The World Leader in Outfitting Performance Sailors.

Dedication

This Yearbook is dedicated to Steve and Jan Davis

In 1999 a couple from Colorado was drawn to the Lightning. They bought a boat and joined the ILCA. They joined and reinforced their local Fleet by actively sailing and promoting Lightning sailing through events and parties. They traveled to events like the North Americans, Southern Circuit, etc., where they fit in quickly and were embraced as part of the family like a long-lost brother and sister coming home.

Due in no small part to his charm, wit, and disposition, “the skipper” was lured into “volunteering” to sit on the ILCA boards, where his talents were recognized immediately by Mary Huntsman. He was quickly voted onto the Executive Committee and began serving as Treasurer. A natural leader and diplomat, he, working with others, began to see clearly that the infrastructure of the Class needed to be reinforced to deal with the changing environment. Working

with then-President Carter Utzig and the Executive Committee, he began the process of modernizing the ILCA Office. It was determined that the Class needed updated systems, policies, and structure to thrive. It became obvious that the Class needed to change the way the Office was run—but who could be found to take on this overwhelming task?

“The crew” likes to sail. She has a lot of other interests as well, gardening, keeping the skipper in line, etc., but the thing that really draws her to the sailing is the people. While “the skipper” runs about working on a variety of projects simultaneously, “the crew” is the glue that holds it all together. Tremendous people-skills, “the crew” is smart and organized. She has a smile that can make everything OK and an easy-going manner that can make a bad race seem not that bad.

Dedication

With “the skipper” totally immersed in Class affairs and the Board looking for a person who would be the “perfect fit” of people skills and business sense to run the Association, the answer became perfectly clear. So in December of 2006 the Class offered a contract to “the crew” to run our Association, and, by default, we ended up with the best “Two-for-One” sale in the history of the Class.

Jan and Steve Davis have received their fair share of accolades, and rightfully so, since they dedicated so much of their time, efforts, and energies into the day-to-day operations of the Class. There are few people cut of the fabric that can make a lasting, profound, indelible, positive impact on the people with whom they associate or a situation in which they inherit. They attended countless events, big and small. There were highlights (3rd place at the Worlds in Greece while Steve was President), low lights (contracting hepatitis while at a regatta in South America and pulling content for yearbooks) and some unusual trips (armed escorts in Nigeria).

Steve has been a driving force in helping the ILCA reinvent itself. He encouraged great ideas and was instrumental in launching programs from those ideas that continue to thrive. Jan was the key to reorganizing the ILCA Office and was dedicated to making it not only efficient but,

perhaps most importantly, transferable. Her goal was to make it so when she was done she could hand over the keys to the next caretaker and the transition would be smooth and painless.

They both, predictably, achieved their goals. Steve finished his term on the Executive Committee with the Class in better shape than when he arrived. The Class was fiscally sound, internationally admired, and the model for other class associations. Two years after Steve stepped down, Jan handed over the keys to the office she had rebuilt to Laura Jeffers, and the transition has been seamless. Jan’s handling of the process of upgrading our database, creating a new vision for Flashes and transitioning the yearbook to a user-friendly format has saved the Association thousands of dollars and made the ILCA a leading example of how class associations should be managed. They set the bar high for the rest of us, and for that, we should all be grateful.

This yearbook edition is dedicated to Jan and Steve Davis in thanks for their dedication, leadership, friendship and indelible path they have created for the rest of the ILCA family to follow.

International Lightning Class Association

ILCA Resources

The International Lightning Class Association offers you a variety of ways to stay current with Class members and activities.

The ILCA Yearbook

This annual production (either paper or DVD) serves as an ongoing historical document. The Yearbook chronicles the regatta venues, the Champions, the District and Fleet reports, Boat Grant recipients, the Governing Board, Class Officers, members and boat owners. Photos of boats, smiling members receiving trophies, and parties are sprinkled throughout the book.

Additional copies and some past editions are available either from the website store or from the Class office.

office@lightningclass.org

ILCA Flashes Newsletter

Ten issues per year, the Flashes Newsletter keeps members up to date on ILCA activities and events. Information on our worldwide fleet activities, go-fast tips from the sail-makers and champions, wooden boat projects and history of the Lightning are regularly featured.

E-Flashes

The full color electronic version of Flashes are distributed via e-mail to all ILCA members: Active, Associate, and Crew.

ILCA Facebook

The International Lightning Class Association is now on Facebook! The ILCA created and maintains a social networking Facebook page with almost 1,250 fans. Lightning sailors from around the world contribute photos and information.

<http://www.facebook.com/pages/International-Lightning-Class-Association/197584991571>

Wooden Lightning Yahoo Group

This group shares their knowledge of known Lightning woodies, restoration ideas, material resources, events, stories, and the like. It helps bind the wooden boat community together as well as provides an avenue for people trying to find, research, or sell an older wooden Lightning.

http://groups.yahoo.com/group/wooden_lightning/

Districts and Fleets

Many Districts and Fleets have their own websites or Facebook pages. Links are found on the ILCA website: www.lightningclass.org. Look under Membership in navigation, then click on District/Fleets members.

Marcus Eagan Wins the North American Championship

President's Message

I am not someone who can recall every click of the mainsheet in every race I've ever sailed. I admire those folks, but gosh, I can barely remember what I had for breakfast this morning. Oh, wait, that's right, I don't eat breakfast. But I digress...

Looking back through yearbooks from previous years in order to conjure up the appropriate muse for this message, I became completely immersed in years gone by. The Yearbook is so much more than a resource tool; it is a treasure trove of valuable memories. While its focus in any given year is that specific year, one picture can generate a myriad of memories. Several can eat up an entire day!

I participated in a panel discussion at the US Sailing, One-Design Sailing Symposium not long ago regarding what makes a class strong. This can be answered any number of ways: the people, timelessness of our design, dedication of our volunteers, ongoing excellence in administration by what, for our history, is a relatively short list of Executive Secretaries, our emphasis on Junior sailing, as well as our Women's and Masters' championships, and our innovative programs, such as the Boat Grant, and assistance with getting new boats shipped overseas. This last example has been helping fuel explosive growth in Chile to this point but may soon be expanded to Australia and Argentina.

What became clear to me while ignoring real world demands in favor of reliving days gone by and reflecting on just how lucky I am to have been able to spend literally my entire life with friends and family in this wonderful class is that our biggest strength as a class may just be our diversity. The Lightning Class literally offers something for everyone at virtually every age, from casual day sailor to world class racer. It is this diversity that allows us to compete through the years, sailing and / or competing both with and against family members as well as friends. That there is really no way to "age out" allows for a lifetime of generating, renewing and sharing great relationships. Welcome to the 2010 chapter in our fabulous, ongoing story.

In spite of my lifetime involvement in the ILCA, while I had an appreciation for the amount of work involved in our success, let's just say I have a much fuller appreciation of what it takes, having had the honor to serve as Class President. My thanks to Laura Jeffers for the enthusiasm and dedication she brings to her role as Executive Secretary, as well as to the Executive Committee, Governing Board, area representatives and countless volunteers around the world. It's a lot of work, but it's also a great deal of fun being a steward of this great Class. I encourage anyone with even a passing interest in becoming more involved to do so!

I love this Class!

Executive Committee

Rob Ruhlman – President

Rob was literally born into the Lightning Class as well as Fleet 36 at Pymatuning Yacht Club. Rob's dad, Jon Ruhlman, was already a member of both organizations and later went on to be ILCA Chief Measurer and President.

As a result of this fortuitous timing, Rob is a walking compendium of trivia useless to virtually everyone on the planet outside the Lightning Class and Pymatuning Yacht Club. Having grown up in the class as well as the Ohio District, Rob has had the pleasure of sailing with and against a veritable "Who's Who" of the Class. He participated in the inaugural Lightning Junior North Americans; built Lightnings with the Mueller family; has refurbished two pre-flotation Lippincotts; participated in numerous World Championships—the first in 1975; competed in countless North Americans and has a rather large collection of antiquated Lightning fittings and hardware.

As you might imagine, Rob's family is heavily involved in the Class. Abby has been sailing with Rob for over thirty years and their children, Ryan and Maegan, have seen great success in local, national and world Lightning events. Periodically, Rob takes time away from racing Lightnings to be CEO of Preformed Line Products Company, a worldwide manufacturer of hardware for the communication and energy industry. Rob and Abby also own Sailing, Inc., a full service boat yard in their hometown of Cleveland, Ohio.

John Faus – Secretary

John started sailing Lightnings at age seven on his father's 10823 Helms. Growing up in the Barnegat Light Yacht Club's youth program, he later started racing Lightnings at age thirteen. His mentors, outside of his dad, have included Bill Clarke, Jack Elfman, Greg Fisher and Jim Carson. "As a junior sailor, I had no idea the gift that I was being given with learning how to sail." Unlike many other sports, sailing is a life-long sport where you can always continue to learn new things and improve.

While Lightning racing is a big part of being a member of the ILCA, meeting new people, enjoying various social events, and spending time with lifelong friends and family is equally important. Growth of the Lightning Class is important to John. Fleet Development, the Boat Grant Program, and just getting people to race or cruise is challenging, yet very rewarding. John is heavily active in recruiting and developing youth sailors and showing them how much fun sailing these boats can be. When not sailing, John likes to occasionally go fishing, work on his house and cheer for the New York Yankees and Washington Redskins. John resides in Rocky Hill, New Jersey, and spends extended summers in Harvey Cedars on Long Beach Island, New Jersey. He has worked in the sporting goods apparel business since graduating from Kenyon College. Although his yacht club is only 100 members strong, John is proud when his club is called upon to host a regatta because the membership comes together to throw a first-class regatta as well as a 'not to miss' regatta party.

Victor Lobos – Treasurer

Although Victor was born in Chile, his first encounter with Lightnings was at the age of fourteen in Arcabutla Lake in Mississippi, where he met an excellent group of people who showed him how much fun the Class is. Back in Chile there were no Lightnings in his hometown of Concepción so he continued racing on Snipes and IMS boats.

After being away from the Class for ten years, he was invited to go to the Southern Circuit with the Longarela brothers from Argentina, where he not only learned a lot about sailing but was captured by the spirit of the Class. It is this spirit that has provided him with the enthusiasm to get more people involved with Lightnings and to make the Class stronger in Chile and South America.

Even though his work as an architect keeps him quite busy, Victor is always imagining ways to escape and go sailing at a Lightning event, be it in Chile or anywhere in the world.

Executive Committee

Bill started racing Lightnings in 1947 on boat #134. He's owned #1495, #7195, #10895 and still has #14495.

He grew up racing in Ocean City on the New Jersey shore. Bill crewed and worked for some of the greats of the Lightning Class: Bob Seidelman, Marcy Lippincott, John Tieglund and Jim Carson. He learned a lot about Lightnings from them and continues to enjoy being involved in measurement and photographing at major events.

His son David sailed in four Junior NAs and crewed with Bill in the last Worlds Masters at Miami.

Bill has enjoyed being a part of the Executive Committee this year and hopes to continue to serve the Class as photographer and Chief Measurer in the years ahead.

Bill Clausen – Chief Measurer

Sailing for me started very young, on our family Highlander and progressing through Optis, Sunfish and Lasers at Cowan Lake in Southwestern Ohio. The fierce competition and camaraderie amongst the juniors on Sunday afternoons was always the highlight of my week. My love for this sport and the people it attracts is deeply rooted in Cowan Lake Sailing Association and the incredible volunteers there.

Junior Sailing led to four years on the University of Michigan Sailing Team and meeting fellow Wolverine Jody Swanson. What followed has been twenty-five years (and counting!) of sitting next to Jody on J-24s, J-22s, and 470s. As teammates we can list quite a few Rolex Women's Keelboat Championships, an Olympic Campaign, multiple North American and World Championships, to say nothing of thousands and thousands of miles on the highway (yet somehow, never running out of dialogue!).

In 2000 my husband gave me Lightning #14678 for my birthday to sail with our young family on nearby Lake Wawasee. Considering we had a three-year-old, a two-year-old and a nine-month-old, the number of races we participated in was limited, and yet we were able to forge strong friendships with some great Hoosier sailors—Bill Allen, Jeff Schmahl, Brad Wagnon, etc. The majority of my Lightning sailing in those years came from regattas, where I learned to truly embrace this Class. Bill Faude, Larry MacDonald, Brian Hayes, Colin Park—these people encouraged me, answered my many questions, and most importantly made me feel part of the Lightning Family.

Our family has now spent nine summers at the Buffalo Canoe Club, and we just recently moved to Buffalo year-round. I have been a part of the Lightning Boat Grant Committee for five years, a program that I feel is a reflection of the Lightning Class' dedication to our sport, youth sailing and our Class itself. As an Executive Committee Member this past year I have greatly enjoyed the shared responsibility of keeping our Class strong.

Debbie Probst – Executive Committee Member

I am from the beautiful state of New Hampshire. I was introduced to the Lightning in the fall of 1987. I had just returned from my first sail ever on a Cal 21 and thought that was the coolest thing ever—until I walked up the dock. There were four or five Lightnings that were just getting in from an evening sail. My friend Amanda and I stopped to look, and we were “invited” to join them the next Sunday to race. I remember hearing, “Come on down, someone always needs crew!” Every Sunday that fall we sailed Lightnings on Lake Massabesic with Fleet 273—we were hooked. The Deyett Family took us under their wings. The following summer we sailed every afternoon during the week, training for the Junior Districts and then the Women's Districts. On most weekends I traveled all over New England sailing in various regattas. I have so many wonderful memories from sailing Lightnings. I remember how excited I was to go to my first North Americans and first Southern Circuit. My “Lightning Story” illustrates the fleet development that our Class continues to be built upon. My sailing mentors include Ken Deyett, Brian Hughes, Jack Elfman, George Fisher and Brian Hayes.

My husband Will is life-long Lightning sailor from New Jersey and, like many other Lightning couples, we first met at a regatta—the Winter Championships at the St. Petersburg Yacht Club during a Southern Circuit. We have a Labrador Retriever named Salty who loves the water.

Our beloved square bottomed boat unites us all and keeps us coming back for more. I am very excited to be in a position to give back to an organization that has provided me with so many wonderful friends, memories and opportunities.

Laura Jeffers – Executive Secretary

Donations

You Can Make a Difference

How Can You Support the ILCA?

The ILCA has established many alternatives to enable members and friends to make special gifts and bequests of lasting significance—to help ensure the long-term viability, vitality and mission of the Class:

- The ILCA Fund
- The Boat Grant Program
- The Limbaugh Fund
- The Mary Huntsman History Fund

The ILCA Fund

Charter of the Fund

The ILCA Fund was established in 1981 as a way to guarantee the long-range operations of our Class. Contributions to the Fund may be used to pay for the ordinary operating expenses of the ILCA, to advertise and promote the sport of Lightning Class sailing or for any other purpose approved by its Board of Directors.

The ILCA Fund supports the US Sailing award winning [Lightning Boat Grant Program](#) and the [International Fleet Development Initiative](#).

Fund Directors: [Bill Fastiggi](#), [Todd Wake](#), [John Faus](#), [John Bennett](#), [David Starck](#)

The Boat Grant Program

You can donate cash, boats, covers, sails, trailers, etc. to support this innovative program to attract young racers to the Lightning. Designed to help young sailors experience the high level of competition offered by the class,

this revolutionary program offers a unique opportunity among one-design classes. While many one-design classes struggle to attract and retain young sailors, the Lightning Class is taking active steps to give young adults a leg up. Since its inception in 2007, the Class has provided fully rigged, insured and competitive boats for worthy teams for the sailing season. The recipients participated in Fleet, District and National regattas.

The Limbaugh Fund

Charter of the Fund

The Limbaugh Fund was established in honor of two of our most avid supporters. Helen was our Executive Director from 1965 to 1982. Jay was our Class President in 1964. Both remained strong supporters of the Class long after their tenures were completed. Because of Helen and Jay's strong interest in Junior sailing, and their belief that our Juniors are the future members and officers of our Class, the organizers of the fund have dedicated these funds toward Junior activities.

Use of the Fund

The available monies in the Limbaugh Fund are restricted to the support of education, training, and the promotion of Junior sailing. Only income generated from Limbaugh Fund investments may be used. The principal may not be spent. Uses of these funds have included support for the Youth World Championships, the Sears Cup, funding Junior racing clinics, trophies, promotion of youth regattas, etc.

Fund Directors: [Michael Huffman](#), [Kip Hamblet](#), [Matt Fisher](#), [Victor Lobos](#)

Donations

The Mary Huntsman History Fund

Charter of the Fund

The Mary Huntsman History Fund's primary objective is to help recover and properly preserve the Lightning Class heritage. The Fund is named after Mrs. Mary Huntsman, Past President and Officer of the Class, and who was the first to hold the Historian VP position when it was established. Under her Presidency, Mary secured the purchase of Lightning number one and subsequently coordinated its donation to the Mystic Seaport Museum, where the boat has been restored and is displayed.

Use of the Fund

The Mary Huntsman Lightning History Fund was formed in 2004. Its primary objective is to help recover Lightning memorabilia and properly preserve Class heritage.

Fund Directors: [Clayton Gray](#), [Brian Hayes](#), [Steve Davis](#)

The laws of the U.S. permit its citizens to choose how to dispose of possessions at death. The ILCA has been granted status as a 501C3 charitable organization by the Internal Revenue Service. As such, your gifts to the Class can be deducted from U.S. income and estate taxes. These tax laws make giving to the Class both economical and philanthropic.

Your donation will be recognized in the ILCA Yearbook as follows:

Benefactor	\$500 or more
Donor	\$100 or more
Supporting	\$50 or more
Contributing	\$20 or more

How may Gifts be Made During Your Lifetime?

Gifts of Cash: A gift of cash during a person's lifetime is the simplest type of gift. These can be made in person or anonymously, directly or on behalf of another person. Gifts within a year are deductible from that year's income taxes. You may send a check to the ILCA at any time or include an extra amount of money in the renewal form when you pay your membership every year.

Gifts of Marketable Securities and Investment

Real Estate: Gifts of appreciated securities and real estate held for investment purposes are often more beneficial to the donor than gifts of cash. When such items are donated, the donor receives a contribution deduction equal to the current market value of the security and generally, the excess of the market value over the donor's cost basis is not taxed. Often it can be advantageous to donate substantially appreciated items than to sell them and pay the capital gains tax.

Gifts through Wills: Remembering The ILCA in your will is another method of giving. Such a gift is deductible in calculating estate taxes. Provisions for the gift may be included in the body of the will or by adding a simple codicil. If you desire to establish a separate memorial gift within either the ILCA Fund or the Limbaugh Fund, or to specify the purpose of the gift, this may be done by so stating in the provisions of the will.

Gifts of Boats and Equipment: You may consider donating your boat and equipment to the ILCA, thereby helping make them available to newcomers. You can deduct the fair market value of your donation from your income or estate taxes. It may be more advantageous for you to give the boat to the Class than to sell it. The Class has the procedures in place to facilitate making this important gift.

There is no time better than the present to make gifts to our Class. Your contribution will assure that the next generation of sailors will have the same support that we all now enjoy. We hope you will consider planning an ILCA donation, always informed, by appropriate legal and financial counsel.

John McIntosh, Sr

In Memory

On March 23, 2010, only a few short days after another hugely successful Deep South Regatta had finished up, the Lightning Class heard the news that we had lost a legend. John McIntosh, known to all as “Johnnie Mac,” had passed away.

Johnnie Mac founded the Lightning Class Southern Circuit fifty years ago and was a fixture in Savannah as long as most Lightning sailors can remember. He won two of the first three Deep South regattas and never lost his appreciation for the toughness of the competition. He was a past Class President, a charming and handsome man whose passion for the ILCA, the Southern Circuit, and youth sailing brought him so much respect and adulation amongst all sailors.

His successes were not limited to Lightning sailing. He served in the Army during World War II, making him Captain Johnnie Mac. He ran a successful business and proudly raised a family, many of whom still enjoy boating like their dad. He mentored many young sailors, was involved in the Atlanta Committee for the Olympic Games and assisted in the preparation of the yachting bid that brought those events to Savannah.

Over the past few years, the Deep South Regatta was defined by Johnnie Mac’s presence. Whether as host to an impromptu campground in his home or as a competitor, he began staying on shore only a few years ago. While holding court from one of the cozy leather chairs in the Savannah Yacht Club bar, Johnnie Mac distilled the essence of charm, welcome and wisdom. The event wasn’t a “happening” until he arrived. The Southern Circuit and the Deep South Regatta won’t be the same without John. He touched a lot of us in the Lightning Class, and his contributions will not be forgotten.

Thank you, Johnnie, for the wonderful memories.

Brian Hayes, Sr, Past ILCA President

Johnnie Mac was a special man to Jan and me. Our mutual interest in the International Lightning Class Association, the Southern Circuit, all things sailboat racing and youth participation made for an immediate friendship. It was his integrity and intelligence that made the friendship important to us. I suspect that he enjoyed the company of Jan the most, though we all had some good times together.

I first met John in Miami at the Masters’ World Championship in Miami when I provided him a Lightning boat and my wife. No wonder John liked me! Thankfully, Eric Oetgen sailed as well so that everyone and everything could get back to the dock safely.

To watch John get on the boat in the morning when it was howling and to see him on the race course was an inspiration for me. Here was a guy that was enjoying life and sailboat racing, even after several joint replacements and in incredibly difficult conditions. It was amazing. I don’t think we were able to get him on a Lightning boat after that event, but it didn’t matter. I didn’t know John in his prime racing years, but I could see from that experience what a formidable competitor and sportsman he was.

Truly, the highlight of our trips to the Southern Circuit was to stay with John in Savannah and talk about the Lightning Class and what he was doing with his young sailors. His house was an incredible museum of trophies and pictures, along with youth sailors running around.

Of course, in the evenings a few rounds of backgammon and whiskey were enjoyed as well. In the mornings, there were a few times when we were all up and ready to get to the Club and were wondering if John was OK, as he wasn’t moving. We would send Jan in to his bedroom to find out what was going on, and John would start yelling, “I’m still alive!”

When Jan and I visited John at the care facility last year, it was difficult to see a man whose mind was keen but whose body was failing. He was certain that he would be back in his motor boat for the next Deep South Regatta.

I know that John had many interests in his life. I am privileged to have known him through his sailboat racing interest. He was intelligent and passionate and a gentleman—not traits that many sailors have. His lifelong work for the Lightning Class is appreciated by many. I will always recall his voice in my ear, “You have to feel the boat and make it slide through the water.”

Fair winds, my friend. We will miss you.

Steven Davis, Past ILCA President

Jan Davis, Past ILCA Executive Secretary

Editor's Note

My Lightning Class Connection

The theme of this yearbook has such a strong connection for me personally. When Rob Ruhlman told me it was going to be about the “Youth Movement in the Lightning Class” and “Junior Development,” I immediately thought about my own childhood sailing with my Dad, Jim Daley, and my siblings at Metedeconk River Yacht Club in New Jersey in Lightning 10988. Then it evolved into sailing with my husband, Ian, and two daughters, Lauren and Allie, as a family in Lightning 15298.

The Lightning Class, as we all know, is a family oriented Class. Like any sport or activity, if the parents are involved, the kids tend to embrace it as well. Although, at times we have had to enlist the help of other parents too! That has been easy because at the Buffalo Canoe Club, where I now sail, there is a very strong Lightning fleet with wonderful sailors who are always willing to teach the kids and embrace every part of nurturing the next generation of competitors.

Thanks to everyone for helping these kids along, not just at my club but, at all the clubs and fleets around the world. You will read a sampling of what goes on in the articles that follow. Let's keep it growing strong!

Thank you to Sherryl Egy our Yearbook designer. She is very talented, conscientious and patient! She is the one who laid out this book and thoughtfully put these pages together. Thank you, also, to our Class Secretary, Laura Jeffers. She kept us organized and moving along. Every yearbook project is a huge group effort, so thank you also to all the contributors who wrote articles and the proof readers! We all pulled this project off together.

