PRESIDENT'S MESSAGE

History will record this year as one of most significant accomplishment. The International Yacht Racing Union, yachting's highest authority, has honored the Lightning Class Association by recognizing it as an International Class, a distinction held by but few of the many Classes throughout the World. The International Lightning Class Association is proud to accept this recognition and the accompanying responsibilities. This designation, which is neither hastily given nor lightly received, was granted only after a lengthy period of investigation and appraisal of our Class credentials.

The International Lightning Class Association wishes to express its deep appreciation to the gentlemen of the International Yacht Racing Union for their splendid cooperation during this long and sometimes trying period; to the members of the numerous National Yachting Federations for their support; to our sponsors, the North American Yacht Racing Union; and to President George R. Hinman and Secretary Robert N. Bavier, Jr. of the North American Yacht Racing Union who represented us with distinction.

Within our organization, we acknowledge the tremendous contributions made since our founding by the members and officers who have directed and administered this fine organization so well. Special recognition must be paid to Vice-President in charge of International Affairs, Mr. W. J. Limbaugh for his outstanding service to the Class in representing us to the International Yacht Racing Union.

Thus honored, the International Lightning Class Association should be inspired to accelerated expansion and continued contributions to the sport of one-design sailing.

Typical of the dedication of the International Lightning Class Association membership is this, the 1963 YEARBOOK, which has been assembled so well by Editor Stuart Anderson and his staff. We are indeed grateful for their hard work which has resulted in this truly fine publication.

Martin J. O'Meara Jr.

President, International Lightning Class Association

OUR CHAMPIONS

Officers of Lightning Class Association

PRESIDENT Martin O'Meara, Jr. 653 Connecticut Blvd., E. Hartford, Conn.

Marty has been a member of the L.C.A. since 1943, his first Lightning being BABY I, #2248, then #6500, BABY II. He now owns #7170 BABY MAKES III. He served as Captain of the Niantic Bay Fleet 85 from 1950 to 1962, has served as Connecticut District Secretary and District Commodore. He served as L.C.A. Treasurer in 1960 and Secretary in 1961, and Director of Publicity in 1962.

To pay the yard bills, Marty manages automobile dealerships handling Ford, Triumph and Studebaker products in the Hartford area.

CHIEF MEASURER—Herman Henschen 1816 Hillenwood Rd., Baltimore 14, Md.

Herm began sailing in 1948 in his homebuilt "Kibitzer", #3140. He has served as fleet captain of Fleet 128, and secretary, vice-commodore and commodore of the Dixie District. In between these jobs, he has been chairman of two Dixie District Championship Regattas and Chairman of the Atlantic Coast Championship Regatta. He was fleet Champion of Fleet 128 for 5 years and Chesapeake Bay Champ for 3 years. He currently owns #7015, "Sugar 'n Spice", named after his five daughters.

Herm is a Chemical Engineer for the Bethlehem Steel Co. at Sparrows Point, Md.

HONORARY COMMODORE—John M. McIntosh #4 Pinewood Ave., Parkersburg, Savannah, Ga.

John has been sailing Lightnings since 1950. He is a member and former Captain of Savannah Fleet 127. Member Board of Stewards Savannah Yacht Club and a former Commodore of the South Atlantic Y.R.A. He has served the LCA as Vice-President, Treasurer, Secretary, Chairman of Publicity, President and three times as a member of the Executive Committee.

He is currently sailing #4872, RABBIT, with his wife, Barbara, and one of his six children. When he is not involved in Lightning activity, he serves Neal-Blum Company, a wholesale building materials firm, as Vice-President and General Manager.

ASST. MEASURER & VICE-PRESIDENT Howard Mullin, 26 Fox Hedge Road, Saddle River, N.J.

Howard first set out to sea as commanding officer of a 190 ft. converted motor ship in World War II for the Air Force with duty in the Pacific. Following the war and several years of flying light planes for sport, he changed to a Lightning in 1954 in which he found flying spinnakers in planing winds on TACKLESS just as exciting and a little less dangerous than tail spins and loop-the-loops.

He has served as Fleet Captain, District Commodore and Measurer. When sailing activities permit, he is engaged in building homes and developing real estate.

ASST. MEASURER & VICE-PRESIDENT Ralph D. Powless, 2140 Freeman Rd., Rt. 2, Westerville, Ohio

"Bucky" started racing Lightnings in 1955 in #1229 and has since then owned, in succession, #4677, #7022 and #8002. He is in the process of building #8522 for the 1963 sailing season.

"Bucky" has served as Secretary and Commodore of the Ohio-Indiana District, Commodore of the Leatherlips Yacht Club and is helping Herm and Howard check measurement certificates along with all the other duties required of an Assistant Measurer.

A former teacher and coach turned contractor, he lives 10 miles north of Columbus with his wife, Marge, and three children, Sandy 7, Sherry 5, and Jeffrey 3, all being trained to properly serve as Lightning crewmen for Skipper Pop.

SECRETARY—J. R. G. Bleasby 33 Standish Ave., Toronto, Ont.

Bob's addiction to sailing began at the tender age of 3 when he fell into the local yacht pond in Scotland. However, it took the sailing bug 30 years to incubate when he started construction of his Lightning #5234. Since then he has built #7650 and now spends his spare time making masts for Lightnings.

Interruptions to this project are in the form of meetings of the Canadian Yachting Association of which he is a Director and visits to the British Trade Centre to occupy the office of the Ontario Manager.

VICE-PRESIDENT IN CHARGE OF LEGAL AFFAIRS— George V. Fisher 4338 Cameron Road, Columbus, Ohio

George has been sailing Lightnings since his discharge from the Navy in 1946. Six times Ohio-Indiana District Champion, George has served as Secretary and Commodore of the District and as Commodore of the Buckeye Lake Yacht Club, Buckeye Lake, Ohio. During the past two years he has been working on the Committee to amend the By-Laws and Constitution of the LCA. He is a general partner in the law firm of Krumm, Schwenker and Fisher in Columbus, O.

TREASURER—Hamilton Gates Ford
Indian Point Lane, Riverside, Conn.

Ham first stepped into a sailboat 12 years ago and has been spending all of his free time since sailing dinghies and Lightnings. For the last six years, he has been co-owner and crew of ENCORE II #6654, which, skippered by his son Carter, placed 3rd, 9th and 14th in the 1957, 1958 and 1960 Internationals, and won the President's Cup in 1959 and 1962. In 1961, they placed 7th in the North American Championship, and 8th in the 1st World's Championship.

He is a member of the New York and Riverside Yacht Clubs, serving as Treasurer at Riverside and as Commodore of the Western Long Island District. Currently he is a member of the Board of Governors at Riverside, Treasurer of the Yacht Racing Association of Long Island Sound, and a member of the LCA Executive Committee.

Between regattas he can be found at the New York City real estate office of Charles F. Noyes Company, Inc., of which he is a Director and Vice-President.

VICE-PRESIDENT IN CHARGE OF INTERNATIONAL AFFAIRS—Jay Limbaugh

Edgecliff Drive, Worthington, Ohio

Jay is serving his third term of office as LCA Vice-President of International Affairs and his second year as a member of the LCA Executive Committee. In the past he has served as a Governor of the B.L.Y.C., Captain of Fleet #43, Secretary and Commodore of the Ohio-Indiana District and Editor of the 1958 Lightning Class Year Book. He sails his Lightning "Mort" #7940 in the Buckeye Lake Fleet. He is Manager of Manufacturing at the Janitrol Aero Division of Midland-Ross Corporation.

VICE-PRESIDENT—Floyd R. Arnold, D.D.S.,
22340 Michigan Ave., Dearborn, Mich.

"Doc" started sailing Lightnings on Higgins Lake in 1946 with #1348. Later he purchased #2460, followed by #6280. Finally #7300 TRIAGAIN seemed to be the boat "for him". He has served on the LCA Racing Committee and was LCA Year Book Editor in 1960. He served on several committees of the Michigan District.

Doc is a Past Commodore and Secretary of the Michigan District and was instrumental in arranging the charter for Fleet #110 at Higgins Lake, serving as Fleet Secretary and Captain and several times Fleet Champion. He helped organize Higgins Lake Boat Club, home of Fleet #110. He was on the Board of Directors of H.L.B.C. and its second Commodore.

Doc's hobbies include sailing, fashioning sterling silver jewelry, porcelain glazing and gardening. He and his wife Helen have three daughters, who have sailed as crew members, and a son Dick, already a winner at Higgins Lake.

Doc graduated from the University of Michigan in Dentistry in 1929 and in 1934 received his specialty license in Orthodontics.

VICE-PRESIDENT—William Hole
44-470 Aumoaana Way, Kaneohe, Hawaii

Bill "Puka" has sailed in Kaneohe Bay, Hawaii since 1932. He started as crew on a Spartan, but in 1949 built a Lightning and has been active in the class ever since.

He sailed in the 1953 Internationals; the 1961 North American Championships; and, in the First World's Championship at Milford, Conn. Right now he is making plans to attend the 2nd World's Championship at Lima, Peru in 1963.

He is the Assistant Superintendent of California Packing Corporation's Pineapple cannery in Honolulu.

VICE-PRESIDENT—Gaines Houston
42 Edgehill, Little Rock, Ark.

Gaines is an Engineer-Lawyer, limiting his practice to Labor Law. He began sailing at Port Arthur, Texas in 1932. Interested in the early development of the Lightning Class he took delivery on his first Lightning #95 at Port Arthur in 1939. He sailed on Galveston Bay (HYC) until returning to Arkansas in 1950 bringing #95 along with him. With this boat he developed interest in central Arkansas in racing Lightnings. He organized Ouachita Lightning Fleet #284 at Hot Springs, Arkansas, and served continuously as its Fleet Captain until last year. Gaines is also a past Central States District Commodore and now skipper of #7655, successor to the original LITTLE DEARIE #5855.

VICE-PRESIDENT—Alfred Coho
5173 Leo Street, San Diego 15, Calif.

Al started racing a Lightning in 1956 with Fleet 194 on Mission Bay in San Diego. DELTA, #6177, was finished from a partially completed hull which was delivered at about the same time as Al's third boy. Sailing is a family sport, with his wife, Mabel, and one of the older boys as regular crew.

Al has served as Fleet Secretary and California District Commodore. He also was Commodore of Mission Bay Yacht Club in 1961 when the North American Championships were held in San Diego.

To support his sailing activities Al works as a Material and Process Engineer for Ryan Aeronautical Company in San Diego.

VICE-PRESIDENT—Enrico E. De Mori
Via Tripoli 103, Rome, Italy

Enrico is a Colonel in the Italian Army Reserve and the demands of his profession prevented him from devoting his time to his favorite sport until he reached middle age. He started with dinghies and went on to Lightnings, and is considered to be more a sailing addict than an enthusiast. While he has no particularly outstanding record in competition, he has encouraged the spread of Lightnings in Italy as far as he could.

Enrico was Captain of the Anzio fleet for two years.

VICE-PRESIDENT—John W. Swanson
1556 Colvin Ave., Kenmore 23, N. Y.

Jack is a Lightning skipper who several years ago gave up the frustrations of playing golf for the "relaxation" of sailing. He is now the most frustrated ex-golfing sailor in existence. After sailing "Three Winds" #749, with Jack Palmer for several years, Jack acquired "Sabrina" #6345. Jack P. has given up but Jack S. with wife Jean as crew is continuing the contest, chasing after Championships and the Terrible Three of the Lake Erie District. Jack is Commodore of the Niagara Sailing Club for 1963 and is currently working on the film of the 1962 North American Championships with Tom Fallon and Jerry Blake. He is a post-Commodore of the Lake Erie District and is continuing his work on Fiberglass boats and their construction for the LCA. When Jack can find time from his sailing activities, he earns his living as a Manufacturer's Agent covering heating, ventilating and air-conditioning.

VICE-PRESIDENT—Raimo-R. Nordstrom
Loviisa, Finland

Raimo started to race in Lightnings in 1949 with Pinocchio, #4334. In 1952, his wife Lila signed on and a new boat Katrina, #6368, was built in 1958.

Both with Pinocchio and Katrina he has won District Championships and been quite successful in European Championships, too. Because of more work and bigger family—Annika (8) and Katrina (6)—the work as district officer had to be handed over to more active Lightning enthusiasts. As Chairman of the Small Boat Committee of the Finnish Yacht Racing Association, he is, however, still working for our class besides all other official small boats in Finland.

Raimo works for Ab. R. Nordstrom & Co. Oy., shipowners.

VICE-PRESIDENT—Jose Barreda Moller
Camana 615-502, Lima, Peru

Jose is one of the most active skippers in the Lightning Class, which is by far the most active in Peru. He is the founder of the South American Confederation of Lightning Class Associations under whose auspices the South American Championship is held every year, with an average participation of seven countries. He is a lawyer, listed in the best known American and British Law lists.

Jose participated in the 1st World's Championship held in Milford, Connecticut in September, 1961. He acted as interpreter for the Race Committee and sailed a very creditable series.

VICE-PRESIDENT—Hans A. Luthy
Juraweg, Schoftland, Switzerland

Hans started sailing in 1932 on "22 m² Renn-Jolle" and changed to Lightnings in 1951. In 1953, he acquired his present boat QUAND-MEME #5281. With Peter Ehret, he organized Fleet 250 in 1954 and then later the same year he helped to organize the Switzerland District with the aid of Oscar Weber and de Bosset of Fleet #169. He has served as District Secretary and President of the Sempachersee Yacht Club.

Besides his sailing activities, Hans is sales-manager in the Bally's shoe factory at Schoenenwerd.

VICE-PRESIDENT—Philip Joannides
5 Herodou Atticou, Athens, Greece

Phil has been racing since 1938 mostly on blue water. He discovered the merits of the Lightning in 1952 and has since been an ardent supporter of the Class, believing it is one of the most suitable boats for bringing new blood into racing.

He organized fleet #286, the Greek District and two European Championships in Greece.

He is a flag officer of the Royal Yacht Club of Greece and was for several years a member of the Council of Appeals of the Royal Hellenic Yachting Association. He held the chair of this Council briefly until he resigned after the Corfu incident.

Phil has a seasick wife, three daughters and a sailor son. He is a graduate of the Northwestern University Dental School.

VICE-PRESIDENT—Alberto Migone
Aguero 1735, Buenos Aires, Argentina

Alberto began sailing in 1943 and owned his first boat in 1950, REPUNTE #4581. Since that time he has been Argentine Champion five times. He was the first South American Champion and has been Vice-Champion twice, having participated in seven South American Championships.

Alberto is now a member of the Federacion Argentina de Yachting, captain of the Club Nautico de Olivos Fleet and serves as Commodore of the Argentine District.

TOM ALLEN WINS AGAIN—EICHENLAUB SECOND

In a highly competitive series at the Buffalo Canoe Club, Point Abino, Ontario, August 27th through September 1st, Tom Allen, Defending North American and World's Lightning Class Champion, successfully stave off the challenge of Carl Eichenlaub, Jr. in his new Bull II and eighty-eight other challengers.

Tom sailed a consistent final series with a third, second, fifth, fifth, and sixth in order. After two races Carl Eichenlaub had a second and a first, so it looked like a two boat series. However, in the third light air race Allen picked up five points on Carl giving him a lead of three points going into the last day of scheduled back-to-back two races. Tom picked up another three points in these two races, so won the series by seven points. It was an excellent series sailed in all kinds of wind and sea conditions. The first race was light to start and increased to moderate. The second race was moderate to fresh with relatively rough seas. The third race was a drifter with the usual shifts, flaws, and slants that accompany such conditions. The fourth race was sailed in about twenty miles of wind in very heavy seas and the fifth race was sailed in about 16 to 14 miles of wind and equally heavy seas.

So the series was an excellent test of boats, gear, crews, and skippers under almost all conditions.

Here is the detailed account of the Regatta:—

Monday, August 20th:—

Carl Eichenlaub pulls in with his beautiful new Bull II and his fine young crew of Dennis Connor and Mike O'Brian. They have made the transcontinental trip from

San Diego—a distance of 2800 miles—in fifty-six total elapsed hours. Carl is obviously loaded. He is organized just as he was at Tawas—getting there early with plenty of time to practice, tune, and study the local conditions.

Next to arrive is Commodore Stan Brander of Tulsa, Oklahoma. As usual those who travel farthest—arrive first. One of the next arrivals was Vice President Gaines Houston from Little Rock, Arkansas.

By Sunday evening, August 26th, all eighty-nine challenging skippers and crews had checked in. Boat measuring was under the direction of Assistant Chief Measurer Al Bernel with sail measuring being headed up by Bob Chambers, Tom Allen's stalwart crew member.

There were two formal practice races on Sunday afternoon and Monday morning. The qualifying races began Monday afternoon.

Qualifying Races:—

The eighty-nine boat challenging fleet was divided into nine groups. Three groups were merged together for a heat. Each boat sailed three qualifying races making a total of nine qualifying races—the same as at Tawas, Michigan in 1960. In California in 1961, the total entry was forty-seven boats, so only six qualifying races were needed.

The first series of qualifying races were sailed in 15 to 18 miles of wind in open Lake Erie in moderate seas. The second series of qualifying races sailed Tuesday morning were sailed in calm seas. A cold front had come through overnight, so the wind was out of the north. During the morning race the north wind died out and

was replaced by a rising southwesterly—the prevailing direction. The boats were becalmed between the time that the north wind died and the new southwest wind came up. In between there were the usual small shifts from all directions of the compass. This was a real scramble. Fortunately, however, the new southwest wind made a fair weather leg on the second leg of the triangle so the second series of qualifying races were a fair test. The third series of qualifying races on Tuesday afternoon were sailed in a moderate to fresh breeze out of the southwest—steady and straight. It was midnight on Tuesday before the scorekeepers were able to post the final qualifying score. One of the participants in the Regatta was the talented Jose Barreda-Moller from Lima, Peru, who had flown in on Saturday, August 25th, with his crew of Carlos Arteaga-Garcia and Manuel A. Delgado-Garcia. He used his own sails—#5783—but used a borrowed boat—#8200. Because of the North American Championship being the qualifying round for the 1963 World's Championship and Jose qualifying in the top twenty-nine, the Executive Committee ruled that there would be thirty challengers in the Finals.

First Championship Race:—

The wind was light out of the south-southwest. The thirty-one boat fleet made a good start with Karl Smither, Mr. Lightning himself, in Thermis 7, #7000, leading on the left-hand side followed by Carl Eichenlaub. Tom Allen was leading on the right-hand side but midway through the first weather leg tacked over, took his beating, and came over well behind Smither and Eichenlaub. After the first weather leg the wind freshened and swung to the southwest making a good race of it. Smither easily held his lead to the finish followed by Eichenlaub, and Tom Allen who had worked his way up to third. Fourth was young Steve Bachman from Southport, Connecticut in Yankee, #7126. Steve had already given evidence of being an outstanding light weather boat having won one of the qualifying races in light air by a wide margin. Fifth was Bruce Goldsmith from Chicago in Snoopy, #8298.

Second Race:—

The wind was southwest about 15 with the weather end of the line considerably favored. Eichenlaub led all the way around to win the race easily followed by Allen and Bob Seidelman, Southern Circuit Champion. Next was Stu Anderson in the venerable Glockenspiel followed by Jack Swanson in Sabrina.

After two races it was obvious that this was to be a two boat series with Eichenlaub and Allen far out in front. Here was the low point score after two races:—

Eichenlaub	—	3
Allen	—	5
Bachman	—	19
Goldsmith	—	19
Bud Olsen	—	19
Swanson	—	20
Smither	—	20
John Mueller—Cleveland	—	22
George Fisher—Columbus	—	22
Chuck Maltbie—Youngstown	—	23

After two races it would appear that Allen and Eichenlaub could afford to play footsie with one another if they chose to do so.

Up to the present all races had been completed on schedule—three series of qualifying races and two final races. Therefore, the scheduled layover day of Thursday, August 30th, provided a welcomed respite. Some Buf-falonians even went to the office to get credit for a day's

work, but most visitors went to Niagara Falls or other spots of interest. It was reported that the various tourist spots at Niagara Falls appeared much like a Lightning convention.

Third Race:—

Friday dawned calm and hot. The fleet was towed out to the starting line and the Race Committee made several futile efforts to get the race started. Finally they showed excellent judgment by postponing the morning race, and everybody went in to have an early lunch. By 2:30 on Friday there was a light breeze out of the south-southwest that appeared to be increasing. The starting line was fair with Eichenlaub, Bachman, Fallon, Marbury Fox, Smither, Dave Peterson from North Haven, Connecticut, Jose Barreda-Moller and others going off on a long port tack. Tom Allen was leading off the leeward end of the line on the starboard tack and eventually tacked to the port tack. The deadly rivals, Eichenlaub and Allen, are now sailing along on the port tack approximately one-half mile apart. This was the most important decision that Carl Eichenlaub possibly made in the entire Regatta. He decided to tack over to the starboard tack to get closer to his rival, Allen. Most of the other boats off the starboard end tacked over with Eichenlaub, but Fallon kept right on going and sailed into fresher air. Finally he tacked just before he could lay the mark and got a sensational lift, so he rounded the mark, reaching, 200 yards ahead of Steve Bachman and John Ranft of Columbus, Ohio. Allen was fifth and Eichenlaub about 12th.

This weather leg was obviously the turning point in the Regatta. Carl quite soundly decided that he should not gamble and he should stay with his rival. This was a decision carefully thought out and made, and illustrates one of the joys or horrors of yacht racing because we are dealing with the imponderables and unpredictables.

After the weather leg most of the fleet was able to complete the triangle in a fair wind. The second weather leg saw the wind die almost to a whisper and the fifth leg was a slow drifter with the wind shifting from southwest to southeast. The Race Committee shortened the agony, so it became a five legged race with Fallon—first, Steve Bachman—second, Dave Peterson—third, Karl Smither—fourth, and Tom Allen—fifth. Eichenlaub was tenth. So now Allen has a three point lead over his West Coast rival.

The low score at the end of the third race was:—

Allen	—	10
Eichenlaub	—	13
Bachman	—	21

Fourth Race:—

A front passed through Friday night with much wind and some rain. Saturday morning dawned gray with heavy seas and a breeze of 20 to 25 out of the southwest.

The fleet sailed rapidly out to the starting area with bailers open taking the seas over green. The starting line favored the leeward end slightly although all the boats were on the line at the gun. Barney Mead in his beautiful black and white Clancy, who hadn't found the key so far, clearly showed who was the best heavy weather sailor in the Lightning Class. Barney and his sons, Biff and Jimmy, led all the way around to win easily by 100 yards over Marcy Lippincott of New Jersey.

Lightning Class veterans will remember the picture ap-

pearing in the Yearbook following the 1957 Regatta at Milford. Barney explained the problems he had with his little sons as crew. Barney, his wife Peggy, and the boys deserve tremendous credit for developing from mediocre performers in heavy weather to one of the Class's most sterling outfits when the going is rough. Dixie District sailors have not been famous for their heavy weather performances, yet we find in this fourth race, by far the stormiest and most fiercest of the entire series, there is good old Tally Ho, Marbury Fox from Baltimore in third place followed by a known heavy weather performer Bob Seidelman in fourth with Tom Allen calmly working his way up to fifth place. Carl Eichenlaub had been off the windward end which was not favored. He sailed well, but the best he could do was twelfth. So Tom Allen entered the last race a full ten points ahead of Carl.

This was a real rugged race. Although all on the Chief Committee Boat Quintet claimed that they did not get seasick, nevertheless the spectator fleet was conspicuously absent and most of the photographers spent the morning either hanging over the side or passed out in bunks or on cabin floors. Unconfirmed rumor has it that after the fourth race one of Marcy Lippincott's crew got so seasick that Marcy had to withdraw from the fifth race.

The Lightning Class and the Canoe Club narrowly escaped disaster in the fourth race. Harry Spitz fell overboard with the spinnaker up and the crew was unable to return to get him. Were it not for the alertness of Oliver Filippi from New Jersey in Voo Doo, #6898, and his crew—his father and George Garrecht, it is highly possible that Mr. Spitz would have drowned. But, Oliver and his crew rescued Mr. Spitz and earned the everlasting gratitude of everyone.

Fifth Race:—

Those who wish to now study the score can determine

what the standing was before the last and final race. Certainly Tom Allen knew that he was ten ahead of Eichenlaub. But, Steve Bachman had finished well back in the fourth race and the performance of most everyone else had been very erratic—possibly due to the high caliber of the competition.

In any case Barney Mead led all the way around in the fifth race, starting at the very leeward end. However, towards the end of the last weather leg Barney chose to split tacks with Bob Seidelman and Seidelman emerged the winner by several boat lengths with Carl Eichenlaub—third, Karl Smither—fourth, Bud Olsen—fifth, and Tom Allen a conservative sixth.

The wind for the fifth race moderated somewhat, but not the seas. The race started in about 16 miles of wind and ended with the wind about 14.

So, by very consistent sailing Tom Allen with his wife Anne and his faithful crewman Bob Chambers successfully not only defended his North American title, but again proved himself to be by far the top Lightning skipper in the Class. He sailed conservatively and prudently. But, Carl Eichenlaub sailed almost as well as he did at Tawas and were it not for his desire to stay with his rival in the third race, he very possibly could have won. But, as pointed out above, such are the vicissitudes of boat racing and this author would guess that if the situation were repeated, Carl would do exactly the same thing.

This was a stormy day. Some say the waves in Lake Erie were nine feet high. The author believes they were four to five feet. He believes it was a great tribute to the present caliber of Lightning Class sailors that not a single boat of the eighty-nine sailing around capsized that day and ninety percent used their spinnakers on both leeward legs.

THE UPS AND DOWNS OF THE PRESIDENT'S CUP REGATTA

By Howard Mullin

"Carter Ford, winner of President's Cup"

In addition to sailing some 45 miles horizontally, it has been estimated by your author that each boat in the President's Cup Regatta sailed some 37.214 miles up and 37.213 miles down the sides of seas running 8 to 10 feet from trough to crest. (The difference in distance up and distance down can be explained by the rotation of the earth, I think.) The reader is asked to excuse the somewhat vague account of the five races as my view of the first ten boats was somewhat hindered by these small mountains. It seemed that whenever I was on top of one of them back in 24th or so place, the leaders were down in the valleys many mountains away and thus out of sight. So with the welcome aid of my wife (spectating) and Ham Ford (crewing up front), here goes.

First Race: Wind 5-8 mph increasing to 15 later, skies clear, course triangular with seven legs. Race Committee has set a perfect starting line and most of the 20 boats were right on it at the starting gun. Dave Chanoux establishes a small lead immediately and holds it to the first mark closely followed by Elliott Oldak, Bill Healy, Charlie Obersheimer and Leonard Pratt in that order. The second leg is a beam reach with a few flying chutes but most don't. Jibe around the mark and the long coast down hill with the wind on the port quarter shows little change in the stately procession of spinnakers to the starting marker. Around we go on the beat into a steadily

increasing wind with very little shifting. At least the wind coming back to me off some 20 to 30 sails didn't seem to be shifting much! Chanoux still holds his lead at the windward mark followed by Healy, Oldak, Bill Sprague, Obersheimer and Carter Ford. Again the short leg on a beam reach with a few more chutes flying, the jibe at the mark and the colorful line of nylon stripes to the leeward mark. The last leg to windward with Chanoux still in the lead covering Healy and now hard pressed by Ford who had been steadily moving up throughout the race in third with Oldak, Sprague and Obersheimer finishing in that order.

Second race: Another lovely day dawned bright and early—too bright and early for some—and away we go over another perfect starting line in light air and relatively smooth sea. I am sorry to report that the little lady missed the spectator boat this morning and Ham Ford dropped his pencil overboard at the five minute gun. So all I can report is that at the first mark it was Oldak, Pratt, Ford, Bill Campbell, Cully Cobb and Jim Kohls rounding the mark in that order. Sometime later after six more legs, Oldak crosses first followed by Cobb, Healy, Campbell, Ford and Pratt.

Third Race: Muttering something about being a disgrace to the family and an unfit father to boot, my wife took off for Buffalo to see some smartalec divorce lawyer and therefore was unable to report anything at all on this one. I understand also that Carter Ford took Dad's pencil away from him also muttering about mutinous crews so all I can report is that those lucky few still managed to stay up front and finished in this order: Grant, Chanoux, Oldak, Jim Carson, Howard Macken, Frank Williams and Carter Ford back in fifteenth for his only bad race for the series. I just missed the first place finish gun by six feet and was real proud until I learned later that it was the Governor's Cup gun I just missed by six feet. The wind had slowly died and the Race Committee shortened course finishing after six legs.

Fourth Race: Grimly determined to get a better view of things, your author started a few seconds early this time only to have his jib shudder into a heap on the deck undoubtedly loosened by that shotgun blast on the starting line. This race accounted for most of the vertical sailing mentioned early as the wind was blowing 15-20 mph and the seas building up to 8 and more feet in height. After a recalled start and instructions from R.C. to don life jackets, we started up that long windward leg with the line of boats spreading out across the wind. For a while it looked like the inshore boats were picking up and then the left hand end of the line slowly swung slightly nearer the mark. Rounding in the first group were Obersheimer, Macken, Bob Bavier, John Walton sailing No. 1726 (oldest boat in the three races), Chanoux and Ford not far behind. Two spinnaker reaches follow with some lusty shouts and hair-raising maneuvers at the mark in between the two and around the starting marker for the second beat. Oldak with a five point lead over Sprague is back about 12th but coming up fast. At the second windward mark it is Obersheimer, Walton, Ford and Macken followed by the rest of the pack not too far

astern. Again the spinnaker parade with several going to leeward and making out like bandits and then into the final bone-bruising windward leg with Obersheimer getting the gun followed by Walton, Ford, Macken, Bavier and Carson.

Fifth Race: After a brief respite the R.C. established the starting line again and away we go for the fifth and final race of a wonderful series. The wind has abated somewhat but those piles of water are still rolling by. At the first mark it is Kevin Keogh, Don Allen, Jim Carson, Reid Dickerson, Howard Macken, HOWARD MULLIN and Karl Gleeson. However, later on in the day back at the ranch it seems that 5 of the above seven mentioned (all but Allen and Macken) were sailing on borrowed time having been over the starting line prematurely. Elliott Oldak with a comfortable 10 point lead over Ford was about 10th around the mark and coming up fast only to foul at the second mark costing him the Regatta. At the finish line it was Ford, Cobb, Macken, Walton, Chanoux and John Dill in that order.

Carter Ford was the new and well deserving champion sailing a fine series with only one poor race which was undoubtedly caused by the fluky and dying air in the third race. Congratulations, Carter, from the bottom of the fleet—and I do mean the bottom—31st!

"James Coggan winner, Governor's Cup"

1962 GOVERNOR'S CUP

By Stan Brander

Participants in the 1962 Governor's Cup were furnished with every item required for a perfect regatta. The winds were fair throughout the series, although one race provided the light wind sailors with near drifting conditions. The facilities of the Buffalo Canoe Club were perfect not only for the skipper and his crew, but the beautiful sandy beach and crystal clear water provided many pleasant hours for the entire family. The members of Fleet 12 and the Buffalo Canoe Club were perfect hosts, and left nothing to be desired.

The Governor's Cup Series proved to be a real "dog-eat-dog" duel between James Coggan and Bob Bleasby. At no time during the series did more than three points separate the two boats.

The first race day arrived bright and clear. The wind was from the south-west at 12 to 15 miles per hour. The Race Committee chose an equilateral triangular course, and it appeared that there was no favored end on the starting line. The start in this race, as in most of the remaining races of this series, proved to be all-important. From the beginning of this race until the finish it seemed to be a toss-up between Lee Demarest, Pete Gonzalez, Bob Knop and Peter VanInderstine. Gonzalez took a very small lead in the early part of this race, and then seemed to zero in with some excellent covering work on Demarest.

It was not until the third and final windward leg that Demarest was able to break through this cover and take the finish salute. In very rapid succession Gonzalez, Knop, VanInderstine and Burke crossed the line. At this point it seemed that Coggan and Bleasby were dark-horse candidates since in the first race they placed seventh and tenth respectively.

The second race was held several hours after the conclusion of the first race. The wind, although still from the south-west, had freshened slightly to about 17 miles per hour. This increased the choppy seas with which we were destined to become more familiar. Again the Committee chose an equilateral triangular course. The start was won by Demarest, but this time Coggan and Bleasby had improved their starts and were in early contention for the lead. With choppy seas, at times the spinnaker legs resembled roller-coaster rides. However, Coggan and Bleasby seemed to be past masters of the situation, and on the last spinnaker leg drew even with Demarest. In rounding the last mark in preparation for the final beat to the finish line Demarest re-captured the lead, and was able to take the winner's gun at the finish line, followed closely by Bleasby and Coggan. VanInderstine again crossed in fourth place with Ross Bryan finishing fifth. At the end of the first day Demarest held the lead with

56 points. VanInderstine was second with 50 points, followed by Coggan with 48, then a tie between Bleasby, Brizendine and Knop, each with 46 points.

After the days of qualifying races and one day of official races, Thursday, as a "lay off" day was welcomed by all. It gave everyone a chance to sightsee, and generally relax. However, judging from the number of boats careened on the beach, this day could more easily be called "re-tune" day.

The racing program resumed on Friday, and for the first time the wind gods let us down. The President's and Governor's Cup contestants milled, then drifted around the starting area for several hours while the races were postponed for lack of wind. The clear water of Lake Erie proved inviting to many, causing several skippers to anchor for a quick and invigorating swim. At last the Race Committee raised the "N" flag cancelling the morning race.

After a tow back to Buffalo Canoe Club docks and quick lunch, everyone once again returned to the starting area for the beginning of the third race.

At the start the wind was coming in from the west at five miles per hour. The windward end of the line seemed to be slightly favored, but in order to be assured of clear air several boats started well toward the leeward end of the line. The Committee, due to a slight wind shift, again provided an equilateral triangular course. The wind held for the first lap, but dropped after the second windward leg to about zero to two miles per hour. The real light weather sailors proved their abilities by keeping their chutes full in the light air and confused seas. The second lap, again due to a slight shift, called for only one spinnaker leg. Due to the very light conditions the Race Committee shortened course and set up a finish line at the second leeward mark. This time Bob Woolman received the finish honors, followed by Bleasby, Bryan, Chuck Ellery and VanInderstine. Coggan finished in sixth place with Demarest in tenth. Due to the light weather the overall positions were somewhat shuffled, and the leaders were now Demarest with 75 points, VanInderstine with 74, Bleasby 72, Coggan 71 and Gonzalez with 66 points.

To provide for Friday's cancelled race, it was decided by the Race Committee that two races would be run "back-to-back" on Saturday to complete the series.

The first race on Saturday found a westerly wind at about 20 miles per hour. The seas had built up considerably causing the Race Committee to choose a right triangular course. Again the windward end of the line seemed to be favored. At the first windward mark it was Bleasby followed by Coggan. The next leg was a close reach, and those who attempted flying their spinnakers soon doused them. At the first leeward mark it was still Bleasby and Coggan. Chutes were popped for the third leg, but Bob Bleasby's spinnaker filled with a twist. This small mistake allowed Coggan to move into the lead, and from then on his position was never challenged. The remainder of this race found Coggan conservatively covering Bleasby and Bob Jamison, and at the finish line it was Coggan, Jamison and Bleasby, followed by Dave Ashton and Ray Harrington. Lee Demarest suffered a rigging failure when his forestay tang pulled loose from the mast causing him to pull out and not finish. Standings now revealed a tie between Coggan and Bleasby for first place with 99 points. Third place was held by VanInderstine with 92 points, followed by Bryan with 84 and Gonzalez with 82 points.

After the boats returned to the starting area for the

final race it was obvious that a two-way tie for first place had developed between Coggan and Bleasby, and the final race promised to be a real scrap between these two boats.

For the fifth race the wind held from the west at 18 miles per hour, however the seas were somewhat larger. Again a right triangular course was selected. The starting line seemed somewhat favored on the windward end, but some boats starting to leeward held good positions. Prior to the start Coggan's jib down-haul control pulled loose, and it appeared that his chances were somewhat dampened. However jury repairs were made, and by using an adjustable jib luff control as a downhaul he was able to be on the line in good shape. It now became even more evident that the duel between Coggan and Bleasby was between two fine boats with excellent skippers. Both boats were able to work away from the pack and capture first and second positions. At only one time throughout this fifth race were these boats over 50 yards apart and this occurred when Bleasby, hoping to move from second to first place, split tacks on the last windward leg. When they again drew near each other it was evident that neither tack was more favorable since no distance had been lost or gained. At the finish it was Coggan, immediately followed by Bleasby. Third, fourth and fifth positions went to Harrington, Sam Hayes and Demarest.

Final standings showed Coggan in a well sailed first place with 127 points. Bob Bleasby was second with 126 points, only one point off the pace. VanInderstine was third with 113; Ross Bryan fourth with 102; and Pete Gonzalez fifth with 100 points.

In summary it is felt that a wonderful time was had by all the contestants, and we would like to extend our thanks to the Race Committee, the Buffalo Canoe Club and particularly Bill O'Hern, the Regatta Chairman, for a job very well done.

INTERNATIONAL YACHT RACING UNION RECOGNIZES THE LIGHTNING CLASS

By Jay Limbaugh, International Affairs Vice President

The final steps have now been taken in formally granting and accepting international recognition of the Lightning Class. To those of us who have been close to this project it seems that such a statement should be accompanied by booming cannon, waving banners, and cheering throngs of people. Anything less is grossly inadequate.

It is impossible to forecast the ultimate effect I.Y.R.U. recognition will have on the Lightning Class. Of immediate consequence is the tightening of hull tolerances. Effective April 1, 1963 the revised tolerances, as published in the November 1962 issue of *Flashes*, go into effect and any hull on which the construction is started after that date must meet the revised tolerances. This tightening of tolerances is undoubtedly a blessing in disguise to the racing skipper. It assures that the hull shapes of all Lightnings built in the future will be more alike, even though they are already so identical that only the expert can detect the slight differences. I feel that the Lightning Class is indebted to the I.Y.R.U. for their insistence that we tighten tolerances on our hull because this was needed to help insure retaining a one-design class.

In administering their classes I.Y.R.U. has twelve "Rules for the Adoption and Control of International Classes." The first seven apply to the adoption of a class and are no longer of interest to us. The rest of these rules read and relate to LCA as follows:

Rule 8. "Responsibility for the efficient administration of a class in each country rests with the national authority, whether it administers the class directly or through a class organization in that country."

The Lightning Class Association in each country where we are active has an excellent organization and no national authority will have to be concerned whether or not the class is being "efficiently administered" in its country. However, I would hope to see closer cooperation between the national authorities and our LCA District Officials in some of the overseas countries.

Rule 9. "Unless otherwise stipulated in the class rules, the national authority or the class organization in each country shall be entitled to collect fees from the owners in order to administer the class in that country."

The Lightning Class Association By-Laws provide for

the dues that are payable to the Association. It is not anticipated that any dues other than those currently in effect will be required.

Rule 10. "Measurement of an international class shall be carried out by measurers officially recognized by the national authority."

The Official Measurers of LCA will carry out the Class Measurement Program as they have in the past. In those countries where Official LCA Measurers are not now available, the national authority may be requested to recommend a qualified person who can be certified by the LCA Chief Measurer and provided with the necessary information for measuring Lightnings.

Rule 11. "The numbers, letters and emblems on the sails of an international class shall be shown in accordance with racing rule 25. Numbers shall be allocated by national authorities who shall be free to consult with the class organization upon the desirability of a national or international numbering sequence."

The Lightning Class Association, at about the same time this Year Book is published, will announce what changes in sail markings will be made in order to comply with I.Y.R.U. requirements. It is probable that sail numbers will be standardized at 12" height; that the letter or letters of the yacht's nationality will be placed above the top batten pocket; that the Lightning emblem and sail number will be contained within the top and middle batten pocket area; and that the sail numbers will be placed on both sides of the spinnaker at approximately half height.

Numbers, for all Lightnings, regardless of where they are built, will continue to be issued by the LCA and the same numbering sequence as that now in effect will continue to be used.

Rule 12. "Alterations to the class rules shall require the approval of the I.Y.R.U., except that where an immediate alteration is deemed necessary by the international class organization in the interests of the class, action may be taken forthwith, but shall be regarded as temporary. If such temporary action is taken it shall at once be submitted to the I.Y.R.U. for final decision at its next meeting."

will have the responsibility for seeing that I.Y.R.U. approval is secured on any alterations to the class rules. Any proposed amendment will be handled in accordance with Article XIX of the LCA Constitution. If there is time and if the nature of the amendment warrants, I.Y.R.U. will be contacted prior to making the change. Annually, in mid-September, the LCA will prepare a submission for I.Y.R.U., detailing any matter which it wishes put on the agenda of the I.Y.R.U. meetings. In the near term this will probably consist of submitting copies of any amendments to them for their information. As long as these are reasonable and not in violation of I.Y.R.U. standards it can be assumed that I.Y.R.U. will interpose no objection.

With the gaining of international recognition for the Lightning Class the men in Europe and South America who had put their faith and backing into our Class have been rewarded for their belief in the Class. They should now see greater interest and expansion in the Lightning activities in their countries and they are to be commended for their patience in this matter.

I.Y.R.U. sponsors annual European Championships for centerboard boats. The rota of host countries has been set through 1974 and the next crew of three events to be held in a country where Lightnings are currently popular is in 1968 in Italy. It is hoped that Italy will see fit to use Lightnings as the boat for this event.

The Lightning Class was granted I.Y.R.U. recognition under their category I group B. Category I distinguishes the self-administered classes from those administered under direct control of I.Y.R.U. Group B are those classes not chosen for the next Olympics. As has been pointed out before, the Lightning Class, in becoming an International Class, does not become an Olympic Class. Only one of the many hurdles to the Olympics has been taken. The Lightning Class may now announce its desire and hope of becoming an Olympic Class boat, but it must convince I.Y.R.U. of its worth.

I.Y.R.U. has given all indications that the boats they want for the Olympics must incorporate the latest design features and techniques. The next few years will prove interesting to yachtsmen—if the hulls still on the drawing boards prove capable of attracting the backing and support by racing skippers I.Y.R.U. will have achieved their goal. Many yachtsmen, however, believe that racing skippers are not going to abandon a proven class for a class not yet organized, not yet popular and not yet in com-

petition, just on the remote chance that the class is going to be the one selected.

I do not feel optimistic about the Lightning being moved out of Class B into Class A (Olympic potential) in the near future. I do think that the I.Y.R.U. members will take a closer look at the Lightning Class now that it is one of their classes. However, we must remember that out of the sixteen Permanent Members to I.Y.R.U. only four come from countries where Lightnings are actively raced. Perhaps our efforts should now be directed to expanding Lightning activity in those other countries who send permanent delegates to I.Y.R.U. so that they will become more familiar with our Class.

Revised Instructions To Race Committees For Lightning Class Regattas

PREFACE

These Instructions are designed to assist Race Committees conducting Lightning Class races and regattas of all categories, by removing elements of uncertainty and outlining standard procedures which make it unnecessary for committees to improvise on the spot.

For sanctioned races these Instructions should be followed exactly. For invitational or open races certain parts of the Instructions may be modified.

Deviations from the Instructions should be made only because of specific physical limitations and not because of personal opinion or lack of equipment.

I. ORGANIZATION

- A. **Race Committee Chairman**—The Race Committee Chairman should be selected in advance of the detailed planning for the Regatta and should be consulted concerning all scheduling in connection with the Regatta. For major* sanctioned events he must consult with the International Race Committee concerning details of the racing series before making his final plans. Before consulting with the International Race Committee, he should thoroughly familiarize himself with these Instructions.

* Note: The word "major" when used in conjunction with regattas applies to World and Area Regattas as well as such other regattas as may be deemed of significant importance by the Executive Committee.

- B. **Race Committee**—The RC Chairman should organize his Committee at least 8 weeks in advance of the Regatta, obtaining firm commitments as to which persons will serve at which time. It is best to have the same persons work throughout the Regatta. If this is not possible, a definite replacement schedule should be established. For major sanctioned events the International Race Committee may elect to serve on the Local Race Committee or may delegate other persons to serve in their stead.

About 20 persons are required to conduct a major sanctioned regatta. This number may be reduced somewhat for regattas of lesser importance, but it is a great mistake to try to conduct a regatta with insufficient personnel. The members of the Committee should be distributed as follows:

Six on the Race Committee Boat:

1. The Chairman, who shall direct all operations on the RC boat and over the entire race course. He should have no other specific duties on the RC boat.
2. Gunner.
3. Signal hoister.
4. Timer.
5. Line observer.
6. Boat operator and assistant line observer.

Three or four on each stake boat, line boat, and patrol boat. The duties of each member of the committee should be outlined well in advance of the regatta.

- C. **Protest Committees**—The RC Chairman or the Regatta Chairman should select protest committees, the number dependent upon the size of the regatta. The more committees available to hear protests, the less burden on each member and the more expeditious will be the handling of this undesirable chore. Protest Committees must be selected from capable persons having a knowledge of the rules and, if necessary, may include contestants. This should be avoided if at all possible. Committees must be available at the time specified for hearings. There is nothing more exasperating to a skipper than to hang around waiting while a decision is made as to where and when the protest will be heard. The handling procedure must be predecided and adhered to without exception.

II. BOATS

There must be five boats, as follows:

- R. C. Boat.
- Line Boat for starting line.
- Stake Boat #1.
- Stake Boat #2.
- Patrol Boat.

Boats should be carefully selected for size and other characteristics. The RC boat can be either a power cruiser or auxiliary 25-35' OA, with ample power to maintain 10 mph in heavy seas. The line boat and two stake boats must be masted vessels 25-35' OA and should be able to maintain 8 mph in heavy head seas. The patrol boat should be a power boat 18-25' OA, able to maintain position in normal stormy weather, and capable of 16 mph. All boats should have large cockpit and/or deck space. The RC boat should have a mast with yardarm at least 15' and preferably 20' above the water, and suitable halyards for starting signals.

Consideration should be given to the substitution of one of the other boats as RC boat, in case of engine or other failure of the RC boat. This substitute boat must have the proper hoisting halyards, etc.

III. EQUIPMENT

All boats should have suitable ground tackle, including at least two heavy anchors and chain, cable or line.

The RC boat should have two cannon.

The starting signals should be shapes, not flags.

It is desirable, but not necessary, to have radio communication between boats. If not available, simple signals should be established for the RC boat to signal to line and patrol boats regarding moving marks.

Both RC boat and line boat must have a loud horn and power megaphone.

The RC boat must have the appropriate code flags.

Stake boats should fly a large yellow signal from the spreaders or main truck.

The marks should be light in weight and easily handled, with good but not excessively heavy anchors. They should be fitted with ample line to prevent drifting. Their flags need not be large since stake boats are available for sight-seeing purposes.

IV. TRIAL RUNS

At least one and preferably more trial runs must be made. The trial runs must include the full working committee with all boats and equipment. The trial runs should be made on a race with as large a racing fleet as possible to closely approximate actual regatta conditions.

V. SKIPPERS MEETING

If the Sailing Instructions are complete, as they should be, there is no reason to hold a skippers meeting except where required to ratify the Race Committee. It is the opinion of this committee that one of the prime causes of poor regattas is the substitution of a skippers meeting for proper written instructions. However, for the purpose of answering questions and imparting local knowledge, it is in order to hold a skippers meeting preceding the first race. Subsequent meetings should be held only in the case of extreme emergency. Any instructions given at the skippers meeting which are contradictory to the Sailing Instructions or to the Rules Governing Sanctioned International Lightning Class Championships, must be immediately posted on the bulletin board.

VI. LENGTH OF COURSE

The RC should establish the length of course carefully prior to each race, taking into consideration weather and other conditions. The standard course for any race of a major regatta is 10 statute miles (8.7 nautical miles), but may be reduced to as little as 7 statute miles if, in the judgment of the RC, conditions warrant. Deviations should be made only because of:

- A. Very light air.
- B. Very heavy air.
- C. Heavy seas.
- D. Extremely hot weather especially accompanying light winds.
- E. Extremely cold or inclement weather particularly when accompanied by heavy winds and/or seas.
- F. Proximity to darkness or other dangerous conditions.

A suggested guide to course length is included as an Addenda to these Instructions. However, it should be remembered that no matter what course length is selected the Committee may always shorten course. This should always be remembered in selecting a course length and the Committee should not hesitate to shorten course should any of the above eventualities become evident after the start.

The course must never be shortened to less than four legs, preferably including two windward legs. The only other excuse for shortening course would be a major wind shift eliminating all windward work from the course. In such case and in the presence of indications that no further shifts can be anticipated to improve the situation, the RC should terminate the race after no more than three successive leeward or reaching legs have been sailed. If such shift occurs on the first leg, the RC should recall the race immediately and signal a restart on a new course.

For lesser regattas the course may be shortened somewhat, but should never be reduced to less than six statute miles.

VII. REGATTA TIME SCHEDULE

The RC should budget the total time allotted for the regatta, with the purpose of sailing the required number of races under the best weather conditions possible. Thus the RC must make the best use of good weather when it occurs and obtain as good forecasts as possible. No more than two races should be sailed in one day unless absolutely necessary.

It should be stated in the Sailing Instructions that the published starting times are tentative, that the actual starting times will be posted on the bulletin board, and that the actual starting time for the first race on any day will be posted prior to 8:00 P.M. the preceding evening, and the actual starting time for succeeding races on that day will be posted as soon as the RC returns to the Yacht Club following the first race of the day. This procedure must be followed to the letter.

The RC should not be reluctant to wait for favorable winds, particularly the first day of a regatta. A common failing of Race Committees is, after waiting some time for wind, to signal a start as soon as a few catspaws appear on the water. The RC should wait until it is reasonably sure a continuing breeze of some constancy has set in.

VIII. HANDLING TWO OR THREE FLEETS SAILING THE SAME COURSE

The starting interval between fleets must be carefully considered by the RC. For the two fleets, a normal course, and moderate breezes, a 20 minute interval is suitable. With three fleets, this interval may be about 10 minutes, but should be varied according to conditions.

IX. RULES

The conduct and management of any regatta should be governed by the rules specified in the Lightning Class Association By-Laws. The By-Laws specify the Rules of the I.Y.R.U. as adopted by the nation in whose waters the regatta is held.

X. INSTRUCTIONS

The content of the Sailing Instructions is the most important single item of the regatta. The sample Instruction included in the Addenda represents many years of development and the latest thinking of the ILCA. It is this committee's opinion that it should be followed as closely as possible, with no deviations except as may be necessitated by local conditions.

XI. CONDUCT OF THE RACES

- A. **R.C. Time Schedule**—It is most important that an exact time schedule for Race Committee operations be established well in advance, and all personnel

briefed accordingly. Many regattas are spoiled by lateness of RC on the course. A sample schedule is given below:

- 10:00 a.m. Start.
- 9:55 a.m. Preparatory signal.
- 9:50 a.m. Warning signal.
- 9:40 a.m. RC recheck wind bearing and line bearing and make correction by patrol boat or line boat moving port mark.
- 9:30 a.m. Stake boats receive instructions and leave starting area to proceed to marks.
- 9:20 a.m. RC check wind bearings and line bearing and make correction by moving port mark.
- 9:00 a.m. RC established approximate starting area.
- 8:30 a.m. RC and all committee boats leave for course.
- 8:00 a.m. RC personnel assemble and make equipment check.

- B. **Delays**—Races should not be delayed for laggards. The only reason for postponement should be unsatisfactory sailing conditions or trouble with the equipment. If 75% of the fleet is on time, there is no reason for postponing the race to wait for the lazy 25%. The Sailing Instructions should include the expected sailing time to the race course and boats leaving any later can be assumed to be doing so at their own risk. It is extremely important to make every effort to start races at the beginning of the series on time. If this is practiced, contestants will be less prone to take advantage of the Committee and their diligent competition by late arrival in the starting area.

- C. **Starting Line**—RC boat locates middle of the starting line at extreme leeward side of course circle, and directs line boat or patrol boat to drop port starting buoy 270° to left of center of starting line. RC boat anchors 270° to right of center of the starting line. The starting line should be at an 80-85° angle with the average true wind (also 80-85° with first leg). The port end will thus be favored by 5-10°. When sighting from Committee Boat at weather end when boat is directly in the wind, leeward mark should bear 85° off the port bow or 5° forward of port beam. (Note: While it is always the intention of the Instructions that

"Whale of a Sail" Regatta—Alton, Ill. The race was finished just before the storm struck

the 1st leg be dead to windward and that the RC should change the 1st stake boat until such conditions exist, if due to a minor wind shift shortly before the warning gun, the line has to be adjusted slightly, the line should be 85° to the wind, not the course). If a major shift occurs, race should be postponed and new course set up. It is very important that starting marks be easily moved so that a proper starting line may be set up. In very large fleets where it is difficult for the contestants to sight along the line, masted vessels with masts in line with the starting line may be helpful.

* Note: Based on 30 boats at 18' per boat and should be varied to suit.

- D. **Marking the Line**—The mast or pole (with white flag) on the RC boat, which establishes the starboard end of the starting line, should be near the stern of the RC boat. This is important as it reduces interference by the RC boat with the starters. In theory, races should be started between two buoys, but to facilitate adjustments of the line we are currently recommending a buoy on the port end and the RC boat on the starboard.
- E. **Courses**—Courses shall be twice around a triangle with an extra weather leg. Wherever possible two standard courses (A and B) shall be used alternately, or in such manner that the number of races on each course in each regatta shall be as nearly equal as possible.

Course A shall have a windward leg of $1\frac{1}{4}$ miles. The second leg shall be 120 degrees to port

of the first leg and shall be $\frac{7}{8}$ miles long. (If conditions warrant—see paragraph VI—these distances may be varied to $1\frac{1}{4}$ miles and $\frac{7}{8}$ miles respectively.)

Course B shall have a windward leg of 1.5 miles. The second leg shall be 120 degrees to port of the first leg and shall be 1.5 miles long. (If conditions warrant—see paragraph VI—these distances may be reduced to one mile each.)

Nothing in the above shall prohibit the Race Committee from deviating slightly from these two standard courses if in their opinion local wind, sea, or space requirements dictate a slight variation.

- F. **Direction of Course**—Course should always be sailed counter-clockwise, buoys to port. Therefore, no course direction signal is needed. Reason: Buoys to starboard make it necessary to tack from starboard to port in order to round the mark. This encourages confusion, fouls and subsequent protests. Buoys to port permit rounding mark on the starboard tack, reducing fouls and confusion.
- G. **Markers**—Fixed marks should never be used as they restrict the ability of the RC to make best use of existing wind conditions in laying out the best course.
- H. **Weather Mark***—The weather (#1) stake boat should motor directly up wind from the center of the starting line. The wind direction should be frequently back-checked during the run. The weather mark should be dropped and the stake boat anchored 100' to weather. If the wind shifts

at any time prior to the preparatory signal, the first stake boat should, without instructions from the RC boat, move the windward mark until the center of the starting line is dead to leeward of this mark. This mark must not be moved after the preparatory signal.

* Note: If desired, a patrol or mark setting boat may be found more suitable for setting the marks.

- J. **Second Mark***—The second (#2) stake boat should run 120 degrees to port of the weather leg from the weather mark and drop the second mark. Any changes by the #1 stake boat or starting area should be compensated for by proper changes by the #2 stake boat. The stake boat should anchor 100' beyond the mark in line with the second leg.
- K. **Starting and Finishing**—The first part of the hull over the line determines when a contestant starts and finishes.
- L. **Start**—In addition to the compass bearings taken to determine the starting line angle, the RC should observe the contestants carefully as they cross the line closehauled during their practice runs as an additional check on the line angle. With the line 85° to the wind, boats crossing on port tack will appear to be crossing the line at nearly the same angle as boats on starboard tack.

In addition to the two observers (one on the RC boat and one on the line boat) who sight directly down the line, there should be an additional observer on each boat stationed at the extreme windward end of the boat to sight on the other end of the line.

* Note: See Note for H. Weather Mark

Any boats sighted over by these observers are obviously over the line. The purpose of these observers is to catch boats over the center of the line that are screened by boats at the ends of the line. Another method is to have an observer high up on a mast and sighting the line.

The line observers at each end should immediately after the start call distinctly the numbers of the boats over, and these should be written down as called by the gunner or signal handler. The signal handler should on hearing one or more numbers called, blow the horn indicating that one or more boats were over—one blast for each boat.

The extra observers stationed at the extreme windward end of the RC boat and line boat should also call the numbers of the boats over, but should be careful not to confuse those writing down the numbers by repeating numbers called by the line observers.

The RC should carefully rehearse the exact procedure to be followed in case boats are over the line (just who is to call the numbers, who is to write them down, how the man on the horn knows when to blow it, etc.). The common mistake here is to try to rush things—the important thing is to first get an accurate record of the numbers over the line; as soon as it has been established that some boats are over, a blast of the horn should be sounded for each boat over. There is no hurry to make a decision as to a general recall and restart; this should be carefully considered. A general recall must be made if; (1) there is doubt

IMPORTED SAILS

WORLD FAMOUS ROCKALL SAILS. Made in England by the world's largest small boat sail-makers from the synthetic fabric 'Terylene,' the same type of material used in American synthetic sails. These sails are exported to over 70 countries from England and unconditionally guaranteed by the maker. **Suit of Lightning sails priced at \$164.00.** Main sail made with minimum weight headboard and lightweight, rustproof slides. Includes insignia, numerals, battens and sail bag. All purpose cut sails, do well from a whisper to a fresh breeze. Money refunded if not satisfied upon inspection. **Nylon spinnakers with swivel included are priced at \$76.50.** Comparable low prices available for other classes. as to the status of any boat; (2) There is a major wind change prior to the time the first boat reaches the first mark as described in paragraph VI of these Instructions; (3) The timing, colors, etc., of the signals are in any way improper.

The group on the RC boat must practice firing the gun and hoisting the signal simultaneously. Remember, however, that the visual signal governs. See Instructions for timing of signals, colors, etc.

Both cannon should be loaded and cocked but only one should be fired—the second one may be fired quickly if the first fails. If both are fired simultaneously, there may be a slight interval and contestants may interpret it as two guns.

One of the frequent mistakes made by gunners is to fire a gun when the signal is dropped 30 seconds before the next signal is hoisted. The entire group should become so accustomed to the firing and hoisting procedure that the above will never occur; however, if the guns are not cocked until after the 30 second drop, this danger will be eliminated.

The following should be printed in the Instructions:

"Responsibility for starting correctly rests with the contestants. Responsibility for determining whether you are over rests with the committee.

MURPHY HIKING STRAPS

Nothing on the market like MURPHY HIKING STRAPS. They are foam rubber padded, covered with vinyl canvas in colors of your choice. Takes all the strain out of hiking.

1. Non-stretch webbing padded with prime foam rubber.
2. Sewed with Orlon thread. Made to last forever.
3. Covered with vinyl heavy canvas in colors of your choice. Bright red, Kelly Green, Royal blue, canary yellow, and Khaki.
4. Easily snapped on or off in fraction of second. Strong and test out at 1000 pounds. Fits all Lightnings.
5. Complete, ready to install with stainless steel fittings at \$24.00 for a set of 3. Postpaid.

MURPHY OUTHAUL ASSEMBLY

In trying to improve our sailing ability we have come up with a mainsail outhaul assembly that solves the problem of moving the sail while under way (on reaches and runs). The outhaul assembly is controlled by the middle man in your boat. The assembly consists of a Wilcox-Crittenden clew outhaul and cheek block together with an Asti improved Winchaul. Nylon covered 1/16 wire is used between the Winchaul and Outhaul. This is all chromed and is a deluxe item. Comes complete ready for installation. Post-paid for \$25.75.

Satisfaction guaranteed on all Murphy Products or money refunded. (WIVES) Makes excellent gifts for the Sailing man. Made by a Sailor . . . for sailors. Ole Doc Murphy.

There will be no general recalls and restarts because too many boats are over the line."

(Comment—The practice of general recalls has gotten far out of hand and has led to many abuses by the contestants. It must be stopped. This does not mean that the committee, in the event of an extremely unusual condition, cannot order a general recall. Most recalls, however, are made necessary by poor starting lines, too eager contestants, or both. When the practice of general recalls first started, it was due to poor starting lines. In major regattas, however, most of the trouble has been caused by opportunistic sailors who start over the line on the basis that they will not be seen, or that a general recall will be likely.)

A paragraph approximately as follows should be read to all contestants at the skippers' meeting:

"In the past several years, an undesirable practice has been noted where some contestants have been observed cruising to windward of the starting line—and over the line—seconds before the starting gun. They are looking for a spot to duck in. All judges have been instructed to be alert for this situation, and when there is any doubt of a boat in this position, forcing an entrance by illegal means, the suspects and nearby witnesses will be called in for a hearing."

When a member of the Race Committee sees what he suspects is a foul, he must report it to the Chairman of the Protest Committee, who must call the suspect or suspects and nearby witnesses in for a hearing.

- M. **Line Boat After Start**—The line boat (on port end of starting line) should move to a position 100' beyond the mark in line with the third leg and thereafter act as a stake boat.
- N. **Finish Line**—After all boats have cleared the starting area, the RC should leave this area and may for a while act as a roving patrol, being careful not to interfere with contestants. Before the leading boat begins the last leg, the RC boat should set up the finish line at right angles to the last leg, using the mark as one end of the line, and the white flag on the RC boat as the other end. The appropriate stake boat should move to the buoy end of the finish line.
- P. **Shortened Course**—If conditions are such that a shortened course is probable, the RC boat should stay well in advance of the leading boat and allow ample time to set up a finish line, fire the proper signals, etc., at the mark where the race is to be terminated.
- Q. **Observers**—The observers on each stake boat should write down the numbers of all boats each time they round the mark. After the fleet (s) have rounded, an immediate check should be made against the best available starting list to account for each boat. If there is any discrepancy, all possible effort should be made immediately to determine whether the observers missed the boat or it did not round. This can usually be done by a visual search of a boat's position in relation to competitors. Following each race, any proven case of a boat not rounding a mark should be reported to the RC.

- R. **Patrols**—The patrol boat or boats should keep all craft, including spectator boats, well away from the race course. Notices requesting the co-operation of such craft should be posted in Yacht Clubs and Marinas in the vicinity for several weeks prior to the regatta.

The elimination of interference by pleasure craft is one reason why major Lightning regattas should be scheduled during the week rather than on weekends if at all possible.

Comment—It has been noted that official boats are often the worst offenders as far as interference is concerned. Heavy power boats, on days when the wind is light and the sea smooth, should proceed at very slow speeds and stay well away from the racing fleet.

- S. **Scoring**—A single individual should be responsible for posting the scoreboard. He may post the order of finish immediately after each race, disregarding protests, uncertain disqualifications and the like. When protests are decided the final point scores and totals may be posted.

The RC shall post a copy of the order of finish disregarding protests, etc., on the bulletin board immediately after each race.

SAILING INSTRUCTIONS

NORTH AMERICAN CHAMPIONSHIP—1963

STATUS: In accordance with Part II, Section 3, Paragraph 1, of the Racing Rules of the IYRU as adopted by the NAYRU these Sailing Instructions shall rank as rules and where in conflict shall supersede all other rules.

RULES: Racing Rules of the IYRU as adopted by the NAYRU shall govern except as modified by the LCA Constitution, By-Laws, or Specifications or the Rules Governing LCA Championships, these Sailing Instructions, or as properly modified by the International or Local Race Committee.

COURSE: Courses shall be triangular, twice around with an extra windward leg. All marks shall be left to port.

Marks will be buoys carrying an orange flag. Stake boats flying an orange or yellow flag may be anchored about 100' beyond each mark in the direction of the leg solely for the purpose of giving general line of sight.

STARTING LINE: Between white flag, normally on the RC Boat, and the leeward mark of the course.

FINISH LINE: Between white flag, normally on the RC Boat, and the last mark of the course.

STARTING SIGNALS: Shall be as described in the Racing Rules of the IYRU as adopted by the NAYRU, Part II, Section 4, Paragraph 4 (a)(ii).

POSTPONEMENT: Prior to any starting signal the RC may postpone that race by flying the answering pennant, which will be struck 30 seconds prior to a new warning signal. Code flag C will indicate postponement until later in the day. Code flag O will indicate postponement until another day.

RECALL: Responsibility for starting correctly rests with each contestant. Responsibility for determining early starters rests with the Race Committee. Failure to notify a yacht of her premature start shall not relieve her from the necessity of making a proper start.

GENERAL RECALL: In accordance with LCA policy any race may be recalled prior to the time the first contestant reaches the first mark by display of the First Repeater, which will be struck 30 seconds prior to a new warning signal.

SHORTEN COURSE: The race may be terminated at any mark after four legs have been sailed. The RC Boat will fly code flag S and station herself at the last mark to be passed to make a finish line between herself and that mark.

TIME LIMIT: Shall be three and one-half (3½) hours. If one yacht finishes within the time limit all must be scored. If no yacht completes four legs within 2 hours and ten minutes the race will be abandoned and, if possible, resailed.

CANCELLATION: Any race not started before 2 P.M., Saturday, September 7, shall be cancelled.

PROTESTS: A protesting yacht must verbally inform the RC when finishing in addition to requirements of the Racing Rules of the IYRU as adopted by the NAYRU. Protests must be presented to the Chairman of the RC in writing within 30 minutes of coming ashore. Hearings will be scheduled within one hour after the RC Chairman has come ashore, time and place to be posted on the bulletin board at this time.

DIVISIONS: Each yacht will be assigned a flight as posted on the bulletin board for each race. The starting order will be Blue, Green, Orange, with a complete set of starting signals for each flight. All boats whose warning signal has not been given shall stay clear of the starting area.

ARRIVAL AT THE COURSE: Starting time for each race will be posted on the bulletin board as follows: A.M. races by 8:00 P.M. the previous evening. P.M. races as soon as the RC Chairman arrives ashore after the morning races.

Sailing time to the course is approximately one hour and a warning signal will be fired at the Club at this time. Responsibility for prompt arrival at the starting line rests with each contestant.

CANADIAN LIGHTNING CHAMPIONSHIP

Bob Bleasby, one of six entries from the Royal Canadian Yacht Club of Toronto, was the winner of the 1962 Open Lightning Championship, sailed on Lake St. Louis with the Royal St. Lawrence Y. C. as host club. 24 Lightnings competed in the three races.

Don Allen, fleet champion of Royal Hamilton finished second, $2\frac{1}{4}$ points behind the winner, with the R.ST.L.Y.C. boat Jane Ann, sailed by Ann Wilson, skipper, with her father Ted, and sister Jane crewing, in third place, a fine performance for the local entry. Fourth was Gord Russell of R.C.Y.C. with Regatta chairman Russ Scrim, R.ST.L.Y.C. taking sixth.

