker, Ken Devisser, Barbara Gillespie, Richard Hudson, Thomas Hudson, Mike Hutchison/Jim Bowen/Peter Woodruff, Paul Karl (or is it Karl Paul), Rick Kohl, Jon Riley, Mike Silwa, Gregory Smith, and Michelle Smith.

Lightnings were the chosen yacht for the Gull Lake Yacht Club's Championship Series for 1992. This event included the top fleet skippers from the J-24s, the Stars, the International 210s, the Flying Scots, and the Cruising Class. These fleet champions completed five races on each of the five participating Lightnings. Their crew was a Lightning sailor and a third crew member of their choice. This event turned out to be a great introduction for serious racers to a Lightning.

The beautiful Gull Lake Lightning Regatta turned out to be an event that shouldn't have been missed. The event drew a total of twenty-four boats, which include two of the premier boat builders, Tom Allen and David Nickels. The event also attracted two sail manufacturer's representatives: Shore's Rick Kaiser and North's Colin Park. The wind and weather turned out to be a blessing; the temperature was 70 degrees and the wind was blowing hard and steady all weekend. With some of us wearing our standard sailing garb, we were still welcomed to use of the main formal dining room at the plush Gull Lake Country Club overlooking the turquoise water. A few participants were honored with having the sailing company of the respected Colin Park, who traditionally volunteers to crew on various yachts during these races, introducing us to some of his magic and skills.

Our Spring Banquet hosted Lightning sailor, Terry Hutchinson, with an exciting lecture about the first place finish he attained against world class competition during the Congressional Cup Races against the east coast Big Boats by using the yacht racing rules to his benefit. The year finished up with a Fall Banquet featuring the legendary Buddy Melges (The Wizard from Zenda) who skippered the 1992 America Cup Races with Bill Koch's America Syndicate. Buddy explained how he initially got into sailing as a child, leading up to his experiences with America.

## **SPOFFORD LAKE FLEET (145)**

### **New England District**

#### **Sailing on Lake Spofford at Spofford, New Hampshire**

Fleet Captain ..... Fred Turner  
Fleet Secretary ..... Patrick MacQueen  
Fleet Champion ..... David Fitch  
Fleet Runner-Up ..... Terry Pindell

<b>Boat No.</b>	<b>Boat Name</b>	<b>Skipper</b>
11210	Smurfing Along	Frederick Turner, Jr.
11346	L.I.T.F.L.	Fred H. & Christopher B. Hamblet
12362	.....	Randall Locke
13835	Three Cheers	David H. & Thomas Fitch
14446	.....	Fred H. & Christopher B. Hamblet

Although there were only periodic fleet races due to the weather, racing was spirited and competitive. It was nice to see not only Bud Hamblet race his new Lightning but also to have Aaron McQueen at the tiller. Kip Hamblet, Lightning Chief Measurer, is now in Florida, and he was missed at Spofford! The Championship series was won by Dave Fitch with his wife Dot and nephew Bill Scott, as crew, second was Terry Pindal, and third was Bud Hamblet.

The Fitch boat travelled to Mallett's Bay for the N.E. Districts: Dave Fitch took second in the Masters on Friday and Tom Fitch did well in Saturday's races. Ray Fitzpatrick, a new member, represented SYC in the Squam Lake Regatta.

The Spofford Regatta in late September was won by Stu Nickerson with his sons, Mark and Ross as crew, plus Shawn and Silas Campbell, among others. Second was Robert Cutting with Michele and Eric, and third was Dave Fitch with Dot and Casey Blust. The Spofford Regatta was dedicated to George Holbrook who died 9/24/92 at age 86, an honorary fleet member and longtime friend of Lightnings.

### **Ohio District**

#### **Sailing on Clearfork Reservoir at Lexington (Mansfield), Ohio**

Fleet Secretary ..... Don Walter

<b>Boat No.</b>	<b>Boat Name</b>	<b>Skipper</b>
6944	.....	Chandler Stevens
9581	Wiki-Wiki	William W. Woodrow
10047	Merrimax	Donald C. Walter
10444	.....	William W. Woodrow
11681	.....	William W. Woodrow

In the spring we conduct the annual "Rites of Dock Day", and commence the racing competition within the Lightning Fleet and the friendly rivalry with our Flying Scot counterparts.

1992 was a year of growth for our fleet, both in numbers as well as in racing. We grew from two Lightnings in 1991 to seven in 1992. The Lightning Fleet sailed 18 Principal Series races (the Scots sailed 13). The Lightnings had three boats qualify for the Principal Series (the Scots had two). John Simpson was the only skipper in the club that sailed **all** Principal Series races in 1992. From August 9th to the end of the season, the Lightnings had more boats on the starting line than the Scots, and prior to that date we were always either equal or greater in numbers racing than the Scots.

We were weak as to the Wednesday Evening Series (three races), but that should be a goal to improve on in 1993. (The Scots sailed 11 Wednesday

Evening races.) There were no Sunday A.M. races for either fleet, and this is another correction we should work at in the coming season.

The Lightning Fleet added greatly to the revitalization of the Sailing Club facility at Clearfork Lake. In addition to "showing up" in force for both Dock Days, many individual efforts brought the club grounds back to relative respectability. "We thank you for your support." The real point is that the Lightning Fleet is alive and well and a vital part of the Mansfield Sailing Club. Our intention is to continue our growth in 1993 and forward!

We also can't forget the wonderful Labor Day Spaghetti Dinner put on by Lightning skipper Al Barbone. This event attracted more current and past members of the club than we have had for a number of years. Thanks again, Al, for a great job!

The Wednesday Evening Series was won by John Simpson, followed by Jules/Augie Bales and Bill Woodrow. The Principal Series was won by Bill Woodrow based on the "first tie breaker" over John Simpson. Then came Jules/Augie Bales, Fred Kohler, Don Walter, and Al Barbone. It could have gone either way between Bill and John, for they had many very exciting and close races. There is a feeling that John will be out for revenge next year! Al Barbone and his son Norman and grandson will also be heard from, and with the oncoming Bales' and the Kohlers, it's a possibility that those used to finishing up front will be looking at some transoms next year. If Gerry and Karl Lorenz get serious, they will leave their mark in the standings as well.

We're proud of what has been done in the past year to bring our club and fleet back to the "turn around" point. There is still a lot to be done, but we're on our way!

# **ANNISQUAM YACHT CLUB (151)** **New England District** **Sailing on Ipswich Bay** **at Annisquam, Massachusetts**

Fleet Captain ..... Allison Peter  
Fleet Secretary ..... Georges Peter, M.D.

Boat No.	Boat Name	Skipper
13886	Mouette	Georges Peter, M.D.
14296	Ghostland	Brad Read

While fleet racing remains dormant, Brad Read represented the fleet well, winning the District Championship. He is the first Champion from Fleet 151 since Georges Peter in the pre-historic days of wooden masts and jumper struts (1973).

The Fleet regrets the death last September (1991) of Senator Benjamin A. Smith. We hold warm memories of a wonderful sailor and a person who for many years was the backbone and premiere sailor in the fleet. A many time Fleet Champion, Ben won the NE Districts twice, and was a friend of many Lightning sailors of an earlier era. Rest in peace, Ben — we won't forget your legacy!

# **WAWASEE YACHT CLUB (154)** **Indiana District** **Sailing on Lake Wawasee at Syracuse, Indiana**

Fleet Captain ..... Doug Schmahl  
Fleet Secretary ..... Dale Fulkerson  
Fleet Champion ..... Brad Wagnon  
Runner-Up ..... John Nixon

Boat No.	Boat Name	Skipper
10428	.....	Blair MacDermid
11181	.....	Dale Fulkerson
12316	.....	William Stucky
12463	.....	Donald Musselman
13721	.....	George E. Buckingham
13851	.....	Virgil L. Snyder
13860	.....	Dave Tranter
13895	Brandywine II	Douglas A. Schmahl
13975	Divine Wind	Alan Fox
14125	Miller's Merry	
	Manor	Stephen C. Miller
14187	Wolf Cookie	Edward Bradley Wagnon
14475	Why Not	John R. Nixon

Brad Wagnon grabbed the lead for the Wawasee Yacht Club Lightning season championship in race two of 31 season races and never relinquished

it, despite constant harassment by co-skippers Craig Cobbum and John Nixon. Cobbum-Nixon had to claw their way around George Buckingham who held on to second through the first 15 races. Going into the final five-race Labor Day series Cobbum-Nixon were six boats behind Wagnon. They had drawn even at the end of the third race, but Wagnon beat them by one boat apiece in the final two races. Buckingham retained his third position. Doug Schmahl came from a season-long fifth to fourth over Alan Fox in the 23rd race and maintained it until the end. With only 12 points out of 1600 average points separating them going into the Labor Day series, it was anybody's ball game. But Schmahl beat Fox by an average of one boat per race to retain fourth place.

The first season of Junior Training was a great success, despite the later-than-expected delivery of part of our brand new and colorful seven boat Optimist Pram fleet. An average of seventeen kids attended each session.

A Women's Sailing Program, also new this year, the "WawaShes", had a rewarding and enthusiastic season. These programs will help strengthen our Lightning Fleet.

Each season we look forward to hosting the October Hoosier Open regatta for the challenging races, the opportunity to learn, and to party with other Lightning sailors. Two unusual events occurred this year. Before a start, a red-winged blackbird landed on Brad Wagnon's boat and then perched on Bill Allen's hand. He stayed long enough to be observed by almost all the other boats. Apparently he couldn't stand Brad's sailing and the excitement of a 20 boat start, so he left; but not before leaving a present. One race had extremely shifting winds that the planned beat to the finish line changed to a spinnaker run. What wasn't unusual was Colin Park, Saginaw Bay, taking first. Dave Wagner, Chicago, was second; Bruce Goldsmith, Devil's Lake, third; Mike Huffman, Chicago, fourth; and Bill Faude, Milwaukee, fifth.

# **WILLOW BANK YACHT CLUB (164)** **Central New York District**

## **Sailing on Cazenovia Lake at Cazenovia, New York**

Fleet Captain ..... Geoffrey Roth  
Fleet Secretary ..... Mark Jenner  
Fleet Champion ..... Richard Tuttle  
Runner-Up ..... David Bull

Boat No.	Boat Name	Skipper
736	Huntress	W. Craig Thayer
10370	.....	W. Craig Thayer
10679	Tape Duck	Richard P. Tuttle
10705	Allegro	John B. Rudd
11650	.....	Jonathan Brodock
11853	Andiamo	Jeffrey A. Bassin, D.M.D.
12004	.....	Robert Froh
12646	Natty Dread	Nathaniel Dain
12929	Wild Fire	Mark Jenner
13052	Full Deck	Steve Burrell
13011	The Ghost	Richard Roth
13179	.....	Scott McBurney
13369	Ceann Saile	Geoffrey Roth
13601	Prince Charming	Michael H. Brock
13675	Manolete	Federico Meira
13933	Trivial Pursuit	Chip Sinn & Tadd Helmer
14369	No More	
	Bullship	David K. Bull
14470	.....	Federico Meira

The Willow Bank Lightning Fleet finished another close season with Dick Tuttle coming out on top this time, narrowly beating Dave Bull. Last year Dick lost to Federico Meira in a tie breaker. This year Federico beat Geoff Roth in a tie for third.

Dick started out his first eight races of the year with six firsts in a best ten race series. Our regatta schedule interrupted this streak, and Dave Bull came back with the hot hand and new crew. Dave with Eric Schnettler stormed back with five bullets, only to have Dave finish it off in the last two weekends of the year.

Next year looks even tougher. Tadd Helmer is back and looking for new sails. Federico has made himself a new set and has plans to reclaim the trophy. There are rumors that hot sailors from Tully will be throwing their boat into the fray, and they all will have to contend with the ever dangerous "Dick Tuttle and Dave Bull Show". Add to this mixture Nat Dain, Mark Jenner, Dave Poorman, Scott McBurney, the Roth Boys and Mr. Fabricraft, Craig Thayer. Any one of twelve boats on the line has a shot at

winning. Who would you cover?

Labor Day Weekend wrapped up the regular sailing season with some special races. The Charter Members Cup was won by Tadd Helmer and the next morning Sandra Helmer won the Crewettes. The Jack Tuttle trophy, rewarding participation and improved racing, went to Scott McBurney who later in the fall accepted the responsibilities of Fleet Captain.

Our club has some other active fleets which boast very strong competition — Flying Dutchman, Finn, Comet, Laser and Sunfish. Our club's handicapped Free-For-Alls therefore present a very special challenge for us Lightning sailors. We won all but one. Dick Tuttle won the six race series on Memorial Day weekend and he won the around the lake race in September. Daughter Leslie came home and won the Fourth of July trophy. Federico Meira picked up a couple of trophies on Labor Day weekend. And Lightning crew extraordinaire Yoly Taylor was presented the club's Sportsmanship Award.

While our home schedule of racing was very active, we found time to go on the road. A dozen of us traveled at one time or another. We participated in all the Central New York District regattas including our Caz Flash Bash in June and the Caz One Day at the end of September (a marvelous seven-race one day regatta). Also we attended ten regattas outside our district. Special ambassador Dave Bull presented his credentials at 15 registration desks! Four of our members — Dave, Dick, Federico and Tadd lived in some silver.

We have high expectations of even more next year but it'll be a hard act to follow. Outgoing Fleet Captain Geoff Roth receives our warmest thanks and heartiest congratulations for the growth we've realized from his leadership. Now, Geoff, you can concentrate on beating us more often.

## HELSINKI LIGHTNING FLEET (166) Finland District Sailing at Gulf of Finland, Helsinki, Finland

Fleet Captain ..... Kimmo Aromaa  
Fleet Secretary ..... Jari Aromaa

Boat No.	Boat Name	Skipper
13560	.....	Tuomo Silenti
14196	.....	Keijo Latrala
14534	Masi V	Terho & Kimmo Aromaa
14559	Minimax	Lauri Hemming
Life	.....	Raimo Aromaa

For the season 1992 the Fleet 166 doubled the number of active boats. The Aromaa brothers got a new boat *Masi V* and Lauri Hemming began to race with his *Minimax*. Our season began again with training and the On the Rocks Regatta, which was sailed in the middle of May at Lake Tuusulanjarvi. This year we had close to survival conditions again and on both days we had to sail in 10+ m/s wind with tricky gusts and on Sunday we also had some hailstorms. Two of the new boats, District Commodore Antero Punttila's *Snow White* and Aromaa brothers *Masi* were thoroughly christened, *Snow White* capsized on Saturday and *Masi* on Sunday. Perhaps we shouldn't start our season so early, because after only two weeks we had the most beautiful summer weather for the first two ranking regattas, which were sailed in Helsinki. In these regattas *Masi* finished very well, second and first.

Next two ranking regattas were sailed on lakes. In the beginning of June we sailed in fine weather in Kuopio, where *Masi* finished in the middle of the fleet and *Minimax* was among the last boats. A week before the European Championships we sailed in awful weather in Valkeakoski. Despite cold weather, heavy winds and rain, 13 boats were present. *Minimax* was among the capsized boats this time. The scores of *Masi* and *Minimax* were on the same level as in Kuopio.

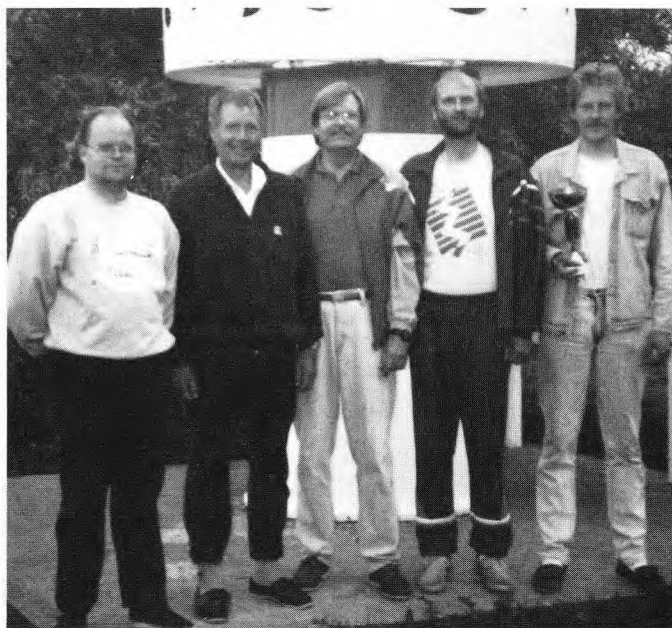

In the middle of June we had the European Championships and also our District Championships in Kuopio. The Championships were planned to be sailed on the Gulf of Finland in Hanko, but because the host club wasn't able to organize the regattas we have to move on short notice to Kuopio. The Championships were extremely well organized. In Kuopio we had all kinds of weather and both the young Italians and Swiss old salts proved to be fast. Best Finnish boats came from Tuusulanjarvi and Jyväskylä. Pertti Pyy with *Amarillo* was fifth, Rainer Korhonen with *Annie Hall* sixth and Samppa Salminen with *Nikea* eighth. These three boats also received medals for the Finnish District Championships. For the boats of our fleet, the magic of the lakes remained, *Masi* was again in the middle of the fleet (14th) and *Minimax* among the last boats (29th).