Monica Jones, Buffalo Canoe Club, Ontario, Canada

The Young Sailor

*You crawl, walk, then run
You doggie paddle, face in, then swim
You learn left from right, port from starboard
You ride along, crew, then take the tiller
You learn knots, rules, make mistakes
You make friends, sail all day and have fun
You learn to race, middle of the pack, top ten
You tip over, get wet , try again
Travel, meet people from different countries
Break the boat, fix it, learn from mistakes
The thrill of placing, taking the podium, the trophy
The competitive spirit, wanting to go again
Just having fun, friendships, family
You grow, you flourish and sail for a lifetime.*

Monica Jones

Pymatuning Yacht Club

For anyone who has ever been to Pymatuning, you know how special a place it is. I was fortunate enough to grow up there and even more fortunate to be a part of the Junior Sailing Program. While many programs focus on Optimists, 420s and Lasers, the PYC Junior Program is designed to get kids sailing and racing with the club in Lightnings and Thistles. Once kids reach the age where they are capable of listening and moving, and sometimes earlier, they are recruited to sail with members for the summer, or simply to hop on a boat for the day. It is a rare sight to see an able-bodied junior sailor on the lawn during racing—some may even say unacceptable.

While this may not seem very remarkable, the boats that these juniors “hop on” are very often the boats of blue-flight caliber sailors, many of whom have seen decorated success in the Class for years. So while other teams across

the world are practicing, the top sailors at PYC are coaching. They take time out of their own racing to pass along trimming pointers, tactical advice, and their invaluable experience. Yet not only do juniors crew for great sailors, they are also encouraged to sail against them. Club members are always excited to see juniors on the helm, and they never hesitate to offer on-the-water coaching or even their boat and sails. But don't try to start above them—there are no exceptions for juniors!

Perhaps the most exciting aspect of junior sailing at PYC is the opportunity to travel to other regattas—whether to Buffalo for their annual Youth Invitational or VJMs or Districts, it is often PYC juniors that do the most traveling, which is good because with the best Class in the world, everyone comes back more excited than ever.

Katie Werley

Carlyle Sailing Association

Every club has its challenges for their respective junior programs, but many are able to modify the typical junior program prototype to fit their club. The struggle with developing a “typical” junior sailing program at Carlyle Sailing Association is the location of the lake relative to where the general membership resides. Carlyle is a good hour east of St. Louis, and farther for those who live in the western suburbs of St. Louis. Development on the Corp of Engineer-owned lake is prohibited, so owning a lake home is not an option. For some reason, the families who live close to the lake tend to have more of an interest in farming and fishing than sailing.

Since the mid 1980s, the club has hosted a one-week-long junior sailing camp. The children ten to sixteen years of age spend the night in tents at a campground near the club and sail during the day. Each child has their own boat, whether it be owned, borrowed, or leased from the club.

The camp was originally for Sunfish and Lasers but has changed to Optimists and Laser Radials. The camp is run by volunteers only, so the cost to attend the camp is very reasonable. There are limitations on what a child can learn about sailing in one-week time frame, but the camp facilitates friendships that keep some of the kids eager to endure the long drive to the lake each weekend for the rest of the season.

A few other junior program additions have been added within the last ten years. An Optimist “learn-to-sail” program was added within the last decade. Two hired instructors teach sailing basics to eight to thirteen year olds. The Optimist program usually consists of six to eight weekends and runs concurrently to the club’s one-design races on Sundays.

This program is challenged with the time between each lesson and the vast diversity of the age and skill of these entry-level kids. The small membership of the club results in inconsistencies in age, sex, and previous exposure to sailing of the upcoming juniors.

Sunday morning junior races started about ten years ago. Many small-course races are run by volunteers each Sunday morning during the summer months prior to the club’s one-design races. The junior races are sailed in Optimists and Laser Radials. The results are tallied all season long to promote participation and enthusiasm. The participation of the Sunday junior races tends to be primarily children of the active racers in the club. These kids then crew in the one-design club races with a parent or other adult.

The juniors from Carlyle Sailing Association who end up actively crewing with adults tend to be the juniors who stick to sailing into their own adulthood. The greatest success that Carlyle Sailing Association has had with the junior sailors stems from the families who go to the lake every weekend. It takes commitment from all members of the family to pack up the car, schedule around or miss other activities going on in St. Louis, and simply sail on the weekends. The children who are part of the committed sailing families ultimately learn the most by simply “crewing for Dad” each and every weekend, six months of the year.

Tobi Moriarty

Buffalo Canoe Club

Joy MacDonald

An important aspect in ensuring that a sailing class has longevity is getting kids involved. The Buffalo Canoe Club, Fleet 12, has certainly taken on an incredible initiative to promote youth Lightning sailing. The BCC is the home club of many world-class sailors, and, therefore, has a very strong Lightning fleet. On any given Tuesday night in the summer, we will have as many as twenty boats out for a fleet race! In 2006, my dad, Larry MacDonald, was voted onto the BCC Board of Directors as Junior Activities Director. In his five years as director, he has effectively transformed the youth sailing program and made it unbelievably successful. A cornerstone for the program is helping young sailors grow through our junior program and become sailors for life.

In this regard, Lightnings are the perfect boat to help get juniors involved in a fun and competitive sailing atmosphere that they can be part of for many years to come. In 2007, the BCC sent Connor Godfrey, John-Henry Ring, my brother Adam MacDonald, Maddie Waldron, Kathryn Moloney and myself to the Junior North Americans in Leesylvania, Virginia, and this helped to get some juniors interested and excited for the next summer. In 2008, the BCC started the Junior Lightning Team with five boats who would be sailing in the Junior NAs in Newport, Rhode Island. Also, that year, the BCC had three boats at the Youth Worlds in Montreal. Since then, the Junior Lightning Team has grown exponentially! Thanks to world-class coaches and mentors such as Jody and David Starck, Ian Jones, Debbie Probst, Kevin Robinson, Tom Allen, Peter Godfrey and Larry MacDonald, the team has always been fortunate to be learning from the best.

The great thing about the Lightning Class and the BCC is the sense of family and community. The Junior Lightning Team has become a solid unit, and we all push each other to become better, whether we are speed testing upwind or practicing starts over, and over again. Through the great support we have from our parents and from the BCC junior sailing program, sailing has become a passion for all of us. As the summers passed, the team continued to grow and include younger members. Those interested in joining were put into teams with other interested youths. Also, if a team was in need of a boat, club members were often very generous in lending their boats out for regattas. In 2009, we sent six boats to the Junior North Americans in Sodus Point, New York. Members of the BCC team ended up achieving the top two spots: winners Connor Godfrey, Griffin Orr and John Henry Ring

Youth Invitational—2007

Youth Invitational—2008

Buffalo Canoe Club

and runners up Connor Mangan, Lauren Jones and Jeffrey Markarian. Those two boats qualified for Team USA for the Youth World's in Ecuador the next summer. Additionally, Adam and I qualified for Team Canada.

The summer of 2010 was quite a busy summer at the BCC, but it was definitely one of the most successful for the Junior Lightning Team. With four boats preparing for Youth Worlds in Ecuador and seven boats training for the Junior North Americans in New Jersey, there was limited time to get everybody prepared. However, our amazing mentors helped train us in every way possible. Before heading off to Ecuador, other than spending countless hours out on the water, our team was skilled in boat preparation onshore and we were also knowledgeable about travelling overseas. Ian Jones and Jody Starck shared their own stories about sailing in South America, and, let me tell you, not one of us drank the water! When we finally got to Ecuador, our teams were respectful of the borrowed boats, and we really meshed together as a team and helped each other master the challenging conditions. The regatta was a great experience, and I know that many members of the team have set their sights on qualifying for the Finland 2012 Youth Worlds at this year's Junior NAs. Soon after we returned from Ecuador, it was off to the Metedeconk River Yacht Club in Brick, New Jersey, for the Juniors'. After some very windy conditions, our teams came out on top once again. The winners (although with a New Jersey skipper, Timmy Crann) Lauren Jones and Jeffrey Markarian sailed an amazing regatta, and Connor Godfrey finished a solid second place. This summer the Youth Lightning Team is excited for North Cape and is looking forward to some great training and practicing at the Buffalo Canoe Club!

In order to foster the interest of younger junior sailors, every Tuesday afternoon the junior sailing racing class went out on Lightnings with club members to sail in some practice races. The Buffalo Canoe Club is fortunate to have many adult Lightning sailors who have always been eager to get juniors involved in Lightning sailing. For Tuesday night racing, kids would wait around after sailing class and hop on any boat that was in need of crew. Also last summer, after racing every Tuesday night, Debbie Probst ran a rules seminar, and she would meet with the youth who sailed that night and go over some of the situations that may have arisen. At the BCC we have always aimed to produce youth sailors that are educated about the rules and who pride sportsmanship before results.

On many weekends throughout the summer the BCC hosts youth oriented regattas. First, there is the Sean Gregory Memorial Regatta, which is always a great event. Dozens of kids, some very young, show up on a Saturday morning and are piled into boats with more than willing adults. Then there is the annual Pro-Am regatta in which two youth sail with one adult, and each person skips one race. These events always conclude with a fun barbeque and awards for everyone—the best part! The Youth Invitational is a regatta that started about five years ago, and it is always the weekend right before the Junior NAs. Up to twenty boats from many different clubs sail in this two-day regatta in either all junior teams or pro-am style teams with a junior skippering. The Youth Invitational has become wildly successful and is a great opportunity to get kids involved and to help with youth development. After Saturday racing David Starck has given a seminar talking about what he saw out on the water that day. Also, there is always a BCC coach on the water coming up to boats and giving them pointers.

Youth Invitational—2009

Connor Godfrey, Griffin Orr, John Ring—2009

Buffalo Canoe Club

The BCC has also started its own Lightning Boat Grant that is now in its third year. Sailors who are interested apply throughout the winter and must include references in order to be considered. The first winner of the boat grant in 2009 was Connor Mangan with his team Lauren Jones and Jeffrey Markarian. In 2010 and 2011 the boat grant has been received by Christine Moloney and her team Kayla Oak and Julianne MacDonald.

Overall, the Buffalo Canoe Club truly is an amazing place to sail. I have been extremely lucky to grow up as a youth sailor there and to be surrounded by so many wonderful sailors who have made me absolutely love the sport. When I was ten years old my dad and Kevin Robinson took me to my first ever Lightning NAs in North Cape. Now ten years later, I see the youth program that has grown at the BCC thanks to the enthusiasm of my dad and so many others. I love seeing a new generation of Lightning sailors grow up at the Buffalo Canoe Club, and I am incredibly grateful to be a part of the Lightning Class family!

Youth Invitational—2009

Youth Invitational—2010

NA Juniors' Championship

It was the summer of 2010 when there were thirty kids packing up and preparing ten boats to be transported to Metedeconk River Yacht Club in New Jersey for the Junior Lightning North Americans. The Lightning North Americans is a sailing regatta hosted every year in a different city. If you compete in the North Americans and you rank in the top three, you can move forward and qualify for the Lightning Worlds in Ecuador. I was fortunate enough to be one of those thirty kids. Little did I know that I would be forced to persevere over stiff competition, weather conditions and an injury. This memory taught me the importance of having fun.

In 2010 I was part of the Junior NAs. It was my very first time ever to sail in a Lightning boat. There were all new boat parts and colored lines that were all very confusing to me. My partners were Becky Scanlon and Jeff Scanlon.

Becky was the skipper, also known as the driver of the boat. Jeff was the bow person, the one who pulls the jib sail in and out and sets the pole for the spinnaker going downwind. As for me, I was the middle person. My job was to fly the spinnaker, keeping it full at all cost going down wind. Then, I would have to very quickly do the "take down" or take the spinnaker down as fast as I could while the skipper sailed up wind. Also, I had to hike out and keep the boat as flat as possible. That is very hard to do when it is very windy. Lastly, I was the talker on the boat. I would tell my skipper everything that was going on around us and on the course. I would talk about puffs on the water, boats tacking or coming about, and where we were placed. I had to be well aware of everything.

It was the morning that we headed off to New Jersey. I was so excited I couldn't sleep at all that night. I was traveling with the Jones family. I was going with them because my family was not going. It was 5:40 AM, and we were all packed up. The car was filled with movies, pillows, candy and blankets and a trunk full of sailing gear. The car ride was seven hours long. Mrs. Jones had family that lived in New Jersey, so she really knew her way around. We were getting closer to our destination and had to drop off the boats at the yacht club and rig them for the morning's races.

When all the boats were set up and ready to compete, we went to Mrs. Jones' parents house where we were staying. We had a full house, and it was so much fun. That night we had a barbeque overlooking the ocean and enjoyed the summer breeze. After dinner we played baseball and night games. It was getting late so we decided to get a good night's sleep and head to bed. In my room we had three people, Allie, Lauren, and myself.

NA Juniors' Championship

At 6:45 AM we got up and were all rushing to get out the door. We got registered and were on the water by 7:30 AM. We got towed out to the race course, which was a fifteen-minute ride out. We went under a huge gray bridge called the Mantoloking Bridge. Cars were all stopped as the bridge opened so we could sail under so that our masts would not hit.

We were out on the water all day long. We got in about eight races for the first day of sailing. It was crazy windy, boats flying past each other trying to avoid collisions, boats were tipped over, and there was even occasional chaos. We were lucky enough to hold our boat down and not tip, but we had other problems. We smashed into a boat and took off their corner, we broke the guy hook for the spinnaker pole and we were all so cold.

After the first day of racing we sailed back to the yacht club and decided we wanted to go to a water park. We had two cars and a bunch of people piled in. People were sitting on laps, double buckled, and the music was rocking. We arrived at the water park at 5:00 PM. It was the biggest water park I've ever seen.

When we were done, we headed back home and went to the neighbor's house to play Pictionary. We had four teams with three players in each team. It was a blast, people screaming out answers, laughing, and making fun of funny pictures. We knew we had to cut the night short because we had an important day ahead of us. It was the last day of racing and we had an awards banquet to follow.

N A Juniors' Championship

We went to bed and got up really early and had our last breakfast at the Jones' house. We were back on the water at 8:00 AM and started racing at 8:30 AM. We only got in four races because it was so windy. It was much windier than the day before. We tipped over and were all wet and cold—not the ideal conditions to be ending the day.

It was the last race of the regatta. In spite of the fact that it was cold, we gave it our all. We were at the starting line waiting for the gunshot to start the sequence. BANG! Three minutes to the start. People were sailing back and forth along the starting line trying to avoid hitting each other. The wind picked up and now there were huge salty waves crashing over our boat.

The course we had to sail was a “up wind down wind 5,” which means we would have to sail up and down wind five times and then cross the finish line. BANG! One minute, thirty seconds left. Everyone was inching up to the start line. Boats were getting closer and closer together. BANG! One minute to go. We were in irons with both sails let out, not moving, and trying to hold our place waiting for the time to run out.

BANG! That was the start, and the race was on. We crossed the line, pulled in our sails, and all we were thinking about was speed. We were on the second leg of the race when all of a sudden crash! A 500-pound metal centerboard crashed onto my pointer finger.

NA Juniors' Championship

I was crying, blood was everywhere, and boats were bearing down on us. I told Becky to sail over to our coach because I needed help. Becky said, "No we have to finish this race, it's the last one." I said, "Fine, let's do it!" I was no longer much help, but I did my best to hold it together. We were on the final leg of the race, and the finish line was in sight. We came in fifth place, which was amazing for that race.

Right after we passed the finish line they rushed me over to my coach's boat. They got me out of the boat,

where my coach's mom was there to comfort me. They looked at my finger and didn't think I needed to go to the hospital, but they rushed me back to the yacht club to see the nurse.

As we were heading in, there was a huge thunderstorm. We had to turn around and help all the boats get in as fast as we could. My finger was throbbing and pulsing as we waited for the boats to get tied together and towed in. When we got to shore they rushed me to the office. The nurse looked at my finger, and it had split right open. She called the hospital, and Mrs. Jones took me right in. I was glad it was Mrs. Jones because she is like my second mother.

Meanwhile, we had an hour and a half to get to the awards banquet. As we sat in the waiting room someone finally took us in. It turned out that I had a fracture and needed stitches. So as fast as the doctor could, he gave me two stitches, wrapped my finger in a cast, and gave me a sling. I remember I was still wearing all my sailing gear and had salt all over my skin from the ocean. A definite shower was needed before the party.

We made it to the banquet just in time. As we listened for our names called and what place we came in, everyone asked me if I was okay and feeling better. We were finally called up and were awarded 15th place out of eighteen boats. It didn't matter where we had placed because we were the youngest team to compete. We had an injury, and all we wanted to do was just have fun. This is a memory I will never forget. I overcame great obstacles, under extreme circumstances, and had one of the best times of my life!

Emily Markarian

Pontiac Yacht Club

In the Michigan District we have been pushing the junior movement hard in the last couple of years. Pontiac Yacht Club has a successful and growing junior program. It is the hope that this will foster the future of Lightning sailing at the club as well as represent it at the US Sailing and local junior events. The Club uses Optimis, Open Bics, 420s, Lasers, Flying Juniors and Lightnings to teach the kids. The program is broken into two parts. One is instructional, and the other is the racing team. Pontiac holds one major junior event each year that attracts about 100 kids and their boats to the club. Pontiac most recently sent a team to the Sears Cup finals in San Diego last year. The event was sailed in Lightnings.

Pontiac has started its own version of the ILCA Boat Grant Program called the Junior Mentor Boat Grant. The recipient will have the use of a Lightning for the summer at PYC and any sanctioned Lightning event. The designee will help mentor a junior team as well as help with maintaining boats in the junior program.

The Michigan district has changed its Junior Districts this year to try and foster more junior participation. The Bay City Yacht Club will be hosting the event that will allow each junior boat to have one non-junior crew. This person is supposed to be an owner or mentor. The hope is that more people will be willing to lend their boat and that it will get some kids out there that may just not be ready without some help. A number of the local Bay City Lightning Fleet members also help teach in the Saginaw Bay Community Sailing Association.

North Cape Yacht Club and Crescent Sail Yacht Club also have large and successful junior sailing programs. Both programs have produced top Lightning sailors and continue their fine tradition.

Three junior sailors, Nick Harris (skipper), Josh Abbott (middle), and Elise Hess (foredeck), from PYC made history by being the first junior race team from PYC to advance to the national championship of the Sears Cup. Mission Bay Yacht Club in San Diego hosted eleven teams who had won their semi-finals in their respective region throughout the entire U.S. The following article from Nick Harris describes their experience:

Sunday, August 15, we arrived around 11:00 o'clock San Diego time. Our host mom, Mrs. Magill, picked us up at the airport, took us back to her house and then on to MBYC. The yacht club was really nice, and it was a great sailing venue. Since we were sailing in Sail Bay, there were no power boats. After we checked in, there was a Lightning clinic that lasted the rest of the day with some practice races at the end. The host family that we stayed with was very nice and they were happy to have us there. They even supplied us with surf boards to go surfing during our free time.

Monday was the first day of racing and it was very light. At the end of the day we were sitting in 6th (we were pretty happy about that). On Tuesday, the wind picked up to about 8-10 knots and we struggled a bit finishing in 8th at the end of the day. Wednesday was pretty heavy wind, at least for our 400 pound crew, since it was blowing a steady 12-15 with gusts probably hitting 17. We only had two races on Wednesday and we did poorly in both dropping to 9th. Though we were disappointed in our results, we all had a great time and we all learned a lot. We would like to thank PSEF and PYC youth sailing program for the financial support which made the trip possible. We were very grateful to represent PYC and DRYA.

Jim Allen

Finland

We all know that a boat class needs new sailors to stay alive. And juniors are the very best new sailors it is possible to have. How to handle this for a boat class is an important question.

Too many boats and skippers have been sailed without regular crew members in Finland. If a Lightning skipper needed crew members for a certain regatta, it was typical to pick up a young sailor with some experience from another boat class, like Europe or Optimist dinghy. It was possible to sail a regatta with ad hoc crew, but the young sailors do not like to go on with Lightning because there are no plans for the future—no way to become a better crew member or a skipper. That was the way Finnish crews were built for the 2006 ILCA Youth Worlds in Jyväskylä, and the results were not good.

After Jyväskylä Youth Worlds the young sailors have been given a possibility to become a better crew member or a skipper. With an experienced Lightning sailor in the middle, it has been possible to train one young crew member and one young skipper. This was, of course, better than before, but it did not result in new youth crews.

In September 2010 Mr. Kimmo Aromaa came to our Sailing Club in Järvenpää with information that the 2012 ILCA Youth Worlds would be organized in Europe. The problem of missing youth crews was discussed. We found out that there was not a single regular Lightning youth crew in Finland. Finally, we all agreed that we would start a training program for 2012 ILCA Youth Worlds.

In December 2010 we learned that the 2012 ILCA Youth Worlds would be organized by Sailing Club Tuusulanjärven Purjehtijat (Tuusula Lake Sailors). The training program started with lessons in January because we had winter and it was not possible to sail in Finland because of ice and snow. Thirteen young sailors heard our call and started to plug and made a promise to start training. During the winter period we had six lessons, individual physical training and some homework as well.

Summertime is reserved for practical training and racing. There will be special Lightning training for youth crews once a week. That does not sound like much, but, in addition, there are weekly club races, Lightning ranking series, regattas in other boat classes and training for other boat classes, so it is difficult to find more time for special Lightning training.

After the summer period we are going to start with theoretical lessons and physical training again, and after winter there will be some time for practical training.

We hope it is possible to represent four regular youth crews in 2012 ILCA Youth Worlds in Järvenpää. And we know that our training program is going to make it more possible to keep the Lightning as a living class in Finland.

Our training crew consists of four individuals on a voluntary basis—Mr. Kimmo Aromaa, chief trainer, Mr. Sakari Pesola, assistant trainer, Mr. Timo Jalkanen, physical training and nutrition and the author as coordinator.

Erik Hartman

Rosemarie Hartman, skipper, Pirita Aromaa, 15, and Paulus Saari, 15, in a Club Race in Tuusula Lake Venue of 2012 Youth Worlds

Chile

We hosted the Cofradia Nautica del Pacifico Race in February, 2010. This race was meant to promote junior sailing in our region. The owner of the boat had to be present but could not skipper. We hope to plan the race again because it was very successful. Most of the kids had never sailed a Lightning before, and it was a great introduction to the boat. Several of those kids are sailing with the owners continuously because of the success of this race. We also have several families proactively sailing, three boats out of fourteen, and racing with their children.

Alberto Gonzalez had a friend that followed him in the first race, but they didn't have a very good finish. They placed fourth or fifth in the last race. He followed his opponents to the finish and told them they were in first place! They enjoyed the day and learned a lot about racing.

Tito Gonzalez Mas/Alberto Gonzalez

Boat Grant Program

Debbie Probst

"Thinking Outside the Box" best describes the origination of the Lightning Boat Grant Program in 2007. For starters, it was the brainstorm of Bill Fastiggi and Allan Terhune. Fastiggi is the owner of Vermont Sailing Partners while Terhune is a dedicated North Sails One Design employee. These two "rivals" put their heads together and created the Boat Grant Program as a way to share the Lightning Class with younger sailors. Primarily a marketing program, it has quickly grown to be much more.

Throughout its four year existence, eighteen teams have had the unique experience of racing a nearly new Lightning for a summer at virtually no cost. Each team is granted a boat for the summer sailing season, along with practice

and racing sails, reimbursement for insurance, regatta fees and a good portion of their fuel costs. Perhaps of greater value is the access these young sailors have had to the intense competition, heartfelt camaraderie and overwhelming support the Lightning Class offers.

From sixteen-year-old Collin Kirby, who was granted a non-traditional "developmental grant" of an older boat, to twenty-five-year-old Rob Linden, we have had the pleasure of introducing a wide age range of younger sailors to the Lightning. What a great testament to our Class that four of these "Boat Grant Alums" are now boat owners, with quite a few more continuing to participate in the Class in various capacities.