The first day winds varied from 12 mph to 25 mph in puffs. On the second day the wind was lighter from 8 to 12 mph that veered to the south considerably towards the end. The courses were good with plenty of windward work and spinnakers were carried on many of the downwind legs.

All courses were the same, twice around a triangle with a beat of about $1\frac{1}{2}$ miles to finish off with; the boats covering between 7 and 8 miles. The windward legs were good, except for the final leg of the last race when the wind shift mentioned above gave a reach with sheets eased slightly instead of the beat.

FIRST RACE—The first race was 15 minutes late starting, but the 24 starters wasted no time getting away, with Don Allen working into an early lead; Jack Swann of Toronto was in second place for a while but Bleasby was not to be denied. He worked up past the green hulled boat for Queen City Y.C. and got close enough to the leader to make things interesting. However, the R.H.Y.C. entry was the winner, with 14 seconds over Bleasby, then came Swann, Russell (R.C.Y.C.) and Wilson (R.ST.L.Y.C.) in fifth place.

BLEASBY TOOK LEAD—After the break for lunch the wind was a trifle stronger, and the crews had to work hard. The second race was all Bleasby's, the eventual Canadian champion taking the lead soon after a good start, followed by Allen and Wilson all the way around. At the finish Bleasby got the gun almost $2\frac{3}{4}$ minutes ahead of Allen in second place; Ann Wilson was third, with Millyard (R.C.Y.C.) fourth and May Robinson (H.H.Y.C.) in fifth place. After the first two races, Bleasby and Allen were tied with 49½ points, with the Wilsons third (44), and two Ottawa boats sailed by Bill Whiting and Jack Evans (39) tied for fourth spot.

FINAL RACE—All boats started a starboard tack, with Bleasby and Allen tacking as soon as possible to get clear of interference from other boats. Rounding the weather mark, Bleasby had a nice lead with Allen second and Russell third. Spinnakers went up, and soon Russell passed Allen and took second place; the first five at the end of the first round being Bleasby, Russell, Allen, Wilson and Scrim. Up wind again the leader appeared to gain slightly while Russell held his lead over Allen, and finishing the second round of the triangle the first three were unchanged, but Dave Millyard's black-hulled boat passed Ann Wilson who held on to fifth. The fleet reached up the Lake to the finish smartly, Bleasby receiving the whistle plaudits of spectators boats and the usual gun from the Race Committee as he led club mate Gord Russell by 34 seconds and Don Allen by 1 minute 25 seconds which gave the fast Toronto boat, beautifully handled throughout, the Lightning honors for 1962. Millyard finished fourth, and Ann Wilson fifth in the last race.

Final results work out as follows:

Beautiful day for sailing on Cass Lake, Michigan—Clarence Holman and crew

IMPRESSIONS OF THE BIG CASINO

by Buzz Morley

Every year along toward Labor Day your feet start to itch. Itch to hit the road to the LCA North American Championship. Like a circus, the "Big Casino" gets in your blood. So don't fight it. Let's go-go-go, man.

Doc Arnold, LCA VP and the writer left Saginaw, Mich., Sunday, August 26th around 8:00 A.M. Left, did we say? Splashed would be better. It poured and poured like W. C. Fields with a brand new quart. We crossed into Canada at Sarina and the weather started to break. By London it definitely cleared. We missed the turn at the Point Abino road so came around via Crystal Beach.

On a Sunday afternoon this is NOT good. It was so jammed that a fella on the sidewalk fainted and had to walk 3 blocks before he could find room to fall down.

Minutes later we turned into the drive at the Buffalo Canoe Club. It was about as crowded as Crystal Beach. We checked in at Registration. There the efficient, well-organized and beautiful gals of the BCC quickly had us set with motel assignment, programs, identification badges, car parking sticker, etc. We met Bill O'Hern, General Chairman. With 1001 details to think of, Bill was always smiling and affable. Kind of proves this regatta was well-

organized from stem to stern. It was. With 90-odd boats, trailers and over 300 people, this takes some doing. The BCC are old hands at this and take it in stride. Also ran into Maggie Teske—our genial Exec. Secretary. You know it would be difficult to think of the Lightning Class without Maggie. If you want to know anything about the class, ask Maggie, she knows.

Most of the boats were out on the bay having a mid-afternoon brush race. Soon they started straggling in, familiar faces, fellas you hadn't seen for a year or more. Al Bernel, Stu Anderson, Jack Swanson, Karl Smither, Tom Allen, defending champ, and of course the one and only, shy and retiring, tongue-tied Irishman, Tom Fallon from the BCC. Others like Prez John McIntosh, Jose Barrada Moller from Lima, Peru, Jim Schudel now in the Ohio District, Ham & Carter Ford, Marty O'Meara, Jim Carson, Herm Henschen, Bob Bleasby from Toronto, Gaines Houston from Little Rock, Marcy Lippincott, Bud Olsen, Bob Bavier, Carl Eichenlaub, Jay Limbaugh and George Fisher to mention those that come to mind at this writing.

After checking in our gear at the motel, we returned to the BCC for a complimentary cocktail party before dinner. About 9:00 that night, at Tom Fallon's cottage, the Governing Board met. Your LCA has many facets. Its interests and problems are widespread. Prez John McIntosh chaired the meeting in impeccable style. Yet, it was after midnight before the necessary was concluded. By this time Monsieur Fallon's stock of snake bite oil had deteriorated alarmingly. Even so, the Nominating Committee met with Tom and John McIntosh until 2:30 A.M.

Up at 8:00 Monday morning—golly it was a short night. Tune up race at 10:00, both for the skippers and crews and the Race Committee. Monday afternoon the First Qualifying Race was run off. The Fleet was divided into 3 heats, green, blue and orange. Starts were 10 minutes apart. For example, starting gun for the Blue heat was the warning gun for the Green Fleet, etc. Starting line good and nobody jumped the gun. Too much at stake to risk being over the line early.

At the start the air was medium light but it soon picked up. By the end of the race it was a right perky breeze, enough so that there were equipment failures like spreaders and rudder pintles. First Qualifying Race winners: Blue Fleet, 1. Goldsmith, 2. Wasserberger, 3. Ranft. Green Fleet, 1. Olsen, 2. Anderson, 3. Maltbie. Orange Fleet, 1. Seidemann, 2. Filippi, 3. Smither.

The writer served as Canoneer on Quintet. Met Bob Truckenbrod who was also doing Race Committee duty. Bob is a quiet, friendly, unassuming guy, who painted the cover on the program. A race scene done in bright bold opaque water colors, it catches the action and excitement of the gathering at the second mark. Many Lightning sailors decided to carefully remove Bob's cover from the program and have it framed.

Monday night was the Annual Meeting which no doubt is reported elsewhere in full detail. In thumbnail summary, it went smoothly. All there were fully informed of the many LCA activities and their current status.

Tuesday completed the Qualifying Races. Race number 2 was sailed in the morning and the 3rd and final Qualifying Race Tuesday afternoon. Boats were rotated around between the blue, green, and orange fleets, so that each

boat sailed against as many other boats as was mathematically possible.

The morning races were sailed in moderately light but steady air. The afternoon heats started off in light air which soon petered out and became a real drifter. For a while there was some doubt whether to try to finish this race or shorten course. Then suddenly a breeze came in, freshened further, and Lightnings raced across the finish line with crews hiked out.

Well, the Q.R's were over, but the list of the top 30 boats to join Tom Allen in the North Americans was not posted. For at the finish line, protest flags galore were flying. Result—three Protest Committees worked far into the night hearing protests, questioning principals and witnesses and reaching decisions.

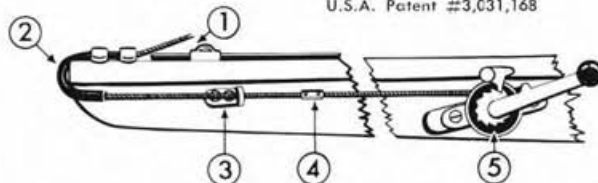

Finally all protests had been allowed or dis-allowed. The top thirty winners were posted on the scoreboard. Skippers, crews, wives and sweethearts crowded around to celebrate or commiserate as the case might be.

From here on out it would be five races in the North American, President's and Governor's Cup respectively. By and large the best-sailed boats were in the top group and the second and third best in the President's and Governor's Cup.

This meant that in each group racing would be closer. Boats would generally be bunched and not spread out all over the course. Incidentally, in the qualifying races, courses were set with a mile and a quarter to a mile and a half windward leg (depending on wind strength). The second leg was set at right angles to the first and approximately $\frac{3}{8}$ of a mile in length. The third leg then natur-

THE WONDERFUL WINCHAUL!

U.S.A. Patent #3,031,168

Self contained, quick release wire winch — best for outhaul, downhaul, boomvang, jib tightening.

Connect your wire (1) to your clew outhaul, use our stainless steel boom end tube assembly (2), to bring wire around boom, pass through guide (3) and adjustable stop (4) near Winchaul (5). Winchaul goes on boom far enough inboard to be within reach on all points of sailing. You now have the quickest, the best, the easiest clew outhaul ever devised, and can improve the efficiency of the mainsail by tightening on the wind and slacking for running. A counterclockwise flick of the lever will release wire, and stop (4), by fetching against guide (3), will automatically set sail for running. Strong seagoing construction, bronze alloy and stainless steel. Plastic knob, four to one mechanical advantage. Wire extra.

ally became the hypotenuse of a right triangle. This resulted in a second leg which was a close enough reach to make flying a spinnaker quite problematical. The third leg was in most cases a spinnaker run with the wind on the quarter or even a bit aft of that.

Wednesday was hot and clear with the promise of fair winds. Two race courses were used. The North Americans raced far out in Abino Bay. The President's Cup and Governor's Cup were both sailed on another course nearer shore. Good winds resulted in both morning and afternoon races being completed well on schedule. Since all races in the NA'S, Pres. and Gov. groups are covered in detail in other articles, we will not be repetitious here.

Suffice it to say that all 3 flights were off and running. Too early to predict the outcomes, but the fickle and inexorable finger of fate was already beginning to trace her unfolding pattern. Tom Allen was showing the steady right-up-there—no-really—bad race pattern that made him World's Champ and defending N.A. Champ. California's Carl Eichenlaub was contesting Tom every inch of every mile. Carter Ford, the victim of an unfortunate capsize in the Qualifying Races, was showing himself to be a dangerous contender in the battle for the President's Cup.

The Governor's Cup was harder to predict at this point. Bob Bleasby, Jim Coggan eventual winner, Peter Van Iderstine, Ross Bryan and Peter Gonzales made crystal ball gazing a mighty difficult task.

So ended the first day of the Championship and Consolation Flights.

The Michigan delegation of nine hopefuls at this point were frankly not doing well. So Doc Arnold decided a cocktail party for the Michigan skippers, crews and wives might ease their disappointment. It did—thanks to the crushed grape, the liquid grain, and the jolly juniper berry. Early Thursady morning Doc and I regretfully took our leave of the Buffalo Canoe Club and pointed my Pontiac westward toward Michigan. Doc to rejoin his family at Higgins Lake and I to a must business conference that evening in Chicago.

Strange, but as the miles unwound beneath our spinning wheels, our thoughts were not on Higgins or Chicago. No, rather they stretched behind us to the bright, sparkling waters at Abino Bay on Lake Erie—to 90 Lightnings slashing out to windward, converging at the marks, popping spinnakers and battling each other every foot of the way.

LIPPINCOTT BUILT 6 OF FIRST 10 BOATS IN 1962 NORTH AMERICAN CHAMPIONSHIPS!

Are you out to win in Lightning competition this year? If so, we should get together because we at Lippincott know what's needed to build a **fast** Lightning.

Last year's North Americans prove it. Out of the first 10 boats, 6 came from our shop. 8103 Bob Seidelman, 7000 Karl Smither, 7840 Marbury Fox, 8345 George Fisher, 8330 Chuck Maltbie, 7942 Barney Mead. And this is only one of the records our boats piled up. They also turned in top performance in district and club activities too numerous to mention.

So if you have a real urge to move into the winners' circle this year, let's talk. We're building your 1963 Lightning right now—a boat that includes all the wrinkles that made us tops in 1962 (plus a few more for good measure).

EUROPEAN LIGHTNING CHAMPIONSHIPS 1962

Helsinki, July 10-14.

By Raimo Aromaa

Nerve-trying spinnaker work in light winds in European Championship. Behind the boats—Harmaja lighthouse.

The seventh official Lightning Class European Championships were organized this year by yachtclub Merenkavijat in Helsinki, Finland on July 10-14.

When the entry-time had closed 23 boats had registered, four from Italy, one from Switzerland and all the others from Finland District's separate fleets.

Merenkavijat, and the members of Helsinki Lightning Fleet, were well prepared to take care of this important event. Merenkavijat, which is the second biggest yachtclub in Finland, has been the host of several Finland

District Championships and other major regattas so that the officials of LCA District of Finland felt fairly safe about the organization, and not in vain, as no serious complaints were heard during the races. Only the weather was worth complaining of, as the winds were quite unsteady and weak almost through the regatta.

Monday and Tuesday were used for inspections of boats and sails. All were finally accepted, though in some cases only after shortenings of booms or spinnaker poles, adding extra weight to the hull etc.

The official tune-up race was sailed on Wednesday afternoon after the skippers meeting had been held at the club. All the boats, except one Italian and one Finnish, which had not been able to collect their crews in time, participated. Finnish skippers were very curious to see how the Mediterranean boys fared in our waters, and the foreigners seemed also interested in our skippers performances. The course was seven miles triangle, the weather little rainy and wind unsteady. Mediterraneans put scare in our skippers as Carlo Postiglione, with FANDANGO II got the winners gun. Next came whole row of Finnish boats: MARINA, Aimo Hanninen; ARIANA, Stig Haglund; KATRINA, Raimo-R. Nordstrom etc.

The first official race was sailed on Thursday morning. The wind was quite weak when the 23 boats collected at the starting line. Course about 7 miles and when the boats neared finish-line it seemed that the Finnish sailors could have possibilities to take the Championship to the Baltic Sea from Mediterranean, as three first boats carried Finnish colours. Aimo Hanninen received the winners gun with his MARINA (7177), second was our three times District Champion Raimo-R. Nordstrom with KATRINA (6838), third, previous year's Helsinki Fleet Champion Bjorn-Ole Owren (SPEED VII, 8210) and the fourth was first of the Italian team, this year's Italian District Champion Maurizio di Segni with his beautiful STRALE II (7238), fifth other Italian, Mario Mainini (CARAMBA, 6689).

Second race in the afternoon was even more nerve-trying than the first, as the wind was even lighter. This time the race was very tight to the end. Finnish boat got the winners gun again as Paavo Manninen sneaked his ANONYMUS, 7894 over the line five seconds before

di Segni's STRALE II. Third KATRINA, fourth Italian Francesco Maddalena (ALCIONE III, 7792), fifth ARIANA, 8218 with Stig Haglund at the helm.

The second day of the regatta dawned in total calm, and even when the third race was started the wind was very light. The wind got a bit stronger during the race, but changed its direction all the time giving "gray hairs" for most skippers. Italian crews showed how to sail in light winds as they took three first and fifth place. Maddalena took the honors with ALCIONE III, second di Segni (STRALE II), third Postiglione with FANDANGO II, fourth was the best Finnish boat KATRINA, Raimo-R. Nordstrom and fifth Mario Mainini with his CARAMBA.

Nerves were tight at the start of fourth race, and it resulted in a recall, as about half of the boats were over the line too early. Wind had increased, and all the sailors hoped that they could have one race with steady wind,

but in vain, as after the first round the wind weakened again and started to shift. "Nervousness" seemed to continue on the course, too, shattering our hopes, that we could take the European Championship to the North, as Raimo-R. Nordstrom, who had the best position in points of Finnish boats, came near a weather-mark on port tack too near Italian Maddalena, who was on starboard tack, and resigned from the race, thus showing good sportsmanship. Winner of this heat was Carlo Postiglione (FANDANGO II), second di Segni (STRALE II), third Aimo Hanninen (MARINA), fourth Mainini (CARAMBA) and fifth Maddalena (ALCIONE III).

After four races M. di Segni had collected so many points, that he was almost sure Champion, and other Italians were also in very good positions, but Finnish skippers also had runner-up position at their reaching, so that the last race was at least as exciting as the previous day's.

When the boats started on Saturday morning from the yachtclub, the sky was grey and the wind was stronger than on previous days, so that all the skippers hoped better wind for this last race. Well, the wind kept stronger, but it veered again after first round, eliminating the second windward leg altogether, and changing it for a reach. Carlo Postiglione (FANDANGO II) got the winners gun, second Mario Mainini with CARAMBA, third di Segni's STRALE II, fourth Erik J. Suni with PIRAYA II and fifth ARIANA, Stig Haglund at her helm.

The Mediterranean boats and crews showed again their admirable sailing abilities. The top Finnish boats were not, however, very far in points from the top places, and we think that our boats and also skippers and crews are not so far from the European "cream," in Lightning sailing, as it has seemed to be in earlier years. The hero of 1962 European Championships was Maurizio di Segni from Lega Navale Italiana Fleet, Anzio, Italy, who sailed his STRALE II with brother Sandro and Giacomo Fagnano crewing very evenly through the regatta. He didn't win any races, but however collected best points with his positions 4-2-2-2-3. Carlo Postiglione from Naples took the runner-up position and Francesco Maddalena, also from Naples, sailed his ALCIONE III to the third place.

The representatives of LCA European Districts held a meeting during the Championships, where they discussed all the matters which interest Lightning sailors in Europe. The most important point was our class status in IYRU, when the matter will be cleared, how it might affect Lightning sailing in Europe, and also elsewhere, etc. It was also decided, that the next European Championships will be held at Naples in 1963.

Frequently we're asked how long our Scientific Sails in Dacron are good for. Frankly, we don't know as yet. At last reports, the first one we built, made for Bill Cox in '55, was still going strong.

One thing is sure - Sails by Hard are built to last. What's more, you can keep on winning races with them year after year.

Take the Lightning main in the picture, for example. Bud Olsen, a fine skipper of championship calibre, though never quite fortunate enough to be a title winner, purchased it from us in 1958. He has used the same sail with good success over five seasons, now - started it on its sixth year in the Southern Circuit series after this ad was written.

And, when it comes to spinnakers, Olsen, like most Lightning sailors, prefers the Spherical by Hard.

A Transient's Thoughts About Crews & Skippers

Our editor, Stu Anderson, thinks in past years there have been too many articles in the year book about "Choosing a Crew" or "Things a Skipper Looks for in a Crew." In Stu's inimitable gimmick fashion he decided what we needed for a change of pace this year, was an article about what free lancing crews looked for when choosing a skipper plus a few added sidelights on the advantages of crewing over skippering.

Before getting involved in any discussion about the crew's point of view, let's establish the fact that there are different types of crewmen (other than good and bad). Most of them should fall into one of the following categories:

REGULARS: Sail on the same boat most of the time.

LEARNERS: Sail to acquire knowledge so they can buy their own boat.

SKIPPER: Sail as crews on other boats for important races.

PROFESSIONAL CREWS: Not paid hands but just people who prefer to crew and like "sail-boat bumming."

Some of the arguments in favor of joining the ranks of the final category are included in this article.

For lo many a year, skippers have had problems finding and keeping good crews. Many skippers "set-up" crews months in advance for regattas and districts and those who don't sometimes find themselves without experienced help. This situation seems to be quite normal and it

would seem in this case it might be better to be the quarry rather than the hunter.

Now, as for "How to Choose Who to Get Caught By:"

Skippers come in various sizes, shapes and temperaments. Size and shape is of little matter but temperament is all important. There are skippers like Stu "Pull up the Board, Put up the Pole—Hike" Anderson who really wants a tall octopus. There's also the Jack "That Was the 5 minute Gun, Change the Main" Swanson type. And, of course, there are skippers like Karl Smither who never seem to get excited.

Some skippers prefer a crew who tells them how the competition is doing or if they can beat a starboard tacker; others who want crews to just sit and only do what they are told to do.

Vagabond crewing allows you to sail with all types and allows you to "borrow" from their fund of information.

After an extensive survey among the "pros" we've come up with what should be a handy guide of stock phrases by which you can rate your skipper—

UNFAVORABLE:

"That port cleat doesn't work all the time."

"Your hiking strap is frayed but still good."

"I know that pulley is in the wrong place and I'm going to move it."

 "I've got new light weather jib sheets."

 "That was a good race, have a beer."

As for a top-notch skipper's qualifications, they probably match just what he's looking for in a crew. Sportsmanship, punctuality, the desire to win, sense of humor, an acquaintance with the rules, ability to hike, knowledge of tactics, a little info, drive and determination.

If you find a skipper with most of the above qualities, hang on to him, he'll probably end up champ.

Now that you've joined the union, here's a word of warning. Skippers sometimes delegate the authority to call the lay line for the marks. If you don't lay it, he snarls, "Ready About." If you overstand just a little, he just snarls. If you lay it right on the button he figures that's your job. If, however, he calls the lay line and misses—there's been a wind shift.

Never argue.

A RACING GAME

The BEST way to teach or learn racing tactics and rules. Wind shifts, puffs, blanketing effect, even "capsize" built right in the game. The tactics of rounding marks, starting, finishing, covering, all must be used in playing the game. It's similarity to actual racing is amazing! This is not a game of chance—you must make your decision at each move.

STUART ANDERSON AND "GLOCKENSPIEL" SOLVE TRICKY WINDS AND BEAT NINETY-THREE OTHER BOATS AT QUANTICO

By Barney E. Mead, III

There is at last no doubt about it—interest is dying in our class. Only ninety-three Lightnings were on the starting line at the Quantico Tenth Annual Regatta sailing on the Potomac River on October 20 and 21 at the Marine Corps School. Except for the threat of a hurricane, the number of Lightnings on the starting line would probably have exceeded one hundred (100). This regatta, as far as anyone in the Lightning Class knows, is the largest one of its kind in the history of yachting in the world. Last year at Quantico there were ninety-six (96) Lightnings on the starting line.

The Marine Corps School conducted a fine regatta in probably the worst wind conditions in the history of the regatta. Except for the lack of wind everyone had a marvelous time. It is difficult to describe the thrill of starting a race with over ninety (90) other Lightnings all trying to get the perfect start. Lightnings came from all over the Eastern seaboard and as far West as Michigan and Ohio. In all, twelve states were represented.

The first race was scheduled to start at 11:00 a.m., but did not start until about 12:00 because of light, variable northwest winds of under 5 mph. The race chairman, Walter Collier, set the line for a perfect weather start and everytime the line was set, the wind would change. Finally, after moving the line several times, the race started. Scheduled twice around a triangle plus a weather leg, the weather end of the line was definitely favored. Barney Mead in Clancy got clear first and led the first part of this leg. Frank Williams, from Washington, D.C., was in second place and Stu Anderson, from Buffalo, was in third place. The air on the weather leg got lighter and lighter and then began to get patchy. Frank Williams to leeward took the lead and then Stu Anderson to weather of both Williams and Mead got into a patch of air and sailed into first place. At the weather mark, it was Anderson, Williams, Dick Armstrong, Mead and Mark Auer.

The second leg was a spinnaker run and as the boats rounded the weather mark, the wind died almost completely. This leg was sailed with most spinnakers collapsed. A puff of wind would come, the spinnaker would fill, and shortly thereafter would collapse again. Stu Anderson, in first place, did an outstanding job of spinnaker flying and increased his lead. At the second weather mark, it was Stu Anderson in Glockenspiel, first. John Sprague, who had moved up from tenth at the first mark, was second; Barney Mead was third. Dave Bruce, from Baltimore, who had sailed around almost twenty boats, rounded fourth and Earl Engler, in Slave Driver, rounded fifth. At this mark, the race was shortened to one lap because of the light air. It should be said at this point that on the second leg the current helped carry the boats to the mark. During the first leg, the tide had been coming in nullifying the effort of the current but the tide had now

changed and was running at a strong rate with the current.

The next leg was a close spinnaker reach across the Potomac followed by a short beat to the finish line against the tide and current. The positions of the first five boats did not change at the third mark or the finish with Stu Anderson getting the gun with a good lead at 2:10 p.m. The fleet was then towed across the river for lunch by the many helping Marine power boats and other spectator boats with the second race scheduled for 3:30 p.m.

An attempt was made to start the second race at 3:45 p.m. but after the gun had gone off, the wind had switched to a point that the weather end was so favored it was impossible to get a start with ninety-three (93) boats. The line was changed and a second start was attempted. The wind for the second race had swung 180° and was blowing 4 mph from the South and getting lighter all the time. The tide and current were running strong to the South carrying boats over the line at a rapid rate. So many boats were over at the starting line that a general recall was sounded. The next start was almost as bad, but because of the lightness of the wind

conditions and the late starting time and the impossibility of calling the many boats that had been carried over the line by the tide and current, the race started. This race was shortened to one lap at the start. The boats that went out into the middle of the river seemed to make out best. At the first mark, it was Bob Seidelmann from New Jersey in first place followed by Stu Anderson and Howard Mullin. The next leg was a close reach across the river. Marcy Lippincott and Barney Mead flew spinners on this leg and both picked up many boats. The next leg was a true down wind spinnaker run with some of the ninety-three (93) boats going up the Maryland side of the river and some going up the Virginia side of the river. The Maryland shore was favored. At the finish line, it was Bob Seidelmann first, Stu Anderson second, Howard Mullin third, Earl Engler fourth, John Walton fifth and Barney Mead sixth. That evening there was a cocktail party at Harry Lee Hall followed by the best dinner ever eaten by ninety-three (93) Lightning Skippers and their crew. Dinner was followed by a dance and some pretty wild twisting. About 2:00 a.m. there was a late party in Ken and Millie Lawyer's room. Have you ever seen forty (40) people in one room at the Hostess House at Quantico?

To get back to racing—as of Saturday night after two (2) races counting low points, Stu Anderson was in first place with two and three quarter (2¾) points. Earl Engler and Barney Mead tied for second with nine (9) points and Jim Allen, from Westport, Connecticut, was in fourth place with twenty-eight (28) points. The prediction for Sunday was clear, winds ten to twenty miles per hour from the North.

Sunday morning was rainy and there was little or no wind. The race started at 11:00 a.m. with winds approximately 3 mph from the South. The wind continued to lighten. Half the fleet crossed the river against the tide to the Maryland shore. The other half tried to get out of the tide on the Virginia shore. The boats that went to the Maryland shore never completely ran out of air and although they had to cross the tide twice, in general made out better. Meanwhile on the Virginia shore (that is where we were), the wind stopped completely and anchors had to be put out to protect windward distance since we were sailing against the combination of the current and tide. This race did much to upset the leaders of Saturday night. Stu Anderson finished 23rd, Earl Engler finished 30th, and Barney Mead finished 40th. All during the race the wind went from 4 mph to 0 at various times and positions changed drastically depending on the wind and where it happened to be blowing. Arnold Schwartz, from New Jersey, was the first boat to the weather mark and led the race all around the course until the last short beat to the finish line where Jim Carson, from New Jersey, took the lead and got the gun. Schwartz was second, Marty O'Meara, our illustrious president, was third. Jim Burke, from Washington, D.C., fourth and David Peterson fifth.

Despite his third race finish Stu Anderson still had the necessary points to win the regatta with Earl Engler second. Dave Peterson was third, Marty O'Meara was fourth and Barney Mead fifth.

If you have not raced your Lightning at Quantico, you have not lived. This is something you must experience to believe. I think I know how General Custer felt at the Little-Big Horn when he said, "Looking at all those *!*.!*.*!*.*!* indians." You should see over ninety (90) Lightnings on a starting line.

HOW TO IMPROVE

By Erik Schmitt

Erik Schmitt sailing *Osprey VIII*
Sugar Loaf—Guanabara Bay, Rio

I have had a few years of experience in yacht racing. There are a lot of things to be said about yacht racing. These basic rules can be easily learned by reading the many good books concerning this matter which are available all over the world. However, right or wrong, every skipper has his personal way of sailing and own ideas of tuning his boat.

Every skipper has to start from the very bottom. I haven't heard of one that started sailing winning races, yet he can learn, practice, and if he does it the proper way, he will be soon up there giving trouble to the old experienced one that thinks there is nothing more to be learned.

Never be shy to ask advice from somebody that is beating you frequently. If that adversary you ask advice refuses to give out his secrets, he will only be fooling himself. If he does help, you will progress, thus giving him a more rigorous competition and consequently end up by improving him up to a higher degree of competition. Try matching with him before the races or whenever he is out. If he happens not to sail very often, ask him why. Maybe he does not go out because nobody else does.

Another important fact to improve your racing is to recognize your own error to be able to correct it. After the race is over, if you happen to have lost, try and remember all the details. How you could have passed the boat that came ahead or how could you have prevented

the other one from passing. Conclusion: never be stubborn in this respect. I have an excellent technician, my father, who watches almost all the regattas I sail. After every race, if I win or lose, he always has some constructive criticism.

Once you are at the top of the fleet, don't relax neither be too sure of yourself otherwise you will end up as a terrace sailor while all the others are training to improve. If you want to be good at sailing you must take it serious. Whenever you have spare time go out on your boat with your same crew. Do individual training or preferably brush racing against your hardest competitors. Get that machine of yours working and moving. Place certain fittings on their proper place where your crew can work handily without having to grumble that the manoeuvre wasn't good because the fitting didn't work. One good example of this type is the spinnaker pole fittings. They never seem to work properly mainly because nobody cares to oil them once in a while.

If you have the time, try to sail all the races of the annual program. It is important to have contact with the boat, whatever class it may be, as long as the good skippers are there.

In Brazil the Snipe and the Lightning class are very popular and the toughest competition is definitely held on them. I am sure that the results of the last World's championships corresponded to the degree of competition which these excellent sailors gave us. Besides this, for the past three years I have sailed an average of 76 races in various classes per year, which I can attribute as the principal reason of my progress. Still, I don't think it is enough because we don't have sufficient international competition due to our geographical and financial difficulties.

SOME SKIPPERS

by Stu Anderson and Cal Schmiede

. take spinnakers down on windward side to be on correct side for next use—also sometimes because they think this is safer than down to leeward.

. raise spinnakers behind shrouds—some ahead of shrouds.

. rather than pull spinnaker halyard around forestay when it is on wrong side, throw it around with a ball or weight on the end.

. use a single wire spinnaker halyard thru tube in mast connected to drum below deck which has reverse ratio by pulling 7 feet of line from smaller drum raise spinnaker to top.

. have a handle or line attached to centerboard to pull it down when it sticks while being lowered on some points of sailing.

. put a reinforcing board or cap on top of centerboard trunk to make it rigid—washers on stop pin so when lowered into centerboard trunk it won't move from side to side—make sure board moves freely on lower centerboard pin so forward edge of board is pushed to windward a small amount when beating to windward.

. run spinnaker sheets thru after deck so deck is clean and smooth for hiking.

. have a bow line that retracts thru hole in stem.

. have centerboards and rudders painted white to more easily see weeds. Some have glass port holes in bottom of boat to observe same.

. use 45° tacking lines on deck to observe their position with other boats.

. use single jib sheet leads rather than double.

. remove older centerboards and cut them to minimum tolerance for width and depth.

. check to be sure they have minimum opening between skeg and rudder and minimum centerboard slot opening. Repair with fiberglass tape if necessary.

. heel boat to windward on light dead down wind leg. Hold boom forward with shock cord giving more exposure of spinnaker as it hangs further to windward from the tilted mast.

. use single thickness of Kleenex tissue cut in 1/4" wide strip (cut with grain) for light weather wind pennants.

. always rig spinnaker for second leg even when in doubt, in case of wind shift. Then change it on reach to other side if not needed.

. put board all the way down when running dead down wind with spinnaker on extremely windy day for stability.

. use flat face compass with additional lubber lines marked on outer ring. Then watch a large cardinal point in relation to one of these lines which is easily seen on wet windy days even while hiking.

. know the average number of feet per second their boat travels to better adjust their position on final starting maneuver.

. approach the starting parade of boats from opposite direction, analyzing the competition, and try to jibe into an opening between boats that are not aggressive starters.

. examine leeches of jib and main before start and stretch them if they are tight by pulling them in hard and running their hand up leech as far as possible or

lowering jib and stretching leech over their knee.

. put tape marks or nail polish on sheets for reference points.

. strengthen weak jumper struts with gussets or a wire across the tips.

. re-read at the beginning of each season previous Lightning Year Books that give advice on tuning, sailing tips, etc. Also review other good books on rules, tactics, etc.

. take weight off boom when going to windward in extreme light weather conditions by holding up boom with crutch from centerboard trunk and by attaching spinnaker halyard to center of boom on windward side. This is to give better shape to mainsail.

. while waiting for race to start, under extreme heavy wind and wave conditions, heave to, pull jib tight, then tack and leave jib sheeted in on weather side. This gives the boat a nice comfortable, slow, movement on the new tack. Push tiller down and boat will make a slow drift across wind. Water doesn't splash in boat and the crew can relax and rest until time of start.

. use 1/4" tubes thru mast for main, jib and spinnaker halyards instead of sheaves.

. have spinnaker fittings facing down on spinnaker pole to make it easier to drop guy line when taking spinnaker down to windward.

. have hiking straps made in separate loops for each crew, looped up and running fore and aft and stiff enough to hold their position to make them easy to get feet under.

. use a drum type boom vang mounted on mast step in front of mast, with vang running directly thru 1/4" tube thru mast.

. use spring loaded clothesline reels on either side of the centerboard trunk to hold excess sheet and guy lines. Similar reel arrangement mounted on mast step may also be used for spinnaker halyard.

MEASUREMENT COMMITTEE RULINGS

by Herman C. Henschen

When Stu Anderson asked me to write a Yearbook article based on measurement committee rulings, I knew I wouldn't have to search for material. Since 1959, measurement committee rulings have been kept in a separate file so that some day someone could compile all of the rulings and issue them for everyone's information. This file is now about 1" thick and contains correspondence to and from all corners of the world. To those of you who attend the yearly L.C.A. meetings, the midwinter meetings in St. Pete, and keep up to date by reading *Lightning Flashes* thoroughly, I apologize in advance for not telling you anything new. Those who are new in the Lightning class or who seldom get a chance to keep up to date may be surprised at some of the rulings which have been made. Those who believe they can learn of a newly legalized "go fast" gadget are in for a big disappointment — the specifications which were rewritten in January, 1959, are pretty tight. Most of the measurement committee rulings are interpretations of these specifications and as such can be pretty well anticipated by careful reading of the "specs". May I take this opportunity to warn you not to rely on the information in those old specification booklets you may have. If your specification booklet does not say, "Revised January 1, 1959" inside the front cover, throw it away and get a new one from Margaret Teske. In addition, you should write for the latest addenda to specifications which will contain even more recent changes.

For brevity, I have not tried to make this information read like a novel—hope you didn't expect to be entertained.

L.C.A. and Measurement Policies

BOAT NUMBER—may be reserved up to 100 numbers above last number issued but may not be assigned until number comes up for assignment in consecutive order (March, 1961).

— cannot be reissued to a new boat even though original boat was destroyed or altered so it is no longer a Lightning.

— new number cannot be issued for a rebuilt boat unless its hull is clearly more than 50% rebuilt.

BOAT MEASUREMENT—fee is a business arrangement between builder, owner, and measurer. L.C.A. is not responsible for failures to furnish approved certificates, lost measurement data, etc.

— fiberglassing a hull does not necessitate remeasurement of the hull.

— hull must be remeasured if replanked or new keel is installed.

OFFICIAL MEASURERS—may not measure a boat which he has built, owns, or expects to sail. This includes remeasurement following major alterations. He may measure such a boat if measurement is witnessed by disinterested person appointed by the measurement committee.

— may not measure boats during their term of office as a member of the measurement committee.

— are appointed only if needed in a geographical area, are acceptable to the local fleet, and have proper technical background.

Sails

ROACH REEFS are specifically outlawed in the specs. The measurement committee ruling classifies a zipper footed mainsail as a roach reef thereby outlawing it. Likewise, mainsails having roach reef drawstrings (once advertised) are not allowed.

MAINSAILS BUILT FOR BENT SPARS cannot be distinguished from other mainsails. Furthermore, existing girth measurements adequately control mainsail width. Therefore, no attempt will be made to enforce against mainsails built for bent spars.

FULL FOOTED MAINSAILS have been used to a limited extent for years. No attempt will be made to limit the extent of fullness. This ruling also applies to the so called "shelf" construction of the mainsail foot.

ADJUSTABLE LUFF JIBS must have a stop on their luff wire to prevent them from being stretched past the maximum luff dimension.

JIBS WITHOUT LUFF SNAPS have been allowed. This practice is sometimes referred to as "setting the jib flying."

"VENTURI SPINNAKERS" have been classified as "perforated sails" and are therefore outlawed in the specifications.

A **REINFORCED PLASTIC SHEET** submitted for approval as spinnaker material was ruled illegal because it was not "woven fabric."

NYLON SAIL SLIDES have been ruled illegal.

Hull Rulings

THE EXTRA 1/4" ALLOWANCE Beyond Dimensional Limitations (Boats over 2 years old) does not apply to length dimensions K, L, and M or W, X, Y, and Z.

ANY BOAT TWO OR MORE YEARS OLD THAT IS PURPOSELY ALTERED in shape at any point, is allowed the extra 1/4" over the dimensional limitations only where such alteration changes a measurement to become more nearly the same as the standard dimensions (plans) at that point. Where the alteration changes the measurement to become divergent with the plans, the dimensional limitations apply.

HULL LINES are meant to be fair curves. There should be no concave surfaces on the hull exterior even though the points establishing those surfaces are within the tolerances. (This situation is particularly apparent when an attempt is made to reach the maximum allowable "X" dimension.)

**SUPPORT OUR
ADVERTISERS**

THE BASE OF THE STEM must fair into the bottom with a minimum radius of 4" over a distance of at least 4" (template chord length).

THICKNESS OF LUMBER used in construction of a lightning must be as per plans. We admit that nominal 4/4 lumber as used in building homes, etc. is more easily obtained, but if 7/8" lumber, for example, is specified, the lumber must be no less than 7/8" thick. Nominal 4/4 lumber may often be only 11/16" thick.

THICKNESS OF SIDE PLANKING must not be less than 5/8" even though the boat involved is old, heavy, and obviously not a racer.

TYPES OF WOOD which may be used in lightning construction are liberal. Many types of fir, yellow pine, white pine, etc., are allowed in lieu of wood types stated in plans. Exceptionally light woods (balsa) or exceptionally heavy woods (lignum vitae) are not allowed.

WIDTH OF SIDE FRAMES shall be 2 7/8" minimum measured at the widest surface (aft face in forward part of boat and forward face toward stern of boat)

RELOCATION OF BOTTOM FRAME at station 4 1/2 to increase clearance to centerboard pin is not allowed.

SIDE FRAMES shall lap over the bottom frames as shown on plans. This juncture may not be made with a butt joint.

BOTTOM FRAMES shall be molded to 1 1/2" except that they may be less than 1 1/2" where flattened to provide "seat" for keel.

BOTTOM AND SIDE FRAMES may be rounded to a radius of not more than 1/4".

PLYWOOD DECKING 3/8" thick may be used in place of 5/16" where the latter is difficult to obtain.

A GASKET may be used at the junction of the centerboard trunk and the keel to prevent leakage. However, the gasket may not extend into the slot.

THE OFFSET WHERE THE 1 1/4" CENTERBOARD TRUNK LOG MEETS THE 7/8" TRUNK sides may be eliminated by tapering from the 1 1/4" thickness to 7/8" but the 1 1/4" trunk log thickness must be held for the specified 9" height.

RUB RAILS may not be wider than 1 1/4" at any point.

RUB RAILS may be made of any material having the same weight as wood. This is actually a specification but is not widely known judging from the number of inquiries.

THE AFTER EDGE OF THE SKEG may not be made concave so as to "nest together" more closely with the rudder.

THE LENGTH OF THE SKEG on boats built prior to November 1, 1959, may be not less than 37 1/2" when measured to the keel and not more than 40 1/2" when measured to the bottom.

FLOORBOARDS AND SEAT SLATS made of teak need not be painted.

CUPRINOL may be used as a substitute for painting or varnishing the inside of a lightning. The measurement committee cannot distinguish wisely between every known coating.

THE DISTINGUISHING COLOR BANDS painted on the edge of the deck are not termed covering boards for the purpose of Art. VIII, paragraph 1.

PREFINISHED DECK COVERING with a canvas backing is allowed in place of canvas.

THE 715 POUND MINIMUM WEIGHT LIMIT for boats covered with fiberglass has been dropped. All boats have a 700 lb. minimum.

AN ELECTRIC BILGE PUMP may be used in a lightening but its batteries cannot be weighed with the boat. FIBERGLASS RUDDERS are acceptable. This is actually a specification but it has never made the printers. HIKING STRAP LOOPS OR LINES which extend above the deck are not allowed.

Spar Rulings

NYLON OR PLASTIC SAIL TRACK is not allowed for use on the mast or boom.

THE THICKNESS OF WOOD used in constructing the boom shall be $\frac{7}{8}$ " plus or minus $\frac{1}{8}$ ". (Measurement Committee to request adoption into specifications.)

BOOM VERTICAL AND HORIZONTAL DIMENSIONS shall be within $\frac{1}{4}$ " of dimensions shown on plans except for the forward end for a length of one foot and the aft end for a length of six inches. (for gooseneck and outhaul variations)

THE "T" DESIGN OF THE BOOM must be maintained for its full length—flat section may not be removed to accommodate outhaul.

THE MAST SHALL BE BLOCKED fore and aft at the step and at the deck to prevent movement "of the mast at any point nor any adjustment of standing rigging during any race" (Specs, Article XII, last paragraph)

LIGHTNING MASTS may not be built in whole or part with cedar.

Rigging Rulings

A BACK STAY TOGGLE was allowed in a ruling made in October 1959. The toggle was designed to facilitate backstay removal prior to hauling or launching the boat. It was made clear that manipulating the toggle during a

race was not allowed. Strictly speaking, the use of a toggle to adjust the backstay for light or heavy air is in violation of Spec's Article XII, paragraph 3—"standard turn-buckles only." This is a violation even though the toggle is manipulated before the race.

A TUBE may be used in place of a sheave for the main halyard. For the purpose of mast measurements normally made to the sheave groove, the point where the tube emerges from the aft side of the mast shall be used. This little known ruling was made in May, 1959.

A BOOM VANG ARRANGEMENT which pulls the boom down toward the deck in the vicinity of the sheer is allowed.

A MAIN SHEET BRIDLE whose pulley is not secured at the center has been ruled a traveler and is therefore outlawed under Spec's Article XIV, paragraph 3.

A MAINSHEET BRIDLE which can be adjusted athwartships is not allowed. This applies regardless of whether the rig is on the back deck or in the cockpit.

HALYARD HOOKS or other devices which secure the hoisted main or jib halyard more than a few feet above the deck are not allowed.

ALUMINUM FITTINGS—At the time of the writing of this article, the aluminum fitting question is being given further study. Notification of the decisions of the measurement committee will be made in Flashes.

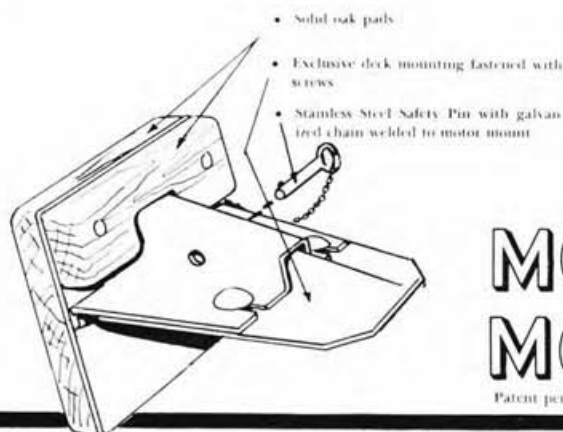

The above rulings represent 100% of the rulings on file. We hope you will use them wisely in helping to maintain the lightning as the best one design class in the world. If you have questions at any time on the interpretation of the Lightning Specifications, write the measurement committee.

Thoughts On Racing Starts In Large Fleets

By Bob Lippincott

The thought of starting a race in a fifty or more boat fleet is frightening. Here are some ideas that may help you overcome this fear.

To begin with, unless there are local conditions to the contrary, there should be no favored place on the line to start if the committee has done its job correctly. A committee has done its job well if you can't be sure which end of the line is favored.

In spite of the above statement, at the ten minute warning you must start making your decision as to where on the line you wish to be when the gun goes off. I cannot stress too strongly the importance of being up on the line and moving as fast as possible. Find the favored tack by luffing your boat on the line, by checking the flag on the committee boat, by observing your own wind indicator or by any other means at your disposal. If the starboard tack is favored you must start near the starboard end of the line. The reverse is true if the port tack is favored.

The thoughts discussed up to now would apply to any race large or small. Now we start to think more along the lines of a big fleet race. A jam up at the starboard end, which is usually the committee boat end, can, be fatal as you know, and should be avoided. Coffin corner, or the leeward end, is even more risky. If neither end is favored look for the most thinly populated area. Try not to get next to a person who you know to be a good

starter because you will probably have to fight to keep him from affecting you or your wind, while the fleet sails away. I like to find a hole in a line of boats and hug up to the weather side of the hole so as to have as much room to leeward as possible. This maneuver allows me to wrap full and pick up speed without affecting someone to leeward who would have rights. Sometimes you can make such a hole by luffing slowly along and slightly to windward. It creates a kind of shadow into which sailors are reluctant to venture.

Be careful of sailors with a chip on their shoulders. Do not stand for bluffing but do not look around to see who you can disqualify. You may be luffing your way out of the race because while you are doing this the fleet will seem rudely disinterested and will not wait to see the outcome. I prefer to be selfish and concentrate on boat speed and getting out in front. Remember to stay clear of other boats when jockeying around before a race so that you do not tempt some one to call for rights. I might say here that in all of my experience in starting races there have been only three or four times that any sailor really had enough time or poor judgement to call for his rights before three minutes before the start except in the case of pure accident.

I make it a rule never to get more than half the length of the starting line away from the line after the ten minute gun and generally speaking unless there is a definite wind shift you should have your mind made up at the time of the five minute gun as to approximately where you want to start.

If you are caught in coffin corner quickly evaluate your chance of clearing the buoy or stake boat and anchor line. If you are not absolutely convinced about clearing, get out of there quickly before it is too late. You will probably have to jibe and hope for an opening, otherwise, port tack behind the fleet. Your decision, when on the other end of the line, must also be definite and planned because of the large number of boats that may be forced by any one asserting their luffing rights to leeward. I have seen the blame passed to weather ten or more boats. The problem is even more acute when the committee boat is long and the seas rough.

If you know you are on the line or are a little worried about being over the line you have made a good start, unless you are called back. Do not barge in a large fleet as the advantages do not warrant the risk. You will be disqualified under the eyes of the committee or, at best, forced over the line early. From this position there is very little chance of recovering as there will undoubtedly be a large number of late starters with which to contend. Remember you are not guilty of barging until you affect some other boat so you may get some help from the before mentioned hole to leeward.

Here is one final thought that comes to mind. The larger the fleet the more you should concentrate on having air in your sails or readily available at all times after the five minute gun, with this thought becoming more vital as we approach the time of the gun.

RAGGING THE RULES

Or: Playing With Fire In Using The Book To Your Own Advantage.

By Ole Man Lightning Karl Smither

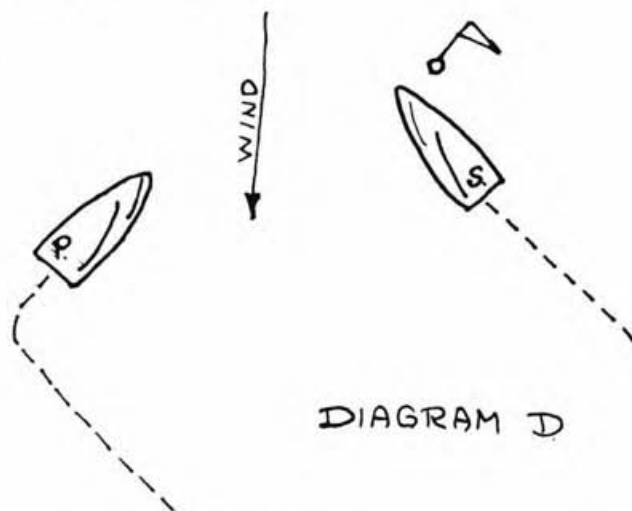

In presenting this analysis, let it be clearly understood that I do not recommend all these stratagems to an unlimited degree. It is possible to be a crack racer and still not be a gentleman.

LUFFING. A savage luff is completely legal. Seldom will a competitor in a one-design race permit another to sail through him close to windward. Some skippers do not use care to keep to windward quite far enough. This provides opportunity for a practice common in Olympic and Pan-American racing, we are told: working gently to windward until fairly close abeam to a windward competitor, and then when about bow to bow, still well ahead of the windward helmsman gaining mast line, a quick push on the tiller tags the unwary windward yacht out of the race. The windward yacht can sometimes be lulled into a sense of security by the leeward yacht making only gradual or slight course changes until the trap is ready to be sprung. In some areas this is considered quite sporting. BUT, if you are the windward yacht, be alert and ready to hail "Mast line!" the moment this change occurs, and it can occur mighty quickly as the leeward yacht luffs.

HOLDING COURSE. It is very important to distinguish between luffing and holding a straight collision course. During the North American Championships at San Diego an interesting situation developed at the start. W and M were loafing along the starting line. (Diagram A) L sailing faster, overtook both windward boats and having attained mast abeam on M proceeded to luff slowly. M responded, resulting in gentle contact on W's quarter. (Diagram B) While no protests were entered, an alert race committee hailed all three skippers before it, and disqualified L for altering course without luffing rights on W. In this spot it's most vital that W maintain sufficient speed to prevent L and M from gaining mastline on W. Gretel used this same rule power back of the starting line to drive Weatherly actually away from the starting line at Newport. Weatherly finally jibed to get out of the hole Gretel had her in. BUT, had L and M been sailing converging courses as in diagram C, it would be a matter of life and death for W to luff sufficiently to keep clear, whether or not L and/or M had acquired mast line luffing rights.

Send In
Your Fleet
& District
Report Early!

WEATHER MARK TO STARBOARD is a special case that occurs occasionally when geographical restrictions force a race committee to lay out a course with marks to starboard in order to get a beat. Especially in sizeable fleets, Diagram D often develops as two yachts approximately even to windward are due to round the mark together. P, by overstanding the mark about half a boat-length and then heading off wind slightly for the mark, can force right of way S to cross her before tacking, because if S tacked right at the mark, she would foul P by tacking too close, since P could strike her before the tack was completed. By being forced to cross P before tacking, S would have to permit P to go through her on the inside at the mark. Then P with her additional speed could probably keep ahead of S, especially if the next leg were a reach or a run with a hot spinnaker crew aboard P. BUT It is more dangerous to hit S than to alter course at the last moment, because questions of fact must be settled to the satisfaction of the Protest Committee.

ROUNDINGS RIGHTS. At the leeward mark is where the inside boat should take advantage of the rules to the hilt. Chapters on how to make a good rounding have been written, so discussion of the importance of rounding so as to be able to gain most to weather and hold full way, could be redundant... But there still is a tendency for some skippers to let themselves be crowded and bluffed by the outside boat into less than a perfect rounding. Recent appeals decision #83 reaffirms the inviolability of the inside boat, even while in the act of jibing. So, sail your own boat race regardless of shouts and screams from the boat you are forcing to sail a longer course. Even in a confused sea which we know features breezy roundings in a big fleet, the outsider is obligated to anticipate and allow room for your being tossed about. Protest him but quick if he does not.

In conclusion, do keep a clear eye on the facts in action so that the protest committee does not surprise you with what you consider is the wrong disqualification. Square sailing is more fun than sea-lawyering, and you are less likely to get burned.

"SAILING TO LEEWARD"

By Tom Allen

Under normal conditions sailing to leeward is not too difficult but becomes more so when the conditions permit planing and or surfing. When rounding the weather mark (or preferably before) one should decide which is the fastest way to the next mark, paying particular attention to wind direction, number of boats ahead (particularly where the slow ones are), different wave size, wind direction and velocity. These last three may sometimes be told by going around the course before the race or by noting land or open water to windward. Probably the most important are the slow boats for you can't sail by close to leeward and if you try close to windward they are the ones which usually like to take you to the moon. I feel this is not a good maneuver for them for they would place better if they would get around the course as quick as possible and not take the time to slow someone else down who will probably beat them anyway. With this in mind try to keep far enough away where they can't bother you.

Quite often there will be a parade with the boats going high for the first two-thirds or so of the leg. In this case the chances are best to take your licking at the weather mark and go to leeward. When you do this the chances are that you can sail most of the leg unmolested. Now that you are alone your main concern is boat speed. To

achieve this first get the spinnaker flying quick, ease the outhaul, downhaul and tighten the vang so the main begins to look more like a spinnaker. At the same time keep the boat almost flat and pull the board up so the helm is negligible. Now move the crew continually so that the helm is o.k. and so that the transom is not dragging in the water. This weight will have to be changed often due to changes in wind velocity and or waves. Continually keep letting the spinnaker sheet out until the weather shoulder is about ready to fold. If it does, give it a very sharp short jerk. Ease the main out till it starts to luff and then pull in a bit.

Sometimes on a close spinnaker reach the main should be in even more to avoid some spinnaker backwind. If you can't hold the boat down keep the spinnaker full and let the main luff. When the wind is puffy go slightly low of the mark in the puffs and high in the lulls. This keeps you in the puffs longer and gets you to the next one sooner. Waves are a tough thing to cope with, but usually it is best to go dead down at first and then when you have more speed head higher to stay on the wave as long as possible. When you come off a wave move forward or the transom will dig in. Also when altering direction or speed don't forget to change the set of the sails accordingly.

THE SECOND LIGHTNING CLASS WORLD'S CHAMPIONSHIP

Chorrillos, Peru, November 29-December 9, 1963

By Jose Barreda-Moller, President
Peruvian Lightning Class Association

When Jay Limbaugh wrote to me early this year asking whether we in South America would be in a position to play host for the Second World's Championship, sometime in 1963, it looked like he had just timed perfectly the moment to make his inquiry. By the end of that month of January we were holding here in Peru in the waters of Ancon, home of fleet 265, the VIII South American Championship to be attended by representatives of seven countries. It was the second time that such a Regatta would be held in Peru and we meant to make it the most successful of them all. And so it was.

All the delegates, skippers and crew members participating were unanimously in favor that a South American Country should be in charge of organizing the next World's Championship and it was also unanimously approved that it should be Peru the country to play host. We sent the invitation to the LCA and the Executive Committee accepted it in May, 1962.

The four Peruvian Lightning fleets have been trying to take home the organization of the Championship and after carefully considering the pros and the cons it was finally decided that the Championship would be held in Chorrillos, a suburb of Lima where Club de Regatas Lima has the necessary facilities. Chorrillos is eight miles from downtown Lima and there is good and rapid transporta-

tion for those who will stay in the city. The Club has accommodation for eighty men in its dormitories and four large shower and locker rooms, used for over one thousand people on summer holidays. Every participant will be provided with a locker and will have access to all the club facilities during their stay.

All single men will be accommodated at the Club and married couples will stay in a good hotel in Lima. Free breakfast and lunch will be provided to all participants with our compliments. We will also provide for boats transportation from the United States to Callao and back.

The date has been set for the first week of December as this is the best time of the year for sailing and for tourism. It is late spring, there will be nice winds of eight to fifteen miles and the temperature will be from sixty-five to seventy-five degrees during the day, going down to sixty to sixty-five in the evenings. It never rains here and there has never been a storm.

We understand that practically everybody will come to sail and will do his best to win, but we also know that everybody enjoys good entertainment. So an entertainment committee has been appointed and they are already working on a good program. We may not have bull fighting this time of the year but there will be theatre, native dances and folklore music and visits to the old

Inca ruins. There will be at least two big parties at the Club de Regatas Lima and the families of the Peruvian Lightning fans will entertain all our visitors at small parties in their homes. Those who are interested in the cultural aspects of our country and of Spanish civilization in South America will also have many opportunities to learn a little, visiting museums, attending lectures at the University of San Marcos, the oldest of the Americas and in many other ways.

Lima is a city of two millions, with all the modern comforts and attractions that may be found in any of the big cities of the United States and at the same time it preserves much of the old Spanish tradition that makes it the most attractive city in South America for foreign visitors. Cuzco, the center of the Inca Empire, is two hours flight from Lima and special trips to that city and

to the ruins of Macchu Picchu will be organized for those who care to go.

We have already received assurance that the eight South American countries affiliated to the South American Association will attend, filling the entire quota of fifteen boats for this Major Zone. Canada is also sending two crews and it looks that all those who qualified in Buffalo last August to represent the United States, fifteen in total, plus the defending Champion Tom Allen, will do their best to come. I also understand that there is a long waiting list of those who did not qualify and want to fill in any vacancy. From Europe we have not heard yet.

Right now we are ready to receive all comers and feel sure that it will be a good Regatta and every body will enjoy the visit. We will do our best for it.

SO YOU THINK YOU HAVE TROUBLES or THE RAMBLING THOUGHTS OF A RC CHAIRMAN

1:55 PM Blam!!!

There goes the five. Gun just a little early again. Time to run the checklist. First mark—in place, stake boat—on station, ditto second mark. Distance mark on starting line—seems to be holding. Line boat—looks like their anchor is holding

now. Where's that card, last chance to check the line. Ah! The wind is in the port phase now—line looks about 80 degrees right now. Hope the wind swings back as planned, squaring up the line. We may fool some of these Lightning skippers this time and get them on the line instead of barging. Weather? OK.

Timer: "Four minutes to go!"

Race committee positions? Gunner? Reloaded, safety on. Signals? Blue up, red signal ready. Anchor holding? OK. Recall signal bent on? Good. Scorers ready? As usual. Smile you fool, don't let everyone see you're as nervous as they are. Charlie has the walkie-talkie working again. That VIP at the horn button? Good. SMILE.

Timer: "Three minutes to go!"

Chairman: "Mr. Gunner, that five was very good. Now remember, try to drown out the word gun? OK? Good."

Smile you idiot, SMILE.

Chairman: "Everyone all set? Good. Now if we can have complete quiet for the next few minutes? Thanks."

Timer: "Two minutes thirty seconds to go."

OK. You have thirty seconds to relax and light up. Hold it! You already have one lit. Relax Boy, Relax.

Timer: "Two minutes to go."

He's a good timer. Doesn't see much of the start, but knows we depend on him. Well where are they? Where's that green boat that cruises above the line?

Chairman: "Mr. Bowman. Please keep your eye on that green boat up there. Write down the sail number of the boat to leeward of him when he ducks back in, if it looks close. OK?"

Where's the boat with the big sail numbers? He generally figures the line pretty close. There he is on port, coming back this way below the line. —Hey! The other end is pretty empty, did I miss? Thought I had it favored enough. Every-

one seems to be coming to this end??? What happened??

Timer: "One minute, thirty seconds to go."

Whew, they're starting to turn. Let's see, one minute line, that first boat about twenty seconds away,—that's better. HERE THEY COME!!! Everyone on starboard!! Still lots of room!! Listen to the racket the sails make as they luff!! Did the wind swing? Too late to check now.

Timer: "One minute to go!!!"

OK. This is it.

Chairman: "Mr. Gunner?" "All set!"

"Signals?" "All set!"

"Radio?" "All set!"

"Horn?" "All set!"

"Scorers?" "All set!"

"Bow man?" "All set!"

Timer: "Forty-five seconds to go!"

Good! Good! We fooled them again. Half the fleet on the line. Won't be many bargers.

Timer: "Stand by to Drop!!—DROP!!!"

Gunner: "Safety off."

Timer: "Twenty seconds and counting."

Looks good—Looks good.

Timer: "Ten seconds."

Line still clear—there goes that green boat below the line. Look clear of that blue boat.

Timer: "Eight—Seven."

Still clear.—Oh! Oh! Watch that red boat, he's being luffed!!—OK, he sees him.

Timer: "Five—Four—Three—."

Still clear.

Timer: "Two—one."

2:00 PM. "BLAM!!!"

Chairman: "All clear???? Good."

Signal up? Good!! There they go!! Good luck you guys, wish I were with you instead of here. Anyone behind us? Boy! This guy's twenty seconds late.—All over now? OK.

Chairman: "Good show, troops. Thanks. Now we do it again. Millie, is this the orange fleet coming up? OK, Thanks."

Timer: "Four minutes to go."

Check the weather mark. Wind still holding. Looks like a good beat. There goes the first group over onto port. Well back to work! Let's run the checklist. Let's see—

THE CARE AND REPAIR OF AN OLDER LIGHTNING

By Bill Hughes, #8546

The following article is not meant to be the last word or possibly the best way to do some work on your Lightning, but is meant to be a suggestion of how you might fix it. All of the following have been tried and have been successful.

Problems of finding a leak in a boat sometimes seem perplexing and I have used this method to find the really tough ones.

Pull the craft out of the water and allow, with some help, the boat to get completely dry. Then take a box of dry detergent and very lightly sprinkle it over the entire area suspected of leaking. Drop the boat into the water rather slowly and the movement of the detergent will indicate the source of the leaks. Don't worry about the rest of the detergent—it just cleans your bilges.

After a season of sailing, many small and large gouges often show up on the hull. For the small ones, a little cleaning and roughing up with a knife and then filling with a good surfacing filler, such as Woodtex or Duratite, will do the job well and fast.

The larger gouges can be filled with the type the automobile body repairman uses. This for the most part is made up from two components. I have used Marine Tex and it has done many fine repair jobs. If you have a handy body shop nearby, you might take your boat to it and let them apply the filler similar to the above.

When the topsides or transom have been actually stove in, this is a little more serious job. The use of the proper tools make this job more or less an easy one.

The frames should first be checked for any damage and replaced. Then establish the size of the plank to be replaced. Try to span at least three frames so it is possible to maintain the curvature of the hull. Use an easy workable kind of wood, such as cedar or Philippine mahogany.

By drilling small holes you establish where the frames

are located from the outside, then draw the exact size of the repair from the center of one frame to the other. Remove any fastenings in this area and cut to the desired size with a router or small circular saw set to the depth of the planking. Cut the replacement plank to the desired shape and replace with two part glue and screws.

The router can be used to repair the crack, check an area which is not broken all the way through. This is done by routing about halfway through the plank, and in this cavity, replace with wood about 1/16 heavier than the void. Use a two part resorsinol glue or HB Fuller resiweld #4 epoxy glue. If it is possible to clamp this area, place a wax paper over the glued surface and screw or bolt a larger piece of wood through the hull to use as a backing plate. Later plug and fill the holes left by the screws or bolts.

Splits in the bottom planking can be best fixed by running a saw blade partly through the plank, giving you a uniform size cut and then glue and force in a thin piece of the type of wood used in planking the boat.

Sometimes painting the inside of the center board trunk is a problem. Try using a small wire and bristle brush as a roller or make a small paddle about 1/4" thick and glue a little mohair on the face of the paddle—use this as you would a roller.

When the inside or deck of the older boat gets varnish or paint tired, try spraying the inside and deck with a spackel paint, the type used on many plastic or fibreglass boats. Be sure to cover well the bright work you wish to keep for varnish trim. Really gives the old tired boat a shot in the transom.

Many of the repairs to your Lightning really are easy if you just start—one way to start is to call a friend and work on it together. This way you get two brains, one drinking partner, and two sets of tools.

HOW TO TAPE OFF A WATERLINE ON YOUR BOAT

By Mike Eagan, Buffalo Canoe Club

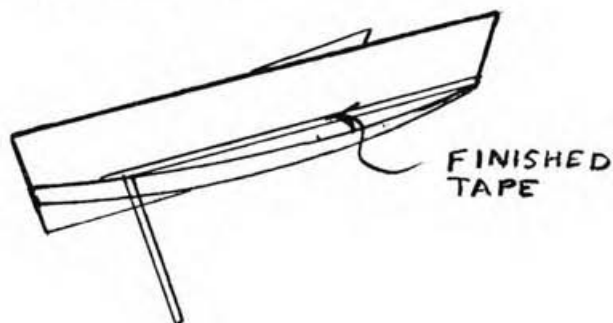

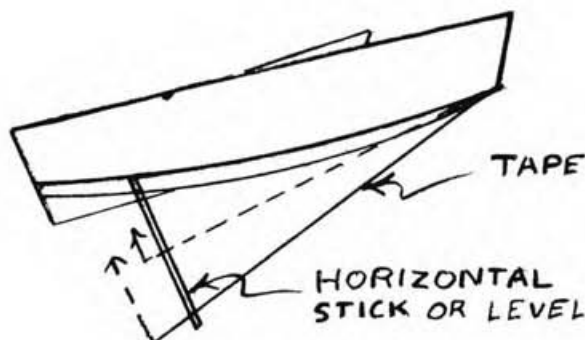

Here is a simple yet sure method to put a perfect waterline on your boat in just a few minutes. Just a roll of tape and a level or a straight stick about two feet long will do the trick.

Stick one end of the tape at the intersection of stem and keel. Draw out about 17 ft. of tape. Hold the stick or level horizontally, and perpendicular to the vertical

centerplane of boat at chine, about 32 inches from the transom. Now pull the tape tight so that it only touches the boat at the stem and run it along the stick so that it wraps around the side.

That's all there is to it. Now do the same to the other side.

See diagram below.

TAWAS, MICHIGAN

1963 North American Championship

"One of the mooring slips at Tawas where you park your car right in front of your boat"

By Charlie Schreck

Tawas, Michigan—Recognized by midwestern skippers as the finest water in the midwest, Tawas Bay at Tawas City-East Tawas, Michigan, is rapidly coming to the forefront and receiving national recognition.

For the second time in three years, Tawas Bay Yacht Club and Tawas Lightning Fleet 152 will play host to a major Lightning Class regatta next summer. They held the last International Regatta in 1960.

The choice of Tawas Bay was made by the committee on the basis of the fine record made when the 1960 International regatta was held at Tawas. Considering facilities for skippers and their craft, the manner in which the entire regatta was run off, and the hospitality and facilities of the community.

The twin cities of East Tawas and Tawas City (population slightly more than 5,000) are located on the natural sailing waters of Tawas Bay. Protected by Tawas Point, which reaches out into Lake Huron, it is possible to lay out almost any type of sailing course. The Bay provides protection such that seldom does a race have to be postponed because of heavy weather and likewise, there is seldom a day during the sailing season that there is not enough wind for a good race.

Tawas Bay Yacht Club is located in a protected sector

of Tawas Bay. It provides fine launching facilities, slips and dockage for as many as 90 craft, and complete club house facilities. During the 1960 International the club served breakfasts and lunches and even a dinner or two during the event.