Next ranking regatta was a 62 nautical mile race from Jyväskylä down to Asikkala. This Pajannepurjehdus Regatta is a very popular tradition. It

was sailed for the twentieth time this year. Usually it is a race for keel boats, but the Lightning is also considered to be large and safe enough to participate. This year eight Lightnings started and five finished, *Minimax* was fourth. In the light weather it took the fastest Lightning a little over 28 hours to finish.

At the end of August we had, for the second time, a "superman" race for really tough sailors. The Big Challenge is a single hand regatta sailed at Tuusulanjarvi. In this regatta all normal racing rules are used, the use of all three sails is allowed, but no special equipment is allowed. This year the regatta had two races, and the first one was sailed upwinds in 8-10 m/s winds and the second one about a half an hour later downwinds in 4 m/s wind. The length of both races was about 2 miles. Some fantastic performances were made, especially when beating with both main and jib and when making a spinnaker gybe (how to manage three sails, tiller and spinnaker pole with two hands, you should be an octopus to make it). Kimmo Aromaa won this time and Lauri Hemming was fifth.

Our last regatta was sailed the end of September. On Saturday we managed to sail only one race due to lack of wind, but on Sunday, again we had a lot more wind than necessary. *Masi* capsized twice in the last race, both times during the spinnaker gybe (a Hellerup course was used). Their three capsizes during the season were made quite accurately, all of them were made the same way, on the same lake and inside a 50m diameter circle. In this regatta *Masi* was fifth and *Minimax* tenth. In our Districts, final ranking *Masi* was fourth and *Minimax* sixteenth. A total of 26 boats got a ranking series result.

*Skippers of the second Big Challenge race. From the left: Lauri Hemming (5th), District Champion Pertti Pyy (4th), Hartti Nisonen (3rd), District Commodore Antero Punttila (2nd), and winner Kimmo Aromaa.*

## LAKE DAVENPORT LIGHTNING FLEET (167) Midwest District Sailing on the Mississippi River at Davenport, Iowa

Boat No.	Boat Name	Skipper
8582	Burza	Bernard Comtesse
11858	Gargantua	Pierre Grandguillaume
12860	Garoupa	Claude Lambelet
13840	Chiloe	Gilbert Despland

## CERCLE DE LA VOILE DE NEUCHÂTEL

RAPPORT ANNUEL DE LA FLOTTE 169  
DU LAC DE NEUCHÂTEL POUR 1992

Si l'activité de notre flotte n'est pas bien importante, on peut tout de même relever une meilleure participation des membres de notre flotte à quelques activités internes et extra-muros. Il faut relever la participation de l'ensemble des régates nationales par Gilbert Despland et son fidèle équipage. Le voyage en Finlande pour les championnats d'Europe n'a pas rebuté nos amis Claude Lambelet et Gilbert Despland, ce dont le soussigné les félicite.

Il est à relever que lors de la semaine de voile dite "Semaine du Joran" à Neuchâtel nous avons pu participer avec quatre "Lightning", ce qui nous a fait bénéficier d'un départ individualisé.

En voici le classement

1er	Wyler
2me	Perret
3me	Lambelet
4me	Comtesse

Pour clore la saison nous avons, comme à l'accoutumé, organisé notre "Régate Fondue" et dans le même temps le "Championnat de District".

Samedi 17 et Dimanche 18 octobre 1992

### CHAMPIONNAT DE DISTRICT ET REGATE "FONDUE"

Cas très exceptionnel pour l'époque, l'hiver avec le froid, est venu nous apporter un décor de neige. Même le matin quelques petites traces de glace étaient visibles dans les bateaux. Ce temps n'a pas trop gêné le déroulement des compétitions. Seul le manque de vent du samedi a retardé le départ de la première régate. Cette seule manche du premier jour n'a pas bénéficié d'une force de vent très régulière et celui qui se trouvait au bon endroit au bon moment pouvait espérer remporter la manche.

Les deux premières manches du dimanche ont été courues par un vent d'Ouest force variable d'un à trois. Les bords choisis par les concurrents ont eu beaucoup d'importance et le chassé-croisé entre Perret et Wyler a été plein d'incertitude.

Le vent s'étant mis à souffler fortement avant le départ de la dernière manche, l'on pouvait présumer que l'équipage Wyler plus aguerri allait faire la différence vis-à-vis de l'équipage Perret dont les deux juniors manquaient d'expérience et de poids. Celui-ci a du s'incliner même si de force 5 la manche s'est terminée à 3.

### REGATE "FONDUE"

La traditionnelle régate "fondue" reprenait simplement les trois dernières manches du championnat de district. Ce qui fait que seuls les points ont changé mais le classement est resté le même.

En résumé un week-end fort bien réussi. Regrettons, tout de même, que les vacances scolaires aux mêmes dates aient empêché quelques équipages de prendre part à notre championnat.

Après l'assemblée générale du samedi soir, nous nous sommes tous retrouvés au restaurant du Cercle de la Voile pour apprécier la convivialité d'une bonne fondue. Il est à relever que quelques membres actifs ne pratiquant plus la compétition ont fait le déplacement pour se retrouver dans l'ambiance de la Lightning Class.

Un grand merci à l'équipe organisatrice emmenée par Jean-Claude duPasquier pour le travail qu'ils ont entrepris à la satisfaction de tous.

### Résultats:

	manche	1er	2me	3me	4me	total
1er	U. Wyler U. Dürr/ G.Dürr	(2/3)	2/3	1/0	1/0	3+3*
2me	J. Perret A. Perret/ L.Robert	1/0	1/0	(4/8)	2/3	3+11*
3me	G. Despland M. Graf/ P.Graf	3/5.7	(4/8)	3/5.7	3/5.7	17.1+19.4*
4me	C. Lambelet J.P. Monnier/ M. Lambelet	(NP/11)	3/5.7	2/3	AB/11	19.7+19.7*

Le premier total est le championnat de flotte et le second (\*) est la régate fondue.

Merci à chacun et à l'année prochaine.

Jean-Pierre Monnier

## BRANT BEACH YACHT CLUB (173) Central Atlantic District Sailing on Little Egg Harbor at Branch Beach, New Jersey

Fleet Captain ..... Peter Pierce  
Fleet Secretary ..... Carl Reiting  
Fleet Champion ..... Glenn, Carl, Beth Reiting  
Runner-Up ... Bob Seybold, Ed & Barb Serrill

Boat No.	Boat Name	Skipper
11176	.....	Thomas M. Hyndman, Jr.
11575	.....	James W. Titus
13809	Treachery & Old Age	Peter D. Pierce & Eugene J. Kelly, Jr.
13989	.....	J. Edward Serrill
14059	Skal	David W. Long
14325	Verbal Abuse	Carl & Glenn Reiting

1992 was another fun year for our Lightning sailors. The Club Series was hotly contested with light air predominating instead of the Jersey shore thermal. The Fleet would like to thank all the club members who spent time on the water either running the races or patrolling.

This year BBYC hosted the Central Atlantic District Championship in July. Twenty-three boats participated in a mixture of conditions. Keith Taboada of Metedeconk River YC won with BBYC's Reitingers second and Bob Seybold tied for fifth. Many thanks to BBYC's Mariner Fleet for running the regatta for us. We reciprocated and our fleet ran the Mariner National Championship in August. Again twenty-three boats took part. The Fleet results are as follows: first - Reitingers; second - Bob Seybold and Ed Serrill and third - Pete Pierce. Next year should prove to be interesting with the construction of a new sailing center in the boat yard. Hope to see everyone on the water.

## SHREVEPORT FLEET (175) Southern District Sailing on Cross Lake, Shreveport, Louisiana

Fleet Captain ..... Joseph P. Hunt  
Fleet Secretary ..... Gay Means  
Fleet Champions ..... Joe Hunt/Gay Means  
Runner-Up ..... Larry Pledger

Boat No.	Boat Name	Skipper
10987	BoomBoom	Gay Griffith Means
12839	Knee Deep	Larry D. Pledger
13212	Whoopersnapper	Joseph F. & Joseph P. Hunt

The first regatta of the sailing season was the Sugar Bowl Regatta. Joe Hunt, Amy Lewis, Shawn Parker represented Fleet 175 in 50 degrees, cloudy, dreary, gray skies, 15 mph winds out of the northeast with sailing conditions cold and wet. The forward crew, Shawn Parker, forgot his foul weather gear so sailing conditions were generally miserable. After sailing

three races and trying to survive the cold and finishing nearly last in every race or shall we say fighting to keep from being the last boat in every race, the crew took a vote at the sound of the 7:00 a.m. alarm clock (gray skies and northeast winds 10-15 mph) and 3 to 0 voted for the breakfast buffet over sailing and then packed up the boat and headed home where all nursed cases of the flu for three weeks.

Nothing much occurred with Fleet 175 on Cross Lake for the four months following except some participation in the Portsmouth racing. We were fortunate to have rather warm weather where we could sail. Our next event was the Holiday In Dixie Regatta on the weekend of April 25-26. We were delighted to have Fleet 35, Steve Harris, Fleet 435 to participate and to have our Lake Charles and New Orleans friends as houseguests. The results of this regatta were: 1. Kurt Schuler and crew; 2. Larry Frost III, Mike Solari, Will Tregre; 3. Joe Hunt, Gay Means, Shawn Parker; 4. Larry Frost Jr., Doug Wynne, and Chris Frost.

Our next important event was the Southern District Championship Regatta sailed on June 12, 13, and 14 on Mobile Bay out of Buccaneer Yacht Club. Fleet 175 was represented by Joe Hunt, Gay Means, and Shawn Parker. We tried out Joey Hunt's beautifully designed patchwork spinnaker with the Lightning flash right down the middle in this regatta. In the first race we rounded the first mark right after Robert Bernhardt but then came spinnaker time and we fought an hourglass the entire reaching and downwind legs. The wind picked up to about 15 with some higher gusts and we managed to finish sixth. The second race was sailed back to back with the wind continuing to build. Robert Bernhardt won this one with Larry Frost, III placing second, and we managed a third. Saturday was cloudy and windy, but beautiful. We managed a fifth and seventh. Mitch Bohenkamp won the third race and Larry Frost, Jr. won the fourth race. The weather was rainy on Saturday evening and our crew took a vote and realized that all of us had to be back in Shreveport on Monday morning, so we packed up for home. The district meeting was held that evening at Buccaneer Yacht Club downstairs after a wonderful dinner of boiled crawfish, lasagne, and salad and followed by bingo and drinks upstairs.

During the remainder of the summer not too much occurred on Cross Lake except for participation in the Saturday evening series with one start for all classes.

Our next out of town regatta was Rush Creek Yacht Club Dinghy Fest on the last weekend of August. Warren Lewis won this regatta with Steve Harris second, Sylvan Newman third, and Joe, Shawn, and Gay took fourth. Thanks to Vern and Judy Goldberg for their hospitality. The winds

Gay Means, Shawn Parker and Joe Hunt sail 13212 — Cross Lake, Shreveport Yacht Club.

were good — about 15 m.p.h.

Our last regatta with Lightnings as competition was the State Fair of Texas Regatta on White Rock Lake. We think one of our larger Cross Lake alligators went with us and stayed on our centerboard the entire time. (We're not sure if it was Alphonse or Nanette.) Winds were very light and the weather was extremely warm for early October. It was wonderful to see old friends, and we enjoyed the hospitality of Joel and Ardis Good. Three races were sailed — one in the morning and two in the afternoon.

Our last time to participate in a sailing event was the Longview Yacht Club long distance race on November 14th, sailed on Lake of the Pines. The yacht club is actually closer to Jefferson, Texas than Longview but most of the members live in Longview. About twenty-five boats started with This-les picing first and second, a J-24 third, a Merit-25 fourth, and we took a fifth. The weather was beautiful.

The water level on Cross Lake has been so low until there really has not been much sailing going on since August. Our club held a golf tournament on October 24th since we could not sail and this was a nice way to get acquainted with many members we otherwise would not have known. Rains have since brought the lake up somewhat but cold weather has set in for a while. Holiday In Dixie Regatta will be sailed in late April and we look forward to hosting that event.

### GREAT SOUTH BAY FLEET (178) Long Island District Sailing on Great South Bay at Amityville, New York

Fleet Captain ..... Alan Pearlman  
Fleet Secretary ..... William P. Weiss  
Fleet Treasurer ..... Betsy Brewer  
Fleet Champion ..... Bill Weiss  
Runner-Up ..... Betsy Brewer

Boat No.	Boat Name	Skipper
8780	EMWYRSPS	Gary Sortino
9670	.....	Angelo Dimartino
10243	Windblown	W. I. Orchard
10260	BullsHit	Elizabeth Brewer & William Weiss
11774	Alevai	Alan Pearlman
13544	.....	Thomas E. McDonald

The 1992 sailing season marked the start of our use of the *Gypsy Dove* for promotion of the Lightning to our club's Junior Training Program.

We had several junior members aboard, from the clinic in June, through the fleet championship, Race-Week, and the large fall regattas.

Al Pearlman won the Babylon Invitational, but then was shanghaied for a race committee and left the fleet championship up for grabs. Bill Weiss had Alison Mantell and Karen Bailey aboard for that event.

We hosted a well-fought although lightly-attended "Districts" with the kind, cooperative hospitality of the Bay Shore Yacht Club.

We didn't get all the support we had hoped for from John Maselli or Otto Krizek, but we're sure they'll be stronger supporters next year. On to bigger and better...

### CONNEAUT LAKE YACHT CLUB (180) Lake Erie District Sailing on Conneaut Lake, Pennsylvania

Fleet Secretary ..... Mary Gurney  
Fleet Champion ..... Chad Waldschmidt  
Runner-Up ..... Skip Ragghianti

Boat No.	Boat Name	Skipper
10941	.....	Robert C. Asmus
11563	.....	Charles Waldschmidt
11747	Hied Aweigh II	Charles S. Good
13372	Windwalker	Kenneth Pote
13506	.....	Lawrence Levine
13602	.....	Edward J. Benevent
13711	Hied Aweigh III	R. Duane Good
13899	Stormy	Dr. Stan Gurney
14146	Cool Breeze	Ronald Ragghianti

The 1992 season was a very erratic one with many cancellations due to

inclement conditions. Our members are for the large part fair weather sailors and this summer had very few fair weather days. The season was divided into two series the America's Cup course, and the Championship series. This year we had a new Fleet Champion, Chad Waldschmidt, sailing with Doug Sparks masterfully running things up front. Chad had it together from the very start and really sailed a flawless season. Runner-up honors go Skip Ragghianti and crew.

While the weather was less than ideal for the racing it did cooperate for our three outside social events, the Spring Picnic, hosted again by Ken and Jeanne Pote, the July Picnic hosted by Duane Good, and the awards banquet hosted by Michael and Rosie Mercatoris. R. Duane Good was honored as the recipient of the Club's Trazona Sportsmanship award. Michael Mercatoris received the USYRU Sportsmanship award for the second time in recognition of his many years of dedication to the junior program. The annual upside down honors went to Ken Pote. Ken accepted the award but insisted that he share it with his son Brad for his "help" with the creative capsizes. Our fleet saw the addition of another boat this year with the Bailey-Weber team sailing newly commissioned 11063 *Iphigeni*.

Newly elected officers for a two year term are: Mr. (Conneaut Lake Yacht Club) Ken Pote, Commodore; Jeanne Pote, Secretary/Treasurer; Fleet (Champion), Chad Waldschmidt, Fleet Captain; Junior Program coordinators, Ed Benevent and Robert Asmus.

Some Fleet 180 sailors on the lawn.

### LAKE DESCHENES LIGHTNING FLEET (188)

#### St. Lawrence Valley District

#### Sailing on Lake Deschenes at Ottawa, Ontario, Canada

Fleet Captain ..... Terril Scott  
Fleet Secy./Treas. .... Thomas Shenstone

Boat No.	Boat Name	Skipper
9666	Electra	Terril D. Scott
13668	Hearts Content	Thomas Shenstone

It must be admitted that Fleet 188 has not yet experienced a great resurgence ... but what we lack in size we make up in sheer determination to endure until that sunny, breezy day when sailors young and old wake up to what they are missing and flock to us once more. Meanwhile we spend our time in the wilderness preaching the gospel of the One True Boat and occasionally we have a little fun (aside from the unalloyed contentment to be derived from owning/hugging/sailing a Lightning).

Our main event of the season was in late June. Fleet 188 and Britannia Yacht Club hosted the St. Lawrence Valley Districts combined with our own Charles Ogilvy Series attended by weather that might best be described as Calvinistic. A molten Friday afternoon congealed in a matter of hours into leaden skies and an icy rain which lasted the night and froze any thought of a sultry evening bacchanal in its tracks. True to its creed, our bluenosed weather provided brisk breezes under grey sky for the rest of the weekend. No one got sunburn. This scribe will not attempt to fathom what thoughts may have passed through the minds of those cold and huddled masses, refugees from the Saturday night barbeque, who sought comfort in the clubhouse bar and jockeyed, plates balanced on shaking knees, for a position near the hearth. Perhaps time and Christian charity will bring forgiveness to their hearts.