Junior sailors around the country recognize their local "rock stars," and it is increasingly common that these idols are sailing Lightnings through the Boat Grant Program, by borrowing a local boat or by using a family boat. The Boat Grant Program is visible, attracts the youth, and is something our Class has rallied around. First year recipient Bob King and current Boat Grant Selection Committee Member said:

"As a recipient, you will begin to notice that you have instantly become somewhat of a celebrity within the Lightning community, even within the sailing community at large. You will find more people wanting to introduce themselves to you at all of the events that you attend. Former strangers to you will be eager to hear of all your sailing experiences. We have a good feeling that you will be astonished by the overwhelming support and encouragement that you will receive."

Boat Grant Program

The current Co-chairpersons of this program, Bill Fastiggi and Debbie Probst, would like to recognize the incredible generosity of Allen Boat Company, Nickels Boat Works, Dieball Sails, North Sails, and Vermont Sailing Partners for their support. Additionally there are many, many Class members who have been quick to help with mentoring, driving, logistics, manpower and funding. It's no wonder the Boat Grants are so sought after—we have a great Class!!

Debbie Probst

Notable Kids Quote!

At the 2009 North Americans in Sodus Bay, I was sailing with two of my kids, Abbie (12 years) and Tanner (10 years). We barely squeaked into the Blue Fleet, and with an eight-knot breeze in the first race, it was a spectacular first-mark scene with all thirty-three boats arriving within one hundred yards of each other. Total chaos—everyone sailing within inches of each other, ducking, tacking, collisions, penalty turns, shouting, boats hitting the mark, adrenalin flowing. After we got the spinnaker up, Tanner turned around with eyes wide with excitement and said “Wow, mom, is it always like that???”

Debbie Probst

Youth World Championship

Martinetti Team

Youth World Championship

Salinas Yacht Club
Salinas, Ecuador

July 23–26 2010

Champions: Jonathan Martinetti
Eduardo Viteri, Pedro Velez

From 23 to 26 July, the Salinas Yacht Club hosted the Youth World Championship. A total of sixteen crews from eight different countries competed in the bay of Salinas.

Normally I sail Laser Radial and Sunfish, but when told about this championship, we decided to put a competitive crew together with the coach Nicolas Fracchia's help. Eduardo Viteri and I had traveled extensively, and I knew his skills well. He also sails 420, so he knew how to race multi-sail boats. I knew Pedro Velez from my yacht club, back from the Optimist days. He was very good with maneuvers, which made it easier on him to apply his skills to the Lightning.

Slowly, we got to know each other's skills and became more familiar with the boat. At first we were very quiet

Del 24 al 26 de julio el Salinas Yacht Club recibió el Campeonato Mundial Juvenil de Lightning. 16 tripulaciones de 8 países compitieron en la rada de Salinas.

Yo navego normalmente Laser Radial y Sunfish pero cuando nos dijeron sobre el Campeonato, decidimos armar una tripulación.

Nuestro entrenador Nicolás Fracchia nos ayudo a armar la tripulación. Con el primero con el cual hable fue Eduardo Viteri ya que con él había viajado bastante y conocía como corría y su nivel. Además corrió en la clase 420 así que conocía como navegar con 3 velas. Luego a Pedro Vélez ya que corrí también bastante con el ya que era de mi club. Corría muy bien en la clase Optimist y era muy bueno con las maniobras, cosa que no le costó llevar al Lightning.

Poco a poco fuimos afianzándonos en el bote y conociéndonos mejor. Al principio íbamos muy callados y concentrados en el barco pero así no funcionaba ya que

Youth World Championship

and concentrated on the boat, but that wasn't working because we did not share information. As time went on, we began trusting each other more and improving coordination. It was very difficult to sail a multisail boat for the first time, but we learned a lot from more experienced sailors such as Juan Santos, Paco Sola and Justus Klemperer.

Our qualifier, in which seven boats participated, took place two months before the Youth World Championship. Everything went as planned, and we finished all races with a perfect score, giving us the confidence we were lacking and a benchmark against other competitors. After the qualifier, we intensified training sessions up to a month before the Championship, when we had to stop and go to Turkey for the ISAF Youth Worlds. We returned a week before the Championship and trained only a little before the Championship to regain the skills and coordination. In fact, our main weakness during the Championship was physical exhaustion from the previous trip and the ISAF Youth Worlds, to the point that Eduardo lost a lot of weight and strength.

The first two days were almost perfect with very solid races and very few mistakes, such as bad timing at the start. The second day we continued in first place, but the Argentines also had excellent races and got very close. The last day of competition was complicated because in a single race the Argentines, who are excellent Laser sailors, shortened point differences to come head to head against us, letting the last race define everything.

Our goal in the last race was to finish ahead of Argentina, no matter what position. Although we started (and continued for most of the race) behind them, we were able to take advantage of a mistake on their part and regain the advantage in the last leg. We finished 2nd, ahead of their 5th place, to claim the Youth World title. Similar

no compartíamos información. A medida que pasaba el tiempo íbamos entrando en confianza y coordinando mejor. Fue difícil aprender a correr de a 3 ya que era la primera vez que corríamos lightning y se nos hizo difícil aprender la llevada del barco y la técnica. Aprendimos mucho de los veleristas de la clase como Juan Santos, Paco Sola y Justus Klemperer.

2 meses antes del Campeonato Mundial realizamos el selectivo nacional que reunió 7 barcos. Hicimos todo perfecto ganando las 5 regatas del selectivo lo que nos dio lo que faltaba, confianza arriba del barco y una referencia frente a otros rivales.

Poco a poco fuimos intensificando el entrenamiento hasta 1 mes antes del Campeonato en donde paramos ya que viajamos a Turquía para el ISAF Youth Worlds. Volvimos una semana antes del Campeonato y entrenamos un poco antes de la competencia, para entrar en calor y corregir pequeños errores. Nuestra debilidad en el campeonato fue el físico ya que el cansancio de las competencias previas empezó a notarse, más que todo en Eduardo que perdió mucho peso y fuerza.

Los primeros dos días fueron casi perfectos con regatas muy solidas y muy pocos errores, solo faltaba un poco en la partida ya que no estábamos bien con el "timing". El segundo día terminamos en la general 1 pero los argentinos habían hecho excelentes regatas quedando muy cerca de nosotros. Al día siguiente se complicó la competencia ya que en una sola regata los Argentinos, que son buenos navegantes de la clase laser, nos descontaron los puntos que llevábamos de diferencia dejando que la última regata sea la que definiera todo.

Nuestro trabajo en la última regata era terminar delante de los argentinos y aunque al principio no hicimos las cosas bien, en la última ceñida nos pusimos delante de ellos gracias a que aprovechamos un error de ellos y de ahí en adelante a mantenernos delante de ellos. Terminamos la regata 2dos y ellos 5tos así obteniendo el título.

Trabajamos con cabeza fría y manejamos bien la presión creo que eso fue lo que nos dio la ventaja ya que corrimos tranquilo y sin desesperarnos hasta el final.

Youth World Championship

experiences in other Laser 4.7 and Sunfish championships helped me keep concentration and not lose control under such pressure.

At the end, everyone was happy for our title, especially because it was claimed at home. We hope this result helps bring more people to the sport and particularly to the Lightning Class. We learned a lot during the Championship, especially about communication and teamwork. We will continue sailing the Lightning and hopefully doing a good job.

We must recognize the hard work of everyone who helped organize an excellent championship. Pincho Calderon helped maintain the boats in perfect shape and helped repairing potential issues quickly to ensure fair boat rotation. We also wanted to thank everyone who helped us with Lightning techniques and tactics, such as Nicolás, Juan, and Paco.

Experiencias parecidas en otros campeonatos como el mundial de Laser 4.7 o el Mundial de Sunfish me ayudó a mantenerme tranquilo y hacer las cosas bien.

Todos terminaron muy felices por el triunfo y lo mejor es conseguirlo en casa. Esperamos que este resultado sea un incentivo para atraer personas a este deporte en Ecuador que no tiene mucha acogida.

Aprendimos mucho de este campeonato, más que nada a trabajar en equipo y comunicarse mejor. Seguiremos navegando en la clase Lightning y esperamos seguir haciendo un buen trabajo.

Hay que reconocer el gran trabajo de todos los que ayudaron para que el campeonato sea perfecto, a todos los medidores que mantenían los barcos al 100% y reparaban todo muy rápido haciendo que sea un campeonato muy competitivo, además agradecemos a todos los que nos ayudaron en la parte técnica y táctica como Nicolás, Juan y Paco.

15057		Mario R Fumagallo

After years without Lightning regattas in Argentina, in 2010 we began moving, step by step, and with great determination. We first sent a crew from Rosario to the Youth World Championship. Tommy Dietrich, Gaston Bisio and Tommy Pellejero did a superb job and finished in second place in Salinas, Ecuador. With my wife Andrea and son Manuel, we trailored 15057 to the Brazilian Nationals in San Pablo. Later with my brother Eduardo, a former two-time Argentine Snipe Champion, we went to Antofagasta in the north of Chile to the Nationals. We did more than 6,000 miles and sailed superb regattas, finishing seventh and ninth. We met very nice people and visited magical places like San Pedro de Atacama in the desert and the beautiful ILHA BELA, the Brazilian capital of sailing.

The first Fleet Championship was in Rosario in April.

Results:

1 °	Fumagallo/Chaina/Pellejero	15057	Fugitivo
2 °	Fumagallo Jr/Trivero/Peris	15219	Sueñero
3 °	Loyarte/Loyarte/Hernandez	11035	Yendo

For the South American Championship , four teams traveled to Ecuador, and team Cloos/DeMare/DeMare finished in sixth and won the Argentina spot for the Pan Am Games. Other finishers included:

Ricoveri/Monroy/Berberian	11th
Fumagallo/Chaina/Fumagallo	12th
Dietrich/Bisio/Pellejero	18th

2010 Brazilian Championship: 4-7 of September, 2010 SPYC – São Paulo

During the holiday of 7 September, São Paulo Yacht Club hosted the Brazilian Lightning Championship. In total 16 teams from São Paulo, Minas Gerais, Paraná and Argentina participated in the competition.

After six regattas, the champions were Claus Biekarck, Gunnar Ficker and Marcelo Silva, followed by Tommy Sumner, Felipe Brito and Felipe Gil and in third, Felipe Echenique, John Bennet and Mirinha Hackerott. The regattas were very close and disputed for the first three days.

With winds reaching twenty knots from the northwest, decreasing by Tuesday, the event showed the strength of the Brazilian team preparing for the 2011 Lightning Worlds.

Final Results:

1	Claus Biekarck, Gunnar Ficker e Marcelo Silva	7 p
2	Tommy Sumner, Felipe Brito e Felipe Gil	9 p
3	Felipe Echenique, John Bennet e Mirinha Hackerott	19 p
4	Mario Buckup, Telma Buckup e Mark Buckup	21 p
5	João Hackerott, Ricardo Costa e Mariana Peccicacco	23 p
6	Caio Prado, Roberto Marinelli Jr e Fabio Strauss	26 p
7	Hans Ludwig, Pedro Soares e Raquel Russo	37 p
8	Mario Fumagallo, Manuel Fumagallo e Andréa Chaina	39 p
9	Diego Zagonel Mello, Jordan Zagonel Mello e Fabio Wilke	42 p

Match Race São Paulo

Lightning's Used for Match Races in São Paulo in 2010

Twelve teams disputed races throughout the year with João Hackerott ending up winning the 2010 Championship.

Match Racing has been an excellent way to attract young sailors and to assist all others in tactical decisions and mainly in good starts in fleet racing.

Final results:

João Hackerott	1 -25	2 -20	1 -25	70
Felipe Echenique	2 -20	1 -25	2 -20	65
Enrico Francavilla	3 -12	3 -15		27
Caio Prado	4 -15			15
Ricardo Lobato	3 -15			15
Mari Peccicacco	4 -12			12
Adriana Kostiw	4 -12			12
John Bennett	5 -10			10
Rafael Krausz	5 -10			10
Manfred Kaufmann	5 -10			10
Isabela Malpighi	6 -8			8
Fabio Bruggioni	7 -6			6

São Paulo State Championship

São Paulo Yacht Club – 2010

9 regattas showed once again Claudio Bieckark, Marcelo Silva e Carlos Wanderley are nearly unbeatable.

With Tommy Sumner, Felipe Brito and Filipe Gil in close 2nd and George Rider with Pedro Soares and John Jansen in 3rd.

Final Results:

We thought the Class would be interested in some information about the Sears Cup, sailed in Lightnings this year at Mission Bay Yacht Club. Twelve skippers made their boats available; almost all were retuned for the sails provided, and the fleet worked hard to make the boats comparable and easy to use—new lines, new cleats, new labels. Every team had a chance to sail each boat and find out how different a 13000 series could be from a brand new 15000 series boat—especially the location of all the lines.

The winner was the MBYC team of Scott Hoffmann, skipper, his twin, Evan Hoffmann, middle, and Reece Burnett, front. It was a round robin event, but it didn't seem to matter which boat they sailed, they won easily, scoring five bullets in the middle of the regatta. They didn't need to sail the final two races but chose not to start only the last race.

In the picture the team is wearing gold jerseys, which means they were in first place. For the Hoffmann twins, it was an historical event—their third Sears Cup Victory. No other skipper has done that. A great ending to their junior sailing career before they left for college.

- 491 Lake Nockamixon

It was a great year for the CAD. The season started off at the Southern Circuit with four boats making the trip down for one or all the events. Mark Schneider was 12th overall circuit, Dick Moyer 16th overall circuit, John Faus 9th overall circuit and Maury Benbow 31st in Miami, 8th at St. Pete Masters' and 28th overall at St. Pete.

Next up the CADs were held at Little Egg Harbor where great conditions were offered both days. Mitch Knatt won the twenty-five-boat fleet, just ahead of Mark Schneider and Rich Warren.

Many made the trip down to Severn Sailing Association for the ACCs at the end of July. With seven boats making the trip down, three made the top ten—Caroline Patten, Will Brown and Brian Taboda.

CAD also had the honor of hosting the NAs this year. Women's, Junior's and Masters' were held at Metedeconk. Jody Lutz and the large amount of volunteers helping with the regatta and measurement put on a great regatta in very windy conditions, but every fleet had fun. The District won two of the three championships, with Courtney O'Connor and crew winning the women's fleet and Timothy Crann and crew winning the Juniors'. Other finishers in the Junior fleet were Arielle Delisser in 4th, Jason Lutz in 5th, Kayla Ellis in 14th, Gillian Frances in 15th and Chris Schon in 17th. The Masters' fleet had three, with Rich Warren in the top three, his brother Steve in 9th and Maury Benblow in 13th.

The seventy-five-boat fleet at the North Americans, hosted by Toms River Yacht Club, had six CAD boats in the Blue Fleet. Jody Lutz took 8th, Will Brown 10th, Rich Warren 17th, Brian Taboda 19th, Mitch Knatt 30th, and Caroline Patten 35th). There were three in the Green Fleet. Steve Warren took 5th, Dick Moyer 12th, and Keith Taboda 13th. There were four in the Yellow Fleet. Mike Warren took 3rd, Matt Reiser 4th, Eric Reitingier 6th and George Glenn 10th.

States were held at Ocean City at the end of the season. Fifteen boats made the trip, and John Townsend and crew took the win over George Glenn and Brown Baer.

Pan Am trials were held at Davis Island Yacht Club in Florida. Jody Lutz and Will Brown qualified. Jody and crew will be representing the USA at the Pan Am games. Will finished 5th.

The highlight of the 2010 sailing season at Metedeconk was the hosting of the WJM Championships the first week of August. The regatta attracted forty-two boats and sunny skies, ample wind (at times more than ample!) and a first-rate team, both on the water and land, attracted smiles from the contestants.

Regatta chairman Jody Lutz crafted a team of club volunteers who spent months planning and working to pull off a top-rate regatta. Mission accomplished. From the moment the boats arrived at the club to the final victory toasts on the trophy ceremonies, the regatta ran efficiently and, most of all, was fun. Imagine if Jody had let another beer keg get tapped!

There was fine racing, and products of the Metedeconk Junior Program took two of the three top honors. Timmy Crann won the Juniors, becoming the fifth Metedeconk winner of this prestigious championship. Jason Lutz took fifth, and club members Gillian Francis and Chris Schon also competed. Courtney O'Connor took the Women's crown. Her crew was Timmy Crann's sisters, Meghan and Caitlain. The regatta also saw a return to Lightnings by Mimi Dimon, Deb Freeth Corrison and Teri Gelenitis who finished sixth. The Masters was won by Peter Hall from Canada, who edged out Steve Davis for the honors.

Besides the happiness among the competitors, the holding of such a prestigious regatta did much to increase the spirit and community of Metedeconk's members. From Class stalwart Jim Carson's excellent Race Committee management to the assistance of new club members who barely had seen a Lightning, the support of the club in holding the event produced comradery and relationships

Central Atlantic

that will assist the Club long term. We thank the ILCA for allowing us to host this fine event.

The race course in 2010 was absent Jim Carson, as he was on the disabled list much of the year. Jim's presence was important to the fleet's development, as always, acting as Race Committee Chair for WJMs, lending his Lightning out to fleet members, including Timmy Crann's victory in the Junior NAs, and providing guidance. Jim was able to defend his BBYRA title over the summer, his 26th overall.

Possibly one of the most amazing 2010 feats was Jim's opening race the Central Atlantic Districts in June. Jim was still hobbling and intended to sail a Districts race to qualify to sail in the North Americans. As the first race began, winds increased dramatically, with blasts sending many sailors into distress and disaster. Jim persevered and took a second before settling onto shore and the rocking chair for the rest of the day, still showing flashes of his sailing excellence.

The Central Atlantic Districts, held at Little Egg Harbor, was won by Metedeconk's Lightning Fleet Captain, Mitch Hnatt. Mitch's 2010 racing was diluted a bit by his growing family, but he won his first Districts after many top five finishes. He also qualified for the Championship flight at the North Americans, finishing thirtieth. Mitch also won the Lightning Spring Series, which serves to crown the Fleet Champion for 2010. He furthered his Lightning title to become MRYC Club Champion, a title he has won many times, beating the champions of the other fleets. Mitch also led the Advanced Junior Class, which has lessons in Lightnings each week during the summer. The members of that class made up much of the four Metedeconk boats that sailed in the Junior NAs.

2010 at Metedeconk can be known as the year of the Jody. Jody Lutz was everywhere: he served as the Commodore of Metedeconk for 2010, was well as the aforementioned Chairman of the WJMs. Several doubted his sanity when holding even one of these titles, and we were surprised that Jody didn't have a Charlie Sheen crash landing. To the contrary, his work helped pull off a fine year at Metedeconk. More importantly, after Jody got done being a politician, he won the Lightning Pan Americans Trials in Tampa in the fall and will serve as the U.S. representative in the 2011 Pan American Games in Mexico. Jody also scored an eighth in the North Americans.

Keith and Brian Taboada continued to travel their Lightnings to several regattas, from the Long John in April to the Atlantic Coast Championships in the summer. Brian

finished second at the ACCs, held in Annapolis, edged by eventual NA Champ Dave Starck. They competed in the Districts (Keith 5th, Brian 7th), as well as the North Americans held at Toms River. Brian qualified for the Championship flight, finishing nineteenth. Keith finished thirteenth in the Presidents Cup, a bit of a disappointment for him. Observers blame his long term crew, Russ Schon for the decline in results.

The fleet welcomed neighbor Matt Reiser in 2010. Matt is not a Metedeconk member, but he had always been present at invitational events at Metedeconk. Matt had a fine year, finishing fourth in the Districts and also sailed the NAs, taking fourth in the Governor's Cup.

The Metedeconk River Yacht Club expanded in 2010, with a new building constructed to house the club's juniors during their daily lessons, racing and regattas. This junior club house was named in May at the club opening, the "Andrew Brennan Junior Center" to honor one of Metedeconk's finest young sailors. Andrew grew up sailing Lightnings, and one of his laurels included winning the Junior North Americans. The Club house will stand as a constant reminder of Andrew, of his smile and ability on the race course.

The fleet was further buoyed by the awarding of the Steketee Trophy, which is awarded by the ILCA each year to the fleet that has been outstanding in promoting and developing racing. We are very flattered by the award and look forward to continue to be a hub for excellent racing in 2011.

We look forward to 2011 as we are hosting the Central Atlantic Districts in July. Co-chairs Mitch Hnatt and Richard Thomas promise a good time to be had by all.

Brian Taboada at the Long John Regatta

173 *Brant Beach Yacht Club*

Sailing on Little Egg Harbor

14325	Verbal Abuse	Carl A Reitingner
14660		Edward Serrill
14927	Thunder	Kayla Ellis

First off, we welcome a new boat to the fleet. The Ellis family bought a boat before the season started and helped bring some life to the fleet. Their daughter Kayla, along with crew Cindy Ciccotelli and Nick Lojek, sailed a few events over the summer.

The season started off in June when the fleet hosted their annual regatta. Six boats competed with Dick and Helen Moyer and John Depenbrock, winning the three-race series. We had the fleet of three out for our 4th of July race. Team Reitingner, Glenn, Beth and Carl, won with Kayla Ellis, Eric Reitingner and Cindy Ciccotelli in second and Team Serrill in third.

CADs were held at Little Egg Harbor Yacht Club with some great racing and conditions. Eric Reitingner, with Chris Williams and Kayla Ellis, finished twelfth out of the fleet of twenty four. Kayla and team traveled up to Monmouth to race in the New Jersey Junior States, finishing second. Their season capped off at a very windy Junior NAs held at Metedeconk, finishing fourteenth out of seventeen. They had fun despite the nearly survival conditions each day.

Kayla didn't have a break, hopping in the boat with Eric and Carl Reitingner to sail the NAs. The fleet was tough but they sailed in the Yellow fleet, finishing sixth out of the fourteenth.

Little Egg's Down Bay regatta occurred the next day after NAs. Team Reitingner won the fleet, with Kayla's team finishing right behind in second.

Brant Beach Yacht Club is dedicated to one-design racing. We have several active fleets, including Optimists, Lasers, Sunfish, 420s and Mariners. A major one-design regatta is held every year, and this past year BBYC won US Sailing's One Design Award for the administrative excellence, fleet growth, creative programming, regatta support, and member contribution they provided to a number of regional, national and international one-design events.

The RYC Lightning Fleet was happy to welcome back Maury Benbow, who returned to Lightning sailing in 2010 after taking a couple years off to concentrate on his cruising sailboat.

The Riverton Fleet is growing with active racers. Overall, the fleet had ten boats, with nearly all of them racing on the Delaware on Wednesday nights.

John Haiges won the season championship, followed by Maury Benbow and Allan Crew. In June, the RYC hosted the New Jersey Governor's Cup. Hugh Hutchison won in the Lightning Class.

15345	The Situation	John Faus

The 2010 sailing season for BLYC Fleet 335 started with our annual winter get-together held this year at Main Street in Princeton. About thirty BLYC members and spouses attended the dinner, followed by a brief meeting to discuss the up-coming sailing season.

Our fleet summer series consisted of twelve scored races over four weekends, and our annual regatta was held on the last weekend in August. A very strong and competitive regional regatta season, including the local appearance of the NAs and unfavorable weather conditions forcing cancellations, affected our Saturday fleet races.

Congratulations to the top three finishers for the season: 1st place to John Faus, 2nd place to Peter Menninger and 3rd place to Mark Kaplan.

Further congratulations are extended to the top three finishers of the annual regatta: 1st place to John Faus, 2nd place to Peter Menninger and 3rd place to Bill Clarke.

Special recognition needs to be given to fleet members and members' families who sailed beyond Barnegat Bay during the 2010 season. John Faus had top ten finishes on the Southern Circuit, while Will Brown turned in a sixth place finish at the Atlantic Coast Championship. Will and John teamed up for the North Americans, finishing tenth in the Championship fleet.