The Tawas are considered one of Michigan's finest resort areas. Adequate cottages, cabins, motel, hotel and restaurant facilities are available to handle any number of visitors. Not a single complaint was registered to the housing committee during the 1960 event.

The officers and members of the Tawas Bay Yacht Club and the officers and members of Tawas Lightning Fleet 152 are proud of their reputation for hospitality. They look forward with great anticipation to a successful North American Lightning Regatta on Tawas Bay in 1963.

Tawas is easily reached over the expanding system of highways both in the state and from all directions out of the state. For those coming from the Northwest, the trip into Michigan over U.S. 2 and over the Big Mac bridge is an experience to be remembered. U.S. 23 from Mackinac City brings you right into Tawas.

Coming from the East, the South or the West, many super-highways bring you into Michigan, where you will eventually take either 175 or U.S. 23, which join near Flint and continue on as U.S. 23 to bring you to Tawas.

THE IX SOUTH AMERICAN CHAMPIONSHIP

Buenos Aires, February 7-17, 1963

By Jose Barreda Moller

Club Nautico Olivos was again the site of a South American Lightning Class Championship when twelve crews from six countries tried to get their names engraved on the Permanent Trophy that has now been disputed nine times in nine years, without interruption.

The first South American Championship was held in the waters of this club in February 1955 and was won by Alberto Migone. This year of 1963 was again good for Alberto who not only won the series but won all five races in different sorts of winds, showing great superiority over his competitors. Second place went to Pedro Sisti, also from Argentina, and third place to Jose Barreda Moller, the defending Champion of 1962, from Peru.

Winds from 5 miles, in the first race, to 20 miles, with gusts of 30 miles, in the third race gave a chance to all skippers and crews to show their abilities under different conditions. Except for the winner, positions in the Cham-

pionships were subject to change up to the last race, when Pedro Sisti from Argentina, Jose Barreda Moller, from Peru, Isidoro Melero from Chile and Mateo Frugoni from Uruguay were fighting for second place.

Most crews used their own boats and the others were given excellent boats made in Argentina and in this way the competition was pretty even. Everybody had to use his own sails under the regulations of the Championship.

The Argentinians were excellent hosts and fine entertainment was offered to all participants, sometimes in the clubhouse and other times in the homes of some of the "portenos".

The South American Confederation of the Lightning Class met three times between races and several important decisions were taken, some of them concerning the II World's Championship to be held in Chorrillos, near Lima, Peru, next December.

Readying for action—Deep South Regatta, 1963

BOB SEIDELMANN WINS DEEP SOUTH REGATTA AGAIN

By Jim McIntosh

The Seventh Annual Deep South Regatta had a new record number of entries and was very successful in most ways. Fifty beautiful Lightnings started and there was always a good breeze, although not as much windward work as some might have wanted. The yacht "The Flying Lady" served as a fine headquarters and a luxurious excursion boat from which many visiting spectators followed the races.

Bob Seidelmann scored his second straight victory, with Carl Eichenlaub second and Stu Anderson third.

Action started Saturday with the first practice race. The weather was not too promising with heavy overcast and possible rain predicted late in the afternoon and temperature none too balmy. Thirty-five entries braved the elements and found it wasn't too bad as a steady northeast breeze made for fast going. The second practice race Sunday morning was a little frosty, but the threatened rain held off and by the time the real thing got under way Sunday afternoon, things were looking up.

Carl Eichenlaub, a two time Deep South winner, showed he hadn't forgotten the way around by finally passing Alan Raffee, and staying comfortably ahead while Fallon, Raf-

fee, Anderson and Kilpatrick fought it out for second. Bob Seidelmann gave an indication of things to come by getting hooked up to come from well back to grab fourth. Charley Kilpatrick eased into second over Tom Fallon.

Sunday night the Annual Deep South oyster roast took place with traditional entertainment by the Simmons Gospel Singers, back by popular request.

Monday the weather warmed up and the sun broke through for the first time and produced some real deep south weather.

Bob Seidelmann came into his own in the second race held Monday morning. He worked out ahead and to windward, took the lead on the first leg, never to be headed. Anderson, Goldsmith, Fallon and Smither worked out from the pack to stay within striking distance. The wind hauled East eliminating any real windward work and positions at the head of the parade stayed constant except for Eichenlaub who managed to pass 10 or 12 boats reaching and running to get an amazing 5th and stay in the ball game along with Fallon and Anderson.

The third and last race was pretty much a repeat of the second with Seidelmann working ahead on the first

Action at Savannah, 1963

leg and leading most of the way with Stu Anderson pushing him. Eichenlaub also broke clear in this race and took a fine third to lock up second with Stu Anderson taking third on a fine closing performance Monday. Tom Fallon and Bruce Goldsmith sailed consistently to round

out the sterling set. Marbury Fox was up near the front all the way and just missed the winners' circle.

Everything went smoothly as the fleet pulled out, packed up, attended the presentation, and got ready to take off for St. Pete.

YOUTH IS SERVED—VETERANS SURVIVE

Seidelmann Repeats In Sensational Mid-Winter Championship Regatta

By Tom Fallon

In what was very probably the most exciting St. Petersburg Regatta in history, Bob Seidelmann in a new boat Farouk #8513 very capably assisted by the veterans Charlie Dore and Wilson Kipp successfully defended his Mid-Winter Championship in a hot 62 boat fleet.

This year the Regatta was unusual for many reasons. The writer has always believed that the Mid-Winter Championship was a heyday for the older sailors because many of the hot young skippers and crews are often absent. This was not true this year. Of the top 15 finishers in the North American in Buffalo only Barney Mead and Steve Bachman were absent. Tom Allen, George Fisher, Chuck Maltbie, and Bob Tunnell crewed, however, instead of skippering their own boats.

It was truly a blue ribbon fleet. Throughout the series 6 boats stood out, namely, Seidelmann, Eichenlaub, Goldsmith, Marcy Lippincott, Marbury Fox, and Stu Anderson. But, both Fox and Anderson were disqualified in the first race for premature starts which threw them out of the series.

In most years the Mid-Winter Championship can be won with a low score of 25 to 30 points. This year Bruce Goldsmith could only finish third with 24 1/4 points with Marcy Lippincott in fourth place with 30 points. Seidelmann won the Regatta with an amazing average of second. California's sailing ambassador, Carl Eichenlaub, was remarkably consistent with 4—5—5—5—5 finishes. This earned him second position over Bruce Goldsmith by one quarter point.

Who ever heard of a skipper winning three of five races—in a 62 boat fleet—(his other two finishes were 15th and 7th) ending up third? Well, that's what happened to Goldsmith. Suppose Stu Anderson in his new Glockenspiel II, Number 8503, had not been disqualified in the first race? He actually won this race after trailing Seidelmann at the first mark. His other four finishes were 2—3—3—2. How would this have effected the strategy in the later races?

All in all it was a tremendous Regatta dominated by magnificent sailors. The wind for all races was excellent—10—18 out of the

Northeast for the first four races—and 20—28 from the South for the finale.

Let's, however, dispense temporarily with the summations—and start at the beginning. The 62 boat fleet started to assemble on Monday, February 18th, and were joined on Tuesday, the 19th, by about 40 boats who had raced in the Deep South Regatta at Savannah. The fleet included Past Mid-Winter Champions Swindemann, Krauss, Fallon, Nickels, and Seidelmann. Harry Sindle, 1955 winner crewed for Bob Crane. As another indication that the Mid-Winter Championship is THE Lightning Regatta, eight current or Past LCA Presidents skippered boats, namely Orelup, Smither, Swindemann, Krauss, Crittenden, Fallon, McIntosh, and O'Meara. Everyone was especially happy that Jack Orelup was able to sail because he hasn't been too well in recent years.

The St. Petersburg Regatta has always been a Lightning Boat Show but this year was better than ever. Wednesday, February 20th, was a beautiful day with hundreds of happy Lightning sailors tinkering with their boats—new and old. Thursday, the 21st, was another warm sunny day. Three short practice races were held Thursday afternoon in ideal conditions.

First Race:—

A strong cold front passed through Thursday night dropping the temperature down into the 40's. The wind was Northeast 16 to 18. The starting line was good but decidedly on the short side because the Race Committee wanted to be sure that they could police the line. A slight tidal current tended to push the boats over the line. After one false start, the fleet was off. There was a tremendous jamb at the leeward end. At the first mark Seidelmann led Anderson by two or three boat lengths with McIntosh, Eichenlaub and Marcy Lippincott in close pursuit. Anderson passed Seidelmann on the second weather leg with Marcy Lippincott just behind. John McIntosh in his new Chippendale Lightning Moose #8475. John's new boat was built by Jack Helms of Columbia, South Carolina. Jack is the world's biggest Y-Flyer builder, but this was his first attempt at Lightnings. It is believed that the initial performance of the Moose in its first competition augurs well for future Lightning activity in the Southeast. The Class has long needed a good local builder in this area.

The order of finish was:—

1. Anderson
2. Seidelmann
3. McIntosh
4. Marcy Lippincott
5. Eichenlaub
6. Fox
7. Crane
8. Derrickson
9. Fallon
10. Kilpatrick
11. Limbaugh
12. Van Arsdale

Hang on Herm

However, as previously indicated, Anderson and Fox were thrown out for premature starts, so everyone moved up accordingly.

Second Race:—

The wind was out of the same direction—Northeast—but had decreased to approximately 10 with some lulls below this and some puffs up to possibly 12. The sea was quite sloppy. As the race progressed, the wind backed slightly to the North. This race began the most remarkable streak this writer, who has participated in the last ten St. Pete Regattas, has ever seen in the Mid-Winter Championship. Bruce Goldsmith not only won this race handily but then went on to win the next two races. No one—at least in the last eleven years—has ever won three races in the same Mid-Winter Championship series. Bruce, although relatively new to Lightnings, is a very competent and experienced sailor having previously won the Thistle North American Championship.

The shift to the North after the first round eliminated the use of the spinnaker on the first leeward leg marking the second leeward leg almost a dead run. The following was the order of finish in this race:—

1. Goldsmith
2. Anderson
3. Seidelmann
4. Carson
5. Eichenlaub
6. Fox
7. W. Ross
8. Van Arsdale
9. M. Lippincott
10. Crane

After two races the leaders—using the low-point scoring system for easy reading—were as follows:—

Seidelmann	3 1/4	Van Arsdale	18
Eichenlaub	9	Carson	22
M. Lippincott	12	McIntosh	22
Crane	15	Bob Lippincott	26
Goldsmith	15 1/4	Fallon	26

Everybody except Seidelmann was already hoping for a drifter or some other type scramble that would put Seidelmann in the tank. Barring a real catastrophe Seidelmann looked almost unbeatable at this early stage.

Third Race:—

Saturday morning was almost the same as Friday with a shifty Northeast wind approximately 15 at the start. Midway through the race the wind increased to about 20 and went down to about 15 at the end of the race. There were no false starts and the starting line was fair at both ends. Goldsmith led all the way to win easily, followed by:—

2. Marcy Lippincott
3. Anderson
4. Seidelmann
5. Eichenlaub
6. Bob Lippincott
7. Fox
8. Carson
9. Crane
10. Mullin

The race was sailed in good time and it warmed up nicely between races.

Fourth Race:—

This developed into the lightest air race of the series with the wind still Northeast but backing into the North.

The starting line was fair and the fleet was off after two general recalls.

At the beginning of the first weather leg, it appeared that the right-hand side was favored but appearances are often misleading. Those that went off to the right got clobbered and those that went off to the left got a sensational lift to the mark. This race was somewhat baffling to many skippers. The wind obviously varied considerably in intensity and direction. Some skippers played the shifts up the middle rather than choose sides. To their dismay, sometime they were beaten by those that went off on long tacks on both sides.

The order of finish in this race was:—

- | | |
|---------------|-----------------|
| 1. Goldsmith | 6. W. Ross |
| 2. Seidelmann | 7. Snider |
| 3. Anderson | 8. Oscar Nelson |
| 4. Fox | 9. Smither |
| 5. Eichenlaub | 10. Carson |

After four races the score stood as follows:—

Seidelmann	9 3/4
Goldsmith	17 1/4
Eichenlaub	19
M. Lippincott	27
Carson	40
B. Lippincott	47
W. Ross	48
McIntosh	49
Crane	63
Van Arsdale	68

So far the racing had been terrific dominated by a few outstanding boats whose performance is obvious from the above scores. However, to add a "for instance", Anderson and Fox who

were thrown out of the first race after it was all over were among the leaders at all times. Had these two fellows not been thrown out, their low scores respectively would have been 8 1/4 and 23.

However, be all that as it may, despite Seidelmann's superb performance so far, he could not become complacent facing the last race. Here was Goldsmith hot as a firecracker only about eight points behind and here is Eichenlaub, who after seven official races in the Southern Circuit, had never finished worse than fifth. Hardly anyone at St. Pete could recall a series where at least one of the races hadn't been a scramble with calms, major wind shifts, and somewhat flukey conditions. Seidelmann was praying for a strong steady wind for the last crucial race with the rest of the fleet praying for a scramble. Many of the sailors could recall numerous Sunday drifting matches at St. Pete, especially the last two years.

Fifth Race:—

The air mass completely changed and Sunday morning was much warmer with very strong winds and a lumpy sea out of the South. Approximately 20 of the 62 boat fleet did not even leave the harbor.

At the startling line the wind was a steady 20 with gusts to 25. The flooding tide appeared to favor a long inshore port tack right after the start.

Nevertheless, Seidelmann made a conservative clear-air start near the middle of the line on the starboard tack. He clobbered everything in sight and was able to stay with Goldsmith, Eichenlaub, and Marcy Lippincott without tacking. When he reached the layline he went to the port tack and rounded the weather mark first ahead of Bob Lippincott, Marcy Lippincott, Marbury Fox, and Carl Eichenlaub. Anderson was about 12th at the first weather mark. Stu's crew, Jerry Blake and Tom Allen, immediately broke out the spinnaker, successfully jibed it at the second mark, and by the end of the first round had passed the entire fleet except Seidelmann. At the second weather mark—Seidelmann was still ahead with Anderson second, Marcy Lippincott third, Carl Eichenlaub fourth, Marbury Fox fifth, Bob Lippincott sixth, and Bruce Goldsmith seventh.

3rd Race, St. Pete

On the next two leeward legs the wind was really screaming and no one flew spinnakers.

Seidelmann easily maintained his lead to the finish to convincingly complete a 1000% average in every Mid-Winter Championship he has ever entered. The first ten in this rugged race were as follows:—

- | | |
|------------------|------------------|
| 1. Seidelmann | 6. B. Lippincott |
| 2. Anderson | 7. Goldsmith |
| 3. M. Lippincott | 8. Olsen |
| 4. Fox | 9. Holman |
| 5. Eichenlaub | 10. Crane |

By far the most dramatic, exciting, and yes, awe-inspiring event took place on the finish line of this race. It was so unusual that it will be reported in detail elsewhere in this issue. Read under the caption — DRAMATIC EVENT — FINISH LINE — LAST RACE — MID-WINTER CHAMPIONSHIP.

If anyone ever deserved to win a major Lightning Championship, Bob Seidelmann deserved to win this one. The series he

sailed at St. Pete in 1963 is reminiscent of the magnificent series sailed by John Tieglund in Toledo in 1951 and Tom Allen in Milford in 1961. In this complex series with 62 boats, it was easily possible to make many mistakes. For instance, it was no problem at all to get a poor start. This Seidelmann never did. It was easily possible to get on the wrong side on any of the 15 windward legs. This Seidelmann never did. It was easily possible to tack on a lift. This Seidelmann never did. It was easily possible to tack into a header. This Seidelmann never did.

All in all, Bob made no mistakes, sailed brilliantly, his crew performed admirably, and that's why he won.

The crews of the top five finishers were:—

Seidelmann—Charles Dore and Wilson Kipp

Eichenlaub—Pete Bennett and Al Ziegenfus

Goldsmith—Art Wong and Jim Carroll

M. Lippincott—Arnold Schwartz and John Williams

Bob Lippincott—George Fisher and Walter Flynn

DRAMATIC EVENT FINISH LINE LAST RACE MID-WINTER CHAMPIONSHIP

On February 24, 1963 the most dramatic event in Lightning Class history occurred on the finish line of the last race of the Mid-Winter Championship Regatta. Here's what happened!

With the wind at least 25, Bruce Goldsmith was about 25 yards from the finish line and was laying the line on the starboard tack. He and his crew of Art Wong and Jim Carroll were all hiking vigorously to windward.

Wally Ross with his crew of Ham Ford and Ed Perry were converging on the port tack all hiking in the same manner. At almost the last instant, Wally bore off sharply to pass astern but Geronimo did not answer her helm immediately. The boats continued to converge until they were but a few feet apart. Finally Geronimo fell sharply off wind and passed under Snoopy. Snoopy blanketed Geronimo leaving Geronimo's husky crew stranded far out on what had been the weatherside. Geronimo almost goosewinged, heeled to weather, and capsized throwing all three crewmen into the water.

Ed Perry and Wally Ross came to the surface alongside Geronimo with Ham Ford nowhere to be seen. Ham's verbatim account is as follows:—

"I was down at least 10 feet, seeing stars, thinking I was drowning. My whole life did not flash before me. I didn't even have time to say any prayers. Suddenly I saw something white overhead in the murky water. I grabbed it. It turned out to be the centerboard. By pulling on this desperately—and with no plan at all—the boat righted itself. I finally came to the surface about 10 feet behind the boat which was now upright. I managed to swim to the boat but didn't have the strength to pull myself in. Wally and Ed pulled me in over the transom and we finished the race. We lost four boats."

THE BAD BOYS REGATTA

In a hot 62 boat fleet in fresh to strong winds there are always going to be disqualifications, did not finishes, capsizes, breakdowns, and did not starts. The Mid-Winter Championship this year was certainly no exception.

Despite stern warnings at the Skippers' Meeting by Race Chairman Dewar and Protest Chairman Ted Tolson, in the very first race 7 or 8 boats were disqualified for premature starts. Others dropped out because of rule infractions, rigging failures, protests, etc. For the first time in a major Lightning Regatta, these unfortunates were rewarded with an official scoresheet and appropriate prizes.

The entire program was eloquently explained by Dorothy Allison at the banquet on Sunday night. In fact, Dorothy's presentation was widely acclaimed as one of the most sterling performances of the entire week's program. Her impromptu remarks really brought down the house.

Dorothy explained that eligibility in "The Bad Boys" Regatta could only be earned by a DSQ, DNF, or a DNS. There was no other way to join this exclusive group.

The Bad Boy Championship was presented to Stuart Anderson of Buffalo amid thunderous applause. His crew of Tom Allen and Jerry Blake did not appear with him to receive the trophy. The complete score of the Bad Boy series follows:—

MR. S WINS AT MIAMI, TOO

By Tom Fallon

The last Regatta of the Southern Circuit was sponsored by the Coral Reef Yacht Club of Miami under the management of Lightning Fleet 226. Fleet Captain Jim Vensel was General Chairman. The Chairman of the Race Committee was Ding Schoonmaker of Star Class fame.

The Regatta was splendidly handled and sailed under almost ideal wind conditions. Courses were excellent and the starting lines perfect.

Bob Seidelmann continued his sterling performance, but this time he entered the last race of the series tied with Marcy Lippincott.

Tuesday, February 26th, was a perfect day in Miami, but Tuesday night a strong cold front came through.

First Race:—

The wind was a steady 22 with violent gusts and shifts. The starting line was fair but shortly after the start it became evident that the east or right hand side of the course was favored. Stu Anderson led Bob Seidelmann around the weather mark by a couple of boat lengths, followed by Marcy Lippincott. Spinnakers were set on the second leg with positions holding about the same. On the third leg the boats could not carry spinnakers on the full leg and Seidelmann went through Anderson to leeward. He opened up for the remainder of the race to win easily.

Positions remained generally unchanged until the last weather leg. Anderson played the middle with Marcy Lippincott farther to the right. Bill Van Arsdale took a long port tack and moved from ninth to third on the last weather leg.

The first ten finishers were:—

1. Seidelmann
2. M. Lippincott
3. Van Arsdale
4. Anderson
5. Carson
6. B. Lippincott
7. Wasserberger
8. Goldsmith
9. Mullin
10. McIntosh

Greatest Winter Lightning sailor in history

Miami Trophies

There were some casualties in this race. George Crawford of Miami and Comanche fame capsized before the start. Claude Bennett and Karl Smither also capsized. Howard Foht broke a rudder and Tom Fallon broke a main halyard.

Second Race:—

The wind moderated and straightened out for the afternoon race blowing 15 to 18 still out of the Northeast. Again the right hand side of the course was better. Marcy Lippincott was first around the first mark, closely followed by Fallon, Wasserberger, Eichenlaub, and Seidelmann. On the first spinnaker leg Fallon went into first place, but was passed near the third mark by Wasserberger. Eichenlaub did not fly his spinnaker on the third leg and dropped back.

Seidelmann, Lippincott, and Fallon all converged at the second weather mark together with Seidelmann around first, Lippincott second, Fallon third, Wasserberger fourth, and Bob Lippincott fifth. At the end of two spinnaker legs, Marcy Lippincott was ahead, Seidelmann second, Wasserberger third, and Fallon fourth. All were within three boat lengths.

For the third weather leg there were indications that the middle looked better than the right hand side. Marcy Lippincott, Seidelmann, and Bob Lippincott played the middle, Fallon a little right of the middle, and Wasserberger far to the right. Marcy won the race over Seidelmann by a boat length with Fallon two boat lengths farther back. Bob Lippincott moved to fourth with Wasserberger dropping to fifth.

The others in the first ten were:—

6. Eichenlaub
7. Carson
8. Goldsmith
9. Mullin
10. McIntosh

The author has seen Marcy Lippincott sail many fine races but never a better race than this. It was nip and tuck all the way.

Here was the low score going into the last race:—

Marcy Lippincott	3
Seidelmann	3
Bob Lippincott	10
Wasserberger	12
Carson	12
Van Arsdale	15
Goldsmith	16
Mullin	18
Eichenlaub	19
McIntosh	20

Anderson was over the line in this race and returned after a power boat notified him. He restarted a hopeless last and passed enough boats to finish 25th.

After everything was secure, cocktails were served by the Coral Reef Yacht Club to the enjoyment of all.

Third Race:—

The wind switched around to the prevailing southerly direction and the Fleet beat out the channel. This race turned out to be the only real scramble of the entire Circuit with Seidelmann in the tank at the first mark.

The wind at the start was 8 to 10 and the starting line was perfect. More than half the fleet quickly tacked to port and headed to the right. Seidelmann was leading this group covering Marcy Lippincott.

When the group to the right approached the layline it appeared obvious that the group off to the left were miles ahead. Don Snider in his new Fiberglass boat rounded the mark first followed by Jim Carson and Alex Kaye of Dayton, Ohio in #5511. Seidelmann was about 8th with Marcy Lippincott in the 20's and Wasserberger even farther back.

There were many holes in the wind for the next two leeward legs. Carson worked into first place and opened up all the way around to win easily.

At the third mark there was the biggest jam of the

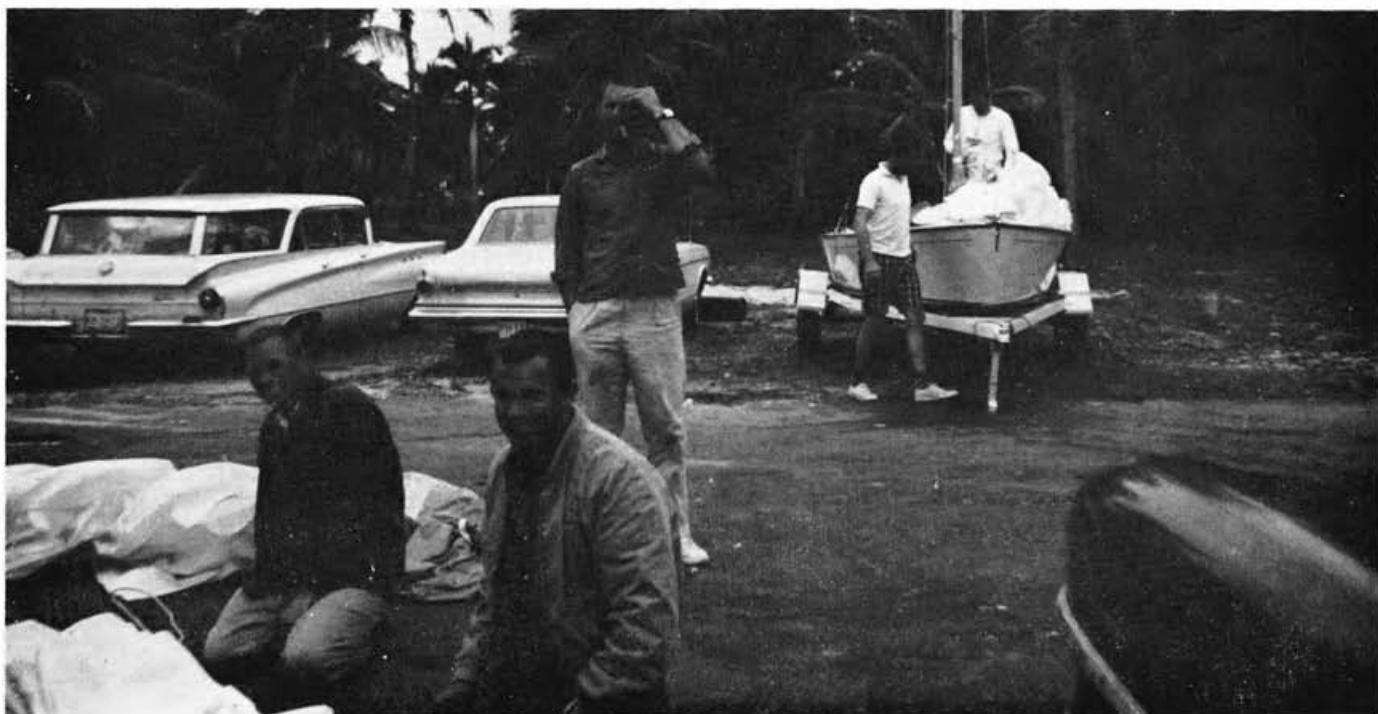

Jim Carson—and his stalwart crew at Miami

entire Circuit with almost 25 boats trying to round simultaneously.

The next two windward legs were baffling to many. It appeared that boats that took long tacks off on either side beat those that tacked on the shifts up the middle. Anyway, Seidelmann worked through the fleet to finish 4th and conclude a truly remarkable sailing performance.

The first ten in this race were:—

- | | |
|---------------|-------------|
| 1. Carson | 6. Olsen |
| 2. Eichenlaub | 7. Baroni |
| 3. Goldsmith | 8. McIntosh |
| 4. Seidelmann | 9. Anderson |
| 5. Mullin | 10. Snider |

Southern circuit runner-up. Pete Bennett, Carl Eichenlaub, and Al Ziegenfus

The fleet sailed in casually with spinnakers cleated—a tired, happy, and contented group.

With four excellent hoists available, the fleet hauled out very quickly enjoying the free Regal beer and the

warm Miami sunshine.

After a splendid buffet luncheon trophies were presented and the Southern Circuit was over.

The complete score of the Miami Regatta follows:—

SOUTHERN CIRCUIT CHAMPIONSHIP

By Tom Fallon

The fifth Annual Southern Circuit Lightning Championship is now history. As expected it was greater and more exciting than ever. Although the temperature was not as warm as hoped for, nevertheless the wind and sailing conditions were well nigh perfect.

In the first Southern Circuit in 1959 12 Lightnings made all three Regattas. This year 27 boats made all three. In addition, 36 boats sailed in both the Savannah and St. Pete Regattas and another 32 competed in St. Pete and Miami. Individually, 50 Lightnings sailed in the Deep South Regatta at Savannah, 62 in the Mid-Winter Championship at St. Pete, and 36 competed in the Miami Mid-Winter Regatta.

Three Lightnings came all the way from San Diego; namely, Carl Eichenlaub, Warren Gross, and Alan Raffee. The Marine Training School at Quantico, Virginia sent two Lightnings skippered by Lt. Commander Paul Bauer and Captain J. A. Huguerin.

The Circuit has come a long ways since its original conception. The real sponsors were Past Presidents Ross Allen and John McIntosh of Savannah. They began the whole idea with their sponsorship of the Deep South Regatta in 1957. Two years later John McIntosh arranged with his own Savannah Yacht & Country Club to conduct their official regatta Sunday and Monday. At the same time John persuaded the Coral Reef Yacht Club of Miami to conduct their regatta on Wednesday and Thursday. Past President Henry Cawthra was the one who conceived of this condensation which permitted the average Lightning sailor to complete the entire program in two weeks away from work.

At first the Circuit could be won by veteran Lightning sailors by consistent performance. For instance, the first Circuit winner in 1959 was Mr. Lightning himself, Karl Smither, who in effect won with a low score of 10. Next Tom Fallon won with a low score of 6. In 1961 Bob Lippincott won with a low score of 14. In 1962 Bob Seidelmann won with a low score of 7.

In 1963 Carl Eichenlaub finished second with a low score of 10, Bruce Goldsmith third with a low score of 12, and Bob Seidelmann—by far the most sensational Winter Lightning Sailor in history won with a perfect score of 3.

Seidelmann's overall performance in the eleven races can only be described with the word "amazing". He accumulated a total score of 556 1/4 which was only 13 meager points less than perfect.

Seidelmann's finishes in order were 4-1-1-3-4-2-1-2-1-4. For Heaven's Sake!!! Almost impossible!

Let's consider the sailing conditions. All races in Savannah were sailed in moderate to fresh shifty Northeast winds. Starting conditions were extremely difficult at Savannah because of the unusual wind direction. All races had to be started in the narrow Skidaway River.

In the five races at St. Pete it was vitally important not only to get a good start but to sail all weather legs on or close to the favored side of the course.

In Miami it was also, of course, necessary to get a good start and also extremely important to sail all the weather legs on or near the favored side. In the last race at Miami, Seidelmann sailed into a real hole covering his closest rival Marcy Lippincott. The writer saw him do this because he was right with him. In this race Seidelmann worked his way back to finish fourth, actually coming from behind for the first and only time in the entire series of eleven races.

Seidelmann really had to be good to win. Here are the respective finishes of his closest rivals:—

Eichenlaub 1-5-3-4-5-5-5-5-13-6-2

Goldsmith 10-3-5-15-1-1-1-7-8-8-3

SOUTHERN CIRCUIT TROPHIES

Here are the trophies available for the first place winners in the Southern Circuit:—

1. Deep South Regatta Perpetual Trophy
2. First-Place Keeper Trophy
3. Wally Bishop Perpetual Trophy Mid-Winter Championship
4. Keeper Trophy for same
5. Lightning Class Past Presidents' Trophy For High Total Points For Savannah and St. Pete Regattas
6. Regal First-Place Perpetual Trophy Miami Regatta
7. Keeper Trophy for same
8. Alex Carlin Trophy For Top Combination St. Pete and Miami Regattas
9. Lightning Class Southern Circuit Championship Perpetual Trophy
10. Keeper Trophy for same

Mr. S won all the above trophies plus three individual first-place trophies for Savannah and Miami. Boy! How about the engraving bill for all this? It really costs money to win big. Bob really keeps it in circulation. This is good for the economy. Twice now he has entertained the Fleet with champagne on Sunday evening at St. Pete.

The complete summary of all total points in the Southern Circuit follows:—

SOUTHERN CIRCUIT CHITCHAT

To all appearances Seidelmann got 11 consecutive free air starts at or near the favored end. Eichenlaub got none—that were visible. If these starting situations had been completely reversed, wonder how the point scores would have turned out? Seidelmann seemed to move very well on all points of sailing at all times. Yet, at times Eichenlaub, Goldsmith, Anderson, Marcy Lippincott and even others seemed to move just as well.

John McIntosh seemed very pleased with his new boat. It's a beauty. It wasn't quite completed at the beginning of the Deep South Regatta but went faster and faster as time went on.

Al Bernel of Buffalo bought Marcy Lippincott's 8489 at the end of the Southern Circuit. It's going to be repainted pale blue and named Foamy II.

Sunday, February 24th, was not the happiest day for our Tennessee friends. Nashville's Cully Cobb and Ross Bryan both capsized. Mary Lou (Mack) Scott, Tom Brizendine's crew wrecked her leg on Saturday so Sunday pretty Bobby Llovet of Nashville courageously volunteered for heavy weather duty. She suffered a severe head gash but, true to the finest traditions of the sea, Whirligig finished the race—a respectable 24th. Only in the first race did Whirligig do better. Does this mean that bashing the crew over the head might improve performance? Seriously, Bobby was in good hands because Dr. Scott of Carbondale, Illinois was the third member of the crew. After the race Bobby was rushed to the hospital where eight of the neatest stitches you have ever seen were applied. It is believed, however, that these eight stitches do not represent a record because Howard Boston had 12 after being wacked by the spinnaker pole in the Miami Regatta two years ago.

The last leeward leg on Sunday at St. Pete was quite a ride. Warren Gross of California entertained Tom Fallon with the most spectacular capsize he has ever seen. Gross was planning along about two boat lengths ahead and appeared to be calmly sitting there with tiller amidships. Fallon observed this whereas he was frantically over-steering from side to side and really had a guilty conscience. Suddenly a big comber got under Blixten's starboard quarter. Lickety-split Blixten jibed and capsized.

This guy Wilson Fly from Memphis is a real character. On the first two starts at St. Pete, he came tearing up to leeward of the stallers at the leeward end screaming like a banshee, "LEEWARD BOAT"!!!! Then he proceeded to tear over the starting line a full ten seconds before the gun. Wilson and Mrs. Fly are dance champions and are masters of all the latest steps.

Two boats this year were decapitated by the high wires at St. Pete, one being that of no less a dignitary than Bob Lippincott himself.

Joe Stueland was observed fishing at one of his favorite spots along the Tamiami Trail on Monday, February 25th.

Three old friends were much missed at St. Pete this year—Bus Mabry went North and Roy and Vi Knapp couldn't come. Roy was recuperating from an operation in a New Jersey hospital but very thoughtfully sent his friends a telegram.

Bill Van Arsdale of Castile, New York was delighted with his new Lightning. After one of the Miami races, someone asked him how he did. He replied: "Not so well today. I beat Fallon again but both Lippincotts beat me."

Howard Mullin used a new suit of Ratsey pasted sails in all the races. He seemed to go very fast with them.

As of this writing Jim Gilbert had a totally uneventful series—no wrecks, no arrests, and no fires.

Dimi and Betty Sue Eichenlaub kept their famous skipper really on the straight and narrow. He doesn't stray much anyway.

Kathy Mullin was conspicuous by her absence. She preferred

to stay home in New Jersey with her new baby sister. She asked her daddy, though, to bring her another bikini from Florida.

Those few fortunates that still have any money left are encouraged to deposit it in The Citizens And Southern National Bank in Savannah. It graciously provided its beautiful yacht Lively Lady as a most deluxe spectator boat for the Deep South Regatta. However, maybe banks make more money on loans than deposits and perhaps many Lightning sailors now are in greater need of the former.

Karl Smither's genial crewman, George McDougall broke all records for oyster consumption at the now famous oyster roost at the Savannah Yacht & Country Club.

Some Lightnings are really built for comfort. You should see the cushions on the seats on Bud Nelson's new Our Glass. She certainly was a beautiful boat. Scuttlebutt is that she was sold to the Pensacola Navy.

Don Snider did well in his new Fiberglas Lightning. Don's only been sailing for two years.

Every Club should try to get a beer sales manager as a member. Free beer was provided after each race at Miami by the Regal Brewing Company. Regal also provided the first place perpetual trophy.

President Marty and John Walton entertained their bachelor friends several times at the Playboy Club in Miami. They even took the Bernels and Fallons there one night. See photos.

It's a small world! Luis Escorihuela of Fleet 73, Bogota, Columbia—and a participant in the 1961 World's Championship Regatta at Milford—turned up at Jason's Restaurant in Miami. He had purchased the 40 foot yawl Saran and was having some work done at Merrill-Stevens. President Marty immediately signed Luis up a crew for the Miami Regatta.

Marty says he is going to polish up his Spanish—and Luis is working diligently on his English—Muy bien!

What is the Seidelmann tune? The Marcy Lippincott tune? The Eichenlaub tune? The Allen tune? Ask Bob Crane for details.

The Baroni brothers, Tony and John, #2070 of Fleet 58—Long Island Sound, sail much better than their record indicates. Watch these boys in the future.

Bud Olsen deserves a special kind of award. Skipper and both crewmen all were over 50. They finished eighth in a 62 boat fleet in the most rugged race of the Circuit. Besides that—they started and completed every race in this—the most strenuous Southern Circuit so far.

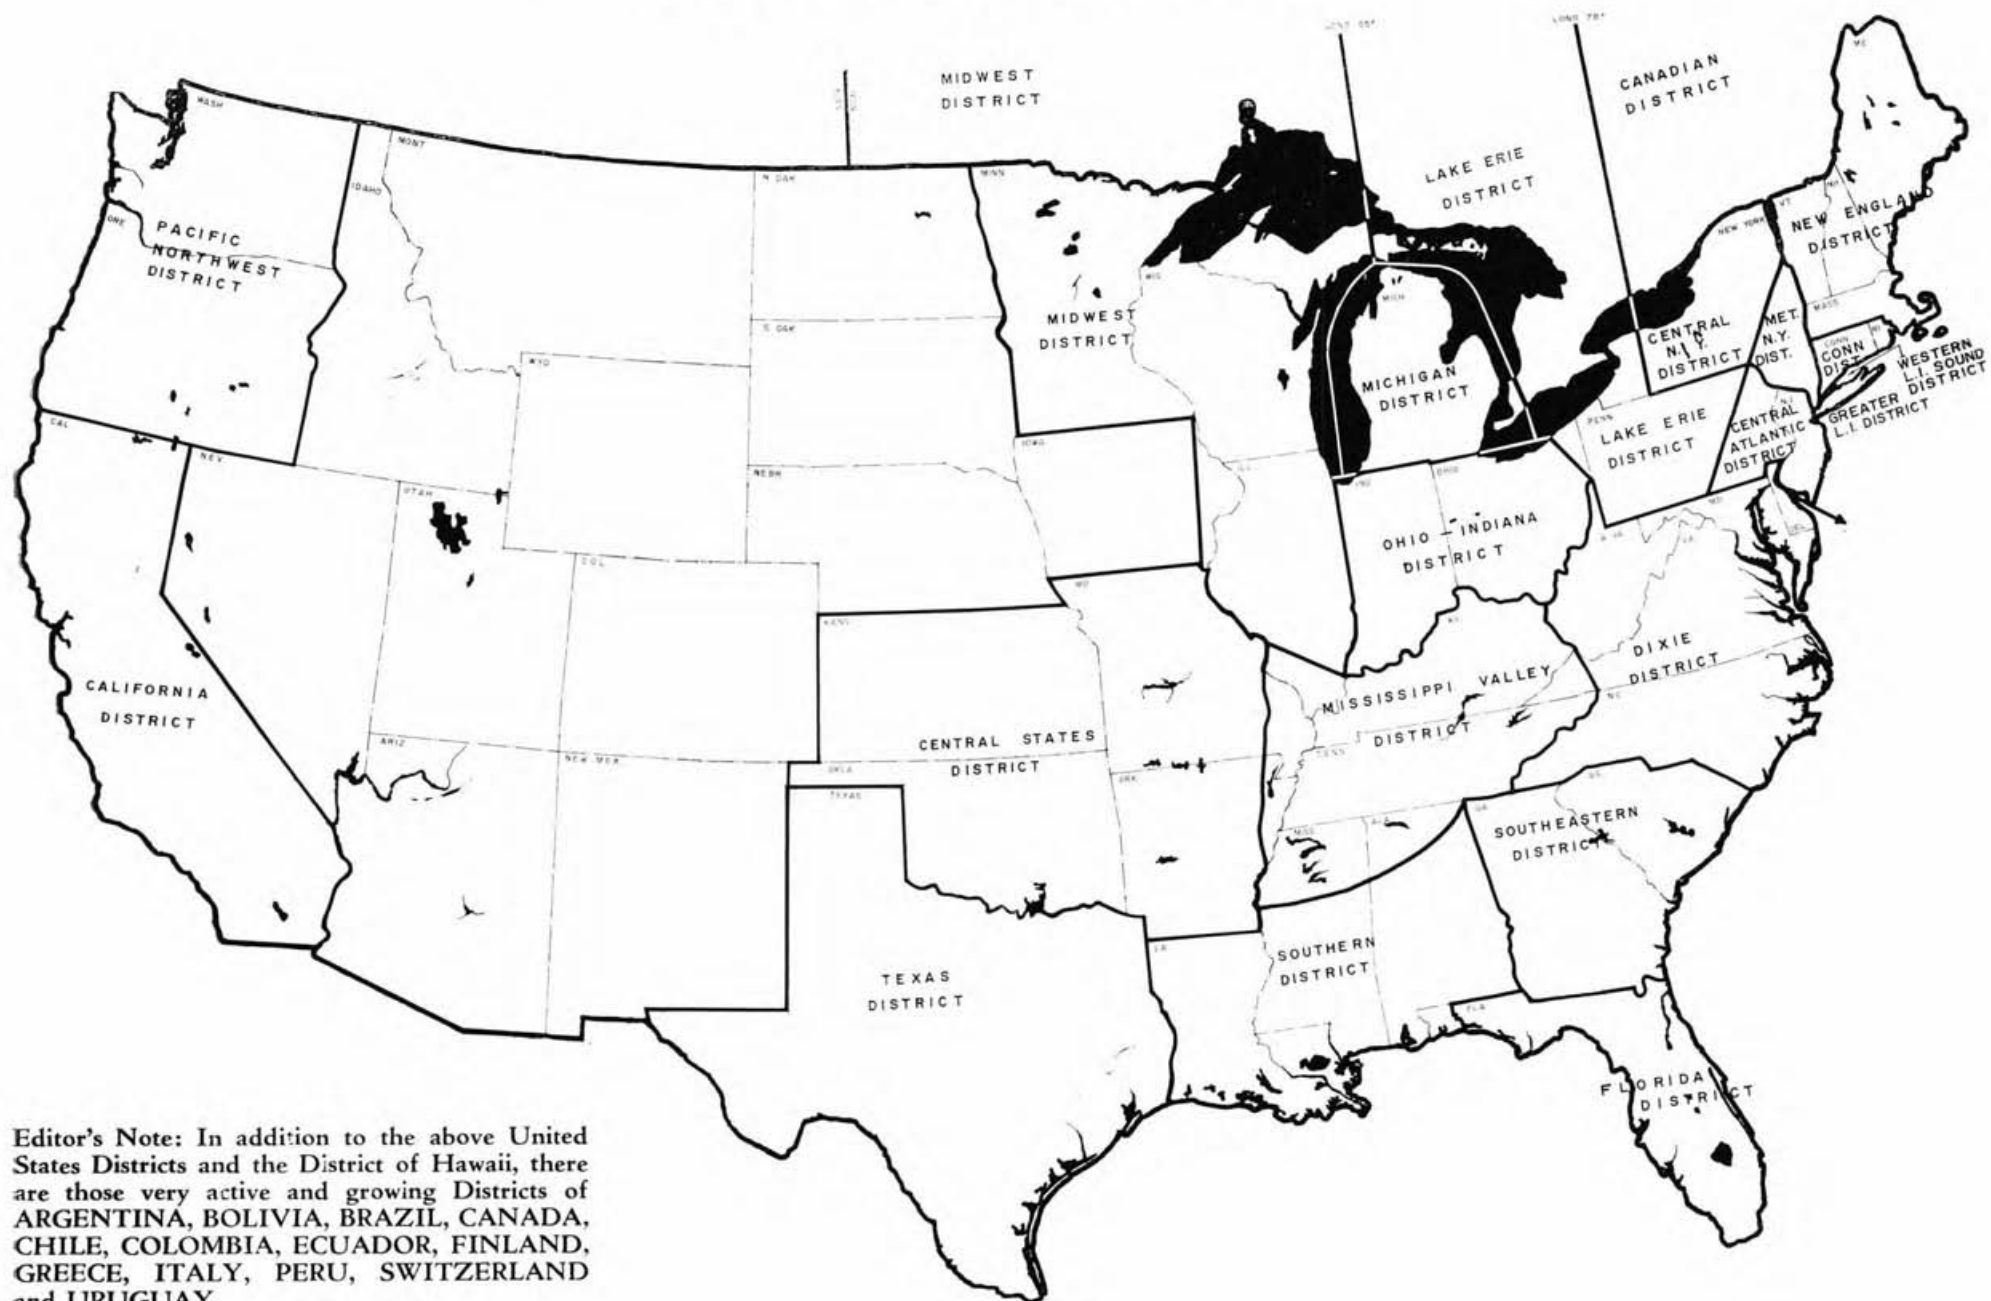

Everyone missed the wonderful pictures that the Phil Graham Studios always has taken at St. Pete. Certainly hope they are back with us next year.

Marcy beat Bob 8 to 3 in the Southern Circuit—and 475 1/4 to 455. When they return to the office wonder if Marcy gets a raise or a cut?

Editor's Note: In addition to the above United States Districts and the District of Hawaii, there are those very active and growing Districts of ARGENTINA, BOLIVIA, BRAZIL, CANADA, CHILE, COLOMBIA, ECUADOR, FINLAND, GREECE, ITALY, PERU, SWITZERLAND and URUGUAY.

Lightning Districts

CENTRAL ATLANTIC DISTRICT REPORT

District Commodore: Ralph Messersmith

Vice Commodore: Dale Allen

District Secretary: Nelson Hoffman

District Treasurer: Bill Dunbar

Publicity Director: Ed Hance

District Champion: Marcy Lippincott

District Runner-up: Bob Seidelmann

Fleets: Barnegat Bay (3); Metedeconk River (34); Great Egg Harbor (99); Lavalette (104); Brant Beach (173); Surf City (196); Brigantine (217); Riverton (228); Barnegat Light (335); Ocean Gate (339).

District Report: A very successful season was inaugurated by the Early Bird Series held at Brant Beach Yacht Club on consecutive Sundays from April 29 through May 27. Bill Clausen III got his newly refinished WILLIES off to a fast start in the first race and continued his winning ways to win the series with finishes of 1-1-1-2. Dr. Gordon Buzby finished second and Tom Coe third in widely varied winds and temperatures. The wonderful work by the Race Committee consisting of Mrs. Peg Buzby and Tom Coe was appreciated by all!!

Central Atlantic District sailors participating in the 1st Annual Long John Regatta sponsored by Monmouth Boat Club on April 28 and 29 fared very well in a 27 boat fleet. Bob Lippincott finished 1st, Marcy Lippincott 2nd, Jim Carson 4th, Marge Alexander 6th, and Howard Mullin 7th. The three race series was sailed in moderate-to-heavy air with seven boats capsizing in the first race, and two others in the second.

Eleven Lightnings sailed in the Governor's Cup Regatta at Riverton Yacht Club on June 30-July 1. Weather was excellent. Bob Adams finished first, Arnold Schwartz second, and Dale Allen third.

Bob Seidelmann won the New Jersey State Lightning Championship on June 16-17 at Brant Beach Yacht Club with 27 Lightnings competing.

Seventeen boats sailed in the South Jersey State Lightning Championship at Brigantine Yacht Club on July 21-22. The weather was heavy and stormy for Saturday's races but turned clear and balmy with 8-10 MPH winds for the final race on Sunday. Bob Adams displayed excellent heavy weather ability taking first place honors with finishes of 1-1-2. Bob's sister, Marge Alexander, kept most of the prizes in the family capturing second with finishes of 1-3-4. Arnold Schwartz was third with a 5-2-2 series. The original prizes consisted of Lightning plaques done in the actual colors of the winning boats.

The District Championship was sailed on Barnegat Bay at Lavalette Yacht Club on July 27-28. All three races were sailed under overcast skies with a choppy sea. Wind velocities were 30 MPH during the first race and 15 to 20 MPH in the second and third. Marcy Lippincott emerged victorious with two first place finishes. Bob Seidelmann finished second and John Walton third in "old 1726". A total of 26 Lightnings turned out for the Championship Regatta.

The Atlantic Coast Lightning Championship was also sailed on Barnegat Bay, from Bay Head Yacht Club, the weekend following the District Championships. Jim Carson sailed "Trident" to 3-2-5 finishes to beat Carter Ford of Riverside, Conn. Marcy Lippincott finished third 1/2 point behind Ford. Although skies were cloudy the regatta was favored by fresh breezes.

Twenty Lightnings sailed in the Little Egg Harbor Invitational Regatta at Beach Haven on August 18-19. Marge Alexander placed first, with Bob Seidelmann second, and Ralph Messersmith third.

The Annual Surf City Invitational Regatta was held on Sept. 8-9 with 22 Lightnings sailing. Dr. Gordon Buzby sailed consistently well to capture the regatta with finishes of 2-1-1. John Sullivan took the second place trophy and Dale Allen was third.

The District regatta season was closed on Sept. 15-16 by the 2nd Annual Riverton Yacht Club Lightning Invitational Regatta.

A fleet of 24 boats representing 10 fleets participated. Bob Adams took first place honors with 1st and 4th place finishes in light-to-moderate air. John Walton and Bob Seidelmann finished second and third. The third race was halted by the time limit as the first boat rounded the final leeward mark in light air.

Five Central Atlantic District sailors journeyed to Buffalo for the North American Championship on August 27 through September 1. We were well represented by Bob Seidelmann who finished third. In order to keep close watch on the tactics of our competitors from other areas we also managed to successfully nail down the final position in the President's Cup.

This year the C.A.D. constitution was reprinted and distributed to all members. The District Championships are now held on a rotating basis giving all fleets an equal opportunity to sponsor and participate in the championships. The constitution has also been amended so that new officers take office on the 1st of the year giving the previous group time to wind up the season's business. A new office of publicity director has been added to assure the best possible coverage for C.A.D. activities.

We are looking forward to another successful season in 1963 with still better participation in District activities. Let's have a record turnout at the Early Bird Series starting April 21 at Surf City Yacht Club—good sailing!

CENTRAL NEW YORK DISTRICT REPORT

District Commodore: Kenneth E. Crotty

District Secretary-Treasurer: Gerald W. Young

Fleets: Skaneateles Country Club (1); Canandaigua Y.C. (44); Newport Y.C. (77); Lewis Point (93); Great Sodus Bay (108); Red Jacket (125); Conesus (140); Genesee Y.C. (148); Owasco Y.C. (149); Cazenovia (164); Henderson Harbor (225); Keuka Lake (252); Brockport Y.C. (267); Galway Lake (338).

The "Districts" were held at the Skaneateles Country Club Aug. 4-5. A fleet of 29 Lightnings registered, representing 7 out of the 16 fleets. Represented were: Sodus (defending fleet), Skaneateles, Newport, Cazenovia, Mayfield, Conesus, and Red Jacket. A four-race series was planned but the race committee had to cancel the fourth race because of no wind.

Now the first race was started Saturday morning. Winds were 8-12 mph, triangular course, buoys to starboard, twice around, each leg 1 1/2 miles. The first race was won by Charlie Halligan (Sodus) with Charlie Doerflinger (Conesus) second and Jack Griffiths (Cazenovia) third.

The second race Saturday afternoon was the same course but winds had increased to 12-20 mph. John Sprague (Sodus) won the race, Hugh Dietz (Skaneateles) was second and Skinner Reynolds (also Skaneateles) was third. At the end of the two races the standings were very close:

Standing	Skipper	Finish	Points
1	John Sprague	6-1	51 1/4
2	Charlie Halligan	1-8	49 1/4
3	Jack Griffiths	3-6	49
3	Bob Woolman	4-5	49

The third race Sunday morning started in a 15mph breeze. John Sprague broke his rudder just before the start and was unable to compete. Midway the wind died down and the race ended in a drifting match with a shortened course. Lead positions changed several times during the last leg spinnaker run with light fresh wind streaks favoring the center of the lake. Bob Jamison, by superior spinnaker adjustment in light shifty air, won the third race and the series. Ed Dean (Mayfield) was second and Bob Woolman (Newport) third. The final standings were:

Standing	Skipper	Finish	Points	Fleet
1	Bob Jamison	7-4-1	75 1/4	Newport
2	Bob Woolman	4-5-3	75	Newport
3	Jack Griffiths	3-6-6	72	Cazenovia
4	Charlie Halligan	1-8-12	66 1/4	Sodus
5	Warren Duerr	5-12-4	66	Newport

The race committee, host club facilities and entertainment

were well organized and smoothly operated.

The 1963 Districts are scheduled for August at the Willow Bank Yacht Club on Cazenovia Lake about fifteen miles east of Syracuse. We hope to see you there.

CENTRAL STATES DISTRICT REPORT

District Commodore: Jack Worley

District Secretary: Ralph Persson

Fleets: Jayhawk (60); Tulsa Sailing Club (205); Ouachita Fleet (284); Fort Gibson Sailing Club (293); Oddwinds (296); Oklahoma City Boat Club (343).

The Central States District had a very active and successful year under the able leadership of Commodore Stanley Brander of Tulsa.

The district officers invited Allen Bernel of the Buffalo Canoe Club to share with us his expert knowledge of sails and racing technique. The meeting was so successful that those attending suggested that a similar winter event be an annual district function.

The 1962 District Regatta was sailed in Oklahoma at Lake Fort Gibson with Western Hills Lodge as headquarters. Twenty-six boats were registered for the event. They sailed five individual races on an official Lightning course.

The first race was sailed Friday, June 22. A fine breeze provided ample wind to fill spinnakers and dampen the crew. Results of the first race were: Bob Lennart, first; Bob Gierow, second; and Skip Ligon, third. Due to the excellent breeze, two races were sailed, back-to-back, Friday afternoon. The first race of the afternoon again found Bob Lennart, first; Bob Gierow was second, and Gordon Reabe was third. Bob Lennart made it three in-a-row by winning the second race of the afternoon. He was followed by Dick Wootton, second and Stanley Brander third.

Saturday morning, skippers found a beautiful sunny day, but no wind. Races were postponed until 1:30 p.m. Skippers and crew felt quite relieved when the breeze returned about 1:00 p.m. Two races were sailed, back-to-back. Results for the first race were: First, Gordon Reabe; second, Bob Lennart; third, Jones, Schwartz. The results for the second race were: Harris Squire, first; Dean Arnold, second; Gaines Houston, third.

In the fifth race of the series, Skipper Lennart was protested for his maneuver in rounding a buoy on the port tack. The race committee ruled in favor of the protest and Lennart's final standing was lowered. However, Lennart's appeal to the National Lightning Association caused the decision to be reversed and Bob Lennart was declared Champion of the Central States District for 1962.

Saturday evening an awards banquet was held in the lodge. Winners were congratulated and trophies were awarded.

Sunday morning the annual district meeting was held with representatives from all fleets present. Jack Worley of Topeka, Kansas was elected District Commodore for the 1963 season. Commodore Worley appointed Ralph Persson, also of Topeka, as district secretary. It was the decision of the skippers to hold the 1963 regatta at Lake Fort Gibson the third weekend in June.

CONNECTICUT-RHODE ISLAND DISTRICT REPORT

District Commodore: James R. Allen

District Secretary: Barbara Hadlow (Mrs. David M. Jr.)

District Treasurer: John Ireland

District Measurer: Bud Olsen

Connecticut-Rhode Island District winners Dave Chanoux, Steve Bachman and Bill Healy with LCA Pres. Marty O'Meara, Jr. and Connecticut Lt. Governor Armantano.

Fleets: Housatonic (6); Black Rock (17); Columbia Lake (49); Branford (63); Candlewood Lake (82); Niantic Bay (85); Groton Long Point (105); Western Narragansett Bay (119); Cedar Point (126); Madison Beach (129); Noroton (134); Pequot (153); Wadawanuck (183); Norwalk (230); Milford (238); Darien (255); Sachem's Head (269); Sheffield Island (302); Pettipaug Fleet (344).

The Connecticut and Rhode Island District of the Lightning Association had a long, varied and successful season. From the First Chance Series in May at the Milford Yacht Club to the September election of our District Commodore Martin J. O'Meara, Jr. as National President of the Lightning Association the season was full of sailing that was good and events that were exciting.

Our new Commodore James R. Allen had been working on a Constitution and By-Laws when he was elected. This project is being completed as of this printing, and will be a truly difficult

task well done by the time you read this. These will cover revised rules for the Districts as well as job analysis for officers and so on.

Just to hit the high spots of our racing season, in May we went to Milford where we had between 28 and 32 boats for three weekends straight. It was an interesting start with much discussion about the new sails everyone seemed to have. Bob Bavier christened his new boat there, and the trophies were won by Olsens, Brockett, and Peterson. From there we went to the Early Bird at Niantic Bay. This was a lovely weekend highlighted by champagne toasts for Bud Olsen's daughter and Ted Merritt, Bud's crew, who were being married the next Friday but were sailing anyway. Next there was Groton Long Point's third annual invitational. In three years this club has gone from four old boats to a fleet of nine, six of them new. EYRA was at Sachem's Head the same weekend as the Long Island Sound Championship was at Riverside Yacht Club in Bay Head, New Jersey. As always the former was good, and the latter, we are told, was good sailing and good fun.

The Conn.-R.I. Districts were held at Niantic Bay August 11th & 12th and were absolutely cursed with bad weather. Saturday was a very light day, so miserable and fluky and with such erratic wind directions that, combined with the failure of the communications system with the stake boats, it was impossible to have a morning race at all. In the afternoon the wind, such as it was, lasted just long enough to get us to the starting line area, about a mile out, before it disappeared. Frustrated sailors and race committee finally called it a day about 4:30 and strung up for tows to the club. Sunday morning was clear and lovely but Dame Fortune was not in Niantic, as the morning race had to be shortened after two long periods of becalm began to threaten the afternoon racing time. Everyone was first and last in that race at least once. Everyone dropped anchor for lunch on their boat, the wind picked up and we had an interesting second race which was plagued by tide on two legs. The wind continued to shift and we think everyone had at least one new experience with water and wind. When the results were in and the points tallied the eight boats qualifying for the North Americans were: Bill Healy, 66 points; Steve Bachman, 62; Dave Chanoux, 60; Henry Sprague, 58; Lee Demarest, 55; Bud Olsen, 54; Dave Peterson, 52; Bob Bavier, 51. Ken Ireland with 47 and Bob Shealor with 43 were substitutes. However, they were not needed as the eight who qualified went to Buffalo with bells on. We were thrilled and delighted to have the Lt. Governor of the State of Connecticut to award the trophies. Lt. Governor Armantano was very interested in the proceedings and said it was the first time he had ever had the opportunity to make this sort of award.

A really interested sailor never lets a weekend go by and the next weekend found us at Milford's Tri-Club Regatta, which was followed by the Governor's Cup at Branford, won again by Wayne Brockett. The following weeks saw the North Americans and the Cedar Point Invitational followed by the Last Chance at Milford and the really fabulous Quantico Regatta hosted by the Marines. By the time the district had finished at Quantico the weather had finished with us, there being naught to do but haul her out and start to plan for this season.

With the addition of a newly chartered Fleet at Pettipaug, Essex, Conn., our district has nineteen fleets of which thirteen are active. We would all like to join together and wish you the best sailing ever in 1963, and hope you'll have the opportunity to sail in the Connecticut-Rhode Island District.

DIXIE DISTRICT REPORT

District Commodore: Mary Wilkinson

District Vice-Commodore: Franz K. Schneider

District Secretary: John A. Moore

District Champion: Marbury B. Fox, Jr.

District Runner-Up: Robert W. Tunnell

Fleets: Washington (50); Indian River (72); Sue Island (87); Northeast River (192); Susquehanna (253); Rehoboth (325); Sassafras River (314); Severn River (329); Marine Corps Schools (354).

District Report: The annual mid-winter District meeting held in Wilmington, Delaware, was the first activity for the 1962 season. Well-attended by representatives from all fleets in the District, it proved to be the start of a very busy season. After cocktails and dinner, new officers for the year were installed. Various items of business were discussed and acted upon. After the close of the meeting, the members adjourned to the lounge for never-ending stories which prevail in groups who have this great common interest.

The District Championships were held at the Baltimore Yacht Club, home club of Fleet 87 and the 1961 Champion, Marbury

Quantico 1962—Before the race and only another 30 boats to show

Fox, on June 9 and 10, which was the earliest we have ever held this event. It proved to be a perfect weekend with beautiful weather and wind that would fill any sailor's dream.

After five races in which the winds were never under 15 MPH, Marbury Fox had sailed his "Tally-Ho" to victory for the second year in a row. Placing second was Robert Tunnell; third, Herman Henschen; fourth, James Burke; fifth, Barney Mead; sixth, Frank Williams. These skippers represented the Dixie District at the North American Championships.

Other activities were regattas held throughout the District, fourteen in all. These were sponsored by the Annapolis Yacht Club, Baltimore Yacht Club, Severn Sailing Association, Glen Mar Sailing Association, Miles River Yacht Club, Indian River Yacht Club, Corsica River Yacht Club, Potapskut Sailing Association, Susquehanna Yacht Club, Washington Sailing Association, and the Marine Corps Schools.

It was a pleasure to welcome the Marine Corps Schools Fleet 354 to the District. Again this year we saw another tremendous turn-out for their Frost-Bite Regatta, which has become so well-known throughout the Lightning Class.

The racing season was concluded at the Baltimore Yacht Club's Frigid Digit Regatta sponsored by Fleet 87 on October 28 and 29. This event was won by Stu Anderson of the Niagara Sailing Club. This was the second consecutive year the Regatta was won by a Lake Erie District skipper, Tom Fallon of Buffalo Canoe Club being the first.

Now that the season is over many individual and District plans are being made ready for the new season.

Fleet: Helsinki (166); Kokkola (297); Kotka (298); Loviisa (299); Pori (306); Oulu (307); Raahe (308); Kemi (310); Jyväskylä (328); Lahti (349).

District Report: Lightning Class activity has continued its growth steadily in Finland this season. Several fleets have new boats to make races "hotter", and we have also established one more fleet in the Finland District, Lahti Lightning Fleet, 349, which is the second fleet in our lake area. As many readers of this book have probably heard, we have here in Finland about 60,000 (that's true—sixty thousand) lakes, but there has been very little sailing activity on those lakes. Now it seems that our dear Lightning has begun to convert those numerous lakes to yachting, as Lahti Fleet is the second lake fleet in two years in our district.

Finland district's season began with the annual meeting in September in Helsinki, where District officials were elected for the season. Esko Lindstrom was re-elected as Commodore, also all the other officers of the district were re-elected.

The highlight of this season was, of course, the Lightning Class European Championships, which were organized this year by the Finland District. Championships were held in Helsinki in July. Yacht club Merenkavijat, which is the second greatest in Finland,

GULL LAKE Y.C. (137) — JULY 6, 7

organized the races and Helsinki Fleet acted as host for the participants. A fleet of 23 Lightnings from three countries participated in the races and Maurizio di Segni from Italy was the best of them and won the European Championship for 1962. Best Finnish boats were Aimo Hanninen's "Marina" which finished fifth, and Paavo Manninen's "Anonymus" sixth; each of them won one race. Details of the Championships can be read in another part of this book.

The District Championships were held this year for the first time in the "drinking water", at Lake Paijanne. New Jyväskylä Fleet and yacht club Paijanteen Purseura organized the championships splendidly, and we salt-water sailors had to agree that "one can sail on the lakes too". Races were very hot, even when the weather was not. It rained and blew every day, and the top skippers of the district had really tight competition as can be seen from the small point differences in the final results. Raimo R. Nordstrom was within two points and the next ones weren't so far from them either. Altogether 18 boats from five fleets participated.

Results of the Finland District Championships:

Place	Skipper	Boat	Fleet	Points
I	Aimo Hanninen	MARINA (7177)	Fleet 166	70
II	Raimo R. Nordstrom	KATRINA (6838)	Fleet 299	68

X	Urho Brusi	MERITAHTI (7173)	Fleet 328	34

Seventeen Lightnings, three of which were from Italy, participated in the yacht club Merenkavijats great anniversary regatta. "Marina", Aimo Hanninen skippering, took the regatta's Lightning Class trophy, "Flash Cup", home. Helsinki Regatta was also quite an important event this season. Thirteen Lightnings participated and Terho Aromaa with his "Masi" 7887 won the regatta's "Rautavaara-Kacklund" trophy.

Finland District is looking forward to the future with confidence. We are getting quite a lot of new boats for next season and most of our fleets are very active. We are also working steadily to get Skandinavian countries interested in our class, and if IYRU will finally accept Lightning's international status, we are sure that our class will spread to Skandinavian countries too.

Fleets: Salamis Piraeus Sailing Club (251); Thessaloniki Salonika Sailing Club (256); Parthenon Royal Yacht Club Greece (286); Dolphin Royal Hellenic Naval Academy (287); Argonaftris Volosa Sailing Club (289); Aeolia Mitili Sailing Club (336).

The news of the recognition of the Lightning Class Association by IYRA long expected in our country was received by all sailors with a great enthusiasm. It will definitely help our sailors keep the same interest in sailing and promoting the Class. It also will encourage more Clubs to build new boats. The Piraeus Sailing Club, the club that introduced Lightnings in Greece, continues to be very active sailing Lightnings, organizing and participating in all races. All of our fleets for that matter show every sign of increasing interest and activity. Series of races were organized in Salonica on the occasion of the liberation of the town and also in Rhodes Island.

There have been two brand new boats imported from Italy, one by Stelios Bonas, who is one of our best skippers, and the other by John Goulandris, a devoted Lightning friend who is always interested in the promotion of the Class in Greece.

We expect to have some new boats built in Rhodes Island this year where a new fleet will be organized; also in Evia Island where two boats are already in construction.

We hope to participate in the European Championship this year in Naples with a good number of boats and the best skippers.

LAKE ERIE DISTRICT REPORT

District Commodore: Jack Taggart, NSC

District Secretary: Bob Clark, TYC

District Champion: Tom Allen, BCC

District Runner-Up: Jack Swanson, NSC

Fleets: Buffalo Canoe Club (12); Chautauqua Jacket Club (19); Erie Yacht Club (24); Novice Yacht Club (Inactive) (28); Silver Lake Yacht Club (47); Niagara Sailing Club (59); Sandy Beach Yacht Club (78); Buffalo Yacht Club (81); Cuba Lake Fleet (115); Royal Hamilton Yacht Club (118); Toronto Bay Lightning Fleet (146); Conneaut Bay Lightning Fleet (180); Tower Yacht Club Fleet (198); LaSalle Yacht Club (221); Buffalo Sailing Club (Inactive) (258); Dunkirk Harbor Fleet (311); Burlington Yacht Club (315).