Weather aside, it was great to see all those (anything over three constitutes "all those" in these parts, these days) Lightning sails on the lake and to meet so many Lightning sailors at one time. As a Fleet we learned valuable lessons on the complexities of running a regatta. We will be better next time and we are looking forward to it.

13938	.....	Richard Amiton
14095	Puddle Glum	Kirk Johnson
14263	.....	Myron C. & John Lyon
14268	.....	Barry L. Williams
14308	.....	Charles Gillespie
14464	.....	Scott Finkboner
14473	.....	Carl Eichenlaub, Jr.
14573	.....	Scott Finkboner

We began 1992 with an installation and trophy dinner at Mission Bay Yacht Club on a balmy night in January. During the year four skippers joined us: Barry Williams, who chartered and modified Phil Simpson's *New Now*; Doug Brady, sailing Paul Brady's *Old Black Boat with No. #*; John Buziak, courtesy of the U.S. Navy; and Rich Amiton, who bought Jeff Calkins' *Taxi*. Jeff is in Syracuse now, in case anybody up there needs a good crew. Al Poindexter came back to the fleet after a few years off for some PHRF sailing. Kirk Johnson retired in August, and the Perrines had a baby in September. Except for the sadness of losing our colorful psychiatrist, Dr. Sam Anderson, it was a good year. His *Lightning*, *Crusader Rabbit*, is in the San Francisco Bay area now with his son, David.

The fleet sailed 50 Club races, 35 in Mission Bay and 15 in the beautiful blue Pacific, as well as 15 TNTs (Thursday Night Things) during the summer. We participated in eight regattas, including the North Americans (Mike Brewer and Scott Finkboner made the trip, with Scott bringing home the first place trophy in the Governor's Cup.) Four skippers traveled to the Olympic Classes Regatta in Long Beach, with John Lyon bringing home the gold from this one, Scott the silver, and Kirk the bronze. Two skippers made it as far as Klamath Falls, Oregon, for the Pacific Coast Championship, and Scott added another trophy to his collection. We hosted the California Districts and the 26th Annual California Circuit. The districts were hotly contested to the last race. Scott was first, followed by John Harrop, John Oldham from San Francisco, Kirk Johnson, and Rob Pinkel. The California Circuit is made up of three regattas, Scott won two of them, the Coronado series, sailed in San Diego Bay, and the Mission Bay series, and John Lyon won the famous 17 mile marathon.

At the end of each year we present four fleet trophies: Fleet champion and Regatta champion were won by Scott Finkboner; the TNT trophy was won by Kirk Johnson; the Club Races champion wasn't decided until Dec. 13 — too late to be included (but one of the joys of sailing in San Diego).

In addition to these trophies, Scott also captured the Club Championship in a match race in Lido 14s. His crew was Kim Hemphill, who crewed in the Adams Cup with Dawn Miller.

We look forward to an even more exciting 1993. Come on out to the 27th Annual California Circuit. See for yourself why San Diego is known as the perfect city with the perfect climate. The 1993 Circuit is April 4-9. We'd love to see you.

Fleet Captain Kirk Johnson in the Pacific — either way out in front or way behind.

## **ATWOOD YACHT CLUB (212)** **Ohio District** **Sailing at Atwood Lake at Dellroy, Ohio**

Fleet Captain ..... Bobbie Stowe  
Fleet Secretary ..... Dean Caley  
Fleet Champion ..... Dean Caley  
Fleet Runner-Up ..... David M. Gall

Boat No.	Boat Name	Skipper
6886	.....	Carl W. Hummer
9350	Cat's Cradle	James L. Stone
10430	.....	Michael Partridge
10900	Four Winds V	James L. Cooper & Tim McCain
11368	Blue Thunder	David M. Gall
11788	.....	Dr. Stephen Sabo
12184	.....	Dave Huber
12845	Gray Fox	Carl W. Hummer
14420	.....	Nelson & Dean Caley
14445	.....	David M. Gall

A year ago Fleet 212 embarked on an effort to rebuild after a long decline left only three regularly active boats. We put a Lightning in two mall boat shows, took a few of those prospects for a sail, approached our club for some changes in policy, increased the social functions of the fleet from two to eight, and promoted our activity to anyone who would listen.

The effort drew inactive members back and saw two new boats join our fleet. Activity grew with up to nine boats on the starting line and eleven skippers active through the season.

I wish to thank everyone in the fleet for the time and effort that they gave during the past year. The dividends exceeded all expectations.

The revitalized fleet broadened the trophy distribution over recent years, with Dave Huber earning third in the Championship Series, Jim Stone third in the Spring, Commodore's, and Fall Series. Stephen Jolly represented our fleets new blood with a third place finish in the Summer Series as a first year skipper. Great job to Steve, his wife Mary and forward crew Mark Eshu!

Series results show that the on going rivalry for top honors between David Gall and Dean Caley went to David this year as he won the Spring, Summer, and Fall Series, placed second in the Championship Series, and tied with Dean for first in the Commodore's Series. Dean gathered up the seconds but for the tie and a first in the Championship Series.

David and Dean also managed to tie in two regattas over the summer, though David gets credit as the first home skipper to win our own Harvest Moon Regatta in nearly twenty years. And with perfect bullets. Local skippers swept the top three spots in the event with David Huber second, Dean Caley third and Tom Varley from Leatherlips Yacht Club in fourth.

Our July Fourth Powder Puff race was won by Bobbie Stone, with "Rica" Smith second, Kathy Partridge third and Mary Jolly fourth.

Atwood boats also increased their presence at Ohio Regattas with Dean Caley, David Gall, Stephen Jolly, and Jim Stone all traveling this summer with Caley and Gall sailing in the North American Championships.

When all was said and done Mr. Gall proved to be a man devoid of superstition. After a fine season at the top of the fleet which will have the rest of us studying tactics all winter, David moved up from his fully updated 11368 to 14445.

The summer of 1993 already draws our attention as we are quite excited to be hosting the Ohio District Championships here on our home waters. We wish to express our gratitude to Matt Fisher for the support he provide toward this end.

See you in '93!

## ROYAL ST. LAWRENCE YACHT CLUB (215) St. Lawrence Valley District Sailing on Lake St. Louis at Montreal, Canada

Fleet Captain ..... Peter Hall  
Fleet Secretary ..... Mark Osterman  
Fleet Champion ..... J-F Simard

Boat No.	Boat Name	Skipper
11626	Joker	Michel Richard
12216	Tangerine Dream	William Layton
13927	.....	Jean Francois Simard
14175	Lilliboner	King Hisock
14354	.....	Scott Collins
14398	Nickels 'n Dimes	Mark Osterman
14421	.....	Nabil Tabet
14457	.....	Jay Mann
14176	.....	Peter Hall
.....	.....	Russel C. Scrim

Attendance and participation was down last summer. In spite of this, Peter Hall and Mark Osterman made the trip to Thunder Bay for the Canadians and Mark then sailed in Buffalo. Jean-Francois Simard also went to the Canoe Club.

Locally, J-F was our Fleet Champion; he and crew Derek Robertson and Claude Prevost sailed consistently well all summer.

Of special note was the success of our junior sailors. Nick Brown and crew Guillaume Bedard and Patrick Brown finished third at the Canadian Youths, while Jennifer Blanchard and crew Allie Matthews and Lindsay Staniforth were fourth. Jennifer and crew then went to Chile where they did a super job representing Fleet 215 as the only women racing at the World's.

Next summer, Fleet 215 will be hosting the Canadian Championships on the first weekend in July. Timed to coincide with Montral's world famous Jazz Festival, this will be a "must attend" event. Stories are still being told about the last time the Canadians were held during the Festival! We hope to see you there!

## SAGINAW BAY FLEET (216) Michigan District Sailing on Saginaw Bay at Bay City, Michigan

Fleet Captain ..... Terry Hart  
Fleet Secretary ..... Chris Jacobson  
Fleet Champion ..... John McCree  
Runner-Up ..... Jim Schofield

Boat No.	Boat Name	Skipper
5437	.....	Terry Hart
7153	Megs	Stephen M. Ascherl
11164	.....	George Peet

13236	Numau	Terry Hart
13385	Halycon	James Peters
13807	Majestic	Matt & Chris Prining
14009	Queen of Hart's	Terry Hart
14022	Teko	John E. Johnson
14023	Sleeper	John McCree
14048	.....	Blair & Guy Moulthrop
14103	Greased	
	Lightning	Clark Howell, Jr.
14119	MS Guided	Tom Niles
14133	Fast Idiots	Chris Jacobson
14323	Sleeper	John McCree
14333	Race Car	Robert K. Hafford
14433	YKNKEE	Eric Coffin
14503	Carousel XXIX	Joe Dissette
14553	.....	Colin Park
14563	.....	Joe Dissette

Saginaw Bay provided another fantastic year of sailing in 1992 for Fleet 216 in Bay City. The "open water" conditions in the bay allow us to enjoy an excellent variety of racing for the Bay City fleet of 16 boats.

The "Joe Dissette" Wednesday night series proved to be competitive, but greatly enjoyed by all. A total of 36 races were scored from May through September with only four nights cancelled due to weather conditions on the finicky bay! John McCree had a fantastic year with regular crew Dave Corcoran, picking up the first place honors easily by winning 17 of the 36 races. Jim Schofield together with crew of many years Kim Shotwell and John Waechter eased by Joe Dissette for second place, leaving Joe with third. Could it have been the Irish beer?

Other honorable mentions go to those in the fleet deserving the fame and fortune of the unofficial awards. Matt Prining won the coveted "Rueben Clamso Capsize" award for the most spectacular turn over, not only capsizing but falling out of his own boat! The second annual "Swimmer Award" was passed from Kim Shotwell to fellow crew-member John Waechter for doing an Olympic style back-flip off the boat. We make it a point to have fun!

This year Fleet 216 hosted the 38th Annual Bay City Regatta in June with

1992 Season Champion, BCYC. John McCree on left. Dave Corrand (with hat) Crew.

22 boats registered. Both days the Saginaw Bay served up quite a breeze to allow for five thrilling races. Results were as follows: first, Mark Whatley, second, John McCree, and third, Colin Park. It is rumored that it was the second time at his home fleet regatta that Colin led several boats like sheep to the wrong mark! Thanks to Dave Corcoran once again enough dorr prizes were given out at the dinner on Saturday night so that everyone won something. Prizes included: a Free parachute jump won by Chris Jacobson. \$10 gift certificates for "Farmer Pete's" sausages donated by our own George Pete. And such a prize for Colin Park: 10% off an order for Shore Sails!

We are looking forward to an even greater year in 1993 at the South end of Saginaw Bay, see you there.

*What you don't see is the water bucket — super soaker!*

### HENDERSON HARBOR YACHT CLUB (225) Central New York District Sailing on Lake Ontario at Henderson Bay Henderson Harbor, New York

Fleet Captain ..... Jerry Bezner  
Fleet Secretary ..... John Treadwell  
Fleet Champion ..... John Treadwell  
Runner-Up ..... Jack Jones

Boat No.	Boat Name	Skipper
10712	May Day May Day	Leonard A. Montague
13232	.....	Richard A. Matarese, M.D.
13353	.....	Gerald A. Bezner, D.V.M.
14094	Anasazi	Irwin K. Stone, M.D.
14192	Hendershore	John H. Treadwell, II
14254	Footloose II	Richard Grissinger
14321	Chicken Jack	Jack Jones

We have some growing enthusiasm this year. All the Treadwells returned, the Haleys and Boxbergers joined the crewing scene, as did Tim and Amy Borland. New Lightnings in the Fleet just may be brewing.

Our season began in June with the Apple Blossom Race, won by the two John Treadwells. Second, Irwin Stone. Third, Dick Grissinger. The three weekend Apple Blossom Series results: 1. John Treadwell, 2. Jack Jones, 3. Irwin Stone. The Barnes Memorial Race was a light and drifty affair — but good spinnaker team-work took the day as Jerry Bezner and his professional crew of Tim and Amy took the honors. Second, Jay Jones, third John Treadwell.

In July we hosted our annual "Eastern Regatta" under the direction of Jack Jones. Jack and his team did it again — well organized on and off the water — and of course standard beautiful Henderson Harbor winds.

The Pickslay Ramble results: 1. Jerry Bezner, 2. John Treadwell, 3. Irwin Stone. The second race Commodore's Cup featured "the Jibe", as Say and Joan pulled a beauty: 1. John Treadwell, 2. Jack Jones, 3. Jerry Bezner.

In spite of the wet summer, we only lost one Sunday to foul weather and that was the last one. So 13 races were sailed for our Fleet Championship with the following results: 1. John Treadwell, 2. Jack Jones, 3. Irwin Stone, 4. Jerry Bezner, 5. Dick Grissinger.

The laid back Thursday Series had its usual antics and its first "turtle" — but no one saw it! Nice trick Dick! 1. Irwin Stone, 2. Dick Grissinger, 3. Kevin McLean, 4. Joan Woods, 5. Rich Matarese.

The Stoney Island race blew like crazy. The Treadwells had young Hunt on board and got blown down to their cottage — close call there. While Dick Grissinger had all kinds of beef on board with Big Box and Carl Moot. No problem keeping that boat flat! And Dick got a gold flag, too.

We had two lovely Fall weekends to play in for the Frostbite Series and had loads of kids on board the boats for crew — made a few memories in those races: 1. John Treadwell, 2. Jack Jones, 3. Irwin Stone. The years final race — the Frostbite: 1. John Treadwell, 2. Dick Grissinger, 3. Jack Jones.

May's Trophy was finally won by someone other than Jones — the Treadwells this year. And here's to you — Mrs. Robinson!

### BISCAYNE BAY LIGHTNING FLEET (226) Florida District Sailing on Biscayne Bay at Coconut Grove, Miami, Florida

Fleet Captain ..... Mike Zidziunas  
Fleet Secretary ..... Fay Regan  
Fleet Treasurer ..... Alix Morgan  
Fleet Champion ..... Jim Alman  
Runner-Up ..... Eamonn de Lisser  
Corinthian Trophy Winner ..... Antonio Vidal

Boat No.	Boat Name	Skipper

9975	Joint Venture	Eric Stibitz
10623	Second J.	Michael Zidziunas
10815	Slippery	
	When Wet	Heather McGonagle
10944	Cirrus	Jon Cameron Carlin
11171	Folie A Trois	Paul Messina & Dean Gosselin
11702	Glockenspiel	Stuart Anderson & Larry Ames
11981	VooDoo Child	Steve Calloway
12050	Booby Trap	Fay A. Regan
12064	Honey Comb	Stuart de Lisser & Jonel Rouse
12065	Vertical Smile	Jim Alman
12606	Spiny Norman	William Hill
13109	Moonshine	Robert H. Warren
13307	Sara Liz	Art Aherns
13377	Sazerac	Al Faraco
13748	.....	Ted Kapustka
13858	Olivia	Carol Stout
13983	Rum Runner	Onofre Torres
14037	Bolt	Antonio R. Vidal
14066	.....	Edie Ankele
14098	Main Squeeze	Eamonn DeLisser
14182	Top Gun	Clive Mayo & Edward A. Cabassa
14212	Steam Driven	Alix & Jeff Shaw
14215	Major Obsession	Jon Ewing
14322	Pond Scum	Marc Pearl
14412	Second Childhood	E. T. Fisher

Our big news this year was Hurricane Andrew. Several Lightnings were damaged, and it is not known at this writing whether any of those are destroyed. Many fleet members lost their homes and are living in temporary housing while they decide on rebuilding. We appreciate all of the concern shown to us by our Lightning friends up north — your phone calls meant a lot to us.

Though we didn't add any boats this year, we are happy to welcome Clive Mayo, Ben Lieberman and Peter Nicholson who purchased local Lightnings. We did add to our junior roster with the birth of a daughter to Heidi and Eamonn DeLisser and sons to Alix and Jeff Shaw and Barbara and Ed Cabassa. Congratulations to all.

Fleet racing on Biscayne Bay was competitive as usual with excellent participation throughout the hurricane-shortened sailing year. Congratulations to our Champion and Runner Up Jim Alman and Eamonn DeLisser, and to Corinthian (mid fleet) trophy winner Antonio Vidal.

More than seventy celebrants enjoyed a summer sailaway organized by Jim Alman, Jonel Rouse/Stuart DeLisser and Fay Regan to highlight their boats' 20th birthday party at the Viscaya sandbar in the middle of Biscayne

Bay. All three (12064, 12065, 12050) are honeycomb Lippincotts, circa 1972.

We're anxious for the renovations of our clubs after the hurricane. Our Lightning Fleet sails out of Coconut Grove, Coral Reef, Biscayne Bay and the U.S. Sailing Center. As of this writing, our boats are still at home as we work to restore our waterfront facilities. The target date is October 24th, the Chris Young Memorial Regatta and our 1993 season opener. We can't wait.