Central Atlantic

Will also found his way to the Central Atlantic District Championship, along with Peter Menninger. Additional mention for Caroline Patten, who returned to the east coast sailing, finishing seventh at the Atlantic Coast Championship, and Arielle DeLisser who finished second at the New Jersey State Championship.

The largest extracurricular activity undertaken this season was the production of a Race Committee information packet. Mac DeTuro took the initiative of creating a document with the goal of assisting the Race Committee volunteers in their efforts to run smooth races. For this effort and Mac's continued support of the fleet we are greatly appreciative.

The Fleet would also like to take this opportunity to thank all of the volunteers that have made all of the above possible. We would not be able to do any of this if it were not for the commitment of Wayne Shaner, Larry Murphy, Paul Wood, Jim Bigham, and Frank Shuler, to name just a few.

As we look towards our Fleet's 50th anniversary, we want to thank Mark Kaplan for his years of service as Fleet Captain and welcome Peter Menninger to the helm of Fleet 335.

15383	Flower Child	John J Parker

What is a Lightning? No, not the sudden release of electricity, which causes a distinctive bright flare, followed by a thunderclap. No, not even a nineteen-foot trailerable centerboard sloop originally designed by Sparkman & Stephens. So then the question is begged, what is it? Or perhaps who is it?

Is it a Mr. Pinky, an asgard, a sailman, or an architect? Could it be a freebooter, a water rat, a flower child, or a perfect wife? Or is it white, a blue streak or an odyssey—a long wandering and eventful journey?

No, it is more than electricity ignited when rankings are separated by costly mistakes. During the final racing of a discombobulated season, when the pedal meets the metal, it is when the mainsheet gets caught on the anchor line at the finish. It thrusts the winner into a foul situation. Realization drives the sailor into frenzy, clogging the mind where the thought of exoneration is obliterated by WTF.

It is when the Race Committee patiently waits for the Drains to work, is saddened when it doesn't, and gets the plunger out. It is the moment of reckoning.

It's the sudden awareness that moving into the 21st century with a much-needed course on rules is at hand. It is learning that hitting marks requires doing a turn. Or how about understanding that the line of demarcation at the mark is now sixty feet—yes, that is a lot of real estate on the water—a lot to give way to. It is realizing you can't crowd in or push forward. It is understood you have no room.

A competitive year this was, 2010. When the fleet calls the general recall and the committee calls individual. It was a year when the time limit was enforced on the fleet on more than one occasion as current rather than wind propelled.

Central Atlantic/Central Canada

It was a year where a Gidge, a Chappy, and a Brown raced the North Americans. To us, they are a part of our culture so we don't notice how odd their names seem, but the registration committee did. Dock daisy is born, mark boat crew joins in, a finger gets stapled, and a Brown Baer deservedly wins the season.

It was a transition year, a year of a different kind of growth. One that comes from within rather than in numbers. Although we've grown from three to fifteen in a few short years, the difference a year makes is profound.

New boats acquired, revamped sails sewn, hardware sparkling tight made a difference. No, a lightning is more than just a boat with a skipper and crew. It is a motley gang who at the end of the day gathers in the yard and puts their differences aside. With beer in hand (only in the yard, a costly mistake discovered by one) they talk, laugh, and chide. All about the day. All about the sport. Some walk away. They come back.

No, it is more than just a boat, a skipper and crew. It is an electrified presence. It has life that roars with thunder. It is a long-time Ocean City gang that has the heart and soul of Sparkman and Stevens. It is a fleet with a distinctive bright flare.

Central New York Lightning District has the good fortune that most fleets in our District want to host a regatta. In 2010 we had four one-day and four two-day regattas, in addition to a Central New York Sailing Association's two-day regatta that this District has participated in over the years.

Woodys have a special place in the Central New York District hearts since the Lightning was born on Skaneateles Lake in 1938. Craig Thayer with Fleet 10 hosts an annual woody regatta on Onondaga Lake, and Jamo Jones with Fleet 4 on Lake Delta have a fiberglass and woody division at their annual regatta.

We welcome all to our District where racing is both competitive and friendly. Please visit our postings at: <http://www.box.net/CNYLightnings>

Here are some highlights from 2010 regattas:

- Newport Yacht Club – sailing on Irondequoit Bay: Two-Day Celebration of Spring regatta attracted fifteen boats. The winner was David Starck; runner-up was Mark Sertl. There were difficult conditions on Saturday and 20+ mph winds on Sunday.
- Willow Bank Yacht Club – sailing on Lake Cazenovia: Two-Day Caz Flash Bash regatta attracted seventeen boats. The winner was Dick Hallagan; the runner-up was Clay Murphy.
- Keuka Lake Yacht Club: One-Day regatta attracted thirteen boats. The winner was Dick Hallagan; the runner-up was Malcolm Hendry.
- Crescent Yacht Club – sailing on Chaumont Bay: This two-day District regatta attracted fourteen boats. Saturday presented 30-mph winds, followed by a great party with a chicken dinner, and dancing. The winner was Kirk Reynolds; the runner-up was Bob Wardwell.

Central New York

- Lake Delta Yacht Club: This one-day regatta attracted thirteen boats in the fiberglass division and five in the woody division. The fiberglass winner was Kirk Reynolds; the runner-up was Dick Hallagan. Woody winner was Roger Slade; the runner-up was Craig Thayer.
- Skaneateles Yacht Club: This one-day regatta, a favorite regatta sailing on Skaneateles Lake, attracted seven boats. The winner was Dick Hallagan; the runner-up was Clay Murphy.
- Willow Bank Yacht Club – sailing on Lake Cazenovia: One-Day regatta.
- Ithaca Yacht Club – sailing on Cayuga Lake: This one-day Frostbite regatta attracted fourteen boats. The winner was Clay Murphy; the runner-up was Kirk Reynolds. Our notes showed it was a sunny day in the 60s with light and variable winds.

In place of the annual “Woody Get Together,” typically held on Lake Onondaga in the Syracuse area in August, wooden Lightnings and Snipes participated in a regatta sponsored by the Finger Lakes Boating Museum held on Seneca Lake near Geneva.

The Central New York District would like to thank Jillian Dart who has served as District Secretary / Treasurer from 2005 through summer of 2010. Her cheerful dedication to the District and the Class is greatly appreciated. We look forward to seeing her smiling face on the race course long into the future.

Lori Foster

14645		W Craig Thayer

With Brian's boat still under restoration, the Lightning "fleet" was comprised of Craig Thayer, sailing his #736 and #14645 at the club's Sunday handicap series, and a few special regattas. In place of our annual "Woody Get Together," Craig and about fifteen other woody owners traveled to Geneva, New York, to sail in a wood Lightning and Snipe regatta, sponsored by the Finger Lakes Boating Museum. His crew was Pete Russell from Ridgeville, South Carolina, now the proud owner of #9392, who had been a fellow Lightning sailor when Craig lived in Charleston thirty-five years ago. We had plenty of wind on Saturday, but with the forecast for rain and not much air on Sunday, we opted for a short ride over to beautiful Keuka Lake and a visit to the Glenn Curtiss Museum in nearby Hammondsport—well worth the admission.

The last weekend of August saw #736 traveling again, this time to a one-day regatta with a combination of glass and wood fleets at Lake Delta near Rome, New York. This was their second annual Lightning regatta after a hiatus of about thirty years. Jamo Jones and all the others at Lake Delta Yacht Club once again provided good winds and great after race refreshments and fare.

If any of you woody owners are thinking of getting their boats out of the barn and sailing again, and are in reasonable driving distance of Syracuse, New York, our annual "Get Together" is again returning to Onondaga Yacht Club with a tentative date of August 13–14. Come join the fun!!

Fleet 77

The 2010 sailing season at Newport Yacht Club began early in the spring with the reconditioning of a forty-year old donated Lippincott, #11538. We started with John Atkins stripping all of the hardware and fittings, then sanding and painting the deck and bright work. By April or so we relocated the fine craft to Dick Hallagan's nice new garage for the reinstallation of new hardware fittings, control lines and floor boards. The fleet purchase of a newer mast and stainless steel center board to replace the old was a must for this project, and the price was right. I would like to thank Dick Hallagan for the use of his garage and kind donations for some of the new equipment we needed. Thanks to John Atkins, Lori Foster, Dan Pope and Al McReynolds for all lending a hand helping to complete this undertaking. "The Lippy" will be a great addition to our Fleet, and we believe it will help introduce new Lightning sailors into our club.

Spring sailing at our club started out a bit slow, mainly due to weather, with only two races sailed for the series. Dick Hallagan took the honors with first, Dan Pope second, Phil Lange third.

Newport Yacht Club has had another successful summer series with ten plus weeks of sailing on Thursday evenings. Sailing on the bay during the week avoids the weekend powerboat traffic and waves makes racing more enjoyable. Throughout the summer we had eight different Lightnings come out to sail and averaged around five boats each night, with a total of fifteen races. The final outcome for the T-night sailing was: Dick Hallagan taking honors, Al McReynolds a close second, Dan Pope third, Andy Smith fourth and Landy Atkinson rounding up the top five.

One note is that most every evening the bay had decent breeze so we never made it out to the big lake, which allowed the fleet to get back on shore earlier to enjoy the barbeque and beverages before dark.

The fall series had three boats competing with a total of two races. Dan Pope won the series, followed by Dick Hallagan and Phil Lange in third place.

After tallying all the series scores for club champion, Dick Hallagan ended up with the big honors, sailing a total of eighteen races, followed by Dan Pope second with fifteen races, Alan McReynolds third with ten races, Andy Smith fourth with nine races, followed by Phil Lange in fifth with eight races sailed throughout out the season.

Our annual "Celebration of Spring" regatta held June 5 and 6. With the help of Bill Toppings as PRO and Dan Pope and Al McReynolds as regatta co-chairmen, this past year's event went on with good success. Fifteen boats entered the regatta that supported an awesome Tex/Mex dinner from the famous "Moes" Restaurant.

Saturday we came to the club to see a cool gray over-cast day with the dreadful building west breeze. Folks that have witnessed Irondequoit Bay will tell you how difficult it is to sail when the breeze is strong out of the west. The Race Committee took the fleet south of the bridge, thinking this would be the best location to set up a course. One race was sailed in very puffy shifting conditions, with Bob Wardwell winning hands down, followed by Mark Sertl and Jed Dodge.

After the first race, the committee decided to relocate the race course north of the bridge, as the winds seemed more stable there—well not really, but we did manage to get off two more races in very difficult conditions.

Central New York

Champions: David Starck, Jody Starck and Ian Jones

Champion Trophy

On Sunday it was cold, raining and blustery with winds out of the northeast at twenty plus and building. The waves in the bay were building like we have never seen, so after a few hours of the waiting game, we decided to pull the plug for the day. The final results after three races were: David Stark first, Mark Sertl and family in second, Dick Hallagan in third. Thanks to all that helped with this event which I'm sure will be one to remember.

Many thanks have to go out to Alan McReynolds who kept track and logged the scores for the season, Eric Schoenhardt for managing Race Committee and all the volunteers who helped out the Thursday night series with all the great food, beverages and fun.

Let's all look forward to an exciting 2011 season at NYC.

Daniel Pope, NYC Fleet Captain

We had another great year at Willow Bank and our Lightning Fleet is thriving. Our oldest but still competitive Lightning, 12004, got patched up after a fall off the hoist at the Caz One Day in 2009. We have ten active boats and seem to slowly but steadily add to our numbers.

One-Day Fleet

One-Day Fleet

Central New York

This year we had great wind at both our regattas. The Saturday night dinner of beef tenderloin at the Caz Flash Bash in June was to die for, and our skippers did well, with Clay Murphy coming in second and Federico Meira in third.

Pam Murphy was instrumental this summer in starting Thursday Lightning sailing for our Lightning women, aptly called Ladies on Lightings (LOL). It was designed to get the ladies that crew out of the front and comfortable in the skipper's seat. We'd like to thank Pam for her time, patience and great teaching skills. I know everyone involved enjoyed themselves.

We also have been working to get our junior fleet members involved in Lightning sailing. Both A.J. and Peter Murphy have been participating in regattas and our weekend races, following in their parents footsteps. Alex Marshal, twelve, was our neophyte, crewing for Federico Meira and impressing us with his calm and willingness.

In September our Caz One Day was another success, with some of our skippers placing third, fourth, fifth and sixth. We ended our season with our traditional chili lunch.

Next year will be a big year for us at Willow Bank. We are hosting the Central New York Sailing Association's annual regatta on July 9 and 10 (Centrals), as well as the Caz Bash two-day regatta June 18 and 19, and then our Caz One-Day regatta, September 24. Hope you can make it !!

14321	You Bet	Jack Jones
14808		John Boxberger
14923	You Bet	Jack Jones

Fleet 225 had eight skippers participate during the 2010 racing season. We had our annual Spring "Get Together" in June, with a steak cookout at the Treadwells' to kick off the season.

Our racing calendar commenced on June 13 with the Apple Blossom Race and concluded on September 18 with the Frostbite Race. Winning Skippers were:

- John Treadwell – AppleBlossom, Spring Series, Barne's Memorial, Captain's Cup, Summer Series and May's Trophy
- Dick Grissinger – Frostbite Race, Robert Hoffman Junior's Trophy
- Phillip Fargo – Skipper's Race and Schuyler Deeney Stoney Race and Fall Series

Tuesday Night Suppers were held weekly at area cottages with great food and fun for all ages. The awards banquet

Summer Fleet

Central New York

was held September 18 at Ryan's Lookout. Awards and flags were presented to winning skippers, and volunteers were recognized for all their help during the past year.

Special recognition went to Dr. Harold Lyness, a long-time member of the Fleet and an avid sailor of Snipes and Lightnings. He has supported the Fleet in so many ways over the years as a sailor, photographer and promoter of the sport.

252 *Keuka Lake*

Sailing on Keuka Lake
Hammondsport, New York

Fleet Officers:

Fleet Captain: Dave Chervenik

BOAT#	BOAT NAME	SKIPPER
9249		Leon A Fontier
12711		John T Brown
14431		Leon A Fontier
15156	White Lightning	Dave Chervenik

Fleet 252 at the Keuka Yacht Club ([KYC](#)) continues its focus on rebuilding its fleet. In 2010, we maintained our fleet base and were able to reintroduce regular weekend club racing.

2010 Results:

Pos	Skipper	Sail#	Pts	Disc	Final
1	Dave Chervenik	15156	10	2	8
2	Leon A Fontier	14431	17	2	15
3	John Brown/Peter Maier	12711	27	3	24

2010 marked the 42nd year of our annual Champagne Regatta. The regatta was held on June 26. Unfortunately, we had more spectacular views from Keuka Lake than we had wind on the lake, but, nevertheless, we were able to complete two races for the day. Thirteen boats participated, three of which are from Keuka Yacht Club—Dick Hallagan, Malcolm Hendry, and Philip Lange skippered the 1st, 2nd, and 3rd placed boats, in that order.

Central New York

Fleet 252

Pos	Skipper	Sail#	Pts	Disc	Final
1	Dick Hallagan	15255	1	1	2
2	Malcolm Hendry	14917	2	2	4
3	Philip Lange	15276	5	3	8
4	Dan Pope	15250	6	4	10
5	Jesse Miller	14799	4	6	10
6	Jeannette Little	15188	3	11	14
7	Ed Seyerlein	15314	8	7	15
8	David Chervenik	15156	11	5	16
9	Leon Fontier	14431	7	9	16
10	John Atkins	15121	10	8	18
11	Landy Atkinson	14949	9	10	19
12	Barry Brogan	10490	13	12	25
13	John Brown	12711	12	13	15

Looking to 2011, Fleet 252 will continue its focus on rebuilding in number of boats and district and general race participation. As it once was, we will be extending the Champagne Regatta to a two-day event, as well as it will be the Central New York District race event for 2011. We are hopeful through our efforts that we can continue to grow and strengthen our Fleet at KYC and within the District going forward.

15314		Edward Seyerlein

Fleet 484 had four active Lightnings this year. At the beginning of the season we had planned to race one Sunday per month. Because of other commitments, we actually only raced one Sunday afternoon. Ed Seyerlein won.

The four of us did actively support the District regatta events. The four of us in aggregate attended sixteen events. We all greatly enjoyed the camaraderie with our fellow friends and sailors.

Ithaca Yacht Club and Fleet 484 hosted the annual one-day Frostbite Regatta in October. We had fourteen boats, including three from Ithaca. We sailed four races in light and variable breezes. Clay Murphy won. Steve Little and Byrne O'Brien again did an excellent job as the Race Committee.

We all look forward to 2011.

If you find yourself driving along I-95 through Westport, Connecticut, be sure to stop by the Cedar Point Yacht Club, home of Lightning Fleet 126. You will find the fleet out sailing on the Long Island Sound every Saturday from Memorial Day through Labor Day, with a slew of three-day weekends and Connecticut/Rhode Island District events thrown in the mix.

Don't have your boat in tow? Not a problem—Fleet 126 has a competitive fleet boat that is anxiously waiting for your arrival. We expect a 2011 which will rival our successful 2010, so be sure to stop by and join in on the great sailing and the fun.

Our 2010 season started out with our traditional Early Bird Regatta. Nineteen Lightnings made it to the line, though few saw much of Brian Taboada after the start of each race. Brian convincingly won the four-race, one-day event, with David Peck and Cedar Point's own Gianni Cuccio finishing in second and third, respectively. The remainder of the fleet was extremely tight, as evidenced by the meager eight points that separated positions four through nine. Greg Hall and Ed Adams rounded out the top five.

After getting the season kicked off with a fantastic Early Bird Regatta, local fleet racing came into full swing. The series began with a three-day Memorial Day Vice Commodore's Cup Regatta. A total of ten boats competed on at least one day of the weekend. Josh Goldman took top honors for the weekend, followed by David Howe and David Fried.

The second of Fleet 126's three-day weekends, the Commodore's Cup Regatta was sailed around the July 4th weekend. Guest Jay Mueller bested the nine participating boats, while Eric Heller, the top CPYC boat, won the cup. Eric won the championship in a tie breaker over Dick Thackaberry, and Josh Goldman finished the long weekend in third.

The final three-day series of the season, the Rear Commodore's Cup, was slated for Labor Day weekend. With some uncooperative weather, this turned into a one-day affair, and Dick Thackaberry bested the six-boat fleet to

Start of race in the Early Bird Regatta

Connecticut/Rhode Island

take first, David Fried finished second, and David Howe finished in third.

Saturdays throughout the summer were jam-packed with Lightning sailing. We completed a total of thirty-four races towards the overall championship, with thirteen different boats seen crossing the starting line at any given time. When it was all said and done, Josh Goldman was crowned the 2010 Fleet Champion and received the Gladys Cuccio Trophy. Dick Thackaberry, David Fried, Eric Heller, and Rod Ratcliffe completed the top five.

Each year the fleet honors a fleet member who encourages sportsmanship, camaraderie, and an overall love of sailing. Kathy Thackaberry certainly embodies those traits and was awarded the Dayton Titsworth Trophy for the 2010 season. Kathy went above and beyond to make the season that much better for the entire Fleet 126.

The 2010 Fleet 126 season culminated in the Annual Fall Classic Regatta. This two-day event brought some frigid temperatures, big wind, and two days of close competition for the nine-boat fleet. Jim Ward of Bay Village, Ohio, hopped into Ched Proctor's boat and sailed the most consistent series to win the regatta. Bill Bogardus won second prize by taking a bullet in the final race of the series, and Bob Hall of Mountain Top, Pennsylvania, finished in third.

In addition to our routinely scheduled weekend sailing, Cedar Point Yacht Club and Fleet 126 were proud to host the 2010 Adams Cup Area A/B Semifinals. Five competitive boats were provided by the local fleet to the teams from Mallets Bay Boat Club, Sail Newport, Chatham Yacht Club, American Yacht Club, and, of course, our own Cedar Point Yacht Club.

Heather Ambrose went on to win the competitive six-race series and in doing so took the Area A title. Madeline Gill, Kelly Radecki, and Christina Beale of Cedar Point went on to take the Area B title. Heather went on to take second in the Finals, while Madeline finished well in seventh. Needless to say, this was an extremely competitive semi-final, and Fleet 126 was proud to host a successful event, playing a role in sending these teams on their successful ways.

Fleet 126 was also well represented around the Lightning Circuit at both district and national events. Josh Goldman and Rod Ratcliffe made the trek down to Savannah, Miami, and St. Petersburg to sail in the Southern Circuit. Gianni Cuccio, Josh Goldman, and David Fried all sailed the light air CT/RI District Championships in Madison, Connecticut, where Gianni finished fourth in the tough twenty-boat fleet. Ched Proctor, Josh Goldman and David Fried then continued the traveling and represented Fleet 126 in the 2010 North American Championships. Ched and team had the best week, finishing the regatta in sixth overall.

The Fleet expanded in 2010 by adding a few new boats, and all signs are pointing towards continued growth and successful years in 2011 and beyond. Don't hesitate to join in on the fun and take our fleet boat out for a sail on any given Saturday in the summer of 2011. We can also guarantee you a ride anytime you're available to crew, so stop by and enjoy some of the beautiful sailing that we have to offer.

Jay Mueller, Jamie Ewing, and James Ward (l to r)

Our fleet of eight boats had an active summer in 2010. Starting the last weekend in June and ending on Labor Day, we ran thirteen season series and trophy races and managed to get most of the fleet on the water for each race.

A highlight of the summer was hosting the District 9 Championships in July. All club members enjoyed interacting with the sailors from around the District, and the racing and socializing were equally intense.

Over the last several summers, the sailing group at Madison has been encouraging wider participation in the sailing programs among adult and junior members. A happy by-product of this has been an increase in members joining in Lightning fleet events.

It's rare not to have crew available, which brings more boats to the line on any given weekend. We're blessed with good natured boat owners that are always willing and actively encouraging neophytes to join in the fun. While this might hurt them in the season standings, doing this has brought wider support for the Class, and we believe will ensure better, long-term health for the Fleet.

Anyone living in New England, or pretty much anywhere else in the country, understands this has been a long winter. As I write this in mid-February, two feet of snow remain on the ground, and we're all longing for the warm breezes that will bring another good season of sailing on the Sound. Happy trails from Madison, and we look forward to seeing our compatriots on the water.

We ended the 2009 season and started the 2010 season with the Fleet 50 annual awards banquet and general meeting, Saturday, February 20, 2010. The awards banquet was held at the Trattoria da Franco in Old Town Alexandria. Thirty-nine skippers, associates, and friends joined together for an evening of congeniality and remembrance and awards. Frank Gallagher was elected Fleet Captain for 2010; Bobby Astrove and David Thompson retained their positions as Fleet Treasurer and Webmaster, respectively.

Congratulations to winners of the skipper-nominated crew awards:

- Best New Crew – Brian Ganjei
- Most Improved – Crew Brena Copeland
- High Impact – Crew Bruce Heida

Congratulations also to the winners of the crew-nominated skipper awards:

- Team Spirit Skipper Red Fehrle;
- Mr. Congeniality David Thompson
- Skipper of the Year, Frank Gallagher.

Nabeel Alsalam won the Bloody Rudder and the Iron Skipper award; Craig Huzway was named All-Weather Sailor for being on the water more than any other crew; and Laurie Duncan was awarded the Most Improved Skipper prize.

Ted Hunting passed on March 4, 2010. We were saddened to hear of Ted's passing. Ted was a longtime owner/skipper of that infamous gray Lightning #12081, Swill Dog, and later co-owner of several other Lightnings with Joe Warren. Ted was one of the good guys. We'll miss him.

We started our normal nine Sunday PRSA Spring Series Sunday April 11!

The annual Doc Gilbert Potomac Cup Regatta was held May 1-2, 2010, down at Leesylvania State Park on the Potomac River. This year, in addition to the twenty-five Lightnings on hand, we had nine Flying Scots join us for two days of great racing. Saturday was mostly clear with breezes from the SSW at 6-12 knots, and on Sunday we got 10-15 under mostly cloudy skies. The conditions were just plain ideal for some really tight racing at times.