The 1962 lightning season got underway at the Buffalo Canoe Club's Invitational Regatta, Saturday, June 23rd. Tom Fallon, in *Flair II*, on a calm sea with very light winds, placed second and first in Saturday's openers. Sunday's final saw Stu Anderson's *Glockenspiel* responding to 20 mph winds and a choppy sea. Fallon's fourth place on Sunday did not deny him overall winner. George Fisher from Buckeye Lake Yacht Club at Columbus, Ohio took second place, Tom Allen of the host club, third.

The Niagara River Lightning Championship Regatta was held on July 21st & 22nd at Niagara Sailing Club. Fifteen mile west-

erlies cast a favored spell over Jack Swanson's *Sabrina* which took two firsts. On Sunday, in the third and final test, clubmate Stu Anderson took top honors. Sunday's light winds proved disastrous for Swanson, placing him fourteenth, third overall. Dick Carrel in *Black Maria* and Jeff Bernel in *Spectator* were so engrossed in a late luffing match at the end of the third race that the *Glockenspiel* pulled neatly ahead by three feet to win. Final standing were Anderson, Carrel, Swanson, Jeff Bernel and Bob Starck.

The Lake Erie District Championship Regatta was sailed over Lake Chautauqua waters on August 10th, 11th and 12th. The shoreline of this lake is very irregular, mottled with hills and trees at the southern end where the Chautauqua Yacht Club is located. This causes some fickle winds which require tactics a bit different from those usually employed by the Lake Erie and Niagara River sailors—not really too different, however, because Tom Allen of Buffalo Canoe Club in *Atom II* came through with four firsts and a second. Top ten;

We should like to thank the Chautauqua Lake Yacht Club for their wonderful hospitality and, especially, Bob Walkerman and his committee. Fifty-three lightnings answered the starting gun at this regatta, and I'm sure that all skippers and crews are looking forward to a return visit.

The season's wind-up was the annual haul-out at Sandy Beach Yacht Club on Niagara River on the 22nd and 23rd of September. Tom Allen finished first in Saturday's opener. Light winds, fading to a whisper, necessitated cancellation of the afternoon race. Two races were held on Sunday, and Tom Allen repeated Saturday's exhibition with two firsts. In the final race, Allen was forced to restart but, in true championship form, worked his way through the entire fleet for the final cannon. Final standings: Allen, Anderson, and Fallon.

Our district champion, Tom Allen, bestowed still another honor on the Lake Erie District this past year by winning the North American Championship, held at the Buffalo Canoe Club. Good luck, Tom, in the World's Championship.

District Commodore: Carver C. Dumke

District Secretary: Stanley J. Szabronski, Jr.

Fleets: Paupack (16); Lake Mohawk (25); Chelsea (39); High Tor (41); Red Bank (70); Nyack (75); and the newly formed fleet at Harvey's Lake, Pa. (350).

District Report: District fleets participated in several interclub regattas this summer. The season started with the Red Bank Invitational in April followed by the Nyack Spring Open in May, the Shattemuc Open, and the Mid-Hudson's at Minisceongo in August, and the Chelsea Open in September.

The highlight of the season was the District Championship held the last weekend in July at the Chelsea Yacht Club on the Hudson River. Thirty Lightnings participated, two from Lake Mohawk Yacht Club, three from Minisceongo Yacht Club, six from the Monmouth Boat Club, ten from the Nyack Boat Club, and nine from Chelsea. Fair winds prevailed for Saturday's races. The first race was won by Oliver Filippi with Reid Dickerson second and Arnold Schwartz third. The next race saw Filippi

Since Joe Hoffee, Tom DeStasio, June Methor and George Garrecht were unable to go to the North American's in Buffalo because of other commitments, the Metropolitan District was represented by the following, who did very nicely:
Championship — Oliver Filippi 28th; President's Cup — Reid Dickerson 22nd; Karl Gleeson 30th and Howard Mullin 31st; Governor's Cup — Arnold Schwartz 14th.

Next year the Minisicongo Yacht Club will host the Districts under the guidance of the new District Commodore George Bitler and District Secretary Robert Winterbottom.

The annual Mid-Winter meeting of the Michigan District was held at Bayview Y. C. in Detroit in December and at this meeting Tawas Bay Y. C. was selected as the site of the 1962 District Championship Regatta. After some 18 months of discussion and a mail vote of the District membership it was finally voted to split the fleet at this Regatta should 44 or more boats register. A pre-determined method of shuffling the boats to provide two different fleets for each of five races would be used. Regatta dates were established by fleet representatives as follows—with the ultimate winners' names.

Stories of these regattas will appear with the individual fleet reports.

The District Regatta was sailed at Tawas Bay under a variety of conditions. Tawas Bay Y. C.'s Race Chairman Ladd McKay conducted a good series of races, setting good starting lines—and re-setting the course for each race, using the official Lightning Course, twice around a 1 1/2 mile leg triangle with an extra weather leg.

Inasmuch as 50 boats registered, the fleet was split into two 25 boat sections for each race. After what amounts to 10 races (for the race committee) and some wonderful bookkeeping (again by the race committee)—some familiar names, as well as a few new ones, appeared as the 10 qualifiers for the North American Championship at Buffalo. 1. Hank Cawthra, 2. Chuck Grant, 3. Herman Nickels, 4. Leo Wasserberger, 5. Jim Kohls, 6. Jim Coggan, 7. Bob Knop, 8. Ed and Bill McKinley, 9. Chuck Ellery, 10. David Nickels.

Some wonderful entertainment was provided by our Michigan District Barefoot Philharmonic orchestra led by that old Twister, Dr. Gerald Murphy.

From our 10 qualifying boats, Wasserberger, Nickels, and Cawthra placed 12th, 15th and 23rd respectively in the North Americans. Grant, David Nickels and Kohls placed 7th, 11th and 12th in the President's Cup and Jim Coggan won a close one to finish first in the Governor's Cup while Ellery was 16th and Knop 17th in this series.

Three boats were trailed to Washington for the Quantico Regatta in the Fall. Warren Jones, Herman Nickels and Don

Snyder. No results on this one, but ninety plus boats participated.

The District was well-represented on the Southern Circuit by Nickels, Smith, Holman, Murphy, Roualet, Wasserberger, and Claude Bennett (the latter brought home a brand new Eichenlaub from the series which he sailed consistently well all season.)

We conclude a busy season in Michigan—why not join us next year at one of our many fine Regattas in Michigan's Water Wonderland?

MISSISSIPPI VALLEY DISTRICT REPORT

District Commodore: Crit Currie

District Secretary: E. B. Currie

District Champion: Cully Cobb

District Runner-Up: Ross Bryan

You can't tell where you might find good Lightnings in the Mississippi Valley District

Fleets: Crab Orchard Fleet (330); Memphis Lightning Fleet (274); Valley Sailing Association (266); Nashville Lightning Fleet (262); Kentucky Lake Lightning Fleet (242).

District Report: Being a new District, we've had a whale of a lot to do, so we got started with an organizational meeting on the sunny lawn of the St. Petersburg Yacht Club in February, '62.

One of the most important officers elected was Wilson Scott, our competent and diligent measurer. Thanks to him, he set the tone of our first Districts held May 24 and 25 at Ken Lake by getting every single boat and sail measured! Eighteen well-raced Lightnings participated in a very well-run series organized by George V. Steffens and Bill Guthrie of the Delta Sailing Club. The 1961 L.C.A. yearbook instructions were followed very closely.

1st Race: 1st Bryan, 2nd Bohenkamp, 3rd Cobb

2nd Race: 1st Cobb, 2nd Brizendine, 3rd Bryan

3rd Race: 1st Cobb, 2nd Bryan, 3rd Lovett

Some twenty-seven Lightnings raced the Kentucky Governor's Cup Regatta the following two days. The second race Saturday, was won by Bob Lovett from the Nashville Fleet. Some six or eight boats didn't finish this race as an hour-long, 50-60 MPH thunderstorm hit most of the fleet jibbing spinnakers at the leeward mark. We were very happy to have Bud Nelson race this Regatta with us.

In September, the Mississippi Valley District was openly and blatantly challenged by the Southeastern District through Ross Allen, Commodore of that District. We managed to send some challengers to Atlanta even though it was in the middle of some

of our Fleet's fall series. Cully Cobb presented the beautiful MISS-SOU challenge trophy to the Mississippi Valley District at our last Regatta at Kentucky Lake in late October. We're all proud of Cully and best wishes to the growing new Southeastern District. I am sure to have this work of the silversmith's art decorate the living room for all to see for years to come.

We express our appreciation to all the participants, boat builders and sailmakers who provided their invaluable time, help, advice and equipment to the sailors of this District. With more of this "professional" help and interest, our district and fleets will grow faster and our racing better. Thank you and best of luck to the growing L.C.A. We have only started . . . growing that is!

NEW ENGLAND DISTRICT REPORT

District Commodore: Dr. Louis Pocharski

District Secretary: John J. Collins

District Champion: Richard Price

Runner-Up: Leonard Pratt

Fleets: Centerboard Y.C. (14); Taylor Pond (101); Spofford Lake (145); Annisquam Y.C. (151); Marblehead Harbor (189); Bomoseen Lake Sailing Club (227); Lake Dunmore (243); Har-rasseket Y.C. (244); Winnepesaukee Y.C. (246); Sandy Bay Y.C. (248); Massebesic Y.C. (273); Chequesset (280); Lake Champlain (301); Squam Lake (332).

The first regatta of the 1962 season was the State of Massachusetts Regatta, held at Marblehead. Len Pratt started out a very successful season by winning this one. Senator Ben Smith was second. George Peter, also of Annisquam, was third.

The New England District Championship was held by Fleet 301 on Lake Champlain on 13-15 July. The winds were a little on the light side in the first race with a couple of squalls thrown in for good measure. The last four races were sailed in an exceedingly good breeze. The first race was won by defending champion, Lou Pocharski. The next three races, held on Saturday, were won by Ben Smith. This was enough to tie Pocharski with one race to go. Len Pratt and Dick Price were close behind. The last race saw the lead change hands many times with Pratt, Morse, Collins, and Price leading at one time or another. Pocharski beat Smith by finishing eighth but let Price and Pratt slip by him. So that Dick, you can't beat the Price, Price with a 5,2,4,4,3 record is the new District Champ. Len Pratt was second. Pocharski and Smith were third and fourth. A fine time was had by all.

Then came the famous Marblehead Race Week, always the last full week in July. A variety of wind is always assured and this year was no exception. For the first three races the boats are divided into odd and even numbered divisions. The winner in the odd division was Lou Pocharski. Second was Ben Smith. Dunc McInnes was third. The even division was taken by Georges Peter. Bill Caldwell and the Morse Boys were second and third respectively. For the last four races the top half and bottom half of each of the above divisions are combined. The championship division was won along with the Larson Trophy for the first time in six years by Lou Pocharski. Ben Smith was second and the Morse boys were third. The second division was won by Dr. Frank Colombo. Second was Bill "The Fox" Cudahy, up from Palm Beach, Fla. Andy Kauders was third. A total of thirty-five Lightnings competed.

Then came the combined New Hampshire—Vermont Regatta held at Lake Spofford. There was a strong breeze which resulted in three capsizes. The winner was Len Pratt. Second were Dick Price and Helen Harris. Duncan McInnes was third.

The State of Maine Regatta, the oldest state regatta in the LCA came next. All of the winners were originally Mainiacs, but two of them now live in Massachusetts. The winner again this year was Dunc McInnes. Jack Burwell was second and Gardner Brown was third.

Then came the Annual Winnepesaukee Championship. This was the year that the wind blew just as I said it would last year. Walt Estes tried to make like a submarine. Len Pratt found the wind to his liking and won after a tight battle with Dick Price. Third was taken by Frank Husson.

The last regatta was held on Lake Massabesic. Len Pratt continued his winning ways. I don't think his wife will mind polishing all the silver that Len has won this year. Second was taken by Ed Michaels. Flip Hamblet was third.

The season came to a close at the mid-winter meeting held on December 2 at Concord, New Hampshire. Here forty-four skipper and guests, representing eight of the fourteen fleets, met for the traditional social hour, banquet, business meeting and movie. District committees were appointed and a new schedule of events was drawn up.

We of the New England District invite all to come and sail in the fine waters of the New England District.

The 1963 Schedule is:

Spofford Race Week, 18-23 June Fleet 145

State of Mass. Regatta, 6-7 July, Fleet 151, Annisquam

New England Districts, 12-14 July, Fleet 189

Marblehead Race Week, 20-27 July

N.H.-Vermont Regatta, 3-4 August, Fleet 227, Lake Bomoseen

Wellfleet Regatta, 10-11 August, Fleet 280

Lake Winnepesaukee Regatta, 17-18 August, Fleet 246

State of Maine Regatta, 24-25 August, Fleet 14, S. Portland

Massabesic Regatta, 7-8 September, Fleet 273

OHIO-INDIANA DISTRICT REPORT

District Commodore: John W. Mueller

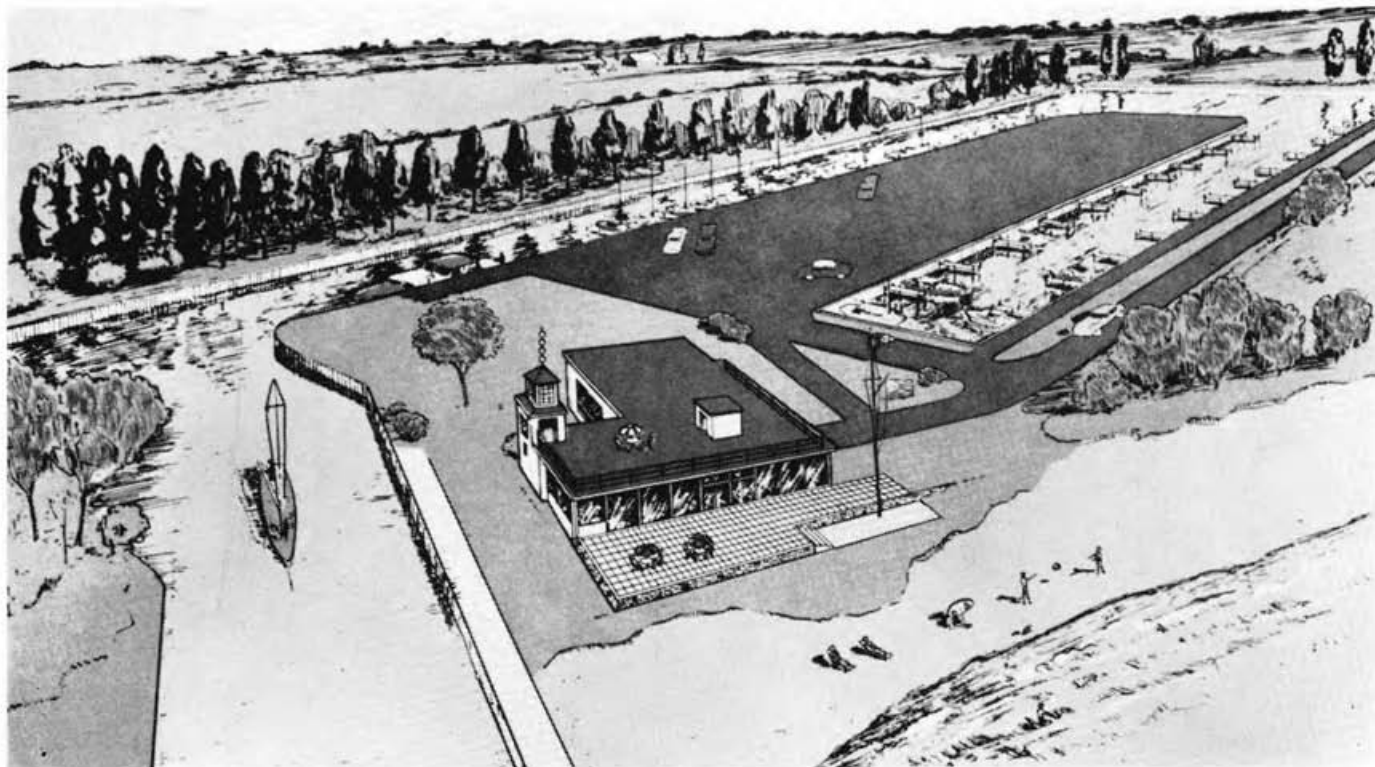

District Secretary: Jon R. Ruhlman

Fleets: Indian Lake (23); Leatherlips (27); Turkey Foot (33); Pymatuning (36); Mentor Harbor (37); North Cape (42); Buckeye Lake (43); Rocky River (71); Port Clinton (136); Mansfield (150); Wawasee (154); Northeast (207); Atwood (212); Berlin (263); Indianapolis (270); Cowan Lake (303); Jolly Roger (313); Hoover Reservoir (353).

District Report: In an effort to increase the number of suitable locations for Championship competition, the Ohio-Indiana District experimented this year with sponsoring the five race series on a co-operative basis. Put-In-Bay Yacht Club extended an official invitation to hold the Ohio-Indiana District Championship regatta, but had no home Lightning fleet to host the event. In accepting the invitation, therefore, it was decided to assign committee responsibilities for arrangements to various fleets in the district. Boat measuring was handled for the most part by local measurers prior to arrival at the Bay. Fleet 42's Bud Nelson got stuck with sail-measuring chores and seemed to enjoy it. BLYC's George and Marty Fisher handled housing arrangements and entertainment plans were delegated to the Leatherlips fleet. Fleet 212 of Atwood Lake arranged docking—(?). CYC's Fleet 71 took on the job of registration committee. District Commodore Ralph Powless handled food arrangements in addition to overseeing all other committee responsibilities. Race Committee duties were astutely directed by Zane Sherman with follow-up by Protest Committee Chairman Bob Mann of BLYC. Patrol boats were manned by local volunteers at the Bay.

Surprisingly enough to all concerned, the end result was one of the finest District regattas ever held, much to the credit of Bucky Powless and Johnny Mueller for their deft handling of this difficult job of coordination.

Since details of the 1962 O-I District Championship races have already been recorded for posterity in the Flashes, it is sufficient here to say that the variations in weather from howling to drifting resulted in some interesting shake ups in standings throughout the series. Not satisfied with having successfully coordinated all the

North Cape Yacht Club—New home of Fleet 42 and site of the 1963 O-I District Championship

arrangements for a fine regatta, Bucky Powless added his personal contribution to group entertainment by nosing into a spectacular flip-over to weather during a screaming spinnaker reach in the first race! Some guys will do anything for attention!

Attesting to the close competition, BLYC's Tom Davis and newcomer, (to the O-I District), Jim Schudel were tied in points for first place with perennial champion George Fisher only one point behind at the end of four races. With no intention of relinquishing the title, however, George decisively won the fifth and final race to walk off with his sixth consecutive District Championship. The balance of the nine qualifiers for the North American Championship were Schudel, Davis, John Mueller, Frank Hornby, John Ranft, Charles Maltbie, Bud Nelson, and Sam Hays, in that order. All nine subsequently trailered their boats to Abino Bay and seven of the nine survived the eliminations for the North American Championship series. Closest of the O-I District sailors to the top in this national competition were George Fisher and Chuck Maltbie, taking seventh and eighth place respectively.

At the annual summer meeting held at Put-In-Bay, John Mueller was elected District Commodore and Jon Ruhlman District Secretary, for the coming season. At this same meeting the Sportsmanship Award, given each year to the most deserving Lightning sailor in the district, was presented to Dr. Charles Maltbie of Pymatuning Yacht Club. This was felt by all to be a very appropriate selection since Chuck has long labored enthusiastically in the interest of good sailing competition, and through hard work and keen personal participation, has set an example for all would-be Lightning champions to emulate.

As always, the 1962 season was replete with enough outstanding regattas throughout the district to keep an eager Lightning sailor traveling on practically every weekend. To conserve space and avoid duplication, your attention is directed to the individual fleet reports for the results of these fine get-togethers at Indian Lake, Pymatuning, Rocky River, Port Clinton, Atwood Lake, North Cape, and Buckeye Lake. Not included in the fleet reports are the results of the annual Inter-Lake Yachting Association Regatta at Put-In-Bay which saw the Lightning event won by Jackie Mueller of Rocky River, with Pinky Allen of Port Clinton second and CYC's Pete Carston third. It is also worthy of note that Fleet 42's Bud Nelson outclassed a mixed handicap fleet of eighty boats at the 1962 Kentucky Lake Regatta to win the Governor's Cup in his new fiberglass Lightning.

At the Fall District meeting, held as usual in conjunction with the Snow Ball Regatta at Buckeye Lake Yacht Club, the primary subject for discussion was the selection of the site for the 1963 District Championships. Commodore John Mueller presented a letter of invitation from the board of directors of the Cleveland Yacht Club and Bud Nelson, representing Fleet 42, verbally transmitted a formal invitation from North Cape Yacht Club to host the 1963 District Championships. After much deliberation, during which the excellence of past regattas at CYC was unanimously acknowledged, it was decided to accede to the appeal of the North Cape Fleet in the interest of cultivating additional waters suitable for the stringent requirements of district championship competition.

North Cape Yacht Club, the new home of Fleet 42 (formerly based at Toledo Yacht Club), was completed at the start of the past season and is located just off the Detroit-Toledo Expressway, approximately ten minutes from Toledo, Ohio and Monroe, Michigan. North Cape boasts excellent moorage, parking, and club facilities, with an open-water race course only minutes away from the docking area and in full view of spectators on the club veranda and sandy beach. Possibly the highest recommendation that can be made for North Cape is that it was conceived and constructed under the inspiration and guidance of Walt Swindeman, whose genius in Lightning competition is legendary among O-I district sailors. Walt, by the way, is also the first commodore of North Cape and was undoubtedly behind the wholesale "pirating" of Fleet 42 from TYC. With this combination of facilities and host-fleet enthusiasm, it is easy to predict that the 1963 Districts will be one of this area's best and most well-attended regattas in recent years. So plan now to get your reservations in early. The dates set for this event are July 19, 20 and 21.

A final item of interest is the formation of a new Lightning fleet at Hoover Reservoir near Delaware, Ohio. Welcome to the Ohio-Indiana District and we'll be looking for big things from Fleet 353.

PACIFIC NORTHWEST DISTRICT REPORT

District Commodore: Tom Jobs

Secretary-Treasurer: Joe Guthrie

District Champion: Roger Sahlin, Fleet 132

Runner-Up: Cappy Clarke, Fleet 132

Fleets: Maple Bay (64); Vancouver (90); Lake Washington (132); Chinook (229); Columbia (283).

The climax of Northwest District Lightning activity for 1962 was during the week of July 21 through 25, 1962. The Northwest District Championship was held on Lake Washington, in Seattle, Washington, and hosted by Fleet 132. Twenty-two boats from Canada, Oregon, and Washington participated in the District on July 21 and 22. Washington Athletic Club, Seattle, was the scene of the Awards Banquet and the annual meeting of the Pacific Northwest District. At the business portion of the annual meeting, Fleet 90 members Adrian Thomson and Tom Sturgess were elected District Commodore and District Secretary-Treasurer. The 1963 Northwest District Championship Regatta will be held in Vancouver, British Columbia.

On July 23, 24 and 25 The Pacific Coast Championship Regatta on Lake Washington was sponsored by Fleet 132 and Corinthian Yacht Club. Twenty-one yachts from nine active fleets registered for the five-race series, and sailors arrived from Coronado Bay, Mission Bay, San Diego Bay and Manhattan Beach, California; Portland and Eugene, Oregon; Vancouver, B. C., Canada; and Seattle and Bellingham, Washington. Fine summer sunshine and moderate winds prevailed, the fleet sailed Gold Cup and Triangular courses, and competition between skipper was keen.

Wendell Harter, winner of the 1961 President's Cup, with his lovely wife, Madelyn, and son, Gordon, were winners of the John E. Tysell Family Trophy, a new trophy donated this year for the first boat to finish with an all-family crew. Trophies to the five leading boats, the Family Trophy, and pennants for all registered skippers and crews were presented at an authentic South Pacific Luau held at the Lake Washington home of Dr.

& Mrs. Wm. Jaquette the evening of July 25. Memories of Tahitian dancers, pit-roasted pig, and rum punch will long remain. This was an extremely successful regatta.

There is no doubt that the Pacific Northwest is the best place in the world for small boat sailing, and during 1962 the "Traveling Lightnings" of the district carried on their tradition by participating in the following five district-wide annual regattas held throughout the season:

Memorial Day Regatta, Eugene, Oregon, Chinook Fleet 229 host.

PIYA Regatta, Seattle, June 30 thru July 2, Seattle Yacht Club host.

Labor Day Regatta, Maple Bay, Duncan, B.C., Maple Bay Lightning Fleet 64 host.

Fall Harvest Regatta, Eugene, Oregon, Chinook Fleet 229 host, Sept. 15.

International Invitational Series, Seattle, Wn., Lake Wash. Lightning Fleet 132 host, Oct. 6 & 7.

We are pleased to report renewed interest in the Lightning Class at Bellingham, Washington, and the addition of new boats in Nanaimo, British Columbia.

SOUTHEASTERN DISTRICT REPORT

District Commodore: S. Elmo Weeks

District Secretary: J. W. (Ted) Kelker

Official Measurers: R. G. Allen, R. A. Dietz

Fleets: Savannah, Ga. (127); Augusta, Ga. (257); Charleston, S. C. (288); Columbia, S. C.; Lake Lanier, Ga. (348).

District Report: The District Championship Regatta was held on beautiful Clark Hill Reservoir on May 19 and 20. Representatives from all fleets of the district were present. Fourteen contenders got under way in a fair North wind. The three-mile triangular course was to be sailed twice around plus a windward leg. Ted Kelker got the start but was soon overhauled by John McIntosh who held the lead around three marks. The wind then died to less than a whisper and virtually dead calm conditions existed. The race committee shortened the course to four legs, and waited for the finish. The lead boats who took the shortest course up the center of the lake became sitting ducks. The boats that took the long course up the west shore moved past the fleet. The first boat across the finish line after fourteen minutes and four hours of sailing was Gil Klemann, followed by Ted Kelker and Elmo Weeks. The temperature was over 100 degrees in the hot sun and without a breeze it was pot-roast conditions. During the race John McIntosh initiated an abandon ship procedure which quickly spread throughout the fleet.

The second race was started in the late afternoon using a shortened triangular course two and one-half miles long. This featured a short windward leg into the club cove, then down to the dam, and a reach to the finish line. John McIntosh got a good start by some very fancy maneuvering from above the line. He virtually stole the lead and kept it in the dying evening breeze. Roy Gordon, in second place, stove off the onslaught to the first mark, and followed by Ross Allen, finished in that order.

The first race Sunday was sailed in a fair Northeasterly breeze. In an effort to get three races in on Sunday, this was once around a short triangular course approximately two and one-half miles long. The reaching start was taken by Tobin on the windward end of the line and Kelker on the leeward. Spinnakers were immediately thrown by those on the windward end. The wind shifted slightly and the spinnakers were doused. Tobin led the fleet down the spinnaker leg, followed by Kelker and Artley. At the finish line, Artley out maneuvered Kelker and the finish was Tobin, Artley, and Kelker.

The second race Sunday was a triangular course taking the buoys to starboard. The slight breeze that existed was dying and it appeared that Saturday's conditions were returning. John McIntosh scampered out in front like a rabbit and had no competition in the dwindling wind. He crossed the finish line followed by Allen and Artley.

With disappointing wind conditions, it was unanimously decided to end the Southeastern District Championship, rather than drift out a fifth race.

District Championship Race results were as follows:

Skipper	Boat No.	Race				Place
		1	2	3	4	
John McIntosh	4872	7	1	5	1	1

This year saw the formation of two new fleets (Columbia and Lake Lanier) and with them a reorganization of the Southeastern District.

A new Official Measurer was appointed from our district—R. A. Dietz.

An interdistrict invitational regatta was instigated by Ross Allen of the Lake Lanier Fleet. This event promises to be a yearly highlight in the future. This year the event was held in conjunction with the Carlings Regatta. Cully Cobb of the Midwest District took the "ole jug" interdistrict trophy home with him. This regatta was such a success that next year there is some question as to whether beautiful Lake Lanier will be big enough to hold all the Lightnings from the Southeastern District who will be there to recover the "ole jug". It has been rumored that the Southern and Dixie Districts are also making plans to obtain the "old jug".

SOUTHERN DISTRICT REPORT

District Commodore: James Krippes

District Secretary: Richard Murray

Mr. Ed Overton (third from left) being presented trophy representing Gulf Yachting Association Lightning Championship

Fleets: Southern Yacht Club (62); Mobile Bay (135); Shreveport Yacht Club (175); Pass Christian (179); New Orleans Lightning Fleet (209); Pensacola Lightning Fleet (324).

The Southern District had a very enjoyable year in 1962, with the principal racing honors going to Mr. Ed Overton, who won both the Gulf Yachting Association Lightning Championship, and the Southern District Championship.

The sailing year gets off to a prompt start in the Southern District with the annual Sugar Bowl Regatta in New Orleans sailed during the New Year holidays, followed shortly after by the Mardi Gras Regatta held also in New Orleans during the Carnival season.

The Mobile Bay and Pensacola fleets participated in the annual Dauphin Island Long Distance Race on Mobile Bay, held this year on May 5 after the race was postponed one week because of bad weather. The Coast Guard had urged the postponement of the race the week before because of stormy weather moving in from the Gulf. While many protested the decision at the time, it proved to be wise as the weather grew worse as the day wore on and about noon a small twister passed over the Fairhope Yacht Club harbor, turning over and damaging several Lightnings. The race the following Saturday was very pleasant with a light north breeze making a spinnaker run over most of the twenty mile course. The first Lightning to finish was Ed Overton's with Jim Krippes of Pensacola coming in second.

The Gulf Yachting Association Lightning Championship was hosted by the Pass Christian Yacht Club on June 16 and 17. The three-race series was won by Ed Overton with Tom Allen second and Buck Ballatin third.

The Southern District Championship was sailed over the Bay-Waveland Yacht Club course on Bay St. Louis, Mississippi, July 13, 14, and 15. This regatta will be remembered by all who participated as being characterized by continually changing winds, both in direction and velocity. On several occasions, some boats were observed flying spinnakers on the same leg with other boats sailing close hauled. Ed Overton won this five race regatta with a 1st, 11th, 1st, 2nd and 2nd, followed closely by Tom Allen with a 2nd, 6th, 2nd, 3rd and 5th. The sixteen boats taking part finished as shown below.

Skipper	Boat #	Boat Name	Points
Ed Overton	7399	Mauvillian	68½
Tommy Allen	7282	Ticonderoga	67
Francis Favalora	2363	Annie	63
Jim Krippes	7349	Scallop	55½
Bob Kammer	8186	Voodoo	49½
G. Whitworth	6979	Dutch	49
T. Dreyfos	8187		47½
A. Arnold	7121	Hi Yala	47
C. A. Bernius	5484	Miss Cookie	44
B. Ballatin	6712	Shirley B.	37
H. Jacob	3196	Stars N Bars	30
R. Pringle	3498	Aeolus	25
J. Mullally	5556	Finale	22
D. Murray	7748	Fast Last	21
H. Thompson	3962	Disturbance	16
J. Mahler	7910	Tootsie	1

The Mobile and Pensacola fleets met again in the Fiesta of Five Flags Regatta sailed on Pensacola Bay the latter part of August. Again Ed Overton was the winner and our District Commodore, Jim Krippes second.

The annual Overton Lightning Regatta held by the Fairhope Yacht Club was sailed this year on the first week-end in October. The three-race series was won by Francis Favalora of New Orleans. Francis skippered his boat Annie (#2363) to two 1st place finishes and one 3rd place finish to win the series.

Lightning skippers in the Southern District are now looking forward to the Frost Bite Regatta held at the Pass Christian Yacht Club on Dec. 1 and 2, and then to start the new year of racing one month later at the 1963 Sugar Bowl Regatta.

SWISS DISTRICT REPORT

District Commodore: Claude Lambelet

District Secretary: Boris Sjosted

District Champion: As de Carreau IV (skipper J. P. Luthey)

Runner-Up: Quand-Meme (skipper Hans A. Luthey)

Double-decking in Switzerland. Garoupa and As de Carreau IV ready to leave after the Swiss District Championship

Fleets: des lacs de Neuchatel et Morat (169); Zurichsee (219); Sempachersee (250); de la Bordee de Tribord (268); Vierwaldstattersee (281); Greifensee (309).

District Report: The great event of this year has been the extraordinary increase in the number of Lightnings in Switzerland, thanks to the development of fleet 219 from the lake of Zurich,

after a few "recessing" years. This fleet actually organized the District Championship, without, of course, being able to regulate the very changing winds. Nevertheless, the regattas were run from the first to the last with the fairest combativeness. Final standings were:

District Champion: 8192 As de Carreau IV
 Runner-Up: 5181 Quand-meme
 Third: 6396 Falcon
 Fourth: 7467 Garoupa

For the first time in Switzerland, an experience of double-decking has been tried for bringing boats of fleet 169 to Zurich. This first expedition with two Lightnings on a trailer has been very successful, and we are sure that other Lightning sailors will follow this example for future races.

Our dynamic vice-president, Hans A. Luthy, accompanied by his charming wife, who also acts as crew, went to Finland to race in the European Championship of 1962. They met again old friends and greatly enjoyed the regatta, with a borrowed Finnish Lightning so much the more. This was their first experience on the sea. The result foreseen has not quite become the exact reality, but be careful, Quand-meme will be surprising the next time!

We may say that the development of the Lightning Class is very encouraging when we think of the invasion on our lakes of other new classes. The fact that the IYRU finally recognized our class will undoubtedly be very profitable for the future of the Lightnings.

This report has unfortunately to end with a very sad note. Our district lost one of its best friends on the 29th of July in Langenthal. Paul Zurlinden, 42, skipper and owner of Chrabi II, 7586, died after a few months severe illness. We'll never forget the strong personality of Paul who always crystallized altogether the sportsman, the perfect chief of his family and the true expression of the happy life. Our thoughts still remain with Marianne and his children.

TEXAS DISTRICT REPORT

District Commodore: Bob Giles
 District Secretary: Pat O'Neal
 District Champion: Bob Giles
 Runner-Up A. B. Patterson
 Fleets: Dallas Corinthian (35); Fort Worth (232); Lake Dallas (282); Chaparral Lightning Fleet (322).

District Report: This year organized Lightning activity centered in the Dallas—Fort Worth area with no participation from the Austin Chaparral Fleet. The arrival of several new Lightnings sparked quite a bit of interest. The results of the hotly contended Texas Championships sailed July 7-8 were:

1. Robert E. Giles, Jr.
2. A. B. Patterson
3. Jack Perkins
4. M. Fagin
5. Arthur Nazro
6. D. Kamperman
7. K. Fagin
8. E. Lehn

The Tri-district Regatta at Shreveport was as usual well-organized and pleasantly hosted. The idea of Lightning participation is to encourage competition between the Central States, Southern, and Texas Districts Lightning Skippers; but the event is open to all comers. Dates are unsettled for next year, but generally it is in May. Results of this year's Tri-District sailed May 11, 12 and 13 were:

1. A. Nazro—Dallas
2. G. Griffith—Shreveport
3. B. Lawton—Shreveport

Each year the races are racier and the fun is funnier (or vice versa), so come on down to the land of year round sailing.

Texas has a number of Lightning skippers that are showing the usual Texas independence. As an example, there are, at last report, 10 Lightnings sailing on Lake Sabine at Port Arthur. Considering conditions there, they are probably some of the best skippers around; but they have/will not organize a fleet. Maybe they will attend the Mid-Winters held in Houston in February. It's only 80 miles men. For some shallow bay sailing under astounding conditions, the Mid-Winters is recommended.

If Texas, with its year round sailing, will organize inter-fleet communication and competition, I would like to suggest Corpus Christi Bay, or Lake Travis, or Lake Texhoma as the scene of the 1964 North American Championship.

LIGHTNING TRAILERS

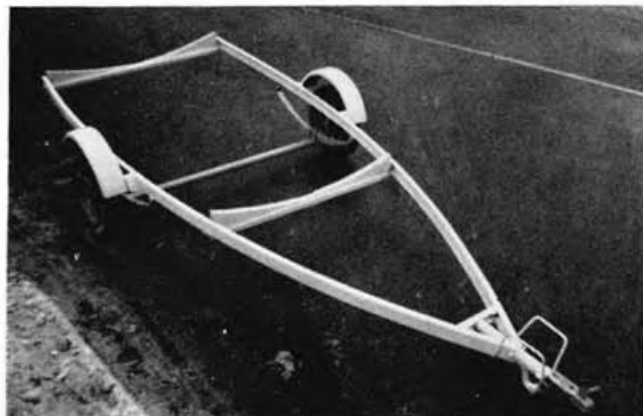

Suppose you were to design a Lightning trailer?

Wouldn't you want the safest most dependable trailer possible?

How about using structural steel curved to the shape of the boat, then some cross members of the same material?

And for the suspension wouldn't you use heavy duty leaf springs? And an extra strong 2" diameter axle?

Now for the wheels — Wouldn't you use some big 5.00x15 tires that roll freely over the most irregular ground, and last a lot longer than those little ones besides?

You have now designed an especially safe, dependable and good looking trailer, but all this has been done for you.

The Eagan Lightning Trailer has all these features and more.

For example—

- Lights, brake and directional.
- Double carrying handles at front.
- Lever action trailer hitch.
- Riser for front end.
- Fenders to keep down dirt and water.
- All welded construction.
- Can be used to carry all types of boats.
- Proper balance.

WESTERN LONG ISLAND SOUND DISTRICT REPORT

District Commodore: Walter Scott, Jr.

District Secretary: Hugh E. Brown

Fleets: Western Connecticut (7); Larchmont (32); Little Neck Bay (55); American Yacht Club (96); Northport Bay (98); Execution Rocks (106); Manhasset Bay (133); Hempstead Harbor (138); Eastchester Bay (163); Pirates Cove (323); Cold Spring Harbor (89).

It is my sad duty to report a fall-off in the number of fleets in our District from 13 to 11 and a fall-off of paid up members of from over 200 to 147. Some of this is probably due to the entry of new fiberglass classes in the area. It is hoped that, through the diligent efforts of class members and their officers, this sad state of affairs will be overcome.

The Lightning in our District is largely a boat for Junior activities and some of the results for the 1962 season follow:

This year Fleet No. 1 enjoyed a fine racing season which was enhanced by good winds during the entire season. The regular racing season consisted of two Saturday Series and two Sunday Series with the fleet championship awarded to the overall winner.

Fleet No. 1 was represented at all the central New York area regattas. S. G. Reynolds #7947 won first place at the Sodus Bay Invitational at Sodus Bay. Hugh Dietz #1905 won first place at the "Centrals" at Ithaca Y.C. and First place at the Onondaga Lake Y.C. Invitational.

In July Fleet No. 1 was host to the Central New York "Districts". A wide variety of weather was available to the thirty-odd boats that participated. The first race was sailed in a good breeze and the second race was sailed in a real blow with several boats not finishing. The third and last race turned out to be a floater. The districts were won by Bob Jamison #7025 from Newport Y.C.

In addition to the regular Saturday and Sunday Series, a Long Distance race was sailed on the 4th of July and on Labor Day. The Annual All Lake Regatta was again a feature of this season's activities.

Fleet #3 opened its 1962 sailing season with its third annual Early Birds Series. The season's activities were hampered somewhat this year by foul weather and strong winds, and only four boats participated. Bill Dunbar's #2674 came in first, Ken Winter's #4174 second, and Earl Bach's Tag-Along appropriately won third place.

The Bay Head Yacht Club Summer Series began on Sunday, June 24, and ended on Sunday, September 2. We held only a "B" Lightning (wet boats) Series since there was only one "A" Lightning in our fleet. Jack Orelup raced his "A" boat along with the "B"s just for the sport.

The competition in the "B" series was very close all through the season. Sam Wyman maintained first place all season. However, second and third places fluctuated between Bill Dunbar, Skip Mason, and Louise Miller. The final standings placed Bill Dunbar's Dun-It-Again second and Louise Miller's My Gal third.

The Junior Lightning Series was won by Sandy Wyman in his father's boat, Midnight.

This fall a Die-Hard Series was scheduled; however, old Mother Nature had other ideas. After four weeks of cancellations, and one five-man-per-boat in 40 mph winds, we all decided to haul out and stow the gear for the season.

The biggest event of the summer for Bay Head was hosting the Atlantic Coast Championship Regatta on the weekend of August 4th and 5th. Twenty-three boats sailed the triangular Green Island course in light to moderate winds. Jim Carson of the Metedeconk River Yacht Club came in first; while our own Marge Alexander and her brother Bob Adams took 5th and 6th places respectively.

All in all as we look back over the summer of 1962, it was one of the best racing and sailing seasons our fleet has experienced in a number of years. Although we lacked an "A" fleet, our "B" fleet continued to grow. Next year rumor has it, that some "B" Lightning skippers are going to switch to the "A" class.

Good luck and smooth sailing in 1963.

The weather and our race course committee had a hard time getting in phase with one another, but eventually our new Olympic course was set. This proved a real boon in getting the race committee boat out and providing good weather starts. The Early Bird Series and one of the Ding Dong Series races were postponed and later abandoned because of the lack of a race course.

The racing season this year was divided into four series. The top half of the Fleet sailed the Fleet Championship Series. Eight boats qualified for standings in this series with Bill Wingard taking his perennial first. Bruce Goldsmith was giving Bill a real run for his money when Bruce broke his mast and did not get it replaced in time to sail the required number of races. Jay Doty finished the series and then answered Uncle's call to help keep the world a safe place in which to live. Jay tied up second place before he left. John Burke, our club's able Commodore, and Midwest District Secretary, found time to sail his way into third place. The boats that did not sail in the Championship started five minutes later in the Commodore's Cup Series. Jim Carroll took home a nice set of hardware for his efforts. Cliff Stettler finished second. The combine of Don Leeker and Al Yochim took third.

Five boats qualified for standings in the Commodore's Cup Series. The Ding Dong Series is a whole fleet series scheduled to allow the top boats to go to other regattas without missing scheduled Championship races. Ten boats qualified for standings in this series with top honors going to Earl Ross. Second and third places went to John Burke and Dick Hinze, respectively. The Wednesday evening Moonbeam Series suffered from lack of wind, lack of race committee, and unusual start and finish lines, but first place was awarded to Earl Ross, second place to our fleet Captain Don LaCross, and third place to Ralph Weninger.

Our club had the great fortune to once again be host club for the Midwest District Regatta. Although the regatta was sailed in cold rainy soup, a good time was had by all. Bruce Goldsmith, by virtue of winning the districts, was our number one standard bearer at the North Americans. Bruce unfortunately was still plagued by bad luck and so goes another year. Bruce was accompanied to the Buffalo Canoe Club by our other entrants, Earl Ross and Jay Doty.

The season found us giving our all at the local regattas; the Burnham Park Small Boat Regatta, our own Gim Hobelman, the George Orr and Chicago's finest—the Red Flannel Regatta.

And so once again the season is over; the bottoms are scrubbed, and masts hidden away, and the trailer up on blocks.

Fleet #6 had another active year with sixteen of the boats sailing in thirty-two scheduled races plus the Powder Puffs and Juniors. Members of the fleet also participated in Regattas at Milford Fleet #238, Black Rock Fleet #17, Cedar Point Fleet #126, Branford Governors Cup, Conn.—Rhode Island Districts, North American Championships and Quantico (a third place for Dave Peterson.)

Bud Olsen also sailed to a sixth place standing in the winter southern circuit.

The season started with the Housatonic Boat Club's 75th Anniversary dinner dance at the Long Shore Country Club. Later on, the Fleet held a Diamond Jubilee Regatta Day as part of the anniversary program.

Three racing dates with six scheduled races were designated as qualifying events to select the Fleet's representatives in the "Districts". The final race started under threatening weather conditions with the six qualifiers still to be determined. Twelve boats had rounded the second mark on a spinnaker reach when a "white water" squall hit. Three went over with a loss of some equipment. The rest of the fleet was widely scattered over Long Island Sound. With the help of friendly power boats, all were righted, rounded up and returned to the home port.

Three Fleet #6 boats survived the district eliminations at Niantic and went on to place in the North American Championships on Lake Erie. Bud Olsen came back with a sixth place, Dave Peterson with an eighteenth and sixteen year old Dave Chanoux brought home second place honors in the President's Cup.

The much talked about, much planned launching dock was completed by the end of the season and will be ready for use in 1963. Four piles were driven parallel to the shore and out beyond the low water mark. Members of the Fleet man-handled about thirty used telephone poles, stacking and bolting them to the piles and forming a crib back to the river bank. After hundreds of yards of fill were dumped into place, concrete was poured for the hoist base.

The realization of a five year dream.

Fleet #6 will be the hosts for the 1963 Conn. Rhode Island "Districts" as the result of Dave Chanoux's 1962 standing.

Fleet 7 runner-up Hugh E. Brown—foredeck crew (his wife) hiked out—this is her limit!

Our fleet includes members from Greenwich Cove Boat Club, Rocky Point Club, and from Belle Haven, Indian Harbor and Riverside Yacht Clubs. Of 22 local races scheduled this year, 21 were held. Carter Ford and Hugh Brown were first and second respectively.

Our members participated in various outside regattas with good results as follows:

North American Championship, President's Cup—Carter Ford 1st; Atlantic Coast Championship—Carter Ford 2nd, Kevin Keogh 15th; Long Island Sound Championship—Carter Ford 4th, Judy Waterman 9th; District Championship—Carter Ford 2nd, Kevin Keogh 7th.

Long Island Sound Girls Championship—Kathy Keogh, 4th. Manhasset Bay Race Week—Judy Waterman, 1st, even numbered boats and winner of George H. Wicke Trophy for the Best Female Skipper.

Larchmont Race Week—Judy Waterman—6th, even No's., Kathy Keogh—6th, odd No's.

Our Fleet this year operated under a Class A and a Class B group . . . Class B consisting of boats under the 5000 number. Winner of this group was Frank Cobb.

We had one of our finest racing seasons as is shown by the fact that we were able to hold 21 of 22 races,

Our Juniors were quite active this year, entering the following regattas:—

Sea Cliff Junior YRA of LIS—July 23rd—20 Boats—1 Race

Judy Waterman 3rd
Kathy Keogh 4th
Sandra McCullough 7th

Long Island Sound Girls Championships—July 30, 31, August 1st.

Held at Belle Haven Beach Club—(17 clubs represented)

Championship Qualifiers—Top 5 of 17 boats—5 races.

Kathy Keogh 4th

Special Series—12 boats—5 races

Sandra McCullough 1st

(1961 Champion Nanette Grant)

Indian Harbor YC was represented by Debbie Ashley

Rocky Point by Christie Thompson in "Mary Jane".

LIS Junior Sailing Championships—Noroton—19 Clubs represented—5 races.

Championship series top 5 after 3 elimination races

Special series for remaining 14 boats

Indian Harbor YC—Walter Pierson 2nd

Rocky Point Club—Dwight Gesswein (Mary Jane) 3rd

Belle Haven B.C.—Kathy Keogh 4th

Riverside Y.C.—Peter Muller 10th

(Winner of Shipshape Trophy for "Good Housekeeping" went to RYC)

Manhasset Bay Junior Race Week—27 Boats—3 Races— Aug. 13, 14, 15.

I have no record of the final results for this but understand that Dwight Gesswein of the Rocky Point Club in "Mary Jane" placed 2nd. Others—Judy Waterman & Kathy Keogh.

We are looking forward to an expanded fleet in 1963. We already know of at least one new boat out of Riverside . . . Miss Jane Hall with an Etchells boat.

Part of 51 boat fleet at Niagara Frontier Invitational — Buffalo Canoe Club

Fleet 12, the home fleet of L.C.A. Champion Tom Allen, fired the first starting gun on May 5th in fair weather to launch a memorable season that saw our sailors gain top honors in the North American Championship, Lake Erie Districts, Niagara Frontier Invitational, Lake Yacht Racing Association and in Regattas all along the Niagara Frontier.

We are very proud of the showing that Tom Allen, Karl Smither, Tom Fallon, Charles Obersheimer and Dick Ferrick made in the North Americans, a Regatta which we and our many visitors, will remember as a well organized, well run championship and a model for future L.C.A. Regattas.

From the very beginning the North American Championship had an effect on our Fleet. In the Niagara Frontier Invitational, sponsored by the Buffalo Canoe Club, 51 boats with skippers and crews from the hottest Lightning Fleets in the country came to test the waters of Abino Bay, the future site of the Championship. Tom Fallon with his new Flare II sailed expertly in light and heavy air to take first place over George Fisher of Columbus, Ohio, Tom Allen, Bob Adams of Glenside, New Jersey and Bill Hughes of the B.C.C.

The Lake Erie Districts this year were held at Chautauqua Lake, and with the first 9 places in the series qualifying for the North Americans, 59 boats entered the series with our Fleet having the best representation. Our skippers making the 100 mile trip were Paul Stievater, Bob Adams, Dr. John Hylant, Tom Fallon, Tom Allen, Karl Smither, Dick Ferrick, Charlie Obersheimer, Bill Hughes, Al Bernel and Bill Heausler. The District Championship was won by Tom Allen, who finished 1st in 4 of the 5 races followed by Tom Fallon 3rd, Karl Smither 4th, Charlie Obersheimer 5th and Dick Ferrick 8th.

In other races during the season, Tom Allen again won the Club Championship followed by Tom Fallon and Karl Smither. In the Clambake race to Port Colborne Karl Smither beat out Tom Fallon at the breakwater in light air, followed by Dick Ferrick and Bill Heausler. Always an interesting race, the Iffenpoof, single handed for skippers only, was won for the first time by Tom Fallon over Champ Tom Allen and followed by Towney Wilson and Bill Heausler. These are other 1962 race results for Fleet 12.

Our season ended on Albino Bay with the Fleet 12 series, but new boat the Orangecrate, made by Allen's Boat Works, Joe Bergantz's Berg, Dennis Doyle's Co-Motion, Charlie Obersheimer's Little Sister, Al Bernel's new Spectator Boat and Jack Sloan's Linament II.

Our Juniors were very active this year in a well organized sailing program. Bill Bergantz, using his father's boat with brother and sister for crew, won the Junior Championship over Curt Montgomery and Jeff Bernel. In the Junior Scorekeepers, Jeff Bernel used his father's boat and steady sailing to win over Bill

Bergantz in Berg and Jim Eagan in Pawnee. Curt Montgomery and Jeff Bernel were very close in the Franclemont Memorial, finishing in a tie with the victory awarded to Curt by a tie breaker. Joe Hylant in Sham was a close third.

Billy Hughes, Jr. who sails his father's boat, Restless, and crews for Tom Fallon, was awarded the Phil Savage Trophy for the most improved Junior sailor.

The girls in the Fleet competed for the Mother Carey Trophy, a skipperette series in which only one male is allowed as crew to add muscle and brawn. Anne Allen, who also received the Bob Montgomery award for the most outstanding woman sailor, won the series over Mary Lee Hylant in Suzy and Bonnie Jehle in Cajun.

Our season ended on Abino Bay with the Fleet 12 series, but most of the boats went to the Niagara River for the annual Sandy Beach Haul-Out Regatta, which Allen won with Fallon 2nd.

The 1962 activities of Fleet 13 started in the dead of winter. Ed Kruszona's cellar was the place where an old hull donated to us was reconstructed and fitted out as a committee boat, a large part of the work being done by Ed. We were fortunate to find a couple of patient souls who served as committee most of the season.

We also constructed some large "permanent" marks. After furnishing two sets of ground tackle to vandals we were able to keep the marks in place. We use a permanent course since this helps out our committeemen and because of the geography of the reservoir. Things went much more smoothly this year with the marks there all the time and we also used them for Saturday practicing.

After our annual thunderstorm washout in June we settled down to business. An average of 12 boats raced each Sunday and 17 boats in our fleet participated. Jack Mangan won the July series with Ed Dean second and in the August series the positions were reversed. Dean took the season title with Mangan second, and Ed Kruszona a close third. Dean represented us at the Districts, sailed at Nyack and at Quantico, and Kruszona went to the Winnepesaukee Annual Regatta.

We were happy to assist the local Jet 14 fleet in their regatta which was a success in spite of the lack of wind. Both fleets gained by the publicity and we both got some regatta experience.

The Awards Dinner in October wound up our season.

CENTERBOARD YACHT CLUB (14)

New England District

Sailing on Casco Bay, South Portland, Maine

Fleet Captain	Granville Dyer
Fleet Secretary	Albert E. Moore
Fleet Champion	Al Moore
Runner-Up	Geo. Huettl

Boat No.	Boat Name	Skipper
1746	Cormorant	George Huettl
2461	Mihilini	Stephen O. Beecher
3202	Hi-Ya	Ralph Strachan
3203	Ginger II	Granville Dyer
3277	Mach II	Bob MacDonald & Hugh Cameron
4526	Maura	William Willworth
7004	Tym-N-Tide	Albert Moore
7226	Steve Beecher

Once again it is time to store the boats away for the winter and start planning for next year. The 1962 season has seen Fleet #14 completing its 25th year of active racing with the competition as keen as ever. Al Moore, in Tym-N-Tide, repeated as Fleet Champ again this year and once again there was a dogfight right down to the last race for 2nd spot. Ralph Strachan, a newcomer in the top three, won more races than anyone else but fell back in the last race to allow Geo Huettl in Cormorant to slip past him in points and take second spot. Ralph took third.

We again held the State of Maine Lightning Regatta and for the third year in a row Dunc McInnes of Marblehead, Mass. took most of the trophies, including the top one. Jack Burwell of Fleet #244 took second and also the State of Maine Trophy for the first Maine boat to finish. Fine weather and good winds made this one of the finest Regattas yet. Twenty-four boats competed in these races.

In the absence of the interclubs which are usually held each year, a new Casco Bay Lightning Regatta was held at Wildwood with about 15 boats competing. With a new group of fellows on a Regatta for the first time and with the wind making it tough for them to set good courses, some unusual races were held but fun was had by all and it is expected that this may become an annual event.

With some changes being made in some of the boats, new sails, and at least one new boat for 1963 it looks like next year will be better than ever for those of us who are fortunate enough to sail on the best water anywhere.

More than the usual number of medium to heavy air days gave our skippers little chance for drifting and dreaming this year. There were some wild spinnaker rides with the skipper shouting to the spinnaker sheet man, "Let her go, let her go". Well, two boats went over our very first run of this season. Over went our best skipper—and he got just as wet as the also-rans who went swimming.

So here's the way we finished for the entire season's series:

- 1st : Graham Hamilton (with small son and wife as crew).
- 2nd: The Ludlows (Son, Tom, and Pop, Dave, alternating skippers).
- 3rd : Hank Fretz, usual perennial winner.
(Was that mast bent too much, Hank?)
- 4th : John (Cupid) Giles; Sally & Jim, his crew members sat so close on the deck they've asked the clergy to make it for keeps.
- 5th : Bill Sitterley gets hotter each year.
- 6th : John Folwell was up front so many times it was frightening.

The Robbins handicap series was won by Dr. Dick Porter with Bill Patten and Harvey Mason in attendance as male nurses grabbing the sheets.

The Achievement Trophy was well-earned by Bill Sitterly, who really learned how to handle "Little Women" (his craft).

Short series during the season went to the following:

Herb Axford Trophy: Hank Fretz
George Miller Bowl: Graham Hamilton
Ericsson Trophy: Dave Ludlow

We conclude with applause to Max Munsell and Tommy Kenyon for leading our Race Committee which did a fine job and contributed so much to the success of our racing season.

BLACK ROCK YACHT CLUB (17)

6445	Quick Trick	John S. Barton
6553	Flair II	Miss Gladys Allison

8270 Maggie Russell Jones
8275 Sudara III Ralph B. Sperry

At the helm of Ketchup II is Lee Demarest, Captain of Fleet 17

For the past several years John Barton and Lee Demarest have handed back and forth the Daniel C. Patterson Trophy awarded to the champion of the Black Rock Fleet. When one skipper had the trophy the other held the title of runner-up. During the 1962 racing season two competitors of John and Lee captured both honors. Russ Jones, a Lightning skipper for only two years, won the championship. An unpredictable sailor with a mind of his own, Russ more than once defied the accepted laws of racing to win, at the same time taking first place in the second series and second place in the first series. Ralph Sperry, whose determination and enthusiasm proved contagious, was runner-up. He took second place in the second series. In a close contest with Russell, Lee won first place in the first series. John Barton took third. Third place in the second series was won by Gladys Allison. All races were held on Sunday afternoon, for the Saturday series was discontinued.

For the special series race awards were evenly distributed. The Fourth of July competition was won by Lee Demarest. John Barton took second and Russ Jones third. Russ won the Labor Day series, with Ralph Sperry second and Garry Demarest, skippering the Flair, third. For a special race Sherman Chantland, Chairman of the Race Committee, presented the Chantland Trophy for the first time this year to John Barton. Lee took second in the race and Ralph Sperry with steady crew member, Bill Chantland, took third.

Always a gala event, the annual Black Rock Regatta was a highlight of August's activity. Ken Ireland of Milford Yacht Club and Dave Peterson of the Housatonic Boat Club placed first and second respectively. Lee brought home third for Black Rock.

Fleet 17 was represented in the Connecticut District Championship at Niantic Bay Yacht Club by Lee Demarest, Russ Jones, and John Barton. Winning fifth place and thus eligible for national competition, Fleet Captain Lee trailed Ketchup II to Buffalo, where with his crew, Karen Sauer and brother Garry, he participated in the 1962 Governor's Cup. In the two closely-contested first races Lee placed first. At the end of the third, in which he finished tenth, he led by one point. Due to a rigging failure he was unable to finish the fourth race. With a fifth in

the fifth, his final position, despite the failure, was a very respectable sixth place. For his outstanding performance outside the club, Lee received a trophy that will be perpetual, presented by John Barton.

Since reactivated two years ago, Fleet #19 has grown from 2 boats to 12, with at least 2 more definite prospects for next year. It is a fast-growing fleet held back only by the lack of good used boats for sale in this area. Our biggest problem—the Lightning demand exceeds the supply.

During the past season, 32 races were sailed, including Saturday and Sunday Series, Wednesday evening races, the traditional "long" races on the three holidays, and the annual regatta with Fleet #198 held this year at their end of the lake with the Clarks as hosts. This is an event which all of us at C.L.Y.C. try not to miss. Next year's plans are to expand into different race courses, plus "fun" races where we make our own rules. These "fender-benders" should provide some interesting races.

Again this year, an older boat captured the Fleet Championship Cup. By consistent sailing, Joe Seger in "Just Ducky" compiled the highest accumulative score. Frank Shearman in "Peg-A-Miss" followed close behind as runner-up. As usual, we had our variety of weather. From 35 mile winds to flat calms, but nearly every race saw at least 75% of the fleet in action in each race.

Highlight of the season was the Lake Erie District Championship held at C.L.Y.C. in August with 59 Lightnings participating. This was the largest District Regatta in the history of the Lightning Class and it was truly a great pleasure to host such a terrific group of people. Our wind committee provided all kinds of wind to make sailing conditions ideal. Our thanks go out to Chautauqua Fleet #198, Cuba Lake Fleet #15, and Silver Lake Fleet #47 for their able assistance in making this a very successful event.

At our Fall meeting October 25, the fleet planned to encourage neighboring fleets in more inter-club racing which would include joining us in our regular racing schedule as well as several inter-fleet regattas. It is our hope to set up annual invitational events throughout the summer.

We are looking forward to 1963 with enthusiasm and hope the winter will be a short one. In the meantime, we'll try to keep sharp by sailing the next best thing—iceboats!

Our season was scheduled to start May 26th with a shakedown race followed by the first race of our Club Championship on Sunday, May 27th. Very few boats were ready and with small craft warning flags flying, postponement followed postponement. Our first race was not held until June 17th. From then on we were fortunate as far as weather goes and no more races had to be called off.

Our regular Club Championship series consisted of eight races held each Sunday except when Regattas were being held at other clubs in the District. Of these eight races Harry Spitz took five firsts, Jim Murphy two firsts and Jack Horton, one. When the points were totalled up for the series it was Spitz, Club Champion, Murphy second and Horton third.

In our July 4th Regatta we sailed two races. Here again it was Spitz first with Murphy second. Halley and "Doc" Remich were tied for third.

During the Labor Day weekend we succeeded in getting in a good six race series. The Spitz boat was not home from the N.A. Championships for the start of this series so it was wide open. The Halley boat took three firsts, Horton two firsts and Murphy one first. When the points were totalled it was Halley first, Murphy second and Horton third.

Our annual SandDunes Regatta was held September 8th and 9th. The Saturday afternoon race was sailed in good wind. This race was won by Bill Wingard. Harry Spitz was second and Bill Campbell was third. The Sunday morning race started in fair wind which gradually died down as the race progressed. The race was shortened and finished at the end of the fourth leg. At the finish it was Bill Campbell, Al Berg and Joe Stueland, in that order. The Sunday afternoon race started once more in fairly good wind which had picked up during lunch. However, as the race progressed the wind once more kept getting lighter. On the second and third leg, boats were drifting backwards, forward, sideways and in opposite directions. About half the starting boats gave up and paddled in. The ones who stuck it out were towed in. No matter how tricky and fluky the wind becomes the top boats always seem to stay up near the front. In this race it was Bill Campbell, Harry Spitz and Bob DeVries, in that order. The Regatta was won by Bill Campbell. Bill Wingard was second and Harry Spitz third.

Our fleet was represented by one or more boats at the following Regattas: Hoosierland, Indianapolis Y.C.; Small Boat, Burnham Park Y.C.; P. & T., Milwaukee Y.C.; Hobelman, Corinthian Y.C.; Midwest District, Corinthian Y.C.; Red Flannels, Burnham Park Y.C.; Knockdown, St. Joseph River Y.C.; North American Championship at Buffalo C.C.

Fleet 23 opened their sailing season with a Spring Tune-Up Regatta in May.

Our main regatta at the club was held in June when we were host for the Ohio Inter-Club Yachting Assn. Regatta. We had a fleet of 28 Lightnings out of 78 boats and 7 classes so we feel the Lightning Class had a good showing.

Racing against Highlanders and Interlakes in our own series, the top 3 Lightnings were Tom Wilkins sailing his "Glass Slipper" to 1st place, Charles Lutes in "Chuck-L" for a 2nd place and Dr. Robert Gill taking a 3rd in his boat "Bunion Too".

All in all the weather and winds were pretty good to us and we hated to see the last Lightning leave its dock on November 18th for winter storage.

Next season we hope to have several new Lightning skippers to add to our growing list.

Start of the Fall Series at Leatherlips

Sailing on the Scioto started off with warm and beautiful weather for the 1962 sailing season at "Leatherlips". Our Lightning fleet was enhanced by two new Lightnings belonging to Ernie Hirschfield and Ed Marlowe. We started the Spring Series April 29th; Bucky Powless won the series and Ernie Hirschfield placed second.

Our own Pow Wow Regatta rolled around in July and although the weather was damp it was a successful regatta with competitive racing and good fellowship. Ernie Hirschfield won second place in the Pow Wow races. Ernie hadn't named his new boat up to that time, but after the Pow Wow he christened his boat with the original name of "Won-One-Once".

Bucky Powless, our fleet champion, journeyed to Indiana and honored our club by winning the Hoosierland Regatta. Another out of state regatta at Quantico stimulated interest at our club; Ed Marlowe placed 12th in this competitive regatta.

Our Summer Series was won by Bucky Powless with Ernie Hirschfield as runner-up. The last series or Fall Series consisting of five races began September 9th. This series was won by Ernie Hirschfield, second place Ed Marlowe, with third place going to Dave France.

Looking back on the 1962 sailing season, we find that although it was never windy enough to suit most, it was a lot of fun and many of us are now working on our boats and dreaming of the upcoming 1963 sailing season.

DEVIL'S LAKE YACHT CLUB (31)

7480	Sparkles	Bill Girkins
7848	Razorback	William Wynn
8225	Whoopee	Ken Kennedy
8381	Fafnir	Carl Benz

Fleet #31 is now the third largest in the Michigan District. We're getting there! And our Ken Kennedy is Michigan District Commodore next year.

This last spring we were missing Nick Young and his 7400, also John Goldsmith with his 7602. But we have gained the Engles and the Schmidts. Ed Engle took over 5208 from Carl Benz and Ed Schmidt got 4374 from Paul Hohenstein. Verne Ehinger sold his 2140 to Dr. O'Dell at Clark Lake, then bought 6525 from Ken Kennedy. Ken started the season with 8225 fresh from Nickels & Holman, and Carl Benz showed up with his new 8381 from the Tom Allen Yard.

The 1962 season was eased in with winter meetings, a March party, and really kicked off with the Memorial Day Races. Jack Beal won the Jack Gould trophy for this event, with Ken Kennedy as runner-up. Then Chuck Thompson won the John Oberst trophy in the July 4th Series, followed by Carl Benz. On August 11, we had our big fleet party and Round-the-Lake Trophy Race. This was won by George Siple with Ken Kennedy as second. The Labor Day Trophy Race was next. Jack Beal placed first, followed by Jim Reynolds. Barney Crittenden, Art Kunkle and Frank Smith

together negotiated for the purchase of a committee boat for the fleet. It is a sturdy inboard with a hard cab. It will be used for helping in Junior Sailing Program as well as a committee boat for Lightning races and regattas.

The climax of the season at DLYC was the Invitational Regatta for Lightnings, Interlakes and Rebels. Our Alumnus, Bruce Goldsmith, won the Lightning Class, followed by our own Carl Benz in his new boat.

In 1963, Dr. Bob Laidlaw will be our Fleet Captain. Under his guidance, and with the help of an eager fleet, we'll have the finest year of Lightning racing ever.

1962 Champion Beal (840) and 1961 Champion Kennedy (8225) putting the old squeeze on Capt. Thompson (6228).

TURKEYFOOT LAKE FLEET (33)

Ohio-Indiana District

Sailing on Turkeyfoot Lake, Akron, Ohio

Fleet Captain	Ed Duckworth
Fleet Secretary	Ann Nye
Fleet Champion	Clem Shriver
Runner-Up	Ed Duckworth

Boat No.	Boat Name	Skipper

554		Thomas Hutchings
570	Caper	Bob Castle
2395	Duckie	Edwin Duckworth
3435	Draggin'	Dale Burkhart
3461	Miss Blue	Lynn Nye

Fleet #33 welcomed two new members this year. Tom Hutchings brought his boat #554 from Lake Erie and Dale Burkhart, a long time SSYC member, but in the NOD fleet, took over Lightning #3435 from Tom Daugherty. Tom was a member without a boat this year, but we'll be watching for him to give everybody a good run for the trophies next year, as he'll be back with a new fiberglass boat next spring.