See you at the Miami Midwinters!

## **BOMOSEEN YACHT CLUB FLEET (227)** **New England District** **Sailing on Lake Bomoseen, Vermont**

Fleet Captain ..... William D. Cohen  
Fleet Secretary ..... Barbara Buck  
Fleet Champion ..... William Cohen  
Runner-Up ..... Bruce Atkinson

Boat No.	Boat Name	Skipper
10773	Harlequin	Tom Rothfuss
11153	.....	Bruce Atkinson
13484	Si Ergo	Hans Malz
13497	.....	Fred Bagley
13732	.....	Anthony Abatiell
13859	.....	William Cohen
14056	.....	Raymond & Raymond P. Harrington, Jr.
.....	.....	David T. Stagg
.....	.....	Christopher H. Howe

It was another great year of sailing on Lake Bomoseen. We consistently had eight to ten boats and good winds for twenty-six races.

We started out with the Memorial Day Series. All of the boats in the Fleet showed great speed due to Ray Harrington's efforts in tuning all boats the previous Saturday.

Then followed the Maple Leaf Classic with twenty-five boats from throughout the northeast. Dick Hallagan showed great speed and consistency and took home the gold (A gallon of maple syrup). Lake Bomoseen's own Ray Harrington took a second.

Sunday racing continued throughout the summer with very competitive results. Everyone finished near the top in their share of races. Bruce Atkinson won the Fourth of July Classic with the Abatiells coming in second and Ray Harrington, Sr. taking the third.

The Fleet Championship was decided on the last weekend, with some backroom negotiations on score-keeping, first place going to Bill Cohen, who sailed consistently all summer long with his pregnant wife, Barb, and crew, Allan Keyes.

Our fleet grew by one new boat and three births (twins to the Atkinsons, girls, and a girl, to the Cohens.

Bruce Atkinson has taken over as Fleet Captain for 1993 and everyone looks forward to the up-coming season!

## **RIVERTON LIGHTNING FLEET (228)** **Central Atlantic District** **Sailing on Delaware River at Riverton, New Jersey**

Fleet Captain ..... Bob Bush  
Fleet Secretary ..... Allan Crew  
Fleet Champion ..... Mark Schneider

Boat No.	Boat Name	Skipper
8616	Enterprise	Hugh Hutchison
8690	.....	Mark Keen
9628	.....	Paul Alberti
10494	.....	John Haiges
11519	.....	Charles L. Epstein
11771	.....	Gary Swangler
11985	.....	Marcella Ridenour
12140	Daisy	Mark Schneider
12727	Special K	Allan Crew
12886	Ninja	Tim Montgomery
13218	.....	Bruce Rawlings

13624	.....	Raymond A. Reeves, Jr.
13720	.....	Joseph J. Rogan
14025	.....	Robert C. Bush
14028	Ultimate Pressure	Peter Denton
14340	Airborne	Mark Schneider
.....	.....	Dan Curran
.....	.....	Aaron Finkbiner, III

We had an excellent year on the river, with well-attended fleet races and moderate breezes making for tight racing. At times, the tide even seemed to abate.

Wednesday night sailing is a perfect break in the week. We normally have our best breezes until about 8:30 pm when the breeze starts to fall off. With a 6:30 start, we can get in two races. This year Mark Schneider again showed the way around, with Hugh Hutchinson, showing that wood boats don't just swell up but also go fast, second.

This year we experimented with racing on every other Sunday to allow for more traveling. This keeps from having the three boat fleet race. Mark Schneider was able to fit in his schedule and walked away with this series as well, with Allan Crew second. Winning both series allowed Mark to retain his rights to the Club Championship.

The year started with the Bryfogle Regatta, which is sailed on the first two Sundays of the sailing season. Mark first, Allan second, and Pete Denton third. The annual Governor's Cup Regatta was held in June — Bob Bush first, Mark second, and Rob Slook third. The one day Labor Day Regatta saw the light boats take the top spots with Bob Bush (total crew weight — 420 lbs.) first, John Haiges (about 350) second and Mark (about 600 — Cindi was not on board) third.

The final regatta of the year is the Fall Windup. Light air prevailed and last year's champ, Dick Hallagan from Newark, New York, again proved best. Second was Allan Crew, third was Mark Schneider, and fourth was Jack Jones from Watertown, New York. This regatta was also the New Jersey State Championships, with Allan Crew getting the big trophy.

Our Club racers did extensive traveling this year, with regattas sailed in NJ, CT, NY, PA, DE, MD, and VA. We managed to have all five travellers converge on Lake Wallenpaupack for their fall regatta.

Come sail with us next year, where you're never too far ahead (or behind) if the tide is running.

*Fleet 228 had a good year of sailing on the Delaware River.*

## **HALLWILERSEE/SEMPACHERSEE GREIFENSEE FLEET (250)** **Switzerland District** **Sailing on Lake of Sempach and Hallwil, Switzerland**

Fleet Captain/Secretary ..... Christoph Luthy  
Fleet Champion ..... Urs Wyler (Fleet 358)  
Runner-Up ..... Jacques Perret (Fleet 358)

Boat No.	Boat Name	Skipper
8190	Fortuna	Anton Fuchs

10463	You Newer Know	Hubert K. Stocker
12306	White Star	Jakob Blickenstorfer
12571	Joy III	Rudolf Herzog
13099	Domi-Nike	Christoph Luthy
13161	Tartaruga	Silvio Merz
13705	Cezanne	Ernst Beyer
Life Member	.....	Hans A. Luthy

As usual our Fleet Championship was held in spring, sailing on the lake of Sempach of Hallwil this year. However, only two boats of our fleet and two of Murten and one of Neuchatel participated. Winner was Urs Wyler, taking the "Luthy-Bell" trophy home forever. Runner-up was Jacques Perret, Christoph Luthy, Silvio Merz and Gilbert Despland. Silvio Merz bought the fast, beautiful, black boat of Urs and Ernst Schar, who changed Classes recently. We hope that Silvio, with his crewing friends is able to reactivate the sleeping "Vierwaldstattersee Fleet 281" again, since he is sailing on the lake of Lucerne now. He knows many young people who are interested in sailing on the Lightning, too. Also, we hope to get new contacts with some people of the nearby lake of Zug in future. The Fleet Captain moved from the lake of Greifensee north to Basle for business, and he hopes to sail next summer on the lake of Sempach again.

### **SALAMIS LIGHTNING FLEET (251)** **Greece District** **Sailing the Bay of Phaleron** **Athens, Greece**

Fleet Captain ..... Anastosios Soulis  
Fleet Secretary ..... Nicolas Dimou  
Piraeus Sailing Club

Fleet Champion ..... Nicolas Dimou  
Runner-Up ..... Christos Bonas

Boat No.	Boat Name	Skipper
10037	.....	Antonios Bonas
10966	.....	Christos Bonas
13968	Renata	Nicholas Dimou
.....	.....	Anastasios Soulis

No Report.

### **KEUKA LAKE FLEET (252)** **Central New York District** **Sailing on Keuka Lake, Hammondsport, New York**

Fleet Captain ..... Michael N. Kalinich  
Fleet Secretary ..... Paul R. Jueschke  
Fleet Champion ..... Tom Buechner  
Runner-Up ..... Robert H. Cole

Boat No.	Boat Name	Skipper
10406	.....	Brien Gardner
12711	7-11	Rollie Stebbins
12764	.....	Michael Pallischek
12885	.....	Martin Schad
13515	.....	Rob Nason
14221	.....	Peter M. Cunningham
14256	Mangy Moose	James Staunton
14368	.....	Michael N. Kalinich
14416	Vitesse	Robert Cole
14426	.....	Tom Buechner
.....	.....	Richard Pitbladdo

The summer of '92 will be remembered for the unusually cool and wet summer but more importantly for the close and exciting competition in all kinds of weather, from a NE cold blast to a rare hot and sunny drifter. Most importantly remembered is the camaraderie of Lightning Class sailing.

The season series was very close with several sailors upgrading boats and equipment and by the end of the season the newer crews had improved their skills to put pressure on the more experienced boats. The series had more skippers testing victory which resulted in an exciting close to the racing season. Tom Buechner repeated as Fleet Champion with Bob Cole finishing

a close second.

An important emphasis was placed on shorter courses with more races which resulted in more close starts and finishes. Several 'FUN' races were held with role reversals of crew and skippers with an emphasis on introducing new skippers to the excitement of one design racing.

The annual Champagne Regatta was well attended with two full days of racing and a great dinner and party Saturday night. Sunscreen was a necessity this year as both days were hot and clear.

We are looking forward to next year to renew old friendships and to establish new, thanks to the Lightning Class Association.

### **SUSQUEHANNA YACHT CLUB (253)** **Dixie District** **Sailing on Susquehanna River** **at Long Level, Pennsylvania**

Fleet Captain ..... Barry L. Dunwoody  
Fleet Secretary ..... Ken Kuzdro

Boat No.	Boat Name	Skipper
6577	.....	Kenneth C. Kuzdro
10391	Jack Tar	Melvin S. Gardner
11582	Crescendo	Charles F. Noble
13813	Double Whammy	Frederick S. Bush
14313	That Blue Boat	Barry L. Dunwoody
.....	.....	Carol Park

Lightning sailing is still alive at the Susquehanna Yacht Club, but weekly racing, which began back in the 1950's, finally ground to a halt in 1992. Racing at the club in Comets, Flying Scots, Flying Dutchmen and Flying Terns all died years ago. So the Lightnings were the last to succumb.

Twelve Lightnings, including one well-loved but leaky "woodie", still grace the dry-sail area in front on the clubhouse. But most of the skippers prefer to just day sail, and the glory days of competitive regattas appear to be over — at least for now.

The Fleet's other news for 1992 are two bummers. First, many-times Fleet Champion Starling Mikell, Jr. died in June after a 1½ year battle with a brain tumor. Then a month later, skipper Charlie Noble had a triple by-pass operation.

On a cheerier note, many fleet members helped out as usual, teaching and coaching during the club's annual two-month joint learn-to-sail program with the local Coast Guard Auxiliary flotilla. This year marked the 25th anniversary of the program, which was started by two Lightning skippers and has taught more than 1,000 beginners the joys of sailing. A fitting tribute to Lightning sailing at the SYC.

### **BURT LAKE LIGHTNING FLEET (254)** **Michigan District** **Sailing on Burt Lake**

Fleet Captain ..... Gary Street  
Fleet Secretary ..... Ann Swayze  
Fleet Champion ..... John Beery  
Runners-Up ..... Gary Street & Clark Swayze

Boat No.	Boat Name	Skipper
11078	.....	Clark Swayze
11642	.....	Grant Cheney
13969	.....	Gary Street

After over 30 years of inactivity the Burt Lake Yacht Club has recently been revitalized and is again officially sponsoring Lightning races. Fleet 254 was back in 1992 with nine active boats, many exciting and very competitive races, plus great optimism about fleet expansion in the future.

The season opener was a wild one with winds building to 20 knots by starting time. (The physical strength of the fleet's female crew members was "sorely" tested!) With port tack favored by some 20 degrees the fleet raced away with only Eric Swayze in 13819 sacrificing way on starboard as he headed for the lee shore. By the mark, however, it was obvious that Swayze had put on a sailing clinic for the fleet, having flattened his boat, gained speed in the calmer water, and taken a significant lead which he never relinquished.

The remainder of the summer was sailed in varied conditions. In heated

contention for weekly honors were: John Beery, in 13909 and 1991 BLYC Champion; Gary Street, in 13969 and a first year Lightning skipper; and Clark Swayze, in 11078 and 1989-90 BLYC sailing Champ. In one five race series Beery and Street were separated by a total of only 42 seconds! Meanwhile Grant Cheney, Don McCormack and Stan Smith were in the hunt with new challenges each week. Eric Swayze, although competing in only two races and ineligible for season honors, returned for the last race of the season to lead the fleet by almost minutes and to become the only skipper to take more than one first place this season.

The return of Fleet 254 has been due in part to the hard work and time spent by Committee Boat Captain Bruce Garlinghouse, a retired Navy Commander, who does indeed keep us all organized and informed. In spite of the military influence Burt Lake Yacht Club advertises "Sailing Just For Fun" — and yet as we discussed the close competition at the year-end banquet there was mention of new sails, polished bottoms, spinnaker handling clinics, rigging secrets, and yes, even new boats!

### CLARK'S HILL LIGHTNING FLEET (257) Southeastern District Sailing on Strom Thurmond Lake Augusta, Georgia

Fleet Captain ..... Robert E. Harkrider, Jr.  
Fleet Secretary ..... Richard F. Mayne

Boat No.	Boat Name	Skipper
2381	.....	Gilbert L. Klemann, M.D.
9398	Fun	William H. Jackson
9468	Hot Flash	Nancy Klemann Sproul

14532	.....	Robert E. Harkrider, Jr.

The Clark's Hill Fleet had little change in the number of fleet boats, but did have fair participation on the District Circuit with four members qualifying for the series. We had three boats at the District Championships, making a traveling contingency of five fleet members in 1992. Worth noting: "Doc" Gil Klemmann turned 80 years of age August 17, and was one of our District qualifiers.

Only one ASC crew traveled to the North Americans in Buffalo. Bob Harkrider finished sixth in the Presidents' Cup Fleet, and one of our Juniors, Beau Samuelson, sailing with Will and Josh McIntosh of Savannah YC, finished third in the Junior Championships. Our Fleet hosted the "Season Opener" April 25-26 with seventeen boats in attendance. Sadly Club sailing was at a low this year, but we are looking to 1993 as a building year.

Fleet 262 had a banner year in 1992. Bill Killebrew started the season in March riding down to St. Pete to participate on the Southern Circuit with William Hofmeister, coming within 50 miles and two hours of the first start. At about 4:00 a.m. transportation left them and they were forced to stop and make repairs. Having missed the first race (at least) they elected to return to Nashville and take part in local races instead, taking advantage of the fatigue factor. Unfortunately being pre-registered, Hofmeister was scored 51st at St. Pete. Willy was undaunted however and went on to take the fleet regatta trophy after an outstanding showing in our local and traveling regattas.

Our big spring regatta is the Tennessean, sponsored by the Nashville Tennessean, Nashville's leading newspaper. Beginning thirty-five years ago, this regatta has grown to become one of the areas largest local open regattas, drawing boats from all over. Paul Wurtzebach won in the Lightnings this year and took the silver back to Chicago.

Our fleet is part of the Mississippi Valley District. This year the District Championship was held in Decatur, Illinois, home of Fleet 74 and sailed on Lake Decatur. Our own Cully Ward sailed a brilliant series in light shifty conditions to take the District Championship, a first for him and a less than usual experience for our fleet. Cully said he hoped it would not be twenty-four years before they hold the Districts in Decatur again.

Our biggest regatta is held in the fall. The Bluenose has become a very popular regatta in recent years, attracting boats from as far away as Chicago and Newport as well as Florida and points south. Most years we are blessed with strong winds, bringing out the cream who proceed to walk away with all the silver. This year however, the series was won by Chandler Owen and crew, sailing an intuitive series with two seconds and a first on Sunday to win the regatta. This was certainly a proud moment for Chandler and for our fleet.

Plan to visit us this year at Old Hickory Lake, home to shifty lake breezes and good competition, not to mention hospitality. Hope to see you.

14273	.....	Norman G. Deyett
14442	.....	William Berry

Fleet 273 put a lot of mileage on boats and trailers this season. We had crew travel to the Southern Circuit and the Long John Regatta. Norm Deyett, Moe L'Heureux, Bill Berry and George Deyett made the trip to Champlain. At Bomoseen, George, Moe and Norm enjoyed the hospitality and the sailing; George, as usually, came home with some syrup. Laura Milne and Cheri Upham went to the Junior Districts. Norm took his wife Shirley and Jim Mann to the Masters Districts. Moe, George and Norm returned to Champlain for the districts. George finished fifth overall while Moe once again took the middle of the fleet.

Laura went to crew at Wellfleet and then moved on to the Junior N.A.'s and NA's at the Buffalo Canoe Club. Ken and Mike Deyett also crewed at the NA's. Ray, Ken and Bruce finished fourth in their fleet. At Squam, Moe took his first ever first place trophy home by taking three first place finished out of four. George took second. Ken took fourth with crew Cheri and aspiring Lightning skipper Gordon Geick. Norm brought home the fifth place trophy. George and Moe were both in the top five at Newbury's Hurricane Leftover Regatta. At the MYC regatta, the Deyett family took first, second and third. Ken won it followed by his brother George and his father Norm. A good time was had by all the men at George's bachelor party Saturday night. The fleet held several get together barbecues after fleet races. Congratulations to Norm Deyett, this year Fleet Champion. Thanks to Ron Adams, Walter Colantuono, and Walter Grischuk, Chris Barrett and Drew Gillett for keeping the fleet alive at home while the rest were traveling. Congratulations to George and Sharon Deyett on their recent marriage. Congratulations also go to Ken and Julie Deyett on the birth of their daughter, Elizabeth Ashley. We hope that we will see at least one boat from each of the fleets we support at our new Spring Regatta!