The Lightning Class was won by Ed Adams in a tight match with John Faus. We have to point out, however, that young Justin Coplan really dominated the weekend with four bullets and a third. Why didn't he win? Unfortunately for him, one of those bullets turned into a 26, as he was OCS. Ouch! Other than that faux pas, he really put on a clinic for us.

Frank Gallagher finished ninth overall to take home the coveted The Doc Gilbert Memorial Award picture as the top finishing skipper from Fleet 50. Bob Astrove was tenth, followed by Ron Buchanan in twelfth, Rick Welch in thirteenth and Chandler Owen in fifteenth. Gracious hosts we are to leave so many of the top spots to our out of town guests! As usual, Fleet 50 put on an excellent regatta, with some great RC work headed up by Bruce Bingman and Taran Teague. Of course, the awesome weather didn't hurt either!

The PRSA Memorial Day Weekend Spring Regatta was on Saturday and Sunday, May 29 and 30. Saturday brought us an overcast morning that slowly cleared with temperatures in the mid 70s and calm winds until noon. PRO from the docks, Nabeel Alsalam wisely postponed the departure until 11:45, and by the time we got to the race course, we had a very nice southerly, blowing 7–10 mph. Nabeel got off three great Olympic course races for the seven Lightnings, four Buccaneers, seventeen Albacores and four Hobies who came out.

Sunday's AccuWeather forecast called for sunny and hot conditions, a high of 88 degrees, and winds clocking from S to SSW at 8–12 mph. What we got instead were light and variable northerly winds, and we gave up on the day at 3:00 PM at the end of the second race, which not everyone finished, due to the expiration of the time limit. Congratulations to Aaron Boesenecker and crew who were unstoppable, taking first place in the Lightning Class, with four bullets and a third.

Next was the 2010 Dixie District Championships on Saturday and Sunday, June 12 and 13 at Rock Hall Yacht

Club! It was two great race days at an outstanding venue. Congratulations to Fleet 50 skippers Frank Gallagher (12th), Nabeel Alsalam (14th), Bobby Astrove (18th), and David Thompson (22nd) in a field of twenty four boats.

Twenty-five Fleet 50 members assembled on Saturday, June 19 at the home of Frank and Maryann Gallagher for a party to say goodbye to David and Barbara Thompson, who moved to Denver that summer, once their house in Herndon sold. It was a wonderful party on a warm June spring evening, full of camaraderie and reminiscing. David and Barbara were granted lifetime Fleet 50 membership and, among other going away presents, were given one of the last Doc Gilbert Memorial prints for their many years of great service to Fleet 50. They will truly be missed. Word on the street is that they were illegally recruited—a clear ILCA recruiting violation—by that Davis gang from the Denver area. In true Washington DC fashion, a Congressional investigation is underway.

Denise and Jeff tied the knot! As reported in the Sunday Style Section of the Washington Post on June 20, Denise Pavone-Brooks and Jeffrey Storck were married on June 5, after a high school romance that was revived after thirty-five years as a result of a Facebook meeting. It is a most amazing love story. Best wishes to the newlyweds!

It was a hot summer, but Wednesday Night Sailing ensued all summer long. We race some with the Albacores, but we cruised a lot on the mighty Potomac, either up to Washington DC or down to historic Alexandria, Virginia, either with friends or new crew. It was always a pleasant summer sail made more memorable by sipping a cold beverage. What fond memories they are!

Denise Pavone-Brooks and Jeffrey Storck

David Thompson Going-Away Party

Frank Gallagher, Joseph Warren, Suzan Humphrey, Red Fehrle, Katy Ward, and Allan Rogers used their Lightnings for Special Olympics Sailing, taking out Special Olympian athletes all June and July for practice on Monday nights at our home club at the Washington Sailing Marina (WSM). A local one-day regatta was held at WSM on July 17, followed by the Maryland/Virginia Special Olympics Regatta at St. Mary's College July 31–August 1. Lightnings have been involved with this effort since 1996.

In an interesting turn of events, longtime Fleet 50 member Jim Dillard, apparently unhappy about something, started his own fleet on the Poquoson River in southern Virginia and won his own fleet championship last year. This year he invited Fleet 50 to the 2nd Annual Poquoson Challenge Regatta on Saturday August 21, sponsored by the new Fleet 518 and held on the beautiful Poquoson River just south of the York River near Norfolk. The races were followed by a crab and beer feast. Fleet 50 members attending were Red Fehrle, Nabeel Alsalam, Frank Gallagher, Ron Buchanan and Chandler Owen.

The 75th Annual President's Cup Regatta, in its fifteenth year, as a joint effort with the Leukemia and Lymphoma Society, and its Leukemia Cup was held on September 11 and 12. The wind did not cooperate on Saturday, but the Race Committee still managed to get two races off. On Sunday, the first race was into a very soft breeze from the SE. The second race was also into a soft SE breeze, but in the middle of the race, it turned around, in fits, to the north. The third race was the best breeze of the weekend. Robert Bennett met us on shore with a rolling cooler of beer. We then moved to the party area where Tiffany had put together some Cajun specialties.

We started our normal nine Sunday PRSA Fall Series Sunday, September 11, 2010.

The Fleet 50 Championship scores were calculated on the basis of sixty-six races over the year-long season. Congratulations to Nabeel Alsalam and Team Shadowfax for their dominating performance all year. Rick Welch/Aaron Boesnecker and Team Sinistra are the Fleet Runners-up and were pretty awesome themselves. Frank Gallagher and Team "Resistance Is Futile," Jeff Storck/Bruce Heida and Team "Ariel," and Pat McGee and Team "Its The Water" round out the top five.

It was then time to put the Lightnings to bed and pull out the Lasers for our Winter Frostbite Series. Yep, we sail close to fifty-two weeks a year here at Fleet 50.

We wrapped up the 2010 sailing season, and kicked off the new one at the Fleet 50 annual meeting and banquet on Saturday February 5, 2011, at Sangam Restaurant in Arlington, Virginia. Evites were sent out by Nabeel, and Catherine Calvin organized the event.

Awards were given to:

- | | |
|------------------|---------------------|
| • Joe Kimak | High-Impact Crew |
| • Brian Bishop | Best New Crew |
| • Bruce Heida | Team Spirit Skipper |
| • Jim Dillard | Mr. Congeniality |
| • David Thompson | Skipper of the Year |
| • Nabeel Alsalam | Iron Skipper Award |
| • Eric Hakanson | Best New Skipper |
| • Mark Boaz | Bloody Rudder |
| • Stefano de Leo | All-Weather Sailor |

Fleet Championship Series:

1st Place	15142	Nabeel Alsalam Craig Huzway, Stefano de Leo
2nd Place	14553	Rick Welch Aaron Boesnecker, and Piercarlo Brunino
3rd Place	14566	Frank Gallagher Brenna Copeland, and Mladen Karcic
4th Place	15256	Jeff Storck Bruce Heida, and Becky Mach
5th Place	15195	Pat McGee and Paul Maher

15136		Thomas Compton

We recovered from the tornado that damaged most of the boats in our Fleet in 2009. It turns out that this was not the first time our Fleet was taken out by weather. It happened during a hurricane in the 50s when our Fleet was moored at the North East River Yacht Club.

Kyle Hanson rebuilt one of the damaged boats with parts from an old one his family had. He sailed it well this season, always competitive. Pat Phelan, with his son Jason and Brian De Brincat, qualified for the Pan Am Trials and went on to sail the trials at the Davis Island Yacht Club in Florida. Pat Phelan, with crew Mel Keen and Brian Phelan, Pat's Brother, and Tom Compton, with crew John Pasmore and Mike Magyar, sailed the Dixie District Championships.

Our Fleet did team racing with Susquehanna Yacht Club. We hosted The Duck Challenge Regatta. Havre de Grace is known for its museum of hard-carved duck decoys. Several people in the area produce such decoys for sale. We give them as awards at our regatta. We have an informal dinner where people cook their own steaks and salmon, provided by the regatta.

Most of our sailing is focused on Tuesday evenings. We run our own races on windward/leeward courses. We tend to run a lot of short races. At the end of the season we can easily run out of light. Last season we tried sailing after dark by putting lights on our marks and lights on our sails. This was a novel experience, one we would try again. After sailing, we usually grill something and have a beverage.

Tom Compton

253 *Susquehanna Yacht Club*

Sailing on the Susquehanna River
Long Level, Pennsylvania

The Susquehanna Yacht Club hosted the 45th annual Pennsylvania Governors Cup again this year. The event started in 1966. Dick Halligan was the victor, and this was the 20th time he's won it!

Members of our Fleet participated in thirteen regattas over the course of the 2010 sailing season. These included the Deep South Regatta in Savannah, Miami Midwinter Regatta, Winter Championship in St. Petersburg, Doc Gilbert Potomac Cup, No Gas Regatta in Annapolis, Central Atlantic District, Dixie District, North American Championship at Toms River Yacht Club, Duck Challenge at the Susquehanna Yacht Club, SMSA Regatta at Solomons, Frigid Digit Regatta, Pennsylvania Governors Cup and the Hampton Fall Fling.

Trevor Prior won the Dixie District Purnell trophy this year. Congratulations Trevor!

Our Junior Sailing Day events this year were very successful. They were attended by thirty-two junior sailors in June

and by thirty junior sailors in July. Much thanks to Kathie Wild who has organized this event over the last seven years and continues to do an outstanding job.

The overall 2010 Frey Cup champion was Matt Potvin. Winner of the Spring Series was Carol Park, and the winner of the Fall Series was Matt Potvin. Congratulations to all the participants this past year. Standings:

1. Matt Potvin 2. Carol Park 3. Star Mikell
4. Trevor Prior 5. John Bates

15311	Go Green	James H Dillard

Fleet 518 had one major event during 2010. We held our second Poquoson Challenge on August 21. The Poquoson Challenge is a one-day regatta and is all about having a good time. Boats could sail with one, two or as many as you wanted.

On the morning of the regatta, the Poquoson was a mill-pond. The Wind God was toying with me. By 12:00 there was a faint wind line from the east. He came through. It built to 10, gusting to 18, with twenty-degree shifts just to make it interesting.

Yuengling was our sponsor, so no one went thirsty, and there were enough crabs to have people drinking cool ones and picking crabs from 6:00 to 12:00. Red Fehrle walked away, no, demolished the crabs and the competition to claim the Energizer Bunny award for picking and picking. The sailors either spent the night at our cottage or at Chuck Wood's place across the creek.

Nine boats participated, five of which came down from Washington Fleet 50 in support of our new Fleet. The home fleet was gracious and allowed the visiting crews to take the (non) silver.

After receiving calls of, "Don't start without us, we are stuck in I-95 traffic," the regatta got underway at 1500. Due to the east wind, the Race Committee, consisting of my son-in-law, Justin Morris, his son Brandon and committee boat owner Mary Beth Watt, set a short, windward-leeward course across the river. Thanks to the good work of the Race Committee, we were able to get in four races.

Chandler Owen and his crew, Rose Gentile and Anne Tyee, who hadn't sailed in twenty-five years won the regatta. Second place, on a tie breaker, went to Frank Gallagher sailing with Mary Ann. Ron Buchanan, sailing with Jeff Ullman and Kate Smith-Morse, was third. Nabeel Alsalam sailed with Fred Wright and his wife, Lura, who raced for the first time. They came in fourth. Sailing with my daughter, Elizabeth, I ended up fifth to lead the home fleet. Sixth place was captured by the Energizer Bunny sailing with Sue Humphey, and our Fleet Captain, Jack Shepard, sailing with his wife Lynn, and the Commodore of the Virginia Navy (the three square riggers at Jamestown), Eric Speth, finished seventh. My son-in-law Chuck Wood, sailing with Eric's son Warren and a member of the William & Mary sailing team, ended up eighth. The youngest captain, Alise Watt, sailing with her brother Andrew, could not sail the last two races due to time constraints ended up ninth.

	R1	R2	R3	R4	Total
Chandler Owen	1	3	2	2	8
Frank Gallagher	4	4	1	1	10
Ron Buchanan	2	2	3	3	10
Nabeel Alsalam	3	1	5	7	16
Jim Dillard	6	5	4	4	19
Red Fehrle	5	6	6	8	25
Jack Shepard	7	7	7	6	27
Chuck Wood	8	8	DNF	5	30
Elise Watt	9	9	DNC	DNC	38

We will be looking to find more Lightning sailors to expand our new fleet.

14958	Masi VIII	Kimmo Aromaa
15214	Yrjö Klippi	Sininen Salama
15281	Masi VII	Kimmo Aromaa
15369	Pilvetär	Lauri Hemming

In 2010 the Helsinki Fleet 166 was actively involved in racing. Our most active skippers were Kimmo Aromaa with Masi VIII and Lauri Hemming with Pilvetär. They even joined forces with the Europeans in Lagos. Lauri as skipper, with Kimmo and Erkki Mäenpää as crew, was the runner-up team with same score as the champions. A very promising thing for the whole season was that there were junior crew members in almost every race.

The schedule of the season was quite usual. The first regatta was On the Rocks in the beginning of May. Ranking series was sailed mostly in June and August. In the Finnish Championships, Lauri won and Kimmo was third. Kimmo won almost every other regatta and was best in the District Ranking series.

Fleets skippers Lauri Hemming working hard to get his boat ready for Districts and Kimmo Aromaa taking it easier.
Guess who won the Championship?

Tuusulanjärven lightningpurjehtijoiden kausi käynnistyi perinteisesti On the Rocks kisoilla toukokuussa. Uutuutena aloitettiin myös heti kauden alusta Match Race kisat lightning veneillä ns. Maanantai Matcheilla. Osanottajat olivat pääasiassa seuramme junioreita, joita tuo uusi tapa kisata kovastikin viehätti. Aikuisten purjehduskurssi järjestettiin myös keväällä lightning-veneillä.

Kesän aikana purjehdittiin lyhytrata luokkamestaruus sekä yksinpurjehdittava ns. Big Challenge kisa. Lightningien kauden lyhytratakisa jää historian kirjoihin tapahtumarikkaana. Päivä alkoi maissa maston katkeamisella ja kisan aikana pari venettä kaatui pariinkiin otteeseen. Tuuli oli puuskainen ja yltyi välillä reippaaksi. Illalla sitten pestiin mastoja ja purjeita usean tunnin ajan. Kisaan osallistui myös kaksi juniorijoukkuetta, jotka palkittiin junioreiden luokkamestaruudella.

Finnish crews and the Tarpon boat they used for training in Lagos

Finland/Florida

Lokakuussa kutsuimme paikallisen lehdistön edustajia tutustumaan sunnuntaina järjestettyyn viikkokisaan. Onnistuimme hurmaamaan heidät. Tuusulan kunta palkitsi vuoden 2010 aikana menestyneitä urheilijoita. Laivueemme SM-hopea purjehtijoita Matti ja Mari Leppästä muistettiin tuolloin.

Traditionally, the sailing season of Lake Tuusulanjärvi starts in May with the race On the Rocks. What was new from the very beginning of the season was the Monday Match Race with Lightnings. Participants were mainly the juniors in our club, who are very fascinated with this type of competition. In the spring we also arranged a sailing course for adults.

Last summer we sailed the Short Race Finnish Championships and the Big Challenge by our lake. The Short Race FC will be remembered as a highly eventful race. The day started with a broken mast and capsized boats, the best swimmers swam even twice. The wind was gusty and extremely heavy. Our lake is quite shallow, which meant that there were several crews washing their masts and sails in the evening. There were also two junior crews joining the race, and we awarded them separately with a Junior Short Race FC.

In October we invited the local press to familiarize themselves with our Sunday race as participants, and we managed to charm them. Also, the city of Tuusula awarded its best sportsmen and sportswomen in 2010. Boat Gamma was second in the Finnish Championships last summer, and Matti and Mari Leppanen were awarded.

Pakkasterveisin,
Sari

2010 was a great year for the Long Island District. There was good weather at all clubs, which transposed into a good racing season. The District event was held at the Southampton Yacht Club, with all teams having a wonderful day of racing and socializing well into the evening hours.

Racing results were as follows:

Tim Rumph First
Malcom Hendry Second
John Lewandowski Third

The racing was close all day with the lead changing numerous times. Awards were presented, a wonderful steak dinner with refreshments followed to cap off the evening.

We are all looking forward to a great 2011 season with some welcomed interest in new boats, to enlarge our fleets.

Summer in the northeast is always too short and sailing season at Lake Wallenpaupack Yacht Club is no different. Just when everyone is getting into the groove, it's over and time to put the boats away for the winter. We usually have six boats that race regularly on Saturday mornings. Sometimes we sail "shorthanded" or with fewer boats. The beginning of this summer we were missing one of our more competitive skippers and his crew. Achille Scache, a.k.a. Ash, was dedicating himself to studying for his bar exams, which he passed.

L.W.Y.C. breaks the summer up into three series. The Folwell series runs from Memorial Day weekend through June, the Miller series is during July and the Baron series is in August. We end the summer with an awards dinner when the first, second and third place for each series is recognized and an overall third, second and first place trophies are awarded.

This year third place in the Folwell went to Ash and the crew of Amanda Porter and Alex Schmalze, second was Bob Hall and Peggy Denmon, and first place was George Madel with his crew of Molly Rogers and Craig Compton.

District Championship Winners

Metropolitan

The Miller series had Heinz Kornmann and crew, Rob Price and Adam Kuhn, taking third, Peter Seeuwen and his crew, George Barr and occasionally his dad Stef Seeuwen, placed second, and George Madel, again, captured first place.

The Baron series brought a little change to the results. Sandi Scull and her crew of Ed Salva and Chris Compton were third, Heinz came in second and Peter finished in first.

When all the scores were tallied the overall awards went to Heinz in third, Peter in second and to no ones surprise George Madel and his crew were the overall champions.

Before sailing season started, on January 17, Ash and Peter attended a measurement class at the Allen Boat Company. Completion of the class qualified them to be certified measurers for Lightning regattas. The one-day seminar was presented by Tom Allen, Bill Clausen, Joe Buckzowski and David Sprague.

Ash didn't waste any time and put his new skills to work this summer as staff official at the Women's, Juniors' and Masters' Championships at Metedoconk River Yacht Club and the North American Championship at Toms River Yacht Club.

Fleet caption Bob Hall probably spent as much time on the road as he did on the water this year participating in four regattas. He started in the spring at the Early Bird at Cedar Point Yacht Club on May 22. Paul Gallagher, a friend from the Harveys Lake Yacht Club, and Bill Dodge crewed.

July 24 and 25 found Bob and his crew, George Barr, Becky Mach and George's nephew Frank, enduring the heat at the Atlantic Coast Championship in Annapolis, Maryland.

August 14 and 15 Bob, Paul and Mark Rosen sailed in the Down Bay Invitational at Little Egg Harbor, New Jersey.

Bob finished the season at the Fall Classic at Cedar Point Yacht Club, Connecticut on October 2 and 3. Once again, Bill Dodge flew the chute and handling the jib was John Boxberger. Due to the excellent crew work the team finished in third place.

We invite all sailors to join us any Saturday and enjoy some fun fleet racing.

We had some terrific sailing days on our beautiful lake during 2010, despite more cancellations than we would have preferred (we really don't want any), due to lack of wind or stormy weather.

April was our month to get things ready for sailing. On April 17 we had a clean-up day, and our Prep Signal Party was held on April 24 at the Lake Mohawk Country Club. The party provided a good setting to meet new members and for us to regroup as a club for 2010.

Anderson, Jelinek and Incantalupo boats (photo by Ed Snook)

Metropolitan

Our mast raising and tune up day was scheduled for May 8 but was precluded due to rain in the morning, followed by heavy winds in the afternoon that resulted in the loss of some shingles from the roof of our buoy room. Fortunately, no serious damage occurred, and we were ready for our first day of racing on May 16 when three Lightnings competed in an 3–8 mph wind out of the NNW that increased to 8–11 mph in the second race. Rich and Gail Miner were the race officials, and Perry Anderson won both races, with John Incantalupo in second place and Don Okner taking third in both races. Following the races, we held a belated, but very enjoyable, Cinco De Mayo Party.

May 23 started off as an overcast and rainy day, causing many sailors to make other plans. But the weather cleared by race time, and Perry Anderson and John Incantalupo raced head to head, trading positions for first and second in two races in a NE wind of 4–5 mph.

Our first open regatta was the Gabor Cup on May 30. Lightning Fleet Captain Rich Miner and Gail Miner ran the event, and John Miller served as race official. Four Lightnings, one Snipe and a Hobie Cat sailed in two races. Race one was a triangle course in a NWN wind of 3–10 mph, and the wind diminished to 3–6 mph for race two, which was an Olympic course. The race was scored using the Portsmouth Handicap, so Jeff Urbanski, with his son Keith, took first place in a Snipe, followed by Lightning skipper Rich Miner and crew Gail Miner and Ken Potts in second place. Perry Anderson and crew Margaret Anderson and Shirley Miller took third place in a Lightning.

Following the regatta, trophies (glass mugs etched with sailing ships) were presented, and we enjoyed hors d'oeuvres as a warm up to the Jimmy Buffett Parrot Head party that evening. The party was run, for the third time, by John and Margie Incantalupo who originated the event. The weather, the food and the activities, which included a limbo contest, a lime race, hula hoop competition and Jimmy Buffett sing-a-long, were terrific. Margie and John did a great job, a usual!

High winds followed by a storm on June 6 brought in a cool front but resulted in a cancellation of racing on that day. June 20 brought light air that reached a maximum of 5 mph out of the southwest. John Marx served as race official for the five Lightnings that competed in one race in which Rich Miner took first place, followed by Perry Anderson in second and John Incantalupo in third position.

On June 27 things picked up a bit, with southwest winds at 6–8 mph, allowing for two races. Three Light-

nings, skippered by Perry Anderson, Hank Jelinek and John Incantalupo, finished in that order for both races. Don Okner was race official, assisted by Josh Oldridge and Ed Snook.

The Marine Base Regatta was held on Saturday, July 3. Three Lightnings, four Snipes, two Sunfish and an O'Day, skippered by guest Joe Martin, competed in light winds out of the south-southwest. Rich Miner and crew Gail Miner and Ken Potts in a Lightning came in first, followed by John Marx in a Snipe in second place. Perry Anderson in his Lightning, with crew Margaret Anderson and Ali Brown (back from Ethiopia for a month), took third. Jeff Urbanski served as our race official, and Snipe Fleet Captain Constance Gill did a great job organizing the event and coming up with useful and decorative picture frame trophies.

On July 4 the day started with Chuck Chute's Lightning and a crew of pirates participating in the Sparta Independence Day Parade. Captain Hook (Jack Robertson) lead the way in the tow car. Afterward, we held our annual Independence Day Family Picnic. The party was run by Cathy Chute and Bambi Newton. Everyone had a terrific time, and the Lake Mohawk Country Club firework display provided a beautiful ending to a perfect and very hot day.

July 11 brought light and spotty winds with only two Lightnings in one race. Rich Miner took first place followed, by Hank Jelinek in second place. Chuck Chute was race official. On July 18 there was a good turn out, and our fleet sailed two races in a west southwest wind of 7 to 10 mph. John and Margie Incantalupo were the race officials. Rich Miner, Perry Anderson and Hank Jelinek finished, in that order, in both races.

Okner and Chute boats (photo by Ian Oldrich)

Metropolitan

The second annual Mutiny Regatta was held on July 24. This is a fun event in which our skippers serve as crew while our junior members take the helm. There were many activities, including Snipe and Sunfish races, as well as the ever popular walking the plank. Kudos to Constance Gill, the "architect" of the event, and to all who assisted. Racing on the following day, Sunday, July 25 were canceled due to an initial lack of wind, followed by an unexpected squall out of the north.

Our Spring Series ended on August 1, However, August proved not to be a particularly good month for racing due to uncooperative weather conditions. Jack Robertson cruising day was held on Saturday, August 14; however, thunder storms forced race cancellations on August 1 and August 15. On August 8 our fleet did not sail, and racing was canceled due to lack of wind (we need that to sail) on August 22 and August 29.