Clem Shriver and Ed Duckworth just exchanged the trophies they held last year. Clem won the fleet championship but Ed won the Turkeyfoot Regatta prize.

Members of the fleet plan to keep up on the latest Lightning news during the winter season by the monthly dinner parties which have proved so enjoyable in the past few years.

The 20th racing season of the Dallas Corinthian Lightning Fleet turned out to be one of the most active, in terms of participation, the fleet has seen in some years.

Three skippers entered their boats in the Dallas Corinthian Yacht Club Regatta (Lake Dallas) and the Fort Worth Boat Club Regatta, to get the season off to an early start. Both clubs proved superb hosts.

Two separate race series were established this year for a total of 32 races—16 per series. To determine the Fleet Champion and Runner-up, total points for both series were used. Trophy winners of the first series were: first place A. A. "Ted" Treadway with Willis M. McQueen in runner-up position. McQueen is Commodore of the Corinthian Sailing Club of Dallas. In the second series four trophies were awarded due to the greater number of qualifications. Richard G. Fagin, with his able crew of brothers, established himself as the skipper to beat in 1963. While fighting to hold first place in a race, brother Don climbed the mast to free a spinnaker halyard, the other brothers hiking far out to keep Wild Cat from capsizing. Competing skippers were undecided whether to disqualify them for carrying extra "canvas" aloft or to accede to their fine sailing ability. Fleet Captain Dr. Sylvan R. Newman fought for a hard won second place with Milton E. Price close behind in third place. Co-skippers K. Marshall Fagin and Jan Arps with the Fleet's newest Lightning, a glass boat, placed fourth. Contemplating the purchase of a new suit of sails they plan to give the fleet some real competition next season.

The club held a moonlight balloon hunt in July with boats of all fleets entered. A racing start found all boats jockeying for

a clear run down White Rock Lake. Much shouting, tacking, and confusion took place in the dim light when crews arrived in the stake out area, and everyone had an hilariously good time. Skippers preselected a balloon color (there being three different colored balloons to choose from) and prizes were awarded to the first skippers to bring in three balloons of the preselected color. The balloons were filled with air and carried a suspended lead weight to keep them from blowing out of the lake prematurely. As it turned out some skippers dropped their sails and paddled ashore to recover balloons that did get blown ashore before the hunt was over. A watermelon feed followed the race.

The Fleet gained some new members during the season and also lost a few. It was a net gain, however, bringing the total number of Lightnings to 15. New skippers welcomed into the fleet were: Jan Arps, Clark Beverly, Dick Fagin, and Jim Moss. Jim was Fleet Secretary of Fleet No. 232 last year.

Co-skippers Arps and Fagin, and Dick Fagin in the renamed Scissor Bill previously owned by his father, competed in the District Championships at Lake Dallas in July, but neither brought home any hardware.

Fleet 35 was sparked this year by the enthusiastic and concerted efforts of Fleet Captain Dr. Newman. We hope next season will prove even more exciting and competitive. Post season races were held by some of the hard core skippers and crews. An Open House was held at the Fleet Captain's home in November to rehash the season's fiascos and award trophies to skippers and crew members.

Season Results: George Prince 1st—Bob Harrison 2nd—Hilde-mar Johnson 3rd—Don Blasier 4th! New and unfamiliar names on the 1963 winners list at PYC where the fearsome foursome of Maltbie, Ruhlman, Hornby, and Knapp has held sway for 10 these many years! The new names on the winning roster were the result of the two-division system of scoring initiated this year by Fleet 36 which generated competition throughout the fleet, stirred

George Prince and crew members, Jim Rushin and Gerry Nagy

many a post-race hassle, and generally rejuvenated Lightning fleet enthusiasm during the past season.

After much pre-season discussion pro and con, it was decided to try the two-division system for one season so that results might be assessed in terms of building racing participation on the part of some of the less experienced skippers and others that have not had a chance at the hardware due to the tight competition in the past among the top third of the fleet. The ground rules for the summer competition were laid out as follows: The season would be split in half, the first half being devoted to an "Early-Bird" series of open competition due to the history of relatively few racing skippers participating during the first month or so. During the second half of the season, the Lightning Fleet would be split into two divisions, a Red Division consisting of twelve races to determine the Fleet Championship and a Green Division comprised of less experienced skippers sailing for their own series awards and championship.

Participation in either division was left to the discretion of the individual skippers on a voluntary sign-up basis which, surprisingly enough, resulted in no apparent inequities. So as not to lose the valuable experience of large fleet starts, both divisions hit the line simultaneously and competed throughout each race as a single fleet. For identification purposes, the Red Division flew identifying ribbons from their backstays but this was found to be unnecessary after a few races. Finishes were recorded by the Race Committee on a boat-for-boat basis and were separated out by boat number for purposes of posting standings following each race.

The success of the two-division system in encouraging active participation on the part of the less experienced skippers was readily apparent. Although overall fleet participation did not show any spectacular change during this first year of trial, the participation of novice skippers in fleet racing activities markedly increased, and overall enthusiasm for Lightning participation is expected to increase further next year with a continuation of the two-division program.

As usual, competition among the top contenders for the Fleet Championship was extremely keen with the added ingredient of embarrassment when Green Division boats found their way up into the top ranks of the Red Division at the finish line. At the beginning of the twelve race championship series, Paul Knapp took an early lead, having appropriated Chuck Maltbie's ace spinnaker man, Bob Baumgardner, as a regular crew member! It soon became apparent, however, that Frank Hornby, having won the Early-Bird series, intended a serious bid for the Fleet Championship and with wife Connie and E. L. Caldwell fast becoming a well co-ordinated crew, gave increasing indication that FADE was the boat to beat for top-spot honors. To add to the confusion of these rapidly changing standings, Jon Ruhlman was keeping RULER II in top contention with the able assistance of crew Wendy and Eleanor Hawn. Having lost sister Barbara to the professional handling, Wendy proved that she was second to none in spinnaker handling and soon had mother Eleanor trained to perfection. To the great surprise of no one, however, it was Chuck Maltbie who led the field when the final results were in. Having experienced some trouble in the early races of the series, Chuck finally got the kinks worked out of his new HOT CANARY III and proceeded to clean up in the closing races. Overall results for the 1962 Fleet 36 Championship were as follows:

Position	Boat Number	Skipper	Points
1	8330	Chuck Maltbie	74
2	2706	Frank Hornby	72
3	7320	Jon Ruhlman	71
4	5048	Paul Knapp	70
5	1919	Bill Legstrom	49

In the Green Division Championship, George Prince consistently stayed at or near the top spot to maintain a clear lead throughout the season. Under the provisions of the Fleet 36 two-division racing system, George, as winner of the Green Division, must race next season in the Red Division and there is no doubt that he will be a top contender since many races of the past season saw him finishing with the leaders of the Red Division. In his first full active season of racing with his present Lightning, Bob Harrison did an outstanding job with the aid of seven-year-old son Robbie as a regular crew member. Hy Johnson and Jim Wagstaff both turned in remarkable performances for not having completed the minimum number of races under the 2/3 option scoring system. Results of the Green Division Series were as follows:

Position	Boat Number	Skipper	Points
1	4652	George Prince	45
2	561	Bob Harrison	32
3	5580	Hilde Johnson	32
4	3845	Don Blasier	27
5	4282	Jim Wagstaff	22

The twelve-race Early Bird Series in which the entire fleet participated was dominated by Hornby, Knapp and Ruhlman, the final results being as follows:

Position	Boat Number	Skipper	Points
1	2706	Frank Hornby	165
2	5048	Paul Knapp	162
3	7320	Jon Ruhlman	160
4	1919	Bill Legstrom	145
5	2805	John Schwartz	139

The annual Fourth of July Regatta was a great success as usual, drawing not only boats from other Fleets in the Ohio-Indiana District but from Fleets as far away as Michigan and New York. Aside from the first day which was a bit lighter than desirable, the weather was nearly perfect and John Mueller and company from Cleveland Yacht Club walked off with top honors. Visiting yachtsmen were duly impressed with the newly enlarged facilities for dry sailing including 1800 square yards of paved boat-parking area and two adjacent electric hoists.

The O-I Districts at Put-In-Bay were attended by Maltbie, Hornby, Ruhlman, and Williams, with Chuck and Frank ending up among the qualifiers for the North American Championship at Point Abino. In the subsequent eliminations, both PYC Lightning skippers did a fine job with Chuck Maltbie garnering an eighth place overall in the final standings.

At a Fleet meeting held at the end of the season, Len Baker was elected Fleet Captain and George Prince was elected Fleet Secretary with Frank Hornby and Al Thompson appointed to head up the Race Committee for the coming season. To further stimulate Fleet enthusiasm, a mid-season cocktail-and-dinner party, with meeting following, was held by Lightning skippers and their wives on December 1. This turned out to be a roaring success with over sixty people attending, which is more than four times the participation we have enjoyed at regular Fleet meetings during the past few years. After dinner, the wives were packed off to another house to indulge in some planned entertainment in the form of gift-wrapping instructions from Len Baker's wife, Sue, who happens to be a professional in the art, while the men got down to the serious business of planning the racing schedule and ground rules for the coming season. This turned out to be a highly-charged session with much discussion from the floor. It's surprising what a few martinis and a good dinner will do to stimulate competitive enthusiasm! In fact, it worked out so well that before the evening was through, another similar meeting had been planned for early March in the hopes that the competitive spirit generated will carry right on into the 1963 racing season.

PUTTI-TAT with skipper Ralph Granowitz and his charming harem, wife, Rose and daughters, Ann and Susan.

This season was a long and eventful one for the fleet, though everyone does acknowledge that the season is never long enough. There was more participation by more boats in more races than in many a bygone year. There are high hopes that the same racing spirit will continue for the forthcoming year.

Last Year's Fleet Champion wound up in first place again, but not without really working for it. Jack Greenberg and the team of Becker & Finkelstein were breathing down the Champ's neck throughout the season. "Ollie" Alpert took time off during the racing season to get married and the Fleet members were hard pressed to find the logic. Oh well, what can you expect from girls?

If grim determination were to be rewarded, Sam Kadish would waltz off with all the hardware. Even with his leg in a massive plaster cast that boy was out there racing. Poorly perhaps, but, racing anyway. The unmarried co-skippers of the Juniper, Joe Faraone & Paul Moskowitz, had difficulty throughout the racing season getting their boat out to the starting line on time. They have a preference for night-time contests.

Besides the coveted Fleet Trophies, Miramar Yacht Club furnishes trophies to the winners of two special regattas. In the Lobel Memorial Regatta of July 1st, the winner's trophy was captured by Larry Fretts, Jr. Second and third place were taken by Jack Greenberg and Paul Shomer, respectively. In the Bachman Invitation Regatta of August 12th the winner's trophy went to Jeff Greenberg, with Sherman Leonard receiving the runner-up award.

The final standings of the season for the top five boats are as follows:

Joppa	Sherman Leonard	1820 pts.
Five Star	Jack Greenberg	1610 pts.
Adams Rib	Becker-Finkelstein	1570 pts.
Juniper	Faraone-Moskowitz	1305 pts.
PUTTI-TAT	Ralph Granowitz	1300 pts.

Fleet 39 continued to increase in activity and boats during 1962. Our fleet increased by 35% and the Chelsea Open Regatta was initiated. Chelsea Yacht Club will continue each year with an open regatta in September. Hear ye, join us each year for this fall season event. CYC also hosted the 1962 Metropolitan District Championship with wind to spare and congratulations to Oliver Filippi from Nyack.

The home racing season began with Memorial Day. Skip Nitchie took 1st with Carver Dumke 2nd and Van Vanderploeg 3rd. Nice going Van. This is Van's first season in a Lightning having sailed a Blue Jay in previous seasons. In the three major Club series races Carver Dumke again captured an overall first. Here are the results:

FIRST SERIES	SECOND SERIES	THIRD SERIES
1. Carver Dumke	1. Dick Armstrong	1. Carver Dumke
2. Skip Nitchie	2. Van Vanderploeg	2. Skip Nitchie
3. Van Vanderploeg	3. Bob Furr	3. Bob Furr

Welcoming congratulations are also due Bob Furr who joined the Lightning Fleet this year. Bob had been sailing a Sunfish; he was the one with the pipe and the dry tobacco. Bob also had made a fine showing at the Shattemuc, winning some hardware for his efforts.

The Labor Day Skipper-Crew race was won by Roger Smith with Richard Vanderploeg 2nd and Bob Berray 3rd. This year's Long Distance Race was a windward-leeward course between Chelsea and Poughkeepsie, once around. Dick Armstrong came in 1st with Bob Furr 2nd and Skip Nitchie 3rd. Bob Furr won the Frostbite series while Marv Schwab and Walt Neidhardt finished 2nd and 3rd.

The Chelsea Open Regatta was won by Walter Tripp from Minisceongo with Carver Dumke coming in 2nd. Other Chelsea skippers in the first ten were Skip Nitchie, Dick Armstrong, Bob Furr, Van Vanderploeg, Ed Matthews, and Jim Urey. We owe Skip Nitchie a vote of appreciation for his constant urging for an annual regatta and his efforts in making it a success.

Lightning skippers have been active both in and out of the racing circuit. Last winter an introductory course in sailing was initiated by Ed Matthews, organized by Dick Armstrong, and taught by several of Chelsea's Lightning skippers. There were 24 students in this class which was given as a part of the Arlington Adult Education Program. On Saturday afternoons during the summer Dick Armstrong and Hugh Ross conducted sailing sessions for Juniors who wanted to learn more about sailing.

Fleet 39 Champion—Carver Dumke

A number of skippers traveled to distant points for races. Skip Nitchie and Stan Szabronski raced at Nyack early in the season. Dick Armstrong substituted for Howard Mullin as Hudson River's representative to the Mallory semi-finals at Annapolis and came in 2nd. (Gardner Cox who won at Annapolis finished 2nd in the finals.) Carver Dumke, Van Vanderploeg, and Marv Schwab went to the Mid-Hudson's at Minisceongo. At Shattemuc a number of the Juniors were in attendance as crew. Racing were Bob Furr, Dick Armstrong, Skip Nitchie, Van Vanderploeg, and Hugh Ross. The close of the season saw Dick Armstrong racing at Quantico.

The 1962 Season Starts in October 1961.

Fleet Championship Boat Lost.

Fire Wipes out 1/3 of 1961 Fleet.

New Faces and New Boats Are Added.

Buckeye Sees Top Equipment Balance Competition.

The above sentences could singularly or combined comprise the title of our helter-skelter happenings of 1962. I will attempt to marshall the events of our fleet into a logical sequence of time. However, to do this I will have to start in October of 1961.

Tom Davis, who for three years sailed his Tweedy #721 very well, took possession of 8100 in time to sail it for the first time in the 1961 Snowball Regatta. He finished a respectable sixth.

After seeing this Lippincott beauty, Marty Headlee and Tim Fisher were convinced they too needed to splurge. Marty had been a skipper a few years previous to this event, and Tim Fisher was going to sell his 5010 and replace it.

However, including Tom Davis' new boat, 6 new Lippincotts hit the starting line in the spring. An unfortunate October fire at the Columbus Lippincott Company of Columbus cremated Fleet Champion George Fisher's "My Gail", John Ranft's top racing machine "Vagrant", Tim Fisher's 5010 and his new hull which had been just delivered, and others not part of Fleet #43. By the time the smoke had settled, all were furnished with new boats.

Sam Hays bought 8105 Bob Lippincott's Southern Circuit gem and Lloyd Filer purchased Bob Adam's hot "Vagabound" to round out the new faces and new boats.

To summarize the new faces were: Lloyd Filer, Sam Hays, and Marty Headlee; The new boats belonged to: John Ranft, Marty Headlee, Sam Hays, George Fisher, Tom Davis and Tim Fisher. Poor Jay Limbaugh and Bob Mann had old boats of one and two years respectively.

If you are now thoroughly confused, see the author next summer at one of the regattas.

Tim Fisher took delivery of his new Fim in time to make Savannah and St. Pete in February where he met Jay Limbaugh. Because of the plight of the working classes, neither could make the entire Southern Circuit.

There was a very good turn-out in April for the Spring Tune-up Series which were grouped into three sets this year. Standings were as follows:

- 1st Spring Tune-Up Series—(No races)
2nd Spring Tune-Up Series—(3 races) 1. W. J. Limbaugh, 2. J. Schneider, 3. Robert Mann.
3rd Spring Tune-Up Series—(3 races) 1. Geo. Fisher, 2. Tom Davis, 3. W. J. Limbaugh.

These races are run for the first three week-ends in order that all may have a rugged shakedown; however, there was a good indication that a shake-up was occurring in that new faces were going to steal the limelight this season.

George Fisher had an easy time during the early part of the year when he sailed eight consecutive firsts to win the Spring Championship Series. This series plus the Fall Championship Series were combined to determine the Fleet Championship. Thus it was evident George was on his way again. Jay Limbaugh and John Schneider sailed down to the last race before determining their respective second and third finishes.

Then it was off to the circuit for six week-ends before resuming fleet activity. We as a fleet did well, almost always dominating top positions. I'll let the record speak for itself:

June 16 & 17—Crescent Sail Yacht Club Invitational; John Ranft (only BLYC entrant) was 6th winning one race.

Ohio Interclub Yachting Assn. Championships: Tom Davis was first, Bob Mann 3rd.

June 23 & 24—Buffalo Canoe Club Invitational: George Fisher 2nd.

July 7 & 8—Pymatuning Yacht Club Invitational: Tom Davis.

July 14 & 15—Leatherlips Yacht Club Pow Wow Regatta: Tom Davis first, John Schneider second.

July 21 & 22—Cleveland Yacht Club Tune-Up Regatta: George Fisher 1st, John Schneider 3rd.

July 26, 27 & 28—Ohio Indiana District Championship at Put-In-Bay. George Fisher, 1st. This was his sixth championship in as many years. Tom Davis sailed a brilliant series to finish 3rd. John Ranft came in a proud 4th. Sam Hays, sailing his first Districts rounded out the Qualifiers with a 9th place finish. In 10th place and first alternate position was John Schneider.

We were very proud that 5 of the 10 top boats were Buckeye Lake sailors and especially the showing these boats made at Buffalo for the North Americans. Tom Davis, John Ranft, and George Fisher all sailed in the North Americans and Sam Hays sailed in the Governors Cup. George Fisher was in contention of placing high and finally finished a very good 7th place.

After thousands of miles, we finally came home to finish the 11 race Fall Championship Series. Jay Limbaugh and Marty Headlee started off this series with "upset-itus" in mind and until the final four races were sailed it looked like it might happen. George Fisher put the pressure on and finally captured this series with Jay Limbaugh a close second and new-comer Marty Headlee in a solid third place.

This climaxed the Fleet Championship races and had the familiar faces of George Fisher champion and Jay Limbaugh the runner-up. But, I sincerely believe that these two are going to have it even rougher next season with the intense competitive showing that the remainder of the fleet showed this season.

The Club Championship was sailed by the Fleet Champions and Runners-up of the different classes. The round-robin races were sailed in Highlanders for the Masters Cup. The Lightning Class is again proud of George Fisher and Jay Limbaugh for their fine representation. George Fisher won the Masters Cup in solid style and Jay Limbaugh sailed to the runner-up position.

The Snowball Regatta ended Buckeye Lake's fine season. This has become a must regatta on people's list for the fun, excitement, and sailing. However, this year we failed to have the wind that is usually accompanied in Fall. The party—a huge success. We kept the trophy at Buckeye with George Fisher finishing first.

This winter, we anticipate a greater season next year and look forward to an early start in April. Hope we can write as proudly next year and wish you all the same.

Comments from the beach at Silver Lake for the 1962 season: Bill Van Arsdale doing so much trailing this year he lost out in the Fleet Championship Trophy, however he did manage to qualify for the Swap Boat with a win in Carl Lyons new boat. Everyone was excited about the new electric hoist constructed by the members this past season and used to great advantage at the Harvest Regatta in September, over 50 boats entered. As with present day financial planning, a lot of deficit financing went into the new hoist. Actually the hoist does not belong to the club but to The Bank of Castile, or on default to the fleet secretary who under severe coercion signed the note without the consent of his South African Bonding Company.

New blazers and a newly designed Sea Serpent Crest are being proudly worn by the club members this year. Lots of winners with our new trophy and pennant award system and this combined with the handicap set-up compiled by our able racing committee chairman, Wales Wasson, has added a great deal of spirit to the weekly races.

Fleet Champion this year Harry Brown, with Bill Van Arsdale and Ed Willse runners-up. Pennant series, June, Harry Brown; July, Bill Van Arsdale and August, Harry again, with runners-up, Ralph Traber and Carol Caldwell. Bebedict Trophy was taken by Bud Van Arsdale and the Neal Trophy by John Willse. Old Sage Tom Fallon came down to our Harvest Regatta in September only to break a mast on the first day. He was one of many that ran into trouble in the 30 knot plus winds. The second day in a drifter he sailed in the "Tipsy" J. Emens boat and after finishing far back in the fleet he promptly condemned the boat as not

being seaworthy and Jay was forced to sell Cirrus. Our new Commodore in his inauguration address promised to run a "Tight" ship this coming 1963 season. I wonder how he means that.

The 1962 sailing season went quickly and well. Although there were a few racing days which provided little or no wind, the Lightnings raced nine seasonal races, plus the three regatta races during the Labor Day weekend. Good sportsmanship prevailed throughout the season.

David Forbes won two first place trophies, one for the season, the other for the regatta. Mr. Pederson placed second in the seasonal races and also received a trophy.

Our Fleet Captain for 1963 is Chuck Forbes. The Secretary of the fleet is Marcia Ferguson.

Fleet 50 Champion—"Here We Go Again"

The 1962 season proved to be Fleet 50's best with many activities, again under the able leadership of Ken Lawyer, drawing a nice turnout and a very successful racing schedule. The end of the year brought the Fleet up to 56 boats which we are proud to say makes Fleet 50 the largest in the Lightning Class Association.

Local racing consisted of a spring series conducted by the Potomac River Sailing Association (PRSA) with Ben Smith (Senator from Mass.) first and Doc Gilbert second. The National Yacht Club sponsored two summer series with the top two boats being Doc Gilbert, Frank Bunch and Marge Ware, Walter Galvin. PRSA again came into the picture with the fall series won by Frank Williams with Doc Gilbert falling into the second slot.

Many of the fleet members found a great deal of pleasure sailing the regatta circuit in the Chesapeake Bay area. Again the hospitality extended was tremendous and greatly appreciated. Our members were not too successful in bringing home the silverware, but the memories and the good times certainly made up for it.

Several weeks of protests and a new boat later Frank Williams shoved off for Buffalo to represent Fleet 50 and the Dixie District in the North American Championships—again no silverware but a wonderful experience.

We finally broke the jinx in the silverware department with a second (Frank Williams) and a third (Doc Gilbert) in the President's Cup Regatta in which Washington hosted 38 Lightnings, 17 from our own fleet.

Our activities aside from racing proved of great value to many of our members. These included a sailing picnic, Wednesday evening sessions to help familiarize our newer members with sailing

the boat and another evening devoted to stepping a mast and the proper way to rig a Lightning. The tremendous interest expressed in the Lightning was evidenced by the many new members acquired during the season. Those who picked up used boats spent long hours revitalizing them, some were ambitious enough to build their own, Norman Moore, Jim Fletcher and Reo Duggan, while others were able to purchase new ones—Liz and Rod McNeil spent many anxious hours waiting the delivery of 8420 which made it in time for Quantico. Even the Marines jumped on the band wagon and brought their new boat (red and gold naturally) up and joined our schedule of events. All in all a good year with the hopes and outlook for an even better one next year.

Now that the LCA has achieved its long sought goal of being recognized by Olympic standards, giving us a more international flavor, the following thought, although corny, is believed appropriate. Have you heard about the Communist who wanted to get his son into the Yacht Club? . . . So that he would have a red son in the sail set!

Crescent Sail Yacht Club—Fleet 51

Henry Cawthra set an early pace for Fleet 51 in 1962 with a fifth place in Savannah and a second place in St. Petersburg.

The Detroit River Yachting Association Invitational was the first local Regatta of the season and it was won by H. Cawthra.

The event which created the most enthusiasm was the inauguration of our highly successful Crescent Sail Yacht Club Lightning Invitational in Mid-June. With thirty boats participating, trophies went to H. Cawthra (51), D. Nickels (53), F. Coggan (137), C. Grant (51), H. Nickels (53), in that order. A calypso band, dancing, and a lawn supper added to the festivities.

Fleet 51 fared well in the Michigan District Championship with H. Cawthra first, C. Grant second, J. Kohls fifth; R. Knop and C. Ellery also qualified.

Our own series of fleet races totaled thirty-six with only two races called off due to adverse weather conditions. R. Knop won the Fleet Championship with C. Ellery as Runner-Up.

The Sunday "A" series was won easily by C. Grant with H. Cawthra and C. Ellery placing second and third, respectively.

The Sunday "B" series was taken by R. Knop with J. Lesesne nosing out C. Ellery for second place by a fraction of a point.

The very popular Wednesday Night series was won by H. Cawthra with R. Knop in second place and J. Kohls taking third spot.

Other special trophies captured by Fleet 51 members in the area were the Lightning Squadron Trophy won by J. Lesesne and the D.Y.C. Kendall Trophy won by H. Cawthra.

Our members also participated in the weekly D.R.Y.A. Regattas on Lake St. Clair and received their fair share of the awards.

LAKE FENTON YACHT CLUB (53)

Michigan District

Based on Lake Fenton, Michigan

Fleet Captain	Robert H. Furey
Fleet Secretary	Robert H. Furey
Fleet Champion	Allen & Tomblinson
Runner-Up	David Furey

Boat No.	Boat Name	Skipper

6402	Dr. M. G. Fee
7344	Go Blue	Don Allen & Jim Tomblinson
7877	Blue Star	David Nickels
8004	Ol' Nick	Herman Nickels

For the second year Allen & Tomblinson won the top spot for the season. Dave Furey was second best. With many of our sailors doing a lot of traveling our own racing season was held to a minimum. Our fleet was represented at many of the regattas throughout the Midwest.

We were challenged by the Hamilton Yacht Club in a race series, which was a real man killer. The races were all sailed in one day. Three in Jr. Division and three in Sr. Division. On the over-all point total Lake Fenton was the winner. Next year we are to send our sailors to Hamilton Yacht Club, Canada, to continue this series. A fine time was had by all this year and as this series continues we expect a lot more fun and new acquaintances.

So until the weather is warm and the wind blows free, we'll just say—hope your best year in '63.

Pontiac Yacht Club—Clubhouse and Dock

The picture shows our forty-seven boats nestled in their slips, the Club house and shaded grounds at Cass Lake. It recalls the fun and excitement of the forty-five races held during the summer. We usually had twenty boats in a race, with some races having twenty-seven boats on the line. Fleet Captain Ken Bonnett kept things moving efficiently all year.

The season got off to a rather brisk start on May 7th, with a fine 25-30 mph wind out of the north to greet the skippers, who were still shaking the moth balls from their sails. Two didn't remember their heavy air techniques and went over in water which had the ice barely out of it.

We enjoyed being host at the Third P.Y.C. White Cap Regatta on September 22nd, with forty-six boats racing. Twenty-two visitors attended. After a rainy morning, an hour's postponement and a six-mile-an-hour wind, which went down to zero for one-half hour, the race was won by Herm Nickels. The wind improved for the second race, won by George Nickels, and the third race was won by Ken Lindsay. Silver bowls were awarded the first five places and were won by our visitors. First place, Herm Nickels, second place, Wes Wedrick, third place, George Nickels, fourth place, Jim Grant, and fifth place, Jim Harrison.

Besides competing in our own races, some of our skippers traveled to race at Traverse City, Higgins Lake, Gull Lake and Devil's Lake, Bayview, the Red Flannel in Chicago and St. Pete. We want to send a collective "Thanks" for the hospitality and excellent racing at all of these Clubs.

Phil Smith was first at Higgins, while Al Grey took a third at Devil's Lake. Leo Wasserberger won at Traverse City with Phil Smith second and Claude Bennett took third.

We sent twelve boats to the Michigan District's where Leo Wasserberger (PYC) placed third. Leo further distinguished himself by placing twelfth at the Internationals.

Our Junior program was well attended by forty-five juniors under the direction of Pete Goebel.

Quite a few skippers gave their crews a chance to demonstrate their swimming ability. These included Seaton, Roualet, Behler, Bouwkamp, Dick Wood, George Bery, Jr. and Ernie Scherer.

There were many of us who did not gather hardware, but did enjoy a fine, exciting season. Yes, it can be exciting to get ninth place or sixteenth place by three feet, and in many races only a few minutes separated the winner from tenth boat! We'll be back to try it again next year.

The Ray Ransom Best Sportsman's Trophy (by vote) was awarded Mac Goodwin and the Most for Club Trophy to Ken Bonnett, Sr.

The Most Improved Skipper (Holman Cup) was awarded to Ken Bonnett, Jr.

Other trophies awarded at our annual banquet went to the following:

Championship:	L. Wasserberger, C. Holman, A. Roualet
Commodore:	R. Flack, Ken Bonnett, Jr., R. Asburg
Challenge:	J. Grey, Ken Cowen, D. Barton
Sunday Series:	J. Seaton, M. Goodwin, A. Roualet
Nite Owl:	M. Goodwin, J. Grey, Behler, Bouwkamp
Snow Ball:	M. Goodwin, A. Roualet, R. Wood
P.Y.C. Intra-Club:	L. Wasserberger, A. Roualet, J. Seaton
Wasserberger Cup:	M. Goodwin, A. Roualet, K. Bonnett, Jr.
Jr. Sailing Champion:	K. Bonnett, Jr.

As usual, Fleet 55 Championship Season was divided into three Series, totaling 32 races, comprising the first—SHAKE DOWN, the second—NO ALIBI, each with 10 races, and the final—LAST CHANCE Series of 12 races.

Trophies were awarded to the three top performers for each Series and also for the Championship which results from best performance in the total scheduled races in the Season.

In a Fleet of 14 boats, most enjoyed some activity, but the keenest competition was among the top five, none of whom it soon

Fleet 55 Champion—B. Cerineo in Bijou

developed, could afford to miss a race. Winners were as follows:

Shake Down	No Alibi	Last Chance	Season
1. BIJOU	1. MEGS	1. BIJOU	1. BIJOU
2. MEGS	2. CORIOLIS	2. CHAOS	2. MEGS
3. CORIOLIS	3. BIJOU	3. MEGS	3. ANNA

Lest anyone be misled by this tabulation, it is only fair to say that CHAOS, whose "2. LAST CHANCE" appears rather insignificant, had the highest performance percentage of the entire Fleet. The 18 races in which she started were insufficient to qualify her for a fleet championship trophy under our 75% participation requirement. The sad story is that the United States Coast Guard would not let her skipper skip all the weekend work details in Virginia. However, CHAOS was the winner in our Yacht Racing Association of Long Island Sound Championship, in which only 60% participation is required.

The relative standings for Championship trophies of MEGS, CORIOLIS and ANNA were entirely indeterminate until the LAST CHANCE series was nearly ended, practically 'till the last gun was fired. See what we mean by hot competition?

BIJOU finally did what she might have done last year had she been more careful about getting those little red flags waved in her face. She pulled out ahead during the latter part of the season and finished Champ by a comfortable margin. BIJOU was second to CHAOS for our Y.R.A. of L.I.S. Season Championship. She was the winner of the Bayside Yacht Club Lightning Championship. Saluto, BIJOU!

CORIOLIS was leading ANNA practically to the end of the season and lost by a whisker at the finish. We guess those cute spinnaker hands wearing the orange jackets were still a bit too small. A little time will fix that; so look out for them next season!

ANNA hit her stride late but was doing well for herself at the end. She made the season's third by a whisker. And was top boat and her skipper top dog (sea-dog) in our post-season Round Robin. Less Spit'n Polish and earlier tune-up is the doctor's prescription for this combo.

MEGS was in there pitching every series. She was in the money in five of our six contests—2nd in SHAKE DOWN—1st NO ALIBI—2nd Fleet Championship—3rd Bayside Y/C Champion-

ship and 3rd YRA of LIS Little Neck Championship. Nothing like hard work for the muscles, boys! Keep it up, MEGS, and you'll make it yet; but beware of too many skippers in the same boat!

Space does not permit touching upon all the high lights; but we think that honorable mention should go to GUESS AGAIN—FIVE CENTS—DARK HORSE and CASSIE II for some good hard tries. A grade school motto told us: "TRY NEVER WAS BEATEN". You have only to keep it up, boys.

Two of our boats—SKYLARK and FIVE CENTS qualified for upside-down cups. Some think the poor skippers deserved better treatment from their steeds.

The news has it that our famous lady skipper, having produced enough kids for a championship crew, will soon be back on the starting line with THE VIRUS. B'Cracky, looks like the sure way—train—up the spinnaker hands from the cradle! Never could figger before why she'd give up sailing to get married.

For the first time in history, our Rules, Protest and Appeals Committee has never been called to crawl out of the straw and go to work. The boys must be getting education—or learning forebearance.

We hope this winter may not pass without a good series of skull-sessions on Rules and Tactics. We bid all who love the King of Sports to join us if they hope to beat us. Come one, come all, we specialize in teaching Kings, Jacks and Queens—or just land-lubbers—to sail and race. You'll never get more for your money. The dues are five dollars a year.

7903	Mal de Mere	Bob Erickson & Al Chilenskas
8303	Tiki	Ronald Blair
No Boat	Abe Jacobs

The Championship Series standings did not change this year with Art Wong again in first place, Ronnie Blair in second, but they were given some keen competition by the team of Al Chilenskas and Bob Erickson who hammered them, especially in light winds.

The winds throughout the season were very good even for the Moonlight Evening Series, won by Bill Paine, Linc Maher second and Art Wong 3rd.

The Lyanne Handicap race was won by the team of Erickson and Chilenskas with Dr. Bernard Yaffe second.

Dan Hayes, our youngest sailor was definitely "in phase" in the Long Distance taking 1st place, with Bill Paine second, in winds of 10 to 20 mph.

Ronnie Blair and Art Orlowski sailed away with the honors in the Pest Trophy race.

In the "Turnabout" race in which boats were traded the Hubbell brothers and Linc Maher shared 1st place in the two race series.

The Snipe and Lightning challenge race was won easily by the Lightning skippers. In the first race all skippers sailed Snipes and in the second race Lightnings were used. Art Wong, Bob Erickson and Frank Day represented the Lightning fleet and got a 2nd, 3rd, and 4th the first race and in the Lightning half 1st, 2nd and

SEND IN YOUR FLEET REPORTS EARLY

4th. Neither whisker poles or spinnakers were allowed in either race.

Members of the fleet did a lot of traveling this season attending the P&T Regatta in Milwaukee, the Brotz Memorial Regatta, the Hobelman Regatta, the Sand Dunes Regatta and the Shakedown Regatta. Ray Brady surprised everyone, including himself, by being first at the weather mark in the Brotz Regatta in Sheboygan, in a fleet of over 40 boats. Ray has his moments.

Fleet 56 was host fleet this year for the Red Flannel Regatta, a squadron function with Fleet #5. Forty-five boats hit the starting line, and with a crowd like this if you didn't get a good start you were dead. Bruce Goldsmith took first place easily with a 1, 3 and 1. Bill Campbell was second with 3, 5 and 5, Bill Wingard was third and Harry Spitz finished fourth. Harvey Snider, a builder of fiber glass boats could have walked off with some hardware but had a bad first race in which he finished 19th, but his other two races were 4 and 2. The first race was in light winds but they picked up for the last two races to give excellent racing. Bob Logelin did a little scuba diving when a hiking strap broke and he, in trying to grab a crewman from going overboard ended up by all three in the water when his boat went over. We are happy to say that Bob is the newly elected treasurer of the Burnham Park Yacht Club. Al Chilenskas had the honors of being last in the water however when he fell off the committee boat while helping to get the boat ready for the winter. The water was so cold that he came out of it like a porpoise. "I'll do anything to get out of work" was his only comment.

The coming season we are going to have several new boats, to be owned by Frank Day, Ronnie Blair and Al Chilenskas.

We want to express our gratitude to Abe Jacobs, Angus Horton and Bob Magrady for running the committee boat and giving the fleet good starts throughout the season. This is really a "love's labor" task, and we are very grateful.

The most improved skippers of the year are Dr. Bernard Yaffe, Frank Day and Ray Teborek.

The start of a Fleet 56 series race as seen from the committee boat.

"Glockenspiel 1903"

Big news at Niagara Sailing Club this year is the sale of a fifteen-year-old Lightning. Now the used-Lightning market is a lively one, but it ordinarily does not create this much of a stir. However, this deal involves the venerable old (aptly named) Glockenspiel and her skillful skipper, Stu Anderson. Stu has ordered a new hull and, sorrowfully we think, parted with this old girl. We all mourn the loss a little because she is the most famous Lightning of all. Wherever she went, and she traveled, she attracted more attention than high priced hardware and mostly beat it too. How well did she do this year? Well, her record is as long as your arm, but the high points were these: she won the Niagara River Championship, whipping hot Buffalo Canoe Clubbers—as a group the best in the country; she placed eleventh in the North Americans; then later in the season won big regattas at Quantico and the Chesapeake Bay. We hope Stu's new boat will serve him as well. He's a daring and resourceful sailor and we wish him another Glockenspiel, leader of parades.

Aside from this—club events were hotly contested with nationally renowned Jack Swanson (16th in the North Americans) and Stuart Anderson (co-holders of the Wardell Lightning Champion-

ship) prevailing. This is more than a two boat fleet though and these gentlemen are increasingly being pressed by other good boats and good skippers. For example, young skipper Bob Starck, who retired his dad, Bernard, to an Owens Cruiser, is runner-up to club champion Jack Swanson. Key man in Bob's crew on "Alert" is brother, Joe, and this energetic combination is always worth watching.

Dick Carrel who always does well with Black Mariah placed third for the club Championship and third in the Niagara River Lightning Championship. Joe Tries in "Misty" (#1489) did well in the Handicap Series. Cal Schmiede chops right along in Ginger too. Over the years these skippers have won and/or will win their share of silver.

Niagara River sailors, having had one of their finest seasons, are already looking forward to a new season. We welcome Ken Rebman, skipper of The Elk (8141) to competitive sailing. Ken is already a respectable sailor. Another experienced sailor will rejoin next year's wars. Bob Aschenbach, back in a new Lightning now being built, will be in contention.

Action in Fleet 60

The 1962 season got off to a slow start when in mid-May a tornado went through Shawnee Yacht Club, demolishing two boats completely and taking 15 masts (four Lightnings). Repairs were quickly made, however, and by the 4th of July the Lightning fleet was mustering nine boats for the Season and Holiday

Series. Jack Worley took both the Season and Holiday Races, hard-pressed by Chet Ebey in both series.

Four boats participated in the Central States District Regatta at Lake Fort Gibson. Jack Worley finished the series in 4th place. Other regattas attended by the fleet were Kentucky Lake, Kansas City, the fine series at Grand Lake, Okla., and our own 1st Annual Regatta at Lake Shawnee, where Bill Schwartz defended the honor of the fleet.

As host fleet for the 1963 Central States District Regatta to be held again at Lake Fort Gibson in June, the fleet has already begun their preparations. Plans are also under way for an early spring meeting here in Topeka with a program of lectures on racing tactics to be given by well-qualified skippers.

New officers for 1963 are John Gall, Fleet Captain, and Byron Boon, Secretary. Two new members, Ros Cofran and John Behrmann joined our fleet this year. Participation in Fleet Racing was up considerably this year and an even bigger year is planned for 1963.

Gulf Yachting Association Opening Regatta, N.O.Y.C., R. H. Kammer, Jr., Fleet 62, 1st, Lightning Class.

The 1962 Racing Season commenced with the Gulf Yachting Association opening Regatta held at the New Orleans Yacht Club on the weekend of May 5 and 6. SYC Fleet 62 won the two top places with Bob Kammer the winner, Tom Allen the runner-up, followed by Francis Favaloro of NOYC Fleet 209. The Southern Yacht Club opening Regatta was sailed on the weekend of

May 12 and 13 and was won by Tom Allen followed by F. G. Fromherz and Allen Arnold.

SYC Fleet 62 invited NOYC Fleet 209 to a three race series the latter part of May which was won by Francis Favaloro of NOYC followed by Tom Allen and then F. G. Fromherz. The Annual Junior Lightning Race was won by Skipperette Beth Manion, followed by Fritz Fromherz and then Dale Dane.

During the month of June SYC Lightning owners participated in the GYA Lightning Championship held at the Pass Christian Yacht Club and also the Mississippi Coast Race Week held at the Bay Waveland Yacht Club in Bay St. Louis, Mississippi.

In the 1962 Southern Lightning District Championship held at Bay Waveland Yacht Club in Bay St. Louis, Mississippi, SYC Fleet Skipper Tom Allen took second place and Bob Kammer took fifth place, both behind the perennial District Champion, Skipper Ed Overton, from Fairhope Yacht Club, Fairhope, Alabama.

Our Lightning Crew Championship Series was won by O. F. Ingargiola followed by Bill Forester and Arthur Seaver, III.

The Fleet Championship was sailed in the middle of September with the following results:

Position	Skipper	Boat No.
1	R. H. Kammer, Jr.	8186
2	Click Schreck	8187
3	Tom Allen	7282
4	Jim Mullally	5556
5	Armond Bernius	5484

The Annual Team Race Series between SYC Fleet 62 and NOYC Fleet 209 saw NOYC Skippers Favaloro, Whitworth and Jacobs being triumphant over SYC Skippers Fromherz, Allen and Schreck.

In our closing Regatta held on October 7, the Fleet was happy to see it won by an old, old Lightning Skipper, Jim Mullally.

Fleet 69 grew to 32 boats this year with a larger number than ever racing in our regularly scheduled Saturday afternoon and Wednesday evening races.

We added nine new members including Dr. Jack Geist, Kim

Shaner, Eric Erdmann, Stephen Miller, John Goldsmith, Mark Kelly, Pete Brewer, Carl Manns, and Bill Kucharek. Two of our members unveiled new boats, Jack Luthe with a Nymphius and Guy Scrivner with a new fiberglass Stamm.

Our new racing schedule provided 10 races to determine the "Season Series" after which the boats were divided into the Red Fleet and the White Fleet, depending on rank in the Season Series. Six "Championship Series" races were scheduled to determine the standings of each contestant within their fleet. This helped to pass the hardware around and encouraged the owners of older or heavier boats to keep racing.

Dr. John Esser sailed his Sans Souci II to victory in the Season Series, closely followed by Rev. Ensy Reisner in Holy Smoke III; Guy Scrivner and Gary Arnold tied for third.

In the Championship Series, Dr. Esser again swept the field in the Red Fleet with Jack Luthe second, and Guy Scrivner third. The White Fleet was headed by John Penner with Jim Heidner, and Mark Kelly right on his transom. After the Winner's dinner, members of the White Fleet got together for several special toasts to the new system. Wow!

Highlighting the season was Milwaukee's annual P&T Regatta held on July 14 and 15. Two great races were held on our regular Lake Michigan course only five miles long, within the harbor, with carferries and steamers providing extra hazards and extra thrills. Milwaukee skippers tried their best but couldn't help playing the perfect host by allowing the first seven places to visitors! A fine series sailed by Jay Doty of Chicago Corinthian in his fast stepping Miss Trudy won him the top sterling. The world's loudest twist band provided most of the non-sailing action with relatively few casualties.

Our first annual Labor Day "Fun" Regatta turned into a ding-dong battle with everyone including the Race Committee and the elements entering in. When the smoke blew over, Len Gardenier had won the trophy with his Last Penny.

Biggest thrill of the year was watching Tommy Lindemann walk off with the Roman Bratz trophy in his venerable Hey Daddy (1299) at Sheboygan. This annual series at Sheboygan Yacht Club is the favorite of our fleet, a well-run regatta by the friendliest folks in rubber soled shoes.

The 1962 sailing season drew to a close with a dutch treat picnic at the Luthe's home where the neighbors are still puzzling over "that crowd" of crazy sailors playing volley ball in the rain and pitch dark.

Lightning sailor Jack Luthe is the new Commodore of Milwaukee Yacht Club, and members of Fleet 69 are proud to have this honor bestowed on our most deserving member. Fair sailing, Jack.

As usual our fleet started its Spring Series the first Sunday in April. This series being an open series we had many visiting

June Methot, Fleet 70 Champion and Adams Cup Finalist

skippers anxious to get their boats tuned-up early. One of the highlights of the series was an unusual summertime squall that hit without warning, and upset a dozen Lightnings like ducks in a shooting gallery. It was a very tight series and had to be decided by the last race. The race was won by Arnold Schwartz to give him the one point to win the series over Reid Dickerson. Irv Lewis was third.

Our Spring Series was interrupted on April 28th and 29th for our 1st annual Long John Regatta. The weatherman was at his best with good winds and very balmy weather.

This was really appreciated by Stuart Anderson and Cal Schmiede, who came down from the Lake Erie District. Representatives from the Dixie District were Barney Mead, Marbury Fox and Ben Derrickson. The regatta was won by the converted Star sailor, Robert Lippincott. Second place went to Marbury Fox, followed by Marcy Lippincott, Jim Carson, Arnold Schwartz and Marge Alexander.

A very successful summer series was started on Memorial Day and completed on Labor Day. June Methot again became the Fleet Champion, Herman Vestal was second and Irv Lewis was third. There were many interruptions during the Summer Series, when Fleet 70 traveled to Perth Amboy to the Red Grant Regatta, where they made a clean sweep, with Reid Dickerson in first, Arnold Schwartz second, and Roy Knapp third. In July, the Districts were held at Chelsea, N. Y. Reid Dickerson was third, Arnold Schwartz fourth, and June Methot sixth. Our own National Sweepstakes Regatta also held in July was won by Reid Dickerson, second Arnold Schwartz and third Wm. Brandau from Nyack.

The highlight of the summer was June Methot's victory in the semi-finals of the Adams Cup Series at Nyack. June, and her expert crew, Dede Heron and Elaine Engberg, went to Miami where they were a real contender until the last race. She finished third for the series.

A good Fall Series was held after Labor Day. The weatherman provided an ideal Indian Summer and we sailed until the last Sunday of October. Reid Dickerson was the winner, Herman Vestal second and Roy Knapp third.

We hope to start our Spring Series on the first Sunday in April, provided Morris Sherwood, our Race Committee Chairman, has the new Club skiff ready. The Series will again be interrupted the first weekend in May for our Second Annual Long John Regatta.

George Thomas, Cleveland, Ohio sailmaker, lecturing during winter meeting—Fleet 71.

Fleet Captain Packey Bleckrie started off the 1962 season in February with an enthusiastic meeting of the skippers, crewmen and their wives. Each month during the winter Mark Auer and John Mueller conducted lectures and discussions on the rule book. Pete Carsten polished up his tiller-handling on the winter Southern Circuit and then went on through the season to become Fleet Champion for the second time in a row.

The racing season started with nine boats hitting the line. Our new club race course stirred lively arguments between skippers and crew over which was the correct mark to sail for, but everyone approved of the windward starts the course provided.

Mark Auer and John Mueller performed their usual good jobs of keeping the fleet repaired and sailing amid many laments from the skippers about "improper tuning". John did take time to sail his own boat in the North Americans and at Quantico. Paul Auer refused to arise earlier on Sunday mornings and could usually be observed urging his crew to paddle furiously to reach the mile-out starting line in time. Vince Hlavin had problems dividing his time between new baby, new house, new lawn and the furthering of the space program. Dwight Wait became the most improved fleet sailor and kept pushing Pete and Mark with his snappy spinnaker work to end up third at season's end. Doc Sellars worked very seriously on his beats and starts and was a sharp contender in the Districts except that he was handicapped by a lazy crew. Carl Smith and daughter Sheila began working up through the fleet after they got used to sailing with wet feet. Packey Bleckrie and Bill Summers demonstrated unusual skill by not capsizing even once during the season.

In July we held the "DOUBLE R REGATTA" which gave home and visiting boats a chance to tune up for the Districts at Put-In-Bay. Our fleet had good representation and good times

at the Districts and at the Snowball Regatta at Buckeye Lake.

Our fleet plans to have more good times this winter with Fleet gatherings followed by good competitive sailing on Lake Erie next season.

Our Fleet activities were very limited this past season with most of the racing done at the various regattas. We did have two fine regattas at our Club. The first was the Lewes Regatta won by Jake Zimmerman and the second was our Annual Fall Regatta won by Bob Tunnell. Bob also qualified to attend the Internationals at Lima, Peru next year and placed second in the Dixie District Championships at Baltimore.

We expect to have a much better season this year with the addition of several boats to our Fleet and the holding of the Dixie District Championships at our club.

Lightnings on Lake Decatur, Illinois

With the close of another enjoyable sailing season, we can again recall the highlights of this year's events. Competition was extremely keen this year despite the fact that Fleet 74 had only four "active" participants. The racing season officially started on June 3 and ended on September 9.

Roger Grohne and Jerry MacNab trailered their Lightnings to Carbondale, Illinois for the Egyptian Cup Regatta which was held June 8-10. No one can deny that Roger and his crew had a most exciting time as they were initiated into the "DUNKERS SOCIETY." Roger's Lightning, 4678, somehow managed to seine minnows from the bottom of Crab Orchard Lake!

Back on the home waters, the Patience and the Menace seemed to lead the competition for the rest of the fleet. Dr. Hause and his all-women crew did a bang-up job again this year regardless of the spinnaker troubles they encountered on their "off" days. Parke Boyer gave many a scare to the transoms of 6633 and 4678. With Parke's young crew and his fighting determination he will certainly be a boat to watch out for in next year's competition.

The highlight of the racing season was the Commodore Decatur Yacht Club's Annual Inter-City Regatta which was held on July 29 and 30. Lightnings trailered from as far away as Alton, Illinois and Davenport, Iowa. The three-race series proved to be the best ever raced on Lake Decatur. Jerry MacNab took home first place honors; Dick Duley of Davenport, Iowa, second; and Augie Paoli of Alton, third. Next year's regatta is expected to be even bigger and better . . . see you all there?

Jerry MacNab took time out from his busy sailing schedule to marry his favorite crew member. (Some say he married her so he could have a permanent crew member . . . he wanted to go on a sailing honeymoon to Sister Bay, Wisconsin). They came back (two weeks and 800 miles later) in time to compete in the Red Flannel Regatta at Chicago, Illinois. Jerry wrapped up his season by taking first place at the Polar Bear Regatta at Davenport, Iowa.

At the season's end, a count of points showed who were the champs in Fleet 74. Jerry MacNab captured both series to win Fleet Championship. Roger Grohne took runner-up honors, and Parke Boyer came in third. Next year will open up a new horizon of sailing to Fleet 74. Bob Buckles' new fiberglass Lightning we all are hoping, hoping, hoping, will be completed so he can again lead us around the race course. Several of the older Lightnings have been sold to energetic young sailors who are readying them for next season's races. Fleet 74 has had a wonderful season and next year, we know, will be even more exciting.

Looking back on the 1962 season, we find it a disappointing one as far as wind. The old Hudson was unusually flat most Sundays during the Summer and Fall series, with just an occasional day with too much breeze.

Our Spring series with about nine boats participating ended with our Annual May Invitational Regatta at Nyack, with regatta winners being: 1. John Sullivan 2. Richard Demarest of Black Rock Yacht Club 3. Howard Mullin.

During our Summer series we had an average of 13 boats racing. Sorry as we are for the loss of their summer home at the Jersey Shore, we were glad to have Howard and Mary Kay Mullin racing with us, and Ed Hennessy back after a year off for a back operation. Our newest members Stan Luce, Pete Zecher, Norman Graff and Bill Day show themselves to be no mean competitors. Three of our boats traveled to Buffalo in August, Howard Mullin, Karl Gleeson and Oliver Filippi, and five went to Quantico in October to find more of that same flat water we'd had all summer. Joe Hoffee took the summer series for the tenth time, in old faithful RoJo, proving again that the most important equipment in the boat is know-how.

In June we were saddened to hear of the death of Magnus Pedersen who was the founder of the fleet here at Nyack. We

Presentation of Magnus Pederson Perpetual Memorial Trophy for Old Timer's Race. Commodore Jim Thurber, Fleet Captain Tom De Stasio, Winner Bill Bell, Race Committee Chairman Bill Britt.

have established a perpetual award, the Magnus Pedersen Trophy, to go to the winner of our "Old-Timers Race" held each Fourth of July. The winner this year was Bill Bell.

Our fleet social activities this year consisted of a Sunday night supper party in July, a cocktail party in August, and our annual Christmas cocktail party in December.

Our winners for the year's racing were: **Spring Series:** 1. John Sullivan 2. Karl Gleeson 3. Howard Mullin; **Fourth of July Moulton Regatta:** 1. Howard Mullin 2. Oliver Filippi 3. Joe Hoffee; **Mory Merry Marathon:** 1. Stan Luce 2. Jack Hoffee 3. Jim Reilly; **Labor Day Regatta:** 1. Howard Mullin 2. Joe Hoffee 3. Oliver Filippi; **Bilge Boy:** 1. Joe Loeffler 2. Carol Hoffee; **Summer Series:** 1. Joe Hoffee 2. Karl Gleeson 3. Tom De Stasio; **Fall Series:** 1. Tom De Stasio 2. George Garrecht 3. Bob Shuris.

Things look promising for the 1963 season with all the present boats returning and possibly some new racers.

The 1962 year at Newport saw the addition of an unusually large number of new members. They are Dick Andrews, Fred Hare, George Mayer, Russell Morton, and Bill Thomson. These welcome newcomers together with our already large fleet made possible one of the most ambitious racing schedules ever sailed at Newport.

A new system of determining fleet champion was installed this year whereby the champ competed for his title in all races sailed during the entire sailing season. This method replaced the old spring championship series concept. Although the top boats were about the same, no less than 23 boats qualified for championship series standings, a truly remarkable indication of fleet interest in racing.

Dr. John McIntosh re-established himself as fleet champion, a position held by district champion Bob Jamison during the past two years. In typical McIntosh fashion he also captured first place in the Spring, Summer and Fall Series. It would be difficult to find any single individual at Newport with a racing record anywhere approaching that of "Doc" McIntosh over the years in the Lightning Fleet.

Fleet 77 in action!

Jack Taggart, Fleet Champion (78) at Helm of Tar Baby

With a fleet of 15 new Penguins making an appearance on the S.B.Y.C. waterfront in 1962, and a considerable number of the boats comprising Fleet 78 riding idly at their moorings, their skippers not inspired to race them, Lightning competition was sadly reduced to an all time low. After sailing these converted "Peapods" for a season, we have fervent hopes that some of these new sailors will graduate into Lightning skippers and help enliven our dwindled fleet. As our season closed we were gratified to see Rob Roy's "Wahine" join our Fleet and we expect more new blood next season.

We are justly proud of the fine work performed by the numerous teen-agers who so ably assisted all the Lightning skippers this year and hope that these youngsters may soon become Lightning skippers in the not too distant future.

Despite our depleted fleet, the 1962 Lightning events were conducted on schedule although an unfavorable down river east wind managed to prevail on most every race day. The fleet championship was won by Jack Taggart's black hulled Lippincott "Tar Baby" #7950. However, Jack Sheehan in "Trident" #4032 forced him to rerig his mast many times to find a favorable position in which to beat out Jack in Runner-Up spot.

Besides winning the Lightning Championship Series Jack Taggart also received the Chester Bates Memorial Trophy and the Georgia Bates Trophy.

Jack Sheehan in "Trident" was the winner of the Art Little Tune-up Series of 3 races and also won the Compson trophy in a Labor Day weekend series of races. "Trident" was ably sailed by Jeff Sheehan and Dave Duchscherer as alternate skippers in winning the Soch Crew Race trophy on Sept. 15th.

The Duchscherer trophy and Commodore's Trophy were won by Howie Compson in "Hi-Ball III".

In addition our sailing schedule included the traditional Tri-Club Regatta in which Niagara Sailing, Lasalle & Sandy Beach Yacht Clubs compete for the Old Oaken Bucket. This event was held as a 3 race series over Aug. 18 & 19 at SBYC and our upstream neighbors took the Bucket home to Niagara.

The 1962 Lightning season officially closed with our popular Annual Haul-Out Regatta held in ideal sailing weather Sept. 22 & 23. However, the Penguins extended their activities well into November. This Regatta included 25 Lightnings from various neighboring fleets in our District and Champion Tom Allen of the Buffalo Canoe Club again demonstrated his top notch ability winning the Lightning trophy from defending champion Jack Sheehan.

With prospects of possible new boat owners and renewed interest in Lightning racing we look forward to a fine season in 1963.

Seven new boats joining Fleet 81 this past season, doubling our previous number, greatly increased the participation and competitive spirit for the 1962 season. The newcomers are Dr. Colin Grant, John Somer, Stan Tirrell, Ray Ames, Dick Dangel, Bob Brenner and Don Gregory.

The overall Fleet Championship was ably won by Alan Coho with Dr. Francis O'Donnell runner-up.

Three series of three races each were held.

The season opened with the Spring Series held in June. The high winds at this time of the year caused a few casualties. Milt Perrott won 1st place, ably assisted by his two attractive daughters; 2nd place went to Bill Secor and 3rd was won by Dr. Francis O'Donnell, Jr. in his beautifully refinished black and white Lightning.

The Lionel V. O. Smith Trophy Series was won by a new member, Stan Tirrell, in his first racing season. Al Coho placed second and Milt Perrott 3rd.

The Fall Series saw almost all boats participating. The 3rd race found all boats almost becalmed, but was finished on a shortened course. The series was won by Chas. Obersheimer II, fresh from the North Americans in Tom Allen's former 4811; in second place was Al Coho with Dr. O'Donnell 3rd.

There have been many improvements made at the Point Abino station which have increased the enjoyment of the sailing season.

The docking facilities have been tripled, permanent moorings provided along with dinghy service. The BYC's boat "The Binnacle" served as committee boat for the first time this past season.

The fleet's thanks go to the Racing Committee for their able assistance throughout the season.

Fleet #85 completed a fine season of both at home racing at the Niantic Bay Yacht Club and of away racing at various invitational regattas.

The season opened the last weekend in June with our annual Early Bird Regatta at Niantic. Wayne Brockett of Branford Yacht Club won first place. In second place was our Bill Healy and in third place was Lee Demarest of Black Rock Yacht Club.

Niantic was host for the Connecticut-Rhode Island District Championship. Bill Healy again this year topped the fleet to win first place. Sharing in this victory were his crew Dan Toomey of Groton Long Point and John Pierce of Niantic. Second place went to Steve Bockman of Pequod Yacht Club and third was won by Dave Chanoux of Housatonic Boat Club. Also sailing for Niantic in the Districts were Bill Widnall and Marty O'Meara.

At Buffalo Bill Healy placed 13th in the President's Cup Regatta. Crewing with him were Dan Toomey and Marty O'Meara. Bill Widnall and Bill Healy raced in the Eastern Connecticut YRA annual regatta, held this year at Sachem's Head Yacht Club. The Lightnings were divided into odd and even divisions. Bill Widnall won the odd division. Crewing for him were his wife Sheila and Bill Murphy of Groton Long Point.

Niantic was represented in several other events. Bill Healy and Bill Widnall raced in the Groton Long Point Invitational Regatta. John Pierce raced in the Governor's Cup Regatta held this year at Branford Yacht Club.

In the season's racing at home, Bill Widnall narrowly edged out Bill Healy for the fleet championship. The top five places for the season were won by Bill Widnall, Bill Healy, John Pierce, Dave Kimball, and Marty O'Meara.

Marty O'Meara trailed down to the annual Quantico Frostbite Regatta. In the three races he placed 12th, 28th, and 3rd earning an overall position of 4th place.

Our fleet is proud to have had Marty O'Meara elected Lightning Class President. We know his energy and enthusiasm equip him to do a fine job.

All hands stand-by for repairs on the Tally-Ho

When the mid-April breezes began to blow, Fleet 87 boats began to roll on to Sue Island to begin their season with some hot competitive brush races in preparation for the coming Spring Series and Summer Regattas. Over the winter months the fleet acquired two new skippers, Jimmy Burke from Washington, Fleet 50, and Eddie Gerner, Jr., who had purchased J. McKenney's Sand Man. This brought about the appearance of J. McKenney's new spinnaker red Lippincott, "Boomerang".

Fleet championship races started on the first weekend in May with piping winds of 18-25. These favorable winds continued for the majority of our Spring Series. The competition proved to be rough with new boats, sails and tactics being shown at every opportunity. By the end of our Spring Series, Fox and Mead had been given tough competition from the rest of the fleet, but Fox edged Mead to win the Spring Series. For the next six weeks the Fleet was traveling, and well represented at the local Bay Regattas.

The Fall Series began with Herm Henschen leading the pack, but it was again Marb Fox who came on to win the Fall Series and become Fleet Champion.

Our season and the fall circuit wound up at BYC with our

Frigid Digit Regatta which was well-attended by many out of town skippers from New York, New Jersey, Delaware and Pennsylvania on their way back from the Quantico Regatta. It was won for the second time in a row by a skipper from the Lake Erie District, this being Stu Anderson of Niagara Sailing Club who sailed a consistent series in beautiful weather and winds of 15-25 miles per hours.

We hope that more of you will stop and join us for our next year's Frigid Digit Regatta and enjoy some of our Chesapeake Bay racing.

Fleet 90 was active with a full schedule of racing on English Bay. Races were sponsored by the Royal Vancouver Yacht Club and the Kitsilano Yacht Club. Including evening series, a total of sixteen, three-race series were scheduled. However, due to a summer characterized by very light winds, only twelve of these series were completed, and a number of races were resailed. Enthusiasm, coupled with patience with the weather, was the keynote of the season.

In May, a successful series was held with the participation of the Jolly Boat sailors from the South Okanagan Sailing Association. Two teams of three yachts participated and the Vancouver Lightning Fleet edged the South Okanagan Sailing Association to win the event.

On July 20th, two boats, Pastime and Hawk, trailed from Vancouver to Seattle, to compete in the Pacific Northwest Districts and the Pacific Coast Championship. Adrian Thomson sailed Pastime to third place in the Districts and Alan Sturgess brought Hawk in 8th.

The annual Rainer Ale Trophy Race was won handily by Adrian, who SIX-PACKED his way around the course.

The Pacific Coast series gave our boats a chance to race against the California gold platers and our vintage models did quite well. Hawk, sailed by Alan Sturgess, placed third while Adrian Thomson in Pastime was 13th. Dan Kirton, who drove down for this series, placed 16th.

During October, four boats trailed to Seattle for the Annual International Series with the Corinthian Yacht Club. The results were:

Adrian Thomson	3783	Pastime	2nd
Geof Ince	5513	Thunderbird	4th
Tom Sturgess	3253	Hawk	8th
Hart Long	7089	Lola	10th

All of our travelling skippers voted the trips a highlight of the season, and hoped that more sailors would get rolling next season.

The year saw a number of changes in boat ownership with some of the newer skippers pressing uncomfortably close to the fleet leaders. With the sailing season over, many of the boats are already home for overhaul and those vital improvements certain to make the boat "go" next season.

Though fewer boats went out than in previous years, the 1962 season provided keen competition and little drifting. Chet Howell came out from retirement to win Vice-Commodore, Commodore, and Championship Series. The Sengstackens and Davis enjoyed their bitter rivalry. Roy won the Secretary Series, Dick the Vice-Commodore. Roy placed second in the Commodore Series. Dick won second place in the Championship Series by finishing less than half a boat length ahead of Jack in the last race of the series. The Labor Day long race started in almost perfect weather that turned into a miserable drifter. Jack and Roy were the only skippers who endured the whole course.

The American Yacht Club turned out its annual abundance of sailing instructors all of whom managed to find bits of time in which to do their own racing.

At Sea Cliff in June, Jolly Everett and Winky Meyer tied for ninth. Skip Gaillard won the Fourth of July Series and later that month our Fleet Champion Jolly Everett and Bill Barton tied for Fourth in Larchmont Race Week.

In our District Championship Winky Meyer qualified sixth and was unfortunately the only one to go to the Nationals.

If our Seniors didn't shine and even looked a bit tarnished, two of our Juniors put in admirable bids for their championships.

Bill Barton led the Qualifying races for the Long Island Sound Junior Championship and was only overpowered by brute force in the final race.

Dale Keys had the remarkable misfortune to first qualify for the Girls Long Island Championship and then to be put out of the first division by a point scramble involving a protest between two other boats.

These two juniors, along with many other possible candidates, look like real good bets for next year.

Fleet 98 Champion Ed Perry in Princess

1962 was good and 1963 looks better. That, in short, is the situation with Northport Bay Lightning Fleet #98.

In general this could be said to have been a Perry Year, even more so than usual, for Ed clearly dominated the local scene with firsts in about everything, Fleet, Tri-Club, Memorial Day, Fourth of July, and Labor Day, second in the Fleet #98 Invitational in Mid-September, and wife and crew Ardith won Tri-Club Ladies Day as usual. So the problem for the fleet is "Beat Perry".

Activity started with the Memorial Day Regatta won by Perry, second Bill Moss (senior), and third, Jim Meehan, home on one of his rare times off from Uncle Sam's Army.

Then came regular Sunday Tri-Club and Fleet races won with disheartening regularity by Perry, although John Porterfield, Jim Meehan, Bill Moss III, A. O. Powell, and Bob Sherwood all got the gun at least once during the season.

Fourth of July Regatta hardware went to Perry, Powell, and Sherwood in that order while the Labor Day trophies were won by Perry, Moss, and Dick Crittenden.

Tri-Club Ladies Day saw Ardie Perry first, Sally Porterfield

second, and Sandy Greenacre third.

The season's Tri-Club final standings saw Perry a shoo-in for first but the battle for second wasn't decided until the last race when young Bill Moss managed to come out of the tank and stay close enough to Dave Gebhard to protect his percentage lead for second, with Dave third.

Final Fleet standings of the fourteen boats that sailed the required minimum of nine races were:

- | | |
|----------------|----------------|
| 1. Perry | 8. Chamberlain |
| 2. Moss | 9. Grubbs |
| 3. Powell | 10. Davison |
| 4. Sherwood | 11. Jurka |
| 5. Gebhard | 12. Jorch |
| 6. Porterfield | 13. Kane |
| 7. Crittenden | 14. Zahn |

Thus through the regular season, Ed made a clean sweep while Bob Sherwood again took the older boat title (this year for under 5500 boats) with Dave Chamberlain second and Al Davison third.

The weekend of September 15/16 saw the Fifth Annual Fleet #98 Invitational a big success with perfect weather and good competition. In fact the competition was so good that Perry was the only local boat to wind up in the top ten! Mike Grinnell of Port Washington Yacht Club regained the Wally Ross Trophy with some fine sailing, Perry was second, and District Commodore Walter Scott of Sea Cliff, was third.