Memphis Lightning Fleet 274 started the year with a surprisingly low water level. However, our opening regatta, the Hernando DeSoto held in May, was a success. We had to maneuver over 17 boats through a muddy launch, but the sailing was exceptional. Thanks to Bill Baxter III, the Regatta Chairman, the regatta went off without a hitch. William Hofmeister of Harbor Island Yacht Club walked away with first place.

For DSA, the summer months proved to be windier than expected. We made use of our good fortune by holding several "for fun" events which have brought our club closer together and have sparked an interest in the new skippers of our organization. In July Brody Sharpe hosted the annual B.S. 4th of July Regatta, and in September we held a Labor Day Regatta. In addition to these holidays, our anonymous Moonlight Committee hosted several Moonlight Sails. On the 10th Anniversary of Elvis Presley's "death," the committee sponsored a sail featuring a cameo appearance by the King himself. DSA also frequently held the International Challenge which is a grudge race among our skippers of international descent. Our reigning international Champion is Frank Bermel. Sergio Acchiardo holds a close second, and Raul Fletes, one of our new skippers, stands in third place.

Our last big event of the year was the Cotton Pickin' Regatta which we host every year at the end of September. Though the winds were not as heavy as we had hoped, we sailed six full races. As always, the race committee, Eleanor Currie and Hugh Teaford, did an excellent job. Cully Ward of Harbor Island Yacht Club placed first. Bill Baxter, Sr. of DSA followed with a close second, and William Hofmeister of Harbor Island Yacht Club came in third. We would like to give a special thanks to Brody Sharpe and Steve Ellis, a local thistle sailor, for running a smooth regatta and to Eleanor and Crit Currie for hosting the delicious cocktail supper Saturday night.

DSA welcomes four new skippers to the club this year. Jim Wolfe bought 13703; Raul Fletes, 2nd Runner-Up International Challenge Champion, bought 13648; Jerry Unger bought 11326; Tim Little bought 13450; and McNeill Ayres bought 14047 which used to belong to Dan Daniels. We are sorry to say that Dan Daniels has retired from Lightning sailing. We wish our new sailors good luck, and we invite you all to come to our club for the Hernando DeSoto Regatta in May and the Cotton Pickin' Regatta in September, 1993.

Temple Reef spirit on Lake Superior.

This season proved to be another prosperous one with good winds and lots of sailing. As hosts of the Canadian Lightning Championship we enjoyed sharing the unpredictable yet challenging Lake Superior with others. Hope to see more of you in years to come. A special thanks to Thunder Bay Yacht Club for their help during the Championships.

Temple Reef spirit expanded with boat numbers, and being runner-up to the largest fleet growth, the Steketee Trophy, was our reward.

A lot of sailing went on this summer. Two of our boats travelled to the North Americans, skippered by Jim Cameron and Mark Sandburg. Our first regatta was part of the Friendship Games, a joint venture between the cities of Thunder Bay and Duluth, MN. Unfortunately there was no competitive Lightning sailors from Duluth. Next was one of the District Championships, held at Falcon Lake, on the Manitoba/Ontario border. Six boats travelled there and results were Jim Cameron, first, Mark Sandburg, second, and Ross Bailey, third. Unfortunately, the Wind Jamboree did not

occur this year, but Temple Reef secretary Innes Martin hosted a regatta at his camp at Squaw Bay on Lake Superior...a promising future party, er I mean regatta. The beginning of August brought the Canadian Opens which provided eventful sailing. New friendships were made and old ones rekindled. As we Northerners never quit, the following weekend was the Loon Lake Regatta. Results were Lou Walsh (of Loon Lake), first, Ross Bailey, second, and Willie Evans, third. Labor Day was once again spent racing to the Bailey's for the Temple Reef Trophy, which was won by Bob Walsh. The next day was the Caribou Race for the Crystal Beach Trophy which was won by Ross Bailey. By this time in the summer we had learned not to let the cold and rainy weather get us down; as long as there was wind. Our racing season ended with the Snowbowl at Surprise Lake, a day of match racing. The winners of the day were Blair Sandburg, Nancy Bailey, Mitchell Sandburg, and Jamie Gracie. Our regular Thursday night racing series was well attended. Winner of the Spring series was Willie Evans, Summer series winner was also Willie Evans, but Ross Bailey won the Fall series which enabled him to take the overall series. Overall was Don Willson, second, and third went to a keen Laura Chocorlan, both regular crew for Ross Bailey.

So ends another season. But with meetings still continuing and fund-raising ideas thought out for the Boat Fund, Lightning sailing is never far from our minds. For, being the competitive racers we are, next year will always be better.

Fleet 283 had another memorable year in 1992. A year long string of events kept everyone occupied from the winter frostbite series through the warm, dry summer sailing and ending with the traditional holiday blessing of the Fleet in the broken rudder ceremony. Even lower than "normal" water levels failed to slow down the racing action.

The three race winter series kept the cobwebs away and gave skippers a warm up for the sailing which began March 29. Darrell Peck wouldn't understand warm up so he went swimming on the first race date (while retrieving his hat). In this years Spring Ritual, Allan Weber (6), John DeBenedetti (8), and Jerry Neuburger (10) made the trip to California for salt water sailing at its' best. At Eugene's Memorial Day Regatta Darrell Peck redeemed himself by finishing second in tough competition.

Returning to home waters in June for the Vancouver Lake Regatta Darrell Peck edged out Phil "Hap" Parshley for first with four first place races. Columbia Fleet sailors filled the top five finishes at this popular race event. The following weekend heralded the return of the Lightnings to Vancouver Lake for the Pacific Northwest District Championship. In strong conditions Columbia Fleet members swept this event: Darrell Peck (1), Phil Parshley (2), and Jerry Neuburger (3). Honorable mention went to Seattle's Alan Hunt for his kamikaze krash at the weather mark.

Independence Day weekend with five Columbia Fleet skippers in the top ten finishes at the Pacific Coast Lightning Championship in Klamath Falls, Oregon, Darrell Peck (2) almost had this one in a tight battle with skippers from the western side of North America. John DeBenedetti (4), Jerry Neuburger (5), Philip Parshley (7), and Allan Weber (8), enjoyed this regatta which featured lightning above as well as on the waters. Later in the month, Darrell Peck (1), and John DeBenedetti (2) traveled to Kitsilano Yacht Club to ride the tide to victory.

In what is becoming an annual return to the Columbia River, fleet members participated in the Small Yacht Sailing Club of Oregon's One Design Regatta. Reported race results were: there was lots of beverage, the hamburgers were bad, and no one knew nor apparently cared who won. Those participating definitely plan to return next year.

September called skippers south for the Harvest Regatta and Moonlight Cruise in Eugene, Oregon. Jerry Neuburger (1), Alan Weber, and Dave Webber made this memorable race/cruise. Strange reports of blind navigators, venetian crooners and secret initiations followed fleet members back from this event.

The final circuit event was the Seattle CYC Regatta in October. Skippers at this event included Darrell Peck (1), Philip Parshley (2) and Jerry Neuburger. Interspersed with our regatta events were a number of tune-up clinics and fleet meetings that end with a rules discussion which invariably reforms your interpretation of the day's rule.

This year has been successful. Our fleet dangled the duck from San Diego Bay to English Bay. On the Northwest circuit we gathered rewards. On local waters our events were enjoyed by all. Can next year be as good? Of course!

Our Fall-In Regatta, held the third weekend in October, was well attended last year, with seventeen boats registered. The competition was keen, as the best finish by a "local" was *Entropy's* third place.

Because our fleet continues to grow, we plan to offer some training sessions for tuning, crewing and racing. Our racing program has also expanded, with seven or eight active participants for Sunday afternoon races. We are looking forward to the most active season ever for Fleet 303, with at least six skippers planning to travel to regattas.

Since this will be the twentieth anniversary for our Fall-In regatta, we hope to have another good turnout. Come join us at Cowan, October 16-17, this year. We promise to make the occasion a special one.

14218	.....	Chuck Harker
14265	.....	Ted & Dr. James V. Ganley, Jr.
14363	.....	Walter Pletcher

The 1992 sailing season saw a couple of new faces place in the money, as well as seeing some familiar names. Al Mast again needed his truck to cart home his take of silver from the annual awards banquet. He won both the Early and Late Series as well as three of the four individual trophies: Walbert Cup, Buss Neff Cup and the Skippers Cup.

Doctors Jim and Ted Ganley sailed to second place in the Early Series followed by Jack Gregg in third. Tom Hopkins and Walt Pletcher placed second and third in the Late Series, respectively.

The Summer Bay Race was won by Jack Gregg followed by Jim Douglass. Jim Hopkins won the closely fought Fall Bay Race with Ted Ganley and Al Mast finishing second and third, with the rest of the fleet in hot pursuit.

Tom Hopkins also took the Commodore's Trophy with consistent racing in the second half of the Late Series. And let's not forget the dreaded Butt Award. Walt Pletcher received the most sought after award for the second year in a row. This year, he showed us how clean the bottom of his boat was, TWICE! (Seems that he keeps forgetting that these "small" boats don't have weighted keels).

Fleet 314 also hosted its sometimes bi-annual / sometimes Olympic year

Invitational Regatta. Once again, outsider Mark Schneider took first place honors, with locals Ted Ganley in second and Al Mast in third. Maybe next time we'll forget to "invite" Mark.

This year also saw the passing of one of our own. Dr. James "Doc Jim" Ganley this fall. He is remembered, among other things, as a friend, a father, a teacher, and a sailor. Some of our last memories are of Jim out on the water this summer racing alongside his family. Our Summers just won't be the same.

*Fleet 325 Champion and Crew with Fleet Captain Dave Racine.*

**REHOBOTH BAY SAILING ASSOCIATION (325)**

14156	Rebecca	Christopher Raubacher
Life Member	.....	Jacob Zimmerman

The 1992 season got off to a bang in June with the hosting of the forty-fourth annual Dixie District Championship and the twenty sixth annual Delaware Governors Cup, these two events were combined in 1992 to encourage attendance. The turn out was up, at 22 boats, the best showing in four years. The sailing was very competitive with the top four boats fighting it out for the top spot right up to the last leg of the final race. Fred Mertes of Rehoboth and Annapolis (with crew of Carol Mertes-Smith and Bucky Buchanan) was first, Howard Edson of Sassafras second, Bob Wardwell of Richmond third, Don Delorme of Annapolis fourth, and Jim Richards of Richmond fifth. RBSA sailors: Chris Raubacher was 10th, Pam Racine 21st and Bob Buzbee 22nd.

RBSA also hosted the Woman's District Regatta in July, five boats competed, Pam Racine with team of Dave Racine and Turtle Marshall taking first, Chris Dillard was second and Dianne Sullivan third.

The next event was the hosting of the "Yachting" portion of the First

*Dr. James Ganley (center) surrounded by friends and crew at the Dixie District Regatta, 1992.*

State Games. This event was sailed in Lightnings with RBSA sailors Bernie Hedges taking the silver and Pam Racine the gold.

In August of each year RBSA hosts the Club's 25th Anniversary Regatta. This event is held each year to celebrate RBSA's birthday and it's involvement with Lightning Class sailing. This was the fifth year for this regatta and RBSA's Fred Mertes and crew of Carol and Gary Smith were first with Bernie Hedges second.

The final 1992 event for Lightning Fleet 325 was the hosting of the Robert Purnell Memorial Regatta. This regatta named for former fleet member and winner of the first Dixie District Championship in 1949. Twelve boats competed with RBSA sailors Bernie Hedges taking 12th, Pam Racine fourth and Fred Mertes in first for the fifth time in as many years. Second place went to Phil Grotheer of Beltsville, Maryland and third to Mike Denning of Annapolis. This event also marked the change of the guard for Fleet 325, the new officers for the fleet will be selected over the winter months along with a lot of planning to make 1993 the start of a five year rebuilding effort. The old boat has a few leaks, but nothing that can't be fixed.

The Fleet Championship was determined by counting the four regattas held at RBSA, Fred Mertes was 1st, Bernie Hedges 2nd and Chris Raubacher 3rd. Bernie finally got past third — congratulations!!

See you on the water in 1993.

.....	.....	William (Bucky) Buchanan
Life Member	.....	William H. Buckley

Fleet 329 began 1992 with our traditional fleet meeting/Super Bowl Party. There was plenty of food, good cheer and warm company. And, there was something to cheer about — the home team Redskins won the Super Bowl!!!!

The 1992 season saw the continued changing of the guard with increasing participation and threats from the younger sailors, a more limited, but still menacing presence from the veterans, and a reluctant post on the sidelines for some of the old salts. There was an average of ten boats on the line for each of our five local events and 21 boats for the Frigid Digit.

The 1992 Fleet 329 sailing season opened with ten boats racing in the CBYRA Olympic Regatta, sailed from SSA. Bob Wardwell of Richmond took first place honors, followed by Fleet 329 racers, Fred Mertes and Phil Grotheer in second and third, respectively. At the SSA Spring Regatta, Joe Frieble continued to show that he still is a force to be reckoned with when he topped the fleet of 12 boats. Chris Raubacher and Fred Mertes of Rehoboth followed in second and third places. Doug Heussler managed to come down from the skies and stay on the water long enough to take first place at the SSA Annual Regatta in his only Lightning appearance on the SSA starting line this year. In the 12 boat fleet, Fred Mertes took second place; Phil Grotheer took third place. The annual Women's Dixie District was sailed at Rehoboth with stiff competition provided from Fleet 329's Kathy Cox and Robin Turner sailing with Christy Dillard, and by the 329 Team of Dianne Sullivan and MaryAnna Portner. The Dillard/Coxe/Turner team travelled to foreign lands, i.e., the Buffalo Canoe Club in Ontario, Canada, to compete admirably with the women "rock" stars in the 1992 Women's North Americans. Phil Grotheer also travelled with Mike Beaver to this foreign land for the 1992 North Americans.

The extremely windy SSA Fall Regatta saw only four out of ten boats survive to complete the two races of the one-day event. Fred Mertes convincingly won with two first place finishes, followed by Phil Grotheer's solid second place showing, with Mike Denning in third, and Jim Bielefeld in fourth. Seven boats participated in the Maryland Governor's Cup Regatta on Labor Day weekend with the top three places held by Fred Mertes, Ron Grotheer, and Joe Frieble. Twenty-one boats braved the cold and windy storm front to drive to, and sail in, the annual Frigid Digit. While the trophy positions were captured by out-of-towners, Keith Taboada, David Starck and Bram Palm (with local crew, Robin Turner), locals Phil Grotheer and Fred Mertes provided a strong showing for eighth and ninth places, respectively.

While, in most cases, only the names of the winning skippers have been listed, this is a team sport. Since those skippers surely appreciate that they could not have done well without the nameless crews, we salute the crews for a job well done!!! A number of other young competitors, Dave Perry, Eric Olsen, Rick Paullin, Dianne Sullivan, and Pat & Jackie Hasson, as well as other veterans, Coxe Team (Simeon & Kathy) and Delorme Team (Don & Wanda, and often Jamie Green) made the competition challenging. In the end, fleet champion honors were captured by Fred Mertes with crew Bucky Buchanan. We look forward to a new season — competition should be even more intense now that Simeon & Kathy Cox and Phil Grotheer each have new self-rescuing boats. Watch out Fred!!! So join us for good sailing on the Chesapeake Bay.

Finally, we note our sadness at the loss of our friend, Doc Gilbert. His love for the sport of competitive Lightning racing will live on in our fond memories and Doc stories. Doc, we will miss you.

## SQUAM LAKE LIGHTNING FLEET (332)

### New England District

#### Sailing on Big Squam Lake at Holderness, New Hampshire

Fleet Captain ..... Dan Kemp  
Fleet Secretary ..... Theodore Burr  
Fleet Champion ..... Martin J. Riehs  
Runner-Up ..... Mark Waks

Boat No.	Boat Name	Skipper
10320	Mountain Thyme	A. Daniel Kemp
10555	Jumbo	Dwight Gertz
10724	Loon A Sea	Martin J. Riehs
10732	Go Moshun	David D. Closson

12859	.....	Jack Russell
13101	Super Shuttle	Robert Ayotte
13382	Sea Stooges	Mark A. Waks
14111	Intrepid	Theodore Burr

With membership at an all-time high for recent years, the fleet gathered at the spring business meeting to plan a nine-weekend sailing season. This

year we would have two separate series, one in July and one in August, each with an individual championship, with the overall fleet championship going to the boat with the best combined score for the season.

The July series offered a variety of weather conditions, including a ferocious lightning storm that left the fleet huddled on a distant shore after the first race. Marty Riehs and his Hawaiian-shirted family crew dominated the racing, and claimed the newly established Richardson Blair Award. Named for fleet founder and long-time friend Dick Blair, the Blair Award will be given each year to the top finisher in the July season. At the end of the July series, the fleet gathered at Jack and Betty Russell's lakeside house to celebrate and present awards.