Things finally turned around for our final open regatta for the year, the Commodore's Cup, which was held on Sunday, September 5. The winds were good and strong, out of the west-southwest, and our race official, John Miller, set two great courses. In the first race, we sailed two triangles and finished on a windward leg, while the second race was an Olympic course. We had six Lightnings and two Snipes at the line. One of the Snipes was skippered by a junior sailor, Matt Gomez.

Despite a few capsizes—we have all done that at some point—everyone had a great time competing on one of the best sailing days on Lake Mohawk that we had in a long time. The Lightnings lead the way in this handicapped event. In first place overall was Rich Miner and his crew Gail Miner and Ken Potts, with Perry Anderson and crew

Margaret Anderson and Richard Hodges taking second place. Don Okner and crew Josh Oldridge and Ed Snook came in third, followed by skippers Chuck Chute, John Marx, John Incantalupo, Hank Jelinek and Matt Gomez in that order. Later in the evening, Commodore Perry Anderson and Margaret Anderson hosted a wonderful cocktail party at their home to top off the day's events.

September 12 brought more rain and calm wind, so racing was canceled. September 19 brought three Lightnings out with Don Okner assisted by John Miller serving as race officials. Rich Miner took two firsts, with Chuck Chute taking a second in race one and John Incantalupo taking third in the first race and second in race two.

September 26 was a day with light to moderate wind. Jeff Urbanski and son Keith were the officials, and four Lightnings raced. The finishing order for both races was Rich Miner first, Chuck Chute second, John Incantalupo third and Don Okner fourth.

On October 2 our club held a garage/yard sale that helped raise some much needed revenue. Among those who ran the event were Jan and Ian Oldridge, Chuck Chute and Hank Jelinek. We did not race on the following day, October 3, because of strong winds that forced a cancellation.

On October 10 we returned to the course with John Miller, assisted by Ian Oldridge on the committee boat, as Chuck Chute and Don Okner match raced their Lightnings. Chuck and Don traded positions several times in a beautiful ten mph wind out of the south, southwest. It looked as though Chuck was destined to win after he launched his spinnaker. However, he capsized on a jibe, allowing Don to cross the line first.

The Lake Mohawk Yacht Club's annual meeting was held on October 16, and among the slate of officers elected for 2011 are the following from our Lightning Fleet: Commodore: Rich Miner; Vice Commodore: John Incantalupo; Rear Commodore: Hank Jelinek; Secretary: Jan Oldridge; Treasurer: Perry Anderson and Lightning Fleet Captain: Dave Newton.

In November, we had the privilege seeing Matt and Brad Newton, sons of Dave and Bambi Newton, earn the rank of Eagle in the Boy Scouts of America. We congratulate them on this major accomplishment—attained by only those scouts who are truly the best.

Our club sailed into port on December 5, 2010, for our Annual Awards Brunch, which was held at the Lafayette House. Thanks go to Cathy Chute and Bambi Newton for organizing a great, final event for the year. Trophies were

Okner and Incantalupo boats (photo by Ian Oldrich)

awarded to the following racers in our class: Rich Miner and his crew Gail Miner and Ken Potts took first place in both the Spring and Fall Series. After “throw outs” Rich retained his position as Fleet Champion with a 1.0 overall score. Perry Anderson and crew Margaret Anderson and Rich Hodges were second in the Spring Series and second overall so, Perry is once again our Fleet Runner-up. John Incantalupo and crew Margie and Claire Incantalupo were third in the Spring series and in the overall results. Chuck Chute and crew Dave Newton came in second in the Fall series, followed by Don Okner and crew Josh Oldridge, and Ed Snook in third place.

In addition to the awarding of trophies for racing results, there were awards for those members who were acknowledged for their special contributions to the LMYC during the past year. John Incantalupo received the John Myers Service Award, Most Improved Skipper went to Chuck Chute, Don Okner received the Ed Syracuse Sportsmanship Award, and our 2010 Crew of the Year are Margie and Claire Incantalupo.

Outgoing Commodore Perry Anderson paid special tribute to Constance Gill for organizing the Mutiny Regatta and Wednesday night sailing, John Miller for his work in maintaining the club boats used in our sailing schools and to John Marx for his efforts with our docks. Perry also thanked his Board members and committee chairpersons with unexpected and much appreciated gifts. Ian Oldridge was commended for his many efforts and for diligently photographing our sailing and events. Incoming Commodore Rich Miner presented Perry with a plaque for his excellent leadership over the past two years.

The afternoon was not entirely serious, and despite the recent and unfortunate loss of his father, John Miller lived up to his reputation with his gag gifts for those of us who earned those “honors.” He started with administering the Turtle Pledge to Chuck Chute and his crew, as well as Hank Jelinek for going bottoms-up on the course. Perry Anderson’s newest crew member, Rich Hodges, received a cap with ear plugs to help him block out extraneous chatter, and Chuck Chute and Hank Jelinek received survival kits which included hats, socks and brandy to warm the inner-self.

We are a small fleet but proud to be one of the oldest fleets in the ILCA. We have a lust for the sport of sailing and the friendships that result. We look forward to more great racing and camaraderie in 2011.

Smooth sailing and God bless America!
Don Okner

Lightning Fleet 75 had a great season. We were on the water much more than we were off, thanks to lots of wind all season. Spring fulfilled her promise with regular west-erlies, the summer had few of those no-wind, stinker days, and it blew surprisingly evenly all fall, although there were a few days that I was glad to be taking pictures from a keel boat. The Fleet grew, competition stiffened, and, although we seemed to collide more than we normally do, we mostly “play nice,” as Fleet Captain Stephanie Mayo says.

We had six boats on the line for the first Sunday race in May, and six for the last race in October when newbie Peter Browne beat the almost-pro Gary Hurban. Bob Sengstacken and crew Dan Zitin made every race this year. Stephanie and Bill, and Dan Parietti with Jeff Sorensen were constant presences, and Dick Leonard and Laura Rice with Andrew Graham were on the line in their quick yellow boat nearly every week. They got their first bullet this year. Ryan Sprole and his dad Chris mixed it up, always in the front, and it was great to have Larry Decker and Jan Crittenden with Shea Thorvaldsen back so often this year. How many bullets did they get in one day in the fall—three? Eric Kent made nearly every race as well, and

moved up in the fleet due to good sailing and good crew, including Alan Seward, whose wife refers to us as the “black and blue” fleet. Bill Cook brought lovely and able Penny Sengstacken, and sometimes Colleen Wittrup, to sail, and skipper Ron McCormack crewed more than he drove. I’ve heard people complain when there are many skippers on a boat, but to have Ron or Bill in the middle is to have a knowledgeable hand and a sound advisor.

Our day-sailors used their boats too. Lou Mauriello and Art Broadbent were seen often, and Les Ginsberg seems to find every windy day to take out his black boat. Mike Carney crewed in his own boat for Justin Coplan, and sometimes for Gary and Joan Hurban, but his newish Nickels seemed to sit around a lot.

We added new boats to the fleet, skippered by Al Miraglia, Peter Browne, and brand new club member Peter Broszkowski, who made every fall race with his twin eleven-year-olds, even in twenty-plus knot winds.

Bob says that I have to mention that some of our members play around in even smaller boats, like Lasers, on holidays and in the winter—God knows why. And that Daniel Zitin sailed with him not only every week, but he skippered the boat when Bob wasn’t there. Dan is a new skipper in the fleet. Osmond Kurtulis, skipper of a new large C&C, was on a Lightning at least once, but George is too much in love with his keel—at least he’s not in an Ensign.

Our annual fleet ski day at Bellayre in the Catskills was well-attended, even by other fleets. We held several educational Friday nights in the winter, focusing on tactics and rules. In the fall our annual Chili Party proved the value of that sublime spice.

The season got its first big kick in June with the Magnus Pederson Regatta, named for the founder of our fleet. Saturday was perfect, averaging eight out of the west, typically shifty, puffy and “wide open,” as winner Justin Coplan reported. We got six races in on Saturday before our steak dinner, and more on Sunday as winds built to over twenty. The last downwind was as close to a Nantucket sleigh-ride as any of us wants to get. Second and third were Brian Hayes, Class President, and Dick Moyer from Riverton. Thanks to Brian for the very informative skippers’ circle after Saturday’s races. Eric Kent ran the regatta like a pro.

In the fall, October’s Last Blast is almost always just that, but this year it was sunny days and pleasant winds. Legendary Dick Hallagan from Newport edged out Justin with a better throw out, followed by our Ryan. We had twenty-one boats on the line, eleven of them local—an impressive sight and a tight start! Newcomers Peter Browne, Dick Leonard had impressive races against boats from New York, New Jersey, Pennsylvania and Connecticut. Dan and Mike ran it as smoothly as silk.

Many skippers travelled this year too. Gary and Joan with crew Peter Jadrosich, and Justin with Mike Carney and Danielle Prior did well in the Pan Am trials and the North Americans held at Toms River, New Jersey. Bob, Ryan and Justin were at the Metropolitan in Red Bank, and Joan and Dan sailed in the Masters.

A great fleet sailing in pretty little boats. There’s something elegant about a bunch of them bobbing during a start, some inching up, some heeling more than others, some with skippers yelling for room, some with skippers with steely, determined jaws, some with wide-eyed fear, and one with

an inscrutable smile—Bill Cook. It stirs the blood. It's quite a picture. You are invited to sail with us anytime. Try your skill and luck against our racers and our sometimes wicked current and our predictably unpredictable west winds. You may beat us, but you know we'll make you work for it and reward you with a great party afterward.

Thanks to all our crew. Without them we would be lazy cruising sailors. AND, thanks to everyone who pitches in: Stephanie, our Fleet Captain, who is also on the Board of Governors at the club, and I think working full time; Eric, our Scorer! He does everything immediately, I don't know how; Bob, who knows everything, and (with Penny) handles everything with stolid yet vaguely amused tranquility; Bill Mayo, for lending us his Stephanie; everyone who does Race Committee and Race Patrol (if a Lightning Fleet member is on the Committee Boat, you know that you'll get races); and everyone that helps out catering meetings and during regattas. Many people know us more for our parties than for our racing. That's OK. It's because we make our guests feel at home and enjoy having parties. Running a regatta around here is easy. Every time a thought comes to mind about something you need, someone walks up to you and asks if he or she can do it.

Michigan

Fleet 54 completed another fantastic year of sailing in 2010. We had an active club racing schedule, as well as several members who travelled to regattas near and far. In addition, there were numerous related activities that helped keep our Fleet strong.

Before the racing started, we held a "Spring Recall" to roust everyone out of their winter funk and get them energized about the upcoming season. This year we were very fortunate to secure the services of Greg Fisher as a speaker at our event. Greg led the group of fifty sailors through an entertaining discussion of sail trim, explaining the importance and "how tos" of changing gears on a Lightning. We crowned our first winner of the year at the event. Jim Allen won the chili cook-off contest. One can only guess that the reason we never saw Jim on the race course this year was that he was concerned he would not be able to uphold this high level of performance on the water.

In 2010, our race slate consisted of 106 scheduled races on fifty-one dates from May 2 through October 13. We actually completed eighty-seven of them. The average number of boats in each of our races was thirteen, with a high of twenty-two. While this is down a little bit from years past, we still consider ourselves fortunate. Two races are planned for every Wednesday evening and Sunday. The season is divided into Spring, Summer and Fall Series, giving us a total of six major series. Races in these series are scored on an average low score basis, with a skipper needing to sail in at least one-half of the sailed races in a series to qualify for awards. Sunday Series winners were

Mark Whatley (Spring, Fall, Overall) and Tom Klaban (Summer). Wednesday Series winners were Mark Allen (Spring) and Tom Klaban (Summer, Fall, Overall).

In addition to the main series, we conduct three mini-regattas over the course of the season on the holiday weekends: Memorial Day, July 4th and Labor Day. Each regatta consists of five races over Sunday/Monday, and then we partake in the Club's Holiday Potluck Picnic. This year, Tom Klaban swept the mini-regattas, winning all three.

Fleet 54 also conducts a Club Championship Regatta. This is a stand-alone, five-race event held on a Saturday/Sunday. This year's winner was Tom Klaban.

To assist newer Fleet members who are just learning the boat, we run a "Rock Star" Wednesday night early in the season. For this event, we have a number top-of-the-fleet sailors volunteer to serve as crew for a skipper that may be looking for a little help. This year's event had seven dedicated Rock Stars helping out and an equal number of now-better skippers.

We have two other special Wednesdays throughout the course of the season. The first is a "Junior Championship." We encourage skippers to recruit a junior to skipper their boat for this event. Kevin Ziegler was this year's Junior Champion.

The other special Wednesday event is the Commodore's Challenge. This is an opportunity for crew members to get a chance to take the helm. We had seventeen boats participate in the 2010 edition of the Commodore's Challenge. After tallying the scores from three close races, Eric Klaban was declared the winner.

Michigan

Twelve Fleet 54 skippers participated in the Michigan District Regatta, with Mark Allen finishing the highest in second overall. The Fleet was represented at other travel regattas from the Southern Circuit to local events by Mike Welch, Mark Allen, Jim Allen, Bruce Finsilver and Bill Ziegler.

On the Junior front, a Pontiac Yacht Club crew of Nick Harris, Elise Hess and Josh Abbott won the right to sail in the Sears Cup Finals in San Diego this year. Congratulations to this hard working first-year team that promises to be back for more junior and club sailing next year! This crew came out of a vibrant junior program that has been thriving at Pontiac since it was rejuvenated more than ten years ago. Our program offers opportunities from learn-to-sail programs through junior racing with travel to other area clubs.

We are the biggest Lightning Fleet in the world, but our goal is to be the BEST. Please help us have a great 2011 by attending one of our events. Near the beginning of our 2011 season we are planning to conduct a Lightning Lab the weekend of May 21–22. The annual White Cap Regatta will be held September 10–11. Every Wednesday and Sunday between these, as well as a few on the “other” side, you will find us racing. Come join us!

Check us out on the web at www.pyc54.org.

14937	Scars & Scrapes	Matthew D Princing
15146	Big Meanie	Gary M Sowden
15225	Fastidiots	Chris Jacobson

We instituted a couple of different ideas this year. One was having each skipper help the RC one night of the season, and the other was to stretch out our races from the traditional one-lap race to adding more two-lap races. We all agreed it was much better, with more opportunities to succeed or fail. Each skipper came away with a good feeling about how the RC works and some respect for the great group we have. Jim Schofield is the man in charge of keeping the RC on their toes—great job Jim.

We added a few new boats this year with the addition of Tim Wenzel at the end of last season. This year Dave Lyons and John Hillman joined our Fleet. 2011 brought another new boat to our fleet with Chris Princing in 15300.

Here is how the season shook out:

1st	Big Meanie	Gary Sowden, Grant Hilger, Drew Hilger
2nd	Sleeper	John McCree, Dave Corcoran, Sean McCree
3rd	Scars & Scrapes	Matt Princing, Jennifer Princing, Bill Coberly
4th	Score One	John Waechter, Carrie Houtman, Glenn Hallet
5th	Fast Idiots	Chris Jacobson, Dawn Satek, Jon Banner

Sailing on the Bay for 2010 is finished. What a finish it was! The top spot came down to the last race, and it was very exciting indeed.

We had great sailing this season. Light wind and heavy wind, no waves and big ones. Our Race Committee blessed us with great courses and race management. Doug and Steve make it so we can enjoy our racing with out concern for details.

Clamso Dave Lyons
Aquatic Excellence Dave Lyons

Our boats traveled well again this year. We were represented at Miami, St. Pete, Indy, Bay City, Districts, Boyne City, Tawas, Higgins, Pontiac and Wawasee. Most of these trips brought home trophies for our sailors.

We are gearing up for 2011 and the NAs. Since they are in our back yard, we hope to see a number of our boats participate. I know of three boats for sure and one women's team. We will try to get a junior boat together as well.

November means Scars is in the barn and under her blanket anxiously waiting for the weather to warm.

Midwest/Mississippi Valley

Fleet 515

We made it through our second year.

No growth (we're still at three boats), but no backtracking either. At least, that's better than the economy.

We did not reach all of our ambitious goals for 2010, but we came close. Stewart Doty sailed his Bravado 3 to several solid finishes in our Portsmouth-handicapped fleet racing competition, ending up fifth in the Tuesday night series. In the Lake DuBay Sailing Association August Governors Cup, his boat finished seventh.

We managed to race Doug Hosler's 8044 several times and had some good trips, but, of course, we gave up so much time to the smaller boats, the overall finishes weren't so hot.

Jim Force realized a long-time dream and trailed old 6039 two thousand miles to Geneva, New York, and back for the annual Woody Lightning Regatta on Seneca Lake. It was great to finally meet Bob Astrove and some of the Class's woody experts.

All of us had wonderful rides in the fresh Wisconsin air on our beautiful lake. So often, we're out there by ourselves, skirting the fall-colored shoreline, watching a summer sunset, or tracking an eagle as it swoops over the pine forest. This is what it's really all about, and we delight in it. As the snow piles up in the yard outside, we can't wait for spring and another season in this wonderful boat.

The Carlyle Sailing Association 2010 Sailing Season was kicked-off again with Fleet 266's Mid-Continent Regatta the last week in April. It was a windy weekend, as usual for the Mid-Continent, but the Lightnings found a way to compete between storm squalls. Todd Wake with teammates Kristine Wake and Nicholas Beckmann put their names on the Augie Paoli Memorial trophy again.

Tobi and Dan Moriarty traveled to the Pymatuning Spring Classic. Stu Fisher sailed with them again. They came home with a fourth place finish from the very shifty regatta.

Districts were held at Carlyle Sailing Association in 2010. A beautiful day of sailing on Saturday was enjoyed by all and four races were completed. Sunday was very light so one last race was squeezed in before the trophies were awarded. Dan Moriarty won the event with wife, Tobi, and daughter, Alina, as crew.

Fleet races were enjoyable throughout the season as always. Participation seems to be on an up-swing in the Lightning fleet which is encouraging. Dan Moriarty won the Spring and Summer Series and Carson Menges won the Fall Series. The Championship Series was won by Moriartys with John Folwell in second, Carson Menges in third, Terry Burke in fourth, and Matt Burrridge in fifth. Burrridge was joined by his son Patrick on the Lightning for the 2010 fleet races. Off the water, many stories were shared between races on "Lightning Hill" while the trees were watered in hopes of better shade in years to come.

Ian Moriarty, Bryan Burke, and Caleb Leonard had an exciting year. Together they raced in the Junior Worlds in Ecuador. The Fleet 266 team practiced locally leading up to the event. They raced in the Mid-Continent, the District Championship, and competed in several fleet races together. The team traveled to the Buffalo Canoe Club's Youth Invitational and rounded out the Summer at the Junior North Americans in New Jersey.

The Schillebeeckx brothers teamed-up to race in the North Americans. Ian, Maxim, and Titou finished in 24th place in the Championship division. Roselyn and Marc Schillebeeckx were there to proudly watch their three sons race together.

Courtney and Carson Menges went on their first out of town regatta with their Lightning to the Red Flannels Regatta in Chicago. Dan Moriarty crewed for them. They were leading at the end of the first day but ended up second place after a very windy race on Sunday.

Sadly, John Folwell's wife, Carole Folwell, died at the age of 69. For years Carole was very involved in Fleet 266 activities and was a fixture at the club. Many fleet members drove the Cape Girardeau to pay respect to the family. Although she had not been to the club in recent years, she will be missed.

The Moriarty's welcomed the newest addition to their family, Molly Danielle Moriarty on November 1st. She will surely be seen sailing on a Lightning on Carlyle Lake in the upcoming years.

The season was rounded out for the Fleet 266'ers with the Bluenose Regatta. Ian, Maxim, and Titou Schillebeeckx raced together again and finished in seventh place. Roselyne Hazard (Schillebeeckx) picked up a crew-job for the regatta while Marc Schillebeeckx helped with Race Committee.

I4230		Robert T Ryan
I4338	Leap Frog	Lynn A Jones
I4375	Kmag Yoyo	William N Baxter
I4571		Michael Arndt
I4666		Crit Currie

We had an exciting year of sailing and racing in 2010. We continued to have a nice showing in our club racing series, with a total of ten boats participating for the season. The top three finishers in the series were:

1. Max Shelton
2. Crit Currie, Jr.
3. Mike Arndt

Congratulations to Max for his first place finish in the series.

Delta Sailing Association also hosted two regattas in 2010. Our first regatta of the season was the Hernando Desoto, which was held on May 15–16. There was a nice fleet of seven boats, including two from Nashville. The top finishers were:

1. Bill Killebrew (Nashville)
2. Crit Currie, Jr. (DSA)
3. Brad Currie (Nashville)

Congratulations to Bill, along with his long-time crew, Mike Osborne and new crew, Trevor McKibbin (who was sailing his first regatta ever), on a well-sailed regatta.

Our second regatta was the Cotton Pickin', which was held on September 17–18. This regatta was also the fourth stop on the Southwest Lightning Circuit. We had a solid fleet of fourteen boats, including out-of-town boats from Nashville, Pensacola, and New Orleans.

The top finishers were:

1. Larry Frost (SYC, New Orleans)
2. Duane Hatch (HIYC, Nashville)
3. Max Shelton (DSA, Memphis)

Our own Max Shelton finished a strong third. Sailing with him was DSA's newest member, Mark Gorman. Mark recently purchased a Lightning and is looking forward to competing in the 2011 season.

Several sailors from Delta Sailing Association also traveled to numerous regional regattas this year, including our Districts at Carlyle Sailing Association, the Southern Districts at the Buccaneer Yacht Club in Mobile, Alabama, the Bluenose in Nashville, and the Jubilee Regatta in Pensacola, Florida. One of the highlights of the Jubilee Regatta for all was the Navy Blue Angel's airshow that occurred overhead during the final race on Saturday. Most boats made it successfully around the course while also watching the show overhead!

For updates on Delta Sailing Association's activities, including information on local and regional regattas, photos from many of our regattas, a forum, and much more, visit our web site: www.deltasailing.com.

14621	Flat Bottom Girl	Ben Wallace

We held nine quick races on beautiful Spofford Lake. Winds ranged from 5–10 knots and were relatively steady for our small lake.

Ben Wallace, with expert crew Karen Wallace and Ian Wallace, were up for the challenge and were a clear first. This was Ian's first regatta with Mom and Dad and his first experience with the spinnaker.

Bob Bush and Alex Gemmell co-skippered with some good finishes to take second, just ahead of Pat MacQueen and Paul Henkel.

Both days had increasing winds throughout the day, making for quick races and an early dinner on Saturday and early lunch on Sunday.

All that was missing were more boats. The wind was great, the food was great, the racing was great.

Spring, Summer and Fall series consistently drew three to six Lightnings for two or three Sunday races, in spite of the lure of PHRF Ocean racing in Portsmouth, Marblehead, Newburyport, and Boston.

Although Ken Deyett campaigned his J30 in these regattas with many wins and missed most Sundays at Massabesic, he returned to win both the Richmond cup on Labor Day and the MYC New England District regatta a week later in his Lightning.

Walt won the Spring series, with Pat and Mike second and third. Pat won the Summer and Fall, with Walt and Mike second and third.

In 2011, the MYC regatta is planned for the weekend after Labor Day with lots of races and good competition.

Guest boats are always welcome to join us for Sunday racing, which starts at 1:30.

Fleet 301 had another great year.

Writing the 2010 Fleet 301 report has been one of the most informative things I have ever done for sailing. I was in a real jam when I went to write the Fleet report, as I couldn't remember a blessed thing that happened during the sailing season. I thought about the regattas and couldn't recall anything about the previous nine months. In years past, I had made notes about the regattas as they happened so that the Fleet report was a breeze to write. This year I had done no such planning. I was in trouble.