As for outside activities, the less said the better except to note that Perry took third in the Sea Cliff Invitational early in the season, A.O. and Ed made the Southern Circuit in '62, and Bill Moss served as District Measurer.

'63 prospects look good with the addition of two brand new boats of ex-Blue Jay skippers Stan Doepke, Jr., and Terry McGuire. Also we hear rumors of a real weight-saving program in Jorch camp, so it looks as if the competition will be even tighter than ever in our healthy fleet.

Fleet 99 again enjoyed an exceptionally successful season in its 14th consecutive year of racing. The 1962 season proved to be one of innovations, and the major one was the fleet's change from mostly wet-sailed boats, to a dry-sailed fleet. This was possible only through the hard work of Dr. Pfister and the kindness of Mr. Albert Wallace in allowing the fleet to use his land.

The first weekend of racing saw the fleet vying for the perpetual Linthicum Cup in a tune-up series which was won by Bill Clausen for the fourth straight time. The official series of 17 races was started on July 7th and 8th, and victories in the A fleet for boats over 5000 were shared by Bill Clausen and Brad Linthicum; while Art Hartford in Sunbeam took a pair of firsts from Dr. Pfister piloting Octopus in the sub 5000 B fleet. As the season progressed Dr. Gordon Buzby came from slightly behind; and with the help of his crew Buzzy and Gail Buzby, ended the season with six

Fleet 99's new electric lift and part of the fleet.

straight firsts to take the first position in the A fleet with Bill Clausen a close second and Brad Linthicum third.

B fleet competition was highlighted by a season long duel between Dr. Pfister and Art Hartford. Dr. Pfister finally pulled ahead to win after his competitor had the misfortune of capsizing during a crucial race at the Ocean City Yacht Club Regatta. A big surprise to everyone was Gene Wallace who skillfully tillered his wet sailed Coquina to an impressive third place. In fourth place was Ed Walsh with the aid of his newly acquired crew and wife, Evelyn. Fifth was Jack MacCracken who did very well despite quite a lot of bad luck including a broken mast.

It was interesting to note that, as the season went on, the older B fleet boats were able to compete much more evenly with the new A fleet boats than they had been able to do in previous years. This was probably due in part to the fact that all the boats were dry sailed with only a few exceptions.

The season officially ended when fleet captain Pfister awarded the prizes at the annual banquet. At the banquet Dr. Pfister thanked the race committee members George Lejeune and Dr. Linthicum for their part in the season's success. Finally, attention was brought to the fact that Bill Clausen and Dick Mabry were absent from the affair because they were crewing at Buffalo for Marcy Lippincott and Bob Seidelmann respectively. Fleet 99 is proud of these two top sailors. A picnic at Beesely's Point the next day gave most fleet members their last sail before returning to school or work for the winter.

Fleet 99 hopes to have an even better season this summer, and plans are already in progress for an early start.

In spite of poor weather in general for the summer, we were able, here at Taylor Pond with Fleet 101, to complete most of our races as scheduled.

Due to poor spring weather we could not hold our usual June tune-up series and so finally got started on our July 4th Regatta. The 12-15 mph winds from the northwest gave us some good racing for the three-day regatta.

July saw races Wednesday evenings, Saturday afternoon and Sundays with varying winds and weather conditions. In August two of our boats were trailed to the state regatta at the Center-

board Club in Portland for three races on Casco Bay. Lou Levesque's boat skippered by Tom Upham, a sophomore at the University of Colorado, managed to grab one 1st place and Dr. Andrew's "Red Witch" also brought home one piece of silverware for a second place.

By the time we had recovered the Labor Day Regatta was upon us. Two races were sailed in good winds and the last race on Labor Day was sailed in nearly a flat calm. As this race went over the time limit, boats were towed back to the dock and places awarded accordingly.

That evening following an old fashioned clam bake, preceded by a "Happy Hour", the annual meeting was held and prizes awarded to our three classes of boats. About forty youngsters are coming up through the classes to become prospective Lightning skippers.

The series of 10 Lavallette Yacht Club races was again exhilarating, frustrating, strenuous and lackadaisical; at the whim of wind and calm, but generally exciting, always interesting and certainly keenly contested.

John Bonn with his uncanny ability in light air showed his transom to us all and Fred Slovak maintained the closest view of it with second place. Dick Maguire and Sam Hicks both showed profound judgment in selecting spots of too little or too much air with flat sails for light air, spinnakers for squalls and other displays of great tiller handling.

On the Saturday B.B.Y.R.A. circuit Fred Slovak and Sam Hicks finished 2nd and 3rd respectively, swapping last years places, after a wonderful windy series in which 21 Lightnings participated.

Our biggest event was as host for the Districts which everyone seemed to enjoy. They enjoyed the trophies too, for none of us distinguished ourselves, but it was a great regatta, great big wind and waves. Our fleet members are extremely grateful to Commodore Lord and members of the Lavallette Yacht Club, and especially to the Ladies Auxiliary for their untiring efforts and cooperation to make this event the success it was.

On Labor Day weekend John Bonn again won the Seider and Commodore trophies.

Fred Slovak, the mast stepper, was thrilled to see 94 spinnakers set behind him at Quantico. He finished 5th in the 3rd race, which for that race is like a sailors dream, or nightmare. He also traveled with his crew to Little Egg Harbor, Nyack, Red Bank, Surf City, Washington and Baltimore to sail in those regattas.

We are again looking forward to a great 1963 season with lots of friendly competition, insults flying from boat to boat and Dick Maguire buying beer for all of us.

Last summer provided some of the best racing that Fleet 108 has had on Sodus Bay. Winds were good throughout the summer and courses were excellent, with always a long windward leg at the start and often a windward finish. The lone disappointment among some of the more hardy members was that we were unable to organize sufficiently to do some racing on adjacent Lake Ontario. We are still planning on this for next year. One of the highlights of the season occurred in August, when through the efforts of tireless Dick Hallagan and our enthusiastic Fleet Captain Al Hosford, the entire fleet turned out for a Sunday race.

In the summer's competition, by some consistent sailing by an old time favorite, Harry Fogarty came back to win the Fleet Championship that he has won before. During the summer Dick Hallagan did much to liven the competition by often sailing one of the idle boats while loaning his to his crew, Jack Severson. Jack obliged by beating Dick in the July 4th series, but events were reversed over Labor Day. Our annual Invitational this year fell on the weekend of the North Americans at Buffalo, but in spite of this 23 Lightnings showed up including two that were going to Buffalo. For the winner, new District Champion Dr. Bob Jamison of Rochester, it meant a very hasty departure after the regatta, but it was well worth it as we had good winds and weather. John Sprague was the best of the local boats with a second.

The Labor Day Series was an interesting affair with Dick Hallagan winning in #5230 and John Schwartz, ex-Sodus sailor now with the Pymatuning fleet, bringing his boat up to sail with us on a weekend visit. Another sailor, Bob Bloomer, returned to competition after almost two years absence so it seemed like old

"VIVID"

home week. On this weekend we honored our able and patient race committeeman Red Marsh at a well remembered cocktail party. What we remembered was—Be sure to dismantle your boat for trailing before the party, not after it! Red was given an elaborately decorated bean pot, inscribed in Latin, the clever artistic creation of Vice-Commodore and Mrs. Bud Seymour.

In outside competition our sailors roamed far and wide with many good showings but no regatta triumphs. Dick Hallagan gathered a rash of 5th place finishes, having that position at the Centrals, Pymatuning, Onondaga, and Sandy Beach. John Sprague, trying to defend his 1961 District Championship and qualify for the North Americans, broke his rudder in the last race at Skaneateles after leading the series. Charlie Hallagan qualified with a nice 4th place but was unable to go, so Fleet 108 had no boat in the North Americans. However, Sprague, crewing for Warren Duerr of Fleet 77 in this event, was a rather dubious Sodus representative. He silently slipped over the windward side unnoticed during one of the wild spinnaker reaches in rough water and next was observed by his son Dave bobbling along in the wake with his feet caught in the spinnaker guy rope. At this point the skipper heard the surprised comment, "What's dear old Dad doing way out there?" Whereupon Dad was dutifully hauled back on board while muttering something about it's true that Lake Erie water is fit to drink.

Our last, and most ambitious, foray of the year was the annual Quantico melee where Sprague and Hallagan battled 90 plus boats and had high hopes after the first race of finishing in the top ten with a 2nd and a 12th respectively. It still looked good for the latter after two races, but the vagaries of light, shifty air took their toll. However, where else but this regatta can you enjoy the company of 40 or more Lightnings as you round the 1st mark together. An apt description in the 2nd race was—All boats on mark, marks on all boats! In the last race, half the fleet had a relaxing siesta off the Post Docks as we anchored against the tide shortly after the start and exchanged small talk with the spectators and anyone else who would listen. It was that kind of a regatta, but nevertheless we enjoyed the Marine Corps' unfailing hospitality, as always.

Fleet 108 wound up the season with a family picnic at Fleet Captain Al Hosford's bay front home. This was a great success and much thanks to Al from the fleet for being such an excellent host.

Following are the season's results:

Fleet Championship

1. Harry Fogarty
2. John Sprague
3. Charles Hallagan

Due to the shortage of active boats, Fleet 109 has been unable to hold a program of fleet races.

The highlight of last season as usual was our Midwinter Lightning Regatta which was held on February 23, 24 & 25, 1962. This was our 15th annual Midwinter and it was declared a huge success by all. The field consisted of about sixty boats with the usual variety of all kinds of weather.

The 16th Annual Winter Lightning Championship Regatta will be held on February 22, 23 and 24, 1963. We expect to have the usual fine sailing competition, entertainment and fun so make your plans early.

Dr. Fred Cook (Highlander), and Ken Mathys, Ed Mattick, Carl Witteborg, Jr. in some downwind work on the Fox River

Another season has just been completed by our ever-growing Fleet 112, sailing and racing on the Fox River and Green Bay. The season opened with the usual winter meetings in February & March led by our Fleet Captain Quinten Adamski who also was M.C. for the April winners' banquet for the 1961 trophy gatherers. The evening's highlight was his narration of the 1961 season activities by awarding novelty prizes, as this had the group in stitches. The presentation of series trophies then seemed incidental but were happily received. He also had a well-planned and active season for the local skippers.

The 1962 year was again divided into three separate Series of Spring, Summer & Fall events with ten races being sailed in each. Total points were accumulated from the best 8 out of 10 for the final places in each series for the trophy winners of our local races. Class and Handicap races are run together so that other type boats may compete in the activities of our Green Bay Sailing Club and Green Bay Lightning Fleet 112 which is within this group. LCA standings for our Fleet Champ & Runner-Up are determined by the total points of our class race events for the particular season.

We have Thistles-Snipes-Cat Boats-Petrels-Rhodes Bantams-Highlanders & Seagulls competing in our handicap races with the Lightnings. This year has been our largest since 1947 with nineteen boats being active through the season. A number of new Lightnings participated as the year progressed and others changed ownership during the Spring events.

Jim Hopkins had his "Misty" doing tricks again this year but was pressed by Dick Evans and his boys who had better-than-average success during the sailing season. The Jim Ford-R. Tilleman Combo also was in his hair most of the time. Others who collected trophies this year are Gagnon-Bielefeldt Duo, Ken Mathys and Quinten Adamski of Fleet 112. Green Bay Sailing Club members Ken Lafond and Fred Dorband also will pick up some hardware at our '62 Winners' banquet with the above-mentioned. New sailors Bob Flatley, Ed Mattick, Rav Whalton, Harvey Impleman, Curt Olson, Jerry Koch & Tom Biebel made it known they are to be reckoned with in the future.

Low water hampered our Walter Masse Memorial Trophy race a bit plus lack of wind at the start as Fred Dorband in his Rhodes Bantam was the winner in this handicap affair, our final race of the '62 season's activities. Handicaps for this event are determined by the average time behind the winning boat of each race over a variety of courses during the running of previously-mentioned Spring, Summer & Fall Series. The race never had a repeat winner in successive years.

Our traveling sailors were not so fortunate this year as in others, as Jim Hopkins took a 4th in the Milwaukee, Wis. P & T Regatta, Ford-Tilleman a 2nd at Sheboygan's Bratwurst Regatta where Hopkins would have won going away but had his trouble with one of the buoys in the second race. Business & lack of capable crew forced local entries to skip our Midwest Championship.

Sailing classes will occupy our group during the '63 winter-time. 'Smooth Sailing'!

Competition is getting so rough in our fleet that it's an honor to finish last. Bill Campbell has his western style boat cranked up into high gear and after driving the sail makers crazy he seems to have found a winning combination. Joe Stueland is still just driving people crazy.

Our season was very gratifying, the winds were lovely, except

one good one. It seems no one paid any attention to a funny looking cloud and when it blew in it sent everyone heading for the showers except Ted Troff and Bud Crow. Bud managed to get his anchor set and got beat up against the pier a few times and the Coast Guard caught Ted before he got to New Buffalo. Ted Troff had a bang-up year having the advantage of a fine crew and showed some of our more seasoned sailors the color of his transom.

Bill Campbell edged out Bill Wingard at the Michigan City Sand Dunes Regatta and also won the Port Clinton Snow Flurries race. Our Knock-Down Regatta was held later this year and was well attended. This time Bill Wingard beat our hero Bill Campbell and took home our nice expensive trophy. Next year we hope to have our Knock-Down the week prior to the Midwest Districts which we will be privileged to host the latter part of July. With the addition of our new swimming pool at the Yacht Club we can offer a fine week-end of recreation for our visiting sailors. We're looking forward to seeing you at our Regatta and the Midwest Districts on good old Lake Michigan this summer.

Fleet 115 Champion Ward Wilday with crew Paul Clark and Sarah Bradley.

The sailing season was both pleasant and successful. Four new Lightnings were added to our fleet giving a total of 12 boats. We have hopes of enlarging the fleet next year.

The high spot of our season was the Lake Erie Districts held at Chautauqua Lake under the auspices of three clubs from our area, Chautauqua Lake, Silver Lake and Cuba Lake.

The annual invitational regatta with Silver Lake as our guests was held at our club, Cuba Lake. For two days our champion, Ward Wilday, worked with light, shifty winds and captured first place.

Sweet Genevieve, the winning boat of 1962, and Ward Wilday the skipper were ably helped by an excellent crew—C. Paul Clark, Ward's father-in-law, who is 72 and not only is a good crew member but has a good touch for tuning the boat; also Sara Bradley, his daughter, who has not only enthusiasm for sailing but who is also a good sailor. All worked together to capture the coveted Lightning Trophy for 1962.

The sailors attached to Fleet 116 had another good sailing season, the highlight of which was the District Regatta held for the first time in these waters. We are sure that all visiting Lightning skippers and crews found our waters to be the finest and, with cooperative weather conditions, a fine series was held.

Our Fleet continues to progress nicely with more active boats each year. We are now back up to the 1948/49 roster of twenty-five boats and we know that interest in the Lightnings will continue so that further growth is to be expected. As the number of boats increases so does the caliber of sailing and competition. We had another first in 1962, another indication of enthusiasm, when Larry Dorman made the trip to the Nationals. This was our initial entry to the top Lightning event and we are sure that more will be heard from these quarters in the future.

Again, our Fleet Championship was determined by the results of the four-race Eastern Long Island Yachting Association Regatta. This is a regatta consisting of many classes but is also the one time that we gather the most Lightnings from the Fleet at one time. In a series marked by one blown-out race, plus several other disasters, Mike Burden emerged the winner with Larry Dorman runner-up, reversing the previous year's scheme of things. Indicative of improved sailing as a result of greater interest was the narrow point spread between the top five or six boats.

Weekly Club races, plus several special events added to the calendar, made the season a very full one. Additionally, it was not very often that a Lightning was not seen on our Bay just sailing. All in all 1962 was a very good Lightning year in this area.

Our fleet this year lost two boats and is now sailing at an even 10. It is hoped that we can build this up as our club facilities are excellent with dry sailing and a paved dry sail area being the best in Canada. One can drive into the dry sail area which will handle approximately 70 Lightnings side by side and use a large paved area for entering into the water. Our electric hoist is tops and we also have a ramp that allows cars to back their boats into the water. With the above in mind we welcome the 1963 Lake Erie Districts to our club and we will do our best for a good show.

The 1963 season will see a new boat to the club as "It's No Six" was sold in the fall to Peterborough—Balsam Lake. This season Stan Chambers improved strongly for his second year as skipper and earned the most improved sailor's trophy at the season's end.

Two boats travelled to Regattas and represented the club successfully. "Who Dat" went to Montreal and managed to tear the boat apart. "It's No Six" placed second to Bob Bleasby's "Serendipity" and they will represent Canada at Peru in the Worlds.

At Toledo "Who Dat" stayed intact and came home with a third overall. The S.S.S.A. was posted by our club and Dick Krauss from Toledo sailed "Who Dat" and should have won the series but fouled out in the last race—"It's No Six" placed second.

At the Lake Erie Districts, in a fleet of 56, "It's No Six" qualified for the North Americans with a ninth over-all.

The 1962 season saw Fleet #119 represented in the Narragansett Bay Yachting Association regatta series with eighteen Lightnings participating and eight qualifying by competing in eight or more of the fourteen races. The winner and still Champion of the Fleet was Ed Stevens, skipper of Skidoo II. In second place was Don McCann sailing Bugaboo and third was Harvey Potter sailing Blitzen. This was Harvey's first year sailing a Lightning but he has behind him years of experience on the bay in Star boats, and this undoubtedly contributed to his early success in our fleet.

The Wednesday Night Series, with ten races held at the East Greenwich Yacht Club where eighteen of our fleet are moored, was won again by Don Bruce, skipper of Sea Hawk. A close second was fleet champion Ed Stevens in Skidoo II, and in third place was Sam Rouslin sailing Cutshausha.

An additional attraction this year was a Saturday Series of eight races sponsored by the East Greenwich Yacht Club in which fourteen boats participated and six qualified by sailing at least six of eight races. The winner was Ed Stevens, second Harvey Potter and third Charlie Eldridge sailing Fleetwing II. It is planned next year to extend an invitation to all Fleet #119 Lightnings to participate in this series.

At the end of this racing season Ed Stevens sold his Skidoo II to Joe Resch, a former Blue Jay and Snipe skipper, and we welcome Joe to our fleet. We look forward to competing against him next season as well as to continued competition from Ed in a new Lightning. This past season found us with more boats participating in more races in more series and with more ladies aboard. We hope that the trend continues.

Our season started off on Memorial Day this year with two boats in for the cold water Spring Series. It wasn't long before the rest followed as the sitting-on-shore was too much for the old salts. The wind Gods were good to us this year, with no cancelled races.

The first regatta our fleet traveled to was the "Centrals" at Ithaca. Andy Batty came in second to keep up the honor of our fleet.

Next we traveled to Skaneateles for the "Districts" full of enthusiasm to qualify for the "North Americans", but winds, good skippers and boats soon changed that, and our fleet was not represented at Buffalo.

The next big event was our Jr. Crew Race, for the Barney Smith's Trophy. There were 20 children turning out this year with ages from 7 to 14. The qualifying races were held in Rhode Bantams in stiff winds, which would have given seasoned old salts a rough time, but after six races & protests, the top five were chosen for the big races in Lightnings. After five races in the Lightnings, the winners (also after protest meetings, which were hard on the committee), were Cindy Swantz, 1st, Tina Wilcox, 2nd, and Chip Wilcox, 3rd. By the way, Chip was the only boy to end up in the final races. These kids sure taught the old folks some things about good sportsmanship, tactics and enthusiasm which some of us kinda forget.

We are sorry to say we lost two of our Lightnings this season with transfers. Things are not too encouraging for next season. Herb Lamb and Bob Longtin will surely be missed by Fleet 125.

Fleet 126 enjoyed substantial development of its local racing activities and its participation in regional and national regattas during the 1962 season. A total of 18 Lightnings, most of them actively competing during the season did much to heighten local interest and stimulate good competition.

A late winter meeting really initiated our season. Slides of the 1961 Quantico Regatta and the 1961 World's Championship were shown and the many features of the Lightning and LCA activities were explained to prospective boat owners and racing skippers.

Racing started officially Decoration Day weekend with the Vice-Commodore's Cup Regatta, a three race series won by Bob Shealor in LORD JEFF. Weekly races were held each Saturday and Sunday until Labor Day with joint racing on Sundays with our neighbor fleet at Pequot Yacht Club in Southport. The July 4th series for the Commodore's Cup was swept by Banny Sprague in WHISKAWAY, and our Labor Day weekend series for the Rear Commodore's Cup was taken by Bob Shealor in a close duel with Jim Allen in LIL' DUDE.

Season's honors went once again to Banny Sprague and Bob Ficks who sail WHISKAWAY alternately as a team of Co-owners. Bob Shealor with LORD JEFF captured second place for the season.

Among the season's highlights was the outstanding record of Banny Sprague in other regional and national events. In the Long Island Sound Championships, Sprague took second in a tie-breaker finish with Bob Bavier of Noroton. A fourth place in the Conn.-R.I. Districts at Niantic Bay Y.C. was then followed by a third place in the President's Cup at the North Americans in Buffalo. Sharing honors in Buffalo were Bob Ficks and Banny's son Pete who made up the crew for WHISKAWAY.

The 3rd Annual Cedar Point Y.C. Lightning Invitational Regatta was held by Fleet 126 with a three race series September 15 and 16th. A total of 36 skippers and their crews enjoyed some of the year's finest racing in a glorious Northwester that held all weekend. Also memorable were the hot barbecued chicken lunch served in the boats on Saturday and the moonlight cook-out at Al Raymonds that night. The answer to where to head in the shifty breezes was found best by Bob Smith of Noroton who took first place, followed by Tom Agnew of Southport and Walter Hansen of Noroton. Bud Olsen of Housatonic grabbed the first and second races, but had the tough luck to have to sail a leg of the third race three times because of leaving a channel marker on the wrong side.

Fleet 126 sent three skippers, Jim Allen, Larry Brundred and Bob Shealor to Quantico in November. All did well in the first two races but would prefer to forget about Sunday's fickle breeze and currents.

With the start of Frost-bite racing at Cedar Point a successful 1962 season ended. We are also happy to have Jim Allen from Fleet 126 now serving as Commodore of the LCA Conn.-R.I. District.

Fleet 127 had an outstanding year in 1962. Our sailing season always starts with the Deep South Regatta which signals spring with the battle-scarred veterans of last year coming out in their new finery. It was bigger and better than ever with 45 boats from all over. Our fleet sailed well but we couldn't keep the loot at home.

Shortly after the Deep South, our Spring Series starts. Charlie Kilpatrick won this one with John McIntosh second. The summer series found McIntosh back in stride as he took the Diamond Trophy home again to fill its regular niche in his trophy case with Charlie Kilpatrick second. Charlie took first place silver in an exciting fall series that wasn't decided until the last race. Roy Gordon, Jr., who had led all the way, was a close second.

Our fleet really hit the road this year to make a clean sweep by being represented in at least one regatta in the home port of every fleet in our district. We believe this is an enviable record.

Most of the time we came home with the honors. John McIntosh and Charlie Kilpatrick made the annual trek to St. Petersburg and John went on to Miami to compile a respectable record in the Southern Circuit. McIntosh won the Districts in Augusta; Wally Aggett took second in the Midlands Regatta at Columbia, S.C.; and Einar Trosdal won the Carolina Yacht Club Regatta as he led our fleet to a first, third, and fourth. The South Atlantic Championship eluded us as the Demery Trophy left Savannah for one of the few times in its history. John McIntosh and Charlie Kilpatrick did take second and third, however. Einar Trosdal took third at Lake Lanier to round the clean sweep.

This year we lost three good competitors in our fleet—Bill Lucas, Chuck Wood and David Johnson—but we expect them to be back in Lightnings soon—Bill in Charleston and Chuck and Dave in our fleet. One new skipper, Billy Whalley, joined us and he's been a good competitor and an asset to the fleet.

An innovation this year was the introduction of a "Lightning Crew of the Year" Trophy to recognize the contribution of those hard working, durable, and faithful crews. It was awarded this year to Helen Artley, wife and crew of Jimmy Artley.

We're all proud of the job John McIntosh did as President of the LCA but we're afraid that with more time to devote to sailing he'll be more unbeatable than ever. We're not completely out of politics, however, as Elmo Weeks was elected Southeastern District Commodore.

By far the most important event in our fleet this year was the improvement in the competition. With boats and sailing improving every skipper feels "this could be my race". Maybe it never was but "wait till next year".

The Madison fleet enjoyed a successful season of racing in 1962 with excellent cooperation on the part of the weather man. Winds in our area during the summer were generally on the moderate side with an occasional stiff breeze but fortunately very few drifters. The racing schedule arranged by Commodore Peter Smith and his Sailing Committee was expanded to include a larger number of races than in previous seasons.

The July series was won by Bob Baylis with Bob Higgons second. In August Mary Lou Stearns was the winner in ERZULE with a strong assist from Richie Grant who sailed the boat in several races when Mary Lou was absent. Bob Baylis won the season championship and second place was taken by Bob Higgons. The Roger Pape Memorial race was won by Richie Grant sailing Talley Ho and Tommy Hollahan in Blitzen took the Fisher Trophy.

In the Eastern Connecticut Yacht Racing Association Regatta which was held at Sachems Head this year the Lightning Class was divided into two groups as usual because of the large number of boats. Lou Pettit won in the even numbered division with Talley Ho against some stiff competition.

Among the juniors Ted Baylis won for the season and also took the July series. Witty Barlow was second for the season and also in July. Steve Hollahan won the August series with Ted Baylis second.

Our fleet again sailed two sets of team races against the Sachems Head Lightning fleet. Although the scores were closer this time, Sachems Head was the winner on both occasions. Maybe 1963 will be our year.

An informal Spring Frostdite Series in March marked the beginning of a most active season for Fleet 132. High point of the year occurred at the end of July when the fleet served as hosts for the Northwest District and Pacific Coast Championship Regattas (details in the NW District report). Scheduled racing continued through mid-December for a total of sixteen series and four single-race events. Thirty-five boats participated, with an average turnout of eighteen boats per race.

From all this activity Ken Brostrom emerged as Fleet Champion for the third straight year, and with first place honors in the Pacific Coast Championship to boot. Bill Davies proved the axioms concerning consistent participation and performance by taking the runner-up position. Cappy Clarke led the fleet early in the season but was unable to maintain his lead due to DNS's. Several new members proved themselves formidable competitors. Roger Sahlin won the Northwest Districts and placed well in several other events. Don Clark's performance was outstanding in winning most of the late season series with his beautiful new fiberglass "Black Magic". We regret that Roger will not be racing in 1963 due to military honors next year. Crellin Pauling displayed growing mastery of tactics and technique by winning the Invitational Series for skippers who have not previously won a major event. The two women's series were won by Jerie Burchard and Myrna Dohrman. Jerie further distinguished herself by representing the Pacific Northwest in the 1962 Adams Cup competition.

The group spirit which developed in the course of regatta preparations, plus an exceptionally capable social committee, led to more get-togethers with more fleet members attending. Our picnic at the lake front home of the Charles Hitzroths on a warm, sunny September afternoon was a particularly enjoyable occasion.

Due to the full racing schedule in our home waters and the Seattle World's Fair, there was less traveling to other areas than last year. However, Fleet 132 was represented with several boats at the Eugene, Oregon YC Memorial Day Regatta, and Bill Elfendahl sailed in the Maple Bay YC Labor Day Regatta on Vancouver Island, Canada. Jim Smith in #7711 was one of several Lightning owners who cruised for periods of up to two weeks among the San Juan Islands in the northern reaches of Puget Sound.

With another successful season behind us, and new members and boats adding to our numbers, Fleet 132 looks forward to further growth and activity in 1963.

Fleet 133 Champion Mike Grinnell in Thunderbird

The 1962 season in Manhasset Bay proved to be a very successful one in spite of losing a good number of old time Lightning skippers to the new Rhodes 19 fleet. While losing a few skippers we found that we picked up a few new ones to replace the old, who were of exceptional quality. An example of this is Elliott Oldak who came into Fleet #133 with a brand new Gerber Lightning and new Murphy & Nye sails. He placed 4th in our Fleet qualifiers and then really came into his own in August when he won the District Championships and almost won the Long Island Sound Championships when he finished one point behind Bob Bavier Jr., a sailor of no small renown.

Our fleet showed its high quality in some of the other inter-fleet regattas during the summer. Al Field got a second in the Sea Cliff Regatta. Dave Pryor won Larchmont Race week, which also saw Mike Grinnell and Elliott Oldak finish in the money. Mike Grinnell and Pete Gonzalez did well enough in the districts to go to the North Americans at Buffalo along with District Champ Elliott Oldak. Elliott continued his exceptional sailing to win the President's Cup, only to lose it to Carter Ford via the protest route after the last race. Pete Gonzalez did a fine job to place in the Governor's Cup division. Manhasset Bay Race Week saw a real see-saw battle between Jim Sykes and Al Field with Jim winning and Al second. Bob Sleght sailed three fine races to win the Bayside silverware. In his last regatta in Thunderbird, Mike Grinnell won the Newport Regatta.

Mike sold Thunderbird to his crew, Gale Rundquist, who will be with our fleet next year. What do you think of a Fleet Champ who sells his boat? Mike will be taking his chances with one of the two brand new Lippincotts that are joining our fleet next year. The other one has been ordered by Tex Poor, from the Manhasset Bay Y. C.

We also have another newcomer to the fleet in 1963, Jim Moore and his brother, Steve Moore, the National Blue Jay Champion. Steve wasn't satisfied with just any boat, so he bought Bill Cox's old Zig Zag, a past International Champion. We expect real competition from Jim and Steve. Fleet #133 will have

two National Blue Jay Champs, Pete Gonzalez being the other.

Mike Grinnell was our Fleet Champion this year and was practically unbeatable after he got his new sails. Gene Northacker had a real hot August Series and was runner-up. The 1962 winners are as follows:

Spring Series, 1st, Al Field.

July Series, 1st, Mike Grinnell; 2nd, Art & Carl Buhr; 3rd, Pete Gonzalez.

August Series, 1st, Gene Northacker; 2nd, Al Field; 3rd, Bob Goodwin.

Fall Series, 1st, Al Field; 2nd, Bob Goodwin.

B Division, Ed Miles.

C Division, Howard Swift.

Most Improved, Mike Grinnell.

Our racing this summer was highlighted by another increase in boats and by great enthusiasm. On July 4 we were all heartened to have 22 Lightnings from our fleet on the starting line for our Commodore's Race. We were further heartened to have an average of 15 boats for all our regular Saturday and Sunday races. Not only did we have increased quantity but also increased quality with the return of Bob Bavier as an active racer.

The 30 scheduled races were divided into 3 series in which the results were as follows:

June Series

- | | |
|-------------|---------------------------|
| 1. Spider | Bavier |
| 2. Spitfire | Falconer/Sinclair/Widmann |
| 3. Jimlin | Crane |

July Series

| 2. Black Jack | Hammel |
| 3. November | Hanson |

Adams Cup Winners—Carolyn McCurdy, Susan W. Sinclair, Sandy W. Falconer—Courtesy of Miami-Metro News Bureau

During the entire season Bob Bavier compiled a .958 percentage which was by far the highest in the fleet. To the dismay of us all, two of the last three races could not be started because of no wind and as a result Bob was unable to qualify for the season's prize. He drove all one night from Buffalo after the North Americans in order to sail in one of the races which was never started.

"Spitfire", the season's winner, was sailed alternately by Sandy Falconer, Susan and David Sinclair, and Tony Widmann. Their .875 percentage was only slightly above Walt Hanson's .867 in "November". These two boats were close in the standings all summer with the winner in doubt until the end of the last race.

Stu Fillmore in "Cygnet" finished third for the season with an .828 percentage and in doing so made a remarkable improvement during the year. At the end of the first series he was in eleventh place in the standings.

In outside competition our fleet members again turned in some outstanding performances. Bob Bavier won the Long Island Sound Lightning Championship and Bob Smith sailing "Caprice" won the Cedar Point Yacht Club Invitational with Walt Hanson third. Ginny Kembell-Cook, who incidentally chartered "Zig Zaggar" for the second half of our season, won the Long Island Sound Girls Championship and Jim Crane placed fourth in the Long Island Sound Junior Championship.

The climax and proudest moment of our season came when a crew of 3 gals who have been winning races at Noroton for a long time, Susan Widmann Sinclair (skipper), Carolyn McCurdy, and Sandy Widmann Falconer, won the Long Island Sound Women's Championship (Syce Cup) and then went on to win the Women's National Sailing Championship (Adam's Cup) which was sailed in Lightnings at the Coral Reef Yacht Club, Coconut Grove, Florida. This fine performance of Sue and her excellent crew is proof again that the close racing we have in our local fleet can provide good training and experience for sailing on any level.

With the addition of at least three new boats next year, it looks like we will continue to have a growing and extremely active fleet.

Skippers of Fleet 137 in attendance at annual meeting

An enjoyable season of racing began with the traditional Memorial Day Handicap and closed with the Labor Day Handicap. The best handicap performance for a Lightning was sailed by Don Coggan in 7911. He showed his transom to Stars and 210's and all of the rest of the Gull Lake Yacht Club, in the Fourth of July Handicap.

Jim Harrison and Bud Tholen sailed consistently fine races to sew up fleet and runner-up honors. The skipper "most improved" was Dan Chappell. Ron Macduff was awarded the transom trophy. Bob Harrison, following in his father's footsteps, won

the Junior Skipper Series in #7580. Bud Tholen, Tom Crookston, Les Coleman and Malcolm Brooks executed the "bottoms up" maneuver during races this year. The annual "Sail to Breakfast" was enjoyed by many members of the fleet.

Jim Coggan and crew Don Coggan and Jack Engels qualified for the North American Championships but failed to make the big race due to disqualifications. They came back in great style, however, to win the Governor's Cup.

Sixteen skippers, including Michigan District Commodore Ken Kennedy, joined our fleet for a regatta which was won by Jim Harrison of the home fleet. Second place went to Gary Sisson of St. Joseph, Michigan and third to Jim Coggan of the home fleet. Another regatta is planned for the coming season and Lightning skippers are invited to a fine weekend of racing on beautiful Gull Lake.

Prospects are bright for an excellent season of sailing in 1963. Dan Chappell has sold 3436 to Warren Mix who will be racing in our fleet. Dan has a new boat on order and there are rumors of skippers of other class boats switching to Lightnings next year.

A new racing schedule was introduced in 1962 by the Sea Cliff Yacht Club, where almost all of our boats are based. Two Summer-long series of races were run, one on Saturdays and one on Sundays. Previously the two series had been divided by holding one during the first half of the summer and one during the second half. The percentage of Fleet 138 that raced during 1962 was greater than the percentage that raced in 1961. In 1962 one series drew 54 percent and the other 46 percent. The year before the percentages were 30 percent and 41 percent. This note may be of interest to other fleets who are trying to get more boats out on the starting line.

Our fleet was honored this year when Walt Scott was elected Commodore of the Western Long Island Sound District of the LCA. In the District Championships, held August 11-12 at Riverside, Conn., with Fleet 7 as host, Walt placed third out of twenty-six finishers. Pete Hannan was ninth (he tied for that spot with Bob Sleight of Fleet 133), and Al Gagliano was nineteenth. In the District Commodore Series held at the same time, Tom Attridge placed second, Dick Kellogg third, and Warren Kolkebeck fourth.

Our own season here in Hempstead Harbor wound up on Sept. 2nd with Walt Scott first, Pete Hannan second, followed in order by Al Gagliano, Tom Attridge, Ted Henning, and Warren Kolkebeck. Our Commodore Series of four races was held on July 4, 7, and 8. Standings in that series were Walt Scott, Pete Hannan, Al Gagliano, Tom Attridge, Charlie Hine, Ted Henning, Warren Kolkebeck, and Dick Harris.

Pete Hannan had his new boat this season, which we had been hearing about as it was being built by his father during the past two years. Pete's father, Walter S. Hannan, has built two Lightnings (including masts), the first being Pete's earlier boat. They are beautiful craft—no wonder they inspire Pete to do some doggone good sailing.

One of our more hilarious incidents occurred when Al Gagliano was on a beat to windward that took him inshore through the anchorage. He saw Pete Hannan's red "Bo-Peep" some distance to leeward and overstood the mark in order to keep Pete covered. Suddenly, to Al's dismay, the red Lightning astern rounded to, dropped sails, and picked up its mooring. It wasn't Pete at all—

merely another red Lightning out day sailing.

Thirty Lightnings took part in our Annual Invitational Regatta in Hempstead Harbor last June. It was run under the chairmanship of Dick Field, who now sails in Manhasset Bay. We thank him for returning to home waters for this task, for he did a fine job. The June 1963 Regatta will be run by Tom Attridge.

Although our "Big-4", Fleet Captain Al Hyde, Bill Hole, Bobby Edmonson, and Mitch Todd divided the silverware among them, Bill Hole distinguished himself by winning 23 starts of the 1962 series, which consisted of a total of 44. Al Hyde won the season's opener, the Say Trophy, on a day with small craft warnings standing straight out. Of the five fleets sailing that race, only the Lightnings suffered no casualties. Mitch Todd handily managed to sail Hornet to first in the Rathborn-Deaton and Seabury Bowl series. Bobby Edmonson became the undisputed Fleet Champion, also showing his transom to all others in the Myre Miniature and the Maritime Day Trophy series. Roy Bennett recaptured the Barbara Jean Hole trophy from last year's winner, Bob Wuest. All of the rest of the awards went to our District Elimination Winner, Puka Hole. It is alleged that the reason Jean, his wife, took a part time job this year was to pay for Puka's champagne bill.

Other items of note, which will make 1962 remembered. . . . Our popular Fleet Champion, Bobby Edmonson, deserted the bachelor ranks. . . . Wally Hawkins returned from five years in Bangkok to find that he had lost his championship touch (temporarily, we hope). . . . Those thrills of the mass starts with the Thistles, MP's, 110's, and the Lightnings, all tangling rigging at the starting line and with the many hails of "starboard" throughout the race. . . . The beautiful workmanship Joe Ebeling painstakingly used in building the OOSSEE. . . . The new faces among skippers—Bokie Davies in the Nubbin; Ken Meadows in the Jini Maru; Chuck Kehl in the Victory. . . . The stimulation of competition by the division of the fleet into the Red and Blue fleets, during which Bokie Davies picked off two firsts, Dick Holmes two—then Dick began coming up and was often right with the top skippers at the windward mark. . . . Bobby Edmonson taking over Al Hyde's 5662. . . . Al, in turn, purchased 6907, the "rearing Rippincott". . . .

With the record book closed for 1962, we find that it was a good year, but we are eagerly looking forward to 1963, hoping to see an ever increasing number of Lightnings charge up to the starting line each Sunday.

SPOFFORD LAKE FLEET (145)

On January 12, 1962, the ice on Lake Spofford was thirty inches thick. This was the day our sailing year started with the first of many scheduled informal meetings at the homes of various members. These meetings were held to discuss racing rules and strategy. The old timers were pleased to pass on to the new skippers some of the tricks to the art of sailboat racing.

May 29th was the opening date of the three six-race series planned for the summer. The Spring Series was won by Leonard Pratt in his new Bon Joy; Fred Hamblett placed second, and a new Lightning skipper, Dan Mahoney, was in third place in his new Drowsy Day. The Summer Series was captured by Len Pratt in first place, Peter Van Inderstine in second and Dan Mahoney in third. In the Championship Series, Len Pratt again won first place while Dan Mahoney finished second and Dave LaMarche third. An average of eleven Lightnings participated in each race.

This year all of the skippers of Fleet 145 participated in at least one away-from-home regatta, making commendable showings for themselves. Leonard Pratt won the State of Massachusetts

Lightning Regatta, the Corinthian Series at Marblehead Race Week, the Lake Winnepesaukee and the Lake Massabesic regattas, the New Hampshire-Vermont Regatta, and second place in the N.E. Districts at Lake Champlain, Vermont. Dave LaMarche was fourth in the State of Maine Regatta at Portland, Maine. Leonard Pratt and Peter VanInderstine traveled to Buffalo for the North Americans. Leonard placed fifth in the President's Cup and Peter finished third in the Governor's Cup.

The highlight of the season for Fleet 145 was in being the host fleet for the combined New Hampshire-Vermont Championship Regatta. Twenty-three Lightnings participated in the races. This regatta was won by Len Pratt, with Dick Price of Fleet 189 placing second and Duncan McNinnis of Fleet 189 taking third place. Peter VanInderstine placed fourth.

We are looking forward to a bigger and better season next summer. Four new Lightnings were added to the fleet this past season. In addition to the regular races for our increasing number of Lightning skippers, we plan to continue a racing schedule for the Junior skippers and crews. Many of our very young skippers are proving to be quite capable in handling their boats and in offering more keen competition in the future. Last summer we inaugurated an informal and impromptu racing series for several families who were vacationing at the same time. Next season we hope to also enlarge upon this fun-filled and enjoyable aspect of sailing.

The Toronto Bay Lightning Fleet has just completed a very successful season, which was marked by a considerable increase in the number of boats sailing in the Fleet races. The growing interest in Lightnings has been very gratifying, with five boats joining our Fleet in the past year. There are also good prospects for several further additions next year.

The Fleet Championship produced some very keen competition and was again won by Jack Swann with Dave Millyard runner-up. Pete Sulman nosed out Ed Hearn for third place.

A three race series for the Trade Fair Trophy on June 9th & 10th was the first event of our season. This was captured by Bob Bleasby with Dave Millyard finishing second and Gord Russell

third. Another special series was held in August for the Lou Marsh Trophy, which was won by Jack Swann. Dave Millyard and Ed Hearn finished second and third. Other local events included the Gorman Team Race Trophy won by the Queen City Yacht Club team and the Fleet Captains' Race around the Island won by Pete Sulman.

The Canadian Open Regatta is an event of major interest to our Fleet. This year 8 of our boats trailed to Montreal and enjoyed the wonderful hospitality of the Royal St. Lawrence Yacht Club and a very exciting series. Bob Bleasby again won the Trophy and thereby qualified to represent Canada in the 1963 World Championship.

The L.Y.R.A. (Lake Yacht Racing Association) Regatta was held at the Royal Canadian Yacht Club, Toronto, and this proved to be one of the season's highlights. We were especially pleased to have entries from Buffalo, Hamilton and Henderson Harbour. The experts from Buffalo captured the first three places and the Skaneateles Trophy, with Tom Fallon, Tom Allen and Karl Smither finishing in that order.

Another event of interest to our Fleet was the L.S.S.A. (Lake Sailing Skiff Association) Regatta, which was held at the Royal Hamilton Yacht Club this year. Six boats from our Fleet entered and enjoyed a closely contested series, which was won by Dave Millyard.

We had four entries in the Lake Erie Districts and Bob Bleasby finished 4th out of the 58 boats, being the only one to finish ahead of Tom Allen in any of the races. Bob also did well in the North American Championships. After some bad luck in the qualifying races he finished second in the Governor's Cup series, just missing first place by less than a boat length in the final race.

The final race of the season was a five-race elimination series held in our area under the sponsorship of the Canadian Lightning Association. This was to determine the boat that would qualify to represent Canada at the Pan-American Games in the event that the C.Y.A. Committee would enter a Lightning. The series was won by Bob Bleasby with Jack Swann as runner-up and Dave Millyard third.

Our 1962 season began on May 20 with the first race of our Championship series. The season's start showed several changes in skippers. Paul Steinhour purchased Tim Stevens' boat and sold his to Jack Davies; Jack Mintz bought Pat Seigenthaler's and later in the year Tom Ross bought Glenn Macy's so that we now have three new skippers in the fleet.

The first six races saw six different skippers each winning a race. Our perennial champ, Tom McDermott, took four firsts in the last six races to win the First Half. The Second Half saw Harry Warne dominate the series but he couldn't catch Tom for the Fleet Championship.

Besides our Championship series we also had a ten-race series on Wednesday evenings and a series on Sunday mornings. In each of these series we start and race with the Flying Scot Fleet which gives us a sizeable fleet.

Tom McDermott lead the traveling skippers as club members visited various out-of-town regattas such as OICYL, Districts, Buckeye Lake and others. Among the travelers were Harry Warne, Paul Steinhour, Jim Bierly and Charles Huston.

Our season was officially climaxed with our annual trophy dinner. Trophy winners for the season were:

TAWAS BAY YACHT CLUB (152)

Michigan District

Sailing on Tawas Bay, Tawas, Michigan

Fleet Captain.....Charles Schreck
Fleet Secretary.....Herb Cox
Fleet Champion.....Ed & Bill McKinley
Runner-Up.....Ladd McKay

Boat No.	Boat Name	Skipper
5180	Humbog III	Ed & Bill McKinley
6222	Relampago	Dewey King
6283	Trio	Herb Cox
6688	Merri Mac II	Ladd McKay

7855	Deuces Wild	Nik Schulwitz
8004	Joker	Herman O. Nickels

Fleet 152 started a fine sailing season late in June, after the ice finally melted in Tawas Bay and some of the members completed the scramble for shorter backstays, headstay extensions and loose rigging. A re-tune job certainly paid dividends for Ladd McKay, one of our charter members and a most enthusiastic booster for Lightning Fleet 152 and Tawas Bay. After a slow start at the beginning of the season, Ed and Bill McKinley finally got "Hum Bug" moving and at the end of the summer it was McKinley first with McKay runner-up, a near photo-finish. Ladd is already looking forward to an even more successful season next year with his son Sandy, a freshman at the University of Michigan this year. Sandy is gaining valuable experience on the sailing team at Michigan.

Tawas was proud to host the Michigan Districts this summer and would like to extend an invitation to all classes to hold their regattas on Tawas Bay. The Raven and National One-Design Regattas were also held on Tawas Bay this past summer.

We are happy to learn that Dr. Gerald Murphy has recovered from his operation and look forward to having him back in Tawas for a full season of racing next year.

Plans are being made for another Lightning invitational regatta at Tawas next summer. The dates will be announced in "Flashes". We'll be looking forward to seeing you on beautiful Tawas Bay during the next sailing season.

WAWASEE YACHT CLUB (154)

Ohio-Indiana District

Based on Lake Wawasee, Syracuse, Indiana

Fleet Captain.....John Nixon
Fleet Secretary.....Paul O. Penn
Fleet Champion.....Bruce Baiden
Runner-Up.....Paul Knauer

Boat No.	Boat Name	Skipper
2539	Sogi Soder
2559	Scud	Paul O. Penn
4750	Duckling	Berkley Duck
4764	C-Winn	George Wright

6133	Kathy II	Bruce Baiden
6902	John Nixon
7033	C-Winn II	Carl Winnebald
7574	Paul Knauer

Another year of sailing has ended too soon for the members of Wawasee Yacht Club. New members this year are the Gordon Medlock family of South Bend, and the J. D. Highfill family of Fort Wayne.

Eleven boats competed in the club races and at the end, Bruce Baiden held a small lead over Paul Knauer. Dick Penn was third, Larry Lorentson was fourth, and Berkeley Duck was fifth. Dick Penn won the Labor Day Series by a whisker over Lorentson and Baiden was third.

Wawasee Yacht Club will be the host for the Hoosier Lightning Regatta again on June 28 and 29. This has always been a popular regatta which is jointly sponsored by the Michigan City Yacht Club, the Indianapolis Sailing and Wawasee Yacht Club. The winner will receive the Eli Lilly perpetual trophy which is a beautiful award. This regatta has attracted many famous Lightning skippers, so plan to come to beautiful Lake Wawasse where we can almost guarantee good wind in June.

The Sail Fish program started last year was expanded this year and four races were held. We expect some of these sailors will develop racing "fever" and put the "bee" on the old man for a Lightning.

Our "Be Kind to the Race Committee Chairman" slogan started in 1961, bore fruit in 1962. Ed Dodez had lots of help in conducting races this year and the large float boat permitted many more spectators to be close to the arena.

Fleet 161 "Between Races"

The perfect San Diego climate offers year-around sailing activity and so our fleet made an early start with the Fiore Series on January 28th. In addition to our 10 regular race series, several of our skippers took part in local regattas. The John Bate Invitational, hosted by our club, is always a highlight of the season, and this year saw 17 boats on the starting line, including our very good friends from Coronado Yacht Club, Mission Bay Yacht Club, and Kings Harbor Yacht Club.

Two other races are always looked forward to by our fleet, the Spring Race Around from Mission Bay Yacht Club to Southwestern Yacht Club and the return race in the fall. The course is a 17 mile ocean jaunt, which serves as a wonderful relief valve after the tensions of "competitive" racing. Many skippers let their hair down on these two "fun" races and take along their "yaching widows" and a six pack, while pretending to relax.

Our last race of the season is the Round Robin, but as Margaret insists on this report before December 10th, we don't know who won it.

True, we had our ups and downs, losing four boats and gaining two, but the wonderful spirit and enthusiasm of our fleet members should ensure a very successful season for 1963.

7549	Rainbow	Gerald Young
8055	Dr. Edward Dunn

To our knowledge, this was one of the busiest and most successful seasons ever sailed by the Lightning Fleet on Cazenovia Lake at the Willow Bank Yacht Club. The season began June 9, and there was a Wednesday night race added due to the initiative of Mrs. (Red) Sanford. In addition, the usual Saturday and Sunday afternoon series of point races were sailed. There were three new members: the Ridings; the Searles; and the Dunns.

There was obvious evidence of increased skill in sailing. Spinners were flying in all kinds of weather. The winners at the end of the season were:

First Division

- 1st—6491—Dr. A. J. Penfield
- 2nd—7244—John Griffiths, Jr.
- 3rd—7549—Gerald Young

Second Division

- 1st—6804—Dr. Hans J. Bruns
- 2nd—4605—Raymond Miller
- 3rd—3449—Orrin Broberg
- Charter Members Cup Race—5892—Donald Diefendorf
- Crewette's Race—7549—Beth Young
- Wednesday Evening Series—7549—Gerald Young

Members participated in several regattas. The most exciting news to us was that Jack and Sally Griffiths came in third at the District races. They went on to sail in the North American Championships. Next year we are privileged to be host to the Central New York District Regatta.

in a way that all of our visitors would be satisfied. I hope our plan succeeded. A total of 23 Lightnings from three countries (Italy, Switzerland, Finland) participated, and our fleet provided the main Finnish representation for the event, as 12 of our Lightnings participated in the races. Our fleet members were also the best Finnish participants. Aimo Hanninen with his "Marina", Vesa Nurmi and Olle Relander crewing, finished fifth and Paavo Manninen with "Anonymus", Pirkko Seppanen and Pentti Ella crewing, finished sixth; both of them won one heat, too.

The Helsinki Fleet has been very active in other events too during the season. We now have 33 boats of which 21 have participated in races held in the Helsinki area. We have about 35-40 races during the seasons, as there are 7 yacht clubs in Helsinki and every club holds several races during the summer, and Lightnings are welcome in almost every race. The number of boats has decreased in the fleet, but the quality has increased, as we had four new boats during the season. We "cleaned" our boat list leaving out old and inactive boats, which have not participated in any activities for several years, and have not paid their dues for a long time. We feel that our class doesn't need them.

Five of our Lightnings participated in the Finland District Championships, which were held for the first time in the "drinking water", at Lake Paijanne. It was a bit difficult to get boats there, as we had no trailers and had to transport them by rail, but the trip was indeed worth the trouble, as our skippers took first, third, fourth, sixth and seventh positions of the 18 participants. Aimo Hanninen and his crew Urho Liimatta and Ilpo Hanninen took the District Championship after a hot fight from the defending champ Raimo R. Nordstrom of Loviisa Fleet. Raimo Aromaa, with "Tuuletär" finished third, Paavo Manninen fourth, Stig Haglund sixth and our District Commodore, who is also a member of the Helsinki Fleet, Esko Lindstrom, finished seventh.

The Fleet Championships were held, according to traditions, in two groups, A and B. "A" group consisted of active racing skippers and "B" group consisted of "Beginners Class". Urho Liimatta won the "A" group and became the fleet champion. Brothers Raimo and Terho Aromaa had a fight for the runner-up trophy, but finally the older brother, Raimo, took the trophy home with the narrowest of margins—one point. Our district champ, Aimo Hanninen had bad luck, when in one race his hiking straps broke and the skipper and crewmember fell overboard. "B" group was won by "Tiwa", Waldemar Walli skippering, second "Lotina" Rauno Roitto.

We are looking forward to having our fleet even more active with new and better boats, increasing every season. Two, at least, for the next season.

Davenport Lightning sailors had an unusually good season with 26 races in the official series plus two tuneups in May and two races on Labor Day. We don't know whether the 30 race series sets a record for the northern states or not. However the important thing is that sailing enthusiasm is high in the growing Davenport Club. The heavy race schedule was made possible by sailing two full trophy series, one of which was a 12 race fall series starting September 10 and ending October 28.

Competition was extremely hot between the two lead boats with Champion Dick Duley finishing the regular season with a beautiful 94.195 percent and Gene Hollen following with 94.150 for second place. The percentages reflected the extremely close competition between these two skippers. The fall series ended in a dead heat with the same two skippers owning identical averages. Clayton Ebert was coming up fast in the series and threatens to

Helsinki Fleet boats "Tuuletär" and "Ariana" starting for the District Championships

This season has been without doubt the most important in our fleet's life, as we had the honor of acting as hosts for the 1962 Lightning Class European Championships, which were held in Helsinki in July. This great event gave quite a lot of work to fleet members for a long time as we planned to hold the regatta

make it tough on the leaders next year with his 6033 (formerly Hot Canary). Marshall Smith and Dick Cooper won the title of "Most Improved" skippers for the season, doing a fine job with a rejuvenated 2036. Several other good skippers are working up on the top competition.

This season was marked by the building of a new clubhouse on the club grounds. Much of the construction was done by club members and there were a few weekends when sailing had to take second place to the carpentry.

Another first was the first Invitational Polar Bear Regatta held on October 13 and 14. This series featured a number of fine spinnaker reaches with the tricky wind and current keeping skippers on their toes. The race list included entries from the Alton and Decatur Illinois Clubs plus a full turnout from our local club. The races were sailed in beautiful October weather with breezes ranging mostly in the 5 to 10 mile range. The winner was Jerry MacNab, a sharp young skipper from Lake Decatur. The second place was nailed down by John Hollen, one of our fast-rising local juniors. Third place went to Mitch Bohnenkamp, a very fine competitor and one of the leaders in the Alton club. Mitch displayed his ability as a competitor as he held a commanding lead with two firsts until a DSQ dropped him into third place.

Several of our members rounded out the season by competing in other regattas in the area. Among these were the Sand Dunes, Gull Lake, Michigan, Alton Illinois, Carbondale, and Decatur regattas. Dick Duley almost had the Decatur trophy in the bag when a wind shift hit him on the last leg and dropped him into third place.

The season ended with skippers sadly taking down masts on the weekend of November 4. Several were overheard carping about the shortness of the season and planning to stretch it next year so that those beautiful Lightnings would be in storage only six months instead of seven. How about that for real "Lightning" spirit.

Our big news is the reactivation of our fleet which was officially brought about last August at a "Luau" including wives and crew members; a grand time was had by all. Two memorial trophies were set up to be in the name of two of our wives who in turn were called upon to make the presentations. Lewis Hill won the "Isabel Bregler Trophy" and Rip Rundle took the "Ruth King Cup". Our Fleet Championship series will be sailed in the spring of '63.

The majority of the fleet has traveled to local area regattas and walked away with the first three places at Sarasota, led by Bill Young, Rip Rundle and Lewis Hill. We also brought home the silverware from the St. Petersburg "Veterans Day Regatta"

with Rip Rundle leading, followed by Ray Chase and Lewis Hill.

Our local Davis Island Yacht Club Regatta, 11/25, saw one of our new owners take over—Dick Jones nosed out Lewis Hill by a 1/4 point for first place.

It's been a welcome sight to once again see an active fleet here and if the last few months are any indication we are here to stay. Our enthusiasm is tops, our social functions have been a great help in promoting our sailing activities, and we look for continued growth of the fleet and representation in all local west coast regattas and the district races next spring.

This last season, we noticed that a lot of new class boats invaded our lake. But this enjoyable rush to yachting hasn't, fortunately, been harmful to the ever-growing Lightning Class. In fact, our fleet is growing slowly but surely; you can find 27 competitive Lightnings on the lakes of Neuchatel and Morat.

The very typical town of Grandson had the honor of inviting our fellows for the Fleet Championship. The winds had blown over the lake and some hours afterwards the wonderful wine of Neuchatel brought back the entertainment we're used to!

Final standings of the Fleet Championship were:

Fleet Champion:	6739 Fiamma	R. Fluhmann
Runner-Up	7803 Bourla Papey	David Henriod
3rd	926 Ibis	Bernard Perrenoud
4th	7805 Pamplemousee	Dr. Uehlinger

The various regattas we are running on our three lakes, which are bound close together, (thanks to beautiful rivers), always give us the opportunity of cruising, putting the mast on the deck, fixing it again after having passed under a few bridges whereas the vibrations of the outboard motor just make the captain crazy, meeting old friends, having fun the whole night with them and awakening the next day not less enjoyed and relaxed! All these activities are our accustomed life on our lakes and we don't believe that we would really be happy without them.

The regattas of Morat, Neuchatel, and Grandson, mentioning only the main ones, gave the opportunity of showing the lively activity of our class—thanks to the great number of Lightning races, as compared to the other classes.

Our fleet could once again prove its efficiency in getting the first place of the District Championship. The new boat "As de Carreau IV," owned by Jean-Pierre Luthy, has been victorious on the lake of Zurich which is very difficult for racing, the winds being so inconstant.

Favorable weather and an enthusiastic membership encouraged a full season of racing on our Cross Lake before and after the Shreveport Yacht Club Spring Regatta held April 29th. During this regatta we held the Inter-District Lightning Championship which was won by Art Magero of the Dallas Corinthian Yacht Club of Dallas, Texas with Gay Griffith of our club taking second place.

We have just completed our formal racing season with Walter Heiman sailing his Mary E. to Fleet Champion over Luther Griffith in the Boom Boom.

Two new boats, No's. 8223 and 8340 have recently joined our fleet and promise to make '63 more of a challenge since Cliff Prados (a former president of Lightning Class Association—1955) will be at the helm of one.

Fleet #178 enjoyed a highly successful racing season which began on Memorial Day and ended with the last Frostbite race on December 2nd.

Once again Bob David, sailing the "Mistress" was fleet champion—but not without some challenging competition led by Bob Anderson, Paul Gilbert, Otto Hoglievina, Herb Buerger, Warren Pulver and George McCormack.

Results of the invitation regattas and club races were as follows:

INVITATIONS
Babylon—Bob David
Long Island—Bob David
Magoun Landing—Bob Anderson
Unqua—Warren Pulver

Bayshore—Bob David
 Bellport—Bob David
 Narrasketuck—Bob Anderson

NARRASKETUCK CLUB RACES

Spring Series—Bob David
 Twilight Series—Bob David
 Summer Series—Bob David
 Evening Series—Warren Pulver
 Fall Series—Herb Buerger
 Frostbite Series—Otto Hoglievina

One of the high spots of the year was the marked increase in fleet membership—a growth of twenty-five per cent and strong expectations of a similar expansion next year.

Our sincere thanks to the various Race Committees for their excellent handling of the races, especially to Narrasketuck Race Committee led by Jack Ronbach who rescued several of us one blustery Sunday afternoon in October.

1962 was a good year for our little fleet. The defenders of the status quo were hard pressed as Bill Ralston, up from the junior program of Sailfish racing, roared into a good second place both on the season's standings and in our Labor Day Regatta. It took plain and fancy sailing on the part of Franklin Miller to come from behind at the end of the year to cop honors. It was obviously a good year for the "new boats". However, the old ones had

their moments of glory although lacking consistency. Duane Good joined the upside-down club this year and for the fifth straight year, our only capsizes have been performed by those who are eligible to call themselves doctor. Duane explained this away by saying doctors have to live dangerously. We look forward to another good season next year with possibly two old boats being traded in for new and several new additions from the ranks of the Sailfishers.

Our sailing season got underway early in July with the arrival of some of our Lightning skippers in Leland. It appeared in those July tune-up races that Jack Gilligan would be taking home the A Class trophy at the end of the year. However, with the arrival of the August sailors, it soon became evident that Mike Fisher would again be receiving the "big cup" at our awards banquet.

Mike not only won the A Class trophy, but also he was the only A Class Lightning skipper to receive awards for performances in the Marathon and Handicap races, by placing second and third, respectively, in those events. (Those Nationals will have to be eliminated!) The B Class awards went to Norbert Gits for placing first in Lightning competition, and to Don Mitchell for coming in second in B in the Handicap series. Mike also came in first in the Bill Miller Labor Day Regatta, which was a fantastic success this year. Peggy Hilsinger and crew received the B Class cup in that Regatta, thanks to some magnificent work on the part of Mike Fisher in reporting the results to the scorekeepers.

The Linda Kay Sutton award for the girl displaying the most outstanding sailing ability, interest, and sportsmanship, went to Phyllis Riley, our chief scorer. Phyllis, who had a big hand in our junior sailing program, was most deserving. She showed much improvement in her sailing skills and also took part in planning the Yacht Club dance this year.

Some of the big events of the season were the Marathon, the Commodore's Cruise, the Yacht Club dance, the Bill Miller Labor Day Regatta, and the Yacht Club awards dinner.

We are looking forward to next summer, and in our last meeting of the year we made plans to have more racing and various different and interesting starting lines to replace the usual Yacht Club dock starts. We are also hoping to have a small Regatta in the middle of August; if we are able, you'll be hearing from us about it. At the close of the meeting we elected officers, and Mike Fisher was chosen Fleet Captain for next year.

All in all it's been a great year. (A reminder to all skippers: dues are going to be raised next year by the sum of one dollar if you don't get your money to me on time! J. H.)

RACING, SAILING, DUMPING & WINNING marked a very successful season. Not everyone could enjoy all these advantages of Lightning sailing. Only three were successful in dumping.

Eleven boats participated regularly in five series of races and three up-river races. The big winners were:

Mistral Trophy, Don Freudenberg; Ogilvy Trophy, Bill Whiting; Corinthian Trophy, Dave Quarterman; Queenspark Trophy, Fred Anfossie; Busk Trophy, Bill Whiting; Paul Blais Trophy, John Bolton; Rhodes Cup, Dave Quarterman; Championship Trophy, Dave Quarterman.

Four boats from Britannia trailed to Montreal for the St. Lawrence Valley Regatta on the July 1st weekend and one of our boats was successful in winning the St. Lawrence Valley Championship for the second year. John Killick in his "Madcap" #7270 was the top boat.

Unfortunately for our fleet John Killick has since left to join the growing fleet of Sharks at the B.Y.C. and his boat was sold to the Fort William Fleet.

Later in July four of our top boats took part in the Canadian Open Lightning Championship which was held at the Royal St. Lawrence Yacht Club in the Montreal area and while one of our boats did not win we made a very good showing.

During the past summer our fleet undertook a study in the fine art of dumping. Bert Walker's "Thunder" led the fleet when caught in a sudden storm and much to Bert's dismay the boat rolled over, the mast stuck in the mud, the boat kept rolling, the result—a much shorter mast. The fleet has now decided to purchase an extra mast to keep in reserve so that when a breakage occurs a boat won't be in dry dock waiting for a new mast to be constructed.

The flash of the S.L.V. Regatta, #7270 "Madcap", was sailed under the waves by John Killick. He demonstrated the procedure of being dumped by a beam gust with spinnaker sheets jammed. As a vantage point for this display, John chose to be 100 yards ahead of the second boat during one of our evening races. Not being outdone, the same trick was repeated by Lou Sebert on an up-river race, although fifth place was not as crowded with spectators at the time. The foregoing was probably the reason that Killick sold his Lightning and bought a Shark.

During the year we lost two of our sailors, Charley Whiten, one of our keenest Lightning sailors for the past few years, was stricken while on the maiden cruise in his new Thunderbird. Charley was taken to the hospital but passed away the next day.

Charley will be missed not only by his fellow sailors but also by all those with whom he associated during his few years in Ottawa.

Later in the year George Williams, who has been crewing with Bertie and Ernie Criddle for the past two seasons, also passed away in the prime of life. They will both be missed around the Yacht Club.

Marblehead Lightning Fleet 189 started off a very busy sailing season on May 13, 1962, at the Boston Yacht Club with sail measuring and dinner. There were a good many new sails in evidence and everyone looked forward to a season of good competition and fun.

Racing began on Wednesday, May 30th, and from then on until Sept. 9th the fleet kept very busy with a schedule of four races a week plus a few regattas thrown in for good measure.

With an average of 15 to 20 boats coming to the starting line for the 1st Twilight Series, the winner was Dr. Lou Pocharski in "Spook III", followed by Frank Morse in "Suzy Too", and John Collins sailing John Abbott's "Nuggett" in 3rd position. The 2nd Twilight Series saw the same three boats and skippers in the same positions as the 1st series.

On July 4th A.M., our special one race trophy was won handily by Dr. Lou Pocharski.

On the weekend of July 7th and 8th Fleet 189 was host to 30 boats for the State of Massachusetts Regatta, which was won by Len Pratt of Spofford Lake, New Hampshire.

In the winner's circle during Marblehead Race Week, in the Championship division, were Dr. Lou Pocharski in "Spook III" in first place, Senator Ben Smith from Annisquam in "The Teaser" in 2nd place and Frank Morse in the "Suzy Too" in 3rd place. The consolation division was won by Dr. Frank Colombo

in "The Celest". Tuesday evening of Race Week found all the members, families and friends of Fleet 189 gathered at a cookout at the home of the Frank Warners. It was good to see some of our former members there, and also a chance to get acquainted with the newer members.

The third Twilight Series was won by John Collins sailing John Abbott's "Nuggett", with Bill Thorp sailing "Sprint" finishing 2nd and Suzanne and Frank Warner placing 3rd in the "Nereid".

The last Sunday in August was a warm and sunny day, perfect for Fleet 189 to have a clambake. Abbott's Island was the scene for the festivities and it was a day that was enjoyed by all.

Labor Day was a beautiful day for racing and the Caldwell Bros. decided to make the most of it by getting out in front in the morning to win our Labor Day morning trophy.

The final Sunday morning race was sailed on Sept. 9th. Winner in this series was Dr. Pocharski in "Spook III". Sam Townsend sailing "The Pippa" placed second and John and Paula Carion finished third in the "Neirac."

At our annual banquet on Sept. 16th, Dr. Lou Pocharski was awarded the Fleet Championship trophy. Sam Townsend, a newcomer to Marblehead from Texas, took the second place trophy and John Abbott was awarded third place. After a very enjoyable dinner, at which all the trophies were presented to the winners, everyone went home to plan their strategy for next season.