Once again, the fleet sponsored the "Around the Lake Race". This race is open to sailing craft of all kinds, and the entry fees are donated to the Loon Preservation Committee of the New Hampshire Audubon Society. Jack Russell organized the race and Marty Riehs hosted the event at the Squam Lakes Sailing Center. With the race scored under the Portsmouth handicap, Dwight Gertz narrowly beat Marty Riehs to win the racing sailboat division, and receive the Custance Cup as the first Lightning in the race. Sailboarder Brian Whatley beat brother Chris's Laser to take a first in uncorrected and corrected time and first in the recreational sailboat division.

The Annual Squam Regatta was held on August 22 and 23 with a strong off-the-lake turnout. Boats arrived from Maine, New Hampshire, Massachusetts and Vermont. John and Judy Ingeroski served as tough and efficient race committee. Marty Riehs made his Olde Colonial Eagle Motel and Squam Lakes Sailing Center available for boat launching, overnight stoage, and pre- and post-race activities, while Susan Kemp and Laura Livingston provided post-race refreshments. Winds were light, but competition heavy. Continuing an all-too-familiar pattern, our southern New Hampshire neighbors dominated the racing, with Moe L'Heureux taking first place, and Ken Deyett, George Deyett, John Hughes, and Norm Deyett taking places two through five.

Labor Day weekend arrived with the August Series Championship, the Closson Cup, and the overall Fleet Championship to be decided. Dwight Gertz had a strong finish to become August Series Champion. Dave Closson claimed the Closson Cup as top finisher in the last three races of the season. Marty Riehs continued his winning ways to become the overall Fleet Champion. New skipper Mark Waks continued his remarkably consistent pattern of fast sailing to finish as Runner-Up. Overall third, fourth, and fifth places went to Dave Closson, Dwight Gertz, and Wally Ackley respectively.

To cap the season, the fleet gathered for the traditional year-end party at Wally and Chick Ackley's hilltop house. It was a wonderful party, with a pot-luck supper and the presentation of awards. Most important, the fleet elected a new Fleet Captain, Jack Russell.

The fleet thanks the many loyal crew members who made our sailing possible. We are especially grateful to those friends like John Bennett who are willing to serve as race committee so the rest of us can sail. We especially thank Ken and Irene Fauser, our "Samurai Race Committee", who kept us sailing week after week, in sunshine and rain.

### **BARNEGAT LIGHT YACHT CLUB (335) LIGHTNING FLEET Central Atlantic District Sailing at Harvey Cedars, New Jersey**

### **GALWAY LAKE LIGHTNING FLEET (338) Central New York District Sailing on Galway Lake at Galway, New York**

Fleet Captain ..... Jim Dickson  
Fleet Secretary ..... James Millard  
Fleet Champion ..... Jim Millard  
Runner-Up ..... John Korkosz

<b>Boat No.</b>	<b>Boat Name</b>	<b>Skipper</b>
7123	Rocky	Harold B. Hansen
11519	.....	Dale H. Brown
12115	.....	James Dickson
12130	.....	John Korkosz
12636	.....	Dale H. Brown
13655	Huggie	R. James Millard

In his second year after moving up from a Snipe to a Lightning, John Korkosz swept the July 4th Series.

John and Jim Millard battled back and forth all year for the lead in the regular season series. It wasn't decided until the final weekend when, despite losing Nell over the side briefly, Jim was able to come back and take the trophy.

Dale Brown struggled through the first half of the year trying to make his new boat go, but then beat both the leaders during the last two weekends.

We hope that Jim Dickson and Ken Buhrmaster will return from illness and injury to put the heat on all of us next year.

Boat No.	Boat Name	Skipper
13477	White Shadow	Robert Bazett
13511	.....	Neil MacGibbon

The local 1992 sailing season drew to an early close for Fleet 368 due to the low water levels of Okanagan Lake. This prevented boats from being launched at our sailing facility after the beginning of September.

Participation within the fleet was down this year, likely due to the inconsistent winds which plagued us for much of the 1991 and 1992 seasons. However, unlike the 1991 sailing season, we did manage to get in enough Tuesday night races to determine a fleet champion for 1992. In addition to our regular club races, fleet members attended the Pacific North-west Districts in Portland, Oregon, as well as regular circuit regattas in Vancouver, B.C. and Seattle, Washington — unfortunately, no hardware was brought home.

We wish to welcome two keen new Lightning sailors to our fleet. These new members managed to locate and purchase boats late in the 1992 sailing season and we now look forward to their presence on the race course next season. In addition, it is hoped that this infusion of new blood, marks the beginning of renewed interest in the class locally, and results in an active and growing fleet. However, as always seems to be the case, the scarcity of available good used boats makes it a challenge to match interested sailors with a suitable boat.

Going in to the winter of 1992/93 the members of Fleet 368 are hoping for lots of snow in the mountains to provide us with a great ski season, but also to provide us with sufficient spring run-off to fill our lake for a full season of sailing activities in 1993!

14294	Shabumi	William Davidson
14444	Ace Kicker	Ronald W. Wilson
14468	2C3S	Terrell L. Kleiman

Fleet 387 of the Lansing Sailing Club, sailing on Lake Lansing at Haslett,

Michigan, began their 1992 sailing season on May 10th and closed out the activities on October 11th.

Dennis Dudley began the season by winning the first two races. Our 1991 Fleet Champion Ron Wilson won several races, but Terry Kleiman was most consistent throughout the season. Having a regular crew paid off for these three boats.

Lansing Sailing Club has a new Fleet Champion for 1992. Terry and Mary Kleiman aboard 2C3S (14468) with Alan Becke, sometimes with Mike Moody, sailed 28 races. We score the top 20 races...Terry, as skipper, claimed eleven first and nine second place finishes to edge out the Dudley crew in several closely contested races.

Dennis Dudley and his *Do-Rite* (12888) crew of Ken Zielinski and Jim Crain, later with Blaine Severin, *Did-It-Rite* most of the time to claim the "runner-up" position. They sailed 31 races out of a possible 40 races, with eight first place and 12 second place finishes.

In third place, our Fleet Captain, Ron Wilson, with wife Bonnie and with regular crew Gil Chesbro, had *Ace Kicker* (14444) moving quite well to get ten first place finishes, one second and four thirds.

The *Fubar* (14267) autumn crew of Larry Foster, Daniel Bazin (A Fireball sailor from France, in U.S.A. for a nuclear physics research project at Michigan State University) and Kathy Walden, sometimes Paul Caterino, placed fourth in the fleet standings. This crew had eight good Sunday races in September and October...the two firsts on October 11th helped *Fubar* vault from sixth overall to fourth for the season.

The fifth place trophy went to Gil Chesbro, skippering *Ace Kicker* with owners, Ron and Bonnie Wilson as his crew. (at Lansing Sailing Club, to qualify for the season end trophies each skipper must sail at least 14 races. Ron sailed 18 races and Gil skippered 14 races. This is probably a first for the Lansing Sailing Club...one boat with two skippers...and both qualify.)

John Biernbaum, sailing his *Minwahsin* (14024), was the recipient of the "2nd Annual Fubar Old Fart" award. John had fourth place, more or less, all wrapped up...but did not sail the two October 11th races and fell to sixth place for the season.

New to the Lightning fleet, John Fishbeck with daughter, Jennifer sometimes Jane Wagner, had *SPS* (13344) sail in 21 races and took seventh place. Keep an eye on John in 1993.

The Graves brothers, Jim and Page with Lisa and Amy, enjoyed their second year of sailing aboard *Dead Ahead* (11394). Their father, David, crewed with them a number of times for their eighth place standings.

Also in his second year of sailing, Greg Veltema and son, Jack, aboard *Courageous* (10165) displayed a lot of enthusiasm for the sport to take ninth place.

Closing out the top ten, Jim Gee with son, Chris, and Michael Zack participated in 16 races. (His wooden Lightning was built in the Netherlands.)

Five visitor boats came to Lansing Sailing Club's Lightning Regatta June 6th and 7th. Mark Whatley of Pontiac Yacht Club edged out Colin Park of Bay City by one point. Terry Kleiman was the top local skipper and won the "Ye Olde Silver Platter".

Dennis Dudley and Terry Kleiman with their crews participated at the Higgins Lake Boat Club Regatta in early August. *Fubar* ventured over to the Macatawa Yacht Club, Pontiac Yacht Club and Gull Lake Yacht Club regattas.

Lansing Sailing Club will celebrate their 30th anniversary in 1993. Join us for our 28th annual Lightning Regatta, June 5th and 6th.

Lansing Fleet 387 heading for the windward mark.

Killyleagh Lightning Fleet is based at Killyleagh Yacht Club, on the shores of Strangford Lough, a very beautiful tidal area which is fed by the Irish Sea. We have a fleet of nine boats racing regularly, with another six which are "out of commission" for the moment. Our sailing season lasts from the beginning of May through to the end of September. Although we do not suffer extremes of climate in this part of the world, the weather is anything but predictable. This year, during the first half of the season we had very little wind and, in the second half, we were nearly blown out of the water!

This year we managed to extend our season through to the end of October. Each Saturday throughout the month we held three or four short races. As these were not for any series, they were treated as practice sessions, or simply fun! We tried sailing each others boats, with less than predictable results, and attempted a few "gate starts" which proved interesting, to say the least!

Two seasons ago, three of our fleet members decided to import a two year old fibre glass boat from the U.S.A. Its arrival was awaited with great interest. When she did arrive, we soon realized how far technology has advanced in the Lightning class. Many of the things taken for granted in most fleets were innovations to us. We have adapted some of them to suit our older boats and sailing conditions.

With the exception of this one recent addition, all the boats are of wooden construction, and, as many of the hulls are quite elderly, much work had to be carried out during the winter to try to improve their condition. Some of the original boats were of "planked & caulked" construction, causing more than a few headaches for those crewmen entrusted with the bailing bucket (an essential piece of equipment!). These boats were stripped, and the joints splined. The hulls were then coated in epoxy resin, in an attempt to prevent the boats becoming waterlogged and too heavy. This seems to have been quite successful. In addition to this work we have introduced aluminum masts (most of the boats in the fleet had timber masts), and are starting to import sails from the U.S.A.

In a further attempt to keep the boats light, the fleet tried out "dry sailing" this year for the first time. Thanks must go to David Brown and William McCloy who finished most racing nights up to their necks in water, helping to retrieve the boats!

We are proud to say that there has been a Lightning Class sailing at Killyleagh Yacht Club since 1944. Not only does the present fleet contain some of the earliest boats built, but several second and third generation Lightning sailors — descendants of our founding members.

This year, we tried the introduction of the principle of "gold" and "silver" fleets to encourage those with older boats or less experience. Its not certain how successful this experiment was and it has been dropped for next season. However, following the arrival of the first fibre glass boat in the

fleet, we are anxious that those members who own the older, and heavier boats are not left behind. Any experiences from other fleets who have successfully overcome this problem would be most welcome. We are also keen to make contact with any Lightning sailors still racing wooden boats — any tips that might keep us competitive would be great!

One of the highlights of our 1992 season was the visit of Joe and Ann Dissette, reported in the September issue of *Flashes*. They were both very welcome and proved to be great ambassadors! Joe brought much welcome experience of current competitive racing tactics and some tuning tips.

We are looking forward to the 1993 season with hopes that our numbers will continue to grow. A meeting was held recently to try to encourage those non-participating members to relaunch their boats next year. We are compiling a history of Lightning sailing in Killyleagh, and are confident that we will be able to celebrate our 50th Anniversary in 1994 with a membership that is stronger than ever.

14157	.....	Richard Stott
14339	.....	Tim Rumph
14560	Relentless	Richard Warren
.....	.....	Michael Irving

Fleet 431 sailing out of Southampton Yacht Club is the most easterly Lightning Fleet on Long Island. Shinnecock Bay provides excellent race

conditions for Lightnings, with steady southwesterly breezes off the Atlantic ocean.

Fleet 431 started the sailing season with the annual flag-raising ceremony on May 30th. Throughout most of the season, seven to eight made it to the starting line for the Saturday Championship Series, with eight to nine boats participating in the Wednesday Night Special Series. The usual group of enthusiastic sailors kept the sailing competitive and exciting throughout the summer. Following the Wednesday Night races, a pot-luck dinner was served at the clubhouse, giving all a chance to compare notes on that evening's race.

Timothy Rumph, sailing *Seahorse* (14339), demonstrated his sailing skills throughout the 1992 season, taking first place for the Saturday Championship Series. John Halsey, in *Windy Too* (10071), kept Tim and the rest of the fleet on our toes, and took the runner-up sport. During the Wednesday Night Series, the fleet chased but never managed to catch John Halsey, where he took first place with his consistent sailing. Tim Rumph took the runner-up position. The Early Season Trophy was won by Richard Warren (14560) and the Late Season Trophy by Bruce Hendry (12480).

Two new Lightning skippers joined Southampton Yacht Club this season: John Lewandowski (14551) and James Hull (14132). While John had an unfortunate early season mishap at Cedar Point, his perseverance and enthusiasm throughout the season has shown that he will be a force to be reckoned with in 1993. For his efforts, John won the Time Allowance Trophy for 1992.

Jim Hull got a late start during the 1992 season, however, he has shown interest and promise for 1993. He also purchased a Laser, and has been frothing with a group of sailors at Southampton Yacht Club, honing his skills. It is expected that Jim will also be mixing it up with the rest of the fleet next summer.

Southampton Yacht Club hosted two invitational regattas: the Southampton Spring Regatta (June 13-14) and the Fall Classic (October 3-4). While we had a small turnout for the Spring Regatta (thirteen boats), the Fall Classic had twenty-three boats, and a lot of excitement. While sunny, the first day of racing brought 30 knot winds, swamped boats and a broken boom. With the racing canceled, the barbecue started early, the taps flowed, and everyone waited for dark, when Tim Rumph lit the Indian Clam Roast (a tradition at SYC not to be missed!). The second day brought lighter breezes, stiff competition and a lot of fun.

One of the highlights of the Fall Classic came from Scott Dobriner (SYC's official "Brewmeister"), who provided a special libation for all to enjoy — the Fall Classic Lager.

The Southampton Yacht Club Junior Sailing Program continued to expand during 1992, with much of the credit going to Ellen Irving and Betsy Culeman, Co-Chairs for this committee. With approximately forty youngsters learning to sail in Optimists, Sunfish and Bluejays. As they get older we hope to have a growing Lightning fleet in the coming years.

If you can add Southampton Yacht Club Spring or Fall Regatta to your list of places to go, I am sure you will be glad you did! Those who have experienced Shinnecock Bay and the quiet charm of SYC return again and again. We hope to see you in 1993.

## RUSH CREEK YACHT CLUB (435)

### Texas District

#### Sailing on Lake Ray Hubbard at Dallas, Texas

Fleet Captain ..... Kurt Schuler  
Fleet Secretary ..... Elizabeth Harvener  
Fleet Champion ..... Sylvan Newman  
Runner-Up ..... Kurt Schuler

Boat No.	Boat Name	Skipper
10014	.....	Paul Harvener
10190	.....	Patricia A. Manning
11046	Andros Dos	Vernon R. Goldberg
12500	Calico Cat	Arthur M. Wilson
13228	.....	Vernon R. Goldberg
13622	.....	Glenn Darden
13691	Rage	George R. Hatfield
13806	Making Hay	George R. Hatfield
13831	Flashdance	Richard C. Guinan, Jr.
13953	.....	Kurt Schuler
14428	.....	Warren Lewis
.....	.....	Craig Anderson
Life Member	.....	John Schneider

The sailing season had a great March start with four Sundays of great

winds (not too much) and no rain. The April Shreveport Holiday In Dixie Regatta was a fair fight: three Texas boats and three Louisiana boats with the final standings being settled with a third party protest, and the oddest protest committee decision. Kurt Schuler won, followed by Larry Frost, III and Joe Hunt.

The multi-class May Spring DinghyFest was hosted by our fleet and attended by eleven Lightnings. The weekend was a blowout with over half the fleet staying ashore. Steve Harris, of Conroe Yacht Club, won the regatta, Sylvan Newman second, and Vernon Goldberg third. Wayne Catoe from White Rock flipped and lost his mast. Robert Mitchell, found that an 8,000 series hull does oil-can in 20+ puffs. Paul Harvener enjoyed a long downwind sail when his forestay broke. John Waskom luckily had their anchor on-board when their rudder failed.

In June, the Districts were held at White Rock for the first time in 20 years. The weather was typical June, light, then lighter, then non-existent, then re-building, with a 100+ degree shift. Sylvan Newman's 3rd place was the best RCYC finish.

RCYC's team of Jennifer Eldredge, Liz Harvener, and Deanna Gronke won the Adams Cup Texas qualifiers at White Rock. Jennifer, Richard Guinan's stalwart crew, enjoyed helming so much that she quickly bought a Lightning. The ladies, unfortunately, were eliminated in the Area F qualifiers.