I found myself stuck in a car for three hours on a road trip. I figured the best way to recall memorable moments from the season was to call other members of the Fleet and ask them for their recollections of the year. For the Spring Regatta, what I could recall from my own personal recollection was the lake level was really low for that time of year. After ten phone calls I had garnered additional information, "the water was really low," "it was cold," and "I think it was windy." Of the fifteen boats that sailed, this was the only thing that people could remember. This was true for most of the season's races. The lesson learned here is that if you yell at your crew, tack on somebody or get over-served after the racing is over, nobody will remember. Keep that in mind next time you have a crummy start.

Undaunted, I moved on to write about the Districts. There was only slightly more recollection on this event. Fleet 301 hosted the Women's, Juniors' and Masters' Districts as well as the open Districts. Dick Fastiggi broke the tie breaker to win the overall regatta with two firsts and a fifth. Dick claims, and we have the Fleet historian digging through the archives, that "this was the only regatta he had ever won."

For the open event, twenty-three boats raced and the Race Committee scheduled the fleet to sail in the outer bay of Malletts Bay. Weather conditions required that we stay postponed on shore for two hours while the breeze built in. After two hours, the conditions were not looking much better, but PRO Al Russell opted to tow the boats out and wait on the water. This was the best call, as after only a short swim, the breeze built in, and we sailed two races.

Participants were eager to get the races started by pushing the line, causing numerous general recalls. In the end, the two long races were well worth it. The breeze died again on the way in, making way for a beautiful summer evening.

New England

Entertainment was really the hit of the regatta, with Quadra playing to a packed audience. For those of you who aren't familiar with Quadra, it's a cover rock band formed in 1981. Mike Trombley, owner of Advanced Music in Burlington, Vermont, is a friend of the Fleet and enthusiastically agreed to play the venue. As an additional treat, Mike agreed that anyone who wanted to belt out a tune could step up to the mike and be a rock star for an evening. Bill Fastiggi took the challenge, hitting most of the notes of Mustang Sally and Jenny, to name a couple of songs. Eric Cutting kept us all out on the dance floor into the late hours.

2010 North Americans. I really can't believe I can say this, but "sailing in New Jersey is awesome." The North Americans at the Toms River Yacht Club was done right. Allan Terhune, Sr and his team ran a great regatta.

Racing in New Jersey on the weekends has a reputation of not being that good. However, sailing on Barnegat Bay during the week means that you have the whole bay to yourself. There is simply no one else around. The breeze was awesome, and traveling on the weekends meant that you could leave for the regatta without forgetting anything and come home with time to do laundry before work on Monday.

As if racing Lightnings wasn't enough during the day, members of Fleet 301 went A-Cat racing on Wednesday night as part of the Toms River Yacht Club summer series. If that weren't enough, taking a trip to the boardwalk reminds you that Trans Ams, gold chains and tank tops are still popular.

The Leaf Peeper proved once again that it's cold in Vermont in October. The kerosene heaters were fired

up, and the woolies were drug out of the closet. Saturday was postponed for a few hours, as the fall northerly of twenty-five knots was too much risk for the boats and Race Committee.

Later in the day the breeze died a bit, just enough for the boats to go out. Planing around in a Lightning is what it's all about, and Saturday delivered. "Pucker Factor 10" could have been the name of our boat when we got close to the leeward mark. Erik Johnson, Kate Brush and fiancé, Nate Owen, managed to get knocked over going upwind but righted the boat faster than a Laser and still kept sailing.

Off the water, if the highlight of the Districts was the band, the best part of the Leaf Peeper was the heaters. Sunday brought more moderate breeze and five short races that would have given most college sailors a run for their money. After the racing was over the consensus was that Mark Gardner, PRO, had given us all our monies worth, and we didn't need any more sailing.

Fleet 301 summer series consists of seven races, including four Sunday series fleet races. This means that a total of forty-two races comprise the series, allowing for more than enough opportunity to make gains by consistent attendance. To make things more interesting, the series is scored two different ways, a high point system and a low point system. Despite forty-two races over four months, to spread out the scoring, there were three ties between the two scoring methods. Additionally, many of the places were separated by only a few points.

Fleet 301 would like to thank the club volunteers and friends of the Fleet who helped out for all of these and all of the events during the summer.

Traveling Regattas

2010 saw Fleet 493 members travel to several regattas. Nathaniel Hendrickson hit the road the hardest, attending the Junior Districts, Districts, Squam Lake and Lake Massabesic regattas, while Bob Shapiro went to Squam Lake and Lake Massabesic and Rob Donle went to Lake Massabesic.

Nathaniel was in the money at the Juniors, nailing second place with Ryan and Kyle Gershuny on his team. Bob Shapiro, Jim Lerner and Jeff Baker went to Squam Lake and won for the second year in a row, while Ryan and Kyle Gershuny teamed with Bob at Lake Massabesic to capture second place.

New England

Bob Evans Regatta

Forty-five sailors, seventeen sailboats, sixteen Race Committee members and many spectators participated in the Bob Evans Regatta this summer on Bow Lake. Twenty-one races were held on Bow Lake from July 3 through August 29. Nine different Lightnings were on the Lake this summer spanning from Lightning #2 to #15239, including two other woodies besides #2.

Ned Hinds and Bob Shapiro have traded first and second place in this series for many years. This year Bob came out on top by virtue of two wins on the last day of racing and was helped along by superb crewing from numerous Gershuny boys.

Next year watch out as eight-year-old Erin Gershuny will be joining the team! Junior Nathaniel Hendrickson came third in Stay Puffed, although he didn't always stay upright, and Rob Donle managed fourth in Infinite Sloop. Six different Boyntons raced on #2 Upset. Ken Deyett also visited from Massabesic to hand us our hats a few times.

Many people helped out during the summer on Race Committee. Special thanks to Pam and Werner Daigneault, Roger Williams, Walter and Phyllis Unger, Joan Joffrees, Marion Hinds and many others for all of their help. Roger Williams, the Gershunys, Bruce Donle and others served as crash boats to keep us all safe.

Ed Hinds Regatta

What a successful regatta! Thank you to all who participated, helped, watched and celebrated with us. Saturday was a gorgeous day of bright sunshine, blue skies, and

Nathaniel Focused

Kyle and Ryan Gershuny leading Bob around the course

Ned Really Focused

Old Guys Can Still Hike

New England / Nigeria

some wind. OK, it may be true that the previous four Saturdays had winds of 15–20 mph, and the following Saturday also had winds of 15–20 mph, but we'll happily take the 3–8 mph winds that we got for the regatta. We managed to get in five fun races!

Nine Lightnings participated in the regatta, including visitors Ken Deyett from Lake Massabesic and Isabel Cunningham and Pat MacQueen from Squam Lake. The home fleet had Ned Hinds, Bob Shapiro, Rob Donle, John Boynton, Nathaniel Hendrickson and Scott Harrill on the line.

Ken Deyett picked up where he left off in the summer series, winning the first three races. But then Ned and Bob figured him out and almost had enough to pass him in the regatta—but not quite. Ken won with eight points, followed by Bob with ten and then Ned in third with twelve points.

MANY people made this regatta a success! Werner was aided on Race Committee by Marion Hinds and Wayne Donle. We had several crash boats out to help, with Walter Unger, Roger Williams, Greg King and Bruce Donle on board to tow boats, move marks and stand by to help in case we got a huge gust of wind or a thunderstorm. Thank you!

After the racing, it was on to the Grange for refreshments and the Bow Lake world-famous Taco Bar dinner, which was enjoyed by about seventy people. Many people cooked or helped out with food, service, preparation and cleanup. Thank you to all!

We should have taken it as some kind of a “sign” when our Fleet winter party had to be cancelled because of a huge snowstorm that hit northeast Ohio and western Pennsylvania. All but about ten people were snowed in, so there was a mini party held. The big party/meeting/trophy presentation had to be rescheduled. Turn out for the rescheduled party was light too because many of our Fleet members were in St. Pete for the last leg of the Southern Circuit.

Our very own Marilyn Maras was awarded the Karl Smith-er award at the banquet for a lifetime of sailing and teaching. Many of the younger Lightning Fleet members did not know all that Marilyn has done for sailing—both in competing in Lightning racing and in teaching children and adults to sail and to love sailing. It was wonderful to share all that we know about Mimi with the rest of the Lightning community. The most fun was that this was a HUGE surprise to her – getting the whole family there in secret was no easy task, but we did it. The look on her face when Rob Ruhlman announced her award was priceless.

Our actual fleet sailing started with the 26th annual Spring Classic. While there was a little less fanfare that we had for the 25th Spring Classic, a good time was still had by all. We had thirty-eight boats participate, including the two Boat Grant boats, and we actually sailed on Sunday—

something that we haven’t done at this regatta in a very long time. Dave Starck won the regatta with our very own Ryan Ruhlman coming in third.

Spring racing was very sparse for the Fleet, but then things kicked into gear for our summer Saturday and Sunday series.

The Ohio Districts were held at PYC in late June. Twenty-three boats participated—sixteen of these from PYC—great fleet support. District Champion was Dave Werley with his crew of Emma Werley and Greg Maras. Second place went to Ryan Ruhlman with Patrick Wilson and Ryan Milani.

Many of our juniors again travelled to Put-in-Bay for the ILYA Junior Bay week, as well as traveling to the Buffalo Canoe Club for their junior regatta the weekend before Lighting Junior NAs. Great job representing our Fleet to Liam Condon, Maura Condon, Adam Maras, Cameron Maras, Cody Signor, Alex Werley, Emma Werley, Kate Werley and Matt Werley.

Maegan Ruhlman with Samantha Maras and Kate Werley competed in the Lightning Women’s NAs, finishing second—way to go girls! Congratulations to Ryan Ruhlman with Nick Turney and Martha Fisher for finishing fourteenth in the North American Championship series and to Rob Ruhlman with Abby and Maegan Ruhlman for finishing twenty-second.

Overall fleet results for the summer were:

Series	First	Second	Third
Saturday	John Woodall	Scot Werley	John Werley
Sunday	Scot Werley	John Werley	Len Ciccone
Stay at Home	Tim Werley	Doug Blackburn	Herb Jestel

Championship Results:

1st	John Werley
2nd	John Woodall
3rd	Scot Werley
4th	Doug Blackburn
5th	Justin Proctor

2010 was another great year of sailing at Pymatuning. We are always looking for new Lightning sailors to join our family. If you have never been to Pymatuning, you really should plan to attend one of our regattas. We have a great time and great sailing.

15317	Phoenix II	Stephen A Weeber

2010 was an interesting year for the Cowan Lake sailors. Extremely hot and humid weather and light winds made sailing a challenge. When we did sail, we were well represented on Sundays for club racing and the local regatta circuit. In October we hosted our annual Fall-In Regatta.

At the club level, master mariner Ken Irwin, Dennis and Kathy Rhoades, Mike LoVullo and Mike Brock kept the Lightnings visible on Sundays. Dick Pugh and Jim Young split their time sailing between Cowan and Indian Lake.

Both Steve Weeber and Jim Taylor spent a good part of the year on the District circuit with strong finishes. Jim won the District's Governors Cup and the October 37th annual Cowan Fall-In Regatta.

John's Big Night

2010 Lightning Fleet 283 Meeting

The annual Lightning fleet meeting was held once again at Randy and Sue Anderson's house. We celebrated our accomplishments sailing on Vancouver Lake, English Bay, Mission Bay and Fern Ridge Lake. With excellent company and a wide array of hors d'oeuvres, Fleet awards were handed out.

2010 was a build and recover year- with some sailors spending less time on the water due to other obligations. We are looking forward to their return in 2011. We added 2 new boats to the fleet with Mark Hall purchasing Morrie Craig's boat from Eugene and Erik Troelsen who is learning the benefits of having crew who works at West Marine. Mark- don't forget your port shroud is still

Sandy Neuburger and Mary DeBenedetti

Pacific Northwest

held in place with whipping twine! Our annual regatta was selected by US Sailing to be a Pan American Game qualifying event. However the weather chose to not co-operate despite having several out of area sailors, including sail maker Skip Dieball join us. Philip had the pleasure of re-scheduling the PCCs three times before the event was finally sailed.

Continuing the tradition of support and grow youth sailing, our fleet again loaned boats to enable the Sears Area L eliminations to be sailed during the Vancouver Lake Junior regatta.

Gail Hickman again volunteered to be Fleet Treasurer, and Jeff Stong will continue as Fleet Captain for 2011.

Below is a brief summary 2010 results with some familiar names:

Spring Sunday:	Jerry Neuberger
Spring Tuesdays:	Philip Parshley
Long Distance Series:	Roger Hicks
Summer Tuesday:	John DeBenedetti
Fall Tuesday:	Jerry Neuberger
Fall Sunday:	John DeBenedetti

2010 Awards:

- Crew of the Year- Dan Burton, selected by a vote of past winners and Skippers.
- Most Improved Sailor- Philip Parshley, eighth in 2009 fleet standings.

- Mary K DeBenedetti- The award recognizes the person who does the most for the fleet and club in the last year. John was selected for his efforts with the Lightning fleet and forty years of contributions as a member of the board since the club's founding.
- Fleet Championship- John DeBenedetti. A testament to the competitive sailing in our fleet, after counting seventy races, three sailors were within three points. 88 Points: Jerry Neuberger, 87 Points- runner up: Philip Parshley and the championship going to John DeBenedetti with 86 points. Philip noted that ten boats placed first in 2010, with Jerry winning seventeen races during the year.

John, in addition to being one of the founding fathers of the Lightning Fleet and VLSC, you're still fast!

Broken Rudder- awarded by the previous year's recipient based on the criteria or his or her choosing, Jerry Martin recounted an event requiring crew to jump in the water to prevent grounding. Although details of the event were sketchy, the 2010 Broken Rudder recipient was John DeBenedetti. Jerry reminded us that John's name appeared on the trophy about once every ten years and that he was overdue for the award.

Fleet 435 had a tough year, as the recession forced many in our small Fleet to focus on careers. Beth Richard completed her move to California and her new job. Bill Biermann had a sharp turn in his life and had to sell his boat. Repairs on Jeff Camiel's boat trudged on as he battled with insurance and the shop while traveling extensively. Many in our small Fleet found themselves working more weekends or traveling in 2010.

The fleet ended the year on an up note. Jeff's boat was back at the club. Mark Boaz moved to Texas in December and joined our Fleet in January 2011. Our careers were looking more stable, and some of us were not on the road, as much for work but more for sailing. Fleet 435 has a strong core membership to build upon in the near future.

The Masthead Trophy is awarded to the skipper making the biggest bonehead move of the year. While the 2009 award might have been awarded to Clarke Newman a bit tongue in cheek, there is no doubt the award was won legitimately in 2010 by Clarke Newman. Clarke broke a wrist while stepping a mast to end his 2010 sailing. We do see a trend though—Clarke wins 2009 for touching a sign with his mast. Clarke wins 2010 for breaking a wrist stepping a mast. It is the Masthead Trophy—perhaps we should name this the Clarke Newman Masthead Trophy.

The Most Improved Skipper in 2010 is Aroldo de Rienzo. Aroldo stepped into a Lightning for the first time in 2009, as he began his campaign to represent Mexico in the 2011 Pan Am games. Aroldo is a fine skipper with plenty of racing experience, so his transition to the Lightning has been very smooth. He has quickly learned the nuances of a Lightning. We find Aroldo at the top of the leader board at all of our Southwestern circuit stops.

The Crew Trophy for best crew in 2010 goes to Ginger Womble. Ginger was very active in promoting and organizing the Southwestern circuit during 2010. Ginger not only sat foredeck for team Womble all year, she joined Aroldo de Rienzo's team for the NAs. She has become one of the best foredeck hands in Texas.

The Dr. Sylvan Newman Perpetual Trophy – Fleet Champion for 2010 is awarded to Aroldo de Rienzo. Aroldo was the top Texas skipper on the 2010 Southwestern Circuit. Aroldo is our current Texas champion. He continues his quest to represent Mexico in the Lightning Class during the 2011 Pan Am Games, and Fleet 435 is solidly behind its champion. His performance at the major Lightning regattas and on the Southwestern Circuit in 2010 was far above his fellow countrymen competing in the same events. Mexico should be proud to select such a competitor as Aroldo de Rienzo for its sailing team at the 2011 Pan Am Games.

The Captain's Trophy is awarded at the discretion of the Fleet Captain. There are no fixed criteria for this award. The 2010 Captain's Trophy is awarded to Clarke Newman for his efforts to promote Lightning sailing. Clarke chaired our committee bidding for the US Pan Am Trials, and has worked for a number of years to bring the NAs back to Texas. The 2012 NAs are in Texas. Clarke promotes not only Lightning sailing, but Class participation at all levels. The ILCA could not ask for a stronger advocate than Clarke Newman.

Fleet 488's 2010 season started strong at the Southern Circuit this year. Dave Spira and his team were there, Nick Farina crewed, and Bill Cabrall sailed with Mariel Yarbrough, Bob Yarbrough, and Norm Jarvis in Miami and Saint Petersburg. Jan Davis was down for the winter Class meetings. Everyone had a great time, and the racing was fantastic. But if you think it was warm and wonderful every day, take a look at the photo of Bill, Mariel, and Norm and his team on the last day at St. Pete after racing in 20–25 knots, then unrigging the boat in the pouring rain! Who knew that being so cold and wet could be so much fun!

In April, Greg Fisher came to Denver to give the keynote address at Denver's Community Sailing (our local junior sailing organization) Annual Fundraiser Gala, found time to give the Fleet a coaching session for an afternoon, and used Lightnings to coach a junior seminar that weekend.

Fleet 488 was able to fill a table at the Community Sailing Gala with Steve and Jan Davis, Bill Cabrall, Raeyane Farrell, Rebecca Espinosa, Nick Farina, Elizabeth Henry-Hooker, and Dave Spira attending. Nick Farina stole the show in a canary yellow tuxedo!

Our wooden boat division started strong with Ben Beall, in Steamboat Springs getting his woody, #1477, into the shop to begin a restoration. Bill Cabrall rigged his "sort of" new wooden boat, #10154, and put it in the water. The good news is that it only leaked a little (Ha!).

Denver Sailing Association (DSA) opened local sailing in May with their 'Opening Day' celebration. Lucas Armstrong and Bill Cabrall had boats in the water, and Bill Cabrall, Raeyane Farrell, Francine Hoffman, and Jerry Shustrin enjoyed the Bar-B-Q afterward. It was a beautiful Colorado spring day, so it only snowed a little!

Bill Cabral, Mariel and Norm Yarbrough – cold, wet and happy!

Brian Blackman brought a boat back from Pontiac Yacht Club in Michigan in May. Although he had never driven across Nebraska before, he managed it twice in a week, getting the boat and officially earning his Lightning Road Warrior Merit Badge—which, as most of you know, looks suspiciously like a receipt for \$43.57 of gas from the Shell station in Ogallala.

DSA held their Hornblower Regatta in mid-May. This year Bill Cabrall not only won in the Lightning Fleet, but also brought home the Hornblower Cup, given for the lowest average score of the individual fleet winners. This year Lightnings were not the largest fleet out (Lasers), but Bill sailed a very consistent regatta. In forty-three years, Lightnings had never brought home this trophy before.

But the real hero of that weekend was eleven-year-old Aidan Blackman. On Saturday with his dad Brian, Aidan went sailing for the very first time, sailed a Lightning for the very first time, and doublehanded a Lightning for the first time in winds over 12–14 knots. Whenever we saw him, he was hiking hard, trimming the jib properly, and giving it everything he had with a huge grin on his face! Notice our photo of Brian and Aidan leading the fleet around a weather mark—there's Lightning family sailing in action!

Meanwhile, at Union Sailing Club in Longmont, Bob Stoller, Eric Mayer, and Tom Daroff were all participating in their Spring Series by the end of the month. Take a look at our photo of Bob with a huge grin on his face up at Union, and then notice the beautiful Rocky Mountains in the background, the bright blue sky to the south, and the wrath of God thunderstorm bearing down on him. Welcome to sailing in the intermountain west!

In July DSA built its new shed/clubhouse at Cherry Creek. A tent was also erected, and a fantastic Luau Party was thrown to dedicate the new facility. The new club is a fantastic addition to our waterfront. The tent, which is 20' x 30', makes a huge difference, as does the shed and the fridge inside the shed. Francine Hoffman and Nick Farina put in days and days of work under the hot sun working on this project.

David and Barbara Thompson moved to Denver and joined us from Fleet 50 in early August.

In August, Fleet 488 did very well overall at the Masters/NAS, with Steve Davis taking second by one point! Dave Spira won the NA's Yellow Fleet, and Bill Cabrall took third in the Green Fleet. Bill was able to house his team in a Victorian mansion in Toms River for the event, which turned out to be a vacation all its own.

That same week, the Fleet acquired a new crewmember. On July 30, Edsel James Hostetter was born—7 pounds, 13 ounces, 21 inches long. Look closely at the portrait of Edsel coming home from the hospital—he's the small one—and notice the official Team Dandy Lion, Lightning #12871, on his he's wearing. Two days old, and that kid is in sailing gear!

A second wood lightning showed up at Union, #734, this year, owned by Tom Plunkett. His boat is beautifully restored, complete with a wooden mast

Lightning's had a great time at the Colorado Governor's Cup regatta in September. Aidan Blackman drove the Team Blackman boat on Saturday. Congratulations on that third place, Aidan! Bob Stoller was back, Steve Davis won by a single point, Raeyane Farrell raced for the first time this year, and Norm Jarvis got to do a flotation check.

Hornblower Regatta – the fleet rounding a weather mark. Brian Blackman is in front, double-handing with his son Aidan

Bob Stoller at Union

US @ Large

Three boats changed hands in September. Steve Davis donated an old Lippincott to the Center for Wooden Boats in Seattle, Bill Cabrall sold the red wooden boat to Jim England, who did a fantastic job crewing in the Governor's Cup, and Jacob Vargish found a boat in Glenwood Springs and brought it back over the mountains.

Bill Cabrall, Brian Blackman, and Rebecca Espinosa accepted an invitation to compete in the Pan Am Games trials to select the US representative and went to Tampa October 24–26 to race for the right to represent the US next year. While there, they had some of the best and worst things that can happen in a regatta come true. The best included a wonderful venue, time with a great team and great people, a fantastic regatta, and Bill's personal best moment ever in a Lightning—a picture perfect start in the fifth race the morning of the second day. He took the pin away from Dave Starck, the current NA's champion, and after a quarter mile, we forced him to tack away!

Unfortunately, they also had some tough moments. In a melee at one of the weather marks on the second day, Rebecca slipped and fell during a tack, badly bruising/wrenching her back and side. By the time we got off the water she needed some serious medical attention, had to sleep on the floor that night with her back iced up, and transit the airports home in a wheelchair. Home with her doctors and an X-ray machine, we discovered that Rebecca had cracked a vertebrae. She has since fully recovered and is back in the boat, but it was a very scary event.

Steve Davis ended our sailing season in stellar style by winning the Bluenose Regatta. Steve and Laura Jeffers took time out from moving the Lightning Class Office from Denver to Florida to hook up with Brian Hayes in Nashville and dominated the regatta, totaling only eight points in three races!

All in all, 2010 was one of the best years ever for Fleet 488 and Lightnings in the intermountain west! Give us a call the next time you are in Denver—we race on Thursday evening's in the summer—and we'll get you out on the water.

Toms River Yacht Club
Toms River, New Jersey

August 11–13, 2010

Champions: David Starck, Jody Starck, Ian Jones

My team and I, Ian Jones and wife Jody, had a good season leading up to the 2010 NAs in Toms River, New Jersey. We were looking forward to the challenge and knew the competition would be stiff. Nine of the top ten teams from last year's world championship would be participating. It was going to be fun!

The qualifier races proved the top of the fleet would be tight. With a stacked fleet, the scores were low. In my estimation, fifteen teams could win the regatta. This speaks volumes to the depth of the Class. Impressive indeed.