The 1962 season was ushered in with a well-attended fleet meeting in January at the home of Bob and Meg Manning. Trophy awards, officer election and the showing of excellent color slides of the previous year's sailing activities were highlights of the eve-

ning. During February, the fleet was host to the Dixie District Lightning sailors for their Mid-Winter dinner meeting in Wilmington, Delaware. Our own Mary Wilkinson was elected Commodore for the District for the 1962 season.

Sailing enthusiasm was whetted by a fleet dinner meeting in April that attracted many interested sailors and potential Lightning skippers. We were privileged to have as speaker, Marcy Lippincott, who explained the mysteries and intricacies of new tuning techniques.

Racing began early with a tune-up series of three races the last weekend in May. With five boats in the water, the series wound up with Bob McWhorter, Mary Wilkinson, Walt Bartoshesky and Frank Nelson in a four way tie for first place points! McWhorter was declared the winner by virtue of his two first places.

Murray Schwartz showed up with his beautiful new boat, "Why Not", and proceeded to sweep the first series races handily for first place. Nelson, Bartoshesky and Wilkinson were at it hammer and tong throughout the four-race series, and finished second, third and fourth in that order. At this point, Murray reluctantly had to give up his racing activities. His presence is missed and it is hoped that he can return soon.

Jim Holzman spent a good portion of the Spring season tuning his new craft, "West Wind", and showed that he was ready by the time the Championship Series began. Jim started with a second place finish behind McWhorter in the first race. After that, Jim was never headed in the remaining three races to garner the Championship. Mary and Walt sailed throughout the entire series with but a one point differential, with Mary capturing second place in "Pandemonium", and Walt third in "Bee Hive".

The Fall, or second, series of six races produced some keen racing and close finishes. First, second and third place finishes were well distributed among McWhorter, Bartoshesky, Nelson and Bill Stafford. The outcome remained in doubt right up through the last race, which was sailed in the stiffest breeze of the season. Final Points had Nelson the winner in "Whisker" followed by Bartoshesky, Stafford and newcomer Stan Hoffstein in that order.

The fleet was well represented at District regattas around the Bay area by Mary Wilkinson, Lee Brown, Walt Bartoshesky, Jim Holzman and Stan Hoffstein.

While there were a few losses in the fleet during the year, there were new arrivals to take their places. These include Stan Hoffstein, Frank Gluckert, Lee Millett, Harry Williams and Fred Johns who are pointing for next year's competition. The fleet hopes to stimulate increased interest and participation in Lightning activities during the coming year for greater sailing enjoyment and keener competition.

Mission Bay Lightning Fleet continued to add new boats throughout the year. To encourage more sailors to get into Lightnings, we continued our two fleet concept with more success than last year. The "ocean" fleet consists of minimum weight boats and will fly "kites" at every opportunity. The "Bay" fleet consists mostly of heavier boats and rarely fly spinnakers. This fleet has been getting hotter all season and the lead boats usually can give the "Ocean" boys a pretty good go on the wind.

MBYC boats continued their domination of Southern California Lightning Regattas by winning 9 of the 10 major regattas this year. In addition to the wins, we also took 8 seconds and 6 thirds.

Carl Eichenlaub continued his winning ways eking out a win at the District Championships as well as taking the Stanley Andrews at MBYC, the Herrmann and Thanksgiving series at Coronado YC and the Hurricane Gulch regatta at Los Angeles.

The Barber boys went well and came out on top of the Small Boat Regatta at Cor. YC and the 4th of July series at MBYC.

Elt Ballas finally stopped "Frigin' with the Rigg'n'" and got moving well enough to clean up at the John Bates series at Southwestern YC and the San Diego Associated YC series at MBYC.

Trev Lewis, Elt Ballas and Dave Wright trailered their boats up to the Seattle World's Fair.

The Bay fleet boys really sharpened up on boats and tactics during the season. Boats were worked on to bring weights down, new sails and equipment were added and hull finishes were really cleaned up as the competition got sharper. Ed Russ and Harry James won the turkeys during the Turkey Day Series with Ernie Vitucci, Jr. and Harry James taking the 4th of July Competition. Harry James ended up the season at the head of the pack for the Bay Fleet Championship and wins a new Ballas jib for his effort. Other Bay Fleet skippers that must be contended with are Bill Hutchinson, Bill Radcliffe, Geo. Rayfield and Bob Stahl.

SURF CITY FLEET (196)

Central Atlantic District

Sailing on Barnegat Bay

Fleet Captain	Jack Elfman
Fleet Secretary	Helen Sullivan
Fleet Champion	John Sullivan
Runner-Up	Claude Sullivan

Boat No.	Boat Name	Skipper
477	Tempest	Frank Temme
780	Sea Nymph	Fred Lorenz
5754	Hurricane	Robert Freeman
5943	Scotch-Irish	Jack Elfman
6015	Sinnerella	Al Serwazi and Tom Sweeney

6918	Impulse	Alan Stoneback
7020	ME 109	Ralph Messersmith
7800	G. P.	Claude Sullivan

Our racing season might be confined to the summer months, but the Southern Circuit in February always has a few Surf City representatives. Two boats sailed in the competition and there were several sailors from the club who crewed for other skippers.

In the early spring, the skippers and crews continued their practicing in series held at Red Bank and Brant Beach.

Due to losing his home in the March storm, Howard Mullin took a year's leave of absence. Dick Del Castillo was transferred and couldn't be with us this year. Alan Stoneback became a proud papa this summer so his Dad took over the helm of Impulse in the Sunday series. Did a fine job, too. Ed Lavery sold Gepek and became a power-boater this summer and Jack Van Dalen parted company with Taboo. We missed these skippers and hope to see some, if not all, back again next summer.

We had mostly fair skies and steady breezes for our Saturday

and Sunday point races. Only missed one day of racing due to heavy air. John Sullivan was the winner of the Saturday series. The top award for this series is the Claude Sullivan, Sr., Memorial Bowl. In one of the races, John Jr. handled the tiller of Alleluia for the first time and led the fleet across the finish line with the same finesse as his Dad. Second place was secured by Jack Elfman sailing Scotch-Irish and third position was taken by Al Serwazi in Sinnerella.

For the Sunday Championship Series, the Julius Christian Hansen Memorial Trophy was won by John Sullivan. Runner-up for this series was Doc Sullivan in G.P. and Tom Sweeney took third place honors in Sinnerella.

One of the highlights of the season was our victory in the inter-club series with our friendly rivals from Brant Beach. By winning four of the first five positions in the last race, our club clinched the trophy for the year.

The achievement trophy each year goes to the skipper who has shown the most improvement. Tom Sweeney, congratulations!

The season closed with our Annual Invitational Regatta. Once again our traditionally fine weather prevailed. This, combined with the large number of boats, made it a huge success.

But this was not the year's end of sailing for our fleet. We had a big representation at the famous Quantico Regatta.

In our January meeting, the skippers will make plans for the Early Bird Series, hosted this year by Surf City, and held in the spring. Get your boats ready and plan to attend.

1962 has been another very successful year for Fleet 198, with races every Saturday and Sunday throughout the summer. As in the past, we have the fleet divided into two divisions for scoring purposes. The first division is comprised of the newer boats; the second division is made up of the older, heavier boats. In this manner, the heavier boats are not obsolete because they are scored as a separate series with their own trophies, even though in the races both groups sail together.

The season started on the fourth of July with the usual tune-up races. After the tune-up races, the fleet started the summer series in earnest. Along with the regular races, there were two races with Fleet 19 from Lakewood, and the All Lake Regatta. We were very fortunate this year in that Fleet 19 at Lakewood on Chautauqua Lake, sponsored the Lake Erie Districts and did a wonderful job. All of Fleet 198 sailed in at least some of the races during the Districts and we all gained valuable experience.

**SEND A PICTURE WITH
YOUR FLEET REPORT**

The end of the summer series showed Bob Clark to be first in the first division, with Jim Patton second and Bob Birmingham third. In the second division, Fred Tim was first, with Dave Duhme second and the Neubauers third. The Labor Day series was won by Jim Patton.

Weather during the summer was ideal, with no rain to speak of, only two drifters, and not a single bad storm. We have all enjoyed the summer's racing and we are looking forward to more of the same next year.

Fleet 203—"Base surroundings"

Our fleet, although small, is working hard to increase its number of boats. Some club members belonging to other class fleets have shown a keen interest in our class and expect to join us in the near future.

Our base activity is not quite developed since Lightning regattas are usually raced together with other nearby clubs and consequently our base is rarely used.

8332	Al Pitchford
8373	Kayjee IV	Stan Brander
8422	Dick Howe

The 1962 season saw the addition of 3 new Lightnings to the Fleet. Jack Cooper and Dave Lhevine bought new Lippincotts early in the Spring and Al Pitchford brought the first fiberglass Lightning into the Fleet in August. The season was a full one with 34 races scheduled on Lake Yahola and open dates available so that the members could participate in outside regattas without losing points for fleet champion.

The Spring Series was won by Bob Lennart followed closely by Rod Hall and Stan Brander. Brander won the Reisher Memorial Trophy with Lennart and Tommy Flanagan following in that order. Flanagan, through three first places, won the Tulsa Bronze Trophy with Hall second and Bob Lennart third.

The latter part of June saw many of the members trailing their boats to Lake Fort Gibson where the Tulsa Sailing Club hosted the Central States District Championship. Through a polling of the various fleets in the district, it was decided to conduct this championship on a five rather than three race basis. Tulsa was fortunate in that Bob Lennart, by virtue of some splendid sailing (three firsts, one second and a thirteenth), won the district crown with Stan Brander placing third.

The Summer series proved to be an indication of the things to come for the remainder of the season. Jack Cooper, who was new in Lightnings, got his new Lippincott moving and won this series. He was followed by Frank Ziegler, who had purchased 7832 from Stan Brander, and Harris Squire.

Another new Skipper set the pace in the Standard Magnesium Trophy Series. This time it was Dave Lhevine in 8258 who won the hardware with two seconds and a first. Dave was followed in close order by Tommy Flanagan and Jack Cooper.

The Fall Series was again hotly contested and again showed still another skipper in the winner's circle. Tommy Flanagan sailed beautifully throughout the Fall to take a six point lead over Bob Lennart. Rod Hall brought 3427 home in third place.

Stan Brander with a second and two firsts won the Ziegler trophy in his new Lippincott, 8373. He was followed by Tommy Flanagan and Jack Cooper.

Harry Ells, Dick Peterson and Rod Hall placed in that order in the Annual Handicap Series.

The Fleet Championship run-off series was held between the boats placing in the top three positions of any of the three 8 race series. Jack Cooper managed to take the hardware even though he was disqualified in one of the races. Rod Hall took second followed by Frank Ziegler in third place.

This past season saw much improvement in tactics and technique, and the Fleet showed a very healthy growth. It is anticipated that the 1963 season will be even better.

Activity and enthusiasm have been brothered during this past year when 68 races took place. Although only one more boat has been added to our fleet, some of our younger crew members are having new boats built which will be ready in a short time. Considering this, our fleet will then increase by another 5 or 6 more units.

Among several events of the year in which our fleet took part, the principal was held at San Pedros city, approximately 110 miles from our base, where practically all our very active and enthusiastic members trailed their boats and had an excellent performance.

Just now we are all working very hard organizing the IX South American Championship for Lightning Class which will be held at our premises, the Club Nautico Olivos, from the 10th to the 17th of February next. We are expecting Lightning fleets from Colombia, Venezuela, Ecuador, Chile, Uruguay and Brazil. Meanwhile we are preparing selection of skippers who will represent our country.

Congratulations to our Fleet Captain and his assistants for an enjoyable 1962 sailing season. A well-rounded schedule of participation kept sailing interest moving at a fast tempo throughout the season. A contributing factor—Dry-sailing with electric hoist performed very smoothly and is here to stay.

Regatta participation by our fleet included the following: PYMATUNING YACHT CLUB attended by E. A. Capadona, Max Lekson, Lud Lekson, Al Hoegler, Thomas Reel, Dick Hathe-way and Russ Keeler. FOREST CITY YACHT CLUB participation by Lud Lekson, Cappy Capadona and Karl Burkert. LAKE-SIDE YACHT CLUB participation by Cappy Capadona, Ken Rehor and Thomas Reel. BABY BERMUDA AND CLEVELAND YACHT CLUB (pre-district) participation by Ken Rehor and Cappy Capadona. OHIO-INDIANA DISTRICT Fleet 207 competition represented by E. A. Capadona. St. Petersburg Yacht Club attended by Max Lekson and Cappy Capadona.

A test to prove again that the Lightning is a Thorobred of Yachts took place this season—Jon Ruhlman and Cappy Capadona sailed "Handicap" from Lakeside Yacht Club to NEYC thru one of Lake Erie's famous 25 knot Northeast Blows.

Visiting skipper, Jon Ruhlman at our Wednesday events, scouted local talent for District Competition.

E. A. Capadona with his expert crew, daughter Clair and son Jim is up and coming. Karl Burkert is also a comer with a few more seasons of competition. Ken Rehor and wife Corki are persistent and we are sorry to see them leave the Lightning Class competition. They are now the proud owners of a TIGER CAT Catamaran. Good luck in your new Class. Tom Reel is relocating to Port Clinton Lightning Fleet—their gain our loss. Dr. Schmidt we would like to see more of. Jack Hively and Phil Schloss, still more participation this coming season, for what races you did sail were challenging. Lekson-Hoegler had the thrill of spinnaker-ing in Lake Erie's wildest long distance race, a ten mile beat leg and a ten mile planing return trip. Marie Pulaski welcome to Lightning Fleet 207 and we hope to see more of you next sailing season. The sailing season ended with a Bang when at the finish of the last race, La Biche and Handicap collided at the finish mark, Clair Capadona emerging the winner.

REGATTA STATISTICS—Forest City Yacht Club winner, La Biche, Hoegler-Lekson Syndicate. Lakeside Yacht Club winner, Handicap, Cappy Capadona.

New Year's weekend saw Fleet 209 off to a successful year of sailing. The Sugar Bowl Regatta was held in conjunction with the many Sugar Bowl activities going on in New Orleans at this time. The Regatta attracted many skippers from along the Gulf Coast, as well as entrants from other districts. Skipper Gene Walet took top honors, with Buck Ballatin second, and Tommy Allen third.

There is keen competition between Fleet 62 and Fleet 209.

1962 Champion, Fleet 209, John "Buck" Ballatin—Crew Johnny Ballatin and Fred Weber.

Bobby Kammer, Jr. from Fleet 62, with his new Lippincott, sailed to a decisive first place in the Opening Day Regatta. However, Francis Favaloro upheld the honor of Fleet 209 by capturing second place.

The moonlight race proved to be such a success, that this year two such races were held; and Gil Whitworth with his "Dutch" managed to take both races. Night sailing is quite an experience, for the usual tension that accompanies day sailing gives way to a holiday spirit and the race is sailed with much shouting and kidding from boat to boat. A midnight supper at the club tops a most enjoyable evening for skippers and spectators alike.

Buck Ballatin's crew of Johnny Ballatin and Fred Weber were successful in capturing both Crew Races. These races are sailed on Sunday afternoons, and have proved to be quite a hit; as it gives the crew a chance to finally tell the skipper off.

The Fleet Championship was sailed early in the season, June 2, 3. It was a nip & tuck battle between Buck Ballatin and Francis Favaloro. Buck Ballatin is the 1962 Fleet Champion.

The 1962 season was rounded off with a fine turnout for the Closing Regatta. This regatta saw Jerry Jacob take all three races to win. Gil Whitworth, Jr. was second, and Johnny Ballatin was third.

Our Lightning Fleet is certainly on the upgrade. New owners, new boats, and renewed enthusiasm contributed to a busy and successful season. The main event was hosting the Canadian Open Championship. The details of this competition are covered elsewhere; suffice it to say that our Fleet entries placed well. Ann Wilson put her sailing experience to good use with her father, Ted and sister, Jane, and skippered the JANE ANN into third place, with Russ Scrim placing sixth, among some good competitors. The weather, and all arrangements handled by owners and wives under the Chairmanship of Russ Scrim, went towards making this, our first "Open", a most successful Regatta. This event developed fresh interest in our Fleet, and next season promises to bring in at least three new boats and as many new owners. Next season's officers have already been installed and a Winter programme is underway.

The Annual Meeting of the Canadian Lightning Association was also held at our Club that weekend.

The Class Championship went to Ann Wilson in JANE ANN, runner-up was Charles Davidson's HISPANOLA. Competition was keen and the final results were close.

In the Annual Ishoodah Regatta for all Classes, of some 223 starters, R. Leckie kept the Lightning flag flying by placing second. Other winners in Club competition were Sutton-Brown in the Gold Cup, Scrim in the Fall series and Turkey Trophy, C. Davidson in the Spring series and Wilson in the June and Annual Regatta. In the outside events, Laurie took both the Hudson and Pointe Claire Regattas.

We were dogged all summer by exceptionally low water which meant minor repairs for some, but it also proved the usefulness of a centerboard boat.

8294	Niva Belle II	James Johnson
8304		John McDougal

Our 1962 season started on May 26th and ended on September 3rd. We had 16 races including 4 regattas. Joseph Disette of Midland took 1st place trophy, with James Ault of Saginaw taking 2nd place and Thomas H. Wisniewski of Bay City placing 3rd for the season.

Memorial Day Regatta was the same story, Disette, Ault, Wisniewski.

4th of July Regatta, Ault nosed out Disette by 1/4 point, Wisniewski finished 3rd.

Bay City Yacht Club Regatta, July 28 and 29, was won by Ault by 1 point, showing he had improved over the 4th of July regatta, Joe Disette 2nd and Tom Wisniewski in #2903 3rd place. In one of these races, in heavy wind, Tom Wisniewski showed his skill when he flew across the finish line on a broad spinnaker

Fleet 261 Champion Joe Dissette, Joe Dissette III and Chuck Curtiss

reach as his rudder broke.

Labor Day Regatta sponsored by Saginaw Bay Yacht Club was won by Wesley McMullen of Flint; 2nd place honors went to Bob DeVore of Burt Lake; Champion Joe Dissette placed 3rd in the regatta.

For the Grand Traverse Bay Invitational Regatta, Joe Dissette trailed "Carousel" to Traverse City and took a 5th place overall.

Jim Ault and Joe Dissette finished off the season by racing in the Pontiac Yacht Club Regatta on Cass Lake.

We had 10 scheduled races in our Wednesday night series. In this "anything goes" series it was 1. Joe Dissette, 2. Tom Wisniewski, and 3. Sherm O'Dell.

The Michigan District Regatta at Tawas saw 3 of our skippers, Jim Ault, Joe Dissette, and Bob Drew entered. Jim Ault took 4th place in the 2nd race and finished 11th overall out of 50 boats. Jim credits his success to his two sons Pete and Rick whom he maintains are the best crew on the Bay. Joe Dissette placed 3rd in the 3rd race and Bob Drew placed in the tune-up race.

Future Lightning sailors are fast developing in the form of an active Optimist Pram fleet sponsored by Bay City Yacht Club and the Lightning Fleet. 12 Prams sailed in 13 races. Pram Fleet Champ is Joe Dissette III of Midland, Runner-Up is Bill Cox of Saginaw and 3rd place went to Neil Dexter of Midland.

Thanks to the interest of his crew (consisting of his wife Fran and his son Bill taking spinnaker lessons and heavy-air sail handling from the "old pro" Clarence Holman) and smart sailing on his part, Wes McMullen finished the season by receiving the most improved sailor award.

Phil Patterson, former Lightning skipper and now owner of one of those fuel burners, was guest of honor at our Lightning Awards Banquet. Phil served as our race committee and watched the rest of us make mistakes.

We're looking forward to next year and several new boats to help make it exciting.

BRIGANTINE YACHT CLUB (217)

Central Atlantic District

Sailing on Brigantine Bay, adjacent to Brigantine, N. J.

Fleet Captain..... John G. Walton
Fleet Secretary..... Sir Robert Bray
Fleet Champion..... John G. Walton
Runner-Up..... David Thurston

7044	Blue Mist	Edward Budd
7679	Thunderbird	Edwin W. Hance
8103	Sam	Robert J. Seidelmann

The 1962 racing season was the most exciting and successful in the 14-year history of our Fleet. The Fleet Championship series was sailed on Sunday afternoons during July and August when major area regattas were not scheduled. The results of this series are shown above. Edwin Hance finished third in a close 3-boat battle during the twelve races.

A Junior Lightning Round-Robin Championship series was

initiated in July. Three young crews, made up of the best Moth-boat and Penguin sailors, manned borrowed Lightnings on a breezy afternoon. Three races later the Race Committee was faced with a real crisis; all three crews were tied with a 1st, 2nd & 3rd. Regardless of which crew was aboard the boats, the order of finish each race was #1726, #7679, and #6577. A straw-draw was held and the three crews sailed a sudden-death final race to break the tie. The order of finish seems to indicate that the dice were indeed loaded! Results:—#1726—Tommy Wells, #7679—Bobby Bray and Richard Meister #6577.

The Annual South Jersey Lightning Championship Regatta was held in July. It was won by Robert Adams of Bay Head. Bob's sister, Marge Alexander, was second and Arnold Schwartz of Monmouth in Thatdamboat was third. John Walton and Dave Thurston of the host fleet, were fourth and fifth respectively. Eighteen boats from fleets throughout the State participated.

Fleet 217 won more than its share of hardware in major regattas. Bob Seidelmann and John Walton both were among the five qualifiers for the North Americans in the Central Atlantic District Regatta at LaVallette Yacht Club. They finished second and third respectively behind Marcy Lippincott of Riverton.

Bob Seidelmann won the Southern circuit earlier in the year and went on in June to garner the New Jersey States at Brant Beach. In this regatta Walton was third and Ed Hance a little farther back in the 24-boat regatta. Seidelmann climaxed a great year by coming from well back at the North Americans in Buffalo with brilliant fourth and fifth races to wind up with a highly creditable third in this important event.

John Walton, who barely missed qualifying for the North Americans, had a bad time in the first three races of the President's Cup. The heavy air of the last day must have been the trick for our boats for, while Seidelmann was racking up a fourth and first in his races, Club-mate Walton posted a second and fourth to boost his Poor Ol' Starlight to a 9th in the series.

Seidelmann won the Ocean City Yacht Club Invitational and Walton and Seidelmann were second and third respectively at the Riverton Yacht Club Regatta in September.

The fabulous Quantico Frostbite Regatta, reported elsewhere in this edition, was attended by Seidelmann, Thurston and Walton. We are proud that all three of our boats were in the top 15%, behind cagey Stu Anderson of Buffalo.

We look forward to a bigger season in 1963 and invite you all to visit us and our Club. 1963 Regattas are:—

June 22-23—New Jersey States

August 10-11—South Jersey Championship

The Regatta plans include, as usual, preparation for a famous Brigantine Yacht Club "health-drink" party and other suitable festive arrangements.

For several years no report of Fleet 219 has been published in the Year Book of the Lightning Class Association. Even less than two years ago, L.C.A. members thought that our fleet would soon disappear, although there were more than a dozen Lightnings sailing on the Lake of Zurich.

This pessimistic forecast, however, was wrong. A few enthusiastic skippers (including the Fleet Captain, Secretary, H. P. Knopf and R. Berger) were able to capture the interest of quite a number of Lightning owners. This development culminated first in the Swiss Championships 1962 organized by our fleet and second, in the fact that K. Scheim on Falcon won the Air France Trophy at the Autumn Races of the Segel-Club Enge in Zurich.

This trophy is given to the winner in that class who has the highest number of boats finishing this race. It is the first time that the Lightning Class has won this trophy.

The present activity of our fleet is based on good comradeship among skippers. Not only cruising, but also racing should be a pleasure, and not an ambitious fight. To encourage all skippers to come to our races the "Take-it-easy-Prize" has been created: It will be won by the skipper who finished all official races and had the lowest number of points in the final result. We think it needs more enthusiasm to be the last than the first!

As mentioned we organized the Swiss District Championships in conjunction with the Segel-Club Enge, in Zurich on June 28-30, 1962. A total of 26 Lightnings representing all Swiss fleets (169, 219, 250, 268, 281, 309) had 5 races under favorable wind and weather conditions. J. P. Luthy (Fleet 169) became District Champion. Hans Luthy (Fleet 250) as favorite skipper was unlucky as he had troubles with his spinnaker in the rather fresh wind of the second race. He capsized and had to give up. Nevertheless, he finished runner-up in the whole series!

Zurich Lightnings could be seen this summer at races organized by our neighboring fleets, Greifensee and Lucerne (Fleets 281 and 309). In order to intensify this exchange, our fleet plans to buy a common trailer for season 1963. Let us hope that this will help to increase our activity further!

The season's first race flag went down alongside Alec Woolcott's Neshobe Island when fleet 227's first race started as an informal on May 30th. Racing toward the championship started on June 3rd and continued on alternate Sundays. The Sundays between gave opportunity for racing with a whole family or friends as crew. The number of Lightnings racing was higher than previous seasons, and we were happy to see Ed Seel coming up in competition and voted the most improved skipper, with a trophy to attest this.

A sailfish regatta was managed by the Lightning sailors in July. The Labor Day Series was won, not without excitement, by Dr. Bellerose. Second place was captured by Sam Stowell and third by Ed Ellis. The fleet championship went to Dr. Bellerose who had a handsome tray, marked with the championship. Similar trays were awarded to runner-up Sam Stowell and third place winner David Stagg. The sailing season ended in some happy hours at the Prospect House when families, friends and guests (hopefully prospective sailors) some 48 strong, joined in drinks, dinner, and trophy awarding. Mary Lou Seeley and her committee had chosen the prizes, complete to a novel one for along-the-shore sailing!

As to the spirit of Fleet 227, nothing could illustrate it better than the way a crew place, all kinds of help, and even a boat were offered to the fleet captain after a power craft, in the dark midnight hours, "sailed" disastrously through his Lightning at its mooring.

It's a great fleet. Wait until we see it greater still in '63 under Dave and Evie Stagg. There may even be a new and home built Lightning. Skippers, prepare!

With the 1962 season over, Fleet 228 is anxiously awaiting the arrival of another season. In the past, we have divided the sailing season into three series of eight races, but this year we changed

Start of the second race at Riverton's Fall Regatta

it to two series of eleven races. We also changed the scoring system by low point to Cox-Sprague. The final results in both these series were the same—Dale Allen first, Nelson Hoffman second, and John Parker third. We also sailed a Wednesday evening series and that was won by Dale Allen, with John Parker second and Don Mount third.

At the Governor's Cup, Bob Adams of Bay Head won the Sidney Lopatin Trophy. Arnold Schwartz of Red Bank was second. Saturday's air was rather light but there was plenty of air on Sunday and the first position changed many times. Dale Allen won this final race and took the third place trophy.

One cold and blustery Sunday in September all fleets but the Lightnings cancelled their races. Four Lightnings were ready and willing so out they went. The spinnaker leg was between Buoy 18 and 12 with the wind screaming over the transom. Nelson was behind and had to do something, so he put up his spinnaker and actually flew from last to first place. He well deserved the winning of that race.

Over Labor Day weekend four of our boats sailed up the river to participate in the Regatta at Red Dragon. John Parker and Nelson Hoffman were tied at the end of two races. John managed to drift across the finish line ahead of Nelson in the last race and won the series.

Our boats traveled to regattas at Brant Beach, Brigantine, Lavalette, Bay Head, Surf City and Quantico.

Bob Adams won first place honors at our Second Annual Regatta held in September. John Walton and Bob Seidleman both of Brigantine finished second and third. Saturday's races were sailed in light to moderate air. Sunday's race was cancelled when the time limit elapsed just as the first boat rounded the leeward mark of the final lap.

Nelson and Helen Hoffman ended the season with a social whirl. After much waiting they finally tied the knot and we all extend to them our congratulations.

Protest Committee in action during Harvest Regatta at Eugene Yacht Club

Our season opened May 5th with the first point race of our two Sunday series of eight races each. We also had two Saturday series of eight races and several Trophy races. A Richard's Trophy race is held starting at the docks with no sails bent on and a skipper can go either way around the course. Lowe Trophy Race is always held on the 4th. In August we trade boats and hold a Trade Winds Race. This year we also had a last chance race, a last last chance race and an absolutely last chance race. Three of the series races were held during the Memorial Day Regatta and again during a new Regatta held during September called the Harvest Regatta. Several of the skippers also attended the NW District and West Coast held in Seattle and many enjoyed the races and hospitality at the Coos Bay YC over the Labor Day weekend. The 38 races plus those at Seattle and Coos Bay and also ladies and junior races made a very enjoyable season. Floyd Dickson, Dave Lowe and Dr. Tysell were about one point apart in that order for Fleet Champion.

Our season at Milford started off with the First Chance Regatta open to all Lightning sailors from everywhere. As usual, we had six races during the first three weekends in May. In order to give the late comers a chance for the prizes we counted only the four best races for each individual boat. The winner was Bud Olsen of Housatonic. Second was Jim Allen of Cedar Point and Dave Peterson of Housatonic with a brand new Saybrook boat was third. We had an average turnout of 17 boats for this series and one race had 22 starters. We are now inviting all Lightning skippers who get into the water early to come to Milford on May 4, 1963 and make it the largest ever.

In all our home races the competition was very close and every boat in our fleet had at least one First or Second place sometime during the season.

The Memorial Day series was won by Warren Hyde with Dave Brown second and Burpee Franz third. In one of these races Ken Ireland capsized while he was in the lead but no one in our Lightning fleet saw him go over. We all thought he had won the race until we saw him being towed in by a large friendly yawl from Maine.

Warren Hyde again won the 4th of July Series with Ken Ireland second and Burpee Franz again third.

Dave Brown sailed a very consistent Labor Day Series and beat Hal Patrick by a nose to win. For the third time Burpee Franz was third, but next year he will be one to watch as it is rumored that he has ordered a new Lightning.

During our long Saturday and Sunday series it was nip and tuck between Ken Ireland and Warren Hyde, with Ken winning both by a narrow margin. Warren was a close second in each

with Hal Patrick and Burpee Franz coming along with the thirds.

In the "Away Events", Ken Ireland won the Groton Long Point Annual Regatta. He also won the Black Rock Regatta with two firsts and a close second. Ken came in second in the Tri-Club Regatta.

In the Connecticut Governor's Cup Regatta at Branford young John Ireland borrowed his brother's boat and crew and finished second to Wayne Brockett of Branford.

At the Cedar Point Regatta in September, Dave Brown won the last race and ended up Fifth overall against most of the best competition in this area.

We look forward to a big season next year with Warren Hyde and Hal Patrick coming up with new sails, and Burpee Franz and John Ireland both getting new Lightnings.

LAKE DUNMORE FLEET (243)

Between the 4th of July and Labor Day, 1962, Fleet 243 sailed 24 races on Lake Dunmore. This year Don Brush came out on top as champion and Dick Hubbard as Runner-Up.

High interest continues in our Junior Fleet. The Junior's season produced Peter Hubbard as champion with Don Brush, Jr. as runner-up.

The second weekend in July, our Fleet was well represented at the New England District Championship Regatta on Lake Champlain. We took 4 Lightnings and 20 members plus various other equipment and all had a marvelous time racing and watching this beautifully organized regatta. We licked that "quick lunch" problem between races by setting up "tail-gate buffets" from our car coolers and it all added to the fun. Many, many thanks to Fleet 301 for a wonderful time. You would think all this could have produced a decent picture for the Yearbook but the only ones that were taken found us all leaning on a motor boat, of all things!

After the season's series racing was over and the awards were made Labor Day, we had a "sail-boat scramble" race. Preceded by whiskey sours and "Sloppy-Joes" for lunch, it makes for a "best fun" day at the season's end. Skippers drew lots for the boats and then picked the crews by numbers. Everyone ends up racing in a strange boat. The results are hilarious but also good experience for all.

WINNIPESAUKEE YACHT CLUB (246)

7609	Ho Tei	Rudolf Michels

Fleet 246 successfully completed all of its thirteen scheduled races. The suspense mounted near the end of the season as the eventual winners were not determined until the final day of racing. Only 1 1/4 points separated the first two boats, Walt Estes and Ed Michels, at the final tally. A former member of the junior fleet, Sharon Dwyer, sailed consistently to capture third place. Captain Don Sibson showed the fleet some determined sailing but he was obliged to divide his time between piloting a Lightning and piloting a B-47. Our expert sailor and repair man, Bill Loughlin, was greatly missed this year. Bill is the architect for converting a cargo boat into the largest luxury cruiser in the world. Our hats are off to Mrs. Loughlin for her efforts to uphold the Loughlin racing tradition.

Next year should be even more interesting for the Lightning sailors at Lake Winnepesaukee. Already two new skippers have joined the Yacht Club. Bill Saunders is diligently working to improve his boat and he will have to be watched closely next year. To increase the size of its racing fleet, fleet 246 is welcoming all visiting Lightnings in the area to participate in its racing program. Also, looking to the future, the Winnepesaukee Yacht Club is trying to rejuvenate its junior sailing program.

The 1962 season was one of the most active and successful for Fleet 250. Our roster saw 4 boats added in 1962, so we have a total of 15 Lightnings, most of which were in active competition this season.

But in the middle of the past summer a deep shadow came over the fleet, having lost its captain and finest sailor in July. Paul Zurlinden died after a short illness at the age of 42 years. He was one of the moving forces behind Lightning sailing in Switzerland. During his last preparation for the trip to the Swiss Championship and afterwards to the European Championship at Helsinki, he fell ill and so Hans Luthy could only bring his last best wishes and greetings to his friends at Zurich and in Finland.

Besides the usual series on the home water, the fleet visited, with 2 boats, the spring races in April and May on the lake of Greifensee; with 3 boats it participated at the International Sailing Week at Lucerne; the same 3 boats trailed to the Swiss and District Championships at Zurich. There they finished with good and bad luck, 2nd 5181 Hans Luthy, 20th 7804 Rudolf Herzog, 21st 7587 Fred Bisegger. The fleet secretary Hans and his wife represented the Swiss District at the European Championship at Finland. If they weren't too successful (18th) they had a very nice time with best hospitality, a very good friendship and a very fine organized competition on their first sailing in salt water.

Rudolf Herzog, with his Lightning 7804, represented the fleet again in October at the Greifensee where he won the six race competition.

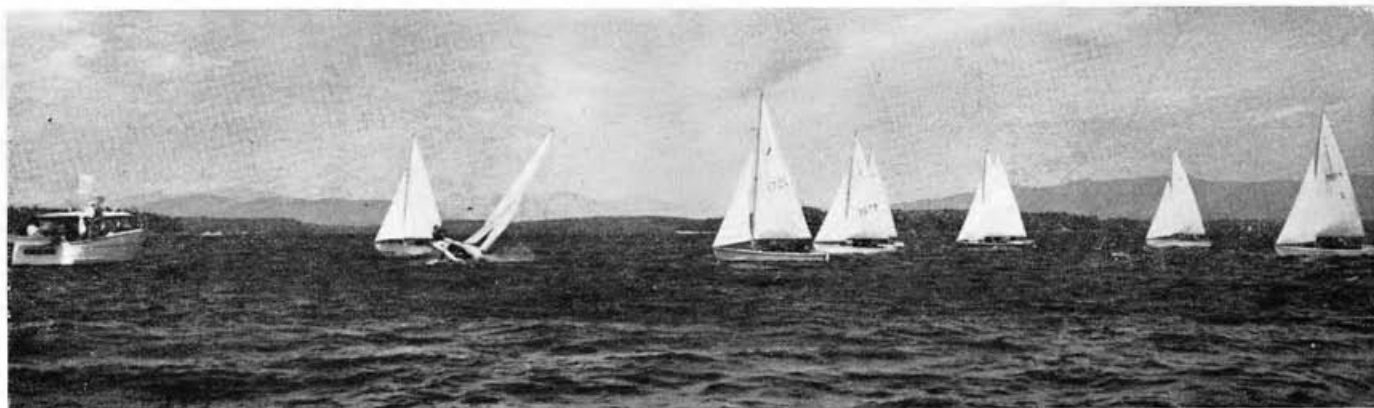

We are looking forward to the next active season and hope that all of our friends will return to race with us again.

Our Fleet had a highly successful season in 1962 with some refinements in handling the races. Racing weather was fairly good on the Susquehanna River and we had very good turn-outs in spite of vacations.

Members took their boats to more meets this year than in any other and did better in those away meets.

We did have one member who managed to upset his boat in the hard sailing—not once but twice.

There are rumors of at least one more Lightning that might join the fleet and number 2269 was lost to us.

The summer of 1962 was a very active one for our fleet. We completed our popular bi-weekly race program for July and August, successfully participated in the Inter-lake competition, organized sailing picnics, moonlight sails, etc, initiated the "Song Bird Fleet" for beginners, and a sailing Director, Chuck Requadt, was engaged to teach sailing—swimming and to help with the increased operations of the BLYC activities. The "Song Bird Fleet" was a joint project of the BLYC and the Columbus Beach Club to promote and encourage more and better sailing skills on Burt Lake. Not only for the very young folk, but for the young of heart, men and women of all ages. The response was most encouraging and gives promise of stimulating a continuous growth in our Lightning Fleet.

Our Commodore for 1963, Robert DeVore, and his brother Richard, not only won our July, August and Season Trophies, but on Labor Day captured a second place in the Saginaw Bay Yacht Club Regatta.

The cordial relationship with our neighboring Club, the Crooked Lake Yacht Club, was more firmly bonded when their Juniors challenged our Juniors, on the gustiest day in August, to a series of Sailfish races. A day of thrilling sailing was enjoyed by all—especially the Graham brothers, Bob, Ziba, and Tom of the CLYC.

Our Lew Wallace Memorial Trophy for Sportsmanship was awarded to Kay ImOberstag.

Our West Jordan Trophy, awarded to the one who had contributed the most to the BLYC during the year, went to Jeanann G. Dunlap.

Our "Zestiest" Song Bird awards were appropriately awarded to zesty Martha Kern and Betsy Fuller.

Fleet #255 lost a few members this year. Virginia Straub and family moved to Toledo in mid season, other members sold their boats, and Dusty Rhodes lost his "Buttercup" on the rocks this fall in a storm.

The remaining members had a wonderful summer on the sound, day sailing and racing.

The value of numerous club races in sharpening sailing skills has paid off for Fleet 257, which has had a most successful season.

Our fleet champions in order of local finishes are:

1. John Tobin
2. Ted Kelker
3. Gil Klemann
4. Ray Dietz

Other skippers who competed were Connolly, Hanson, Gilbert, Weaver and Wanner.

Fleet 257 was sad to lose Hugh Gilbert, who moved to Memphis, Tennessee. Our greatest gains were in the reworked and reactivated boats of Weaver and Wanner.

The Southeastern District Lightning Championship Regatta was held at the Augusta Sailing Club. The order of finish was:

1. John McIntosh (Savannah)
2. John Tobin (Augusta)
3. Gil Klemann (Augusta)
4. (tied) Ross Allen (Dalton) and Ted Kelker (Augusta)

In the SAYRA Regatta at the Columbia Sailing Club, Fleet 257's Ted Kelker won the Raymond Denere Championship Trophy, the first time this trophy has been won by a Fleet 257 boat.

The Mount Pleasant, S.C., Yacht Club found John Tobin a worthy competitor when he brought home three firsts from their big regatta.

The Augusta Sailing Club's Halloween Regatta gave John Tobin two 1st's and Ted Kelker two 2nd's.

The additional highlights of the year were Gil Klemann's and John Tobin's trips to the Buffalo Canoe Club to participate in the North Americans. They brought home tales of tall waves and fast boats.

To cap the season, Gil Klemann was elected commodore of the Augusta Sailing Club at the annual meeting on November 26th.

During the last two seasons our sailors have been racing in Callao and Ancon, homes of fleets 264 and 265, as important constructions for the Club and the building of artificial beaches made it very difficult to beach the boats or to use any provisional piers.

Nevertheless our boats have been very active and very successful, considering that Jose Barreda Moller won the VIII South American Championship, held in January 1962 in Ancon and the 1962 National Championship, held in Callao.

1963 will bring important activities to fleet 261, as we will have a new pier and what is most important, the 1963 or II Worlds Lightning Class Championship will be held in Chorrillos. We expect at least thirty foreign crews to participate and a very good organization will be offered to our visitors.

Sailing on Old Hickory Lake started the second week of April and ended the second week in November. The 1962 season proved to be the most exciting thus far in the history of Fleet 262 sailing. Our fast sailors (Dr. Cully Cobb, Bob Llovet, Ross Bryan, Jim Green and Dr. Gordon Sell) made more than their share of Invitational regattas. They took honors, won trophies and stole the wind from the rest of us. Local competition decided not to award Dr. Cobb a trophy this year because of his obvious storage problem at home. (You should see his display of loot!)

Seamanship must be improving among our sailors. There is ample evidence of that when we cite Dr. Cobb's record at St. Pete, Buffalo, Atlanta, Memphis, St. Louis, Ken-Lake and Nashville regattas. Ross Bryan and Bob Llovet are still hoping to cover Cully Cobb and they're doing everything short of getting Cully to crew for them to prove it can be done.

The Nashville Regatta was held in April this year. We had some heavy wind and some wet bottoms but many visitors report a wonderful time and thanked us for sponsoring it so early. Our many friends are invited to attend again in early May, 1963.

New boats entered the scene and some changed hands. Ross Bryan has a new Lippincott, and Arnold Anderson a new Nickels and Holman. Jim Burke sold his 6786 to William Hapke. Roland Brown sold his half to John Dortch. Ken Winter went back home to New Jersey. Wilbur Sensing traded his boat for a new wife and Billy Sumner is our most devoted chairman of the Regatta Race Committee. We are most grateful to him for a job well done.

Remember friends, every day is guest day at Harbor Island Yacht Club on Old Hickory Lake. We sail every week end.

This past season was full of hard work and lots of fun. This year in February 1962, Peru was host to the South American Championship Regatta, held in Ancon Bay. At that time Peru won first with Dr. Jose Barreda Moller, and second place by Jost Kurtzell.

For the remainder of the year, and with our new season beginning in November, we are concentrating on perfecting our procedures in racing and organization and preparation for the World Championship in November-December, 1963.

It might be interesting to note that last season the Peruvian Lightning Fleet had 35 races, one held on each Saturday and Sunday afternoon during the season. This is a pretty stiff schedule.

The past year has seen an improvement in competition, often times finding that 3-4 boats are very close together at the finish line. This group is made up of Jose Barreda Moller, Jost Kurtzell, Stewart Monroe, and Claude Keller.

PREVIEW OF 1963 WORLD CHAMPIONSHIP

A real effort is being made by the Lightning Class Association of Peru to make this a memorable meet for all participants and guests. The course will be so located as to minimize effects of

gusts or tidal changes. It should be remembered that on this part of the South American Coast it never rains, and storms, in the normal sense of the word, are not known. We will be just beginning our summer with temperatures of about 75°F., winds will probably be moderate of 8—15 mph. Rarely do we have a complete lack of wind just as we never have a storm.

Be seeing you for the World Championships!

John Gorla, skipper, and Ralph Schmidt, crew, winners of 1962 Missouri Governor's Cup Regatta—Fleet 266.

Preseason activities got underway early at VSA in 1962 with a series of three monthly "Sailing Seminars" beginning in January. The Fleet Captain, Wayne Gorla, thought that by having our two champion sailors, Mitch Bohnenkamp and Augie Paoli, conduct these meetings, we might extract some of their secrets for success. This apparently paid off for "Doc" Gorla as his boat took second place in both series, displacing Augie to an unfamiliar third. Nice going "Doc"!

The most significant development at "Valley Sailing" in 1962 was the affiliation of Fleet 266 with the newly formed Mississippi Valley District. This new district includes the fleets from Nashville and Memphis, Tenn.; Kentucky Lake, Kentucky; Carbondale and Alton, Illinois. All fleets in the new district were formerly members of the Midwest District. "Valley" sent two boats to the first Mississippi Valley District Regatta, held at Kentucky Lake on May 24th and 25th.

At home, on Alton Lake, the big event was the Second Annual "Whale of a Sail" Regatta held June 23rd and 24th. Tom Brisindine, from Nashville, won the three race series with Augie Paoli and Dr. Wayne Gorla, both of the host fleet, capturing second and third place respectively. Mitch Bohnenkamp took fourth place.

We started the 1962 season with a fleet of seventeen boats including two new enthusiastic skippers. But early in the season we saw several of our skippers relocate and the two new enthusiasts

lose their boats in the first of two fires which struck our harbor during the summer. Joe French is now owner of his second new Lightning in one year and Ralph Schmidt is making plans to acquire his new boat in the spring. For 1963 we are expecting not only a more experienced group of skippers, but also an improved fleet of boats.

In 1962 we ran two series of races concurrently, making it possible for those skippers who preferred to spend more time with their families, to compete in only one race each Sunday. Mitch Bohnenkamp swept both the "A" and "B" Series and is again Fleet Champion, displacing his arch rival Augie Paoli. Congratulations Mitch!

"A" Series		"B" Series	
7821	M. Bohnenkamp 95.1%	7821	M. Bohnenkamp 100.0%
1191	Dr. W. Gorla 93.9	1191	Dr. W. Gorla 90.1
2589	Augie Paoli 91.5	609	John Norris 86.1

In addition to our own fleet activities, our skippers represented VSA at invitational regattas at Memphis, Nashville, Kentucky Lake, Carbondale, Illinois, Decatur, Illinois and Davenport, Iowa. Mitch Bohnenkamp represented us at the 1962 North American Championships. Our youngest skipper of the fleet, John Gorla, took first place in the Fifth Annual Missouri Governor's Cup Regatta held in beautiful sailing weather at Alton Lake the second weekend of October. Ray Juergens and John Norris, both of "Valley Sailing", took second and third place respectively in this regatta.

Fleet 266 is already looking forward to the 1963 season. With the formation of the new district in 1962, we now hope to see additional fleets join us in 1963. We want to welcome Jim Brady to our fleet as our first new skipper for the 1963 season. The new season will find us with new blood added to a maturing group of skippers who are becoming increasingly competitive in spirit. When do the '63 "Sailing Seminars" begin "Doc"?

With one new buoy to enlarge our choice of courses to a total of about 20 selections and only one racing day when the racing had to be cancelled, Sachem's had an excellent racing season.

Competition consisted of two monthly series, special races on the Fourth of July and Labor Day, Ladies Day, Ragamuffin Race, Eastern Conn. Y.R.A. Regatta and two team racing dates with neighboring Fleet 129, based in Madison, Conn.

Based on a low point score system for four out of five races, the July series was won by a quarter point by Bill Austin leading Hal Kneen $7\frac{1}{2}$ to $7\frac{3}{4}$. Bill Mylchreest was third in "Honey" with Lee, Wilcox, Schutz and English following in that order.

The August series was won by Bill Austin— $4\frac{1}{4}$, Joe Walden— $9\frac{3}{4}$, Hal Kneen—14, Lee Schutz, Wilcox and English.

Madison Beach Club was host for the first of the team races which the Sachem's Headers took with a few points to spare. The real event of that day was the wonderful hospitality shown by the host club—believe me, that was eating! In the second team race, with Sachem's as the host, the hospitality might not have been the point of comment but the excitement certainly was—the event was decided by $\frac{1}{2}$ point, with Sachem's winning again.

Just to show that the competition didn't spoil respect for the sailing abilities of the others, Bill and Peter Austin teamed up with C. A. Bakewell of Madison in the Governor's Cup, held in Branford, and finished up with a third in the series.

Sachem's was the host club for the E.C.Y.R.A. Regatta on the 28th and 29th and 30th of July, with more than 150 boats participating in all of the classes represented. About 25 Lightnings competed even though a national event had some of the better skippers from the area busy.

Lightning Fleet 270 concluded another wonderful season of racing. At our lake the enthusiasm about Lightnings has increased and we have five new boat owners, Marv Simpson, Bill Deger, Fred Clark, Bob Swain, and Jim Bowers. We are so excited about Bob Swain's buying the Glockenspiel. It will be fun to have the going boat with us. By next summer, we expect to have at least three more boats. Old Lightning owners, Paul Vos and Walter Tinsley, are getting delivery on a fiberglass boat in the Spring. Cheering us on is Jerry Garinger—Toledo's loss and our gain.

We divided the season into two series. The Summer Series, comprised of fifteen races, was won by Bob Zaiser, Runners-Up Ken Wood, and Vos-Tinsley. The Fall Series, comprised of

Fleet 270 Champion, Bob Zaiser

fourteen races, was won by Bob Zaiser, Runners-Up, Tom Hendrickson and Ken Wood. The entire fleet turned out for a terrific party at Howard and Mary Youngs' at which trophies were awarded.

It was our turn to have the Hoosierland Regatta July 8 and 9. We have the regatta once every three years in conjunction with Wawasee and Michigan City. There were nine out-of-town boats and nine local boats competing. Bucky Powless, Leatherlips, won the beautiful silver rotating trophy donated to the Hoosierland by Elli Lilly. Bud Nelson, Toledo, was second and Bruce Baiden, Wawasee, was third. Everyone had fun at the free beer blast at the Hendrickses' and the cocktail party and dinner at the Zaisers'.

Several of our boats traveled to regattas this summer and claimed that although they didn't win any silver they felt that they had won the parties.

Monthly meetings have been planned for the winter to discuss rules and racing tactics. This year all interested persons were invited to become local associate members of the fleet and the enthusiasm keeps mounting.

In Ecuador after the trophies were presented to the winners, the party began!

Our fleet began its activities quite early this year by participating in the 8th South American Championship held at Ancon, Peru, from the 19th to the 29th of January. The participants were F. Sola, W. Moeller and F. Gonzalez-Rubio with their respective crews. Sola finished 9th, Moeller 16th and Gonzalez-Rubio withdrew. Even though the points were low their spirits were too high!

Shortly after their return from Peru, a series of races was held at Salinas Bay starting in late February and lasting until the last days of April. As usual, the season at Salinas turned out fine due to the beauty of the place, fairness of the wind and the

IT PAYS TO ADVERTISE IN THE LIGHTNING YEAR BOOK

nice sunny weather that is enjoyed during those months. Winners in this season were F. Sola in 1st place, S. Maspons in 2nd place and Jose Estrada in 3rd place, followed by Moeller 4th who started late in the season but managed to get ahead of Rodriguez 5th and Pino 6th.

When May came around, it found all the boats coming back to Guayaquil to get ready for the summer season at the Guayas River.

On July 21st, 22nd and 23rd we held three tune-up races at the Salado Estuary. The main purpose was to train some new crewmen a bit and to familiarize them with the boats before taking them to the Guayas with its very fast coming and going tides.

The following week the boats were transferred to the other side of town, meaning to the "Rio Guayas".

The first race of six to be held in August took place on the 4th. The last was on the 25th. During this month the wind was moderate. The winners were F. Sola 1st, Werner Moeller 2nd, and Carlos Lecaro 3rd.

In September another series of six races was held starting on the 1st and lasting until the 29th. The winners were Oscar Bjarner 1st, Francisco Sola 2nd and Carlos Lecaro 3rd.

For October a special event took place. We invited a crew from Colombia, one from Peru and one from Chile to come to race at the Guayas for a trophy called "Rio Guayas". Peru and Chile were not able to participate so a second crew from Colombia was invited. The two Colombian crews that participated were Rafael Obregon—skipper—with Vicente Hernandez and Francisco Camargo, and Luis Escorihuela—skipper—with his wife Hilda and Jorge Londono. These races were a lot of fun for every one. Not only were there races but also parties and what not. Sailing conditions were very good those days having had winds ranging from 18 to 25 miles an hour all except one of the six days that the series lasted . . . and that day surely wasn't the second when our dear Fleet Captain Carlos Lecaro suffered a spectacular "tip-over" after jibing his spinnaker. Nothing much happened though; only one broken mast, one lost spinnaker (sunk), one cut up main and three broken hearts! The Colombians participating were masters in the art of sailing, having proven it by Obregon finishing 2nd and Escorihuela 3rd, losing only to Francisco Sola who won the series and the trophy "Rio Guayas". Honorable mentions should go to Santiago Maspons, Werner Moeller and Carlos Lecaro who kept real close to the winners.

And to round up the year having used up as much wind as possible, we just finished the November series which were to select the possible participants in the next South American Championship in Argentina as well as to determine the champion of the year. These races began on November 10th and finished December 1st. The winners were Santiago Maspons 1st, Humberto Diminich 2nd, and Oscar Bjarner 3rd followed by Lecaro, Moeller, Rodriguez, Pino and Tous. Sola withdrew.

What we're interested in is Lightnings . . . more and more of them and more and more racing participation. Very few people in this large and general area had ever seen a sailboat six or eight years ago, much less, one of the finest one-design racing sailboats in the world.

The end of 1962 found the Memphis Fleet with fifteen fully-equipped racing Lightnings with an average participation of ten per race for a total of forty-five races plus many out-of-town

regattas. We're positive that by the first spring race in '63, we will have added at least three more Lightnings.

In our spring series of twenty-two races:

1st—Crit Currie
2nd—Jim Humphries
3rd—Lloyd Lovitt
4th—Wilson Fly
5th—Carl Grimmer

In our fall series of twenty-two races:

1st—Jim Humphries
2nd—Crit Currie
3rd—Lloyd Lovitt
4th—Wilson Fly
5th—Carl Grimmer

Carl Grimmer won the Delta Sailing Club's "Skipper of the Year" Award. Our Cotton Carnival Regatta was a great success with more Lightnings participating than any other single class. We welcome Hugh Gilbert and especially his antique Lightning No. 1013. We hate to lose Charles Wadsack to Chicago. This kind of growth and enthusiastic racing would not be at all possible without the boats, sails and equipment, also, time, help and advice of the "Professionals"—the best salesmen of the sport of racing sailboats, particularly, Lightnings. We here in Memphis appreciate it. Good sailing to you—all.

Racing got off to a good start this season, when on July 1st, Fleet 277 began its group of series races. Bob Leaper held his lead in the commodore cup throughout the month of July, with Keith Campbell gradually taking over in August and ending the season as Fleet Champion. Late starter Bill Guest was runner-up, while the Vice-Commodore Trophy was won by Claire Leatherdale.

Our Juniors had another good season of racing. The team of Terry Moss (skipper) and crewman Bob Adams came second in the Western Canada Division raceoff and thus qualified for the Canadian Finals at Halifax.

This year's regatta was held the weekend of August 11th and 12th. The first day was plagued with rain and light winds but the weather improved considerably on the second day giving more interesting winds. As usual, the closed Lightning races proved to be the more popular events and the three race series was won by Bill Konantz from the Royal Lake of the Woods Yacht Club Lightning Fleet 320. With the influx of boats from the Thunder Bay Yacht Club (279) and Kenora, there were thirty Lightnings in attendance for the series and more than fifty in the open handicap.

Of more than special interest this year was the trip to Fort William for Fleet 279's first Regatta. Those who attended found it most rewarding. It now looks as if this will become an annual affair and further strengthens the bond between our two clubs.

As in previous years many of our boats attended the Royal Lake of the Woods Yacht Club on August 5th. This year they commenced a two-race Lightning series, which unfortunately was greatly hindered by gale force winds. It is hoped that next year's event will meet with more favorable weather.

The fleet continues to grow with the constant addition of new boats and we can look with a paternal eye at the similar growth of Fleet 320 at the other end of the Lake of the Woods.

NO ROSTER

In the spring of 1962, the sailing fleet of Port Arthur-Fort William, under arrangements mutually agreeable with the former parent Thunder Bay Yacht Club, separated completely, and organized under the name of "Temple Reef Sailing Club", and the nucleus of this club are the fourteen Lightnings composing Fleet 279.

The next big venture was the holding of a Regatta, out of Amethyst Harbor, Lake Superior, with one race on July 21st, and two races on July 22nd. In all we had thirty boats registered—twenty-two of them Lightnings, with a good representation throughout this district, (from Minitouwadge, Caramat, Atikokan, through to Kenora, Clearwater and Winnipeg). The festivities were centered around Lambert Island where some of our fleet members have excellent docking and wharfing facilities, and the same members, with their ladies, were very active in providing a most enjoyable social program. Of all the participants in this regatta, none, I am sure, enjoyed it more than the members of the host fleet, and it is expected that this will become an annual event for the R. J. Prettie Lightning Trophy, presented on the first occasion this year by our Fleet Captain, Bob Prettie, and won by Bill Tamblyn in "Falcon". Members of the Regatta Committee were Fleet Captain Bob Prettie, Regatta Captain Lorne Goodall. Members were John Patterson, Rodger Bailey and Bill Tamblyn. Chairman of the Regatta Committee was David Burnford.

Our sailing season got under way on June 3rd with a scheduled thirteen races—the best six to count towards the Patterson Trophy. Winds generally this summer tended to be kind, with the exception of the last race at Loon Lake on July 8th, in which winds reached gale force before the finish of the race, with six of the fleet capsizing.

Again this year, Clearwater Bay Yacht Club, Fleet 277, 350 miles to the West of us, hosted nine of our Lakehead Lightnings at their three-race Regatta on August 11th and 12th. They were plenty tough this year and we came home without any of their hardware, but our Fleet Captain, Bob Prettie, was runner-up. This particular Regatta has become one of the highlights of our sailing season over the last few years, and each year our own racing schedule is planned around it. Three of our boats also entered the Royal Lake-of-the-Woods Yacht Club Regatta at Kenora, the weekend of August 4th and 5th. But this year gale force storms took most of the fun out of this weekend, and our Fleet Captain, Bob Prettie, who won this race in 1961, couldn't find the course this last trip because of weather; 18 of the fleet capsized. David Burnford, in "Vixen", and Bob Harris, in "Wyndlase", were the other two Lightnings which supported Fleet Captain Bob in the Kenora Regatta.

We were all very happy to see Van Bailey get his new boat, "Flicker", launched this season, even though he just barely made the last scheduled race. He and his brother Rodger were responsible for the first Lightnings being built in this area.

The 1962 season must go down in the records as another outstanding season with progress in organization and interest in sailing. 1963 promises to be, if possible, even a better season, with a rumor of four to five new Lightnings and new skippers. Some of the older members are already scratching their heads, pondering the problem of what to do with Fleet Captain Prettie, who, for the last two seasons has been all too regular in showing the way home to our Lightning racing fleet. Bob doesn't care whether it's "hardware" or "bottles" he wins!!!

A word of thanks at this time should be included in the report, going to Jim Eccles, our official starter, and to Bruce McNally, a very able supporter and substitute for Jim, and in his own official capacity as time keeper and official race recorder; to his wife, Mrs. Jerry McNally, who on many occasions assisted with the race records. We felt she was the person who kept the boys in line and was responsible for the excellent job done by Jim and Bruce!

The usual number of protests were made throughout the season, and it is to the credit of one of our legal members, Gavin Young, who was Chairman of the Protest Committee, that this sometimes worrisome problem was so well handled this year. The results of the protests were mailed to every skipper and in this way were most instructive to all members of the fleet. To Gavin we are also appreciative of the work of himself and his committee for the draft of the new Constitution and By-Laws for the Temple Reef Sailing Club.

A portion of Fleet 280 sets out from the club anchorage.

Chequesset Lightning Fleet 280 continued to operate under the handicap of no pier. In this harbor of ten foot tide rise a pier is a much needed facility. An ice-proof pier is hoped for before the '63 season. Despite this hardship racing enthusiasm became even more intense. Three new boats and skippers swelled the fleet to sixteen boats.

In addition to our regular weekend trophy racing two major events were contested. The annual interclub series with Provincetown, sailed in July, returned the cup to its rightful spot. Four races were sailed and the outcome was foreseeable after the first race.

The other major event was the Third Annual Wellfleet Regatta, co-sponsored by Fleet 280 and the Wellfleet Yacht Club. This occurred on the third weekend of August in order to fit the local tide situation. Unfortunately it had to conflict with other Lightning events. Thus Lightning entrants were not as numerous as

hoped for. Altogether, some sixty boats in seven classes crossed the starting line in each of the three races. The Lightnings had close competition with the last race a stop and go affair in shifty unpredictable breezes which left the outcome in doubt right to the final gun. Stafford Frazier of the home fleet emerged the victor.

The '63 Regatta is scheduled for the 10th and 11th of August. Any skipper with a registered Lightning is welcome.

The regular series races sailed on weekends were hard fought. The results spread the trophies to a wider group of skippers than in recent years. Bob Campbell in his Blue Cloud took the season trophy by 15 points. The July series went to Stafford Frazier by 4 points over Campbell while John Waterbury in Hussy eked out a one point margin in the August series over Campbell. But Campbell managed to garner first in both the Saturday and Sunday seasonal series. The spread of less than 15 points between the first and fifth boats in these two series of eight races each attests to the caliber of the competition.

The original Fleet Trophy for boats over 820 pounds was won by Qui Vive skippered alternately by Bart and Malcolm Smith. Half of the fleet is eligible to compete for this trophy.

A junior series in Lightnings, begun last year, really got going this season. Judy Coburn was winner of this mid-week function.

Wellfleet Yacht Club, long an enthusiastic backer of the round robin skipper series, had its first all Lightning skipper series on Labor Day weekend. Jack Williams was equal to setting up and running the eleven race affair. The weather cooperated and the competition was terrific, finally ending in a dead heat. Stuart Nickerson was declared the winner by virtue of one more first place than Stafford Frazier. Bob Campbell's Blue Cloud and John Waterbury's Circe proved to be the fastest boats.

VIERWALDSTATTERSEE FLEET (281)

A small part of the sailing waters of Fleet 281.

Unfortunately, this season boat #5572 PASSAT has changed owners and therefore has left our fleet and lake. It will sail in the future near us on the Sempachersee. Also boat #6377 KON TIKI now has a new captain and at the same time also a new duty. It will stay on our lake but is used as a training ship and belongs to the largest organization of Swiss consumers. Our fleet counts, therefore, eight boats and fourteen members.

Racing activity was as usual. We took part in different races on our lake, such as: Sailing weeks of Lucerne with Francis Clottu as winner, Race for the Crystal Cup, a long distance race, which begins in Brunnen and ends in Lucerne. Races on foreign lakes: Sailing weeks of Sempach with two boats and last but not least, the Swiss District Championship on the Zurichsee with two boats. A wonderful prize in the form of a beautiful seagull has been offered to the fleet by Mr. Otto Meyer for a new series of races during the next ten years. Everybody hopes that racing activity will increase by this generous donation and that sailors from foreign lakes will fight for this new trophy.

The propaganda for the Lightnings is going on very well. As we mentioned at the beginning, Boat #6377 is used as a training ship by a large organization and we hope that through this situation the Lightning will become well-known and popular. As usual we were very active in sailing trips and could observe our boats at almost any time of the season at different parts of our marvelous mountain lake.

Our 1962 season started with four boats going to Shreveport Yacht Club for the Interdistrict Regatta which was won by Art Nazro. At our regatta in mid-May, Glenn Lattimore, sailing Lynild II, was the Lightning winner, with Bob Giles second and Dan Kamperman third. At the Fort Worth Boat Club Regatta it was Dan Kamperman first and Bob Giles, second. The Texas Districts were held at our Club this year, and the winner of the three-race series was Bob Giles, keeping the championship of Texas in Fleet No. 282 ever since the fleet was formed in 1956.

The season championship consisted of eight races held over a three-month period and was won by Art Nazro with Dan Kamperman second and A. B. Patterson third. The latter two both are now sailing new fiberglass boats.

Fleet 283 Lightnings at RCYC Sailing Regatta. Left, (Mrs.) Fredi Tauscher, right, Dr. Duncan McLaughlin.

Fleet #283's season opened with a tune-up race on April 14th, followed by the Corinthian Sailing Association opening day race late in April. The Rose City Yacht Club series of 11 races generally determines the Fleet's champion for the year. This year John Benedetti, #5481, carried off the trophy. Tied for 2nd place were Fredi Tauscher and Chuck Hoskins.

Challenging to our visitors, accustomed to lake and bay sailing, is the heavy spring current in our Columbia river, which has given us the nick-name "side-hill sailors."

One of our top skippers, Fredi Tauscher, represented the fleet at the Pacific Northwest districts and also the Pacific Coast Championship in which she took 5th place. Further summer activities included the Portland Yacht Club regatta, won by Fredi Tauscher—this particular Regatta was characterized by heavy winds, providing several "dunkings" and one dismasting. First place in the Rose City Yacht Club regatta was taken by that amiable sailor, Dr. Duncan McLaughlin. Our August sailing was highlighted by the "Barber Lightning Series" followed by a smorgasbord and a barrel of beer. The Barber Series was initially planned to develop racing abilities in our newer sailors and was, this year, expanded to include the local Flatie Fleet.

Although the major regattas are completed for the season, our sailing activities will continue with weekly Sunday races and get-togethers at Bob Wallin's houseboat.

OUACHITA FLEET (284)**Central States District****Sailing on Lake Ouachita near Hot Spring, Arkansas**

Fleet Captain.....	Dick Wootton
Fleet Secretary.....	Joan Wootton
Fleet Champion.....	Dick Wootton
Runner-Up.....	Gaines Houston

Boat No.	Boat Name	Skipper
5855	Jojo	Richard H. Wootton
6300	Sweet I	Robert B. Gierow
6514	Sea Shell	Fred M. Dierks & John D. Galbraith
6601	Vamp	Col. Reed Landis & I. Granger McDaniel & Dr. Martin Eisele
6605	Betty Lu	Sigun Rasmussen & Dr. T. M. Durham, Jr.
7655	Little Dearie II	Gaines Houston

The Fleet Championship, determined this year on the basis of overall performance in the regular series races during the season, went to Dick Wootton by the margin of six points over Gaines Houston, the Runner-Up. Bob Gierow finished third, four points behind Houston.

Wootton, Houston, and Gierow trailed to Oklahoma the latter part of June for the Central States District regatta, which this year, for the first time, consisted of five races rather than the customary three. Except for his withdrawal in the fourth race, after hitting a mark of the course, Wootton would have had undisputed second place. As it was, he finished in sixth place. Bob Gierow, also headed for a winning place on the basis of his performance in the first four heats, ran into a disqualification in the fifth race and posted an overall eighth.

Jo Wootton, Fleet Secretary and perennial ladies' champion, initiated a series of Saturday races early in the season in which each boat was required to carry a fourth person, generally inexperienced, as crew. This undertaking was quite successful and resulted later on in the season in enthusiastic crewmen being readily available on short notice.

The winds were fair all year. Only one or two light days were encountered during the entire season. The tone for this was set fairly early when on June 4, during the sixth leg of a seven-leg race, a heavy storm swept the wide expanses of the lake and four of the five boats in the race capsized. SEA SHELL, skippered by Fred Dierks, suffered the only damage, a broken mast, when the wave action permitted the wind to right the capsized boat after it had filled with water and slam it down on the other tack.