July and August brought hot weather, little racing, and one spectacular regatta, the Fall Dinghyfest. Seven RCYC members, plus visitors John Waskom, Joe Hunt, James Stewid and Steve Harris made up the 11 boat fleet. The regatta's short courses are a lot more fun, and a lot less follow-the-leader racing. Warren Lewis dominated the eight race regatta with four firsts, two seconds, a fourth, and a third with 10 total points. Steve Harris finished 2.5 points behind the Sylvan Newman third, followed by Joe Hunt of Shreveport in fourth.

The fall month's moderate temperatures made possible a lot of nice Sunday afternoon races, and some road trips. The Conroe regatta was attended by Kurt Schuler, Paul Harvener and Jenny Eldredge. Paul Harvener, Craig Anderson and Jenny Eldredge made the trip across town to the White Rock State Fair Regatta. Bill Draheim, a local sailmaker, attended the Bluenose. The last racing Sunday, November 15th, was a spectacular day with temperatures in the 70s and winds at 10 to 15 mph from the south.

Series standings — Spring: Sylvan Newman first, Kurt Schuler second and Vernon Goldberg third. Summer: Warren Lewis first, Sylvan Newman second, Kurt Schuler third. Fall series: Kurt Schuler first, Warren Lewis 2nd, Jenny Eldredge third.

## PALMETTO LIGHTNING FLEET (440)

### Southeastern District

#### Sailing on Lake Murray at Columbia, South Carolina

Fleet Captain/Secretary . Edward M. Colie, III

## FOND DU LAC LIGHTNING FLEET (442)

### Midwest District

#### Sailing on Lake Winnebago at Fond du Lac, Wisconsin

Fleet Captain ..... Gary Zink  
Fleet Secretary ..... Mike Elmergreen  
Fleet Champion ..... "Big" Sue Dorscheid  
Runner-Up ..... Gary Zink

Boat No.	Boat Name	Skipper
13280	Fan-T-Sea	Tom Drews
13580	Splurge	Jeffrey P. Johnson & Jim Kalmbacher
13617	Escape	Mike Elmergreen & Sue Dorscheid

Even though it was our coldest summer since records were kept, the '92

Gary Zink at the Lighthouse Regatta.

season was a pretty good year for racing and cruising. The year started with the annual Lighthouse Regatta. The weather cooperated for the 16 competitors that showed up from around the district. Paul Wurtzebach finished first in two of the five races and won the regatta by 6 points. His crew from Chicago were Bob Seigal and Karen Johnson. In second was another famous Windy City sailor, Mike Huffman, with his crew, Meg Huffman and Jim Blair. From Sheboygan, in third place was Rick Larson with his crew, Mary Reid and Peter Orlebeke. Bill Faude edged out his new boss, Tryg Jacobson, on a tie breaker for fourth and fifth place. Bill had his rock star crew of Jared Drake and Rob Hamill while Tryg had brat squad crew members Dave Coulter and Sue Dorscheid.

The highlight of the regatta was young Dean Cady giving lessons in veterinary medicine with Paul Wurtzebach's dog. We welcome everyone back for the regatta next year for more thrills and spills. We are sad to report that Ed Malone, our famous race committee chairperson is retiring after this year.

The Tuesday night series had the most races completed ever in a single season. Of the fifteen scheduled races, only one had to be cancelled. In our mixed Portsmouth fleet, Lightnings did extremely well. The two fiberglass boats took first and second while 359, sailed by Pete Chisholm was fifth. Big Sue edged out Gary Zink for the top honor with an E-scow in third and a 470 in fourth.

The annual cruise to Oshkosh was attended by one boat this year. Mike and Sue with another couple set a record pace with a power reach spinnaker ride all the way in brisk south winds. About four miles into the beat back on Sunday, the south breeze was even stronger. With about fifteen miles to go, the main was dropped, and we enjoyed a power reach back to the dock on just the jib! It's a good thing that Lightnings are so easy to trailer.

We are still trying to generate interest in the class in our area. We have a new Lightning in our area, Phil Kerch in 8999. To the cause, we remain eternally optimistic!

### SAN PABLO FLEET (447)

#### Ecuador District

#### Sailing on Lago San Pablo at Quito, Ecuador

#### Italian District

Fleet Captain ..... Giovanni Pellegrino  
Fleet Secretary ..... Giuseppe Valenti  
Fleet Champion ..... Mario Noto  
Runner-Ups ..... All Skippers of Fleet

Boat No.	Boat Name	Skipper
12027	Wanted I	Giovanni Pellegrino (Life)
12537	Luktor	Ranieri Gambina
13345	Trepepe	Giuseppe Valenti
13349	Ho! Hell	Vito Pernice
13402	Rainbow	Antonio Marino
13478	Dove Vai	Stefano Reina
13481	Wanted III	Guisepe Alagna, Antonio Rallo, Mario Ruggeri & Vito Tripoli
13557	Americaff	Mario Ottovaggio
13706	Lily Bay Tan	Vito Tripoli
14102	.....	Roberto Crucitti
14361	.....	Mario Noto

During the season our fleet carried out an intense activity to prepare for the Italian, European and World Youth Championships. The most important success has been the victory at the European Championship in Finland on Kuopio's lake, our Fleet Champion Mario Noto and crew Francesco Parrinello and Spano Fabio. Completing the success of our fleet, in the third position was Vito Tripoli with crew Prinzivalli and Di Benedetto. In the Italian Championship which was at Anzio near Rome, we have obtained the second position with Valenti, Puletto and Paxia; and the third position with Pernice, Fornich, Lima. Giammarco Tramati, Salvatore Montalto, Pasquale Prinzivalli participated in the World Youth Championship in Chile. They have obtained only the seventh position.

Our fleet will conclude the season with the Winter Championship at Marsala, 28-31 December 1992. The clubs that help us to do this intense activity are: Circolo Velico Marsala and Societa, Canottieri Marsala.

Crew Valenti-Poxie-Puletto during the Italian District Championship.

13562	Amanda	Hannu Hanskala
14018	.....	Pasi Hannila
14179	Tinto	Tuomo Kauhanen
14271	.....	Hannu Hurskainen
14274	Annie Hall	Leo & Rainer Korhonen
14331	Galateia	Pentti Laitinen
14406	Amarillo	Pertti Pyy
14430	Asterix	Hartti Nisonen
14494	.....	Juha Hamalainen
14533	Snow White	Antero Punttila

The year 1992 was very successful for our fleet. We had three boats among the first ten at the European Championships and the top two at the Finland District Championships.

At the very top this year in Finland was Pertti Pyy, who won the Finnish Championships in Kuopio with his daughters Leena and Maija. Also they were the best boat from our district when they finished fifth at the European Championships, which were held together with our nationals in Kuopio. Congratulations!

During the Europeans and the nationals in Kuopio, the wind was stable and the weather was fine even if we had some hard rain. The events were very well organised, and we remember the nice evenings we spent at the club house. Our fleet was the biggest fleet in Kuopio: seven boats from Lake Tuusulanjarvi were there and Pertti Pyy's success was followed by others. For example, Rainer Korhonen, Leo Korhonen and Kari Salenius finished sixth at the Europeans and second at the Finnish Championships; they ensured our fleet's double win at the nationals. Jaakko Herttua, Niko Lappalainen and Pasi Hannila took fourth at the nationals and tenth at the Europeans.

The annual series of eight "ranking" competitions in Finland lasted from May to September. All the events were organized by different sailing clubs, at the sea and at several lakes. Tuusulanjarvi Lightning Fleet showed its guts again: Rainer Korhonen, Leo Korhonen and Kari Salenius had captured the first place before the last race called "Autumn Competition" that was held at our lake.

The final of the Tuusulanjarvi Cup match racing was held at the end of October in sunshine and smooth southern wind between two members of our fleet: Jaakko Herttua challenged the Cup defender Pertti Pyy.

According to our rules, the Cup winner is the one who first gains two victories over the other. The race was extremely exciting. Even though Jaakko Herttua, Pasi Hannila and Niko Lappalainen were victorious after only two races, the winner was not decided until the finish line. The boats were fighting very aggressively against each other all the time, because the distance between them was only some boat lengths.

Even if we had a lot of success in competitions, our own Tuesday Race Series was quite quiet last summer. Only a few of our boats gathered at our lake on Tuesday evenings while most of the Lightnings stayed at the beach. Hopefully we'll see more boats sailing on Tuesdays next summer.

Also during the Tuusulanjarvi Fleet Championships in July we had only a few boats participating. But the races were exciting. The competition was extremely hard between Rainer Korhonen and Antero Punttila and the winner wasn't decided before the last race.

On the whole, last season proved to be one of the best for our fleet. Now, late October, when I am writing this report, the sailing season is over for the winter. But the year is not finished yet: before Christmas our fleet will have a traditional dinner and celebration party. According to the Finnish tradition, we call it "Little Christmas". However, this year our meal won't be Finnish but Swiss raclette with fine white wine...

More good news: a new boat joined our fleet last summer. We are pleased to welcome, Olli, Ville, Antti and Martti Lahtinen as new members of our fleet.

We're looking forward to another successful year in 1993.

## NORTH FLORIDA LIGHTNING FLEET (461)

### Florida District

#### Sailing on Lake Eustis near Orlando, Florida

Fleet Secretary ..... Fisk Hayden

Boat No.	Boat Name	Skipper
11138	.....	Fisk Hayden
11205	.....	Michael J. Tighe
13970	Shazam	Steve Hayden

Fleet 461 did not enjoy fleet racing this year as it has in the past. Steve and Fisk Hayden did participate in most of the Florida District events as well as the Atlanta Cup Regatta and the Southern Circuit. Steve represented our fleet at the North Americans in Buffalo and won the Presidents' Cup. There is a rumor that Fisk has finally gotten himself organized and is planning to attend the Masters and N.A.'s in Milwaukee, along with Steve, this August. Fleet racing is being planned for 1993. The future is bright.

## GUARAPIRANGA LAKE LIGHTNING FLEET (462)

### Brazil District

#### Sailing on Lake Guarapiranga, Sao Paulo, Brazil

Fleet Captain ..... Per Olov Hornell  
Fleet Secretary ..... Ingrid Hornell

Boat No.	Boat Name	Skipper
6558	GTX	Jens C. Ruschmann
11693	Easy Rider	George Rider
12513	Abuelo	Per Olov Hornell
12526	Gringo VII	Alberto M. Torres & Hugo Barrosa Uelze
12657	.....	Manfred Kaufmann, Jr.
13405	Waikiki	Claus Bromberg
13406	Meia Noite VI	Bruno Ruthenburg
14101	.....	Michael Anthony Norris & Mario Buckup
14071	Xamego II	Nelson Small Schmitt
14168	Flying Cloud	Jens C. Ruschmann
14170	Gatao	Juan Jose Ramos De La Fuente
14329	.....	James Sumner
14335	.....	Luciero Cesar Grassano Borges
14353	.....	Nelson Small Schmitt
14504	.....	Nelson Small Schmitt

Exciting year for our fleet with Districts 400 kms away, qualifiers for the '93 Worlds 700 kms away, plus 15 weekend regattas in Sao Paulo to keep us sailing hard.

Michael Norris, with wife Christina and Tom Kirsten placed an excellent third in the Brazilian Championships held in Rio de Janeiro by Fleet 401.

Claus Bromberg took the best honors in our State Championship placing sixth overall in a tie breaker with Michael Norris — 7th.

The most disputed Championship was our South Central Championship held in Florianopolis for qualifiers for the Worlds in Ilhabela. This championship had a weight of fifty percent on points for the Worlds. Again, Michael and Christina Norris and Tom Kirsten sailed splendidly taking a third overall. George Rider, John Jansen, and Andre Schiez with the *Easy Rider* placed sixth. Per Olov Hornell, Andrea Ruschman and Leonidas do Valle with the *Abuelo* finished seventh overall.

## LAKE WACCAMAW LIGHTNING FLEET (463)

### Southeastern District

*Mallasvesi Regatta, July 4-5, 1992, Valkeakoski, Finland.*

**VALKEAKOSKI LIGHTNING FLEET (468)  
Finland District  
Sailing on Lakes Mallavesi and Vanajavesi,  
Valkeakoski, Finland**

Fleet Captain ..... Aimo Jokiniemi  
Fleet Secretary ..... Pertti Jalonen

Boat No.	Boat Name	Skipper
12481	Tempus Fugit	Juha Sarlin
13760	Sea Horse III	Pertti Jalonen
14352	Sini	Pentti Jarvinen
14403	Janita II	Aimo Jokiniemi

Valkeakoski had the Mallasvesi Regatta on the 4th and 5th of July 1992. There were 13 boats participating and the winner was Pertti Pyy, Maija and Leena Pyy with *Amarillo* from Tuusula. Pentti Jarvinen was seventh with *Sini* and Aimo Jokiniemi was eighth with *Janita II*. Pekka Siren was 11th with *Nitsu* and Juha Sarlin 13th with *Tempus Fugit*.

The European Championship and Finland Championship races were held in Kuopio on the 12.-17 July. Pentti Jarvinen, Lassi Jarvinen and Mikko Hellman were 18th with *Sini* in the European Championship. They took tenth place in the Finland Championship. Aimo Jokiniemi, Tuula and

Tanja Jokiniemi were 27th with *Janita II* in the European Championship. They were 26th in the Finland Championship.

Finland's biggest inland water race, *Paijanne Regatta*, were held on Lake *Paijanne* on the 25.-26 July. The race course is about 120 kilometres (about 75 miles) long. There were 230 participants from different classes. *Sini* was second in the *Lightning Class* and *Janita II* third. *Tempus Fugit* discontinued the race when the time expired. The race lasted about 28 hours and the winds were slack.

**CASCO BAY LIGHTNING FLEET (471)

14396	Frayed Knot	John W. Pelosi
.....	.....	Kent R. Mullikin
.....	.....	Edward J. Vitek, Jr.

Our fleet sails in the Southeastern Lightning District which holds eleven

regattas a season. District races attract from 10 to 24 boats, with an average of 18 boats on the starting line, so it's keen sailing and you can sail against the best in the Southeast, some of whom are the best in the class. Our own fleet had seven boats at each of three regattas, five at three others, and from one to four of us at each of the other regattas.

To qualify for the overall District Championship, a skipper has to sail in six of eleven regattas, Avis Bridgers, Michael Rees, Bob Wilkins and John Pelosi qualified, with Pelosi and Rees placing fifth and eighth, respectively. Ned Nutt, Doug King, Ed Michels, and Vann Lovelace sailed in two or more. Four of us were in the top five eight times in six regattas, and in the top ten twelve times in seven regattas.

Ned won his first district trophy this year by placing fourth at High Rock. Michael Rees may have been in the silver, but after winning the first race by doing a horizon job on the other 17 boats, he capsized in a little puff in the second race. Later that day he held a seminar about: "Two live crew on the bow — Not". Michael's team went on to take second place at our Governor's Cup (one of the district races). Avis Bridgers and Doug King showed great speed at times throughout the season, finishing high in several races. Henry, Avis's husband, is great on foredeck, and tries to keep Avis away from Wilkins and King, who are in contention for our "Most-Time-in-Protest Room" award. Commodore Emeritus Ed Michels finished second at the LMSC Regatta. Ed consistently gets good starts and frequently sails at the top of the fleet, but sometimes his crew likes to fly the spinnaker far enough from the boat so that Ed gets to see how dry it can be sitting on the hull of a Lightning.

Our season concludes with the Borderline Regatta which we hold at Kerr Lake the fourth weekend in October. It was highly successful again this year, with 35 boats from up and down the eastern part of the country. The long list of sailing notables includes Walt Brown, President of Layline, who sponsors the event, Bob Wardwell, Jim Carson, Tom Allen, Sr. and Tom Allen, Jr., Dick Hallagan, Simeon Cox and Christy Dillard. Brian Hayes, from North Sails East, won it, with Lenny Krawcheck and Bob Harkrider close behind. Brian's win combined with co-skipper Ched Proctor's finish at the Frigid-Digit to take first place in the Frigid Digit: Borderline Double Header.

### ITHACA LIGHTNING FLEET (484) Central New York District Sailing on Cayuga Lake at Ithaca, New York

Fleet Captain ..... John W. LeVan  
Fleet Secretary ..... Jesse Miller  
Fleet Champion ..... Jesse Miller  
Runner-Up ..... Rick Eckstrom

Boat No.	Boat Name	Skipper
10113	Whisper	Jesse W. Miller
11347	Anna 'T	Terrill M. Moore
11960	Orphan	Peter V. Lent
13422	Bat Boat	John LeVan
13934	Hot Flash	Jesse W. Miller

1992 was a wet summer. Rain was more often than not the forecast for our summer sailing. This dampened our ability to increase participation in the fleet.

We got 1992 off to an early start with a Pot Luck dinner and organizational meeting in April. We set our schedule, planned an event designed to attract new members to the fleet and decided upon rules and races for our Summer Series Championship.

The dinner meeting was promising. New and enthusiastic crew were found who wanted to learn about competitive sailing. Tom Carson, a young member at the yacht club, demonstrated an interest in getting more involved. We were sure that this was the year we would hit "critical mass", and our fleet would start to grow.