As predicted, the championship races were close. The difference between winning and losing was inches and feet, not boat lengths. We found ourselves having average, at

best, starts and working our way up through the fleet. In most races, our finishing position was our best position at any one time during the race. Sailing forward is always a satisfying feeling, regardless of your finishing position. One could argue our "best race" was R4 when we rounded the first mark in the high teens and finished 3rd.

The final day had five teams within four points. The winds were 15–20 knots. Any of these teams could win: Billy Healy, Skip Dieball, Allan Terhune, Jr, Tito Gonzalez, and my team. Given the scores, our goal was to sail a top five race in R5 and see where the chips fell going into the final race (R6). Amazingly, after five races, the top five teams were separated by a mere two points. Wow! Game plan anyone?

Dieball Team

North American Championship

We were ready for Race 6. It was our turn to win a race. Our scores were good (4-2-6-3-3), but we had not won yet. The winner of this regatta needed to win at least one race.

Race 6 was exciting, to say the least. The wind velocity was at its high point. The starting line, as it had been much of the week, was fairly square. However, about twenty seconds before the start, there was a left shift. This made the leeward favored—to the point where a few teams, including us and Tito, tacked to port at the starting signal. We got off fine in the middle of the line. Tito was several boat lengths to weather of us (on port tack). At the top mark, Ched Proctor lead, Tito 2nd, we were 3rd, Allan and Skip were in the top ten, and I didn't see Bill.

The first run was fast, 20 knots, decent waves to surf. We passed Tito with some fantastic spinnaker work, thanks to Ian, and good, clear air, thanks to Jody. Allan and Skip were close; however, it was becoming clear that the race (and regatta) was boiling down to Tito and us. Up the second beat, Tito got right of us, the wind shifted a solid ten degrees to the right and he passed us. Damn! This frustrated us in part because Ian was "on" with the compass numbers. This shift, we thought, was a bit uncharacteristic of the day. In any event, we had our work cut out for us... again. We had to pass Tito—again—to win the regatta.

At the top mark second time around, Ched was still winning, and Tito was about ten boat lengths ahead of us. Allan and Skip were now in the top five, but still a bit back and, for the most part, out of play. Tito and my team both did a bear-away set. Shortly after we set, Tito gybed to port and we matched him. Due to our stellar set and sailing low thereafter, when we gybed to port we were on Tito's breeze. We were able to ride a nice wave and get into the "passing lane." Tito decided to sail low. We passed him

and rounded the port gate a couple lengths ahead. Ched rounded the starboard gate a bit ahead of us.

The final beat was a lot of fun. It came down to simply beating Tito. No small task, especially in strong breeze. We kept an eye on the others, but as the beat went on, it was all about Tito. Period. We could finish 2nd so long as Tito was 3rd. We both tacked many, many times up the beat. We decided on a loose cover on port, tight cover on starboard. Slowly but surely we got out to the starboard layline. After the final tack into the finish, we had to sail about two minutes to victory. Because of a small right shift, we passed Ched on our way to beating Tito and winning the regatta. It was a sweet feeling!

It was a long road—for me anyway—in finally winning the NAs. Jody and Ian are past winners, although they will tell you this win was special and exhilarating. I was incredibly fortunate to have them on my team. They are truly first class.

President's Cup

Toms River Yacht Club
Toms River, New Jersey

August 11–13, 2010

Champions: Larry Frost
Cal Herman, Sr, Chance Miller

Many thanks to the Lightning Class and all volunteers of Toms River Yacht Club for hosting an incredible regatta. Ten great races in five days is testament to the hard work of the Race Committee. Also, special thanks to our hosts Valerie and Andy Finneran for inviting us into their home for the two weeks we were in New Jersey for the Masters' and NAs.

Having arrived early to sail the Masters' NAs at Metedeconk River Yacht Club, we were fortunate to experience much of the "Jersey Shore"—dinner at Spicey's on the Boardwalk, seeing Snooki and her entourage walking down the Boardwalk, a day trip to Hoboken to see Carlos Bakery (TV's Cake Boss), a great cheese steak lunch at Piccolo's, surfing (or at least an embarrassing attempt to surf) with Dylan and Liam Finneran, our hosts and a really nice Lightning Flash USA 15211 tattoo (temporary). What a great time we had!

Our racing week began with a pretty good first day of qualifiers and a "not so good" second day, leaving us four points from the Blue Fleet cutoff. Feeling good about our boat speed and somewhat disappointed on a couple of those decisions you wish would have been a little different left us confident we would be competitive in the President's Cup.

On the first day of the President's Cup we found ourselves in the lead the first race around most of the course, with ILCA Boat Grant Recipient Andy Camarda and crew on our heels, only to relinquish that lead going up the last beat to team Camarda who won the race and three other boats that came in from a right side shift, to put us in 5th at the end of the race. The 2nd race found the same right shift working, only that, we were forced to tack left to clear our air and had trouble getting back right. It was all down hill from there finishing 16th.

Frost Team

Brush Team

N A President's Cup

The next two days we sailed our way up the first beat finding ourselves in the top two or three at the weather mark. Good downwind speed staying in the puffs and working hard up the next beat, we worked our way into second place for each of Races 3, 4 and 5. Each race we finished second behind someone different, Steve Warren, winner of Races 2 and 3, Ryan Sprole, winner of Race 4, and Don Brush, winner of Race 5. Going into Race 6 we felt confident that by sailing fast but conservatively and with getting a top three or four finish we could win the event. After a good start and working the compass hard up

the first beat, we were first at the weather mark. Working hard at holding off some pretty fierce competition around the rest of the race course, we finally scored a first place finish, which sealed first place in the President's Cup.

Great competition, race management, regatta organizing and most of all catching up with many old friends and meeting many new friends from all around the country made this year's North Americans a memorable event.

August 11–13, 2010

Champions: David Spira
Randy Shore, Ty Whitman

Each time I have entered the regatta, I have been in the yellow fleet. On this, my fourth attempt, my team won the division and now hopes to move on to continued success in the Lightning Class. It is no surprise that all of the teams in this regatta know their way around the Lightning and the race course and could be counted on for some competitive racing on all the legs and mark roundings. Conditions were mostly windy, and the long day made for a premium on fitness and preparation—making sure we had enough power bars and water! Thanks to the other teams in the Governor's fleet for some fun and challenging racing.

This year the Championship regatta was the “qualifier” for the World Championship next year in Buzios, Brazil, and we will be turning 130 together and will be competing as a team there in the Masters and hopefully the Worlds as well.

My teammates were Randy Shore, Newport, Rhode Island, in the middle and Ty Whitman, Niantic, Connecticut, on foredeck. They were fantastic and kept us sailing fast through the event. The week-long regatta was as usual tough on the boat and the team. After some problems with a major boat repair after day two, we did sail a solid series in the good breezes of Barnegat Bay. My thanks to Randy and Ty for sailing with me—looking forward to next season!

It was great observing the two starts before us and watching the other fleets on the course as well. It was critical to watch out for traffic! Congratulations to Team Starck for a well deserved victory! Thanks to the Toms River Yacht Club and their fabulous regatta committee and volunteers for a beautiful event on the water and on land social events as well as the yacht club facility. We really enjoyed our visit and appreciated the hospitality and the fantastic venue.

Champions: Cortney O'Connor
Meghan Crann, Caitlin Crann

I sailed my first Junior North Americans as a skipper in 2001 with my two best friends, Caitlin and Meghan Crann. My grandmother, Marion Freeth (affectionately called Gram by all of us), was a prominent advocate for the sport of sailing and encouraged me to compete at all levels. At the time, Meghan, Caitlin, and I were young and didn't fully grasp what Gram was trying to teach us by convincing us to travel to regattas like the North Americans, but I now realize that this experience was the beginning of a future filled not only with great sailing, but also one filled with memories and friendships, all thanks to her guidance.

That year, the Metedeconk Yacht Club sent two boats to Malletts Bay Boat Club. Our girls boat was chaperoned by Gram, and the "rock star" boys boat, was sailed by a crew of our dearest friends, Andrew Brennan, Wade Schon, and Jimmy Roe. We were thrilled to be sailing far from home with our friends, but we also began to realize why Gram felt it was so important to compete at different levels. By the end of the regatta, the members of "Team Junior" had formed friendships with kids from all over the United States, including sailors from Ohio, Vermont, and Wisconsin, many of whom we still sail with and talk to today. In 2001, not only did Team

O'Connor Team

Ruhlman Team

NA Women's Championship

Junior come home with memories and new friends, but the boys also came home with championship hardware.

Today, both Gram and Andrew have passed, but there is no doubt that they were there with us during this year's 2010 North Americans. Their passion for sailing, their unwavering support, and their "go for it" attitude was certainly felt throughout the regatta. Even nine years later, it is still an honor to be part of the Lightning Class, to continue representing Team Junior, and to honor the memory of Gram and Andrew out on the water during each race.

In addition to having many great new memories from this year's North Americans, I also have MANY thanks to offer! I would first like to thank both Caitlin and Meghan for agreeing to sail with me—you girls were amazing from start to finish, and I couldn't have asked for a better crew. Another huge thank you goes to John Faus (Senor Pauw) for lending us his boat for the event. We will be forever grateful for putting your trust in us and for lending out Matty Schon to help rig the boat and make sure it would be fast. Another important thank you is due to Jim Carson for promoting Lightning sailing—there is no better class, thanks to your help. I also want to thank Jody Lutz and the Race Committee for putting on such an excellent event. Finally, and perhaps most importantly, a huge thank you goes to my parents for giving me the opportunity to sail and be a part of something inspiring, meaningful, and so special. Congratulations to all of the other competitors in the VJM's!

Regatta Highlights

- Watching friendships continue to develop after all of these years!
- Having my best friend Maegan Ruhlman, and her teammates, Katie Werley and Samantha Maras, stay with me throughout the week; we proved that you can have plenty of fun with just a board game!
- Seeing Jody Starck, Debbie Probst and Monica Jones promoting Lightning sailing for the up-and-coming young female sailors.
- Having so many Lightning sailors at our club to see the new Andrew Brennan Junior Sailing Center.
- Daily dance parties on the tows out and the sails in!
- Getting to compete against family for the first time in a Lightning event; my Aunt Debbie grew up sailing with Jack Elfman, and it was a great feeling knowing I had family on the race course.
- Jersey Mike's lunches daily!!
- Calling John after day one to tell him we had a great day, then texting him after day two to tell him we flipped his boat during a hairy gybe downwind—the ups and downs of sailing!

Juniors' Championship

Metedeconk Yacht Club
Brick New, Jersey

August 11-13, 2010

Champions: Timmy Crann
Lauren Jones, Jeff Markarian

When I first heard that the 2010 Junior North Americans were going to be held at Metedeconk River Yacht Club, I had a mix of emotions. My first thought was that I wasn't going to have a summer road trip like past years, but once the idea soaked in, I realized I finally had the chance to show off my club to all of my Lightning friends. Now the only questions left were: What boat would I sail? And with whom?

Thankfully, Jeff Markarian and Lauren Jones agreed to sail with me, which seems like so many months ago now. Being so many miles apart, it was difficult for the three of us to practice together, so we just hoped it would all work out. The Junior NAs was going to be the real test. In the end, it all paid off. I can't go without thanking Jeff and

Lauren for everything they did. Being my first big Lightning event, they not only crewed perfectly, but helped me through it all, and I cannot thank them enough. I also have to thank Jim Carson for allowing the three of us to sail his boat.

The regatta was sailed on the very familiar Green Island Course of the Barnegat Bay. The three days of racing were full of competition, fun, and lots of wind. Day One had classic Bay conditions, with a strong sea breeze in the afternoon. Being used to the conditions, I and fellow Metedeconk sailor, Jason Lutz, started the regatta off with a one-two finish. Day Two brought a building westerly that made the racing even more intense and forced the Race Committee to abandon the last race of the day. With

Godfrey Team

Tyner Team

N A Juniors' Championship

great teamwork, Lauren, Jeff, and I were able to hold the lead going into the last day of racing, with Connor Godfrey and Jason close behind. The last day arrived with a puffy and shifty northwest breeze, resulting in a mixing of the fleet. We managed to stay consistent, winning the title, with Connor in second, and Will Tyner in third.

Twenty-five years from now no one will remember the places we finished, but instead the memories we made with each other. We won't talk about the races or the wind conditions; we'll talk about times when we were all just hanging out. Whether it was swimming in the club

pool, talking between races, going to the boardwalk, or the late nights we spent out on the beach, I know that all of us will remember the 2010 Junior NAs at Metedeconk.

Winning at Metedeconk, alongside Cortney and my sisters, Caitlin and Meghan, made the experience even more memorable. I would just like to thank all the competitors, Jody, Jim and the Race Committee, and everyone who contributed to the event. It truly was an experience of a lifetime.

Hall Team

Masters' Championship

Metedeconk Yacht Club
Brick, New Jersey

August 11–13, 2010

Champions: Peter Hall
Ched Proctor, Stephanie Bloucher

Who says Masters' sailing isn't exciting, competitive, friendly, fun, and tough going!! Nineteen tested veterans raced six races with heavy and light air, southwest and northwest winds, shallow waters, and very shifty, hot conditions. The winner was only decided on the last leg of the last race! And since the juniors' and women's were mixed up with us, we really did not know where our competitors were!!

Jim Carson, the PRO, organized six races in a very difficult area of water; wind direction and water depth—he and the Metedeconk River Yacht Club team deserve the thanks and appreciation of all the sailors. On behalf of us all, a BIG THANK YOU to Jody Lutz and all the great volunteers and sponsors.

Wednesday, August 4, saw 12–15 knots from the southwest, and local Richard Warren made great gains on the right side of the upwind legs. Peter Hall was middle left, and our centerboard touched the sand three times—not very fast! So much for local knowledge that the sea breeze would push the wind left. Incidentally, that was the last we saw of “typical local conditions.” Steve Davis and Peter rounded the last weather mark overlapped. Steve won by sailing low and fast with great spinnaker work from Brian. Peter came second and Fisk Hayden finished third.

Race 2 winds increased to 15–18 knots. Richard Warren went right and won the race, followed by Steve Davis and ourselves.

Davis Team

Warren Team

N A Masters' Championship

In Race 3 and 4, the winds were more northeast, and the first four boats had good finishes: Hallagan 3,4; Warren 1,5; Davis 5,1; and ourselves 2,2.

Going into the last day, it was anyone's game! Richard wins, ourselves second, and Steve third—amazingly close and competitive. The sixth and last race was clearly the most exciting. Steve, Peter and Richard were essentially tied. We started in good wind near the committee boat, went right, and rounded the first mark first—only to find Steve very close behind us. Suddenly, no wind downwind! Chutes hanging! The new wind came from the right; Steve Warren got to it first and ended up winning the race. We finished fourth, Steve Davis 11th, and Richard Warren 7th. Don

Barrett had a great race and finished second, followed closely by Jon Schwartz.

Stephanie and Ched did a great job crewing in difficult conditions. In reality, all helms people in the Masters Fleet realize and appreciate how important it is to have great crew! They hike much harder! Jody, Jim, and the Met-edeconk team, thanks again for a wonderful regatta! We especially appreciated the strength of the Junior Fleet, the future of the Lightning class will be in good hands!

South American Championship

Gonzalez Team

One more time we traveled to Ecuador and sailed at the famous Salinas Yacht Club. The Worlds back in 1999 and more recently in 2003 for the last South Americans were the last two times we were there.

Six teams from Chile were represented. Four shipped their boats (the only container) and two chartered local boats. Argentina was represented with three teams and Brazil and Colombia filled the foreign teams as well.

The Salinas Yacht Club and all the people from Ecuador put on a great regatta, as they always do in their local venue. The weather was particularly cooler than we normally expected for this time of the year, but the wind was fantastic, and that allowed us to sail all the races, eight total in three days. For this regatta the race course was set closer to the southwest coast, allowing interesting wind shifts that gave plenty of opportunities to pass or lose boats. Winds were in the range between seven to fourteen knots.

We have to thank Eduardo Benadi, chairman of the regatta, and his super team, Dick and his wife, among other

South American Championship

December 4–7, 2010

Champions: Tito Gonzalez
Diego Gonzalez, Christian Herman

fellows. They were fabulous. I have to thank my team one more time for their excellent performance, and, of course, to my friend Juan Santos, who one more time was a strong competitor who finished second overall.

Last, the Chilean team needs to thank Andres Gomez, who was the man that dealt with the shipping company and worked for days setting all the logistics that allowed us to sail in our own boats. One piece of the trophy belongs to him. We won't forget all the good and bad moments we had during the week—as when we started early in the first race of the championship and were OCS.

Next year I encourage most of the teams to go and sail the next South American Championship in the marvelous venue at Bouzios Yacht Club in Brazil just days before the next World Championship. It should be a fantastic place to sail and a great opportunity to taste the Brazilian hospitality. Let's go sailing!

Tito Gonzalez

South American Championship

1er Dia de Regatas Campeonato Sudamericano De Lightning

Domingo 5 de diciembre del 2010 El día de hoy se inicio con normalidad el primer día de Regatas del “Campeonato Sudamericano de Velerismo clase Lightning2 con vientos que oscilaron entre 9 y 11 nudos con una ola pequeña y una corriente leve. A diferencia del día de práctica (Sábado 4 de diciembre), hoy el sol no acompañó a los veleristas más que en la primera regata y algo en la tercera. 25 barcos fueron de la partida en la lucha por el título Sudamericano en el mismo se encuentran participando representantes de Argentina, Brasil, Chile, Colombia y Ecuador.

Desde el día ayer y confirmando el día de hoy los favoritos entre los que se encuentran Tito Gonzales de Chile, Thomas Summer de Brasil, Roberto Ricover de Argentina, Juan Santos de Ecuador y Jonathan Martinetti también de Ecuador, se lanzaron a la disputa de las diferentes regatas palmo a palmo. En más de una competencia la llegada hizo muy difícil la tarea de los jueces presididos por Eduardo Vedani, debido a lo juntos que llegaban los barcos. Al término del primer día el campeonato está liderado por nuestro crédito ecuatoriano Juan Santos Garcés quien ganó 2 Regatas, seguido por Jonathan Martinetti y en tercer lugar Thomas Summer. La cuarta posición la ocupa Roberto Ricover, la quinta Tito Gonzales quien también ganó una regata.

2Do Dia de Regatas

6 de diciembre del 2010 Se cumplió con lo programado y con menos viento que ayer se corrieron las 3 regatas correspondientes al 2do día del Cto Sudamericano de Velerismo clase Lightning. Los vientos que hoy fueron muy cambiantes oscilaron entre 7 y 11 nudos, un factor extra que sorprendió a muchos se añadió hoy: una muy fuerte corriente que hizo que algunos barcos tuvieran tropiezos con la Boya de Barlovento. El chileno Tito Gonzales se recuperó de un tropiezo con la boya y ganó la primera regatta y la tercera del día lo que le permite ir liderando posiciones al termino del segundo día, Jonathan Martinetti quien ha hecho un campeonato muy regular ocupa al momento la segunda posición, sin embargo hay una protesta que debe dilucidarse hoy entre estos 2 participantes. Juan Santos ocupa el tercer lugar a tan solo 2 puntos Martinetti, el cuarto lugar es ocupado por Thomas Summer de Brasil y el quinto por Cristóbal Pérez de Chile.

1st Day Of Racing Lightning South American Championship

Sunday December 5, 2010, began the first day of races of the South American Sailing Championship Lightning Class with winds ranging from nine to eleven knots with a small wave and a slight current. Unlike the practice day (Saturday, 4 December), today the sun did not accompany the sailors more than in the first race and some in the third. Twenty-five boats headed in the struggle for the South American title, with participants from Argentina, Brazil, Chile, Colombia and Ecuador.

The favorites were confirmed, including Tito Gonzales of Chile, Thomas Summer of Brazil, Roberto Ricover of Argentina, Juan Santos of Ecuador and Jonathan Martinetti, also from Ecuador. Many of the races were disputed by inches. Most of the competition was very difficult for the judges, chaired by Eduardo Vedani, due to boats arriving together. At the end of the first day, the championship is led by our Ecuadorian Juan Santos Garcés, who won two races, followed by Jonathan Martinetti and thirdly Thomas Summer. The fourth position is occupied by Roberto Ricover, the fifth by Tito Gonzales, who also won a race.

2nd Day Of Racing

Monday December 6, 2010, We were met on schedule and, with less wind than yesterday. Three races were run for the second day of the South American Championships. The winds today were quite variable, ranging between seven and eleven knots. An extra factor that surprised many was added—a very strong current that caused some boats to trip over the windward mark. The Chilean Tito Gonzales overcame a stumble on the float and won the first regatta, putting him in the lead at the end of the second day. Jonathan Martinetti, who has done a very regular championship, occupied the second position. There was, however, a protest that needed to be resolved between two participants, Juan Santos is in third place just two points behind Martinetti. Fourth place was occupied by Thomas Summer of Brazil and the fifth by Christopher Perez of Chile.

South American Championship

3 Dia de Regatas

7 de diciembre del 2010 Culminó con éxito el 56 campeonato de Velerismo clase Lightning. Las dos regatas programadas para el día de hoy se retrasaron debido a la protesta que existía entre la protesta de Jonathan Martinetti (ECU) y Tito Gonzales (CHI); la misma que los jueces consideraron desestimarla. El viento osciló entre 11 y 13 nudos y el sol acompañó a las dos regatas; que como en todas las anteriores fueron muy competitivas. El chileno Tito Gonzales, Ganador del campeonato, se adjudicó de las dos regatas correspondientes al día de hoy; El ecuatoriano Juan Santos terminó en la segunda posición, seguido de Jonathan Martinetti, Cristobal Perez y Thomas Summer. Como invitados especiales estuvieron muy cerca de la cancha de regatas, un par de ballenas jorobadas quienes disfrutaron como el que más del campeonato.

3rd Day Of Racing

Tuesday December 7, 2010, fifty-six successfully completed the Lightning Class Sailing Championship. The two races scheduled for today were delayed due to the protest between Jonathan Martinetti (ECU) and Tito Gonzales (CHI); the judges rejected the protest. The wind ranged from eleven to thirteen knots, and the sun shown during the two races, both of which were very competitive. The Chilean Tito Gonzales, winner of the championship, won the two races today, the Ecuadorian Juan Santos finished in second place, followed by Jonathan Martinetti, Chris Perez and Thomas Summer. Special guests, very close to the race course, were a pair of humpback whales who appeared to enjoy the championship.

October 11–13, 2010

Champions: Gary Schwantz
Kristiann Gips, Ingo Matenaar

Congratulations to all for the friendly sportsmanship and keen sailing in the 2010 Lightning Europeans held at Lagos Yacht Club, Nigeria.

Teams representing Finland, Switzerland, France, England and of course Nigeria sailed seven races offshore Lagos in light to medium winds over three days. Thank you to race officers Don Third, Syd Warburton and Hugh Thorley and

their helpers for running the races. Special thanks go to Leslie Sutin, Nancy Overfield, Nancy Laidlaw and Marilyn LeBlanc and their helpers for organizing social activities after races each day a wonderful supper under the moonlight on the Yacht Club Terrace, and hosting the Finland visitor for local shopping at Lekki market.

North American Champions

The first National Championship was held when the first boat was publicly less than eight months old. Nineteen boats participated, and John Barnes won with three firsts.

In 1945, the Championship was renamed International, there being thirty some boats in "foreign" countries.

In 1961, the first Lightning World Championship was held, and that year the Internationals were renamed once again, this time to the North American Championships.

LIGHTNING *FAST* SOLUTIONS

FOR OUR CHANGING WORLD...

PREFORMED LINE PRODUCTS

The connection you can count on.

With manufacturing facilities in eleven countries, five in North America and three in the United States, PLP is proud to have had its global headquarters in the greater Cleveland area for over sixty one years.

Developing ground-breaking and innovative solutions in copper and fiber optic communications networks as well as for the transmission and distribution of electrical energy, PLP has consistently pioneered modern advances for the communication and energy industries since 1947.