Gaines Houston won the special Memorial Day race and gained a second leg on the Memorial Day Trophy. Wootton was runner-up, Dierks third, and Gierow fourth.

Houston also won possession for the current year of the Dierks Trophy by placing first in the Fourth of July race. Patricia Walker, skippering VAMP, was runner-up. Bob Gierow was third. Dick Wootton got caught on the wrong side of a wind shift in dying air and posted a DNF.

Wallace Collins and his charming wife, Marian, charter members of Fleet 284, moved back to Tulsa during the year. Wally was at the Districts at Fort Gibson, Oklahoma, serving on the R.C. Boat. It was largely due to his unselfish service, many times on short notice, and under all conditions, in setting the course and judging our races during past seasons that enabled us all to compete. The Tulsa Fleet is indeed fortunate in having him back.

With the addition of two new Lightnings, our fleet now is the largest in the Greek District including boats that belong to the Royal Yacht Club, Olimpiakos Club and Old Phaleron Club.

The winners of the 8 series races organized by the Royal Yacht Club are—Cup of Fleet Championship, Sotiris Brinis; Cup of Elpidos, S. Flevotomos; Cup of Princess Irene, Andrew Sinopoulos; Niiridon Cup for women only, Mrs. Kritsi; Junior Race Cup, St. Deligiorgis. The traditional team race between the Royal Yacht Club and the Royal Navy Cadette College was won by the team of the Royal Yacht Club. The four skippers team consisted of John Goulondris, Andrew Sinopoulos, St. Kiriakides and St. Papadea.

The R.H.N.C.C. organized, as every year, a race for the "28th of October" cup, on the occasion of the anniversary of the Greek Resistance against the Axis forces during World War II.

The races took place in Phaleron Bay on the 21st of October and under average weather conditions.

Eleven boats took part.

The winners were:

1. ALBATROS (6963) Skippered by Mr. S. Bonas (PIRAEUS SAILING CLUB)
2. TRIAINA (6943) Skippered by Mr. A. Sinopoulos (Royal Yachting Club)
3. NIKI (6259) Skippered by Mrs. O. Gritsi (PIRAEUS SAILING CLUB)

The "Districts" were held again this year at Ft. Gibson Lake, and at that time the skippers voted to hold the 1963 Districts on the same lake. All skippers in #293 sailed in the Districts and some made good showings. The Ligon-Toll boat was picking up points in the action until a rudder fitting parted, and later in another race a "disq" knocked them out of contention.

293 picked up one new member, and through the hard work of the Captain, four C-Scows moved in to join us. The Captain may be lynched at the next meeting.

Two skippers gained crew members this year, the hard way—MARRIAGE. The fleet was well represented in Kansas City, Oklahoma City and at Grand Lake in Regattas. In fact, Larry Millis won the Frostbite this year.

The only earth shaking event this year was a skipper who left the dock on a midnight sail, without a TILLER. He still blushes a little when the subject is brought up. In fact, he even whimpers now and then.

Tom Hyland and Mark Milnes, Jr. at start of the "sail-off" for the Championship of Fleet 295

Keen competition and exciting finishes combined to make this a memorable season for Fleet 295.

The season began with two new boats, Dan McDonnell's "Djinn" and Tom Dennen's "L'Etoile". George Dukes, "Trade Winds" joined our group late last summer. We also welcomed new fleet members Jim Burri, "Jester", and Dr. Walter Hausheer, "Avenger". The most recent addition to our fleet is Ben Marshall's "Finesse".

Good weather prevailed, necessitating only one race cancellation, the third Ladies race, due to heavy winds. This very popular series was won by Courtenay Milnes.

The Summer Series began with two tune-up races, followed by the first official race of the eleven-race series on June 23rd with our now famous all-girl race committee (July '62 Yachting). Until mid-July it appeared to be between "Djinn", "Kool Kat" and "Trade Winds". For the remainder of this series, it was difficult to guess who would come out on top. The final scores were Mark Milnes, Jr. .848, Tom Hyland .848, and Dan McDonnell .846 with the remainder as follows: G. Dukes, F. Dickson, F. Hammond, J. Burri, W. Braisted and T. Dennen. A sail-off between the first two boats was decided upon and "Kool Kat" was over the line at the start due to a faulty stop watch. Tom Hyland's "Bad News" won.

The Open Regatta was held on August 24th and 25th following the Thistle Nationals at R.C.Y.C. There were two races on Saturday and one on Sunday. With the wind blowing up to 18 mph for the first race and increasing to 25 mph for the second race, several boats did not compete. The winners were Mark Milnes, Dan McDonnell and Fred Dickson.

The Fall Series, instituted for the first time, began on Sept. 29th with seven boats competing in generally good weather. This proved to be a big success and will probably be continued in our fleet. Mark Milnes, Sr. skippered "Kool Kat" to win followed by Tom Hyland and Dan McDonnell.

The LeMans race was the most unique event of the year with the start at the club bar. The actual starting time was not divulged to skippers and crew. Competing boats were tied at the end of the dock, without sails. At the sound of the gun, the fun began. Coke, beer, sail bags and cigars were among the items seen spilling about as skippers and crews raced the 600 feet out to the boats. Across the bay (approx. 7 miles) to the Keyport Y.C. they sailed, with the winner, the first one at the bar with a drink in hand. Who was that lady directed to the first door on the left? The N.J. Warden? The Finish? Tom Hyland, Dan McDonnell, George Dukes, Mark Milnes and Frank Hammond (disabled boat).

With the combined efforts of Mark Milnes (trailer) and George Dukes (hitch) we sent Tom Hyland to the Quantico sailing regatta. They were clobbered!

Lots of action in Fleet 296

Who'd expect to find so many salts this far inland? Eleven more found a haven in our fleet this year, bringing our boat total to 45. But increase in size was only part of our progress. Saturday morning teaching sessions with 3 skippers to a boat—oldtimers giving away a few of their secrets to newcomers—probably did more to benefit the fleet than anything else. Results of these classes, plus improvements in boats, sails and equipment were really making themselves felt by the end of the racing year.

The season got under way in early spring when six skippers went to Tulsa to join others from our district in a special session with Al Bernel on tuning. We then got our own races going in time for a little practice before the districts at Ft. Gibson where Gordon Reabe of our fleet sailed off with second place. As part of the Jacomo Sailing Club we supported their two regattas—Don Skouse won the Lightning Class in the July Fourth Regatta and Gordon Reabe took first place in the Labor

Day Invitational with Bill Schwartz from Topeka coming in second. Two of these races were prize drifters. Our sympathies to Paul Vardeman who won the first and third races but had to take a DNF in the second one when one of those fluke puffs only an inland lake sailor can appreciate drove him and a companion boat skippered by newcomer Chuck Cannon ashore. The racing season ended in late October with the Last Mark Regatta with Reabe 1st, Vardeman 2nd, Skouse 3rd, Cannon 4th, and Brand 5th.

In the race for Fleet Champion we sailed two series of 8 races each, the best 5 of the 8 counting, with another photo finish year between the 1st and 2nd place boats. Results:

1st Series	2nd Series	Final Standing
1st-Gordon Reabe	1st-Gordon Reabe	1st-Gordon Reabe
2nd-Paul Vardeman	2nd-Paul Vardeman	2nd-Paul Vardeman
3rd-Dean Arnold	3rd-Bill Collet	3rd-Bill Collet
		4th-Dean Arnold
		5th-Don Skouse
		Bill Mullens (tied)

First Year Skipper Award went to Clark Kuppinger.

Just a mention of the socializing—of which there is a great deal—and the winter improvement meetings, the first of which took place December 1st and was a big success—will serve as notice that no one is just resting until spring.

KOKKOLA FLEET (297) Finland District

Fleet Secretary Bobi Casen

Boat No.	Boat Name	Skipper
5055	Vekkuli	Leo Kilponen
7159	Hula	Vesa Ronnholm
7174	Melanita	Bobi Casen

The number of boats has not increased in Kokkola Fleet this year but our two active boats, HULA and MELANITA have raced very actively in home waters. Both of these boats also participated in the Finland District Championships at Jyväskylä. Their teenage skippers did not succeed very well there. However, the trip was worthwhile.

Both active boats also participated in Yacht Club SSJ's Annual Regatta at the nearby town of Pietarsaari, where MELANITA won one race and HULA the other.

On home waters the fleet had 14 races of which MELANITA has won 8 and HULA 6 races.

We hope that we will get more boats for the Kokkola Fleet for the next season. You can't have big races with only two Lightnings!

The first race in which members of the Kotka fleet participated this season was the annual Eastern Finland Regatta, which was held at Loviisa. Only one of our boats "Suit-Sait" was able to make the trip, but wasn't too successful.

The Two-Days Regatta, which was part of the "Kotka Sea Days", was the next event in which our fleet participated. We also had one visitor from the Loviisa fleet and the races were good.

Our season ended on September 9th with the "Round the Town" race, which has won more and more popularity every year.

LOVIISA FLEET (299) Finland District

Fleet Captain Veikko Larmia
Fleet Secretary Raimo R. Nordstrom
Fleet Champion Raimo R. Nordstrom
Runner-Up K. Blomster

6831	Riita	K. Blomster
6833	Sill-da Capo	V. R. Nordstrom
6838	Katrina	R. R. Nordstrom

The past season was quite "dull" for the fleet because the activity was very poor. Of all the boats actually Katrina was the most active, although Sill-da Capo and Pinocchio did participate in the greatest event of the season—the European Championships in Helsinki.

Katrina did a good job in the District Championships but due to some confusion, the final position, either Champion or Runner-Up is still open at this writing.

It is discouraging to see what was once one of the most active fleets in Finland not growing at all and showing no signs yet of increasing interest and activity. However, we are glad that at least four boats have participated in the fleet championships and we do hope that the present situation won't last long.

Southern Long Island Districts, Fleet 300 produced only mediocre results. Joe Saul placing twelfth, was the Fleet leader. Earl Marvin placed fourteenth, and Max Meyer fifteenth.

Late in the season, one of our members brought in a new boat fresh from the builder . . . and it raced well. Several other new boats joined the Fleet too late to participate in the races . . . and as of this date, two more members have ordered new boats to be constructed this winter. Before the last race, one of our most seasoned Power Boat skippers, Larry Picker, joined the fold, and placed fourth among the Lightnings. His wife Miggy and son Johnny crewed.

The 1963 season thus shapes up as one of hot competition—within our own Fleet, and against the other Fleets in the Long Island area.

Most Important: Max Meyer was named Commodore for the Greater Long Island District. Woodmere Bay Yacht Club looks forward to being host club this summer. We hope as many will enter as possible.

The Ladies' competition enjoyed its most successful season. All told, there were six gal skippers racing during the season. Placing first was our Club Champion's wife, Norma Saul. Marion Walker was second. It is nice to note that a number of the young daughters are entering the competition.

CHAMPLAIN FLEET (301)

Sailing on Lake Champlain, Burlington, Vt.

Fleet Captain.....	R. G. Sidle
Fleet Secretary.....	V. F. Emerson
Fleet Champion.....	V. F. Emerson
Runner-Up.....	W. Cimonetti

We had a very enjoyable racing season this year on Lake Champlain with good winds and some close competition. One new boat was added to the fleet, boat 8334, built by Eb Sutton. The boat went in the water late but proved itself to be a leading contender. Dean Clewley has a new boat on order. One boat was brought up from Marblehead, bought by Bill Cimonetti, and two boats changed hands. Work started on some of the boats for the next season's racing as soon as they were taken out of the water. We are looking forward to a great racing season in '63.

On July 13, 14 and 15 of this year, we had our second major regatta on Lake Champlain. Fleet 301 was host to the New England District Regatta. The first race was held on Friday the 13th and as could be expected for this day of superstition, we had our troubles. One boat hit some high tension wires while preparing to go into the water. We had a real good thunder storm just before the start of the race. One Lightning was struck by lightning. To top it all off, we had a drifter. When the gun sounded for the end of the first race, it was Lou Pocharski 7299, Len Pratt 8384, Peter VanInderstine 8008 and Geo Bellerose 5886, in that order of finish. The evening went much better with a fine dinner and business meeting.

On Saturday we held three races to make up for the one lost the day before. Ben Smith of Marblehead, boat 6343, took first in all three races. The overall standings at the day's end were: Lou Pocharski and Dick Price tied for first, and Ben Smith and Len Pratt tied for second. A cocktail party and Beef Bar-B-Q finished off the day in grand style.

Sunday's race was the last and an all-important one. Finishing first and second were Len Pratt and Dick Price. Overall finish places were Dick Price, Len Pratt, Lou Pocharski and Ben Smith. Lou Pocharski finished seventh to drop him to third place and Ben Smith finished ninth for his over-all fourth. We of Fleet 301 had a most wonderful time and hope all the visiting boaters did also. We are looking forward to having the New England District Regatta back on Lake Champlain again soon.

Four of our boats traveled to Spofford Lake this season to participate in the Vermont/New Hampshire Regatta. Misfortune overtook most of us in some form or another. Therefore, we didn't show too well in the over-all standings. Eb Sutton, whose new boat was in the water for the first time, turned over in the first race. However, we all had a grand time and enjoyed ourselves to the utmost. They served some delicious meals and their

Fleet 300 Champion Joe Saul and family showing how they win races, with Mom Saul doing all the work.

For the first time in four years, Fleet 300 had a new champion. Joe Saul sailing "Small Missy II", with his wife and son as crew, was the Fleet winner. Earl Marvin, the defending champion in "Flamingo", had to settle for runner-up. Max Meyer was in third place, and Herb Walker, fourth.

In our competition with our neighbor on the Bay, Hewlett Point Yacht Club, we did not fare too well. The boys from down the Bay won three of the four Inter-Club races held. At the

hospitality couldn't have been any warmer.

Our two regularly scheduled weekend regattas, Mallets Bay Race Week and the Waterama, went off well with good winds. Eb Sutton was first at Mallets Bay Race Week with Bob Sidle second. Bill Cimonetti was first at the Waterama with Eb Sutton in second place.

The thing that warmed our hearts most this year was a team race. The Flying Scot Fleet 5 challenged Fleet 301 to a team race. You can guess who won, or it probably wouldn't have been mentioned here. The first race went to the Lightnings 33 1/4 to 23. The Scots came back in the second race with a 32 1/4 to 23 win. The third race was close, but the Lightnings came out ahead 25 to 24 1/4 with a 2 1/4 point victory.

All in all, we had a real good sailing season.

COWAN LAKE FLEET (303)

Boat No.	Boat Name	Skipper

6161	Itch	Jim & Betty Schudel
7512	Dr. William P. Barnes
8002	Touch & Go	Richard L. Schenck Frank Pfefferle

Two veteran Lightning skippers, who have been sailing Lightnings for 20 years each, and did most of their racing on the Ohio River until recently, became very active in our fleet this summer.

Frank Pfefferle, a very able racing man, was overtaken and passed to weather in a few races at the Indian Lake Regatta, by our Ohio-Indiana District Commodore Bucky Powless in his #8002. After this happened, Frank "set his sights" on #8002.

Bucky invited Frank to crew for him in #8002 at the Ohio-Indiana District Championship at Put-In-Bay. Bucky gave Frank a real "bath" in the first race and did well the other four. This did not discourage Frank as he later purchased "Touch and Go", #8002 from Bucky Powless and sold his "Bluebird", #5222 to Bill Pugh now actively sailing in our fleet.

Betty and Jim Schudel moved from Bayview Yacht Club in Detroit and the Michigan District, to Cincinnati and joined our fleet. Their boat #6161, "Itch", had not been sailed since the 1960 Internationals at Tawas Bay, Mich. Being a bit rusty, Jim obtained the crewing services of the other Cowan Fleet veteran and accomplished skipper, Dr. Bill Barnes, and sailed their first series of races in the District Championship at Put-In-Bay and finished in second place.

Jim trailed "Itch" to the Buffalo Canoe Club for the North American Championship and tied for second place in the elimination races. His wife Betty and Bucky Powless were crew. Jim qualified to sail in the North American Championship series and for the results, Jim says he beat 64 boats.

On successive weekends, Frank Pfefferle and Jim Schudel trailed their boats to the first regatta of the new North Cape Yacht Club on Lake Erie near Toledo, the Snow Flurries Regatta at Port Clinton, where Jim finished 3rd, and the wonderful Snow Ball Invitational Regatta at Buckeye Lake, where Jim Schudel & "Itch" finished in second place.

A regular series of races were run each week for the members who didn't travel and Frank Pfefferle emerged as the Fleet Champion and Truman Young in #5575 "Mud Hen" was runner-up. Already other members of our fleet are making plans to participate in more Invitational regattas next year. All of us are looking forward to a great sailing year in 1963.

The Pori Fleet has been inactive for several years, due to the small number of boats, which were also old and not so very good, and also due to the fact that the Yacht Club where the fleet was affiliated was inactive too. We are glad to report that this is no longer so. The Fleet has added, during this season, two new boats, and a new and active fleet captain. Yacht Club BSF organized, during the season, one race where Lightnings could participate, a three day Annual Regatta, but that's better than nothing, isn't it? Only three of our boats were able to participate, but they showed our Lightning's good points so well that the Pori Fleet got one more new boat this autumn and two more are coming for next season. The building of them has already begun.

Results of the BSF Annual Regatta:

I Race:	I VIEHE, 7886, V. P. Mehtonen
	II LEENA, 5061, Leena Vanhakartano
	III KAJE, 4330, Vainan Vartijat
II Race:	I VIEHE, 7886
	II LEENA, 5061
	III KAJE, 4330
III Race:	I LEENA, 5061
	II VIEHE, 7886
	III KAJE, 4330

FINAL POINTS: I VIEHE, V. P. Mehtonen, 8 pts.
II LEENA, Leena Vanhakartano, 7 pts.
III KAJE, Vainan Vartijat, 3 pts.

Our Fleet Captain, Mehtonen, also showed how seaworthy a Lightning is, when he made a cruise to Stockholm, Sweden, and back with his boat. The total length of the cruise being about 300 nautical miles.

OULU FLEET (307) Finland District

Sailing at Oulu, Finland

Fleet Secretary.....Nils Hammar

Boat No.	Boat Name	Skipper

7185	Onnetar	Lasse Hammar
7186	Pohjantahti II	Harry Hammar
7981	Meriheila	Veke Lepisto

The activity of the Fleet of Oulu has suffered a lot from rainy and cold weather during the last season. Our boats Thalatta, Onnetar and Pohjantahti II have been sailing very actively. We are lucky to announce that our fleet of six boats has added one more to make seven during the summer. The new boat bearing the name of "Meriheila" was constructed by the owner himself and belongs to OTPS (The Worker's Sailing Club) under the number of 7981. Meriheila took part in all sailing, including the Oulu Sailing Regatta in July '62.

The Oulu Sailing Regatta of 1962 was arranged with the co-operation of all three local yachting clubs in Oulu on July 27-29. There were, in all, 28 boats competing, among them 7 Lightnings from Oulu. We regret that the boats of Raahe and Kokkola were not represented this year. The co-operation with Kemi hasn't worked although we counted on it so much. The 1st day of the Regatta was won by Kikka, Markku Paloma and 2nd and 3rd days by Pohjantahti II, Harry Hammar. "The Lightning Challenge

Pohjantahti II, #7186, sailed by Harry Hammar of Fleet 307.

Cup", a competition where three days are counted was won for one year by Pohjantahti II. Even the "Meklarimalja" and "Unica Record Cup" of the Oulu Yachting Club were won by Pohjantahti II.

The European Lightning Championship 1962 was held in Helsinki July 10-15. Only one boat of Oulu participated. The boat of Oulu Yachting Club, Kikka, owner Markku Paloma, was brought on a trailer a distance of nearly 700 kilometers to Helsinki. It may be mentioned that Markku Paloma was given leave from military training for this competition where he won 15th place and 44 points. In this competition the first four places were won by Italians, 5th by a Finn.

On August 28-29 the competitions of "Sahkomalja II" Electrice Cup II was held. Pohjantahti II, Harry Hammar was the winner on both days, and got hold of the cup for one year.

Besides these competitions the boats of our Fleet took part in many sailings at their own clubs.

The junior boat Pohjantahti I was sailed actively during the whole summer, and junior sailors thus trained enthusiastically for coming competitions.

We are looking forward to the coming season in hopes of good warm, breezy sailing for all of us.

KEMI FLEET (310)

"THE NORTHEAST LIGHTNING FLEET IN THE WORLD"

Sailing at Gulf of Bothnia, Kemi and Tornio, Finland

Finland District

Fleet Captain.....Aarne Hedberg
Fleet Secretary.....Juhani Hedberg

Boat No.	Boat Name	Skipper
4012	Leena	Jouni Miilumaki
4136	Nina	Aulis & Kalervo Naykki
4324	Vire	Otso Nylander
4325	Maryana	Pekka Siilakka, Kim Koponen & Risto Keranen
4326	Lokki	Teemu Ulen
4328	Irene	Pentti & Juhani Hedberg
7891	Viri	Arvo Perkkio
7892	Leila	Helge Ruohonen
7893	Ilsa	Paavo Rantasuo

The oldest boat in our fleet changed owners when Lars Hansen sold it to Jouni Miilumaki. Luckily the boat, "Leena", stayed in the fleet, but then our former secretary sold his "Rose-Marie II" and moved her south to the Helsinki fleet, so our fleet lost one active boat.

Our season began on June 17th, when Kemi Yacht Club had their Spring Race, but only one Lightning was ready to sea, so there were no races in our class. Next was the long distance race. Three Lightnings participated and the winner was, after a tight race, Viri, 7891, with Arvo Perkkio skippering.

The KPS Annual Regatta saw more Lightnings at the starting line. There were some mishaps in the race, as "Irene's" main-halyard broke some minutes before the start, and later in the race, "Viri's" tiller broke. However, both were able to finish the regatta with temporary repairs. Results: I, Ilsa, 7893, P. Rantasuo; II Leila, 7892, H. Ruohonen; III, Irene, 4328, J. Hedberg.

At the end of July we had an evening race. Three boats started, but "Nina" lost her mast and that was the end of the season for them, because they were unable to get a new spar in time. The winner was "Viri", skippered by A. Perkkio.

Next in the program was the "Selkasaari Round Race" (Back-island round). This race is a kind of distance race and this time was very exciting. First "Lokki" and "Irene" escaped from the pack and had a neck to neck fight. Then "Lokki" made an unfortunate tack and "Irene's" crew thought that it was their lucky day. However, the wind died and "Viri" caught up and even passed. About twenty yards before the finish line "Irene" got a lucky puff and crossed the line two seconds before "Viri".

At the Crew Race the skippers looked from land with cold hearts as the crews tried their ability as skippers in the race. After the two race series "Viri's" crewman, J. Tolonen, had collected most of the points and so won the series. Second was "Irene's" crew, L. Ikaheimonen and third, "Maryanna's" P. Keranen.

The last race of the summer was held on August 26th, in hard wind and rain. Many of the boats had small accidents due to the strong north wind and the results were—I, "Lokki", 4326; II, "Ilsa", 7893; III, "Maryanna", 4325; IV, "Irene", 4328.

We hope to get some new boats in our fleet for next season, as the interest for yachting seems to be increasing in Kemi and the Lightning is the best boat for those who are interested in both racing and cruising.

Dunkirk Harbor, Fleet 311—Junior Sailing final regatta

In the middle of the winter the Dunkirk City Recreation Commission asked the Lightning Fleet for help in selecting a training sailboat suitable for a junior sailing program! After many delays 6 fiberglass dinghies arrived and sailing classes were on.

John and Lois King did a marvelous job setting up the program which started with about 100 boys and girls 9 to 16, but later the number dropped to 70. The Lightning sailors were the instructors for the sailing part of the program. The New York State Conservation Dept's program "Make Sure—Make Shore" was the introductory course taught by the locally affiliated instructors.

All this and 2 new boat owners in the fleet, and Foster's all new Emmons! New crew members showed up too, and we had an average of 8 boats per race.

Phil Ellian won the June series in his #748 "Fillyan". He also won the special July 4th race. In the hotly contested championship series in July, Ellian won with 6½ points, John King was second with 7¼ points and third was Al Schilz with 8¼ points.

Ellian, King, Schilz and Foster entered the district regatta at Chautauqua Lake Yacht Club, along with 55 other hopefuls. We all trooped up to point Abino to watch the North Americans—very exciting and rewarding, especially after learning spinnaker colors!

Around all this travel, we held an August series, won by John King. The Labor Day series was won by John Foster. New boat owner, Warren McPherson, with #968, entered the races for the first time.

An innovation this year proved to be fun. This was a late afternoon sail down the lake to Van Buren Bay, with a buffet supper at Smith's Cottage; and a sail back.

Silver Lake Harvest Regatta! A lovely fall weekend with western New York's best of weather. Four boats from 311 competed, and the crews, wives and children all stayed in the Van Arsdale cottage and had a lovely time. Our group had its share of casualties in the famous race where Fallon broke his mast, and Carrel was thrown overboard. Foster came in 14th (did he say his was a light air boat?) Foster also went to the Sandy Beach Haulout the next weekend.

Back at Dunkirk, the fleet held the finale of the junior sailing program; a series of races on a Sunday afternoon with the parents watching their offspring coping with wind and water!

And so with a Fish House Punch party the '62 season closed. Al Schilz was elected Fleet Captain; Lois King, Secretary, and Warren McPherson, Treasurer. The Fleet's everlasting thanks go to the "Zolet III" and her able crew—Lester Graf and "Fat" Burns—our genial and congenial race committee. A rousing three cheers go to John and Lois King for the tremendous work in setting up the Junior Sailing Program, involving many extra meetings, phone calls, and bookwork, and still conducting a successful racing season.

Captain Duke let it be known, at the beginning of the last series, that in order to give the late comers a fair chance, the score in the last four races would be used to decide the fleet championship.

Championship Standings

Boat Name	Points	Place
Doc Walbert	2737	First
Gordon Short	2187	Second
Jessie Motlack	5977	Third
Paul Krajeski	89	Third

The #89 through the untiring efforts of skipper Paul, changed from near obsolete, to a beautiful yacht, and finished a perfect fourth in his first 8 races, highly complimentary to skipper Paul and his lovely daughter as crew.

Nancy Lewis has won a trophy each year of her three years of sailing by taking second place trophy in the first Junior Series this year. Having other interest in summer, prevents her from competing in most events. Gifted with a natural feminine touch of the helm and a way with the sails, I am sure she would place in competition with the front runners, had she more time to spend in her boat. Our Junior membership is growing nicely, and I would say they favor the Lightning as a choice of boat.

The fleet had more activity in this than in the previous season. Close relationship was established with the neighbors, Fleet #342 (Vina del Mar). In most races held in our waters boats from both fleets were present at the start.

Now we will have, every season, an inter-fleet team race. First of these races was held on March 4 and it was won by our fleet with a total of 22 points. Fleet 342 totaled 20 points.

Our fleet was represented with two boats at the Chilean National Championship which was held on April 20-22 in Pichadangu (organized by fleet 346). "Oannes" skippered by R. Pesut and crewed by S. & G. Travaerso took first place and "Maricel", skippered by M. Brieve and crewed by M. Lagunas and J. Apablaza, after lots of bad luck, took 10th place out of thirteen entries.

The Lightning is becoming more popular in Chile and in our waters, and it is expected that in the season of 1962/63 we will have more and better races in our waters.

Fleet 319 sailors had the opportunity of competing in 6 races in a season which began in the Holy Week and will be completed on Christmas. Top skippers were Raul Urda da Forno, Jaime Gatica Cortes and Dusko Kuljis Munitic who had the opportunity to compete in the National and South American Championship.

The Fleet is now looking forward to the 1963 National Championship to be held in our Bay on January 9 to 13 with the participation of more than 20 of the most well-known skippers of the country.

On July 1st, Sunday, the annual Around Coney Island race was held to determine the winner of the Gage Cup. Conditions were ideal and some 11 Lightnings entered the race. The result was as follows:

- (1) #8164 Gordon Konantz
- (2) #7507 Bob Richards
- (3) #7435 Jim Richardson

The first annual Powder Puff Derby sailing race of the Royal Lake of the Woods Yacht Club was held on July 29th. All the skippers and crew were of the gentle sex, with the exception that one male crew member was allowed. Entries included ten Lightnings, two each X-boats and 20' scows.

A very light wind made the start slow. However, ten minutes later, near the first mark a 40 mile per hour wind blew up accompanied by heavy rain. A dramatic ninety minutes followed which produced a pulled forestay, a lost spreader, two capsized scows, two or three drop-outs, one near pile-up on a rocky weather shore, and frantic hiking by all crews. The race was won by Mrs. Gordon Konantz, Junior, in a Lightning, followed by eleven year old Shirley Puttock skipping an X-boat with Mom and Dad as crew.

Our Invitational Regatta was held on Sunday, August 5th and was to consist of two races; the first, to determine the winner of the Kenora Cup, with the individual points added to the points gained in the second race, to resolve the overall Lightning Class winner. A total of 44 boats entered consisting of Lightnings, 20' scows, and X-boats from the Royal Lake of the Woods Yacht Club and Lightnings from Clearwater Bay Lightning Fleet #277, plus Y-Flyers from West Hawk Lake.

The first race started in a light wind, but, within minutes a strong gusty wind developed with heavy rain. In fact, it was estimated that the winds were up to 44 miles per hour accompanied by heavy rolling waves. Someone claimed a Y-Flyer outran a 40 H.P. outboard before capsizing. At any rate, many boats capsized under these very difficult conditions.

The standing of the first race:

- (1) Bill Konantz Fleet #320
- (2) Bill Moss Fleet #277
- (3) Keith Campbell Fleet #277

The second race was cancelled because of the potential danger to boats and crews, and it was considered that the Konantz won.

The Clearwater Bay Regatta was held on August 11th and 12th under the auspices of Lightning Fleet #277. A total point three race series was held, and a total of some 33 Lightnings from Fleets #277, #320 and from the Thunder Bay Yacht Club #279 attended. The results were as follows:

Saturday—11 A.M.—Lightnings only—

- (1) Keith Campbell Fleet #277
- (2) Bob Prettie Fleet #279
- (3) Bill Konantz Fleet #320

Saturday—2:30 P.M.—All Classes for the Bonnycastle Trophy—Handicap Race—A total of 42 boats including Y-Flyers, GP-14's, 20' scows, Junior Flying Dutchman.

Lightning results as follows:

- (1) Keith Campbell Fleet #277
- (2) Bill Konantz Fleet #323
- (3) Bob Prettie Fleet #279

Doctor M. Desmarais won the Bonnycastle Trophy in a Y-Flyer. Sunday—2 P.M.—Lightnings only—

- (1) Bill Konantz Fleet #320
- (2) Bill Harris Fleet #279
- (3) Jim Richardson Fleet #320

On a total point basis, the three—race series, in Lightnings, for the Harris Trophy resulted in the following standings:

- (1) Bill Konantz Fleet #320
- (2) Bob Prettie Fleet #279
- (3) Keith Campbell Fleet #277

A very difficult sailing season was experienced this year, due to exceptional high winds accompanied by driving rain, and it was noted that additional newcomers coming into the various fleets upset the standings from the previous two years. Additional Lightnings are expected to be added to Fleet #320 in 1963 and an extension of our first sailing school will be carried out in 1963 to foster a growing junior sailing group.

LA SPEZIA FLEET (321)

Italian District

Many races were organized in the fleet which has been very active during the year, also with young crews.

ZENITH, 7188, with Dr. Accinelli, Poggi, Paita, won COPPA SAN VENERIO.

With our hopes high and several new Lightnings and skippers on the horizon, we are looking forward to a fine year of fair sailing.

CHAPARRAL LIGHTNING FLEET (322)

Texas District

Sailing on Lake Travis, at Austin, Texas

Fleet Captain..... Jack Downes
Fleet Secretary..... Pat O'Neal
Fleet Champion..... Don Marsh
Runner-Up..... Jack Jackson

Boat No.	Boat Name	Skipper

6175	Jack Downs
7938	C. P. O'Neal
7972	Brand X	Jack C. Jackson

The Chaparrals, otherwise known as the Road Runner, have not lived up to their name. There has been no attendance at out-of-town regattas this year. In August 1961 Don Marsh's "Jou-Jou", while enjoying an evening sail, showed her mettle after being attacked by a drunken stink pot. The stinker was unlighted, and after two buzzes it latched on to target and countered every evasive action. "Jou-Jou" ended the affair with a hole well above the water line about a foot aft of the stem, a crushed rub rail, and a sheered off rudder. The stinker managed to get to shallow water before going down. The "skipper" (?) of the sunken craft received a 2 year probated sentence after pleading guilty to malicious destruction of private property. Luckily "Jou-Jou" is not a Thistle. "Jou-Jou" hit water again this August and completion of #7938 is delayed considerably due to injuries to the builder. A floating flash light saved two people that night after they were thrown from "Jou-Jou".

"Brand X's" refurbishing was delayed because Skipper Jackson has some little commitments to Uncle Sam's SAC. It seems his time is not his own. "Brand X" splashed in September. Our Yankee friends should note these dates and think of our crisp fall temperatures of 70°-80° into December.

Our series, though late, was close and intense. Don Marsh

pulled a "Gretel" by vacationing in Mexico while the "delay" brought in new sails. Two of the last three races were his to give him the honors. It took those to win, too.

Plans, now, are for these two yachts to attend the Houston Mid-Winters in February if other Lightnings can be encouraged to attend. We anticipate a much more active year next year.

Sorry we have no pictures showing our lake, but the wives were either crewing or race-committee.

SETAUKET YACHT CLUB LIGHTNING FLEET (323)

Western Long Island Sound District

Sailing on Long Island Sound at Port Jefferson, N. Y.

The Setauket fleet sailing with the Setauket Yacht Club had an extra fine season with our activities divided into two series. Some new boats showed up and a couple changed hands.

Although the club tries to set up courses outside on Long Island Sound, as more normal practice, it was necessary due to high winds and very heavy seas, on a few occasions to race "inside" on Port Jefferson Harbor. Short twice around courses were set up and proved very interesting due to many variables not encountered outside on the Sound.

The club has been giving out a daily first award this year and we have had some real fruitful post mortem sessions as a result.

Our sailors are seeing the results of well tuned boats and activities along these lines have really picked up.

Frank Atkinson bought himself another Lightning at the end of the season which had achieved quite a reputation earlier and he has big plans for next year. Frank and his wife Martha and Tom and Dawn Burke are getting real serious with their spinnaker work.

Dick Forshay never got out for a race this year but says watch out next season. Al Nazarek has his boat up for sale and hopes to get another with a little more steam. Dan Coyle got himself a new boat just in time to miss the last race.

Al Glenn, on his way out to his very first race, though sitting dead in the water, got himself run into smack in the middle by a large cruiser.

Bill Schoen lost his halyard up the mast 15 minutes before the gun, but somehow made it to shore, pulled her over, grabbed hold and made it back in time to go around with the fleet. In the last series Bill managed to get run into by a whole fleet of Ravens barging down the line.

It looks like some real competition next year with several new good boats and hot skippers joining the fleet.

PENSACOLA LIGHTNING FLEET (324)

Sailing from Pensacola Yacht Club at

Pensacola, Florida

Fleet Captain..... James A. Krippes
Fleet Secretary..... John R. Magee
Fleet Champion..... James A. Krippes
Runner-Up..... William Soule

5716	Lane Gilchrist
7349	Scallop	James A. Krippes
7867	Marietje	William Soule

Fleet 324 may be small, but it was busy—informal tune-up races in June and July, fleet championships weekends in August, and sprinkled in were invitational regattas from June through

October. Between times, Jim Krippes and Bill Soule ably represented the fleet in neighboring regattas; had their boats damaged by a small tornado in Fairhope; and in July, Jim won the 4th place trophy in the Southern District Lightning Championships held in Mississippi. The fleet was indeed proud to have Jim Krippes elected as Commodore of the Southern District.

Ed Overton, from Fairhope, dominated the Pensacola invitational regattas winning the Navy Cup Regatta, June 9th; the PYC Fiesta Regatta, August 18th and 19th; and the Navy Yacht Club Regatta, October 13th and 14th. Jim Krippes won the Pensacola Sailing Association Regatta on September 15th that was the longest sail of the year—7 hours.

We're looking forward to increased activity next year with Lane Gilchrist's return from his navy duty and with the Navy Yacht Club expecting to add two Lightnings to the local fleet.

The Three Winners—VanHorn, Lindsay & Cornwell

Having completed its third season, Fleet 326 now consists of sixteen boats and their crews. Competition was greater and the old adage about experience being the best teacher gave us some real thrills. We feel our growth indicative of the enthusiasm and we're looking forward to 1963.

Sailing on the "best water in the state" the fleet in its own series saw Ken Lindsay for the second successive year, with his wife Alice and son Kennie, take the championship. Chuck VanHorn and his crew of Derrill Shantz and Bob Brammer squeaked second over Gordon Cornwell with his sons Gordie and Steve. Trophies also went to Chuck Meach for carrying our "B" Fleet honors. The two new boats of Cline and VanEpps are championing at their moorings eyeing first place honors next season.

Our second annual George Smith Memorial Regatta was held August 12th and 13th. This series saw thirty boats on the Bay in good winds but, alas, with the invaders taking the hardware down-

state with them. Leo Wasserberger of Pontiac took first honors, Phil Smith of Birmingham a close second and Claude Bennett of Royal Oak third. The new Traverse City Marina was our base of operations which proved highly successful and everyone had a great time.

Those who went to the Michigan Districts at Tawas will doubtless remember "Shanty Town", the notable quarters of Fleet 326's representatives there. Six boats represented Traverse City and—well we did better than the previous year. Wait till next year!

We are sincerely hoping that all Lightning sailors will have the pleasure of sailing our waters in 1963—in the Michigan Districts. And we extend too our open invitation to our third and bestest Memorial Regatta. We promise you'll enjoy it.

Jyväskylä fleet boats waiting the starting gun. From left: Fleet Captain U. Brusi (7173) and Secretary Matti Nurminen (8212) and behind Fleet's Champion V. Nieminen (7179).

This year has been the greatest so far in our fleets young life. We have four new boats, and on top of that our fleet received the honor of organizing the District Championships this year, which was held for the first time in the lake area. The championships were quite successful and we can be satisfied with our boats' participation. We didn't get to the top, but as this was our second season, it really would have been too much to ask. We are very happy that we could show those salt water sailors that we have excellent sailing waters here on the lakes too. The best of our

skippers at these championships were Matti Nurminen, who finished with his "Mary-Ann" as ninth, Urho Brusi (Meritahti) tenth and Veikko Miettinen (Mary) eleventh.

Veikko Miettinen won the fleet championship title after a really hot series. After two races three boats were tied in points and the final race was a nerve-trying one.

During the season our fleet had a Series Cup race, which consisted of twenty races. "Mary-Ann" took the honors of the race with 100 points, II "Sami" 90 pts., III "Nina" 78 pts., IV "Meritahti" 72 pts.

One of our boats, Matti Nurminen's "Mary-Ann" took part in the LCA European Championships at Helsinki. They finished 19th of the 23 participants, but were satisfied with the trip, because the main purpose, to learn as much as possible from the top skippers of Europe, was more than satisfied.

Our fleet has purchased a used motor vessel "Ansio", which we are using as headquarters for the races. Also used as a towboat and a hotel for our sailors when we go racing farther away. The vessel has sleeping accommodations for 18 persons.

We are getting several new Lightnings for next season and are planning to organize regattas with the Lahti Fleet, which was established during this season at the other end of lake Paijanne. (Paijanne is about 100 miles long and 20 to 50 miles broad, so there is enough sailing water for several fleets.)

6523	Aldebran	Frank G. Mullins Jr.
6860	Dr. Robert Boudreau
7235	Robert Cassidy
8379	Ta'Aroa	Franz & Sheila Schneider

Fleet 329 experienced healthy growth and increased activity during the past season. In total numbers we increased in size by only three boats, but the proportion of boats actively participating in organized sailing increased by over 50%. We now have some ten members who are also members of the Severn Sailing Association and are actively participating in their program at Annapolis.

Our fleet series consisted of some thirty races which were spaced out from June 3rd through October 7th. These were held principally on Sunday afternoons. The course usually started and finished near the club and extended out into Chesapeake Bay. Eleven boats entered, sailing an average of fifteen races each. Scoring was on a percentage basis similar to that used by the Chesapeake Bay Yacht Racing Association for their Regatta High Point Trophy. On top with their new boat "Ta'Aroa" were Franz and Sheila Schneider with their regular crew of Johnny Veltman. Second was Frank Mullins in Aldebaren. Third was Dr. Vernon Mountcastle with his sons Vernon and George.

As usual Frank Mullins and the Schneiders were among the more active boats on the regatta circuit. While both were contenders in most of the regattas, the Schneiders became much more consistent with the arrival of their new Saybrook boat in late August. Their "Ta'Aroa" took third places in the Corsica River Regatta and the Indian River Regatta. Johnny Veltman took over

Frank Mullins and Chip Steigman tie up beside "Ta'Aroa" as George Bradey lands.

the chores for the Indian Landing Regatta and sailed "Ta'Aroa" to first place, thus repeating last season's win.

New to the regatta scene this year were Barry Ramer, George Bradey, Vernon Mountcastle, Al Fleig, Ed Graham, and Dr. Bondurant. These new Severn Sailing Association entries sailed in the President's Cup and the Quantico Regattas as well as the local Annapolis and Round Bay Regattas.

There were eight regattas sailed locally this year. Annapolis Yacht Club held its usual three in May, July and October. Severn Sailing Association held three this year too. They were sailed in June, July and September. Potapskut Sailing Association on the Magothy held their regatta in July and the Indian Landing Boat Club held theirs in August. Tows were available from Annapolis to Round Bay for the Indian Landing event and Lightnings also launched with no trouble from the West Severna Park launching area. These events averaged about fifteen boats each exclusive of the Severn Sailing Summer and Fall events which were new this year and received only local fleet support.

Among the Juniors taking part in the Severn Sailing Association Junior Instruction Program, George Mountcastle won the Outstanding Mate award. The value of this very excellent program can be attested to by those who have watched George and Vernon setting Valkyrie's spinnaker. We look forward to seeing them join the ranks of other graduates of this program who have gone on to national sailing prominence.

Late arrivals to our fleet this season were the Robert Cassidy and the Richard Stevens families. Excellent competition, the Cassidy family should become real threats, especially when son Robie finishes football season.

We are looking forward to the 1963 season as becoming a new high point. Among other racing plans we are hoping to sponsor the Dixie District Championship in July. The three Annapolis Area sailing organizations plan to put out an Olympic Race Course which we will be able to use. Some of our people plan to support the Severn Sailing Wednesday Night Races which are followed by a cookout at the club. Also on agenda are some cruises and at least two winter parties. With the support of a strong active sailing club, located at the heart of the Chesapeake Bay Racing Circuit, and with excellent wind and water resources we feel that we are in an excellent position to offer a fleet which will grow and prosper.

CRAB ORCHARD FLEET (330)

Mississippi Valley District

Sailing on Crab Orchard Lake, Carbondale, Illinois

Fleet Captain	W. R. Scott
Fleet Secretary	Donald Shoemaker
Fleet Champion	W. R. Scott

Boat No.	Boat Name	Skipper
2210	ID	Donald Shoemaker
4826	Vindicta	Donald Zerban
5217	Ziggity Zailor	Ernest Heyworth
5226	Manta Sea	Ernie Limpus
6978	Idler	Gerald Gilbert
8091	Sasi II	Wilson R. Scott, M.D.

Fleet 330 completed another highly successful race season with a total of eleven races divided into two series. Wilson Scott continued his winning ways in his first season with a new boat by topping the fleet in both series. Ernie Heyworth and Don Shoemaker fought a "Battle Royal" for runner-up spot, with Heyworth taking second in the first series and Shoemaker finishing second in the final series. The two new members of the fleet, Gerald Gilbert and Don Zerban, quickly demonstrated that they could be "counted in" competitively and would add significantly to the spice of Crab Orchard racing.

In addition to the regular club series, the Fleet once again hosted midwestern Lightning skippers from five states in the Egyptian Cup Regatta held annually in early June. Tom Brizendine of Kentucky Lake, Bob Levett of Nashville, and Dick Dooley of Davenport, Iowa finished one, two, three respectively. Wilson Scott of the host club finished fourth. The general response of visiting skippers would seem to indicate that the Egyptian Cup is likely to become an increasingly popular event for midwesterners.

The Crab Orchard Club continued to improve physically this year with the addition of an electric hoist and added space for dry sailers. In addition to serious racing, the club continued an active informal program including several novelty races and a good dose of moonlighting. Don Shoemaker managed to reverse the tables on some natural enemies during one of the moonlight sails by towing in a hapless stinkpotter who ran out of gas in the middle of the lake. Everyone who saw this one wished for a camera at the time. In all, the "fun" side of the season provided enough laughter to match the excitement and competitiveness of the formal racing.

In the coming year Crab Orchard looks forward to hosting the first District Races of the newly formed Mississippi Valley District. These will be held on the Thursday and Friday immediately prior to the Egyptian Cup Regatta. This combination promises to start the next season off with enough excitement to last the whole season.

SQUAM LAKE LIGHTNING FLEET (332)

New England District

Sailing on Squam Lake at Holderness, New Hampshire

Fleet Captain	Robert Wherland

8352	Spindrift	Arthur Unsworth

Three new boats, one rebuilt boat, and almost uncontrollable enthusiasm provided the nucleus of an excellent year on Squam Lake, where nature provided ten consecutive weekends of wonderful weather for racing. Everything from drifters to 30 mph blasts, but no rain!

Bob Wherland and Dave Closson with their new Saybrook boat proved to be unbeatable until the middle of August, when finally Howdy Wood and Dick Blair briefly found the secret.

Season series results were: 1st, Bob Wherland and Dave Closson, 2nd, Howdy Wood, 3rd, Bert Flint, 4th, Bob Custance. Fleet

Championship series ended up as follows: 1st, Bob Wherland & Dave Closson, 2nd, Howdy Wood, 3rd, Dick Blair, 4th, Bert Flint.

More members of the fleet travelled to the different regattas in the District and are letting the other fleets know that Squam Lake Fleet, the newest in the District, will be one to be reckoned with.

Things to watch out for next year—Arthur Unsworth and his new fiberglass boat; Dick Blair and his new sails for his slippery Lippincott; Wherland and Closson's usual good performances; maybe a couple of sneaky guys showing up with new boats!

Fleet 333?????

1962 proved to be exciting and entertaining for the members of our growing fleet. In addition to participating in the Southern Circuit our fleet was represented in a number of other regattas held throughout the state. The highlight of these regattas was the first Annual Florida Lightning District Eliminations held by the Coral Reef Yacht Club in Miami. Gene Carpenter in Helen Hywater was the winner of our hotly contested spring series. Gene was pushed hard by Bill Cudahy and Bob Tylander. Adrian Van Voast with his charming wife and son sailed their new Geronimo to the largest number of first places during our summer series. In the West Palm Beach area Gene Carpenter won the George Washington Regatta sponsored by the City of West Palm Beach and Bob Tylander in Ellie Sue copped the first Annual West Palm Beach Water Safety Regatta in July.

At the time that this report is submitted, Fleet 333 is engaged in its Fall Championship. The Van Voast family holds a slender one point lead over Bill Cudahy who is closely followed by Bob Tylander.

December of 1962 holds promise of lots of activity for the Palm Beach Lightning sailors. December 16th will inaugurate our first Annual Invitational Lightning Regatta. We have also scheduled our club's annual holiday series for December 30th.

Plans are being made for improving our haul-out and dry storage facilities. 1963 promises to be even better than our 1962 season.

The 1962 season was an active one for Fleet 336.

Eight three-race series were organized, four of them with crews changing boats in every race to give everyone equal chances. To make things even more honest, every boat in the fleet capsized once during the season.

The fleet was represented during the season in all the most important events.

AVRA, skippered by Nikos Couclelis with a crew consisting of Panagiotis Papastefanis, George Protoulis, and Panagiotis Mathielis, took the third place in the International Fair of Salonica Cup, and fifth place in the Greek Championship.

Fleet 338 Champ Ken Buhrmaster feeling out a drifter

Regrettably, we of "Good Ole 338" are champions of the art of late starts. For some reason, we just could not get together on time, and as a result have been "sentenced" to serve on the committee next year. Despite all this, our season was successful. The overall results were very close, perhaps due to a few drifters which seemed to match boats and skippers a little closer.

Our small lake is usually blessed with a 10 to 15 knot westerly at race time but this past season we were not on that list. The wind shifted to the south most of the time and due to high hills down that-a-way, we usually end up with a drifter. Despite the unpredictable winds we did manage to initiate our first dunkers when Dale Brown and his Mrs. turned turtle in one of the club's handicap events. Our Lightnings fared well in the handicap events with 1272 placing third overall against such performers as Highlanders, Flying Dutchmen, etc., which goes to show that old Lightnings never die, they just sail on, on, and on.

We were privileged to welcome aboard Dr. William Seymour and #2690. Bill is a very fine gentleman who found his first year at the helm a very relaxing and enjoyable experience.

Our future growth as an active Lightning Fleet has excellent prospects. With an active club membership of close to 70, it is very easy to count 45 to 50 sails at one time during our racing events. A keen interest is always shown in the Lightning and we like to think we have a potential of at least 1 new boat per year.

Since viewing the very fine film of the 1961 Worlds, all members have been bitten by the Spinnaker bug. This can only mean that '63 will be known as the year of the "Kite" here on Galway Lake.

We all look forward to, and wish you all, a very successful season for '63. See you next year.

PENTWATER YACHT CLUB FLEET (340)

Michigan District

Sailing on Pentwater Lake at Pentwater, Michigan

Fleet Captain	George E. Tubich
Fleet Secretary	Silas Cartland IV
Fleet Champion	Donald N. Basler & Peter B. Northrup
Runner-Up	Mrs. C. Ray Taylor

Boat No.	Boat Name	Skipper
1287	Miss Pent	Mrs. C. Ray Taylor
2516	Mischief	Harry V. Wilkinson
2529	French Town	Silas Cartland IV
2735	Miss T	George E. Tubich
3066	Nereus	Walter Hallenbeck
4392	Wasp	Mary Ann Bates
4945	Trilogy	Dr. John Olwin
5650	Lazy Squaw	Eugene L. Todd
6384	Alethia	Donald N. Basler & Peter B. Northrup
7714	Therapy	Dr. Jack Graettinger

The Alethia, a new member of the PYC but an old sight on the lake, was the season winner of the trophy. The Baslers also won the August Cmdr's Trophy. The Taylors' "Miss Pent" won the Wm. Hewett Trophy for July. There is a double winner for the Taylor Sportsmanship Trophy. Mr. Todd's "Lazy Squaw" was announced the winner but declined in favor of his crew member of long standing Mr. Hallenbeck. 'Twas a good season.

OKLAHOMA CITY LIGHTNING FLEET (343)

Central States District

Our fleet received its charter in September of 1962. This was accomplished almost entirely through the efforts of Oscar Anderson, our first Fleet Secretary. Prior to this year, while several Lightnings have called Lake Hefner "home port", no successful effort had been made to organize a fleet.

The summer's racing was confined to "free-for-alls" with other members of the Oklahoma City Boat Club who mustered at least ten different combinations of canvas and planking for these events—everything from Beetle Cat to Rocket!

With the addition of new members, this fleet plans to make a concerted effort to schedule a formal race series this coming season.

Can you top this one? Boat #20, Old Glory, has a good racing record and still all wood, no glass

This year proved to be a most successful season for the Pettipaug Yacht Club members, with the Lightning Class being the devoted and dedicated group of sailors that they are. Although we may be small in number of Lightnings sailing in comparison to other Yacht Clubs, we are most encouraged by the tremendous spirit, enthusiasm, sportsmanship, loyalty and fellowship displayed here at Pettipaug. We believe we have one of the finest sailing groups one could find anywhere. With this we look forward to another season and know we will have additional Lightning members soon.

Our sailing season began late in May and ended in mid-October. Throughout the season we held series of races, etc., which were very competitive and a challenge to all. In our midst we feel quite elated to have some well-experienced skippers that keep us all on the alert by trying to measure up to them. Alex Girtanner, our Fleet Captain of 1962, has been an outstanding skipper and a challenge to all of us, plus the fact that he has put in a great deal of time organizing and informing our Fleet on what is happening in the Lightning Association. We at the club are most grateful to him. Alex also represented Pettipaug at the District Races held at Niantic Yacht Club, Niantic, Conn. in August. Alex did us proud by finishing in the upper half of the fleet.

In our series of races Mrs. Charles Wind skippered "Old Glory" to victory over all other boats. This was quite a feat and everyone was delighted to see her go over the finish line first. Even the well-experienced, seasoned gentlemen skippers were aghast.

To vary our interest, we as a group take our Lightnings on planned sailing parties to different islands on the Sound. These excursions are all-day affairs and real fun. Also many picnics and outdoor cooks are held with leisurely sailing following. All this has been made possible through the efforts and inspiration of one of our beloved former Commodores, Mr. Elbert Hawkins, owner of boat "Whisper".

To close the season a farewell party was held October 14th, Decommissioning Day of the Yacht Club. A well-attended affair, (heavy hearts), but all members looking forward to spring and getting their boats back into the water.

Fleet 345 Champion Donald Akerley, Lake Geneva, Wisconsin

The 1962 season was the 1st for the Lake Geneva Sailing Club as Lightning Fleet 345. In past years the club was active as a mixed fleet sailing under a handicap basis.

The fleet had a very ambitious schedule of two Saturday series of seven races each and two Sunday series of seven races each. The fleet champion was determined by a three race run-off of the winners of both the Saturday and Sunday series. Mel Boyington, Lake Geneva, Wisconsin in his Red Witch II, Bill Zack, Northbrook, Illinois in Sparky and Don Akerley, Lake Geneva, Wisconsin, in Dauntless II competed in the three-race championship run-off with Don Akerley in Dauntless II, after three races of close competition, being declared the winner. Don's wife, Marilyn, and son, Brent, served as crew of the Dauntless II.

Fleet 345 also sailed two eighteen mile long races during the season. One on July 4th and one on Labor Day. The Illinois Trophy was awarded to the winner of the July 4th race and the Cobb Memorial Trophy was presented to the Labor Day winner.

Another activity in which Fleet 345 was indirectly involved was the Frances Adams trophy races, held on Lake Geneva, Wisconsin, to determine the best all-female Lightning skipper and crew in the country. Five skippers of Fleet 345 volunteered the use of their Lightnings to the Lake Geneva Yacht Club, host club for the Mid-West semi-finals of this competition.

The fleet's racing season ended on a social note with trophy presentations at the annual awards banquet. LCA films were shown at the banquet.

Newly elected 1963 season officers are Chase Hess, fleet commodore and Joann O'Neill re-elected Secretary-Treasurer. Fleet 345 has a membership roster of 56.

All members of the club are anxiously awaiting the 1963 season when several new Lightnings are expected to join the fleet.

Pichidangui, Chile, South America—Inner Bay with Yacht Club in foreground

It was during Easter week that in accordance with the Chilean Yachting Federation, the National Lightning races took place in Pichidangui Bay (135 miles north of Santiago) on the Pacific Coast.

Thirteen Lightnings from different parts of the country participated, even one crew from Valdivia, which had to make a 500 mile trip for this purpose.

Conditions were ideal, inasmuch as we had, during the three days, wind which varied from force five to a flat calm, making the time of the races vary from 45 minutes to 3 hours. Only in some of the races the spinnaker could be used.

Unfortunately in one race Isidoro Melero, the Chilean Champion, turned over and broke his mast, as he was not accustomed to Pichidangui wind at its best, but he was able to replace it for the following races; two other Lightnings had similar mishaps.

On the whole it was the most successful and enthusiastic competition and the weather was certainly most cooperative.

For the coming year yachting activities have been programmed on a larger scale and we have good hopes to increase our membership during the season.

LONDON LIGHTNING FLEET (347)

Lake Erie District

Sailing on Fanshawe Lake, London, Ont., Canada

Fleet Captain.....Ron Neville

Fleet Secretary.....Joseph B. Martlin

Fleet Champion.....Ross Hirschleber

Runner-Up.....Joseph B. Martlin

Boat No.	Boat Name	Skipper
471	Thor	J. B. Martlin
2273	Frilda	F. E. Simmonds
5309	Redhead	A. D. Hosack
5540	Denny	L. M. Agranove

7462	Off Beat	A. Pearson
7965	Didja	R. Neville
8097	Calypso	R. Hirschleber
8130	Chinook	F. E. Roberts

The 1962 season on Fanshawe saw the formation of Fleet 347 with a membership of nine boats.

There were two series of eight races, the first being held in June and July, with Ross Hirschleber and Crew, Paul Steinoff, holding first place and Joe Martlin and Crew, Steven and Wayne Martlin, taking runner-up position. The second series was held in August, September and October with Joe Martlin and crew holding first place, and Ross Hirschleber taking over second position.

The Lightning Fleet Championship races, a series of five, were held on the Labor Day weekend with Ross Hirschleber standing first, Joe Martlin second, and Fred Roberts third.

The first summer for this fleet provided a good many thrills with one man overboard and one boat rammed.

With the expected addition of two to three new racing enthusiasts next year and the introduction of the use of spinnakers to this fleet, the 1963 season promises an even greater variety of spills, thrills and chills.

LAHTI LIGHTNING FLEET (349)

Finland District

Sailing on Lakes Paijanne and Vesijarvi, Finland

Fleet Captain.....Erik Liljeblad

Fleet Secretary.....Timo Rauske

Fleet Champion.....Erik Liljeblad

Boat No.	Boat Name	Skipper
4131	Sill-i-Dill	Arto Helemaa
4302	L.P.S.	Lahden Purjehdusseura (Lahti Yacht Club)
7160	Delfin	Lahden Partiosissit (Boy Scouts)
7176	Harakiri	Paavo Boman
7889	VIP	Juhani Pirttila
7980	Mattawunga	Erik Liljeblad & Reijo Salo

The Lahti fleet was "born" this spring, and we can say that the newborn was quite a baby, as it already consisted of six boats. Four of the boats had played on previous summers on the waves of Vesijarvi Lake, but "VIP" and "Mattawunga" got water under their keels for the first time this spring.

We have had a dozen races in the home waters. Besides these, three of our boats participated in the District Championships in Jyväskylä. Their results weren't too bad either. Kaj Liljeblad with "Mattawunga" finished fifth, Juhani Pirttila in "Vip" was eighth and Arto Helemaa with old and heavy "Sill-i-Dill" finished twenty-second.

We haven't had time to hold official fleet championships, but "Mattawunga" has been the best of us in every race.

Our report for the first time is quite short, but let's hope that more Lightnings are going to flash in our waters next year, so that we will have more to tell.

HARVEYS LAKE LIGHTNING FLEET (350)

Metropolitan District

Sailing on Harveys Lake, Harveys Lake, Pa.

Fleet Captain.....Robert L. Casselberry

Fleet Secretary.....Paul A. Priebe

Fleet Champion.....Paul A. Priebe

Runner-Up.....Peter A. Laidlaw

Boat No.	Boat Name	Skipper
819	Peter Laidlaw
5836	Archer Mohr
5920	Sly Vixen	Robert Casselberry
6318	Flash	Paul Priebe

Fleet 350 organized in May with but three boats. With confidence and great expectations, thirty-one races were scheduled. However, weather conditions, vacations and absenteeism reduced the schedule to eighteen races.

Lightning Fleet 350 races were under the auspices of the Harveys Lake Boat Club and the watchful eye of Race Fleet Captain John Curtis (former Lightning skipper and holder of numerous North American Snipe trophies) and his able assistant Howard Wiley. We thank them for their efforts and patience with us. Sailing with the H.L.B.C. Comet and Mobjack Fleets added the

#6318 returning from Labor Day drifter on stiffest breeze of the day

challenge of sharp tactics (and fouls) for keener competition.

"Captain Bob" with wife Marge and their revolving "third men," Arch Mohr and Dick Demmy started the season as the boat to catch, taking the first race by 1 minute 17 seconds. "Skipper Priebe" alternating his children, Janice, Donna and Paul, Jr. as crew, took the next race by ten seconds.

"Admiral Pete" with wife Betty and Ed Roman began to make their presence known by mid-June. Using the "Pride of the Navy", the prestige of a "GITMO Yacht Club Membership Card" and a weekly supply of pain pills, "Slipped-Disc Pete" slipped into contention by early July, and the Battle of Harveys Lake was on.

Our Holiday races were filled with frustration by the lack of wind. The July 4th Race was called due to a four hour time limit. Two of the Labor Day Week-end series suffered the same fate. A forty minute swim was enjoyed by some of the skippers and crew on one occasion, and we never lost a boat.

Of favorable interest toward tuning our boats for next season is the statistic that two races were won by one second and five by 15 seconds or less. Eye sighting and plumb-bobbing competitors' masts may have been a factor in these close races, as we are equally experienced (?) skippers.

Casselberry lost crewman Arch Mohr for next season . . . he got the Lightning-bug, buying his own boat #5836, which carries a very impressive racing record. So . . . the fleet is growing and we are hopeful of adding still another boat before the 1963 season starts.

Three valuable lessons were learned this season, which will be discussed at length during the winter months. They are listed alphabetically to eliminate claims of favoritism:

- 1—Casselberry; port tack Lightnings are not permitted to ram starboard tack Jollyboats. RESULT—one damaged Lightning stem.
- 2—Laidlaw; capsized Lightnings hold a h--- of a lot of water when righted. RESULT—DNF (damn near full).
- 3—Priebe; port tack Lightnings are not permitted to clobber defenseless starboard tack Comets. RESULT—an insurance check for a Comet mainsail.

Our final season standings had Priebe taking home the "Inland Marine Trophy," (it doubles as a martini pitcher). There are no teetotalers in the fleet, Sooo, wait till '63.

1962 Final Standings

- 1—Priebe
- 2—Laidlaw
- 3—Casselberry

NITEROI FLEET (351)

Brazil District

Sailing on Sao Francisco Bay

Fleet Captain..... Benjamin Sodre, Jr.
Fleet Secretary..... Jose Guimaraes
Fleet Champion..... Erik Schmidt
Runner-Up..... Luiz Fillippe Lima

Boat No.	Boat Name	Skipper
1771	Rompevento	Jose Cruz da Costa Biaia
4512	Goofy	Phactuel Machado Rego
6558	Week-End	Jose Guimaraes
6793	Eala	Stuart Leishman

7541	Dordao	Renato Matta
7682	Fragata II	Benjamin Sodre, Jr.
7866	Mixuruca	Dsalma Ferreira
8233	Osprey VIII	Erik Schmidt

At last the Lightning owners that live in Niteroi got together and decided to found a new fleet which is already turning our clubs of Niteroi into sailing associations again. People will soon be watching for the racing activities of Fleet 351 and it is expected that pretty soon they will be joining us.

On August 11, 1962, Fleet 351's opening race took place. It was open to all fleets of Guanabara Bay; our Renato Matta won the first place and Alexandre Levi, from Fleet 84 was second.

After a series of 5 races, on August 25th and a last one on September 8, we promoted the fleet contest that provided the selection of the Fleet 351 participants in the Brazilian championship of the class; the results were as follows:

1st—Osprey VIII	Erik Schmidt	8233
2nd—Caravelle	L. Felipe Lima	7495
3rd—Mixuruca	D. Ferreira	7866
4th—Week-End	Jose Guimaraes	6558
5th—Dordao	Renato Matta	7541
6th—Fragata II	B. Sodre Filho	7682
7th—Rompevento	Jose C. Biaia	1771
8th—Playboy IV	Luiz E. Gomes	7468

Fleet 351 displayed good racing performance in our last Nationals. Erik Schmidt was first with his new boat that also proved to be faster for various reasons. Renato Matta was not so lucky and in one of the races he had a shroud broken but even so he pulled out a nice third place. Luiz Felipe was fifth and Jose Guimaraes sixth.

Scheduled for the second half of January 1963, there are the elimination races to select the Fleet 351 participants in the National Championship of 1963, taking place in Sao Paulo, next year.

All our endeavours are being conducted to have all the boats of the fleet measured before the end of 1962.

6769	Kurt Kleinmann

Fleet 353 was organized in the fall of 1962 with Phil Benedict, Harry Murray and Bill Kail the charter members. Our parent organization, The Hoover Yacht Club, was organized earlier in the year so we were all very busy getting the HYC in shape. Unfortunately we were not able to hold any official races during the 1962 season.

1963 promises to be an active season for the Lightning skippers. We anticipate a fleet of at least twelve boats which should provide for some keen competition.

During the winter months we are planning a series of classes to help us better understand racing rules and tactics and to help us know our boats. We want to be prepared in 1963 to race against the "old pros."

Registry of Lightning Owners

(Corrected to January 1, 1963)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated.

Where boat number is followed by an asterisk (*), it means that there is an approved measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.

From the Editors

Now that you have read your 1963 Year Book, we hope that you have found it interesting, helpful and enjoyable. It is really your book and without your active support it could not be published. We want to thank sincerely all who have so willingly contributed their time and effort to provide material for this book. A special word of thanks goes to our advertisers. Their support also makes this book possible. Last but not least, our appreciation to Margaret Teske and Lou Madden for their hard work and patience with amateur editors.

This year, for the first time, our cover features a European Champion, a North American Champion and a South American Champion to emphasize the fact that we are now recognized as the International Lightning Class

Association. Another "first" is the Table of Contents included for your convenience.

Our thoughts, after working with members and officers of the ILCA, are that participating more actively in this group will bring a measure of happiness and satisfaction unequalled in any other group.

Our sincere hope is that all members will be on the starting line in as many local and out-of-town regattas as possible. Our expansion in many areas of the world has further increased our opportunities for new friends and adventures. Arrange your life to take advantage of these possibilities so that 1963 will be a most memorable year.

"And so to bed . . ."

ANOTHER ONE FOR THE RECORD

Winds in three races of the 1962 North American Championship ranged from 10 to 25 MPH. Tom Allen bent on our standard main and jib, placed 2nd — 5th — 6th.

The other two races were drifting to 5 MPH and 5 to 15. Same jib, Tom used our "light" main. We don't recommend this sail for winds as strong as 15, but he was trapped, the wind increased, he increased his mast bend and finished 3rd. The other race he placed fifth.

Consistant sailing speed in all weather pays off. In this case by 7 points at the end of 5 races.

OTHER GOOD NEWS

"I'm very glad to tell you that this year I won Italian District Championships in Anzio, and European Championships in Helsinki, Finland with your sails. My Lightning is 'Strale 11, No. 7238.

Sincerely
Maurizio de Segni, Rome".

HISTORY DEPARTMENT

Murphy & Nye customers have won the major event on the North American Continent for the last 5 years in a row. At present hold both North American and World Championship titles.