But, bad weather, busy schedules and growing families kept all but the faithful away from the race course. Eckstrom, LeVan and Miller were regularly there with enthusiastic crews. Miller and Eckstrom traded wins with LeVan consistently bringing up the rear. But, LeVan improved as the year progressed and will be tougher competition in '93.

The fleet is looking forward to growing in 1993. Several factors will contribute to our growth: (1) hosting the Central New York District Championships — will demonstrate a high level of activity in the local district, (2) hosting an exchange program with the Keuka Lake Fleet — will look like there are more of us on the race course, (3) our host yacht club wants to increase One Design Sailing — they can help us promote the fleet (4) local economy is slow — people may want to get involved in smaller boats with

lower operating costs.

We think that we need five boats to sail consistently in order to hit "critical mass" and begin to enlarge our fleet.

If you have any ideas for promoting Lightnings, our district and our fleet, please drop us a note and let us know.

### PORT OSWEGO FLEET (485) Central New York District Sailing on Lake Ontario at Oswego, New York

Fleet Captain ..... Edward Taverni

14303	.....	J. Thomas Doran
14355	.....	Jean & Ronald B. Palm
14418	.....	Clay & Pamela Murphy
14445	.....	Arthur Tirrell

The Port of Oswego Fleet 485 started the '92 season with its kickoff series called the Mayors Cup. This race showed signs of things to come. Tom Doran was the winner and Ed Taverni was runner-up.

With the help of the Oswego Yacht Club membership acting as race committee the Lightnings managed 37 Fleet races including a three crew series. That series was won by John Germain sailing 11010. Dale Scaringi (14034) and Ken Rookey (11728) finished second and third respectively.

The Spring Series had Tom Doran again leading the way with Art Tirrell finishing in the runner-up spot. The Summer and Fall Series found Tom in the top spot with Ed Taverni second and Tom Gregway finishing third.

The Fleet hosted the Michelob Lightning Classic in early August with a strong 36 boat field competing. Local sailor Jean Palm crewed on 14355 which was steered by Paul Coleman to take the first place trophy. Rounding out the top ten were Mark Sertl (14298), Tito Gonzales (11011), Kirk Reynolds (14465), Jon Swartz (14450), Bob Wardwell (14485), Tom Doran (11010), and Scott Finkboner (14573). Bram Palm provided outstanding race committee work and judgement by starting the races on day one later in the afternoon after the 25+ knot gusts dropped off. Racers were provided safe sailing and were introduced to the "gate" mark roundings in keeping with Oswego's reputation as always proding the exciting and new.

In a year of rebuilding Oswego says goodbye to Art Tirrell who sold 14445 to pursue cycling. We will miss his bartering at the club and his antics at C.N.Y. regattas. However, two promising Lightning owners spent the Fall and Summer Series getting their feet wet crewing. Jim Jaskula and Chris Abner are already making plans for their '93 campaigns. We'll be looking for you on the water.

### VALLEY LIGHTNING FLEET (486) Mississippi Valley District Sailing on Alton Lake at Machens, Missouri

Fleet Captain ..... Bryan Uhlmsiek  
Fleet Secretary ..... Jerry Wnorowski  
Fleet Champion ..... Rick Conaway  
Runner-Up ..... Fran Renschen

Boat No.	Boat Name	Skipper
7268	Rhapsody in Blue	Doug Fisher & Steve Hunt
8664	Chaos	C. Graeme Wilson
11701	Kama Sutra	Ken H. Token
12136	.....	Bryan Uhlmsiek
12891	Sparrow	Leo J. Donovan
13088	Kant Believe It!	Gerald L. Wnorowski
13379	Top Secret	Stephen Wyers
13761	Cygnus	Michael J. Sepp
14005	Summer Madness	Wayne M. Watson
14088	Fascination	Richard Conway
14501	.....	Francis C. Renschen

Action at Valley's Muddy Rudder Regatta.

Alton Lake is formed by lock and dam #26 on the Mississippi River. Visitors may find Valley Sailing Association by driving east of Portage Des Sioux on Highway 94. River sailing is unique in that the occasional current, like the tide in a bay, requires good seamanship and sailing skill to overcome. We have a beautiful location on the lake with scenic bluffs and trees changing colors in the fall. Visitors are welcome on any Sunday afternoon.

1992 was a great year for sailing at Valley. We opened in early April and closed the harbor in late November. Mother Nature was kind by keeping floodwaters away, minimizing the current and providing winds for almost every race. Our Spring series consisted of 13 races; Rick Conaway finished first, followed by Wayne Watson and Steve Wyers. The Summer series of 11 races was won by Wayne Watson, followed by Rick Conaway and then Bryan Uhlmansiek. The Fall series is still underway but we expect the same set of names to be involved. On Wednesdays we race in the evenings against the other one-designs. Bryan Uhlmansiek finished in first place with Rick Conaway second. The Fleet Championship Series was once again won by Rick Conaway.

For the first time a Lightning won the annual July 4th "Round the Islands Race." This race has all one-designs racing against a handicap. Ken and Carole Token showed their island hopping skill as they performed a horizon job on the fleet. We hope that this establishes a pattern for future races.

The 1992 Muddy Rudder Regatta was raced in early September. A heavy weather system upstream created the season's peak current. The starts were unusual because the current was pushing the fleet across the line early and almost every race had a general recall. Fortunately the winds were adequate for six races and Linus Portman of Carlyle was the winner. Fran Renschen was second and Bob Ohlsen of Decatur was third. Roy Robbins of Memphis and John Folwell from Carlyle also joined us for the fun. Next year's regatta will be held the weekend after Labor Day.

The 44th annual Governor's Cup was held in October. In light, fluky air Jerry Wnorowski won his first Cup. Rick Conaway was second with Graeme Wilson third. Next year we expect an average between 91's heavy gusts and 92's heavy lulls.

Doug Fisher's *Rhapsody in Blue*, wins the most improved boat award. Doug and Steve Hunt have spend many hours making their old fixer/upper seaworthy again. A little structural reinforcement, some fiberglass and paint worked wonders.

**Sailing on Swift Creek Reservoir in**  
**Chesterfield County**

Fleet Captain ..... James E. Richards  
 Fleet Secretary ..... Art Bell

Boat No.	Boat Name	Skipper
14072	.....	Art Bell
14292	.....	James E. Richards
14485	.....	Robert C. Wardwell

1992 was a busy year for the members of Fleet 496. Jim Richards travelled with Art Bell to the Potomac Cup Regatta in early May where they had a respectable showing. After working the kinks out at the Fishing Bay Spring Regatta on Chesapeake Bay, members of the fleet, Bob Wardwell, Jim Richards, and Art Bell ventured up to Rehobeth Beach for the Dixie District Championships in June. The winds were variable and the weather was nasty, but Bob Wardwell, finished third and Jim Richards and Art Bell finished fifth. Bob represented the fleet once again at the North Americans and Jim and Bob plan to travel to the Border Line Regatta in North Carolina at the end of October. We all look forward to next year's sailing season and seeing other members of the Association at the various regattas up and down the east coast.

Fleet Captain ..... David Browne  
 Fleet Secretary ..... Timothy Harris  
 Fleet Champion ..... David Browne, Jan & Lisa

Boat No.	Boat Name	Skipper
11331	Don't Come the Raw Prawn	Timothy Harris
13150	.....	Jan Browne
14240	Was Bob's	David Browne
14326	Poker Face	Michael Leiter
14438	Fergie's Revenge	R. A. (Tony) McBride
14443	Walk This Way	Rod Hayes & John Sauter
.....	.....	Kim Browne

After eight years we have a new fleet champion in the personages of the Browne family, David, Jan and daughter Lisa plus son Jamie. All took turns at the helm so no one is really sure to whom should go the credit. Suffice it to say that the victory was hard-fought and well-earned.

This year three boat owners were missing from our fleet. Mort Levy has had a recurrence of an old back injury and had to take it easy this year. Mark Adams was transferred to San Francisco, but kindly left his boat behind for the use of our Junior coaching program. Tony McBride also loaned his boat, his time and his patience to developing our Juniors. Pierre Legault was missing in action and we only hope to see him soon. Glenn Taylor, Rod Hayes and Mike Leiter were also kind beneficiaries, loaning boats and time to ensure that the Juniors had boats and crewing jobs all summer. This program has worked well for a handful of juniors in '92 and we plan to make it even more successful this year with full fleet participation.

As a result of the selfless assistance to the juniors, the executive committee of the Pointe Claire Yacht Club awarded the O'Well Memorial Trophy to Fleet 499 for "Services Rendered To The Sport Of Yachting".

It was a rare honour in recognition of the fleet's efforts to direct a constant flow of juniors to take up Lightning sailing. The effort was part of an overall fleet strategy to "grow our fleet". It seems to be working, slowly and surely.

Late in the year 11331 was purchased from down the river bringing our roster by year's end to a total of nine. Three partners have taken up the task of replacing everything and fairing the hull with the intention of joining the active list in '93.

**On the Road:** This year only Tony McBride from Fleet 499 made the trip to Thunder Bay for our National Championships and World's qualifier. Larry MacDonald sailing a new Allen at "warp" speed, won handily over past World Champion Peter Hall and David Sprague who was third. From all reports Thunder Bay is a great place to sail and Tony and crew really enjoyed the 18 hours drive over the top of Lake "Gitchigoomee" and then back again.

Rod Hayes and John Sauter sailed in Oswego and loved the experience although the rain was almost as cold as the beer. The District's were hosted by Britannia Yacht Club in Ottawa and the whole show was organised by Bob Yuile and Terrill Scott who did a fabulous job of care and feeding a pretty hungry mob from Lac St. Louis in Montreal. The new District Champion is J.F. Simard from Royal St. Lawrence Yacht Club who easily won.

**At Home:** Fleet 499 Awards — Fastest Boat, 14240, "The green boat sailed by the Brownes won all the silver". Best Guest Speaker — Brad Dellenbaugh, "300 thumbs up". Keenest Crew — Derek Kendrick, "Need a crew, mate?". Worst job on the boat — Rethreading spi-halyard, "Over or under this thing?". Best job on the boat — Helming, "Pass me a beer, willya?". Longest Commute — John Sauter, "I'd walk from Toronto to sail a Lightning."

14132	.....	Jorge Recaman
14135	.....	Carlos Villa
14183	.....	Richard Deeb
14538	.....	Jose Manuel Acosta

During the 1992 season the fleet was quite active indeed. Around Easter

Some of the sailboats belonging to Fleet 501: number 14132 of Jorge Recaman (21), 14538 of Manolo Acosta (14) and 14011 of Jose Leopoldo Gonzalez (06).

we participated in the Salinas-Tomine Cup and in the South America Championship in Salinas, Ecuador. Although the results were not spectacular, plenty of experience was brought back home.

Later on in the year, the fleet was in charge of the organization of the District's Championship. Two fleets account for the District: ours and number 73 of Club Nautico El muna. Everyone was very enthusiastic and it was good experience for those of us who are new at both organizing regattas and racing them.

Our participation in the National Championship, a hit of fleet 73 due to their excellent organization, was our best, with Richard Deeb's second place.

The celebration of the arrival of Columbus to this wonderful continent was commemorated by our fleet with a regatta open to all different types of sailboats. A complete success, with more than seventy sailboats and four clubs involved.

Finally, the sons of two of our members, participated during October in the Youth World Championship in Villa del Mar, Chile. Although sailing conditions seem to be harsh during spring in the southern hemisphere, our youngsters were placed fourteenth amid twenty boats. Too bad Jose Pablo and Miguel could not go out the last race due to the third crew member's sickness. Since none of the five races could be discarded, this setback meant dropping off from ninth place.

A final word about our fleet. We may not be placed where we would always like to be (and the newcomers, me included, hope to change that), but we sure have willingness to participate. Of the seventeen boats which make up the fleet, twelve have been active during this season. And if some did not participate, it was due to a chronic shortage of crew members.

## THE SUNCOAST FLEET (502)

### Florida District

Sailing out of Davis Island Yacht Club,  
Tampa, Sarasota Sailing Squadron,  
Clearwater Yacht Club and Lake Tarpon

Fleet Captain ..... Bill Meyer  
Fleet Secretary ..... Mark Taylor  
Fleet Champion ..... Doug Fisher

Boat No.	Boat Name	Skipper
10744	Owl	Jeffrey R. Stall
11899	.....	David A. Racine
12396	.....	David E. White, III
12991	Afternoon Delight	L. Kevin Stinnette
13285	.....	Clark T. Higgs
14006	Fired-Up	William H. Meyer, III
14084	First Strike	Mike Carrol/Doug Fisher

The 1992 sailing year was a good one for our struggling young Suncoast Fleet 502. The additions of Doug Fisher, sailmaker; Mark Taylor, a nationally ranked "top ten" Sunfish sailor; and Kevin Stinnette, veteran large boat campaigner, to our ranks has strengthened the competition, and has

created much local interest in the Lightning Class.

Doug Fisher placed second in the Florida Districts, and qualified for the Blue Fleet in the North Americans. Mark Taylor has crewed with Steve Hayden in the last two North Americans, and Mark has demonstrated some top finishes in his own boat in individual races in tough competition. Clark Higgs also crewed in the North Americans for the 6th consecutive year.

Doug Fisher won the Thanksgiving Regatta at Davis Island Yacht Club, followed by Steve Hayden, Bob Harkrider, Mark Taylor, and Fisk Hayden. The highlight of our year was the labor day regatta at the Sarasota Sailing Squadron with five Lightnings from Fleet 502 on the starting line. Steve Hayden won, followed by Bill Meyer, Mark Taylor, Clark Higgs, Alyson Utter, and Kevin Stinnette.

In the 27 race Thursday night competition at Davis Island, Alyson Utter, sailing with Gail Meyer and Cherry Jones won the overall one design competition. Dave White, sailing with Dave Willowby and Clark Higgs placed second overall. The series is based on the Portsmouth rating system, and the variety of one designs sailing in the same competition ranges from Sunfish to E-Scows.

The Thanksgiving Regatta hosted by the Davis Island Yacht Club is open to all who may want to join us, work off the holiday food and drink. The first race starts at 12:30 on Saturday, so you will have plenty of time to travel. Call Bill Meyer at 813-886-1962 for information (allow 2 rings only). Camping on grounds is permitted, and although the place is beautiful, the club is never formal. Bring your bathing suits, tee-shirts, and flip-flops.

## LAKE CONROE LIGHTNING ASSOCIATION (505)

### Texas District

#### Sailing on Lake Conroe, Conroe, Texas

Fleet Captain ..... Steve Harris  
Fleet Secretary ..... Marlene Holt

Boat No.	Boat Name	Skipper
8024	Asylum	Robert S. Mitchell
13384	.....	Billy S. Bennett
13717	Kwitchersnavlen	Steve Harris

Our fleet was just approved at the NA's in Buffalo this year so we're obviously very young. We hold three regattas a year and have plans for series races on Lake Conroe which is just north of Houston off I-45. We've tagged onto the Conroe Yacht Club's racing program which has been in existence for several years. Our first Lightning start was in the Toys for Tots Regatta in December of 1991. The weather was a beautiful 70° and with the help of three boats from Dallas, we stormed the line with five boats. Our numbers were up in February for the A&M Regatta. We amassed six boats for the weekend and again had great weather. As you might have guessed by now, we have an 'in' with the weather gods so we are able to guarantee good weather to out of town boats. Our third regatta was in September, the Commodore's Cup, was 100% represented by our fleet, three boats, three boats from Dallas and one from Baton Rouge.

Ingenuously, our focus for 1993 is on fleet development. One strategy has been to encourage out of town boats to come without a full crew so we can get more local people on a boat. A thanks is in order to Fleets 35 and 435 for their participation and support at our regattas. We look forward to a growing year in 1993.

1992 Commodore's Cup Lightning Sailors

# Registry of Lightning Owners (Active & Life Members)

(Corrected to December 31, 1992)

*Life members are indicated by the letter "L". Where a boat number is not shown it is understood that a boat is on order. Fleet affiliation is indicated by number in parenthesis following name. Where there is no Fleet affiliation the name is followed by (U).*

# Registry of Associate Members

(As of December 11, 1992)

*Associate members are those who may be boat owners but do not actively participate in various regattas, crew, or individuals who are interested in receiving Class publications. Fleet affiliation is indicated (if any) by number in parenthesis following name, and boat number is indicated if Associate is an owner.*

# Registry of Lightning Boats

(Corrected to December 31, 1992)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner is unknown. Where boat number is followed by an asterisk, it means that there is an approved Measurement Certificate on file for this boat. All boats not so marked do not have Measurement Certificates on file.

Boat No.	Owner-Fleet	Boat No.	Owner-Fleet	Boat No.	Owner-Fleet	Boat No.	Owner-Fleet
1*	John C. Ryan (U)	90*	Raymond Creekmore (463)	181*	Lost Boat	269*	Robert Bayley & Phillip L. Weaver (241)
